Preface

This Cumulative Supplement to Replacement Volume 3A contains the general laws of a permanent nature enacted at the 1966, 1967, 1969, 1971 and 1973 Sessions of the General Assembly, which are within the scope of such volume, and brings to date the annotations included therein.

Amendments of former laws are inserted under the same section numbers appearing in the General Statutes, and new laws appear under the proper chapter headings. Editors' notes point out many of the changes effected by the amendatory acts.

Chapter analyses show new sections and also old sections with changed captions. An index to all statutes codified herein appears in Replacement Volumes 4B, 4C and 4D and the 1973 Supplements thereto.

A majority of the Session Laws are made effective upon ratification but a few provide for stated effective dates. If the Session Law makes no provision for an effective date, the law becomes effective under G.S. 120-20 "from and after thirty days after the adjournment of the session" in which passed. All legislation appearing herein became effective upon ratification, unless noted to the contrary in an editor's note or an effective date note.

Beginning with the opinions issued by the North Carolina Attorney General on July 1, 1969, any opinion which construes a specific statute will be cited as an annotation to that statute. For a copy of an opinion or of its headnotes write the Attorney General, P.O. Box 629, Raleigh, N.C. 27602.

The members of the North Carolina Bar are requested to communicate any defects they may find in the General Statutes or in this Supplement, and any suggestions they may have for improving the General Statutes, to the Department of Justice of the State of North Carolina, or to The Michie Company, Law Publishers, Charlottesville, Virginia.

Editor's Note.—

The 1973 amendment, effective July 1, 1973, rewrote the last sentence in subdivision (4)a of subsection (a), deleted "Total magnesium oxide . . . — percent" under "Field Fertilizer" and "Plant Bed Fertilizer" and rewrote the former last two paragraphs of subdivision (4)b in subsection

(a) and deleted, at the end of subdivision (6) of subsection (a), "excepting that the sulfur guarantee for fertilizers branded for tobacco shall be both the maximum and the minimum percentages."

As the rest of the section was not changed by the amendment, only subsection (a) is set out.

§ 106-50.6. Inspection fees.

(b) Reporting System.—Each manufacturer, importer, jobber, firm, corporation or person who distributes commercial fertilizers in this State shall make ap-

plication to the Commissioner of Agriculture for a permit to report the tonnage of commercial fertilizer sold and shall pay to the North Carolina Department of Agriculture an inspection fee of twenty-five cents (25¢) per ton. The Commissioner of Agriculture is authorized to require each such distributor to keep such records as may be necessary to indicate accurately the tonnage of commercial fertilizers sold in the State, and as are satisfactory to the Commissioner of Agriculture. Such records shall be available to the Commissioner, or his duly authorized representative, at any and all reasonable hours for the purpose of making such examination as is necessary to verify the tonnage statement and the inspection fees paid. Each and every distributor shall report the tonnage sold monthly on forms furnished by the Commissioner. Such reports shall be made and inspection fee shall be due and payable monthly on the tenth day of each month covering the tonnage and kind of commercial fertilizers sold during the past month. If the report is not filed and the inspection fee paid by the tenth day following the date due or if the report of tonnage be false, the Commissioner may revoke the permit, and if the inspection fee be unpaid after the 15-day grace period, the amount shall bear a penalty of ten percent (10%) which shall be added to the inspection fee due and shall constitute a debt and become the basis of judgment against the securities or bond which may be required. In order to guarantee faithful performance with the provisions of this subsection each manufacturer, importer, jobber, firm, corporation or person shall, before being granted a permit to use the reporting system, deposit with the Commissioner cash in the amount of one thousand dollars (\$1,000) or securities acceptable to the Commissioner of a value of at least one thousand dollars (\$1,000) or shall post with the Commissioner a surety bond in like amount, executed by some corporate surety company authorized to do business in North Carolina. The Commissioner shall approve all such securities and bonds before acceptance. (1947, c. 1086, s. 6; 1949, c. 637, s. 3; 1959, c. 706, ss. 6, 7; 1973, c. 611, s. 5.)

Editor's Note.—

The 1973 amendment, effective July 1, 1973, deleted "under oath and" preceding "on forms" in the fourth sentence of subsection (b).

As subsection (a) was not changed by the amendment, it is not set out.

§ 106-50.10. Minimum plant food content.—No superphosphate containing less than eighteen percent (18%) available phosphoric acid nor any mixed fertilizer in which the sum of the guarantees for the nitrogen, available phosphoric acid, and soluble or available potash totals less than twenty percent (20%) may be offered for sale, sold, or distributed in this State. (1947, c. 1086, s. 10; 1951, c. 1026, s. 7; 1973, c. 611, s. 6.)

Editor's Note. — The 1973 amendment, effective July 1, 1973, deleted, at the end of the section, two exception clauses, one

relating to one grade of tobacco plant bed fertilizer and the other to complete field fertilizer.

ARTICLE 4C.

Structural Pest Control Act.

§ 106-65.23. **Structural Pest Control Division of Department of Agriculture created; Director; Structural Pest Control Committee created; appointment; terms; quorum.** — There is hereby created, within the North Carolina Department of Agriculture, a new division thereof, to be known as the Structural Pest Control Division of said Department.

The Commissioner of Agriculture is hereby authorized to appoint a Director of said Division whose duties and authority shall be determined by the Commissioner, subject to approval of the Board of Agriculture and subject to the provisions of this Article. Said Director shall act as secretary to the Structural Pest Control Committee herein created.

There is hereby created a Structural Pest Control Committee to be composed of five members. The Commissioner of Agriculture shall designate one member of the Board of Agriculture who shall serve as an ex officio member of said Committee for such time as he is a member of the Board of Agriculture. The Commissioner of Agriculture shall designate an employee of the Department of Agriculture to serve on said Committee at the pleasure of the Commissioner. The dean of the School of Agriculture of North Carolina State University at Raleigh shall appoint one member of the Committee who shall serve for one term of two years and who shall be a member of the entomology faculty of said University. The vacancy occurring on the Committee by the expired term of the member from the entomology faculty of said University shall be filled by the dean of the School of Agriculture of North Carolina State University at Raleigh who shall designate any person of his choice from the entomology faculty of said University to serve on said Committee at the pleasure of the dean. The Governor shall appoint two members of said Committee who are actively engaged in the pest control industry, who are licensed in at least two phases of structural pest control as provided under G.S. 106-65.25(a), and who are residents of the State of North Carolina but not affiliates of the same company. The initial Committee members from the pest control industry shall be appointed as follows: One for a two-year term and one for a three-year term. After the initial appointments by the Governor, all ensuing appointments by the Governor shall be for terms of four years. Any vacancy occurring on the Committee by reason of death, resignation, or otherwise shall be filled by the Governor or the Commissioner of Agriculture, as the case may be, for the unexpired term of the member whose seat is vacant. A member of the Committee appointed by the Governor shall not succeed himself.

It shall be the duty of the Structural Pest Control Committee, in addition to conducting hearings relating to the suspension and revocation of licenses issued under this Article, and in addition to making rules and regulations pursuant to G.S. 106-65.29, to report annually to the Board of Agriculture the results of all hearings conducted by the Committee and to report the financial status of this Division of the Department of Agriculture.

The Director shall be responsible for and answerable to the Commissioner of Agriculture as to the operation and conduct of the Structural Pest Control Division.

Each member of the Committee who is not an employee of the State shall receive twenty dollars (\$20.00) per diem while actually engaged in the business of the Committee. All members of the Committee and the attorney assigned to said Committee by the Attorney General shall be entitled to receive eight cents (8¢) per mile for travel and such other expenses as are incurred in the performance of their duties.

Three members of the Committee shall constitute a quorum but no action at any meeting of the Committee shall be taken without three votes in accord. The chairman shall be entitled to vote at all times.

The Committee shall meet at such times and such places in North Carolina as the chairman shall direct; provided, however, that three members of the Committee may call a special meeting of the Committee on five days' notice to the other members thereof.

All members of the Committee shall be appointed or designated, as the case may be, prior to and shall commence their respective terms on July 1, 1967.

At the first meeting of the Committee they shall elect a chairman who shall serve as such at the pleasure of the Committee. (1955, c. 1017; 1957, c. 1243, s. 1; 1967, c. 1184, s. 1; 1969, c. 541, s. 7; 1973, c. 556, s. 1.)

Editor's Note. — The 1967 amendment rewrote this section.

Session Laws 1967, c. 1184, s. 14, provides: "The terms of all members of the Structural Pest Control Commission shall expire on June 30, 1967."

Session Laws 1967, c. 1184, s. 15, provides: "All rules and regulations heretofore made by the Structural Pest Control Commission not inconsistent with the provisions of article 4C of chapter 106 of the General Statutes and this act, shall remain in full force and effect until repealed, revised, or amended pursuant to the provisions of said article and this act or until declared invalid by a court of competent jurisdiction."

The 1969 amendment deleted "in addition to the duties imposed by G.S. 106-65.36" following "Committee" near the beginning of the fourth paragraph.

The 1973 amendment inserted "from the entomology faculty of said University" in the fifth sentence and "who are licensed in at least two phases of structural pest control as provided under G.S. 106-65.25(a)" in the sixth sentence of the third paragraph.

- (3) Fumigation,

and a license is required for each such phase, and it shall be unlawful for any person, firm, corporation, association or any organization or combination thereof to engage in or supervise work as a manager, owner, or owner-operator in any phase of structural pest control unless there shall first be secured a valid license therefor, issued by the Structural Pest Control Committee, and signed by the Commissioner of Agriculture.

(c) Any person issued an original license after October 21, 1976, for any one or any combination of the three phases shall be deemed to be a "certified applicator" to use or supervise the use of pesticides which are classified for restricted use so long as the pesticides are being used only in the phase of structural pest control for which the person is licensed. (1955, c. 1017; 1957, c. 1243, s. 3; 1967, c. 1184, s. 4; 1973, c. 556, s. 3.)

- (2) One or more years' training in specialized pest control, control of wood-destroying organisms or fumigation under university or college supervision may be substituted for practical experience. Each year of such training may be substituted for one year of practical experience; provided, however, if applicant has had less than 12 months' practical experience, the Committee is authorized to determine whether said applicant has had sufficient experience to take the examination.
- (3) A degree from a recognized college or university with training in entomology, sanitary or public health engineering, or related subjects; provided, however, if applicant has had less than 12 months' practical experience, the Committee is authorized to determine whether said applicant has had sufficient experience to take the examination.
- (4) All applicants must have practical experience and knowledge of practical and scientific facts underlying the practice of structural pest control, control of wood-destroying organisms or fumigation.

No person who has within five years of his application been convicted of or has entered a plea of guilty or a plea of nolo contendere to a crime charged involving moral turpitude or who has forfeited bond to a charge involving moral turpitude, shall be entitled to take an examination or the issuance of a license under the provisions of this Article. Frequency of such examination shall be in the discretion of the Committee, consideration being given to the number of applications received, provided that a minimum of two examinations shall be given annually. The examination will cover phases of structural pest control (control of wood-destroying organisms, household pests and fumigation).

An applicant shall submit with his application for examination an examination fee of twenty-five dollars (\$25.00) for each of the phases of structural pest control in which he chooses to be examined. An examination for one or more phases of structural pest control may be taken at the same time. If an applicant fails to pass an examination for one or more phases of structural pest control, he shall be entitled to take one additional examination, at a regularly scheduled examination, without the payment of another examination fee.

(b) A license shall not be transferable. When there is a transfer of ownership, management or operation of a business of a licensee hereunder, the new owner, manager or operator (as the case may be) whether it be an individual, firm, partnership, corporation, or other entity, shall have 90 days from such sale or transfer, or until the next meeting of the Committee following the expiration of said 90-day period, to have a qualified licensee to operate said business.

(c) The Committee shall by regulation provide for:

- (1) All licensees licensed prior to October 21, 1976, to become qualified as certified applicators, and
- (2) Requalifying licensees as certified applicators thereafter as required by the federal government at intervals no more frequent than that specified by federal law and federal regulation. (1955, c. 1017; 1967, c. 1184, s. 6; 1973, c. 556, ss. 5, 6.)

- (2) Failure of the licensee to give the Committee, the Director, or their authorized representatives, upon request, true information regarding methods and materials used, or work performed.
- (3) Failure of the license holder to make registrations herein required or failure to pay the registration fees.

If a license is suspended or revoked under the provisions hereof, the licensee shall within five days of such suspension or revocation, surrender all licenses and identification cards issued thereunder to the Director or his authorized representative.

Any licensee whose license is revoked under the provisions of this Article shall not be eligible to apply for a new license hereunder until two years have elapsed from the date of the order revoking said license, or if an appeal is taken from said order of revocation, two years from the date of the order or final judgment sustaining said revocation.

The lapsing of a State structural pest control license by operation of law or the voluntary surrender of a license by a licensee shall not deprive the Committee of jurisdiction to proceed with any investigation or disciplinary proceedings against such licensee, or to render a decision suspending or revoking such license. (1955, c. 1017; 1967, c. 1184, s. 7; 1973, c. 556, ss. 7, 8.)

The inspectors shall be known as "structural pest control inspectors." The Director, subject to the approval of the Commissioner of Agriculture and the Board of Agriculture, shall enforce the provisions of this Article by making or causing to be made periodical and unannounced inspections of work done by licensees under this Article engaged in any one or more phases of structural pest control as defined in G.S. 106-65.25. The Director shall cause the prompt and diligent investigation of all reports of violations of the provisions of this Article and the rules and regulations adopted pursuant to the provisions hereof; provided, however, no inspection shall be made by the Director, or inspectors, of any property without first securing the permission of the owner or occupant thereof.

Prior to the issuance or renewal of a license, every nonresident owner of a business performing any phase of structural pest control work shall designate in writing to the Director, a resident agent upon whom service or notice of process may be had to enforce the provisions of this Article or any civil or criminal liabilities arising hereunder. (1955, c. 1017; 1967, c. 1184, s. 9; 1973, c. 556, s. 9.)

Licenses shall expire on June 30 of each year and shall be renewed annually. All licensees who fail or neglect to renew any license issued under the provisions of this Article on or before August 1 of each year, shall pay, in addition to the annual license fee, the sum of ten dollars (\$10.00) for each phase before his license is renewed.

Any licensee whose license is lost or destroyed may secure a duplicate license for a fee of five dollars (\$5.00).

A license holder shall register with the Director within 75 days of employment, the names of all solicitors and servicemen (not common laborers) and shall pay a registration fee of twenty dollars (\$20.00) for each name registered, which fee shall accompany the registration. All registrations expire when a license expires. Each employee of a licensee for whom registration is made and registration fee paid shall be issued an identification card which shall be carried on the person of the employee at all times when performing any phase of structural pest control work. An identification card shall be renewed annually by payment of a renewal fee of twenty dollars (\$20.00). Revision of Article.—Session Laws 1971, c. 779, revised and rewrote this Article, substituting present §§ 106-266.6 to 106-266.19 for former §§ 106-266.6 to 106-266.21. No attempt has been made to point out the changes effected, but the historical citations to the former sections have been added to the corresponding sections in the revised Article. Cases cited under the provisions of this Article were decided prior to the 1971 revision.

Session Laws 1971, c. 779, ss. 2 and 3 provide:

"Sec. 2. The reorganization of the Commission and revision of its powers and duties brought about by this amendment shall in no way affect the validity or continuity of any rule, regulation, order or action of the Commission which is in effect at the time this amendment becomes effective. All valid rules, regulations, orders and actions taken or adopted by the Commission at any time prior to the effective date of this amendment shall continue in full force and effect (without the necessity for readoption or reaffirmation of same) until such time as the same are rescinded or revised by the Commission.

§ 106-266.7. Milk Commission continued; membership; chairman; compensation; quorum; cooperation of other agencies; official acts; meetings; principal office.—(a) There is hereby continued a Milk Commission, consisting of seven members, all of whom shall be appointed by the Governor, and one of whom shall be a Grade A producer whose primary interest is operating a dairy farm and one a distributor or employee of a distributor; the other five shall be public members and shall have no financial interest in, or be directly involved in, the production, processing, or distribution of milk or products derived therefrom. Of the Commission members appointed following the ratification of this Article, the Governor shall appoint one for a term of one year, two for a term of two years, two for a term of three years, and two for a term of four years. Thereafter appointments of Commission members shall be made for a term of four years, ending on June 30th of the appropriate year; provided, however, that all members appointed pursuant to this section shall serve until their successors are appointed and qualified. In case of death or resignation of a member of the Commission prior to the expiration of his term of office, his successor shall be appointed by the Governor to fill out the unexpired term.

(b) At the first meeting of the Commission held after the effective date of this act, the Commission shall elect one of its public members as its chairman to serve through June 30th of the next following year. Thereafter, at its first meeting held on or after July first of each year, the Commission shall elect one of its public members to serve as chairman through June 30th of the next following year.

(c) The Commission is hereby authorized and empowered to employ an Administrator and such other personnel, including but not limited to, the services of any agency or agencies, either inside or outside the State, as may be deemed necessary in assembling information on costs and other factors needed to carry out the provisions of this Article.

"Sec. 3. The terms of office of present members of the Commission shall expire on the date when this act becomes effective."

The act was ratified July 7, 1971 and made effective 90 days after its ratification.

Editor's Note.—The 1973 amendment, effective July 1, 1973, substituted "Department of Human Resources" for "State Board of Health" in subdivision (5).

No Conflict with Federal Law.—There is no conflict between the North Carolina Milk Commission law and regulations and the federal procurement statute, nor is there conflict with the Capper-Volstead Act. *Southeast Milk Sales Ass'n v. Swaringen*, 290 F. Supp. 292 (M.D.N.C. 1968).

Regulations.—Control over the business of producing or dealing in milk and milk products is within the police power of the State, and reasonable regulation of the industry does not violate the constitutional right of equal protection. *Southeast Milk Sales Ass'n v. Swaringen*, 290 F. Supp. 292 (M.D.N.C. 1968).

Applied in State ex rel. North Carolina Milk Comm'n v. National Food Stores, 270 N.C. 323, 154 S.E.2d 548 (1967).

(d) The compensation for members of the Commission shall be set by the Governor with the approval of the Advisory Budget Commission. Members of the Commission shall also be reimbursed for actual and necessary expenses incurred in the performance of their duties.

(e) The compensation of the Administrator shall be set according to law.

(f) All sums required for the operation of the Commission—salaries, per diem, and expenses—shall be paid out of special assessments collected from producers and distributors as set forth in G.S. 106-266.11.

(g) Four members of the Commission shall constitute a quorum.

(h) The Commission may call upon the Commissioner of Agriculture, the Director of Agricultural Research, the Director of the Agricultural Extension Service, or any other agency or department of the State for such information or services as such agency or department can provide, and such agency or department shall furnish such information or services, without compensation therefor, as in its opinion is practicable.

(i) The Commission shall, subject to the limitations herein contained and the rules and regulations of the Commission, enforce the provisions of this Article; but no official act shall be taken, rule or regulation be promulgated, or official order be made or enforced, with respect to the provisions of this Article without the due approval of the Commission.

(j) The Commission shall, by rule or otherwise, fix the time for holding regular meetings. The chairman, or any two members of the Commission, may at any time call a special meeting of the Commission. Such call shall designate the time and place of the meeting, and shall give not less than five days written notice to each member by first-class mail to the address designated for said member on the records of the Commission. Notice of special meeting shall be signed by the person or persons calling the meeting and shall give a brief description of the business to be considered at said meeting. In addition, a special meeting of the Commission may be held at any time or place, either within or without the State, with the unanimous consent of all members of the Commission.

(k) The principal office of the Commission shall be in the City of Raleigh, North Carolina, in rooms assigned by the Department of Administration. (1953, c. 1338, s. 2; 1955, c. 406, ss. 2, 3; c. 1287, s. 1; 1965, c. 213; 1971, c. 779, s. 1.)

State Government Reorganization.—The Milk Commission was transferred to the Department of Commerce by § 143A-182, enacted by Session Laws 1971, c. 864.

The purpose of the act creating the Milk Commission was to protect the public interest in a sufficient, regularly flowing sup-

ply of wholesome milk and, to that end, to provide a fair price to the milk producer for his product. *State ex rel. North Carolina Milk Comm'n v. National Food Stores*, 270 N.C. 323, 154 S.E.2d 548 (1967).

§ 106-266.8. Powers of Commission.—The Commission is hereby declared to be an instrumentality of the State of North Carolina, vested with power:

- (1) To confer with the legally constituted authorities of other states of the United States, with a view of securing a uniformity of milk control, with respect to milk coming into the State of North Carolina and going out of the said State in interstate commerce, with a view of accomplishing the purpose of this Article, and to enter into a compact or compacts for such uniform system of milk control.
- (2) To investigate all matters pertaining to the production, processing, storage, distribution, and sale of milk for consumption in the State of North Carolina.
- (3) To supervise and regulate the transportation, processing, storage, distribution, delivery and sale of milk for consumption; provided that nothing in this Article shall be interpreted as giving the Commission any power to limit the quantity of milk that any producer can produce, nor the power to prohibit or restrict the admission of new producers.

- (4) To act as mediator or arbiter in any controversial issue that may arise among or between milk producers and distributors as between themselves, or that may arise between them as groups.
- (5) To cause examination into the business, books, and accounts of any milk producer, association of producers or milk distributors, their affiliates or subsidiaries; to issue subpoenas to milk producers, associations of producers, and milk distributors, and require them to produce their records, books, and accounts; to subpoena any other person from whom information is desired.
- (6) To take depositions of witnesses within or without the State. Any member of the Commission or any employee of the Commission, so designated, may administer oaths to witnesses and sign and issue subpoenas.
- (7) To make, adopt, and enforce all rules, regulations and orders necessary to carry out the purposes of this Article. Every rule, regulation and order of the Commission shall be posted for inspection in the main office of the Commission. A certified copy of all general administrative rules and regulations or rules of practice and procedure shall be filed with the Secretary of State and with each clerk of the superior court as required by G.S. 143-195 and G.S. 143-198.1, and a certified copy thereof shall likewise be mailed in a sealed envelope, with postage prepaid, to all licensed distributors and associations of producers in the State. Such filing and mailing shall constitute due and sufficient notice to all persons affected by such rule, regulation or order. An order which applies only to a person or persons named therein shall be served on the person or persons affected. An order, herein required to be served, shall be served by personal delivery of a certified copy, or by mailing a certified copy in a sealed envelope, with postage prepaid, to each person affected thereby, or in the case of a corporation, to any officer or agent of the corporation upon whom legal process may be served.
- (8) The operation and effect of any provision of this Article conferring a general power upon the Commission shall not be impaired or qualified by the granting to the Commission by this Article of a specific power or powers.
- (9) The Commission shall not exercise its power in any market until a public hearing has been held for such market, and the Commission determines that it will be to the public interest that it shall so exercise its power in such market. The Commission may, on its own motion, call such a hearing, and shall call such a hearing upon the written application of a producers' association organized under the laws of the State, supplying in the judgment of the Commission, a substantial proportion of the milk consumed in such market, but if no such producers' organization exists on said market, the Commission shall call such hearing upon the written application of producers supplying a substantial proportion of the milk consumed in said market; and shall call such hearing upon the written application of distributors, distributing a substantial proportion of the milk consumed in such market. Such hearing may be held at the time and place and after such notice as the Commission may determine.

The Commission may withdraw the exercise of its powers from any market after a public hearing has been held for such market, and the Commission determines that it will be to the public interest to withdraw the exercise of its powers from such market.
- (10) a. The Commission, after investigation and public hearing, may fix prices to be paid producers and/or associations of producers by distributors in any market or markets, and may also fix different prices for different grades or classes of milk.

- b. The Commission, after investigation and public hearing and finding as a fact that it is in the public interest, may fix the maximum and minimum wholesale and retail prices to be charged for milk in any market area by any person subject to this section and may fix different prices for different grades or classes of milk. The Commission may take into consideration the type of service rendered, the quantity delivered and the cost of the container.
 - c. Prices fixed under this subdivision (10) shall not become effective until 10 days after the mailing of notice of the action of the Commission. Prices fixed under b above shall remain in effect for at least 30 days and until the Commission finds it is in the public interest to remove said prices.
 - d. In determining the reasonableness of prices to be paid or charged in any market, the Commission shall be guided by the cost of production and distribution, including compliance with all sanitary regulations in force in such market or markets, necessary operating, processing, storage and delivery charges, the prices of other foods and other commodities, and the welfare of the general public.
 - e. In establishing producer prices for milk moving into other states, the Commission shall consider prevailing producer prices established by state or federal authority in such states.
- (11) The Commission may require all distributors in any market designated by the Commission to be licensed by the Commission for the purpose of carrying out the provisions of this Article. One who purchases milk from a licensed distributor for the purpose of retail sales shall not be required to be licensed hereunder. The Commission may decline to grant a license, or may suspend or revoke a license already granted upon due notice and after a hearing, whenever said applicant or licensee shall have violated the regulations adopted by the Commission or failed to comply with the requirements of this Article 28B, or upon any of the following grounds:
- a. Where the distributor has failed to account and make payment for any milk purchased or received on consignment or otherwise from a producer or association of producers, or has, if a subdistributor, failed to account and make payment for any milk purchased or received on consignment or otherwise from a distributor; provided, however, that it be shown there was reasonable cause for any such failure to account and make payment, and that such accounting and payment can and will be made promptly, the Commission shall not suspend or revoke a license solely for such failure until a reasonable opportunity has been afforded to make such accounting and payment.
 - b. Where the applicant or distributor has made a general assignment for the benefit of creditors, or has been adjudged a bankrupt or there has been entered against him a judgment upon which an execution remains wholly or partly unsatisfied, or where it is shown that the applicant or distributor has insufficient financial responsibility, personnel or equipment properly to conduct the milk business.
 - c. Where the applicant or distributor has engaged in a course of action such as to satisfy the Commission of an intent on his part to deceive or defraud customers, producers or consumers.
 - d. Where the applicant or distributor has failed to maintain such records as are required by the rules and regulations of the Commis-

sion or has failed to furnish the statements or information required by the Commission under this Article 28B or has kept false records or furnished false statements with respect to such information.

- e. Where the applicant or distributor has rejected, without reasonable cause, any milk purchased from a producer, or has refused to accept, without either reasonable cause or reasonable advance notice, milk delivered by or on behalf of a producer in ordinary continuance of a previous course of dealing, except when the contract has been lawfully terminated.

In any case where the Commission shall suspend a license, the Commission may, in its discretion, accept from the licensee an offer in compromise of not less than fifty dollars (\$50.00) and not more than five thousand dollars (\$5,000) as a penalty in lieu of such suspension, and thereupon rescind the suspension. All receipts from such penalties shall be paid by the Commission to the State Treasurer for disposition in the same manner as assessments, as provided by G.S. 106-266.12. The Commission may classify licenses, and may issue licenses to distributors to process or store or sell milk to a particular city or village or to a market or markets within the State of North Carolina.

- (12) Any member of the Commission, or any person designated for the purpose, shall have access to, and may enter at all reasonable hours, all places where milk is processed, stored, bottled or manufactured into food products. Any member of the Commission or designated employee shall have the power to inspect and copy books and records in any place within the State for the purpose of ascertaining facts to enable the Commission to administer this Article. The Commission may combine such information for any market or markets and make it public.
- (13) The Commission may define after a public hearing what shall constitute a natural-market area and define and fix limits of the milk shed or territorial area within which milk shall be produced to supply any such market area: Provided, that producers, producer-distributors or their successors now shipping milk to any market may continue to do so until they voluntarily discontinue shipping to the designated milk market.
- (14) Each licensee shall from time to time, as required by the Commission, submit verified reports containing such information as the Commission may require. (1953, c. 1338, s. 3; 1955, c. 1287, s. 2; 1959, c. 1292; 1963, c. 797, ss. 1-3; 1965, c. 936, s. 1; 1971, c. 779, s. 1; 1973, c. 811.)

Editor's Note. — The 1973 amendment, effective July 1, 1973, inserted "maximum and" and "by any person subject to this section" in the first sentence and added the second sentence of subdivision (10)b.

Regulation of Milk Prices.—The Commission was established as a State agency to protect the interest of the public in a regularly flowing supply of wholesome milk and is authorized, for that purpose, and that purpose only, to regulate, under proper circumstances and to a proper degree, the price of milk. State ex rel. North Carolina Milk Comm'n v. National Food Stores, Inc., 270 N.C. 323, 154 S.E.2d 548 (1967).

The Fourteenth Amendment to the Constitution of the United States does not forbid a state to confer upon an administrative agency the power to fix minimum

and maximum retail prices to be charged for the sale of milk in grocery stores to consumers for the purpose of assuring the steady flow of an adequate supply of clean, wholesome milk from the producing farms to the consumer. State ex rel. North Carolina Milk Comm'n v. National Food Stores, Inc., 270 N.C. 323, 154 S.E.2d 548 (1967).

Regulation and Fixing, etc.—

Neither N.C. Const., Art. I, § 32, nor Art. I, § 19, forbids the legislature of this State to confer upon the Milk Commission authority to fix a uniform rate for the transportation of milk from the farm to the processing plant so as to enable the producers of milk to secure a fair price for their product. State ex rel. North Carolina Milk Comm'n v. National Food Stores, Inc., 270 N.C. 323, 154 S.E.2d 548 (1967).

Regulation of Competition among Retail Grocery Stores Not Intended.—The Milk Commission was not established as an agency to regulate competition among retail grocery stores per se. State ex rel. North Carolina Milk Comm'n v. National Food Stores, Inc., 270 N.C. 323, 154 S.E.2d 548 (1967).

Sections of Milk Marketing Order No. Two Held Constitutional.—Sections IV-A-1, IV-B-2, IV-C-1, IV-C-2, IV-E-1A,

V-C-2, and V-C-4 of Milk Marketing Order No. Two of the North Carolina Milk Commission were held not to constitute a burden on interstate commerce, conflict with federal regulation of interstate commerce as provided in the Capper-Volstead Act, deny equal protection of the law and due process of law, or impair the obligations of contract. Southeast Milk Sales Ass'n v. Swaringen, 290 F. Supp. 292 (M.D.N.C. 1968).

§ 106-266.9. Distributors to be licensed; prices and practices of distributors regulated.—No distributor in a market in which the provisions of this Article are in effect shall buy milk from producers, or others, for sale within the State, or sell or distribute milk within the State, unless such distributor is duly licensed under the provisions of this Article. It shall be unlawful for a distributor to buy from or sell milk to a distributor who is not licensed as required by this Article. It shall be unlawful for any distributor to deal in, or handle milk if such distributor has reason to believe that the milk has been previously dealt in, or handled, in violation of the terms and provisions of this Article. No distributor shall violate the prices as established by or filed with the Commission or offer any discounts or rebates without authority from the Commission; and the Commission may prohibit such practices as it may deem to be contrary to the welfare of the public and the dairy industry, such as the use of special prices or special inducements in any form or any unfair trade practices in order to vary from the established prices. The Commission may require each distributor to file with the Commission one complete schedule of his wholesale and retail prices for each marketing area and may require each distributor to charge his posted prices for all sales and to give 10 days' notice by certified mail to the Commission and every licensed distributor in each marketing area affected prior to the effective date of any changes in said posted prices. The requirements as to filing price schedules shall not apply to retail stores the principal business of which is selling other than dairy products and which do not maintain or control directly or indirectly a milk processing plant. The Commission may prohibit a distributor from selling or offering for sale milk in any market or county at prices less than the prices filed for the market or county in which such distributor's processing or bottling plant is located, except in such cases as such sales may be made at a lower price or prices in good faith to meet competition. (1953, c. 1338, s. 4; 1955, c. 406, s. 4; 1963, c. 797, ss. 2, 4, 4½; 1971, c. 779, s. 1.)

§ 106-266.10. Licenses for distributors and subdistributors.—An application to the Commission for a license to operate as a distributor or subdistributor shall be made by mail or otherwise within 30 days after the provisions of this Article become effective in a market, and as to any distributor or subdistributor thereafter beginning business, before such distributor or subdistributor shall begin such business therein. The application shall be made on blanks furnished by the Commission for that purpose. Each distributor shall cooperate with the Commission in seeing to it that its subdistributors are informed concerning, and comply with, the provisions of this Article and the rules and regulations duly adopted by the Commission. (1953, c. 1338, s. 5; 1971, c. 779, s. 1.)

§ 106-266.11. Annual budget of Commission; collection of monthly assessments.—The Commission shall prepare an annual budget and shall collect the sums of money required for this budget from the distributors in the form of monthly assessments. The assessments so levied shall not exceed four cents (4¢) per 100 pounds of milk handled. One half of any such assessment shall be deducted from funds owed to a producer or any association of producers. (1953, c. 1338, s. 6; 1971, c. 779, s. 1.)

§ 106-266.12. Milk Commission Account; deductions by distributor from funds owed to producer.—All receipts from assessments collected under this Article shall be paid by the Commission to the State Treasurer and shall be placed by the State Treasurer in a general fund to the credit of an account to be known as the "Milk Commission Account" and such an amount as may be necessary, and no more, is hereby appropriated out of this Milk Commission Account, for the payment of all expenses incurred by the Commission in administering and enforcing this Article. The Commission shall require a distributor to make such deductions from funds owed to a producer as authorized by the producer. (1953, c. 1338, s. 7; 1971, c. 779, s. 1.)

§ 106-266.13. Injunctive relief.—In the event of violation of any provisions of this Article, or order promulgated under the provisions thereof, in addition to any other remedy, the Commission may apply to any court of record in the State of North Carolina for relief by injunction, if necessary, to protect the public interest without being compelled to allege or prove that any adequate remedy at law does not exist. (1953, c. 1338, s. 10; 1971, c. 779, s. 1.)

Applied in State ex rel. North Carolina Milk Comm'n v. National Food Stores, Inc.,
270 N.C. 323, 154 S.E.2d 548 (1967).

§ 106-266.14. Penalties.—Any person violating any provisions of this Article, or order promulgated under the provisions thereof, or of any license issued by the Commission shall be guilty of a misdemeanor and may be prosecuted and punished therefor, and upon conviction, shall be punished by a fine of not less than twenty-five dollars (\$25.00) and not more than one hundred dollars (\$100.00), or by imprisonment in the county jail for not less than 30 days nor more than one year, or by both fine and imprisonment, and each day during which such violation shall continue shall be deemed a separate violation. Prosecutions for violations of this Article shall be instituted by the Attorney General or otherwise, in any county or city of the State of North Carolina in which such violations occur. (1953, c. 1338, s. 11; 1971, c. 779, s. 1.)

§ 106-266.15. Appeals.—(a) Any person aggrieved by an order of the Commission revoking or suspending the license of a distributor or producer-distributor, or refusing to grant a license or to reissue a license or to transfer a license from one person to another, or by any action, rule, regulation, or order of the Commission applying only to a particular person (as distinguished from rules and regulations of general application), may have such order reviewed upon appeal to the superior court as provided in this subsection (a). Any such aggrieved person may within 40 days after the effective date of such action, rule, regulation, or order, appeal therefrom to the superior court. No such appeal shall act as a supersedeas except on a special order of the superior court allowing a supersedeas. Before the expiration of 40 days, such an aggrieved person shall file written notice of appeal with the Commission and within 10 days after receipt of said written notice of appeal, it shall be the duty of the Commission to certify a complete record of its proceedings with all papers or evidence to the clerk of the superior court of the county in which the appellant resides or to the clerk of the superior court of the county in which the violation occurred. The cause shall be entitled "State of North Carolina on Relation of the North Carolina Milk Commission v. (here insert name of appellant)," and said cause shall be placed on the civil docket of the superior court of said county and shall be heard de novo under the same rules and regulations as are prescribed for the trial of other civil causes. The Commission shall be deemed to be a party plaintiff on such appeal and at its request may present its contentions, make arguments, and take any other legal steps that a party to a civil action may take in the superior court, including the right to appeal to the Court of Appeals.

(b) The provisions of Article 33 of Chapter 143 of the General Statutes of North Carolina relating to "Judicial Review of Decisions of Certain Administrative Agencies" shall apply to appeals or petitions for judicial review by any person or persons aggrieved by an order of the Commission, fixing, revising or amending the price at or the terms upon which milk may be bought or sold, or by an order promulgating rules and regulations affecting the milk industry as a whole, or by any other order, action, rule, or regulation of the Commission of general application. In the event more than one person files a petition for judicial review of the same order, action, rule, or regulation, the cases shall be consolidated for hearing in the superior court. (1953, c. 1338, s. 12; 1969, c. 44, s. 67; 1971, c. 779, s. 1.)

Right of Appeal and Hearing De Novo.—A person aggrieved by a decision of the Commission in North Carolina has a right of appeal and to be heard de novo in

the superior court. *Southeast Milk Sales Ass'n v. Swaringen*, 290 F. Supp. 292 (M.D.N.C. 1968).

§ 106-266.16. Saving clause.—No provisions of this Article shall apply or be construed to apply to foreign or interstate commerce, except insofar as the same may be effective pursuant to the United States Constitution and to the laws of the United States enacted pursuant thereto. (1953, c. 1338, s. 13; 1971, c. 779, s. 1.)

§ 106-266.17. Marketing agreements not to be deemed illegal or in restraint of trade; conflicting laws.—The making of marketing agreements between producers' cooperative marketing associations and distributors and producer-distributors under the provisions of this Article shall not be deemed a combination in restraint of trade or an illegal monopoly, or an attempt to lessen competition or fix prices arbitrarily nor shall the marketing contract or agreements between the association and the distributors and producer-distributors, or any agreements authorized in this Article, be considered illegal or in restraint of trade. All laws and clauses of laws in conflict with the provisions of this Article are hereby repealed to the extent necessary for the full operation of this Article. No provisions of this Article shall be deemed in conflict with Articles 28 and 28A of Chapter 106 of the General Statutes. No provisions of this Article shall be deemed in conflict with the authority granted to county, city-county and district boards of health by G.S. 130-19, 130-20, 130-66, to make and enforce rules and regulations governing milk sanitation or with the authority granted to the department of Human Resources by G.S. 130-3 to make sanitary inquiries and investigations. (1953, c. 1338, s. 14; 1971, c. 779, s. 1; 1973, c. 476, s. 128.)

Editor's Note.—The 1973 amendment, "ment of Human Resources" for "State effective July 1, 1973, substituted "Depart- Board of Health."

§ 106-266.18. Limitations upon power of Commission.—Nothing in this Article shall be interpreted as giving the Commission any power to limit the quantity of milk that any producer can produce, nor the power to prohibit or restrict the admission of new producers, nor the power to restrict the marketing area of any producer. (1953, c. 1338, s. 14½; 1971, c. 779, s. 1.)

§ 106-266.19. Sale below cost to injure or destroy competition prohibited.—The sale of milk by any distributor or producer-distributor or retailer below cost for the purpose of injuring, harassing or destroying competition is hereby prohibited; and the offering for sale of milk by a retailer at below-cost prices to induce the public to patronize his store, or what is commonly known in the trade as using milk as a "loss leader" is also hereby prohibited. At any hearing or trial on a complaint under this section, evidence of sale of milk by a distributor or subdistributor or retailer below cost shall constitute prima facie evidence of the violation or violations alleged, and the burden of rebutting the prima facie case thus made, by showing that the same was justified in that it was not, in fact, made below cost or that it was not for the purpose of injuring, harassing or de-

stroying competition, or that it was not used as a "loss leader" or to induce the public to patronize his store, shall be upon the person charged with a violation of this section. As used herein the term "cost" shall be construed to mean the price paid for Grade A or Class I milk in the area where such sale is made plus a reasonable allocation of processing and marketing expenses. In determining whether any sale has been made in violation of this section, the Commission shall consider all discounts, rebates, gratuities or any other matters which may have the effect of either directly or indirectly reducing the price received by the distributor or producer-distributor or retailer involved. The prima facie case of a violation of this section, made by proof of sale below cost, may be rebutted by proof of any of the following facts:

- (1) The merchandise was damaged, or
- (2) The milk was sold upon the final liquidation of a business, or
- (3) The milk was sold to an organized charity or to a relief agency, or
- (4) The milk was sold by an officer acting under the direction of any court.

Constitutionality.—The provisions of this section making proof of the sale of milk by a retailer below cost prima facie evidence of a purpose to injure, harass or destroy competition in the marketing of milk, is

not beyond the constitutional power of the legislature. State ex rel. North Carolina Milk Comm'n v. National Food Stores, Inc., 270 N.C. 323, 154 S.E.2d 548 (1967).

North Carolina Seed Law.

§ 106-277. Purpose.

Protective Purpose of Article. — This Article has declared the policy of North Carolina to be one of protecting the farmer from the disastrous consequences of planting seed of one kind, believing he is planting another and from the consequences of the sale and delivery to farmers of seed falsely labeled. Gore v. George J. Ball, Inc., 279 N.C. 192, 182 S.E.2d 389 (1971).

This Article is not limited in its purpose or scope to the protection of the purchaser

from fraud by the immediate vendor. Gore v. George J. Ball, Inc., 279 N.C. 192, 182 S.E.2d 389 (1971).

This Article is not a safety statute, therefore evidence of a violation of it is not necessarily evidence of negligence. Gore v. George J. Ball, Inc., 279 N.C. 192, 182 S.E.2d 389 (1971).

Applied in Gore v. George J. Ball, Inc., 10 N.C. App. 310, 178 S.E.2d 237 (1971).

§ 106-277.2. **Definitions.**—As used in this Article, unless the context clearly requires otherwise:

- (6) The term "code designation" means a series of numbers or letters approved by the United States Department of Agriculture and used in lieu of the full name and address of the person who labels seeds, as required in this Article in G.S. 106-277.5(10).
- (23) The term "official certifying agency" means

- a. An agency authorized under the laws of a state, territory, or possession to officially certify seed which has standards and procedures approved by the U.S. Secretary of Agriculture to assure the genetic purity and identity of the seed certified, or
 - b. An agency of a foreign country determined by the U.S. Secretary of Agriculture to adhere to procedures and standards for seed certification comparable to those adhered to generally by seed certifying agencies under a.
- (36) The term "variety" means a subdivision of a kind characterized by growth, plant, fruit, seed or other constant characteristics by which it can be differentiated in successive generations from other sorts of the same kind; for example, Knox Wheat, Kobe Striate Lespedeza, Ranger Alfalfa, Kentucky 31 Tall Fescue.
- (40) "Blend"—A mechanical combination of varieties identified by a blend designation in which each component variety is equal to or above the minimum standard germination for its class; which is always present in the same percentage in each lot identified by the same "blend" designation; and for which research data supports an advantage of the "blend" over the singular use of either component variety. "Blend" designations shall be treated as variety names.
- (41) "Brand"—An identifying numeral, letter, word, or any combination of these, used with the word "brand" to designate source of seeds. (1941, c. 114, s. 3; 1943, c. 203, s. 1; 1945, c. 828; 1949, c. 725; 1953, c. 856, ss. 1-3; 1963, c. 1182; 1971, c. 637, s. 1.)

Editor's Note. — The 1971 amendment, effective Oct. 1, 1971, substituted "labels seeds, as required in this Article in G.S. 106-277.5(10)" for "tags or labels seed" in subdivision (6), rewrote subdivision (23), deleted "Dixie 82 Corn" following "for example," in subdivision (36) and added subdivisions (40) and (41).

Only the introductory paragraph and the subdivisions changed or added by the amendment are set out.

Stated in *Gore v. George J. Ball, Inc.*, 279 N.C. 192, 182 S.E.2d 389 (1971).

§ 106-277.4. Labels for treated seeds; coloring of seeds treated with poisonous substance.—(a) All seeds which are treated, as defined in this Article, shall be labeled to show the following information on a separate label, or on the same label as used for other information (purity, germination, etc.) required by this Article, or on the container of seed.

- (1) A word or statement in type no smaller than eight points indicating that the seed has been treated.
- (2) The commonly accepted coined, chemical (generic) or abbreviated chemical name of a substance or a description of any process (other than application of a substance) used in such treatment in type no smaller than eight points.
- (3) A caution statement if the substance used in such treatment in the amount remaining with the seed is harmful to humans or other vertebrate animals.
- (4) All seeds treated with a poisonous substance, if the amount remaining with the seed is in excess of a tolerance recognized by the U.S. Department of Agriculture, or treatment for which no tolerance or exemption from tolerance is recognized by the U.S. Department of Ag-

riculture, shall be conspicuously colored to prevent their subsequent inadvertent use for purposes other than for seeding.

(1971, c. 637, s. 2.)

Editor's Note. — The 1971 amendment, effective Oct. 1, 1971, added subdivision (4) of subsection (a).

As the rest of the section was not changed by the amendment, only subsection (a) is set out.

§ 106-277.5. Labels for agricultural seeds.—Agricultural seeds sold, offered or exposed for sale, or transported for sale within this State shall be labeled to show the following information:

- (1) The commonly accepted name of the kind and the variety, or kind and the phrase "variety not stated" for each agricultural seed component, in excess of five percent (5%) of the whole, and the percentage by weight of each in order of its predominance. When more than one component is required to be named, the word "mixture" or the word "mixed" shall be shown conspicuously on the label. Second generation from hybrid seeds, if sold, shall be labeled "second generation (of the parent), variety not stated." "F" designations on labels, unless used as a part of a variety name, will refer only to size and shape of corn seeds.
- (10) Name and address of person who labeled said seed or who sells, offers or exposes said seed for sale within this State. If the seeds are labeled by the shipper for a consignee within this State, the shipper may use his approved code designation with the name and address of the consignee. (1941, c. 114, s. 4; 1943, c. 203, s. 2; 1945, c. 828; 1949, c. 725; 1959, c. 585, s. 1; 1963, c. 1182; 1971, c. 637, s. 3.)

Editor's Note. — The 1971 amendment, effective Oct. 1, 1971, rewrote subdivision (1), deleted "or code designation" following "address" in the first sentence of subdivision (10) and added the second sentence of subdivision (10).

As subdivisions (2) through (9) were not changed by the amendment, they are not set out.

§ 106-277.6. Labels for vegetable seeds in containers of one pound or less.—Labels for vegetable seeds in containers of one pound or less shall show the following information:

- (5) Name and address of person who labeled said seed or who sells, offers or exposes said seed for sale within this State. If the seeds are labeled by the shipper for a consignee within this State, the shipper may use his approved code designation with the name and address of the consignee. Stated in *Gore v. George J. Ball, Inc.*, 279 N.C. 192, 182 S.E.2d 389 (1971).

§ 106-277.9. Prohibitions.—It shall be unlawful for any person:

(1) To transport, to offer for transportation, to sell, offer for sale or expose for sale within this State agricultural or vegetable seeds for seeding purposes:

- a. Unless a seed license has been obtained in accordance with the provisions of this Article.
- b. Unless the test to determine the percentage of germination required by G.S. 106-277.5 through 106-277.7 shall have been completed within a nine-month period, exclusive of the calendar month in which the test was completed, immediately prior to sale, exposure for sale, or offering for sale or transportation; provided, the North Carolina Board of Agriculture may adopt after a public hearing, following public notice, rules and regulations to designate a longer period for any kind of agricultural or vegetable seed which is packaged in such container materials (hermetically sealed), and under such other conditions prescribed, that will, during such longer period, maintain the viability of said seed under ordinary conditions of handling.

- e. Consisting of or containing prohibited noxious-weed seeds.

- h. That have been treated and not labeled as required in this Article, or treated and not conspicuously colored.

- j. To which there is affixed names or terms that create a misleading impression as to the kind, kind and variety, history, productivity, quality or origin of the seeds.
- k. Represented to be certified, registered or foundation seed unless it has been produced, processed and labeled in accordance with the procedures and in compliance with rules and regulations of an officially recognized certifying agency.

- l. Represented to be a hybrid unless such seed conforms to the definition of a hybrid as defined in this Article.
- m. Unless it conforms to the definition of a "lot."
- n. Any variety, hybrid or blend of seeds not recorded with the Commissioner as required under rules and regulations promulgated pursuant to this Article.
- o. Seed of any variety or hybrid that has been found by official variety tests to be inferior, misrepresented or unsuited to conditions within the State. The Commissioner may prohibit the sale of such seed by and with the advice of the director of research of the North Carolina agricultural experiment station.
- p. Using a designation on seed tag in lieu of the full name and address of the person who labels or tags seed unless such designation qualifies as a code designation under this Article.

Other mechanical combinations of varieties shall be labeled as a mixture according to the requirements in G.S. 106-277.5(1).

(1971, c. 637, s. 6.)

Editor's Note.—

The 1971 amendment, effective Oct. 1, 1971, added the proviso to paragraph b, added "or treated and not conspicuously colored" to paragraph h, substituted "hybrid or blend of seeds" for "or hybrid" in paragraph n and added paragraphs q, r and s to subdivision (1).

As the rest of the section was not changed by the amendment, only the introductory clause and subdivision (1) are set out.

Stated in *Gore v. George J. Ball, Inc.*, 279 N.C. 192, 182 S.E.2d 389 (1971).

§ 106-277.10. Exemptions.

Exemptions under this section are to be strictly construed. *Gore v. George J. Ball, Inc.*, 279 N.C. 192, 182 S.E.2d 389 (1971).

Exemption Does Not Apply to Breach of Contract.—Exemptions from the penalties imposed by this Article are not intended to absolve the vendor from liability to the purchaser for breach of contract. *Gore v. George J. Ball, Inc.*, 279 N.C. 192, 182 S.E.2d 389 (1971).

Mislabeled Seed.—The failure of a seed company to notify a customer, after re-

ceiving complaints from other customers that tomato seeds delivered to the customer were mislabeled, did not constitute negligence where the evidence disclosed that the defendant kept no records of the particular source of seed used to fill a given order, there being no duty to maintain such records, and defendant being unable to notify the customer in the absence of such data. *Gore v. George J. Ball, Inc.*, 10 N.C. App. 310, 178 S.E.2d 237 (1971).

§ 106-277.11. Disclaimers, nonwarranties and limited warranties.

Effect of Warranty Limitation. — The provision of this section barring a defense based on a warranty limitation clause in

any prosecution or in any proceedings for confiscation of seeds, does not have any bearing upon any other effect of such dis-

claimer or limitation clause. *Gore v. George J. Ball, Inc.*, 179 N.C. 192, 182 S.E.2d 389 (1971).

Warranty Limitation Does Not Bar Recovery of Full Damages.—The phrase, “to the extent of the purchase price,” used in a limitation of warranty, relied on by the seller of mislabeled seed, is contrary to the public policy of this State as declared

in this Article and is invalid. Such a provision, even if it otherwise be deemed a part of the contract of sale, does not bar the buyer from a recovery of the full damages which he would otherwise be entitled to recover for the breach of the contract by the seller. *Gore v. George J. Ball, Inc.*, 279 N.C. 192, 182 S.E.2d 389 (1971).

Stated in *Gore v. George J. Ball, Inc.*, 279 N.C. 192, 182 S.E.2d 389 (1971).

§ 106-277.28. Fees for tags, stamps and licenses.

- (1) Each seed dealer or grower selling, offering or exposing for sale in this State any agricultural or vegetable seeds for seeding purposes shall purchase from the Commissioner for two cents (2¢) each, official North Carolina seed analysis tags or stamps and shall attach a tag (or stamp on the seedman's label) to each container holding ten pounds or more of seed; provided, however, that a seed dealer or grower who sells only seed lots originated by his company may request to pay these applicable fees through the reporting system prescribed in subdivision (3) hereof; provided, further, that this subdivision shall not apply to the sale of seed by a farmer who sells only seed grown on his farm and when such sales are confined to his farm.

- (3) A seed dealer or grower who sells only seed lots originated by his company may request of the Commissioner of Agriculture authority to report the quantity of seed sold and to pay the fees applicable under G.S. 106-277.28 (1) in lieu of attaching an official North Carolina tag or stamp to each container of seeds weighing ten pounds or more.

Upon granting authority, the Commissioner of Agriculture shall require each seed dealer or grower to keep such records as may be necessary to indicate accurately the quantity of seeds and container weights sold from each distribution point in the State. Such records shall be available to the Commissioner or his duly authorized representative at any and all reasonable hours for the purpose of making such examination as is necessary to verify the quantity of seed sold and the fees paid. Each seed dealer or grower shall report quarterly on forms furnished by the Commissioner the quantity and container weight of seeds sold. The reports shall be made on the first day of January, April, July, and October, or within ten days thereafter, and the inspection fee shall be due and payable with the report. If the report is not filed and the inspection fee paid to the Department of Agriculture by the tenth day following the date due, or if the report of the quantity or container weights be false, the Commissioner may revoke the authority to use the reporting system. If the inspection fee is unpaid more than 15 days after the due date, the amount due shall bear a penalty of ten percent (10%) which shall be added to the inspection fee due and the Commissioner shall have authority to deduct said amount due and

penalty from the cash, securities or bond which has been deposited with the Department of Agriculture.

In order to guarantee faithful performance with the provisions of this section, each seed dealer or grower, before being granted a permit to use the reporting system, shall deposit with the Commissioner cash in the amount of five hundred dollars (\$500.00) or securities acceptable to the Commissioner of a value of at least five hundred dollars (\$500.00) or shall post with the Commissioner a surety bond in like amount, executed by some corporate surety company authorized to do business in North Carolina. (1941, c. 114, s. 7; 1945, c. 828; 1947, c. 928; 1949, c. 725; 1963, c. 1182; 1969, c. 105.)

Editor's Note.—The 1969 amendment, effective July 1, 1969, inserted the present first proviso in subdivision (1) and added subdivision (3).

As only subdivisions (1) and (3) were affected by the amendment, the rest of the section is not set out.

§ 106-277.29. Investigation committee; appointment; duties; authority.—(a) When any farmer believes that he has been damaged by the failure of agricultural or vegetable seed to produce or perform as represented by the label attached to such seed as required by G.S. 106-277.3, such farmer may make a sworn complaint against the dealer from whom such seeds were purchased, alleging the damages sustained, or to be sustained, and file same with the Commissioner of Agriculture within 10 days after alleged defect or violation becomes apparent and the farmer shall send a copy of said complaint to said dealer by United States registered mail. A filing fee of ten dollars (\$10.00) shall be paid to the Commissioner of Agriculture with each complaint filed. Within 10 days after receipt of a copy of the complaint, the dealer may file with the Commissioner of Agriculture his answer to said complaint and send a copy of same to the farmer by United States registered mail.

(b) Any seed dealer against whom suit is brought in any court, state or federal, by a farmer who alleges that he has been damaged by the failure of seeds purchased from a seed dealer to perform as labeled, may request an investigation by the investigating committee.

(c) The Commissioner of Agriculture shall refer the complaint and the answer thereto to the investigation committee provided in this Article for investigation, findings and recommendations on the matters complained of.

(d) The Commissioner of Agriculture shall appoint an investigation committee composed of five members, one each to be appointed upon the recommendation of the following: Director of the North Carolina Agricultural Experiment Stations, N.C. State University; Director of the North Carolina Agricultural Extension Service, N.C. State University; and President of the North Carolina Seedmen's Association. The other two members shall be appointed by the Commissioner of Agriculture. One of the members appointed by the Commissioner of Agriculture must be a farmer who is not connected in any way in selling seeds at retail or wholesale. Each member shall continue to serve until replaced by the Commissioner of Agriculture. The committee shall elect a chairman and a secretary from its membership. It shall be the duty of the chairman to conduct all meetings and deliberations held by the committee and to direct all other activities of the committee. It shall be the duty of the secretary to keep accurate and correct records on all meetings and deliberations and perform other duties for the committee as directed by the chairman.

(e) The purpose of the investigation committee is to assist farmers and agricultural seed dealers in determining the facts relating to matters alleged in complaints made by farmers against dealers. The committee may recommend money damages be paid the farmer as a result of alleged failure of seeds to produce as represented by the label on the seed container.

(f) The investigation committee may be called into session by the Commissioner of Agriculture at his discretion or upon the direction of the chairman to consider matters referred to it by the Commissioner of Agriculture.

(g) When the Commissioner of Agriculture refers to the investigation committee any complaint made by a farmer against a dealer, said committee shall make a full and complete investigation of the matters complained of, and at the conclusion of said investigation, report its findings to the Commissioner of Agriculture. Upon receipt of same, the Commissioner of Agriculture shall transmit the findings and recommendations of the investigation committee to the farmer and to the dealer by United States registered mail. Neither the farmer nor the dealer shall be bound by the recommendations of the investigation committee.

(h) In conducting its investigation, the investigation committee is authorized:

- (1) To examine the farmer on his farming operation of which he complains and the dealer on his packaging, labeling and selling operation of the seed alleged to be faulty;
- (2) To grow to production a representative sample of the alleged faulty seed through the facilities of the State, under the supervision of the Commissioner of Agriculture when such action is deemed by the committee to be necessary;
- (3) To hold informal hearings at a time and place directed by the chairman of the committee upon reasonable notice to the farmer and the dealer;
- (4) To seek evaluations from authorities in allied disciplines, when deemed necessary.

(i) The committee shall keep a record of its activities and reports on file in the North Carolina Department of Agriculture.

(j) Any investigation made by less than the whole membership of the committee shall be by authority of a written directive by the chairman and such investigation shall be summarized in writing and considered by the committee in reporting its findings and making its recommendations. (b) An inspection fee at the rate of 12 cents (12¢) per ton shall be paid on commercial feeds distributed in the State by the person whose name appears on the label of the commercial feed as the manufacturer, distributor or guarantor of the commercial feed, subject to the following:

- (1) No fee shall be paid on a commercial feed if the payment has been made by a previous distributor.
- (2) No fee shall be paid on customer-formula feeds if the inspection fee is paid on the commercial feeds which are used as ingredients therein.
- (3) No fee shall be paid on commercial feeds which are used as ingredients or a base for the manufacture of commercial feeds which are registered, if the fee has already been paid. If the inspection fee has already been paid on such commercial feed, the amount paid shall be deducted from the gross amount due on the total feed produced.

- (4) In the case of a commercial feed other than canned pet food which is distributed in the State only in packages of five pounds or less, an annual registration fee of twenty-five dollars (\$25.00) shall be paid in lieu of the inspection fee specified above.

- (c) Each person who is liable for the payment of such fee shall:
- (1) File, not later than the last day of January, April, July and October of each year, a quarterly statement setting forth the number of net tons of commercial feeds and/or cases of canned pet food distributed in this State during the preceding calendar quarter, and upon filing such statements shall pay the inspection fee at the rate stated in subsections (a) and (b) of this section. Inspection fees which are due and owing and have not been remitted to the Commissioner within 15 days following the due date shall have a penalty fee of ten percent (10%) (minimum \$10.00) added to the amount due when payment is finally made. The assessment of this penalty fee shall not prevent the Commissioner from taking other actions as provided in this Chapter.
 - (2) Keep such records as may be necessary or required by the Commissioner to indicate accurately the tonnage of commercial feed distributed in this State, and the Commissioner or his duly designated agent shall have the right to examine such records during normal business hours, to verify statements of tonnage. Failure to make an accurate statement of tonnage or to pay the inspection fee or comply as provided herein shall constitute sufficient cause for the cancellation of all registrations on file for the distributor. (1973, c. 771, s. 11.)

§ 106-284.41. Rules and regulations.—(a) The Board is authorized to promulgate such rules and regulations for commercial feeds and pet foods as are specifically authorized in this Article and such other reasonable rules and regulations as may be necessary for the efficient enforcement of this Article. In the interest of uniformity the Board shall by regulation adopt, unless it determines that they are inconsistent with the provisions of this Article or are not appropriate to conditions which exist in this State, the following:

- (1) The official definitions of feed ingredients and official feed terms adopted by the Association of American Feed Control Officials and published in the official publication of that organization, and
- (2) Any regulations promulgated pursuant to the authority of the Federal Food, Drug and Cosmetic Act ([21] U.S.C. sec. 301 et seq.).

(b) Before the issuance, amendment, or repeal of any rule or regulation authorized by this Article, the Board shall publish the proposed regulation, amendment, or notice to repeal an existing regulation in a manner reasonably calculated to give interested parties, including all current registrants, adequate notice and shall afford all interested persons an opportunity to present their views thereon, orally or in writing, within a reasonable period of time. After consideration of all views presented by interested persons, the Board shall take appropriate action to issue the proposed rule or regulation or to amend or repeal an existing rule or regulation. The provisions of this subsection notwithstanding, if the Board pursuant to the authority of this Article, adopts the official definitions of feed ingredients or official feed terms as adopted by the Association of American Feed Control Officials, or regulations promulgated pursuant to the authority of the Federal Food, Drug and Cosmetic Act, any amendment or modification adopted by said Association or by the Secretary of Health, Education and Welfare in the case of regulations promulgated pursuant to the Federal Food, Drug and Cosmetic Act, shall be deemed adopted automatically under this Article without regard to the publication of the notice required by this subsection (b), unless the Board by reso-

lution specifically determines that said amendment or modification shall not be adopted. (1973, c. 771, s. 12.)

§ 106-284.42. Inspection, sampling, and analysis.—(a) For the purpose of enforcement of this Article, and in order to determine whether its provisions have been complied with, including whether or not any operations may be subject to such provisions, officers or employees duly designated by the Commissioner upon presenting appropriate credentials, to the owner, operator, or agent in charge, are authorized (i) to enter, during normal business hours or actual operation, any factory, warehouse, or establishment within the State in which commercial feeds are manufactured, processed, packed, or held for distribution and take samples therefrom or to enter any vehicle being used to transport or hold such feeds and take samples therefrom; and (ii) to inspect during normal business hours or while in operation, such factory, warehouse, establishment or vehicle and all pertinent equipment, finished or unfinished materials, containers, and labeling therein. The inspection may include the verification of such records, and production and control procedures as may be necessary to determine compliance with this Article.

(b) A separate presentation of appropriate credentials shall be given for each such inspection, but a presentation shall not be required for each entry made during the period covered by the inspection. Each such inspection shall be commenced and completed with reasonable promptness. Upon completion of the inspection, the person in charge of the facility or vehicle shall be so notified.

(c) If the officer or employee making such inspection of a factory, warehouse, or other establishment has obtained a sample(s) in the course of the inspection, upon completion of the inspection and prior to leaving the premises he shall give to the owner, operator, or agent in charge a receipt describing the sample(s) obtained.

(d) If the owner of any factory, warehouse or establishment described in subsection (a), or his agent, refuses to admit the Commissioner or his agent to inspect in accordance with subsections (a) and (b), the Commissioner or his agent is authorized to obtain without notice from any district or superior court judge within the county where the facility is located, an order directing such owner or his agent to submit the premises described in such order to inspection.

(e) Sampling and analysis shall be conducted in accordance with methods published by the Association of Official Analytical Chemists, or in accordance with other generally recognized methods.

(f) The results of all analyses of official samples shall be forwarded by the Commissioner to the person named on the label and to the dealer. When the inspection and analysis of an official sample indicates a commercial feed has been adulterated or misbranded, and upon written request within 30 days following receipt of the analysis, the Commissioner shall furnish to the registrant a portion of the sample concerned.

(g) The Commissioner, in determining for administrative purposes whether a commercial feed is deficient in any component, shall be guided by the official sample as defined in G.S. 106-284.33, subdivision (14), and obtained and analyzed as provided for in subsections (a), (c), and (e) of this section.

(h) The Board is authorized to adopt regulations establishing permitted analytical variation providing for reasonable deviation from the guaranteed analysis.

(i) The registrant of a commercial feed found to be in significant violative deviation from the guarantee shall be subject to a penalty for this deviation.

(j) If the analysis of a sample shows a deviation from permitted analytical variation established by the Board, the registrant or other responsible person shall be penalized according to the following schedule:

<i>Component Deviating</i>	<i>Method of Penalty Assessment</i>
Crude protein	Three times the relative percentage * of deviation from the guarantee times the retail value of the commercial feed.
Crude fat	Ten percent (10%) of retail value of the lot of commercial feed.
Crude fiber	Ten percent (10%) of retail value of the lot of commercial feed.
Vitamins	Ten percent (10%) of retail value of the lot of commercial feed.
Minerals	Ten percent (10%) of retail value of the lot of commercial feed.
Crude protein equivalent from nonprotein nitrogen	Ten percent (10%) of retail value of the lot of commercial feed.
Animal drugs	Twenty percent (20%) of retail value of the lot of commercial feed.
Antibiotics	Twenty percent (20%) of retail value of the lot of commercial feed.
Other analysis	Ten percent (10%) of retail value of the lot of commercial feed.

* Example, a feed guaranteed 16.0% protein and assaying only 14.0%, will be considered as 2.0%/16.0%, or 12.5% deficient in protein. The penalty will be computed as $3 \times 0.125 \times$ retail value of the feed, or $0.375 \times$ retail value of the feed.

(k) Penalties for multiple deficiencies within a sample shall be additive; provided that in no case shall the penalty exceed the retail value of the product. The minimum penalty under any of the foregoing provisions shall be twenty-five dollars (\$25.00) or the retail value of the product whichever is smaller, regardless of the value of the deficiency.

(l) Within 60 days from the date of written notice by the Commissioner or his duly designated agent to the manufacturer, guarantor, dealer or agent, all penalties assessed and collected under this section shall be paid to the purchaser of the lot of feed or canned pet food represented by the sample analyzed. When such penalties are paid, receipts shall be taken and promptly forwarded to the Commissioner of Agriculture. If said consumers cannot be found, the amount of the penalty assessed shall be paid to the Commissioner of Agriculture who shall deposit the same in the Department of Agriculture fund, of which the State Treasurer is custodian, for the express purpose of enforcement of this Article. (1973, c. 771, s. 13.)

§ 106-284.43. Detained commercial feeds. — (a) “Withdrawal from distribution” orders: When the Commissioner or his authorized agent has reasonable cause to believe any lot of commercial feed is being distributed in violation of any of the provisions of this Article or of any of the prescribed regulations under this Article, he may issue and enforce a written or printed “withdrawal from distribution” order, ordering the distributor not to dispose of the lot of commercial feed in any manner until written permission is given by the Commissioner or a court. The Commissioner shall release the lot of commercial feed so withdrawn when said provisions and regulations have been complied with. If compliance is not obtained within 30 days, the Commissioner may begin, or upon request of the distributor or registrant shall begin, proceedings for condemnation.

(b) “Condemnation and confiscation”: Any lot of commercial feed not in compliance with said provisions and regulations shall be subject to seizure on complaint of the Commissioner to the superior court in the county in which said com-

mercial feed is located. In the event the court finds the said commercial feed to be in violation of this Article, and orders the condemnation of said commercial feed, it shall be disposed of in any manner consistent with the quality of the commercial feed and the laws of the State, provided, that in no instance shall the disposition of said commercial feed be ordered by the court without first giving the claimant an opportunity to apply to the court for release of said commercial feed or for permission to process or relabel said commercial feed to bring it into compliance with this Article. All costs and expenses incurred by the Department of Agriculture in any proceedings associated with such seizure and confiscation shall be paid by the claimant. (1973, c. 771, s. 14.)

§ 106-284.44. Penalties; enforcement of Article; judicial review; confidentiality of information.—(a) Any person who shall be adjudged to have violated any provision of this Article, or any regulation of the Board adopted pursuant to this Article, shall be guilty of a misdemeanor, and for each violation shall be fined not less than one hundred dollars (\$100.00) nor more than one thousand dollars (\$1,000) or shall be imprisoned for not more than 60 days, or both. In addition, if any person continues to violate or further violates any provision of this Article after written notice from the Commissioner, or his duly designated agent, the court may determine that each day during which the violation continued or is repeated constitutes a separate violation subject to the foregoing penalties.

(b) Nothing in this Article shall be construed as requiring the Commissioner or his representative to: (i) report for prosecution, or (ii) institute seizure proceedings, or (iii) issue a withdrawal from distribution order, as a result of minor violations of the Article, or when he believes the public interest will best be served by suitable notice of warning in writing.

(c) It shall be the duty of each solicitor to whom any violation is reported to cause appropriate proceedings to be instituted and prosecuted in a court of competent jurisdiction without delay. Before the Commissioner reports a violation for such prosecution, an opportunity shall be given the distributor to present his view to the Commissioner or his designated agent.

(d) The Commissioner is hereby authorized to apply for and the court to grant a temporary restraining order and a preliminary or permanent injunction restraining any person from violating or continuing to violate any of the provisions of this Article or any rule or regulation promulgated under the Article notwithstanding the existence of other remedies at law.

(e) Any person adversely affected by an act, order, or ruling made pursuant to the provisions of this Article may within 30 days thereafter bring action in the Superior Court of Wake County for judicial review of such act, order or ruling according to the provisions of Article 33 of Chapter 143 of the General Statutes.

(f) Any person who uses to his own advantage, or reveals to other than the Board, or officers of the other State agencies whose requests are deemed justifiable by the Commissioner, or to the courts when relevant in any judicial proceeding, any information acquired under the authority of this Article, concerning any method, records, formulations, or processes which as a trade secret is entitled to protection, is guilty of a misdemeanor and shall be subject upon conviction to the penalties contained in subsection (a) of this section; provided, that this prohibition shall not be deemed as prohibiting the Commissioner, or his duly authorized agent, from exchanging information of a regulatory nature with duly appointed officials of the United States government, or of the other states, who are similarly prohibited by law from revealing this information. (1973, c. 771, s. 15.)

§ 106-284.45. § 106-284.46. Publication.—The Commissioner shall publish at least annually, in such forms as he may deem proper, information concerning the sales of commercial feeds, together with such data on their production and use as he may consider advisable, and a report of the results of the analyses of official samples of commercial feeds sold within the State as compared with the analyses guaranteed in the registration and on the label; provided, that the information concerning production and use of commercial feed shall not disclose the operations of any person. All livestock that are inoculated with a product containing a living virus or other organism are subject to quarantine at the time of inoculation in accordance with regulations promulgated by the State Board of Agriculture: Provided, nothing herein contained shall be construed as preventing anyone entitled to administer serum or vaccine under existing laws from continuing to administer same. (1943, c. 640, s. 3; 1969, c. 606, s. 1.)

Editor's Note. — The 1969 amendment, ratified May 27, 1969, and made effective ninety days after ratification, substituted "may" for "shall" near the middle of the first sentence, inserted "other" preceding "organism" and substituted "are subject to

quarantine" for "shall be quarantined by the person inoculating same" in the second sentence and substituted "serum or" for "virus or serum" in the proviso at the end of the section.

§ 106-307.4. Quarantine of inoculated poultry.—All poultry that are inoculated with a product containing a living virus or other organism capable of causing disease shall be quarantined at the time of inoculation in accordance with regulations promulgated by the State Board of Agriculture. Provided nothing herein contained shall be construed as preventing anyone entitled to administer vaccines under existing laws from continuing to administer same. (1969, c. 606, s. 1.)

Editor's Note.—This section is new with the 1969 act. The section formerly numbered 106-307.4 is now § 106-307.5. Session

Laws 1969, c. 606, s. 3, makes the act effective ninety days after ratification. The act was ratified May 27, 1969.

§ 106-307.6. Violation made misdemeanor.—Any person, firm or corporation who shall violate any provisions set forth in G.S. 106-307.1 to G.S. 106-307.5 or any rule or regulation duly established by the State Board of Agriculture shall be guilty of a misdemeanor and shall be fined not in excess of five hundred dollars

Diseased livestock running at large. — Whenever the State Veterinarian is informed or reasonably believes that certain livestock is infected with or has been exposed to any contagious or infectious disease, that such livestock is running at large and that such livestock cannot be captured with the exercise of reasonable diligence, the State Veterinarian shall have authority to direct the appropriate sheriff or other proper officer to destroy such livestock in a reasonable manner and such sheriff or other officer shall make diligent effort to destroy such livestock. (1971, c. 676.)

Part 3. Hog Cholera.

§ 106-322.2. Destruction of swine affected with or exposed to hog cholera; indemnity payments.—If it appears in the judgment of the State Veterinarian to be necessary for the control and eradication of hog cholera to destroy or slaughter swine affected with or exposed to such disease, the State Veterinarian is authorized to order said swine destroyed or slaughtered, notwithstanding the wishes of the owners of said swine, provided that if the owner contests the diagnosis of hog cholera he shall be entitled to a review of the case by a licensed practicing veterinarian, the State Veterinarian, or his authorized representative, and the federal inspector in charge, or his authorized representative, to determine that a diagnosis of hog cholera was arrived at by the use of accepted, standard diagnostic techniques. The State Veterinarian is authorized to agree on the part of the State, in the case of swine destroyed or slaughtered on account of being affected with hog cholera or exposure to same to pay one half of the difference between the appraised value of each animal destroyed or slaughtered and the value of the salvage thereof; provided, that the State indemnity shall not be in excess of the indemnity payments made by the federal cooperating agency; provided further, that State indemnity payments shall be restricted to swine located on the farm or feed lot of the owner or authorized representative of the owner; provided further, that in no case shall any payments by the State be more than twenty-five dollars (\$25.00) for any grade swine nor more than one hundred dollars (\$100.00) for any purebred swine and subject to available State funds. The procedure for appraisal, disposal and salvage of slaughtered or destroyed swine shall be carried out in the same manner as that required under the General Statutes of North Carolina governing compensation for killing other diseased animals provided, however, that the appraisal may be made by the owner, or his representative, and the State Veterinarian, or his authorized representative, when agreement on the appraised value of the swine can be made; provided, further, that swine which entered the State thirty days or more before developing symptoms of hog cholera may be appraised in the same manner as swine which originate in North Carolina.

For the purposes of this section, "purebred swine" shall mean any swine upon which a certificate of pure breeding has been issued by a purebred swine association, or swine not more than twelve months of age eligible to receive such a certificate. (1963, c. 1084, s. 1; 1967, c. 105; 1969, c. 525, ss. 1, 2.)

Editor's Note.—The 1967 amendment rewrote this section.

The 1969 amendment substituted "one half" for "one third" near the beginning of the second sentence of the first paragraph and increased the maximum compensation in that paragraph from \$12.50

for any grade swine and \$25.00 for any purebred swine to \$25.00 for any grade swine and \$100 for any purebred swine. The amendment also added the second paragraph and the two provisos at the end of the first paragraph.

§ 106-322.3. When indemnity payments not to be made.—No payments shall be made for any swine slaughtered in the following cases:

- (1) If the owner does not clean up and disinfect premises as directed by an inspector of the Animal Health Division, Agricultural Research Service, United States Department of Agriculture or the State Veterinarian or his authorized representative;

- (11) Swine purchased by a buying station for slaughter which are not slaughtered within ten days of purchase. (1969, c. 525, s. 2½.)

Part 4. Compensation for Killing Diseased Animals.

§ 106-323. State to pay part of value of animals killed on account of disease.—If it appears to be necessary for the control or eradication of Bang's disease and tuberculosis and paratuberculosis in cattle, or glanders in horses and mules, to destroy such animals affected with such diseases and to compensate owners for loss thereof, the State Veterinarian is authorized, within his discretion, to agree on the part of the State, in the case of cattle destroyed for Bang's disease and tuberculosis, and paratuberculosis to pay one third of the difference between the appraised value of each animal so destroyed and the value of the salvage thereof: Provided, that in no case shall any payment by the State be more than twenty-five dollars (\$25.00) for any grade animal nor more than one hundred dollars (\$100.00) for any purebred animal; provided further, that the State indemnity shall not be in excess of the indemnity payments made by the federal government. In the case of horses or mules destroyed for glanders to pay one half of the appraised value, said half not to exceed one hundred dollars. (1919, c. 62, s. 1; C. S., s. 4882; 1929, c. 107; 1939, c. 272, ss. 1, 2; 1969, c. 525, s. 3.)

Editor's Note. — The 1969 amendment increased the maximum indemnity payments from \$12.50 for any grade animal and \$25.00 for any purebred animal to \$25.00 for any grade animal and \$100.00 for any purebred animal. The amendment also added the second proviso to the first sentence.

Part 7. Rabies.

§ 106-364. Definitions.—The following definitions shall apply to G.S. 106-364 to 106-387:

- (1) The term "dog" shall mean a dog of either sex.
- (2) The term "local health director" shall be understood to include district health officer, county health officer, city health officer, and city-county

health officer, county superintendent of health, or any other administrative head of a local health department.

- (3) The term "vaccination" shall be understood to mean the administration of antirabic vaccine approved by the United States Bureau of Animal Industry, the North Carolina State Department of Agriculture, and the North Carolina Commission for Health Services. (1935, c. 122, s. 1; 1949, c. 645, s. 1; 1953, c. 876, s. 1; 1957, c. 1357, s. 3; 1973, c. 476, s. 128.)

Editor's Note.—

The 1973 amendment, effective July 1, 1973, substituted "Commission for Health

Services" for "State Board of Health" in subdivision (3).

§ 106-365. Vaccination of all dogs.—In all counties where a campaign of vaccination is being conducted, it shall be the duty of the owner of each and every dog over four months of age to have same vaccinated against rabies annually, or at a time or times determined by the Commission for Health Services, but no more often than once in each calendar year in accordance with the provisions of G.S. 106-364 to 106-387. All antirabic vaccine shall be administered by licensed veterinarians or by properly qualified laymen in accordance with the provisions of G.S. 106-366. (1935, c. 122, s. 2; 1941, c. 259, s. 2; 1953, c. 876, s. 2; 1973, c. 476, s. 128.)

Editor's Note.—The 1973 amendment, effective July 1, 1973, substituted "Com-

mission for Health Services" for "State Board of Health" in the first sentence.

§ 106-379. Animals having rabies to be killed; heads ordered to a laboratory.

Editor's Note.—Session Laws 1973, c. 476, s. 128, effective July 1, 1973, amends this section by substituting "Department

of Human Resources" for "State Board of Health."

§ 106-381. Confinement or leashing of vicious animals.

Ordinance Valid.—An ordinance of a city making it unlawful to keep a dog which habitually or repeatedly chases, snaps at, attacks or barks at pedestrians, bicycles or vehicles is a valid exercise of the city's police power. *Gray v. Clark*, 9 N.C. App. 319, 176 S.E.2d 16 (1970).

To safeguard and promote the public health, safety and convenience, municipal power to regulate the keeping and licensing of dogs within the corporate area is generally recognized, and ordinances regulating and requiring them to be registered, licensed, and at times muzzled and prevented from going at large, are within the police powers usually conferred upon the local corporation. Such ordinances are authorized by virtue of general powers and the usual general welfare clause. *Gray v. Clark*, 9 N.C. App. 319, 176 S.E.2d 16 (1970).

Evidence Insufficient to Show Dog "Vicious".—Evidence that a small dog frequently dashed into the street to bark at and pursue motorcycles, automobiles, and other noisy vehicles is not sufficient to justify classifying him as a "vicious" animal and does not make him "a menace to the public health." *Sink v. Moore*, 267 N.C. 344, 148 S.E.2d 265 (1966); *Gray v. Clark*, 9 N.C. App. 319, 176 S.E.2d 16 (1970).

Canine courage in a contest for the championship of the neighborhood, together with determination to remain in possession of the field of battle "whence all but him had fled," is not evidence of a vicious character within the meaning of this section. *Sink v. Moore*, 267 N.C. 344, 148 S.E.2d 265 (1966).

§ 106-383. Regulation of content of vaccine; doses.—Rabies vaccine intended for use on dogs and other animals shall not be shipped or otherwise brought into North Carolina, used, sold, or offered for sale unless said rabies vaccine shall be approved by the U.S. Bureau of Animal Industry, North Carolina State Department of Agriculture and North Carolina Commission for Health Ser-

vices. Rabies vaccine shall be given in doses recommended by the manufacturer of the vaccine. (1935, c. 122, s. 20; 1953, c. 876, s. 15; 1973, c. 476, s. 128.)

Editor's Note.—The 1973 amendment, mission for Health Services" for "State effective July 1, 1973, substituted "Com- Board of Health" in the first sentence.

§ 106-388. Animals affected with, or exposed to, brucellosis declared subject to quarantine, etc.—It is hereby declared that the disease of animals known as brucellosis, or Bang's disease, is of an infectious and contagious nature, and animals affected with, or exposed to, or suspected of being carriers of the disease, shall be subject to quarantine and the rules and regulations of the Department of Agriculture. (1937, c. 175, s. 1; 1967, c. 511.)

Prior to the 1967 act this part consisted of §§ 106-388 to 106-399.

§ 106-389. Brucellosis defined; program for vaccination; sale, etc., of vaccine; cooperation with the United States Department of Agriculture.—Brucellosis shall mean the disease wherein an animal is infected with *Brucella* organisms (including *Brucella Abortus*, *B. Melitensis* and *B. Suis*), irrespective of the occurrence or absence of abortion or other symptoms. An animal shall be declared affected with brucellosis if it is classified as a reactor to a serological test for the disease, or if the *Brucella* organism has been found in the body, its secretions or discharges. The State Veterinarian is hereby authorized and empowered to set up a program for the vaccination of calves in accordance with the recommendations of the Brucellosis Committee of the United States Livestock Sanitary Association, and approved by the United States Department of Agriculture, when in his opinion vaccination is necessary for the control and eradication of brucellosis. Vaccinated animals shall be permanently identified by tattooing or other methods approved by the Commissioner of Agriculture. Above the ages designated by regulation of the Board of Agriculture, all such vaccinates classified as reactors on an official test for brucellosis, shall be considered as affected with brucellosis and shall be branded with the letter "B" in accordance with § 106-390. It shall be unlawful to sell, offer for sale, distribute, or use brucellosis vaccine or any product containing live *Brucella* organisms, except as provided for in regulations adopted by the Board of Agriculture.

The control and eradication of brucellosis in the herds of North Carolina shall be conducted as far as available funds will permit, and in accordance with the rules and regulations made by the Board of Agriculture. The Board of Agriculture is hereby authorized to cooperate with the United States Department of Agriculture in the control and eradication of brucellosis. (1937, c. 175, s. 2; 1945, c. 462, s. 1; 1953, c. 1119; 1967, c. 511.)

§ 106-390. Blood sample testing; diseased animals to be branded and quarantined; sale; removal of identification, etc.—All blood samples for the brucellosis test shall be drawn by persons whose qualifications are set by regulation of the Board of Agriculture. Animals from which blood is collected for a brucellosis test shall be identified by numbered ear tag, tattoo, or in some other manner approved by the Commissioner of Agriculture. It shall be the duty of the person who collects the blood sample, or other designated authorized person, to brand all cattle affected with brucellosis with the letter "B" on the left hip or jaw, not less than three or more than four inches high, tag such animals with an approved brucellosis reactor ear tag, and report the same to the State Veterinarian. It shall be the duty of the person owning said cattle at the time of said testing to assist with and cooperate with the person testing said cattle. Cattle affected with

brucellosis shall be quarantined and slaughtered at a State or federally inspected slaughter plant within ten (10) days after branding and tagging; provided the State Veterinarian, in his discretion, may grant an extension of time for said slaughter not to exceed thirty (30) days and; provided further that the Commissioner of Agriculture may allow a branded and tagged animal having unusual breeding value to be held for a period of time determined by him under conditions of isolation and quarantine prescribed by the State Veterinarian. Animals believed by the State Veterinarian or his authorized representative to have been exposed to brucellosis, or animals classified as suspects, shall be quarantined on the owner's premises or at such other place as is mutually agreeable to the owner and the State Veterinarian until the quarantine is removed in accordance with law or until the animal is disposed of in accordance with law. No animal affected with, or exposed to, brucellosis shall be sold, traded or otherwise disposed of except for immediate slaughter, and it shall be the duty of the person disposing of such infected animals to see that they are promptly slaughtered and a written report of same made to the State Veterinarian.

All cattle, swine, sheep, goats or other animals subject to infection by *Brucella* organisms, sold, or offered at public sale, except for immediate slaughter, shall be subject to test requirements established by the Board of Agriculture.

No ear tag, back tag, or other mark of identification approved by the Commissioner of Agriculture for identifying animals for the purpose of brucellosis testing, including testing at slaughter plants, shall be removed from the animal without authorization from the State Veterinarian or his authorized representative. (1937, c. 175, s. 3; 1945, c. 462, s. 2; 1959, c. 1171; 1963, c. 489; 1967 c. 511; 1969, c. 465.)

Editor's Note.—The 1969 amendment rewrote the first paragraph.

§ 106-391. Civil liability of vendors.—Any person, or persons, who knowingly sells, or otherwise disposes of, to another, an animal affected with brucellosis shall be liable in a civil action to any person injured, and for any and all damages resulting therefrom. (1937, c. 175, s. 4; 1967, c. 511.)

Duties of State Veterinarian; quarantine of animals; required testing.—When the State Veterinarian receives information, or has reasonable grounds to believe, that brucellosis exists in any animal, or animals, or that it has been exposed to the disease, he shall promptly cause said animal, or animals, to be quarantined on the premises of owner or such other place as is mutually agreeable to the owner and the State Veterinarian or his authorized representative. Said animals shall not be removed from premises where quarantined until quarantine has been released by State Veterinarian or his authorized representative. A permit to move such infected or exposed animals to immediate slaughter may be issued by the State Veterinarian or his authorized representative. The Board of Agriculture is empowered to make regulations to provide for compulsory testing of animals for brucellosis. (1937, c. 175, s. 6; 1967, c. 511.)

§ 106-394. Cooperation of county boards of commissioners. — The several boards of county commissioners in the State are hereby expressly authorized and empowered within their discretion to make such appropriations from the general funds of their county as will enable them to cooperate effectively with the

State and United States departments of agriculture in the eradication of brucellosis in their respective counties. (1937, c. 175, s. 7; 1967, c. 511.)

§ 106-395. Compulsory testing.—Whenever a county board of commissioners shall cooperate with the State and the United States governments, as provided for in §§ 106-388 to 106-398, the testing of all cattle in said county shall become compulsory, and it shall be the duty of the cattle owners to give such assistance as may be necessary for the proper testing of said cattle. (1937, c. 175, s. 8; 1967, c. 511.)

Violation made misdemeanor.—Any person or persons who shall violate any provision set forth in §§ 106-388 to 106-398, or any rule or regulation duly established pursuant to this article by the State Board of Agriculture or any inspector who shall wilfully fail to comply with any provisions of §§ 106-388 to 106-398, shall be guilty of a misdemeanor. (1937, c. 175, s. 11; 1967, c. 511.)

§ 106-398. Punishment for sale of animals known to be infected, or under quarantine.—Any person or persons who shall wilfully and knowingly sell or otherwise dispose of any animal or animals known to be affected with brucellosis, or under quarantine because of suspected exposure to brucellosis, except as provided for in §§ 106-388 to 106-398, shall be guilty of a misdemeanor, and punishable by a fine of not less than fifty dollars (\$50.00) and not more than two hundred dollars (\$200.00), or imprisoned for a term of not less than 30 days or more than two years. Part 9. Control of Livestock Diseases.

§ 106-401. State Veterinarian authorized to quarantine.—The State Veterinarian or his authorized representative is authorized to go upon or enter any property in the State, or to stop any motor vehicle on a public or private road to examine any animal which he has reasonable grounds to believe is affected with or exposed to a contagious disease. If such person refuses to consent to such entry and examination after the State Veterinarian or his authorized representative shall have notified, in writing, the owner or person in whose custody such animal or animals are found, of his intention to enter such property and conduct such examination, the State Veterinarian or his authorized representative may petition the district court in the county where such animal or animals are found for an order authorizing such entry and examination. The State Veterinarian or his authorized representative may quarantine any animal affected with or exposed to a contagious disease, or injected with or otherwise exposed to any material capable of producing a contagious disease and shall give public notice of such quarantine by posting or placarding with a suitable quarantine sign the entrance to any part of the premises on which such animal is held. No poultry under quarantine shall be moved from the place of quarantine except upon a written permit from the State Veterinarian or his authorized representative. Said quarantine shall remain in effect until cancelled by official written notice from the State Veterinarian or his authorized representative and shall not be released or cancelled until the sick or dead poultry have been properly disposed of and the premises have been properly cleaned and disinfected. The operation fee shall be waived when a livestock market operator employs a licensed, accredited veterinarian approved by the State Veterinarian to be present at the market from the starting time of the sale until all livestock to be admitted to the sales barn on that sale day have entered and such work in inspection, testing and vaccination as designated by the State Veterinarian has been completed. § 106-434. Bonds of superintendent, State employees and private warehouse facilities and their employees. — The person named as State warehouse superintendent shall give bond to the State of North Carolina in the sum of fifty thousand dollars (\$50,000) to guarantee the faithful performance of his duties, the expense of said bond to be paid by the State, to be approved as other bonds for State officers. The State Warehouse superintendent shall, to safeguard the interests of the State, require bonds from other State employees or agents authorized in § 106-433 (a), and may, both for the purpose of safeguarding the interests of the State and of depositors of agricultural commodities with valid, subsisting, and duly authenticated official negotiable warehouse receipts issued under and pursuant to § 106-441, or the pledgee or transferee of such official negotiable warehouse receipts under § 106-442, require bonds with corporate surety from privately owned and licensed warehouse facilities and from warehouse superintendents, managers and other employees of the licensed warehouse facilities authorized under G.S. 106-433 (b). All such bonds shall be in such ample penal sums and secured by corporate surety authorized to do business in the State of North Carolina, as the State warehouse superintendent may direct and find that ordinary business experience in such matters would require. Such bonds shall be made as part of the blanket bond of State officers and employees provided for in G.S. 128-8. (1919, c. 168, s. 4; 1921, c. 137, s. 4; C. S. s. 4925(d); 1965, c. 1029, s. 5; 1969, c. 844, s. 9.)

Editor's Note.—

The 1969 amendment added the last sentence.

§ 106-443. Issuance of false receipt a felony; punishment.

Gist of Offense under Section.—Despite its caption, the gist of the offense created by this section is not the issuing of a false warehouse receipt; rather, it is the issuing of a receipt without knowing it to be true. *State v. Woodcock*, 17 N.C. App. 242, 193 S.E.2d 759 (1973).

When Warehouse Receipts Were “Is-

sued”.—Warehouse receipts were “issued” by a warehouse manager within the meaning of this section when, after they had been signed by him, they were at his direction delivered to the bank where they were no longer under his control. *State v. Woodcock*, 17 N.C. App. 242, 193 S.E.2d 759 (1973).

§ 106-446. State not liable on warehouse debts; levy on cotton or levy on grain and soybeans levied if loss is sustained. — No debt or other liability shall be created against the State by reason of the lease or operation of the warehouse system created by this article or the storage of cotton or other agricultural commodities therein, it being the purpose of this article to establish a self-sustaining system to operate as nearly as practicable at cost, without profit or loss to the State, except that expenses of supervision shall be paid by the Board of Agriculture. While it is believed that the provisions and safeguards mentioned in this article, including the bonds required and supplemental indemnifying or guarantee fund mentioned in G.S. 106-435, will insure the security of the system beyond any reasonable possibility of loss, nevertheless, in order to establish the principle that this system should be supported by those for whose special financial benefit it is established, it is hereby provided that in the eventuality the system should suffer at any time any loss not fully covered by the aforementioned bonds and indemnifying fund, the State Board of Agriculture shall have the power to make such losses on cotton good by repeating for another 12 months selected by it

the special levy on ginned cotton, as prescribed in G.S. 106-435 for the two years ending June 30, 1923 and the State Board of Agriculture shall have the power to make good such losses on soybeans, corn, wheat and grain sorghum by levying an assessment of one cent (1¢) per bushel on each bushel of soybeans, corn, wheat, and grain sorghum sold by producers through commercial channels for such period of time as is necessary to pay off said loss. The assessment shall be paid by the producer of the soybeans, corn, wheat and grain sorghum to the collecting handler. The collecting handler shall be any person, firm, corporation or other legal entity who purchases soybeans, corn, wheat or grain sorghum from the producer. The collecting handler shall collect the assessment at the time he first makes any payment or any credit to the producer's account for the soybeans, corn, wheat or grain sorghum. Each collecting handler shall transmit assessment and reports on assessments to the North Carolina Department of Agriculture no later than the tenth day of the month next following the month in which the assessment was or should have been levied. The report which shall be sent to the Department of Agriculture with the assessment shall contain the following information:

- (1) Date of report;
- (2) Reporting period covered by report;
- (3) Name and address of collecting handler;
- (4) Listing of all producers from whom the collecting handler collected the assessment, and total number of bushels of each grain for each producer on which the collecting handler collected the assessment.

Failure of the collecting handler to collect the assessment shall not relieve the collecting handler of his obligation to remit the assessment to the North Carolina Department of Agriculture. Each collecting handler required to make reports pursuant to this article shall maintain such books and records as are required by the Commissioner of Agriculture or his authorized representative, and they shall be available for inspection for at least two years beyond the 12-month period of their applicability. The North Carolina Department of Agriculture shall have authority to make reasonable rules and regulations for the collection of this assessment and for the enforcement of this section. The funds collected pursuant to this section shall be held in the State treasury to the credit of the State warehouse system and shall be a part of the guarantee fund provided for in G.S. 106-435. (1919, c. 168, s. 16; 1921, c. 137, s. 16; C. S., s. 4925(p); 1941, c. 337, s. 9; 1965, c. 1029, s. 10; 1967, c. 560.)

Oath of tobacco weigher; duty of weigher to furnish list of number and weight of baskets weighed.—All leaf tobacco sold upon the floor of any tobacco warehouse shall first be weighed by some reliable person 18 years of age or older, who shall have first sworn and subscribed to the following oath, to wit: "I do solemnly swear (or affirm) that I will correctly and accurately weigh all tobacco offered for sale at the warehouse of, and correctly test and keep accurate the scales upon which the tobacco so offered for sale is weighed." Such oath shall be filed in the office of the clerk of the superior court of the county in which said warehouse is situated.

Immediately upon the weighing of any lot or lots of tobacco, the tobacco weigher shall furnish, upon request, to the person delivering such tobacco to the scale for weighing a true list showing the number of baskets of tobacco weighed and

the individual weight of each such basket so presented. (1895, c. 81, s. 2; Rev., s. 3043; C. S., s. 5125; 1951, c. 1105, s. 1; 1971, c. 1085, s. 2.)

Leaf Tobacco Sales.

§ 106-459. Penalty for failure to report sales.—Any warehouse failing to make the report as required by G.S. 106-457 shall be subject to a penalty of twenty-five dollars (\$25.00) and the costs in the case, to be recovered by any person suing for same. (1915, c. 31, s. 1; C. S., s. 4929; 1973, c. 108, s. 56.)

Editor's Note. — The 1973 amendment rewrote this section.

§ 106-465. Organization and membership of tobacco boards of trade; rules and regulations; fire insurance and extended coverage required; price fixing prohibited.—Tobacco warehousemen and the purchasers of leaf tobacco, at auction, on warehouse floors, are hereby authorized to organize, either as nonstock corporations, or voluntary associations, tobacco boards of trade in the several towns and cities in North Carolina in which leaf tobacco is sold on warehouse floors, at auction.

Such tobacco boards of trade as may now exist, or which may hereafter be organized, are authorized to make reasonable rules and regulations for the economical and efficient handling of the sale of leaf tobacco at auction on the warehouse floors in the several towns and cities in North Carolina in which an auction market is situated.

Each tobacco board of trade organized pursuant to this section shall, on or before June 1, 1973, by regulation, require that all auction warehouse firms which are members of, or may hereafter request membership in, such board of trade for the purpose of displaying for sale and selling leaf tobacco, deposit with the board of trade prior to the market opening, a copy of a policy of fire insurance and extended coverage in a company licensed to do business in North Carolina to fully insure, as determined by the board of trade, the market value of the maximum volume of tobacco that will be weighed and left displayed for sale on said warehouse floor at any time during the marketing season. Warehouses using mechanized conveyor-line auction sales where tobacco is not displayed for sale on sales floor would be excluded from the requirement of this regulation.

In determining the market value and maximum volume of tobacco that will be weighed and placed on said warehouse floor at any one time, the board of trade shall use as criteria the prior season's official gross average price for that belt, as recorded by the North Carolina Department of Agriculture and the maximum limit of daily sales, as recommended by the currently functioning flue-cured and burley tobacco marketing organizations, applied to each warehouse based on the firm's pro rata share of the market's maximum limit daily sales opportunity, multiplied times the number of days of sales that said warehouse plans to place on sales floor at any one time, including any and all tobacco weighed and deposited with the warehouse as bailee for future sale. The data relating to the official average price and the maximum limits of daily sales shall be assembled and supplied by the North Carolina Commissioner of Agriculture or his representative to the board of trade in each tobacco market in North Carolina, at least 30 days prior to the opening of markets in each belt.

It shall be unlawful for any person, firm, or corporation to operate an auction sale in said market until said policy is so deposited with and approved by the board of trade. The board of trade shall enjoin the sale of tobacco by any warehouse firm

that fails to so deposit a policy of fire insurance and extended coverage with the board.

The tobacco boards of trade in the several towns and cities in North Carolina are authorized to require as a condition to membership therein the applicants to pay a reasonable membership fee and the following schedule of maximum fees shall be deemed reasonable, to wit:

A membership fee of fifty dollars (\$50.00) in those towns in which less than three million pounds of tobacco was sold at auction between the dates of August 20, 1931, and May 1, 1932; a fee of one hundred dollars (\$100.00) in those towns in which during said period of time more than three million and less than 10 million pounds of tobacco was sold; a fee of one hundred fifty dollars (\$150.00) in those towns in which during said period of time more than 10 million and less than 25 million pounds of tobacco was sold; a fee of three hundred dollars (\$300.00) in those towns in which during said period of time more than 25 million pounds of tobacco was sold.

Membership, in good standing, in a local board of trade shall be deemed a reasonable requirement by such board of trade as a condition to participating in the business of operating a tobacco warehouse or the purchase of tobacco at auction therein.

Membership in the several boards of trade may be divided into two categories:

- (1) Warehousemen;
- (2) Purchasers of leaf tobacco other than warehousemen.

Purchasers of leaf tobacco may be: (i) participating or (ii) nonparticipating. The holder of a membership as a purchaser of leaf tobacco shall have the option of becoming, upon written notice to the board of trade, either a participating or a nonparticipating member. Individuals, partnerships, and/or corporations who are members of tobacco boards of trade, established under this section or coming within the provisions of this section, as nonparticipating members shall not participate in or have any voice or vote in the management, conduct, activities, allotment of sales time, and/or hours, the fixing of dates for the opening or closing of tobacco auction markets, or in any other manner or respect. Individuals, partnerships, and/or corporations who are such nonparticipating members in any of the several tobacco boards of trade shall not be responsible or liable for any of the acts, omissions or commissions of the several tobacco boards of trade.

It shall be unlawful and punishable as of a misdemeanor for any bidder or purchaser of tobacco upon warehouse floors to refuse to take and pay for any basket or baskets so bid off from the seller when the seller has or has not accepted the price offered by the purchaser or bidder of other baskets. Any person suspended or expelled from a tobacco board of trade under the provisions of this section may appeal from such suspension to the superior court of the county in which said board of trade is located.

Nothing in this section shall authorize the organization of any association having for its purpose the control of prices or the making of rules and regulations in restraint of trade. (1933, c. 268; 1951, c. 383; 1973, c. 96.)

Editor's Note. — The 1973 amendment added the third, fourth and fifth paragraphs.

Interests of Warehousemen, Buyers and Sellers of Tobacco.—The warehousemen have an economic stake in the markets' operations, but the markets exist for the purpose of serving the interests of buyers and sellers of tobacco. Those interests deserve inquiry and consideration in an appraisal of any plan containing market restrictions and limitations. *Robertson v. Federal Trade Comm'n*, 415 F.2d 49 (4th Cir. 1969).

The very nature of leaf tobacco demands regulation of its sale, as this section recognizes and the decisions of the courts confirm. *Eagles v. Harriss Sales Corp.*, 368 F.2d 927 (4th Cir. 1966).

Unfair Trade Regulations Are Subject to Correction by Federal Trade Commission, Not Courts. — The Federal Trade Commission rather than the courts has the expertise, the power, and the implements to explore and correct unfair trade regulations. *Eagles v. Harriss Sales Corp.*, 368 F.2d 927 (4th Cir. 1966).

Members Have Technical Representation

Through Board.—Under this section, tobacco purchasers are, or may be, members of a board of trade. To the extent that they are, they have had technical representation through the board of trade. *Roberts v. Fuquay-Varina Tobacco Bd. of Trade*, 405 F.2d 283 (4th Cir. 1968).

By becoming a member of a board a person consents to be bound by its reasonable

regulations. *Eagles v. Harriss Sales Corp.*, 368 F.2d 927 (4th Cir. 1966).

Regulation adjusting divisions of selling time to establish an equitable market participation did not constitute conspiracy, monopoly, or an unreasonable restraint of trade. *Eagles v. Harriss Sales Corp.*, 368 F.2d 927 (4th Cir. 1966).

ARTICLE 44.

Unfair Practice by Handlers of Fruits and Vegetables.

§ 106-496. Protection against unfair trade practices.—The Board of Agriculture is hereby authorized to make such rules and regulations as it deems necessary to protect producers of fruits and vegetables from loss caused by financial irresponsibility and unfair, harmful or unethical trade practices of handlers who incur financial liability for the purchase or production of fruits and vegetables. A "handler," as used herein, is a person, firm, corporation or other legal entity or his agent or employee who enters into a written contract for the purchase from or production by a producer of fruits and vegetables. (1941, c. 359, s. 1; 1971, c. 1064, s. 1.)

Editor's Note. — The 1971 amendment, effective Sept. 1, 1971, rewrote this section.

Commissioner Is Not Individually Liable. — The Commissioner of Agriculture could not be held individually liable to producers of soybeans for failure to require a soybean dealer to obtain a permit to operate as a grain dealer and to furnish

bond as set forth in § 106-496 et seq., since the sections did not place a mandatory duty on the Commissioner to require permits or bonds, and there was no liability provision in the statute. *Etheridge v. Graham*, 14 N.C. App. 551, 188 S.E.2d 551 (1972), decided prior to 1971 amendments to this Article.

§ 106-497. Permits required.—A handler of fruits and vegetables shall not enter into a written contract with a producer until he obtains a written permit from the Commissioner of Agriculture. The Board of Agriculture may prescribe by regulation the form of the application for a permit, the information to be furnished to the Commissioner by the applicant for a permit and the date for filing the application. A permit shall not be issued until the applicant files on or before the date set by the Board a written request with the Commissioner and files with the request two copies of the applicant's proposed contract. A penalty of twenty-five dollars (\$25.00) shall be paid by the applicant if the application is filed after the date established by the Board and no permit shall be issued until such penalty is paid. Any penalties collected by the Commissioner shall be used to help defray the costs of administering Article 44 of Chapter 106.

This Article shall not apply to transactions by a handler with a producer on a cash basis. "Cash" as used herein shall include bank bills, checks drawn on banks and bank notes. (1941, c. 359, s. 2; 1971, c. 1064, s. 2.)

Bond required.—No permit shall be issued to a handler until such handler has furnished the Commissioner of Agriculture a bond satisfactory to the Commissioner in an amount of not less than ten thousand dollars (\$10,000). The Commissioner may require a new bond or he may require the amount of any bond to be increased if he finds it necessary for the protection of the producer. Such bond shall be payable to the State and shall be conditioned upon the fulfilling of all financial obligations incurred by the handler with all producers with whom the handler contracts. Any producer alleging any injury by the fraud, deceit, wilful injury or failure to comply with the terms of any written contract by a handler may bring suit on the bond against the principal and his surety in

any court of competent jurisdiction and may recover the damages found to be caused by such acts complained of. (1941, c. 359, s. 3; 1967, c. 154; 1971, c. 1064, s. 3.)

§ 106-499. Contracts between handlers and producers; approval of Commissioner.—All contracts filed with the Commissioner by an applicant shall be approved by the Commissioner before a permit is issued. The Commissioner may withhold his approval in his discretion if he is of the opinion that the contract is illegal or unfair to the producer, or that the contractor is insolvent or financially irresponsible, or if for any other cause it reasonably appears to him that the contract in question might defeat the purpose of this Article. (1941, c. 359, s. 4; 1971, c. 1064, s. 4.)

Editor's Note. — The 1971 amendment, effective Sept. 1, 1971, rewrote the first sentence.

§ 106-500. Additional powers of Commissioner to enforce Article.—In order to enforce this Article, the Commissioner of Agriculture, upon his own motion or upon the verified complaint of any producer, shall have the following additional powers:

- (1) To inspect or investigate transactions for the sale or delivery of fruits and vegetables to persons acting as handlers; to require verified reports and accounts of all authorized handlers; to examine books, accounts, memoranda, equipment, warehouses, storage, transportation and other facilities, fruits and vegetables and other articles connected with the business of the handlers; to inquire into failure or refusal of any handlers to accept produce under his contracts and to pay for it as agreed;
- (2) To hold hearings after due notice to interested parties and opportunity to all to be heard; to administer oaths, take testimony and issue subpoenas; to require witnesses to bring with them relevant books, papers, and other evidence; to compel testimony; to make written findings of fact and on the basis of these findings to issue orders in controversies before him, and to revoke the permits of persons disobeying the terms of this Article or of rules, regulations, and orders made by the Board or the Commissioner. Any party disobeying any order or subpoena of the Commissioner shall be guilty of contempt, and shall be certified to the superior court for punishment. Any party may appeal to the superior court from any final order of the Commissioner;
- (3) To issue all such rules and regulations, with the approval of the Board, and to appoint necessary agents and to do all other lawful things necessary to carry out the purposes of this Article.
- (4) This article will not apply to peanuts and corn grown under contract for seed purposes. (1941, c. 359, s. 5; 1971, c. 1064, ss. 5, 6.)

Said poultry or hatching eggs shall not be

removed from the premises where quarantined until quarantine has been released by the State Veterinarian or his authorized representative. A permit to move such infected or exposed poultry to immediate slaughter, or to another premise under quarantine, may be issued by the State Veterinarian or his authorized representative. The Board of Agriculture is empowered to make regulations under which compulsory testing of poultry for pullorum disease or fowl typhoid may be required. (1945, c. 616, s. 10; 1969, c. 464.)

Revision of Article. — Session Laws 1969, c. 893, effective Jan. 1, 1970, repealed former articles 49B, containing sections numbered 106-549.15 through 106-549.28, and 49C, containing sections numbered 106-549.29 through 106-549.48, and enacted present articles 49B and 49C in their place. Former article 49B related to voluntary inspection of meat, meat products and meat by-products, and was codified from Session Laws 1957, c. 1379.

Session Laws 1969, c. 893, s. 25, provides: "This act shall be designated as the 'North Carolina Compulsory Meat Inspection Act'."

Session Laws 1969, c. 893, s. 26, provides, in part: "The provisions of article 12 of chapter 106 which are inconsistent with the provisions of this act shall not apply to any meat or meat food product regulated herein."

§ 106-549.16. Statement of purpose.—Meat and meat food products are an important source of the nation's total supply of food. It is essential in the public interest that the health and welfare of consumers be protected by assuring that meat and meat food products distributed to them are wholesome, not adulterated, and properly marked, labeled, and packaged. Unwholesome, adulterated, or misbranded meat or meat food products are injurious to the public welfare, destroy markets for wholesome, not adulterated, and properly labeled and packaged meat and meat food products, and results in sundry losses to livestock producers and processors of meat and meat food products, as well as injury to consumers. The unwholesome, adulterated, mislabeled, or deceptively packaged articles can be sold at lower prices and compete unfairly with the wholesome, not adulterated, and properly labeled and packaged articles, to the detriment of consumers and the public generally. It is hereby found that regulation by the Board and cooperation by North Carolina and the United States as contemplated by this and the subsequent Article are appropriate to protect the health and welfare of consumers and otherwise effectuate the purposes of this and the subsequent Article. (1969, c. 893, s. 2; 1971, c. 54, s. 3.)

Editor's Note. — The 1971 amendment substituted "properly" for "property" in the third sentence.

§ 106-549.17. Inspection before slaughter.—For the purpose of preventing the use in intrastate commerce, as hereinafter provided, of meat and meat food products which are adulterated, the Commissioner shall cause to be made, by inspectors appointed for that purpose, an examination and inspection of all cattle, sheep, swine, goats, horses, mules, and other equines before they shall be allowed to enter into any slaughtering, packing, meat-canning, rendering, or similar establishment in this State in which slaughtering and preparation of meat and meat food products of such animals are conducted for intrastate commerce; and all cattle, sheep, swine, goats, horses, mules, and other equines found on such inspection to show symptoms of disease shall be set apart and slaughtered separately from all other cattle, sheep, swine, goats, horses, mules, or other equines, and when so slaughtered, the carcasses of said cattle, sheep, swine, goats, horses, mules, or other equines shall be subject to a careful examination and inspection, all as provided by the rules and regulations to be prescribed by the Board as herein provided for. (1969, c. 893, s. 3.)

§ 106-549.18. Inspection; stamping carcass.—For the purposes hereinbefore set forth the Commissioner shall cause to be made by inspectors appointed for that purpose, as hereinafter provided, a post mortem examination and inspection of the carcasses and parts thereof of all cattle, sheep, swine, goats, horses, mules, and other equines, capable of use as human food, to be prepared at any slaughtering, meat-canning, salting, packing, rendering, or similar establishment in this State in which such articles are prepared for intrastate commerce; and the carcasses and parts thereof of all such animals found to be not adulterated shall be marked, stamped, tagged, or labeled, as "Inspected and Passed"; and said inspectors shall label, mark, stamp, or tax as "Inspected and Condemned," all carcasses and parts thereof of animals found to be adulterated; and all carcasses and parts thereof thus inspected and condemned shall be destroyed for food purposes by the said establishment in the presence of an inspector, and the Commissioner or his authorized representative may remove inspectors from any such establishment which fails to so destroy any such condemned carcass or part thereof, and said inspectors, after said first inspection shall, when they deem it necessary, reinspect said carcasses or parts thereof to determine whether since the first inspection the same have become adulterated and if any carcass or any part thereof shall, upon examination and inspection subsequent to the first examination and inspection, be found to be adulterated, it shall be destroyed for food purposes by the said establishment in the presence of an inspector, and the Commissioner or his authorized represen-

tative may remove inspectors from any establishment which fails to [do] so destroy any such condemned carcass or part thereof. (1969, c. 893, s. 4.)

Editor's Note.—The word "do," which is out above, appears in the 1969 act, but enclosed in brackets in the section as set would seem to be superfluous.

§ 106-549.19. Application of article; place of inspection. — The foregoing provisions shall apply to all carcasses or parts of carcasses of cattle, sheep, swine, goats, horses, mules, and other equines or the meat or meat products thereof, capable of use as human food, which may be brought into any slaughtering, meat-canning, salting, packing, rendering, or similar establishment, where inspection under this article is maintained, and such examination and inspection shall be had before the said carcasses or parts thereof shall be allowed to enter into any department wherein the same are to be treated and prepared for meat food products; and the foregoing provisions shall also apply to all such products which, after having been issued from any such slaughtering, meat-canning, salting, packing, rendering, or similar establishment, shall be returned to the same or to any similar establishment where such inspection is maintained. The Commissioner or his authorized representative may limit the entry of carcasses, part of carcasses, meat and meat food products, and other materials into any establishment at which inspection under this article is maintained, under such conditions as he may prescribe to assure that allowing the entry of such articles into such inspected establishments will be consistent with the purposes of this and the subsequent article. (1969, c. 893, s. 5.)

§ 106-549.20. Inspectors access to businesses.—For the purposes hereinbefore set forth the Commissioner or his authorized representative shall cause to be made by inspectors appointed for that purpose an examination and inspection of all meat food products prepared in any slaughtering, meat-canning, salting, packing, rendering, or similar establishment, where such articles are prepared for intrastate commerce and for the purposes of any examination and inspection said inspectors shall have access at all times during regular business hours to every part of said establishment; and said inspectors shall mark, stamp, tag, or label as "North Carolina Department of Agriculture Inspected and Passed" all such products found to be not adulterated; and said inspectors shall label, mark, stamp, or tag as "North Carolina Department of Agriculture Inspected and Condemned" all such products found adulterated, and all such condemned meat food products shall be destroyed for food purposes, as hereinbefore provided, and the Commissioner or his authorized representative may remove inspectors from any establishment which fails to so destroy such condemned meat food products. (1969, c. 893, s. 6.)

§ 106-549.21. Stamping container or covering; regulation of container.—(a) When any meat or meat food product prepared for intrastate commerce which has been inspected as hereinbefore provided and marked "North Carolina Department of Agriculture Inspected and Passed" shall be placed or packed in any can, pot, tin, canvas, or other receptacle or covering in any establishment where inspection under the provisions of this article is maintained, the person, firm, or corporation preparing said product shall cause a label to be attached to said can, pot, tin, canvas, or other receptacle or covering, under supervision of an inspector, which label shall state that the contents thereof have been "North Carolina Department of Agriculture Inspected and Passed" under the provisions of this article, and no inspection and examination of meat or meat food products deposited or inclosed in cans, tins, pots, canvas, or other receptacle or covering in any establishment where inspection under the provisions of this article is maintained shall be deemed to be complete until such meat or meat food products have been sealed or inclosed in said can, tin, pot, canvas, or other receptacle or covering under the supervision of an inspector.

(b) All carcasses, parts of carcasses, meat and meat food products inspected at

any establishment under the authority of this article and found to be not adulterated, shall at the time they leave the establishment bear, in distinctly legible form, directly thereon or on their containers, as the Commissioner or authorized representative may require, the information required under subdivision (15) of § 106-549.15.

(c) The Board whenever it determines such action is necessary for the protection of the public, may prescribe:

- (1) The styles and sizes of type to be used with respect to material required to be incorporated in labeling to avoid false or misleading labeling of any articles or animals subject to this and the subsequent article;
- (2) Definitions and standards of identity or composition for articles subject to this article and standards of fill of container for such articles not inconsistent with any such standards established under the Federal Food, Drug, and Cosmetic Act, or under the Federal Meat Inspection Act, and there shall be consultation between the Commissioner or his authorized representative and the Secretary of Agriculture of the United States prior to the issuance of such standards to avoid inconsistency between such standards and the federal standards.

own land in any one year, defining "person" and requiring the keeping of records of such sales. The amendment also inserted "bearing the official mark of inspection" in the present second sentence of subsection (b).

Willful violation of any such regulation is a misdemeanor and punishable by a fine of not over five

hundred dollars (\$500.00) and imprisonment for not over six months or both fine and imprisonment. (1969, c. 893, s. 14.)

§ 106-549.30. Refusal of Commissioner to inspect and certify meat.—The Commissioner may (for such period, or indefinitely, as he deems necessary to effectuate the purposes of this and the previous Article) refuse to provide, or withdraw, inspection service under Article 49B with respect to any establishment if he determines, after opportunity for a hearing is accorded to the applicant for, or recipient of, such service, that such applicant or recipient is unfit to engage in any business requiring inspection under Article 49B because the applicant or recipient, or anyone responsibly connected with the applicant or recipient, has been convicted, in any federal or state court, of (i) any felony, or (ii) more than one violation of any law, other than a felony, based upon the acquiring, handling, or distributing of unwholesome, mislabeled, or deceptively packaged food or upon fraud in connection with transactions in food. This section shall not affect in any way

other provisions of this or the previous Article for withdrawal of inspection services under Article 49B from establishments failing to maintain sanitary conditions or to destroy condemned carcasses, parts, meat or meat food products.

For the purpose of this section a person shall be deemed to be responsibly connected with the business if he was a partner, officer, director, holder, or owner of ten per centum or more of its voting stock or employee in a managerial or executive capacity. The determination and order of the Commissioner with respect thereto under this section shall be final and conclusive unless the affected applicant for, or recipient of, inspection service files application for judicial review within thirty days after the effective date of such order in the appropriate court as provided in § 106-549.33. (1969, c. 893, s. 16.)

§ 106-549.31. Enforcement against uninspected meat. — Whenever any carcass, part of a carcass, meat or meat food product of cattle, sheep, swine, goats, horses, mules, or other equines, or any product exempted from the definition of a meat food product, or any dead, dying, disabled, or diseased cattle, sheep, swine, goat, or equine is found by any inspector of the Meat and Poultry Inspection Service of the North Carolina Department of Agriculture upon any premises where it is held for purposes of, or during or after distribution in intrastate commerce, and there is reason to believe that any such article is adulterated or misbranded and is capable of use as human food, or that it has not been inspected, in violation of the provisions of article 49B or of the Federal Meat Inspection Act or the Federal Food, Drug and Cosmetic Act, or that such article or animal has been or is intended to be, distributed in violation of any such provisions, it may be detained by such inspector, upon approval of his supervisor, for a period not to exceed twenty days, pending action under § 106-549.33, and shall not be moved by any person, firm, or corporation from the place at which it is located when so detained, until released by the area supervisor of the Meat and Poultry Inspection Service. All official marks may be required by such inspector to be removed from such article or animal before it is released unless it appears to the satisfaction of the area supervisor that the article or animal is eligible to retain such marks. (1969, c. 893, s. 17.)

§ 106-549.32. Enforcement against condemned meat; appeal.—(a) Any carcass, part of a carcass, meat or meat food product of cattle, sheep, swine, goats, horses, mules or other equines, or any dead, dying, disabled, or diseased cattle, sheep, swine, goat, or equine, that is being transported in intrastate commerce, or is held for sale in this State after such transportation, and that (i) is or has been prepared, sold, transported or otherwise distributed or offered or received for distribution in violation of this or the previous article, or (ii) is capable of use as human food and is adulterated or misbranded, or (iii) in any other way is in violation of this or the previous article, shall be liable to be proceeded against and seized and condemned, at any time, on a complaint in any proper court as provided in § 106-549.33 within the jurisdiction of which the article or animal is found. If the article or animal is condemned it shall, after entry of the order be disposed of by destruction or sale as the court may direct and the proceeds, if sold, less the court costs and fees, and storage and other proper expenses, shall be paid into the general fund of this State, but the article or animals shall not be sold contrary to the provisions of this or the previous article. Provided, that upon the execution and delivery of a good and sufficient bond conditioned that the article or animal shall not be sold or otherwise disposed of contrary to the provisions of this or the previous article, the court may direct that such article or animal be delivered to the owner thereof subject to such supervision by the authorized representative of the Commissioner as is necessary to insure compliance with the applicable laws. When an order of condemnation is entered against the article or animal and it is released under bond, or destroyed, court costs and fees, and storage and other proper expenses shall be awarded against the person, if any, intervening as claimant of the article or animal. The proceedings in such cases shall be heard by

the superior court without a jury, with the right of the aggrieved party to appeal to the Court of Appeals, and all such proceedings shall be at the suit of and in the name of this State. No appeal shall lie from the Court of Appeals.

(b) The provisions of this section shall in no way derogate from authority for condemnation or seizure conferred by other provisions of this or the previous article, or other laws. (1969, c. 893, s. 18.)

For the purposes of this section, “impede,” “oppose,” and “intimidate,” or “interfere” shall include, but not be limited to, the use of profane and indecent language, or any act or gesture, verbal or nonverbal, which tends to cast disrespect on an inspector or the Meat and Poultry Inspection Service. Whoever, in the commission of any such acts, uses a deadly weapon, shall be fined not less than two hundred fifty dollars (\$250.00) or not more than one thousand dollars (\$1,000.00) or imprisoned not less than one year or not more than two years, or both. ARTICLE 49D.

Poultry Products Inspection Act.

§ 106-549.49. Short title.—This Article shall be designated as the North Carolina Poultry Products Inspection Act. (1971, c. 677, s. 1.)

Editor's Note.—Session Laws 1971, c. 677, s. 26, makes the act effective 30 days after ratification. The act was ratified June 25, 1971.

Former §§ 106-549.49 to 106-549.69, codified from Session Laws 1961, c. 875, and amended by Session Laws 1963, c. 1029, Session Laws 1967, c. 1137 and Session

Laws 1969, c. 44, were repealed by Session Laws 1971, c. 1152. The repealing act is made effective 30 days after ratification of Session Laws 1971, c. 677, ratified June 25, 1971.

Session Laws 1971, c. 677, s. 24, contains a severability clause.

§ 106-549.50. Purpose and policy.—(a) Poultry and poultry products are an important source of the nation's total supply of food. It is essential in the public interest that the health and welfare of consumers be protected by assuring that slaughtered poultry and poultry products distributed to them are wholesome, not adulterated, and properly marked, labeled, and packaged. Unwholesome, adulterated, or misbranded poultry or poultry products are injurious to the public welfare, destroy markets for wholesome, not adulterated, and properly labeled and packaged poultry and poultry products, and result in sundry losses to poultry producers and processors of poultry and poultry products, as well as injury to consumers. The unwholesome, adulterated, mislabeled, or deceptively packaged articles can be sold at lower prices and compete unfairly with the wholesome, not

adulterated, and properly labeled and packaged articles, to the detriment of consumers and the public generally. It is hereby found that regulation by the Board and cooperation by this State and the United States as contemplated by this Article are appropriate to protect the health and welfare of consumers and otherwise effectuate the purposes of this Article.

(b) It is hereby declared to be the policy of the General Assembly to provide for the inspection of poultry and poultry products and otherwise regulate the processing and distribution of such articles as hereinafter prescribed to prevent the movement or sale in intrastate commerce of poultry and poultry products which are adulterated or misbranded. It is the intent of the General Assembly that when poultry and poultry products are condemned because of disease, the reason for condemnation in such instances shall be supported by scientific fact, information, or criteria, and such condemnation under this Article shall be achieved through uniform inspection standards and uniform application thereof. (1971, c. 677, ss. 2, 3.)

§ 106-549.51. Definitions.—For purposes of this Article, the following terms shall have the meanings stated below:

(1) "Adulterated" shall apply to any poultry product under one or more of the following circumstances:

- a. If it bears or contains any poisonous or deleterious substance which may render it injurious to health; but in case the substance is not an added substance, such article shall not be considered adulterated under this clause if the quantity of such substance in or on such article does not ordinarily render it injurious to health;
- b.
 1. If it bears or contains (by reason of administration of any substance to the live poultry or otherwise) any added poisonous or added deleterious substance (other than one which is a pesticide chemical in or on a raw agricultural commodity; a food additive; or a color additive) which may, in the judgment of the Commissioner, make such article unfit for human food;
 2. If it is, in whole or in part, a raw agricultural commodity and such commodity bears or contains a pesticide chemical which is unsafe within the meaning of section 408 of the Federal Food, Drug, and Cosmetic Act;
 3. If it bears or contains any food additive which is unsafe within the meaning of section 409 of the Federal Food, Drug, and Cosmetic Act;
 4. If it bears or contains any color additive which is unsafe within the meaning of section 706 of the Federal Food, Drug, and Cosmetic Act: Provided, that an article which is not otherwise deemed adulterated under paragraphs 2, 3, or 4 shall nevertheless be deemed adulterated if use of the pesticide chemical, food additive, or color additive in or on such article is prohibited by regulations of the Board in official establishments;
- c. If it consists in whole or in part of any filthy, putrid, or decomposed substance or is for any other reason unsound, unhealthful, unwholesome, or otherwise unfit for human food;
- d. If it has been prepared, packed, or held under insanitary conditions whereby it may have become contaminated with filth, or whereby it may have been rendered injurious to health;
- e. If it is, in whole or in part, the product of any poultry which has died otherwise than by slaughter;
- f. If its container is composed, in whole or in part, of any poisonous

or deleterious substance which may render the contents injurious to health;

- g. If it has been intentionally subjected to radiation, unless the use of the radiation was in conformity with a regulation or exemption in effect pursuant to section 409 of the Federal Food, Drug, and Cosmetic Act; or
 - h. If any valuable constituent has been in whole or in part omitted or abstracted therefrom; or if any substance has been substituted, wholly or in part therefor; or if damage or inferiority has been concealed in any manner; or if any substance has been added thereto or mixed or packed therewith so as to increase its bulk or weight, or reduce its quality or strength, or make it appear better or of greater value than it is.

§ 106-549.53. Inspection; condemnation of adulterated poultry.—

(a) For the purpose of preventing the entry into or flow or movement in intrastate commerce of any poultry product which is capable of use as human food and is adulterated, the Commissioner shall, where and to the extent considered by him necessary, cause to be made by inspectors antemortem inspection of poultry in each official establishment engaged in processing poultry or poultry products solely for intrastate commerce.

(b) The Commissioner, whenever processing operations are being conducted, shall cause to be made by inspectors postmortem inspection of the carcass of each bird processed, and at any time such quarantine, segregation and reinspection as he deems necessary of poultry and poultry products capable of use as human food in each official establishment engaged in processing such poultry or poultry products solely for intrastate commerce.

(c) All poultry carcasses and parts thereof and other poultry products found to be adulterated shall be condemned and shall, if no appeal be taken from such determination of condemnation, be destroyed for human food purposes under the supervision of an inspector: Provided, that carcasses, parts, and products, which may by reprocessing be made not adulterated, need not be so condemned and destroyed if so reprocessed under the supervision of an inspector and thereafter

found to be not adulterated. If an appeal be taken from such determination, the carcasses, parts, or products shall be appropriately marked and segregated pending completion of an appeal inspection, which appeal shall be at the cost of the appellant if the Commissioner determines that the appeal is frivolous. If the determination of condemnation is sustained the carcasses, parts, and products shall be destroyed for food purposes under the supervision of an inspector. (1971, c. 677, s. 6.)

In addition, the Commissioner whenever he determines such action is practicable and necessary for the protection of the public, may require nonconsumer packaged carcasses at the time they leave the establishment to bear directly thereon in distinctly legible form any information required under such subdivision (1).

(b) The Board, whenever it determines such action is necessary for the protection of the public, may prescribe:

(d) If the Commissioner has reason to believe that any marking or labeling or the size or form of any container in use or proposed for use with respect to any article subject to this Article is false or misleading in any particular, he may direct that such use be withheld unless the marking, labeling, or container is modified in such manner as he may prescribe so that it will not be false or misleading. If the person using or proposing to use the marking, labeling or container does not accept the determination of the Commissioner, such person may request a hearing,

but the use of the marking, labeling, or container shall, if the Commissioner so directs, be withheld pending hearing and final determination by the Commissioner. Any such determination by the Commissioner shall be conclusive unless, within 30 days after receipt of notice of such final determination, the person adversely affected thereby appeals to the Superior Court of Wake County under the provisions of Article 33 of Chapter 143 of the General Statutes. § 106-549.57. No poultry in violation of Article processed.—No establishment processing poultry or poultry products solely for intrastate commerce shall process any poultry or poultry product capable of use as human food except in compliance with the requirements of this Article. No person shall buy, sell, transport, or offer for sale or transportation, or receive for transportation, in intrastate commerce, any poultry carcasses or parts or products thereof which are not intended for use as human food unless they are denatured or otherwise identified as required by the regulations of the Board or are naturally inedible by humans.

(c) No person shall engage in business, in or for intrastate commerce, as a poultry products broker, renderer, or animal food manufacturer, or engage in business in intrastate commerce as a wholesaler of any carcasses, or parts or products of the carcasses, of any poultry, whether intended for human food or other purposes, or engage in business as a public warehouseman storing any such articles in or for intrastate commerce, or engage in the business of buying, selling, or transporting in intrastate commerce any dead, dying, disabled, or diseased poultry, or parts of the carcasses of any poultry that died otherwise than by slaughter, unless, when required by regulations of the Board, he has registered with the Commissioner his name, and the address of each place of business at which, and all trade names under which, he conducts such business.

- (d) No person engaged in the business of buying, selling, or transporting in

intrastate commerce, dead, dying, disabled, or diseased poultry, or any parts of the carcasses of any poultry that died otherwise than by slaughter, shall buy, sell, transport, offer for sale or transportation, or receive for transportation in intrastate commerce, any dead, dying, disabled, or diseased poultry or parts of the carcasses of any poultry that died otherwise than by slaughter, unless such transaction or transportation is made in accordance with such regulations as the Board may prescribe to assure that such poultry, or the unwholesome parts or products thereof, will be prevented from being used for human food. (1971, c. 677, s. 11.)

§ 106-549.59. Punishment for violations; carriers exempt; interference with enforcement.—(a) Any person who violates the provisions of G.S. 106-549.56, 106-549.57, 106-549.58 or 106-549.61 shall be fined not more than one thousand dollars (\$1,000) or imprisoned not more than one year, or both; but if such violation involves intent to defraud, or any distribution or attempted distribution of an article that is adulterated (except as defined in G.S. 106-549.51(1)h), such person shall be fined not more than ten thousand dollars (\$10,000) or imprisoned not more than three years or both. When construing or enforcing the provisions of said sections the act, omission, or failure of any person acting for or employed by any individual, partnership, corporation, or association within the scope of his employment or office shall in every case be deemed the act, omission, or failure of such individual, partnership, corporation, or association, as well as of such person.

(b) No carrier shall be subject to the penalties of this Article, other than the penalties for violation of G.S. 106-549.58, by reason of his receipt, carriage, holding, or delivery, in the usual course of business, as a carrier, of poultry or poultry products, owned by another person unless the carrier has knowledge, or is in possession of facts which would cause a reasonable person to believe that such poultry or poultry products were not inspected or marked in accordance with the provisions of this Article or were otherwise not eligible for transportation under this Article or unless the carrier refuses to furnish on request of a representative of the Department of Agriculture the name and address of the person from whom he received such poultry or poultry products, and copies of all documents, if any there be, pertaining to the delivery of the poultry or poultry products to such carrier.

Nothing in this Article shall be construed as requiring the Commissioner or his authorized representative to report for criminal prosecution of this Article whenever he believes that the public interest will be adequately served and compliance with the Article obtained by a suitable written notice or warning. (1971, c. 677, s. 13.)

§ 106-549.61. Regulations authorized.—(a) The Commissioner may by regulations prescribe conditions under which poultry products capable of use as human food, shall be stored or otherwise handled by any person engaged in the business of buying, selling, freezing, storing, or transporting, in or for intrastate

commerce, such articles, whenever the Commissioner deems such action necessary to assure that such articles will not be adulterated or misbranded when delivered to the consumer. Violation of any such regulation is prohibited.

(b) The Board shall promulgate such other rules and regulations as are necessary to carry out the provisions of this Article.

(c) When opportunity is afforded for submission of comments by interested persons on proposed rules or regulations under this Article, it shall include opportunity for oral presentation of views. (1971, c. 677, s. 14.)

- (1) Retail dealers with respect to poultry products sold directly to consumers in individual retail stores, if the only processing operation performed by such retail dealers is the cutting up of poultry products on the premises where such sales to consumers are made;
- (2) For such period of time as the Commissioner determines that it would be impracticable to provide inspection and the exemption will aid in the effective administration of this Article, any person engaged in the processing of poultry or poultry products and the poultry or poultry products processed by such person: Provided, however, that no such exemption shall continue in effect more than 120 days after enactment of this Article;
- (3) Persons slaughtering, processing, or otherwise handling poultry or poultry products which have been or are to be processed as required by recognized religious dietary laws, to the extent that the Commissioner determines necessary to avoid conflict with such requirements while still effectuating the purposes of this Article;
- (4) The slaughtering by any person of poultry of his own raising, and the processing by him and transportation of the poultry products exclusively for use by him and members of his household and his nonpaying guests and employees;

Upon failure of said packer, processor or other purchaser to collect and remit said assessment then the amount of the assessment shall become the obligation of the packer, processor or other purchaser who originally purchased the apples from the grower and he shall become liable therefor to the North Carolina Department of Agriculture. Failure of the packer, processor or other purchaser to comply with the provisions of this section shall constitute a bar to engaging in said business in this State upon proper notice from the Board of Agriculture. The Board of Agriculture shall have authority to promulgate such rules and regulations as shall be necessary to carry out the purpose and intent of this section. (1953, c. 917; 1969, c. 605, s. 3.)

Editor's Note. — The 1969 amendment added the second paragraph.

§ 106-564.3. Alternative method for collection of assessments relating to cattle.—As an alternative method for the collection of assessments provided for in article 50 of chapter 106 of the General Statutes, as amended, and as the same relates to all cattle, including those cattle sold for slaughter, upon the request of the duly certified agency of the producers of all cattle, including those which are to be sold for slaughter, the Commissioner of Agriculture shall notify, by registered letter, all livestock auction markets, slaughterhouses, abattoirs, packinghouses, and any and all persons, firms and corporations, engaged in the buying, selling or handling of cattle in this State, and on and after the date specified in the letter, the assessments approved and in force under said referendum shall be deducted by the purchaser, or his agent or representative, from the purchase price of all cattle bought, acquired or sold. It shall be unlawful for any livestock auction market, slaughterhouse, abattoir, packinghouse or the administrators or managers or agents of same or for any person, firm or corporation to acquire, buy or sell any cattle, including cattle for slaughter, without deducting the assessments previously authorized by said referendum. The assessment or assessments for any month so deducted, shall, on or before the 20th day of the following month, be remitted by such purchaser as above described, to the Commissioner of Agriculture of North Carolina, who shall thereupon pay the amount of the assessments to the duly certified agency of the producers of all such cattle entitled thereto. The books and records of all such livestock auction markets, slaughterhouses, abattoirs, packinghouses, or persons, firms or corporations engaged in buying, acquiring or selling all cattle shall at all times during regular business hours be open for inspection by the Commissioner of Agriculture or his duly authorized agents. Provided, however, that if any livestock auction market, slaughterhouse, abattoir, packinghouse, or any person, firm or corporation engaged in buying, selling or handling cattle in this State shall fail to collect or pay such assessments so deducted to the Commissioner of Agriculture of North Carolina, as herein provided, then and in such event suit may be brought by the duly certified agency concerned in a court of competent jurisdiction to enforce the collection of such assessments. (1959, c. 1176; 1969, c. 184.)

Editor's Note.—Prior to the 1969 amendment this section applied to assessments relating to cattle sold for slaughter. The amendment provides for assessments on all cattle sold.

§ 106-567. Rights of farmers dissatisfied with assessments; time for demanding refund.—In the event such referendum is carried in the affirmative and the assessment is levied and collected as provided herein and under the regulations to be promulgated by the duly certified agency conducting the same, any farmer or producer upon and against whom such annual assessments shall

have been levied and collected under the provisions of this Article, if dissatisfied with said assessment and the result thereof, shall have the right to demand of and receive from the treasurer of said agency a refund of such annual assessment so collected from such farmer or producer, provided such demand for refund is made in writing within thirty days from the date on which said assessment is collected from such farmer or producer. Provided, however, that as to growers or producers of potatoes, apples or peaches the right of refund of assessments as provided herein shall be contingent upon such growers or producers having paid said assessment on or before the end of the assessment year in which the assessment was levied. The assessment year shall be determined by the duly certified commission, council, board or agency representing the respective commodity: Provided further, that any farmer or producer of potatoes, apples or peaches who fails to make any protest against the assessment and levy in writing, addressed to the duly certified commission, council, board or agency representing the commodity concerned, within thirty days from the date such assessment shall become due and payable, then, and in such event, suit may be brought by the duly certified commission, council, board of agency concerned in a court of competent jurisdiction to enforce the collection of the assessment. Provided further that on and after July 1, 1972, as to growers or producers of apples there shall be no right of refund of assessments levied pursuant to the referendum provided for by Article 50, Chapter 106 of the General Statutes of North Carolina. (1947, c. 1018, s. 18; 1959, c. 311; 1969, c. 605, ss. 1, 2.)

Editor's Note. — Session Laws 1969, c. 605, s. 1, inserted "apples" in the second sentence and in the proviso to the third sentence. Session Laws 1969, c. 605, s. 2, effective July 1, 1972, added the last sentence.

Promotion of Agricultural Research and Dissemination of Findings.

§ 106-568.8. Collection and disposition of assessment; report of receipts and disbursements; audit.—In the event two thirds or more of the eligible farmers and producers participating in said referendum vote in favor of such assessment, then said assessment shall be collected for a period of six (6) years under rules, regulations, and methods as provided for in this article. The assessments shall be added to the wholesale purchase price of each ton of fertilizer, commercial feed, and/or their ingredients (except lime and land plaster) by the manufacturer of said fertilizer and feed. The assessment so collected shall be paid by the manufacturer into the hands of the North Carolina Commissioner of Agriculture on the same tonnage and at the same time and in the same manner as prescribed for the reporting of the inspection tax on commercial feeds and fertilizers as prescribed by G.S. 106-50.6 and 106-99. The Commissioner shall then remit said five cents (5¢) per ton for the total tonnage as reported by all manufacturers of commercial feeds, fertilizers, and their ingredients to the treasurer of the North Carolina Agricultural Foundation, Inc., who shall disburse such funds for the purposes herein enumerated and not inconsistent with provisions contained in the charter and bylaws of the North Carolina Agricultural Foundation, Inc. Signed copies of the receipts for such remittances made by the Commissioner to the treasurer of the North Carolina Agricultural Foundation, Inc., shall be furnished the Commissioner of Agriculture, the North Carolina Farm Bureau Federation, and the North Carolina State Grange. The treasurer of the North Carolina Agricultural Foundation, Inc., shall make an annual report at each annual meeting of the Foundation directors of total receipts and disbursements for the year and shall file a copy of said report with the Commissioner of Agriculture and shall make available a copy of said report for publication.

It shall be the duty of the Commissioner of Agriculture to audit and check the remittances of five cents (5¢) per ton by the manufacturer to the Commissioner

in the same manner and at the same time as audits and checks are made of remittances of the inspection tax on commercial feeds and fertilizers. (1951, c. 827, s. 8; 1967, c. 631, s. 1.)

Editor's Note. — The 1967 amendment substituted "six (6) years" for "three (3) years" near the beginning of the section.

§ 106-568.10. Subsequent referenda; continuation of assessment. — If the assessment is defeated in the referendum, the governing boards of the North Carolina Farm Bureau Federation, the North Carolina State Grange, and the North Carolina Agricultural Foundation, Inc., shall have full power and authority to call another referendum for the purposes herein set out in the next succeeding year on the question of the annual assessment for six years. In the event the assessment carried in a referendum by two thirds or more of the eligible farmers participating therein, such assessment shall be levied annually for the six years set forth in the call for such referendum and a new referendum may be called and conducted during the sixth year of such period on the question of whether or not such assessment shall be continued for the next ensuing six years. (1951, c. 827, s. 10; 1967, c. 631, s. 2.)

Editor's Note. — The 1967 amendment substituted "six years" for "three years" at the end of the first sentence and in two places in the second sentence and substituted "sixth year" for "third year" in the second sentence.

Revision of Chapter. — Session Laws 1969, c. 546, effective July 1, 1969, revised and rewrote this chapter, substituting present §§ 108-1 through 108-81 for former §§ 108-1 through 108-86. No attempt has been made to point out the changes made by the revision, but, where appropriate, the historical citations to the former sections have been added to corresponding sections of the revised chapter.

Editor's Note.—Session Laws 1973, c. 476, s. 138, subsection (1), provides that whenever the words "State Board of Social Services" and "State Board" are used or appear in any statute or law of this State, the same shall be deleted and the words "Department of Human Resources" or "Department," as appropriate, shall be substituted, unless otherwise provided in the act. Session Laws 1973, c. 476, s. 138, subsection (2), provides that whenever the words "Commissioner for Social Services" or "Commissioner," when referring to the Commissioner for Social Services, appear in any statute or law of this State, the same shall be deleted and the words "Secretary of Human Resources" or "Secretary," as appropriate, shall be substituted, unless otherwise provided in the act. Session Laws 1973, c. 476, s. 138, subsection (3), provides that whenever the words "North

Carolina State Department of Social Services" are used or appear in any statute or law of this State, the same shall be deleted and the words "Department of Human Resources" or "Department," as appropriate, shall be substituted, unless otherwise provided in the act. In this Chapter as it stood at the time of passage of the 1973 act, the State Board of Social Services was occasionally referred to simply as the "Board of Social Services," and the title of the Commissioner was "Commissioner of Social Services." The words "North Carolina State Department of Social Services" did not appear anywhere in the Chapter, the Department being usually referred to as the "State Department of Social Services," and occasionally as the "State Department." In order to give effect to the obvious intent of the 1973 act, references to the Department and Secretary of Human Resources have been substituted for references to the State Department, Board and Commissioner of Social Services throughout this Chapter and elsewhere in the General Statutes, notwithstanding the fact that in a number of instances the precise titles quoted in the 1973 act were not used in the sections so treated as amended.

Part 2. Aid to Families with Dependent Children.

This subsection shall apply only to the extent that such payments are provided for under a court order or judgment, or contract, providing for such payments, a copy of which is on file with the county department of social services.

The provisions of this subsection shall cease to be effective in the event of and upon any final determination by the Secretary of Health, Education and Welfare that such provisions do not comply substantially with any provision required by federal law to be included in a State plan for aid and services to needy families

Editor's Note.—The first 1973 amendment, effective July 1, 1973, designated the former provisions of this section as subsection (a) and added subsection (b).

The second 1973 amendment, effective July 1, 1973, added the second paragraph of subsection (b).

For note on illegitimacy in North Carolina, see 46 N.C.L. Rev. 813 (1968).

Infringement upon Right to Subsistence Is Deprivation of Personal Liberty.—Children have a right to subsistence and infringement upon that right is a deprivation

of personal liberty which gives rise to a cause of action under 42 U.S.C. § 1983, and there is jurisdiction in a district court under 28 U.S.C. § 1343. *Gilliard v. Craig*, 331 F. Supp. 587 (W.D.N.C. 1971).

Residency Requirement for Receipt of Welfare Benefits Unenforceable.—See opinion of Attorney General to Mr. Robert H. Ward, Assistant Commissioner, Department of Social Services, 40 N.C.A.G. 712 (1970).

Eligibility of Children for Aid to Families with Dependent Children Although Parent Does Not Qualify as a Payee.—See opinion of Attorney General to Colonel Clifton M. Craig, Commissioner, Department of Social Services, 40 N.C.A.G. 652 (1970).

§ 108-39. Limitations on eligibility.—(a) No assistance shall be granted to any dependent child who:

- (1) Has passed his sixteenth birthday and has the ability and capacity for gainful employment, unless he is regularly enrolled and attending school or unless no gainful employment is available, except that a dependent child over 16 years of age and attending school is not eligible for assistance during the summer months unless no gainful employment is available;
- (2) Has passed his eighteenth birthday unless he is regularly attending and successfully pursuing (i) a course of study leading to a high school diploma or its equivalent, (ii) a course of study at the college level, or (iii) a course of vocational or technical training designed to fit him for gainful employment.

(b) No parent shall be made the payee of assistance granted under this part who has the ability and capacity for gainful employment but who is not employed either on a part or full-time basis unless the parent is needed in the home to provide continuous care for or supervision over the child in the home or an incapacitated member in the household, or unless no gainful employment is available.

(c) Any child or parent required to engage in gainful employment but who cannot obtain such employment shall register with an employment service and make reasonable and continuous efforts to find gainful employment and provide such proof of his registration and efforts as the Social Services Commission may require. (1961, c. 998; 1963, c. 1061; 1965, c. 939, s. 2; 1969, c. 546, s. 1; 1971, c. 283; 1973, c. 476, s. 138.)

Editor's Note.—The 1971 amendment substituted "State Board of Social Services" for "county department of social services" in subsection (c).

The 1973 amendment, effective July 1, 1973, substituted "Social Services Commission" for "State Board of Social Services" in subsection (c).

§ 108-39.1. Work incentive program adopted; evidence of refusal to participate in special work projects; protective and vendor payments.—(a) The provisions of Part C of Title IV of the Federal Social Security Act pertaining to the work incentive program for recipients of aid to families with

dependent children assistance, and the benefits thereunder, are hereby accepted and adopted.

(b) The work incentive program provided for by this section is a part of, and subject to all the same provisions of law as, the aid to families with dependent children program provided for in this Article; except that in the case of inconsistent provisions, the provisions of this section shall be deemed exceptions to other provisions of law in this Article.

(c) Written notice of a finding by the United States Secretary of Labor, or the United States Department of Labor, the Employment Security Commission, or other authorized agent of the Secretary of Labor as to whether a person has refused without good cause to accept employment or participate in a project shall be binding upon the State and its agencies and the political subdivisions of the State. Any other provision of law to the contrary notwithstanding, the original or copy of such a notice bearing the certification of a State or county agency that it is the original or true copy of the original in or from the records of the agency shall be admissible in evidence without the appearance of a witness, and it shall be prima facie evidence that it was duly received by the agency from the Secretary of Labor or his authorized agent.

(d) to (f) Repealed by Session Laws 1973, c. 744, s. 2, effective October 1, 1973.

(g) Protective and vendor payments required to be made under the work incentive program shall be made in accordance with the rules and regulations of the Social Services Commission, which rules and regulations shall be subject to the lawful requirements of the Secretary of Labor. (1969, c. 739, s. 2; 1973, c. 476, s. 138; c. 744, s. 2.)

Editor's Note. — Session Laws 1969, c. 739, s. 1, provides: "This act shall be known as the Public Welfare Work Incentive Program Act of 1969." Session Laws 1969, c. 739, s. 4, makes the act effective July 1, 1969.

The first 1973 amendment, effective July 1, 1973, substituted "Social Services Commission" for "State Board of Social Services" in subsection (g).

The second 1973 amendment, effective Oct. 1, 1973, repealed former subsections (d), (e) and (f), relating to creation and operation of special work projects panels.

Section 1 of the second 1973 amendatory act provides: "G.S. 108-39.1 as the same appears in the 1971 Cumulative Supplement

to Volume 3A of the General Statutes is hereby amended by striking out the words 'special work projects' as they appear in the title of that section and substituting therefor the word 'training,' by inserting the word 'or' immediately following the word 'participate' and immediately preceding the word 'to' in line 12 thereof, by striking out the words 'a project' immediately following the word 'in' and immediately preceding the word 'shall' in line 12 thereof and substituting therefor the word 'training.'" The meaning of this section of the amendatory act is not clear, and no attempt has been made to give it effect in the amended section as set out above.

Part 3. The Administration of Aid to the Aged and Disabled and Aid to Families with Dependent Children.

§ 108-40. Application for assistance.—Any person who believes that he or another person is eligible to receive aid to the aged and disabled or aid to families with dependent children may submit an application for assistance to the county department of social services in the county in which the applicant resides. It shall be made in such form and shall contain such information as the Social Services Commission may require. (1937, c. 288, ss. 15, 45; 1939, c. 395, s. 1; 1941, c. 232; 1945, c. 615, s. 1; 1947, c. 91, s. 3; 1953, c. 675, s. 12; 1959, c. 179, ss. 1, 2; 1969, c. 546, s. 1; 1973, c. 476, s. 138; c. 742.)

Editor's Note. — The first 1973 amendment, effective July 1, 1973, substituted "Social Services Commission" for "State Board of Social Services."

The second 1973 amendment, effective Oct. 1, 1973, added "in the county in which the applicant resides" at the end of the first sentence.

§ 108-41. Investigation of applicant.—Upon receipt of an application for public assistance, the county department shall make a prompt evaluation or investigation of the facts alleged in the application in order to determine the applicant's eligibility for assistance and to obtain such other information as the Department of Human Resources may require. (1937, c. 288, ss. 15, 45; 1939, c. 395, s. 1; 1941, c. 232; 1945, c. 615, s. 1; 1947, c. 91, s. 3; 1953, c. 675, s. 12; 1959, c. 179, ss. 1, 2; 1969, c. 546, s. 1; 1973, c. 476, s. 38.)

Editor's Note.—The 1973 amendment, ment of Human Resources" for "State Department of Social Services."

§ 108-42. The granting or denial of assistance. — (a) The county director of social services shall submit his findings and recommendations on each application for aid to the aged and disabled and aid to families with dependent children to the county board of social services at its next meeting for its approval of assistance in each case, except that the disability factor of applications for aid to the disabled shall be finally determined by the Department of Human Resources as provided in G.S. 108-26.

(b) The county board of social services may delegate authority to the director to consider and process applications for assistance in all cases that require immediate action to prevent undue hardship; in such cases, the director shall report on his actions to the board at its next meeting, and the board shall approve, reject or modify such decisions.

(c) The board of county commissioners may review any grant approved by the county board of social services. The recipient of a disputed grant shall receive notice of the time and place of such review. If the board of commissioners deems that a grant was improperly allowed under the policies of the Social Services Commission, it may order that proper action be taken, with notice thereof given to the recipient and a copy to the county board of social services and the Secretary of Human Resources. Any modification made by the board of county commissioners shall be subject to review by the Secretary of Human Resources.

(d) All rules and regulations of the Social Services Commission which govern eligibility for public assistance from State appropriations or the amount of public assistance grants shall be subject to the approval of the Director of the Budget and the Advisory Budget Commission. (1937, c. 288, ss. 15, 16, 45, 46; 1939, c. 395, s. 1; 1941, c. 232; 1945, c. 615, s. 1; 1947, c. 91, s. 3; 1953, c. 675, s. 12; 1959, c. 179, ss. 1, 2; 1969, c. 546, s. 1; 1971, c. 523, s. 1; 1973, c. 476, s. 138.)

Editor's Note. — The 1971 amendment added the language beginning "with notice thereof" at the end of the third sentence of subsection (c), deleted the former fourth sentence of subsection (c), which required the board of commissioners to notify the recipient, the county director of social services, and the State Department of Social Services of any changes made in the grants, and added the present fourth sentence of subsection (c).

The 1973 amendment, effective July 1, 1973, substituted "Department of Human Resources" for "State Department of Social Services," "Social Services Commission" for "State Board of Social Services" and "Secretary of Human Resources" for "Commissioner of Social Services."

Child's Support Payments Are Not Re-

source of Entire Family.—In calculating aid to families with dependent children benefits the inclusion of support payments belonging to one child as a resource available to the entire family works an unlawful appropriation of the funds of both supporting father and supported child. *Gilliard v. Craig*, 331 F. Supp. 587 (W.D.N.C. 1971).

In calculating aid to families with dependent children benefits the income of an individual with no legal duty of support may not be presumed to be available to the family, thus the contribution to the support of one child by one having no legal duty to support the rest of the family cannot be considered a resource available to that family. *Gilliard v. Craig*, 331 F. Supp. 587 (W.D.N.C. 1971).

§ 108-43. Reconsideration of grants.—All grants of public assistance shall be considered as frequently as required by the rules of the Social Services Commission. Whenever the condition of any recipient has changed to the extent

that his award must be modified or terminated, the county director may make the appropriate termination or change in payment and submit it to the county board of social services for approval at its next meeting. Prompt notice of all changes shall be given to the recipient, to the Department of Human Resources, and to the board of county commissioners. (1937, c. 288, ss. 19, 49; 1969, c. 546, s. 1; 1971, c. 523, s. 2; 1973, c. 476, s. 138.)

Editor's Note. — The 1971 amendment substituted "considered" for "reconsidered" in the first sentence and "State Department of Social Services" for "State Board" in the third sentence.

The 1973 amendment, effective July 1, 1973, substituted "Social Services Commission" for "State Board" and "Department

of Human Resources" for "State Department of Social Services."

Authority of State Board to Order a Uniform Raise in Welfare Payments Without Processing Each File.—See opinion of Attorney General to Commissioner Clifton M. Craig, State Department of Social Services, 40 N.C.A.G. 703 (1970).

§ 108-44. Appeals.—(a) A public assistance applicant or recipient shall have a right to appeal the decision of the county board of social services or the board of county commissioners granting or denying assistance, or modifying the amount of assistance, or the failure of the county board of social services to act within a reasonable time under the rules and regulations of the Social Services Commission, to the Secretary of Human Resources. Each applicant or recipient shall be notified of this right to appeal when applying for assistance and upon any subsequent action of the county board on his case. An applicant or recipient may give notice of appeal by written notice to the county department of social services or through verbal notice to personnel employed by said county department.

(b) If there is such an appeal, the county director shall notify the Department of Human Resources according to the rules and regulations of the Social Services Commission and the Department of Human Resources shall designate a hearing officer who shall promptly hold an appeal hearing in the county after giving reasonable notice of the time and place of such hearing to the appellant and the county department of social services.

(c) At the appeal hearing before the hearing officer, the appellant and personnel of the county department of social services shall present such facts as may bear upon the case. After such hearing, the hearing officer shall forward a transcript of the hearing to the Department of Human Resources, to the county department of social services, and to the appellant or his attorney, which transcript or other documents considered at the appeal hearing shall serve as the basis for the Secretary's decision on such appeal.

(d) The Secretary of Human Resources shall make a decision on such appeal in conformity with federal and State law and the rules and regulations of the Social Services Commission. The Secretary shall notify the appellant and the county board of social services of his decision in writing by mail. The decision of the Secretary on such an appeal shall be binding upon the county board of social services and the board of county commissioners unless there is a petition for court review as provided in (e) herein.

(e) Any appellant or county board of social services who is dissatisfied with the decision of the Secretary may file a petition within 30 days after receipt of written notice of such decision for a hearing in the Superior Court of Wake County or of the county from which the case arose. Such court shall set the matter for a hearing within 30 days after receipt of such petition and after reasonable written notice to the Department of Human Resources, the county board of social services, the board of county commissioners, and the appellant. The court may take testimony and examine into the facts of the case to determine whether the appellant is entitled to public assistance under federal and State law, and under the rules and regulations of the Social Services Commission. The court may affirm, reverse or modify the order of the Secretary.

(f) If and when any federal law or regulation requires, as a condition of federal participation in public assistance payments, that public assistance applicants or recipients be furnished with the services of attorneys for the purpose of appeals described in this section or for the purpose of litigation arising out of such appeals, the services of attorneys shall be provided as required by the federal law or regulation, to the extent that funds are made available as hereinafter provided, in accordance with rules and regulations approved by the Governor, the Advisory Budget Commission, the Social Services Commission and the North Carolina State Bar Council. To the extent permitted by the rules and regulations thus approved, payment for the services of attorneys shall be made by the Department of Human Resources from funds transferred from contingency and emergency appropriations until such time as funds are appropriated for the services of attorneys.

The county from which the recipient moves shall pay the amount of assistance to which the recipient is entitled for a period of three months following his move, and thereafter the county to which the recipient has moved shall pay such assistance. (1937, c. 288, ss. 20, 50; 1943, c. 505, ss. 3, 7; 1961, c. 186; 1963, c. 136; 1969, c. 546, s. 1.)

§ 108-47. Assistance not assignable; checks payable to decedents.—The assistance granted by this Article shall not be transferable or assignable at law or in equity; and none of the money paid or payable as assistance shall be subject to execution, levy, attachment, garnishment, or other legal processes, or to the operation of any bankruptcy or insolvency law.

(b) Upon receipt of such petition, the court shall promptly hold a hearing, provided the recipient shall receive five days' notice in writing of the time and place of such hearing. If the court, sitting without a jury, shall find at the hearing that the facts alleged in the petition are true, it may appoint some responsible person as personal representative. The personal representative shall serve without compensation and be responsible to the court for the faithful performance of his duties. He shall serve until the director of social services or the recipient shows to the court that the personal representative is no longer required or is unsuitable. All costs of court relating to proceedings under this section shall be waived.

(c) Any recipient for whom a personal representative is appointed may appeal such appointment to superior court for a hearing de novo without a jury.

(d) All findings of fact made under the proceedings authorized by this section

shall not be competent as evidence in any case or proceeding which concerns any subject matter other than that of appointing a personal representative. (1959, c. 1239, ss. 1, 3; 1961, c. 186; 1969, c. 546, s. 1.)

§ 108-50. Protective and vendor payments. — Instead of the use of personal representatives provided for by G.S. 108-49, when necessary to comply with any present or future federal law or regulation in order to obtain federal participation in public assistance payments, the payments may be made direct to vendors to reimburse them for goods and services provided the applicants or recipients, and may be made to protective payees who shall act for the applicant or recipient for receiving and managing assistance. Payments to vendors and protective payees shall be made to the extent provided in, and in accordance with, rules and regulations of the Social Services Commission, which rules and regulations shall be subject to applicable federal laws and regulations. (1963, c. 380; 1969, c. 546, s. 1; c. 747; 1973, c. 476, s. 138.)

Part 4. Financing Aid to the Aged and Disabled and Aid to Families with Dependent Children.

§ 108-51. Acceptance of grants-in-aid.—The Department of Human Resources is hereby authorized to accept all grants-in-aid for the programs of public assistance established under this Article which may be available to the State by the federal government under the Social Security Act. The provisions of this Article shall be liberally construed in order that the State and its citizens may benefit fully from such grants-in-aid. (1937, c. 288, ss. 5, 33; 1969, c. 546, s. 1; 1973, c. 476, s. 138.)

§ 108-52. Transfer of funds to counties.—(a) A State fund for each program of public assistance established under this Article is hereby created from federal appropriations or State appropriations, or the combination of both, as applicable, to such program. Each State fund shall be drawn out on the warrant of the State Treasurer and issued upon order of the Secretary of Human Resources. Quarterly, or more often if appropriate, the Secretary shall transfer to each county that part of the county's allotment from each State fund that the county is required to disburse for its public assistance programs during the appropriate period. Before transferring such funds, the Secretary may require that the county certify, through its auditor or fiscal agent, that sufficient county funds are available to pay the county's share of the public assistance expenditures corresponding to the amount of State money to be transferred.

(b) The Secretary may transfer to any county an amount sufficient to pay in full the grants approved in that county for the first quarter in any fiscal year. One fourth of this amount shall be advanced in anticipation of the collection of taxes and shall be deducted from future allotments within the same fiscal year to that county.

(c) When the Secretary finds that the disbursement of funds by a county to qualified recipients is being unduly delayed, or that payments to recipients are jeopardized, he may require that grants be promptly paid as a condition for the allotment or transmission of State moneys to the county. State moneys may be withheld until the Secretary is satisfied that the county is paying the grants promptly.

(d) When the Department of Human Resources finds it to be in the public interest to require more adequate protection of funds collected in the county for disbursement to recipients, or the more prompt, efficient and certain payment of grants to recipients, the Secretary may demand and require that the funds raised

by taxation in any county be transmitted to the State Treasurer. The Secretary shall, in such cases, give notice to the board of county commissioners and to the county officials having such funds in their custody. The board of county commissioners and responsible officials shall immediately transfer all such funds to the State Treasurer for disbursement under rules and regulations established by the Department of Human Resources. § 108-53. Allocation of nonfederal shares.—(a) The nonfederal share of the annual cost of each public assistance program may be divided between the State and the counties in a manner consistent with the provisions of the federal Social Security Act, except that the share required from the counties may not exceed the share required from the State.

(b) The nonfederal share of the annual cost of public assistance provided to Indians living on federal reservations held in trust by the United States on their behalf shall be borne entirely by the State. The Secretary of Human Resources shall reserve from State appropriations for public assistance an amount sufficient to pay the county's share of the cost of public assistance to eligible Indian residents of federal reservations, plus related administrative costs incidental to providing such assistance, and shall pay same to counties containing such a federal reservation. (1965, c. 708; 1969, c. 546, s. 1; 1973, c. 476, s. 138.)

§ 108-54. Determination of county expenditures.—Before March 15 of each year, the director of social services of every county shall compile and submit to the county board of social services an estimate of total funds required to finance each program of public assistance within the county in the next fiscal year on forms furnished by the Department of Human Resources. The county board shall review, modify, and approve such estimate and transmit it before April 1 to the board of county commissioners, which shall review, modify and approve it before April 15 for transmittal to the Secretary of Human Resources. The Secretary of Human Resources, as agent of the Department of Human Resources, shall review the estimate submitted by each county and notify the board of county commissioners by June 1 of the adequacy of the county's estimate and of the amount of county funds necessary to support an adequate public assistance budget in the next fiscal year. Upon receipt of such notice, the board of county commissioners shall levy taxes sufficient to provide for the payment of the county's part of such budget. If the board of commissioners disputes the budget recommended by the Secretary of Human Resources, the Social Services Commission shall make a final determination that shall be binding upon the county. (1937, c. 288, ss. 9, 21, 39, 51; 1943, c. 505, s. 8; 1969, c. 546, s. 1; 1973, c. 476, s. 138.)

This estimate shall be prepared before March 15 on forms furnished by the Department of Human Resources. The county board of social services shall review, modify and approve the estimate and transmit it to the board of county commissioners before April 1 for its review, modification and approval. The estimate shall then be forwarded to the Secretary of Human Resources on or before April 15. The Secretary of Human Resources, as agent of the Department of Human Resources, shall review the estimate submitted by the county and notify the board of commissioners by June 1 of the adequacy of its estimate and of the amount of county funds necessary to support the social service administrative budget in the subsequent fiscal year. Upon receipt of such notice, the board of commissioners shall levy taxes sufficient to provide for the payment of the county's part of the budget. If the board of commissioners disputes the budget recommended by the Secretary of Human Resources, the Social Services Commission shall make a final determination that shall be binding upon the county. (1937, c. 288, ss. 23, 53; 1939, c. 395, s. 1; 1941, c. 232; 1943, c. 505, s. 9; 1945, c. 615, s. 1; 1957, c. 100, s. 1; 1961, c. 186; 1963, c. 248, s. 1; 1967, c. 898; 1969, c. 546, s. 1; 1973, c. 476, s. 138.)

§ 108-56. Counties to levy taxes. — (a) Whenever the Secretary of Human Resources assigns a portion of the nonfederal share of public assistance expenses to the counties under the rules and regulations of the Social Services Commission, the board of commissioners of each county shall levy and collect the taxes required to meet the county's share of such expenses.

(b) Appropriations and revenue estimates for each of the public assistance programs required by this Chapter and for administrative expenses shall be separately shown in the county budget ordinance and the accounting system. In the discretion of the board of county commissioners, the budget ordinance and accounting system may set up these programs (i) as separate lines within the general fund, (ii) within separate funds for each program, or (iii) within a single public assistance fund. Taxes levied for public assistance programs and administration shall be sufficient, when combined with other funds available for use for public assistance expenses from any other source of revenue (including borrowing in anticipation of collection of taxes), to meet the financial requirements of public assistance. (1937, c. 288, ss. 9, 39; 1969, c. 546, s. 1; 1971, c. 780, s. 35; 1973, c. 476, s. 138.)

At anytime during the fiscal year, any county may transfer county funds from one public assistance program to another if such action

appears to be both necessary and feasible, provided the county secures the approval of the Secretary of Human Resources. (1953, c. 891; 1967, c. 554; 1969, c. 546, s. 1; 1973, c. 476, s. 138.)

Equalizing fund. — The Secretary of Human Resources is authorized and directed to reserve from State appropriations for the programs of public assistance an amount that he finds to be necessary to equalize the burden of taxation in the counties of the State, and to equalize the benefits received by the recipients of public assistance. This amount shall be expended and disbursed solely for the use and benefit of persons eligible for assistance. The amount reserved, to be known as the equalizing fund, shall be distributed among the counties according to their needs under a formula approved by the Social Services Commission so as to produce a fair and just distribution. (1937, c. 288, s. 62; 1943, c. 505, s. 11; 1963, c. 551, ss. 1, 2; c. 599, s. 2; 1965, c. 409; 1969, c. 546, s. 1; 1973, c. 476, s. 138.)

§ 108-59. State fund created. — To provide for an effective medical assistance program and its administration in North Carolina, the Social Services Commission is authorized and empowered to establish from federal, State and county appropriations a fund to be known as the State Fund for Medical Assistance, and to adopt rules and regulations under which payments are to be made out of such fund in accordance with the provisions of this Part. The nonfederal share may be divided between the State and the counties, in a manner consistent with the provisions of the federal Social Security Act, except that the share required from the counties may not exceed the share required from the State. If a portion of the nonfederal share is required from the counties, the boards of county commissioners of the several counties shall levy, impose and collect the taxes required for the special purpose of medical assistance as provided in this Part, in an amount sufficient to cover each county's share of such assistance. (1965, c. 1173, s. 1; 1969, c. 546, s. 1; 1973, c. 476, s. 138.)

Payments from Fund.—From the Fund established in G.S. 108-59, the Social Services Commission may authorize, within appropriations made for this purpose, payments of all or part of the cost of medical and other remedial care for any eligible person, when it is essential to the health and welfare of such person that such care be provided, and when the total resources of such person are not sufficient to provide the necessary care. Payments from the fund shall be made only to intermediate care facilities, hospitals and nursing homes licensed and approved under the laws of the State of North Carolina or under the laws of another state, or to pharmacies, physicians, dentists, optometrists or other providers of services authorized by the Social Services Commission. (1965, c. 1173, s. 1; 1969, c. 546, s. 1; 1971, c. 435; 1973, c. 476, s. 138; c. 644.)

§ 108-61. Acceptance of federal grants.—All of the provisions of the federal Social Security Act providing grants to the states for medical assistance are accepted and adopted, and the provisions of this part shall be liberally construed in relation to such act so that the intent to comply with it shall be made effectual. Nothing in this part or the regulations made under its authority shall be construed to deprive a recipient of assistance of the right to choose the licensed provider of the care or service made available under this part within the provisions of the federal Social Security Act. (1965, c. 1173, s. 1; 1969, c. 546, s. 1.)

Part 6. General Assistance.

§ 108-62. Purpose and eligibility.—Assistance may be granted under this Part to persons who would have been eligible under the aid to the aged and disabled category prior to January 1, 1974, but who after such date do not qualify under the Federal Supplemental Security Income Program, including needy spouses, essential persons, certain disabled persons, and those persons needing supplemental payments in boarding homes, rest homes, and convalescent homes for the aged or infirm and those needing attendant care at home. Nothing in this Part should be interpreted so as to preclude any individual county from operating any program of financial assistance using only county funds. (1949, c. 1038, s. 2; 1961, c. 186; 1969, c. 546, s. 1; 1973, c. 717, s. 1.)

would have rendered him eligible under the Aid to the Aged and Disabled Category in effect before January 1, 1974. Opinion of Attorney General to Dr. Renee Westcott, Director, Division of Social Services, 43 N.C.A.G. 91 (1973).

§ 108-63. This Fund shall be used exclusively for assistance to needy persons eligible under this part.

(b) Allotments shall be made annually by the Commissioner of Social Services, as prescribed by G.S. 108-52, to the counties participating in the program established by this part.

(c) No allotment shall be used, either directly or indirectly, to replace county

appropriations or expenditures. (1949, c. 1038, s. 2; 1955, c. 310, s. 3; 1961, c. 186; 1969, c. 546, s. 1; 1973, c. 717, s. 5.)

Editor's Note. — The 1973 amendment, effective July 1, 1973, deleted the former first sentence of subsection (c), which re-

quired the allotments provided by this section to be used by counties solely as supplementary funds.

§ 108-65. Participation permissive. — The general assistance program established by this Part shall be administered as required by the rules and regulations of the Social Services Commission, except that no county shall be granted any allotment from the State General Assistance Fund nor be subject to the provisions of this Part unless its consent be given in the manner prescribed by the rules and regulations of the Social Services Commission. (1949, c. 1038, s. 2; 1969, c. 546, s. 1; 1973, c. 476, s. 138; c. 717, s. 6.)

Part 7. Foster Home Fund.

§ 108-66. State Foster Home Fund.—(a) The General Assembly shall appropriate funds to the Department of Human Resources for the purpose of providing assistance to needy children who are placed in foster homes by county departments of social services in accordance with the rules and regulations of the Social Services Commission. Such appropriations shall be known and designated as the State Foster Home Fund and, together with county contributions for this purpose, shall be expended to provide for the costs of keeping needy children in foster homes.

Child Labor Regulations.

§ 110-2. Hours of labor.—No minor under sixteen years of age shall be employed, permitted or allowed to work in, about or in connection with any gainful occupation more than six consecutive days in any one week, or more than forty hours in any one week, or more than eight hours in any one day, nor shall any minor under sixteen years of age be so employed, permitted or allowed to work before seven o'clock in the morning or after seven o'clock in the evening of any day, or after nine o'clock on days when schools are not in session. No minor over sixteen years of age and under eighteen years of age shall be employed, permitted or allowed to work in or about or in connection with any gainful occupation for more than six consecutive days in any one week, or more than forty-eight hours in any one week, or more than nine hours in any one day, nor shall any minor between sixteen and eighteen years of age be so employed, permitted or allowed to work before six o'clock in the morning or after twelve o'clock midnight of any day, except boys between the ages of sixteen and eighteen may be permitted to work until one o'clock in the morning as messengers where the offices of the company for which they work do not close before that hour: Provided, that boys twelve years of age and over, employed in the sale or distribution of newspapers, magazines or periodicals outside school hours shall be subject to the provisions of § 110-8 relating to employment of minors in street trades, and to such rules and regulations as may be provided under § 95-11: Provided further, that minors under eighteen years of age may be employed in a concert or a theatrical performance, under such rules and regulations as the State Commissioner of Labor may prescribe, up to twelve o'clock midnight; and provided further, that telegraph messenger boys in towns where a full-time service is not maintained on Sundays may work seven days per week, but not for more than two hours on Sunday. The combined hours of work and hours in school of children under sixteen employed outside school hours shall not exceed a total of eight per day. (1937, c. 317, s. 2; 1951, c. 1187, s. 1; 1967, cc. 173, 764; 1969, c. 962.)

Editor's Note.—The first 1967 amendment deleted the former first proviso, relating to nightwork by girls between 16 and 18 years of age.

The second 1967 amendment deleted the former last proviso to the second sentence, relating to employment of girls between

17 and 18 years of age in motion picture theaters.

The 1969 amendment substituted "seven o'clock" for "six o'clock" and added "or after nine o'clock on days when schools are not in session" in the first sentence.

§ 110-6. Hazardous occupations prohibited for minors under sixteen.

Quoted in *Gastonia Personnel Corp. v. Rogers*, 276 N.C. 279, 172 S.E.2d 19 (1970).

§ 110-7. Hazardous occupations prohibited for minors under 18.—No minor under the age of 18 years shall be employed, permitted, or allowed to work at any processes where quartz or any other form of silicon dioxide or an asbestos silicate is present in powdered form, or at work involving exposure to lead or any of its compounds in any form, or at work involving exposure to benzol or any benzol compound which is volatile or which can penetrate the skin, or at work in spray painting, or in the handling of unsterilized hides or animal or human hair. Nor shall any minor under 18 be employed or permitted to work in, about or in connection with any establishment where alcoholic liquors are distilled, rectified, compounded, brewed, manufactured, bottled, sold, or dispensed, or in a pool or billiard room: Provided, however, that this section shall not prohibit a minor under the age of 18 years from working in any establishment where beer is sold and not consumed on the premises, and to which has been issued only an "off premises"

license for the sale of beer. Nor shall any girl under the age of 18 years be employed, permitted or allowed to work as a messenger in the distribution or delivery of goods or messages for any person, firm or corporation engaged in the business of transmitting or delivering goods or messages. Nor shall any minor under 18 years of age be employed, permitted, or allowed to work in any place of employment, or at any occupation hazardous or injurious to the life, health, safety or welfare of such minor. It shall be the duty of the State Department of Labor and the said State Department of Labor shall have power, jurisdiction, and authority, after due notice and after hearings duly held, to issue general or special orders, which shall have the force of law, prohibiting the employment of such minors in any place of employment or at any occupation hazardous or injurious to the life, health, safety or welfare of such minors. Nothing contained in this Chapter shall be construed to prohibit a minor who is 16 years of age or older from working in a restaurant that has a Grade A rating solely because said establishment has a malt beverage, wine, spirituous liquor or other permit issued by the State A.B.C. Board; but a minor as described herein shall not be allowed to serve or dispense malt beverages, wine, or spirituous liquor. (1937, c. 317, s. 7; 1943, c. 670; 1973, c. 758, s. 1.)

Editor's Note. — The 1973 amendment added the last sentence.

Applicable to Establishment with a License Under G.S. 18A-31.—See opinion of Attorney General to Mr. W.C. Creel, Commissioner of Labor, 42 N.C.A.G. 220 (1973).

Quoted in Gastonia Personnel Corp. v. Rogers, 276 N.C. 279, 172 S.E.2d 19 (1970).

Stated in Underwood v. State Bd. of Alcoholic Control, 278 N.C. 623, 181 S.E.2d 1 (1971).

§ 110-9. Employment certificate required.—Before any minor shall be employed, permitted or allowed to work in, about or in connection with any gainful occupation, such minor shall procure and keep in his possession at all times while pursuing such employment an employment certificate in his name and issued as hereinafter prescribed. In case of a minor engaged in street trade where the relationship of employer and employee does not exist between such minor and the supplier of the merchandise which the minor sells, the parent or guardian of such minor shall be deemed the employer of such minor and the minor shall be required to procure and keep in his possession at all times while pursuing this employment the employment certificate herein required. (1937, c. 317, s. 9; 1973, c. 649, s. 1.)

Cross Reference.—See Editor's note to § 110-12.

Editor's Note. — The 1973 amendment, effective Oct. 1, 1973, rewrote this section

so as to require the minor to procure the certificate and keep it in his possession, rather than requiring the employer to procure the certificate and keep it on file.

§ 110-10. Officers authorized to issue certificates.—The employment certificate required by this article shall be issued only by county or city directors of social services in such form and under such conditions as may be prescribed by the State Department of Labor. (1937, c. 317, s. 10; 1961, c. 186; 1969, c. 982.)

§ 110-12. Method of issuing employment certificates. — The person designated to issue employment certificates shall issue such certificates only upon the application in person of the minor desiring employment, and after having approved and filed the following papers:

- (1) A promise of employment signed by the prospective employer or by someone duly authorized by him, setting forth the specific nature of the occupation in which he intends to employ such minor, and the number of hours per day and days per week which said minor shall be employed.
- (2) Evidence of age showing that minor is of the age required by this Article, which evidence shall consist of one of the following proofs of age and shall be required in the order herein designated, as follows:

- a. A duly attested transcript of the birth certificate filed according to law with a registrar of vital statistics, or other officer charged with the duty of recording births; or
 - b. A baptismal certificate or transcript of the record of baptism, duly certified, and showing the date and place of birth; or
 - c. Other documentary record of age (other than a school record or an affidavit of age) such as a Bible record, passport or transcript thereof, duly certified, or life insurance policy which shall appear to the satisfaction of the issuing officer to be good and sufficient evidence of age; or
 - d. Repealed by Session Laws 1971, c. 370.
- (3) Repealed by Session Laws 1971, c. 368.
- (4) A school record signed by the principal of the school which the minor has last attended or by someone duly authorized by him, giving the full name, date of birth, grade last completed, and residence of the minor.

The employment certificate shall be delivered to the minor for whom it is issued and this certificate shall be valid for the employment described in the promise of employment submitted in accordance with subdivision (1) of this section and for any subsequent employment of the minor. Provided: That the provisions of this act shall not apply to the hazardous occupations prohibited for minors in G.S. 110-6 and G.S. 110-7, and the provisions of this act shall not apply to the hazardous occupations as set forth in Child Labor Bulletin No. 101, promulgated under the United States Department of Labor's Bureau of Labor Standards as authorized by Chapter 8 of Title 29 of the United States Code, known as the "Fair Labor Standards Act," as amended. (1937, c. 317, s. 12; 1971, cc. 368, 370; 1973, c. 649, s. 2.)

Editor's Note.—The first 1971 amendment repealed former subdivision (3), requiring a doctor's certificate of physical fitness for an employed minor.

The second 1971 amendment repealed former paragraph d of subdivision (2), allowing, in certain circumstances, a doctor to certify that a minor is of sufficient age to be employed.

The 1973 amendment, effective Oct. 1, 1973, rewrote the first sentence of the last

paragraph, which formerly provided that the certificate should be delivered to the prospective employer and should be valid only for the employer named therein and for the occupation designated in the promise of employment, and added the proviso to the last paragraph.

The words "this act" in the proviso to the last paragraph would seem to refer to the 1973 amendatory act, which also amended §§ 110-9, 110-15 and 110-19.

§ 110-15. Duties of employee in regard to employment certificate.—

Every employee receiving an employment certificate shall, after accepting employment and on the first day of employment, surrender his employment certificate to his employer for the duration of his employment, for the purpose of making the employment certificate readily accessible to any certificate-issuing officer, attendance officer, inspector, or other person authorized to enforce this Article. Upon termination to the minor. (1937, c. 317, s. 15; 1973, c. 649, s. 3.)

Cross Reference.—See Editor's note to § 110-12.

Editor's Note.—The 1973 amendment rewrote this section.

§ 110-16: Repealed by Session Laws 1971, c. 1231, s. 2.

§ 110-19. Inspection and prosecutions.—It shall be the duty of the State Department of Labor and of the inspectors and agents of said State Department of Labor to enforce the provisions of this Article, to make complaints against persons violating its provisions, and to prosecute violations of the same. The said State Department of Labor, its inspectors and agents shall have authority to enter and inspect at any time any place or establishment covered by the Article, and to have access to employment certificates kept in the possession of the employee and such other records as may aid in the enforcement of this Article.

School attendance officers are likewise empowered to visit and inspect places where minors may be employed. (1937, c. 317, s. 19; 1971, c. 1231, s. 2; 1973, c. 49, s. 4.)

Cross Reference.—See Editor's note to 110-12.

Editor's Note. — The 1971 amendment deleted the former second paragraph.

The 1973 amendment substituted "in the possession of the employee" for "on file by the employer" in the second sentence.

ARTICLE 1A.

Exhibition of Children.

§ 110-20.1. Exhibition of certain children prohibited.—(a) Except to the extent otherwise provided in subsection (d) of this section, it is unlawful to exhibit publicly for any purpose, or to exhibit privately for the purpose of entertainment, or solely or primarily for the satisfaction of the curiosity of any observer, any child under the age of 18 years who is mentally ill or mentally retarded or who presents the appearance of having any deformity or unnatural physical formation or development, whether or not the exhibiting of the child is in return for a monetary or other consideration.

(b) It is unlawful to employ, use, have custody of, or in any way be associated with any child described in subsection (a) for the purpose of an exhibition forbidden therein, or for one who has the care, custody or control of the child as a parent, relative, guardian, employer or otherwise, to neglect or refuse to restrain the child from participating in the exhibition.

(c) It is unlawful to procure or arrange for, or participate in procuring or arranging for, anything made unlawful by subsections (a) and (b).

(d) This section does not apply to the transmission of an image by television by a duly licensed television station, or to any exhibition by a federal, State, county or municipal government, or political subdivision or agency thereof, or to any exhibition by any corporation, unincorporated association, or other organization organized and operated exclusively for religious, charitable, or educational purposes, no part of the net earnings of which inures to the benefit of any private shareholder or individual.

(e) Any violation of this article shall be a misdemeanor which, upon conviction, shall be punished by a fine of not less than five dollars (\$5.00) nor more than fifty dollars (\$50.00) or imprisonment for not more than 30 days, or both such fine and imprisonment. Each day during which any violation of this article continues after notice to the violator, from any county welfare director, to cease and desist from any violation of this section shall constitute a separate and distinct offense. Any act or omission forbidden by this article shall, with respect to each child described therein constitute a separate and distinct offense. (1969, c. 457, s. 1.)

Editor's Note. — Session Laws 1969, c. 457, s. 3, makes the act effective July 1, 1969.

Prohibited When Programs Are Prepared for Public or General Benefit or for Purposes of Treatment of Children. — See opinion of Attorney General to Mr. S.S. Haney, 41 N.C.A.G. 590 (1971).

ARTICLE 2.

Juvenile Services.

§ 110-21. Probation.—The county director of social services shall be the chief juvenile probation officer in each county, except that the chief counselor shall be the chief juvenile probation officer in counties where family counselor services are established as provided in G.S. 7A-134. The chief juvenile probation officer shall supervise the work of any persons who provide juvenile probation services.

If there are no family counselor services available in a district, the judges ex-

exercising juvenile jurisdiction and the directors of the county social services departments in the district may agree in writing that all persons providing juvenile probation services in the district shall be regular employees of the county social services departments in the district who are administratively responsible to the county director of social services as chief juvenile probation officer in each county. Such written agreement shall provide for uniform practices and procedures in juvenile cases in the district. Upon election or appointment of a judge who was not a party to the agreement, the parties may enter a new agreement as herein provided. (1919, c. 97, s. 11; C. S., s. 5049; 1947, c. 94; 1957, c. 100, s. 1; 1961, c. 186; 1963, c. 633; 1969, c. 911, s. 1.)

Revision of Article.—Session Laws 1969, c. 911, s. 1, rewrote this article, which formerly related to juvenile courts and comprised §§ 110-21 through 110-44, to appear as present §§ 110-21 through 110-24. Historical citations to sections of the former article have been added to similar sections of the article as revised. Provisions as to juvenile jurisdiction of the district court, and procedures applicable to children

therein, are now found in §§ 7A-277 through 7A-289.

Session Laws 1969, c. 911, s. 11, provides: "This act shall be effective January 1, 1970, provided that in those districts where the district court is not yet established, the courts exercising juvenile jurisdiction on the effective date shall continue to exercise juvenile jurisdiction until the district court is established."

§ 110-21.1: Repealed by Session Laws 1969, c. 911, s. 1.

Revision of Article.—See same catchline in note under § 110-21.

§ 110-22. Probation conditions; revocation.—When the court places any child on probation, the court order shall specify the conditions of probation and the period of time the child shall remain on probation. The conditions of probation shall be designed by the court to meet the needs of the child and may include any of the following or such other conditions of probation as the court may order in the best interest of the child:

- (1) That the child shall remain on good behavior and not violate any laws;
- (2) That the child attend school regularly;
- (3) That the child not associate with specified persons or be in specified places;
- (4) That the child report to the probation officer as often as required by the probation officer;
- (5) That the child make specified financial restitution or pay a fine;
- (6) That the child be employed regularly if not attending school.

The court may review the progress of any child on probation at any time during the period of probation. The conditions of probation or the period of time on probation may be modified as may be appropriate in a particular case, provided there is notice and a hearing as provided by Article 23 of Chapter 7A. If a child violates the conditions of his probation, such child, after notice, may be required to appear before the court, and the court may make any disposition of the matter authorized by G.S. 7A-286. At the end of a child's period of probation, the child shall appear after notice of a hearing with the juvenile probation officer so that the court may evaluate the child's need for continued supervision, and the judge may terminate the probation, continue the child on probation under the same or modified conditions for a specified term, or enter such other order as the court may find to be in the best interest of the child. (1919, c. 97, s. 12; C. S., s. 5050; 1969, c. 911, s. 1; 1971, c. 1180, s. 6.)

Editor's Note. — The 1971 amendment, effective Sept. 1, 1971, in the third sentence of the second paragraph, inserted "after notice" before "may be required," deleted

"after notice" following "before the court," and substituted "authorized by G.S. 7A-286" for "that it might have made when the child was placed on probation."

§ 110-22.1: Repealed by Session Laws 1969, c. 911, s. 1.

Revision of Article.—See same catchline
in note under § 110-21.

§ 110-23. Duties and powers of juvenile probation officers.—All juvenile probation officers or family counselors providing services to judges hearing juvenile cases shall have the following powers and duties, as the court may require:

- (1) To secure or arrange for such information concerning a case as the court may require before, during or after the hearing;
- (2) To prepare written reports for the use of the court;
- (3) To appear and testify at court hearings;
- (4) To assume temporary custody of a child when so directed by court order;
- (5) To furnish each child on probation and his parents with a written statement of his conditions of probation, and to consult with the parents, guardian or custodian so that they may help the child comply with his probation;
- (6) To keep informed concerning the conduct and progress of any child on probation or under court supervision through home visits or conferences with the parents, guardian or custodian, and in other ways;
- (7) To see that the conditions of probation are complied with by the child, or to bring any child who violates his probation to the attention of the court;
- (8) To make periodic reports to the court concerning the adjustment of any child on probation or under court supervision;
- (9) To keep such records of his work as the court may require;
- (10) To account for all funds collected from children;
- (11) To have all the powers of a peace officer in the district;
- (12) To provide supervision for a child transferred to his supervision from another court or another state, and to provide supervision for any child released from an institution operated by the North Carolina Board of Juvenile Correction when requested by such Board to do so;
- (13) To have such other duties as the judge may direct. (1919, c. 97, s. 13; C. S., s. 5051; 1957, c. 100, s. 1; 1969, c. 911, s. 1.)

§ 110-23.1. Juvenile probation officers; nongovernmental employees.

—Whenever funds are made available for the purposes of this section, the chief district court judge of any district where family counselor services are not available may, in accordance with rules of the administrative offices of the courts, designate persons other than government employees to act as juvenile probation officers and chief juvenile probation officers, and such persons so designated shall have the same powers, duties, and responsibilities as juvenile probation officers and chief juvenile probation officers otherwise provided for by law. (1971, c. 1134.)

§ 110-24. Detention homes.—It shall be unlawful for any child coming within the provisions of Article 23 of Chapter 7A to be placed in any jail, prison or other penal institution where such child will come into contact with adults charged with or convicted of crimes, except as herein provided.

Children who are alleged or adjudicated to be delinquent or undisciplined and who require secure custody for the protection of the community or in the best interest of the child may be temporarily detained in a juvenile detention home, which shall be separate from any jail, lockup, prison or other adult penal institution. A juvenile detention home shall be located in a building designed to provide secure custody and shall have such personnel as may be necessary to provide for the supervision and safety of the children being detained. A detention home shall be operated as a family home according to the standards applicable to juvenile detention facilities adopted by the Social Services Commission under G.S. 153-52 and under the supervision of the judges exercising juvenile jurisdiction in the

district. Personnel employed in a detention home may be appointed by the unit of government which operates the program, except that such appointments shall be approved by the Department of Human Resources. The program of a detention home shall be designed as far as possible to provide wholesome activities in the best interest of the children placed therein.

If there is no detention home available, the judge may arrange for the care of a child requiring secure custody in a private home, a foster home or in any other available child-care facility. When the judge finds there is a pressing need that a child be held in secure custody and there is no juvenile detention home available to the judge, the judge may order the temporary detention of such child in any section of a local jail which is so arranged that the child cannot converse with, see or be seen by the adult population of the jail while being detained, provided that the jailer or other personnel responsible for administration of the jail shall provide close supervision of any child so detained for the protection of the child. (1919, c. 97, s. 10; C. S., s. 5048; 1957, c. 100, s. 1; 1967, c. 1207; 1969, c. 911, s. 1; 1973, c. 476, s. 138.)

Editor's Note.—The 1973 amendment, effective July 1, 1973, substituted "Social Services Commission" for "State Board of Social Services" and "Department of Human Resources" for "State Department of Social Services."

ARTICLE 2A.

Parental Control of Children.

§ 110-44.1. **Child under eighteen subject to parents' control.**—Notwithstanding any other provision of law, any child under 18 years of age, except as provided in §§ 110-44.2 and 110-44.3, shall be subject to the supervision and control of his parents. (1969, c. 1080, s. 1.)

Cited in *Wheeler v. Goodman*, 330 F. Supp. 1356 (W.D.N.C. 1971).

§ 110-44.2. **Exceptions.**—This article shall not apply to any child under the age of 18 who is married or who is serving in the armed forces of the United States, or who has been emancipated. (1969, c. 1080, s. 2.)

§ 110-44.3. **No criminal liability created.**—This article shall not be interpreted to place any criminal liability on a parent for any act of his child 16 years of age or older. (1969, c. 1080, s. 3.)

§ 110-44.4. **Enforcement.**—The provisions of this article may be enforced by the parent, guardian, or person standing in loco parentis to the child by filing a civil action in the district court of the county where the child can be found.

Upon the institution of such action by a verified complaint, alleging that the defendant child has left home or has left the place where he has been residing and refuses to return and comply with the direction and control of the plaintiff, the court may issue an order directing the child personally to appear before the court at a specified time to be heard in answer to the allegations of the plaintiff and to comply with further orders of the court. Such orders shall be served by the sheriff upon the child and upon any other person named as a party defendant in such action. At the time of the issuance of the order directing the child to appear the court may in the same order, or by separate order, order the sheriff to enter any house, building, structure or conveyance for the purpose of searching for said child and serving said order and for the purpose of taking custody of the person of said child in order to bring said child before the court. Any order issued at said hearing shall be treated as a mandatory injunction and shall remain in full force and effect until the child reaches the age of 18, or until further orders of the court. Within 30 days after the hearing on the original order, the child, or anyone acting in his behalf, may file a verified answer to the complaint. Upon the filing of an answer by or on behalf of said child, any district court judge holding court in the county or judicial district where said action was instituted shall have jurisdiction to hear the matter, without a jury, and to make findings of fact, conclusions of law, and render judgment thereon. Any aggrieved party may within the time allowed for appeal of civil actions generally appeal to the superior court where trial shall be had without a jury. Appeals from the superior court to the Court of Appeals shall be allowed as in civil actions generally. The district judge issuing the original order or the district judge hearing the matter after answer has been filed, shall also have authority to order that any person named defendant in the order or judgment shall not harbor, keep, or allow the defendant child to remain on said person's premises or in said person's home. Failure of any defendant to comply with the terms of said order or judgment shall be punishable as for contempt. (1969, c. 1080, s. 4.)

ARTICLE 4A.*Interstate Compact on the Placement of Children.*

§ 110-57.1. Adoption of compact.—The Interstate Compact on the Placement of Children is hereby enacted into law and entered into with all other jurisdictions legally joining therein in form substantially as contained in this Article. It is the intent of the General Assembly that Article 4 shall govern interstate placements of children between North Carolina and any other jurisdictions not a party to this compact.

Article I. Purpose and Policy.

It is the purpose and policy of the party states to cooperate with each other in the interstate placement of children to the end that:

(a) Each child requiring placement shall receive the maximum opportunity to be placed in a suitable environment and with persons or institutions having appropriate qualifications and facilities to provide a necessary and desirable degree and type of care.

(b) The appropriate authorities in a state where a child is to be placed may have full opportunity to ascertain the circumstances of the proposed placement, thereby promoting full compliance with applicable requirements for the protection of the child.

(c) The proper authorities of the state from which the placement is made may obtain the most complete information on the basis of which to evaluate a projected placement before it is made.

(d) Appropriate jurisdictional arrangements for the care of children will be promoted.

Article II. Definitions.

As used in this compact:

(a) "Child" means a person who, by reason of minority, is legally subject to parental, guardianship or similar control.

(b) "Sending agency" means a party state, officer or employee thereof; a subdivision of a party state, or officer or employee thereof; a court of a party state; a person, corporation, association, charitable agency or other entity which sends, brings, or causes to be sent or brought any child to another party state.

(c) "Receiving state" means the state to which a child is sent, brought, or caused to be sent or brought, whether by public authorities or private persons or agencies, and whether for placement with state or local public authorities of [or] for placement with private agencies or persons.

(d) "Placement" means the arrangement for the care of a child in a family free or boarding home or in a child-caring agency or institution but does not in-

clude any institution caring for the mentally ill, mentally defective or epileptic or any institution primarily educational in character, and any hospital or other medical facility.

(e) "Appropriate public authorities" as used in Article III shall, with reference to this State, mean the Department of Human Resources and said agency shall receive and act with reference to notices required by Article III.

(f) "Appropriate authority in the receiving state" as used in paragraph (a) of Article V shall, with reference to this State, mean the Secretary of Human Resources.

(g) "Executive head" as used in Article VII means the Governor.

Article III. Conditions for Placement.

(a) No sending agency shall send, bring, or cause to be sent or brought into any other party state any child for placement in foster care or as a preliminary to a possible adoption unless the sending agency shall comply with each and every requirement set forth in this Article and with the applicable laws of the receiving state governing the placement of children therein.

(b) Prior to sending, bringing or causing any child to be sent or brought into a receiving state for placement in foster care or as a preliminary to a possible adoption, the sending agency shall furnish the appropriate public authorities in the receiving state written notice of the intention to send, bring, or place the child in the receiving state. The notice shall contain:

- (1) The name, date and place of birth of the child.
- (2) The identity and address or addresses of the parents or legal guardian.
- (3) The name and address of the person, agency or institution to or with which the sending agency proposes to send, bring, or place the child.
- (4) A full statement of the reasons for such proposed action and evidence of the authority pursuant to which the placement is proposed to be made.

(c) Any public officer or agency in a receiving state which is in receipt of a notice pursuant to paragraph (b) of this Article may request of the sending agency, or any other appropriate officer or agency of or in the sending agency's state, and shall be entitled to receive therefrom, such supporting or additional information as it may deem necessary under the circumstances to carry out the purpose and policy of this compact.

(d) The child shall not be sent, brought, or caused to be sent or brought into the receiving state until the appropriate public authorities in the receiving state shall notify the sending agency, in writing, to the effect that the proposed placement does not appear to be contrary to the interests of the child.

Article IV. Penalty for Illegal Placement.

The sending, bringing, or causing to be sent or brought into any receiving state of a child in violation of the terms of this compact shall constitute a violation of the laws respecting the placement of children of both the state in which the sending agency is located or from which it sends or brings the child and of the receiving state. Such violation may be punished or subjected to penalty in either jurisdiction in accordance with its laws. In addition to liability for any such punishment or penalty, any such violation shall constitute full and sufficient grounds for the suspension or revocation of any license, permit, or other legal authorization held by the sending agency which empowers or allows it to place, or care for children.

Article V. Retention of Jurisdiction.

(a) The sending agency shall retain jurisdiction over the child sufficient to determine all matters in relation to the custody, supervision, care, treatment and disposition of the child which it would have had if the child had remained in the

sending agency's state, until the child is adopted, reaches majority, becomes self-supporting or is discharged with the concurrence of the appropriate authority in the receiving state. Such jurisdiction shall also include the power to effect or cause the return of the child or its transfer to another location and custody pursuant to law. The sending agency shall continue to have financial responsibility for support and maintenance of the child during the period of the placement. Nothing contained herein shall defeat a claim of jurisdiction by a receiving state sufficient to deal with an act of delinquency or crime committed therein.

(b) When the sending agency is a public agency, it may enter into an agreement with an authorized public or private agency in the receiving state providing for the performance of one or more services in respect of such case by the latter as agent for the sending agency.

(c) Nothing in this compact shall be construed to prevent a private charitable agency authorized to place children in the receiving state from performing services or acting as agent in that state for a private charitable agency of the sending state; nor to prevent the agency in the receiving state from discharging financial responsibility for the support and maintenance of a child who has been placed on behalf of the sending agency without relieving the responsibility set forth in paragraph (a) hereof.

Article VI. Institutional Care of Delinquent Children.

A child adjudicated delinquent may be placed in an institution in another party jurisdiction pursuant to this compact but no such placement shall be made unless the child is given a court hearing on notice to the parent or guardian with opportunity to be heard, prior to his being sent to such other party jurisdiction for institutional care and the court finds that:

- (1) Equivalent facilities for the child are not available in the sending agency's jurisdiction; and
- (2) Institutional care in the other jurisdiction is in the best interest of the child and will not produce undue hardship.

Article VII. Compact Administrator.

The executive head of each jurisdiction party to this compact shall designate an officer who shall be general coordinator of activities under this compact in his jurisdiction and who, acting jointly with like officers of other party jurisdictions, shall have power to promulgate rules and regulations to carry out more effectively the terms and provisions of this compact.

Article VIII. Limitations.

This compact shall not apply to: (a) the sending or bringing of a child into a receiving state by his parent, stepparent, grandparent, adult brother or sister, adult uncle or aunt, or his guardian and leaving the child with any such relative or nonagency guardian in the receiving state. (b) Any placement, sending or bringing of a child into a receiving state pursuant to any other interstate compact to which both the state from which the child is sent or brought and the receiving state are party, or to any other agreement between said states which has the force of law.

Article IX. Enactment and Withdrawal.

This compact shall be open to joinder by any state, territory or possession of the United States, the District of Columbia, the Commonwealth of Puerto Rico, and, with the consent of Congress, the government of Canada or any province thereof. It shall become effective with respect to any such jurisdiction when such juris-

diction has enacted the same into law. Withdrawal from this compact shall be by the enactment of a statute repealing the same, but shall not take effect until two years after the effective date of such statute and until written notice of the withdrawal has been given by the withdrawing state to the governor of each other party jurisdiction. Withdrawal of a party state shall not affect the rights, duties and obligations under this compact of any sending agency therein with respect to a placement made prior to the effective date of withdrawal.

Article X. Construction and Severability.

The provisions of this compact shall be liberally construed to effectuate the purposes thereof. The provisions of this compact shall be severable and if any phrase, clause, sentence or provision of this compact is declared to be contrary to the constitution of any party state or of the United States or the applicability thereof to any government, agency, person or circumstance is held invalid, the validity of the remainder of this compact and the applicability thereof to any government, agency, person or circumstance shall not be affected thereby. If this compact shall be held contrary to the constitution of any state party thereto, the compact shall remain in full force and effect as to the remaining states and in full force and effect as to the state affected as to all severable matters. (1971, c. 453, s. 1; 1973, c. 476, s. 138.)

(1971, c. 453, s. 2.)

§ 110-57.3. Agreements under compact.—The officers and agencies of this State and its subdivisions having authority to place children are hereby empowered to enter into agreements with appropriate officers or agencies of or in other party states pursuant to paragraph (b) of Article V of the Interstate Compact on the Placement of Children. Any such agreement which contains a financial commitment or imposes a financial obligation on this State or subdivision or agency thereof shall not be binding unless it has the approval in writing of the Secretary of Human Resources in the case of the State and of the county director of social services in the case of a county or other subdivision of the State. (1971, c. 453, s. 2; 1973, c. 476, s. 138.)

§ 110-57.4. (1971, c. 453, s. 2.)

§ 110-57.5. Compact to govern between party states.—The provisions of Article 4 of Chapter 110 of the General Statutes shall not apply to placements

made pursuant to the Interstate Compact on the Placement of Children. (1971, c. 453, s. 2.)

(1971, c. 453, s. 2.)

§ 110-57.7. Compact administrator. — The Governor is hereby authorized to appoint a compact administrator in accordance with the terms of said Article VII. (1971, c. 453, s. 2.)

The judge of any court in North Carolina finding that a requisition for the return of a juvenile under the provisions of Article IV of the compact is in order shall upon request fix a reasonable time to be allowed for the purpose of testing the legality of the proceeding. ARTICLE 7.

Day-Care Facilities.

§ 110-85. **Legislative intent and purpose.**—The General Assembly hereby declares its intent with respect to day care of children:

- (1) The State should protect the growing number of children who are placed in day-care facilities or in child-care arrangements when these children are under the supervision and in the care of persons other than their parents, grandparents, guardians or full-time custodians during the day.
- (2) This protection should assure that such children are cared for by persons of good moral character, that their physical safety and moral environment are protected, and that the day-care resources conform to minimum standards relating to the health and safety of the children receiving day care.
- (3) This protection requires the following elements for a comprehensive approach: mandatory licensing of day-care facilities under minimum standards; promotion of higher levels of day care than required for a license through the development of higher standards which operators may comply with on a voluntary basis; registration of day-care plans which are too small to be regulated through licensing; and a program of education to help operators improve their programs and to develop public understanding of day-care needs and problems. (1971, c. 803, s. 1.)

In case of vacancy, the Governor shall appoint a citizen-member to serve the remainder of the unexpired term. If one of the five appointees who are required to be operators for profit subject to licensing ceases to engage in operating a day-care facility for profit, the office of such Board member shall become vacant and the Governor shall appoint a qualified operator for profit to serve the remainder of such term.

(d) The Board shall elect its own chairman who shall have been appointed to the Board by the Governor and who shall serve at the pleasure of the Board, except that in no case shall a member of the Board serve as chairman for more than six years. (1971, c. 803, s. 1; 1973, c. 476, ss. 128, 133, 138.)

Editor's Note.—Session Laws 1973, c. 476, ss. 128, 133, and 138, effective July 1, 1973, substitute "Secretary of Human Resources" for "State Health Director," "Commissioner of Mental Health" and "Commissioner of Social Services"

throughout the General Statutes, subject to certain specified exceptions not including this section. Pursuant to the 1973 act, "Secretary of Human Resources" has been substituted for "Commissioner of Social Services," for "State Health Director" and

for "Commissioner of Mental Health" in subsection (b) of this section.

Session Laws 1973, c. 476, s. 10(a), codified as § 143B-10, subsection (a), authorizes the Secretary of Human Resources to

"assign or reassign the function vested in him or in his department to any subordinate officer or employee of his department."

§ 110-88. Powers and duties of the Board.—The Board shall have the following powers and duties:

- (1) To develop policies and procedures for the issuance of a license to any day-care facility which meets the health and safety standards established under this Article.
- (2) To approve the issuance of licenses for day-care facilities based upon inspections by and written reports from existing agencies of State and local government where available, or based upon inspections by and reports from personnel employed by the Board where such services are not otherwise available.
- (3) To develop a system or plan for registration of day-care plans in such form and place as shall be determined by the Board so that day-care plans which are not subject to licensing may be identified, so that there can be an accurate census of the number of children placed in day-care resources, and so that providers of day care who do not receive the educational and consultation services related to licensing may receive educational materials or consultation through the Board.
- (4) To employ the Director of the Board, who shall be the chief administrator of the programs related to day care authorized by this Article and who shall implement the policies and procedures developed by the Board.
- (5) To make rules and regulations and develop policies for implementation of this Article, including procedures for application, approval, renewal and revocation of licenses.
- (6) To make rules and regulations for the issuance of a provisional license to a day-care facility which does not conform in every respect with the standards relating to health and safety established in this Article provided that the Director finds, and the Board concurs in the finding that the operator is making a reasonable effort to conform to such standards, except that a provisional license shall not be issued for more than one year and shall not be renewed.
- (7) To develop and promulgate standards which reflect higher levels of day care than required by the standards established by this Article, which will recognize better physical facilities, more qualified personnel, and higher quality programs. The Board shall be empowered to issue two grades of licenses: an "A" license for compliance with the provisions of the Article, and an "AA" license for those licensees meeting the voluntary higher standards promulgated by the Board.
- (8) To furnish such forms as may be required for implementation of this Article under the procedures developed by the Board.
- (9) To serve as an administrative-appeal body to determine all issues related to the issuance, renewal and revocation of licenses.
- (10) To receive travel and per diem expenses as authorized for members of State boards under G.S. 138-5. (1971, c. 803, s. 1.)

§ 110-89. Director.—The Director shall be a professional person with leadership and executive abilities who is knowledgeable about day care of children. The Director shall be responsible to the Board and shall serve at its pleasure. (1971, c. 803, s. 1.)

§ 110-90. Powers and duties of Director.—The Director shall have the following powers and duties under the policies, rules and regulations of the Board:

- (1) To administer the licensing program for day-care facilities and the registration system for day-care plans.
- (2) To obtain and coordinate the necessary services from other State departments and units of local government which are necessary to implement the provisions of this Article.
- (3) To employ such administrative personnel and staff as may be necessary to implement this Article where required services, inspections or reports are not available from existing State agencies and units of local government.
- (4) To issue a license effective for one year to any day-care facility which meets the standards established by this Article.
- (5) To revoke after hearing the license of any day-care facility which ceases to meet the standards established by this Article.
- (6) To prosecute or defend on behalf of the State, through the office of the Attorney General, any legal actions arising out of the administration or enforcement of this Article.
- (7) To promote and coordinate educational programs and materials for operators of day-care facilities and day-care plans which are designed to improve the quality of day care available in the State, using the resources of other State and local agencies and educational institutions where appropriate.
- (8) To issue a rated license when any operator of a day-care facility required to be licensed hereunder has satisfied the Board that it has met the voluntary standards developed and adopted by the Board. (1971, c. 803, s. 1.)

§ 110-91. Mandatory standards for a license.—The following standards relating to the health and safety of children shall be complied with by all day-care facilities, except as otherwise provided in this Article. These standards shall be the only required standards for issuance of a license by the Director under policies and procedures of the Board.

- (1) Medical Care and Sanitation.—Each day-care facility, and all personnel, shall meet the minimum health and sanitation standards developed by the Commission for Health Services subject to adoption by the Board not inconsistent with the provisions of this Article. The health and sanitation standards developed by the Commission for Health Services shall cover such matters as the cleanliness of floors, walls, ceilings, storage spaces, utensils, and other facilities; adequacy of ventilation; sanitation of water supply, lavatory facilities, toilet facilities, sewage disposal, food protection facilities, bactericidal treatment of eating and drinking utensils, and solid-waste storage and disposal; methods of food preparation and serving; health of staff members; and such other items and facilities as are necessary in the interest of the public health. Each year, or more often if required by the Board in a particular case, each day-care facility shall submit evidence satisfactory to the Board that it conforms to these health and sanitation standards.

Each child shall have a medical examination by a licensed physician prior to being admitted or within two weeks following admission to a day-care facility; a record of such examination shall be on file in the records of the facility, provided, however, that no medical certificate shall be required of any child who is and has been in normal health and whose parent, guardian, or full-time custodian objects in writing to a medical examination on religious grounds which conform to the teachings and practice of any recognized church or religious denomination.

Each child shall be immunized in such manner as to meet the re-

quirements of Articles 9 and 9A of Chapter 130 of the General Statutes.

Each day-care facility shall have a plan of emergency medical care which shall include provisions for communication with and transportation to a specified medical resource, unless otherwise previously instructed. No child receiving day care shall be administered any drug or other medication without specific instructions from a physician or the child's parent, guardian or full-time custodian. Medical information on each child in care, including the names, addresses, and telephone numbers of the child's physician and parents, legal guardian or full-time custodian shall be readily available to the staff of the day-care facility in the records of the facility in accordance with a form approved by the Board for this purpose.

There shall be a separate bed, cot or mat for each child to use during rest periods, equipped with individual linen, except for school children who are cared for only during after-school hours; if a mat is used, it shall be of a waterproof, washable material at least two inches thick and shall be folded so that the floor side does not touch the sleeping side. Beds and linens used by members of the household of the operator shall not be used for children receiving care in the day-care facility.

- (2) **Health-Related Activities.**—Each child in a day-care facility shall receive a lunch which is nutritionally adequate for good health. In addition, each child shall receive refreshments or a snack in the morning and the afternoon.

Each day-care facility shall arrange for each child in care to be out-of-doors each day if weather conditions permit.

Each day-care facility shall have a rest period for each child in care after lunch or at some other appropriate time.

No day-care facility shall care for more than 25 children in one group. Facilities providing care for 26 or more children shall provide for two or more groups according to the ages of children and shall provide separate supervisory personnel for each group.

- (3) **Location.**—Each day-care facility shall be located in an area which is free from conditions which are deemed hazardous to the physical and moral welfare of the children in care in the opinion of the Board.
- (4) **Building.**—Each day-care facility shall be located in a building which meets the requirements of the North Carolina Building Code under standards which shall be developed by the Building Code Council, subject to adoption by the Board specifically for day-care facilities, including facilities operated in a private residence. Such standards shall be consistent with the provisions of this Article.
- (5) **Fire Prevention.**—All day-care facilities shall be inspected annually by a local fire department or a volunteer fire department, using fire-prevention standards which shall be developed by the State Insurance Department after consultation with local fire departments and volunteer fire departments, subject to adoption by the Board.
- (6) **Space Requirements.**—There shall be no less than 25 square feet of indoor space for each child for which a day-care facility is licensed, exclusive of closets, passageways, kitchens, and bathrooms, and such floor space shall provide during rest periods 200 cubic feet of air space per child for which the facility is licensed. There shall be adequate outdoor play area for each child under rules and regulations to be adopted by the Board which shall be related to the size and type of facility, availability and location of outside land area, except in no event shall the minimum required exceed 75 square feet per child, which area

shall be protected to assure the safety of the children receiving day care by an adequate fence or other protection.

- (7) **Staff-Child Ratio.**—In determining the staff-child ratio, children of the supervisor or other children under 13 years of age shall be included. The Board shall adopt rules and regulations regarding child-staff ratio, provided, however, that such rules and regulations shall in no event require a ratio of staff members to children more stringent than the following:

- a. For day-care facilities caring for less than 30 children, the ratios shall be as follows:

1. In facilities licensed for six to 10 children, inclusive, one full-time supervising adult with another person between the ages of 16 and 70 years, inclusive, available for emergencies in relief.
2. In facilities licensed for 11 to 20 children, inclusive, there must be one full-time supervising adult and one full-time staff member, one of whom may have responsibility for food preparation.
3. In facilities licensed for 21 to 29 children, inclusive, there must be one full-time supervising adult and two full-time staff members, one of whom may have responsibility for food preparation.

- b. For facilities caring for 30 or more children, the ratio shall be as follows:

<i>Ages of Children</i>	<i>No. of Children</i>	<i>Staff Members</i>
0 to 2 years	8	1
2 to 3 years	12	1
3 to 4 years	15	1
4 to 5 years	20	1
5 or more years	25	1

1. Children under two years of age in any facility must be kept separate from older children, and with a full-time adult always in attendance.
2. Staff members required to be responsible for the care of children shall not have responsibility for food preparation.

- c. To provide for absenteeism and withdrawals without notice, a twenty percent (20%) tolerance shall be allowed as to groups and numbers of children specified in this section and as to the total number for which the facility is licensed, except that no more than 25 children shall be attended by one staff member.

- d. Each facility may care for school age children in after-school hours up to twenty percent (20%) in excess of the number for which it is licensed. However, if there are more than 10 after-school-hour children, an additional staff member must be present to supervise them during their hours at the facility, and there shall be no more than 25 of these children in the care of any one staff member.

- (8) **Qualifications for Staff.**—Each day-care facility shall be under the direction or supervision of a literate person at least 21 years of age. Each staff member employed in a day-care facility supervising children shall be not less than 16 years of age, nor more than 70 years of age. No person shall be an operator of nor be employed in a day-care fa-

cility who has been convicted of a crime involving child neglect, child abuse, or moral turpitude, or who is an habitually excessive user of alcohol or who illegally uses narcotic or other impairing drugs, or who is mentally retarded or mentally ill to an extent that may be injurious to children.

- (9) Records.—Each day-care facility shall keep accurate records on each child receiving care in the day-care facility in accordance with a form furnished or approved by the Board, and shall submit attendance reports as required by the Board.

Each day-care facility shall keep accurate records on each staff member or other person delegated responsibility for the care of children in accordance with a form approved by the Board.

All records of any day-care facility, except financial records, shall be subject to review by the Director or by duly authorized representatives of the Board or a cooperating agency who shall be designated by the Director, with the approval of the Board.

Any effort to falsify information provided to the Board shall be deemed by the Board to be evidence of violation of this Article on the part of the operator or sponsor of the day-care facility and shall constitute a cause for revoking or denying a license to such day-care facility.

- (10) Each operator or staff member shall truly and honestly show each child in his care true love, devotion and tender care. (1971, c. 803, s. 1; 1973, c. 476, s. 128.)

Editor's Note.—The 1973 amendment, effective July 1, 1973, substituted "Commission for Health Services" for "State Board of Health" in two places in the first paragraph of subdivision (1).

Article 9A of Chapter 130, referred to in subdivision (1) of this section, was repealed by Session Laws 1971, c. 191, which consolidated that article with present Article 9 of Chapter 130.

Child-Staff Ratio Requirements Are Applicable During All Periods of the Day Unless Modified by Child Day-Care Licensing Board.—See opinion of Attorney General to Mr. John S. Sokol, Director, Child Day-Care Licensing Board, 42 N.C.A.G. 301 (1973).

§ 110-92. **Duties of State and local agencies.**—Nothing in this Article shall be interpreted to interfere with the authority of the Department of Human Resources to visit or approve or disapprove a day-care facility for purchase of care with federal funds available for such purposes or for placement of children from families receiving financial assistance or other services through the Department of Human Resources or a county department of social services. Provided the Department of Human Resources shall have no authority to inspect a private day-care facility not choosing to participate in federally purchased day-care or family assistance program financed by public or charitable funds.

When requested by an operator of a day-care facility or by the Director, it shall be the duty of local and district health departments to visit and inspect a day-care facility to determine whether the facility complies with the health and sanitation standards required by this Article and with the minimum health and sanitation standards developed by the Commission for Health Services as authorized by G.S. 110-91(1), and to submit written reports on such visits or inspections to the Director on forms approved and provided by the Board.

When requested by an operator of a day-care facility or by the Director, it shall be the duty of the local and district health departments, and any building inspector, fire prevention inspector, or fireman employed by local government, or any fireman having jurisdiction, or other officials or personnel of local government to visit and inspect a day-care facility for the purposes specified in this Article, including plans for evacuation of the premises and protection of children in case of

fire, and to report on such visits or inspections in writing to the Director on forms provided by the Board so that such reports may serve as the basis for action or decisions by the Director or Board as authorized by this Article. (1971, c. 803, s. 1; 1973, c. 476, ss. 128, 138.)

Editor's Note.—The 1973 amendment, effective July 1, 1973, substituted "Department of Human Resources" for "State Department of Social Services" in two places and for "Department of Social Services"

in one place in the first paragraph and substituted "Commission for Health Services" for "State Board of Health" in the second paragraph.

§ 110-93. Licensing procedure.—(a) Each operator of a day-care facility shall annually apply to the Board for a license. The application shall be in such form as is required by the Board. Each operator seeking a license shall be responsible for accompanying his application with the necessary supporting data and reports to show conformity with the standards established or authorized by this Article including reports from the local and district health departments, local building inspectors, local firemen, voluntary firemen, and others, on forms which shall be provided by the Board.

(b) If an operator conforms to the standards established or authorized by this Article as shown in his application and other supporting data, the Director shall issue a license effective for one year subject to suspension or revocation for cause as provided in this Article. If the applicant fails to conform to the required standards, the Director or his staff may issue a provisional license under the policies of the Board provided that the operator shall be notified in writing by registered or certified mail of the reasons for issuance of a provisional license.

(c) Each licensed operator of day-care facility must annually apply in order to renew his license and must accompany such renewal application with such supporting data and reports as are required to show conformity with the standards established under this Article.

(d) If a licensed day-care facility fails to meet or maintain the standards for a license, the Director shall report such fact to the Board which may thereupon notify, by registered or certified mail, the applicant or licensee of his right to appear before the Board at a specified place and time not less than 10 or more than 60 days from the date of the notice, to show cause, if any exists, why the Board should not deny or revoke the license. If the applicant or licensee fails to satisfy the Board at said hearing that the standards have been maintained, the Board may deny or revoke the license. The operator shall retain any current license pending disposition of any appeal. (1971, c. 803, s. 1.)

§ 110-94. Administrative appeal.—Upon receipt by the Director of notice of an appeal, the Director shall arrange for an appeal hearing before the Board within 60 days, provided that the Board may delegate the hearing of appeals to a panel consisting of three or more Board members, at least one of whom must be the operator of a licensed private day-care facility, and may designate a chairman of such panel for the purpose of presiding at such hearings. (1971, c. 803, s. 1.)

§ 110-95. Appeal hearing.—Upon notification by the Board to an operator of his right to appear before the Board as provided in G.S. 110-93(d), or upon receipt of an appeal, the Director shall notify all interested persons of whom he has notice or knowledge of the time and place of the hearing. The operator involved and other persons having a legitimate interest shall have a right to be present, to be represented by counsel, and to present evidence on the issue of whether the standards involved were complied with by the day-care operator and facility. The Director shall notify the appellant and the operator, if other than the appellant, of the decision of the Board in writing by registered or certified mail, including an explanation of the reasons for such decision. The decision of the Board with regard to any license shall be final. All decisions of the Director and

of the Board shall be retained by the Board for two years as matters of public record. (1971, c. 803, s. 1.)

§ 110-96. Judicial review of administrative appeals.—Any party may appeal a decision of the Board to deny or revoke a license to the superior court in the county where the day-care facility is located. Notice of intention to appeal shall be given by registered or certified mail to the Director and to the clerk of superior court of such county within 30 days after receipt of the Board's order by the operator. The right to judicial review shall be deemed waived if notice is not given as herein provided. (1971, c. 803, s. 1.)

§ 110-97. Judicial review hearing.—The appeal hearing shall be de novo before any superior court judge holding court in the district who shall cause sufficient notice of the appeal hearing to be given to all parties of record. The hearing shall be conducted by the judge without a jury, and the court may affirm, reverse, or modify the Board's order. (1971, c. 803, s. 1.)

§ 110-98. Mandatory license.—It shall be unlawful for any day-care facility to offer or provide day care without being licensed under the provisions of this Article. In order to provide for gradual implementation of the licensing program, each day-care facility shall register with the Board between January 1 and April 1, 1972, which registration shall be valid in lieu of license until the day-care facility is licensed or until December 31, 1972, whichever is earlier, provided that the Board, upon recommendation of the Director, may extend the validity of such registration in individual cases until July 1, 1973, as to any day-care facility which is not licensed by January 1, 1973. (1971, c. 803, s. 1.)

§ 110-99. Display of license.—Each day-care facility shall maintain its current license displayed in a prominent place at all times so that the public may be on notice that the facility is licensed and may observe any grade or rating which may appear on the license. (1971, c. 803, s. 1.)

§ 110-100. Licenses are property of the State.—Any license issued to a day-care facility under this Article shall remain the property of the State and may be removed by persons employed or designated by the Director in the event that the license is not renewed or is revoked or has expired or in the event that the grade or rating is changed. (1971, c. 803, s. 1.)

§ 110-101. Registration.—It shall be unlawful for any person to offer or provide a day-care plan unless such day-care plan is registered with the Board in accordance with the system for registration which shall be developed by the Board. (1971, c. 803, s. 1.)

§ 110-102. Information for parents.—The Board shall provide to each operator of a day-care facility a summary of this Article to be furnished by the operator to the parents, guardian, or full-time custodian of each child receiving care in the facility, which summary shall include the name and address of the Director and address of the Board, in such form as shall be provided by the Board to all operators. (1971, c. 803, s. 1.)

§ 110-103. Penalty.—Any person who violates the provisions of G.S. 110-98 through G.S. 110-102 shall be guilty of a general misdemeanor. (1971, c. 803, s. 1.)

§§ 110-104 to 110-114: Reserved for future codification purposes.

ARTICLE 8.

Child Abuse and Neglect.

§ 110-115. **Short title.**—This Article may be cited as the Child Abuse Reporting Law. (1971, c. 710, s. 1.)

Editor's Note.—Session Laws 1971, c. 710, s. 8, makes the act effective July 1, 1971.

§ 110-116. **Legislative intent and purpose.**—The General Assembly recognizes the growing problem of child abuse and neglect and that children do not always receive appropriate care and protection from their parents or other caretakers acting in loco parentis. The primary purpose of requiring reports of child abuse and neglect as provided by this Article is to identify any children suspected to be neglected or abused and to assure that protective services will be made available to such children and their families as quickly as possible to the end that such children will be protected, that further abuse or neglect will be prevented, and to preserve the family life of the parties involved where possible by enhancing parental capacity for good child care. (1971, c. 110, s. 1.)

§ 110-117. **Definitions.**—As used in this Article, unless the context otherwise requires:

- (1) "Abused child" means a child less than 16 years of age whose parent or other person responsible for his care:
 - a. Inflicts or allows to be inflicted upon such child a physical injury by other than accidental means which causes or creates a substantial risk of death or disfigurement or impairment of physical health or loss or impairment of function of any bodily organ, or
 - b. Creates or allows to be created a substantial risk of physical injury to such child by other than accidental means which would be likely to cause death or disfigurement or impairment of physical health or loss or impairment of the function of any bodily organ, or
 - c. Commits or allows to be committed any sex act upon a child in violation of law.
- (2) "Caretaker" means any person other than a parent who is acting in loco parentis to a child including but not limited to the following: grandparent, uncle or aunt or any blood relative, step-parent; foster parent; house parent or cottage parent or other person supervising a child in a child-caring institution or any State institution, person having custody by court order, and a guardian.
- (3) "Director" means a county director of social services.
- (4) "Neglected child" means a child less than 16 years of age who comes within the definition of "neglected child" under G.S. 7A-278(4).
- (5) "Professional person" means a physician, surgeon, dentist, osteopath, optometrist, chiropractor, podiatrist, physician-resident, intern, a registered or practical nurse, hospital administrator, Christian Science practitioner, medical examiner, coroner, social worker, law-enforcement officer, or a school teacher, principal, school attendance counselor or other professional personnel in a public or private school.
- (6) "Protective services" means casework or other counseling services to parents or other caretakers as provided or arranged by a director utilizing the staff of the county department of social services or other community resources which are designed to help such parents or other caretakers to prevent child abuse or neglect, to improve the quality

of child care, to be more adequate parents or caretakers, and to preserve and stabilize family life. (1971, c. 710, s. 1.)

§ 110-118. Reports of child abuse or neglect.—(a) Any professional person who has reasonable cause to suspect that any child is an abused or neglected child, or any other person having knowledge that any child is an abused child, shall report the case of such child to the director of social services of the county where the child resides or is found.

(b) The report of child abuse or neglect may be made orally, by telephone, or it may be written. The report shall include such information as is known to the person making the report, including the name and address of the child; the name and address of the child's parents or other caretakers; the age of the child; the present whereabouts of the child if not at the home address; the nature and extent of the child's injury or condition resulting from abuse or neglect; and any other information which the person making the report believes might be helpful in establishing the cause of the injuries or the condition resulting from abuse or neglect. If the report of child abuse or neglect is made orally or by telephone, the person making such report shall give his name, address, profession if a professional person, and telephone number if such person has a telephone, and the person making such a report shall confirm the information about child abuse or neglect in writing when requested by the director. If the person making the report is a professional person, the report shall also include his professional opinion as to the nature, extent and causes of the injuries or the condition resulting from abuse or neglect.

(c) Anyone who makes a report pursuant to this statute or who testifies in any judicial proceeding resulting from the report shall be immune from any civil or criminal liability that might otherwise be incurred or imposed for complying with the requirements of this statute, unless such person acted in bad faith or with malicious purpose.

(d) Any physician or administrator of a hospital, clinic or other similar medical facility to which an abused child is brought for medical diagnosis or treatment shall have the right to retain temporary physical custody of such child where the physician who examines the child certifies in writing that the child should remain for medical reasons or that in his opinion it may be unsafe for the child to return to his parents or other caretakers. In such case, the physician or administrator shall notify the parents or other caretakers and the director of the county where the child resides of such action. If the parents or other caretakers contest this action, the parents shall request a hearing before the chief district court judge or some district court judge designated by him within the judicial district wherein the child resides or where the hospital or institution is located for review and determination of whether the child shall be returned to his parents or caretaker. Pending such juvenile hearing, the hospital, clinic or other similar medical facility may retain temporary physical custody of the child or may request the director in the county where the child resides to assume temporary physical custody of the child for placement with a relative or in a foster home under the supervision of the county department of social services. (1971, c. 710, s. 1.)

§ 110-119. Duty of director of social services.—Any director of social services receiving a report of child abuse or neglect shall make a prompt and thorough investigation in order to ascertain the facts of the case and to evaluate the extent of the abuse or neglect.

After investigation and evaluation, the director of social services shall do one of the following, depending upon his findings of abuse or neglect in the particular case:

- (1) If the director finds that the child has not been abused or neglected, he shall notify the person making the report of his findings.
- (2) If the investigation reveals abuse or neglect, the director shall decide

whether immediate removal of the child or any other children in the home is necessary for the protection of such child or children.

- a. If immediate removal of the child or other children does not seem necessary, the director shall immediately provide or arrange for protective services. If the parents or other caretakers refuse to accept the protective services provided or arranged by the director, the director shall sign a juvenile petition to invoke the juvenile jurisdiction of the district court for the protection of the child or children.
 - b. If immediate removal of the child or children seems necessary for the protection of the child or other children in the home, the director shall sign a juvenile petition which alleges the applicable facts to invoke the juvenile jurisdiction of the district court.
- (3) Whether or not the director finds any child to be an abused child, he shall immediately make a report in writing containing his findings along with a copy of the report of child abuse to the district solicitor who shall determine whether criminal prosecution is appropriate and who may request the director to sign the appropriate criminal warrant.
 - (4) The director shall submit a report of the alleged child abuse or neglect to the central registry under the policies adopted by the Social Services Commission.

In performing any of these duties, the county director may utilize the staff of the county department of social services or any other public or private community agencies that may be available. The director may also consult with the available state or local law-enforcement agencies who shall assist in the investigation and evaluation of the seriousness of any report of child abuse or neglect when requested by the director. (1971, c. 710, s. 1; 1973, c. 476, s. 138.)

Editor's Note.—The 1973 amendment, "Social Services Commission" for "State Board of Social Services" in subdivision (4).

§ 110-120. Immunity of persons reporting.—Any person making a complaint or providing information or otherwise participating in the program authorized by this Article shall be immune from any civil or criminal liability by reason of such action, unless such person acted with malice and without reasonable cause. (1971, c. 710, s. 1.)

§ 110-121. Waiver of privileges.—Neither the physician-patient privilege nor the husband-wife privilege shall be ground for excluding evidence of child abuse or neglect in any judicial proceeding (civil, criminal, or juvenile) in which a child's abuse or neglect is in issue, nor in any judicial proceeding resulting from a report submitted under this Article, both as said privileges relate to the competency of the witness and to the exclusion of confidential communications. (1971, c. 710, s. 1.)

§ 110-122. This data shall be furnished by county directors of social services to the Department of Human Resources and shall be confidential, subject to policies adopted by the Social Services Commission which provide for its appropriate use for study and research, but in no event shall any data be used at any hearing or court proceeding unless based upon a final judgment of a court of law. Editor's Note.—Session Laws 1973, c. 476, s. 143(a), provides that whenever the words "North Carolina State Commission for the Blind" are used or appear in any statute or law of this State, the same shall be deleted and the words "Department of Human Resources" or "Department," as appropriate, shall be inserted in lieu thereof, unless otherwise provided for in the Executive Organization Act of 1973, with the exception that in certain specified references the words "North Carolina State Commission for the Blind" shall be deleted and the words "Commission for the Blind" shall be inserted in lieu thereof. In this Chapter as it stood before the 1973 amendments, the North Carolina State Commis-

sion for the Blind was variously referred to as the "North Carolina State Commission for the Blind," the "State Commission for the Blind," or simply as the "Commission." In order to carry out the evident intent of the 1973 act, the codifiers have, in the sections set out herein, substituted references to the Department of Human Resources or the Commission for the Blind, as appropriate, for references to the former North Carolina State Commission for the Blind, even where that agency was not referred to by its full title. A similar policy has been followed where amended sections are not set out in this Supplement but amendment notes stating the effect of the amendment by the 1973 act are carried.

ARTICLE 1.

General Duties of Department of Human Resources.

§§ 111-1 to 111-3: Repealed by Session Laws 1973, c. 476, s. 143, effective July 1, 1973.

of handicapped persons generally, see Chapter 168.

§ 111-4. Register of State's blind.—It shall be the duty of this [the] Department of Human Resources to cause to be maintained a complete register of the blind in the State of North Carolina, which shall describe the condition, cause of blindness, capacity for education and industrial training of each, with such other facts as may seem to the Commission to be of value. (1935, c. 53, s. 3; 1973, c. 476, s. 143.)

Editor's Note.—The 1973 amendment, effective July 1, 1973, substituted "Department of Human Resources" for "Commission."

§ 111-5. Information and aid bureaus.

Editor's Note.—Session Laws 1973, c. 476, s. 143, effective July 1, 1973, amends this section by substituting "Department of Human Resources" for "Commission."

§ 111-6. Training schools and workshops; training outside State; sale of products; direct relief; matching of federal funds.—The Department of Human Resources may establish one or more training schools and workshops for employment of suitable blind persons and shall be empowered to equip and maintain the same, to pay to employees suitable wages, and to devise means for the sale and distribution of the products thereof, and may cooperate with shops already established. The Department may also pay for lodging, tuition, support and all necessary expenses for blind persons during their training or instructions in any suitable occupation, whether it be in industrial, commercial, or professional or any other establishments, schools or institutions, or through private instruction wherever in the judgment of the Department such instruction or training can be obtained, when in its judgment the training or instruction in question will contribute to the efficiency or self-support of such blind persons. When special educational opportunities cannot be had within the State, they may be arranged for, at the discretion of the Department, outside of the State. The Department may also, whenever it thinks proper, aid individual blind persons or groups of blind persons to become self-supporting by furnishing material or equipment to them, and may also assist them in the sale and distribution of their products. Any portion of the funds appropriated to the Department under the provisions of this Chapter providing for the rehabilitation of the blind and the prevention of blindness may, when the Commission for the Blind deems wise, be given in direct money payments to the needy blind in accordance with the provisions of G.S. 111-13 to 111-26, and whenever possible such funds may be matched by funds provided by the federal Social Security Act. (1935, c. 53, s. 5; 1937, c. 124, s. 16; 1973, c. 476, s. 143.)

Editor's Note. — The 1973 amendment, effective July 1, 1973, substituted "Department of Human Resources" for "Commission" in the first sentence, and substituted "Department" for "Commission" in the second and fourth sentences, for "Board" in the third sentence and for "North Carolina State Commission for the Blind" near the beginning of the last sentence. The amendment also deleted "North Carolina State" preceding "Commission for the Blind" near the middle of the last sentence.

§ 111-6.1. Rehabilitation center for the adult blind. — In addition to other powers and duties granted it by law, the Department of Human Resources is hereby authorized and directed to establish and operate a rehabilitation center for the blind for the purpose of assisting them in their mental, emotional, physical, and economic adjustments to blindness through the application of proper tests, measurements, and intensive training in order that they may develop manual dexterity, obstacle and direction awareness, acceptable work habits, and maximum skills in industrial and commercial processes.

The Commission shall make all rules and regulations necessary for this purpose and the Department is hereby authorized to enter into any agreement or contract; to purchase or lease property, both real and personal, accept grants and gifts of whatever nature, and to do all other things necessary to carry out the intent and purposes of such a rehabilitation center.

The Department of Human Resources is hereby authorized to receive grants-in-

aid from the federal government for carrying out the provisions of this section, as well as for other related rehabilitation programs for the North Carolina Blind, under the provisions of the act of Congress known as the Barden-Rehabilitation Act (volume 57, United States Statutes at Large, chapter 190). Visually handicapped persons as defined in G.S. 111-11, who are physically present in North Carolina may enjoy the benefits of this section or any other related rehabilitation benefits under the Barden-Rehabilitation Act. (1945, c. 698; 1951, c. 319, s. 4; 1971, c. 1215, s. 2; 1973, c. 476, s. 143.)

Editor's Note. — The 1971 amendment, effective July 1, 1971, in the last sentence of the third paragraph, substituted "Visually handicapped persons as defined in G.S. 111-11, who are physically present in North Carolina" for "Blind persons, who have been residents of North Carolina for one year immediately preceding the date of application for rehabilitation services or who show an established intent to reside continuously in this State," and deleted "said" preceding "Barden-Rehabilitation Act."

Editor's Note.—

The 1973 amendment, effective July 1,

1973, substituted "Department of Human Resources" for "North Carolina State Commission for the Blind" in the first paragraph, rewrote the second paragraph and substituted "Department of Human Resources" for "State Commissioner for the Blind" in the third paragraph. The words "State Commissioner for the Blind" appeared in the third paragraph of the section before the amendment as the result of a printer's error. The 1945 act from which the section was codified referred to the "State Commission for the Blind."

(1935, c. 53, s. 10; 1939, c. 124; 1971, c. 1215, s. 3.)

(1967, c. 1214; 1973, c. 476, s. 143.)

Editor's Note. — The 1973 amendment, effective July 1, 1973, rewrote this section.

§ 111-12.6. Disposition of funds deposited with or transferred to State Treasurer.—All funds required under this Article to be deposited with or which have been heretofore transferred to the State Treasurer by the Bureau of Employment of the Department of Human Resources, and all future net earnings and accumulations of said bureau or its successor, other than the one hundred thousand dollar (\$100,000) reserve fund herein provided for, from whatever source or sources shall be periodically, but not less frequently than annually, paid over to and retained by the State Treasurer as a separate fund or account. ARTICLE 2.

Aid to the Needy Blind.

§ 111-13. Administration of assistance; objective standards for personnel; rules and regulations. — The Department of Human Resources shall be charged with the supervision of the administration of assistance to the needy blind under this Article, and said Department shall establish objective standards for personnel to be qualified for employment in the administration of this Article, and said Commission for the Blind shall make all rules and regulations as may be necessary for carrying out the provisions of this Article, which rules and regulations shall be binding on the boards of county commissioners and all agencies charged with the duties of administering this Article. (1937, c. 124, s. 2; 1973, c. 476, s. 143.)

Editor's Note.—The 1973 amendment, effective July 1, 1973, substituted "Department of Human Resources" for "North Carolina State Commission for the Blind" and "Department" for "Commission" near the beginning of the section and added "for the Blind" following "Commission" near the middle of the section.

§ 111-14. Such application may be made on the behalf of any such blind person by the Department of Human Resources, or by any other person. The board of county commissioners shall cause an investigation to be made by a qualified person, or persons, designated as their agents for this purpose and shall pass upon the said application without delay, determine the eligibility of the applicant, and allow or disallow the relief sought. In passing upon the application, they may take into consideration the facts set forth in the said application, and any other facts that are deemed necessary, and may at any time, within their discretion, require an additional examination of the applicant's eyes by an ophthalmologist designated by the Department of Human Resources. When satisfied with the merits of the application, the board of county commissioners shall allow the same and grant to the applicant such relief as may be suitable and proper, according to the rules and standards established by the Commission for the Blind, not inconsistent with this Article and in accordance with the further provisions hereof. (1937, c. 124, s. 3; 1939, c. 124; 1951, c. 319, s. 1; 1957, c. 674; 1973, c. 476, s. 143.)

Commission for the Blind" in three places and deleted "North Carolina State" preceding "Commission for the Blind" in the last sentence.

As soon as any award has been made by the board of county commissioners, or any application declined, prompt notice thereof in writing shall be forwarded by mail to the Department of Human Resources and to the applicant, in which shall be fully stated the particulars of the award or the facts of denial.

Within a reasonable time, in accordance with rules and regulations adopted by the Commission for the Blind, after action by the board of county commissioners, the applicant, if dissatisfied therewith, may appeal directly to the Commission for the Blind. Notice of such appeal must be given in writing to the board

of county commissioners, and within 30 days after the receipt of such notice the board of county commissioners shall transmit to the Department of Human Resources copies of all proceedings and documents, including the award or denial, which may be necessary for the hearing of the said appeal, together with the grounds upon which the action was based.

As soon as may be practicable after the receipt of the said notice of appeal, the Commission for the Blind shall notify the applicant of the time and place where the hearing of such appeal will be had. The members of the Commission for the Blind shall hear the said appeal under such rules and regulations not inconsistent with this Article as it may establish, and shall provide for granting an individual whose claim for aid is denied an opportunity for fair hearing before said Commission for the Blind, and their decision shall be final. Any notice required to be given herein may be given by mail or by personally delivering in writing such notice to the clerk of the board of county commissioners or the executive director of the Department of Human Resources, except that notice of the time and place where the hearings of such appeals will be had shall be given by mail or by personal delivery of such notice in writing direct to the applicant.

In all cases where an appeal shall have been taken by the applicant, the Commission for the Blind shall carefully examine such award or decision, as the case may be, and shall in their discretion, approve, increase, allow or disallow any award so made. Immediately thereafter they shall notify the board of county commissioners and the applicant of such action; and if the award made by the board of county commissioners is changed, notice thereof shall be given by mail to the applicant and the board of county commissioners, giving the extent and manner in which any award has been changed.

If, in the absence of any appeal by the applicant, the North Carolina Department of Human Resources shall make any determination increasing or decreasing the award allowing or disallowing the same, not inconsistent with the rules and regulations promulgated by the Commission for the Blind, the applicant or board of county commissioners shall have the right, within 10 days from notice thereof, to have such order reviewed by the Commission for the Blind. The procedure in such cases shall be as provided in the section on appeals to the Commission by the applicant. (1937, c. 124, s. 5; 1971, c. 603, s. 1; 1973, c. 476, s. 143.)

last sentence of the fourth paragraph, deleted "North Carolina State" preceding "Commission for the Blind" in two places in the first sentence of the third paragraph, added "for the Blind" following "said Commission" in the second sentence of the fourth paragraph and rewrote the fifth and sixth paragraphs.

§ 111-17. Amount and payment of assistance; source of funds.—

When the board of county commissioners is satisfied that the applicant is entitled to relief under the provisions of this Article, as provided in G.S. 111-14, they shall order necessary relief to be granted under the rules and regulations prescribed by the Commission for the Blind, to be paid from county, State and federal funds available, said relief to be paid in monthly payments from funds hereinafter mentioned.

At the time of fixing the annual budget for the fiscal year beginning July 1, 1937, and annually thereafter, the board of county commissioners in each county shall, based upon such information as they are able to secure and with such information as may be furnished to them by the Department of Human Resources, estimate the number of needy blind persons in such county who shall be entitled to aid under the provisions of this Article and the total amount of such county's part thereof required to be paid by such county. Each county shall make appropriations

for the purposes of this Article in an amount sufficient to cover its share of aid to the blind and may fund them by levy of property taxes pursuant to G.S. 153-65 and by the allocation of other revenues whose use is not otherwise restricted by law. This provision is mandatory on each county in the State. Any court of competent jurisdiction is authorized by mandamus to enforce the foregoing provisions. No funds shall be allocated to any county by the Department of Human Resources until the provisions hereof have been fully complied with by such county.

In case such appropriation is exhausted within the year and is found to be insufficient to meet the county's part of the amount required for aid to the needy blind, such deficiency may be borrowed, if within constitutional limitations, at the lowest rate of interest obtainable, not exceeding six percent (6%), and provision for payment thereof shall be made in the next annual budget and tax levy.

The board of county commissioners in the several counties of the State shall cause to be transmitted to the State Treasurer their share of the total amount of relief granted to the blind applicants. Such remittances shall be made by the several counties in equal monthly installments on the first day of each month, beginning July 1, 1937. The State Treasurer shall deposit said funds and credit same to the account of the Department of Human Resources to be employed in carrying out the provisions of this Article.

Within the limitations of the State appropriation, the maximum payment for aid to the blind is to be such as will make possible maximum matching funds by the federal government. (1937, c. 124, s. 6; 1961, c. 666, s. 3; 1973, c. 476, s. 143; c. 803, s. 11.)

Editor's Note.—The first 1973 amendment, effective July 1, 1973, deleted "North Carolina State" preceding "Commission for the Blind" in the first paragraph and substituted "Department of Human Resources" for "North Carolina State Commission for the Blind" in two places in the second paragraph and in the last sentence of the fourth paragraph.

The second 1973 amendment, effective July 1, 1973, rewrote the second and third sentences of the second paragraph and deleted the former fourth sentence of that paragraph, which declared taxes levied under that paragraph to be for a special purpose and levied with the consent of the General Assembly.

§ 111-18. Payment of awards.—After an award to a blind person has been made by the board of county commissioners, and approved by the Department of Human Resources the Department of Human Resources shall thereafter pay to such person to whom such award is made the amount of said award in monthly payments, or in such manner and under such terms as the Department of Human Resources shall determine. Such payment shall be made by warrant of the State Auditor, drawn upon such funds in the hands of the State Treasurer, at the instance and request and upon a proper voucher signed by the Secretary of Human Resources, and shall not be subject to the provisions of the Executive Budget Act as to approval of said expenditure.

It is intended that awards paid to recipients under this Article be for the purpose of assisting in defraying the recipient's day-to-day living expenses. To better achieve this purpose it is hereby provided that no moneys belonging to a recipient of aid to the blind under this Article identifiable as moneys paid pursuant to an aid to the blind award shall be subject to levy under execution, attachment or garnishment. (1937, c. 124, s. 7; 1971, c. 177; c. 603, s. 2; 1973, c. 476, s. 143.)

Editor's Note.—The first 1971 amendment, effective July 1, 1971, added the last paragraph.

The second 1971 amendment substituted "director" for "secretary" in the second sentence.

The 1973 amendment, effective July 1, 1973, substituted "Department of Human

Resources" for "North Carolina State Commission for the Blind" three times in the first sentence of the first paragraph and substituted "Secretary of Human Resources" for "executive director of the North Carolina State Commission for the Blind" in the second sentence of the first paragraph.

§ 111-19. Intercounty transfer of recipients.—Any recipient of aid to the blind under this Article who moves to another county of this State shall be entitled to receive aid to the blind in the county to which he has moved and the board of county commissioners of such county, or its authorized agent, is hereby directed to make the appropriate aid to the blind grant to such recipient subject to the rules and regulations of the Commission for the Blind, beginning with the next payment period after such recipient has established settlement in the county to which he has moved by continuously maintaining a residence therein for a period of 90 days. The county from which a recipient moves shall continue to pay aid to such recipient until such time as the recipient becomes qualified to receive aid from the county to which he has moved. The county from which a recipient has moved shall forthwith transfer all necessary records relating to the recipient to the appropriate board of county commissioners, or its authorized agent, of the county to which the recipient has moved immediately upon the recipient becoming qualified to receive aid from such county. (1937, c. 124, s. 8; 1947, c. 374; 1965, c. 905; 1971, c. 190, ss. 1, 2; 1973, c. 476, s. 143.)

Editor's Note.—

The 1971 amendment, effective July 1, 1973, deleted "North Carolina State" preceding "Commission for the Blind."

§ 111-20. Awards subject to reopening upon change in condition.—All awards to needy blind persons made under the provisions of this Article shall be made subject to reopening and reconsideration at any time when there has been any change in the circumstances of any needy blind person or for any other reason. The Department of Human Resources and the board of county commissioners of each of the counties in which awards have been made shall at all times keep properly informed as to the circumstances and conditions of the persons to whom the awards are made, making reinvestigations annually, or more often, as may be found necessary. The Department of Human Resources may at any time present to the proper board of county commissioners any case in which, in their opinion, the changed circumstances of the case should be reconsidered. The board of county commissioners shall reconsider such cases and any and all other cases which, in the opinion of the board of county commissioners, deserve reconsideration. In all such cases notice of the hearing thereon shall be given to the person to whom the award has been made. Any person to whom an award has been made may apply for a reopening and reconsideration thereof. Upon such hearing, the board of county commissioners may make a new award increasing or decreasing the former award or leaving the same unchanged, or discontinuing the same, as it may find the circumstances of the case to warrant, such changes always to be within the limitations provided by this Article and in accordance with the terms hereof.

Any changes made in such award shall be reported to the Department of Human Resources, and shall be subject to the right of appeal and review, as provided in G.S. 111-16. (1937, c. 124, s. 9; 1971, c. 160; 1973, c. 476, s. 143.)

Editor's Note. — The 1971 amendment, effective July 1, 1971, substituted "annually" for "biannually" in the second sentence.

The 1973 amendment, effective July 1, 1973, substituted "Department of Human Resources" for "North Carolina State Commission for the Blind."

Cooperation with federal departments or agencies; grants from federal government.—The Department of Human Resources is hereby empowered, authorized and directed to cooperate with the appropriate federal department or agency charged with the administration of the Social Security Act in any reasonable manner as may be necessary to qualify for federal aid for assistance to the needy blind and in conformity with the provisions of this Article, including the making of such reports in such form and containing such information as the appropriate federal department or agency may from time to time require, and the compliance with such regulations as the appropriate federal department or agency

may from time to time find necessary to assure the correctness and verification of such reports.

The Department of Human Resources is hereby further empowered and authorized to receive grants-in-aid from the United States government for assistance to the blind and grants made for payment of cost of administering the State plan for aid to the blind, and all such grants so received hereunder shall be paid into the State treasury and credited to the account of the Department of Human Resources in carrying out the provisions of the Article. (1937, c. 124, s. 13; 1971, c. 349, s. 1; 1973, c. 476, s. 143.)

Editor's Note. — The 1971 amendment, effective July 1, 1971, substituted "appropriate federal department or agency charged with the administration of the Social Security Act" for "federal Social Security Board, created under Title X of the Social Security Act, approved August fourteenth, one thousand nine hundred thirty-five" near the beginning of the first paragraph and "appropriate federal depart-

ment or agency" for "federal Social Security Board" and for "said Board" near the end of the first paragraph. The amendment also substituted "the compliance" for "comply" near the end of the first paragraph.

The 1973 amendment, effective July 1, 1973, substituted "Department of Human Resources" for "North Carolina State Commission for the Blind."

§ 111-25. Acceptance and use of federal aid. — The Department of Human Resources may expend under the provisions of the Executive Budget Act, such grants as shall be made to it for paying the cost of administering this Chapter by the appropriate federal department or agency under the Social Security Act. (1937, c. 124, s. 14; 1971, c. 349, s. 2; 1973, c. 476, s. 143.)

Editor's Note. — The 1971 amendment, effective July 1, 1971, inserted "to it" near the middle of the section and substituted "appropriate federal department or agency under the Social Security Act" for "federal government under Title X of the Social Security Act" at the end of the section.

The 1973 amendment, effective July 1, 1973, substituted "Department of Human Resources" for "Commission for the Blind."

§ 111-27. Department of Human Resources to promote employment of needy blind persons; vending stands on public property.

Editor's Note.—Session Laws 1973, c. 476, s. 143, amends this section by substituting "Department of Human Resources"

for "North Carolina State Commission for the Blind" and "Department" for "Commission."

§ 111-27.1. Department of Human Resources authorized to conduct certain business operations.—For the purpose of assisting blind persons to become self-supporting the Department of Human Resources is hereby authorized to carry on activities to promote the rehabilitation and employment of the blind, including the operation of various business enterprises suitable for the blind to be employed in or to operate. The Executive Budget Act shall apply to the operation of such enterprises as to all appropriations made by the State to aid in the organization and the establishment of such businesses. Purchases and sales of merchandise or equipment, the payment of rents and wages to blind persons operating such businesses, and other expenses thereof, from funds derived from local subscriptions and from the day-by-day operations shall not be subject to the provisions of law regulating purchases and contracts, or to the deposit and disbursement thereof applicable to State funds but shall be supervised by the Department of Human Resources. All of the business operations under this law, however, shall be subject to regular audits by the State Auditor. Blind or visually handicapped employees or vending-stand operators employed by the Department of Human Resources are hereby declared to be State employees. (1945, c. 72, s. 2; 1971, c. 1025, s. 1; 1973, c. 476, s. 143.)

Editor's Note. — The 1971 amendment, effective July 1, 1971, added the last sentence.

The 1973 amendment, effective July 1, 1973, substituted "Department of Human Resources" for "North Carolina State

Commission for the Blind" in the first and last sentences and for "State Commission for the Blind" at the end of the third sentence and deleted "Bureau of Employment for the Blind Division" preceding "are hereby declared" in the last sentence.

§ 111-27.2. Blind vending stand operators; retirement benefits. — The Department of Human Resources is authorized and empowered to continue and maintain, in its discretion, any existing retirement system providing retirement benefits for blind vending stand operators and to expend funds to provide necessary contributions to any existing retirement system for blind vending stand operators to the extent that the Department determines such retirement system to be in the best interest of the blind vending stand operators. (1969, c. 1255, s. 4; 1973, c. 476, s. 143.)

Editor's Note.—The 1973 amendment, effective July 1, 1973, substituted "Department of Human Resources" for "North Carolina State Commission for the Blind" and "Department" for "Commission."

§ 111-28. Department of Human Resources authorized to receive federal, etc., grants for benefit of needy blind; use of information concerning blind persons.—The Department of Human Resources is hereby authorized and empowered to receive grants-in-aid from the federal government or any State or federal agency for the purpose of rendering other services to the needy blind and those in danger of becoming blind; and all such grants so made and received shall be paid into the State treasury and credited to the account of the Department of Human Resources, to be used in carrying out the provisions of this law.

The Commission for the Blind is hereby further authorized and empowered to make such rules and regulations as may be required by the federal government or State or federal agency as a condition for receiving such federal funds, not inconsistent with the laws of this State.

Whenever the words "Social Security Board" appear in G.S. 111-6, 111-13 to 111-26 the same shall be interpreted to include any agency of the federal government which may be substituted therefor by law.

The Department of Human Resources is hereby authorized and empowered to enter into reciprocal agreements with public welfare agencies in other states relative to the provision of assistance and services to residents, nonresidents, or transients, and cooperate with other agencies of the State and federal governments in the provisions of such assistance and services and in the study of the problems involved.

The Department of Human Resources is hereby authorized and empowered to establish and enforce reasonable rules and regulations governing the custody, use and preservation of the records, papers, files, and communications of the department.

It shall be unlawful, except for purposes directly connected with the administration of aid to the needy blind and in accordance with the rules and regulations of the Department of Human Resources, for any person or persons to solicit, disclose, receive, make use of, or to authorize, knowingly permit, participate in, or acquiesce in the use of, any list of or name of, or any information concerning, persons applying for or receiving aid to the needy blind, directly or indirectly derived from the records, papers, files, or communications of the Department of Human Resources or the board of county commissioners or the county social services department, or acquired in the course of the performance of official duties.

Notwithstanding the above, the Department of Human Resources is authorized to release to the North Carolina Department of Motor Vehicles and the North Carolina Department of Revenue the name and medical records of any person listed in the register of the blind in this State maintained under the provisions of G.S. 111-4. All information and documents released to the Department of Motor Vehicles and the Department of Revenue shall be treated by those departments as confidential for their use only and shall not be released by them to any person for

commercial or political purposes or for any purpose not directly connected with the administration of Chapters 20 and 105 of the General Statutes of this State. (1939, c. 124; 1941, c. 186; 1969, cc. 871, 982; 1973, c. 476, s. 143.)

Editor's Note.—Session Laws 1969, c. 871, added the last paragraph.

The 1973 amendment, effective July 1, 1973, deleted "North Carolina State" preceding "Commission for the Blind" in the

second paragraph and substituted "Department of Human Resources" for "North Carolina State Commission for the Blind" and for "State Commission for the Blind" throughout the rest of the section.

§ 111-28.1. Department of Human Resources authorized to cooperate with federal government in rehabilitation of blind.

Editor's Note.—Session Laws 1973, c. 476, s. 143, effective July 1, 1973, amends this section by substituting "Department

of Human Resources" for "North Carolina State Commission for the Blind."

§ 111-29. Expenditure of equalizing funds; grants affording maximum federal aid; lending North Carolina reports.—In addition to the powers and duties imposed upon the Department of Human Resources, the said Department shall be and hereby is charged with the powers and duties hereinafter enumerated; that is to say:

- (1) The Department of Human Resources is hereby authorized to expend such funds as are appropriated to it as an equalizing fund for aid to the needy blind for the purpose of equalizing the financial burden of providing relief to the needy blind in the several counties of the State, and equalizing the grants received by the needy blind recipients. Such amount shall be expended and disbursed solely for the use of the needy blind coming within the eligibility provisions outlined in Chapter 124 of the Public Laws of 1937. Said amount shall be distributed to the counties according to the needs therein in conformity with the rules and regulations adopted by the Commission for the Blind, producing as far as possible a just and fair distribution thereof.
- (2) The Department of Human Resources is hereby authorized to make such grants to the needy blind of the State as will enable said Department to receive the maximum grants from the federal government for such purpose.
- (3) The Department of Human Resources is hereby authorized to work out plans with the Secretary of State for lending to needy blind lawyers volumes of the North Carolina reports in his custody that are unused or have become damaged. The Secretary of State is hereby authorized to lend such reports to the Department of Human Resources for relending to needy blind lawyers. Such reports may be recalled at any time by the Secretary of State upon giving 15 days' written notice to the Department of Human Resources which shall remain responsible for said reports until they are returned. The Department shall relend such reports only to blind lawyers, who, after an investigation by the Department, are determined to have no income, or an income insufficient to purchase such reports. (1943, c. 600; 1973, c. 476, s. 143.)

Editor's Note.—The 1973 amendment, effective July 1, 1973, deleted "North Carolina State" preceding "Commission for the Blind" near the end of subdivision (1) and substituted "Department of Human Re-

sources" for "North Carolina State Commission for the Blind" and "Commission for the Blind" and substituted "Department" for "Commission" throughout the rest of the section.

§ 111-30. Personal representatives for certain recipients of aid to the blind.—If any otherwise qualified applicant for or recipient of aid to the blind is or shall become unable to manage the assistance payments, or otherwise fails so to manage, to the extent that deprivation or hazard to himself or others results, a petition may be filed by a relative of said blind person, or other interested

person, or by the Secretary of Human Resources before the appropriate court under G.S. 111-31, in the form of a verified written application for the appointment of a personal representative for the purpose of receiving and managing public assistance payments for any such recipient, which application shall allege one or more of the above grounds for the legal appointment of such personal representative.

The court shall summarily order a hearing on the petition and shall cause the applicant or recipient to be notified at least five days in advance of the time and place for the hearing. Findings of fact shall be made by the court without a jury, and if the court shall find that the applicant for or recipient of aid to the blind is unable to manage the assistance payments, or otherwise fails so to manage, to the extent that deprivation or hazard to himself or others results, the court may thereupon enter an order embracing said findings and appointing some responsible person as personal representative of the applicant or recipient for the purposes set forth herein. The personal representative so appointed shall serve with or without bond, in the discretion of the court, and without compensation. He will be responsible for receiving the monthly assistance payment and using the proceeds of such payment for the benefit of the recipient of aid to the blind. Such personal representative shall be responsible to the court for the faithful discharge of the duties of his trust. The court may consider the recommendation of the Secretary of Human Resources in the selection of a suitable person for appointment as personal representative for the limited purposes of G.S. 111-30 to 111-33. The personal representative so appointed may be removed by the court, and the proceeding dismissed, or another suitable personal representative appointed. All costs of court with respect to any such proceedings shall be waived.

From the order of the court appointing or removing such personal representative, an appeal may be had to the judge of superior court who shall hear the matter de novo without a jury. (1945, c. 72, s. 4; 1953, c. 1000; 1961, c. 666, s. 2; 1971, c. 603, s. 3; 1973, c. 476, s. 138.)

Editor's Note. — The 1971 amendment substituted "Director of Social Services" for "Director of Public Welfare" near the middle of the first paragraph and in the sixth sentence of the second paragraph.

The 1973 amendment, effective July 1, 1973, substituted "Secretary of Human Re-

sources" for "Director of Social Services." The amendatory act referred to the "Commission of Social Services" rather than to the "Director"; however, the act has been given effect in this section according to its evident intent.

§ 111-31. Courts for purposes of §§ 111-30 to 111-33; records.— For the purposes of G.S. 111-30 to 111-33 the court may be either a domestic relations court established pursuant to Article 13, Chapter 7, General Statutes, or the clerk of the superior court in the county having responsibility for the administration of the particular aid to the blind payments. The court may, for the purposes of G.S. 111-30 to 111-33, direct the Secretary of Human Resources to maintain records pertaining to all aspects of any personal representative proceeding, which the court may adopt as the court's record and in lieu of the maintenance of separate records by the court. (1961, c. 666, s. 2; 1971, c. 603, s. 4; 1973, c. 476, s. 138.)

Editor's Note. — The 1971 amendment substituted "Director of Social Services" for "Director of Public Welfare" in the second sentence.

The 1973 amendment, effective July 1, 1973, substituted "Secretary of Human Resources" for "Director of Social Services." The amendatory act referred to the "Com-

missioner of Social Services" rather than to the "Director"; however, the act has been given effect in this section according to its evident intent.

Article 13, Chapter 7, referred to in this section, was repealed by Session Laws 1971, c. 377, s. 32. For present provisions as to courts, see Chapter 7A.

§ 111-34: Repealed by Session Laws 1973, c. 476, s. 143, effective July 1, 1973.

§ 111-35. Authority of director of social services.—The respective boards of county commissioners of each county are hereby authorized to empower

and confer upon the county director of social services for their respective counties the authority to perform any or all acts or functions which the previous sections of this Article direct or authorize the county boards of commissioners to perform. Any act or function performed by a county director of social services under the authority of this section shall be reported by him to the respective county board of commissioners for its review, and for alternative action or disposition where deemed appropriate by such board. Provided that the respective boards of county commissioners shall make no alternative or different disposition of a matter which the county director of social services is empowered to act upon which would prejudicially affect the status of any aid to the blind recipient without first affording such recipient reasonable notice and opportunity to be heard. (1971, c. 348, s. 1.)

Editor's Note.—Session Laws 1971, c. 348, s. 2, makes the act effective July 1, 1971.

ARTICLE 2.

Pensions.

Part 2. Persons Entitled to Pensions; Classification and Amount.

§ 112-21. Removal from pension lists of persons eligible for old age assistance. — All widows of Confederate veterans and all colored servants of Confederate soldiers who are eligible for aid to the aged or disabled under the provisions of chapter 108 of the General Statutes, from and after the first day of June one thousand nine hundred thirty-nine, shall not be entitled to any pension provided by the provisions of chapter 112, entitled "Confederate Homes and Pensions," and any acts of the General Assembly amendatory thereof, or by virtue of any special or general law relating to pensions for widows of Confederate veterans or colored servants of Confederate soldiers.

Before the first day of June, one thousand nine hundred thirty-nine, the county board of social services in every county in this State shall make a complete and thorough examination and investigation of all widows of Confederate veterans and all colored servants of Confederate soldiers whose names are on the pension roll in each county, and shall determine the eligibility of such pensioners for aid to the aged or disabled under the provisions of chapter 108 of the General Statutes without any applications being made by such persons for aid to the aged or disabled as required by said law, and after making such investigation, shall determine the eligibility of such persons for old age assistance and the amount of assistance which any such person is entitled to receive in accordance with the provisions of the Old Age Assistance Act. After such investigations and determinations have been made, the county board of social services shall notify the county pension board in the county of such county board of social services of the persons who are found to be eligible for old age assistance under the provisions of said law. Upon such certification to the county pension board, the county pension board shall revise the list of pensioners in said county and shall exclude from said list all the widows of Confederate veterans and all colored servants of Confederate soldiers who are certified as being eligible for old age assistance. The county pension board shall, upon receipt of such certification from the county board of social services, and revision of the pension list as aforesaid, notify the State Board of Pensions of the revision of the pension list for said county and the names eliminated therefrom. The county board of social services, in making the aforesaid certification to the county pension board, shall also send a copy thereof to the State Board of Pensions, and such certification from the county board of social services to the State Board of Pensions shall be sufficient authority for removal of such names from the pension list by the State Board of Pensions. If it should thereafter be determined that such person so removed from the pension list was not eligible for old age assistance by the authority administering said law, the award for old age assistance to such person is revoked, the name of such person, if otherwise eligible, shall be restored to the said pension list by the county pension board, and the full pension to which such person would be entitled, if the name had not been withdrawn from said list, shall be paid.

As to all persons found eligible for old age assistance whose names are removed from the pension list as herein required, the amount necessary for payment of awards for old age assistance shall be paid entirely out of State and federal funds.

In the event it is determined by the county board of social services that the awards which such eligible persons are entitled to receive shall be less than the amount paid such persons as pensions, such names shall not be withdrawn from the said pension list, and the county board of social services shall not make any award of old age benefits to such persons.

After the county pension board has revised the list of pensions in each county as herein provided, and after having certified the same to the State Board of

Pensions, the State Board of Pensions shall certify the revised list of pensioners to the State Auditor and the State Auditor shall transmit to the clerks of the superior court in the several counties a correct revised list of pensioners, with their post offices, as allowed by the State Board of Pensions. (1937, c. 227; 1939, c. 102; 1969, c. 981, ss. 2, 3; c. 982.)

Editor's Note. — Session Laws 1969, c. 981, ss. 2, 3, effective July 1, 1969, substituted "aid to the aged or disabled" for "old age assistance" and "chapter 108 of the General Statutes" for "§§ 108-15 to 108-76" near the beginning of the section and in the first sentence of the second paragraph.

State Government Reorganization.—The State Board of Pensions was transferred to the Department of State Auditor by § 143A-29, enacted by Session Laws 1971, c. 864.

Part 4. Payment of Pensions; Warrants.

§ 112-28. Warrants payable to pensioner or order; endorsement; copy of power of attorney. — The Auditor shall issue his warrant payable to the pensioner, or order, and such warrants shall not be paid by the Treasurer without the endorsement of the payee or his duly appointed attorney-in-fact, specially authorized to make such endorsement; and if such endorsement is made by the attorney-in-fact of the payee, a copy of the power of attorney, duly attested by the clerk of the superior court or notary public of the county in which the payee resides shall be attached to the warrant. (1921, c. 189, s. 17; C. S., s. 5168(r); 1941, c. 152, s. 3; 1973, c. 108, s. 63.)

A nonresident of this State shall obtain a nonresident hunting license which shall entitle him to hunt during the entire season, or such nonresident may obtain a nonresident six-day hunting license which shall entitle him to hunt during six consecutive days during the open season. The Commissioner is hereby authorized and empowered to prescribe rules and make regulations respecting the duties of guides, to require that guides take an oath to abide by the game laws of the State, and to rescind the license of any guide who violates the regulations or is convicted of violating the game laws of the State: Provided, that the Commissioner may, upon request, issue a nonresident license to any game agent of the United States or of a state of the United States without payment of any fee, which license may be used by such agent of the United States or of a state of the United States only in the discharge of his official business: Provided, that a nonresident who holds fee simple title to lands in North Carolina may hunt on such lands and in the county where the deed to such lands is registered by payment of a license fee of five dollars (\$5.00) plus fifty cents (50¢) for the issuing officer. Such license shall not relieve the holder thereof from the purchase of any additional license or permit which may be required for hunting big game, fishing for mountain trout, hunting and fishing on public wildlife management areas, or using special devices for fishing inland waters. Provided, however, that such lifetime combination hunting and fishing license shall be issued without charge to any such resident applicant who has attained the age of 70 years.

§ 113-104. Manner of taking game.—No person shall at any time of the year take in any manner, number, or quantity any wild bird or wild animal, or take the nests or eggs of any wild bird, or possess, buy, sell, offer or expose for sale, or transport at any time or in any manner any such bird, animal, or part thereof, or any birds' nests or eggs, except as permitted by this Article; the possession of any game animals, or game birds or part of such animals or game birds, except those expressly permitted by the Board, in any hotel, restaurant, cafe, market or store, or by any produce dealer in this State shall be prima facie evidence of the possession thereof for the purpose of sale in violation of the provisions of this Article; but this provision shall not be construed to prohibit the person lawfully obtaining game from having it prepared in a public eating place and served to himself and guest: Provided, however, that for the purpose of this Article any person hiring another to kill aforesaid game animals or game birds and receiving same shall be deemed buying same, and subject to the penalties of this Article. Game birds and game animals shall be taken only in the daytime, between sunrise and sunset, with a shotgun not larger than number 10 gauge, a rifle, or with bow having minimum pull of 45 pounds and nonpoisonous, non-barbed, nonexplosive arrow with minimum broadhead width of seven eighths of an inch, unless otherwise specifically permitted by this Article: Provided, however, blunt-type arrowheads may be used in taking game birds and small game animals including, but not by way of limitation, rabbits, squirrels, quail, grouse, turkeys and pheasants; provided that [in Alexander, Buncombe, Caldwell, Cherokee, Clay, Cleveland, Graham, Haywood, Macon, Madison, Mitchell, Polk, Rutherford, Transylvania and Yancey Counties] pistols with barrels not less than six inches in length and a muzzle velocity of not under 1100 feet per second and bullet weight of not less than 35 grains or more than 70 grains may be used in the hunting or taking of squirrels or rabbits on one's own land or on land in one's legal possession, or on lands of another where expressed permission has been granted therefor. No person shall take any game animals or game birds or migratory game

birds from any automobile, or from any engine-powered or self-propelled vehicle or any vehicle especially equipped to provide facilities for taking deer by any unlawful means, or by aid of or with the use of any jacklight, or other artificial light, net, trap, snare, fire, salt lick or poison; nor shall any such jacklight, net, trap, snare, fire, salt lick or poison be used or set to take any animals or birds; nor shall birds or animals be taken at any time from an airplane, power boat, sailboat, or any boat under sail, or any floating device towed by a power boat or sailboat or, during the hours between sunset and sunrise, from any other floating device; nor shall any person take any dove, wild turkey, or upland game bird on any field, or in any cover in which corn, wheat, or other grain has been deposited for the purpose of drawing such birds thereto. However, it shall be lawful to use an artificial light and firearms except where prohibited by the North Carolina Wildlife Resources Commission regulations when hunting raccoons or opossums with dogs, or when hunting frogs. A person may take game birds and wild animals during the open season therefor with the aid of dogs, unless specifically prohibited by this Article. It shall be lawful for individuals and organized field trial clubs or associations for the protection of game, to run trials or train dogs at any time: Provided, that no shotgun or rifle be used and that no game birds or game animals shall be taken during the closed season by reason thereof. The Board shall have, and is hereby given, full power and authority to make regulations defining the manner of taking fur-bearing animals and to prohibit the use of steel traps in any county or districts of the State when it shall appear necessary and advisable to the said Board. Any person who shall cut down den trees in taking game or fur-bearing animals shall be guilty of a misdemeanor.

No person shall take any wild animal or wild bird at night with the aid of an artificial light if such taking is from any aircraft, vehicle, watercraft, or other conveyance; provided however that this section does not prohibit the collection of specimens for scientific and medical studies when conducted under permit issued by the North Carolina Wildlife Commission.

It shall be unlawful for any person or persons to hunt with guns or dogs upon the lands of another without first having obtained permission from the owner or owners of such lands, and said permission so obtained may be continuous for one open hunting season only.

It shall be unlawful for any person to hunt, take or kill any upland game birds, squirrels or rabbits with or by means of any automatic-loading or hand-operated repeating shotgun capable of holding more than three shells, the magazine of which has not been cut off or plugged with a one-piece metal or wooden filler incapable of removal through the loading end thereof, so as to reduce the capacity of said gun to not more than three shells at one time in the magazine and chamber combined. It shall be unlawful for any person while hunting wild birds and animals with a gun to refuse to surrender such gun for inspection upon request of a duly authorized officer. It shall also be unlawful to shoot any such birds while such birds are sitting on the ground.

It shall be unlawful for any person to possess, sell, or offer for sale any noose-type commercially-manufactured snare by which an animal may be entangled and caught.

It shall be unlawful for any person to take or kill or attempt to take or kill any deer from or through the use of any boat or other floating device; provided that this section shall not prohibit the transportation of hunters, their guns, dogs, or other hunting equipment or their legally taken game by means of any boat or other floating device, and shall not prohibit the hunter shooting from his stand, if such stand is not within or a part of such boat or floating device. This paragraph shall not apply to the counties of Beaufort, Burke, Camden, Carteret, Cherokee, Chowan, Columbus, Craven, Cumberland, Currituck, Dare, Edgecombe, Gates, Hertford, Hoke, Lenoir, Martin, Pamlico, Pasquotank, Perquimans, Person, Robeson, Surry, Swain, Tyrrell, Washington, Wayne and Yadkin. With respect to the

Roanoke River and its tributaries in Northampton and Bertie Counties, but not to any of its tributaries in Halifax and Edgecombe Counties, between the Roanoke River's intersection with U.S. Highway 301 at Weldon in Northampton County and its intersection with U.S. Highway 17 at Williamston in Bertie County, this paragraph shall apply; provided, however, this paragraph shall not apply to any other river or stream in Northampton, Bertie, Edgecombe and Halifax Counties. For the purposes of this section, no portion of the Roanoke River shall be deemed to lie in Martin County. (C. S., s. 2124; 1935, c. 486, s. 20; 1939, c. 235, s. 1; 1949, c. 1205, s. 3; 1955, c. 104; 1959, cc. 207, 500; 1961, c. 1182; 1963, c. 381; c. 697, ss. 1, 3½; 1967, c. 858, s. 1; c. 1149, s. 1.5; 1969, cc. 75, 140; 1971, c. 439, ss. 1-3; c. 899, s. 1.)

Local Modification.—Beaufort: 1969, c. 265; 1971, c. 129; Duplin: 1969, cc. 195, 258; Franklin: 1969, c. 484; Pender: 1969, cc. 129, 258; Stanly: 1969, c. 858; Tyrrell: 1969, c. 757.

Editor's Note.—

The first 1967 amendment inserted in the first paragraph the proviso as to use of pistols for taking squirrels or rabbits. Section 2 of the 1967 amendatory act provides that the act shall apply to the following counties only: Alexander, Buncombe, Caldwell, Cherokee, Clay, Cleveland, Graham, Haywood, Macon, Madison, Mitchell, Polk, Rutherford, Transylvania and Yancey.

The second 1967 amendment inserted "and firearms except where prohibited by the North Carolina Wildlife Resources Commission regulations" in the fourth sentence.

The first 1969 amendment inserted "or rifle" in the proviso to the sixth sentence of the first paragraph.

The second 1969 amendment inserted the present second paragraph.

The first 1971 amendment, in the last paragraph, inserted "their guns, dogs, or other hunting equipment" in the first sentence, deleted "Bertie" and "Northampton" from the list of counties in the second sentence, and added the third and fourth sentences.

The second 1971 amendment deleted "Sampson" from the list of counties in the second sentence of the last paragraph.

Session Laws 1973, c. 211, amended s. 2 of the 1967 amendatory act so as to make that act applicable to Henderson County.

Section Is Constitutional. — This section and the first sentence of § 113-109(b), protecting and managing wildlife, are within the legitimate interests of the State and in the public interest and are constitutional. State v. Lassiter, 13 N.C. App. 292, 185 S.E.2d 478 (1971).

Purpose of Section. — This section and the first sentence of § 113-109(b) have the purpose of controlling and managing the

use and methods of taking wildlife. State v. Lassiter, 13 N.C. App. 292, 185 S.E.2d 478 (1971).

Section Is Clear. — This section and the first sentence of § 113-109(b) are clear and definite as to the persons within the scope of the sections and the acts which are penalized. State v. Lassiter, 13 N.C. App. 292, 185 S.E.2d 478 (1971).

Section 113-109 Punishes Same Offense.

—Section 113-109(b) does not create a distinct or separate criminal offense from that created and defined by this section; rather it merely provides a greater punishment when the stated conditions are shown and proved by the State. State v. Lassiter, 13 N.C. App. 292, 185 S.E.2d 478 (1971).

Pursuit of Deer by Aid of Artificial Light Is Violation.—One violates this section when he pursues or attempts to kill a deer by aid of or with the use of any artificial light, because this activity falls within the statutory definitions of "taking" and "game animal." State v. Lassiter, 13 N.C. App. 292, 185 S.E.2d 478 (1971).

Warrant Sufficient.—Warrants charging that defendants unlawfully and willfully attempted to take deer with the aid of an artificial light between the hours of sunset and sunrise in an area known to be inhabited and frequented by deer, is sufficient to charge the offense defined by this section; the words "in an area known to be inhabited and frequented by deer" are mere surplusage and may be disregarded. State v. Lassiter, 9 N.C. App. 255, 175 S.E.2d 689 (1970).

In a prosecution charging defendants with the unlawful hunting of deer by artificial light, it was incumbent upon the defendants to ask for a bill of particulars if they desired to know what area of the county the offense took place. State v. Lassiter, 9 N.C. App. 255, 175 S.E.2d 689 (1970).

Applied in State v. Vaughan, 268 N.C. 105, 150 S.E.2d 31 (1966); State v. Link, 13 N.C. App. 568, 186 S.E.2d 634 (1972).

§ 113-105. License to engage in business of game propagation; sale and transportation regulated. — Any person desiring to engage in the business of propagating in captivity upland game birds, ducks and geese, or any of them on land of which he is the owner or lessee and selling same pursuant to the provisions of this section, may make application in writing to the Commissioner for a license to do so. The Commissioner, when it shall appear that such application is made in good faith, shall upon the payment of a fee of two dollars (\$2.00), issue to each applicant a license permitting such licensee to propagate such game birds on land of which he is the owner or lessee, the location of which shall be stated in such application and such license; to sell and ship such propagated game birds in the State from the State alive at any time for breeding or stocking purposes and take such propagated game birds except wild quail and wild turkey in any manner and at any time and sell the carcasses for food as hereinafter prescribed: Provided, that propagated upland game birds may be killed by shooting only during the open season as established by the Board; and, provided further, that propagated migratory game birds may be killed by shooting only during the open season for migratory game birds. Each such license shall expire on the thirty-first day of December of the year in which it is issued. Each holder of a game bird propagating license shall keep such license prominently displayed at the place of business specified therein.

Every person holding a game bird propagating license issued by the Commissioner shall keep accurate, written records, showing the number of game birds of each species propagated, bought, or sold, and the disposition thereof. These records shall be kept permanently on the premises stated in such license and shall be open for inspection by any duly authorized representative of the Commissioner at all reasonable times.

Migratory game birds propagated in accordance with this section shall not be bought or sold for food, unless each bird before attaining the age of four weeks, shall have had removed from the web of one foot a portion thereof in the form of a "V" large enough to make a well-defined mark, which shall be sufficient to identify it as a bird propagated in accordance with this section of the North Carolina Game Law. Migratory game birds propagated in accordance with this section may be bought, sold or offered for sale for food only after being tagged with an indestructible metal tag which shall be supplied by the Board.

Common carriers shall receive and transport game birds tagged as aforesaid but to every package containing such propagated game birds shall be affixed a tag or label upon which shall plainly be printed or written the name, address and license number of the person by whom such propagated game birds are shipped and the name and address of the person to whom such propagated game birds are to be transported and number of each kind contained therein. The Board shall be entitled to receive and shall collect for each tag to be affixed to the carcass of each game bird propagated, in accordance with this section, the sum of five cents (5¢). The said tags shall remain affixed as aforesaid until the carcasses of such propagated game birds shall be finally prepared for consumption: Provided, that the owner or proprietor of a hotel, restaurant, boardinghouse, or the manager of a club, may sell a portion of a tagged game bird to a guest, customer, or member, for consumption on the premises.

The proprietor or keeper of a hotel, restaurant or cafe, boardinghouse or club, desiring to serve game to his patrons, may make application to the Department of Conservation and Development for a license to do so. The Department, when it shall appear that such application is made in good faith, shall upon the payment of a fee of ten dollars (\$10.00) issue to each such applicant a license permitting the holder thereof to buy and possess game birds lawfully tagged, and to serve such game to his patrons for consumption at any time, but only on the premises, the location of which shall be definitely stated in such license and the application therefor. Each such license to serve game birds shall expire on the

thirty-first day of December in the year in which it is issued. Each person holding a license to serve game birds shall keep such license prominently displayed at the place of business specified therein. The holder of a license to serve game birds may purchase only game birds tagged in accordance with law. Each holder of a license to serve game birds shall keep accurate written records of each and every purchase, which records shall contain the name and address of the person or corporation from whom such game birds were purchased, the date of each transaction and the number and kind of game birds included in each purchase. These records shall be kept permanently at the place of business specified in the license and shall be open for inspection by any duly authorized representative of the Department at all reasonable times. Each holder of a license to serve game birds shall send a certified copy of these records for the previous calendar year to the Department not later than January fifteenth. The Department shall furnish the forms on which these records are to be kept. The Board is hereby authorized to prescribe from time to time rules and regulations governing the possession, purchase, sale and transportation of birds raised in domestication pursuant to the provisions of this Article. (1935, c. 486, s. 21; 1971, c. 515, s. 5.)

Editor's Note. — The 1971 amendment substituted "wild quail" for "quail" in the second sentence.

§ 113-105.2. Pen-raised quail.—(a) The Commission shall on or before October 1, 1971, promulgate rules and regulations for the possession, sale, and transportation of pen-raised quail for food purposes, and in adopting such rules and regulations the Commission shall provide for adequate safeguards against the trapping of wild quail; and to provide for close supervision of any person, firm or corporation raising pen-raised quail for food purposes and to take every reasonable precaution so as to adequately distinguish such pen-raised quail from wild quail.

(b) When any person, firm, or corporation applies in writing to the Executive Director, the Executive Director, when it shall appear that such application and applicant have complied with the rules and regulations promulgated by the Commission, shall issue a revokable permit to sell pen-raised quail for food purposes.

(b1) Every person who wishes to raise and sell pen-raised quail for food purposes, upon application for the permit described in subsection (b) shall pay the sum of fifty dollars (\$50.00) to the Wildlife Resources Commission, to be used by the Commission to defray the expenses incurred in the processing of the application.

(c) The Executive Director shall without notice have the right to revoke any permit issued under this section for failure to comply with any rule or regulation of the Commission. Upon revocation of any permit, the permittee shall have the right to appeal any revocation to the Commission.

(d) If any person, firm, corporation, permittee, processor, or merchant shall violate any of the rules and regulations promulgated by the Commission, they shall be guilty of a misdemeanor and upon conviction shall be punished by a fine of not more than one hundred fifty dollars (\$150.00), or by imprisonment not exceeding 30 days or both. (1971, c. 515, ss. 1-4; c. 1114.)

Editor's Note. — The 1971 amendment added subsection (b1).

§ 113-109. Punishment for violation of Article.—(a) Any person, or group of persons, who takes, possesses, transports, buys, sells, offers for sale, or has in possession for sale or transportation, any wild bird, or wild animals, or any part thereof, or the nest or egg of any wild bird, in violation of any of the provisions of this Article, or who violates any other of the provisions of this Article, or who fails to perform any duty imposed upon him by this Article, or who violates any lawful order, rule or regulation relating to game birds and animals and

game fish promulgated by the Wildlife Resources Commission shall be guilty of a misdemeanor and upon the first offense and conviction thereof shall be fined not less than ten dollars (\$10.00) nor more than fifty dollars (\$50.00) or imprisoned for not more than 30 days, unless a greater penalty be prescribed for the specific act or acts. Upon the second offense, a person convicted thereof shall be fined not less than thirty-five dollars (\$35.00) nor more than two hundred dollars (\$200.00), or by imprisonment for not more than six months, or both in the discretion of the court. Any person, firm, or corporation who buys or sells, or offers to buy or sell, game birds or game animals in violation of the provisions of this Article shall, upon conviction thereof, be fined not less than fifty dollars (\$50.00) or imprisoned for not more than 60 days, or both fined and imprisoned in the discretion of the court. In all cases of conviction under this Article, the court in which such conviction is had shall revoke and require the surrender of any hunting license then held by the person so convicted, which license shall be forwarded together with the record of such conviction to the Wildlife Resources Commission. Such revocation of license shall be mandatory for the remainder of the hunting-license year during which such conviction occurred, and any person whose license has been revoked who procures or uses any other hunting license, or hunts with gun or dogs without a license during this period shall be guilty of a misdemeanor, and shall, upon conviction, be fined not less than fifty dollars (\$50.00) or imprisoned for not less than 30 days, and in addition shall have his license-buying privilege suspended for an additional year following such conviction. Any person who shall swear or affirm to any false statement in any application for a hunting license shall be deemed guilty of perjury and on conviction shall be subject to the punishment provided for in the crime of perjury.

(b) Any person who takes or attempts to take deer between sunset and sunrise with the aid of a spotlight or other artificial light on any highway or in any field, woodland, or forest, in violation of this Article shall, upon conviction, be fined for a first offense not more than two hundred fifty dollars (\$250.00) or imprisoned for not more than 60 days or both in the discretion of the court, and for subsequent offenses shall, upon conviction, be fined not less than two hundred fifty dollars (\$250.00) or imprisoned not more than 90 days or both in the discretion of the court. In any locality or area which is frequented or inhabited by wild deer, the flashing or display of any artificial light from roadway or public or private driveway so that the beam thereof is visible for a distance of as much as 50 feet from such roadway or driveway, or the flashing or display of artificial light at any place off such roadway or driveway, when either of such acts is accompanied by the possession of a firearm or a bow and arrow during the hours between sunset and sunrise, except as authorized herein for the taking of raccoon, opossums, or frogs, shall constitute prima facie evidence of a violation punishable under the provisions of the preceding sentence.

(d) Any person who shall take or attempt to take wild turkey or bear during the closed season thereon as established by the Wildlife Resources Commission, or any person who shall take or attempt to take wild turkey or bear during the open season as established by the Wildlife Resources Commission by the use of any unlawful means or method as defined in G.S. 113-104, shall, upon conviction, be fined not less than two hundred and fifty dollars (\$250.00) or imprisoned for not less than 90 days, or both in the discretion of the court.

(e) Any person who shall take or kill or attempt to take or kill any deer from any boat or other floating device in violation of the provisions of this Article shall be guilty of a misdemeanor and, upon conviction thereof, shall be fined not less than fifty dollars (\$50.00) nor more than one hundred dollars (\$100.00), or imprisoned for not less than 30 days nor more than 60 days, in the discretion of the court. This subsection shall not apply to the counties of Beaufort, Bertie, Burke, Camden, Carteret, Cherokee, Chowan, Columbus, Craven, Cumberland, Currituck, Dare, Edgecombe, Gates, Hertford, Hoke, Lenoir, Martin, Northampton, Pam-

lico, Pasquotank, Perquimans, Person, Robeson, Surry, Swain, Tyrrell, Washington, Wayne and Yadkin.

(1967, c. 729; c. 1149, s. 1; 1971, c. 423, s. 1; c. 524; c. 899, s. 2; 1973, c. 677.)

Editor's Note.—

The first 1967 amendment increased the minimum fine in subsection (d) from \$100.00 to \$250.00.

The second 1967 amendment rewrote the second sentence in subsection (b).

The first 1971 amendment inserted "or bear" twice in subsection (d).

The second 1971 amendment rewrote the penalty provisions in the first sentence of subsection (b) and deleted "such" preceding "artificial light" and inserted "except as authorized herein for the taking of raccoon, opossums, or frogs," in the second sentence of subsection (b).

The third 1971 amendment deleted "Sampson" from the list of counties in the last sentence of subsection (e).

The 1973 amendment substituted "hunting-license year during which such conviction occurred" for "period for which the license was issued" in the fifth sentence of subsection (a).

Only the subsections affected by the amendments are set out.

Constitutionality. — Section 113-104 and the first sentence of subsection (b) of this section, protecting and managing wildlife, are within the legitimate interests of the State and in the public interest and are constitutional. *State v. Lassiter*, 13 N.C. App. 292, 185 S.E.2d 478 (1971).

The prima facie evidence rule of subsection (b) is constitutional and meets the requirement for constitutionality that there be a rational connection between the fact proved and the ultimate fact presumed so that the inference of the one from proof of the other is not unreasonable and arbitrary. *State v. Lassiter*, 13 N.C. App. 292, 185 S.E.2d 478 (1971).

Purpose of Section.—Section 113-104 and the first sentence of subsection (b) of this

section have the purpose of controlling and managing the use and methods of taking wildlife. *State v. Lassiter*, 13 N.C. App. 292, 185 S.E.2d 478 (1971).

Section Is Clear.—Section 113-104 and the first sentence of subsection (b) of this section are clear and definite as to the persons within the scope of the sections and the acts which are penalized. *State v. Lassiter*, 13 N.C. App. 292, 185 S.E.2d 478 (1971).

"Taking".—The shooting and killing of a deer with a rifle is a "taking" within the intent and meaning of subsection (b). *State v. Link*, 13 N.C. App. 568, 186 S.E.2d 634 (1972).

Section 113-104 Punishes Same Offense.

—Subsection (b) of this section does not create a distinct or separate criminal offense from that created and defined by § 113-104; rather it merely provides a greater punishment when the stated conditions are shown and proved by the State. *State v. Lassiter*, 13 N.C. App. 292, 185 S.E.2d 478 (1971).

Presumption Does Not Deprive Defendants of Rights.—The presumption in subsection (b) does not shift the burden of proof from the State to the defendants, or deprive them of due process of law or the presumption of innocence which remains with them until overcome by evidence of guilt beyond a reasonable doubt. *State v. Lassiter*, 13 N.C. App. 292, 185 S.E.2d 478 (1971).

The presumption in subsection (b) is not conclusive upon the jury; they may still under the law return a verdict in favor of the defendant. *State v. Lassiter*, 13 N.C. App. 292, 185 S.E.2d 478 (1971).

Applied in *State v. Vaughan*, 268 N.C. 105, 150 S.E.2d 31 (1966); *State v. Lassiter*, 9 N.C. App. 255, 175 S.E.2d 689 (1970).

Safe Distances for Hunting Migratory Wild Waterfowl.

§ 113-109.6. Hunting migratory wild waterfowl in the vicinity of another waterfowl blind.—It shall be unlawful for any person to hunt, shoot, take or intentionally disturb migratory wild waterfowl from a blind, boat, float, raft, mat or other buoyant craft or from any other location, position or device nearer than 500 yards to any other blind, boat, float, raft, mat or other buoyant craft, or other location, position or device which is permanently established for hunting of migratory wild waterfowl by the land or riparian owner or one with the written permission of said land or riparian owner; unless said person is hunting,

shooting, taking or intentionally disturbing migratory wild waterfowl from a blind, boat, float, raft, mat or other buoyant craft or other location, position or device located on land owned or within the riparian water area of land owned by said person or for which said person has written permission of the owner; except when such person is in active pursuit of a visible, crippled waterfowl which was legally shot by said person from a position to which said person was entitled. (1973, c. 823, s. 1.)

§ 113-109.7. Penalty for violation.—Any person who violates the provisions of G.S. 113-109.6 shall be deemed guilty of a trespass and such violation shall constitute a misdemeanor and subject the offender to a fine of not less than ten dollars (\$10.00) nor more than two hundred and fifty dollars (\$250.00) or confinement in jail for a period not to exceed five months or both in the discretion of the court. Upon conviction for a second violation of G.S. 113-109.6, the trial court shall immediately revoke the license of the violator for hunting privileges in North Carolina for the balance of the current open season and said violator shall not be eligible for a license granting hunting privileges in North Carolina during the current open season but may be eligible for license thereafter. (1973, c. 823, s. 1.)

§ 113-109.8. Article inapplicable to certain counties.—This Article shall not apply to Anson, Beaufort, Carteret, Hyde, Montgomery, and Tyrrell Counties. (1973, c. 823, ss. 1, 5.)

ARTICLE 8.

Local Modification.—By virtue of Session Laws 1967, c. 642, Warren should be stricken from the replacement volume.

Editor's Note.—

Session Laws 1967, c. 642, repealed Session Laws 1957, c. 742, which inserted Franklin in the list of counties in this section. The 1967 act provides that it is the intent and purpose of the act that the general laws of the State relating to fox hunting shall be applicable to Franklin County.

Session Laws 1967, c. 922, deleted Martin from the list of counties.

Session Laws 1971, c. 169, s. 1, inserted Stanly in the list of counties.

Session Laws 1971, c. 385, s. 1, inserted Wilkes in the list of counties in this section.

Trespassing upon "Posted" Property to Hunt, Fish or Trap.

§ 113-120.1. Trespass for purposes of hunting, etc., without written consent a misdemeanor.

Local Modification. — Avery, Mitchell and Watauga: 1967, c. 644.

Prohibited Activities.—This section prohibits hunting, fishing or trapping on properly posted lands or waters without the written consent of the owner or his agent, provided that in designated counties, including Halifax County, no arrest may be made for such violation without consent of the owner or his agent. State v. Manning, 3 N.C. App. 451, 165 S.E.2d 13 (1969).

Term "Owner" Does Not Include Lessee.—In a prosecution in Halifax County under this section for a trespass by fishing on properly posted lands and waters of a private club without the written consent of the owner or his agent, defendants' motion for nonsuit should be allowed where the State's evidence discloses that the

private club is the lessee of the land under and around the lake upon which defendants were fishing, a lessee not being included within the term "owner" as used in § 113-130, and there being no showing that defendants were fishing without the written consent of the actual owner, or that the owner consented to their arrest, or that the private club was the agent of the owner for these purposes. State v. Manning, 3 N.C. App. 451, 165 S.E.2d 13 (1969).

Whether a body of water is a "private pond" is not relevant to a prosecution for trespass under this section, there being no requirement that a pond must be a "private pond" in order to post the notices and signs described in § 113-120.2. State v. Manning, 3 N.C. App. 451, 165 S.E.2d 13 (1969).

§ 113-120.2. Regulations as to posting of property.

Whether a body of water is a "private pond" is not relevant to a prosecution for trespass under § 113-120.1, there being no requirement that a pond must be a "private

pond" in order to post the notices and signs described in this section. State v. Manning, 3 N.C. App. 451, 165 S.E.2d 13 (1969).

§ 113-120.3. Mutilation, etc., of "posted" signs; posting signs without consent of owner or agent.—Any person who shall mutilate, destroy or take down any "posted," "no hunting" or similar notice, sign or poster on the lands, waters, or legally established waterfowl blind of another, or who shall post such sign or poster on the lands, waters or legally established waterfowl blind of another, without the consent of the owner or his agent, shall be deemed guilty of a misdemeanor and shall be punished by a fine of not more than one hundred dollars (\$100.00). (1949, c. 887, s. 3; 1953, c. 1226; 1969, c. 51.)

Editor's Note.—The 1969 amendment for "fifteen dollars (\$15.00)" at the end of substituted "one hundred dollars (\$100.00)" the section.

ARTICLE 11.

Miscellaneous Provisions.

§ 113-126.1. Killing bear out of season.—Notwithstanding any other provisions of law, it shall be unlawful to take, trap, kill, or attempt to take, trap or kill bears in North Carolina except during the open seasons therefor as established by regulations of the Wildlife Resources Commission; provided, that when

bears are found in the act of destroying, or attempting to destroy, real or personal property, such property owners may take such action as appears reasonable and necessary, including killing the bear, to protect their real or personal property. When a bear is killed out of season by a property owner while such bear is destroying or attempting to destroy real or personal property, a Wildlife Resources Commission representative shall be notified within 12 hours of said killing by the person killing the bear and the carcass of such bear shall be disposed of by gift to some recognized charitable institution located in the county where the bear was killed; provided further, that nothing contained in this Subchapter shall be construed to authorize the hunting of bear with dogs during the closed season thereon.

Any person violating the provisions of this section shall be guilty of a misdemeanor, and upon conviction thereof shall be fined not more than one hundred dollars (\$100.00) or imprisoned for not more than 60 days, or both fined and imprisoned, in the discretion of the court. (1967, c. 953; 1971, c. 423, s. 3; c. 809, s. 2.)

Editor's Note.—Session Laws 1971, c. 1971, c. 809, s. 2, rewrote the proviso to the 423, s. 3, as amended by Session Laws second sentence of the first paragraph.

SUBCHAPTER IV. CONSERVATION OF FISHERIES RESOURCES.

ARTICLE 12.

General Definitions.

§ 113-129. Definitions relating to resources.

Whether a body of water is a "private pond" is not relevant to a prosecution for trespass under § 113-120.1, there being no requirement that a pond must be a "private pond" in order to post the notices and signs described in § 113-120.2. *State v. Manning*, 3 N.C. App. 451, 165 S.E.2d 13 (1969).

§ 113-130. Definitions relating to activities of public.—The following definitions apply to activities of the public in regard to marine and estuarine and wildlife resources:

Individual: A human being.

Owner; Ownership: As for personal property refers to persons having beneficial ownership and not to those holding legal title for security; as for real property, refers to persons having the present right of control, possession, and enjoyment, whether as life tenant, fee holder, beneficiary of a trust, or otherwise. Provided, that this definition does not include lessees of property except where the lease arrangement is a security device to facilitate what is in substance a sale of the property to the lessee.

Person: Any individual; or any partnership, firm, association, corporation, or other group of individuals capable of suing or being sued as an entity.

Resident: In the case of individuals, one who, at the time in question, has resided in North Carolina for the preceding six months or has been domiciled in North Carolina for the preceding 60 days, provided that when resort must be had to the circumstances of domicile rather than the mere fact of residence, such individual shall sign a certificate on a form supplied by the Commission stating the necessary facts and intent to constitute legal domicile within the State for the preceding 60 days. In the case of corporations, a corporation which is chartered under the laws of North Carolina and has its principal office within the State.

To Fish: To take fish.

To Sell; Sale: Includes a sale or exchange of property, or an offer or attempt to sell or exchange—for money or any other valuable consideration.

To Take: All operations during, preparatory, and subsequent to an attempt—

whether successful or not—to capture, kill, pursue, or otherwise harm or reduce to possession any fisheries resources.

Vessel: Every description of watercraft, other than a seaplane on the water, used or capable of being used as a means of transportation on water. (1965, c. 957, s. 2; 1971, c. 705, s. 3.)

Editor's Note. — The 1971 amendment, effective July 1, 1971, rewrote the definition of "resident."

Term "Owner" Does Not Include Lessee. — In a prosecution in Halifax County under § 113-120.1 for a trespass by fishing on properly posted lands and waters of a private club without the written consent of the owner or his agent, defendants' motion for nonsuit should be allowed where the State's evidence discloses that the private club is the lessee of the land under

and around the lake upon which defendants were fishing, a lessee not being included within the term "owner" as used in this section, and there being no showing that defendants were fishing without the written consent of the actual owner, or that the owner consented to their arrest, or that the private club was the agent of the owner for these purposes. *State v. Manning*, 3 N.C. App. 451, 165 S.E.2d 13 (1969).

ARTICLE 13.

Jurisdiction of Fisheries Agencies.

§ 113-132. Jurisdiction of fisheries agencies.

(c) Notwithstanding the provisions of this Article, the Department and the Commission do not have jurisdiction over matters with respect to which jurisdiction may now or hereafter be vested in the Board and Department of Water Resources, the State Stream Sanitation Committee, or the Commission for Health Services.

(1973, c. 476, s. 128.)

Editor's Note. — The 1973 amendment, effective July 1, 1973, substituted "Commission for Health Services" for "State Board of Health" in subsection (c).

As the rest of the section was not changed by the amendment, only subsection (c) is set out.

§ 113-133. Abolition of local coastal fishing laws.

Regulation and Control of Marine and Estuarine Resources Is Exclusively within the State of North Carolina and Local Regulations or Ordinances Are Not Au-

thorized.—See opinion of Attorney General to Mr. Clifton L. Moore, Jr., 41 N.C.A.G. 642 (1971).

§ 113-139. Search warrants.—(a) Inspectors and protectors are authorized to obtain and execute search warrants within the limitations of this section from any official authorized to issue search warrants in accordance with the procedure in article 4 of chapter 15 of the General Statutes.

(b) Search warrants which inspectors may execute must be for evidence, fruits, or instrumentalities of some criminal offense as to which the Department is granted exclusive or primary jurisdiction in this subchapter.

(c) Search warrants which protectors may execute must be for evidence, fruits, or instrumentalities of some criminal offense as to which the Commission is granted exclusive or primary jurisdiction in this chapter or elsewhere, including chapters 75A and 143. (1969, c. 347.)

ARTICLE 14.

Commercial and Sports Fisheries Licenses and Taxes.

§ 113-152. Licensing of vessels; fees.—(a) The following vessels are subject to the licensing requirements of this section:

- (1) All vessels engaged in commercial fishing operations in coastal fishing waters and
- (2) All North Carolina vessels engaged in commercial fishing operations without the State which result in landing and selling fish in North Carolina. North Carolina vessels are those which have their primary situs in North Carolina. Motorboats with North Carolina numbers under the provisions of chapter 75A of the General Statutes are deemed to have their primary situs in North Carolina; documented vessels which list a North Carolina port as home port are deemed to have their primary situs in North Carolina.

"Commercial fishing operations" are all operations preparatory to, during, and subsequent to the taking of fish:

- (1) With the use of commercial fishing equipment or
- (2) By any means, if a primary purpose of the taking is to sell the fish.

It is unlawful for the owner of a vessel subject to licensing requirements to permit it to engage in commercial fishing operations without having first procured the appropriate license. It is unlawful for anyone to command such a vessel engaged in commercial fishing operations without complying with the provisions of this section and of regulations made under the authority of this article. It is unlawful for anyone to command such a vessel engaged in commercial fishing operations that does not meet the license requirements of this article or of regulations made under the authority of the article, or without making reasonably certain that all persons on board are in compliance with the provisions of this article and regulations made under the authority of this article. It is unlawful to participate in any commercial fishing operation in connection with which there is a vessel subject to licensing requirements not meeting the licensing requirements under the provisions of this article or of regulations made under the authority of this article.

Nothing contained in this section shall require the licensing of any vessel used solely for clamming or oystering by a person not required to have a clam and oyster license under the provisions of G.S. 113-154. Spears or gigs shall not be deemed commercial fishing equipment unless used in an operation the purpose of which is the taking of fish for commercial purposes.

(c) Licenses are issued annually upon a calendar-year basis for vessels of various lengths (length measured straight through the cabin and along the deck, from end to end, excluding the sheer) and types as follows for the fees indicated:

- (1) Vessels without motors, one dollar (\$1.00).
- (2) Vessels with motors not over eighteen feet in length, three dollars (\$3.00).
- (3) Vessels with motors over eighteen feet but not over twenty-six feet in length, fifty cents (50¢) per foot.
- (4) Vessels with motors over twenty-six feet in length, seventy-five cents (75¢) per foot.
- (5) Vessels engaged in menhaden fishing shall be taxed, based on tonnage, as prescribed in subsection (d).

Length is measured from end to end over the deck excluding sheer.

(f) No persons exempt from the oyster and clam licenses under the provisions of this section may take more than one bushel of oysters and clams in the aggregate on any one day. (1953, c. 1134; 1955, c. 888, ss. 1, 3; 1961, c. 1004; 1965, c. 957, s. 2; 1967, c. 444, ss. 1, 2; 1969, c. 1243.)

Editor's Note. — The 1967 amendment added the last paragraph of subsection (a) and added subsection (f). in parentheses in the opening paragraph of subsection (c) and inserted "shall be taxed, based on tonnage" in subdivision (5) of subsection (c).

The 1969 amendment inserted the matter

As the rest of the section was not changed by the amendments, only subsections (a), (c) and (f) are set out.

For note on estuarine pollution, see 49 N.C.L. Rev. 921 (1971).

§ 113-154. Oyster and clam licenses.

(b) It is unlawful for any individual to take oysters or clams for commercial use from the public or private grounds of North Carolina without having ready at hand for inspection a current and valid oyster and clam license issued to him personally and bearing his correct name and address. It is unlawful for any such individual taking or possessing freshly taken oysters or clams to refuse to exhibit his license upon the request of an officer authorized to enforce the fishing laws.

(1967, c. 444, s. 3.)

Editor's Note.—The 1967 amendment inserted "for commercial use" near the beginning of subsection (b).

As the rest of the section was not changed by the amendment, only subsection (b) is set out.

§ 113-155.1. Commercial fishermen; identification.—Upon request by a licensed commercial fisherman, the Department of Natural and Economic Resources shall issue to him a suitable card which shall identify him as a commercial fisherman. Each identification card issued shall bear an expiration date, which date shall be the date on which the license issued to such fisherman expires, and such card may be renewed annually for so long as a valid commercial fishing license is in effect. The Secretary of Natural and Economic Resources shall prescribe the form and contents of such identification cards and shall promulgate the necessary rules and regulations relative to their issuance. (1973, c. 708, s. 2.)

Editor's Note. — Session Laws 1973, c. 708, s. 3, makes the act effective July 1, 1973.

§ 113-156. Licenses for fish dealers.

(d) Every fish dealer subject to the licensing provisions of this section must secure a separate license or set of licenses for each established location. Where a dealer does not have an established location for transacting the fisheries business within the State, the license application must be denied unless the applicant satisfies the Commissioner that his residence, or some other office or address, within the State, is a suitable substitute for an established location and that records kept in connection with licensing, sale, and tax requirements will be available for inspection when necessary. Fish dealers' licenses are issued on a calendar-year basis upon payment of a fee as set forth herein upon proof, satisfactory to the Commissioner, that the license applicant is a resident of North Carolina.

(1969, c. 1244.)

Editor's Note. — The 1969 amendment added the last sentence of subsection (d).

For note on estuarine pollution, see 49 N.C.L. Rev. 921 (1971).

As the rest of the section was not changed by the amendment, only subsection (d) is set out.

§ 113-157. Taxes on seafood.

(d) The following taxes are applicable to the seafood named below:

- (1) Oysters, eight cents (8¢) per bushel.
- (2) Clams, six cents (6¢) per bushel.
- (3) Scallops, five cents (5¢) per gallon.
- (4) Soft crabs, two cents (2¢) per dozen.
- (5) Hard crabs, ten cents (10¢) per one hundred pounds.
- (6) Shrimp, green, heads off, fifteen cents (15¢) per one hundred pounds.

(7) Shrimp, green, heads on, ten cents (10¢) per one hundred pounds. (1969, c. 1275.)

Editor's Note. — The 1969 amendment added subdivision (7) of subsection (d) and deleted the former last sentence of subsection (d), which provided an additional tax on oysters taken in North Carolina and shipped in the shell outside the State.

As the rest of the section was not changed by the amendment, only subsection (d) is set out.

For note on estuarine pollution, see 49 N.C.L. Rev. 921 (1971).

ARTICLE 15.

Regulation of Coastal Fisheries.

§ 113-189. **Protection of sea turtles and porpoises.** — (a) It shall be unlawful willfully to take, disturb or destroy any sea turtles including, but not limited to, green, hawksbill, loggerhead, and leatherback turtles, or their nests or eggs at any time during the months of May, June, July, August and September of each year.

(b) It shall be unlawful willfully to harm or destroy porpoises. (1967, cc. 198, 1225.)

Editor's Note. — Chapter 1225, Session Laws 1967, designated the former provisions of the section as subsection (a) and added subsection (b).

ARTICLE 16.

Cultivation of Oysters and Clams.

§ 113-202. **New leases and renewal leases of oyster and clam bottoms; termination of leases issued prior to January 1, 1966.** — (a) In order to encourage oyster and clam culture in North Carolina, the Board, upon the recommendation of the Commissioner, may lease to residents any of the public bottoms underlying coastal fishing waters which do not contain a natural oyster or clam bed, in accordance with the provisions of this Article. A natural oyster or clam bed is an area of public bottom where oysters or clams are to be found growing in sufficient quantities to be valuable to the public.

(b) The area leased may not be less than one acre nor more than 50 acres, except that in the open waters of Pamlico Sound leases may not be less than five acres nor more than 200 acres. For the purposes of this section, the open waters of Pamlico Sound are those waters more than two miles from the shoreline.

(c) No person may lease more than a total of 50 acres of public bottom outside the open waters of Pamlico Sound. In no event may any person lease more than a total of 200 acres within the State.

(d) Any person desiring to apply for a lease must make written application to the Commissioner on forms prepared by him containing such information as deemed necessary to determine the desirability of granting or not granting the lease requested. Except in the case of renewal leases, the application must be accompanied by a survey, made at the expense of the applicant, showing the area proposed to be leased.

The survey must conform to standards prescribed by the Commissioner concerning accuracy of survey and the amount of detail that must be shown. If on the basis of the application information and survey the Commissioner deems that granting the lease would benefit the oyster and clam culture of North Carolina, the Commissioner, in the case of initial lease applications, must order an investigation of the bottom proposed to be leased. The investigation is to be made by the Commissioner or his authorized agent and by a qualified assistant appointed by the board of county commissioners of the county in which the bottom, or the greater portion of the bottom, is located to determine whether there is a natural oyster or clam bed within the bounds of the proposed lease. In the event a natural oyster or

clam bed is encountered, the Commissioner in his discretion may either recommend that the lease be denied or that it be amended so as to exclude such bed. In the event the Commissioner authorizes amendment of the application, the applicant must furnish a new survey meeting requisite standards showing the area proposed to be leased under the amended application. At the time of making application for an initial lease, the applicant must pay a filing fee of twenty-five dollars (\$25.00).

(e) The area of bottom applied for in the case of an initial lease or amended initial lease must be as compact as possible, taking into consideration the shape of the body of water, the consistency of the bottom, and the desirability of separating the boundaries of a leasehold by a sufficient distance from any known natural oyster or clam bed to prevent the likelihood of disputes arising between the leaseholder and members of the public taking oysters or clams from the natural bed.

(f) Upon determination by the Commissioner that the results of the investigation, if required, are satisfactory and that the application for lease and the accompanying survey are in order, and that the proper filing fee has been tendered, the Commissioner must within a reasonable time notify the applicant whether he recommends approval, disapproval, or modification of the lease application. In the event the Commissioner recommends approval or a modification to which the applicant agrees, the Commissioner must publish at least two notices of intention to lease in a newspaper of general circulation in the county or counties in which the proposed leasehold lies. The first publication must precede by more than 30 days the meeting of the Board at which the granting of the lease or renewal of lease is to be made; the second publication must follow the first by seven to 11 days. The notice of intention to lease must contain a sufficient description of the area of the proposed leasehold that its boundaries may be established with reasonable ease and certainty and must also contain the date of the meeting at which the Board is slated to act upon the application for lease or renewal of lease.

(g) Protests to the granting of the proposed lease may be filed with the Commissioner in writing under oath prior to the granting of the lease by the Board. Protests cannot be considered unless accompanied by a filing fee of twenty-five dollars (\$25.00). The Commissioner must evaluate the sufficiency of the grounds stated in the protest and make such investigation as he deems necessary. In the interest of making a just evaluation, he may recommend that the Board postpone consideration of the lease to a subsequent meeting. The Commissioner as a result of his evaluation may recommend denial or amendment of the lease or the granting of it in its original form, in the best interests of the oyster and clam culture of North Carolina, except that no lease may be granted which embraces a known or suspected natural oyster or clam bed. The lease applicant must furnish any additional or amended survey required in the event the protest results in a modification of the lease. In the event the protest does not prevail and the lease is granted in its original form, the twenty-five dollars (\$25.00) deposited with the protest must be forfeited to the use of the Department. In the event the protest is successful in causing a denial or modification of the lease, the twenty-five dollars (\$25.00) deposit must be returned to the person protesting.

(h) The Board in its discretion may lease or decline to lease public bottoms for oyster or clam culture in accordance with its duty to conserve the marine and estuarine resources of the State. The Commissioner must present all lease applications to the Board as to which he has published a notice of intention to lease more than 30 days prior to the meeting of the Board. In the event there was a protest that did not prevail before the Commissioner as to any lease recommended by him, the Commissioner must notify the Board of such protest. Persons whose lease applications are not recommended or are recommended in amended form by the Commissioner may appeal to the Board. In the event the Board sustains the appeal in whole or in part, it may order the Commissioner to take the steps necessary to comply with its decisions and effect a reprocessing of the lease application prior to the next Board meeting or such other time as it may direct.

(i) After a lease is granted by the Board and the Director is satisfied that the survey submitted meets the criteria and that all fees and rent due in advance have been paid, the Director must execute the lease on forms approved by the Attorney General. The leaseholder must erect markers complying with regulations of the Board in order to define the bounds of the leased area. The Commissioner shall have authority, in his discretion, with the approval of the lessee, to amend an existing lease by reducing the area under lease or by combining existing contiguous leases.

(j) Initial leases begin upon the issuance of the lease by the Director and expire at noon on the first day of April following the tenth anniversary of the granting of the lease. Renewal leases are issued for a period of 10 years effective from the time of expiration of the previous lease. The rental for initial leases is one dollar (\$1.00) per acre for all leases entered into before July 1, 1965, and for all other leases until noon on the first day of April following the first anniversary of the lease. Thereafter, for initial leases entered into after July 1, 1965, and from the beginning for renewals of leases entered into after said date, the rental is five dollars (\$5.00) per acre per year. Rental must be paid annually in advance prior to the first day of April each year. Upon initial granting of a lease, the pro rata amount for the portion of the year left until the first day of April must be paid in advance at the rate of one dollar (\$1.00) per acre per year; then, on or before the first day of April next, the lessee must pay the rental for the next full year.

(k) Except as restricted by this Subchapter, leaseholds granted under this section are to be treated as if they were real property and are subject to all laws relating to taxation, sale, devise, inheritance, gift, seizure and sale under execution or other legal process, and the like. Leases properly acknowledged and probated are eligible for recordation in the same manner as instruments conveying an estate in real property. Within 15 days after transfer of beneficial ownership of all or any portion of or interest in a leasehold to another, the new owner must notify the Commissioner of such fact. Such transfer is not valid until notice is furnished the Commissioner. In the event such transferee is a nonresident, the Commissioner must initiate proceedings to terminate the lease.

(1) Upon receipt of notice by the Commissioner of any of the following occurrences, he must commence action to terminate the leasehold:

- (1) Failure to pay the annual rent in advance.
- (2) Failure to file information required by the Commissioner upon annual remittance of rental.
- (3) Failure by new owner to report a transfer of beneficial ownership of all or any portion of or interest in the leasehold.
- (4) Failure to mark the boundaries in the leasehold and to keep them marked as required in the regulations of the Board.
- (5) Failure to utilize the leasehold on a continuing basis for the commercial production of oysters or clams.
- (6) Transfer of all or part of the beneficial ownership of a leasehold to a nonresident.
- (7) Substantial breach of compliance with the provisions of this Article or of regulations of the Board governing use of the leasehold.

The Board is authorized to make regulations defining commercial production of oysters and clams, based upon the productive potential of particular areas climatic or biological conditions at particular areas or particular times, availability of seed oysters and clams, availability for purchase by lessees of shells or other material to which oyster spat may attach, and the like. Commercial production may be defined in terms of planting effort made as well as in terms of quantities of oysters and clams harvested. Provided, however, that if a lessee has made a diligent effort to effectively and efficiently manage his lease according to accepted standards and practices in such management, and because of reasons beyond his control,

such as acts of God, such lessee has not and cannot meet the requirements set out by the Board under the provisions of this paragraph of this subsection, his leasehold shall not be terminated under subdivision (5) of this subsection.

(m) After receipt of notice of any occurrence listed in subsection (1), the Commissioner must mail the leaseholder a letter by registered or certified mail, return receipt requested, informing him of his intention to terminate and of the reason for the action. In the event the leaseholder takes steps within 30 days to remedy the situation upon which the notice of intention to terminate was based and the Commissioner is satisfied that continuation of the lease is in the best interests of the oyster and clam culture of the State, the Commissioner may discontinue termination procedures. Where there is no discontinuance of termination procedures, the leaseholder may appeal to the Director, and, if dissatisfied, to the Board. Where there is no appeal, or where an appeal does not prevail, the Director must send a final letter of termination to the leaseholder by registered or certified mail, return receipt requested. The final letter of termination may not be mailed sooner than 30 days after receipt by the leaseholder of the Commissioner's notice of intention to terminate, as evidenced by the return receipt. The lease is terminated effective at midnight on the day the final notice of termination is received by the leaseholder, as evidenced by the return receipt. The final notice of termination may not be issued pending hearing of any appeal by the Director or by the Board.

(n) Upon final termination of any leasehold, the bottom in question is thrown open to the public for use in accordance with laws and regulations governing use of public grounds generally. Agents of the Commissioner are required as soon as possible after termination of lease to remove all markers denominating the area of the leasehold as a private bottom.

(o) Every year between January 1 and February 15 the Commissioner must mail to all leaseholders a notice of the annual rental due and include forms designed by him for determining the amount of shellfish or shells planted on the leasehold during the preceding calendar year, the amount of harvest gathered, and the names and addresses of those to whom the harvest was sold or delivered. Such forms may contain other pertinent questions relating to the utilization of the leasehold in the best interests of the oyster and clam culture of the State, and must be executed and returned by the leaseholder with the payment of his rental. Any leaseholder or his agent executing such forms for him who knowingly makes a false statement on such forms is guilty of a misdemeanor punishable in the discretion of the court.

(p) All leases and renewal leases granted after the effective date of this Article are made subject to this Article and to reasonable amendment of governing statutes, regulations of the Board, and requirements imposed by the Commissioner or his agents in regulating the use of the leasehold or in processing applications of rentals. This includes such statutory increase in rentals as may be necessitated by changing conditions and refusal to renew lease after expiration, in the discretion of the Board. No increase in rentals, however, may be given retroactive effect.

The General Assembly declares it to be contrary to public policy to the oyster and clam bottoms which were leased prior to January 1, 1966, and which are not being used to produce oysters and clams in commercial quantities to continue to be held by private individuals, thus depriving the public of a resource which belongs to all the people of the State. Therefore, when the Commissioner determines, after due notice to the lessee, and after opportunity for the lessee to be heard, that oysters or clams are not being produced in commercial quantities, due to the lessee's failure to make diligent effort to produce oysters and clams in commercial quantities, the Commissioner may decline to renew, at the end of the current term, any oyster or clam bottom lease which was executed prior to January 1, 1966. The lessee may appeal the denial of the Commissioner to renew the lease to the Board in which event the lessee shall be granted an opportunity to be heard, de novo, by the Board and the burden of proof, by the greater weight of

the evidence, shall be on the lessee. The Board, by majority vote, may affirm or reverse the action of the Commissioner. No appeal shall be allowed from the action of the Board.

(q) If the Department of Human Resources closes any creek, stream, river, bay, or sound area to oystering or clamming by reason of pollution, the Commissioner of Commercial and Sports Fisheries is authorized to refund the rental fee paid by any lessee who holds an oyster or clam lease from the State of North Carolina and whose private garden is closed by reason of the said pollution through no fault of the said lessee. Such refund shall be apportioned and only that portion equivalent to the fraction of year that the oyster garden was closed to oystering and clamming will be refunded. Local Modification.—Brunswick: 1967, c. 876, s. 2.

Editor's Note.—

Former § 113-202, as last amended by Session Laws 1967, c. 24, s. 16, was repealed by Session Laws 1967, c. 88. Present § 113-202, covering the same subject matter was enacted by Session Laws 1967, c. 876, s. 1.

The 1971 amendment, effective July 1, 1971, added subsection (q).

The 1973 amendment, effective July 1, 1973, substituted "Department of Human Resources" for "State Board of Health" in subsection (q).

For note on estuarine pollution, see 49 N.C.L. Rev. 921 (1971).

Lease Constitutes Contract That May Not Be Abrogated by Subsequent Statute.

—While there is no vested right in the provisions of a statute, where a person has leased the bottom of waters from the State for oyster beds pursuant to former law, the lease constitutes a contract between the lessee and the State, and the State may not by subsequent statute abrogate the terms of the contract, either as to duration and renewals or the amount of rent. *Oglesby v. Adams*, 268 N.C. 272, 150 S.E.2d 383 (1966).

§ 113-203. Transplanting of oysters and clams.

(d) It is lawful to transplant to private beds in North Carolina oysters taken from public beds designated by the Board as natural seed oyster areas. Such areas shall be designated as natural seed oyster areas in the following manner:

A petition shall be filed with the Commissioner by the board of county commissioners of the county in which such area is located requesting the designation of and describing the area proposed as a natural seed oyster area. Upon the receipt of the petition, the Commissioner shall, within six weeks of the receipt by him of such petition, cause an investigation of the area proposed to be designated as a natural seed oyster area. Such investigation shall be made by qualified biologists of the Division of Commercial and Sports Fisheries. The Commissioner shall then make a recommendation to the Board as to whether the area described in the petition should be designated as a natural seed oyster area and such area shall be so designated by the Board only after the Commissioner so recommends as being in the best interests of the State.

The Commissioner shall issue permits to all qualified individuals who are residents of North Carolina without regard to county of residence to transplant seed oysters from said designated natural seed oyster areas, setting out the quantity which may be taken, the times which the taking is permissible and other reasonable restrictions imposed to aid him in his duty of regulating such transplanting operations. Any transplanting operation which does not substantially comply with the restrictions of the permit issued is unlawful.

(e) The Board may implement the provisions of this section by regulations governing sale, possession, transportation, storage, handling, planting, and harvesting of oysters and clams and setting out any system of marking oysters and clams or of permits or receipts relating to them generally, from both public and private beds, as necessary to regulate the lawful transplanting of seed oysters

and oysters or clams taken from or placed on public or private beds. (1921, c. 132, s. 2; C. S., s. 1959(b); 1961, c. 1189, s. 1; 1965, c. 957, s. 2; 1967, c. 878.)

Editor's Note. — The 1967 amendment changed by the amendment, only subsections (d) and (e) are set out. (e) and added present subsection (d). For note on estuarine pollution, see 49

As the rest of the section was not N.C.L. Rev. 921 (1971).

§ 113-205. Registration of grants in navigable waters; exercise of private fishery rights.—(a) Every person claiming title to any part of the bed lying under navigable waters of any coastal county of North Carolina or any right of fishery in navigable waters of any coastal county superior to that of the general public must register the grant, charter, or other authorization under which he claims with the Commissioner. Such registration must be accompanied by a survey of the claimed area, meeting criteria established by the Commissioner for surveys of oyster and clam leases. All rights and titles not registered in accordance with this section on or before January 1, 1970, are hereby declared null and void. The Commissioner must give notice of this section at least once each calendar year for three years by publication in a newspaper, or newspapers of general circulation throughout all coastal counties of the State. For the purpose of this subsection, "coastal county" shall mean all of the following counties: Beaufort, Bertie, Bladen, Brunswick, Camden, Carteret, Chowan, Columbus, Craven, Currituck, Dare, Gates, Halifax, Hertford, Hyde, Martin, New Hanover, Northampton, Onslow, Pamlico, Pasquotank, Pender, Perquimans, Tyrrell, and Washington. The provisions of this section shall not apply to the land lying under any private fish pond or irrigation pond.

(1971, c. 346, s. 1.)

Editor's Note.—The 1971 amendment inserted "of any coastal county" in two places in the first sentence and added the fourth and fifth sentences of subsection (a).

Session Laws 1971, c. 346, ss. 2 and 3 provide:

"Sec. 2. It is the purpose of this act to make it clear that the 1965 enactment of G.S. 113-205 does not apply to all navigable waters within the State, but only those waters in coastal counties that are navigable in law.

"Sec. 3. No rights or titles or interests in any lands or beds lying under navigable

waters shall be deemed to have been lost or declared null and void for failure to comply with G.S. 113-205(a), as originally enacted, with respect to any lands or beds under navigable waters not included within the scope of G.S. 113-205(a), as amended by this act."

As subsection (b) was not changed by the amendment, it is not set out.

For note on defining navigable waters and the application of the public trust doctrine in North Carolina, see 49 N.C.L. Rev. 888 (1971). For note on estuarine pollution, see 49 N.C.L. Rev. 921 (1971).

§ 113-206. Chart of grants, leases and fishery rights; overlapping leases and rights; contest or condemnation of claims; damages for taking of property.

(d) In the interest of conservation of the marine and estuarine resources of North Carolina, the Board may institute an action in the superior court to contest the claim of title or claimed right of fishery in any navigable waters of North Carolina registered with the Commissioner. In such proceeding, the burden of showing title or right of fishery, by the preponderance of the evidence, shall be upon the claiming title or right holder. In the event the claiming title or right holder prevails, the court shall fix the monetary worth of the claim. The Board may elect to condemn the claim upon payment of the established owners or right holders their pro rata shares of the amount so fixed. The Board may make such payments from such funds as may be available to it. An appeal lies to the appellate division by either party both as to the validity of the claim and as to the fairness of the amount fixed. The Board in such actions may be represented by the Attorney General. In determining the availability of funds to the Board to underwrite the

costs of litigation or make condemnation payments, the use which the Board proposes to make of the area in question may be considered; such payments are to be deemed necessary expenses in the course of operations attending such use or of developing or attempting to develop the area in the proposed manner.

(e) To the extent that any application of the provisions of § 113-205 and this section is deemed to constitute a taking of private property, any claimant may apply to the Industrial Commission for the award of such damages as he may prove. The procedure governing such application shall follow as closely as feasible that set out in article 31 of chapter 143 of the General Statutes of North Carolina pertaining to tort claims against State departments and agencies, except that the limitation period upon any claims brought under the authority of this subsection is three rather than two years and the measure of damages is for any condemnation effected rather than for any tort. Where the claiming party asserts damage from the voiding of a grant or right under § 113-205 (a) and further asserts his minority or other disability subsequent to January 1, 1970, the claimant is granted a period of three years after attaining majority or after removal of the disability in which to prosecute the claim before the Industrial Commission. No claims whatever may be entertained by the Industrial Commission, however, after January 1, 1990. It is hereby directed that the amounts necessary to cover awards made by the Industrial Commission under the authority of this subsection be paid from funds available to the Department. (1965, c. 957, s. 2; 1969, c. 44, s. 69; c. 541, s. 11.)

Editor's Note.—The first 1969 amendment substituted "appellate division" for "Supreme Court" in the sixth sentence of subsection (d).

The second 1969 amendment substituted

"article 31" for "article 3" in the second sentence of subsection (e).

As the rest of the section was not changed by the amendments, only subsections (d) and (e) are set out.

ARTICLE 17.

Administrative Provisions; Regulatory Authority of Board and Department.

§ 113-229. Permits to dredge or fill in or about estuarine waters or state-owned lakes.—(a) Before any excavation or filling project is begun in any estuarine waters, tidelands, marshlands, or state-owned lakes, the party or parties desiring to do such shall first obtain a permit from the North Carolina Department of Conservation and Development. Granting of a State permit shall not relieve any party from the necessity of obtaining a permit from the United States Army Corps of Engineers for work in navigable waters, if the same is required. The North Carolina Department of Water and Air Resources shall continue to coordinate projects pertaining to navigation with the United States Army Corps of Engineers.

(b) All applications for such permits shall include a plat of the areas in which the proposed work will take place, indicating the location, width, depth and length of any proposed channel, the disposal area, and a copy of the deed or other instrument under which the applicant claims title to the property adjoining the waters in question, (or any land covered by waters), tidelands, or marshlands, or if the applicant is not the owner, then a copy of the deed or other instrument under which the owner claims title plus written permission from the owner to carry out the project on his land.

(c) In lieu of a deed or other instrument referred to in subsection (b) of this section, the agency authorized to issue such permits may accept some other reasonable evidence of ownership of the property in question or other lawful authority to make use of the property.

(d) The applicant shall cause to be served in the manner provided by paragraph (g)(9) of this section upon an owner of each tract of riparian property adjoining that of the applicant a copy of the application filed with the State of North

Carolina and each such adjacent riparian owner shall have 30 days from the date of such service to file with the Department of Conservation and Development written objections to the granting of the permit to dredge or fill. An owner may be served by publication, in the manner provided by paragraph (g)(10) of this section, whenever the owner's address, whereabouts, dwelling house or usual place of abode is unknown and cannot with due diligence be ascertained, or there has been a diligent but unsuccessful attempt to serve the owner under paragraph (g)(9) of this section.

(e) Applications for permits shall be circulated by the Department of Conservation and Development among all State agencies and in the discretion of the Director, appropriate federal agencies, having jurisdiction over the subject matter which might be affected by the project so that such agencies will have an opportunity to raise any objections they might have. The Department may deny an application for a dredge or fill permit upon finding: (1) that there will be significant adverse effect of the proposed dredging and filling on the use of the water by the public; or (2) that there will be significant adverse effect on the value and enjoyment of the property of any riparian owners; or (3) that there will be significant adverse effect on public health, safety, and welfare; or (4) that there will be significant adverse effect on the conservation of public and private water supplies; or (5) that there will be significant adverse effect on wildlife or fresh water, estuarine or marine fisheries. In the absence of such findings, a permit shall be granted. Such permit may be conditioned upon the applicant amending his proposal to take whatever measures are reasonably necessary to protect the public interest with respect to the factors enumerated in this subsection. The Department shall act upon an application for permit within 90 days after the application is filed and failure to so act shall automatically approve the application.

(f) If any State agency or the applicant raises an objection to the action of the Department of Conservation and Development regarding the permit application within 20 days after said action was taken, the Department shall call a meeting of a review board composed of the directors (or their designees) of the following State agencies: the Department of Administration, the Department of Conservation and Development, the Department of Human Resources, the Department of Water and Air Resources, the Wildlife Resources Commission, and any other agency that may be designated by the Governor. The Director of the Department of Conservation and Development, if he does not sit on the review himself, may appoint two designees, one to represent conservation interests and one to represent development interests. The review board shall set a date for a hearing not more than 60 days from the date of the departmental action. At said hearing, evidence shall be taken by the review board from all interested persons, who shall have a right to be represented by counsel. After hearing the evidence, the review board shall make findings of fact in writing and shall affirm, modify or overrule the action of the Department concerning the permit application. Any State agency or the applicant may appeal from the ruling of the review board to the superior court of the county where the land or any part thereof is located, pursuant to the provisions of Article 33 of Chapter 143 of the General Statutes.

(g) The following provisions, together with any additional provisions not inconsistent herewith which the review board may prescribe, shall be applicable in connection with hearings pursuant to this Article:

- (1) All hearings shall be open to the public. The review board, or its authorized agents, shall have the authority to administer oaths.
- (2) A full and complete record of all proceedings at any hearing shall be taken by a reporter appointed by the review board or by some other method approved by the Attorney General. Any party to a proceeding shall be entitled to a copy of such record upon the payment of the reasonable cost thereof as determined by the review board.

- (3) The review board shall follow generally the procedures applicable in civil actions in the superior court insofar as practicable, including rules and procedures with regard to the taking and use of depositions, the making and use of stipulations, and the entering into of agreed settlements and consent orders.
- (4) Subpoenas or subpoenas duces tecum issued by the review board, in connection with any hearing, shall be directed to any officer authorized by law to serve process, and the further procedures and rules of law applicable with respect thereto shall be prescribed in connection with subpoenas to the same extent as if issued by a court of record. In case of a refusal to obey a notice of hearing or subpoena issued by the board, application may be made to the superior court of the appropriate county for enforcement thereof.
- (5) The burden of proof at any hearing shall be upon the person or agency, as the case may be, at whose instance the hearing is being held.
- (6) No decision or order of the review board shall be made in any proceeding unless the same is supported by competent, material and substantial evidence upon consideration of the whole record.
- (7) Following any hearing, the review board shall afford the parties thereto 20 days to submit proposed findings of fact and conclusions of law and any brief in connection therewith. The record in the proceeding shall show the board's ruling with respect to each such requested finding of fact and conclusion of law.
- (8) The Department and the review board shall give notice to all interested parties of their formal actions taken under this section, including departmental findings upon applications and calling of review board meetings by the Department, and announcement of decisions and setting of hearing dates by the review board.
- (9) All notices which are required to be given or to be served by the Department, the review board or by any party to a proceeding shall be given by registered or certified mail to all persons entitled thereto. The date of receipt for such registered or certified mail shall be the date when such notice is deemed to have been given. Notice by the Department or review board may be given to any person upon whom a summons may be served in accordance with the provisions of law covering civil actions in the superior courts of this State. Any notice shall be sufficient if it reasonably sets forth the action requested or demanded or gives information as to action taken. The review board by its rules of procedure may prescribe other necessary practices and procedures with regard to the form, content and procedure as to any particular notices. Within the meaning of this paragraph, a "notice" includes a copy of an application for a permit required to be served on adjoining riparian owners, pursuant to subsection (d) of this section.
- (10) For purposes of this section, service by publication shall consist of publishing a notice of service by publication in a newspaper qualified for legal advertising in accordance with G.S. 1-597 and G.S. 1-598, and published in a county where any part of the land affected by a proposed project is located or, if no qualified newspaper is published in such county, then in a qualified newspaper published in an adjoining county, or in a county in the same judicial district, once a week for three successive weeks. If the owner's post-office address is known or can with reasonable diligence be ascertained, there shall be mailed to the owner at or immediately prior to the first publication a copy of the notice of service by publication. The mailing may be omitted if the post-office address cannot be ascertained with reasonable diligence. The notice of service by publication shall (i) designate the depart-

ment of State government having jurisdiction to initially grant or deny dredge and fill permits hereunder; and identify the General Statutes section under which the permit has been sought; (ii) be directed to the owner sought to be served; (iii) identify the name and post-office address of the permit applicant; (iv) indicate whether the proposed project will involve dredging or filling or both; (v) indicate the county(ies) and township(s) in which the proposed project will be located, together with any further information descriptive of the location which the Department may wish to include; (vi) state where and at what hours a copy of the application may be obtained or inspected; and (vii) indicate the time limit for filing of objections with the Department by the owner, pursuant to subsection (d) of this section.

(h) The granting of a permit to dredge or fill shall be deemed conclusive evidence that the applicant has complied with all requisite conditions precedent to the issuance of such permit, and his right shall not thereafter be subject to challenge by reason of any alleged omission on his part, except failure to notify adjacent riparian landowners as required by subsection (d) of this section.

(i) All materials excavated pursuant to such permit, regardless of where placed, shall be encased or entrapped in such a manner as to minimize their moving back into the affected water.

(j) None of the provisions of this section shall relieve any riparian owner of the requirements imposed by the applicable laws and regulations of the United States.

(k) Any person, firm, or corporation violating the provisions of this section shall be guilty of a misdemeanor, and shall be punished by a fine of not more than five hundred dollars (\$500.00), or by imprisonment of not more than 90 days, or both. Each day's continued operation after notice by the Department to cease shall constitute a separate offense. Notice to cease shall be pursuant to G.S. 113-229(g)(9).

(l) The Director may, either before or after the institution of proceedings under subsection (k) of this section, institute a civil action in the superior court in the name of the State upon the relation of the Director, for damages, and injunctive relief, and for such other and further relief in the premises as said court may deem proper, to prevent or recover for any damage to any lands or property which the State holds in the public trust, and to restrain any violation of this section or of any provision of a dredging or filling permit issued under this section. Neither the institution of the action nor any of the proceedings thereon shall relieve any party to such proceedings from the penalty prescribed by this section for any violation of the same.

(m) This section shall apply to all persons, firms, or corporations, their employees, agents, or contractors proposing excavation or filling work in the estuarine waters, tidelands, marshlands and state-owned lakes within the State, and to work to be performed by the State government or local governments. Provided, however, the provisions of this section shall not apply to the activities and functions of the North Carolina Department of Human Resources and local health departments that are engaged in mosquito control for the protection of the health and welfare of the people of the coastal area of North Carolina as provided under G.S. 130-206 through G.S. 130-209. Provided, further, this section shall not impair the riparian right of ingress and egress to navigable waters.

(n) Within the meaning of this section:

(1) "State-owned lakes" include man-made as well as natural lakes.

(2) "Estuarine waters" means all the waters of the Atlantic Ocean within the boundary of North Carolina and all the waters of the bays, sounds, rivers, and tributaries thereto seaward of the dividing line between

coastal fishing waters and inland fishing waters agreed upon by the Department of Conservation and Development and the Wildlife Resources Commission, within the meaning of G.S. 113-129.

- (3) "Marshland" means any salt marsh or other marsh subject to regular or occasional flooding by tides, including wind tides (whether or not the tidewaters reach the marshland areas through natural or artificial watercourses), provided this shall not include hurricane or tropical storm tides. Salt marshland or other marsh shall be those areas upon which grow some, but not necessarily all, of the following salt marsh and marsh plant species: Smooth or salt water Cordgrass (*Spartina alterniflora*), Black Needlerush (*Juncus roemerianus*), Glasswort (*Salicornia* spp.), Salt Grass (*Distichlis spicata*), Sea Lavender (*Limonium* spp.), Bulrush (*Scirpus* spp.), Saw Grass (*Cladium jamaicense*), Cattail (*Typha* spp.), Salt-Meadow Grass (*Spartina patens*), and Salt Reed-Grass (*Spartina cynosuroides*). (1969, c. 791, s. 1; 1971, c. 1159, s. 6; 1973, c. 476, s. 128.)

Editor's Note. — Session Laws 1969, c. 791, s. 3, makes the act effective Jan. 1, 1970.

The 1971 amendment, in subsection (a) added the second sentence. The amendment in subsection (e) in the first sentence inserted "agencies" and inserted "in the discretion of the Director, appropriate," rewrote the second and third sentences, in the fourth sentence inserted "with respect to the factors enumerated in this subsection," and in the fifth sentence inserted "and failure to so act shall automatically approve the application." The amendment in subsection (f) in the first sentence inserted "the Board of Health" and deleted "the Board of Health" following "Commission," added the second sentence, in the fifth sentence substituted "shall make findings of fact in writing and shall" for "may," and in the sixth sentence inserted "Any State agency or" and deleted "if aggrieved" following "applicant." The amendment in subsection (h) added the language following "part" at the end of the sentence. The amendment in subsection (k) added the language following "misdemeanor" in the first sentence and added the second and third sentences. The amendment in subsection (l) in the first sentence inserted the language beginning "for damages" and ending "public trust, and," de-

leted "for injunctive relief to restrain the violation and for such other or further relief in the premises as said court shall deem proper" at the end of the first sentence, and in the second sentence inserted "the" preceding "same." The amendment in subsection (m) in the first sentence inserted "their employees, agents, or contractors" and added the third sentence. The amendment in subsection (n) substituted in subdivision (2) "means all the waters of the Atlantic Ocean within the boundary of North Carolina and all the waters of the bays, sounds, rivers, and tributaries thereto seaward of" for "include all estuarine waters of the State up to," and rewrote subdivision (3).

Session Laws 1971, c. 1159, s. 8, contains a severability clause.

The 1973 amendment, effective July 1, 1973, substituted "Department of Human Resources" for "Board of Health" in subsection (f) and for "State Board of Health" in subsection (m).

§ 113-230. Orders to control activities in coastal wetlands.—(a) The Director of the Department of Conservation and Development, with the approval of the Board of Conservation and Development, may from time to time, for the purpose of promoting the public safety, health, and welfare, and protecting public and private property, wildlife and marine fisheries, adopt, amend, modify, or repeal orders regulating, restricting, or prohibiting dredging, filling, removing or otherwise altering coastal wetlands. In this section, the term "coastal wetlands" shall mean any marsh as defined in G.S. 113-229(n)(3), as amended, and such contiguous land as the Director reasonably deems necessary to affect by any such order in carrying out the purposes of this section.

(b) The Director shall, before adopting, amending, modifying or repealing any

such order, hold a public hearing thereon in the county in which the coastal wetlands to be affected are located, giving notice thereof to interested State agencies and each owner or claimed owner of such wetlands by certified or registered mail at least 21 days prior thereto.

(c) Upon adoption of any such order or any order amending, modifying or repealing the same, the Director shall cause a copy thereof, together with a plan of the lands affected and a list of the owners or claimed owners of such lands, to be recorded in the register of deeds office in the county where the land is located, and shall mail a copy of such order and plan to each owner or claimed owner of such lands affected thereby.

(d) Any person, firm or corporation that violates any order issued under the provisions of this section shall be guilty of a misdemeanor, and shall be punished by a fine of not more than five hundred dollars (\$500.00), or by imprisonment for not more than six months, or both in the discretion of the court.

(e) The superior court shall have jurisdiction in equity to restrain violations of such orders.

(f) Any person having a recorded interest in or registered claim to land affected by any such order may, within 90 days after receiving notice thereof, petition the superior court to determine whether the petitioner is the owner of the land in question, and in case he is adjudged the owner of the subject land, whether such order so restricts the use of his property as to deprive him of the practical uses thereof and is therefore an unreasonable exercise of the police power because the order constitutes the equivalent of a taking without compensation. If the court finds the order to be an unreasonable exercise of the police power, as aforesaid, the court shall enter a finding that such order shall not apply to the land of the petitioner; provided, however, that such finding shall not affect any other land than that of the petitioner. The Director shall cause a copy of such finding to be recorded forthwith in the register of deeds office in the county where the land is located. The method provided in this paragraph for the determination of the issue of whether any such order constitutes a taking without compensation shall be exclusive, and such issue shall not be determined in any other proceeding.

(g) After a finding has been entered that such order shall not apply to certain land as provided in the preceding paragraph, the Department of Administration, upon the request of the Board of Conservation and Development, shall take the fee or any lesser interest in such land in the name of the State by eminent domain under the provisions of Chapter 146 of the General Statutes and hold the same for the purposes set forth in this section.

(h) This section shall not repeal the powers, duties and responsibilities of the Department of Conservation and Development under the provisions of G.S. 113-229. (1971, c. 1159, s. 7.)

Editor's Note.—The first 1969 amendment added present subsection (c) and designated former subsection (c) as (d).

The second 1969 amendment increased the fees in subsection (d).

Session Laws 1969, c. 1042, s. 12, provides: "All provisions of this act relating to hunting and trapping licenses and to the combination hunting and fishing license shall become effective on August 1, 1969;

all provisions of this act relating to fishing licenses, other than the combination hunting and fishing license, shall become effective on January 1, 1970."

The 1973 amendment, effective July 1, 1973, rewrote subsection (c).

As subsections (a) and (b) were not changed by the amendments, they are not set out.

§ 113-272. Special trout licenses.

(d) The special trout licenses issued by the Commission are as follows:

- (1) Resident special trout license, \$2.25 (\$0.25). This license is valid only for use by an individual resident of the State in public mountain trout waters.
- (2) Nonresident special trout license, \$4.25 (\$0.25). This license is valid for use by an individual within the State in public mountain trout waters. (1953, cc. 432, 828; 1955, c. 198, s. 2; 1961, c. 834, s. 2; 1965, c. 957, s. 2; 1969, c. 1042, s. 10.)

Editor's Note. — The 1969 amendment increased the fees in subsection (d).

Session Laws 1969, c. 1042, s. 12, provides: "All provisions of this act relating to hunting and trapping licenses and to the combination hunting and fishing license shall become effective on August 1, 1969;

all provisions of this act relating to fishing licenses, other than the combination hunting and fishing license, shall become effective on January 1, 1970."

As the rest of the section was not changed by the amendment, only subsection (d) is set out.

§ 113-276. Members of armed forces deemed residents; exemptions and exceptions.

(c) Any person who owns land, or who leases and uses land primarily for purposes of cultivation, his spouse, and any dependent member of his family who is under 18 years of age and resides with him may fish during the open seasons on such lands without being subject to the fishing license requirements of G.S. 113-271 and G.S. 113-272.

(d) Any individual under 16 years of age is exempt from the fishing license requirements of G.S. 113-271 and 113-272 anywhere in the State.

(e) A resident individual fishing with hook and line in the county of his residence using natural bait is exempt from the hook-and-line fishing license requirements of G.S. 113-271. "Natural bait" is bait which may be beneficially digested by fish. Where a municipality is bounded by a boundary river or stream, residents of the county in which the municipality is located may fish in the boundary river or stream from those banks of such river or stream in any adjoining county lying

directly opposite to the banks of the municipality in question and be deemed fishing within their county for the purposes of the exemption contained in this subsection. The same is deemed true of fishing from the banks of any island in the boundary river or stream within the area opposite the banks of the municipality or municipalities. For the purposes of this section, a boundary river or stream is such portion of a river or stream which either forms a county boundary line or follows the course of such a line. Such line may follow the middle, thread, some former channel, the edge, or some other course in, along, under, or touching the waters of such river or stream so long as the course of the river or stream substantially represents or follows the course of such boundary line.

(1967, cc. 127, 654; 1971, c. 1231, s. 1.)

Editor's Note.—The first 1967 amendment rewrote subsections (c) and (d).

The second 1967 amendment added all that part of subsection (e) following the second sentence.

The 1971 amendment substituted "18" for "21" in subsection (c).

As the rest of the section was not changed by the amendments, only subsections (c), (d) and (e) are set out.

ARTICLE 22.

Regulation of Inland Fisheries.

§ 113-292. Authority of Commission in regulation of inland fishing.

Commission May Prohibit Certain Method of Taking Fish.—The Commission may seek to prohibit by regulation and in the public interest a reprehensible method of taking or attempting to take fish. This they have the authority to do, but only if they use language which specifically defines and describes the act or equipment they

seek to prohibit. *State v. Martin*, 7 N.C. App. 532, 173 S.E.2d 47 (1970).

A regulation of the Commission making it unlawful "to snag fish," with no definition of the term "snag," is void for vagueness and uncertainty. *State v. Martin*, 7 N.C. App. 532, 173 S.E.2d 47 (1970).

ARTICLE 23A.

Promotion of Coastal Fisheries and Seafood Industry.

§ 113-308. **Definitions.**—The definitions as given in G.S. 113-128 shall apply to this article, except that the following will additionally apply:

(1967, c. 890, s. 2.)

§ 113-310. **Certain activities not to be deemed illegal or in restraint of trade.**—No association, meeting or activity undertaken in pursuance of the provisions of this article and intended to benefit all of the coastal fisheries or distinguishable part thereof hereinunder certified by the Board shall be deemed or considered illegal or in restraint of trade. (1967, c. 890, s. 3.)

§ 113-311. **Referendum and assessment declared to be in public interest.**—It is hereby declared to be in the interest of the public that the coastal fisheries or any distinguishable part thereof shall be permitted by referendum to be held among themselves as prescribed by this article, to levy upon themselves an assessment on such respective catches, volume, landings, income, or production for the purposes of promoting the common good, welfare, and advancement of the fishing and seafood industry of North Carolina, in addition to any and all taxes,

levies, and licenses in effect on June 22, 1967, or that may be enacted and levied or imposed subsequently. (1967, c. 890, s. 4.)

§ 113-312. Application to Board for authority to conduct referendum.—Any agency fairly representative of any distinguishable part or all of the fishing and seafood industry, may at any time make application in writing or petition to the Board for certification and approval to conduct a referendum among the coastal fisheries or any distinguishable part thereof for the purpose of levying an assessment under the provisions of this article, collecting, and utilizing the proceeds for the purposes stated in such referendum and as set forth in this article. (1967, c. 890, s. 5.)

§ 113-313. Action of Board on application.—Upon receiving an application or petition as herein provided, the Board shall at its next regular quarterly meeting consider such application as follows:

- (1) The Board shall determine if the agency is in fact fairly representative of the coastal fisheries or distinguishable part thereof making application or petitioning for referendum and record in its minutes its determination.
- (2) The Board shall determine if the application or petition is in conformity with the provisions and purposes of this article and record in its minutes its determination.
- (3) If the Board determines in the affirmative as to (1) and (2) above, it shall authorize and empower the agency to hold and conduct a referendum on the question of whether or not members of the fishing and seafood industry, or the distinguishable part thereof, making application or petition, shall levy upon themselves an assessment under and subject to the conditions and provisions and for the purpose stated in this article. (1967, c. 890, s. 6.)

§ 113-314. Agency to determine time and place of referendum, amount and basis of assessment, etc.; notice of referendum.—The agency shall fix, determine, and publicly announce such referendum at least 30 days before the date set for such referendum, the date, hours, and polling places for voting in such referendum, the amount and basis of the assessment proposed to be collected, the means by which such assessment shall be collected if favorably voted upon, and the general purposes to which said amount so collected shall be applied. Such public notice shall be published at least once 20 days prior to the election in one or more newspapers having general circulation in the area where the vote is to be taken. § 113-315.1. Arrangements for and management of referendum; expenses.—The arrangements for and management of any referendum conducted under the provisions of this article shall be under the direction of the agency duly certified and authorized to conduct the same, and any and all expenses in connection herewith shall be borne by the agency. (1967, c. 890, s. 9.)

§ 113-315.2. Referendum may be by mail ballot or box ballot; who may vote.—Any referendum conducted under the provisions of this article may be held by mail ballot or by box ballot as may be determined and publicly announced as herein provided by the agency before such referendum is called. A person licensed by the Department of Conservation and Development to engage in business and commerce as may be directly affected by the paying of the assessment, or

anyone who would be subject to paying such assessment should the question be voted in the affirmative, shall be eligible and may vote in such referendum. (1967, c. 890, s. 10.)

§ 113-315.3. Preparation and distribution of ballots; conduct of referendum; canvass and declaration of results.—The duly certified agency shall prepare and distribute in advance of such referendum all necessary ballots for the purpose thereof, and shall under rules and regulations drawn up and promulgated by said agency, arrange for the necessary poll holders or officials for conducting the said referendum; and following said referendum and within 10 days thereafter the duly certified agency shall canvass and publicly declare the result of such referendum; except that in the event a mail ballot is used, a mail ballot shall be posted by registered mail on a prearranged date at least 30 days following announcement of same to each duly licensed voter by the agency, and a return, self-addressed envelope of suitable size and construction for containing the completed ballot with ample postage affixed shall be enclosed along with complete instructions on the voting procedure, these instructions stating that the ballot should be marked by the voter to indicate and show his preference, then inserted into the return envelope, sealed, and posted or returned within 10 days of the date of the original or first posting, and on a predesignated date and hour at least 15 days after the original mailing and at an open and public meeting, the return envelopes described above shall be opened, the ballots counted, tabulated, and the results publicly declared by the agency or its authorized representatives. (1967, c. 890, s. 11.)

§ 113-315.4. Levy and collection of assessment; use of proceeds and other funds.—If in such referendum called under the provisions of this article two thirds or more of the voters eligible and voting vote in the affirmative and in favor of the levying and collection of such assessment proposed in such referendum, then such assessment shall be collected annually, or more often as predetermined by the agency, for the three years set forth in the call for such referendum, and the collection of such assessment shall be under such method, rules, and regulations as may be determined by the agency prior to the announcement of the referendum and included in the announcement of the referendum; said assessment so collected shall be paid into the treasury of the agency, to be used together with other funds, including donations and grants from individuals, firms, governmental agencies, or corporations, and from other fees, dues, or assessments, for the purpose set out in the referendum. (1967, c. 890, s. 12.)

§ 113-315.5. Alternative method for collection of assessment.—As an alternate method for the collection of assessments provided for in § 113-310 [§ 113-315.4], upon the request or petition of the agency and action by the Board as prescribed in § 113-313, the Commissioner shall notify, by registered letter, all persons or firms licensed by the Department of Conservation and Development to engage in business and commerce as may be directly affected by the paying of the assessment, that on and after the date specified in the letter the assessment shall become due and payable, and shall be remitted by said persons or firms to the Commissioner who shall thereupon pay the amount of the assessments to the agency. The books and records of all such persons and firms shall at all times during regular business hours be open for inspection by the Commissioner or his duly authorized agents. (1967, c. 890, s. 13.)

Editor's Note. — The reference "§ 113-315.4" inserted in brackets following "§ 113-310" is suggested as a correction for the reference in Session Laws 1967, c. 890, s. 13, to s. 3 of that act, codified as § 113-310.

§ 113-315.6. Subsequent referendum where assessment defeated.—In the event such referendum as herein provided for shall not be voted on affirmatively by two thirds or more of the voters eligible and voting, then the agency shall

have full power and authority to call another referendum for the purposes herein set forth at any time after the next succeeding 12 months, on the question of an assessment for three years. (1967, c. 890, s. 14.)

§ 113-315.7. Subsequent referendum where assessment adopted.—

In the event such referendum as herein provided for shall be voted on affirmatively by two thirds or more of the voters eligible and voting, then the agency shall in its discretion have full power and authority to call and conduct during the third year after the latest referendum another referendum for the purpose set forth herein for the next ensuing three years. (1967, c. 890, s. 15.)

§ 113-315.8. Refund of assessment; refusal to pay assessment.—

Any persons or firm hereinunder assessed shall have the right to demand of and receive from the treasurer or disbursing office of the agency a refund of such assessment so collected, provided such demand for refund is made in writing within 30 days from the end of the assessment year which shall be determined by the agency. Should a person or firm hereinunder assessed refuse to pay and does not pay the assessment within 30 days of when it is due and payable, then in such event suit may be brought by the duly certified agency in a court of competent jurisdiction to enforce the collection of the said assessment. (1967, c. 890, s. 16; 1971, c. 642, s. 1.)

Editor's Note. — The 1971 amendment, effective July 1, 1971, added the second sentence.

§ 113-315.9. Bond of financial officer; audit.—

Before collecting and receiving such assessments, such treasurer or financial officer shall give bond to the agency to run in favor of the agency in the amount of the estimated total of such assessments as will be collected, and from time to time the agency may alter the amount of such bond which, at all times, must be equal to the total financial assets of the agency, such bond to have as surety thereon a surety company licensed to do business in the State of North Carolina, and to be in the form and amount approved by the agency and to be filed with the chairman or executive head of such agency.

The chairman or executive head of such agency shall cause an annual certified audit to be made of the financial records of the agency. Such audit shall include, among other things, total annual compensation of each employee of the agency and detailed expenses incurred and reimbursed for each employee of the agency. The chairman or executive head of such agency shall cause a copy of the certified audit to be submitted to the Department of Conservation and Development within 60 days of the end of the agency's fiscal year for transmittal to the Board of Conservation and Development and shall cause a copy of the audit, or a summary thereof, to be published at least once in one or more newspapers having general circulation in the area where the assessments are made within 60 days of the end of the agency's fiscal year. If the chairman or executive head of the agency shall fail to carry out the provisions of this paragraph, he shall be guilty of a misdemeanor. (1967, c. 890, s. 17; 1971, c. 642, s. 2.)

Editor's Note. — The 1971 amendment, effective July 1, 1971, rewrote the second paragraph.

SUBCHAPTER V. OIL AND GAS CONSERVATION.

ARTICLE 27.

Oil and Gas Conservation.

Part 1. General Provisions.

§ 113-378. Persons drilling for oil or gas to register and furnish bond.—Any person, firm or corporation before making any drilling exploration in this State for oil or natural gas shall register with the Department of Conservation and Development or such other State agency as may hereafter be established to control the conservation of oil or gas in this State. To provide for such registration, the drilling operator must furnish the name and address of such person, firm or corporation, and the location of the proposed drilling operations, and file with the aforesaid Department of Conservation and Development a bond in the amount of five thousand dollars (\$5,000) running to the State of North Carolina, conditioned that any well opened by the drilling operator upon abandonment shall be plugged in accordance with the rules and regulations of said Department of Conservation and Development. (1945, c. 765, s. 2; 1971, c. 813, s. 1.)

Editor's Note.—The 1971 amendment, effective July 1, 1971, substituted "five thousand dollars (\$5,000)" for "two thousand five hundred dollars (\$2,500.00)," in the second sentence. Session Laws 1971, c. 813, s. 8, contains a severability clause.

§ 113-380. Violation a misdemeanor.—Any person, firm or officer of a corporation violating any of the provisions of G.S. 113-378 or G.S. 113-379, shall, upon conviction thereof be guilty of a misdemeanor and shall be fined not less than two thousand five hundred dollars (\$2,500) nor more than ten thousand dollars (\$10,000) and may, in the discretion of the court, be imprisoned for not more than two years. (1945, c. 765, s. 4; 1971, c. 813, s. 2.)

Editor's Note.—The 1971 amendment, effective July 1, 1971, substituted "two thousand five hundred dollars (\$2,500)" for "two thousand dollars (\$2,000.00)." Session Laws 1971, c. 813, s. 8, contains a severability clause.

Part 2. The Oil and Gas Conservation Act.

§ 113-382. Declaration of policy.—In recognition of imminent evils that can occur in the production and use and waste of natural oil and/or gas in the absence of equal or correlative rights of owners of crude oil or natural gas in a common source of supply to produce and use the same, and in the absence of ade-

quate measures for the protection of the environment, this law is enacted for the protection of public interests against such evils by prohibiting waste and compelling rateable production and authorizing regulations for the protection of the environment. (1945, c. 702, s. 2; 1971, c. 813, ss. 3, 4.)

Editor's Note.—The 1971 amendment, effective July 1, 1971, deleted the former first paragraph, which delayed the activation of this part until the Governor and Council of State should learn of the discovery of natural oil or natural gas in commercial quantities and proclaim this part to be in full force and effect. The amendment also rewrote the remainder of the section.

Session Laws 1971, c. 813, s. 3, provides: "It is the intention of this section to make

the Oil and Gas Conservation Act effective immediately, by removing the restriction upon the activation of said Act until oil or gas is discovered in commercial quantities."

Session Laws 1971, c. 813, s. 8, contains a severability clause.

"Commercial Quantities" Defined.—See opinion of Attorney General to Mr. Roy G. Sowers, Jr., Director, Department of Conservation and Development, 40 N.C.A.G. 67 (1970).

§ 113-391. Jurisdiction and authority of Petroleum Division; rules, regulations and orders.—The Division shall have jurisdiction and authority of and over all persons and property necessary to administer and enforce effectively the provisions of this law and all other laws relating to the conservation of oil and gas.

The Division shall have the authority and it shall be its duty to make such inquiries as it may think proper to determine whether or not waste over which it has jurisdiction exists or is imminent. In the exercise of such power the Division shall have the authority to collect data; to make investigations and inspections; to examine properties, leases, papers, books and records; to examine, check, test and gauge oil and gas wells, tanks, refineries, and means of transportation; to hold hearings; and to provide for the keeping of records and the making of reports; and to take such action as may be reasonably necessary to enforce this law.

The Division shall have authority to make, after hearing and notice as herein-after provided, such reasonable rules, regulations and orders as may be necessary from time to time in the proper administration and enforcement of this law, including rules, regulations or orders for the following purposes:

- (1) To require the drilling, operation, casing and plugging of wells to be done in such manner as to prevent the escape of oil or gas out of one stratum to another; to prevent the intrusion of water into an oil or gas stratum from a separate stratum; to prevent the pollution of fresh-water supplies by oil, gas or salt water, or to protect the quality of the water, air, soil or any other environmental resource against injury or damage or impairment; and to require reasonable bond condition for the performance of the duty to plug each dry or abandoned well.
- (2) To require directional surveys upon application of any owner who has reason to believe that a well or wells of others has or have been drilled into the lands owned by him or held by him under lease. In the event such surveys are required, the costs thereof shall be borne by the owners making the request.
- (3) To require the making of reports showing the location of oil and gas wells, and the filing of logs and drilling records.
- (4) To prevent the drowning by water of any stratum or part thereof capable of producing oil or gas in paying quantities, and to prevent the premature and irregular encroachment of water which reduces, or tends to reduce, the total ultimate recovery of oil or gas from any pool.
- (5) To require the operation of wells with efficient gas-oil ratios, and to fix such ratios.
- (6) To prevent "blow-outs," "caving" and "seepage" in the sense that conditions indicated by such terms are generally understood in the oil and gas business.

- (7) To prevent fires.
- (8) To identify the ownership of all oil or gas wells, producing leases, refineries, tanks, plants, structures and all storage and transportation equipment and facilities.
- (9) To regulate the "shooting," perforating, and chemical treatment of wells.
- (10) To regulate secondary recovery methods, including the introduction of gas, air, water or other substances into producing formations.
- (11) To limit and prorate the production of oil or gas, or both, from any pool or field for the prevention of waste as herein defined.
- (12) To require, either generally or in or from particular areas, certificates of clearance or tenders in connection with the transportation of oil or gas.
- (13) To regulate the spacing of wells and to establish drilling units.
- (14) To prevent, so far as is practicable, reasonably avoidable drainage from each developed unit which is not equalized by counter-drainage.
- (15) To prevent where necessary the use of gas for the manufacture of carbon black.
- (16) To regulate and, if necessary in its judgment for the protection of unique environmental values, to prohibit the location of wells in the interest of protecting the quality of the water, air, soil or any other environmental resource against injury, or damage or impairment. (1945, c. 702, s. 11; 1971, c. 813, ss. 5, 6.)

Editor's Note.—The 1971 amendment, effective July 1, 1971, inserted "operation," and "or to protect the quality of the water, air, soil or any other environmental resource against injury or damage or impair-

ment," in subdivision (1) and added subdivision (16).

Session Laws 1971, c. 813, s. 8, contains a severability clause.

§ 113-404. Transcript transmitted to clerk of superior court; scope of review; procedure in superior court and appellate division.—

The director of production and conservation, upon receipt of said copy of the application for review, shall forthwith transmit to the clerk of the superior court in which the application has been filed, a certified transcript of all pleadings, applications, proceedings, orders or decisions of the Division and of the evidence heard by the Division on the hearings of the matter or cause; provided, that the parties, with the consent and approval of the Division, may stipulate in writing that only certain portions of the record be transcribed. Said proceedings for review shall be for the purpose of having the lawfulness or reasonableness of the original order or decision, or the order or decision on rehearing, inquired into and determined, and the superior court hearing said cause shall have the power to vacate or set aside such order or decision on the ground that such order or decision is unlawful or unreasonable. After the said transcript shall be filed in the office of the clerk of the superior court of the county in which the application is filed, the judge of said superior court may, on his motion, or on application of any parties interested therein, make an order fixing a time for the filing of abstracts and briefs and shall fix a day for the hearing of such cause. All proceedings under this section shall have precedence in any court in which they may be pending, and the hearing of the cause shall be by the court without the intervention of a jury. An appeal shall lie to the appellate division of this State from orders, judgments and decisions made by the superior court. The procedure upon the trial of such proceedings in the superior court and upon appeal to the appellate division of this State shall be the same as in other civil actions, except as herein provided. No court of this State shall have power to set aside, modify or vacate any order or decision of the Division except as herein provided. (1945, c. 702, s. 24; 1969, c. 44, s. 70.)

Editor's Note.—The 1969 amendment substituted "appellate division" for "Superior Court" in the fifth and sixth sentences.

§ 113-415. Conflicting laws.—No provision of this Article shall be construed to repeal, amend, abridge or otherwise affect the authority and responsibility vested in the North Carolina Board of Water and Air Resources by Article 7 of Chapter 87, pertaining to the location, construction, repair, operation and abandonment of wells, or the authority or responsibility vested in the Department of Human Resources and the Commission for Health Services by Article 13, Chapter 130, of the General Statutes pertaining to public water-supply requirements. (1971, c. 813, s. 7; 1973, c. 476, s. 128.)

Editor's Note. — Session Laws 1971, c. 813, s. 9, makes the act effective July 1, 1971.

Session Laws 1971, c. 813, s. 8, contains a severability clause.

The 1973 amendment, effective July 1, 1973, substituted "Department of Human Resources and the Commission for Health Services" for "North Carolina State Board of Health."

Environmental Policy Act.

§ 113A-1. **Title.**—This Article shall be known as the North Carolina Environmental Policy Act of 1971. (1971, c. 1203, s. 1.)

Editor's Note.—Session Laws 1971, c. 1203, s. 11, provides: "In order to assist the General Assembly in evaluating the administration of this act and the desirability of extending the life of this act beyond the expiration date prescribed by Section 12, the Governor shall report to the Legislative Research Commission on or before August 1, 1972, concerning the experience in the administration of this act, together with his recommendations, if any, for amendment or extension of this act."

Session Laws 1971, c. 1203, s. 12, as

amended by Session Laws 1973, c. 119, s. 1 provides: "This act shall become effective on October 1, 1971, and shall remain in effect until September 1, 1977. No act or proceeding required or authorized under the act shall be initiated after September 1, 1977, but any such act or proceeding pending on said date shall be brought to its conclusion as if this act continued in effect."

Cited in Civic Improvement Comm'n v. Volpe, 459 F.2d 957 (4th Cir. 1972).

§ 113A-2. **Purposes.**—The purposes of this Article are: To declare a State policy which will encourage the wise, productive, and beneficial use of the natural resources of the State without damage to the environment, maintain a healthy and pleasant environment, and preserve the natural beauty of the State; to encourage an educational program which will create a public awareness of our environment and its related programs; to require agencies of the State to consider and report upon environmental aspects and consequences of their actions involving the expenditure of public moneys; and to provide means to implement these purposes. (1971, c. 1203, s. 2.)

§ 113A-3. **Declaration of State environmental policy.**—The General Assembly of North Carolina, recognizing the profound influence of man's activity on the natural environment, and desiring, in its role as trustee for future generations, to assure that an environment of high quality will be maintained for the health and well-being of all, declares that it shall be the continuing policy of the State of North Carolina to conserve and protect its natural resources and to create and maintain conditions under which man and nature can exist in productive harmony. Further, it shall be the policy of the State to seek, for all of its citizens, safe, healthful, productive and aesthetically pleasing surroundings; to attain the widest range of beneficial uses of the environment without degradation, risk to health or safety; and to preserve the important historic and cultural elements of our common inheritance. (1971, c. 1203, s. 3.)

§ 113A-4. **Cooperation of agencies; reports; availability of information.**—The General Assembly authorizes and directs that, to the fullest extent possible:

- (1) The policies, regulations, and public laws of this State shall be interpreted and administered in accordance with the policies set forth in this Article; and
- (2) Any State agency shall include in every recommendation or report on proposals for legislation and actions involving expenditure of public moneys for projects and programs significantly affecting the quality of the environment of this State, a detailed statement by the responsible official setting forth the following:

- a. The environmental impact of the proposed action ;
- b. Any significant adverse environmental effects which cannot be avoided should the proposal be implemented ;
- c. Mitigation measures proposed to minimize the impact ;
- d. Alternatives to the proposed action ;
- e. The relationship between the short-term uses of the environment involved in the proposed action and the maintenance and enhancement of long-term productivity ; and
- f. Any irreversible and irretrievable environmental changes which would be involved in the proposed action should it be implemented.

Prior to making any detailed statement, the responsible official shall consult with and obtain the comments of any agency which has either jurisdiction by law or special expertise with respect to any environmental impact involved. Copies of such detailed statement and such comments shall be made available to the Governor, to such agency or agencies as he may designate, and to the appropriate multi-county regional agency as certified by the Director of the Department of Administration, shall be placed in the public file of the agency and shall accompany the proposal through the existing agency review processes. A copy of such detailed statement shall be made available to the public and to counties, municipalities, institutions and individuals, upon request.

- (3) The Governor, and any State agency charged with duties under this Article, may call upon any of the public institutions of higher education of this State for assistance in developing plans and procedures under this Article and in meeting the requirements of this Article, including without limitation any of the following units of the University of North Carolina: the Water Resources Research Institute, the Institute for Environmental Studies, the Triangle Universities Consortium on Air Pollution, the University Council on Marine Sciences, and the Institute of Government. (1971, c. 1203, s. 4.)

§ 113A-5. Review of agency actions involving major adverse changes or conflicts.—Whenever, in the judgment of the responsible State official, the information obtained in preparing the statement indicates that a major adverse change in the environment, or conflicts concerning alternative uses of available natural resources, would result from a specific program, project or action, and that an appropriate alternative cannot be developed, such information shall be presented to the Governor for review and final decision by him or by such agency as he may designate, in the exercise of the powers of the Governor. (1971, c. 1203, s. 5.)

§ 113A-6. Conformity of administrative procedures to State environmental policy.—All agencies of the State shall review their present statutory authority, administrative regulations, and current policies and procedures for the purpose of determining whether there are any deficiencies or inconsistencies therein which prohibit or hinder full compliance with the purposes and provisions of this Article and shall propose to the Governor not later than July 1, 1972, such measures as may be necessary to bring their authority, regulations, policies and procedures into conformity with the intent, purposes and procedures set forth in this Article. (1971, c. 1203, s. 6.)

§ 113A-7. Other statutory obligations of agencies.—Nothing in this Article shall in any way affect nor detract from specific statutory obligations of any State agency

- (1) To comply with criteria or standards of environmental quality or to perform other statutory obligations imposed upon it,
- (2) To coordinate or consult with any other State agency or federal agency, or
- (3) To act, or refrain from acting contingent upon the recommendations or certification of any other State agency or federal agency. (1971, c. 1203, s. 7.)

§ 113A-8. **Major development projects.**—The governing bodies of all cities, counties, and towns acting individually, or collectively, are hereby authorized to require any special-purpose unit of government and private developer of a major development project to submit detailed statements, as defined in G.S. 113A-4(2), of the impact of such projects. (1971, c. 1203, s. 8.)

§ 113A-9. **Definitions.**—As used in this Article, unless the context indicates otherwise:

- (1) The term “major development project” shall include but is not limited to shopping centers, subdivisions and other housing developments, and industrial and commercial projects, but shall not include any projects of less than two contiguous acres in extent.
- (2) The term “special-purpose unit of government” includes any special district or public authority.
- (3) The term “State agency” includes every department, agency, institution, public authority, board, commission, bureau, division, council, member of Council of State, or officer of the State government of the State of North Carolina, but does not include local governmental units or bodies such as cities, towns, other municipal corporations or political subdivisions of the State, county or city boards of education, other local special-purpose public districts, units or bodies of any kind, or private corporations created by act of the General Assembly, except in those instances where programs, projects and actions of local governmental units or bodies are subject to review, approval or licensing by State agencies in accordance with existing statutory authority, in which case local governmental units or bodies shall supply information which may be required by such State agencies for preparation of any environmental statement required by this Article.
- (4) The term responsible “State official,” as used in this Article, shall mean the Director, Commissioner, Secretary, Administrator or Chairman of the State agency having primary statutory authority for specific programs, projects or actions subject to this Article, or his authorized representative. § 113A-10. **Provisions supplemental.**—The policies, obligations and provisions of this Article are supplementary to those set forth in existing authorizations of and statutory provisions applicable to State agencies and local governments. In those instances where a State agency is required to prepare an environmental statement, or comments thereon, under provisions of federal law, such statement or comments will meet the provisions of this Article. (1971, c. 1203, s. 10.)

§§ 113A-11 to 113A-20: Reserved for future codification purposes.

ARTICLE 2.

Interstate Environmental Compact.

§ 113A-22. **Purpose.** — The General Assembly of North Carolina recognizes and declares:

- (1) The concern for the purity and life-giving qualities of our environment is

of primary interest to every citizen of North Carolina and to all Americans.

- (4) The environment of every state is affected with local, state, regional, and national interests since ecological systems cross state boundaries.
- (5) The discharge of this responsibility of environmental protection can be enhanced by acting in concert and cooperation with other states and with the federal government. (1971, c. 805, s. 2.)

§ 113A-23. Compact provisions.—The Interstate Environmental Compact is hereby enacted into law and entered into with all other jurisdictions legally joining herein in the form substantially as follows:

Article 1. Findings, Purposes and Reservations of Power.

(2) Purposes.—The purposes of the signatories in enacting this compact are:

- (a) To assist and participate in the national environment protection programs as set forth in federal legislation; to promote intergovernmental cooperation for multi-state action relating to environmental protection through interstate agreements; and to encourage cooperative and coordinated environmental protection by the signatories and the federal government;
- (b) To preserve and utilize the functions, powers, and duties of existing state agencies of government to the maximum extent possible consistent with the purposes of the compact.

(3) Powers of the United States.—(a) Nothing contained in this compact shall impair, affect or extend the constitutional authority of the United States. (b) The signatories hereby recognize the power and right of the Congress of the United States at any time by any statute expressly enacted for that purpose to revise the terms and conditions of its content.

(4) Powers of the States.—Nothing contained in this compact shall impair or extend the constitutional authority of any signatory state, nor shall the police powers of any signatory state be affected.

Article 2.

Article 4.

Supplementary Agreements, Jurisdiction and Enforcement.

(1) **Signatories may enter into agreements for the purpose of controlling interstate environmental problems in accordance with applicable federal legislation and under terms and conditions as deemed appropriate by the agreeing states under paragraph (6) and paragraph (8) of this Article 4.**

(2) **Recognition of Existing Nonenvironmental Intergovernmental Arrangements.**—The signatories agree that existing federal-state, interstate or intergovernmental arrangements which are not primarily directed to environmental protection purposes as defined herein are not affected by this compact.

(3) **Recognition of Existing Intergovernmental Agreements Directed to Environmental Objectives.**—All existing interstate compacts directly relating to environmental protection are hereby expressly recognized and nothing in this compact shall be construed to diminish or supersede the powers and functions of such existing intergovernmental agreements and the organizations created by them.

(4) **Modification of Existing Commissions and Compacts.**—Recognition herein of multi-state commissions and compacts shall not be construed to limit directly or indirectly the creation of additional multi-state organizations or interstate compacts, nor to prevent termination, modification, extension, or supplementation of such multi-state organizations and interstate compacts recognized herein by the federal government or states party thereto.

(5) **Recognition of Future Multi-State Commissions and Interstate Compacts.**—Nothing in this compact shall be construed to prevent signatories from entering into multi-state organizations or other interstate compacts which do not conflict with their obligations under this compact.

agement activities relating to interstate pollution problems common to the territories of such states and for the establishment of common or joint regulation, management, services, agencies or facilities for such purposes or may designate an appropriate agency to act as their joint agency in regard thereto. (7) **Execution of Supplementary Agreements and Effective Date.**—The Governor is authorized to enter into supplementary agreements for the State and his official signature shall render the agreement immediately binding upon the State; provided that:

(a) The legislature of any signatory entering into such a supplementary agreement shall at any subsequent legislative session by concurrent resolution bring the supplementary agreement before it and by appropriate legislative action approve, reverse, modify, or condition the agreement of that state.

(b) Nothing in this agreement shall be construed to limit the right of Congress by act of law expressly enacted for that purpose to disapprove or condition such a supplementary agreement.

(8) **Special Supplementary Agreements.**—Signatories may enter into special supplementary agreements with the District of Columbia or foreign nations for the same purposes and with the same powers as under paragraph (6), Article 4, upon the condition that such nonsignatory party accept the general obligations of signatories under this compact. Provided, that such special supplementary agreements shall become effective only after being consented to by the Congress.

(9) **Jurisdiction of Signatories Reserved.**—Nothing in this compact or in any supplementary agreement thereunder shall be construed to restrict, relinquish or be in derogation of, any power or authority constitutionally possessed by any signatory within its jurisdiction.

(10) **Complementary Legislation by Signatories.**—Signatories may enact such additional legislation as may be deemed appropriate to enable its officers and governmental agencies to accomplish effectively the purposes of this compact and supplementary agreements recognized or entered into under the terms of this Article.

(11) **Legal Rights of Signatories.**—Nothing in this compact shall impair the exercise by any signatory of its legal rights or remedies established by the United States Constitution or any other laws of this nation.

Article 5. Construction, Amendment, and Effective Date.

(1) **Construction.**—It is the intent of the signatories that no provision of this compact or supplementary agreement entered into hereunder shall be construed as invalidating any provision of law of any signatory and that nothing in this compact shall be construed to modify or qualify the authority of any signatory to enact or enforce environmental protection legislation within its jurisdiction.

(2) **Severability.**—The provisions of this compact or of agreements hereunder shall be severable and if any phrase, clause, sentence or provisions of this compact, or such an agreement is declared to be contrary to the constitutionality of the remainder of this compact or of any agreement and the applicability thereof to any participating jurisdiction, agency, person or circumstance shall not be affected thereby and shall remain in full force and effect as to the remaining participating jurisdictions and in full force and effect as to the signatory affected as to all severable matters. It is the intent of the signatories that the provisions of this compact shall be reasonably and liberally construed in the context of its purposes.

(3) Amendments.—Amendments to this compact may be initiated by legislative action of any signatory and become effective when concurred in by all signatories and approved by Congress.

(4) Effective Date.—This compact shall become binding on a state when enacted by it into law and such state shall thereafter become a signatory and party hereto with any and all states legally joining herein. (1971, c. 805, s. 3.)

§§ 113A-24 to 113A-29: Reserved for future codification purposes.

ARTICLE 3.

Natural and Scenic Rivers System.

§ 113A-30. **Short title.**—This Article shall be known and may be cited as the "Natural and Scenic Rivers Act of 1971." (1971, c. 1167, s. 2.)

Editor's Note. — Session Laws 1971, c. 1167, s. 11, contains a severability clause. July 1, 1971.

§ 113A-31. **Declaration of policy.**—The General Assembly finds that certain rivers of North Carolina possess outstanding natural, scenic, educational, geological, recreational, historic, fish and wildlife, scientific and cultural values of great present and future benefit to the people. The General Assembly further finds as policy the necessity for a rational balance between the conduct of man and the preservation of the natural beauty along the many rivers of the State. This policy includes retaining the natural and scenic conditions in some of the State's valuable rivers by maintaining them in a free-flowing state and to protect their water quality and adjacent lands by retaining these natural and scenic conditions. It is further declared that the preservation of certain rivers or segments of rivers in their natural and scenic condition constitutes a beneficial public purpose. (1971, c. 1167, s. 2.)

§ 113A-32. **Declaration of purpose.**—The purpose of this Article is to implement the policy as set out in G.S. 113A-31 by instituting a North Carolina natural and scenic rivers system, and by prescribing methods for inclusion of components to the system from time to time. (1971, c. 1167, s. 2.)

§ 113A-33. **Definitions.**—As used in this Article, unless the context requires otherwise:

- (1) "Department" means the Department of Conservation and Development.
- (2) "Free-flowing," as applied to any river or section of a river, means existing or flowing in natural condition without substantial impoundment, diversion, straightening, rip-rapping, or other modification of the waterway. The existence of low dams, diversion works, and other minor structures at the time any river is proposed for inclusion in the North Carolina natural and scenic rivers system shall not automatically bar its consideration for such inclusion: Provided, that this shall not be construed to authorize, intend, or encourage future construction of such structures within components of the system.
- (3) "River" means a flowing body of water or estuary or a section, portion, or tributary thereof, including rivers, streams, creeks, runs, kills, rills, and small lakes.
- (4) "Road" means public or private highway, hard-surface road, dirt road, or railroad.
- (5) "Scenic easement" means a perpetual easement in land which (i) is held for the benefit of the people of North Carolina, (ii) is specifically enforceable by its holder or beneficiary, and (iii) limits or obligates the holder of the servient estate, his heirs, and assigns with respect to their use and management of the land and activities conducted thereon.

The object of such limitations and obligations is the maintenance or enhancement of the natural beauty of the land in question or of the areas affected by it. (1971, c. 1167, s. 2.)

§ 113A-34. Types of scenic rivers.—The following types of rivers are eligible for inclusion in the North Carolina natural and scenic rivers system:

Class I. Natural river areas. Those free-flowing rivers or segments of rivers and adjacent lands existing in a natural condition. Those rivers or segments of rivers that are free of man-made impoundments and generally inaccessible except by trail, with the lands within the boundaries essentially primitive and the waters essentially unpolluted. These represent vestiges of primitive America.

Class II. Scenic river areas. Those rivers or segments of rivers that are largely free of impoundments, with the lands within the boundaries largely primitive and largely undeveloped, but accessible in places by roads. (1971, c. 1167, s. 2.)

§ 113A-35. Criteria for system.—For the inclusion of any river or segment of river in the natural and scenic rivers system, the following criteria must be present:

- (1) River segment length—must be no less than one mile.
- (2) Boundaries—of the system shall be the visual horizon or such distance from each shoreline as may be determined to be necessary by the Director, but shall not be less than 20 feet. Provided, that this shall not be construed to authorize the Director to acquire, except by donation or gift, more than 320 acres of land per mile for inclusion within the boundaries.
- (3) Water quality—shall not be less than that required for Class “C” waters as established by the North Carolina Board of Water and Air Resources.
- (4) Water flow—shall be sufficient to assure a continuous flow and shall not be subjected to withdrawal or regulation to the extent of substantially altering the natural ecology of the stream.
- (5) Public access—shall be limited, but may be permitted to the extent deemed proper by the Director, and in keeping with the property interest acquired by the Department and the purpose of this Article. (1971, c. 1167, s. 2.)

§ 113A-36. Administrative agency; federal grants; additions to the system; regulations.—(a) The Department of Conservation and Development is the agency of the State of North Carolina with the duties and responsibilities to administer and control the North Carolina natural and scenic rivers system.

(b) The Department shall be the agency of the State with the authority to accept federal grants of assistance in planning, developing (which would include the acquisition of land or an interest in land), and administering the natural and scenic rivers system.

(c) The Director of the Department shall study and from time to time submit to the Governor and to the General Assembly proposals for the additions to the system of rivers and segments of rivers which, in his judgment, fall within one or more of the categories set out in G.S. 113A-34. Each proposal shall specify the category of the proposed addition and shall be accompanied by a detailed report of the facts which, in the Director's judgment, makes the area a worthy addition to the system.

(d) The Board of Conservation and Development may establish reasonable regulations for the purpose of carrying out the provisions of this Article. (1971, c. 1167, s. 2.)

§ 113A-37. Raising the status of an area.—Whenever in the judgment of the Director of the Department a scenic river segment has been sufficiently re-

stored and enhanced in its natural scenic and recreational qualities, such segment may be reclassified with the approval of the Board, to a natural river area status and thereafter administered accordingly. (1971, c. 1167, s. 2.)

§ 113A-38. Land acquisition.—(a) The Department of Administration is authorized to acquire for the Department of Conservation and Development, within the boundaries of a river or segment of river as set out in G.S. 113A-35 on behalf of the State of North Carolina, lands in fee title or a lesser interest in land, preferably "scenic easements." Acquisition of land or interest therein may be by donation, purchase with donated or appropriated funds, exchange or otherwise.

(b) The Department of Administration in acquiring real property or a property interest therein as set out in this Article shall have and may exercise the power of eminent domain in accordance with the provisions of Article 2, Chapter 40, of the General Statutes, as amended. (1971, c. 1167, s. 2.)

§ 113A-39. Claim and allowance of charitable deduction for contribution or gift of easement.—The contribution or donation of a "scenic easement," right-of-way or any other easement or interest in land to the State of North Carolina, as provided in this Article, shall be deemed a contribution to the State of North Carolina within the provisions of G.S. 105-130.9 and G.S. 105-147(16). The value of the contribution or donation shall be the fair market value of the easement or other interest in land when the contribution or donation is made. (1971, c. 1167, s. 2.)

§ 113A-40. Component as part of State park, wildlife refuge, etc.—Any component of the State natural and scenic rivers system that is or shall become a part of any State park, wildlife refuge, or state-owned area shall be subject to the provisions of this Article and the Articles under which the other areas may be administered, and in the case of conflict between the provisions of these Articles the more restrictive provisions shall apply. (1971, c. 1167, s. 2.)

§ 113A-41. Component as part of national wild and scenic river system.—Nothing in this Article shall preclude a river or segment of a river from becoming part of the national wild and scenic river system. The Director of the Department is directed to encourage and assist any federal studies for the inclusion of North Carolina rivers in the national system. The Director may enter into cooperative agreements for joint federal-state administration of a North Carolina river or segment of river: Provided, that such agreements relating to water and land use are not less restrictive than the requirements of this Article. (1971, c. 1167, s. 2.)

§ 113A-42. Violations.—(a) Civil Action.—Whoever violates, fails, neglects or refuses to obey any provision of this Article or regulation or order of the Director of the Department of Conservation and Development may be compelled to comply with or obey the same by injunction, mandamus, or other appropriate remedy.

(b) Penalties.—Whoever violates, fails, neglects or refuses to obey any provision of this Article or regulation or order of the Director of the Department of Conservation and Development is guilty of a misdemeanor and may be punished by a fine of not more than fifty dollars (\$50.00) for each violation, and each day such person shall fail to comply, where feasible, after having been officially notified by the Department shall constitute a separate offense subject to the foregoing penalty. (1971, c. 1167, s. 2.)

§ 113A-43. Authorization of advances.—The Department of Administration is hereby authorized to advance from land-purchase appropriations necessary amounts for the purchase of land in those cases where reimbursement will be later effected by the Bureau of Outdoor Recreation of the United States Department of the Interior. (1971, c. 1167, s. 2.)

ARTICLE 4.

Sedimentation Pollution Control Act of 1973.

§ 113A-50. **Short title.**—This Article shall be known as and may be cited as the "Sedimentation Pollution Control Act of 1973." (1973, c. 392, s. 1.)

Editor's Note.—Session Laws 1973, c. 392, s. 20, makes the act effective July 1, 1973. Session Laws 1973, c. 392, s. 18, contains a severability clause.

§ 113A-51. **Preamble.**—The sedimentation of streams, lakes and other waters of this State constitutes a major pollution problem. Sedimentation occurs from the erosion or depositing of soil and other materials into the waters, principally from construction sites and road maintenance. The continued development of this State will result in an intensification of pollution through sedimentation unless timely and appropriate action is taken. Control of erosion and sedimentation is deemed vital to the public interest and necessary to the public health and welfare, and expenditures of funds for erosion and sedimentation control programs shall be deemed for a public purpose. It is the purpose of this Article to provide for the creation, administration, and enforcement of a program and for the adoption of minimal mandatory standards which will permit development of this State to continue with the least detrimental effects from pollution by sedimentation. (1973, c. 392, s. 2.)

§ 113A-52. **Definitions.**—As used in this Article, unless the context otherwise requires:

- (1) "Angle of repose for saturated soil conditions" means the angle of maximum slope at which a heap of any loose soil, thoroughly soaked with moisture, will stand without sliding.
- (2) "Commission" means the North Carolina Sedimentation Control Commission.

This Article shall not apply to the following land-disturbing activities:
 - a. Those undertaken on agricultural land for the production of plants and animals useful to man, including but not limited to: forages and sod crops, grains and feed crops, tobacco, cotton, and peanuts; dairy animals and dairy products; poultry and poultry products; livestock, including beef cattle, sheep, swine, horses, ponies, mules or goats, including the breeding and grazing of any or all such animals; bees and apiary products; fur animals; and

The initial terms of office for members filling positions two, three, and four, as specified in G.S. 113A-53(a), above, shall expire June 30, 1975; thereafter the terms of office for members filling those positions shall be four years. Any member appointed by the Governor to fill a vacancy occurring in any of the appointments shall be appointed for the remainder of the term of the member causing the vacancy. The Governor may at any time, remove any member of the Commission for inefficiency, neglect of duty, malfeasance, misfeasance, nonfeasance or, in the case of members filling positions one, five, six, seven, eight, and nine, as specified in G.S. 113A-53(a), above, because they no longer possess the required qualifications for membership. In each instance appointments to fill vacancies in the membership of the Commission shall be a person or persons with similar experience and qualifications in the same field required of the member being replaced. The office of the North Caro-

lina Sedimentation Control Commission is declared to be an office that may be held concurrently with any other elective or appointive office, under the authority of Article VI, Sec. 9 of the North Carolina Constitution.

(c) Compensation.—The members of the Commission shall receive the usual and customary per diem allowed for the other members of boards and commissions of the State and as fixed in the Biennial Appropriation Act, and, in addition, the members of the Commission shall receive subsistence and travel expenses according to the prevailing State practice and as allowed and fixed by statute for such purposes, which said travel expenses shall also be allowed while going to or from any place of meeting or when on official business for the Commission. § 113A-54. Powers and duties of the Commission.—(a) The Commission shall, in cooperation with the Secretary of the Department of Transportation and Highway Safety and other appropriate State and federal agencies, develop, promulgate, publicize, and administer a comprehensive State erosion and sedimentation control program.

(b) To implement this program the Commission shall develop and adopt on or before July 1, 1974, rules and regulations for the control of erosion and sedimentation resulting from land-disturbing activities, which rules and regulations may be revised from time to time as may be necessary. Prior to the adoption or revision by the Commission of any rules or regulations authorized by this section, it shall conduct one or more public hearings with respect to such proposed action in accordance with the following procedures:

- (1) Notice of any hearing shall be given not less than 60 days before the date of the hearing and shall state the date, time, and place of hearing, the subject of the hearing, and the action that the Commission proposes to take. The notice shall either include details of the proposed action, or where the proposed action is too lengthy for publication, as hereinafter provided for, the notice shall specify that copies of the detailed proposed action can be obtained upon request from the Commission.
- (2) Any such notice shall be published at least once a week for three consecutive weeks in a newspaper of general circulation in the eastern, western and central regions of the State.
- (3) Any person desiring to be heard at any public hearing shall give notice thereof in writing to the Commission on or before the date set for the hearing. The Commission is authorized to set reasonable time limits for the oral presentation of views by any one person at any public hearing. The Commission shall permit anyone who so desires to file a written argument or other statement with it in relation to any proposed action at any time within 30 days following the conclusion of any public hearing or within any additional time as it may allow by notice given as prescribed in this section.

When the Commission has completed hearings and considered the submitted evidence and arguments with respect to any proposed action pursuant to this section, it shall adopt its final action with respect thereto and shall publish such final action as part of the official regulations of the Department.

(c) The rules and regulations adopted pursuant to G.S. 113A-54(b) for carrying out the erosion and sedimentation control program shall:

- (1) Be based upon relevant physical and developmental information con-

cerning the watershed and drainage basins of the State, including, but not limited to, data relating to land use, soils, hydrology, geology, grading, ground cover, size of land area being disturbed, proximate water bodies and their characteristics, transportation, and public facilities and services;

- (2) Include such survey of lands and waters as may be deemed appropriate by the Commission or required by any applicable laws to identify those areas, including multijurisdictional and watershed areas, with critical erosion and sedimentation problems; and
- (3) Contain conservation standards for various types of soils and land uses, which standards shall include criteria and alternative techniques and methods for the control of erosion and sediment resulting from land-disturbing activities.

(d) In implementing the erosion and sedimentation control program, the Commission is authorized and directed to:

- (1) Assist and encourage local governments in developing erosion and sediment control programs and as part of such assistance to develop a model local erosion control ordinance, and approve, approve as modified, or disapprove local plans submitted to it pursuant to G.S. 113A-60;
- (2) Assist and encourage other State agencies in developing erosion and sedimentation control programs to be administered in their jurisdictions, and to approve, approve as modified, or disapprove such programs submitted pursuant to G.S. 113A-56 and from time to time review such programs for compliance with regulations issued by the Commission and for adequate enforcement; and to require at its discretion, submission of erosion control plans by those responsible for initiating land-disturbing activities for approval prior to commencement of said activities;
- (3) Develop recommended methods of control of sedimentation and prepare and make available for distribution publications and other materials dealing with sedimentation control techniques appropriate for use by persons engaged in land-disturbing activities, general educational materials on erosion and sedimentation control, and instructional materials for persons involved in the enforcement of erosion control regulations, ordinances, and plans.

(e) To assist it in developing the erosion and sedimentation control program required by this Article, the Commission is authorized to appoint an advisory committee consisting of technical experts in the fields of water resources, soil science, engineering, and landscape architecture.

(f) All rules and regulations of the Commission promulgated pursuant to this Article shall be incorporated either in the Secretary's official regulations or his rules of procedure. All such rules and regulations shall upon adoption be printed and a duly certified copy thereof shall be filed with the Secretary of State and with the several clerks of court of the counties of the State as required by G.S. 143-195 through 143-198.1. Copies shall at all times be kept at the office of the Secretary in sufficient numbers to satisfy all reasonable requests therefor. The Secretary shall codify the regulations and rules promulgated under this Article and shall from time to time revise and bring up to date such codifications. (1973, c. 392, s. 5.)

§ 113A-55. Authority of the Secretary.—The sedimentation control program developed by the Commission shall be administered by the Secretary under the direction of the Commission. To this end the Secretary is authorized and directed to employ, with the approval of the Commission, the necessary clerical, technical, and administrative personnel, and to assign tasks to the various divisions

of the Department for the purpose of implementing this Article. The Secretary, as chairman of the Commission, is authorized to bring enforcement actions pursuant to G.S. 113A-64 and 113A-65. (1973, c. 392, s. 6.)

§ 113A-56. Jurisdiction of the Commission.—(a) The Commission shall have jurisdiction, to the exclusion of local governments, for the purpose of promulgating regulations concerning land-disturbing activities that are:

- (1) Conducted by the State;
- (2) Conducted by the United States;
- (3) Conducted by persons having the power of eminent domain;
- (4) Conducted by local governments;
- (5) Licensed by the United States; or
- (6) Financed in whole or in part by the State or the United States.

(b) The Commission may delegate the jurisdiction conferred by G.S. 113A-56(a), in whole or in part, to any other State agency that has submitted an erosion control program to be administered by it, if such program has been approved by the Commission as being in conformity with the general State program.

(c) The Commission shall have concurrent jurisdiction with local governments over all other land-disturbing activities. (1973, c. 392, s. 7.)

§ 113A-57. Mandatory standards for land-disturbing activity.—No land-disturbing activity subject to this Article shall be undertaken except in accordance with the following mandatory requirements:

- (1) No land-disturbing activity shall be permitted in proximity to a lake or natural watercourse unless a buffer zone is provided along the margin of the watercourse of sufficient width to confine visible siltation within the twenty-five percent (25%) of the buffer zone nearer the land-disturbing activity, provided, that this subdivision (1) shall not apply to a land-disturbing activity in connection with the construction of facilities to be located on, over, or under a lake or natural watercourse.
- (2) No slope may be graded to an angle greater than the angle of repose for saturated soil conditions applicable for the type of soil involved, unless the soil on such slope is retained by some adequate erosion controlling structure or device. In any event, soil left exposed will, within 30 working days of completion of any phase of grading, be planted or otherwise provided with a ground cover sufficient to restrain erosion.
- (3) Whenever land-disturbing activity is undertaken on a tract comprising more than one acre, if more than one contiguous acre is uncovered, a ground cover sufficient to restrain erosion must be planted or otherwise provided within 30 working days on that portion of the tract upon which further active construction is not being undertaken, provided, that this subdivision (3) shall not apply to cleared land forming the basin of a reservoir later to be inundated. (1973, c. 392, s. 8.)

§ 113A-58. Enforcement authority of the Commission.— In implementing the provisions of this Article the Commission is authorized and directed to:

- (1) Inspect or cause to be inspected the sites of land-disturbing activities to determine whether applicable laws, regulations or erosion control plans are being complied with;
- (2) Make requests, or delegate to the Secretary authority to make requests, of the Attorney General or solicitors for prosecutions of violations of this Article. (1973, c. 392, s. 9.)

§ 113A-59. Educational activities.—The Commission in conjunction with the soil and water conservation districts, the North Carolina Agricultural Extension

sion Service, and other appropriate State and federal agencies shall conduct educational programs in erosion and sedimentation control, such programs to be directed towards State and local governmental officials, persons engaged in land-disturbing activities, and interested citizen groups. (1973, c. 392, s. 10.)

§ 113A-60. Local erosion control programs.—(a) Any local government may submit to the Commission for its approval an erosion and sediment control program for its jurisdiction, and to this end local governments are authorized to adopt ordinances, rules and regulations necessary to establish and enforce such control programs, and they are authorized to create or designate agencies or subdivisions of local government to administer and enforce the programs. Two or more units of local government are authorized to establish a joint program and to enter into such agreements as are necessary for the proper administration and enforcement of such program. The resolutions establishing any joint program must be duly recorded in the minutes of the governing body of each unit of local government participating in the program, and a certified copy of each resolution must be filed with the Commission.

(b) The Commission shall review each program submitted and within 90 days of receipt thereof shall notify the local government submitting the program that it has been approved, approved with modifications, or disapproved. The Commission shall only approve a program upon determining that its standards equal or exceed those of the model local erosion control ordinance developed in accordance with G.S. 113A-54(d) (1).

(c) If the Commission determines that any local government is failing to administer or enforce an approved erosion and sediment control program, it shall notify the local government in writing and shall specify the deficiencies of administration and enforcement. If the local government has not taken corrective action within 30 days of receipt of notification from the Commission, the Commission shall assume enforcement of the program until such time as the local government indicates its willingness and ability to resume administration and enforcement of the program. (1973, c. 392, s. 11.)

§ 113A-61. Approval of plans.—(a) Each local government's erosion and sediment control program shall require that for those land-disturbing activities requiring prior approval of an erosion control plan, such plan shall be submitted to the appropriate soil and water conservation district at the same time it is submitted to the local government for approval. The soil and water conservation district or districts, within 20 days after receipt of the proposed plan, or within such additional time as may be prescribed by the local government, shall review the plan and submit its comments and recommendations to the local government. Failure of the soil and water conservation district to submit its comments and recommendations within 20 days or within the prescribed additional time shall not delay final action on the proposed plan by the local government.

(b) Local governments shall review each erosion control plan submitted to them and within 30 days of receipt thereof shall notify the person submitting the plan that it has been approved, approved with modifications, or disapproved. A local government shall only approve a plan upon determining that it complies with all applicable State and local regulations for erosion and sediment control.

(c) The disapproval or modification of any proposed erosion control plan by a local government shall entitle the person submitting the plan to a public hearing if such person submits written demand for a hearing within 15 days after receipt of written notice of the disapproval or modification. The hearings shall be conducted pursuant to procedures adopted by the local government. Judicial review of the final action of the local government on the proposed plan may be had in the superior court of the county in which the local government is situated.

(d) With respect to approved plans for erosion control in connection with land-disturbing activities, the approving authority, either the Commission or

a local government, shall provide for periodic inspections of the land-disturbing activity to insure compliance with the approved plan, and to determine whether the measures required in the plan are effective in controlling erosion and sediment resulting from the land-disturbing activities. Notice of such right of inspection shall be included in the certificate of approval for the plan. If the approving authority determines that the person engaged in the land-disturbing activities has failed to comply with the plan, the authority shall immediately serve upon that person by registered mail a notice to comply. The notice shall set forth the measures needed to come into compliance with the plan and shall state the time within which such measures must be completed. If the person engaged in the land-disturbing activities fails to comply within the time specified, he shall be deemed in violation of this Article. (1973, c. 392, s. 12.)

§ 113A-62. Cooperation with the United States.—The Commission is authorized to cooperate and enter into agreements with any agency of the United States Government in connection with plans for erosion control with respect to land-disturbing activities on lands that are under the jurisdiction of such agency. (1973, c. 392, s. 13.)

§ 113A-63. Financial and other assistance.—The Commission and local governments are authorized to receive from federal, State, and other public and private sources financial, technical, and other assistance for use in accomplishing the purposes of this Article. (1973, c. 392, s. 14.)

§ 113A-64. Penalties.—(a) Civil Penalties.—(1) Any person who violates any of the provisions of this Article or any ordinance, rule, regulation, or order adopted or issued pursuant to this Article by the Commission or by a local government, or who initiates or continues a land-disturbing activity for which an erosion control plan is required except in accordance with the terms, conditions, and provisions of an approved plan, shall be subject to a civil penalty of not more than one hundred dollars (\$100.00). No penalty shall be assessed until the person alleged to be in violation has been notified of the violation. Each day of a continuing violation shall constitute a separate violation under G.S. 113A-64(a)(1).

(2) The Secretary, for violations under the Commission's jurisdiction, or the governing body of any local government having jurisdiction, shall determine the amount of the civil penalty to be assessed under G.S. 113A-64(a) and shall make written demand for payment upon the person responsible for the violation, and shall set forth in detail the violation for which the penalty has been invoked. If payment is not received or equitable settlement reached within 60 days after demand for payment is made, the Secretary shall refer the matter to the Attorney General for the institution of a civil action in the name of the State in the superior court of the county in which the violation is alleged to have occurred to recover the amount of the penalty, and local governments shall refer such matters to their respective attorneys for the institution of a civil action in the name of the local government in the appropriate division of the General Court of Justice of the county in which the violation is alleged to have occurred for recovery of the penalty. Any sums recovered shall be used to carry out the purposes and requirements of this Article.

(b) Criminal Penalties.—Any person who knowingly or willfully violates any provision of this Article or any ordinance, rule, regulation, or order duly adopted or issued by the Commission or a local government, or who knowingly or willfully initiates or continues a land-disturbing activity for which an erosion control plan is required, except in accordance with the terms, conditions, and provisions

of an approved plan, shall be guilty of a misdemeanor punishable by imprisonment not to exceed 90 days, or by a fine not to exceed five thousand dollars (\$5,000), or by both, in the discretion of the court. (1973, c. 392, s. 15.)

§ 113A-65. Injunctive relief.—(a) Violation of State Program.—Whenever the Secretary has reasonable cause to believe that any person is violating or is threatening to violate the requirements of this Article he may, either before or after the institution of any other action or proceeding authorized by this Article, institute a civil action for injunctive relief to restrain the violation or threatened violation. The action shall be brought in the superior court of the county in which the violation or threatened violation is occurring or about to occur, and shall be in the name of the State upon the relation of the Secretary.

(b) Violation of Local Program.—Whenever the governing body of a local government having jurisdiction has reasonable cause to believe that any person is violating or is threatening to violate any ordinance, rule, regulation, or order adopted or issued by the local government pursuant to this Article, or any term, condition or provision of an erosion control plan over which it has jurisdiction, may, either before or after the institution of any other action or proceeding authorized by this Article, institute a civil action in the name of the local government for injunctive relief to restrain the violation or threatened violation. The action shall be brought in the superior court of the county in which the violation is occurring or is threatened.

(c) Upon determination by a court that an alleged violation is occurring or is threatened, it shall enter such orders or judgments as are necessary to abate the violation or to prevent the threatened violation. The institution of an action for injunctive relief under subsections (a) or (b) of this section shall not relieve any party to such proceeding from any civil or criminal penalty prescribed for violations of this Article. (1973, c. 392, s. 16.)

§ 113A-66. Civil relief.—(a) Any person injured by a violation of this Article or any ordinance, rule, regulation, or order duly adopted by the Secretary or a local government, or by the initiation or continuation of a land-disturbing activity for which an erosion control plan is required other than in accordance with the terms, conditions, and provisions of an approved plan, may bring a civil action against the person alleged to be in violation (including the State and any local government). The action may seek:

- (1) Injunctive relief;
- (2) An order enforcing the law, rule, regulation, ordinance, order or erosion control plan violated; or
- (3) Damages caused by the violation; or
- (4) Both damages and injunctive relief; or
- (5) Both damages and an enforcement order.

If the amount of actual damages as found by the court or jury in suits brought under this subsection is five hundred dollars (\$500.00) or less, the plaintiff shall be awarded double the amount of actual damages; if the amount of actual damages as found by the court or jury is greater than five hundred dollars (\$500.00), the plaintiff shall receive damages in the amount so found.

(b) Civil actions under this section shall be brought in the superior court of the county in which the alleged violations occurred.

(c) The court, in issuing any final order in any action brought pursuant to this section may award costs of litigation (including reasonable attorney and expert witness fees) to any party, whenever it determines that such an award is appropriate. The court may, if a temporary restraining order or preliminary injunction is sought, require the filing of a bond or equivalent security, the amount of such bond or security to be determined by the court.

(d) Nothing in this section shall restrict any right which any person (or class

of persons) may have under any statute or common law to seek injunctive or other relief. (1973, c. 392, s. 17.)

ARTICLE 5.

North Carolina Appalachian Trails System Act.

§ 113A-72. **Short title.**—This Article may be cited as the North Carolina Appalachian Trails System Act. (1973, c. 545, s. 1.)

§ 113A-73. **Policy and purpose.**—(a) In order to provide for the ever-increasing outdoor recreation needs of an expanded population and in order to promote public access to, travel within, and enjoyment and appreciation of the open-air, outdoor areas of the State, the Appalachian Trail should be protected in North Carolina as a segment of the National Scenic Trails System.

(b) The purpose of this Article is to provide the means for attaining these objectives by instituting a North Carolina Appalachian Trail System, designating the Appalachian Trail lying or located in the North Carolina Counties of Avery, Mitchell, Yancey, Madison, Haywood, Swain, Graham, Macon, and Clay, as defined in the Federal Register of the National Trails Act as the basic component of that system, and by prescribing the methods by which, and standards according to which, additional connecting trails may be added to the system. (1973, c. 545, s. 2.)

§ 113A-74. **Appalachian Trails System; connecting or side trails; coordination with the National Trails System Act.** — Connecting or side trails may be established, designated and marked as components of the Appalachian Trail System by the Department of Natural and Economic Resources in consultation with the federal agencies charged with the responsibility for the administration and management of the Appalachian Trail in North Carolina. Criteria and standards of establishment will coincide with those set forth in the National Trails System Act (PL 90-543). (1973, c. 545, s. 3.)

§ 113A-75. **Assistance under this Article with the National Trails System Act (PL 90-543).**—(a) The Department of Administration in cooperation with other appropriate state departments shall consult with the federal agencies charged with the administration of the Appalachian Trail in North Carolina and develop a mutually agreeable plan for the orderly and coordinated acquisition of Appalachian Trail right-of-way and the associated tracts, as needed, to provide a suitable environment for the Appalachian Trail in North Carolina.

(b) The Department of Natural and Economic Resources and the federal agencies charged with the responsibility of the administration of the Appalachian Trail in North Carolina shall give due consideration to the conservation of the environment of the Appalachian Trail and, in accordance with the National Trails System Act, may obtain advice and assistance from local governments, Carolina Mountain Club, Nantahala Hiking Club, Piedmont Appalachian Trail Hikers, Appalachian Trail Conference, other interested organizations and individuals, landowners and land users concerned.

(c) The North Carolina State Highway Commission shall cooperate and assist in carrying out the purposes of this Article and the National Trails System Act where their highway projects cross or may be adjacent to any component of the Appalachian Trail System.

(d) Lands acquired by the State of North Carolina within the 200-foot right-of-way of the Appalachian Trail and within the exterior boundaries of the Pisgah or Nantahala National Forests, will be conveyed to the United States Forest Service as the federal agency charged with the responsibility for the administration and management of the Appalachian Trail within these specific areas.

§ 113A-87. Authority to designate trails.—The Department may establish and designate State scenic and recreation trails on lands administered by the Department; or on lands under the jurisdiction of a State department, political subdivision, or private lands providing fee-simple title, or lesser estates, scenic easements, easements of surface ingress and egress running with the land or leases are obtained from landowners through which a State trail may pass. Initially, three members shall be appointed for two years, and four members for four years; thereafter each appointment shall be for four years. Two members shall be from the mountain section, two from the Piedmont section, two from the coastal plain, and one at large. They shall as much as possible represent various trail users.

(b) The Committee shall meet in various sections of the State, not less than two times annually to advise the Department on all matters directly or indirectly pertaining to trails, their use, extent, location, and the other objectives and purposes of this Article.

(c) The Committee shall coordinate trail development among local governments, and shall assist local governments in the formation of their trail plans and advise the Department quarterly of its findings.

(d) The Secretary, with advice of the Committee, shall study trail needs and potentials, and make additions to the State Trails System as needed. He shall submit an annual report to the Governor and General Assembly on trail activities by the Department, including rights-of-way that have been established and on the program for implementing this Article. Each report shall include a short statement on the significance of the various trails to the system. The Secretary shall make such rules and regulations as to trail development, management, and use that are necessary for the proper implementation of this Article. (1973, c. 670, s. 1.)

§ 113A-89. Location of trails.—The process of locating routes of trails to be added to the system shall be as follows:

For State scenic trails, the Secretary, after consulting with the Committee, shall recommend a route. For State recreation trails and for connecting or side trails, the Secretary, after consulting with the Committee, shall select the route. The selected route shall be compatible with preservation or enhancement of the environment it transverses. Reasonable effort shall be made to minimize any adverse effects upon adjacent landowners and users. Notice of the selected route shall be published by the Department in a newspaper of general circulation in the area in which the trail is located, together with appropriate maps and descriptions to be conspicuously posted at the appropriate courthouse. Such publication shall be prior to the designation of the trail by the Secretary. (1973, c. 670, s. 1.)

§ 113A-90. Editor's Note.—

The 1967 amendment substituted "and he shall be subject to all the provisions of chapter 126 of the General Statutes relating to the State Personnel System" for

Opinions of Attorney General. — The Honorable Gilbert H. Burnett, District Court Judge, Fifth Judicial District, 40 N.C.A.G. 670 (1969).

Origin.—This section, which was enacted in 1965, has its origin in § 148-79, which was originally enacted in 1925 and which was repealed in 1965 upon enactment of

this section. *Chapman v. State*, 4 N.C. App. 438, 166 S.E.2d 873 (1969).

This section does not create a new rule of evidence. *State v. Strickland*, 276 N.C. 253, 173 S.E.2d 129 (1970).

This section is concerned with the compilation and preservation of statistics and records rather than the creation of a new

rule of evidence. *State v. Strickland*, 276 N.C. 253, 173 S.E.2d 129 (1970).

This section does not create an exclusionary rule of evidence. *State v. Accor*, 277 N.C. 65, 175 S.E.2d 583 (1970).

Taking of Fingerprints and Photographs of Persons Not Charged with Crime.—In view of the express finding that, at the time they were photographed, neither defendant was charged with the commission of any crime, this section neither authorized nor prohibited the taking of the fingerprints and photographs of defendants. *State v. Accor*, 277 N.C. 65, 175 S.E.2d 583 (1970).

Admissibility of Prints Taken by Ar-

resting Officer.—This section does not prohibit the use in evidence on trial of the prints of defendant taken by the arresting officer, even though there is no factual evidence to establish that such fingerprinting was authorized by the sheriff or chief of police. *Chapman v. State*, 4 N.C. App. 438, 166 S.E.2d 873 (1969).

SUBCHAPTER I. GENERAL PROVISIONS.

ARTICLE 1.

State Plan for Public Education.

§ 115-1. **General and uniform system of schools.**—A general and uniform system of free public schools shall be provided throughout the State, wherein equal opportunities shall be provided for all students, in accordance with the provisions of Article IX of the Constitution of North Carolina. Tuition shall be free of charge to all children of the State, and to every person 18 years of age, or over, who has not completed a standard high school course of study. There shall be operated in every county and city administrative unit a uniform school term of nine months, without the levy of a State ad valorem tax therefor. (1955, c. 1372, art. 1, s. 1; 1963, c. 448, s. 24; 1971, c. 704, s. 1; c. 1231, s. 1.)

Editor's Note.—

The first 1971 amendment, effective July 1, 1971, rewrote this section.

The second 1971 amendment substituted "18" for "twenty-one."

State-imposed segregation in the public schools is unconstitutional. *Godwin v. Johnston County Bd. of Educ.*, 301 F. Supp. 1339 (E.D.N.C. 1969).

And State Authorities Have Affirmative Obligation to End It.—State authorities are duty bound to devote every effort toward initiating desegregation and bringing about the elimination of racial discrimination in the public school system. *Godwin v. Johnston County Bd. of Educ.*, 301 F. Supp. 1339 (E.D.N.C. 1969).

The affirmative obligation to seek means of disestablishing state-imposed segregation must be shared by all agencies, or agents of the state. *Godwin v. Johnston County Bd. of Educ.*, 301 F. Supp. 1339 (E.D.N.C. 1969).

School boards operating state-compelled dual systems are clearly charged with the affirmative duty to take whatever steps might be necessary to convert to a unitary system in which racial discrimination would be eliminated root and branch. *Godwin v. Johnston County Bd. of Educ.*, 301 F. Supp. 1339 (E.D.N.C. 1969).

The State's duty to effect a transition from the dual system of schools formerly imposed by the Constitution and laws of the State of North Carolina to a unitary nonracial school system falls not only upon the local school boards, but also upon the State Board of Education and the State Superintendent of Public Instruction. *Godwin v. Johnston County Bd. of Educ.*, 301 F. Supp. 1339 (E.D.N.C. 1969).

Whether or not the State Board of Education or State Superintendent has actively discriminated against negroes does not affect their burden to actively seek the desegregation of the public schools in North Carolina. The burden rests upon them, as well as upon the local school board to come forward with a plan that promises realistically to work, and promises realistically to work now. *Godwin v. Johnston County Bd. of Educ.*, 301 F. Supp. 1339 (E.D.N.C. 1969).

Desegregation of Staffs and Faculties.—There is an affirmative duty on the part of a state school board, as well as on the part of other school officials throughout the state, to desegregate staffs and faculties. This is also a constitutional duty apart from any federal regulatory scheme. *Godwin v. Johnston County Bd. of Educ.*, 301 F. Supp. 1339 (E.D.N.C. 1969).

Quoted in *Swann v. Charlotte-Mecklenburg Bd. of Educ.*, 318 F. Supp. 786 (W.D.N.C. 1970).

Stated in *Givens v. Poe*, 346 F. Supp. 202 (W.D.N.C. 1972).

§ 115-2. Administration of school system vested in State Board of Education.—The general supervision and administration of the free public school system shall be vested in the State Board of Education, to consist of the Lieutenant Governor, the State Treasurer, and 11 members appointed by the Governor, subject to confirmation by the General Assembly in joint session. Of the appointive members of the State Board of Education, one shall be appointed from each of the eight educational districts and three shall be appointed as members at large. Appointments shall be for terms of eight years and shall be made in four classes. Appointments to fill vacancies shall be made by the Governor for the unexpired terms and shall not be subject to confirmation.

The Governor shall transmit to the presiding officers of the Senate and the House of Representatives, on or before the 60th legislative day of the General Assembly, the names of the persons appointed by him and submitted to the General Assembly for confirmation; thereafter, pursuant to joint resolution, the Senate and the House of Representatives shall meet in joint session for consideration of an action upon such appointments.

The provisions of this section shall not affect the terms of office of the members of the State Board of Education as now constituted. (1955, c. 1372, art. 1, s. 2; 1971, c. 704, s. 2.)

Editor's Note. — The 1971 amendment, effective July 1, 1971, rewrote this section.

§ 115-4. Administrative units classified.

An "administrative unit" is not a "school district" within the meaning of N.C. Const.,

Art. II, § 29. *Hobbs v. County of Moore*, 267 N.C. 665, 149 S.E.2d 1 (1966).

§ 115-5. School system defined.

Quoted in *Huggins v. Wake County Bd. of Educ.*, 272 N.C. 33, 157 S.E.2d 703 (1967).

§ 115-6. Schools classified and defined.

- (1) An elementary school, that is, a school which embraces a part or all of the eight elementary grades and which may have a kindergarten or other early childhood program.

(1969, c. 1213, s. 2.)

Editor's Note.—

The 1969 amendment added "and which may have a kindergarten or other early childhood program" at the end of subdivision (1).

As the rest of the section was not

changed by the amendment, only subdivision (1) is set out.

Quoted in *Huggins v. Wake County Bd. of Educ.*, 272 N.C. 33, 157 S.E.2d 703 (1967).

§ 115-7. Term "district" defined.

A "school district" is an area within a county in which one or more public schools must be maintained. It is so de-

fined in this section. *Hobbs v. County of Moore*, 267 N.C. 665, 149 S.E.2d 1 (1966).

SUBCHAPTER II. ADMINISTRATIVE ORGANIZATION.

ARTICLE 2.

The State Board of Education.

§ 115-10. Organization of Board.

- (d) Voting.—No voting by proxy shall be permitted. Except in voting on text-

book adoptions, all voting shall be viva voce unless a record vote or secret ballot is demanded by any member, and a majority of those present and voting shall be necessary to carry a motion.

(1971, c. 704, s. 3.)

Editor's Note. — The 1971 amendment, effective July 1, 1971, deleted the former third sentence of subsection (d), providing: "The secretary as a Board member is entitled to vote on all matters before the Board."

As the rest of the section was not changed by the amendment, only subsection (d) is set out.

§ 115-11. Powers and duties generally.—The powers and duties of the State Board of Education are defined as follows:

- (1) General Supervision and Administration.—The Board shall have general supervision and administration of the educational funds provided by the State and federal governments, except those mentioned in § 7 of Article IX of the State Constitution, and also excepting such local funds as may be provided by a county, city, or district.
- (11) Power to Alter the Boundaries of City School Administrative Units and to Approve Agreements for the Consolidation and Merger of School Administrative Units Located in the Same County.—The Board shall have authority, in its discretion, to alter the boundaries of city school administrative units and to approve agreements submitted by county and city boards of education requesting the merger of two or more contiguous city school administrative units and the merger of city school administrative units with county school administrative units and the consolidation of all the public schools in the respective units under the administration of one board of education: Provided, that such merger of units and reorganization of school units shall not have the effect of abolishing any special taxes that may have been voted in any such units.
- (13) Power to Make Provisions for Sick Leave.—The Board shall provide for a minimum of five days per school term of sick leave with pay for all public school employees and shall promulgate rules and regulations providing for necessary substitutes on account of said sick leave. The pay for a substitute shall be fixed by the Board. The Board may provide to each administrative unit not exceeding one percent (1%) of the cost of instructional services for the purpose of providing substitute teachers for those on sick leave as authorized by law or by regulations of the Board, but not exceeding the provisions made for other State employees.
- (18) Education Research.—The Board is authorized to sponsor or conduct educational research and special school projects considered important by the Board for improving the public schools of the State. Such research or projects may be conducted during the summer months and involve one or more local school units as the Board may determine. The Board may use any available funds for such purposes. (1955, c. 1372, art. 2, s. 2; 1957, c. 541, s. 11; 1961, c. 969; 1963, c. 448, ss. 24, 27; c. 688, ss. 1, 2; c. 1223, s. 1; 1965, c. 1185, s. 2; 1967, c. 643, s. 1; 1969, c. 517, s. 1; 1971, c. 704, s. 4; c. 745; 1973, c. 675.)

Editor's Note.—

The 1967 amendment rewrote subdivision (11).

The 1969 amendment added subdivision (18).

The first 1971 amendment, effective July 1, 1971, substituted "§ 7" for "§ 5" in subdivision (1).

The second 1971 amendment substituted "public school employee" for "teacher or principal" in the first sentence of subdivision (13).

The 1973 amendment rewrote the first sentence of subdivision (13).

As the rest of the section was not changed by the amendments, only the in-

introductory paragraph and subdivisions affected by the amendments are set out.

Constitutionality. — No question arises under the Constitution of the United States with reference to the validity of delegation of authority to the State Board of Education. *Guthrie v. Taylor*, 279 N.C. 703, 185 S.E.2d 193 (1971), cert. denied, 406 U.S. 920, 92 S. Ct. 1774, 32 L. Ed. 2d 119 (1972).

Rule Making Authority Is Not Unconstitutional Delegation of Power. — Subdivision (14)(a) of this section and § 115-153 neither enlarge nor restrict the authority to make rules and regulations concerning the certification of teachers conferred by the Constitution upon the State Board of Education. Thus, they are not delegations of power to the State Board of Education by the General Assembly. *Guthrie v. Taylor*, 279 N.C. 703, 185 S.E.2d 193 (1971), cert. denied, 406 U.S. 920, 92 S. Ct. 1774, 32 L. Ed. 2d 119 (1972).

The principle forbidding delegation of legislative powers without the establishment of appropriate standards applies to the powers conferred upon the Board by statute; it does not apply to the powers conferred upon the Board of the Constitution. *Guthrie v. Taylor*, 279 N.C. 703, 185 S.E.2d 193 (1971), cert. denied, 406 U.S. 920, 92 S. Ct. 1774, 32 L. Ed. 2d 119 (1972).

Derivation of Board Powers.—The State Board of Education derives powers both from the Constitution and from acts of the General Assembly contained in this Chapter. *Guthrie v. Taylor*, 279 N.C. 703, 185 S.E.2d 193 (1971), cert. denied, 406 U.S. 920, 92 S. Ct. 1774, 32 L. Ed. 2d 119 (1972).

Quoted in *State v. Brooks*, 279 N.C. 45, 181 S.E.2d 553 (1971).

Stated in *North Carolina Teachers Ass'n v. Asheboro City Bd. of Educ.*, 393 F.2d 736 (4th Cir. 1968).

ARTICLE 3.

State Superintendent of Public Instruction.

§ 115-12. Chief administrative officer of the State Board of Education.—As provided in Article IX, § 4(2) of the North Carolina Constitution, the Superintendent of Public Instruction shall be the secretary and chief administrative officer of the State Board of Education. (1955, c. 1372, art. 3, s. 1; 1971, c. 704, s. 5.)

Editor's Note. — The 1971 amendment, effective July 1, 1971, rewrote this section.

§ 115-13. Office and salary.—The Superintendent shall keep his office in the Education Building in Raleigh, and his salary shall be ten thousand dollars (\$10,000) a year, payable monthly.

From and after the time the State Superintendent of Public Instruction shall take the oath of office and begin serving the term for which he is to be elected in 1956, he shall receive an annual salary of thirty-three thousand five hundred dollars (\$33,500): Provided, that said salary shall be paid out of the Contingency and Emergency Fund if funds for same are not available in the general fund for the biennium ending June 30, 1957. (1955, c. 1372, art. 3, s. 2; c. 1374; 1963, c. 1178, s. 2; 1967, c. 1130; c. 1237, s. 2; 1969, c. 1214, s. 2; 1971, c. 912, s. 2; 1973, c. 778, s. 2.)

Editor's Note.—

Both 1967 amendments increased the salary in the second paragraph from \$18,000 to \$20,000. The first amendatory act provided that the increase should be effective Jan. 1, 1969, and the second amendatory act was made effective July 1, 1967.

The 1969 amendment, effective after July 1, 1969, increased the salary in the second paragraph from \$20,000 to \$26,000.

The 1971 amendment, effective July 1, 1971, increased the salary in the second paragraph from \$26,000 to \$28,500.

Session Laws 1973, c. 778, effective July 1, 1973, provides, in s. 2: "Chapter 115 of

the General Statutes as it appears in the 1971 Cumulative Supplement is amended by deleting the words and figures 'thirty-one thousand dollars (\$31,000)' from lines 3 and 4 of the second paragraph of G.S. 115-13 and inserting in lieu thereof the words and figures 'thirty-three thousand five hundred dollars (\$33,500).'

This section as it appeared in the 1971 Supplement did not contain the words and figures "thirty-one thousand dollars (\$31,500)"; the salary of the Superintendent of Public Instruction under the section as amended by Session Laws 1971, c. 912, s. 2, was \$28,500. However, Session

Laws 1973, c. 778, s. 7, provides: "It is the purpose of this act to fix the salary of the Attorney General at thirty-five thousand dollars (\$35,000) per annum, the salary of the Superintendent of Public Instruction at thirty-three thousand five hundred dollars (\$33,500) per annum, the salary of the Commissioner of Agriculture at thirty-one

thousand dollars (\$31,000) per annum, and the salaries of the other members of the Council of State at thirty-one thousand dollars (\$31,000) per annum."

In the section as set out above, the 1973 amendatory act has been given effect according to the intent expressed in the above-quoted s. 7.

ARTICLE 5.

County and City Boards of Education.

§ 115-18. How constituted. — The county board of education in each county shall consist of five members elected by the voters of the county at large for terms of four years. (1955, c. 1372, art. 5, s. 1; 1967, c. 972, s. 1; 1969, c. 1301, s. 2.)

Local Modification. — Bladen: 1967, c. 258; Caldwell: 1967, c. 787; Halifax: 1971, c. 530; Lincoln: 1969, c. 637; Onslow: 1967, c. 630; 1969, c. 2; Randolph: 1967, c. 739.

Editor's Note.—The 1967 amendment, effective July 1, 1969, rewrote this section. Section 7 of the amendatory act provides: "The provisions of this act shall not apply to any county board of education that uses as a method of selecting the members to its board of education an election by a vote of the people as of the effective date of this act."

The 1969 amendment again rewrote this

section. Session Laws 1969, c. 1301, s. 4, provides: "All laws and clauses of laws in conflict with this act are repealed, except local acts providing for the election of county boards of education by the people."

Opinions of Attorney General. — Mr. William L. Hill, II, Attorney, New Hanover County Board of Education, 40 N.C.A.G. 230 (1969).

Provisions as to Election of Board Members Superseded by Merger Agreement.— See opinion of Attorney General to Mr. E.P. Dameron, Attorney for the McDowell County Board of Education, 40 N.C.A.G. 225 (1970).

§ 115-19. How elected.—The county boards of education shall be elected on a nonpartisan basis at the time of the primary election in 1970 and biennially thereafter. The names of the candidates shall be printed on the ballots without reference to any party affiliation and any qualified voter residing in the county shall be entitled to vote such ballots. Except as otherwise provided herein, the election shall be conducted according to the provisions of chapter 163 of the General Statutes then governing primary elections, and any local acts amendatory thereto.

The terms of office of the members shall be staggered so as nearly equal to one half as possible shall expire every two years. If the appointments heretofore made by the General Assembly are for terms of office which comply with the preceding sentence, elections shall be held in 1970, 1972, and biennially thereafter to fill vacancies as they occur for terms of four years. If the appointments heretofore made by the General Assembly are for terms which all expire in the same year, at the first election held hereunder the three members receiving the highest number of votes shall be elected for terms of four years and the two members elected with the next highest number of votes shall be elected for terms of two years. Thereafter, all candidates shall be elected for terms of four years. If the appointments heretofore made by the General Assembly are for terms of office which do not comply with the first sentence of this paragraph but do not all expire in the same year, and/or if the board consists of any number of members other than five, the board shall, on or before the fourteenth day before the deadline for filing notice of candidacy for county offices in 1970, adopt a resolution designating the term of office to be served by members elected to fill vacancies occurring in 1970 and 1972, which terms shall be either two years or four years, in order that the board shall consist of five members with as nearly equal to one half as possible of the terms of office expiring every two years thereafter. Any such reso-

lution shall be filed with the county board of elections, the State Board of Elections, and the State Board of Education. (1955, c. 1372, art. 5, s. 2; 1967, c. 972, s. 2; 1969, c. 1301, s. 2.)

A member of a board of education is hereby declared to be an officer that, with the exceptions provided above, may be held concurrently with any appointive office, pursuant to Article VI, § 9, of the Constitution, but any person holding an elective office shall not be eligible to serve as a member of a county or city board of education. § 115-34. Appeals to board of education and to superior court.—An appeal shall lie from the decision of all school personnel to the appropriate county or city board of education. In all such appeals it shall be the duty of the board of education to see that a proper notice is given to all parties concerned and that a record of the hearing is properly entered in the records of the board conducting the hearing.

The board of education may designate hearing panels composed of not less than two members of the board to hear and act upon such appeals in the name and on behalf of the board of education.

An appeal shall lie from the decision of a county or city board of education to the superior court of the State in any action of a county or city board of education affecting one's character or right to teach. (1955, c. 1372, art. 5, s. 17; 1971, c. 647.)

Editor's Note. — The 1971 amendment added the second paragraph.

Appeal from School Personnel Decisions. — The first part of this section which provides for an appeal from decisions of school personnel to the county or city board of education has no application where the decision complained of is the decision of a county board of education. *Still v. Lance*, 279 N.C. 254, 182 S.E.2d 403 (1971).

Termination of Employment Does Not Affect Character. — This section provides

for an appeal from a decision of a county or city board of education to the superior court when the action of the board of education is one "affecting one's character or right to teach." The decision of a board to terminate the employment of a teacher at the end of the school year does not affect her character, nor does it deprive her of the right to teach elsewhere. *Still v. Lance*, 279 N.C. 254, 182 S.E.2d 403 (1971).

(h) Educational Research.—County and city boards of education are authorized to sponsor or conduct educational research and special projects approved by the State Department of Public Instruction and the State Board of Education that may improve the school system under its jurisdiction. Such research or projects may be conducted during the summer months and the board may use any available funds for such purposes. (1955, c. 1372, art. 5, s. 18; 1957, c. 262; 1963, c. 425; 1965, c. 1185, s. 1; 1969, c. 517, s. 2.)

Editor's Note.—

The 1969 amendment added subsection (h).

As the rest of the section was not changed by the amendment, only subsection (h) is set out.

Sale of Newspapers.—A solicitation or commercial activity, such as the sale of newspapers, is within the power of the

school board to regulate. *Cloak v. Cody*, 326 F. Supp. 391 (M.D.N.C. 1971).

There is no merit to a plaintiff's argument that because the distribution of a newspaper is constitutionally protected he should be allowed to sell. *Cloak v. Cody*, 326 F. Supp. 391 (M.D.N.C. 1971).

§ 115-36. Length of school day, school month, and school term.—

(a) School Day.—The length of the school day shall be determined by the several county and city boards of education for all public schools in their respective administrative units, and the minimum time for which teachers shall be employed in the schoolroom or on the grounds supervising the activities of children shall not be less than six (6) hours: Provided, the several county and city boards of education may adopt rules and regulations allowing handicapped pupils and pupils attending the first and second grades to attend school for a period of less than six (6) hours. The superintendent of the several county and city boards of education, in the event of an emergency, act of God, or any other conditions requiring the termination of classes before six (6) hours have elapsed, may suspend the operation of any school for that particular day without loss of credit to the pupil or loss of pay to the teacher.

(c) School Term.—There shall be operated in every school in the State a uniform school term for instructing pupils of 180 days: Provided, that the State Board of Education, or the board of education of any administrative unit with the approval of the State Board of Education, may suspend the operation of any

school or schools in such units, not to exceed a period of 60 days of said term of 180 days, when in the sound judgment of the State Board of Education, or the board of education of any administrative unit with the approval of the State Board of Education, conditions justify such suspension. Provided, further, that when the operation of any school is suspended the period of suspension shall be deducted from the total of 180 days included for each school year operation, all teachers shall be entitled to normal pay for the days of school of the suspended term, not to exceed a period of 15 school days during the school term.

Full authority is hereby given to the State Board of Education during any period of emergency to order general, and if necessary, extended recesses or adjournment of the public schools in any section of the State where the planting or harvesting of crops or any emergency conditions make such action necessary. (1955, c. 1372, art. 5, s. 19; 1963, c. 1223, s. 2; 1969, c. 678; 1971, c. 85; c. 90, s. 1.)

Editor's Note.—

The 1969 amendment added all of the language following the colon in subsection (a).

The first 1971 amendment, in the last sentence of subsection (a), deleted "or" following "emergency," inserted "or any other conditions," and deleted "the remainder of" preceding "that particular day."

The second 1971 amendment, in subsection (c), substituted "conditions justify

such suspension" for "the low average of daily attendance in any school justify such suspension" in the first sentence and rewrote a former proviso at the end of that sentence to appear as the present second sentence.

Session Laws 1971, c. 90, s. 2, provides: "This act is retroactive to the beginning of the 1970-71 school year."

As subsection (b) was not changed by the amendments, it is not set out.

§ 115-37. Subjects taught in public schools.—County and city boards of education shall provide for the efficient teaching in each grade of all subjects included in the outline course of study prepared by the State Superintendent of Public Instruction, which course of study shall include instruction in Americanism, government of the State of North Carolina, government of the United States, fire prevention, harmful or illegal drugs including alcohol at the appropriate grade levels. Nothing in this Chapter shall prohibit city or county boards of education from operating a nongraded system in which pupils are taught at their individual learning levels. (1955, c. 1372, art. 5, s. 20; 1957, cc. 845, 1101; 1969, c. 487, s. 2; 1971, c. 356.)

Editor's Note. — The 1969 amendment added the second sentence.

The 1971 amendment substituted "harm-

ful or illegal drugs including alcohol" for "alcoholism, and narcoticism."

§ 115-38: Repealed by Session Laws 1973, c. 603, s. 3, effective July 1, 1973.

Cross Reference.—For present provisions as to kindergartens, see §§ 115-205.11 through 115-205.13.

§ 115-39. Requirements and limitations of board in selecting superintendent and his term of office.—At a meeting to be held on the first Monday in April, 1957, or as soon thereafter as practicable, and biennially or quadrennially thereafter during the month of April, the various county boards of education named by the General Assembly which convened in February of such year or elected by the people at the preceding general election, as the case may be, shall meet and elect a county superintendent of schools, subject to the approval of the State Superintendent of Public Instruction and the State Board of Education. Such superintendent shall take office on the following July first and shall serve for a term of two or four years, or until his successor is elected and qualified. The superintendent shall be elected for a term of either two or four years, which term shall be in the discretion of the county board of education. The term and conditions of employment shall be stated in a written contract which shall be entered into between the board of education and the superintendent. A copy of the contract shall be filed

with the State Superintendent of Public Instruction before any person is eligible for this office. A certification to the county board of education by the State Superintendent of Public Instruction showing that the person proposed for the office of county superintendent of schools holds a superintendent's certificate and has had three years' experience in school work in the past 10 years, together with a doctor's certificate showing the person to be free from any contagious or communicable disease, shall make any person eligible for this office: Provided, the requirement of a superintendent's certificate shall not be applicable to persons now serving as superintendents. Immediately after the election, the chairman of the county board of education shall report the name and address of the person elected to the State Superintendent of Public Instruction.

If any board of education shall elect a person to serve as superintendent of schools in any administrative unit who is not qualified, or cannot qualify, according to this section, such election is null and void and it shall be the duty of such board of education to elect a person who can qualify.

In all city administrative units, the superintendent of schools shall be elected by the city board of education of such unit, to serve for a period of either two or four years, which term of office shall be within the discretion of the board; and the qualifications, provisions and approval shall be the same as for county superintendents. The election shall be held biennially or quadrennially, as the case may be, during the month of April. (1955, c. 1372, art. 5, s. 22; 1957, c. 686, s. 1; 1967, c. 697; 1973, c. 446.)

Editor's Note.—The 1967 amendment made changes in the first and last paragraphs so as to authorize a four-year term for the superintendent of education, in the

discretion of the county or city board of education.

The 1973 amendment added the fourth and fifth sentences of the first paragraph.

§ 115-42. Removal of county or city superintendent.

Termination Is Subject to Review.—The decision of a county board of education terminating the employment of the superintendent of schools and declaring the office vacant is subject to review under Article 33 of Chapter 143. *James v. Wayne County Bd. of Educ.*, 15 N.C. App. 531, 190 S.E.2d 224 (1972).

Procedure and Scope of Review. — Although this section, which provides for

the removal of school superintendents, contains a proviso that such superintendent shall have the right to try his title to office in the courts of the State, it is silent as to the procedure and the scope of review contemplated. The procedure and scope of review shall be as provided by Chapter 143, Article 33. *James v. Wayne County Bd. of Educ.*, 15 N.C. App. 531, 190 S.E.2d 224 (1972).

§ 115-44. Assistant superintendent and supervisors. — County and city boards of education shall have authority to employ an assistant superintendent, and supervisors in addition to those that may be furnished by the State when, in the discretion of the board of education, the schools of the administrative unit can thereby be more efficiently and more economically operated and when funds for the same are provided in the current expense fund budget. The duties of such assistant superintendent and supervisors shall be assigned by the superintendent with the approval of the board of education.

County and city boards of education may, upon the recommendation of the superintendent, elect assistant or associate superintendents for a term of from one to four years. The term may not, however, exceed the expiration date of the superintendent's contract, unless the remaining time of the superintendent's contract is less than one year. If there is less than one year remaining on the superintendent's contract, the assistant or associate superintendent shall be given a contract through the next school year.

The term of employment shall be stated in a written contract which shall be entered into between the board of education and the assistant or associate superintendent, a copy of which shall be filed with the State Superintendent of Public Instruction as a matter of information. The assistant or associate superintendent may not be dismissed during the term to which he is elected except for miscon-

duct of such a nature as to indicate he is unfit to continue in his position, incompetence, neglect of duty, or failure or refusal to carry out validly assigned duties. All dismissals during the contract period shall follow the procedure set out for the dismissal of principals and teachers in G.S. 115-145 [G.S. 115-142 after July 1, 1972]. (1955, c. 1372, art. 5, s. 27; 1971, c. 1188, s. 1; 1973, c. 733.)

Editor's Note. — The 1971 amendment added the second and third paragraphs.

The 1973 amendment added to the first sentence of the third paragraph "a copy of

which shall be filed with the State Superintendent of Public Instruction as a matter of information."

§ 115-45. Authority of board over teachers, supervisors and principals.—County and city boards of education, upon the recommendation of the superintendent, shall have full power to make all just and needful rules and regulations governing the conduct of teachers, principals, and supervisors; the kind of reports they shall make, and their duties in the care of school property. (1955, c. 1372, art. 5, s. 28; 1973, c. 782, s. 31.)

Editor's Note. — The 1973 amendment deleted the former second paragraph, authorizing boards of education to investigate and pass upon the character of teachers and school officials and to dismiss them for immoral or disreputable conduct and to investigate and pass upon the fitness of ap-

plicants for employment, and the former third paragraph, authorizing boards to investigate and act upon charges made by superintendents against teachers, principals or supervisors.

§ 115-51. School food services provided by county and city boards of education.—As a part of the function of the public school system, county and city boards of education may, in their discretion, provide school food services in the schools under their jurisdiction. All school food services made available under this authority shall be provided in accordance with standards and regulations recommended by the State Superintendent of Public Instruction and approved by the State Board of Education.

All school food services shall be operated on a nonprofit basis, and any earnings therefrom over and above the cost of operation as defined herein shall be used to reduce the cost of food, to serve better food, or to provide free or reduced price lunches to indigent children and for no other purpose. The term, "cost of operation," shall be defined as actual cost incurred in the purchase and preparation of food, the salaries of all personnel directly engaged in providing food services, and the cost of nonfood supplies as outlined under standards adopted by the State Board of Education. Personnel shall be defined as food service supervisors or directors, bookkeepers directly engaged in food service record keeping and those persons directly involved in preparing and serving food. Provided that food service personnel shall be paid from the funds of food services only for services rendered in behalf of lunchroom services. Any cost incurred in the provisions and maintenance of school food services over and beyond the "cost of operation" as defined in this section shall be included in the budget request filed annually by county and city boards of education with boards of county commissioners. It shall not be mandatory that the provisions of G.S. 115-52 and 143-129 be complied with in the purchase of supplies and food for such school food services. (1955, c. 1372, art. 5, s. 34; 1965 c. 912; 1967, c. 990.)

Editor's Note.—

The 1967 amendment substituted "providing food services, and the cost of" for "preparing and serving food, and the cost

of such inexpensive and expendable" in the fourth sentence, and added the present fifth and sixth sentences.

*Powers and Duties of Superintendents.***§ 115-58. Duties with respect to election of principals, teachers and other personnel.**

Opinion of Attorney General. — Mr. William E. Terry, Superintendent, Stokes County Board of Education, 40 N.C.A.G. 250 (1969).

Stated in *Givens v. Poe*, 346 F. Supp. 202 (W.D.N.C. 1972).

§ 115-59. School organization statement and allocation of instructional personnel.—(a) Each year the superintendent of each school administrative unit shall submit to the State Board of Education statements, certified by the Chairman of the Board of Education, showing the organization of the schools in his unit and any additional information the State Board may require. On the basis of the organization statements, and any other information considered relevant, the State Board of Education shall determine for each administrative unit the number of teachers and other instructional personnel to be included in the State budget.

(b) The State Board of Education shall allocate teachers and instructional personnel to the various administrative units in the following separate categories: (i) general teachers, including classified principals, (ii) vocational teachers, (iii) special education teachers.

(c) The State Board of Education is authorized to promulgate rules and regulations to make the allotment of instructional personnel and teachers.

(d) The allotment of classified principals shall be one principal for each duly constituted school with seven or more state-allotted teachers and shall be included in the calculation of the allotment of general teachers set out in (b)(i) of this section.

(e) Upon receipt of the allotments, local boards of education shall organize schools and assign teachers to achieve the following class size maximums:

- (1) No more than 26 students per teacher in average daily membership for grades one through three.
- (2) No more than 33 students per teacher in average daily membership for the upper elementary grades.
- (3) No more than 35 students per class except as permitted by local boards of education and no more than 150 students per day in average daily membership for teachers in high schools and junior high schools except as permitted by regional accrediting agencies.

(f) When class-size maximums are achieved, a local board of education may assign other teachers to teaching or nonteaching duties in the various schools.

(g) It shall be the responsibility of local boards of education to determine if any exceptions occur during the school year in the allowed maximums. If additional pupils are enrolled so as to cause assignment of pupils in excess of the allowed maximums, except for an emergency or act of God, it shall be the duty of any affected teacher and of the principal to notify the superintendent, who shall immediately report the deviation to the local board of education. Upon notification of excess deviations in the maximum class size, local boards shall take correctional steps and shall transfer teaching positions between schools, if necessary, to correct the excess deviation. If the local board cannot remedy the situation, it shall immediately apply to the State Board of Education for contingency funds for additional personnel to correct exceptions. Excess deviations which cannot be corrected by transfer of teachers and by use of contingency funds shall be temporarily allowed with permission of the State Board of Education.

At the end of the first month of school each year, the superintendent of each administrative unit shall file a report for each school with the State Board of Education. This report shall be filed on forms furnished by the Board and shall indicate

the complete organization of each school, duties of each teacher or other instructional personnel, and class size or teaching load of each teacher.

It shall be the duty of local boards of education to provide adequate classroom facilities to meet the requirements of this section. (1955, c. 1372, art. 6, s. 6; 1963, c. 688, s. 3; 1965, c. 584, s. 6; 1969, c. 539; 1973, c. 770, ss. 1, 2.)

SUBCHAPTER III. SCHOOL DISTRICT ORGANIZATION.

ARTICLE 8.

Creating and Consolidating School Districts and School Administrative Units.

§ 115-74. Creation and modification of school districts by State Board of Education.—The State Board of Education, upon the recommendation of the county board of education, shall create in any county administrative unit a convenient number of school districts. Such district organization may be modified in the same manner in which it was created when it is deemed necessary. Provided that when changes in district lines are made between and among school districts that have voted upon themselves the same rate of supplemental tax, such changes in district lines shall not have the effect of abolishing any of such districts or of abolishing any supplemental taxes that may have been voted in any of such districts: Provided further, that nothing in this section shall affect the right of any city school administrative unit or special tax district which now exists for the purpose of retiring debt service, to have the indebtedness of such district taken over by the county as provided by law, and nothing herein shall be construed to restrict the county board of education or the board of county commissioners in causing such indebtedness to be assumed by the county as provided by law. (1955, c. 1372, art. 8, s. 1; 1959, c. 432; 1967, c. 643, s. 2.)

Editor's Note. — The 1967 amendment added, as the second proviso to the first paragraph, the proviso which formerly appeared at the end of the second paragraph, and deleted the remainder of the second paragraph, relating to consolidation of city and county administrative units.

§ 115-74.1. Consolidation and merger of county and city school administrative units located in the same county.—City school administrative units may be consolidated and merged with contiguous city school administrative units and with county school administrative units upon approval by the State Board of Education of a plan for consolidation and merger submitted by the boards of education involved and bearing the approval of the board of county commissioners.

County and city boards of education desiring to consolidate and merge their school administrative units may do so by entering into a written plan which shall set forth the conditions of merger. The provisions of the plan shall be consistent with the General Statutes and shall contain, but not be limited to, the following:

- (1) The name by which the merged school administrative unit shall be identified and known
- (2) The effective date of the merger
- (3) The establishment and maintenance of a board of education which shall administer all the public schools of the newly created unit, including
 - a. The termination of any terms of office proposed in the reorganization of the board
 - b. The method of constituting and continuing the board of education, the length of the members' terms of office, the dates of induction into office, the organization of the board, the procedure for filling vacancies, and the compensation to be paid members of the board for expenses incurred in performance of their duties
- (4) The authority, powers, and duties of the board of education with respect to the employment of personnel, the preparation of budgets, and any other related matters which may be particularly applicable to the merged unit not inconsistent with the General Statutes
- (5) The transfer of all facilities, properties, structures, funds, contracts,

- deeds, titles, and other obligations, assets and liabilities to the board of education of the merged unit
- (6) Whether or not there shall be continued in force any supplemental school tax which may be in effect in either or all administrative units involved
 - (7) A public hearing, which shall have been announced at least ten days prior to the hearing, on the proposed plan of merger
 - (8) A statement as to whether the question of merger, in accordance with the projected plan, is to be contingent upon approval of the voters in the affected area
 - (9) Any other condition or prerequisite to merger, together with any other appropriate subject or function that may be necessary for the orderly consolidation and merger of the school administrative units involved.

The plan referred to above shall be mutually agreed upon by the city and county boards of education involved and shall be accompanied by a certification that the plan was approved by the board of education on a given day and that the action has been duly recorded in the minutes of said board, together with a certification to the effect that the public hearing required above was announced and held. The plan, together with the required certifications, shall then be submitted to the board of county commissioners for its concurrence and approval. After such approval has been received the plan shall be submitted to the State Board of Education for the approval of said State Board and the plan shall not become effective until such approval is granted. Upon approval by the State Board of Education the plan of consolidation and merger shall become final and shall be deemed to have been made by authority of law and shall not be changed or amended except by an act of the General Assembly. The written plan of agreement shall be placed in the custody of the board of education operating and administering the public schools in the merged unit and a copy filed with the Secretary of State.

The plan may be, but it is not required that it be submitted for the approval of the voters of the geographic area affected in a referendum or election called for such purpose, and such elections or referendums if held shall be held under the provisions governing elections or referendums as set forth in G.S. 115-122, with authority of the board of county commissioners to have such election or referendum conducted by the board of elections of the county.

Upon approval of the plan of consolidation or merger by the State Board of Education, or upon approval of the plan of consolidation or merger by the voters in a referendum or election called for such purpose, and as soon as a provisional or interim board of education of the merged unit, or a permanent board of education of the merged unit, enters in and upon the duties of the administration of the public schools of the consolidated or merged unit, then the former boards of education and all public officers of the former boards of education of the separate units thus merged shall stand abolished, and said separate boards of education or administrative units thus merged shall stand dissolved and shall cease to exist for any and all purposes. All consolidations and mergers of county and city boards of education and of county and city administrative units heretofore agreed to and finally approved, and all consolidation or merger proceedings entered into prior to June 9, 1969 are hereby declared to be effective, legal and according to law notwithstanding any defect in the merger or consolidation proceedings and notwithstanding any dissolution of the separate boards of education and public officers of the former, separate school units. Effect of Merger of County and City Unit on Supplemental Taxes in Effect in Each Unit.—See opinion of Attorney General to Mr. Thomas A. Banks, Wake County Attorney, 40 N.C.A.G. 228 (1970).

§ 115-74.2. Merger of two or more adjoining county school administrative units.—(a) Boards of education of contiguous counties or boards of education in a group of counties in which each county is contiguous with at least one other county in the group, and any city administrative unit located in counties to be merged, may merge school administrative units upon approval by the State Board of Education of a written plan for merger submitted by the boards of education involved and bearing the approval of the tax levying body for the school units. The plan shall be consistent with the General Statutes, shall contain provisions covering those items listed in G. S. 115-74.1 (providing for the merger of units in the same county), and shall contain any other provision deemed necessary or appropriate by the State Board of Education or the local boards of education for the merger of school units in two or more counties.

(b) The plan of merger, including any arrangements for financing or taxing for the schools in the new administrative unit, may be, but is not required to be, submitted for the approval of the voters of the geographic area affected in a referendum or election called for the purpose of approving these matters. Such elections or referendums, if held, shall be held under the provisions governing elections or referendums as set forth in G.S. 115-122. Each board of county commissioners shall have authority to have such elections or referendums conducted by the board of elections of its county under the provisions set forth in G.S. 115-122.

(c) If twenty percent (20%) of the qualified voters of a county to be merged, petition the board of county commissioners of their county for an election as to whether their county shall be included in the proposed merger, the board of county commissioners shall call an election on this question for its county under the provisions of G.S. 115-122. The petition must be submitted to the board of county commissioners within ten days following the public hearing required by G.S. 115-74.1 on the proposed plan of merger. The board of county commissioners shall have authority to have such an election conducted by the board of election of its county under the provisions set forth in G.S. 115-122.

(d) Boards of education considering a merger of two or more counties may spend money necessary for studying and preparing for such a merger. (1969, c. 828.)

§ 115-76. Consolidation of districts and discontinuance of schools.

Concurrent Action by County and State Boards of Education Required for Consolidation.— Under subdivision (1) of this section concurrent action by the county board of education and the State Board of Education after the required public hearing is essential in order to consolidate any two high schools with an average daily attendance of 60 or more pupils. *Dilday v. Beaufort County Bd. of Educ.*, 267 N.C. 438, 148 S.E.2d 513, 149 S.E.2d 345 (1966).

Section requires only that a public hearing be provided; it does not specify any particular form, location, or notice for such hearing. *Lutz v. Board of Educ.*, 282 N.C. 208, 192 S.E.2d 463 (1972).

Discretion as to Location of School Vested in Board of Education.—Whether a change should be made in the location of the school, as well as the selection of the site for a new one, is vested in the sound discretion of the board of education. Its action cannot be restrained by the courts unless there has been a violation of some provision of law or a manifest abuse of discretion. *Lutz v. Board of Educ.*, 282 N.C. 208, 192 S.E.2d 463 (1972).

Sufficient Compliance with Subdivision (1).—See *Dilday v. Beaufort County Bd. of Educ.*, 267 N.C. 438, 148 S.E.2d 513, 149 S.E.2d 345 (1966); *Lutz v. Board of Educ.*, 282 N.C. 208, 192 S.E.2d 463 (1972).

§ 115-77. Enlarging tax districts and city units by permanently attaching contiguous property.—The county boards of education with the approval of the State Board of Education may transfer from nontax territory and attach permanently to local tax districts or to city administrative units, real property contiguous to said local tax districts or city administrative units, upon the written petition of the owners thereof and the taxpayers of the family or families

living on such real property, and there shall be levied upon the property of each individual in the area so attached, including landowners and tenants, the same tax as is levied upon other property in said district or unit: Provided, that such transfer shall be subject to the approval of the board of education of such city unit or the committee of such tax district, as the case may be. Provided the petition must be signed by a majority of the persons who are the owners thereof and a majority of the taxpayers of the families living on such real property on the date the petition is filed with the county board of education. Provided further, that a person or corporation owning only an easement in real property shall not be considered an owner of said property within contemplation of this section; and provided further that no right of action or defense founded upon the invalidity of such transfer shall be asserted, nor shall the validity of such transfer be open to question in any court upon any ground whatever, except in an action or proceeding commenced within 60 days after the approval of such transfer is given by the State Board of Education. (1955, c. 1372, art. 8, s. 4; 1959, c. 573, s. 4; 1971, c. 672.)

Editor's Note.—The 1971 amendment inserted “a majority of the” preceding “persons” and “a majority of” preceding “the taxpayers” in the second proviso.

The first 1969 amendment added the last sentence.

The second 1969 amendment added paragraph d of subdivision (5).

The third 1969 amendment added "or for any other item for which State appropriations are authorized" at the end of the opening paragraph.

§ 115-80. Rules for preparation of school budgets.—(a) **County-Wide Current Expense Fund Budget.**—County and city boards of education shall file with the appropriate tax levying authorities on or before the fifteenth day of June, on forms provided by the State Board of Education, all budgets requesting funds to operate the public schools, whether such funds are to be provided by the State or from local sources. There shall be no funds allotted for providing instruction to pupils for a term of more than one hundred eighty days either from State or local sources.

The county-wide current expense fund shall include all funds for current expenses levied by the board of county commissioners in any county to cover items for current expense purposes, and also all fines, forfeitures, penalties, poll and dog taxes, nontax funds, or any other funds, to be expended in the current expense budget and funds for vocational subjects, except those funds appropriated for such unit in the State budget.

In the preparation of the several school budgets, it shall be the first duty of county and city boards of education and the board of county commissioners to provide adequate funds for the items of expenditure included under maintenance of plant and the items under fixed charges not provided from State funds in order to protect and preserve the investment of the administrative units in the school plants.

When funds accruing by law to the board of education are not sufficient to repair, maintain and insure properly the school plants of an administrative unit, it shall be the duty of the board of county commissioners in which such unit is located to supplement these funds by a tax levy and said board is so directed and authorized.

In the event that county and city boards of education can by economy in management properly maintain, for use at all times, the school plants for a less amount than is placed to the credit of the school fund by law, it shall be in the discretion of such board of education with the approval of the board of county commissioners to use such excess to supplement any item of expenditure in its current expense fund.

Notwithstanding any other provisions of this chapter, when necessity is shown by county and city boards of education, or peculiar local conditions demand, for adding or supplementing items of expenditure in the current expense fund, including additional personnel and/or supplements to the salaries of personnel, the board of county commissioners may approve or disapprove, in part or in whole any such proposed and requested expenditure. For those items it approves, the board of county commissioners shall make a sufficient tax levy to provide the funds: Provided, that nothing in this chapter shall prevent the use of federal or privately donated funds which may be made available for the operation of the public schools under such regulations as the State Board of Education may prescribe.

(1967, c. 1263.)

Editor's Note.—

The 1967 amendment rewrote the last paragraph in subsection (a).

As the rest of the section was not affected by the amendment, it is not set out.

Constitutionality.—Subsection (a) of this section is a valid exercise of legislative authority. *Harris v. Board of Comm'rs*, 274 N.C. 343, 163 S.E.2d 387 (1968).

Delegation of Authority.—Under sub-

Additional Tax to Supplement Teachers' Salaries.—In levying an additional tax for the purpose of supplementing teachers' salaries pursuant to subsection (a) of this section, the board of county commissioners acts as an agency of the State under a delegation of authority from the General

Assembly to carry out the duty imposed upon it by N.C. Const., Art. IX, § 2, to maintain a system of public schools. *Harris v. Board of Comm'rs*, 1 N.C. App. 258, 161 S.E.2d 213 (1968).

This section in no way prohibits the county commissioners, upon a proper finding of necessity, from levying an additional tax to supplement the current expense fund for the purpose of supplementing teachers' salaries, if they are otherwise authorized to do so. *Harris v. Board of Comm'rs*, 1 N.C. App. 258, 161 S.E.2d 213 (1968).

§ 115-85. Fidelity bonds.—The State Board of Education shall, in its discretion, determine what State and local employees shall be required to give bonds for the protection of State school funds and for the faithful discharge of their duties as to such funds; and, in cases in which bonds are required, the State Board of Education is authorized to place the same and pay the premiums thereon.

Boards of education in each county and city administrative unit shall cause all persons authorized to draw or approve school checks or vouchers drawn on school funds, whether county, district, or special, and all persons who, as employees of such administrative units, are authorized or permitted to receive any school funds from whatever source, and all persons responsible for, or authorized to handle school property, to be bonded annually for the faithful discharge of their duties as to such school funds in such an amount as in the discretion of said county and city boards of education, with the approval of the board of county commissioners, shall be deemed sufficient for the protection of said school funds or property with surety by some surety company authorized to do business in the State of North Carolina. The amount deemed necessary to cover the cost of such surety bond shall be included as an item in the current expense funds of the school budget of each school administrative unit and shall be paid from the funds provided therein; but nothing in this section shall prevent the governing authorities of the respective administrative units from prorating the cost of such bond between the funds protected. (1955, c. 1372, art. 9, s. 8; 1959, c. 573, s. 7; 1971, c. 1095.)

§ 115-87. Procedure in cases of disagreement or refusal of tax levying authorities to levy taxes.—In the event of a disagreement between the county or city boards of education and the tax levying authorities as to the amount of the current expense fund, the capital outlay fund, and the debt service fund, or any item of either fund, the chairman of the county or city board

and as to Current Expense Budget Is the Same.—The statutory authority of a board of county commissioners applicable to the establishment of and levying a tax for a capital outlay budget under subsection (c) of this section is the same as that applicable to the county-wide current expense fund budget for schools under subsection (a) of this section. *Yoder v. Board of Comm'rs*, 7 N.C. App. 712, 173 S.E.2d 529 (1970).

Tax for County School Capital Reserve Fund.—Since the county school capital reserve fund is, by § 115-80.1 (a), authorized to be contained in the capital outlay budget, the statutory authority of a board of county commissioners applicable to the establishment of and levying a tax for a county school capital reserve fund is thus the same as that applicable to the county-wide current expense fund budget under subsection (a) of this section. *Yoder v. Board of Comm'rs*, 7 N.C. App. 712, 173 S.E.2d 529 (1970).

of education and the presiding officer of the tax levying authorities shall arrange for a joint meeting of said boards within one week of the disagreement. At such joint meeting, the budget or budgets over which there is disagreement shall be gone over carefully and judiciously item by item. If agreement cannot be reached in this manner, the board of education whose budget is in question and the tax levying authorities shall each have one vote on the question of the adoption of these amounts in the budget. A majority of the members of each board shall cast the vote for each board.

In the event of a tie, the clerk of the superior court shall act as arbitrator upon the issues arising between such boards and he shall render his decision thereon within five days, but either the board of education or the tax levying authorities shall have the right to appeal to the superior court within ten days from the date of the decision of the clerk of the superior court, and it shall be the duty of the judge hearing the case on appeal to find the facts as to the amount of the current expense fund, the capital outlay fund, and the debt service fund, which findings shall be conclusive and he shall give judgment requiring the tax levying authorities to levy the tax which will provide the amount of the current expense fund, the capital outlay fund, and the debt service fund, which he finds necessary to maintain the schools in the administrative unit. In case of an appeal to the appellate division which would result in a delay beyond a reasonable limit for levying the taxes for the year, the judge shall order the tax levying authorities to levy for the ensuing year a rate sufficient to pay the debt service fund, and to produce, together with what may be received from the nine months' school fund and from other sources, an amount for the current expense fund and the prorated part of capital outlay fund equal to the amount of these funds for the previous year. Also, in case of an appeal, all papers and records relating to the case shall be considered a part of the record for consideration by the court.

The tax levying authorities shall forthwith levy the taxes according to the judgment rendered and upon refusal to do so, the members of said authority shall be in contempt and may be punished accordingly. (1955, c. 1372, art. 9, s. 10; 1969, c. 44, s. 71.)

Provided, that if the judge holding the court shall certify to the Chief Justice of the Supreme Court, either before or during such session, that on account of the accumulation of other business, the public interest will be best served by not trying such action at said session, the Chief Justice shall immediately call a special session of the superior court for said county, to convene as early as possible, and assign a judge of the superior court or an emergency judge to hold the same, and the said action shall be tried at such session. There shall be submitted to the jury for its determination the issue as to what amount is needed to maintain the schools, and they shall take into consideration the amount needed and the amount available from all sources as provided by law. The final judgment rendered in such action shall be conclusive, and the tax levying authorities shall forthwith levy taxes in accordance with such judgment; otherwise those who refuse so to do shall be in contempt, and may be punishable accordingly: Provided, that in case of a mistrial or an appeal to the appellate division which would result in a delay beyond a reasonable limit for levying the taxes for the year, the judge shall order the tax levying authorities to levy for the ensuing year a rate sufficient to pay the debt service fund, and to produce, together with what may be received

from the State public school fund and from other sources, an amount for the current expense fund equal to the amount of this fund for the previous year. (1955, c. 1372, art. 9, s. 11; 1969, c. 44, s. 72.)

§ 115-100. **Miscellaneous funds.**—It shall be the duty of the county superintendent of schools at least once a year and as directed by the county board of education to examine the records of the county to see that the proceeds from the poll taxes and the dog taxes where applicable are correctly accounted for to the school fund each year; he shall likewise examine the records of the several courts of the county, including magistrates, and their reports filed with the clerk of the superior court, to see that all fines, forfeitures, and penalties, and any other special funds accruing to the county school fund are correctly and promptly accounted for to the school fund; and if the superintendent shall find that any such taxes or fines are not correctly and promptly accounted for to the school fund, it shall be the duty of the superintendent to make a prompt report thereof to the solicitor of the superior court in the district.

Loans from State Literary Fund.

§ 115-101. Loans by State Board from State Literary Fund.—The State Literary Fund includes all funds derived from the sources enumerated in Sec. 6, Article IX, of the Constitution, and all funds that may be hereafter so derived, together with any interest that may accrue thereon. This Fund shall be separate and distinct from other funds of the State.

The State Board of Education, under such rules and regulations as it may deem advisable, not inconsistent with the provisions of this Article, may make loans from the State Literary Fund to the counties for the use of county and city boards of education under such rules and regulations as it may adopt and according to law for the purpose of aiding in the erection and equipment of school plants, maintenance buildings and transportation garages. No warrant for the expenditure of money for such purposes shall be issued except upon the order of the State Superintendent of Public Instruction with the approval of the State Board of Education. (1955, c. 1372, art. 11, s. 1; 1971, c. 704, s. 11; c. 1096.)

Editor's Note.—

The first 1971 amendment, effective July 1, 1971, substituted "Sec. 6" for "§ 4" in the first paragraph. The second 1971 amendment added "maintenance buildings and transportation garages" at the end of the first sentence of the second paragraph.

§ 115-102. Terms of loans.—Loans made under the provisions of this Article shall be payable in 10 installments, shall bear interest at a uniform rate determined by the State Board of Education not to exceed six per centum (6%), payable annually, and shall be evidenced by the note of the county, executed by the chairman, the clerk of the board of county commissioners, and the chairman and secretary of the county or city board of education, and deposited with the State Treasurer. The first installment of such loan, together with the interest on the whole amount then due, shall be paid by the county or city board on the tenth day of February after the tenth day of August subsequent to the making of such loan, and the remaining installments, together with the interest, shall be paid on the tenth day of February of each subsequent year until all shall have been paid. (1955, c. 1372, art. 11, s. 2; 1971, c. 1094.)

Editor's Note. — The 1971 amendment "four per centum (4%)" in the first sentence substituted "six per centum (6%)" for "tence."

§ 115-107. Validating certain funding and refunding notes of counties.—The notes of any county held by the State Board of Education which were heretofore issued in exchange for and for the purpose of refunding and retiring notes evidencing loans made from the State Literary Fund pursuant to Article twenty-four of Chapter one hundred and thirty-six of the Public Laws of one thousand nine hundred and twenty-three, or from special building funds pursuant

to either Chapter one hundred and forty-seven of the Public Laws of one thousand nine hundred and twenty-one, or Article twenty-five of Chapter one hundred and thirty-six of the Public Laws of one thousand nine hundred and twenty-three, or Chapter two hundred and one of the Public Laws of one thousand nine hundred and twenty-five, or Chapter one hundred and ninety-nine of the Public Laws of one thousand nine hundred and twenty-seven, are hereby declared to be valid existing indebtedness of said county incurred by said county for the maintenance of the school term as required by the Constitution of North Carolina, notwithstanding any lack of authority for the issuance of said notes or error or omission or irregularity in the acts done or proceedings taken to provide for their issuance, and said notes held by the State Board of Education are hereby authorized to be refunded with bonds issued pursuant to the County Finance Act, being Chapter eighty-one of the Public Laws of one thousand nine hundred and twenty-seven, as amended. SUBCHAPTER V. SPECIAL LOCAL TAX ELECTIONS FOR SCHOOL PURPOSES.

ARTICLE 14.

School Areas Authorized to Vote Local Taxes.

§ 115-116. Purposes for which elections may be called.

(h) To Annex or Consolidate Areas or Districts from Contiguous Counties and to Provide a Supplemental School Tax in Such Annexed Areas or Consolidated Districts.—An election may be called in any district or districts or other school area or areas, from contiguous counties, as to whether the district or districts, in one county shall be enlarged by annexing or consolidating therewith any adjoining district or districts, or other school area or areas from an adjoining county, and if a special or supplemental school tax is levied and collected in the district or districts of the county to which the territory is to be annexed or consolidated, whether upon such annexation or consolidation there shall be levied and collected in the territory to be annexed or consolidated the same special or supplemental tax for schools as is levied and collected in the district or districts in the other county. If such election carries, the said special or supplemental tax shall be levied and collected by the county wherein such territory lies and remitted to the county school fund of the county already levying and collecting such special or supplemental tax; provided, that notwithstanding the provisions of G.S. 115-122.1, if the notice of election clearly so states, and the election shall be held prior to August 1, the annexation or consolidation shall be effective and the tax so authorized shall be levied and collected beginning with the fiscal year commencing July 1 next preceding such election. (1955, c. 1372, art. 14, s. 1; 1957, c. 1066; c. 1271, s. 1; 1959, c. 573, s. 9; 1961, c. 894, s. 2; c. 1019, s. 1.)

Editor's Note.—Subsection (h) is set out to correct the reference to § 115-122.1 in the proviso at the end of the subsection.

As the other subsections were not affected, they are not set out.

The clear intent of this article is to provide a method by which the county commissioners may be compelled to call an election to obtain a tax levy or for other purposes. *Harris v. Board of Comm'rs*, 1 N.C. App. 258, 161 S.E.2d 213 (1968).

Additional Tax to Supplement Teachers'

Salaries.—In levying an additional tax for the purpose of supplementing teachers' salaries pursuant to § 115-80 (a), the board of county commissioners acts as an agency of the State under a delegation of authority from the General Assembly to carry out the duty imposed upon it by N.C. Const., Art. IX, § 2, to maintain a system of public schools. *Harris v. Board of Comm'rs*, 1 N.C. App. 258, 161 S.E.2d 213 (1968).

None of the statutes in this article would prohibit the county commissioners,

upon a proper finding of necessity, from levying an additional tax to supplement the current expense fund for the purpose of supplementing teachers' salaries, if the county commissioners are otherwise authorized to do so. *Harris v. Board of*

SUBCHAPTER VI. SCHOOL PROPERTY.

ARTICLE 15.

School Sites and Property.

§ 115-125. Acquisition of sites.—County and city boards of education may acquire suitable sites for schoolhouses or other school facilities either within or without the administrative unit; but no school may be operated by an administrative unit outside its own boundaries, although other school facilities such as repair shops, may be operated outside the boundaries of the administrative unit. Whenever any such board is unable to acquire or enlarge a suitable site or right-of-way for a school, school building, school bus garage or for a parking area or access road suitable for school buses or for other school facilities by gift or purchase, condemnation proceedings to acquire same may be instituted by such board under the provisions of Article 2, Chapter 40 of the General Statutes, and the determination of the county or city board of education of the land necessary for such purposes shall be conclusive; provided that not more than a total of 50 acres shall be acquired by condemnation for any one site for a schoolhouse or other school facility as aforesaid. (1955, c. 1335; c. 1372, art. 15, s. 1; 1957, c. 683; 1969, c. 516; 1971, c. 290.)

Editor's Note. — The 1969 amendment substituted "fifty (50) acres" for "thirty (30) acres" in the proviso at the end of the section. It also eliminated a former second proviso, applicable to any school administrative unit located within a county having a population of 150,000 or more.

The 1971 amendment inserted "or right-of-way" and "or access road suitable" in the second sentence.

Local Modification.—City of Greensboro:
1969, c. 973.

§ 115-129. Provisions for school buildings and equipment.—It shall be the duty of the boards of education of the several administrative school units of the State to make provisions for the nine months' school term by providing adequate school buildings equipped with suitable school furniture and apparatus. The needs and the cost of such buildings, equipment, and apparatus, shall be presented each year when the school budget is submitted to the respective tax levying authorities. The boards of commissioners shall be given a reasonable time to provide the funds which they, upon investigation, shall find to be necessary for providing their respective units with buildings suitably equipped, and it shall be the duty of the several boards of county commissioners to provide funds for the same.

Upon determination by a county or city board of education that the existing permanent school building does not have sufficient classrooms to house the pupil enrollment anticipated for such school, then such city or county board of education is authorized to acquire and utilize as temporary classrooms for the operation of such school, relocatable or mobile classroom units, which units and method of use shall meet the approval of the School Planning Division of the State Board of Education, and which units shall comply with all applicable requirements of the North Carolina State Building Code and of the local building and electrical codes applicable to the area in which such school is located. The acquisition and installation of such units shall be subject in all respects to the provisions of chapter 143 of the General Statutes. The provisions of chapter 87, article 1, of the General Statutes, shall not apply to persons, firms or corporations engaged in the sale or furnishing to county and city boards of education and the delivery and installation upon school sites of classroom trailers as a single building unit or of relocatable or mobile classrooms delivered in less than four units or sections. (1955, c. 1372, art. 15, s. 5; 1969, c. 1022, s. 1.)

Editor's Note. — The 1969 amendment added the second paragraph.

Session Laws 1969, c. 1022, s. 2, provides: "This act shall be retroactive in its application and shall apply to all proceedings where offers have been submitted and bids have been obtained and to all contracts for the acquisition of such relocatable, temporary, mobile classrooms whether same have been delivered or not."

Board of Education Presents Needs to Commissioners.—Each year the board of education surveys the needs of its school system with reference to buildings and equipment. By resolution it presents these needs, together with their costs, to the commissioners, who are given a reasonable time to provide the funds which they, upon investigation, shall find to be necessary for providing their respective units with buildings suitably equipped. *Dilday v. Beaufort County Bd. of Educ.*, 267 N.C. 438, 148 S.E.2d 513, 149 S.E.2d 345 (1966).

Courts Cannot Interfere with Discretion of Board of Education Unless Abused.—The board of education determines, in the first instance, what buildings require repairs, remodeling, or enlarging; whether

new schoolhouses are needed; and if so, where they shall be located. Such decisions are vested in the sound discretion of the board of education, and its actions with reference thereto cannot be restrained by the courts absent a manifest abuse of discretion or a disregard of law. *Dilday v. Beaufort County Bd. of Educ.*, 267 N.C. 438, 148 S.E.2d 513, 149 S.E.2d 345 (1966).

Commissioners to Determine, etc.—

It is the board of commissioners which is charged with the duty of determining what expenditures shall be made for the erection, repairs, and equipment of school buildings in the county. *Dilday v. Beaufort County Bd. of Educ.*, 267 N.C. 438, 148 S.E.2d 513, 149 S.E.2d 345 (1966).

But They Cannot Interfere, etc.—

The commissioners' control over the expenditure of funds for the erection, repair, and equipment of school buildings does not interfere with the exclusive control of the schools which is vested in the county board of education or in the trustees of administrative units. Having determined what expenditures are necessary and possible, and having provided the funds, the jurisdiction of the commissioners ends. The authority

to execute the plans is in the board of education. *Dilday v. Beaufort County Bd. of Educ.*, 267 N.C. 438, 148 S.E.2d 513, 149 S.E.2d 345 (1966).

§ 115-132. Duty of board to provide equipment for school buildings.—It shall be the duty of county and city boards of education and tax-levying authorities to provide suitable supplies for the school buildings under their jurisdiction. These shall include, in addition to the necessary instructional supplies, proper window shades, blackboards, reference books, library equipment, maps, and equipment for teaching the sciences.

Likewise, it shall be the duty of said boards of education and boards of county commissioners to provide every school with a good supply of water, approved by the Department of Human Resources, and where such school cannot be connected to water-carried sewerage facilities, there shall be provided sanitary privies for the boys and for the girls according to specifications of the Commission for Health Services. Such water supply and sanitary privies shall be considered an essential and necessary part of the equipment of each public school and may be paid for in the same manner as desks and other essential equipment of the school are paid for. (1955, c. 1372, art. 15, s. 8; 1973, c. 476, s. 128.)

Editor's Note.—The 1973 amendment, "Commission for Health Services" for effective July 1, 1973, substituted "Department of Human Resources" for "State Board of Health" near the middle, and "State Board of Health" at the end, of the first sentence of the second paragraph.

§ 115-133.2. Power of boards of education to offer rewards for information leading to arrest, etc., of persons damaging school property.—County and city boards of education are authorized and empowered to offer and pay rewards in an amount not exceeding fifty dollars (\$50.00) for information leading to the arrest and conviction of any person or persons who wilfully deface, damage or destroy property, commit acts of vandalism or commit larceny of the property belonging to the public school system under the jurisdiction of and administered by any county or city board of education. The sums and amounts necessary to pay said rewards shall be an item in the current expense budget of said county or city board of education, and said reward shall be paid out of the current expense fund. (1967, c. 369.)

SUBCHAPTER VII. EMPLOYEES.

ARTICLE 17.

Principals' and Teachers' Employment and Contracts.

§ 115-142. System of employment for public school teachers.—(a) **Definition of Terms.**—As used in this section unless the context requires otherwise:

- (1) Repealed by Session Laws 1973, c. 782, s. 1.
- (2) "Board" means a city or county board of education.
- (3) "Career teacher" means a teacher who has obtained career status as provided in G.S. 115-142(c).

- (4) "Committee" means the Professional Review Committee created under G.S. 115-142(g).
- (4.1) "Day" means any day except Saturday, Sunday, or a legal holiday. In computing any period of time, the day in which notice is received is not counted, but the last day of the period so computed is to be counted.
- (5) "Demote" means to reduce the compensation of a person who is classified or paid by the State Board of Education as a classroom teacher or to transfer him to a new position carrying a lower salary. The word "demote" does not include a reduction in compensation that results from the elimination of a special duty, such as the duty of an athletic coach, assistant principal, or a choral director.
- (6) "Probationary teacher" means a certificated person, other than a superintendent, associate superintendent, or assistant superintendent, who has not obtained career-teacher status and whose major responsibility is to teach or to supervise teaching.
- (7) Repealed by Session Laws 1973, c. 782, s. 5.
- (8) "Superintendent" means the superintendent of schools of a public school system or, in his absence, the person designated to fulfill his functions.
- (8.1) "Supervisor" means a person paid on the supervisor's salary schedule who supervises the instructional program in one or more schools and is under the immediate supervision of the superintendent or his designee.
- (9) "Teacher" means a person who holds at least a current, not expired, Class A certificate or a regular, not provisional or expired, vocational certificate issued by the State Department of Public Instruction; whose major responsibility is to teach or directly supervise teaching or who is classified by the State Board of Education or is paid as a classroom teacher; and who is employed to fill a full-time, permanent position.
- (10) Repealed by Session Laws 1973, c. 782, s. 6.

(b) The superintendent shall maintain in his office a personnel file for each teacher that contains any complaint, commendation, or suggestion for correction or improvement about the teacher. The complaint, commendation, or suggestion shall be signed by the person who makes it and shall be placed in the teacher's file only after five days' notice to the teacher. Any denial or explanation relating to such complaint, commendation, or suggestion that the teacher desires to make shall be placed in the file.

The personnel file shall be open for the teacher's inspection at all reasonable times but shall be open to other persons only in accordance with such rules and regulations as the board adopts. Any preemployment data or other information obtained about a teacher before his employment by the board may be kept in a file separate from his personnel file and need not be made available to him. No data placed in the pre-employment file may be introduced as evidence at a hearing on the dismissal or demotion of a teacher.

- (c) (1) Status of Teachers Employed on July 1, 1972.—No teacher may become a career teacher before July 1, 1973. To be eligible to become a career teacher on July 1, 1973, a teacher must have been employed by a North Carolina school system on July 1, 1972, and, at the end of the 1971-72 school year, have either (i) been employed by that school system (or successor school system if the system has been consolidated) for four consecutive years, or (ii) been employed in a North Carolina public school system for five consecutive years. Notwithstanding the requirement that the period of employment must be consecutive, a board may waive this requirement if the teacher has taught in its school system for a total of four years at the end of the 1971-72 school year and if, in the board's opinion, there was good reason why the service was not consecutive. A teacher who satisfies these requirements shall automatically become a career teacher on July 1, 1973, if he taught in that

school system during the 1972-73 school year and was reemployed for the 1973-74 school year. All other teachers are probationary teachers.

- (2) **Normal Election of a Teacher to Career Status.**—When a teacher will have been employed by a North Carolina public school system for three consecutive years, the board, near the end of the third year, shall vote upon his employment for the next school year. The board shall give him written notice of that decision at least 30 days before the end of his third year of employment. If a majority of the board votes to reemploy him, he becomes a career teacher on the first day of the fourth year of employment. If the board votes to reemploy the teacher and thus grant career status at the beginning of the next school year, and if it has notified him of this decision, it may not later rescind that action but must proceed under the provisions of this section for the demotion or discharge of a teacher if it decides to terminate his employment.

If a majority of the board votes against reemploying the teacher, he shall not teach beyond the current school term. If the board fails to vote on granting career status but reemploys him for the next year, he automatically becomes a career teacher on the first day of the fourth year of employment.

A year, for purposes of computing time as a probationary teacher, shall be not less than 120 workdays performed as a full-time, permanent teacher in a normal school year.

- (3) **Employment of a Career Teacher.**—A teacher who has obtained career status in another North Carolina public school system need not serve another probationary period of more than two years, and may, at the option of the board, be employed immediately as a career teacher. In any event, if the teacher is reemployed for a third consecutive year, he shall automatically become a career teacher. A teacher with career status who resigns and within five years seeks to be reemployed by the same school system need not serve another probationary period of more than one year and may, at the option of the board, be reemployed as a career teacher. In any event, if he is reemployed for a second consecutive year, he shall automatically become a career teacher.

- (4) **Ineligible for Career Status.**—No superintendent, associate superintendent, assistant superintendent or other school employee who is not a teacher as defined by G.S. 115-142(a)(9) is eligible to obtain career status or continue in a career status if he no longer performs the responsibilities of a teacher as defined in G.S. 115-142(a)(9).

- (5) **Leaves of Absence.**—A career teacher who has been granted a leave of absence by a board shall maintain his career status if he returns to his teaching position at the end of the authorized leave.

(d) **Career Teachers.**—

- (1) A career teacher shall not be subjected to the requirement of annual appointment nor shall he or she be dismissed, demoted, or employed on a part-time basis without his or her consent except as provided in subsection (e).

- (2) A career teacher who has performed the duties of a principal or supervisor in a particular position in the school system for three consecutive years shall not be transferred from that position to a lower-paying administrative position or to a lower-paying nonadministrative position without his consent except for the reasons given in G.S. 115-142(e) and in accordance with the procedure for the dismissal of a career teacher set out in this section.

(e) **Grounds for Dismissal or Demotion of a Career Teacher.**—

- (1) No career teacher shall be dismissed or demoted or employed on a part-time basis except for:

- a. Inadequate performance;
- b. Immorality;
- c. Insubordination;
- d. Neglect of duty;
- e. Physical or mental incapacity;
- f. Habitual or excessive use of alcohol or nonmedical use of a controlled substance as defined in Article 5 of Chapter 90 of the General Statutes.
- g. Conviction of a felony or a crime involving moral turpitude;
- h. Advocating the overthrow of the government of the United States or of the State of North Carolina by force, violence, or other unlawful means;
- i. Failure to fulfill the duties and responsibilities imposed upon teachers by the General Statutes of this State;
- j. Failure to comply with such reasonable requirements as the board may prescribe;
- k. Any cause which constitutes grounds for the revocation of such career teacher's teaching certificate; or
- l. A justifiable decrease in the number of positions due to district reorganization or decreased enrollment, provided that subdivision (2) is complied with.

m. Failure to maintain one's certificate in a current status.

- (2) When a career teacher is dismissed pursuant to G.S. 115-142(e)(1)1 above, his or her name shall be placed on a list of available teachers to be maintained by the board. Career teachers whose names are placed on such a list shall have a priority on all positions for which they are qualified which become available in that system for the three consecutive years succeeding their dismissal. However, if the school system offers the dismissed teacher a position for which he is certified and he refuses it, his name shall be removed from the priority list.
- (3) In determining whether the professional performance of a career teacher is adequate, consideration shall be given to regular and special evaluation reports prepared in accordance with the published policy of the employing school system and to any published standards of performance which shall have been adopted by the board. Failure to notify a career teacher of an inadequacy in his or her performance shall be conclusive evidence of satisfactory performance.
- (4) Dismissal under subdivision (1) above, except paragraph g thereof, shall not be based on conduct or actions which occurred more than three years before the written notice of the superintendent's intention to recommend dismissal is mailed to the teacher.

(f) Suspension without Pay.—If a board believes that cause exists for dismissing a probationary or career teacher for any reason specified in G.S. 115-142(e)(1)b through G.S. 115-142(e)(1)h and that immediate suspension of the teacher is necessary, the board may by resolution suspend him without pay and without giving notice and a hearing.

If a board thinks a probationary or career teacher's performance is so inadequate that an emergency situation exists requiring the teacher to be removed immediately from his duties, the board shall give him written notice that it plans to suspend him and the reasons for the planned action. Not less than two or more than five days after the teacher receives the board's notice, the board shall hold a hearing on whether it should suspend the teacher. The hearing procedures provided in G.S. 115-142(j) shall be followed and all teacher evaluations and other information in the teacher's personnel file shall be made available to the board. If the board finds it necessary to suspend the teacher, it may by resolution suspend him without pay.

Within five days after a suspension under this section, the superintendent shall initiate a dismissal as provided in this section. If it is finally determined that no grounds for dismissal exist, the teacher shall be reinstated immediately and shall be paid for the period of suspension.

(g) Professional Review Committee; Qualifications; Term; Vacancy; Training.—

- (1) There is hereby created a Professional Review Committee which shall consist of 121 citizens, 11 from each of the State's congressional districts five of whom shall be lay persons and six of whom shall have been actively and continuously engaged in teaching or in supervision or administration of schools in this State for the five years preceding their appointment and who are broadly representative of the profession, to be appointed by the Superintendent of Public Instruction with the advice and consent of the State Board of Education. Each member shall be appointed for a term of three years except that the first appointments shall be made as follows: 40 members to serve for a one-year term; 40 members to serve a two-year term, and 41 members to serve a three-year term. The Superintendent of Public Instruction with the advice and consent of the State Board of Education, shall fill any vacancy which may occur in the Committee. The person appointed to fill a vacancy shall serve for the unexpired portion of the term of the member of the Committee whom he is appointed to replace.
- (2) The Superintendent of Public Instruction shall provide for the Committee such training as he considers necessary or desirable for the purpose of enabling the members of the Committee to perform the functions required of them.
- (3) The compensation of committee members while serving as a member of a hearing panel shall be as for State boards and commissions pursuant to G.S. 138-5. The compensation shall be paid by the State Board of Education.

(h) Procedure for Dismissal or Demotion of Career Teacher.—

- (1) A career teacher may not be dismissed, demoted, or reduced to part-time employment except upon the superintendent's recommendation.
- (2) Before recommending to a board the dismissal or demotion of the career teacher, the superintendent shall give written notice to the career teacher by certified mail of his intention to make such recommendation and shall set forth as part of his recommendation the grounds upon which he believes such dismissal is justified. The notice shall include a statement to the effect that if the teacher within 15 days after the date of receipt of the notice requests a review, he shall be entitled to have the proposed recommendations of the superintendent reviewed by a panel of the Committee. A copy of G.S. 115-142 and a current list of the members of the Professional Review Committee shall also be sent to the career teacher. If the teacher does not request a panel hearing within the 15 days provided, the superintendent may submit his recommendation to the board.
- (3) Within the 15-day period after receipt of the notice, the career teacher may file with the superintendent a written request for either (i) a review of the superintendent's proposed recommendation by a panel of the Professional Review Committee or (ii) a hearing before the board within 10 days. If the teacher requests an immediate hearing before the board, he forfeits his right to a hearing by a panel of the Professional Review Committee. If no request is made within that period, the superintendent may file his recommendation with the board. The board, if it sees fit, may by resolution dismiss such teacher. If a request for review is made, the superintendent shall not file his recommendation for dis-

missal with the board until a report of a panel of the Committee is filed with the superintendent.

- (4) If a request for review is made, the superintendent, within five days of filing such request for review, shall notify the Superintendent of Public Instruction who, within seven days from the time of receipt of such notice, shall designate a panel of five members of the Committee (at least two of whom shall be lay persons) who shall not be employed in or be residents of the county in which the request for review is made, to review the proposed recommendations of the superintendent for the purpose of determining whether in its opinion the grounds for the recommendation are true and substantiated. The teacher or principal making the request for review shall have the right to require that at least two members of the panel shall be members of his professional peer group.

(i) Investigation by Panel of Professional Review Committee; Report; Action of Superintendent; Review by Board.—

- (1) The career teacher and superintendent will each have the right to designate not more than 30 of the 121 members of the Professional Review Committee as not acceptable to the teacher or superintendent respectively. No person so designated shall be appointed to the panel. The career teacher shall specify those Committee members who are not acceptable in his request for a review of the superintendent's proposed recommendations provided for in subdivision (h)(3) above. The superintendent's notice to the Superintendent of Public Instructions provided for in subdivision (h)(4) above shall contain a list of those members of the committee not acceptable to the superintendent and the teacher respectively. Failure to designate nonacceptable members in accordance with this subsection shall constitute a waiver of that right.
- (2) As soon as possible after the time of its designation, the panel shall elect a chairman and shall conduct such investigation as it may consider necessary for the purpose of determining whether the grounds for the recommendation are true and substantiated. The panel shall be furnished assistance reasonably required to conduct its investigation and shall be empowered to subpoena and swear witnesses and to require them to give testimony and to produce books and papers relevant to its investigation.
- (3) The career teacher and superintendent involved shall each have the right to meet with the panel accompanied by counsel or other person of his choice and to present any evidence and arguments which he considers pertinent to the considerations of the panel and to cross-examine witnesses.
- (4) When the panel has completed its investigation, it shall prepare a written report and send it to the superintendent and teacher. The report shall contain an outline of the scope of its investigation and its finding as to whether or not the grounds for the recommendation of the superintendent are true and substantiated. The panel shall complete its investigation and prepare the report within 20 days from the time of its designation, except in cases in which the panel finds that justice requires that a greater time be spent in connection with the investigation and the preparation of such report, and reports that finding to the superintendent and the teacher, provided that such extension does not exceed 10 days.
- (5) Within five days after the superintendent receives the report of the panel, he shall submit his written recommendation for dismissal to the board with a copy to the teacher, or shall drop the charges against the teacher. His recommendation shall state the grounds for the recommendation

and shall be accompanied by a copy of the report of the panel of the Committee.

- (6) Within seven days after receiving the superintendent's recommendation and before taking any formal action, the board shall notify the teacher by certified mail that it has received the superintendent's recommendation and the report of the panel. The notice shall state that if the teacher requests a hearing before the board on the superintendent's recommendation, a hearing will be provided at the time and place specified in the notice. The time specified shall not be sooner than seven or later than 20 days after the teacher received the notice. The notice shall further state that if the board does not receive the teacher's written notification that he wants a hearing before the board, such notice to be given within five days after he has received the board's notice, it may by resolution dismiss the teacher. If the teacher can show that his request for a hearing was postmarked within the time provided, his right to a hearing is not forfeited.

(j) Hearing Procedure.—The following provisions shall be applicable to any hearing conducted pursuant to G.S. 115-142(k) or (l).

- (1) The hearing shall be private.
- (2) The hearing shall be conducted in accordance with such reasonable rules and regulations as the board may adopt consistent with G.S. 115-142, or if no rules have been adopted, in accordance with reasonable rules and regulations adopted by the State Board of Education to govern such hearings.
- (3) At the hearing the teacher and superintendent shall have the right to be present and to be heard, to be represented by counsel and to present through witnesses any competent testimony relevant to the issue of whether grounds for dismissal or demotion exist or whether the procedures set forth in G.S. 115-142 have been followed.

(k) Panel Finds Grounds for Superintendent's Recommendation True and Substantiated.—

- (1) If the panel found that the grounds for the recommendation of the superintendent are true and substantiated, at the hearing the board shall consider the recommendation of the superintendent, the report of the panel, including any minority report, and any evidence which the teacher or the superintendent may wish to present with respect to the question of whether the grounds for the recommendation are true and substantiated. The hearing may be conducted in an informal manner.
- (2) If, after considering the recommendation of the superintendent, the report of the panel and the evidence adduced at the hearing, the board concludes that the grounds for the recommendation are true and substantiated, the board, if it sees fit, may by resolution order such dismissal.

(l) Panel Does Not Find That the Grounds for Superintendent's Recommendation Are True and Substantiated.—

- (1) If the panel does not find that the grounds for the recommendation of the superintendent are true and substantiated, at the hearing the board shall determine whether the grounds for the recommendation of the superintendent are true and substantiated upon the basis of competent evidence adduced at the hearing by witnesses who shall testify under oath or affirmation to be administered by any board member or the secretary of the board.
- (2) The procedure at the hearing shall be such as to permit and secure a full, fair and orderly hearing and to permit all relevant competent evidence to be received therein. The report of the panel of the com-

mittee shall be deemed to be competent evidence. A full record shall be kept of all evidence taken or offered at such hearing. Both counsel for the system and the career teacher or his counsel shall have the right to cross-examine witnesses.

- (3) At the request of either the superintendent or the teacher, the board shall issue subpoenas requiring the production of papers or records or the attendance of persons residing within the State before the board. Subpoenas for witnesses to testify at the hearing in support of the recommendation of the superintendent or on behalf of the career teacher shall, as requested, be issued in blank by the board over the signature of its chairman or secretary. The board shall pay witness fees for up to five witnesses subpoenaed on behalf of the teacher, except that it shall not pay for any witness who resides within the county in which the dismissal originates or who is an employee of the board. However, no employee of the board shall suffer any loss of compensation because he has been subpoenaed to testify at the hearing. These payments shall be as provided for witnesses in G.S. 7A-314.
- (4) At the conclusion of the hearing provided in this section, the board shall render its decision on the evidence submitted at such hearing and not otherwise.
- (5) Within five days following the hearing, the board shall send a written copy of its findings and order to the teacher and superintendent. The board shall provide for making a transcript of its hearing. If the teacher contemplates an appeal to a court of law, he may request and shall receive at no charge a transcript of the proceedings.

(m) Probationary Teacher.—

- (1) The board of any public school system may not discharge a probationary teacher during the school year except for the reasons for and by the procedures by which a career teacher may be dismissed as set forth in subsections (e) and (h) to (l) above.
- (2) The board, upon recommendation of the superintendent, may refuse to renew the contract of any probationary teacher or to reemploy any teacher who is not under contract for any cause it deems sufficient; provided, however, that the cause may not be arbitrary, capricious, discriminatory or for personal or political reasons.

(n) Appeal.—Any teacher who has been terminated by action of the board after a hearing pursuant to subsections (k) or (l) shall have the right to appeal from the decision of the board to the superior court for the judicial district in which the teacher is employed. The appeal shall be filed within a period of 30 days after notification of the decision of the board. The cost of preparing the transcript shall be borne by the board.

(o) A teacher, career or probationary, should not resign without the consent of the superintendent unless he has given at least 30 days' notice. If the teacher does resign without giving at least 30 days' notice, the board may request that the State Board of Education revoke the teacher's certificate for the remainder of that school year. A copy of the request shall be placed in the teacher's personnel file.

A probationary teacher whose contract will not be renewed for the next school year shall be notified of this fact not less than 30 days before the end of his employment period.

(p) Notwithstanding any law or regulation to the contrary and the teachers' salary schedule as adopted by the State Board of Education, this section shall apply to all persons defined as teachers by this section who serve as teachers in the following schools and institutions:

§ 115-147. Power to suspend or dismiss pupils.—The principal of a school shall have authority to suspend or dismiss any pupil who wilfully and persistently violates the rules of the school or who may be guilty of immoral or disreputable conduct, or who may be a menace to the school: Provided, any suspension or dismissal in excess of 10 school days and any suspension or dismissal denying a pupil the right to attend school during the last 10 school days of the school year shall be subject to the approval of the county or city superintendent: Provided further, any student who is suspended or dismissed more than once during the same school term shall be subject to permanent dismissal for the remainder of the school term at the discretion of the principal, with the approval of the superintendent. In the absence of an abuse of discretion, the decision of the principal, with the approval of the superintendent, shall be final. Every suspension or dismissal for cause shall be reported at once to the superintendent and to the attendance counselor, who shall investigate the cause and deal with the offender in accordance with rules governing the attendance of children in school. Due Process Requirements for Prolonged Suspension.—Where exclusion or

suspension for any considerable period of time is a possible consequence of proceedings, due process requires a number of procedural safeguards to students such as: (1) notice to parents and student in the form of a written and specific statement of the charges which, if proved, would justify the punishment sought; (2) a full hearing after adequate notice; (3) which hearing is conducted by an impartial tribunal; (4) the right to examine exhibits and other evidence against the student; (5) the right to be represented by counsel (though not at public expense); (6) the right to confront and examine adverse witnesses; (7) the right to present evidence on behalf of the student; (8) the right to make a record of

- (2) "First semester" shall mean the first ninety teaching days of the one-hundred eighty days of the school year;
- (3) "Second semester" shall mean the last ninety days of the one-hundred eighty days constituting the school year;
- (4) "Term" for the purposes of this section shall have the same meaning as that of first semester or second semester.

(b) In all cases where pupils of an administrative unit of the public school system transfer to some other public school in another administrative unit or such pupils are compelled to leave the school in which they are enrolled because of some serious or permanent illness, or for any other good and valid reason, then such pupils or their parents shall be entitled to a refund of the fees and charges paid by them as follows:

- (1) If the transfer or departure of the pupil or pupils from the school in which they are enrolled takes place within one month after enrollment, then all such fees and charges shall be refunded in full;
- (2) If the transfer or leaving the school on the part of said pupil or pupils takes place after the first month and before the middle of the first semester, then one half of the fees for the first semester shall be refunded, and all fees and charges for the second semester shall be refunded.
- (3) If the pupil or pupils transfer or leave the school after the middle of the first semester, then no first semester fees or charges shall be refunded.
- (4) If the fees and charges on the part of such pupil or pupils have been paid for a year and such pupil or pupils transfer or leave the school at the end of the first semester or within the first month of the second semester, then all second semester fees and charges shall be refunded in full;
- (5) If the fees and charges herein described and set forth have been paid for one year, and the pupil or pupils transfer or leave the school be-

fore the middle of the second semester, then one half of the second semester fees shall be refunded;

- (6) The words "fees" and "charges" as used in this section shall not include any fees or charges paid for insurance or fees charged for expendable materials.
- (7) If the pupil or pupils transfer or leave the school after the middle of the second semester, then no fees shall be refunded.
- (8) If the amount of total refund as determined by this section shall be less than one dollar (\$1.00), no refund shall be paid.

(c) In all cases where semesters are designated as terms, the word "term" shall have the meaning as above set forth, and the refund shall be on the same basis as the semester refunds set forth in subsection (b).

(d) The principal shall be responsible for refunding fees and charges at the place of the collection of the fees and charges by check made payable to the parent or guardian of pupil or pupils leaving the school as noted in subsection (b). (1969, c. 756.)

ARTICLE 17A.

Interstate Agreement on Qualifications of Educational Personnel.

§ 115-151.1. Purpose, findings, and policy.—(a) The states party to this agreement, desiring by common action to improve their respective school systems by utilizing the teacher or other professional educational person wherever educated, declare that it is the policy of each of them, on the basis of cooperation with one another, to take advantage of the preparation and experience of such persons wherever gained, thereby serving the best interests of society, of education, and of the teaching profession. It is the purpose of this agreement to provide for the development and execution of such programs of cooperation as will facilitate the movement of teachers and other professional educational personnel among the states party to it, and to authorize specific interstate educational personnel contracts to achieve that end.

(b) The party states find that included in the large movement of population among all sections of the nation are many qualified educational personnel who move for family and other personal reasons but who are hindered in using their professional skill and experience in their new locations. Variations from state to state in requirements for qualifying educational personnel discourage such personnel from taking the steps necessary to qualify in other states. As a consequence, a significant number of professionally prepared and experienced educators is lost to our school systems. Facilitating the employment of qualified educational personnel, without reference to their states of origin, can increase the available educational resources. Participation in this compact can increase the availability of educational manpower. (1969, c. 631, s. 1.)

Editor's Note.—Session Laws 1969, c. 631, s. 4, makes the act effective July 1, 1969.

§ 115-151.2. Definitions.—As used in this agreement and contracts made pursuant to it, unless the context clearly requires otherwise:

- (1) "Accept," or any variant thereof, means to recognize and give effect to one or more determinations of another state relating to the qualifications of educational personnel in lieu of making or requiring a like determination that would otherwise be required by or pursuant to the laws of a receiving state.
- (2) "Designated state official" means the educational official of a state selected by that state to negotiate and enter into, on behalf of his state, contracts pursuant to this agreement.

- (3) "Educational personnel" means persons who must meet requirements pursuant to state law as a condition of employment in educational programs.
- (4) "Originating state" means a state (and the subdivision thereof, if any) whose determination that certain educational personnel are qualified to be employed for specific duties in schools, is acceptable in accordance with the terms of a contract made pursuant to § 115-151.3.
- (5) "Receiving state" means a state (and the subdivisions thereof) which accepts educational personnel in accordance with the terms of a contract made pursuant to § 115-151.3.
- (6) "State" means a state, territory, or possession of the United States; the District of Columbia; or the Commonwealth of Puerto Rico. (1969, c. 631, s. 1.)

§ 115-151.3. Interstate educational personnel contracts.—(a) The designated state official of a party state may make one or more contracts on behalf of his state with one or more other party states providing for the acceptance of educational personnel. Any such contract for the period of its duration shall be applicable to and binding on the states whose designated state officials enter into it, and the subdivisions of those states, with the same force and effect as if incorporated in this agreement. A designated state official may enter into a contract pursuant to this section only with states in which he finds that there are programs of education, certification standards or other acceptable qualifications that assure preparation or qualification of educational personnel on a basis sufficiently comparable, even though not identical to that prevailing in his own state.

(b) Any such contract shall provide for :

- (1) Its duration,
- (2) The criteria to be applied by an originating state in qualifying educational personnel for acceptance by a receiving state,
- (3) Such waivers, substitutions, and conditional acceptances as shall aid the practical effectuation of the contract without sacrifice of basic educational standards,
- (4) Any other necessary matters.

(c) No contract made pursuant to this agreement shall be for a term longer than five years but any such contract may be renewed for like or lesser periods.

(d) Any contract dealing with acceptance of educational personnel on the basis of their having completed an educational program shall specify the earliest date or dates on which originating state approval of the program or programs involved can have occurred. No contract made pursuant to this agreement shall require acceptance by a receiving state of any persons qualified because of successful completion of a program prior to January 1, 1954.

(e) The certification or other acceptance of a person who has been accepted pursuant to the terms of a contract shall not be revoked or otherwise impaired because the contract has expired or been terminated. However, any certificate or other qualifying document may be revoked or suspended on any ground which would be sufficient for revocation or suspension of a certificate or other qualifying document initially granted or approved in the receiving state.

(f) A contract committee composed of the designated state officials of the contracting states or their representatives shall keep the contract under continuous review, study means of improving its administration, and report no less frequently than once a year to the heads of the appropriate education agencies of the contracting states. (1969, c. 631, s. 1.)

§ 115-151.4. Approved and accepted programs.—(a) Nothing in this agreement shall be construed to repeal or otherwise modify any law or regulation of a party state relating to the approval of programs of educational preparation

having effect solely on the qualification of educational personnel within that state.

(b) To the extent that contracts made pursuant to this agreement deal with the educational requirements for the proper qualification of educational personnel, acceptance of a program of educational preparation shall be in accordance with such procedures and requirements as may be provided in the applicable contract. (1969, c. 631, s. 1.)

§ 115-151.5. Interstate cooperation.—The party states agree that:

- (1) They will, so far as practicable, prefer the making of multilateral contracts pursuant to § 115-151.3 of this agreement.
- (2) They will facilitate and strengthen cooperation in interstate certification and other elements of educational personnel qualification and for this purpose shall cooperate with agencies, organizations, and associations interested in certification and other elements of educational personnel qualification. (1969, c. 631, s. 1.)

§ 115-151.6. Agreement evaluation.—The designated state officials of any party state(s) may meet from time to time as a group to evaluate progress under the agreement, and to formulate recommendations for changes. (1969, c. 631, s. 1.)

§ 115-151.7. Other arrangements.—Nothing in this agreement shall be construed to prevent or inhibit other arrangements or practices of any party state or states to facilitate the interchange of educational personnel. (1969, c. 631, s. 1.)

§ 115-151.8. Effect and withdrawal.—(a) This agreement shall become effective when enacted into law by two states. Thereafter it shall become effective as to any state upon its enactment of this agreement.

(b) Any party state may withdraw from this agreement by enacting a statute repealing the same, but no such withdrawal shall take effect until one year after the governor of the withdrawing state has given notice in writing of the withdrawal to the governors of all other party states.

(c) No withdrawal shall relieve the withdrawing state of any obligation imposed upon it by a contract to which it is a party. The duration of contracts and the methods and conditions of withdrawal therefrom shall be those specified in their terms. (1969, c. 631, s. 1.)

§ 115-151.9. Construction and severability.—This agreement shall be liberally construed so as to effectuate the purposes thereof. The provisions of this agreement shall be severable and if any phrase, clause, sentence, or provision of this agreement is declared to be contrary to the constitution of any state or of the United States, or the application thereof to any government, agency, person, or circumstance is held invalid, the validity of the remainder of this agreement and the applicability thereof to any government, agency, person, or circumstance shall not be affected thereby. If this agreement shall be held contrary to the constitution of any state participating therein, the agreement shall remain in full force and effect as to the state affected as to all severable matters. (1969, c. 631, s. 1.)

§ 115-151.10. Designated state official.—For the purposes of the agreement set forth in this article the “designated state official” for this state shall be the State Superintendent of Public Instruction. He shall enter into contracts pursuant to § 115-151.3 only with the approval of the specific text thereof by the State Board of Education. (1969, c. 631, s. 2.)

State Government Reorganization.—The Interstate Agreement authority was transferred to the Department of Public Educa-

tion by § 143A-47, enacted by Session Laws 1971, c. 864.

ARTICLE 18.

*Certification and Salaries of Employees; Workmen's Compensation.***§ 115-152. Certificate prerequisite to employment.**

This section and § 115-155 declare unlawful the employment of any teacher, supervisor or other professional personnel who does not hold a certificate in compliance with the provisions of law or in accordance with the regulations of the State Board of Education governing emergency substituted personnel. *James v. Beaufort County Bd. of Educ.*, 348 F. Supp. 711 (E.D.N.C. 1971), *aff'd*, 465 F.2d 477 (4th Cir. 1972).

Teacher on a probation emergency B certificate was required to take the Na-

tional Teacher Examination and attain a satisfactory score in order to have a standard certificate, which was required for the school in which he taught, both to remain accredited by the State of North Carolina, and to remain in the employ of the school board. *James v. Beaufort County Bd. of Educ.*, 348 F. Supp. 711 (E.D.N.C. 1971), *aff'd*, 465 F.2d 477 (4th Cir. 1972).

Stated in Guthrie v. Taylor, 279 N.C. 703, 185 S.E.2d 193 (1971), cert. denied, 406 U.S. 920, 92 S. Ct. 1774, 32 L. Ed. 2d 119 (1972).

§ 115-152.1. Discrimination against blind prohibited in training and hiring of teachers.—No person otherwise qualified shall be denied the right to receive credentials from the State Board of Education, to receive training for the purpose of becoming a teacher, or to engage in practice teaching in any school on the grounds he is totally or partially blind; nor shall any school district refuse to engage a teacher on such grounds, provided, that such blind teacher is able to carry out the duties of the position for which he applies in the school district. (1971, c. 949.)

§ 115-153. Certifying and regulating the grade and salary of teachers; furnishing to county or city boards available personnel information.—The State Board of Education shall have entire control of certifying all applicants for teaching, supervisory, and professional positions in all public elementary and high schools of North Carolina; and it shall prescribe the rules and regulations for the renewal and extension of all certificates, and shall determine and fix the salary for each grade and type of certificate which it authorizes; provided, that the State Board of Education shall require each applicant for an initial certificate or graduate certificate to demonstrate his or her academic and professional preparation by achieving a prescribed minimum score at least equivalent to that required by the Board on November 30, 1972, on a standard examination appropriate and adequate for that purpose; provided, further, that in the event the Board shall specify the National Teachers Examination for this purpose, the required minimum score shall not be lower than that which the Board required on November 30, 1972.

Upon request the State Board of Education and the State Department of Public Instruction shall furnish to any county or city board of education any and all available personnel information relating to certification, evaluation and qualification including, but not limited to, semester hours or quarterly hours completed, graduate work, grades, scores, etc., that are on that date in the files of the State Board of Education or Department of Public Instruction. (1955, c. 1372, art. 18, s. 2; 1965, c. 584, s. 20.1; 1973, c. 236.)

Editor's Note.—

The 1973 amendment added the two provisos at the end of the first paragraph.

Rule Making Authority Is Not Unconstitutional Delegation of Power.—Section 115-11(14)a and this section neither enlarge nor restrict the authority to make rules and regulations concerning the certification of teachers conferred by the Constitution of North Carolina upon the State

Board of Education. Thus, they are not delegations of power to the State Board of Education by the General Assembly. *Guthrie v. Taylor*, 279 N.C. 703, 185 S.E.2d 193 (1971), cert. denied, 406 U.S. 920, 92 S. Ct. 1774, 32 L. Ed. 2d 119 (1972).

Requirement of Certificate Renewal Is Constitutional.—The Supreme Court held that the promulgation and administration of the regulation requiring all teachers

employed in the public school system to obtain a renewal of their teaching certificates every five years falls within the authority conferred upon the State Board of Education by the Constitution of North Carolina. *Guthrie v. Taylor*, 279 N.C. 703, 185 S.E.2d 193 (1971), cert. denied, 406 U.S. 920, 92 S. Ct. 1774, 32 L. Ed. 2d 119 (1972).

Since the regulation adopted by the State Board of Education requiring all teachers employed in the public school system to obtain a renewal of their teaching certificates every five years cannot be deemed unreasonable or arbitrary in relation to the objective of improved instruction, there is no basis for holding its application to the plaintiff, and others similarly situated, is a violation of N.C. Const., Art. I, § 19. *Guthrie v. Taylor*, 279 N.C. 703, 185 S.E.2d 193 (1971), cert. denied, 406 U.S. 920, 92 S. Ct. 1774, 32 L. Ed. 2d 119 (1972).

A regulation of the State Board of Education which requires all teachers employed in the public school system of North Carolina to obtain a renewal of their teaching certificates every five years and prescribes for all teachers the same number of credits and the same methods for obtaining such credits for the renewal of their certificates does not deny equal protection of the law,

notwithstanding that the regulation is not made to apply to employees of the State Board of Education whose duties are performed in the Board's offices in the City of Raleigh who are not engaged in teaching. Since the purpose of requiring a certificate to teach is to assure good quality of performance in the classroom, there is an obvious and reasonable basis for making the rule applicable to those who teach and omitting from its applicability those who do not. *Guthrie v. Taylor*, 279 N.C. 703, 185 S.E.2d 193 (1971), cert. denied, 406 U.S. 920, 92 S. Ct. 1774, 32 L. Ed. 2d 119 (1972).

There being a reasonable basis for the requirement that a teacher periodically renew his or her certificate by further study or by educational travel the Supreme Court is not authorized to substitute its judgment for that of the State Board of Education and to declare the regulation, adopted by the Board, invalid on the ground that, in its opinion, some other method for earning the required credits for renewal would be equally as satisfactory in result. *Guthrie v. Taylor*, 279 N.C. 703, 185 S.E.2d 193 (1971), cert. denied, 406 U.S. 920, 92 S. Ct. 1774, 32 L. Ed. 2d 119 (1972).

Stated in North Carolina Teachers Ass'n v. Asheboro City Bd. of Educ., 393 F.2d 736 (4th Cir. 1968).

§ 115-153.2. Authority for payroll deductions for group insurance and credit union loans.—(a) The State Board of Education may authorize and empower any county or city board of education, the board of trustees of any community college or technical institute, or other governing authority, within the State, to establish a voluntary payroll deduction plan for:

- (1) Premiums for any type of group insurance established and authorized by the laws of the State;
- (2) Amounts authorized by members of the State Employees' Credit Union or any local teachers' credit unions to be deposited with such organizations;
- (3) Loans made to teachers by credit unions.

(b) Any employee of any county or city board of education, any community college, technical institute, or of any educational association, may enter into a written agreement with his or her employer for the purpose of carrying out the provisions of this section. The State Board of Education is authorized and empowered to make and promulgate rules and regulations to carry out the purposes of this section. (1969, c. 591.)

§ 115-153.3. Additional payroll deductions authorized; written consent to county or city administrative unit.—Any public school teacher who is a member of a credit union organized and established under chapter 54 of the General Statutes may, by executing a written consent to the county or city administrative unit by whom employed, authorize periodical payment or obligation to such credit union to be deducted from their salaries or wages, and such deductions shall be made and paid to said credit union as and when said salaries and wages are payable. (1969, c. 890.)

Editor's Note. — The above section in Session Laws 1969, c. 890, is designated § 115-160.5. Since a § 115-160.5 had already

been added by Session Laws 1969, c. 638, the section added by c. 890 has been redesignated § 115-153.3.

§ 115-155. Employment of persons without certificate unlawful; salaries not paid.

Section 115-152 and this section declare unlawful the employment of any teacher, supervisor or other professional personnel who does not hold a certificate in compliance with the provisions of law or in accordance with the regulations of the State Board of Education governing emergency substituted personnel. *James v. Beaufort County Bd. of Educ.*, 348 F. Supp. 711 (E.D.N.C. 1971), *aff'd*, 465 F.2d 477 (4th Cir. 1972).

Teacher on a probation emergency B certificate was required to take the Na-

tional Teacher Examination and attain a satisfactory score in order to have a standard certificate, which was required for the school in which he taught, both to remain accredited by the State of North Carolina, and to remain in the employ of the school board. *James v. Beaufort County Bd. of Educ.*, 348 F. Supp. 711 (E.D.N.C. 1971), *aff'd*, 465 F.2d 477 (4th Cir. 1972).

Stated in Guthrie v. Taylor, 279 N.C. 703, 185 S.E.2d 193 (1971), cert. denied, 406 U.S. 920, 92 S. Ct. 1774, 32 L. Ed. 2d 119 (1972).

§ 115-156. Colleges to aid as to certificates.

This section does not purport to enlarge or restrict the power of the State Board of Education to promulgate and administer rules and regulations governing the issu-

ance and the renewal of teachers' certificates. *Guthrie v. Taylor*, 279 N.C. 703, 185 S.E.2d 193 (1971), cert. denied, 406 U.S. 920, 92 S. Ct. 1774, 32 L. Ed. 2d 119 (1972).

§ 115-157. Pay of school officials and other employees.—School officials and other employees shall be paid promptly when their salaries are due provided the legal requirements for their employment and service have been met. All school officials and other employees employed by any administrative unit or school district, who are to be paid from local funds, shall be paid promptly as provided by law and as State-allotted school officials and other employees are paid.

Public school employees paid from State funds shall be paid as follows:

- (1) Academic Teachers.—Regular State-allotted teachers shall be employed for a period of 10 calendar months and shall be paid monthly at the end of each calendar month of service. Included within the 10 calendar months' employment shall be 1.25 days of annual vacation leave for each month of the 10 months' service which shall be designated by each county and city board of education at a time when students are not scheduled to be in regular attendance. Included within the 10 calendar months' employment each county and city board of education shall designate the same or an equivalent number of legal holidays occurring within the period of employment for academic teachers as those designated by the State Personnel Council for State employees. Within policy adopted by the State Board of Education, each county and city board of education shall develop rules and regulations designating what additional portion of the 10 calendar months not devoted to classroom teaching, holidays, or annual leave, shall apply to service rendered before the opening of the school term, during the school term, and after the school term and to fix and regulate the duties of State-allotted teachers during said period, but in no event shall the total number of work days exceed 200 days. County and city boards of education shall consult with the employed public school personnel in the development of the 10-calendar-months schedule.
- (2) Occupational Education Teachers. — State-allotted man-months of service to county and city boards of education as provided by the State Board of Education shall be used for the employment of teachers of occupational education for a term of employment as determined by the county and city boards of education and teachers so employed shall be paid on a calendar-month basis at the end of each calendar month of service for the term of their employment. Included within their term of employment shall be the same rate of annual vacation leave and legal

holidays provided under the same conditions as set out in subdivision (1) above, but in no event shall the total work days for a 10-month employee exceed 200 days in a 10-month schedule and the work week shall constitute five days for all occupational teachers regardless of the employment period.

- (3) Supervisors and Classified Principals.—State-allotted supervisors and classified principals shall be employed for a term of 12 calendar months and shall be paid monthly at the end of each calendar month of service for the term of their employment. Included within their term of employment shall be provided the same rate of annual vacation leave and legal holidays as set out in subdivision (1) above, said annual leave to be taken as determined by each county and city board of education.
- (4) Superintendents and Other Employees on an Annual Basis.—The salaries of superintendents and others employed on an annual basis shall be paid monthly on the basis of each calendar month of service. Included within their term of employment shall be provided the same rate of annual vacation leave and legal holidays as set out in subdivision (1) above, said annual leave to be taken as determined by each county and city board of education.
- (5) Other School Employees.—Other school employees paid on an hourly or other basis shall be paid at a time as determined by each county and city board of education and expenditures from State funds shall be within allocations made by the State Board of Education and in accordance with rules and regulations approved by the State Board of Education concerning allocations of State funds. Included within the term of employment shall be provided for full-time employees the same rate of annual vacation leave and legal holidays as set out in subdivision (1) above and said vacation leave shall be taken under policies determined by each county and city board of education.
- (6) The provisions for annual vacation leave and holidays referred to in this section shall apply only to such persons employed by the county and city boards of education during the days designated by each county and city board of education as vacation days. Vacation days shall not be used for extending the term of employment of individuals and shall not be cumulative from one fiscal year to another fiscal year.
- (7) Each county and city board of education shall sustain any loss by reason of an overpayment to any school official or other employee paid from State funds.
- (8) All of the foregoing provisions of this section shall be subject to the requirement that at least fifty dollars (\$50.00) or other minimum amount required by federal social security laws, of the compensation of each school employee covered by the Teachers' and State Employees' Retirement System or otherwise eligible for Social Security coverage, shall be paid in each of the four quarters of the calendar year. (1955, c. 1372, art. 18, s. 6; 1961, c. 1085; 1971, c. 1052; 1973, c. 647, s. 1.)

Editor's Note. — The 1971 amendment, effective July 1, 1971, rewrote provisions of the former second paragraph relating to employment of classified principals.

The 1973 amendment, effective July 1, 1973, rewrote this section.

Session Laws 1973, c. 647, s. 2, provides that implementation of the provisions of the 1973 amendment to this section is dependent upon the availability of funds.

§ 115-157.1. Salaries of teachers and principals in certain State institutions.—All persons employed as teachers or principals in the schools and institutions listed in subsection (p) of G.S. 115-142 shall be compensated at the

same rate as are teachers in the public schools in accordance with the salary schedule adopted by the State Board of Education. (1973, c. 315, s. 2.)

Editor's Note. — Session Laws 1973, c. 315, s. 3, makes the act effective July 1, 1973.

§ 115-159.1. Salary of teacher injured during episode of violence.—

(a) Any teacher as defined in G.S. 135-1(25) who, while engaged in the course of his employment or in any activities incidental thereto, suffers any injury or disability resulting from or arising out of any episode of violence by one or more persons shall be entitled to receive his full salary during the shortest of these periods: one year, or the continuation of his disability, or the time during which he is unable to engage in his employment because of injury. An episode of violence shall be defined to mean but shall not be limited to any acts of violence directed toward any school building or facility, or to any teacher or any student by any person including but not limited to another student. These benefits shall be in lieu of all other income or disability benefits payable under workmen's compensation to such teacher only during the period prescribed herein. Thereafter, such teacher shall be paid such income or disability payments to which he might be entitled under workmen's compensation. If the employment of a substitute teacher is necessitated by the disability of the injured teacher, the salary of such substitute teacher shall be paid from the same source of funds from which the teacher is paid. This section shall in no way limit the right of the injured teacher to receive the benefits of medical, hospital, drug and related expense payments from any source, including workmen's compensation. Provided further that this section shall not apply to any teacher who is injured while he himself participates in or provokes such episode of violence except as is incident to the maintenance or restoration of order or classroom discipline or to defend himself. Provided further that this section shall be given liberal construction and interpretation as to any and all definitions, conditions, and factual circumstances set forth herein.

(b) Any teacher claiming the benefits of this section shall file claim with the board of education employing such teacher within one year after the occurrence giving rise to his alleged injury. That board of education shall, within 30 days after receipt of such claim, decide whether and to what extent that teacher is entitled to the benefits of this section and shall forthwith transmit its decision in writing to such teacher. That teacher shall, however, have the right to appeal the decision of that board of education to the North Carolina Industrial Commission by serving that board of education and the North Carolina Industrial Commission with written notice thereof within 30 days after receipt of the board's written decision. In determining all appeals under this section the North Carolina Industrial Commission shall constitute a court for the purpose of hearing de novo and passing upon all claims thereby presented in accordance with procedures utilized by the Commission in determining claims under the Workmen's Compensation Act. The decision of the Industrial Commission in each instance shall be subject to appeal to the North Carolina Court of Appeals as provided in G.S. 143-293 and G.S. 143-294. (1971, c. 640, ss. 1, 2; 1973, c. 753.)

Editor's Note.—The 1973 amendment, in sentence, and inserted "or classroom discipline" near the end of the next-to-last subsection (a), rewrote the first sentence, added the second sentence and the last sentence.

Census, Admissions and Attendance.

§ 115-162. Age requirement and time of enrollment. — Children to be entitled to enrollment in the public schools for the school year 1955-1956, and each year thereafter, must have passed the sixth anniversary of their birth before October first of the year in which they enroll, and must enroll during the first month of the school year: Provided, that if a particular child has already been attending school in another state in accordance with the laws or regulations of the school authorities of such state before moving to and becoming a resident of North Carolina, such child will be eligible for enrollment in the schools of this State regardless of whether such child has passed the sixth anniversary of his birth before October first. The State Board of Education is hereby authorized and empowered, in its discretion, to change the above dates of October first. The principal of any public school shall have the authority to require the parents of any child presented for admission for the first time to such school to furnish a certified copy of the birth certificate of such child, which shall be furnished without charge by the register of deeds of the county having on file the record of the birth of such child, or other satisfactory evidence of date of birth. (1955, c. 1372, art. 19, s. 2; 1969, c. 1213, s. 4; 1973, c. 603, s. 3.)

The 1973 amendment, effective July 1, 1973, deleted the paragraph added by the 1969 amendment.

§ 115-163. Pupils residing in school district shall have advantages of public schools.—All pupils residing in a school district or attendance area, and who have not been removed from school for cause, shall be entitled to all the privileges and advantages of the public schools of such district or attendance area in such school buildings to which they are assigned by county and city boards of education: Provided, that wherever pupils from nontax units, districts, or attendance areas, are assigned to a school in a tax unit, district, or attendance area, the assignment shall be for only the current school year, unless satisfactory agreements are reached between all units, districts, or attendance areas concerned: Provided, further, that pupils residing in one administrative unit may be assigned either with or without the payment of tuition to a school located in another administrative unit upon such terms and conditions as may be agreed in writing between the boards of education of the administrative units involved and entered upon the official records of such boards: Provided, further,

that the assignment of pupils living in one administrative unit or district to a school located in another administrative unit or district, either with or without the payment of tuition, shall have no effect upon the right of the administrative unit or district to which said pupils are assigned to levy and collect any supplemental tax heretofore or hereafter voted in such administrative unit or district: Provided, further, the boards of education of adjacent administrative units may operate schools in adjacent units upon written agreements between the respective boards of education and approval by the county commissioners and the State Board of Education.

Unless otherwise assigned by the county or city board of education, the following pupils are entitled to attend the schools in the district or attendance area in which they reside:

- (1) All persons of the district or attendance area who have not completed the prescribed course for graduation in the high school. Provided, the superintendent, or the principal with the approval of the superintendent, of the school administrative unit may, in his discretion, prohibit the enrollment of or remove from school any pupil who has attained the age of 21 years.
- (2) All pupils whose parents have recently moved into the unit, district, or attendance area for the purpose of making their legal residence in the same.
- (3) Any pupil or pupils living with either father, mother or guardian who has made his or her permanent home within the district. (1955, c. 1372, art. 19, s. 3; 1971, c. 153.)

Editor's Note. — The 1971 amendment added the second sentence in subdivision (1) of the second paragraph.

§ 115-165. Children not entitled to attend public schools.—A child so severely afflicted by mental, emotional or physical incapacities as to make it unlikely for such child to substantially profit by instruction given in the public schools shall not be permitted to attend the public schools of the State. When such child is presented for enrollment in a public school, it shall be the duty of the county or city superintendent of schools to have made the appropriate medical, social, psychological and educational examination of the child to determine whether the child can profit from attending the public schools. When appropriate the school superintendent also may consult with the local health director and county director of public welfare. Upon receipt of a report indicating that the child cannot substantially profit from instruction given in the public school, the county or city superintendent of schools is authorized to exclude the child from the public schools.

If the child is excluded from the public schools, the parent, person standing in loco parentis, or guardian of the child may appeal the superintendent's decision to the city or county board of education as the case may be. Such board of education may uphold the superintendent's decision to exclude the child or it may reverse the decision and order the child's enrollment. If it deems necessary, the board of education may require additional examination of the child. In the event the board upholds the superintendent's decision to exclude the child, the action of the board of education shall be the final administrative determination. The parent or guardian, however, shall have the right to appeal the school board's decision to the court under article 33 of chapter 143 of the North Carolina General Statutes. In all such cases in which a child is excluded from a public school, a complete record of the transaction shall be available to the parent, person standing in loco parentis, or guardian at their request. (1955, c. 1372, art. 19, s. 5; 1961, c. 186; 1965, c. 584, s. 17; 1969, c. 340.)

Editor's Note.—

The 1969 amendment rewrote this section.

Due Process Requirements for Prolonged Suspension.—Where exclusion or suspension for any considerable period of time is a possible consequence of proceedings, due process requires a number of procedural safeguards to students such as: (1) notice to parents and student in the form of a written and specific statement of the charges which, if proved, would justify the punishment sought; (2) a full hearing after adequate notice; (3) which hearing is conducted by an impartial tribunal; (4) the right to examine exhibits and other evidence against the student; (5) the right to

be represented by counsel (though not at public expense); (6) the right to confront and examine adverse witnesses; (7) the right to present evidence on behalf of the student; (8) the right to make a record of the proceedings; and, (9) the requirement that the decision of the authorities be based upon substantial evidence. *Givens v. Poe*, 346 F. Supp. 202 (W.D.N.C. 1972).

Limited Court Review.—Court review of suspensions and exclusions, regardless of where the child lives, is limited by this section to the superior court under Chapter 143, Article 33, the Administrative Procedure Act. *Givens v. Poe*, 346 F. Supp. 202 (W.D.N.C. 1972).

ARTICLE 20.

General Compulsory Attendance Law.

§ 115-166. Parent or guardian required to keep child in school; exceptions.—Every parent, guardian or other person in this State having charge or control of a child between the ages of seven and 16 years shall cause such child to attend school continuously for a period equal to the time which the public school to which the child is assigned shall be in session. No person shall encourage, entice or counsel any such child to be unlawfully absent from school.

The principal, superintendent, or teacher who is in charge of such school shall have the right to excuse a child temporarily from attendance on account of sickness or other unavoidable cause which does not constitute unlawful absence as defined by the State Board of Education. The term "school" as used herein is defined to embrace all public schools and such nonpublic schools as have teachers and curricula that are approved by the county or city superintendent of schools or the State Board of Education.

All nonpublic schools receiving and instructing children of a compulsory school age shall be required to keep such records of attendance and render such reports of the attendance of such children and maintain such minimum curriculum standards as are required of public schools; and attendance upon such schools, if the school refuses or neglects to keep such records or to render such reports, shall not be accepted in lieu of attendance upon the public school of the district to which the child shall be assigned: Provided, that instruction in a nonpublic school shall not be regarded as meeting the requirements of the law unless the courses of instruction run concurrently with the term of the public school in the district and extend for at least as long a term. Provided, further that any child which is afflicted by mental, emotional, or physical incapacities so as to make it unlikely that such child could substantially profit by instruction given in the public schools, he or she need not be presented for enrollment upon presentation to the superintendent of city or county schools of evidence that medical, social, psychological and educational evaluation has been made showing that such child could not substantially profit by instruction in the public schools. (1955, c. 1372, art. 20, s. 1; 1956, Ex. Sess., c. 5; 1963, c. 1223, s. 6; 1969, c. 339; c. 799, s. 1; 1971, c. 846.)

Editor's Note.—

The first 1969 amendment added the second proviso to the last paragraph of the section.

The second 1969 amendment deleted

"and in which he is enrolled" following "assigned" in the first paragraph and also deleted a proviso in the first paragraph exempting children from the requirement of that paragraph under certain circumstances,

and inserted "could" preceding "substantially profit" near the beginning of the second proviso in the last paragraph.

The 1971 amendment added the second sentence of the first paragraph.

§ 115-169. Violation of law; penalty. — Any parent, guardian or other person violating the provisions of this article shall be guilty of a misdemeanor and upon conviction shall be fined not more than fifty dollars (\$50.00) or imprisoned not more than thirty (30) days, or both, in the discretion of the court. (1955, c. 1372, art. 20, s. 4; 1969, s. 2.)

Editor's Note. — The 1969 amendment rewrote the provisions relating to punishment.

§ 115-172. Deaf children and blind children to attend school; age limits; minimum attendance.—Every deaf child and every blind child between the ages of six and eighteen years of sound mind in North Carolina who shall be qualified for admission into a State school for the deaf or the blind shall attend a school that has an approved program for the deaf or the blind, or in the case of a blind child, such child may attend a public school, for a term of not less than nine months each year. Parents, guardians, or custodians of every such blind or deaf child between the ages of six and eighteen years shall send, or cause to be sent, such child to some school for the instruction of the blind or deaf or public school as herein provided. As to any deaf child, or any blind child not attending a public school as herein provided, the superintendent of any school for the blind or deaf may exempt any such child from attendance at any session or during any year, and may discharge from his custody any such blind or deaf child whenever such discharge seems necessary or proper. Such discharge or exemption shall be reviewed by the board of directors upon petition by the parent, guardian, or other interested person or the child who has been exempted or discharged; provided, however, that such board shall not be required to review such discharge or exemption more than once during each calendar year. Whenever a blind or deaf child shall reach the age of eighteen years and is still unable to become self-supporting because of his defects, such child shall continue in said school until he reaches the age of twenty-one, unless he becomes capable of self-support at an earlier date. (1955, c. 1372, art. 20, s. 7; 1969, c. 749, s. 1.)

§ 115-173. Parents, etc., failing to enroll deaf child in school guilty of misdemeanor; provisos.—The parents, guardians, or custodians of any deaf child or children between the ages of six and eighteen years failing to enroll such deaf child or children in some school for instruction as provided herein, shall be guilty of a misdemeanor, and upon conviction shall be fined or imprisoned, at the discretion of the court. Provided, that this section shall not apply to or be enforced against the parent, guardian, or custodian of any deaf child until such time as the superintendent of any school for the instruction of the deaf shall in his discretion serve written notice on such parent, guardian, or custodian, directing that such child be sent to the institution, advising such parents, guardians, or custodians of the legal requirements of this section and provided, further, that the willful failure of such parent, guardian, or custodian shall constitute a con-

tinuing offense and shall not be barred by the statute of limitations. (1955, c. 1372, art. 20, s. 8; 1969, c. 749, s. 1.)

Editor's Note. — The 1969 amendment rewrote this section.

§ 115-174. Parents, etc., failing to send blind child to school guilty of misdemeanor; provisos. — The parents, guardians, or custodians of any blind child or children between the ages of six and eighteen years failing to send such child or children to some school for the instruction of the blind or public school shall be guilty of a misdemeanor, and upon conviction shall be fined or imprisoned, at the discretion of the court. This section shall not be enforced against the parents, guardians, or custodians of any blind child until such time as the superintendent of some school for the instruction of the blind shall in his discretion serve written notice on such parents, guardians, or custodians directing that such child be sent to the said school or to a public school, advising such parents, guardians, or custodians of the legal requirements of this section and provided, further, that the willful failure of such parents, guardians, or custodians shall constitute a continuing offense and shall not be barred by the statute of limitations. The authorities of the Governor Morehead School shall not be compelled to retain in their custody or under their instruction any incorrigible person or persons of confirmed immoral habits. (1955, c. 1372, art. 20, s. 9; 1969, c. 749, s. 1.)

Editor's Note. — The 1969 amendment rewrote this section.

§ 115-175. School superintendent to report blind and deaf children. — It shall be the duty of the county and city school superintendents to report the names and addresses of parents, guardians, or custodians of any deaf or blind children residing within their respective school administrative units to the superintendent of the institution provided for each. Such report also shall be made to the Department of Public Instruction. (1955, c. 1372, art. 20, s. 10; 1969, c. 749, s. 1.)

ARTICLE 21.

Assignment and Enrollment of Pupils.

§ 115-176. Authority to provide for assignment and enrollment of pupils; rules and regulations.

Constitutionality.—

Although this article has been declared facially constitutional, when such a statute is applied to discriminate against negro pupils, it is given an unconstitutional application. Criteria may not be used to screen and deny negro applicants to a particular school if they are not used in the same manner to screen and deny white applicants similarly situated. *Felder v. Harnett County Bd. of Educ.*, 349 F.2d 366 (4th Cir. 1965).

Power of Local Boards Is Only Subject to Standards and Limitations of This Article.—The State has entrusted to the county and city boards of education the "full and complete" power to assign and reassign each child residing within its unit to a public school, subject only to the standards

and limitations prescribed by the Pupil Assignment Law, including the power of the courts of North Carolina to hear de novo an appeal from the final order of the board and, thereupon, to enter the appropriate order. In *re Varner*, 266 N.C. 409, 146 S.E.2d 401 (1966).

This article imposes upon the school board, and upon the courts on appeal from it, a solemn duty, for in applying this article to the application for the reassignment of a child, the board is dealing with an asset of the State which cannot be valued in the terms of the market place. In *re Varner*, 266 N.C. 409, 146 S.E.2d 401 (1966).

Which Board May Not Delegate.—The Pupil Assignment Law does not authorize the school board to abdicate or delegate

its duty to exercise the power so entrusted to it for the best interests of the applying child. In *re Varner*, 266 N.C. 409, 146 S.E.2d 401 (1966).

The school board is endowed by this section with "full and complete" and "final" authority to assign students to whatever schools the board chooses to assign them. The board may not shift this statutory burden to others. *Swann v. Charlotte-Mecklenburg Bd. of Educ.*, 306 F. Supp. 1299 (W.D.N.C. 1969).

Hence, Board May Not Transfer Its Power to Federal Employee.—The school board may not, in the hope of receiving money for its school, shut its eyes to the mandate of the statute. It may not, by contract or otherwise, transfer its power to an employee of the federal government, or bind itself to exercise it as he may direct, or in any other manner than that provided in this article, or for any purpose other than that for which the State conferred the power upon it. In *re Varner*, 266 N.C. 409, 146 S.E.2d 401 (1966).

It is the local school board, and not the court, which has the duty to assign pupils and operate the schools, subject to the requirements of the Constitution. It is the court's duty to assess any pupil assignment plan in terms of the Constitution which is still the supreme law of the land. *Swann v. Charlotte-Mecklenburg Bd. of Educ.*, 300 F. Supp. 1358 (W.D.N.C. 1969).

Other Factors Than Mixture of Races May Be Considered.—There is no constitutional requirement that the school board act with the conscious purpose of achieving the maximum mixture of races in the school population. The Constitution permits the board to consider natural geographic boundaries, accessibility of particular schools, and many other factors which are unrelated to race. So long as the boundaries are not drawn for the purpose of maintaining racial segregation, the school board is under no constitutional requirement that it effectively and completely counteract all of the effects of segregated housing patterns. *Swann v. Charlotte-Mecklenburg Bd. of Educ.*, 369 F.2d 29 (4th Cir. 1966).

Duty to Desegregate Schools.—School officials have the continuing duty to take whatever action may be necessary to create a unitary, nonracial system. *Swann v. Charlotte-Mecklenburg Bd. of Educ.*, 300 F. Supp. 1358 (W.D.N.C. 1969).

The school board has a duty to promote acceptance of and compliance with the law. *Swann v. Charlotte-Mecklenburg Bd.*

of Educ., 306 F. Supp. 1299 (W.D.N.C. 1969).

School boards are clearly charged with the affirmative duty to desegregate schools "now" by positive measures. *Swann v. Charlotte-Mecklenburg Bd. of Educ.*, 300 F. Supp. 1358 (W.D.N.C. 1969).

School boards operating state-compelled racially dual systems are clearly charged with the affirmative duty to take whatever steps might be necessary to convert to a unitary system in which racial discrimination will be eliminated root and branch. *Swann v. Charlotte-Mecklenburg Bd. of Educ.*, 300 F. Supp. 1358 (W.D.N.C. 1969).

The duty of the local school boards is not simply a negative duty to refrain from active legal racial discrimination, but a duty to act positively to fashion affirmatively a school system as free as possible from the lasting effects of historical apartheid. *Swann v. Charlotte-Mecklenburg Bd. of Educ.*, 300 F. Supp. 1358 (W.D.N.C. 1969).

The school board has an affirmative duty to promote faculty desegregation and desegregation of pupils, and to deal with the problem of the all-black schools. *Swann v. Charlotte-Mecklenburg Bd. of Educ.*, 300 F. Supp. 1358 (W.D.N.C. 1969).

The board must fashion steps which promise realistically to convert promptly to a system without a "white" school and a "negro" school but just schools. *Swann v. Charlotte-Mecklenburg Bd. of Educ.*, 306 F. Supp. 1299 (W.D.N.C. 1969).

De jure segregation was outlawed by the two decisions of the United States Supreme Court in *Brown v. Board of Educ.*, 347 U.S. 483, 74 S. Ct. 686, 98 L. Ed. 873, 38 A.L.R.2d 1180 (1954) and 349 U.S. 294, 75 S. Ct. 753, 99 L. Ed. 1083 (1955). *Swann v. Charlotte-Mecklenburg Bd. of Educ.*, 300 F. Supp. 1358 (W.D.N.C. 1969).

In the field of public education the doctrine of "separate but equal" has no place. Separate educational facilities are inherently unequal. *Swann v. Charlotte-Mecklenburg Bd. of Educ.*, 300 F. Supp. 1358 (W.D.N.C. 1969).

"Freedom of Choice."—In desegregating a racially dual school system a plan utilizing "freedom of choice" is not an end in itself. "Freedom of choice" is not a sacred talisman; it is only a means to a constitutionally required end—the abolition of the system of segregation and its effects. *Swann v. Charlotte-Mecklenburg Bd. of Educ.*, 300 F. Supp. 1358 (W.D.N.C. 1969).

The neighborhood school theory has no standing to override the Constitution. *Swann v. Charlotte-Mecklenburg Bd. of Educ.*, 300 F. Supp. 1358 (W.D.N.C. 1969).

The neighborhood school theory was repudiated by the 1955 General Assembly and still stands repudiated in the Pupil Assignment Act of 1955-56. *Swann v. Charlotte-Mecklenburg Bd. of Educ.*, 300 F. Supp. 1358 (W.D.N.C. 1969).

The neighborhood school concept never prevented statutory racial segregation; it may not now be validly used to perpetuate segregation. *Swann v. Charlotte-Mecklenburg Bd. of Educ.*, 300 F. Supp. 1358 (W.D.N.C. 1969).

The quality of public education should not depend on the economic or racial accident of the neighborhood in which a child's parents have chosen to live—or find they must live—nor on the color of his skin. *Swann v. Charlotte-Mecklenburg Bd. of Educ.*, 300 F. Supp. 1358 (W.D.N.C. 1969).

Where pupils live must not control where they are assigned to school, if some other approach is necessary in order to eliminate racial segregation. *Swann v. Charlotte-Mecklenburg Bd. of Educ.*, 306 F. Supp. 1299 (W.D.N.C. 1969).

Desegregation Plan—Burden on School Board.—The burden on a school board today is to come forward with a school desegregation plan that promises realistically to work, and promises realistically to work now. *Swann v. Charlotte-Mecklenburg Bd. of Educ.*, 300 F. Supp. 1358 (W.D.N.C. 1969).

Same—Purpose.—The transition to a unitary, nonracial system of public education was and is the ultimate end to be brought about by a school desegregation plan. *Swann v. Charlotte-Mecklenburg Bd. of Educ.*, 300 F. Supp. 1358 (W.D.N.C. 1969).

Same—Methods of Desegregation.—In developing a desegregation plan, the school board is free to consider all known ways of desegregation, including bussing; pairing of grades or of schools; enlargement and realignment of existing zones; freedom of transfer coupled with free transportation for those who elect to abandon de facto segregated schools; and any other methods calculated to establish education as a public program operated according to its own independent standards, and unhampered and uncontrolled by the race of the faculty or pupils or the temporary housing patterns of the community. *Swann v. Charlotte-Mecklenburg Bd. of Educ.*, 300 F. Supp. 1358 (W.D.N.C. 1969).

Same—Rezoning.—A school desegrega-

tion plan should try to avoid any rezoning which tends to perpetuate segregated pupil assignment. *Swann v. Charlotte-Mecklenburg Bd. of Educ.*, 300 F. Supp. 1358 (W.D.N.C. 1969).

Administrative Transfers.—The board should retain its statutory power and duty to make assignments of pupils for administrative reasons, with or without requests from parents. Administrative transfers shall not be made if the result of such transfers is to restore or increase the degree of segregation in either the transferor or the transferee school. *Swann v. Charlotte-Mecklenburg Bd. of Educ.*, 311 F. Supp. 263 (W.D.N.C. 1970).

Assignment to School outside Administrative Unit.—

The legislature contemplated agreements between boards acting within the framework of the statute and free to accomplish its purpose—the assignment of the individual child to the school where his or her “best interest” would be served without disruption of that school. *In re Varner*, 266 N.C. 409, 146 S.E.2d 401 (1966).

The board of one administrative unit cannot assign a child to a school in another administrative unit without the consent of the board of the other unit. *In re Varner*, 266 N.C. 409, 146 S.E.2d 401 (1966).

Under the Pupil Assignment Law, as amended in 1956, the board of education of one city or county administrative unit may not permit to be enrolled in one of its schools a child who resides in the territory of another unit solely upon its own willingness to do so, plus the desire of the child or its parents to attend that school. Nothing else appearing, the assent of the board of the unit in which the child resides must be obtained. *In re Varner*, 266 N.C. 409, 146 S.E.2d 401 (1966).

The requirement that a child residing in one unit may not be placed in school in another unit without the assent of his resident unit's board is a protection to each unit against raids upon its student body by another unit so as to gain additional teacher allotment by the State on account of increased enrollment, or so as to gain accomplished athletes, or for any other purpose. *In re Varner*, 266 N.C. 409, 146 S.E.2d 401 (1966).

It is not within the fair intendment of this law that a board may enter into an agreement with some other agency or person that, come what may and regardless of the welfare of the applying child, the board will never agree to assign any child to any school in another county. *In re Varner*, 266 N.C. 409, 146 S.E.2d 401 (1966).

Stated in *Fries v. Rowan County Bd. of Educ.*, 7 N.C. App. 341, 172 S.E.2d 75 (1970).

Cited in *Huggins v. Wake County Bd. of Educ.*, 272 N.C. 33, 157 S.E.2d 703 (1967).

§ 115-176.1. Assignment of pupils based on race, creed, color or national origin prohibited.—No person shall be refused admission into or be excluded from any public school in this State on account of race, creed, color or national origin. No school attendance district or zone shall be drawn for the purpose of segregating persons of various races, creeds, colors or national origins from the community.

Where administrative units have divided the geographic area into attendance districts or zones, pupils shall be assigned to schools within such attendance districts; provided, however, that the board of education of an administrative unit may assign any pupil to a school outside of such attendance district or zone in order that such pupil may attend a school of a specialized kind including but not limited to a vocational school or school operated for, or operating programs for, pupils mentally or physically handicapped, or for any other reason which the board of education in its sole discretion deems sufficient. No student shall be assigned or compelled to attend any school on account of race, creed, color or national origin, or for the purpose of creating a balance or ratio of race, religion or national origins. Involuntary bussing of students in contravention of this article is prohibited, and public funds shall not be used for any such bussing.

The provisions of this article shall not apply to a temporary assignment due to the unsuitability of a school for its intended purpose nor to any assignment or transfer necessitated by overcrowded conditions or other circumstances which, in the sole discretion of the school board, require assignment or reassignment.

The provisions of this article shall not apply to an application for the assignment or reassignment by the parent, guardian or person standing in loco parentis of any pupil or to any assignment made pursuant to a choice made by any pupil who is eligible to make such choice pursuant to the provisions of a freedom of choice plan voluntarily adopted by the board of education of an administrative unit. (1969, c. 1274.)

This section cannot be interpreted to frustrate the constitutional prohibition against segregated schools. *Swann v. Charlotte-Mecklenburg Bd. of Educ.*, 312 F. Supp. 503 (W.D.N.C. 1970).

This section is unconstitutional in part. *Swann v. Charlotte-Mecklenburg Bd. of Educ.*, 312 F. Supp. 503 (W.D.N.C. 1970).

To the extent that this section may interfere with the board's performance of its affirmative constitutional duty to establish a unitary system, it is invalid. *Swann v. Charlotte-Mecklenburg Bd. of Educ.*, 312 F. Supp. 503 (W.D.N.C. 1970).

There is nothing unconstitutional in the first paragraph of this section. *Swann v. Charlotte-Mecklenburg Bd. of Educ.*, 312 F. Supp. 503 (W.D.N.C. 1970).

Or in the First Sentence of the Second Paragraph.—The first sentence of the second paragraph allows school boards to establish a geographically zoned neighborhood school system, but it does not require them to do so. Consequently, this sentence does not prevent the boards from complying with their constitutional duty in circumstances where zoning and neigh-

borhood school plans may not result in a unitary system. The clause in the first sentence permitting assignment for "any other reason" in the board's "sole discretion" means simply that the school boards may assign outside the neighborhood school zone for noninvidious, administrative reasons. So read, it presents no constitutional difficulty. *Swann v. Charlotte-Mecklenburg Bd. of Educ.*, 312 F. Supp. 503 (W.D.N.C. 1970).

The second and third sentences of the second paragraph are unconstitutional. They plainly prohibit school boards from assigning, compelling, or involuntarily bussing students on account of race, or in order to racially "balance" the school system. *Swann v. Charlotte-Mecklenburg Bd. of Educ.*, 312 F. Supp. 503 (W.D.N.C. 1970).

The Constitution is not color-blind with respect to the affirmative duty to establish and operate a unitary school system. A flat prohibition against assignment by race would, as a practical matter, prevent school boards from altering existing dual systems. Consequently, the statute clearly contra-

venes the Supreme Court's direction that boards must take steps adequate to abolish dual systems. *Swann v. Charlotte-Mecklenburg Bd. of Educ.*, 312 F. Supp. 503 (W.D.N.C. 1970).

Because any method of school desegregation involves selection of zones and transfer and assignment of pupils by race, a flat prohibition against racial "balance" violates the equal protection clause of the Fourteenth Amendment. *Swann v. Charlotte-Mecklenburg Bd. of Educ.*, 312 F. Supp. 503 (W.D.N.C. 1970).

North Carolina may not validly enact laws that prevent the utilization of any reasonable method otherwise available to establish unitary school systems. Its effort to do so in the second paragraph of this section is struck down by the equal protection clause of the Fourteenth Amendment and the supremacy clause (Article VI, clause 2 of the United States Constitution). *Swann v. Charlotte-Mecklenburg Bd. of Educ.*, 312 F. Supp. 503 (W.D.N.C. 1970).

This section's prohibition against "involuntary busing" violates the equal protection clause. Bussing may not be necessary to eliminate a dual system and establish a unitary one in a given case, but the legislature went too far when it undertook to prohibit its use in all factual contexts. To say that bussing shall not be resorted to unless unavoidable is a valid expression of state policy, but to flatly prohibit it regardless of cost, extent and all other factors—including willingness of a school board to experiment—contravenes the implicit mandate of *Green v. County School Bd.*, 391 U.S. 430, 437, 88 S. Ct. 1689, 20 L. Ed. 2d 716 (1968) that all reasonable methods be available to implement a unitary system. *Swann v. Charlotte-Mecklenburg Bd. of Educ.*, 312 F. Supp. 503 (W.D.N.C. 1970).

To forbid all assignments made on the basis of race would deprive school authorities of the one tool absolutely essential to fulfillment of their constitutional obligation to eliminate existing dual school systems. *North Carolina State Bd. of Educ. v. Swann*, 402 U.S. 1, 91 S. Ct. 1284, 28 L. Ed. 2d 554 (1971).

The flat prohibition against assignment of students for the purpose of creating a racial balance must inevitably conflict with the duty of school authorities to disestablish dual school systems. *North Carolina State Bd. of Educ. v. Swann*, 402 U.S. 1, 91 S. Ct. 1284, 28 L. Ed. 2d 554 (1971).

An absolute prohibition against use of ratios—even as a starting point—contra-

venes the implicit command of *Green v. County School Bd.*, 391 U.S. 430, 88 S. Ct. 1689, 20 L. Ed. 2d 716 (1968), that all reasonable methods be available to formulate an effective remedy. *North Carolina State Bd. of Educ. v. Swann*, 402 U.S. 1, 91 S. Ct. 1284, 28 L. Ed. 2d 554 (1971).

An absolute prohibition against transportation of students assigned on the basis of race, "or for the purpose of creating a balance or ratio," will hamper the ability of local authorities to effectively remedy constitutional violations. *North Carolina State Bd. of Educ. v. Swann*, 402 U.S. 1, 91 S. Ct. 1284, 28 L. Ed. 2d 554 (1971).

Thus, Section Is No Obstacle to Desegregation Plan Involving Bussing. — This State's anti-bussing law does not present an obstacle to a school desegregation plan involving bussing, for those provisions of this section in conflict with the plan have been declared unconstitutional. *Swann v. Charlotte-Mecklenburg Bd. of Educ.*, 431 F.2d 138 (4th Cir. 1970).

The Third Paragraph Is Constitutional. — The third paragraph of this section merely allows the school board noninvidious discretion to assign students to schools for valid administrative reasons. It does not relate to race at all and, so read, is constitutional. *Swann v. Charlotte-Mecklenburg Bd. of Educ.*, 312 F. Supp. 503 (W.D.N.C. 1970).

As Is the Fourth Paragraph. — The fourth paragraph of this section relieves school boards from compliance with the statute where they are implementing voluntarily adopted freedom-of-choice plans within their systems. It does not require the boards to adopt freedom of choice in any particular situation, but leaves them free to comply with their constitutional duty by any effective means available, including, where it is appropriate, freedom of choice. So interpreted, the paragraph is constitutional. *Swann v. Charlotte-Mecklenburg Bd. of Educ.*, 312 F. Supp. 503 (W.D.N.C. 1970).

Race Must Be Considered. — Just as the race of students must be considered in determining whether a constitutional violation has occurred, so also must race be considered in formulating a remedy. *North Carolina State Bd. of Educ. v. Swann*, 402 U.S. 1, 91 S. Ct. 1284, 28 L. Ed. 2d 554 (1971).

A requirement that school assignment plans be "color-blind," against the background of segregation, would render illusory the promise of *Brown v. Board of Educ.*, 347 U.S. 483, 74 S. Ct. 686, 98 L. Ed.

873 (1954). North Carolina State Bd. of Educ. v. Swann, 402 U.S. 1, 91 S. Ct. 1284, 28 L. Ed. 2d 554 (1971).

The Constitution does not compel any particular degree of racial balance or mixing, but when past and continuing constitutional violations are found, some ratios are likely to be useful starting points in shaping a remedy. North Carolina State Bd. of Educ. v. Swann, 402 U.S. 1, 91 S. Ct. 1284, 28 L. Ed. 2d 554 (1971).

School authorities have wide discretion

in formulating school policy, and as a matter of educational policy school authorities may well conclude that some kind of racial balance in the schools is desirable quite apart from any constitutional requirements. And Emphasis Is on Welfare of Child, etc.—

In accord with original. See *In re Varner*, 266 N.C. 409, 146 S.E.2d 401 (1966).

It is the best interest of the applying child which must guide the deliberations and control the decision of the board, unless the granting of the application will interfere with the proper administration of the school to which the child seeks reassignment or will endanger the proper instruction, the health or the safety of the other children enrolled therein. *In re Varner*, 266 N.C. 409, 146 S.E.2d 401 (1966).

No Agreement Can Authorize Board to Deny Reassignment Required by Statute.—

No agreement of the board with anyone, be he an employee of the federal government or otherwise, can authorize the board to deny an application for reassignment which the legislature, by a statute within its authority to enact, has provided that

the board shall grant. *In re Varner*, 266 N.C. 409, 146 S.E.2d 401 (1966).

When Reassignment Must Be Made.—

It is the duty of the board to reassign if the reassignment of the child to a new school will be for the best interest of the child and will not interfere with the proper administration of the school. *In re Varner*, 266 N.C. 409, 146 S.E.2d 401 (1966).

System of Free Transfers Held Constitutionally Permissible.—Where a system of free transfers is the only means by which many negroes can attend integrated schools, and each pupil in the system has the option, the existence of the right of transfer is constitutionally permissible. *Swann v. § 115-179. Appeal from decision of board.—Any person aggrieved by the final order of the county or city board of education may at any time within ten (10) days from the date of such order appeal therefrom to the superior court of the county in which such administrative school unit or some part thereof is located. Upon such appeal, the matter shall be heard de novo in the superior court before a jury in the same manner as civil actions are tried and disposed of therein. The record on appeal to the superior court shall consist of a true copy of the application and decision of the board, duly certified by the secretary of such board. If the decision of the court be that the order of the county or city board of education shall be set aside, then the court shall enter its order so providing and adjudging that such child is entitled to attend the school as claimed by the appellant, or such other school as the court may find such child is entitled to attend, and in such case such child shall be admitted to such school by the county or city board of education concerned. From the judgment of the superior court an appeal may be taken by an interested party or by the board to the appellate division in the

same manner as other appeals are taken from judgments of such court in civil actions. (1955, c. 366, s. 4; 1969, c. 44, s. 73.)

Editor's Note.—The 1969 amendment substituted "appellate division" for "Supreme Court" in the last sentence.

"De Novo".—

The Pupil Assignment Law provides that, upon appeal from the board to the superior court, the matter shall be heard de novo. In re Varner, 266 N.C. 409, 146 S.E.2d 401 (1966).

In a matter being heard in the superior court de novo, it is as if it were before the court in the first instance. That is, the court has the same powers, the same duties, and the same standards to guide it as the board had in the first instance. In re Varner, 266 N.C. 409, 146 S.E.2d 401 (1966).

No agreement of the board can deprive the courts of this State of jurisdiction conferred upon them by this section, or bar the court, before which an appeal from the board's order is brought as provided by this section, from entering the judgment prescribed in such case by this section. In re Varner, 266 N.C. 409, 146 S.E.2d 401 (1966).

And Courts Will Determine Right to Reassignment According to Statutory Standards.—So long as the Pupil Assignment Law remains the law of North Carolina, the courts of this State in passing upon appeals from orders of the boards of education concerning applications for the

reassignment of children to the public schools, will determine the right to reassignment in accordance with the standards prescribed by the statute, not pursuant to agreements between the board and another or letters from such other party setting forth his ex parte construction of the alleged agreement. In re Varner, 266 N.C. 409, 146 S.E.2d 401 (1966).

Power of Superior Court.—

On appeal, the superior court has the authority to reassign the child to the school which he and his parents want him to attend, if that is in the best interest of the child and the child's enrollment therein will not interfere with the proper administration of that school or endanger the instruction, the health or the safety of the other pupils there enrolled. In re Varner, 266 N.C. 409, 146 S.E.2d 401 (1966).

Upon appeal, the superior court has the authority to reassign the child to a school of another administrative unit, even though the board of education of the administrative unit wherein the child resides objects. In re Varner, 266 N.C. 409, 146 S.E.2d 401 (1966).

SUBCHAPTER IX. SCHOOL TRANSPORTATION.

ARTICLE 22.

School Buses.

§ 115-180. Authority of county and city boards of education. — Each county board of education, and each city board of education is hereby authorized, but is not required, to acquire, own and operate school buses for the transportation of pupils enrolled in the public schools of such county or city administrative unit and of persons employed in the operation of such schools within the limitations set forth in this Subchapter. Boards of education which own and operate school buses for the transportation of pupils shall have authority to establish separate systems of transportation for pupils attending elementary schools and for pupils attending junior or senior high schools. Each such board may operate such buses to and from such of the schools within the county or city administrative unit, and in such number, as the board shall from time to time find practicable and appropriate for the safe, orderly and efficient transportation of such pupils and employees to such schools. (1955, c. 1372, art. 21, s. 1; 1973, c. 586, s. 1.)

Editor's Note. — The 1973 amendment, effective July 1, 1973, added the second sentence.

Session Laws 1973, c. 586, s. 2, provides: "Funds appropriated for this purpose shall be allocated to the respective county and

city boards of education to implement the purposes of this act in accordance with the requirements of such boards as determined by the State Board of Education."

State Board Relieved, etc.—

In accord with original. See Brown v.

Charlotte-Mecklenburg Bd. of Educ., 267 N.C. 740, 149 S.E.2d 10 (1966).

This section authorizes a city board of education, without limitation, to transport all pupils residing within the unit. *Styers v. Phillips*, 277 N.C. 460, 178 S.E.2d 583 (1971).

Whether any school board shall operate a bus transportation system is a matter in its sole discretion. *Styers v. Phillips*, 277 N.C. 460, 178 S.E.2d 583 (1971).

A city board is not required to transport pupils living in the city and attending schools located therein even though transportation to those same schools is furnished pupils living outside the city. *Styers v. Phillips*, 277 N.C. 460, 178 S.E.2d 583 (1971).

Relief from Providing Transportation Not Construed as Prohibition against Providing It.—Subsection (e) of § 115-186 merely relieves the city boards of any duty to provide transportation and cannot be construed as a prohibition against providing it—especially in the face of this section which grants to city boards, without limitation, the authority to operate transportation systems. *Styers v. Phillips*, 277 N.C. 460, 178 S.E.2d 583 (1971).

The school boards have the power to use school buses for all legitimate school

purposes. *Swann v. Charlotte-Mecklenburg Bd. of Educ.*, 300 F. Supp. 1358 (W.D.N.C. 1969).

Use of School Buses to Promote Desegregation of Schools.—School buses can be used by the school boards to provide the flexibility and economy necessary to desegregate the schools. *Swann v. Charlotte-Mecklenburg Bd. of Educ.*, 300 F. Supp. 1358 (W.D.N.C. 1969).

The school board is free and encouraged to use school buses or other public transportation and to use mobile classrooms as needed to provide equality of educational opportunity. *Swann v. Charlotte-Mecklenburg Bd. of Educ.*, 300 F. Supp. 1358 (W.D.N.C. 1969).

Transportation of Students under Desegregation Plan Retaining Freedom of Choice.—If freedom of choice is retained in a desegregation plan, it should include provision for transportation free for any student who requests transfer out of a school where his race is in the majority, and to any school where his race is in the minority, and a means of insuring that all students have full and timely knowledge of the availability of such transportation. *Swann v. Charlotte-Mecklenburg Bd. of Educ.*, 300 F. Supp. 1358 (W.D.N.C. 1969).

§ 115-181. Authority and duties of State Board of Education.

State Board to Allocate Funds.—The State Board is authorized and directed by subsection (f) to allocate, without restriction, the funds appropriated for transportation during the school year to the boards of education which have elected to provide school bus transportation. *Styers v. Phillips*, 277 N.C. 460, 178 S.E.2d 583 (1971).

Burden of Producing Evidence that Board Failed to Make Allocations.—The burden is upon plaintiffs to produce evidence that the State Board has failed to make the allocations required by subsection (f). *Styers v. Phillips*, 277 N.C. 460, 178 S.E.2d 583 (1971).

Authority and Control by State Board Limited.—The only authority and control which the State Board has over the transportation of pupils is that provided in this Article. *Styers v. Phillips*, 277 N.C. 460, 178 S.E.2d 583 (1971).

State Board Not Responsible for Operation of School Buses.—The General As-

sembly has relieved the State Board of all responsibility for the operation of school buses. *Styers v. Phillips*, 277 N.C. 460, 178 S.E.2d 583 (1971).

The State Board does not authorize the transportation of any pupils. It allocates available funds to those boards which elect to operate transportation systems. *Styers v. Phillips*, 277 N.C. 460, 178 S.E.2d 583 (1971).

"The Respective County and City Boards of Education" Defined.—In subsection (f), "the respective county and city boards of education" means those which have elected to operate school buses. *Styers v. Phillips*, 277 N.C. 460, 178 S.E.2d 583 (1971).

Accelerated allocation and expenditure of transportation appropriation is sanctioned under subsection (g) of this section. *Styers v. Phillips*, 277 N.C. 460, 178 S.E.2d 583 (1971).

Stated in *Sparrow v. Gill*, 304 F. Supp. 86 (M.D.N.C. 1969).

§ 115-183. Use and operation of school buses.

- (5) County or city boards of education, under such rules and regulations as they shall adopt, may permit the use and operation of school buses for the transportation of pupils and instructional personnel as the board deems necessary to serve the instructional programs of the

schools. Included in the use permitted by this section is the transportation of children with special needs, such as mentally retarded children and children with physical defects, and children enrolled in programs that require transportation from the school grounds during the school day, such as special vocational or occupational programs. On any such trip, a city or county-owned school bus shall not be taken out of the State.

If State funds are inadequate to pay for the transportation approved by the local board of education, local funds may be used for these purposes. County or city boards of education shall determine that funds are available to such boards for the transportation of children to and from the school to which they are assigned for the entire school year before authorizing the use and operation of school buses for other services deemed necessary to serve the instructional program of the schools.

- (6) Under rules and regulations to be adopted by the board of education, school buses owned by said board may also be used for the evacuation of pupils and other school employees when such an evacuation is jointly authorized and directed by State and county or city civil defense directors; provided, the State Board of Education shall not be liable for operating costs nor for any compensation claims or tort claims incurred as a result of such an evacuation; provided further when buses are used for such civil defense purposes, the local civil defense agency in the area in which such evacuation tests are conducted shall be liable for operating costs and shall provide liability insurance for the full protection of the pupils and all school employees taking part in such evacuation tests and for all other compensation claims or tort claims incurred as a result of such evacuation. (1955, c. 1372, art. 21, s. 4; 1957, c. 1103; 1969, c. 47.)

Local Modification.—Buncombe: 1967, c. 480.

Editor's Note.—The 1969 amendment, effective July 1, 1969, added present subdivision (5) and deleted the former first sentence in present subdivision (6), relating to the use of school buses for field trips and for transportation to health clinics and to certain concerts.

As the rest of the section was not affected by the amendment, it is not set out.

opinion of Attorney General to Mr. D.P. Whitley, Jr., 41 N.C.A.G. 788 (1972).

§ 115-186. School bus routes.

Subsection (e) of this section is plainly constitutional. *Sparrow v. Gill*, 304 F. Supp. 86 (M.D.N.C. 1969).

The distinction between county and city pupils, created by subsection (e) of this section, is a constitutionally valid one. *Sparrow v. Gill*, 304 F. Supp. 86 (M.D.N.C. 1969).

Subsection (e) of this section is wholly reasonable. The State legislature could reasonably have concluded that transportation was more imperative for county students than for city students. The degree of urbanization of the entire State has not yet become so pronounced that the legislature might not reasonably conclude that

city students have easier access than do county students to public transportation; that they are more apt to have sidewalks and other pedestrian protections on their way to school; that they are more apt to participate in an "automobile" culture simplifying family transportation and the formation of carpools, than their county-dwelling counterparts. *Sparrow v. Gill*, 304 F. Supp. 86 (M.D.N.C. 1969).

Whether it would be better and fairer to abolish the city-county distinction and go to a measured-distance-from-school basis is a political question for the people and their legislative representatives. *Sparrow v. Gill*, 304 F. Supp. 86 (M.D.N.C. 1969).

Whether any school board shall operate a bus transportation system is a matter in its sole discretion. *Styers v. Phillips*, 277 N.C. 460, 178 S.E.2d 583 (1971).

There is no "duty" to provide transportation to city pupils attending in-city schools. *Sparrow v. Gill*, 304 F. Supp. 86 (M.D.N.C. 1969).

A city board is not required to transport pupils living in the city and attending schools located therein even though transportation to those same schools is furnished pupils living outside the city. *Styers v. Phillips*, 277 N.C. 460, 178 S.E.2d 583 (1971).

This section merely declares that the transportation of pupils who live outside the city limits in which the school they attend is located does not impose a correlative duty to transport pupils who live within the city and attend the same school. This classification is entirely reasonable, since ordinarily school children can obtain both private and public transportation more easily in the cities than in rural areas. *Styers v. Phillips*, 277 N.C. 460, 178 S.E.2d 583 (1971).

But Boards Not Forbidden to Supply Funds for Intra-City Transportation.—Subsection (e) of this section does not forbid either the State Board or local boards to

supply funds for the intra-city transportation of pupils. *Styers v. Phillips*, 277 N.C. 460, 178 S.E.2d 583 (1971).

Subsection (e) of this section, which merely relieves the city boards of any duty to provide transportation, cannot be construed as a prohibition against providing it—especially in the face of § 115-180, which grants to city boards, without limitation, the authority to operate transportation systems. *Styers v. Phillips*, 277 N.C. 460, 178 S.E.2d 583 (1971).

Subsection (e) of this section does not prevent the State Board from allocating funds for the intra-city transportation of students. *Styers v. Phillips*, 277 N.C. 460, 178 S.E.2d 583 (1971).

Transportation Required for Certain Students.—This section requires provision of transportation for all students who are assigned to schools more than one and one-half miles from their homes. *Swann v. Charlotte-Mecklenburg Bd. of Educ.*, 402 U.S. 1, 91 S. Ct. 1267, 28 L. Ed. 2d 554 (1971).

Local school authorities may be required to employ bus transportation as one tool of school desegregation. *Swann v. Charlotte-Mecklenburg Bd. of Educ.*, 402 U.S. 1, 91 S. Ct. 1267, 28 L. Ed. 2d 554 (1971).

§ 115-190.1. Transportation continued for area annexed to municipality or included by consolidation of municipalities.—In each and every area of the State where school bus transportation of pupils to and from school is now being provided, such school transportation shall not be discontinued by any State or local governmental agency for the sole reason that the corporate limits of any municipality have been extended to include such area since February 6, 1957, and school bus transportation of pupils shall be continued in the same manner and to the same extent as if such area had not been included within the corporate limits of a municipality.

In each and every area of the State where school bus transportation of pupils to and from school is now being provided, such school transportation shall not be discontinued by any State or local governmental agency for the sole reason that two or more municipalities have consolidated and the corporate limits of the new, consolidated municipality includes such area, and school bus transportation of pupils shall be continued in the same manner and to the same extent as if such area had not been consolidated and had not been included within the corporate limits of the new, consolidated municipality. (1957, c. 1375; 1963, c. 917; c. 990, s. 4; 1965, c. 1095, s. 4; 1967, c. 877.)

Editor's Note.—

The 1967 amendment added the second paragraph.

This section is unconstitutional as creating an unreasonable statutory classifica-

tion. *Sparrow v. Gill*, 304 F. Supp. 86 (M.D.N.C. 1969).

This section is unconstitutional. Its fatal flaw is the arbitrary date of February 6, 1957, which is wholly unrelated to the

end apparently sought to be achieved: the allocation of limited transportation funds for the benefit of those students most needing bus transportation. To conclude that urbanization is more pronounced in those areas which were within municipal boundaries on February 6, 1957, than in those then without it, is to posit the timeliness of annexation efforts. This cannot be done. *Sparrow v. Gill*, 304 F. Supp. 86 (M.D.N.C. 1969).

Denying transportation to urban pupils residing in areas which were within the boundaries of a municipality on February 6, 1957, while providing it for those living in areas annexed by the city after February 6, 1957, violates the equal protection clause of the Constitution of the United States. *Styers v. Phillips*, 277 N.C. 460, 178 S.E.2d 583 (1971).

SUBCHAPTER X. INSTRUCTION.

ARTICLE 24.

Courses of Study.

§ 115-198. **Standard course of study for each grade.** — Upon the recommendation of the State Superintendent, the State Board of Education shall adopt a standard course of study for each grade in the elementary school and in the high school. In the course of study adopted by the State Board, the Board may establish a program of continuous learning based upon the individual child's need, interest, and stages of development, so that the program has a nongraded structure of organization. These courses of study shall set forth what subjects shall be taught in each grade, and outline the basal and supplementary books on each subject to be used in each grade.

The State Superintendent shall prepare a course of study for each grade of the school system which shall outline the appropriate subjects to be taught, together with directions as to the best methods of teaching them as guidance for the teachers. There shall be included in the course of study for each grade outlines and suggestions for teaching the subject of Americanism; and in one or more grades, as directed by the State Superintendent of Public Instruction, outlines for the teaching of harmful or illegal drugs including alcohol.

County and city boards of education shall require that all subjects in the course of study, except foreign languages, be taught in the English language, and any teacher or principal who shall refuse to conduct his recitations in the English language may be dismissed. (1955, c. 1372, art. 23, s. 1; 1969, c. 487, s. 1; 1971, c. 356.)

Editor's Note. — The 1969 amendment to "harmful or illegal drugs including alcohol" added the second sentence.

The 1971 amendment substituted "harmful or illegal drugs including alcohol" for "alcoholism and narcotism" at the end of the second paragraph.

§ 115-198.1: Repealed by Session Laws 1973, c. 603, s. 3, effective July 1, 1973.

§§ 115-205.1 to 115-205.10: Reserved for future codification purposes.**ARTICLE 24A.***Kindergartens.***§ 115-205.11. Establishment and maintenance of kindergartens.** —

County and city boards of education shall provide for their respective administrative unit kindergartens as a part of the public school system for all children living in the school administrative unit who are eligible for admission pursuant to G.S. 115-205.12 provided that funds are available from State, local, federal or other sources to operate a kindergarten program as provided in this Article.

All kindergarten programs so established shall be subject to the supervision of the State Department of Public Instruction and shall be operated in accordance with the standards adopted by the State Board of Education, upon recommendation of the State Superintendent of Public Instruction.

Among the standards to be adopted by the State Board of Education shall be a provision that the Board will allocate funds for the purpose of operating and administering kindergartens to each school administrative unit in the State based on the average daily membership for the best continuous three out of the first four school months of pupils in the first grade during the last school year in that respective school administrative unit.

Provided, that for the 1973-74 school year, sufficient funds shall be allocated by the Board to each county and city school administrative unit to operate a minimum of two kindergarten classes in each administrative unit. Provided further, that for each subsequent school year beginning with the 1974-75 school year, the Board shall allocate sufficient funds to each county and city school administrative unit to add at least one additional kindergarten class until all eligible children are enrolled. (1973, c. 603, s. 1.)

Editor's Note. — Session Laws 1973, c. 603, s. 4, makes the act effective July 1, 1973.

§ 115-205.12. Eligibility.—Beginning with the school year 1978-1979, in accordance with the provisions of G.S. 115-205.11, any child who has passed the fifth anniversary of his birth before October fifteenth of the year in which he enrolls shall be eligible for enrollment in kindergarten. Provided, however, that for the school years 1973-1974 through 1978-1979, the State Board of Education shall have enrolled in kindergartens that percentage on a statewide basis of the eligible children at the beginning of each school year in accord with the following table:

<i>Enrollment Date</i>	<i>Enrollment Percentage</i>
September, 1973	Not less than 16%
September, 1974	Not less than 25%
September, 1975	Not less than 45%
September, 1976	Not less than 65%
September, 1977	Not less than 85%
September, 1978	Not less than 100%

Among the standards to be adopted by the State Board of Education in administering the enrollment of the eligible children on the schedule set forth herein, the State Board of Education shall consider the availability and location of facilities in each administrative unit, the number of eligible children in each adminis-

trative unit, the transportation system in each administrative unit, appropriate birth-date groupings and other pertinent educational criteria.

Provided further, that a county and city board of education may, with the approval of the State Board, submit annually a plan for admission of five-year olds to the kindergarten program without following the time schedule set out hereinabove. (1973, c. 603, s. 1.)

§§ 115-206 and 115-207 to 115-215: Repealed by Session Laws 1969, c. 519, s. 2.

ARTICLE 25A.

Textbooks and Instructional Material.

§ 115-206.1. Textbook needs are determined by course of study.—When the State Board of Education has adopted, upon the recommendation of the State Superintendent of Public Instruction, a standard course of study at each instructional level in the elementary school and the secondary school, setting forth what subjects shall be taught at each level, it shall proceed to select and adopt textbooks. Textbooks adopted in accordance with the provisions of this article shall be used by the public schools of the State. (1955, c. 1372, art. 24, s. 1; 1959, c. 693, s. 1; 1969, c. 519, s. 1.)

Editor's Note. — Session Laws 1969, c. 519, repealed former Articles 25, containing §§ 115-206 to 115-215, and 26, containing §§ 115-216 to 115-228, and enacted this

article in their stead. Where appropriate, the historical citations to the sections of the repealed articles have been added to the sections of the new article.

§ 115-206.2. State Board of Education to select and adopt textbooks.—The Board shall select and adopt for a period determined to be most advantageous to the State public school system for the exclusive use in the public schools of North Carolina the basic textbooks or series of books needed for instructional purposes at each instructional level on all subject matter required by law to be taught in elementary and secondary schools of North Carolina. (1955, c. 1372, art. 24, s. 2; 1959, c. 693, s. 2; 1965, c. 584, s. 18; 1969, c. 519, s. 1.)

§ 115-206.3. Appointment of Textbook Commission.—Shortly after assuming office, the Governor, upon recommendation of the State Superintendent, shall appoint a Textbook Commission of twelve members who shall hold office for four years, or until their successors are elected and qualified. The Governor shall fill all vacancies by appointment for the unexpired term. Six of the members shall be teachers or principals in the elementary grades; five shall be teachers or principals in the high school grades; and one shall be a superintendent of a county or city school administrative unit. The Commission shall elect a chairman, subject to the approval of the State Superintendent. The members shall be entitled to compensation for each day spent on the work of the Commission as approved by the Board and to reimbursement for travel and subsistence expense incurred in

the performance of their duties at rates specified in G.S. 138-5 (b). (1955, c. 1372, art. 24, s. 3; 1969, c. 519, s. 1.)

State Government Reorganization.—The Textbook Commission was transferred to the Department of Public Education by § 143A-48, enacted by Session Laws 1971, c. 864.

§ 115-206.4. Commission to evaluate books offered for adoption.—The members of the Commission who are teachers or principals in the elementary grades shall evaluate all textbooks offered for adoption in the elementary grades. The members who are teachers or principals in the high schools shall evaluate all books offered for adoption in the high school grades.

Each member shall examine carefully and file a written evaluation of each book offered for adoption in the category for which he is responsible.

The evaluation report shall give special consideration to the suitability of the book to the instructional level for which it is offered, the content or subject matter, and other criteria prescribed by the Board.

Each evaluation report shall be signed by the member making the report and filed with the Board not later than a day fixed by the Board when the call for adoption is made. (1955, c. 1372, art. 24, s. 4; 1969, c. 519, s. 1.)

§ 115-206.5. Selection of textbooks by Board.—At the next meeting of the Board after the reports have been filed, the Textbook Commission and the Board shall jointly examine the reports. From the books evaluated the Board shall select those that it thinks will meet the teaching requirements of the State public schools in the instructional levels for which they are offered. The Board shall then request sealed bids from the publishers on the selected books.

The Board shall make all necessary rules and regulations concerning requests for bids, notification to publishers of calls for adoption, execution and delivery of contracts, requirement of performance bonds, cancellation causes, and such other material matters as may affect the validity of the contracts. (1955, c. 1372, art. 24, s. 5; 1969, c. 519, s. 1.)

§ 115-206.6. Adoption of textbooks and contracts with publishers.—The publishers' sealed bids shall be opened in the Board's presence at the next regular meeting after the Board has requested the submission of bids. The Board may then adopt the books required by the courses of study and enter into contracts with the publisher of adopted books. It may refuse to adopt any of the books offered at the prices bid and call for new bids. When bids are accepted and a contract entered into, the contract may require, in the Board's discretion, that the total sales of each book in the State of North Carolina be reported annually to the Board. (1955, c. 1372, art. 24, s. 6; 1969, c. 519, s. 1.)

§ 115-206.7. Continuance and discontinuance of contracts with publishers.—When an existing or future contract expires, the Board may, with the publisher's approval, continue the contract for any particular book or books for a period not less than one or more than five years. If a publisher desires to terminate a contract that has been extended beyond the original contract period, he shall give notice to the Board ninety days prior to May 1. The Board may then proceed to a new adoption. (1955, c. 1372, art. 24, s. 7; 1969, c. 519, s. 1.)

§ 115-206.8. Procedure for change of textbook.—The Superintendent may at any time communicate to the Board that a particular book is unsatisfactory for the schools, whereupon the Board may call for a new selection and adoption. If the Board votes to change a textbook, it shall give the publisher ninety days' notice prior to May 1, after which it may adopt a new book or books on the subject for which a book is sought. (1955, c. 1372, art. 24, s. 7; 1969, c. 519, s. 1.)

§ 115-206.9. Advice from and suits by Attorney General.—The form and legality of contracts between the Board and publishers of textbooks shall be subject to the approval of the Attorney General.

When requested by the Board, the Attorney General shall bring suit against any publisher who fails to keep his contract as to prices, distribution, adequate supply of books in the edition adopted, or in any other way violates the terms of his contract. The suit shall be brought for an amount sufficient to enforce the contract or to compensate the State for any loss sustained by the publisher's failure to keep his contract. (1955, c. 1372, art. 24, s. 8; 1969, c. 519, s. 1.)

§ 115-206.10. Publishers to register. — Any publisher who submits books for adoption shall register in the office of the State Superintendent of Public Instruction the names of all agents or other employees authorized to represent that company in the State, and this registration list shall be open to the public for inspection. (1955, c. 1372, art. 24, s. 9; 1969, c. 519, s. 1.)

§ 115-206.11. Sale of books at lower price reduces price to State. — Every contract made by the Board with the publisher of any school textbook on the state-adopted list shall be deemed to have written therein a condition providing that if that publisher, during the life of his contract with this State, contracts with any other governmental unit or places that textbook on sale anywhere in the United States for a price less than that stipulated in his contract with the State of North Carolina, the publisher shall immediately furnish that textbook to this State at a price not greater than that for which the book is furnished, sold, or placed on sale anywhere else in the nation. (1955, c. 1372, art. 24, s. 10; 1969, c. 519, s. 1.)

§ 115-206.12. Powers and duties of the State Board of Education in regard to textbooks. — The children of the public elementary and secondary schools of the State shall be provided with free basic textbooks within the appropriation of the General Assembly for that purpose. The State Board of Education is directed to request sufficient appropriations from the General Assembly to implement this directive.

The State Board of Education shall administer a fund and establish rules and regulations necessary to:

- (1) Acquire by contract such basic textbooks as are or may be on the adopted list of the State of North Carolina which the Board finds necessary to meet the needs of the State's public school system and to carry out the provisions of this article.
- (2) Provide a system of distribution of these textbooks and distribute the books that are provided without using any depository or warehouse facilities other than that operated by the State Board of Education.
- (3) Provide for the free use, with proper care and return, of elementary and secondary basic textbooks. The title of said books shall be vested in the State. (1955, c. 1372, art. 25, s. 1; 1965, c. 584, s. 19; 1969, c. 519, s. 1.)

§ 115-206.13. State Board of Education authorized to discontinue handling supplementary and library books. — The State Board of Education may discontinue the adoption of supplementary textbooks and, at the expiration of existing contracts, may discontinue the purchase, warehousing, and distribution of supplementary textbooks. The Board may also discontinue the purchase and resale of library books. Funds appropriated to the State Board of Education for supplementary textbooks shall be transferred to the State Nine Months School Fund for allotment to each school administrative unit, based on its average daily membership, for the purchase of supplementary textbooks, library books, periodicals, and other instructional materials. (1969, c. 519, s. 1.)

§ 115-206.14. Local boards of education to provide for local operation of the textbook program and the selection and procurement of other instructional materials. — (a) Local boards of education shall adopt

rules and regulations not inconsistent with the policies of the State Board of Education concerning the local operation of the textbook program.

(b) Local boards of education shall adopt written policies concerning the procedures to be followed in its school administrative unit for the selection and procurement of supplementary textbooks, library books, periodicals, and other instructional materials needed for instructional purposes in the public schools of that unit. Supplementary books and other instructional materials shall neither displace nor be used to the exclusion of basic textbooks.

(c) Funds allocated by the State Board of Education or appropriated in the current expense or capital outlay budgets of the school administrative units, may be used for the above-stated purposes. (1969, c. 519, s. 1.)

§ 115-206.15. Legal custodians of books furnished by State. — Local boards of education are the custodians of all books furnished by the State. They shall provide adequate and safe storage facilities for the proper care of these books and emphasize to all students the necessity for proper care of textbooks. (1955, c. 1372, art. 25, s. 3; 1969, c. 519, s. 1.)

§ 115-206.16. Rental fees for textbooks prohibited; damage fees authorized.—No local board of education may charge any pupil a rental fee for the use of textbooks. Damage fees may be charged for abuse or loss of textbooks under rules and regulations promulgated by the State Board of Education. All money collected on state-owned books as damage fees or from the sale of books under the provisions of this article shall be paid quarterly as collected to the State Board of Education. (1969, c. 519, s. 1.)

§ 115-206.17. Duties and authority of superintendents of local administrative units. — The superintendent of each administrative unit, as an official agent of the State Board of Education, shall administer the provisions of this article and the rules and regulations of the Board insofar as they apply to his unit. The superintendent of each administrative unit shall have authority to require the cooperation of principals and teachers so that the children may receive the best possible service, and so that all the books and monies may be accounted for properly. If any principal or teacher fails to comply with the provisions of this section, his superintendent shall withhold his salary vouchers until the duties imposed by this section have been performed.

If any superintendent fails to comply with the provisions of this section, the State Superintendent, as secretary to the State Board of Education, shall notify the State Board of Education and the State Treasurer. The State Board and the State Superintendent shall withhold the superintendent's salary vouchers, and the State Treasurer shall make no payment until the State Superintendent notifies him that the provisions of this section have been complied with. (1955, c. 1372, art. 25, s. 8; 1969, c. 519, s. 1.)

§ 115-206.18. ARTICLE 38A.

Education for Hearing-Impaired Children in the Public Schools.

§ 115-315.1. **Purpose of article.**—It is the purpose of this article to provide, in the public schools of North Carolina, a comprehensive program for hearing-impaired children of preschool age so that such preschool children may be taught and instructed during the critical learning years, and to provide likewise a comprehensive program in the public schools of this State for school age children who, while not deaf, have some degree of hearing impairment which calls for and lends itself to special instruction in the public schools implemented by trained teachers and special equipment. It is further the purpose of this article to provide a system for the identification and professional evaluation of preschool children who have impaired hearing.

It is deemed advantageous that hard-of-hearing children of school age be, as far as is possible, educated in a normal public school environment in their home community and in the presence of children not handicapped by hearing impairment rather than in the isolation of special programs away from the home community and local environment. At the same time the General Assembly recognizes the continuing and strong need for the State's residential schools for the deaf and affirms continued support in such schools. It is not the purpose of this article

to duplicate in any manner the function of the residential schools for the deaf. (1969, c. 1166, s. 1.)

§ 115-315.2. Definitions.—Unless the context of this article otherwise requires:

- (1) “Deaf” shall mean those children in whom the sense of hearing is non-functional for the ordinary purposes of life. The term is inclusive both of congenitally deaf and adventitiously deaf.
- (2) “Hard-of-hearing” means those children in whom the sense of hearing, although defective, is functional with or without the hearing aid.
- (3) “Hearing-impaired” is inclusive both of the deaf and the hard-of-hearing and includes any child in whom there is some substantial degree of hearing impairment which calls for special instruction or special equipment in the learning processes. (1969, c. 1166, s. 1.)

§ 115-315.3. Organization of program; rules and regulations; eligibility for instructional training; information to local school units.—There shall be organized and administered by the State Superintendent of Public Instruction and the State Board of Education, under the general supervision of the State Superintendent of Public Instruction, a program for the education of hearing-impaired children residing within the State. Such program shall be available to all preschool hearing-impaired children between the ages of one and six and shall be available for all hard-of-hearing children of school age. Such program shall be a continuing program and shall commence during the school year 1969-70. The State Superintendent of Public Instruction, subject to the approval of the State Board of Education, shall formulate reasonable rules prescribing the program and procedures for its operation and maintenance and shall prescribe reasonable rules for determining a child's eligibility for participation on the basis of adequate individual audiology, medical evaluation and other related factors. Provided, however, children who are of school age and who are, upon medical evaluation, found to be deaf, may be instructed in the North Carolina Schools for the Deaf. In order to assure maximum participation by local school administrative units, full information on the rules and regulations and pertinent information shall be forwarded to the local school unit in time for them to meet the requirements in qualifying for participation in the program.

The State Superintendent of Public Instruction in prescribing the procedures for the operation and maintenance of a program under this article, shall distinguish between the program for preschool children, which program shall be available to all hearing-impaired children of preschool age, and the program for school age children. (1969, c. 1166, s. 1.)

§ 115-315.4. Authority of local school board to establish programs; joint operations; duty of local superintendent.—County and city boards of education are hereby authorized to establish programs for preschool hearing-impaired children and hard-of-hearing school age children in each administrative unit. Boards of education in more than one administrative unit may by written agreement recorded in their minutes jointly operate such program. When directed by the board of education in the administrative unit, it shall be the duty of the superintendent of public instruction in that unit to conduct a survey of the preschool aged children residing in said unit for the purpose of determining the identity of the hearing-impaired. The superintendent shall then make a full report to the board as to his findings and shall thereafter report to the board, from time to time, any other such hearing-impaired children within the administrative unit when they shall come to his attention. All preschool children included in the program shall first be afforded an otological and audiological examination. (1969, c. 1166, s. 1.)

§ 115-315.5. **Expenditure of State and local funds; gifts.**—In addition to such other funds as may be available for their purpose, county and city boards of education establishing programs for the preschool age hearing-impaired and school age hard-of-hearing under this article are authorized to expend therefor any State or local funds appropriated to them under the provisions of this article. County and city boards may also receive gifts to be used for such programs and may expend them for such purposes. Any funds received by way of gift for use of the hearing-impaired program, shall be faithfully accounted for the same as if such funds were public funds. County and city boards of education are authorized to include in their capital outlay and current expense budgets, funds to facilitate the establishment, maintenance and operation of programs pursuant to this article, and the tax levying authorities of the counties and municipalities involved are authorized to levy proper taxes therefor. (1969, c. 1166, s. 1.)

§ 115-315.6. **Request for teachers and other allotments from State Board; disapproval of request; transfer of funds.**—When the county or city board of education in any administrative unit or units shall approve the establishment of an instruction program for preschool age hearing-impaired children and for the school age hard-of-hearing in said unit or units, it may thereupon request from the State Board of Education an allotment of teachers for the program and such other allotments as may be applicable to the program. When such programs in a unit or a combination of units meets the rules and regulations prescribed in accordance with the State Board of Education, the State Board may provide teachers and other applicable allotments for such a program from the appropriation made to the Nine Months School Fund. Whenever a request is disapproved either by failure to qualify under the rules and regulations established under authority of G.S. 115-315.3 or because of lack of funds, the reason for such disapproval shall be certified by the State Superintendent of Public Instruction to the State Board of Education and to the superintendent of the unit or units making the request. Education Expense Grants for Exceptional Children.

§ 115-315.7. **Statement of legislative policy and purposes.**—The General Assembly of North Carolina recognizes that in unusual circumstances the public schools of this State cannot provide the necessary training for all of its exceptional children. It is further recognized that, in order for the exceptional child to obtain a proper education, it may become necessary for the child to attend a private or out-of-state institution. So that all of our young children may be trained to be useful citizens, and to provide our children with this opportunity where it may not exist in the public schools, it shall be the policy of this State to make an educational expense grant available to each eligible child as provided under this Article, for the private or out-of-state education of such child. (1971, c. 946.)

§ 115-315.8. **Definitions.**—As used in this Article,

§ 115-315.9. **Who may apply for State grants.**—Every exceptional child residing in this State who is eligible to attend a public school may apply for an education expense grant through his parent, guardian or person standing in loco parentis. (1971, c. 946.)

§ 115-315.10. Amount of State grants.—It shall be the policy of the State to make an education expense grant available to each eligible child, as provided under this Article, to cover the cost of tuition in a private or out-of-state educational facility, provided that the amount of said grant shall not exceed two thousand dollars (\$2,000) per year per child. (1971, c. 946; 1973, c. 628.)

Editor's Note. — The 1973 amendment for "one thousand two hundred dollars substituted "two thousand dollars (\$2,000)" (\$1,200)" in the proviso.

§ 115-315.11. Applications to local boards for grants.—Application for an education expense grant shall be made to the board of education of the administrative unit within which the child resides. Such application shall be on standard forms prescribed by the State Board for that purpose and shall be signed under oath or affirmation by the parent or guardian of the person standing in loco parentis to the child for whom application is made. The application shall then be sent to the State Board for approval as provided for in this Article. (1971, c. 946.)

§ 115-315.12. Powers of State Board to administer student education expense grants.—In order to accomplish the purposes of this Article, the State Board is authorized:

- (1) To receive from the general fund or other sources such sums as the General Assembly may authorize from time to time for such purposes, and to receive from any other donor, public or private, such sums as may be made available, and to cause such sums to be disbursed for the purposes for which they have been provided;
- (2) To establish such criteria as the State Board shall deem necessary or desirable for determining the need of exceptional children for grants under this Article, and for deciding who shall receive grants;
- (3) To prescribe the form and regulate the submission of applications for grants and to prescribe the procedures for considering and approving such applications; and
- (4) To establish such criteria as the State Board shall deem necessary or desirable for determining which private or out-of-state schools an eligible child must attend in order to obtain an education expense grant. (1971, c. 946.)

SUBCHAPTER XIA. COMPACT.

ARTICLE 43.

Interstate Compact for Education.

§ 115-349. Enactment of compact.—The compact for education is hereby entered into and enacted into law, with all jurisdictions legally joining therein, in the form substantially as follows:

COMPACT FOR EDUCATION

Article I. Policy and Purpose.

It is the purpose of this compact to :

- (1) Establish and maintain close cooperation and understanding among executive, legislative, professional, educational and lay leadership on a nationwide basis at the state and local levels.
- (2) Provide a forum for the discussion, development, crystallization and recommendation of public policy alternatives in the field of education.
- (3) Provide a clearinghouse of information on matters relating to educational problems and how they are being met in different places throughout the nation, so that the executive and legislative branches of state government and of local communities may have ready access to the experience and record of the entire country, and so that both lay and professional groups in the field of education may have additional avenues for the sharing of experience and the interchange of ideas in the formation of public policy in education.
- (4) Facilitate the improvement of state and local educational systems so that all of them will be able to meet adequate and desirable goals in a society which requires continuous qualitative and quantitative advances in educational opportunities, methods and facilities.
- (5) It is the policy of this compact to encourage and promote local and state initiative in the development, maintenance, improvement and administration of educational systems and institutions in a manner which will accord with the needs and advantages of diversity among localities and states.
- (6) The party states recognize that each of them has an interest in the quality and quantity of education furnished in each of the other states, as well as in the excellence of its own educational systems and institutions, because of the highly mobile character of individuals within the nation, and because of the products and services contributing to the health, welfare and economic advancement of each state are supplied in significant part by persons educated in other states.

Article II. State Defined.

As used in this compact, "state" means a state, territory or possession of the United States, the District of Columbia, or the Commonwealth of Puerto Rico.

Article III. The Commission.

- (1) The education commission of the states, hereinafter called "the commission," is hereby established. The commission shall consist of seven members representing each party state. One of such members shall be the governor; two shall be members of the state legislature selected by its respective houses and serving in such manner as the legislature may determine; and four shall be appointed by and serve at the pleasure of the governor, unless the laws of the state otherwise provide. If the laws of a state prevent legislators from serving on the commission, six members shall be appointed and serve at the pleasure of the governor, unless the laws of the state otherwise provide. In addition to any other principles or requirements which a state may establish for the appointment and service of its members of the commission, the guiding principle for the composition of the membership on the commission from each party state shall be that the members representing such state shall, by virtue of their training, experience, knowledge or affiliations be in a position collectively to reflect broadly the interests of the state government, higher education, the state education system,

local education, lay and professional, public and nonpublic educational leadership. Of those appointees, one shall be the head of a state agency or institution, designated by the governor, having responsibility for one or more programs of public education. In addition to the members of the commission representing the party states, there may be not to exceed ten nonvoting commissioners selected by the steering committee for terms of one year. Such commissioners shall represent leading national organizations of professional educators or persons concerned with educational administration.

- (2) The members of the commission shall be entitled to one vote each on the commission. No action of the commission shall be binding unless taken at a meeting at which a majority of the total number of votes on the commission are cast in favor thereof. Action of the commission shall be only at a meeting at which a majority of the commissioners are present. The commission shall meet at least once a year. In its bylaws, and subject to such directions and limitations as may be contained therein, the commission may delegate the exercise of any of its powers to the steering committee or the executive director, except for the power to approve budgets or requests for appropriations, the power to make policy recommendations pursuant to Article IV and adoption of the annual report pursuant to Article III (10).
- (3) The commission shall have a seal.
- (4) The commission shall elect annually, from among its members, a chairman, who shall be a governor, a vice-chairman and a treasurer. The commission shall provide for the appointment of an executive director. Such executive director shall serve at the pleasure of the commission, and together with the treasurer and such other personnel as the commission may deem appropriate shall be bonded in such amount as the commission shall determine. The executive director shall be secretary.
- (5) Irrespective of the civil service, personnel or other merit system laws of any of the party states, the executive director subject to the approval of the steering committee shall appoint, remove or discharge such personnel as may be necessary for the performance of the functions of the commission, and shall fix the duties and compensation of such personnel. The commission in its bylaws shall provide for the personnel policies and programs of the commission.
- (6) The commission may borrow, accept or contract for the services of personnel from any party jurisdiction, the United States, or any subdivision or agency of the aforementioned governments, or from any agency of two or more of the party jurisdictions or their subdivisions.
- (7) The commission may accept for any of its purposes and functions under this compact any and all donations, and grants of money, equipment, supplies, materials and services, conditional or otherwise, from any state, the United States, or any other governmental agency, or from any person, firm, association, foundation, or corporation, and may receive, utilize and dispose of the same. Any donation or grant accepted by the commission pursuant to this paragraph or services borrowed pursuant to paragraph (6) of this article shall be reported in the annual report of the commission. Such report shall include the nature, amount and conditions, if any, of the donation, grant, or services borrowed, and the identity of the donor or lender.
- (8) The commission may establish and maintain such facilities as may be necessary for the transaction of its business. The commission may acquire, hold, and convey real and personal property and any interest therein.
- (9) The commission shall adopt bylaws for the conduct of its business and

shall have the power to amend and rescind these bylaws. The commission shall publish its bylaws in convenient form and shall file a copy thereof and a copy of any amendment thereto, with the appropriate agency or officer in each of the party states.

- (10) The commission annually shall make to the governor and legislature of each party state a report covering the activities of the commission for the preceding year. The commission may make such additional reports as it may deem desirable.

Article IV. Powers.

In addition to authority conferred on the commission by other provisions of the compact, the commission shall have authority to:

- (1) Collect, correlate, analyze and interpret information and data concerning educational needs and resources.
- (2) Encourage and foster research in all aspects of education, but with special reference to the desirable scope of instruction, organization, administration, and instructional methods and standards employed or suitable for employment in public educational systems.
- (3) Develop proposals for adequate financing of education as a whole and at each of its many levels.
- (4) Conduct or participate in research of the types referred to in this article in any instance where the commission finds that such research is necessary for the advancement of the purposes and policies of this compact, utilizing fully the resources of national associations, regional compact organizations for higher education, and other agencies and institutions, both public and private.
- (5) Formulate suggested policies and plans for the improvement of public education as a whole, or for any segment thereof, and make recommendations with respect thereto available to the appropriate governmental units, agencies and public officials.
- (6) Do such other things as may be necessary or incidental to the administration of any of its authority or functions pursuant to this compact.

Article V. Cooperation with Federal Government.

- (1) If the laws of the United States specifically so provide, or if administrative provision is made therefor within the federal government, the United States may be represented on the commission by not to exceed ten representatives. Any such representative or representatives of the United States shall be appointed and serve in such manner as may be provided by or pursuant to federal law, and may be drawn from any one or more branches of the federal government, but no such representative shall have a vote on the commission.
- (2) The commission may provide information and make recommendations to any executive or legislative agency or officer of the federal government concerning the common educational policies of the states, and may advise with any such agencies or officers concerning any matter of mutual interest.

Article VI. Committees.

- (1) To assist in the expeditious conduct of its business when the full commission is not meeting, the commission shall elect a steering committee of 32 members which, subject to the provisions of this compact and consistent with the policies of the commission, shall be constituted and function as provided in the bylaws of the commission. One fourth of the voting membership of the steering committee shall consist of governors, one fourth shall consist of legislators, and the remainder shall consist of other members of the commission. A federal representative on

the commission may serve with the steering committee, but without vote. The voting members of the steering committee shall serve for terms of two years, except that members elected to the first steering committee of the commission shall be elected as follows: 16 for one year and 16 for two years. The chairman, vice-chairman, and treasurer of the commission shall be members of the steering committee and, anything in this paragraph to the contrary notwithstanding, shall serve during their continuance in these offices. Vacancies in the steering committee shall not affect its authority to act, but the commission at its next regularly ensuing meeting following the occurrence of any vacancy shall fill it for the unexpired term. No person shall serve more than two terms as a member of the steering committee; provided that service for a partial term of one year or less shall not be counted toward the two term limitation.

- (2) The commission may establish advisory and technical committees composed of state, local, and federal officials, and private persons to advise it with respect to any one or more of its functions. Any advisory or technical committee may, on request of the states concerned, be established to consider any matter of special concern to two or more of the party states.
- (3) The commission may establish such additional committees as its bylaws may provide.

Article VII. Finance.

- (1) The commission shall advise the governor or designated officer or officers of each party state of its budget and estimated expenditures for such period as may be required by the laws of that party state. Each of the commission's budgets of estimated expenditures shall contain specific recommendations of the amount or amounts to be appropriated by each of the party states.
- (2) The total amount of appropriation requests under any budget shall be apportioned among the party states. In making such apportionment, the commission shall devise and employ a formula which takes equitable account of the populations and per capita income levels of the party states.
- (3) The commission shall not pledge the credit of any party states. The commission may meet any of its obligations in whole or in part with funds available to it pursuant to Article III (7) of this compact, provided that the commission takes specific action setting aside such funds prior to incurring an obligation to be met in whole or in part in such manner. Except where the commission makes use of funds available to it pursuant to Article III (7) thereof, the commission shall not incur any obligation prior to the allotment of funds by the party states adequate to meet the same.
- (4) The commission shall keep accurate accounts of all receipts and disbursements. The receipts and disbursements of the commission shall be subject to the audit and accounting procedures established by its bylaws. However, all receipts and disbursements of funds handled by the commission shall be audited yearly by a qualified public accountant, and the report of the audit shall be included in and become part of the annual reports of the commission.
- (5) The accounts of the commission shall be open at any reasonable time for inspection by duly constituted officers of the party states and by any persons authorized by the commission.
- (6) Nothing contained herein shall be construed to prevent commission compliance with laws relating to audit or inspection of accounts by or on

behalf of any government contributing to the support of the commission.

Article VIII. Eligible Parties; Entry into and Withdrawal.

- (1) This compact shall have as eligible parties all states, territories, and possessions of the United States, the District of Columbia, and the Commonwealth of Puerto Rico. In respect of any such jurisdiction not having a governor, the term "governor," as used in this compact, shall mean the closest equivalent official of such jurisdiction.
- (2) Any state or other eligible jurisdiction may enter into this compact and it shall become binding thereon when it has adopted the same: Provided that in order to enter into initial effect, adoption by at least 10 eligible party jurisdictions shall be required.
- (3) Adoption of the compact may be either by enactment thereof or by adherence thereto by the governor; provided that in the absence of enactment, adherence by the governor shall be sufficient to make his state a party only until December 31, 1967. During any period when a state is participating in this compact through gubernatorial action, the governor shall appoint those persons who, in addition to himself, shall serve as the members of the commission from his state, and shall provide to the commission an equitable share of the financial support of the commission from any source available to him.
- (4) Except for a withdrawal effective on December 31, 1967, in accordance with paragraph (3) of this article, any party state may withdraw from this compact by enacting a statute repealing the same, but no such withdrawal shall take effect until one year after the governor of the withdrawing state has given notice in writing of the withdrawal to the governors of all other party states. No withdrawal shall affect any liability already incurred by or chargeable to a party state prior to the time of such withdrawal.

Article IX. Construction and Severability.

This compact shall be liberally construed so as to effectuate the purposes thereof. The provisions of this compact shall be severable and if any phrase, clause, sentence or provision of this compact is declared to be contrary to the constitution of any state or of the United States, or the application thereof to any government, agency, person or circumstance is held invalid, the validity of the remainder of this compact and the applicability thereof to any government, agency, person or circumstance shall not be affected thereby. If this compact shall be held contrary to the constitution of any state participating therein, the compact shall remain in full force and effect as to the state affected as to all severable matters. (1967, c. 1020.)

§ 115A-4. Establishment and transfer of institutions.

Questions Involving Section Must Be Determined by State Courts.—Whether the plaintiff has any rights under this section, whether the plaintiff is covered under this section and whether the plaintiff's school meets the required educational and occupational needs, is maintaining proper standards, and is in the administrative area are questions involving this section and must be determined by State and not federal courts. *Harrell v. Trustees of Beaufort County Technical Inst.*, 354 F. Supp. 50 (E.D.N.C. 1973).

Where plaintiff claimed the State Board of Education violated its statutory duty by allowing another trade school within one mile of his, thereby defrauding him and depriving him of property, the court felt that no federal question was presented, whether his claim was for fraud or under this section. *Harrell v. Trustees of Beaufort County Technical Inst.*, 354 F. Supp. 50 (E.D.N.C. 1973).

§ 115A-5. Administration of institutions by State Board of Education; extension courses; personnel exempt from State Personnel Act; contracting, etc., for establishment and operation of extension units of community college system; use of existing public school facilities.—The State Board of Education may adopt and execute such policies, regulations and standards concerning the establishment and operation of institutions as the Board may deem necessary to insure the quality of educational programs, to promote the

systematic meeting of educational needs of the State, and to provide for the equitable distribution of State and federal funds to the several institutions.

In order to make instruction as accessible as possible to all citizens, the teaching of curricular courses and of noncurricular extension courses at convenient locations away from institution campuses as well as on campuses is authorized and shall be encouraged. A pro rata portion of the established regular tuition rate charged a full-time student shall be charged a part-time student taking any curriculum course. In lieu of any tuition charge, the State Board of Education shall establish a uniform registration fee, or a schedule of uniform registration fees, to be charged students enrolling in extension courses for which instruction is financed primarily from State funds; provided, however, that the State Board of Education may provide by general and uniform regulations for waiver of tuition and registration fees for training courses for volunteer firemen, local law-enforcement officers, and prison inmates.

The State Board of Education shall establish standards and scales for salaries and allotments paid from funds administered by the Board, and all employees of the institutions shall be exempt from the provisions of the State Personnel Act. The Board shall have authority with respect to individual institutions: to approve sites, buildings, building plans, budgets; to approve the selection of the chief administrative officer; to establish and administer standards for professional personnel, curricula, admissions, and graduation; to regulate the awarding of degrees, diplomas, and certificates; to establish and regulate student tuition and fees and financial accounting procedures.

The State Board of Education is authorized to enter into agreements with county and city boards of education, upon approval by the Governor and the Advisory Budget Commission, for the establishment and operation of extension units of the community college system. The State Board is further authorized to provide the financial support for matching capital outlay and for operating and equipping extension units as provided in this Chapter for other institutions, subject to available funds.

On petition of the board of education of the school administrative unit in which an institution is proposed to be established, the State Board of Education may approve the utilization by such proposed institution of existing public school facilities, if the Board finds:

- (1) That an adequate portion of such facilities can be devoted to the exclusive use of the institution, and
- (2) That such utilization will be consistent with sound educational considerations. (1963, c. 448, s. 23; 1967, c. 652; 1969, c. 1294; 1973, c. 768.)

The several boards of trustees shall hold title to all real and personal property donated to their respective institutions or purchased with funds provided by the tax levying authorities of their respective institutions. Title to equipment furnished by the State shall remain in the State Board of Education. In the event that an institution shall cease to operate, title to all real and personal property donated to the institution or purchased with funds provided by the tax levying authorities, except as provided for in § 115A-4, shall vest in the county in which the institution is located, unless the terms of the deed of gift in the case of donated property provides otherwise, or unless in the case of two or more counties forming a joint institution the contract provided for in § 115A-37 provides otherwise. (1963, c. 448, s. 23.)

Editor's Note.—This section is set out to correct the reference to § 115A-37 in the last sentence of the second paragraph.

§ 115A-9.1. Sale, exchange or lease of property.—When in the opinion of the board of trustees of any institution organized under the provisions of this chapter, the use of any property, real or personal, owned or held by said board of trustees is unnecessary or undesirable for the purposes of said institution, the board of trustees, subject to prior approval of the State Board of Education, may sell, exchange, or lease such property in the same manner as is provided by law for the sale, exchange, or lease of school property by county or city boards of

education. The proceeds of any such sale or lease shall be used for capital outlay purposes. (1969, c. 338.)

§ 115A-14.1. Traffic regulations; fines and penalties.—(a) All of the provisions of Chapter 20 of the General Statutes relating to the use of highways of the State of North Carolina and the operation of motor vehicles thereon are hereby made applicable to the streets, roads, alleys and driveways on the campuses of all institutions in the North Carolina Community College System. Any person violating any of the provisions of Chapter 20 of the General Statutes as herein made applicable, in or on the streets, roads, alleys and driveways on the campuses of institutions in the North Carolina Community College System shall, upon conviction thereof, be punished as therein prescribed and as provided by Chapter 20 of the General Statutes relating to motor vehicles. Nothing herein contained shall be construed as in any way interfering with the ownership and control of such streets, roads, alleys and driveways on the campuses of institutions in the system as is now vested by law in the trustees of each individual institution in the North Carolina Community College System.

(b) The trustees are authorized and empowered to make additional rules and regulations and to adopt additional ordinances with respect to the use of the streets, roads, alleys and driveways and to establish parking areas on or off the campuses not inconsistent with the provisions of Chapter 20 of the General Statutes of North Carolina. Upon investigation, the trustees may determine and fix speed limits on streets, roads, alleys, and driveways subject to such rules, regulations, and ordinances, lower than those provided in G.S. 20-141. The trustees may make reasonable provisions for the towing or removal of unattended vehicles found to be in violation of rules, regulations and ordinances. All rules, regulations and ordinances adopted pursuant to the authority of this section shall be recorded in the proceedings of the trustees, printed, and copies of such rules, regulations and ordinances shall be filed in the office of the Secretary of State of North Carolina. Any person violating any such rules, regulations, or ordinances shall, upon conviction thereof in a legally constituted court of the State of North Carolina, be guilty of a misdemeanor, and shall be punishable by a fine of not exceeding fifty dollars (\$50.00) or imprisonment for not exceeding 30 days or, in the discretion of the court, both such fine and imprisonment.

(c) The trustees may by rules, regulations, or ordinances provide for a system of registration of all motor vehicles where the owner or operator does park on the campus or keeps said vehicle on the campus. The trustees shall cause to be posted at appropriate places on campus notice to the public of applicable parking and traffic rules, regulations, and ordinances governing the campus over which it has jurisdiction. The trustees may by rules, regulations, or ordinances establish or cause to have established a system of citations that may be issued to owners or operators of motor vehicles who violate established rules, regulations, or ordinances. The trustees shall provide for the administration of said system of citations; establish or cause to be established a system of fines to be levied for the violation of established rules, regulations and ordinances; and enforce or cause to be enforced the collection of said fines. The fine for each offense shall not exceed five dollars (\$5.00), which funds shall be retained in the institution and expended in the discretion of the trustees. The trustees shall be empowered to exercise the right to prohibit repeated violators of such rules, regulations, or ordinances from parking on the campus. (1971, c. 795, ss. 1-3.)

ARTICLE 3.

Financial Support.

§ 115A-18. **State financial support of institutions.** — (a) The State Board of Education shall be responsible for providing from sources available to the Board funds to meet the financial needs of institutions, as determined by policies and regulations of the Board, for the following budget items:

- (1) Capital outlay: Furniture and equipment for administrative and instructional purposes, new library books, and other items of capital outlay approved by the Board. Provided, the State Board of Education may, on an equal matching-fund basis from appropriations made by the State for the purpose, grant funds to individual community colleges and technical institutes, including those converted from industrial education centers, for the purchase, construction and remodeling of institutional buildings determined by the State Board of Education to be necessary for the instructional programs or administration of such institutions. For the purpose of determining amounts of matching State funds, local funds shall include local expenditures made prior to the enactment of this Chapter or prior to an institution becoming a community college or technical institute pursuant to the provisions of this Chapter, when such expenditures were made for the purchase, construction, and remodeling of institutional buildings subsequently determined by the State Board of Education to be necessary as herein specified, and provided such local expenditures have not previously been used as the basis for obtaining matching State funds under the provisions of this Chapter or any other laws of the State.
- (2) Current expenses:
 - a. General administration:
 1. Salaries and travel of trustees and administrative staff.
 2. Cost of bonding institutional employees for the protection of State funds and property.
 3. Office expenses.
 4. Other costs of general administration approved by the Board.
 - b. Instructional services:
 1. Salaries and travel of instructional staff and clerical employees.
 2. Instructional supplies and materials.
 3. Commencement expenses.
 4. Other costs of instructional services approved by the Board.
 - c. Maintenance of plant: Maintenance and replacement of furniture and equipment furnished by the State.
 - d. Fixed charges:
 1. Employer's contributions to social security and State retirement funds for the portion of institutional employees' salaries paid from State and federal funds.
 2. Cost of workmen's compensation for institutional employees paid in whole or in part from State or federal funds.
 - e. Auxiliary services:
 1. Operation of libraries, including salaries and travel of staff; replacement of books; and costs of supplies, materials, periodicals, and newspapers.
 2. Other costs of auxiliary services approved by the Board.

- (3) Additional support for regional institutions: Matching funds to be used with local funds to meet the financial needs of the regional institutions for the items set out in G.S. 115A-19. The amount of matching funds to be provided by the State under this section shall be determined as follows: The population of the county in which the regional institution is located shall be called the "local factor"; the combined populations of all the other counties served by the institution shall be called the "State factor." When the budget for the items listed in G.S. 115A-19 has been approved under the procedures set out in G.S. 115A-27, the county in which the regional institution is located shall provide a percentage to be determined by dividing the local factor by the sum of the local factor and the State factor. The State shall provide a percentage of the necessary funds to meet this budget, the percentage to be determined by dividing the State factor by the sum of the local factor and the State factor. If the local county provides less than its proportionate share, the amount of State funds provided shall be reduced by the same proportion as were the county funds.

Wherever the word "population" is used in this subdivision, it shall mean the population of the particular area in accordance with the latest U.S. census as may be updated by the State Department of Administration or the U.S. Bureau of Census.

(b) The State Board of Education is authorized to accept, receive, use, or reallocate to the institutions any federal funds or aids that have been or may be appropriated by the government of the United States for the encouragement and improvement of any phase of the programs of the institutions. The Board of Governors of the University of North Carolina shall be known and distinguished

by the name of "the University of North Carolina" and shall continue as a body politic and corporate and by that name shall have perpetual succession and a common seal. It shall be able and capable in law to take, demand, receive, and possess all moneys, goods, and chattels that shall be given for the use of the University, and to apply the same according to the will of the donors; and by gift, purchase, or devise to receive, possess, enjoy, and retain forever any and all real and personal estate and funds, of whatsoever kind, nature, or quality the same may be, in special trust and confidence that the same, or the profits thereof, shall be applied to and for the use and purpose of establishing and endowing the University, and shall have power to receive donations from any source whatever, to be exclusively devoted to the purposes of the maintenance of the University, or according to the terms of donation.

Power to Operate Water System.—The University of North Carolina as a body politic and corporate has authority to own, maintain, and operate a water system to provide services for itself and to any other person, firm, or corporation desiring such services outside the University. *University of N.C. v. Town of Carrboro*, 15 N.C. App. 501, 190 S.E.2d 231 (1972).

A municipality which operates its own waterworks has the discretionary power to engage in this undertaking. When a municipality exercises this discretionary power, it does not assume

the obligations of a public service corporation toward nonresident consumers. *University of N.C. v. Town of Carrboro*, 15 N.C. App. 501, 190 S.E.2d 231 (1972).

And to Set Different Rates for Services.—Having exercised its discretion to furnish water outside its corporate limits, the University of North Carolina has discretionary authority to set the rates which it will charge for such services, and it retains the authority to specify the terms upon which nonresidents may obtain its water. In exerting this authority, it may fix a different rate from that charged within the corporate limits. The defendant, having accepted these services for almost half a century is not now in a position to complain about the rates. *University of N.C. v. Town of Carrboro*, 15 N.C. App. 501, 190 S.E.2d 231 (1972).

§ 116-6. Election and terms of members of Board of Governors.—

(a) As the terms of members of the Board of Governors provided for in G.S. 116-5 expire, their successors shall be elected by the Senate and House of Representatives. Eight members shall be so elected at the regular legislative session in 1973 and every two years thereafter.

(b) All terms shall commence on July 1 of odd-numbered years and all members shall serve for eight-year overlapping terms.

(c) No member may be elected to more than two full terms in succession.

(d) The Senate and House of Representatives, in electing members of the Board of Governors, shall select from a slate of nominees made in a joint session of the General Assembly. There shall be nominated from the floor at least twice the number of persons as there are vacancies to be filled. The Senate and the House of Representatives shall elect one half of the persons necessary to fill the vacancies, with the Senate to hold its election prior to the House of Representatives. In the event that an odd number of members are to be elected, the House of Representatives shall select the additional nominee. In 1973 and every four years thereafter, the Senate shall elect at least one woman and one member of a minority race and the House of Representatives shall elect at least one member of the political party to which the largest minority of the members of the General Assembly belong. (e) Of the eight members elected every two years, at least one shall be a woman, at least one other member shall be a member of a minority race, and at least one

other member shall be a member of the political party to which the largest minority of the members of the General Assembly belong. In subsequent elections to the Board, the General Assembly shall maintain at least these minimum proportions among the members of the Board. (1971, c. 1244, s. 1.)

§ 116-7. General provisions concerning members of the Board of Governors.—(a) All members of the Board of Governors shall be selected for their interest in, and their ability to contribute to the fulfillment of, the purposes of the Board of Governors, and all members shall be deemed members-at-large, charged with the responsibility of serving the best interests of the whole State. In electing members, the objective shall be to obtain the services of the best qualified citizens of the State, taking into consideration the need for representation on the Board by the different races, sexes and political parties.

(b) From and after July 1, 1973, no member of the General Assembly or officer or employee of the State or of any constituent institution or spouse of any such member, officer or employee may be a member of the Board of Governors. Any member of the Board of Governors who is elected or appointed to the General Assembly or who becomes an officer or employee of the State or of any constituent institution or whose spouse is elected or appointed to the General Assembly or becomes such officer or employee shall be deemed thereupon to resign from his membership on the Board of Governors.

(c) Whenever any vacancy shall occur in the elected membership of the Board of Governors, it shall be the duty of the secretary of the Board to inform the General Assembly of the existence of the vacancy, and the General Assembly at its next regular session shall elect a person to fill the unexpired term. Whenever a member shall fail, for any reason other than ill health or service in the interest of the State or nation, to be present for four successive regular meetings of the Board, his place as a member shall be deemed vacant. (1971, c. 1244, s. 1.)

Generally, if a Person Holds a Position with the State, Whether as an Employee or an Officer, He Is Prohibited from Serving on the Board of Governors. — See opinion of Attorney General to Honorable Robert W. Scott, Governor, 41 N.C.A.G. 623 (1971).

School Officials Are Not State Officers or Employees.—See opinion of Attorney General to Honorable Wm. Friday, President, University of North Carolina, Chapel Hill, 42 N.C.A.G. 239 (1973).

§ 116-8. Chairman, vice-chairman and secretary.—The Board of Governors shall elect from its membership for two-year terms, and until their successors have been elected and qualified, a chairman, a vice-chairman and a secretary. No person may serve as chairman more than four years in succession. (1971, c. 1244, s. 1.)

§ 116-9. Meetings of Board of Governors.—The Board of Governors shall meet at stated times established by the Board, but not less frequently than six times a year. A quorum for the conduct of business shall consist of a majority of the members. (1971, c. 1244, s. 1.)

§ 116-10. Committees.—The Board of Governors shall have power to appoint from its own number committees which shall be clothed with such powers as the Board of Governors may confer. No committee may reverse a decision concerning policy taken by the Board of Governors at a regular meeting. (1971, c. 1244, s. 1.)

§ 116-11. Powers and duties generally.—The powers and duties of the Board of Governors shall include the following:

- (1) The Board of Governors shall plan and develop a coordinated system of higher education in North Carolina. To this end it shall govern the 16 constituent institutions, subject to the powers and responsibilities given in this Article to the boards of trustees of the institutions, and to this

end it shall maintain close liaison with the State Board of Education, the Department of Community Colleges and the private colleges and universities of the State. The Board, in consultation with representatives of the State Board of Education and of the private colleges and universities, shall prepare and from time to time revise a long-range plan for a coordinated system of higher education, supplying copies thereof to the Governor, the members of the General Assembly, the Advisory Budget Commission and the institutions. State-wide federal or State programs that provide aid to institutions or students of post-secondary education through a State agency, except those related exclusively to the community college system, shall be administered by the Board pursuant to any requirement of State or federal statute in order to insure that all activities are consonant with the State's long-range plan for higher education.

- (2) The Board of Governors shall be responsible for the general determination, control, supervision, management and governance of all affairs of the constituent institutions. For this purpose the Board may adopt such policies and regulations as it may deem wise. Subject to applicable State law and to the terms and conditions of the instruments under which property is acquired, the Board of Governors may acquire, hold, convey or otherwise dispose of, invest and reinvest any and all real and personal property, with the exception of any property that may be held by trustees of institutional endowment funds under the provisions of G.S. 116-36 or that may be held, under authority delegated by the Board of Governors, either by a board of trustees or by trustees of any other endowment or trust fund.
- (3) The Board shall determine the functions, educational activities and academic programs of the constituent institutions. The Board shall also determine the types of degrees to be awarded. The powers herein given to the Board shall not be restricted by any provision of law assigning specific functions or responsibilities to designated institutions, the powers herein given superseding any such provisions of law. The Board, after adequate notice and after affording the institutional board of trustees an opportunity to be heard, shall have authority to withdraw approval of any existing program if it appears that the program is unproductive, excessively costly or unnecessarily duplicative.
- (4) The Board of Governors shall elect officers as provided in G.S. 116-14. Subject to the provisions of section 18 of this act [Sessions Laws 1971, Chapter 1244, section 18], the Board shall also elect, on nomination of the President, the chancellor of each of the constituent institutions and fix his compensation. The President shall make his nomination from a list of not fewer than two names recommended by the institutional board of trustees.
- (5) The Board of Governors shall, on recommendation of the President and of the appropriate institutional chancellor, appoint and fix the compensation of all vice-chancellors, senior academic and administrative officers and persons having permanent tenure.
- (6) The Board shall approve the establishment of any new publicly supported institution above the community college level.
- (7) The Board shall set tuition and required fees at the institutions, not inconsistent with actions of the General Assembly.
- (8) The Board shall set enrollment levels of the constituent institutions.
- (9)
 - a. The Board of Governors shall develop, prepare and present to the Governor, the Advisory Budget Commission and the General Assembly a single, unified recommended budget for all of public senior higher education. The recommendations shall consist of requests in three general categories: (i) funds for the

continuing operation of each constituent institution, (ii) funds for salary increases for employees exempt from the State Personnel Act and (iii) funds requested without reference to constituent institutions, itemized as to priority and covering such areas as new programs and activities, expansions of programs and activities, increases in enrollments, increases to accommodate internal shifts and categories of persons served, capital improvements, improvements in levels of operation and increases to remedy deficiencies, as well as other areas.

- b. Funds for the continuing operation of each constituent institution shall be appropriated directly to the institution. Funds for salary increases for employees exempt from the State Personnel Act shall be appropriated to the Board in a lump sum for allocation to the institutions. Funds for the third category in paragraph a of this subdivision shall be appropriated to the Board in a lump sum. The Board shall allocate to the institutions any funds appropriated, said allocation to be made in accordance with the Board's schedule of priorities; provided, however, that when both the Board and the Advisory Budget Commission deem it to be in the best interest of the State, funds in the third category may be allocated, in whole or in part, for other items within the list of priorities or for items not included in the list.
 - c. The Advisory Budget Commission may, on recommendation of the Board, authorize transfer of appropriated funds from one institution to another to provide adjustments for over- or under-enrollment or may make any other adjustments among institutions that would provide for the orderly and efficient operation of the institutions.
- (10) The Board shall collect and disseminate data concerning higher education in the State. To this end it shall work cooperatively with the Department of Community Colleges and shall seek the assistance of the private colleges and universities. It may prescribe for the constituent institutions such uniform reporting practices and policies as it may deem desirable.
 - (11) The Board shall assess the contributions and needs of the private colleges and universities of the State and shall give advice and recommendations to the General Assembly to the end that the resources of these institutions may be utilized in the best interest of the State. All requests by private institutions of higher education for State assistance to the institutions or to students attending them shall be submitted first to the Board for review and recommendation before being presented to any other State agency or to the General Assembly.
 - (12) The Board shall give advice and recommendations concerning higher education to the Governor, the General Assembly, the Advisory Budget Commission and the boards of trustees of the institutions.
 - (13) The Board may delegate any part of its authority over the affairs of any institution to the board of trustees or, through the President, to the chancellor of the institution in any case where such delegation appears necessary or prudent to enable the institution to function in a proper and expeditious manner. Any delegation of authority may be rescinded by the Board at any time in whole or in part.
 - (14) The Board shall possess all powers not specifically given to institutional boards of trustees. (1971, c. 1244, s. 1.)

Editor's Note.—Session Laws 1971, c. 1244, s. 18, provides:

"Sec. 18. All policies, rules and regulations adopted and actions taken prior to

July 1, 1972, by the boards of trustees of the "constituent institutions," as said term is defined in G.S. 116-2, as rewritten by this act, or by the board of trustees of the Uni-

versity of North Carolina pertaining to any of its six institutions, shall be effective on and after July 1, 1972, as to the respective institutions, except as modified by this act or by subsequent action of the Board of Governors of the University of North Carolina or by the institutional boards of trustees. The merger of an institution into the University of North Carolina under this act shall not impair any term of office, appointment or employment of any administrative, instructional or other personnel of the institution. Effective July 1, 1972, the title president and vice-president of each

institution shall be changed to chancellor and vice-chancellor and the tenures of persons occupying these positions shall continue subject to the other provisions of this act. As soon after July 1, 1972, as the Board of Governors can reasonably do so, it shall adopt, for itself and all constituent institutions, a code based upon the code of the University of North Carolina as it may exist prior to July 1, 1972, but modified in such ways as the Board of Governors may deem desirable in order to take into account the practices and needs of all the constituent institutions."

§ 116-11.1: Transferred to § 116-37 by Session Laws 1971, c. 1244, s. 6, effective July 1, 1972.

§ 116-12. **Property and obligations.**—All property of whatsoever kind and all rights and privileges held by the Board of Higher Education and by the boards of trustees of Appalachian State University, East Carolina University, Elizabeth City State University, Fayetteville State University, North Carolina Agricultural and Technical State University, North Carolina Central University, North Carolina School of the Arts, Pembroke State University, Western Carolina University and Winston-Salem State University, as said property, rights and privileges may exist immediately prior to July 1, 1972, shall be, and hereby are, effective July 1, 1972, transferred to and vested in the Board of Governors of the University of North Carolina. All obligations of whatsoever kind of the Board of Higher Education and of the boards of trustees of Appalachian State University, East Carolina University, Elizabeth City State University, Fayetteville State University, North Carolina Agricultural and Technical State University, North Carolina Central University, North Carolina School of the Arts, Pembroke State University, Western Carolina University and Winston-Salem State University, as said obligations may exist immediately prior to July 1, 1972, shall be, and the same hereby are, effective July 1, 1972, transferred to and assumed by the Board of Governors of the University of North Carolina. Any property, real or personal, held immediately prior to July 1, 1972, by a board of trustees of a constituent institution for the benefit of that institution or by the University of North Carolina for the benefit of any one or more of its six institutions, shall, from and after July 1, 1972, be kept separate and distinct from other property held by the Board of Governors, shall continue to be held for the benefit of the institution or institutions that were previously the beneficiaries and shall continue to be held subject to the provisions of the respective instruments, grants or other means or process by which any property right was acquired. In case a conflict arises as to which property, rights or privileges were held for the beneficial interest of a particular institution, or as to the extent to which such property, rights or privileges were so held, the Board of Governors shall determine the issue, and the determination of the Board shall constitute final administrative action. Nothing in this Article shall be deemed to increase or diminish the income, other revenue or specific property which is pledged, or otherwise hypothecated, for the security or liquidation of any obligations, it being the intent that the Board of Governors shall assume said obligations without thereby either enlarging or diminishing the rights of the holders thereof. (1971, c. 1244, s. 1.)

§ 116-13. **Powers of Board regarding property subject to general law.**—The power and authority granted to the Board of Governors with regard to the acquisition, operation, maintenance and disposition of real and personal property shall be subject to, and exercised in accordance with, the provisions of Chapters 143 and 146 of the General Statutes. (1971, c. 1244, s. 1.)

§ 116-14. President and staff.—(a) The Board shall elect a President of the University of North Carolina. He shall be the chief administrative officer of the University.

(b) The President shall be assisted by such professional staff members as may be deemed necessary to carry out the provisions of this Article, who shall be elected by the Board on nomination of the President. The Board shall fix the compensation of the staff members it elects. These staff members shall include a senior vice-president and such other vice-presidents and officers as may be deemed desirable. Provision shall be made for persons of high competence and strong professional experience in such areas as academic affairs, public service programs, business and financial affairs, institutional studies and long-range planning, student affairs, research, legal affairs, health affairs and institutional development, and for State and federal programs administered by the Board. In addition, the President shall be assisted by such other employees as may be needed to carry out the provisions of this Article, who shall be subject to the provisions of Chapter 126 of the General Statutes. The staff complement shall be established by the Board on recommendation of the President to insure that there are persons on the staff who have the professional competence and experience to carry out the duties assigned and to insure that there are persons on the staff who are familiar with the problems and capabilities of all of the principal types of institutions represented in the system.

(c) The President, with the approval of the Board, shall appoint an advisory committee composed of representative presidents of the private colleges and universities and may appoint such additional advisory committees as are deemed necessary or desirable. (1971, c. 1244, s. 1.)

§ 116-15. Licensing of nonpublic educational institutions; regulation of degrees.—(a) No nonpublic educational institution created or established in this State after April 15, 1923, by any person, firm, organization, or corporation shall have power or authority to confer degrees upon any person except as provided in this section. The Board of Governors shall call to the attention of the Attorney General, for such action as he may deem appropriate, any institution failing to comply with the requirements of this section.

(b) The Board of Governors, under such standards as it shall establish, may issue its license to confer degrees in such form as it may prescribe to a nonpublic educational institution established in this State after April 15, 1923, by any person, firm, organization, or corporation; but no nonpublic educational institution established in the State subsequent to that date shall be empowered to confer degrees unless it has income sufficient to maintain an adequate faculty and equipment sufficient to provide adequate means of instruction in the arts and sciences, or in any other recognized field or fields of learning or knowledge.

(c) All nonpublic educational institutions licensed under this section shall file such information with the President as the Board of Governors may direct, and the said Board may evaluate any nonpublic educational institution applying for a license to confer degrees under this section. If any such nonpublic educational institution shall fail to maintain the required standards, the Board shall revoke its license to confer degrees, subject to a right of review of this decision in the manner provided in Article 33 of Chapter 143 of the General Statutes.

(d) The State Board of Education shall have sole authority to administer and supervise, at the State level, the system of community colleges, technical institutes, and industrial education centers provided in Chapter 115A of the General Statutes, and shall regulate the granting of appropriate awards, two-year degrees, and marks of distinction by those institutions. (1971, c. 1244, s. 1.)

§ 116-16. Tax exemption.—The lands and other property belonging to the University of North Carolina shall be exempt from all kinds of public taxation.

(Const., art. 5, s. 5; 1789, c. 306, s. 3, P. R.; R. S., vol. 2, p. 428; Code, s. 2614; Rev., s. 4262; C. S., s. 5783; 1971, c. 1244, s. 2.)

Editor's Note.—This section was formerly § 116-19. It was transferred to its present position by Session Laws 1971, c. 1244, s. 2, effective July 1, 1972. The 1971 act also substituted "University of North Carolina" for "corporation."

§ 116-17. Purchase of annuity or retirement income contracts for faculty members, officers and employees.—Notwithstanding any provision of law relating to salaries and/or salary schedules for the pay of faculty members, administrative officers, or any other employees of universities, colleges and institutions of higher learning as named and set forth in this Article, and other State agencies qualified as educational institutions under § 501(c)(3) of the United States Internal Revenue Code, the governing boards of any such universities, colleges and institutions of higher learning may authorize the business officer or agent of same to enter into annual contracts with any of the faculty members, administrative officers and employees of said institutions of higher learning which provide for a reduction in salary below the total established compensation or salary schedule for a term of one year. The financial officer or agent shall use the funds derived from the reduction in the salary of the faculty member, administrative officer or employee to purchase a nonforfeitable annuity or retirement income contract for the benefit of said faculty member, administrative officer or employee of said universities, colleges and institutions of higher learning. A faculty member, administrative officer or employee who has agreed to a salary reduction for this purpose shall not have the right to receive the amount of the salary reduction in cash or in any other way except the annuity or retirement income contract. Funds used for the purchase of an annuity or retirement income contract shall not be in lieu of any amount earned by the faculty member, administrative officer or employee before his election for a salary reduction has become effective. The agreement for salary reductions referred to herein shall be effected under any necessary regulations and procedures adopted by the various governing boards of the various institutions of higher learning and on forms prepared by said governing boards. Notwithstanding any other provision of this section or law, the amount by which the salary of any faculty member, administrative officer or employee is reduced pursuant to this section shall not be excluded, but shall be included, in computing and making payroll deductions for social security and retirement system purposes, and in computing and providing matching funds for retirement system purposes. (1965, c. 365; 1971, c. 1244, s. 3.)

The 1971 act also substituted "this Article" for "articles 1 and 2 of chapter 116 of the General Statutes, as amended," and "governing boards" for "board of trustees" in the first sentence and substituted "governing

boards" for "boards of trustees" in two places in the next-to-last sentence.

Institution Determines the Seller of the Annuity or the Retirement Income Contract under This Statute.—See opinion of Attorney General to Mr. H.L. Ferguson, Jr., University of North Carolina at Greensboro, 42 N.C.A.G. 6 (1972).

§ 116-18. Information Center established.—The Board of Governors of the University of North Carolina, with the cooperation of other concerned organizations, shall establish, as a function of the Board, an Educational Opportunities Information Center to provide information and assistance to prospective college and university students and to the several institutions, both public and private, on matters regarding student admissions, transfers and enrollments. The public institutions shall cooperate with the Center by furnishing such nonconfidential information as may assist the Center in the performance of its duties. Similar cooperation shall be requested of the private institutions in the State.

An applicant for admission to an institution who is not offered admission may request that the institution send to the Center appropriate nonconfidential information concerning his application. The Center may, at its discretion and with per-

mission of the applicant, direct the attention of the applicant to other institutions and the attention of other institutions to the applicant. The Center is authorized to conduct such studies and analyses of admissions, transfers and enrollments as may be deemed appropriate. (1971, c. 1086, s. 1; c. 1244, s. 4.)

Editor's Note.—This section was enacted by Session Laws 1971, c. 1086, s. 1, effective Oct. 1, 1971, as subdivision (9) of § 116-158. It was transferred to its present position by Session Laws 1971, c. 1244, s.

4, effective July 1, 1972. Chapter 1244 also inserted "of Governors of the University of North Carolina" near the beginning of the section.

§ 116-19. Contracts with private institutions to aid North Carolina students.—In order to encourage and assist private institutions to continue to educate North Carolina students, the Board of Governors of the University of North Carolina is hereby authorized to enter into contracts with the institutions under the terms of which an institution receiving any funds that may be appropriated pursuant to this section would agree that, during any fiscal year in which such funds were received, the institution would provide and administer scholarship funds for needy North Carolina students in an amount at least equal to the amount paid to the institution, pursuant to this section, during the fiscal year. Under the terms of the contracts the Board of Governors of the University of North Carolina would agree to pay to the institutions, subject to the availability of funds, a fixed sum of money for each North Carolina student enrolled at the institutions for the regular academic year, said sum to be determined by appropriations that might be made from time to time by the General Assembly pursuant to this section. Funds appropriated pursuant to this section shall be paid by the Department of Administration to an institution upon recommendation of the Board of Governors of the University of North Carolina and on certification of the institution showing the number of North Carolina students enrolled at the institution as of October 1 of any year for which funds may be appropriated. (1971, c. 744, s. 1; c. 1244, s. 5.)

Editor's Note.—This section was enacted by Session Laws 1971, c. 744, s. 1, and codified as § 116-158.1. It was transferred to its present position by Session Laws 1971, c. 1244, s. 5, effective July 1, 1972. Chapter

1244 also substituted "Board of Governors of the University of North Carolina" for "Board of Higher Education" in three places in the section. For the section formerly numbered § 116-19, see § 116-16.

§ 116-20. Scholarship and contract terms; base period.—In order to encourage and assist private institutions to educate additional numbers of North Carolinians, the Board of Governors of the University of North Carolina is hereby authorized to enter into contracts within the institutions under the terms of which an institution receiving any funds that may be appropriated pursuant to this section would agree that, during any fiscal year in which such funds were received, the institution would provide and administer scholarship funds for needy North Carolina students in an amount at least equal to the amount paid to the institution, pursuant to this section, during the fiscal year. Under the terms of the contracts the Board of Governors of the University of North Carolina would agree to pay to the institutions, subject to the availability of funds, a fixed sum of money for each North Carolina student enrolled as of October 1 of any year for which appropriated funds may be available, over and above the number of North Carolina students enrolled in that institution as of October 1, 1970, which shall be the base date for the purpose of this calculation. Funds appropriated pursuant to this section shall be paid by the Department of Administration to an institution upon recommendation of the Board of Governors of the University of North Carolina and on certification of the institution showing the number of North Carolina students enrolled at the institution as of October 1 of any year for which funds may be appropriated over the number enrolled on the base date. In the event funds are appropriated for expenditure pursuant to this section and funds are also appropriated, for the same fiscal year, for expenditure pursuant to G.S. 116-19, students who are

enrolled at an institution in excess of the number enrolled on the base date may be counted under this section for the purpose of calculating the amount to be paid to the institution, but the same students may not also be counted under G.S. 116-19, for the purpose of calculating payment to be made under that section. (1971, c. 744, s. 2; c. 1244, s. 5.)

Editor's Note.—This section was enacted by Session Laws 1971, c. 744, § 2, and codified as § 116-158.2. It was transferred to its present position by Session Laws 1971, c. 1244, s. 5, effective July 1, 1972. Chapter 1244 also substituted "Board of Governors of the University of North Carolina" for

"Board of Higher Education" in three places and "116-19" for "116-158.1" in two places in the section.

Former § 116-20 was transferred to § 116A-1 by Session Laws 1971, c. 1135, s. 2, effective July 1, 1971.

(1971, c. 636; c. 1244, s. 16.)

Editor's Note.—

The first 1971 amendment inserted "and a reserve for debt service" near the end of subdivision (3), deleted "at the University of North Carolina at Chapel Hill, North Carolina" following "provide" and substituted "proper and efficient operation of the University Enterprises" for "students or staff in the operation of the University" in the opening paragraph of subdivision (4) and added all of subdivision (4) following paragraph g.

The second 1971 amendment, effective July 1, 1972, substituted "Board of Governors" for "board of trustees" in subdivision (1).

As the rest of the section was not changed by the amendment, only the introductory clause and subdivisions (3) and (4) are set out.

§ 116-41.2. Powers of Board of Governors generally.—In addition to the powers which the Board now has, the Board shall have the following powers subject to the provisions of this Part and subject to agreements with the holders of any revenue bonds issued hereunder:

- (1) To acquire by gift, purchase or the exercise of the power of eminent domain or to construct, provide, improve, maintain and operate any project or projects;
- (2) To borrow money for the construction of any project or projects, and to issue revenue bonds therefor in the name of the University;
- (3) To establish, maintain, revise, charge and collect such service charges (free of any control or regulation by any State regulatory body until January 1, 1973, and thereafter only by the North Carolina Utilities Commission) as will produce sufficient revenues to pay the principal of and interest on the bonds and otherwise to meet the requirements of the resolution or resolutions of the Board authorizing the issuance of the revenue bonds.
- (4) To pledge to the payment of any bonds of the University issued hereunder and the interest thereon the revenues of the project financed in whole or in part with the proceeds of such bonds, and to pledge to the payment of such bonds and interest any other revenues, subject to any prior pledge or encumbrance thereof;
- (5) To appropriate, apply, or expend in payment of the cost of the project the proceeds of the revenue bonds issued for the project;

- (7) To insure the payment of service charges with respect to the telephone, electric and water systems of the University Enterprises, as the same shall become due and payable, the Board may, in addition to any other remedies which it may have:
 - a. Require reasonable advance deposits to be made with it to be

subject to application to the payment of delinquent service charges, and

- b. At the expiration of 30 days after any such service charges become delinquent, discontinue supplying the services and facilities of such telephone, electric and water systems.
- (8) To retain and employ consultants and other persons on a contract basis for rendering professional, technical or financial assistance and advice in undertaking and carrying out any project and in operating, repairing or maintaining any project or any system, facility, plant, works, instrumentalities or properties whose revenues are pledged in whole or in part for the payment of the bonds; and

(1961, c. 1078, s. 2; 1971, c. 634, s. 2; c. 636; c. 1244, s. 15.)

Editor's Note.—The first 1971 amendment added to the language in parentheses in subdivision (3) "until January 1, 1973, and thereafter only by the North Carolina Utilities Commission."

The second 1971 amendment inserted present subdivision (7) and renumbered former subdivisions (7) and (8) as (8) and (9).

The third 1971 amendment, effective July 1, 1972, substituted "Board of Governors" for "board of trustees" in the catchline and capitalized the word "Board" in several places in the section. See § 116-41.1 and the note thereto.

Session Laws 1971, c. 634, s. 3, provides: "In order to provide a period for the

development by the University of North Carolina at Chapel Hill of records of the kind which may be required by the North Carolina Utilities Commission, the Utilities Commission shall have no authority in respect to the rates or service charges for the telephone service, electricity or water supplied to the public for compensation from the University Enterprises defined in G.S. 116-41.1(9) until January 1, 1973."

The Utilities Commission did not have jurisdiction to enter a regulatory order applicable to the telephone company operated by the University of North Carolina at Chapel Hill. *State ex rel. Utilities Comm'n v. Chapel Hill Tel. Co.*, 12 N.C. App. 543, 183 S.E.2d 802 (1971).

§ 116-41.4. Bonds authorized; amount limited; form, execution and sale; terms and conditions; use of proceeds; additional bonds; interim receipts or temporary bonds; replacement of lost, etc., bonds; approval or consent for issuance; bonds not debt of State; bond anticipation notes.—The Board is hereby authorized to issue, subject to the approval of the Advisory Budget Commission, at one time or from time to time, revenue bonds of the University for the purpose of undertaking and carrying out any project or projects hereunder; provided, however, that the aggregate principal amount of revenue bonds which the Board is authorized to issue under this section during the biennium ending June 30, 1969, shall not exceed three million five hundred thousand dollars (\$3,500,000); provided, further, the Board shall have authority to issue revenue bonds under this section in an additional aggregate principal amount not to exceed three million five hundred thousand dollars (\$3,500,000) during the biennium ending June 30, 1971; provided, however, that the aggregate principal amount of revenue bonds which the Board is authorized to issue under this section during the biennium ending June 30, 1973, shall not exceed thirteen million dollars (\$13,000,000); provided, further, that the aggregate principal amount of revenue bonds which the Board is authorized to issue under this section during the biennium ending June 30, 1975, shall not exceed thirteen million dollars (\$13,000,000). The bonds shall be dated, shall mature at such time or times not exceeding 30 years from their date or dates, and shall bear interest at such rate or rates as may be determined by the Board, and may be made redeemable before maturity at the

option of the Board at such price or prices and under such terms and conditions as may be fixed by the Board prior to the issuance of the bonds. The Board shall determine the form and manner of execution of the bonds, and any interest coupons to be attached thereto, and shall fix the denomination or denominations of the bonds and the place or places of payment of principal and interest, which may be at any bank or trust company within or without the State. In case any officer whose signature or a facsimile of whose signature appears on any bonds or coupons shall cease to be such officer before the delivery of such bonds, such signature or such facsimile shall nevertheless be valid and sufficient for all purposes the same as if he had remained in office until such delivery. Notwithstanding any of the other provisions of this Part or any recitals in any bonds issued under the provisions of this Part, all such bonds shall be deemed to be negotiable instruments under the laws of this State. The bonds may be issued in coupon or registered form or both, as the Board may determine, and provision may be made for the registration of any coupon bonds as to principal alone and also as to both principal and interest, and for the reconversion into coupon bonds of any bonds registered as to both principal and interest. The Board may sell such bonds in such manner, at public or private sale, and for such price, as it may determine to be for the best interests of the University.

The proceeds of the bonds of each issue shall be used solely for the purpose for which such bonds shall have been authorized and shall be disbursed in such manner and under such restrictions, if any, as the Board may provide in the resolution authorizing the issuance of such bonds. Unless otherwise provided in the authorizing resolution, if the proceeds of such bonds, by error of estimates or otherwise, shall be less than such cost, additional bonds may in like manner be issued to provide the amount of such deficit and shall be deemed to be of the same issue and shall be entitled to payment from the same fund without preference or priority of the bonds first issued for the same purpose.

The resolution providing for the issuance of revenue bonds may also contain such limitations upon the issuance of additional revenue bonds as the Board may deem proper, and such additional bonds shall be issued under such restrictions and limitations as may be prescribed by such resolution.

Prior to the preparation of definitive bonds, the Board may, under like restrictions, issue interim receipts or temporary bonds, with or without coupons, exchangeable for definitive bonds when such bonds shall have been executed and are available for delivery. The Board may also provide for the replacement of any bonds which shall become mutilated or be destroyed or lost.

Bonds may be issued by the Board under the provisions of this Part, subject to the approval of the Advisory Budget Commission, but without obtaining the consent of any other commission, board, bureau or agency of the State, and without any other proceedings or the happening of any other conditions or things than those consents, proceedings, conditions or things which are specifically required by this Part.

Revenue bonds issued under the provisions of this Part shall not be deemed to constitute a debt of the State of North Carolina or a pledge of the faith and credit of the State, but such bonds shall be payable solely from the funds herein provided therefor and a statement to that effect shall be recited on the face of the bonds.

The Board is hereby authorized to issue, subject to the approval of the Advisory Budget Commission, at one time or from time to time, revenue bond anticipation notes of the Board in anticipation of the issuance of bonds authorized pursuant to the provisions of this Part. The principal of and the interest on such notes shall be payable solely from the proceeds of bonds or renewal notes or, in the event bond or renewal note proceeds are not available, any available revenues of the project or projects for which such bonds shall have been authorized. The notes of each issue shall be dated, shall mature at such time or times not exceeding two years from their date or dates, shall bear interest at such rate or rates as may be

determined by the Board, and may be made redeemable before maturity, at the option of the Board, at such price or prices and under such terms and conditions as may be fixed by the Board, and may be made redeemable before maturity, at the option of the Board, at such price or prices and under such terms and conditions as may be fixed by the Board prior to the issuance of the notes. The Board shall determine the form and manner of execution of the notes, including any interest coupons to be attached thereto, and shall fix the denomination or denominations of the notes and the place or places of payment of principal and interest, which may be at any bank or trust company within or without the State. In case any officer, whose signature or a facsimile of whose signature shall appear on any notes or coupons, shall cease to be such officer before the delivery of such notes, such signature or such facsimile shall nevertheless be valid and sufficient for all purposes the same as if he had remained in office until such delivery. Notwithstanding any of the other provisions of this Part or any recitals in any notes issued under the provisions of this Part, all such notes shall be deemed to be negotiable instruments under the laws of this State. The notes may be issued in coupon or registered form or both, as the Board may determine, and provision may be made for the registration of any coupon notes as to principal alone and also as to both principal and interest, and for the reconversion into coupon notes of any notes registered as to both principal and interest. The Board may sell such notes in such manner, at public or private sale, and for such price, as it may determine to be for the best interests of the University.

The proceeds of the notes of each issue shall be used solely for the purpose for which the bonds in anticipation of which such notes are being issued shall have been authorized, and such note proceeds shall be disbursed in such manner and under such restrictions, if any, as the Board may provide in the resolution authorizing the issuance of such notes or bonds.

The resolution providing for the issuance of notes or bonds may also contain such limitations upon the issuance of additional notes as the Board may deem proper, and such additional notes shall be issued under such restrictions and limitations as may be prescribed by such resolution.

Notes may be issued by the Board under the provisions of this Part, subject to the approval of the Advisory Budget Commission, but without obtaining the consent of any other commission, board, bureau or agency of the State, and without any other proceedings or the happening of any other conditions or things than those consents, proceedings, conditions or things which are specifically required by this Part.

Revenue bond anticipation notes issued under the provisions of this Part shall not be deemed to constitute a debt of the State of North Carolina or a pledge of the faith and credit of the State, but such notes shall be payable solely from the funds herein provided therefor and a statement to that effect shall be recited on the face of the notes.

Unless the context shall otherwise indicate, the word "bonds," wherever used in this Part, shall be deemed and construed to include the words "bond anticipation notes." (1961, c. 1078, s. 4; 1963, c. 944, s. 2; 1965, c. 1033, s. 2; 1967, c. 724; 1969, c. 1236; 1971, c. 636; c. 1244, s. 15; 1973, c. 663.)

Editor's Note.—

The 1967 amendment substituted "1969" for "1967" in the first sentence.

The 1969 amendment added to the first sentence the proviso relating to bonds issued during the biennium ending June 30, 1971, and increased the maximum interest rate from six percent to seven and one-half percent.

The first 1971 amendment added to the first sentence the proviso relating to bonds issued during the biennium ending June 30,

1973, and deleted "not exceeding seven and one-half per centum (7.5%) per annum" following "rate or rates" near the beginning of the second sentence of the first paragraph and deleted, at the end of the last sentence of the first paragraph, a provision to the effect that no sale should be made at a price so low as to require the payment of the interest at a rate of more than 7.5 percent per annum.

The second 1971 amendment, effective July 1, 1972, capitalized the word "Board"

throughout the section. See § 116-41.1 and the note thereto.

Session Laws 1971, c. 635, effective July 1, 1971, authorizes an additional \$13,000,000 in revenue bonds for specific purposes.

The 1973 amendment added to the first sentence the proviso relating to bonds issued during the biennium ending June 30, 1975, and added the last six paragraphs of the section.

§ 116-41.5. Contents of resolution authorizing issuance; powers liberally construed; deposit and use of revenues; rights and remedies of bondholders; service charges; insurance of projects; depositaries.—The Board in the resolution authorizing the issuance of bonds under this Part may provide for a pledge to the payment of such revenue bonds and the interest thereon of the revenue derived from the project and also for a pledge of the revenues derived from any system, facility, plant, works, instrumentalities or properties improved, bettered, or extended by the project or otherwise within the jurisdiction of or operated by the University in connection with the University of North Carolina at Chapel Hill, North Carolina, the revenues derived from any future improvements, betterments or extensions of the project, the revenues derived from the University Enterprises, or any part thereof, or the revenues from the project and any or all of the revenues mentioned in this sentence, without regard to whether the operations involved are deemed governmental or proprietary, it being the purpose hereof to vest in the Board broad powers which shall be liberally construed. So long as any revenues of the University mentioned in this paragraph are pledged for the payment of the principal of or interest on any bonds issued hereunder, such revenues shall be deposited in a special fund and shall be applied and used only as provided in the resolution authorizing such bonds, subject, however, to any prior pledge or encumbrance thereof.

The resolution authorizing the issuance of the bonds may contain provisions for protecting and enforcing the rights and remedies of the holders of the bonds, including covenants setting forth the duties of the University in relation to the construction of any project to be financed with the proceeds of said bonds, and to the maintenance, repair, operation and insurance of such project or any other project, systems, facilities, plants, works, instrumentalities, properties, the University Enterprises or any part thereof, if the revenues thereof are in any way pledged as security for the bonds; the fixing and revising of service charges and the collection thereof; and the custody, safeguarding and application of all moneys of the University pertaining to the project and the bonds, and all revenues pledged therefor. Notwithstanding the provisions of any other law, the Board may carry insurance on any such project in such amounts and covering such risks as it may deem advisable. It shall be lawful for any bank or trust company incorporated under the laws of the State of North Carolina which may act as depositary of the proceeds of bonds or of revenues to furnish such indemnifying bonds or to pledge such securities as may be required by the Board. Such resolution may set forth the rights and remedies of the bondholders and may restrict the individual right of action by bondholders. Such resolution may contain such other provisions in addition to the foregoing as the Board may deem reasonable and proper for the security of the bondholders.

The Board may provide for the payment of the proceeds of the bonds and any revenues pledged therefor to such officer, board or depositary as it may designate for the custody thereof, and for the method of disbursement thereof, with such safeguards and restrictions as it may determine. All expenses incurred in carrying out the provisions of such resolution may be treated as a part of the cost of operation. (1961, c. 1078, s. 5; 1971, c. 1244, s. 15.)

Editor's Note.—The 1971 amendment, effective July 1, 1972, capitalized the word “Board” in several places in this section. See § 116-41.1 and the note thereto.

§ 116-41.8. Rights and remedies of bondholders. — Any holder of revenue bonds issued under the provisions of this Part or of any of the coupons

appertaining thereto, except to the extent that the rights herein given may be restricted by the resolution authorizing the issuance of such bonds, may, either at law or in equity, by suit, action, mandamus or other proceeding, protect and enforce any and all rights under the laws of the State of North Carolina, including this Part, or under such resolution, and may enforce and compel the performance of all duties required by this Part or by such resolution to be performed by the University or by any officer thereof or the Board, including the fixing, charging and collecting of service charges. (1961, c. 1078, s. 8; 1971, c. 1244, s. 15.)

Editor's Note.—The 1971 amendment, effective July 1, 1972, capitalized the word “Board” near the end of the section. See § 116-41.1 and the note thereto.

§ 116-41.11. Executive committee may be authorized to exercise powers and functions of Board.—The Board by resolution may authorize its executive committee to exercise or perform any of the powers or functions vested in the Board under this Part. (1961, c. 1078, s. 11; 1971, c. 1244, s. 15.)

Editor's Note.—The 1971 amendment, effective July 1, 1972, capitalized the word “Board” in two places. See § 116-41.1 and the note thereto.

Part 6. Traffic and Parking.

§ 116-44.3. **Definitions.**—Unless the context clearly requires another meaning, the following words and phrases have the meanings indicated when used in this Part:

(1) “Board of trustees” and “constituent institution” have the meanings assigned in G.S. 116-2.

(2) “Campus” means that University property, without regard to location, which is used wholly or partly for the purposes of a particular constituent institution of the University of North Carolina.

(3) “University” means a constituent institution as defined in G.S. 116-2.

(4) “University property” means property that is owned or leased in whole or in part by the State of North Carolina and which is subject to the general management and control of the Board of Governors of the University of North Carolina. (1973, c. 495, s. 1.)

Cross Reference.—See Editor’s note to §§ 116-42 to 116-42.4. **Editor’s Note.**—Session Laws 1973, c. 495, s. 4, contains a severability clause.

§ 116-44.4. **Regulation of traffic and parking and registration of motor vehicles.**—(a) Except as otherwise provided in this Part, all of the provisions of Chapter 20 of the General Statutes relating to the use of highways of the State and the operation of motor vehicles thereon are applicable to all streets, alleys, driveways, parking lots, and parking structures on University property. Nothing in this section modifies any rights of ownership or control of University property, now or hereafter vested in the Board of Governors of the University of North Carolina or the State of North Carolina.

(b) Each board of trustees may by ordinance prohibit, regulate, divert, control, and limit pedestrian or vehicular traffic and the parking of motor vehicles and other modes of conveyance on the campus. In fixing speed limits, the board of trustees is not subject to G.S. 20-141(f1) or (g2), but may fix any speed limit reasonable and safe under the circumstances as conclusively determined by the board of trustees. The board of trustees may not regulate traffic on streets open to the public as of right, except as specifically provided in this Part.

(c) Each board of trustees may by ordinance provide for the registration of motor vehicles maintained or operated on the campus by any student, faculty member, or employee of the University, and may fix fees for such registration. The ordinance may make it unlawful for any person to operate an unregistered motor vehicle on the campus when the vehicle is required by the ordinance to be registered.

(d) Each board of trustees may by ordinance set aside parking lots and other parking facilities on the campus for use by students, faculty, and employees of the University and members of the general public attending schools, conferences, or meetings at the University, visiting or making use of any University facilities, or attending to official business with the University. The board of trustees may issue permits to park in these lots and garages and may charge a fee therefor. The board of trustees may also by ordinance make it unlawful for any person to park a motor vehicle in any lot or other parking facility without procuring the requisite permit and displaying it on the vehicle.

(e) Each board of trustees may by ordinance set aside spaces in designated parking areas or facilities in which motor vehicles may be parked for specified periods of time. To regulate parking in such spaces, the board of trustees may install a system of parking meters and make it unlawful for any person to park a motor vehicle in a metered space without activating the meter for the entire time that the vehicle is parked, up to the maximum length of time allowed for that space.

The meters may be activated by coins of the United States. The board of trustees may also install automatic gates, employ attendants, and use any other device or procedure to control access to and collect the fees for using its parking areas and facilities.

(f) The board of trustees may by ordinance provide for the issuance of stickers, decals, permits, or other indicia representing the registration status of vehicles or the eligibility of vehicles to park on the campus and may by ordinance prohibit the forgery, counterfeiting, unauthorized transfer, or unauthorized use of them.

(g) Violation of an ordinance adopted under any portion of this Part is a misdemeanor punishable by a fine of not more than fifty dollars (\$50.00) or imprisonment for not more than 30 days, in the discretion of the court. An ordinance may provide that certain acts prohibited thereby shall not be enforced by criminal sanctions, and in such cases a person committing any such act shall not be guilty of a misdemeanor.

(h) An ordinance adopted under any portion of this Part may provide that violation subjects the offender to a civil penalty. Penalties may be graduated according to the seriousness of the offense or the number of prior offenses by the person charged. Each board of trustees may establish procedures for the collection of these penalties and they may be enforced by civil action in the nature of debt. The board of trustees may also provide for appropriate administrative sanctions if an offender does not pay a validly due penalty or upon repeated offenses. Appropriate administrative sanctions include, but are not limited to, revocation of parking permits, termination of vehicle registration, and termination or suspension of enrollment in or employment by the University.

(i) An ordinance adopted under any portion of this Part may provide that any vehicle illegally parked may be removed to a storage area. The cost of any such removal constitutes a lien on the vehicle that may be enforced in the manner provided by law for enforcement of mechanics' and materialmen's liens.

(j) Evidence that a motor vehicle was found parked or unattended in violation of an ordinance of the board of trustees is prima facie evidence that the vehicle was parked by:

- (1) The person holding a University parking permit for the vehicle, or
- (2) If no University parking permit has been issued for the vehicle, the person in whose name the vehicle is registered with the University pursuant to subsection (c), or
- (3) If no University parking permit has been issued for the vehicle and the vehicle is not registered with the University, the person in whose name it is registered with the North Carolina Department of Motor Vehicles or the corresponding agency of another state or nation.

The rule of evidence established by this subsection applies only in civil, criminal, or administrative actions or proceedings concerning violations of ordinances of the board of trustees. G.S. 20-162.1 does not apply to such actions or proceedings.

(k) Each board of trustees shall cause to be posted appropriate notice to the public of applicable traffic and parking restrictions.

(l) All ordinances adopted under this Part shall be recorded in the minutes of the board of trustees and copies thereof shall be filed in the offices of the President of the University of North Carolina and the Secretary of State. Each board of trustees shall provide for printing and distributing copies of its traffic and parking ordinances.

(m) All moneys received pursuant to this Part shall be placed in a trust account in each constituent institution and may be used for any of the following purposes:

- (1) To defray the cost of administering and enforcing ordinances adopted under this Part;
- (2) To develop, maintain, and supervise parking areas and facilities;
- (3) To provide bus service or other transportation systems and facilities, in-

cluding payments to any public or private transportation system serving University students, faculty, or employees;

- (4) As a pledge to secure revenue bonds for parking facilities issued under Article 21 of this Chapter;
- (5) Other purposes related to parking, traffic, and transportation on the campus. (1973, c. 495, s. 1.)

§ 116-44.5. In addition, the board of trustees of the University of North Carolina at Charlotte may regulate traffic on Mary Alexander Boulevard (State Road No. 2834), between its intersection with N.C. - (4) This section does not diminish the authority of any affected municipality, county or other governmental entity to prohibit parking on any public street or road listed herein. ARTICLE 3.

Community Colleges.

§ **116-49. Definitions.**—As used herein:

- (2) The term “Board of Governors” refers to the Board of Governors of the University of North Carolina. (1957, c. 1098, s. 3; 1971, c. 1244, s. 14.)

Editor’s Note.—The 1971 amendment, effective July 1, 1972, substituted “‘Board of Governors’” for “‘Board of Higher Education’” and “Board of Governors of the University of North Carolina” for “North Carolina Board of Higher Education” in subdivision (2).

As the rest of the section was not changed by the amendment, only the introductory language and subdivision (2) are set out.

§ **116-53. Appropriations by State.**—(a) Appropriations by the State of North Carolina as grants-in-aid to community colleges for operating expenses shall be paid on the basis of a specified sum per student quarter-hour of instruction delivered in a limited curriculum consisting of courses at the freshman and sophomore levels in liberal arts and sciences and in the first and second year offerings of technical institutes of college grade prescribed by the Board of Governors. The total annual amounts of these grants-in-aid to each college shall not, except when the Appropriation Act specifically provides otherwise, exceed the total of local public or private funds (exclusive of student fees and charges) made available annually to such college for operating expenses. Certification on forms prescribed by the Board of Governors shall be made to said Board and upon approval by said Board payments shall be made by the State disbursing officer to each community college in amounts not in excess of appropriations therefor.

(b) Appropriations by the State of North Carolina for capital or permanent improvements for community colleges shall, except when the Appropriation Act specifically provides otherwise, be on an equal matching fund basis, the moneys raised by a particular community college from public or private sources being matched by an equal amount of State funds, up to but not in excess of appropriations therefor. The sole purposes for which such appropriations may be expended shall be to acquire real property and to construct and equip classrooms, laboratories, administration offices, utility plants, libraries, cafeterias, physical education instructional facilities, and auditorium facilities, in such order of priority as the Board of Governors and the Advisory Budget Commission shall determine. Such appropriations shall not be expended for any other purpose, it being expressly intended that the construction of all other facilities and procurement of all other equipment shall be the sole obligation and responsibility of the community college.

Preliminary studies and cost estimates for the construction of all buildings or other capital improvements and proposals for the purchase of all original equipment to be installed or used therein, involving the expenditure of State funds, shall be first submitted to and approved by the Board of Governors and the State Budget Bureau.

After approval by the Board of Governors and the Budget Bureau, payments shall be made by the State disbursing officer to the community college, within au-

thorized appropriations, according to procedures established by the Budget Bureau. (1957, c. 1098, s. 7; 1961, c. 1099; 1971, c. 1244, s. 14.)

Editor's Note.—The 1971 amendment, effective July 1, 1972, substituted "Board of Governors" for "Board of Higher Education" throughout the section.

§ 116-57. Election by college to come under Article; procedure.—Any college now or hereafter eligible, or desiring to become eligible, to receive the benefit of any direct appropriations of the State of North Carolina as a community college, and which desires to take advantage of such appropriations, must first elect to come under the provisions of this Article. Such election shall be duly made by the governing board of the college and by such other group or body as may be necessary under the provisions of any charter or bylaws applicable to the college in question.

The resolutions of election to come under the provisions of this Article shall include appropriate resolutions:

- (1) Electing to come under the provisions of this Article and to have this Article, as written and as subsequently amended, serve as the charter of said college in lieu of any existing charter or other authority under which the existing college is operated;
- (2) Designating the name by which the community college shall be known;
- (3) Providing for the transfer and conveyance of all assets owned or used by the existing college to the community college (authority is hereby given to any board of education, board of county commissioners or governing board of any municipality owning funds and properties so used to transfer and convey same to a community college in the county, without consideration, upon authorization of an annual tax levy for the maintenance of such college);
- (4) Petitioning the State of North Carolina to approve it as a community college, and
- (5) Providing that all such resolutions of election are adopted subject to approval of such institution by the State of North Carolina as a community college and subject to the authorization of an annual tax levy by a vote of the people of the county in which the college is located.

The petition of the college for approval, accompanied by a copy of all resolutions of election to come under the provisions of this Article, duly certified by the president or chairman of the governing board of the college and attested by the secretary, shall be submitted to the Board of Governors for approval. Written approval of the petition by the Board of Governors and the Advisory Budget Commission, and by the Attorney General as to form and legality, shall constitute approval by the State of North Carolina, subject to an authorization of an annual tax levy as aforesaid.

The petition for approval as a community college of any existing college which, prior to June 5, 1957, has received appropriations from State funds and is receiving public support from any county and/or municipal tax or nontax revenues may be approved, and may operate as a community college under this Article, without an authorization of an annual tax levy by a vote of the people of the county in which the college is located.

For good cause shown, the Board of Governors and the Advisory Budget Commission may approve the petition of the petitioning college without requiring the transfer of all funds and properties used by it to the community college, provided that the petitioner shall comply with such conditions as said Board and Commission may impose to assure the provision of adequate facilities for the community college. Following approval of the State of North Carolina as aforesaid, the board of commissioners of the county in which the college is located shall, within a reasonable time after receiving a request from the governing board of the college therefor, submit at an election the question of levying taxes to finance the operation,

equipment and maintenance thereof. Such election shall be called and held in accordance with the provisions of G.S. 116-56.

If the governing board of the existing college shall submit to the Board of Governors within 18 months after the approval of the college by the State of North Carolina as aforesaid, a certificate of the result of such election showing approval of levying of taxes for the maintenance of the college as a community college, the Board of Governors shall, upon receipt thereof, file the resolutions of election, together with written approval thereof as aforesaid, and the certificate of the result of the election in the office of the Secretary of State.

From and after the filing of said documents in the office of the Secretary of State, said college shall be a community college under this Article; the existing governing board shall continue to act pending appointment of the first board of trustees under this Article; said existing board shall take all such action as shall be necessary and proper to transfer the funds and properties owned or used by the former institution to the new community college and to dissolve or otherwise terminate the former corporation, if such there be. From and after the organization of the new community college this Article shall serve as its charter. (1957, c. 1098, s. 11; 1971, c. 1244, s. 14.)

Editor's Note.—

The 1971 amendment, effective July 1, 1972, substituted "Board of Governors" for "Board of Higher Education" in two places

in the third paragraph, in the fifth paragraph, and in two places in the sixth paragraph.

§ 116-58. Establishment of community college.—In any county not having a college supported by local public funds which would be eligible for establishment as a community college under this Article, the county board of education may petition the State of North Carolina for authority to establish a community college under this Article in said county. The petition shall be submitted to the Board of Governors and shall contain such information concerning the proposed location and plans for the financing and operation of the college as the Board of Governors may require. Written approval of the petition by the Board of Governors and the Advisory Budget Commission, and by the Attorney General as to form and legality, shall constitute approval by the State of North Carolina, subject to the authorization of an annual tax levy for the operation, equipment and maintenance of the proposed college by a vote of the people of the county in which the college is to be located. Following approval of the State of North Carolina as aforesaid, the board of commissioners of the county in which it is proposed that the college shall be located shall, within a reasonable time after receiving a request from the petitioning county board of education therefor, submit at an election the question of levying taxes to finance the operation, equipment and maintenance of such college. The election shall be called and held in accordance with the provisions of G.S. 116-56.

If, within 18 months after the approval of the petition by the State of North Carolina as aforesaid, the petitioning county board of education shall submit to the Board of Governors a certificate of the result of such election showing approval of the levying of taxes for the maintenance of the proposed community college, the Board of Governors shall file the petition, together with the written approval thereof as aforesaid, and the certificate of the result of the election in the office of the Secretary of State.

From and after the filing of said documents in the office of the Secretary of State, said proposed college shall be deemed chartered as a community college under this Article; provided, however, that unless and until appropriations shall be made by the State of North Carolina for the benefit of said college the trustees who would otherwise be appointed by the Governor of North Carolina, under G.S. 116-50(a), shall be appointed by the petitioning county board of education and their successors in office and shall all be residents of the county in which the college is located.

Approval of the petition by the State of North Carolina as aforesaid shall become null and void at the end of 18 months from the date of such approval if the election hereinabove provided for authorizing the levying of taxes for the maintenance of the community college shall not have been held and voted upon favorably within that time. (1957, c. 1098, s. 12; 1971, c. 1244, s. 14.)

Editor's Note.—The 1971 amendment, effective July 1, 1972, substituted "Board of Governors" for "Board of Higher Education" in three places in the first paragraph and in two places in the second paragraph.

§ 116-59. Board of Governors authorized to establish minimum standards.—The Board of Governors shall have authority to prescribe minimum standards with respect to student enrollment or prospective enrollment in academic courses, facilities, and other pertinent matters for approval as a community college under this Article. (1957, c. 1098, s. 13; 1971, c. 1244, s. 14.)

Editor's Note.—The 1971 amendment, effective July 1, 1972, substituted "Board of Governors" for "Board of Higher Education."

ARTICLE 4.

North Carolina School of the Arts.

§ 116-64. Establishment of school.—There is hereby established, and there shall be maintained, a school for the professional training of students having exceptional talent in the performing arts which shall be defined as an educational institution of the State, to serve the students of North Carolina and other states, particularly other states of the South. The school shall be designated the "North Carolina School of the Arts." (1963, c. 1116; 1971, c. 1244, s. 13.)

Editor's Note.—The 1971 amendment, effective July 1, 1972, added the second sentence.

§ 116-65. To be part of University of North Carolina; membership of board of trustees.—The North Carolina School of the Arts is a part of the University of North Carolina and subject to the provisions of Article 1, Chapter 116, of the General Statutes; provided, however, that notwithstanding the provisions of G.S. 116-31, the board of trustees of said school shall consist of 14 persons, 13 of whom are selected in accordance with provisions of G.S. 116-31 and one of whom shall be the conductor of the North Carolina Symphony, who shall serve ex officio. (1963, c. 1116; 1971, c. 320, s. 4; c. 1244, s. 13.)

Editor's Note.—The first 1971 amendment changed the former second sentence so as to provide that the president of the student government, as well as the conductor of the North Carolina Symphony, should be an ex officio member of the board of trustees, and added to that sentence a provision that the ex officio members should have power to vote on all matters coming before the board. The second 1971 amendment rewrote the section.

§ 116-66. Powers of various boards.—The Board of Governors of the University of North Carolina and the board of trustees of the school shall be advised and assisted by the State Board of Education and by the advisory board of the school. Entrance requirements shall be prescribed so that the professional training offered shall be available only to those students who possess exceptional talent in the performing arts. In developing curricula the school shall utilize, pursuant to agreement with institutions of higher education or with any local administrative school unit, existing facilities and such academic nonarts courses and programs of instruction as may be needed by the students of the school, and, in the discretion of the Board of Governors, personnel may be employed jointly with any such institution or unit on a cooperative, cost-sharing basis. Curricula below the collegiate level shall be developed with the advice and approval of the State Board of Education and in consultation with the advisory board of the school.

The school shall confer and cooperate with the Southern Regional Education Board and with other regional and national organizations to obtain wide support and to establish the school as the center in the South for the professional training and performance of artists. The chancellor of the school shall preferably be a noted composer or dramatist. (1963, c. 1116; 1971, c. 1244, s. 13.)

Editor's Note.—The 1971 amendment, which formerly enumerated the powers of effective July 1, 1972, rewrote this section, the trustees of the school.

§ 116-68. Endowment fund.—The board of trustees is authorized to establish a permanent endowment fund, and shall perform such duties in relation thereto as are prescribed by the provisions of Article 1, Chapter 116, of the General Statutes. (1963, c. 1116; 1971, c. 1244, s. 13.)

Editor's Note.—The 1971 amendment, for "G.S. 116-46 (7)" at the end of the section, effective July 1, 1972, substituted "Article 1, Chapter 116, of the General Statutes,"

§§ 116-70, 116-70.1: Repealed by Session Laws 1971, c. 1244, s. 13, effective July 1, 1972.

ARTICLE 5.

Loan Fund for Prospective College Teachers.

§ 116-73. Joint committee for administration of Fund; rules and regulations.—"The Scholarship Loan Fund for Prospective College Teachers" shall be the responsibility of the Board of Governors of the University of North Carolina and the State Board of Education and will be administered by them through a joint committee, "The College Scholarship Loan Committee." This committee will operate under the following rules and regulations and under such further rules and regulations as the Board of Governors of the University of North Carolina and the State Board of Education shall jointly promulgate.

- (1) The nomination of applicants and recommendations of renewals shall be the responsibility of the College Scholarship Loan Committee.
- (2) Loans should be made for a single academic year (nine months) with renewal possible for two successive years for students successfully pursuing masters or doctoral programs. Loans shall not exceed two thousand dollars (\$2,000) for single students and three thousand dollars (\$3,000) for married students.
- (3) All scholarship loans shall be evidenced by notes, with sufficient sureties, made payable to the State Board of Education, and shall bear interest at the rate of four percent (4%) per annum from and after September 1 following the awarding of the candidate's degree.
- (4) Recipients of loans may have them repaid by teaching in a college or other educational institution beyond the high school level in North Carolina upon completion of their masters or doctorate degree program, at the rate of one hundred dollars (\$100.00) per month for each month of such teaching. If a student supported by a loan in this program should fail to so teach in a North Carolina institution, the loan would become repayable to the State, with interest, for that part of the teaching commitment not met, said note to be repaid according to the terms thereof.
- (5) Loans for 12 weeks of summer study, carrying stipends not to exceed five hundred dollars (\$500.00) for single and married students, should be available to students who do not plan to attend postgraduate school as full-time students during the regular academic year. Recipients should be eligible for up to three renewals over a four-year period. The obligation to teach in a North Carolina college or other educational in-

stitution, or failing that, to repay the State, shall apply proportionally as indicated above. (1965, c. 1148, s. 1; 1971, c. 1244, s. 14.)

Editor's Note.—The 1971 amendment, effective July 1, 1972, substituted "Board of Governors of the University of North Carolina" for "State Board of Higher Education" in two places in the first paragraph.

ARTICLE 14.

General Provisions as to Tuition Fees in Certain State Institutions.

§ 116-143. State-supported institutions of higher education required to charge tuition and fees.—The Board of Governors of the University of North Carolina shall fix the tuition and fees, not inconsistent with actions of the General Assembly, at the institutions enumerated in G.S. 116-4 in such amount or amounts as it may deem best, taking into consideration the nature of each institution and program of study and the cost of equipment and maintenance; and each institution shall charge and collect from each student, at the beginning of each semester or quarter, tuition, fees, and an amount sufficient to pay other expenses for the term.

In the event that said students are unable to pay the cost of tuition and required academic fees as the same may become due, in cash, the said several boards of trustees are hereby authorized and empowered, in their discretion, to accept the obligation of the student or students together with such collateral or security as they may deem necessary and proper, it being the purpose of this Article that all students in State institutions of higher learning shall be required to pay tuition, and that free tuition is hereby abolished.

Inasmuch as the giving of tuition and fee waivers, or especially reduced rates, represent in effect a variety of scholarship awards, the said practice is hereby prohibited except when expressly authorized by statute; and, furthermore, it is hereby directed and required that all budgeted funds expended for scholarships of any type must be clearly identified in budget reports.

Where an individual is participating in an interstate regional training program approved by the Southern Regional Education Board, or in the Appalachian Regional Commission program, or in the Coastal Plains Regional Commission program, or any other limiting federally funded program, or where an individual is solicited for a special talent and is thereby awarded a scholarship, fellowship or assistantship, a special tuition rate not lower than the North Carolina resident rate may be granted in the discretion of the board of trustees of the institution. No special tuition rate may be granted to an individual serving exclusively as a faculty member on a part-time basis and who is enrolled at the same time as a part-time student; provided, however, that the Advisory Budget Commission is hereby authorized to modify this provision to alleviate justifiable budget difficulties in the affected institutions during the 1971-73 biennium.

Notwithstanding the above provision relating to the abolition of free tuition, the Board of Governors of the University of North Carolina may, in its discretion, provide regulations under which a full-time faculty member of the rank of full-time instructor or above, and any full-time staff member, may during the period of normal employment enroll for courses in their respective institutions free of charge for tuition, provided such enrollment does not interfere with normal employment obligations. (1933, c. 320, s. 1; 1939, cc. 178, 253; 1949, c. 586; 1961, c. 833, s. 16.1; 1963, c. 448, s. 27.1; 1965, c. 903; 1971, c. 845, ss. 6, 10; c. 1086, s. 2; c. 1244, s. 12; 1973, c. 116, s. 1.)

Editor's Note.—

The first 1971 amendment added at the end of the first paragraph a proviso which was eliminated when the paragraph was

rewritten by the third 1971 amendment. The first amendment also rewrote the present seventh paragraph.

The second 1971 amendment, effective

Oct. 1, 1971, added the former second, third and fourth paragraphs, which were deleted by the 1973 amendment.

The third 1971 amendment, effective July 1, 1972, rewrote the first paragraph and substituted "Board of Governors of the University of North Carolina may, in its discretion," for "said boards of trustees of the institutions of higher education provided for in Articles 1 and 2 of Chapter 116 may, in their discretion," in the last paragraph.

The 1973 amendment deleted the former second and third paragraphs, which were

added by the second 1971 amendment and which required advance deposits, and the former fourth paragraph, also added by the second 1971 amendment, which required a nonrefundable fee upon application for admission.

Session Laws 1973, c. 116, s. 2, provides: "This act shall become effective upon its ratification and shall apply to terms beginning after May 1, 1973." The act was ratified on Mar. 29, 1973.

Quoted in *Swann v. Charlotte-Mecklenburg Bd. of Educ.*, 318 F. Supp. 786 (W.D.N.C. 1970).

§ 116-143.1. Definitions; military status provisions.—(a) A nonresident shall be any person not qualifying for in-state tuition as hereinafter defined.

(b) To qualify for in-state tuition a legal resident must have maintained his domicile in North Carolina for at least the 12 months immediately prior to his classification as a resident for tuition purposes. In order to be eligible for such classification, the individual must establish that his or her presence in the State during such 12-month period was for purposes of maintaining a bona fide domicile rather than for purposes of mere temporary residence incident to enrollment in an institution of higher education; further, (i) if the parents (or court-appointed legal guardian) of the individual seeking resident classification are (is) bona fide domiciliaries of this State, this fact shall be prima facie evidence of domiciliary status of the individual applicant and (ii) if such parents or guardian are not bona fide domiciliaries of this State, this fact shall be prima facie evidence of nondomiciliary status of the individual.

(c) No person shall lose his in-state resident status by serving in the armed forces outside of the State of North Carolina. (1971, c. 845, ss. 7-9; 1973, c. 710.)

Editor's Note. — The 1973 amendment rewrote subsection (b).

The State has no obligation to provide educational opportunities to noncitizens. Its interests require that it subsidize only those students whom it may be certain are North Carolina citizens. Uncertainty as to the circumstances under which the tuition status of students may change is fiscally and administratively undesirable. *Glusman v. Trustees of Univ. of N.C.*, 281 N.C. 629, 190 S.E.2d 213 (1972); *Fox v. Trustees of Consol. Univ. of N.C.*, 16 N.C. App. 53, 190 S.E.2d 884 (1972).

Presumption of Residence for Educational Purposes Is Valid.—See *Glusman v. Trustees of Univ. of N.C.*, 281 N.C. 629, 190 S.E.2d 213 (1972).

Nonattendance Domicile Requirement under Section Is Reasonable.—It is reasonable for the State to require that one desiring in-state resident status for purposes of admission be a domiciliary of North Carolina and be so domiciled while not in attendance at an institution of higher education for a consecutive 12-month period next preceding the date of first enrollment or reenrollment in an institution of higher education in this State. *Fox v. Trustees of*

Consol. Univ. of N.C., 16 N.C. App. 53, 190 S.E.2d 884 (1972).

As Is Six-Month Requirement under University Regulations.—It is reasonable for the State to require a domiciliary of another state, in addition to being domiciled in North Carolina, be so domiciled while not in attendance at an institution of higher education for a six-month period, as specified in tuition regulations adopted by the Board of Trustees of the University of North Carolina, before he may qualify for in-state tuition. *Glusman v. Trustees of Univ. of N.C.*, 281 N.C. 629, 190 S.E.2d 213 (1972).

The requirement of domicile while not in attendance at an institution of higher education is reasonable. The object is to assure that students who benefit from the in-state tuition subsidy the State provides for its citizens are in fact its own citizens. The Board of Trustees of the University of North Carolina has determined that domicile is only one of the prerequisites for in-state tuition status and alone is insufficient for this purpose. *Glusman v. Trustees of Univ. of N.C.*, 281 N.C. 629, 190 S.E.2d 213 (1972); *Fox v. Trustees of Consol.*

Univ. of N.C., 16 N.C. App. 53, 190 S.E.2d 884 (1972).

The six-month nonattendance requirement to qualify for in-state tuition under regulations adopted by the Board of Trustees of the University of North Carolina adds objectivity and certainty to the requirement of domicile. This certainty is not obtained by placing an unreasonable burden on students. Petitioners were not barred by regulations of the Board of Trustees of the University of North Carolina from becoming domiciliaries of North Carolina. Nor were they barred from becoming eligible for in-state tuition. Rather, they were only required, if they wanted that status, to be domiciled in North Carolina for six months while not in the law school. *Glusman v. Trustees of Univ. of N.C.*, 281 N.C. 629, 190 S.E.2d 213 (1972); *Fox v. Trustees of Consol. Univ. of N.C.*, 16 N.C. App. 53, 190 S.E.2d 884 (1972).

That the Board of Trustees of the University of North Carolina might have chosen other objective indicators to test the domiciliary intent of applicants for in-state tuition is not to say the one chosen was unreasonable. That there may be hardship cases resulting from the enforcement of these regulations is also not to say they are unreasonable. *Glusman v. Trustees of Univ. of N.C.*, 281 N.C. 629, 190 S.E.2d 213 (1972).

Section Does Not Deny Constitutional Rights.—This section does not deny to student citizens originally from other states their right to equal educational opportunities, and does not violate the constitutional right to travel freely from one state to another. *Fox v. Trustees of Consol. Univ. of N.C.*, 16 N.C. App. 53, 190 S.E.2d 884 (1972).

Neither Do Regulations by Board of Trustees.—A person's right to eligibility for in-state tuition is quite different from

his basic constitutional right to travel freely from one state to another or his basic constitutional right to vote. The regulations of the Board of Trustees of the University of North Carolina do not impede interstate travel. Since they do not relate to basic constitutional rights, the regulations are to be tested by the less stringent traditional equal-protection standards. The constitutional test is whether the regulations have tended in general to assure that only North Carolina citizens get the benefit of in-state tuition, which the regulations have done. *Glusman v. Trustees of Univ. of N.C.*, 281 N.C. 629, 190 S.E.2d 213 (1972); *Fox v. Trustees of Consol. Univ. of N.C.*, 16 N.C. App. 53, 190 S.E.2d 884 (1972).

Domicile Status of Women Does Not Deny Equal Protection.—Under the regulations of the Board of Trustees of the University of North Carolina, domiciliary status was not equivalent to in-state tuition status. Although a woman was deemed a domiciliary of North Carolina from the date of her marriage, to become eligible for in-state tuition a married woman, just as any other student, had to establish actual residence in this State for six continuous months exclusive of the time spent while in attendance at an institution of higher education. The regulations placed upon all students domiciled in North Carolina, regardless of sex, the burden of showing that they had been domiciled in North Carolina for six months while not in attendance at an institution of higher education, to qualify for in-state tuition, and did not deny to men similarly situated a benefit in violation of the equal protection clauses of the North Carolina and United States Constitutions. *Glusman v. Trustees of Univ. of N.C.*, 281 N.C. 629, 190 S.E.2d 213 (1972).

§ 116-144. Higher fees from nonresidents may be charged.

Editor's Note. — Session Laws 1971, c. 845, ss. 1 to 5, set the rates for nonresident tuition at various institutions for Sept. 1971, and thereafter.

Session Laws 1971, c. 845, s. 1, was amended by Session Laws 1973, c. 245, applicable to terms beginning after May 1, 1973.

The State's right to charge nonresidents higher tuition than residents is not challenged and has been repeatedly upheld as reasonably related to the State's legitimate interest in operating, maintaining and financing its educational institutions. *Glusman v. Trustees of Univ. of N.C.*, 281 N.C. 629, 190 S.E.2d 213 (1972).

In the establishment and operation of its institutions of higher education, North Carolina's obligation and primary purpose is to provide opportunities to citizens of this State. In furtherance thereof, in-state students are not required to pay tuition fees equivalent to the per capita cost but may enroll upon payment of the low in-state tuition. North Carolina is not in a position to provide opportunities to citizens of other states on this low-cost basis. *Glusman v. Trustees of Univ. of N.C.*, 281 N.C. 629, 190 S.E.2d 213 (1972).

The College Revolving Fund shall consist of such moneys as shall from time to time be appropriated to or for it by the General Assembly of North Carolina out of the general fund or other funds of the State, of such moneys, securities or other property as may be donated, bequeathed or devised to it from any other sources, of all moneys received in payment of principal and interest on loans made from said Fund, and of all other income derived from and accretions to said Fund.

The Advisory Budget Commission, under such rules and regulations as it may deem advisable, not inconsistent with the provisions of this Article, may, in accordance with priorities of need as determined by the Board of Governors of the University of North Carolina, make loans from the College Revolving Fund, for the aforesaid purposes, to institutions of higher education owned and operated by the State of North Carolina; provided, however, that no such loan shall be made for any project which shall not have been previously approved by the General Assembly.

§ 116-176. Issuance of bonds.—The board is hereby authorized to issue, subject to the approval of the Advisory Budget Commission, at one time or from time to time, revenue bonds of the board for the purpose of acquiring or constructing any project or projects. The bonds of each issue shall be dated, shall mature at such time or times not exceeding 50 years from their date or dates,

shall bear interest at such rate or rates not exceeding eight per centum (8%) per annum, as may be determined by the board, and may be redeemable before maturity, at the option of the board, at such price or prices and under such terms and conditions as may be fixed by the board prior to the issuance of the bonds. The board shall determine the form and manner of execution of the bonds, including any interest coupons to be attached thereto, and shall fix the denomination or denominations of the bonds and the place or places of payment of principal and interest, which may be at any bank or trust company within or without the State. In case any officer whose signature or a facsimile of whose signature shall appear on any bonds or coupons shall cease to be such officer before the delivery of such bonds, such signature or such facsimile shall nevertheless be valid and sufficient for all purposes the same as if he had remained in office until such delivery. Notwithstanding any of the other provisions of this Article or any recitals in any bonds issued under the provisions of this Article, all such bonds shall be deemed to be negotiable instruments under the laws of this State. The bonds may be issued in coupon or registered form or both, as the board may determine, and provision may be made for the registration of any coupon bonds as to principal alone and also as to both principal and interest, and for the reconversion into coupon bonds of any bonds registered as to both principal and interest. The board may sell such bonds in such manner, at public or private sale, and for such price, as it may determine to be for the best interests of the board, but no sale shall be made at a price so low as to require the payment of interest on the money received therefor at more than eight per centum (8%) per annum, computed with relation to the absolute maturity or maturities of the bonds in accordance with standard tables of bond values, excluding, however, from such computation the amount of any premium to be paid on redemption of any bonds prior to maturity.

The proceeds of the bonds of each issue shall be used solely for the purpose for which such bonds shall have been authorized and shall be disbursed in such manner and under such restrictions, if any, as the board may provide in the resolution authorizing the issuance of such bonds or in the trust agreement hereinafter mentioned securing the same. Unless otherwise provided in the authorizing resolution or in the trust agreement securing such bonds, if the proceeds of such bonds, by error of estimates or otherwise, shall be less than such cost, additional bonds may in like manner be issued to provide the amount of such deficit and shall be deemed to be of the same issue and shall be entitled to payment from the same fund without preference or priority of the bonds first issued for the same purpose.

The resolution providing for the issuance of revenue bonds, and any trust agreement securing such bonds, may also contain such limitations upon the issuance of additional revenue bonds as the board may deem proper, and such additional bonds shall be issued under such restrictions and limitations as may be prescribed by such resolution or trust agreement.

Prior to the preparation of definitive bonds, the board may, under like restrictions, issue interim receipts or temporary bonds, with or without coupons, exchangeable for definitive bonds when such bonds shall have been executed and are available for delivery. The board may also provide for the replacement of any bonds which shall become mutilated or be destroyed or lost.

Bonds may be issued by the board under the provisions of this Article, subject to the approval of the Advisory Budget Commission, but without obtaining the consent of any other commission, board, bureau or agency of the State, and without any other proceedings or the happening of any other conditions or things than those consents, proceedings, conditions or things which are specifically required by this Article.

Revenue bonds issued under the provisions of this Article shall not be deemed to constitute a debt of the State of North Carolina or a pledge of the faith and credit of the State, but such bonds shall be payable solely from the funds herein provided therefor and a statement to that effect shall be recited on the face of the bonds.

The board may enter into or negotiate a note with an acceptable bank or trust company in lieu of issuing bonds for the financing of projects covered under this Article. The terms and conditions of any note of this nature shall be in accordance with the terms and conditions surrounding issuance of bonds. - (8) To receive and accept from any federal, State or other public agency and any private agency, person or other entity donations, loans, grants, aid or contributions of any money, property, labor or other things of value for any project or projects, and to agree to apply and use the same in accordance with the terms and conditions under which the same are provided; and
- (9) To do all acts and things necessary or convenient to carry out the powers granted by this Article. (1963, c. 847, s. 4; 1971, c. 1244, s. 14.)

Editor's Note.—The 1971 amendment, Governors" for "board of trustees" in the effective July 1, 1972, substituted "Board of catchline.

§ 116-191. Issuance of bonds and bond anticipation notes. — The board is hereby authorized to issue, subject to the approval of the Advisory Budget Commission, at one time or from time to time, revenue bonds of the board for the purpose of paying all or any part of the cost of acquiring, constructing or providing any project or projects. The bonds of each issue shall be dated, shall mature at such time or times not exceeding 50 years from their date or dates, shall bear interest at such rate or rates not exceeding eight per centum (8%) per annum, as may be determined by the board, and may be redeemable before maturity, at the option

of the board, at such price or prices and under such terms and conditions as may be fixed by the board prior to the issuance of the bonds. The board shall determine the form and manner of execution of the bonds, including any interest coupons to be attached thereto, and shall fix the denomination or denominations of the bonds and the place or places of payment of principal and interest, which may be at any bank or trust company within or without the State. In case any officer whose signature or a facsimile of whose signature shall appear on any bonds or coupons shall cease to be such officer before the delivery of such bonds, such signature or such facsimile shall nevertheless be valid and sufficient for all purposes the same as if he had remained in office until such delivery. Notwithstanding any of the other provisions of this Article or any recitals in any bonds issued under the provisions of this Article, all such bonds shall be deemed to be negotiable instruments under the laws of this State, subject only to the provisions for registration in any resolution authorizing the issuance of such bonds or any trust agreement securing the same. The bonds may be issued in coupon or registered form or both, as the board may determine, and provision may be made for the registration of any coupon bonds as to principal alone and also as to both principal and interest, and for the reconversion into coupon bonds of any bonds registered as to both principal and interest. The board may sell such bonds in such manner, at public or private sale, and for such price, as it may determine to be for the best interests of the board, but no sale shall be made at a price so low as to require the payment of interest on the money received therefor at more than eight per centum (8%) per annum, computed with relation to the absolute maturity or maturities of the bonds in accordance with standard tables of bond values, excluding, however, from such computation the amount of any premium to be paid on redemption of any bonds prior to maturity.

The proceeds of the bonds of each issue shall be used solely for the purpose for which such bonds shall have been authorized and shall be disbursed in such manner and under such restrictions, if any, as the board may provide in the resolution authorizing the issuance of such bonds or in the trust agreement hereinafter mentioned securing the same. Unless otherwise provided in the authorizing resolution or in the trust agreement securing such bonds, if the proceeds of such bonds, by error of estimates or otherwise, shall be less than such cost, additional bonds may in like manner be issued to provide the amount of such deficit and shall be deemed to be of the same issue and shall be entitled to payment from the same fund without preference or priority of the bonds first issued for the same purpose.

The resolution providing for the issuance of revenue bonds, and any trust agreement securing such bonds, may also contain such limitations upon the issuance of additional revenue bonds as the board may deem proper, and such additional bonds shall be issued under such restrictions and limitations as may be prescribed by such resolution or trust agreement.

Prior to the preparation of definitive bonds, the board may, under like restrictions, issue interim receipts or temporary bonds, with or without coupons, exchangeable for definitive bonds when such bonds shall have been executed and are available for delivery. The board may also provide for the replacement of any bonds which shall become mutilated or be destroyed or lost.

Except as herein otherwise provided, bonds may be issued under this Article and other powers vested in the board under this Article may be exercised by the board without obtaining the consent of any department, division, commission, board, bureau or agency of the State and without any other proceedings or the happening of any other conditions or things than those proceedings, conditions or things which are specifically required by this Article.

The board may enter into or negotiate a note with an acceptable bank or trust company in lieu of issuing bonds for the financing of projects covered under this section. The terms and conditions of any note of this nature shall be in accordance with the terms and conditions surrounding issuance of bonds.

The board is hereby authorized to issue, subject to the approval of the Advisory Budget Commission, at one time or from time to time, revenue bond anticipation notes of the board in anticipation of the issuance of bonds authorized pursuant to the provisions of this Article. The principal of and the interest on such notes shall be payable solely from the proceeds of bonds or renewal notes or, in the event bond or renewal note proceeds are not available, any available revenues of the project or projects for which such bonds shall have been authorized. The notes of each issue shall be dated, shall mature at such time or times not exceeding two years from their date or dates, shall bear interest at such rate or rates not exceeding eight per centum (8%) per annum, as may be determined by the board, and may be redeemable before maturity, at the option of the board, at such price or prices and under such terms and conditions as may be fixed by the board prior to the issuance of the notes. The board shall determine the form and the manner of execution of the notes, including any interest coupons to be attached thereto, and shall fix the denomination or denominations of the notes and the place or places of payment of principal and interest, which may be at any bank or trust company within or without the State. In case any officer, whose signature or a facsimile of whose signature shall appear on any notes or coupons, shall cease to be such officer before the delivery of such notes, such signature or such facsimile shall nevertheless be valid and sufficient for all purposes the same as if he had remained in office until such delivery. Notwithstanding any of the other provisions of this Article or any recitals in any notes issued under the provisions of this Article, all such notes shall be deemed to be negotiable instruments under the laws of this State, subject only to the provisions for registration in any resolution authorizing the issuance of such notes or any trust agreement securing the bonds in anticipation of which such notes are being issued. The notes may be issued in coupon or registered form or both, as the board may determine, and provision may be made for the registration of any coupon notes as to principal alone and also as to both principal and interest, and for the reconversion into coupon notes of any notes registered as to both principal and interest. The board may sell such notes in such manner, at public or private sale, and for such price, as it may determine to be for the best interests of the board, but no sale shall be made at a price so low as to require the payment of interest on the money received therefor at more than eight per centum (8%) per annum, computed with relation to the absolute maturity or maturities of the bonds in accordance with standard tables of bond values, excluding, however, from such computation the amount of any premium to be paid on redemption of any notes prior to maturity.

The proceeds of the notes of each issue shall be used solely for the purpose for which the bonds in anticipation of which such notes are being issued shall have been authorized, and such note proceeds shall be disbursed in such manner and under such restrictions, if any, as the board may provide in the resolution authorizing the issuance of such notes or bonds or in the trust agreement securing such bonds.

The resolution providing for the issuance of notes, and any trust agreement securing the bonds in anticipation of which such notes are being authorized, may also contain such limitations upon the issuance of additional notes as the board may deem proper, and such additional notes shall be issued under such restrictions and limitations as may be prescribed by such resolution or trust agreement. The board may also provide for the replacement of any notes which shall become mutilated or be destroyed or lost.

Except as herein otherwise provided, notes may be issued under this Article and other powers vested in the board under this Article may be exercised by the board without obtaining the consent of any department, division, commission, board, bureau or agency of the State and without any other proceedings or the happening of any other conditions or things than those proceedings, conditions or things which are specifically required by this Article.

Unless the context shall otherwise indicate, the word "bonds," wherever used

in this Article, shall be deemed and construed to include the words "bond anticipation notes." (1963, c. 847, s. 5; 1969, c. 1158, s. 2; 1971, c. 511, s. 2; 1973, c. 662.)

Editor's Note. — The 1969 amendment substituted "eight per centum (8%)" for "five per centum (5%)" in the second and last sentences of the first paragraph.

The 1971 amendment added the sixth paragraph.

The 1973 amendment added the last five paragraphs of the section.

Visiting Speakers at State-Supported Institutions.

§ 116-199. Use of facilities for speaking purposes.

Constitutionality. — The 1965 enactment of this section and § 116-200, and the procedures and regulations adopted by the board of trustees of the University of North Carolina on February 28, 1966, pursuant to these statutes, are facially unconstitutional because of vagueness. This is

true even though the statutes and regulations, unlike their 1963 counterparts, only regulate, rather than prohibit, the appearance of a special group of speakers. *Dickson v. Sitterson*, 280 F. Supp. 486 (M.D.-N.C. 1968).

ARTICLE 23.

State Education Assistance Authority.

§ 116-201. Purpose and definitions.—(a) The purpose of this Article is to authorize a system of financial assistance, consisting of grants, loans, work-study or other employment, and other aids, for qualified residents of the State to enable them to obtain an education beyond the high school level by attending public or private educational institutions. The General Assembly has found and hereby declares that it is in the public interest and essential to the welfare and well-being of the inhabitants of the State and to the proper growth and development of the State to foster and provide financial assistance to residents of the State, properly qualified therefor, in order to help them to obtain an education beyond the high school level. The General Assembly has further found that many residents of the State who are fully qualified to enroll in appropriate educational institutions for furthering their education beyond the high school level lack the financial means and are unable, without financial assistance as authorized under this Article, to pay the cost of such education, with a consequent irreparable loss to the State of valuable talents vital to its welfare. The General Assembly has determined that the establishment of a proper system of financial assistance for such objective purpose serves a public purpose and is fully consistent with the long established policy of the State to encourage, promote and assist the education of the people of the State.

(b) As used in this Article the following terms shall have the following meanings unless the context indicates a contrary intent:

- (1) "Act or undertaking" or "acts or undertakings" shall mean bonds of the Authority authorized to be issued under this Article;
- (2) "Authority" shall mean the State Education Assistance Authority cre-

- ated by this Article or, if the Authority shall be abolished, the board, body, commission or agency succeeding to the principal functions thereof or on whom the powers given by this Article to the Authority shall be conferred by law;
- (3) "Bond resolution" or "resolution" when used in relation to the issuance of bonds shall be deemed to mean either any such resolution or any trust agreement securing any bonds;
 - (4) "Bonds" or "revenue bonds" shall mean the bonds authorized to be issued by the Authority under this Article, which may consist of bonds, notes or other debt obligations evidencing an obligation to repay borrowed money and payable solely from revenues and other moneys of the Authority pledged therefor;
 - (5) "Eligible institution," with respect to loans shall have the same meaning as such term has in section 1085 of Title 20 of the United States Code;
 - (6) "Eligible institution," with respect to grants and work-study programs shall include all State supported institutions of higher learning and all institutions organized and administered pursuant to Chapter 115A of the General Statutes and all private institutions as defined in subdivision (8) of this subsection;
 - (7) "Obligations" or "student obligations" shall mean student loan notes and other debt obligations evidencing loans to students which the Authority may take, acquire, buy, sell, endorse or guarantee under the provisions of this Article, and may include any direct or indirect interest in the whole or any part of any such notes or obligations;
 - (8) "Private institution" shall mean an institution other than a seminary, Bible school, Bible college or similar religious institution in this State that is not owned or operated by the State or any agency or political subdivision of the State or by any combination thereof, that offers post-high school education and is accredited by the Southern Association of Colleges and Schools, or in the case of institutions that are not eligible to be considered for such accreditation, accredited in such categories and by such nationally recognized accrediting agencies as the Authority may designate;
 - (9) "Student" shall mean a resident of the State, in accordance with definitions of residency that may from time to time be prescribed by the Board of Governors of the University of North Carolina and published in the residency manual of said Board, who, under regulations adopted by the Authority, has enrolled or will enroll in an eligible institution and who is making suitable progress in his education in accordance with standards acceptable to the Authority and who has not received a bachelor's degree, or qualified therefor, and is otherwise classified as an undergraduate under such regulations as the Authority may promulgate; and
 - (10) "Student loans" shall mean loans to residents of this State to aid them in pursuing their education beyond the high school level. (1965, c. 1180, s. 1; 1971, c. 392, s. 1; c. 1244, s. 14.)

Editor's Note.—The first 1971 amendment, effective July 1, 1971, rewrote this section.

The second 1971 amendment, effective July 1, 1972, substituted "Board of Governors of the University of North Carolina" for "North Carolina Board of Higher Edu-

cation" in subdivision (9) of subsection (b).

§ 116-202. Authority may buy and sell students' obligations; undertakings of Authority limited to revenues.—In order to facilitate the vocational and college education of residents of this State and to promote the industrial and

economic development of the State, the State Education Assistance Authority (hereinafter created) is hereby authorized and empowered to buy and sell obligations of students attending institutions of higher education or post-secondary business, trade, technical, and other vocational schools, which obligations represent loans made to such students for the purpose of obtaining training or education.

No act or undertaking of the Authority shall be deemed to constitute a debt of the State or of any political subdivision thereof or a pledge of the faith and credit of the State or of any such political subdivision, but shall be payable solely from the funds of the Authority. All such acts and undertakings shall contain on the face thereof a statement to the effect that neither the State nor the Authority shall be obligated to pay the same or the interest thereon except from revenues of the Authority and that neither the faith and credit nor the taxing power of the State or of any political subdivision thereof is pledged to the payment of the principal of or the interest on such acts and undertakings.

All expenses incurred in carrying out the provisions of this article shall be payable solely from funds provided under the provisions of this article and no liability or obligation shall be incurred by the Authority hereunder beyond the extent to which moneys shall have been provided under the provisions of this article. (1965, c. 1180, s. 1; 1967, c. 955, s. 1.)

Editor's Note. — The 1967 amendment inserted "vocational and" near the beginning of the section, substituted "attending institutions of higher education or post-secondary business, trade, technical, and other vocational schools, which obligations represent" for "at institutions of higher

education representing" in the first paragraph and substituted "training or" for "an" preceding "education" at the end of that paragraph.

§ 116-206. Acquisition of obligations.—With the proceeds of bonds or any other funds of the Authority available therefor, the Authority may acquire from any bank, insurance company or other lending institution, student obligations, or any interest or participation therein in such amount, at such price or prices and upon such terms and conditions as the Authority shall determine to be in the public interest and desirable to carry out the purposes of this Article. The Authority shall take such actions and require the execution of such instruments deemed appropriate by it to permit the recovery, in connection with any such obligations or any interest or participation therein acquired by the Authority, of the amount to which the Authority may be rightfully entitled, and otherwise to enforce and protect its rights and interests thereto. § 116-209. Trust fund established; use and investment of fund; duties of State Treasurer.

Taxpayer Has No Standing to Seek Injunction Restraining Acts of Authority.—

Since issuance of tax-exempt revenue bonds by the State Education Assistance Author-

ity for purpose of financing loans to college students does not pledge the credit of the State or of any political subdivision thereof, a taxpayer can suffer no injury from the issuance of the bonds and has no interest therein except his general interest as a member of the public in good government pursuant to the North Carolina Constitution, and, consequently, a taxpayer has no standing to seek an injunction restraining actions of the Authority and its fiscal agent relating to the issuance of the bonds and the expenditure of the proceeds thereof. *Nicholson v. State Educ. Assistance Authority*, 275 N.C. 439, 168 S.E.2d 401 (1969).

Allegation Insufficient Basis for Injunctive Relief.—The allegation that, by ex-

pressing its intent to issue a further series of bonds, the Authority has indicated that "additional tax funds will be expended" unless enjoined is not sufficient basis for injunctive relief, since this allegation is consistent with a contemplated use of funds appropriated from tax revenues for "lawful functions" of the Authority, such as the payment of salaries and expenses of employees engaged in the performance of functions authorized by this section. *Nicholson v. State Educ. Assistance Authority*, 275 N.C. 439, 168 S.E.2d 401 (1969).

Quoted in *State Educ. Assistance Authority v. Bank of Statesville*, 276 N.C. 576, 174 S.E.2d 551 (1970).

§ 116-209.1. Provisions in conflict.—Any of the foregoing provisions of this act which shall be in conflict with the provisions hereinbelow set forth shall be repealed to the extent of such conflict. (1967, c. 1177.)

Cited in *State Educ. Assistance Authority v. Bank of Statesville*, 276 N.C. 576, 174 S.E.2d 551 (1970).

§ 116-209.2. Reserves.—The Authority may provide in any resolution authorizing the issuance of bonds or any trust agreement securing any bonds that proceeds of such bonds may be used to establish reserve accounts in any trustee or banking institution or otherwise as determined by the Authority, for securing such bonds and facilitating the making of student loans and acquiring student obligations, to provide for the payment of interest on such bonds for such period of time as the Authority shall determine, and for such other purposes as will facilitate the issuance of bonds at rates of interest and upon terms deemed reasonable by the Authority and will, in the Authority's judgment, facilitate carrying out the purposes of this Article. (1967, c. 1177; 1971, c. 392, s. 3.)

Editor's Note. — The 1971 amendment, effective July 1, 1971, rewrote this section.

§ 116-209.3. Additional powers.—The Authority is authorized to develop and administer programs and perform all functions necessary or convenient to promote and facilitate the making and insuring of student loans and providing such other student loan assistance and services as the Authority shall deem necessary or desirable for carrying out the purposes of this act and for qualifying for loans, grants, insurance and other benefits and assistance under any program of the United States now or hereafter authorized fostering student loans. There shall be established and maintained a trust fund which shall be designated "State Education Assistance Authority Loan Fund" (the "Loan Fund") which may be used by the Authority in making student loans directly or through agents or independent contractors, insuring student loans, acquiring, purchasing, endorsing or guaranteeing promissory notes, contracts, obligations or other legal instruments evidencing student loans made by banks, educational institutions, nonprofit corporations or other lenders, and for defraying the expenses of operation and administration of the Authority for which other funds are not available to the Authority. There shall be deposited to the credit of such Loan Fund the proceeds (exclusive of accrued interest) derived from the sale of its revenue bonds by the Authority and any other moneys made available to the Authority for the making or insuring of student loans or the purchase of obligations. There shall also be deposited to the credit of the Loan Fund surplus funds from time to time transferred by the

Authority from the sinking fund. Such Loan Fund shall be maintained as a revolving fund.

In lieu of or in addition to the Loan Fund, the Authority may provide in any resolution authorizing the issuance of bonds or any trust agreement securing such bonds that any other trust funds or accounts may be established as may be deemed necessary or convenient for securing the bonds or for making student loans, acquiring obligations or otherwise carrying out its other powers under this Article, and there may be deposited to the credit of any such fund or account proceeds of bonds or other money available to the Authority for the purposes to be served by such fund or account. (1967, c. 1177; 1971, c. 392, s. 4.)

Editor's Note. — The 1971 amendment, effective July 1, 1971, added the last paragraph.

Sections 116-209.1 to 116-209.15 do not unconstitutionally authorize use of public funds. State Educ. Assistance Authority v. Bank of Statesville, 276 N.C. 576, 174 S.E.2d 551 (1970).

It is expected that a student loan will inure to the private benefit of the person who obtains it. It is equally true that the education provided throughout the entire school system is intended to inure to the benefit of the individual who obtains it. However, the fact that the individual obtains a private benefit cannot be considered sufficient ground to defeat the execution of the paramount public purpose of encouraging education. State Educ. Assistance Authority v. Bank of Statesville, 276 N.C. 576, 174 S.E.2d 551 (1970).

Whether the student loan program is wise or unwise is for determination by the General Assembly. State Educ. Assistance Authority v. Bank of Statesville, 276 N.C. 576, 174 S.E.2d 551 (1970).

Assistance of Federal Government Is Prerequisite to Functioning of Student Loan Program.—The assistance of the federal government and coordination with its program are prerequisite to the functioning of the North Carolina student loan program. State Educ. Assistance Authority v. Bank of Statesville, 276 N.C. 576, 174 S.E.2d 551 (1970).

And Only Loans Qualifying for Assistance under Federal Statutes May Be Made.—The only student loans the Authority is authorized to make or purchase are student loans which qualify under the

federal statutes for federal assistance in respect of interest subsidy and guaranty. State Educ. Assistance Authority v. Bank of Statesville, 276 N.C. 576, 174 S.E.2d 551 (1970).

It is implicit in the provisions of §§ 116-209.1 to 116-209.15 that the General Assembly contemplated and intended that no loans would be made from the proceeds from the sale of tax-exempt revenue bonds except student loans made in compliance with the standards prescribed by federal legislation and therefore qualified for assistance. Seemingly, the General Assembly realized that its specification of more precise standards for "student loans" might impede the functioning of the Authority and render it unable to qualify from time to time for the federal assistance upon which its program depended. State Educ. Assistance Authority v. Bank of Statesville, 276 N.C. 576, 174 S.E.2d 551 (1970).

The provisions of this section and § 116-209.6 disclose that the General Assembly is well aware of the federal, State and private programs of low-interest insured loans to students in institutions of higher education and other post-secondary schools. State Educ. Assistance Authority v. Bank of Statesville, 276 N.C. 576, 174 S.E.2d 551 (1970).

Borrowers Unable to Make Payment until Completion of Education.—Persons who obtain "student loans" are unable to make payment on account of interest or principal until completion of their education by graduation or otherwise. State Educ. Assistance Authority v. Bank of Statesville, 276 N.C. 576, 174 S.E.2d 551 (1970).

§ 116-209.4. Authority to issue bonds.—The Authority is hereby authorized to provide for the issuance, at one time or from time to time, of revenue bonds of the Authority in an aggregate principal amount outstanding at any time of not exceeding fifty million dollars (\$50,000,000.00). The bonds shall be designated, subject to such additions or changes as the Authority deems advisable, "State Education Assistance Authority Revenue Bonds, Series," inserting in the blank space a letter identifying the particular series of bonds.

The principal of and the interest on such bonds shall be payable solely from the funds herein provided for such payment. The bonds of each issue shall be

dated, shall bear interest at such rate or rates, shall mature at such time or times not exceeding 30 years from their date or dates, as may be determined by the Authority, and may be made redeemable before maturity, at the option of the Authority, at such price or prices and under such terms and conditions as may be fixed by the Authority prior to the issuance of the bonds. Prior to the preparation of definitive bonds, the Authority may, under like restrictions, issue interim receipts or temporary bonds, with or without coupons, exchangeable for definitive bonds when such bonds shall have been executed and are available for delivery. The Authority may also provide for the replacement of any bonds which shall become mutilated or shall be destroyed or lost. The Authority shall determine the form and the manner of execution of the bonds, including any interest coupons to be attached thereto, and shall fix the denomination or denominations of the bonds and the place or places of payment of principal and interest, which may be at any bank or trust company within or without the State. In case any officer whose signature or a facsimile of whose signature shall appear on any bonds or coupons shall cease to be such officer before the delivery of such bonds, such signature or such facsimile shall nevertheless be valid and sufficient for all purposes the same as if he had remained in office until such delivery. The Authority may also provide for the authentication of the bonds by a fiscal agent. The bonds may be issued in coupon or in registered form, or both, as the Authority may determine, and provision may be made for the registration of any coupon bonds as to principal alone and also as to both principal and interest, and for the reconversion into coupon bonds of any bonds registered as to both principal and interest, and for the interchange of registered and coupon bonds. The Authority may sell such bonds in such manner, either at public or private sale, and for such price as it may determine will best effectuate the purposes of this act.

The Authority is authorized to provide in any resolution authorizing the issuance of bonds for pledging or assigning as security for its revenue bonds, subject to any prior pledge or assignment, and for deposit to the credit of the sinking fund, any or all of its income, receipts, funds or other assets, exclusive of bond proceeds and other funds required to be deposited to the credit of the Loan Fund, of whatsoever kind from time to time acquired or owned by the Authority, including all donations, grants and other money or property made available to it, payments received on student loans, such as principal, interest and penalties, if any, premiums on student loan insurance, fees, charges and other income derived from services rendered or otherwise, proceeds of property or insurance, earnings and profits on investments of funds and from sales, purchases, endorsements or guarantees of obligations, as defined in G.S. 116-201 hereof, and other securities and instruments, contract rights, any funds, rights, insurance or other benefits acquired pursuant to any federal law or contract to the extent not in conflict therewith, money recovered through the enforcement of any remedies or rights, and any other funds or things of value which in the determination of the Authority may enhance the marketability of its revenue bonds. Money in the sinking fund shall be disbursed in such manner and under such restrictions as the Authority may provide in the resolution authorizing the issuance of such bonds. Unless otherwise provided in the bond resolution, the revenue bonds at any time issued hereunder shall be entitled to payment from the sinking fund without preference or priority of the bonds first issued. Bonds may be issued under the provisions of this act without obtaining, except as otherwise expressly provided in this act, the consent of any department, division, commission, board, body, bureau or agency of the State, and without any other proceedings or the happening of any conditions or things other than those proceedings, conditions or things which are specifically required by this act and the provisions of the resolution authorizing the issuance of such bonds.

The Authority is authorized to provide by resolution for the issuance of revenue refunding bonds of the Authority for the purpose of refunding any bonds then out-

standing which shall have been issued under the provisions of this Article, including the payment of any redemption premium thereon and any interest accrued or to accrue to the date of redemption of such bonds, and, if deemed advisable by the Authority, for making student loans or acquiring obligations under this Article. The issuance of such revenue refunding bonds, the maturities and other details thereof, the rights of the holders thereof, and the rights, duties and obligations of the Authority in respect to the same shall be governed by the provisions of this Article which relate to the issuance of revenue bonds insofar as such provisions may be appropriate. Revenue refunding bonds issued under this section may be sold or exchanged for outstanding bonds issued under this Article and, if sold, the proceeds thereof may be applied, in addition to any other authorized purposes, to the purchase, redemption or payment of such outstanding bonds. (1967, c. 1177; 1971, c. 392, ss. 5-7.)

Editor's Note. — The 1971 amendment, effective July 1, 1971, substituted "fifty million dollars" for "twelve and one-half million dollars" in the first sentence, substituted "30 years" for "20 years" in the second sentence of the second paragraph, added the present third and fourth sentences in that paragraph and added the last paragraph.

Constitutionality.—The people of North Carolina constitute the State's greatest re-

source. Where bond proceeds are to be used solely to make loans to meritorious North Carolinians of slender means and thereby minimize the number of qualified persons whose education or training is interrupted or abandoned for lack of funds, the bond proceeds are used for a public purpose when used to make such loans. *State Educ. Assistance Authority v. Bank of Statesville*, 276 N.C. 576, 174 S.E.2d 551 (1970).

§ 116-209.5. Bond resolution.—The resolution providing for the issuance of such bonds may contain such provisions for protecting and enforcing the rights and remedies of the bondholders as may be reasonable and proper and not in violation of law, including covenants setting forth the duties of the Authority in relation to the purchase or sale of obligations, the making of student loans, the insurance of student loans, the fees, charges and premiums to be fixed and collected, the terms and conditions for the issuance of additional bonds and the custody, safeguarding and application of all moneys. It shall be lawful for any bank or trust company incorporated under the laws of the State which may act as depository of the proceeds of bonds, revenues or other money hereunder to furnish such indemnifying bonds or to pledge such securities as may be required by the Authority. Any such resolution may set forth the rights and remedies of the bondholders and may restrict the individual right of action by bondholders. All expenses incurred in carrying out the provisions of such resolution may be treated as a part of the cost of administering this act and may be payable, together with other expenses of operation and administration under this act incurred by the Authority, from the Loan Fund.

In the discretion of the Authority, any bonds issued under the provisions of this Article may be secured by a trust agreement by and between the Authority and a corporate trustee, which may be any trust company or bank having powers of a trust company within or without the State. Such trust agreement or the resolution providing for the issuance of such bonds may pledge or assign the fees, penalties, charges, proceeds from collections, grants, subsidies, donations and other funds and revenues to be received therefor. Such trust agreement or resolution providing for the issuance of such bonds may contain such provisions for protecting and enforcing the rights and remedies of the holders of such bonds as may be reasonable and proper and not in violation of law, including covenants setting forth the duties of the Authority in relation to student loans, the acquisition of obligations, insurance, the fees, penalties and other charges to be fixed and collected, the sale or purchase of obligations or any part thereof, or other property, the terms and conditions for the issuance of additional bonds, and the custody, safeguarding and application of all moneys. It shall be lawful for any bank or trust company incorporated under the laws of the State which may act as

depository of the proceeds of bonds, revenues or other money hereunder to furnish such indemnifying bonds or to pledge such securities as may be required by the Authority. Any such trust agreement or resolution may set forth the rights and remedies of the bondholders and of the trustee, and may restrict the individual right of action by bondholders. In addition to the foregoing, any such trust agreement or resolution may contain such other provisions as the Authority may deem reasonable and proper for the security of the bondholders. All expenses incurred in carrying out the provisions of such trust agreement or resolution may be treated as a part of the cost of carrying out the purposes for which such bonds shall be issued.

In addition to all other powers granted to the Authority by this Article, the Authority is hereby authorized to pledge to the payment of the principal of and the interest on any bonds under the provisions of this Article any moneys received or to be received by it under any appropriation made to it by the General Assembly, unless the appropriation is restricted by the General Assembly to specific purposes of the Authority or such pledge is prohibited by the law making such appropriation; provided, however, that nothing herein shall be construed to obligate the General Assembly to make any such appropriation. (1967, c. 1177; 1971, c. 392, s. 8.)

Editor's Note. — The 1971 amendment, effective July 1, 1971, added the second and third paragraphs.

§ 116-209.6. Revenues.—The Authority is authorized to fix and collect fees, charges, interest and premiums for making or insuring student loans, purchasing, endorsing or guaranteeing obligations and any other services performed under this act. The Authority is further authorized to contract with the United States of America or any agency or officer thereof and with any person, partnership, association, banking institution or other corporation respecting the carrying out of the Authority's functions under this act. The Authority shall at all times endeavor to fix and collect such fees, charges, receipts, premiums and other income so as to have available in the sinking fund at all times an amount which, together with any other funds made available therefor, shall be sufficient to pay the principal of and the interest on such bonds as the same shall become due and payable and to create reserves for such purposes. Money in the sinking fund, except such part thereof as may be necessary to provide such reserves for the bonds as may be provided for in the resolution authorizing the issuance of such bonds, shall be set aside in the sinking fund at such regular intervals as may be provided in such resolution and is hereby pledged to, and charged with, the payment of the principal of and the interest on such bonds as the same shall become due and the redemption price or the purchase price of bonds retired by call or purchase as therein provided. Such pledge shall be valid and binding from the time when the pledge is made. The fees, charges, receipts, proceeds and other revenues and moneys so pledged and thereafter received by the Authority shall immediately be subject to the lien of such pledge without any physical delivery thereof or further act, and the lien of any such pledge shall be valid and binding as against all parties having claims of any kind in tort, contract or otherwise against the Authority, irrespective of whether such parties have notice thereof. The resolution by which a pledge is created need not be filed or recorded except in the records of the Authority. The use and disposition of money to the credit of the sinking fund shall be subject to the provisions of the resolution authorizing the issuance of such bonds. Any such resolution may, in the discretion of the Authority, provide for the transfer of surplus money in the sinking fund to the credit of the Loan Fund. Except as may otherwise be provided in such resolution, such sinking fund shall be a fund for all such bonds without distinction or priority of one over another. (1967, c. 1177.)

Cross Reference.—See note to § 116-209.3.

§ 116-209.7. Trust funds.—Notwithstanding any other provisions of law to the contrary, all money received pursuant to the authority of the act, whether as proceeds from the sale of bonds, sale of property or insurance, or as payments of student loans, whether principal, interest or penalties, if any, thereon, or as insurance premiums, or from the purchase or sale of obligations, or as any other receipts or revenues derived hereunder, shall be deemed to be trust funds to be held and applied solely as provided in this act. The resolution authorizing the bonds of any issue may provide that any of such money may be temporarily invested pending the disbursement thereof and shall provide that any officer with whom, or any bank or trust company with which, such money shall be deposited shall act as trustee of such money and shall hold and apply the same for the purposes hereof, subject to such regulations as this act and such resolution may provide. (1967, c. 1177.)

§ 116-209.8. Remedies.—Any holder of bonds issued under the provisions of this act or any of the coupons appertaining thereto, except to the extent the rights herein given may be restricted by such resolution authorizing the issuance of such bonds, may either at law or in equity, by suit, action, mandamus or other proceeding, protect and enforce any and all rights under the laws of the State or granted hereunder or under such resolution authorizing the issuance of such bonds, or under any contract executed by the Authority pursuant to this act, and may enforce and compel the performance of all duties required by this act or by such resolution to be performed by the Authority or by any officer thereof, including the fixing, charging and collecting of fees, charges and premiums and the collection of principal, interest and penalties, if any, on student loans or obligations evidencing such loans. The Authority may provide in any trust agreement securing the bonds that any such rights may be enforced for and on behalf of the holders of bonds by the trustee under such trust agreement. (1967, c. 1177; 1971, c. 392, s. 9.)

Editor's Note. — The 1971 amendment, effective July 1, 1971, added the last sentence.

§ 116-209.9. Negotiability of bonds.—All bonds issued under the provisions of this Article shall have and are hereby declared to have all the qualities and incidents, including negotiability, of investment securities under the Uniform Commercial Code of the State but no provision of such Code respecting the filing of a financial statement to perfect a security interest shall be deemed applicable to or necessary for any security interest created in connection with the issuance of any such bonds. (1967, c. 1177; 1971, c. 392, s. 10.)

Editor's Note. — The 1971 amendment, effective July 1, 1971, rewrote this section.

§ 116-209.10. Bonds eligible for investment. — Bonds issued by the Authority under the provisions of this act are hereby made securities in which all public officers and public bodies of the State and its political subdivisions, all insurance companies, trust companies, banking associations, investment companies, executors, administrators, trustees and other fiduciaries may properly and legally invest funds, including capital in their control or belonging to them. Such bonds are hereby made securities which may properly and legally be deposited with and received by any State or municipal officer or any agency or political subdivision of the State for any purpose for which the deposit of bonds or obligations of the State is now or may hereafter be authorized by law. (1967, c. 1177.)

Whether tax-exempt revenue bonds issued under § 116-209.4 should be approved for investment by fiduciaries and for deposit "for any purpose for which the deposit of bonds or obligations of the State is now or may hereafter be authorized by law," as set forth in this section, is for

determination by the General Assembly. Whether the purchase of these bonds is wise or unwise is for determination by the investor. State Educ. Assistance Authority v. Bank of Statesville, 276 N.C. 576, 174 S.E.2d 551 (1970).

§ 116-209.11. **Additional pledge.** — Notwithstanding any other provision to the contrary herein, the Authority is hereby authorized to pledge as security for any bonds issued hereunder any contract between the Authority and the United States of America under which the United States agrees to make funds available to the Authority for any of the purposes of this act, to insure or guarantee the payment of interest or principal on student loans, or otherwise to aid in promoting or facilitating student loans. (1967, c. 1177.)

§ 116-209.12. **Credit of State not pledged.**—Bonds issued under the provisions of this act shall not be deemed to constitute a debt, liability or obligation of the State or of any political subdivision thereof or a pledge of the faith and credit of the State or of any such political subdivision, but shall be payable solely from the revenues and other funds provided therefor. Each bond issued under this act shall contain on the face thereof a statement to the effect that the Authority shall not be obligated to pay the same nor the interest thereon except from the revenues, proceeds and other funds pledged therefor and that neither the faith and credit nor the taxing power of the State or of any political subdivision thereof is pledged to the payment of the principal of or the interest on such bonds. Expenses incurred by the Authority in carrying out the provisions of this act may be made payable from funds provided pursuant to this act and no liability or obligation shall be incurred by the Authority hereunder beyond the extent to which moneys shall have been so provided. (1967, c. 1177.)

§ 116-209.14. **Annual reports.**—The Authority shall, promptly following the close of each fiscal year, submit an annual report of its activities for the preceding year to the Governor and the General Assembly. Each such report shall set forth a complete operating and financial statement covering the operations of the Authority during such year. The Authority shall cause an audit of its books and accounts to be made at least once in each year by the State Auditor or by certified public accountants. (1967, c. 1177.)

§ 116-209.15. **Merger of trust fund.**—The Authority may merge into the Loan Fund the trust fund established pursuant to § 116-209 hereof and may transfer from such trust fund to the credit of the Loan Fund all money, investments and other assets and resources credited to such trust fund, for application and use in accordance with the provisions of this act pertaining to the Loan Fund, including the power to pay expenses of the Authority from the Loan Fund to the extent that other funds are not available therefor. (1967, c. 1177.)

§ 116-209.16. Other powers; criteria.—The Authority, in addition to all the powers more specifically vested hereunder, shall have all other powers necessary or convenient to carry out and effectuate the purposes and provisions of this Article, including the power to receive, administer and comply with the conditions and requirements respecting any gift, grant or donation of any property or money, any insurance or guarantee of any student loan or student obligations, any loans, advances, contributions, interest subsidies or any other assistance from any federal or State agency or other entity; to pledge or assign any money, charges, fees or other revenues and any proceeds derived by the Authority from any student loans, obligations, sales of property, insurance or other sources; to borrow money and to issue in evidence thereof revenue bonds of the Authority for the purposes of this Article and to issue revenue refunding bonds; to conduct studies and surveys respecting the needs for financial assistance of residents of the State respecting education beyond the high school level.

In carrying out the powers vested and the responsibilities imposed under this Article, the Authority shall be guided by and shall observe the following criteria and requirements, the determination of the Authority as to compliance with such criteria and requirements being final and conclusive:

- (1) Any student loan, grant or other assistance provided by the Authority to any student shall be necessary to enable the student to pursue his education above the high school level; and
- (2) No student loan, grant or other financial assistance shall be provided to any student by the Authority except in conformity with the provisions of this Article and to carry out the purposes hereof.

The Authority shall by rules and regulations prescribe other conditions, criteria and requirements that it shall deem necessary or desirable for providing financial assistance to students under this Article upon a fair and equitable basis, giving due regard to the needs and qualifications of the students and to the purposes of this Article. (1971, c. 392, s. 11.)

Editor's Note.—Section 12, c. 392, Session Laws 1971, makes the act effective July 1, 1971.

§ 116-209.17. Establishment of student assistance program. — The Authority is authorized, in addition to all other powers and duties vested or imposed under this Article, to establish and administer a statewide student assistance program for the purpose of removing, insofar as may be possible, the financial barriers to education beyond the high school level for needy North Carolina undergraduate students at public or private institutions in this State. This objective shall be accomplished through a comprehensive program under which the financial ability of each student and of his family, under standards prescribed by the Authority, is measured against the reasonable costs, as determined by the Authority, of the educational program which the student proposes to pursue. Needs of students for financial assistance shall, to the extent of the availability of funds from federal, State, institutional or other sources, be met through work-study programs, loans, grants and out-of-term employment, or a combination of these forms of assistance. No student shall be eligible to receive benefits under this student assistance program for a total of more than 45 months of full-time, post-high school level education. (1971, c. 392, s. 11.)

Editor's Note.—Section 12, c. 392, Session Laws 1971, makes the act effective July 1, 1971.

§ 116-209.18. Powers of Authority to administer student assistance program.—In order to accomplish the purposes of this Article the Authority is authorized:

- (1) To receive from the general fund or other sources such sums as the General Assembly may authorize from time to time for such purposes, and to receive from any other donor, public or private, such sums as may be made available, and to cause such sums to be disbursed for the purposes for which they have been provided;
- (2) To establish such criteria as the Authority shall deem necessary or desirable for determining the need of students for grants under this Article, as opposed to other forms of financial assistance, and for deciding who shall receive grants;
- (3) To prescribe the form and to regulate the submission of applications for assistance and to prescribe the procedures for considering and approving such applications;
- (4) To provide for the making of, and to make, grants under this Article under such terms and conditions as the Authority shall deem advisable;
- (5) To encourage educational institutions to increase the resources available for financial assistance; to prescribe such formulas for institutional maintenance of effort as the Authority may determine to be consistent with the purposes of this Article;
- (6) To provide by contract for the administration of all or any portion of the student assistance program by nonprofit organizations or corporations, pursuant to regulations and criteria established by the Authority;
- (7) To serve, on designation by the Governor, or as may otherwise be provided by federal law, as the State agency to administer such statewide programs of student assistance as shall be established from time to time under federal law; and
- (8) To have all other powers and authority necessary to carry out the purposes of the student assistance program, including, without limitation, all the powers given to the Authority by G.S. 116-204 and by other provisions of the General Statutes. (1971, c. 392, s. 11.)

Editor's Note.—Section 12, c. 392, Session Laws 1971, makes the act effective July 1, 1971.

§ 116-209.19. Grants to students.—The Authority is authorized to make grants to students enrolled or to be enrolled in eligible institutions in North Carolina out of such money as from time to time may be appropriated by the State or as may otherwise be available to the Authority for such grants. The Authority, subject to the provisions of this Article and any applicable appropriation act, shall adopt rules, regulations and procedures for determining the needs of the respective students for grants and for the purpose of making such grants. The amount of any grant made by the Authority to any student, whether enrolled or to be enrolled in any private institution or any tax-supported public institution, shall be determined by the Authority upon the basis of substantially similar standards and guides that shall be set forth in the Authority's rules, regulations and procedures; provided, however, that grants made in any fiscal year to students enrolled or to be enrolled in private institutions may be increased to compensate, in whole or in part, for the average annual State appropriated tuition subsidy for such fiscal year, determined as provided herein. The average annual State appropriated subsidy for each fiscal year shall be determined by the Advisory Budget Commission, after consultation with the State Budget Officer, Board of Governors of the University of North Carolina and the Authority, for each of the two categories of tax-supported institutions, being (i) institutions, presently 16, that provide education of the collegiate grade and grant baccalaureate degrees and (ii) institutions, such as community colleges and technical institutes created and existing under Chapter 115A of the General Statutes. The average annual State appropriated subsidy for each of such two categories of institutions shall mean the amount of the total appropriations of the State for the respective fiscal years under

the current operations budgets, pursuant to the Executive Budget Act reasonably allocable to undergraduate students enrolled in such institutions exclusive of the Division of Health Affairs of the University of North Carolina and the North Carolina School of the Arts for all institutions in such category, all as shall be determined by the Advisory Budget Commission after consultation as above provided, divided by the budgeted number of North Carolina undergraduate students to be enrolled in such fiscal year.

The Authority in determining the needs of students for grants, may give consideration to, among other factors, the amount of other financial assistance that may be available to such students such as nonrepayable awards under the educational opportunity grant program and Health Professions Education Assistance Act. (1971, c. 392, s. 11; c. 1244, s. 14.)

Editor's Note.—Section 12, c. 392, Session Laws 1971, makes the act effective July 1, 1971.

The 1971 amendment, effective July 1,

1972, substituted "Board of Governors of the University of North Carolina" for "Board of Higher Education" in the fourth sentence.

§ 116-209.20. Public purpose.—No expenditure of funds under this Article shall be made for any purpose other than a public purpose. (1971, c. 392, s. 11.)

Editor's Note.—Section 12, c. 392, Session Laws 1971, makes the act effective July 1, 1971.

§ 116-209.21. Cooperation of the Board of Governors of the University of North Carolina.—The Board of Governors of the University of North Carolina shall provide the secretariat for the Authority. The Executive Director of the Authority, who shall be its principal executive officer, shall be elected by the Board of Directors of the Authority on nomination of the President of the University of North Carolina. (1971, c. 392, s. 11; c. 1244, s. 14.)

Editor's Note.—Section 12, c. 392, Session Laws 1971, makes the act effective July 1, 1971.

The 1971 amendment, effective July 1,

1972, substituted "Board of Governors of the University of North Carolina" for "Board of Higher Education" and "President of the University of North Carolina" for "Director of the Board of Higher Education."

§ 116-209.22. Constitutional construction.—The provisions of this Article are severable, and if any of its provisions shall be held unconstitutional by any court of competent jurisdiction, the decision of such court shall not affect or impair any of the remaining provisions. (1971, c. 392, s. 11.)

Editor's Note.—Section 12, c. 392, Session Laws 1971, makes the act effective July 1, 1971.

§ 116-209.23. Inconsistent laws inapplicable.—Insofar as the provisions of this Article are inconsistent with the provisions of any general or special laws, or parts thereof, the provisions of this Article shall be controlling, except that no provision of the 1971 amendments to this Article shall apply to scholarships for children of war veterans as set forth in Article 4 of Chapter 165, as amended. (1971, c. 392, s. 11.)

Editor's Note.—Section 12, c. 392, Session Laws 1971, makes the act effective July 1, 1971.

§ 116A-4.1. Uncashed money orders and travelers checks.—(a) Any funds held or owing by any organization for the payment of any money order or travelers check on which such organization is directly liable shall be deemed abandoned property and shall be paid to the Escheat Fund:

- (1) When the instrument in the case of a money order has been outstanding seven years from the date of its issuance or in the case of a travelers check when it has been outstanding 15 years from the date of its issuance, and
- (2) When the last known address of the apparent owner of the instrument is in this State.

Where the records of the holder of the funds do not show a last known address of the apparent owner of a money order or travelers check, it is presumed that the last known address of the person entitled to the funds is in the state in which the money order or travelers check was issued. Any money order or travelers check held by any person, firm or corporation which remains unclaimed shall be deemed abandoned and paid to the Escheat Fund after three years.

(b) On or before the 1st day of June of each year, every organization shall pay to the State Treasurer all funds deemed abandoned pursuant to this section as of December 31 of the previous year. Such payment shall be accompanied by a statement setting forth such information as the State Treasurer may require.

(c) Any holder who has paid to the Escheat Fund moneys deemed abandoned property pursuant to the provisions of this section may make payment to any person appearing to such holder to be entitled thereto, and upon proof of such payment, the State Treasurer shall forthwith reimburse such holder to the extent of the full amount, without interest, paid into the Escheat Fund with respect to the instruments involved. If a holder declines or is unable to make payment to any person claiming ownership of funds paid to the Escheat Fund, the person claiming ownership may submit his claim to the State Treasurer who shall pay such claimant forthwith upon submission of adequate proof of ownership. (1971, c. 1135, s. 2.)

§ 116A-5. Unclaimed funds held or owing by life insurance companies.—(a) Definitions.—The term "unclaimed funds" as used in this section shall mean and include all moneys held and owing by any life insurance company doing business in this State which shall have remained unclaimed and unpaid for five years or more after such moneys became due and payable under any life or endowment insurance policy, or moneys payable under annuity contracts or all dividends payable to holders of policies. A life insurance policy not matured by the prior death of the insured shall be deemed to be matured and the proceeds thereof shall be deemed to be "due and payable" within the meaning of this section when the insured shall have attained the limiting age under the mortality table on which the reserve is based. Moneys shall be deemed to be "due and payable" within the meaning of this section although the policy shall not have been surrendered nor proofs of death submitted as required and although the claim as to the payee is barred by a statute of limitations.

(b) Scope.—This section shall apply to all unclaimed funds, as herein defined,

held and owing by any life insurance company doing business in this State where the last known address, according to the records of such company, of the person entitled to such funds is within this State, provided that if a person other than the insured be entitled to such funds and no address of such person be known to such company or if it be not definite and certain from the records of such company what person is entitled to such funds, then in either event it shall be presumed for the purposes of this section that the last known address of the person entitled to such funds is the same as the last known address of the insured according to the records of such company.

(c) Reports.—Every such life insurance company shall on or before the first day of May of each year make a report in writing to the Commissioner of Insurance of all unclaimed funds, as hereinbefore defined, held or owing by it on the thirty-first day of December next preceding. Such report shall be signed and sworn to by an officer of such company and shall set forth:

- (1) In alphabetical order the full name of the insured, his last known address according to the company's records, and the policy number;
- (2) The amount appearing from the company's records to be due on such policy;
- (3) The date such unclaimed funds became payable;
- (4) The name and last known address of each beneficiary or other person who, according to the company's records, may have an interest in such unclaimed funds; and
- (5) Such other identifying information as the Commissioner of Insurance may require.

(d) Notice; Publication.—On or before the first day of September following the making of such reports under this section, the Commissioner of Insurance shall cause to be published notices entitled: "Notice of Certain Unclaimed Funds Held or Owing by Life Insurance Companies." Each such notice shall be published once a week for two successive weeks in a newspaper published in the county of this State in which is located such last known address of each such insured, or other person who, according to the company's records may have an interest in such unclaimed fund, or by posting such notice at the courthouse door of said county.

The notice shall set forth in alphabetical order the names contained in such reports of each insured whose last known address is within the county of publication together with:

- (1) The amount reported due and the date it became payable,
- (2) The name and last known address of each beneficiary or other person who, according to the company's records, may have an interest in such unclaimed funds, and
- (3) The name and address of the company.

The notice shall also state that such unclaimed funds will be paid by the company to persons establishing to its satisfaction before the following December 1st their right to receive the same, and that not later than December 1st such unclaimed funds still remaining will be paid to the Escheat Fund which shall thereafter be liable for the payment thereof.

It shall be not obligatory upon the Commissioner of Insurance to publish any item of less than fifty dollars (\$50.00) in such notice, unless the Commissioner of Insurance deems such publication to be in the public interest. The expenses of publication shall be charged against the Escheat Fund.

(e) Payment to the Escheat Fund.—All unclaimed funds contained in the report required to be filed under this section, excepting those which have ceased to be unclaimed funds since the date of such report, shall be paid over to the Escheat Fund on or before the following December 1st.

The Commissioner of Insurance shall have the power, for cause shown, to extend for a period of not more than one year the time within which a life insurance

company shall file any report and in such event the time for publication and payment required by this section shall be extended for a like period.

(f) **Custody of Unclaimed Funds; Insurers Exonerated.**—Upon the payment of such unclaimed funds to the Escheat Fund, the State shall assume, for the benefit of those entitled to receive the same and for the safety of the money so paid, the custody of such unclaimed funds, and the life insurance company making such payment shall immediately and thereafter be relieved of and held harmless by the State from any and all liability for any claim or claims which exist at such time with reference to such unclaimed funds or which thereafter may be made or may come into existence on account of or in respect to any such unclaimed funds.

(g) **Reimbursement for Claims Paid by Insurers.**—Any life insurance company which has paid to the Escheat Fund moneys deemed unclaimed funds pursuant to the provisions of this section may make payment to any person appearing to such company to be entitled thereto, and upon proof of such payment the State of North Carolina shall forthwith reimburse such company to the extent of the full amount, without interest, paid the Escheat Fund for the account of such claimant.

(h) **Determination and Review of Claims.**—Any person entitled to unclaimed funds paid to the Escheat Fund may file a claim at any time with the Commissioner of Insurance. The Commissioner of Insurance shall possess full and complete authority to accept or reject any such claim. If he rejects such claim or fails to act thereon within 90 days after the receipt of such claim, the claimant may make application to the Superior Court of Wake County, upon not less than 30 days' notice to the Commissioner of Insurance and the State Treasurer for an order to show cause why he should not accept and order paid such claim.

(i) **Payment of Allowed Claims.**—Any claim which is accepted by the Commissioner of Insurance or ordered to be paid by a court of competent jurisdiction shall be paid by the Escheat Fund.

(j) **Records Required.**—The State Treasurer shall keep a public record of each payment of unclaimed funds received from any life insurance company. Such record shall show in alphabetical order the name and last known address of each insured, and of each beneficiary or other person who, according to the company's records, may have an interest in such unclaimed funds, and with respect to each policy, its number, the name of the company, and the amount due. (1949, c. 682; 1957, c. 1050; 1961, c. 493; 1971, c. 1135, s. 2.)

Editor's Note.—This section was formerly § 116-23.1. It was revised and transferred to its present position by Session

Laws 1971, c. 1135, s. 2, effective July 1, 1971.

§ 116A-6. Certain unclaimed bank deposits to Escheat Fund.—All bank deposits in connection with which no debits or credits have been entered within a period of five years, and where the bank is unable to locate the depositor or owner of such deposit, shall be deemed derelict property and shall be paid to the Escheat Fund and held, without liability for profit or interest, until a just claim therefor shall be preferred by the parties entitled thereto. The receipt of the Escheat Fund of any deposit hereunder shall be and constitute a release of the bank delivering over any deposit coming within the provisions of this section from any liability therefor to the depositor or any other person. Upon receipt of such funds, the State Treasurer shall cause to be posted and kept posted for 30 days at the courthouse door of the county in which such bank is located, a notice giving the names of the persons in whose name or names such deposits were made in said bank, the amount thereof, and the last known address of such person, and the bank paying over said funds to the Escheat Fund shall furnish such information to be used in giving said notice. If any person at any time thereafter shall appear and show that he is the identical person to whom such funds are due, the State Treasurer shall pay the same in full to such person, but without any liability for interest or profits thereon. Debits of service charges and debits of intangible taxes made by banks shall not be considered debits within the meaning of this section. A bank shall be deemed to be unable to locate a depositor or owner when the present

address of the depositor or owner is unknown to the bank, and the United States mail addressed to the depositor or owner at the last known address, with a return address of the sending bank on the envelope, is returned undelivered to the bank mailing the same. (1937, c. 400; 1939, c. 29; 1947, c. 614, s. 3; 1949, c. 1069; 1971, c. 1135, s. 2.)

- (2) A general notice of intention to escheat Postal Savings System accounts shall be published once in each of three successive weeks in one or more newspapers which combine to provide general circulation throughout this State.
- (3) A special notice of intention to escheat the unclaimed Postal Savings System accounts originally deposited in each Post Office must be published once in each of three successive weeks in a newspaper published in the county in which the Post Office is located or, if there is none, in a newspaper having general circulation in the county.
