Preface

Volume 3A, last replaced in 1975, accumulated a supplement nearly equalling the bound volume in size and including, among other things, extensive changes in the chapters relating to agriculture, social services, child welfare, conservation and development and education and new Chapters 113B, North Carolina Energy Policy Act of 1975 and 115B, Tuition Waiver for Senior Citizens. Due to the substantial increase in the amount of material incorporated in Volume 3A, the current replacement is accomplished by the division of the volume into two separate volumes, Volume 3A, Parts I and II. These 1978 Replacement Volumes are issued to incorporate the new material in the bound volumes and to eliminate what is obsolete.

Beginning with formal opinions issued by the North Carolina Attorney General on July 1, 1969, such opinions which construe a specific statute will be cited as an annotation to that statute. For a copy of an opinion or of its headnotes write the Attorney General, P.O. Box 629, Raleigh, N.C. 27602.

The recompiled volumes have been prepared and published under the supervision of the Department of Justice of the State of North Carolina. The members of the North Carolina Bar are requested to communicate any defects they may find in the General Statutes, and any suggestions they may have for improving them, to the Department.

Rufus L. Edmisten
Attorney General

§ 106-1. Constitutional provision. — The General Assembly shall establish a Department of Agriculture, Immigration, and Statistics, under such regulations as may best promote the agricultural interests of the State, and shall enact laws for the adequate protection and encouragement of sheep husbandry. Cross Reference. — As to the authority of the Department of Agriculture to regulate production and sale of pen-raised quail for food purposes, see § 113-105.3.

This section is identical with the former constitutional provisions, Art. III, § 17, which was not self-executing, but simply directed the legislature to establish the Department of Agriculture, Immigration, and Statistics. Cunningham v. Sprinkle, 124 N.C. 638, 33 S.E. 138 (1899).

The members of such Board shall be appointed by the Governor by and with the consent of the Senate, when the terms of the incumbents respectively expire. The term of office of such members shall be six years and until their successors are duly appointed and qualified. The terms of office of the five members constituting the present Board of Agriculture shall continue for the time for which they were appointed. In making appointments for the enlarged Board of Agriculture, the Governor shall make the appointments so that the term of three members will be for two years, three for four and four for six years. Thereafter the appointments shall be made for six years. Vacancies in such Board shall be filled by the Governor for the unexpired term. The Commissioner of Agriculture and the members of the Board of Agriculture shall be practical farmers engaged in their profession. - § 106-9.1. Investment of surplus in agriculture fund in interest-bearing government securities. The Board of Agriculture, with the approval of the Governor and Council of State, is hereby authorized and empowered whenever in their discretion there is a cash surplus in the agriculture fund in excess of the amount required to meet the current needs and demands of the Department, to invest said surplus funds in bonds or certificates of indebtedness of the United States of America or bonds, notes or other obligations of any agency or instrumentality of the United States of America, when the payment of principal and interest thereof is fully guaranteed by the United States of America, or in bonds or notes of the State of North Carolina. The said funds shall be invested in such obligations as in the judgment of the Board of Agriculture, the Governor, and the Council of State may be readily converted into money. The interest and revenue received from such investment or profits realized from the sale thereof shall become a part of the agriculture fund and be likewise invested. (1945, c. 999.)

Part 1A. Collection and Refund of Fees and Taxes.

§ 106-9.2. Records and reports required of persons paying fees or taxes to Commissioner or Department; examination of records; determination of amount due by Commissioner in case of noncompliance. — (a) Every person paying fees or taxes to the Commissioner of Agriculture or to the Department of Agriculture under the provisions of this Chapter shall keep such records as the Commissioner may prescribe to indicate accurately the fees or taxes due to the Commissioner or Department, and such records shall be preserved for a period of three years, and shall at all times during the business hours of the day be subject to inspection by the Commissioner or his deputies or such other agents as may be duly authorized by the Commissioner. Any person failing to comply with or violating any of the provisions of this section shall be guilty of a misdemeanor and upon conviction thereof shall be fined or imprisoned in the discretion of the court.

(b) It shall be the duty of the Commissioner of Agriculture, by competent auditors, to have the books and records of every person paying fees or taxes to the Commissioner or Department examined at least once each year to determine if such persons are keeping complete records as provided by this section, and to determine if correct reports have been made to the Commissioner or Department covering the total amount of fees or taxes due by such persons.

(c) If any person shall fail, neglect or refuse to keep such records or to make such reports or pay fees or taxes due as required, and within the time provided in this Chapter, the Commissioner shall immediately inform himself as best he may as to the matters and things required to be set forth in such records and reports, and from such information as he may be able to obtain, determine and fix the amount of fees or taxes due the State from such delinquent person for the period covering the delinquency. The Commissioner shall proceed immediately to collect the fees or taxes due the State, including any penalties and interest thereon, in the manner provided in this Article. (1963, c. 458.)

§ 106-9.3. Procedure for assessment of fees and taxes. — (a) If the Commissioner of Agriculture discovers from the examination of any report filed by a taxpayer or otherwise that any fee or tax or additional fee or tax is due from any taxpayer, he shall give notice to the taxpayer in writing of the kind and amount of fee or tax which is due and of his intent to assess the same, which notice shall contain advice to the effect that unless application for a rehearing is made within the time specified in subsection (c), the proposed assessment will become conclusive and final.

If the Commissioner is unable to obtain from the taxpayer adequate and reliable information upon which to base such assessment, the assessment may be made upon the basis of the best information available and, subject to the provisions hereinafter made, such assessment shall be deemed correct.

(b) The notice required to be given in subsection (a) may be delivered to the taxpayer by an agent of the Commissioner or may be sent by mail to the last known address of the taxpayer and such notice will be deemed to have been received in due course of the mail unless the taxpayer shall make an affidavit to the contrary within 90 days after such notice is mailed, in which event the taxpayer shall be heard by the Commissioner in all respects as if he had made timely application.

(c) Any taxpayer who objects to a proposed assessment of fee or tax or additional fee or tax shall be entitled to a hearing before the Commissioner of Agriculture, provided application therefor is made in writing within 30 days after the mailing or delivery of the notice required by subsection (a). If application for a hearing is made in due time, the Commissioner of Agriculture shall set a time and place for the hearing and after considering the taxpayer's objections shall give written notice of his decision to the taxpayer. The amount

of fee or tax or additional fee or tax due from the taxpayer as finally determined by the Commissioner shall thereupon be assessed and upon assessment shall

become immediately due and collectible.

Provided, the taxpayer may request the Commissioner at any time within 30 days of notice of such proposed assessment for a written statement, or transcript, of the information and the evidence upon which the proposed assessment is based, and the Commissioner of Agriculture shall furnish such statement, or transcript, to the taxpayer. Provided, further, after request by the taxpayer for such written statement, or transcript, the taxpayer shall have 30 days after the receipt of the same from the Commissioner of Agriculture to apply in writing for such hearing, explaining in detail his objections to such proposed assessment. If no request for such hearing is so made, such proposed assessment shall be final and conclusive.

(d) If no timely application for a hearing is made within 30 days after notice of a proposed assessment of fee or tax or additional fee or tax is given pursuant to subsection (a), such proposed fee or tax or additional fee or tax assessment shall become final without further notice and shall be immediately due and

collectible.

(e) Where a proper report has been filed by a taxpayer and in the absence of fraud, the Commissioner of Agriculture shall assess any fee or tax or additional fee or tax due from the taxpayer within three years after the date upon which such report is filed or within three years after the date upon which such report was required by law to be filed, whichever is the later. If no report has been filed, and in the absence of fraud, any fee or tax or additional fee or tax due from a taxpayer may be assessed at any time within five years after the date upon which such report was required by law to be filed. In the event a false and fraudulent report has been filed or there has been an attempt in any manner to fraudulently defeat or evade a fee or tax, any fee or tax or additional fee or tax due from the taxpayer may be assessed at any time.

(f) Except as hereinafter provided in subsection (g), the Commissioner of Agriculture shall have no authority to assess any fee or tax or additional fee or tax under this section until the notice required by subsection (a) shall have been given and the period within which an application for a hearing may be filed has expired, or if a timely application for a hearing is filed, until written notice of the Commissioner's decision has been given to the taxpayer, provided, however that if the notice required by subsection (a) shall be mailed or delivered within the limitation prescribed in subsection (e), such limitation shall be deemed to have been complied with and the proceeding may be carried forward to its

conclusion.

(g) Notwithstanding any other provision of this section, the Commissioner of Agriculture shall have authority at any time within the applicable period of limitations to proceed at once to assess any fee or tax or additional fee or tax which he finds is due from a taxpayer if, in his opinion, the collection of such fee or tax is in jeopardy and immediate assessment is necessary in order to protect the interest of the State, provided, however, that if an assessment is made pursuant to the authority set forth in this subsection before the notice required by subsection (a) is given, such assessment shall not be valid unless the notice required by subsection (a) shall be given within 30 days after the date of such assessment.

(h) All assessments of fees or taxes or additional fees or taxes (exclusive of penalties assessed thereon) shall bear interest at the rate of one half of one percent (0.5%) per month or fraction thereof from the time said fees or taxes or additional fees or taxes were due to have been paid until paid. (1963, c. 458.)

§ 106-9.4. Collection of delinquent fees and taxes. — (a) If any fee or tax imposed by this Chapter, or any other fee or tax levied by the State and payable to the Commissioner of Agriculture or the Department of Agriculture, or any

portion of such fee or tax, be not paid within 30 days after the same becomes due and payable, and after the same has been assessed, the Commissioner of Agriculture shall issue an order under his hand and official seal, directed to the sheriff of any county of the State commanding him to levy upon and sell the real and personal property of the taxpayer found within his county for the payment of the amount thereof, with the added penalties, additional taxes, interest, and cost of executing the same, and to return to the Commissioner of Agriculture the money collected by virtue thereof within a time to be therein specified, not less than 60 days from the date of the order. The said sheriff shall, thereupon, proceed upon the same in all respects with like effect and in the same manner prescribed by law in respect to executions issued against property upon judgments of a court of record, and shall be entitled to the same fees for his

services in executing the order, to be collected in the same manner.

(b) Bank deposits, rents, salaries, wages, and all other choses in action or property incapable of manual levy or delivery, hereinafter called the intangible, belonging, owing, or to become due to any taxpayer subject to any of the provisions of this Chapter, or which has been transferred by such taxpayer under circumstances which would permit it to be levied upon if it were tangible, shall be subject to attachment or garnishment as herein provided, and the person owing said intangible, matured or unmatured, or having same in his possession or control, hereinafter called the garnishee, shall become liable for all sums due by the taxpayer under this Chapter to the extent of the amount of the intangible belonging, owing, or to become due to the taxpayer subject to the setoff of any matured or unmatured indebtedness of the taxpayer to the garnishee. To effect such attachment or garnishment the Commissioner of Agriculture shall serve or cause to be served upon the taxpayer and the garnishee a notice as hereinafter provided, which notice may be served by any deputy or employee of the Commissioner of Agriculture or by any officer having authority to serve summonses. Said notice shall show:

 The name of the taxpayer and his address, if known;
 The nature and amount of the fee or tax, and the interest and penalties thereon, and the year or years for which the same were levied or assessed, and

(3) Shall be accompanied by a copy of this subsection, and thereupon the

procedure shall be as follows:

If the garnishee has no defense to offer or no setoff against the taxpayer, he shall, within 10 days after service of said notice, answer the same by sending to the Commissioner of Agriculture by registered mail a statement to that effect, and if the amount due or belonging to the taxpayer is then due or subject to his demand, it shall be remitted to the Commissioner with said statement, but if said amount is to mature in the future, the statement shall set forth that fact and the same shall be paid to the Commissioner upon maturity, and any payment by the garnishee hereunder shall be a complete extinguishment of any liability therefor on his part to the taxpayer. If the garnishee has any defense or setoff, he shall state the same in writing under oath, and, within 10 days after service of said notice, shall send two copies of said statement to the Commissioner by registered mail; if the Commissioner admits such defense or setoff, he shall so advise the garnishee in writing within 10 days after receipt of such statement and the attachment or garnishment shall thereupon be discharged to the amount required by such defense or setoff, and any amount attached or garnished hereunder which is not affected by such defense or setoff shall be remitted to the Commissioner as above provided in cases where the garnishee has no defense or setoff, and with like effect. If the Commissioner shall not admit the defense or setoff, he shall set forth in writing his objections thereto and shall send a copy thereof to the garnishee within 10 days after receipt of the garnishee's statement, or within such further time as may be agreed on by the garnishee,

and at the same time he shall file a copy of said notice, a copy of the garnishee's statement, and a copy of his objections thereto in the superior court of the county where the garnishee resides or does business where the issues made shall be

tried as in civil actions.

If judgment is entered in favor of the Commissioner of Agriculture by default or after hearing, the garnishee shall become liable for the fee or taxes, interest and penalties due by the taxpayer to the extent of the amount over and above any defense or setoff of the garnishee belonging, owing, or to become due to the taxpayer, but payments shall not be required from amounts which are to become due to the taxpayer until the maturity thereof, nor shall more than ten percent (10%) of any taxpayer's salary or wages be required to be paid hereunder in any one month. The garnishee may satisfy said judgment upon paying said amount, and if he fails to do so, execution may issue as provided by law. From any judgment or order entered upon such hearing either the Commissioner of Agriculture or the garnishee may appeal as provided by law. If, before or after judgment, adequate security is filed for the payment of said taxes, interest, penalties, and costs, the attachment or garnishment may be released or execution stayed pending appeal, but the final judgment shall be paid or enforced as above provided. The taxpayer's sole remedies to question his liability for said fees or taxes, interest, and penalties shall be those provided in this Article, as now or hereinafter amended or supplemented. If any third person claims any intangible attached or garnished hereunder and his lawful right thereto, or to any part thereof, is shown to the Commissioner, he shall discharge the attachment or garnishment to the extent necessary to protect such right, and if such right is asserted after the filing of said copies as aforesaid, it may be established by interpleader as now or hereafter provided by the General Statutes in cases of attachment and garnishment. In case such third party has no notice of proceedings hereunder, he shall have the right to file his petition under oath with the Commissioner at any time within 12 months after said intangible is paid to him and if the Commissioner finds that such party is lawfully entitled thereto or to any part thereof, he shall pay the same to such party as provided for refunds by G.S. 105-407 and if such payment is denied, said party may appeal from the determination of the Commissioner to the Superior Court of Wake County or to the superior court of the county wherein he resides or does business. The intangibles of a taxpayer shall be paid or collected hereunder only to the extent necessary to satisfy said fees or taxes, interest, penalties, and costs. Except as hereinafter set forth, the remedy provided in this section shall not be resorted to unless a warrant for collection or execution against the taxpayer has been returned unsatisfied: Provided, however, if the Commissioner is of opinion that the only effective remedy is that herein provided, it shall not be necessary that a warrant for collection or execution shall be first returned unsatisfied, and in no case shall it be a defense to the remedy herein provided that a warrant for collection or execution has not been first returned unsatisfied: Provided, however, that no salary or wage at the rate of less than two hundred dollars (\$200.00) per month, whether paid weekly or monthly, shall be attached or garnished under the provisions of this section.

(c) In addition to the remedy herein provided, the Commissioner of Agriculture is authorized and empowered to make a certificate setting forth the essential particulars relating to the said fee or tax, including the amount thereof, the date when the same was due and payable, the person, firm, or corporation chargeable therewith, and the nature of the fee or tax, and under his hand and seal transmit the same to the clerk of the superior court of any county in which the delinquent taxpayer resides or has property; whereupon, it shall be the duty of the clerk of the superior court of the county to docket the said certificate and index the same on the cross index of judgments, and execution may issue thereon with the same force and effect as an execution upon any other judgment of the

superior court; said tax shall become a lien on realty only from the date of the docketing of such certificate in the office of the clerk of the superior court and in personalty only from the date of the levy on such personalty and upon execution thereon no homestead or personal property exemption shall be allowed.

(d) The remedies herein given are cumulative and in addition to all other remedies provided by law for the collection of said fees and taxes. (1963, c. 458.)

Structural Pest Control Act.

Repeal of Article. — This Article is repealed, effective July 1, 1983, by Session Laws 1977, c. 712, s. 4. The 1977 act also repeals, with postponed effective dates, numerous other Chapters and Articles creating licensing and regulatory agencies, and sets up a Government Evaluation Commission whose function is to conduct a performance evaluation of the

programs and functions of each such agency and report to General Assembly whether the program or function in question should be terminated, reconstituted, reestablished or continued. The Commission will go out of existence June 30, 1983. The 1977 act is codified as § 143-34.10 et seq.

§ 106-65.22. Title. — This Article shall be known by the title of "Structural Pest Control Act of North Carolina of 1955." It is declared to be the policy of this State that the regulation of persons, corporations and firms engaged in the business of structural pest control in this State, as defined in G.S. 106-65.25, is in the public interest in order to ensure a high quality of workmanship and in order to prevent deception, fraud and unfair trade practices in the conduct of said business. The General Assembly finds that quality of structural pest control work is not easily determined by the general public due to the inaccessibility of the areas treated and the complexity of the methods of treatment. (1955, c. 1017; 1977, c. 231, s. 1.)

Editor's Note. — The 1977 amendment rewrote this section.

The Governor shall appoint two members of said Committee who are actively engaged in the pest control industry, who are licensed in at least two phases of structural pest control as provided under G.S. 106-65.25(a), and who are residents of the State of North Carolina but not affiliates of the same company. Any vacancy occurring on the Committee by reason of death, resignation, or otherwise shall be filled by the Governor or the Commissioner of Agriculture, as the case may be, for the unexpired term of the member whose seat is vacant. A member of the Committee appointed by the Governor shall not succeed himself.

It shall be the duty of the Structural Pest Control Committee, in addition to conducting hearings relating to the suspension and revocation of licenses issued under this Article, and in addition to making rules and regulations pursuant to G.S. 106-65.29, to report annually to the Board of Agriculture the results of all hearings conducted by the Committee and to report the financial status of this

Division of the Department of Agriculture.

The Director shall be responsible for and answerable to the Commissioner of Agriculture as to the operation and conduct of the Structural Pest Control

Division.

Such per diem and necessary travel expenses and registration fees shall apply to the same effect that G.S. 93B-5 might hereafter be amended.

Three members of the Committee shall constitute a quorum but no action at any meeting of the Committee shall be taken without three votes in accord. The

chairman shall be entitled to vote at all times.

The Committee shall meet at such times and such places in North Carolina as the chairman shall direct; provided, however, that three members of the Committee may call a special meeting of the Committee on five days' notice to the other members thereof.

All members of the Committee shall be appointed or designated, as the case may be, prior to and shall commence their respective terms on July 1, 1967.

Testing shall be based upon examples of problems and situations appropriate to the particular phase or phases of structural pest control for which application is made and include where relevant the following areas of competency:

(1) Label and labeling comprehension.

(2) Safety factors associated with pesticides — toxicity, precautions, first aid, proper handling, etc.

(3) Influence of and on the environment.

(4) Pests — identification, biology, and habits. (5) Pesticides — types, formulations, compatibility, hazards, etc.
 (6) Equipment — types and uses.

(7) Application techniques. (8) Laws and regulations.

An applicant for a certified applicator's identification card shall submit with his application for examination an examination fee of ten dollars (\$10.00) for each of the phases of structural pest control in which he chooses to be examined. An examination for one or more phases of structural pest control may be taken at the same time. If an applicant fails to pass an examination for one or more phases of structural pest control, he shall be entitled to take one additional examination, at a regularly scheduled examination, without the payment of another examination fee. Frequency of such examinations shall be in the discretion of the Committee, consideration being given to the number of applications received, provided that a minimum of two examinations shall be given annually. The examination will cover the phase or phases of structural pest control for which application is being made. The ten dollar (\$10.00) fee shall not apply to agents or agencies of the federal, State, or local governments.

(b) License. — Each applicant for an original license must demonstrate upon written examination, to be provided and administered by the Committee, his competency as a structural pest control operator for the phase or phases in which he is applying for a license. Agents or agencies of the federal, State or local governments are not exempt from this fee.

(c) A license shall not be transferable. A new licensee shall be responsible for correcting all discrepancies committed by the preceding licensee of said business or anyone working under his license during the 12-month period next preceding his becoming the designated licensee and he shall further be responsible for correcting discrepancies for all existing contracts. Editor's Note. — The first 1975 amendment corrected an error in this section as it appeared in the 1974 Cumulative Supplement by substituting "or" for "of" between "methods" and "materials" near the end of subdivision (a)(1). The error had already been corrected in the section as set out in the 1975 Replacement Volume.

The second 1975 amendment rewrote the section so as to substitute "Commissioner" for "Director" and to add the provisions relating to certified applicators throughout the section and added subdivision (10) of subsection (a). The amendatory act directed that the new subdivision be added at the end of the section, but the intention was plainly to add it to subsection (a).

The 1977 amendment designated the last three

paragraphs of former subsection (b) as subsections (c), (d) and (e), inserted "or card" identification operator's introductory language of subsection (a), in subdivisions (4) and (6) of subsection (a), in present subsections (b), (c), and (e), and in two places in subsection (d). The amendment also inserted "denied" in the introductory language of subsection (a), added subdivision (11) to subsection (a), inserted "or operator" near the beginning of subsection (d), and substituted "said license or said card" for "a license by a licensee or certified applicator's identification card by a certified applicator," "or card holder" for "or certified applicator," and "license or card" for "license or certified applicator's identification card" in subsection (e).

when engaged in any work defined under this Article.

(7) Safety methods and procedures for structural pest control work. Such rules and regulations shall not become effective until a public hearing shall have been held and notification of such hearing shall have been given to all licensees and certified applicators. (1955, c. 1017; 1967, c. 1184, s. 8; 1975, c. 570, s. 14; 1977, c. 231, s. 9.)

Editor's Note. — The 1975 amendment added "and certified applicators" at the end of the section.

The 1977 amendment rewrote this section.

ARTICLE 4E.

Pest Control Compact.

§ 106-65.55. Adoption of Compact. — The Pest Control Compact is hereby enacted into law and entered into with all other jurisdictions legally joining therein in the form substantially as follows:

PEST CONTROL COMPACT.

Article I. Findings.

The party states find that:

(a) In the absence of the higher degree of cooperation among them possible under this Compact, the annual loss of approximately ten billion dollars (\$10,000,000,000) from the depredations of pests is virtually certain to continue, if not to increase.

(b) Because of varying climatic, geographic and economic factors, each state may be affected differently by particular species of pests; but all states share the inability to protect themselves fully against those pests which present

serious dangers to them.

(c) The migratory character of pest infestations makes it necessary for states both adjacent to and distant from one another, to complement each other's

activities when faced with conditions of infestation and reinfestation.

(d) While every state is seriously affected by a substantial number of pests, and every state is susceptible of infestation by many species of pests not now causing damage to its crop and plant life and products, the fact that relatively few species of pests present equal danger to or are of interest to all states makes the establishment and operation of an insurance fund, from which individual states may obtain financial support for pest control programs of benefit to them in other states and to which they may contribute in accordance with their relative interests, the most equitable means of financing cooperative pest eradication and control programs.

Article II. Definitions.

As used in this Compact, unless the context clearly requires a different construction:

(a) "State" means a state, territory or possession of the United States, the

District of Columbia, and the Commonwealth of Puerto Rico.

(b) "Requesting state" means a state which invokes the procedures of the Compact to secure the undertaking or intensification of measures to control or eradicate one or more pests within one or more other states.

(c) "Responding state" means a state requested to undertake or intensify the

measures referred to in subdivision (b) of this Article.

(d) "Pest" means any invertebrate animal, pathogen, parasitic plant or similar

or allied organism which can cause disease or damage in any crops, trees, shrubs, grasses or other plants of substantial value.

(e) "Insurance fund" means the Pest Control Insurance Fund established

pursuant to this Compact.

(f) "Governing board" means the administrators of this Compact representing all of the party states when such administrators are acting as a body in pursuance of authority vested in them by this Compact.

(g) "Executive committee" means the committee established pursuant to

Article V(e) of this Compact.

Article III. The Insurance Fund.

There is hereby established the Pest Control Insurance Fund for the purpose of financing other than normal pest control operations which states may be called upon to engage in pursuant to this Compact. The insurance fund shall contain moneys appropriated to it by the party states and any donations and grants accepted by it. All appropriations, except as conditioned by the rights and obligations of party states expressly set forth in this Compact, shall be unconditional and may not be restricted by the appropriating state to use in the control of any specified pest or pests. Donations and grants may be conditional or unconditional, provided that the insurance fund shall not accept any donation or grant whose terms are inconsistent with any provision of this Compact.

Article IV. The Insurance Fund, Internal Operations and Management.

(a) The insurance fund shall be administered by a governing board and executive committee as hereinafter provided. The actions of the governing board and executive committee pursuant to this Compact shall be deemed the actions

of the insurance fund.

(b) The members of the governing board shall be entitled to one vote each on such board. No action of the governing board shall be binding unless taken at a meeting at which a majority of the total number of votes on the governing board are cast in favor thereof. Action of the governing board shall be only at

a meeting at which a majority of the members are present.

(c) The insurance fund shall have a seal which may be employed as an official symbol and which may be affixed to documents and otherwise used as the

governing board may provide.

(d) The governing board shall elect annually, from among its members, a chairman, a vice-chairman, a secretary and a treasurer. The chairman may not succeed himself. The governing board may appoint an executive director and fix his duties and his compensation, if any. Such executive director shall serve at the pleasure of the governing board. The governing board shall make provision for the bonding of such of the officers and employees of the insurance fund as may be appropriate.

(e) Irrespective of the civil service, personnel or other merit system laws of any of the party states, the executive director, or if there be no executive director, the chairman, in accordance with such procedures as the bylaws may provide, shall appoint, remove or discharge such personnel as may be necessary for the performance of the functions of the insurance fund and shall fix the duties and compensation of such personnel. The governing board in its bylaws shall provide for the personnel policies and programs of the insurance fund.

(f) The insurance fund may borrow, accept or contract for the services of

personnel from any state, the United States, or any other governmental agency,

or from any person, firm, association or corporation.

(g) The insurance fund may accept for any of its purposes and functions under this Compact any and all donations, and grants of money, equipment, supplies, materials and services, conditional or otherwise, from any state, the United States, or any other governmental agency, or from any person, firm, association or corporation, and may receive, utilize and dispose of the same. Any donation, gift or grant accepted by the governing board pursuant to this paragraph or services borrowed pursuant to paragraph (f) of this Article shall be reported in the annual report of the insurance fund. Such report shall include the nature, amount and conditions, if any, of the donation, gift, grant or services borrowed and the identity of the donor or lender.

(h) The governing board shall adopt bylaws for the conduct of the business of the insurance fund and shall have the power to amend and rescind these bylaws. The insurance fund shall publish its bylaws in convenient form and shall file a copy thereof and a copy of any amendment thereto with the appropriate

agency or officer in each of the party states.

(i) The insurance fund annually shall make to the Governor and legislature of each party state a report covering its activities for the preceding year. The insurance fund may make such additional reports as it may deem desirable.

(j) In addition to the powers and duties specifically authorized and imposed, the insurance fund may do such other things as are necessary and incidental to the conduct of its affairs pursuant to this Compact.

Article V. Compact and Insurance Fund Administration.

- (a) In each party state there shall be a Compact administrator, who shall be selected and serve in such manner as the laws of his state may provide, and who shall:
 - (1) Assist in the coordination of activities pursuant to the Compact in his state; and

(2) Represent his state on the governing board of the insurance fund.
(b) If the laws of the United States specifically so provide, or if administrative provision is made therefor within the federal government, the United States may be represented on the governing board of the insurance fund by not to exceed three representatives. Any such representative or representatives of the United

States shall be appointed and serve in such manner as may be provided by or pursuant to federal law, but no such representative shall have a vote on the

governing board or on the executive committee thereof.

(c) The governing board shall meet at least once each year for the purpose of determining policies and procedures in the administration of the insurance fund and, consistent with the provisions of the Compact, supervising and giving direction to the expenditure of moneys from the insurance fund. Additional meetings of the governing board shall be held on call of the chairman, the executive committee, or a majority of the membership of the governing board.

(d) At such times as it may be meeting, the governing board shall pass upon applications for assistance from the insurance fund and authorize disbursements therefrom. When the governing board is not in session, the executive committee thereof shall act as agent of the governing board, with full authority to act for

it in passing upon such applications.

(e) The executive committee shall be composed of the chairman of the governing board and four additional members of the governing board chosen by it so that there shall be one member representing each of four geographic groupings of party states. The governing board shall make such geographic groupings. If there is representation of the United States on the governing board, one such representative may meet with the executive committee. The chairman of the governing board shall be chairman of the executive committee. No action of the executive committee shall be binding unless taken at a meeting

at which at least four members of such committee are present and vote in favor thereof. Necessary expenses of each of the five members of the executive committee incurred in attending meetings of such committee, when not held at the same time and place as a meeting of the governing board, shall be charges against the insurance fund.

Article VI. Assistance and Reimbursement.

(a) Each party state pledges to each other party state that it will employ its best efforts to eradicate, or control within the strictest practicable limits, any and all pests. It is recognized that performance of this responsibility involves:

(1) The maintenance of pest control and eradication activities of interstate significance by a party state at a level that would be reasonable for its

own protection in the absence of this Compact.

(2) The meeting of emergency outbreaks or infestations of interstate significance to no less an extent than would have been done in the

absence of this Compact.

(b) Whenever a party state is threatened by a pest not present within its borders but present within another party state, or whenever a party state is undertaking or engaged in activities for the control or eradication of a pest or pests, and finds that such activities are or would be impracticable or substantially more difficult of success by reason of failure of another party state to cope with infestation or threatened infestation, that state may request the governing board to authorize expenditures from the insurance fund for eradication or control measures to be taken by one or more of such other party states at a level sufficient to prevent, or to reduce to the greatest practicable extent, infestation or reinfestation of the requesting state. Upon such authorization the responding state or states shall take or increase such eradication or control measures as may be warranted. A responding state shall use moneys made available from the insurance fund expeditiously and efficiently to assist in affording the protection requested.

(c) In order to apply for expenditures from the insurance fund, a requesting

state shall submit the following in writing:
(1) A detailed statement of the circumstances which occasion the request for the invoking of the Compact.

(2) Evidence that the pest on account of whose eradication or control assistance is requested constitutes a danger to an agricultural or forest crop, product, tree, shrub, grass or other plant having a substantial

value to the requesting state.

(3) A statement of the extent of the present and projected program of the requesting state and its subdivisions, including full information as to the legal authority for the conduct of such program or programs and the expenditures being made or budgeted therefor, in connection with the eradication, control, or prevention of introduction of the pest concerned.

(4) Proof that the expenditures being made or budgeted as detailed in item (3) do not constitute a reduction of the effort for the control or eradication of the pest concerned or, if there is a reduction, the reasons why the level of program detailed in item (3) constitutes a normal level

of pest-control activity.

(5) A declaration as to whether, to the best of its knowledge and belief, the conditions which in its view occasion the invoking of the Compact in the particular instance can be abated by a program undertaken with the aid of moneys from the insurance fund in one year or less, or whether the request is for an installment in a program which is likely to continue for a longer period of time.

(6) Such other information as the governing board may require consistent

with the provisions of this Compact.

(d) The governing board or executive committee shall give due notice of any meeting at which an application for assistance from the insurance fund is to be considered. Such notice shall be given to the Compact administrator of each party state and to such other officers and agencies as may be designated by the laws of the party states. The requesting state and any other party state shall be entitled to be represented and present evidence and argument at such meeting.

(e) Upon the submission as required by paragraph (c) of this Article and such other information as it may have or acquire, and upon determining that an expenditure of funds is within the purposes of this Compact and justified thereby, the governing board or executive committee shall authorize support of the program. The governing board or the executive committee may meet at any time or place for the purpose of receiving and considering an application. Any and all determinations of the governing board or executive committee, with respect to an application, together with the reasons therefor shall be recorded and subscribed in such manner as to show and preserve the votes of the individual members thereof.

(f) A requesting state which is dissatisfied with a determination of the executive committee shall, upon notice in writing given within 20 days of the determination with which it is dissatisfied, be entitled to receive a review thereof at the next meeting of the governing board. Determinations of the executive committee shall be reviewable only by the governing board at one of its regular meetings, or at a special meeting held in such manner as the governing board

may authorize.

(g) Responding states required to undertake or increase measures pursuant to this Compact may receive moneys from the insurance fund, either at the time or times when such state incurs expenditures on account of such measures, or as reimbursement for expenses incurred and chargeable to the insurance fund. The governing board shall adopt and, from time to time, may amend or revise procedures for submission of claims upon it and for payment thereof.

(h) Before authorizing the expenditure of moneys from the insurance fund pursuant to an application of a requesting state, the insurance fund shall ascertain the extent and nature of any timely assistance or participation which may be available from the federal government and shall request the appropriate agency or agencies of the federal government for such assistance and

participation.

(i) The insurance fund may negotiate and execute a memorandum of understanding or other appropriate instrument defining the extent and degree of assistance or participation between and among the insurance fund, cooperating federal agencies, states and any other entities concerned.

Article VII. Advisory and Technical Committees.

The governing board may establish advisory and technical committees composed of State, local, and federal officials, and private persons to advise it with respect to any one or more of its functions. Any such advisory or technical committee, or any member or members thereof may meet with and participate in its deliberations. Upon request of the governing board or executive committee an advisory or technical committee may furnish information and recommendations with respect to any application for assistance from the insurance fund being considered by such board or committee and the board or committee may receive and consider the same: Provided that any participant in a meeting of the governing board or executive committee held pursuant to Article VI(d) of the Compact shall be entitled to know the substance of any such

information and recommendations, at the time of the meeting if made prior thereto or as a part thereof or, if made thereafter, no later than the time at which the governing board or executive committee makes its disposition of the application.

Article VIII. Relations with Nonparty Jurisdictions.

(a) A party state may make application for assistance from the insurance fund in respect of a pest in a nonparty state. Such application shall be considered and disposed of by the governing board or executive committee in the same manner as an application with respect to a pest within a party state, except as provided in this Article.

(b) At or in connection with any meeting of the governing board or executive committee held pursuant to Article VI(d) of this Compact a nonparty state shall be entitled to appear, participate, and receive information only to such extent as the governing board or executive committee may provide. A nonparty state shall not be entitled to review of any determination made by the executive

(c) The governing board or executive committee shall authorize expenditures from the insurance fund to be made in a nonparty state only after determining that the conditions in such state and the value of such expenditures to the party states as a whole justify them. The governing board or executive committee may set any conditions which it deems appropriate with respect to the expenditure of moneys from the insurance fund in a nonparty state and may enter into such agreement or agreements with nonparty states and other jurisdictions or entities as it may deem necessary or appropriate to protect the interests of the insurance fund with respect to expenditures and activities outside of party states.

Article IX. Finance.

(a) The insurance fund shall submit to the executive head or designated officer or officers of each party state a budget for the insurance fund for such period as may be required by the laws of that party state for presentation to

the legislature thereof.

(b) Each of the budgets shall contain specific recommendations of the amount or amounts to be appropriated by each of the party states. The requests for appropriations shall be apportioned among the party states as follows: one tenth of the total budget in equal shares and the remainder in proportion to the value of agricultural and forest crops and products, excluding animals and animal products, produced in each party state. In determining the value of such crops and products the insurance fund may employ such source or sources of information as in its judgment present the most equitable and accurate comparisons among the party states. Each of the budgets and requests for appropriations shall indicate the source or sources used in obtaining information concerning value of products.

(c) The financial assets of the insurance fund shall be maintained in two accounts to be designated respectively as the "operating account" and the "claims account." The operating account shall consist only of those assets necessary for the administration of the insurance fund during the next ensuing two-year period. The claims account shall contain all moneys not included in the operating account and shall not exceed the amount reasonably estimated to be sufficient to pay all legitimate claims on the insurance fund for a period of three years. At any time when the claims account has reached its maximum limit or would reach its maximum limit by the addition of moneys requested for appropriation by the party states, the governing board shall reduce its budget

requests on a pro rata basis in such manner as to keep the claims account within such maximum limit. Any moneys in the claims account by virtue of conditional donations, grants or gifts shall be included in calculations made pursuant to this paragraph only to the extent that such moneys are available to meet demands

arising out of claims.

(d) The insurance fund shall not pledge the credit of any party state. The insurance fund may meet any of its obligations in whole or in part with moneys available to it under Article IV(g) of this Compact, provided that the governing board takes specific action setting aside such moneys prior to incurring any obligation to be met in whole or in part in such manner. Except where the insurance fund makes use of moneys available to it under Article IV(g) hereof. the insurance fund shall not incur any obligation prior to the allotment of moneys by the party states adequate to meet the same.

(e) The insurance fund shall keep accurate accounts of all receipts and disbursements. The receipts and disbursements of the insurance fund shall be subject to the audit and accounting procedures established under its bylaws. However, all receipts and disbursements of funds handled by the insurance fund shall be audited yearly by a certified or licensed public accountant and a report of the audit shall be included in and become part of the annual report of the

insurance fund.

(f) The accounts of the insurance fund shall be open at any reasonable time for inspection by duly authorized officers of the party states and by any persons authorized by the insurance fund.

Article X. Entry into Force and Withdrawal.

(a) This Compact shall enter into force when enacted into law by any five or more states. Thereafter, this Compact shall become effective as to any other

state upon its enactment thereof.

(b) Any party state may withdraw from this Compact by enacting a statute repealing the same, but no such withdrawal shall take effect until two years after the executive head of the withdrawing state has given notice in writing of the withdrawal to the executive heads of all other party states. No withdrawal shall affect any liability already incurred by or chargeable to a party state prior to the time of such withdrawal.

Article XI. Construction and Severability.

This Compact shall be liberally construed so as to effectuate the purposes thereof. The provisions of this Compact shall be severable and if any phrase, clause, sentence or provision of this Compact is declared to be contrary to the constitution of any state or of the United States or the applicability thereof to any government, agency, person or circumstance is held invalid, the validity of the remainder of this Compact and the applicability thereof to any government, agency, person or circumstance shall not be affected thereby. If this Compact shall be held contrary to the constitution of any state participating herein, the Compact shall remain in full force and effect as to the remaining party states and in full force and effect as to the state affected as to all severable matters. (1975, c. 810, s. 1.)

- § 106-65.56. Cooperation of State agencies with insurance fund. Consistent with law and within available appropriations, the departments, agencies and officers of this State may cooperate with the insurance fund established by the Pest Control Compact. (1975, c. 810, s. 2.)
 - § 106-65.57. Filing of bylaws and amendments. Pursuant to Article IV(h)

of the Compact, copies of bylaws and amendments thereto shall be filed with the Department of Agriculture. (1975, c. 810, s. 3.)

- § 106-65.58. Compact administrator. The Compact administrator for this State shall be the Commissioner of Agriculture or his designated representative. The duties of the Compact administrator shall be deemed a regular part of the duties of his office. (1975, c. 810, s. 4.)
- § 106-65.59. Request for assistance from insurance fund. Within the meaning of Article VI(b) or Article VIII(a), a request or application for assistance from the insurance fund may be made by the Commissioner of Agriculture or his designee whenever in his judgment the conditions qualifying this State for such assistance exist and it would be in the best interest of this State to make such request. (1975, c. 810, s. 5.)
- § 106-65.60. Credit for expenditures. The department, agency, or officer expending or becoming liable for an expenditure on account of a control or eradication program undertaken or intensified pursuant to the Compact shall have credited to his account in the State treasury the amount or amounts of any payments made to this State to defray the cost of such program, or any part thereof, or as reimbursement thereof. (1975, c. 810, s. 6.)
- § 106-65.61. "Executive head" means Governor. As used in the Compact, with reference to this State, the term "executive head" shall mean the Governor. (1975, c. 810, s. 7.)
 - §§ 106-65.62 to 106-65.66: Reserved for future codification purposes.

The Commissioner, or his authorized representative, shall have authority to make inspection of any fields or premises in this State and any property located therein or thereon for the purpose of determining whether such property is infested with the boll weevil. Such inspection and other activities may be conducted at any hour with the permission of the owner or person in charge. If permission is denied the Commissioner or his authorized representative, such inspection and other activities may be conducted without a warrant with respect to any outdoor premises, if conducted in a reasonable manner between the hours of sunrise and sunset. The Commissioner is also authorized to promulgate regulations governing the movement of regulated articles from other states or portions thereof into this State when such state is known to be infested with the boll weevil. Before quarantining any area, the Commissioner shall hold a public hearing under such rules as he shall determine, at which

hearing any interested party may appear and be heard either in person or by attorney: Provided, however, the Commissioner may promulgate regulations, imposing a temporary quarantine for a period not to exceed 60 days, during which time a public hearing, as herein provided, shall be held if it appears that a quarantine for more than 60 days will be necessary to prevent or retard the spread of the boll weevil. It shall be unlawful for any person to store or handle any regulated article in a quarantined area, or to move into or from a quarantined area any regulated article, except under such conditions as may be prescribed by the regulations promulgated by the Commissioner. (1975, c. 958, s. 7; 1977, c. 507, s. 1.)

Editor's Note. — The 1977 amendment added the present second sentence.

Authority to designate elimination zones; authority to prohibit planting of cotton and to require participation in eradication **program.** — The Commissioner, subject to the provisions of section 13 of this act [Session Laws 1975, chapter 958, section 13] is authorized to designate by regulation one or more areas of this State as "elimination zones" where boll weevil eradication programs will be undertaken. The Commissioner is authorized to promulgate reasonable regulations regarding areas where cotton cannot be planted within an elimination zone when he has reason to believe it will jeopardize the success of the program or present a hazard to public health or safety. The Commissioner is authorized to issue regulations prohibiting the planting of noncommercial cotton in such elimination zones, and requiring that all growers of commercial cotton in the elimination zones participate in a program of boll weevil eradication including cost sharing as prescribed in the regulations. Notice of such prohibition and requirement shall be given by publication for one day each week for three successive weeks in a newspaper having general circulation in the affected area. The Commissioner is authorized to set by regulation a reasonable schedule of penalty fees to be assessed when growers in designated "elimination zones" do not meet the requirements of (G.S. 106-65.73) and participation in cost sharing as prescribed by regulation. Such penalty fees shall not exceed a charge of twenty-five dollars (\$25.00) per acre. When a grower fails to meet the requirements of regulations promulgated by the Commissioner, the Commissioner shall have authority in elimination zones to destroy cotton not in compliance with such regulations. (1975, c. 958, s. 8; 1977, c. 507, ss. 2, 3.)

Editor's Note. — The 1977 amendment added the present second, and fifth through seventh sentences.

Authority for destruction or treatment of cotton in elimination zones; when compensation payable. — The Commissioner or his authorized representative shall have authority to destroy, or in his discretion, to treat with pesticides volunteer or other noncommercial cotton and to establish procedures for the purchase and destruction of commercial cotton in elimination zones when the Commissioner deems such action necessary to effectuate the purposes of this Article. No payment shall be made by the Commissioner to the owner or lessee for the destruction or injury of any cotton which was planted in an elimination zone after publication of notice as provided in G.S. 106-65.74, or which was otherwise handled in violation of this Article or the regulations adopted pursuant thereto. However, the Commissioner shall pay for losses resulting from the destruction of cotton which was planted in such zones prior to promulgation of such notice. (1975, c. 958, s. 9; 1977, c. 507, ss. 4, 5.)

60

Editor's Note. — The 1977 amendment inserted "and to establish procedures for the purchase and destruction of commercial cotton"

in the first sentence and added "or the regulations adopted pursuant thereto" to the end of the second sentence.

- § 106-65.76. Authority to regulate pasturage, entry, and honeybee colonies in elimination zones and other areas. The Commissioner is authorized to promulgate regulations restricting the pasturage of livestock, entry by persons, and location of honeybee colonies in any premises in an elimination zone which have been or are to be treated with pesticides or otherwise treated to cause the eradication of the boll weevil, or in any other area that may be affected by such treatments. (1975, c. 958, s. 10.)
- § 106-65.77. Rules and regulations. The Commissioner shall have authority to adopt such other rules and regulations as he deems necessary to further effectuate the purposes of this Article. All rules and regulations issued under this Article shall be adopted and published in accordance with any additional requirements prescribed in this Article. (1975, c. 958, s. 11.)
- § 106-65.78. Penalties. (a) Any person who shall violate any of the provisions of this Article or the regulations promulgated hereunder, or who shall alter, forge or counterfeit, or use without authority, any certificate or permit or other document provided for in this Article or in the regulations promulgated hereunder, shall be guilty of a misdemeanor and shall, upon conviction thereof, be punished by a fine of not less than fifty dollars (\$50.00) nor more than one thousand dollars (\$1,000) or by imprisonment not exceeding one year, or both, in the discretion of the court.

(b) Any person who shall, except in compliance with the regulations of the Commissioner, move any regulated article into this State from any other state which the Commissioner found in such regulations is infested by the boll weevil, shall be guilty of a misdemeanor and shall be subject to the penalties provided

in subsection (a) hereof. (1975, c. 958, s. 12.)

ARTICLE 5.

Seed Cotton and Peanuts.

§ 106-66. Sale of seed cotton or peanuts. — If any person shall buy, sell, deliver or receive for a price, or for any reward whatever, any cotton in the seed where the quantity is less than what is usually baled, or any peanuts, and shall fail to enter upon a book to be kept by him for such purpose, and to be open to inspection by the public at all business hours, the date of such buying or receiving, the number of pounds in each lot, the true name of the person or persons from whom bought or received and that he is the owner thereof, the name of the owner of the land on which such cotton is raised, and the price paid for the same per pound, he shall be guilty of a misdemeanor, and upon conviction be punished by a fine not exceeding fifty dollars (\$50.00) or imprisoned not exceeding 30 days. In all prosecutions under this section it shall only be necessary for the State to allege and prove that the defendant bought or received the seed cotton or peanuts as charged, and the burden shall be upon the defendant to show that the provisions of this section have been complied with. (1887, c. 199; 1905, cc. 201, 523; Rev., s. 3812; C. S., s. 5083; 1929, c. 281, s. 1.)

Constitutionality. — As to constitutionality of statute similar to this section, see State v. Moore, 104 N.C. 714, 10 S.E. 143 (1889).

§ 106-67. Traveling seed cotton buyers must report; failure a misdemeanor. — Any person engaged in traveling from house to house or from place to place buying or trading for seed cotton shall keep a correct record of the name and post-office address of each person from whom he buys or with whom he trades for seed cotton, together with the number of pounds he buys or trades for from each person and the amount paid in each case.

On or before the third day of each month such person shall file a sworn statement with the clerk of the superior court of the county in which he made such purchases or trades for seed cotton, showing the name and post-office address of each person from whom he bought or with whom he traded during the next preceding month, together with the amount paid and the number of

pounds of such cotton received from each person.

Any person failing or refusing to comply with this section shall be guilty of a misdemeanor for each offense, and upon conviction shall be fined not exceeding fifty dollars (\$50.00) or imprisoned not more than 30 days. (1919, c. 43; C. S., s. 5084.)

ARTICLE 5A.

Marketing of Farmers Stock Peanuts.

Repeal of Article. — This Article is repealed, effective July 1, 1983, by Session Laws 1977, c. 712, s. 4. The 1977 act also repeals, with postponed effective dates, numerous other Chapters and Articles creating licensing and regulatory agencies, and sets up a Government Evaluation Commission whose function is to conduct a performance evaluation of the

programs and functions of each such agency and report to General Assembly whether the program or function in question should be terminated, reconstituted, reestablished or continued. The Commission will go out of existence June 30, 1983. The 1977 act is codified as § 143-34.10 et seq.

- § 106-67.1. Purpose of Article.—The purpose of this Article is to promote fair trade practices among growers, handlers and buyers in the selling and buying of farmers stock peanuts, so as to ensure fair grading, weighing, labeling, inspecting and computing of purchase price. (1957, c. 1053, s. 1.)
- § 106-67.2. Licenses to buy peanuts required; purchases for seed excepted. Each person, firm or corporation that buys one ton or more of farmers stock peanuts from producers for his account or the account of others during any calendar year shall obtain a license from the Commissioner of Agriculture each year to conduct such business. This Article shall not apply to purchasers who buy peanuts for seed purposes only. (1957, c. 1053, s. 2.)
- § 106-67.3. Issuance of license; fee; effective period; use of fees collected. (a) The Commissioner of Agriculture shall issue a license to any person, firm or corporation desiring to buy farmers stock peanuts upon the receipt of a prescribed application accompanied by a ten dollar (\$10.00) license fee; provided, however, that the Commissioner may withhold the issuance of a license to any applicant who has been convicted of violating any provision of this Article until the Commissioner has been given reasonable assurance that the applicant will comply with the provisions of this Article and the rules and regulations adopted pursuant thereto.

(b) The effective period of the license shall be from July 1 through June 30

of each year.

(c) The moneys collected for license fees shall be used only for the administration and enforcement of the provisions of this Article. (1957, c. 1053, s. 2.)

§ 106-67.4. Advisory Committee. — The Commissioner of Agriculture shall appoint an Advisory Committee consisting of five members: two members to represent North Carolina peanut growers, at least one of whom shall represent the membership of the North Carolina Peanut Growers' Association; one member to represent the Cooperative Marketing Association serving the peanut growers of North Carolina; one member to represent the North Carolina peanut commission buyers; and one member to represent the peanut millers and shellers of North Carolina. The term of office of each member shall commence on July 1 of each year, or as soon thereafter as he is appointed and continue to the following June 30.

The duties of this Committee shall be to act in an advisory capacity to the Commissioner of Agriculture and the North Carolina State Board of Agriculture in formulating rules and regulations and in other matters relating to the

administration of this Article. (1957, c. 1053, s. 3.)

- § 106-67.5. False certificates, etc.; false representations. It shall be unlawful for any person, firm or corporation knowingly to falsely make, issue, alter, forge or counterfeit any official certificate, memorandum, or falsely represent the weight, grade, class, quantity or condition or to knowingly represent that the peanuts have been officially inspected or graded (by an authorized government inspector or grader) when such product in fact has not been so graded or inspected. (1957, c. 1053, s. 4.)
- § 106-67.6. Inspections and investigations by Commissioner. In order to carry out the purposes of this Article effectively, the Commissioner of Agriculture is authorized to inspect or investigate transactions for the sale or delivery of farmers stock peanuts to persons acting as handlers; to require verified reports and accounts of all authorized handlers; to examine books, accounts, memoranda, equipment, warehouses, storage and other facilities and articles connected with the business of handlers of farmers stock peanuts. (1957, c. 1053, s. 5.)
- § 106-67.7. Rules and regulations. The North Carolina State Board of Agriculture is hereby authorized to adopt such reasonable rules and regulations as may be necessary for the proper administration and enforcement of this Article. (1957, c. 1053, s. 6.)

Cited in Coffer v. Standard Brands, Inc., 30 N.C. App. 134, 226 S.E.2d 534 (1976).

§ 106-67.8. Penalty; suspension of license. — Any person, firm or corporation violating any provision of this Article, or any regulation adopted pursuant to this Article, shall be guilty of a simple misdemeanor punishable by a fine of not more than fifty dollars (\$50.00) or imprisonment for not more than 30 days, in the discretion of the court.

The Commissioner of Agriculture is hereby authorized to suspend the license of any person, firm or corporation, upon being convicted of violating any provision of this Article, for any period of the remaining part of the licensed year

within his discretion. (1957, c. 1053, s. 7.)

ARTICLE 6.

Cottonseed Meal.

§ 106-68. Cottonseed meal defined; inspection tax. — Cottonseed meal is a product of the cottonseed only, composed principally of the kernel with such portion of the fiber or hull and oil as may be left in the course of manufacture

of cottonseed oil, and when sold for use as fertilizer or feed shall be subject to an inspection tax of twenty-five cents (25¢) per ton and be subject to inspection as other fertilizers or fertilizing materials, unless sold to manufacturers for use in manufacturing fertilizers or feed. (1917, c. 242, s. 1; C. S., s. 4704; 1939, c. 286.)

§ 106-69. Bags to be branded with specified particulars. — All cottonseed meal offered for sale, unless sold to manufacturers for use in manufacturing fertilizers or feed, shall have plainly branded on the bag containing it, or on the tag attached thereto, the following data:

(1) Cottonseed meal (with brand and grade).

(2) Weight of package. (3) Ammonia and protein.

(4) Name and address of manufacturer. (1917, c. 242, s. 2; C. S., s. 4705.)

§ 106-70. Grades and standards established. — No person, firm, or corporation shall offer for sale any cottonseed meal except as provided in G.S. 106-69, graded and classed as follows:

(1) Prime cottonseed meal by analysis must contain at least seven and one-half percent (7½%) of ammonia or thirty-eight and fifty-six

one-hundredths percent (38.56%) of protein.

(2) Good cottonseed meal by analysis must contain at least seven percent (7%) of ammonia, or thirty-six and no one-hundredths percent (36%) of

(3) Ordinary cottonseed meal by analysis must contain at least six and one-half percent (6.5%) of ammonia, or thirty-three and forty-four hundredths percent (33.44%) of protein. (1917, c. 242, s. 3; C. S., s. 4706.)

Purpose. — The purpose of this Article is to promote agriculture by insuring the sale of fertilizers containing plant food in certain proportions and of sufficient quality and

quantity and to protect those who cultivate the soil from imposition and fraud. State v. Faulkner, 175 N.C. 787, 95 S.E. 171 (1918).

- § 106-71. Rules to enforce statute; misdemeanor. The Board of Agriculture is empowered and directed to make such rules and regulations as are necessary to a proper carrying into effect of the provisions of this Article, and to provide for all such tags as manufacturers may demand, upon paying the tax therefor. Any person willfully violating any of the regulations made by the Board of Agriculture in connection with the provisions of this Article shall be guilty of a misdemeanor. (1917, c. 242, s. 4; C. S., s. 4707.)
- § 106-72. Sales without tag; misuse of tag; penalty; forfeiture. Every merchant, trader, manufacturer, or agent who shall sell or offer for sale any cottonseed meal without having attached thereto such labels, stamps, and tags as are required by law, or who shall use the required tag a second time to avoid the payment of the tonnage charge, and every person who shall aid in the fraudulent selling or offering for sale of any cottonseed meal, shall be liable to a penalty of the price paid the manufacturer for each separate bag, barrel, or package sold, offered for sale, or removed, to be recovered by the Commissioner of Agriculture by suit brought in the name of the State, and any amount so recovered shall be paid one half to the informant and one half to the State Treasurer for the use of the Department of Agriculture. If any such cottonseed meal shall be condemned, as provided by law, it shall be the duty of the Department to have an analysis made of the same; cause printed tags or labels expressing the proper grade to be put upon each bag, barrel, or package, and shall fix the commercial value at which it may be sold; and it shall be unlawful for any person to sell, offer for sale, or remove any such cottonseed meal, or for any agent of any railroad or other trans-

portation company to deliver any such cottonseed meal in violation of this section. (1917, c. 242, s. 4; C. S., s. 4708.)

Penalty Not Applicable to Purchaser. — In construing a former statute of similar import, it was held that the penalty applies to the manufacturer or anyone, either as principal or agent, who sells or offers to sell, or removes the fertilizer, and the word "remove" does not apply

to the purchaser who receives the fertilizer not for sale, but for use, and when the only removal by him is taking the fertilizer from the railroad station and then distributing the same under his crops. Johnson v. Carson, 161 N.C. 371, 77 S.E. 307 (1913).

§ 106-73. Sales contrary to Article a misdemeanor.—Any person, firm, or corporation who shall sell or offer for sale or shall act as agent of or broker for the manufacturer of or dealer in any cottonseed meal contrary to the provisions above set forth shall be guilty of a misdemeanor. (Rev., s. 3814; 1917, c. 242, s. 5; 1919, c. 13, s. 2; C. S., s. 4709.)

Liability. — The fact that neither knowledge of the defect nor intent to defraud is made an element in the criminal offense is strong reason for confining the statute to the manufacturer, who should be held to have knowledge of the composition of the fertilizer he offers for sale, and to the owner, not a manufacturer, and his

agent with authority to sell, who have the opportunity to test the fertilizer before they sell it. State v. Faulkner, 175 N.C. 787, 95 S.E. 171 (1918).

Applied in State v. Southern Cotton Oil Co., 154 N.C. 635, 70 S.E. 741 (1911).

- § 106-74. Forfeiture for unauthorized sale; release from forfeiture. All cottonseed meal sold or offered for sale contrary to the provisions above set forth shall be subject to seizure, condemnation, and sale by the Commissioner of Agriculture. The net proceeds from such sale shall be placed in the general fund of the Department and accounted for upon its books. The Commissioner, however, shall have the discretion to release the meal so seized and condemned upon compliance with the law as set forth above and the payment of all costs and expenses incurred by the Department in any proceedings connected therewith. (1917, c. 242, s. 5; C. S., s. 4710.)
- § 106-75. Method of seizure and sale on forfeiture. Such seizure and sale shall be made under the direction of the Commissioner of Agriculture by an officer or agent of the Department; the sale to be made at the courthouse door in the county in which the seizure is made, after 30 days advertisement in some newspaper published in said county, or if no newspaper is published in said county, then by like advertisement in a newspaper published in the nearest county thereto having a newspaper. The advertisement shall state the grade of the meal, the quantity, why seized and offered for sale. (1917, c. 242, s. 5; C. S., s. 4711.)
- § 106-76. Collection and analysis of samples. The Department of Agriculture shall have the same authority and powers for taking and analyzing samples of cottonseed meal as are provided in case of commercial fertilizers and fertilizer materials; and the same procedure as to law and regulations shall be followed in taking such samples of cottonseed meals as are prescribed and followed for taking samples of fertilizer and fertilizer materials. (1919, c. 271; C. S., s. 4712.)
- § 106-77. Sales below guaranteed quality; duties of Commissioner. When the Commissioner of Agriculture shall be satisfied that any cottonseed meal is five percent (5%) below the guaranteed analysis, it shall be his duty to assess twice the value of said deficiency against the manufacturer, and if said cottonseed meal shall fall as much as ten percent (10%) below the guaranteed analysis it shall be his duty to assess three times the value of said meal and

require that his findings of said deficiency be made good to all persons who, in the opinion of the Commissioner, have purchased the said meal; and the Commissioner may seize any meal belonging to said company, to the value of the deficiency, if the deficiency shall not be paid within 30 days after notice to the company. If the Commissioner shall be satisfied that the deficiency in analysis was due to intention or fraud of the manufacturer, then the Commissioner shall assess and collect from the manufacturer twice the amount above provided for and pay over the same to parties who purchased said meal. If any manufacturer shall resist such collection or payment, the Commissioner shall immediately publish the analysis and the facts in the Bulletin and in such newspapers in the State as he may deem necessary. (1917, c. 242, s. 7; C. S., s. 4713.)

§ 106-78. Adulteration prohibited. — It shall be unlawful for any manufacturer to adulterate cottonseed meal in the process of manufacture or otherwise. (1917, c. 242, s. 8; C. S., s. 4714.)

ARTICLE 7.

Pulverized Limestone and Marl.

- § 106-79. Board of Agriculture authorized to make and sell lime to farmers. The North Carolina Board of Agriculture is authorized and directed, for the purpose of furnishing marl or limestone to the farmers of the State, to make such arrangements as they deem advisable for this purpose, and to this end may lease or purchase oyster shells in large quantities and beds of limestone, and erect machinery suitable for the preparation of the material for use by the farmers; and any lime so prepared and any by-products shall be sold for agricultural purposes to the citizens of the State at a reasonable cost which shall produce an amount of money sufficient to maintain and operate the plant. (1919, c. 182, s. 1; C. S., s. 4715.)
- § 106-80. Convict labor authorized. With the approval of the Governor, when requested by the Board of Agriculture, the chairman of the Board of Transportation may furnish a superintendent with a squad of able-bodied convicts, not to exceed 50, to do such work as the Commissioner, with the authority of the Board, may deem necessary to mine, prepare, load and dispose of the material. The Board shall pay the State quarterly such amount as shall be agreed upon by the chairman of the Board of Transportation and the Board of Agriculture for their work, out of the proceeds of the sales, and the State shall guard, feed, clothe, and work such convicts: Provided, that after the first year's operations the expenses of the work shall not exceed the amount of the sales. (1919, c. 182, s. 2; C. S., s. 4716; 1933, c. 172, s. 18; 1957, c. 65, s. 11; 1973, c. 507, s. 5.)

ARTICLE 8.

Sale, etc., of Agricultural Liming Material, etc.

- § 106-81. Regulation of sale, etc., of agricultural liming material, etc. All agricultural liming material, agricultural liming material with potash, and land plaster, hereinafter named either as the aforesaid separate items, or collectively as "materials coming under this Article," or as "said materials," to be sold, offered, or exposed for sale in this State, shall be subject to regulation as provided by the following sections of this Article. (1941, c. 275, s. 1.)
 - § 106-82. Registration of brands by manufacturers and vendors. Every

manufacturer or vendor proposing to sell, offer or expose for sale in this State, the materials coming under this Article shall, annually on or before the first day of January of each year, or before offering said materials for sale in this State, register with the Commissioner of Agriculture, on forms to be furnished by said Commissioner, each brand of the said materials that he proposes to offer for sale during the next ensuing calendar year, or remainder thereof, giving for each brand the information prescribed in the following subdivisions:

(1) Net weight when sold in packages.

(2) A brand or trade name truly descriptive of the product.

(3) The guaranteed analysis showing:

a. In case of agricultural liming materials, the minimum percent of calcium expressed as calcium carbonate (CaCO₃) and of magnesium expressed as magnesium carbonate (MgCO₃) if the product be unburned or a mixture of both burned and unburned material; or as calcium oxide (CaO) and magnesium oxide (MgO) if the product be in the burned state and, in either case, the total neutralizing value expressed as calcium carbonate equivalent or neutralizing equivalent, and the fineness of the material, excepting that guarantee of screen analysis shall not be required for the products from completely burned limestone or shells. (The terms "calcium carbonate equivalent" and "neutralizing equivalent," for the purpose of this Article, shall mean one and the same thing. Fineness shall be determined by screens complying with the specifications of the United States Bureau of Standards.)

b. In case of agricultural liming material with potash, the same requirement as for agricultural liming material, subdivision (3)a of this section, but including also the minimum percent of available potash as the oxide (K_2O) . (The potash content of agricultural liming material with potash shall not be below four percent (4%), and the guarantee for said potash content shall be in whole

numbers only.)

c. In case of land plaster, the minimum percent of calcium sulfate (CaSO₄).

(4) The name and address of the manufacturer or vendor guaranteeing the

registration.

- (5) In case of combinations of materials from different sources, the source, chemical form, and minimum percent of each material in truly descriptive terms. (1941, c. 275, s. 2.)
- § 106-83. Labeling. All of the said materials sold, offered, or exposed for sale in this State shall have attached thereto, or be accompanied by a plainly printed statement giving the information as required under G.S. 106-82, subdivisions (1), (2), (3), (4) and (5). In case of materials sold in packages, the said information shall be plainly printed upon the package, or upon a tag or label attached thereto, of such quality and in such manner that it shall withstand normal handling, and, in case of material sold in bulk, the said statement shall be delivered to the purchaser either with the material, or with the invoice therefor. (1941, c. 275, s. 3.)
- § 106-84. Registration and tonnage fees; tags showing payment; reporting system; license certificates. (a) For the purpose of defraying expenses connected with the registration, inspection and analysis of the materials coming under this Article, there shall be paid, by the manufacturers or vendors, to the Department of Agriculture, for each brand or grade of said materials registered as required under G.S. 106-82, an annual registration fee of five dollars (\$5.00) for each calendar year or part thereof, said fee to be paid at the time of registration.

(b) Likewise, in addition to the above stated registration fee there shall be paid upon said materials sold in this State, in the manner specified under subsection (c) of this section, tonnage fees as follows: For agricultural liming material, five cents (5φ) per ton; for agricultural liming material with potash, twenty-five cents (25φ) per ton; and for land plaster, five cents (5φ) per ton; excepting that these fees shall not apply to materials which are sold to fertilizer manufacturers for

the sole purpose of use in the manufacture of fertilizer.

(c) Each bag, parcel, or shipment of said materials shall have attached thereto a tag, or label, to be furnished by the Department of Agriculture, stating that all charges specified in this Article have been paid, and the Commissioner of Agriculture, with the advice and consent of the Board of Agriculture is hereby empowered to prescribe a form for such tags, or labels, and to adopt such regulations as will insure enforcement of this Article. Whenever any manufacturer or vendor shall have paid the required charges, his goods shall not be liable to any further tax, whether by city, town or county. Tax tags or labels shall be issued each year by the Commissioner of Agriculture, and sold to persons applying for same at the tax rate provided herein. Tags or labels left in the possession of persons registering the materials coming under this Article, at the end of a calendar year, may be exchanged for tags or labels for the next

succeeding year.

Any manufacturer, importer, jobber, firm, corporation or person who distributes materials coming under this Article in this State may make application for a permit to report the materials sold and pay the tonnage fees as set forth in subsection (b) of this section, as the basis of said report, in lieu of affixing inspection tags or labels. The Commissioner of Agriculture may, in his discretion, grant such permit. The issuance of all permits will be conditioned on the applicant's satisfying the Commissioner that he has a good bookkeeping system and keeps such records as may be necessary to indicate accurately the tonnage of liming materials, etc., sold in the State and as are satisfactory to the Commissioner of Agriculture, and granting the Commissioner, or his duly authorized representative, permission to examine such records and verify the statement. The report shall be quarterly and the tonnage fees shall be due and payable quarterly, on or before the tenth day of January, April, July, and October of each year, covering the tonnage of liming materials, etc., sold during the preceding quarter. The report shall be under oath and on forms furnished by the Commissioner. If the report is not filed and the tonnage fees paid by the tenth day following the date due or if the report be false, the Commissioner may revoke the permit, and if the tonnage fees be unpaid after a 15-day grace period, the amount shall bear a penalty of ten percent (10%) which shall be added to the tonnage fees due and shall constitute a debt and become the basis of judgment against the securities or bonds which may be required. In order to guarantee faithful performance with the provisions of this paragraph each manufacturer, importer, jobber, firm, corporation or person shall, before being granted a permit to use the reporting system, deposit with the Commissioner cash in the amount of two hundred fifty dollars (\$250.00) or securities acceptable to the Commissioner of a value of at least two hundred fifty dollars (\$250.00) or shall post with the Commissioner a surety bond in like amount, executed by some corporate surety company authorized to do business in North Carolina. The Commissioner shall approve all such securities and bonds before acceptance.

(d) To manufacturers or vendors of the materials covered in this Article, who have registered their brands of the said materials and paid registration fees as required herein, shall be issued by the Commissioner of Agriculture, without further charge, certificates licensing said manufacturers or vendors, themselves or through their agents, to sell in this State the brands of materials named in said certificate, for the period of time designated therein. (1941, c. 275, s. 4; 1949,

c. 828.)

- § 106-85. Report of sales. In addition to the statement required under G.S. 106-82, each manufacturer or vendor of the materials covered in this Article shall, on or before the first day of February of each year, file with the Department of Agriculture a written report showing the total number of net tons of each brand and grade of the said materials sold by him, or his representatives or agents in this State, during the last preceding year. License for the sale of said materials within this State shall not be issued for a succeeding year to any manufacturer or vendor for the continued sale of his product unless and until said report has been made. (1941, c. 275, s. 5.)
- § 106-86. Administration; inspections, sampling and analysis. It shall be the duty of the Commissioner of Agriculture to institute the necessary proceedings and have prepared the necessary equipment to put into effect the provisions of this Article, and to authorize the collecting of official samples of the materials covered by it, to have them analyzed, and to have results published for the information of the public. For this purpose such inspectors or representatives as he may duly authorize shall have full access, ingress and egress to and from all places of business, manufacture, storage, transportation, handling or sale of any of the said materials. They shall also have power to open any container or package containing or supposed to contain any of the said materials, and to take therefrom samples for analysis. The official methods and recommendations of the Association of Official Agricultural Chemists as to sampling and analyzing shall be used in administering this Article. (1941, c. 275, s. 6.)
- § 106-87. Deficiencies; refunds to consumers. Should any of the materials coming under this Article be found, by procedures authorized thereunder, to be deficient in the constituents as claimed by the manufacturer or vendor thereof, said manufacturer or vendor, upon being officially notified of such deficiency by the Commissioner of Agriculture, shall, within 90 days following such notification, make refunds to the consumers of the deficient materials as follows: In case of "agricultural liming material" or "agricultural liming material with potash," excepting potash deficiency of the latter, if the deficiency be five percent (5%) or more, there shall be refunded an amount equal to three times the value of such deficiency. In case of "potash" deficiency in "agricultural liming material with potash," there shall be refunded an amount equal to three times the value of the deficiency, if such deficiency is in excess of 40 points (which shall mean 0.40 of one percent) on goods guaranteed four percent (4%); 50 points (which shall mean 0.50 of one percent) on goods that are guaranteed five percent (5%) up to and including eight percent (8%); and 60 points (which shall mean 0.60 of one percent) on goods guaranteed nine percent (9%) and up to and including twenty percent (20%); and 100 points (which shall mean 1.00 percent) on goods guaranteed over twenty percent (20%); and in case of land plaster, for deficiencies in excess of one percent (1%), there shall be refunded an amount equal to three times the value of the deficiency. Values shall be based on the selling price of said materials. When said consumers cannot be found within the above specified time, refunds shall be forwarded to the Commissioner of Agriculture for deposit with the State Treasurer to the credit of the Department of Agriculture, where said refund shall be held for payment to the proper consumer upon order of said Commissioner. Where the consumer to whom the refund is due cannot be found within a period of two years, such refund shall, after said period, revert to the Department of Agriculture for expenditure by said Commissioner in promoting the agricultural program of the State. (1941, c. 275, s. 7.)
- § 106-88. Violations and penalties. Any person or persons selling, offering or exposing for sale in this State any of the materials covered in this Article, without first having registered said materials, paid the fees required,

secured the required license, and otherwise complied with the requirements of this Article; or who shall have caused to be submitted, or to be associated with said registrations or materials, false, fraudulent, or misleading statements; or who shall have caused to be incorporated into said materials any substances which shall be harmful to plants or plant growth; shall be guilty of a misdemeanor, and on conviction shall be sentenced to pay a fine not less than ten dollars (\$10.00) nor more than fifty dollars (\$50.00) for the first offense and not less than one hundred dollars (\$100.00) for each subsequent offense. (1941, c. 275, s. 8.)

§ 106-89. Certified analysis as evidence. — In the trial of any suit or action wherein there is called in question the value of composition of any of the materials covered by this Article, a certified statement of the analysis made by the chemists of the Department of Agriculture shall be admissible as prima facie evidence of the content, value, or composition of said materials. (1941, c. 275, s. 9.)

Cited in In re Arthur, 291 N.C. 640, 231 S.E.2d 614 (1977).

- § 106-90. Revocation of licenses; seizure of materials. The Commissioner of Agriculture is hereby authorized to revoke any license and require forfeit of fees paid under such license when it is ascertained that the registration upon which said license was issued has given false information in its statement relative to the kind, quality, composition or fineness of the materials sold, or offered for sale, under the provisions of this Article; and to seize and withhold from sale or distribution any such materials where it is shown that they are being dispensed in violation of said Article. (1941, c. 275, s. 10.)
- § 106-91. Regulations and standards. The Commissioner of Agriculture, under the authority of the Board of Agriculture, is further empowered to prescribe and enforce such reasonable rules and regulations relating to the sale of the materials covered in this Article as are consistent with the purpose of the Article and are deemed necessary to carry into effect its full intent and meaning; and, conjointly with the State Board of Agriculture and the director of the North Carolina experiment station, to formulate and prescribe such definitions and standards including minimum screening standards for agricultural liming materials derived from both ground limestone and marl deposits as may be required for said purpose. (1941, c. 275, s. 11; 1975, c. 645.)

Editor's Note. — The 1975 amendment inserted "including minimum screening standards for agricultural liming materials" derived from both ground limestone and marl deposits" near the end of the section.

§ 106-92. Construction of Article. — Nothing in this Article shall be construed to restrict or avoid sales or exchanges of the materials coming under this Article to each other by importers, manufacturers or manipulators who mix said materials for sale, or as preventing the free and unrestricted shipments of said materials to manufacturers or manipulators who have registered their brands as required by the provisions of this Article. (1941, c. 275, s. 12.)

s 106-125. Detention of product or article suspected of being adulterated or misbranded. — (a) Whenever a duly authorized agent of the Department of Agriculture finds or has probable cause to believe, that any food, drug, device, cosmetic or consumer commodity is adulterated, or so misbranded as to be dangerous or fraudulent within the meaning of this Article or is in violation of G.S. 106-131 or 106-135 of this Article, he shall affix to such article a tag or other appropriate marking giving notice that such article is, or is suspected of being, adulterated or misbranded and has been detained or embargoed, and warning all persons not to remove or dispose of such article by sale or otherwise until permission for removal or disposal is given by such agent or the court. It shall be unlawful for any person to remove or dispose of such detained or embargoed article by sale or otherwise without such permission.

(b) When an article detained or embargoed under subsection (a) has been found by such agent to be adulterated, or misbranded or to be in violation of G.S. 106-131 or 106-135 of this Article, he shall petition a judge of the district, or superior court in whose jurisdiction the article is detained or embargoed for an order for condemnation of such article. When such agent has found that an article so detained or embargoed is not adulterated or misbranded, he shall

remove the tag or other marking.

(c) If the court finds that a detained or embargoed article is adulterated or misbranded, such article shall, after entry of the decree, be destroyed at the expense of the claimant thereof, under the supervision of such agent; and all court costs and fees, and storage and other proper expenses, shall be taxed against the claimant of such article or his agent: Provided, that when the adulteration or misbranding can be corrected by proper labeling or processing of the article, the court, after entry of the decree and after such costs, fees, and expenses have been paid and a good and sufficient bond, conditioned that such article shall be so labeled or processed, has been executed, may by order direct that such article be delivered to the claimant thereof for such labeling or processing under the supervision of an agent of the Department of Agriculture. The expense of such supervision shall be paid by the claimant. Such bond shall be returned to the claimant of the article on representation to the court by the Department of Agriculture that the article is no longer in violation of this Article, and that the expenses of such supervision have been paid.

(d) Whenever any duly authorized agent of the Department of Agriculture shall find in any room, building, vehicle of transportation or other structure, any meat, seafood, poultry, vegetable, fruit or other perishable articles which are unsound, or contain any filthy, decomposed or putrid substance, or that may be poisonous or deleterious to health or otherwise unsafe, the same being hereby declared to be a nuisance, the agent shall forthwith condemn or destroy the same, or in any other manner render the same unsalable as human food. (1939,

c. 320, s. 6; 1973, c. 108, s. 53; 1975, c. 614, ss. 7-9.)

Editor's Note. — The 1975 amendment substituted "device, cosmetic or consumer commodity" for "device or cosmetic" near the beginning of the first sentence in subsection (a), inserted "or is in violation of G.S. 106-131 or

106-135 of this Article" in that sentence and inserted "or to be in violation of G.S. 106-131 or 106-135 of this Article" in the first sentence of subsection (b).

§ 106-126. Prosecutions of violations. — It shall be the duty of the solicitors and district attorneys of this State to promptly prosecute all violations of this Article. (1939, c. 320, s. 7; 1973, c. 47, s. 2; c. 108, s. 54; 1975, c. 614, s. 10.)

Editor's Note. — The 1975 amendment rewrote this section.

- § 106-127. Report of minor violations in discretion of Commissioner. Nothing in this Article shall be construed as requiring the Commissioner of Agriculture to report for the institution of proceedings under this Article, minor violations of this Article, whenever the Commissioner believes that the public interest will be adequately served in the circumstances by a suitable written notice or warning. (1939, c. 320, s. 8.)
- § 106-128. Establishment of reasonable standards of quality by Board of Agriculture. Whenever in the judgment of the Board of Agriculture such action will promote honesty and fair dealing in the interest of consumers, the Board shall promulgate regulations fixing and establishing for any food or class of food a reasonable definition and standard of identity, and/or reasonable standard of quality and/or fill of container. In prescribing a definition and standard of identity for any food or class of food in which optional ingredients are permitted, the Board shall, for the purpose of promoting honesty and fair dealing in the interest of consumers, designate the optional ingredients which shall be named on the label. The definitions and standards so promulgated shall conform so far as practicable to the definitions and standards promulgated by the Commissioner of the Federal Food and Drug Administration under authority conferred by section 401 of the federal act.

Temporary permits now or hereafter granted for interstate shipment of experimental packs of food varying from the requirements of federal definitions and standards of identity are automatically effective in this State under the conditions provided in such permits. In addition, the Board of Agriculture may cause to be issued additional permits where they are necessary to the completion or conclusiveness of an otherwise adequate investigation and where the interests of consumers are safeguarded. Such permits are subject to the terms and conditions the Board of Agriculture may prescribe by regulation. (1939, c.

320, s. 9; 1975, c. 614, ss. 11, 12.)

Editor's Note. — The 1975 amendment substituted "Commissioner of the Federal Food and Drug Administration" for "Secretary of the United States Department of Agriculture" in the

last sentence of the first paragraph and added the second paragraph.

c. Bears or contains any nonnutritive substance: Provided, that this clause shall not apply to a safe nonnutritive substance which is in or on confectionery by reason of its use for some practical functional purpose in the manufacture, packaging, or storing of such confectionery if the use of the substance does not promote deception of the consumer or otherwise result in adulteration or misbranding in violation of any provision of this Article; and provided further, that the Board may, for the purpose of avoiding or resolving uncertainty as to the application of this clause, issue regulations allowing or prohibiting the use of particular nonnutritive substances.

(4) If it is or bears or contains any color additive which is unsafe within the meaning of G.S. 106-132. (1939, c. 320, s. 10; 1975, c. 614, ss. 13-16.)

Editor's Note. — The 1975 amendment rewrote paragraph b of subdivision (1), added paragraph g of that subdivision, rewrote subdivision (3) and substituted present subdivision (4) for a provision which read "If it Rev. 529 (1971).

§ 106-130. Foods deemed misbranded. — A food shall be deemed to be misbranded:

(1) a. If its labeling is false or misleading in any particular, or

b. If its labeling or packaging fails to conform with the requirements of G.S. 106-139 and 106-139.1 of this Article.

(2) If it is offered for sale under the name of another food.

(3) If it is an imitation of another food, unless its label bears, in type of uniform size and prominence, the word "imitation" and, immediately thereafter, the name of the food imitated.

(4) If its container is so made, formed or filled as to be misleading.

(5) If in package form, unless it bears a label containing

a. The name and place of business of the manufacturer, packer, or

distributor; and

b. An accurate statement of the quantity of the contents in terms of weight, measure, or numerical count, which statement shall be separately and accurately stated in a uniform location upon the principal display panel of the label:

Provided, that under paragraph b of this subdivision reasonable variations shall be permitted, and exemptions as to small packages shall

be established, by regulations prescribed by the Board of Agriculture.

(6) If any word, statement, or other information required by or under authority of this Article to appear on the label or labeling is not prominently placed thereon with such conspicuousness (as compared with other words, statements, designs, or devices, in the labeling) and in such terms as to render it likely to be read and understood by the ordinary individual under customary conditions of purchase and use.

(7) If it purports to be or is represented as a food for which a definition and standard of identity has been prescribed by regulations as provided by

G.S. 106-128, unless

a. It conforms to such definition and standard, and

b. Its label bears the name of the food specified in the definition and standard, and, insofar as may be required by such regulations, the common names of optional ingredients (other than spices, flavoring, and coloring) present in such food.

(8) If it purports to be or is represented as

a. A food for which a standard of quality has been prescribed by regulations as provided by G.S. 106-128 and its quality falls below such standard unless its label bears, in such manner and form as such regulations specify, a statement that it falls below such standard; or

b. A food for which a standard or standards of fill of container have been prescribed by regulation as provided by G.S. 106-128, and it falls below the standard of fill of container applicable thereto, unless its label bears, in such manner and form as such regulations

specify, a statement that it falls below such standard.

(9) If it is not subject to the provisions of subdivision (7) of this section, unless its label bears

a. The common or usual name of the food, if any there be, and

b. In case it is fabricated from two or more ingredients, the common or usual name of each such ingredient; except that spices, flavorings, and colorings, other than those sold as such, may be designated as spices, flavorings, and colorings without naming each:

Provided, that, to the extent that compliance with the requirements of paragraph b of this subdivision is impracticable or results in deception or unfair competition, exemptions shall be established by

regulations promulgated by the Board of Agriculture.

(10) If it purports to be or is represented for special dietary uses, unless its label bears such information concerning its vitamin, mineral, and other dietary properties as the Board of Agriculture determines to be, and by regulations prescribes as, necessary in order to fully inform

purchasers as to its value for such uses.

(11) If it bears or contains any artificial flavoring, artificial coloring, or chemical preservatives, unless it bears labeling stating that fact: Provided, that to the extent that compliance with the requirements of this subdivision are impracticable, exemptions shall be established by regulations promulgated by the Board of Agriculture. The provisions of this subdivision and subdivisions (7) and (9) with respect to artificial coloring do not apply to butter, cheese, or ice cream. The provisions of this subdivision with respect to chemical preservatives do not apply to a pesticide chemical when used in or on a raw agricultural commodity which is the product of the soil.

(12) If it is a raw agricultural commodity which is the produce of the soil, bearing or containing a pesticide chemical applied after harvest, unless the shipping container of such commodity bears labeling which declares the presence of such chemical in or on such commodity and the common or usual name and the function of such chemical: Provided, however, that no such declaration shall be required while such commodity, having been removed from the shipping container, is being held or displayed for sale at retail out of such container in accordance with the custom

of the trade.

(13) If it is a product intended as an ingredient of another food and when used according to the directions of the purveyor will result in the final

food product being adulterated or misbranded.

(14) If it is a color additive unless its packaging and labeling are in conformity with such packaging and labeling requirements applicable to such color additive prescribed under the provisions of G.S. 106-132 of this Article. (1939, c. 320, s. 11; 1975, c. 614, ss. 17-20.)

Editor's Note. — The 1975 amendment added paragraph b of subdivision (1), added "which statement shall be separately and accurately stated in a uniform location upon the principal

display panel of the label" at the end of paragraph b of subdivision (5), rewrote subdivision (11) and added subdivisions (12) through (14).

§ 106-131. Permits governing manufacture of foods subject to contamination with microorganisms. — (a) Whenever the Commissioner of Agriculture finds after investigation by himself or his duly authorized agents, that the distribution in North Carolina of any class of food may, by reason of contamination with microorganisms during manufacture, processing, or packing thereof in any locality in this State, be injurious to health, and that such injurious nature cannot be adequately determined after such articles have entered commerce, the Commissioner, then, and in such case only, shall promulgate

regulations providing for the issuance, to manufacturers, processors, or packers of such class of food in such locality, of permits to which shall be attached such conditions governing the manufacture, processing, or packing of such class of food, for such temporary period of time, as may be necessary to protect the public health; and after the effective date of such regulations, and during such temporary period, no person shall introduce or deliver for introduction into commerce any such food manufactured, processed, or packed by any such manufacturer, processor, or packer unless such manufacturer, processor, or packer holds a permit issued by the Commissioner as provided by such regulations.

(b) The Commissioner of Agriculture is authorized to suspend immediately upon notice any permit issued under authority of this section if it is found that any of the conditions of the permit have been violated. The holder of a permit so suspended shall be privileged at any time to apply for the reinstatement of such permit, and the Commissioner shall immediately after prompt hearing and an inspection of the establishment, reinstate such permit if it is found that adequate measures have been taken to comply with and maintain the conditions

of the permit, as originally issued, or as amended.

(c) Any officer or employee duly designated by the Commissioner of Agriculture shall have access to any factory or establishment, the operator of which holds a permit from the Commissioner of Agriculture for the purpose of ascertaining whether or not the conditions of the permit are being complied with, and denial of access for such inspection shall be ground for suspension of the permit until such access is freely given by the operator. (1939, c. 320, s. 12.)

§ 106-132. Additives, etc., deemed unsafe. — Any added poisonous or added deleterious substance, any food additive, any pesticide chemical in or on a raw agricultural commodity or any color additive, shall with respect to any particular use or intended use be deemed unsafe for the purpose of application of G.S. 106-129(1), paragraphs b and g and 106-129(4) with respect to any food, 106-133(1) with respect to any drug or device, or 106-136(1) and (5) with respect to any cosmetic, unless there is in effect a regulation pursuant to G.S. 106-139 of this Article limiting the quantity of substance, and the use or intended use of such substance conforms to the terms prescribed by such regulation. While such regulations relating to such substance are in effect, a food, drug, or cosmetic shall not, by reason of bearing or containing such substance in accordance with the regulations be considered adulterated within the meaning of G.S. 106-129(1)a, 106-133(1) and 106-136(1). (1939, c. 320, s. 13; 1975, c. 614, s. 21.)

Editor's Note. — The 1975 amendment rewrote this section.

§ 106-133. Drugs deemed to be adulterated. — A drug or device shall be deemed to be adulterated:

(1) a. If it consists in whole or in part of any filthy, putrid or decomposed

substance; or

b. If it has been produced, prepared, packed, or held under insanitary conditions whereby it may have been contaminated with filth, or whereby it may have been rendered injurious to health; or

c. If it is a drug and its container is composed, in whole or in part, of any poisonous or deleterious substance which may render the

contents injurious to health; or

d. If

1. It is a drug and it bears or contains, for purposes of coloring only, a color additive which is unsafe within the meaning of G.S. 106-132, or

2. If it is a color additive, the intended use of which in or on drugs is for purposes of coloring only, and is unsafe within the

meaning of G.S. 106-132;

e. If it is a drug and the methods used in, or the facilities or controls used for, its manufacture, processing, packing, or holding do not conform to or are not operated or administered in conformity with current good manufacturing practice to assure that such drug meets the requirements of this Article as to safety and has the identity and strength, and meets the quality and purity characteristics, which it purports or is represented to possess.

(2) If it purports to be or is represented as a drug the name of which is recognized in an official compendium, and its strength differs from, or its quality or purity falls below, the standard set forth in such compendium. Such determination as to strength, quality, or purity shall be made in accordance with the tests or methods of assay set forth in such compendium, or in the absence of or inadequacy of such tests or methods of assay, those so prescribed under authority of the federal act. No drug defined in an official compendium shall be deemed to be adulterated under this subdivision because it differs from the standard of strength, quality, or purity therefor set forth in such compendium, if its difference in strength, quality, or purity from such standard is plainly stated on its label. Whenever a drug is recognized in both the United States Pharmacopoeia and the Homeopathic Pharmacopoeia of the United States it shall be subject to the requirements of the United States Pharmacopoeia unless it is labeled and offered for sale as a homeopathic drug, in which case it shall be subject to the provisions of the Homeopathic Pharmacopoeia of the United States and not to those of the United States Pharmacopoeia.

(3) If it is not subject to the provisions of subdivision (2) of this section and its strength differs from, or its purity or quality falls below, that which it purports or is represented to possess.

(4) If it is a drug and any substance has been

a. Mixed or packed therewith so as to reduce its quality or strength;

b. Substituted wholly or in part therefor. (1939, c. 320, s. 14; 1975, c. 614, ss. 22-24.)

Editor's Note. — The 1975 amendment rewrote paragraph d of subdivision (1), added paragraph e of that subdivision and substituted

"under authority of the federal act" for "by the United States Department of Agriculture" at the end of the second sentence of subdivision (2).

§ 106-134. Drugs deemed misbranded. — A drug or device shall be deemed to be misbranded:

(1) If its labeling is false or misleading in any particular, or if its labeling or packaging fails to conform with the requirements of G.S. 106-139 or 106-139.1 of this Article.

(2) If in package form unless it bears a label containing

a. The name and place of business of the manufacturer, packer, or

distributor; and

b. An accurate statement of the quantity of the contents in terms of weight, measure, or numerical count, which statement shall be separately and accurately stated in a uniform location upon the principal display panel of the label, except as exempted with respect to this clause by G.S. 106-121(2a)c of this Article; provided, that under paragraph b of this subdivision reasonable variations

shall be permitted, and exemptions as to small packages shall be established, by regulations prescribed by the Board of Agriculture.

- (3) If any word, statement, or other information required by or under authority of this Article to appear on the label or labeling is not prominently placed thereon with such conspicuousness (as compared with other words, statements, designs or devices, in the labeling) and in such terms as to render it likely to be read and understood by the ordinary individual under customary conditions of purchase and use.
- (4) If it is for use by man and contains any quantity of the narcotic or hypnotic substance alphaeucaine, barbituric acid, betaeucaine, bromal, cannabis, carbromal, chloral, coca, cocaine, codeine, heroin, marijuana, morphine, opium, paraldehyde, peyote, or sulphonmethane; or any chemical derivative of such substances, which derivative has been by the Board after investigation, found to be, and by regulations under this Article, designated as, habit forming; unless its label bears the name and quantity or proportion of such substance or derivative and in juxtaposition therewith the statement "Warning May be habit forming."
- (5) a. If it is a drug, unless:
 - 1. Its label bears, to the exclusion of any other nonproprietary name (except the applicable systematic chemical name or the chemical formula),
 - I. The established name (as defined in paragraph b of this subdivision) of the drug, if such there be, and
 - II. In case it is fabricated from two or more ingredients the established name and quantity of each active ingredient, including the kind and quantity or proportion of any alcohol and also including, whether active or not, the established name and quantity or proportion of any bromides, ether, chloroform, acetanilid, acetphenetidin, amidopyrine, antipyrine, atropine, hyoscine, hyoscyamine, arsenic, digitalis, digitalis glucosides, mercury, ouabain, strophanthin, strychnine, thyroid, or any derivative or preparation of any such substances, contained therein: Provided, that the requirement for stating the quantity of the active ingredients, other than the quantity of those specifically named in this subdivision, shall apply only to prescription drugs; and
 - 2. For any prescription drug the established name of such drug or ingredient, as the case may be, on such label (and on any labeling on which a name for such drug or ingredient is used) is printed prominently and in type at least half as large as that used thereon for any proprietary name or designation for such drug or ingredient; and provided, that to the extent that compliance with the requirements of 1 II or 2 of this subdivision is impracticable, exemptions shall be allowed under requirements.
 - under regulations promulgated by the Board.
 b. As used in this subdivision (5), the term "established name," with respect to a drug or ingredient thereof, means:
 - 1. The applicable official name designated pursuant to section 508 of the federal act, or
 - 2. If there is no such name and such drug, or such ingredient, is an article recognized in an official compendium, then the official title thereof, in such compendium, or
 - 3. If neither 1 nor 2 of this paragraph applies, then the common or usual name, if any, of such drug or of such ingredient:

Provided further, that where 2 of this sub-subdivision applies to an article recognized in the United States Pharmacopoeia and in the Homeopathic Pharmacopoeia under different official titles, the official title used in the United States Pharmacopoeia shall apply unless it is labeled and offered for sale as a homeopathic drug, in which case the official title used in the Homeopathic Pharmacopoeia shall apply.

(6) Unless its labeling bears

a. Adequate directions for use; and

b. Such adequate warnings against use in those pathological conditions or by children where its use may be dangerous to health, or against unsafe dosage or methods or duration of administration or application, in such manner and form, as are necessary for the protection of users: Provided, that where any requirement of paragraph a of this subdivision, as applied to any drug or device, is not necessary for the protection of the public health, the Board of Agriculture shall promulgate regulations exempting such drug

or device from such requirements.

(7) If it purports to be a drug the name of which is recognized in an official compendium, unless it is packaged and labeled as prescribed therein: Provided, that the method of packing may be modified with the consent of the Board of Agriculture. Whenever a drug is recognized in both the United States Pharmacopoeia and the Homeopathic Pharmacopoeia of the United States, it shall be subject to the requirements of the United States Pharmacopoeia with respect to packaging and labeling unless it is labeled and offered for sale as a homeopathic drug, in which case it shall be subject to the provisions of the Homeopathic Pharmacopoeia of the United States and not to those of the United States Pharmacopoeia.

(8) If it has been found by the Department of Agriculture to be a drug liable to deterioration, unless it is packaged in such form and manner, and its label bears a statement of such precautions, as the Board of Agriculture shall by regulations require as necessary for the protection of public health. No such regulation shall be established for any drug recognized in an official compendium until the Commissioner of Agriculture shall have informed the appropriate body charged with the revision of such compendium of the need for such packaging or labeling requirements and such body shall have failed within a reasonable time

to prescribe such requirements.

(9) a. If it is a drug and its container is so made, formed, or filled as to be misleading; or

b. If it is an imitation of another drug; or

c. If it is offered for sale under the name of another drug.

(10) If it is dangerous to health when used in the dosage, or with the frequency or duration prescribed, recommended, or suggested in the labeling thereof.

(11), (12) Repealed by Session Laws 1975, c. 614, s. 28.

(13) If it is, or purports to be, or is represented as a drug composed wholly or partly of insulin, unless:

a. It is from a batch with respect to which a certificate or release has been issued pursuant to section 506 of the federal act, and
b. Such certificate or release is in effect with respect to such drug.

(14) If it is, or purports to be, or is represented as a drug composed wholly or partly of any kind of penicillin, streptomycin, chlortetracycline, chloramphenicol, bacitracin, or any other antibiotic drug, or any derivative thereof, unless

- a. It is from a batch with respect to which a certificate or release has been issued pursuant to section 507 of the federal act, and
- b. Such certificate or release is in effect with respect to such drug: Provided, that this subsection shall not apply to any drug or class of drugs exempted by regulations promulgated under section 507(c) or (d) of the federal act. For the purpose of this subsection the term "antibiotic drug" means any drug intended for use by man containing any quantity of any chemical substance which is produced by microorganisms and which has the capacity to inhibit or destroy microorganisms in dilute solution (including the chemically synthesized equivalent of any such substance).
- (15) If it is a color additive, the intended use of which in or on drugs is for the purpose of coloring only, unless its packaging and labeling are in conformity with such packaging and labeling requirements applicable to such color additive, prescribed under the provisions of G.S. 106-132 of this Article.
- (16) In the case of any prescription drug distributed or offered for sale in this State, unless the manufacturer, packer, or distributor thereof includes in all advertisements and other descriptive printed matter issued or caused to be issued by the manufacturer, packer, or distributor with respect to that drug a true statement of a. The established name, as defined in G.S. 106-134(5)b of this Article,
 - a. The established name, as defined in G.S. 106-134(5)b of this Article, printed prominently and in type at least half as large as that used for any trade or brand name thereof,
 - b. The formula showing quantitatively each ingredient of such drug to the extent required for labels under section 502(e) of the federal act. and
 - c. Such other information in brief summary relating to side effects, contraindications, and effectiveness as shall be required in regulations issued under the federal act.
- (17) If a trademark, trade name or other identifying mark, imprint or device of another or any likeness of the foregoing has been placed thereon or upon its container with intent to defraud.
- (18) If it is a drug and its packaging or labeling is in violation of an applicable regulation issued pursuant to section 3 or 4 of the Federal Poison Prevention Packaging Act of 1970. (1939, c. 320, s. 15; 1949, c. 370; 1973, c. 831, s. 1; 1975, c. 614, ss. 25-28, 30.)

Editor's Note. — The 1975 amendment added "or if its labeling or packaging fails to conform with the requirements of G.S. 106-139 or 106-139.1 of this Article" at the end of subdivision (1), inserted the language beginning

"which statement shall" and ending "of this Article" in paragraph b of subdivision (2), rewrote subdivision (5), repealed subdivisions (11) and (12) and added subdivisions (13) through (18).

§ 106-134.1. Prescriptions required; label requirements; removal of certain drugs from requirements of this section. — (a) A drug intended for use by man which:

- (1) Is a habit-forming drug to which G.S. 106-134(4) applies; or
- (2) Because of its toxicity or other potentiality for harmful effect, or the method of its use, or the collateral measures necessary to its use, is not safe for use except under the supervision of a practitioner licensed by law to administer such drug in the course of his normal practice; or
- by law to administer such drug in the course of his normal practice; or (3) Is limited by an approved application under section 505 of the federal act to use under the professional supervision of a practitioner licensed by law to administer such drug; or
- (4) Is a drug the label of which bears the statement "Caution: Federal law

prohibits dispensing without a prescription," shall be dispensed only

a. Upon a written prescription of a practitioner licensed by law to administer such drug, provided that the written prescription must bear the printed or stamped name, address, telephone number and DEA number of the prescriber in addition to his legal signature, or

b. Upon an oral prescription of such practitioner which is reduced

promptly to writing and filed by the pharmacist, or

c. By refilling any such written or oral prescription if such refilling is authorized by the prescriber either in the original prescription or by oral order which is reduced promptly to writing and filed by the pharmacist. If any prescription for such drug does not indicate the times it may be refilled, if any, such prescription may not be refilled unless the pharmacist is subsequently authorized to do so by the practitioner.

The act of dispensing a drug contrary to the provisions of this subdivision shall be deemed to be an act which results in a drug being

misbranded while held for sale.

(b) Any drug dispensed by filling or refilling a written or oral prescription of a practitioner licensed by law to administer such drug shall be exempt from the requirements of G.S. 106-134, except subsections (1), (9)b and c, (13) and (14), and the packaging requirements of subsections (7) and (8), if the drug bears an affixed label containing the name of the patient, the name and address of the pharmacy, the phrase "Filled by " or "Dispensed by ," with the name of the practitioner who dispenses the prescription appearing in the blank, the serial number and date of the prescription or of its filling, the name of the prescriber, the directions for use, and unless otherwise directed by the prescriber of such drug, the name and strength of such drug. This exemption shall not apply to any drugs dispensed in the course of the conduct of a business of dispensing drugs pursuant to diagnosis by mail, or to a drug dispensed in violation of subsection (a) of this section.

(c) The Board may, by regulation, remove drugs subject to G.S. 106-134(4) and G.S. 106-135 from the requirements of subsection (a) of this section when such requirements are not necessary for the protection of the public health. Drugs removed from the prescription requirements of the federal act by regulations issued thereunder shall also, by regulations issued by the Board, be removed

from the requirement of subsection (a).

(d) A drug which is subject to subsection (a) of this section shall be deemed to be misbranded if at any time prior to dispensing its label fails to bear the statement "Caution: Federal law prohibits dispensing without prescription." A drug to which subsection (a) of this section does not apply shall be deemed to be misbranded if at any time prior to dispensing its label bears the caution statement quoted in the preceding sentence.

(e) Nothing in this section shall be construed to relieve any person from any requirement prescribed by or under authority of law with respect to drugs now included or which may hereafter be included within the classification of "controlled substances" as this term is defined in applicable federal and State

controlled substance acts. (1975, c. 614, s. 29; 1977, c. 421.)

Editor's Note. — The 1977 amendment added the proviso at the end of subdivision (4)a.

§ 106-135. Regulations for sale of new drugs. — (a) No person shall sell, deliver, offer for sale, hold for sale or give away any new drug unless:

(1) An application with respect thereto has been approved and said approval has not been withdrawn under section 505 of the federal act, or

- (2) When not subject to the federal act, by virtue of not being a drug in interstate commerce, unless such drug has been tested and has been found to be safe for use and effective in use under the conditions prescribed, recommended, or suggested in the labeling thereof, and prior to selling or offering for sale such drug, there has been filed with the Commissioner an application setting forth
 - a. Full reports of investigations which have been made to show whether or not such drug is safe for use and whether such drug is effective in use:
 - b. A full list of the articles used as components of such drug;
 - c. A full statement of the composition of such drug;
 - d. A full description of the methods used in, and the facilities and controls used for, the manufacture, processing, and packing of such drug;
 - e. Such samples of such drug and of the articles used as components thereof as the Commissioner may require; and
- f. Specimens of the labeling proposed to be used for such drug.
 (b) An application provided for in subdivision (a)(2) of this section shall become
- effective on the one hundred eightieth day after the filing thereof, except that if the Commissioner finds, after due notice to the applicant and giving him an opportunity for hearing,
 - (1) That the drug is not safe or not effective for use under the conditions prescribed, recommended or suggested in the proposed labeling thereof; or
 - (2) The methods used in, and the facilities and controls used for, the manufacture, processing and packing of such drug is inadequate to preserve its identity, strength, quality, and purity; or
 - (3) Based on a fair evaluation of all material facts, such labeling is false or misleading in any particular; he shall, prior to the effective date of the application, issue an order refusing to permit the application to become effective.
- (c) An order refusing to permit an application under this section to become effective may be revoked by the Commissioner.
- (d) The Commissioner shall promulgate regulations for exempting from the operation of the foregoing subsections and subdivisions of this section drugs intended solely for investigational use by experts qualified by scientific training and experience to investigate the safety and effectiveness of drugs. Such regulations may, within the discretion of the Commissioner among other conditions relating to the protection of the public health, provide for conditioning such exemption upon
 - (1) The submission to the Commissioner, before any clinical testing of a new drug is undertaken, of reports, by the manufacturer or the sponsor of the investigation of such drug, of preclinical tests (including tests on animals) of such drug adequate to justify the proposed clinical testing;
 - (2) The manufacturer or the sponsor of the investigation of a new drug proposed to be distributed to investigators for clinical testing obtaining a signed agreement from each of such investigators that patients to whom the drug is administered will be under his personal supervision, or under the supervision of investigators responsible to him, and that he will not supply such drug to any other investigator, or to clinics, for administration to human beings; and
 - (3) The establishment and maintenance of such records, and the making of such reports to the Commissioner, by the manufacturer or the sponsor of the investigation of such drug, of data (including but not limited to analytical reports by investigators) obtained as the result of such investigational use of such drug, as the Commissioner finds will enable

him to evaluate the safety and effectiveness of such drug in the event of the filing of an application pursuant to subsection (b).

Such regulations shall provide that such exemption shall be conditioned upon the manufacturer, or the sponsor of the investigation, requiring that experts using such drugs for investigational purposes certify to such manufacturer or sponsor that they will inform any human beings to whom such drugs, or any controls used in connection therewith, are being administered, or their representatives, that such drugs are being used for investigational purposes and will obtain the consent of such human beings or their representatives, except where they deem it not feasible, or, in their professional judgment, contrary to the best interests of such human beings. Nothing in this subsection shall be construed to require any clinical investigator to submit directly to the Commissioner reports on the investigational use of drugs; provided, that regulations adopted under section 505(i) of the federal act may be adopted by the Commissioner as the regulations in this State.

(e) (1) In the case of any drug for which an approval of an application filed pursuant to this section is in effect, the applicant shall establish and maintain such records, and make such reports to the Commissioner, of data relating to clinical experience and other data or information, received or otherwise obtained by such applicant with respect to such drug, as the Commissioner may by general regulation, or by order with respect to such application, prescribe: Provided, however, that regulations and orders issued under this subsection and under subsection (d) shall have due regard for the professional ethics of the medical profession and the interests of patients and shall provide, where the Commissioner deems it to be appropriate, for the examination, upon request, by the persons to whom such regulations or orders are applicable, of similar information received or otherwise obtained by the Commissioner.

(2) Every person required under this section to maintain records, and every person in charge or custody thereof, shall, upon request of an officer or employee designated by the Commissioner, permit such officer or employee at all reasonable times to have access to and copy and certify such records.

(f) The Commissioner may, after affording an opportunity for public hearing, revoke an application approved pursuant to this section if he finds that the drug, based on evidence acquired after such approval, may not be safe or effective for its intended use, or that the facilities or controls used in the manufacture, processing, or labeling of such drug may present a hazard to the public health. (g) This section shall not apply:

(1) To a drug sold in this State or introduced into interstate commerce at any time prior to the enactment of the federal act, if its labeling contained the same representations concerning the conditions of its use;

(2) To any drug which is licensed under the Public Health Service Act of July 1, 1944 (58 Stat. 682, as amended; 42 U.S.C. 201 et seq.) or under the Animal Virus-Serum-Toxin Act of March 4, 1913 (13 Stat. 832; 21 U.S.C. 151 et seq.); or

(3) To any drug which is subject to G.S. 106-134 (14) of this Article. (1939, c. 320, s. 16; 1975, c. 614, s. 31.)

ARTICLE 28A.

Regulation of Milk Brought into North Carolina from Other States.

Repeal of Article. — This Article is repealed, effective July 1, 1983, by Session Laws 1977, c. 712, s. 4. The 1977 act also repeals, with postponed effective dates, numerous other Chapters and Articles creating licensing and regulatory agencies, and sets up a Government Evaluation Commission whose function is to conduct a performance evaluation of the

programs and functions of each such agency and report to General Assembly whether the program or function in question should be terminated, reconstituted, reestablished or continued. The Commission will go out of existence June 30, 1983. The 1977 act is codified as § 143-34.10 et seq.

§ 106-266.1. Requirements to be complied with by out-of-state shippers of milk or cream. — No person, firm, association or corporation shall ship, transport, carry, send or bring into this State any milk or cream for fluid

distribution without first having applied for and obtained from the Commissioner of Agriculture of this State a permit authorizing such transaction, shipment or transportation. In order to defray the expenses of the enforcement of this Article, the Commissioner of Agriculture shall collect a fee of twenty-five dollars (\$25.00) for the issuance of such permit. The Board of Agriculture is authorized and empowered to establish, determine, fix and promulgate rules and regulations containing all necessary definitions, conditions, standards and classifications of the type, kind, quality, conditions of production, sanitary conditions and other reasonable requirements that must be complied with before milk or cream is shipped, transported, carried or brought into this State, including compliance with the Milk Audit Law of this State. Before any person, firm, association or corporation ships, transports, brings, sends or carries any milk or cream into this State, advance notice of such shipment or transportation shall be given to the Commissioner of Agriculture of this State and contain such information as the Board of Agriculture shall prescribe by rules and regulations. The Commissioner of Agriculture is authorized to suspend, immediately upon notice to a permit holder, any permit issued under authority of this section if it is found by him that any of the conditions of the permit or any of the rules, regulations and laws have been violated. The holder of a permit so suspended shall be privileged at any time to apply for the reinstatement of such permit, and the Commissioner of Agriculture shall, immediately after prompt hearing and such other examinations or inspections as he deems proper, reinstate such permit if it is found that adequate measures have been taken to comply with and maintain the conditions of the permit, as originally issued or as amended. Any permit issued by the Commissioner of Agriculture under the authority of this section may be revoked after an opportunity for a hearing by the Commissioner of Agriculture, upon the violation by the holder of the permit of any of the terms, conditions, rules and regulations issued and promulgated by authority of this section. All milk or cream shipped, transported, carried, sent or brought into this State shall be sold to, consigned to, delivered to, be transported, sent or carried only to a person, firm, association or corporation or to a milk distributor in this State holding or possessing an unrevoked permit from the Commissioner of Agriculture authorizing the receiving or importation of such milk or cream. All unrevoked permits issued under the authority of this section shall become null and void after the expiration of December 31 of each year.

In order that a sufficient supply of milk or cream shall always be available for the inhabitants of the State the Commissioner of Agriculture may issue to approved permit holders, or to nonpermit holders, temporary emergency permits for limited periods or limited quantities of milk or cream and may restrict such permits to a limited area in accordance with such regulations as the Commissioner of Agriculture may prescribe for each temporary permit. (1949,

c. 822.)

§ 106-266.2. Requirements and standards for distributors in this State distributing imported milk or cream. — No person, firm, association or corporation shall import, transport into, receive, bring into or cause to be imported or to be sent into this State from another state for the purpose of sale, for the purpose of offering for sale, for the purpose of distribution any milk or cream unless such person, firm, association or corporation has obtained a permit from the Commissioner of Agriculture for such purpose. All permits issued under the authority of this section shall be issued after the payment of a fee of twenty-five dollars (\$25.00) to the Commissioner of Agriculture. The permits issued hereunder shall be conditioned upon compliance by the applicant or holder with the rules and regulations and laws of North Carolina governing milk or cream and such other definitions and standards as may be established and promulgated by the Board of Agriculture. The Commissioner of Agriculture is

authorized to suspend, immediately upon due notice, any permit issued under authority of this section if it is found by the Commissioner that any of the conditions of the permit have been violated. The holder of a permit so suspended shall be privileged at any time to apply for the reinstatement of such permit, and the Commissioner of Agriculture shall, immediately after prompt hearing, reinstate such permit if it is found that adequate measures have been taken to comply with and maintain the conditions of the permit as originally issued, or as amended. The permits issued hereunder may be revoked after due notice and an opportunity for hearing by the Commissioner of Agriculture upon a finding at such hearing of any violation of any of the conditions, terms or requirements established and promulgated by the Board of Agriculture or of any of the laws of the State governing milk or cream, including, but not by way of limitation, the Milk Audit Law and other dairy laws of the State. It shall be the duty of the Commissioner of Agriculture to issue and enforce a written or printed "stop-sale, use or removal" order to the owner or custodian of any quantity of milk or cream imported, transported, or brought into this State and to hold the same at a designated place when the Commissioner of Agriculture finds that said milk or cream does not meet the requirements of the provisions of this Article or the rules and regulations promulgated thereunder, until the law has been complied with and said milk or cream is released in writing by the Commissioner of Agriculture or said violation has been otherwise legally disposed of by written authority or by written order by the Commissioner of Agriculture directing the owner or custodian to remove the milk or cream from the State. The Commissioner of Agriculture shall release the milk or cream so withdrawn from the sale when the requirements of the provisions of this Article and the rules and regulations promulgated thereunder have been complied with and upon payment by the out-of-state shipper of all costs and expenses incurred in connection with the withdrawal. All unrevoked permits issued under the authority of this section shall become null and void after the expiration of December 31 of each year. All authority vested in the Commissioner of Agriculture by virtue of the provisions of this Article may, with like force and effect, be executed by such employees and agents of the Commissioner of Agriculture as may, from time to time, be designated by him for such purpose. The Commissioner of Agriculture or his duly authorized agent shall have free access at all reasonable hours to any dairy, milk-processing plant, distributing plant or any establishment, depot, tank, truck or vehicle which contains milk for the purpose of inspecting any milk or cream, containers, or any other establishment or device pertaining to the transportation, the distribution, bottling or storage of milk or cream for the purpose of determining whether any of the provisions of this Article or of the rules and regulations promulgated thereunder have been violated, and the Commissioner of Agriculture may secure samples of specimens of any such milk or cream after paying or offering to pay for such sample.

In order that a sufficient supply of milk or cream shall always be available for the inhabitants of the State the Commissioner of Agriculture may issue to permit holders, or nonpermit holders upon payment of a permit fee of twenty-five dollars (\$25.00), temporary emergency permits for limited periods or limited quantities of milk or cream and may restrict such permits to a limited area or to a particular city or to a particular market or markets in accordance with such regulations as the Commissioner of Agriculture may prescribe for

each temporary permit. (1949, c. 822.)

§ 106-266.3. Power to make rules and regulations. — The Board of Agriculture is authorized to make such regulations not in conflict with this Article as shall be necessary to make the provisions of this Article effective and insure the proper enforcement of same, and a violation of such regulations shall be deemed a violation of this Article. (1949, c. 822.)

- § 106-266.4. Penalty for violation. Any person, firm, association or corporation found guilty by a competent court of violating any of the provisions of this Article shall be guilty of a misdemeanor and upon plea of guilty or conviction shall be fined not to exceed fifty dollars (\$50.00) for the first offense and for each subsequent offense shall be fined or imprisoned in the discretion of the court. (1949, c. 822.)
- § 106-266.5. Exemption clause. The provisions of this Article shall not be construed as extending to or applying to evaporated milk, powdered whole milk, powdered skimmed milk, or cream used for manufacturing purposes. Out-of-state dairy farms producing milk for North Carolina plants under a permit from, and in accordance with the local health regulations of the county or city to which milk is being delivered, may be exempted from the provisions of this Article at the discretion of the Commissioner of Agriculture. (1949, c. 822.)

Such filing and mailing shall constitute due and sufficient notice to all persons affected by such rule, regulation or order. An order which applies only to a person or persons named therein shall be served on the person or persons affected. An order, herein required to be served, shall be served by personal delivery of a certified copy, or by mailing a certified copy in a sealed envelope, with postage prepaid, to each person affected thereby, or in the case of a corporation, to any officer or agent of the corporation upon whom legal process may be served.

(8) The operation and effect of any provision of this Article conferring a general power upon the Commission shall not be impaired or qualified by the granting to the Commission by this Article of a specific power or powers.

(9) The Commission shall not exercise its power in any market until a public hearing has been held for such market, and the Commission determines that it will be to the public interest that it shall so exercise its power in such market. The Commission may, on its own motion, call such a hearing, and shall call such a hearing upon the written application of a producers' association organized under the laws of the State,

supplying in the judgment of the Commission, a substantial proportion of the milk consumed in such market, but if no such producers' organization exists on said market, the Commission shall call such hearing upon the written application of producers supplying a substantial proportion of the milk consumed in said market; and shall call such hearing upon the written application of distributors, distributing a substantial proportion of the milk consumed in such market. Such hearing may be held at the time and place and after such notice as the Commission may determine.

The Commission may withdraw the exercise of its powers from any market after a public hearing has been held for such market, and the Commission determines that it will be to the public interest to withdraw

the exercise of its powers from such market.

(10) a. The Commission, after investigation and public hearing, may fix prices to be paid producers and/or associations of producers by distributors in any market or markets, and may also fix different

prices for different grades or classes of milk.

b. The Commission, after investigation and public hearing and finding as a fact that it is in the public interest, may fix the maximum and minimum wholesale and retail prices to be charged for milk in any market area by any person subject to this section and may fix different prices for different grades or classes of milk. The Commission may take into consideration the type of service rendered, the quantity delivered and the cost of the container.

c. Prices fixed under this subdivision (10) shall not become effective until 10 days after the mailing of notice of the action of the Commission. Prices fixed under b above shall remain in effect for at least 30 days and until the Commission finds it is in the public

interest to remove said prices.

d. In determining the reasonableness of prices to be paid or charged in any market, the Commission shall be guided by the cost of production and distribution, including compliance with all sanitary regulations in force in such market or markets, necessary operating, processing, storage and delivery charges, the prices of other foods and other commodities, and the welfare of the general public. The Commission may adopt a formula incorporating such of these economic factors as well as other pertinent economic factors relevant to the production of milk which will determine automatically the prices to be paid producers or associations of producers by distributors in any market or markets, and then provide for the periodic automatic readjustment of such prices according to the result obtained by the use of this formula. Public hearings shall be held for adoption, or amendment of the formula itself, but shall not be required for price adjustments which are made based upon use of the formula.

e. In establishing producer prices for milk moving into other states, the Commission shall consider prevailing producer prices established

by state or federal authority in such states.
(11) The Commission may require all distributors in any market designated by the Commission to be licensed by the Commission for the purpose of carrying out the provisions of this Article. One who purchases milk from a licensed distributor for the purpose of retail sales shall not be required to be licensed hereunder. The Commission may decline to grant a license, or may suspend or revoke a license already granted upon due notice and after a hearing, whenever said applicant or licensee shall have violated the regulations adopted by the Commission or failed

to comply with the requirements of this Article 28B, or upon any of the

following grounds:

a. Where the distributor has failed to account and make payment for any milk purchased or received on consignment or otherwise from a producer or association of producers, or has, if a subdistributor, failed to account and make payment for any milk purchased or received on consignment or otherwise from a distributor; provided, however, that it be shown there was reasonable cause for any such failure to account and make payment, and that such accounting and payment can and will be made promptly, the Commission shall not suspend or revoke a license solely for such failure until a reasonable opportunity has been afforded to make such accounting and payment.

b. Where the applicant or distributor has made a general assignment for the benefit of creditors, or has been adjudged a bankrupt or there has been entered against him a judgment upon which an execution remains wholly or partly unsatisfied, or where it is shown that the applicant or distributor has insufficient financial responsibility, personnel or equipment properly to conduct the milk

c. Where the applicant or distributor has engaged in a course of action such as to satisfy the Commission of an intent on his part to deceive

or defraud customers, producers or consumers.

d. Where the applicant or distributor has failed to maintain such records as are required by the rules and regulations of the Commission or has failed to furnish the statements or information required by the Commission under this Article 28B or has kept false records or furnished false statements with respect to such information.

e. Where the applicant or distributor has rejected, without reasonable cause, any milk purchased from a producer, or has refused to accept, without either reasonable cause or reasonable advance notice, milk delivered by or on behalf of a producer in ordinary continuance of a previous course of dealing, except when the contract has been lawfully terminated.

In any case where the Commission shall suspend a license, the Commission may, in its discretion, accept from the licensee an offer in compromise of not less than fifty dollars (\$50.00) and not more than five thousand dollars (\$5,000) as a penalty in lieu of such suspension, and thereupon rescind the suspension. All receipts from such penalties shall be paid by the Commission to the State Treasurer for disposition in the same manner as assessments, as provided by G.S. 106-266.12. The Commission may classify licenses, and may issue licenses to distributors to process or store or sell milk to a particular city or village or to a market or markets within the State of North Carolina.

(12) Any member of the Commission, or any person designated for the purpose, shall have access to, and may enter at all reasonable hours, all places where milk is processed, stored, bottled or manufactured into food products. Any member of the Commission or designated employee shall have the power to inspect and copy books and records in any place within the State for the purpose of ascertaining facts to enable the Commission to administer this Article. The Commission may combine such information for any market or markets and make it public.

(13) The Commission may define after a public hearing what shall constitute a natural-market area and define and fix limits of the milk shed or territorial area within which milk shall be produced to supply any such market area: Provided, that producers, producer-distributors or their successors now shipping milk to any market may continue to do so until they voluntarily discontinue shipping to the designated milk

market.

(14) Each licensee shall from time to time, as required by the Commission, submit verified reports containing such information as the Commission may require. (1953, c. 1338, s. 3; 1955, c. 1287, s. 2; 1959, c. 1292; 1963, c. 797, ss. 1-3; 1965, c. 936, s. 1; 1971, c. 779, s. 1; 1973, c. 811; c. 1331, s. 3; 1975, c. 69, s. 4; 1977, c. 426, ss. 2, 3; c. 629.)

Editor's Note. — The first 1977 amendment added the second sentence of subdivision (3) and added the second and third sentences of paragraph d of subdivision (10).

The second 1977 amendment substituted "Attorney General" for "Secretary of State and with each clerk of the superior court" in the third

sentence of subdivision (7).

Former Provisions Held Constitutional. — See State ex rel. North Carolina Milk Comm'n v. Galloway, 249 N.C. 658, 107 S.E.2d 631 (1959).

Regulation of Milk Prices. — The Commission was established as a State agency to protect the interest of the public in a regularly flowing supply of wholesome milk and is authorized, for that purpose, and that purpose only, to regulate, under proper circumstances and to a proper degree, the price of milk. State ex rel. North Carolina Milk Comm'n v. National Food Stores, Inc., 270 N.C. 323, 154 S.E.2d 548 (1967).

The Fourteenth Amendment to the Constitution of the United States does not forbid a state to confer upon an administrative agency the power to fix minimum and maximum retail prices to be charged for the sale of milk in grocery stores to consumers for the purpose of assuring the steady flow of an adequate supply of clean, wholesome milk from the producing farms to the consumer. State ex rel. North Carolina Milk Comm'n v. National Food Stores, Inc., 270 N.C. 323, 154 S.E.2d 548 (1967).

Regulation and Fixing of Transportation Rates. — See State ex rel. North Carolina Milk Comm'n v. Galloway, 249 N.C. 658, 107 S.E.2d

631 (1959).

An order of the Milk Commission pursuant to this section prescribing a uniform hauling charge per cwt. upon all producers delivering milk to a certain distributor, regardless of the distance or route, is not arbitrary or discriminatory and is relevant to the legislative purpose of the Milk Commission Act. It does not deny a producer the equal protection of the laws or deprive him of property without due process of law, even though he is subject under the regulation to a higher charge than he was under a former system, and does not violate former N.C. Const., Art. I, §§ 17 and 37 (see now Art. I, §§ 19 and 29), nor the Fourteenth Amendment to the federal Constitution. State ex rel. North Carolina Milk Comm'n v. Galloway, 249 N.C. 658, 107 S.E.2d 631 (1959).

Neither N.C. Const., Art. I, § 32, nor Art. I, § 19, forbids the legislature of this State to confer upon the Milk Commission authority to fix a uniform rate for the transportation of milk from the farm to the processing plant so as to enable the producers of milk to secure a fair price for their product. State ex rel. North Carolina Milk Comm'n v. National Food Stores, Inc., 270 N.C. 323, 154 S.E.2d 548 (1967).

Regulation of Competition among Retail Grocery Stores Not Intended. — The Milk Commission was not established as an agency to regulate competition among retail grocery stores per se. State ex rel. North Carolina Milk Comm'n v. National Food Stores, Inc., 270 N.C.

323, 154 S.E.2d 548 (1967).

Sections of Milk Marketing Order No. Two Held Constitutional. — Sections IV-A-1, IV-B-2, IV-C-1, IV-C-2, IV-E-1A, V-C-2, and V-C-4 of Milk Marketing Order No. Two of the North Carolina Milk Commission were held not to constitute a burden on interstate commerce, conflict with federal regulation of interstate commerce as provided in the Capper-Volstead Act, deny equal protection of the law and due process of law, or impair the obligations of contract. § 106-266.9. Distributors to be licensed; prices and practices of distributors regulated. — No distributor in a market in which the provisions of this Article are in effect shall buy milk from producers, or others, for sale within the State, or sell or distribute milk within the State, unless such distributor is duly licensed under the provisions of this Article. It shall be unlawful for a distributor to buy from or sell milk to a distributor who is not licensed as required by this Article. It shall be unlawful for any distributor to deal in, or handle milk if such

distributor has reason to believe that the milk has been previously dealt in, or handled, in violation of the terms and provisions of this Article. No distributor shall violate the prices as established by or filed with the Commission or offer any discounts or rebates without authority from the Commission; and the Commission may prohibit such practices as it may deem to be contrary to the welfare of the public and the dairy industry, such as the use of special prices or special inducements in any form or any unfair trade practices in order to vary from the established prices. The Commission may require each distributor to file with the Commission one complete schedule of his wholesale and retail prices for each marketing area and may require each distributor to charge his posted prices for all sales and to give 10 days incice by certified mail to the Commission and every licensed distributor in each marketing area affected prior to the effective date of any changes in said posted prices. The requirements as to filing price schedules shall not apply to retail stores the principal business of which is selling other than dairy products and which do not maintain or control directly or indirectly a milk processing plant. The Commission may prohibit a distributor from selling or offering for sale milk in any market or county at prices less than the prices filed for the market or county in which such distributor's processing or bottling plant is located, except in such cases as such sales may be made at a lower price or prices in good faith to meet competition. (1953, c. 1338, s. 4; 1955, c. 406, s. 4; 1963, c. 797, ss. 2, 4, 4½; 1971, c. 779, s. 1.)

- § 106-266.10. Licenses for distributors and subdistributors. An application to the Commission for a license to operate as a distributor or subdistributor shall be made by mail or otherwise within 30 days after the provisions of this Article become effective in a market, and as to any distributor or subdistributor thereafter beginning business, before such distributor or subdistributor shall begin such business therein. The application shall be made on blanks furnished by the Commission for that purpose. Each distributor shall cooperate with the Commission in seeing to it that its subdistributors are informed concerning, and comply with, the provisions of this Article and the rules and regulations duly adopted by the Commission. (1953, c. 1338, s. 5; 1971, c. 779, s. 1.)
- § 106-266.11. Annual budget of Commission; collection of monthly assessments. The Commission shall prepare an annual budget and shall collect the sums of money required for this budget from the distributors in the form of monthly assessments. The assessments so levied shall not exceed four cents (4φ) per 100 pounds of milk handled. One half of any such assessment shall be deducted from funds owed to a producer or any association of producers. (1953, c. 1338, s. 6; 1971, c. 779, s. 1.)
- § 106-266.12. Milk Commission Account; deductions by distributor from funds owed to producer. All receipts from assessments collected under this Article shall be paid by the Commission to the State Treasurer and shall be placed by the State Treasurer in a general fund to the credit of an account to be known as the "Milk Commission Account" and such an amount as may be necessary, and no more, is hereby appropriated out of this Milk Commission Account, for the payment of all expenses incurred by the Commission in administering and enforcing this Article. The Commission shall require a distributor to make such deductions from funds owed to a producer as authorized by the producer. (1953, c. 1338, s. 7; 1971, c. 779, s. 1.)
 - § 106-266.13. Injunctive relief. In the event of violation of any provisions

of this Article, or order promulgated under the provisions thereof, in addition to any other remedy, the Commission may apply to any court of record in the State of North Carolina for relief by injunction, if necessary, to protect the public interest without being compelled to allege or prove that any adequate remedy at law does not exist. (1953, c. 1338, s. 10; 1971, c. 779, s. 1.)

Applied in State ex rel. North Carolina Milk Comm'n v. National Food Stores, Inc., 270 N.C. 323, 154 S.E.2d 548 (1967).

§ 106-266.14. Penalties. — Any person violating any provisions of this Article, or order promulgated under the provisions thereof, or of any license issued by the Commission shall be guilty of a misdemeanor and may be prosecuted and punished therefor, and upon conviction, shall be punished by a fine of not less than twenty-five dollars (\$25.00) and not more than one hundred dollars (\$100.00), or by imprisonment in the county jail for not less than 30 days nor more than one year, or by both fine and imprisonment, and each day during which such violation shall continue shall be deemed a separate violation. Prosecutions for violations of this Article shall be instituted by the Attorney General or otherwise, in any county or city of the State of North Carolina in which such violations occur. (1953, c. 1338, s. 11; 1971, c. 779, s. 1.)

§ 106-266.15. Appeals. — (a) Any person aggrieved by an order of the Commission revoking or suspending the license of a distributor or producer-distributor, or refusing to grant a license or to reissue a license or to transfer a license from one person to another, or by any action, rule, regulation, or order of the Commission applying only to a particular person (as distinguished from rules and regulations of general application), may have such order reviewed upon appeal to the superior court as provided in this subsection (a). Any such aggrieved person may within 40 days after the effective date of such action, rule, regulation, or order, appeal therefrom to the superior court. No such appeal shall act as a supersedeas except on a special order of the superior court allowing a supersedeas. Before the expiration of 40 days, such an aggrieved person shall file written notice of appeal with the Commission and within 10 days after receipt of said written notice of appeal, it shall be the duty of the Commission to certify a complete record of its proceedings with all papers or evidence to the clerk of the superior court of the county in which the appellant resides or to the clerk of the superior court of the county in which the violation occurred. The cause shall be entitled "State of North Carolina on Relation of the North Carolina Milk Commission v. (here insert name of appellant)," and said cause shall be placed on the civil docket of the superior court of said county and shall be heard de novo under the same rules and regulations as are prescribed for the trial of other civil causes. The Commission shall be deemed to be a party plaintiff on such appeal and at its request may present its contentions, make arguments, and take any other legal steps that a party to a civil action may take

in the superior court, including the right to appeal to the Court of Appeals.

(b) The provisions of Chapter 150A of the General Statutes of North Carolina relating to "Judicial Review of Decisions of Certain Administrative Agencies" shall apply to appeals or petitions for judicial review by any person or persons aggrieved by an order of the Commission, fixing, revising or amending the price at or the terms upon which milk may be bought or sold, or by an order promulgating rules and regulations affecting the milk industry as a whole, or by any other order, action, rule, or regulation of the Commission of general application. In the event more than one person files a petition for judicial review of the same order, action, rule, or regulation, the cases shall be consolidated for hearing in the superior court. (1953, c. 1338, s. 12; 1969, c. 44, s. 67; 1971, c. 779,

s. 1; 1973, c. 1331, s. 3.)

Right of Appeal and Hearing De Novo. — A person aggrieved by a decision of the Commission in North Carolina has a right of appeal and to be heard de novo in the superior court. Southeast Milk Sales Ass'n v. Swaringen, 290 F. Supp. 292 (M.D.N.C. 1968).

A sedulous protection against abuse of power by the Milk Commission is provided in this section, which requires that when an appeal is taken from an order of the Milk Commission, the proceeding shall be heard de novo in the superior court. State ex rel. North Carolina Milk Comm'n v. Galloway, 249 N.C. 658, 107 S.E.2d 631 (1959).

- § 106-266.16. Saving clause. No provisions of this Article shall apply or be construed to apply to foreign or interstate commerce, except insofar as the same may be effective pursuant to the United States Constitution and to the laws of the United States enacted pursuant thereto. (1953, c. 1338, s. 13; 1971, c. 779, s. 1.)
- § 106-266.17. Marketing agreements not to be deemed illegal or in restraint of trade; conflicting laws. — The making of marketing agreements between producers' cooperative marketing associations and distributors and producer-distributors under the provisions of this Article shall not be deemed a combination in restraint of trade or an illegal monopoly, or an attempt to lessen competition or fix prices arbitrarily nor shall the marketing contract or the association the distributors between and producer-distributors, or any agreements authorized in this Article, be considered illegal or in restraint of trade. All laws and clauses of laws in conflict with the provisions of this Article are hereby repealed to the extent necessary for the full operation of this Article. No provisions of this Article shall be deemed in conflict with Articles 28 and 28A of Chapter 106 of the General Statutes. No provisions of this Article shall be deemed in conflict with the authority granted to county, city-county and district boards of health by G.S. 130-19. 130-20, 130-66, to make and enforce rules and regulations governing milk sanitation or with the authority granted to the Department of Human Resources by G.S. 130-3 to make sanitary inquiries and investigations. (1953, c. 1338, s. 14; 1971, c. 779, s. 1; 1973, c. 476, s. 128.)

Editor's Note. — The reference to G.S. 130-3 appears to be an error. A reference to § 130-11 may have been intended.

§ 106-266.18. Limitations upon power of Commission. — Nothing in this Article shall be interpreted as giving the Commission any power to limit the quantity of milk that any producer can produce, nor the power to prohibit or restrict the admission of new producers, nor the power to restrict the marketing area of any producer, except as provided in G.S. 106-266.8(3). (1953, c. 1338, s. 14½; 1971, c. 779, s. 1; 1977, c. 426, s. 4.)

Editor's Note. — The 1977 amendment added "except as provided in G.S. 106-266.8(3)" to the end of the section.

§ 106-266.19. Sale below cost to injure or destroy competition prohibited. — The sale of milk by any distributor or producer-distributor or retailer below cost for the purpose of injuring, harassing or destroying competition is hereby prohibited; and the offering for sale of milk by a retailer at below-cost prices to induce the public to patronize his store, or what is commonly known in the

trade as using milk as a "loss leader" is also hereby prohibited. However, milk may be sold below cost to meet competition if notice has been sent to the Commission by registered or certified mail identifying the competitor or competitors. At any hearing or trial on a complaint under this section, evidence of sale of milk by a distributor or subdistributor or retailer below cost shall constitute prima facie evidence of the violation or violations alleged, and the burden of rebutting the prima facie case thus made, by showing that the same was justified in that it was not, in fact, made below cost or that it was not for the purpose of injuring, harassing or destroying competition, or that it was sold below cost to meet competition after notice has been sent to the Commission by registered or certified mail identifying the competitor or competitors, or that it was not used as a "loss leader" or to induce the public to patronize his store, shall be upon the person charged with a violation of this section. As used herein the term "cost" for a distributor or producer-distributor shall be construed to mean the price paid for Grade A or Class I milk in the area where such sale is made plus a reasonable allocation of processing and marketing expenses. For a retailer the term "cost" shall be construed to mean the wholesale invoice price paid for Grade A or Class I milk in the area where such sale is made, provided, however, in determining whether any sale has been made in violation of this section, the Commission shall consider all discounts, rebates, gratuities or any other matters which may have the effect of either directly or indirectly reducing the price paid by the retailer involved. The prima facie case of a violation of this section, made by proof of sale below cost, may be rebutted by proof of any of the following facts:

(1) The merchandise was damaged, or

(2) The milk was sold upon the final liquidation of a business, or

(3) The milk was sold to an organized charity or to a relief agency, or
(4) The milk was sold by an officer acting under the direction of any court. (1955, c. 406, s. 1; 1959, c. 1021; 1965, c. 936, s. 2; 1971, c. 779, s. 1; 1975, c. 815.)

Editor's Note. — The 1975 amendment added the second sentence, inserted the language beginning "or that it was sold" and ending "competitor or competitors" in the third sentence, inserted "for a distributor or producer-distributor" near the end of that sentence, added "For a retailer the term 'cost' shall be construed to mean the wholesale invoice price paid for Grade A or Class I milk in the area where such sale is made, provided, however" at the beginning of the fourth sentence and substituted "paid by the retailer" for "received by the distributor or producer-distributor or retailer" near the end of that sentence.

For comment on this section, particularly as to its constitutionality, see 33 N.C.L. Rev. 524 (1955).

Constitutionality. — The provisions of this section making proof of the sale of milk by a retailer below cost prima facie evidence of a purpose to injure, harass or destroy competition in the marketing of milk, is not beyond the constitutional power of the legislature. Inspection, Grading and Testing Milk and Dairy Products.

Repeal of Article. — This Article is repealed, effective July 1, 1983, by Session Laws 1977, c. 712, s. 4. The 1977 act also repeals, with postponed effective dates, numerous other

Chapters and Articles creating licensing and regulatory agencies, and sets up a Government Evaluation Commission whose function is to conduct a performance evaluation of the programs and functions of each such agency and report to General Assembly whether the

program or function in question should be terminated, reconstituted, reestablished or continued. The Commission will go out of existence June 30, 1983. The 1977 act is codified as § 143-34.10 et seq.

§ 106-267. Inspection, grading and testing dairy products. — The State Board of Agriculture shall have full power to make and promulgate rules and regulations for the Department of Agriculture in its inspection and control of the purchase and sale of milk and other dairy products in North Carolina; to make and establish definitions, not inconsistent with the laws pertaining thereto; to qualify and determine the grade and contents of milk and of other dairy products sold in this State; to regulate the manner of testing the same and the handling, treatment and sale of milk and dairy products, and to promulgate such other rules and regulations not inconsistent with the law as may be necessary in connection with the authority hereby given to the Commissioner of Agriculture on this subject. - § 106-267.1. License required; fee; term of license; examination required. Every person who shall test milk or cream in this State by, or sample milk for, the Babcock method or otherwise for the purpose of determining the percentage of butterfat or milk fat contained therein, where such milk or cream is bought and paid for on the basis of the amount of butterfat contained therein, shall first obtain a license from the Commissioner of Agriculture. Any person applying for such license or renewal of license shall make written and signed application on blanks to be furnished by the Commissioner of Agriculture. The granting of a license shall be conditioned upon the passing by the applicant of an examination, to be conducted by or under the direction of the Commissioner of Agriculture. All licenses so issued or renewed shall expire on December 31 of each year, unless sooner revoked, as provided in G.S. 106-267.3. A license fee of two dollars (\$2.00) for each license so granted or renewed shall be paid to the Commissioner of Agriculture by the applicant before any license is granted. (1951, c. 1121, s. 1; 1959, c. 707, s. 5.)
- § 106-267.2. Rules and regulations. The Commissioner of Agriculture shall establish and promulgate rules and regulations not inconsistent with this Article that shall govern the granting of licenses under this Article and shall establish and promulgate rules and regulations not inconsistent with this Article that shall govern the manner of testing, including, but not in limitation thereof, the taking of samples, location where the testing of said samples shall be made and the length of time samples of milk or cream shall be held after testing. (1951, c. 1121, s. 1.)
- § 106-267.3. Revocation of license; hearing. The Commissioner of Agriculture shall have power to revoke any license granted under the provisions of this Article, upon good and sufficient evidence that the provisions of this Article or the rules and regulations of the Commissioner of Agriculture are not being complied with: Provided, that before any license shall be revoked, an opportunity shall be granted the licensee, upon being confronted with the evidence, to show cause why such license should not be revoked. (1951, c. 1121, s. 1.)
- § 106-267.4. Representative average sample; misdemeanor, what deemed.

 In taking samples of milk or cream from any milk can, cream can or any

container of milk or cream, the contents of such milk can, cream can, or container of milk and cream shall first be thoroughly mixed either by stirring or otherwise, and the sample shall be taken immediately after mixing or by any other method which gives a representative average sample of the contents, and it is hereby made a misdemeanor to take samples by any method or to fraudulently manipulate such samples so as not to give an accurate and representative average sample where milk or cream is bought or sold and where the value of said milk or cream is determined by the butterfat contained therein. (1951, c. 1121, s. 1.)

- § 106-267.5. Standard Babcock testing glassware; scales and weights. In the use of the Babcock test all persons shall use the "standard Babcock testing glassware, scales, and weights." ARTICLE 31.

North Carolina Seed Law.

Repeal of Article. — This Article is repealed, effective July 1, 1983, by Session Laws 1977, c. 712, s. 4. The 1977 act also repeals, with postponed effective dates, numerous other Chapters and Articles creating licensing and regulatory agencies, and sets up a Government Evaluation Commission whose function is to conduct a performance evaluation of the

programs and functions of each such agency and report to General Assembly whether the program or function in question should be terminated, reconstituted, reestablished or continued. The Commission will go out of existence June 30, 1983. The 1977 act is codified as § 143-34.10 et seq.

§ 106-277. Purpose. — The purpose of this Article is to regulate the labeling, possessing for sale, sale and offering or exposing for sale of agricultural seeds, vegetable seeds and screenings; to prevent misrepresentation thereof; and for other purposes. (1963, c. 1182.)

Protective Purpose of Article. — This Article has declared the policy of North Carolina to be one of protecting the farmer from the disastrous consequences of planting seed of one kind, believing he is planting another and from the consequences of the sale and delivery to farmers of seed falsely labeled. Gore v. George J. Ball, Inc., 279 N.C. 192, 182 S.E.2d 389 (1971).

This Article is not limited in its purpose or scope to the protection of the purchaser from fraud by the immediate vendor. Gore v. George J. Ball, Inc., 279 N.C. 192, 182 S.E.2d 389 (1971).

The North Carolina Seed Law is aimed at

protecting farmers by strict labeling, quality control inspections and branding regulations. The seed law has no effect on a nonconflicting disclaimer which governs activity beyond its scope. Billings v. Joseph Harris Co., 27 N.C. App. 689, 220 S.E.2d 361 (1975), aff'd, 290 N.C. 502, 226 S.E.2d 321 (1976).

This Article is not a safety statute, therefore evidence of a violation of it is not necessarily evidence of negligence. Gore v. George J. Ball, Inc., 279 N.C. 192, 182 S.E.2d 389 (1971).

State v. Bissette, 250 N.C. 514, 108 S.E.2d 858 (1959).

An indictment under this section charging that defendant sold or offered for sale tobacco seed having a false or misleading label should allege the person to whom the seed was sold or offered for sale or that the purchaser was in fact unknown, and the intent to defraud. State v. Bissette, 250 N.C. 514, 108 S.E.2d 858 (1959).

(b) The official tag or label of the North Carolina Crop Improvement Association shall be considered an "official North Carolina seed analysis tag" when attached to containers of seed duly certified by the said Association or when it refers to an accompanying tag which carries the same information required in G.S. 106-277.5 to 106-277.7 and when fees applicable to the North

Carolina seed analysis tag have been paid to the Commissioner.

(c) The label requirements for peanuts, cotton and tobacco seed may be limited to:

(2) Origin, if known. If unknown, so stated.

(3) Commonly accepted name of kind and variety.

(4) Name and number per pound of noxious-weed seeds. (5) Percentage of germination with month and year of tests.

(6) Name and address of person who labeled said seed or who sells, offers, or exposes said seed for sale.

(d) The provisions of G.S. 106-277.3 through 106-277.7 do not apply:

(1) To seed or grain sold or represented to be sold for purposes other than for seeding provided that said seed is labeled "not for seeding purposes" and that the vendor shall make it unmistakably clear to the purchaser of such seed or grain that it is not for seeding purposes.

(2) To seed for processing when consigned to, being transported to or stored in an approved processing establishment, provided that the invoice or labeling accompanying said seed bears the statement "seed for processing" and provided further that other labeling or representation which may be made with respect to the uncleaned or unprocessed seed shall be subject to this Article.

(3) To seed sold by a farmer grower to a seed dealer or processor, or to seed in storage in or consigned to a seed-cleaning or processing plant; provided that any labeling or other representation which may be made with respect to the uncleaned or unprocessed seed shall be subject to

this Article.

(e) No person shall be subject to the penalties of this Article for having sold, offered or exposed for sale in this State any agricultural or vegetable seeds which were incorrectly labeled or represented as to origin, kind or variety when such seeds cannot be identified by examination thereof unless such person has failed to obtain an invoice or grower's declaration giving origin, kind and variety or to take such other precautions as may be necessary to insure the identity to be that stated. (1941, c. 114, s. 4; 1943, c. 203, s. 2; 1945, c. 828; 1949, c. 725; 1959, c. 585, s. 1; 1963, c. 1182.)

Exemptions under this section are to be strictly construed. Gore v. George J. Ball, Inc.,

279 N.C. 192, 182 S.E.2d 389 (1971).

Exemption Does Not Apply to Breach of Contract. — Exemptions from the penalties imposed by this Article are not intended to absolve the vendor from liability to the purchaser for breach of contract. Gore v. George J. Ball, Inc., 279 N.C. 192, 182 S.E.2d 389 (1971).

Mislabeled Seed. - The failure of a seed company to notify a customer, after receiving

complaints from other customers that tomato seeds delivered to the customer were mislabeled, did not constitute negligence where the evidence disclosed that the defendant kept no records of the particular source of seed used to fill a given order, there being no duty to maintain such records, and defendant being unable to notify the customer in the absence of such data. Gore v. George J. Ball, Inc., 10 N.C. App. 310, 178 S.E.2d 237 (1971).

§ 106-277.11. Disclaimers, nonwarranties and limited warranties. — The use of a disclaimer, nonwarranty or limited warranty clause in any invoice, advertising [or] written, printed or graphic matter pertaining to any seed shall not constitute a defense, or be used as a defense in any way, in any prosecution or in any proceedings for confiscation of seeds brought under the provisions of this Article or rules and regulations made and promulgated thereunder. (1945, c. 828; 1949, c. 725; 1963, c. 1182.)

Effect of Warranty Limitation. — The provision of this section barring a defense based on a warranty limitation clause in any prosecution or in any proceedings for confiscation of seeds, does not have any bearing upon any other effect of such disclaimer or limitation clause. Gore v. George J. Ball, Inc., 179 N.C. 192, 182 S.E.2d 389 (1971).

Warranty Limitation Does Not Bar Recovery of Full Damages. — The phrase, "to the extent of the purchase price," used in a limitation of warranty, relied on by the seller of mislabeled seed, is contrary to the public policy of this State as declared in this Article and is invalid. Such a provision, even if it otherwise be deemed a part of the contract of sale, does not bar the buyer from a recovery of the full damages which he would otherwise be entitled to recover for the breach of the contract by the seller. Gore v. George J. Ball, Inc., 279 N.C. 192, 182 S.E.2d 389 (1971).

- § 106-277.12. Records. All persons transporting or delivering for transportation, selling, offering or exposing for sale agricultural or vegetable seeds if their name appears on the label shall keep for a period of two years a file sample and a complete record of such seed, including invoices showing lot number, kind and variety, origin, germination, purity, treatment, and the labeling of each lot. The Commissioner or his duly authorized agents shall have the right to inspect such records in connection with the administration of this Article at any time during customary business hours. (1945, c. 828; 1949, c. 725; 1963, c. 1182.)
- § 106-277.13. Tolerances to be established and used in enforcement. Due to variations which may occur between the analyses or tests and likewise between label statements and the results of subsequent analyses and tests, recognized tolerances shall be employed in the enforcement of the provisions of this Article, except as otherwise established by appropriate rules and regulations promulgated under authority of this Article. (1963, c. 1182.)
- § 106-277.14. Administration. The duty of enforcing this Article and its rules and regulations and carrying out its provisions and requirements shall be vested in the Commissioner of Agriculture. (1963, c. 1182.)
- § 106-277.15. Rules, regulations and standards. The Commissioner of Agriculture, jointly with the Board of Agriculture, after public hearing immediately following 10 days' public notice may adopt such rules, regulations and standards which they may find to be advisable or necessary to carry out and enforce the purposes and provisions of this Article, which shall have the force and effect of law. The Commissioner and Board of Agriculture shall adopt rules, regulations and standards as follows:

(1) Prescribing the methods of sampling, inspecting, analyzing, testing and examining agricultural and vegetable seed, and determining the tolerance to be followed in the administration of this Article.

(2) Declaring a list of prohibited and restricted noxious weeds, conforming with the definitions stated in this Article, and to add to or subtract therefrom, from time to time, after a public hearing following due public notice.

(3) Declaring the maximum percentage of total weed seed content permitted in agricultural seed.

(4) Declaring the maximum number of "restricted" noxious-weed seeds per pound of agricultural seed permitted to be sold, offered or exposed for sale.

(5) Declaring the minimum percentage of germination permitted for sale as "Agricultural Seeds."

(6) Declaring germination standards for vegetable seeds.

(7) Prescribing the form and use of tags or stamps to be used in labeling seed.

(8) Prescribing such other rules and regulations as may be necessary to

secure the efficient enforcement of this Article. (1941, c. 114, s. 6; 1943, c. 203, s. 4; 1945, c. 828; 1949, c. 725; 1953, c. 856, s. 5; 1957, c. 263, s. 3; 1963, c. 1182.)

- § 106-277.16. Seed-testing facilities. The Commissioner is authorized to establish and maintain or make provision for seed-testing facilities, to employ educationally qualified persons, to make or provide for making purity and germination tests of seeds, upon request, for farmers or seedsmen, and to prescribe rules and regulations governing such testing, and to incur such expenses as may be necessary to comply with these provisions. (1941, c. 114, s. 6; 1943, c. 203, s. 4; 1945, c. 828; 1949, c. 725; 1953, c. 856, s. 5; 1957, c. 263, s. 3; 1963, c. 1182.)
- § 106-277.17. Varieties or hybrids; registration; testing; prohibiting sale if inferior, misrepresented or unsuitable. The Commissioner is authorized to require the registration, after field testing for performance and trueness-to-variety, of any variety or hybrid as a prerequisite to sale in this State and to promulgate rules and regulations pertaining to same. The Commissioner is further authorized to prohibit the sale of any variety or hybrid or any kind of crop, by and with the advice of the director of research of the North Carolina agricultural experiment station, that has been found by official field tests to be inferior, misrepresented or unsuited to conditions within the State. (1941, c. 114, s. 6; 1943, c. 203, s. 4; 1945, c. 828; 1949, c. 725; 1953, c. 856, s. 5; 1957, c. 263, s. 3; 1963, c. 1182.)

Editor's Note. — Session Laws 1955, c. 276, as used in § 106-15, to read "agricultural s. 1, changed "agricultural experiment station," research station."

- § 106-277.18. Registration and licensing of dealers. It shall be the duty of the Commissioner and he is hereby authorized to require each seed dealer selling, offering or exposing for sale in, or exporting from, this State any agricultural or vegetable seeds for seeding purposes, including packet or package seeds, to register with the Commissioner and to obtain a license annually. (1941, c. 114, s. 7; 1945, c. 828; 1947, c. 928; 1949, c. 725; 1963, c. 1182.)
- 8 106-277.19. Revocation or refusal of license for cause; hearing; appeal. The Commissioner is authorized to revoke any seed license issued, or to refuse to issue a seed license to any person as hereinafter provided, upon satisfactory proof that said person has repeatedly violated any of the provisions of this Article or any of the rules and regulations made and promulgated thereunder; provided that no license shall be revoked or refused until the person shall have first been given an opportunity to appear at a hearing before the Commissioner. Any person who is refused a license, or whose license is revoked by any order of the Commissioner, may appeal within 30 days from said order to the Superior Court of Wake County or the superior court of the county of his residence. (1941, c. 114, s. 6; 1943, c. 203, s. 4; 1945, c. 828; 1949, c. 725; 1953, c. 856, s. 5; 1957, c. 263, s. 3; 1963, c. 1182.)

It shall be the duty of the dealer or vendor to arrange seed lots so as to be accessible for inspection, and to provide such information and records as may be deemed necessary. (1941, c. 114, s. 6; 1943, c. 203, s. 4; 1945, c. 828; 1949, c. 725; 1953, c. 856, s. 5; 1957, c. 263, s. 3; 1963, c. 1182.)

- § 106-277.21. Sampling, inspecting and testing; notice of violations. It shall be the duty of the Commissioner, who may act through his authorized agents, to sample, inspect, make analysis of and test agricultural and vegetable seeds transported, held in storage, sold, offered or exposed for sale within this State for sowing purposes at such time and place and to such extent as he may deem necessary to determine whether said seeds are in compliance with the provisions of this Article, and to notify promptly the person or persons who transported, had in his possession, sold, offered or exposed the seeds for sale of any violation. (1941, c. 114, s. 6; 1943, c. 203, s. 4; 1945, c. 828; 1949, c. 725; 1953, c. 856, s. 5; 1957, c. 263, s. 3; 1963, c. 1182.)
- § 106-277.22. Stop-sale orders; penalty covering expenses; appeal. The Commissioner is authorized to issue and enforce a written or printed "stop-sale" order to the owner or custodian of any lot of agricultural or vegetable seeds which the Commissioner, or his authorized agent, finds is in violation of any of the provisions of this Article or the rules and regulations promulgated thereunder, which order shall prohibit further sale or movement of such seed until such officer has evidence that the law has been complied with and a written release has been issued to the owner or custodian of said seed by the enforcement officer. Any person violating the labeling requirements of the law shall be subject to a penalty covering all costs and expenses incurred in connection with the withdrawal from sale and the release of said seed. With respect to seeds which have been denied sale as provided in this section, the owner, custodian or the person labeling such seeds shall have the right to appeal from such order to the superior court of the county in which the seeds are found, praying for judgment as to the justification of said order and for discharge of such seed from the order prohibiting the same in accordance with the findings of the court; and provided, further, that the provisions of this section shall not be construed as limiting the right of the enforcement officer to proceed as authorized by other sections of this Article. (1941, c. 114, s. 6; 1943, c. 203, s. 4; 1945, c. 828; 1949, c. 725; 1953, c. 856, s. 5; 1957, c. 263, s. 3; 1963, c. 1182.)

It shall be the duty of the Commissioner to give notice of every violation of the provisions of this Article with respect to agricultural or vegetable seeds, mixtures of such seeds, or screenings to the person in whose hands such seeds or screenings are found, and to send copies of such notice to the shipper of such seed or screenings and to the person whose "analysis tag or label" is attached to the container of such seeds or screenings, in which notice he may designate a time and place for a hearing. The person or persons involved shall have the right to introduce evidence either in person or by agent or attorney. If, after hearing, or without such hearing in the event the person fails or refuses to appeal, the Commissioner is of the opinion that the evidence warrants prosecution he may institute proceedings in a court of competent jurisdiction in the locality which the violation occurred or, if he believes the public interest will be adequately served thereby, he may direct to the alleged violator a suitable written notice or warning. (1941, c. 114, s. 8; 1945, c. 828; 1949, c. 725; 1963, c. 1182.)

(1945, c. 828; 1949, c. 725; 1963, c. 1182.)

 - (1) Each seed dealer or grower selling, offering or exposing for sale in this State any agricultural or vegetable seeds for seeding purposes shall purchase from the Commissioner for two cents (2¢) each, official North Carolina seed analysis tags or stamps and shall attach a tag (or stamp on the seedman's label) to each container holding 10 pounds or more of seed; provided, however, that a seed dealer or grower who sells only seed lots orginated by his company may request to pay these applicable fees through the reporting system prescribed in subdivision (3) hereof; provided, further, that this subdivision shall not apply to the sale of seed by a farmer who sells only seed grown on his farm and when such sales are confined to his farm.
 - (2) Each seed dealer selling, offering, or exposing for sale in, or exporting from, this State any agricultural or vegetable seeds for seeding purposes shall register with the Commissioner and shall obtain a license annually on January 1 of each year and shall pay for such license as follows:

- f. Each retailer of seeds, including chain stores with sales not in excess of one hundred dollars (\$100.00) \$ 1.00
- g. Each retail dealer or place of business selling only "packet" vegetable and flower seeds: one dollar (\$1.00) for retail value less than one hundred dollars (\$100.00); two dollars (\$2.00) for the first one hundred dollars (\$100.00); and two dollars (\$2.00) for each one hundred dollars (\$100.00) thereafter, based on commission or consignment. Containers which hold one pound or less of seed are considered packets.

(3) A seed dealer or grower who sells only seed lots originated by his company may request of the Commissioner of Agriculture authority to report the quantity of seed sold and to pay the fees applicable under G.S. 106-277.28(1) in lieu of attaching an official North Carolina tag or stamp to each container of seeds weighing 10 pounds or more

Upon granting authority, the Commissioner of Agriculture shall require each seed dealer or grower to keep such records as may be necessary to indicate accurately the quantity of seeds and container weights sold from each distribution point in the State. Such records shall be available to the Commissioner or his duly authorized representative at any and all reasonable hours for the purpose of making such examination as is necessary to verify the quantity of seed sold and the fees paid. (b) An inspection fee at the rate of twelve cents (12¢) per ton shall be paid on commercial feeds distributed in the State by the person whose name appears on the label of the commercial feed as the manufacturer, distributor or guarantor of the commercial feed, subject to the following:

(3) No fee shall be paid on commercial feeds which are used as ingredients or a base for the manufacture of commercial feeds which are registered, if the fee has already been paid. If the inspection fee has already been paid on such commercial feed, the amount paid shall be deducted from the gross amount due on the total feed produced.

The manufacturer of ingredients who sells such ingredients to manufacturers of commercial feeds under this subdivision shall have in his possession the exemption number of the permit referred to in G.S. 106-284.34(b) and/or the permit issued by the Board under this subdivision before the supplier may be relieved of the responsibility for payment of the inspection fee.

The holder of said permit may voluntarily return said permit to the Commissioner for cancellation at which time said holder may not apply for or receive another exemption permit under this subdivision for a period of 12 months. The exemption permits under this subdivision shall be renewable automatically every year by the Board without additional findings of fact unless it is brought to the Board's attention by the Commissioner or his duly designated officer or employee that there no longer exists the relationship of a contract feeder between the manufacturer of commercial feeds and an independent contractor. In the event the Commissioner or his duly designated officer or employee notifies the Board when the permit is to be automatically renewed or anytime the permit is in effect, that there no longer exists a contract feeder relationship for the permit holder, the Board shall determine the veracity of the notification and revoke said permit if the facts are found to be true by the Board.

(c) Each person who is liable for the payment of such fee shall:

(1) File, not later than the last day of January, April, July and October of each year, a quarterly statement setting forth the the number of net tons of commercial feeds and/or cases of canned pet food distributed in this State during the preceding calendar quarter, and upon filing such statements shall pay the inspection fee at the rate stated in subsections (a) and (b) of this section. The assessment of this penalty fee shall not prevent the Commissioner from taking other actions as provided in this Chapter.

(2) Keep such records as may be necessary or required by the Commissioner to indicate accurately the tonnage of commercial feed distributed in this State, and the Commissioner or his duly designated agent shall have the right to examine such records during normal business hours, to verify statements of tonnage. Failure to make an accurate statement of tonnage or to pay the inspection fee or comply as provided herein shall constitute sufficient cause for the cancellation of all registrations on file for the distributor. § 106-284.41. Rules and regulations. — (a) The Board is authorized to promulgate such rules and regulations for commercial feeds and pet foods as are specifically authorized in this Article and such other reasonable rules and regulations as may be necessary for the efficient enforcement of this Article. In the interest of uniformity the Board shall by regulation adopt, unless it determines that they are inconsistent with the provisions of this Article or are not appropriate to conditions which exist in this State, the following:

not appropriate to conditions which exist in this State, the following:

(1) The official definitions of feed ingredients and official feed terms adopted by the Association of American Feed Control Officials and

published in the official publication of that organization, and

(2) Any regulations promulgated pursuant to the authority of the Federal Food, Drug and Cosmetic Act (21 U.S.C. section 301 et seq.).

(b) Before the issuance, amendment, or repeal of any rule or regulation authorized by this Article, the Board shall publish the proposed regulation, amendment, or notice to repeal an existing regulation in a manner reasonably calculated to give interested parties, including all current registrants, adequate notice and shall afford all interested persons an opportunity to present their views thereon, orally or in writing, within a reasonable period of time. After consideration of all views presented by interested persons, the Board shall take appropriate action to issue the proposed rule or regulation or to amend or repeal an existing rule or regulation. The provisions of this subsection notwithstanding, if the Board pursuant to the authority of this Article, adopts the official definitions of feed ingredients or official feed terms as adopted by the Association of American Feed Control Officials, or regulations promulgated pursuant to the authority of the Federal Food, Drug and Cosmetic Act, any amendment or modification adopted by said Association or by the Secretary of Health, Education and Welfare in the case of regulations promulgated pursuant to the Federal Food, Drug and Cosmetic Act, shall be deemed adopted automatically under this Article without regard to the publication of the notice required by this subsection (b), unless the Board by resolution specifically determines that said amendment or modification shall not be adopted. (1973, c. 771, s. 12; 1975, c. 19, s. 32.)

Editor's Note. — The 1975 amendment inserting "21" preceding "U.S.C." in subdivision corrected an omission in the 1973 act by (2) of subsection (a).

§ 106-284.42. Inspection, sampling, and analysis. — (a) For the purpose of enforcement of this Article, and in order to determine whether its provisions have been complied with, including whether or not any operations may be subject to such provisions, officers or employees duly designated by the Commissioner upon presenting appropriate credentials, to the owner, operator, or agent in charge, are authorized (i) to enter, during normal business hours or actual operation, any factory, warehouse, or establishment within the State in which commercial feeds are manufactured, processed, packed, or held for distribution and take samples therefrom or to enter any vehicle being used to transport or hold such feeds and take samples therefrom; and (ii) to inspect during normal business hours or while in operation, such factory, warehouse, establishment or vehicle and all pertinent equipment, finished or unfinished materials, containers, and labeling therein. The inspection may include the verification of such records, and production and control procedures as may be necessary to determine compliance with this Article.

(b) A separate presentation of appropriate credentials shall be given for each such inspection, but a presentation shall not be required for each entry made during the period covered by the inspection. Each such inspection shall be commenced and completed with reasonable promptness. Upon completion of the inspection, the person in charge of the facility or vehicle shall be so notified.

(c) If the officer or employee making such inspection of a factory, warehouse, or other establishment has obtained a sample(s) in the course of the inspection, upon completion of the inspection and prior to leaving the premises he shall give to the owner, operator, or agent in charge a receipt describing the sample(s) obtained.

(d) If the owner of any factory, warehouse or establishment described in subsection (a), or his agent, refuses to admit the Commissioner or his agent to inspect in accordance with subsections (a) and (b), the Commissioner or his agent is authorized to obtain without notice from any district or superior court judge

within the county where the facility is located, an order directing such owner or his agent to submit the premises described in such order to inspection.

(e) Sampling and analysis shall be conducted in accordance with methods published by the Association of Official Analytical Chemists, or in accordance

with other generally recognized methods.

(f) The results of all analyses of official samples shall be forwarded by the Commissioner to the person named on the label and to the dealer. When the inspection and analysis of an official sample indicates a commercial feed has been adulterated or misbranded, and upon written request within 30 days following receipt of the analysis, the Commissioner shall furnish to the registrant a portion of the sample concerned.

(g) The Commissioner, in determining for administrative purposes whether a commercial feed is deficient in any component, shall be guided by the official sample as defined in G.S. 106-284.33, subdivision (14), and obtained and analyzed

as provided for in subsections (a), (c), and (e) of this section.

(h) The Board is authorized to adopt regulations establishing permitted analytical variation providing for reasonable deviation from the guaranteed analysis.

(i) The registrant of a commercial feed found to be in significant violative deviation from the guarantee shall be subject to a penalty for this deviation.

(j) If the analysis of a sample shows a deviation from permitted analytical variation established by the Board, the registrant or other responsible person shall be penalized according to the following schedule:

Component Deviating	Method of Penalty Assessment
Crude protein	Three times the relative percentage * of deviation from the guarantee times the retail value of the commercial feed.
Crude fat	Ten percent (10%) of retail value of the lot of commercial feed.
Crude fiber	Ten percent (10%) of retail value of the lot of commercial feed.
Vitamins	Ten percent (10%) of retail value of the lot of commercial feed.
Minerals	Ten percent (10%) of retail value of the lot of commercial feed.
Crude protein equivalent from nonprotein nitro-	
gen	Ten percent (10%) of retail value of the lot of commercial feed.
Animal drugs	Twenty percent (20%) of retail value of the lot of commercial feed.
Antibiotics	Twenty percent (20%) of retail value of the lot of commercial feed.
Other analysis	

^{*} Example, a feed guaranteed 16.0% protein and assaying only 14.0%, will be considered as 2.0%/16.0%, or 12.5% deficient in protein. The penalty will be computed as $3 \times 0.125 \times 125 \times 125$

(k) Penalties for multiple deficiencies within a sample shall be additive; provided that in no case shall the penalty exceed the retail value of the product. The minimum penalty under any of the foregoing provisions shall be twenty-five dollars (\$25.00) or the retail value of the product whichever is smaller, regardless

of the value of the deficiency.

(1) Within 60 days from the date of written notice by the Commissioner or his duly designated agent to the manufacturer, guarantor, dealer or agent, all penalties assessed and collected under this section shall be paid to the purchaser of the lot of feed or canned pet food represented by the sample analyzed. When such penalties are paid, receipts shall be taken and promptly forwarded to the Commissioner of Agriculture. If said consumers cannot be found, the amount of the penalty assessed shall be paid to the Commissioner of Agriculture who shall deposit the same in the Department of Agriculture fund, of which the State Treasurer is custodian, for the express purpose of enforcement of this Article. (1973, ch. 771, s. 13.)

§ 106-284.43. Detained commercial feeds. — (a) "Withdrawal from distribution" orders: When the Commissioner or his authorized agent has reasonable cause to believe any lot of commercial feed is being distributed in violation of any of the provisions of this Article or of any of the prescribed regulations under this Article, he may issue and enforce a written or printed "withdrawal from distribution" order, ordering the distributor not to dispose of the lot of commercial feed in any manner until written permission is given by the Commissioner or a court. The Commissioner shall release the lot of commercial feed so withdrawn when said provisions and regulations have been complied with. If compliance is not obtained within 30 days, the Commissioner may begin, or upon request of the distributor or registrant shall begin,

proceedings for condemnation.

- (b) "Condemnation and confiscation": Any lot of commercial feed not in compliance with said provisions and regulations shall be subject to seizure on complaint of the Commissioner to the superior court in the county in which said commercial feed is located. In the event the court finds the said commercial feed to be in violation of this Article, and orders the condemnation of said commercial feed, it shall be disposed of in any manner consistent with the quality of the commercial feed and the laws of the State, provided, that in no instance shall the disposition of said commercial feed be ordered by the court without first giving the claimant an opportunity to apply to the court for release of said commercial feed or for permission to process or relabel said commercial feed to bring it into compliance with this Article. All costs and expenses incurred by the Department of Agriculture in any proceedings associated with such seizure and confiscation shall be paid by the claimant. (1973, c. 771, s. 14.)

In addition, if any person continues to violate or further violates any provision of this Article after written notice from the Commissioner, or his duly designated agent, the court may determine that each day during which the violation continued or is repeated constitutes a separate violation subject to the foregoing penalties.

(b) Nothing in this Article shall be construed as requiring the Commissioner or his representative to: (i) report for prosecution, or (ii) institute seizure

proceedings, or (iii) issue a withdrawal from distribution order, as a result of minor violations of the Article, or when he believes the public interest will best

be served by suitable notice of warning in writing.

(c) It shall be the duty of each district attorney to whom any violation is reported to cause appropriate proceedings to be instituted and prosecuted in a court of competent jurisdiction without delay. Before the Commissioner reports a violation for such prosecution, an opportunity shall be given the distributor to present his view to the Commissioner or his designated agent.

(d) The Commissioner is hereby authorized to apply for and the court to grant a temporary restraining order and a preliminary or permanent injunction restraining any person from violating or continuing to violate any of the provisions of this Article or any rule or regulation promulgated under the Article

notwithstanding the existence of other remedies at law.

(e) Any person adversely affected by an act, order, or ruling made pursuant to the provisions of this Article may within 30 days thereafter bring action in the Superior Court of Wake County for judicial review of such act, order or ruling according to the provisions of Chapter 150A of the General Statutes.

- (f) Any person who uses to his own advantage, or reveals to other than the Board, or officers of the other State agencies whose requests are deemed justifiable by the Commissioner, or to the courts when relevant in any judicial proceeding, any information acquired under the authority of this Article, concerning any method, records, formulations, or processes which as a trade secret is entitled to protection, is guilty of a misdemeanor and shall be subject upon conviction to the penalties contained in subsection (a) of this section; provided, that this prohibition shall not be deemed as prohibiting the Commissioner, or his duly authorized agent, from exchanging information of a regulatory nature with duly appointed officials of the United States government, or of the other states, who are similarly prohibited by law from revealing this information. (1973, c. 47, s. 2; c. 771, s. 15; c. 1331, s. 3.)

Modified live-virus hog-cholera vaccines that have been licensed as such by the Biological Products Licensing Section, Animal Inspection and Quarantine Division, Agricultural Research Service of the United States Department of Agriculture may be sold and used in compliance with the General Statutes of North Carolina and the rules, regulations, definitions and standards adopted by the North Carolina Board of Agriculture and the emergency rules and regulations established by the Commissioner of Agriculture. The State Veterinarian is authorized to agree on the part of the State, in the case of swine destroyed or slaughtered on account of being affected with hog cholera or exposure to same to pay one half of the difference between the appraised value of each animal destroyed or slaughtered and the value of the salvage thereof; provided, that the State indemnity shall not be in excess of the indemnity payments made by the federal cooperating agency; provided further, that State indemnity payments shall be restricted to swine located on the farm or feedlot of the owner or authorized representative of the owner; provided further, that in no case shall any payments by the State be more than twenty-five dollars (\$25.00) for any grade swine nor more than one hundred dollars (\$100.00) for any purebred swine and subject to available State funds. The cost of said vats and chemicals, or any other expense incurred in carrying out the provisions of G.S. 106-351 to 106-363, except G.S. 106-354 and 106-358, shall be paid out of the general county fund. The dipping period shall be continued as long as may be required by the rules and regulations of the State Board of Agriculture, which shall be sufficient in number and length of time to completely destroy and eradicate all cattle ticks (Margaropus annulatus) in such county or counties. (1923, c. 146, s. 7; C. S., s. 4895(v).)

The said advertisement shall state therein the time and place of sale, which place shall be where the animal is confined. The sale shall be at public auction and to the highest bidder for cash. Out of the proceeds of the sale the sheriff shall pay the cost of publishing the notices of the tick-eradication process, including dipping, cost of feeding and caring for the animals and cost of the sale, which shall include one dollar and fifty cents (\$1.50) in the case of each sale to said sheriff. The surplus, if any, shall be paid to the owner of the animal if he can be ascertained. If he cannot be ascertained within 30 days after such sale, then the sheriff shall pay such surplus to the county treasurer for the benefit of the public school fund of the county: Provided, however, that if the owner of the animal shall, within 12 months after the fund is turned over to the county treasurer, as aforesaid, prove to the satisfaction of the board of county commissioners of the county that he was the owner of such animal, then, upon the order of said board, such surplus shall be refunded to the owner. If the sheriff of any county shall neglect, fail or refuse to render his assistance when so required, he shall be guilty of a misdemeanor and be punishable at the discretion of the court. (1923, c. 146, s. 11; C. S., s. 4895(z).)
- § 106-361. Rules and regulations. - § 106-362. Penalty for violation. Any person, firm or corporation who shall violate any provisions set forth in G.S. 106-351 to 106-363 or any rule or regulation duly established by the State Board of Agriculture, or any officer or inspector who shall willfully fail to comply with any provision of G.S. 106-351 to 106-363 shall be guilty of a misdemeanor. (1923, c. 146, s. 13; C. S., s. 4895(bb).)
- § 106-363. Damaging dipping vats a felony. Any person or persons who shall willfully damage or destroy by any means any vat erected, or in the process of being erected, as provided for tick eradication, shall be guilty of a felony and upon conviction shall be imprisoned not less than two years nor more than 10 years in the State prison. (1923, c. 146, s. 14; C. S., s. 4895(cc).)

Local Modification. — Guilford: 1949, c. 462, s. 2; Washington: 1955, c. 353; Wilson: 1941, c. 259, s. 7.

(1935, c. 122, s. 10; c. 334; 1941, c. 259, s. 8; 1949, c. 645, s. 6; 1953, c. 876, s. 7.)

Local Modification. — Wilson: 1941, c. 259, s. 8.

- § 106-374. Vaccination and confinement of dogs brought into State. All dogs shipped or otherwise brought into this State, except for exhibition purposes where the dogs are confined and not permitted to run at large, shall be securely confined and vaccinated within one week after entry, and shall remain confined for two additional weeks after vaccination unless accompained by a certificate issued by a qualified veterinarian showing that said dog is apparently free from rabies and has not been exposed to same and that said dog has received a proper dose of rabies vaccine not more than six months prior to the date of issuing the certificate. (1935, c. 122, s. 11.)
- § 106-375. Quarantine of districts infected with rabies. The local health director and, in those counties where local health directors are not employed, the county board of commissioners may declare quarantine against rabies in any district when in his or its judgment this disease exists to the extent that the lives of persons are endangered, and in that event each and every dog in such district shall be confined on the premises of the owner or in a veterinary hospital; provided, that a dog may be permitted to leave the premises of the owner if on leash or under the control and in the sight of its owner or other responsible

person at all times. (1935, c. 122, s. 12; 1941, c. 259, s. 9; 1949, c. 645, s. 3; 1953, c. 876, s. 8; 1957, c. 1357, s. 8.)

Local Modification. — Cleveland: 1955, c. 306.

- § 106-376. Killing stray dogs in quarantine districts. When quarantine has been established, and dogs continue to run at large, uncontrolled by owners or persons responsbile for their control, any peace officer shall have the right after reasonable effort has been made on the part of the officers to apprehend the dogs running at large to kill said dogs and properly dispose of their bodies. (1935, c. 122, s. 13; 1953, c. 876, s. 9.)
- § 106-377. Infected dogs to be killed; protection of dogs vaccinated. Every dog known to have been bitten by another animal which is known or proved to be rabid shall be killed immediately by its owner or by a peace officer; provided, that any dog which has been vaccinated in accordance with G.S. 106-364 to 106-387 at least three weeks before being bitten but not more than one year before, shall be closely confined for 90 days. At the end of the period of confinement, such dog shall be released if declared free of rabies by a rabies inspector or a licensed graduate veterinarian. If during the period of confinement such dog develops rabies, as determined by a licensed graduate veterinarian, it shall be the duty of the owner to have such animal killed, and properly disposed of, subject to the provisions of G.S. 106-379. - § 106-379. Animals having rabies to be killed; heads ordered to a laboratory. Every rabid animal, after rabies has been diagnosed by a licensed graduate veterinarian, shall be killed at once by its owner or by a peace officer; except that if the animal has bitten a human being, such animal shall be confined under the supervision of a licensed graduate veterinarian until the death of the animal. All heads of animals suspected of dying of rabies shall be sent immediately to a laboratory approved by the Department of Human Resources. Care shall be taken not to damage the brain and to submit such specimens in a manner approved by the State Laboratory of Hygiene. (1935, c. 122, s. 16; 1953, c. 876, s. 12; 1973, c. 476, s. 128.)
- § 106-380. Notice to local health director when person bitten; confinement of dog; reports by physicians. When a person has been bitten by an animal having rabies or suspected of having rabies, it shall be the duty of such person, or his parent or guardian if such person is a minor, and the person owning such animal or having the same in his possession or under his control, to notify the local health director immediately and give their names and addresses; and the owner or person having such animal in his possession or under his control shall immediately securely confine it for 10 days at the expense of the owner in such place as may be designated by the local health director. It shall be the duty of every physician, after his first professional attendance upon a person bitten by any animal having rabies or suspected of having rabies, to report to the local health director the name, age and sex of the person so bitten, and precise location of the bite wound, within 24 hours after first having knowledge that the person was bitten. If the owner of or a person who has in his possession or under his control an animal having rabies or suspected of having rabies refuses to confine

the animal as required by this section or by G.S. 106-378, the local health director may order seizure of the animal and its confinement for 10 days in such place as the director designates, the expense to be paid by the owner. (1935, c. 122, s. 17; 1941, c. 259, s. 11; 1953, c. 876, s. 13; 1957, c. 1357, s. 9; 1977, c. 628.)

Editor's Note. — The 1977 amendment added the third sentence.

For comment on release of medical records by

North Carolina hospitals, see 7 N.C. Cent. L.J. 299 (1976).

§ 106-381. Confinement or leashing of vicious animals. — When an animal becomes vicious or a menace to the public health, the owner of such animal or person harboring such animal shall not permit such animal to leave the premises on which kept unless on leash in the care of a responsible person. (1935, c. 122, s. 18; 1953, c. 876, s. 14.)

Purpose. — This section was enacted for the specific purpose of protecting the public from dogs which have become vicious or a menace to public health. Swaney v. Shaw, 27 N.C. App. 631, 219 S.E.2d 803 (1975).

Ordinance Valid. — An ordinance of a city making it unlawful to keep a dog which habitually or repeatedly chases, snaps at, attacks or barks at pedestrians, bicycles or vehicles is a valid exercise of the city's police power. Gray v. Clark, 9 N.C. App. 319, 176 S.E.2d 16 (1970).

To safeguard and promote the public health, safety and convenience, municipal power to regulate the keeping and licensing of dogs within the corporate area is generally recognized, and ordinances regulating and requiring them to be registered, licensed, and at times muzzled and prevented from going at large, are within the police powers usually conferred upon the local corporation. Such ordinances are authorized by virtue of general powers and the usual general welfare clause. Gray v. Clark, 9 N.C. App. 319, 176 S.E.2d 16 (1970).

A town ordinance dealing with dogs running at large was not inconsistent with this section. The statute is designed to provide minimum protection against vicious dogs in all parts of the State — rural, urban, small villages and large cities. It stands to reason that with more concentrated population, cities are justified in adopting stricter regulations for dogs, and a city

is authorized to require "a higher standard of conduct or condition" with respect to the keeping of dogs within its corporate limits than is required by this section for the State generally. Pharo v. Pearson, 28 N.C. App. 171, 220 S.E.2d 359 (1975).

Violation Negligence Per Se. — The violation of a statute which imposes a duty upon the defendant in order to promote the safety of others, including the plaintiff, is negligence per se, unless the statute, itself, otherwise provides. Swaney v. Shaw, 27 N.C. App. 631, 219 S.E.2d 803 (1975).

Evidence Insufficient to Show Dog "Vicious". — Evidence that a small dog frequently dashed into the street to bark at and pursue motorcycles, automobiles, and other noisy vehicles is not sufficient to justify classifying him as a "vicious" animal and does not make him "a menace to the public health." Sink v. Moore, 267 N.C. 344, 148 S.E.2d 265 (1966); Gray v. Clark, 9 N.C. App. 319, 176 S.E.2d 16 (1970).

Canine courage in a contest for the championship of the neighborhood, together with determination to remain in possession of the field of battle "whence all but him had fled," is not evidence of a vicious character within the meaning of this section. Sink v. Moore, 267 N.C. 344, 148 S.E.2d 265 (1966).

§ 106-382. Administration of law in cities and larger towns; cooperation with sheriffs. — In towns or cities with a population of 5,000, or more, the responsibility for assistance in the enforcement of G.S. 106-364 to 106-387 shall be with the public safety or police department of said town or city, and this department shall be subject to the same rules, regulations and penalties as the sheriffs of the several counties; and it shall further be the duty of the public safety or police department in towns or cities assisting in the enforcement of

- G.S. 106-364 to 106-387 to cooperate with the sheriff of any county in the carrying out of the provisions of G.S. 106-364 to 106-387 for a distance of one mile beyond the city limits. (1935, c. 122, s. 19.)
- § 106-383. Regulation of content of vaccine; doses. Rabies vaccine intended for use on dogs and other animals shall not be shipped or otherwise brought into North Carolina, used, sold, or offered for sale unless said rabies vaccine shall be approved by the U.S. Bureau of Animal Industry, North Carolina State Department of Agriculture and North Carolina Commission for Health Services. Rabies vaccine shall be given in doses recommended by the manufacturer of the vaccine. (1935, c. 122, s. 20; 1953, c. 876, s. 15; 1973, c. 476, s. 128.)
- § 106-384. Law declared additional to other laws on subject. The provisions of G.S. 106-364 to 106-387 shall not be construed to repeal or change any laws heretofore enacted but shall be in addition thereto except insofar as said laws heretofore enacted and enforced shall actually conflict with the provisions of G.S. 106-364 to 106-387 and prevent the proper enforcement of said provisions. And the said laws enacted and now in force shall remain in full force and effect except as they do actually conflict with the enforcement of the provisions of G.S. 106-364 to 106-387 in which G.S. 106-364 to 106-387 and the provisions thereof shall prevail. (1935, c. 122, s. 21.)
- § 106-385. Violation made misdemeanor. Any person who shall violate any of the provisions of G.S. 106-364 to 106-387 or any provision of any regulation of quarantine established thereunder shall be guilty of a misdemeanor and upon conviction thereof shall be subject to a fine of not less than ten dollars (\$10.00) or more than fifty dollars (\$50.00), or to imprisonment of not less than 10 days or more than 30 days in the discretion of the court. (1935, c. 122, s. 23.)

The starting and finishing time of each sale shall be recorded by the livestock inspector on his report of the sale. The operation fee shall be waived when a livestock market operator employs a licensed, accredited veterinarian approved by the State Veterinarian to be present at the market from the starting time of the sale until all livestock to be admitted to the sales barn on that sale day have entered and such work in inspection, testing and vaccination as designated by the State Veterinarian has been completed. Any plant, plant product, object or article which has been, or which the Commissioner of Agriculture or his agents have reasonable grounds to believe has been exposed to a plant pest, may be treated as a plant pest for the purposes of this Article. (1971, c. 526.)
- § 106-420. Authority of Board of Agriculture to adopt regulations. The Board of Agriculture is hereby authorized to adopt reasonable regulations to implement and carry out the purposes of this Article as to eradicate, repress and prevent the spread of plant pests (i) within the State, (ii) from within the State to points outside the State, and (iii) from outside the State to points within the State. The Board of Agriculture shall adopt regulations for eradicating such plant pests as it may deem capable of being economically eradicated, for repressing such as cannot be economically eradicated, and for preventing their spread within the State. Regulations may provide for quarantine of areas. It may also adopt reasonable regulations for preventing the introduction of dangerous plant pests from without the State, and for governing common carriers in transporting plants, articles or things liable to harbor such pests into, from and within the State. The Board is authorized, in order to control plant pests, to adopt regulations governing the inspection, certification and movement of nursery stock, (i) into the State from outside the State, (ii) within the State, and (iii) from within the State to points outside the State. The Board is further authorized to prescribe and collect a schedule of fees to be collected for its nursery inspection, nursery dealer certification, and narcissus bulb inspection activities. Cross Reference. — See § 106-22(5).

§ 106-420.1. - § 106-421. Permitting uncontrolled existence of plant pests; nuisance; method of abatement. — No person shall knowingly and willfully keep upon his premises any plant or plant product infested or infected by any dangerous plant pest, or permit dangerous plants or plant parasites to mature seed or otherwise multiply upon his land, except under such regulations as the Board of Agriculture may prescribe. All such infested or infected plants and premises are hereby declared public nuisances. The owner of such plants or premises shall, when notified to do so by the Commissioner of Agriculture, take such measures as may be prescribed to eradicate such pests. The notice shall be in writing and shall be mailed to the usual or last known address, or left at the ordinary place of business, of the owner or his agent. If such person fails to comply with such notice within such reasonable time as the notice prescribes, the Commissioner of Agriculture, through his duly authorized agents, shall proceed to take such measures as shall be necessary to eradicate such pests, and shall compute the actual costs of labor and materials used in eradicating such pests, and the owner of the premises in question shall pay to the Commissioner of Agriculture such assessed costs. No damages shall be awarded the owner of such premises for entering thereon and destroying or otherwise treating any infected or infested plants or soil when done by the order of the Commissioner of Agriculture. (1957, c. 985.)
- \$ 106-422. Agents of Board; inspection. Persons collaborating with the Division of Entomology may also be designated by the Commissioner of Agriculture as agents for the purpose of this Article. The Commissioner of Agriculture, and any duly authorized agent of the Commissioner, shall have the authority to inspect vehicles or other means of transportation and its cargo suspected of carrying plant pests and to enter upon and inspect any premises between the hours of sunrise and sunset during every working day of the year to determine the presence or absence of injurious plant pests. Any duly authorized agent of the Commissioner shall have authority to stop or cause to be stopped on any highway or other public place, by any law-enforcement officer at the request of said authorized agent of the Commissioner, any vehicle or other means of transportation that is being used, or that the representative of the Commissioner has reasonable grounds to believe is being used, to transport or move any plant, plant product or seed in violation of the provisions of this Article. (1957, c. 985; 1967, c. 976.)
- § 106-423. Nursery inspection; nursery dealer's certificate; narcissus inspection. The Board of Agriculture shall have the authority to define nursery stock. The Commissioner of Agriculture shall have the right to cause all plant nurseries, and narcissus bulb fields where narcissus bulbs are commercially raised, within the State to be inspected at least once each year for serious plant pests. Every person, firm or corporation buying and reselling nursery stock shall register and secure a dealer's certificate for each location from which plants are sold. (1957, c. 985.)
- § 106-423.1. Criminal penalties; violation of laws or regulations. If anyone shall attempt to prevent inspection of his premises as provided in the preceding sections, or shall otherwise interfere with the Commissioner of Agriculture, or any of his agents, while engaged in the performance of his duties under this Article, or shall violate any provisions of this Article or any regulations of the Board of Agriculture adopted pursuant to this Article, he shall

be guilty of a misdemeanor and shall be fined not less than five (\$5.00) nor more than fifty dollars (\$50.00), or imprisoned for not less than 10 nor more than 30 days, for each offense. Each day's violation shall constitute a separate offense. (1957, c. 985.)

ARTICLE 37.

(1915, c. 23, s. 1; C. S., s. 4901.)
- § 106-425. Duplicates of federal samples may be used. The Commissioner of Agriculture shall obtain from the Secretary of Agriculture a duplicate of each of these samples as represent cotton produced in this State for the use of the citizens of the State who may desire to use them in settlement of any disputed transaction. (1915, c. 23, s. 2; C. S., s. 4902.)
- § 106-426. Expert graders to be employed; cooperation with United States Department of Agriculture. The North Carolina Department of Agriculture shall have authority to employ expert cotton graders to grade cotton in this State under such rules and regulations as it may adopt. The North Carolina Department of Agriculture may seek the aid of the United States Department of Agriculture in the prosecution of this work, and shall have authority to enter into such contracts or arrangements as shall be mutually agreeable in furtherance of the object and purpose of this Article. (1915, c. 175, s. 1; C. S., s. 4903; 1967, c. 24, s. 27.)
- § 106-427. County commissioners to cooperate. Any board of commissioners of any county in North Carolina is authorized and empowered to cooperate with the North Carolina Department of Agriculture in aid of the purposes of this Article; and shall have authority to appropriate such sums of money as the said board shall deem wise and expedient. - § 106-428. Grading done at owner's request; grades as evidence. The expert graders employed by the North Carolina Department of Agriculture, or by the United States government, shall have full right, power, and authority to grade any cotton in North Carolina upon the request of the owner of said cotton; and said graders shall grade and classify, agreeable to and in accordance with the standards or grades of cotton which are now or may hereafter be established by the Secretary of Agriculture by virtue of any act of Congress. The grade, or classification, pronounced by said expert graders of all cotton graded by them shall be prima facie proof of the true grade or classification of said cotton, and shall be the basis of all cotton sales in this State. (1915, c. 175, s. 3; C. S., s. 4905; 1967, c. 24, s. 27.)
- § 106-429. Grader's certificate admissible as evidence. Marketing Cotton and Other Agricultural Commodities.

§ 106-429.1. Short title. — The provisions of this Article may be known and designated as the "North Carolina Agricultural Warehouse Act." (1965, c. 1029, s. 2.)

Cited in State v. Woodcock, 17 N.C. App. 242, 193 S.E.2d 759 (1973).

§ 106-430. Purpose of law. — In order to protect the financial interests of North Carolina by stimulating the development of an adequate warehouse system for cotton and other agricultural commodities, in order to enable growers of cotton and other agricultural commodities more successfully to withstand and remedy periods of depressed prices, in order to provide a modern system whereby cotton and other agricultural commodities may be more profitably and more scientifically marketed, and in order to give these products the standing to which they are justly entitled as collateral in the commercial world, a warehouse system for cotton and other agricultural products in the State of North Carolina is hereby established as hereinafter provided. (1919, c. 168, s. 1; 1921, c. 137, s. 1; C. S., s. 4925(a); 1941, c. 337, s. 1.)

Editor's Note. — The 1941 act, amending several sections of this Article and inserting § 106-439, provides that its provisions shall not apply to the storage of tobacco in any form.

Prior Law. — For a full discussion of the

purpose and application of the former statutes, see Bickett v. State Tax Comm'n, 177 N.C. 433, 99 S.E. 415 (1919).

§ 106-431. Definition of "other agricultural commodities". — The term "other agricultural commodities" as used in this Article shall mean such agricultural commodities other than cotton as shall be designated by the Board of Agriculture, through rules and regulations adopted pursuant to this Article, as suitable to be stored in the warehouses operating under this Article. (1941, c. 337, s. 1½.)

§ 106-432. Board of Agriculture administers law, makes rules, appoints superintendent. — The provisions of this Article shall be administered by the State Board of Agriculture, through a suitable person to be selected by said Board, and known as the State warehouse superintendent. In administering the provisions of this Article the Board of Agriculture is empowered to make and enforce such rules and regulations as may be necessary to make effective the purposes and provisions of this Article, and to fix and prescribe reasonable charges for storing cotton and other agricultural commodities in the local warehouses and publish the same from time to time as it may deem necessary. (1919, c. 168, s. 2; 1921, c. 137, s. 2; C. S., s. 4925(b); 1941, c. 337, s. 2.)

Stated in Ellison v. Hunsinger, 237 N.C. 619, 75 S.E.2d 884 (1953).

§ 106-432.1. When employer-employee relationship deemed to exist; when person deemed employee, agent or officer of State, Board, superintendent or system. — For the purposes of this Article, the relationship and status of employer-employee shall be deemed to exist only: when created and subsisting under an express contract of employment, written or oral; for a term, or terminable at the will of the employer; wherein the right to make and enter into the contract of hire or employment, and the right to fire, or to discharge, either at will or for cause reserved in the contract of employment, shall remain with the employer, with respect to the person employed; and the right to prescribe, direct, supervise and closely control the duties of the employee and the discharge of his duties of employment, remains substantially with the employer; and where the compensation of the employee is determined, pursuant to contract or otherwise, by the employer and paid wholly or in part from funds of the employer or funds controlled, at least in part, by and available to him.

No person functioning under or pursuant to this Article shall be deemed an employee or agent or officer of the State of North Carolina, the State Board of Agriculture, the State warehouse superintendent, or of the State warehouse system, as such: unless in this Article and in pertinent regulations and in an express contract, specifically made and designated an employee or agent of the State or State agency (whether as an assistant, manager, inspector, grader, or classer) and unless actually engaged in and within the scope of his duties as an employee, official, or agent of the State of North Carolina, the Board, the superintendent or the system; and unless such person is compensated in whole or in part from funds of or within the control of the State of North Carolina; and unless subject to the right of the State or any of the State agencies, officers and instrumentalities mentioned, to engage, employ or hire him and to terminate his employment or agency, or to contract with him with respect to the terms and conditions and termination of his agency or employment; and unless subject to the direct control of the State of North Carolina or any of its officers, agencies or entities, with respect to fixing, supervising and controlling his duties of employment or agency. (1965, c. 1029, s. 3.)

- § 106-433. Employment of officers and assistants; licensing private facilities as components of warehouse system; licensing employees of private facilities. (a) The Board of Agriculture shall have authority to employ a warehouse superintendent and necessary assistants, local managers, examiners, inspectors, expert cotton classers, and such other employees as may be necessary in carrying out the provisions of this Article, and fix and regulate their duties.
- (b) The Board of Agriculture acting through the State warehouse superintendent is authorized, from time to time, to license privately owned or operated warehouse facilities as component units of the State warehouse system (whether under a lease of such facilities from the State or not) to operate under and pursuant to the provisions of this Article, and to require or permit such licensed warehouse facility to operate and function as a component of the State warehouse system and to subordinate and maintain the licensed warehouse operation (subject to the supervision and regulation of the State warehouse superintendent) under the United States Warehouse Act, and regulations thereunder, as referred to in G.S. 106-450. Licensing and operation requirements of such licensed component warehouse facilities of the State warehouse system may be determined and regulated generally by rules and regulations prescribed by the Board, and the State warehouse superintendent may, in addition, prescribe special rules, regulations, and conditions applicable to the particular licensed warehouse facility. Any license issued by the Board from time to time may be canceled, revoked, or suspended in the unfettered discretion of the Board or the State warehouse superintendent, with or without cause. Such cancellation, revocation, termination or suspension shall also have the immediate effect of

terminating, revoking, canceling or suspending the operation of the warehouse facility as a component unit in the State warehouse system under the United States Warehouse Act and federal regulations issued thereunder. The Board of Agriculture or the State warehouse superintendent may, in their discretion, require and issue, and from time to time revoke, cancel, terminate or suspend, a license for individual warehouse superintendents, managers, examiners, inspectors, classers, and any other employees of privately owned and licensed warehouse facilities, and may generally fix and regulate their duties. The Board of Agriculture or the State warehouse superintendent may, in their unfettered discretion, take any action, with respect to such employees, deemed necessary to insure, or safeguard, or protect the State warehouse system, and to better carry out and enforce the provisions of this Article, and those provisions of the United States Warehouse Act and regulations thereunder which may be incumbent upon the Board or the superintendent. Such individuals, whether licensed or not, shall not be employees or agents of the "State" (which is defined for the purposes of this section to mean and include the State of North Carolina, the State Board of Agriculture, the State warehouse superintendent, or the State warehouse system). (1919, c. 168, s. 3; 1921, c. 137, s. 3; C. S., s. 4925(c); 1965, c. 1029, s. 4.)

Stated in Ellison v. Hunsinger, 237 N.C. 619, 75 S.E.2d 884 (1953).

§ 106-434. Bonds of superintendent, State employees and private warehouse facilities and their employees. — The person named as State warehouse superintendent shall give bond to the State of North Carolina in the sum of fifty thousand dollars (\$50,000) to guarantee the faithful performance of his duties, the expense of said bond to be paid by the State, to be approved as other bonds for State officers. The State warehouse superintendent shall, to safeguard the interests of the State, require bonds from other State employees or agents authorized in G.S. 106-433(a), and may, both for the purpose of safeguarding the interests of the State and of depositors of agricultural commodities with valid, subsisting, and duly authenticated official negotiable warehouse receipts issued under and pursuant to G.S. 106-441, or the pledgee or transferee of such official negotiable warehouse receipts under G.S. 106-442, require bonds with corporate surety from privately owned and licensed warehouse facilities and from warehouse superintendents, managers and other employees of the licensed warehouse facilities authorized under G.S. 106-433(b). All such bonds shall be in such ample penal sums and secured by corporate surety authorized to do business in the State of North Carolina, as the State warehouse superintendent may direct and find that ordinary business experience in such matters would require. Such bonds shall be made as part of the blanket bond of State officers and employees provided for in G.S. 128-8. (1919, c. 168, s. 4; 1921, c. 137, s. 4; C. S., ŝ. 4925(d); 1965, c. 1029, s. 5; 1969, c. 844, s. 9.)

Liability for Loss as Affected by Negligence. — The larceny or loss of cotton from a warehouse through no fault of the warehouseman does not relieve his bond of liability, for a warehouseman is an insurer. Lacy v. Hartford Accident & Indem. Co., 193 N.C. 179, 136 S.E. 359 (1927).

Fraudulent Negotiation of Warehouse Receipt. — Where the superintendent of a

warehouse delivers cotton, takes the endorsed receipts and, instead of canceling them, negotiates a loan for his own benefit, pledging the receipts as collateral, this is a clear breach of his duty for which an action on his bond will lie. Lacy v. Globe Indem. Co., 189 N.C. 24, 126 S.E. 316 (1925).

Stated in Ellison v. Hunsinger, 237 N.C. 619, 75 S.E.2d 884 (1953).

§ 106-435. Fund for support of system; collection and investment. — In order to provide a sufficient indemnifying or guarantee fund to cover any loss not covered by the bonds hereinbefore mentioned, in order to provide the financial backing which is essential to make the warehouse receipt universally acceptable as collateral, and in order to provide that a State warehouse system intended to benefit all cotton growers in North Carolina shall be supported by the class it is designed to benefit, it is hereby declared: that on each bale of cotton ginned in North Carolina during the period from the ratification of this bill until June 30, 1922, twenty-five cents $(25_{\rlap{\sl e}})$ shall be collected through the ginner of the bale and paid into the State treasury, to be held there as a special guarantee or indemnifying fund to safeguard the State warehouse system against any loss not otherwise covered. The State Tax Commission shall provide and enforce the machinery for the collection of this tax, which shall be held in the State treasury to the credit of the State warehouse system. Not less than ten per centum (10%) of the entire amount collected from the per bale tax shall be invested in United States government or farm loan bonds or North Carolina bonds, and the remainder may be invested in amply secured first mortgage notes or bonds to aid and encourage the establishment of warehouses operating under this system, and to aid and encourage the establishment of farm markets designed to serve the marketing, packaging, and grading needs for the sale and distribution of unprocessed farm commodities when adequate markets are not otherwise provided. Such investments shall be made by the Board of Agriculture, with the approval of the Governor and Attorney General: Provided, such first mortgages shall be for not more than one-half the actual value of the warehouse property covered by such mortgages, and run not more than 10 years: Provided further, that the interest received from all investments shall be available for the administrative expense of carrying into effect the provisions of this law, including the employment of such persons and such means as the State Board of Agriculture in its discretion may deem necessary: Provided further, that the guarantee fund, raised under the provisions of sections 4907 to 4925 of the Consolidated Statutes of 1919, shall become to all intents and purposes a part of guarantee fund to be raised under this law and subject to all the provisions hereof. (1919, c. 168, s. 5; 1921, c. 137, s. 5; Ex. Sess. 1921, c. 28; C. S., s. 4925(e); 1957, c. 1091.)

Constitutionality. — The tax contemplated under this section, being uniform upon those of the class designated, and being laid upon a trade, whether that of cotton ginning or farming, is within the authority conferred on the legislature to further "tax trades," etc., and is constitutional. Bickett v. State Tax Comm'n, 177 N.C. 433, 99 S.E. 415 (1919).

Proper Parties in Action to Enforce Section.

— The Governor, the State Board of Agriculture, and the State warehouse superintendent are proper parties plaintiff in an action against the members of the State Tax Commission to require them to provide and enforce the machinery for the collection of the tax provided by this Article. Bickett v. State Tax Comm'n, 177 N.C. 433, 99 S.E. 415 (1919).

Liability of Fund Is Secondary. — A judgment against defendants who had deposited cotton and received negotiable warehouse receipts without disclosing that the cotton was a portion of crops included in recorded liens held by plaintiff, and a judgment against the State Treasurer to be paid from the fund provided by

this section, should provide that the liability of the defendants depositing the cotton is primary and the liability of guaranty fund is secondary. Ahoskie Prod. Credit Ass'n v. Whedbee, 251 N.C. 24, 110 S.E.2d 795 (1959).

Recovery on Bond. — Where a warehouse superintendent fraudulently negotiates spent warehouse receipts and the bona fide holder thereof recovers from the indemnifying fund provided by this section, the State may recover on the bond of the superintendent. The bond is the fund primarily liable. Lacy v. Globe Indem. Co., 189 N.C. 24, 126 S.E. 316 (1925). See Ellison v. Hunsinger, 237 N.C. 619, 75 S.E.2d 884 (1953).

Loss Due to Failure to Issue Receipt Not Recoverable from State Treasurer. — A recovery may not be had against the State Treasurer out of the fund accumulated under this section, for a loss resulting to plaintiff by failure of a warehouse to issue official receipts for cotton to plaintiff as agreed, the receipts having been issued to the holder of a lien against the cotton and the warehouse having refused delivery of the cotton to plaintiff upon his

demand, since the purpose of the statute is to make warehouse receipts acceptable as collateral, and plaintiff is not the holder of the receipts. Northcutt v. People's Bonded Whse. Co., 206 N.C. 842, 175 S.E. 165 (1934).

Cited in Harris v. Fairley, 232 N.C. 551, 61 S.E.2d 616 (1950).

- § 106-436. Registration of gins; gin records and reports; payment of tax.

 If the special levy authorized by G.S. 106-446 is made, it shall be the duty of the Commissioner of Agriculture to require the registration of all gins operating within the State, and to furnish the certificates of registration, numbered serially, free upon application; and each person, firm, partnership, or corporation receiving the said certificate of registration shall post it conspicuously in the gin to which it applies. For failure to make application and secure such certificate of registration, and to post same as required in this section, before beginning operation, each person, firm, partnership, or corporation shall be subject to a penalty of five dollars (\$5.00) for each and every day such gin shall be operated prior to securing and posting such certificate of registration. The penalty herein provided for shall be recovered by the State in a civil action to be brought by the State Commissioner of Agriculture in any court of competent jurisdiction, and it shall be the duty of the Attorney General to prosecute all such actions. Each person, firm, partnership, or corporation operating a gin shall keep a record, on forms furnished or approved by the Commissioner of Agriculture, showing the names and addresses of the owners of the cotton ginned, the number of bales ginned, and the date of each ginning; and each such operator of a gin shall report the number of bales ginned, and pay the tax levied in G.S. 106-435 to the State at least once every 30 days after beginning operation, and shall send a true copy of the report to the Commissioner of Agriculture. (1921, c. 137, s. 6; C. S., s. 4925(f).)
- § 106-437. Qualifications of warehouse manager. No otherwise qualified person shall be qualified as manager of a warehouse unless the members of the board of county commissioners and the president of some bank in the county in which the warehouse is operated shall certify to the State warehouse superintendent that the person desiring to be warehouse manager is in their opinion a man of good character, competent, and of good reputation, deserving the confidence of the people. (1919, c. 168, s. 6; 1921, c. 137, s. 7; C. S., s. 4925(g); 1965, c. 1029, s. 6.)

Obligations of Warehouse Manager. — For obligations assumed by the manager of a warehouse operating pursuant to the provisions

of this Article, see Ahoskie Prod. Credit Ass'n v. Whedbee, 251 N.C. 24, 110 S.E.2d 795 (1959).

- § 106-438. Warehouse superintendent to accept federal standards. The State warehouse superintendent shall accept as authority the standards and classifications of cotton established by the federal government. (1919, c. 168, s. 9; 1921, c. 137, s. 8; C. S., s. 4925(h).)
- § 106-439. Leasing and licensing of property by superintendent; manner of operating warehouse system. The State warehouse superintendent shall have the power to lease for State operation by State employees and for stated terms property for the warehousing by the State of cotton and other agricultural commodities. The State warehouse superintendent shall also have the power to lease from, and to license private or corporate warehouse property for the warehousing of such agricultural commodities under State license, general supervision and control, as a component unit of the State warehouse system. The terms and conditions of the State license shall prevail over the stated terms and conditions of the lease. In no event, however, regardless of the terms and

conditions of the lease, shall any rental be paid by the State until the operating expenses of the leased warehouse facility shall have been paid from the income from the leased warehouse facility. The State shall not be responsible in any case for the payment of rental, except from the income of any leased warehouse facility in excess of the operating expenses of the facilities. The State warehouse superintendent shall fix the terms upon which private or corporate warehouses may be permitted to operate under State license and supervision, and obtain the benefits thereof, regardless of the terms and conditions of any lease agreement between the private or corporate warehouse and the State. It shall be his special duty to foster and encourage the erection of warehouses in the various cotton-growing and agricultural counties of the State for operation under the terms of this Article, and to provide an adequate system of inspection, and of rules, forms, and reports to insure the security of the system, such matters to be approved by the State Board of Agriculture. The violation of such rules shall be a misdemeanor. Cotton and other agricultural products may be stored in such warehouses by any person owning them, and receive all of the benefits accruing from operation of such warehouses under direct State management, or as the case may be, under State license, general supervision and regulation, as component units of the State warehouse system and any person permitted to store cotton or other products in any such warehouse shall pay to the manager of the warehouse such sum or sums for rent or storage as may be agreed upon, subject to G.S. 106-432, by the manager, and such person desiring storage therein. (1919, c. 168, s. 10; 1921, c. 137, s. 9; C. S., s. 4925(i); 1941, c. 337, s. 3; 1965, c. 1029, s. 7.)

Stated in Ellison v. Hunsinger, 237 N.C. 619, Cited in Harris v. Fairley, 232 N.C. 551, 61 75 S.E.2d 884 (1953). S.E.2d 616 (1950).

§ 106-440. Power of superintendent to sue or to be sued; liability for tort. — The said superintendent shall also have the power to sue, or to be sued, in the courts of this State in his official capacity, but not as an individual, except in case of tort or neglect of duty, when the action shall be upon his bond. Suits may be brought in the County of Wake or in the county in which the cause of action arose. (1919, c. 168, s. 11; 1921, c. 137, s. 10; C. S., s. 4925(j).)

Stated in Ellison v. Hunsinger, 237 N.C. 619, 75 S.E.2d 884 (1953).

§ 106-441. Grading and weighing of products; negotiable receipts; authentication of receipts. — When agricultural commodities other than cotton have been stored in warehouses operated under this Article and have been graded and standardized in conformity with the grades and standards heretofore or hereafter promulgated by the Board of Agriculture, acting under the provisions of G.S. 106-185 to 106-196, negotiable warehouse receipts of form and design approved by the Board of Agriculture may be issued. As soon as possible after any lint cotton, properly baled, is received for storage, the local manager shall, if it has not been done previously, have it graded and stapled by a federal or State classifier and legally weighed. Official negotiable receipts of the form and design approved by the Board of Agriculture shall be issued for such cotton under the seal and in the name of the State of North Carolina, stating the location of the warehouse, the name of the manager, the mark on said bale, the weight, the grade, and the length of the staple, so as to be able to deliver on surrender of the receipt the identical cotton for which it was given. On request of the depositor, negotiable receipts may be issued under this section omitting the statement of grade or staple, such receipt to be stamped on its face, "Not

graded or stamped on request of the depositor." The warehouse manager shall fill in receipts issued under this section and they shall be signed by him or in his name by his duly authorized agent, and by the State warehouse superintendent or in the name of the State warehouse superintendent by his duly authorized licensee, State employee, or State agent. If the local manager cannot issue a negotiable receipt complete for cotton or other agricultural commodities, he shall issue nonnegotiable memorandum receipts therefor, said memorandum receipts to be taken up and marked "Canceled" by the local manager upon the delivery of negotiable receipts for such commodities. If the official negotiable receipt is issued for cotton or other agricultural commodities of which the manager is the owner, either solely or jointly or in common with others, the fact of such ownership must appear on the face of the receipt. No responsibility is assumed by the State warehouse system for fluctuation in weight or grade or quality due to natural causes; but in other respects the receipts issued under this section for cotton and other agricultural commodities shall be supported and guaranteed by the indemnifying fund provided in G.S. 106-435. (1919, c. 168, s. 12; 1921, c. 137, s. 11; C. S., s. 4925(k); 1925, c. 225; 1941, c. 337, s. 4; 1965, c. 1029, s. 8.)

Warehouseman as Insurer. — Where under a contract of bailment the bailee receives certain bales of cotton and stores them in his warehouse, under agreement to return the identical bales upon return of the warehouse receipts in the manner provided in the contract, the liability of the bailee is that of insurer, and

it is liable in damages when it is prevented by theft from performing its contract, though without negligence on its part. Lacy v. Hartford Accident & Indem. Co., 193 N.C. 179, 136 S.E. 359 (1927), decided under former law.

Stated in Ellison v. Hunsinger, 237 N.C. 619,

75 S.E.2d 884 (1953).

§ 106-442. Transfer of receipt; issuance and effect of receipt. — The official negotiable receipt issued under G.S. 106-441 for cotton or other agricultural commodity so stored is to be transferable by written assignment and actual delivery, and the cotton or other agricultural commodity which it represents is to be deliverable only upon a physical presentation of the receipt, which is to be marked "Canceled," with date of cancellation, when the cotton or other agricultural commodity is taken from the warehouse. The said official negotiable receipt carries absolute title to the cotton or other agricultural commodity, and it is the duty of the local manager accepting same for storage to satisfy himself that the depositor has good title to the same. (1921, c. 137, s. 12; C. S., s. 4925(l); 1941, c. 337, s. 5; 1955, c. 523.)

"Satisfy Himself". — This section requires the local manager to satisfy himself, which implies that he must act as a prudent person and exercise reasonable care under existing conditions. Ahoskie Prod. Credit Ass'n v. Whedbee, 251 N.C. 24, 110 S.E.2d 795 (1959).

Sale by Wrongdoer to Innocent Purchaser. — Where wrongdoer obtained cotton by false pretense, stored it and obtained negotiable warehouse receipts without signing the certificates of ownership, and negotiated the receipts to an innocent purchaser for value without notice, by virtue of this section the purchaser obtained absolute title to the cotton. But the true owner is entitled to recover its value against the bond of the warehouse manager and the warehouse if the loss was occasioned by any default in the faithful performance of their obligations under this Article, or the bond of the

State warehouse superintendent if the loss was occasioned by his default in the faithful performance of his duties, or, if the loss is not covered by such bonds, then under the indemnifying or guarantee fund created by § 106-435. Ellison v. Hunsinger, 237 N.C. 619, 75 S.E.2d 884 (1953).

When Negotiation Not Impaired by Breach of Duty. — Official warehouse receipts are negotiable by written assignment and delivery, and negotiation of a receipt is not impaired by the fact that such negotiation was a breach of duty on the part of the person making the negotiation, if the person to whom the receipt was negotiated took same for value, in good faith, and without notice of the breach of duty. Harris v. Fairley, 232 N.C. 551, 61 S.E.2d 616 (1950).

Facts Held Sufficient to Show Exercise of Due Diligence. — The manager of a warehouse, having had prior dealings with the depositor of cotton, issued negotiable receipts therefor in reliance on his belief in the integrity of such depositor and the depositor's representations and written warranties that there were no liens or valid claims outstanding against the cotton; but the manager failed to examine the records in the office of the register of deeds, which

would have shown registered liens against the commodity. It was held that whether the manager exercised the care of a reasonably prudent person in issuing the negotiable receipts is susceptible to different conclusions by reasonable people, and the facts were sufficient to support the inference of fact that the manager exercised due diligence. Ahoskie Prod. Credit Ass'n v. Whedbee, 251 N.C. 24, 110 S.E.2d 795 (1959).

§ 106-443. Issuance of false receipt a felony; punishment. — The manager of any warehouse, or any agent, employee, or servant, who issues or aids in issuing a receipt for cotton or other agricultural commodity without knowing that such cotton or other agricultural commodity has actually been placed in the warehouse under the control of the manager thereof shall be guilty of a felony, and upon conviction be punished for each offense by imprisonment in the State penitentiary for a period of not less than one or more than five years, or by a fine not exceeding 10 times the market value of the cotton or other agricultural commodity thus represented as having been stored (1919, c. 168, s. 13; 1921, c. 137, s. 13; C. S., s. 4925(m); 1941, c. 337, s. 6.)

Gist of Offense under Section. — Despite its caption, the gist of the offense created by this section is not the issuing of a false warehouse receipt; rather, it is the issuing of a receipt without knowing it to be true. State v. Woodcock, 17 N.C. App. 242, 193 S.E.2d 759 (1973).

When Warehouse Receipts Were "Issued".

— Warehouse receipts were "issued" by a

warehouse manager within the meaning of this section when, after they had been signed by him, they were at his direction delivered to the bank where they were no longer under his control. State v. Woodcock, 17 N.C. App. 242, 193 S.E.2d 759 (1973).

§ 106-444. Delivery of cotton without receipt or failure to cancel receipt.— Any manager, employee, agent, or servant who shall deliver cotton or other agricultural commodity from a warehouse under this Article without the production of the receipt therefor, or who fails to mark such receipt "Canceled" on the delivery of the cotton or other agricultural commodity, shall, upon conviction, be punished by a fine of not more than ten thousand dollars (\$10,000), or imprisoned not more than five years, or both fine and imprisonment, in the discretion of the court. (1919, c. 168, s. 14; 1921, c. 137, s. 14; C. S., s. 4925(n); 1941, c. 337, s. 7.)

§ 106-445. Rules for issuance of duplicate receipts. — A duplicate receipt is authorized to be issued for a lost or destroyed receipt, due record of the original receipt being found upon the books of the warehouse, only upon affidavit of the owner of the original that the original receipt has been lost or destroyed, and upon the owner's giving the State warehouse superintendent bond with approved security in an amount equal to the double value of the cotton or other agricultural commodity represented by the original receipt to indemnify the State and the component warehouse facility and the State warehouse system from loss or damage and the cost of any litigation. In determining the amount of the bond required under this section, the value of cotton shall be estimated at the highest market price of middling cotton during the preceding two years. The value of other agricultural commodities shall be estimated for this purpose in accordance with regulations to be prescribed by the Board of Agriculture. (1919, c. 168, s. 15; 1921, c. 137, s. 15; C. S., s. 4925(o); 1941, c. 337, s. 8; 1965, c. 1029, s. 9.)

§ 106-446. State not liable on warehouse debts; levy on cotton or levy on grain and soybeans levied if loss is sustained. — No debt or other liability shall be created against the State by reason of the lease or operation of the warehouse system created by this Article or the storage of cotton or other agricultural commodities therein, it being the purpose of this Article to establish a self-sustaining system to operate as nearly as practicable at cost, without profit or loss to the State, except that expenses of supervision shall be paid by the Board of Agriculture. While it is believed that the provisions and safeguards mentioned in this Article, including the bonds required and supplemental indemnifying or guarantee fund mentioned in G.S. 106-435, will insure the security of the system beyond any reasonable possibility of loss, nevertheless, in order to establish the principle that this system should be supported by those for whose special financial benefit it is established, it is hereby provided that in the eventuality the system should suffer at any time any loss not fully covered by the aforementioned bonds and indemnifying fund, the State Board of Agriculture shall have the power to make such losses on cotton good by repeating for another 12 months selected by it the special levy on ginned cotton, as prescribed in G.S. 106-435 for the two years ending June 30, 1923, and the State Board of Agriculture shall have the power to make good such losses on soybeans, corn, wheat and grain sorghum by levying an assessment of one cent (1¢) per bushel on each bushel of soybeans, corn, wheat, and grain sorghum sold by producers through commercial channels for such period of time as is necessary to pay off said loss. The assessment shall be paid by the producer of the soybeans, corn, wheat and grain sorghum to the collecting handler. The collecting handler shall be any person, firm, corporation or other legal entity who purchases soybeans, corn, wheat or grain sorghum from the producer. The collecting handler shall collect the assessment at the time he first makes any payment or any credit to the producer's account for the soybeans, corn, wheat or grain sorghum. Each collecting handler shall transmit assessment and reports on assessments to the North Carolina Department of Agriculture no later than the tenth day of the month next following the month in which the assessment was or should have been levied. The report which shall be sent to the Department of Agriculture with the assessment shall contain the following information:

(1) Date of report;

(2) Reporting period covered by report;(3) Name and address of collecting handler;

(4) Listing of all producers from whom the collecting handler collected the assessment, and total number of bushels of each grain for each

producer on which the collecting handler collected the assessment. Failure of the collecting handler to collect the assessment shall not relieve the collecting handler of his obligation to remit the assessment to the North Carolina Department of Agriculture. Each collecting handler required to make reports pursuant to this Article shall maintain such books and records as are required by the Commissioner of Agriculture or his authorized representative, and they shall be available for inspection for at least two years beyond the 12-month period of their applicability. The North Carolina Department of Agriculture shall have authority to make reasonable rules and regulations for the collection of this assessment and for the enforcement of this section. The funds collected pursuant to this section shall be held in the State treasury to the credit of the State warehouse system and shall be a part of the guarantee fund provided for in G.S. 106-435. (1919, c. 168, s. 16; 1921, c. 137, s. 16; C. S., s. 4925(p); 1941, c. 337, s. 9; 1965, c. 1029, s. 10; 1967, c. 560.)

§ 106-447. Insurance of cotton; premiums; lien for insurance and storage charges. — The superintendent shall insure, or shall require the local manager to insure and keep insured for its full value, upon the best terms obtainable, by individual or blanket policy, all cotton and other agricultural commodities on

storage against loss by fire and lightning. In case of loss, the superintendent shall collect the insurance due and pay the same, ratably, to those lawfully entitled to it, insurance policies to be in the name of the State and the premium collected from the owners of the cotton and other agricultural commodities, the State to have a lien on cotton and other agricultural commodities for insurance and storage charges as in the case of other public warehouses in the State. (1919, c. 168, s. 17; 1921, c. 137, s. 17; C. S., s. 4925(q); 1941, c. 337, s. 10; 1943, c. 474.)

- § 106-448. Superintendent to negotiate loans on receipts and sell cotton for owners. — The State warehouse superintendent, in addition to the duties hereinbefore vested in him, is also permitted and empowered, upon the request of the owner or owners of the warehouse receipts and cotton or other agricultural commodities stored in such warehouses to aid, assist, and cooperate, or as the duly authorized agent of such owner or owners (which authorization shall be in writing), to secure and negotiate loans upon the warehouse receipts. And upon like written request or authorization of said owner or owners, and his or their duly authorized agent, he may sell and dispose of such warehoused cotton or other agricultural commodities for such owner or owners, either in the home or foreign markets, as may be agreed upon between such owner or owners and the said superintendent, in writing. And for said loan or sales the said superintendent shall charge reasonable and just commissions, without discrimination, all of which shall be accounted for and held as part of the fund for the maintenance and operation of the State warehouse system: Provided, however, that the State incurs no liability whatever for any act or representation of the superintendent in exercising any of the permissions or powers vested in him in this section: Provided, further, that the bond of the superintendent will be liable for any unfaithful or negligent act of his by reason of which the owner or owners of such warehoused cotton or other agricultural commodities suffers damage or loss. (1919, c. 168, s. 18; 1921, c. 137, s. 18; C. S., s. 4925(r); 1941, c. 337, s. 11.)
- § 106-449. Construction of 1941 amendment. The provisions of Chapter 337 of the Public Laws of 1941, amending this Article, shall not apply to the storage of tobacco in any form. (1941, c. 337, s. 11½.)
- § 106-450. Compliance with United States warehouse law. (a) The State warehouse superintendent may,
 - (1) Upon approval of the Board of Agriculture, operate or cause to be operated by State employees or State agents under his immediate and direct supervision and control, any or all State owned or State leased warehouses, or
 - (2) May cause to be operated privately owned and operated, but State licensed and generally regulated and supervised warehouses, also leased by the State warehouse superintendent, and forming component units of the State warehouse system,
 - (3) All under and pursuant to the provisions of this Article, subject to the United States Warehouse Act and lawful regulations issued thereunder.
- (b) The State warehouse superintendent is authorized, and the owners, operators, officers, and employees of affiliated State licensed component units in the State warehouse system are directed, to comply with the said United States Warehouse Act and such lawful regulations as may be issued thereunder, by the federal authorities, and such additional State rules and regulations which may be imposed, under and pursuant to this Article, upon all parties concerned in the operation of the State warehouse system. (1921, c. 137, s. 19; C. S., s. 4925(s); 1965, c. 1029, s. 11.)

§ 106-450.1. Bond of State warehouse system under United States Warehouse Act. — Any bond required by the provisions of the United States Warehouse Act on behalf of the State warehouse system shall be procured in the name of, and shall show as the principal obligor thereon, the State of North Carolina and the obligations of such bond shall rest upon the State of North Carolina, acting through the State Board of Agriculture or the State warehouse superintendent on behalf of the State warehouse system. Any right of indemnity over as against the principal obligor for any loss under the bond by any surety, shall principally and primarily be directed against and encumber the State Warehouse Indemnifying or Guaranty Fund provided for under the terms and provisions of this Article, including, but not restricted to, G.S. 106-435. Any cause of action arising out of or incidental to any bond furnished under and pursuant to the United States Warehouse Act shall be and constitute a claim and suit against the State of North Carolina, whether the State of North Carolina is designated as party defendant in any such action or not, and whether the action is brought against the State of North Carolina, the State Board of Agriculture, the State warehouse superintendent, the State warehouse system, the Treasurer of the State of North Carolina as custodian of the State Indemnity and Guaranty Fund, or any of them, or any individual holding an office or acting as agent of the State of North Carolina, the State Board of Agriculture, the State warehouse superintendent, the State warehouse system or other legal entity acting by and for the State or any of its agencies or instrumentalities in the execution of this Article. There shall be no liability or cause of action against any individual acting as an officer, employee, agency or instrumentality of the State in the execution of this Article under any bond furnished by the State under and pursuant to the United States Warehouse Act, except as in this Article otherwise provided. (1965, c. 1038.)

§ 106-451. Numbering of cotton bales by public ginneries; public gin defined. — (a) Any person, firm or corporation operating any public cotton gin, that is, any cotton gin other than one ginning solely for the individual owner, owners, or operators thereof, shall hereafter be required to distinctly and clearly number, serially, each and every bale of cotton ginned, in one of the following ways:

(1) Attach a metal strip carrying the serial number to one of the ties of the bale and ahead of the tie lock, and so secure it that ordinary handling

will not remove or disfigure the number.

(2) Impress the serial number upon one of the bands or ties around the bale. Any person, firm or corporation failing or refusing to comply with this section shall be guilty of a misdemeanor for each and every offense, and upon conviction shall be fined not exceeding fifty dollars (\$50.00) or imprisoned not more than 30 days.

(b) Any person, firm or corporation buying a bale of cotton on which this number has: (i) been removed; (ii) defaced by cutting; (iii) or otherwise altered, unless a new metal strip is attached and impression made by the original gin ginning said bale or bales of cotton, shall be guilty of a misdemeanor for each and every offense and upon conviction shall be fined not exceeding fifty dollars

(\$50.00) or imprisoned not more than 30 days.

(c) Every public ginnery, as defined in subsection (a) of this section, shall keep a book in which shall be registered all cotton received at the gin to be ginned in the name of the owner of the cotton and the name of the person from whom the cotton is received for ginning. Any person giving false information for entry in this book shall be guilty of a misdemeanor. There shall be furnished by the ginner for each bale of cotton ginned, to the owner thereof, a gin ticket bearing the name of the gin, the serial number of the bale prescribed by subsection (a) of this section, the weight of the bale and the name of the owner of the cotton. Such gin ticket shall be presented, for comparison with the serial number

prescribed in subsection (a) of this section, at the time such bale is sold or offered for sale, as prima facie evidence of ownership thereof. (1923, c. 167; 1949, c. 824.)

§ 106-451.1. Purchasers of cotton to keep records of purchases. — Every cotton broker or other person buying cotton from the producer after it is ginned shall keep a record of such purchase for a period of one year from date of purchase. This record shall contain the name and address of the seller of the cotton, the date on which purchased, the weight or amount and the serial number of the bales provided for by G.S. 106-451. Any person violating the provisions of this section shall be guilty of a misdemeanor and shall, upon conviction, be fined or imprisoned in the discretion of the court: Provided, any person, firm or corporation who purchases cotton which has been ginned outside this State shall be required to keep only so much of the records hereinabove specified as purchasers are required to keep by the law of the state where said cotton was ginned. (1945, c. 61; 1947, c. 977.)

(1931, c. 101, s. 1; 1939, c. 348.)

ARTICLE 40.

Leaf Tobacco Sales.

§ 106-456. Accounts of warehouse sales required. — On and after the first day of August, 1907, the proprietor of each and every leaf tobacco warehouse doing business in this State shall keep a correct account of the number of pounds of leaf tobacco sold upon the floor of his warehouse daily. The Commissioner of Agriculture shall cause said statements to be accurately copied into a book to be kept for this purpose, and shall keep separate and apart the statements returned to him from each leaf tobacco market in the State, so as to show the number of pounds of tobacco sold by each market for the sale of leaf tobacco; the number of pounds sold by producers, and the number of pounds resold upon each market. The Commissioner of Agriculture shall keep said books open to the inspection of the public, and shall, on or before the fifteenth day of each month, after the receipt of the reports above required to be made to him on or before the tenth day of each month, cause the said reports to be published in the Bulletin issued by the agricultural department and in one or more journals published in the interest of the growth, sale, and manufacture of tobacco in the State, or having a large circulation therein. - § 106-461. Nested, shingled or overhung tobacco. It shall be unlawful for any person, firm or corporation to sell or offer to sale, upon any leaf tobacco warehouse floor, any pile or piles of tobacco, which are nested, or shingled, or overhung, or either as hereinafter defined:
 - (1) Nesting tobacco: That is, so arranging tobacco in the pile offered for sale that it is impossible for the buyer thereof to pull leaves from the bottom of such pile for the purpose of inspection;
 - (2) Shingling tobacco: That is, so arranging a pile of tobacco that a better quality of tobacco appears upon the outside and tobacco of inferior quality appears on the inside of such pile; and
 - (3) Overhanging tobacco: This is, so arranging a pile of tobacco that there are alternate bundles of good and sorry tobacco. (1933, c. 467, s. 1.)
- § 106-462. Sale under name other than that of true owner prohibited. It shall be unlawful for any person, firm or corporation to sell or offer for sale or cause to be sold, or offered for sale, any leaf tobacco upon the floors of any leaf tobacco warehouse, in the name of any person, firm or corporation, other than that of the true owner or owners thereof, which true owner's name shall be registered upon the warehouse sales book in which it is being offered for sale. (1933, c. 467, s. 3.)

§ 106-464. Violation made misdemeanor. — Any person, firm or corporation violating the provisions of G.S. 106-461 to 106-463 shall be guilty of a misdemeanor, and upon conviction shall be fined not more than fifty dollars (\$50.00) or imprisoned not more than 30 days. (1933, c. 467, s. 4.)

§ 106-465. Organization and membership of tobacco boards of trade; rules and regulations; fire insurance and extended coverage required; price fixing prohibited. — Tobacco warehousemen and the purchasers of leaf tobacco, at auction, on warehouse floors, are hereby authorized to organize, either as nonstock corporations, or voluntary associations, tobacco boards of trade in the several towns and cities in North Carolina in which leaf tobacco is sold on warehouse floors, at auction.

Such tobacco boards of trade as may now exist, or which may hereafter be organized, are authorized to make reasonable rules and regulations for the economical and efficient handling of the sale of leaf tobacco at auction on the warehouse floors in the several towns and cities in North Carolina in which an

auction market is situated.

Each tobacco board of trade organized pursuant to this section shall, on or before June 1, 1973, by regulation, require that all auction warehouse firms which are members of, or may hereafter request membership in, such board of trade for the purpose of displaying for sale and selling leaf tobacco, deposit with the board of trade prior to the market opening, a copy of a policy of fire insurance and extended coverage in a company licensed to do business in North Carolina to fully insure, as determined by the board of trade, the market value of the maximum volume of tobacco that will be weighed and left displayed for sale on said warehouse floor at any time during the marketing season. Warehouses using mechanized conveyor-line auction sales where tobacco is not displayed for sale on sales floor would be excluded from the requirement of this regulation.

In determining the market value and maximum volume of tobacco that will be weighed and placed on said warehouse floor at any one time, the board of trade shall use as criteria the prior season's official gross average price for that belt, as recorded by the North Carolina Department of Agriculture and the maximum limit of daily sales, as recommended by the currently functioning flue-cured and burley tobacco marketing organizations, applied to each warehouse based on the firm's pro rata share of the market's maximum limit daily sales opportunity, multiplied times the number of days of sales that said warehouse plans to place on sales floor at any one time, including any and all tobacco weighed and deposited with the warehouse as bailee for future sale. The data relating to the official average price and the maximum limits of daily sales shall be assembled and supplied by the North Carolina Commissioner of Agriculture or his representative to the board of trade in each tobacco market in North Carolina, at least 30 days prior to the opening of markets in each belt.

It shall be unlawful for any person, firm, or corporation to operate an auction sale in said market until said policy is so deposited with and approved by the board of trade. The board of trade shall enjoin the sale of tobacco by any warehouse firm that fails to so deposit a policy of fire insurance and extended

coverage with the board.

The tobacco boards of trade in the several towns and cities in North Carolina are authorized to require as a condition to membership therein the applicants to pay a reasonable membership fee and the following schedule of maximum

fees shall be deemed reasonable, to wit:

A membership fee of fifty dollars (\$50.00) in those towns in which less than 3,000,000 pounds of tobacco was sold at auction between the dates of August 20, 1931, and May 1, 1932; a fee of one hundred dollars (\$100.00) in those towns in which during said period of time more than 3,000,000 and less than 10,000,000 pounds of tobacco was sold; a fee of one hundred fifty dollars (\$150.00) in those towns in which during said period of time more than 10,000,000 and less than

25,000,000 pounds of tobacco was sold; a fee of three hundred dollars (\$300.00) in those towns in which during said period of time more than 25,000,000 pounds

of tobacco was sold.

Membership, in good standing, in a local board of trade shall be deemed a reasonable requirement by such board of trade as a condition to participating in the business of operating a tobacco warehouse or the purchase of tobacco at auction therein.

Membership in the several boards of trade may be divided into two categories:

(1) Warehousemen;

(2) Purchasers of leaf tobacco other than warehousemen.

Purchasers of leaf tobacco may be: (i) participating or (ii) nonparticipating. The holder of a membership as a purchaser of leaf tobacco shall have the option of becoming, upon written notice to the board of trade, either a participating or a nonparticipating member. Individuals, partnerships, and/or corporations who are members of tobacco boards of trade, established under this section or coming within the provisions of this section, as nonparticipating members shall not participate in or have any voice or vote in the management, conduct, activities, allotment of sales time, and/or hours, the fixing of dates for the opening or closing of tobacco auction markets, or in any other manner or respect. Individuals, partnerships, and/or corporations who are such nonparticipating members in any of the several tobacco boards of trade shall not be responsible or liable for any of the acts, omissions or commissions of the several tobacco boards of trade.

It shall be unlawful and punishable as of a misdemeanor for any bidder or purchaser of tobacco upon warehouse floors to refuse to take and pay for any basket or baskets so bid off from the seller when the seller has or has not accepted the price offered by the purchaser or bidder of other baskets. Any person suspended or expelled from a tobacco board of trade under the provisions of this section may appeal from such suspension to the superior court of the

county in which said board of trade is located.

Nothing in this section shall authorize the organization of any association having for its purpose the control of prices or the making of rules and regulations in restraint of trade. (1933, c. 268; 1951, c. 383; 1973, c. 96.)

Interests of Warehousemen, Buyers and Sellers of Tobacco. — The warehousemen have an economic stake in the markets' operations, but the markets exist for the purpose of serving the interests of buyers and sellers of tobacco. Those interests deserve inquiry and consideration in an appraisal of any plan containing market restrictions and limitations. Robertson v. Federal Trade Comm'n, 415 F.2d 49 (4th Cir. 1969).

The very nature of leaf tobacco demands regulation of its sale, as this section recognizes and the decisions of the courts confirm. Eagles v. Harriss Sales Corp., 368 F.2d 927 (4th Cir. 1966).

Jurisdiction of Federal Trade Commission.

— There is a substantial public interest in maintaining free and open competition among warehousemen on tobacco auction markets. The public interest often is specific and substantial, because the unfair method employed threatens the existence of present or potential competition. That is the basis for the jurisdiction of the Federal Trade Commission in a case involving regulations adopted pursuant to this section

governing the allocation of selling time to tobacco warehouses. Asheville Tobacco Bd. of Trade, Inc. v. Federal Trade Comm'n, 263 F.2d 502 (4th Cir. 1959).

The decisions of the North Carolina courts since the enactment of this section make it clear that the sale of tobacco at auction is of great public importance to the State of North Carolina, but they also show that the operation of the business is in the hands of private parties. A tobacco board of trade is organized primarily for the benefit of those engaged in the business; its articles of association and bylaws constitute a contract amongst the members by which each member consents to reasonable regulations pertaining to the conduct of the business. Such a board is not an instrumentality of the State, and its activities are subject to the jurisdiction of the Federal Trade Commission. Asheville Tobacco Bd. of Trade, Inc. v. Federal Trade Comm'n, 263 F.2d 502 (4th Cir. 1959).

Unfair Trade Regulations Are Subject to Correction by Federal Trade Commission, Not Courts. — The Federal Trade Commission rather than the courts has the expertise, the

power, and the implements to explore and correct unfair trade regulations. Eagles v. Harriss Sales Corp., 368 F.2d 927 (4th Cir. 1966). Members Have Technical Representation

Members Have Technical Representation through Board. — Under this section, tobacco purchasers are, or may be, members of a board of trade. To the extent that they are, they have had technical representation through the board of trade. Roberts v. Fuquay-Varina Tobacco Bd. of Trade, Inc., 405 F.2d 283 (4th Cir. 1968).

By becoming a member of a board a person consents to be bound by its reasonable regulations. Eagles v. Harriss Sales Corp., 368 F.2d 927 (4th Cir. 1966).

Rules and Regulations of Board. — The authority granted to a tobacco board of trade, under and by virtue of the provisions of this section, to make reasonable rules and regulations for the economical and efficient handling of the sale of leaf tobacco at auction on warehouse floors where an auction market is situated, is sufficiently broad to include the authority to make reasonable rules and regulations in respect to allotment of sales time. Cooperative Warehouse v. Lumberton Tobacco Bd. of Trade, 242 N.C. 123, 87 S.E.2d 25 (1955); Day v. Asheville Tobacco Bd. of Trade, 242 N.C. 136, 87 S.E.2d 18 (1955).

The articles of association for the purposes expressed in the charter and bylaws of a tobacco board of trade, organized and existing under and by virtue of this section, constitute a contract between it and its members, and as a consequence of membership in the corporation for mutual membership, each member is deemed to have consented to all reasonable rules and regulations pertaining to the business. Cooperative Warehouse v. Lumberton Tobacco Bd. of Trade, 242 N.C. 123, 87 S.E.2d 25 (1955); Day v. Asheville Tobacco Bd. of Trade, 242 N.C. 136, 87 S.E.2d 18 (1955).

Regulations adopted by a local tobacco board of trade involving allocation of selling time to

warehouses were held in the instant case to unreasonably and unduly restrain trade in the purchase and sale of tobacco and to constitute unfair methods of competition and unfair acts or practices in commerce within the meaning of the Federal Trade Commission Act. Asheville Tobacco Bd. of Trade, Inc. v. Federal Trade Comm'n, 263 F.2d 502 (4th Cir. 1959).

A tobacco board of trade has no authority to legislate. It cannot create a duty where the law creates none. The legislature has the authority to regulate, within constitutional limits, the sale of leaf tobacco upon the auction markets of this State, and in doing so may prescribe standards of conduct to be observed by those who conduct auction warehouses as well as others participating in the sales. But this is a nondelegable power. Kinston Tobacco Bd. of Trade v. Liggett & Myers Tobacco Co., 235 N.C. 737, 71 S.E.2d 21 (1952).

Board Has No Right to Establish Sales and Require Buyers to Purchase Thereat. — This section is silent upon the question of the number of sales and prescribes no standard by which the number of sales may be determined. Therefore, in the absence of an agreement, either expressed or implied, a board organized under this section has no right to establish sales and require buyers to purchase thereat. Kinston Tobacco Bd. of Trade v. Liggett & Myers Tobacco Co., 235 N.C. 737, 71 S.E.2d 21 (1952).

Regulation adjusting divisions of selling time to establish an equitable market participation did not constitute conspiracy, monopoly, or an unreasonable restraint of trade. Eagles v. Harriss Sales Corp., 368 F.2d 927 (4th Cir. 1966).

Applied in Roberts v. Fuquay-Varina Tobacco Bd. of Trade, Inc., 220 F. Supp. 608 (E.D.N.C. 1963), aff'd, 332 F.2d 521 (4th Cir. 1964).

ARTICLE 41.

Dealers in Scrap Tobacco.

§ 106-466. Application for license; amount of tax; exceptions. — Every person, firm or corporation desiring to engage in the business of buying and/or selling scrap or untied tobacco in the State of North Carolina shall first procure from the Secretary of Revenue of North Carolina a license so to do, and for that purpose shall file with the said Secretary of Revenue an application setting forth the name of the county or counties in which such applicant proposes to engage in the said business and the place or places where his, their or its principal office (if any) shall be situated; and shall pay to the said Secretary of Revenue of North Carolina, to be placed in the general fund for the use of the State, an annual license tax of five hundred dollars (\$500.00) for each and every county in North Carolina in which the applicant proposes to engage in such business. Every such license issued hereunder shall run from the date thereof and shall expire on the thirty-first day of May of the next year following its issue. No license shall be

issued for less than the full amount of tax prescribed. Any lot of parts of leaves of tobacco, or any lot in which parts of leaves of tobacco are commingled with whole leaves of tobacco, or any other leaf or leaves of tobacco, or parts of leaves of tobacco not permitted, under the rules and regulations of tobacco warehouses, to be offered for sale at auction on tobacco warehouse floors, shall be deemed to be "scrap or untied" tobacco within the meaning and purview of this Article: Provided, that the tax herein levied shall not apply in cases where the producer delivers his scrap or untied tobacco to a tobacco warehouse or tobacco redrying plant. (1935, c. 360, s. 1; 1937, c. 414, s. 1; 1939, c. 389, s. 1; 1941, c. 246; 1973, c. 476, s. 193.)

Validity. — This Article, imposing a license tax on dealers in scrap tobacco, is not vague or uncertain, and is uniform and equal in its application. Ficklen Tobacco Co. v. Maxwell, 214

N.C. 367, 199 S.E. 405 (1938), holding that the former tax of \$1,000 was not excessive as a matter of law.

§ 106-467. Report to Commissioner of Agriculture each month. — On or before the tenth day of each month every person, firm or corporation engaged in the business set forth in G.S. 106-466 shall make a report to the Commissioner of Agriculture of North Carolina, setting forth the number of pounds of scrap or untied tobacco purchased and the price paid therefor during the preceding month in each of the counties in which the said person, firm or corporation is doing business and also the purposes for which such scrap tobacco is bought or sold. (1935, c. 360, s. 2; 1937, c. 414, s. 2.)

§ 106-468. Display of license; no fixed place of business; agents, etc.; licensing of processors, redriers, etc. — (a) If any person, firm or corporation licensed to engage in the business aforesaid has a warehouse, office or fixed place of business, the license issued by the Secretary of Revenue as herein provided shall be displayed in a conspicuous place in said warehouse, office or place of business. Such license so obtained shall not be transferable and shall authorize such person, firm or corporation to engage in the business described in this Article only on the premises described in the license. Only one original license shall be issued to any person, firm or corporation, which will authorize such person, firm or corporation to engage in such business in the county for which such license is issued. If such person, firm or corporation shall have no warehouse, office, or fixed place of business in the county where such business is carried on, if the original license is to be issued to a firm, partnership or copartnership, there shall be designated on such license the name of the individual who is to exercise the privilege granted on behalf of such firm, partnership or copartnership. If such license is to be issued to a corporation, there shall be designated on such license the name of the individual who is to exercise the privilege granted on behalf of such corporation and the license so issued will authorize only the individual designated thereon to engage in such business for or on behalf of such person, firm, partnership, copartnership or corporation, and none other. If such person, firm or corporation carries on the business herein described through agents, representatives, district attorneys, or peddlers other than those named on the original license issued, as herein provided, additional and like licenses, for which there shall be paid the sum of two hundred fifty dollars (\$250.00) shall be obtained for such additional agents, representatives, district attorneys, or peddlers for each county in which such business is carried on, in the manner hereinafter set out, and all original and additional licenses issued to persons, firms or corporations which have no warehouse, office or fixed place of business shall be carried on the person of such licensee and shall be exhibited when requested or demanded by any law-enforcement officer of North Carolina, person from whom such tobacco is bought, or to whom the same may be sold.

226

Any person, firm or corporation applying for and obtaining a license under this Article may employ traveling representatives, agents, peddlers, or district attorneys for the purpose of buying and/or selling scrap tobacco, but such traveling representatives, agents or peddlers shall apply for and obtain from the Secretary of Revenue a separate additional license on behalf of such person, firm or corporation whom or which he represents and shall pay for such license a tax of two hundred fifty dollars (\$250.00) for each additional license so issued. Every such additional license issued hereunder shall run from the date thereof and shall expire on the thirty-first day of May of the next year following its issue. No license shall be issued for less than the full amount of tax prescribed. Such traveling representative, agent or peddler engaged in such business shall carry on his person the license so obtained, which shall be exhibited when requested or demanded by any law-enforcement officer of North Carolina or any person from whom such tobacco is bought or to whom the same may be sold.

- (b) Any such person, firm or corporation described in subsection (a) of this section, who is engaged in the business of buying and/or selling scrap tobacco within the meaning of this Article, and who maintains and operates in connection therewith a plant or factory where such scrap tobacco is processed, manufactured, or redried, shall apply for and obtain from the Secretary of Revenue a license to engage in such business and for that purpose shall file with the Secretary of Revenue an application setting forth the name of the county or counties in which such applicant proposes to engage in such business, and the place or places where his, their, or its principal office is situated, and shall pay for such license a tax of five hundred dollars (\$500.00) for each county in this State in which the applicant proposes to engage in such business. The license so issued shall authorize the person, firm or corporation to whom it is issued to engage in such business only on the premises designated in the license. Persons, firms or corporations taxed under this subsection shall not be required to pay the license tax provided for in subsection (a) of this section. Every such license issued hereunder shall run from the date thereof and shall expire on the thirty-first day of May of the next year following its issue and no license shall be issued for less than the full amount of the tax prescribed. (1935, c. 360, s. 3; 1937, c. 414, s. 3; 1939, c. 389, s. 2; 1973, c. 47, s. 2; c. 476, s. 193.)
- § 106-469. Violation made misdemeanor. Any person, firm or corporation violating any of the provisions of this Article shall be guilty of a misdemeanor, and upon conviction shall be fined and/or imprisoned in the discretion of the court. (1937, c. 414, s. 4.)
- § 106-470. Exemptions. Nothing in this Article shall have any effect upon or apply to any stocks of leaf and scrap tobacco grown prior to the year 1937, or to purchases or sales of scrap or untied tobacco which has been processed, redried or manufactured. (1937, c. 414, s. 4½; 1939, c. 389, s. 3.)

Unfair Practices by Handlers of Fruits and Vegetables.

Repeal of Article. — This Article is repealed, effective July 1, 1983, by Session Laws 1977, c. 712, s. 4. The 1977 act also repeals, with postponed effective dates, numerous other Chapters and Articles creating licensing and regulatory agencies, and sets up a Government Evaluation Commission whose function is to conduct a performance evaluation of the

programs and functions of each such agency and report to General Assembly whether the program or function in question should be terminated, reconstituted, reestablished or continued. The Commission will go out of existence June 30, 1983. The 1977 act is codified as § 143-84.10 et seq.

§ 106-496. Protection against unfair trade practices. — The Board of Agriculture is hereby authorized to make such rules and regulations as it deems necessary to protect producers of fruits and vegetables from loss caused by financial irresponsibility and unfair, harmful or unethical trade practices of handlers who incur financial liability for the purchase or production of fruits and vegetables. A "handler," as used herein, is a person, firm, corporation or other legal entity or his agent or employee who enters into a written contract for the purchase from or production by a producer of fruits and vegetables. (1941, c. 359, s. 1; 1971, c. 1064, s. 1.)

Commissioner Is Not Individually Liable. — The Commissioner of Agriculture could not be held individually liable to producers of soybeans for failure to require a soybean dealer to obtain a permit to operate as a grain dealer and to furnish bond as set forth in § 106-496 et seq.,

since the sections did not place a mandatory duty on the Commissioner to require permits or bonds, and there was no liability provision in the statute. Etheridge v. Graham, 14 N.C. App. 551, 188 S.E.2d 551 (1972), decided prior to 1971 amendments to this Article.

§ 106-497. Permits required. — A handler of fruits and vegetables shall not enter into a written contract with a producer until he obtains a written permit from the Commissioner of Agriculture. The Board of Agriculture may prescribe by regulation the form of the application for a permit, the information to be furnished to the Commissioner by the applicant for a permit and the date for filing the application. A permit shall not be issued until the applicant files on or before the date set by the Board a written request with the Commissioner and files with the request two copies of the applicant's proposed contract. A penalty of twenty-five dollars (\$25.00) shall be paid by the applicant if the application is filed after the date established by the Board and no permit shall be issued until such penalty is paid. Any penalties collected by the Commissioner shall be used to help defray the costs of administering Article 44 of Chapter 106.

This Article shall not apply to transactions by a handler with a producer on a cash basis. "Cash" as used herein shall include bank bills, checks drawn on

banks and bank notes. (1941, c. 359, s. 2; 1971, c. 1064, s. 2.)

§ 106-498. Bond required. — No permit shall be issued to a handler until such handler has furnished the Commissioner of Agriculture a bond satisfactory to the Commissioner in an amount of not less than ten thousand dollars (\$10,000).

The Commissioner may require a new bond or he may require the amount of any bond to be increased if he finds it necessary for the protection of the producer. Such bond shall be payable to the State and shall be conditioned upon the fulfilling of all financial obligations incurred by the handler with all producers with whom the handler contracts. Any producer alleging any injury by the fraud, deceit, willful injury or failure to comply with the terms of any written contract by a handler may bring suit on the bond against the principal and his surety in any court of competent jurisdiction and may recover the damages found to be caused by such acts complained of. (1941, c. 359, s. 3; 1967, c. 154; 1971, c. 1064, s. 3.)

§ 106-499. Contracts between handlers and producers; approval of Commissioner. — All contracts filed with the Commissioner by an applicant shall be approved by the Commissioner before a permit is issued. The Commissioner may withhold his approval in his discretion if he is of the opinion that the contract is illegal or unfair to the producer, or that the contractor is insolvent or financially irresponsible, or if for any other cause it reasonably appears to him that the contract in question might defeat the purpose of this Article. (1941, c. 359, s. 4; 1971, c. 1064, s. 4.)

§ 106-500. Additional powers of Commissioner to enforce Article. — In order to enforce this Article, the Commissioner of Agriculture, upon his own motion or upon the verified complaint of any producer, shall have the following

additional powers:

(1) To inspect or investigate transactions for the sale or delivery of fruits and vegetables to persons acting as handlers; to require verified reports and accounts of all authorized handlers; to examine books, accounts, memoranda, equipment, warehouses, storage, transportation and other facilities, fruits and vegetables and other articles connected with the business of the handlers; to inquire into failure or refusal of any handlers to accept produce under his contracts and to pay for it as

agreed;

(2) To hold hearings after due notice to interested parties and opportunity to all to be heard; to administer oaths, take testimony and issue subpoenas; to require witnesses to bring with them relevant books, papers, and other evidence; to compel testimony; to make written findings of fact and on the basis of these findings to issue orders in controversies before him, and to revoke the permits of persons disobeying the terms of this Article or of rules, regulations, and orders made by the Board or the Commissioner. Any party disobeying any order or subpoena of the Commissioner shall be guilty of contempt, and shall be certified to the superior court for punishment. Any party may appeal to the superior court from any final order of the Commissioner;

(3) To issue all such rules and regulations, with the approval of the Board, and to appoint necessary agents and to do all other lawful things

necessary to carry out the purposes of this Article.

(4) This Article will not apply to peanuts and corn grown under contract for seed purposes. (1941, c. 359, s. 5; 1971, c. 1064, ss. 5, 6.)

§ 106-501. Violation of Article or rules made misdemeanor. — Any person who violates the provisions of this Article or the rules and regulations promulgated thereunder shall be guilty of a misdemeanor, and shall be punishable by a fine of not more than five hundred dollars (\$500.00) or by imprisonment for not more than one year, or both. (1941, c. 359, s. 6.)

ARTICLE 45.

Agricultural Societies and Fairs.

Part 1. State Fair.

- § 106-502. Land set apart. For the purpose of the operating of a State fair, expositions and other projects which properly represent the agricultural, manufacturing, industrial and other interests of the State of North Carolina, there is hereby dedicated and set apart 200 acres of land owned by the State or any department thereof within five miles of the State Capitol, the particular acreage to be selected, set apart, and approved by the Governor and Council of the State of North Carolina. (1927, c. 209, s. 1; 1959, c. 1186, s. 1.)
- § 106-503. Board of Agriculture to operate fair. The State fair and other projects provided for in G.S. 106-502, shall be managed, operated and conducted by the Board of Agriculture established in G.S. 106-502. To that end, said Board of Agriculture shall, at its first meeting after the ratification of this section, take over said State fair, together with all the lands, buildings, machinery, etc., located thereon, now belonging to said State fair and shall operate said State fair and other projects with all the authority and power conferred upon the former board of directors, and it shall make such rules and regulations as it may deem necessary for the holding and conducting of said fair and other projects, and/or lease said fair properties so as to provide a State fair. (1931, c. 360, s. 3; 1959, c. 1186, s. 2.)
- § 106-503.1. Board authorized to construct and finance facilities and improvements for fair. (a) Borrowing Money and Issuing Bonds. For the purpose of building, enlarging and improving the facilities on the properties of the State fair, the State Board of Agriculture is hereby empowered and authorized to borrow a sum of money not to exceed one hundred thousand dollars (\$100,000), and to issue revenue bonds therefor, payable in series at such time or times and bearing such rate of interest as may be fixed by the Governor and Council of State: Provided, that no part of the payments of the principal or interest charges on said loan shall be made out of the general revenue of the State of North Carolina, and the credit of the State of North Carolina and the State Department of Agriculture or the agricultural fund, other than the revenue of the State fair funds, shall not be pledged either directly or indirectly for the payment of said principal or interest charges. The receipts, funds, and any other State fair assets may be pledged as security for the payment of any bonds that may be issued.
- (b) Contracts and Leases; Pledge of Gate Receipts, etc. For the further purpose of acquiring, constructing, operating and financing said properties and facilities on the North Carolina State fairgrounds, the Board of Agriculture may enter into such agreements, contracts and leases as may be necessary for the purpose of this section, and may pledge, appropriate, and pay such sums out of the gate receipts or other revenues coming to the State Board of Agriculture from the operation of any facilities of the State fair as may be required to secure, repay, or meet the principal and interest charges on the loan herein authorized.
- (c) Gifts and Endowments. The State Board of Agriculture may receive gifts and endowments, whether real estate, moneys, goods or chattels, given or bestowed upon or conveyed to them for the benefit of the State fair, and the same shall be administered in accordance with the requirements of the donors. (1945, c. 1009; 1959, c. 1186, s. 3.)
- § 106-504. Lands dedicated by State may be repossessed at will of General Assembly. Any lands which may be dedicated and set apart under the provisions of this Article may be taken possession of and repossessed by the

State of North Carolina, at the will of the General Assembly. (1927, c. 209, s. 4(a).)

Part 2. County Societies.

§ 106-505. Incorporation; powers and term of existence. — Any number of resident persons, not less than 10, may associate together in any county, under written articles of association, subscribed by the members thereof, and specifying the object of the association to encourage and promote agriculture, domestic manufactures, and the mechanic arts, under such name and style as they may choose, subject to any other applicable provisions of law, and thereby become a body corporate with all the powers incident to such a body, and may take and hold such property, both real and personal, as may be needful to promote the objects of their association.

Whenever any such association is formed subsequent to April 1, 1949, a copy of the articles of incorporation shall be filed with the Secretary of State, together with any other information the Secretary of State may require. A fee of ten dollars (\$10.00) shall be paid to the Secretary of State when such articles are filed. Upon receipt of such articles in proper form, and such other information as may be required, and the filing fee, the Secretary of State shall issue a charter of incorporation.

Provided, however, that the Secretary of Revenue shall have the right to cancel said permit at any time upon the recommendation of said Commissioner of Agriculture. (1915, c. 242, s. 1; C. S., s. 4950.)
- § 106-513. Notice of sale to owner. Written notice of such sale shall be served on the owner of such goods, wares, merchandise, or fixtures or other property 10 days before such sale, if he or it be a resident of the State, but if a nonresident of the State, or his or its residence be unknown, the publication of such notice for 10 days at the courthouse door and three other public places in the county shall be sufficient service of the same. (1915, c. 242, s. 2; C. S., s. 4951.)

It shall be unlawful for any person, firm, corporation, association, club, or other group of persons to use the word "fair" in connection with any exhibition, circus, show, or other variety of exhibition unless such exhibition is a fair within the meaning of G.S. 106-520.1. § 106-521. Counties authorized to provide farmers with erosion equipment. — The county commissioners in the several counties of the State are hereby authorized and empowered to purchase the necessary equipment to be used as provided in this Article by farmers in the cultivation of their lands in such manner as may best tend to prevent erosion; and they are authorized to put such equipment as they deem necessary for the purpose in the hands of farmers who may apply for the same, either by way of resale to the said farmers, or upon a rental basis, or by guarantee, as may in their judgment be deemed best, of the purchase price of the said equipment directly sold to the said farmers. (1935, c. 172, s. 1.)

Local Modification. — Granville: 1953, c. 1240.

§ 106-522. Application for assistance. — Any person or persons, corporation or concern, engaged in the cultivation of a farm or farms in this State may apply to the county commissioners for assistance under this Article, stating in the said application as nearly as may be the size or area of the cultivated lands, its condition, the kind of soil, the amount of erosion, if any, the topography of the farm, its present manner of drainage and the kinds of crops usually cultivated thereon. It shall also state what means have been used heretofore, if any, to prevent soil erosion, and specifically the extent to which erosion now exists upon the premises. At any time subsequent to the said application, if relief is extended to him, he shall, when so requested by the said county commissioners or any other person delegated by them to receive the information, make detailed reports as to the condition of his said cultivated lands, the extent to which provision has been made thereon to prevent soil erosion, with the results of same. There shall also be stated in the said application the kind and quantity of equipment which,

in the judgment of the applicant, is necessary for use upon his farm. (1935, c. 172, s. 2.)

- § 106-523. Investigation and extending relief. Upon the filing of such application the county commissioners shall cause due investigation to be made with reference thereto, and for their guidance; shall fully consider the same and if, in their opinion, the relief asked for should be extended, they shall thereupon proceed to supply or have supplied such equipment as in their judgment may be necessary under the circumstances, as provided in this Article. (1935, c. 172, s. 3.)
- § 106-524. Purchase of equipment and furnishing to farmers; notes and security from applicants; rental contracts; guarantee of payment. The county commissioners are authorized and empowered to purchase the equipment by them deemed to be necessary and supply the applicant therewith, upon such terms and conditions of purchase, rental or repayment as may be deemed by them just and proper, and which will save the county from loss in the matter. To that end, they are authorized to accept from the applicant such notes and security, if any by them are deemed necessary, or shall make with them such rental contracts as may be reasonably prudent and safe in the premises. They are further authorized and empowered, when in their judgment it may be deemed advisable, to guarantee the payment to the seller, for such equipment as may be directly purchased by the applicant for the use aforesaid: Provided, however, that the purchase of the said equipment has been previously approved by the county commissioners. (1935, c. 172, s. 4.)
- § 106-525. Guarantee of payment where equipment purchased by federal agencies. Where the said equipment may be purchased by any federal agency and by it furnished to any person, persons, firm or corporation engaged in the actual cultivation of the soil, the county commissioners are authorized, under such terms and conditions as to them may seem advisable, and as shall conserve the public interest and be just and proper to the county, to guarantee the payment of the purchase price of such equipment in full or the interest upon the obligations made in their purchase, and may do so in full or in part. (1935, c. 172, s. 5.)
- § 106-526. Expense of counties extending relief made lien on premises of applicant. — In the event the county commissioners shall extend any relief under this Article, to the extent of the money furnished or the obligation of the county with respect thereto, the same shall be a lien upon the premises, lands and tenements of the owner and applicant for such relief, securing the repayment of the funds furnished by the county and securing the county against any loss by reason of its obligation in any respect, the said lien to be foreclosed in all respects as provided in the law for deeds of trust or real estate mortgages: Provided, however, that in case the county itself has entered into an obligation in order to extend to any persons herein named the relief provided in this Article, the county shall not be postponed in its relief until loss is actually incurred by it, but may proceed in accordance with the contract and agreement made with the applicant for relief, and when the obligations of the county in any respect are due: Provided, further, that the lien created by this section shall not be effective as against innocent purchasers for value unless and until notice of such lien shall be docketed in the office of the clerk of the superior court of the county in which the land lies in the manner and form provided by law for perfecting laborer's or mechanic's liens against real property. (1935, c. 172, s. 6.)
- § 106-527. Counties excepted. This Article shall not apply to the Counties of Alexander, Alleghany, Ashe, Avery, Bladen, Buncombe, Camden, Columbus, Cumberland, Davie, Gates, Haywood, Hyde, Jackson, Lincoln, Macon, Madison,

Moore, New Hanover, Pamlico, Pasquotank, Rutherford, Sampson, Transylvania, Washington, Watauga, Wilkes, and Yadkin. (1935, c. 172, s. 7; 1937, c. 25.)

ARTICLE 47.

State Marketing Authority.

§ 106-528. State policy and purpose of Article. — It is declared to be the policy of the State of North Carolina and the purpose of this Article to promote, encourage and develop the orderly and efficient marketing of products of the home, farm, sea and forest; to establish, maintain, supervise and control, with the cooperation of counties, cities and towns, centrally located markets for the sale and distribution of such products, so as to promote a steady flow of commodities, properly graded and labeled, into the channels of trade at the time and place to enable the producer to get the market price and the consumer to get a product in keeping with the price paid. (1941, c. 39, s. 1.)

§ 106-529. State Marketing Authority created; members and officers; commodity advisers; meetings and expenses. — To secure these aims, there is hereby created an incorporated public agency of the State, to be known as the State Marketing Authority, hereinafter referred to as the "Authority." It shall consist of the members of the State Board of Agriculture, and the Commissioner of Agriculture shall be the chairman. They shall perform the duties and exercise the powers herein set out as a part of their official duties as members of the Board of Agriculture. The Governor shall appoint from time to time commodity advisers to plan with the Authority the programs undertaken in their respective communities. The Authority shall elect and prescribe the duties of a secretary-treasurer, who shall not be a member of the Authority. He shall give bond in such amount as the Authority shall determine in some reliable surety company doing business in North Carolina, and the Authority shall pay the premiums. The Authority shall meet in regular session annually at a fixed place and date, and shall meet in special session at such other times and places as the chairman may request. The members shall receive no salary, but shall receive actual expenses plus seven dollars (\$7.00) per day for actual time spent in performing their duties. (1941, c. 39, s. 2.)

§ 106-530. Powers of Authority. — The Authority shall have the following powers:

(1) To sue and be sued in its corporate name in any court or before any administrative agency of the State or of the United States, and to enter into agreements with the United States Department of Agriculture or any other legally constituted State or federal agency, or with any county, city or town in the furtherance of the purposes of this Article.

(2) To plan, build, construct, or cause to be built or constructed, or to purchase, lease or acquire the use of any warehouses or other facilities that may be necessary for the successful operation by the Authority of wholesale markets for products of the home, farm, sea and forest at chosen points in North Carolina. The Authority may make such contracts as may be needed for these purposes. In no case shall the Authority be responsible for any rent except from the income of the market in excess of other operating expenses. The Authority may select and employ for each market capable managers, who shall be familiar with the problems of the grower and the distributor, and of the marketing of farm products, and who shall have the business ability and training to operate a market and to plan for its proper development and growth in order best to serve the interests of producers,

- distributors, consumers in the area, and the general public. The managers may employ assistants and agents with the approval of the Authority. The Authority may make such regulations as will promote the policy of this Article, as to the manner in which the markets shall be operated, the business conducted, and stalls sublet to dealers.
- (3) To fix the terms upon which individual, cooperative or corporate wholesale merchants, warehouses or warehousemen may place their facilities or services under the supervision and regulation of the Authority. The Authority may extend to any such wholesale merchants, warehouses or warehousemen marketing benefits in the form of inspection, market informational and news service and may make regulations as to the operation of such facilities or services and as to forms, reports, handling, grades, weights, packages, labels, and other standards for the products handled by such merchants, warehouses or warehousemen.
- (4) To fix rentals and charges for each type of service or facility in the markets under its control, taking into consideration the cost of such facility or service, the interest and amortization period required, a proper relationship between types of operators in the market, cost of operation, and the need for reasonable reserves for repairs, depreciation, expansion, and similar items. These rentals and charges shall not bring any profit to any agency over and above the costs of operation, necessary reserves, and debt service.
- (5) To issue permits to itinerant dealers in intrastate commerce, who express a willingness to come under the program of the State Marketing Authority. Such permits shall enable the holders to solicit orders and to buy and sell produce under the rules and regulations of the Authority and in conformance with G.S. 106-185 to 106-196 and not inconsistent with the United States Perishable Agricultural Commodities Act, 1930 (46 Stat. 531).
- (6) To issue bonds and other securities to obtain funds to acquire, construct, and equip warehouses to be used in carrying out the purposes of this Article. The bonds shall be entitled "North Carolina Marketing Authority Bonds' and shall be issued in such form and denominations and shall mature at such time or times, not exceeding 30 years after their date, and shall bear such interest, not exceeding five percent (5%) per annum, payable either annually or semiannually, as the Authority shall determine. They shall be signed by the chairman of the Authority, and the corporate seal affixed or impressed upon each bond and attested by the secretary-treasurer of the Authority. The coupons shall bear the facsimile signature of the chairman officiating when the bonds are issued. Any issue of these bonds and notes may be sold publicly, or at private sale for not less than par to the Reconstruction Finance Corporation or other State or federal agency or may be given in exchange to any county, city, town or individual for the lease or purchase of property to be used by the Authority. To secure such indebtedness, the Authority may give mortgages or deeds of trust, executed in the same manner as the bonds, on the property purchased or acquired, and may pledge the revenues from the markets in excess of operating expenses, interest and insurance: Provided, that each market shall be operated on a separate financial basis, and only such revenues and properties of each separate market shall be liable for the obligations of that market. No obligations incurred by the Authority shall be obligations of the State of North Carolina or any of its political subdivisions, or a burden on the taxpayers of the State or any political subdivision. This does not prevent the State or any of its agencies,

departments or institutions, or any private or public agency from making a contribution to the Authority, in money or services or otherwise.

Bonds and notes issued under this Article shall be exempt from all State, county or municipal taxes or assessments of any kind; the interest shall not be taxable as income, nor shall the notes, bonds, nor coupons be taxable as part of the surplus of any bank, trust company or other corporation.

Any resolution or resolutions authorizing any bonds shall contain provisions which shall be a part of the contract with the holders of the

bonds, as to:

a. Pledging the fees, rentals, charges, dues, tolls, and inspection and sales fees, and other revenues to secure payment of the bonds;

b. The rates of the fees or tolls to be charged for the use of the facilities of the warehouse or warehouses, and the use and disposition of the revenues from its operation;

d. Limitations on the purposes to which the proceeds of sale of any issue of bonds may be applied;

e. Limitations on the issuance of additional bonds; and

(9) To dispossess tenants for nonpayment of rent and for failure to abide

by the regulations of the Authority.

- (10) To hire necessary agents, engineers, and attorneys, and to do all things necessary to carry out the powers granted by this Article. (1941, c. 39, s. 3.)
- § 106-531. Discrimination prohibited; restriction on use of funds. The Authority shall not permit:

(1) Any discrimination against the sale, on any of the markets under their control, of any farm product because of type of operator or area of

production.

- (2) The use of any of its funds for any purpose other than for the support, necessary expansion, and operation of this State marketing system, or the use of any of its funds to establish any retail market or to build or furnish more than one market in any town. (1941, c. 39, s. 4.)
- § 106-532. Fiscal year; annual report to Governor. The Authority shall operate on a fiscal year, which shall be from July first to June thirtieth. The Commissioner of Agriculture shall file an annual report with the Governor containing a statement of receipts and disbursements and the purposes of such disbursements, and a complete statement of the financial condition of the Authority, and an account of its activities for the year. (1941, c. 39, s. 5.)
- § 106-533. Application of revenues from operation of warehouses. All rentals and charges, fees, tolls, storage and sales commissions and revenues of any sort from operation of each warehouse shall be applied to the payment of the cost of operating and administering the warehouse and market facilities including interest on bonds and other evidences of indebtedness issued therefor, and the cost of insurance against loss by injury to persons or property, and the balance shall be paid to the secretary-treasurer of the Authority and be used to provide a sinking fund to pay at or before maturity all bonds and notes and

other evidences of indebtedness incurred for and on behalf of the building, constructing, maintaining and operating of each warehouse. A separate sinking fund account shall be kept for each market, and no market shall be liable for the obligations of any other market. (1941, c. 39, s. 6.)

§ 106-534. Exemption from taxes and assessments. — The Authority shall be regarded as performing an essential governmental function in constructing, operating or maintaining these markets, and shall be required to pay no taxes or assessments on any property acquired or used by it for the purposes herein set out. (1941, c. 39, s. 7.)

§ 106-549.16. Statement of purpose. — Meat and meat food products are an important source of the nation's total supply of food. It is essential in the public interest that the health and welfare of consumers be protected by assuring that meat and meat food products distributed to them are wholesome, not adulterated, and properly marked, labeled, and packaged. Unwholesome, adulterated, or misbranded meat or meat food products are injurious to the public welfare, destroy markets for wholesome, not adulterated, and properly

labeled and packaged meat and meat food products, and results in sundry losses to livestock producers and processors of meat and meat food products, as well as injury to consumers. The unwholesome, adulterated, mislabeled, or deceptively packaged articles can be sold at lower prices and compete unfairly with the wholesome, not adulterated, and properly labeled and packaged articles, to the detriment of consumers and the public generally. It is hereby found that regulation by the Board and cooperation by North Carolina and the United States as contemplated by this and the subsequent Article are appropriate to protect the health and welfare of consumers and otherwise effectuate the purposes of this and the subsequent Article. (1969, c. 893, s. 2; 1971, c. 54, s. 3.)

§ 106-549.17. Inspection before slaughter. — For the purpose of preventing the use in intrastate commerce, as hereinafter provided, of meat and meat food products which are adulterated, the Commissioner shall cause to be made, by inspectors appointed for that purpose, an examination and inspection of all cattle, sheep, swine, goats, horses, mules, and other equines before they shall be allowed to enter into any slaughtering, packing, meat-canning, rendering, or similar establishment in this State in which slaughtering and preparation of meat and meat food products of such animals are conducted for intrastate commerce; and all cattle, sheep, swine, goats, horses, mules, and other equines found on such inspection to show symptoms of disease shall be set apart and slaughtered separately from all other cattle, sheep, swine, goats, horses, mules, or other equines, and when so slaughtered, the carcasses of said cattle, sheep, swine, goats, horses, mules, or other equines shall be subject to a careful examination and inspection, all as provided by the rules and regulations to be prescribed by the Board as herein provided for. (1969, c. 893, s. 3.)

§ 106-549.18. Inspection; stamping carcass. For the purposes hereinbefore set forth the Commissioner shall cause to be made by inspectors appointed for that purpose, as hereinafter provided, a post mortem examination and inspection of the carcasses and parts thereof of all cattle, sheep, swine, goats, horses, mules, and other equines, capable of use as human food, to be prepared at any slaughtering, meat-canning, salting, packing, rendering, or similar establishment in this State in which such articles are prepared for intrastate commerce; and the carcasses and parts thereof of all such animals found to be not adulterated shall be marked, stamped, tagged, or labeled, as "Inspected and Passed"; and said inspectors shall label, mark, stamp, or tax as "Inspected and Condemned," all carcasses and parts thereof of animals found to be adulterated; and all carcasses and parts thereof thus inspected and condemned shall be destroyed for food purposes by the said establishment in the presence of an inspector, and the Commissioner or his authorized representative may remove inspectors from any such establishment which fails to so destroy any such condemned carcass or part thereof, and said inspectors, after said first inspection shall, when they deem it necessary, reinspect said carcasses or parts thereof to determine whether since the first inspection the same have become adulterated and if any carcass or any part thereof shall, upon examination and inspection subsequent to the first examination and inspection, be found to be adulterated, it shall be destroyed for food purposes by the said establishment in the presence of an inspector, and the Commissioner or his authorized representative may remove inspectors from any establishment which fails to [do] so destroy and such condemned carcass or part thereof. (1969, c. 893, s. 4.)

Editor's Note. — The word "do," which is above, appears in the 1969 act, but would seem enclosed in brackets in the section as set out to be superfluous.

- § 106-549.19. Application of Article; place of inspection. The Commissioner or his authorized representative may limit the entry of carcasses, part of carcasses, meat and meat food products, and other materials into any establishment at which inspection under this Article is maintained, under such conditions as he may prescribe to assure that allowing the entry of such articles into such inspected establishments will be consistent with the purposes of this and the subsequent Article. (1969, c. 893, s. 5.)
- § 106-549.20. Inspectors' access to businesses. For the purposes hereinbefore set forth the Commissioner or his authorized representative shall cause to be made by inspectors appointed for that purpose an examination and inspection of all meat food products prepared in any slaughtering, meat-canning, salting, packing, rendering, or similar establishment, where such articles are prepared for intrastate commerce and for the purposes of any examination and inspection said inspectors shall have access at all times during regular business hours to every part of said establishment; and said inspectors shall mark, stamp, tag, or label as "North Carolina Department of Agriculture Inspected and Passed" all such products found to be not adulterated; and said inspectors shall label, mark, stamp, or tag as "North Carolina Department of Agriculture Inspected and Condemned" all such products found adulterated, and all such condemned meat food products shall be destroyed for food purposes, as hereinbefore provided, and the Commissioner or his authorized representative may remove inspectors from any establishment which fails to so destroy such condemned meat food products. (1969, c. 893, s. 6.)
- § 106-549.21. Stamping container or covering; regulation of container. (a) When any meat or meat food product prepared for intrastate commerce which has been inspected as hereinbefore provided and marked "North Carolina Department of Agriculture Inspected and Passed" shall be placed or packed in any can, pot, tin, canvas, or other receptacle or covering in any establishment where inspection under the provisions of this Article is maintained, the person, firm, or corporation preparing said product shall cause a label to be attached to said can, pot, tin, canvas, or other receptacle or covering, under supervision of an inspector, which label shall state that the contents thereof have been "North Carolina Department of Agriculture Inspected and Passed" under the provisions of this Article, and no inspection and examination of meat or meat food products deposited or inclosed in cans, tins, pots, canvas, or other receptacle or covering in any establishment where inspection under the provisions of this Article is maintained shall be deemed to be complete until such meat or meat food products have been sealed or inclosed in said can, tin, pot, canvas, or other receptacle or covering under the supervision of an inspector.
- (b) All carcasses, parts of carcasses, meat and meat food products inspected at any establishment under the authority of this Article and found to be not adulterated shall at the time they leave the establishment bear, in distinctly legible form, directly thereon or on their containers, as the Commissioner or

authorized representative may require, the information required under subdivision (15) of G.S. 106-549.15.

(c) The Board whenever it determines such action is necessary for the

protection of the public, may prescribe:
(1) The styles and sizes of type to be used with respect to material required to be incorporated in labeling to avoid false or misleading labeling of any articles or animals subject to this and the subsequent Article;

- (e) If the Commissioner or his authorized representative has reason to believe that any marking or labeling or the size or form of any container in use or proposed for use with respect to any article subject to this title is false or misleading in any particular, he may direct that such use be withheld unless the marking, labeling, or container is modified in such manner as he may prescribe so that it will not be false or misleading. If the person, firm, or corporation using or proposing to use the marking, labeling or container does not accept the determination of the Commissioner or his authorized representative, such person, firm, or corporation may request a hearing, but the use of the marking, labeling, or container shall, if the Commissioner so directs, be withheld pending hearing and final determination by the Commissioner. Any such determination by the Commissioner shall be conclusive unless, within 30 days after receipt of notice of such final determination, the person, firm, or corporation adversely affected thereby appeals to the Superior Court of Wake County. Such appeal shall be under the provision of Chapter 150A of the General Statutes. (1969, c. 893, s. 7; 1973, c. 1331, s. 3.)

§ 106-549.29. North Carolina Department of Agriculture responsible for cooperation. — (a) The North Carolina Department of Agriculture is hereby designated as the State agency which shall be responsible for cooperating with the Secretary of Agriculture of the United States under the provisions of section 301 of the Federal Meat Inspection Act and such agency is directed to cooperate with the Secretary of Agriculture of the United States in developing and administering the meat inspection program of this State under this and the previous Article in such a manner as will effectuate the purposes of this and the previous Article.

(b) In such cooperative efforts, the North Carolina Department of Agriculture is authorized to accept from said Secretary advisory assistance in planning and otherwise developing the State program, technical and laboratory assistance and training (including necessary curricular and instructional materials and equipment), and financial and other aid for administration of such a program. The North Carolina Department of Agriculture is further authorized to spend public funds of this State appropriated for administration of this and the previous Article to pay fifty per centum (50%) of the estimated total cost of the

(c) The North Carolina Department of Agriculture is further authorized to recommend to the said Secretary of Agriculture such officials or employees of this State as the Commissioner shall designate, for appointment to the advisory committees provided for in section 301 of the Federal Meat Inspection Act; and the Commissioner or his authorized representative shall serve as the representative of the Governor for consultation with said Secretary under paragraph (c) of section 301 of said act. (1969, c. 893, s. 15.)

§ 106-549.29:1: Repealed by Session Laws 1969, c. 893, s. 26.

§ 106-549.30. Refusal of Commissioner to inspect and certify meat. — The Commissioner may (for such period, or indefinitely, as he deems necessary to effectuate the purposes of this and the previous Article) refuse to provide, or withdraw, inspection service under Article 49B with respect to any establishment if he determines, after opportunity for a hearing is accorded to the applicant for, or recipient of, such service, that such applicant or recipient is unfit to engage in any business requiring inspection under Article 49B because the applicant or recipient, or anyone responsibly connected with the applicant or recipient, has been convicted, in any federal or state court, of (i) any felony, or (ii) more than one violation of any law, other than a felony, based upon the acquiring, handling, or distributing of unwholesome, mislabeled, or deceptively packaged food or upon fraud in connection with transactions in food. This section shall not affect in any way other provisions of this or the previous Article for withdrawal of inspection services under Article 49B from establishments failing to maintain sanitary conditions or to destroy condemned carcasses, parts, meat or meat food products.

For the purpose of this section a person shall be deemed to be responsibly connected with the business if he was a partner, officer, director, holder, or owner of ten per centum (10%) or more of its voting stock or employee in a managerial or executive capacity. The determination and order of the Commissioner with respect thereto under this section shall be final and conclusive unless the affected applicant for, or recipient of, inspection service files application for judicial review within 30 days after the effective date of such order in the appropriate court as provided in G.S. 106-549.33. (1969, c. 893, s. 16.)

- § 106-549.31. Enforcement against uninspected meat. Whenever any carcass, part of a carcass, meat or meat food product of cattle, sheep, swine, goats, horses, mules, or other equines, or any product exempted from the definition of a meat food product, or any dead, dying, disabled, or diseased cattle, sheep, swine, goat, or equine is found by any inspector of the Meat and Poultry Inspection Service of the North Carolina Department of Agriculture upon any premises where it is held for purposes of, or during or after distribution in intrastate commerce, and there is reason to believe that any such article is adulterated or misbranded and is capable of use as human food, or that is has not been inspected, in violation of the provisions of Article 49B or of the Federal Meat Inspection Act or the Federal Food, Drug and Cosmetic Act, or that such article or animal has been or is intended to be distributed in violation of any such provisions, it may be detained by such inspector, upon approval of his supervisor, for a period not to exceed 20 days, pending action under G.S. 106-549.33, and shall not be moved by any person, firm, or corporation from the place at which it is located when so detained, until released by the area supervisor of the Meat and Poultry Inspection Service. All official marks may be required by such inspector to be removed from such article or animal before it is released unless it appears to the satisfaction of the area supervisor that the article or animal is eligible to retain such marks. (1969, c. 893, s. 17.)
- § 106-549.32. Enforcement against condemned meat; appeal. (a) Any carcass, part of a carcass, meat or meat food product of cattle, sheep, swine, goats, horses, mules or other equines, or any dead, dying, disabled, or diseased cattle, sheep, swine, goat, or equine, that is being transported in intrastate commerce, or is held for sale in this State after such transportation, and that (i) is or has been prepared, sold, transported or otherwise distributed or offered or received for distribution in violation of this or the previous Article, or (ii) is capable of use as human food and is adulterated or misbranded, or (iii) in any other way is in violation of this or the previous Article, shall be liable to be proceeded against and seized and condemned, at any time, on a complaint in any proper court as provided in G.S. 106-549.33 within the jurisdiction of which the article or animal is found. If the article or animal is condemned it shall, after entry of the order be disposed of by destruction or sale as the court may direct and the proceeds, if sold, less the court costs and fees, and storage and other proper expenses, shall be paid into the general fund of this State, but the article or animals shall not be sold contrary to the provisions of this or the previous Article. Provided, that upon the execution and delivery of a good and sufficient bond conditioned that the article or animal shall not be sold or otherwise disposed of contrary to the provisions of this or the previous Article, the court may direct that such article or animal be delivered to the owner thereof subject to such supervision by the authorized representative of the Commissioner as is necessary to insure compliance with the applicable laws. When an order of condemnation is entered against the article or animal and it is released under bond, or destroyed, court costs and fees, and storage and other proper expenses shall be awarded against the person, if any, intervening as claimant of the article or animal. The proceedings in such cases shall be heard by the superior court without a jury, with the right of the aggrieved party to appeal to the Court of Appeals, and all such proceedings shall be at the suit of and in the name of this State. No appeal shall lie from the Court of Appeals.
- (b) The provisions of this section shall in no way derogate from authority for condemnation or seizure conferred by other provisions of this or the previous Article, or other laws. (1969, c. 893, s. 18.)
- § 106-549.33. Jurisdiction of superior court. The superior court is vested with jurisdiction specifically to enforce, and to prevent and restrain violations of this and the previous Article, and shall have jurisdiction in all other kinds of

cases arising under this and the previous Article, provided however, all prosecutions for criminal violations under this and the previous Article shall be in any court having jurisdiction over said violation. (1969, c. 893, s. 19.)

- § 106-549.34. Interference with inspector. Any person who willfully assaults, resists, opposes, impedes, intimidates, or interferes with any person while engaged in or on account of the performance of his official duties under this or the previous Article shall be guilty of a misdemeanor and fined not more than five hundred dollars (\$500.00) or imprisoned for not more than six months or both fined and imprisoned. For the purposes of this section, "impede," "oppose," and "intimidate," or "interfere" shall include, but not be limited to, the use of profane and indecent language, or any act or gesture, verbal or nonverbal, which tends to cast disrespect on an inspector or the Meat and Poultry Inspection Service. Whoever, in the commission of any such acts, uses a deadly weapon, shall be fined not less than two hundred fifty dollars (\$250.00) or not more than one thousand dollars (\$1,000) or imprisoned not less than one year or not more than two years, or both. (1969, c. 893, s. 20.)
- § 106-549.35. Punishment for violation. (a) Any person, firm, or corporation who violates any provision of this or the previous Article or any regulation of the Board for which no other criminal penalty is provided by this or the previous Article shall upon conviction be subject to imprisonment for not more than six months, or a fine of not more than five hundred dollars (\$500.00), or both such imprisonment and fine; but if such violation involves intent to defraud, or any distribution or attempted distribution of an article that is adulterated (except as defined in G.S. 106-549.15(1)h, such person, firm or corporation shall be subject to imprisonment for not more than three years or a fine of not more than ten thousand dollars (\$10,000) or both: Provided, that no person, firm, or corporation shall be subject to penalties under this section for receiving for transportation any article or animal in violation of this or the previous Article if such receipt was made in good faith, unless such person, firm, or corporation refuses to furnish on request of a representative of the Meat and Poultry Inspection Service the name and address of the person from whom he received such article or animal, and copies of all documents, if any there be, pertaining to the delivery of the article or animal to him.

(b) Nothing in this Article shall be construed as requiring the Commissioner or his authorized representative to report for prosecution or for the institution of condemnation or injunction proceedings, minor violations of this Article whenever he believes that the public interest will be adequately served by a

suitable written notice of warning. (1969, c. 893, s. 21.)

§ 106-549.36. Gathering information; reports required; use of subpoena. —

(a) The Commissioner shall also have power —

corporations;

(2) To require, by general or special orders, persons, firms, and corporations engaged in intrastate commerce, or any class of them, or any of them to file with the Commissioner, in such form as the Commissioner may prescribe, annual or special, or both annual and special, reports or answers in writing to specific questions, furnishing to the Commissioner such information as he may require as to the organization, business, conduct, practices, management, and relation to other persons, firms, and corporations, of the person, firm, or corporation filing such reports or answers in writing. Such reports and answers shall be made under oath, or otherwise, as the Commissioner

may prescribe, and shall be filed with the Commissioner within such reasonable period as the Commissioner may prescribe, unless additional

time be granted in any case by the Commissioner.

(b) For the purposes of this and the previous Article the Commissioner shall at all reasonable times have access to, for the purpose of examination, and the right to copy any documentary evidence of any person, firm, or corporation being investigated or proceeded against, and may require by subpoena the attendance and testimony of witnesses and the production of all documentary evidence of any person, firm, or corporation relating to any matter under investigation. The Commissioner may sign subpoenas and may administer oaths and affirmations, examine witnesses, and receive evidence.

(1) Such attendance of witnesses, and the production of such documentary evidence, may be required at any designated place of hearing. In case of disobedience to a subpoena the Commissioner may invoke the aid of any court designated in G.S. 106-549.33 in requiring the attendance and testimony of witnesses and the production of documentary evidence.

(2) Any of the courts designated in G.S. 106-549.33 within the jurisdiction of which such inquiry is carried on may, in case of contumacy or refusal to obey a subpoena issued to any person, firm, or corporation, issue an order requiring such person, firm, or corporation, to appear before the Commissioner or to produce documentary evidence if so ordered, or to give evidence touching the matter in question; and any failure to obey such order of the court may be punished by such court as a contempt thereof.

(3) Upon the application of the Attorney General of this State at the request of the Commissioner, the superior court shall have jurisdiction to issue writs of mandamus commanding any person, firm, or corporation to comply with the provisions of this or the previous Article or any order

of the Commissioner made in pursuance thereof.

(4) The Commissioner may order testimony to be taken by deposition in any proceeding or investigation pending under this Article at any stage of such proceeding or investigation. Such testimony shall be reduced to writing by the person taking the deposition, or under his direction and shall then be subscribed by the deponent. Any person may be compelled to appear and depose and to produce documentary evidence in the same manner as witnesses may be compelled to appear and testify and produce documentary evidence before the Commissioner as hereinbefore provided.

(5) Witnesses summoned before the Commissioner shall be paid the same fees and mileage that are paid witnesses in the courts of this State, and witnesses whose depositions are taken and the persons taking the same shall severally be entitled to the same fees as are paid for like services

in such courts.

(6) No person, firm, or corporation shall be excused from attending and testifying or from producing books, papers, schedules of charges, contracts, agreements, or other documentary evidence before the Commissioner or in obedience to the subpoena of the Commissioner whether such subpoena be signed or issued by him or his delegate, or in any cause or proceedings, criminal or otherwise, based upon or growing out of any alleged violation of this or the previous Article, or of any amendments thereto, on the ground or for the reason that the testimony or evidence, documentary or otherwise, required of him or it may tend to incriminate him or it or subject him or it to a penalty or forfeiture; but no person shall be prosecuted or subjected to any penalty

or forfeiture for or on account of any transaction, matter, or thing concerning which he is compelled, after having claimed his privilege against self-incrimination, to testify or produce evidence, documentary or otherwise, except that any person so testifying shall not be exempt from prosecution and punishment for perjury committed in so testifying.

(c) Any person, firm, or corporation that shall neglect or refuse to attend and testify or to answer any lawful inquiry, or to produce documentary evidence, if in his or its power to do so, in obedience to the subpoena or lawful requirement of the Commissioner shall be guilty of a misdemeanor and upon conviction thereof by a court of competent jurisdiction shall be punished by a fine of not more than five hundred dollars (\$500.00) or by imprisonment for not more than

six months or by both such fine and imprisonment.

(1) Any person, firm, or corporation that shall willfully make, or cause to be made, any false entry or statement of fact in any report required to be made under this Article, or that shall willfully make, or cause to be made, any false entry in any account, record, or memorandum kept by any person, firm, or corporation subject to this Article or that shall willfully neglect or fail to make, or to cause to be made, full, true, and correct entries in such accounts, records, or memoranda, of all facts and transactions appertaining to the business of such person, firm, or corporation, or that shall willfully remove out of the jurisdiction of this State, or willfully mutilate, alter, or by any other means falsify any documentary evidence of any such person, firm, or corporation or that shall willfully refuse to submit to the Commissioner or to any of his authorized agents, for the purpose of inspection and taking copies, any documentary evidence of any such person, firm, or corporation in his possession or within his control, shall be deemed guilty of an offense and shall be subject, upon conviction in any court of competent jurisdiction to a fine of not more than five hundred dollars (\$500.00) or to imprisonment for a term of not more than six months or to both such fine and imprisonment.

ARTICLE 49D.

Poultry Products Inspection Act.

- § 106-549.49. Short title. This Article shall be designated as the North Carolina Poultry Products Inspection Act. (1971, c. 677, s. 1.)
- § 106-549.50. Purpose and policy. (a) Poultry and poultry products are an important source of the nation's total supply of food. It is essential in the public interest that the health and welfare of consumers be protected by assuring that slaughtered poultry and poultry products distributed to them are wholesome, not adulterated, and properly marked, labeled, and packaged. Unwholesome, adulterated, or misbranded poultry or poultry products are injurious to the public welfare, destroy markets for wholesome, not adulterated, and properly labeled and packaged poultry and poultry products, and result in sundry losses to poultry producers and processors of poultry and poultry products, as well as injury to consumers. The unwholesome, adulterated, mislabeled, or deceptively packaged articles can be sold at lower prices and compete unfairly with the wholesome, not adulterated, and properly labeled and packaged articles, to the detriment of consumers and the public generally. It is hereby found that regulation by the Board and cooperation by this State and the United States as contemplated by this Article are appropriate to protect the health and welfare of consumers and otherwise effectuate the purposes of this Article.

(b) It is hereby declared to be the policy of the General Assembly to provide for the inspection of poultry and poultry products and otherwise regulate the processing and distribution of such articles as hereinafter prescribed to prevent the movement or sale in intrastate commerce of poultry and poultry products which are adulterated or misbranded. It is the intent of the General Assembly that when poultry and poultry products are condemned because of disease, the reason for condemnation in such instances shall be supported by scientific fact, information, or criteria, and such condemnation under this Article shall be achieved through uniform inspection standards and uniform application thereof.

(1971, c. 677, ss. 2, 3.)

If it bears or contains any poisonous or deleterious substance which may render it injurious to health; but in case the substance is not an added substance, such article shall not be considered adulterated under this clause if the quantity of such substance in or on such article does not ordinarily render it injurious to health;
- b. 1. If it bears or contains (by reason of administration of any substance to the live poultry or otherwise) any added poisonous or added deleterious substance (other than one which is a pesticide chemical in or on a raw agricultural commodity; a food additive; or a color additive) which may, in the judgment of the Commissioner, make such article unfit for human food;

- c. If it consists in whole or in party of any filthy, putrid, or decomposed substance or is for any other reason unsound, unhealthful, unwholesome, or otherwise unfit for human food;
- d. If it has been prepared, packed, or held under insanitary conditions whereby it may have become contaminated with filth, or whereby it may have been rendered injurious to health;

e. If it is, in whole or in part, the product of any poultry which has died

otherwise than by slaughter;

- f. If its container is composed, in whole or in part, of any poisonous or deleterious substance which may render the contents injurious to health;
- g. If it has been intentionally subjected to radiation, unless the use of the radiation was in conformity with a regulation or exemption in effect pursuant to section 409 of the Federal Food, Drug, and Cosmetic Act; or
- h. If any valuable constituent has been in whole or in part omitted or abstracted therefrom; or if any substance has been substituted, wholly or in part therefor; or if damage or inferiority has been concealed in any manner; or if any substance has been added thereto or mixed or packed therewith so as to increase its bulk or weight, or reduce its quality or strength, or make it appear better or of greater value than it is.

Regulations authorized. — (a) The Commissioner may by regulations prescribe conditions under which poultry products capable of use as human food shall be stored or otherwise handled by any person engaged in the business of buying, selling, freezing, storing, or transporting, in or for intrastate commerce, such articles, whenever the Commissioner deems such action necessary to assure that such articles will not be adulterated or misbranded when delivered to the consumer. Violation of any such regulation is prohibited.

(b) The Board shall promulgate such other rules and regulations as are

necessary to carry out the provisions of this Article.

(c) When opportunity is afforded for submission of comments by interested persons on proposed rules or regulations under this Article, it shall include opportunity for oral presentation of views. (1971, c. 677, s. 14.)

products solely for intrastate commerce and distribution of poultry or poultry products only in such commerce:

- (1) Retail dealers with respect to poultry products sold directly to consumers in individual retail stores, if the only processing operation performed by such retail dealers is the cutting up of poultry products on the premises where such sales to consumers are made;
- (2) For such period of time as the Commissioner determines that it would be impracticable to provide inspection and the exemption will aid in the effective administration of this Article, any person engaged in the processing of poultry or poultry products and the poultry or poultry products processed by such person: Provided, however, that no such exemption shall continue in effect more than 120 days after enactment of this Article;
- (3) Persons slaughtering, processing, or otherwise handling poultry or poultry products which have been or are to be processed as required by recognized religious dietary laws, to the extent that the Commissioner determines necessary to avoid conflict with such requirements while still effectuating the purposes of this Article;

- (6) The slaughtering and processing of poultry products by any poultry producer on his own premises with respect to sound and healthy poultry raised on his premises and the distribution by any person of the poultry products derived from such operations, if, in lieu of other labeling requirements, such poultry products are identified with the name and address of such poultry producer, and if they are not otherwise misbranded, and are sound, clean, and fit for human food when so distributed; and
- (7) The slaughtering of sound and healthy poultry or the processing of poultry products of such poultry by any poultry producer or other person for distribution by him directly to household consumers, restaurants, hotels, and boardinghouses, for use in their own dining rooms, or in the preparation of meals for sales direct to consumers, if, in lieu of other labeling requirements, such poultry products are identified with the name and address of the processor, and if they are not otherwise misbranded and are sound, clean, and fit for human food when distributed by such processor.
- (b) In addition to the specific exemptions authorized in subsection (a), the Board shall, when it determines that the protection of consumers from adulterated or misbranded poultry products will not be impaired by such action, provide by regulation, consistent with subsection (c) for the exemption of the operation and products of small enterprises (including poultry producers), not exempted under subsection (a), which are engaged in slaughtering and/or cutting up poultry for distribution as carcasses or parts thereof, solely for distribution within this State, from such provisions of this Article as it deems appropriate, while still protecting the public from adulterated or misbranded

products, under such conditions, including sanitary requirements, as it shall

prescribe to effectuate the purposes of this Article.

(c) The exemptions provided for in subdivisions (a)(6) and (7) above shall not apply if the poultry producer or other person engages in the current calendar year in the business of buying or selling any poultry or poultry products other than as specified in such subdivisions. managerial or executive capacity.

(b) Upon the withdrawal of inspection service from any official establishment for failure to destroy condemned poultry products as required under G.S. 106-549.53, or other failure of an official establishment to comply with the requirements as to premises, facilities, or equipment, or the operation thereof, as provided in G.S. 106-549.54, or the refusal of inspection service to any applicant therefor because of failure to comply with any requirements under G.S. 106-549.54, the applicant for, or recipient of, the service shall, upon request, be afforded opportunity for a hearing with respect to the merits or validity of such action; but such withdrawal or refusal shall continue in effect unless otherwise ordered by the Commissioner.

(c) The determination and order of the Commissioner when made after opportunity for hearing, with respect to withdrawal or refusal of inspection service under this Article shall be final and conclusive unless the affected applicant for, or recipient of, inspection service files application for judicial review within 30 days after the effective date of such order in the Superior Court of Wake County. Upon being so certified by the said Board of Agriculture in the manner hereinbefore set forth, such commission, council, board or other agency shall thereupon be fully authorized and empowered to hold and conduct on the part of the producers and growers of such particular agricultural commodity a referendum on the question of whether or not such growers and producers shall levy upon themselves an assessment under and subject to and for the purposes stated in this Article. The notice shall also state that official ballots are being mailed on a date specified in the notice to all persons known by the certified agency to be eligible to vote and that any person not receiving by mail an official ballot by a date specified in the notice will have 10 days thereafter to apply for an official ballot at the office of the certified agency. The notice shall state the deadline for the receipt of all ballots and the address of the certified agency.

Official ballots shall be prepared by the certified agency and mailed by first-class mail to the last known address of all persons known by the certified agency to be eligible to vote. As announced in the public notice, said ballots shall be made available for a period of not less than 10 days, to those who are eligible

to vote in said referendum and did not receive a ballot by mail.

Before any person shall receive an official ballot, he shall furnish such proof as the certified agency may require of his eligibility to vote in said referendum. The certified agency shall keep a list of those persons who receive official ballots. No person may receive more than one official ballot unless he satisfies the certified agency that his ballot has been lost or destroyed.

In such referendum, such individuals so eligible for participation shall vote upon the question of whether or not there shall be levied an annual assessment for a period of three years in the amount set forth in the call for such referendum on the agricultural product covered by such referendum. (1947, c. 1018, s. 14.)
- § 106-564. Collection of assessments; custody and use of funds. of promoting and stimulating, by advertising and other methods, the increased use and sale, domestic and foreign, of the agricultural commodity covered by such referendum. Such assessments may also be used for the purpose of financing or contributing toward the financing of a program of production, use and sale of any and all such agricultural commodities. (1947, c. 1018, s. 15; 1951, c. 1172, s. 3; 1965, c. 1046, s. 1; 1975, c. 708, s. 1.)

Editor's Note. — The 1975 amendment inserted "or at regular intervals during the year established by the rules and regulations of the

duly certified commission, council, board or other agency" near the beginning of the first sentence.

§ 106-564.1. Alternate method for collection of assessments. — As an alternate method for the collection of assessments provided for in G.S. 106-564, and upon the request of the duly certified agency of the producers of any agricultural products referred to in G.S. 106-550, the Commissioner of Agriculture shall notify, by registered letter, all persons, firms and corporations engaged in the business of purchasing any such agricultural products in this State, that on and after the date specified in the letter the assessments shall be deducted by the purchaser, or his agent or representative, from the purchase price of any such agricultural products. The assessment so deducted, shall, on or before the first day of June of each year following such deduction or at regular intervals during the year following such deductions, be remitted by such purchaser to the Commissioner of Agriculture of North Carolina who shall thereupon pay the amount of the assessments to the duly certified agency of the producers entitled thereto. The books and records of all such purchasers of agricultural products shall at all times during regular business hours be open for inspection by the Commissioner of Agriculture or his duly authorized agents.

Any packer, processor or other purchaser who originally purchases from the grower, apples grown in North Carolina, shall collect from the grower thereof any marketing assessment due under the provisions of Article 50 of Chapter 106 and shall remit the same to the North Carolina Department of Agriculture. Upon failure of said packer, processor or other purchaser to collect and remit said assessment then the amount of the assessment shall become the obligation of the packer, processor or other purchaser who originally purchased the apples from the grower and he shall become liable therefor to the North Carolina Department of Agriculture. Failure of the packer, processor or other purchaser to comply with the provisions of this section shall constitute a bar to engaging in said business in this State upon proper notice from the Board of Agriculture. The Board of Agriculture shall have authority to promulgate such rules and regulations as shall be necessary to carry out the purpose and intent of this section. (1953, c. 917; 1969, c. 605, s. 3; 1975, c. 708, s. 2.)

Editor's Note. — The 1975 amendment following such deductions" in the second inserted "or at regular intervals during the year sentence.

§ 106-564.2. Further alternative method for collection of assessments. — As an alternate method for the collection of assessments provided for in G.S. 106-564, the duly certified agency representing the producers of peaches, apples or other tree fruits, is hereby authorized to establish the names, addresses and number of trees or acres of trees and certify same to the Commissioner of Agriculture. The Commissioner of Agriculture shall then notify by registered letter such certified producers that on or before the date specified by the duly certified agency, the assessments shall be paid to the Commissioner of Agriculture by the producers. The date of collections of such assessments may be established by the duly certified agency representing the producers of any agricultural product referred to in G.S. 106-550. (1955, c. 374.)

- § 106-564.3. Alternative method for collection of assessments relating to - As an alternative method for the collection of assessments provided for in Article 50 of Chapter 106 of the General Statutes, as amended, and as the same relates to all cattle, including those cattle sold for slaughter, upon the request of the duly certified agency of the producers of all cattle, including those which are to be sold for slaughter, the Commissioner of Agriculture shall notify, by registered letter, all livestock auction markets, slaughterhouses, abattoirs, packinghouses, and any and all persons, firms and corporations, engaged in the buying, selling or handling of cattle in this State, and on and after the date specified in the letter, the assessments approved and in force under said referendum shall be deducted by the purchaser, or his agent or representative, from the purchase price of all cattle bought, acquired or sold. It shall be unlawful for any livestock auction market, slaughterhouse, abattoir, packinghouse or the administrators or managers or agents of same or for any person, firm or corporation to acquire, buy or sell any cattle, including cattle for slaughter, without deducting the assessments previously authorized by said referendum. The assessment or assessments for any month so deducted, shall, on or before the twentieth day of the following month, be remitted by such purchaser as above described, to the Commissioner of Agriculture of North Carolina, who shall thereupon pay the amount of the assessments to the duly certified agency of the producers of all such cattle entitled thereto. The books and records of all such livestock auction markets, slaughterhouses, abattoirs, packinghouses, or persons, firms or corporations engaged in buying, acquiring or selling all cattle shall at all times during regular business hours be open for inspection by the Commissioner of Agriculture or his duly authorized agents. Provided, however, that if any livestock auction market, slaughterhouse, abattoir, packinghouse, or any person, firm or corporation engaged in buying, selling or handling cattle in this State shall fail to collect or pay such assessments so deducted to the Commissioner of Agriculture of North Carolina, as herein provided, then and in such event suit may be brought by the duly certified agency concerned in a court of competent jurisdiction to enforce the collection of such assessments. (1959, c. 1176; 1969, c. 184.)
- § 106-565. Subsequent referendum. In the event such referendum so to be conducted as herein provided shall not be supported by two thirds or more of those eligible for participation therein and voting therein, then the duly certified agency conducting the said referendum shall have full power and authority to call another referendum for the purposes herein set forth in the next succeeding year, on the question of an annual assessment for three years. (1947, c. 1018, s. 16.)
- § 106-566. Referendum as to continuance of assessments approved at prior referendum. In the event the first such referendum or any subsequent referendum is carried by the votes of two thirds or more of the eligible farmers participating therein and assessments in pursuance thereof are levied annually for the period set forth in the call for such referendum, then the agency conducting such referendum shall in its discretion have full power and authority to call and conduct during the third year of such first period or the last year of any subsequent period another referendum in which the farmers and producers of such agricultural commodity shall vote upon the question of whether or not such assessments shall be continued for the next ensuing three years or continued for the next ensuing six years. (1947, c. 1018, s. 17; 1965, c. 1046, s. 2.)
- § 106-567. Pights of farmers dissatisfied with assessments; time for demanding refund. In the event such referendum is carried in the affirmative and the assessment is levied and collected as provided herein and under the regulations to be promulgated by the duly certified agency conducting the same,

any farmer or producer upon and against whom such assessments shall have been levied and collected under the provisions of this Article, if dissatisfied with said assessment and the result thereof, shall have the right to demand of and receive from the treasurer of said agency a refund of such assessment so collected from such farmer or producer, provided such demand for refund is made in writing within 30 days from the date on which said assessment is collected or due to be collected, whichever is earlier from such farmer or producer under the rules and regulations of the duly certified commission, council, board or other agency. Provided, however, that as to growers or producers of potatoes, apples or peaches the right of refund of assessments as provided herein shall be contingent upon such growers or producers having paid said assessment on or before the end of the assessment year in which the assessment was levied. The assessment year shall be determined by the duly certified commission, council, board or agency representing the respective commodity: Provided further, that any farmer or producer of potatoes, apples or peaches who fails to make any protest against the assessment and levy in writing, addressed to the duly certified commission, council, board or agency representing the commodity concerned, within 30 days from the date such assessment shall become due and payable, then, and in such event, suit may be brought by the duly certified commission, council, board or agency concerned in a court of competent jurisdiction to enforce the collection of the assessment. Provided further that on and after July 1, 1972, as to growers or producers of apples there shall be no right of refund of assessments levied pursuant to the referendum provided for by Article 50, Chapter 106 of the General Statutes of North Carolina. (1947, c. 1018, s. 18; 1959, c. 311; 1969, c. 605, ss. 1, 2; 1975, c. 708, ss. 3, 4.)

Editor's Note. — The 1975 amendment deleted "annual" preceding "assessment" and preceding "assessments" near the middle of the first sentence and substituted "collected or due to be collected, whichever is earlier from such

farmer or producer under rules and regulations of the duly certified commission, council, board or other agency" for "collected from such farmer or producer" at the end of that sentence.

§ 106-568. Publication of financial statement by treasurer of agency; bond required. — In the event of the levying and collection of assessments as herein provided, the treasurer of the agency conducting same shall within 30 days after the end of any calendar year in which such assessments are collected, publish through the medium of the press of the State a statement of the amount or amounts so received and collected by him under the provisions of this Article. Before collecting and receiving such assessments, such treasurer shall give a bond in the amount of at least the estimated total of such assessments as will be collected, such bond to have as surety thereon a surety company licensed to do business in the State of North Carolina, and to be in the form and amount approved by the agency conducting such referendum and to be filed with the chairman or executive head of such agency. - § 106-568.19. Policy as to referendum on question of annual assessment. For the purpose of raising reasonable and necessary funds for producer participation in the operations of the agency set up under farmer sponsorship for the promotion of export trade in flue-cured tobacco and the use of tobacco everywhere, it is proper, desirable, necessary and in the public interest that the farmers in this State engaged in the production of flue-cured tobacco shall have the opportunity and privilege of participating in a referendum to be held as hereinafter provided, in which referendum there shall be determined the question of whether or not the farmers of the State engaged in the production of flue-cured tobacco shall levy upon themselves an annual assessment for the purposes herein stated. (1959, c. 309, s. 2.)
- § 106-568.20. Referendum in 1961 on assessment for next three years. During the year 1961 and upon the exact date in such year as may be determined in the manner hereinafter set forth and under rules and regulations as

established under the provisions of this Article, there shall be held in every county in North Carolina in which flue-cured tobacco is produced a referendum to be participated in by all farmers engaged in the production of flue-cured tobacco, including owners of farms on which such tobacco is produced, tenants and sharecroppers, in which referendum said individuals so eligible for participation shall vote upon the question of whether or not there shall be levied an annual assessment for a period of three years (1962, 1963 and 1964), such amount as may have been theretofore or as may be thereafter determined by the board of directors of Tobacco Associates, Incorporated, but not more than one dollar (\$1.00) per acre per year on all flue-cured tobacco acreage in the State of North Carolina. (1959, c. 309, s. 3.)

- § 106-568.21. Effect of more than one-third vote against assessment in 1961 referendum. If in such referendum more than one third of the tobacco farmers eligible to participate therein and voting therein shall vote in the negative and against the levying or collection of such assessment, then no assessment shall be levied or collected pursuant to that referendum. (1959, c. 309, s. 4.)
- § 106-568.22. Effect of two-thirds vote for assessment in 1961 referendum. If in such referendum two thirds or more of the eligible tobacco farmers voting therein shall vote in the affirmative and in favor of the levying or collection of such assessment to be determined by the board of directors of Tobacco Associates, Incorporated, but in an amount of not more than one dollar (\$1.00) per acre per year on all flue-cured tobacco acreage in the State of North Carolina, then such assessment shall be collected in the manner hereinafter provided. (1959, c. 309, s. 5.)
- § 106-568.23. Regulations as to 1961 referendum; notice to farm organizations and county agents. The exact date in the said year 1961, on which such referendum shall be held and the hours, voting places, and rules and regulations under which such referendum shall be conducted, shall be established and determined by the board of directors of the North Carolina corporation known and designated as Tobacco Associates, Incorporated, established under the leadership of farm organizations in the State of North Carolina for the purpose of stimulating, developing and expanding export trade for flue-cured tobacco and the use of tobacco everywhere; the said referendum date, hours, voting places, rules and regulations with respect to the holding of such referendum shall be published through the medium of the public press in the State of North Carolina by said board of directors at least 30 days before the holding of such referendum, and direct written notice thereof shall likewise be given to all farm organizations within the State of North Carolina and to each county agent in any county in which flue-cured tobacco is grown. (1959, c. 309, s. 6.)
- § 106-568.24. Distribution of ballots; arrangements for holding 1961 referendum; declaration of results. The said board of directors of Tobacco Associates, Incorporated, shall likewise prepare and distribute in advance of said referendum all necessary ballots for the purpose thereof, and shall under the rules and regulations promulgated by said board arrange for the necessary poll holders for conducting the said referendum; and following such referendum and within 10 days thereafter the said board of directors shall canvass and publicly declare the results of such referendum. (1959, c. 309, s. 7.)
- § 106-568.25. Question at 1961 referendum. Said referendum shall be upon the question of whether or not the farmers eligible for participation therein and voting therein shall favor an assessment for the period of three years, 1962, 1963 and 1964, in an amount in each of said years as determined by or to be

determined by the board of directors of Tobacco Associates, Incorporated but not more than one dollar (\$1.00) per acre per year on all flue-cured tobacco acreage in the State of North Carolina, for the purpose of providing farmer participation in the fund and through the agency established for the stimulation, expansion and development of export markets for flue-cured tobacco and the encouragement of the use of flue-cured tobacco everywhere. (1959, c. 309, s. 8.)

- § 106-568.26. Collection of assessments; custody and use of funds. In the event two thirds or more of the eligible farmers voting therein shall vote in favor of such assessment, then the said assessment shall be collected annually for the years herein set forth and under such method, rules and regulations as may be determined by the board of directors of the said Tobacco Associates, Incorporated, and the said assessment so collected shall be paid into the treasurer [treasury] of said Tobacco Associates, Incorporated, to be used along with funds from other sources, for the purpose of stimulating, developing and expanding export trade for flue-cured tobacco and encouraging the use of flue-cured tobacco everywhere. (1959, c. 309, s. 9.)
- § 106-568.27. Required affirmative vote of directors of Tobacco Associates, Incorporated. No assessment shall be made pursuant to this Article unless same shall receive the affirmative vote of not less than two thirds of the members of the board of directors of Tobacco Associates, Incorporated, including the affirmative vote of not less than two thirds of such board members who were elected by North Carolina farm organizations. (1959, c. 309, s. 10.)
- § 106-568.28. Right of farmers dissatisfied with assessments; time for demanding refund. In the event any referendum authorized by this Article is carried in the affirmative by such two-thirds vote and the assessment is levied and collected as herein provided and under the regulations to be promulgated by the board of directors of Tobacco Associates, Incorporated, any farmer or tobacco producer upon whom and against whom any such annual assessment shall have been levied and collected under the provisions of this Article, if dissatisfied with the said assessment, shall have the right to demand of and receive from the treasurer of said Tobacco Associates, Incorporated, a refund of such annual assessment so collected from such farmer or producer of tobacco, provided such demand for refund is made in writing within 30 days from the date on which said assessment is collected from such farmer or producer or deducted from the proceeds of the sale of tobacco of such farmer or producer. (1959, c. 309, s. 11.)
- § 106-568.29. Subsequent referendum after defeat of assessment. In the event any referendum conducted as provided for in this Article shall not be supported by two thirds or more of those voting therein, then the board of directors of Tobacco Associates, Incorporated shall have full power and authority to call another referendum for the purposes herein set forth in any succeeding year, on the question of an annual assessment for the next three years or less. If the referendum is carried as provided in this Article, then the assessments may be levied and collected as provided in this Article. (1959, c. 309, s. 12.)
- § 106-568.30. Referendum as to continuance of assessments approved at prior referendum. In the event any referendum, held at any time under the provisions of this Article, is carried by the vote of two thirds or more of the eligible farmers participating therein and assessments in pursuance thereof are being levied annually, then the board of directors of Tobacco Associates, Incorporated shall, in its discretion, have full power and authority to call and conduct during the last year of such period another referendum in which the farmers and producers of flue-cured tobacco shall vote upon the question of

whether or not assessments under this Article shall be continued for the next ensuing three years. If the referendum is carried as provided in this Article, then assessments may be levied and collected as provided in this Article. (1959, c. 309, s. 13.)

- § 106-568.31. Filing and publication of financial statement by treasurer of Tobacco Associates, Incorporated. The treasurer of Tobacco Associates, Incorporated shall, within 30 days after the end of any fiscal year, file with the State Auditor a financial statement as of the end of the fiscal year and a detailed statement of operations for the year ended. Further a condensed statement of the financial condition and operating expenses for said fiscal year shall be published in a newspaper of general circulation, if one exists, in each county from which assessments are collected. (1959, c. 309, s. 14.)
- \S 106-568.32. Levy of assessment for 1959, 1960 and 1961 authorized. The board of directors of Tobacco Associates, Incorporated, by a vote (as provided in G.S. 106-568.27 above) is hereby authorized to levy an assessment for the years 1959, 1960 and 1961 on all the flue-cured tobacco acreage in the State of North Carolina in an amount for each said year, as may be determined by said board, up to but not in excess of one dollar (\$1.00) per acre per year in accordance with and pursuant to a referendum and vote of North Carolina flue-cured tobacco growers held in December, 1958; said assessment to be levied and collected just as though said referendum had been held after the adoption of this Article, provided that all of the requirements of this Article as to the determination of the amount of the assessment and the collection of the assessment are complied with and provided further that all conditions of this Article as to refund upon demand shall be applicable: Provided further that such assessments for the years 1959, 1960 and 1961 shall be in lieu of the amount of ten cents (10φ) per acre, authorized under the provisions of Chapter 511 of the Session Laws of 1947. (1959, c. 309, s. 15.)
- § 106-568.33. Effect of Article on prior acts. Insofar as the provisions of this Article are different from and in conflict with the provisions of Chapter 511, Session Laws of 1947 and Chapter 63, Session Laws of 1951, to the extent of such conflict the provisions of this Article shall be applicable and shall supersede and prevail over the provisions of said former acts and all provisions of this Article shall be in full effect. So long as assessments are made under this Article, no assessment shall be made and collected under the provisions of Chapter 511, Session Laws of 1947, as amended. (1959, c. 309, s. 16.)
- § 106-568.34. Alternate method for levy of assessment. At any time when it may be found by the board of directors of Tobacco Associates, that it is not reasonably feasible to base the authorization of an assessment or the making of an assessment or the collection of an assessment on a "per-acre" unit, then the board of directors of Tobacco Associates, by an affirmative vote of not less than two thirds of its members (which vote shall include the affirmative vote of not less than two thirds of such board members who were elected by North Carolina farm organizations), may use a reasonably corresponding "tobacco poundage" unit as the basis for such authorization or making or collecting an assessment; provided, that no assessment shall exceed five cents (5φ) per 100 pounds of the effective farm marketing quota of a member. (1973, c. 81.)
- § 106-568.35. Alternate provision for referendum voting by mail. (a) At any time when it may be found that it is not desirable or reasonably possible to conduct a referendum by written ballots to be cast at polling places (as provided in G.S. 106-568.23 and 106-568.24 of this Article), the board of directors of Tobacco Associates, Incorporated, by an affirmative vote or not less than two thirds of its members (which vote shall include the affirmative vote of not

less than two thirds of such board members who were elected by North Carolina farm organizations), may prescribe and provide for a vote by mail

by written or printed ballot.

(b) In the event that the board of directors shall decide to conduct the referendum by mail vote, the board shall prescribe the rules and regulations under which such mail referendum shall be conducted; shall provide the necessary ballots and cause them to be mailed to the farmers of North Carolina who produce flue-cured tobacco; shall provide envelopes for the return of such ballots by individual voters; shall cause to be published through the medium of the public press in the State of North Carolina notice of the holding of such referendum at least 30 days before the mailing out of the ballots; shall give direct written notice of such proposed mail referendum to all statewide farm organizations within the State of North Carolina and to each county agent in each county in which flue-cured tobacco is grown; shall provide a closing date for the return of the ballots; shall provide for the receipt and safeguarding of such ballots; and, within 30 days of the date set as the latest date for the return of such ballots, shall canvass the ballots and publish and declare the results of such referendum. (1975, c. 125.)

§§ 106-569 to 106-579: Repealed by Session Laws 1975, c. 179, s. 16.

Cross Reference. — For North Carolina Antifreeze Law of 1975, see § 106-579.1 et seq.

ARTICLE 51A.

North Carolina Antifreeze Law of 1975.

Repeal of Article. — This Article is repealed, effective July 1, 1983, by Session Laws 1977, c. 712, s. 4. The 1977 act also repeals, with postponed effective dates, numerous other Chapters and Articles creating licensing and regulatory agencies, and sets up a Government Evaluation Commission whose function is to conduct a performance evaluation of the

programs and functions of each such agency and report to General Assembly whether the program or function in question should be terminated, reconstituted, reestablished or continued. The Commission will go out of existence June 30, 1983. The 1977 act is codified as § 143-34.10 et seq.

§ 106-579.1. Short title. — This Article shall be known as the "North Carolina Antifreeze Law of 1975." (1975, c. 719, s. 1.)

Editor's Note. — Session Laws 1975, c. 719, effective July 1, 1975, repealed Article 51 and enacted this Article. No attempt has been made to point out the changes, but, where appropriate, the historical citations to the sections of the repealed Article have been added to corresponding sections of the new Article.

Session Laws 1975, c. 719, s. 16, provides: "Notwithstanding any other provisions of law,

all existing rules and regulations concerning the sale and inspection of antifreeze substances and preparations of the State of North Carolina Department of Agriculture and any other agency of the State of North Carolina not inconsistent with the provisions of this Article shall continue in full force and effect until repealed, modified or amended."

§ 106-579.2. Purpose. — It is desirable that there should be uniformity between the requirements of the several states. Therefore, the Board and Commission are directed, consistent with the purposes of this Article, to so enforce this Article as to strive for achievement of such uniformity and are also authorized and empowered to cooperate with and enter into agreements with any other agency of this State, or any other state regulating antifreeze, for the purpose of carrying out the provisions of this Article and securing uniformity of regulations in conformity to the primary standards established by this Article. (1975, c. 719, s. 2.)

§ 106-579.3. Definitions. — As used in this Article, the following words and phrases have the following meanings:

(1) "Advertisement" means all representations disseminated in any manner or by any means, other than by labeling, for the purpose of inducing, or which are likely to induce, directly or indirectly, the purchase of antifreeze products.

(2) "Antifreeze" means any substance or preparation sold, distributed or intended for use as the cooling liquid, or to be added to the cooling liquid, in the cooling system of internal combustion engines of motor vehicles to prevent freezing of the cooling liquid or to lower its freezing

(3) "Antifreeze-coolant" or "antifreeze and summer coolant" or "summer coolant" means any substance as defined in (2) above which also is sold, distributed or intended for raising the boiling point of water or for the prevention of engine overheating whether or not used as a year-round cooling system fluid. Unless otherwise stated, the term "antifreeze" includes "antifreeze," "antifreeze-coolant," "antifreeze and summer

coolant," and "summer coolant."

(4) "Board" means the North Carolina State Board of Agriculture, as defined by G.S. 106-2.

(5) "Commissioner" means the Commissioner of Agriculture of the State of North Carolina.

(6) "Distribute" means to hold with intent to sell, offer for sale, to sell, barter or otherwise supply to the consumer.

(7) "Home consumer-sized package" as used in G.S. 106-579.9(12) shall refer to packages of one fluid U.S. gallon or less.

(8) "Label" means any display of written, printed, or graphic matter on, or attached to, a package, or to the outside individual container or wrapper

(11) "Person," as used in this Article, shall be construed to mean both the

singular and plural as the case demands, and shall include individuals, partnerships, corporations, companies and associations. (1949, c. 1165; 1975, c. 719, s. 3.)

§ 106-579.4. Registrations. — On or before the first day of July of each year, and before any antifreeze may be distributed for the permit year beginning July 1, the manufacturer, packager, or person whose name appears on the label shall make application to 'the Commissioner on forms provided by the latter for registration for each brand of antifreeze which he desires to distribute. The application shall be accompanied by specimens or facsimiles of labeling for all

container sizes to be distributed, when requested by the Commissioner; a license and inspection fee of two hundred fifty dollars (\$250.00) for each brand of antifreeze and a properly labeled sample of the antifreeze shall also be submitted at this time. The Commissioner may inspect, test, or analyze the antifreeze and review the labeling. If the antifreeze is not adulterated or misbranded, if it meets the standards established and promulgated by the Board, and if the said antifreeze is not such a type or kind that is in violation of this Article, the Commissioner shall thereafter issue a written license or permit authorizing the sale of such antifreeze in this State for the fiscal year in which the license or inspection fee is paid. If the antifreeze is adulterated or misbranded, if it fails to meet standards promulgated by the Board, or is in violation of this Article or regulations thereunder, the Commissioner shall refuse to register the antifreeze, and he shall return the application to the applicant, stating how the antifreeze or labeling is not in conformity. If the Commissioner shall, at a later date, find that a properly registered antifreeze product has been materially altered or adulterated, or a change has been made in the name, brand or trademark under which the antifreeze is sold, or that it violates the provisions of this Article, or that it violates regulations, definitions or standards duly promulgated by the Board, he shall notify the applicant that the license authorizing sale of the antifreeze is canceled. No antifreeze license shall be canceled unless the registrant shall have been given an opportunity to be heard before the Commissioner or his duly designated agent and to modify his application in order to comply with the requirements of this Article and regulations, definitions, and standards promulgated by the Board. All fees received by the Commissioner shall be placed in the Department of Agriculture fund for the purpose of supporting the antifreeze enforcement and testing program. (1949, c. 1165; 1975, c. 719, s. 4.)

§ 106-579.5. Adulteration. — Antifreeze shall be deemed to be adulterated:

(1) If, in the form in which it is sold and directed to be used, it would be injurious to the cooling system in which it is installed, or if, when used in such cooling system, it would make the operation of the engine dangerous to the user.

(2) If its strength, quality, or purity falls below the standard of strength, quality, or purity established by the Board for the particular type or composition of antifreeze product. (1949, c. 1165; 1975, c. 719, s. 5.)

§ 106-579.6. Misbranding. — Antifreeze shall be deemed to be misbranded:

(1) If it does not bear a label which (i) specifies the identity of the product, (ii) states the name and place of business of the registrant, (iii) states the correct net quantity of contents (in terms of liquid measure) separately and accurately in a uniform location upon the principal display panel, and (iv) contains a statement warning of any hazard of substantial injury to human beings which may result from the intended use or reasonably foreseeable misuse of the antifreeze, as provided by applicable federal and State product safety laws.

(2) If the label on a container of less than five gallons, or the labeling for a container of five gallons or more, does not contain a statement or chart showing the appropriate amount, percentage, proportion or concentration of the antifreeze to be used to provide (i) claimed protection from freezing at a specified degree or degrees of temperature, (ii) claimed protection from corrosion, or (iii) claimed

increase of boiling point or protection from overheating.

(3) If its labeling contains any claim that it has been approved or recommended by the Commissioner or the State of North Carolina.

(4) If its labeling is false, deceptive, or misleading. (1949, c. 1165; 1975, c. 719, s. 6.)

- § 106-579.7. Rules and regulations. (a) The Board is authorized to promulgate such reasonable rules, regulations and standards for antifreezes as are specifically authorized in this Article and such other reasonable rules and regulations as may be necessary for the efficient enforcement of this Article and the protection of the public. The Board is authorized to promulgate regulations banning the distribution in North Carolina of any type of product not suitable for antifreeze usage in modern internal combustion engines or motor vehicles, whether by reason of potential damage to the cooling system, improper heat transfer from the engine, absence of a convenient and suitable test method for measuring freeze protection, or other reason bearing upon the ultimate effect of the product when used in such automotive cooling systems. Before the issuance, amendment, or repeal of any rule, regulation or standard authorized by this Article, the Board shall publish the proposed regulation, amendment, or notice to repeal an existing regulation in a manner reasonably calculated to give interested parties, including all current registrants, adequate notice and shall afford all interested persons an opportunity to present their views thereon, orally or in writing, within a reasonable period of time. After consideration of all views presented by interested persons, the Board shall take appropriate action as dictated by the material weight of objective information presented to the Board.
- (b) The Commissioner shall administer this Article by inspections, chemical analyses and other appropriate methods. The Commissioner shall also execute all orders, rules and regulations established by the Board. All authority vested in the Commissioner by virtue of the provisions of this Article may, with like force and effect, be executed by such agents of the Commissioner as he shall designate for such purpose; provided, however, that confidential formula information referred to in G.S. 106-579.11 must be confined to the files of the administrative chemist specifically designated by the Commissioner to handle such information. (1949, c. 1165; 1975, c. 719, s. 7.)
- § 106-579.8. Inspection, sampling and analysis. The Commissioner, or his authorized agent, shall have free access at reasonable hours to all places and property in this State where antifreeze is manufactured, stored, transported, or distributed, or offered or intended to be offered, for sale, including the right to inspect and examine all antifreeze there found, and to take reasonable samples of such antifreeze for analysis together with specimens of labeling. All samples so taken shall be properly sealed and sent to the Department of Agriculture laboratories for examination together with all labeling appertaining thereto. It shall be the duty of the Commissioner to examine promptly all samples received in connection with the administration and enforcement of this Article and to report the results of such examination to the owner and registrant of the antifreeze. (1949, c. 1165; 1975, c. 719, s. 8.)

§ 106-579.9. Prohibited acts. — It shall be unlawful to:

- (1) Distribute any antifreeze which is adulterated or misbranded.
- (2) Distribute any antifreeze which has been banned by the Board.
- (3) Distribute any antifreeze which has not been registered in accordance with G.S. 106-579.4 or whose labeling is different from that accepted for registration; provided, that any antifreeze declared to be discontinued by the registrant must be registered by the registrant for one full year after distribution is dicontinued; provided further, that any antifreeze in channels of distribution after the aforesaid registration period may be confiscated and disposed of by the Commissioner, unless the antifreeze is acceptable for registration and is continued to be registered by the manufacturer or the person offering the antifreeze for wholesale or retail sale.

(4) Refuse to permit entry or inspection or to permit the acquisition of a sample of antifreeze as authorized by G.S. 106-579.8.
(5) Dispose of any antifreeze that is under "stop sale" or "withdrawal from

distribution" order in accordance with G.S. 106-579.10.

(6) Distribute any antifreeze unless it is in the registrant's or manufacturer's unbroken package or is installed by the seller into the cooling system of the purchaser's vehicle directly from the registrant's or manufacturer's package, and the label on such package if less than five gallons, or the labeling of such package if five gallons or more, does not bear the information required by G.S. 106-579.6(1), (2), (3), and

(7) Use the term "ethylene glycol" in connection with the name of a product which contains other glycols unless it is qualified by the word 'base,' "type," or similar word, and unless the product meets the following

requirements:

a. It consists essentially of ethylene glycol;

b. If it contains suitable glycols other than ethylene glycol, that no more than a maximum of fifteen percent (15%) of such other glycols be present;

c. It contains a minimum total glycol content of ninety-three percent

(93%) by weight;

d. The specific gravity is corrected to give reliable freezing-point readings on a commercial ethylene glycol type hydrometer; and

e. The freezing point of a fifty percent (50%) by volume aqueous mixture of the antifreeze shall not be above -34° F.

(8) Refuse, when requested, to permit a purchaser to see the container from which antifreeze is drawn for installation into the purchaser's vehicle.

(9) Refill any container bearing a registered label, unless by the registrant or his duly designated jobber, under regulations established by the

(10) Distribute any antifreeze for which a practical, rapid means for measuring the freeze protection by the user is not readily available, whether by hydrometer or other means.

(11) Distribute antifreeze which is in violation of the Federal Poison Prevention Packaging Act and regulations and related federal and

State product safety laws and regulations.

(12) Distribute antifreeze in home consumer-sized packages which are constructed of either transparent or translucent packaging materials.

(13) Disseminate any false or misleading advertisement relating to an antifreeze product. (1975, c. 719, s. 9.)

§ 106-579.10. Enforcement. — (a) When the Commissioner finds any antifreeze being distributed in violation of any of the provisions of this Article or of any of the rules and regulations duly promulgated and adopted under this Article by the Board, he may issue and enforce a written or printed "stop sale" or "withdrawal from distribution" order, warning the distributor not to dispose of any of the lot of antifreeze in any manner until written permission is given by the Commissioner or the court. Copies of such orders shall also be sent by certified mail to the registrant and to the person whose name and address appears on the labeling of the antifreeze. The Commissioner shall release for distribution the lot of antifreeze so withdrawn when said provisions of this Article and applicable rules and regulations have been complied with. If compliance is not obtained within 30 days of the date of notification to the registrant and the person whose name and address appears on the label, the Commissioner may begin proceedings for condemnation.

(b) Notwithstanding the provisions of subsection (a) of this section, any lot of antifreeze not in compliance with said provisions and regulations shall be

subject to seizure upon complaint of the Commissioner to the district court in the county in which said antifreeze is located. In the event the court finds said antifreeze to be in violation of this Article and its duly adopted regulations, it may then order the condemnation of said antifreeze and the same shall be disposed of in any manner consistent with the rules and regulations of the Board and the laws of the State at the expense of the claimants thereof, under the supervision of the Commissioner; and all court costs and fees, and storage and other proper expenses, shall be taxed against the claimant of such article or his agent; provided, however, that in no instance shall the disposition of said antifreeze be ordered by the court without first giving 30 days' notice, by certified mail at his last known address, to the owner of same, if he is known to the Commissioner, and to the registrant, if the antifreeze is registered, at the address shown on the label or on the registration certificate, so that such persons may apply to the court for the release of said antifreeze or for permission to process or relabel said antifreeze so as to bring it into compliance with this Article. When the violation can be corrected by proper labeling, processing of the product, or other action, the court, after all costs, fees and expenses incurred by the Commissioner have been paid and a good and sufficient bond, conditioned that such article shall be so corrected, has been executed, may by order direct that such article be delivered to the claimant thereof for such action as necessary to bring it into compliance with this Article and regulations under the supervision of the Commissioner. The expense of such supervision shall be paid by the claimant. Such bond shall be returned to the claimant of the article on representation to the court by the Commissioner that the antifreeze is no longer in violation of this Article, and that the expenses of such supervision have been paid.

(c) A copy of the analysis made by any chemist of the Department of Agriculture of any antifreeze certified to by him shall be administered as evidence in any court of the State on trial of any issue involving the merits of

antifreeze as defined and covered by this Article.

(d) When the Commissioner finds any antifreeze being distributed in violation of any of the provisions of this Article or of any of the rules and regulations duly promulgated and adopted by the Board, he may request, and the person whose name and address appears on the labeling or the person who is primarily responsible for the product must promptly supply to him, the distribution data for such product in this State, so as to assure that violative products are not further distributed herein and that an orderly withdrawal from distribution may be attained where necessary to protect the public interest. (1949, c. 1165; 1975, c. 719, s. 10.)

§ 106-579.11. Submission of formula. — When application for a license or permit to sell antifreeze in this State is made to the Commissioner, he may require the applicant to furnish a statement of the formula or contents of such antifreeze, which said statement shall conform to rules and regulations established by the Commissioner; provided, however, that the statement of formula or contents may state the content of inhibitor ingredients in generic terms if such inhibitor ingredients total less than five percent (5%) by weight of the antifreeze and if in lieu thereof the manufacturer, packer, seller or distributor furnishes the Commissioner with satisfactory evidence, other than by disclosure of the actual chemical names and percentages of the inhibitor ingredients, that the said antifreeze is in conformity with this Article and any rules and regulations promulgated and adopted by the Board. All statements of content, formulas or trade secrets furnished under this section shall be privileged and confidential and shall not be made public or open to the inspection of any person, firm, association or corporation other than the Commissioner. All such statements of contents shall not be subject to subpoena nor shall the same be exhibited or disclosed before any administrative or judicial tribunal by virtue

The Commissioner is authorized to survey or inspect premises for the presence of bees or other regulated articles, inspect colonies for bee diseases and disorders, and otherwise enforce the provisions of this Article and pursuant regulations. The Commissioner or his designated agent shall have authority to inspect vehicles or other means of transportation and their cargo suspected of carrying bees or regulated articles, and enter upon any premises to inspect any bees or regulated articles to determine the presence or absence of diseases or disorders.

Such inspections and other activities may be conducted with the permission of the owner or person in charge. If permission is denied the Commissioner or his designated agent, such inspections and other activities may be conducted in a reasonable manner, with a warrant, with respect to any premises or vehicles. Such warrant shall be issued pursuant to Article 4A of Chapter 15. A superior court or district court judge may issue confiscation orders on any bees or articles for which confiscation is authorized in this Article or pursuant regulations. (1977, c. 238, s. 10.)

§ 106-644. Penalties. — If anyone shall attempt to prevent inspection as provided in this Article or shall otherwise interfere with the Commissioner of Agriculture, or any of his agents, while engaging in the performance of his

duties under this Article, or shall violate any provisions of this Article or any regulation of the Board of Agriculture adopted pursuant to this Article, he shall be guilty of a misdemeanor and shall be fined not less than fifty dollars (\$50.00) or imprisoned for not more than 30 days, for each offense. Each day's violation shall constitute a separate offense. (1977, c. 238, s. 11.)

b. All natural organic fertilizer materials including manipulated manures, sewage sludge, tankage and any other natural organic product that does not come under the definition of mixed fertilizer shall be registered, labeled and sold by the name of such natural organic fertilizer materials only.

c. No product may be registered, sold, offered for sale or distributed as an organic fertilizer when less than fifteen percent (15%) of the total nitrogen is water insoluble nitrogen.

- d. In the case of bone, tankage, and other organic phosphate materials on which the chemist makes no determination of available phosphoric acid, the total phosphoric acid shall be guaranteed: Provided, that unacidulated mineral phosphatic materials and basic slag shall be guaranteed as to both total and available phosphoric acid and the degree of fineness.
- (5) The sources from which the nitrogen, phosphoric acid, and potash are derived.
- (6) Magnesium (Mg), calcium (Ca), and sulfur (S) may be claimed as secondary plant food in all commercial fertilizers, but only in the elemental form. When one or more of these are claimed the minimum percentage of total magnesium (Mg), total calcium (Ca), and total sulfur (S), as applicable, shall be guaranteed.

(7) Boron may be claimed as an ingredient of mixed fertilizers. If claimed, it shall be guaranteed in terms of percent boron (B). The guarantee will be considered both a minimum and a maximum guarantee. When the boron content is .03% or more, the analysis guarantee shall be on a

separate tag as prescribed by the Commissioner.

(8) Additional plant food elements, compounds, or classes of compounds, determinable by chemical control methods, may be guaranteed only by permission of the Commissioner who may seek the advice of the director of the experiment station. When any such additional plant food elements, compounds, or classes of compounds are included in the guarantee, they shall be subject to inspection and analysis in accordance with the methods and regulations that may be prescribed by the Commissioner. The Commissioner shall also fix penalties for failure to fulfill such guarantees.

(9) In no case, except in the case of unacidulated mineral phosphates and/or basic slag unmixed with other materials shall both the terms "total phosphoric acid" and "available phosphoric acid" be used in the same

statement of analysis.

(b) The distributor of any brand and grade of commercial fertilizer shall not be required to register the same if it has already been registered under this Article by a person entitled to do so and such registration is then outstanding.

- (c) The grade of any brand of mixed fertilizer shall not be changed during the registration period, but the guaranteed analysis may be changed in other respects and the sources of materials may be changed: Provided, prompt notification of such change is given to the Commissioner and the change is noted on the container or tag: Provided, further, that the guaranteed analysis shall not be changed if it, in any way, lowers the quality of the fertilizer: Provided, further, that if at a subsequent registration period, the registrant desires to make any change in the registration of a given brand and grade of fertilizer, said registrant shall notify the Commissioner of such change 30 days in advance of such registration. If the Commissioner, after consultation with the director of the agricultural experiment station decides that such change materially lowers the crop producing value of the fertilizer, he shall notify the registrant of his conclusions, and if the registrant registers the brand and grade with the proposed changes, then the Commissioner shall give due publicity to said changes through the Agricultural Review or by such other means as he may deem advisable.
- (d) Any person wishing to become a fertilizer manufacturer, as defined in this Article shall before engaging in such business secure a license from the Commissioner of Agriculture. Such person shall make application for such license on forms to be furnished by the Commissioner submitting such information as to his proposed operation as the Commissioner may prescribe. Such license shall be renewable annually on the first day of July. Such license

may be revoked for a violation of any provisions of this Article, or of any rule or regulation adopted by the Board of Agriculture.

- (e) When fluid fertilizer is offered for sale or sold in this State, the method of transfer of custody shall be by weight expressed in pounds, and shall be invoiced in such a manner as to show the name of the seller, the name of the purchaser, the date of sale, the grade, and the net weight; provided, however, that fluid fertilizer may be measured in gallons of 231 cubic inches and its equivalent expressed in pounds, with a formula for converting from gallons to pounds shown on the invoice.
- (f) Any person before engaging in the business of handling, storing or distributing fluid fertilizer in this State shall register with the Commissioner and shall re-register on or before July 1 of each year thereafter so long as he shall engage in said business. The application for registration shall be submitted in duplicate on forms furnished by the Commissioner of Agriculture.
- (g) Before any wholesale or retail fluid fertilizer distributing plant shall be built in this State, a general layout of such plant shall be submitted in duplicate and approved by the Commissioner. In order that such a layout may be approved it must conform to the minimum standards and rules and regulations, relating to safe handling, storage, distribution and/or application adopted by the Board of Agriculture. All storage tanks, transfer or transport containers, applicator containers, and attached equipment shall conform to the minimum standards adopted by the Board of Agriculture. It shall be the duty of the contractors referred to in G.S. 106-657(4) to obtain, maintain and operate in accordance with the minimum standards and rules and regulations adopted by the Board of Agriculture, any and all equipment which he may use in the application of fluid fertilizer. It shall be the duty of the Commissioner to inspect and ascertain whether or not the provisions of this section are complied with. (1947, c. 1086, s. 4; 1949, c. 637, s. 1; 1951, c. 1026, ss. 3-6; 1959, c. 706, ss. 3-5; 1961, c. 66, ss. 3, 4; 1973, c. 611, ss. 1-4; 1977, c. 303, s. 6.)
- § 106-661. Labeling. (a) Any commercial fertilizer offered for sale, sold, or distributed in this State in bags, barrels, or other containers shall have placed on or affixed to the container the net weight and the data in written or printed form, required by G.S. 106-660(a), with the exception of subdivision (5), either (i) on tags to be affixed to the end of the package or (ii) directly on the package. In case the brand name appears on the package, the grade shall also appear on the package, immediately preceding the guaranteed analysis or as a part of the brand name. The size of the type of numerals indicating the grade on the containers shall not be less than two inches in height for containers of 100 pounds or more; not less than one inch for containers of 50 to 99 pounds; and not less than ½ inch for packages of 25 to 49 pounds. On packages of less than 25 pounds, the grade must appear in numerals at least one half as large as the letters in the brand name. In case of fertilizers sold in containers on which the brand name or other designations of the distributor do not appear, the grade must appear in a manner prescribed by the Commissioner on tags attached to the container.
- (b) If transported in bulk, the net weight and the data, in written or printed form, as required by G.S. 106-660(a), with the exception of subdivision (5), shall accompany delivery and be supplied to the purchaser.
- (c) If mixed fertilizer is sold or intended to be sold in bags weighing more than 100 pounds, each bag must have a tag attached thereto, of a type approved by the Commissioner, showing the grade of the fertilizer contained therein. Such tag must be attached on the end of each bag, approximately at the center of the sewed end of the bag: Provided, that in lieu of such tag the grade of the fertilizer may be printed on the end of the bag in readily legible numerals.

(d) All commercial fertilizer labels and registrations shall carry identical guarantees for each product. (1947, c. 1086, s. 5; 1949, c. 637, s. 2; 1955, c. 354, s. 2; 1975, c. 127; 1977, c. 303, s. 7.)

Editor's Note. — The cases cited below were decided under prior law.

Warranty of Contents. — Manufacturers and vendors of commercial fertilizers impliedly warrant that they contain the ingredients specified on the tags placed on the bags, according to the requirements of the statute. Swift & Co. v. Aydlett, 192 N.C. 330, 135 S.E. 141 (1926).

Compliance with Statute Warranted. — When plaintiffs, as manufacturers, dealers or agents, sold to defendant commercial fertilizers, they must be held to have warranted that they had complied with the statute, and that the articles delivered, as commercial fertilizers were truthfully branded as required by the statute. Swift v. Etheridge, 190 N.C. 162, 129 S.E. 453 (1925).

Note for Purchase Price of Fertilizers Not Complying with Statute. — If the contents of the bags or packages delivered to defendant by plaintiffs were not, in fact commercial fertilizers, of the analysis guaranteed on each bag or package, as required, there was no consideration for the note given for the purchase price of the articles bought by defendant, and

plaintiffs are not entitled to recover on said note. Swift v. Etheridge, 190 N.C. 162, 129 S.E. 453 (1925).

The rule of caveat emptor, as applied at common law in the sale of articles of personal property, is not applicable to the sale of commercial fertilizers in this State. Swift v. Etheridge, 190 N.C. 162, 129 S.E. 453 (1925); Swift & Co. v. Aydlett, 192 N.C. 330, 135 S.E. 141 (1926).

The burden of proof is upon the manufacturer to show, in an action against a purchaser for the purchase price, that the goods were at least merchantable, and that the ingredients used in their manufacture were in accordance with the specifications upon the tags placed on the bags under the requirements of the statute. Swift & Co. v. Aydlett, 192 N.C. 330, 135 S.E. 141 (1926).

A waiver by the purchaser of any demand for damages on account of any deficiencies in the ingredients of fertilizers, except such as may be ascertained in the manner specified in the statute, is valid and enforceable. Armour Fertilizer Works v. Aiken, 175 N.C. 398, 95 S.E. 657 (1918).

§ 106-662. Sampling, inspection and testing. — (a) It shall be the duty of the Commissioner to sample, inspect, make analysis of, and test commercial fertilizers offered for sale, sold, or distributed within the State at such time and place and to such an extent as he may deem necessary to determine whether such commercial fertilizers are in compliance with the provisions of this Article. The Commissioner is authorized with permission or under court warrant to enter upon any public or private premises during regular business hours or at any time business is being conducted therein in order to have access to commercial fertilizers subject to the provisions of this Article and the rules and regulations thereto.

(b) The methods of sampling shall be as follows:

(1) For the purposes of analysis by the Commissioner and for comparison with the guarantee supplied to the Commissioner in accordance with G.S. 106-660 and 106-661, the Commissioner, shall take an official sample of not less than one pound from containers of commercial fertilizer. No sample shall be taken from less than five containers. Portions shall be taken from containers as shown in the following table:

5 to 10 containers

Analytical Chemists (A.O.A.C.).

Ten cores from bulk lots or as specified by the Association of Official

(2) A core sampler shall be used that removes a core from a bag or other container in a horizontal position from a corner to the diagonal corner at the other end of the package, and the cores taken shall be mixed, and if necessary, shall be reduced after thoroughly mixing, to the

quantity of sample required. The composite sample taken from any lot of commercial fertilizer under the provisions of this subdivision shall be placed in a tight container and shall be forwarded to the

Commissioner with proper identification marks.

(3) The Board of Agriculture may modify the provisions of this subsection to bring them into conformity with any changes that may hereafter be made in the official methods of and recommendations for sampling commercial fertilizers which shall have been adopted by the Association of Official Analytical Chemists or by the Association of American Plant Food Control Officials. Thereafter, such methods and recommendations shall be used in all sampling done in connection with the administration of this Article in lieu of those prescribed in subdivisions (1) and (2) of this subsection.

(4) All samples taken under the provisions of this section shall be taken from original unbroken bags or containers, the contents of which have

not been damaged by exposure, water or otherwise.

(5) The Commissioner shall refuse to analyze all samples except those taken under the provisions of this section and no sample, unless so taken, shall be admitted as evidence in the trial of any suit or action wherein there is called into question the value or composition of any lot of commercial

fertilizer distributed under the provisions of this Article.

(6) In the trial of any suit or action wherein there is called in question the value or composition of any lot of commercial fertilizer, a certificate signed by the fertilizer chemist and attested with the seal of the Department of Agriculture, setting forth the analysis made by the chemist of the Department of Agriculture, of any sample of said commercial fertilizer, drawn under the provisions of this section and analyzed by them under the provisions of the same, shall be prima facie proof that the lot of fertilizer represented by the sample was of the value and constituency shown by said analysis. And the said certificate of the chemist shall be admissible in evidence.

(c) The methods of analysis shall be those adopted as official by the Board of Agriculture and shall conform to sound laboratory practices as evidenced by methods prescribed by the Association of Official Analytical Chemists of the United States. In the absence of methods prescribed by the Board, the

Commissioner shall prescribe the methods of analysis.

(d) The result of official analysis of any commercial fertilizer which has been found to be subject to penalty shall be forwarded by the Commissioner to the registrant at least 10 days before the report is submitted to the purchaser. If, during that period, no adequate evidence to the contrary is made available to the Commissioner, the report shall become official. Upon request the Commissioner shall furnish to the registrant a portion of any sample found subject to penalty.

(e) Any purchaser or consumer may take and have a sample of mixed fertilizer or fertilizer material analyzed for available plant food, if taken in accordance

with the following rules and regulations:

(1) At least five days before taking a sample, the purchaser or consumer shall notify the manufacturer or seller of the brand in writing, at his permanent address, of his intention to take such a sample and shall request the manufacturer or seller to designate a representative to be present when the sample is taken.

(2) The sample shall be drawn in the presence of the manufacturer, seller, or representative designated by either party together with two disinterested adult persons; or in case the manufacturer, seller, or representative of either refuses or is unable to witness the drawing of such a sample, a sample may be drawn in the presence of three

disinterested adult persons; provided, any such sample shall be taken with the same type of sampler as used by the inspector of the Department of Agriculture in taking samples and shall be drawn, mixed, and divided, as directed in subdivisions (1), (2), (3), and (4) of subsection (b) of this section, except that the sample shall be divided into two parts each to consist of at least one pound. Each of these is to be placed into a separate, tight container, securely sealed, properly labeled, and one sent to the Commissioner for analysis and the other to the manufacturer. A certificate statement in a form which will be prescribed and supplied by the Commissioner must be signed by the parties taking and witnessing the taking of the sample. Such certificate is to be made and signed in duplicate and one copy sent to the Commissioner and the other to the manufacturer or seller of the brand sampled. The witnesses of the taking of any sample, as provided for in this section, shall be required to certify that such sample has been continuously under their observation from the taking of the sample up to and including the delivery of it to an express agency, a post office or to the office of the Commissioner.

(3) Samples drawn in conformity with the requirements of this section shall have the same legal status in the courts of the State, as those drawn by the Commissioner or any official inspector appointed by him as provided for in subsection (b) of this section.

(4) No suit for damages claimed to result from the use of any lot of mixed fertilizer or fertilizer material may be brought unless it shall be shown by an analysis of a sample taken and analyzed in accordance with the provisions of this Article, that the said lot of fertilizer as represented by a sample or samples taken in accordance with the provisions of this section does not conform to the provisions of this Article with respect to the composition of the mixed fertilizer or fertilizer material, unless it shall appear to the Commissioner that the manufacturer of the fertilizer in question has, in the manufacture of other goods offered in this State during such season, employed such ingredients as are prohibited by the provisions of this Article, or unless it shall appear to the Commissioner that the manufacturer of such fertilizer has offered for sale during that season any kind of dishonest or fraudulent goods or unless it shall appear to the Commissioner that the manufacturer of the fertilizer in question, or a representative, agent or employee of the manufacturer, has violated any provisions of G.S. 106-663. (1947, c. 1086, s. 7; 1955, c. 354, s. 3; 1973, c. 1304, s. 1; 1977, c. 303, s. 8.)

Editor's Note. — The cases cited below were decided under prior law.

This section does not apply to actions for damages for breach of an express warranty of fitness of the fertilizer for the purposes for which it was warranted. Potter v. Tyndall, 22 N.C. App. 129, 205 S.E.2d 808 (1974).

When a litigant alleges that his losses are the result of false statements concerning fertilizer which constitute an express warranty of fitness, he is not required to comply with the provisions of this section. Potter v. Tyndall, 22 N.C. App. 129, 205 S.E.2d 808 (1974).

It is impossible for any farmer suffering damages from the breach of an express warranty of fitness to satisfy the requirements of this statute. Potter v. Tyndall, 22 N.C. App. 129, 205 S.E.2d 808 (1974).

But Does Apply to Action for Breach of Implied Warranty. — An action to recover damages for breach of implied warranty is in essence an action based on the inherent defects of the goods and is within the scope of this section. Potter v. Tyndall, 22 N.C. App. 129, 205 S.E.2d 808 (1974).

Section 25-2-315 does not repeal or limit the scope of subdivision (4) of subsection (e), since provides that the Commercial Code does not "impair or repeal any statute regulating sales to . . . farmers." Potter v. Tyndall, 22 N.C. App. 129, 205 S.E.2d 808 (1974).

- § 106-663. False or misleading statements. It shall be unlawful to make, in any manner whatsoever, any false or misleading statement or representation with regard to any commercial fertilizer offered for sale, sold, or distributed in this State, or to use any misleading or deceptive trademark or brand name in connection therewith. The Commissioner is hereby authorized to refuse the registration of any commercial fertilizer with respect to which this section is violated. (1947, c. 1086, s. 12; 1977, c. 303, s. 9.)
- § 106-664. Determination and publication of commercial values. For the purpose of determining the commercial values to be applied under the provisions of G.S. 106-665, the Commissioner shall determine and publish annually the values per pound of nitrogen, available phosphoric acid, and soluble potash in commercial fertilizers in this State. The values so determined and published shall be used in determining and assessing penalties. (1947, c. 1086, s. 9; 1977, c. 303, s. 10.)
- § 106-665. Plant food deficiency. (a) The Commissioner, in determining for administrative purposes, whether any commercial fertilizer is deficient in plant food, shall be guided solely by the official sample as defined in subdivision (15) of G.S. 106-657, and as provided for in subsections (b), (c), and (d) of G.S. 106-662.
- (b) If the analysis shall show that any commercial fertilizer falls short of the guaranteed analysis in any ingredient, a penalty shall be assessed in accordance with the following provisions:

(1) For total nitrogen, available phosphoric acid, or available potash: A penalty of three times the value of the deficiency if such deficiency is

in excess of the following investigational allowances.

(2) Should the basicity or acidity as equivalent of calcium carbonate of any sample of fertilizer be found upon analysis to differ more than five percent (5%) (or 100 pounds of calcium carbonate equivalent per ton) from the guarantee, a penalty of fifty cents (50¢) per ton for each 50 pounds calcium carbonate equivalent, or fraction thereof in excess of the 100 pounds allowed, shall be assessed and paid as is prescribed in subsection (c) of this section.

(3) Chlorine: If the chlorine content of any lot of fertilizer branded for tobacco shall exceed the maximum amount guaranteed by more than

0.5 of one percent, a penalty shall be assessed equal to ten percent (10%) of the value of the fertilizer for each additional 0.5 of one percent of

excess or fraction thereof.

(4) Water insoluble nitrogen: A penalty of three times the value of the deficiency shall be assessed, if such deficiency is in excess of 0.15 of one percent on goods guaranteed up to and including five-tenths percent; 0.20 of one percent on goods guaranteed from five-tenths percent to one percent; 0.30 of one percent on goods guaranteed from one percent to two percent; 0.50 of one percent on goods guaranteed above two percent and up to and including five percent; and 1.00 percent on goods guaranteed over five percent.

(5) Nitrate nitrogen: A penalty of three times the value of the deficiency shall be assessed if the deficiency shall exceed 0.20 of one percent for goods guaranteed up to and including five-tenths percent; 0.25 of one percent for goods guaranteed from five-tenths to one percent; 0.30 of one percent for goods guaranteed from one to two percent; and 0.35 of one percent for goods guaranteed above two percent up to four percent. Tolerances for goods guaranteed above four percent shall be

the same as for total nitrogen.

(6) Total magnesium: If the magnesium content is as much as 0.2 unit plus 5 percent of the guarantee below the minimum amount guaranteed, a penalty of one dollar (\$1.00) per ton shall be assessed for each 0.15 of one percent additional deficiency or fraction thereof.

(7) Total calcium: If the calcium content is as much as 0.2 unit plus 5 percent of the guarantee below the minimum amount guaranteed, a penalty of one dollar (\$1.00) per ton shall be assessed for each 0.35 of one percent

additional deficiency or fraction thereof.

(8) Sulfur: If the sulfur content is as much as 0.2 unit plus 5 percent of the guarantee below the minimum amount guaranteed in the case of all mixed fertilizers, including mixed fertilizers branded for tobacco, a penalty of one dollar (\$1.00) per ton for each 0.50 of one percent additional excess or fraction thereof, shall be assessed.

(9) Deficiencies or excesses in any other constituent or constituents covered under subdivisions (6) and (7), subsection (a), G.S. 106-660 which the registrant is required to or may guarantee shall be evaluated by the Commissioner and penalties therefor shall be prescribed by the

Commissioner in fertilizer regulations.

(10) For micro-nutrients as are not specifically covered in this Article, a tolerance of twenty-five percent (25%) of the guarantee will be allowed for each element, not to exceed ½ unit (.5%) on guarantees up to 15 units or percent and not to exceed one unit (1%) on guarantees above

15 units or percent.

(c) All penalties assessed under this section shall be paid to the consumer of the lot of fertilizer represented by the sample analyzed within three months from the date of notice by the Commissioner to the distributor, receipts taken therefor, and promptly forwarded to the Commissioner; provided, that in no case shall the total assessed penalties exceed the commercial value of the goods to which it applies. If said consumer cannot be found, the amount of the penalty assessed shall be paid to the Commissioner who shall deposit the same in the Department of Agriculture fund, of which the State Treasurer is custodian. Such sums as shall be found to be payable to consumers on lots of fertilizer against which said penalties were assessed shall not be subject to claim by the consumer after 12 months from the date of assessment. (1947, c. 1086, s. 8; 1955, c. 354, s. 4; 1977, c. 303, s. 11.)

§ 106-666. "Stop sale," etc., orders. — It shall be the duty of the Commissioner to issue and enforce a written or printed "stop sale, use, or removal" order to the owner or custodian of any lot of commercial fertilizer and to hold at a designated place when the Commissioner finds said commercial fertilizer is being offered or exposed for sale in violation of any of the provisions of this Article until the law has been complied with and said commercial fertilizer is released in writing by the Commissioner or said violation has been otherwise legally disposed of by written authority. The Commissioner shall release the commercial fertilizer so withdrawn when the requirements of the provisions of this Article have been complied with and upon payment of all costs and expenses incurred in connection with the withdrawal. (1947, c. 1086, s. 18; 1955, c. 354, s. 5; 1977, c. 303, s. 12.)

§ 106-667. Seizure, condemnation and sale. — Any lot of commercial fertilizer not in compliance with the provisions of this Article shall be subject to seizure on complaint of the Commissioner to a court of competent jurisdiction in the area in which said commercial fertilizer is located. In the event the court finds the said commercial fertilizer to be in violation of this Article and orders the condemnation of said commercial fertilizer, it shall be disposed of in any manner consistent with the quality of the commercial fertilizer and the laws of the State; provided, that in no instance shall the disposition of said commercial fertilizer be ordered by the court without first giving the claimant an opportunity to apply to the court for the release of said commercial fertilizer or for permission to process or relabel said commercial fertilizer to bring it into compliance with this Article. (1947, c. 1086, s. 19; 1977, c. 303, s. 13.)

§ 106-668. Punishment for violations. — Each of the following offenses shall be a misdemeanor and any person upon conviction thereof shall be punished

as provided by law for the punishment of misdemeanors:

(1) To manufacture, offer for sale, or sell in this State any mixed fertilizer or fertilizer materials containing any substance that is injurious to crop growth or deleterious to the soil, or to use in such mixed fertilizer or fertilizer materials as a filler any substance with the effect of defrauding the purchaser.

(2) To offer for sale or to sell in this State for fertilizer purposes any raw or untreated leather, hair, wool waste, hoof, horn, rubber or similar nitrogenous materials, the plant food content of which is largely unavailable, either as such or mixed with other fertilizer materials.

(3) To make any false or misleading representation in regard to any mixed fertilizer or fertilizer material shipped, sold or offered for sale by him in this State, or to use any misleading or deceptive trademark or brand in connection therewith. The sale or offer for sale of any mixture of nitrogenous fertilizer materials under a name or other designation descriptive of only one of the components of the mixture shall be considered deceptive and fraudulent.

The Commissioner is authorized to refuse registration for any commercial fertilizer with respect to which this section is violated.

(4) The filing with the Commissioner of any false statement of fact in connection with the registration under G.S. 106-660 of any commercial fertilizer.

(5) Forcibly obstructing the Commissioner or any official inspector authorized by the Commissioner in the lawful performance by him of

his duties in the administration of this Article.

(6) Knowingly taking a false sample of commercial fertilizer for use under provisions of this Article; or knowingly submitting to the Commissioner for analysis a false sample thereof; or making to any person any false representation with regard to any commercial fertilizer sold or offered for sale in this State for the purpose of deceiving or defrauding such other person. (7) The fraudulent tampering with any lot of commercial fertilizer so that as a result thereof any sample of such commercial fertilizer taken and submitted for analysis under this Article may not correctly represent the lot; or tampering with any sample taken or submitted for analysis under this Article, if done prior to such analysis and disposition of the sample under the direction of the Commissioner.

(8) The delivery to any person by the fertilizer chemist or his assistants or other employees of the Commissioner of a report that is willfully false and misleading on any analysis of commercial fertilizer made by the Department in connection with the administration of this Article.

(9) Selling or offering for sale in this State commercial fertilizer without

marking the same as required by G.S. 106-661.

(10) Selling or offering for sale in this State commercial fertilizer containing

less than the minimum content required by G.S. 106-659.

(11) Failure of any manufacturer, importer, jobber, agent, or dealer to have applied for and to have been issued a permit as required by G.S. 106-671 before selling, offering, or exposing for sale or distributing commercial fertilizers in this State.

(12) Failure of any manufacturer or contractor to procure a license under the provisions of G.S. 106-660(d) before beginning operations within the State. (1947, c. 1086, s. 20; 1959, c. 706, ss. 10, 11; 1977, c. 303, s. 14.)

- § 106-669. Cancellation or refusal of registration. The Commissioner is authorized and empowered to cancel the registration of any brand of commercial fertilizer or to refuse to register any brand of commercial fertilizer upon proof that the registrant has been guilty of fraudulent or deceptive practices, or in the evasion or attempted evasion of the provisions of this Article or any rules or regulations promulgated thereunder. No registration shall be cancelled until the registrant has been given an opportunity for a hearing pursuant to the provisions of Article 3 of Chapter 150A of the General Statutes. (1947, c. 1086, s. 17; 1977, c. 303, s. 15.)
- § 106-670. Appeals from assessments and orders of Commissioner. Nothing contained in this Article shall prevent any person from appealing to a court of competent jurisdiction from any assessment of penalty or other final order or ruling of the Commissioner or Board of Agriculture. (1947, c. 1086, s. 22; 1977, c. 303, s. 16.)
- § 106-671. Inspection fees; reporting system. (a) For the purpose of defraying expenses on the inspection and of otherwise determining the value of commercial fertilizers in this State, there shall be paid to the Department of Agriculture a charge of twenty-five cents (25¢) per ton on all commercial fertilizers other than packages of five pounds or less. Inspection fees shall be paid on all tonnage distributed into North Carolina to any person not having a valid reporting permit. On individual packages of five pounds or less there shall be paid in lieu of the tonnage fee an annual registration fee of twenty-five dollars (\$25.00) for each brand offered for sale, sold, or distributed; provided that any per annum (fiscal) tonnage of any brand sold in excess of one hundred tons may be subject to the charge of twenty-five cents (25¢) per ton on any amount in excess of one hundred tons as provided herein. Whenever any manufacturer of commercial fertilizer shall have paid the charges required by this section his goods shall not be liable to further tax, whether by city, town, or county; provided, this shall not exempt the commercial fertilizers from an ad valorem
- (b) Reporting System. Each manufacturer, importer, jobber, firm, corporation or person who distributes commercial fertilizers in this State shall make application to the Commissioner for a permit to report the tonnage of commercial fertilizer sold and shall pay to the North Carolina Department of

Agriculture an inspection fee of twenty-five cents (25¢) per ton. The Commissioner is authorized to require each such distributor to keep such records as may be necessary to indicate accurately the tonnage of commercial fertilizers sold in the State, and as are satisfactory to the Commissioner. Such records shall be available to the Commissioner, or his duly authorized representative, at any and all reasonable hours for the purpose of making such examination as is necessary to verify the tonnage statement and the inspection fees paid. Each registrant shall report monthly the tonnage sold to non-registrants on forms furnished by the Commissioner. Such reports shall be made and inspection fees shall be due and payable monthly on the fifteenth of each month covering the tonnage and kind of commercial fertilizers sold during the past month. If the report is not filed and the inspection fee paid by the last day of the month it is due, the amount due shall bear a penalty of ten percent (10%), which shall be added to the inspection fee due and shall constitute a debt and become the basis of judgment against the securities or bond which may be required. If the report is not filed and the inspection fee paid within 60 days of the date due, or if the report or tonnage be false, the Commissioner may revoke the permit. In order to guarantee faithful performance with the provisions of this subsection each manufacturer, importer, jobber, firm, corporation or person shall, before being granted a permit to use the reporting system, deposit with the Commissioner cash in the amount of one thousand dollars (\$1,000) or securities acceptable to the Commissioner of a value of at least one thousand dollars (\$1,000) or shall post with the Commissioner a surety bond in like amount, executed by some corporate surety company authorized to do business in North Carolina. The Commissioner shall approve all such securities and bonds before acceptance. (1947, c. 1086, s. 6; 1949, c. 637, s. 3; 1959, c. 706, ss. 6, 7; 1973, c. 611, s. 5; 1977, c. 303, s. 17.)

Editor's Note. — The cases cited below were decided under a prior law.

Action to Secure Tax Wrongfully Colleted. — The Board of Agriculture is a department of the State government, and an action against it to recover money alleged to have been wrongfully collected by it as a license tax cannot be maintained, the State not having given its consent to be sued in that respect. Lord & Polk

Chem. Co. v. Board of Agriculture, 111 N.C. 135, 15 S.E. 1032 (1892).

Property Tax. — The statute will not be so construed as to relieve manufacturers of fertilizers or fertilizing material, paying this inspection tax, from the payment of property tax required by the Constitution. Pocomoke Guano Co. v. Biddle, 158 N.C. 212, 73 S.E. 996 (1912).

- § 106-672. Declaration of policy. The General Assembly hereby finds and declares that it is in the public interest that the State regulate the activities of those persons engaged in the business of preparing, mixing, or manufacturing commercial fertilizers, in order to insure the manufacturer, distributor and consumer of the correct quantity and quality of all commercial fertilizer sold or offered for sale in this State. It shall therefore be the policy of this State to regulate the activities of those persons engaged in the business of preparing, mixing or manufacturing commercial fertilizer. (1977, c. 303, s. 18.)
- § 106-673. Authority of Board of Agriculture to make rules and regulations. Because legislation with regard to commercial fertilizer sold or offered for sale in this State must be adopted [adapted] to complex conditions and standards involving numerous details with which the General Assembly cannot deal directly and in order to effectuate the purposes and policies of this Article, and in order to insure the manufacturer, distributor, and consumer of the correct quality and quantity of all commercial fertilizer sold or offered for sale in this State, the Board of Agriculture shall have the authority to make rules and regulations with respect to
 - (1) The maximum chlorine guarantee permitted for tobacco fertilizer;

- (2) The maximum chlorine guarantee permitted in tobacco top dressers;
- (3) Which grades of fertilizer may be branded top dressers;
- (4) The labeling of the grade of fertilizer when such fertilizer is sold in plain or unbranded bags;

- (9) The required composition for boron-landplaster mixtures before they may be registered and sold for use on peanuts in this State; the labeling requirements for each container of such mixture;
- (10) The monetary penalties assessed for excesses or deficiencies of boron and all other minor elements above or below the tolerances allowed;
- (11) The registration and labeling of general crop grades and tobacco grades;
- (12) The method, and the time limitations for the reporting to the Commissioner of Agriculture of the tonnage of each grade of fertilizer shipped to each destination in the State by each manufacturer or firm having fertilizer registered in this State;
- (13) The required composition, before such mixtures may be registered and sold in this State, of fertilizer-pesticide, landplaster-pesticide, and fertilizer-landplaster-pesticide, when to be used for peanuts alone;
- (14) The labeling and bag requirements of fertilizer-landplaster-pesticide mixtures;
- (15) The standards and requirements which must be met before fertilizer-pesticide mixtures may be registered in this State. These requirements may include, but are not limited to, approval in North Carolina of both the pesticide and the fertilizer grades, approval of the mixture by the Board of Agriculture, and any labeling requirements;
- (16) The standards and requirements which must be complied with before fertilizers-pesticides may, without registering the mixture, be mixed for direct application at the farmer's request;
- (17) Requests for mixing any pesticide with fertilizer, for products not previously approved by the Board of Agriculture;
- (18) Packaging requirements for fertilizer-pesticide mixtures sold either in bulk or in bags, such that dusting, spillage, sifting, or a loss of any fertilizer-pesticide mixture will not occur;
- (19) The percentages of nitrogen required to be in nitrogen solutions, before such solutions may be registered and sold in this State;
- (20) The labeling of fertilizer products to ascertain their compliance to the Fertilizer or Lime and Landplaster Law;
- (21) Requesting substantiating data to back up claims made about a fertilizer product; registration may be denied if such data is not furnished;
- (22) The denial of approval of the registration of fertilizer products when such products will not, when used as directed, supply deficient needs of a plant;
- (23) Safety requirements for the movement, handling and storage of fluid fertilizers:
- (24) Standards and requirements for equipment and tanks for handling liquid fertilizer;

- (25) Refusing registration as a result of information or recommendations from the director of research stations;
- (26) Establishing minimum guarantees permissible for registering secondary elements and micro-nutrients. (1947, c. 1086, s. 15; 1949, c. 637, s. 4; 1977, c. 303, s. 19.)
- § 106-674. Short weight. If any commercial fertilizer in the possession of the consumer is found by the Commissioner to be short in weight, the registrant of said commercial fertilizer shall within 30 days after official notice from the Commissioner pay to the consumer a penalty equal to four times the value of the actual shortage. The Commissioner may in his discretion allow reasonable tolerance for short weight due to loss through handling and transporting. (1947, c. 1086, s. 16; 1977, c. 303, s. 20.)
- § 106-675. Publication of information concerning fertilizers. The Commissioner shall publish at least annually, in such forms as he may deem proper, complete information concerning the sales of commercial fertilizers, together with a report of the results of the analyses based on official samples of commercial fertilizers sold or offered for sale within the State; such data on their production and use as he may consider advisable; provided, however, that the information concerning production and use of commercial fertilizers shall be shown separately for periods July first to December thirty-first and January first to June thirtieth of each year, and that no disclosure shall be made of the operations of any person. (1947, c. 1086, s. 14; 1959, c. 706, s. 9; 1977, c. 303, s. 21.)
- § 106-676. Sales or exchanges between manufacturers, etc. Nothing in this Article shall be construed to restrict or avoid sales or exchanges of commercial fertilizers to each other by importers or manufacturers who mix fertilizer materials for sale or as preventing the free and unrestricted shipments of commercial fertilizers to manufacturers who have registered their brands as required by the provisions of this Article. (1947, c. 1086, s. 21; 1977, c. 303, s. 22.)
- § 106-677. Grade-tonnage reports. Each person registering commercial fertilizers under this Article shall furnish the Commissioner with a written statement of the tonnage of each grade of fertilizer sold by him in this State. This information shall be held in confidence by the Commissioner. Said statement shall include all sales for the periods of July first to and including December thirty-first and of January first to and including June thirtieth of each year. The Commissioner may, in his discretion, cancel the registration of any person failing to comply with this section if the above statement is not made within 30 days from date of the close of each period. The Commissioner, however, in his discretion, may grant a reasonable extension of time. No information furnished under this section shall be disclosed in such a way as to divulge the operations of any person. (1947, c. 1086, s. 13; 1977, c. 303, s. 23.)

Editor's Note. — Session Laws 1973, c. 476, s. 138, subsection (1), provides that whenever the words "State Board of Social Services" and "State Board" are used or appear in any statute or law of this State, the same shall be deleted and the words "Department of Human Resources" or "Department," as appropriate, shall be substituted, unless otherwise provided in the act. Session Laws 1973, c. 476, s. 138, subsection (2), provides that whenever the words "Commissioner for Social Services" "Commissioner," when referring to Commissioner for Social Services, appear in any statute or law of this State, the same shall be deleted and the words "Secretary of Human Resources" or "Secretary," as appropriate, shall be substituted, unless otherwise provided in the act. Session Laws 1973, c. 476, s. 138, subsection (3), provides that whenever the words "North Carolina State Department of Social Services" are used or appear in any statute or law of this State, the same shall be deleted and the words "Department of Human Resources"

"Department," as appropriate, shall substituted, unless otherwise provided in the act. In this Chapter as it stood at the time of passage of the 1973 act, the State Board of Social Services was occasionally referred to simply as the "Board of Social Services," and the title of the Commissioner was "Commissioner of Social Services." The words "North Carolina State Department of Social Services" did not appear anywhere in the Chapter, the Department being usually referred to as the "State Department of Social Services," and occasionally as the "State Department." In order to give effect to the obvious intent of the 1973 act, references to the Department and Secretary of Human Resources have been substituted for references to the State Department, Board and Commissioner of Social Services throughout this Chapter and elsewhere in the General Statutes, notwithstanding the fact that in a number of instances the precise titles quoted in the 1973 act were not used in the sections so treated as amended.

- (c) The Department of Human Resources is authorized and empowered to utilize funds available to the Department to increase the rates for licensed family care homes or homes for the aged, or payments made for this purpose to persons assigned by the Department to these homes, to offset the increased costs due to any additional increases in minimum wages required by federal or State laws after April 15, 1973. (1967, c. 1211, s. 2; 1969, c. 546, s. 1; 1973, c. 476, s. 138; c. 817.)

The 1973 act was ratified April 16, 1973, and the 1975 act was ratified March 13, 1975. Both acts were made effective on ratification.

Part 2. Aid to Families with Dependent Children.

§ 108-38. Eligibility requirements; certain contributions to be disregarded. (a) Assistance shall be granted to any dependent child, as defined in G.S. 108-24, who:

(1) Is a resident of the State or whose mother was a resident when the child

was born;

(2) Has been deprived of parental support or care by reason of a parent's death, physical or mental incapacity, or continued absence from the home;

(3) Has no adequate means of support.

(b) Subject to the limitation hereafter set out in this subsection, in computing available income and resources under this Part with regard to determining eligibility for a grant of assistance for any one child, or for any two or more children living together in a family group, there shall be disregarded, for any calendar month, the first thirty dollars (\$30.00) and one third of the excess over thirty dollars (\$30.00) provided by any parent whose absence is one of the reasons for eligibility for his or her children. This subsection shall apply only to the extent that such payments are provided for under a court order or judgment, or contract, providing for such payments, a copy of which is on file with the county department of social services.

The provisions of this subsection shall cease to be effective in the event of and upon any final determination by the Secretary of Health, Education and Welfare that such provisions do not comply substantially with any provision required by federal law to be included in a State plan for aid and services to needy families with children. (1937, c. 288, s. 35; 1939, c. 395, s. 1; 1941, c. 232; 1945, c. 615, s. 1; 1961, c. 533; 1965, c. 939, s. 1; 1967, c. 660; 1969, c. 546, s. 1; 1973, c. 714, ss. 1-3; c. 826.)

Infringement upon Right to Subsistence Is Deprivation of Personal Liberty. — Children have a right to subsistence and infringement upon that right is a deprivation of personal liberty which gives rise to a cause of action under 42 U.S.C. § 1983, and there is jurisdiction in a district court under 28 U.S.C. § 1343. Aid for Unborn Children. — The policy of this State not to recognize aid to families with dependent children and Medicaid eligibility for needy women with unborn children does not violate the Equal Protection Clause of the Fourteenth Amendment to the United States Constitution because it does not have a racially discriminatory effect or a racially discriminatory purpose. Taylor v. Hill, 420 F. Supp. 1020 (W.D.N.C. 1976), aff'd, 430 U.S. 961, 97 S. Ct. 1639, 52 L. Ed. 2d 352 (1977).

The policy of this State not to recognize aid to families with dependent children and Medicaid eligibility for needy women with unborn children, while the State does recognize aid to families with dependent children and Medicaid eligibility for needy women with born children, is not arbitrary and irrational and, therefore, does not violate the Equal Protection Clause of the Fourteenth Amendment to the United States Constitution. Taylor v. Hill, 420 F. Supp. 1020 (W.D.N.C. 1976), aff'd, 430 U.S. 961, 97 S. Ct. 1639, 52 L. Ed. 2d 352 (1977).

The policy of this State not to recognize aid to families with dependent children and Medicaid eligibility for needy women with unborn children does not have a racially discriminatory effect. Taylor v. Hill, 420 F. Supp. 1020 (W.D.N.C. 1976), aff'd, 430 U.S. 961, 97 S. Ct. 1639, 52 L. Ed. 2d 352 (1977).

§ 108-39. Limitations on eligibility. — (a) No assistance shall be granted to any dependent child who:

(1) Has passed his sixteenth birthday and has the ability and capacity for gainful employment, unless he is regularly enrolled and attending school or unless no gainful employment is available, except that a dependent child over 16 years of age and attending school is not eligible for assistance during the summer months unless no gainful employment is available;

(2) Has passed his eighteenth birthday unless he is regularly attending and successfully pursuing (i) a course of study leading to a high school diploma or its equivalent, (ii) a course of study at the college level, or (iii) a course of vocational or technical training designed to fit him for gainful employment.

(b) No applicant for or recipient of an aid to families with dependent children grant who has the ability and capacity for gainful employment but who is not employed on a part-time or full-time basis shall have his needs included in an aid to families with dependent children grant unless he registers with the Employment Security Commission and accepts reasonable employment when it is available. The needs of the remaining family members shall be met in the form of a protective payment in accordance with G.S. 108-50 in the event that a recipient-payee is declared ineligible for aid to families with dependent children by the county department of social services for failure to register with the Employment Security Commission or to accept reasonable employment when it is available.

(c) A recipient of an aid to families with dependent children grant is specifically exempt from the registration and employment requirements of subsection (b) if he is:

(1) A child who is under age 16 or attending school full time;

 (2) A person who is ill, incapacitated, or of advanced age;
 (3) A person so remote from a local office of the Employment Security Commission or an available employment opportunity that his effective participation is precluded;

(4) A person whose presence in the home is required because of illness or

incapacity of another member of the household; or

(5) A mother or other relative of a child under the age of six who is caring for the child.

(d) Members of families with dependent children and with aggregate family income at or below the level required for eligibility for aid to families with dependent children grants, regardless of whether or not they have applied for such grants, shall be given priority in obtaining manpower services including training and public service employment provided by or through State agencies

or with funds which are allocated to the State of North Carolina directly or indirectly through prime sponsors or otherwise for the purpose of employment of unemployed persons. (1961, c. 998; 1963, c. 1061; 1965, c. 939, s. 2; 1969, c. 546, s. 1; 1971, c. 283; 1973, c. 476, s. 138; 1977, c. 362.)

§ 108-39.1. Work incentive program adopted; evidence of refusal to participate in special work projects; protective and vendor payments. — (a) The provisions of Part C of Title IV of the Federal Social Security Act pertaining to the work incentive program for recipients of aid to families with dependent children assistance, and the benefits thereunder, are hereby accepted and adopted.

(b) The work incentive program provided for by this section is a part of, and subject to all the same provisions of law as, the aid to families with dependent children program provided for in this Article; except that in the case of inconsistent provisions, the provisions of this section shall be deemed exceptions

to other provisions of law in this Article.

(c) Written notice of a finding by the United States Secretary of Labor, or the United States Department of Labor, the Employment Security Commission, or other authorized agent of the Secretary of Labor as to whether a person has refused without good cause to accept employment or participate in a project shall be binding upon the State and its agencies and the political subdivisions of the State. Any other provision of law to the contrary notwithstanding, the original or copy of such a notice bearing the certification of a State or county agency that it is the original or true copy of the original in or from the records of the agency shall be admissible in evidence without the appearance of a witness, and it shall be prima facie evidence that it was duly received by the agency from the Secretary of Labor or his authorized agent.

(d) to (f) Repealed by Session Laws 1973, c. 744, s. 2.

- (g) Protective and vendor payments required to be made under the work incentive program shall be made in accordance with the rules and regulations of the Social Services Commission, which rules and regulations shall be subject to the lawful requirements of the Secretary of Labor. (1969, c. 739, s. 2; 1973, c. 476, s. 138; c. 744, s. 2.)
 - Part 3. The Administration of Aid to the Aged and Disabled and Aid to Families with Dependent Children.
- § 108-40. Application for assistance. Any person who believes that he or another person is eligible to receive aid to the aged and disabled or aid to families with dependent children may submit an application for assistance to the county department of social services in the county in which the applicant resides. It shall be made in such form and shall contain such information as the Social Services Commission may require. (1937, c. 288, ss. 15, 45; 1939, c. 395, s. 1; 1941, c. 232; 1945, c. 615, s. 1; 1947, c. 91, s. 3; 1953, c. 675, s. 12; 1959, c. 179, ss. 1, 2; 1969, c. 546, s. 1; 1973, c. 476, s. 138; c. 742.)
- § 108-41. Investigation of applicant. Upon receipt of an application for public assistance, the county department shall make a prompt evaluation or investigation of the facts alleged in the application in order to determine the

applicant's eligibility for assistance and to obtain such other information as the Department of Human Resources may require. (1937, c. 288, ss. 15, 45; 1939, c. 395, s. 1; 1941, c. 232; 1945, c. 615, s. 1; 1947, c. 91, s. 3; 1953, c. 675, s. 12; 1959, c. 179, ss. 1, 2; 1969, c. 546, s. 1; 1973, c. 476, s. 38.)

§ 108-42. Granting or denial of assistance. — (a) The county director of social services shall submit his findings and recommendations on each application for aid to the aged and disabled and aid to families with dependent children to the county board of social services at its next meeting for its approval of assistance in each case, except that the disability factor of applications for aid to the disabled shall be finally determined by the Department of Human Resources as provided in G.S. 108-26.

(b) The county board of social services may delegate authority to the director to consider and process applications for assistance in all cases that require immediate action to prevent undue hardship; in such cases, the director shall report on his actions to the board at its next meeting, and the board shall

approve, reject or modify such decisions.

(c) The board of county commissioners may review any grant approved by the county board of social services. The recipient of a disputed grant shall receive notice of the time and place of such review. If the board of commissioners deems that a grant was improperly allowed under the policies of the Social Services Commission, it may order that proper action be taken, with notice thereof given to the recipient and a copy to the county board of social services and the Secretary of Human Resources. Any modification made by the board of county commissioners shall be subject to review by the Secretary of Human Resources.

(d) All rules and regulations of the Social Services Commission which govern eligibility for public assistance from State appropriations or the amount of public assistance grants shall be subject to the approval of the Director of the Budget and the Advisory Budget Commission. (1937, c. 288, ss. 15, 16, 45, 46; 1939, c. 395, s. 1; 1941, c. 232; 1945, c. 615, s. 1; 1947, c. 91, s. 3; 1953, c. 675, s. 12; 1959, c. 179, ss. 1, 2; 1969, c. 546, s. 1; 1971, c. 523, s. 1; 1973, c. 476, s. 138.)

Child's Support Payments Are Not Resource of Entire Family. — In calculating aid to families with dependent children benefits the inclusion of support payments belonging to one child as a resource available to the entire family works an unlawful appropriation of the funds of both supporting father and supported child. Gilliard v. Craig, 331 F. Supp. 587 (W.D.N.C. 1971).

In calculating aid to families with dependent children benefits the income of an individual with no legal duty of support may not be presumed to be available to the family, thus the contribution to the support of one child by one having no legal duty to support the rest of the family cannot be considered a resource available to that family. Gilliard v. Craig, 331 F. Supp. 587 (W.D.N.C. 1971).

§ 108-43. Reconsideration of grants. — All grants of public assistance shall be considered as frequently as required by the rules of the Social Services Commission. Whenever the condition of any recipient has changed to the extent that his award must be modified or terminated, the county director may make the appropriate termination or change in payment and submit it to the county board of social services for approval at its next meeting. Prompt notice of all changes shall be given to the recipient, to the Department of Human Resources, and to the board of county commissioners. (1937, c. 288, ss. 19, 49; 1969, c. 546, s. 1; 1971, c. 523, s. 2; 1973, c. 476, s. 138.)

Attorney General to Colonel Clifton M. Craig, Commissioner, State Department of Social Services, 40 N.C.A.G. 703 (1970).

- § 108-44. Appeals. (a) A public assistance applicant or recipient shall have a right to appeal the decision of the county board of social services or the board of county commissioners granting or denying assistance, or modifying the amount of assistance, or the failure of the county board of social services to act within a reasonable time under the rules and regulations of the Social Services Commission, to the Secretary of Human Resources. Each applicant or recipient shall be notified of this right to appeal when applying for assistance and upon any subsequent action of the county board on his case. An applicant or recipient may give notice of appeal by written notice to the county department of social services or through verbal notice to personnel employed by said county department.
- (b) If there is such an appeal, the county director shall notify the Department of Human Resources according to the rules and regulations of the Social Services Commission and the Department of Human Resources shall designate a hearing officer who shall promptly hold an appeal hearing in the county after giving reasonable notice of the time and place of such hearing to the appellant and the county department of social services.
- (c) At the appeal hearing before the hearing officer, the appellant and personnel of the county department of social services shall present such facts as may bear upon the case. After such hearing, the hearing officer shall forward a transcript of the hearing to the Department of Human Resources, to the county department of social services, and to the appellant or his attorney, which transcript or other documents considered at the appeal hearing shall serve as the basis for the Secretary's decision on such appeal.
- (d) The Secretary of Human Resources shall make a decision on such appeal in conformity with federal and State law and the rules and regulations of the Social Services Commission. The Secretary shall notify the appellant and the county board of social services of his decision in writing by mail. The decision of the Secretary on such an appeal shall be binding upon the county board of social services and the board of county commissioners unless there is a petition for court review as provided in (e) herein.
- (e) Any appellant or county board of social services who is dissatisfied with the decision of the Secretary may file a petition within 30 days after receipt of written notice of such decision for a hearing in the Superior Court of Wake County or of the county from which the case arose. Such court shall set the matter for a hearing within 30 days after receipt of such petition and after reasonable written notice to the Department of Human Resources, the county board of social services, the board of county commissioners, and the appellant. The court may take testimony and examine into the facts of the case to determine whether the appellant is entitled to public assistance under federal and State law, and under the rules and regulations of the Social Services Commission. The court may affirm, reverse or modify the order of the Secretary.
- (f) If and when any federal law or regulation requires, as a condition of federal participation in public assistance payments, that public assistance applicants or recipients be furnished with the services of attorneys for the purpose of appeals described in this section or for the purpose of litigation arising out of such appeals, the services of attorneys shall be provided as required by the federal law or regulation, to the extent that funds are made available as hereinafter provided, in accordance with rules and regulations approved by the Governor, the Advisory Budget Commission, the Social Services Commission and the North Carolina State Bar Council. To the extent permitted by the rules and regulations thus approved, payment for the services of attorneys shall be made by the Department of Human Resources from funds transferred from contingency and emergency appropriations until such time as funds are appropriated for the services of attorneys.

(g) If and when federal laws or lawful regulations made pursuant to applicable federal laws are enacted requiring that, as a condition for federal participation in the costs of public assistance provided for in this Chapter, assistance payments must be continued pending the outcome of a hearing or litigation or informal contact with an assistance recipient, assistance shall be continued in accordance with such federal laws or regulations. (1937, c. 288, ss. 18, 48; 1939, c. 395, s. 1; 1957, c. 100, s. 1; 1969, c. 546, s. 1; cc. 735, 754; 1973, c. 476, s. 138.)

§ 108-45. Confidentiality of records. — (a) Except as provided in (b) below, it shall be unlawful for any person to obtain, disclose or use, or to authorize, permit, or acquiesce in the use of any list of names or other information concerning persons applying for or receiving public assistance that may be directly or indirectly derived from the records, files or communications of the Department of Human Resources or the county boards of social services, or acquired in the course of performing official duties except for purposes directly connected with the administration of the programs of public assistance in accordance with the rules and regulations of the Social Services Commission.

(b) The Department of Human Resources shall furnish a copy of the recipient check register monthly to each county auditor showing a complete list of all public assistance recipients, their addresses, and the amounts of the monthly grants. This register shall be a public record open to public inspection during the regular office hours of the county auditor, but said register or the information contained therein may not be used for any commercial or political purpose. Any violation of this section shall constitute a misdemeanor.

(c) Any listing of recipients of benefits under any financial assistance or social services program compiled by or used for official purposes by a county board of social services or a county department of social services shall not be used as a mailing list for political purposes. This prohibition shall apply to any list of recipients of benefits of any federal, State, county or mixed financial assistance or social services program. Further, this prohibition shall apply to the use of such listing by any person, organization, corporation, or business, including but not limited to public officers or employees of federal, State, county, or other local governments, as a mailing list for political purposes. Any violation of this section shall be punishable as a general misdemeanor. (1937, c. 288, ss. 15, 45; 1939, c. 395, s. 1; 1941, c. 232; 1945, c. 615, s. 1; 1947, c. 91, s. 3; 1953, c. 675, s. 12; c. 882, ss. 1, 2, 4; 1959, c. 179, ss. 1, 2; 1961, c. 186; 1969, c. 546, s. 1; 1973, c. 476, s. 138; cc. 721, 1213.)

Although the Public Assistance Recipient Check Register Is a Public Record, It May Not Be Used for Any Commercial or Political Reason, Including Publication by the Media. — See Opinion of Attorney General to Dr. Renee P. Hill, Director, Division of Social Services, N.C. Department of Human Resources, 45 N.C.A.G. 273 (1976).

§ 108-46. Removal to another county. — Any recipient who moves from one county to another county of this State shall continue to receive public assistance if eligible. The county director in the county from which he has moved shall transfer all necessary records relating to the recipient to the county director of the county to which the recipient has moved. The county from which the recipient moves shall pay the amount of assistance to which the recipient is entitled for a period of one month following his move, and thereafter the county to which

Editor's Note. — The 1977 amendment substituted "one month" for "three months" in the third sentence.

§ 108-47. Assistance not assignable; checks payable to decedents. — The assistance granted by this Article shall not be transferable or assignable at law or in equity; and none of the money paid or payable as assistance shall be subject to execution, levy, attachment, garnishment, or other legal processes, or to the

operation of any bankruptcy or insolvency law.

In the event of the death of an assistance recipient during or after the first day of the month for which a grant was previously authorized by the county social services board, any assistance check or checks payable to such recipient not endorsed prior to such recipient's death shall be delivered to the clerk of superior court and by him administered under the provisions of G.S. 28A-25-6. In the event of the death of a recipient of a cash payment service, any check or checks payable to such recipient but not endorsed prior to such recipient's death shall be returned to the issuing agency, made void, and reissued to the provider of the service. (1937, c. 288, ss. 17, 47; 1945, c. 615, s. 1; 1953, c. 213; 1969, c. 546, s. 1; 1971, c. 446, ss. 1, 2; 1977, c. 655, ss. 1, 2.)

Editor's Note. — The 1977 amendment, in the second paragraph, substituted "G.S. 28A-25-6" for "G.S. 28-68 through G.S. 28-68.3" at the end

of the first sentence and added the second sentence.

§ 108-48. Fraudulent misrepresentation. — (a) Any person whether provider or recipient who willfully and knowingly with the intent to deceive makes a false statement or representation or fails to disclose a material fact and as a result of making a false statement or representation or failing to disclose a material fact obtains, attempts to obtain, or continues to receive public assistance to which he or any other person is not entitled in the amount of not more than two hundred dollars (\$200.00) is guilty of a misdemeanor, and upon conviction or plea of guilty shall be fined or imprisoned or both at the discretion of the court.

(b) Any person whether provider or recipient who willfully and knowingly with the intent to deceive makes a false statement or representation or fails to disclose a material fact and as a result of making a false statement or representation or failing to disclose a material fact obtains, attempts to obtain, or continues to receive public assistance to which he is not entitled, in an amount of more than two hundred dollars (\$200.00) is guilty of a felony, and upon conviction or plea of guilty shall be punished as in cases of larceny. (1937, c. 288, ss. 27, 57; 1963, cc. 1013, 1024, 1062; 1969, c. 546, s. 1; 1977, c. 604, s. 1.)

Editor's Note. — The 1977 amendment rewrote this section.

§ 108-49. Personal representative for mismanaged grants. — (a) Whenever a county director of social services shall determine that a recipient of assistance is unwilling or unable to manage assistance grants to the extent that deprivation or hazard to himself or others results, the director shall file a petition before a district court or the clerk of superior court in the county alleging such facts and requesting the appointment of a personal representative to be responsible for receiving such grants and to use them for the benefit of the recipient.

(b) Upon receipt of such petition, the court shall promptly hold a hearing, provided the recipient shall receive five days' notice in writing of the time and place of such hearing. If the court, sitting without a jury, shall find at the hearing that the facts alleged in the petition are true, it may appoint some responsible person as personal representative. The personal representative shall serve without compensation and be responsible to the court for the faithful performance of his duties. He shall serve until the director of social services or the recipient shows to the court that the personal representative is no longer required or is unsuitable. All costs of court relating to proceedings under this section shall be waived.

(c) Any recipient for whom a personal representative is appointed may appeal such appointment to superior court for a hearing de novo without a jury.

(d) All findings of fact made under the proceedings authorized by this section shall not be competent as evidence in any case or proceeding which concerns any subject matter other than that of appointing a personal representative. (1959, c. 1239, ss. 1, 3; 1961, c. 186; 1969, c. 546, s. 1.)

§ 108-50. Protective and vendor payments. — Instead of the use of personal representatives provided for by G.S. 108-49, when necessary to comply with any present or future federal law or regulation in order to obtain federal participation in public assistance payments, the payments may be made direct to vendors to reimburse them for goods and services provided the applicants or recipients, and may be made to protective payees who shall act for the applicant or recipient for receiving and managing assistance. Payments to vendors and protective payees shall be made to the extent provided in, and in accordance with, rules and regulations of the Social Services Commission, which rules and regulations shall be subject to applicable federal laws and regulations. (1963, c. 380; 1969, c. 546, s. 1; c. 747; 1973, c. 476, s. 138.)

Part 4. Financing Aid to the Aged and Disabled and Aid to Families with Dependent Children.

§ 108-51. Acceptance of grants-in-aid. — The Department of Human Resources is hereby authorized to accept all grants-in-aid for the programs of public assistance established under this Article which may be available to the State by the federal government under the Social Security Act. The provisions of this Article shall be liberally construed in order that the State and its citizens may benefit fully from such grants-in-aid. (1937, c. 288, ss. 5, 33; 1969, c. 546, s. 1; 1973, c. 476, s. 138.)

§ 108-52. Transfer of funds to counties. — (a) A state fund for each program of public assistance established under this Article is hereby created from federal appropriations or State appropriations, or the combination of both, as applicable, to such program. Each State fund shall be drawn out on the warrant of the State Treasurer and issued upon order of the Secretary of Human Resources. Quarterly, or more often if appropriate, the Secretary shall transfer to each county that part of the county's allotment from each State fund that the county is required to disburse for its public assistance programs during the appropriate period. Before transferring such funds, the Secretary may require that the county certify, through its auditor or fiscal agent, that sufficient county funds are available to pay the county's share of the public assistance expenditures corresponding to the amount of State money to be transferred.

(b) The Secretary may transfer to any county an amount sufficient to pay in full the grants approved in that county for the first quarter in any fiscal year. One fourth of this amount shall be advanced in anticipation of the collection of taxes and shall be deducted from future allotments within the same fiscal year

to that county.

(c) When the Secretary finds that the disbursement of funds by a county to qualified recipients is being unduly delayed, or that payments to recipients are jeopardized, he may require that grants be promptly paid as a condition for the allotment or transmission of State moneys to the county. State moneys may be withheld until the Secretary is satisfied that the county is paying the grants

promptly.

(d) When the Department of Human Resources finds it to be in the public interest to require more adequate protection of funds collected in the county for disbursement to recipients, or the more prompt, efficient and certain payment of grants to recipients, the Secretary may demand and require that the funds raised by taxation in any county be transmitted to the State Treasurer. The Secretary shall, in such cases, give notice to the board of county commissioners and to the county officials having such funds in their custody. The board of county commissioners and responsible officials shall immediately transfer all such funds to the State Treasurer for disbursement under rules and regulations established by the Department of Human Resources. (1937, c. 288, ss. 24, 54; c. 405; 1943, c. 505, s. 10; 1969, c. 546, s. 1; 1973, c. 476, s. 138; c. 717, s. 3.)

§ 108-53. Allocation of nonfederal shares. — (a) The nonfederal share of the annual cost of each public assistance program may be divided between the State and the counties in a manner consistent with the provisions of the federal Social Security Act, except that the share required from the counties may not exceed

the share required from the State.

(b) The nonfederal share of the annual cost of public assistance provided to Indians living on federal reservations held in trust by the United States on their behalf shall be borne entirely by the State. The Secretary of Human Resources shall reserve from State appropriations for public assistance an amount sufficient to pay the county's share of the cost of public assistance to eligible Indian residents of federal reservations, plus related administrative costs incidental to providing such assistance, and shall pay same to counties containing such a federal reservation. (1965, c. 708; 1969, c. 546, s. 1; 1973, c. 476, s. 138.)

State Must Pay All Nonfederal Share of Medicaid Benefits for Indians Living on Federal Reservation. — See opinion of Attorney General to Mr. Clifton M. Craig, Commissioner, Department of Social Services, 41 N.C.A.G. 140 (1970).

§ 108-54. Determination of State and county financial participation. — Before March 15 of each year the director of social services for every county shall compile and submit to the county board of social services an estimated budget of total county funds required to finance each program of public assistance, including all administrative expenses, within the county in the next fiscal year on forms furnished by the Department of Human Resources. The county board of social services shall review, modify, and approve such estimated budget and transmit it before April 1 to the board of county commissioners, which shall review, modify and approve it before April 15 for transmittal by said date to the Department of Human Resources. The Director of the Division of Social Services, as agent for the Department of Human Resources, shall review the estimated budget submitted by each county and shall notify the board of county commissioners by June 1 of the approval or disapproval of the county's estimated budget of total county funds necessary to support and administer adequate programs of public assistance.

If the Director of the Division of Social Services approves the estimated budget submitted by the county, and if administrative and program expenditures for that year in the county's aid to families with dependent children, medical assistance, State-county special assistance for adults, WIN single administrative Unit, WIN day care, and State boarding home fund for

foster care programs exceed the approved estimate of administrative and program costs for said programs, or if the administrative expenditures for that year in the county's food stamp program exceed the approved estimate of administrative costs for said program, then the county shall be eligible to borrow the required additional county share from the "State Public Assistance"

Contingency Fund" established in G.S. 108-54.1.

If the Director of the Division of Social Services disapproves the estimated budget of the county, he shall recommend an appropriate budget of total county funds necessary to sustain and administer adequate programs of public assistance whose acceptance by the board of county commissioners shall be a condition precedent to borrowing any moneys from the "State Public Assistance Contingency Fund" established in G.S. 108-54.1; provided that, if the board of county commissioners disputes the budget recommended by the Director of the Division of Social Services as appropriate to sustain and administer adequate programs of public assistance within that county, the Secretary of Human Resources shall make a final determination that shall be binding upon the county.

Upon final determination of the county budget for all programs of public assistance within that county for the next fiscal year, the board of county commissioners shall levy taxes sufficient to provide for the payment of the county's share of such budget as well as for repayment of any amount borrowed from the "State Public Assistance Contingency Fund." (1937, c. 288, ss. 9, 21, 39, 51; 1943, c. 505, s. 8; 1969, c. 546, s. 1; 1973, c. 476, s. 138; c. 1418, s. 1; 1977,

c. 1089, s. 1.)

Editor's Note. — The 1977 amendment inserted "by said date" in the second sentence of the first paragraph, rewrote the second paragraph, substituted "borrowing any moneys" for "receiving any moneys" near the middle of the third paragraph, and added "as well as for repayment of any amount borrowed from the 'State Public Assistance Contingency Fund'" to the end of the fourth paragraph.

Session Laws 1973, c. 1418, s. 6, as amended by Session Laws 1975, c. 894, s. 1, provided: "This act shall become effective on July 1, 1974, and shall remain effective through June 30, 1977." This section was amended by Session Laws 1977, c. 1089, s. 3, which deleted "and shall remain effective through June 30, 1977" from the end.

- § 108-54.1. State Public Assistance Contingency Fund. (a) To allow for an efficient and equitable means of providing the funds by which a county exceeds its approved estimated budget of administrative and program costs for those programs of public assistance enumerated in G.S. 108-54 within that county during the fiscal year, the Department of Human Resources is authorized and empowered to establish from appropriations made by the General Assembly and from grants of the federal government (when such grants are made available to the State) a fund to be known as the "State Public Assistance Contingency Fund." This fund shall be used exclusively to provide loans to counties whose expenditures for said programs of public assistance, including administration of such programs, have exceeded the accepted budget estimate.
- (b) Loans shall be made to the counties at any time during the fiscal year by the Director of the Division of Social Services, as agent for the Department of Human Resources, when satisfied of the county's need for such loan under this Part.
- (c) The loans provided by this section shall be used by the counties entitled to them solely to supplement the funds appropriated by the county to support the budget determined pursuant to G.S. 108-54 to be necessary to sustain and administer adequate programs of public assistance within the county and only when such budget is exceeded during the fiscal year for those programs of public assistance specifically enumerated in G.S. 108-54.

(d) Any amount borrowed by a county from the "State Public Assistance Contingency Fund" during one fiscal year shall be repaid to said fund within the next two fiscal years. (1973, c. 1418, s. 2; 1977, c. 1089, s. 2.)

Editor's Note. — The 1977 amendment substituted "approved estimated budget of administrative and program costs for those programs of public assistance enumerated in G.S. 108-54" for "budget for programs of public assistance" in the first sentence of subsection (a), substituted "loans to counties" for "additional funds for counties" and "such programs" for "said programs" in the second sentence of subsection (a), inserted "said" preceding "programs" in the second sentence of subsection (a), substituted "Loans" for "Allotments," "Director of the Division of Social Services, as agent for the Department of Human Resources" for "Secretary of Human

Resources," and "loan" for "allotment" in subsection (b), substituted "loans" for "allotments" near the beginning of subsection (c), added "for those programs of public assistance specifically enumerated in G.S. 108-54" to the end of subsection (c), and added subsection (d).

Session Laws 1973, c. 1418, s. 6, as amended by Session Laws 1975, c. 894, s. 1, provided: "This act shall become effective on July 1, 1974, and shall remain effective through June 30, 1977." This section was amended by Session Laws 1977, c. 1089, s. 3, which deleted "and shall remain effective through June 30, 1977" from the end.

§ 108-55: Repealed by Session Laws 1973, c. 1418, s. 3.

§ 108-56. Counties to levy taxes. — (a) Whenever the Secretary of Human Resources or his representative assigns a portion of the nonfederal share of public assistance expenses to the counties under the rules and regulations of the Social Services Commission, the board of commissioners of each county shall levy and collect the taxes required to meet the county's share of such expenses.

(b) The board of county commissioners may combine any or all of the separate special taxes for each program of public assistance and for the administrative expenses of such programs in place of levying separate special taxes for each item. This consolidated tax shall be sufficient, when combined with other funds available for use for public assistance expenses from any other source of county income and revenue (including borrowing in anticipation of collection of taxes), to meet the financial requirements of public assistance programs, and the administrative costs of each program. The appropriations and expenditures for each of the several programs and for administrative expenses shall be separately stated and accounted for. (1937, c. 288, ss. 9, 39; 1969, c. 546, s. 1; 1971, c. 780, s. 35; 1973, c. 476, s. 138; c. 1418, s. 4.)

Editor's Note. — Session Laws 1973, c. 1418, s. 6, as amended by Session Laws 1975, c. 894, s. 1, provided: "This act shall become effective on July 1, 1974, and shall remain effective

through June 30, 1977." This section was again amended by Session Laws 1977, c. 1089, s. 3, which deleted "and shall remain effective through June 30, 1977" from the end.

§ 108-57. Appropriations not to revert. — County appropriations for public assistance expenses or administrative expenses shall not lapse or revert, and the unexpended balances may be considered in making further public assistance or administrative appropriations. At any time during the fiscal year, any county may transfer county funds from one public assistance program to another and between programs of public assistance and administration if such action appears to be both necessary and feasible, provided the county secures the approval of the Secretary of Human Resources or his representative. (1953, c. 891; 1967, c. 554; 1969, c. 546, s. 1; 1973, c. 476, s. 138; c. 1418, s. 5.)

Editor's Note. — Session Laws 1973, c. 1418, s. 1, provided: "This act shall become effective s. 6, as amended by Session Laws 1975, c. 894, on July 1, 1974, and shall remain effective

through June 30, 1977." This section was again which deleted "and shall remain effective amended by Session Laws 1977, c. 1089, s. 3, through June 30, 1977" from the end.

§ 108-58. Equalizing fund. — The Secretary of Human Resources is authorized and directed to reserve from State appropriations for the programs of public assistance an amount that he finds to be necessary to equalize the burden of taxation in the counties of the State, and to equalize the benefits received by the recipients of public assistance. This amount shall be expended and disbursed solely for the use and benefit of persons eligible for assistance. The amount reserved, to be known as the equalizing fund, shall be distributed among the counties according to their needs under a formula approved by the Social Services Commission so as to produce a fair and just distribution. (1937, c. 288, s. 62; 1943, c. 505, s. 11; 1963, c. 551, ss. 1, 2; c. 599, s. 2; 1965, c. 409; 1969, c. 546, s. 1; 1973, c. 476, s. 138.)

Part 5. Medical Assistance.

§ 108-59. State fund created. — To provide for an effective medical assistance program and its administration in North Carolina, the Social Services Commission is authorized and empowered to establish from federal, State and county appropriations a fund to be known as the State Fund for Medical Assistance, and to adopt rules and regulations under which payments are to be made out of such fund in accordance with the provisions of this Part. The nonfederal share may be divided between the State and the counties, in a manner consistent with the provisions of the federal Social Security Act, except that the share required from the counties may not exceed the share required from the State. If a portion of the nonfederal share is required from the counties, the boards of county commissioners of the several counties shall levy, impose and collect the taxes required for the special purpose of medical assistance as provided in this Part, in an amount sufficient to cover each county's share of such assistance. (1965, c. 1173, s. 1; 1969, c. 546, s. 1; 1973, c. 476, s. 138.)

§ 108-60. Payments from fund. — From the fund established in G.S. 108-59, the Social Services Commission may authorize, within appropriations made for this purpose, payments of all or part of the cost of medical and other remedial care for any eligible person when it is essential to the health and welfare of such person that such care be provided, and when the total resources of such person are not sufficient to provide the necessary care. Payments from the fund shall be made only to intermediate care facilities, hospitals and nursing homes licensed and approved under the laws of the State of North Carolina or under the laws of another state, or to pharmacies, physicians, dentists, optometrists or other providers of health-related services authorized by the Social Services Commission. Payments may also be made from the fund to such fiscal intermediaries and to such prepaid health service contractors as may be authorized by the Social Services Commission. (1965, c. 1173, s. 1; 1969, c. 546, s. 1; 1971, c. 435; 1973, c. 476, s. 138; c. 644; 1975, c. 123, ss. 1, 2.)

Editor's Note. — The 1975 amendment inserted "health-related" preceding "services" near the end of the second sentence and added the third sentence. Session Laws 1975, c. 123, s.

Session Laws 1975, c. 123, s. 3, provides: "All contracts entered into under the provisions of this act shall be subject to the approval of the Advisory Budget Commission."

Session Laws 1977, c. 537, s. 2, provides: "Sec. 2. It is the intent of this act to continue in effect the amendments to Chapter 108 of the General Statutes relating to payments from the State Fund for Medical Assistance to such fiscal intermediaries and prepaid health service contractors as may be authorized by the Social Services Commission."

- § 108-61. Acceptance of federal grants. All of the provisions of the federal Social Security Act providing grants to the states for medical assistance are accepted and adopted, and the provisions of this Part shall be liberally construed in relation to such act so that the intent to comply with it shall be made effectual. Nothing in this Part or the regulations made under its authority shall be construed to deprive a recipient of assistance of the right to choose the licensed provider of the care or service made available under this Part within the provisions of the federal Social Security Act. (1965, c. 1173, s. 1; 1969, c. 546, s. 1.)
 - § 108-61.1: Repealed by Session Laws 1973, c. 476, s. 138.
- § 108-61.2. Subrogation rights; withholding of information a misdemeanor. (a) To the extent of payments under this Part, the county involved shall be subrogated to all rights of recovery, contractual or otherwise, of the beneficiary of assistance under this Part against any person. It shall be the responsibility of the county commissioners, with such cooperation as they shall require from the county board of social services and the county director of social services, to enforce this section through the services of the county attorney in accordance with attorneys' fee arrangements approved by the Department of Human Resources. The United States and the State of North Carolina shall be entitled to share in each net recovery under this section. Their shares shall be promptly paid under this section and their proportionate parts of such sum shall be determined in accordance with the matching formulas in use during the period for which assistance was paid to the recipient.
- (b) It shall be a misdemeanor for any person seeking or having obtained assistance under this Part for himself or another to willfully fail to disclose to the county department of social services or its attorney the identity of any person or organization against whom the recipient of assistance has a right of recovery, contractual or otherwise. (1973, c. 476, s. 138; c. 1031, s. 1.)

 - (1) Property tax value of ten thousand dollars (\$10,000) or more three-year period of ineligibility from date of transfer;
 - (2) Property tax value of less than ten thousand dollars (\$10,000) but more than five thousand dollars (\$5,000) two-year period of ineligibility from date of transfer;
 - (3) Property tax value of five thousand dollars (\$5,000) or less but more than one thousand dollars (\$1,000) one-year period of ineligibility from date of transfer.

Any medical assistance applicant or recipient shall have a right to appeal, in accordance with the provisions of G.S. 108-44, the decision denying or terminating such assistance.

The provisions of this section pertain to persons applying, or on whose behalf application is made, for medical assistance only under the Aid to the Aged, Blind,

or Disabled categories. (1977, c. 595, s. 1.)

Editor's Note. — Session Laws 1977, c. 595, s. 2, provides: "This act shall become effective July 1, 1977, and shall only apply to those

(c) Since the ratio of dollars collected to State agency staff employed exceeds 10 to one, the responsible State agency will establish a third party resources collection unit that is adequate to assure maximum collection of third party resources. (1977, c. 664.)

Part 6. State-County Special Assistance for Adults.

§ 108-62. Purpose and eligibility. — Assistance may be granted under this Part to persons who would have been eligible under the aid to the aged and disabled category prior to January 1, 1974, but who after such date do not qualify under the Federal Supplemental Security Income Program, including needy spouses, essential persons, certain disabled persons, and those persons needing supplemental payments in boarding homes, rest homes, and convalescent homes for the aged or infirm and those needing attendant care at home. Nothing in this Part should be interpreted so as to preclude any individual county from operating any program of financial assistance using only county funds. (1949, c. 1038, s. 2; 1961, c. 186; 1969, c. 546, s. 1; 1973, c. 717, s. 1.)

Assistance may be granted under this Part to an individual who becomes eligible for federal supplementary security income program on or after Jan. 1, 1974, and at that time possesses qualifications which would have rendered him eligible under the aid to the aged and disabled category in effect before Jan. 1, 1974. Opinion of Attorney General to Dr. Renee Westcott, Director, Division of Social Services, 43 N.C.A.G. 91 (1973).

- § 108-63. Application procedure. ARTICLE 3.

Inspection and Licensing Authority.

Part 1. Licensing of Public Solicitation.

§§ 108-67 to 108-75: Repealed by Session Laws 1975, c. 747.

Cross Reference. — As to present provisions on licensing of public solicitation, see § 108-75.1 et seq.

Part 1A. Licensing of Public Solicitation.

§ 108-75.1. Short title. — This Part shall be known and may be cited as the "Solicitation of Charitable Funds Act." (1975, c. 747, s. 1.)

Editor's Note. — Session Laws 1975, c. 747, repealed Part 1 of this Article and enacted this Part 1A. No attempt has been made to point out the changes made by the act, but, where

appropriate, the historical citations to the sections of the repealed Part have been added to corresponding sections of the new Part.

- § 108-75.2. Purpose. It is the purpose of this Part to protect the general public and public charity in the State of North Carolina; to require full public disclosure of facts relating to persons and organizations who solicit funds from the public for charitable purposes, the purposes for which such funds are solicited, and their actual uses; and to prevent deceptive and dishonest statements and conduct in the solicitations of funds for or in the name of charity. (1975, c. 747, s. 1.)
- § 108-75.3. Definitions. Unless a different meaning is required by the context, the following terms as used in this Part shall have the meanings hereinafter respectively ascribed to them:
 - (1) "Charitable organization" shall mean any person which is or holds itself out to be organized or operated for any charitable purpose or any person which solicits or obtains contributions solicited from the public for charitable purposes after October 1, 1975. A chapter, branch, area, office or similar affiliate or any person soliciting contributions within the State for a charitable organization which has its principal place of business outside the State shall be a charitable organization for the purposes of this Part.
 - (2) "Charitable purpose" shall mean any charitable, benevolent, religious, philanthropic, environmental, public or social advocacy or eleemosynary purpose for religion, health, education, social welfare, art and humanities, civic and public interest.
 - (3) "Commission" shall mean the North Carolina Social Services Commission.
 - (4) "Committee" shall mean the Committee on Charitable Organizations.
 - (5) "Compensation" shall mean salaries, wages, fees, commissions, or any other remuneration or valuable consideration.

(6) "Contribution" shall mean any promise, gift, bequest, devise or other grant for consideration or otherwise, of any money or property of any kind or value, including the promise to pay, which contribution is wholly or partly induced by a solicitation. The term "contribution" shall not include payments by members of an organization for membership fees, dues, fines or assessments, or for services rendered to individual members, if membership in such organization confers a bona fide right, privilege, professional standing, honor or other direct benefit, other than the right to vote, elect officers, or hold offices; nor any money, credit, financial assistance or property received from any governmental authority; nor any donation of blood or any gift made pursuant to the Uniform Anatomical Gift Act. Reference to dollar amounts of "contributions" or "solicitations" in this Part means, in the case of payments or promises to pay for merchandise or rights of any description, the value of the total amount paid or promised to be paid for such merchandise or rights, and not merely that portion of the purchase price to be applied to a charitable purpose.

(7) The words "corporation," "association" and "institution" shall mean any aggregation of individuals, whether two or more, working for a common purpose in their community or their State in the interest of religious societies, fraternal organizations, local councils of boy and girl organizations, and clubs, hospitals, Community Chest, Red Cross and

(10) "Federated fund-raising organization" shall mean a federation of independent charitable organizations which have voluntarily joined together, including but not limited to a United Fund, United Way or Community Chest, for purposes of raising and distributing money for and among themselves and where membership does not confer operating authority and control of the individual agencies upon the federated group organization.

(11) "Fund-raising expenses" shall mean the expenses of all activities that constitute or are an integral and inseparable part of a solicitation.

(12) "Membership" shall mean a status applied upon condition of the payment of fees, dues, and assessments in an organization which provides services and confers a bona fide right, privilege, professional standing, honor or other direct benefit, in addition to the right to vote, elect officers, or hold offices. The term "membership" shall not include those persons who are granted a membership upon making a contribution as the result of solicitation.

(13) "Parent organization" shall mean that part of a charitable organization which coordinates, supervises or exercises control over policy, fund raising, and expenditures, or assists or advises one or more chapters.

branches or affiliates in the State.

(14) "Person" shall mean any individual, organization, trust, foundation, group, association, partnership, corporation, society, or any other group or combination acting as a unit. This definition shall not be deemed to include any authorized individual who solicits solely on behalf of a licensed or exempt charitable organization.

(15) "Professional fund-raising counsel" shall mean any person who for a flat fixed fee under a written agreement plans, conducts, manages, § 108-75.3

carries on, or acts as a consultant, whether directly or indirectly, in connection with soliciting contributions for, or on behalf of any charitable organization but who actually solicits no contributions as a part of such services. Such counsel shall not include any person who only conducts a study to determine the feasibility of undertaking the solicitation of contributions. A bona fide salaried officer or employee of a charitable organization maintaining a permanent establishment within the State, or the bona fide salaried officer or employee of a parent organization certified as tax exempt shall not be deemed to be a professional fund-raising counsel.

(16) "Professional solicitor" shall mean any person who, for a financial or other consideration, solicits contributions for or on behalf of a charitable organization, whether such solicitation is performed personally or through its agents, servants or employees specially employed by or for a charitable organization, who are engaged in the solicitation of contributions under the direction of such person; or a person who plans, conducts, manages, carries on, advises or acts as a consultant, whether directly or indirectly, to a charitable organization in connection with the solicitation of contributions but does not qualify as "professional fund-raising counsel" within the meaning of this Part. A bona fide full-time salaried officer or employee of a charitable organization maintaining a permanent establishment within the State or the bona fide salaried officer or employee of a parent organization certified as tax exempt shall not be deemed to be a professional solicitor.

No attorney, investment counselor or banker, who advises any person to make a contribution to a charitable organization, shall be deemed, as the result of such advice, to be a professional fund-raising counsel or a professional solicitor.

- (17) "Religious purposes" shall mean maintaining or propagating religion or supporting public religious services, according to the rites of a particular denomination.
- (18) "Sale and benefit affair" shall mean and include, but not be limited to, athletic or sports event, bazaar, benefit, campaign, circus, contest, dance, drive, entertainment, exhibition, exposition, party, performance, picnic, sale, social gathering, theater, or variety show which the public is requested to patronize or attend or to which the public is requested to make a contribution for any charitable or religious purpose connected therewith.
- (19) The words "sale," "sell" and "sold" shall mean the transfer of any property or the rendition of any service to any person in exchange for consideration, including any purported contribution without which such property would not have been transferred or such services would not have been rendered.
- (20) "Secretary" shall mean the Secretary of the North Carolina Department of Human Resources.
- (21) "Secular" shall mean relating to the affairs of the present world, including but not limited to providing food, clothing, counseling, education, disaster relief, medical assistance, training and shelter.

 - a. Any oral or written request;

 Any announcement to the press, over the radio or television or by telephone or telegraph concerning an appeal or campaign to which the public is requested to make a contribution for any charitable purpose connected therewith;

c. The distribution, circulation, posting or publishing of any handbill, written advertisement or other publication which directly or by

implication seeks to obtain public support;

d. The sale of, offer or attempt to sell, any advertisement, advertising space, subscription, ticket, or any service or tangible item in connection with which any appeal is made for any charitable purpose; or where the name of any charitable organization is used or referred to in any such appeal as an inducement or reason for making any such sale; or when or where in connection with any such sale, any statement is made that the whole or any part of the proceeds from any such sale will be donated to any charitable purpose.

Solicitation as defined herein, shall be deemed to occur when the request is made, at the place the request is received, whether or not the person making the same actually receives any contribution. (1969,

c. 546, s. 1; 1975, c. 747, s. 1; 1977, c. 877, ss. 1, 2.)

Editor's Note. — The 1977 amendment substituted "fees, dues and assessments" for "fees, dues, assessments, etc." in the first sentence of subdivision (12), deleted "advises"

following "manages, carries on" in the first sentence of subdivision (15), and added the present second sentence of subdivision (15).

§ 108-75.4. Authority to license. — (a) The Department is hereby authorized and directed to issue licenses and conditional licenses to charitable organizations, professional fund-raising counsel and professional solicitors for soliciting in accordance with the provisions of this Part and the standards, rules and regulations promulgated by the Commission under the authority of this Part and under the authority of G.S. 143B-153.

Editor's Note. — The 1977 amendment inserted "and conditional licenses" in subsection (a), substituted "by the Department" for "by the

Commission" in subsection (b), and added subsection (c).

§ 108-75.5. Any vacancy occurring before the expiration of a term shall be filled in the same manner as provided for in the original appointment and the appointee shall serve the balance of the unexpired term.
- (c) The Committee shall have the power and the duty to recommend to the Commission rules, regulations and procedures for the licensing and regulation of charitable organizations, professional fund-raising counsel and professional solicitors. c. 546, s. 1; 1975, c. 747, s. 1; 1977, c. 877, ss. 14, 15.)

Editor's Note. — The 1977 amendment substituted "Department" for "Commission" in two places in the second sentence of subsection

(a) and added the present second sentence to subsection (c).

If the reasonable probabilities are that the compensation will exceed five percent

(5%) of the total moneys, pledges or other property, the Secretary shall request the parties to provide satisfactory explanation and may, if not satisfied, request renegotiation of the arrangement upon terms acceptable to him. In the event this is not done within 10 days, the Secretary may disapprove the contract or arrangement.

(c) No licensed charitable organization or professional solicitor shall carry out or execute a disapproved contract, receive or perform services, or receive or make payments pursuant to a disapproved contract. (1975, c. 747, s. 1; 1977, c.

(1973, c. 1441, s. 1; 1977, c. 604, s. 2.)

Editor's Note. — The 1977 amendment, in subsection (a), inserted "whether provider or recipient," "making," and "or by failing to disclose material facts" in the first sentence, substituted "in the amount of two hundred

dollars (\$200.00) or less" for "or food coupons of a greater value than that to which he is justly entitled" in the first sentence, and added the second sentence.

Caswell Action Committee, Inc., and Rockingham County Fund, Inc., are deemed to be eligible agencies for this purpose. (1973, c. 1318, s. 4; 1977, c. 771, s. 11.)

The latest official U.S. census figures shall be used in making this apportionment. - (5) In no event shall any agency's funds made available under provisions of this Article for basic administrative costs exceed fifty percent (50%) of that agency's operational costs.
- (6) An otherwise eligible economic opportunity agency may qualify for funds under this Article only after notice of termination of funding provided for administrative costs by OEO or its successor. (1973, c. 1318, s. 5.)

ARTICLE 1.

Official Bonds.

§ 109-1. Irregularities not to invalidate. — When any instrument is taken by or received under the sanction of the board of county commissioners, or by any person or persons acting under or in virtue of any public authority, purporting to be a bond executed to the State for the performance of any duty belonging to any office or appointment, such instrument, notwithstanding any irregularity or invalidity in the conferring of the office or making of the appointment, or any variance in the penalty or condition of the instrument from the provision prescribed by law, shall be valid and may be put in suit in the name of the State for the benefit of the person injured by a breach of the condition thereof, in the same manner as if the office had been duly conferred or the appointment duly made, and as if the penalty and condition of the instrument had conformed to the provisions of law: Provided, that no action shall be sustained thereon because of a breach of any condition thereof or any part of the condition thereof which is contrary to law. (1842, c. 61; R. C., c. 78, s. 9; 1869-70, c. 169, s. 16; Code, s. 1891; Rev., s. 279; C. S., s. 324.)

In General. — This section does not have the effect of introducing into an official bond provisions which are not, but ought to have been, inserted in the conditions, so as to extend the liabilities of the obligors; but the purpose is to cure certain defects and irregularities in conferring the office and accepting the instrument, and to maintain its validity as an official undertaking, as far as it goes, notwithstanding the penalty or condition may vary from those prescribed by law. State ex rel. Jordan v. Pool, 27 N.C. 105 (1844); State ex rel. Merrill v. McMinn, 29 N.C. 345 (1847); State ex rel. Murray v. Jones, 29 N.C. 359 (1847); Commissioners of Wake County v. Magnin, 86 N.C. 286 (1882). See also Midgett v. Nelson, 214 N.C. 396, 199 S.E. 393 (1938).

For article concerning contracts and referring generally to this section, see 13 N.C.L. Rev. 65.

Retroactive Operation. — The section had a retroactive operation. State ex rel. Jordan v. Pool, 27 N.C. 105 (1844); State ex rel. Murray v. Jones, 29 N.C. 359 (1847).

Official bonds should be liberally construed and any variance in the condition of such an instrument from the provisions prescribed by the law will usually be treated as an irregularity, in view of this section, but this principle does not abrogate the freedom of contract. City of Washington v. Trust Co., 205 N.C. 382, 171 S.E. 438 (1933).

Nor does this rule preclude the parties from contracting in the bond for liability for a shorter period than the official term of office of the principal. City of Washington v. Trust Co., 205 N.C. 382, 171 S.E. 438 (1933).

Validity as Common-Law or Voluntary Bonds. — A statutory bond, not duly executed, or not conditioned as required by statute, may be sustained as a common-law or voluntary bond. Chambers v. Witherspoon, 10 N.C. 42 (1824); Justices of Cumberland v. Armstrong, 14 N.C. 284 (1831); Justices of Currituck v. Dozier, 14 N.C. 287 (1831); Williams v. Ehringhaus, 14 N.C. 297 (1831); Vanhook v. Barnett, 15 N.C. 268 (1833); Davis v. Somerville, 15 N.C. 382 (1834); State ex rel. Davis v. McAlpin, 26 N.C. 140 (1843); Reid v. Humphreys, 52 N.C. 258 (1859).

County A.B.C. Board as Obligee. — The naming of county A.B.C. board as obligee in bond, rather than State, works no limitation of its character as official bond and affords no

escape from its obligations as such. Jordan v. Harris, 225 N.C. 763, 36 S.E.2d 270 (1945).

Name of Constable Omitted. — Where a constable's official bond was signed by the obligors but a blank was left for the name of the constable, the omission was not cured by this section. Grier v. Hill, 51 N.C. 572 (1859).

Failure to Register Constable's Bond. — An irregularity, such as want of registration, will not, under this section, invalidate a constable's bond. Warren v. Boyd, 120 N.C. 56, 26 S.E. 700 (1897)

Failure to Name Conditions in Sheriff's Bond. — Failure to name conditions required by § 162-8, relating to sheriff's bonds, will not, under this section, invalidate the bond given. State ex rel. Bd. of Comm'rs v. Sutton, 120 N.C. 298, 26 S.E. 920 (1897).

Mistake in Name of Ward in Guardian's Bond. — Where, in the order of a county court appointing a guardian, the name Margaret is by mistake inserted as that of the ward instead of Miranda, a bond taken according to the proper requisitions, with the right name recited, will, under the operation of this section, be sustained as an official bond. Shuster v. Perkins, 46 N.C. 325 (1854).

No Penalty Named in Guardian's Bond. — Where defendants signed a bond intending to make it the guardian bond of their principal, but there was no penalty named in the bond the same being filled in subsequent to the signature, it was held that this section does not apply, as it is confined to bonds wherein the amount of penalty varies from that fixed by law, being either more or less than the amount. Rollins v. Ebbs, 137 N.C. 355, 49 S.E. 341 (1904); Rollins v. Ebbs, 138 N.C. 140, 50 S.E. 577 (1905).

Who May Sue. — The chairman of a board of fence commissioners, although not named in the tax collector's bond, may bring suit on the same under this section, when the latter fails to pay the money collected for the erection of fences. Speight v. Staton, 104 N.C. 44, 10 S.E. 86 (1889).

Where a register of deeds issued a license for the marriage of a girl under 18 without the consent of her father, the father is the person injured within the meaning of this section. Joyner v. Roberts, 112 N.C. 111, 16 S.E. 917 (1893).

Cited in Barnes v. Lewis, 73 N.C. 138 (1875).

§ 109-2. Penalty for officer acting without bond. — Every person or officer of whom an official bond is required, who presumes to discharge any duty of his office before executing such bond in the manner prescribed by law, is liable to a forfeiture of five hundred dollars (\$500.00) to the use of the State for each attempt so to exercise his office. (R. C., c. 78, s. 8; Code, s. 1882; Rev., s. 278; C. S., s. 325.)

Quoted in Langley v. Taylor, 245 N.C. 59, 95 S.E.2d 115 (1956). Stated in Moffitt v. Davis, 205 N.C. 565, 172 S.E. 317 (1934).

§ 109-3. Condition and terms of official bonds. — Every clerk, treasurer, sheriff, coroner, register of deeds, surveyor, and every other officer of the several counties who is required by law to give a bond for the faithful performance of the duties of his office, shall give a bond for the term of the office to which such officer is chosen. (1869-70, c. 169; 1876-7, c. 275, s. 5; Code, s. 1874; 1895, c. 207, s. 4; 1899, c. 54, s. 54; Rev., s. 308; C. S., s. 326.)

Quoted in part in State ex rel. Cain v. Corbett, 235 N.C. 33, 69 S.E.2d 20 (1952).

Stated in Moffitt v. Davis, 205 N.C. 565, 172 S.E. 317 (1934).

§ 109-4. When county may pay premiums on bonds. — In all cases where the officers or any of them named in G.S. 109-3 are required to give a bond, the county commissioners of the county in which said officer or officers are elected are authorized and empowered to pay the premiums on the bonds of any and all such officer or officers. The board of commissioners of any county are further authorized and empowered to require individual or blanket bonds for any or all assistants, deputies or other persons regularly employed in the offices of any such county officer or officers, such bond or bonds to be conditioned upon faithful performance of duty, and, in the event of such requirement, to pay the premiums on such individual or blanket bonds. (1937, c. 440; 1953, c. 799.)

Local Modification. — Currituck: 1943, c. 269.

§ 109-5. Annual examination of bonds; security strengthened. — The bonds of the officers named in G.S. 109-3 shall be carefully examined on the first Monday in December of every year, and if it appears that the security has been impaired, or for any cause become insufficient to cover the amount of money or property or to secure the faithful performance of the duties of the office, then the bond shall be renewed or strengthened, the insufficient security increased within the limits prescribed by law, and the impaired security shall be made good; but no renewal, or strengthening, or additional security shall increase the penalty of said bond beyond the limits prescribed for the term of office. (1869-70, c. 169; 1876-7, c. 275, s. 5; Code, s. 1874; 1895, c. 207, s. 4; 1899, c. 54, s. 54; Rev., s. 308; C. S., s. 327.)

of bond of coroners, see \$ 152-3. As to amount of bond of registers of deeds, see \$ 161-4.

§ 109-6. Effect of failure to renew bond. — Upon the failure of any such officer to make such renewal of his bond, it is the duty of the board of commissioners, by an order to be entered of record, to declare his office vacant, and to proceed forthwith to appoint a successor, if the power of filling the vacancy in the particular case is vested in the board of commissioners; but if

otherwise, the said board shall immediately inform the proper person having the power of appointment of the fact of such vacancy. (1869-70, c. 169, s. 2; Code, s. 1875; Rev., s. 309; C. S., s. 328.)

§ 109-7. Justification of sureties. — Every surety on an official bond required by law to be taken or renewed and approved by the board of commissioners shall take and subscribe an oath before the chairman of the board or some person authorized by law to administer an oath, that he is worth a certain sum (which shall be not less than one thousand dollars (\$1,000)) over and above all his debts and liabilities and his homestead and personal property exemptions, and the sum thus sworn to shall in no case be less in the aggregate than the penalty of the bond. But nothing herein shall be construed to abridge the power of the said board of commissioners to require the personal presence of any such surety before the board when the bond is offered, or at such subsequent time as the board may fix, for examination as to his financial condition or other qualifications as surety. (1869-70, c. 169, s. 3; 1879, c. 207; Code, s. 1876; 1889, c. 7; 1891, c. 385; 1901, c. 32; Rev., s. 310; C. S., s. 329.)

Purpose — Contribution. — The intendment of this section was to provide a statement under oath to show the solvency of the sureties and afford information to the county commissioners under like sanction that the aggregate amount of the bond equaled the penalty required, and does not affect the doctrine of contribution as it

relates to the rights of the sureties to contribution between themselves. Board of Comm'rs v. Dorsett, 151 N.C. 307, 66 S.E. 132 (1909).

Cited in State ex rel. Cole v. Patterson, 97 N.C. 360, 2 S.E. 262 (1887).

§ 109-8. Compelling justification before judge; effect of failure. — When oath is made before any judge of the superior court by five respectable citizens of any county within his district that after diligent inquiry made they verily believe that the bond of any officer of such county, which has been accepted by the board of commissioners, is insufficient either in the amount of the penalty or in the ability of the sureties, it is the duty of such judge to cause a notice to be served upon such officer requiring him to appear at some stated time and place and justify his bond by evidence other than that of himself or his sureties. If this evidence so produced fails to satisfy the judge that the bond is sufficient, both in amount and the ability of the sureties, he shall give time to the officer not exceeding 20 days, to give another bond, fixing the amount of the new bond, when there is a deficiency in that particular. And upon failure of the said officer to give a good bond to the satisfaction of the judge within the 20 days, the judge shall declare the office vacant, and if the appointment be with himself, he shall immediately proceed to fill the vacancy; and if not, he shall notify the persons having the appointing power that they may proceed as aforesaid. - § 109-9. Successor bonded; official bonds considered liabilities. The person so appointed shall give bond before the judge, and the bond so given shall in all respects be subject to the requirements of the law in relation to official bonds; and all official bonds shall be considered debts and liabilities within the meaning of G.S. 109-7. (1874-5, c. 120, s. 2; Code, s. 1886; Rev., s. 317; C. S., s. 331.)
- § 109-10. Judge to file statement of proceedings with commissioners. When a vacancy is declared by the judge, he shall file a written statement of

all his proceedings with the clerk of the board of commissioners, to be recorded by him. (1874-5, c. 120, s. 3; Code, s. 1887; Rev., s. 318; C. S., s. 332.)

- § 109-11. Approval, acknowledgment and custody of bonds. The approval of all official bonds taken or renewed by the board of commissioners shall be recorded by their clerk. Every such bond shall be acknowledged by the parties thereto or proved by a subscribing witness, before the chairman of the board of commissioners, or before the clerk of the superior court, registered in the register's office in a separate book to be kept for the registration of official bonds, and the original bond, with the approval of the commissioners endorsed thereon and certified by their chairman, shall be deposited with the clerk of the superior court, except the bond of said clerk, which shall be deposited with the register of deeds, for safekeeping. Provided that an official bond executed as surety by a surety company authorized to do business in this State need not be acknowledged upon behalf of the surety when such bond is executed under seal in the name of the surety by an agent or attorney-in-fact by authority of a power of attorney duly recorded in the office of the register of deeds of such county and such bond may be recorded by the register of deeds without an order of probate entered by the clerk of the superior court. (1869-70, c. 169, s. 4; 1879, c. 207, s. 2; Code, s. 1877; Rev., s. 311; C. S., s. 333; 1957, c. 1011.)
- § 109-12. Clerk records vote approving bond; penalty for neglect. It is the duty of the clerk of the board of commissioners to record in the proceedings of the board the names of those commissioners who are present at the time of the approval of any official bond, and who vote for such approval. Every clerk neglecting to make such record, besides other punishment, shall forfeit his office. Any commissioner may cause his written dissent to be entered on the records of the board. Supplements § 162-12. — This section supplements and somewhat extends the provision of § 162-12, relating to the liability of sureties on a sheriff's bond. Hudson v. McArthur, 152 N.C. 445, 67 S.E. 995 (1910).

Liable to All Persons Injured. — Construing this section and former § 153-9 together, it is held that the county commissioners may be held individually liable by a person sustaining loss by reason of their failure to perform their

ministerial duty of requiring bond of a clerk of the superior court. Moffitt v. Davis, 205 N.C. 565, 172 S.E. 317 (1934).

Cited in State ex rel. Cole v. Patterson, 97 N.C. 360, 2 S.E. 262 (1887), to show how stringently the obligation of seeing to the sufficiency of the bond is enforced.

§ 109-14. Record of board conclusive as to facts stated. — In all actions under G.S. 109-13 a copy of the proceedings of the board of commissioners in the particular case, certified by their clerk under his hand and the seal of the county, is conclusive evidence of the facts in such record alleged and set forth. (1869-70, c. 169, s. 8; Code, s. 1881; Rev., s. 314; C. S., s. 336.)

§ 109-15. Person required to approve bond not to be surety. — No member of the board of commissioners, or any other person authorized to take official bonds, shall sign as surety on any official bond upon the sufficiency of which the board of which he is a member may have to pass. (1874-5, c. 120, s. 3; Code, s. 1887; Rev., s. 315; C. S., s. 337.)

ARTICLE 2.

Bonds in Surety Company.

§ 109-16. State officers may be bonded in surety company. — All persons who are required to give bond to the State of North Carolina to be received by the Governor or by any department of the State government, in lieu of personal security, may give as security for said bond and for the performance of the duties named in the said bond any indemnity or guaranty company authorized to do business in the State of North Carolina, subject to such regulations as the Governor or department may prescribe, and with power in them to demand additional security at any time. Any person presenting any indemnity or guaranty company as surety shall accompany his bond with a statement of the Insurance Commissioner as to the condition of such company as required by law. (1901, c. 754; Rev., s. 272; C. S., s. 338.)

Bond Construed against Company. — A surety bond shall be construed most strongly against the company and most favorably to its general intent and essential purpose. Bank of

Tarboro v. Fidelity & Deposit Co., 128 N.C. 366, 38 S.E. 908 (1901), discussing compliance with requirement of notice of default.

§ 109-17. When surety company sufficient surety on bonds and undertakings. — A bond or undertaking by the laws of North Carolina required or permitted to be given by a public official, fiduciary, or a party to an action or proceeding, conditioned for the doing or not doing of an act specified therein, shall be sufficient when it is executed or guaranteed by a corporation authorized in this State to act as guardian or trustee, or to guarantee the fidelity of persons holding places of public or private trust, or to guarantee the performance of contracts, other than insurance policies, or to give or guarantee bonds and undertakings in actions or proceedings.

The bond or undertaking of a corporation having such power shall be sufficient, although the law or regulation in accordance with which it is given requires two or more sureties, or requires the sureties to be residents or freeholders. But the clerk of the superior court may exercise his discretion as to accepting such a corporation's surety on the bonds of fiduciaries or parties to actions or proceedings. (1895, c. 270; 1899, c. 54, s. 45; 1901, c. 706; Rev., s.

273; C. S., s. 339.)

Same Liability as an Individual. — A surety corporation allowed by this section to give guardian bonds is held to the same liability on a bond given by it as an individual would be, and is responsible to the ward when the guardian's failure to properly perform his duties causes loss

to the ward's estate. State ex rel. Roebuck v. National Sur. Co., 200 N.C. 196, 156 S.E. 531 (1931).

Cited in Pierce v. Pierce, 197 N.C. 348, 148 S.E. 438 (1929).

§ 109-18. Clerk to notify county commissioners of condition of company. — Each clerk of the superior court shall furnish the chairman of the board of county commissioners of his county with notice of each surety company licensed in this State, and of each surety company whose license has been revoked, in

which any officer of the county has been bonded. (Rev., ss. 295, 4803; C. S., s. 340.)

§ 109-19. Release of company from liability. — A company executing such bond, obligation or undertaking, may be released from its liability or security on the same terms as are or may be by law prescribed for the release of individuals upon any such bonds, obligations or undertakings. (1899, c. 54, s. 48; Rev., s. 274; C. S., s. 341.)

Company May Be Released Only by Getting Off Bond. — Under this section a surety company can be released from its liability on a bond only by getting off the bond. Bank of Tarboro v. Fidelity & Deposit Co., 128 N.C. 366, 38 S.E. 908 (1901).

Defalcations after Expiration of Term of Office. — A surety company is not liable for defalcations committed after the expiration of the term of office to which the bond refers. Blades v. Dewey, 136 N.C. 176, 48 S.E. 627 (1904).

- § 109-20. Company not to plead ultra vires. Any company which executes any bond, obligation or undertaking under the provisions of this Article is estopped, in any proceeding to enforce the liability which it assumes to incur, to deny its corporate power to execute such instrument or assume such liability. (1899, c. 54, s. 49; 1901, c. 706, s. 1, subsec. 5; Rev., s. 275; C. S., s. 342.)
- § 109-21. Failure to pay judgment is forfeiture. If a surety company against which a judgment is recovered fails to discharge the same within 60 days from the time such final judgment is rendered, it shall forfeit its right to do business in this State, and the Insurance Commissioner shall cancel its license. (1901, c. 706, s. 1, subsec. 5; Rev., s. 275; C. S., s. 343.)
- § 109-22. On presentation of proper bond officer to be inducted. Upon presentation to the person authorized by law to take, accept and file official bonds, of any bond duly executed in the penal sum required by law by the officer chosen to any such office, as principal, and by any surety company, as security thereto, whose insurance or guaranty is accepted as security upon the bonds of United States bonded officials (such insurance company having complied with the insurance laws of the State of North Carolina), or by any other good and sufficient security thereto, such bond shall be received and accepted as sufficient, and the principal thereon shall be inducted into office. (1899, c. 54, s. 53; 1901, c. 706, s. 1, subsec. 5; Rev., s. 276; C. S., s. 344.)

Estoppel to Deny Validity of Bond. — Although the failure of the treasurer to sign a bond was an irregularity under this section, both the treasurer and the surety recognized their liability thereon by offering a second bond in

substitution, and both were estopped to deny the validity of the first bond on the ground of such irregularity. State ex rel. Board of Comm'rs v. Inman, 203 N.C. 542, 166 S.E. 519 (1932).

§ 109-23. Expense of fiduciary bond charged to fund. — A receiver, assignee, trustee, committee, guardian, executor or administrator, or other fiduciary required by law to give a bond as such, may include as part of his lawful expenses such sums paid to such companies for such suretyship to the extent of bond premiums actually paid per annum on the account of such bonds as the clerk, judge or court may allow. (1901, c. 706, s. 1, subsec. 5; Rev., s. 277; C. S., s. 345; 1939, c. 382.)

ARTICLE 3.

Mortgage in Lieu of Bond.

§ 109-24. Mortgage in lieu of required bond. — An administrator, executor, guardian, collector or receiver, or an officer required to give an official bond, or the agent or surety of such person or officer, may execute a mortgage on real estate, of the value of the bond required to be given by him to the State of North Carolina, conditioned to the same effect as the bond should be, were the same given, with a power of sale, which power of sale may be executed by the clerk of the superior court, with whom said mortgage shall be deposited, upon a breach of any of the conditions of said mortgage, after advertisement for 30 days. (1874-5, c. 103, s. 2; Code, s. 118; Rev., s. 265; C. S., s. 346.)

Mortgage of Intestate's Property. — A mortgage by an administrator on property of his intestate to which the administrator is heir does not comply with an order to increase the bond as such a mortgage does not increase the penalty. Sellars v. Faulk, 118 N.C. 573, 24 S.E. 430 (1896).

Failure to Record. — The mortgage or deed in trust permitted by this section, to be given in lieu of an official bond, is, as to proper

registration, to be regarded as a mortgage, or deed in trust, and accordingly registered as the law requires, construing the statute strictly, as required; and its entry upon the records in the clerk's office as a bond, alone, without recording it in its proper place as a mortgage is insufficient to give notice to, or priority of lien, over a deed of a subsequent purchaser of the land. Hooper v. Tallassee Power Co., 180 N.C. 651, 105 S.E. 327 (1920).

§ 109-25. Mortgage in lieu of security for appearance, costs, or fine. — Any person required to give a bond or undertaking, or required to enter into a recognizance for his appearance at any court, in any criminal proceeding, or for the security of any costs or fine in any criminal action, may also execute a mortgage on real or personal property of the value of such bond or recognizance, payable to the State of North Carolina, conditioned as such bond or recognizance would be required, with power of sale, which power shall be executed by the clerk in whose court said mortgage is executed, upon a breach of any of the conditions of said mortgage.

No such mortgage on real property executed for the security for costs or fine shall allow a longer time for payment of said costs or fine than six months from the execution thereof, and no mortgage on personal property a longer time than three months, except in cases of appeal, when the time allowed shall be counted from the date of the final decision in the cause.

All legitimate expenses of sale, which shall only be made after due advertisement according to law, shall be paid out of the proceeds of the sale. (1874-5, c. 103, s. 3; Code, s. 120; 1891, c. 425, ss. 1, 2, 3; Rev., s. 266; C. S., s. 347; 1973, c. 108, s. 57.)

Applicability to Justice's Court. — This section, as it read in the Code of 1883, had no application in courts of justices of the peace. Comron v. Standland, 103 N.C. 207, 9 S.E. 317 (1889).

Foreclosure and Sale. — The clerk of the superior court may foreclose a mortgage on land given by plaintiff to secure costs of his action when the costs are awarded against him, or the clerk may report the matter to the court for a decree of sale by himself, the latter being the better practice to insure a safer title and prevent a needless sacrifice. Clark v. Fairly, 175 N.C. 342, 95 S.E. 550 (1918).

When the superior court, in term, acting through the presiding judge, has duly acquired jurisdiction to decree foreclosure, it is his duty to supervise the sale and see that the land brings a fair price; and when such sale has not been made accordingly, he may set aside the sale, and permit the plaintiff to pay the costs properly chargeable against him. Clark v. Fairly, 175 N.C. 342, 95 S.E. 550 (1918).

It is proper for the court to confirm the sale, and possibly it is necessary for him to do so. Clark v. Fairly, 175 N.C. 342, 95 S.E. 550 (1918).

A decree of confirmation of the sale of lands to pay the cost of an action under a mortgage given to secure them, under this section, may be set aside by the judge during the term of the superior court at which it was entered. Clark v. Fairly, 175 N.C. 342, 95 S.E. 550 (1918).

Cited in State ex rel. Solicitor v. Jenkins, 121 N.C. 637, 28 S.E. 413 (1897).

- § 109-26. Cancellation of mortgage in such proceedings. Any mortgage given by any person in lieu of bond as administrator, executor, guardian, collector, receiver or as an officer required to give an official bond, or as agent or surety of such person or officer, or in lieu of bond or undertaking or recognizance for his appearance at any court in any criminal proceeding, or for the security of any cost or fine in a criminal action which has been registered, when such party as administrator, executor, guardian, collector, or receiver has filed his final account and when the time required by statute for the bond given by any administrator, executor, guardian, collector, or receiver to remain in force for the purpose of action thereon has expired, or when the officer required to give an official bond has fully complied with the conditions of such bond and the time within which suit is allowed by law to be brought thereon has expired, or when the person giving such mortgage in lieu of bond has made his appearance at the court to which he was bound and did not depart the court without leave, or paid the cost or fine required, may be canceled or discharged by the clerk of the superior court of the county where such action was pending or where the mortgage in lieu of bond is recorded by entry of "satisfaction" upon the margin of the record where such mortgage is recorded in the presence of the register of deeds, or his deputy, who shall subscribe his name as a witness thereto, and such cancellation shall have the effect to discharge and release all the right, title and interest of the State of North Carolina in and to the property described in such mortgage. (1905, c. 106; Rev., s. 267; C. S., s. 348; 1921, c. 29, ss. 1, 2; 1925, c. 252, s. 1.
- § 109-27. Validating statute. All acts heretofore done by the several superior court clerks, cancelling or satisfying any mortgage, or other instruments, herein mentioned and specified are hereby validated. (1925, c. 252, s. 2.)
- § 109-28. Clerk of court may give surety by mortgage deposited with register. In all cases where the clerk of the superior court may be required to give surety, he may deposit a mortgage with the register of deeds, payable to the State, and conditioned, as the bond would have been required, with power of sale. The power of sale shall be executed by the register of deeds, upon a breach of any of the conditions of said mortgage; and the register of deeds shall in all cases immediately register the same, at the expense of the said clerk. (1874-5, c. 103, s. 6; Code, s. 122; Rev., s. 268; C. S., s. 349.)
- § 109-29. Mortgage in lieu of bond to prosecute or defend in civil case. It is lawful for any person desiring to commence any civil action or special proceeding, or to defend the same, his agent or surety, to execute a mortgage on real estate of the value of the bond or undertaking required to be given, at the beginning of said action, or at any stage thereof, to the party to whom the bond or undertaking would be required to be made, conditioned to the same effect as such bond or undertaking, with power of sale, which power of sale may be executed upon a breach of any of the conditions of the said mortgage after advertisement for 30 days. (1874-5, c. 103, s. 1; Code, s. 117; Rev., s. 269; C. S., s. 350.)

Editor's Note. — For note on the North Carolina public assistance lien law and current constitutional doctrine, see 49 N.C.L. Rev. 519 (1971).

For comment on access of indigents into the civil courtroom, see 49 N.C.L. Rev. 683 (1971).

Section Strictly Observed. — This section is exceptional in its provisions, and must be strictly

observed. Eshon v. Board of Comm'rs, 95 N.C.

Undertaking on Appeal. — If it be granted that this section applies to an undertaking on appeal, the section was not complied with where the appellant deposited with the clerk a bond due to himself and secured by a mortgage as a substitute for the undertaking. Eshon v. Board of Comm'rs, 95 N.C. 75 (1886).

Section Does Not Require Mortgage. — This section does not authorize the court to require a party to execute a mortgage of real estate in the case therein provided for. It simply allows the party of whom an undertaking may be required in such cases to give such mortgage instead of it, and the former must be for the same amount as the latter. Wilson v. Fowler, 104 N.C. 471, 10 S.E. 566 (1889).

Not Applicable to Justice's Court. — This section has no application in courts of justices of the peace. Comron v. Standland, 103 N.C. 207, 9 S.E. 317 (1889).

Third Person Executing Mortgage for Defendant. — Where a mortgage is given by a third person for the defendant in an action, as is permitted by this section, and the mortgagor subsequently purchases a part of the mortgaged property, it was held, upon the plaintiff's recovering from the defendant, that the mortgagor has no such interest as will allow him to interfere with the plaintiff's rights under his judgment. Ryan v. Martin, 104 N.C. 176, 10 S.E. 169 (1889).

- § 109-30. Affidavit of value of property required. In all cases where a mortgage is executed, as hereinbefore permitted, it is the duty of the clerk of the court in which it is executed to require an affidavit of the value of the property mortgaged to be made by at least one witness not interested in the matter, action or proceeding in which the mortgage is given. (1874-5, c. 103, s. 4; Code, s. 121; Rev., s. 270; C. S., s. 351; 1973, c. 108, s. 58.)
- § 109-31. When additional security required. If, from any cause, the property mortgaged in lieu of a bond becomes of less value than the amount of the bond in lieu of which the mortgage is given, and it so appears upon affidavit of any person having any interest in the matter as a security for which the mortgage was given, it is the duty of the mortgager to give additional security by a deposit of money, or the execution of a mortgage on more property, or justify as required in cases where bond or undertaking is given. (1874-5, c. 103, s. 5; Code, s. 119; Rev., s. 271; C. S., s. 352.)

ARTICLE 4.

Deposit in Lieu of Bond.

§ 109-32. Deposit of cash or securities in lieu of bond; conditions and requirements. — In lieu of any written undertaking or bond required by law in any matter, before any court of the State, the party required to make such undertaking or bond may make a deposit in cash or securities of the State of North Carolina or of the United States of America, of the amount required by law or, in the case of fiduciaries, of the amount of the trust, in lieu of the said undertaking or bond and such deposit shall be subject to all of the same conditions and requirements as are provided for in written undertakings or bonds, in lieu of which such deposit is made. (1923, c. 58; C. S., s. 352(a); 1947, c. 936.)

Editor's Note. — For comment on this section, see 1 N.C.L. Rev. 283; 25 N.C.L. Rev. 384.

ARTICLE 5.

Actions on Bonds.

§ 109-33. Bonds in actions payable to court officer may be sued on in name of State. — Bonds and other obligations taken in the course of any proceeding at law, under the direction of the court, and payable to any clerk, commissioner, or officer of the court, for the benefit of the suitors in the cause, or others having an interest in such obligation, may be put in suit in the name of the State. (R. C., c. 13, s. 11; Code, s. 51; Rev., s. 280; C. S., s. 353.)

Quoted in Lackey v. Pearson, 101 N.C. 651, 8 S.E. 121 (1888).

§ 109-34. Liability and right of action on official bonds. — Every person injured by the neglect, misconduct, or misbehavior in office of any clerk of the superior court, register, entry taker, surveyor, sheriff, coroner, county treasurer, or other officer, may institute a suit or suits against said officer or any of them and their sureties upon their respective bonds for the due performance of their duties in office in the name of the State, without any assignment thereof; and no such bond shall become void upon the first recovery, or if judgment is given for the defendant, but may be put in suit and prosecuted from time to time until the whole penalty is recovered; and every such officer and the sureties on his official bond shall be liable to the person injured for all acts done by said officer by virtue or under color of his office. (1793, c. 384, s. 1, P. R.; 1825, c. 9, P. R.; 1833, c. 17; R. C., c. 78, s. 1; 1869-70, c. 169, s. 10; Code, s. 1883; Rev., s. 281; C. S., s. 354; 1973, c. 108, s. 59.)

Cross Reference. — As to surety waiving his rights under §§ 109-33 through 109-35 by appearing and answering in a summary proceeding, see § 109-36 and the note thereto.

Leave of Court Unnecessary. — This section gives in express terms the right to bring one or more suits upon one or more of the bonds to "every injured person," not on leave from the court, but absolutely and unconditionally so soon as the breach occurs, except that it is to be instituted in the name of the State. Boothe v. Upchurch, 110 N.C. 62, 14 S.E. 642 (1892); Reid v. Holden, 242 N.C. 408, 88 S.E.2d 125 (1955).

Sections Construed Together. — This section and § 109-37 relate to the same subject matter, are part of one and the same statute, and must be construed together. State ex rel. Underwood v. Watson, 223 N.C. 437, 27 S.E.2d 144 (1943).

Remedies against Superior Court Clerks. — North Carolina statutes provide two separate and distinct remedies against clerks of the superior court — one in behalf of the injured individual for a specific fund to which he is entitled or on account of a particular wrong committed against him by the officer, as provided in this section; and one in behalf of the new clerk against his predecessor in office to recover possession of records, books, papers and money in the hands of the outgoing clerk by virtue or under color of his office, as provided for in former § 2-22. State ex rel. Underwood v. Watson, 223 N.C. 437, 27 S.E.2d 144 (1943).

This section is not repugnant to the provisions of former § 2-22, which required that each successive clerk shall receive from his predecessor all the records, moneys, and property of his office, but only gives an additional remedy for the benefit of individuals who have cause of complaint against an unfaithful clerk of the superior court. Peebles v. Boone, 116 N.C. 57, 21 S.E. 187 (1895). For present provisions similar to former § 2-22, see § 7A-106.

The failure of a register of deeds to properly index the registry of a mortgage renders him liable on his official bond to one injured by such neglect. State ex rel. Daniel v. Grizzard, 117 N.C. 105, 23 S.E. 93 (1895).

Person Injured. — The father of a girl under 18, to whom a marriage license has been issued without the father's consent, is the person injured within the meaning of this section. Joyner v. Roberts, 112 N.C. 111, 16 S.E. 917 (1893).

Under this section, claimants of a fund arising from a partition sale are the proper parties to sue on bond of the clerk for failure of the clerk to pay funds turned over to him by the commissioners in partition. Smith v. Patton, 131 N.C. 396, 42 S.E. 849 (1902).

An action can be maintained by the clerk of a superior court in his own name upon the official bond of the sheriff, for the recovery of costs accrued in such court and collected by the sheriff, and due and payable to said clerk and others. Jackson v. Maultsby, 78 N.C. 174 (1878).

By Virtue or under Color of Office. - The last clause of this section is very comprehensive in its terms, scope and purpose. It, on purpose, enlarges the compass of the conditions of official bonds and their purpose, and the legislature intended by it, it seems, to prevent an evil pointed out in two or three of the cases. There were no adequate reasons why the conditions of official bonds should not extend to and embrace all the official duties of the office, and there were serious ones of justice and policy why they should. All persons interested are bound to accept the official services of such officers, as occasion may require, and they should be made secure in their rights, and have adequate remedy for wrongs done by them. Besides, all public officers should be held to a faithful discharge of their duties as such. It is singular that the clause last recited, notwithstanding a well known evil to be remedied, was not enacted until 1883. It first appears as part of the Code. Now official bonds and the conditions of them embrace and extend to all acts done by virtue or under color of office of the officer giving the bond. Thomas v. Connelly, 104 N.C. 342, 10 S.E. 520 (1889); Kivett v. Young, 106 N.C. 567, 10 S.E. 1019 (1890).

In State ex rel. Wimmer v. Leonard, 68 F.2d 228 (4th Cir. 1934), a sheriff's bond contained a condition limiting the faithful execution of the office to specific duties such as execution of process and in view of this, and the wording of this section, the bond was held to afford no basis for a recovery by a person whom the sheriff wounded while acting in his official capacity.

This section extends the liability on the sheriff's general official bond and imposes liability for wrongful arrest and the use of excessive force in making an arrest under color of office. Price v. Honeycutt, 216 N.C. 270, 4 S.E.2d 611 (1939).

The surety on a bond of a delinquent tax collector is not liable for an arrest made by the collector in order to force the payment of a delinquent tax, since such act of the tax collector is not done under color of his office and does not come within the condition of the bond that he should "well and truly perform all the duties of his said office." Henry v. Wall, 217 N.C. 365, 8 S.E.2d 223, 127 A.L.R. 854 (1940).

The last clause of this section has been held to enlarge the conditions of the official bond to extend to all official duties of the office. State ex rel. Williams v. Adams, 288 N.C. 501, 219 S.E.2d 198 (1975).

Same — Acts Which Should Have Been Performed. — It is true that the clause seems in terms to provide only for acts done by the officer, and not for those which he should do but does not. But it would be putting a very narrow construction on the statute to say that he and his

sureties are liable for what he did, but not for what he should have done and did not do, although the damage to the party was equally as great. State ex rel. Daniel v. Grizzard, 117 N.C. 105, 23 S.E. 93 (1895).

This section has been broadly construed over its long history to cover not only acts done by the officer but also acts that should have been done. State ex rel. Williams v. Adams, 288 N.C. 501, 219 S.E.2d 198 (1975).

Same — Illustrative Acts. — Where a clerk appointed the commissioner to make a partition sale, without bond, and on approving his report received and receipted the proceeds as clerk, took out his costs and entered the amount due each heir at law on his docket, and disbursed a portion of said fund to the parties entitled, this would seem to be a receipt of the fund by the clerk "by virtue of his office." The Judges v. Deans, 9 N.C. 93 (1822); McNeill v. Morrison, 63 N.C. 508 (1869); Cox v. Blair, 76 N.C. 78 (1877). But if this were otherwise the clerk received it "as clerk," and so receipted for it. This was certainly a receipt of the money "under color of his office," and, indeed, this is admitted in the answer. The older decisions were made when these words were not in the statute. The clause embraces all cases where the officer received the money in his official capacity, but when he may not be authorized or required to receive the same. In such case the bond is responsible for the safe custody of the fund so paid in. Smith v. Patton, 131 N.C. 396, 42 S.E. 849 (1902), citing Broughton v. Haywood, 61 N.C. 380 (1867); Greenlee v. Sudderth, 65 N.C. 470 (1871); Brown v. Coble, 76 N.C. 391 (1877); Ex parte Cassidey, 95 N.C. 225 (1886); Thomas v. Connelly, 104 N.C 342, 10 S.E. 520 (1889); Sharpe v. Connelly, 105 N.C. 87, 11 S.E. 177 (1890); Presson v. Boone, 108 N.C. 78, 12 S.E. 897 (1891).

When the clerk of the superior court is appointed receiver of a minor's estate, he takes and holds the funds by virtue of his office of clerk, and his sureties upon his official bond as such officer are liable for any failure of duty on his part in that respect. Boothe v. Upchurch, 110 N.C. 62, 14 S.E. 642 (1892).

Bonds Cumulative. — Official bonds given by an officer during any one term of office are cumulative, and the new bond does not discharge the old case. Oats v. Bryan, 14 N.C. 451 (1832); Bell's Adm'r v. Jasper, 37 N.C. 597 (1843); Poole v. Cox, 31 N.C. 69, 49 Am. Dec. 410 (1848); Moore v. Boudinot, 64 N.C. 190 (1870); Pickens v. Miller, 83 N.C. 544 (1880); Fidelity & Deposit Co. v. Fleming, 132 N.C. 332, 43 S.E. 899 (1903).

Where the surety has renewed the bond of a clerk of the court upon his election to that office a second time, acknowledged its liability and received premiums thereon, its liability is cumulative for all defalcations thereunder, whether for the second term its principal was

continuing to act de facto or de jure. Lee v. Martin, 186 N.C. 127, 118 S.E. 914 (1923).

The first bonds continue to be a security for the discharge of the duties during the whole term, and the new bonds become additional security for the discharge of such of the duties as have not been performed at the time they are given. Poole v. Cox, 31 N.C. 69, 49 Am. Dec. 410 (1848). See also Oats v. Bryan, 14 N.C. 451 (1832); Bell's Adm'r v. Jasper, 37 N.C. 597 (1843).

Action on Bond and on Case. — An action of debt on a sheriff's bond for money collected, and a nonsuit therein, is a sufficient demand to enable the plaintiff to sustain an action on the case for the same cause of action. Fagan v. Williamson, 53 N.C. 433 (1862).

Negligent Conduct of Jailer Imputed to Sheriff. — Under this section the sheriff and the surety on his official bond are liable for the wrongful death of a prisoner resulting from the negligence of the jailer in locking the prisoner, in the weakened condition, in a cell with a person whom the sheriff and the jailer knew to be violently insane, and who assaulted the prisoner during the night, inflicting the fatal injury. Dunn v. Swanson, 217 N.C. 279, 7 S.E.2d 563 (1940). For note on this case, see 19 N.C.L. Rev. 101.

Action on Negligence. — This section, in so many words, provides for the prosecution of a cause of action based on negligence. State ex rel. Williams v. Adams, 288 N.C. 501, 219 S.E.2d 198 (1975).

A prison official is liable when he knows of, or, in the exercise of reasonable care, should anticipate danger to the prisoner, and with such knowledge or anticipation fails to take the proper precautions to safeguard his prisoners. State ex rel. Williams v. Adams, 288 N.C. 501, 219 S.E.2d 198 (1975).

Necessary Parties in Action against Deputy Sheriff. — If the defendant were acting in the capacity of deputy sheriff at the time of the alleged assault and false arrest, he and the surety on his bond, and the sheriff and the surety on his bond, would be proper and necessary parties to the action based on the cause of action for the alleged assault and false arrest. State ex rel. Cain v. Corbett, 235 N.C. 33, 69 S.E. 2d 20 (1952).

§ 109-35. Complaint must show party in interest; election to sue officer individually. — Any person who brings suit in manner aforesaid shall state in his complaint on whose relation and in whose behalf the suit is brought, and he shall be entitled to receive to his own use the money recovered; but nothing herein contained shall prevent such person from bringing at his election an action against the officer to recover special damages for his injury. (1793, c. 384, ss. 2, 3, P. R.; R. C., c. 78, s. 2; 1869-70, c. 169, s. 11; Code, s. 1884; Rev., s. 282; C. S., s. 355.)

The relator is the real party in interest in an action brought in the name of the State on an official bond, and he will be so considered in determining the identity of the parties under a

plea of res judicata in a subsequent action. Reid v. Holden, 242 N.C. 408, 88 S.E.2d 125 (1955).

§ 109-36. Summary remedy on official bond. — When a sheriff, coroner, clerk, county or town treasurer, or other officer, collects or receives any money by virtue or under color of his office, and on demand fails to pay the same to the person entitled to require the payment thereof, the person thereby aggrieved may move for judgment in the superior court against such officer and his sureties for any sum demanded; and the court shall try the same and render judgment at the session when the motion shall be made, but 10 days' notice in writing of the motion must have been previously given. (1819, c. 1002, P. R.; R. C., c. 78, s. 5; 1869-70, c. 169, s. 14; 1876-7, c. 41, s. 2; Code, s. 1889; Rev., s. 283; C. S., s. 356; 1973, c. 108, s. 60.)

Remedy Cumulative. — It has never been understood that this cumulative and optional remedy obstructed the bringing of a regular

action on the bond, when the injured party preferred to have recourse to it. Lackey v. Pearson, 101 N.C. 651, 8 S.E. 121 (1888).

Justice Has No Jurisdiction. — Since the repeal of § 13 of c. 80 of Battle's Revision it has been decided by repeated adjudications that a justice of the peace has no jurisdiction of an action on a constable's bond. Coggins v. Harrell, 86 N.C. 317 (1882).

To What Officers Applicable. — In Smith v. Moore, 79 N.C. 86 (1878), it was held that the power conferred by this section as it read in the Revised Code of 1856, was confined to the officers named therein, and that there was no way to hold a commissioner appointed to make a judicial sale liable for the proceeds thereof, except by an action instituted by the parties entitled to the money. Subsequent to this decision the words "or other public officer," have been inserted in the section; but applying the ejusdem generis rule it would seem that these words would not include a master in chancery and that the Smith case declares the law as it still stands. See, however, Ex parte Curtis, 82 N.C. 435 (1880), where the court states that a remedy against executrix and clerk and master should have been by summary motion under this section.

Actions by Persons Entitled to Money. — The section gives a summary remedy against public officers only to those entitled to the money, so that a new clerk cannot proceed under it against a former clerk, for not paying office money over to him as his successor. O'Leary v. Harrison, 51 N.C. 338 (1859).

There is no provision in the statute giving a preference to the party or parties who first seek such summary remedy. And, withal, before any claim, preferential or otherwise, can be established under this statute, notice must be given, the court must try the cause, and judgment must be obtained. Western Carolina Power Co. v. Yount, 208 N.C. 182, 179 S.E. 804 (1935).

It was never intended that the mere lodging of a motion under this section established a preference, or right to establish a preference, over other creditors when such other creditors had been guilty of no laches in asserting their claims. Western Carolina Power Co. v. Yount, 208 N.C. 182, 179 S.E. 804 (1935).

Minor Interested in Fund Must Be Represented by Guardian Ad Litem. — Where a judgment for personal injuries in an action prosecuted by the father as next friend for his minor son is paid only in part, it is error for the court on the father's motion under this section to order the clerk to pay the father out of the recovery the entire amount expended by the father for necessary medical treatment of the minor, when the minor is not represented by a disinterested guardian ad litem, since the interests of the father and the minor in the fund are antagonistic. White v. Osborne, 251 N.C. 56, 110 S.E.2d 449 (1959).

Proceedings May Be Consolidated with General Creditor's Suit. - Plaintiff instituted summary proceedings under this section against the clerk of the superior court and the surety on his bond to recover for the clerk's default in failing to return to plaintiff, as ordered by the superior court, moneys deposited with the clerk. Notice and complaint in the proceeding were served on defendants. Thereafter another creditor of the clerk instituted suit in her own behalf and in behalf of all persons similarly situated, and decree was entered appointing a permanent receiver for the clerk, authorizing the receiver to bring suit on the clerk's bonds, and enjoining all creditors of the clerk from instituting any other suit or action against him or on his bonds. In the summary proceeding under this section, the surety on the clerk's bond pleaded the decree affirming receiver in bar to plaintiff's right to judgment, and the trial court dismissed the summary proceeding. It was held that the summary proceeding should have been consolidated with the suit in the nature of a general creditor's bill. Western Carolina Power Co. v. Yount, 205 N.C. 321, 171 S.E. 321 (1933).

Demand Not Necessary. — In a proceeding by the State, against a clerk of the superior court and the surety on his bond to recover sums embezzled by the clerk, the plaintiffs have the right to pursue the summary remedy under this section, upon their motion after due notice, and demand upon the clerk is not necessary. State v. Gant, 201 N.C. 211, 159 S.E. 427 (1931).

Waiver by Appearance. — Where a summary proceeding under this section has been instituted against a clerk of the superior court and the surety on his bonds to recover sums embezzled by the clerk, and the surety has entered a general appearance and filed answer, etc., the surety has waived its rights, if any it had, under \$\frac{1}{2}\$ 109-33 through 109-35, to object that the plaintiffs could not maintain a summary proceeding under this section. State v. Gant, 201 N.C. 211, 159 S.E. 427 (1931).

Judgment. — Under this practice, judgment was entered for the amount of the bond, the execution to be satisfied on payment of the sum collected and costs. Fell v. Porter, 69 N.C. 140 (1873). From the language of the opinion in this case, it would seem that at the time of decision the operation of this section had been suspended. — Ed. note.

Where A. obtained a judgment against B., clerk of the superior court, for a sum of money in his hands by virtue of his office, and B. died, and his administrator, upon demand, failed to pay the money, it was held that the court below erred in overruling a motion by the plaintiff for a judgment upon the official bond of the clerk under the provisions of this section. Cooper v. Williams, 75 N.C. 94 (1876).

Notice. — As this section read in Battle's Revision the proceedings were "without other

notice than is given by the delinquency of the officer." See Prairie v. Jenkins, 75 N.C. 545 (1876).

Applied in State v. Sawyer, 223 N.C. 102, 25 S.E.2d 443 (1943).

§ 109-37. Officer unlawfully detaining money liable for damages. — When money received as aforesaid is unlawfully detained by any of said officers, and the same is sued for in any mode whatever, the plaintiff is entitled to recover, besides the sum detained, damages at the rate of twelve per centum (12%) per annum from the time of detention until payment. (1819, c. 1002, s. 2, P. R.; R. C., c. 78, s. 9; 1868-9, c. 169; Code, s. 1890; Rev., s. 284; C. S., s. 357.)

This section must be considered in connection with § 109-36. Pasquotank County v. Hood, 209 N.C. 552, 184 S.E. 5 (1936).

And § 109-34. — This section and § 109-34 relate to the same subject matter and are a part of one and the same statute. They must be construed together. State ex rel. Underwood v. Watson, 223 N.C. 437, 27 S.E.2d 144 (1943).

This Section and § 109-36 Are Not Applicable to Liquidation of Banks by Commissioner of Banks. — This section and § 109-36 are inapplicable to impose liability for damages in a case where the Commissioner of Banks took over the affairs of a bank which had been theretofore constituted the financial agent of the county and which had county funds on deposit and in its possession. Pasquotank County v. Hood, 209 N.C. 552, 184 S.E. 5 (1936).

The Commissioner of Banks holding a portion of the fund, subject to the orders of the court and for the purpose of liquidation, could not be said to constitute an "unlawful detention," nor should he in his representative capacity be liable in damages as a penalty for so doing. The punishment would not fall upon a defaulting or delinquent public officer, as intended by the statute, but would penalize funds held in trust for all the creditors and stockholders whose stock assessments have helped to contribute. Pasquotank County v. Hood, 209 N.C. 552, 184 S.E. 5 (1936).

Default of Officer Must Be Shown. — In an action to recover the 12% allowed under this section, it is necessary that the plaintiff show some adequate default. Hannah v. Hyatt, 170 N.C. 634, 87 S.E. 517 (1916).

Liability of Surety. — While, as against the principal on the bond of a clerk of the superior court, interest under the statute at the rate of 12% is collectible from the time of defalcation, the amount of the penalty on his bond determines the liability of the surety thereon. State ex rel. Lee v. Martin, 188 N.C. 119, 123 S.E. 631 (1924).

Effect of Waiver of Interest from Date of Defalcation. — Where, in an action against a clerk of the superior court and his surety to recover sums embezzled by the clerk, the State waives the interest from the date of the actual defalcations, but does demand the 12% from the date of the expiration of each term of office; a judgment awarding damages at 12%, under the provisions of this section, on the sums defaulted from the expiration of each term is not error, the amount being within the penalty of the bond. State v. Gant, 201 N.C. 211, 159 S.E. 427 (1931).

Interest by Way of Damages. — Whether or not the clerk is entitled to the benefits of this section, in a suit against his precedessor, is not now decided; but, granting that he is not so entitled, the law allows interest by way of damages on money wrongfully detained. State ex rel. Underwood v. Watson, 223 N.C. 437, 27 S.E.2d 144 (1943); State ex rel. Underwood v. Watson, 224 N.C. 502, 31 S.E.2d 465 (1944).

§ 109-38. Evidence against principal admissible against sureties. — In actions brought upon the official bonds of clerks of courts, sheriffs, coroners, or other public officers, and also upon the bonds of executors, administrators, collectors or guardians, when it may be necessary for the plaintiff to prove any default of the principal obligors, any receipt or acknowledgment of such obligors, or any other matter or thing which by law would be admissible and competent for or toward proving the same as against him, shall in like manner be admissible and competent as presumptive evidence only against all or any of his sureties who may be defendants with or without him in said actions. (1844, c. 38; R. C., c. 44, s. 10; 1881, c. 8; Code, s. 1345; Rev., s. 285; C. S., s. 358; 1973, c. 108, s. 61.)

Judgments as Evidence — Generally. — In action against an officer and one of the sureties on his official bond, the record of a judgment against the officer, and others of his sureties, in a previous action against them for the same demand, and on the same bond, but in which action the surety in the present action was not a party, is competent evidence to fix the amount due by the officer. Morgan v. Smith, 95 N.C. 396 (1886).

The question how far a judgment or decree is conclusive against a surety of a defendant, or against one who is liable over to a defendant, and who was not a party to the action, is involved in the greatest confusion. Between the intimate relations which exist between such a person and the defendant in the suit, on the one side, and the fundamental principle that no one ought to be bound by proceedings to which he was a stranger, on the other, the court has found it difficult to steer. Dixie Fire Ins. Co. v. American Bonding Co., 162 N.C. 384, 78 S.E. 430 (1913).

The cases are numerous in which it has been decided that a judgment rendered against a guardian is not, unaided by the statute, admissible as evidence against the surety to his bond. McKellar v. Powell, 11 N.C. 34 (1825).

The same rulings have been made in regard to the sureties to an administration bond. Chairman of Mecklenburg v. Clark, 11 N.C. 43 (1825); Vanhook v. Barnett, 15 N.C. 268 (1833); Governor ex rel. Huggins v. Montford, 23 N.C. 155 (1840); Governor ex rel. McElroy v. Carter, 25 N.C. 338 (1843). So in reference to the liability of his surety to an amercement against the sheriff.

The act of 1844 (this section), however, changed the rule of law, and rendered competent against the sureties to official bonds, and those given by executors, administrators and guardians, whatever evidence would be competent against the principals, and this was declared to be conclusive, where the evidence was a judgment against him, in Brown v. Pike, 74 N.C. 531 (1876); and in Badger v. Daniel, 79 N.C. 386 (1878).

The act of 1881 amended the previous enactment by making the evidence "presumptive only" against the sureties. Moore v. Alexander, 96 N.C. 34, 1 S.E. 536 (1887).

"It seems that our predecessors in office upon this Bench have intimated, and in one case held, that such judgments, unaided by the statute, are inadmissible in evidence against the surety. Moore v. Alexander, 96 N.C. 34, 1 S.E. 536 (1887). But an examination of the question has convinced us that the decided trend of modern authority is to the effect that such a judgment against the principal prima facie only establishes the sum or amount of the liability against the sureties, although not parties to the action, but the sureties may impeach the judgment for fraud, collusion, or mistake, as well as set up an

independent defense." Dixié Fire Ins. Co. v. American Bonding Co., 162 N.C. 384, 78 S.E. 430 (1913)

While this section fixed the rule as to actions brought upon the official bonds of clerks of courts, sheriffs, coroners, or other public officers, and also upon the bonds of executors, administrators, collectors, or guardians, the precedents were in hopeless discord as to bonds not covered by the statute, until Associate Justice Brown laid down the rule in Dixie Fire Ins. Co. v. American Bonding Co., 162 N.C. 384, 78 S.E. 430 (1913). "But an examination of the question has convinced us that the decided trend of modern authority is to the effect that such a judgment against the principal prima facie only establishes the sum or amount of the liability against the sureties, although not parties to the action, but the sureties may impeach the judgment for fraud, collusion, or mistake, as well as set up an independent defense." Charleston & W.C. Ry. v. Robert G. Lassiter & Co., 208 N.C. 209, 179 S.E. 789 (1935).

Same — Evidence of Assets as Well as Debts.
— See Armistead v. Harramond, 11 N.C. 339 (1826); Brown v. Pike, 74 N.C. 531 (1876); Badger v. Daniel, 79 N.C. 386 (1878); Morgan v. Smith, 95 N.C. 396 (1886).

Same — Section Not Applicable to Tort Action. — The rule that the judgment against the principal in an official or fiduciary bond is presumptive evidence against the sureties under this section does not apply where the action is not on the bond, but in tort. Martin v. Buffaloe, 128 N.C. 305, 38 S.E. 902 (1901).

Same - Judgment Based on Admissions of Principal's Administrator, Where Interests of Administrator and Surety Conflict. — A judgment upon the admissions in the answer of the administrator bank of a deceased county treasurer is not competent in an action by the county commissioners as evidence against the surety on the official bond of the deceased when the bank has been made a party defendant and the surety at once raises the issue as to whether a part of the defalcation was moneys defaulted from the bank when the deceased was acting as its assistant cashier, the interest of the bank and the surety being in conflict, and this section not applying in such cases. Commissioners of Chowan County v. Citizens Bank, 197 N.C. 410, 149 S.E. 380 (1929).

For case recognizing the principle adopted in Commissioners of Chowan County v. Citizens Bank, 197 N.C. 410, 149 S.E. 380 (1929), but holding the rule inapplicable under peculiar facts of case, see Charleston & W.C. Ry. v. Robert G. Lassiter & Co., 208 N.C. 209, 179 S.E. 879 (1935).

Annual account of guardian is competent evidence against him, and presumptive evidence against his sureties. Loftin v. Cobb, 126 N.C. 58, 35 S.E. 230 (1900).

Joinder of Administrator and Sureties. — Under this section the sureties on an administrator's bond are properly joined with the administrator, where it is shown that the administrator received a benefit from a falsified final account by reason of which the plaintiff's

judgment against the administrators remained unpaid. State ex rel. Salisbury Morris Plan Co. v. McCanless, 193 N.C. 200, 136 S.E. 371 (1927). Cited in Pullen v. Heron Mining Co., 71 N.C. 563 (1874); Gurganus v. McLawhorn, 212 N.C. 397, 193 S.E. 844 (1937).

§ 109-39. Officer liable for negligence in collecting debt. — When a claim is placed in the hands of any sheriff or coroner for collection, and he does not use due diligence in collecting the same, he shall be liable for the full amount of the claim notwithstanding the debtor may have been at all times and is then able to pay the amount thereof. (1844, c. 64; R. C., c. 78, s. 3; 1869-70, c. 169, s. 12; Code, s. 1888; Rev., s. 286; C. S., s. 359; 1973, c. 108, s. 62.)

Section Applicable to Claims, Not Executions. -- This section applies only to claims placed in the hands of the sheriff or other officer for collection - such claims as are within the jurisdiction of a justice of the peace, and may be collected by judgment and process of execution granted by that magistrate. It does not apply to executions issuing from the superior or other courts of record. The reason for the distinction is clearly and certainly pointed out in McLaurin v. Buchanan, 60 N.C. 91 (1863). The statute, in effect, now is just as it was when that decision was made. Brunhild v. Potter, 107 N.C. 415, 12 S.E. 55 (1890).

What Constitutes Negligence. — The degree of diligence required is that which a prudent man would ordinarily exercise in the management of his own affairs. A constable is not bound to such strict accountability as when process is delivered to him as an officer. Morgan v. Horne, 44 N.C. 25 (1852); Lipscomb v. Cheek, 61 N.C. 332 (1867). Therefore, what constitutes negligence must depend upon the facts in each particular case; five months' delay was held negligence in Nixon v. Bagby, 52 N.C. 4 (1859).

ARTICLE 1.

Child Labor Regulations.

§ 110-1. Minimum age. — No minor under 16 years of age shall be employed, permitted or allowed to work in, about, or in connection with any gainful occupation at any time: Provided, that minors between 14 and 16 years of age may be employed outside school hours and during school vacations, but not in a factory or in any occupation otherwise prohibited by law; and provided, that minors 12 years of age and over securing a certificate from the Department of Labor, may be employed outside school hours in the sale or distribution of newspapers, magazines or periodicals subject to the provisions of G.S. 110-8 relating to employment of minors in street trades and to such rules and regulations as may be provided under G.S. 95-11. Nothing in this Article shall be construed to apply to the employment of a minor engaged in domestic or farm

work performed under the direction or authority of the minor's parent or guardian. (1937, c. 317, s. 1; 1977, c. 551, s. 1.)

Editor's Note. — The 1977 amendment substituted "minors" for "boys" near the middle

of the first sentence.

Session Laws 1977, c. 583, s. 1, provides: "The Commissioner of Labor may waive for any child over 12 years of age any provision of Chapter 110, Article 1, 'Child Labor Regulations,' and authorize the issuance of an employment certificate when:

"(1) He determines that the health or safety of the minor would not be adversely affected,

"(2) The parent, guardian or other person standing in loco parentis consents in writing to the proposed employment.

"(3) The permit issued by the Department of Social Services shall state the particular type of

work which may be performed."

Session Laws 1977, c. 583, s. 2, provides that the act shall be null and void after July 1, 1979.

Prior Law. — As to employment of children before the Child Labor Act of 1903, see Ward v.

Allen, 126 N.C. 946, 36 S.E. 194 (1900); Fitzgerald v. Alma Furn. Co., 131 N.C. 636, 42 S.E. 946 (1902); Hendrix v. Cotton Mills, 138 N.C. 169, 50 S.E. 561 (1905).

As to employment since the act, see Rolin v. R.J. Reynolds Tobacco Co., 141 N.C. 300, 53 S.E. 891 (1906); Leathers v. Blackwell Durham Tobacco Co., 144 N.C. 330, 57 S.E. 11 (1907); Starnes v. As to employment in messenger or delivery service, see Pettit v. Atlantic Coast Line Ry., 186

N.C. 9, 118 S.E. 840 (1923).

As to mere volunteer injured in performance of simple and ordinary task, see Reaves v. Catawba Mfg. & Elec. Power Co., 206 N.C. 523, 174 S.E. 413 (1934).

§ 110-2. Hours of labor. — No minor under 16 years of age shall be employed, permitted or allowed to work in, about or in connection with any gainful occupation more than six consecutive days in any one week, or more than 40 hours in any one week, or more than eight hours in any one day, nor shall any minor under 16 years of age be so employed, permitted or allowed to work before seven o'clock in the morning or after seven o'clock in the evening of any day, or after nine o'clock on days when schools are not in session. No minor over 16 years of age and under 18 years of age shall be employed, permitted or allowed to work in or about or in connection with any gainful occupation for more than six consecutive days in any one week, or more than 48 hours in any one week, or more than nine hours in any one day, nor shall any minor between 16 and 18 years of age be so employed, permitted or allowed to work before six o'clock in the morning or after 12 o'clock midnight of any day, except minors between the ages of 16 and 18 may be permitted to work until one o'clock in the morning as messengers where the offices of the company for which they work do not close before that hour: Provided, that minors 12 years of age and over, employed in the sale or distribution of newspapers, magazines or periodicals outside school hours shall be subject to the provisions of G.S. 110-8 relating to employment of minors in street trades, and to such rules and regulations as may be provided under G.S. 95-11: Provided further, that minors under 18 years of age may be employed in a concert or a theatrical performance, under such rules and regulations as the State Commissioner of Labor may prescribe, up to 12 o'clock midnight; and provided further, that minors employed as telegraph messengers in towns where a full-time service is not maintained on Sundays may work seven days per week, but not for more than two hours on Sunday. The combined hours of work and hours in school of children under 16 employed outside school hours shall not exceed a total of eight per day. (1937, c. 317, s. 2; 1951, c. 1187, s. 1; 1967, cc. 173, 764; 1969, c. 962; 1977, c. 551, s.

Editor's Note. — The 1977 amendment, in the second sentence, substituted "minors" for "boys" in two places and "minors employed as

telegraph messengers" for "telegraph messenger boys" in one place.

Violation of Section as Proximate Cause of Injury. — In order to make an employer liable in damages for an injury sustained by an employee being required to work more than eight hours a day in violation of this section, it

must be shown that the violation of the statute was a proximate cause of the injury complained of. Williamson v. Old Dominion Box Co., 205 N.C. 350, 171 S.E. 335 (1933).

- § 110-3. Lunch period. No minor under 16 years of age shall be employed or permitted to work for more than five hours continuously without an interval of at least 30 minutes for a lunch period, and no period of less than 30 minutes shall be deemed to interrupt a continuous period of work. (1937, c. 317, s. 3.)
- § 110-4. Posting of hours. Every employer shall post and keep conspicuously posted in the establishment wherein any minor under 18 is employed, permitted, or allowed to work, a printed abstract of this Article and a list of the occupations prohibited to such minors, to be furnished by the State Department of Labor. (1937, c. 317, s. 4.)
- § 110-5. Time records. Every employer shall keep a time book and/or record, which shall state the name of each minor employed, and which shall indicate the number of hours worked by said minor on each day of the week, and the amount of wages paid during each pay period. Such time record shall be kept on file for at least one year after the entry of the record, and shall be open to the inspection of the State Department of Labor. (1937, c. 317, s. 5.)
- § 110-6. Hazardous occupations prohibited for minors under 16. No minor under 16 years of age shall be employed, permitted or allowed to work on or in connection with power-driven machinery. No minor under 16 years of age shall be employed, permitted or allowed to work in or about or in connection with: construction work of any kind, shipbuilding, mines or quarries, stonecutting or polishing, the manufacture, transportation or use of explosives or highly inflammable substances, ore-reduction works, smelters, hot rolling mills, furnaces, foundries, forging shops or any other place in which the heating, melting or heat treatment of metals is carried on; lumbering or logging operations, saw or planing mills, pulp or paper mills, or in operating or assisting in operating punch presses or stamping machines, if the clearance between the ram and the die or the stripper exceeds one-fourth inch; power-driven woodworking machinery, cutting machines having a guillotine action, openers, pickers, cards or lappers, power shears, machinery having a heavy rolling or crush-action, corrugating, crimping, or embossing machines, meat-grinding machines, dough brakes or mixing machines in bakeries or cracker-making machinery, grinding, abrasive, polishing or buffing machines: Provided, that apprentices operating under conditions of bona fide apprenticeship may grind their own tools; machinery used in the cold rolling of heavy metal stock, metal plate bending machines, power-driven metal planing machines, circular saws, power-driven laundry or dry-cleaning machinery, oiling, cleaning or wiping machinery or shafting or applying belts to pulleys; or in the operation or repair of elevators or other hoisting apparatus, or as drivers of trucks or other motor vehicles, or in the operation of any unguarded machinery. (1937, c. 317, s. 6.)

"In or about or in Connection with Quarry". — In Campbell Contracting Co. v. Maryland Cas. Co., 21 F.2d 909 (4th Cir. 1927), it is said: "We cannot agree with the contention that a boy operating a hoist, that by means of a cable, pulls cars loaded with stone out of a quarry 150 to 175 feet distant,

and whose duty it was upon signal to have the whistle blown, warning of a blast, and whose further duty it was to warn passersby, was not working 'in or about or in connection with a quarry.'"

Quoted in Gastonia Personnel Corp. v. Rogers, 276 N.C. 279, 172 S.E.2d 19 (1970).

§ 110-7. Hazardous occupations prohibited for minors under 18. — No minor under the age of 18 years shall be employed, permitted, or allowed to work at any processes where quartz or any other form of silicon dioxide or an asbestos silicate is present in powdered form, or at work involving exposure to lead or any of its compounds in any form, or at work involving exposure to benzol or any benzol compound which is volatile or which can penetrate the skin, or at work in spray painting, or in the handling of unsterilized hides or animal or human hair. Nor shall any minor under 18 be employed or permitted to work in, about or in connection with any establishment where alcoholic liquors are distilled, rectified, compounded, brewed, manufactured, bottled, sold, or dispensed, or in a pool or billiard room: Provided, however, that this section shall not prohibit a minor under the age of 18 years from working in any establishment where beer is sold and not consumed on the premises, and to which has been issued only an "off premises" license for the sale of beer. Nor shall any minor under 18 years of age be employed, permitted, or allowed to work in any place of employment, or at any occupation hazardous or injurious to the life, health, safety or welfare of such minor. It shall be the duty of the State Department of Labor and the said State Department of Labor shall have power, jurisdiction, and authority, after due notice and after hearings duly held, to issue general or special orders, which shall have the force of law, prohibiting the employment of such minors in any place of employment or at any occupation hazardous or injurious to the life, health, safety or welfare of such minors. Nothing contained in this Chapter shall be construed to prohibit a minor who is 16 years of age or older from working in a restaurant that has a grade-A rating solely because said establishment has a malt-beverage, wine, spirituous-liquor or other permit issued by the State A.B.C. Board; but a minor as described herein shall not be allowed to serve or dispense malt beverages, wine, or spirituous liquor. (1937, c. 317, s. 7; 1943, c. 670; 1973, c. 758, s. 1; 1977, c. 551, s. 3.)

Editor's Note. — The 1977 amendment deleted the former third sentence, which read: "Nor shall any girl under the age of 18 years be employed, permitted or allowed to work as a messenger in the distribution or delivery of goods or messages for any person, firm or corporation engaged in the business of transmitting or delivering goods or messages."

Applicable to Establishment with a License under \$ 18A-31. — See opinion of Attorney General to Mr. W.C. Creel, Commissioner of Labor, 42 N.C.A.G. 220 (1973).

Quoted in Gastonia Personnel Corp. v. Rogers, 276 N.C. 279, 172 S.E.2d 19 (1970). Stated in Underwood v. State Bd. of Alcoholic Control, 278 N.C. 623, 181 S.E.2d 1 (1971).

§ 110-8. Employment of minors in street trades; sale or distribution of newspapers, etc. — No minor under 14 years of age shall distribute, sell, expose, or offer for sale newspapers, magazines, periodicals, candies, drinks, peanuts, or other merchandise in any street or public place, or exercise the trade of bootblack in any street or public place. No minor under 16 years of age shall be employed or permitted or allowed to work at any of the trades or occupations mentioned in this section after 7:00 P.M. or before 6:00 A.M., or unless that minor has an employment certificate issued in accordance with G.S. 110-9. The State Commissioner of Labor shall have authority to make, promulgate and enforce such rules and regulations as he may deem necessary for the enforcement of this section, not inconsistent with this Article or existing law.

Nothing in this section shall be construed to prevent minors over 14 years of age from distributing newspapers, magazines and periodicals on fixed routes, seven days per week: Provided, that such persons shall not be employed nor allowed to work after 8:00 P.M. and before 5:00 A.M., and that the hours of work and the hours in school do not exceed eight in any one day, except minors 12 years of age and over who have secured a certificate from the Department of Labor for the sale or distribution of newspapers, magazines or periodicals: Provided further, that such person shall not be permitted or allowed to work

more than four hours per day nor more than 24 hours per week: Provided further, that nothing in this Article shall be construed to prevent minors 12 years of age and over, upon securing a proper certificate from the Department of Labor, from being employed outside school hours in the sale or distribution of newspapers, magazines and periodicals (where not more than 75 customers are served in one day): Provided, that such minors shall not be employed between the hours of 7:00 P.M. and 6:00 A.M., nor for more than 10 hours in any one week. (1937, c. 317, s. 8; 1977, c. 551, s. 4.)

Editor's Note. — The 1977 amendment, in the first paragraph, substituted "minor under 14 years of age" for "boy under 14 years of age and no girl under 18 years of age" in the first sentence and substituted "No minor" for "No boy" and "that minor" for "he" in the second

sentence, and in the second paragraph, substituted "minors" for "male persons" near the beginning of the paragraph and "minors" for "boys" in two places near the middle and one place near the end.

§ 110-9. Employment certificate required. — Before any minor shall be employed, permitted or allowed to work in, about or in connection with any gainful occupation, such minor shall procure and keep in his possession at all times while pursuing such employment an employment certificate in his name and issued as hereinafter prescribed. In case of a minor engaged in street trade where the relationship of employer and employee does not exist between such minor and the supplier of the merchandise which the minor sells, the parent or guardian of such minor shall be deemed the employer of such minor and the minor shall be required to procure and keep in his possession at all times while pursuing this employment the employment certificate herein required. (1937, c. 317, s. 9; 1973, c. 649, s. 1.)

Cross Reference. — See Editor's note to § 110-12.

Newsboy Not Employee. — A newsboy engaged in selling papers is not an employee of the newspaper within the meaning of that term as used in the Workmen's Compensation Act, the newsboy not being on the newspaper's payroll

and being without authority to solicit subscriptions and being free to select his own methods of effecting sales, although some degree of supervision was exercised by the newspaper. Creswell v. Charlotte News Publishing Co., 204 N.C. 380, 168 S.E. 408 (1933).

- § 110-10. Officers authorized to issue certificates. The employment certificate required by this Article shall be issued only by county or city directors of social services in such form and under such conditions as may be prescribed by the State Department of Labor. (1937, c. 317, s. 10; 1961, c. 186; 1969, c. 982.)
- § 110-11. Refusal and revocation of employment certificate. The person designated to issue employment certificates may refuse to grant such certificate, or may revoke such certificate after issuance if, in his judgment, the best interests of the minor would be served by such refusal or revocation. Employer, parent or guardian of the minor whose employment certificate has been refused or revoked may appeal to the Commissioner of Labor. (1937, c. 317, s. 11.)
- § 110-12. Method of issuing employment certificates. The person designated to issue employment certificates shall issue such certificates only upon the application in person of the minor desiring employment, and after having approved and filed the following papers:
 - (1) A promise of employment signed by the prospective employer or by someone duly authorized by him, setting forth the specific nature of the occupation in which he intends to employ such minor, and the

number of hours per day and days per week which said minor shall be

employed.

(2) Evidence of age showing that minor is of the age required by this Article, which evidence shall consist of one of the following proofs of age and shall be required in the order herein designated, as follows:

a. A duly attested transcript of the birth certificate filed according to law with a registrar of vital statistics, or other officer charged with

the duty of recording births; or

b. A baptismal certificate or transcript of the record of baptism, duly certified, and showing the date and place of birth; or a duly issued

North Carolina learner's permit or driver's license; or

c. Other documentary record of age (other than a school record or an affidavit of age) such as a Bible record, passport or transcript thereof, duly certified, or life insurance policy which shall appear to the satisfaction of the issuing officer to be good and sufficient evidence of age; or

d. Repealed by Session Laws 1971, c. 370.

(3) Repealed by Session Laws 1971, c. 368.

(4) A school record signed by the principal of the school which the minor has last attended or by someone duly authorized by him, giving the full name, date of birth, grade last completed, and residence of the minor.

The employment certificate shall be delivered to the minor for whom it is issued and this certificate shall be valid for the employment described in the promise of employment submitted in accordance with subdivision (1) of this section and for any subsequent employment of the minor. Provided: That the provisions of this act shall not apply to the hazardous occupations prohibited for minors in G.S. 110-6 and 110-7, and the provisions of this act shall not apply to the hazardous occupations as set forth in Child Labor Bulletin No. 101, promulgated under the United States Department of Labor's Bureau of Labor Standards as authorized by Chapter 8 of Title 29 of the United States Code, known as the "Fair Labor Standards Act," as amended. (1937, c. 317, s. 12; 1971, cc. 368, 370; 1973, c. 649, s. 2; 1977, c. 82.)

Editor's Note. — The 1977 amendment added "a duly issued North Carolina learner's permit or driver's license; or" to the end of subparagraph b of subdivision (2).

The words "this act" in the proviso to the last paragraph would seem to refer to the 1973 amendatory act, which also amended §§ 110-9, 110-15 and 110-19.

Prior Law. — For decisions under former law, see Rolin v. R.J. Reynolds Tobacco Co., 141 N.C. 300, 53 S.E. 891 (1906); Williamson v. Old Dominion Box Co., 205 N.C. 350, 171 S.E. 335 (1933).

- § 110-13. Employment certificate as evidence. Said employment certificate duly issued shall be conclusive evidence of the age of the minor for whom issued in any proceeding involving the employment of the minor under the child labor or workmen's compensation law or any other labor law of the State, as to any act occurring subsequent to its issuance. (1937, c. 317, s. 13.)
- § 110-14. Regular and vacation employment certificates. Employment certificates shall be of two kinds, regular certificates permitting employment during school hours, and vacation certificates, permitting employment during the school vacation and during the school term at such time as the public schools are not in session. (1937, c. 317, s. 14.)
- § 110-15. Duties of employee in regard to employment certificate. Every employee receiving an employment certificate shall, after accepting employment and on the first day of employment, surrender his employment certificate to his

employer for the duration of his employment, for the purpose of making the employment certificate readily accessible to any certificate-issuing officer, attendance officer, inspector, or other person authorized to enforce this Article. Upon termination of employment, the employer shall immediately return the employment certificate to the minor. (1937, c. 317, s. 15; 1973, c. 649, s. 3.)

Cross Reference. — See Editor's note to § 110-12.

- § 110-16: Repealed by Session Laws 1971, c. 1231, s. 2.
- \$ 110-17. State supervision of the issuance of employment certificates. The State Department of Labor shall prescribe such rules and regulations for the issuance of employment certificates and age certificates as will promote uniformity and efficiency in the administration of this Article. It also shall supply to local issuing officers all blank forms to be used in connection with the issuance of such certificates. Duplicates of each employment or age certificate shall be mailed by the issuing officer to the State Department of Labor within one week after issuance. The State Department of Labor may revoke any such certificate if in its judgment it was improperly issued or if the minor is illegally employed. If the certificate be revoked, the issuing officer and the employer shall be notified of such action in writing, and such minor shall not thereafter be employed or permitted to work until a new certificate has been legally obtained. (1937, c. 317, s. 17.)
- § 110-18. Rules and regulations. The Commissioner of Labor of North Carolina shall have the power to make such rules and regulations for enforcing and carrying out the provisions of this Article as may be deemed necessary by said Commissioner. (1937, c. 317, s. 18.)
- § 110-19. Inspection and prosecutions. It shall be the duty of the State Department of Labor and of the inspectors and agents of said State Department of Labor to enforce the provisions of this Article, to make complaints against persons violating its provisions, and to prosecute violations of the same. The said State Department of Labor, its inspectors and agents shall have authority to enter and inspect at any time any place or establishment covered by the Article, and to have access to employment certificates kept in the possession of the employee and such other records as may aid in the enforcement of this Article. School attendance officers are likewise empowered to visit and inspect places where minors may be employed. (1937, c. 317, s. 19; 1971, c. 1231, s. 2; 1973, c. 649, s. 4.)

Cross Reference. — See Editor's note to § 110-12.

§ 110-20. Penalties. — Whoever employs or permits or allows any minor to be employed or to work in violation of this Article, or of any order or ruling issued under the provisions of this Article, or obstructs the State Department of Labor, its officers or agents, or any other persons authorized to inspect places of employment under this Article, and whoever having under his control or custody any minor, permits or allows him to be employed or to work in violation of this Article, shall be guilty of a misdemeanor, and upon conviction shall be punished by a fine of not less than five dollars (\$5.00) nor more than fifty dollars (\$50.00), or imprisonment for not more than 30 days, or both such fine and imprisonment. Each day during which any violation of this Article continues after notice from the State Department of Labor to the proprietor, manager, or other officer of the partnership, firm or corporation, shall constitute a

separate and distinct offense, and the employment of any minor in violation of the Article shall, with respect to each minor so employed, constitute a separate and distinct offense. The penalties specified in this Article may be recovered by the State in an action for debt brought before any court of competent jurisdiction, or through criminal proceedings, as may be deemed proper. (1937, c. 317, s. 20.)

ARTICLE 1A.

Exhibition of Children.

§ 110-20.1. Exhibition of certain children prohibited. — (a) Except to the extent otherwise provided in subsection (d) of this section, it is unlawful to exhibit publicly for any purpose, or to exhibit privately for the purpose of entertainment, or solely or primarily for the satisfaction of the curiosity of any observer, any child under the age of 18 years who is mentally ill or mentally retarded or who presents the appearance of having any deformity or unnatural physical formation or development, whether or not the exhibiting of the child is in return for a monetary or other consideration.

(b) It is unlawful to employ, use, have custody of, or in any way be associated with any child described in subsection (a) for the purpose of an exhibition forbidden therein, or for one who has the care, custody or control of the child as a parent, relative, guardian, employer or otherwise, to neglect or refuse to

restrain the child from participating in the exhibition.

(c) It is unlawful to procure or arrange for, or participate in procuring or

- § 110-44.4. Enforcement. The provisions of this Article may be enforced by the parent, guardian, or person standing in loco parentis to the child by filing a civil action in the district court of the county where the child can be found. Any aggrieved party may within the time allowed for appeal of civil actions generally appeal to the superior court where trial shall be had without a jury. Appeals from the superior court to the Court of Appeals shall be allowed as in civil actions generally. The district judge issuing the original order or the district judge hearing the matter after answer has been filed shall also have authority to order

Failure of any defendant to comply with the terms of said order or judgment shall be punishable as for contempt. (1969, c. 1080, s. 4.)

Interstate Compact on the Placement of Children.

§ 110-57.1. Adoption of Compact. — The Interstate Compact on the Placement of Children is hereby enacted into law and entered into with all other jurisdictions legally joining therein in form substantially as contained in this Article. It is the intent of the General Assembly that Article 4 shall govern interstate placements of children between North Carolina and any other jurisdictions not a party to this Compact.

Article I. Purpose and Policy.

It is the purpose and policy of the party states to cooperate with each other

in the interstate placement of children to the end that:

(a) Each child requiring placement shall receive the maximum opportunity to be placed in a suitable environment and with persons or institutions having appropriate qualifications and facilities to provide a necessary and desirable degree and type of care.

(b) The appropriate authorities in a state where a child is to be placed may have full opportunity to ascertain the circumstances of the proposed placement, thereby promoting full compliance with applicable requirements for the protection of the child.

(c) The proper authorities of the state from which the placement is made may obtain the most complete information on the basis of which to evaluate a

projected placement before it is made.

(d) Appropriate jurisdictional arrangements for the care of children will be promoted.

Article II. Definitions.

As used in this Compact:

(a) "Child" means a person who, by reason of minority, is legally subject to

parental, guardianship or similar control.

(b) "Sending agency" means a party state officer or employee thereof; a subdivision of a party state, or officer or employee thereof; a court of a party state; a person, corporation, association, charitable agency or other entity which sends, brings, or causes to be sent or brought any child to another party state.

(c) "Receiving state" means the state to which a child is sent, brought, or caused to be sent or brought, whether by public authorities or private persons or agencies, and whether for placement with state or local public authorities of

[or] for placement with private agencies or persons.

- (d) "Placement" means the arrangement for the care of a child in a family free or boarding home or in a child-caring agency or institution but does not include any institution caring for the mentally ill, mentally defective or epileptic or any institution primarily educational in character, and any hospital or other medical facility.
- (e) "Appropriate public authorities" as used in Article III shall, with reference to this State, mean the Department of Human Resources and said agency shall receive and act with reference to notices required by Article III.
- (f) "Appropriate authority in the receiving state" as used in paragraph (a) of Article V shall, with reference to this State, mean the Secretary of Human Resources.
 - (g) "Executive head" as used in Article VII means the Governor.

Article III. Conditions for Placement.

(a) No sending agency shall send, bring, or cause to be sent or brought into any other party state any child for placement in foster care or as a preliminary to a possible adoption unless the sending agency shall comply with each and every requirement set forth in this Article and with the applicable laws of the receiving state governing the placement of children therein.

(b) Prior to sending, bringing or causing any child to be sent or brought into a receiving state for placement in foster care or as a preliminary to a possible adoption, the sending agency shall furnish the appropriate public authorities in the receiving state written notice of the intention to send, bring, or place the child in the receiving state. The notice shall contain:

(1) The name, date and place of birth of the child.

(2) The identity and address or addresses of the parents or legal guardian. (3) The name and address of the person, agency or institution to or with which the sending agency proposes to send, bring, or place the child.

(4) A full statement of the reasons for such proposed action and evidence of the authority pursuant to which the placement is proposed to be made.

(c) Any public officer or agency in a receiving state which is in receipt of a notice pursuant to paragraph (b) of this Article may request of the sending agency, or any other appropriate officer or agency of or in the sending agency's state, and shall be entitled to receive therefrom, such supporting or additional information as it may deem necessary under the circumstances to carry out the purpose and policy of this Compact.

(d) The child shall not be sent, brought, or caused to be sent or brought into the receiving state until the appropriate public authorities in the receiving state shall notify the sending agency, in writing, to the effect that the proposed

placement does not appear to be contrary to the interests of the child.

Article IV. Penalty for Illegal Placement.

The sending, bringing, or causing to be sent or brought into any receiving state of a child in violation of the terms of this Compact shall constitute a violation of the laws respecting the placement of children of both the state in which the sending agency is located or from which it sends or brings the child and of the receiving state. Such violation may be punished or subjected to penalty in either jurisdiction in accordance with its laws. In addition to liability for any such punishment or penalty, any such violation shall constitute full and sufficient grounds for the suspension or revocation of any license, permit, or other legal authorization held by the sending agency which empowers or allows it to place, or care for children.

Article V. Retention of Jurisdiction.

(a) The sending agency shall retain jurisdiction over the child sufficient to determine all matters in relation to the custody, supervision, care, treatment and disposition of the child which it would have had if the child had remained in the sending agency's state, until the child is adopted, reaches majority, becomes self-supporting or is discharged with the concurrence of the appropriate authority in the receiving state. Such jurisdiction shall also include the power to effect or cause the return of the child or its transfer to another location and custody pursuant to law. The sending agency shall continue to have financial responsibility for support and maintenance of the child during the period of the placement. Nothing contained herein shall defeat a claim of jurisdiction by a receiving state sufficient to deal with an act of delinquency or crime committed therein.

(b) When the sending agency is a public agency, it may enter into an agreement with an authorized public or private agency in the receiving state providing for the performance of one or more services in respect of such case

by the latter as agent for the sending agency.

(c) Nothing in this Compact shall be construed to prevent a private charitable agency authorized to place children in the receiving state from performing services or acting as agent in that state for a private charitable agency of the sending state; nor to prevent the agency in the receiving state from discharging financial responsibility for the support and maintenance of a child who has been placed on behalf of the sending agency without relieving the responsibility set forth in paragraph (a) hereof.

Article VI. Institutional Care of Delinquent Children.

A child adjudicated delinquent may be placed in an institution in another party jurisdiction pursuant to this Compact but no such placement shall be made unless the child is given a court hearing on notice to the parent or guardian with opportunity to be heard, prior to his being sent to such other party jurisdiction for institutional care and the court finds that:

(1) Equivalent facilities for the child are not available in the sending

agency's jurisdiction; and

(2) Institutional care in the other jurisdiction is in the best interest of the child and will not produce undue hardship.

Article VII. Compact Administrator.

The executive head of each jurisdiction party to this Compact shall designate an officer who shall be general coordinator of activities under this Compact in his jurisdiction and who, acting jointly with like officers of other party jurisdictions, shall have power to promulgate rules and regulations to carry out more effectively the terms and provisions of this Compact.

Article VIII. Limitations.

This Compact shall not apply to: (a) the sending or bringing of a child into a receiving state by his parent, stepparent, grandparent, adult brother or sister, adult uncle or aunt, or his guardian and leaving the child with any such relative or nonagency guardian in the receiving state. (b) Any placement, sending or bringing of a child into a receiving state pursuant to any other interstate compact to which both the state from which the child is sent or brought and the receiving state are party, or to any other agreement between said states which has the force of law.

Article IX. Enactment and Withdrawal.

This Compact shall be open to joinder by any state, territory or possession of the United States, the District of Columbia, the Commonwealth of Puerto Rico, and, with the consent of Congress, the government of Canada or any province thereof. It shall become effective with respect to any such jurisdiction when such jurisdiction has enacted the same into law. Withdrawal from this Compact shall be by the enactment of a statute repealing the same, but shall not take effect until two years after the effective date of such statute and until written notice of the withdrawal has been given by the withdrawing state to the governor of each other party jurisdiction. Withdrawal of a party state shall not affect the rights, duties and obligations under this Compact of any sending agency therein with respect to a placement made prior to the effective date of withdrawal.

Article X. Construction and Severability.

The provisions of this Compact shall be liberally construed to effectuate the purposes thereof. The provisions of this Compact shall be severable and if any phrase, clause, sentence or provision of this Compact is declared to be contrary to the constitution of any party state or of the United States or the applicability thereof to any government, agency, person or circumstance is held invalid, the validity of the remainder of this Compact and the applicability thereof to any government, agency, person or circumstance shall not be affected thereby. If this Compact shall be held contrary to the constitution of any state party thereto, the Compact shall remain in full force and effect as to the remaining states and in full force and effect as to the state affected as to all severable matters. (1971, c. 453, s. 1; 1973, c. 476, s. 138.)

- § 110-57.2. Financial responsibility under Compact. Financial responsibility for any child placed pursuant to the provisions of the Interstate Compact on the Placement of Children shall be determined in accordance with the provisions of Article V thereof in the first instance. However, in the event of partial or complete default of performance thereunder, the provisions of any other state laws fixing responsibility for the support of children also may be invoked. (1971, c. 453, s. 2.)
- § 110-57.3. Agreements under Compact. The officers and agencies of this State and its subdivisions having authority to place children are hereby empowered to enter into agreements with appropriate officers or agencies of or in other party states pursuant to paragraph (b) of Article V of the Interstate Compact on the Placement of Children. Any such agreement which contains a financial commitment or imposes a financial obligation on this State or subdivision or agency thereof shall not be binding unless it has the approval in writing of the Secretary of Human Resources in the case of the State and of the county director of social services in the case of a county or other subdivision of the State. (1971, c. 453, s. 2; 1973, c. 476, s. 138.)
- § 110-57.4. Visitation, inspection or supervision. Any requirements for visitation, inspection or supervision of children, homes, institutions or other agencies in another party state which may apply under the laws of this State shall be deemed to be met if performed pursuant to an agreement entered into by appropriate officers or agencies of this State or a subdivision thereof as contemplated by paragraph (b) of Article V of the Interstate Compact on the Placement of Children. (1971, c. 453, s. 2.)
- § 110-57.5. Compact to govern between party states. The provisions of Article 4 of Chapter 110 of the General Statutes shall not apply to placements made pursuant to the Interstate Compact on the Placement of Children. (1971, c. 453, s. 2.)
- § 110-57.6. Placement of delinquents. Any court having jurisdiction to place delinquent children may place such a child in an institution or in another state pursuant to Article VI of the Interstate Compact on the Placement of Children and shall retain jurisdiction as provided in Article V thereof. (1971, c. 453, s. 2.)
- § 110-57.7. Compact Administrator. The Governor is hereby authorized to appoint a Compact Administrator in accordance with the terms of said Article VII. (1971, c. 453, s. 2.)

ARTICLE 5.

Interstate Compact on Juveniles.

§ 110-58. Execution of Compact. — The Governor is hereby authorized and directed to execute a compact on behalf of this State with any other state or states legally joining therein in the form substantially as follows: The contracting states solemnly agree:

ARTICLE I. FINDINGS AND PURPOSES.

That juveniles who are not under proper supervision and control, or who have absconded, escaped or run away, are likely to endanger their own health, morals and welfare, and the health, morals and welfare of others. The cooperation of the states party to this Compact is therefore necessary to provide for the welfare and protection of juveniles and of the public with respect to

(1) Cooperative supervision of delinquent juveniles on probation or parole;(2) The return, from one state to another, of delinquent juveniles who have escaped or absconded;

(3) The return, from one state to another, of nondelinquent juveniles who

have run away from home; and

(4) Additional measures for the protection of juveniles and of the public, which any two or more of the party states may find desirable to

undertake cooperatively.

In carrying out the provisions of this Compact the party states shall be guided by the noncriminal, reformative and protective policies which guide their laws concerning delinquent, neglected or dependent juveniles generally. It shall be the policy of the states party to this Compact to cooperate and observe their respective responsibilities for the prompt return and acceptance of juveniles and delinquent juveniles who become subject to the provisions of this Compact. The provisions of this Compact shall be reasonably and liberally construed to accomplish the foregoing purposes.

ARTICLE II. EXISTING RIGHTS AND REMEDIES.

That all remedies and procedures provided by this Compact shall be in addition to and not in substitution for other rights, remedies and procedures, and shall not be in derogation of parental rights and responsibilities.

ARTICLE III. DEFINITIONS.

That, for the purposes of this Compact, "delinquent juvenile" means any juvenile who has been adjudged delinquent and who, at the time the provisions of this Compact are invoked, is still subject to the jurisdiction of the court that has made such adjudication or to the jurisdiction or supervision of an agency or institution pursuant to an order of such court; "probation or parole" means any kind of conditional release of juveniles authorized under the laws of the states party hereto; "court" means any court having jurisdiction over delinquent, neglected or dependent children; "state" means any state, territory or possession of the United States, the District of Columbia, and the Commonwealth of Puerto Rico; and "residence" or any variant thereof means a place at which a home or regular place of abode is maintained.

ARTICLE IV. RETURN OF RUNAWAYS.

(a) That the parent, guardian, person or agency entitled to legal custody of a juvenile who has not been adjudged delinquent but who has run away without the consent of such parent, guardian, person or agency may petition the appropriate court in the demanding state for the issuance of a requisition for his return. The petition shall state the name and age of the juvenile, the name of the petitioner and the basis of entitlement to the juvenile's custody, the circumstances of his running away, his location if known at the time application is made, and such other facts as may tend to show that the juvenile who has run away is endangering his own welfare or the welfare of others and is not an emancipated minor. The petition shall be verified by affidavit, shall be executed in duplicate, and shall be accompanied by two certified copies of the document or documents on which the petitioner's entitlement to the juvenile's custody is based, such as birth certificates, letters of guardianship, or custody decrees. Such further affidavits and other documents as may be deemed proper may be submitted with such petition. The judge of the court to which this application is made may hold a hearing thereon to determine whether for the

purposes of this Compact the petitioner is entitled to the legal custody of the juvenile, whether or not it appears that the juvenile has in fact run away without consent, whether or not he is an emancipated minor, and whether or not it is in the best interest of the juvenile to compel his return to the state. If the judge determines, either with or without a hearing, that the juvenile should be returned, he shall present to the appropriate court or to the executive authority of the state where the juvenile is alleged to be located a written requisition for the return of such juvenile. Such requisition shall set forth the name and age of the juvenile, the determination of the court that the juvenile has run away without the consent of a parent, guardian, person or agency entitled to his legal custody, and that it is in the best interest and for the protection of such juvenile that he be returned. In the event that a proceeding for the adjudication of the juvenile as a delinquent, neglected or dependent juvenile is pending in the court at the time when such juvenile runs away, the court may issue a requisition for the return of such juvenile upon its own motion, regardless of the consent of the parent, guardian, person or agency entitled to legal custody, reciting therein the nature and circumstances of the pending proceeding. The requisition shall in every case be executed in duplicate and shall be signed by the judge. One copy of the requisition shall be filed with the Compact Administrator of the demanding state, there to remain on file subject to the provisions of law governing records of such court. Upon the receipt of a requisition demanding the return of a juvenile who has run away, the court or the executive authority to whom the requisition is addressed shall issue an order to any peace officer or other appropriate person directing him to take into custody and detain such juvenile. Such detention order must substantially recite the facts necessary to the validity of its issuance hereunder. No juvenile detained upon such order shall be delivered over to the officer whom the court demanding him shall have appointed to receive him, unless he shall first be taken forthwith before a judge of a court in the state, who shall inform him of the demand made for his return, and who may appoint counsel or guardian ad litem for him. If the judge of such court shall find that the requisition is in order, he shall deliver such juvenile over to the officer to whom the court demanding him shall have appointed to receive him. The judge, however, may fix a reasonable time to be allowed for the purpose of testing the legality of the proceeding.

Upon reasonable information that a person is a juvenile who has run away from another state party to this Compact without the consent of a parent, guardian, person or agency entitled to his legal custody, such juvenile may be taken into custody without a requisition and brought forthwith before a judge of the appropriate court who may appoint counsel or guardian ad litem for such juvenile and who shall determine after a hearing whether sufficient cause exists to hold the person, subject to the order of the court, for his own protection and welfare, for such a time not exceeding 90 days as will enable his return to another state party to this Compact pursuant to a requisition for his return from a court of that state. If, at the time when a state seeks the return of a juvenile who has run away, there is pending in the state wherein he is found any criminal charge, or any proceeding to have him adjudicated a delinquent juvenile for an act committed in such state, or if he is suspected of having committed within such state a criminal offense or an act of juvenile delinquency, he shall not be returned without the consent of such state until discharged from prosecution or other form of proceeding, imprisonment, detention or supervision for such offense or juvenile delinquency. The duly accredited officers of any state party to this Compact, upon the establishment of their authority and the identity of the juvenile being returned, shall be permitted to transport such juvenile through any and all states party to this Compact, without interference. Upon his return to the state from which he ran away, the juvenile shall be subject to such further proceedings as may be appropriate under the laws of that state.

(b) That the state to which a juvenile is returned under this Article shall be

responsible for payment of the transportation costs of such return.

(c) That "juvenile" as used in this Article means any person who is a minor under the law of the state of residence of the parent, guardian, person or agency entitled to the legal custody of such minor.

ARTICLE V. RETURN OF ESCAPEES AND ABSCONDERS.

(a) That the appropriate person or authority from whose probation or parole supervision a delinquent juvenile has absconded or from whose institutional custody he has escaped shall present to the appropriate court or to the executive authority of the state where the delinquent juvenile is alleged to be located a written requisition for the return of such delinquent juvenile. Such requisition shall state the name and age of the delinquent juvenile, the particulars of his adjudication as a delinquent juvenile, the circumstances of the breach of the terms of his probation or parole or of his escape from an institution or agency vested with his legal custody or supervision, and the location of such delinquent juvenile, if known, at the time the requisition is made. The requisition shall be verified by affidavit, shall be executed in duplicate, and shall be accompanied by two certified copies of the judgment, formal adjudication, or order of commitment which subjects such delinquent juvenile to probation or parole or to the legal custody of the institution or agency concerned. Such further affidavits and documents as may be deemed proper may be submitted with such requisition. One copy of the requisition shall be filed with the Compact Administrator of the demanding state, there to remain on file subject to the provisions of law governing records of the appropriate court. Upon the receipt of a requisition demanding the return of a delinquent juvenile who has absconded or escaped, the court or the executive authority to whom the requisition is addressed shall issue an order to any peace officer or other appropriate person directing him to take into custody and detain such delinquent juvenile. Such detention order must substantially recite the facts necessary to the validity of its issuance hereunder. No delinquent juvenile detained upon such order shall be delivered over to the officer whom the appropriate person or authority demanding him shall have appointed to receive him, unless he shall first be taken forthwith before a judge of an appropriate court in the state, who shall inform him of the demand made for his return and who may appoint counsel or guardian ad litem for him. If the judge of such court shall find that the requisition is in order, he shall deliver such delinquent juvenile over to the officer whom the appropriate person or authority demanding him shall have appointed to receive him. The judge, however, may fix a reasonable time to be allowed for the purpose of testing the legality of the proceeding.

Upon reasonable information that a person is a delinquent juvenile who has absconded while on probation or parole, or escaped from an institution or agency vested with his legal custody or supervision in any state party to this Compact, such person may be taken into custody in any other state party to this Compact without a requisition. But in such event, he must be taken forthwith before a judge of the appropriate court, who may appoint counsel or guardian ad litem for such person and who shall determine, after a hearing, whether sufficient cause exists to hold the person subject to the order of the court for such a time, not exceeding 90 days, as will enable his detention under a detention order issued on a requisition pursuant to this Article. If, at the time when a state seeks the return of a delinquent juvenile who has either absconded while on probation or parole or escaped from an institution or agency vested with his legal custody or supervision, there is pending in the state wherein he is detained any criminal charge or any proceeding to have him adjudicated a delinquent juvenile for an act committed in such state, or if he is suspected of having committed within

such state a criminal offense or an act of juvenile delinquency, he shall not be returned without the consent of such state until discharged from prosecution or other form of proceeding, imprisonment, detention or supervision for such offense or juvenile delinquency. The duly accredited officers of any state party to this Compact, upon the establishment of their authority and the identity of the delinquent juvenile being returned, shall be permitted to transport such delinquent juvenile through any and all states party to this Compact, without interference. Upon his return to the state from which he escaped or absconded, the delinquent juvenile shall be subject to such further proceedings as may be appropriate under the laws of that state.

(b) That the state to which a delinquent juvenile is returned under this Article shall be responsible for the payment of the transportation costs of such return.

ARTICLE VI. VOLUNTARY RETURN PROCEDURE.

That any delinquent juvenile who has absconded while on probation or parole, or escaped from an institution or agency vested with his legal custody or supervision in any state party to this Compact, and any juvenile who has run away from any state party to this Compact, who is taken into custody without a requisition in another state party to this Compact under the provisions of Article IV(a) or Article V(a), may consent to his immediate return to the state from which he absconded, escaped or ran away. Such consent shall be given by the juvenile or delinquent juvenile and his counsel or guardian ad litem, if any, by executing or subscribing a writing, in the presence of a judge of the appropriate court, which states that the juvenile or delinquent juvenile and his counsel or guardian ad litem, if any, consent to his return to the demanding state. Before such consent shall be executed or subscribed, however, the judge, in the presence of counsel or guardian ad litem, if any, shall inform the juvenile or delinquent juvenile of his rights under this Compact. When the consent has been duly executed, it shall be forwarded to and filed with the Compact Administrator of the state in which the court is located and the judge shall direct the officer having the juvenile or delinquent juvenile in custody to deliver him to the duly accredited officer or officers of the state demanding his return, and shall cause to be delivered to such officer or officers a copy of the consent. The court may, however, upon the request of the state to which the juvenile or delinquent juvenile is being returned, order him to return unaccompanied to such state and shall provide him with a copy of such court order; in such event a copy of the consent shall be forwarded to the Compact Administrator of the state to which said juvenile or delinquent juvenile is ordered to return.

ARTICLE VII. COOPERATIVE SUPERVISION OF PROBATIONERS AND PAROLEES.

(a) That the duly constituted judicial and administrative authorities of a state party to this Compact (herein called "sending state") may permit any delinquent juvenile within such state, placed on probation or parole, to reside in any other state party to this Compact (herein called "receiving state") while on probation or parole, and the receiving state shall accept such delinquent juvenile, if the parent, guardian or person entitled to the legal custody of such delinquent juvenile is residing or undertakes to reside within the receiving state. Before granting such permission, opportunity shall be given to the receiving state to make such investigations as it deems necessary. The authorities of the sending state shall send to the authorities of the receiving state copies of pertinent court orders, social case studies and all other available information which may be of value to and assist the receiving state in supervising a probationer or parolee

under this Compact. A receiving state, in its discretion, may agree to accept supervision of a probationer or parolee in cases where the parent, guardian or person entitled to the legal custody of the delinquent juvenile is not a resident of the receiving state, and if so accepted the sending state may transfer supervision accordingly.

(b) That each receiving state will assume the duties of visitation and of supervision over any such delinquent juvenile and in the exercise of those duties will be governed by the same standards of visitation and supervision that prevail

for its own delinquent juveniles released on probation or parole.

(c) That, after consultation between the appropriate authorities of the sending state and of the receiving state as to the desirability and necessity of returning such a delinquent juvenile, the duly accredited officers of a sending state may enter a receiving state and there apprehend and retake any such delinquent juvenile on probation or parole. For that purpose, no formalities will be required, other than establishing the authority of the officer and the identity of the delinquent juvenile to be retaken and returned. The decision of the sending state to retake a delinquent juvenile on probation or parole shall be conclusive upon and not reviewable within the receiving state, but if, at the time the sending state seeks to retake a delinquent juvenile on probation or parole, there is pending against him within the receiving state any criminal charge or any proceeding to have him adjudicated a delinquent juvenile for any act committed in such state or if he is suspected of having committed within such state a criminal offense or an act of juvenile delinquency, he shall not be returned without the consent of the receiving state until discharged from prosecution or other form of proceeding, imprisonment, detention or supervision for such offense or juvenile delinquency. The duly accredited officers of the sending state shall be permitted to transport delinquent juveniles being so returned through any and all states party to this Compact, without interference.

(d) That the sending state shall be responsible under this Article for paying the costs of transporting any delinquent juvenile to the receiving state or of

returning any delinquent juvenile to the sending state.

ARTICLE VIII. RESPONSIBILITY FOR COSTS.

(a) That the provisions of Articles IV(b), V(b) and VII(d) of this Compact shall not be construed to alter or affect any internal relationship among the departments, agencies and officers of and in the government of a party state, or between a party state and its subdivisions, as to the payment of costs, or responsibilities therefor.

(b) That nothing in this Compact shall be construed to prevent any party state or subdivision thereof from asserting any right against any person, agency or other entity in regard to costs for which such party state or subdivision thereof may be responsible pursuant to Articles IV(b), V(b), or VII(d) of this Compact.

ARTICLE IX. DETENTION PRACTICES.

That, to every extent possible, it shall be the policy of states party to this Compact that no juvenile or delinquent juvenile shall be placed or detained in any prison, jail or lockup nor be detained or transported in association with criminal, vicious or dissolute persons.

ARTICLE X. SUPPLEMENTARY AGREEMENTS.

That the duly constituted administrative authorities of a state party to this Compact may enter into supplementary agreements with any other state or

states party hereto for the cooperative care, treatment and rehabilitation of delinquent juveniles whenever they shall find that such agreements will improve the facilities or programs available for such care, treatment and rehabilitation. Such care, treatment and rehabilitation may be provided, in an institution located within any state entering into such supplementary agreement. Such supplementary agreements shall

(1) Provide the rates to be paid for the care, treatment and custody of such delinquent juveniles, taking into consideration the character of facilities, services and subsistence furnished;

(2) Provide that the delinquent juvenile shall be given a court hearing prior to his being sent to another state for care, treatment and custody;

(3) Provide that the state receiving such a delinquent juvenile in one of its institutions shall act solely as agent for the state sending such delinquent juvenile;

(4) Provide that the sending state shall at all times retain jurisdiction over

delinquent juveniles sent to an institution in another state;

(5) Provide for reasonable inspection of such institutions by the sending state:

(6) Provide that the consent of the parent, guardian, person or agency entitled to the legal custody of said delinquent juvenile shall be secured prior to his being sent to another state; and

(7) Make provisions for such other matters and details as shall be necessary to protect the rights and equities of such delinquent juveniles and of

the cooperating states.

ARTICLE XI. ACCEPTANCE OF FEDERAL AND OTHER AID.

That any state party to this Compact may accept any and all donations, gifts and grants of money, equipment and services from the federal or any local government, or any agency thereof and from any person, firm or corporation, for any of the purposes and functions of this Compact, and may receive and utilize, the same subject to the terms, conditions and regulations governing such donations, gifts and grants.

ARTICLE XII. COMPACT ADMINISTRATORS.

That the governor of each state party to this Compact shall designate an officer who, acting jointly with like officers of other party states, shall promulgate rules and regulations to carry out more effectively the terms and provisions of this Compact.

ARTICLE XIII. EXECUTION OF COMPACT.

That this Compact shall become operative immediately upon its execution by any state as between it and any other state or states so executing. When executed it shall have the full force and effect of law within such state, the form or [of] execution to be in accordance with the laws of the executing state.

ARTICLE XIV. RENUNCIATION.

That this Compact shall continue in force and remain binding upon each executing state until renounced by it. Renunciation of this Compact shall be by the same authority which executed it, by sending six months' notice in writing of its intention to withdraw from the Compact to the other states party hereto.

The duties and obligations of a renouncing state under Article VII hereof shall continue as to parolees and probationers residing therein at the time of withdrawal until retaken or finally discharged. Supplementary agreements entered into under Article X hereof shall be subject to renunciation as provided by such supplementary agreements, and shall not be subject to the six months' renunciation notice of the present Article.

ARTICLE XV. SEVERABILITY.

That the provisions of this Compact shall be severable and if any phrase, clause, sentence or provision of this Compact is declared to be contrary to the constitution of any participating state or of the United States or the applicability thereof to any government, agency, person or circumstances is held invalid, the validity of the remainder of this Compact and the applicability thereof to any government, agency, person or circumstances shall not be affected thereby. If this Compact shall be held contrary to the constitution of any state participating therein, the Compact shall remain in full force and effect as to the remaining states and in full force and effect as to the state affected as to all severable matters. (1963, c. 910, s. 1; 1965, c. 925, s. 1.)

State Government Reorganization. - The administration of the Compact was transferred to the Department of Human Resources by § 143A-156 (now repealed), enacted by Session Laws 1971, c. 864.

Opinions of Attorney General. - Mrs.

Margaret H. Paris, Supervisor, Family & Childrens' Services Section, Department of Social Services, 40 N.C.A.G. 671 (1969).

Applied in Baker v. Baker, 368 F. Supp. 651

(E.D.N.C. 1973).

- § 110-59. Compact Administrator. Pursuant to said Compact, the Governor is hereby authorized and empowered to designate an officer who shall be the Compact Administrator and who, acting jointly with like officers of other party states, shall promulgate rules and regulations to carry out more effectively the terms of the Compact. Said Compact Administrator shall serve subject to the pleasure of the Governor. The Compact Administrator is hereby authorized, empowered and directed to cooperate with all departments, agencies and officers of and in the government of this State and its subdivisions in facilitating the proper administration of the Compact or of any supplementary agreement or agreements entered into by this State hereunder. (1963, c. 910, s. 2.)
- § 110-60. Supplementary agreements. The Compact Administrator is hereby authorized and empowered to enter into supplementary agreements with appropriate officials of other states pursuant to the Compact. In the event that such supplementary agreement shall require or contemplate the use of any institution or facility of this State or require or contemplate the provision of any service by this State, said supplementary agreement shall have no force or effect until approved by the head of the department or agency under whose jurisdiction said institution or facility is operated or whose department or agency will be charged with the rendering of such service. (1963, c. 910, s. 3.)
- § 110-61. Discharging financial obligations imposed by Compact or agreement. The Compact Administrator, subject to the approval of the Director of the Budget, may make or arrange for any payments necessary to discharge any financial obligations imposed upon this State by the Compact or by any supplementary agreement entered into thereunder. (1963, c. 910, s. 4.)

- § 110-62. Enforcement of Compact. The courts, departments, agencies and officers of this State and subdivisions shall enforce this Compact and shall do all things appropriate to the effectuation of its purposes and intent which may be within their respective jurisdictions. (1963, c. 910, s. 5.)
- § 110-63. Additional procedure for returning runaways not precluded. In addition to any procedure provided in Articles IV and VI of the Compact for the return of any runaway juvenile, the particular states, the juvenile or his parents, the courts, or other legal custodian involved may agree upon and adopt any other plan or procedure legally authorized under the laws of this State and the other respective party states for the return of any such runaway juvenile. (1963, c. 910, s. 6.)
- § 110-64. Proceedings for return of runaways under Article IV of Compact; "juvenile" construed. — The judge of any court in North Carolina to which an application is made for the return of a runaway under the provisions of Article IV of the Interstate Compact on Juveniles shall hold a hearing thereon to determine whether for the purposes of the Compact the petitioner is entitled to the legal custody of the juvenile, whether or not it appears that the juvenile has in fact run away without consent, whether or not he is an emancipated minor, and whether or not it is in the best interest of the juvenile to compel his return to the state. The judge of any court in North Carolina finding that a requisition for the return of a juvenile under the provisions of Article IV of the Compact is in order shall upon request fix a reasonable time to be allowed for the purpose of testing the legality of the proceeding. The period of time for holding a juvenile in custody under the provisions of Article IV of the Compact for his own protection and welfare, subject to the order of a court of this State, to enable his return to another state party to the Compact pursuant to a requisition for his return from a court of that state, shall not exceed 30 days. In applying the provisions of Article IV of the Compact to secure the return of a runaway from North Carolina, the courts of this State shall construe the word "juvenile" as used in this Article to mean any person who has not reached his or her eighteenth birthday. (1965, c. 925, s. 2; 1971, c. 1231, s. 2; 1977, c. 552.)

Editor's Note. — The 1977 amendment substituted "person who has not reached his or her eighteenth birthday" for "male 16 years of

age or under and any female 17 years of age or under" at the end of the section.

§§ 110-64.1 to 110-64.5: Reserved for future codification purposes.

ARTICLE 5A.

Interstate Parole and Probation Hearing Procedures for Juveniles.

§ 110-64.6. Parole and probation hearing procedures for juveniles. — Where supervision of a parolee or probationer is being administered pursuant to the Interstate Compact on Juveniles, the appropriate judicial or administrative authorities in this State shall notify the Compact Administrator of the sending state whenever, in their view, consideration should be given to retaking or reincarceration for a parole or a probation violation. Prior to the giving of any such notification, a hearing shall be held in accordance with this Article within a reasonable time, unless such hearing is waived by the parolee or probationer. The appropriate officer or officers of this State shall as soon as practicable, following termination of any such hearing, report to the sending state, furnish a copy of the hearing record, and make recommendations regarding the disposition to be made of the parolee or probationer by the sending state.

Pending any proceeding pursuant to this section, the appropriate officers of this State may take custody of and detain the parolee or probationer involved for a period not to exceed 10 days prior to the hearing and, if it appears to the hearing officer or officers that retaking or reincarceration is likely to follow, for such reasonable period after the hearing or waiver as may be necessary to arrange for the retaking or the reincarceration. (1975, c. 228.)

§ 110-64.7. Hearing officers. — Any hearing pursuant to this Article may be before the Administrator of the Interstate Compact on Juveniles, a deputy of such Administrator, or any other person authorized pursuant to the juvenile laws of this State to hear cases of alleged juvenile parole or probation violations, except that no hearing officer shall be the person making the allegation of violation. (1975, c. 228.)

§ 110-64.8. Due process at parole or probation violation hearing. — With respect to any hearing pursuant to this Article, the parolee or probationer:

(1) Shall have reasonable notice in writing of the nature and content of the allegations to be made, including notice that the purpose of the hearing is to determine whether there is probable cause to believe that he has committed a violation that may lead to a revocation of parole or probation.

(2) Shall be permitted to advise with any persons whose assistance he

reasonably desires, prior to the hearing.

(3) Shall have the right to confront and examine any persons who have made allegations against him, unless the hearing officer determines that such confrontation would present a substantial present or subsequent danger of harm to such person or persons.

(4) May admit, deny or explain the violation alleged and may present proof, including affidavits and other evidence, in support of his contentions. A record of the proceedings shall be made and preserved. (1975, c. 228.)

§ 110-64.9. Effect of parole or probation violation hearing outside the State. — In any case of alleged parole or probation violation by a person being supervised in another state pursuant to the Interstate Compact on Juveniles, any appropriate judicial or administrative officer or agency in another state is authorized to hold a hearing on the alleged violation. Upon receipt of the record of a parole or probation violation hearing held in another state pursuant to a statute substantially similar to this Article, such record shall have the same standing and effect as though the proceeding of which it is a record was had before the appropriate officer or officers in this State, and any recommendations contained in or accompanying the record shall be fully considered by the appropriate officer or officers of this State in making disposition of the matter. (1975, c. 228.)

Day-Care Facilities.

Repeal of Article. — This Article is repealed, effective July 1, 1981, by Session Laws 1977, c. 712, s. 3. The 1977 act also repeals, with postponed effective dates, numerous other Chapters and Articles creating licensing and regulatory agencies, and sets up a Government Evaluation Commission whose function is to conduct a performance evaluation of the

programs and functions of each such agency and report to General Assembly whether the program or function in question should be terminated, reconstituted, reestablished or continued. The Commission will go out of existence June 30, 1983. The 1977 act is codified as § 143-34.10 et seq.

§ 110-85. Legislative intent and purpose. — The General Assembly hereby

declares its intent with respect to day care of children:

(1) The State should protect the growing number of children who are placed in day-care facilities or in child-care arrangements when these children are under the supervision and in the care of persons other than their parents, grandparents, guardians or full-time custodians during the day.

(2) This protection should assure that such children are cared for by persons of good moral character, that their physical safety and moral environment are protected, and that the day-care resources conform to minimum standards relating to the health and safety of the children

receiving day care.

(3) This protection requires the following elements for a comprehensive approach: mandatory licensing of day-care facilities under minimum standards; promotion of higher levels of day care than required for a license through the development of higher standards which operators may comply with on a voluntary basis; registration of day-care plans which are too small to be regulated through licensing; and a program of education to help operators improve their programs and to develop public understanding of day-care needs and problems. (1971, c. 803, s.

- d. Each facility may care for school age children in after-school hours up to 20 percent (20%) in excess of the number for which it is licensed. All records of any day-care facility, except financial records, shall be subject to review by the Secretary of Administration or by duly authorized representatives of the Commission or a cooperating agency who shall be designated by the Secretary.

Any effort to falsify information provided to the Commission shall be deemed by the Commission to be evidence of violation of this Article on the part of the operator or sponsor of the day-care facility and shall constitute a cause for revoking or denying a license to such day-care

facility.

(10) Each operator or staff member shall truly and honestly show each child in his care true love, devotion and tender care. (1971, c. 803, s. 1; 1973, c. 476, s. 128; 1975, c. 879, s. 15; 1977, c. 1011, s. 4; c. 1104.)

Editor's Note. — The 1975 amendment substituted "18 years" for "16 years" in the introductory language in subdivision (1) and in subdivision (4).

The 1977 amendment added "or the director or staff person of a licensed day-care center" to the end of subdivision (5).

§ 110-118. Reports of child abuse or neglect. — (a) Any professional person who has reasonable cause to suspect that any child is an abused or neglected child, or any other person having knowledge that any child is an abused child, shall report the case of such child to the director of social services of the county

where the child resides or is found.

(b) The report of child abuse or neglect may be made orally, by telephone, or it may be written. The report shall include such information as is known to the person making the report, including the name and address of the child; the name and address of the child's parents or other caretakers; the age of the child; the present whereabouts of the child if not at the home address; the nature and extent of the child's injury or condition resulting from abuse or neglect; and any other information which the person making the report believes might be helpful in establishing the cause of the injuries or the condition resulting from abuse or neglect. If the report of child abuse or neglect is made orally or by telephone, the person making such report shall give his name, address, profession if a professional person, and telephone number if such person has a telephone, and the person making such a report shall confirm the information about child abuse or neglect in writing when requested by the director. If the person making the report is a professional person, the report shall also include his professional opinion as to the nature, extent and causes of the injuries or the condition resulting from abuse or neglect.

(c) Anyone who makes a report pursuant to this statute or who testifies in any judicial proceeding resulting from the report shall be immune from any civil or criminal liability that might otherwise be incurred or imposed for complying with the requirements of this statute, unless such person acted in bad faith or

with malicious purpose.

(d) Any physician or administrator of a hospital, clinic or other similar medical facility to which an abused child is brought for medical diagnosis or treatment shall have the right to retain temporary physical custody of such child where the physician who examines the child certifies in writing that the child should remain for medical reasons or that in his opinion it may be unsafe for the child to return to his parents or other caretakers. In such case, the physician or administrator shall notify the parents or other caretakers and the director of the county where the child resides of such action. If the parents or other caretakers contest this action, the parents shall request a hearing before the chief district court judge or some district court judge designated by him within the judicial district wherein the child resides or where the hospital or institution is located for review and determination of whether the child shall be returned to his parents or caretaker.

Pending such juvenile hearing, the hospital, clinic or other similar medical

facility:

 May retain temporary physical custody of the child and may render necessary medical treatment to the child, in which event said hospital,

clinic, or medical facility

(2) Shall request the director of social services in the county where the child resides to petition the district court in the district where the child resides to award temporary custody of the child to the director for placement with a relative or in a foster home under the supervision of the county department of social services or

(3) Shall request the director of social services in the county where the hospital or other medical facility is located to petition the district court in the district where the hospital or other medical facility is located to award temporary physical custody of the child to the director for placement with a relative or in a foster home under the supervision of the county department of social services.

Upon receipt of such request in (2) or (3), the director of social services shall file such petition without delay. (1971, c. 710, s. 1; 1975, c. 310; 1977, c. 625, s.

2.)

Editor's Note. — The 1975 amendment substituted the present second and third paragraphs of subsection (d) for the former last sentence of the subsection, which authorized the medical facility to retain temporary custody of the child or to request the director in the county of the child's residence to assume temporary custody of the child for placement with a relative or in a foster home.

The 1977 amendment inserted "and may render necessary medical treatment to the child" in subdivision (1) in the second paragraph of subsection (d).

§ 110-119. Duty of director of social services. — Any director of social services receiving a report of child abuse or neglect shall make a prompt and thorough investigation in order to ascertain the facts of the case and to evaluate the extent of the abuse or neglect.

After investigation and evaluation, the director of social services shall do one of the following, depending upon his findings of abuse or neglect in the particular case:

(1) Unless he for good cause determines such notification to be harmful, the director shall notify the person making the report of knowledge or suspicion that a child is abused or neglected within two working days after initiating the investigation that (i) there is no finding of abuse or neglect or that (ii) the department is taking action to protect the welfare of the child; provided, no notification is required when said person fails to identify himself or herself to the director.

(2) If the investigation reveals abuse or neglect, the director shall decide whether immediate removal of the child or any other children in the home is necessary for the protection of such child or children.

a. If immediate removal of the child or other children does not seem necessary, the director shall immediately provide or arrange for protective services. If the parents or other caretakers refuse to accept the protective services provided or arranged by the director, the director shall sign a juvenile petition to invoke the juvenile jurisdiction of the district court for the protection of the child or children.

b. If immediate removal of the child or children seems necessary for the protection of the child or other children in the home, the director shall sign a juvenile petition which alleges the applicable facts to

invoke the juvenile jurisdiction of the district court.

(3) If the director finds evidence that a child has been abused, he shall immediately make a report in writing containing his findings along with a copy of the report of child abuse to the district attorney who shall determine whether criminal prosecution is appropriate and who may request the director to sign the appropriate criminal warrant.
(4) The director shall submit a report of the alleged child abuse or neglect

to the central registry under the policies adopted by the Social Services

Commission.

In performing any of these duties, the county director may utilize the staff of the county department of social services or any other public or private community agencies that may be available. The director may also consult with the available state or local law-enforcement agencies who shall assist in the investigation and evaluation of the seriousness of any report of child abuse or neglect when requested by the director. - § 110-120. Immunity of persons reporting. Any person making a complaint or providing information or otherwise participating in the program authorized by this Article shall be immune from any civil or criminal liability by reason of such action, unless such person acted with malice and without reasonable cause. (1971, c. 710, s. 1.)
- § 110-121. Waiver of privileges. Neither the physician-patient privilege nor the husband-wife privilege shall be ground for excluding evidence of child abuse or neglect in any judicial proceeding (civil, criminal, or juvenile) in which a child's abuse or neglect is in issue, nor in any judicial proceeding resulting from a report submitted under this Article, both as said privileges relate to the competency of the witness and to the exclusion of confidential communications. (1971, c. 710, s. 1.)
- § 110-122. Central registry. The Department of Human Resources shall maintain a central registry of abuse and neglect cases reported under this Article in order to compile data for appropriate study of the extent of abuse and neglect within the State and to identify repeated abuses of the same child or of other children in the same family. This data shall be furnished by county directors of social services to the Department of Human Resources and shall be confidential, subject to policies adopted by the Social Services Commission

which provide for its appropriate use for study and research, but in no event shall any data be used at any hearing or court proceeding unless based upon a final judgment of a court of law. (1971, c. 710, s. 1; 1973, c. 476, s. 138.)

§ 110-123. Protective Services Plan. — The Department of Human Resources shall submit to the Governor and General Assembly by January 16, 1979, the Department's plan pursuant to prevention, identification and treatment of child abuse and neglect. The plan shall include a full assessment of the scope, nature and extent of the problem, goals and objectives, program and administrative strategies, existing and needed resources, and proposals for any statutory amendments to Chapter 110, Article 8, "Child Abuse and Neglect." The Department's plan shall be developed in conjunction with appropriate divisions within the Department, other State agencies and organizations outside the Department and with appropriate local community agencies, organizations and citizens concerned with child abuse and neglect. The plan shall delineate the role and responsibility of departmental staff, other professional and lay persons in implementation of the Department's plan. (1977, c. 786, s. 4.)

§§ 110-124 to 110-127: Reserved for future codification purposes.

ARTICLE 9.

Child Support.

§ 110-128. Purposes. — The purposes of this Article are to provide for the financial support of dependent children; to provide that public assistance paid to needy children is a supplement to the support provided by the responsible parent; to provide that the payment of public assistance creates a debt to the State; to provide that the acceptance of public assistance operates as an assignment of the right to child support; to provide for the location of absent parents; to provide for a determination that a responsible parent is able to support his children; and to provide for enforcement of the responsible parent's obligation to furnish support. (1975, c. 827, s. 1.)

§ 110-129. Definitions. — As used in this Article:

(1) "Court order" means any judgment or order of the courts of this State or of another state.

(2) "Dependent child" means any person under the age of 18 who is not otherwise emancipated, married or a member of the armed forces of

the United States.

- (3) "Responsible parent" means the natural or adoptive parent of a dependent child who has the legal duty to support said child and includes the father of an illegitimate child if paternity has been established in a judicial proceeding or if he has acknowledged paternity in open court or by verified written statement. (1975, c. 827, s. 1.)
- § 110-130. Action by the designated representatives of the county commissioners. Any county interested in the paternity and/or support of a dependent child may, if the mother, custodian, or guardian of the child neglects to bring such action, institute civil proceedings against the responsible parent of the child and may take up and pursue any action commenced by the mother, custodian or guardian for the maintenance of the child, including any ancillary action to establish paternity, if she fails to prosecute to final judgment. Such action shall be undertaken by the designated representative of the county commissioners in the county where the mother of the child resides or is found, in the county where the father resides or is found, or in the county where the child resides or is found. Any legal proceeding instituted under this section may be based upon information or belief. The parent of the child may be subpoenaed

for testimony at the trial of the action to establish the paternity of and/or to obtain support for the child either instituted or taken up by the designated representative of the county commissioners. The husband-wife privilege shall not be grounds for excusing the mother or father from testifying at the trial nor shall said privilege be grounds for the exclusion of confidential communications between husband and wife. If a parent called for examination declines to answer upon the grounds that his testimony may tend to incriminate him, the court may require him to answer in which event he shall not thereafter be prosecuted for any criminal act involved in the conception of the child whose paternity is in issue and/or for whom support is sought, except for perjury committed in this testimony. (1975, c. 827, s. 1.)

- § 110-131. Compelling disclosure of information respecting the nonsupporting responsible parent of a child receiving public assistance. (a) If a parent of any dependent child receiving public assistance fails or refuses to cooperate with the county in locating and securing support from a nonsupporting responsible parent, this parent may be cited to appear before any judge of the district court and compelled to disclose such information under oath and/or may be declared ineligible for public assistance by the county department of social services for as long as he fails to cooperate.
- (b) Any parent who, having been cited to appear before a judge of the district court pursuant to subsection (a), fails or refuses to appear or fails or refuses to provide the information requested may be found to be in contempt of said court and may be fined not more than one hundred dollars (\$100.00) or imprisoned not more than six months or both.
- (c) Any parent who is declared ineligible for public assistance by the county department of social services shall have his needs excluded from consideration in determining the amount of the grant, and the needs of the remaining family members shall be met in the form of a protective payment in accordance with G.S. 108-50. (1975, c. 827, s. 1.)
- § 110-132. Acknowledgment of paternity and agreement to support. (a) In lieu of or in conclusion of any legal proceeding instituted to establish paternity, the written acknowledgment of paternity executed by the putative father of the dependent child when accompanied by a written affirmation of paternity executed and sworn to by the mother of the dependent child and filed with and approved by a judge of the district court in the county where the mother of the child resides or is found, or in the county where the putative father resides or is found, or in the county where the child resides or is found shall have the same force and effect as a judgment of that court; and a written agreement to support said child by periodic payments, which may include provision for reimbursement for medical expenses incident to the pregnancy and the birth of the child, accrued maintenance and reasonable expense of prosecution of the paternity action, when acknowledged before a clerk or assistant clerk of superior court and filed with, and approved by a judge of the district court, at any time, shall have the same force and effect, retroactively or prospectively, in accordance with the terms of said agreement, as an order of support entered by that court, and shall be enforceable and subject to modification in the same manner as is provided by law for orders of the court in such cases. Payments under such agreement shall be made through the clerk of superior court and in those cases of dependent children receiving public assistance shall be directed to the North Carolina Department of Human Resources. Such written affirmations, acknowledgments and agreements to support shall be sworn to, and shall be binding on the person executing the same whether he is an adult or a minor. Such mother shall not be excused from making such affirmation on the grounds that it may tend to disgrace or incriminate her; nor shall she

thereafter be prosecuted for any criminal act involved in the conception of the

child as to whose paternity she makes affirmation.

- (b) At any time after the filing with the district court of an acknowledgment of paternity, upon the application of any interested party, the court or any judge thereof shall cause a summons signed by him or by the clerk or assistant clerk of superior court, to be issued, requiring the putative father to appear in court at a time and place named therein, to show cause, if any he has, why the court should not enter an order for the support of the child by periodic payments, which order may include provision for reimbursement for medical expenses incident to the pregnancy and the birth of the child, accrued maintenance and reasonable expense of the action under this subsection on the acknowledgment of paternity previously filed with said court. Provided that, in the case of a child, who upon reaching the age of 18 years is mentally or physically incapable of self-support, the putative father shall not be relieved of the duty of support unless said child is a long-term patient in a facility owned or operated by the North Carolina Division of Mental Health. The prior judgment as to paternity shall be res judicata as to that issue and shall not be reconsidered by the court. All such payments shall be made through the clerk of superior court and in those cases of dependent children receiving public assistance shall be directed to the North Carolina Department of Human Resources. (1975, c. 827, s. 1.)
- § 110-133. Agreements of support. In lieu of or in conclusion of any legal proceeding instituted to obtain support for a dependent child from the responsible parent, a written agreement to support said child by periodic payments executed by the responsible parent when acknowledged before a clerk or assistant clerk of superior court and filed with and approved by a judge of the district court in the county where the mother of the child resides or is found, or in the county where the father resides or is found, or in the county where the child resides or is found shall have the same force and effect, retroactively and prospectively, in accordance with the terms of said agreement, as an order of support entered by the court, and shall be enforceable and subject to modification in the same manner as is provided by law for orders of the court in such cases. Payments under such agreement shall be made through the clerk of superior court and in those cases of dependent children receiving public assistance shall be directed to the North Carolina Department of Human Resources. (1975, c. 827, s. 1.)
- § 110-134. Filing of agreements; disclosure. All agreements entered into under the provisions of G.S. 110-132 and 110-133 shall be filed by the clerk of superior court in the county in which they are entered, any filing fees to be taxed to the responsible parent, and no information concerning any such agreement, the parties thereto or the contents thereof may be disclosed other than to the North Carolina Department of Human Resources, the county department of social services, the designated representative of the county commissioners, or the State Registrar of Vital Statistics except on order of a judge of this State. (1975, c. 827, s. 1.)
- § 110-135. Debt to State created. Payment of public assistance to or on behalf of a dependent child creates a debt due and owing the State by the responsible parent or parents of the child. Provided, however, that where a court has ordered child support incident to a final divorce decree or other final order for child support, the debt shall be limited to the amount specified in the decree or order. This liability shall attach only with respect to the period of time during which public assistance is granted and only if the responsible parent or parents were financially able to furnish support during this period.

 The United States, the State of North Carolina, and any county within the

The United States, the State of North Carolina, and any county within the State which has provided public assistance to or on behalf of a dependent child shall be entitled to share in any sum collected under this section, and their

proportionate parts of such sum shall be determined in accordance with the matching formulas in use during the period for which assistance was paid.

No action to collect such debt shall be commenced after the expiration of five years subsequent to the receipt of the last grant of public assistance. The county attorney shall represent the State in all proceedings brought under this section. (1975, c. 827, s. 1.)

- § 110-136. Garnishment for enforcement of child-support obligation. (a) Notwithstanding any other provision of the law, in any case in which a responsible parent is under a court order or has entered into a written agreement pursuant to G.S. 110-132 or 110-133 to provide child support, a judge of the district court in the county where the mother of the child resides or is found, or in the county where the father resides or is found, or in the county where the child resides or is found may enter an order of garnishment whereby no more than 20 percent (20%) of the responsible parent's monthly disposable earnings shall be garnished for the support of his minor child. For purposes of this section, "disposable earnings" is defined as that part of the compensation paid or payable to the responsible parent for personal services, whether denominated as wages, salary, commission, bonus, or otherwise (including periodic payments pursuant to a pension or retirement program) which remains after the deduction of any amounts required by law to be withheld. The garnishee is the person, firm, association, or corporation by whom the responsible parent is employed.
- (b) The mother, father, custodian, or guardian of the child or any county interested in the support of a dependent child may petition the court for an order of garnishment. The petition shall be verified and shall state that the responsible parent is under court order or has entered into a written agreement pursuant to G.S. 110-132 or 110-133 to provide child support, that said parent is delinquent in such child support or has been erratic in making child-support payments, the name and address of the employer of the responsible parent, the responsible parent's monthly disposable earnings from said employer (which may be based upon information and belief), and the amount sought to be garnished, not to exceed 20 percent (20%) of the responsible parent's monthly disposable earnings. The petition shall be served on both the responsible parent and his alleged employer in accordance with the provisions for service of process set forth in G.S. 1A-1, Rule 4. The responsible parent and his alleged employer shall have 20 days from the date of service or 30 days from the date stated in the notice of service of process by publication to respond to the petition for garnishment.
- (c) A hearing on the petition shall be held within 10 days after the time for response has elapsed or within 10 days after the responses of both the responsible parent and the garnishee have actually been filed. Following the hearing the court may enter an order of garnishment not to exceed 20 percent (20%) of the responsible parent's monthly disposable earnings. If an order of garnishment is entered, a copy of same shall be served on the responsible parent and the garnishee either personally or by registered mail, return receipt requested. The order shall set forth sufficient findings of fact to support the action by the court and the amount to be garnished for each pay period. The order shall be subject to review for modification and dissolution upon the filing of a motion in the cause.
- (d) Upon receipt of an order of garnishment, the garnishee shall transmit without delay to the clerk of superior court the amount ordered by the court to be garnished. These funds shall be disbursed to the party designated by the court which in those cases of dependent children receiving public assistance shall be the North Carolina Department of Human Resources.
- (e) Any garnishee violating the terms of an order of garnishment shall be subject to punishment as for contempt. (1975, c. 827, s. 1.)

- § 110-137. Acceptance of public assistance constitutes assignment of support rights to the county. By accepting public assistance for or on behalf of a dependent child or children, the recipient shall be deemed to have made an assignment to the county from which such assistance was received of the right to any child support owed for the child or children up to the amount of public assistance paid. The county shall be subrogated to the right of the child or children or the person having custody to initiate a support action under this Article and to recover any payments ordered by the court of this or any other state. (1975, c. 827, s. 1.)
- § 110-138. Duty of county to obtain support. Whenever a county department of social services receives an application for public assistance on behalf of a dependent child, and it shall appear to the satisfaction of the county department that the child has been abandoned by one or both responsible parents, or that the responsible parent(s) has failed to provide support for the child, the county department shall notify the designated representative of the county commissioners who shall take appropriate action under this Article to provide that the parent(s) responsible supports the child. (1975, c. 827, s. 1.)
- § 110-139. Location of absent parents. The Department of Human Resources shall attempt to locate absent parents for the purpose of establishing paternity of and/or securing support for dependent children. The Department is to serve as a registry for the receipt of information which directly relates to the identity or location of absent parents, to assist any governmental agency or department in locating an absent parent, to answer interstate inquiries concerning deserting parents, and to develop guidelines for coordinating activities with any governmental department, board, commission, bureau or agency in providing information necessary for the location of absent parents.

In order to carry out the responsibilities imposed under this Article, the Department may request from any governmental department, board, commission, bureau or agency information and assistance. All State, county and city agencies, officers and employees shall cooperate with the Department in the location of parents who have abandoned and deserted children with all pertinent information relative to the location, income and property of such parents, notwithstanding any provision of law making such information confidential. All records maintained by the Department pertaining to child-support enforcement shall be confidential, and only duly authorized representatives of social service agencies, public officials with child-support enforcement and related duties, and members of legislative committees shall have access to these records. (1975, c. 827, s. 1.)

- § 110-140. Conformity with federal requirements. Nothing in this Article is intended to conflict with any provision of federal law or to result in the loss of federal funds. (1975, c. 827, s. 1.)
- § 110-141. Effectuation of intent of Article. The North Carolina Department of Human Resources shall supervise the administration of this program in accordance with federal law and shall cause the provisions of this Article to be effectuated and to secure child support from absent, deserting, abandoning and nonsupporting parents. The Department of Human Resources and a county may negotiate alternative arrangements to the procedure as outlined in G.S. 110-130 for designating a local agency to administer the provisions of this Article in said county. Editor's Note. — Session Laws 1973, c. 476, s. 143(a), provides that whenever the words "North Carolina State Commission for the Blind" are used or appear in any statute or law of this State, the same shall be deleted and the words "Department of Human Resources" or "Department," as appropriate, shall be inserted in lieu thereof, unless otherwise provided for in the Executive Organization Act of 1973, with the exception that in certain specified references the words "North Carolina State Commission for the Blind" shall be deleted and the words "Commission for the Blind" shall be inserted in lieu thereof. In this Chapter as it stood before

the 1973 amendments, the North Carolina State Commission for the Blind was variously referred to as the "North Carolina State Commission for the Blind," the "State Commission." In order to carry out the evident intent of the 1973 act, the codifiers have, in the sections set out herein, substituted references to the Department of Human Resources or the Commission for the Blind, as appropriate, for references to the former North Carolina State Commission for the Blind, even where that agency was not referred to by its full title.

(1937, c. 124, s. 2; 1973, c. 476, s. 143.)
- § 111-14. Application for benefits under Article; investigation and award by county commissioners. — Any person claiming benefit under this Article, shall file with the commissioners of the county in which he or she is residing an application in writing, in duplicate, upon forms prescribed by the Department of Human Resources, which application shall be accompanied by a certificate signed by a reputable physician licensed to practice medicine in the State of North Carolina and who is actively engaged in the treatment of diseases of the human eye, or by an optometrist, whichever the individual may select, to the effect that the applicant is blind or that his or her vision with glasses is so defective as to prevent the performance of ordinary activities for which eyesight is essential. The board of county commissioners shall cause an investigation to be made by a qualified person, or persons, designated as their agents for this purpose and shall pass upon the said application without delay, determine the eligibility of the applicant, and allow or disallow the relief sought. In passing upon the application, they may take into consideration the facts set forth in the said application, and any other facts that are deemed necessary, and may at any time, within their discretion, require an additional examination of the applicant's eyes by an opthalmologist designated by the Department of Human Resources. When satisfied with the merits of the application, the board of county commissioners shall allow the same and grant to the applicant such relief as may be suitable and proper, according to the rules and standards established by the Commission for the Blind, not inconsistent with this Article and in accordance with the further provisions hereof. - § 111-15. Eligibility for relief. Blind persons having the following qualifications shall be eligible for relief under the provisions of this Article:
 - (1) Whose vision with glasses is insufficient for use in ordinary occupations for which sight is essential; and
 - (2) Who are unable to provide for themselves the necessities of life and who have insufficient means for their own support and who have no relative or relatives or other persons in this State able to provide for them who are legally responsible for their maintenance; and

(3) Who, at the time his application is filed, is living in the State of North Carolina voluntarily with the intention of making his home in the State and not for a temporary purpose.

Provided, that the State agency shall, in determining need, take into consideration any other income and resources of the individual claiming aid to the blind; except that, in making such determination, the State agency shall disregard such earned income as will enable said agency to receive the maximum grants from the federal government for such purpose. (1937, c. 124, s. 4; 1951, c. 319, s. 3; 1961, c. 666, s. 1; 1971, c. 1215, s. 1.)

Cross Reference. — For provision that assistance received from a governmental agency, or from a civic or charitable

organization, shall not be considered in determining the amount of assistance to be paid under this Chapter, see § 108-24.1.

§ 111-16. Application for aid; notice of award; review. — Promptly after an application for aid is made to the board of county commissioners under this Article the Department of Human Resources shall be notified thereof by mail, by said county commissioners, and one of the duplicate applications for aid made before the board of county commissioners shall be transmitted with said notice.

As soon as any award has been made by the board of county commissioners, or any application declined, prompt notice thereof in writing shall be forwarded by mail to the Department of Human Resources and to the applicant, in which shall be fully stated the particulars of the award or the facts of denial.

Within a reasonable time, in accordance with rules and regulations adopted by the Commission for the Blind, after action by the board of county commissioners, the applicant, if dissatisfied therewith, may appeal directly to the Commission for the Blind. Notice of such appeal must be given in writing to the board of county commissioners, and within 30 days after the receipt of such notice the board of county commissioners shall transmit to the Department of Human Resources copies of all proceedings and documents, including the award or denial, which may be necessary for the hearing of the said appeal,

together with the grounds upon which the action was based.

As soon as may be practicable after the receipt of the said notice of appeal, the Commission for the Blind shall notify the applicant of the time and place where the hearing of such appeal will be had. The members of the Commission for the Blind shall hear the said appeal under such rules and regulations not inconsistent with this Article as it may establish, and shall provide for granting an individual whose claim for aid is denied an opportunity for fair hearing before said Commission for the Blind, and their decision shall be final. Any notice required to be given herein may be given by mail or by personally delivering in writing such notice to the clerk of the board of county commissioners or the executive director of the Department of Human Resources, except that notice of the time and place where the hearings of such appeals will be had shall be given by mail or by personal delivery of such notice in writing direct to the applicant.

In all cases where an appeal shall have been taken by the applicant, the Commission for the Blind shall carefully examine such award or decision, as the case may be, and shall in their discretion, approve, increase, allow or disallow any award so made. Immediately thereafter they shall notify the board of county

commissioners and the applicant of such action; and if the award made by the board of county commissioners is changed, notice thereof shall be given by mail to the applicant and the board of county commissioners, giving the extent and

manner in which any award has been changed.

If, in the absence of any appeal by the applicant, the North Carolina Department of Human Resources shall make any determination increasing or decreasing the award allowing or disallowing the same, not inconsistent with the rules and regulations promulgated by the Commission for the Blind, the applicant or board of county commissioners shall have the right, within 10 days from notice thereof, to have such order reviewed by the Commission for the Blind. The procedure in such cases shall be as provided in the section on appeals to the Commission by the applicant. (1937, c. 124, s. 5; 1971, c. 603, s. 1; 1973, c. 476, s. 143.)

§ 111-17. Amount and payment of assistance; source of funds. — When the board of county commissioners is satisfied that the applicant is entitled to relief under the provisions of this Article, as provided in G.S. 111-14, they shall order necessary relief to be granted under the rules and regulations prescribed by the Commission for the Blind, to be paid from county, State and federal funds available, said relief to be paid in monthly payments from funds hereinafter

mentioned.

At the time of fixing the annual budget for the fiscal year beginning July 1, 1937, and annually thereafter, the board of county commissioners in each county shall, based upon such information as they are able to secure and with such information as may be furnished to them by the Department of Human Resources, estimate the number of needy blind persons in such county who shall be entitled to aid under the provisions of this Article and the total amount of such county's part thereof required to be paid by such county. Each county shall make appropriations for the purposes of this Article in an amount sufficient to cover its share of aid to the blind and may fund them by levy of property taxes pursuant to G.S. 153A-149 and by the allocation of other revenues whose use is not otherwise restricted by law. This provision is mandatory on each county in the State. Any court of competent jurisdiction is authorized by mandamus to enforce the foregoing provisions. No funds shall be allocated to any county by the Department of Human Resources until the provisions hereof have been fully complied with by such county.

In case such appropriation is exhausted within the year and is found to be insufficient to meet the county's part of the amount required for aid to the needy blind, such deficiency may be borrowed, if within constitutional limitations, at the lowest rate of interest obtainable, not exceeding six percent (6%), and provision for payment thereof shall be made in the next annual budget and tax

levv.

The board of county commissioners in the several counties of the State shall cause to be transmitted to the State Treasurer their share of the total amount of relief granted to the blind applicants. Such remittances shall be made by the several counties in equal monthly installments on the first day of each month, beginning July 1, 1937. The State Treasurer shall deposit said funds and credit same to the account of the Department of Human Resources to be employed in carrying out the provisions of this Article.

Within the limitations of the State appropriation, the maximum payment for aid to the blind is to be such as will make possible maximum matching funds by the federal government. (1937, c. 124, s. 6; 1961, c. 666, s. 3; 1973, c. 476, s.

143; c. 803, s. 11.)

Payment of awards. — After an award to a blind person has been made by the board of county commissioners, and approved by the Department of Human Resources the Department of Human Resources shall thereafter pay to such person to whom such award is made the amount of said award in monthly payments, or in such manner and under such terms as the Department of Human Resources shall determine. Such payment shall be made by warrant of the State Auditor, drawn upon such funds in the hands of the State Treasurer, at the instance and request and upon a proper voucher signed by the Secretary of Human Resources, and shall not be subject to the provisions of the Executive Budget Act as to approval of said expenditure.

It is intended that awards paid to recipients under this Article be for the purpose of assisting in defraying the recipient's day-to-day living expenses. The county from which a recipient moves shall continue to pay aid to such recipient until such time as the recipient becomes qualified to receive aid from the county to which he has moved. The county from which a recipient has moved shall forthwith transfer all necessary records relating to the recipient to the appropriate board of county commissioners, or its authorized agent, of the county to which the recipient has moved immediately upon the recipient becoming qualified to receive aid from such county. (1937, c. 124, s. 8; 1947, c. 374; 1965, c. 905; 1971, c. 190, ss. 1, 2; 1973, c. 476, s. 143.)

The Department of Human Resources and the board of county commissioners of each of the counties in which awards have been made shall at all times keep properly informed as to the circumstances and conditions of the persons to whom the awards are made, making reinvestigations annually, or more often, as may be found necessary. The Department of Human Resources may at any time present to the proper board of county commissioners any case in which, in their opinion, the changed circumstances of the case should be reconsidered. The board of county commissioners shall reconsider such cases and any and all other cases which, in the opinion of the board of county commissioners, deserve reconsideration. In all such cases notice of the hearing thereon shall be given to the person to whom the award has been made. Any person to whom an award has been made may apply for a reopening and reconsideration thereof. Upon such hearing, the board of county commissioners may make a new award increasing or decreasing the former award or leaving the same unchanged, or discontinuing the same, as it may find the circumstances of the case to warrant, such changes always to be within the limitations provided by this Article and in accordance with the terms hereof.

Any changes made in such award shall be reported to the Department of Human Resources, and shall be subject to the right of appeal and review, as provided in G.S. 111-16. (1937, c. 124, s. 9; 1971, c. 160; 1973, c. 476, s. 143.)

- § 111-21. Disqualifications for relief. The superior court and the recorders' courts shall have concurrent jurisdiction in all prosecutions arising under this Article. (1937, c. 124, s. 12.)
- § 111-24. Cooperation with federal departments or agencies; grants from federal government. The Department of Human Resources is hereby empowered, authorized and directed to cooperate with the appropriate federal department or agency charged with the administration of the Social Security Act in any reasonable manner as may be necessary to qualify for federal aid for assistance to the needy blind and in conformity with the provisions of this Article, including the making of such reports in such form and containing such information as the appropriate federal department or agency may from time to time require, and the compliance with such regulations as the appropriate federal department or agency may from time to time find necessary to assure the correctness and verification of such reports.

The Department of Human Resources is hereby further empowered and authorized to receive grants-in-aid from the United States government for assistance to the blind and grants made for payment of costs of administering the State plan for aid to the blind, and all such grants so received hereunder shall be paid into the State treasury and credited to the account of the Department of Human Resources in carrying out the provisions of the Article.

In the event that this Article should be ipso facto repealed as herein provided, the State funds on hand shall be converted into the general fund of the State for such use as may be authorized by the Director of the Budget, and the county funds accumulated by the

Personal representatives for certain recipients of aid to the blind.— If any otherwise qualified applicant for or recipient of aid to the blind is or shall become unable to manage the assistance payments, or otherwise fails so to manage, to the extent that deprivation or hazard to himself or others results, a petition may be filed by a relative of said blind person, or other interested person, or by the Secretary of Human Resources before the appropriate court under G.S. 111-31, in the form of a verified written application for the appointment of a personal representative for the purpose of receiving and managing public assistance payments for any such recipient, which application shall allege one or more of the above grounds for the legal appointment of such

personal representative.

The court shall summarily order a hearing on the petition and shall cause the applicant or recipient to be notified at least five days in advance of the time and place for the hearing. Findings of fact shall be made by the court without a jury, and if the court shall find that the applicant for or recipient of aid to the blind is unable to manage the assistance payments, or otherwise fails so to manage, to the extent that deprivation or hazard to himself or others results, the court may thereupon enter an order embracing said findings and appointing some responsible person as personal representative of the applicant or recipient for the purposes set forth herein. The personal representative so appointed shall serve with or without bond, in the discretion of the court, and without compensation. He will be responsible for receiving the monthly assistance payment and using the proceeds of such payment for the benefit of the recipient of aid to the blind. Such personal representative shall be responsible to the court for the faithful discharge of the duties of his trust. The court may consider the recommendation of the Secretary of Human Resources in the selection of a suitable person for appointment as personal representative for the limited purposes of G.S. 111-30 to 111-33. The personal representative so appointed may be removed by the court, and the proceeding dismissed, or another suitable

or federal agency for the purpose of rendering other services to the needy blind and those in danger of becoming blind; and all such grants so made and received shall be paid into the State treasury and credited to the account of the Department of Human Resources, to be used in carrying out the provisions of this law.

The Commission for the Blind is hereby further authorized and empowered to make such rules and regulations as may be required by the federal government or State or federal agency as a condition for receiving such federal funds, not inconsistent with the laws of this State.

Whenever the words "Social Security Board" appear in G.S. 111-6, 111-13 to 111-26 the same shall be interpreted to include any agency of the federal

government which may be substituted therefor by law.

The Department of Human Resources is hereby authorized and empowered to enter into reciprocal agreements with public welfare agencies in other states relative to the provision of assistance and services to residents, nonresidents, or transients, and cooperate with other agencies of the State and federal governments in the provisions of such assistance and services and in the study of the problems involved.

The Department of Human Resources is hereby authorized and empowered to establish and enforce reasonable rules and regulations governing the custody, use and preservation of the records, papers, files, and communications of the

Department.

It shall be unlawful, except for purposes directly connected with the administration of aid to the needy blind and in accordance with the rules and regulations of the Department of Human Resources, for any person or persons to solicit, disclose, receive, make use of, or to authorize, knowingly permit, participate in, or acquiesce in the use of, any list of or name of, or any information concerning, persons applying for or receiving aid to the needy blind, directly or indirectly derived from the records, papers, files, or communications of the Department of Human Resources or the board of county commissioners or the county social services department, or acquired in the course of the

performance of official duties.

Notwithstanding the above, the Department of Human Resources is authorized to release to the North Carolina Department of Motor Vehicles and the North Carolina Department of Revenue the name and medical records of any person listed in the register of the blind in this State maintained under the provisions of G.S. 111-4. All information and documents released to the Department of Motor Vehicles and the Department of Revenue shall be treated by those departments as confidential for their use only and shall not be released by them to any person for commercial or political purposes or for any purpose not directly connected with the administration of Chapters 20 and 105 of the General Statutes of this State. (1939, c. 124; 1941, c. 186; 1969, cc. 871, 982; 1973, c. 476, s. 143.)

- § 111-28.1. Department of Human Resources authorized to cooperate with federal government in rehabilitation of blind. The Department of Human Resources is hereby authorized and empowered to make the necessary rules and regulations to cooperate with the federal government in the furtherance of the provisions of the act of Congress known as the Barden-Rehabilitation Act (Volume 57, United States Statutes at Large, Chapter 190) providing for the rehabilitation of the blind. (1945, c. 72, s. 1; 1973, c. 476, s. 143.)
- § 111-29. Expenditure of equalizing funds; grants affording maximum federal aid; lending North Carolina reports. In addition to the powers and duties imposed upon the Department of Human Resources, the said Department shall be and hereby is charged with the powers and duties hereinafter enumerated; that is to say:

personal representative appointed. All costs of court with respect to any such

proceedings shall be waived.

From the order of the court appointing or removing such personal representative, an appeal may be had to the judge of superior court who shall hear the matter de novo without a jury. (1945, c. 72, s. 4; 1953, c. 1000; 1961, c. 666, s. 2; 1971, c. 603, s. 3; 1973, c. 476, s. 138.)

§ 111-31. Courts for purposes of §§ 111-30 to 111-33; records. — For the purposes of G.S. 111-30 to 111-33 the court may be either a domestic relations court established pursuant to Article 13, Chapter 7, General Statutes, or the clerk of the superior court in the county having responsibility for the administration of the particular aid to the blind payments. The court may, for the purposes of G.S. 111-30 to 111-33, direct the Secretary of Human Resources to maintain records pertaining to all aspects of any personal representative proceeding, which the court may adopt as the court's record and in lieu of the maintenance of separate records by the court. (1961, c. 666, s. 2; 1971, c. 603, s. 4; 1973, c. 476, s. 138.)

(1961, c. 666, s. 2.)
- § 111-33. Sections 111-30 to 111-33 are not to affect provisions for payments for minors. Nothing in G.S. 111-30 to 111-33 is to be construed as affecting that portion of the State plan for aid to the blind which provides that payments for eligible blind minors should be made to the parent, legal guardian, relatives or other persons "in loco parentis" of the blind minor, and that payments may be made to the minor if he is emancipated. (1961, c. 666, s. 2.)

Any act or function performed by a county director of social services under the authority of this section shall be reported by him to the respective county board of commissioners for its review, and for alternative action or disposition where deemed appropriate by such board. Provided that the respective boards of county commissioners shall make no alternative or different disposition of a matter which the county director of social services is empowered to act upon which would prejudicially affect the status of any aid to the blind recipient without first affording such recipient reasonable notice and opportunity to be heard.
