2 AN ACT TO AMEND NORTH CAROLINA MANAGED HEALTH CARE LAWS
3 TO COMPORT WITH LEGISLATION ENACTED BY THE 106TH CONGRESS
4 OF THE UNITED STATES.
5 The General Assembly of North Carolina enacts:
6 Section 1. The General Assembly anticipates that the 106th Congress of
7 the United States will enact laws that will prescribe rights and obligations of managed
8 care organizations and the persons who are covered by the managed care
9 organizations' plans.
10 Section 2. The General Assembly assumes that the 106th Congress will

12 of 1996 (HIPAA), which required the states to enact laws identical to HIPAA in
13 order to retain regulatory jurisdiction over health insurance matters covered by

15 Section 3. Because the General Assembly cannot anticipate when the

Referred to:

- 1 A BILL TO BE ENTITLED
2 AN ACT TO PROVIDE FOR DEVELOPMENT OF AN EFFECTIVE AND
3 EFFICIENT MEANS TO PROMOTE HEALTH INSURANCE COVERAGE
4 FOR UNINSURED CHILDREN IN MODERATE-INCOME FAMILIES.
5 The General Assembly of North Carolina enacts:
6 Section 1. The General Assembly finds that the Health Insurance
7 Program for Children Act of 1998 established a program to provide comprehensive
8 health insurance coverage to uninsured low-income children in this State. That act
9 also established a refundable credit program that would essentially provide cash
10 grants to certain families with income above the level covered by the insurance
11 program if they paid for health insurance for their children. The General Assembly
12 finds that this proposed credit program would cost taxpayers millions of dollars each
13 year while there is no evidence that it would result in more children being covered
14 by health insurance. It is the intent of the General Assembly that this new credit
15 program should be delayed while a comprehensive study is conducted to determine
16 how best to encourage more moderate-income families, who are not eligible for
17 publicly funded insurance, to obtain insurance. The study should identify
18 recommendations that would not create unnecessary government bureaucracy and
19 would not waste taxpayer dollars on grants that may have little or no impact on the
20 problem of uninsured moderate-income children in North Carolina.
21 Section 2. The Legislative Research Commission shall study the issue of
22 how to effectively and efficiently promote health insurance coverage for uninsured
23 children. The study shall focus on children who, because of their family income, are
24 not eligible for coverage under government programs but remain uninsured. The
25 study shall investigate the following issues:
