## NOTE

---

This bulletin is issued in compliance with Section 6147 of the Consolidated Statutes, which requires the Legislative Reference Librarian to keep the compilations of the Public Laws of the State revised to date. It contains the amendments to the Consolidated Statutes enacted at the 1927 regular session of the General Assembly. Bulletin No. 3 contained the amendments enacted at the extra session 1920 and regular session 1921. Bulletin No. 4 contained the amendments enacted at the extra session 1921. Bulletin No. 5 contained the amendments enacted at the regular session of 1923, and Bulletin No. 6 contained the amendments enacted at the extra session 1924 and regular session 1925. Copies of 4, 5 and 6 may be had on application. The amendments contained in 4 and 5 are also embraced in Volume Three of the Consolidated Statutes.

The chapters which in terms or in effect amend certain chapters, sections or subsections of the Consolidated Statutes have been brought forward in this bulletin and are arranged according to the section number of the Consolidated Statutes. In each case the chapter number is given so that reference may be made to the session laws. These amendments have been printed so that they may be clipped and pasted in the Consolidated Statutes or the bulletin may be used as a supplement in its present form.

Several laws, such as the Revenue and Machinery Act, Motor Vehicle Laws, the School Law, Blue Sky Law, Game and Fish Laws, Banking Law, County Government Law, Election Law, and others, are not brought forward here since they have been published in pamphlet form and may be had free upon application by persons interested in them.

##### CIVIL PROCEDURE

476. Vol. III. It must be returnable before the clerk and must command the sheriff or other proper officer to summon the defendant, or defendants, to appear and answer the complaint of the plaintiff within thirty (30) days after its service upon defendant, or defendants; and must contain a notice stating in substance that if the defendant or defendants fail to answer the complaint within the time specified the plaintiff will apply to the court for the relief demanded in the complaint; and must be dated on the date of its issue. Every summons addressed to the sheriff or other officer of a county, other than that from which it issued, must be attested by the seal of the court; but when addressed to the sheriff or other officer of the county in which it issued, such seal is unnecessary. Summons must be served by the sheriff to whom it is addressed for service within ten (10) days after the date of its issue; and upon serving the same, the officer shall note in writing upon the copy thereof, delivered to the defendant, the date of service, but failure to comply with this requirement shall not invalidate the service, and, if not served within ten (10) days after the date of its issue upon every defendant, must be returned by the officer holding the same for service, to the clerk of the court issuing the summons, with notation thereon of its non-service and the reasons therefor as to every defendant not served. Upon the return of a summons unserved for want of time to make service, as to any defendant or defendants not served, the clerk shall,

within three (3) days thereafter, issue an alias or pluries summons, as the case may require: *Provided*, that in all cases where service of summons is made by publication, such service by publication shall be completed within fifty (50) days from the commencement of the action."

It must be filed in the clerk's office at or before the time of the issuance of summons and a copy thereof delivered to the defendant, or defendants, at the time of the service of summons: *Provided*, that the clerk may at the time of the issuance of summons on application of plaintiff by written order extend the time for filing complaint to a day certain not to exceed twenty (20) days, and a copy of such order shall be delivered to the defendant, or defendants, at the time of the service of summons in lieu of a copy of the complaint: *Provided further*, said application and order shall state the nature and purpose of the suit. The clerk shall not extend the time for filing complaint beyond the time specified in such order; except that when application is made to the court, under article forty-four, chapter twelve, of the Consolidated Statutes, for leave to examine the defendant prior to filing complaint, and it shall be made to appear to the court that such examination of defendant is necessary to enable the plaintiff to file his complaint, and such examination is allowed, the clerk shall extend the time for filing complaint until twenty (20) days after the report of the examination is filed as required by section nine hundred and two of the Consolidated Statutes. When the complaint is not filed at the time of the issuance of the summons, the plaintiff shall, when he files complaint, likewise file at least one copy thereof for the use of the defendant and his attorney. When there are more than one defendant, the clerk, may, by written notice to the plaintiff, require the filing of additional (not to exceed six) copies of the complaint within the time specified in such notice, not to exceed ten days. Such notice may be served by mailing to the plaintiff or his attorney of record."

1927, chap. 66, sec. 3.

509. Vol. III. Now reads: "*Demurrer and answer.* The defendant must appear and demur or answer within thirty (30) days after the service of summons upon him, or within thirty (30) days after the final determination of a motion to remove as a matter of right, or after the final determination of a motion to dismiss upon a special appearance, or after the final determination of any other motion required to be made prior to the filing of the answer, or after final judgment overruling demurrer, or after the final determination of a motion to set aside a judgment by default under C. S., section six hundred, or to set aside a judgment under C. S., section four hundred and ninety-two. If the time is extended for filing complaint, then the defendant shall have thirty (30) days after the final day fixed by such extension in which to plead. The clerk shall not extend the time for filing answer or demurrer more than once nor for a period of time exceeding twenty days except by consent of parties. The defendant shall, when he files answer, likewise file at least one copy thereof for the use of the plaintiff, and his attorney; and the clerk shall not receive and file any answer until and unless such copy is filed therewith. The clerk shall forthwith mail the copy of answer filed to the plaintiff or his attorney of record."

1927, chap. 66, sec. 4.

Insert new article as follows:

#### ART. 20 (a). Arbitration

579 (a). Two or more parties may agree in writing to submit to arbitration, in conformity with the provisions of this act, any controversy existing between them at the time of the agreement to submit. Such an agreement shall be valid and enforceable, and neither party shall have the power to revoke the submission without the consent of the other party or parties to the submission save upon such grounds as exist in law or equity for the rescission or revocation of any contract.

579 (b). The arbitration agreement must state the question or questions in controversy with sufficient definiteness to present one or more issues or questions upon which an award may be based.

579 (c). The term "court" when used in this act means a court having jurisdiction of the parties and of the subject-matter.

579 (d). Upon the application in writing of any party to the arbitration agreement and upon notice to the other parties thereto, the court shall appoint an arbitrator or arbitrators in any of the following cases:

(a) When the arbitration agreement does not prescribe a method for the appointment of arbitrators, in which case the arbitration shall be by three arbitrators.

(b) When the arbitration agreement does prescribe a method for the appointment of arbitrators, and the arbitrators, or any of them, have not been appointed and the time within which they should have been appointed has expired.

(c) When any arbitrator fails or is otherwise unable to act, and his successor has not been appointed in the manner in which he was appointed.

Arbitrators appointed by the court shall have the same power as though their appointment had been made in accordance with the agreement to arbitrate.

579 (e). Any application made under authority of this act shall be made in writing and heard in a summary way in the manner and upon the notice provided by law or rules of court for the making and hearing of motions, except as otherwise herein expressly provided.

579 (f). The arbitrators shall appoint a time and place for the hearing, and notify the parties thereof, and may adjourn the hearing from time to time as may be necessary, and, on application of either party, and for good cause, may postpone the hearing to a time not extending beyond the date fixed for making the award.

579 (g). If any party neglects to appear before the arbitrators after reasonable notice the arbitrators may nevertheless proceed to hear and determine the controversy upon the evidence which is produced before them.

579 (h). If the time within which the award shall be made is not fixed in the arbitration agreement, the award must be made within sixty days from the time of the appointment of the arbitrators, and an award made after the lapse of sixty days shall have no legal effect unless the parties extend the time in which said award may be made, which extension or ratification shall be in writing.

579 (i). No one other than a party to said arbitration, or a person regularly employed by such party for other purposes, or a practicing attorney-at-law, shall be permitted by the arbitrator or arbitrators to represent before him or them any party to the arbitration.

579 (j). The arbitrator or arbitrators, or a majority of them, may require any person to attend before him or them as a witness, and to bring with him any book or writing or other evidence.

The fees for such attendance shall be the same as the fees of witnesses in the Superior Court.

Subpoenas shall issue in the name of the arbitrator or arbitrators, or a majority of them, and shall be signed by the arbitrator or arbitrators, or a majority of them, and shall be directed to the person and shall be served in the same manner as subpoenas to testify before a court of record in this State; if any person so summoned to testify shall refuse or neglect to obey such subpoenas, upon petition the court may compel the attendance of such person before the said arbitrator or arbitrators, or punish said person for contempt in the same manner now provided for the attendance of witnesses or the punishment of them in the courts of this State.

579 (k). Depositions may be taken with or without a commission in the same manner and for the same reasons as provided by law for the taking of depositions in suits pending in the courts of record in this State.

579 (k-1). At any time before final determination of the arbitration the court may upon application of a party to the submission make such order or decree or take such proceeding as it may deem necessary for the preservation of the property or for securing satisfaction of the award.

579 (l). The arbitrators may, on their own motion, and shall by request of a party to the arbitration,

(a) At any stage of the proceedings submit any question of law arising in the course of the hearing for the opinion of the court, stating the facts upon which the question arises, and such opinion when given shall bind the arbitrators in the making of their award;

(b) State their final award in the form of a conclusion of fact for the opinion of the court on the questions of law arising on the hearing.

579 (m). The award of the arbitrators, or of a majority of them, shall be drawn up in writing and signed by the arbitrators or a majority of them; the award shall definitely deal with all matters of difference in the submission requiring settlement, but the arbitrators may, in their discretion, first make a partial award which shall be enforceable in the same manner as the final award; upon the making of an award, the arbitrators shall deliver a true copy thereof to each of the parties thereto, or their attorneys, without delay.

579 (n). At any time within three months after the award is made, unless the parties shall extend the time in writing, any party to the arbitration may apply to the court for an order confirming the award, and the court shall grant such an order unless the award is vacated, modified, or corrected, as provided in the next two sections. Notice in writing of the motion must be served upon the adverse party, or his attorney, five days before the hearing thereof.

579 (o). In any of the following cases the court shall after notice and hearing make an order vacating the award, upon the application of any party to the arbitration:

(a) Where the award was procured by corruption, fraud or other undue means.

(b) Where there was evident partiality or corruption in the arbitrators, or either of them.

(c) Where the arbitrators were guilty of misconduct, in refusing to postpone the hearing, upon sufficient cause shown, or in refusing to hear evidence pertinent and material to the controversy; or of any other misbehavior, by which the rights of any party have been prejudiced.

(d) Where the arbitrators exceeded their powers, or so imperfectly executed them that a mutual, final, and definite award upon the subject-matter submitted was not made.

Where an award is vacated and the time, within which the agreement required the award to be made, has not expired, the court may, in its discretion, direct a rehearing by the arbitrators.

579 (p). In any of the following cases the court shall, after notice and hearing make an order modifying or correcting the award, upon the application of any party to the arbitration:

(a) Where there was an evident miscalculation of figures, or an evident mistake in the description of any person, thing or property, referred to in the award.

(b) Where the arbitrators have awarded upon a matter not submitted to them.

(c) Where the award is imperfect in a matter of form, not affecting the merits of the controversy.

The order must modify and correct the award, so as to effect the intent thereof.

579 (q). Notice of a motion to vacate, modify or correct an award shall be served upon the adverse party, or his attorney, within three months after an award is filed or delivered, as prescribed by law for service of notice of a motion in an action. For the purposes of the motion any judge who might make an order to stay the proceedings, in an action brought in the same court, may make an order to be served with the notice of motion, staying the proceedings of the adverse party to enforce the award.

579 (r). Upon the granting of an order, confirming, modifying, correcting or vacating an award, judgment or decree shall be entered in conformity therewith.

579 (s). The party moving for an order confirming, modifying, correcting or vacating an award, shall at the time such motion is filed with the clerk, file, unless the same have theretofore been filed, the following papers with the clerk:

(a) The written contract or a verified copy thereof containing the agreement for the submission; the selection or appointment of the arbitrator or arbitrators, and each written extension of the time, if any within which to make the award.

(b) The award.

(c) Every paper notice, affidavit and other paper used upon an application to confirm, modify, correct or vacate the award, and each order made upon such an application.

The judgment or decree shall be entered (or docketed) as if it were rendered in an action.

579 (t). The judgment or decree so entered (or docketed) shall have the same force and effect, in all respects, as, and be subject to all the provisions of law relating to a judgment or decree; and it may be enforced, as if it had been rendered in the court in which it is entered.

579 (u). An appeal may be taken from the final judgment or decree entered by the court.

579 (v). This act shall be so interpreted and construed as to effectuate its general purpose to make uniform the law of those states which enact it.

579 (w). This act may be cited as the uniform arbitration act.

597 (d). Vol. III. In every case where, prior to the first day of January, one thousand nine hundred and twenty-seven, a judgment by default final has been entered by the clerk of the Superior Court of any county in this State on a day other than Monday, contrary to section five hundred and ninety-seven (b) and five hundred and ninety-seven (c), volume three, Consolidated Statutes, such judgment shall be deemed to have been entered as of the first Monday immediately following the default and is hereby to all intents and purposes validated: "Provided, however, nothing in this act shall be construed to affect the rights of any interested party, as provided in section six hundred of Consolidated Statutes, volume three, other than for irregularity as to date of entry of the judgment by the clerk of the court."

In the first class shall be included all those prisoners who have given evidence that they will, or who it is believed will observe the rules and regulations and work diligently and are likely to maintain themselves by honest industry after their discharge. These shall be known as Grade A prisoners and shall receive a commutation of their sentences at the rate of one hundred and four days for each year served.

In the second class shall be included those prisoners who have not as yet given evidence that they can be trusted entirely, but are reasonably obedient to the rules and regulations. These shall be known as Class B prisoners and shall receive a commutation of their sentences of seventy-eight days for each year served.

In the third class shall be those prisoners who have demonstrated that they are incorrigible, have no respect for the rules and regulations and seriously interfere with the discipline and the effectiveness of the labor of the other prisoners. Such prisoners shall receive no commutation of their sentences.

All prisoners shall be admitted into Class B except where it is known by the superintendent of the prison that a prisoner is serving for a second offense. In such cases the superintendent may put the prisoner in Class C in his discretion.

Prisoners of Class A shall be known as honor prisoners and shall be worked without stripes and in the discretion of the superintendent of the prison without guards. When in prison camps or in any other place of detention they may not be chained or under armed guards.

Prisoners in Class B shall wear stripes, if felons, be under guard and may or may not be chained in the discretion of the superintendent.

Prisoners in Class C shall wear stripes, if felons, wear chains during the day or night as in the opinion of the superintendent may be necessary.

Preference in assignment of work shall be given Class A prisoners.

The purpose of this act is to unify the regulations pertaining to county prisoners and to encourage industriousness among the prisoners.

1927, chap. 248.

1343. Add a new article following section 1343 as follows:

Any two or more adjacent counties may by action of the county commissioners in said counties, as hereafter provided, establish a district hospital-home for the aged and infirm, to be located at some suitable place within the counties composing the district, location and purchase to be controlled by a board

of trustees appointed by the county commissioners of the respective counties owning and controlling said hospital-home, each county having the same relative vote in all meetings of the board of trustees as such county has in the lower house of the General Assembly.

1343 (c). The county commissioners of the aforesaid counties are hereby authorized and empowered to sell and convey by deed all properties held by the aforesaid counties for the care and maintenance of their county's poor, and from the proceeds of such sale appropriate so much as may be required to meet said county's proportionate part of the funds necessary to perfect the completion of said community home for the aged and infirm, as provided herein.

1343 (d). Should it be deemed wisest not to sell said properties, or should any county not have said properties in its possession, or should any counties have said properties which would not be for sale, the necessary funds shall then be raised by direct taxation within the county or counties preferring this method of raising their pro rata part.

1343 (e). The several boards of county commissioners shall, as soon as they shall have agreed among themselves to establish a district hospital-home for the aged and infirm for their counties, appoint the members of the board of trustees, which board shall be known as the board of trustees of the district hospital-home for the district comprising ..... counties; the members of said board of trustees shall be appointed every two years by the boards of county commissioners, the term of office for said trustees shall be two years, and until their successors are chosen and qualified; that all vacancies shall be filled by the several boards of county commissioners, and said commissioners shall provide for the expense and compensation of said board of trustees.

1343 (f). This board of trustees shall, as soon as possible after appointment, assemble and organize by the election of a chairman, a secretary, and a treasurer, which last officer shall be bonded. They shall proceed promptly with the purchase of a site for such hospital-home, including, if they deem it desirable, a farm of suitable size, location and fertility, giving due consideration to sanitary surroundings and transportation facilities; provide for the necessary stock, tools and farm equipment, and shall then cause to be erected suitable plain, substantial, comfortable, permanent buildings for the accommodation of those for whom this act is intended, giving due regard to the separation of the sexes and races, and such other plans for segregation as their judgment and existing conditions may suggest. Said buildings are to be furnished with plain, substantial furniture, and such other equipment as conditions demand.

1343 (g). The several counties constructing, equipping, and operating a district hospital shall pay for the site and for the construction and equipment of the plant in proportion to the taxable property of the several counties, and shall own in the same proportion, but the operating expenses shall be borne by the several counties in proportion to the population of the county.

1343 (h). The State Board of Charities and Public Welfare shall have prepared plans for such district hospital-home, and shall furnish such plans on request to any board of trustees of any district hospital-home at cost; and that all such hospital-homes shall be built in accordance with plans furnished or approved by the State Board of Charities and Public Welfare.

1343 (i). As soon as the district hospital-home is ready for occupancy the several county homes, or poorhouses heretofore owned by the several counties, shall be closed and occupants shall be transferred and located in the district hospital-home for the aged and infirm herein provided for.

1343 (j). The board of trustees of the said district hospital-home shall elect a capable superintendent and such other employees as it may deem necessary to the efficient management of said district hospital-home, and shall fix their salaries with due regard to number and condition of inmates occupying said district hospital-home.

1343 (k). The board of trustees shall meet at least twice a year for the transaction of such business as their positions may require. They shall have the general conduct and management of the district hospital-home's affairs. They shall meet at the call of the chairman whenever he shall deem it necessary, or upon call issued by a majority of the board.

1343 (l). The matter to be considered at any special meeting shall be set out in the call for the special meeting, but any business may be transacted at special meetings which received a two-thirds vote of the entire board of trustees, although not mentioned in the call.

1343 (m). The board is vested with all powers not already mentioned which are possessed by boards supervising State institutions.

1343 (n). Any two or more counties constructing, operating and maintaining a district hospital-home for the aged and infirm shall, as required by law now in force, for the care and maintenance of those not able to care for themselves,

send such person or persons to the district hospital-home for the aged and infirm in lieu of the county home, and shall pay the expense of maintenance in proportion to the population of the county.

1343 (o). As soon after the first day of January of each year as may be practicable, the board of trustees shall cause a report to be made of the hospital-home, which report shall show the number of inmates, the county admitting them, date of admission, age, condition of health, sex, color, educational acquirements, diagnosis of disease if diseased, total number of inmates received during the year, average number cared for per month, names and disposition of those dismissed, pro rata cost of maintenance, the total amount of money expended, the total amount of money received from each county, and such information as the State Board of Charities and Public Welfare and the board of trustees of the district-hospital may demand. It shall also show an inventory and appraisal of property, real and personal, and give as strict account of receipts from farm and expenditure thereon, and such other information as may be required to check up the institution from all viewpoints.

1343 (p). A copy of the said report of the said board of trustees shall be furnished the county commissioners of the respective counties interested in and providing said district hospital-home."

CHAPTER CXXI  
REFORMATORIES

7362 (b). Vol. III. In line 2 strike out the word "five" and insert the word "eight."  
1927, chap. 144.

7362 (p). Add new article to be known as Article 5 as follows:

"Art. 5. *Industrial Farm Colony for Women.* The State Industrial Farm for Women shall be under the management of a board of five directors, who shall be appointed by the Governor. At least two members of the board shall be women. Immediately upon the passage of this act the Governor shall appoint five directors for four years each, and their successors shall be appointed for terms of four years each, except that any person chosen to fill a vacancy shall be appointed only for the unexpired term of the person whom he shall succeed. The directors shall receive no compensation for their services, but shall be paid their necessary expenses incurred while engaged in the performance of their official duties.

"The board shall hold an organization meeting within thirty days after appointment and shall elect from among its members a president, secretary and treasurer. The treasurer shall, before receiving any funds, make a good and sufficient bond payable to the State of North Carolina in such sum as may be named by the Governor and approved by the State Treasurer.

"The board of directors is authorized to use for the purpose of said institution, any site already owned by the State, when approved by the Governor and Council of State. Such land shall be located in a healthful section of the State and shall have natural drainage and adequate natural water supply. It shall also include woodland and arable land to the end that, as far as practicable, the food for the inmates may be produced on such land. The farm must also be accessible by rail or road to all sections of the State.

"The directors shall cause to be prepared plans and specifications for remodeling or erecting on such site necessary buildings for a suitable plant for the institution. The directors shall furnish and equip the same ready for use. Contracts shall be made by the directors and those calling for an expenditure of over five hundred dollars shall be duly advertised and competitive bids received thereon, but whenever possible convict labor shall be used, the compensation for such to be agreed upon by the directors and Superintendent of the State Prison. When such buildings have been prepared and equipped, and the necessary staff of officers has been organized, the directors shall make announcement that the institution is ready for the reception of inmates.

"The directors shall have control of the institution; determine the policy of the same and make necessary rules for the discipline, instruction, mental and physical examination and treatment of the inmates and for the labor of the inmates; cause to be kept proper records, including those of inmates; hold regular meetings, at least quarterly, at said institution and audit the accounts of the superintendent quarterly. They shall report biennially to the Governor the general and financial condition of said institution, with such recommendations as they desire to make.

"The directors shall appoint and remove at their discretion, a superintendent of said institution who shall be a woman of liberal education and special training and who has had experience in institutional management or social work, not of their number, and who, before entering upon the duties of her office, shall be sworn to a faithful performance of her duties. The superintendent shall receive such compensation as shall be fixed by the directors and shall reside at said institution.

"The superintendent shall manage such institution and have control over the inmates thereof, and shall make rules and regulations for the administration of said institution, subject to the approval of the board of directors. The superintendent shall, also, subject to the approval of the board of directors, determine the number, select, appoint and assign duties of all subordinate officers of said institution, who shall be women, as far as practicable, and shall be sworn to a faithful performance of their duties. As soon as the size of the institution demands it, a resident woman physician shall be employed. The superintendent may remove any officer appointed by her.

"Women sixteen years of age and older belonging to the following classes and who are not eligible for admission to Samarcaud may be committed by any court of competent jurisdiction to said institution, and not otherwise; persons convicted of, or who plead guilty to the commission of misdemeanors, including prostitution, habitual drunkenness, drug-using, disorderly conduct. The board of directors may in its discretion receive and detain as an inmate of the institution any woman or girl, not otherwise provided for, who may be sentenced by any court of the United States within this State. Immediately upon commitment, a careful physical and mental examination by a competent physician and a psychologist shall be made of each person committed. The court imposing sentence upon offenders of either class shall not fix the term of such commitment except as hereinafter provided. Commitment to said institution shall be made within one week after sentence is imposed, by the sheriff when sentenced by the Superior Court, and by a police officer when sentence is imposed by any city, town or inferior court, but no offender shall be committed to such institution without being accompanied by a woman in addition to the officer. The expenses of such commitment shall be paid the same as commitments to other penal institutions in the State. The trial court shall cause a record of the case to be sent with the

commitment papers on blanks furnished by the institution. The duration of such commitment, including the time spent on parole, shall not exceed three years, except where the maximum term specified by law for the crime for which the offender was sentenced shall exceed that period, in which event such maximum term shall be the limit of detention under the provisions of this act, and in such cases it shall be the duty of the trial court to specify the maximum term for which the offender may be held under such commitment.

"Any inmate of the institution may, upon recommendation of the board of directors to the Governor, be allowed to go on parole under the following conditions: That she is in good physical condition, has ability to earn an honest living, has a satisfactory institutional record, based on the merit system, and a proper home to which she may go, or that suitable employment has been secured in advance. Each person paroled or discharged from said institution shall be given, if the superintendent deems it best, suitable clothing, transportation expenses and a sum of money not exceeding thirty dollars. Authority is conferred on said board of directors to establish such rules and regulations as it may deem necessary, setting forth the conditions upon which inmates may be discharged or recommended for parole, and to enforce such rules and regulations.

"While upon parole, each inmate of said institution shall remain in the legal custody and under the control of the board of directors, and subject at any time to be taken to said institution for any reason that shall seem sufficient to said board. Whenever any paroled inmate of said institution shall violate her parole and be returned to the institution, she may be required to serve the unexpired term of her maximum sentence, including the time she was out on parole or any part thereof, in the discretion of the board of directors, or she may be paroled again if said board of directors shall so recommend. The request of said board of directors or of any person authorized by the rules of said board, shall be sufficient warrant to authorize any officer of said institution or any officer authorized by law to serve criminal process within this State, to return any inmate on parole into actual custody; and it shall be the duty of police officers, constables and sheriffs to arrest and hold any paroled inmate when so requested, without any written warrant, and for the performance of such duty, the officer performing the same, except officers of said institution, shall be paid by the board of directors of said institution out of the institution funds such reasonable compensation as is provided by law for similar services in other cases.

"If any inmate shall escape from said institution or from any keeper or officer having her in charge or from her place of work while engaged in working outside the walls of said institution, she shall be returned to said institution when arrested, and may be disciplined in such manner as the board of directors may determine. Any person who shall advise, induce, aid or abet any woman committed to the State Industrial Farm or to the charge or guardianship of the directors of said institution to escape from said farm, or from the custody of any person to whom such woman shall have been entrusted by said directors or by their authority, shall be fined not more than five hundred dollars or imprisoned not more than one year, and any woman who shall have so escaped may, whether the limit of her original sentence shall have expired or not, be arrested and detained without warrant, by any officer authorized to serve criminal process, for a reasonable time to enable the superintendent of a director of said farm, or a person authorized in writing by the superintendent of said farm or said directors and provided with the mittimus by which such woman was committed, or with a certified copy thereof, to take such woman for the purpose of returning her to said institution, and the officer arresting her shall be paid by the State a reasonable compensation for her arrest and keeping. Any woman lawfully committed to said institution who shall escape therefrom may be imprisoned in said institution for not more than one year from the expiration of the term for which she was originally committed. Prosecutions under this act may be instituted in any county in which such woman may be arrested.

"If it shall appear to said board of directors, that any inmate on parole, although not having completed her maximum term, has maintained a satisfactory parole record, and will continue to lead an orderly life if discharged, said board may recommend to the Governor that such inmate be discharged from said institution.

"The board of directors, in making rules and regulations for the government of said institution, shall make provision for a system of general and industrial training, including useful trades and home economics, and for proper recreation facilities.

"In order to provide funds for the purposes of this act the State Treasurer is hereby authorized and directed at the request of the board of directors to be appointed hereunder and by and with the consent of the Governor and Council of State, to issue and sell not exceeding sixty thousand dollars (\$60,000) in bonds of the State, properly designated and bearing such date or dates and such rate or rates of interest not exceeding five (5%) per cent per annum, payable semi-annually, as may be fixed by the Governor and Council of State, all of which bonds shall mature at one date in the year nineteen hundred and sixty-seven.

"Said bonds shall carry interest coupons which shall bear the signature of the State Treasurer, or a facsimile thereof, and said bonds shall be subject to registration and be signed and sealed as is now or may hereafter be provided by law for State bonds, and the form and denomination thereof shall be such as the State Treasurer may determine in conformity with this act.

"Before selling the bonds herein authorized to be issued, the State Treasurer shall advertise the sale and invite sealed bids in such manner as in his judgment may seem most effectual to secure the best price. He is authorized to accept bids for the entire amount of said bonds, or any portion thereof, and when the con-

ditions are equal he shall give the preference of purchase to the citizens of North Carolina; and he is empowered to sell the bonds herein authorized in such manner as in his judgment will produce the best price, but not for less than par and accrued interest.

"The proceeds of said bonds and of the bond anticipation notes herein authorized (except the proceeds of bonds, the issuance of which has been anticipated by such bond anticipation notes), shall be placed by the Treasurer in a special fund to be designated 'Farm Colony Building Fund 1927' and be disbursed only for the purposes of this act upon warrants drawn by the State Auditor.

"By and with the consent of the Governor and Council of State, who shall determine the rate or maximum rate of interest and the date or approximate date of payment, the State Treasurer is hereby authorized to borrow money at the lowest rate of interest obtainable, and to execute and issue notes of the State for the same, but only in the following circumstances and under the following conditions:

"(a) For anticipating the sale of any of said bonds to the issuance of which the Governor and Council of State shall have given consent, if the Treasurer shall deem it advisable to postpone the issuance of such bonds.

"(b) For the payment of interest upon or principal of any of said bonds then outstanding if there shall not be sufficient funds in the State Treasury with which to pay such interest or principal as they respectively fall due.

"(c) For the renewal of any loan evidenced by notes herein authorized.

"Funds derived from the sale of bonds shall be used in the payment of any bond anticipation notes that may have been issued in anticipation of the sale of such bonds and any renewal of such notes, and funds provided by the General Assembly for the payment of interest and/or principal of such bonds shall be used in paying the interest and/or principal of any notes or renewals thereof, the proceeds of which shall have been used in paying interest and/or principal of such bonds. Interest payments upon said notes may be evidenced by interest coupons in the Treasurer's discretion.

"The full faith, credit, and taxing power of the State are hereby pledged for the payment of the principal and interest of the bonds and notes herein authorized.

"The coupons of said bonds and notes after maturity shall be receivable in payment of all taxes, debts, dues, licenses, fines and demands due the State of any kind whatsoever.

"All of the said bonds and notes and coupons shall be exempt from all State, county and municipal taxation or assessments, direct or indirect, general or special, whether imposed for the purpose of general revenue or otherwise, and the interest on said bonds and notes shall not be subject to taxation as for income; nor shall said bonds or notes or coupons be subject to taxation when constituting a part of the surplus of any bank, trust company, or other corporation.

"It shall be lawful for all executors, administrators, guardians, and fiduciaries generally, and all sinking fund commissions, to invest any moneys in their hands in said bonds or notes.

"For the retirement of the principal of said bonds at maturity a sinking fund is hereby created, into which fund the State Treasurer shall pay during each fiscal year, beginning with the year ending June thirtieth, one thousand nine hundred and twenty-nine, from any funds not heretofore pledged or appropriated, an amount equal to one (1%) per cent of the face value of the bonds theretofore issued under this act.

"The certificate of sale shall bear interest at the rate of 20 per centum per annum on the entire amount of taxes and sheriff's cost, for a period of twelve months from the date of sale and thereafter shall bear interest at the rate of 10 per centum per annum until paid, or until the final judgment of confirmation is rendered, but every holder of a certificate other than county, municipal corporation or other political subdivision, shall, in case said action is not instituted within eighteen months from the date of the first certificate of sale, only receive after the expiration of eighteen months on all amounts expended on, or in connection with, said purchase interest at the rate of 6 per centum per annum. In any action to foreclose the cost shall be taxed as in other civil actions and shall include an allowance for the commissioner appointed to make the sale, which shall not be more than 5 per centum of the amount at which the land is sold and one reasonable attorney's fee for plaintiff.

"All certificates of sale evidencing purchases by counties shall immediately, upon being allowed as a credit in the settlement with the sheriff of the county, be delivered to the county accountant, county auditor, or other officer, specifically designated by the board of county commissioners, or other governing board of the county, except sheriff or tax collecting officer, and it shall be the duty of the officer, or such officer designated, to collect the same. In making the collection he shall collect interest at the rate provided in this chapter, which shall not be remitted either by said officer or the governing board of the county, or other political subdivision. If, at the end of fourteen months from the date of the certificate of sale, full collection of the tax, interest and cost has not been made, such officer shall proceed to foreclose the certificate of sale under the provisions of this article, and said action shall be instituted within eighteen months from the date of the certificate of sale. Such officer shall call upon the county attorney to conduct the action to foreclose the certificate of sale and it shall be his duty to prosecute said action as vigorously as may be necessary to obtain early final action. After the institution of the action by counties or municipalities, the taxpayer shall have no right of redemption except upon the payment of the full tax, interest and other sums, and all cost and allowances: *Provided*, that the institution of the action to foreclose shall not affect the rate of interest to be collected and the governing board of the county, or municipality, shall have no authority to

remit or reduce the interest due under the certificate of sale, or otherwise interfere with the action to foreclose. No action to foreclose a certificate of sale shall be instituted after the expiration of three years from the date of same."

1927, chap. 221, sec. 4.

8037 (a). Insert a new section as follows: "8037 (a). Any officer required by this act to collect certificates of sale, or foreclose the same, or designated by the governing board of any county to perform said duties, who shall neglect his duties with respect thereto, shall upon conviction be guilty of a misdemeanor and subject to such fine or imprisonment as may be imposed by the court in its discretion and, in addition thereto, shall be liable for any loss resulting from his negligence."
