## Preface

---

This Cumulative Supplement to replacement volume 2B contains the general laws of a permanent nature enacted at the 1961 and 1963 Sessions of the General Assembly, which are within the scope of such volume, and brings to date the annotations included therein.

Amendments of former laws are inserted under the same section numbers appearing in the General Statutes, and new laws appear under the proper chapter headings. Editors' notes point out many of the changes effected by the amendatory acts.

Chapter analyses show new sections and also old sections with changed captions. An index to all statutes codified herein prior to 1961 appears in Replacement Volumes 4B and 4C. The Cumulative Supplements to such volumes contain an index to statutes codified as a result of the 1961 and 1963 legislative sessions.

The members of the North Carolina Bar are requested to communicate any defects they may find in the General Statutes or in this Supplement, and any suggestions they may have for improving the General Statutes, to the Division of Legislative Drafting and Codification of Statutes of the Department of Justice, or to The Michie Company, Law Publishers, Charlottesville, Virginia.

§ 53-1. "Bank," "surplus," "undivided profits," and other words defined.

Cited in Lenoir Finance Co. v. Currie, 254 N. C. 129, 118 S. E. (2d) 543 (1961).

ARTICLE 2.

*Creation.*

§ 53-2. How incorporated.

(4) The amount of its authorized capital stock, the number of shares into which it is divided, the par value of each share; the amount of capital stock with which it will commence business, which shall not be less than one hundred thousand dollars (\$100,000.00) in cities or towns of three thousand population and under; one hundred fifty thousand dollars (\$150,000.00) in cities or towns of more than three thousand population and less than ten thousand population; two hundred thousand dollars (\$200,000.00) in cities or towns of more than ten thousand population and less than twenty-five thousand population; two hundred fifty thousand dollars (\$250,000.00) in cities or towns of more than twenty-five thousand population and less than fifty thousand population; or three hundred thousand dollars (\$300,000.00) in cities or towns of more than fifty thousand population; and in addition shall have a paid-in surplus of at least fifty per cent (50%) of the authorized capital stock, as hereinbefore set out; the population to be ascertained by the last preceding national census: Provided, that this subdivision shall not apply to banks organized and doing business prior to its adoption. Provided, further, that fractional shares may be issued for the purpose of complying with the requirements of G. S. 53-88.

(1963, c. 793, s. 2.)

**Editor's Note.—**

The 1963 amendment rewrote subdivision (4). As the rest of the section was not affected by the amendment, it is not set forth above.

A banking corporation is wholly a creature of statute, doing business by legisla-

tive grace, and the right to carry on a banking business through the agency of a corporation is a franchise which is dependent on a grant of corporate powers by the State. Young v. Roberts 252 N. C. 9, 112 S. E. (2d) 758 (1960).

§ 53-3. Certificate of incorporation; how signed, proved, and filed.

Cited in Young v. Roberts, 252 N. C. 9, 112 S. E. (2d) 758 (1960).

§ 53-4. Examination by Commissioner; when certification to be refused; review by Commission.—Upon receipt of a copy of the certificate of incorporation of the proposed bank, the Commissioner of Banks shall at once examine into all the facts connected with the formation of such proposed corpo-

ration including its location and proposed stockholders, and if it appears that such corporation, if formed, will be lawfully entitled to commence the business of banking, the Commissioner of Banks shall so certify to the Secretary of State, unless upon examination and investigation he has reason to believe that

- (1) The proposed corporation is formed for any other than legitimate banking business; or
- (2) That the character, general fitness, and responsibility of the persons proposed as stockholders in such corporation are not such as to command the confidence of the community in which said bank is proposed to be located; or
- (3) That the probable volume of business and reasonable public demand in such community is not sufficient to assure and maintain the solvency of the new bank and of the then existing bank or banks in said community; or
- (4) That the name of the proposed corporation is likely to mislead the public as to its character or purpose; or
- (5) That the proposed name is the same as the one already adopted or appropriated by an existing bank in this State, or so similar thereto as to be likely to mislead the public. Upon such certification the Secretary of State shall issue and record such certificate of incorporation.

Notwithstanding any other provisions of this section, the Commissioner of Banks shall not make the certification to the Secretary of State described above until he shall have ascertained to his satisfaction that the establishment of such bank will meet the needs and promote the convenience of the community to be served by the bank. Any action taken by the Commissioner of Banks pursuant to this section shall be subject to review by the State Banking Commission which shall have the authority to approve, modify or disapprove any action taken or recommended by the Commissioner of Banks. (1921, c. 4, s. 4; Ex. Sess. 1921, c. 56, s. 1; C. S., s. 217(c); 1931, c. 243, s. 5; 1953, c. 1209, s. 1; 1963, c. 793, s. 1.)

**Editor's Note.—**

The 1963 amendment added the last paragraph.

**Basis for Refusal to Issue Certificate.—**

If the certificate of incorporation complies with statutory requirements in all other respects, the authority of the Commissioner of Banks to refuse to issue such certificate to the Secretary of State must be based on a finding adverse to the proposed banking corporation in respect of one or more of the legislative standards defined in this section. *Young v. Roberts*, 252 N. C. 9, 112 S. E. (2d) 758 (1960).

**Review by State Banking Commission.—**

Under this section and § 53-92, construed in pari materia, any decision made by the Commissioner of Banks in the exercise of the responsibility and authority conferred

upon him by this section is subject to review by the State Banking Commission upon application by any adversely affected interested person. However, upon review of a decision of the Commissioner of Banks, with reference to a certificate of incorporation of a proposed banking corporation otherwise in compliance with the statutory requirements, the Commission has no authority to direct the Commissioner of Banks to refuse to issue a certificate of approval, except on a finding adverse to the proposed banking corporation in respect of one or more of the legislative standards defined in this section. *Young v. Roberts*, 252 N. C. 9, 112 S. E. (2d) 758 (1960).

**Cited in** *Lenoir Finance Co. v. Currie*, 254 N. C. 129, 118 S. E. (2d) 543 (1961).

**§ 53-5. Certificate of incorporation, when certified.**

**When Limitation of Section Applies.—**

The limitation set out in the last sentence of this section applies only in the event the "said persons" have become "a body

politic and corporate" and the certificate of incorporation has been recorded and issued. *Young v. Roberts*, 252 N. C. 9, 112 S. E. (2d) 758 (1960).

## ARTICLE 6.

*Powers and Duties.***§ 53-43. General powers.**

(6) Any commercial bank, savings bank, savings and loan association or trust company, heretofore or hereafter organized under any general or special laws of this State and any national bank or federal savings and loan association doing business in this State, shall have power, in addition to such other powers as it may have:

a. Upon the making of a loan or discount, to deduct in advance, from the proceeds of such loan, interest at a rate not exceeding six per centum (6%) per annum upon the amount of the loan from the date thereof until the maturity of the final installment, notwithstanding that the principal amount of such loan is required to be repaid in installments: Provided, any commercial bank may exercise and enjoy all the powers now or hereafter provided in subdivision (3) of § 53-141: Provided further, that in exercising the power herein contained, savings and loan associations or federal savings and loan associations may deduct interest in advance for one month from each monthly installment payment of principal and interest on any loan, and may not deduct interest in advance from the proceeds of a loan where the maturity date of the final installment payment of said loan is three years or more from the date thereof or where the amount of said loan exceeds fifteen hundred dollars (\$1500.00).

b. Nothing in subdivision (6) shall be construed as in anywise extending or increasing or decreasing the powers of commercial banks, savings banks, savings and loan associations, trust companies, national banks, or federal savings and loan associations to make loans or discount notes other than as herein or by other laws expressly provided.

(1961, c. 954.)

**Editor's Note.—**

The 1961 amendment inserted in subdivision (6) the references to savings and loan associations and federal savings and loan associations. Only subdivision (6) is set out.

**State banks have no powers beyond**

those expressly granted, or those fairly incidental thereto, in this article. *Sparks v. Union Trust Co. of Shelby*, 256 N. C. 478, 124 S. E. (2d) 365 (1962).

funds in hands of clerks of court by color of their office, see §§ 2-54 to 2-60.

**§ 53-45. Banks, fiduciaries, etc., authorized to invest in securities approved by Federal Housing Administrator, Veterans Administrator, etc.—**(a) Insured Mortgages and Obligations of National Mortgage Associations and Federal Home Loan Banks.—It shall be lawful for all commercial and industrial banks, trust companies, building and loan associations, insurance companies, mortgagees and loan correspondents approved by the Federal Housing Administrator, and other financial institutions engaged in business in this State, and for guardians, executors, administrators, trustees or others acting in a fiduciary capacity in this State to invest, to the same extent that such funds may be invested in interest-bearing obligations of the United States, their funds or the moneys in their custody or possession which are eligible for investment, in bonds or notes secured by a mortgage or deed of trust insured by the Federal Housing Administrator, in bonds or notes secured by a mortgage or deed of

trust insured or guaranteed by the Veterans Administrator, in mortgages on real estate which have been accepted for insurance by the Federal Housing Administrator or Veterans Administrator, and in obligations of national mortgage associations, or bonds, debentures, consolidated bonds or other obligations of any federal home loan bank or banks.

(b) Insured Loans.—All such banks, trust companies, building and loan associations and insurance companies, mortgagees and loan correspondents approved by the Federal Housing Administrator, and other financial institutions, and also all such guardians, executors, administrators, trustees or others acting in a fiduciary capacity in this State, may make such loans, secured by real estate, as the Federal Housing Administrator or Veterans Administrator has insured or has made a commitment to insure, and may obtain such insurance.

(c) Eligibility for Credit Insurance.—All banks, trust companies, building and loan associations, insurance companies, mortgagees and loan correspondents approved by the Federal Housing Administrator, and other financial institutions, on being approved as eligible for credit insurance by the Federal Housing Administrator, may make such loans as are insured by the Federal Housing Administrator, and on being approved as eligible for credit insurance by the Veterans Administrator, may make such loans as are insured or guaranteed by the Veterans Administrator.

(d) Certain Securities Made Eligible for Collaterals, etc.—Wherever, by statute of this State, collateral is required as security for the deposit of public or other funds; or deposits are required to be made with any public official or department; or an investment of capital or surplus, or a reserve or other fund, is required to be maintained, consisting of designated securities, bonds, and notes secured by a mortgage or deed of trust insured by the Federal Housing Administrator or Veterans Administrator, debentures issued by the Federal Housing Administrator and obligations of national mortgage associations shall be eligible for such purposes.

(e) General Laws Not Applicable.—No law of this State prescribing the nature, amount or form of security or requiring security upon which loans or investments may be made, or prescribing or limiting the rates or time of payment of the interest any obligation may bear, or prescribing or limiting the period for which loans or investments may be made, shall be deemed to apply to loans or investments made pursuant to the foregoing paragraphs. (1935, cc. 71, 378; 1937, c. 333; 1959, c. 364, s. 1; 1961, c. 291.)

**Editor's Note.—**

The 1961 amendment made changes in subsections (a) through (d), so as to in-

clude within the provisions loans approved by the Veterans Administrator.

**Section Runs from Delivery of Each Individual Instrument.** — Where several vouchers, paid and delivered at different times, are made the basis of a claim, this section applies and bars not from the delivery of the first nor the last such

voucher, but runs against each individual voucher from the date of its delivery. *Schwabenton v. Security Nat. Bank of Greensboro*, 251 N. C. 655, 111 S. E. (2d) 856 (1960).

The burden is on the bank seeking the

protection afforded by this section to show delivery of the voucher to the depositor more than sixty days before the claim is made. When that fact is established, it

constitutes a complete defense to a claim based on such voucher. *Schwabenton v. Security Nat. Bank of Greensboro*, 251 N. C. 655, 111 S. E. (2d) 856 (1960).

§ 53-62. **Establishment of branches or tellers' windows.**—(a) The word "capital" as used in this section means capital stock and unimpaired surplus.

(b) Any bank doing business under this chapter may establish branches or teller's windows in the cities or towns in which they are located, or elsewhere, after having first obtained the written approval of the Commissioner of Banks, which approval may be given or withheld by the Commissioner of Banks, in his discretion. The Commissioner of Banks, in exercising such discretion, shall take into account, but not by way of limitation, such factors as the financial history and condition of the applicant bank, the adequacy of its capital structure, its future earnings prospects, and the general character of its management. Such approval shall not be given until he shall have ascertained to his satisfaction (i) that the establishment of such branch or teller's window will meet the needs and promote the convenience of the community to be served by the bank, and (ii) that the probable volume of business and reasonable public demand in such community are sufficient to assure and maintain the solvency of said branch or teller's window and of the existing bank or banks in said community.

(c) Such branch banks shall be operated as branches of and under the name of the parent bank, and under the control and direction of the board of directors and executive officers of said parent bank. The board of directors of the parent bank shall elect a cashier and such other officers as may be required to properly conduct the business of such branch, and a board of managers or loan committee shall be responsible for the conduct and management of said branch, but not of the parent bank or of any branch save that of which they are officers, managers, or committee: Provided, that the Commissioner of Banks shall not authorize the establishment of any branch or teller's window, the capital of whose parent bank is not sufficient in an amount to provide for the capital of at least one hundred thousand dollars (\$100,000.00) for the parent bank, and a capital of at least one hundred thousand dollars (\$100,000.00) for each branch or teller's window which it is proposed to establish in cities or towns of three thousand population or less; at least one hundred fifty thousand dollars (\$150,000.00) in cities or towns whose population exceeds three thousand, but does not exceed ten thousand; at least two hundred thousand dollars (\$200,000.00) in cities or towns whose population exceeds ten thousand, but does not exceed twenty-five thousand; at least two hundred fifty thousand dollars (\$250,000.00) in cities or towns whose population exceeds twenty-five thousand, but does not exceed fifty thousand; at least three hundred thousand dollars (\$300,000.00) in cities or towns whose population exceeds fifty thousand. The provisions of this subsection shall not be retroactive with respect to branches or teller's windows established or approved by the State Banking Commission prior to June 11, 1963. If a bank which hereafter proposes to establish a branch or teller's window is deficient in capital stock as measured by the above set-forth formula, it shall not be necessary for such bank to provide or allocate additional capital for branches or teller's windows established or approved by the State Banking Commission prior to June 11, 1963, until such a time as such bank makes application for an additional branch or teller's window. At that time sufficient capital and surplus must be allocated to bring the parent bank and all branches and teller's windows into compliance with the above requirements. The bank may, at its option, allocate capital stock and unimpaired surplus, or either, to its branches and teller's windows and may determine the proportion of each, or may allocate all capital stock or all unimpaired surplus. In applying this section, population shall be ascertained by the last preceding national census; provided, however, with respect to any branch or teller's windows established or approved

by the State Banking Commission before June 11, 1963, population shall be ascertained by the last national census preceding the establishment of such branch.

(d) A teller's window within the meaning of this section shall be considered to be a place in which no loans or investments for the bank are made and at which only the functions and duties of a bank teller are performed. Upon securing the approval provided for in subsection (b) of this section and upon compliance with the capital requirements set forth in subsection (c) of this section, a teller's window may be established in a small community having no other banking facilities. Notwithstanding any other provisions in this section, a teller's window may also be established in a city or town in which the applicant bank's home office or a branch thereof is located or within two miles of the limits of such city or town without complying with the capital allocation requirements of subsection (c) of this section with respect to said teller's window if the Commissioner shall find that the capital of said bank will not be unduly impaired by the establishment of such teller's window, and any such teller's window which has been heretofore or may hereafter be so established or approved by the Banking Commission shall not be taken into account in computing the capital allocation requirements for the parent bank and other branches and teller's windows of such bank.

(e) Any action taken by the Commissioner of Banks pursuant to this section shall be subject to review by the State Banking Commission which shall have the authority to approve, modify or disapprove any action taken or recommended by the Commissioner of Banks. (1921, c. 4, s. 43; Ex. Sess. 1921, c. 56, s. 2; C. S., s. 220(r); 1927, c. 47, s. 8; 1931, c. 243, s. 5; 1933, c. 451, s. 1; 1935, c. 139; 1947, c. 990; 1953, c. 1209, ss. 2, 5; 1963, c. 793, s. 3.)

### *Commissioner of Banks and Banking Department.*

§ 53-92. **Appointment of Commissioner of Banks; State Banking Commission.**—On or before April first, one thousand nine hundred and thirty-one, after the ratification of this section, and quadrennially thereafter, the Governor, with the advice and consent of the Senate, shall appoint a Commissioner of Banks who shall hold his office for a term of four years or until his successor has been appointed and has qualified, subject, however, to the provisions herein made as to his removal. The Commissioner of Banks shall, before entering upon the discharge of his duties, enter into bond with some surety company authorized to do business in the State of North Carolina, in the sum of not less than fifty thousand dollars, conditioned upon the faithful and honest discharge of all duties and obligations imposed by statute upon him.

The State Banking Commission, which has heretofore been created, shall hereafter consist of the State Treasurer, who shall serve as an ex officio member thereof, and ten (10) members who shall be appointed by the Governor. Five members of the said Commission shall be practical bankers and the remainder of the membership of said Commission shall be selected so as to fairly represent the industrial, manufacturing, business and farming interests of the State. The terms of office of the two additional members who are now to be appointed shall

expire on the first day of April, 1957, and thereafter their successors shall be appointed by the Governor for terms of four years each and shall serve until their successors are appointed and qualified. One member shall be appointed for a four (4) year term commencing April 1, 1961, and his successor shall be appointed quadrennially thereafter. Successors to members whose terms expired on the first of April, 1953, shall be filled by the Governor for the unexpired portion of the four-year terms which began on said date. Members of the Commission whose present terms expire on the first day of April, 1955, shall continue in office until the expiration of their respective terms and until their successors are appointed and qualified. As the terms of office of the appointive members of the Commission expire, their successors shall be appointed by the Governor for terms of four years each. Any vacancy occurring in the membership of the Commission shall be filled by the Governor for the unexpired term. The appointive members of said Commission shall be filled by the Governor for the unexpired term. The appointive members of said Commission shall receive as compensation for their services the same per diem and expenses as is paid to the members of the Advisory Budget Commission, which compensation shall be paid from the fees collected from the examination of banks as provided by law.

The Banking Commission shall meet at such time or times, and not less than once every three months, as the Commission shall, by resolution, prescribe, and the Commission may be convened in special session at the call of the Governor, or upon the request of the Commissioner of Banks. The State Treasurer shall be chairman of the said Commission.

No member of said Commission shall act in any matter affecting any bank in which he is financially interested, or with which he is in any manner connected. No member of said Commission shall divulge or make use of any information coming into his possession as a result of his service on such Commission, and shall not give out any information with reference to any facts coming into his possession by reason of his services on such Commission in connection with the condition of any state banking institution, unless such information shall be required of him at any hearing at which he is duly subpoenaed, or when required by order of a court of competent jurisdiction.

The Commissioner of Banks shall act as the executive officer of the Banking Commission, but the Commission shall provide, by rules and regulations, for hearings before the Commission upon any matter or thing which may arise in connection with the banking laws of this State upon the request of any person interested therein, and review any action taken or done by the Commissioner of Banks.

The Banking Commission is hereby vested with full power and authority to supervise, direct and review the exercise by the Commissioner of Banks of all powers, duties, and functions now vested in or exercised by the Commissioner of Banks under the banking laws of this State; any party to a proceeding before the Banking Commission may, within twenty days after final order of said Commission and by written notice to the Commissioner of Banks, appeal to the Superior Court of Wake County for a final determination of any question of law which may be involved. **§ 53-166. Scope of article; evasions; penalties; loans in violation of article void.**—(a) Scope.—No person shall engage in the business of lending in amounts of six hundred dollars (\$600.00) or less and contract for, exact, or receive, directly or indirectly, on or in connection with any such loan, any charges whether for interest, compensation, consideration, or expense, or any other purpose whatsoever, which in the aggregate are greater than six per cent (6%) per annum, except as provided in and authorized by this article, and without first having obtained a license from the Commissioner. The word "lending" as used in this section, shall include, but shall not be limited to, endorsing or otherwise securing loans or contracts for the repayment of loans.

(b) Evasions.—The provisions of subsection (a) of this section shall apply to any person who seeks to avoid its application by any device, subterfuge or pretense whatsoever.

(c) Penalties; Commissioner to Provide and Testify as to Facts in His Possession.—Any person not exempt from this article, or any officer, agent, employee or representative thereof, who fails to comply with or who otherwise violates any of the provisions of this article, or any regulation of the banking commission adopted pursuant to this article, shall be guilty of a misdemeanor and upon conviction shall be fined not less than five hundred dollars (\$500.00) nor more than twenty-five hundred dollars (\$2500.00) or imprisoned not less than four (4) months nor more than two (2) years, or both, in the discretion of the court. Each such violation shall be considered a separate offense. It shall be the duty of the Commissioner of Banks to provide the solicitor of the court having jurisdiction of any such offense with all facts and evidence in his actual or constructive possession, and to testify as to such facts upon the trial of any person for any such offense.

(d) Additional Penalties.—Any contract of loan, the making or collecting of which violates any provision of this article, or regulation thereunder, except as a result of accidental or bona fide error of computation shall be void and the licensee shall have no right to collect, receive or retain any principal or charges whatsoever with respect to such loan. (1955, c. 1279; 1957, c. 1429, s. 8; 1961, c. 1053, s. 1.)

**§ 53-167. Expenses of supervision.**—Each licensee, for the purpose of defraying necessary expenses of the Commissioner of Banks and his agents in supervising them, shall pay to the Commissioner of Banks the fees prescribed in G. S. 53-122 at the times therein specified. (1955, c. 1279; 1957, c. 1429, s. 1; 1961, c. 1053, s. 1.)

**§ 53-168. License required; showing of convenience, advantage and financial responsibility; investigation of applicants; hearings; existing businesses; contents of license; transfer; posting.**—(a) Necessity for License; Prerequisites to Issuance.—No person shall engage in or offer to engage in the business regulated by this article unless and until a license has been issued by the Commissioner of Banks, and the Commissioner shall not issue any such license unless and until he finds:

- (1) That authorizing the applicant to engage in such business will promote the convenience and advantage of the community in which the applicant proposes to engage in business; and
- (2) That the financial responsibility, experience, character and general fit-

ness of the applicant are such as to command the confidence of the public and to warrant the belief that the business will be operated lawfully and fairly, within the purposes of this article; and

- (3) That the applicant has available for the operation of such business at the specified location loanable assets of at least twenty-five thousand dollars (\$25,000.00).

(b) Investigation of Applicants.—Upon the receipt of an application, the Commissioner shall investigate the facts. If the Commissioner determines from such preliminary investigation that the applicant does not satisfy the conditions set forth in subsection (a), he shall so notify the applicant who shall then be entitled to a hearing thereon provided he so requests in writing within thirty (30) days after the Commissioner has caused the above-referred to notification to be mailed to the applicant. In the event of a hearing, to be held in the offices of the Commissioner of Banks in Raleigh, the Commissioner shall reconsider the application and, after the hearing, issue a written order granting or denying such application. At the time of making such application, the applicant shall pay the Banking Department the sum of one hundred dollars (\$100.00) as a fee for investigating the application, which shall be retained irrespective of whether or not a license is granted the applicant.

(c) Existing Businesses.—Notwithstanding the provisions of this section, any person engaged in the business of making direct cash loans pursuant to the North Carolina Small Loans Act, article 15 of chapter 53 as in effect prior to August 18, 1961, on August 18, 1961, if the person shall meet the requirements of subdivision (3) of subsection (a) of this section, shall receive a license on filing the required application within not more than six (6) months after August 18, 1961, and during such six (6) months period shall be deemed a licensee under this article.

(d) Required Assets Available.—Each licensee shall continue at all times to have available for the operation of the business at the specified location loanable assets of at least twenty-five thousand dollars (\$25,000.00). The requirements and standards of this subsection and subsection (a) (2) of this section shall be maintained throughout the period of the license and failure to maintain such requirements or standards shall be grounds for the revocation of a license under the provisions of § 53-171 of this article.

(e) License, Posting, Continuing.—Each license shall state the address at which the business is to be conducted and shall state fully the name of the licensee, and if the licensee is a copartnership, or association, the names of the members thereof, and if a corporation, the date and place of its incorporation. Transfer or assignment of a license by one person to another by sale or otherwise is prohibited without the prior approval of the Commissioner. Each license shall be kept posted in the licensed place of business. Each license shall remain in full force and effect until surrendered, revoked, or suspended as hereinafter provided. (1961, c. 1053, s. 1.)

§ 53-169. Application for license.—The application for license shall be made on a form prepared and furnished by the Commissioner of Banks and shall state:

- (1) The fact that the applicant desires to engage in business under this article; and
- (2) Whether the applicant is an individual, partnership, association or corporation; and
- (3) The name and address of the person who will manage and be in immediate control of the business; and
- (4) The name and address of the owners and their percentage of equity in the company, except when the Commissioner does not deem it feasible to furnish such information because of the number of stockholders involved; and

- (5) When the applicant proposes to commence doing business; and
- (6) Such other information as the Commissioner of Banks deems necessary.

The statements made in such application shall be sworn to by the applicant or persons making application on the applicant's behalf. (1961, c. 1053, s. 1.)

**§ 53-170. Locations; change of ownership or management.** — (a) Business Location.—A licensee may conduct and carry on his business only at such location or locations as may be approved by the Commissioner of Banks, and no changes shall be made from one location to another without the approval of the Commissioner.

(b) Additional Places of Business.—Not more than one place of business shall be maintained under the same license, but the Commissioner may issue more than one license to the same licensee upon compliance with all the provisions of this article governing issuance of a single license.

(c) Change of Location, Ownership or Management.—If any change occurs in the name and address of the licensee or of the president, secretary or agent of a corporation, or in the membership of any partnership under said sections, a true and full statement of such change, sworn to in the manner required by this article in the case of the original application, shall forthwith be filed with the Commissioner. (1961, c. 1053, s. 1.)

**§ 53-171. Revocation, suspension or surrender of license.**—(a) If the Commissioner shall find, after due notice and hearing, or opportunity for hearing, that any such licensee, or an officer, agent, employee, or representative thereof has violated any of the provisions of this article, or has failed to comply with the rules, regulations, instructions or orders promulgated by the Commissioner pursuant to the powers and duties prescribed therein, or has failed or refused to make its reports to the Commissioner, or has failed to pay the fees for its examination and supervision, or has furnished false information to the Commissioner or the Commission, the Commissioner may issue an order revoking or suspending the right of such licensee and such officer, agent, employee or representative to do business in North Carolina as a licensee, and upon receipt of such an order from the Commissioner, the licensee shall immediately surrender his license to the Commissioner. Within five (5) days after the entry of such an order the Commissioner shall place on file his findings of fact and mail or otherwise deliver a copy to the licensee. Any licensee who fails to make any loans during any period of ninety (90) consecutive days after being licensed shall surrender his license to the Commissioner.

(b) Any licensee may surrender any license by delivering it to the Commissioner with written notice of its surrender, but such surrender shall not affect his civil or criminal liability for acts committed prior thereto.

(c) No revocation, suspension or surrender of any license shall impair or affect the obligation of any pre-existing lawful contract between the licensee and any obligor.

(d) The Commissioner, in his discretion, may reinstate suspended licenses or issue new licenses to a person whose license or licenses have been revoked, or surrendered if and when he determines no fact or condition exists which clearly would have justified the Commissioner in refusing originally to issue such license under this article. (1955, c. 1279; 1961, c. 1053, s. 1.)

**§ 53-172. Conduct of other business in same office.**—No licensee subject to the provisions of this article shall conduct its business as a licensee in an office, or annex to an office, or any other business, but shall maintain an office in which only its business as a licensee shall be conducted. Installment paper dealers as defined in G. S. 105-83 shall not be considered as being any other business within the meaning of this section. The books, records and accounts relating to loans shall be kept in such manner as the Commissioner prescribes so as to

delineate clearly the loan business from any installment dealer paper transactions. (1961, c. 1053, s. 1.)

§ **53-173. Maximum rate of charge.** — Every licensee hereunder may contract for and receive charges on any loan of money not exceeding six hundred dollars (\$600.00) in amount as follows:

- (1) The charge for payment according to schedule may be computed on the amount of cash advance for the full term of the contract without regard to the requirement for installment payments at rates not exceeding the equivalent of twenty dollars (\$20.00) per one hundred dollars (\$100.00) per annum for that part of the amount of the cash advance not exceeding one hundred dollars (\$100.00), eighteen dollars (\$18.00) per one hundred dollars (\$100.00) per annum for that part of the amount of cash advance exceeding one hundred dollars (\$100.00) but not exceeding two hundred dollars (\$200.00), fifteen dollars (\$15.00) per one hundred dollars (\$100.00) per annum for that part of the amount of cash advance exceeding two hundred dollars (\$200.00) but not exceeding three hundred dollars (\$300.00), and six dollars (\$6.00) per one hundred dollars (\$100.00) per annum for that part of the amount of cash advance exceeding three hundred dollars (\$300.00) but not exceeding six hundred dollars (\$600.00).
- (2) On loans of seventy-five dollars (\$75.00) or less, a licensee may charge, in lieu of the charges specified in subdivision (1) of this section, at a rate not in excess of one dollar (\$1.00) for each five dollars (\$5.00) of cash advance to the borrower up to the amount of seventy-five dollars (\$75.00) and a period of at least fifteen (15) days must be allowed for repayment of each five dollars (\$5.00) cash advance. Such charges shall not be assessed by any subterfuge or device on any loan over seventy-five dollars (\$75.00) or on any balance of seventy-five dollars (\$75.00) or less when the original loan was greater than seventy-five dollars (\$75.00).
- (3) A licensee shall compute monthly charges for a period of time less than one year at one twelfth of the annual rate for each loan month and shall compute charges for a period of less than one loan month at one thirtieth of one twelfth of the annual rate for each day. A loan month is that period of time from one date in the month through the corresponding date in the next month. If there is no corresponding date, then the last day of the next month will be used.
- (4) The licensee shall not fix a due date of the first installment of any loan contract providing for monthly installments for a term exceeding forty-five (45) actual days from the date of the loan. When the first payment of any such contract may be due on a date beyond a loan month defined above, a licensee will be permitted to make an additional charge for the number of days in excess of thirty (30) or the number of days in excess of one loan month from the date of the loan, whichever is less.
- (5) Subject to the limitations contained in this article as to maximum rates, the Commission may from time to time, upon the basis of changed conditions or facts, redetermine and refix any such maximum rates of charge, but, before determining or redetermining any such maximum rates, the Commission shall give reasonable notice of its intention to consider doing so to all licensees and a reasonable opportunity to be heard and introduce evidence with respect thereto. The notice herein required may be given by mailing such notice to the offices of the licensees as shown in the records of the Commissioner of Banks. Any such changed maximum rates of charge shall not affect pre-ex-

isting loan contracts lawfully entered into between any licensee and any borrower. (1961, c. 1053, s. 1.)

§ 53-174. **Refund.**—When any loan contract is paid in full by cash, a new loan, renewal or otherwise, after two loan months have expired, the licensee shall refund or credit the borrower with that portion of the total charges which shall be due the borrower as determined by schedules prepared under the rule of 78's or sum of the digits principle as follows:

“The amount of the refund or credit shall be at least as great a proportion of the total charges originally contracted for, excluding any adjustment made for a first period of more than one (1) month, as the sum of the consecutive monthly balances of the contract scheduled to follow the date of prepayment bears to the sum of all the consecutive monthly balances of the contract, those sums to be determined according to the payment schedule originally contracted for.” If a loan is prepaid in full by cash, a new loan, renewal or otherwise, two loan months or less from the date of the contract, the licenses shall make a pro rata refund of the charges to the borrower or shall credit such amount to the borrower. In computing any required refund, any prepayment made on or before the 15th day following an installment date shall be deemed to have been made on the installment date preceding such prepayment and any prepayment made after the 15th day following an installment date shall be deemed to have been made on the installment date following such installment; provided, such computation shall not result in refunds by the rule of 78's method on loans prepaid two loan months or less from the date of the contract. When loans are prepaid fifteen (15) days or less from the date the loan is made, licensees are authorized in computing refunds to divide the original add-on charge by that figure which represents the number of loan months in the contract. The original add-on charges less the resultant quotient shall constitute the amount of the refund; provided, whenever the resultant quotient is less than two dollars (\$2.00), the minimum charge shall be fixed at two dollars (\$2.00) or the total original add-on charges, whichever is the lesser. The tender by the borrower, or at his request, of an amount equal to the unpaid balance less the required refund must be accepted by the licensee in full payment of the contract. (1961, c. 1053, s. 1.)

§ 53-175. **Default charge.**—(a) If the contract so provides, an additional charge for any installment past due ten (10) days or more according to the original terms of the contract by reason of default may be made in an amount not to exceed five per cent (5%) of the amount of the installment past due and said amount may be charged once and no more on the same default; provided, that if such charge is deducted from a payment made on the loan and such deduction results in a default of a subsequent installment, no charge shall be made for such subsequent default; provided, further, that once a borrower has incurred a default charge pursuant to this section, no default charge shall be incurred with respect to any future payments which would not have been in default except for the previous default.

(b) If there is an unpaid balance on a loan at the maturity date of the original contract, an additional charge at a rate not to exceed six per cent (6%) per annum may be charged on the outstanding balance until the loan is paid in full by cash, a new loan, renewal or otherwise. (1961, c. 1053, s. 1.)

§ 53-176. **Optional rates, maturities and amounts.**—In lieu of making loans in the amount, for the term and at the charges stated respectively in G. S. 53-166, 53-173 and 53-180, a licensee may at any time elect to make loans in any amount including loans in excess of six hundred dollars (\$600.00), for any term including more than 24 months, subject to all the other provisions of this article, provided that the charges for the entire amount for each such loan made by such electing licensee during the period that such election is in effect shall not exceed the same fees and interest set forth in G. S. 53-141. Such elec-

tion shall be made by the filing of a written statement to that effect by the licensee with the Commissioner and can be terminated by cancellation notice filed by the licensee in writing with the Commissioner.

No individual, partnership, or corporate licensee and no corporation which is the parent, subsidiary or affiliate of a corporate licensee which is making loans under this article otherwise than as authorized specially in this section, shall be permitted to make loans under the provisions of this section. Any corporate licensee or individual or partnership licensee making an election to make loans in accordance with the provisions of this section shall respectively be bound by such election with respect to all of its offices and locations in this State and all offices and locations in this State of its parent, subsidiary or affiliated corporate licensee, or with respect to all of his or their offices and locations in this State. (1961, c. 1053, s. 1.)

§ 53-177. **Recording fees.**—The licensee may collect from the borrower the actual fees paid a public official or agency of a county or the State, for filing, recording, or releasing any instrument securing the loan. A licensee shall not collect or permit to be collected any notary fee in connection with any loan made under this article. In lieu of recording any instrument and in lieu of collecting any recording fee herein authorized, a lender may take out nonrecording or nonfiling insurance on the instrument securing the loan and charge to the borrower the amount of the premium as fixed by the Commissioner of Insurance, but the amount so charged to the borrower shall not in any event exceed sixty cents (60¢) with respect to any one loan. (1961, c. 1053, s. 1.)

§ 53-178. **No further charges; no splitting contracts; certain contracts void.**—No further or other charges or insurance commissions shall be directly or indirectly contracted for or received by any licensee except those specifically authorized by this article. No licensee shall divide into separate parts any contract made for the purpose of or with the effect of obtaining charges in excess of those authorized by this article. All balances due to a licensee from any person as a borrower or as an endorser, guarantor or surety for any borrower or otherwise, or due from any husband or wife, jointly or severally, shall be considered a part of any loan being made by a licensee to such person for the purpose of computing interest or charges. (1961, c. 1053, s. 1.)

§ 53-179. **Multiple office loan limitations.**—A licensee shall not grant a loan in one office to any borrower who already has a loan in another office operated by the same entity or by an affiliate, parent, subsidiary or under the same ownership, management or control, whether partial or complete. This section shall apply to intrastate and interstate operations. A licensee shall take every reasonable precaution to prevent granting loans in violation of this section. Such loans granted inadvertently resulting in a total liability of six hundred dollars (\$600.00) or less, shall be adjusted to the rates applicable under this article to a single loan of equivalent amount, and when the total liability on such loans is in excess of six hundred dollars (\$600.00), interest shall be adjusted to simple interest at six per cent (6%) per year on the entire obligation. (1961, c. 1053, s. 1.)

§ 53-180. **Time and payment limitation.**—No licensee shall enter into any contract of loan under this article extending more than twenty-five loan months from the date of making the contract. Every loan contract shall require payment of cash advance and charges, as aggregated, in installments which shall be payable at approximately equal periodic intervals. No installment contracted for shall be substantially larger than any preceding installment. (1961, c. 1053, s. 1.)

§ 53-181. **Statements and information to be furnished to borrowers; power of attorney or confession of judgment prohibited.** — (a)

Contents of Statement Furnished to Borrower.—At the time a loan is made, the licensee shall deliver to the borrower, or if there be two or more borrowers, to one of them a copy of the loan contract, or a written statement, showing in clear and distinct terms:

- (1) The name and address of the licensee and one of the primary obligors on the loan;
- (2) The date of the loan contract;
- (3) Schedule of installments or descriptions thereof;
- (4) The cash advance;
- (5) The face amount of the note evidencing the loan;
- (6) The amount collected or paid for insurance, if any;
- (7) The amount collected or paid for filing or other fees allowed by this article;
- (8) The collateral or security for the loan.

(b) Schedule of Charges, etc., to Be Made Available; Copy Filed with Commissioner.—Each licensee doing business in North Carolina shall make readily available to the borrower at each place of business such full and accurate schedule of charges and insurance premiums, including refunds and rebates, on all classes of loans currently being made by such licensee, as the Commissioner shall prescribe, and a copy thereof shall be filed in the office of the Commissioner of Banks.

(c) Power of Attorney or Confession of Judgment Prohibited.—No licensee shall take any confession of judgment or permit any borrower to execute a power of attorney in favor of any licensee or in favor of any third person to confess judgment or to appear for the borrower in any judicial proceeding and any such confession of judgment or power of attorney to confess judgment shall be absolutely void. (1955, c. 1279; 1961, c. 1053, s. 1.)

§ 53-182. **Payment of loans; receipts.**—(a) After each payment made on account of any loan, the licensee shall give to the person making such payment a signed, dated receipt showing the amount paid and the balance due on the loan. No receipt shall be required in the case of payments made by the borrower's check or money order, where the entire proceeds of the check or money order are applied to the loan. The use of a coupon book system shall be deemed in compliance with this section.

(b) Upon payment of any loan in full, a licensee shall cancel and return to the borrower, within a reasonable length of time, any note, assignment, mortgage, deed of trust, or other instrument securing such loan, which no longer secures any indebtedness of the borrower to the licensee. (1955, c. 1279; 1961, c. 1053, s. 1.)

§ 53-183. **Advertising, broadcasting, etc., false or misleading statements.**—No licensee subject to this article shall advertise, display, distribute, telecast, or broadcast or cause or permit to be advertised, displayed, distributed, telecasted, or broadcasted, in any manner whatsoever, any false, misleading, or deceptive statement or representation with regard to the rates, terms, or conditions of loans. The Commissioner may require that charges or rates of charge, if stated by a licensee, be stated fully and clearly in such manner as he may deem necessary to prevent misunderstanding thereof by prospective borrowers. The Commissioner may permit or require licensees to refer in their advertising to the fact that their business is under State supervision, subject to conditions imposed by him to prevent an erroneous impression as to the scope or degree of protection provided by this article. (1957, c. 1429, s. 3; 1961, c. 1053, s. 1.)

§ 53-184. **Securing of information; records and reports; allocations of expense.**—(a) Each licensee shall maintain in his local office all records required by the Commissioner of Banks to be kept, and the Commissioner,

his deputy, or duly authorized examiner or agent or employee is authorized and empowered to examine such records at any reasonable time.

(b) Each licensee shall file annually with the Commissioner of Banks on or before the 31st day of March for the twelve months' period ending the preceding December 31, reports on forms prescribed by the Commissioner. Such reports shall disclose in detail and under appropriate headings the resources, assets and liabilities of such licensee at the beginning and at the end of the period, the income, expense, gain, loss, and a reconciliation of surplus or net worth with the balance sheets, the ratios of the profits to the assets reported, the monthly average number and amount of loans outstanding and a classification of loans made, by size and by security, and such other information as the Commissioner may require. Such reports shall be verified by the oath or affirmation of the owner, manager, president, vice-president, cashier, secretary or treasurer of such licensee.

(c) If a licensee conducts another business or is affiliated with other licensees under this article, or if any other situation exists under which allocations of expense are necessary, the licensee or licensees shall make such allocation according to appropriate and reasonable accounting principles.

(d) If a licensee is affiliated with other licensees, all of the affiliated lenders shall file composite annual reports in addition to the separate reports required in subsection (b) of this section, in such form as the Commissioner may require. Any gain or advantage in the form of commission or otherwise, to the licensee or to any employee, affiliate, or associate of the licensee from such above described insurance or its sale shall not be deemed to be an additional or further charge in connection with the contract of loan. (1963, c. 1251, s. 3.)

§ 53-199. **Requiring additional bonds; deposits in lieu of bonds.** —

- (1) General obligations of or fully guaranteed by the United States or of any agency or instrumentality of or corporation wholly owned by the United States directly or indirectly; or
- (2) Direct general obligations of the State of North Carolina, or of any county, city, town, or other political subdivision or municipal corporation of the State of North Carolina.

Such securities shall be held by the Commissioner to secure the same obligation as would any bond required by this article. The securities so deposited may be exchanged from time to time for other securities receivable as aforesaid. All said securities shall be subject to sale and transfer and to the disposal of the proceeds by said Commissioner only on the order of a court of competent jurisdiction. So long as the licensee so depositing shall continue solvent, and is not in violation of any of the provisions of this article, such licensee shall be permitted to receive the interest or dividends on said deposit. The Commissioner shall provide for custody of such securities by any qualified trust company or bank located in the State of North Carolina or by any federal reserve bank. The compensa-

(1963, c. 1251, s. 9.)

No license under this article shall be required of any such employee, agent, subagent or representative who is acting for or in behalf of a licensee hereunder in the sale of checks of which the licensee is the issuer. Each such agent, subagent or representative shall upon demand transfer and deliver to the licensee the proceeds of the sale of licensee's checks less the fees, if any, due such agent, subagent or representative. The Commissioner may conduct or cause to be conducted an examination or audit of the books and records of any licensee at any time or times he shall deem proper, the cost of such examination or audit to be borne by the licensee. The refusal of access to such books and records shall be cause for the revocation of license. (1963, c. 1251, s. 13.)

**§ 53-205. Exempt agents need not be listed.**—Nothing in this article shall be deemed to require a licensee to list agents which are exempted by the provisions of § 53-195 of this article. (1963, c. 1251, s. 14.)

**§ 53-206. Notice of denial or revocation of license; hearing; appeal.**—No license shall be denied or revoked except on ten days' notice to the applicant or licensee. Upon receipt of such notice the applicant or licensee may, within five (5) days of such receipt, make written demand for a hearing. The Commissioner shall thereafter, with reasonable promptness, hear and determine the matter as provided by law and his decision shall be subject to judicial review in the Superior Court of Wake County as provided by law. (1963, c. 1251, s. 15.)

§ 53-207. **Grounds for revoking licenses.**—The Commissioner may at any time revoke a license on any ground on which he might refuse to grant a license or for failure to pay an annual fee or for the violation of any provision of this article. (1963, c. 1251, s. 16.)

§ 53-208. **Violation a misdemeanor.**—If any person to whom or to which this article applies or any agent, subagent or representative of such person violates any of the provisions of this article or attempts to sell or issue checks without having first obtained a license from the Commissioner pursuant to the provisions of this article, or issues any check at a time when the bond or security required by this article is not in full force and effect, such person or such agent, subagent or representative shall be deemed guilty of a misdemeanor, and upon conviction shall be fined or imprisoned within the discretion of the court and each violation shall constitute a separate offense. (1963, c. 1251, s. 17.)

As only subdivisions (2) and (3) were affected by the amendment the rest of the section is not set out.

**§ 53A-9. Amendment of charter.**—This charter may be amended by the votes of the stockholders and the members of the corporation, voting separately by classes, and such amendments shall require approval by the affirmative vote of two-thirds of the votes to which the stockholders shall be entitled and two-thirds of the votes to which the members shall be entitled; provided, that no amendment of this charter which is inconsistent with the general purposes expressed herein or which authorizes any additional class of capital stock to be issued, or which eliminates or curtails the right of the Secretary of State to examine the corporation or the obligation of the corporation to make reports as provided in § 53A-13, shall be made without amendment of this chapter; and provided, further, that no amendment of this charter which increases the obligation of a member to make loans to the corporation, or makes any change in the principal amount, interest rate, maturity date, or in the security or credit position, of any outstanding loan of a member to the corporation, or affects a member's right to withdraw from membership as provided in § 53A-7, or affects a member's voting rights as provided in § 53A-8, shall be made without the consent of each member affected by such amendment.

Within one hundred and twenty (120) days after any meeting at which amendment of this charter has been adopted, articles of amendment signed and sworn to by the president, treasurer and a majority of the directors, setting forth such amendment and the due adoption thereof, shall be submitted to the Secretary of State, who shall examine them and if he finds that they conform to the requirements of this chapter, shall so certify and endorse his approval thereon. Thereupon, the articles of amendment shall be filed in the office of the Secretary of State and no such amendment shall take effect until such articles of amendment shall have been filed as aforesaid. (1955, c. 1146, s. 9; 1963, c. 393, s. 3½.)

(b) Each domestic association shall comply with the provisions of this article with respect to the merger or consolidation, as the case may be, of domestic associations, and each foreign association or corporation shall comply with the applicable provisions of the laws of the state under which it is organized.

(c) If the surviving or new association or corporation, as the case may be, is an association or corporation of any state other than this State, it shall comply with the provisions of this subchapter with respect to foreign corporations if it is to transact business in this State; and if after the merger or consolidation it transacts no business in this State, the courts of this State shall have jurisdiction in actions to enforce any obligation of any constituent association of this State and process therein may be served as provided in G. S. 55-145.

(d) The effect of such merger or consolidation shall be the same as in the case of the merger or consolidation of domestic associations, if the surviving or new corporation is to be an association of this State. The notice shall state that the proposed sale, lease, or exchange will be considered and acted upon at such meeting, and a statement of the terms of the proposed sale, lease, or exchange, as the case may be, shall be included in or enclosed with such notice. Each such notice shall be mailed by first-class mail at such a time that not less than ten (10) full days shall elapse between the date of mailing the notice and the date of the meeting, and shall be mailed to the member at his last address as it appears on the records of the association. The proposed sale, lease, or exchange, as the case may be, shall be adopted upon receiving at least two thirds of the votes entitled to be cast by members present at the meeting, if a quorum is present.

(b) A mortgage or pledge of, or any other security interest in, all or any part or parts of the property of the association may be made by authority of the board of directors of the association without authorization of the members, unless otherwise provided in the charter or bylaws adopted by the members. (1963, c. 1168, s. 13.)

**§ 54-166. Rights of objecting members.**—(a) Any member of an association effecting a merger or consolidation may give to the association prior to or at the meeting of the members to which the proposal of merger or consolidation is submitted to a vote, written notice that he objects to such proposal. Within twenty (20) days after the date on which the vote was taken, such member may, unless he votes in favor of the proposal, make written demand on the association for payment of the fair market value of his stock or other property rights or interest in the association. Such demand shall state the number and class of shares of stock owned by him or the nature and amount of other property rights or interest owned by him in the association. In addition to any other right he may have in law or equity, a member giving such notice shall be entitled, if and when the merger or consolidation is effected, to be paid by the surviving or new association, the fair market value of such stock, or other property rights or interests, as of the day prior to the date on which the vote was taken, subject only to the surrender by him of the certificate or certificates or other evidence of ownership of such stock or other property rights or interests.

(b) If within thirty (30) days after the date upon which the objecting member becomes entitled to payment for such stock or other property rights or interest, the fair market value of such stock or other property rights or interests is agreed upon between the member and the surviving or new association, as the case may be, payment therefor shall be made within sixty (60) days after the agreement, upon surrender of the certificate or other evidence of such property rights or interests, whereupon the member shall cease to have any interest in such stock or other property rights or interests in the association.

(c) If within the thirty-day period mentioned in subsection (b) of this section

the member and the association do not agree as to the fair market value of such stock or other property rights or interests, the member may, within sixty (60) days after the expiration of the thirty-day period, file a petition in the superior court of the county in which the association has its registered office or principal place of business asking for the appointment by the clerk of the superior court of that county of three qualified and disinterested appraisers to appraise the fair market value of such stock or other property rights or interests. A summons as in other cases of special proceedings, together with a copy of the petition, shall be served on the association at least ten (10) days prior to the hearing of the petition by the court. The award of the appraisers, or a majority of them, if no exceptions be filed thereto within ten (10) days after the award shall have been filed in court, shall be confirmed by the court, and when confirmed shall be final and conclusive, and the member, upon depositing with the court the proper stock certificates or other evidence of such property rights or interests, shall be entitled to judgment against the association for the appraised value thereof as of the day prior to the date on which the vote was taken, together with interest thereon to the date of such confirmation. If either party files exceptions to such award within ten (10) days after the award shall have been filed in court, the case shall be transferred to the civil issue docket of the superior court for trial during term and shall be there tried in the same manner, as near as may be practicable, as is provided in chapter 40 of the General Statutes for the trial of cases under the eminent domain law of this State, and with the same right of appeal to the Supreme Court as is permitted in that chapter. The court shall assess the cost of the proceedings as it shall deem equitable. Upon payment of the judgment the owner of such stock or other property rights or interests shall cease to have any interest in the association and the association shall be entitled to have said stock certificates or other evidence of such property rights or interests surrendered to the association by the clerk of court. Unless the member shall file such petition within the time herein prescribed, he and all persons claiming under him shall have no right of payment hereunder, but in that event nothing herein shall impair his status as a member.

(d) If in the notices sent to members in connection with the meeting to vote upon a proposed merger or consolidation no reference is made as required by this article to the provisions of this section, any member entitled to but who did not avail himself of the provisions of this section, unless he voted for the proposal, is entitled, if he so demands in writing within one year after the effective date of the merger or consolidation, to recover from the surviving or new association, as the case may be, any damage which he suffered from failure of the association of which he was a member to make the aforesaid reference.

(e) The liability to pay for shares or to pay damages imposed by this section on an association extends to the successor association which acquires the assets of the predecessor, whether by merger or consolidation.

(f) Shares of stock acquired by an association pursuant to payment of the agreed fair market value thereof or to payment of the judgment entered therefor as in this section provided, may be held and disposed of by the association as in the case of other treasury shares.

(g) The provisions of this section shall not apply to a merger if on the date of the filing of the articles of merger the surviving association is the owner of all the outstanding shares of the other association, domestic or foreign, participating in the merger and if such merger makes no changes in the relative rights of the members of the surviving association.

(h) Notwithstanding any of the foregoing provisions of this section, no member of an association effecting a merger or consolidation, who objects thereto and makes written demand for payment of the fair market value of his stock or other property rights or interests in the association, as hereinbefore provided in this section, shall be entitled to such payment at any time prior to the time that he

would otherwise be entitled to payment pursuant to valid provisions of such stock, or valid provisions of the charter or the bylaws of the association, in effect on the date of the vote for such merger or consolidation. However, in any case where the owner of such stock or other property rights or interests in the association is not entitled, because of valid provisions of his stock, or because of valid provisions of the charter or bylaws of the association, to payment at the time hereinbefore provided in this section, the fair market value of such stock or other property rights or interest in the association, as of the day prior to the date on which the vote was taken, may be determined in any manner hereinbefore provided in this section, and the amount so determined, without interest, shall be an obligation of the surviving or new association, as the case may be, and shall be due and payable at the time that the owner thereof would be entitled to payment pursuant to valid provisions of such stock, or valid provisions of the charter or the bylaws of the association. **§ 55-22. Loans and guaranties.**—(a) Except with the consent of all the shareholders, regardless of their adverse interests or voting rights, or with the consent of the holders of a majority of all the shares outstanding, regardless of limitation on voting rights, other than the shares held by the adversely interested party, a corporation shall not, directly or indirectly, make any loan of money or property to, or guarantee or otherwise secure the obligation of:

- (1) Any directors or officers of the corporation; or
- (2) Any corporation of which the officers and directors of the lending or securing corporation own more than fifty per cent (50%) of the outstanding securities of any class; or
- (3) Any dominant shareholder or any other corporation of which said shareholder is a dominant shareholder, unless that corporation is a subsidiary of the lending or securing corporation; or
- (4) Any person upon the security of the shares of any corporation mentioned in subdivisions (2) and (3) of this subsection.

A sale on credit in the ordinary course of business is not a loan within the meaning of this section.

(b) The provisions of this section do not apply to loans, guaranties, or other forms of security extended by banks, industrial banks, building and loan associations, land and loan associations, credit unions or insurance companies, or to loans permitted under any statute regulating any special class of corporations. (1955, c. 1371, s. 1; 1959, c. 1316, s. 6; 1961, c. 198.)

**Editor's Note.**—

The 1961 amendment rewrote subsection (a).

**§ 55-30. Director's adverse interest.**

**Contracts Fixing Compensation for Services to Be Rendered.**—Notwithstanding the fiduciary relationship existing between officers and the corporation which they serve, contracts fixing the amount

and method of paying compensation for services to be rendered are not void or voidable per se. *Fulton v. Talbert*, 255 N. C. 183, 120 S. E. (2d) 410 (1961).

**Contracts Fixing Compensation for Services to Be Rendered.**—See same catchline under § 55-30.

**Proper Allegations in Action for Salaries Not Honestly Earned.**—The right of action which accrues for the fixing and taking by one in authority of salaries, bo-

nuses, or other monies not honestly earned and fairly owing is based on fraud. When one seeks to recover for wrongs fraudulently inflicted, he must allege the facts which, if proven, will establish the fraud. It is not sufficient merely to allege as a conclusion that the payments were "exorbitant, unreasonable, and unjust." *Fulton v. Talbert*, 255 N. C. 183, 120 S. E. (2d) 410 (1961).

### § 55-37. Books and records.

**Legislative Intent.**—It is not logical to conclude that the legislature, in adopting the Business Corporation Act, intended to require a corporation to keep two sets of books, one for its stockholders, the other for the government, if it wished to compute its taxes on a cash receipt basis. *Watson v. Watson Seed Farms, Inc.*, 253 N. C. 238, 116 S. E. (2d) 716 (1961).

**Effect of Act on Accepted Methods of Accounting.**—Where a corporation has kept its books for a number of years according to an accepted method of accounting, which system is sufficient in computing its capital and surplus for franchise tax purposes and its income for income tax on a cash receipt basis, the Business Corporation Act does not make mandatory the abandonment of such system or adoption of a new system of accounting by the corporation. *Watson v. Watson Seed Farms, Inc.*, 253 N. C. 238, 116 S. E. (2d) 716 (1960).

**Subsection (a) (3) of this section is supplemented by § 55-64.** *White v. Smith*, 256 N. C. 218, 123 S. E. (2d) 628 (1962).

**Application to Building and Loan Associations.**—Subsection (a) (3) of this section and § 55-64 apply to building and loan associations. *White v. Smith*, 256 N. C. 218, 123 S. E. (2d) 628 (1962).

**Common-Law Right of Shareholder to Inspect Records.**—At common law stockholders in private corporations have the right to make reasonable inspection of a corporation's books to assure themselves of efficient management. *White v. Smith*, 256 N. C. 218, 123 S. E. (2d) 628 (1962).

**Is Not Abridged but Enlarged by Statute.**—The explanatory comment accompanying the bill which became the Business Corporation Act makes it clear that the associates and the extent of their holdings was not abridged but enlarged. *White v. Smith*, 256 N. C. 218, 123 S. E. (2d) 628 (1962).

**Mandamus to Require Disclosure of Names, Addresses and Holdings of Shareholders.**—Shareholders in a building and loan association were entitled to a writ of mandamus, requiring the association and its officers to provide plaintiffs an opportunity to inspect the records of the association to ascertain the names, addresses, and number of shares held by each shareholder so that plaintiffs might solicit proxies for use at shareholders' meetings. *White v. Smith*, 256 N. C. 218, 123 S. E. (2d) 628 (1962).

#### § 55-52. Acquisition by a corporation of its own shares.

(c) Subject to the provisions of subsections (e) and (f) of this section, a corporation may, by the action of its board of directors, purchase and pay for its shares, but only out of surplus and only in the following cases:

- (1) Pro rata from all its shareholders or all of a class of shareholders.
- (2) On an organized securities exchange, if the board of directors shall have obtained authorization so to purchase, within a period of one year preceding the purchase, by the vote of the holders of a majority of the shares of the class to be purchased, after full disclosure to them of the specific purpose of the proposed purchase.
- (3) From any shareholder of any class, if the board of directors shall have obtained authorization so to purchase, within a period of one year preceding the purchase, by a vote of a majority of the holders of the class of shares of the corporation which are entitled to vote, after full disclosure to the holders of the class of shares entitled to vote of the

specific purpose of the proposed purchase, together with a statement of the class of shares proposed to be purchased. Authorization of the stockholders shall not be required for each specific purchase, provided the total number of shares purchased shall not exceed the maximum number of shares authorized in the authorization of the stockholders.

- (4) From any shareholder in the exercise of the corporation's right to purchase the shares pursuant to restrictions upon the transfer thereof.
- (5) In connection with stabilizing operations authorized by the Securities and Exchange Commission or other regulatory authority.
- (6) From any shareholder shares which at the time are listed and traded on a securities exchange regulated or supervised by the Securities and Exchange Commission or other regulatory authority of the United States government.

(1963, c. 666.)

The 1963 amendment added subdivision (6) to subsection (c). As the rest of the

section was not changed only subsection (c) is set out.

#### § 55-67. Voting of shares.

(c) Except where some inconsistent agreement exists for choosing directors, valid under the provisions of G. S. 55-73, at each election for directors every shareholder entitled to vote at such election shall have the right to vote, in person or by proxy, the number of shares standing of record in his name for as many persons as there are directors to be elected and for whose election he has a right to vote, or to cumulate his votes by giving one candidate as many votes as the number of such directors multiplied by the number of his shares shall equal, or by distributing such votes on the same principle among any number of such candidates. This right of cumulative voting shall not be exercised unless some shareholder or proxy holder announces in open meeting, before the voting for directors starts, his intention so to vote cumulatively; and if such announcement is made, the chair shall declare that all shares entitled to vote have the right to vote cumulatively and shall announce the number of shares present in person and by proxy, and shall thereupon grant a recess of not less than one hour nor more than four hours, as he shall determine, or of such other period of time as is unanimously then agreed upon. Stockholders in any corporation now in existence under a charter which does not grant the right of cumulative voting may not exercise this right of cumulative voting when at the time of election the stock transfer book of such corporation discloses, or it otherwise appears, that there is no stockholder who owns or controls more than one fourth of the voting stock of such corporation. Shares represented at a meet-

ing by a revocable proxy relating to that meeting or adjourned meetings thereof shall not be deemed shares "controlled" within the meaning of this subsection. **Editor's Note.—**

The 1963 amendment added the last sentence to subsection (c). As only sub-

section (c) was affected by the amendment, the rest of the section is not set out.

**§ 55-72. Voting trust.**

(d) A voting trust created under the provisions of this section may be extended or otherwise amended at any time during its term by an agreement of amendment signed by the trustee and by all the trust certificate holders, except that the period covered by the voting trust agreement may not be extended by the agreement of amendment to a date which is more than ten (10) years after the effective date of the amendment. An executed copy of the agreement of amendment shall be deposited by the trustee with the corporation at its registered office and the agreement of amendment shall become effective at the time an executed copy thereof is so deposited. (1955, c. 1371, s. 1; 1963, c. 1233.)

*Foreign Corporations.*

**§ 55-131. Right to transact business.**

Facts held to constitute more than "soliciting or procuring orders" requiring acceptance without the State. See *Dumas v.*

*Chesapeake & O. R. Co.*, 253 N. C. 501, 117 S. E. (2d) 426 (1960).

**§ 55-144. Suits against foreign corporations transacting business in the State without authorization.**

This section and § 55-146 apply exclusively to foreign corporations. Whether analogous statutes applicable to nonresident unincorporated associations should be

enacted is for legislative determination. *Melton v. Hill*, 251 N. C. 134, 110 S. E. (2d) 875 (1959).

**§ 55-145. Jurisdiction over foreign corporations not transacting business in this State.**

Presence in this State has never been doubted when the activities of the corporation there have not only been continuous

and systematic, but have also given rise to the liabilities sued on, even though no consent to be sued or authorization to accept

service has been given. *Babson v. Clairol, Inc.*, 256 N. C. 227, 123 S. E. (2d) 508 (1962).

**Mere Fact of Manufacture Insufficient for Service of Process.**—The mere fact that a foreign corporation was the manufacturer of an implement which caused injury to a resident of this State because of alleged defect or absence of safety device,

is alone an insufficient predicate for service of process upon such corporation under subsection (a), subdivisions (3) and (4), the implement having been purchased by a resident of this State from an independent contractor and distributor of another state. *Moss v. Winston-Salem*, 254 N. C. 480, 119 S. E. (2d) 445 (1961).

**§ 55-146. Service on foreign corporations by service on Secretary of State.**

This section and § 55-144 apply exclusively to foreign corporations. Whether analogous statutes, applicable to nonresident unincorporated associations, should be enacted, is for legislative determination. *Melton v. Hill*, 251 N. C. 134, 110 S. E. (2d) 875 (1959).

Service on the Secretary of State is sufficient to bring into court a foreign corporation if it does not have a process agent

and is doing business in this State. *Babson v. Clairol, Inc.*, 256 N. C. 227, 123 S. E. (2d) 508 (1962).

**§ 55A-86. Action by members without a meeting.**—(a) Any action required by this chapter to be taken at a meeting of the members or directors of the corporation, or any action which may be taken at a meeting of the members or directors, or of a committee of directors, may be taken without a meeting if

a consent in writing, setting forth the action so taken, shall be signed by all of the members entitled to vote with respect to the subject matter thereof, or a majority of the directors, or a majority of the members of the committee of directors, as the case may be. Provided, however, this shall not apply whenever the bylaws of a corporation specifically require that such action be by a unanimous vote.

(b) Such consent shall have the same force and effect as a unanimous vote, and may be stated as such in any articles or document filed with the Secretary of State under this chapter. (1955, c. 1230; 1963, c. 786.)

### Hospital, Medical and Dental Service Corporations.

Sec. 57-3. Hospital, physician and dentist contracts.	Sec. 57-12.1. Medical, dental and hospital service associations and agent to transact business through licensed agents only.
--	---

§ 57-1. **Regulation and definition; application of other laws; profit and foreign corporations prohibited.**—Any corporation heretofore or hereafter organized under the general corporation laws of the State of North Carolina for the purpose of maintaining and operating a nonprofit hospital and/or medical and/or dental service plan whereby hospital care and/or medical and/or dental service may be provided in whole or in part by said corporation or by hospitals and/or physicians and/or dentists participating in such plan, or plans, shall be governed by this chapter and shall be exempt from all other provisions of the insurance laws of this State, heretofore enacted, unless specifically designated herein, and no laws hereafter enacted shall apply to them unless they be expressly designated therein.

The term "hospital service plan" as used in this chapter includes the contracting for certain fees for, or furnishing of, hospital care, laboratory facilities, X-ray facilities, drugs, appliances, anesthesia, nursing care, operating and obstetrical equipment, accommodations and/or any and all other services authorized or permitted to be furnished by a hospital under the laws of the State of North Carolina and approved by the North Carolina Hospital Association and/or the American Medical Association.

The term "medical service plan" as used in this chapter includes the contracting for the payment of fees toward, or furnishing of, medical, obstetrical, surgical and/or any other professional services authorized or permitted to be furnished by a duly licensed physician.

The term "dental service plan" as used in this chapter includes contracting for the payment of fees toward, or furnishing of dental and/or any other professional services authorized or permitted to be furnished by a duly licensed dentist.

The term "hospital service corporation" as used in this chapter is intended to mean any nonprofit corporation operating a hospital and/or medical and/or dental service plan, as herein defined. Any corporation heretofore or hereafter organized and coming within the provisions of this chapter, the certificate of incorporation of which authorizes the operation of either a hospital or medical and/or dental service plan, or any or all of them, may, with the approval of the Commissioner of Insurance, issue subscribers' contracts or certificates approved by the Commissioner of Insurance, for the payment of either hospital or medical and/or dental fees, or the furnishing of such services, or any or all of them, and may enter into contracts with hospitals for physicians and/or dentists, or any or all of them, for the furnishing of fees or services respectively under a hospital or medical and/or dental service plan, or any or all of them.

No foreign or alien hospital or medical and/or dental service corporation as herein defined shall be authorized to do business in this State. (1941, c. 338, s. 1; 1943, c. 537, s. 1; 1953, c. 1124, s. 1; 1961, c. 1149.)

The 1961 amendment extended the application of this section to dental service

**§ 57-3. Hospital, physician and dentist contracts.**—Any corporation organized under the provisions of this chapter may enter into contracts for the rendering of hospital service to any of its subscribers by hospitals approved by the American Medical Association and/or the North Carolina Hospital Association, and may enter into contracts for the furnishing of, or the payment in whole or in part for, medical and/or dental services rendered to any of its subscribers by duly licensed physicians and/or dentists. All obligations arising under contracts issued by such corporations to its subscribers shall be satisfied by payments made directly to the hospital or hospitals and/or physicians and/or dentists rendering such service, or direct to the subscriber or his, her, or their legal representatives upon the receipt by the corporation from the subscriber of a statement marked paid by the hospital(s) and/or physician(s) and/or dentist(s) or both rendering such service, and all such payments heretofore made are hereby ratified. Nothing herein shall be construed to discriminate against hospitals conducted by other schools of medical practice.

On and after January 1, 1956, all certificates, plans or contracts issued to subscribers or other persons by hospital and medical and/or dental service corporations operating under chapter 57 of Volume 2B of the General Statutes shall contain a provision as follows: "After two years from the date of issue of this certificate, contract or plan no misstatements, except fraudulent misstatements made by the applicant in the application for such certificate, contract or plan, shall be used to void said certificate, contract or plan, or to deny a claim for loss incurred or disability (as therein defined) commencing after the expiration of such two-year period. No claim for loss incurred or disability (as defined in the certificate, contract or plan) commencing after two years from the date of issue of this certificate, contract or plan shall be reduced or denied on the ground that a disease or physical condition not excluded from coverage by name or specifically described, effective on the date of loss, had existed prior to the effective date of coverage of this certificate, contract or plan." Application for such certificate of authority or license shall be made on forms to be supplied by the Commissioner of Insurance, containing such information as he shall deem necessary. Each application for such certificate of authority or license, as a part thereof shall be accompanied by duplicate copies of the following documents duly certified by at least two of the executive officers of such corporation:

- (2) A statement of the nature of the benefits to be furnished and the period during which they will be furnished.
- (3) A statement of the terms and conditions, if any, upon which the con-

tract may be cancelled or otherwise terminated at the option of either party. Said statement shall be in the following language:

  3. No period of required notice shall exceed two years, and no renewal hereunder shall renew any such contract for any period beyond the required period of notice except by written agreement of the subscriber and corporation.

- (4) A statement that the contract includes the endorsements thereon and attached papers, if any, and together with the applications contains the entire contract.
- (5) A statement that if the subscriber defaults in making any payment, under the contract, the subsequent acceptance of a payment by the corporation at its home office shall reinstate the contract, but with respect to sickness and injury, only to cover such sickness as may be first manifested more than ten days after the date of such acceptance.

(1961, c. 1149.)

**§ 57-8. Investments and reserves.**—No hospital service corporation shall invest in any securities other than securities permitted by the laws of this State for the investment of assets of life insurance companies, banks, trust companies, executors, administrators and guardians.

Every such corporation after the first full year of doing business after the passage of this chapter shall accumulate and maintain, in addition to proper reserves for current administrative liabilities and whatever reserves are deemed adequate and proper by the Commissioner of Insurance for unpaid hospital and/or medical and/or dental bills, and unearned membership dues, a special contingent surplus

or reserve at the following rates annually of its gross annual collections from membership dues, exclusive of receipts from cost plus plans, until said reserve shall equal three times its average monthly expenditures for hospital and/or medical and/or dental claims and administrative and selling expenses:

- (1) Ist \$200,000.00 .....4%
- (2) Next \$200,000.00 .....2%
- (3) All above \$400,000.00 .....1%

Any such corporation may accumulate and maintain a contingent reserve in excess of the reserve hereinabove provided for, not to exceed an amount equal to six times the average monthly expenditures for hospital and/or medical and/or dental claims and administrative and selling expenses.

In the event the Commissioner of Insurance finds that special conditions exist warranting an increase or decrease in the reserves or schedule of reserves, hereinabove provided for, it may be modified by the Commissioner of Insurance accordingly, provided however, when special conditions exist warranting an increase in said schedule of reserves, said schedule shall not be increased by the Commissioner of Insurance until a reasonable length of time shall have elapsed after notice of such increase. § 57-12. **Licensing of agents.**—Every agent of any hospital service corporation authorized to do business in this State under the provisions of this chapter shall be required to obtain annually from the Commissioner of Insurance a license under the seal of his office showing that the company for which he is agent is licensed to do business in this State and that he is an agent of such company and duly authorized to do business for it. And every such agent, on demand, shall exhibit his license to any officer or to any person from whom he shall solicit hospital service. For said license, each agent shall annually pay the sum of one (\$1.00) dollar. Before a license is issued to an agent, hereunder, the agent and the company for which he desires to act, shall apply for the license on forms to be prescribed by the Commissioner of Insurance, and before he issues a license to such agent, the Commissioner of Insurance shall satisfy himself by examination, or otherwise, that the person applying for a license as an agent is a person of good moral character, that he intends to hold himself out in good faith as a hospital and/or medical and/or dental service agent and has sufficient knowledge of the business proposed to be done; that he has not willfully violated any of the insurance laws of the State, and that he is a proper person for such position, and that such license, if issued, shall serve the public's interest. For said examination applicant shall pay the sum of ten (\$10.00) dollars: Provided, that where an applicant has already paid the ten (\$10.00) dollar examination fee prescribed in § 105-228.7, such applicant shall not be required to pay an additional examination fee. All agents operating as such for a corporation subject to the provisions of this chapter on the date of its ratification are deemed qualified to act as such without the examination herein provided for. Licenses issued hereunder shall be subject to revocation by the Commissioner of Insurance for cause and if any person shall assume to act as an agent or broker without obtaining the license herein provided for, or makes any false statements or representations concern-

ing the said hospital and/or medical and/or dental service, knowingly or willfully, he shall be guilty of a misdemeanor and upon conviction shall be punished by a fine of not less than one hundred (\$100.00) dollars nor more than five hundred (\$500.00) dollars for each offense. (1941, c. 338, s. 12; 1943, c. 537, s. 7; 1947, c. 1023, s. 1; 1961, c. 1149.)

The Commissioner of Insurance may require from any such hospital service plan or medical service association such information as will enable him to determine whether such hospital service plan or medical service association is exempt from the provisions of this chapter. **§ 57-19. Merger or consolidation, proceedings for.**—Any two (2) or more hospital and/or medical and/or dental service corporations organized under and/or subject to the provisions of this chapter as determined by the Commissioner of Insurance may, as shall be specified in the agreement hereinafter required, be merged into one of such constituent corporations, herein designated as the surviving corporation, or may be consolidated into a new corporation to be formed by the means of such consolidation of the constituent corporations, which new corporation is herein designated as the resulting or consolidated corporation, and the directors and/or trustees, or a majority of them, of such corporations as desire to consolidate or merge, may enter into an agreement signed by them and under the corporate seals of the respective corporations, prescribing the terms and conditions of consolidation or merger, the mode of carrying the same into effect and stating such other facts as can be stated in the case of a consolidation or merger, stated in such altered form as the circumstances of the case require, and with such other details as to conversion of certificates of the subscribers as are deemed necessary and/or proper.

Said agreement shall be submitted to the certificate holders of each constituent corporation, at a separate meeting thereof, called for the purpose of taking the same into consideration; of the time, place and object of which meeting due notice shall be given by publication once a week for two consecutive weeks in some newspaper published in Raleigh, North Carolina, and in the counties in which the principal offices of the constituent corporations are located, and if no such paper is published in the county of the principal office of such constituent corporations, then said notice shall be posted at the courthouse door of said county or counties for a period of two weeks.

Said printed or posted notices shall be in such form and of such size as the Commissioner of Insurance may approve. A true copy of said notices shall be filed with the Commissioner of Insurance.

Such publication and filing of notices shall be completed at least fifteen (15) days prior to the date set therein for the meeting, and due proof thereof shall be filed with the Commissioner of Insurance at least ten days prior to the date of such meeting.

At this meeting those present in person or represented by proxy shall constitute a quorum and said agreement shall be considered and voted upon by ballot in person or by proxy or both taken for the adoption or rejection of the same; and if the votes of two thirds of those at said meeting voting in person or by proxy shall be for the adoption of the said agreement, then that fact shall be certified on said agreement by the president and secretary of each such corporation, under the seal thereof.

The agreement so adopted and certified shall be signed by the president or vice-president and secretary or assistant secretary of each of such corporations under the corporate seals thereof and acknowledged by the president or vice-president of each such corporation before any officer authorized by the laws of this State to take acknowledgment of deeds to be the respective act, deed, and agreement of each of said corporations.

The said agreement shall be submitted to and approved by the Commissioner of Insurance, in advance of the merger or consolidation and his approval thereof shall be indicated by his signature being affixed thereto under the seal of his office.

The Commissioner shall not approve any such plans, unless, after a hearing, he finds that it is fair, equitable to certificate holders and members, consistent with law, and will not conflict with the public interest.

The agreement so certified and acknowledged with the approval of the Commissioner of Insurance noted thereon, shall be filed in the office of the Secretary of State, and shall thenceforth be taken and deemed to be the agreement and act of consolidation or merger of said corporations; and a copy of said agreement and act of consolidation or merger duly certified by the Secretary of State under the seal of his office shall also be recorded, in the office of the clerk of the superior court of the county of this State in which the principal office of the surviving or consolidated corporation is, or is to be established, and in the office of the clerks of the superior courts of the counties of this State in which the respective corporations so merging or consolidating shall have their original certificates of incorporation recorded, and also in the office of the register of deeds in each county in which either or any of the corporations entering into merger or consolidation owns any real estate; and such record, or a certified copy thereof, shall be evidence of the agreement and act of consolidation or merger of said corporations, and of the observance and performance of all acts and conditions necessary to have been observed and performed precedent to such consolidation or merger. When an agreement shall have been signed, authorized, adopted, acknowledged, approved, and filed and recorded as hereinabove set forth in this section, for all purposes of the laws of this State, the separate existence of all constituent corporations, parties to said agreement, or of all such constituent corporations, except the one into which the other or others of such constituent corporations have been merged, as the case may be, shall cease and the constituent corporation shall become a new corporation, or be merged into one of such corporations, as the case may be, in accordance with the provisions of said agreement, possessing all the rights, privileges, powers and franchises as well of a public as of a private nature, of each of said constituent corporations, and all and singular, the rights, privileges, powers and franchises of each of said corporations, and all property, real, personal and mixed, and all debts due to any of said constituent corporations on whatever account, shall be vested in the corporation resulting from or surviving such consolidation or merger, and all property, rights, priv-

ileges, powers, and franchises and all and every other interest shall be thereafter as effectually the property of the resulting or surviving corporation as they were of the several and respective constituent corporations, and the title to any real estate, whether vested by deed or otherwise, under the laws of this State, vested in any such constituent corporations shall not revert or be in any way impaired by reason of such consolidation or merger; provided, however, that all rights of creditors and all liens upon the property of either of or any of said constituent corporations shall be preserved, unimpaired, limited in lien to the property affected by such lien at the time of the merger or consolidation, and all debts, liabilities, and duties of the respective constituent corporations shall thenceforth attach to said resulting or surviving corporation, and may be enforced against it to the same extent as if said debts, liabilities, and duties had been incurred or contracted by it; and further provided that notice of any said liens, debts, liabilities, and duties is given in writing to the resulting or surviving corporation within six months after the date of the filing of the agreement of merger in the office of the Secretary of State. All such liens, debts, liabilities, and duties of which notice is not given as provided herein are forever barred. The certificate of incorporation of the surviving corporation shall be deemed to be amended to the extent, if any, that the changes in its certificates of incorporation are stated in the agreement of merger. All certificates theretofore issued and outstanding by each constituent corporation and in good standing upon the date of the filing of such agreement with the Secretary of State without reissuance thereof by the resulting or surviving corporation shall be the contract and agreement of the resulting or surviving corporation with each of the certificate holders thereof and subject to all terms and conditions thereof and of the agreement of merger filed in the office of the Secretary of State.

Any action or proceeding pending by or against any of the corporations consolidated or merged may be prosecuted to judgment as if such consolidation or merger had not taken place, or the corporations resulting from or surviving such consolidation or merger may be substituted in its place.

The liability of such constituent corporations to the certificate holders thereof, and the rights or remedies of the creditors thereof, or persons doing or transacting business with such corporations, shall not, in any way, be lessened or impaired by the consolidation or merger of two or more of such corporations under the provisions of this section, except as provided in this section.

When two or more corporations are consolidated or merged, the corporation resulting from or surviving such consolidation or merger shall have the power and authority to continue any contracts which any of the constituent corporations might have elected to continue. All contracts entered into between any constituent corporations and any other persons shall be and become the contract of the resulting corporations according to the terms and conditions of said contract and the agreement of consolidation or merger.

For the filing of the agreement as hereinabove provided, the Secretary of State is entitled to receive such fees only as he would have received had a new corporation been formed.

Any agreement for merger and/or consolidation as shall conform to the provisions of this section, shall be binding and valid upon all the subscribers, certificate holders and/or members of such constituent corporations, provided only that any subscriber, certificate holder and/or member who shall so indicate his disapproval thereof to the resulting, consolidated or surviving corporation within ninety days after the filing of said agreement with the Secretary of State shall be entitled to receive all unearned portions of premiums paid on his certificate from and after the date of the receipt of the application therefor by the resulting, surviving, or consolidated corporation; each subscriber, certificate holder and/or member who shall not so indicate his or her disapproval of said agreement and said merger within said period of ninety days is deemed and presumed

to have approved said agreement and said merger and/or consolidation and shall have waived his or her right to question the legality of said merger and/or consolidation.

No director, officer, subscriber, certificate holder and/or member as such of any such corporation, except as is expressly provided by the plan of merger or consolidation, shall receive any fee, commission, other compensation or valuable consideration whatever, for in any manner aiding, promoting or assisting in the merger or consolidation. (1947, c. 820, s. 8; 1961, c. 1149.)

**Editor's Note.**—The 1961 amendment extended the application of this section to dental service corporations.

**§ 57-20. Commissioner of Insurance determines corporations exempt from this chapter.**—The Commissioner of Insurance may require from any corporation writing any hospital service contracts and any corporation writing medical and/or dental service contracts or any or all of them, such information as will enable him to determine whether such corporation is subject to the provisions of this chapter. (1947, c. 820, s. 9; 1961, c. 1149.)

*Commissioner of Insurance.*

§ 58-6. **Salary of Commissioner.**—The salary of the Commissioner of Insurance shall be eighteen thousand dollars (\$18,000.00) a year, payable in equal monthly installments. 1963, increased the salary from \$12,000.00 to \$18,000.00.

ARTICLE 3.

*General Regulations for Insurance.*

§ 58-28. **State law governs insurance contracts.**

**North Carolina Choice-of-Law Rules Control.**—The provision of this section that all contracts of insurance on lives in North Carolina shall be subject to the law of

North Carolina seems to mean the whole law of North Carolina, including choice-of-law rules. *Lowe's North Wilkesboro*

**§ 58-30. Statements in application not warranties.**

**§ 58-39. Revocation, suspension and refusal to renew license.**—The license of any insurer, including fraternal orders and societies, may in the discretion of the Commissioner be suspended or revoked or its renewal refused,

- (1) Whenever it fails or refuses to comply with any law, order or regulation applicable to it;
- (2) Whenever its condition is unsound, or its assets above its liabilities, exclusive of capital, are less than the amount of its capital or required minimum surplus;
- (3) Whenever it has published or made to the Department or to the public any false statement or report;
- (4) Whenever it refuses to submit to any examination authorized by law;
- (5) Whenever it is found to make a practice of unduly engaging in litigation, or delaying the investigation of claims or the adjustment or payment of valid claims or whenever it fails to acknowledge a claim within sixty (60) days after receiving written notice thereof, provided, such notice contains sufficient information for the insurance company to identify the specific insurance coverage involved. Acknowledgment of the claim shall be made to the claimant or his legal representative advising that the claim is being investigated; or shall be a payment of the claim; or shall be a bona fide written offer of settlement; or shall be a written denial of the claim.

Any such suspension, revocation or refusal to renew a license may also be made applicable to the license of an agent who is a party to such default or improper practice. (1899, c. 54, ss. 66, 75, 112; 1901, c. 391, s. 5; Rev., ss. 4703, 4705; C. S., s. 6297; 1947, c. 721; 1963, c. 1234.)

**Editor's Note.**—

The 1963 amendment added "or whenever it fails to acknowledge a claim within sixty (60) days after receiving written notice thereof, provided, such notice contains sufficient information for the insur-

ance company to identify the specific insurance coverage involved" at the end of the first sentence of subdivision (5). It also added the second sentence to that subdivision.

**§ 58-41. Agent's and adjuster's qualifications.** — Before a license is issued to an insurance agent, general agent, or insurance adjuster in this State, the agent, general agent, or adjuster shall apply for license on forms to be prescribed by the Commissioner. In all cases where application is made for the license mentioned herein by an insurance agent or general agent, the company for which the agent or general agent desires to act shall also apply for the license on forms to be prescribed by the Commissioner. Upon the filing of an application of an insurance adjuster there shall also be an application, as above prescribed, by the insurance company for which that adjuster proposes to adjust in the event that the adjuster is to be an employee of that company. Upon the filing of an application of an adjuster who is to work as an employee of any person, firm, or corporation other than an insurance company, then the employer shall make an application on form prescribed by the Commissioner. Before he issues a license to such agent, general agent, or insurance adjuster, the Commissioner shall satisfy himself that such license, if issued, shall serve the public interest and that the person applying for the license as an agent, general agent, or insurance adjuster:

- (1) Be twenty-one years of age or over;

- (2) Meet residence requirements as follows:
- a. For insurance adjusters: Be a bona fide resident of and actually reside in this State except as provided in § 58-51.2.

For agents and general agents: Be a bona fide resident of and actually reside in this State for a period of twelve (12) months next preceding the date when he applies for license, except as provided in § 58-43; Provided, however, that the said twelve-month waiting period shall not apply if the applicant for license files a good and sufficient bond of one thousand dollars (\$1,000.00) with the Commissioner of Insurance, which bond shall be subject to forfeiture upon a finding by the Commissioner of Insurance that the licensed person or agent has moved his domicile or residence from this State within the period of the year for which license was issued; provided, however, that no such agent shall be required to file more than one bond under this section, irrespective of the number of licenses issued to him or the number of companies he may represent. Upon such forfeiture, the Commissioner of Insurance shall pay said penal amount of such bond to the board of education of the county where the agent resided. The provisions of this paragraph shall also be applicable to the agents of hospital and medical and/or dental service corporations operating under chapter 57 of the General Statutes, as amended. In lieu of the requirements of this paragraph that all agents shall file the bond herein prescribed, all insurance companies licensed to write accident, health or hospitalization insurance in this State may file a blanket bond covering such of their agents who are duly authorized to sell accident, health or hospitalization insurance.

No license may be issued to any agent whose premium writings represented by the premiums on contracts of insurance signed, countersigned, issued or sold by him or the agency employing him for the general public during the preceding year shall not exceed those on insurance signed, countersigned, issued or sold by the agency covering his own property or life and the property or lives of members of his immediate family, his employer, his employees, and stockholders or employees of his employer. This limitation shall not apply to agents originally licensed and duly qualified prior to April 1, 1945.

In addition to the bond requirements of paragraph b of subdivision (2) of this section, all agents licensed to sell accident, health or hospitalization insurance in

this State or certificates or service plans of a medical and/or dental service corporation shall be required to file with the Commissioner of Insurance a bond in the amount of five hundred dollars (\$500.00), which shall be subject to forfeiture in whole or in part upon a finding made by the Commissioner of Insurance that such agent has wilfully misrepresented the terms of an accident, health or hospitalization insurance policy, or service plan or certificate of a medical and/or dental service corporation, offered for sale; provided, however, that no such agent shall be required to file more than one bond under this section, irrespective of the number of licenses issued to him or the number of companies he may represent. **§ 58-42.1. "Twisting" with respect to insurance policies defined; penalties.**—Any insurer, or any agent of any insurer, who shall engage in twisting, as defined in this section, shall be subject to the provisions of §§ 58-37 and 58-38 or §§ 58-44.4 and 58-44.6. As used in this section "twisting" shall mean the willful, material misrepresentation of an insurance contract, whereby an insured is deceived and induced to cancel or terminate insurance in force to such insured's detriment. (1961, c. 823.)

**§ 58-53.1. Citizens authorized to procure policies in unlicensed foreign companies.**—(a) What Applicant Must Show.—The Commissioner, upon the annual payment of a fee of twenty dollars, may issue licenses to citizens of this State, subject to revocation at any time, permitting the person named therein to procure policies of insurance on risks in this State in foreign or alien insurance companies not authorized to transact business in the State. Before the person named in such a license may procure any insurance in such companies or on any risks in this State, he must execute and file with the Commissioner an affidavit that he is unable to procure in companies admitted to do business in the State the amount of insurance necessary to protect such risk, and may only procure insurance under such license after he has procured insurance in companies admitted to do business in this State to the full amount which those companies are willing to write on the risk. If the person licensed under the provisions of this section procures insurance on risks of others in such non-admitted companies he shall stamp or print in not less than ten point regular type and in contrasting color upon the filing face and the first page of each policy so issued the words "This company is not licensed to do business in North Carolina." (1961, c. 1150, s. 1.)

**Editor's Note.—**

The 1961 amendment inserted the words "risk" or "risks" for the word "property" in subsection (a). It also struck out the words "or write" and inserted in lieu

thereof the words "or print in not less than ten point regular type and in contrasting color." As only subsection (a) was affected by the amendment the rest of the section is not set out.

**§ 58-53.3. Tax deducted from premium; reports filed.** — When any person procures insurance on any risk located in this State with an insurance company not licensed to do business in this State, it shall be the duty of such person to deduct from the premium charged on the policy or policies issued for such insurance five per centum of the premium and remit the same to the Commissioner of Insurance of the State, at the same time reporting to the Commissioner of Insurance the name of the company or companies issuing the policy or policies, the location of the risks insured, and the premium charged. The Commissioner

of Insurance shall pay the said amounts to the Treasurer of the State. If such report is not made on or before the thirtieth days of July and January of each year for the business done prior to July first and January first preceding, there shall be added to the amount of taxes thereon the sum of one per centum on the first day of each month thereafter. (1915, c. 109, s. 8; C. S., s. 6427; 1945, c. 378; 1961, c. 1150, s. 2.)

**Editor's Note.**—

The 1961 amendment inserted the words "risk" or "risks" in place of the word "property."

**§ 58-59.1. Prohibited provisions in insurance premium finance agreements.**—No insurance premium finance agreement shall contain any provisions by which:

**Editor's Note.—**

The 1963 amendment, effective July 1, 1963, increased the amounts of capital and surplus throughout this section. It also

substituted "July 1, 1963" for "January 1, 1945" in subdivision (9), inserted the provision in subdivision (9) and added subdivision (10).

**Editor's Note.—**

The first 1961 amendment inserted present subdivision (12) of subsection (a) and renumbered former subdivisions (12) and (13) as (13) and (14). The second 1961 amendment changed subsection (a) by

renumbering the former subparagraph (11) e 3 as subparagraph (11) e 4 and by inserting a new subparagraph (11) e 3. As only subsection (a) was changed the rest of the section is not set out.

### *Casualty Insurance Rating Regulations.*

#### § 58-131.18. Restriction on use of rates.

This section is intended to prevent rebating and an unlawful discrimination and favoritism by insurance companies. Where there is nothing in the record suggestive of an intent by either party to violate this section, an otherwise valid compromise will not be avoided solely on the ground that it is contrary to public policy. There

must be some fact on which the asserted invalidity can rest. *Fidelity & Casualty Co. of New York v. Nello L. Teer Co.*, 179 F. Supp. 538 (1960), quoting *Fidelity & Casualty Co. of New York v. Nello L. Teer Co.*, 250 N. C. 547, 109 S. E. (2d) 171 (1959).

**Compromise Settlement as to Credits for**

**Unearned Premiums.**—Where dispute between insurer and insured as to the amount of premiums due is not based upon controversy as to the rates but solely as to credits for unearned premiums and overpayment of premiums, a compromise settlement cannot be avoided on the

ground that it was contrary to this section, since such compromise does not rest upon a charge of premiums at rates less than those prescribed by statute. *Fidelity & Casualty Co. of New York v. Nello L. Teer Co.*, 250 N. C. 547, 109 S. E. (2d) 171 (1959).

Section 58-164 (e) (1) is no longer in effect and has been superseded by this section. *Safeway Trails, Inc. v. Stuyvesant Ins. Co.*, 211 F. Supp. 227 (1962).

The purpose of this section is to protect residents of this State who are insureds or beneficiaries of insurance contracts. *Safeway Trails, Inc. v. Stuyvesant Ins. Co.*, 211 F. Supp. 227 (1962).

The plain language of this section manifests that the primary purpose of the statute is to protect residents of this State, and to prevent the necessity of North Carolina residents from resorting to distant forums to assert rights under insurance policies. *Safeway Trails, Inc. v. Stuyvesant Ins. Co.*, 211 F. Supp. 227 (1962).

**Nonresident Plaintiffs.** — A substitute service statute would be inequitable where a nonresident seeks to take advantage of it to sue on a foreign cause of action unrelated to the State. Under such circumstances, a showing of substantial business activity in the State by the defendants would be required. In fact, unless such statutes are construed to make these requirements there is considerable doubt of

their constitutionality. *Safeway Trails, Inc. v. Stuyvesant Ins. Co.*, 211 F. Supp. 227 (1962).

Where none of the plaintiffs are residents of North Carolina they are not entitled to take advantage of this section. *Safeway Trails, Inc. v. Stuyvesant Ins. Co.*, 211 F. Supp. 227 (1962).

**Holders of public liability policies, were neither "residents" nor "insureds or beneficiaries" within the meaning of this section, and therefore the section was inapplicable in their declaratory judgment action against nonresident reinsurers who did not transact business in North Carolina, and service of process attempted under this section on such defendants was ineffectual and invalid.** *Safeway Trails, Inc. v. Stuyvesant Ins. Co.*, 211 F. Supp. 227 (1962).

**Nonresident Reinsurers Licensed to Do Business in State.**—Nonresident reinsurers were subject to the jurisdiction of the United States district court in North Carolina by reason of the fact that they were licensed to do business in North Carolina. *Safeway Trails, Inc. v. ## SUBCHAPTER III. FIRE INSURANCE.

## ARTICLE 18.

*General Regulations of Business.*

## § 58-164. Uniform Unauthorized Insurers Act.

This section applies only to fire insurance. *Safeway Trails, Inc. v. Stuyvesant Ins. Co.*, 211 F. Supp. 227 (1962).

Subsection (e) (1) of this section is no

longer in effect and has been superseded by § 58-153.1. *Safeway Trails, Inc. v. Stuyvesant Ins. Co.*, 211 F. Supp. 227 (1962).

## ARTICLE 19.

*Fire Insurance Policies.*

## § 58-176. Fire insurance contract; standard policy provisions.

## I. GENERAL CONSIDERATION.

When a loss occurs the rights of the parties to a fire insurance policy become fixed. *Baysdon v. Nationwide Mut. Fire Ins. Co.*, 259 N. C. 181, 130 S. E. (2d) 311 (1963).

The standard fire policy does not provide for automatic termination of the insurance upon default in the payment of premium installments. *Baysdon v. Nationwide Mut. Fire Ins. Co.*, 259 N. C. 181, 130 S. E. (2d) 311 (1963).

**Right to Cancel Policy.—**

An insurance policy is a contract; a contract may be rescinded for fraud or mutual mistake, it may be terminated in accordance with the provisions thereof or by mutual consent, a meeting of the minds, but one of the parties may not terminate it without the assent of the other unless the contract so provides. *Baysdon v. Nationwide Mut. Fire Ins. Co.*, 259 N. C. 181, 130 S. E. (2d) 311 (1963).

**Same—Provision for Notice.—**

To effect a cancellation by insurer, the five days' notice provision must be strictly complied with. *Baysdon v. Nationwide Mut. Fire Ins. Co.*, 259 N. C. 181, 130 S. E. (2d) 311 (1963).

Unless the requirement is waived by insured, an insurer must comply with the terms of the policy or statute that it give notice of its intention to cancel. *Baysdon v. Nationwide Mut. Fire Ins. Co.*, 259 N. C. 181, 130 S. E. (2d) 311 (1963).

A provision in a policy that insurer must give notice to insured as a condition precedent to cancellation is for insured's benefit and may be waived by him. *Baysdon v. Nationwide Mut. Fire Ins. Co.*, 259 N. C. 181, 130 S. E. (2d) 311 (1963).

The burden is on insurer to show a waiver by the insured, and it must appear clearly that the insured expressly or im-

pliedly waived notice of cancellation if he is to be held bound by such waiver. *Baysdon v. Nationwide Mut. Fire Ins. Co.*, 259 N. C. 181, 130 S. E. (2d) 311 (1963).

**Same—Communication of Insured's Intent.—**To effect a cancellation by insured there must be communicated to the insurer a definite and unconditional request therefor by insured or his authorized agent. *Baysdon v. Nationwide Mut. Fire Ins. Co.*, 259 N. C. 181, 130 S. E. (2d) 311 (1963).

A mere intention to cancel, not communicated to insurer, is not sufficient to effect a cancellation by the insured. *Baysdon v. Nationwide Mut. Fire Ins. Co.*, 259 N. C. 181, 130 S. E. (2d) 311 (1963).

**Same—Procuring Additional Insurance.—**Procuring additional insurance without requesting the original insurer to cancel its policy does not terminate the policy. *Baysdon v. Nationwide Mut. Fire Ins. Co.*, 259 N. C. 181, 130 S. E. (2d) 311 (1963).

**Same—Substitution of One Policy for Another.—**In order for cancellation to take place by the substitution of one policy for another it must be done by mutual consent or agreement. *Baysdon v. Nationwide Mut. Fire Ins. Co.*, 259 N. C. 181, 130 S. E. (2d) 311 (1963).

Mere procuring of substituted insurance with the intent to replace existing insurance and without the intent to thereby acquire additional insurance does not per se work a cancelling of the existing insurance. *Baysdon v. Nationwide Mut. Fire Ins. Co.*, 259 N. C. 181, 130 S. E. (2d) 311 (1963).

**Knowledge of Agent Imputed to Company.—**In the absence of fraud or collusion between the insured and the agent, the knowledge of the agent when acting within the scope of the powers entrusted to him will be imputed to the company, though a direct stipulation to the contrary appears in the policy or the application for

same. *Faircloth v. Ohio Farmers Ins. Co.*, 253 N. C. 522, 117 S. E. (2d) 404 (1960).

**Standard or Union Mortgage Clause.**—When the standard or union mortgage clause is attached to or inserted in a policy insuring property against loss, it operates as a distinct and independent contract between the insurance company and the mortgagee, effecting a separate insurance of the mortgage interest. *Shores v. Rabon*, 251 N. C. 790, 112 S. E. (2d) 556 (1960).

**Same—Effect of Foreclosure Deed to Mortgagee.**—A deed to the mortgagee upon foreclosure of the mortgage does not defeat the right of the mortgagee under a standard or union mortgage clause, despite the argument that the word “mortgagee” in that clause discloses an intention to benefit one in that capacity only, and the contention based on the provisions of that clause requiring the mortgagee to notify the insurer of any change of ownership which shall come to his knowledge. *Shores v. Rabon*, 251 N. C. 790, 112 S. E. (2d) 556 (1960).

## II. TITLE OR INTEREST OF INSURED.

**Evidence Sufficient to Support Finding of Insurable Interest.**—Evidence that the owner of property advised insurer’s agent that he was giving the property in question to his son and to change the insurance so as to name his son the insured, that the owner thereafter died and the son remained in exclusive possession of the property and continued the insurance in force, was sufficient to support the conclusion that the son had an insurable interest in the property so as to be entitled to recover on the policy. *King v. National Union Fire Ins. Co.*, 258 N. C. 432, 128 S. E. (2d) 849 (1963).

## III. CERTAIN OTHER CONDITIONS.

### Additional Insurance.—

Where insured obtains other insurance, contrary to the provisions of his policy, the insurer may avoid liability for breach of the provision prohibiting other insurance, since breach of the provision against additional insurance, both before and after the 1945 amendment to this section, does not merely limit the amount of insurer’s liability, but is a breach of condition defeating recovery. *Hiatt v. American Ins. Co.*, 250 N. C. 553, 109 S. E. (2d) 185 (1959).

**Same—Right to Have Other Coverage Determined and Maintained.**—Provision of an insurance contract providing that the insurer “shall not be liable for a greater por-

tion of any loss than the amount hereby insured shall bear to the whole insurance covering the property against the peril involved,” gives it the right to have determined whether there was at the time of the loss other coverage, what its liability is, and to insist that other coverage be not extinguished after the loss by acts of the insured which will cast the entire loss on it. *Baysdon v. Nationwide Mut. Fire Ins. Co.*, 259 N. C. 181, 130 S. E. (2d) 311 (1963).

**Limitation of Suit—Noncompliance Bars Action.**—If, in an action upon a fire insurance policy, the judge sustained a demurrer to the complaint and a new complaint was filed more than twelve months “after the inception of the loss,” nothing else appearing, the action would be barred for failure to comply with this section. *Gaskins v. Hartford Fire Ins. Co.*, 260 N. C. 122, 131 S. E. (2d) 872 (1963).

### Same—Waiver of Policy Provision.—

Where plaintiff insured filed a complaint stating an enforceable cause of action within twelve months of the loss by fire, and after the expiration of the twelve-month period the parties consented that defendant’s demurrer should be sustained, and thereafter an amended complaint was filed in accordance with the consent order, defendant insurer was not permitted to assert the provision of the policy that action be instituted within twelve months after loss, since the provision was contractual and subject to waiver or estoppel. *Gaskins v. Hartford Fire Ins. Co.*, 260 N. C. 122, 131 S. E. (2d) 872 (1963).

### Same—Not Construed, etc.—

A provision in a standard fire insurance policy that action on it must be commenced within twelve months after inception of the loss is contractual. It is, therefore, subject to waiver or estoppel. *Gaskins v. Hartford Fire Ins. Co.*, 260 N. C. 122, 131 S. E. (2d) 872 (1963).

**Standard Loss-Payable Clause—Effect of Issuance to Mortgagor.**—A standard loss-payable clause in a policy of fire insurance issued to the mortgagor constitutes a separate contract insuring the mortgagee interest, and loss paid by insurer thereunder must be applied to the reduction of the mortgage debt. *Employers’ Fire Ins. Co v. British America Assurance Co.*, 259 N. C. 485, 131 S. E. (2d) 36 (1963).

**Same—Limitation on Mortgagee’s Interest.**—The clause in the standard policy that provides the insured shall not collect “in any event for more than the interest of the insured,” limits a mortgagee’s interest to the debt due him. *Employers’ Fire Ins.*

Co. v. British America Assurance Co., 259 N. C. 485, 131 S. E. (2d) 36 (1963).

**Same—Proration of Loss between Insurers.**—Where property, destroyed by fire, was insured by two policies, one issued to the mortgagee under authority of the mortgagor, the mortgagor being liable for the premiums thereon; one issued to the mortgagor; and both containing a standard loss-payable clause, it was proper to prorate the loss between the insurers. *Employers' Fire Ins. Co. v. British America Assurance Co.*, 259 N. C. 485, 131 S. E. (2d) 36 (1963).

#### IV. LIABILITY OF INSURER IN CASE OF LOSS; SUBROGATION.

The appointment of an umpire is made at the request of either the insurer or insured and no notice to the other is required, no hearing is contemplated. In *re Roberts Co.*, 258 N. C. 184, 128 S. E. (2d) 137 (1962).

**It Is Not Judgment of Court.**—The appointment of an umpire pursuant to the "appraisal" clause is not the judgment of a court, it is a mere ministerial act pursuant to contract, albeit authorized by statute. In *re Roberts Co.*, 258 N. C. 184, 128 S. E. (2d) 137 (1962).

**It Need Not Be Made at Any Particular Time or Place.**—There is no requirement that the appointment of an umpire be made

in term or at any particular time or place. In *re Roberts Co.*, 258 N. C. 184, 128 S. E. (2d) 137 (1962).

The appointment of an umpire may be challenged only by an action instituted for that purpose. In *re Roberts Co.*, 258 N. C. 184, 128 S. E. (2d) 137 (1962).

The legal effect of the appointment of an umpire and any acts done pursuant thereto may be challenged in any action in which they arise. In *re Roberts Co.*, 258 N. C. 184, 128 S. E. (2d) 137 (1962).

**Insurers Subrogated to Rights of Insured.**—

In accord with original. See *General Ins. Co. of America v. Faulkner*, 259 N. C. 317, 130 S. E. (2d) 645 (1963).

**Subrogation to Rights of Mortgagee.**—

When a mortgagee purchases with his funds insurance solely for his protection, the insurer, upon payment of the mortgagee's loss as provided in the policy, is subrogated to the rights of the mortgagee against the mortgagor; but where, the insurance is procured by the mortgagee pursuant to the authorization and at the expense of the mortgagor, no right of subrogation exists and the amount paid by the insurer must be applied to discharge or reduce mortgagor's obligation to mortgagee. *Employers' Fire Ins. Co. v. British America Assurance Co.*, 259 N. C. 485, 131 S. E. (2d) 36 (1963).

### § 58-177. Standard policy; permissible variations.

Applied in *Faircloth v. Ohio Farmers Ins. Co.*, 253 N. C. 522, 117 S. E. (2d) 404 (1960).

**§ 58-177.1. Optional provisions as to loss or damage from nuclear reaction, nuclear radiation or radioactive contamination.**—Insurers issuing the standard fire insurance policy pursuant to G. S. 58-176, or any permissible variation thereof, and policies issued pursuant to G. S. 58-177 and 58-126.1, are hereby authorized to affix thereto or include therein a written statement that the policy does not cover loss or damage caused by nuclear reaction or nuclear radiation or radioactive contamination, all whether directly or indirectly resulting from an insured peril under said policy; provided, however, that nothing herein contained shall be construed to prohibit the attachment to any such policy of an endorsement or endorsements specifically assuming coverage for loss or damage caused by nuclear reaction or nuclear radiation or radioactive contamination. (1963, c. 1148.)

### § 58-180.1. Policy issued to husband or wife on joint property.

**Editor's Note.**—For article on tenancy by the entirety in North Carolina, see 41 N. C. Law Rev. 67.

Where husband and wife sell lands held by entirety and take a note secured by a deed of trust in part payment of the purchase price, the wife's interest in the note is personalty and she owns no interest in

the dwelling on the land so as to bring her within the purview of this section and, therefore, she is not covered by the mortgage clause in a policy of fire insurance on the premises in which she is not named. *Shores v. Rabon*, 251 N. C. 790, 112 S. E. (2d) 556 (1960).

## ARTICLE 21.

*Insuring State Property.*

§ 58-189. **State property fire insurance fund created.**—Upon the expiration of all existing policies of fire insurance upon State owned buildings, fixtures, furniture, and equipment, including all such property the title to which may be in any State department, institution, or agency, the State of North Carolina shall not reinsure any of such properties.

There is hereby created a "State property fire insurance fund," which shall be as a special fund in the State treasury, for the purpose of providing a reserve against loss from fire at State departments and institutions. The sinking fund commission shall invest all funds deposited in the "State property fire insurance fund" in the same type of securities in which State sinking funds may be invested and all earnings of the fund shall become a part of the fund and be held and invested as contributions are invested. The unexpended appropriations of State departments and institutions for fire insurance premiums for the fiscal year 1944-45 and the appropriations for fire insurance premiums made for the biennium 1945-47 or that may thereafter be made for this purpose shall be transferred to the "State property fire insurance fund." (1945, c. 1027, s. 1; 1963, c. 462.)

**Editor's Note.**—

The 1963 amendment deleted the word "therein" formerly appearing after "equip-

ment" near the middle of the first paragraph.

## SUBCHAPTER IV. LIFE INSURANCE.

## ARTICLE 22.

*General Regulations of Business.*§ 58-197. **Soliciting agent represents the company.****When Knowledge of Agent Imputed to Company.**—

In accord with original. See *Faircloth v. Ohio Farmers Ins. Co.*, 253 N. C. 522, 117 S. E. (2d) 404 (1960).

**Responsibility of Insured for False Answers Inserted by Agent in Application.**—The rule that the insured is not responsible for false answers in the application

where they have been inserted by the agent through mistake, negligence, or fraud is not absolute, and applies only if the insured is justifiably ignorant of the untrue answers, has no actual or implied knowledge thereof, and has been guilty of no bad faith or fraud. *Jones v. Home Security Life Ins. Co.*, 254 N. C. 407, 119 S. E. (2d) 215 (1961).

§ 58-201.1. **Standard Valuation Law.**

(b) The Commissioner shall annually value, or cause to be valued, the reserve liabilities (hereinafter called reserves) for all outstanding life insurance policies and annuity and pure endowment contracts of every life insurance company doing business in this State, except that in the case of an alien company, such valuation shall be limited to its United States business, and may certify the amount of such reserves, specifying the mortality table or tables, rate or rates of interest and methods (net level premium method or other) used in the calculation of such reserves. Group methods and approximate averages for fractions of a year or otherwise may be used in calculating such reserves and the valuation made by the company may be accepted by the Commissioner upon such evidence of its correctness as the Commissioner may require. In lieu of the valuation of the reserves herein required of any foreign or alien company, he may accept any valuation made, or caused to be made, by the insurance supervisory official of any state or other jurisdiction when such valuation complies with the minimum standard herein provided and if the official of such state or jurisdiction accepts as sufficient and valid for all legal purposes the certificate of valuation of the Commissioner when such certificate states the valuation to have been made in a specified

manner according to which the aggregate reserves would be at least as large as if they had been computed in the manner prescribed by the law of that state or jurisdiction.

(c) The minimum standard for the valuation of all such policies and contracts issued prior to the operative date of § 58-201.2 shall be that provided by the laws in effect immediately prior to such date. The minimum standards for the valuation of all such policies and contracts issued on or after the operative date of § 58-201.2 shall be the Commissioner's reserve valuation method defined in subsection (d), three and one-half per cent ( $3\frac{1}{2}\%$ ) interest, and the following tables:

- (1) For all ordinary policies of life insurance issued on the standard basis, excluding any disability and accidental death benefits in such policies, the Commissioner's 1941 Standard Ordinary Mortality Table for such policies issued prior to the operative date of subdivision (e) (2) of § 58-201.2, and the Commissioner's 1958 Standard Ordinary Mortality Table for such policies issued on or after such operative date; provided that for any category of such policies issued on female risks all modified net premiums and present values referred to in this section may be calculated according to an age not more than three years younger than the actual age of the insured.
- (2) For all industrial life insurance policies issued on the standard basis, excluding any disability and accidental death benefits in such policies the 1941 Standard Industrial Mortality Table for such policies issued prior to the operative date of subdivision (e) (3) of § 58-201.2, and the Commissioner's 1961 Standard Industrial Mortality Table for such policies issued on or after such operative date.
- (3) For individual annuity and pure endowment contracts, excluding any disability and accidental death benefits in such policies — the 1937 Standard Annuity Mortality Table or, at the option of the company, the Annuity Mortality Table for 1949, Ultimate, or any modification of either of these tables approved by the Commissioner.
- (4) For group annuity and pure endowment contracts, excluding any disability and accidental death benefits in such policies—the Group Annuity Mortality Table for 1951, any modification of such table approved by the Commissioner, or, at the option of the company, any of the tables or modifications of tables specified for individual annuity and pure endowment contracts.
- (5) For total and permanent disability benefits in or supplementary to ordinary policies or contracts—for policies or contracts issued on or after January 1, 1966, the tables of Period 2 disablement rates and the 1930 to 1950 termination rates of the 1952 Disability Study of the Society of Actuaries, with due regard to the type of benefit; for policies or contracts issued on or after January 1, 1961 and prior to January 1, 1966, either such tables or, at the option of the company, the Class (3) Disability Table (1926); and for policies issued prior to January 1, 1961, the Class (3) Disability Table (1926). Any such table shall, for active lives, be combined with a mortality table permitted for calculating the reserves for life insurance policies.
- (6) For accidental death benefits in or supplementary to policies—for policies issued on or after January 1, 1966, the 1959 Accidental Death Benefits Table; for policies issued on or after January 1, 1961 and prior to January 1, 1966, either such table or, at the option of the company, the Inter-Company Double Indemnity Mortality Table; and for policies issued prior to January 1, 1961, the Inter-Company Double Indemnity Mortality Table. Either table shall be combined

with a mortality table permitted for calculating the reserves for life insurance policies.

- (7) For group life insurance, life insurance issued on the substandard basis and other special benefits, such tables as may be approved by the Commissioner.

(d) Reserves according to the Commissioner's reserve valuation method, for the life insurance and endowment benefits of policies providing for a uniform amount of insurance and requiring the payment of uniform premiums shall be the excess, if any, of the present value, at the date of valuation, of such future guaranteed benefits provided for by such policies, over the then present value of any future modified net premiums therefor. The modified net premiums for any such policy shall be such uniform percentage of the respective contract premiums for such benefits that the present value, at the date of issue of the policy, of all such modified net premiums shall be equal to the sum of the then present value of such benefits provided for by the policy and the excess of (1) over (2), as follows:

- (1) A net level annual premium equal to the present value, at the date of issue, of such benefits provided for after the first policy year, divided by the present value, at the date of issue, of an annuity of one per annum payable on the first and each subsequent anniversary of such policy on which a premium falls due; provided, however, that such net level annual premium shall not exceed the net level annual premium on the nineteen year premium whole life plan for insurance of the same amount at an age one year higher than the age at issue of such policy.
- (2) A net one year term premium for such benefits provided for in the first policy year.

Reserves according to the Commissioner's reserve valuation method for

- (1) Life insurance policies providing for a varying amount of insurance or requiring the payment of varying premiums,
- (2) Annuity and pure endowment contracts,
- (3) Disability and accidental death benefits in all policies and contracts, and
- (4) All other benefits, except life insurance and endowment benefits in life insurance policies,

shall be calculated by a method consistent with the principles of this section, except that any extra premiums charged because of impairments or special hazards shall be disregarded in the determination of modified net premiums.

(1961, c. 255, ss. 1-3; 1963, c. 791, ss. 1, 2.)

**Editor's Note.—**

The 1961 amendment inserted in subsection (b) the exception clause following the words "business in this State" in line four. It also changed subsection (c) by renumbering former subdivision (6) as subdivision (7), striking out former subdivisions (3), (4) and (5) and inserting in lieu thereof present subdivisions (3) through (6). It further added the exception clause at the end of subsection

(d).

The 1963 amendment changed subsection (c) by adding that part of subdivision (2) beginning with the words "for such policies" and substituting "termination" for "determination" in the first sentence of subdivision (5).

As only subsections (b), (c) and (d) were affected by the amendments the rest of the section is not set out.

**§ 58-201.2. Standard nonforfeiture provisions.**

- (e) (1) Except as provided in the third paragraph of this subdivision, the adjusted premiums for any policy shall be calculated on an annual basis and shall be such uniform percentage of the respective premiums specified in the policy for each policy year, excluding any extra premiums charged because of impairments or special hazards, that the present value, at the date of issue of the policy, of all such adjusted

premiums shall be equal to the sum of (i) the then present value of the future guaranteed benefits provided for by the policy; (ii) two per cent (2%) of the amount of insurance, if the insurance be uniform in amount, or of the equivalent uniform amount, as hereinafter defined, if the amount of insurance varies with duration of the policy; (iii) forty per cent (40%) of the adjusted premium for the first policy year; (iv) twenty-five per cent (25%) of either the adjusted premium for the first policy year or the adjusted premium for a whole life policy of the same uniform or equivalent uniform amount with uniform premiums for the whole of life issued at the same age for the same amount of insurance, whichever is less. Provided, however, that in applying the percentages specified in (iii) and (iv) above, no adjusted premium shall be deemed to exceed four per cent (4%) of the amount of insurance or uniform amount equivalent thereto. The date of issue of a policy for the purpose of this subsection shall be the date as of which the rated age of the insured is determined.

In the case of a policy providing an amount of insurance varying with duration of the policy, the equivalent uniform amount thereof for the purpose of this section shall be deemed to be the uniform amount of insurance provided by an otherwise similar policy, containing the same endowment benefit or benefits, if any, issued at the same age and for the same term, the amount of which does not vary with duration and the benefits under which have the same present value at the date of issue as the benefits under the policy, provided, however, that in the case of a policy providing a varying amount of insurance issued on the life of a child under age ten, the equivalent uniform amount may be computed as though the amount of insurance provided by the policy prior to the attainment of age ten were the amount provided by such policy at age ten.

The adjusted premiums for any policy providing term insurance benefits by rider or supplemental policy provision shall be equal to (i) the adjusted premiums for an otherwise similar policy issued at the same age without such term insurance benefits, increased, during the period for which premiums for such term insurance benefits are payable, by (ii) the adjusted premiums for such term insurance, the foregoing items (i) and (ii) being calculated separately and as specified in the first two paragraphs of this section except that, for the purposes of (ii), (iii) and (iv) of the first such paragraph, the amount of insurance or equivalent uniform amount of insurance used in the calculation of the adjusted premiums referred to in (ii) of this paragraph shall be equal to the excess of the corresponding amount determined for the entire policy over the amount used in the calculation of the adjusted premiums in (i).

Except as otherwise provided in subdivisions (2) and (3) of this subsection, all adjusted premiums and present values referred to in this section shall for all policies of ordinary insurance be calculated on the basis of the Commissioner's 1941 Standard Ordinary Mortality Table, provided that for any category of ordinary insurance issued on female risks, adjusted premiums and present values may be calculated according to an age not more than three years younger than the actual age of the insured, and such calculations for all policies of industrial insurance shall be made on the basis of the 1941 Standard Industrial Mortality Table. All calculations shall be made on the basis of the rate of interest, not exceeding three and one-half per cent (3½%) per annum, specified in the policy for calculating cash surrender values and paid-up nonforfeiture benefits. Provided, however, that in calculating the present value of any paid-up term insurance with

accompanying pure endowment, if any, offered as a nonforfeiture benefit, the rates of mortality assumed may not be more than one hundred and thirty per cent (130%) of the rates of mortality according to such applicable table. Provided, further, that for insurance issued on a substandard basis, the calculation of any such adjusted premiums and present values may be based on such other table of mortality as may be specified by the company and approved by the Commissioner.

- (2) In the case of ordinary policies issued on or after the operative date of this subdivision (2) as defined herein, all adjusted premiums and present values referred to in this section shall be calculated on the basis of the Commissioner's 1958 Standard Ordinary Mortality Table and the rate of interest, not exceeding three and one-half per cent (3½%) per annum, specified in the policy for calculating cash surrender values and paid-up nonforfeiture benefits, provided that for any category of ordinary insurance issued on female risks, adjusted premiums and present values may be calculated according to an age not more than three years younger than the actual age of the insured; provided, however, that in calculating the present value of any paid-up term insurance with accompanying pure endowment, if any, offered as a nonforfeiture benefit, the rates of mortality assumed may be not more than those shown in the Commissioner's 1958 Extended Term Insurance Table. Provided, further, that for insurance issued on a substandard basis, the calculation of any such adjusted premiums and present values may be based on such other table of mortality as may be specified by the company and approved by the Commissioner.

After May 12, 1959, any company may file with the Commissioner a written notice of its election to comply with the provisions of this subdivision (2) after a specified date before January 1st, 1966. After the filing of such notice, then upon such specified date (which shall be the operative date of this subdivision (2) for such company), this subdivision (2) shall become operative with respect to the ordinary policies thereafter issued by such company. If a company makes no such election, the operative date of this subdivision (2) for such company shall be January 1, 1966.

- (3) In the case of industrial policies issued on or after the operative date of this subdivision (3) as defined herein, all adjusted premiums and present values referred to in this section shall be calculated on the basis of the Commissioner's 1961 Standard Industrial Mortality Table and the rate of interest, not exceeding three and one-half per cent (3½%) per annum, specified in the policy for calculating cash surrender values and paid-up nonforfeiture benefits; provided, however, that in calculating the present value of any paid-up term insurance with accompanying pure endowment, if any, offered as a nonforfeiture benefit, the rates of mortality assumed may be not more than those shown in the Commissioner's 1961 Industrial Extended Term Insurance Table. Provided, further, that for insurance issued on a substandard basis, the calculation of any such adjusted premiums and present values may be based on such other table of mortality as may be specified by the company and approved by the Commissioner.

After June 11, 1963, any company may file with the Commissioner a written notice of its election to comply with the provisions of this subdivision (3) after a specified date before January 1st, 1968. After the filing of such notice, then upon such specified date (which shall be the operative date of this subdivision (3) for such company), this subdivision (3) shall become operative with respect to the industrial policies thereafter issued by such company. If a company makes no

such election, the operative date of this subdivision (3) for such company shall be January 1, 1968.

(f) Any cash surrender value and any paid-up nonforfeiture benefit, available under the policy in the event of default in a premium payment due at any time other than on the policy anniversary, shall be calculated with allowance for the lapse of time and the payment of fractional premiums beyond the last preceding policy anniversary. All values referred to in subsections (c), (d) and (e) may be calculated upon the assumption that any death benefit is payable at the end of the policy year of death. The net value of any paid-up additions, other than paid-up term additions, shall be not less than the dividends used to provide such additions. Notwithstanding the provisions of subsection (c), additional benefits payable (i) in the event of death or dismemberment by accident or accidental means, (ii) in the event of total and permanent disability, (iii) as reversionary annuity or deferred reversionary annuity benefits, (iv) as term insurance benefits provided by a rider or supplemental policy provision to which, if issued as a separate policy, this section would not apply, (v) as term insurance on the life of a child or on the lives of children provided in a policy on the life of a parent of the child, if such term insurance expires before the child's age is twenty-six, is uniform in amount after the child's age is one, and has not become paid up by reason of the death of a parent of the child, and (vi) as other policy benefits additional to life insurance and endowment benefits, and premiums for all such additional benefits, shall be disregarded in ascertaining cash surrender values and nonforfeiture benefits required by this section, and no such additional benefits shall be required to be included in any paid-up nonforfeiture benefits.

(1961, c. 255, ss. 4-7; 1963, c. 791, ss. 3, 4.)

**Editor's Note.—**

The 1961 amendment changed subdivision (1) of subsection (e) by adding the exception clause at the beginning of the first paragraph and making other changes therein. It substituted "uniform amount" for "level amount" in lines two and three of the second paragraph, substituted "date of issue" for "inception of the insurance" in line eight and added the proviso thereto. It also inserted the third paragraph of subdivision (1). The amendment changed subsection (f) by deleting the word "decreasing" formerly appearing in item (iv)

immediately preceding the words "term insurance benefits." It also relettered former item (v) as item (vi) and inserted new item (v).

The 1963 amendment changed subsection (e) by inserting near the beginning of the last paragraph of subdivision (1) the reference to subdivision (3), joining the first and second sentences of the last paragraph of subdivision (1) and adding subdivision (3).

As only subsections (e) and (f) were changed by the amendments the rest of the section is not set out.

ARTICLE 26.

*Nature of Policies.*

**§ 58-250.1. Right to return policy and have premium refunded.**—Every individual or family hospitalization policy, certificate, contract or plan issued for delivery in the State of North Carolina on and after July 1, 1961, must have printed thereon or attached thereto a notice stating substantially: "YOUR POLICY MAY NOT BE IN FORCE WHEN YOU HAVE A CLAIM! PLEASE READ! Your policy was issued based on the information entered in your application, a copy of which is attached to the policy. If, to the best of your knowledge and belief, there is any misstatement in your application or if any information concerning the medical history of any insured person has

been omitted, you should advise the Company immediately regarding the incorrect or omitted information; otherwise, your policy may not be a valid contract. **RIGHT TO RETURN POLICY WITHIN 10 DAYS.** If for any reason you are not satisfied with your policy, you may return it to the Company within ten (10) days of the date you received it and the premium you paid will be promptly refunded." If a policyholder or certificate holder or purchaser of a contract or plan returns same pursuant to such notice, coverage under such policy, certificate, contract or plan shall become void immediately upon the mailing or delivery of the contract, certificate, policy or plan to the insurance company at its home or branch office or to the agent through whom it was purchased. Coverage shall exist under such policy, certificate, contract or plan within said ten-day period until said mailing or delivery of the contract. (1955, c. 850, s. 10; 1961, c. 962.)

**Editor's Note.—**

The 1961 amendment, effective July 1, 1961, rewrote all of this section except the last two sentences.

**§ 58-251.1. Accident and health policy provisions.**—(a) Required Provisions.—Except as provided in subsection (c) of this section each such policy delivered or issued for delivery to any person in this State shall contain the provisions specified in this subsection in the words in which the same appear in this section; provided, however, that the insurer may, at its option, substitute for one or more of such provisions corresponding provisions of different wording approved by the Commissioner which are in each instance not less favorable in any respect to the insured or the beneficiary. Such provisions shall be preceded individually by the caption appearing in this subsection or, at the option of the insurer, by such appropriate individual or group captions or subcaptions as the Commissioner may approve.

(1) A provision as follows:

**ENTIRE CONTRACT; CHANGES:** This policy, including the endorsements and the attached papers, if any, constitutes the entire contract of insurance. No change in this policy shall be valid until approved by an executive officer of the insurer and unless such approval be endorsed hereon or attached hereto. No agent has authority to change this policy or waive any of its provisions.

(2) A provision as follows:

**TIME LIMIT ON CERTAIN DEFENSES:**

a. After two years from the date of issue or reinstatement of this policy no misstatements except fraudulent misstatements made by the applicant in the application for such policy shall be used to void the policy or to deny a claim for loss incurred or disability (as defined in the policy) commencing after the expiration of such two-year period.

The foregoing policy provisions may be used in its entirety only in major or catastrophe hospitalization policies and major medical policies each affording benefits of five thousand dollars (\$5,000.00) or more for any one sickness or injury. Disability income policies affording benefits of one hundred dollars (\$100.00) or more per month for not less than 12 months and franchise policies. Other policies to which this section applies must delete the words "except fraudulent misstatements".

(The foregoing policy provision shall not be so construed as to affect any legal requirement for avoidance of a policy or denial of a claim during such initial two-year period, nor to limit the application of § 58-251.1 (b), (1), (2), (3), (4) and (5) in the event of misstatement with respect to age or occupation or other insurance.)

(A policy which the insured has the right to continue in force subject to its terms by the timely payment of premium:

1. Until at least age 50 or,
2. In the case of a policy issued after age 44, for at least five years from its date of issue, may contain in lieu of the foregoing the following provisions (from which the clause in parentheses may be omitted at the insurer's option) under the caption "INCONTESTABLE".

After this policy has been in force for a period of two years during the lifetime of the insured (excluding any period during which the insured is disabled), it shall become incontestable as to the statements contained in the application.)

- b. No claim for loss incurred or disability (as defined in the policy) commencing after two years from the date of issue of this policy shall be reduced or denied on the ground that a disease or physical condition not excluded from coverage by name or specific description effective on the date of loss had existed prior to the effective date of coverage of this policy.

- (3) A provision as follows:

**GRACE PERIOD:** A grace period of ..... (insert a number not less than "7" for weekly premium policies, "10" for monthly premium policies and "31" for all other policies) days will be granted for the payment of each premium falling due after the first premium, during which grace period the policy shall continue in force.

(A policy which contains a cancellation provision may add, at the end of the above provision, subject to the right of the insurer to cancel in accordance with the cancellation provision hereof.

A policy in which the insurer reserves the right to refuse any renewal shall have, at the beginning of the above provision,

Unless not less than five days prior to the premium due date the insurer has delivered to the insured or has mailed to his last address as shown by the record of the insurer written notice of its intention not to renew this policy beyond the period for which the premium has been accepted.)

- (4) A provision as follows:

**REINSTATEMENT:** If any renewal premium be not paid within the time granted the insured for payment, a subsequent acceptance of premium by the insurer or by any agent duly authorized by the insurer to accept such premium, without requiring in connection therewith an application for reinstatement, shall reinstate the policy; provided, however, that if the insurer or such agent requires an application for reinstatement and issues a conditional receipt for the premium tendered, the policy will be reinstated upon approval of such application by the insurer, or, lacking such approval, upon the forty-fifth day following the date of such conditional receipt unless the insurer has previously notified the insured in writing of its disapproval of such application. The reinstated policy shall cover only loss resulting from such accidental injury as may be sustained after the date of reinstatement and loss due to such sickness as may begin more than ten days after such date. In all other respects the insured and insurer shall have the same rights thereunder as they had under the policy immediately before the due date of the defaulted premium, subject to any provisions endorsed hereon or attached hereto in connection with the reinstatement. Any premium accepted in connection with a reinstatement shall be applied to a period for which premium has not been previously paid, but not to any period more than sixty days prior to the date of reinstatement.

(The last sentence of the above provision may be omitted from any policy which the insured has the right to continue in force subject to its terms by the timely payment of premiums:

- a. Until at least age 50 or,
- b. In the case of a policy issued after age 44, for at least five years from its date of issue.)

(5) A provision as follows:

**NOTICE OF CLAIM:** Written notice of claim must be given to the insurer within twenty days after the occurrence or commencement of any loss covered by the policy, or as soon thereafter as is reasonably possible. Notice given by or on behalf of the insured or the beneficiary to the insurer at ..... (insert the location of such office as the insurer may designate for the purpose), or to any authorized agent of the insurer, with information sufficient to identify the insured, shall be deemed notice to the insurer.

(In a policy providing a loss-of-time benefit which may be payable for at least two years, an insurer may at its option insert the following between the first and second sentences of the above provision:

Subject to the qualifications set forth below, if the insured suffers loss of time on account of disability for which indemnity may be payable for at least two years, he shall, at least once in every six months after having given notice of claim, give to the insurer notice of continuance of said disability, except in the event of legal incapacity. The period of six months following any filing of proof by the insured or any payment by the insurer on account of such claim or any denial of liability in whole or in part by the insurer shall be excluded in applying this provision. Delay in the giving of such notice shall not impair the insured's right to any indemnity which would otherwise have accrued during the period of six months preceding the date on which such notice is actually given.)

(6) A provision as follows:

**CLAIM FORMS:** The insurer, upon receipt of a notice of claim, will furnish to the claimant such forms as are usually furnished by it for filing proofs of loss. If such forms are not furnished within fifteen days after the giving of such notice the claimant shall be deemed to have complied with the requirements of this policy as to proof of loss upon submitting, within the time fixed in the policy for filing proofs of loss, written proof covering the occurrence, the character and the extent of the loss for which claim is made.

(7) A provision as follows:

**PROOFS OF LOSS:** Written proof of loss must be furnished to the insurer at its said office in case of claim for loss for which this policy provides any periodic payment contingent upon continuing loss within ninety days after the termination of the period for which the insurer is liable and in case of claim for any other loss within ninety days after the date of such loss. Failure to furnish such proof within the time required shall not invalidate nor reduce any claim if it was not reasonably possible to give proof within such time, provided such proof is furnished as soon as reasonably possible and in no event, except in the absence of legal capacity, later than one year from the time proof is otherwise required.

(8) A provision as follows:

**TIME OF PAYMENT OF CLAIMS:** Indemnities payable under this policy for any loss other than loss for which this policy provides any period payment will be paid immediately upon receipt of due written proof of such loss. Subject to due written proof of loss, all

accrued indemnities for loss for which this policy provides periodic payment will be paid ..... (insert period for payment which must not be less frequently than monthly) and any balance remaining unpaid upon the termination of liability will be paid immediately upon receipt of due written proof.

- (9) A provision as follows:

**PAYMENT OF CLAIMS:** Indemnity for loss of life will be payable in accordance with the beneficiary designation and the provisions respecting such payment which may be prescribed herein and effective at the time of payment. If no such designation or provision is then effective, such indemnity shall be payable to the estate of the insured. Any other accrued indemnities unpaid at the insured's death may, at the option of the insurer, be paid either to such beneficiary or to such estate. All other indemnities will be payable to the insured.

(The following provisions, or either of them, may be included with the foregoing provision at the option of the insurer:

If any indemnity of this policy shall be payable to the estate of the insured, or to an insured or beneficiary who is a minor or otherwise not competent to give a valid release, the insurer may pay such indemnity, up to an amount not exceeding \$..... (insert an amount which shall not exceed \$1000), to any relative by blood or connection by marriage of the insured or beneficiary who is deemed by the insurer to be equitably entitled thereto. Any payment made by the insurer in good faith pursuant to this provision shall fully discharge the insurer to the extent of such payment.

Subject to any written direction of the insured in the application or otherwise all or a portion of any indemnities provided by this policy on account of hospital, nursing, medical, or surgical services, may at the insurer's option and unless the insured requests otherwise in writing not later than the time of filing proofs of such loss, be paid directly to the hospital or person rendering such services; but it is not required that the service be rendered by a particular hospital or person.)

- (10) A provision as follows:

**PHYSICAL EXAMINATIONS AND AUTOPSY:** The insurer at its own expense shall have the right and opportunity to examine the person of the insured when and as often as it may reasonably require during the pendency of a claim hereunder and to make an autopsy in case of death where it is not forbidden by law.

- (11) A provision as follows:

**LEGAL ACTIONS:** No action at law or in equity shall be brought to recover on this policy prior to the expiration of sixty days after written proof of loss has been furnished in accordance with the requirements of this policy. No such action shall be brought after the expiration of three years after the time written proof of loss is required to be furnished.

- (12) A provision as follows:

**CHANGE OF BENEFICIARY:** Unless the insured makes an irrevocable designation of beneficiary, the right to change of beneficiary is reserved to the insured and the consent of the beneficiary or beneficiaries shall not be requisite to surrender or assignment of this policy or to any change of beneficiary or beneficiaries, or to any other changes in this policy.

(The first clause of this provision, relating to the irrevocable designation of beneficiary, may be omitted at the insurer's option.)

(1961, c. 432.)

**Editor's Note.—**

The 1961 amendment, effective July 1, 1961, changed subdivision (2) of subsection (a) by inserting the words "or reinstatement" in line one of the first para-

graph of "a" and adding the second paragraph. As only subsection (a) was changed the rest of the section is not set out.

S. 58-36 and may engage in business in North Carolina through its insurer members only, without being separately licensed. (1963, c. 1125.)

**§ 58-254.13. S. 58-249. The Commissioner may disapprove the premium rates for such insurance, or any class thereof, if he finds that such rates are by reasonable assumptions excessive in relation to the benefits provided. In determining whether such rates by reasonable assumptions are excessive in relation to the benefits provided, the Commissioner shall give due consideration to past and prospective claim experience on such insurance, or other comparable insurance, within and outside this State, and to fluctuations in such claim experience, to a reasonable risk charge, to contribution to surplus and contingency funds, to past and prospective expenses, both within and outside this State, and to all other relevant factors within and outside this State, including any differing operating methods of the insurers joining in the issue of such insurance. In the event of any such disapproval, the decision of the Commissioner shall be subject to review under G. S. 58-9.3. In exercising the powers conferred by this section, the Commissioner shall not be bound by any other requirements of this chapter with respect to standard provisions required to be included in the forms of the policies, applications, certificates or other evidence of insurance coverage filed with the Commissioner.   - (14) "Interstate commerce" means commerce between any place in a state and any place in another state or between places in the same state through another state.
  - (15) "Intrastate commerce" means commerce between points and over a route or within a territory wholly within this State, which commerce is not a part of a prior or subsequent movement to or from points outside of this State in interstate or foreign commerce, and includes all transportation within this State for compensation in interstate or

foreign commerce which has been exempted by Congress from federal regulation.

- (16) "Intrastate operations" means the transportation of persons or property for compensation in intrastate commerce.
- (17) "Motor carrier" means both a common carrier by motor vehicle and a contract carrier by motor vehicle.
- (18) "Motor vehicle" means any vehicle, machine, tractor, semi-trailer, or any combination thereof, which is propelled or drawn by mechanical power and used upon the highways within the State.
- (19) "Municipality" means any incorporated community, whether designated in its charter as a city, town, or village.
- (20) "Permit" means a permit issued by the Commission pursuant to the provisions of this chapter to a contract carrier by motor vehicle.
- (21) "Person" means a corporation, individual, copartnership, company, association, or any combination of individuals or organizations doing business as a unit, and includes any trustee, receiver, assignee, lessee, or personal representative thereof.
- (22) "Private carrier" means any person not included in the definitions of common carrier or contract carrier, which transports in intrastate commerce in its own vehicle or vehicles property of which such person is the owner, lessee, or bailee, when such transportation is for the purpose of sale, lease, rent, or bailment, or when such transportation is purely an incidental adjunct to some other established private business owned and operated by such person other than the transportation of property for compensation.
- (23) a. "Public utility" means a person, whether organized under the laws of this State or under the laws of any other state or country, now or hereafter owning or operating in this State equipment or facilities for:
  - 1. Producing, generating, transmitting, delivering or furnishing electricity, piped gas, steam or any other like agency for the production of light, heat or power to or for the public for compensation;
  - 2. Diverting, developing, pumping, impounding, distributing or furnishing water to or for the public for compensation, or operating a public sewerage system for compensation; provided, however, that the term "public utility" shall not include any person or company whose sole operation consists of selling water to less than twenty-five (25) residential customers;
  - 3. Transporting persons or property by street, suburban or interurban bus or railways for the public for compensation;
  - 4. Transporting persons or property by railways or motor vehicles, or any other form of transportation or express service for the public for compensation, except motor carriers exempted in G. S. 62-260, and except carriers by air;
  - 5. Transporting or conveying gas, crude oil or other fluid substance by pipeline for the public for compensation;
  - 6. Conveying or transmitting messages or communications by telephone or telegraph, or any other means of transmission, where such service is offered to the public for compensation.
- b. The term "public utility" shall for rate making purposes include any person producing, generating or furnishing any of the fore-

going services to another person for distribution to or for the public for compensation.

- c. The term "public utility" shall include all persons affiliated through stock ownership with a public utility doing business in this State as parent corporation or subsidiary corporation as defined in G. S. 55-2 to such an extent that the Commission shall find that such affiliation has an effect on the rates or service of such public utility.
- d. The term "public utility", except as otherwise expressly provided in this chapter, shall not include a municipality, electric or telephone membership corporation or any person not otherwise a public utility, who furnishes such service or commodity only to himself, his employees or tenants when such service or commodity is not resold to or used by others. If any person conducting a public utility shall also conduct any enterprise not a public utility, such enterprise is not subject to the provisions of this chapter.
- (24) "Rate" means every compensation, charge, fare, tariff, schedule, toll, rental and classification, or any of them, demanded, observed, charged or collected by any public utility, for any service product or commodity offered by it to the public, and any rules, regulations, practices or contracts affecting any such compensation, charge, fare, tariff, schedule, toll, rental or classification.
- (25) "Route" means the course or way which is traveled; the road or highway over which motor vehicles operate.

- (28) The word "State" means the State of North Carolina; "state" means any state.
- (29) "Town" means any unincorporated community or collection of people having a geographical name by which it may be generally known and is so generally designated. (1913, c. 127, s. 7; C. S., s. 1112(b); 1933, c. 134, ss. 3, 8; c. 307, s. 1; 1937, c. 108, s. 2; 1941, cc. 59, 97; 1947, c. 1008, s. 3; 1949, c. 1132, s. 4; 1953, c. 1140, s. 1; 1957, c. 1152, s. 13; 1959, c. 639, ss. 12, 13; 1963, c. 1165, s. 1.)

**Comparison of Definitions in Federal Motor Carrier Act and Bus Act of 1949.**— See *State v. Fleming*, 235 N. C. 660, 71 S. E. (2d) 41 (1952).

**Provision Not Retroactive.**—The definition of "contract carrier" in the Bus Act of 1949 was definitive or regulatory and intended to be applied prospectively with respect to applications for permits as contract carriers under the general provisions of the Bus Act, and had no bearing on or relation to the grandfather rights confirmed in the act. To make these definitive and regulatory provisions retroactive so as to place a limitation on the rights of a carrier under the grandfather clause contained in the act, would be in contravention of his constitutional rights and contrary to due process of law. Moreover, such a construc-

tion would completely nullify the grandfather clause and make it feckless. *State v. Fleming*, 235 N. C. 660, 71 S. E. (2d) 41 (1952).

The definition of "contract carrier" includes charter service. *State v. Fleming*, 235 N. C. 660, 71 S. E. (2d) 41 (1952).

**Lessor of Vehicles Held Not Contract Carrier.**— Where the owner of trucks leased them to another corporation under an agreement requiring lessor to carry insurance and maintain the vehicles and giving lessee control over the operation of the trucks with right to use same exclusively for the transportation and delivery of lessee's goods, the lessor was not a contract carrier within the meaning of the statute as it stood in 1949, since the lessor merely leased its vehicles and was

not a carrier of any kind, and lessee was solely a private carrier, and therefore lessor was not liable for additional assessment at the "for hire" rates under the statute. *Equipment Finance Corp. v. Schedt*, 249 N. C. 334, 106 S. E. (2d) 555 (1959).

**Service.**—As to "service" rendered in contemplation of former statute, see *State v. Andrews*, 191 N. C. 545, 132 S. E. 568 (1926).

**Where parties constructed water mains from end of municipal lines to their prop-**

**erties,** permitting others to tap into the mains, and the municipality installed meters and furnished water to the others directly, parties were not public utilities within the Public Utilities Act of 1933 so as to give the Utilities Commission jurisdiction. *State v. New Hope Road Water Co.*, 248 N. C. 27, 102 S. E. (2d) 377 (1958).

**Applied in** *City Coach Co. v. Gastonia Transit Co.*, 227 N. C. 391, 42 S. E. (2d) 398 (1947).

**§ 62-4. Applicability of chapter.**—This chapter shall not terminate the pre-existing Commission or appointments thereto, or any certificates, permits, orders, rules or regulations issued by it or any other action taken by it, unless and until revoked by it, nor affect in any manner the existing franchises, territories, tariffs, rates, contracts, service regulations and other obligations and rights of public utilities, unless and until altered or modified by or in accordance with the provisions of this chapter. (1963, c. 1165, s. 1.)

§§ 62-5 to 62-9: Omitted.

## ARTICLE 2.

### *Organization of Utilities Commission.*

**§ 62-10. Number, appointment and terms of commissioners; chairman; vacancies; compensation; practice of law prohibited.**—The North Carolina Utilities Commission shall consist of five commissioners who shall be appointed by the Governor. The terms of the commissioners now serving shall expire at the conclusion of the term for which they were appointed. The appointments to fill the term expiring on July 1, 1963, and the two terms expiring July 1, 1965, shall be for eight (8) years, and the appointments to fill the two terms expiring July 1, 1967, shall be for two (2) years, and thereafter for eight (8) years, with two regular eight-year terms expiring on July 1 of each fourth year after July 1, 1965, and the fifth term expiring on July 1 of each eighth year after July 1, 1963. The term of office of utilities commissioners thereafter shall be eight (8) years, commencing on July 1 of the year in which the predecessor term expired, and ending on July 1 of the eighth year thereafter. A commissioner in office shall continue to serve until his successor is duly appointed and qualifies but such hold over shall not affect the expiration date of such succeeding term. On July 1, 1963, one of the commissioners shall be designated by the Governor to serve as chairman of the Commission until July 1, 1965, and on July 1, 1965, and every four (4) years thereafter, one of the commissioners shall be designated by the Governor to serve as chairman of the Commission for the succeeding four (4) years and until his successor is appointed and qualifies. In case of death, incapacity, resignation or vacancy for any other reason in the office of any commissioner or the chairman prior to the expiration of his term of office or the time for which he was designated as chairman, his successor shall be appointed by the Governor to fill the unexpired term. The salary of each commissioner shall be the same as that fixed from time to time for the highest paid member of the Council of State except that the commissioner designated as chairman shall receive one thousand dollars (\$1,000.00) additional per annum. The prohibition of the practice of law by judges provided in G. S. 7-59 shall also apply to members of the Commission. (1941, c. 97, s. 2; 1949, c. 1009, s. 1; 1959, c. 1319; 1963, c. 1165, s. 1.)

**Editor's Note.**—This section became effective July 1, 1963. See Editor's note to § 62-1.

The Railroad Commission, established in 1891, became the Corporation Commission in 1899. See Consolidated Statutes, §§ 1023-

1034; *Abbott v. Beddingfield*, 125 N. C. 256, 34 S. E. 412 (1899); Corporation Comm. v. Railroad, 137 N. C. 1, 49 S. E. 191 (1904); 2 N. C. Law Rev. 70. The above-mentioned sections were repealed by Public Laws 1933, c. 134, which created the office of Utilities Commissioner and vested in the Commissioner all of the existing powers, duties, etc., of the former Corporation Commission. The act also provided for two Associate Commissioners to act with the Commissioner in certain instances for the purpose of hearing and determining matters or issues of fact. The office of Util-

ities Commissioner was abolished by Public Laws 1941, c. 97, which created the North Carolina Utilities Commission and vested said Commission with all the powers, duties, etc., of the Utilities Commissioner, or the Utilities Commissioner and the Associate Commissioners, prescribed in Public Laws 1933, c. 134, and other laws. The 1941 act further provided that the words "North Carolina Utilities Commission" should be substituted for "Utilities Commissioner," etc., throughout said chapter 134 or other act amendatory thereof.

**§ 62-11. Oath of office.**—Each utilities commissioner before entering upon the duties of his office shall file with the Secretary of State his oath of office to support the Constitution and laws of the United States and the Constitution and laws of the State of North Carolina, and to well and truly perform the duties of his said office as utilities commissioner, and that he is not the agent or attorney of any public utility, or an employee thereof, and that he has no interest in any public utility. (1933, c. 134, s. 5; 1935, c. 280; 1939, c. 404; 1941, c. 97; 1963, c. 1165, s. 1.)

**§ 62-12. Organization of Commission; adoption of rules and regulations therefor.**—To facilitate the work of the Commission and for administrative purposes, the chairman of the Commission, with the consent and approval of the Commission, may organize the work of the Commission in several hearing divisions and operating departments and may designate a member of the Commission as the head of any division or divisions and assign to members of the Commission various duties in connection therewith. Subject to the provisions of the State Personnel Act (article 2 of chapter 143 of the General Statutes), the Commission shall prepare and adopt rules and regulations governing the personnel, departments or divisions and all internal affairs and business of the Commission. (1941, c. 97, s. 3; 1949, c. 1009, s. 2; 1957, c. 1062, s. 1; 1963, c. 1165, s. 1.)

**§ 62-13. Chairman to administer and execute internal rules and regulations, and direct staff.**—(a) In order to carry out the administrative purposes and objectives necessary for the efficient operation of the internal affairs and activities of the Commission, the chairman shall be the chief executive and administrative officer of the Commission, and shall execute, administer and carry out the rules and regulations prepared and adopted by the Commission governing the personnel, departments, or divisions and the internal affairs and business of the Commission.

(b) The chairman shall determine whether matters pending before the Commission shall be heard initially by the full Commission, by a division of the Commission or by a hearing commissioner or hearing examiner and shall assign the members of the Commission to proceedings. The chairman may hear and determine, or assign to a single commissioner or division for decision, any procedural motion or petition made prior to hearings on the merits of the proceeding, including continuances, extensions, joinders, amendments, motions to strike, orders for examinations and depositions, temporary orders and other motions and orders of a similar nature not determinative of the merits of the controversy.

(c) The chairman acting alone, or any three commissioners, may initiate any investigations, complaints or any other proceedings within the jurisdiction of the Commission.

(d) The chairman shall be solely responsible for and charged with the duties

of authorizing and approving all maintenance, subsistence and travel expense of all members of the Commission and its employees, and such expense shall be certified by the persons who incur same; the chairman shall not approve any such expense unless he is satisfied that it was incurred for necessary business of the Commission and the chairman may require the department or division heads to certify to him approval of such expense for employees in their departments or divisions. (1941, c. 97, s. 4; 1957, c. 1062, s. 2; 1963, c. 1165, s. 1.)

**§ 62-14. Economic and statistical studies.**—The Commission shall make economic and financial studies and surveys of the public utility services in the State and evaluations of future needs for such services, and shall establish an economics and planning section within the Commission staff to compile financial and economic data and statistics and to perform economic research and analysis for the Commission. (1963, c. 1165, s. 1.)

**Editor's Note.**—This section became effective July 1, 1963. See Editor's note to § 62-1.

**§ 62-15. Authority of Commission to employ technically qualified personnel.**—The Commission is authorized and empowered to employ technically qualified personnel to serve as members of its staff and under its direction and supervision, including a communications engineer, an electrical engineer, a gas and water engineer, a director of accounting, a director of traffic, a director of economics and planning, a transportation expert and such other experts as the Commission may determine to be necessary in the proper discharge of the Commission's duties as prescribed by law. (1949, c. 1009, s. 3; 1963, c. 1165, s. 1.)

**Editor's Note.**—This section became effective July 1, 1963. See Editor's note to § 62-1. For brief comment on section, see 27 N. C. Law Rev. 489.

**§ 62-16. Special investigators; clerical assistance.**—The Commission shall be allowed such stenographic and other clerical assistance, and special investigators, as it may require for the performance of the duties and functions of the said office, to be established and fixed by such department, bureau, or other State agency as may be charged by law with the duty of determining the extent of such assistance in said departments. All such stenographers, clerks, assistants, and special investigators so provided for shall be appointed by the Commission and subject to removal or discharge by it. The salaries and compensation of such personnel shall be fixed in the manner provided by law for fixing and regulating salaries and compensation by other State departments. (1933, c. 134, s. 14; 1941, c. 97; 1963, c. 1165, s. 1.)

**Cross Reference.**—As to determination of extent of assistance and regulation of salaries of stenographers, see §§ 143-36 and 143-37.

**§ 62-17. Annual reports; monthly or quarterly release; publication of procedural orders and decisions.**—(a) It shall be the duty of the Commission to make and publish annual reports to the Governor of Commission activities, including copies of its general orders and regulations, comparative statistical data on the operation of the various public utilities in the State, comparisons of rates in North Carolina with rates elsewhere, a detailed report of its investigative division, a review of significant developments in the fields of utility law, economics and planning, a report of pending matters before the Commission, and a digest of the principal decisions of the Commission and the North Carolina courts affecting public utilities. A monthly or quarterly release of such information shall be made if the Commission deems it advisable or if the Governor shall so request.

(b) The Commission shall publish in a separate volume at least once each

year its final decisions made on the merits in formal proceedings before the Commission, and may include significant procedural orders and decisions. (1899, c. 164, s. 27; Rev., s. 1117; 1911, c. 211, s. 9; 1913, c. 10, s. 1; C. S., s. 1065; 1933, c. 134, s. 8; 1941, c. 97; 1955, c. 981; 1957, c. 1152, s. 1; 1963, c. 1165, s. 1.)

**Matters of Public Record.**—Reports of the Corporation Commission (now Utilities Commission) of North Carolina are matters of public record, of which the courts therein will take judicial notice. *Staton v. Atlantic Coast Line R. Co.*, 144 N. C. 135, 56 S. E. 794 (1907).

**§ 62-18. Records of receipts and disbursements; payment into treasury.**—(a) The Commission shall keep a record showing in detail all receipts and disbursements.

(b) All license fees and seal taxes, all money received from fines and penalties, and all other fees paid into the office of the Utilities Commission shall be turned in to the State treasury. (1899, c. 164, ss. 26, 33, 34; Rev., ss. 1114, 1115; C. S., ss. 1063, 1064; 1933, c. 134, s. 8; 1941, c. 97; 1963, c. 1165, s. 1.)

**§ 62-19. Public record of proceedings; chief clerk; seal.**—(a) The Commission shall keep in its office at all times a record of its official acts, rulings, determinations and transactions, which shall be public records of the State of North Carolina.

(b) The Commission shall have and appoint a chief clerk, who shall file with the Secretary of State an oath of office similar to that prescribed for utilities commissioners. The Commission may appoint a deputy clerk to act in the absence of the chief clerk, who shall also file such oath with the Secretary of State. The chief clerk and such deputy clerk shall serve at the pleasure of the Commission.

(c) The Commission shall have and adopt a seal with the words "North Carolina Utilities Commission" and such other design as it may prescribe engraved thereon by which it shall authenticate its proceedings and of which the courts shall take judicial notice. Where an exemplified copy of Commission records and proceedings is required for full faith and credit outside of the State, such records and proceedings shall be attested by the chief clerk, or deputy clerk, and the seal of the Commission annexed, and there shall be affixed a certificate of a member of the Commission that the said attestation is in proper form. Such exemplification shall constitute an authenticated or exemplified copy of an official record of a court of record of the State of North Carolina. (1933, c. 134, ss. 13, 15; 1941, c. 97; 1963, c. 1165, s. 1.)

**§ 62-20. Assistant attorney general and staff attorneys assigned to Utilities Commission; to represent public; employment of additional attorneys, expert witnesses, office and clerical help.**—The Attorney General shall assign an assistant attorney general and such staff attorneys as may be necessary to the handling of matters and proceedings before the Commission, who shall be under the direction of the Attorney General. Such assistant attorney general shall be assigned the duty and responsibility, when the Attorney General deems it to be advisable in the public interest, of intervening in proceedings before the Commission on behalf of the using and consuming public, including utility users generally and agencies of the State, such appearances including, but not being limited to, rate applications, rate changes and curtailments of service. He shall also have the authority to institute and originate proceedings before the Commission in the name of the State, its agencies and citizens, in all matters within the jurisdiction of the Commission, and shall have authority to appear before such other State and federal agencies and courts as he deems advisable on behalf of the State and its agencies and citizens in all matters affecting public utility services. He shall have the assistance and cooperation of the Commission's

staff, when available, and access to the Commission's books, records, studies and reports. In the performance of the duties set forth in this section the Attorney General shall have the right to employ additional attorneys, expert witnesses and office and clerical help and to incur expenses in connection therewith, and the compensation and expenses therefor shall be paid from the Contingency and Emergency Fund. The Commission shall furnish the Attorney General with copies of all applications, petitions and pleadings filed with it by public utilities doing business in this State or by any other persons in matters affecting the duties under this section. (1949, c. 989, s. 1; c. 1029, s. 3; 1959, c. 400; 1963, c. 1165, s. 1.)

**Editor's Note.**—This section became effective July 1, 1963. See Editor's note to § 62-1. For brief comment on earlier section, see 27 N. C. Law Rev. 489.

**§ 62-21. Commission attorney.**—(a) The Commission is authorized to employ an attorney, to be known as the Commission attorney, to perform legal services for the Commission in proceedings and matters before the Commission, and to do research with respect to applicable utility laws for and on behalf of the Commission. The Commission attorney shall represent the Commission on appeal from any Commission orders and shall represent the Commission before the various State and federal agencies and courts. He shall perform such other legal services for the Commission as the chairman and the members of the Commission shall request.

(b) In any hearing or proceeding in which the Commission exercises any function judicial in nature, the Commission attorney, by leave of the Commission, may appear before the Commission in connection with the presentation of evidence and as an advocate, but after such leave is granted, he shall not advise with the Commission or participate in any manner in the determination or adjudication by the Commission of the issues in such hearing or proceeding. (1963, c. 1165, s. 1.)

**Editor's Note.**—This section became effective July 1, 1963. See Editor's note to § 62-1.

**§ 62-22. Utilities Commission and State Board of Assessment to coordinate facilities for rate making and taxation purposes.**—The Commission, at the request of the State Board of Assessment, shall make available to the State Board of Assessment the services of such of the personnel of the Commission as may be desired and required for the purpose of furnishing to the State Board of Assessment advice and information as to the value of properties of public utilities, the valuations of which for ad valorem taxation are required by law to be determined by the State Board of Assessment. It shall be the duty of the Commission and the State Board of Assessment, with regard to the assessment and valuation of properties of public utilities doing business in North Carolina, to coordinate the activities of said agencies so that each of them shall receive the benefit of the exchange of information gathered by them with respect to the valuations of public utilities property for rate making and taxation purposes, and the facilities of each of said agencies shall be made fully available to both of them. (1949, c. 1029, s. 3; 1963, c. 1165, s. 1.)

**§ 62-23. Commission as an administrative board or agency.**—The Commission is hereby declared to be an administrative board or agency of the General Assembly created for the principal purpose of carrying out the administration and enforcement of this chapter, and for the promulgation of rules and regulations and fixing utility rates pursuant to such administration; and in carrying out such purpose, the Commission shall assume the initiative in performing its duties and responsibilities in securing to the people of the State an efficient and economic system of public utilities in the same manner as commissions and administrative boards generally. In proceedings in which the Commission is ex-

exercising functions judicial in nature, it shall act in a judicial capacity as provided in § 62-60. The Commission shall separate its administrative or executive functions, its rule making functions, and its functions judicial in nature to such extent as it deems practical and advisable in the public interest. (1963, c. 1165, s. 1.)

§§ 62-24 to 62-29: Omitted.

### ARTICLE 3.

#### *Powers and Duties of Utilities Commission.*

§ 62-30. **General powers of Commission.**—The Commission shall have and exercise such general power and authority to supervise and control the public utilities of the State as may be necessary to carry out the laws providing for their regulation, and all such other powers and duties as may be necessary or incident to the proper discharge of its duties. (1933, c. 134, s. 2; 1941, c. 97; 1963, c. 1165, s. 1.)

**Editor's Note.**—The Railroad Commission, established in 1891, became the Corporation Commission in 1899. See Consolidated Statutes, §§ 1023-1034; *Abbott v. Beddingfield*, 125 N. C. 256, 34 S. E. 412 (1899); *Corporation Comm. v. Railroad*, 137 N. C. 1, 49 S. E. 191 (1904); 2 N. C. Law Rev. 70. The above-mentioned sections were repealed by Public Laws 1933, c. 134, which created the office of Utilities Commissioner and vested in the Commissioner all of the existing powers, duties, etc., of the former Corporation Commission. The act also provided for two Associate Commissioners to act with the Commissioner in certain instances for the purpose of hearing and determining matters or issues of fact. The office of Utilities Commissioner was abolished by Public Laws 1941, c. 97, which created the North Carolina Utilities Commission and vested said Commission with all the powers, duties, etc., of the Utilities Commissioner, or the Utilities Commissioner and the Associate Commissioners, prescribed in Public Laws 1933, c. 134, and other laws.

For comment on this and the subsequent section, see 12 N. C. Law Rev. 292.

**Legislative Power to Regulate Public Utilities.**—The general power of the legislature to provide reasonable rules and regulations, directly or through a commission, has been upheld in *Atlantic Exp. Co. v. Wilmington, etc., Railroad*, 111 N. C. 463, 16 S. E. 393, 32 Am. St. Rep. 805 (1892); *Corporation Comm. v. Seaboard Air Line System*, 127 N. C. 283, 37 S. E. 266 (1900). See *Corporation Comm. v. Railroad*, 137 N. C. 1, 49 S. E. 191 (1904).

The power of the legislature, either directly or through appropriate governmental agencies, to establish reasonable regulations for public service corporations

in matters affecting the public interests is now universally recognized, and the principle has been approved in well considered decisions dealing directly with the question. *Corporation Comm. v. Railroad*, 137 N. C. 1, 49 S. E. 191 (1904); *Corporation Comm. v. Seaboard Air Line Railroad*, 140 N. C. 239, 52 S. E. 941 (1905); *Atlantic Coast Line Railroad v. Goldsboro*, 155 N. C. 356, 71 S. E. 314 (1911), affirmed in 232 U. S. 548, 34 S. Ct. 364, 58 L. Ed. 721 (1914); *In re Southern Public Utilities Co.*, 179 N. C. 151, 101 S. E. 619 (1919).

The reason for strict regulation of public utilities is that they are either monopolies by nature or given the security of monopolistic authority for better service to the public. The public is best served in many circumstances where destructive competition has been removed and the utility is a regulated monopoly. *State v. Carolina Coach Co.*, 260 N. C. 43, 132 S. E. (2d) 249 (1963).

**No Interference with Interstate Commerce.**—The former Railroad Commission, being concerned solely in domestic affairs and trade, did not interfere with interstate commerce. *Caldwell v. Wilson*, 121 N. C. 425, 28 S. E. 554 (1897).

The Commission has no jurisdiction over parties unless they are public utilities within the meaning of the statute. *State v. New Hope Road Water Co.*, 248 N. C. 27, 102 S. E. (2d) 377 (1958).

Whether there shall be competition in any given field and to what extent is largely a matter of policy committed to the sound judgment and discretion of the Commission. The Commission must maintain a reasonable balance to see that the public is adequately served and at the same time to see that the public and the public utilities

involved are not prejudiced by the effects which flow from excessive competition brought about by excessive services. *State v. Carolina Coach Co.*, 260 N. C. 43, 132 S. E. (2d) 249 (1963).

**Commission Can Authorize Sale of Facilities of Power Company to Municipality.**—A power company, with the consent and approval of the Commission, has the right to sell its facilities to a city, and thereby permit the city to assume the obligation for meeting the public convenience and necessity for the service there-

tofore rendered by the power company. The Commission has not only the authority but the duty to pass upon such a contract and to determine whether or not it is in the public interest to permit its consummation. *State v. Casey*, 245 N. C. 297, 96 S. E. (2d) 8 (1957); *Duke Power Co. v. Blue Ridge Electric Membership Corp.*, 253 N. C. 596, 117 S. E. (2d) 812 (1961).

**Applied in** *City Coach Co. v. Gastonia Transit Co.*, 227 N. C. 391, 42 S. E. (2d) 398 (1947).

**§ 62-31. Power to make and enforce rules and regulations for public utilities.**—The Commission shall have and exercise full power and authority to administer and enforce the provisions of this chapter, and to make and enforce reasonable and necessary rules and regulations to that end. (1907, c. 469, s. 1a; 1913, c. 127, s. 2; C. S., s. 1037; 1933, c. 134, s. 8; 1941, c. 97; 1947, c. 1008, s. 2; 1949, c. 1132, s. 3; 1963, c. 1165, s. 1.)

**Legislative Intent.**—There was no intention to give a schedule of the thousands of appliances used in handling the business of common carriers, not to enumerate the countless dealings between them and their patrons, which the former Corporation Commission should supervise. The clearly declared purpose was to put the control and supervision of the whole matter in the hands of an impartial commission, with power to make reasonable rules and orders, subject to the right of appeal by either party, the shipper or the carrier, to the courts, instead of leaving such dealing to the unrestricted will of the carrier. *Corporation Comm. v. Atlantic Coast Line R. Co.*, 139 N. C. 126, 51 S. E. 793 (1905).

**Power to Make Orders and Regulations.**—The former Corporation Commission was given the power to make orders and regulations for the safety, etc., of shippers or patrons of any public service

corporation. *Tilley v. Norfolk, etc., R. Co.*, 162 N. C. 37, 77 S. E. 994 (1913).

**Commission Has Jurisdiction to Investigate with or without Complaint.** — The Commission had the jurisdiction to investigate, upon complaint or upon its own initiative without complaint, to determine whether any motor carrier was operating in violation of the provisions of the Bus Act of 1949, as amended. *State v. McKinnon*, 254 N. C. 1, 118 S. E. (2d) 134 (1961).

**Rule Denying Rights under Grandfather Clause.**—The Utilities Commission did not have the power to promulgate a rule and then to interpret or enforce the rule in such manner as to deny the exercise of rights which the legislature in clear and express terms preserved to all motor vehicle carriers of property who were in bona fide operation on January 1, 1947, and who met the additional requirements contained in the Bus Act of 1949. *State v. Fox*, 239 N. C. 253, 79 S. E. (2d) 391 (1954).

**§ 62-32. Supervisory powers; rates and service.** — (a) Under the rules herein prescribed and subject to the limitations hereinafter set forth, the Commission shall have general supervision over the rates charged and service rendered by all public utilities in this State.

(b) The Commission is hereby vested with all power necessary to require and compel any public utility to provide and furnish to the citizens of this State reasonable service of the kind it undertakes to furnish and fix and regulate the reasonable rates and charges to be made for such service. (1963, c. 127, s. 7; C. S., s. 1112(b); 1933, c. 134, s. 3; 1937, c. 108, s. 2; 1941, cc. 59, 97; 1959, c. 639, s. 12; 1963, c. 1165, s. 1.)

#### I. GENERAL CONSIDERATION.

**Cross References.** — As to municipal control of public utilities, see §§ 160-282 to 160-285. As to report from municipality operating own utilities, see § 62-47.

This section is similar to former § 1035 of the Consolidated Statutes. Most of the following cases were decided under that section and are given as an aid in construing the present law, but should be considered in the light of the former law.

**Right of State to Regulate.**—The right of the State to establish regulations for public service corporations, and over business enterprises in which the owners, corporate or individual, have devoted their property to a public use, and to enforce these regulations by appropriate penalties, is firmly established. *Efland v. Southern R. Co.*, 146 N. C. 135, 59 S. E. 355 (1907). See *Whiting Mfg. Co. v. Carolina Aluminium Co.*, 207 N. C. 52, 175 S. E. 698 (1934).

**Classification Must Not Be Arbitrary.**—As to intrastate or domestic matters, the General Assembly has the right to establish regulations for public service corporations and for business enterprises in which the owners have devoted their property to public use, and to apply these regulations to certain classes of pursuits and occupations, imposing these requirements equally on all members of a given class, the limitation of this right of classification being that the same must be on some reasonable ground that bears a just and proper relation to the attempted classification and is not a mere arbitrary selection. *Efland v. Southern R. Co.*, 146 N. C. 135, 59 S. E. 355 (1907).

**Scope of Power Delegated to Commission Not a Federal Question.**—Whether a regulation of a state railroad commission otherwise legal is arbitrary and unreasonable because beyond the scope of the power delegated to the commission is not a federal question. *Atlantic Coast Line R. Co., v. North Carolina Corp. Comm.*, 206 U. S. 1, 27 S. Ct. 585, 51 L. Ed. 933 (1907).

**Fees and Charges Made by Municipality.**—The North Carolina Utilities Commission has no jurisdiction to fix or supervise the fees and charges to be made by a municipality for connections with a city sewerage system, either within or without its corporate limits. *Atlantic Constr. Co. v. Raleigh*, 230 N. C. 365, 53 S. E. (2d) 165 (1949). See *Grimesland v. Washington*, 234 N. C. 117, 66 S. E. (2d) 794 (1951).

A rider approved by the Commission, which provided that the utility involved in a rate hearing would meter the protesting municipalities separately for purchases by the municipalities for normal resale and purchases by the municipalities

for resale to industrial users, but which contained a provision that the municipalities were free to contract in respect to the price they would require the industrial users to pay, did not fix the rate at which the municipalities would be required to sell to industrial users in violation of the statute. *State v. Municipal Corporations*, 243 N. C. 193, 90 S. E. (2d) 519 (1955).

A sanitary district which, as a part of its functions, furnishes drinking water to the public and also filtered water for industrial consumers is a quasi-municipal corporation, and is not under the control and supervision of the North Carolina Utilities Commission as to services or rates. *Halifax Paper Co. v. Roanoke Rapids Sanitary Dist.*, 232 N. C. 421, 61 S. E. (2d) 378 (1950).

Applied in *City Coach Co. v. Gastonia Transit Co.*, 227 N. C. 391, 42 S. E. (2d) 398 (1947); *Fulghum v. Selma*, 238 N. C. 100, 76 S. E. (2d) 363 (1953); *State v. Wilson*, 252 N. C. 640, 114 S. E. (2d) 786 (1960).

## II. RAILROADS AND OTHER COMMON CARRIERS.

**Legislature May Regulate Directly or Indirectly.**—Railroad companies from the public nature of the business by them carried on, and the interest which the public has in their operation, are subject as to their State business to State regulation, which may be exerted either directly by the legislative authority or by administrative bodies endowed with power to that end. *Atlantic Coast Line R. Co. v. North Carolina Corp. Comm.*, 206 U. S. 1, 27 S. Ct. 585, 51 L. Ed. 933 (1907).

**Rate Fixing Power May Be Delegated.**—The General Assembly has the power to establish a commission to supervise and regulate the rates of common carriers. *Atlantic Exp. Co. v. Wilmington, etc., Railroad*, 111 N. C. 463, 16 S. E. 393 (1892); *Corporation Comm. v. Seaboard Air Line System (Rate Case)*, 127 N. C. 283, 37 S. E. 266 (1900); *Corporation Comm. v. Railroad*, 137 N. C. 114, 49 S. E. 191 (1904); *Corporation Comm. v. Atlantic Coast Line R. Co. ("Track Scales Case")*, 139 N. C. 126, 51 S. E. 793 (1905); *Corporation Comm. v. Seaboard Air Line Railroad*, 140 N. C. 239, 52 S. E. 941 (1905).

**When State May Regulate Interstate Commerce.**—The power of Congress over commerce between the states is, as a general rule, exclusive, and its inaction is equivalent to a declaration that it shall be free from any restraint which it has the right to impose, except by such statutes as

are passed by the states for the purpose of facilitating the safe transmission of goods and carriage of passengers, and are not in conflict with any valid federal legislation. *Morris, etc., Co. v. Southern Exp. Co.*, 146 N. C. 167, 59 S. E. 667 (1907).

**General Power of Commission over Railroads.**—The former Corporation Commission had general control and supervision of all railroad corporations. *Tilley v. Norfolk, etc., R. Co.*, 162 N. C. 37, 77 S. E. 994 (1913).

**Power to Appraise and Assess.** — The former Corporation Commission was not clothed with the power of appraising and assessing railroad property. *Southern R. Co. v. North Carolina Corp. Comm.*, 97 F. 513 (1899).

**When Power to Regulate Arbitrarily Exercised.**—The public power to regulate railroads and the private right of ownership of such property coexist, and the one does not destroy the other; and where the power to regulate is so arbitrarily exercised as to infringe the rights of ownership the exertion is void because repugnant to the due process and equal protection clauses of the Fourteenth Amendment. *Atlantic Coast Line R. Co. v. North Carolina Corp. Comm.*, 206 U. S. 1, 27 S. Ct. 585, 51 L. Ed. 933 (1907).

**When Duty of Railroad Entails Pecuniary Loss.**—The State has power to compel a railroad company to perform a particular and specified duty necessary for the convenience of the public even though it may entail some pecuniary loss. *Atlantic Coast Line R. Co. v. North Carolina*

*Corp. Comm.*, 206 U. S. 1, 27 S. Ct. 585, 51 L. Ed. 933 (1907).

### III. TELEPHONE AND TELEGRAPH COMPANIES.

**Telephone Company Subject to State Control.**—A telephone company, acting under a quasi-public franchise, is properly classified among the public service corporations, and as such is subject to public regulation and reasonable control. *Leavell v. Western Union Tel. Co.*, 116 N. C. 211, 21 S. E. 391 (1895); *Godwin v. Carolina Tel. Co.*, 136 N. C. 258, 48 S. E. 813 (1904); *Clinton-Dunn Tel. Co. v. Carolina Tel., etc., Co.*, 159 N. C. 9, 74 S. E. 636 (1912).

A local telephone company having an arrangement for the transmission of long distance messages over the lines of another company for pay is a public service corporation and comes within the provisions of this section. *Horton v. Interstate Tel., etc., Co.*, 202 N. C. 610, 163 S. E. 694 (1932).

**Jurisdiction of Court Not Ousted.**—The statute giving general control of telephone companies to the former Corporation Commission did not oust the court of its jurisdiction to compel the company to perform a public duty it owed to an individual. *Walls v. Strickland*, 174 N. C. 298, 93 S. E. 857 (1917).

**When Telegram Not Interstate Commerce.**—See *State v. Western Union Tel. Co.*, 113 N. C. 213, 18 S. E. 389 (1893); *Leavell v. Western Union Tel. Co.*, 116 N. C. 211, 21 S. E. 391 (1895).

§ 62-33. **Commission to keep informed as to utilities.** — The Commission shall at all times keep informed as to the public utilities, their rates and charges for service, and the service supplied and the purposes for which it is supplied. (1933, c. 134, s. 16; 1937, c. 165; 1939, c. 365, ss. 1, 2; 1941, c. 97; 1963, c. 1165, s. 1.)

§ 62-34. **To investigate companies under its control; visitation and inspection.**—(a) The Commission shall from time to time visit the places of business, and investigate the books and papers of all public utilities to ascertain if all the orders, rules and regulations of the Commission have been complied with, and shall have full power and authority to examine all officers, agents and employees of such public utilities, and all other persons, under oath or otherwise, and to compel the production of papers and the attendance of witnesses to obtain the information necessary for carrying into effect and otherwise enforcing the provisions of this chapter.

(b) The commissioners and the officers and employees of the Commission may during all reasonable hours enter upon any premises occupied by any public utility, for the purpose of making the examinations and tests and exercising any power provided for in this article, and may set up and use on such premises any apparatus and appliances necessary therefor. Such public utility shall have the right to be represented at the making of such examinations, tests and inspec-

tions. (1899, c. 164, s. 1; Rev., s. 1064; 1913, c. 127, ss. 1, 2, 7; 1917, c. 194; C. S., s. 1060; 1933, c. 134, s. 8; c. 307, s. 14; 1941, c. 97; 1963, c. 1165, § 1.)

**§ 62-35. System of accounts.**—(a) The Commission may establish a system of accounts to be kept by the public utilities under its jurisdiction, or may classify said public utilities and establish a system of accounts for each class, and prescribe the manner of keeping such accounts.

(b) The Commission may require any public utility under its jurisdiction to keep separate or allocate the revenue from and the cost of doing interstate and intrastate business in North Carolina.

(c) The Commission may ascertain, determine, and prescribe what are proper and adequate charges for depreciation of the several classes of property for each public utility. The Commission may prescribe such changes in such charges for depreciation as it finds necessary. (Ex. Sess. 1913, c. 20, s. 14; C. S., s. 1088; 1931, c. 455; 1933, c. 134, s. 8; c. 307, s. 13; 1941, c. 97; 1963, c. 1165, s. 1.)

**§ 62-36. Reports by utilities; cancelling certificates for failure to file.**—The Commission may require any public utility to file annual reports in such form and of such content as the Commission may require and special reports concerning any matter about which the Commission is authorized to inquire or to keep informed, or which it is required to enforce. All reports shall be under oath when required by the Commission. The Commission may issue an order, without notice or hearing, cancelling or suspending any certificate of convenience and necessity thirty (30) days after the date of service of the order for failing to file the required annual report at the time it was due. In the event the report is filed during the thirty-day period, the order of cancellation or suspension shall be null and void. (1931, c. 455; 1933, c. 134, s. 8; c. 307, s. 15; 1941, c. 97; 1959, c. 639, ss. 7, 8; 1963, c. 1165, s. 1.)

**§ 62-37. Investigations.**—(a) The Commission may, on its own motion and whenever it may be necessary in the performance of its duties, investigate and examine the condition and management of public utilities or of any particular public utility. In conducting such investigation the Commission may proceed either with or without a hearing as it may deem best, but shall make no order without affording the parties affected thereby notice and hearing.

(b) If after such an investigation, or investigation and hearing, the Commission, in its discretion, is of the opinion that the public interest shall be served by an appraisal of any properties in question, the investigation of any particular construction, the audit of any accounts or books, the investigation of any contracts, or the practices, contracts or other relations between the public utility in question and any holding or finance agency with which such public utility may be affiliated, it shall be the duty of the Commission to report its findings and recommendation to the Governor and Council of State with request for an allotment from the Contingency and Emergency Fund to defray the expense thereof, which may be granted as provided by law for expenditures from such Fund or may be denied. (1931, c. 455; 1933, c. 134, s. 8; c. 307, s. 16; 1941, c. 97; 1963, c. 1165, s. 1.)

**§ 62-38. Power to regulate public utilities in municipalities.**—The Commission shall have the same power and authority to regulate the operation of privately owned public utilities within municipalities as it has to regulate such public utilities operating outside of municipalities, with the exception of the rights of such municipalities to grant franchises for such operation under G. S. 160-2, paragraph 6, and such public utilities shall be subject to the provisions of this chapter in the same manner as public utilities operating outside municipi-

palities. (1917, c. 136, subch. ss. 1-3; C. S., ss. 2783, 2784, 2785; 1933, c. 134, s. 8; 1941, c. 97; 1963, c. 1165, s. 1.)

**Municipal Charter Is Subject to State Powers.**—The power conferred by a city charter “to provide water and lights and to contract for same” is subject to the police power of the State, with respect to rates to be charged by a public service corporation under such contract as the city may make under its charter. *Corporation Comm. v. Henderson Water Co.*, 190 N. C. 70, 128 S. E. 465 (1925).

**And Contract Rate May Be Changed.**—Although the rate to be charged for water is stipulated by contract between a city and a water company, this may be changed by the Commission if it appears that the rate contracted for is too low, and the one fixed by the Commission is just. The burden of proof is on the one alleging that the rate fixed by the Commission is unreason-

able. *Corporation Comm. v. Henderson Water Co.*, 190 N. C. 70, 128 S. E. 465 (1925).

**Right to Injunction against Commission.**—A public service corporation, having a contract with a city, applying to the Commission for the increase of the rate contracted for with the city and obtaining partial relief, will not be granted an injunction by the federal court against the Commission on the grounds that the rate is confiscatory, for such increase as is allowed by the Commission is that much more than could have been received under the contract with the city had the Commission refused to act. *Henderson Water Co v. Corporation Comm.*, 269 U. S. 273, 46 S. Ct. 112, 70 L. Ed. 273 (1925).

**§ 62-39. To regulate crossings of telephone, telegraph, electric power lines and pipelines and rights of way of railroads and other utilities by another utility.**—(a) The Commission, upon its own motion or upon petition of any public utility or upon petition of the North Carolina Rural Electrification Authority on behalf of any electric membership corporation, shall have the power and authority, after notice and hearing, to order that the lines and right of way of any public utility or electric membership corporation may be crossed by any other public utility or electric membership corporation. The Commission, in all such cases, may require any such crossings to be constructed and maintained in a safe manner and in accord with accepted and approved standards of safety and may prescribe the manner in which such construction shall be done.

(b) The Commission shall also have the power and authority to discontinue and prohibit such crossings where they are unnecessary and can reasonably be avoided and to order changes in existing crossings when deemed necessary.

(c) In all cases in which the Commission orders such crossings to be made or changed and when the parties affected cannot agree upon the cost of the construction of such crossings or the damages to be paid to one of the parties for the privilege of crossing the lines of such party, it shall be the duty of the Commission to apportion the cost of such construction and to fix the damage, if any, to be paid and to apportion the damages, if any, among the parties in such manner as may be just and equitable.

(d) This section shall not be construed to limit the right of eminent domain conferred upon public utilities and electric membership corporations by the laws of this State or to limit the right and duty conferred by law with respect to crossing of railroads and highways or railroads crossing railroads, but the duty imposed and the remedy given by this section shall be in addition to other duties and remedies now prescribed by law. Any party shall have the right of appeal from any final order or decision or determination of the Commission as provided by law for appeals from orders or decisions or final determinations of the Commission. (1913, c. 130, s. 1; C. S., s. 1052; 1933, c. 134, s. 8; 1941, c. 97; 1949, c. 1029, s. 1; 1963, c. 1165, s. 1.)

**Local Modification.**—Ashe: 1929, c. 101.

**§ 62-40. To hear and determine controversies submitted.**—When a public utility embraced in this chapter has a controversy with another person,

and all the parties to such controversy agree in writing to submit such controversy to the Commission as arbitrator, the Commission shall act as such, and after due notice to all parties interested shall proceed to hear the same, and its award shall be final. Such award in cases where land or an interest in land is concerned shall immediately be certified to the clerk of the superior court of the county or counties in which said land, or any part thereof, is situated, and shall by such clerk be docketed in the judgment docket for such county, and from such docketing shall have the same effect as a judgment of the superior court for such county. Parties may appear in person or by attorney before such arbitrator. (1899, c. 164, s. 25; Rev., s. 1073; C. S., s. 1059; 1933, c. 134, s. 8; 1941, c. 97; 1963, c. 1165, s. 1.)

**Cross Reference.**—As to power of Utilities Commission to settle dispute between railroad and drainage district, see § 156-91.

**§ 62-41. To investigate accidents involving public utilities; to promote general safety program.**—The Commission may conduct a program of accident prevention and public safety covering all public utilities with special emphasis on highway safety and transport safety and may investigate the causes of any accident on a railroad or highway involving a public utility, or any accident in connection with any other public utility. Any information obtained upon such investigation shall be reduced to writing and a report thereof filed in the office of the Commission, which shall be subject to public inspection but such report shall not be admissible in evidence in any civil or criminal proceeding arising from such accident. The Commission may adopt reasonable rules and regulations for the safety of the public as affected by public utilities and the safety of public utility employees. The Commission shall cooperate with and coordinate its activities for public utilities with similar programs of the Department of Motor Vehicles, the Insurance Department, the Industrial Commission and other organizations engaged in the promotion of highway safety and employee safety. (1899, c. 164, s. 24; Rev., s. 1065; C. S., s. 1061; 1933, c. 134, s. 8; 1941, c. 97; 1963, c. 1165, s. 1.)

**§ 62-42. Compelling efficient service, extensions of services and facilities, additions and improvements.** — (a) Whenever the Commission, after notice and hearing had upon its own motion or upon complaint, finds:

- (1) That the service of any public utility is inadequate, insufficient or unreasonably discriminatory, or
- (2) That persons are not served who may reasonably be served, or
- (3) That additions, extensions, repairs or improvements to, or changes in, the existing plant, equipment, apparatus, facilities or other physical property of any public utility, of any two or more public utilities ought reasonably to be made, or
- (4) That it is reasonable and proper that new structures should be erected to promote the security or convenience or safety of its patrons, employees and the public, or
- (5) That any other act is necessary to secure reasonably adequate service or facilities and reasonably and adequately to serve the public convenience and necessity,

the Commission shall enter and serve an order directing that such additions, extensions, repairs, improvements, or additional services or changes shall be made or affected within a reasonable time prescribed in the order. This section shall not apply to terminal or terminal facilities of motor carriers of property.

(b) If such order is directed to two or more public utilities, the utilities so designated shall be given such reasonable time as the Commission may grant within which to agree upon the portion or division of the cost of such additions,

extensions, repairs, improvements or changes which each shall bear. If at the expiration of the time limited in the order of the Commission, the utility or utilities named in the order shall fail to file with the Commission a statement that an agreement has been made for division or apportionment of the cost or expense, the Commission shall have the authority, after further hearing in the same proceeding, to make an order fixing the portion of such cost or expense to be borne by each public utility affected and the manner in which the same shall be paid or secured. (1933, c. 307, s. 10; 1949, c. 1029, s. 2; 1963, c. 1165, s. 1.)

**Protest Is Not Notice.**—A protest filed by a city in a proceeding by a power company for an increased cash fare on its city busses was not sufficient to constitute such notice as is required by this section

so as to authorize the Commission to consider whether or not the service rendered by the power company was adequate or inadequate. *State v. Greensboro*, 244 N. C. 247, 93 S. E. (2d) 151 (1956).

**§ 62-43. Fixing standards, classifications, etc.; testing service.**—

(a) The Commission may, after notice and hearing, had upon its own motion or upon complaint, ascertain and fix just and reasonable standards, classifications, regulations, practices, or service to be furnished, imposed, observed or followed by any or all public utilities; ascertain and fix adequate and reasonable standards for the measurement of quantity, quality, pressure, initial voltage or other condition pertaining to the supply of the product, commodity or service furnished or rendered by any and all public utilities; prescribe reasonable regulations for the examination and testing of such product, commodity or service and for the measurement thereof; establish or approve reasonable rules, regulations, specifications and standards to secure the accuracy of all meters and appliances for measurement; and provide for the examination and testing of any and all appliances used for the measurement of any product, commodity or service of any public utility.

(b) The Commission shall fix, establish and promulgate standards of quality and safety for gas furnished by a public utility and prescribe rules and regulations for the enforcement of and obedience to the same. (1919, c. 32; C. S., s. 1055; 1933, c. 134, s. 8; c. 307, s. 11; 1941, c. 97; 1963, c. 1165, s. 1.)

**§ 62-44. Commission may require continuous telephone lines.**—

The Commission may, upon its own motion or upon written complaint by any person, after notice and hearing, require any two or more telephone or telegraph utilities to establish and maintain through lines within the State between two or more localities, which cannot be communicated with or reached by the lines of either utility alone, where the lines or wires of such utilities form a continuous line of communication, or could be made to do so by the construction and maintenance of suitable connections or the joint use of equipment, or the transfer of messages at common points. The rate for such service shall be just and reasonable and the Commission shall have power to establish the same, and declare the portion thereof to which each utility affected thereby is entitled and the manner in which the same must be secured and paid. All necessary construction, maintenance and equipment in order to establish such service shall be constructed and maintained in such manner and under such rules, with such divisions of expense and labor, as may be required by the Commission. (1933, c. 307, s. 9; 1963, c. 1165, s. 1.)

**§ 62-45. Determination of cost and value of utility property.**—The Commission, after notice and hearing, may ascertain and fix the cost or value, or both, of the whole or any part of the property of any public utility insofar as the same is material to the exercise of the jurisdiction of the Commission, make revaluations from time to time, and ascertain the cost of all new construction, extensions and additions to the property of every public utility. (1933, c. 307, s. 12; 1963, c. 1165, s. 1.)

§ 62-46. **Water gauging stations.**—The Commission may require the location, establishment, maintenance and operation of any water gauging station which it finds is needed in the State over and above those required by federal agencies, and the Commission may cooperate with federal and other State agencies as to the location, construction and reports and the results of operation of such station. (1933, c. 307, s. 33; 1963, c. 1165, s. 1.)

§ 62-47. **Reports from municipalities operating own utilities.**—Every municipality furnishing gas, electricity or telephone service shall make an annual report to the Commission, verified by the oath of the general manager or superintendent thereof, on the same forms as provided for reports of public utilities, giving the same information as required of public utilities. (1933, c. 307, s. 34; 1963, c. 1165, s. 1.)

**Cross Reference.**—As to admissibility of records in utility rate hearing, see § 62-65.

§ 62-48. **Appearance before courts and agencies.**—The Commission is authorized and empowered to initiate or appear in such proceedings before federal and State courts and agencies as in its opinion may be necessary to secure for the users of public utility service in this State just and reasonable rates and service. (1899, c. 164, s. 14; Rev., s. 1110; 1907, c. 469, s. 5; C. S., s. 1075; 1929, c. 235; 1933, c. 134, s. 8; 1941, c. 97; 1963, c. 1165, s. 1.)

§ 62-49. **Publication of utilities laws.**—The Commission is authorized and directed to secure biennial publication of all North Carolina laws affecting public utilities, together with the Commission Rules and Regulations, in an annotated edition for economical, convenient distribution to the public generally at the minimum cost available. (1963, c. 1165, s. 1.)

**Editor's Note.**—This section became effective July 1, 1963. See Editor's note to § 62-1.

§§ 62-50 to 62-59: Omitted.

#### ARTICLE 4.

##### *Procedure Before the Commission.*

§ 62-60. **Commission acting in judicial capacity; administering oaths and hearing evidence; decisions; quorum.**—For the purpose of conducting hearings, making decisions and issuing orders, and in formal investigations where a record is made of testimony under oath, the Commission shall be deemed to exercise functions judicial in nature and shall have all the powers and jurisdiction of a court of general jurisdiction as to all subjects over which the Commission has or may hereafter be given jurisdiction by law. The commissioners and members of the Commission's staff designated and assigned as examiners shall have full power to administer oaths and to hear and take evidence. The Commission shall render its decisions upon questions of law and of fact in the same manner as a court of record. A majority of the commissioners shall constitute a quorum, and any order or decision of a majority of the commissioners shall constitute the order or decision of the Commission, except as otherwise provided in this chapter. (1949, c. 989, s. 1; 1963, c. 1165, s. 1.)

**Commission Is an Administrative Agency.** — The Utilities Commission, a creature of the General Assembly, is an administrative agency of the State, with such powers and duties as are given it by this chapter. These powers and duties are of a dual nature—supervisory or regulatory, and judicial. *State v. Atlantic Greyhound*

Corp., 224 N. C. 293, 29 S. E. (2d) 909 (1944); *Utilities Comm. v. Atlantic Greyhound Corp.*, 224 N. C. 672, 32 S. E. (2d) 23 (1944).

**With Powers of Court of General Jurisdiction as to Certain Matters.**—See *State v. Atlantic Greyhound Corp.*, 224 N. C. 293, 29 S. E. (2d) 909 (1944); *Utilities Comm.*

v. Atlantic Greyhound Corp., 224 N. C. 672, 32 S. E. (2d) 23 (1944).

**Ordinarily, the procedure before the Commission is more or less informal, and is not as strict as in superior court, nor is it confined by technical rules.** State v. Carolinas Committee for Industrial Power Rates, etc., 257 N. C. 560, 126 S. E. (2d) 325 (1962).

Liberality and informality is essential to the workings of the Commission. State v. Carolinas Committee for Industrial Power Rates, etc., 257 N. C. 560, 126 S. E. (2d) 325 (1962).

**Great liberality is indulged in pleadings in proceedings before the Commission, and the technical and strict rules of pleading applicable in ordinary court proceedings do not apply.** State v. Carolinas Committee for Industrial Power Rates, etc., 257 N. C. 560, 126 S. E. (2d) 325 (1962).

**Substance and not form is controlling.** State v. Carolinas Committee for Industrial Power Rates, etc., 257, N. C. 560, 126 S. E. (2d) 325 (1962).

**The Commission may enlarge or restrict the inquiry** before it unless a party is clearly prejudiced thereby. State v. Carolinas Committee for Industrial Power Rates, etc., 257 N. C. 560, 126 S. E. (2d) 325 (1962).

**Res Judicata.**—Only specific questions actually heard and finally determined by the Commission in its judicial character are res judicata, and then only as to the parties to the hearing. State v. Carolinas Committee for Industrial Power Rates, etc., 257 N. C. 560, 126 S. E. (2d) 325 (1962).

**Deferring Use of Increased Rates Pending Investigation.**—After rates for certain intrastate shipments had been duly estab-

lished by the Utilities Commission, defendant sought to increase such rates by filing tariff schedules to that effect. The Commission, in a proceeding to which defendant was a party, by order of postponement, which was not objected to, deferred use of the new increased rates pending investigation, and also directed that the rates previously fixed should not be changed by subsequent tariffs or schedules until this investigation and suspension proceeding had been disposed of, continuing the investigation from time to time at the request of defendant. It was held that such action of the Commission was binding on defendant. However, defendant should be given a reasonable time to comply with the order before penalties might be invoked. State v. Atlantic Coast Line R. Co., 224 N. C. 283, 29 S. E. (2d) 912 (1944).

**Commission Is Without Inherent Powers of Appellate Court.**—The North Carolina Utilities Commission is a court of general jurisdiction only as to subjects embraced within this chapter. It is a court of original jurisdiction and does not possess the inherent powers of an appellate court. State v. Norfolk Southern Ry. Co., 224 N. C. 762, 32 S. E. (2d) 346 (1944).

**Former Statute.**—For cases construing § 1023 of the Consolidated Statutes, containing similar provisions, see Caldwell v. Wilson, 121 N. C. 425, 28 S. E. 554 (1897); State v. Southern R. Co., 151 N. C. 447, 66 S. E. 427 (1909); North Carolina Corp. Comm. v. Winston-Salem, etc., R. Co., 170 N. C. 560, 87 S. E. 785 (1917); State v. Southern R. Co., 185 N. C. 435, 117 S. E. 563 (1923).

**§ 62-61. Witnesses; production of papers; contempt.**—The Commission shall have the same power to compel the attendance of witnesses, require the examination of persons and parties, and compel the production of books and papers, and punish for contempt, as by law is conferred upon the superior courts. (1949, c. 989, s. 1; 1963, c. 1165, s. 1.)

**Cross References.**—As to attendance of witnesses, see §§ 8-59 to 8-64. As to contempt, see § 5-1 et seq.

**§ 62-62. Issuance and service of subpoenas.**—All subpoenas for witnesses to appear before the Commission, a division of the Commission or a hearing commissioner or examiner and notice to persons or corporations, shall be issued by the Commission or its chief clerk or a deputy clerk and be directed to any sheriff, constable or other officer authorized by law to serve process issued out of the superior courts, who shall execute the same and make due return thereof as directed therein, under the penalties prescribed by law for a failure to execute and return the process of any court. The Commission shall have the authority to require the applicant for a subpoena for persons and documents to make a reasonable showing that the evidence of such persons or documents will be material and relevant to the issue in the proceeding. (1949, c. 989, s. 1; 1963, c. 1165, s. 1.)

§ 62-63. **Service of process and notices.**—The chief clerk, a deputy clerk, or any authorized agent of the Commission may serve any notice issued by it and his return thereof shall be evidence of said service; and it shall be the duty of the sheriffs and all officers authorized by law to serve process issuing out of the superior courts, to serve any process, subpoenas and notices issued by the Commission, and such officers shall be entitled to the same fees as are prescribed by law for serving similar papers issuing from the superior court. Service of notice of all hearings, investigations and proceedings by the Commission may be made upon any person upon whom a summons may be served in accordance with the provisions governing civil actions in the superior courts of this State, and may be made personally by an authorized agent of the Commission or by mailing in a sealed envelope, registered, with postage prepaid, or by certified mail. (1949, c. 989, s. 1; 1957, c. 1152, s. 2; 1963, c. 1165, s. 1.)

**Cross References.**—As to fees of sheriff for failing to execute and return process, see § 162-6. As to penalty upon process, see § 162-14.

§ 62-64. **Bonds.**—All bonds or undertakings required to be given by any of the provisions of this chapter shall be payable to the State of North Carolina, and may be sued on as are other undertakings which are payable to the State. (1949, c. 989, s. 1; 1963, c. 1165, s. 1.)

§ 62-65. **Rules of evidence; judicial notice.**—(a) When acting as a court of record, the Commission shall apply the rules of evidence applicable in civil actions in the superior court, insofar as practicable, but no decision or order of the Commission shall be made or entered in any such proceeding unless the same is supported by competent material and substantial evidence upon consideration of the whole record. Oral evidence shall be taken on oath or affirmation. The rules of privilege shall be effective to the same extent that they are now or hereafter recognized in civil actions in the superior court. The Commission may exclude incompetent, irrelevant, immaterial and unduly repetitious or cumulative evidence. All evidence, including records and documents in the possession of the Commission of which it desires to avail itself, shall be made a part of the record in the case by definite reference thereto at the hearing. Any party introducing any document or record in evidence by reference shall bear the expense of all copies required for the record in the event of an appeal from the Commission's order. Every party to a proceeding shall have the right to call and examine witnesses, to introduce exhibits, to cross-examine opposing witnesses on any matter relevant to the issues, to impeach any witness regardless of which party first called such witness to testify and to rebut the evidence against him. If a party does not testify in his own behalf, he may be called and examined as if under cross-examination.

(b) The Commission may take judicial notice of its decisions, the annual reports of public utilities on file with the Commission, published reports of federal regulatory agencies, the decisions of State and federal courts, State and federal statutes, public information and data published by official State and federal agencies and reputable financial reporting services, generally recognized technical and scientific facts within the Commission's specialized knowledge, and such other facts and evidence as may be judicially noticed by Justices of the Supreme Court and judges of the superior courts. When any Commission decision relies upon such judicial notice of material facts not appearing in evidence, it shall be so stated with particularity in such decision and any party shall, upon petition filed within ten (10) days after service of the decision, be afforded an opportunity to contest the purported facts noticed or show to the contrary in a rehearing set with proper notice to all parties; but the Commission may notify the parties before or during the hearing of facts judicially noticed, and afford at the hearing a reasonable opportunity to contest the purported facts noticed,

or show to the contrary. (1949, c. 989, s. 1; 1959, c. 639, s. 2; 1963, c. 1165, s. 1.)

**Cross Reference.**—As to rules of evidence generally, see § 8-1 et seq.

**Admissibility of Annual Reports of Municipalities.**—In a proceeding by a utility for an increase in rates, wherein municipalities engaged in resale of electrical energy purchased from the utility protested against the proposed schedules of the utility, copies of annual reports of the municipality to the Commission pursuant to statute, which showed profits made by the municipalities from resale of electrical energy, were admissible in evidence on the question of whether the proposed schedules were fair and equitable as between groups or classifications to be served under such schedules. *State v. Municipal Corporations*, 243 N. C. 193, 90 S. E. (2d) 519 (1955).

**Admissibility of Evidence of Rates**

**Charged by Another Utility.**—In a proceeding by a utility for a rate increase the Commission properly excluded evidence of rates charged by another utility in the same area as that involved in the proceeding in the absence of evidence as to the relative cost conditions of the two utilities. *State v. Municipal Corporations*, 243 N. C. 193, 90 S. E. (2d) 519 (1955).

**Burden of Proof.**—In the hearing before the Utilities Commission, the burden was on the applicant to offer competent, material and substantial evidence in support of his application for modification of his existing franchise. *Utilities Comm. v. Great Southern Trucking Co.*, 223 N. C. 687, 28 S. E. (2d) 201 (1943); *State v. Ray*, 236 N. C. 692, 73 S. E. (2d) 870 (1953).

§ 62-66. **Depositions.** — The Commission or any party to a proceeding may take and use depositions of witnesses in the same manner as provided by law for the taking and use of depositions in civil actions in the superior court. (1949, c. 989, s. 1; 1963, c. 1165, s. 1.)

§ 62-67. **Examination before hearing.**—Any party to a proceeding may make application to the Commission for examination of any other party before hearing. The Commission, if it finds good cause therefor, shall issue the order for such examination, and the deposition taken thereunder shall be filed with the Commission's chief clerk, in accordance with and subject to the procedure prescribed for such examinations in the superior court. In cases in which the Commission is a party, it may order such examination upon its own motion, upon the affidavit of any member of the Commission's staff. The Commission may adopt rules for the taking of such examinations. (1963, c. 1165, s. 1.)

§ 62-68. **Use of affidavits.**—At any time, ten or more days prior to a hearing or a continued hearing, any party or the Commission may send by registered or certified mail or deliver to the opposing parties a copy of any affidavit proposed to be used in evidence, together with the notice as herein provided. Unless an opposing party or the Commission at least five (5) days prior to the hearing, if the affidavit and notice are received at least twenty (20) days prior to such hearing, otherwise at any time prior to or during such hearing, sends by registered or certified mail or delivers to the proponent a request to cross-examine the affiant at the hearing, the right to cross-examine such affiant is waived and the affidavit, if introduced in evidence, shall be given the same effect as if the affiant had testified orally. If an opportunity to cross-examine an affiant at the hearing is not afforded after request therefor is made as herein provided, the affidavit shall not be received in evidence. The notice accompanying the affidavit shall set forth the name and address of the affiant and shall contain a statement that the affiant will not be called to testify orally and will not be subject to cross-examination unless the opposing parties or the Commission demand the right of cross-examination by notice mailed or delivered to the proponent at least five (5) days prior to the hearing if the notice and affidavit are received at least twenty (20) days prior to such hearing, otherwise at any time prior to or during such hearing. (1949, c. 989, s. 1; 1957, c. 1152, s. 3; 1963, c. 1165, s. 1.)

§ 62-69. **Stipulations and agreements; pre-hearing conference.**—(a) In all contested proceedings the Commission, by pre-hearing conferences

and in such other manner as it may deem expedient and in the public interest, shall encourage the parties and their counsel to make and enter stipulations of record for the following purposes:

- (1) Eliminating the necessity of proof of all facts which may be admitted and the authenticity of documentary evidence,
- (2) Facilitating the use of exhibits, and
- (3) Clarifying the issues of fact and law.

The Commission may make informal disposition of any contested proceeding by stipulation, agreed settlement, consent order or default.

(b) Unless otherwise provided in the Commission's rules of practice and procedure, such pre-hearing conferences may be ordered by the Commission or requested by any party to a proceeding in substantially the same manner, and with substantially the same subsequent procedure, as provided by law for the conduct of pre-trial hearings in the superior court. (1949, c. 989, s. 1; 1963, c. 1165, s. 1.)

§ 62-70. **Ex parte communications.**—(a) In all matters and proceedings on the Commission's formal docket with adversary parties of record, all communications or contacts of any nature between any party and the Commission or any of its members or any hearing examiner assigned to such docket, whether verbal or written, formal or informal, which pertain to the merits of such matter or proceeding, shall be made only with full knowledge of or notice to all other parties of record. All parties shall have an opportunity to be informed fully as to the nature of such communication and to be present and heard with respect thereto.

(b) In the event any such communication or contact shall be received by the Commission or any commissioner or any hearing examiner assigned to such docket without such knowledge or notice to all other parties, the Commission shall immediately cause a formal record of such violation to be made in its docket and thereafter no ruling or decision shall be made in favor of such violating party until the aggrieved party shall waive such violation or the Commission shall find as a fact that such party was not prejudiced thereby or that any such prejudice, if present, has been removed.

(c) Any contacts or communications made in violation of this section which are not recorded by the Commission may be recorded by notice to the Commission by any aggrieved party and, unless the Commission shall find that such violation did not in fact occur, such recording shall have the same effect as if done by the Commission.

(d) In matters not under this section, the Commission may secure information and receive communications ex parte, it being the purpose of this section to protect adversary interests where they exist but not otherwise to restrict unduly the administrative and legislative functions of the Commission.

(e) This section shall not modify any notice required in the case of pleadings and proceedings which are subject to other requirements of notice to parties of record, whether by statute or by rule of the Commission, and the Commission may adopt reasonable rules to coordinate this section with such other requirements.

(f) In addition to the foregoing provisions regarding contacts with members of the Commission and hearing examiners, if any party of record, including the assistant attorney general when he is a party, confers with or otherwise contacts any staff personnel employed by the Commission regarding the merits of a pending proceeding, the staff employee shall promptly forward by regular mail a memorandum of the date and general subject matter of such contact to all other parties of record to the proceeding. (1963, c. 1165, s. 1.)

§ 62-71. **Hearings to be public; record of proceedings.**—(a) All formal hearings before the Commission, a hearing division, a commissioner or

an examiner shall be public, and shall be conducted in accordance with such rules as the Commission may prescribe. A full and complete record shall be kept of all proceedings on any formal hearing, and all testimony shall be taken by a reporter appointed by the Commission. Any party to a proceeding shall be entitled to a copy of the record or any part thereof upon the payment of the reasonable cost thereof as determined by the Commission.

(b) The Commission in its discretion may approve stenographic or mechanical methods of recording testimony, or a combination of such methods, and a transcript of any such record shall be valid for all purposes, subject to protest and settlement by the Commission.

(c) The Commission is authorized to provide daily transcripts of testimony in cases of substantial public interest and in other cases where time is an important factor to the parties involved. (1949, c. 989, s. 1; 1963, c. 1165, s. 1.)

**Formal Hearing.**—An informal conference between members of the Commission and representatives of the utility involved in a rate proceeding, which was called at the suggestion of the Commission, and which involved only a single question as to whether the protesting municipalities

having industrial users could secure an industrial rate, and at which conference no testimony and no record was taken, was not a formal hearing within the meaning of this section. *State v. Municipal Corporations*, 243 N. C. 193, 90 S. E. (2d) 519 (1955).

**§ 62-72. Commission may make rules of practice and procedure.**—Except as otherwise provided in this chapter, the Commission is authorized to make and promulgate rules of practice and procedure for the Commission hearings. (1949, c. 989, s. 1; 1963, c. 1165, s. 1.)

**In the absence of statutory inhibition, the Commission may regulate its own procedure** within broad limits, and may prescribe and adopt reasonable rules and regulations with respect thereto, provided such rules are consistent with the statutes governing its actions. *State v. Carolinas Committee for Industrial Power Rates, etc.*, 257 N. C. 560, 126 S. E. (2d) 325 (1962).

**Rules Must Not Be Contrary to Statutes.**—While the power of the legislature to delegate authority to an administrative agency of the State to prescribe rules and regulations for the due and orderly performance of its public functions is unquestioned, this does not authorize the formula-

tion of rules contrary to the statute. *State v. Atlantic Coast Line R. Co.*, 224 N. C. 283, 29 S. E. (2d) 912 (1944).

**Waiver or Suspension of Rules.**—The Commission may adopt its own rules governing pleadings, and has the power to waive or suspend the rules. *State v. Carolinas Committee for Industrial Power Rates, etc.*, 257 N. C. 560, 126 S. E. (2d) 325 (1962).

**Challenging Validity of Rules by Appeal under Former Law.**—See *State v. Atlantic Greyhound Corp.*, 224 N. C. 293, 29 S. E. (2d) 909 (1944); *Utilities Comm. v. Atlantic Greyhound Corp.*, 224 N. C. 672, 32 S. E. (2d) 23 (1944).

**§ 62-73. Complaints against public utilities.**—Complaints may be made by the Commission on its own motion or by any person having an interest, either direct or as a representative of any persons having a direct interest in the subject matter of such complaint by petition or complaint in writing setting forth any act or thing done or omitted to be done by any public utility, including any rule, regulation or rate heretofore established or fixed by or for any public utility in violation of any provision of law or of any order or rule of the Commission, or that any rate, service, classification, rule, regulation or practice is unjust and unreasonable. Upon good cause shown and in compliance with the rules of the Commission, the Commission shall also allow any such person authorized to file a complaint, to intervene in any pending proceeding. The Commission, by rule, may prescribe the form of complaints filed under this section, and may in its discretion order two or more complaints dealing with the same subject matter to be joined in one hearing. Unless the Commission shall determine, upon consideration of the complaint or otherwise, and after notice to the complainant and opportunity to be heard, that no reasonable ground exists for an investigation of such complaint, the Commission shall fix a time and place

for hearing, after reasonable notice to the complainant and the utility complained of, which notice shall be not less than ten (10) days before the time set for such hearing. (1949, c. 989, s. 1; 1963, c. 1165, s. 1.)

§ 62-74. **Complaints by public utilities.**—Any public utility shall have the right to complain on any of the grounds upon which complaints are allowed to be filed by other parties, and the same procedure shall be adopted and followed as in other cases, except that the complaint and notice of hearing shall be served by the Commission upon such interested persons as it may designate. (1949, c. 989, s. 1; 1963, c. 1165, s. 1.)

§ 62-75. **Burden of proof.**—In all proceedings instituted by the Commission for the purpose of investigating any rate, service, classification, rule, regulation or practice, the burden of proof shall be upon the public utility whose rate, service, classification, rule, regulation or practice is under investigation to show that the same is just and reasonable. In all other proceedings the burden of proof shall be upon the complainant. (1949, c. 989, s. 1; 1963, c. 1165, s. 1.)

**Legality of Rule Placing Burden Upon All Carriers as to All Rates.**—This section uses the word "carrier" or "utility" in the singular. Therefore, when the Commission initiates an investigation of the entire rate structure of motor carriers, and places upon the carriers the burden of showing that the old rates, which have been in effect for a number of years with the approval of the Commission, are just and reasonable, a question arises as to whether the Commission has exceeded its legislative authority.

See *State v. North Carolina Motor Carriers Ass'n*, 253 N. C. 432, 117 S. E. (2d) 271 (1960).

**Burden of Proof as to Counterclaim.**—Where the challenge to the rate of return arose from protestants' counterclaim, the protestants were therefore complainants, and the burden was upon them. *State v. Carolinas Committee for Industrial Power Rates, etc.*, 257 N. C. 560, 126 S. E. (2d) 325 (1962).

§ 62-76. **Hearings by Commission, hearing division of Commission, commissioner, or examiner.**—(a) Except as otherwise provided in this chapter, any matter requiring a hearing shall be heard and decided by the Commission or shall be referred to a division of the Commission or one of the commissioners or a qualified member of the Commission staff as examiner for hearing, report and recommendation of an appropriate order or decision thereon. Subject to the limitations prescribed in this article, a hearing division, hearing commissioner or examiner to whom a hearing has been referred by order of the chairman shall have all the rights, duties, powers and jurisdiction conferred by this chapter upon the Commission. The chairman, in his discretion, may direct any hearing by the Commission or any division, commissioner or examiner to be held in such place or places within the State as he may determine to be in the public interest and as will best serve the convenience of interested parties. Before any member of the Commission staff enters upon the performance of duties as an examiner, he shall first take, subscribe to and file with the Commission an oath similar to the oath required of members of the Commission.

(b) In all cases where a division of the Commission hears a proceeding and as many as three commissioners hearing the case approve the recommended order, such order shall thereby become and shall be issued as a final order of the Commission. If less than three commissioners approve such order, it shall be a recommended order only, subject to review by the full Commission, with all commissioners eligible to participate in the final arguments and decision.

(c) In all cases in which a pending proceeding shall be assigned to a hearing commissioner, such commissioner shall hear and determine the proceedings and submit his recommended order, but, in the event of a petition to the full Commission to review such recommended order, the hearing commissioner shall take no part in such review, either in hearing oral argument or in consideration of the Commission's decision, but his vote shall be counted in such decision to

affirm his original order. (1949, c. 989, s. 1; 1959, c. 639, s. 3; 1963, c. 1165, s. 1.)

**§ 62-77. Recommended decision of hearing division, commissioner or examiner.**—Any report, order or decision made or recommended by a hearing division, commissioner or examiner with respect to any matter referred for hearing shall be in writing and shall set forth separately findings of fact and conclusions of law and shall be filed with the Commission. A copy of such recommended order, report and findings shall be served upon the parties who have appeared in the proceeding. (1949, c. 989, s. 1; 1963, c. 1165, s. 1.)

**§ 62-78. Proposed findings, briefs, exceptions, orders, expediting gases, and other procedure.** — (a) Prior to each decision or order by the Commission in a proceeding initially heard by it and prior to any recommended decision or order of a hearing division, commissioner or examiner, the parties shall be afforded an opportunity to submit, within the time prescribed by order entered in the cause, unless further extended by order of the Commission, for the consideration of the Commission, division, commissioner or examiner, as the case may be, proposed findings of fact and conclusions of law and briefs.

(b) Within the time prescribed by the hearing division, commissioner, or examiner, the parties shall be afforded an opportunity to file exceptions to the recommended decision or order and a brief in support thereof, provided the time so fixed shall be not less than fifteen (15) days from the date of such recommended decision or order. The record shall show the ruling upon each requested finding and conclusion or exception.

(c) In all proceedings in which a hearing division, commissioner or examiner has filed a report, recommended decision or order to which exceptions have been filed, the Commission, before making its final decision or order, shall afford the party or parties an opportunity for oral argument. When no exceptions are filed within the time specified to a recommended decision or order, such recommended decision or order shall become the order of the Commission and shall immediately become effective unless the order is stayed or postponed by the Commission; provided, the Commission may, on its own motion, review any such matter and take action thereon as if exceptions thereto had been filed.

(d) When exceptions are filed, as herein provided, it shall be the duty of the Commission to consider the same and if sufficient reason appears therefor, to grant such review or make such order or hold or authorize such further hearing or proceeding as may be necessary or proper to carry out the purposes of this chapter. The Commission, after review, upon the whole record, or as supplemented by a further hearing, shall decide the matter in controversy and make appropriate order or decision thereon.

(e) The Commission may expedite the hearing and decision of any case if the public interest so requires by the use of pre-trial conferences, daily transcripts of evidence, trial briefs, and prompt oral argument, and by granting priority to the hearing and decision of such case. (1949, c. 989, s. 1; 1959, c. 639, s. 4; 1963, c. 1165, s. 1.)

Ordinarily, the procedure before the Commission is more or less informal and is not as strict as in superior court, nor is it confined by technical rules; substance and not form is controlling. *State v. Champion Papers, Inc.*, 259 N. C. 449, 130 S. E. (2d) 890 (1963).

This section requires the Commission to find all facts essential to a determination of the question at issue. Having found the facts, it may then make factual conclusions. *State v. Haywood Electric Mem-*

*bership Corp.*, 260 N. C. 59, 131 S. E. (2d) 865 (1963).

The reason for compelling adequate factual findings is to permit proper judicial review. *State v. Haywood Electric Membership Corp.*, 260 N. C. 59, 131 S. E. (2d) 865 (1963).

The duty imposed is similar to that duty imposed on a judge of the superior court by § 1-185 when a jury trial is waived, and on the Industrial Commission by § 97-84 before it can award or deny com-

compensation. *State v. Haywood Electric Membership Corp.*, 260 N. C. 59, 131 S. E. (2d) 865 (1963).

**Failure to Make Findings Necessitates Remand.**—A failure by the Commission to find facts essential to a determination of the rights of the parties necessitates a remand to the Commission to make neces-

sary findings on which it may base its order. *State v. Haywood Electric Membership Corp.*, 260 N. C. 59, 131 S. E. (2d) 865 (1963).

Applied in *State v. Carolina Power & Light Co.*, 250 N. C. 421, 109 S. E. (2d) 253 (1959).

§ 62-79. **Final orders and decisions; findings; service; compliance.**—(a) All final orders and decisions of the Commission shall be sufficient in detail to enable the court on appeal to determine the controverted questions presented in the proceedings and shall include:

- (1) Findings and conclusions and the reasons or bases therefor upon all the material issues of fact, law, or discretion presented in the record, and
- (2) The appropriate rule, order, sanction, relief or statement of denial thereof.

(b) A copy of every final order or decision under the seal of the Commission shall be served by registered or certified mail upon the person against whom it runs or his attorney and notice thereof shall be given to the other parties to the proceeding or their attorney. Such order shall take effect and become operative when issued unless otherwise designated therein and shall continue in force either for a period which may be designated therein or until changed or revoked by the Commission; provided, upon filing of new, changed or additional rates, it shall not be necessary to obtain relief from an outstanding order of the Commission fixing rates except in the case of transportation rates where the rates have been in effect less than one (1) year. If an order cannot, in the judgment of the Commission, be complied with within the time designated therein, the Commission may grant and prescribe such additional time as in its judgment is reasonably necessary to comply with the order, and may, on application and for good cause shown, extend the time for compliance fixed in its order. (1949, c. 989, s. 1; 1957, c. 1152, s. 4; 1959, c. 639, s. 4; 1961, c. 472, s. 1; 1963, c. 1165, s. 1.)

§ 62-80. **Powers of Commission to rescind, alter or amend prior order or decision.**—The Commission may at any time upon notice to the public utility and to the other parties of record affected, and after opportunity to be heard as provided in the case of complaints, rescind, alter or amend any order or decision made by it. Any order rescinding, altering or amending a prior order or decision shall, when served upon the public utility affected, have the same effect as is herein provided for original orders or decisions. (1949, c. 989, s. 1; 1963, c. 1165, s. 1.)

**"Complaint Proceeding."**—A hearing pursuant to the provisions of this section and § 62-136 which involves a single rate or small part of a rate structure of a public utility is called a "complaint proceeding." It differs from a general rate case in that it deals with an emergency or change of circumstances which does not affect the entire rate structure of a utility and may be resolved without involving the procedure outlined in § 62-133. *State v. Carolina Power and Light Co.*, 250 N. C. 421, 109 S. E. (2d) 253 (1959).

The Commission may not arbitrarily or capriciously rescind its order approving a contract between utilities. It must appear

that such rescission is made because of a change of circumstances requiring it in the public interest. *State v. Carolina Coach Co.*, 260 N. C. 43, 132 S. E. (2d) 249 (1963).

In the absence of statutory authority, and in the absence of any additional evidence or a change in conditions the Commission has no power to reopen a proceeding and modify or set aside an order theretofore made by it where the order was made in pursuance of an agreement entered into by the parties to the proceeding. *State v. Carolina Coach Co.*, 260 N. C. 43, 132 S. E. (2d) 249 (1963).

**Circumstances Justifying Rescission of Prior Order Approving Contract.**—The

improvement and construction of highways between two municipalities making feasible a new and quicker bus route between them was sufficient change of condition to empower the Utilities Commission to modify or rescind a prior order entered by it approving an agreement between two carriers in regard to their respective services to the public between the two municipalities along the older routes. *State v. Carolina Coach Co.*, 260 N. C. 43, 132 S. E. (2d) 249 (1963).

**Revocation of Prior Order Reversed.**—An order of the Utilities Commission re-

voking its prior order approving an agreement between carriers in regard to their respective services along the route in question and substituting in lieu thereof an order of the Commission having the same effect as the agreement, was reversed, there being no evidence to support the Commission's conclusion that the new order would promote harmony among the carriers, and there being no showing of a change of condition requiring a revision of the prior order in the public interest. *State v. Carolina Coach Co.*, 260 N. C. 43, 132 S. E. (2d) 249 (1963).

**§ 62-81. Special procedure in hearing and deciding rate cases.**—

All proceedings for an increase in rates and all other rate proceedings declared to be general rate cases under § 62-137 shall be set for hearing within six (6) months of the institution or filing thereof, and the procedure for rendering decisions therein shall be given priority over all other cases on the Commission's calendar of hearings and decisions. Such cases shall be heard by the full Commission, and the Commission shall furnish a transcript of the evidence and testimony presented by the end of the second business day after the taking of each day of testimony. The Commission shall require that briefs and oral arguments in such cases be submitted within thirty (30) days after receipt of such transcripts, and the Commission shall render its decision in such cases within sixty (60) days after submission of such briefs and arguments. All public utilities filing or applying for an increase in rates for electric, telephone, natural gas or water service shall notify their consumers of such filing by regular mail or by newspaper publication within thirty (30) days thereafter, which notice shall state that any hearing on said filing shall be set within six (6) months of said filing date. Other public utilities shall give such notice in a manner to be prescribed by the Commission. (1963, c. 1165, s. 1.)

§§ 62-82 to 62-89: Omitted.

ARTICLE 5.

*Review and Enforcement of Orders.*

**§ 62-90. Right of appeal; filing of exceptions.**—(a) No party to a proceeding before the Commission may appeal from any final order or decision of the Commission unless within thirty (30) days after the entry of such final order or decision, or within such time thereafter as may be fixed by the Commission, by order made within thirty (30) days, the party aggrieved by such decision or order shall file with the Commission notice of appeal and exceptions which shall set forth specifically the ground or grounds on which the aggrieved party considers said decision or order to be unlawful, unjust, unreasonable or unwarranted, and including errors alleged to have been committed by the Commission.

(b) The Commission shall within thirty (30) days after the filing of notice of appeal and exceptions to the final order or within thirty (30) days after any order which may be issued finally determining the exceptions to the final order, whichever is later, transmit the entire record in the proceeding, or a copy thereof, certified under the seal of the Commission, to the Supreme Court in all rate increase cases covered by § 62-99, and in all other cases, to the superior court of the county agreed upon by the parties, or in the absence of such agreement, to the superior court of any county in which the business involved in the pro-

ceeding is conducted, or is proposed to be conducted, or in which the remedy or relief sought is to be applied or enforced, together with the notice of appeal; provided, however, the Commission may, on motion of any party to the proceeding or on its own motion, set the exceptions to the final order upon which such appeal is based for further hearing before the Commission.

(c) Any party may appeal from all or any portion of any final order or decision of the Commission in the manner herein provided. Copy of the notice of appeal shall be mailed by the appealing party at the time of filing with the Commission, to each party to the proceeding to the addresses as they appear in the files of the Commission in the proceeding. The failure of any party, other than the Commission, to be served with or to receive a copy of the notice of appeal shall not affect the validity or regularity of the appeal.

(d) Except in direct appeals under § 62-99, the judge holding the court for the county to which the record is sent or the resident judge of the judicial district embracing said county shall hear and determine all matters arising on such appeal, as in this article provided, and may, in the exercise of discretion, remove the case to any other county. After final determination of the appeal, the clerk of the superior court shall return to the Commission such records as were transmitted by it to such court, together with a certified copy of the decision of the court. (1949, c. 989, s. 1; 1955, c. 1207, s. 1; 1959, c. 639, s. 1; 1963, c. 1165, s. 1.)

#### I. General Consideration.

#### II. Cases Decided Prior to 1949 Revision of Procedural Sections.

##### Cross Reference.

As to appeal directly to Supreme Court from order approving or authorizing rate increase, see § 62-99.

#### I. GENERAL CONSIDERATION.

**Necessity for Filing Exceptions; Appeal Limited to Parties.**—An affected party must file exceptions to the determination or decision within ten (now thirty) days after notice of the determination or decision. And on appeal from the Utilities Commission is limited to parties to the proceeding, and a party is not affected by a ruling of the Utilities Commission unless the decision affects or purports to affect some right or interest of a party to the controversy and is in some way determinative of some material question involved. In re Housing Authority, 233 N. C. 649, 65 S. E. (2d) 761 (1961).

**Jurisdiction of Commission to Reopen Case and Make Changes in Record.**—Within the time limited for transmitting the record to the superior court the Utilities Commission, notwithstanding the filing of notice of appeal, has jurisdiction and authority to reopen the case, to hear further evidence, and to make such changes in the original record as the Commission concludes the facts and the law warrant in order that the record may speak the truth. State v. Champion Papers, Inc., 259 N. C. 449, 130 S. E. (2d) 890 (1963).

#### II. CASES DECIDED PRIOR TO 1949 REVISION OF PROCEDURAL SECTIONS.

**Editor's Note.**—All of the cases in the following note were decided before the 1949 revision of the statute relating to procedure before the Utilities Commission and appeals therefrom, and construe former §§ 62-19 and 62-20, to which this section corresponds.

**Powers and Jurisdiction of Commission.**—Under this chapter as it stood prior to the revision of 1949, it was held that, for the purpose of making investigations and conducting hearings, the legislature had constituted the North Carolina Utilities Commission a court of record, with all the powers and jurisdiction of a court of general jurisdiction as to all subjects embraced within the purview of the statute, for which procedure was prescribed and authorized, with the right in "any party affected thereby" to appeal "from all decisions or determinations made by the Utilities Commission." State v. Atlantic Greyhound Corp., 224 N. C. 293, 29 S. E. (2d) 909 (1944); Utilities Comm. v. Atlantic Greyhound Corp., 224 N. C. 672, 32 S. E. (2d) 23 (1944). See § 62-60.

**Orders of Commission Need No Confirmation.**—The Utilities Commission is a State administrative agency of original and final jurisdiction, and its orders require no confirmation by any court to be effective. State v. Carolina Scenic Coach Co., 218 N. C. 233, 10 S. E. (2d) 824 (1940).

**Rehearing upon Exceptions.**—Under this chapter as it stood prior to the 1949 re-

vision, it was held that the Utilities Commission was not authorized to grant rehearings except in the manner prescribed by former § 62-20, to which this section corresponds. *State v. Norfolk Southern Ry. Co.*, 224 N. C. 762, 32 S. E. (2d) 346 (1944).

**Appeal to Superior Court.**—Under former § 62-20 appeal from the Commission must be to the superior court. *Pate v. Wilmington, etc., R. Co.*, 122 N. C. 877, 29 S. E. 334 (1898).

**Jurisdiction of Superior Court—Dismissal.**—The jurisdiction of the superior court with respect to the trial of law and fact on appeal under former § 62-20 was derivative and not original, and therefore if the Commission was without jurisdiction of the proceeding in which the order was made, from which the appeal was taken, because of the absence of a necessary party, or upon any other ground, the superior court was likewise without jurisdiction, and the proceeding pending therein, upon appeal, should be dismissed by said court. *State v. Southern Ry. Co.*, 196 N. C. 190, 145 S. E. 19 (1928).

**Independent Action to Restrain Exercise of Rights Granted by Commission.**—Plaintiffs instituted action against a competing carrier to restrain it from exercising rights given it by orders of the Utilities Commission amending its franchise. The orders were entered in proceedings to which plaintiffs were parties. It was held that plaintiffs had adequate remedy for the protection of their rights by appeal under former §§ 62-19 and 62-20, and judgment sustaining defendant's demurrer in the independent action was proper. *Atlantic Greyhound Corp. v. North Carolina Utilities Comm.*, 229 N. C. 31, 47 S. E. (2d) 473 (1948).

**Right of Appeal Confined to Parties.**—Former § 62-20 distinctly confined the right of appeal to a party to the proceeding. *North Carolina Corp. Comm. v. Winston-Salem, etc., R. Co.*, 170 N. C. 560, 87 S. E. 785 (1916).

The right of appeal conferred by former § 62-20 was limited to a party to the proceeding. For purposes of appeal, those who had no property or proprietary rights which were or might be affected by orders of the Commission were not such parties. An appeal by persons who were not parties to the proceeding would be dismissed by the superior court, for the reason that said court acquired no jurisdiction by such appeal. *State v. Southern Ry. Co.*, 196 N. C. 190, 145 S. E. 19 (1928); *State v. Kinston*, 221 N. C. 359, 20 S. E. (2d) 322 (1942).

**"Any Party Affected".**—Under the provisions of former § 62-20, "any party affected" by the order of the Commission as to rates or charges for passengers by a street railway company, etc., was given the right of appeal to the court from such order. In re *Southern Pub. Utilities Co.*, 179 N. C. 151, 101 S. E. 619 (1919).

The former statute, providing that "from all decisions or determinations made by the Corporation [now Utilities] Commission any party affected thereby shall be entitled to an appeal," must necessarily mean from a decision which affects or purports to affect some right or interest of a party to the controversy and is in some way determinative of some material question involved. *State v. Southern R. Co.*, 147 N. C. 483, 61 S. E. 271 (1908).

It is the duty of a municipality granting a charter to a corporation to operate a streetcar system therein which, by contract, has limited the fares to be charged passengers within a certain amount, to represent the public in proceedings upon a petition filed by the railway company before the Commission requesting that it be permitted to raise the fares beyond those limited in the contract, and thus the municipality might appeal through the courts as former § 62-20 prescribed, when the order was adverse to it or the interest it represented, as a "party affected by the decision and determination of the Commission," expressly provided for by the statute. In re *Southern Pub. Utilities Co.*, 179 N. C. 151, 101 S. E. 619 (1919).

**Who Were Not Parties under Former § 62-20.**—Citizens seeking to have a railway station moved could not appeal from the Commission's decision, under former § 62-20, because they were not parties. *North Carolina Corp. Comm. v. Winston-Salem, etc., R. Co.*, 170 N. C. 560, 87 S. E. 785 (1916).

**Notice Mandatory.**—Under former § 62-20, it was held that the statutory notice of an appeal by a railroad company from an order of the Commission was mandatory, and could not be extended by the consent of the parties of record. *State v. Southern R. Co.*, 185 N. C. 435, 117 S. E. 563 (1923); *State v. Norfolk Southern Ry. Co.*, 224 N. C. 762, 32 S. E. (2d) 346 (1944).

**Notice to Complaining Party under Former § 62-20.**—When notice of appeal to the superior court was given to the Commission by a railroad company, and other requirements of former § 62-20 relating thereto were met by the company, it was sufficient without giving notice of the appeal to the complaining party in the pro-

ceedings had before the Commission, as upon this appeal the statute made the Commission the party plaintiff. *North Carolina Corp. Comm. v. Southern R. Co.*, 151 N. C. 447, 66 S. E. 427 (1909)

**Removal to Federal Courts.**—Assuming that an order of the Commission made to compel a carrier to change the location and conditions of its depot to promote the convenience, security and accommodation of the public would be an invasion of interstate commerce, this does not transform the proceedings in which the order is made into “a suit at law or in equity,” as such removable from the superior court of the State to an inferior federal tribunal, upon the ground of diverse citizenship. *North Carolina Corp. Comm. v. Southern R. Co.*, 151 N. C. 447, 66 S. E. 427 (1909).

In proceedings for the removal of a cause from the State to the federal courts upon the question of diversity of citizenship under the federal statute applicable, the State court is not bound to surrender its jurisdiction until a case has been made which, on the face of the petition, shows the petitioner has a right to the transfer of the cause to the federal courts. *North Carolina Corp. Comm. v. Southern R. Co.*, 151 N. C. 447, 66 S. E. 427 (1909).

**Final Process.**—Under this article as it stood before the 1949 revision, it was held that the Commission had no power to enforce its orders and decrees by final pro-

**§ 62-91. Appeal docketed; priority of trial.**—The cause shall be entitled “State of North Carolina on relation of the Utilities Commission against (here insert name of appellant).” It shall be on the civil issue docket of such court and shall have priority over other civil actions. (1949, c. 989, s. 1; 1963, c. 1165, s. 1.)

**Utilities Commission as Party.**—When the Utilities Commission sits as a court of record to determine the rights of rival claimants to a valuable franchise, it is somewhat anomalous to find it appearing in the Supreme Court to uphold its order

**§ 62-92. Parties on appeal.**—In any appeal to the superior court, the complainant in the original complaint before the Commission shall be a party to the record and each of the parties to the proceeding before the Commission shall have a right to appear and participate in said appeal. (1949, c. 989, s. 1; 1963, c. 1165, s. 1.)

**Former Law.**—Under this chapter as it stood before the 1949 revision of the procedural sections, in case of an appeal to the courts, the only authorized parties were the State of North Carolina on relation of the Commission as plaintiff and the railroad or other corporation as defendant. No one else could appeal, because there were, and under the statute could be, no other parties, and the right to appeal was

ess issuing directly therefrom, and for such purpose resort must be had to ordinary courts, either by independent proceedings or in proper instances by process issued in cases carried before such courts on appeal. *State v. Southern R. Co.*, 147 N. C. 483, 61 S. E. 271 (1908). See §§ 62-97, 62-98.

**Removal of Franchise Restriction as to Carriage of Passengers by Motor Carrier.**—Former § 62-20 authorized a petitioner to appeal to the superior court from an adverse ruling of the Utilities Commission on its petition for the removal from its franchise of a restriction in regard to the carriage of passengers, and the contention that no appeal would lie from such order because the right of appeal was governed by the motor carrier laws authorizing an appeal from an order affecting franchise only when entered for violation of law, was untenable. *Utilities Comm. v. Carolina Scenic Coach Co.*, 216 N. C. 325, 4 S. E. (2d) 897 (1939).

Petitioner had the right to appeal to the superior court from the denial of its petition for the removal from its franchise of a restriction prohibiting it from transporting passengers between two cities along its route in purely local traffic between the said cities. *State v. Carolina Scenic Coach Co.*, 218 N. C. 233, 10 S. E. (2d) 824 (1940).

from which one or the other party had appealed. However, this procedure seems to have been authorized by the General Assembly. *State v. City Coach Co.*, 234 N. C. 489, 67 S. E. (2d) 629 (1951).

confined to the parties to the proceeding. *North Carolina Corp. Comm. v. Winston-Salem, etc., R. Co.*, 170 N. C. 560, 87 S. E. 785 (1916).

The Utilities Commission is a party of record in a proceeding before it, and upon appeal the Commission becomes the party plaintiff. *State v. Norfolk Southern Ry. Co.*, 224 N. C. 762, 52 S. E. (2d) 346 (1944).

**§ 62-93. No evidence admitted on appeal; remission for further evidence.**—No evidence shall be received at the hearing on appeal but if any party shall satisfy the court that evidence has been discovered since the hearing before the Commission that could not have been obtained for use at that hearing by the exercise of reasonable diligence, and will materially affect the merits of the case, the court may, in its discretion, remand the record and proceedings to the Commission with directions to take such subsequently discovered evidence, and after consideration thereof, to make such order as the Commission may deem proper, from which order an appeal shall lie as in the case of any other final order from which an appeal may be taken as provided in § 62-90. (1949, c. 989, s. 1; 1955, c. 1207, s. 2; 1963, c. 1165, s. 1.)

**Cross Reference.**—See note to § 62-94.  
**Record Must Show Basis for Remand.**  
 —Where nothing in the record indicates that any party made a motion to remand or that any party desired to offer further

evidence, or that newly discovered evidence was available, there is no basis for the court, in its discretion, to remand the cause. *State v. Maybelle Transport Co.*, 252 N. C. 776, 114 S. E. (2d) 768 (1960).

**§ 62-94. Record on appeal; extent of review.** — (a) On appeal the court shall review the proceedings without a jury in chambers or at term time and such review shall be confined to the record as certified by the Commission to the court, except that in cases of alleged irregularities in procedure before the Commission, not shown in the record, testimony thereon may be taken in the court.

(b) So far as necessary to the decision and where presented, the court shall decide all relevant questions of law, interpret constitutional and statutory provisions, and determine the meaning and applicability of the terms of any Commission action. The court may affirm or reverse the decision of the Commission, declare the same null and void, or remand the case for further proceedings; or it may reverse or modify the decision if the substantial rights of the appellants have been prejudiced because the Commission's findings, inferences, conclusions or decisions are:

- (1) In violation of constitutional provisions, or
- (2) In excess of statutory authority or jurisdiction of the Commission, or
- (3) Made upon unlawful proceedings, or
- (4) Affected by other errors of law, or
- (5) Unsupported by competent, material and substantial evidence in view of the entire record as submitted, or
- (6) Arbitrary or capricious.

(c) In making the foregoing determinations, the court shall review the whole record or such portions thereof as may be cited by any party and due account shall be taken of the rule of prejudicial error. The appellant shall not be permitted to rely upon any grounds for relief on appeal which were not set forth specifically in his notice of appeal filed with the Commission.

(d) The court shall also compel action of the Commission unlawfully withheld or unlawfully or unreasonably delayed.

(e) Upon any appeal, the rates fixed, or any rule, regulation, finding, determination, or order made by the Commission under the provisions of this chapter shall be prima facie just and reasonable. If on any appeal the court determines that an issue is presented which, for constitutional reasons, must be submitted to a jury, the court shall order a jury trial as to such issue. (1949, c. 989, s. 1; 1955, c. 1207, s. 3; 1963, c. 1165, s. 1.)

#### I. General Consideration.

#### II. Cases Decided Prior to 1949 Revision of Procedural Sections.

#### I. GENERAL CONSIDERATION.

**Appeals from the Utilities Commission are confined to questions of law upon**

grounds specifically set forth in appellant's petition for rehearing by the Commission. *State v. Queen City Coach Co.*, 233 N. C. 119, 63 S. E. (2d) 113 (1951). See *State v. Mead Corp.*, 238 N. C. 451, 78 S. E. (2d) 290 (1953).

**Weighing of Evidence and Exercise of Judgment Thereon Are Matters for Commission.**—The decisions of the Utilities Commission must be within the authority conferred by statute, yet the weighing of the evidence and the exercise of judgment thereon as to transportation problems within the scope of its powers are matters for the Commission. *State v. Carolina Coach Co.*, 260 N. C. 43, 132 S. E. (2d) 249 (1963).

**And Court May Not Find Facts or Regulate Utilities.**—Although in reviewing an order of the Commission, a court might, upon the same facts, have reached a different result, it is not for the court to find the facts or to regulate utilities. *State v. Carolina Coach Co.*, 260 N. C. 43, 132 S. E. (2d) 249 (1963).

**What constitutes public convenience and necessity is primarily an administrative question with a number of imponderables to be taken into consideration, e. g., whether there is a substantial public need for the service; whether the existing carriers can reasonably meet this need, and whether it would endanger or impair the operations of existing carriers contrary to the public interest.** *State v. Carolina Coach Co.*, 260 N. C. 43, 132 S. E. (2d) 249 (1963).

**Determination by Commission Is Prima Facie Just and Reasonable.**—A determination by the Commission is made by statute, not simply prima facie evidence of its validity, but prima facie just and reasonable. *State v. Ray*, 235 N. C. 692, 73 S. E. (2d) 870 (1953); *State v. Municipal Corporations*, 243 N. C. 193, 90 S. E. (2d) 519 (1955); *State v. Casey*, 245 N. C. 297, 96 S. E. (2d) 8 (1957); *State v. Carolina Coach Co.*, 260 N. C. 43, 132 S. E. (2d) 249 (1963).

An order of the Commission requiring a transportation company to maintain public service facilities must be considered prima facie reasonable and just, but this does not preclude the transportation company affected from showing that the order was unsupported by competent, material and substantial evidence. *State v. Atlantic Coast Line R. Co.*, 238 N. C. 701, 78 S. E. (2d) 780 (1953).

By this section an order of the Commission is prima facie just and reasonable. This applies to orders approving contracts

of public utilities. *State v. Carolina Coach Co.*, 260 N. C. 43, 132 S. E. (2d) 249 (1963).

**And Burden Is on Appellant to Show Error of Law in Proceedings.**—The law imposes the duty upon the Utilities Commission and not the courts to fix rates, and the burden is upon appellant from an order of the Commission to show error of law in the proceeding before the Commission. *State v. Champion Papers, Inc.*, 259 N. C. 449, 130 S. E. (2d) 890 (1963).

**But Appellant May Show That Order Was Unsupported by Evidence.**—Upon appeal the orders made by the Utilities Commission "shall be prima facie just and reasonable," but this does not preclude the appellant from showing that the evidence offered rebuts the prima facie effect of the order, and that the order was unsupported by competent, material and substantial evidence in view of the entire record. *State v. Atlantic Coast Line R. Co.*, 235 N. C. 273, 69 S. E. (2d) 502 (1952); *State v. Gulf-Atlantic Towing Corp.*, 251 N. C. 105, 110 S. E. (2d) 886 (1959).

While the determination of a petition by a carrier to be allowed to discontinue an established service rests in large measure in the sound judgment and discretion of the Utilities Commission, and its order in regard thereto is prima facie just and reasonable, such order is reviewable to ascertain whether it is arbitrary or capricious or if the essential findings of fact on which it is based are supported by competent, material and substantial evidence. *State v. Southern Ry. Co.*, 254 N. C. 73, 118 S. E. (2d) 21 (1961).

**Additional Findings of Fact by Superior Court Not Authorized.**—When an appeal to the superior court is taken from an order entered by the North Carolina Utilities Commission, the review is limited to the record as certified and to the questions of law presented therein. There is no provision for additional findings of fact by the judge for the purpose of determining the validity of the order entered by the Commission. *State v. Fox*, 236 N. C. 553, 73 S. E. (2d) 464 (1952); *State v. Ray*, 236 N. C. 692, 73 S. E. (2d) 870 (1953). See *State v. Mead Corp.*, 238 N. C. 451, 78 S. E. (2d) 290 (1953).

And where the trial judge made findings of fact and upon the findings so made rendered judgment that the order of the Commission was null and void, the Supreme Court will remand the case to the superior court for judgment on the questions of law presented by the record as certified, or for remand to the Utilities

Commission for additional findings if any may be deemed necessary. *State v. Fox*, 236 N. C. 553, 73 S. E. (2d) 464 (1952).

**Commission's Findings Are Conclusive if Supported by Evidence.**—On the appeal to the superior court the Commission's findings of fact are conclusive and binding if they are supported by competent, material, and substantial evidence in view of the entire record. *State v. Champion Papers, Inc.*, 259 N. C. 449, 130 S. E. (2d) 890 (1963).

**Evidence of Reasonableness of Practice.**—Where the Commission's order required the defendants to do no more than they did voluntarily and without objection for thirty years or more, preceding the last six or eight years this would seem to be "strong evidence" of the reasonableness of the practice. *Utilities Comm. v. Southern Ry. Co.*, 256 N. C. 359, 124 S. E. (2d) 510 (1962).

**When Order Granting Rate Increase Affirmed.**—Where the order of the Utilities Commission granting petitioner an increase in rates in a general rate case is justified by the findings of fact which are supported by plenary evidence, the order of the Commission will be affirmed. *State v. Tidewater Natural Gas Co.*, 259 N. C. 558, 131 S. E. (2d) 303 (1963).

**Issues Not Raised before Commission.**—Appellant may not rely on new grounds for relief on appeal when such grounds were not set forth specifically in his petition for rehearing before the Commission. *State v. State*, 250 N. C. 410, 109 S. E. (2d) 368 (1959).

**Contents of Order Remanding Cause.**—If a cause is remanded under this section, the order should specify the ground on which it is based and thereby indicate to the Commission the nature of its further proceedings. *State v. Maybelle Transport Co.*, 252 N. C. 776, 114 S. E. (2d) 768 (1960).

Applied in *State v. Haywood Electric Membership Corp.*, 260 N. C. 59, 131 S. E. (2d) 865 (1963).

## II. CASES DECIDED PRIOR TO 1949 REVISION OF PRO- CEDURAL SECTIONS.

**Editor's Note.**—All of the cases in the following note were decided before the 1949 revision of the procedural provisions of this chapter, and construe former §§ 62-20 and 62-21, corresponding to § 62-90 and this section. It should be noted that the 1949 revision made many changes in procedure, and especially in the extent of review.

Prior to the 1949 revision, on appeal to

the superior court the trial was under the same rules and regulations applicable in other civil causes, save and except the prima facie effect to be given the decision or determination of the Commission. *State v. Great Southern Trucking Co.*, 223 N. C. 687, 28 S. E. (2d) 201 (1943).

**Appeal under Former Law Was Trial de Novo.**—Upon appeal under the former statute by a party to a proceeding before the Corporation [now Utilities] Commission from an order made therein under former §§ 62-42 and 62-43, the superior court had jurisdiction to try and determine both issues of law and issues of fact, duly presented by assignments of error based upon exceptions duly taken by the appellant during the hearing before the Commission. The trial of such issues by the superior court was de novo. *State v. Southern Ry. Co.*, 196 N. C. 190, 145 S. E. 19 (1928), citing *S. v. R. R.*, 161 N. C. 270, 76 S. E. 554 (1912).

Under this chapter as it stood before the 1949 revision, the trial was de novo, and from thence only would a further appeal lie to the Supreme Court, governed by the rule that such an appeal must not be fragmentary, but shall be from a final judgment or one final in its nature. *State v. Cannon Mfg. Co.*, 185 N. C. 17, 116 S. E. 178 (1923).

A provision of former § 62-21 that on appeal the trial should be "under the same rules and regulations as are prescribed for the trial of other civil causes," was interpreted to mean that the trial should be de novo. *State v. Great Southern Trucking Co.*, 223 N. C. 687, 28 S. E. (2d) 201 (1943), citing *North Carolina Corp. Comm. v. Winston-Salem Southbound R. Co.*, 170 N. C. 560, 87 S. E. 785 (1916).

**Appeals from the Utilities Commissioner** were analogous to appeals from a justice of the peace rather than appeals from a referee, and since the trial in the superior court was de novo upon issues of fact raised by the exceptions, the superior court properly refused to pass upon appellant's exceptions to the findings of fact seriatim. *State v. Carolina Scenic Coach Co.*, 218 N. C. 233, 10 S. E. (2d) 824 (1940).

**Decision of Commission Was "Prima Facie Just and Reasonable."**—While on appeal from the Utilities Commission to the superior court the provision of former § 62-21 was interpreted to mean that the trial should be de novo, the section also provided that the decision or determination of the Commission "shall be prima facie just and reasonable." *State v. Great Southern Trucking Co.*, 223 N. C. 687, 28 S. E. (2d) 201 (1943).

**Findings of Fact Not Conclusive.**—Former §§ 62-20 and 62-21 did not contain any provision that the findings of fact by the Utilities Commission should be conclusive on appeal. *State v. Willis Barber, etc., Shop*, 219 N. C. 709, 15 S. E. (2d) 4 (1941).

**Presumptions.**—The provision of the former statute that the decision of the Utilities Commissioner should be deemed *prima facie* just and reasonable, merely raised a presumption of law, and placed the burden of going forward with the proof upon the party appealing from the decision, but even if the section had been construed to raise a presumption of fact, an instruction that the findings and decision of the Commissioner were *prima facie* just and reasonable gave appellee the benefit of a presumption of fact when the evidence fully apprised the jury of the substance and purport of the order. *State v. Carolina Scenic Coach Co.*, 218 N. C. 233, 10 S. E. (2d) 824 (1940).

**Issues of Fact.**—While on appeal under the former law from the denial of a petition to remove certain restrictions from petitioner's franchise, the point at issue was the reasonableness of the Commissioner's order, which was a question of law, nevertheless the reasonableness of the order depended upon the attendant facts, and exceptions to the Commissioner's findings upon which his order was predicated, raised issues of fact for the determination of the jury. *State v. Carolina Scenic Coach Co.*, 218 N. C. 233, 10 S. E. (2d) 824 (1940).

Petitioner filed a petition requesting the removal from its franchise of a restriction prohibiting it from transporting passengers between two cities along its route in purely local traffic between the said cities. The Utilities Commissioner denied the petition upon his findings, among others, that the service between the two cities furnished by another carrier was ample, that there was no necessity for permitting petitioner to furnish service between the two cities, and that the removal of the restriction was not demanded by the public interest. Upon appeal, under the former law, it was held that the exceptions raised issues of fact to be determined by a jury, a high degree of formality in separating findings and conclusions of fact from conclusions of law not being required, and the appeal was properly transferred to the civil issue docket and tried before a jury. *State v. Carolina Scenic Coach Co.*, 218 N. C. 233, 10 S. E. (2d) 824 (1940).

**Question for Decision on Appeal.**—Petitioner filed a petition requesting the re-

moval from its franchise of a restriction prohibiting it from transporting passengers between two cities along its route in purely local traffic between said cities. Upon appeal to the superior court under the former law from the denial of the petition, the carrier intervening and opposing the granting of the petition objected to the refusal of the court to submit an issue as to whether the public interest demanded additional transportation facilities between the two cities and objected to the submission of the issue as to whether the public convenience and necessity required the removal of the restriction from the petitioner's franchise, contending that the sole question within the superior court's jurisdiction was whether the public convenience and necessity required additional service, and that upon an affirmative finding to this issue in the superior court the matter should be remanded to the Commissioner in order that he might select the person or corporation to which he would award the franchise for such additional service. It was held that the question for the decision in the superior court upon appeal was whether petitioner should be given the relief prayed, and not whether the Commissioner should be sustained in his ruling, and the superior court had jurisdiction to determine the matter and grant the relief prayed for upon an affirmative finding by the jury upon the issue submitted. *State v. Carolina Scenic Coach Co.*, 218 N. C. 233, 10 S. E. (2d) 824 (1940).

**Evidence.**—On appeal from an order of the Commission, under former § 62-21 the trial was *de novo* tried under the same rules and regulations as are prescribed for the trial of other civil causes; and any relevant evidence could be there introduced, whether it had theretofore been introduced before the Commission or not. *State v. Seaboard Air Line, etc., R. Co.*, 161 N. C. 270, 76 S. E. 554 (1912). See § 62-26.9.

In case wherein a union passenger depot had been ordered by the Commission it was reversible error in the superior court, on appeal from the Commission, for the trial judge to admit evidence as to the effect the relocation would have on property values in a near-by town, where the present station of one of the roads is located. *State v. Seaboard Air Line, etc., R. Co.*, 161 N. C. 270, 76 S. E. 554 (1912).

**Affirmance of Decision of Commission.**—Under former § 62-21, in the absence of a showing that the decision of the Utilities Commission was clearly unreasonable and unjust, appellee, on appeal to the su-

perior court, was entitled to an affirmance of the decision of the Commission. *State v. Carolina Coach Co.*, 224 N. C. 390, 30 S. E. (2d) 328 (1944).

In an application for a certificate of public convenience and necessity the Utilities Commission must act within the authority conferred by the statute, yet the findings

from the evidence and the exercise of judgment thereon within the scope of its powers are matters for the Commission, and its order will not be disturbed when sustained by the findings upon competent, material and substantial evidence. *State v. Fredrickson Motor Exp.*, 232 N. C. 180, 59 S. E. (2d) 582 (1950).

**§ 62-95. Relief pending review on appeal.**—Pending judicial review, the Commission is authorized, where it finds that justice so requires, to postpone the effective date of any action taken by it. Upon such conditions as may be required and to the extent necessary to prevent irreparable injury, the judge of the superior court is authorized to issue all necessary and appropriate process to postpone the effective date of any action by the Commission or take such action as may be necessary to preserve status or rights of any of the parties pending conclusion of the proceedings on appeal. The court may require the applicant for such stay to post adequate bond as required by the court. (1949, c. 989, s. 1; 1963, c. 1165, s. 1.)

**§ 62-96. Appeal to Supreme Court.**—In all appeals heard first in the superior court, any party may appeal to the Supreme Court from the judgment of the superior court under the same rules and regulations as are prescribed by law for appeals, except that the Commission, if it shall appeal, shall not be required to give any undertaking or make any deposit to assure the cost of such appeal, and such court may advance the cause on its docket. (1949, c. 989, s. 1; 1963, c. 1165, s. 1.)

**Cross References.**—As to appeal generally, see § 1-268 et seq. As to Commission appearing before Supreme Court to uphold its own order, see note to § 62-91.

An appeal does not lie directly from the

Commission to the Supreme Court. *North Carolina Corp. Comm. v. Winston-Salem, etc.*, R. Co., 170 N. C. 560, 568, 87 S. E. 785 (1916), citing *Pate v. Wilmington, etc., R. Co.*, 122 N. C. 877, 29 S. E. 334 (1898).

**§ 62-97. Judgment on appeal enforced by mandamus.**—In all cases in which, upon appeal, an order or decision of the Commission is affirmed, in whole or in part, the appellate court shall include in its decree a mandamus to the appropriate party to put said order in force, or so much thereof as shall be affirmed, or the appellate court may make such other order as it deems appropriate. (1949, c. 989, s. 1; 1963, c. 1165, s. 1.)

**Performance Compelled by Mandamus.**—Under former § 62-25, corresponding to this section prior to the 1949 revision of the procedural sections of this article, it was said that the State court could compel performance only by resort to the high prerogative writ of mandamus, and that by authority of the statute. *North Caro-*

*lina Corp. Comm. v. Southern R. Co.*, 151 N. C. 447, 66 S. E. 427 (1909).

Under former § 62-25, the right to a mandamus to enforce a valid order was given in causes which had been carried to the superior court by appeal. *State v. Southern R. Co.*, 147 N. C. 483, 61 S. E. 271 (1908).

**§ 62-98. Peremptory mandamus to enforce order, when no appeal.**—(a) If no appeal is taken from an order or decision of the Commission within the time prescribed by law and the person to which the order or decision is directed fails to put the same in operation, as therein required, the Commission may apply to the judge regularly assigned to the superior court district which includes Wake County, or to the resident judge of said district at chambers, or to the judge holding the superior court in any judicial district in which the business is conducted upon ten days' notice, for a peremptory mandamus upon said person for the putting in force of said order or decision; and if said judge shall find that the order of said Commission was valid and within the scope of its powers, he shall issue such peremptory mandamus.

(b) An appeal shall lie to the Supreme Court in behalf of the Commission, or the defendant, from the refusal or the granting of such peremptory mandamus. The remedy prescribed in this section for enforcement of orders of the Commission is in addition to other remedies prescribed by law. (1949, c. 989, s. 1; 1963, c. 1165, s. 1.)

**Orders of Commission Are Not Judgments.**—The Commission makes such orders as the circumstances of the case justify, but these orders are not judgments of a court. The Commission cannot issue execution to enforce them; they simply serve as the basis for judicial action in the superior court to enforce them or to punish their violation. 2 N. C. Law Rev. 74. See *Mayo v. Western Union Tel. Co.*, 112 N. C. 343, 16 S. E. 1006 (1893).

**Independent Proceedings for Mandamus.**—An appeal may be had by independent proceedings for mandamus to enforce a valid order from which no appeal has been taken. *State v. Southern R. Co.*, 147 N. C. 483, 61 S. E. 271 (1908).

**Mandamus to Enforce Final Order.**—Where the Commission had ordered two railroad companies to erect a union depot at a junction after a hearing upon the petition of the citizens of the town, and the railroads had lost or waived their statutory right to appeal, such order was regarded as a final judgment, and mandamus proceedings to compel the enforcement of the final order upon failure of the railroads to except and appeal therefrom was the remedy authorized by statute. *State v. Southern R. Co.*, 185 N. C. 435, 117 S. E. 563 (1923).

§ 62-99. **Rate increases appealed direct from Commission to Supreme Court.**—Appeals from an order or decision of the Commission approving or authorizing an increase in the rates or charges of a public utility shall be made directly from the Commission to the Supreme Court without intermediate review in the superior court. The Commission shall transmit the entire record in all such appeals direct to the Supreme Court for hearing and review in accordance with the extent of review set out in this article for review of Commission cases, and the rules and regulations as are prescribed by law for appeals. (1963, c. 1165, s. 1.)

§§ 62-100 to 62-109: Omitted.

## ARTICLE 6.

### *The Utility Franchise.*

§ 62-110. **Certificate of convenience and necessity.**—No public utility shall hereafter begin the construction or operation of any public utility plant or system or acquire ownership or control thereof, either directly or indirectly, without first obtaining from the Commission a certificate that public convenience and necessity requires, or will require, such construction, acquisition, or operation: Provided, that this section shall not apply to construction into territory contiguous to that already occupied and not receiving similar service from another public utility, nor to construction in the ordinary conduct of business. (1931, c. 455; 1933, c. 134, s. 8; 1941, c. 97; 1963, c. 1165, s. 1.)

**Cross Reference.**—As to necessity for certificate of convenience and necessity for housing projects, see § 157-28.

**Editor's Note.**—See article in 16 N. C. Law Rev. 46.

This section does not apply to municipal corporations. *Grimesland v. Washington*, 234 N. C. 117, 66 S. E. (2d) 794 (1951).

A municipal corporation in the operation of a municipally owned electric power plant with transmission lines extended to supply consumers beyond its corporate

limits is not required under this section to obtain from the Utilities Commission a certificate of public convenience and necessity before it can lawfully operate. *Grimesland v. Washington*, 234 N. C. 117, 66 S. E. (2d) 794 (1951); *Pee Dee Electric Membership Corp. v. Carolina Power & Light Co.*, 253 N. C. 610, 117 S. E. (2d) 764 (1961).

This section is not applicable to an electric membership corporation organized under the provisions of §§ 117-6 to 117-27.

And by reason of the provisions of § 117-27 there was no error in holding that the defendant electric membership corporation was not required to obtain from the Utilities Commissioner (now Utilities Commission) of North Carolina a certificate of public convenience and necessity. Carolina

Power, etc., Co. v. Johnston County Elec. Membership Corp., 211 N. C. 717, 192 S. E. 105 (1937); Pitt & Greene Electric Membership Corp. v. Carolina Power & Light Co., 255 N. C. 258, 120 S. E. (2d) 749 (1961).

**§ 62-111. Transfers of franchises; mergers, consolidations and combinations of public utilities.**—(a) No franchise now existing or hereafter issued under the provisions of this chapter other than a franchise for motor carriers of passengers shall be sold, assigned, pledged or transferred, nor shall control thereof be changed through stock transfer or otherwise, or any rights thereunder leased, nor shall any merger or combination affecting any public utility be made through acquisition or control by stock purchase or otherwise, except after application to and written approval by the Commission, which approval shall be given if justified by the public convenience and necessity. Provided, that the above provisions shall not apply to regular trading in listed securities on recognized markets.

(b) No certificates or permits issued under the provisions of this chapter for motor carriers of passengers shall be sold, assigned, pledged, transferred, or control changed through stock transfer or otherwise, or any rights thereunder leased, nor shall any merger or combination affecting any motor carrier of passengers be made through acquisition of control by stock purchases or otherwise, except after application to and written approval by the Commission as in this section provided, provided that the above provisions shall not apply to regular trading in listing securities on recognized markets. The applicant shall give not less than ten days' written notice of such application by registered mail or by certified mail to all connecting and competing carriers. When the Commission is of the opinion that the transaction is consistent with the purposes of this chapter, the Commission may, in the exercise of its discretion, grant its approval, provided, however, that when such transaction will result in a substantial change in the service and operations of any motor carrier of passengers party to the transaction, or will substantially affect the operations and services of any other motor carrier, the Commission shall not grant its approval except upon notice and hearing as required in § 62-262 upon an application for an original certificate or permit. In all cases arising under this subsection it shall be the duty of the Commission to require the successor carrier to satisfy the Commission that the operating debts and obligations of the seller, assignor, pledgor, lessor or transferor, including taxes due the State of North Carolina or any political subdivision thereof are paid or the payment thereof is adequately secured. The Commission may attach to its approval of any transaction arising under this section such other conditions as the Commission may determine are necessary to effectuate the purposes of this article.

(c) No sale of a franchise for a motor carrier of property shall be approved by the Commission until the seller shall have filed with the Commission a statement under oath of all debts and claims against the seller, of which such seller has any knowledge or notice, (i) for gross receipts, use or privilege taxes due or to become due the State, as provided in the Revenue Act, (ii) for wages due employees of the seller, other than salaries of officers and in the case of motor carriers, (iii) for unremitted c.o.d. collections due shippers, (iv) for loss of or damage to goods transported, or received for transportation, (v) for overcharges on property transported, and, (vi) for interline accounts due other carriers, together with a bond, if required by the Commission, payable to the State, executed by a surety company authorized to do business in the State, in an amount double the aggregate of all such debts and claims conditioned upon the payment of the

same within the amount of such bond as the amounts and validity of such debts and claims are established by agreement of the parties, or by judgment. This subsection shall not be applicable to sales by personal representatives of deceased or incompetent persons, receivers or trustees in bankruptcy under court order.

(d) No person shall obtain a franchise for the purpose of transferring the same to another, and an offer of such transfer within one (1) year after the same was obtained shall be prima facie evidence that such certificate or permit was obtained for the purpose of sale. (1947, c. 1008, s. 22; 1949, c. 1132, s. 20; 1953, c. 1140, s. 3; 1957, c. 1152, s. 10; 1961, c. 472, ss. 6, 7; 1963, c. 1165, s. 1.)

**Certificate Holder Not Released from Liability for Nonperformance of Duties.**—This section does not confer upon the Utilities Commission the power to release the holder of a certificate of convenience and necessity from liability for the nonperformance of public duties incident to the certificate. And the Commission possesses no such power in the absence of a delegation thereof by the legislature. *Hough-Wylie Co. v. Lucas*, 236 N. C. 90, 72 S. E. (2d) 11 (1952).

A lease of intrastate motor vehicle common-carrier operating rights, approved by the Utilities Commission, does not release lessor, the holder of the certificate of convenience and necessity, from liability for nonperformance of franchise duties or torts incident to operation, and a shipper may hold lessor liable for lessee's failure to make prompt remittance of C. O. D. collections as required by § 62-273. In the instant case the Utilities Commission, in approving the lease, did not attempt to relieve lessors of such obligations, nor would it have the power to do so. *Hough-*

*Wylie Co. v. Lucas*, 236 N. C. 90, 72 S. E. (2d) 11 (1952).

**Transferee Must Render Services Called for.**—The approval by the Commission of the transfer of a carrier's certificate of authority implies the duty on the part of the transferee to render the service called for in the certificate, which it must perform in a substantial manner. *State v. Colter*, 259 N. C. 269, 130 S. E. (2d) 385 (1963).

**Combining Purchased Route Authority and Original Route Authority of Purchasing Carrier.**—Where an irregular carrier acquires the certificate of another irregular carrier with the authority of the Utilities Commission, the purchasing carrier has the legal right to combine or "tack" the irregular route authority purchased by it and its original irregular route authority, there being no conditions or restrictions imposed by statute or any rule or regulation of the Commission in effect at the time of the purchase. *State v. Forbes Transfer Co., Inc.*, 259 N. C. 688, 131 S. E. (2d) 452 (1963).

### § 62-112. Effective date, suspension or revocation of franchises.

—(a) Franchises shall be effective from the date issued unless otherwise specified therein, and shall remain in effect until terminated under the terms thereof, or until suspended or revoked as herein provided.

(b) Any franchise may be suspended or revoked, in whole or in part, in the discretion of the Commission, upon application of the holder thereof; or, after notice and hearing, may be suspended or revoked, in whole or in part, upon complaint, or upon the Commission's own initiative, for wilful failure to comply with any provision of this chapter, or with any lawful order, rule, or regulation of the Commission promulgated thereunder, or with any term, condition or limitation of such franchise; provided, however, that any such franchise may be suspended by the Commission upon notice to the holder or lessee thereof without a hearing for any one or more of the following causes:

- (1) For failure to provide and keep in force at all times security, bond, insurance or self-insurance for the protection of the public as required in § 62-268 of this chapter.
- (2) For failure to file and keep on file with the Commission applicable tariffs or schedules of rates as required in this chapter.
- (3) For failure to pay any gross receipts, use or privilege taxes due the State of North Carolina within thirty (30) days after demand in writing from the agency of the State authorized by law to collect the

same; provided, that this subdivision shall not apply to instances in which there is a bona fide controversy as to tax liability.

- (4) For failure for a period of sixty (60) days after execution to pay any final judgment rendered by a court of competent jurisdiction against any holder or lessee of a franchise for any debt or claim specified in § 62-111 (b) and (c).
- (5) For failure to begin operations as authorized by the Commission within the time specified by order of the Commission, or for suspension of authorized operations for a period of thirty (30) days without the written consent of the Commission, save in the case of involuntary failure or suspension brought about by compulsion upon the franchise holder or lessee. (1947, c. 1008, s. 23; 1949, c. 1132, s. 21; 1963, c. 1165, s. 1.)

**§ 62-113. Terms and conditions of franchises.**—Each franchise shall specify the service to be rendered and the routes over which, the fixed termini, if any, between which, and the intermediate and off-route points, if any, at which, and in case of operations not over specified routes or between fixed termini, the territory within which, a motor carrier or other public utility is authorized to operate; and there shall, at the time of issuance and from time to time thereafter, be attached to the privileges granted by the franchise such reasonable terms, conditions, and limitations as the public convenience and necessity may from time to time require, including terms, conditions, and limitations as to the extension of the route or routes of a carrier, and such terms and conditions as are necessary to carry out, with respect to the operations of a carrier or other public utility, the requirements established by the Commission under this chapter; provided, however, that no terms, conditions, or limitations shall restrict the right of a motor carrier of property only to add to its equipment and facilities over the routes, between the termini, or within the territory specified in the franchises, as the development of the business and the demands of the public shall require. (1947, c. 1008, s. 12; 1949, c. 1132, s. 11; 1963, c. 1165, s. 1.)

**The Commission need not approve or reject an application as submitted.** It may attach to the certificate granted such reasonable terms, conditions and limitations as the public convenience and necessity may require. *State v. Carolina Coach Co.*, 260 N. C. 43, 132 S. E. (2d) 249 (1963).

**Obligations Inherent in Acceptance of Certificate.**—Inherent in the acceptance of a certificate and the exercise of the rights and privileges evidenced thereby, is the

correlative obligation to serve the shipping public faithfully in accordance with reasonable rules and regulations prescribed by the Utilities Commission and in conformity with the requirements of provisions of the statute prescribing duties to be performed by the carrier for the protection of the shipping public. *Hough-Wylie Co. v. Lucas*, 236 N. C. 90, 72 S. E. (2d) 11 (1952).

**§ 62-114. Contract carriers; issuance of permits; terms and conditions.**—When the Commission issues a permit to any contract carrier, it shall specify in the permit, or amendment thereto, the business of the contract carrier covered thereby and the scope thereof and shall attach to it, at the time of issuance, and from time to time thereafter, such reasonable terms, conditions, and limitations consistent with the character of the holder as a contract carrier as are necessary to carry out, with respect to the operations of such carrier, the requirements established by the Commission under § 62-261, provided, that no terms, conditions, or limitations shall restrict the right of the carrier to substitute or add contracts within the scope of the permit, as the development of the business and the demands of the public may require. (1947, c. 1008, s. 13; 1949, c. 1132, s. 12; 1963, c. 1165, s. 1.)

**§ 62-115. Issuance of partnership franchises.**—No franchise shall be issued under this article to two or more persons until such persons have exe-

cuted a partnership agreement, filed a copy of said agreement with the Commission, and indicated to the Commission, in writing, that they have complied with article 14 of chapter 66 relating to doing business under an assumed name. (1947, c. 1008, s. 14; 1949, c. 1132, s. 14; 1961, c. 472, s. 5; 1963, c. 1165, s. 1.)

**§ 62-116. Issuance of temporary authority.**—Upon the filing of an application in good faith for a franchise, the Commission may in its discretion, after notice by regular mail to all persons holding franchises authorizing similar services within the same territory and upon a finding that no other adequate existing service is available, pending its final decision on the application, issue to the applicant appropriate temporary authority to operate under such just and reasonable conditions and limitations as the Commission deems necessary or desirable to impose in the public interest; provided, however, that pending such final decision on the application, the applicant shall comply with all the provisions of this chapter, and with the lawful orders, rules and regulations of the Commission promulgated thereunder, applicable to holders of franchises, and upon failure of an applicant so to do, after reasonable notice from the Commission requiring compliance therewith in the particulars set out in the notice, and after hearing, the application may be dismissed by the Commission without further proceedings, and temporary authority issued to such applicant may be revoked. The authority granted under this section shall not create any presumption nor be considered in the action on the permanent authority application. (1947, c. 1008, s. 10; 1949, c. 1132, s. 9; 1963, c. 1165, s. 1.)

**§ 62-117. Same or similar names prohibited.**—No public utility holding or operating under a franchise issued under this chapter shall adopt or use a name used by any other public utility, or any name so similar to a name of another public utility as to mislead or confuse the public, and the Commission may, upon complaint, or upon its own initiative, in any such case require the public utility to discontinue the use of such name, preference being given to the public utility first adopting and using such name. (1947, c. 1008, s. 15; 1949, c. 1132, s. 15; 1963, c. 1165, s. 1.)

**§ 62-118. Abandonment and reduction of service.**—Upon finding that public convenience and necessity are no longer served, or that there is no reasonable probability of a public utility realizing sufficient revenue from a service to meet its expenses, the Commission shall have power, after petition, notice and hearing, to authorize by order any public utility to abandon or reduce such service. Provided, however, that abandonment or reduction of service of motor carriers shall not be subject to this section, but shall be authorized only under the provisions of § 62-262(k). (1933, c. 307, s. 32; 1963, c. 1165, s. 1.)

**Utility Owes Duty of Continuous Operation.**—While a public utility retains its franchise, it owes to the state and the public the duty of continuous operation. *State v. Haywood Electric Membership Corp.*, 260 N. C. 59, 131 S. E. (2d) 865 (1963).

**Power of Commission to Authorize Discontinuance Discretionary.**—The power conferred upon the Utilities Commission to authorize a discontinuance of an established service indicates that the General Assembly intended that the Commission exercise this power in large measure according to its judgment and discretion. *State v. Southern Ry. Co.*, 254 N. C. 73, 118 S. E. (2d) 21 (1961).

**Order Must Be Obtained.**—Where a power company discontinued its service for

nonpayment of charges, the customer, upon payment of the charges, is entitled to restoration of the service where the company did not obtain an order from the Commission. *Sweetheart Lake v. Carolina Power, etc., Co.*, 211 N. C. 269, 189 S. E. 785 (1937).

**What Utility Must Show.**—When a public utility seeks to abandon service it must establish that the public no longer needs the service which it was created to render or that there is no reasonable probability of its being able to realize sufficient revenue by the rendition of such service to meet its expenses. *State v. Haywood Electric Membership Corp.*, 260 N. C. 59, 131 S. E. (2d) 865 (1963).

**The doctrine of convenience and neces-**

sity is a relative or elastic theory rather than an abstract or absolute rule. The facts in each case must be separately considered and from those facts it must be determined whether or not public convenience and necessity require a given service to be performed or dispensed with. The convenience and necessity required are those of the public and not of an individual or individuals. *State v. Southern Ry. Co.*, 254 N. C. 73, 118 S. E. (2d) 21 (1961).

As to power of Commission under former § 62-39 to require transportation and transmission companies to maintain facilities, see *State v. Atlantic Coast Line R. Co.*, 233 N. C. 365, 64 S. E. (2d) 272 (1951); *State v. Atlantic Coast Line R. Co.*, 235 N. C. 273, 69 S. E. (2d) 502 (1952); *State v. Atlantic Coast Line R. Co.*, 238 N. C. 701, 78 S. E. (2d) 780 (1953).

§§ 62-119 to 62-129: Omitted.

## ARTICLE 7.

### *Rates of Public Utilities.*

§ 62-130. **Commission to make rates for public utilities.**—(a) The Commission shall make, fix, establish or allow just and reasonable rates for all public utilities subject to its jurisdiction. A rate is made, fixed, established or allowed when it becomes effective pursuant to the provisions of this chapter.

(b) The Commission may make or approve in its discretion special passenger or excursion rates.

(c) The Commission may make, require or approve, after public hearing, for intrastate shipments what are known as milling-in-transit, processing-in-transit, or warehousing-in-transit rates on grain, lumber to be dressed, cotton, peanuts, tobacco, or such other commodities as the Commission may designate.

(d) The Commission shall from time to time as often as circumstances may require, change and revise or cause to be changed or revised any rates fixed by the Commission, or allowed to be charged by any public utility. (1899, c. 164, ss. 2, 7, 14; 1903, c. 683; Rev., ss. 1096, 1099, 1106; 1907, c. 469, s. 4; Ex. Sess. 1908, c. 144, s. 1; 1913, c. 127, s. 2; 1917, c. 194; C. S., ss. 1066, 1071, 3489; Ex. Sess. 1920, c. 51, s. 1; 1925, c. 37; 1929, cc. 82, 91; 1933, c. 134, s. 8; 1941, c. 97; 1953, c. 170; 1963, c. 1165, s. 1.)

**Cross Reference.**—As to the regulation of rates for ferries connecting links of the State highway system, see §§ 136-84 and 136-85.

**Editor's Note.**—See 12 N. C. Law Rev. 289, for article on "Electric Rates."

**Article Not in Conflict with Chapter 75.**—The provisions of this article as to rate regulation are not in conflict with chapter 75, Monopolies and Trusts. *Bennett v. Southern Ry. Co.*, 211 N. C. 474, 191 S. E. 240 (1937).

**Police Power of State.**—The authority, conferred upon the Commission to establish reasonable and just rates of charges by a public service corporation for furnishing to its customers electrical power, comes within the police powers of the State, and contracts previously made are subordinate to the public interest that such rates be reasonable and just, and afford the corporation supplying the service a safe return upon its investments, having proper regard to the public interest that plants of this character should be properly

run and maintained. *State v. Cannon Mfg. Co.*, 185 N. C. 17, 116 S. E. 178 (1923).

**Supervisory Power of Commission.**—The Commission is given general supervision over railways, street railways, and the like companies of the State, and empowered to fix such notes, charges and tariffs as may be reasonable and just, having in view the value of the property, the cost of improvements and maintenance, the probable earning capacity under the proposed rates, the sums required to meet operating expenses, and other specific matters pertinent to such an inquiry, and these are police powers delegated to this Commission, governmental so far as they extend. In re *Southern Pub. Utilities Co.*, 179 N. C. 151, 101 S. E. 619 (1919).

**General Rate Fixing Power.**—The Commission is given broad and general powers to make rates for freight and passenger service. *Tilley v. Norfolk, etc., R. Co.*, 162 N. C. 37, 77 S. E. 994 (1913).

**Duty to Fix Rates.**—When the Commission is called upon, by either a corpora-

tion or those to whom the services are rendered, under its franchise to exercise its rate fixing power and authority, it is its duty to fix and establish just and reasonable rates to be charged for such services. *Corporation Comm. v. Henderson Water Co.*, 190 N. C. 70, 128 S. E. 465 (1925).

**Power to Ascertain Corporation in Control.**—The Commission has the incidental power (subject to the right of appeal) to ascertain what particular corporation is in the control of or operates any telegraph line in this State, in order that it may exercise its authority to fix rates, as well as to know against whom to proceed for a violation of its regulations. *State v. Western Union Tel. Co.*, 113 N. C. 213, 18 S. E. 389 (1893).

**Classification Must Not Be Arbitrary.**—In *Gulf, etc., R. Co. v. Ellis*, 165 U. S. 150, 17 S. Ct. 255, 41 L. Ed. 666 (1897), it was said: "The mere fact of classification in rate regulating is not sufficient to relieve a statute from the reach of the equality clause of the Fourteenth Amendment, and in all cases it must appear, not merely that a classification has been made, but also that it is based upon some reasonable ground—something which bears a just and proper relation to the attempted classification and is not a mere arbitrary selection." *Efland v. Southern R. Co.*, 146 N. C. 135, 140, 59 S. E. 355 (1907).

**Effect of Private Agreements.**—The rates of transportation allowed carriers of freight are established by the Interstate Commerce Commission and the State Corporation Commission (now the Utilities Commission), which may not be affected by any agreement to the contrary between the carriers or their agents or employees and the shipper; and, notwithstanding such agreement, the carrier may demand and enforce the rates established by law. *Southern R. Co. v. Latham*, 176 N. C. 417, 97 S. E. 234 (1918).

A public service railway corporation operating in various localities may not by contract fix its passenger fares and thus prevent the Commission, under the authority conferred by statute, from determining what rates are, under the circumstances, just and reasonable, for such would authorize such companies to discriminate, unlawfully, among its patrons. In *re Southern Pub. Utilities Co.*, 179 N. C. 151, 101 S. E. 619 (1919); *Winston-Salem v. Winston-Salem City Coach Lines, Inc.*, 245 N. C. 179, 95 S. E. (2d) 510 (1956).

**Discrimination Remedied by Mandamus.**—Where a public service corporation has

discriminated among its patrons in its charges for electricity, mandamus will lie to compel it to charge a uniform or undiscriminating rate, for the question does not require the courts to fix a rate, or pass upon its reasonableness. *North Carolina Public Service Co. v. Southern Power Co.*, 179 N. C. 18, 101 S. E. 593 (1919).

**Fees and Charges Made by Municipality.**—The Utilities Commission has no jurisdiction to fix or supervise the fees and charges to be made by a municipality for connections with a city sewerage system, either within or without its corporate limits. *Atlantic Constr. Co. v. Raleigh*, 230 N. C. 365, 53 S. E. (2d) 165 (1949).

**City Bus Fares.**—The Commission has authority to fix city bus fares. *State v. Greensboro*, 244 N. C. 247, 93 S. E. (2d) 151 (1956). See § 62-260 and annotation thereto.

An intracity carrier, holding a certificate of exemption issued by the Commission and a franchise from the city or town in which it operates, is exempt from control of the Commission except as to rates and controversies with respect to extensions and services. *State v. McKinnon*, 254 N. C. 1, 118 S. E. (2d) 134 (1961).

**When Fares of Street Railway May Be Raised.**—A public service street railway company, operating under a city charter, and under a contract with the city restricting the passenger fare authorized to be charged its patrons, may be authorized by the Commission to raise its charges to its passengers, when in the opinion of the Commission such is necessary for it to properly maintain its system, allowing a reasonable profit, to meet the requirements of the public for adequate, safe, and convenient service. In *re Southern Pub. Utilities Co.*, 179 N. C. 151, 101 S. E. 619 (1919).

**Joint Rate between Lumber Railroad and Connecting Carrier.**—When a lumber railroad is of standard gauge and of sufficient equipment and extensiveness to affect the interest of the public, the Commission may make a valid order establishing a joint rate of transportation in the same cars between it and a connecting common carrier by rail to points beyond the initial road. *Corporation Comm. v. Atlantic Coast Line R. Co.*, 187 N. C. 424, 121 S. E. 767 (1924).

**Electric Power Rates Coextensive with State's Jurisdiction.**—When the Commission has finally established, under the provisions of the statute, rates to be charged by a public service corporation for furnishing electrical power, the rates are coextensive with the State's jurisdiction and

territory, and conclusively bind all corporations, companies, or persons who are parties to the suit and have been afforded an opportunity to be heard. *State v. Cannon Mfg. Co.*, 185 N. C. 17, 116 S. E. 178 (1923).

**Sale of Electricity Generated in Another State.**—While the generation of electricity in another state when transported to purchasers in this State may be regarded as interstate commerce, its distribution and sale here is local to the State, permitting the Commission to establish a just and reasonable rate of charge in conformity with the statutory powers, there being no interfering act of Congress relating to the subject. *State v. Cannon Mfg. Co.*, 185 N. C. 17, 116 S. E. 178 (1923).

**Telephone Company Must Not Discriminate.**—In *Clinton-Dunn Tel. Co. v. Carolina Tel. Co.*, 159 N. C. 9, 74 S. E. 636 (1912), it was held that a telephone company is subject to public regulation and reasonable control, and is required to afford its service at uniform and reasonable rates and without discrimination among its subscribers and patrons for like service

under the same or substantially similar conditions. See *Godwin v. Telephone Co.*, 136 N. C. 258, 48 S. E. 636 (1904); *Walls v. Strickland*, 174 N. C. 298, 93 S. E. 857 (1917).

**When Telegram Transmitted over Lines of Another Company.**—Where a telegraph company has a continuous line between two points in this State, the fact that, in transmitting a message, it sent the message over the lines of another company does not excuse its violation of the rate prescribed by the Railroad Commission (now Utilities Commission) for the transmission of a message sent over the lines of one company. *Leaveit v. Western Union Tel. Co.*, 116 N. C. 211, 21 S. E. 391 (1895).

**Telegraphic Messages Traversing Another State.**—Telegraphic messages transmitted by the company from and to points in this State, although traversing another state in the route, are subject to the tariff regulations of the Railroad [now Utilities] Commission. *State v. Western Union Tel. Co.*, 113 N. C. 213, 18 S. E. 389 (1893).

**§ 62-131. Rates must be just and reasonable; service efficient.**—(a) Every rate made, demanded or received by any public utility, or by any two or more public utilities jointly, shall be just and reasonable.

(b) Every public utility shall furnish adequate, efficient and reasonable service. (1933, c. 307, ss. 2, 3; 1963, c. 1165, s. 1.)

**§ 62-132. Rates established under this chapter deemed just and reasonable; remedy for collection of unjust or unreasonable rates.**—The rates established under this chapter by the Commission shall be deemed just and reasonable, and any rate charged by any public utility different from those so established shall be deemed unjust and unreasonable. Provided, however, that upon petition filed by any interested person, and a hearing thereon, if the Commission shall find the rates or charges collected to be other than the rates established by the Commission, and to be unjust, unreasonable, discriminatory or preferential, the Commission may enter an order awarding such petitioner and all other persons in the same class a sum equal to the difference between such unjust, unreasonable, discriminatory or preferential rates or charges and the rates or charges found by the Commission to be just and reasonable, nondiscriminatory and nonpreferential, to the extent that such rates or charges were collected within two (2) years prior to the filing of such petition. (1913, c. 127, s. 3; C. S., s. 1067; 1929, cc. 241, 342; 1933, c. 134, s. 8; 1941, c. 97; 1963, c. 1165, s. 1.)

**Rates Fixed by Commission Are Prima Facie Valid, Just and Reasonable.**—The rates fixed by the Commission are not only prima facie evidence of their validity, but also prima facie evidence that they are just and reasonable. *State v. Municipal Corporations*, 243 N. C. 193, 90 S. E. (2d) 519 (1955).

**Rates Other Than Those Fixed Deemed Unjust.**—The rates approved by the Commission shall be deemed to be just and reasonable, and any different rate shall be

deemed unjust and unreasonable. *State v. Norfolk Southern Ry. Co.*, 249 N. C. 477, 106 S. E. (2d) 681 (1959).

Hence, in a proceeding to recover excessive freight charges collected because of an error in the tariff distance table filed with the Utilities Commission, the charges being in conformity with the tariff schedule for a greater distance than the correct distance between the termini, evidence offered by the carriers as to whether the higher rate was fair and reasonable for

the shorter distance was properly excluded, since the carriers should not be permitted to change the rate by reason of a mistake in their tariff distance table, and petitioners were entitled to recover that part of the excess charged which was not barred by the limitation contained in the statute. *State v. Norfolk Southern Ry. Co.*, 249 N. C. 477, 106 S. E. (2d) 681 (1959).

The Commission is authorized by statute to fix just and reasonable rates or charges, and when they are so fixed, other or lower rates are to be deemed as unjust and unreasonable. *State v. Cannon Mfg. Co.*, 185 N. C. 17, 116 S. E. 178 (1923).

**Rates Deemed Reasonable Until Modified.**—Rates or charges fixed by an order of the Commission are to be considered just and reasonable unless and until they shall be changed or modified on appeal or by the further action of the Commission itself. In re *Southern Pub. Utilities Co.*, 179 N. C. 151, 101 S. E. 619 (1919) approving *State v. Seaboard Air Line Ry. Co.*, 173 N. C. 413, 92 S. E. 150 (1917).

**Where Rates Re-established upon Reconsideration.**—Where the Utilities Commission, after due notice and hearing, had established rates for intrastate shipments of pulpwood which it found to be just and reasonable, and thereafter upon petition of defendant and other carriers for reconsideration, the rate so established was ordered "to remain in full force and effect," it was held that these rates so established must be deemed the only just and reasonable rates for this commodity over defendant's lines, rendering it unlawful for defendant to charge a greater amount. *State v. Atlantic Coast Line R. Co.*, 224 N. C. 283, 29 S. E. (2d) 912 (1944).

**Burden of Proof.**—One claiming that the rates or charges established by the Commission are unreasonable or excessive has the burden of proving his contention. *Corporation Comm. v. Henderson Water Co.*, 190 N. C. 70, 128 S. E. 465 (1925); *State v. Carolina Power & Light Co.*, 250 N. C. 421, 109 S. E. (2d) 253 (1959).

**Applied in** *State v. State*, 250 N. C. 410, 109 S. E. (2d) 368 (1959).

§ 62-133. **How rates fixed.** — (a) In fixing the rates for any public utility subject to the provisions of this chapter, other than motor carriers, the Commission shall fix such rates as shall be fair both to the public utility and to the consumer.

(b) In fixing such rates, the Commission shall:

- (1) Ascertain the fair value of the public utility's property used and useful in providing the service rendered to the public within this State, considering the reasonable original cost of the property less that portion of the cost which has been consumed by previous use recovered by depreciation expense, the replacement cost of the property, and any other factors relevant to the present fair value of the property. Replacement cost may be determined by trending such reasonable depreciated cost to current cost levels, or by any other reasonable method.
- (2) Estimate such public utility's revenue under the present and proposed rates.
- (3) Ascertain such public utility's reasonable operating expenses, including actual investment currently consumed through reasonable actual depreciation.
- (4) Fix such rate of return on the fair value of the property as will enable the public utility by sound management to produce a fair profit for its stockholders, considering changing economic conditions and other factors, as they then exist, to maintain its facilities and services in accordance with the reasonable requirements of its customers in the territory covered by its franchise, and to compete in the market for capital funds on terms which are reasonable and which are fair to its customers and to its existing investors.
- (5) Fix such rates to be charged by the public utility as will earn in addition to reasonable operating expenses ascertained pursuant to paragraph (3) of this subsection the rate of return fixed pursuant to paragraph (4) on the fair value of the public utility's property ascertained pursuant to paragraph (1).

(c) The public utility's property and its fair value shall be determined as of the end of the test period used in the hearing and the probable future revenues and expenses shall be based on the plant and equipment in operation at that time.

(d) The Commission shall consider all other material facts of record that will enable it to determine what are reasonable and just rates.

(e) The fixing of a rate of return shall not bar the fixing of a different rate of return in a subsequent proceeding. (1899, c. 164, s. 2, subsec. 1; Rev., s. 1104; C. S., s. 1068; 1933, c. 134, s. 8; 1941, c. 97; 1963, c. 1165, s. 1.)

**Editor's Note.**—See 12 N. C. Law Rev. 289.

As to a "just and reasonable" rate, see *Smyth v. Ames*, 169 U. S. 466, 18 S. Ct. 418, 42 L. Ed. 819 (1897); *State v. State*, 239 N. C. 333, 80 S. E. (2d) 133 (1954).

**Statute Is Constitutional.**—The power to grant franchises to public service corporations and to fix their rates rests in the General Assembly, which power the General Assembly may delegate to an administrative agency provided the General Assembly prescribes rules and standards to guide such agency in the exercise of the delegated authority. The statute delegating to the Utilities Commission this authority is constitutional in fixing adequate rules and standards. *State v. State*, 239 N. C. 333, 80 S. E. (2d) 133 (1954).

**And Controls Commission in Establishing Rates.**—In establishing rates, the Commission is governed and controlled by the provision of this section. *Southern R. Co. v. McNeill*, 155 F. 756 (1907).

**Section Applies to Fixing or Revising of Rate Schedules and Rate Classifications.**—In fixing the rate schedules and rate classifications, or in revising said rates and classifications, or a substantial part thereof, the procedure indicated by this section must be observed. *State v. Carolinas Committee for Industrial Power Rates, etc.*, 257 N. C. 560, 126 S. E. (2d) 325 (1962).

**It May Not Apply Where Only One Rate or a Few Rates Are Involved.**—This section may not apply where a public utility has many rate schedules applying to many different classes of service customers, and only one rate or a few rates are involved in a petition for amendment, modification or rescission. Ordinarily it is not required that the utility's property be valued and that the provisions of this section be observed in such case. *State v. Carolina Power & Light Co.*, 250 N. C., 421, 109 S. E. (2d) 253 (1959).

Where a public utility has many rate schedules applying to many different classes of service customers and only one rate or a few rates are involved in a petition for amendment, modification or rescission, ordinarily it is not required that

the utility's property be valued and that the provisions of this section be observed in such case. *State v. Carolinas Committee for Industrial Power Rates, etc.*, 257 N. C. 560, 126 S. E. (2d) 325 (1962).

**General Rate Case and Complaint Proceeding Distinguished.**—Where the whole or a substantial portion of the rate structure of a public utility is being initially established or is under review, and where the required procedure under this section is being carried out, the hearing before the Commission to establish or revise the rates is referred to as a "general rate." *State v. Carolinas Committee for Industrial Power Rates, etc.*, 257 N. C. 560, 126 S. E. (2d) 325 (1962).

A hearing which involves a single rate or a small part of the rate structure is called a "complaint proceeding." It differs from a general rate case in that it deals with an emergency or change of circumstances which does not affect the entire rate structure and may be resolved without involving the procedure outlined in this section, and does not justify the expense and loss of time involved in such procedure. *State v. Carolinas Committee for Industrial Power Rates, etc.*, 257 N. C. 560, 126 S. E. (2d) 325 (1962).

**Commission May Determine Nature of Proceeding.**—It is within the province of the Commission to determine whether a hearing is a general rate case or a complaint proceeding. *State v. Carolinas Committee for Industrial Power Rates, etc.*, 257 N. C. 560, 126 S. E. (2d) 325 (1962).

If by pleading excessive rate of return parties could bring this section into play and have a complete review of rate structure on every occasion that a matter relating to rates arises, the reasonable regulation of rates would be impossible. *State v. Carolinas Committee for Industrial Power Rates, etc.*, 257 N. C. 560, 126 S. E. (2d) 325 (1962).

**And Such Determination Must Be Made as to Every Hearing.**—It is necessary as a matter of procedure that a determination as to whether a hearing is a general rate case or a complaint proceeding be made in every hearing involving the establishment, modification or revocation of

rates. *State v. Carolinas Committee for Industrial Power Rates, etc.*, 257 N. C. 560, 126 S. E. (2d) 325 (1962).

**Weight of Determination by Commission.**—The findings of the Commission on whether a hearing is a general rate case or a complaint proceeding will not be disturbed in any case in the absence of a clear showing that the right of the parties have been prejudiced. *State v. Carolinas Committee for Industrial Power Rates, etc.*, 257 N. C. 560, 126 S. E. (2d) 325 (1962).

A public utility corporation is entitled to a just and reasonable rate of return based upon the fair value of the properties used and useful in rendering the service for which the rate is established. *State v. Greensboro*, 244 N. C. 247, 93 S. E. (2d) 151 (1956).

A rate must not only be fair, just and reasonable to the consumer, but fair, just and reasonable to the utility. *State v. Carolinas Committee for Industrial Power Rates, etc.*, 257 N. C. 560, 126 S. E. (2d) 325 (1962).

**Manner of Arriving at Rate.**—The Commission, in fixing a reasonable and just rate of charges for public service corporations, may make a fair estimated value of the property presently used, and in relation thereto consider the tax valuation of the plant. *State v. Cannon Mfg. Co.*, 185 N. C. 17, 116 S. E. 178 (1923).

What is a "just and reasonable" rate which will produce a fair return on the investment depends on (1) the value of the investment—usually referred to in rate-making cases as the rate base—which earns the return; (2) the gross income received by the applicant from its authorized operations; (3) the amount to be deducted for operating expenses, which must include the amount of capital investment currently consumed in rendering the service; and (4) what rate constitutes a just and reasonable rate of return on the predetermined rate base. In finding these essential, ultimate facts, the Commission must consider all the factors particularized in the statute and "all other facts that will enable it to determine what are reasonable and just rates, charges and tariffs." It must then arrive at its own independent conclusion, without reference to any specific formula, as to (1) what constitutes a fair value, for rate-making purposes, of applicant's investment used in rendering intrastate service—the rate base, and (2) what rate of return on the predetermined rate base will constitute a rate that is just and reasonable both to the applicant and to the public. While both orig-

inal cost and replacement value are to be considered, neither constitutes a proper rate base. *State v. State*, 239 N. C. 333, 80 S. E. (2d) 133 (1954); *State v. Carolina Power & Light Co.*, 250 N. C. 421, 109 S. E. (2d) 253 (1959); *State v. Piedmont Natural Gas Co.*, 254 N. C. 536, 119 S. E. (2d) 469 (1961).

**Capital Investment Determined as of Time Rates Are Effective.**—Where a utility is currently investing large amounts of capital in expansion, the Utility Commission should determine the capital invested as of the time the rates fixed by it are to be effective, rather than the average net investment of the utility for the entire test year, since the rates fixed are prospective. *State v. Piedmont Natural Gas Co.*, 254 N. C. 536, 119 S. E. (2d) 469 (1961).

Where a public utility uses for operating capital moneys collected by it in taxes for the federal government which it is not required to pay to the federal government until a later date, the Utilities Commission should take such capital into consideration in fixing rates, which action is neither a condemnation nor a condonement of the practice. *State v. State*, 239 N. C. 333, 80 S. E. (2d) 133 (1954).

**Income Produced by Increase of Facilities.**—In fixing the rate for a telephone company, the Utilities Commission must take into consideration the net income to be produced by the increase in the number of telephones in service at the end of any test period adopted by the Commission. *State v. State*, 239 N. C. 333, 80 S. E. (2d) 133 (1954).

**Large Sum of Money on Hand for Working Capital.**—When, in fixing rates which will produce a fair return on the investment of a utility, it is made to appear that it has on hand continuously a large sum of money it is using as working capital and to pay current bills for materials and supplies, that is a fact which must be taken into consideration. And if the fund on hand is sufficient, no additional sum should be allowed at the expense of the public. *State v. State*, 239 N. C. 333, 80 S. E. (2d) 133 (1954).

**Acceptance by Commission of "book value" or "cost less depreciation" as rate base is in conflict with the standard prescribed in the statute.** The conclusion is inescapable that by accepting the book value as the rate base, it, ex necessitate, excluded consideration of present cost of replacement and all other factors from effective consideration. *State v. State*, 239 N. C. 333, 80 S. E. (2d) 133 (1954).

**But Original Cost Is an Item to Be Considered.**—In fixing fair value, original

cost is an item to be considered. *State v. Public Service Co. of North Carolina, Inc.*, 257 N. C. 233, 125 S. E. (2d) 457 (1962).

**"Value" Does Not Mean "Market Value" as Second-Hand Property.** — The term "value" in this section does not refer to the original or the replacement cost of the property or to the exchange or sales price it would command, as used or second-hand property, on the market. It has reference to the value of the property actually in use, serving its purpose as a part of a composite public utility, earning an income for its owner. *State v. State*, 239 N. C. 333, 80 S. E. (2d) 133 (1954).

**Only Properties Used and Useful in Rendering Service Considered.**—In a proceeding by a power company for an increase in the cash fares on its city bus system, the Commission was correct in considering the value only of the properties used and useful in connection with the operation of the bus system without regard to the value of the electric properties of the power company. *State v. Greensboro*, 244 N. C. 247, 93 S. E. (2d) 151 (1956).

**In fixing intrastate rates for a telephone company operating in several states, the Utilities Commission should take into consideration the net return such utility earns on its properties in such other states to the extent of not requiring customers in North Carolina, in order to maintain the utility's financial condition, to pay a substantially higher rate than permitted in other states.** A substantial differential might be considered some evidence that the rates charged in this State are unreasonable and unjust to the local public. *State v. State*, 239 N. C. 333, 80 S. E. (2d) 133 (1954).

**Increasing Intrastate Rates to Conform with Interstate Rates Allowed by Interstate Commerce Commission.**—Order of Utilities Commission increasing intrastate rates of State carriers so that such rates would conform with an increase in interstate rates allowed by Interstate Commerce Commission was invalid where order was unsupported by proof of the fair value of the properties of the carriers used and useful in conducting their intrastate business, separate and apart from their interstate business. *State v. State*, 243 N. C. 12, 89 S. E. (2d) 727 (1955).

The financial condition of a public utility and the demand for its bonds and securities which affect its capacity to compete, on the open market, for additional equity and debt capital are ordinarily material considerations in fixing rates. But these factors are of little moment where the

applicant has available at all times a fund provided by its parent company from which it may borrow at will for needed improvements or enlargements. What it has to pay for its borrowings from this fund is of more importance. These are some of the "other facts" the statute requires the Commission to consider. *State v. State*, 239 N. C. 333, 80 S. E. (2d) 133 (1954).

**Depreciation Deductions.** — For rate-making purposes a public utility is allowed to deduct annually as an operating expense so much of its capital investment as is actually consumed during the current year in rendering the service required of it. But the cost represents the amount of the investment, and it is the actual cost, not theretofore recouped by depreciation deductions, that must constitute the base for this allowance. *State v. State*, 239 N. C. 333, 80 S. E. (2d) 133 (1954).

Broadly speaking, depreciation is the loss not restored by current maintenance which is due to all the factors causing the ultimate retirement of the property. While property remains in the plant, the estimated depreciation rate is applied to the book cost and the resulting amounts are charged currently as expenses of operation. *State v. State*, 239 N. C. 333, 80 S. E. (2d) 133 (1954).

In establishing rates a public utility is entitled to deduct each year as an operating expense only such depreciation as represents the investment currently consumed and not provided against by maintenance. Thus the integrity of the investment is maintained, and this is all the utility has a right to demand. The rate should be fixed, as near as may be, so that it will extend over the usable life of the property being depreciated. Otherwise the allowance will be unjust either to the utility or to the public. *State v. State*, 239 N. C. 333, 80 S. E. (2d) 133 (1954).

**Same—Current Rather than Cost Value of Capital Investment.** — An instruction that the current rather than the cost value of capital investment shall be used as the basis for estimating depreciation allowances is incorrect. *State v. State*, 239 N. C. 333, 80 S. E. (2d) 133 (1954).

The rate of depreciation allowed by the federal government for income tax purposes is not necessarily the proper rate to be allowed for rate-making purposes. Indeed, for rate-making purposes it would ordinarily be excessive, especially in respect to buildings and like permanent improvements. *State v. State*, 239 N. C. 333, 80 S. E. (2d) 133 (1954).

**Using Property Which Has Been Fully Depreciated for Other Purposes.** — It would be unfair to a utility not to take into consideration the present fair value of property now in use but which has been fully depreciated for other purposes. On the other hand, if the rate of depreciation allowed for rate-making purposes is in excess of the investment currently consumed, over and above maintenance costs, it is unfair to the public, for then the company is permitted to recover annually a part of its investment which is not currently consumed. *State v. State*, 239 N. C. 333, 80 S. E. (2d) 133 (1954).

The Utilities Commission is not compelled to provide a 6% rate of return to a public utility. *State v. State*, 239 N. C. 333, 80 S. E. (2d) 133 (1954).

Nor is its former allowance of a rate of return *res judicata* barring the Commission from fixing a lesser rate in a subsequent proceeding. *State v. State*, 239 N. C. 333, 80 S. E. (2d) 133 (1954).

The right of the Commission to consider "all other facts" is not a grant to roam at large in an unfenced field. *State v. Public Service Co. of North Carolina, Inc.*, 257 N. C. 233, 125 S. E. (2d) 457 (1962).

**Facts to Be Established by Evidence and Set Forth in Record.**—The Legislature properly understood that, at times, other facts may exist, bearing on value and rates,

which the Commission should take into account in addition to those specifically detailed in this section; however, it was contemplated that such facts be established by evidence, be found by the Commission, and be set forth in the record to the end of the utility might have them reviewed by the courts. *State v. Public Service Co. of North Carolina, Inc.*, 257 N. C. 233, 125 S. E. (2d) 457 (1962).

**Commission May Take Statistical Evidence of Major Carriers as Typical of All Carriers.**—See *State v. State*, 250 N. C. 410, 109 S. E. (2d) 368 (1959).

A schedule of rates fixed by the Commission under the standard prescribed by the legislature is binding upon the interested parties and the courts, provided it is within the bounds of reason. *State v. State*, 239 N. C. 333, 80 S. E. (2d) 133 (1954).

**Word "Maximum" Explained.** — The word "maximum," used in an order of the Commission for fixing the rates of charges allowed to a petitioning public service corporation, was not intended to mean that a descending rate therefrom was to be allowed under the contract set up by the customers or users, but to distinguish it from the word "minimum," which also was used in reference to the subject. *State v. Cannon Mfg. Co.*, 185 N. C. 17, 116 S. E. 178 (1923).

### § 62-134. Change of rates; notice; suspension and investigation.—

(a) Unless the Commission otherwise orders, no public utility shall make any changes in any rate which has been duly established under this chapter, except after thirty (30) days' notice to the Commission, which notice shall plainly state the changes proposed to be made in the rates then in force, and the time when the changed rates will go into effect. The public utility shall also give such notice, which may include notice by publication, of the proposed changes to other interested persons as the Commission in its discretion may direct. All proposed changes shall be shown by filing new schedules, or shall be plainly indicated upon schedules filed and in force at the time and kept open to public inspection. The Commission, for good cause shown in writing, may allow changes in rates without requiring the thirty (30) days' notice, under such conditions as it may prescribe. All such changes shall be immediately indicated upon its schedules by such public utility.

(b) Whenever there is filed with the Commission by any public utility any schedule stating a new rate or rates, the Commission may, either upon complaint or upon its own initiative, upon reasonable notice, enter upon a hearing concerning the lawfulness of such rate or rates. Pending such hearing and the decision thereon, the Commission, upon filing with such schedule and delivering to the public utility affected thereby a statement in writing of its reasons therefor, may, at any time before they become effective, suspend the operation of such rate or rates, but not for a longer period than two hundred seventy (270) days beyond the time when such rates or rates would otherwise go into effect. If the proceeding has not been concluded and an order made within the period of suspension, the proposed change of rate shall go into effect at the end of such period. After hearing, whether completed before or after the rate goes into effect, the Commission

may make such order with respect thereto as would be proper in a proceeding instituted after it had become effective.

(c) At any hearing involving a rate changed or sought to be changed by the public utility, the burden of proof shall be upon the public utility to show that the changed rate is just and reasonable. (1933, c. 307, s. 7; 1939, c. 365, s. 3; 1941, c. 97; 1945, c. 725; 1947, c. 1008, s. 24; 1949, c. 1132, s. 22; 1959, c. 422; 1963, c. 1165, s. 1.)

**Original Complainant.**—A utility which files application for authority to amend its rate schedule and complains that its rates are insufficient to provide reasonable and necessary revenue is the original complainant in the proceeding. *State v. Martel Mills Corp.*, 232 N. C. 690, 62 S. E. (2d) 80 (1950).

**Requirement as to Notice Implemented by Rule of Commission.**—The requirement of the statute that the thirty days' notice of an increase in rates to be given the Utilities Commission properly may be implemented by rule of the Commission requiring that the notice be in writing in triplicate. *State v. Atlantic Coast Line R. Co.*, 224 N. C. 283, 29 S. E. (2d) 912 (1944).

The Utilities Commission's rules of practice and procedure, promulgated under legislative authority, required a defendant, if it desired the vacation or modification of a previous order, to file a written notice of intention to make changes resulting in increases. This would seem to implement the requirements of the statute that thirty days notice of an increase be given the Commission. *State v. Atlantic Coast Line*

*R. Co.*, 224 N. C. 283, 29 S. E. (2d) 912 (1944).

**Deferred Use of New Rates Pending Investigation.**—After rates for certain intrastate shipments had been duly established by the Utilities Commission and defendant sought to increase such rates by filing tariff schedules to that effect, whereupon the Commission, in a proceeding to which defendant was a party, by order of postponement, which was not objected to, deferred use of the new increased rates, pending investigation, and also directed that the rates previously fixed should not be changed by subsequent tariffs or schedules until this investigation and suspension proceeding had been disposed of, continuing the investigation from time to time at the request of defendant, such action of the Commission was binding on the defendant. However, defendant should be given a reasonable time to comply with the order before penalties might be invoked. *State v. Atlantic Coast Line R. Co.*, 224 N. C. 283, 29 S. E. (2d) 912 (1944).

**Optional Schedules.** — A public service corporation has a right to maintain optional schedules. *High Point v. Duke Power Co.*, 34 F. Supp. 339 (1940).

**§ 62-135. Temporary rates under bond.**—(a) Notwithstanding an order of suspension of an increase in rates, any public utility except a common carrier may, subject to the provisions of subsections (b), (c) and (d) hereof, put such suspended rate or rates into effect upon the expiration of six (6) months after the date when such rate or rates would have become effective, if not so suspended, by notifying the Commission and its consumers of its action in making such increase not less than ten (10) days prior to the day when it shall be placed in effect; provided, however, that utilities engaged in the distribution of utility commodities bought at wholesale by the utility for distribution to consumers may put such suspended rate or rates, to the extent occasioned by changes in the wholesale rate of such utility commodity, into effect at the expiration of thirty (30) days after the date when such rate or rates would become effective if not so suspended; provided that no rate or rates shall be left in effect longer than one year unless the Commission shall have rendered its decision upon the reasonableness thereof within such period. This section to become effective July 1, 1963.

(b) No rate or rates placed in effect pursuant to this section shall result in an increase of more than twenty per cent (20%) on any single rate classification of the public utility.

(c) No rate or rates shall be placed in effect pursuant to this section until the public utility has filed with the Commission a bond in a reasonable amount approved by the Commission, with sureties approved by the Commission, or an undertaking approved by the Commission, conditioned upon the refund in a manner to be prescribed by order of the Commission, to the persons entitled thereto of the

amount of the excess and interest at the rate of six per cent (6%) per annum from the date that such rates were put into effect, if the rate or rates so put into effect are finally determined to be excessive.

(d) If the rate or rates so put into effect are finally determined to be excessive, the public utility shall make refund of the excess plus interest to its customers within thirty (30) days after such final determination, and the Commission shall set forth in its final order the terms and conditions for such refund. If such refund is not paid in accordance with such order, any persons entitled to such refund may sue therefor, either jointly or severally, and be entitled to recover, in addition to the amount of the refund, all court costs and reasonable attorney fees for the plaintiff, to be fixed by the court. (1933, c. 307, s. 7; 1959, c. 422; 1963, c. 1165, s. 1.)

**Editor's Note.**—This section became effective July 1, 1963. See Editor's note to § 62-1.

**Consumer Not Entitled to Temporary Order Restraining Rate Increase.**—Where a public service company has filed bond with the Utilities Commission and obtained authority from the Commission to put into effect increase in rates in the territory served by it, a municipal corporation is not entitled to a temporary order restraining the service company from putting the rates into effect within the mu-

nicipality upon the assertion that the increase in rates was contrary to contractual provisions in the franchise granted the public service company by the city, since adequate and efficient remedy is afforded the city and its inhabitants by suit upon the bond in the event the increase in rate was not justified in law, and therefore the municipality could not suffer irreparable injury. *Durham v. Public Service Co. of North Carolina, Inc.*, 257 N. C. 546, 126 S. E. (2d) 315 (1962).

**§ 62-136. Investigation of existing rates; changing unreasonable rates; certain refunds to be distributed to customers.**—(a) Whenever the Commission, after a hearing had after reasonable notice upon its own motion or upon complaint of anyone directly interested, finds that the existing rates in effect and collected by any public utility are unjust, unreasonable, insufficient or discriminatory, or in violation of any provision of law, the Commission shall determine the just, reasonable, and sufficient and nondiscriminatory rates to be thereafter observed and in force, and shall fix the same by order.

(b) All municipalities in the State are deemed to be directly interested in the rates and service of public utilities operating in such municipalities, and may institute or participate in proceedings before the Commission involving such rates or service. Any municipality may institute proceedings before the Commission to eliminate unfair and unreasonable discrimination in rates or service by any public utility between such complainant or its inhabitants and any other municipality or its inhabitants, and the Commission shall, upon complaint, after hearing afforded to the public utility affected and to all municipalities affected, have authority to remove such discrimination.

(c) If any refund is made to a distributing company operating as a public utility in North Carolina of charges paid to the company from which the distributing company obtains the energy, service or commodity distributed, the Commission may, if practicable, in cases where the charges have been included in rates paid by the customers of the distributing company, and where the company had a reasonable return exclusive of the refund, require said distributing company to distribute said refund among said customers in proportion to their payment of the charges refunded. (Ex. Sess. 1913, c. 20, s. 7; C. S., s. 1083; 1933, c. 134, s. 8; c. 307, s. 8; 1937, c. 401; 1941, c. 97; 1963, c. 1165, s. 1.)

**Commission to Investigate Rates upon Request.**—The Commission may investigate rates upon the request of any person directly interested. It may hear evidence as to the reasonableness of the maximum rates fixed by law or by the Commission, and establish such rates as it may deem

just. The authority conferred upon the Commission is plenary. *Corporation Comm. v. Atlantic Coast Line R. Co.*, 187 N. C. 424, 121 S. E. 767 (1924).

**"Complaint Proceeding."** — A hearing which involves a single rate or a small part of the rate structure of a public utility

is called a "complaint proceeding." It differs from a general rate case in that it deals with an emergency or change of circumstances which does not affect the entire rate structure of the utility and may be resolved without involving the procedure outline in § 62-133, and does not justify the expense and loss of time involved in such procedure. *State v. Carolina Power & Light Co.*, 250 N. C. 421, 109 S. E. (2d) 253 (1959).

**General Rate Case.** — A proceeding in which a utility seeks an increase in rates for classes of customers providing its major source of revenue in order to provide funds assertedly necessary for continued operation is a general rate case and not a complaint proceeding, even though the increase is not requested for all classes of customers. *State v. Tidewater Natural Gas Co.*, 259 N. C. 558, 131 S. E. (2d) 303 (1963).

§ 62-137. **Scope of rate case.**—In setting a hearing on rates upon its own motion, upon complaint, or upon application of a public utility, the Commission shall declare the scope of the hearing by determining whether it is to be a general rate case, under § 62-133, or whether it is to be a case confined to the reasonableness of a specific single rate, a small part of the rate structure, or some classification of users involving questions which do not require a determination of the entire rate structure and over-all rate of return. (1963, c. 1165, s. 1.)

§ 62-138. **Utilities to file rates, service regulations and service contracts with Commission; publication.**—(a) Under such rules as the Commission may prescribe, every public utility:

- (1) Shall file with the Commission all schedules of rates, service regulations and forms of service contracts, used or to be used within the jurisdiction of the Commission; and
- (2) Shall keep copies of such schedules, service regulations and contracts open to public inspection.

(b) Every regular route common carrier of general commodities and every common carrier of passengers shall file with the Commission, print, and keep open for public inspection schedules showing all rates for the transportation of property or passengers in intrastate commerce and all services in connection therewith between points on its own routes and between points on its own routes and points on the routes of other such common carriers, and if it establishes joint rates with other common carriers, it shall include in its schedules so filed such joint rates.

(c) Every irregular route common carrier shall file with the Commission, print, and keep open for public inspection schedules showing all rates for the transportation of property in intrastate commerce between points within the area of its authorized operation, and if it establishes joint rates with other common carriers, it shall include in its schedules so filed such joint rates between points within the area of its own authorized operation and points on the line or route of such other common carriers.

(d) The schedules required by this section shall be published, filed, and posted in such form and manner and shall contain such information as the Commission may prescribe; and the Commission is authorized to reject any schedule filed with it which is not in compliance with this section. Any schedule so rejected by the Commission shall be void and its use shall be unlawful.

(e) No public utility, unless otherwise provided by this chapter, shall engage in service to the public unless its rates for such service have been filed and published in accordance with the provisions of this section. (1899, c. 164, s. 7; Rev., s. 1109; 1907, c. 217, s. 5; C. S., s. 1074; 1933, c. 134, s. 8; c. 307, s. 4; 1941, c. 97; 1947, c. 1008, s. 25; 1949, c. 1132, s. 23; 1959, c. 209; 1963, c. 1165, s. 1.)

§ 62-139. **Rates varying from schedule prohibited; refunding overcharge; penalty.**—(a) No public utility shall directly or indirectly, by any device whatsoever, charge, demand, collect or receive from any person a greater or less compensation for any service rendered or to be rendered by such public

utility than that prescribed in the schedules of such public utility applicable thereto then filed in the manner provided in this article, nor shall any person receive or accept any service from a public utility for a compensation greater or less than that prescribed in such schedules.

(b) Any public utility in the State which shall wilfully charge a rate for any public utility service in excess of that prescribed in the schedules of such public utility applicable thereto then filed under this article, and which shall omit to refund the same within thirty (30) days after written notice and demand of the person overcharged, unless relieved by the Commission for good cause shown, shall be liable to him for double the amount of such overcharge, plus a penalty of ten dollars (\$10.00) per day for each day's delay after thirty (30) days from such notice or date of denial or relief by the Commission, whichever is later. Such overcharge and penalty shall be recoverable in any court of competent jurisdiction. (1903, c. 590, ss. 1, 2; Rev., ss. 2642, 2643, 2644; Ex. Sess. 1913, c. 20 ss. 5, 12; C. S., ss. 1082, 1086, 3514; 1933, c. 134, s. 8; c. 307, s. 5; 1941, c. 97, 1963, c. 1165, s. 1.)

**Cross References.** — As to charging higher rates after rates re-established upon reconsideration, see § 62-132. As to venue of action against railroad, see § 1-81.

**Constitutionality.** — Former § 60-110, prohibiting freight charges in excess of printed tariffs, was not unconstitutional as in violation of the Fourteenth Amendment to the federal Constitution, or the commerce clause of said Constitution, and the acts passed in pursuance thereof. *Efland v. Southern R. Co.*, 146 N. C. 135, 59 S. E. 355 (1907); *Iron Works v. Southern R. Co.*, 148 N. C. 469, 62 S. E. 595 (1908). But see *Blalock Hdw. Co. v. Seaboard Air Line R. Co.*, 170 N. C. 395, 86 S. E. 1025 (1915).

**Interstate Shipments.**—Under the Interstate Commerce Act, as amended, Congress, in the exercise of the constitutional powers conferred on it, has taken entire control of rates upon interstate shipments of goods, and former § 60-110 was inoperative as to such shipments. *Blalock Hdw. Co. v. Seaboard Air Line R. Co.*, 170 N. C. 395, 86 S. E. 1025 (1915).

For earlier cases holding contra, see *Thurston v. Southern R. Co.*, 165 N. C. 598, 81 S. E. 785 (1914); *Macon County Supply Co. v. Tallulah Falls R. Co.*, 166 N. C. 82, 82 S. E. 13 (1914).

**Assuring Service on Equal Basis Fundamental.** — A fundamental basis for the regulation of public utilities is to assure that once monopoly powers have been granted, the utility will provide all of its customers similarly situated with service on a reasonably equal basis. *State v. Wilson*, 252 N. C. 640, 114 S. E. (2d) 786 (1960).

**Telephone Company Proscribed from Furnishing Free Service to Municipalities.** —The Utilities Commission properly proscribes a telephone company from furnishing service to certain municipalities with-

in its territory free or at a reduced rate, and contractual agreements of a telephone company to do so in consideration for franchise rights to use the streets, alleys and roads in such municipalities for its pole line and underground conduits, are void, since such concessions constitute discrimination against other customers similarly situated. *State v. Wilson*, 252 N. C. 640, 114 S. E. (2d) 786 (1960).

**At termination of contract between city and electric company**, city officials were doubtful whether it would be advantageous to adopt new schedule of electric company and elected to take current on basis from month to month. It was held that the electric company was not exacting an unlawful rate by billing the city for current on rates contained in the old contract rather than under the new schedule. *High Point v. Duke Power Co.*, 34 F. Supp. 339 (1940).

**Freight Rates Need Not Be Same for Both Directions.**—In shipments to a great distance, special circumstances, such as flow of traffic, may justify a higher rate between two points in one direction than in the opposite; and in action for the recovery of the penalty for excessive freight rates, it is error for the judgment below in effect to charge the jury that such tariff rate published between the two points for freight moving in an opposite direction to that of the shipment in question was conclusive, and that they should be governed in their verdict as to the overcharge accordingly. *Scull & Co. v. Atlantic Coast Line R. Co.*, 144 N. C. 180, 56 S. E. 876 (1907).

**Recovery of Excess Caused by Error in Tariff Distance Table.**—Where carriers charged rates in accordance with the published tariffs on file but because of error in the tariff distance table the charges were excessive, the shippers could recover the

excess charged by petition before the Utilities Commission, the remedy by civil action under former §§ 60-110, 62-138 and 62-139 to recover overcharges and penalties being the proper remedy only when the charges were collected in excess of the published tariffs. *State v. Norfolk Southern Ry. Co.*, 249 N. C. 477, 106 S. E. (2d) 681 (1959).

**Freight Charge on Undelivered Shipment.** — Where the defendant collected freight charges, for an entire shipment, as invoiced and originally billed, and the sum of 96 cents was paid as freight on that part of the shipment which was "short" and not delivered, this was an overcharge, and failure to refund such overcharge after the sixty days allowed for investigation rendered the defendant liable for the statutory penalty. *Cottrell v. Carolina, etc., R. Co.*, 141 N. C. 383, 54 S. E. 288 (1906).

**Penalty Enforceable though Charges Small.**—The penalty fixed by former § 60-110 to enforce the duty of a carrier in regard to proper charges for transporting freight and refund of overcharges, which penalty could not in any event exceed \$100, was enforceable for a default established against defendant, though the particular transportation charges might appear disproportionately small. It is on failure to return small amounts wrongfully overcharged that penalties are especially required. In large matters the claimant can better afford the cost of litigation. *Efland v. Southern R. Co.*, 146 N. C. 129, 59 S. E. 359 (1907).

**Burden of Proving Overcharge.** — The burden is upon the plaintiff to show that a freight rate charged and collected by a carrier was in excess of its tariff required of the carrier to be published, when he seeks to recover this excess and the statutory penalty; and where the shipment has been routed over one line of connecting carriers and the tariff filed by the carrier over another route is shown, it affords no evidence as to the rate of the actual route of the shipment, and, in the absence of fur-

ther evidence, a judgment as of nonsuit should be granted. *Blalock Hdw. Co. v. Seaboard Air Line R. Co.*, 170 N. C. 395, 86 S. E. 1025 (1915)

**Agent as Party Aggrieved.**—Where under agreement with his principal the agent of a manufacturer is obligated to pay the freight charges on shipments made to him, and upon demand of the carrier he has paid its unlawful charges on a shipment, he is the party aggrieved, and may maintain his action to recover the excess, and also the penalty when settlement has not been made within sixty days, when he has filed written demand supported by the original freight bill and the original or duplicate bill of lading, etc. *Tilley v. Southern R. Co.*, 172 N. C. 363, 90 S. E. 309 (1916).

**What Demand Must Specify.** — Where the carrier has demanded and received an unlawful freight charge for a shipment, and the party aggrieved has made written demand of the carrier for payment of the overcharge, as required by the statute, it is not necessary, in order to maintain an action for the penalty imposed upon the carrier failing to settle in sixty (now thirty) days, that the written demand specify the penalty, or that demand therefor be made in the justice's court or alleged in the complaint filed on appeal therefrom. *Tilley v. Southern R. Co.*, 172 N. C. 363, 90 S. E. 309 (1916).

**Same — Separate Demands in Same Envelope.**—The mere fact that the plaintiff inclosed separate written demands in the same envelope, and gave an aggregate amount thereof, in a letter accompanying them, does not affect the demands, being specific, when the overcharges were separate and distinct, the demand made specifically as to each, accompanied separately with the paid freight bill and duplicate bill of lading, and each demand was complete in itself; and such is a compliance with the provisions of the statute. *Efland v. Southern R. Co.*, 146 N. C. 129, 59 S. E. 359 (1907).

§ 62-140. **Discrimination prohibited.**—(a) No public utility shall, as to rates or services, make or grant any unreasonable preference or advantage to any person or subject any person to any unreasonable prejudice or disadvantage. No public utility shall establish or maintain any unreasonable difference as to rates or services either as between localities or as between classes of service. The Commission may determine any questions of fact arising under this section.

(b) The Commission shall make reasonable and just rules and regulations:

- (1) To prevent discrimination in the rates or services of public utilities.
- (2) To prevent the giving, paying or receiving of any rebate or bonus, directly or indirectly, or misleading or deceiving the public in any manner as to rates charged for the services of public utilities.

(c) No public utility shall offer or pay any compensation or consideration or furnish any equipment to secure the installation or adoption of the use of such utility service except upon filing of a schedule of such compensation or consideration or equipment to be furnished and approval thereof by the Commission, and offering such compensation, consideration or equipment to all persons within the same classification using or applying for such public utility service; provided, in considering the reasonableness of any such schedule filed by a public utility the Commission shall consider, among other things, evidence of consideration or compensation paid by any competitor, regulated or nonregulated, of the public utility to secure the installation or adoption of the use of such competitor's service. Provided, further, that nothing herein shall prohibit a public utility from carrying out any contractual commitment in existence at the time of the enactment hereof, so long as such program does not extend beyond December 31, 1963. (1899, c. 164, s. 2, subsecs. 3, 5; Rev., s. 1095; 1913, c. 127, s. 6; C. S., s. 1054; 1933, c. 134, s. 8; c. 307, s. 6; 1941, c. 97; 1963, c. 1165, s. 1.)

**Editor's Note.**—See 11 N. C. Law Rev. 246.

**Common Law.**—Former § 60-5, making discrimination in charges by common carriers a misdemeanor, was declaratory of the common law and secured to every person the right to participate in the use of the facilities furnished, or which it is its duty to furnish, by a common carrier upon terms of equality, in regard to price, and otherwise, and free from unlawful discrimination. *Lumber Co. v. Atlantic Coast Line R. Co.*, 141 N. C. 171, 53 S. E. 823 (1906).

**The obligation of a public service corporation to serve impartially and without unjust discrimination is fundamental.** It is not essential that consumers who are charged different rates for service should be competitors in order to invoke this principle. There must be substantial differences in service or conditions to justify difference in rates. There must be no unreasonable discrimination between those receiving the same kind and degree of service. *State v. Mead Corp.*, 238 N. C. 451, 78 S. E. (2d) 290 (1953); *State v. Municipal Corporations*, 243 N. C. 193, 90 S. E. (2d) 519 (1955).

**What Constitutes Unlawful Discrimination.**—Discrimination in freight tariffs by railroad companies, means to charge shippers of freight unequal sums for carrying the same quantity of freight equal distances; that is, more in proportion for a short than for a long distance. *Hines v. Wilmington, etc., Railroad*, 95 N. C. 434 (1886). As to long and short hauls, see § 62-141.

A common carrier is guilty of unlawful discrimination by the principles of the common law, and the terms of the statute, when it charges one person for service rendered a larger sum than is charged another person for like service under substantially similar conditions. *Lumber Co.*

*v. Atlantic Coast Line R. Co.*, 141 N. C. 171, 53 S. E. 823 (1906).

A carrier cannot rightfully charge one shipper \$2.50 per 1,000 feet for hauling his logs if it, at the same time, for the same service, under substantially similar circumstances, carried logs for other persons at \$2.10 per 1,000 feet in consideration of the shipment of the manufactured products over its railroad. *Lumber Co. v. Atlantic Coast Line R. Co.*, 141 N. C. 171, 53 S. E. 823 (1906).

**Discriminatory Embargoes.**—A common carrier cannot place an embargo on its customer or patron so as to discriminate against him or those dealing with him. *Garrison v. Southern R. Co.*, 150 N. C. 575, 64 S. E. 578 (1909).

**Different Rate Schedules for Municipalities and Industrial Users of Electrical Energy.**—The Commission in determining whether there is a justifiable basis for establishment of different rate schedules for municipalities engaged in resale of electrical energy and industrial users must consider the use characteristics and the load factors as well as the amount of electrical energy purchased under the respective schedules. *State v. Municipal Corporations*, 243 N. C. 193, 90 S. E. (2d) 519 (1955).

The Commission was justified in placing municipalities engaged in resale of electrical energy, and industrial users, under different schedules based upon a difference in the load factor. *State v. Municipal Corporations*, 243 N. C. 193, 90 S. E. (2d) 519 (1955).

**Furnishing free service for municipal purposes in compliance with franchise provisions constitutes an unjust and illegal discrimination.** *State v. Wilson*, 252 N. C. 640, 114 S. E. (2d) 786 (1960).

**Rates charged REA cooperatives were not available to municipalities engaged in resale of electrical energy due to the fol-**

lowing factors: (1) The cooperatives were required to extend their lines through sparsely settled rural areas with resulting line losses, and (2) the cooperatives were created and operated on a nonprofit basis pursuant to the established public policy of State and federal government. *State v. Municipal Corporations*, 243 N. C. 193, 90 S. E. (2d) 519 (1955).

An attempted justification of rate differentials by a classification of power furnished as "secondary" and "primary" was held insupportable on the facts. *State v. Mead Corp.*, 238 N. C. 451, 78 S. E. (2d) 290 (1953).

**Giving Preference to Parent Corporation.**—A power company which is a subsidiary of one of its commercial customers may not give a preference to its parent corporation, but must give equal treatment to all its customers similarly situated. *State v. Mead Corp.*, 238 N. C. 451, 78 S. E. (2d) 290 (1953).

**A railroad carrying logs to a sawmill** cannot charge a shipper agreeing to ship the manufactured products by the same line less for the same service than it charges a shipper who makes no such agreement. *Lumber Co. v. Railroad*, 136 N. C. 479, 48 S. E. 813 (1904).

**Party Entitled to Injunctive Relief.**—Where certain carriers by truck sought injunctive relief against railroad carriers for discrimination in rates against certain cities and against certain commodities, it was held that the basis for injunctive relief must be an interference or threatened interference with a legal right of the peti-

tioner, not of a third party, and that the shippers would be the real parties in interest, not the contract truck carriers. *Carolina Motor Service v. Atlantic Coast Line R. Co.*, 210 N. C. 36, 185 S. E. 479, 104 A. L. R. 1165 (1936).

**Recovery of Excess Charges.**—Where a higher freight charge was paid than that charged other shippers, the payment was not to be considered voluntary, and the excess could be recovered back upon account for money had and received, and it was not necessary that at the time of payment there should have been any protest. *Lumber Co. v. Atlantic Coast Line R. Co.*, 141 N. C. 171, 53 S. E. 823 (1906).

**Question for Decision of Court.**—Where the Utilities Commission concluded upon undisputed facts that there was no unlawful discrimination by a power company in the rates charged its commercial customers, whether the conclusion was supported by competent, material and substantial evidence in view of the entire record was held to present a question of law for the decision of the court. *State v. Mead Corp.*, 238 N. C. 451, 78 S. E. (2d) 290 (1953).

**Allegations.**—There are discriminations which require more explicit allegations, as for instance, illegal rebates upon freight charges and the like, but as the common carrier for hire, the allegation that it gave a person named undue preference by transporting him free ex vi termini alleges discrimination. *State v. Southern Ry. Co.*, 125 N. C. 666, 34 S. E. 527 (1899).

**§ 62-141. Long and short hauls.**—(a) Except when expressly permitted by the Commission, it shall be unlawful for any common carrier to charge or receive any greater compensation in the aggregate for the transportation of passengers or of like kind of property under substantially similar circumstances and conditions for a shorter than for a longer distance over the same line or route in the same direction, the shorter being included within the longer distance; but this shall not be construed as authorizing any common carrier within the terms of this chapter to charge and receive as great compensation for a shorter as for a longer distance.

(b) Upon application to the Commission, common carriers may in special cases be authorized to charge less for longer than for shorter distances for the transportation of passengers or property; and the Commission may from time to time prescribe the extent to which such designated common carrier may be relieved from the operation of this section. (1899, c. 164, s. 14; Rev., s. 1107; Ex. Sess. 1913, c. 20, s. 9; 1915, c. 17, s. 1; C. S., s. 1072; 1933, c. 134, s. 8; 1941, c. 97; 1963, c. 1165, s. 1.)

**§ 62-142. Contracts as to rates.**—All contracts and agreements between public utilities as to rates shall be submitted to the Commission for inspection that it may be seen whether or not they are a violation of law or the rules and regulations of the Commission, and all arrangements and agreements whatever as to the division of earnings of any kind by competing public utilities shall be sub-

mitted to the Commission for inspection and approval insofar as they affect the rules and regulations made by the Commission to secure to all persons doing business with such utilities just and reasonable rates. The Commission may make such rules and regulations, as to such contracts and agreements as the public interest may require. (1899, c. 164, s. 6; Rev., s. 1108; C. S., s. 1073; 1933, c. 134, s. 8; 1941, c. 97; 1963, c. 1165, s. 1.)

§ 62-143. **Schedule of rates to be evidence.** — The schedule of rates fixed by statute or under this article, in suits brought against any public utility involving the rates of a public utility or unjust discrimination in relation thereto, shall be taken in all courts as prima facie evidence that the rates therein fixed are just and reasonable. Any such schedule when certified by a clerk of the Commission as a true copy of a schedule on file with the Commission shall be received in all courts as prima facie evidence of such schedule without further proof, and, if the clerk certifies that said schedule has been approved by the Commission, as prima facie evidence of such approval. (1899, c. 164, s. 7; Rev., s. 1112; C. S., s. 1077; 1933, c. 134, s. 8; 1941, c. 97; 1963, c. 1165, s. 1.)

§ 62-144. **Free transportation.** — (a) All common carriers under the supervision of the Commission shall furnish free transportation to the members of the Commission, and, upon written authority of the Commission, such carriers shall also furnish free transportation to such persons as the Commission may designate in its employ or in the employ of the Department of Motor Vehicles for the inspection of equipment and supervision of safe operating conditions and of traffic upon the highways of the State.

(b) Except as provided in subsection (a), no common carrier shall, directly or indirectly, issue, give, tender, or honor any free fares except to its bona fide officers, agents, commission agents, employees and retired employees, and members of their immediate families: Provided, that common carriers under this article may exchange free transportation within the limits of this section and may accept as a passenger a totally blind person accompanied by a guide at the usual and ordinary fare charged to one person under such reasonable regulations as may have been established by the carrier and approved by the Commission.

(c) Any person except those permitted by law accepting free transportation shall be guilty of a misdemeanor, and on conviction shall be fined or imprisoned, or both, in the discretion of the court.

(d) Nothing in this section shall prohibit the carriage, storage or handling of property free or at reduced rates for the United States, State or municipal governments, or for charitable or educational purposes, or the use of passes for journeys wholly within this State which have been or may be issued for interstate journeys under the authority of the United States Interstate Commerce Commission. (1899, c. 164, s. 22; c. 642; 1901, c. 652; c. 679, s. 2; 1905, c. 312; Rev., s. 1105; Ex. Sess. 1908, c. 144, s. 4; 1911, cc. 49, 148; 1913, c. 100; 1915, c. 215; 1917, cc. 56, 160; C. S., ss. 1069, 1070, 3492; 1933, c. 134, s. 8; 1941, c. 97; 1949, c. 1132, s. 27; 1953, c. 1279; 1963, c. 1165, s. 1.)

**Unlawful Transportation.** — The transportation, by a common carrier, of any person except of the classes specified without charge, is unlawful, the offense being the actual free transportation and not the issuance of the free pass. *State v. Southern R. Co.*, 122 N. C. 1052, 30 S. E. 133 (1898).

A gratuitous passenger is not in pari delicto with the common carrier *McNeill v. Railroad Co.*, 135 N. C. 682, 47 S. E. 765 (1904).

**Injury While Riding on Pass Illegally**

**Issued.** — The rights, privileges and protection attaching to the relation of the passenger are imposed by law upon common carriers upon consideration of the public policy, independent of contract, and arise from the nature of their public employment. Hence, one injured while riding on a pass illegally issued may recover from the railroad. *McNeill v. Railroad Co.*, 135 N. C. 682, 47 S. E. 765 (1904).

**Construction of Penal Statute.**—In construing a penal statute prohibiting discrimination between passengers, the con-

struction placed on it by common carriers generally, and by private individuals and officials, will not be considered. State v. Southern R. Co., 122 N. C. 1052, 30 S. E. 133 (1898).

**§ 62-145. Rates between points connected by more than one route.**—When there is more than one route between given points in North Carolina, and freight is routed or directed by the shipper or consignee to be transported over a shorter route, and it is in fact shipped by a longer route between such points, the rate fixed by law or by the Commission for the shorter route shall be the maximum rate which may be charged, and it shall be unlawful to charge more for transporting such freight over the longer route than the lawful charge for the shorter route. (Ex. Sess. 1913, c. 20, s. 11; C. S., s. 1085; 1933, c. 134, s. 8; 1941, c. 97; 1963, c. 1165, s. 1.)

Mileage is calculated over the shortest rail line between the point of origin and the point of delivery. State v. Norfolk Southern Ry. Co., 249 N. C. 447, 106 S. E. (2d) 681 (1959).

**§ 62-146. Rates and service of motor common carriers.** — (a) It shall be the duty of every common carrier by motor vehicle to provide safe and adequate service, equipment, and facilities for transportation in intrastate commerce and to establish, observe and enforce just and reasonable regulations and practices relating thereto, and, in the case of property carriers, relating to the manner and method of presenting, marking, packing and delivering property for transportation in intrastate commerce.

(b) Except under special conditions and for good cause shown, a common carrier by motor vehicle authorized to transport general commodities over regular routes shall establish reasonable through routes and joint rates, charges, and classifications with other such common carriers by motor vehicle; and such common carrier may establish, with the prior approval of the Commission, such routes, joint rates, charges and classifications with any irregular route common carrier by motor vehicle, or any common carrier by rail, express, or water.

(c) It shall be the duty of every common carrier of passengers by motor vehicle to establish reasonable through rates with other such common carriers and to provide safe and adequate service, equipment, and facilities for the transportation of passengers; to establish, observe, and enforce just and reasonable individual and joint rates, fares, and charges and just and reasonable regulations and practices relating thereto and to the issuance, form, and substance of tickets, and the carrying of personal, sample and excess baggage.

(d) In case of joint rates between common carriers, it shall be the duty of the carriers parties thereto to establish just and reasonable regulations and practices in connection therewith, and just, reasonable, and equitable divisions thereof as between the carriers participating therein, which shall not unduly prefer or prejudice any of such participating carriers. Upon investigation and for good cause, the Commission may, in its discretion, prohibit the establishment of joint rates or service.

(e) Any person may make complaint in writing to the Commission that any rate, classification, rule, regulations, or practice in effect or proposed to be put into effect, is or will be in violation of this article. Whenever, after hearing, upon complaint or in an investigation on its own initiative, the Commission shall be of the opinion that any individual or joint rate demanded, charged, or collected by any common carrier or carriers by motor vehicle, or by any such common carrier or carriers in conjunction with any other common carrier or carriers, for transportation of property in intrastate commerce, or any classification, rule, regulation, or practice whatsoever of such carrier or carriers affecting such rate or the value of the service thereunder, is or will be unjust or unreasonable or unjustly discriminatory or unduly preferential or unduly preju-

dicial, it shall determine and prescribe the lawful rate or the minimum or maximum, or the minimum and maximum rate thereafter to be observed, or the lawful classification, rule, regulation, or practice thereafter to be made effective, and in the case of passenger carriers, the Commission shall, whenever deemed by it to be necessary or desirable in the public interest, after hearing, upon complaint or upon its own initiative without a complaint, establish through routes, and joint rates, regulations, or practices, applicable to the transportation of passengers by common carriers by motor vehicle, or the maximum or minimum, or maximum and minimum to be charged, and the terms and conditions under which such through routes shall be operated.

(f) Whenever, after hearing upon complaint or upon its own initiative, the Commission is of the opinion that the divisions of joint rates applicable to the transportation of property in intrastate commerce between a common carrier by motor vehicle and another carrier are or will be unjust, unreasonable, inequitable, or unduly preferential or prejudicial as between the carriers parties thereto (whether agreed upon by such carriers or otherwise established), the Commission shall by order prescribe the just, reasonable, and equitable division thereof to be received by the several carriers; and in cases where the joint rate or charge was established pursuant to a finding or order of the Commission and the divisions thereof are found by it to have been unjust, unreasonable, or inequitable or unduly preferential or prejudicial, the Commission may also by order determine what would have been the just, reasonable, and equitable divisions thereof to be received by the several carriers and require adjustment to be made in accordance therewith. The order of the Commission may require the adjustment of divisions between the carriers in accordance with the order from the date of filing the complaint or entry of order of investigation or such other dates subsequent thereto as the Commission finds justified, and in the case of joint rates prescribed by the Commission, the order as to divisions may be made effective as a part of the original order.

(g) In any proceeding to determine the justness or reasonableness of any rate of any common carrier by motor vehicle, there shall not be taken into consideration or allowed as evidence any elements of value of the property of such carrier, good will, earning power, or the certificate under which such carrier is operating, and such rates shall be fixed and approved, subject to the provisions of subsection (h) hereof, on the basis of the operating ratios of such carriers, being the ratio of their operating expenses to their operating revenues, at a ratio to be determined by the Commission; and in applying for and receiving a certificate under this chapter any such carrier shall be deemed to have agreed to the provisions of this paragraph, on its own behalf and on behalf of every transferee of such certificate or of any part thereof.

(h) In the exercise of its power to prescribe just and reasonable rates and charges for the transportation of property in intrastate commerce by common carriers by motor vehicle, and classifications, regulations, and practices relating thereto, the Commission shall give due consideration, among other factors, to the inherent advantages of transportation by such carriers; to the effect of rates upon movement of traffic by the carrier or carriers for which rates are prescribed; to the need in the public interest of adequate and efficient transportation service by such carriers at the lowest cost consistent with the furnishing of such service; and to the need of revenues sufficient to enable such carriers under honest, economical, and efficient management to provide such service.

(i) Nothing in this section shall be held to extinguish any remedy or right of action not inconsistent herewith. This section shall be in addition to other provisions of this chapter which relate to public utilities generally, except that in cases of conflict between such other provisions and this section, this section

shall prevail for motor carriers. (1947, c. 1008, s. 24; 1949, c. 1132, s. 22; 1963, c. 1165, s. 1.)

**Subsection (c) of this section encourages cooperation and agreements between common carriers** respecting their service to the public. *State v. Carolina Coach Co.*, 260 N. C. 43, 132 S. E. (2d) 249 (1963).

**Authority to transport general commodities includes authority to transport meats and packing house products.** *State v. Forbes Transfer Co., Inc.*, 259 N. C. 688, 131 S. E. (2d) 452 (1963).

**Duty to Establish Joint Rates and Divide Revenues.**—Motor carriers of freight in intrastate commerce who exchange freight in the course of delivery are not only given authority but are required to establish joint rates, and provide for the division of revenues derived from such shipments by contract, subject only to the limitation that the contract shall not unduly prefer or prejudice any of the participating carriers. *State v. Thurston Motor Lines, Inc.*, 240 N. C. 166, 81 S. E. (2d) 404 (1954).

**Authority of Commission to Interfere with Division of Revenue from Interchanged Freight.**—The Utilities Commission is given authority to intervene and vacate a contract for division of revenue from interchanged freight between two in-

trastate motor carriers only upon its finding after hearing the contractual agreement between the carriers for the division of revenue from such shipments is, or will be, unjust, unreasonable and inequitable, or unduly preferential or prejudicial as between the contracting carriers, and when an order is entered by the Commission without such jurisdictional finding, the cause must be remanded. A finding merely that the Commission does not accept the contractual practice of the carriers as being equitable is insufficient. And the provision of subsection (d), giving the Commission discretionary power to prohibit the establishment of joint rates, is inapplicable. *State v. Thurston Motor Lines, Inc.*, 240 N. C. 166, 81 S. E. (2d) 404 (1954).

**Mileage alone is not a sufficient basis for the determination of intrastate rates** by the Utilities Commission, but the Commission must consider all factors involved in rate making, including competition from interstate carriers, the different modes of transportation, the topography and volume of business as affecting costs, etc. *State v. North Carolina Motor Carriers Ass'n*, 253 N. C. 432, 117 S. E. (2d) 271 (1960).

**§ 62-147. Rates of motor contract carriers.**—(a) It shall be the duty of every contract carrier to establish and observe reasonable minimum rates for any service rendered or to be rendered in the transportation of property or in connection therewith, and to establish and observe reasonable regulations and practices to be applied in connection with said reasonable minimum rates. It shall be the duty of every contract carrier to file with the Commission, publish, and keep open for public inspection, in the form and manner prescribed by the Commission, schedules containing the minimum rates of such carrier actually maintained and charged for the transportation of property in intrastate commerce, and any rule, regulation, or practice affecting such rates and the value of the service thereunder. No such contract carrier, unless otherwise provided by this article, shall engage in transportation in intrastate commerce unless the minimum rates for such transportation by said carrier have been published, filed, and posted in accordance with the provisions of this article. No reduction shall be made in any such rate either directly or by means of any change in any rule, regulation or practice affecting such rate or the value of service thereunder, except after thirty days' notice of the proposed change filed in the aforesaid form and manner, but the Commission may, in its discretion and for good cause shown, allow such change upon less notice, or modify the requirements of this paragraph with respect to posting and filing of such schedules, either in particular instances or by general order applicable to special or peculiar circumstances or conditions. Such notice shall plainly state the change proposed to be made and the time when such change will take effect. No such carrier shall demand, charge, or collect a less compensation for such transportation than the rates filed in accordance with this paragraph, as affected by any rule, regulation, or practice so filed, or as may be prescribed by the Commission from time to time, and it shall be unlawful for any such carrier, by the furnishing of special services,

facilities, or privileges, or by any other device whatsoever, to charge, accept, or receive less than the minimum rates so filed or prescribed; provided, that any such carrier or carriers, or any class or group thereof, may apply to the Commission for relief from the provisions of this paragraph, and the Commission may, after hearing, grant such relief to such extent and for such time, and in such manner as in its judgment is consistent with the public interest and the policy declared in this chapter.

(b) Whenever, after hearing, upon complaint or upon its own initiative, the Commission finds that any minimum rate of any contract carrier by motor vehicle, or any rule, regulation, or practice of any such carrier affecting such minimum rate, or the value of the service thereunder, contravenes the policy declared in this chapter, or is in contravention of any provision of this chapter, the Commission may prescribe such just and reasonable minimum rate, or such rule, regulation, or practice as in its judgment may be necessary or desirable in the public interest and to promote such policy and will not be in contravention of any provision of this chapter. Such minimum rate, or such rule, regulation, or practice, so prescribed by the Commission, shall give no advantage or preference to any such carrier in competition with any common carrier by motor vehicle subject to this chapter, which the Commission may find to be undue or inconsistent with the public interest and the policy declared in this chapter, and the Commission shall give due consideration to the cost of the services rendered by such carriers, and to the effect of such minimum rate, or such rule, regulation, or practice, upon the movement of traffic by such carriers. All complaints shall state fully the facts complained of and the reasons for such complaint and shall be made under oath.

(c) Whenever there shall be filed with the Commission by any such contract carrier any schedule stating a rate for a new service or a reduced rate, directly or by means of any rule, regulation, or practice, for transportation in intrastate commerce, the Commission is hereby authorized and empowered upon complaint of interested parties or upon its own initiative at once and, if it so orders, without answer or other formal pleading by the interested party, but upon reasonable notice, to enter upon a hearing concerning the lawfulness of such rate, or such rule, regulation, or practice, and pending such hearing and the decision thereon the Commission, by filing with such schedule and delivering to the carrier affected thereby a statement in writing of its reasons for such suspension, may from time to time suspend the operation of such schedule and defer the use of such rate, or such rule, regulation, or practice, but not for a longer period than two hundred and seventy (270) days beyond the time when such rate or rates would otherwise go into effect. If the proceeding has not been concluded and an order made within the period of suspension, the proposed change in any rate or rule, regulation, or practice shall go into effect at the end of such period. After hearing, whether completed before or after the rate, or rule, regulation, or practice goes into effect, the Commission may make such order with reference thereto as would be proper in a proceeding instituted after it has become effective.

(d) At any hearing before the Commission under this paragraph, the burden of proof shall be upon the carrier to show that the changed rate, rule, regulation or practice, or the proposed changed rate, rule, regulation or practice, is just and reasonable.

(e) If any provision of this section is in conflict with any other provision of this chapter, the provisions of this section shall prevail. (1947, c. 1008, s. 26; 1949, c. 1132, s. 24; 1963, c. 1165, s. 1.)

The word "tariff," used in connection with the rates of a common carrier, does not have any special legal significance that would differentiate it in effect from the word "rates," used in this section in connection with a contract carrier. *State v. Fleming*, 235 N. C. 660, 71 S. E. (2d) 41 (1952).

§ 62-148. **Rates on leased or controlled utility.**—If any public utility operating in the State other than a motor carrier is owned, controlled or operated by lease or other agreement by any other public utility doing business in the State, its rates may, in the discretion of the Commission, be determined for such public utility by the rates prescribed for the public utility which owns, controls or operates it. (Ex. Sess. 1908, c. 144, s. 2; C. S., s. 3490; 1963, c. 1165, s. 1.)

§ 62-149. **Unused tickets to be redeemed.**—Whenever any ticket is sold and is not wholly used by the purchaser, it shall be the duty of the carrier selling such ticket to redeem it or the unused portion thereof at the price paid for it, or in such manner and at such price as the Commission shall prescribe by regulation. (1891, c. 290; 1893, c. 249; 1895, c. 83, ss. 2, 3; 1897, c. 418; Rev., s. 2627; C. S., s. 3503; 1963, c. 1165, s. 1.)

The conductor, driver or other person in charge of any conveyance for the use of the traveling public shall at all times have power to prevent any intoxicated person from entering such conveyance. If any intoxicated person, after being forbidden by the conductor, driver or other person having charge of any such conveyance for the use of the traveling public, shall enter such conveyance, he shall be guilty of a misdemeanor. (1885, c. 358, ss. 1, 2, 3; Rev., ss. 2625, 2626, 3757; C. S., s. 3504; 1963, c. 1165, s. 1.)

**When Exemplary Damages Allowed.** — In an action for damages for refusal to

allow a person with a ticket to board a train because he was intoxicated, exemplary damages will be allowed if such refusal was made with malice, undue force, or insult. *Story v. Norfolk, etc., R. Co.*, 133 N. C. 59, 45 S. E. 349 (1903).

§ 62-151. **Passenger refusing to pay fare or violating rules may be ejected.**—If any passenger shall refuse to pay his fare, or be or become intoxicated, or violate the rules of a common carrier, it shall be lawful for the conductor or driver of the train or bus, or other conveyance, and servants of the carrier, on stopping the conveyance, to put him and his baggage out of the conveyance, using no unnecessary force. (1871-2, c. 138, s. 34; Code, s. 1962; Rev., s. 2629; C. S., s. 3507; 1949, c. 1132, s. 30; 1953, c. 1140, s. 4; 1957, c. 1152, s. 16; 1961, c. 472, s. 11; 1963, c. 1165, s. 1.)

**Ejecting Person from Baggage Car.**—A person who gets on a blind baggage car, though he has a ticket, and does not tell the conductor that he has it, and the conductor does not see it, is not entitled to recover as a passenger for injuries received by being pulled off the train by the conductor. *McGraw v. Southern R. Co.*, 135 N. C. 264, 47 S. E. 758 (1904).

**Mileage Book Holder Must Comply with Terms.** — The holder of a mileage book must comply with its terms if reasonable opportunity is given, or he may be ejected. *Mason v. Seaboard Air Line R. Co.*, 159 N. C. 183, 75 S. E. 25 (1912); *McNairy v. Norfolk, etc., R. Co.*, 172 N. C. 505, 90 S. E. 497 (1916).

**Ejection of Party Refusing to Show Mileage Book.**—When a purchaser of a mileage book from a railroad company is riding on an exchange ticket and refuses, without excuse, to show his mileage book, in connection with the ticket, to the conductor on the train, he is not regarded as a passenger, and the conductor has the right to eject him from the train. *Mason v. Seaboard Air Line R. Co.*, 159 N. C. 183, 75 S. E. 25 (1912).

**Evidence of Drunkenness Inadmissible.**—In an action for wrongful ejection from a train, evidence of drunkenness of plaintiff was not admissible, where the answer simply denied the wrongful ejection alleged in the complaint. *Raynor v. Wilmington Seacoast R. Co.*, 129 N. C. 195, 39 S. E. 821 (1901).

**Ejection Caused by Failure of Conductor to Return Ticket.**—Where the conductor failed to return a ticket to a passenger to be used on another train, and the passenger was ejected therefrom for lack of the ticket, the railroad is liable for all damages attending the ejection. *Sawyer v. Norfolk, etc., R. Co.*, 171 N. C. 13, 86 S. E. 166 (1915).

**Reliance on Agent's Statements.**—The purchaser of a ticket may rely upon the statements of the railroad agent as to trains, connection, validity of ticket, etc., and if the passenger is ejected as a result of the agent's mistake the railroad is liable. *Hallman v. Southern R. Co.*, 169 N.

C. 127, 85 S. E. 298 (1915); *Creech v. Atlantic, etc., R. Co.*, 174 N. C. 61, 93 S. E. 453 (1917).

**Carrier Not Liable for Unusual Results.**—A conductor requiring an intoxicated man to leave the train for nonpayment of fare did not render the carrier liable for the death of the man from exposure, where the conductor did not have reasonable ground to believe that the man was unable to find his way or walk to the nearest house or to the railroad station, or even to his own father's house, which was not far away. *Roseman v. Carolina Cent. R. Co.*, 112 N. C. 709, 16 S. E. 766 (1893).

(1931, c. 195; 1963, c. 1165, s. 1.)

§ 62-153. **Contracts of public utilities with certain companies and for services.**—(a) All public utilities shall file with the Commission copies of contracts with any affiliated or subsidiary holding, managing, operating, constructing, engineering, financing or purchasing company or agency, and when requested by the Commission, copies of contracts with any person selling service of any kind. The Commission may disapprove, after hearing, any such contract if it is found to be unjust or unreasonable, and made for the purpose or with the effect of concealing, transferring or dissipating the earnings of the public utility. Such contracts so disapproved by the Commission shall be void and shall not be carried out by the public utility which is a party thereto, nor shall any payments be made thereunder. Provided, however, that in the case of motor carriers of passengers this subsection shall apply only to such contracts as the Commission shall request such carriers to file.

(b) No public utility shall pay any fees, commissions or compensation of any description whatsoever to any affiliated or subsidiary holding, managing, operating, constructing, engineering, financing or purchasing company or agency for services rendered or to be rendered without first filing copies of all proposed agreements and contracts with the Commission and obtaining its approval. Provided, however, that this subsection shall not apply to motor carriers of passengers. (1931, c. 455; 1933, c. 134, s. 8; c. 307, s. 17; 1941, c. 97; 1963, c. 1165, s. 1.)

## ARTICLE 8.

*Securities Regulation.*

§ 62-160. **Permission to pledge assets.**—No public utility shall pledge its faith, credit, moneys or property for the benefit of any holder of its preferred or common stocks or bonds, nor for any other business interest with which it may be affiliated through agents or holding companies or otherwise by the authority of the action of its stockholders, directors, or contract or other agents, the compliance or result of which would in any manner deplete, reduce, conceal, abstract or dissipate the earnings or assets thereof, decrease or increase its liabilities or assets, without first making application to the Commission and by order obtain its permission so to do. (1933, c. 307, s. 17; 1963, c. 1165, s. 1.)

§ 62-161. **Assumption of certain liabilities and obligations to be approved by Commission; refinancing of public utility securities.**—(a) No public utility shall issue any securities, or assume any liability or obligation as lessor, lessee, guarantor, indorser, surety, or otherwise, in respect to the securities of any other person unless and until, and then only to the extent that, upon application by such utility, and after investigation by the Commission of the purposes and uses of the proposed issue, and the proceeds thereof, or of the proposed assumption of obligation or liability in respect of the securities of any other person, the Commission by order authorizes such issue or assumption.

(b) The Commission shall make such order only if it finds that such issue or assumption is (i) for some lawful object within the corporate purposes of the public utility, (ii) is compatible with the public interest, (iii) is necessary or appropriate for or consistent with the proper performance by such utility of its service to the public and will not impair its ability to perform that service, and (iv) is reasonably necessary and appropriate for such purpose.

(c) Any such order of the Commission shall specify the purposes for which any such securities or the proceeds thereof may be used by the public utility making such application.

(d) If a public utility shall apply to the Commission for the refinancing of its outstanding shares of stock by exchanging or redeeming such outstanding shares, the exchange or redemption of such shares of any dividend rate or rates, class or classes, may be made in whole or in part, in the manner and to the extent approved by the Commission, notwithstanding any provisions of law applicable to corporations in general: Provided, that the proposed transactions are found by the Commission to be in the public interest and in the interest of consumers and investors, and provided that any redemption shall be at a price or prices, not less than par, and at a time or times, stated or provided for in the utility's charter or stock certificates. (1933, c. 307, s. 18; 1945, c. 656; 1963, c. 1165, s. 1.)

**Common Capital Stock of Corporation Is Security.** — The common capital stock of a corporation is a security within the meaning of that term as used in this sec-

tion and § 62-162. *State v. Carolina Tel. & Tel. Co.*, 243 N. C. 46, 89 S. E. (2d) 802 (1955).

§ 62-162. **Commission may approve in whole or in part or refuse approval.**—The Commission, by its order, may grant or deny the application provided for in the preceding section as made, or may grant it in part or deny it in part or may grant it with such modification and upon such terms and conditions as the Commission may deem necessary or appropriate in the premises and may, from time to time, for good cause shown, make such supplemental orders in the premises as it may deem necessary or appropriate and may, by any such supplemental order, modify the provisions of any previous order as to the particular purposes, uses, and extent to which or the conditions under which any

securities so authorized or the proceeds thereof may be applied; subject always to the requirements of the foregoing section. (1933, c. 307, s. 19; 1963, c. 1165, s. 1.)

**Common Capital Stock as Security.** — See note to § 62-161.

**Commission Has Authority to Control Issuance and Sale of Capital Stock.**—In view of the language used by the legislature in conferring power of the Utilities Commission to supervise and control the issue and sale of securities by a public

utility, the Commission had the authority not only to veto the sale of unissued common stock of a utility at par but also to impose the condition that such stock should be sold at a price not less than \$125 per share. *State v. Carolina Tel. & Tel. Co.*, 243 N. C. 46, 89 S. E. (2d) 802 (1955).

§ 62-163. **Contents of application for permission.**—Every application for authority for such issue or assumption shall be made in such form and contain such matters as the Commission may prescribe. Every such application and every certificate of notification hereinafter provided for shall be made under oath, signed and filed on behalf of the public utility by its president, a vice-president, auditor, comptroller, or other executive officer duly designated for that purpose by such utility. (1933, c. 307, s. 20; 1963, c. 1165, s. 1.)

§ 62-164. **Applications to receive immediate attention; continuances.**—All applications for the issuance of securities or assumption of liability or obligation shall be placed at the head of the Commission's docket and disposed of promptly, and all such applications shall be disposed of in thirty (30) days after the same are filed with the Commission, unless it is necessary for good cause to continue the same for a longer period for consideration. Whenever such application is continued beyond thirty (30) days after the time it is filed, the order making such continuance must state fully the facts necessitating such continuance. (1933, c. 307, s. 21; 1963, c. 1165, s. 1.)

§ 62-165. **Notifying Commission as to disposition of securities.** — Whenever any securities set forth and described in any such application for authority or certificate of notification as pledged or held unencumbered in the treasury of the utility shall, subsequent to the filing of such application or certificate, be sold, pledged, repledged, or otherwise disposed of, by the utility, such utility shall, within ten (10) days after such sale, pledge, repledge, or other disposition, file with the Commission a certificate of notification to that effect, setting forth therein all such facts as may be required by the Commission. (1933, c. 307, s. 22; 1963, c. 1165, s. 1.)

§ 62-166. **No guarantee on part of State.**—Nothing herein shall be construed to imply any guarantee or obligation as to such securities on the part of the State of North Carolina. (1933, c. 307, s. 23; 1963, c. 1165, s. 1.)

§ 62-167. **Article not applicable to note issues and renewals; notice to Commission.**—The provisions of the foregoing sections shall not apply to notes issued by a utility for proper purposes and not in violation of law, payable at a period of not more than two (2) years from the date thereof, and shall not apply to like notes issued by a utility payable at a period of not more than two (2) years from date thereof, to pay, retire, discharge, or refund in whole or in part any such note or notes, and shall not apply to renewals thereof from time to time not exceeding in the aggregate six (6) years from the date of the issue of the original note or notes so renewed or refunded. No such notes payable at a period of not more than two (2) years from the date thereof, shall, in whole or in part, directly or indirectly, be paid, retired, discharged or refunded by any issue of securities or another kind of any term or character or from the proceeds thereof without the approval of the Commission. Within ten (10) days after the making of any such notes, so payable at periods of not

more than two (2) years from the date thereof, the utility issuing the same shall file with the Commission a certificate of notification, in such form as may be determined and prescribed by the Commission. (1933, c. 307, ss. 24, 25; 1963, c. 1165, s. 1.)

§ 62-168. **Not applicable to debentures of court receivers.**—Nothing contained in this article shall limit the power of any court having jurisdiction to authorize or cause receiver's certificates or debentures to be issued according to the rules and practice obtained in receivership proceedings in courts of equity. (1933, c. 307, s. 25; 1963, c. 1165, s. 1.)

§ 62-169. **Periodical or special reports.**—The Commission shall require periodical or special reports from each public utility issuing any security, including such notes payable at periods of not more than two (2) years from the date thereof, which shall show, in such detail as the Commission may require, the disposition made of such securities and the application of the proceeds. (1933, c. 307, s. 26; 1963, c. 1165, s. 1.)

§ 62-170. **Failure to obtain approval not to invalidate securities or obligations; noncompliance with article, etc.**—(a) Securities issued and obligations and liabilities assumed by a public utility, for which the authorization of the Commission is required, shall not be invalidated because issued or assumed without such authorization therefor having first been obtained or because issued or assumed contrary to any term or condition of such order of authorization as modified by any order supplemental thereto entered prior to such issuance or assumption.

(b) Securities issued or obligations or liabilities assumed in accordance with all the terms and conditions of the order of authorization therefor shall not be affected by a failure to comply with any provision of this article or rule or regulation of the Commission relating to procedure and other matters preceding the entry of such order of authorization or order supplemental thereto.

(c) A copy of any order made and entered by the Commission and certified by a clerk of the Commission approving the issuance of any securities or the assumption of any obligation or liability by a public utility shall be sufficient evidence of full and complete compliance by the applicant for such approval with all procedural and other matters required precedent to the entry of such order.

(d) Any public utility which wilfully issues any such securities, or assumes any such obligation or liability, or makes any sale or other disposition of securities, or applies any securities or the proceeds thereof to purposes other than the purposes specified in an order of the Commission with respect thereto, contrary to the provisions of this article, shall be liable to a penalty of not more than ten thousand dollars (\$10,000.00), but such utility is only required to specify in general terms the purpose for which any securities are to be issued, or for which any obligation or liability is to be assumed, and the order of the Commission with respect thereto shall likewise be in general terms. (1933, c. 307, s. 27; 1963, c. 1165, s. 1.)

§ 62-171. **Commission may act jointly with agency of another state where public utility operates.**—If a commission or other agency or agencies is empowered by another state to regulate and control the amount and character of securities to be issued by any public utility within such other state, then the Utilities Commission of the State of North Carolina shall have the power to agree with such commission or other agency or agencies of such other state on the issue of stocks, bonds, notes or other evidences of indebtedness by a public utility owning or operating a public utility both in such state and in this State, and shall have the power to approve such issue jointly with such commission or other agency or agencies and to issue joint certificate of such approval: Provided, however, that no such joint approval shall be required in order to ex-

press the consent to an approval of such issue by the State of North Carolina if said issue is separately approved by the Utilities Commission of the State of North Carolina. (1933, c. 134, s. 8; c. 307, s. 28; 1941, c. 97; 1963, c. 1165, s. 1.)

§§ 62-172 to 62-179: Omitted.

#### ARTICLE 9.

##### *Acquisition and Condemnation of Property.*

§ 62-180. **Use of railroads and public highways.**—Any person operating electric power, telegraph or telephone lines or authorized by law to establish such lines, has the right to construct, maintain and operate such lines along any railroad or public highway, but such lines shall be so constructed and maintained as not to obstruct or hinder unreasonably the usual travel on such railroad or highway. (1874-5, c. 203, s. 2; Code, s. 2007; 1899, c. 64, s. 1; 1903, c. 562; Rev., s. 1571; C. S., s. 1695; 1939, c. 228, s. 1; 1963, c. 1165, s. 1.)

**Constitutionality.**—The provisions of former §§ 56-1 to 56-10, empowering electric power or lighting companies, etc., to condemn lands for the erection of poles, establishment of offices, and other appropriate purposes, were constitutional and valid. *Wissler v. Yadkin River Power Co.*, 158 N. C. 465, 74 S. E. 460 (1912).

**Foreign Companies.**—The right to construct and operate telegraph lines along any railroad or other public highway in the State, and to obtain the right of way therefor by a condemnatory proceeding, was expressly conferred upon any telegraph company incorporated by this or by any other state. *North Carolina, etc., R. Co. v. Carolina Cent., etc., R. Co.*, 83 N. C. 489 (1880); *Yadkin River Power Co. v. Wissler*, 160 N. C. 269, 76 S. E. 267 (1912).

**No Rights over Private Land.**—Former § 56-1 applied to constructing lines along

the highway and not to constructing the lines over private land. *Wade v. Carolina Tel., etc., Co.*, 147 N. C. 219, 60 S. E. 987 (1908).

**An Additional Burden.**—A telegraph line along a railroad and on the right of way of the railroad is an additional burden upon the land, for which the landowner is entitled to just compensation. *Phillips v. Postal Tel.-Cable Co.*, 130 N. C. 513, 41 S. E. 1022 (1902); *Hodges v. Western Union Tel. Co.*, 133 N. C. 225, 45 S. E. 572 (1903); *Query v. Postal Tel.-Cable Co.*, 178 N. C. 639, 101 S. E. 390 (1919). The same rule applies to electric light wires placed along the street. *Brown v. Electric Co.*, 138 N. C. 533, 51 S. E. 62 (1905). But the construction of a street passenger railway does not impose any additional servitude upon the property fronting on the street so occupied. *Hester v. Traction Co.*, 138 N. C. 288, 50 S. E. 411 (1905).

§ 62-181. **Electric and hydroelectric power companies may appropriate highways; conditions.**—Every electric power or hydroelectric power corporation, person, firm or copartnership which may exercise the right of eminent domain under the chapter Eminent Domain, where in the development of electric or hydroelectric power it shall become necessary to use or occupy any public highway, or any part of the same, after obtaining the consent of the public road authorities having supervision of such public highway, shall have power to appropriate said public highway for the development of electric or hydroelectric power: Provided, that said electric power or hydroelectric power corporation shall construct an equally good public highway, by a route to be selected by and subject to the approval and satisfaction of the public road authorities having supervision of such public highway: Provided further, that said company shall pay all damages to be assessed as provided by law, by the damming of water, the discontinuance of the road, and for the laying out of said new road. (1911, c. 114; C. S., s. 1696; 1939, c. 228, s. 2; 1963, c. 1165, s. 1.)

**Cross Reference.**—As to what corporations, etc., may exercise the right of eminent domain, see § 40-2.

**Change in Section of Highway.**—Where

a hydroelectric power company has appropriated a section of a public highway and built another section in lieu thereof, the provision of the statute that the com-

pany pay all damages assessed as provided by law does not entitle the plaintiff to recover damages for the slight change in the road causing inconvenience to him in

hauling wood, etc., to and from his market town. *Crowell v. Tallassee Power Co.*, 200 N. C. 208, 156 S. E. 493 (1931).

**§ 62-182. Acquisition of right of way by contract.**—Such telegraph, telephone, or electric power or lighting company has power to contract with any person or corporation, the owner of any lands or of any franchise or easement therein, over which its lines are proposed to be erected, for the right of way for planting, repairing and preservation of its poles or other property, and for the erection and occupation of offices at suitable distances for the public accommodation. This section shall not be construed as requiring electric power or lighting companies to erect offices for public accommodation. (1874-5, c. 203, s. 3; Code, s. 2008; 1899, c. 64; 1903, c. 562, ss. 1, 2; Rev., s. 1572; C. S., s. 1697; 1963, c. 1165, s. 1.)

**Cross Reference.**—As to recording deeds of easement, see § 47-27.

**Owner Must Grant Easement.**—A railroad company, not being the owner of the soil, cannot grant an easement to a telegraph company. *Hodges v. Western Union Tel. Co.*, 133 N. C. 225, 45 S. E. 572 (1903). See also *Narron v. Wilmington, etc., R. Co.*, 122 N. C. 856, 29 S. E. 356 (1898).

**How Easement Acquired.**—A telegraph company can acquire an easement in lands for construction and maintenance of its lines by grant, or pursuant to statute, or by adverse and continuous use for the period of twenty years. *Teeter v. Postal Tel.-Cable Co.*, 172 N. C. 783, 90 S. E. 941 (1916).

**§ 62-183. Grant of eminent domain; exception as to mills and water powers.**—Such telegraph, telephone, electric power or lighting company shall be entitled, upon making just compensation therefor, to the right of way over the lands, privileges and easements of other persons and corporations, including rights of way for the construction, maintenance, and operation of pipelines for transporting fuel to their power plants; and to the right to erect poles and towers, to establish offices, and to take such lands as may be necessary for the establishment of their reservoirs, ponds, dams, works, railroads, or sidetracks, or powerhouses, with the right to divert the water from such ponds or reservoirs, and conduct the same by flume, ditch, conduit, waterway or pipeline, or in any other manner, to the point of use for the generation of power at its said powerhouses, returning said water to its proper channel after being so used. Nothing in this section authorizes interference with any mill or power plant actually in process of construction or in operation; or the taking of water powers, developed or undeveloped, with the land adjacent thereto necessary for their development: Provided, however, that if the court, upon filing of the petition by such electric power or lighting company, shall find that any mill, excepting cotton mills now in operation, whether operated by water power or otherwise, together with the lands and easements adjacent thereto or used in connection therewith, or that any water power, developed or undeveloped, with land adjacent thereto necessary for its development, excepting any water power, right or property of any person, firm or corporation engaged in the actual service of the general public where such water power, right or property is being used or held to be used or to be developed for use in connection with or in addition to any power actually used by such person, firm or corporation serving the general public, is necessary for the development of any hydroelectric power plant which is to be operated for the purpose of generating electric power for sale to the general public, and that said electric power or lighting company is unable to agree for the purchase of such property with the owners thereof, and that the failure to acquire such property will affect the ability of such electric power or lighting company to supply power to the general public, and that the taking of such mill or water power will be greatly more to the benefit of the public than the

continued existence of such mill or the continuation of the existing ownership of such water power, then the court, upon such finding, shall make an order authorizing the condemnation of such property and easements in all respects as in the cases of other property referred to in this section. Any provisions in conflict with this chapter in any special charters granted before January 31st, 1907, in respect to the exercise of the right of eminent domain are repealed. (1874-5, c. 203, s. 4; Code, s. 2009; 1899, c. 64; 1903, c. 562; Rev., s. 1573; 1907, c. 74; C. S., s. 1698; 1921, c. 115; 1923, c. 60; 1925, c. 175; 1957, c. 1046; 1963, c. 1165, s. 1.)

**Cross Reference.**—As to the right of eminent domain in general, see § 40-1 et seq.

**Editor's Note.**—As to former statutes prohibiting or restricting interference with mills, power plants and water powers, see 1 N. C. Law Rev. 290; 3 N. C. Law Rev. 144.

The General Assembly originally exempted "water powers, developed or undeveloped with the necessary land adjacent thereto for their development" for the purpose of preventing the acquisition of all of the water powers by one or more of the great aggregations of capital. *Blue Ridge Interurban R. Co. v. Hendersonville Light, etc., Co.*, 169 N. C. 471, 86 S. E. 296 (1915).

**Right Granted for Public Benefit.**—The power of eminent domain is conferred upon corporations affected with public use, not so much for the benefit of the corporations themselves, but for the use and benefit of the people at large. *Wissler v. Yadkin River Power Co.*, 158 N. C. 465, 74 S. E. 460 (1912).

**Limitation of Right of Eminent Domain.**—The statute limits the right of eminent domain and any special power claimed by the charter must clearly appear. *Yadkin River Power Co. v. Whitney Co.*, 150 N. C. 31, 63 S. E. 188 (1908). See *Blue Ridge Interurban R. Co. v. Hendersonville Light, etc., Co.*, 169 N. C. 471, 86 S. E. 296 (1915).

The right of eminent domain is not necessarily exhausted by a single exercise of the power, but, within the limits established by the general law or special charter, a subsequent or further exercise of the power may be permissible. *Thomason v. Railroad*, 142 N. C. 318, 55 S. E. 205 (1906); *Yadkin River Power Co. v. Wissler*, 160 N. C. 269, 76 S. E. 267 (1912).

**Effect of Federal Statute.**—See *Phillips v. Postal Tel.-Cable Co.*, 130 N. C. 513, 41 S. E. 1022 (1902).

**Quasi-Public Corporations also Conducting Business of Private Character.**—Where a charter is granted a corporation, conferring quasi-public as well as private condemn lands when so empowered, in powers, the corporation may proceed to

pursuance of its business of a quasi-public nature, and this will not be denied it because it was authorized to conduct a business of a private character. *Carolina-Tennessee Power Co. v. Hiawassee River Power Co.*, 171 N. C. 248, 88 S. E. 349 (1916).

**Compensation Essential.**—Private property may not be taken for public use, directly or indirectly, without just compensation. *Phillips v. Postal Tel.-Cable Co.*, 130 N. C. 513, 41 S. E. 1022 (1902). See §§ 40-16, 40-17 as to fixing compensation.

**Conflict of Claims.**—Where the claims of two companies conflict, the prior right belongs to that company which first defines and marks its route. *Carolina-Tennessee Power Co. v. Hiawassee River Power Co.*, 171 N. C. 248, 88 S. E. 349 (1916).

**Effect of Subsequent Charter.**—Where a legislative charter has been granted since a statute was passed, the powers given therein are not subject to the restriction of the statute. *Carolina-Tennessee Power Co. v. Hiawassee River Power Co.*, 171 N. C. 248, 88 S. E. 349 (1916).

**Extent of Rights Usually Determined by Companies.**—The extent of the rights to be acquired is primarily and very largely referred to the companies or grantees of the power, and only becomes an issuable question, usually determinable by the court, on allegation of facts tending to show bad faith on the part of the companies, or an oppressive or manifest abuse of their discretion. *Love v. R. R.*, 81 N. C. 432 (1879), cited and distinguished. *Yadkin River Power Co. v. Wissler*, 160 N. C. 269, 76 S. E. 267 (1912).

**Burden of Proof on Defendant.**—Where a quasi-public corporation brings action for condemnation, and the defendant resists upon the ground that the lands or power sought to be taken are protected by the statute, the burden of proof is upon the defendant to bring the lands or water power within the provision of the statute excepting them. *Blue Ridge Interurban R. Co. v. Hendersonville Light, etc., Co.*, 171 N. C. 314, 88 S. E. 245 (1916).

**Land Used in Developing Power.** — A public service corporation, owning lands on one bank of stream, cannot condemn across the stream and take the water rights held in the stream by another public service corporation, when it appears that the defendant holds its lands across the stream to supply power to operate its electric light and power plant, with which it is supply-

ing such light and power to its patrons. *Blue Ridge Interurban R. Co. v. Oates*, 164 N. C. 167, 80 S. E. 398 (1913); *Blue Ridge Interurban R. Co. v. Hendersonville Light, etc., Co.*, 169 N. C. 471, 86 S. E. 296 (1915).

**Applied in** *Carolina Power, etc., Co. v. Bowman*, 229 N. C. 682, 51 S. E. (2d) 191 (1949).

§ 62-184. **Dwelling house of owner, etc., may be taken under certain cases.** — The dwelling house, yard, kitchen, garden or burial ground of the owner may be taken under § 62-183 when the company alleges, and upon the proceedings to condemn makes it appear to the satisfaction of the court, that it owns or otherwise controls not less than seventy-five per cent (75%) of the fall of the river or stream on which it proposes to erect its works, from the location of its proposed dam to the head of its pond or reservoir; or when the Commission, upon the petition filed by the company, shall, after due inquiry, so authorize. Nothing in this section repeals any part or feature of any private charter, but any firm or corporation acting under a private charter may operate under or adopt any feature of this section. (1907, c. 74; 1917, c. 108; C. S., s. 1699; 1933, c. 134, ss. 7, 8; 1963, c. 1165, s. 1.)

§ 62-185. **Condemnation on petition; parties' interests only taken; no survey required.**—When such telegraph, telephone, electric power or lighting company fails on application therefor to secure by contract or agreement such right of way for the purposes aforesaid over the lands, privilege or easement of another person or corporation, it is lawful for such company, first giving security for costs, to file its petition before the superior court for the county in which said lands are situate, or into or through which such easement, privilege or franchise extends, setting forth and describing the parcels of land, privilege or easement over which the way, privilege or right of use is claimed, the owners of the land, easement or privilege, and their place of residence, if known, and if not known that fact shall be stated, and such petition shall set forth the use, easement, privilege or other right claimed, and must be sworn to, and if the use or right sought be over or upon an easement or right of way, it shall be sufficient to give jurisdiction if the person or corporation owning the easement or right of way be made a party defendant.

Only the interest of such parties as are brought before the court shall be condemned in any such proceedings, and if the right of way of a railroad or railway company sought to be condemned extends into or through more counties than one, the whole right and controversy may be heard and determined in one county into or through which such right of way extends.

It is not necessary for the petitioner to make any survey of or over the right of way, nor to file any map or survey thereof, nor to file any certificate of the location of its line by its board of directors. (1874-5, c. 203, s. 5; Code, s. 2010; 1899, c. 64, s. 2; 1903, c. 562; Rev., s. 1574; C. S., s. 1700; 1963, c. 1165, s. 1.)

**Telegraph, etc., Company Alone Can File Petition.**—The telegraph, etc., company alone has the right to file the petition in condemnation proceedings. The landowner is not given such right. *Phillips v. Postal Tel.-Cable Co.*, 130 N. C. 513, 41 S. E. 1022 (1902).

**Condemnation Not Confined to Right of Way.**—The power of condemnation is not confined to a right of way, delimited by surface boundaries, but may be extended to cutting of trees or removing obstruc-

tions outside of these boundaries when required for reasonable preservation and protection of their lines and other property. *Yadkin River Power Co. v. Wissler*, 160 N. C. 269, 76 S. E. 267 (1912).

**No Entry Until Damage Paid.**—A telegraph company seeking to condemn a right of way for its line cannot be authorized to enter into possession and construct its line until the damages have been assessed and paid into court. *Postal Tel. Cable Co. v. Southern R. Co.*, 89 F. 190 (1898).

**Permanent Damage Awarded.** — Permanent damages may be awarded a landowner who was injured by telegraph poles placed on his land. And the company then acquires an easement. *Phillips v. Postal Tel.-Cable Co.*, 130 N. C. 513, 41 S. E. 1022 (1902); *Lamberth v. Southern Power Co.*, 152 N. C. 371, 67 S. E. 921 (1910).

**Subsequent Purchaser May Recover Damages.** — A purchaser of land subsequent to the taking and erection thereon of a telegraph line may recover permanent damages for the easement taken, and the telegraph company thereby acquires the easement and right to maintain its line thereon. *Phillips v. Postal Tel.-Cable Co.*, 130 N. C. 513, 41 S. E. 1022 (1902).

**Limitation of City Authority.**—Authority granted by a city to the defendant electric company to remove a shade tree in front of the plaintiff's home in order to put up its poles and wires does not justify the act of the defendant in removing the tree; the city has no power to deprive the plaintiff of his own property for such purpose without compensation. *Brown v. Electric Co.*, 138 N. C. 533, 51 S. E. 62 (1905).

**When Jury Trial Necessary.** — While ordinarily a jury trial is not required in condemnation proceedings, except as to the assessment of damages, the general rule does not apply where the pleadings put at issue the question as to whether the character of the lands is such as to be embraced within the right conferred, or within an exception to that right under the terms of a statute. *Blue Ridge Interurban R. Co. v. Oates*, 164 N. C. 167, 80 S. E. 398 (1913).

**Condemnation of Railroad Right of Way.**—The words "right of way" are not used as synonymous with "easement," but, as applied to railroads, they include in their meaning the strip of land over which the track is laid through the country, and which is used in connection therewith, whether the railroad company owns only an easement therein or the title in fee.

§ 62-186. **Copy of petition to be served.**—A copy of such petition, with a notice of the time and place the same will be presented to the superior court, must be served on the persons whose interests are to be affected by the proceeding at least ten (10) days prior to the presentation of the same to the said court. (1874-5, c. 203, s. 6; Code, s. 2011; 1899, c. 64, s. 3; Rev., s. 1575; C. S., s. 1701; 1963, c. 1165, s. 1)

**Cross Reference.**—As to failure to serve prosecution bond, see note to § 62-185.

§ 62-187. **Proceedings as under eminent domain.** — The proceedings for the condemnation of lands, or any easement or interest therein, for the use of telegraph, telephone, electric power or lighting companies, the appraisal of the

*Postal Tel. Cable Co. v. Southern R. Co.*, 90 F. 30 (1898).

**Same — Petition Need Not State Railroad Company's Tenure.**—It is not necessary that a petition asking for the condemnation of a right of way over the right of way of a railroad should state by what tenure the railroad company holds. *Postal Tel. Cable Co. v. Southern R. Co.*, 89 F. 190 (1898).

**Same — Proceeding Does Not Affect Landowner Not a Party.** — Condemnation proceeding by a telegraph company against a railroad company to condemn the right of way, to which the landowner is not a party, gives no rights against the landowner, but gives rights only against the parties before the court. *Phillips v. Postal Tel.-Cable Co.*, 130 N. C. 513, 41 S. E. 1022 (1902).

**Limitation of Federal Statute.** — The federal statute authorizing telegraph companies to construct their lines over and along any military or post roads of the United States does not give such companies the right to build their lines over the right of way of a railroad or other private property without the consent of the owner, or the condemnation of the right of way over such property in accordance with the laws of the state where situated. *Postal Tel. Cable Co. v. Southern R. Co.*, 89 F. 190 (1898).

**Judgment Necessary to Give Vested Right under Prior Act.** — In order to acquire a vested right under a statute to condemn lands, which has subsequently been repealed, it is necessary to show a finality by judgment in the proceedings before the later act has become effective; and where it appears that the summons was served in time, but that the prosecution bond, made a prerequisite by § 1-109, was not, no vested right in the former statute can be acquired by the further prosecution of the condemnation proceedings. *Blue Ridge Interurban R. Co. v. Oates*, 164 N. C. 167, 80 S. E. 398 (1913).

lands, or interest therein, the duty of the commissioners of appraisal, the right of either party to file exceptions, the report of commissioners, the mode and manner of appeal, the power and authority of the court or judge, the final judgment, and the manner of its entry and enforcement, and the rights of the company pending the appeal, shall be as prescribed in article 2 entitled Condemnation Proceedings of the chapter entitled Eminent Domain. (Code, s. 2012; 1899, c. 64; 1903, c. 562; Rev., s. 1576; C. S., s. 1702; 1963, c. 1165, s. 1.)

**Editor's Note.** — "Court or judge" has been substituted for "court of judge" near the middle of this section.

This section refers to proceedings subsequent to the filing of the petition and the service of the required notices. In other words, it refers to the proceedings after the parties are all before the court. Hence § 40-12, as to filing and service, does not apply. *Phillips v. Postal Tel.-Cable Co.*, 130 N. C. 513, 41 S. E. 1022 (1902).

#### Amendments to Eminent Domain Stat-

**ute.**—An earlier form of this section provided that eminent domain proceedings on the part of telegraph companies "shall be as prescribed in this chapter for condemning lands to the use of railroad companies." It was held that this provision incorporated into the telegraph statute the provisions of the railroad statute referred to, only as they existed at the time of the enactment, and not as thereafter amended. *Postal Tel. Cable Co. v. Southern R. Co.*, 89 F. 190 (1898).

**§ 62-188. Commissioners to inspect premises.**—In considering the question of damages when the interest sought is over an easement, privilege or right of way, the commissioners may inspect the premises or rest their finding on such testimony as to them may be satisfactory. (1874-5, c. 203, s. 9; Code, s. 2013; Rev., s. 1577; C. S., s. 1703; 1963, c. 1165, s. 1.)

**§ 62-189. Powers granted corporations under chapter exercisable by persons, firms or copartnerships.** — All the rights, powers and obligations given, extended to, or that may be exercised by any corporation or incorporated company under this chapter shall be extended to and likewise be exercised and are hereby granted unto all persons, firms or copartnerships engaged in or authorized by law to engage in the business herein described. Such persons, firms, copartnerships and corporations engaging in such business shall be subject to the provisions and requirements of the public laws which are applicable to others engaged in the same kind of business. (1939, c. 228, s. 3; 1963, c. 1165, s. 1.)

**§ 62-190. Right of eminent domain conferred upon pipeline companies; other rights.**—Any pipeline company transporting or conveying natural gas, gasoline, crude oil, coal in suspension, or other fluid substances by pipeline for the public for compensation, and incorporated under the laws of the State, or foreign corporations domesticated under the laws of North Carolina, may exercise the right of eminent domain under the provisions of the chapter, Eminent Domain, and for the purpose of constructing and maintaining its pipelines and other works shall have all the rights and powers given railroads and other corporations by this chapter and acts amendatory thereof. Nothing herein shall prohibit any such pipeline company granted the right of eminent domain under the laws of this State from extending its pipelines from within this State into another state for the purpose of transporting natural gas or coal in suspension into this State, nor to prohibit any such pipeline company from conveying or transporting natural gas, gasoline, crude oil, coal in suspension, or other fluid substances from within this State into another state. All such pipeline companies shall be deemed public utilities and shall be subject to regulation under the provisions of this chapter. (1937, c. 280; 1951, c. 1002, s. 3; 1957, c. 1045, s. 2; 1963, c. 1165, s. 1.)

**Cross Reference.** — As to definition of "public utility" including pipeline company, see § 62-3 (23) a 5.

**Editor's Note.**—See 15 N. C. Law Rev. 364.

§ 62-191. **Flume companies exercising right of eminent domain become common carriers.**—All flume companies availing themselves of the right of eminent domain under the provisions of the chapter Eminent Domain shall become common carriers of freight, for the purpose for which they are adapted, and shall be under the direction, control and supervision of the Commission in the same manner and for the same purposes as is by law provided for other common carriers of freight. (1907, c. 39, s. 4; C. S., s. 3517; 1933, c. 134, s. 8; 1941, c. 97, § 5; 1963, c. 1165, s. 1.)

**Local Modification.** — Duplin: 1911, c. 214.

§ 62-192. **Map required for railroad condemnation.**—(a) Whenever it shall become necessary to condemn any land for the purposes of a railroad, at the time that the summons for such condemnation is served there shall also be served by the railroad company a map showing how the line of the road is to be located on the land sought to be condemned, and a profile showing the depth of the cuts and the height of the embankments on the land so sought to be condemned, and at what points on such land such cuts and embankments are to be located. This section shall not apply to street railways.

(b) Every railroad company shall, within a reasonable time after its road shall be constructed, cause to be made a map and profile thereof, and of the land taken or obtained for the use thereof, and shall file the same in the office of the Commission. Every such map shall be drawn on a scale and on paper to be designated by the Commission, and shall be certified and signed by the president or engineer of such company. (1871-2, c. 138, ss. 24, 41; Code, ss. 1952, 1977; 1893, c. 396, s. 2; 1901, c. 6, s. 3; Rev., ss. 2599, 2600; C. S., ss. 3471, 3472; 1933, c. 134, s. 8; 1941, c. 97, s. 5; 1963, c. 1165, s. 1.)

**Subsection (a) Mandatory.**—The conditions of subsection (a) of this section must be complied with before any company can construct any part of its road. *Durham, etc., R. Co. v. Richmond, etc., R. Co.*, 106 N. C. 16, 10 S. E. 1041 (1890).

**Same — Defect May Be Cured by Amendment.**—The failure to serve a map and profile with the summons in condemnation proceedings may be cured by amendment. *State v. Wells*, 142 N. C. 590, 55 S. E. 210 (1906).

**Purpose of Subsection (b).**—By subsection (b) of this section railroad corporations are required, within a reasonable time after their road is constructed, to file a map and profile of their route and of land condemned for its use with the Corporation Commission (now the Utilities Commission). But this is for the information of that body and is not required as a part of a correct and completed location. *Fayetteville Street Railway v. Railroad*, 142 N. C. 423, 55 S. E. 345 (1906).

**Survey Unnecessary When Old Road-**

**bed Adopted.**—Where the line of a railroad is clearly defined by the existence of an old roadbed which is entered on and staked out by the agents of the company, and the route so marked is approved and adopted by the directors as its permanent location, in such case a survey by engineers is not essential. *Fayetteville Street Railway v. Railroad*, 142 N. C. 423, 55 S. E. 345 (1906).

**Profile Must Show "Fills" and "Cuts."**—The profile required to be filed by subsection (b) of this section must show whether there will be any "fills" or "cuts" on the land sought to be condemned. *Kinston, etc., R. Co. v. Stroud*, 132 N. C. 413, 43 S. E. 913 (1903).

**Railroad Completed before Subsection (b) Passed.**—Where the railroad was completed through the locus in quo prior to the passage of subsection (b) of this section, it was not necessary to the validity of the location that a map of the route should be filed. *Purifoy v. Richmond, etc., R. Co.*, 108 N. C. 100, 12 S. E. 741 (1891).

§§ 62-193 to 62-199: Omitted.

## ARTICLE 10.

### *Transportation in General.*

§ 62-200. **Duty to transport freight within a reasonable time.**—(a) It shall be unlawful for any common carrier of property doing business in this

State to omit or neglect to transport within a reasonable time any goods, merchandise or other articles of value received by it for shipment and billed to or from any place in this State, unless otherwise agreed upon between the carrier and the shipper, or unless the same be burned, stolen or otherwise destroyed, or unless otherwise provided by the Commission.

(b) Any common carrier violating any of the provisions of this section shall forfeit to the party aggrieved the sum of fifteen dollars (\$15.00) for the first day and two dollars (\$2.00) for each succeeding day of such unlawful detention or neglect where such shipment is made in carload lots, and in less quantities there shall be a forfeiture in like manner of ten dollars (\$10.00) for the first day and one dollar (\$1.00) for each succeeding day, but the forfeiture shall not be collected for a period exceeding thirty (30) days.

(c) In reckoning what is a reasonable time for such transportation, it shall be considered that such common carrier has transported freight within a reasonable time if it has done so in the ordinary time required for transporting such articles of freight by similar carriers between the receiving and shipping stations. The Commission is authorized to establish reasonable times for transportation by the various modes of carriage which shall be held to be prima facie reasonable, and a failure to transport within such times shall be held prima facie unreasonable. This section shall be construed to refer not only to delay in starting the freight from the station where it is received, but to require the delivery at its destination within the time specified: Provided, that if such delay shall be due to causes which could not in the exercise of ordinary care have been foreseen or which were unavoidable, then upon the establishment of these facts to the satisfaction of the court trying the cause, the defendant common carrier shall be relieved from any penalty for delay in the transportation of freight, but it shall not be relieved from the costs of such action. In all actions to recover penalties against a common carrier under this section, the burden of proof shall be upon such carrier to show where the delay, if any, occurred. The penalties provided in this section shall be in addition to the damages recoverable for failure to transport within a reasonable time.

(d) This section shall not apply to motor carriers of passengers. (Code, s. 1964; 1899, c. 164, s. 2, subsecs. 2, 7; 1903, c. 444; c. 590, s. 3; c. 693; 1905, c. 545; Rev., ss. 1094, 2631, 2632; 1907, cc. 217, 461; C. S., ss. 1053, 3515, 3516; 1933, c. 134, s. 8; 1941, c. 97; 1963, c. 1165, s. 1.)

**Cross Reference.**—As to venue of action against railroad, see § 1-81.

**Editor's Note.**—Under this section as it formerly stood, a penalty was imposed for unreasonable delay in the transportation of goods. Construing the statute in *Alexander v. Atlantic Coast Line R. Co.*, 144 N. C. 93, 56 S. E. 697 (1907), the court held that the term "transportation" did not include a delivery to consignee at the point of destination, and if goods shipped by a carrier had been properly placed at the point of destination, no penalty was incurred under this section for a negligent delay in delivery from the car or warehouse of the carrier. Subsequently the legislature amended the statute so as to include delays in delivery after transportation had ceased.

For a review of the history of legislative penalties for the refusal of railroads to transport freight, see *Grocery Co. v.*

*Southern R. Co.*, 136 N. C. 396, 48 S. E. 801 (1904).

**Constitutionality of Section.** — This section is in the nature of a police regulation and is constitutional and valid. *Davis v. Southern R. Co.*, 147 N. C. 68, 60 S. E. 722 (1908); *Owens v. Hines*, 178 N. C. 325, 100 S. E. 617 (1919).

It does not deny to the carrier the equal protection of the laws. *Grocery Co. v. Southern R. Co.*, 136 N. C. 396, 48 S. E. 801 (1904); *Rollins v. Seaboard Air Line Railway*, 146 N. C. 153, 59 S. E. 671 (1907).

**Does Not Apply to Interstate Shipments.** — A penalty may not be recovered of the carrier of an interstate shipment for negligent delay in transportation under this section. *Bivens Bros. v. Atlantic Coast Line R. Co.*, 176 N. C. 414, 97 S. E. 215 (1918). See also *Hickory Marble Co. v. Southern R. Co.*, 147 N. C. 53, 60 S. E. 719 (1908).

**Same—Although Both Terminal Points in State.**—A penalty under this section cannot be recovered for the failure of a railroad company to transport freight within a reasonable time, when the initial and terminal points are within the State, but the shipment necessarily passes into another state in transitu. Such is interstate commerce and cannot be interfered with by the State. *Shelby Ice, etc., Co. v. Southern R. Co.*, 147 N. C. 66, 60 S. E. 721 (1908).

**Carrier's Common-Law Duty Unaltered.**—This section does not supersede or alter the duty of carrier at common law, but merely enforces an admitted duty and superadds a penalty. *Meredith v. Seaboard Air Line Ry. Co.*, 137 N. C. 478, 50 S. E. 1 (1905).

**Section Strictly Construed.**—This is a penal statute, and must be strictly construed. *Alexander v. Atlantic Coast Line R. Co.*, 144 N. C. 93, 56 S. E. 697 (1907).

**"Ordinary Time" a Question for Jury.**—The question of "ordinary time" for the transportation of freight by the carrier, in a suit for a penalty for failure to transport, under this section, is a question of fact for the jury. *Shelby Ice, etc., Co. v. Southern R. Co.*, 147 N. C. 66, 60 S. E. 721 (1908); *Wall-Huske Co. v. Southern R. Co.*, 147 N. C. 407, 61 S. E. 277 (1908).

In an action for the recovery of a penalty under this section, it was for the jury to find what was "ordinary" time, under the surrounding circumstances, and whether the defendant transported freight within such time; also, the amount of recovery. It is error for the trial court to instruct the jury, if they believe the evidence, to answer the issue in a certain way or in a sum certain. *Davis v. Southern R. Co.*, 147 N. C. 68, 60 S. E. 722 (1908).

**Same—No Fixed Rule.**—This section does not fix a "hard and fast" rule in defining reasonable time. *Jenkins v. Southern R. Co.*, 146 N. C. 178, 59 S. E. 663 (1907).

**Same—Burden of Proof.**—When the evidence discloses that the time taken by the railroad company for transporting goods, etc., was prima facie reasonable as fixed by the statute, the question of reasonable time is one for the jury to measure by the statutory standard, the burden of proof being upon the plaintiff. *Alexander v. Atlantic Coast Line R. Co.*, 144 N. C. 93, 56 S. E. 697 (1907).

**Same—Evidence.**—In an action to recover the penalty given by this section, the burden of proof is on the plaintiff to show that the carrier failed to transport and

deliver the goods within a reasonable time, which is defined to be the "ordinary time" required to transport and deliver. This may be shown by proving the distance over which the goods are to be transported and the time consumed therein. From this evidence the jury may, as a matter of common knowledge and observation, draw the conclusion whether, in view of the usual speed of freight trains, the time consumed, the distance, and other conditions, the carrier has failed to transport and deliver within a reasonable time. *Jenkins v. Southern R. Co.*, 146 N. C. 178, 59 S. E. 663 (1907).

**Same — Illustrations.**—When there was evidence that the time in transporting a certain shipment from one station to another only 25 miles away, on the same railroad, was twelve days, the jury would be permitted, from their common observation and experience, to consider and determine the question of ordinary time between the two points, and, in the absence of explanation by defendant, fix the amount of wrongful delay. *Rollins v. Seaboard Air Line Railway*, 146 N. C. 153, 50 S. E. 671 (1907).

When it was admitted that certain articles were received by defendant, to be transported and delivered to plaintiff, the party aggrieved, the place of shipment and destination both being in the State, 58 miles apart, with but one intermediate point between them, and that the articles were not delivered to plaintiff within twenty-one days, the delay was unreasonable. *Watson v. Atlantic Coast Line R. Co.*, 145 N. C. 236, 59 S. E. 55 (1907).

**Delay of Two Days at Initial Point and Forty-Eight Hours at Intermediate Point—Former Law.**—For cases construing a former provision making a delay of two days at the initial point and forty-eight hours at one intermediate point for each hundred miles prima facie reasonable, see *Meredith v. Seaboard Air Line Ry. Co.*, 137 N. C. 478, 50 S. E. 1 (1905); *Davis v. Atlantic Coast Line R. Co.*, 145 N. C. 207, 59 S. E. 53 (1907); *Watson v. Atlantic Coast Line R. Co.*, 145 N. C. 236, 59 S. E. 55 (1907); *Jenkins v. Southern R. Co.*, 146 N. C. 178, 59 S. E. 663 (1907); *Wall-Huske Co. v. Southern R. Co.*, 147 N. C. 407, 61 S. E. 277 (1908); *Blue Ridge Collection Agency v. Southern R. Co.*, 147 N. C. 593, 61 S. E. 462 (1908); *Talley v. Atlantic Coast Line R. Co.*, 198 N. C. 492, 152 S. E. 390 (1930).

**When Transportation Ceases.**—Transportation ceases when the duty of the carrier as a warehouseman commences, and in respect to freight transported in car-

load lots, when the car reaches destination and is placed for unloading. What particular parts of the carrier's tracks and freight yards may be used for such purposes must of necessity be left to its discretion, but the car must be reasonably accessible and placed for delivery before transportation is fully ended. *Brooks Mfg. Co. v. Southern R. Co.*, 152 N. C. 665, 68 S. E. 243 (1910).

Transportation does not cease when a carload is placed by the carrier within the yard limits of the point of destination. *Wall-Huske Co. v. Southern R. Co.*, 147 N. C. 407, 61 S. E. 277 (1908).

**Negligent Default in Delivery.** — This section extends the penalty to cases of negligent default in the carrier's making delivery of the freight to the consignee. *Mitchell v. Atlantic Coast Line R. Co.*, 183 N. C. 162, 110 S. E. 859 (1922).

**Delivery Does Not Have to Be on Private Tracks.**—This section does not apply to a delivery on the private tracks of a consignee, but to avoid the penalty it is required of the carrier to place for delivery a carload shipment on its track at destination at a place reasonably accessible. *Brooks Mfg. Co. v. Southern R. Co.*, 152 N. C. 665, 68 S. E. 243 (1910).

**Duty to Notify Consignee.** — Where a shipment of goods is delivered to a railroad company for transportation, the title vests in the consignee, with the duty resting upon the carrier on the arrival of the goods at destination to notify the consignee and make delivery. This principle applies to a side-station when notification of arrival should have been given from a nearby station, and the inquiring consignee was there misinformed as to the arrival, and the car in the meanwhile was broken into and the shipment stolen. *Acme Mfg. Co. v. Tucker*, 183 N. C. 303, 111 S. E. 525 (1922).

**When Goods Travel Over Several Lines.**—When the initial carrier delivers goods to its connecting carrier, necessary for them to be by it further transported to their destination, and an unreasonable delay occurs, without evidence as to which carrier was responsible for the delay, the defendant, the initial carrier, is liable for the entire delay, the burden of proof being upon it as the party having the evidence peculiarly within its own knowledge or possession. *Watson v. Atlantic Coast Line R. Co.*, 145 N. C. 236, 59 S. E. 55 (1907).

**Same—Parties to Action.**—Where an intrastate shipment of goods is transported over connecting lines to its destination, it is proper for the trial court to make both roads parties to an action to recover the

penalty for the failure to transport safely and within a reasonable time, the burden being upon each defendant to show that it had not failed in its duty. *Sellers Hosiery Mills v. Southern R. Co.*, 174 N. C. 449, 93 S. E. 952 (1917).

**Who Is "Party Aggrieved."**—The plaintiff is entitled to recover the penalty as the "party aggrieved," under this section, for the defendant's wrongfully failing to transport freight within a reasonable time, where the facts show that, from the attendant circumstances or terms of the agreement, he is the one whose legal right is denied and who is alone interested in having the transportation properly made. *Cardwell v. Southern R. Co.*, 146 N. C. 218, 59 S. E. 673 (1907).

**Same — Where Goods to Be Sold for Consignor's Benefit.** — The plaintiff may maintain his action against the defendant railroad company, under this section, for wrongful failure to transport certain goods received by the latter, and bill of lading issued by it to plaintiff, when it appears that plaintiff shipped the goods to be for his benefit sold by the consignee, and that he (the plaintiff) was the one who alone acquired the right to demand the service to be rendered by the defendant, and was the party aggrieved. *Rollins v. Seaboard Air Line Railway*, 146 N. C. 153, 59 S. E. 671 (1907).

When the consignor ships goods to be sold for his own benefit, he is the "party aggrieved," under this section, and the proper party plaintiff. *Robertson v. Atlantic Coast Line R. Co.*, 148 N. C. 323, 62 S. E. 413 (1908).

**Same—Goods Not to Be Paid for until Delivery.**—When the consignor had agreed with the consignee that the latter was only required to pay for the intrastate shipment when it reached its destination the consignor may maintain his action for delay in transitu, as the party aggrieved. *Davis v. Southern R. Co.*, 147 N. C. 68, 60 S. E. 722 (1908).

When, by the contract or agreement between a vendor and vendee of goods, the goods are to be "received, inspected and weighed" by the vendee before any part of the purchase price is payable, the title does not vest in the vendee, and the vendor is the "party aggrieved" within the meaning of this section. *Elliott v. Southern R. Co.*, 155 N. C. 235, 71 S. E. 339 (1911).

**Same—Notice Immaterial.**—When it is shown that the plaintiff is the "party aggrieved," under this section, it is of no importance and bears in no way on the justice of plaintiff's demand or of defend-

ant's obligation, whether defendant knew who was the party aggrieved, either at the inception of the matter or at any other time. *Rollins v. Seaboard Air Line Railway*, 146 N. C. 153, 59 S. E. 671 (1907).

The real "party aggrieved" is entitled to recover the penalty, under this section, irrespective of the question of knowledge of or notice to the defendant. *Cardwell v. Southern R. Co.*, 146 N. C. 218, 59 S. E. 673 (1907).

**Action Not Brought "on Relation of State."**—Under this section, the action for penalty is given directly to the party aggrieved, and is not required to be brought "on relation of the State." If it were, failure to bring the action in such form would be a mere informality, which could be remedied by amendment. *Robertson v. Atlantic Coast Line R. Co.*, 148 N. C. 323, 62 S. E. 413 (1908).

**Joinder of Actions.**—An action for damages against a carrier for a lost shipment, and one for the penalty for unreasonable delay given by this section, do not merge into each other. They arise on contract and may be joined in the same action. *Robertson v. Atlantic Coast Line R. Co.*, 148 N. C. 323, 62 S. E. 413 (1908).

**Burden of Proof as to Destruction of Goods.**—The burden of proof is on the carrier to show that it is relieved of the penalty prescribed by this section because the goods were burned, stolen or destroyed. That the goods were placed in defendant's car by the initial carrier, that search had been made therefor, without stating how thorough, and the absence of evidence that the goods had since been seen, is no evidence that they were burned, stolen or destroyed. *Robertson v. Atlantic Coast Line R. Co.*, 148 N. C. 323, 62 S. E. 413 (1908).

**When Bill of Lading Not Presumptive Evidence.**—When it was the consignor's

duty to load a car for shipment, which had been placed at its mill by the carrier, and the carrier's agent gave a bill of lading upon the statement of the consignor that the car had been loaded, without being required to verify the statement, the bill of lading is not presumptive evidence of the receipt of the contents of the car, and the question is an open one for the jury in a suit by the consignee for the penalty for failure to deliver under this section. *Peele v. Atlantic, etc., R. Co.*, 149 N. C. 390, 63 S. E. 66 (1908).

**Sufficiency of Evidence on Motion for Nonsuit.**—Where a shipment of various articles was transported by the carrier to destination, and all were received by the consignee, except one of them, which was missing, and remained in the carrier's warehouse beyond the statutory reasonable time, a motion for nonsuit was properly denied. *Mitchell v. Atlantic Coast Line R. Co.*, 183 N. C. 162, 110 S. E. 859 (1922).

**Issues.**—An issue which presupposes a failure on defendant's part in its duty to transport freight, in an action for penalty under this section, is objectionable. *Davis v. Southern R. Co.*, 147 N. C. 68, 80 S. E. 722 (1908).

**Verdict Incomplete.**—Where it is established by the jury that a consignment of goods was carried to the delivering point by the carrier, which failed to deliver to the consignee, or to notify him, and the goods were lost while in its possession, the verdict is incomplete where there was no issue submitted as to whether the carrier, who is a party to the action, was in default in not delivering the goods to the consignee. *Acme Mfg. Co. v. Tucker*, 183 N. C. 303, 111 S. E. 525 (1922).

**Applied in** *Alexander v. Atlantic Coast Line R. Co.*, 144 N. C. 93, 56 S. E. 697 (1907).

**§ 62-201. Freight charges to be at legal rates; penalty for failure to deliver to consignee on tender of same.**—All common carriers doing business in this State shall settle their freight charges according to the rate stipulated in the bill of lading, provided the rate therein stipulated be in conformity with the classifications and rates made and filed with the North Carolina Utilities Commission in the case of intrastate shipments, by which classifications and rates all consignees shall in all cases be entitled to settle freight charges with such carriers; and it shall be the duty of such common carriers to inform any consignee of the correct amount due for freight according to such classification and rates. Upon payment or tender of the amount due on any shipment which has arrived at its destination according to such classification and rates, such common carrier shall deliver the freight in question to the consignee. Any failure or refusal to comply with the provisions hereof shall subject such carrier so failing or refusing to liability for actual damages plus a penalty of fifty dollars (\$50.00) for each such failure or refusal, to be recovered by any consignee aggrieved by a suit in a court of competent jurisdiction. Provided, however, that this section shall not

apply to motor carriers of passengers. (1905, c. 330, s. 1; Rev., s. 2633; C. S., s. 3518; 1933, c. 134, s. 8; 1941, c. 97, s. 5; 1963, c. 1165, s. 1.)

**Cross References.**—As to obligations and rights of carriers upon bills of lading, see § 21-9 et seq. As to rates of public utilities, see § 62-130 et seq. As to venue of action against railroad, see § 1-81.

**Constitutionality of Section.**—The penalty for failure of a common carrier to deliver freight, as prescribed by this section, shipped from beyond the State, after it has been unloaded from its cars and while in the depot, is constitutional and not a burden upon interstate commerce. *Hockfield v. Southern R. Co.*, 150 N. C. 419, 64 S. E. 181 (1909); *Jeans v. Seaboard Air Line R. Co.*, 164 N. C. 224, 80 S. E. 242 (1913).

A railroad company owes it as a common-law duty to deliver freight upon tender of lawful charges by the consignee, and, in the absence of a conflicting regulation by Congress, this section, imposing a penalty upon default of the railroad company therein, is constitutional and valid, and is an aid to, rather than a burden upon, interstate commerce. *Harrill Bros. v. Southern R. Co.*, 144 N. C. 532, 57 S. E. 383 (1907).

**Foreign Corporation Bound to Obey State Laws.**—Where a railroad corporation chartered by another state leases a railroad chartered by this State, it is bound to observe and obey all laws of this State regulating the business of transportation. *Hines v. Wilmington, etc., R.*, 95 N. C. 434 (1886).

**Intrastate Rebilling of Interstate Shipment.**—An interstate shipment of goods which was missent, bill of lading lost, and rebilled from one point in the State to another therein, in an intrastate shipment, and upon the carrier's violating the provisions of this section, the penalty therein accrues. *Hockfield v. Southern R. Co.*, 150 N. C. 419, 64 S. E. 181 (1909).

**Section Not Cumulative.**—This section imposes only one penalty for the refusal of the railroad company to deliver freight upon demand and tender of charges, and it is not cumulative upon more than one demand for the same offense. *Harrill Bros. v. Southern R. Co.*, 144 N. C. 532, 57 S. E. 383 (1907).

**Consignee Must Produce Bill of Lading.**—A consignee must produce, upon the carrier's demand, a bill of lading for a prepaid shipment of goods in the carrier's posses-

sion. *Jeans v. Seaboard Air Line R. Co.*, 164 N. C. 224, 80 S. E. 242 (1913).

**Insufficient Notice to Consignee.**—Notice given by a carrier of the arrival of goods to a transfer company in the habit of hauling consignor's goods from the depot is not of itself sufficient notice to the consignee. *Hockfield v. Southern R. Co.*, 150 N. C. 419, 64 S. E. 181 (1909).

**Burden of Proving Reason for Refusal to Deliver.**—Where the consignee brings his action to recover the value of a shipment of goods from the carrier, shows that the shipment was addressed to him, was prepaid, in the carrier's possession at destination, and a demand for delivery, the burden is on the carrier to show a valid reason for its refusal to deliver the shipment. *Jeans v. Seaboard Air Line R. Co.*, 164 N. C. 224, 80 S. E. 242 (1913).

**No Liability for Unlawful Shipment.**—A druggist who has not received a valid license to sell intoxicating liquors for the purposes and in the manner indicated, may not recover of the carrier the penalty provided by this section, for the failure to deliver such liquors to him for the purposes of sale, for such are unlawful and prohibited. *Smith v. Southern Express Co.*, 166 N. C. 155, 82 S. E. 15 (1914).

**Carrier Cannot Collect Storage for Illegal Detention.**—A carrier cannot enforce collection of storage charges arising from its wrongful refusal to deliver goods to consignee. *Hockfield v. Southern R. Co.*, 150 N. C. 419, 64 S. E. 181 (1909).

**Agent Ignorant of Amount of Charges.**—It is no defense to an action to recover a penalty for refusing to deliver shipment upon tender of freight charges by the consignee, for the defendant company to show its agents did not know the correct amount of the charges because of the defendant's failure to file its schedule of rates. *Harrill Bros. v. Southern R. Co.*, 144 N. C. 532, 57 S. E. 383 (1907).

**Rate When Smaller Cars Furnished.**—Where a consignor requested two cars of a certain standard size and the carrier furnished four cars of a smaller size the rate for the shipment must be the same. *Yorke Furniture Co. v. Railroad*, 162 N. C. 138, 78 S. E. 67 (1913).

**Applied in Atlantic Coast Line R. Co. v. West Paving Co.**, 228 N. C. 94, 44 S. E. (2d) 523 (1947).

**§ 62-202. Baggage and freight to be carefully handled.**—All common carriers shall handle with care all baggage and freight placed with them for transportation, and they shall be liable in damages for any and all injuries to the

baggage or freight of persons from whom they have collected fare or charged freight while the same is under their control. Upon proof of injury to baggage or freight in the possession or under the control of any such carrier, it shall be presumed that the injury was caused by the negligence of the carrier. This section shall not apply to motor carriers of passengers. (1897, c. 46; Rev., s. 2624; C. S., s. 3523; 1963, c. 1165, s. 1.)

**Cross References.**—As to conveying livestock in a cruel manner, see § 14-363. As to carrier's liability for misdelivery, see § 21-11.

**Delivery to Carrier Necessary to Fix Responsibility.** — To fix the responsibility for lost baggage upon a railroad company, either as a common carrier or warehouseman, a delivery, actual or constructive, including an acceptance by the company, is necessary; and in order to a valid delivery the general rule is that when baggage is taken by others to the station, and to places where baggage is usually received, some kind of notice must be given to the agent authorized to receive it. *Williams v. Southern R. Co.*, 155 N. C. 260, 71 S. E. 346 (1911).

**Same—Estoppel.**—The requisites of the general rule requiring delivery of baggage of a passenger to a railroad company in order to hold the company liable may become modified by a custom of the latter to consider and treat baggage as received when left at a given place, without further notice. *Williams v. Southern R. Co.*, 155 N. C. 260, 71 S. E. 346 (1911).

**Stipulations Limiting Liability.** — Stipulations upon a railroad ticket, limiting the liability of the carrier in a specified sum "unless a greater value has been declared by the owner and excess charge paid thereon at the time of taking passage," and similar provisions in a bill of lading for the transportation of freight, are void as an attempt on the part of the carrier to contract against its own negligence. *Cooper v. Norfolk Southern R. Co.*, 161 N. C. 400, 77 S. E. 339 (1913).

A common carrier cannot contract with a passenger against the loss of baggage by its negligence. *Thomas v. Southern R. Co.*, 131 N. C. 590, 42 S. E. 96. (1902).

**Liability for Articles Not Properly Bagged.**—While the obligation of a carrier of passengers is limited to ordinary baggage, yet if it knowingly permits a passenger, either with or without payment of an extra charge, to take articles as baggage which

are not properly such, it will be liable for their loss or for damage to them, though it may have been without any fault. *Trouser Co. v. Seaboard Air Line R. Co.*, 139 N. C. 382, 51 S. E. 973 (1905).

**When Liability as Carrier Ceases.** — When the baggage has arrived at its destination and has been deposited at the usual or customary place of delivery and kept there a sufficient time for the passenger to claim and remove the same, the company's liability as a common carrier ceases, and it is thereafter liable only as a warehouseman, and bound to the use of ordinary care. *Trouser Co. v. Seaboard Air Line R. Co.*, 139 N. C. 382, 51 S. E. 973 (1905).

**Liability When Passenger Not Carried.** —When there is no partnership arrangements between connecting lines of railroads, and a passenger buys a through ticket from a carrier to his destination on a connecting line, checks his trunk through to his destination and voluntarily returns to the starting point without going upon the road of the connecting lines, the latter carrier is not liable as insurer of the contents of the trunk from larceny by reason of taking the trunk to its destination, storing it there in its baggage room until its return was requested and then forwarding it to the junction point, without compensation. *Kindley v. Seaboard Air Line Ry. Co.*, 151 N. C. 207, 65 S. E. 897 (1909).

**Baggage Not on Same Train.**—The passenger's right to a limited amount of baggage as a part of the consideration for the price of his ticket is upon the condition that the baggage accompany the passenger on the same train; and where without any default on the part of the carrier, its agent, without further charge, has the baggage forwarded on a later train, the carrier's liability is not that of an insurer, but of a gratuitous bailee, under the rule of the prudent man, and attaches only in instances of gross negligence. *Perry v. Seaboard Air Line R. Co.*, 171 N. C. 158, 88 S. E. 156 (1916).

§ 62-203. **Claims for loss or damage to goods; filing and adjustment.** —(a) Every common carrier receiving property for transportation in intrastate commerce shall issue a bill of lading therefor, and shall be liable to the lawful holder thereof for any loss, damage, or injury to such property caused by it, or by any carrier participating in the haul when transported on a through bill of

lading, and any such carrier delivering said property so received and transported shall be liable to the lawful holder of said bill of lading or to any party entitled to recover thereon for such loss, damage, or injury, notwithstanding any contract or agreement to the contrary; provided, however, the Commission may, by regulation or order, authorize or require any such common carrier to establish and maintain rates related to the value of shipments declared in writing by the shipper, or agreed upon as the release value of such shipments, such declaration or agreement to have no effect other than to limit liability and recovery to an amount not exceeding the value so declared or released, in which case, any tariff filed pursuant to such regulation or order shall specifically refer thereto; provided further, that a rate shall be afforded the shipper covering the full value of the goods shipped; provided further, that nothing in this section shall deprive any lawful holder of such bill of lading of any remedy or right of action which such holder has under existing law; provided further, that the carrier issuing such bill of lading, or delivering such property so received and transported, shall be entitled to recover from the carrier on whose route the loss, damage, or injury shall have been sustained the amount it may be required to pay to the owners of such property.

(b) Every claim for loss of or damage to property while in possession of a common carrier, including every express company or person doing an express business within the State, shall be adjusted and paid within ninety (90) days after the filing of such claim with the agent of such carrier at the point of destination of such shipment, or point of delivery to another common carrier, by the consignee, or at the point of origin by the consignor, when it shall appear that the consignee was the owner of the shipment: Provided, that no such claim shall be filed until after the arrival of the shipment, or some part thereof, at the point of destination, or until after the lapse of a reasonable time for the arrival thereof.

(c) In every case such common carrier shall be liable for the amount of such loss or damage, together with interest thereon from the date of the filing of the claim therefor until the payment thereof. Failure to adjust and pay such claim within the periods respectively herein prescribed shall subject each common carrier so failing to a penalty of fifty dollars (\$50.00) for each and every such failure, to be recovered by any consignee aggrieved (or consignor, when it shall appear that the consignor was the owner of the property at the time of shipment and at the time of suit, and is, therefore, the party aggrieved), in any court of competent jurisdiction: Provided, that unless such consignee or consignor recover in such action the full amount claimed, no penalty shall be recovered, but only the actual amount of the loss or damage, with interest as aforesaid; and that no penalty shall be recoverable under the provisions of this section where claims have been filed by both the consignor and consignee, unless the time herein provided has elapsed after the withdrawal of one of the claims.

(d) A check shall be affixed to every parcel of baggage when taken for transportation by the agent or servant of a common carrier, if there is a handle, loop or fixture so that the same can be attached upon the parcel or baggage so offered for transportation, and a duplicate thereof given to the passenger or person delivering the same on his behalf. If such check be refused on demand, the common carrier shall pay to such passenger the sum of ten dollars (\$10.00), to be recovered in a civil action; and further, no fare or toll shall be collected or received from such passenger, and if such passenger shall have paid his fare the same shall be refunded by the carrier.

(e) If a passenger, whose bag has been checked, shall produce the check and his baggage shall not be delivered to him, he may by an action recover the value of such baggage.

(f) Causes of action for the recovery of the possession of the property shipped, for loss or damage thereto, and for the penalties herein provided for, may be united in the same complaint.

(g) This section shall not deprive any consignee or consignor of any other rights or remedies existing against common carriers in regard to freight charges or claims for loss or damage to freight, but shall be deemed and held as creating an additional liability upon such common carriers.

(h) This section shall not apply to motor carriers of passengers and only subsection (a) of this section shall apply to motor carriers of property. (1871-2, c. 138, s. 36; Code, s. 1970; 1905, c. 330, ss. 2, 4, 5; Rev., ss. 2623, 2634, 2635; 1907, c. 983; 1911, c. 139; C. ### I. GENERAL CONSIDERATION.

**Subsections (b) and (c) Must Be Strictly Construed and Followed.**—Subsections (b) and (c) of this section are a penal statute, and in order to recover, the plaintiff must bring his case strictly within their terms. *Watkins v. American Ry. Express Co.*, 190 N. C. 605, 130 S. E. 305 (1925).

The penalty imposed by subsection (c) is to enforce obedience to the mandate of the law by punishment of the carrier, and the statute must be strictly construed, requiring the consignee to bring his case clearly within its language and meaning. *Eagles Co. v. East Carolina Ry.*, 184 N. C. 66, 113 S. E. 512 (1922).

**Common-Law Remedies.**—The common-law remedies of shippers and passengers are not taken away by the provisions of this chapter. *Bell v. Norfolk Sou. R. Co.*, 163 N. C. 180, 79 S. E. 42 (1913), and cases there cited.

**Action May Be Brought in Contract or Tort.**—A person who has sustained injuries by reason of the failure of a railroad company to provide proper means of transportation or operate its trains may bring an action on contract, or in tort, independent of the statute. *Purcell v. Richmond & Danville R. Co.*, 108 N. C. 414, 12 S. E. 954 (1891); *Va.-Carolina Peanut Co. v. Atlantic Coast Line R. Co.*, 155 N. C. 148, 71 S. E. 71 (1911).

**Parol Agreement to Ship Sufficient.**—When a carrier has received goods for transportation over its own and a connecting line which were not delivered, and upon consignor's parol request it has them reshipped to the initial or starting point, the latter agreement for reshipment, though resting in parol, is sufficient in an action for damages to the goods occurring while in the carrier's possession. *Lyon v. Atlantic Coast Line R. Co.*, 165 N. C. 143, 81 S. E. 1 (1914).

**Carrier Cannot Contract against Own Negligence.**—A common carrier may re-

lieve itself from liability as an insurer upon a contract reasonable in its terms and founded upon a valuable consideration, but it cannot so limit its responsibility for loss or damage resulting from its negligence. *Mitchell v. Carolina Cent. R. Co.*, 124 N. C. 236, 32 S. E. 671 (1899); *Everett v. Norfolk, etc., R. Co.*, 138 N. C. 68, 50 S. E. 557 (1905).

**Owner Cannot Refuse Damaged Goods.**—Damages to a shipment of goods by a railroad company, caused by the carrier's negligence, does not justify the owner in refusing to accept them on that account, unless the damages are sufficient to render the goods practically worthless. He must accept the goods and sue for the damages upon the refusal of the carrier to pay them. *Whittington v. Southern R. Co.*, 172 N. C. 501, 90 S. E. 505 (1916).

### II. CONNECTING CARRIERS.

**Duty Assumed by Carrier.**—Where a carrier accepts goods for transportation, in the absence of a special contract, it assumes the duty of safely carrying, within a reasonable time, the goods to the end of its line, and delivering them in like condition to the connecting carrier. *Meredith v. Seaboard Air Line Ry. Co.*, 137 N. C. 478, 50 S. E. 1 (1905).

**Duration of Duty of Safe Carriage.**—The duty of safe carriage attaches as the goods pass into the custody of each company and ceases only when they are safely delivered to its successor. *Lindley v. Richmond, etc., R. Co.*, 88 N. C. 547 (1883).

**Burden of Proof as to Safe Delivery.**—On proof that a carrier received goods in good condition, the burden of proof rests upon such carrier to show delivery in the same condition to the next carrier or to the consignee, such proof being peculiarly within its power. *Meredith v. Seaboard Air Line Ry. Co.*, 137 N. C. 478, 50 S. E. 1 (1905).

**Admissibility of Evidence.**—To show that the freight was in good condition when it was delivered by the defendant to a connecting line, evidence that it is the custom of agents of such lines to examine freights before receiving them, and if found

in good condition to forward them, and that such examination was made and forwarding was done, is admissible. *Knott v. Raleigh, etc., R. Co.*, 98 N. C. 73, 3 S. E. 735 (1887).

**Prima Facie Case.**—Where a shipment of goods is received by the consignee from the final carrier in bad condition, and there is evidence that this carrier received the goods from its connecting carrier in good condition, a prima facie case of negligence is made out against the delivering carrier, and presents sufficient evidence thereof to be submitted to the jury, with the burden of proof on it. *Lyon v. Atlantic Coast Line R. Co.*, 165 N. C. 143, 81 S. E. 1 (1914).

**Presumption of Damage.**—Among connecting lines of railway, that one in whose hands goods are found damaged is presumed to have caused the damage and the burden is upon it to rebut the presumption. *Morganton Mfg. Co. v. Ohio, etc., R. Co.*, 121 N. C. 514, 28 S. E. 474 (1897); *Mitchell v. Carolina Central R. Co.*, 124 N. C. 236, 32 S. E. 671 (1899); *Gwyn Harper Mfg. Co. v. Carolina Central R.*, 128 N. C. 280, 38 S. E. 894 (1901).

**Same—Goods Found Damaged at Destination.**—When goods are shipped over several connecting lines of carriers and are found in a damaged condition at destination, there is a rebuttable presumption that the injury was negligently inflicted by the last carrier. *Boss v. Atlantic Coast Line R. Co.*, 156 N. C. 70, 72 S. E. 93 (1911). This is on the principle that as the carrier is peculiarly in a position to know the facts, the burden of proof should rest on it. *Beville v. Atlantic Coast Line R. Co.*, 159 N. C. 227, 74 S. E. 349 (1912).

**Liability for Negligence of Connecting Carrier.**—A railroad company whose line is one of several connecting roads between places from and to which freight is shipped, in the absence of a special contract, or proof of copartnership by which each of the connecting lines will become liable for the contracts of the others, is not responsible for damages for negligence occurring beyond its terminus. *Knott v. Raleigh, etc., R. Co.*, 98 N. C. 73, 3 S. E. 735 (1887).

But where two or more common carriers unite in forming an association creating a through line for the transportation of freight, payment of tariff charges to be made at the beginning or end of the transportation, with through bills of lading, the freight charges to be divided according to the respective mileage of the companies, they become a copartnership and each line is liable for any damage resulting from

delay or otherwise on any part of the through line, notwithstanding a provision in the bill of lading that each company shall be liable only for loss or damage occurring on its own line. *Rocky Mount Mills v. Wilmington, etc., R. Co.*, 119 N. C. 693, 25 S. E. 854 (1896).

**Interstate Shipments.**—The entire regulation of interstate commerce is under federal control, and the penalty provided for by subsection (c) of this section for failure of a carrier to pay a claim in the time prescribed does not apply to interstate shipments. See *Morphis v. Express Co.*, 167 N. C. 139, 83 S. E. 1 (1914). The federal laws make the initial carrier liable for damages to a shipment over connecting lines. However, this does not relieve the intermediate or delivering carrier of responsibility for its own negligence, or prevent the State court from requiring the carriers to show which is responsible for the damage. See *Aydlett v. Norfolk Sou. R. Co.*, 172 N. C. 47, 89 S. E. 100 (1916). And notice to damages to the initial carrier of an interstate shipment of goods is sufficient notice to the connecting carrier. *Gilikin v. Norfolk Southern R. Co.*, 174 N. C. 137, 93 S. E. 469 (1917).

**Effect of Court Order Relieving Initial Carrier.**—While the initial carrier may also be held liable for damages to a shipment made over connecting lines, a direction of the court relieving it from liability does not necessarily relieve the carrier whose negligence caused the damages. *Gilikin v. Railroad*, 174 N. C. 137, 93 S. E. 469 (1917).

### III. CLAIM AGAINST CARRIERS.

#### Filing of Claim Prerequisite to Penalty.

—A consignor of a shipment of goods is required by subsection (b) of this section to file his claim with the agent of the common carrier at the point of its origin, and this he must have done to maintain his action against the carrier for the penalty prescribed for its failure to settle for its loss, or damage thereto, within ninety days, etc. *Hamlet Grocery Co. v. Southern R. Co.*, 170 N. C. 241, 87 S. E. 57 (1915).

In order to recover the penalty, the consignee must file his claim with the agent as the statute directs, and the filing thereof with another of the carrier's agents is insufficient. *Eagles Co. v. East Carolina Ry.*, 184 N. C. 66, 113 S. E. 512 (1922).

#### Carrier May Regulate Time of Filing.

—A stipulation in a bill of lading denying the carrier's liability for damages unless written notice of such claim be filed within a specified period is in derogation of the common law, and while it will be upheld if

reasonable, the burden of proof is on the carrier to show that it is. *Phillips v. Seaboard Air Line R. Co.*, 172 N. C. 86, 89 S. E. 1057 (1916).

A stipulation that claims must be filed in four months is reasonable. *Culbreth v. Atlantic Coast Line R. Co.*, 169 N. C. 723, 86 S. E. 624 (1915). An allowance of sixty days is reasonable, but an allowance of thirty days is unreasonable. *Gwyn Harper Mfg. Co. v. Carolina Central R.*, 128 N. C. 280, 38 S. E. 894 (1901).

**Filing Claim by Mail.** — The essential things for the proper filing of the claim against the common carrier for damages, and for the penalty under the provisions of this section, being its delivery to and acceptance by the carrier's designated agent, such filing is not restricted to its manual delivery, but the same may be done through the agency of the United States mail. The delivery of the mail will be presumed. *Eagles Co. v. East Carolina Railway*, 184 N. C. 66, 113 S. E. 512 (1922).

**Omission of Amount of Loss.** — It is not required that a claimant state the amount of his loss in his claim for damages against a carrier. *McRary v. Southern Ry. Co.*, 174 N. C. 563, 94 S. E. 107 (1917).

**Necessity of Written Demand.**—A penal statute is to be strictly construed, and the provisions of subsections (b) and (c) of this section are not complied with when oral demand is made, as such cannot be filed under the ordinary acceptance of the word and does not afford the carrier the protection that a written demand would give. *Thompson v. Southern Express Co.*, 147 N. C. 343, 61 S. E. 182 (1908). But failure to file a formal written demand is no bar to a recovery from the carrier of actual damages sustained. *Hinkle v. Southern Ry. Co.*, 126 N. C. 932, 36 S. E. 348 (1900); *Kime v. Sou. R. Co.*, 153 N. C. 398, 69 S. E. 264 (1910).

**Stipulations May Be Waived.**—The stipulation in a livestock bill of lading requiring that notice in writing be given the carrier's agent at destination, of claim for damages to the animals shipped, before they are removed or mingled with other animals, may be waived by the carrier's agent at the delivering point. *Newborn v. Louisville, etc., R. Co.*, 170 N. C. 205, 87 S. E. 37 (1915).

**Connecting Carriers.**—Where the second carrier in the connected line of shipment causes damages to the shipment by improperly loading it, it may not defeat an action to recover such damages, when the required notice within four months has been

filed with and accepted without comment by it, on the ground that such notice had not been filed with the initial or final carrier under the terms of the contract of carriage. The doctrine of notice to the agent is applicable here. *Aydlett v. Norfolk Southern R. Co.*, 172 N. C. 47, 89 S. E. 1000 (1916).

**Interstate Shipments.**—The federal statutes, while recognizing the right of the carrier to stipulate for the filing of claims within a reasonable period, provide that if the loss or damage is due to a delay in transit by negligence no notice shall be required as a condition precedent to recovery. *Mann v. Transportation Co.*, 176 N. C. 104, 96 S. E. 731 (1918).

#### IV. ACTIONS.

**Who May Bring Action.** — Ordinarily the title to a shipment of goods by common carrier passes to the consignee upon their acceptance by the carrier, and he may sue for damages thereto in transit; but when it is shown that the consignee refused to accept the damaged goods, and that the sale has been cancelled by consent, the consignor may maintain his action against the carrier for damages. *Aydlett v. Norfolk Southern R. Co.*, 172 N. C. 47, 89 S. E. 1000 (1916).

**Joinder of Causes of Action.**—A recovery of the value of a shipment of goods and the penalties for the refusal of the carrier to deliver and for the failure to settle the claim within the statutory period, may be united in the same action. *Jeans v. Seaboard Air Line R. Co.*, 164 N. C. 224, 80 S. E. 242 (1913).

**Same—Issues Separate and Distinct.**—In an action against a railroad company to recover damages to a shipment of goods and the penalty for the failure of defendant to pay the same within ninety days, as allowed by subsection (c) of this section, the issues raised are entirely separate and distinct from each other, and the trial judge may set aside the verdict on the second issue, and retain that on the first one, for a retrial. *Hussey v. Atlantic Coast Line R. Co.*, 183 N. C. 7, 110 S. E. 599 (1922).

**As to venue of action against railroad,** see § 1-81.

**Prima Facie Case.**—In an action against the carrier for damages for the destruction of a shipment of freight by fire, a prima facie case is made out when the plaintiff shows the receipt of the freight for transportation and its nondelivery. *Everett v. Norfolk, etc., R. Co.*, 138 N. C. 68, 50 S. E. 557 (1905); *Osborne v. Southern Ry. Co.*, 175 N. C. 594, 96 S. E. 34 (1918).

**Same—Limited Liability.** — In cases of limited liability, proof of shipment and loss or injury makes a prima facie case for the shipper, and then the burden is upon the carrier to show that the circumstances of the loss bring it within the excepted causes, and when this is shown, the burden still rests upon the carrier of showing that the loss or injury was not due to its own negligence. *Mitchell v. Carolina Cent. R. Co.*, 124 N. C. 236, 32 S. E. 671 (1899).

**Plaintiff Must Prove Failure to Settle.** —The burden is on plaintiff to show that the common carrier has failed to settle his claim in ninety days, etc., after written demand under the provisions of subsections (b) and (c) of this section, applying to intrastate shipments, and the prima facie case made out by showing the unreasonable delay in the delivery of the shipment is not sufficient. *Watkins v. American Ry. Express Co.*, 190 N. C. 605, 130 S. E. 305 (1925).

**Recovery Must Equal Claim.**—In order to recover the penalty for failure to settle a claim for damages within ninety days, etc., the burden is on plaintiff to show that the amount of his recovery be at least equal to the amount of his written demand.

**§ 62-204. Notice of claims, statute of limitations for loss, damage or injury to property.**—Any claim for loss, damage or injury to property while in the possession of a common carrier shall be filed by the claimant with the carrier in writing within nine (9) months after the same occurred, and the cause of action with respect thereto shall be deemed to have accrued at the expiration of thirty (30) days after the date of such notice, and action for the recovery thereon may be commenced immediately thereafter or at any time within two (2) years after notice in writing shall have been given to the claimant by the adverse party that the claim or any part thereof specified in such notice has been disallowed, and neither party shall by rule, regulation, contract, or otherwise, provide for a shorter time for filing such claims or for commencing actions thereon than the period set out in this section. Provided, however, that this section shall not apply to motor carriers of passengers. (1947, c. 1008, s. 21; 1963, c. 1165, s. 1.)

**§ 62-205. Joinder of causes of action.**—To expedite the settlement of claims between shippers and common carriers, a shipper may join in the same complaint against a common carrier any number of claims for overcharges, or a common carrier may join in the same complaint any number of claims against a shipper for undercharges, whether such claims arose at the same time or in the course of shipments at different times; provided, that each such claim shall be so identified that the same and the allegations with respect thereto may be distinguished from other claims so joined in the complaint, and in cases in which the right of subrogation may be invoked the judgment shall specify the amount of recovery, if any, on each such claim. For the purpose of jurisdiction under this section the aggregate amount set out in the complaint shall be deemed the sum in controversy. Provided, however, that this section shall not apply to motor carriers of passengers. (1947, c. 1008, s. 20; 1963, c. 1165, s. 1.)

*Watkins v. American Railway Express Co.*, 190 N. C. 605, 130 S. E. 305 (1925).

**Settlement after Penalty Accrues.**—The proviso that consignee must first recover the full amount claimed is only to protect the carrier against excessive demands and not to discourage settlements for losses, and the plaintiff's right to recover the penalty in such suits is not lost by accepting settlement for damages for full amount claimed after the penalty had accrued. *Rabon v. Atlantic Coast Line R.*, 149 N. C. 59, 62 S. E. 743 (1908).

**Measure of Damages for Delay.**—In the trial of an action against a railroad company for loss occasioned by its delay in transporting machinery shipped over its line by plaintiff which was engaged in equipping a cotton factory, where it appeared that workmen employed by the plaintiff were forced to remain idle, though under pay of plaintiff, the measure of plaintiff's damages was the interest on the unemployed capital, the wages paid to workmen and such other costs and expenses incurred by plaintiff in consequence of the delay. *Rocky Mount Mills v. Wilmington, etc., R. Co.*, 119 N. C. 693, 25 S. E. 854 (1896).

§ 62-206. **Carrier's right against prior carrier.**—Any common carrier shall have all the rights and remedies herein provided for against a common carrier from which it received the freight in question. Provided, however, that this section shall not apply to motor carriers of passengers. (1905, c. 330, s. 3; Rev., s. 2636; C. S., s. 3526; 1963, c. 1165, s. 1.)

**Cross Reference.**—As to power of Utilities Commission to act as arbitrator in disputes between carriers, see § 62-40.

§ 62-207. **Regulation of demurrage.**—(a) The Commission shall make rules and fix, establish or allow rates governing demurrage and storage charges by common carriers and shall make rules governing railroad companies in the placing of cars for loading and unloading.

(b) No common carrier doing business in the State shall make any charge on account of demurrage while a car or other equipment, whether the same be refrigerated or not, is being loaded for shipment, until such car or such other equipment has remained at the place of loading for a period of time in excess of that approved by the Commission as free time for such car or such other equipment.

(c) This section shall not apply to motor carriers of passengers. (1903, c. 342; Rev., s. 1100; Ex. Sess. 1913, c. 55; C. S., ss. 1057, 3527; 1933, c. 134, s. 8; 1941, c. 97; 1963, c. 1165, s. 1.)

§ 62-208. **Common carriers to settle promptly for cash-on-delivery shipments; penalty.**—Every common carrier which shall fail to make settlement with the consignor of a cash-on-delivery shipment, either by payment of the moneys stipulated to be collected upon the delivery of the articles so shipped or by the return to such consignor of the article so shipped, within twenty (20) days after demand made by the consignor and payment or tender of payment by him of the lawful charges for transportation, shall forfeit and pay to such consignor a penalty of twenty-five dollars (\$25.00), where the value of the shipment is twenty-five dollars (\$25.00) or less; and, where the value of the shipment is over twenty-five dollars (\$25.00), a penalty equal to the value of the shipment; the penalty not to exceed fifty dollars (\$50.00) in any case: Provided, no penalty shall be collectible where the shipment, through no act of negligence of the common carrier is burned, stolen or otherwise destroyed: Provided further, that the penalties here named shall be cumulative and shall not be in derogation of any right the consignor may have under any other provision of law to recover of the common carrier damages for the loss of any cash-on-delivery shipment or for negligent delay in handling the same. Provided, however, that this section shall not apply to motor carriers of passengers. (1909, c. 866; C. S., s. 3530; 1963, c. 1165, s. 1.)

§ 62-209. **Sale of unclaimed baggage or freight; notice; sale of rejected property; escheat.**—(a) Any common carrier which has had in its possession on hand at any destination in this State any article whether baggage or freight, for a period of sixty (60) days from its arrival at destination, which said carrier cannot deliver because unclaimed, may at the expiration of said sixty (60) days sell the same at public auction at any point where in the opinion of the carrier the best price can be obtained: Provided, however, that notice of such sale shall be mailed to the consignor and consignee, by registered or certified mail, if known to such carrier, not less than fifteen (15) days before such sale shall be made; or if the name and address of the consignor and consignee cannot with reasonable diligence be ascertained by such carrier, notice of the sale shall be published once a week for two consecutive weeks in some newspaper of general circulation published at the point of sale; Provided, that

if there is no such paper published at such point, the publication may be made in any paper having a general circulation in the State: Provided further, however, that if the nondelivery of said article is due to the consignee's and consignor's rejection of it, then such article may be sold by the carrier at public or private sale, and at such time and place as will in the carrier's judgment net the best price, and this without further notice to either consignee or consignor, and without the necessity of publication.

(b) Where the article referred to in this section is live freight, or perishable freight, or freight of such low value as would not bring the accrued transportation and other charges if held for sixty (60) days as provided in this section, the common carrier may, with or without advertisement, sell the same in such manner and at such time and place as will in its judgment best protect the interests of the carrier, the consignor and the consignee, and whenever practicable the consignor and consignee shall be notified of the proposed sale of such freight.

(c) The common carrier shall keep a record of the articles sold and of the prices obtained therefor, and shall, after deducting all charges and the expenses of the sale, including advertisement, if advertised, pay the balance to the owner of such articles on demand therefor made at any time within five (5) years from the date of the sale. If no person shall claim the surplus within five (5) years, such surplus shall be paid to the University of North Carolina.

(d) This section shall not apply to motor carriers of passengers. (1871-2, c. 138, s. 50; Code, s. 1987; Rev., s. 2639; 1921, c. 124, ss. 1, 2, 3; C. S., s. 3534; 1963, c. 1165, s. 1.)

**Cross Reference.**—As to unclaimed personalty escheating to the University of North Carolina, see § 116-23.

**Editor's Note.** — For decisions under former statute relating to sale of unclaimed

freight, see *Norfolk Southern R. Co. v. New Bern Iron Works*, 172 N. C. 188, 90 S. E. 149 (1916); *Holloman v. Southern R. Co.*, 172 N. C. 372, 90 S. E. 292 (1916).

§ 62-210. **Discrimination between connecting lines.** — All common carriers subject to the provisions of this chapter shall afford all reasonable, proper and equal facilities for the interchange of traffic between their respective lines and for the forwarding and delivering of passengers and freight to and from their several lines and those connecting therewith, and shall not discriminate in their rates, routes and charges against such connecting lines, and shall be required to make as close connection as practicable for the convenience of the traveling public. Common carriers shall obey all rules and regulations made by the Commission relating to trackage. Irregular route motor carriers shall interchange traffic only with the approval of the Commission. Provided, however, that this section shall not apply to motor carriers of passengers. (1899, c. 164, s. 21; Rev., s. 1088; C. S., s. 1107; 1933, c. 134, s. 8; 1935, c. 258; 1941, c. 97; 1963, c. 1165, s. 1.)

**Editor's Note.**—As to the practice of specifying in published tariffs particular routes formed with connecting carriers, see 13 N. C. Law Rev. 364.

**Declaratory of Common Law.**—A similar section in the act creating the former Railroad Commission was held, in *Atlantic Exp. Co. v. Wilmington, etc., R. Co.*, 111 N. C. 463, 16 S. E. 393 (1892), to be merely declaratory of the common law, and not to enlarge its scope.

**Commission May Require Trains to Make Connection.**—The Commission has power to require a railroad company to

have a train arrive at a certain station on its road at a certain schedule time, so as to connect with the train of another company. *Corp. Comm. v. Railroad*, 137 N. C. 1, 49 S. E. 191 (1904).

**Express Facilities.**—A railroad company is not compelled to furnish express facilities to another to conduct an express business over its road the same as it provides for itself or affords to any other express company. *Atlantic Exp. Co. v. Wilmington, etc., Railroad*, 111 N. C. 463, 16 S. E. 393 (1892).

§ 62-211. **Regulating shipment of flammable substances.** — The Commission is authorized and empowered to adopt and promulgate rules for the shipment of flammable and explosive articles, cotton which has been partially consumed by fire, and such other like articles as in its opinion may render transportation dangerous. After the promulgation of such rules, no common carrier shall be required to receive or transport any such articles except when tendered in accordance with the said rules; nor shall such common carrier be liable for any penalty for refusal to receive such articles for shipment until all the rules prescribed by the Commission in regard to the shipment of the same shall be complied with. Provided, however, that this section shall not apply to motor carriers of passengers. (1907, c. 471, s. 1; C. S., s. 1056; 1933, c. 134, s. 8; 1941, c. 97; 1963, c. 1165, s. 1.)

The Commission is particularly authorized to regulate the carriage of inflammable articles as freight. *Tilley v. Norfolk, etc., R. Co.*, 162 N. C. 37, 77 S. E. 994 (1913).

§§ 62-212 to 62-219: Omitted.

ARTICLE 11.

*Railroads.*

§ 62-220. **Powers of railroad corporations.**—Every railroad corporation shall have power:

- (1) To Survey and Enter on Land.—To cause such examination and surveys for its proposed railroad to be made as may be necessary to the selection of the most advantageous route; and for such purpose, by its officers or agents and servants, to enter upon the lands or waters of any person, but subject to responsibility for all damages which shall be done thereto.

**Cross Reference.**—As to right of entry on land, see § 40-3.

**Conflicting Locations.**—As between two railroad companies the first location belongs to that company which first defines

and marks its route and adopts the same for its permanent location by authoritative corporate action. *Fayetteville Street Ry. v. Aberdeen & R. R. Co.*, 142 N. C. 423, 55 S. E. 345 (1906).

- (2) To Condemn Land under Eminent Domain.—To appropriate land and rights therein by condemnation, as provided in the chapter Eminent Domain.

**Cross References.**—As to condemnation by right of eminent domain, see § 40-2 et seq. As to amount of land which may be condemned, see § 40-29.

**Editor's Note.**—Since railroads are quasi-public corporations they are given by the State the power to take, by proper proceedings the necessary lands upon which to build their roads. Nor will the courts enjoin a railroad corporation from condemning land for a public purpose on the ground that the corporation was irregularly organized. In *Powers v. Hazelton, etc., R. Co.*, 33 Ohio St. 429 (1878), it was held that a landowner could not be permitted to prove, as a defense to condemnation proceedings instituted by a regularly organized railroad

corporation, that the company was incorporated not for a public use, but for the private purposes of the incorporators only, and that there was no public necessity for the road. See *Wellington, etc., R. Co. v. Cashie, etc., R. Co.*, 114 N. C. 690, 19 S. E. 646 (1894).

**Land May Be Taken from Another Railroad.**—Land acquired by one railroad company under a legislative grant of the right of eminent domain, and not necessary for the exercise of its franchise or the discharge of its duties, is liable to be taken under the law of eminent domain for the use of another railroad company. *North Carolina, etc., R. Co. v. Carolina, etc., R. Co.*, 83 N. C. 489 (1880).

- (3) To Take Property by Grant.—To take and hold such voluntary grants of real estate and other property as shall be made to it to aid in the construction, maintenance and accommodation of its railroad; but

the real estate received by voluntary grant shall be held and used for the purposes of such grant only.

**Editor's Note.**—Railroads can acquire real estate only by statutory authority. In 1 Elliott on Rys., sec. 390, the general principle is stated as follows: "The rule is well established that a railroad corporation cannot acquire and hold lands for any purposes except such as are authorized by statute. The authority must be conferred by legislation or it does not exist. It is, however, not necessary that the authority should be expressly conferred. It may be implied." See *Wallace v. Moore*, 178 N. C. 114, 100 S. E. 237 (1919).

**Extending User of Right of Way.**—

While a railroad can use only the part of its right of way actually occupied, whenever the necessities of the company require it, it can extend its user of the right of way to the extent of the statutory right for additional tracks or other railroad purposes. *R. R. v. Olive*, 142 N. C. 257, 264, 55 S. E. 263 (1906); *Atlantic, etc., R. Co. v. Bunting*, 168 N. C. 579, 84 S. E. 1009 (1915); *Tighe v. Seaboard Air Line R. Co.*, 176 N. C. 239, 97 S. E. 164 (1918).

- (4) **To Purchase and Hold Property.**—To purchase, hold and use all such real estate and other property as may be necessary for the construction and maintenance of its railroad, the stations and other accommodations necessary to accomplish the object of its incorporation.

**Cross References.**—As to adverse possession of property owned by a railroad, see § 1-44. As to presumption of abandonment of railroad right of way, see § 1-44.1.

tion and must be interpreted as an ordinary deed, so that when the granting clause is sufficient in form to convey the fee simple and the habendum and warranties are in harmony therewith, it conveys the fee and not a mere easement. *McCoster v. Barnes*, 247 N. C. 480, 101 S. E. (2d) 330 (1958).

**A conveyance of land for use as a railroad right of way** by deed in regular form of bargain and sale, reciting a valuable consideration, is presumptively a deed of purchase within the meaning of this sec-

- (5) **To Grade and Construct Road.**—To lay out its road, not exceeding one hundred feet in width, and to construct the same; to take, for the purpose of cuttings and embankments, as much more land as may be necessary for the proper construction and security of the road; and to cut down any standing trees that may be in danger of falling on the road, making compensation therefor as provided in the chapter **Eminent Domain**.

**Cross Reference.**—See § 40-29.

bed or to remove it to any point on its right of way. *Brinkley v. Southern R. Co.*, 135 N. C. 654, 47 S. E. 791 (1904).

**Change of Grade.**—A railroad company has a right to change the grade of its road-

- (6) **To Intersect with Highways and Waterways.**—To construct its road across, along or upon any stream, watercourse, street, highway, turnpike, railroad or canal which the route of its road shall intersect or touch; but the company shall restore the stream, watercourse, street, highway or turnpike, thus intersected or touched, to its former state or to such state as not unnecessarily to impair its usefulness. Nothing in this chapter shall be construed to authorize the erection of any bridge or any other construction across, in or over any stream or lake navigated by motor boats commensurate in size to sailboat, or sailboats or vessels, at the place where any bridge or other obstructions may be proposed to be placed, nor to authorize the construction of any railroad not already located in, upon or across any streets in any municipality without the assent of such municipality.

**Cross References.**—As to the power of the Utilities Commission to regulate crossings, see § 62-237. As to the duty of railroads to construct and maintain bridges which it has necessitated building, see §§

136-75 and 136-78; as to duty to provide cattle guards, see § 62-226.

**Editor's Note.**—For note on misuse of railroad right of way, see 29 N. C. Law Rev. 312.

**Duty to Public.**—While railroad corporations are given the right and power to construct their roads across streets, highways, etc., they must maintain a safe and convenient crossing there, making it, as far as they can, as safe and convenient to the public as it would have been had the railroad not been built. *Raper v. Wilmington, etc., R. Co.*, 126 N. C. 563, 36 S. E. 115 (1900).

**Duty When Railroad Changes Grade of Street.**—Where a railroad accepts the benefits or statutory authorization and changes the grade of a street or highway it must assume and comply with the burden imposed and restore the street to a useful condition. If, to meet the burden so imposed, it becomes necessary to go beyond the railroad right of way and change the grade of a street, thereby impairing access of an abutting property owner, compensation must be paid for the diminution in value resulting from the denial of access. *Thompson v. Seaboard Air Line R. Co.*, 248 N. C. 577, 104 S. E. (2d) 181 (1958).

**Whole Street Cannot Be Appropriated.**—In *Seaboard Air Line R. Co. v. Raleigh*, 219 F. 573, 581 (1914), it is said: "It is doubtful whether the language of the sec-

tion can be construed to authorize the exclusive appropriation of the street. The sidewalk is a portion of the street appropriated to the use of pedestrians. To construe the grant of the right to construct its road 'across, along, or upon' a street, always of much greater width than a railroad track and the cross-ties, as a grant of the right to occupy the entire street or sidewalk, is not permissible in the light of the recognized rule of construction of such grants of power."

**Assent of City an Essential Power.**—The assent to the use of the street by a railroad company is often a most essential power, necessary to be used for the benefit of the people of the city. *Griffin v. Southern R. Co.*, 150 N. C. 312, 64 S. E. 16 (1909).

**When Court Cannot Review Grant.**—The action of the board of aldermen in authorizing a railroad company to use a certain street for legitimate railroad purposes, the laying and use of tracks, etc., when the statutory power is given, is not reviewable by the courts at the instance of an owner of land on the street, claiming that some other street should have been so used. *Griffin v. Southern R. Co.*, 150 N. C. 312, 64 S. E. 16 (1909).

(7) **To Intersect with Other Railroads.**—To cross, intersect, join and unite its railroad with any other railroad at any point on its route and upon the grounds of such other railroad, with the necessary turnouts, sidings, switches and other conveniences in furtherance of the object of its connections. Every company whose railroad is or shall be hereafter intersected by any other railroad shall unite with the owners of such other railroad in forming such intersections and connections and grant the facilities aforesaid, and if the two corporations cannot agree upon the amount of compensation to be made therefor, or the points and manner of such crossings and connections, the same shall be ascertained and determined by the Commission.

**Cross Reference.**—As to appointment of commissioners, see § 40-11 et seq.

**Railroad Decides Necessity of Intersection.**—Where a railroad company has a right to condemn a way across the track of another company to manufacturing plants for a spur track to which the other company also has its siding, in competition for freight, the question whether it is necessary for the plaintiff company to build its spur is one in its discretion; and controversies as to whether the defendant could and would shift the plaintiff's cars on its own track advantageously to the plaintiff, and for a reasonable charge, are immaterial. *Virginia, etc., R. Co. v. Seaboard Air Line R. Co.*, 161 N. C. 531, 78 S. E. 68 (1913).

**No Restriction of Right Except Voluntary.**—A railroad company having the

power of condemnation across the road of another company should exercise this right with regard to the convenience of both parties and with as little interference with the use of the other party of its own track as can be obtained without a great increase in its cost and inconvenience. But the courts cannot restrict this right to be exercised by a railroad to cases in which the courts may approve its reasonableness or expediency. *Virginia, etc., R. Co. v. Seaboard Air Line R. Co.*, 165 N. C. 425, 81 S. E. 617 (1914).

**Agreement or Condemnation Necessary for Entry.**—Under this section one road cannot enter on the right of way of another for the purpose of connecting therewith without previous agreement, or condemnation proceedings. *Richmond, etc., R.*

Co. v. Durham, etc., Ry. Co., 104 N. C. 658, 10 S. E. 659 (1889).

**Parol Agreement Ineffectual.**—A parol agreement to allow one railroad company to extend its track on the right of way of another, for the purpose of connecting therewith, is a mere license, revocable at the will of the licensor, and will not operate as an estoppel although the licensee has entered and made valuable improvements. Richmond, etc., R. Co. v. Durham, etc., Ry. Co., 104 N. C. 658, 10 S. E. 659 (1889).

**One railroad company will not be allowed to preclude competition** by another in a particular area by arbitrarily refusing such other railroad reasonable use of its right of way and trackage. Seaboard Air Line R. Co. v. Atlantic Coast Line R. Co., 240 N. C. 495, 82 S. E. (2d) 771 (1954).

**Use of Common Trackage.**—The right of each of two railroads to equal use of common trackage does not mean identical use, and where one of them constructs a spur from its independent line to serve a certain area adjacent to such line, but the common trackage is used by it in its operation serving such spur, the other has the right to construct and use a spur from the common trackage when this is the

(8) **To Transport Persons and Property.**—To take and convey persons and property on its railroad or by water by the power or force of steam, electricity, or by any other power, and to receive compensation therefor.

**Cross References.**—As to railroad's duty to transport, see § 62-234. As to power of Utilities Commission to prevent discrimination in service and charges, see § 62-140.

(9) **To Erect Stations and Other Buildings.**—To erect and maintain all necessary and convenient buildings, stations, fixtures and machinery for the accommodation and use of its passengers, freight and business.

**Cross Reference.**—As to power of railroad companies to condemn land for union depots, see § 40-4.

(10) **To Borrow Money, Issue Bonds and Execute Mortgages.**—From time to time to borrow such sums of money as may be necessary for completing and finishing or operating its railroad, to issue and dispose of its bonds for any amount so borrowed, to mortgage its corporate property and franchises and to secure the payment of any debt contracted by the company for the purposes aforesaid; and the directors of the company may confer on any holder of any bond issued for money borrowed, as aforesaid, the right to convert the principal due or owing thereon into stock of such company at any time under such regulations as the directors may see fit to adopt.

**Cross Reference.**—As to control of Utilities Commission over pledge of assets, issuing securities, etc., see § 62-160 et seq.

sole feasible means it has to serve industries in the same area, provided such operations will not impair the use of the common trackage by the other. Seaboard Air Line R. Co. v. Atlantic Coast Line R. Co., 240 N. C. 495, 82 S. E. (2d) 771 (1954).

**Railroad companies forming corporation to provide common trackage held entitled to equal use of such trackage.** Seaboard Air Line R. Co. v. Atlantic Coast Line R. Co., 240 N. C. 495, 82 S. E. (2d) 771 (1954).

**Turnouts, Sidings and Switches.**—In the absence of express statutory or charter authorization, the power to construct a railroad includes authority to construct such spur, industrial, switching and other auxiliary tracks as may be necessary to serve the public needs along or near the main line. Seaboard Air Line R. Co. v. Atlantic Coast Line R. Co., 240 N. C. 495, 82 S. E. (2d) 771 (1954).

Railroads have authority under this section to provide "turnouts, sidings, and switches" to serve industrial plants along or near their main lines. Seaboard Air Line R. Co. v. Atlantic Coast Line R. Co., 240 N. C. 495, 82 S. E. (2d) 771 (1954).

ring the right to transport passengers and freight, and giving the power to "farm out" the right of transportation, authorizes the company to execute a valid lease of its property and franchises to another railroad company. Hill v. Atlantic, etc., R. Co., 143 N. C. 539, 55 S. E. 854 (1906).

**Corporation Has Power to Issue Bonds.**—A railroad corporation has power to contract debts, and every corporation pos-

sessing such power must also have power to acknowledge its indebtedness under its corporate seal, i. e., to make and issue its bonds. *Commissioners v. Atlantic, etc., R. Co.*, 77 N. C. 289 (1877).

- (11) To Lease Rails.—To lease iron rails to any person for such time and upon such terms as may be agreed on by the contracting parties, and upon the termination of the lease by expiration, forfeiture or surrender, to take possession of and remove the rails so leased as if they had never been laid.
- (12) To Establish Hotels and Eating Houses. — To purchase, lease, hold, operate or maintain eating houses, hotels and restaurants for the accommodation of the traveling public along the line of its road. (1871-2, c. 138, s. 29; Code, s. 1957; 1887, c. 341; 1889, c. 518; Rev., ss. 2567, 2575; C. S., s. 3444; 1953, c. 675, ss. 6, 7; 1963, c. 1165, s. 1.)

§ 62-221. **Engaging in unauthorized business.**—(a) It shall be unlawful for any railroad company incorporated under the laws of this State, or any railroad company incorporated under the laws of any other state and operating one or more railroads in this State, to engage in any business other than the business authorized by its or their charter.

(b) Any railroad company violating the provisions of this section shall be guilty of a misdemeanor, and upon conviction shall be fined in the discretion of the court. (Ex. Sess. 1924, c. 80; 1963, c. 1165, s. 1.)

§ 62-222. **Agreements for through freight and travel.**—The directors representing the stock held in the various railroad corporations are hereby authorized and empowered to enter into such agreements and terms with each other as to secure through freight and travel without the expense of transfer of freight, or breaking the bulk thereof, at different points along the lines, and for this purpose may use the road or roads and the rolling stock of such corporations or companies on such terms as may be agreed upon by them. (1866-7, c. 105; Code, s. 1995; Rev., s. 2640; C. S., s. 3447; 1963, c. 1165, s. 1.)

§ 62-223. **Intersection with highways.**—Whenever the track of a railroad shall cross a highway or turnpike, such highway or turnpike may be carried under or over the track, as may be found most expedient; and in cases where an embankment or cutting shall make a change in the line of such highway or turnpike desirable, then the railroad company may take such additional lands for the construction of the road, highway or turnpike on such new line as may be deemed requisite. Unless the land so taken shall be purchased for the purposes aforesaid, compensation therefor shall be ascertained in the manner prescribed in the chapter Eminent Domain, and duly made by such corporation to the owners and persons interested in such land. The same when so taken shall become a part of such intersecting highway or turnpike in such manner and by such tenure as the adjacent parts of the same highway or turnpike may be held for highway purposes. (1871-2, c. 138, s. 26; Code, s. 1954; Rev., s. 2568; C. S., s. 3448; 1963, c. 1165, s. 1.)

**Cross References.**—See § 62-220, subdivision (6), and § 62-224. As to the power of Utilities Commission to regulate crossings, see § 62-237. As to ascertaining the compensation for land taken, see § 40-11 et seq.

§ 62-224. **Obstructing highways; defective crossings; notice; failure to repair after notice misdemeanor.**—(a) Whenever, in their construction, the works of any railroad corporation shall cross established roads or ways, the corporation shall so construct its works as not to impede the passage or transportation of persons or property along the same. If any railroad corporation shall so construct its crossings with public streets, thoroughfares or highways, or keep,

allow or permit the same at any time to remain in such condition as to impede, obstruct or endanger the passage or transportation of persons or property along, over or across the same, the governing body of the county, city or town, or other public road authority having charge, control or oversight of such roads, streets or thoroughfares may give to such railroad notice, in writing, directing it to place any such crossing in good condition, so that persons may cross and property be safely transported across the same.

(b) The notice may be served upon the agent of the offending railroad located nearest to the defective or dangerous crossing about which the notice is given, or it may be served upon the section master whose section includes such crossing. Such notice may be served by delivering a copy to such agent or section master, or by registered or certified mail addressed to either of such persons.

(c) If the railroad corporation shall fail to put such crossing in a safe condition for the passage of persons and property within thirty (30) days from and after the service of the notice, it shall be guilty of a misdemeanor and shall be punished in the discretion of the court. Each calendar month which shall elapse after the giving of the notice and before the placing of such crossing in repair shall be a separate offense.

(d) This section shall in nowise be construed to abrogate, repeal or otherwise affect any existing law now applicable to railroad corporations with respect to highway and street crossings; but the duty imposed and the remedy given by this section shall be in addition to other duties and remedies now prescribed by law. (R. C., c. 61, s. 30; 1874-5, c. 83; Code, s. 1710; Rev., s. 2569; 1915, c. 250, ss. 1, 2; C. S., ss. 3449, 3450; 1963, c. 1165, s. 1.)

**Cross References.**—As to the power of Utilities Commission to regulate crossings, see § 62-237. As to duty of railroad to maintain bridges, see § 136-75. As to duty of railroad to provide drawbridge, see § 136-78. As to venue in action against railroad, see § 1-81.

**Duty to Maintain Safe and Convenient Crossing.**—While railroad corporations are given the right and power to construct their roads across streets, highways, etc., they must maintain a safe and convenient crossing there, making it, as far as they can, as safe and convenient to the public as it would have been had the railroad not been built. *Raper v. Wilmington, etc., R. Co.*, 126 N. C. 563, 36 S. E. 115 (1900).

**Duty Not Restricted to Public Highway.**—This section does not restrict the railroad's duty to crossings of "public highways," but uses the broader and generic term "highways," which might include any road used by the public as a mill and church road and in going to town. *Goforth v. Southern R. Co.*, 144 N. C. 569, 57 S. E. 209 (1907).

**Same—Applies to Private Crossings.**—An "established road or way" which a railroad company may not obstruct in crossing it with its tracks extends to those whose use is of a private nature, and not necessarily those dedicated to a public use, and in such instances, where the rights of a railroad and the rights of the public to the use of their roads or ways conflict, the

former must give place to the latter. *Tate v. Seaboard Air Line R. Co.*, 168 N. C. 523, 84 S. E. 808 (1915).

**Duty When Railroad Changes Grade of Street.**—Where a railroad accepts the benefits of statutory authorization and changes the grade of a street or highway it must assume and comply with the burden imposed and restore the street to a useful condition. If, to meet the burden so imposed, it becomes necessary to go beyond the railroad right of way and change the grade of a street, thereby impairing access of an abutting property owner, compensation must be paid for the diminution in value resulting from the denial of access. *Thompson v. Seaboard Air Line R. Co.*, 248 N. C. 577, 104 S. E. (2d) 181 (1958).

**"Negligent Construction" Defined.**—By "negligent construction" is meant such an improper construction of the crossing, whether arising from negligence, indifference, or motives of economy, as unnecessarily increases the danger of using the public highway. *Raper v. Wilmington, etc., R. Co.*, 126 N. C. 563, 36 S. E. 115 (1900). But the mere fact that a crossing is dangerous does not necessarily impute negligence to the railroad company. *Edwards v. Atlantic Coast Line R. Co.*, 129 N. C. 78, 39 S. E. 730 (1901).

**Right to Assume That Crossing Is Safe.**—One has the right to assume that a railroad company has discharged its duty

to the public by keeping the crossing in safe condition. *Tankard v. Roanoke R., etc., Co.*, 117 N. C. 558, 23 S. E. 46 (1895).

**Indictment.**—An indictment charging a railroad company with obstructing a public road by the use of plank at a crossing is fatally defective if it does not charge the manner of the misuse of the plank. *State v. Roanoke R. etc., Co.*, 109 N. C. 860, 13 S. E. 719 (1891).

It is a fatal variance in an indictment for obstructing a highway at a railroad crossing, to prove that the defendant permitted for some time a dangerous hole to remain in the crossing. *State v. Roanoke*

*R., etc., Co.*, 109 N. C. 860, 13 S. E. 719 (1891).

**When Injury Might Have Been Caused by Defective Crossing.**—It is error for the trial court to sustain a motion of nonsuit on competent evidence from which the jury could have found that if defendant's crossing over a neighborhood road had not been negligently left in a dangerous condition, plaintiff would not have been injured by the slipping and falling thereon of the mule upon which he was riding. *Goforth v. Southern R. Co.*, 144 N. C. 569, 57 S. E. 209 (1907).

**Applied in** *Bundy v. Powell*, 229 N. C. 707, 51 S. E. (2d) 307 (1949).

§ 62-225. **Joint construction of railroads having same location.** — Whenever two railroad companies shall, for a portion of their respective lines, embrace the same location of line, they may by agreement provide for the construction of so much of said line as is common to both of them, by one of the companies, and for the manner and terms upon which the business thereon shall be performed. (1871-2, c. 138, s. 46; Code, s. 1983; Rev., s. 2602; C. S., s. 3473; 1963, c. 1165, s. 1.)

§ 62-226. **Cattle guards and private crossings; failure to erect and maintain misdemeanor.** — Every company owning, operating or constructing any railroad passing through and over the enclosed land of any person shall, at its own expense, construct and constantly maintain, in good and safe condition, good and sufficient cattle guards at the points of entrance upon and exit from such enclosed land and shall also make and keep in constant repair crossings to any private road thereupon. Every railroad corporation which shall fail to erect and constantly maintain the cattle guards and crossings provided for by this section shall be liable to an action for damages to any party aggrieved, and shall be guilty of a misdemeanor and fined in the discretion of the court. Any cattle guard approved by the Commission shall be deemed a good and sufficient guard under this section. (1883, c. 394, ss. 1, 2, 3; Code, s. 1975; Rev., ss. 2601, 3753; 1915, c. 127; C. S., s. 3454; 1933, c. 134, s. 8; 1941, c. 97, s. 5; 1963, c. 1165, s. 1.)

**Applies to Town Lot.**—The statute requiring railroads to construct cattle guards at the point of entrance upon and exit from enclosed lands, applies to a town lot as well as in the county. *Shepard v. Suffolk & C. R. Co.*, 140 N. C. 391, 53 S. E. 137 (1906).

**Adoption of Stock Law.**—The adoption of the stock law did not abrogate this section in a locality. *Shepard v. Suffolk & C. R. Co.*, 140 N. C. 391, 53 S. E. 137 (1906).

**Joinder of Actions.** — Where plaintiff's complaint contained two causes of action, one to recover damages alleged to have

been caused by defendant's ponding water back on plaintiff's land; the other to recover damages for a breach of duty on the part of defendant in not putting up sufficient cattle guards as required by this section, this was an improper joinder of causes of action, the first being for injury to property, a tort, while the second arose "upon contract" for the breach of an implied contract to perform a statutory duty. *Hodges v. Wilmington, etc., R. Co.*, 105 N. C. 170, 10 S. E. 917 (1890).

§ 62-227. **Change of route of railroad.**—The directors of any railroad corporation may by a vote of two thirds of their whole number at any time alter or change the route, or any part of the route, of their road, if it shall appear to them that the line can be improved thereby, and they shall have the same right and power to acquire title to any lands required for the purpose of the company in such altered or changed route, as if the road had been located there in the first instance; but no such alteration shall be made in any city or town after the road shall have been constructed, unless the same is sanctioned by a vote of two

thirds of the corporate authorities of such city or town. In case of any alteration made in the route of any railroad after the company has commenced grading, compensation shall be made to all persons for injury so done to any lands that may have been donated to the company. When any route or line is abandoned in the exercise of the power herein granted, full compensation shall be made by the company for all money, labor, bonds or material contributed to the construction of the roadbed or its superstructure by those so interested by their contributions in the abandoned route or line. All the provisions of this chapter relative to the first location and to acquiring title to land shall apply to every such new or altered portion of the route. (1871-2, c. 138, s. 25; Code, s. 1953; 1889, c. 391; 1893, c. 396, s. 3; Rev., s. 2573; C. S., s. 3455; 1963, c. 1165, s. 1.)

**Authority Necessary to Change Route.**—While a railroad company has no power to change its route without legislative authority, it is not necessary that this power should be given in the charter or a direct amendment thereto, but it may be given by charter or by special enactment or by the general railroad laws of the State. *Dewey v. Atlantic Coast Line R. Co.*, 142 N. C. 392, 55 S. E. 292 (1906).

**Original Rights May Be Retained.**—Variations in a route over which a railroad may run do not affect the identity of a corporate body that builds it, where subsequent acts are amendatory of the original charter and give permission for a deflection from the line first projected; and the right to exemption of property from tax granted in the original charter is retained unimpaired. *Cheraw, etc., R. Co. v. Commissioners*, 88 N. C. 519 (1883).

**When Commission Orders Change.**—This section, requiring that a contemplated change in the route of a railroad in a city can only be made when sanctioned by a two-thirds vote of the aldermen, only applies where the railroad of its own volition, and for its own convenience, contemplates a change of route, and not to a case where the Corporation Commission (now Utilities Commission), acting under express legislative authority and direction, requires the railroad to make the change for the convenience of the general public. *Dewey v. Atlantic Coast Line R. Co.*, 142 N. C. 392, 55 S. E. 292 (1906).

**Right to Change Grade.**—A railroad company has a right to change the grade of its roadbed or to remove it to any point on its right of way. *Brinkley v. Southern R. Co.*, 135 N. C. 654, 47 S. E. 791 (1904).

**§ 62-228. Obtaining temporary track across railroad.**—Whenever any railroad line, track and right of way shall lie between any body of merchantable timber, quarry or other kind or class of heavy property requiring machinery for transportation and any body of navigable water over which such property could be floated or shipped, and the owner of such timber or property shall desire to transport such property to water for purposes of floating or shipping, such property owner shall have the right to file petition before the Commission for a right to cross such railroad with any other railroad track or tramway. The procedure for the hearing of the petition shall be the same as other proceedings of the Commission. The Commission shall hear the facts and if it be found reasonably necessary that the railroad track and right of way shall be crossed by a temporary railroad track, the Commission shall so order and prescribe the payment of the expense and the cost. (1931, c. 448; 1933, c. 134, s. 8; 1941, c. 97; 1963, c. 1165, s. 1.)

**§ 62-229. Shelter at division points required; failure to provide a misdemeanor.**—(a) It shall be the duty of every person that may now or hereafter own, control, or operate any line of railroad in this State, to erect and maintain at every division point where cars are regularly taken out of trains for repairs or construction work, or where other railroad equipment is regularly made, repaired, or constructed, a building or shed with a suitable and sufficient roof over the repair and construction track or tracks so as to provide that all men or employees permanently employed in the construction and repair of cars, trucks, or other railroad equipment of whatever description shall be under shelter and protected during snows, rains, sleet, hot sunshine, and other inclement weather:

Provided, the Commission shall have the power to direct the points at which sheds shall be erected, and the character of the sheds: Provided further, that such order shall only be made after a hearing of which public notice shall have been given.

(b) Any person failing to comply with the requirements of this section shall be guilty of a misdemeanor, and for each offense shall be fined not less than one hundred dollars (\$100.00) nor more than five hundred dollars (\$500.00). Each day of such failure shall constitute a separate offense. (1913, cc. 65, 117; C. S., s. 6557; 1933, c. 134; 1941, c. 97; 1963, c. 1165, s. 1.)

**§ 62-230. Maximum working hours and continuous service of employees; penalty; Commission to enforce.**—(a) It shall be unlawful for any railroad company, its officers or agents, subject to this article, to require or permit any employee, subject to this article, to be or remain on duty for a longer period than sixteen consecutive hours, and whenever any such employee of such railroad company shall have been continuously on duty for sixteen hours he shall be relieved and not required or permitted again to go on duty until he has had at least ten consecutive hours off duty; and no such employee who has been on duty sixteen hours in the aggregate in any twenty-four-hour period shall be required or permitted to continue or again go on duty without having had at least eight consecutive hours off duty: Provided, that no operator, train dispatcher, or other employee who by the use of the telegraph or telephone dispatches, reports, transmits, receives, or delivers orders pertaining to or affecting train movements shall be required or permitted to be or remain on duty for a period longer than nine hours in any twenty-four-hour period in all towers, offices, places, and stations continuously operated night and day, nor for a longer period than thirteen hours in all towers, offices, places and stations operated only during the daytime, except in case of emergency, when the employees named in this proviso may be permitted to be and remain on duty for four additional hours in a twenty-four-hour period or not exceeding three (3) days in any week: Provided further, the Commission may, after a full hearing in a particular case and for good cause shown, extend the period within which a common carrier shall comply with the provisions of this proviso as to such case.

(b) Any such railroad company, or any officer or agent thereof, requiring or permitting any employee to go, be or remain on duty in violation of this section shall be liable to a penalty of not to exceed five hundred dollars (\$500.00) for each and every violation, to be recovered in suit or suits to be brought in the name of the State of North Carolina on relation of the Commission in the Superior Court of Wake County or of the county in which the violation of this article occurred; and it shall be the duty of the said Commission to bring such suits upon satisfactory information lodged with it; but no such suit shall be brought after the expiration of one (1) year from date of such violation; and it shall be the duty of said Commission to lodge with the proper solicitors information of any such violations as may come to its knowledge. In all prosecutions under this article the common carrier shall be deemed to have had knowledge of all acts of all its officers and agents: Provided, that the provisions of this article shall not apply to any case of casualty or unavoidable accident or the act of God; nor where the delay was the result of a cause not known to the carrier or its officer or agent in charge of such employee at the time the said employee left a terminal, and which could not have been foreseen: Provided further, that the provisions of this article shall not apply to the crews of wrecking or relief trains.

(c) It shall be the duty of the Commission to execute and enforce the provisions of this article, and all powers granted to the Commission are extended to it in the execution thereof. (1911, c. 112, ss. 2, 3, 4; C. S., ss. 6565, 6566, 6567; 1933, c. 134; 1941, c. 97; 1963, c. 1165, s. 1.)

**§ 62-231. Union depots required under certain conditions.** — The Commission is empowered and directed to require, when practicable, and when

the necessities of the case, in its judgment, require, any two or more railroads which now or hereafter may enter any city or town to have one common or union passenger depot for the security, accommodation and convenience of the traveling public, and to unite in the joint undertaking and expense of erecting, constructing and maintaining such union passenger depot, commensurate with the business and revenue of such railroad companies or corporations, on such terms, regulations, provisions and conditions as the Commission shall prescribe. The railroads so ordered to construct a union depot shall have power to condemn land for such purpose, as in case of locating and constructing a line of railroad: Provided, that nothing in this section shall be construed to authorize the Commission to require the construction of such union depot should the railroad companies at the time of application for said order have separate depots, which, in the opinion of the Commission, are adequate and convenient and offer suitable accommodations for the traveling public. (1903, c. 126; Rev., s. 1097; C. S., s. 1042; 1933, c. 134, s. 8; 1941, c. 97; 1963, c. 1165, s. 1.)

**Cross Reference.**—As to power of railroads to condemn land for union station, see § 40-4.

**Liberal Construction.**—The statute in its principal purpose may be considered as remedial in its nature, and as to that feature will receive a liberal construction. *Dewey v. Atlantic Coast Line R. Co.*, 142 N. C. 392, 55 S. E. 292 (1906).

**Section Valid Exercise of Legislative Power.**—The power of the legislature to enact a statute of this character has been established by numerous and well-considered decisions, and is no longer open to question. *Corporation Comm. v. Atlantic Coast Line R. Co.*, 139 N. C. 126, 51 S. E. 793 (1905); *Corporation Comm. v. Railroad*, 140 N. C. 239, 52 S. E. 941 (1905); *Dewey v. Atlantic Coast Line R. Co.*, 142 N. C. 392, 55 S. E. 292 (1906).

**Powers Given by Necessary Implication.**—The statute authorizing the Commission to order union stations to be built and maintained carries with it the power to do what is reasonably necessary to execute such order, including the use of the streets of a town for legitimate railroad purposes, the laying of tracks, etc., necessary to that end. *Griffin v. Southern R. Co.*, 150 N. C. 312, 64 S. E. 16 (1909).

**When Union Stations May Be Required.**—Under this section the Commission is empowered to direct the establishment of union stations under certain conditions. When these conditions are found to exist, then the two railroads may be compelled to unite in the erecting, constructing, and maintaining such union passenger depot commensurate with the business and revenues of such railroad companies on such terms, regulations, provisions and conditions as the Commission shall prescribe. *State v. Seaboard Air Line, etc., R. Co.*, 161 N. C. 270, 76 S. E. 554 (1912).

The remedy was intended to apply to all the towns and cities in the State where,

in the legal discretion of the Commission, the move is practicable, the convenience of the traveling public requires it, and the existing facilities, in the judgment of the Commission, are inadequate. *Dewey v. Atlantic Coast Line R. Co.*, 142 N. C. 392, 55 S. E. 292 (1906).

**Same—Must Be Practicable.**—Whenever the Commission requires and orders a union station to be built, the only restriction in the statute is when "practicable." The other matters as to the security, accommodation, and convenience of the public are simply reasons addressed to the judgment of the Commission. When there is an appeal from its order, the sole query for a jury, under the statute, is whether the execution of the order is "practicable." The finding of the Commission that it is practicable is prima facie correct; and the burden is upon the defendant to show evidence to the contrary. *State v. Seaboard Air Line, etc., R. Co.*, 161 N. C. 270, 76 S. E. 554 (1912).

**New Union Station.**—The commission has the power to require railroad companies subject to its jurisdiction, which have constructed or maintained a union passenger station in a city or town of the State, to construct or equip a new union passenger station in such city or town upon its finding that the present station is inadequate. *State v. Southern Ry. Co.*, 196 N. C. 190, 145 S. E. 19 (1928).

**Jurisdiction Original — Exercised upon Own Motion or Petition of Interested Parties.**—The jurisdiction of the Commission with respect to the construction of passenger stations is original, and may be exercised either upon its own motion or upon petition of interested parties. *State v. Southern Ry. Co.*, 196 N. C. 190, 145 S. E. 19 (1928).

**Parties.**—The Commission is not without jurisdiction of a proceeding with respect to the erection, construction, and maintenance

of a new union passenger station in city or town, because one or more railroad companies entering such city or town are not made parties in the proceeding. The presence of two or more railroad companies as parties is sufficient. *Corporation Commission v. Southern Ry. Co.*, 196 N. C. 190, 145 S. E. 19 (1928).

**Same—Lessor—Appeal.**—Where three railroad companies use a union station in a city in connection with the operation of their railroads, two as owners, and the other as lessee of a fourth road, it is not jurisdictional before the Commission or the superior court on appeal that the lessor railroad be a party to the proceedings before the Commission to compel the railroads to build and maintain an adequate station, but it is not error for the trial judge to order that the lessor road be made a party and the cause proceeded with therein. *State v. Southern Ry. Co.*, 196 N. C. 190, 145 S. E. 19 (1928).

**Interstate and Intrastate Carriers.**—The order of the Commission for the joint erection by an intrastate carrier and an inter-

state carrier of a union station at a junction cannot be regarded as objectionable so far as it relates to the intrastate carrier, as a burden on interstate commerce, when it appears that the Commission was passing upon the petition of only a few cities or towns in the State separately and not as a part of a State-wide scheme, and the expenditures required were in amount too small to affect such commerce. *State v. Southern R. Co.*, 185 N. C. 435, 117 S. E. 563 (1923).

**Same—Federal Transportation Act Prospective.**—The Federal Transportation Act was held prospective in its enforcement, and did not relate back to a final order of the Commission, not appealed from, for the erection of a union station where the lines of an intrastate and interstate carrier crossed each other, the execution of which had been stayed by the Commission until after the passage of the federal statute solely for the advantage of the carriers at their request. *State v. Southern R. Co.*, 185 N. C. 435, 117 S. E. 563 (1923).

**§ 62-232. Construction of sidetracks.**—The Commission is empowered and directed to require the construction of sidetracks by any railroad company to industries already established or to be established: Provided, it is shown that the proportion of such revenue accruing to such sidetrack is sufficient within five (5) years to pay the expenses of its construction. This shall not be construed to give the Commission authority to require railroad companies to construct sidetracks more than five hundred feet in length. (1899, c. 164, s. 2, subsec. 15; Rev., s. 1097; C. S., s. 1044; 1933, c. 134, s. 8; 1941, c. 97; 1963, c. 1165, s. 1.)

**Cross Reference.**—As to condemnation of land for industrial siding, see § 40-5.

**Purpose of Section.**—The General Assembly, while not prohibiting the carrier from continuing to establish sidings at its pleasure, deemed it wise to take the power of refusing to grant or continue such sidings out of the arbitrary will of the common carrier by authorizing the Commission to require the establishment of such sidings in proper cases. *Corporation Comm. v. Seaboard Air Line Railroad*, 140 N. C. 239, 52 S. E. 941 (1905).

**Not Interference with Interstate Commerce.**—The establishment of an industrial siding under the authority of the Commission is not an interference with interstate commerce. *State v. Southern R. Co.*, 153 N. C. 559, 69 S. E. 621 (1910); *Missouri Pac. R. Co. v. State*, 216 U. S. 262, 30 S. Ct. 330, 54 L. Ed. 472 (1910).

**Restriction upon Power.**—The Commission can require a railroad company to build a sidetrack to an industrial plant only upon the company's right of way or when the right of way is tendered. *State v.*

*Southern R. Co.*, 153 N. C. 559, 69 S. E. 621 (1910).

**Restriction as to Revenue.**—The power conferred upon the Commission to order a railroad company to build a sidetrack, is with the restriction that the revenue from such sidetrack shall be "sufficient within five years to pay the expenses of construction;" and the lower court having denied the authority of the Commission in this action, the presumption is in favor of its judgment, and it will be affirmed in the absence of evidence tending to show that the revenue will be sufficient according to the terms of the statute. *State v. Southern R. Co.*, 153 N. C. 559, 69 S. E. 621 (1910).

**Restriction as to Length.**—The section confers upon the Commission the power to establish sidings under certain conditions, and restricts the exercise of such a right to 500 feet in length. *Hales v. Atlantic Coast Line R. Co.*, 172 N. C. 104, 30 S. E. 11 (1916).

**Rights of Intervening Owners.**—A railroad company, of its own initiative or by virtue of a contract with private persons,

can acquire no right to construct and use sidetracks to private industries off their right of way and over the lands of intervening owners against the will of such owners. When they have once permanently located their line, they are, as a rule, restricted to that and the right of way incident to it. *Hales v. Atlantic Coast Line R. Co.*, 172 N. C. 104, 90 S. E. 11 (1916).

**Nonresident Railroad without Power of Eminent Domain.**—The Commission can-

not confer the power of eminent domain, and when the legislature has not conferred such power upon a nonresident railroad company respecting the construction of a sidetrack over the lands of others, an order of the Commission for the railroad to build such a track is void. *Butler v. Penn Tobacco Co.*, 152 N. C. 416, 68 S. E. 12 (1910); *State v. Southern R. Co.*, 153 N. C. 559, 69 S. E. 621 (1910).

**§ 62-233. Operation according to public schedule; certain trains and connections may be required.**—(a) Every railroad corporation shall start and run its cars for the transportation of passengers and property at regular times to be fixed by public notice, and shall furnish sufficient accommodation for the transportation of all such passengers and property as shall, within a reasonable time previous thereto, be offered for transportation at the place of starting and the junction of other railroads and at usual stopping places established for receiving and discharging way passengers and freights for that train, and shall take, transport and discharge such passengers and property at, from and to such places, on the due payment of the freight or fare legally authorized therefor, and shall be liable to the party aggrieved, in an action for damages, for any neglect or refusal in the premises.

(b) The Commission is empowered and directed to require, when practicable and when the necessities of the traveling public, in the judgment of the Commission, demand, that any railroad in this State shall install and operate one or more passenger or freight trains over its road, and also require any two or more railroads having intersecting points to make close connection at such points: Provided, that no order under this section shall be made unless the business of the railroad justifies it. (1871-2, c. 138, s. 35; Code, s. 1963; Rev., s. 2611; 1907, c. 469, s. 3; C. S., ss. 1045, 3475; 1933, c. 134, s. 8; 1941, c. 97; 1963, c. 1165, s. 1.)

#### I. SUBSECTION (a).

**Reaffirmance of Common-Law Rule.** — The requirement to furnish accommodations within a reasonable time is but a reaffirmance of the common law, leaving the courts to say what time is reasonable. *Corts v. Southern Exp. Co.*, 104 N. C. 278, 10 S. E. 297 (1889).

**Duty to Provide Transportation.** — It is the duty of a common carrier to provide sufficient means of transportation for all freight and passengers which its business naturally brings to it, and an unusual occasion by which a greater demand upon it is temporarily made will not relieve it of the obligation if, by the use of reasonable foresight, it could have been provided for.

**Trains Need Not Stop at All Stations.**— It is a reasonable regulation of a railroad that certain trains shall not stop at all stations, provided there are enough to serve the purposes of local travel. *Hutchinson v. Railroad*, 140 N. C. 123, 52 S. E. 263 (1905).

**Schedule Is Offer.**—The printed schedule of trains is an offer, which is accepted by a person when he asks for a ticket, and he has the right to be transported by the first train stopping at his destination. *Coleman v. Southern R. Co.*, 138 N. C. 351, 50 S. E. 690 (1905).

**When Contract of Carriage Begins.**—The contract of carriage by a common carrier begins when a passenger comes up on the carrier's premises or conveyance with the purpose of buying a ticket within a reasonable time or after having purchased a ticket; and the relation, once constituted, continues until the journey contracted for is concluded and the passenger has left or has had reasonable time to leave such premises. *Hansley v. Jamesville,*

etc., R. Co., 115 N. C. 602, 20 S. E. 528 (1894).

**Carrier May Demand Prepayment of Freight.**—A common carrier has a right to demand the prepayment of charges for transportation before receiving freight for shipment to one individual, although it may have an established custom to accept shipments to its other patrons without such prepayment. *Allen v. Cape Fear, etc.*, R. Co., 100 N. C. 397, S. E. 105 (1888).

A common carrier may demand prepayment of freight charges before shipment to any station, and from one shipper, though this is not required of others. It should appear, however, that a plaintiff had notice of such regulation. *Randall v. Richmond, etc.*, R. Co., 108 N. C. 612, 13 S. E. 137 (1891).

**Failure to Take Passenger Aboard.**—Where plaintiff purchased a ticket from defendant's agent at a regular station before the time advertised for the arrival and departure of its train at that place, and was in readiness to get aboard, but the train ran by, making no effort to stop, although it had room in its cars for plaintiff, plaintiff was entitled to punitive damages, in the absence of sufficient excuse shown by defendant. *Purcell v. Richmond, etc.*, R. Co., 108 N. C. 414, 112 S. E. 954 (1891).

**Carrier under No Duty to Delay Trains.**—A common carrier of passengers is under no obligation to delay the departure of its trains, or to look after the safety of persons who attempt to enter them, when they have been stopped long enough to allow passengers to embark and disembark; but it may be liable for injuries incurred by one who, by the invitation or command of persons in charge of the trains, attempts to get on or off while the cars are in motion. *Browne v. Raleigh, etc.*, R. Co., 108 N. C. 34, 12 S. E. 958 (1891).

**Duty to Stop Train at Passenger's Station.**—A passenger on a railway train is entitled, as a matter of right, to have the train stop at a station to which he has purchased his ticket; and where his destination is a flag station at which the train fails to stop owing to the neglect of the conductor in failing to take up the passenger's ticket in time, the railroad company is answerable for the consequent damages. *Elliott v. Norfolk Southern R. Co.*, 166 N. C. 481, 82 S. E. 853 (1914).

**Allowing Passenger to Board Train Which Does Not Stop at His Destination.**—It is the duty of the railroad to have an agent at the gate to examine the tickets and allow no one to get upon a train which does not stop at his destination. Not hav-

ing done this, but having received the plaintiff into the train, without objection, with a ticket calling for a regular station as her destination, and nothing on its face to show it was not good on that train, and she not knowing that that train did not stop there, it was the duty of the defendant to stop the train at that point for her. *Hutchinson v. Railroad*, 140 N. C. 123, 52 S. E. 263 (1905).

**Stepping Off Moving Train at Conductor's Suggestion.**—Where a train on which plaintiff was a passenger did not stop at the station to which he had paid his fare, and the conductor agreed that he would slow up the train at a safe place for plaintiff to alight, and the plaintiff consented to jump off and went upon the platform as the train slowed up, but seeing a "go ahead" signal from the rear, did not step for that reason; and then, feeling the increased motion of the train, he stepped off believing he was at a safe place and relying upon the conductor's promise to put him off at a safe place, and was injured, the evidence of the defendant's negligence was sufficient to be submitted to the jury. *Cable v. Southern R. Co.*, 122 N. C. 892, 29 S. E. 377 (1898).

**Failure to Stop at Flag Station.**—Where plaintiff went to a flag station on a railroad a reasonable time before the arrival of a train on which he intended to take passage and, by reason of absence of the agent and the failure of the engineer to see his signal, the train did not stop for him, the railroad is liable for the actual damages sustained by the plaintiff. *Thomas v. Southern R. Co.*, 122 N. C. 1005, 30 S. E. 343 (1898).

**Same — When Punitive Damages Allowed.**—It is only when the railway engineer actually sees the signal of an intended passenger at a flag station and willfully passes him by that punitive damages will be allowed in an action for damages, and the burden of showing the reckless disregard of plaintiff's rights is upon the latter. *Thomas v. Southern R. Co.*, 122 N. C. 1005, 30 S. E. 343 (1898).

**Damages Where Passenger Carried by Station.**—When a passenger is carried by his station, he is entitled to damages, and this, though there is no bodily harm, or actual damages. If it is done recklessly or willfully he is entitled to punitive damages. *Hutchinson v. Railroad*, 140 N. C. 123, 52 S. E. 263 (1905), overruling *Smith v. Wilmington, etc.*, R. Co., 130 N. C. 304, 41 S. E. 481 (1902).

A railroad company is liable for nominal damages for its negligence in failing to stop

its train and conveying a passenger beyond the destination to which he had paid his fare, it being a regular station on the line. *Cable v. Southern R. Co.*, 122 N. C. 892, 29 S. E. 377 (1898).

**Ejected Passenger Has Right of Action.**—A passenger, ejected from a train for failure to pay again fare which he had paid once upon purchasing a ticket, has a right of action. *Sawyer v. Norfolk, etc., R. Co.*, 171 N. C. 13, 86 S. E. 166 (1915).

**Same—Passenger Need Not Pay Additional Fare to Prevent Ejection.**—Where a passenger is about to be wrongfully ejected from a train, having paid his fare thereon, but being unable to produce his ticket, it is not incumbent on him, by paying money which the conductor has no right to exact, to avoid ejection from the train, as he is not required to buy again his right to remain on the train to his destination. *Sawyer v. Norfolk, etc., R. Co.*, 171 N. C. 13, 86 S. E. 166 (1915).

**Where Conductor Fails to Return Ticket.**—Where plaintiff purchased through transportation to a destination to reach which it was necessary to change, and the conductor on the first train neglected to return plaintiff's ticket, and, when the conductor of the second train asked for his fare, plaintiff, having no money, vainly attempted to borrow from men who had been on the first train with him, it was negligence on the conductor's part not to have satisfied himself by inquiring of such men whether plaintiff had been on the train with them prior to reaching the changing point, before ejecting plaintiff. *Sawyer v. Norfolk, etc., R. Co.*, 171 N. C. 13, 86 S. E. 166 (1915).

**Passenger on Baggage Car.**—A person who gets on a blind baggage car, having a ticket, but not having told the conductor that he had it, and the conductor not having seen it, is not entitled to recover as a passenger for injuries received by being pulled off the train by the conductor. *McGraw v. Southern R. Co.*, 135 N. C. 264, 47 S. E. 758 (1904).

**Injury Caused by Misdirection of Agent.**—The plaintiff, who missed his train by misdirection of the defendant's agent and his refusal to sell him a ticket, could recover for any injury proximately caused by being put out of the station into the cold weather while waiting for the next train. *Coleman v. Southern R. Co.*, 138 N. C. 351, 50 S. E. 690 (1905).

**Action May Be Brought in Tort or Contract.**—A person who has sustained injuries by reason of the failure of a railroad company to provide proper means of trans-

portation or operate its trains as required by this section may bring an action on contract, or in tort, independent of the statute. *Purcell v. Richmond, etc., R. Co.*, 108 N. C. 414, 12 S. E. 954 (1891).

**Same—Damages.**—If the tort is the result of simple negligence, damages will be restricted to such as are compensatory; but if it was willful, or committed with such circumstances as show gross negligence, punitive damages may be given. *Purcell v. Richmond, etc., R. Co.*, 108 N. C. 414, 12 S. E. 954 (1891).

Where a railroad company, negligently and by reason of defective and inadequate equipment, failed to carry a passenger to whom it had sold an excursion ticket back to its starting point, but no personal injury or indignity was inflicted upon him, the passenger's right of action is *ex contractu* and not in tort, and hence exemplary or punitive damages cannot be recovered. *Purcell v. Richmond, etc., R. Co.*, 108 N. C. 414, 12 S. E. 954 (1891), which was overruled in *Hansley v. Jamesville, etc., R. Co.*, 115 N. C. 602, 20 S. E. 528 (1894), is reinstated, but the ground of the judgment is changed. *Hansley v. Jamesville, etc., R. Co.*, 117 N. C. 565, 23 S. E. 443, 53 Am. St. Rep. 600, 32 L. R. A. 551 (1895).

If a train arrives after its schedule time, or misses connection, or delays a passenger at his destination after the schedule time, unless the delay is caused by no fault of the carrier, the passenger has a right to recover compensation for the loss of time and actual expenses. *Coleman v. Southern R. Co.*, 138 N. C. 351, 50 S. E. 690 (1905).

**Basis of Exemplary Damages.**—The true ground for allowing exemplary damages in an action against a railroad company for damages on account of its negligence is personal injury, or (in the absence of personal injury) insult, indignity, contempt, etc., to which the law imputes bad motive towards the plaintiff. *Hansley v. Jamesville, etc., R. Co.*, 117 N. C. 565, 23 S. E. 443, 53 Am. St. Rep. 600, 32 L. R. A. 551 (1895).

## II. SUBSECTION (b).

**Connection Contemplated One of Trains as Well as Tracks.**—The connection required by subsection (b) of this section is one of trains as well as of tracks. The public cannot travel upon a track alone, nor upon a train without a track. Both are required to furnish facilities for traveling at all, and close connection of both to secure the convenience of the traveling public. *North Carolina Corp. Comm. v. Atlantic Coast Line R. Co.*, 137 N. C. 1, 49 S. E. 191 (1904).

**Running Additional Trains.**—It is within the power of the Commission to compel a railroad company to make reasonable connections with other roads so as to promote the convenience of the traveling public, and an order requiring the running of an additional train for that purpose, if otherwise just and reasonable, is not inherently unjust and unreasonable because the running of such train will impose some pecuniary loss on the company. *Atlantic Coast Line R. Co. v. North Carolina Corp. Comm.*, 206 U. S. 1, 27 S. Ct. 585, 51 L. Ed. 933 (1907).

**Private Persons May Not Maintain Action to Force Continuing Operation.**—Per-

sons asserting unliquidated damages past and prospective resulting to them as consignees and consignors from the abandonment of the operation of a railroad may not in their individual capacities maintain an action to force continuing operation of the railroad by the appointment of a permanent operating receiver, since such damages, though possibly different in degree, are not different in kind from those sustained by the public generally, and since the power to require continuous operation in the public interest of the State is vested exclusively by statute in the Utilities Commission. *Sinclair v. Moore Cent. R. Co.*, 228 N. C. 389, 45 S. E. (2d) 555 (1947).

**§ 62-234. Commission may authorize operation of fast mail trains; discontinuance of passenger service.**—The Commission is hereby empowered, whenever it shall appear wise and proper to do so, to authorize any railroad company to run one or more fast mail trains over its road, which shall stop only at such stations on the line of the road as may be designated by the company: Provided, that in addition to such fast mail train such railroad company shall run at least one passenger train in each direction over its road on every day except Sunday, which shall stop at every station on the road at which passengers may wish to be taken up or put off: Provided further, that nothing in this section shall be construed as preventing the running of local passenger trains on Sunday. The Commission shall have the power in any case in which the convenience and necessity of the traveling public do not require the running of passenger trains upon its railroad to authorize such railroad company to cease the operation of passenger trains as long as the convenience and necessity of the traveling public shall not require such operation. (1893, c. 97; Rev., s. 2614; C. S., s. 3481; 1933, c. 134, s. 8; c. 528; 1941, c. 97, s. 5; 1963, c. 1165, s. 1.)

**Editor's Note.**—For note on abandonments and partial discontinuances of passenger service by railroads, see 31 N. C. Law Rev. 137.

**Power of Commission Discretionary.**—The power conferred by this section and § 62-118 to authorize a discontinuance of an

established service indicates the General Assembly intended that the Commission exercise this power in large measure according to its judgment and discretion. *State v. Southern Ry. Co.*, 254 N. C. 73, 118 S. E. (2d) 31 (1961)

**§ 62-235. Commission to inspect railroads as to equipment and facilities, and to require repair.**—The Commission is empowered and directed, from time to time, to carefully examine into and inspect the condition of each railroad, its equipment and facilities, in regard to the safety and convenience of the public and the railroad employees; and if any are found by it to be unsafe, it shall at once notify and require the railroad company to put the same in repair. (1907, c. 469, s. 3; C. S., s. 1046; 1933, c. 134, s. 8; 1941, c. 97; 1963, c. 1165, s. 1.)

**§ 62-236. To require installation and maintenance of block system and safety devices; automatic signals at railroad intersections.**—(a) The Commission is empowered and directed to require any railroad company to install and put in operation and maintain upon the whole or any part of its road a block system of telegraphy or any other reasonable safety device, but no railroad company shall be required to install a block system upon any part of its road unless at least eight trains each way per day are operated on that part.

(b) The Commission is empowered and directed to require, when public safety demands, where two or more railroads cross each other at a common grade, or any railroad crosses any stream or harbor by means of a bridge, to install and

maintain such a system of interlocking or automatic signals as will render it safe for engines and trains to pass over such crossings or bridge without stopping, and to apportion the cost of installation and maintenance between said railroads as may be just and proper. (1907, c. 469, s. 1b; 1911, c. 197, s. 2; Ex. Sess. 1913, c. 63, s. 1; C. S., ss. 1047, 1049; 1933, c. 134, s. 8; 1941, c. 97; 1963, c. 1165, s. 1.)

**Lack of "Block System" as Negligence.**

—The lack of a "block system", when required, is held to be negligence per se. *Gerringer v. North Carolina R. Co.*, 146 N.

C. 32, 59 S. E. 152 (1907), citing *Stewart v. Raleigh, etc., R. Co.*, 137 N. C. 687, 50 S. E. 312 (1905); *Stewart v. Railroad*, 141 N. C. 253, 53 S. E. 877 (1906).

**§ 62-237. To regulate crossings and to abolish grade crossings.**—The Commission may require the raising or lowering of any tracks or roadway at any grade crossing in a road or street not forming a link in or part of the State Highway System and designate who shall pay for the same by partitioning the cost of said work and the maintenance of such crossing among the railroads and municipalities interested in accordance with the formula provided for grade crossing alterations or eliminations on the State Highway System in G. S. 136-20 (b). (1899, c. 164, s. 2, subsec. 13; Rev., s. 1097; 1907, c. 469, s. 1c; 1911, c. 197, s. 1; C. S., ss. 1041, 1048; 1933, c. 134, s. 8; 1941, c. 97; 1963, c. 1165, s. 1.)

**Cross References.**—As to municipal authority, see § 160-54 and note. As to intersection with highways, see § 62-223. As to obstructing highways and maintaining defective crossings, see § 62-224. As to cattle guards and private crossings, see § 62-226. As to the power of the State Highway Commission to require the installation of signals and other safety devices, see § 136-20.

**Editor's Note.**—The General Assembly can make the abolition of grade crossings by railroads imperative instead of leaving it, as now, unexercised in the discretion of the Corporation (now Utilities) Commission, and can place the cost of doing so upon the corporation, whose duty it is to remove them. *Northern Pac. R. Co. v. Minnesota*, 208 U. S. 583, 28 S. Ct. 341, 52 L. Ed. 630 (1908), cited in *Atlantic Coast Line Railroad v. Goldsboro*, 155 N. C. 356, 71 S. E. 514 (1911). In the meantime, like any collision, or a derailment, the act itself is prima facie negligence on the part of the railroad company. *Marcom v. Raleigh, etc., R. Co.*, 126 N. C. 200, 35 S. E. 423 (1900). This matter has heretofore been called to the public attention in *Cooper v. Railroad*, 140 N. C. 209, 52 S. E. 932 (1905); *Gerringer v. Railroad*, 146 N. C. 32, 59 S. E. 152 (1907); *Wilson v. Railroad*, 152 N. C. 333, 55 S. E. 257 (1910); *Atlantic Coast Line Railroad v. Goldsboro*, 155 N. C. 356, 71 S. E. 514 (1911), affirmed in 232 U. S. 548, 34 S. Ct. 364, 58 L. Ed. 721 (1914); *McMillian v. Atlantic, etc., R. Co.*, 172 N. C. 853, 90 S. E. 683 (1916); *Borden v. Southern R. Co.*, 175 N. C. 179, 95 S. E. 146 (1918); *Goff v. Atlantic Coast Line R. Co.*, 179 N. C. 216, 102 S. E. 320 (1920).

**Section Supplementary to Police Powers.**

—The statute authorizing the Commission to require railroads to raise or lower their tracks at a crossing is supplementary to and not in derogation of the exercise by the State, or an incorporated town authorized by it, of such police powers. *Atlantic Coast Line Railroad v. Goldsboro*, 155 N. C. 356, 71 S. E. 514 (1911).

**Commission Vested with Full Power.**—

The Corporation (now Utilities) Commission is vested with full and complete power to compel the raising or lowering of the track, to remove all danger to those using the public roads. *Gerringer v. North Carolina R. Co.*, 146 N. C. 32, 59 S. E. 152 (1907).

Authority is conferred by statute upon the Corporation (now Utilities) Commission to abolish grade crossings by a railroad company when by the operation of the railroad they become dangerous or inconvenient to the public traveling along the highways or private ways. *Tate v. Seaboard Air Line R. Co.*, 168 N. C. 523, 84 S. E. 808 (1915).

**Entire Expense on Railroad.**—In *New York, etc., R. Co. v. Bristol*, 151 U. S. 556, 14 S. Ct. 437, 38 L. Ed. 269 (1894), it was held that the imposition upon a railroad company of the entire expense of a change of grade at a railroad crossing is not a violation of any constitutional right. *Atlantic Coast Line Railroad v. Goldsboro*, 155 N. C. 356, 71 S. E. 514 (1911).

In *Cleveland v. Augusta*, 102 Ga. 233, 29 S. E. 584, 43 L. R. A. 638 (1897), the court held that the railroad company was liable for the expense of raising its roadbed to conform to the city grade, and said that it

must yield to the reasonable burden imposed by the growth and development of the county or the city, and where the public welfare demands a change of grade of the highway or street, the railroad com-

pany must, at its own expense, make such alterations in the grade of its crossings as will conform to the new grade. *Atlantic Coast Line Railroad v. Goldsboro*, 155 N. C. 356, 71 S. E. 514 (1911).

**§ 62-238. To require extension or contraction of railroad switching limits.**—(a) The Commission may require, after notice and hearing to affected persons, the extension or contraction of the switching limits of any railroad or of any terminal or junction served by more than one railroad, in order to prevent discrimination or to serve the public convenience and necessity.

(b) The boundaries of switching limits which have been or may be established hereunder shall be boundaries to be observed by the railroad company, carrier or carriers whether or not the traffic moving into said boundaries or out of said boundaries is either interstate or intrastate in character.

(c) The failure or refusal of any railroad company, carrier or carriers to conform to or obey any decision, rule, regulation or order made by the Commission under the provisions of this section shall subject said railroad company, carrier or carriers refusing or failing to comply herewith to a penalty of five hundred dollars (\$500.00); and each day that such failure or refusal to conform to or obey any decision, rule, regulation or order of the Commission shall subject said railroad company, carrier or carriers to a separate and distinct penalty of five hundred dollars (\$500.00), the same to be certified to and prosecuted by the Attorney General. (1947, c. 1075, ss. 1-4; 1963, c. 1165, s. 1.)

**§ 62-239. To fix rate of speed through municipalities; procedure.**—

(a) If a railroad company is of the opinion that an ordinance of a municipality through which a line of its railroad passes regulating the speed at which trains may run while passing through said municipality is unreasonable or oppressive, such railroad company may file its petition before the Commission, setting forth all the facts, and asking relief against such ordinance, and that the Commission prescribe the rate of speed at which trains may run through said municipality. Upon the filing of the petition a copy thereof shall be mailed, by registered or certified mail, to the mayor or chief officer of the town or municipality, together with notice from the Commission, setting forth that on a day named in the notice the petition of the railroad company will be heard, and that the municipality named in the petition will be heard at that time in opposition to the prayer of the petition. And upon the return day of the notice the Commission shall hear the petition, but any hearing granted by the Commission shall be had at the municipality where the conditions complained of are alleged to exist, or some member of the said Commission shall take evidence, both for the petition and against it, at such municipality, and report to the full Commission before any decision is made by the Commission.

(b) If the Commission finds that such ordinance is reasonable and just the petition shall be dismissed, and the petitioner shall be taxed with the cost. If the Commission is of the opinion that the ordinance is unreasonable, it shall prescribe the maximum rates of speed for passing through such municipality. Thereafter, the railroad company may run its trains through such municipality at speeds not greater than those prescribed by the Commission, and the ordinance adjudged to be unreasonable shall not be enforced against such railroad company.

(c) If the judgment of the Commission is in favor of the petitioner, the Commission may make such order as to the payment of the costs as shall seem just. It may require either party to pay the same or it may divide the same. (1903, c. 552; Rev., ss. 1101, 1102, 1103; C. S., s. 1058; 1933, c. 134, s. 8; 1941, c. 97; 1957, c. 1152, s. 5; 1963, c. 1165, s. 1.)

**Local Modification.**—Cumberland, Rockingham, Union, Wayne: C. S. § 1058.

**Regulation within Police Power of State.**  
—In *Gladson v. Minnesota*, 166 U. S. 427,

17 S. Ct. 628, 41 L. Ed. 1064 (1897), the court said: "The state which created the corporation may make all needful regulations of a police character for the government of the company while operating its road within the jurisdiction. It may prescribe the rate of speed at which the trains shall run, and the places at which they

shall stop, and may make any other reasonable regulations for their management in order to secure the object of its incorporation, and the safety, good order, convenience and comfort of its passengers and of the public." *North Carolina Corp. Comm. v. Atlantic Coast Line R. Co.*, 137 N. C. 1, 49 S. E. 191, 197 (1904).

§ 62-240. **Injury to passenger while in prohibited place.**—If any passenger on any railroad is injured in any portion of a train where passengers are prohibited by notice conspicuously posted in its passenger cars, such railroad shall not be liable for the injury, provided the railroad has furnished sufficient room within its passenger cars for the proper accommodation of all passengers on the train. (1871-2, c. 138, s. 42; Code, s. 1978; Rev., s. 2628; C. S., s. 3509; 1963, c. 1165, s. 1.)

**Effect of Posting Notice.** — When this section has been complied with, a rule of a railroad company prohibiting passengers from going on the platform while the train is in motion is given the force and effect of a State law, barring a recovery for injuries sustained under such circumstances. *Shaw v. Seaboard Air Line R. Co.*, 143 N. C. 312, 55 S. E. 713 (1906).

**Notice Need Be Only in English.**—This section requires only that the notice to be placed by a railroad company in its coach, relieving the company from liability to a passenger injured while riding on the platform, etc., shall be in English, and the fact that such passenger cannot read that language is immaterial. *Bane v. Norfolk Southern R. Co.*, 176 N. C. 247, 97 S. E. 11 (1918).

**Riding on Platform Prima Facie Negligence.**—It is prima facie negligence for a passenger to voluntarily ride on the platform of a rapidly moving train. *Wagner v.*

*Atlantic Coast Line R. Co.*, 147 N. C. 315, 61 S. E. 171 (1908).

**Section Not Applicable When Passenger Alighting.**—This section is for the protection of passengers and should be reasonably construed, and has no application when the injury complained of was received as the passenger was alighting at a regular station after the train had stopped for that purpose, though he may have ridden in violation of the statute before the train had stopped. *Kearney v. Seaboard Air Line R. Co.*, 158 N. C. 521, 74 S. E. 593 (1912).

**Person on Passenger Platform at Station.**—One who is on the passenger platform of railroad company at its station with the purpose of becoming a passenger on its expected train is entitled to the protection due a passenger from dangerous conditions and usage there. *Thomas v. Southern R. Co.*, 173 N. C. 494, 92 S. E. 321 (1917).

§ 62-241. **Negligence presumed from killing livestock.** — When any cattle or other livestock shall be killed or injured by the engine or cars running upon any railroad, it shall be prima facie evidence of negligence on the part of the railroad company in any action for damages against such company: Provided, that no person shall be allowed the benefit of this section unless he shall bring his action within six (6) months after his cause of action shall have accrued. (1856-7, c. 7; Code, s. 2326; Rev., s. 2645; C. S., s. 3482; 1963, c. 1165, s. 1.)

**Cross Reference.**—As to venue of an action against railroad, see § 1-81.

**Editor's Note.** — Several of the earlier cases, notably *Doggett v. Richmond*, etc., R. Co., 81 N. C. 459 (1879), and *Durham v. Wilmington*, etc., R. Co., 82 N. C. 352 (1880), stated that, where the facts are known and show there was no negligence on the part of the railroad, the presumption created by this section does not apply. But it would have been more accurate to say that the prima facie case here created is rebutted where the undisputed facts show there was no negligence on the part

of the defendant, than to say the statute did not apply to such a case. There is no exception in the statute. It is in terms general and applies alike to all cases of killing stock by a railroad. The rule is thus stated in the later cases. See *Hardison v. Atlantic*, etc., R. Co., 120 N. C. 492, 26 S. E. 630 (1897).

In some of the early decisions it was said that when livestock were injured by the engine or cars of a railroad company and an action thereon was brought within six months, this section raised a presumption of negligence and cast upon the de-

fendant the burden of rebutting such presumption. *Carlton v. Wilmington, etc., R. Co.*, 104 N. C. 365, 10 S. E. 516 (1889); *Bethea v. Raleigh, etc., R. Co.*, 106 N. C. 279, 10 S. E. 1045 (1890). But it is now the established rule, as settled by the later and prevailing cases, that "prima facie evidence of negligence" means no more than evidence sufficient to carry the case to the jury, and to justify, but not compel, a verdict as for a negligent wrong. See *Ferrell v. Norfolk Southern R. Co.*, 190 N. C. 126, 129 S. E. 155 (1925).

**Section Applies When Facts Known.**—The presumption of negligence in killing livestock, when the action is brought within six months, applies where the facts are known. *Hanford v. Southern R. Co.*, 167 N. C. 277, 83 S. E. 470 (1914).

**Applies When Stock under Control of Person.**—The statutory presumption of negligence for killing livestock, when the action is brought within six months, is not rebutted by showing that the livestock were under the control of a person at the time. *Randall v. Richmond, etc., R. Co.*, 104 N. C. 410, 10 S. E. 691 (1889).

**Same—When Animal Hitched to Vehicle.**—The statutory presumption of negligence of a railroad company in killing livestock, when the action is brought within six months, applies whether a horse, the subject of the action, was hitched to a buggy at the time or running at large. *Hanford v. Southern R. Co.*, 167 N. C. 277, 83 S. E. 470 (1914).

Where it is proven or admitted that cattle have been killed by the train of a railroad company within six months before the action was brought, there is a presumption that the killing was caused by the negligence of such company, and this presumption arises from the fact of killing, where the animal is hitched to a wagon or cart, as well as where it is straying at large when killed. *Randall v. Richmond, etc., R. Co.*, 107 N. C. 748, 12 S. E. 605 (1890).

**Does Not Apply to Fowl.**—No presumption of negligence against a railroad company is raised by the mere fact of killing fowl, etc., upon its track in the operation of its trains. This section makes it prima facie evidence of negligence in respect only to "cattle or other livestock," which does not include geese or other fowl within its terms. *James v. Atlantic, etc., R. Co.*, 166 N. C. 572, 82 S. E. 1026 (1914).

**Does Not Apply to Dogs.**—The killing of a dog by a street railway is not prima facie evidence of negligence. *Moore v.*

*Charlotte Elect. R., etc., Co.*, 136 N. C. 554, 48 S. E. 822 (1904).

**When Horses Run into Trestle.**—In an action against a railroad company for damages for injuries to horses, where the evidence showed that the horses were injured by running into a trestle, and that the train was 100 yards from the trestle when they were injured, and stopped 100 feet from the trestle, this section did not apply. *Ramsbottom v. Atlantic Coast Line R. Co.*, 138 N. C. 38, 50 S. E. 448 (1905).

**Plaintiff Must Prove Case.**—Where a railroad train runs into, kills or injures livestock, and the owner brings his action for damages within the statutory six months, the prima facie case of negligence raised by the statute is sufficient to take the case to the jury, but does not change the burden of proving the issue of negligence from the plaintiff. *Ferrell v. Norfolk Southern R. Co.*, 190 N. C. 126, 129 S. E. 155 (1925).

**How Presumption Rebutted.**—In an action against a railroad company for killing certain mules of the plaintiff, where negligence is established by force of this section, it can only be rebutted by showing that by the exercise of due diligence the stock could not have been seen in time to save them. *Pippen v. Wilmington, etc., R. Co.*, 75 N. C. 54 (1876).

This rule can only be rebutted by showing that the agents of the railroad company used all proper precautions to guard against damage. It is not sufficient to prove that there was probably no negligence. *Battle v. W. & W. Railroad*, 66 N. C. 343 (1872).

**Same — Presumption Not Repelled.**—Where plaintiff's horse had been injured on a railroad by the running of a train against it, and it was doubtful from defendant's testimony whether the brakes had been applied to the wheels of the train after the animal was discovered to be on track, the prima facie case of negligence made by this section was not repelled. *Clark v. Western North Carolina Railroad*, 60 N. C. 109 (1863).

**Same — Instructions.**—Where the killing of stock by a railroad is admitted or proven, the trial judge may instruct the jury that a certain state of facts, if believed by them, would rebut the presumption of negligence, but not that certain evidence, though uncontradicted, would do so. *Baker v. Roanoke, etc., R. Co.*, 133 N. C. 31, 45 S. E. 347 (1903).

**When Owner Permits Cattle to Stray on Railroad Track.**—If the owner of cattle permits them to stray off and get upon the

track of a railroad and they are killed or hurt, the railroad company is not liable unless the train was being carelessly run, or by the exercise of proper care after the animals were discovered the injury could have been avoided or prevented. *Doggett v. Richmond, etc., R. Co., 81 N. C. 459 (1879).*

**Effect of Local Stock Law.**—The prima facie evidence of negligence on the part of a railroad company in a suit for damages for killing stock is not impaired by a local act requiring stock to be fenced in, but the defendant must repel the presumption by satisfactory proof to the jury. *Roberts v. Richmond, etc., R. Co., 88 N. C. 560 (1883).*

**No Duty to Cut Down Weeds.**—A railroad company is not negligent in failing to cut down bushes or weeds on the right of way beyond the portion over which it is exercising actual control for corporate purposes, though a horse is killed as a result of the engineer's inability to see him on account of the weeds. *Ward v. Wilmington, etc., R. Co., 109 N. C. 358, 13 S. E. 926 (1891).*

**Measure of Damages.** — The measure of damages when a cow is killed by a train is

the difference in the value of the cow and that of the beef. *Roberts v. Richmond, etc., R. Co., 88 N. C. 560 (1883).*

**When Judge May Direct Verdict.**—This section applies to all cases of killing stock by a railroad, and while the presumption of negligence arising from the killing may be rebutted, it is only where the undisputed facts show there was no negligence that the trial judge should direct a verdict for the defendant. *Hardison v. Atlantic, etc., R. Co., 120 N. C. 492, 26 S. E. 630 (1897).*

**Defendant Not Entitled to Nonsuit.**—Where a plaintiff makes a prima facie case by suing for the killing of a cow within six months, the defendant is not entitled to nonsuit on the ground that such prima facie case is rebutted by the evidence of the defendant. *Davis v. Railroad Co., 134 N. C. 300, 46 S. E. 515 (1904).*

**Applied in** *Aycock v. W. & W. R. Road Co., 51 N. C. 231 (1858); Wilson v. Norfolk, etc., R. Co., 90 N. C. 69 (1884); Snowden v. Norfolk, etc., Railroad, 95 N. C. 93 (1886); Carlton v. Wilmington, etc., R. Co., 104 N. C. 365, 10 S. E. 516 (1889); Coburn v. Atlantic Coast Line R. Co., 227 N. C. 695, 44 S. E. (2d) 200 (1947).*

**§ 62-242. Liability of railroads for injuries to employees; fellow-servant rule; defective machinery; contributory negligence; assumption of risk; contracts void.**—(a) Any servant or employee of any railroad company operating in this State who shall suffer injury to his person or the personal representative of any such servant or employee who shall have suffered death in the course of his services or employment with such company, by the negligence, carelessness or incompetence of any other servant, employee or agent of the company, or by any defect in the machinery, ways or appliances of the company, shall be entitled to maintain an action against such company. Any contract or agreement, expressed or implied, made by any employee of such company to waive the benefit of this section shall be null and void.

(b) Every common carrier by railroad shall be liable in damages to any person suffering injury while he is employed by such carrier, or in the case of the death of such employee, to his or her personal representative, for such injury or death resulting in whole or in part from the negligence of any of the officers, agents or employees of such carrier, or by reason of any defect or insufficiency, due to its negligence, in its cars, engine, appliances, machinery, track, roadbed, works, boats, wharves, or other equipment.

(c) In all actions hereafter brought against any common carrier by railroad to recover damages for personal injury to an employee, or where such injuries have resulted in his death, the fact that the employee may have been guilty of contributory negligence shall not bar a recovery, but the damages shall be diminished by the jury in proportion to the amount of negligence attributable to such employee: Provided, however, that no such employee who may be injured or killed shall be held to have been guilty of contributory negligence in any case where the violation by such common carrier of any statute enacted for the safety of employees contributed to the injury or death of such employee.

(d) In any action brought against any common carrier under or by virtue of any of the provisions of this section to recover damages for injuries to, or the death of, any of its employees, such employee shall not be held to have assumed

the risk of his employment in any case where the violation by such common carrier of any statute enacted for the safety of employees contributed to the injury or death of such employee, or the death or injury was caused by negligence.

(e) Any contract, rule, regulation or device whatsoever, the purpose and intent of which shall be to enable any common carrier by railroad to exempt itself from any liability created by this section, shall to that extent be void: Provided, that in any action brought against such common carrier, under and by virtue of any of the provisions of this section, such common carrier may set off therein any sum it has contributed or paid to any insurance or relief benefit, or indemnity that may have been paid to the injured employee, or the person entitled thereto, on account of the injury or death for which such action was brought.

(f) The provisions of this section relating to liability for damages shall also apply to logging roads and tramroads.

(g) The term "common carrier" as used in this section shall include the receiver or receivers, or other persons or corporations charged with the duty of the management of the business of a common carrier. The term "employee" or "servant" as used in this section shall include any person carried on the payroll of such railroad company and required to be on its property regardless of whether such person is receiving compensation at the time or not. #### I. GENERAL CONSIDERATION.

**Editor's Note.**—The statutes now combined in this section, regulating the liability of railroads for injuries to employees, were enacted prior to the adoption of the Workmen's Compensation Act, §§ 97-1 to 97-122. Section 97-13 expressly provides that the Workmen's Compensation Act is not applicable to railroads or railroad employees and that this section is not repealed. According to § 97-13, however, the exemption as to railroads does not apply to electric street railroads and their employees.

In *Hobbs v. Atlantic, etc., R. Co.*, 107 N. C. 1, 12 S. E. 124 (1890), it was held that a railroad company was not liable for injury to its servants, resulting from the negligence of a fellow servant. In that case the attention of the legislature was called to the fact that many of the states had by legislative enactment abrogated the fellow-servant rule in so far as it applied to railroad employees. In 1897 such a statute (now subsection (a) of this section) was passed, and its constitutional-

ity was sustained in *Hancock v. Norfolk, etc., Railway*, 124 N. C. 222, 32 S. E. 679 (1899).

In *Mott v. Southern R. Co.*, 131 N. C. 234, 237, 42 S. E. 601 (1902), it was sought to curtail and restrict the statute so that it should apply only to employees engaged in operating trains, but the court held the contrary and said: "The language of the statute is both comprehensive and explicit. It embraces injuries sustained by 'any servant or employee of any railway company . . . in the course of his services or employment with said company.' The plaintiff was an employee and was injured in the course of his employment."

However, to come within the provisions of subsection (a) a railroad must be "operating" and not "under construction." See *Nicholson v. Railroad*, 138 N. C. 516, 51 S. E. 40 (1905); *Bailey v. Meadows Co.*, 152 N. C. 603, 68 S. E. 11 (1910).

The statute that is now subsection (b) of this section was passed after Congress had passed a similar statute applicable to employees engaged in interstate commerce. It is not as broad as subsection (a), for it applies only to common carriers by railroad, while subsection (a) applies to all railroads. See *Williams v. Kinston Mfg. Co.*, 175 N. C. 226, 95 S. E. 366 (1918). But see subsection (f), making both subsections applicable to logging roads and tramroads.

Subsection (b) of this section applies only to employees engaged exclusively in intrastate commerce. There is a federal statute similar in its provisions which ap-

plies to employees engaged in interstate commerce. See 45 U. S. C. § 51. Rights accruing under the latter statute may be enforced in the state courts as well as the federal courts.

There is a distinction between the State and federal statute as to the basis of the damages assessed. Under the State statute the damages are based upon the present worth of the net pecuniary value of the life of the deceased. *Ward v. North Carolina R. Co.*, 161 N. C. 179, 176 S. E. 717 (1912). Under the United States statute the damages are based upon the pecuniary loss sustained by the beneficiary. *North Carolina R. Co. v. Zachary*, 232 U. S. 248, 34 S. Ct. 305, 58 L. Ed. 591 (1914).

There is also a distinction as to the beneficiary. Under the State statute the jury assesses the value of the life of the decedent in solido, which is disbursed under the statute of distributions. Under the United States statute, the jury must find as to each plaintiff what pecuniary benefit each plaintiff had reason to expect from the continued life of the deceased, and the recovery must be limited to compensation of those relatives in the proper class who are shown to have sustained such pecuniary loss. The personal representatives sue for the benefit of the next of kin. See *Horton v. Seaboard Air Line R. Co.*, 175 N. C. 472, 95 S. E. 883 (1918).

Under § 28-173 none of the amount recovered in action for death by wrongful act belongs to the estate of the deceased and none of it is liable for the payment of his debts.

**"Common Carrier" Defined.** — A common carrier is one who, by virtue of his calling, undertakes for compensation to transfer personal property from one place to another for all persons who choose to employ him. *Williams v. Kinston Mfg. Co.*, 175 N. C. 226, 95 S. E. 366 (1918).

**This section applies only to employees who are engaged in duties connected with or incidental to the operation of railroads, logging roads or tramroads.** *Gurganous v. Camp Mfg. Co.*, 204 N. C. 525, 168 S. E. 833 (1933).

**Statute Applicable.** — The federal and state courts have concurrent jurisdiction and the question of which statute will apply depends upon whether or not the employee was engaged in interstate commerce. *Renn v. Seaboard Air Line R. Co.*, 170 N. C. 128, 86 S. E. 964 (1915); *West v. Atlantic, etc., R. Co.*, 174 N. C. 125, 93 S. E. 479 (1917). See also *Capps v. Atlantic, etc., R. Co.*, 178 N. C. 553, 101 S. E. 216 (1919).

**When Interstate Question Immaterial.** — In an action brought by a switchman of the defendant's train crew to recover damages for alleged negligence of the defendant in providing an improper coupler on a train made up and ready to start for a destination beyond the State, the question whether the train was an interstate one, or the plaintiff was at the time engaged in interstate commerce, is not material, since the enactment of this section, which, in this respect, is substantially identical with the federal statute. *Sears v. Atlantic, etc., R. Co.*, 169 N. C. 446, 86 S. E. 176 (1915).

**As to the time within which the action must be brought,** under the federal act, see *Belch v. Seaboard Air Line R. Co.*, 176 N. C. 22, 96 S. E. 640 (1918); *King v. Norfolk-Southern R. Co.*, 176 N. C. 301, 97 S. E. 29 (1918).

**Effect of Nonsuit in Action under Federal Act.**—A judgment as of nonsuit upon the merits of an action brought by the administratrix of an injured employee of a railroad company under the Federal Employers' Liability Act will not operate as a bar to the same cause brought under the laws of this State, §§ 60-66, 60-67, the law and facts applicable to the first not being identical with those applicable to the second. *Fuquay v. A. & W. Ry. Co.*, 199 N. C. 499, 155 S. E. 167 (1930).

**Applied in** *Byers v. Boice Hardwood Co.*, 201 N. C. 75, 159 S. E. 3 (1931); *Bateman v. Brooks*, 204 N. C. 176, 167 S. E. 627 (1933); *Graham v. Atlantic Coast Line R. Co.*, 240 N. C. 338, 82 S. E. (2d) 346 (1954).

## II. FELLOW-SERVANT RULE.

**Abrogation of Fellow-Servant Rule.**— Subsection (a) of this section is an unconditional abrogation of the kindred doctrines of fellow servant and assumption of risk as applied to railroad companies. *Coley v. North Carolina R. Co.*, 129 N. C. 407, 40 S. E. 195 (1901).

The law relating to the doctrine of fellow servants has been abrogated in regard to its application to those employed by railroad companies operating in this State. *Robinson v. Ivey & Co.*, 193 N. C. 805, 138 S. E. 173 (1927).

**Subsection (a) Applies to Any Department of Railroad.**—The provisions of subsection (a) of this section apply to an injury negligently inflicted by a fellow servant in any department of a railroad being operated. *Buckner v. Madison County R. Co.*, 164 N. C. 201, 80 S. E. 225 (1913).

**It Applies to Manufacturing Company Operating Spur Track.**—Subsection (a) of this section applies to a manufacturing corporation which owns and operates a spur track on its grounds as incidental to its main business, with respect to servants employed in such service. *Hairston v. United States Leather Co.*, 143 N. C. 512, 55 S. E. 847 (1906); *United States Leather Co. v. Howell*, 151 F. 444 (1907).

**But Not to Railroad under Construction.**—Subsection (a) of this section does not apply to an employee engaged in building a trestle for the extension of a railroad, at a point some miles from the track on which trains are being operated. *Nicholson v. Railroad*, 138 N. C. 516, 51 S. E. 40 (1905); *Bailey v. Meadows Co.*, 152 N. C. 603, 68 S. E. 11 (1910).

**Street Railways.**—Before the enactment of the Workmen's Compensation Act, subsection (a) of this section was held to apply to street railways. *Hemphill v. Buck Creek Lumber Co.*, 141 N. C. 487, 54 S. E. 420 (1906); *Brookshire v. Asheville Elect. Co.*, 152 N. C. 669, 68 S. E. 215 (1910). See § 97-13 and Editor's Note to this section.

**Subsection (a) Operates on All Employees.**—Subsection (a) of this section operates on all employees of the company, whether in superior, equal, or subordinate positions. *Fitzgerald v. Southern R. Co.*, 141 N. C. 530, 54 S. E. 391 (1906); *Bloxham v. Stave, etc., Corp.*, 172 N. C. 37, 89 S. E. 1013 (1916).

**Regardless of Kind of Employment.**—The provisions of subsection (a) do not require that the servant, at the time of the injury, should be engaged in the running or operation of a train, but apply to any other kind of service, whether more or less dangerous. *Mincey v. Atlantic Coast Line R. Co.*, 161 N. C. 467, 77 S. E. 673 (1913).

**And Must Be Read into Contract of Service.**—Where a contract of service with the defendant railroad was made in this State, the provisions of subsection (a) of this section must be read into the contract, and there being no evidence that the service was to be performed altogether in another state, it would seem that the relative rights and disabilities of the parties are fixed by the terms of the contract. *Miller v. Railroad*, 141 N. C. 45, 53 S. E. 726 (1906).

**Injury When Duty Delegated to Another.**—Where a railroad company delegated its duty of loading a car to a lumber company making a shipment, it is liable for any injury to its own employee

caused by negligence of the employees of the lumber company in loading the car. *Britt v. Carolina, etc., R. Co.*, 144 N. C. 242, 56 S. E. 910 (1907).

**Injury in Loading Logs.**—Where a tram railroad was engaged in loading logs and a fellow servant of the plaintiff, acting in the scope of his employment in loading the logs, negligently caused one of the logs to drop upon the plaintiff and injure him, the employer was liable in damages for the negligent injury proximately caused. *Lilley v. Interstate Co-operative Co.*, 194 N. C. 250, 139 S. E. 369 (1927).

**Injury by Falling Tree.**—Subsection (a) of this section applied where an employee was injured by a tree falling upon him as he was riding on the car of defendant's logging road in the performance of his duties, a change of wind having deflected the tree from its expected course, so that it struck the tops of smaller trees and thence fell upon the plaintiff, for the engineer should reasonably have seen the danger in time to have stopped the train and avoided the injury, after the course of the falling tree had been unexpectedly deflected. *Bloxham v. Stave, etc., Corp.*, 172 N. C. 37, 89 S. E. 1013 (1916).

**Defective Ladder.**—Where two employees of a railroad company were instructed to do certain work requiring the use of a ladder, and a discarded ladder, which proved defective, was selected from several supplied by the company, the others being sound, and one of the employees sustained a fall because of the defect and sued for damages therefor, subsection (a) of this section applied. *Mincey v. Atlantic Coast Line R. Co.*, 161 N. C. 467, 77 S. E. 673 (1913).

**Flagman at Crossing.**—Where the plaintiff was employed by a railroad to warn pedestrians of approaching trains at a public crossing and to signal the engineer, and the plaintiff was injured by the defendant's negligence when he had crossed the platform on a train and was on the lowest step of the car for the performance of his duty on the other side, the evidence was sufficient upon the question of employment to sustain a verdict in plaintiff's favor. *West v. Atlantic Coast Line R. Co.*, 174 N. C. 125, 93 S. E. 479 (1917).

**Engineer Injured by Assistant's Negligence.**—It is the duty of a railroad company to furnish its engineer a competent person to assist him in fixing his locomotive, when such assistance is necessary from the character of the work being

done; and the company is liable in damages when the assistant fails to exercise ordinary care to prevent an injury, such failure being the proximate cause of the injury. *Horton v. Seaboard Air Line Railway*, 145 N. C. 132, 58 S. E. 993 (1907).

**Employee Negligently Shot by Fellow Servant.**—Where a baggage agent of a railroad company, in the course of his employment in getting some baggage checks from a drawer to a desk in the baggage room, removed a pistol which he knew to be loaded, took it in his hand, and in a careless manner opened another drawer to the desk, and in doing so caused the pistol to fire, and killed his assistant, his negligent acts were attributable to the company employing him. *Moore v. Southern R. Co.*, 165 N. C. 439, 81 S. E. 603 (1914).

**Accident in Doing Work of a Simple Nature.**—The plaintiff was employed by a railroad to replace the crossties under the rails of the road. While a tie was being depressed into position by his fellow servant his hand was caught between the end of the tie and the rail and injured. The plaintiff had no explanation to make of the occurrence, except "he had his hand on the tie to bear it down, and it went over and the end flew up and caught his hand." It was held that the injury was the result of an accident in doing work of a simple nature, and a recovery should have been denied as a matter of law. *Lloyd v. Southern R. Co.*, 168 N. C. 646, 85 S. E. 10 (1915).

### III. ASSUMPTION OF RISK.

**Editor's Note.**—After the passage of a similar federal statute applying to employees engaged in interstate commerce the North Carolina legislature enacted the statute that is now subsection (d) of this section. It is not as broad as subsection (a), for it applies only to common carriers.

**General Consideration.**—The doctrine of assumption of risk is that an employee assumes the risk of accidents and injuries incident to the business properly operated. He does not assume the risk caused by the negligence of the company, in not furnishing proper appliances or in any other respect. *Horton v. Seaboard Air Line R. Co.*, 175 N. C. 472, 95 S. E. 883 (1918).

The employee assumes no risk in the proper use of defective appliances after notifying the employer, who promises to remedy the defect; but the employee must use the appliances with proper regard to their known condition, and, failing in this, he would be guilty of contributory negli-

gence. *Britt v. Carolina, etc., R. Co.*, 144 N. C. 242, 56 S. E. 910 (1907).

It is not the mere working in the presence of an obvious defect in an appliance furnished by the master that will constitute contributory negligence on the part of the servant; and assurances on the part of the former that needed repairs will be made will frequently relieve the latter of this charge. *Bissell v. Greenleaf-Johnson Lumber Co.*, 152 N. C. 123, 67 S. E. 259 (1910).

**Defense of Assumption of Risk Eliminated.**—In an action for negligence against a railroad company operating in this State, the defense of working on in the presence of a defective appliance or machine, usually dealt with under the head of assumption of risk, has been eliminated. *Biles v. Seaboard Air Line R. Co.*, 143 N. C. 78, 55 S. E. 512 (1906).

Under the construction of subsection (a) of this section the defense of assumption of risk is not available. *Moore v. Rawls*, 195 N. C. 125, 144 S. E. 552 (1928). See *Coley v. North Carolina R. Co.*, 129 N. C. 407, 46 S. E. 195 (1901).

**Duty of Employer to Furnish Safe Tools.**—It is the master's duty to furnish the servant such tools as are reasonably safe and suitable for the work in which he is engaged, and in general use. *Bissell v. Greenleaf-Johnson Lumber Co.*, 152 N. C. 123, 67 S. E. 259 (1910); *Eplee v. Southern R. Co.*, 155 N. C. 293, 71 S. E. 325 (1911). If he fails to do so he exposes the servant to extraordinary risks. *Moore v. Railroad*, 141 N. C. 111, 53 S. E. 745.

**Acquiescence in Use of Inappropriate Appliance.**—The master's acquiescence in the use of an appliance for some purpose other than that for which it was intended puts him in the same position as if the appliance had been originally furnished for that purpose. *Wallace v. Railroad*, 141 N. C. 646, 54 S. E. 399 (1906).

**Obviously Defective Machinery.**—The use of machinery obviously defective will not prevent a person from a recovery for an injury resulting therefrom, unless the apparent danger is so great that its assumption would amount to a reckless indifference to probable consequences. *Coley v. North Carolina R. Co.*, 129 N. C. 407, 46 S. E. 195 (1901).

**When Plaintiff Causes Own Injury.**—When under instructions from his superior officer the plaintiff, in repairing a piece of machinery, with knowledge of its defects, negligently caused an injury to himself in such manner as it was his duty

in repairing to prevent, he cannot recover, and this section has no application. *Mathis v. Atlantic Coast Line R. Co.*, 144 N. C. 162, 56 S. E. 864 (1907).

**Liability Not Affected by Act of Shipper.**—The duty of the railroad company to have a crosspiece used to keep steady lumber on flat cars secured in a reasonably safe manner for the use to which its servants customarily put it is not affected by the fact that the shipper puts it on in loading the car. *Wallace v. Railroad*, 141 N. C. 646, 54 S. E. 399 (1906).

**Failure to Equip Car with Automatic Couplers.**—Where the jury found that the plaintiff was injured by the negligence of the defendant in failing to have its cars equipped with automatic couplers, the only defense open to the defendant, in the absence of any evidence of recklessness, was whether plaintiff was injured in the course of his service and employment. *Hairston v. United States Leather Co.*, 143 N. C. 512, 55 S. E. 847 (1906)

**Defective Coupler.**—In an action for an injury alleged to have been sustained from a defective coupler, the use of a defective coupler was a violation of a positive duty, and, in connection with an express order of the superintendent to make the coupling, was continuing negligence, and the causa causans of the injury. *Liles v. Fosburg Lumber Co.*, 142 N. C. 39, 54 S. E. 795 (1906); *Sears v. Atlantic, etc., R. Co.*, 169 N. C. 446, 86 S. E. 176 (1915).

**Engine without Handhold Along Pilot Beam.**—Where the plaintiff's evidence showed that he was at the time of the injury at the usual position provided for the purpose on the pilot of the engine by order of his superiors and in the necessary performance of his duties, and that he was thrown and injured because the engine did not have the usual handhold along the pilot beam, and that he did not know the handhold was lacking when he got on, and was guilty of no carelessness, his right of action was established. *Biles v. Seaboard Air Line R. Co.*, 143 N. C. 78, 55 S. E. 512 (1906).

**Exposed Screw on Power Drill.**—A power drill furnished by a master to a servant for boring holes in iron plates, having an exposed set-screw thereon dangerous in operating the drill and which is usually covered or countersunk, is not a proper tool for the purpose, and the master is liable in damages proximately caused by the defect. *Eplee v. Southern R. Co.*, 155 N. C. 293, 71 S. E. 325 (1911).

**Improper Ladder.**—Where it was the custom of a railroad company to furnish

ladders to its painters, and the plaintiff, a painter, had not been furnished with a proper ladder, but with an ordinary ladder that extended beyond the steep roof of the building upon which he was at work, and the ladder fell over and struck the plaintiff, causing him to fall, and the injury would not have occurred if a proper ladder or appliance had been furnished, the evidence was sufficient to take the case to the jury upon the issue of the company's actionable negligence. *Jones v. Atlantic Coast Line R. Co.*, 194 N. C. 227, 139 S. E. 242 (1927).

**Defective Handcar.**—Where plaintiff was injured in consequence of using a defective handcar, which he had theretofore repeatedly reported to his employer as defective, and for which a replacement had been promised, the employer was liable. *Boney v. Atlantic, etc., R. Co.*, 145 N. C. 248, 58 S. E. 1082 (1907).

**Evidence.**—Direct evidence of negligence is not required, but the same may be inferred from acts and attendant circumstances, and if the facts proved establish the more reasonable probability that the defendant has been guilty of actionable negligence, the case cannot be withdrawn from the jury, though the possibility of accident may arise on the evidence. *Fitzgerald v. Southern R. Co.*, 141 N. C. 530, 54 S. E. 391 (1906).

**Question for Jury.**—Where the employee of a railroad company, in intrastate commerce, was ruptured while handling heavy baggage at the station by the unaided use of his personal strength, when the company had promised to furnish him a truck for the service, the use of which would have avoided the injury, it is for the jury to determine whether the defendant was negligent in failing to supply the truck, or whether the plaintiff assumed the risk on attempting to lift the trunk. *Hines v. Atlantic, etc., R. Co.*, 185 N. C. 72, 116 S. E. 175 (1923). See also, *Horton v. Seaboard Air Line R. Co.*, 175 N. C. 472, 95 S. E. 883 (1918); *Wallace v. Tallahassee Power Co.*, 176 N. C. 558, 97 S. E. 611 (1918).

#### IV. CONTRIBUTORY NEGLIGENCE.

**Editor's Note.**—The provisions of subsection (c) of this section apply only to employees engaged exclusively in intrastate commerce. There is a similar federal statute which applies to employees engaged in interstate commerce. See 45 U. S. C. § 53.

See 13 N. C. Law Rev. 256.

**In General.**—The doctrine of comparative negligence is only recognized by our courts in instances coming within the

meaning of the Federal Employers' Liability Act, and subsection (c) of this section, and then only for the purpose of mitigating the damages or as a partial defense. *Moore v. Chicago Bridge, etc., Works*, 183 N. C. 438, 111 S. E. 776 (1922).

**To What Employees Subsection (c) Applies.**—Subsection (c) of this section applies only to employees who are engaged in duties connected with or incidental to the operation of railroads, logging roads or tramroads. *Gurganous v. Camp Mfg. Co.*, 204 N. C. 525, 168 S. E. 833 (1933).

**Contributory Negligence and Assumption of Risk.**—Under subsection (c) of this section, the plaintiff was entitled to have his cause submitted to the jury, for, as herein provided, contributory negligence is no longer a bar to an action by an employee against a railroad for injuries sustained during his employment, and the question of assumption of risk was for the jury, the burden of proof being upon the defendant. *Hines v. Atlantic Coast Line R. Co.*, 185 N. C. 72, 116 S. E. 175 (1923).

There is a vital difference between contributory negligence and assumption of risk, which is thus stated, 1 *Labatt on Master and Servant*, secs. 305 and 306, as follows: "Assumed risk is founded upon the knowledge of the employee, either actual or constructive, of the risks to be encountered, and his consent to take the chance of injury therefrom. Contributory negligence implies misconduct, the doing of an imprudent act by the injured party, or his dereliction in failing to take proper precaution for his personal safety. The doctrine of assumed risk is founded upon contract, while contributory negligence is solely matter of conduct." This distinction has often been approved by the United States Supreme Court in cases under the Employers' Liability Act. *Seaboard Air Line Railway v. Horton*, 233 U. S. 492, 34 S. Ct. 635, 58 L. Ed. 1062 (1914).

**When Jury Fails to Allow for Contributory Negligence.**—Where the plaintiff's complaint demands damages in a certain amount in his action involving the issues of negligence and contributory negligence, and the application of the rule of comparative negligence under the provisions of subsection (c) of this section, the fact that the jury has rendered a verdict for damages to the full amount demanded in the complaint under a proper instruction does not alone show that the jury had failed to follow the rule of damages prescribed in such instances, and the verdict will not on that ground be disturbed on appeal. *Brooks v.*

*Suncrest Lumber Co.*, 194 N. C. 141, 138 S. E. 532 (1927).

**Evidence Raising Issue for Jury.**—In an action for a deceased employee's negligent death, the fact that it was caused by a head-on collision on defendant railroad company's trestle, in broad daylight, with another of its cars, is some evidence that the defendant's negligence proximately caused the employee's death, and raises the issue for the determination of the jury though the intestate might have been guilty of contributory negligence. *Hinnant v. Tidewater Power Co.*, 187 N. C. 288, 121 S. E. 540 (1924).

**Negligence in Obtaining Improper Ladder.**—The failure of a railroad company to furnish to an employee engaged in the scope of his employment in painting a station house, a proper ladder or appliance, which failure caused the injury in suit, comes within the provisions of subsection (c) of this section, and the contributory negligence of the plaintiff is not a complete bar to his recovery, but is only to be considered by the jury in diminution of the damages. *Jones v. Atlantic Coast Line R. Co.*, 194 N. C. 227, 139 S. E. 242 (1927).

**Motion to Nonsuit.**—Where plaintiff, while performing his duty, coupled a car attached to defendant's locomotive, while not in motion, and the injury was caused by the sudden movement of the locomotive by the engineer, without a signal from the plaintiff, contrary to practice, though there was evidence of contributory negligence, its establishment would not be a complete defense, under subsection (c) of this section, and upon a motion to nonsuit, evidence that the engineer properly acted on the signal of another employee will not be considered. *Lamm v. Atlantic Coast Line R. Co.*, 183 N. C. 74, 110 S. E. 659 (1922).

**Federal Statute.**—The rule under the federal statute is substantially the same as that prescribed by subsection (c) of this section. Contributory negligence is not a complete bar to the recovery of damages by an employee of a railroad company in an action brought under the Federal Employers' Liability Act, the admeasurement being that of comparative negligence by which the jury, under conflicting evidence, reduces the recovery in accordance with the relative negligence of the employee. *Moore v. Atlantic Coast Line R. Co.*, 185 N. C. 189, 116 S. E. 409 (1923); *Ballew v. Asheville, etc., R. Co.*, 186 N. C. 704, 120 S. E. 334 (1923); *Hinnant v. Tidewater Power Co.*, 187 N. C. 288, 121 S. E. 540 (1924); *Cobia v. Atlantic Coast Line R. Co.*, 188 N. C. 487, 125 S. E. 18 (1924).

### V. CONTRACTS AND RULES EXEMPTING FROM LIABILITY.

**Accepting Benefit from Relief Department.**—A relief department for providing hospital care for employees, contributed to by the employees and the company and under the control and management of the company, is but an agency of the company; and a stipulation in the contract with its employee that in the case of accident he must accept the benefit of the contract and release the company from liability, is prohibited by the provisions of subsection (e) of this section. *Barden v. Atlantic Coast Line R. Co.*, 152 N. C. 318, 67 S. E. 971 (1910); *Herring v. Atlantic Coast Line R. Co.*, 168 N. C. 555, 84 S. E. 863 (1915).

### VI. LOGGING ROADS AND TRAMROADS.

**Editor's Note.** — Before the enactment of subsection (f) of this section provisions of subsection (a) were held, by judicial construction, to apply to logging roads and tramroads. See *Roberson v. Greenleaf-Johnson Lumber Co.*, 154 N. C. 328, 70 S. E. 630 (1911); *Buckner v. Madison County R. Co.*, 164 N. C. 201, 80 S. E. 225 (1913).

However, in *Williams v. Kinston Mfg. Co.*, 175 N. C. 226, 95 S. E. 366 (1918), it was held that a logging road was not a common carrier within the meaning of subsection (c), and that the doctrine of comparative negligence was not applicable to actions for injuries sustained by employees of such roads. This decision seems to have engendered the legislative enactment enunciated by subsection (f), which was passed in 1919.

The provisions of subsections (a) and (c) are applicable to tram or logging roads under the provisions of subsection (f).

§ 62-243. **Violation of rules causing injury; damages.** — If any railroad company doing business in this State shall, in violation of any rule or regulation provided by the Commission, inflict any wrong or injury on any person, such person shall have a right of action and recovery for such wrong or injury, in any court having jurisdiction thereof, and the damages to be recovered shall be the same as in an action between individuals, except that in case of willful violation of law such railroad company shall be liable to exemplary damages: Provided, that all suits under this chapter shall be brought within one (1) year after the commission of the alleged wrong or injury. (1899, c. 164, s. 16; Rev., s. 1091; C. S., s. 1110; 1933, c. 134, s. 8; 1941, c. 97; 1963, c. 1165, s. 1.)

§ 62-244. **Certain employees to wear badges.**—Every conductor, baggage-master, engineer, brakeman or other servant of any railroad corporation employed on a passenger train, or at stations for passengers, shall wear upon his hat or cap a badge which shall indicate his office and the initial letters of the title of the corporation by which he is employed. No conductor or collector without such badge shall be entitled to demand or receive from any passenger any

*Sampson v. Jackson Bros. Co.*, 203 N. C. 413, 166 S. E. 181 (1932). See *Moore v. Rawls*, 196 N. C. 125, 144 S. E. 552 (1928).

In *Lilley v. Interstate Cooperation Co.*, 194 N. C. 250, 139 S. E. 369 (1927), the rule of subsection (f) as to tram railroads was applied, and it was held that subsection (c) was operative as to such railroads.

**Comparative Negligence Rule Applies.**—Contributory negligence is no longer a bar to injuries received in the operation of a logging road, but such negligence mitigates damages. In other words, comparative negligence is now, under the law, applicable to logging roads. *Moore v. Rawls*, 196 N. C. 125, 144 S. E. 552 (1928), citing *McKinish v. Lumber Co.*, 191 N. C. 836, 133 S. E. 163 (1926).

The employee must be engaged in duties connected with or incidental to the operation of such roads. *Gurganous v. Camp Mfg. Co.*, 204 N. C. 525, 168 S. E. 833 (1933).

**Narrow-Gauge Logging Road.**—A small narrow-gauge road running through the woods and used for the purpose only of transporting logs to the defendant's sawmill, with the cars loaded with logs pulled up a grade by means of a steam skidder, the wire cables operating around a drum upon the skidder, is a logging road within the intent and meaning of subsection (f) of this section and an employee negligently injured by such company is not barred of his right to recover damages when caused by a fellow servant; and contributory negligence is only considered in determination of the amount of damages the injured employee has sustained. *Stewart v. Blackwood Lumber Co.*, 193 N. C. 138, 136 S. E. 385 (1927); *Brooks v. Suncrest Lumber Co.*, 194 N. C. 141, 138 S. E. 532 (1927).

fare or ticket, or to exercise any of the powers of his office. (1871-2, c. 138, s. 30; Code, s. 1958; Rev., s. 2604; C. S., s. 3414; 1963, c. 1165, s. 1.)

**Cross Reference.**—As to badge of railroad police, see § 74A-3.

**§ 62-245. Duty to receive and forward freight tendered; penalty; regulations; charges.** — (a) Agents or other officers of railroad companies whose duty it is to receive freight shall receive all articles of the nature and kind received by such carriers for transportation whenever tendered at a regular depot, station, terminal or boat landing, and every loaded car tendered at a side-track, or any warehouse connected with the railroad by a siding. The railroad company shall forward such freight or cars by the route selected by the person tendering the freight under the existing laws. If such loaded car be tendered at any siding or warehouse at which there is no agent, notice shall be given to an agent at the nearest regular station at which there is an agent that such car is loaded and ready for shipment.

(b) The Commission shall make reasonable and just rules:

- (1) For the handling of freight and baggage at stations of all railroad companies.
- (2) As to charges by any person engaged in the carriage of freight or express for the necessary handling and delivery of the same at all stations.

(c) The railroad company represented by any person unlawfully refusing to receive such freight shall forfeit and pay to the party aggrieved the sum of fifty dollars (\$50.00) for each day such carrier refuses to receive such shipment of freight, and all damages actually sustained by reason of the refusal to receive freight. (Code, s. 1964; 1899, c. 164, s. 2, subsecs. 2, 7; 1903, cc. 444, 693; Rev., ss. 1094, 2631; C. S., ss. 1053, 3515; 1933, c. 134, s. 8; 1941, c. 97; 1963, c. 1165, s. 1.)

**Cross References.**—As to power of Utilities Commission to prevent discrimination, see § 62-140. As to venue of action against railroad, see § 1-81. As to regulation of shipment of inflammable substances and explosives, see § 62-211. As to penalty for failure to deliver freight upon tender of payment for carriage, see § 62-201.

**This section is constitutional** as applied to intrastate shipments. *Corbett v. Atlantic Coast Line R. Co.*, 205 N. C. 85, 170 S. E. 129 (1953).

**Intrastate Shipments.** — The penalty imposed by this section is not a burden upon interstate commerce when shipments are intrastate. *Wampum Cotton Mills v. Carolina, etc.*, R. Co., 150 N. C. 612, 64 S. E. 588 (1909).

**Interstate Shipments.**—In *Reid v. Southern R. Co.*, 150 N. C. 753, 64 S. E. 874 (1909), it was held that the penalty provided for by the provisions of this section would apply to interstate shipments, the same not being a burden on interstate commerce. In reviewing the same case the United States Supreme Court reversed this decision and held that the section could not apply to interstate shipments. *Southern Ry. Co. v. Reid*, 222 U. S. 424, 32 S. Ct. 140, 56 L. Ed. 257 (1912).

**Section Strictly Construed.** — This is a penal statute and must be strictly construed. *Cox v. Atlantic Coast Line R. Co.*, 148 N. C. 459, 62 S. E. 556 (1908).

**Requisites of Valid Tender.**—This section provides that the tender be made at a regular station and that the articles tendered be of the nature and kind received by the carrier for transportation, and it is necessary in an action for the penalty to show that the character of the shipment and place of tender are such as fall within its provisions. *Olive v. Atlantic Coast Line R. Co.*, 152 N. C. 279, 67 S. E. 583 (1910).

**Same—Sufficiency of Allegations.** — A complaint alleging that plaintiff tendered to a carrier at a certain station a certain quantity of loose lumber for shipment, etc., which the defendant wrongfully and unlawfully refused to receive, states a good cause of action, since it would be inferred, to be thereafter shown by proof, that this station referred to was a regular station, and that loose lumber was an article usually received by the carrier. *Olive v. Atlantic Coast Line R. Co.*, 152 N. C. 279, 67 S. E. 583 (1910).

**Meaning of "Whenever Tendered."**—The words "whenever tendered" can only

be qualified by supplying the ellipsis "within the usual hours adopted by the public for the transaction of such business at the place where the tender is made." *Alsop v. Southern Express Co.*, 104 N. C. 278, 10 S. E. 297 (1889).

**Effect of Carrier's Regulation as to Time of Tender.**—Where money was tendered to the agent of an express company at a regular station for shipment at 2 o'clock P. M., and the trains carrying express freight in the direction of the place to which it was to be consigned passed only at 12:55 o'clock P. M. each day, a regulation of the company that money would be received for shipment only on the morning before the train on which it was to be transported passed would not protect the company in an action brought to recover a penalty incurred by violation of this section. *Alsop v. Southern Express Co.*, 104 N. C. 278, 10 S. E. 297 (1889).

**Tender of Freight Eight Minutes before Train.**—Where the plaintiff tendered to the defendant thirty crates of strawberries at a small station requiring only one agent to attend to the various duties of express, telegraph, and railroad agent, and the tender was made at the time the train for which the shipment was intended was seen approaching the depot, about eight minutes before its arrival, a charge of the court that it was for the jury to determine whether, under the circumstances, the tender of the shipment for that train was in time was not open to plaintiff's objection. *Shaw v. Southern Express Co.*, 171 N. C. 216, 88 S. E. 222 (1916).

**Requisites for Daily Penalty.**—In order for the daily penalty to attach to the carrier for continually refusing to accept freight for shipment under the provisions of this section, it is necessary for actual or constructive tender of the freight to be made to the carrier each day; and where cattle are the subject of shipment, evidence that the shipment had been refused and that the shipper kept the cattle near the depot and told the defendant's agent thereof, and that he would deliver them when notified that the company would receive them is insufficient except as to the first penalty. *Bane v. Atlantic Coast Line R. Co.*, 171 N. C. 328, 88 S. E. 477 (1916).

When the common carrier permits a shipper to load a car with his goods and refuses to receive it for shipment or to issue a bill of lading, it is a refusal to receive the goods for shipment, under this section; and when the shipper leaves the goods in the car, with request for shipment, and by his conduct, understood by the railroad, makes his tender continuous, each day's

delay is a separate refusal, within the meaning of the statute, to which the penalty will apply. *Garrison v. Southern R. Co.*, 150 N. C. 575, 64 S. E. 578 (1909).

**Same—Placing Goods in Depot.**—Placing a shipment of goods in the depot of the carrier, prepared for and with request for shipment, and thus leaving them there, makes each day's delay by the carrier "a refusal to ship," under this section, and the carrier, thus refusing, is responsible for the penalty. *Burlington Lumber Co. v. Southern R. Co.*, 152 N. C. 70, 67 S. E. 167 (1910).

**Meaning of "Under Existing Laws."**—The words "under the existing laws," in this section, qualify the word "forward," and are used in reference to the rules governing the legal relations of consignor, consignee and the connecting lines. *Alsop v. Southern Express Co.*, 104 N. C. 278, 10 S. E. 297 (1889).

**Who Is the "Party Aggrieved."**—The shipper of the goods is the "party aggrieved," and is the one entitled to sue for the penalty prescribed in this section which arises from the wrongful refusal of the carrier's agent to accept the goods for transportation. *Reid v. Southern R. Co.*, 149 N. C. 423, 63 S. E. 112 (1908).

**Same—Consignee of Goods Shipped on Approval.**—A consignee to whom goods are shipped on approval owes a duty to the consignor to return them if they are unsatisfactory, and he must do so to relieve himself of liability to the consignor; and he is the party aggrieved, under this section, and may maintain his action thereunder for the penalty prescribed upon the refusal of the carrier to accept the goods for shipment. *Burlington Lumber Co. v. Southern R. Co.*, 152 N. C. 70, 67 S. E. 167 (1910).

**Same—Agent of Attaching Creditor.**—The penalty prescribed by this section is for the person who is interested in having the goods shipped, and whose legal right in respect thereto is denied; and a person may not maintain an action for the penalty, as the party aggrieved, who has no right or interest in the goods tendered by him for shipment, except as agent or attorney for an attaching creditor and surety on his attachment bond, after the debt has been paid and the goods released. *McRackan v. Atlantic Coast Line R. Co.*, 150 N. C. 331, 63 S. E. 1042 (1909).

**Goods Not Delivered to Carrier.**—When the plaintiff did not deliver the goods to the carrier, because they could not be transported by a train then getting ready to leave the station, but carried them

back and shipped them the next day, a nonsuit should be allowed. *Cox v. Atlantic Coast Line R. Co.*, 148 N. C. 459, 62 S. E. 556 (1908).

**Tender of Perishable Goods for Train Not Carrying Accommodations Therefor.**—An express company is not liable for damages and the statutory penalties of this section for refusing to receive a shipment of thirty crates of strawberries for a certain train not carrying accommodations for shipments of this character, though it had taken, on occasion, a few berries thereon for the shipper, where the lack of accommodations was known to the public, and to the shipper, and accommodations on other daily trains were specially provided. *Shaw v. Southern Express Co.*, 171 N. C. 216, 88 S. E. 222 (1916).

**Refusal to Accept Loose Hay.**—Where the Corporation Commission had authorized and fixed and approved the charges for the transportation of baled hay, without expressly requiring its acceptance by the carrier when unbaled or loose, and by express provision it did not require the carrier to receive "cotton or other merchandise and warehouse the same unless the articles offered are in good shipping condition, etc.," the carrier was not liable, for the penalty prescribed by this section, for refusing to receive for shipment a carload of loose hay, such shipments evidently being of such a character as to endanger not only the property of the carrier, but that of others received by the carrier for shipment. *Tilley v. Norfolk & Western R. Co.*, 162 N. C. 37, 77 S. E. 994 (1913).

**Embargo on Consignee's Freight.**—A railroad company may show, in defense to an action for refusal to receive goods for shipment when tendered, such matters as would excuse its failure to do so at common law, unavoidable conditions then existing, over which it had no control; when a carrier has refused a shipment of the nature and kind it was its business to receive, and which it could have received at the point tendered without working a hardship or oppression, it is no defense for it to show that, for the reason of the consignee's blocking the freight yards at destination, an embargo had been placed by the railroad on shipments tendered to be forwarded to him there. *Garrison v. Southern R. Co.*, 150 N. C. 575, 64 S. E. 578 (1909).

**Embargo by Connecting Carrier.**—The penalty imposed by this section is enforceable against a railroad company refusing to receive freight when tendered, though to reach the destination it was necessary for another road to receive and

transport the freight beyond the junctional point; and it is no valid excuse that the connecting line had laid an embargo on the consignee, for it was the duty of the initial carrier to transport the goods and make a tender to the connecting line to be relieved of the penalty. *Wampum Cotton Mills v. Carolina & Northwestern R. Co.*, 150 N. C. 612, 64 S. E. 588 (1909).

**When Rate Unknown to Carrier.**—Where the defendant carrier refused to receive for shipment goods tendered to it, basing its right to refuse upon the ground that it was necessary for the shipment to go over lines of connecting carriers in order to reach its destination and that no joint rate had been made, and the plaintiff offered to prepay the freight, and asked for a bill of lading, it was the duty of the defendant to accept the shipment, forward it to its connecting line; and to use reasonable means of ascertaining the rate of freight, by wire if necessary, for the issuance of a through bill of lading. *Reid v. Southern R. Co.*, 153 N. C. 490, 69 S. E. 618 (1910).

In an action to recover the penalties alleged to have been incurred under this section, for refusing to receive freight for transportation, where the plaintiff delivered freight for shipment at the defendant's station and tendered the charges, and an agent received the freight for storage, but refused to give a bill of lading because he did not know the freight rates, and kept the freight twelve days, there was a refusal "to receive for transportation," and the action is brought under the proper statute. *Twitty v. Southern R. Co.*, 141 N. C. 355, 53 S. E. 957 (1906).

**Mismarking of Part of Shipment.**—In an action to recover a penalty against a carrier for failing to ship one of four packages consigned for shipment under a single bill of lading, the defendant is estopped to claim as a defense that the mismarking of three of the packages was a sufficient excuse for failing to ship the fourth. *Grocery Co. v. Sou. R. Co.*, 136 N. C. 396, 48 S. E. 801 (1904).

**Freight Not Consigned to Regular Station.**—A refusal of the carrier's agent to receive, at its depot, freight, and transportation charges therefor, destined for a point on the carrier's road which was only a siding, and was not a regular station, is wrongful, and subjects the carrier to the penalty prescribed by this section, when the refusal is on the ground that the agent did not know where the given destination was, but it appears that he could have ascertained that freight was ordinarily shipped there on way bills made out to a

regular station on the carrier's road some two miles distant therefrom. *Reid v. Southern R. Co.*, 149 N. C. 423, 63 S. E. 112 (1908).

**Conclusiveness of Referee's Findings.** — Where in an action to recover the prescribed penalties under this section the referee finds upon ample evidence, in a hearing in which no error of law is committed, that the shipment came within a certain classification, and that the shipper tendered the correct amount for such classification, and the finding is approved by the trial court, such finding is conclusive on appeal, and the carrier may not successfully contend that the shipment came within another classification for which higher freight charges were pre-

scribed, and where a higher tariff has been charged on one shipment the shipper is entitled to recover the excess paid. *Corbett v. Atlantic Coast Line R. Co.*, 205 N. C. 85, 170 S. E. 129 (1933).

**Sufficiency of Evidence.**—Evidence that the shipper's contract to deliver certain merchandise was canceled because of the carrier's wrongful refusal to accept the merchandise for shipment is sufficient to support the referee's finding of actual damages, profits which would have been certainly realized but for the carrier's wrongful refusal of the shipment being recoverable under this section. *Corbett v. Atlantic Coast Line R. Co.*, 205 N. C. 85, 170 S. E. 129 (1933).

**§ 62-246. Partial charges for partial deliveries.** — Whenever any freight of any kind shall be received by any railroad company in this State to be delivered to any consignee in this State, and a portion of the same shall not have been received at the place of destination, it shall not be lawful for such carrier to demand any part of the charges for freight or transportation due for such portion of the shipment as shall not have reached the place of destination. Such carrier shall be required to deliver to the consignee such portion of the consignment as shall have been received upon the payment or tender of the freight charges due upon such portion. But nothing in this section shall be construed as interfering with or depriving a consignor, or other person having authority, of his rights of stoppage in transit. (1893, c. 495; Rev., s. 2641; C. S., s. 3521; 1963, c. 1165, s. 1.)

**§ 62-247. Commission to establish and regulate stations for freight and passengers; abandonment of station or diminution of accommodations.**—(a) The Commission is empowered and directed to require, where the public necessity demands, and it is demonstrated that the revenue received will be sufficient to justify it, the establishment of stations or terminals by any railroad company, to require the erection of depot accommodations commensurate with such business and revenue, and to require the erection of accommodations for loading and unloading livestock and for feeding, sheltering and protecting the same in transportation. The Commission shall not require any railroad company to establish any station nearer to another station than five miles.

(b) The Commission is empowered and directed to require a change of any station or terminal or the repair, addition to, or change of any station or terminal by any railroad company in order to promote the security, convenience and accommodation of the public.

(c) A railroad company which has established and maintained for a year or more a passenger station or freight depot at a point upon its road or route shall not abandon such station or depot, nor substantially diminish the accommodation furnished by the stopping of trains, except by consent of the Commission. Freight or passenger depots may be relocated upon the written approval of the Commission. (1899, c. 164, s. 2, subsecs. 12, 13, ss. 19, 20; Rev., ss. 1097, 1098; 1913, c. 155; C. S., ss. 1040, 1041, 1051; 1933, c. 134, s. 8; 1941, c. 97; 1963, c. 1165, s. 1.)

**Cross Reference.**—As to power of Utilities Commission to regulate building of shelters at railroad division points, see § 62-229.

**Liberal Construction.**—Subsection (b) of this section is of a remedial nature, and will

be liberally construed by the courts in favor of the exercise of the authority conferred. *State v. Southern R. Co.*, 185 N. C. 435, 117 S. E. 563 (1923). See *State v. Southern R. Co.*, 196 N. C. 190, 145 S. E. 19 (1928).

**Power to Require and Regulate Depots.**

—The Commission can order new depots established wherever they are needed, and has the lesser power to require proper facilities at those already established. *Corporation Comm. v. Railroad*, 139 N. C. 126, 51 S. E. 793 (1905).

**May Require Track Scales.**—The Commission is empowered to require "depot accommodations commensurate with such business and revenue," which justifies the Commission in requiring "track scales" at points along the line. *Corporation Comm. v. Atlantic Coast Line R. Co.*, 139 N. C. 126, 51 S. E. 793 (1905).

The court, or the jury upon proper instructions, as the case may be, should pass upon the reasonableness and necessity of an order of the Commission requiring track scales to be put in. *Corporation Comm. v.*

*Atlantic Coast Line R. Co.*, 139 N. C. 126, 51 S. E. 793 (1905).

**Railroad Not Released from Private Contract.**—The limitation on the powers of the Commission to require common carriers to establish stations within five miles of each other does not release the carriers from a contract, with an individual, to maintain a flag stop within the bounds of his plantation. *Parrott v. Atlantic, etc., R. Co.*, 165 N. C. 295, 81 S. E. 348 (1914).

**Orders Subject to Review by the Courts.**—The power of the Commission, under this section, cannot be unreasonably exercised, and its orders are subject to review by the superior court and the Supreme Court. *Corporation Comm. v. Atlantic Coast Line R. Co.*, 139 N. C. 126, 51 S. E. 793 (1905).

## ARTICLE 12.

*Motor Carriers.*

§ 62-259. **Additional declaration of policy for motor carriers.**—In addition to the declaration of policy set forth in § 62-2 of article 1 of chapter 62, it is declared the policy of the State of North Carolina to preserve and continue all motor carrier transportation services now afforded this State; and to provide fair and impartial regulations of motor carriers in the use of the public highways in such a manner as to promote, in the interest of the public, the inherent advantages of highway transportation; to promote and preserve adequate economical and efficient service to all the communities of the State by motor carriers; to encourage and promote harmony among all carriers and to prevent discrimination, undue preferences or advantages, or unfair or destructive competitive practices between all carriers; to foster a coordinated State-wide motor carrier service; and to conform with the national transportation policy and the federal motor carriers acts insofar as the same may be practical and adequate for application to intrastate commerce. (1947, c. 1008, s. 1; 1949, c. 1132, s. 2; 1963, c. 1165, s. 1.)

**Editor's Note.** — This article combines the Bus Act of 1949, Session Laws 1949, c. 1132, and the North Carolina Truck Act, Session Laws 1947, c. 1008. tation services. *State v. Fredrickson Motor Exp.*, 232 N. C. 178, 59 S. E. (2d) 530 (1950).

**Policy of the Bus Act Stated.** — The policy of the law controlling the granting of bus franchises is to provide adequate, economical and efficient bus service at reasonable cost to all communities of the State, without discrimination, undue privileges or advantages or unfair or destructive competitive practices, all to the end of promoting the public interest. *State v. Queen City Coach Co.*, 233 N. C. 119, 63 S. E. (2d) 113 (1951).

§ 62-260. **Exemptions from regulations.**—(a) Nothing in this chapter shall be construed to include persons and vehicles engaged in one or more of the following services by motor vehicle if not engaged at the time in the trans-

portation of other passengers or other property by motor vehicle for compensation:

- (1) Transportation of passengers or property for or under the control of the United States government, or the State of North Carolina, or any political subdivision thereof, or any board, department or commission of the State, or any institution owned and supported by the State;
- (2) Transportation of passengers by taxicabs when not carrying more than six (6) passengers or transportation by other motor vehicles performing bona fide taxicab service and not carrying more than six (6) passengers in a single vehicle at the same time when such taxicab or other vehicle performing bona fide taxicab service is not operated on a regular route or between fixed termini; provided, no taxicab while operating over the regular route of a common carrier outside of a municipality and a residential and commercial zone adjacent thereto, as such zone may be determined by the Commission as provided in (8) of this subsection, shall solicit passengers along such route, but nothing herein shall be construed to prohibit a taxicab operator from picking up passengers along such route upon call, sign or signal from prospective passengers;
- (3) Transportation by motor vehicles owned or operated by or on behalf of hotels while used exclusively for the transportation of hotel patronage between hotels and local railroad or other common carrier stations;
- (4) Transportation of passengers to and from airports and passenger airline terminals when such transportation is incidental to transportation by aircraft;
- (5) Transportation of passengers by trolley buses operated by electric power derived from a fixed overhead wire, furnishing local passenger transportation similar to street railway service;
- (6) Transportation by motor vehicles used exclusively for the transportation of passengers to or from religious services;
- (7) Transportation of bona fide employees of an industrial plant to and from their regular employment;
- (8) Transportation of passengers when the movement is within a municipality exclusively, or within contiguous municipalities and within a residential and commercial zone adjacent to and a part of such municipality or contiguous municipalities; provided, the Commission shall have power in its discretion, in any particular case, to fix the limits of any such zone;
- (9) Transportation in bulk of sand, gravel, dirt, debris, and other aggregates, or ready-mixed paving materials for use in street or highway construction or repair;
- (10) Transportation of newspapers;

Title 12, § 1141(j), or under the State Co-operative Marketing Act, chapter 54, subchapter 5, General Statutes of North Carolina, as amended, or for any federation of such co-operative associations; provided, such federation possesses no greater powers or purposes than such co-operative associations;

- (13) Transportation of livestock, or fish, including shellfish and shrimp, but not including manufactured products thereof;
- (14) Transportation of raw products of the forest, including firewood, logs, crossties, stavebolts, pulpwood, and rough lumber, but not including manufactured products therefrom;
- (15) Pickup, delivery, and transfer service for railroads, express companies, water carriers and motor carriers in connection with their respective line-haul services within the commercial zone of any municipality, as defined by the Commission between their terminals and places of collection or delivery of freight;
- (16) Transportation by a bona fide private carrier, as defined in § 62-3 (22);
- (17) Transportation of any commodity anywhere of a character not hauled in the ordinary course of business by a common carrier by motor vehicle.

(b) The Commission shall have jurisdiction to fix rates of carriers of passengers operating as described in (5) and (8) of subsection (a) of this section in the manner provided in this chapter, and shall have jurisdiction to hear and determine controversies with respect to extensions and services, and the Commission's rules of practice shall include appropriate provisions for bringing such controversies before the Commission and for the hearing and determination of the same; provided nothing in this paragraph shall include taxicabs.

(c) The Commission may conduct investigations to determine whether any person purporting to operate under the exemption provisions of this section is, in fact, so operating, and make such orders as it deems necessary to enforce compliance with this section.

(d) The venue for any action commenced to enforce compliance with the terms of this article against any person purporting to operate under any of the exemptions provided in this section shall be in one of the counties of the judicial district wherein the violation is alleged to have taken place and such person shall be entitled to trial by jury.

(e) None of the provisions of this section nor any of the provisions of this chapter shall be construed so as to prohibit or regulate the transportation of property by any motor carrier when the movement is within a municipality or within contiguous municipalities and within a zone adjacent to and commercially a part of such municipality or contiguous municipalities, as defined by the Commission. The Commission shall have the power in its discretion, in any particular case, to fix the limits of any such zone. Nothing herein shall be construed as an abridgment of the police powers of any municipality over such operation wholly within any such municipality. Nothing in this chapter shall be construed to prohibit or regulate the transportation of household effects of families from one residence to another by persons who do not hold themselves out as being, and are not generally engaged in the business of transporting such property for compensation. (1947, c. 1008, s. 4; 1949, c. 1132, s. 5; 1951, c. 987, s. 1; 1953, c. 1140, s. 2; 1955, c. 1194, ss. 1, 2; 1959, c. 102; c. 639, s. 14; 1963, c. 1165, s. 1.)

**The Utilities Commission is not vested with power to require the operators of services enumerated in subdivisions (1) to (8) of subsection (a) to obtain a franchise from it and does not have any supervision or jurisdiction over such operation, except the operations set forth in subdivisions (5) and (8) of subsection (a), and as to them it retains jurisdiction to fix rates and "to**

hear and determine controversies with respect to extensions and services." *Winston-Salem v. Winston-Salem City Coach Lines, Inc.*, 245 N. C. 179, 95 S. E. (2d) 510 (1956).

**Commission Has Jurisdiction to Determine Exemptions.**—The Commission has jurisdiction to determine whether or not the actual operations of a carrier are un-

der the exemptive provisions of this section. *State v. McKinnon*, 254 N. C. 1, 118 S. E. (2d) 134 (1961).

**Jurisdiction of Commission over City Bus Lines.** — The Commission has been given specific authority to fix city bus fares. *State v. Greensboro*, 244 N. C. 247, 93 S. E. (2d) 151 (1956).

An intracity carrier, holding a certificate of exemption issued by the Commission and a franchise from the city or town in which it operates, is exempt from control of the Commission, except as to rates and controversies with respect to extensions and services. *State v. McKinnon*, 254 N. C. 1, 118 S. E. (2d) 134 (1961).

Any provisions with respect to rates and services contained in a franchise contract between a utilities company and a municipal corporation, authorizing the utilities company to transport passengers over its streets, are subject to the orders of the Utilities Commission in respect thereto. *Winston-Salem v. Winston-Salem City Coach Lines, Inc.*, 245 N. C. 179, 95 S. E. (2d) 510 (1956).

**Same — Dispute as to Curtailment of Services by Bus Carrier.**—Where a municipality has granted a franchise to a utilities company to operate passenger buses over its streets, the parties may mutually agree upon extensions and services, changes in routes, or curtailment of services, when in the opinion of the governing board of the municipality such changes are, under the existing conditions, for the best interest of all concerned, including the public. However, when the parties are unable to agree to a proposed curtailment of existing services, the matter is within the exclusive jurisdiction of the Utilities Commission and the municipality may not enjoin the utility from the proposed curtailment of services, although the utility may not change its schedules or curtail its services unless given authority to do so by the Utilities Commission. *Winston-Salem v. Winston-Salem City Coach Lines, Inc.*, 245 N. C. 179, 95 S. E. (2d) 510 (1956).

**No Territorial Limitations on Intracity Carrier When Subsections (a) (1) and (a) (6) Apply.**—An exempted intracity carrier under subsection (a) (8) has no territorial limitations as to the transportation of passengers under subsections (a) (1) and (a) (6) of this section, where the request for such services arises within the area for which such carrier holds a certificate of exemption from the Commission and a franchise from the municipality in which it operates or within any additional zone or zones adjacent thereto which have been fixed by the Commission. *State v. Mc-*

*Kinnon*, 254 N. C. 1, 118 S. E. (2d) 134 (1961).

**Operations Devoted Exclusively to Transportation of Employees to and from Work.** — The North Carolina Utilities Commission does not have regulatory supervision of operations devoted exclusively to the transportation by motor vehicle of the bona fide employees of industrial plants to and from the places of their employment even in cases where the persons conducting such operations are engaged at the same time or at other times in carrying on the callings of common carriers by motor vehicle. *State v. Carolina Coach Co.*, 236 N. C. 583, 73 S. E. (2d) 562 (1952).

**Transportation to and from Federal Military Reservation.** — This section exempts from the regulation of the Utilities Commission carriers in intrastate commerce transporting passengers for hire to and from federal military reservations or bases only if such carriers have been procured by the United States government to carry passengers for it, or the transportation of such passengers is under the control of the United States. *Bryant v. Barber*, 237 N. C. 480, 75 S. E. (2d) 410 (1953).

As to motor vehicles carrying mail under former statute, see *Winborne v. Browning*, 206 N. C. 557, 174 S. E. 579 (1934).

**Transportation of Athletic Teams and School Bands.**—While it is true that the statute which governs the operation of school buses makes no provision one way or the other for the transportation of athletic teams or school bands, it is equally true that school bands and athletic teams are under the control of the school authorities. Therefore the board controlling such activities would have the inherent right to contract for such transportation as might be necessary to transport its athletic teams and its bands to and from such events have been scheduled under the supervision of school authorities, and such transportation would be exempt under subsection (a) (1) of this section. *State v. McKinnon*, 254 N. C. 1, 118 S. E. (2d) 134 (1961).

**Action by Competing Carrier against Exempted Carrier Violating Section.** — When an exempted carrier is operating in violation of the exemptive provisions of this section, any other carrier adversely affected thereby may institute an action in the superior court against such exempted carrier, pursuant to the provisions of subsection (d) of this section and § 62-279. *State v. McKinnon*, 254 N. C. 1, 118 S. E. (2d) 134 (1961).

§ 62-261. **Additional powers and duties of Commission applicable to motor vehicles.**—The Commission is hereby vested with the following powers and duties:

- (1) To supervise and regulate common carriers of passengers by motor vehicle and to that end the Commission may establish reasonable requirements with respect to continuous and adequate service, transportation of baggage, newspapers, mail and light express, uniform systems of accounts, records and reports and preservation of records.
- (2) To supervise the operation of passenger bus stations in any manner necessary to promote harmony among the carriers using such stations and efficiency of service to the traveling public.
- (3) To prescribe qualifications and maximum hours of service of drivers and their helpers, and rules regulating safety of operation and equipment; and in the interest of uniformity of intrastate and interstate rules and regulations applicable within the State with respect to maximum hours of service of vehicle drivers and their helpers, and safety of operation and equipment, the Utilities Commission may adopt and enforce the rules and regulations adopted and promulgated by the Interstate Commerce Commission with respect thereto, insofar as the Utilities Commission finds the same to be practical and advantageous for application in this State and not in conflict with this article. In order to promote safety of operation of motor carriers, the Utilities Commission may avail itself of the assistance for any other agency of the State having special knowledge of such matters and it may make such investigations and tests as may be deemed necessary to promote safety of equipment and operation of vehicles upon the highways.
- (4) For the purpose of carrying out the provisions of this article, the Utilities Commission may avail itself of the special information of the State Highway Commission in promulgating safety requirements and in considering applications for certificates or permits with particular reference to conditions of the public highway or highways involved, and the ability of the said public highway or highways to carry added traffic; and the State Highway Commission, upon request of the Utilities Commission, shall furnish such information.
- (5) The Commission may, without prior notice and hearing, make and enter any order, rule, regulation, or requirement, not affecting rates, upon unanimous finding by the Commission of the existence of an emergency and make such order, rule, regulation or requirement effective upon notice given to each affected motor carrier by registered mail, or by certified mail, pending a hearing thereon as provided in this subdivision. It shall not be necessary for the Commission to give notice to the carriers affected or to hold a hearing prior to a revision in the rules regarding procedures to be followed in filing rates. Any such emergency order, rule, regulation or requirement shall be subject to continuation, modification, change, or revocation after notice and hearing and all such emergency orders, rules, regulations and requirements shall be supplanted and superseded by any final order, rule regulation or requirement entered by the Commission.
- (6) The Commission shall regulate brokers and make and enforce reasonable requirements respecting their licenses, financial responsibility, accounts, records, reports, operations and practices.
- (7) The Commission and its duly authorized inspectors and agents shall have authority at any time to enter upon the premises of any motor

carrier, subject to the provisions of this article, for the purpose of inspecting any motor vehicles and equipment used by such motor carriers in the transportation of passengers, and to prohibit the use by any motor carrier of any motor vehicle or parts thereof or equipment thereon adjudged by such agents and inspectors to be unsafe for use in the transportation of passengers upon the public highways of this State; and when such agents or inspectors shall discover any motor vehicle of such motor carrier in actual use upon the highways in the transportation of passengers to be unsafe or any parts thereof or any equipment thereon to be unsafe, such agents or inspectors shall also have the right to stop any motor vehicle which vehicle, parts or equipment are imminently dangerous, stop such vehicle and require the operator thereof to discontinue its use and to substitute therefor a safe vehicle, parts or equipment at the earliest possible time and place, having regard for both the convenience and the safety of the passengers. When an inspector or agent stops a motor vehicle on the highway, under authority of this section, and the motor vehicle is in operative condition and its further movement is not dangerous to the passengers and to the users of the highways, it shall be the duty of the inspector or agent to guide the vehicle to the nearest point of substitution or correction of the defect. Such agents or inspectors shall also have the right to stop any motor vehicle which is being used upon the public highways for the transportation of passengers by a motor carrier subject to the provisions of this article and to eject therefrom any driver or operator who shall be operating or be in charge of such motor vehicle while under the influence of intoxicating liquors. It shall be the duty of all inspectors and agents of the Commission to make a written report, upon a form prescribed by the Commission, of inspections of all motor equipment and a copy of each such written report, disclosing defects in such equipment, shall be served promptly upon the motor carrier operating the same, either in person by the inspector or agent or by mail. Such agents and inspectors shall also make and serve a similar written report in cases where a motor vehicle is operated in violation of the laws of this State or of the orders, rules and regulations of the Commission.

- (8) To determine, upon its own motion, or upon motion by a motor carrier, or any other party in interest, whether the transportation of property in intrastate commerce performed by any motor carrier or class of motor carriers lawfully engaged in operation in this State is in fact of such nature, character, or quantity as not substantially to affect or impair uniform regulation by the Commission of transportation by motor carriers engaged in intrastate commerce. Upon so finding, the Commission shall issue a certificate of exemption to such motor carrier or class of motor carriers which, during the period such certificate shall remain effective and unrevoked, shall exempt such carrier or class of motor carriers from compliance with the provisions of this article, and shall attach to such certificate such reasonable terms and conditions as the public interest may require. At any time after the issuance of any such certificate of exemption, the Commission may by order revoke all or any part thereof, if it shall find that the transportation in intrastate commerce performed by the carrier or class of carriers designated in such certificate will be, or shall have become, or is reasonably likely to become, of such nature, character, or quantity as in fact substantially to affect or impair uniform regu-

lation by the Commission of intrastate transportation by motor carriers in effectuating the policy declared in this chapter. Upon revocation of any such certificate, the Commission shall restore to the carrier or carriers affected thereby, without further proceedings, the authority, if any, to operate in intrastate commerce held by such carrier or carriers at the time the certificate of exemption pertaining to such carrier or carriers became effective. No certificate of exemption shall be denied, and no order of revocation shall be issued, under this paragraph, except after reasonable opportunity for hearing to interested parties.

- (9) To inquire into the management of the business of motor carriers and into the management of business of persons controlling, controlled by or under common control with, motor carriers to the extent that such persons have a pecuniary interest in the business of one or more motor carriers, and the Commission shall keep itself informed as to the manner and method in which the same are conducted, and may obtain from such carriers and persons such information as the Commission deems necessary to carry out the provisions of this article.
- (10) To relieve the highways of all undue burdens and safeguard traffic thereon by promulgating and enforcing reasonable rules, regulations and orders designed and calculated to minimize the dangers attending transportation on the highways of all commodities including explosives or highly inflammable or combustible liquids, substances or gases.
- (11) The Commission may from time to time establish such just and reasonable classifications of groups of carriers included in the term "common carrier by motor vehicle" or contract carrier by motor vehicle as the special nature of the service performed by such carriers shall require; and such just and reasonable rules, regulations, and requirements, consistent with the provisions of this article, to be observed by such carriers so classified or grouped, as the Commission deems necessary or desirable in the public interest. (1947, c. 1008, s. 5; 1949, c. 1132, s. 6; 1953, c. 1140, s. 5; 1957, c. 65, s. 11; c. 1152, s. 7; 1961, c. 472, s. 9; 1963, c. 1165, s. 1.)

**Cross Reference.**—As to revocation of license plates for violation of chapter, see § 62-278.

**Rules and Regulations.**—The Commission may impose upon the holder of a permit any reasonable rules and regulations with respect to the operations thereunder which are now in effect or which may be adopted hereafter for the regulation of motor vehicle carriers performing similar service. *State v. Fleming*, 235 N. C. 660, 71 S. E. (2d) 41 (1952).

**Commission Must Acquire Certificate Holder to Render Services Contemplated.**—The Truck Act of 1947 and the amendments thereto placed upon the Commission the responsibility of requiring the holder of the certificate to render the service contemplated. *State v. Colter*, 259 N. C. 269, 130 S. E. (2d) 385 (1963).

**A substantial rather than a simulated performance is required to support a bona**

**fied carrier operation.** *State v. Colter*, 259 N. C. 269, 130 S. E. (2d) 385 (1963).

**Contracts Subject to Commission's Authority.**—Contracts between carriers affecting service to the public are subject to the Commission's regulatory authority. *State v. Carolina Coach Co.*, 260 N. C. 43, 132 S. E. (2d) 249 (1963).

**Contract When Approved Is Order of Commission.**—A contract between public utilities, when formally approved by the Commission, is in effect an order of the Commission binding on each of the parties. *State v. Carolina Coach Co.*, 260 N. C. 43, 132 S. E. (2d) 249 (1963).

**The interchange of freight between an intrastate and an interstate carrier, even though the property is being moved in interstate commerce, is left to the state commissions.** *State v. Fox*, 239 N. C. 253, 79 S. E. (2d) 391 (1954).

§ 62-262. **Applications and hearings.**—(a) Except as otherwise provided in §§ 62-260 and 62-265, no person shall engage in the transportation of passengers or property in intrastate commerce unless such person shall have applied to and obtained from the Commission a certificate or permit authorizing such operations, and it shall be unlawful for any person knowingly or wilfully to operate in intrastate commerce in any manner contrary to the provisions of this article, or of the rules and regulations of the Commission. No certificate or permit shall be amended so as to enlarge or in any manner extend the scope of operations of a motor carrier without complying with the provisions of this section.

(b) Upon the filing of an application for a certificate or a permit, the Commission shall, within a reasonable time, fix a time and place for hearing such application. For bus applications, the Commission shall cause notice of the time and place of hearing to be given by mail to the applicant, to other motor carriers holding certificates or permits to operate in the territory proposed to be served by the application, and to other motor carriers who have pending applications to so operate. The Commission shall from time to time prepare a truck calendar containing notice of such hearings, a copy of which shall be mailed to the applicant and to any other persons desiring it, upon payment of charges to be fixed by the Commission. The notice or calendar herein required shall be mailed at least twenty (20) days prior to the date fixed for the hearing, but the failure of any person, other than applicant, to receive such notice or calendar shall not, for that reason, invalidate the action of the Commission in granting or denying the application.

(c) The Commission may, in its discretion, except where a regular calendar providing notice is issued, require the applicant to give notice of the time and place of such hearing together with a brief description of the purpose of said hearing and the exact route or routes and authority applied for, to be published not less than once each week for two successive weeks in one or more newspapers of general circulation in the territory proposed to be served. The Commission may in its discretion require the applicant to give such other and further notice in the form and manner prescribed by the Commission to the end that all interested parties and the general public may have full knowledge of such hearing and its purpose. If the Commission requires the applicant to give notice by publication, then a copy of such notice shall be immediately mailed by the applicant to the Commission, and upon receipt of same the chief clerk shall cause the copy of notice to be entered in the Commission's docket of pending proceedings. The applicant shall, prior to any hearing upon his application, be required to satisfy the Commission that such notice by publication has been duly made, and in addition to any other fees or costs required to be paid by the applicant, the applicant shall pay into the office of the Commission the cost of the notices herein required to be mailed by the Commission.

(d) Any motor carrier desiring to protest the granting of an application for a certificate or permit, in whole or in part, may become a party to such proceedings by filing with the Commission, not less than ten (10) days prior to the date fixed for the hearing, unless the time be extended by order of the Commission, its protest in writing under oath, containing a general statement of the grounds for such protest and the manner in which the protestant will be adversely affected by the granting of the application, in whole or in part. Such protestant may also set forth in his protest its proposal, if any, to render either alone or in conjunction with other motor carriers, the service proposed by the applicant, either in whole or in part. Upon the filing of such protest it shall be the duty of the protestant to file three copies with the Commission, and the applicant shall certify that a copy of said protest has been delivered or mailed to the applicant or applicant's attorney. When no protest is filed with the Com-

mission within the time herein limited, or as extended by order of the Commission, the Commission may proceed to hear the application and make the necessary findings of fact and issue or decline to issue the certificate or permit applied for without further notice. Persons other than motor carriers shall have the right to appear before the Commission and give evidence in favor of or against the granting of any application, and with permission of the Commission may be accorded the right to examine and cross-examine witnesses.

(e) If the application is for a certificate, the burden of proof shall be upon the applicant to show to the satisfaction of the Commission:

- (1) That public convenience and necessity require the proposed service in addition to existing authorized transportation service, and
- (2) That the applicant is fit, willing and able to properly perform the proposed service, and
- (3) That the applicant is solvent and financially able to furnish adequate service on a continuing basis.

(f) No certificate for the transportation of passengers shall be granted to an applicant proposing to serve a route already served by a previously authorized motor carrier unless and until the Commission shall find from the evidence that the service rendered by such previously authorized motor carrier or carriers on said routes is inadequate to meet the requirements of public convenience and necessity; and if the Commission shall find that the service being rendered by such certificate holder or holders on said routes is inadequate to meet the requirements of public convenience and necessity, such certificate holder or holders who have protested the application as provided in subsection (d) of this section, shall be given reasonable time to remedy such inadequacy before any certificate shall be granted to an applicant proposing to operate on such routes, unless the Commission finds that the previously authorized carrier, filing such protest, is either financially unable, or otherwise unqualified, or is unwilling to render, on a continuing basis, the service applied for or the service found by the Commission to meet the requirements of public convenience and necessity. In all cases in which applications affect local intracity bus service, the Commission shall give consideration to all interests involved and make appropriate provision for the protection thereof, and to that end local intracity operators shall have the right to be heard as protestants, or intervenors.

(g) A certificate for the transportation of passengers may include authority to transport in the same vehicle with passengers the baggage of such passengers, newspapers, express parcels or United States mail when authorized so to do by the government of the United States of America; or to transport baggage of passengers in a separate vehicle. The Commission, in its discretion, may require through joint routes and rates for the transportation of newspapers and express parcels.

(h) Common carriers by motor vehicle transporting passengers under a certificate issued by the Commission may operate to any place in this State, pursuant to charter party or parties, trips originating on such common carrier's authorized routes or in the territory served by its routes under such reasonable rules and regulations as the Commission may prescribe.

(i) If the application is for a permit, the Commission shall give due consideration to:

- (1) Whether the proposed operations conform with the definition in this chapter of a contract carrier,
- (2) Whether the proposed operations will unreasonably impair the efficient public service of carriers operating under certificates, or rail carriers,

- (3) Whether the proposed service will unreasonably impair the use of the highways by the general public,
- (4) Whether the applicant is fit, willing and able to properly perform the service proposed as a contract carrier,
- (5) Whether the proposed operations will be consistent with the public interest and the policy declared in this chapter; and
- (6) Other matters tending to qualify or disqualify the applicant for a permit.

(j) After the issuance of a certificate or permit for the transportation of passengers, as provided in this section, such certificate or permit may thereafter be amended, changed or modified, by requiring the holder to furnish more or less transportation service, or by changing the routes over which service has been authorized, or by imposing other reasonable terms, conditions, restrictions, and limitations as public convenience and necessity or reasonable regulation of traffic upon the highways may require; provided, that the procedure in all such cases as to notice and hearing shall be the same as provided in this section for the issuance of a certificate or permit.

(k) The Commission shall by general order, or rule, having regard for the public convenience and necessity, provide for the abandonment or permanent or temporary discontinuance of transportation service previously authorized in a certificate. (1947, c. 1008, s. 11; 1949, c. 1132, s. 10; 1953, c. 825, s. 3; 1957, c. 1152, ss. 8, 9; 1959, c. 639, s. 11; 1963, c. 1165, s. 1.)

**The procedure before the Commission is more or less informal**, and is not as strict as in civil cases, nor is it confined by technical rules; substance and not form is controlling. *State v. Carolina Coach Co.*, 260 N. C. 43, 132 S. E. (2d) 249 (1963).

**The power of the Commission is not restricted to the proceedings as commenced**, but it may enlarge the scope of the inquiry beyond the issue raised by the pleadings where the parties to be affected are before the Commission, participate in the proceedings, have full opportunity to be heard, and are not misled as to the purpose of the hearing. *State v. Carolina Coach Co.*, 260 N. C. 43, 132 S. E. (2d) 249 (1963).

**The Commission is not confined to the immediate scope of the pleadings on file.** It may enlarge the scope of the inquiry, and where the parties to be affected are before it, participate in the inquiry and make defense, they cannot complain of a departure from the pleadings. *State v. Carolina Coach Co.*, 260 N. C. 43, 132 S. E. (2d) 249 (1963).

**Application for New Authority Treated as Motion in Prior Cause.**—An application for a new authority to carry passengers between two municipalities of the state along a new route made feasible by the improvement or construction of highways could be treated by the Utilities Commission as a motion in a prior cause in which the Commission approved an agreement of the carriers in regard to their respective services between the cities provided the carriers affected were given notice and an

opportunity to be heard. The question of whether the prior order of approval could be collaterally attacked was thus obviated. *State v. Carolina Coach Co.*, 260 N. C. 43, 132 S. E. (2d) 249 (1963).

**The convenience and necessity required by this section are those of the public and not of an individual or individuals.** *State v. Carolina Coach Co.*, 260 N. C. 43, 132 S. E. (2d) 249 (1963).

**The doctrine of convenience and necessity is a relative or elastic theory.** The facts in each case must be separately considered and from those facts it must be determined whether public convenience and necessity requires a given service to be performed or dispensed with. *State v. Carolina Coach Co.*, 260 N. C. 43, 132 S. E. (2d) 249 (1963).

**"Necessity" means reasonably necessary and not absolutely imperative.** *State v. Carolina Coach Co.*, 260 N. C. 43, 132 S. E. (2d) 249 (1963).

Any service or improvement which is desirable for the public welfare and highly important to the public convenience may be properly regarded as necessary. *State v. Carolina Coach Co.*, 260 N. C. 43, 132 S. E. (2d) 249 (1963).

**If a new service is necessary, and if there are carriers already in the field, there is always the vital question (in determining convenience and necessity) whether the new service should be rendered by the existing carriers or by the new applicant.** *State v. Carolina Coach Co.*, 260 N. C. 43, 132 S. E. (2d) 249 (1963).

**Duplication of Service.**—Under a former article of similar import, it was held that the Commission might, in its discretion, grant a franchise which would duplicate in whole or in part a previously authorized similar class of service; and, when it was shown to the satisfaction of the Commission that the existing operations were not providing sufficient service reasonably to meet the public convenience and necessity and the existing operators, after thirty days' notice, failed to provide the service required by the Commission, it would be the duty of the Commission to do so. *State v. Carolina Coach Co.*, 224 N. C. 390, 30 S. E. (2d) 328 (1944); *State v. City Coach Co.*, 234 N. C. 489, 67 S. E. (2d) 629 (1951).

The question of duplication of service must be determined under the provisions of the statute which was in effect at the time the order of the Commission was entered. *State v. City Coach Co.*, 234 N. C. 489, 67 S. E. (2d) 629 (1951).

**"Route" Not Synonymous with "Territory".** — "Route" as used in this article means the highway or road traveled in serving communities, districts, or territories adjacent to it, and is not synonymous with "territory." *State v. Queen City Coach Co.*, 233 N. C. 119, 63 S. E. (2d) 113 (1951); *State v. Ray*, 236 N. C. 692, 73 S. E. (2d) 870 (1953).

This section does not purport to protect against all competition but is designed to protect authorized carriers against ruinous competition, and the statute does not prohibit service of the same points by different carriers over separate routes when such duplicate service is in the public interest. *State v. Queen City Coach Co.*, 233 N. C. 119, 63 S. E. (2d) 113 (1951); *State v. Ray*, 236 N. C. 692, 73 S. E. (2d) 370 (1953).

**Application by carrier to serve communities being served by another carrier, who intervenes and protests the application, as distinguished from an application for duplication of routes, does not require the Utilities Commission to find that the existing carrier's service is inadequate and to afford such existing carrier opportunity to remedy the inadequacy.** *State v. Queen City Coach Co.*, 233 N. C. 119, 63 S. E. (2d) 113 (1951).

**Protection as to Duplication in Route.** — This section prohibits the granting of a franchise over any part of the route of an existing carrier except upon the prescribed conditions, and not merely a duplication of the same route from terminus to terminus, but the application to serve com-

munities being served by the intervening carrier need not be denied in toto because there would be a duplication of routes along a short distance, since the existing carrier may be protected as to the duplication in route by proper restrictions in the certificate. *State v. Queen City Coach Co.*, 233 N. C. 119, 63 S. E. (2d) 113 (1951). See §§ 62-113, 62-114.

Subsection (f) of this section does not forbid authority to two or more carriers to traverse the same segment of a highway so long as they do not render duplicate service. The mere fact that the two carriers will use the same highway for a distance does not require a denial of the application. *State v. Carolina Coach Co.*, 260 N. C. 43, 132 S. E. (2d) 249 (1963).

A traversing of the same highways for certain distances by competing carriers may readily become necessary in the public interest and, in such an instance, more than one certificate may be granted, subject to such restrictions as will protect the authorized carrier in respect of that part of the highway to be traversed by both. *State v. Carolina Coach Co.*, 260 N. C. 43, 132 S. E. (2d) 249 (1963).

**Commission May Grant "Closed Door" Authority Though Application Is for Authority to Duplicate Service.** — Since the Utilities Commission is not confined to the immediate scope of the pleadings filed, and may enlarge the scope of the inquiry, it may grant a "closed door" authority even though the application is for authority to duplicate service. *State v. Carolina Coach Co.*, 260 N. C. 43, 132 S. E. (2d) 249 (1963).

**When "Closed Door" Authority Proper.** — Where the principal business of a carrier is the transportation of passengers between two cities of the state along a route serving a number of other cities, and the improvement and construction of highways makes feasible a new and more direct route between the termini, the Utilities Commission, upon appropriation findings of fact, may grant such carrier "closed door" authority along the new route, notwithstanding that other carriers respectively, serve segments of the route in "open door" operations. *State v. Carolina Coach Co.*, 260 N. C. 43, 132 S. E. (2d) 249 (1963).

**Charter Service.**—See *State v. Fleming*, 235 N. C. 660, 71 S. E. (2d) 41 (1952).

**Amendment Held Not to Enlarge Scope of Operation of Carrier.** — See *State v. Fleming*, 235 N. C. 660, 71 S. E. (2d) 41 (1952).

Applied in *Bryant v. Barber*, 237 N. C. 480, 75 S. E. (2d) 410 (1953).

§ 62-263. **Application for broker's license.**—(a) No person shall engage in the business of a broker in intrastate operations within this State unless such person holds a broker's license issued by the Commission.

(b) The Commission shall prescribe the form of application and such reasonable requirements and information as may in its judgment be necessary.

(c) Upon the filing of an application for license the Commission may fix a time and place for the hearing of the application and require such notices, publications, or other service as it may prescribe by the general rule or regulation.

(d) A license shall be issued to any qualified applicant therefor authorizing the whole or any part of the operations covered by the application if it is found that the applicant is fit, willing and able properly to perform the service proposed and to conform to the provisions of this article and the requirements, rules and regulations of the Commission thereunder, and that the proposed service, to the extent to be authorized by the license, is or will be consistent with the public interest and policy declared herein.

(e) The Commission shall have the same authority over persons operating under and holding a brokerage license as it has over motor carriers under this article, and shall require a broker to furnish bond or other security approved by the Commission and sufficient for the protection of travelers by motor vehicle. (1949, c. 1132, s. 13; 1963, c. 1165, s. 1.)

§ 62-264. **Dual operations.**—Unless the Commission, in its discretion, finds that the public interest so requires, no person or any person controlling, controlled by, or under common control with such person, shall hold both a certificate as a common carrier and permit as a contract carrier. (1947, c. 1008, s. 16; 1949, c. 1132, s. 16; 1963, c. 1165, s. 1.)

§ 62-265. **Emergency operating authority.**—To meet unforeseen emergencies, the Commission may, upon its own initiative, or upon written request by any person, department or agency of the State, or of any county, city or town, with or without a hearing, grant appropriate authority to any owner of a duly licensed vehicle or vehicles, whether such owner holds a certificate or permit or not, to transport passengers or property, baggage, mail, newspapers and light express between such points, or within such area during the period of the emergency and to the extent necessary to relieve the same, as the Commission may fix in its order granting such authority; provided, that unless the emergency is declared by the General Assembly or under its authority, the Commission shall find from such request, or from its own knowledge or conditions, that a real emergency exists and that relief to the extent authorized in its order is immediate, pressing and necessary in the public interest, and that the carrier so authorized has the necessary equipment and is willing to perform the emergency service as prescribed by the order. In all cases, under this section, the Commission shall first afford the holders of certificates or permits operating in the territory affected an opportunity to render the emergency service. Upon the termination of the emergency, the operating privileges so granted shall automatically expire and the Commission shall forthwith withdraw all operating privileges granted to any person under this section. (1947, c. 1008, s. 17; 1949, c. 1132, s. 17; 1963, c. 1165, s. 1.)

§ 62-266. **Interstate carriers.**—(a) This article shall apply to persons and vehicles engaged in interstate commerce over the highways of this State, except insofar as the provisions of this article may be inconsistent with, or shall contravene, the Constitution or laws of the United States, and the Commission may, in its discretion, require such carriers to file with it copies of their respective interstate authority and registration of their vehicles operated in the State, and to observe such reasonable rules and regulations as the Commission

may deem advisable in the administration of this article and for the protection of persons and property upon the highways of the State.

(b) The Commission or its authorized representative is authorized to confer with and to hold joint hearings with the authorities of other states or with the Interstate Commerce Commission or its representatives, or any other federal or State agency in connection with any matter arising under this chapter, or under the Federal Motor Carrier Act, or under any other federal law which may directly or indirectly affect the interests of the people of this State or the policy declared by this chapter or by the Interstate Commerce Act. (1947, c. 1008, s. 35; 1949, c. 1132, s. 32; 1963, c. 1165, s. 1.)

**§ 62-267. Deviation from regular route operations.** — (a) A common carrier of passengers by motor vehicle operating under a certificate issued by the Commission may occasionally deviate from the routes over which it is authorized to operate under the certificate, under such general or special rules and regulations as the Commission may prescribe.

(b) Any common carrier by motor vehicle, now or hereafter holding a certificate issued by the Commission authorizing the transportation of general commodities over regular routes between fixed termini, may, under such rules and regulations as the Commission may prescribe:

- (1) Transport from origin to destination, over any convenient highway or highways, shipments in truck loads originating at or destined to points on the regular routes of such carrier, and
- (2) Move shipments in truck loads from any point on its regular routes to any other points on its regular routes over any convenient highway or highways between such points, whether over the routes of another carrier or not, where such movement over the carrier's own routes would otherwise be unnecessarily circuitous.

(c) In no event shall the operation of empty equipment by any carrier over any route or highway be construed as a violation of the rights of any carrier. (1947, c. 1008, s. 18; 1949, c. 1132, s. 18; 1963, c. 1165, s. 1.)

**§ 62-268. Security for protection of public.**—No certificate, permit or broker's license shall be issued or remain in force until the applicant shall have procured and filed with the Commission such security bond, insurance or self-insurance for the protection of the public as the Commission shall by regulation require. (1947, c. 1008, s. 19; 1949, c. 1132, s. 19; 1963, c. 1165, s. 1.)

**§ 62-269. Accounts, records and reports.** — The Commission may prescribe the forms of any and all accounts, records and memoranda to be kept by motor carriers, brokers, and lessors, including the accounts, records, and memoranda of the movement of traffic, as well as of the receipts and expenditures of moneys; and it shall be unlawful for such carriers, brokers, and lessors, to keep any accounts, records, and memoranda contrary to any rules, regulations, or orders of the Commission with respect thereto. The Commission may issue orders specifying such operating, accounting, or financial papers, records, books, blanks, stubs, correspondence, or documents of motor carriers, brokers, or lessors, as may after a reasonable time be destroyed, and prescribing the length of time they shall be preserved. The Commission or its duly authorized special agents, accountants, or examiners shall at all times have access to and authority, under its order, to inspect and examine any and all lands, buildings, or equipment of motor carriers, brokers, and lessors; and shall have authority to inspect and copy any and all accounts, books, records, memoranda, correspondence, and other documents of such carriers, brokers, and lessors, and such accounts, books, records, memoranda, correspondence, and other documents of any person controlling, controlled by, or under common control with any such carrier, as the Commission deems relevant

to such person's relation to or transactions with such carrier. Motor carriers, brokers, lessors, and persons shall submit their accounts, books, records, memoranda, correspondence, and other documents for the inspection and copying authorized by this section, and motor carriers, brokers, and lessors, shall submit their lands, buildings, and equipment for examination and inspection, to any duly authorized special agent, accountant, auditor, inspector, or examiner of the Commission upon demand and the display of proper credentials. (1947, c. 1008, s. 28; 1949, c. 1132, s. 25; 1959, c. 639, ss. 5, 6, 9, 10; 1961, c. 472, s. 10; 1963, c. 1165, s. 1.)

§ 62-270. **Orders, notices, and service of process.** — It shall be the duty of every motor carrier operating under a certificate or permit issued under the provisions of this article to file with the Commission a designation in writing of the name and post-office address of a person upon whom service of notices or orders may be made under this article. Such designation may from time to time be changed by like writing similarly filed. Service of notice or orders in proceedings under this article may be made upon a motor carrier by personal service upon it or upon the person so designated by it, or by registered mail, return receipt requested, or by certified mail with return receipt requested, addressed to it or to such person at the address filed. In proceedings before the Commission involving the lawfulness of rates, charges, classifications, or practices, service of notice upon the person or agent who has filed a tariff or schedule in behalf of such carrier shall be deemed to be due and sufficient service upon the carrier. (1947, c. 1008, s. 29; 1949, c. 1132, s. 26; 1957, c. 1152, ss. 6, 11; 1963, c. 1165, s. 1.)

§ 62-271. **Collection of rates and charges of motor carriers of property.**—No common carriers of property by motor vehicle shall deliver or relinquish possession at destination of any freight transported by it in intrastate commerce until all tariff rates and charges thereon have been paid, except under such rules and regulations as the Commission may from time to time prescribe to govern the settlement of all such rates and charges, including rules and regulations for weekly or monthly settlement, and to prevent unjust discrimination or undue preference or prejudice; provided, that the provisions of this section shall not be construed to prohibit any such carrier from extending credit in connection with rates and charges on freight transported for the United States, for any department, bureau, or agency thereof, or for the State, or political subdivision thereof. Where any common carrier by motor vehicle is instructed by a shipper or consignor to deliver property transported by such carrier to a consignee other than the shipper or consignor, such consignee shall not be legally liable for transportation charges in respect of the transportation of such property (beyond those billed against him at the time of delivery for which he is otherwise liable) which may be found to be due after the property has been delivered to him, if the consignee (i) is an agent only and had no beneficial title in the property, and (ii) prior to delivery of the property has notified the delivering carrier in writing of the fact of such agency and absence of beneficial title, and, in the case of shipment reconsigned or diverted to a point other than that specified in the original bill of lading, has also notified the delivering carrier in writing of the name and address of the beneficial owner of the property. In such cases the shipper and consignor, or, in the case of a shipment so reconsigned or diverted, the beneficial owner shall be liable for such additional charges, irrespective of any provisions to the contrary in the bill of lading or in the contract under which the shipment was made. If the consignee has given to the carrier erroneous information as to who is the beneficial owner, such consignee shall himself be liable for such additional charges, notwithstanding the foregoing provisions of this section. On shipments reconsigned or diverted by an agent who has furnished the carrier with a notice of agency and the proper name and address of the beneficial owner, and where such shipments are refused or abandoned at ultimate destination, the said

beneficial owner shall be liable for all legally applicable charges in connection therewith. (1947, c. 1008, s. 31; 1963, c. 1165, s. 1.)

§ 62-272. **Allowance to shippers for transportation services.**—If the owner of property transported under the provisions of this article directly or indirectly renders any service connected with such transportation, or furnishes any instrumentality used therein, the charge and allowance therefor shall be published in the tariffs or schedules filed in the manner provided in this article and shall be no more than is just and reasonable; and the Commission may, after hearing on a complaint or on its own initiative, determine what is a reasonable charge as the maximum to be paid by the carrier or carriers for the services so rendered or for the use of the instrumentality so furnished, and fix the same by appropriate order. (1947, c. 1008, s. 32; 1963, c. 1165, s. 1.)

§ 62-273. **Embezzlement of C. O. D. shipments.**—Property received by any motor carrier to be transported in intrastate commerce and delivered upon collection on such delivery and remittance to the shipper of the sum of money stated in the shipping instructions to be collected and remitted to the shipper, and the money collected upon delivery of such party, is hereby declared to be held in trust by any carrier having possession thereof or the carrier making the delivery or collection, and upon failure of any such carrier to account for the property so received, either to the shipper to whom the collection is payable or the carrier making delivery to any carrier handling the property or making the collection, within fifteen (15) days after demand in writing by the shipper, or carrier, or upon failure of the delivering carrier to remit the sum so directed to be collected and remitted to the shipper, within fifteen (15) days after collection is made, shall be prima facie evidence that the property so received, or the funds so received, has been wilfully converted by such carrier to its own use, and the carrier so offending shall be guilty of a felony and upon conviction shall be punished by fine or imprisonment, or both, in the discretion of the court, and such carrier may be indicted, tried, and punished in the county in which such shipment was delivered to the carrier or in any other county into or through which such shipment was transported by such carrier. (1947, c. 1008, s. 33; 1963, c. 1165, s. 1.)

The lessor-holders of a certificate of convenience and necessity are liable and answerable jointly with the lessee-operator to the shipper for losses sustained by reason of wrongful conversion of C. O. D. moneys collected by the lessee-operator company. *Hough-Wylie Co. v. Lucas*, 236 N. C. 90, 72 S. E. (2d) 11 (1952).

§ 62-274. **Evidence; joinder of surety.**—No report by any carrier of any accident arising in the course of the operations of such carrier, made pursuant to any requirement of the Commission, and no report by the Commission of any investigation of any such accident, shall be admitted as evidence, or used for any other purpose in any suit or action for damages growing out of any matter mentioned in such report or investigation; nor shall the discharge by any carrier of any truck driver or other employee after any such accident be offered or admitted in evidence for any purpose, in any suit or action against such carrier for damages arising out of any such accident; nor shall any insurance company or surety executing any insurance policy, bond, or other security for the protection of the public, as provided in § 62-268, or as provided in § 62-112, be joined with the assured carrier in any action or suit for damages, debt, or claim thereby secured; nor shall evidence of any such policy, bond, or other security be offered or received in any such action or suit against the carrier, but the surety or insurer shall be obligated within the amount of such policy, bond or other security to pay any final judgment against the carrier. (1947, c. 1008, s. 34; 1949, c. 1132, c. 31; 1963, c. 1165, s. 1.)

§ 62-275. **Depots and stations.**—Upon notice and hearing and upon a finding by the Commission that public convenience and necessity so requires, the

Commission is authorized and empowered to compel any common carrier of passengers by motor vehicle operating under the provisions of this article and serving any municipality to establish and maintain a passenger depot or station for the security, accommodation and convenience of the traveling public. When two or more such carriers operating under the provisions of this article shall serve any municipality, the Commission is authorized and empowered to require such carriers to establish and maintain a union passenger depot or station for the security, accommodation and convenience of the traveling public, and to unite in the joint undertaking and expense of securing, erecting, constructing and maintaining such union passenger depot or station, commensurate with the business and revenue of such motor carriers, on such terms, regulations, provisions and conditions as the Commission shall prescribe; and all union passenger depots or stations shall provide impartially all services incident to the comfort and convenience of the traveling public, including but not limited to the following basic union services: Waiting rooms, comfort stations and rest rooms; loading and unloading of passengers; selling, changing and adjusting of tickets; furnishing information about tickets, schedules, routes, arrivals and departures; handling, checking and storage of baggage; receiving, handling, and delivering express: Provided that nothing herein shall be construed as limiting the right of any motor carrier operating under the provisions of this article to sell its own tickets and furnish its own information about tickets, schedules, routes, arrivals and departures at any place separate, apart and away from the union passenger depot or station, but not upon the premises of the union station, so long as such motor carrier also continues to participate in the union sale of its and all other carriers' tickets and the union information facilities within the station premises under union station management: Provided that any of the aforementioned union services may be provided independently within the union station premises by each carrier utilizing the union passenger depot or station upon the unanimous agreement of all such carriers and the approval of the Utilities Commission: Provided, that whenever the Commission shall require that a union depot or station shall be provided, it shall first allow the carriers required to provide such station an opportunity to submit to the Commission for approval any agreement between or among such carriers for the securing, construction, maintenance and operation of such station or depot. The Commission shall approve such agreement or agreements, if the same be, in the Commission's discretion, reasonable and just and in the public interest. (1949, c. 1132, s. 28; 1963, c. 1165, s. 1.)

**Commission May Require Establishment of Union Stations.** — The Commission has statutory authority to require bus companies to establish union stations. Such stations are unquestionably convenient to passengers who have to change from one bus line to another. They impose no undue burden on interstate commerce. The State may lawfully require all bus companies, both interstate and intrastate, to use such union stations. *State v. Atlantic Grey-*

*hound Corp.*, 252 N. C. 18, 113 S. E. (2d) 57 (1960).

**But May Not Prohibit Opening of Separate Ticket Office.**—A rule of the Commission prohibiting a carrier from opening a ticket office separate and apart from the ticket office at union station is void as imposing an undue burden on interstate commerce. *State v. Atlantic Greyhound Corp.*, 252 N. C. 18, 113 S. E. (2d) 57 (1960).

§ 62-276. **Construction of article.** — Nothing herein contained shall be construed to relieve any motor carrier from any regulation otherwise imposed by law or lawful authority, and this article shall not be construed to relieve any such motor carrier from any obligation or duty imposed by chapter 20 of the General Statutes of North Carolina. (1949, c. 1132, s. 35; 1963, c. 1165, s. 1.)

§ 62-277. **Commission investigators and inspectors given enforcement authority.**—The transportation inspectors and special investigators employed by the Commission shall have the same enforcement authority and police powers as members of the State Highway Patrol in enforcing this article and other

provisions of this chapter applicable to motor transportation, and they are empowered to make complaint for the issue of appropriate warrants, informations, presentments or other lawful process for the enforcement and prosecution of violations of the transportation laws against all offenders, whether they be regulated motor carriers or not, and to appear in court or before the Commission and offer evidence at the trial pursuant to such processes. (1963, c. 1165, s. 1.)

**§ 62-278. Revocation of license plates by Utilities Commission. —**

(a) The license plates of any carrier of persons or property by motor vehicle for compensation may be revoked and removed from the vehicles of any such carrier for wilful violation of any provision of this chapter, or for the wilful violation of any lawful rule or regulation made and promulgated by the Utilities Commission. To that end the Commission shall have power upon complaint or upon its own motion, after notice and hearing, to order the license plates of any such offending carrier revoked and removed from the vehicles of such carrier for a period not exceeding thirty (30) days, and it shall be the duty of the Department of Motor Vehicles to execute such orders made by the Utilities Commission upon receipt of a certified copy of the same.

(b) This section shall be in addition to and independent of other provisions of law for the enforcement of the motor carrier laws of this State. (1951, c. 1120; 1963, c. 1165; s. 1.)

**Editor's Note.**—This section is in substance a re-enactment of § 20-64.1.

**§ 62-279. Injunction for unlawful operations.**—If any motor carrier, or any other person or corporation, shall operate a motor vehicle in violation of any provision of this chapter applicable to motor carriers or motor vehicles generally, except as to the reasonableness of rates or charges and the discriminatory character thereof, or shall operate in violation of any rule, regulation, requirement or order of the Commission, or of any term or condition of any certificate or permit, the Commission or any holder of a certificate or permit duly issued by the Commission may apply to the resident superior court judge of any judicial district where such motor carrier or other person or corporation so operates, or to any superior court judge holding court in such judicial district, for the enforcement of any provisions of this article, or of any rule, regulation, requirement, order, term or condition of the Commission. Such court shall have jurisdiction to enforce obedience to this article or to any rule, order, or decision of the Commission by a writ of injunction or other process, mandatory or otherwise, restraining such carrier, person or corporation, or its officers, agents, employees and representatives from further violation of this article or of any rule, order, regulation, or decision of the Commission. (1947, c. 1008, s. 30; 1949, c. 1132, s. 30; 1953, c. 1140, s. 4; 1957, c. 1152, s. 16; 1961, c. 472, ss. 8, 11; 1963, c. 1165, s. 1.)

**Restraining Illegal Operation Along Route.**—A franchise carrier may maintain an action in the superior court to restrain another carrier from illegal operation along his route without a certificate or permit from the Utilities Commission when such illegal operation by such other carrier interferes with its franchise rights. *Bryant v. Barber*, 237 N. C. 480, 75 S. E. (2d) 410 (1953).

As to right of common carrier to apply to court for injunctive relief against wrongful acts of another carrier under former statute repealed and superseded by Bus Act of 1949, see *Burke Transit Co. v. Queen City Coach Co.*, 228 N. C. 768, 47 S. E. (2d) 297 (1948).

§§ 62-280 to 62-289: Omitted.

## ARTICLE 13.

*Reorganization of Public Utilities.*

§ 62-290. **Corporations whose property and franchises sold under order of court or execution.**—When the property and franchises of a public utility corporation are sold under a judgment or decree of a court of this State, or of the district court of the United States, or under execution, to satisfy a mortgage debt or other encumbrance thereon, such sale vests in the purchaser all the right, title, interest and property of the parties to the action in which such judgment or decree was made, to said property and franchises, subject to all the conditions, limitations and restrictions of the corporation; and the purchaser and his associates thereupon become a new corporation, by such name as they select, and they are the stockholders in the ratio of the purchase money by them contributed; and are entitled to all the rights and franchises and subject to all the conditions, limitations and penalties of the corporation whose property and franchises have been so sold. In the event of the sale of a railroad in foreclosure of a mortgage or deed of trust, whether under a decree of court or otherwise, the corporation created by or in consequence of the sale succeeds to all the franchises, rights and privileges of the original corporation only when the sale is of all the railroad owned by the company and described in the mortgage or deed of trust, and when the railroad is sold as an entirety. If a purchaser at any such sale is a corporation, such purchasing corporation shall succeed to all the properties, franchises, powers, rights, and privileges of the original corporation: Provided, that this shall not affect vested rights and shall not be construed to alter in any manner the public policy of the State now or hereafter established with reference to trusts and contracts in restraint of trade. (Code, ss. 697, 698; 1897, c. 305; 1901, c. 2, s. 99; Rev., s. 1238; 1913, c. 25, s. 1; 1919, c. 75; C. S., s. 1221; 1955, c. 1371, s. 2; 1963, c. 1165, s. 1.)

§ 62-291. **New owners to meet and organize; special rule for railroads.**—(a) The persons for whom the property and franchises have been purchased pursuant to § 62-290 shall meet within thirty (30) days after the delivery of the conveyance made by virtue of said judgment or decree, and organize the new corporation, ten days' written notice of the time and place of the meeting having been given to each of said persons. At this meeting they shall adopt a corporate name and seal, determine the amount of the capital stock of the corporation, and shall have power and authority to make and issue certificates of stock in shares of such amounts as they see fit. The corporation may then, or at any time thereafter, create and issue preferred stock to such an amount, and at such time, as they may deem necessary.

(b) Whenever the purchaser of the real estate, track and fixtures of any railroad corporation which has heretofore been sold, or may hereafter be sold, by virtue of any mortgage executed by such corporation or execution issued upon any judgment or decree of any court, shall acquire title to the same in the manner prescribed by law, such purchaser may associate with him any number of persons, and make and acknowledge and file articles of association as prescribed by this chapter. Such purchaser and his associates shall thereupon be a new corporation, with all the powers, privileges and franchises and subject to all of the provisions of this chapter.

(c) When any railroad corporation shall be dissolved, or its property sold and conveyed under any execution, deed of trust, mortgage or other conveyance, the owner or purchaser shall constitute a new corporation upon compliance with law. (1871-2, c. 138, s. 5; Code, ss. 1936, 2005; 1901, c. 2, ss. 100, 101, 102; Rev., ss. 1239, 1240, 2552, 2565; C. S., ss. 1222, 3462, 3463; 1955, c. 1371, s. 2; 1963, c. 1165, s. 1.)

**Railroad May Be Sold.**—A railroad is that character is liable to be sold, unless the subject of private property, and in the sale be forbidden by the legislature;

not the franchise, but the land itself constituting the road. *State v. Rives*, 27 N. C. 297 (1844).

**Corporation Not Dissolved by Sale.** — A railroad corporation is not dissolved by the sale of its road. *State v. Rives*, 27 N. C. 297 (1844).

**Purchaser Takes Rights of Old Company.**—On the foreclosure of a mortgage given by a railroad company, the purchaser takes the rights that the company had acquired in relation to its right of way under its charter. *Barker v. Southern R. Co.*, 137 N. C. 214, 49 S. E. 115 (1904).

**Purpose of Subsection (c)—Property Associated with Franchises.**—The legislative purpose, as clearly manifested in subsection (c) of this section, is that the property of railroads must be kept in association with their franchises, to preserve value, to give credit to such corporations, to secure creditors, and to keep railroads in operation for the benefit of the public, which was the primary object of the legislature in bestowing such corporate franchises. *Bradley v. Ohio R., etc., Ry. Co.*, 78 F. 387 (1896); 119 N. C., Appx., 918 (1897).

**When Sale Effects Dissolution.**—In order that the sale of the franchise and property of a railroad corporation under mortgage shall have the effect of a dissolution of such corporation, another corporation must be provided to take its place and assume and discharge the obligations to the public growing out of the

grant of the franchise, and until that is done the old corporation continues to exist, and when it is done the new corporation will be a domestic corporation. *James v. Western North Carolina R. Co.*, 121 N. C. 523, 28 S. E. 537 (1897).

**Corporate Existence Not Extinguished by Sale under Second Mortgage.** — The sale of a railroad under a second mortgage and a conveyance thereunder, subject to the first mortgage upon its franchise and corporate property, did not extinguish the corporate existence of the company nor release it from liability to the public for the manner in which it is operated. *James v. Western North Carolina R. Co.*, 121 N. C. 523, 28 S. E. 537 (1897).

**Same—Rights of Purchaser—Liability of Old Corporation for Damages.** — The effect of the sale of a railroad company's franchises and property under a second mortgage, subject to a first mortgage which was assumed by the purchaser, is to place the purchaser in the place of the mortgagor in its relation to the trustee of the first mortgage, with the right to run and operate the road as agent of the mortgagor, but the old corporation was not extinguished, but is still in existence and liable for damages caused by the maladministration of its agent which liability can be enforced against the property which it allows the purchaser to use. *James v. Western North Carolina R. Co.*, 121 N. C. 523, 28 S. E. 537 (1897).

**§ 62-292. Certificate to be filed with Secretary of State.**—It is the duty of the new corporation provided for by this article, within one (1) month after its organization, to make certificate thereof, under its common seal, attested by the signature of its president, specifying the date of the organization, the name adopted, the amount of capital stock, and the names of its president and directors, and transmit the certificate to the Secretary of State, to be filed and recorded in his office. A certified copy of this certificate so filed shall be recorded in the office of the clerk of the superior court of the county in which is located the principal office of the corporation, and is the charter and evidence of the corporate existence of the new corporation. (1901, c. 2, s. 103; Rev., s. 1241; C. S., s. 1223; 1955, c. 1371, s. 2; 1963, c. 1165, s. 1.)

**§ 62-293. Effect on liens and other rights.**—Nothing contained in this article in any manner impairs the lien of a prior mortgage, or other encumbrance, upon the property or franchises conveyed under a sale pursuant to this article when by the terms of the judgment or decree under which the sale was made, or by operation of law, the sale was made subject to the lien of any such prior mortgage or other encumbrance. No such sale and conveyance or organization of such new corporation in any way affects the rights of any person or body politic not a party to the action in which the judgment or decree was made, nor of any party except as determined by the judgment or decree. When a trustee has been made a party to such action and his cestui que trust, for reason satisfactory to the court, has not been made a party thereto, the rights and interest of the cestui

que trust are concluded by the decree. (1901, c. 2, s. 103; Rev., s. 1241; C. S., s. 1224; 1955, c. 1371, s. 2; 1963, c. 1165, s. 1.)

All transcripts, papers, orders, certificates, or other records necessary to perfect an appeal, or to determine whether an appeal is to be taken, shall be furnished without charge to the Attorney General upon his request in cases in which the Attorney General appears in the public interest or as representing any board, department, commission, institution or other agency of the State. (1953, c. 825, s. 1; 1955, c. 64; 1957, c. 1152, s. 15; 1961, c. 472, ss. 2-4; 1963, c. 1165, s. 1.)

§§ 62-302 to 62-309: Omitted.

## ARTICLE 15.

### *Penalties and Actions.*

**§ 62-310. Public utility violating any provision of chapter, rules or orders; penalty.**—Any public utility which violates any of the provisions of this chapter or refuses to conform to or obey any rule, order or regulation of the Commission shall, in addition to the other penalties prescribed in this chapter, forfeit and pay a sum up to one thousand dollars (\$1,000.00) for each offense, to be recovered in an action to be instituted in the Superior Court of Wake County, in the name of the State of North Carolina on the relation of the Utilities Commission; and each day such public utility continues to violate any provision of this chapter or continues to refuse to obey or perform any rule, order or regulation prescribed by the Commission shall be a separate offense. (1899, c. 164, s. 23; Rev., s. 1087; C. S., s. 1106; 1933, c. 134, s. 8; c. 307, ss. 36, 37; 1941, c. 97; 1963, c. 1165, s. 1.)

**Action Ex Contractu.** — It would seem that an action against a railroad company for a penalty for violation of statute is an action ex contractu for breach of an implied contract to perform a statutory duty. *State v. Wilmington, etc., R. Co.*, 126 N. C. 437, 36 S. E. 14 (1900).

**Construction of Penal Statute.**—The rule that a penal statute must be strictly construed, means no more than that the court, in ascertaining the meaning of such a statute, cannot go beyond the plain meaning of

the words and phraseology employed in search of an intention not certainly implied by them, and when there is reasonable doubt as to the meaning of the words used in the statute, the court will not give them such an interpretation as to impose the penalty, nor will the purpose of the statute be extended by implication, so as to embrace cases not clearly within its meaning. *Hines v. Wilmington, etc., Railroad*, 95 N. C. 434 (1886).

**§ 62-311. Wilful acts of employees deemed those of public utility.**

—The wilful act of any officer, agent, or employee of a public utility, acting within the scope of his official duties of employment, shall, for the purpose of this article, be deemed to be the wilful act of the utility. (1933, c. 307, s. 29; 1963, c. 1165, s. 1.)

**§ 62-312. Actions to recover penalties.**—Except as otherwise provided in this chapter, an action for the recovery of any penalty under this chapter shall be instituted in Wake County, and shall be instituted in the name of the State of North Carolina on the relation of the Utilities Commission against the person incurring such penalty; or whenever such action is upon the complaint of any injured person, it shall be instituted in the name of the State of North Carolina on the relation of the Utilities Commission upon the complaint of such injured person against the person incurring such penalty. Such action may be instituted and prosecuted by the Attorney General, the solicitor of the Wake County Superior Court, or the injured person. The procedure in such actions, the right of appeal and the rules regulating appeals shall be the same as provided by law in other civil actions. (Code, s. 1976; 1885, c. 221; 1899, c. 164, ss. 8, 15; Rev., ss. 1092, 1113, 2647; C. S., ss. 1062, 1111, 3415; 1933, c. 134, s. 8; c. 307, s. 30; 1941, c. 97; 1963, c. 1165, s. 1.)

**Cross Reference.** — As to venue of actions against railroads, see § 1-81.

The penalty prescribed by § 60-200 for failure to transport within a reasonable time is given directly to the party aggrieved, and an action therefor is not re-

quired to be brought in the name of the State. *Robertson v. Atlantic, etc., R. Co.*, 148 N. C. 323, 62 S. E. 413 (1908).

**Duty of Attorney General under Former Statute.**—See *Southern R. Co. v. McNeill*, 155 F. 756 (1907).

**§ 62-313. Refusal to permit Commission to inspect records made misdemeanor.**—Any public utility, its officers or agents in charge thereof, that fails or refuses upon the written demand of the Commission, or a majority of said Commission, and under the seal of the Commission, to permit the Commission, its authorized representatives or employees to examine and inspect its books, records, accounts and documents, or its plant, property, or facilities, as provided for by law, shall be guilty of a misdemeanor. Each day of such failure or refusal shall constitute a separate offense and each such offense shall be punishable by a fine of not less than five hundred dollars (\$500.00) and not more than five thousand dollars (\$5,000.00). (1963, c. 1165, s. 1.)

**§ 62-314. Violating rules, with injury to others.**—If any public utility doing business in this State by its agents or employees shall be guilty of the violation of the rules and regulations provided and prescribed by the Commission, and if after due notice of such violation given to the principal officer thereof, if residing in the State, or, if not, to the manager or superintendent or secretary or treasurer if residing in the State, or, if not then to any local agent thereof, ample and full recompense for the wrong or injury done thereby to any person as may be directed by the Commission shall not be made within thirty (30) days from the time of such notice, such public utility shall incur a penalty for each offense of five hundred dollars (\$500.00). (1899, c. 164, s. 15; Rev., s. 1086; C. S., s. 1105; 1933, c. 134, s. 8; 1941, c. 97; 1963, c. 1165, s. 1.)

**Validity.**—A statute giving authority to the Commission after notice for failure of any railroad company to make full and ample recompense for the violation of rules and regulations to proceed in the courts, to enforce the penalties prescribed for such violation is valid without providing in detail the methods of procedure. *Atlantic Exp. Co. v. Wilmington, etc., Railroad*, 111 N. C. 463, 16 S. E. 393 (1892).

**Duty of Commission to Enforce Rules and Orders.**—While the Commission has no power to render a judgment for the payment of money, etc., it is their duty to enforce their rules and orders, and the power to do so is given by this section. *State v. Southern R. Co.*, 147 N. C. 483, 61 S. E. 271 (1908).

**Right to Investigate Complaint.** — The Commission had the undoubted right and

it was eminently proper for them to institute an inquiry and inform themselves as to whether a complaint was grounded in truth. They were not required to institute an action for the penalty simply because a citizen feeling himself aggrieved had made a complaint before them. They did right

to investigate the matter for themselves, but the end of such investigation was simply to afford them information and enable them to act intelligently in determining whether they would sue for the penalty given by the statute. *State v. Southern R. Co.*, 147 N. C. 483, 61 S. E. 271 (1908).

**§ 62-315. Failure to make report; obstructing Commission.**—Every officer, agent or employee of any public utility, who shall wilfully neglect or refuse to make and furnish any report required by the Commission for the purposes of this chapter, or who shall wilfully or unlawfully hinder, delay or obstruct the Commission in the discharge of the duties hereby imposed upon it, shall forfeit and pay five hundred dollars (\$500.00) for each offense, to be recovered in an action in the name of the State. A delay of ten (10) days to make and furnish such report shall raise the presumption that the same was wilful. (1899, c. 164, s. 18; Rev., s. 1089; C. S., s. 1108; 1933, c. 134, s. 8; 1941, c. 97; 1963, c. 1165, s. 1.)

**Construction of Similar Statute.**— In construing a statute (Code of 1883, s. 1960) which provided a similar penalty against corporations for failure to make the returns into court, in *State v. Marietta*,

etc., *Railroad*, 108 N. C. 24, 12 S. E. 1041 (1891), it was held that the penalty could only be recovered in an action brought by the State. A private relator could not maintain the action.

**§ 62-316. Disclosure of information by employee of Commission unlawful.**—It shall be unlawful for any agent or employees of the Commission knowingly and wilfully to divulge any fact or information which may come to his knowledge during the course of any examination or inspection made under authority of this chapter, or as he may be directed by the Commissioner or by a court or judge thereof. (1947, c. 1008, s. 30; 1949, c. 1132, s. 30; 1953, c. 1140, s. 4; 1957, c. 1152, s. 16; 1961, c. 472, ss. 8, 11; 1963, c. 1165, s. 1.)

**§ 62-317. Remedies for injuries cumulative.**—The remedies given by this chapter to persons injured shall be regarded as cumulative to the remedies otherwise provided by law against public utilities. (1899, c. 164, s. 26; Rev., s. 1093; C. S., s. 1112; 1963, c. 1165, s. 1.)

**§ 62-318. Allowing or accepting rebates a misdemeanor.**— If any person shall participate in illegally pooling freights or shall directly or indirectly allow or accept rebates on freights, he shall be guilty of a misdemeanor and, upon conviction, shall be fined not less than one thousand dollars (\$1,000.00) or imprisoned not less than twelve (12) months. (1879, c. 237, s. 2; Code, s. 1968; Rev., s. 3762; C. S., s. 3520; 1963, c. 1165, s. 1.)

**§ 62-319. Beating way on train a misdemeanor; venue.**—If any person, with the intention of being transported free in violation of law, rides or attempts to ride on top of any car, coach, engine or tender, on any railroad in this State, or on the drawheads between cars, or under cars, on truss rods, or trucks, or in any freight car, or on a platform of any baggage car, express car or mail car on any train, he shall be guilty of a misdemeanor, and upon conviction thereof shall be fined not exceeding fifty dollars (\$50.00) or imprisoned not more than thirty (30) days. Any person charged with a violation of this section may be tried in any county in this State through which such train may pass carrying such person, or in any county in which such violation may have occurred or may be discovered. (1899, c. 625; 1905, c. 32; Rev., s. 3748; C. S., s. 3508; 1963, c. 1165, s. 1.)

**Effect on Liability of Insurance Company.**—A policy of accident insurance that excepts from the company's full liability

"sickness due to immorality or the violation of law," does not of itself exclude such liability for an injury caused by the

plaintiff's stealing a ride on a railway train, made a misdemeanor by this section, unless the plaintiff's act was so reckless as to withdraw it from the class of accidents

covered by the policy. *Poole v. Imperial Mut. Life, etc., Co.*, 188 N. C. 468, 125 S. E. 8 (1924).

**§ 62-320. Failure to place name on produce a misdemeanor.**—Any person, selling or offering for sale or consignment any barrel, crate, box, case, package or other receptacle containing any berries, fruit, melons, potatoes, vegetables, truck or other produce of any kind whatsoever, to be shipped to any point within or without this State, without the true name of the grower or packer either written, printed, stamped or otherwise placed thereon in distinct and legible characters, shall be guilty of a misdemeanor and shall be fined not exceeding fifty dollars (\$50.00) or imprisoned not exceeding thirty (30) days: Provided, that this section shall not apply to railroads, express companies and other carriers selling or offering for sale, for transportation or storage charges or any other charges accruing to such railroads, express companies or other carriers, any barrel, crate, box, case, package, or other receptacle containing berries, fruit, melons, potatoes, vegetables, truck or other produce. (1915, c. 193; C. S., s. 3531; 1963, c. 1165, s. 1.)

**§ 62-321. Penalty for nondelivery of intrastate telegraph message.**—Any telegraph company doing business in this State that shall fail to transmit and deliver any intrastate message within a reasonable time shall forfeit and pay to anyone who may sue for same a penalty of twenty-five dollars (\$25.00). Such penalty shall be in addition to any right of action that any person may have for the recovery of damages. Proof of the sending of any message from one point in this State to another point in this State shall be prima facie evidence that it is an intrastate message. (1919, c. 175; C. S., s. 1704; 1963, c. 1165, s. 1.)

**Sending Message Through Another State to Avoid Liability for Damages.**—A telegraph company accepting a telegram to be transmitted between points in this State, where a recovery for mental anguish is allowed, may not avoid such liability by unnecessarily sending the message through another state, when it could have reasonably been otherwise transmitted. *Speight v. Western Union Tel. Co.*, 178 N. C. 146, 100 S. E. 351 (1919).

**Same—Burden of Proof.**—Where a telegraph company has direct available facilities for transmitting an intrastate telegram altogether within the State, and relays it at offices in another state, the burden of proof is upon it to show that it was not done to evade the jurisdiction of the State court. *Speight v. Western Union Tel. Co.*, 178 N. C. 146, 100 S. E. 351 (1919).

**§ 62-322. Unauthorized manufacture or sale of switch-lock keys a misdemeanor.**—It shall be unlawful for any person to make, manufacture, sell or give away to any other person any duplicate key to any lock used by any railroad company in this State on its switches or switch tracks, except upon the written order of that officer of such railroad company whose duty it is to distribute and issue switch-lock keys to the employees of such railroad company. Any person violating the provisions of this section shall be guilty of a misdemeanor and shall be fined or imprisoned, or both, in the discretion of the court. (1909, c. 795; C. S., s. 3477; 1963, c. 1165, s. 1.)

**§ 62-323. Wilful injury to property of public utility a misdemeanor.**—If any person shall wilfully do or cause to be done any act or acts whatever whereby any building, construction or work of any public utility, or any engine, machine or structure or any matter or thing appertaining to the same shall be stopped, obstructed, impaired, weakened, injured or destroyed, he shall be guilty of a misdemeanor. (1871-2, c. 138, s. 39; Code, s. 1974; Rev., s. 3756; C. S., s. 3478; 1963, c. 1165, s. 1.)

**Cross Reference.**—As to injury to property of railroads and other carriers, see §§ 14-278, 14-279.

**§ 62-324. Disclosure of information as to shipments unlawful.**—(a) It shall be unlawful for any common carrier engaged in intrastate commerce or any officer, receiver, trustee, lessee, agent, or employee of such carrier, or for any other person authorized by such carrier, to receive information, knowingly to disclose to, or permit to be acquired by any person other than the shipper or consignee without the consent of such shipper or consignee, any information concerning the nature, kind, quantity, destination, consignee, or routing of any property tendered or delivered to such common carrier for such transportation, which information may be used to the detriment or prejudice of such shipper or consignee, or which may improperly disclose his business transactions to a competitor; and it shall also be unlawful for any person to solicit or knowingly receive any such information which may be so used.

(b) Nothing in this section shall be construed to prevent the giving of such information in response to any legal process issued under the authority of any court, or to any officer or agent of the State or of the government of the United States, in the exercise of his power, or to any officer or other duly authorized person seeking such information for the prosecution of persons charged with or suspected of crimes or to another carrier, or its duly authorized agent, for the purpose of adjusting mutual traffic accounts in the ordinary course of business of such carriers. (1947, c. 1008, s. 30; 1961, c. 472, s. 8; 1963, c. 1165, s. 1.)

**§ 62-325. Unlawful motor carrier operations.** — (a) Any person, whether carrier, passenger, shipper, consignee, or any officer, employee, agent, or representative thereof, who shall knowingly offer, grant, or give or solicit, accept, or receive any rebate, concession, or discrimination in violation of any provision of this chapter, or who by means of any false statement or representation, or by the use of any false or fictitious bill, bill of lading, receipt, voucher, roll, account, claim, certificate, affidavit, deposition, lease, or bill of sale, or by any other means or device, shall knowingly and wilfully by any such means or otherwise fraudulently seek to evade or defeat regulations as in this chapter provided for motor carriers, shall be deemed guilty of a misdemeanor and upon conviction thereof be fined not more than five hundred dollars (\$500.00) for the first offense and not more than two thousand dollars (\$2,000.00) for any subsequent offense.

(b) Any motor carrier, or other person, or any officer, agent, employee, or representative thereof, who shall wilfully fail or refuse to make a report to the Commission as required by this article, or other applicable law, or to make specific and full, true, and correct answer to any question within thirty (30) days from the time it is lawfully required by the Commission so to do, or to keep accounts, records, and memoranda in the form and manner prescribed by the Commission, or shall knowingly and wilfully falsify, destroy, mutilate, or alter any such report, account, record, or memorandum, or shall knowingly and wilfully neglect or fail to make true and correct entries in such accounts, records, or memoranda of all facts and transactions appertaining to the business of the carrier, or person required under this article to keep the same, or shall knowingly and wilfully keep any accounts, records, or memoranda contrary to the rules, regulations, or orders of the Commission with respect thereto, shall be deemed guilty of a misdemeanor and upon conviction thereof be subject for each offense to a fine of not more than five thousand dollars (\$5,000.00). As used in this subsection the words "kept" and "keep" shall be construed to mean made, prepared, or compiled, as well as retained. It shall be the duty of the Commission to prescribe and enforce such general rules and regulations as it may deem necessary to compel all motor carriers to keep accurate records of all revenue received by them to the end that any tax levied and assessed by the State of North Carolina upon revenues may be collected. Any agent or employee of a motor carrier who shall wilfully and knowingly make a false report or record of fares, charges, or other revenue received by a carrier or collected in its behalf shall be guilty of a misdemeanor and

upon conviction shall be fined or imprisoned, or both, in the discretion of the court.

(c) Any person who, at any bus terminal, solicits or otherwise attempts to induce any person to use some form of transportation for compensation other than that lawfully using said terminal premises by contract with the terminal operator or by valid order of the Commission shall be guilty of a misdemeanor and upon conviction thereof shall be fined not more than fifty dollars (\$50.00) or imprisoned not to exceed thirty (30) days, or both, in the discretion of the court. (1947, c. 1008, s. 30; 1949, c. 1132, s. 30; 1953, c. 1140, s. 4; 1957, c. 1152, s. 16; 1961, c. 472, ss. 8, 11; 1963, c. 1165, s. 1.)

*Removal of Graves.*

**§ 65-13. Removal to enlarge or erect churches, etc., or to establish hydro-electric reservoirs, or to perform governmental functions.** — In those cases where any church authorities desire to enlarge a church building and/or erect a new church and/or parish house and/or parsonage and where it becomes necessary or expedient to remove certain graves in order to secure the necessary room for such enlargement, it shall be lawful for such church authorities after thirty days' notice to the relatives of deceased, if any are known, and if none are known, then after notice posted at the church door for a like time, to remove such graves to a suitable plat in the church cemetery, or in another cemetery, due care being taken to protect tombstones and replace them properly so as to leave the graves in as good condition as before removal. Constitutionality.—In an action instituted to enjoin a sheriff from removing plaintiffs' cattle from Shackleford Banks, it was held that plaintiffs were not entitled to challenge the constitutionality of this article, since it does not purport to authorize the destruction or removal of cattle from any portion of the outer banks,

but provides for enforcement of its provisions solely by criminal prosecution, and plaintiffs would be entitled to attack the constitutionality of that statute only as a defense to a criminal prosecution thereunder. *Chadwick v. Salter*, 254 N. C. 389, 119 S. E. (2d) 158 (1961).

**Company Police.**

Sec.

74A-2. Oath, bond, and powers of company police.

Sec.

74A-3. Company police to wear badges.

74A-4. Compensation of company police.

**§ 74A-1. Governor may appoint and commission police for public utility and other companies; civil liability of companies.**—Any public utility company, construction company or manufacturing company may apply to the Governor to commission such persons as the corporation or company may designate to act as policemen for it. The Governor upon such application may appoint such persons or so many of them as he may deem proper to be such policemen, and shall issue to the persons so appointed a commission to act as such policemen. Nothing contained in the provisions of this section shall have the effect to relieve any such company from any civil liability for the acts of such policemen, in exercising or attempting to exercise the powers conferred by this chapter. (1871-2, c. 138, ss. 51, 52; Code, ss. 1988, 1989; Rev., ss. 2605, 2606; 1907, c. 128, s. 1; C. S., s. 3484; 1923, c. 23; 1933, c. 61; 1943, c. 676, ss. 1, 4; 1947, c. 390; 1963, c. 1165, s. 2.)

Cross Reference.. — As to venue of action against railroad, § 1-81.

Editor's Note.—Session Laws 1963, c. 1165, amended, revised and rewrote chapters 56, 60 and 62 of the General Statutes and recodified them as a new chapter 62 and a new chapter 74A. With the exception of a few sections in new chapter 62, the act is made effective January 1, 1964. Chapter 74A is a recodification of former

chapter 60, article 10, comprising §§ 60-82 to 60-87.

Former § 60-83, corresponding to new § 74A-1, was amended by Session Laws 1963, cc. 988 and 1254, and former § 60-85, corresponding to new § 74A-3, was amended by Session Laws 1963, c. 988. It is believed that it was the intention of the legislature to include all such amendments in Session Laws 1963, c. 1165; however,

apparently through oversight, the changes made by cc. 988 and 1254 were not incorporated in new chapter 74A. Former § 60-83 as amended by Session Laws 1963, cc. 988 and 1254, reads as follows:

"Any corporation operating a railroad on which steam or electricity is used as the motive power or any electric or water-power company or construction company or manufacturing company or motor vehicle carrier or railway express agencies or auction companies or incorporated security patrols or corporations engaged in providing security or protective services for persons or property or educational institution, whether State or private, or any other State institution, may apply to the Governor to commission such persons as the corporation or company may designate to act as policemen for it. The Governor upon such application may appoint such persons or so many of them as he may deem proper to be such policemen, and shall issue to the persons so appointed a commission to act as such policemen. Nothing contained in the provisions of this section shall have the effect to relieve any such company from any civil liability now existing by statute or under the common law for the act or acts of such policemen, in exercising or attempting to exercise the powers conferred by this section."

The first 1963 amendment to former § 60-83 inserted the words "or incorporated

security patrols or corporations engaged in providing security or protective services for persons or property or educational institution, whether State or private, or any other State institution" in the first sentence. The amendatory act further provides: "Wherever the word 'company' is used in article 10 of chapter 60 of the General Statutes the same shall be deemed to include any above referred to institution. Notwithstanding the provisions of G. S. 60-85, any person commissioned pursuant to this act shall wear such badge as the institution may designate and direct." The second 1963 amendment to former § 60-83 made the section applicable to auction companies.

For former § 60-85 as amended by Session Laws 1963, c. 988, see Editor's Note to § 74A-3.

**A railroad policeman appointed pursuant to this section, is prima facie a public officer, but the question of whether a particular act is done as an employee of the railroad company or as a public officer is a question to be determined from the nature of the act, whether it relates to vindication and enforcement of public justice or whether it is in the scope of duties owed to the company by reason of employment.** *Tate v. Southern Ry. Co.*, 205 N. C. 51, 169 S. E. 816 (1933), decided under former § 60-83.

**§ 74A-2. Oath, bond, and powers of company police.**—Every policeman so appointed shall, before entering upon the duties of his office, take and subscribe the usual oath. Such policemen shall severally possess, within the limits of each county in which the public utility for which such policemen are appointed may run or in which the company may be engaged in work or business, all the powers of policemen in the several towns, cities and villages in any such county: Provided, that every policeman appointed under this chapter shall, before entering upon the duties of his office, file in the Governor's office a bond in the sum of five hundred dollars (\$500.00), payable to the State of North Carolina, conditioned upon the faithful performance of the duties of his office. This bond may be in cash, or it may be executed by a surety company duly authorized to transact business in this State, or it may have at least two individual sureties each owning real estate in this State and together having equities in such real estate over and above any encumbrances thereon equal in value to at least twice the amount of such bond: Provided, that where individual sureties are used, the sufficiency of each such surety must be passed upon and approved by the clerk of the superior court of the county in which the surety resides. (1871-2, c. 138, s. 53; Code, s. 1990; Rev., s. 2607; 1907, c. 128, s. 2; c. 462; C. S., s. 3485; 1933, c. 134, s. 8; 1941, c. 97, s. 5; 1943, c. 676, s. 2; 1959, c. 124, s. 1; 1963, c. 1165, s. 2.)

**Cross Reference.** — As to oath required, see § 11-11.

**§ 74A-3. Company police to wear badges.**—Such policemen shall, when on duty, severally wear a shield with the words "Railway Police" or "Company Police" and the name of the corporation for which appointed inscribed thereon, and this shield shall always be worn in plain view except when such police are

employed as detectives. (1871-2, c. 138, s. 54; Code, s. 1991; Rev., s. 2608; C. S., s. 3486; 1963, c. 1165, s. 2.)

**Cross Reference.** — As to badges of conductor and certain other railroad employees, see § 62-244.

**Editor's Note.**—Former § 60-85, corresponding to this section, was amended by Session Laws 1963, c. 988, to read as follows:

“Such railroad police shall, when on duty, severally wear a metallic shield with the words ‘Railway Police’ or other appro-

priate police identification and the name of the corporation for which appointed inscribed thereon, and this shield shall always be worn in plain view except when such police are employed as detectives.”

The 1963 amendment to former § 60-85 inserted the words “or other appropriate police identification” near the middle of the section.

See Editor's Note to § 74A-1.

**§ 74A-4. Compensation of company police.**—The compensation of such police shall be paid by the companies for which the policemen are respectively appointed, as may be agreed on between them. (1871-2, c. 138, s. 55; Code, s. 1992; Rev., s. 2609; C. S., s. 3487; 1963, c. 1165, s. 2.)

**§ 74A-5. Police powers cease on company's filing notice.**—Whenever any company shall no longer require the services of any policeman so appointed as aforesaid, it may file a notice to that effect in the office of the Governor and thereupon the power of such officer shall cease and determine. (1871-2, c. 138, s. 56; Code, s. 1993; Rev., s. 2610; C. S., s. 3488; 1943, c. 676, s. 3; 1959, c. 124, s. 2; 1963, c. 1165, s. 2.)

**§ 74A-6. Railway conductors and station agents declared special police.**—All passenger conductors of railroad trains and station or depot agents are hereby declared to be special police of the State of North Carolina, with full power and authority to make arrests for offenses committed in their presence or view, or for felony, or on sworn complaint for misdemeanor, except that the conductors shall have such power only on their respective trains or their railroad right of way, and the agents at their respective stations; and such conductors and agents may cause any person so arrested by them to be detained and delivered to the proper authority for trial as soon as possible. Nothing contained in the provisions of this section shall have the effect to relieve any such railroad company from any civil liability for the acts of such conductors, station or depot agents, in unlawfully exercising or attempting to exercise the powers herein conferred. (1907, c. 470, ss. 3, 4; C. S., s. 3483; 1963, c. 1165, s. 2.)

**Editor's Note.** — For article discussing arrest without a warrant, see 15 N. C. Law Rev. 101.

**Conductor Has Power of Peace Officer.**  
—A conductor on a railroad passenger train is held to a high degree of care in looking after and protecting passengers

on his train, and he is clothed, to some extent, with the powers of a peace officer. *Brown v. Atlantic Coast Line R. Co.*, 161 N. C. 573, 77 S. E. 777 (1913), decided under former § 60-82.

## Chapter 75.

### Monopolies and Trusts.

Sec.

75-3. [Repealed.]

#### § 75-1. Combinations in restraint of trade illegal.

A contract between public utilities, approved by the Utilities Commission, is not violative of this section, if the Commission could have lawfully made an order to the same effect upon application and after hearing in an adverse proceeding. *State v.*

*Carolina Coach Co.*, 260 N. C. 43, 132 S. E. (2d) 249 (1963).

Agreements in partial restraint of trade will be upheld when they are founded on valuable considerations, are reasonably necessary to protect the interests of the

parties in whose favor they are imposed, and do not unduly prejudice the public interest. *Waldron Buick Co. v. General Motors Corp.*, 254 N. C. 117, 118 S. E. (2d) 559 (1961).

§ 75-3: Repealed by Session Laws 1961, c. 1153.

§ 75-4. **Contracts to be in writing.**

**What Contracts Enforceable.** — Where affidavits disclose that defendants in the course of their employment acquired knowledge which would give them an unfair advantage over plaintiff in a competitive business, under such circumstances equity will enforce a covenant not to compete if it is: (1) In writing, (2) entered into at the time and as a part of the contract of employment, (3) based on valuable considerations, (4) reasonable both as to time and territory embraced in the restrictions, (5) fair to the parties, and (6) not against public policy. *Orkin Exterminating Co. of Raleigh, Inc. v. Griffin*, 258 N. C. 179, 128 S. E. (2d) 139 (1962).

§ 75-5. **Particular acts prohibited.**

(b) In addition to the other acts declared unlawful by this chapter, it is unlawful for any person directly or indirectly to do, or to have any contract express or knowingly implied to do, any of the following acts:

- (1) To agree or conspire with any other person to put down or keep down the price of any goods produced in this State by the labor of others which goods the person intends, plans or desires to buy.
- (2) To sell any goods in this State upon condition that the purchaser thereof shall not deal in the goods of a competitor or rival in the business of the person making such sales.
- (3) To willfully destroy or injure, or undertake to destroy or injure, the business of any competitor or business rival in this State with the purpose of attempting to fix the price of any goods when the competition is removed.
- (4) While engaged in buying or selling any goods within the State, through himself or together with or through any allied, subsidiary or dependent person, to injure or destroy or undertake to injure or destroy the business of any rival or competitor, by unreasonably raising the price of any goods bought or by unreasonably lowering the price of any goods sold with the purpose of increasing the profit on the business when such rival or competitor is driven out of business, or his business is injured.
- (5) While engaged in dealing in goods within this State, at a place where there is competition, to sell such goods at a price lower than is charged by such person for the same thing at another place, when there is not good and sufficient reason on account of transportation or the expense of doing business for charging less at the one place than at the other, or to give away such goods, with a view to injuring the business of another.
- (6) While engaged in buying or selling any goods in this State, to have any agreement or understanding, express or implied, with any other person not to buy or sell such goods within certain territorial limits within the State, with the intention of preventing competition in selling or to fix the price or prevent competition in buying such goods within these limits.
- (7) Except as may be otherwise provided by article 10 of chapter 66, entitled "Fair Trade", while engaged in buying or selling any goods in this State to make, enter into, execute or carry out any contract, obligation or agreement of any kind by which the parties thereto or any two or more of them bind themselves not to sell or dispose of any goods or any article of trade, use or consumption, below a common standard figure, or fixed value, or establish or settle the price

of such goods between them, or between themselves and others, at a fixed or graduated figure, so as directly or indirectly to preclude a free and unrestricted competition among themselves, or any purchasers or consumers in the sale of such goods.

(1961, c. 407, s. 1.)

**Editor's Note.—**

The 1961 amendment added subdivision (7) of subsection (b), and only such subsection is set out. Section 2 of the amendatory act provides that the provisions of this subsection shall not apply to any act which is done in compliance with the rules and regulations of any State regulatory agency.

**Restrictive Stipulations in Sale.—**

A limitation or restriction upon a person's right to engage in a lawful occupation or business is deemed detrimental to the public interest, unless the restraint imposed is reasonable under the proper tests. *Waldron Buick Co. v. General Motors Corp.*, 254 N. C. 117, 118 S. E. (2d) 559 (1961).

**Test as to Reasonableness.—**

In connection with the sale of a business, including good will, the validity of a covenant providing that the seller will not engage in business in competition with the buyer is determinable by these tests: (1) Is it reasonably necessary to protect the legitimate interests of the purchaser? (2) Is the limitation or restriction reasonable in respect of both time and territory? *Waldron Buick Co. v. General Motors*

*Corp.*, 254 N. C. 117, 118 S. E. (2d) 559 (1961).

**Contract Not to Engage in Competing Business—By Employee.—**The validity of a covenant in a contract of employment providing that, upon termination of the employer-employee relationship, the employee will not engage in a business in competition with the employer, is determinable by these tests: (1) Is it founded on a valuable consideration? (2) Is it reasonably necessary to protect the legitimate interests of the employer? (3) Is the limitation or restriction reasonable in respect of both time and territory? *Waldron Buick Co. v. General Motors Corp.*, 254 N. C. 117, 118 S. E. (2d) 559 (1961).

**An exclusive dealership in one make of automobile in a particular city,** while it necessarily involves a limited monopoly to sell this product of the manufacturer in the area covered thereby, is not invalid as an unreasonable restraint on trade, the agreement not being between competitors but imposing restraint upon a manufacturer and in favor of its dealer. *Waldron Buick Co. v. General Motors Corp.*, 254 N. C. 117, 118 S. E. (2d) 559 (1961).

this chapter, provided however, that the Wildlife Resources Commission is hereby authorized, subject to the approval of the Advisory Budget Commission and the Governor and Council of State, to borrow funds from the Contingency and Emergency Fund in an amount not to exceed one hundred thousand dollars (\$100,000.00), to be used for initiating the provisions of this chapter and to be repaid from the funds collected pursuant to the numbering provisions of this chapter in four equal installments, the first installment in the amount of twenty-five thousand dollars (\$25,000.00) to be remitted on or before September 1, 1961, and a like sum to become due and payable on the first day of September during each of the years 1962, 1963 and 1964. All monies collected pursuant to the numbering provisions of this chapter shall be deposited in the State treasury and credited to a special fund known as the Wildlife Resources Fund and accounted for as a separate part thereof. The said monies shall be made available to the Wildlife Resources Commission, subject to the provisions of the Executive Budget Act and the provisions of the Personnel Act of the General Statutes of North Carolina, for the administration and enforcement of this chapter as herein provided and for educational activities relating to boating safety and for acquisition of land and provision of facilities for access to waters of this State and for no other purpose. All monies collected pursuant to the numbering provisions of this chapter and monies otherwise provided for in this chapter shall be made available to carry out the intent and purposes as set forth herein in accordance with plans approved by the Wildlife Resources Commission and all such funds are hereby appropriated, reserved, set aside and made available until expended for the enforcement and administration of this chapter; provided that the Wildlife Resources Commission is hereby authorized to adopt a plan or formula for the use of said monies for employing and equipping such additional personnel as may be necessary for carrying out the provisions of this chapter and for paying a proportionate share of the salaries, expense, and operational costs of existing personnel according to the time and effort expended by them in carrying out the provisions of this chapter. Such plan or formula may be altered or amended from time to time by the Wildlife Resources Commission as existing conditions may warrant. No funds derived from the sale of hunting licenses or fishing licenses shall be expended or diverted for carrying out the provisions of this chapter. (1959, c. 1064, s. 3; 1961, c. 644; 1963, c. 1003.)

**Editor's Note.** — The 1961 amendment rewrote the latter part of the first sentence of subsection (c).

The 1963 amendment inserted near the end of the third sentence of subsection

(c) the words "and for acquisition of land and provision of facilities for access to waters of this State."

As only this subsection was changed the rest of the section is not set out.

**§ 75A-5. Application for numbers; fee; displaying; reciprocity; change of ownership; loss of certificate; presumption from possession of certificate; conformity with United States regulations; award of certificates; records; renewal of certificates; transfer of interest, abandonment, etc.; change of address; unauthorized numbers.**—(a) The owner of each motorboat requiring numbering by this State shall file an application for number with the Wildlife Resources Commission on forms approved by it. The application shall be signed by the owner, or his agent, of the motorboat and shall be accompanied by a fee of three dollars (\$3.00). Upon receipt of the application in approved form the Commission shall have the same entered upon the records of its office and issue to the applicant a certificate of number stating the number awarded to the motorboat and the name and address of the owner. The owner shall paint on or attach to each side of the bow of the motorboat the identification number in such manner as may be prescribed by rules and regulations of the Commission in order that it may be clearly visible. The number shall be maintained in legible condition. The certificate of number shall be pocket size and shall be available at all times for inspection on the motorboat for which issued, whenever such motorboat is in operation. Provided, how-

ever, any person charged with failing to so carry such certificate of number shall not be convicted if he produces in court a certificate of number theretofore issued to him and valid at the time of his arrest.

(h) Each certificate of number awarded pursuant to this chapter must be renewed each year on or before January 1; otherwise, such certificate shall lapse and be void. Application for renewal shall be submitted on forms approved by the Wildlife Resources Commission and shall be accompanied by a fee of three dollars (\$3.00); provided, there shall be no fee required for renewal of certificates of number which have been previously issued to commercial fishing boats as defined in G. S. 75A-5.1, upon compliance with all of the requirements of that section.

(1961, c. 469, s. 1; 1963, c. 470.)

**Editor's Note.**—The 1961 amendment, effective July 1, 1961, added the proviso to subsection (h).

The 1963 amendment added the proviso to subsection (a).

As only subsections (a) and (h) were changed by the amendments the rest of the section is not set out.

**§ 75A-5.1. Commercial fishing boats; renewal of number.**—(a) The owner or operator of any commercial fishing boat which is currently licensed for the use of commercial fishing gear under the provisions of G. S. 113-174.7, shall be entitled to renewal of the certificate of number of such boat when such owner has complied with all of the conditions of this section.

(b) For the purpose of this section, commercial fishing boats are defined as motorboats which are used primarily for commercial fishing operations, from which operations the owners and/or operators thereof derived more than one half of their gross incomes during the preceding calendar year.

(c) In order to be entitled to renewal of certificate of number under the provisions of this section, the owner of the boat shall submit, and the Wildlife Resources Commission shall require:

- (1) The regular application for renewal of the certificate of number of such boat, as provided by G. S. 75A-5;
- (2) A statement, on a form to be supplied by the Commission, and signed by the applicant, that the boat for which the application for renewal is made is a commercial fishing boat as herein defined; and
