A BILL TO BE ENTITLED

AN ACT TO ENHANCE AND STRENGTHEN NORTH CAROLINA'S DRIVER AND SAFETY EDUCATION PROGRAM AND TO PROVIDE FUNDS FOR THIS PURPOSE.

Whereas, the State of North Carolina led the country in the number of teenage fatalities in 1998 and ranks in the top 10 states for preventable traffic-related injury; and

Whereas, the State of North Carolina has implemented the strongest graduated drivers license program in the country; and

Whereas, young drivers require additional instruction, monitoring, and support to ensure the reduction of preventable death and serious injury; and

Whereas, the administrative responsibilities for the North Carolina driver and safety education program is split between the Division of Motor Vehicles, which oversees the professional driving schools, and the State Board of Education which transmits the funds from the Highway Fund to the local school districts, with no one agency overseeing the curriculum, driver instructor qualifications, and ensuring that all of the qualified young drivers receive the training in a timely fashion; Now, therefore,

Section 1. The North Carolina State Board of Education shall:

(1) Develop and implement an update driver education curriculum that would address the major causes of preventable death and serious injury to young drivers.

A BILL TO BE ENTITLED

AN ACT TO AMEND THE CONSTITUTION OF NORTH CAROLINA TO REQUIRE VOTER APPROVAL BEFORE MOST TAXES MAY BE LEVIED OR INCREASED, EXCEPT IN THE CASE OF AN EMERGENCY DECLARED BY THE GOVERNOR.

The General Assembly of North Carolina enacts:

Section 1. Section 5 of Article III of the North Carolina Constitution is amended by adding a new subsection to read:

"(12) Tax emergency. The Governor may declare that a state of emergency exists necessitating the enactment of an emergency law levying a tax upon the people of the State without the prior approval of the people of the State, as provided in Section 2(1a) of Article V. Such a state of emergency may not exceed a period of two years."

Section 2. Section 2 of Article V of the North Carolina Constitution reads as rewritten:

HOUSE JOINT RESOLUTION DRHJR2345-LC222(4.19)

Sponsors: Representative Insko.

Referred to:

A JOINT RESOLUTION AUTHORIZING THE LEGISLATIVE RESEARCH COMMISSION TO STUDY AND RECOMMEND A PROCESS TO MONITOR WHETHER TAX INCENTIVES AND OTHER ECONOMIC DEVELOPMENT INCENTIVES MEET THE PUBLIC'S GOALS IN A COST-EFFECTIVE MANNER.

Whereas, over the years, North Carolina has offered various economic development incentives, including grants, loans, and industrial development bonds for businesses; and

Whereas, in the last several years, North Carolina has enacted a number of targeted tax incentives designed to enhance economic development and lure specific companies to the State; and

Whereas, some of these incentives included standards and conditions relating to number of jobs created, level of wages paid, size of investment, type of business, location in a distressed area, and other eligibility requirements; and

Whereas, some of the incentives also included "clawback" provisions requiring forfeiture of the incentive if the business failed to meet the eligibility requirements or later fell below the standards set in those requirements; and

Whereas, the State has had only a limited ability to assure that eligibility requirements were met before businesses received incentives and even fewer resources to monitor businesses afterward to determine when forfeiture should be required; and

Whereas, as a result, the State does not know whether its targeted incentives are cost-effective in producing the desired benefits to the State's economy or whether they are in fact being claimed by businesses that do not qualify or do not maintain the level of jobs, wages, or investment that was expected to result from the incentives; Now, therefore,

Short Title: Adjust Highway Bond Maturity. (Public)

Referred to:

A BILL TO BE ENTITLED

AN ACT TO ADJUST THE MATURITY DATE OF THE 1996 HIGHWAY BONDS TO REFLECT A CHANGE IN THE ESTIMATED COMPLETION DATE OF HIGHWAY TRUST FUND PROJECTS.

The General Assembly of North Carolina enacts:

Section 1. The General Assembly finds that:

(1) The State Highway Bond Act of 1996 provided, subject to a vote of the qualified voters of the State, for the issuance of nine hundred fifty million dollars ($950,000,000) general obligation bonds of the State for certain highway purposes.

(2) These bonds were approved by the voters.

(3) The State Highway Bond Act of 1996 stated that the bonds could be used to expedite the completion of certain highway projects that would otherwise be funded from the Highway Trust Fund only when sufficient revenues were generated.

(4) The State Highway Bond Act of 1996 also stated the intent of the General Assembly that the debt service on the bonds be paid for with the revenues that would otherwise be deposited to the Highway Trust Fund to fund highway construction.

(5) The State Highway Bond Act of 1996 recognized that these revenues would be available only until the Highway Trust Fund sunset upon completion of the highway construction it funds, estimated to occur at the end of 2013, and thus required that the bonds must mature not later than that date.

A BILL TO BE ENTITLED

AN ACT TO SIMPLIFY AND MODERNIZE TAX CREDITS FOR INVESTING IN RENEWABLE ENERGY SOURCES.

Whereas, renewable energy is North Carolina's only indigenous energy source; and

Whereas, currently, thirty cents of every dollar spent on electricity in North Carolina goes out-of-state for fuel costs and every dollar spent on renewable energy circulates through our economy, helping to create over three dollars in local benefits; and

Whereas, many of North Carolina's large metropolitan areas, because of air pollution, are currently, or will soon be, facing development growth restrictions imposed by the United States Environmental Protection Agency for "non-attainment" of minimal air quality standards; and

Whereas, North Carolina currently ranks twelfth in the United States in carbon dioxide emissions, releasing 126.5 million tons into the atmosphere each year; and

Whereas, coal burning is creating increasingly negative health and environmental impacts through the release of sulfur dioxides, nitrous oxides, particulates, ozone, mercury, and lead; and

Whereas, renewable energy creates more jobs per unit of energy than fossil fuels or nuclear power; and

Whereas, a 1998 poll conducted by the University of North Carolina School of Journalism indicates that, by three-to-one, North Carolinians want electricity providers to implement solar energy options, even if they cost more; and

SESSION 1999

H.B. FILED

MAY 12 99

HOUSE PRINCIPAL CLERK

H D

HOUSE DRH7233-LCX223C(4.16)

Short Title: Renewable Energy Mfr Credit. (Public)

Sponsors: Representatives Hackney and Luebke (Primary Sponsors).

Referred to:

A BILL TO BE ENTITLED

AN ACT TO MODIFY THE INCOME TAX CREDIT FOR MANUFACTURERS OF CERTAIN RENEWABLE ENERGY EQUIPMENT.

Whereas, renewable energy is North Carolina's only indigenous energy source; and

Whereas, currently, thirty cents of every dollar spent on electricity in North Carolina goes out-of-state for fuel costs and every dollar spent on renewable energy circulates through our economy, helping to create over three dollars in local benefits; and

Whereas, many of North Carolina's large metropolitan areas, because of air pollution, are currently, or will soon be, facing development growth restrictions imposed by the United States Environmental Protection Agency for "nonattainment" of minimal air quality standards; and

Whereas, North Carolina currently ranks twelfth in the United States in carbon dioxide emissions, releasing 126.5 million tons into the atmosphere each year; and

Whereas, coal burning is creating increasingly negative health and environmental impacts through the release of sulfur dioxides, nitrous oxides, particulates, ozone, mercury, and lead; and

Whereas, renewable energy creates more jobs per unit of energy than fossil fuels or nuclear power; and

Whereas, a 1998 poll conducted by the University of North Carolina School of Journalism indicates that, by three-to-one, North Carolinians want electricity providers to implement solar energy options, even if they cost more; and

GENERAL ASSEMBLY OF NORTH CAROLINA

SESSION 1999

H.B. FILED 1477 MAY 12 99 HOUSE PRINCIPAL CLERK

H D

HOUSE DRH6204-LCX195(4.7)

Short Title: Conform Bank Tax to Federal. (Public)

Sponsors: Representative Miller.

Referred to:

A BILL TO BE ENTITLED

AN ACT TO CONFORM STATE INCOME TAX ON BANKS TO FEDERAL INCOME TAX ON BANKS.

The General Assembly of North Carolina enacts:

Section 1. The General Assembly finds that:

(1) Federal income tax law generally does not allow corporations to deduct interest expenses incurred in producing tax-exempt income.

(2) State corporate income tax law also provides that interest paid in connection with tax-exempt income is not deductible.

(3) Until 1986, federal tax law was interpreted to exempt banks from this rule, because their interest expenses on deposits were not considered directly related to the purchase of tax-exempt bonds with the deposited funds.

(4) Since 1986, however, federal law no longer allows banks to deduct interest expenses allocable to purchasing tax-exempt bonds, except for interest expenses allocable to bonds issued by small local government units.

(5) Although the federal law has changed, North Carolina's law has been interpreted to be the same as the pre-1986 federal law: banks do not have to follow the general rule that prohibits corporations from deducting interest paid in connection with tax-exempt income.

(6) Thus, corporations engaged in the banking business get a State tax deduction that is not allowed to other corporations under State or federal law, and is not allowed to banks under federal law.

The General Assembly of North Carolina enacts:

Section 1. Chapter 19A of the General Statutes is amended by adding a new Article to read:

"ARTICLE 5.

"Spay/Neuter Program.

"**§ 19A-50. Legislative findings.**

The General Assembly finds that the uncontrolled breeding of cats and dogs in the State has led to unacceptable numbers of unwanted dogs, puppies and cats and kittens. These unwanted animals become strays and constitute a public nuisance and a public health hazard. The animals themselves suffer privation and death, are impounded, and most are destroyed at great expense to local governments. It is the intention of the General Assembly to provide a voluntary means of funding a spay/neuter program to provide financial assistance to local governments offering low-income persons reduced-cost spay/neuter services for their dogs and cats and to provide a statewide education program on the benefits of spaying and neutering pets.

" **§ 19A-51. Spay/Neuter Program established.**

There is established in the Department of Health and Human Services a statewide program to foster the spaying and neutering of dogs and cats for the purpose of

A BILL TO BE ENTITLED

AN ACT TO MAKE IT A CRIMINAL OFFENSE IN CAMDEN COUNTY TO OBTAIN AMBULANCE SERVICES WITH NO INTENT TO PAY FOR THOSE SERVICES OR TO MAKE AN UNNECESSARY AMBULANCE REQUEST AND TO AUTHORIZE CAMDEN COUNTY TO COLLECT AMBULANCE CHARGES THROUGH THE USE OF ATTACHMENT AND GARNISHMENT PROCEEDINGS.

The General Assembly of North Carolina enacts:

Section 1. G.S. 14-111.2 reads as rewritten:

"**§ 14-111.2. Obtaining ambulance services without intending to pay therefor -- certain named counties.**

Any person who with intent to defraud shall obtain ambulance services without intending at the time of obtaining such services to pay, if financially able, any reasonable charges therefor shall be guilty of a Class 2 misdemeanor. A determination by the court that the recipient of such services has willfully failed to pay for the services rendered for a period of 90 days after request for payment, and that the recipient is financially able to do so, shall raise a presumption that the recipient at the time of obtaining the services intended to defraud the provider of the services and did not intend to pay for the services.

The section shall apply to Anson, Ashe, Beaufort, Caldwell, Camden, Caswell, Catawba, Chatham, Cherokee, Clay, Cleveland, Cumberland, Davie, Duplin, Durham, Forsyth, Gaston, Graham, Guilford, Haywood, Henderson, Hoke, Hyde, Iredell, Macon, Mecklenburg, Montgomery, Orange, Pasquotank, Person, Polk, Randolph, Robeson, Rockingham, Scotland, Stanly, Surry, Transylvania, Union, Vance, Washington, Wilkes and Yadkin Counties only."

Referred to:

A BILL TO BE ENTITLED

AN ACT TO CLARIFY THAT THE EXCISE TAX ON CONVEYANCES APPLIES TO TIMBER DEEDS AND CONTRACTS FOR THE SALE OF STANDING TIMBER.

The General Assembly of North Carolina enacts:

Section 1. G.S. 105-228.30 reads as rewritten:

"**§ 105-228.30. (Effective July 1, 2000) Imposition of excise tax; distribution of proceeds.**

(a) An excise tax is levied on each instrument by which any interest in real property is conveyed to another person. The tax rate is one dollar ($1.00) on each five hundred dollars ($500.00) or fractional part thereof of the consideration or value of the interest conveyed. The transferor must pay the tax to the register of deeds of the county in which the real estate is located before recording the instrument of conveyance. If the instrument transfers a parcel of real estate lying in two or more counties, however, the tax must be paid to the register of deeds of the county in which the greater part of the real estate with respect to value lies.

The excise tax on instruments imposed by this Article applies to timber deeds and contracts for the sale of standing timber to the same extent as if these deeds and contracts conveyed an interest in real property.

(b) The register of deeds of each county must remit the proceeds of the tax levied by this section to the county finance officer. The finance officer of each county must credit one-half of the proceeds to the county's general fund and remit the remaining one-half of the proceeds, less the county's allowance for administrative expenses, to the Department of Revenue on a quarterly basis. A county may retain two percent

A BILL TO BE ENTITLED

AN ACT TO PROVIDE THAT A MANAGED CARE ENTITY PROVIDING A HEALTH BENEFIT PLAN IS LIABLE FOR DAMAGES FOR HARM TO ITS INSUREDS OR ENROLLEES CAUSED BY THE MANAGED CARE ENTITY'S FAILURE TO EXERCISE ORDINARY CARE.

The General Assembly of North Carolina enacts:

Section 1. Chapter 90 of the General Statutes is amended by adding a new Article to read:

"ARTICLE 1G.

"Health Care Liability.

"§ 90-21.50. Legislative findings and intent.

(a) The General Assembly finds that a wide variety of entities are integrating the functions of paying for health care, determining what health care is paid for, and providing the care. This integration of functions is breaking down traditional distinctions. Increasingly, payor determinations are governing health care and controlling decisions that in the past were the exclusive domain of health care providers and patients. The General Assembly further finds that this integration of functions makes it imperative that managed care entities be held fully responsible for the consequences of their decisions, much as health care professionals have been held responsible for the consequences of their decisions.

(b) The State's interest in regulating the business of insurance as provided in this Article is to protect insurance purchasers and their beneficiaries, including employees, their dependents and families, and any other patients covered by private employer-sponsored benefit plans, from the harm that may occur when managed care
