A BILL TO BE ENTITLED

AN ACT TO PROVIDE THAT CERTAIN MEMBERS OF THE MILITARY ARE CLASSIFIED AS NORTH CAROLINA RESIDENTS AND SO QUALIFY TO PAY IN-STATE TUITION AT STATE INSTITUTIONS OF HIGHER EDUCATION.

Referred to:

A BILL TO BE ENTITLED

AN ACT TO PROVIDE FOR ELEVEN MONTHS OF EMPLOYMENT FOR TEACHERS.

The General Assembly of North Carolina enacts:

Section 1. The General Assembly finds that adding additional workdays for public school teachers would have the benefits of increasing teacher salary, making it unnecessary for teachers to seek summer employment, giving local boards of education additional days on which to schedule teacher development, planning, and extra teacher workdays, allowing the State the capability of extending the school year, and allowing the State the capability of converting to year-round schools; therefore, it is the intent of the General Assembly to consider adding days to the school calendar as one way of increasing teacher pay.

The General Assembly of North Carolina enacts:

Section 1. G.S. 106-277.29 is repealed.

Section 2. Article 31 of Chapter 106 of the General Statutes is amended by adding the following new sections:

"**§ 106-277.30. Condition precedent to filing an action; notice required.**

Short Title: Medical Research/Include Women. (Public)

Sponsors: Representative Boyd-McIntyre.

Referred to:

A BILL TO BE ENTITLED

AN ACT TO REQUIRE MEDICAL INSTITUTIONS AND UNIVERSITY HOSPITALS THAT RECEIVE STATE FUNDS TO INCLUDE WOMEN AS SUBJECTS IN MEDICAL RESEARCH PROJECTS, AS APPROPRIATE.

Whereas, in recent decades a number of large-scale medical research projects have been conducted in this country, including longitudinal studies by NIH, as well as major university hospitals, that included men but not women as subjects, thereby resulting in unanswered questions about women's health; and

Whereas, the results of the research on men have been used regularly and widely as a basis for treatment of women; and

Whereas, women and men possess certain biological and chemical differences that influence the approach to meeting their respective medical needs; and

Whereas, the status of a woman's health not only impacts the quality of her life and that of her family, but also impacts the economy of her community and ultimately the State; Now, therefore,

The General Assembly of North Carolina enacts:

Section 1. Every public or private medical center or university hospital in this State that receives State funds and that conducts medical research on human physical or mental health, including diseases affecting humans, shall ensure that any research conducted by the entity on human beings for illnesses, diseases, and other health conditions affecting both men and women, includes a representative sample of adult women as subjects in the testing, studies, and other forms of research conducted.

Referred to:

A BILL TO BE ENTITLED

AN ACT TO ALLOW PRESCRIBED BURNING IN FORESTS BY FOREST LANDOWNERS UNDER CERTAIN CONDITIONS.

The General Assembly of North Carolina enacts:

Section 1. Chapter 113 of the General Statutes is amended by adding a new Article to read:

"ARTICLE 4E.

"North Carolina Prescribed Burning Act.

"**§ 113-60.40. Legislative findings.**

The General Assembly finds that prescribed burning of forestlands is a management tool that is beneficial to North Carolina's public safety, forest and wildlife resources, environment, and economy. All of the following are benefits that result from prescribed burning of forestlands:

(1) Prescribed burning reduces the naturally occurring buildup of vegetative fuels on forestlands. Reduction of these fuels by prescribed burning reduces the risk and severity of wildfires, thus lessening the loss of life and property.

(2) The State's ever-increasing population is resulting in urban development directly adjacent to fire prone forestlands. Such an area is referred to as a woodland-urban interface area. The use of prescribed burning in these woodland-urban interface areas substantially reduces the risk of damaging wildfires.

(3) Many of North Carolina's natural ecosystems require periodic fire for their survival. Prescribed burning is essential to the perpetuation, restoration, and management of many plant and

Short Title: Brownfields Property Reuse Act. (Public)

Sponsors: Representative McComas.

Referred to:

A BILL TO BE ENTITLED

AN ACT TO PROMOTE THE SAFE REUSE OF PROPERTIES WHERE ACTUAL CONTAMINATION, OR THE POSSIBILITY OF CONTAMINATION, HAS IMPEDED REDEVELOPMENT AND TO CREATE THE BROWNFIELDS STUDY COMMISSION.

The General Assembly of North Carolina enacts:

Section 1. Findings. -- The General Assembly makes the following findings:

(1) There are abandoned, idle, and underused properties in North Carolina, often referred to as "brownfields", that may have been or were contaminated by past industrial and commercial activities, but that are attractive locations for redevelopment.

(2) The reuse, development, redevelopment, transfer, financing, and other use of brownfields is impaired by the potential liability associated with the risk of contamination.

(3) The safe redevelopment of brownfields would benefit the citizens of North Carolina in many ways, including improving the tax base of local government and creating job opportunities for citizens in the vicinity of brownfields.

(4) Potential purchasers and developers of brownfields and other parties who have no connection with the contamination of the property, including redevelopment lenders, should be encouraged to provide capital and labor to improve brownfields without undue risk of liability for problems they did not create, so long as the property can be and is made safe for appropriate future use.

by rewriting those lines to read:
"Section 3. Chapter 126 of the General Statutes is amended by adding the following new sections to read:
'**§ 126-14.2. Political hirings limited.**
(a) It is the policy of this State that State departments, agencies, and institutions select from among the most qualified persons for State government employment based upon job-related qualifications of applicants for employment using fair and valid selection criteria.
(b) All State departments, agencies, and institutions shall select from among the most qualified persons for State government employment without regard to political affiliation or political

influence. For the purposes of this section, the "most qualified persons" shall mean each of the State employees or applicants for initial State employment who:

(1) Have timely applied for a position in State government;

(2) Have the essential qualifications for that position; and

(3) Are determined to be substantially more qualified as compared to other applicants for the position, after applying fair and valid job selection criteria, in accordance with G.S 126-7.1, Articles 6 and 13 of this Chapter, and State personnel policies approved by the State Personnel Commission.

(c) It is a violation of this section giving rise to the remedies set forth in G.S. 126-14.4 if:

(1) The complaining State employee or applicant for initial State employment timely applied for the State government position in question.

(2) The complaining State employee or applicant for initial State employment was not hired into the position.

(4) The successful applicant for the position was not among the most qualified persons applying for the position.

(5) The hiring decision was based upon political affiliation or political influence.

(d) The provisions of this section shall not apply to positions exempt from this Chapter, except that this section does apply to exempt nonpolicymaking positions as defined by G.S. 126-5(b)(2).

'**§ 126-14.3. Open and fair competition.**

The State Personnel Commission shall adopt rules or policies to:

(1) Assure recruitment, selection, and hiring procedures that encourage open and fair competition for positions in State government employment and that encourage the hiring of a diverse State government workforce.

(2) Assure the proper and thorough advertisement of job openings in State government employment and lengthen,

as appropriate, the period for submitting applications for State government employment.

(3) Require that a closing date shall be posted for each job opening, unless an exception has been approved by the State Personnel Commission.

(4) Assure that State departments, agencies, and institutions follow similar selection processes when hiring State employees in accordance with this Chapter.

(5) Assure that State supervisory personnel receive adequate training and continuing education to carry out the State's policy of hiring from among the most qualified persons.

(6) Establish a monitoring system to measure the effectiveness of State agency personnel procedures to promote fairness and reduce adverse impact on all demographic groups in the State government workforce.

(7) Otherwise implement the State's policy of nonpolitical hiring practices in accordance with this Chapter.'

Section 4. Chapter 126 of the General Statutes is amended by adding a new section to read:

'**§ 126-14.4. Remedies.**

(a) A State employee or applicant for initial State employment who has reason to believe that he or she was among the most qualified persons for a position in State government employment and was denied employment or promotion in violation of G.S. 126-14.2 because of political affiliation or political influence may complain directly through the Civil Rights Division of the Office of Administrative Hearings, which shall be responsible for making an initial determination of whether there is probable cause to believe that there has been a violation of G.S. 126-14.2.

The complaining State employee or applicant shall file a complaint with the Civil Rights Division of the Office of Administrative Hearings within 30 days after the complainant receives notice that the position in question has been filled.

(f) Within 60 days of receipt of the official record by the Office of Administrative Hearings, the State Personnel Commission shall make a final written decision as to whether there has been a violation of G.S. 126-14.2. In any case where a violation is found, the State Personnel Commission shall take suitable action to correct the violation, which may include:

HOUSE JOINT RESOLUTION DRHJR7240-LG201(4.9)

Sponsors: Representative Culp.

Referred to:

A JOINT RESOLUTION COMMEMORATING THE ONE HUNDRED FIFTIETH ANNIVERSARY OF THE TOWN OF FRANKLINVILLE AND HONORING THE MEMORY OF JESSE FRANKLIN.

Whereas, the antebellum cotton factories of the Town of Franklinville in Randolph County were among this State's pioneer textile mills, and have caused the Town to be called "the cradle of the Deep River textile industry"; and

Whereas, the Town of Franklinville is home to numerous structures that are included in a historic district listed on the National Register of Historic Places and were built before the Civil War which illustrate all aspects of life in a nineteenth century mill village; and

Whereas, the Town of Franklinville was created by the legislature in 1847, to incorporate the neighboring mill villages of Franklinville, founded in 1838, and Island Ford, founded in 1846; and

Whereas, the chartering of the Town of Franklinville by the legislature was the first incorporation of any North Carolina mill village; and

Whereas, the Town of Franklinville is named for Jesse Franklin, who served as Governor of North Carolina from 1820 to 1821; and

Whereas, the Town of Franklinville is one of the pivotal landmarks of the history of economic and industrial development in the State of North Carolina;

Now, therefore, be it resolved by the House of Representatives, the Senate concurring:

Section 1. The General Assembly honors the memory of Jesse Franklin and recognizes the Town of Franklinville as one of the original success stories of domestic manufacturing in the State. The General Assembly further honors the occasion of the Town's 150th Anniversary by designating the Town as the State of North Carolina's first Textile Heritage Village.

A JOINT RESOLUTION DECLARING THE MONTH OF NOVEMBER TO BE AGRICULTURE AWARENESS MONTH.

Whereas, agriculture is North Carolina's number one industry; and

Whereas, North Carolina's farm families produced agricultural products in excess of 6.99 billion dollars in 1995; and
