Preface

This Cumulative Supplement to Replacement Volume 3A, Part I contains the general laws of a permanent nature enacted by the General Assembly since publication of the replacement volume through the 1983 Regular Session and the 1983 Extra Session which are within the scope of such volume, and brings to date the annotations included therein.

Amendments are inserted under the same section numbers appearing in the General Statutes, and new laws appear under the proper chapter headings.

Chapter analyses show all affected sections except sections for which catchlines are carried for the purpose of notes only. An index to all statutes codified herein will appear in the Replacement Index Volumes.

A majority of the Session Laws are made effective upon ratification, but a few provide for stated effective dates. If the Session Law makes no provision for an effective date, the law becomes effective under G.S. 120-20 "from and after 30 days after the adjournment of the session" in which passed.

Beginning with the opinions issued by the North Carolina Attorney General on July 1, 1969, any opinion which construes a specific statute is cited as an annotation to that statute. For a copy of an opinion or of its headnotes write the Attorney General, P. O. Box 629, Raleigh, N.C. 27602.

The members of the North Carolina Bar are requested to communicate any defects they may find in the General Statutes or in this Supplement and any suggestions they may have for improving the General Statutes, to the Department of Justice of the State of North Carolina, or to The Michie Company, Law Publishers, Charlottesville, Virginia.

(1983, c. 136, s. 1.)

Upon judgment and order of the court, such nuisance shall be condemned and destroyed in the manner directed by the court. The grower shall be liable for all court costs and fees, and other proper expenses incurred in the enforcement of this section. (1983, c. 136, s. 7.)

It shall therefore be the policy of this State to regulate the activities of those persons engaged in the business of preparing or manufacturing agricultural liming material and landplaster. (1979, c. 590.)

§ 106-92.16. Authority of Board of Agriculture to make rules and regulations.

§ 106-562. Regulations as to referendum; notice to farm organizations and county agents.

The hours, voting places, rules and regulations and the area within which such referendum herein authorized with respect to any of the agricultural commodities herein referred to shall be established and determined by the agency of the commercial growers and producers of such agricultural commodity duly certified by the Board of Agriculture as hereinbefore provided; the said referendum date, area, hours, voting places, rules and regulations with respect to the holding of such referendum shall be published by such agency conducting the same through the medium of the public press in the State of North Carolina at least 30 days before the holding of such referendum, and direct written notice thereof shall likewise be given to all farm organizations within the State of North Carolina and to each county agent in any county in which such agricultural product is grown. § 106-564.1. Alternate method for collection of assessments.

As an alternate method for the collection of assessments provided for in G.S. 106-564, and upon the request of the duly certified agency of the producers of any agricultural products referred to in G.S. 106-550, the Commissioner of Agriculture shall notify, by registered letter, all persons, firms and corporations engaged in the business of purchasing any such agricultural products in this State, that on and after the date specified in the letter the assessments shall be deducted by the purchaser, or his agent or representative, from the purchase price of any such agricultural products. The assessment so deducted, shall, on or before the first day of June of each year following such deduction or at regular intervals during the year following such deductions, be remitted by such purchaser to the Commissioner of Agriculture of North Carolina who shall thereupon pay the amount of the assessments to the duly certified agency of the producers entitled thereto. The books and records of all such purchasers of agricultural products shall at all times during regular business hours be open for inspection by the Commissioner of Agriculture or his duly authorized agents.

For the purposes of this Article the Commissioner may designate the duly certified agency of the producers as his agent to conduct inspections or audits of the books of the purchaser of such agricultural products. If it is discovered, as the result of such inspection or audit, that such purchaser has willfully failed to remit assessments when due, then such purchaser shall be liable to the duly certified producers agency for the reasonable costs of such inspection or audit. Such costs may be recovered by the agency by an action against the purchaser in a court of competent jurisdiction. The agency shall also be entitled to recover from such purchaser a penalty of five percent (5%) of the amount due for each month it remains unpaid, not to exceed twenty percent (20%) of the total amount due.

Any packer, processor or other purchaser who originally purchases from the grower, apples grown in North Carolina, shall collect from the grower thereof any marketing assessment due under the provisions of Article 50 of Chapter 106 and shall remit the same to the North Carolina Department of Agriculture. Upon failure of said packer, processor or other purchaser to collect and remit said assessment then the amount of the assessment shall become the obligation of the packer, processor or other purchaser who originally purchased the apples from the grower and he shall become liable therefor to the North Carolina Department of Agriculture. Failure of the packer, processor or other purchaser to comply with the provisions of this section shall constitute a bar to engaging in said business in this State upon proper notice from the Board of Agriculture. The Board of Agriculture shall have authority to promulgate such rules and regulations as shall be necessary to carry out the purpose and intent of this section. (1953, c. 917; 1969, c. 605, s. 3; 1975, c. 708, s. 2; 1983, c. 395.)

§ 106-568.2. Policy as to referendum and assessment.

In the event two thirds or more of the eligible farmers and producers participating in said referendum vote in favor of such assessment, then said assessment shall be collected for a period of six years under rules, regulations, and methods as provided for in this Article. The assessments shall be added to the wholesale purchase price of each ton of fertilizer, commercial feed, and/or their ingredients (except lime and land plaster) by the manufacturer of said fertilizer and feed. The assessment so collected shall be paid by the manufacturer into the hands of the North Carolina Commissioner of Agriculture on the same tonnage and at the same time and in the same manner as prescribed for the reporting of the inspection tax on commercial feeds and fertilizers as prescribed by G.S. 106-50.6 and 106-99. The Commissioner shall then remit said ten cents (10¢) per ton for the total tonnage as reported by all manufacturers of commercial feeds, fertilizers, and their ingredients to the treasurer of the North Carolina Agricultural Foundation, Inc., who shall disburse such funds for the purposes herein enumerated and not inconsistent with provisions contained in the charter and bylaws of the North Carolina Agricultural Foundation, Inc. Signed copies of the receipts for such remittances made by the Commissioner to the treasurer of the North Carolina Agricultural Foundation, Inc., shall be furnished the Commissioner of Agriculture, the North Carolina Farm Bureau Federation, and the North Carolina State Grange. of the North Carolina Agricultural Foundation, Inc., shall make an annual report at each annual meeting of the Foundation directors of total receipts and disbursements for the year and shall file a copy of said report with the Commissioner of Agriculture and shall make available a copy of said report for publication.

It shall be the duty of the Commissioner of Agriculture to audit and check the remittances of ten cents (10¢) per ton by the manufacturer to the Commissioner in the same manner and at the same time as audits and checks are made of remittances of the inspection tax on commercial feeds and fertilizers.

Any commercial feed excluded from the payment of the inspection fee required by G.S. 106-284.40 shall nevertheless be subject to the assessment provided for by this Article and to quarterly tonnage reports to the Department of Agriculture as provided for in G.S. 106-284.40(c). (1951, c. 827, s. 8; 1967, c. 631, s. 1; 1975, c. 646; 1981, c. 181, s. 1.)

Promotion of Sale and Use of Tobacco.

§ 106-568.34. Alternate method for levy of assessment.

At any time when it may be found by the Board of Directors of Tobacco Associates, that it is not reasonably feasible to base the authorization of an assessment or the making of an assessment or the collection of an assessment on a "per-acre" unit, then the Board of Directors of Tobacco Associates, by an affirmative vote of not less than two thirds of its members (which vote shall include the affirmative vote of not less than two thirds of the board members who were elected by North Carolina farm organizations), may use a "tobacco poundage" unit as the basis for the authorization or making or collecting an assessment. No alternate assessment for any year through 1979 shall exceed five cents (5¢) per 100 pounds of the effective farm marketing quota of a member; no alternate assessment for any year after 1979 shall exceed ten cents (10¢) per 100 pounds of the effective farm marketing quota of a member. The amount of any alternate assessment, based upon a "tobacco poundage" unit as permitted by the provisions of this section shall not be related to or limited by the amount of the assessment which could be authorized, made or collected if it were based upon a "per-acre" unit. (1973, c. 81; 1979, c. 474, s. 1.)

Effect of Amendments. — The 1979 amendment substituted "the" for "such" before "board members" near the middle of the first sentence, deleted "reasonably corresponding" before "tobacco poundage" and substituted "the" for "such" before "authorization" near the end of

the first sentence, deleted "provided, that no assessment shall exceed five cents (5¢) per 100 pounds of the effective farm marketing quota of a member" at the end of the first sentence, and added the second and third sentences.

§ 106-568.36. Maximum levy after 1979.

The maximum amount which may be authorized in any referendum held pursuant to the provisions of this Article during 1979 or thereafter, and the maximum amount which may be assessed, collected or levied for any year after 1979 by the Board of Directors of Tobacco Associates pursuant to the provisions of this Article, is two dollars (\$2.00) per acre per year on all flue-cured tobacco acreage in the State, or, under the alternate method for levy of assessment set out in G.S. 106-568.34, ten cents (10¢) per 100 pounds of the effective farm quota of a member. *North Carolina Commercial Fertilizer Law.***§ 106-657. Definitions.**

When used in this Article:

- (1) The term "brand name" means the name under which any individual mixed fertilizer or fertilizer material is offered for sale, and may include a trademark, but shall not include any numeral other than the grade of the fertilizer.
- (9) The term "grade" means the percentage of total nitrogen, available phosphoric acid (as P_2O_5) and soluble potash (as K_2O) only stated in the order given in this subdivision, and, when applied to mixed fertilizers, shall be in whole numbers only for all packages larger than 16 ounces.
- (10) The term "manipulated manures" means substances composed primarily of excreta, plant remains or mixtures of such substances which have been processed in any manner, including the addition of plant foods, artificially drying, grinding and other means.

In "manipulated manures" the minimum percentages of total nitrogen, available phosphoric acid (as P_2O_5) and soluble potash (as K_2O) are to be guaranteed, and the guarantee stated in multiples of half (.50) percentages. Additions of plant food shall be limited to one-half (.50) percent each of nitrogen, phosphorus and potash.

- (11) The term "manufacturer" means a person engaged in the business of preparing, mixing, or manufacturing commercial fertilizers or the person whose name appears on the label as being responsible for the guarantee. The term "manufacture" means preparing, mixing, or combining fertilizer materials chemically or physically, including the simultaneous application of two or more fertilizer materials, by a manufacturer or contract applicator.

Editor's Note. — Subdivision (10) is set out to correct a typographical error in the bound volume.

Effect of Amendments. — The 1981 amendment, substituted "trademark, but shall not include any numeral other than the grade of the fertilizer" for "number, trademark, or other designation" at the end of subdivision (1), inserted "only," following "(as K₂O)" in subdivision (9), and deleted "etc., and may include fertilizers used for research or experimental

purposes" from the end of subdivision (22). The amendment rewrote the definitions in subdivision (11) as two sentences, adding "or the person whose name appears on the label as being responsible for the guarantee" to the definition of "manufacturer," and adding "including the simultaneous application of two or more fertilizer materials, by a manufacturer or contract applicator" at the end of the definition of "manufacture."

The 1983 amendment, effective July 1, 1983, added subdivision (27).

§ 106-659. Minimum plant food content.

Superphosphate containing less than eighteen percent (18%) available phosphoric acid, or any mixed fertilizer in which the sum of the guarantees for the nitrogen, available phosphoric acid, and soluble potash totals less than twenty percent (20%) may not be offered for sale, sold, or distributed in this State; provided, however, the minimum plant food requirement contained herein shall not apply to containers of 10 pounds or less, or to fertilizer coated seed, but such packages are not exempt from any other requirements of this Article. Other fertilizers may be manufactured and sold without registration after obtaining a license as

required in G.S. 106-661(a); provided, that such fertilizers contain a minimum of twenty percent (20%) primary plant nutrients, nitrogen (N), available phosphoric acid (P_2O_5), and soluble potash (K_2O). The application for registration shall be submitted in duplicate to the Commissioner for his approval on forms furnished by the Commissioner, and shall include a fee of two dollars (\$2.00) per brand and grade for all packages greater than five pounds. No compensation will be allowed toward a deficiency if the overage does not compensate for the entire amount of the defi-

ciency or if the deficiency exceeds 10% of the guarantee or the deficiency exceeds two units. If more than one primary nutrient is in penalty status, no compensation will be allowed.

- (2) Should the basicity or acidity as equivalent of calcium carbonate of any sample of fertilizer be found upon analysis to differ more than five percent (5%) (or 100 pounds of calcium carbonate equivalent per ton) from the guarantee, a penalty of fifty cents (50¢) per ton for each 50 pounds calcium carbonate equivalent, or fraction thereof in excess of the 100 pounds allowed, shall be assessed and paid as is prescribed in subsection (c) of this section.
- (3) Chlorine: If the chlorine content of any lot of fertilizer branded for tobacco shall exceed the maximum amount guaranteed by more than 0.5 of one percent, a penalty shall be assessed equal to ten percent (10%) of the value of the fertilizer for each additional 0.5 of one percent of excess or fraction thereof.

Tolerances for goods guaranteed above four percent shall be the same as for total nitrogen.
- (6) Total magnesium: If the magnesium content is as much as 0.2 unit plus 5 percent of the guarantee below the minimum amount guaranteed, a penalty of one dollar (\$1.00) per ton shall be assessed for each 0.15 of one percent additional deficiency or fraction thereof.
- (7) Total calcium: If the calcium content is as much as 0.2 unit plus 5 percent of the guarantee below the minimum amount guaranteed, a penalty of one dollar (\$1.00) per ton shall be assessed for each 0.35 of one percent additional deficiency or fraction thereof.
- (8) Sulfur: If the sulfur content is as much as 0.2 unit plus 5 percent of the guarantee below the minimum amount guaranteed in the case of all mixed fertilizers, including mixed fertilizers branded for tobacco, a penalty of one dollar (\$1.00) per ton for each 0.50 of one percent additional excess or fraction thereof, shall be assessed.

§ 106-669. Effect of violations on license and registration.

The Commissioner is authorized to suspend, revoke or terminate the license of any manufacturer or to refuse, suspend, revoke or terminate the registration of any commercial fertilizer upon proof that the manufacturer has been guilty of fraudulent or deceptive practices, or in the evasion or attempted evasion of this Article or any rule promulgated thereunder. (1947, c. 1086, s. 17; 1977, c. 303, s. 15; 1981, c. 448, s. 10.)

Each person registering commercial fertilizers under this Article shall furnish the Commissioner with a written statement of the tonnage of each grade of fertilizer sold by him in this State. This information shall be held in confidence by the Commissioner. Said statement shall include all sales for the periods of July first to and including December thirty-first and of January first to and including June thirtieth of each year. The Commissioner may suspend, revoke or terminate the registration of said commercial fertilizer and suspend, revoke or terminate the license of any person failing to comply with this section within 30 days of the close of each period. All information published by the Department of Agriculture pursuant to this section shall be classified so as to prevent the identification of information received from individual registrants. ARTICLE 57.

Nuisance Liability of Agricultural Operations.

§ 106-700. Legislative determination and declaration of policy.

It is the declared policy of the State to conserve and protect and encourage the development and improvement of its agricultural land for the production of food and other agricultural products. When nonagricultural land uses extend into agricultural areas, agricultural operations often become the subject of nuisance suits. As a result, agricultural operations are sometimes forced to

cease operations. Many others are discouraged from making investments in farm improvements. It is the purpose of this Article to reduce the loss to the State of its agricultural resources by limiting the circumstances under which agricultural operations may be deemed to be a nuisance. (1979, c. 202, s. 1.)

Editor's Note. — Session Laws 1979, c. 202, s. 2, provides: "This act does not affect actions commenced prior to the effective date hereof [March 26, 1979]."

§ 108A-4. Term of appointment.

Each member of a county board of social services shall serve for a term of three years. No member may serve more than two consecutive terms. Notwithstanding the previous sentence, the limitation on consecutive terms does not apply if the member of the social services board was a member of the board of county commissioners at any time during the first two consecutive terms, and is a member of the board of county commissioners at the time of reappointment. (1917, c. 170, s. 1; 1919, c. 46, s. 3; C.S., s. 5014; 1937, c. 319, s. 3; 1941, c. 270, s. 2; 1945, c. 47; 1953, c. 132; 1955, c. 249; 1957, c. 100, s. 1; 1959, c. 1255, s. 1; 1961, c. 186; 1963, c. 139; c. 247, ss. 1, 2; 1969, c. 546, s. 1; 1981, c. 275, s. 1; c. 770.)

Effect of Amendments. — The 1981 amendment added the third sentence. The amendatory act, which was ratified July 2, 1981, and

made effective on ratification, also made the same amendment to former § 108-10, corresponding to this section.

§ 108A-5. Order of appointment.

(a) Three-Member Board: The term of the member appointed by the Social Services Commission shall expire on June 30, 1981, and every three years thereafter; the term of the member appointed by the board of commissioners shall expire on June 30, 1983, and every three years thereafter; and the term of the third member shall expire on June 30, 1982, and every three years thereafter.

(b) Five-Member Board: Whenever a board of commissioners of any county decides to expand a three-member board to a five-member board of social services, the Social Services Commission shall appoint an additional member for a term expiring at the same time as the term of the existing member appointed by the board of commissioners, and the board of commissioners shall appoint an additional member for a term expiring at the same time as the term of the existing member appointed by the Social Services Commission. The change to a five-member board shall become effective at the time when the additional members shall have been appointed by both the county board of commissioners and the Social Services Commission. Thereafter all appointments shall be for three-year terms.

(c) Change from Five-Member to Three-Member Board: The change shall become effective on the first day of July following the decision to change by the board of commissioners. On that day, the following two seats on the board of social services shall cease to exist:

- (1) The seat held by the member appointed by the Social Services Commission whose term would have expired on June 30, 1983, or triennially thereafter; and
- (2) The seat held by the member appointed by the board of commissioners whose term would have expired June 30, 1981, or triennially thereafter. (1917, c. 170, s. 1; 1919, c. 46, s. 3; C.S., s. 5014; 1937, c. 319, s. 3; 1941, c. 270, s. 2; 1945, c. 47; 1953, c. 132; 1955, c. 249; 1957, c. 100, s. 1; 1959, c. 1255, s. 1; 1961, c. 1986; 1963, c. 139; c. 247, ss. 1, 2; 1969, c. 546, s. 1; 1973, c. 476, s. 138; c. 724, s. 1; 1981, c. 275, s. 1.)

§ 108A-6. Vacancies.

Appointments to fill vacancies shall be made in the manner set out in G.S. 108A-3. All such appointments shall be for the remainder of the former member's term of office and shall not constitute a term for the purposes of G.S. 108A-4. (1917, c. 170, s. 1; 1919, c. 46, s. 3; C.S., s. 5014; 1937, c. 319, s. 3; 1941, c. 270, s. 2; 1945, c. 47; 1953, c. 132; 1955, c. 249; 1957, c. 100, s. 1; 1959, c. 1255, s. 1; 1961, c. 186; 1963, c. 139; c. 247, ss. 1, 2; 1969, c. 546, s. 1; 1981, c. 275, s. 1.)

§ 108A-7. Meetings.

The board of social services of each county shall meet at least once per month, or more often if a meeting is called by the chairman. Such board shall elect a chairman from its members at its July meeting each year, and the chairman shall serve a term of one year or until a new chairman is elected by the board. (1917, c. 170, s. 1; 1919, c. 46, s. 4; C.S., s. 5015; 1937, c. 319, s. 4; 1941, c. 270, s. 3; 1947, c. 92; 1959, c. 320; 1961, c. 186; 1969, c. 546, s. 1; 1981, c. 275, s. 1.)

§ 108A-8. Compensation of members.

Members of the county board of social services may receive a per diem in such amount as shall be established by the county board of commissioners and travel expenses not to exceed the amounts provided by G.S. 138-5 for attendance at official meetings and conferences, provided such per diem or travel is authorized by the board of commissioners. (1917, c. 170, s. 1; 1919, c. 46, s. 4; C.S., s. 5015; 1937, c. 319, s. 4; 1941, c. 270, s. 3; 1947, c. 92; 1959, c. 320; 1961, c. 186; 1969, c. 546, s. 1; 1971, c. 124; 1981, c. 275, s. 1.)

- (2) To advise county and municipal authorities in developing policies and plans to improve the social conditions of the community;
- (3) To consult with the director of social services about problems relating to his office, and to assist him in planning budgets for the county department of social services;
- (4) To transmit or present the budgets of the county department of social services for public assistance, social services, and administration to the board of county commissioners;
- (5) To have such other duties and responsibilities as the General Assembly, the Department of Human Resources or the Social Services Commission or the board of county commissioners may assign to it. (1917, c. 170, s. 1; 1919, c. 46, s. 3; C.S., s. 5014; 1937, c. 319, s. 3; 1941, c. 270, s. 2; 1945, c. 47; 1953, c. 132; 1955, c. 249; 1957, c. 100, s. 1; 1959, c. 1255, s. 1; 1961, c. 186; 1963, c. 139; c. 247, ss. 1, 2; 1969, c. 546, s. 1; 1973, c. 476, s. 138; 1977, 2nd Sess., c. 1219, s. 7; 1981, c. 275, s. 1.)

CASE NOTES

Extent of Authority Exercised by County over Director. — It is apparent that the county is at most only equal to the State in the authority it can exert over the director of social services. *Fracaro v. Priddy*, 514 F. Supp. 191 (M.D.N.C. 1981).

In an action by eligibility supervisor of county department of social services alleging that her constitutional rights had been violated when her employment was terminated by the

director of social services, the county could not be held liable to the plaintiff since the director was not acting for the county, but rather for the State, and since the county board of social services did not have the authority to dismiss the eligibility supervisor. *Fracaro v. Priddy*, 514 F. Supp. 191 (M.D.N.C. 1981).

Applied in *Vaughn v. North Carolina Dep't of Human Resources*, 37 N.C. App. 86, 245 S.E.2d 892 (1978).

§ 108A-10. Fees.

The county board of social services is authorized to enter into contracts with any governmental or private agency, or with any person, whereby the board of social services agrees to render services to or for such agency or person in exchange for a fee to cover the cost of rendering such service. This authority is to be limited to services voluntarily rendered and voluntarily received, but shall not apply where the charging of a fee for a particular service is specifically prohibited by statute or regulation. The fees to be charged under the authority of this section are to be based upon a plan recommended by the county director of social services and approved by the local board of social

services and the board of county commissioners. In no event is the fee charged to exceed the cost to the board of social services. Fee policies may not conflict with rules and regulations adopted by the Social Services Commission or Department of Human Resources regarding fees.

The fees collected under the authority of this section are to be deposited to the account of the social services department so that they may be expended for social services purposes in accordance with the provisions of Article 3 of Chapter 159, the Local Government Budget and Fiscal Control Act. No individual employee is to receive any compensation over and above his regular salary as a result of rendering services for which a fee is charged.

The county board of social services shall annually report to the county commissioners receipts received under this section. Fees collected under this section shall not be used to replace any other funds, either State or local, for the program for which the fees were collected. (1981, c. 275, s. 1.)

§ 108A-11. Inspection of records by members.

Every member of the county board of social services may inspect and examine any record on file in the office of the director relating in any manner to applications for and provision of public assistance and social services authorized by this Chapter. No member shall disclose or make public any information which he may acquire by examining such records. (1917, c. 170, s. 1; 1919, c. 46, s. 3; C.S., s. 5014; 1937, c. 319, s. 3; 1941, c. 270, s. 2; 1945, c. 47; 1953, c. 132; 1955, c. 249; 1957, c. 100, s. 1; 1959, c. 1255, s. 1; 1961, c. 186; 1963, c. 139; c. 247, ss. 1, 2; 1969, c. 546, s. 1; 1981, c. 275, s. 1.)

Part 2. County Director of Social Services.

§ 108A-12. Appointment.

(a) The board of social services of every county shall appoint a director of social services in accordance with the merit system rules of the State Personnel Commission. Any director dismissed by such board shall have the right of appeal under the same rules.

(b) Two or more boards of social services may jointly employ a director of social services to serve the appointing boards and such boards may also combine any other functions or activities as authorized by Part 1 of Article 20 of Chapter 160A. The boards shall agree on the portion of the director's salary and the portion of expenses for other joint functions and activities that each participating county shall pay. (1917, c. 170, s. 1; 1919, c. 46, ss. 3, 4; C.S., s. 5016; 1921, c. 128; 1929, c. 291, s. 1; 1931, c. 423; 1937, c. 319, s. 5; 1941, c. 270, s. 4; 1957, c. 100, s. 1; 1961, c. 186; 1969, c. 546, s. 1; 1981, c. 275, s. 1.)

Department of Human Resources Liable for Acts of County Director Negligently Placing Foster Child. — In an action alleging that a foster child was negligently placed in a

home by the Durham County Department of Social Services, the Department of Human Resources would be liable for the negligent acts of its agents, the Durham County Director of

Social Services and his subordinates, since the Department of Human Resources, through the Social Services Commission, has the right to control the manner in which the county director

is to execute his obligation to place children in foster homes. *Vaughn v. North Carolina Dep't of Human Resources*, 296 N.C. 683, 252 S.E.2d 792 (1979).

§ 108A-13. Salary.

The board of social services of every county, with the approval of the board of county commissioners, shall determine the salary of the director in accordance with the classification plan of the State Personnel Commission, and such salary shall be paid by the county from the federal, State and county funds available for this purpose. (1917, c. 170, s. 1; 1919, c. 46, ss. 3, 4; C.S., s. 5016; 1921, c. 128; 1929, c. 291, s. 1; 1931, c. 423; 1937, c. 319, s. 5; 1941, c. 270, s. 4; 1957, c. 100, s. 1; 1961, c. 186; 1969, c. 546, s. 1; 1981, c. 275, s. 1.)

§ 108A-29. Limitations on eligibility.

(a) The Social Services Commission shall adopt such administrative rules concerning work requirements as conditions of eligibility for Aid to Families with Dependent Children in order to be in compliance with federal regulations, but such rules shall not be more restrictive than the work requirements applicable to the work incentive program provided for in G.S. 108A-30.

(b) Members of families with dependent children and with aggregate family income at or below the level required for eligibility for Aid to Families with Dependent Children assistance, regardless of whether or not they have applied for such assistance, shall be given priority in obtaining manpower services including training and public service employment provided by or through State agencies or with funds which are allocated to the State of North Carolina directly or indirectly through prime sponsors or otherwise for the purpose of employment of unemployed persons.

(c) The Social Services Commission shall adopt rules imposing work requirements under the Community Work Experience Program demonstration project, in accordance with federal laws and regulations, as a condition for eligibility for Aid to Families with Dependent Children. § 108A-30. Work incentive program adopted; evidence of refusal to participate in special work projects; protective and vendor payments.

(a) The provisions of Part C of Title IV of the Federal Social Security Act pertaining to the work incentive program for recipients of aid to families with dependent children assistance, and the benefits thereunder, are hereby accepted and adopted.

(b) The work incentive program provided for by this section is a part of, and subject to all the same provisions of law as, the aid to families with dependent children program provided for in this Article; except that in the case of inconsistent provisions, the provisions of this section shall be deemed exceptions to other provisions of law in this Article.

(c) Written notice of a finding by the United States Secretary of Labor, or the United States Department of Labor, the Employment Security Commission, or other authorized agent of the Secretary of Labor as to whether a person has refused without good cause to accept employment or participate in a project shall be binding upon the State and its agencies and the political subdivisions of the State. Any other provision of law to the contrary notwithstanding, the original or copy of such a notice bearing the certification of a State or county agency that is the original or true copy of the original in or from the records of the agency shall be admissible in evidence without the appearance of a witness, and it shall be prima facie evidence that it was duly received by the agency from the Secretary of Labor or his authorized agent.

(d) Protective and vendor payments required to be made under the work incentive program shall be made in accordance with federal rules and regulations and the rules and regulations of the Social Services Commission. (1969, c. 739, s. 2; 1973, c. 476, s. 138; c. 744, s. 2; 1981, c. 275, s. 1.)

§ 108A-31. Application for assistance.

Any person or his representative who believes that he or another person is eligible to receive aid to families with dependent children may apply for assistance to the county department of social services in the county in which the applicant resides. It shall be made in such form and shall contain such information as the Social Services Commission and federal regulations may require. (1937, c. 288, ss. 15, 45; 1939, c. 395, s. 1; 1941, c. 232; 1945, c. 615, s. 1; 1947, c. 91, s. 3; 1953, c. 675, s. 12; 1959, c. 179, ss. 1, 2; 1969, c. 546, s. 1; 1973, c. 476, s. 138; c. 742; 1979, c. 702, s. 4; 1981, c. 275, s. 1.)

§ 108A-32. Investigation of applicant.

Upon receipt of an application for public assistance, the county department shall make a prompt evaluation or investigation of the facts alleged in the application in order to determine the applicant's eligibility for assistance and to obtain such other information as the Department may require. (1937, c. 288, ss. 15, 45; 1939, c. 395, s. 1; 1941, c. 232; 1945, c. 615, s. 1; 1947, c. 91, s. 3; 1953, c. 675, s. 12; 1959, c. 179, ss. 1, 2; 1969, c. 546, s. 1; 1973, c. 476, s. 38; 1981, c. 275, s. 1.)

§ 108A-33. Granting or denial of assistance.

(a) The county director of social services shall submit his findings and recommendations on each application for aid to families with dependent children to the county board of social services at its next meeting for its approval of assistance in each case; but the board of social services may delegate to the director the authority to consider, process and approve or reject all applications for assistance, in which event the director shall not be required to report his actions to the board.

(b) The county board of social services may delegate authority to the director to consider and process applications for assistance in all cases that require immediate action to prevent undue hardship; in such cases, the director shall report on his actions to the board at its next meeting, and the board shall approve, reject or modify such decisions.

(c) The board of county commissioners may review any final action of the county board of social services or the county director of social services with regard to any application for assistance or modifying or terminating any public assistance previously made. The recipient of disputed assistance shall receive notice of the time and place of such review. If the board of commissioners deems that assistance was improperly allowed or denied under federal regulations and policies of the Social Services Commission or the Department, it may order that proper action be taken, with notice thereof given to the recipient and a copy to the county board of social services and the Secretary. Any modification made by the board of county commissioners shall be subject to review by the Secretary.

(d) All rules and regulations of the Social Services Commission or the Department which govern eligibility for public assistance from State appropriations or the amount of public assistance shall be subject to the approval of the Director of the Budget and the Advisory Budget Commission. CASE NOTES

Child's Support Payments Not Resource of Entire Family. — In calculating aid to families with dependent children benefits, the inclusion of support payments belonging to one child as a resource available to the entire family works an unlawful appropriation of the funds of both the supporting father and the supported child. *Gilliard v. Craig*, 331 F. Supp. 587 (W.D.N.C. 1971).

In calculating aid to families with dependent children benefits, the income of an individual with no legal duty of support may not be presumed to be available to the family, and thus the contribution to the support of one child by one having no legal duty to support the rest of the family cannot be considered a resource available to that family. *Gilliard v. Craig*, 331 F. Supp. 587 (W.D.N.C. 1971).

§ 108A-34. Reconsideration of public assistance.

All public assistance shall be considered as frequently as required by the rules of the Social Services Commission or the Department in the case of medical assistance. Whenever the condition of any recipient has changed to the extent that his assistance must be modified or terminated, the county director may make the appropriate termination or change in payment and submit it to the county board of social services for approval at its next meeting, but the board may waive the requirement that the director submit his actions to the board for its approval. (1937, c. 288, ss. 19, 49; 1969, c. 546, s. 1; 1971, c. 523, s. 2; 1973, c. 476, s. 138; 1977, 2nd Sess., c. 1219, s. 13; 1981, c. 275, s. 1.)

§ 108A-35. Removal to another county.

Any recipient who moves from one county to another county of this State shall continue to receive public assistance if eligible. The county director in the county from which he has moved shall transfer all necessary records relating to the recipient to the county director of the county to which the recipient has moved. The county from which the recipient moves shall pay the amount of assistance to which the recipient is entitled for a period of one month following his move, and thereafter the county to which the recipient has moved shall pay such assistance. (1937, c. 288, ss. 20, 50; 1943, c. 505, ss. 3, 7; 1961, c. 186; 1963, c. 136; 1969, c. 546, s. 1; 1977, c. 654; 1981, c. 275, s. 1.)

§ 108A-36. Assistance not assignable; checks payable to decedents.

The assistance granted by this Article shall not be transferable or assignable at law or in equity; and none of the money paid or payable as assistance shall be subject to execution, levy, attachment, garnishment, or other legal processes, or to the operation of any bankruptcy or insolvency law.

In the event of the death of a public assistance recipient during or after the first day of the month for which assistance was previously authorized by the county social services board, or county director if waived, any public assistance check or checks payable to such recipient not endorsed prior to such recipient's death shall be delivered to the clerk of superior court and by him administered under the provisions of G.S. 28A-25-6. (1937, c. 288, ss. 17, 47; 1945, c. 615, s. 1; 1953, c. 213; 1969, c. 546, s. 1; 1971, c. 446, ss. 1, 2; 1977, c. 655, ss. 1, 2; 1981, c. 275, s. 1.)

§ 108A-37. Personal representative for mismanaged public assistance.

(a) Whenever a county director of social services shall determine that a recipient of assistance is unwilling or unable to manage such assistance to the extent that deprivation or hazard to himself or others results, the director shall file a petition before a district court or the clerk of superior court in the county alleging such facts and requesting the appointment of a personal representative to be responsible for receiving such assistance and to use it for the benefit of the recipient.

(b) Upon receipt of such petition, the court shall promptly hold a hearing, provided the recipient shall receive five days' notice in writing of the time and place of such hearing. If the court, sitting without a jury, shall find at the hearing that the facts alleged in the petition are true, it may appoint some responsible person as personal representative. The personal representative shall serve without compensation and be responsible to the court for the faithful performance of his duties. He shall serve until the director of social

services or the recipient shows to the court that the personal representative is no longer required or is unsuitable. All costs of court relating to proceedings under this section shall be waived.

(c) Any recipient for whom a personal representative is appointed may appeal such appointment to superior court for a hearing de novo without a jury.

(d) All findings of fact made under the proceedings authorized by this section shall not be competent as evidence in any case or proceeding which concerns any subject matter other than that of appointing a personal representative. (1959, c. 1239, ss. 1, 3; 1961, c. 186; 1969, c. 546, s. 1; 1981, c. 275, s. 1.)

§ 108A-38. Protective and vendor payments.

Instead of the use of personal representatives provided for by G.S. 108A-37, when necessary to comply with any present or future federal law or regulation in order to obtain federal participation in public assistance payments, the payments may be made direct to vendors to reimburse them for goods and services provided the applicants or recipients, and may be made to protective payees who shall act for the applicant or recipient for receiving and managing assistance. Payments to vendors and protective payees shall be made to the extent provided in, and in accordance with, rules and regulations of the Social Services Commission or the Department, which rules and regulations shall be subject to applicable federal laws and regulations. (1963, c. 380; 1969, c. 546, s. 1; c. 747; 1973, c. 476, s. 138; 1977, 2nd Sess., c. 1219, s. 20; 1981, c. 275, s. 1.)

§ 108A-39. Fraudulent misrepresentation.

(a) Any person whether provider or recipient, or person representing himself as such, who willfully and knowingly and with intent to deceive makes a false statement or representation or who fails to disclose a material fact and as a result of making a false statement or representation or failing to disclose a material fact obtains, for himself or another person, attempts to obtain for himself or another person, or continues to receive or enables another person to continue to receive public assistance in the amount of not more than four hundred dollars (\$400.00) is guilty of a misdemeanor, and upon conviction or plea of guilty shall be fined or imprisoned or both at the discretion of the court.

(c) As used in this section the word "person" means person, association, consortium, corporation, body politic, partnership, or other group, entity, or organization. (1937, c. 288, ss. 27, 57; 1963, cc. 1013, 1024, 1062; 1969, c. 546, s. 1; 1977, c. 604, s. 1; 1979, c. 510, s. 2; c. 907; 1981, c. 275, s. 1.)

§ 108A-41. Eligibility.

(a) Assistance shall be granted under this Part to all persons in domiciliary facilities for care found to be essential in accordance with the rules and regulations adopted by the Social Services Commission and prescribed by G.S. 108A-42(b).

(b) Assistance shall be granted to any person who:

- (3) Is a resident of North Carolina.

(c) When determining whether a person has insufficient resources to provide a reasonable subsistence compatible with decency and health, there shall be excluded from consideration the person's primary place of residence and the land on which it is situated, and in addition there shall be excluded real property contiguous with the person's primary place of residence in which the property tax value is less than twelve thousand dollars (\$12,000).

(d) The county shall also have the option of granting assistance to Certain Disabled persons as defined in the rules and regulations adopted by the Social Services Commission. Nothing in this Part should be interpreted so as to preclude any individual county from operating any program of financial assistance using only county funds. (1949, s. 1038, s. 2; 1961, c. 186; 1969, c. 546, s. 1; 1973, c. 717, s. 1; 1977, 2nd Sess., c. 1252, s. 1; 1979, c. 702, s. 8; 1981, c. 275, s. 1; c. 849, s. 1; 1983, c. 14, s. 2.)

§ 108A-42. Determination of disability.

(a) For purposes of G.S. 108A-41(b)(1), a person is permanently and totally disabled if:

(1) This person was receiving aid to the disabled assistance in December 1973, and continues to be disabled under the definition of disability, having a physical or mental impairment which substantially precludes him from obtaining gainful employment and this impairment appears reasonably certain to continue without substantial improvement throughout his lifetime; or

(2) This person applied for assistance on or after January 1, 1974, and is disabled under the Social Security standards.

(b) For purposes of G.S. 108A-41(d), a "Certain Disabled" person is a person in a private living arrangement who is age 18 but less than age 65, having a physical or mental impairment which substantially precludes him from obtaining gainful employment, which impairment appears reasonably certain to continue without substantial improvement throughout his lifetime.

(c) Disability shall be reviewed by medical consultants employed by the Department. The final decision on the disability shall be made by these medical consultants under rules and regulations adopted by the Social Services Commission. (1979, c. 702, s. 9; 1981, c. 275, s. 1; 1983, c. 14, s. 1.)

CASE NOTES

Federal Decisions Are Persuasive but Not Binding. — Federal decisions interpreting the disability definitions for Old Age, Survivors and Disability Benefits (Title II) and SSI benefits (Title XVI) are not binding on this State's

courts, but are deemed to be persuasive authority. *Lackey v. North Carolina Dep't of Human Resources*, 306 N.C. 231, 293 S.E.2d 171 (1982), decided under former § 108-26.

§ 108A-43. Application procedure.

(a) Applications under this Part shall be made to the county director of social services who, with the approval of the county board of social services and in conformity with the rules and regulations of the Social Services Commission, shall determine whether assistance shall be granted and the amount of such assistance; but the county board of social services may delegate to the county director the authority to approve or reject all applications for assistance under this Part, in which event the county director shall not be required to report his actions to the board.

(b) The amount of assistance which any eligible person may receive shall be determined with regard to the resources and necessary expenditures of the applicant, in accordance with the appropriate rules and regulations of the Social Services Commission. (1949, c. 1038, s. 2; 1961, c. 186; 1969, c. 546, s. 1; 1973, c. 476, s. 138; c. 717, s. 4; 1981, c. 275, s. 1.)

§ 108A-44. State funds to counties.

(a) Appropriations made under this Part by the General Assembly to the Department, together with grants of the federal government (when such grants are made available to the State) shall be used exclusively for assistance to needy persons eligible under this Part.

(b) Allotments shall be made annually by the Department to the counties participating in the program established by this Part.

(c) No allotment shall be used, either directly or indirectly, to replace county appropriations or expenditures. (1949, c. 1038, s. 2; 1955, c. 310, s. 3; 1961, c. 186; 1969, c. 546, s. 1; 1973, c. 717, s. 5; 1975, c. 92, s. 2; 1981, c. 275, s. 1.)

§ 108A-45. Participation.

The State-County Special Assistance for Adults Program established by this Part shall be administered by all the county departments of social services under rules and regulations adopted by the Social Services Commission and under the supervision of the Department. Provided that, assistance for certain disabled persons shall be provided solely at the option of the county. (1949, c. 1038, s. 2; 1969, c. 546, s. 1; 1973, c. 476, s. 138; c. 717, s. 6; 1975, c. 92, s. 3; 1977, 2nd Sess., c. 1252, s. 2; 1981, c. 275, s. 1.)

§ 108A-46. Transfer of property for purposes of qualifying for State-county special assistance for adults; periods of ineligibility.

(a) Any person, otherwise eligible, who, either while receiving State-county special assistance or within one year prior to the date of applying for assistance, unless some other time period is mandated by controlling federal law, sells, gives, assigns or transfers countable real or personal property or an interest therein, either by himself or through his legal representative, for the purpose of retaining or establishing eligibility for State-county special assistance, shall be ineligible to receive assistance thereafter as set forth in subsection (c) of this section.

Countable real and personal property shall be real property, excluding a homesite, intangible personal property, nonessential motor and recreational vehicles, nonincome producing business equipment, boats and motors. The provisions of this act shall not apply to the sale, gift, assignment or transfer of real or personal property if and to the extent that the person applying for State-county special assistance would have been eligible for such assistance notwithstanding ownership of such property or an interest therein.

(b) Any sale, gift, assignment or transfer of real or personal property or an interest therein, as provided in subsection (a) of this section, shall be presumed to have been made for the purpose of retaining or establishing eligibility for State-county special assistance unless the person, or his legal representative, who sells, gives, assigns or transfers the property or interest, receives valuable consideration at least equal to the fair market value, less encumbrances, of the property or interest.

(c) Any person who, by himself or through his legal representative, sells, gives, assigns or transfers real or personal property or an interest therein for the purpose of retaining or establishing eligibility for State-county special assistance, as provided in subsection (a) of this section, shall be ineligible to receive assistance thereafter until an amount equal to the uncompensated value of the property or interest has been expended by or on behalf of such person for maintenance and support, including medical expenses, paid or incurred, or shall be ineligible in accordance with the following schedule, whichever is sooner:

- (1) For uncompensated value of at least one thousand dollars (\$1,000) but not more than six thousand dollars (\$6,000), a one-year period of ineligibility from date of sale, gift, assignment or transfer;
- (2) For uncompensated value of more than six thousand dollars (\$6,000) but not more than twelve thousand dollars (\$12,000), a two-year

period of ineligibility from date of sale, gift, assignment or transfer;

(3) For uncompensated value of more than twelve thousand dollars (\$12,000), a two-year period of ineligibility from date of sale, gift, assignment or transfer, plus one additional month of ineligibility for each five hundred dollar (\$500.00) increment or portion thereof by which the uncompensated value exceeds twelve thousand dollars (\$12,000), but in no event to exceed three years.

(d) The sale, gift, assignment or transfer for a consideration less than fair market value, less encumbrances, or any tangible personal property which was acquired with the proceeds of sale, assignment or transfer of real or intangible personal property described in subsection (a) of this section or in exchange for such real or intangible personal property shall be presumed to have been for the purpose of evading the provisions of this section if the acquisition and sale, gift, assignment or transfer of the tangible personal property is by or on behalf of a person receiving State-county special assistance or within one year of making application for such assistance and the consequences of the sale, gift, assignment or transfer of such tangible personal property shall be determined under the provisions of subsections (c), (f) and (g) of this section.

(e) The presumption created by subsections (b) and (d) may be overcome if the person receiving or applying for State-county special assistance, or his legal representative, establishes by the greater weight of the evidence that the sale, gift, assignment or transfer was exclusively for some purpose other than retaining or establishing eligibility for such assistance.

(f) For the purpose of establishing uncompensated value under subsection (c), the value of property or an interest therein shall be the fair market value of the property or interest at the time of the sale, gift, assignment or transfer, less the amount of compensation received for the property or interest, if any. There shall be a rebuttable presumption that the fair market value of real property is the most recent property tax value of the property, as ascertained according to Subchapter II of Chapter 105 of the General Statutes. Fair market value for purpose of this subsection shall be such value, determined as above set out, less any legally enforceable encumbrances to which the property is subject.

(g) In the event that there is more than one sale, gift, assignment or transfer of property or an interest therein by a person receiving State-county special assistance or within one year of the date of an application for such assistance, unless some other time period is mandated by controlling federal law, the uncompensated value for the purposes of subsection (c) shall be the aggregate uncompensated value of all sales, gifts, assignments and transfers. The date which is the midpoint between the date of the first and the last sale, gift, assignment or transfer shall be the date from which the period of ineligibility shall be determined under subsection (c). (1979, c. 585, s. 1; 1981, c. 275, s. 1; c. 758, s. 1.)

Effect of Amendments. — The 1981 amendment, effective October 1, 1981, rewrote this section. Session Laws 1981, c. 758, s. 4, provides: "This act shall become effective October 1, 1981, and shall apply to applications pending on that date except that this act shall not apply

to any transfer of personal property made prior to the date of ratification of this act." The act was ratified July 1, 1981.

Session Laws 1981, c. 758, s. 3, contains a severability clause.

§ 108A-47. Limitations on payments.

No payment of assistance under this Part shall be made for the care of any person in a domiciliary facility which is owned or operated in whole or in part by any of the following:

- (1) A member of the Social Services Commission, of any county board of social services, or of any board of county commissioners;
- (2) An official or employee of the Department or of any county department of social services;
- (3) A spouse of a person designated in subdivisions (1) and (2). (1979, c. 702, s. 10; 1981, c. 275, s. 1.)

Part 4. Foster Care and Adoption Assistance Payments.

§ 108A-48. State Foster Care Benefits Program.

(a) The Department is authorized to establish a State Foster Care Benefits Program with appropriations by the General Assembly for the purpose of providing assistance to children who are placed in foster care facilities by county departments of social services in accordance with the rules and regulations of the Social Services Commission. Such appropriations, together with county contributions for this purpose, shall be expended to provide for the costs of keeping children in foster care facilities.

(b) No benefits provided by this section shall be granted to any individual who has passed his eighteenth birthday unless he is less than 21 years of age and is a full-time student or has been accepted for enrollment as a full-time student for the next school term pursuing a high school diploma or its equivalent; a course of study at the college level; or a course of vocational or technical training designed to fit him for gainful employment. (1981, c. 275, s. 1.)

§ 108A-49. Foster care and adoption assistance payments.

(a) Benefits in the form of foster care assistance shall be granted in accordance with the rules and regulations of the Social Services Commission to any dependent child who is eligible to receive AFDC but for his or her removal from the home of a specified relative for placement in a foster care facility; provided, that the child's placement and care is the responsibility of a county department of social services.

(b) Adoption assistance payments for certain adoptive children shall be granted in accordance with the rules and regulations of the Social Services Commission to adoptive parents who adopt a child eligible to receive foster care maintenance payments or supplemental security income benefits; provided, that the child cannot be returned to his or her parents; and provided, that the child has special needs which create a financial barrier to adoption.

(c) The Department is authorized to use available federal payments to states under Title IV-E of the Social Security Act for foster care and adoption assistance payments. (1981, c. 275, s. 1.)

§ 108A-50. State benefits for certain adoptive children.

(a) The Department is authorized to establish a program of State benefits for certain adoptive children from appropriations made by the General Assembly and from grants available from the federal government to the State. This program shall be used exclusively for the purpose of meeting the needs of adoptive children who are physically or mentally handicapped, older, or otherwise hard to place for adoption.

(b) The purpose of this program is to encourage, within the limits of available funds, the adoption of certain hard-to-place children in order to make it possible for children living in, or likely to be placed in foster homes or institutions, to benefit from the stability and security of permanent homes where such children can receive continuous care, guidance, protection and love to reduce

the number of such children who might be placed or remain in foster homes or institutions until they become adults.

(c) Eligibility for an adoptive child to receive assistance shall be determined by the Department under the rules and regulations of the Social Services Commission.

(d) Financial assistance under this program shall not be provided when the needed services are available free of cost to the adoptive child; or are covered by an insurance policy of the adoptive parents; or are available to the child under the Adoption Assistance Program specified in G.S. 108A-49. (1975, c. 953, s. 3; 1981, c. 275, s. 1.)

Part 5. Food Stamp Program.

§ 108A-51. Authorization for Food Stamp Program.

The Department is authorized to establish a statewide food stamp program as authorized by the Congress of the United States. The Department of Human Resources is designated as the State agency responsible for the supervision of such programs. The boards of county commissioners through the county departments of social services are held responsible for the administration and operation of the programs. (1981, c. 275, s. 1.)

§ 108A-52. Determination of eligibility.

Any person who believes that he or another person is eligible to receive food stamps may apply for such assistance to the county department of social services in the county in which the applicant resides. The application shall be made in such form and shall contain such information as the Social Services Commission may require. Upon receipt of an application for food stamps, the county department of social services shall make a prompt evaluation or investigation of the facts alleged in the application in order to determine the applicant's eligibility for such assistance and to obtain such other information as the Department may require. Upon the completion of such investigation, the county department of social services shall, within a reasonable period of time, determine eligibility. (1981, c. 275, s. 1.)

§ 108A-53. Fraudulent misrepresentation.

(a) Any person, whether provider or recipient or person representing himself as such, who knowingly obtains or attempts to obtain, or aids or abets any person to obtain by means of making a willfully false statement or representation or by impersonation or by failing to disclose material facts or in any manner not authorized by this Part or the regulations issued pursuant thereto, transfers with intent to defraud any food stamps or authorization cards to which he is not entitled in the amount of four hundred dollars (\$400.00) or less shall be guilty of a misdemeanor. Whoever knowingly obtains or attempts to obtain, or aids or abets any person to obtain by means of making a willfully false statement or representation or by impersonation or by failing to disclose material facts or in any manner not authorized by this Part or the regulations issued pursuant thereto, transfers with intent to defraud any food stamps or authorization cards to which he is not entitled in an amount more than four hundred dollars (\$400.00) shall be guilty of a felony and shall be punished as in cases of larceny.

(b) Whoever presents, or causes to be presented, food stamps or authorization cards for payment or redemption, knowing the same to have been received, transferred, or used in any manner in violation of the provisions of

this Part or the regulations issued pursuant to this Part shall be guilty of a misdemeanor and upon conviction or plea of guilty shall be fined or imprisoned or both at the discretion of the court.

(c) Whoever receives any food stamps for any consumable item knowing that such food stamps were procured fraudulently under subsections (a) and/or (b) of this section shall be guilty of a misdemeanor and upon conviction or plea of guilty shall be fined or imprisoned or both at the discretion of the court.

(d) Whoever receives any food stamps for any consumable item whose exchange is prohibited by the United States Department of Agriculture shall be guilty of a misdemeanor and upon conviction or plea of guilty shall be fined or imprisoned or both at the discretion of the court. (1981, c. 275, s. 1.)

Part 6. Medical Assistance Program.

§ 108A-54. Authorization of Medical Assistance Program.

The Department is authorized and empowered to establish a Medical Assistance Program from federal, State and county appropriations and to adopt rules and regulations under which payments are to be made in accordance with the provisions of this Part. The nonfederal share may be divided between the State and the counties, in a manner consistent with the provisions of the federal Social Security Act, except that the share required from the counties may not exceed the share required from the state. If a portion of the nonfederal share is required from the counties, the boards of county commissioners of the several counties shall levy, impose and collect the taxes required for the special purpose of medical assistance as provided in this Part, in an amount sufficient to cover each county's share of such assistance. (1965, c. 1173, s. 1; 1969, c. 546, s. 1; 1973, c. 476, s. 138; 1977, 2nd Sess., c. 1219, s. 24; 1981, c. 275, s. 1.)

§ 108A-55. Payments.

The Department may authorize, within appropriations made for this purpose, payments of all or part of the cost of medical and other remedial care for any eligible person when it is essential to the health and welfare of such person that such care be provided, and when the total resources of such person are not sufficient to provide the necessary care. When determining whether a person has sufficient resources to provide necessary medical care, there shall be excluded from consideration the person's primary place of residence and the land on which it is situated, and in addition there shall be excluded real property contiguous with the person's primary place of residence in which the property tax value is less than twelve thousand dollars (\$12,000). Payments shall be made only to intermediate care facilities, hospitals and nursing homes licensed and approved under the laws of the State of North Carolina or under the laws of another state, or to pharmacies, physicians, dentists, optometrists or other providers of health-related services authorized by the Department. Payments may also be made to such fiscal intermediaries and to such prepaid health service contractors as may be authorized by the Department.

Provided, no payments shall be made for the care of any person in a nursing home or intermediate care home which is owned or operated in whole or in part by a member of the Social Services Commission, of any county board of social services, or of any board of county commissioners, or by an official or employee of the Department or of any county department of social services or by a spouse of any such person. tial to the health and welfare” of the recipients. *Stam v. State*, 302 N.C. 357, 275 S.E.2d 439 (1981).

§ 108A-56. Acceptance of federal grants.

All of the provisions of the federal Social Security Act providing grants to the states for medical assistance are accepted and adopted, and the provisions of this Part shall be liberally construed in relation to such act so that the intent to comply with it shall be made effectual. Nothing in this Part or the regulations made under its authority shall be construed to deprive a recipient of assistance of the right to choose the licensed provider of the care or service made available under this Part within the provisions of the federal Social Security Act. § 108A-57. Subrogation rights; withholding of information a misdemeanor.

(a) Notwithstanding any other provisions of the law, to the extent of payments under this Part, the State, or the county providing medical assistance benefits, shall be subrogated to all rights of recovery, contractual or otherwise, of the beneficiary of such assistance, or of his personal representative, his heirs, or the administrator or executor of his estate, against any person. It shall be the responsibility of the county attorney or an attorney retained by the county and/or the State to enforce this section, and said attorney shall be compensated for his services in accordance with the attorneys' fee arrangements approved by the Department. The United States and the State of North Carolina shall be entitled to shares in each net recovery under this section. Their shares shall be promptly paid under this section and their proportionate parts of such sum shall be determined in accordance with the matching formulas in use during the period for which assistance was paid to the recipient.

(b) It shall be a misdemeanor for any person seeking or having obtained assistance under this Part for himself or another to willfully fail to disclose to the county department of social services or its attorney the identity of any person or organization against whom the recipient of assistance has a right of recovery, contractual or otherwise. Who May Bring Action. — Where a cause of action is created by statute and the statute also provides who is to bring the action, the person or persons so designated, and, ordinarily, only such persons, may sue. *Malloy v. Durham County Dep't of Social Servs.*, 58 N.C. App. 61, 293 S.E.2d 285 (1982), decided under former § 108-61.2.

Subdivision of County May Not Be Subrogated to Its Rights. — A mere subdivision of a county could have no more capacity to assert such right than an agent would with respect to a contractual right of his principal. A county may not confer such power on its subdivision with respect to the county's subrogation rights merely by authorizing or ratifying the

suit brought in the name of the subdivision. This rule is one of substantive law, and goes beyond "real party in interest" concerns; hence, any arguments based on § 1A-1, Rule 17 about authorization or ratification by the county are unavailing. *Malloy v. Durham County Dep't of Social Servs.*, 58 N.C. App. 61, 293 S.E.2d 285 (1982), decided under former § 108-61.2.

A county department of social services may not recover by subrogation under this section, since that right inheres only in the county involved, not such county department. *Malloy v. Durham County Dep't of Social Servs.*, 58 N.C. App. 61, 293 S.E.2d 285 (1982), decided under former § 108-61.2.

§ 108A-58. Transfer of property for purposes of qualifying for medical assistance; periods of ineligibility.

(a) Any person, otherwise eligible, who, either while receiving medical assistance benefits or within one year prior to the date of applying for medical assistance benefits, unless some other time period is mandated by controlling federal law, sells, gives, assigns or transfers countable real or personal property or an interest therein, either by himself or through his legal representative, for the purpose of retaining or establishing eligibility for medical assistance benefits, shall be ineligible to receive medical assistance benefits thereafter as set forth in subsection (c) of this section.

Countable real and personal property includes real property, excluding a homesite, intangible personal property, nonessential motor and recreational vehicles, nonincome producing business equipment, boats and motors. The provisions of this act shall not apply to the sale, gift, assignment or transfer of real or personal property if and to the extent that the person applying for medical assistance would have been eligible for such assistance notwithstanding ownership of such property or an interest therein.

(b) Any sale, gift, assignment or transfer of real or personal property or an interest therein, as provided in subsection (a) of this section, shall be presumed to have been made for the purpose of retaining or establishing eligibility for medical assistance benefits unless the person, or his legal representative, who sells, gives, assigns or transfers the property or interest, receives valuable consideration at least equal to the fair market value, less encumbrances, of the property or interest.

(c) Any person who, by himself or through his legal representative, sells, gives, assigns or transfers real or personal property or an interest therein for the purpose of retaining or establishing eligibility for medical assistance benefits, as provided in subsection (a) of this section, shall be ineligible to receive these benefits thereafter until an amount equal to the uncompensated value of

the property or interest has been expended by or on behalf of the person for his maintenance and support, including medical expenses, paid or incurred, or shall be ineligible in accordance with the following schedule, whichever is sooner:

- (1) For uncompensated value of at least one thousand dollars (\$1,000) but not more than six thousand dollars (\$6,000), a one-year period of ineligibility from date of sale, gift, assignment or transfer;
- (2) For uncompensated value of more than six thousand dollars (\$6,000) but not more than twelve thousand dollars (\$12,000), a two-year period of ineligibility from date of sale, gift, assignment or transfer;
- (3) For uncompensated value of more than twelve thousand dollars (\$12,000), a two-year period of ineligibility from date of sale, gift, assignment or transfer, plus one additional month of ineligibility for each five hundred dollar (\$500.00) increment or portion thereof by which the uncompensated value exceeds twelve thousand dollars (\$12,000), but in no event to exceed three years.

(d) The sale, gift, assignment or transfer for a consideration less than fair market value, less encumbrances, of any tangible personal property which was acquired with the proceeds of sale, assignment or transfer of real or intangible personal property described in subsection (a) of this section or in exchange for such real or intangible personal property shall be presumed to have been for the purpose of evading the provisions of this section if the acquisition and sale, gift, assignment or transfer of the tangible personal property is by or on behalf of a person receiving medical assistance or within one year of making application for such assistance and the consequences of the sale, gift, assignment or transfer of such tangible personal property shall be determined under the provisions of subsections (c), (f) and (g) of this section.

(e) The presumptions created by subsections (b) and (d) may be overcome if the person receiving or applying for medical assistance, or his legal representative, establishes by the greater weight of the evidence that the sale, gift, assignment or transfer was exclusively for some purpose other than retaining or establishing eligibility for medical assistance benefits.

(f) For the purpose of establishing uncompensated value under subsection (c), the value of property or an interest therein shall be the fair market value of the property or interest at the time of the sale, gift, assignment or transfer, less the amount of compensation, if any, received for the property or interest. There shall be a rebuttable presumption that the fair market value of real property is the most recent property tax value of the property, as ascertained according to Subchapter II of Chapter 105 of the General Statutes. Fair market value for purpose of this subsection shall be such value, determined as above set out, less any legally enforceable encumbrances to which the property is subject.

(g) In the event that there is more than one sale, gift, assignment or transfer of property or an interest therein by a person receiving medical assistance or within one year of the date of an application for medical assistance, unless some other time period is mandated by controlling federal law, the uncompensated value, for the purposes of subsection (c), shall be the aggregate uncompensated value of all sales, gifts, assignments and transfers. The date which is the midpoint between the date of the first and last sale, gift, assignment or transfer shall be the date from which the period of ineligibility shall be determined under subsection (c).

(h) This section shall not apply to applicants for or recipients of aid to families with dependent children or to persons entitled to medical assistance by virtue of their eligibility for aid to families with dependent children. (1977, c. 59, s. 1; 1981, c. 275, s. 1; c. 758, s. 2.)

Effect of Amendments. — Session Laws 1981, c. 758, s. 2, effective October 1, 1981, rewrote this section.

Session Laws 1981, c. 758, s. 4, provides: "This act shall become effective October 1, 1981, and shall apply to applications pending

on that date except that this act shall not apply to any transfer of personal property made prior to the date of ratification of this act." The act was ratified July 1, 1981.

Session Laws 1981, c. 758, s. 3, contains a severability clause.

§ 108A-59. Acceptance of medical assistance constitutes assignment to the State of right to third party benefits; recovery procedure.

(a) Notwithstanding any other provisions of the law, by accepting medical assistance, the recipient shall be deemed to have made an assignment to the State of the right to third party benefits, contractual or otherwise, to which he may be entitled.

OPINIONS OF ATTORNEY GENERAL

An action transmittal from the United States Department of Health, Education and Welfare provides that all states participating in the Medicaid Program under Section 1902(f) of the Social Security Act must "cease deeming income for any length of time between aged, blind, or disabled Medicaid applicants residing in institutions and their spouses." The basis for this directive is an order entered by the United States District Court for the District of Columbia in a case which is cur-

rently being appealed, this HEW Action Transmittal implementing the court order is binding and controlling as to North Carolina Medicaid policy and regulations. Therefore former § 108-61.4A, pertaining to the same subject matter as this section, could not take effect so long as the aforementioned order stood. See opinion of Attorney General to Dr. Sarah T. Morrow, Secretary of Human Resources, May 30, 1979.

Patients at an intermediate care facility or skilled nursing facility may take up to 18 days of therapeutic leave in any 12-month period without the facility losing reimbursement under the medical assistance program. (1979, c. 925; 1981, c. 275, s. 1.)

(a) It shall be unlawful for any provider of medical assistance under this Part to knowingly and willfully make or cause to be made any false statement or representation of a material fact:

- (1) In any application for payment under this Part, or for use in determining entitlement to such payment; or
- (2) With respect to the conditions or operation of a provider or facility in order that such provider or facility may qualify or remain qualified to provide assistance under this Part.

(b) It shall be unlawful for any provider of medical assistance to knowingly and willfully conceal or fail to disclose any fact or event affecting:

- (1) His initial or continued entitlement to payment under this Part; or
- (2) The amount of payment to which such person is or may be entitled.

(c) Any person who violates a provision of this section shall be guilty of a Class I felony.

(d) "Provider" shall include any person who provides goods or services under this Part and any other person acting as an employee, representative or agent of such person. (1979, c. 510, s. 1; 1981, c. 275, s. 1.)

§ 108A-64. Medical assistance recipient fraud.

(a) It shall be unlawful for any person to knowingly and willfully and with intent to defraud make or cause to be made a false statement or representation of a material fact in an application for assistance under this Part, or intended for use in determining entitlement to such assistance.

(b) It shall be unlawful for any applicant, recipient or person acting on behalf of such applicant or recipient to knowingly and willfully and with intent to defraud, conceal or fail to disclose any condition, fact or event affecting such applicant's or recipient's initial or continued entitlement to receive assistance under this Part.

- (c) (1) A person who violates a provision of this section shall be guilty of a Class I felony if the value of the assistance wrongfully obtained is more than four hundred dollars (\$400.00).
- (2) A person who violates a provision of this section shall be guilty of a misdemeanor if the value of the assistance wrongfully obtained is four hundred dollars (\$400.00) or less, and shall be punished by a term of imprisonment of not more than two years or a fine of not more than five hundred dollars (\$500.00), or both, at the discretion of the court.

ARTICLE 4.

Public Assistance and Social Services Appeals and Access to Records.

§ 108A-79. Appeals.

(a) A public assistance applicant or recipient shall have a right to appeal the decision of the county board of social services, county department of social services, or the board of county commissioners granting, denying, terminating, or modifying assistance, or the failure of the county board of social services or county department of social services to act within a reasonable time under the rules and regulations of the Social Services Commission or the Department. Each applicant or recipient shall be notified in writing of his right to appeal upon denial of his application for assistance and at the time of any subsequent action on his case.

(b) In cases involving termination or modification of assistance, no action shall become effective until 10 workdays after notice of this action and of the right to appeal is mailed or delivered by hand to the recipient; provided, how-

ever, termination or modification of assistance may be effective immediately upon the mailing or delivery of notice in the following circumstances:

- (1) When the modification is beneficial to the recipient; or
 - (2) When federal regulations permit immediate termination or modification upon mailing or delivery of notice and the Social Services Commission or the Department of Human Resources promulgates regulations adopting said federal law or regulations. When federal and State regulations permit immediate termination or modification, the recipient shall have no right to continued assistance at the present level pending a hearing, as would otherwise be provided by subsection (d) of this section.
- (c) The notice of action and the right to appeal shall comply with all applicable federal and State law and regulations; provided, such notice shall, at a minimum contain a clear statement of:
- (1) The action which was or is to be taken;
 - (2) The reasons for which this action was or is to be taken;
 - (3) The regulations supporting this action;
 - (4) The applicant's or recipient's right to both a local and State level hearing, or to a State level hearing in the case of the food stamp program, on the decision to take this action and the method for obtaining these hearings;
 - (5) The right to be represented at the hearings by a personal representative, including an attorney obtained at the applicant's or recipient's expense;
 - (6) In cases involving termination or modification of assistance, the recipient's right upon timely request to continue receiving assistance at the present level pending an appeal hearing and decision on that hearing.

An applicant or recipient may give notice of appeal by written or oral statement to the county department of social services, which shall record such notice by completing a form developed by the Department.

Such notice of appeal must be given within 60 days from the date of the action, or 90 days from the date of notification in the case of the food stamp program. Failure to give timely notice of appeal constitutes a waiver of the right to a hearing. However, it shall not affect the right to reapply for benefits.

(d) If there is such timely appeal in cases not involving disability, in the first instance the hearing shall consist of a local appeal hearing before the county director or a designated representative of the county director, provided whoever hears the local appeal shall not have been involved directly in the initial decision giving rise to the appeal. If there is such timely appeal in cases involving disability, the county director or a designated representative of the county director shall within five days of the request for an appeal forward the request to the Department of Human Resources, and the Department shall designate a hearing officer who shall promptly hold a hearing in the county according to the provisions of subsections (i) and (j) of this section. In cases involving termination or modification of assistance (other than cases of immediate termination or modification of assistance pursuant to subsection (b) (2) of this section), the recipient shall continue to receive assistance at the present level pending the decision at the initial hearing, whether that be the local appeal hearing decision or, in cases involving questions of disability, the Department of Human Resources hearing decision, provided that in order to continue receiving assistance pending the initial hearing decision the recipient must request a hearing on or before the effective date of the termination or modification of assistance.

(e) The local appeal hearing shall be held not more than five days after the request for it is received. The recipient may, for good cause shown as defined by rule or regulation of the Social Services Commission or the Department, petition the county department of social services, in writing, for a delay, but

in no event shall the local appeal hearing be held more than 15 days after the receipt of the request for hearing. At the local appeal hearing:

- (1) The appellant and the county department may be represented by personal representatives, including attorneys, obtained at their expense.
 - (2) The appellant or his personal representative and the county department shall present such sworn evidence and law or regulations as bear upon the case. The hearing need not be recorded or transcribed, but the director or his representative shall summarize in writing the substance of the hearing.
 - (3) The appellant or his personal representative and the county department may cross-examine witnesses and present closing arguments summarizing their views of the case and the law.
 - (4) Prior to and during the hearing, the appellant or his personal representative shall have adequate opportunity to examine the contents of his case file for the matter pending together with those portions of other public assistance or social services case files which pertain to the appeal, and all documents and records which the county department of social services intends to use at the hearing. Those portions of the public assistance or social services case file which do not pertain to the appeal or which are required by federal statutes or regulations or by State statutes or regulations to be held confidential shall not be released to the appellant or his personal representative. In cases where the appellant has been denied access to the public assistance or social services case file the hearing officer shall certify as part of the official record that the hearing officer has examined the case files and that no portion of those files pertain to the appeal. Such certification may be subject to judicial review as provided in subsection (k) of this section. Nothing in this section is intended to restrict an applicant or recipient access to information if that access is allowed by rules and regulations promulgated pursuant to G.S. 108A-80.
- (f) The director or his designated representative shall make the decision based upon the evidence presented at the hearing and all applicable regulations, and shall prepare a written statement of his decision citing the regulations and evidence to support it. This written statement of the decision will be served by certified mail on the appellant within five days of the local appeal hearing. If the decision terminating or modifying the appellant's benefits is affirmed, the assistance shall be terminated or modified, not earlier than the date the decision is mailed, and any assistance received during the time of the appeal is subject to recovery.
- (g) If the appellant is dissatisfied with the decision of the local appeal hearing, he may within 15 days of the mailing notification of the decision take a further appeal to the Department. However, assistance may not be received pending this further appeal. Failure to give timely notice of further appeal constitutes a waiver of the right to a hearing before an official of the Department, but shall not affect the right to reapply for benefits.
- (h) Subsections (d)-(g) of this section shall not apply to the food stamp program. The first appeal for a food stamp recipient or his representative shall be to the Department. Pending hearing, the recipient's assistance shall be continued at the present level upon timely request.
- (i) If there is an appeal from the local appeal hearing decision, or from a food stamp recipient or his representative where there is no local hearing, or if there is an appeal of a case involving questions of disability the county director shall notify the Department according to its rules and regulations. The Department shall designate a hearing officer who shall promptly hold a de novo administrative hearing in the county after giving reasonable notice of the time and place of such hearing to the appellant and the county department of social services.

Such hearing shall be conducted according to applicable federal law and regulations and Article 3, Chapter 150A, of the General Statutes of North Carolina; provided the Department shall adopt rules and regulations to ensure the following:

- (1) Prior to and during the hearing, the appellant or his personal representative shall have adequate opportunity to examine his case file and all documents and records which the county department of social services intends to use at the hearing together with those portions of other public assistance or social services case files which pertain to the appeal. Those portions of the public assistance or social services case files which do not pertain to the appeal or which are required by federal statutes or regulations or by State statutes or regulations to be held confidential shall not be released to the appellant or his personal representative. In cases where the appellant has been denied access to portions of the public assistance or social services case file, the hearing officer shall certify as part of the official record that the hearing officer has examined the case files and that no portion of those files pertain to the appeal. Such certification may be subject to judicial review as provided in subsection (k) of this section. Nothing in this section is intended to restrict an applicant or recipient access to information if that access is allowed by rules or regulations promulgated pursuant to G.S. 108A-80.
- (2) At the appeal hearing, the appellant and personnel of the county department of social services may present such sworn evidence, law and regulations as bear upon the case.
- (3) The appellant and county department shall have the right to be represented by the person of his choice, including an attorney obtained at his own expense.
- (4) The appellant and county department shall have the right to cross-examine the other party as well as make a closing argument summarizing his view of the case and the law.
- (5) The appeal hearing shall be recorded; however, no transcript will be prepared unless a petition for judicial review is filed pursuant to subsection (k) herein, in which case, the transcript will be made a part of the official record. In the absence of the filing of a petition for a judicial review, the recording of the appeal hearing may be erased or otherwise destroyed 180 days after the final decision is mailed.
- (6) Notwithstanding G.S. 150A-28 or any other provision of State law, discovery shall be no more extensive or formal than that required by federal law and regulations applicable to such hearings.
- (j) After the administrative hearing, the hearing officer shall prepare a proposal for decision, citing pertinent law, regulations, and evidence, which shall be served upon the appellant and the county department of social services or their personal representatives. The appellant and the county department of social services shall have the opportunity to present oral and written arguments in opposition to or in support of the proposal for decision to the designated official of the Department who is to make the final decision. The final decision shall be based on, conform to, and set forth in detail the relevant evidence, pertinent State and federal law and regulations, and matters officially noticed. The decision shall be rendered not more than 90 days, or 45 days in the case of the food stamp program, from the date of request for the hearing, unless the hearing was delayed at the request of the appellant. If the hearing was delayed at the appellant's request, the decision may only be delayed for the length of time the appellant requested a delay. The final decision shall be served upon the appellant and upon the county department of social services by certified mail, with a copy furnished to either party's attorney of record. In the absence of a petition for judicial review filed pursuant to

subsection (k) herein, the final decision shall be binding upon the appellant, the county department of social services, the county board of social services, and the board of county commissioners.

(k) Any appellant or county board of social services or board of county commissioners in the case of the food stamp program who is dissatisfied with the final decision of the Department may file, within 30 days of the receipt of notice of such decision, a petition for judicial review in superior court of the county from which the case arose. The hearing shall be conducted according to the provisions of Article 4, Chapter 150A, of the North Carolina General Statutes. The court shall, on request, examine the evidence excluded at the hearing under G.S. 108A-79(e)(4) or G.S. 108A-79(i)(1) and if the evidence was improperly excluded, the court shall consider it. Notwithstanding the foregoing provisions, the court may take testimony and examine into the facts of the case, including excluded evidence, to determine whether the appellant is entitled to public assistance under federal and State law, and under the rules and regulations of the Social Services Commission or the Department of Human Resources. Furthermore, the court shall set the matter for hearing within 15 days from the filing of the record under G.S. 150A-47 and after reasonable written notice to the Department of Human Resources and the appellant.

(l) In the event of conflict between federal law or regulations and State law or regulations, the federal law or regulations shall control. (1937, c. 288, ss. 18, 48; 1939, c. 395, s. 1; 1957, c. 100, s. 1; 1969, c. 546, s. 1; cc. 735, 754; 1973, c. 476, s. 138; 1977, 2nd Sess., c. 1219, ss. 14-18; 1979, c. 691; 1981, c. 275, s. 1; c. 419, ss. 1-3; c. 420, ss. 1-3.)

The second 1981 amendment, effective

October 1, 1981, rewrote subsections (b) and (d) and inserted "or if there is an appeal of a case involving questions of disability" in the first sentence of subsection (i).

Determination of Budget by Department of Human Resources as Final and Binding.

— The Department of Human Resources has the power to make a final determination of an

appropriate budget of total county funds that is binding upon the county. *Fracaro v. Priddy*, 514 F. Supp. 191 (M.D.N.C. 1981).

§ 108A-89. State Public Assistance Contingency Loan Program.

(a) The Department is authorized and empowered to establish a program known as the "State Public Assistance Contingency Loan Program." The purpose of this program shall be to make loans available to counties whose actual expenditures, excluding related administrative costs, exceed the estimates for public assistance programs only provided by the Department under G.S. 108A-88.

(b) Loans shall be made to the counties at any time during the fiscal year by the Department, when satisfied of the county's need for such loan under this Article.

(c) A loan provided under this section shall be used by a county only to pay the county share of public assistance costs that exceeds the estimate provided by the Department under G.S. 108A-88 in order to sustain an adequate program of public assistance in that county.

(d) Any amount borrowed by a county from the "State Public Assistance Contingency Fund" during one fiscal year shall be repaid to said fund within the next two fiscal years. (1973, c. 1418, s. 2; 1977, c. 1089, s. 2; 1977, 2nd Sess., c. 1219, s. 22; 1981, c. 275, s. 1.)

Cross References. — As to withholding of State moneys from counties failing to pay public assistance cost, see § 108A-93.

§ 108A-90. Counties to levy taxes.

(a) Whenever the Secretary or his representative assigns a portion of the nonfederal share of public assistance expenses to the counties under the rules and regulations of the Social Services Commission or the Department, the board of commissioners of each county shall levy and collect the taxes required to meet the county's share of such expenses.

(b) The board of county commissioners may combine any or all of the separate special taxes for each program of public assistance and for the related administrative costs of such programs in place of levying separate special taxes for each item. This consolidated tax shall be sufficient, when combined with other funds available for use for public assistance expenses from any other source of county income and revenue (including borrowing in anticipation of collection of taxes), to meet the financial requirements of public assistance programs, and the related administrative costs of each program. The appropriations and expenditures for each of the several programs and for related administrative costs shall be separately stated and accounted for. (1937, c. 288, ss. 9, 39; 1969, c. 546, s. 1; 1971, c. 780, s. 35; 1973, c. 476, s. 138; c. 1418, s. 4; 1981, c. 275, s. 1.)

§ 108A-91. Appropriations not to revert.

County appropriations for public assistance expenses or related administrative costs shall not lapse or revert, and the unexpended balances may be considered in making further public assistance or administrative appropriations. At any time during the fiscal year, any county may transfer county funds from one public assistance program to another and between programs of public assistance and administration if such action appears to be both necessary and feasible, provided the county secures the approval of the Secretary or his representative. (1953, c. 891; 1967, c. 554; 1969, c. 546, s. 1; 1973, c. 476, s. 138; c. 1418, s. 5; 1981, c. 275, s. 1.)

§ 108A-92. State Public Assistance Equalization Program.

The Secretary is authorized and directed to reserve from State appropriations for the programs of public assistance an amount found to be necessary to equalize the burden of taxation in the counties of the State, and to equalize the benefits received by the recipients of public assistance. This amount shall be expended and disbursed solely for the use and benefit of persons eligible for assistance. The amount reserved shall be distributed among the counties according to their needs under a formula approved by the Social Services Commission so as to produce a fair and just distribution. (1937, c. 288, s. 62; 1943, c. 505, s. 11; 1963, c. 551, ss. 1, 2; c. 599, s. 2; 1965, c. 409; 1969, c. 546, s. 1; 1973, c. 476, s. 138; 1981, c. 275, s. 1.)

The evaluation shall include a visit to the person and consultation with others having knowledge of the facts of the particular case. After completing the evaluation the director shall make a written report of the case indicating whether he believes protective services are needed and shall notify the individual making the report of his determination as to whether the disabled adult needs protective services.

The petition must allege specific facts sufficient to show that the disabled adult is in need of protective services and consents to the receipt of protective services and that the caretaker refuses to allow the provision of such services. If the judge finds by clear, cogent, and convincing evidence that the disabled adult is in need of protective services and consents to the receipt of protective services and that the caretaker refuses to allow the provision of such services, he may issue an order enjoining the caretaker from interfering with the provision of protective services to the disabled adult.

(c) If a disabled adult does not consent to the receipt of protective services, or if he withdraws his consent, the services shall not be provided. (1973, c. 1378, s. 1; 1975, c. 797; 1981, c. 275, s. 1.)

§ 108A-105. Provision of protective services to disabled adults who lack the capacity to consent; hearing, findings, etc.

(a) If the director reasonably determines that a disabled adult is being abused, neglected, or exploited and lacks capacity to consent to protective services, then the director may petition the district court for an order authorizing the provision of protective services. The petition must allege specific facts sufficient to show that the disabled adult is in need of protective services and lacks capacity to consent to them.

(b) The court shall set the case for hearing within 14 days after the filing of the petition. The disabled adult must receive at least five days' notice of the

hearing. He has the right to be present and represented by counsel at the hearing. If the person is indigent, the cost of representation shall be borne by the State.

(c) If, at the hearing, the judge finds by clear, cogent, and convincing evidence that the disabled adult is in need of protective services and lacks capacity to consent to protective services, he may issue an order authorizing the provision of protective services. This order may include the designation of an individual or organization to be responsible for the performing or obtaining of essential services on behalf of the disabled adult or otherwise consenting to protective services in his behalf. Within 60 days from the appointment of such an individual or organization, the court will conduct a review to determine if a petition should be initiated in accordance with Chapter 35, Article 1A, or G.S. 33-7, as appropriate; for good cause shown, the court may extend the 60 day period for an additional 60 days, at the end of which it shall conduct a review to determine if a petition should be initiated in accordance with Chapter 35, Article 1A, or G.S. 33-7, as appropriate. No disabled adult may be committed to a mental health facility under this Article.

(d) A determination by the court that a person lacks the capacity to consent to protective services under the provisions of this Chapter shall in no way affect incompetency proceedings as set forth in Chapters 33, 35 or 122 of the General Statutes of North Carolina, or any other proceedings, and incompetency proceedings as set forth in Chapters 33, 35, or 122 shall have no conclusive effect upon the question of capacity to consent to protective services as set forth in this Chapter. (1973, c. 1378, s. 1; 1975, c. 797; 1977, c. 725, s. 3, 1979, c. 1044, s. 5; 1981, c. 275, s. 1.)

§ 108A-106. Emergency intervention; findings by court; limitations; contents of petition; notice of petition; court authorized entry of premises; immunity of petitioner.

(a) Upon petition by the director, a court may order the provision of emergency services to a disabled adult after finding that there is reasonable cause to believe that:

- (1) A disabled adult lacks capacity to consent and that he is in need of protective service;
- (2) An emergency exists; and
- (3) No other person authorized by law or order to give consent for the person is available and willing to arrange for emergency services.

(b) The court shall order only such emergency services as are necessary to remove the conditions creating the emergency. In the event that such services will be needed for more than 14 days, the director shall petition the court in accordance with G.S. 108A-105.

(c) The petition for emergency services shall set forth the name, address, and authority of the petitioner; the name, age and residence of the disabled adult; the nature of the emergency; the nature of the disability if determinable; the proposed emergency services; the petitioner's reasonable belief as to the existence of the conditions set forth in subsection (a) above; and facts showing petitioner's attempts to obtain the disabled adult's consent to the services.

(d) Notice of the filing of such petition, and other relevant information, including the factual basis of the belief that emergency services are needed and a description of the exact services to be rendered, shall be given to the person, to his spouse, or if none, to his adult children or next of kin, to his guardian, if any. Such notice shall be given at least 24 hours prior to the hearing of the

petition for emergency intervention; provided, however, that the court may issue immediate emergency order ex parte upon finding as fact (i) that the conditions specified in G.S. 108A-106(a) exist; (ii) that there is likelihood that the disabled adult may suffer irreparable injury or death if such order be delayed; and (iii) that reasonable attempts have been made to locate interested parties and secure from them such services or their consent to petitioner's provision of such service; and such order shall contain a show-cause notice to each person upon whom served directing such person to appear immediately or at any time within 20 days thereafter and show cause, if any exist, for the dissolution or modification of the said order, otherwise same to remain in effect; and copies of the said order together with such other appropriate notices as the court may direct shall be issued and served upon all of the interested parties designated in the first sentence of this subsection.

(e) Where it is necessary to enter a premises without the disabled adult's consent after obtaining a court order in compliance with subsection (a) above, the representative of the petitioner shall do so.

(f) (1) Upon petition by the director, a court may order that:

- a. The disabled adult's financial records be made available at a certain day and time for inspection by the director or his designated agent; and
- b. The disabled adult's financial assets be frozen and not withdrawn, spent or transferred without prior order of the court.

(2) Such an order shall not issue unless the court first finds that there is reasonable cause to believe that:

- a. A disabled adult lacks the capacity to consent and that he is in need of protective services;
- b. The disabled adult is being financially exploited by his caretaker; and
- c. No other person is able or willing to arrange for protective services.

(3) Provided, before any such inspection is done, the caretaker and every financial institution involved shall be given notice and a reasonable opportunity to appear and show good cause why this inspection should not be done. And, provided further, that any order freezing assets shall expire ten days after such inspection is completed, unless the court for good cause shown, extends it.

(g) No petitioner shall be held liable in any action brought by the disabled adult if the petitioner acted in good faith. (1975, c. 797; 1981, c. 275, s. 1.)

§ 108A-107. Motion in the cause.

Notwithstanding any finding by the court of lack of capacity of the disabled adult to consent, the disabled adult or the individual or organization designated to be responsible for the disabled adult shall have the right to bring a motion in the cause for review of any order issued pursuant to this Article. (1973, c. 1378, s. 1; 1975, c. 797; 1981, c. 275, s. 1.)

§ 108A-108. Payment for essential services.

At the time the director, in accordance with the provisions of G.S. 108A-103 makes an evaluation of the case reported, then it shall be determined, according to regulations set by the Social Services Commission, whether the individual is financially capable of paying for the essential services. If he is, he shall make reimbursement for the costs of providing the needed essential services. If it is determined that he is not financially capable of paying for such essential services, they shall be provided at no cost to the recipient of the services. (1975, c. 797; 1981, c. 275, s. 1.)

§ 108A-109. Reporting abuse.

§ 108A-110. Funding of protective services.

Such funds shall be utilized by the county department of social services for the benefit of disabled adults in need of protective services. (1975, c. 797; 1981, c. 275, s. 1.)

§ 108A-111. Adoption of standards.

Unless the context or subject matter otherwise requires, the terms or phrases used in this Article shall be defined as follows:

- (2) "Day care" includes any child-care arrangement under which a child less than 13 years of age receives care away from his own home by persons other than his parents, grandparents, aunts, uncles, brothers and sisters who are not minors, and guardians or full-time custodians.
- (3) "Day-care facility" includes any child day-care center or child care arrangement which provides day care for more than five children, not including the operator's after-school children, under the age of 13, on a regular basis of at least once per week for more than four hours but less than 24 hours per day, regardless of the time of day and regardless of whether the same children attend regularly. The following are not included: public schools; nonpublic schools whether or not accredited by the State Department of Public Instruction, which regularly and exclusively provide a course of grade school instruction to children who are of public school age; summer camps having children in full-time residence; summer day camps which are run by nonprofit organizations exempt from taxation pursuant to Article 4 of Chapter 105 of the General Statutes; Bible schools conducted during vacation periods; and cooperative arrangements among parents to provide care for their own children as a convenience rather than for employment.
- (4) "Day-care plan" includes any day-care program or child-care arrangement in which any person provides day care for more than one child and less than six children at any one time, wherever operated, and whether or not operated for profit. To determine whether a child-care arrangement is a day-care plan, all children shall be counted except the school-age children of the plan operator or provider. The person who is registered shall be the individual who is actually providing care on site for the children.

No day-care plan shall be registered if that plan is operated by or employs any person who has been convicted of a crime involving child abuse, child neglect, or moral turpitude, or who is an habitually excessive user of alcohol or who illegally uses narcotics or other impairing drugs, or who is mentally or emotionally impaired to an extent that may be injurious to children. Legal Periodicals. — For a survey of 1977 law on health care regulation, see 56 N.C.L. Rev. 857 (1978).

§ 110-91. Mandatory standards for a license.

The following standards relating to the health and safety of children shall be complied with by all day-care facilities, except as otherwise provided in this Article. These shall be the only required standards for the issuance of a license by the Secretary of Administration under the policies and procedures of the Commission except that the Commission may, in its discretion, adopt less stringent standards for facilities subject to licensing but which provide care on a temporary, part-time, drop-in, seasonal, after-school or other than a full-time basis.

- (6) **Space Requirements.** — There shall be no less than 25 square feet of indoor space for each child for which a day-care facility is licensed, exclusive of closets, passageways, kitchens, and bathrooms, and such floor space shall provide during rest periods 200 cubic feet of airspace per child for which the facility is licensed. There shall be adequate outdoor play area for each child under rules and regulations to be adopted by the Commission which shall be related to the size and type of facility, availability and location of outside land area, except in no event shall the minimum required exceed 75 square feet per child, which area shall be protected to assure the safety of the children receiving day care by an adequate fence or other protection; provided, however, that a facility operated in a public school shall be deemed to have adequate fencing protection; provided, also, that a facility operating exclusively during the evening and early morning hours, between 6:00 p.m. and 6:00 a.m., need not meet the outdoor play area requirements mandated by this subdivision.

(7) **Staff-Child Ratio.** — In determining the staff-child ratio, children of the supervisor or other children under 13 years of age shall be included. The Commission shall adopt rules and regulations regarding staff-child ratio, provided, however, that such rules and regulations shall in no event require a ratio of staff members to children more stringent than the following:

- a. For day-care facilities caring for less than 30 children, the ratios shall be as follows:
 - 1. In facilities licensed for six to 10 children, inclusive, one full-time supervising adult with another person who is at least 16 years of age available for emergencies in relief.
 - 2. In facilities licensed for 11 to 20 children, inclusive, there must be one full-time supervising adult and one full-time staff member, one of whom may have responsibility for food preparation.
 - 3. In facilities licensed for 21 to 29 children, inclusive, there must be one full-time supervising adult and two full-time staff members, one of whom may have responsibility for food preparation.

b. For facilities caring for 30 or more children, the ratio shall be as follows:

<i>Ages of Children</i>	<i>No. of Children</i>	<i>Staff Members</i>
0 to 2 years	8	1
2 to 3 years	12	1
3 to 4 years	15	1
4 to 5 years	20	1
5 or more years	25	1

- 1. Children under two years of age in any facility must be kept separate from older children, and with a full-time adult always in attendance.
- 2. Staff members required to be responsible for the care of children shall not have responsibility for food preparation.

- c. Any facility may provide care for twenty percent (20%) more children than the number for which it is licensed, including preschool and school age children. No more than 25 children shall be attended by one staff member or supervising adult.
- d. Repealed by Session Laws 1981 (Regular Session, 1982), c. 1382, s. 2, effective July 1, 1982.

(8) **Qualifications for Staff.** — Each day-care facility shall be under the direction or supervision of a literate person at least 21 years of age. All staff counted in determining the required staff-child ratio shall be at least 18 years of age or a high school graduate. Persons less than 18 years of age, but at least 16 years of age, may work in day-care facilities provided they are under the direct supervision of a required staff member. No person shall be an operator of nor be employed in a day-care facility who has been convicted of a crime involving child neglect, child abuse, or moral turpitude, or who is an habitually excessive user of alcohol or who illegally uses narcotic or other impairing drugs, or who is mentally or emotionally impaired to an extent that may be injurious to children.

Only Part of Section Set Out. — As the rest of the section was not affected by the amendments, it is not set out.

applicable to day-care facilities operated by churches, synagogues, or schools of religious charter, see § 110-106.

Cross Reference. — As to standards **Effect of Amendments.** — The 1979 amend-

ment substituted "who is at least 16 years of age" for "between the ages of 16 and 70 years, inclusive," in paragraph a1 of subdivision (7), and deleted "nor more than 70 years of age" at the end of the second sentence in subdivision (8).

The 1981 (Reg. Sess., 1982) amendment, effective July 1, 1982, rewrote subdivision (7)c, which formerly provided for a 20% tolerance as to groups and numbers of children specified and as to the total number for which the facility was licensed, with the exception that no more than 25 children could be attended by one staff member. The amendment also deleted subdivision (7)d, relating to the care of school age children in after-school hours.

Session Laws 1983, c. 46, s. 2, effective Oct. 1, 1983, added the last proviso at the end of subdivision (6).

Session Laws 1983, c. 62, s. 1, effective Oct. 1, 1983, substituted the present second and third sentences of subdivision (8) for the former second sentence, which read "Each staff member employed in a day-care facility supervising children shall be not less than 16 years of age."

Session Laws 1983, c. 277, effective July 1, 1983, substituted "or emotionally impaired" for "retarded or mentally ill" near the end of subdivision (8).

Session Laws 1983, c. 612, effective Oct. 1, 1983, rewrote the second sentence of the introductory paragraph, which formerly read "These standards shall be the only required standards for issuance of a license by the Secretary of Administration under policies and procedures of the Commission."

CASE NOTES

Action for Declaratory Judgment Not Barred. — The spirit and intent of this section do not permit, much less compel, a conclusion that the Day-Care Facilities Act is intended to restrict the general statewide jurisdiction of the superior court or to limit the scope of relief normally available in declaratory judgment actions. The mere existence of an alternate adequate remedy under this section will not be held to bar an appropriate action for declaratory judgment. *State, Child Day-Care Licensing Comm'n v. Fayetteville St. Christian School*, 299 N.C. 351, 261 S.E.2d 908, appeal dismissed, 449 U.S. 807, 101 S. Ct. 55, 66 L. Ed. 2d 11 (1980).

Preliminary injunction serves to place the parties in the position they were before the dispute between them arose. *State v. Fayetteville St. Christian School*, 299 N.C. 731, 265 S.E.2d 387, appeal dismissed, 449 U.S. 807, 101 S. Ct. 55, 66 L. Ed. 2d 11 (1980).

Defendants' compliance with prelimi-

nary injunction does not moot issues raised by defendants' assertions of constitutional defenses to the State's action. The preliminary injunction requires defendants to comply with the statutory licensing requirements until a final determination can be made on fully developed facts of the ultimate question in the case, i.e., whether the licensing statutes can be constitutionally applied to these defendants. Until such a determination is made the statutes, conceded to be facially valid, are presumably applicable to defendants and defendants must perforce comply with them. *State v. Fayetteville St. Christian School*, 299 N.C. 731, 265 S.E.2d 387, appeal dismissed, 449 U.S. 807, 101 S. Ct. 55, 66 L. Ed. 2d 11 (1980).

Preliminary injunction under this section is not immediately appealable. *State v. Fayetteville St. Christian School*, 299 N.C. 731, 265 S.E.2d 387, appeal dismissed, 449 U.S. 807, 101 S. Ct. 55, 66 L. Ed. 2d 11 (1980).

§ 110-105. Authority to inspect facilities.

(a) The Commission shall adopt standards, rules and regulations under this subsection which provide for the following types of inspections:

- (1) An initial licensing or certification inspection, which shall not occur until the administrator of the facility receives prior notice of the initial inspection or certification visit;
- (2) A plan for routine inspections of all facilities, which shall be confidential unless a court orders its disclosure, and which shall be conducted without prior notice to the facility;
- (3) An inspection that may be conducted without notice, if there is probable cause to believe that an emergency situation exists or there is a complaint alleging a violation of licensure law.

The Secretary or his designee, upon presenting appropriate credentials to the operator of the day-care facility, is authorized to perform inspections in accordance with the standards, rules and regulations promulgated under this subsection.

(b) If an operator refuses to allow the Secretary or his designee to inspect the day-care facility, the Secretary shall seek an administrative warrant in accordance with G.S. 15-27.2. (1983, c. 261, s. 1.)

Editor's Note. — Session Laws 1983, c. 261, s. 2, makes this section effective Oct. 1, 1983.

§ 110-106. Religious sponsored day-care facilities.

(a) The term "church day-care facility" as used herein shall include any day-care facility operated by a church, synagogue or school of religious charter.

(b) Reporting Procedure of Church Day-Care Facilities. —

- (1) Church day-care facilities shall file with the Child Day-Care Licensing Commission a notice of intent to operate a day-care facility and the date it will begin operation. Within 30 days after the beginning of operation, the church day-care facility shall have filed with the Commission reports and supporting data that will show the day-care facility to be in compliance with all minimum standards provided in G.S. 110-90.1 and G.S. 110-91 for day-care facilities.
- (2) Each church day-care facility shall annually file with the Commission a report indicating that it meets the minimum standards for facilities as provided in G.S. 110-90.1 and G.S. 110-91. The report shall be in such form as is required by the Commission. Each church day-care facility shall be responsible for accompanying its report with the necessary supporting data to show conformity with those minimum standards, including reports from the local and district health departments, local building inspectors, local firemen, volunteer firemen, and other, on forms which shall be provided by the Commission.
- (3) It shall be the responsibility of the Commission to notify the facility if it fails to meet the minimum requirements. The Commission shall be responsible for carrying out the enforcement provisions provided by the General Assembly in Article 7 of Chapter 110 including inspection to insure compliance. After a hearing the Commission shall be empowered to issue an order requiring a church day-care facility which fails to meet the standards established pursuant to this Article to cease operating. A church day-care facility may request a hearing to determine if it is in compliance with the provisions of G.S. 110-90.1 and G.S. 110-91. If the Commission determines that it is not, it may order the facility to cease operation until it is in compliance.
- (4) Church day-care facilities shall be exempt from the requirement that they obtain a license and that the license be displayed and shall be exempt from any subsequent rule or regulatory program not dealing specifically with the minimum standards as provided in G.S. 110-90.1 and G.S. 110-91. Nothing in this Article shall be interpreted to allow the State to regulate or otherwise interfere with the religious training offered as a part of any church day-care program. Nothing in this Article shall prohibit any church-operated, synagogue-operated, or religious affiliated facility from becoming licensed by the State if it so chooses.
- (5) Church day-care facilities found to be in violation of G.S. 110-90.1 and 110-91 shall be subject to the injunctive provisions of G.S. 110-104, except that they may not be enjoined for operating without a license. The Secretary is empowered to seek an injunction against any such facility under the conditions specified in G.S. 110-104 with the above exception and when any such facility operates without submitting the required forms and following the procedures required by this Article. (1983, c. 283, ss. 1, 2.)

Editor's Note. — Session Laws 1983, c. 283, s. 3, makes this section effective upon ratification. The act was ratified May 9, 1983.

ARTICLE 8.

Child Abuse and Neglect.

§§ 110-115 to 110-123: Repealed by Session Laws 1979, c. 815, s. 2, effective January 1, 1980.

Cross References. — For present provisions as to the screening of abuse and neglect complaints, see §§ 7A-542 through 7A-552.

ARTICLE 9.

Child Support.

§ 110-128. Purposes.

The purposes of this Article are to provide for the financial support of dependent children; to provide that public assistance paid to dependent children is a supplement to the support required to be provided by the responsible parent; to provide that the payment of public assistance creates a debt to the State; to provide that the acceptance of public assistance operates as an assignment of the right to child support; to provide for the location of absent parents; to provide for a determination that a responsible parent is able to support his children; and to provide for enforcement of the responsible parent's obligation to furnish support and to provide for the establishment and administration of a program of child support enforcement in North Carolina. (1975, c. 827, s. 1; 1977, 2nd Sess., c. 1186, s. 1.)

Effect of Amendments. — The 1977, 2nd Sess., amendment substituted "dependent" for "needy" preceding "children" the second time that word appears in this section, inserted "required to be" following "support" near the beginning of the section and added at the end of

the section "and to provide for the establishment and administration of a program of child support enforcement in North Carolina."

- (5) "Designated representative" means any person or agency designated by a board of county commissioners or the Department of Human Resources to administer a program of child support enforcement for a county or region of the State. (1975, c. 827, s. 1; 1977, 2nd Sess., c. 1186, ss. 2, 3.)

Only Part of Section Set Out. — As subdivisions (1) and (2) were not changed by the amendment, they are not set out.

Effect of Amendments. — The 1977, 2nd Sess., amendment deleted, at the end of subdivi-

vision (3), "if paternity has been established in a judicial proceeding or if he has acknowledged paternity in open court or by verified written statement," and added subdivisions (4) and (5).

§ 110-130. Action by the designated representatives of the county commissioners.

Any county interested in the paternity and/or support of a dependent child may, if the mother, custodian, or guardian of the child neglects to bring such action, institute civil or criminal proceedings against the responsible parent of the child and may take up and pursue any action commenced by the mother, custodian or guardian for the maintenance of the child, including any ancillary action to establish paternity, if she fails to prosecute to final judgment. Such action shall be undertaken by the designated representative in the county where the mother of the child resides or is found, in the county where the father resides or is found, or in the county where the child resides or is found. Any legal proceeding instituted under this section may be based upon information or belief. The parent of the child may be subpoenaed for testimony at the trial of the action to establish the paternity of and/or to obtain support for the child either instituted or taken up by the designated representative of the county commissioners. The husband-wife privilege shall not be grounds for excusing the mother or father from testifying at the trial nor shall said privilege be grounds for the exclusion of confidential communications between husband and wife. If a parent called for examination declines to answer upon the grounds that his testimony may tend to incriminate him, the court may require him to answer in which event he shall not thereafter be prosecuted for any criminal act involved in the conception of the child whose paternity is in issue and/or for whom support is sought, except for perjury committed in this testimony. (1975, c. 827, s. 1; 1977, 2nd Sess., c. 1186, s. 4.)

Effect of Amendments. — The 1977, 2nd Sess., amendment inserted "or criminal" near the middle of the first sentence and deleted "of

the county commissioners" following "representative" near the beginning of the second sentence.

§ 110-130.1. Nonrecipient services.

(a) All child support collection and paternity determination services provided under this Article to recipients of public assistance shall be made available to any individual not receiving public assistance in accordance with federal law and as contractually authorized by the nonrecipient, upon proper application and payment of a twenty dollar (\$20.00) application fee.

(b) The State shall recover the costs, in excess of the application fee, incurred in providing services to a nonrecipient by deducting ten percent (10%) of the support collected, until the costs incurred in the case have been recovered. No costs shall be charged or recovered until all public assistance debts created under this Article have been liquidated. Recoverable costs shall be the administrative and legal costs incurred in providing services; administrative costs shall not exceed the rate of fifteen dollars (\$15.00) per hour, and legal costs shall not exceed the rate of forty-five dollars (\$45.00) per hour. The appropriate judicial official shall be informed that such costs are to be collected in this manner from the individual to whom services are provided.

In all nonrecipient cases the amounts collected shall be transmitted to the Department of Human Resources and distributed in accordance with federal law and the provisions of this section. Any costs unrecovered when the responsibility for providing services terminates shall constitute a debt owed to the State by the nonrecipient applicant upon order of the court. If financially capable, the nonrecipient may be required to advance court filing fees and the initial costs of any paternity blood testing.

(c) Actions to establish or enforce a duty of support initiated under this Article shall be brought in the name of the county or State agency on behalf of the public assistance recipient or nonrecipient client. Collateral disputes between a custodial parent and noncustodial parent, involving visitation, custody and similar issues, shall be considered only in separate proceedings from actions initiated under this Article. The attorney representing the designated representative of programs under Title IV-D of the Social Security Act shall be deemed attorney of record only for proceedings under this Article, and not for such separate proceedings. (1983, c. 527, s. 1.)

Editor's Note. — Session Laws 1983, c. 527, ratification. The act was ratified June 15, 1983. s. 3, makes this section effective 30 days after

§ 110-132. Acknowledgment of paternity and agreement to support.

(a) In lieu of or in conclusion of any legal proceeding instituted to establish paternity, the written acknowledgment of paternity executed by the putative father of the dependent child when accompanied by a written affirmation of paternity executed and sworn to by the mother of the dependent child and filed with and approved by a judge of the district court in the county where the mother of the child resides or is found, or in the county where the putative father resides or is found, or in the county where the child resides or is found shall have the same force and effect as a judgment of that court; and a written agreement to support said child by periodic payments, which may include provision for reimbursement for medical expenses incident to the pregnancy and the birth of the child, accrued maintenance and reasonable expense of prosecution of the paternity action, when acknowledged as provided herein, filed with, and approved by a judge of the district court at any time, shall have the same force and effect as an order of support entered by that court, and shall be enforceable and subject to modification in the same manner as is provided by law for orders of the court in such cases. Such written affirmations, acknowledgments and agreements to support shall be sworn to before a certifying officer or notary public or the equivalent or corresponding person of the state, territory, or foreign country where the affirmation, acknowledgment, or agreement is made, and shall be binding on the person executing the same whether he is an adult or a minor. Such mother shall not be excused from making such affirmation on the grounds that it may tend to disgrace or incriminate her; nor shall she thereafter be prosecuted for any criminal act involved in the conception of the child as to whose paternity she makes affirmation.

(b) At any time after the filing with the district court of an acknowledgment of paternity, upon the application of any interested party, the court or any judge thereof shall cause a summons signed by him or by the clerk or assistant clerk of superior court, to be issued, requiring the putative father to appear in court at a time and place named therein, to show cause, if any he has, why the court should not enter an order for the support of the child by periodic payments, which order may include provision for reimbursement for medical expenses incident to the pregnancy and the birth of the child, accrued maintenance and reasonable expense of the action under this subsection on the acknowledgment of paternity previously filed with said court. The prior judgment as to paternity shall be res judicata as to that issue and shall not be reconsidered by the court. (1975, c. 827, s. 1; 1977, 2nd Sess., c. 1186, ss. 5, 6; 1981, c. 275, s. 8.)

Effect of Amendments. — The 1977, 2nd Sess., amendment substituted “certifying officer or notary public or the equivalent or corresponding person of the state, territory, or foreign country where the acknowledgment is made” for “clerk or assistant clerk of superior court” in the first sentence of subsection (a), and, in subsection (b), deleted the former second sentence, relating to the case of a child who upon reaching the age of eighteen years is mentally or physically incapable of self-support, and the former fourth sentence, which read “All such payments shall be made through the clerk of superior court and in those cases of dependent children receiving public

assistance shall be directed to the North Carolina Department of Human Resources.”

The 1981 amendment, effective October 1, 1981, substituted “as provided herein,” for “before a certifying officer or notary public or the equivalent or corresponding person of the state, territory, or foreign country where the acknowledgment is made and” near the end of the first sentence of subsection (a), deleted a comma and “retroactively or prospectively, in accordance with the terms of said agreement,” following “the same force and effect” near the end of that sentence, and inserted “before a certifying officer or notary public or the equivalent or corresponding person of the state, territory,

or foreign country where the affirmation, acknowledgment, or agreement is made," in the second sentence of subsection (a).

CASE NOTES

Effect of Subsection (a). — Subsection (a) makes a father's voluntary written acknowledgment of paternity and agreement to support his illegitimate child a binding and fully enforceable substitute for a judicial determination of paternity and order of support. *Durham County Dep't of Social Servs. v. Williams*, 52 N.C. App. 112, 277 S.E.2d 865 (1981).

Father's Acknowledgment Must Be Accompanied by Mother's. — The court may not approve defendant's voluntary agreement for support of an illegitimate child where defendant's acknowledgment of paternity is not simultaneously accompanied by a sworn affirmation of paternity by the child's mother as required by this section. *Durham County Dep't of Social Servs. v. Williams*, 52 N.C. App. 112, 277 S.E.2d 865 (1981).

Standing of County in Action to Modify

Support Order. — Where plaintiff mother, who received public assistance under the Aid to Families with Dependent Children Program, assigned to a county her right to receive any support on behalf of her children, the county, by virtue of the assignment pursuant to this section, had an interest in the order for the support of plaintiff's children. Therefore, under § 50-13.7(a), the county had standing to make a motion in an action between plaintiff mother and defendant father to modify a child support order to require that the support be paid to the county. *Cox v. Cox*, 44 N.C. App. 339, 260 S.E.2d 812 (1979).

Applied in *Beaufort County v. Hopkins*, — N.C. App. —, 302 S.E.2d 662 (1983).

Stated in *Wake County ex rel. Carrington v. Townes*, 53 N.C. App. 649, 281 S.E.2d 765 (1981).

§ 110-133. Agreements of support.

In lieu of or in conclusion of any legal proceeding instituted to obtain support for a dependent child from the responsible parent, a written agreement to support said child by periodic payments executed by the responsible parent when acknowledged before a certifying officer or notary public or the equivalent or corresponding person of the state, territory or foreign country where the acknowledgment is made and filed with and approved by a judge of the district court in the county where the mother of the child resides or is found, or in the county where the father resides or is found, or in the county where the child resides or is found shall have the same force and effect, retroactively and prospectively, in accordance with the terms of said agreement, as an order of support entered by the court, and shall be enforceable and subject to modification in the same manner as is provided by law for orders of the court in such cases. (1975, c. 827, s. 1; 1977, 2nd Sess., c. 1186, s. 7.)

Effect of Amendments. — The 1977, 2nd Sess., amendment substituted "certifying officer or notary public or the equivalent or corresponding person of the state, territory or foreign country where the acknowledgment is made" for "clerk or assistant clerk of superior court" near the middle of the section, and

deleted the former second sentence, which read: "Payments under such agreement shall be made through the clerk of superior court and in those cases of dependent children receiving public assistance shall be directed to the North Carolina Department of Human Resources."

CASE NOTES

Modification or Vacation of Agreement. — The voluntary support agreement may, upon motion and a showing of changed circumstances, be modified or vacated at any time. It

cannot, however, be modified or vacated on the basis of relitigation, in a proceeding related solely to the order for support, of the paternity issue; that issue is res judicata and shall not be

reconsidered by the court in such a proceeding.

§ 110-134. Filing of affirmations, acknowledgments, agreements and orders; fees.

All affirmations, acknowledgments, agreements and resulting orders entered into under the provisions of G.S. 110-132 and G.S. 110-133 shall be filed by the clerk of superior court in the county in which they are entered. The filing fee for the institution of an action through the entry of an order under either of these provisions shall be four dollars (\$4.00). (1975, c. 827, s. 1; 1977, 2nd Sess., c. 1186, s. 8.)

Effect of Amendments. — The 1977, 2nd Sess., amendment rewrote this section.

§ 110-135. Debt to State created.

Acceptance of public assistance by or on behalf of a dependent child creates a debt, in the amount of public assistance paid, due and owing the State by the responsible parent or parents of the child. Provided, however, that in those cases in which child support was required to be paid incident to a court order during the time of receipt of public assistance, the debt shall be limited to the amount specified in such court order. This liability shall attach only to public assistance granted subsequent to June 30, 1975, and only with respect to the period of time during which public assistance is granted, and only if the responsible parent or parents were financially able to furnish support during this period.

The United States, the State of North Carolina, and any county within the State which has provided public assistance to or on behalf of a dependent child shall be entitled to share in any sum collected under this section, and their proportionate parts of such sum shall be determined in accordance with the matching formulas in use during the period for which assistance was paid.

No action to collect such debt shall be commenced after the expiration of five years subsequent to the receipt of the last grant of public assistance. The county attorney or an attorney retained by the county and/or State shall represent the State in all proceedings brought under this section. (1975, c. 827, s. 1; 1977, 2nd Sess., c. 1186, ss. 9, 10.)

Effect of Amendments. — The 1977, 2nd Sess., amendment rewrote the first paragraph and inserted "or an attorney retained by the county and/or State" in the second sentence of the last paragraph.

OPINIONS OF ATTORNEY GENERAL

Application of Last Sentence. — The last sentence applies to all proceedings brought by or on behalf of the State under this section and § 110-137. See opinion of Attorney General to

Mr. David R. Johnson, Staff Attorney, The North Carolina State Bar, 50 N.C.A.G. 70 (1981).

§ 110-136. Garnishment for enforcement of child-support obligation.

(a) Notwithstanding any other provision of the law, in any case in which a responsible parent is under a court order or has entered into a written agreement pursuant to G.S. 110-132 or 110-133 to provide child support, a judge of the district court in the county where the mother of the child resides or is found, or in the county where the father resides or is found, or in the county where the child resides or is found may enter an order of garnishment whereby no more than forty percent (40%) of the responsible parent's monthly disposable earnings shall be garnished for the support of his minor child. For purposes of this section, "disposable earnings" is defined as that part of the compensation paid or payable to the responsible parent for personal services, whether denominated as wages, salary, commission, bonus, or otherwise (including periodic payments pursuant to a pension or retirement program) which remains after the deduction of any amounts required by law to be withheld. The garnishee is the person, firm, association, or corporation by whom the responsible parent is employed.

(b) The mother, father, custodian, or guardian of the child or any designated representative interested in the support of a dependent child may move the court for an order of garnishment. The motion shall be verified and shall state that the responsible parent is under court order or has entered into a written agreement pursuant to G.S. 110-132 or 110-133 to provide child support, that said parent is delinquent in such child support or has been erratic in making child-support payments, the name and address of the employer of the responsible parent, the responsible parent's monthly disposable earnings from said employer (which may be based upon information and belief), and the amount sought to be garnished, not to exceed forty percent (40%) of the responsible parent's monthly disposable earnings. The motion for the wage garnishment order along with a motion to join the alleged employer as a third-party garnishee defendant shall be served on both the responsible parent and the alleged employer in accordance with the provisions of G.S. 1A-1, Rules of Civil Procedure. The time period for answering or otherwise responding to pleadings, motions and other papers issued pursuant to this section shall be in accordance with the time periods set forth in G.S. 1A-1, Rules of Civil Procedure, except that the alleged employer third-party garnishee shall have 10 days from the date of service of process to answer both the motion to join him as a defendant garnishee and the motion for the wage garnishment order.

(b1) In addition to the foregoing method for instituting a continuing wage garnishment proceeding for child support through motion, the mother, father, custodian, or guardian of the child or any designated representative interested in the support of a dependent child may in an independent proceeding petition the court for an order of continuing wage garnishment. The petition shall be verified and shall state that the responsible parent is under court order or has

entered into a written agreement pursuant to G.S. 110-132 or 110-133 to provide child support, that said parent is delinquent in such child support or has been erratic in making child-support payments, the name and address of the alleged-employer garnishee of the responsible parent, the responsible parent's monthly disposable earnings from said employer (which may be based on information and belief), and the amount sought to be garnished, not to exceed forty percent (40%) of the responsible parent's monthly disposable earnings. The petition shall be served on both the responsible parent and his alleged employer in accordance with the provisions for service of process set forth in G.S. 1A-1, Rule 4. The time period for answering or otherwise responding to process issued pursuant to this section shall be in accordance with the time periods set forth in G.S. 1A-1, Rules of Civil Procedure.

(c) Following the hearing held pursuant to this section, the court may enter an order of garnishment not to exceed forty percent (40%) of the responsible parent's monthly disposable earnings. If an order of garnishment is entered, a copy of same shall be served on the responsible parent and the garnishee either personally or by certified or registered mail, return receipt requested. The order shall set forth sufficient findings of fact to support the action by the court and the amount to be garnished for each pay period. The order shall be subject to review for modification and dissolution upon the filing of a motion in the cause.

(1975, c. 827, s. 1; 1977, 2nd Sess., c. 1186, ss. 11, 12; 1979, c. 386, ss. 1-8.)

Only Part of Section Set Out. — As subsections (d) and (e) were not changed by the amendments, they are not set out.

Effect of Amendments. — The 1977, 2nd Sess., amendment substituted "twenty-five percent (25%)" for "twenty percent (20%)" in the first sentence of subsection (a) and in the second sentences of subsections (b) and (c) and substituted "designated representative" for "county" in the first sentence of subsection (b).

The 1979 amendment substituted "forty percent (40%)" for "25 percent (25%)" in the first sentence of subsection (a), rewrote subsections (b) and (c), and added subsection (b1).

CASE NOTES

Section Does Not Authorize Garnishment of Wages for Alimony. — The exception in the case of child support to the long-standing prohibition against garnishment of wages has not been extended to allow garnishment of wages for alimony. *Phillips v. Phillips*, 34 N.C. App. 612, 239 S.E.2d 743 (1977).

This section does not alter the long-standing rule prohibiting the garnishment of prospective wages for the nonpayment of alimony and other debts. *Elmwood v. Elmwood*, 34 N.C. App. 652, 241 S.E.2d 693 (1977), modified on other grounds, 295 N.C. 168, 244 S.E.2d 668 (1978).

The phrase, "notwithstanding any other provision of the law," would include the exemption provision of § 1-362. *Elmwood v. Elmwood*, 295 N.C. 168, 244 S.E.2d 668 (1978).

Military retirement pay is the equivalent of active duty pay for purposes of garnishment, and active duty pay clearly constitutes wages not subject to garnishment for alimony under North Carolina law. *Phillips v. Phillips*, 34 N.C. App. 612, 239 S.E.2d 743 (1977); *Elmwood v. Elmwood*, 34 N.C. App. 652,

241 S.E.2d 693 (1977), modified on other grounds, 295 N.C. 168, 244 S.E.2d 668 (1978).

And Is Subject to Garnishment for Child Support. — Defendant's military retirement pay for future pay periods was not subject to garnishment except to the extent of 20% thereof for child support pursuant to this section. *Elmwood v. Elmwood*, 295 N.C. 168, 244 S.E.2d 668 (1978) (decided prior to 1977 amendment).

Subsection (c) Contemplates Continuing Order Reaching Future Earnings. — Subsection (c) seems clearly to contemplate the entry of a continuing order of garnishment to enforce a child support order reaching earnings for future pay periods, thus changing the former law of this State, with reference to the garnishment of, as yet, unaccrued wages. The liability of the garnishee under such an order would, as to future pay periods, be contingent upon the actual accrual of the defendant employee's earnings in such future pay period. *Elmwood v. Elmwood*, 295 N.C. 168, 244 S.E.2d 668 (1978).

OPINIONS OF ATTORNEY GENERAL

A city does not have immunity from garnishment proceedings brought for child support under this section. See opinion of Attorney

General to Mr. Rufus C. Boutwell, Jr., Assistant City Attorney, City of Durham, Oct. 9, 1979.

§ 110-136.1. Assignment of wages for child support.

Pursuant to G.S. 50-13.4(f) (1), the court may require the responsible parent to execute an assignment of wages, salary, or other income due or to become due whenever his employer's voluntary written acceptance of the wage assignment under G.S. 95-31 is filed with the court. Such acceptance remains effective until the employer files an express written revocation with the court. (1981, c. 275, s. 7.)

Editor's Note. — Session Laws 1981, c. 275, s. 11, makes this section effective October 1, 1981.

§ 110-136.2. Use of unemployment compensation benefits for child support.

(a) A responsible parent may voluntarily assign unemployment compensation benefits to a child support enforcement agency to satisfy a child support obligation. An assignment of less than the full amount of the support obligation shall not relieve the responsible parent of liability for the remaining amount.

(b) Upon notification of a voluntary assignment by the Department of Human Resources, the Employment Security Commission shall deduct and withhold the amount assigned by the responsible parent as provided in G.S. 96-17.

(c) Any amount deducted and withheld shall be paid by the Employment Security Commission to the Department of Human Resources for distribution as required by federal law.

(d) Voluntary assignment of unemployment compensation benefits shall remain effective until the Employment Security Commission receives notification from the Department of Human Resources of an express written revocation by the responsible parent.

(e) The Department of Human Resources shall ensure that payments received under this section are properly credited against the responsible parent's child support obligation.

(f) When a responsible parent declines to execute a voluntary assignment of unemployment compensation benefits, a child support enforcement agency may initiate garnishment proceedings as provided in G.S. 110-136. For purposes of such proceedings, "disposable earnings" includes unemployment compensation benefits. The third-party garnishee defendant in such proceedings, the Employment Security Commission, is deemed to waive notice and consent to jurisdiction for entry of an appropriate court order. (1983, c. 33, s. 1.)

Editor's Note. — Session Laws 1983, c. 33, s. 2, makes this section effective upon ratification. The act was ratified on Feb. 24, 1983.

§ 110-137. Acceptance of public assistance constitutes assignment of support rights to the State or county.

By accepting public assistance for or on behalf of a dependent child or children, the recipient shall be deemed to have made an assignment to the State or to the county from which such assistance was received of the right to any child support owed for the child or children up to the amount of public assistance paid. The State or county shall be subrogated to the right of the child or children or the person having custody to initiate a support action under this Article and to recover any payments ordered by the court of this or any other state. (1975, c. 827, s. 1; 1977, 2nd Sess., c. 1186, s. 13.)

Effect of Amendments. — The 1977, 2nd Sess., amendment inserted “to the State or” near the middle of the first sentence and “State or” near the beginning of the second sentence.

Legal Periodicals. — For survey of 1980 constitutional law, see 59 N.C.L. Rev. 1097 (1981).

§ 110-138. Duty of county to obtain support.

Whenever a county department of social services receives an application for public assistance on behalf of a dependent child, and it shall appear to the satisfaction of the county department that the child has been abandoned by one or both responsible parents, or that the responsible parent(s) has failed to provide support for the child, the county department shall without delay notify the designated representative who shall take appropriate action under this Article to provide that the parent(s) responsible supports the child. (1975, c. 827, s. 1; 1977, 2nd Sess., c. 1186, s. 14.)

Effect of Amendments. — The 1977, 2nd Sess., amendment inserted “without delay” and deleted “of the county commissioners” following “representative” near the end of the section.

§ 110-138.1. Duty of judicial officials to assist in obtaining support.

Any party to whom child support has been ordered to be paid, and who has failed to receive the ordered support payments for two consecutive months, may make application to a magistrate for issuance of criminal process against the responsible parent for violation of G.S. 14-322. If the magistrate determines that the applicant has failed to receive the ordered support for two

consecutive months, and that the responsible parent has willfully neglected or refused to make such payments, he shall make a finding of probable cause and issue criminal process for violation of G.S. 14-322. It shall be the duty of the District Attorney to prosecute such charges according to law. It shall be the duty of the Clerk of Superior Court to assist the applicant in making such application to the magistrate for the issuance of criminal process, and to supply such necessary child support records as are in his possession to the magistrate, District Attorney, and the Court. (1981, c. 613, s. 4.)

Editor's Note. — Session Laws 1981, c. 613, s. 2, provides: "This act shall apply to all hearings and trials conducted after the date of ratification and shall not affect the validity of any existing order or judgment." The act was ratified June 18, 1981.

§ 110-139. Location of absent parents.

The Department of Human Resources shall attempt to locate absent parents for the purpose of establishing paternity of and/or securing support for dependent children. The Department is to serve as a registry for the receipt of information which directly relates to the identity or location of absent parents, to assist any governmental agency or department in locating an absent parent, to answer interstate inquiries concerning deserting parents, and to develop guidelines for coordinating activities with any governmental department, board, commission, bureau or agency in providing information necessary for the location of absent parents.

In order to carry out the responsibilities imposed under this Article, the Department may request from any governmental department, board, commission, bureau or agency information and assistance. All State, county and city agencies, officers and employees shall cooperate with the Department in the location of parents who have abandoned and deserted children with all pertinent information relative to the location, income and property of such parents, notwithstanding any provision of law making such information confidential. All nonjudicial records maintained by the Department pertaining to child-support enforcement shall be confidential, and only duly authorized representatives of social service agencies, public officials with child-support enforcement and related duties, and members of legislative committees shall have access to these records. (1975, c. 827, s. 1; 1977, 2nd Sess., c. 1186, s. 15.)

Effect of Amendments. — The 1977, 2nd Sess., amendment inserted "nonjudicial" near the beginning of the last sentence of the second paragraph.

OPINIONS OF ATTORNEY GENERAL

Public Officials to Furnish Otherwise Confidential Information Concerning Employees. — State, county, and city officials having custody of personnel records of their respective employees (both past and present) must furnish otherwise confidential locational information concerning these employees to the Department of Human Resources when, at the request of a designated local child support

enforcement program representative, the Department is fulfilling its obligations under this section to locate responsible parents for purposes of establishing and enforcing their child support obligations as levied by Article 9, Chapter 110. See opinion of Attorney General to Mr. Philip Powell, Personnel Director, N.C. Department of Agriculture, Raleigh, N.C., 48 N.C.A.G. 85 (1979).

§ 110-139.1. Access to federal parent locator service; parental kidnapping and child custody cases.

(a) The parent locator service of the Department of Human Resources shall transmit, upon payment of the fee prescribed by federal law, requests for information as to the whereabouts of any absent parent or child to the federal parental locator service when such requests are made by judges, clerks of superior court, district attorneys, or United States attorneys, and when the information is to be used to locate the parent or child for the purpose of enforcing State or federal law with respect to the unlawful taking or restraint of a child or making or enforcing a child custody determination.

(b) For the purpose of this section, custody determination means a judgment, decree, or other order of the court providing for the custody or visitation of a child and includes permanent or temporary orders, and initial orders and modifications.

(c) All nonjudicial records maintained by the Department pertaining to the unlawful taking or restraint of a child or child custody determinations shall be confidential, and only individuals directly connected with the administration of the child support enforcement program and those authorized herein shall have access to these records. (1983, c. 15, s. 1.)

Editor's Note. — Session Laws 1983, c. 15, s. 2, makes this section effective upon ratification. The act was ratified on Feb. 17, 1983.

§ 110-141. Effectuation of intent of Article.

The North Carolina Department of Human Resources shall supervise the administration of this program in accordance with federal law and shall cause the provisions of this Article to be effectuated and to secure child support from absent, deserting, abandoning and nonsupporting parents.

In the event that a board of county commissioners does not desire to continue to administer the program it may only so notify the Department of Human Resources between July 1 and September 30 of the current fiscal year. The obligation of the Department to assume responsibility for the administration of the program in that county shall not commence prior to July 1 of the subsequent fiscal year. Until that time, it shall be the responsibility of the board of county commissioners to administer or provide for the administration of the program in the county. (1975, c. 827, s. 1; 1977, 2nd Sess., c. 1186, s. 16; 1979, c. 488.)

Effect of Amendments. — The 1977, 2nd Sess., amendment deleted the former second sentence, which read, "The Department of Human Resources and a county may negotiate alternative arrangements to the procedure as outlined in G.S. 110-130 for designating a local

agency to administer the provisions of this Article in said county," and added the second paragraph.

The 1979 amendment rewrote the second paragraph.

ARTICLE 10.

*Prevention of Child Abuse and Neglect.***§ 110-147. Purpose.**

It is the expressed intent of this Article to make the prevention of child abuse and neglect as defined in G.S. 7A-517, a priority of this State and to establish the Children's Trust Fund as a means to that end. (1983, c. 894, s. 1.)

Cross References. — As to Juvenile Code, see § 7A-516 et seq.

Editor's Note. — Session Laws 1983, c. 894, s. 6, makes this Article effective Oct. 1, 1983.

§ 110-148. Council on Prevention of Child Abuse and Neglect.

(a) For purposes of implementing this program, the State Board of Education shall designate the Interagency Advisory Council on Community Schools in the Department of Public Instruction as the Advisory Council on Prevention of Child Abuse and Neglect, hereinafter called the Council.

(b) Staff and support services for implementing this program shall be provided by the Division of Community Schools in the Department of Public Instruction.

(c) In order to carry out the purposes of this Article:

- (1) The Council shall, with the assistance of the Division of Community Schools, review applications and make recommendations to the State Board of Education concerning the awarding of contracts pursuant to this Article.
- (2) The State Board of Education shall contract with public or private nonprofit organizations, agencies, schools, or with qualified individuals to operate community-based educational and service programs designed to prevent the occurrence of child abuse and neglect. Every contract entered into by the State Board of Education shall contain provisions that at least twenty-five percent (25%) of the total funding required for a program be provided by the administering organization in the form of in-kind or other services and that a mechanism for evaluation of services provided under the contract be included in the services to be performed. In addition, every proposal to the Council for funding pursuant to this Article shall include assurances that the proposal has been forwarded to the local Department of Social Services for comment so that the Council may consider coordination and duplication of effort on the local level as criteria in making recommendations to the State Board of Education.
- (3) The State Board of Education shall, with the assistance of the Division of Community Schools, develop appropriate guidelines and criteria for awarding contracts pursuant to this Article. These criteria shall include, but not be limited to: documentation of need within the proposed geographical impact area; diversity of geographical areas of programs funded pursuant to this Article; demonstrated effectiveness of the proposed strategy or program for preventing child abuse and neglect; reasonableness of implementation plan for achieving stated objectives; utilization of community resources including volunteers; provision for an evaluation component that will provide outcome data; plan for dissemination of the program for implementation in other communities; and potential for future funding from private sources.

- (4) The State Board of Education shall, with the assistance of the Division of Community schools, develop guidelines for regular monitoring of contracts awarded pursuant to this Article in order to maximize the investments in prevention programs by the Children's Trust Fund and to establish appropriate accountability measures for administration of contracts.
- (5) The State Board of Education shall, with the assistance of the Division of Community Schools, report to the General Assembly at the time of its convening on odd-numbered years the use of these funds and shall develop a State plan for the prevention of child abuse and neglect for submission to the Governor, the President of the Senate, and the Speaker of the House no later than January 1, 1987.
- (d) To assist in implementing this Article, the State Board of Education may accept contributions, grants, or gifts in cash or otherwise from persons, associations, or corporations. All moneys received by the State Board of Education from contributions, grants or gifts and not through appropriation by the legislature shall be deposited in the Children's Trust Fund. Disbursements of the funds shall be on the authorization of the State Board of Education or a duly authorized representative thereof. In order to maintain an effective expenditure and revenue control, such funds shall be subject in all respects to State law and regulations, but no appropriation shall be required to permit expenditure of the funds. (1983, c. 894, s. 1.)

§ 110-149. Programs.

(a) Programs contracted for under this Article are intended to prevent child abuse and neglect. Child abuse and neglect prevention programs are defined to be those programs and services which impact on children and families before any substantiated incident of child abuse or neglect has occurred. Such programs may include, but are not limited to:

- (1) Community-based educational programs on prenatal care, perinatal bonding, child development, basic child care, care of children with special needs, and coping with family stress; and
- (2) Community-based programs relating to crisis care, aid to parents, and support groups for parents and their children experiencing stress within the family unit.

(b) No more than twenty percent (20%) of each year's total awards may be utilized for funding State level programs to coordinate community-based programs. (1983, c. 894, s. 1.)

§ 110-150. Children's Trust Fund.

There is established a fund to be known as the "Children's Trust Fund," in the State Treasurer's office, which shall be funded pursuant to G.S. 161-11.1, and which shall be used by the State Board of Education to fund child abuse and neglect prevention programs so authorized by this Article. (1983, c. 894, s. 1.)

General Duties of Department of Human Resources.

§ 111-11. Definition of visually handicapped person.

Legal Periodicals. — For survey of 1979 administrative law, see 58 N.C.L. Rev. 1185 (1980).

CASE NOTES

Applicability. — The restrictive definition of “visually handicapped” in this section should not be applied in a manner which limits the meaning of “visual disability” in § 168-1. The narrowly defined term “visually handicapped,” which refers only to persons who are blind or functionally blind, is used solely in connection with those sections of the statute dealing exclusively with problems unique to the type of handicap identified by that term, i.e., §§ 168-4, 168-5 and 168-7. On the other hand, those sections of the statute which address problems common to all handicapped citizens i.e., §§ 168-2, 168-3, 168-6, 168-8, 168-9, and 168-10, utilize the broadly defined term “handi-

capped person,” which encompasses all persons “with physical, mental and visual disabilities.” Thus, when the statute is read contextually, it is clear that the General Assembly did not intend the narrow definition “visually handicapped” in this section to control the meaning of the term “visual disabilities” in § 168-1; rather, the General Assembly intended that the definition in this section would apply only when the specific term “visually handicapped” was used. *Burgess v. Joseph Schlitz Brewing Co.*, 298 N.C. 520, 259 S.E.2d 248 (1979).

§ 111-15. Eligibility for relief.

Blind persons having the following qualifications shall be eligible for relief under the provisions of this Article:

- (5) Who are not, because of physical or mental condition, in need of continuing institutional care. Provided, that the State agency shall, in determining need, take into consideration any other income and resources of the individual claiming aid to the blind; except that, in making such determination, the State agency shall disregard such earned income as will enable said agency to receive the maximum grants from the federal government for such purpose. (1937, c. 124, s. 4; 1951, c. 319, s. 3; 1961, c. 666, s. 1; 1971, c. 1215, s. 1; 1981, c. 131.)

Only Part of Section Set Out. — As the rest of the section was not affected by the amendment, it is not set out.

Effect of Amendments. — The 1981 amend-

ment deleted "are not publicly soliciting alms in any part of the State, and who" between "Who" and "are not" near the beginning of subdivision (5).

OPINIONS OF ATTORNEY GENERAL

Amount of Funds Appropriated Does Not Affect Duty of Department and County Board to Accept All Qualified Blind Applicants. — The requirement upon the Department of Human Resources and the boards of county commissioners of the individual counties to accept all duly qualified and otherwise eligible applicants for special assis-

tance to the blind remains the same and is not reduced or limited by the amount of funds appropriated by a county or by the General Assembly for that specific purpose. See opinion of Attorney General to L. Earl Jennings, Jr., Director, Division of Services for the Blind, Dep't of Human Resources, 49 N.C.A.G. 110 (1980).

§ 111-18. Payment of awards.

Legal Periodicals. — For article analyzing North Carolina's exemptions law, see 18 Wake Forest L. Rev. 1025 (1982).

§ 111-18.1. Award and assistance checks payable to decedents.

(a) In the event of the death of a recipient of an award made pursuant to G.S. 111-18 during or after the first day of the month for which the award was authorized to be paid, any check or checks in payment of such award made payable to the deceased recipient and not endorsed prior to the payee's death shall be delivered to the clerk of the superior court and be by him administered under the provisions of G.S. 28A-25-6.

(b) In the event of the death of a recipient of a cash payment service, as defined by regulation of the N. C. Commission for the Blind, which service was rendered as a part of a program of public assistance for the blind or visually handicapped, any check or checks issued for the payment of such service made payable to such recipient, but not endorsed prior to his death, shall be returned to the issuing agency and made void. The issuing agency shall then issue a check payable to the provider of such service for the sum remaining due for this service, not to exceed the amount of said returned and voided check or checks. (1979, c. 762, s. 2.)

Editor's Note. — Session Laws 1979, c. 762, s. 3, makes this section effective July 1, 1979.

§ 111-27.1. Department of Human Resources authorized to conduct certain business operations.

For the purpose of assisting blind persons to become self-supporting the Department of Human Resources is hereby authorized to carry on activities to promote the rehabilitation and employment of the blind, including the operation of various business enterprises suitable for the blind to be employed in or to operate. The Executive Budget Act shall apply to the operation of such enterprises as to all appropriations made by the State to aid in the organization and the establishment of such businesses. Purchases and sales of merchandise or equipment, the payment of rents and wages to blind persons operating such businesses, and other expenses thereof, from funds derived from local subscriptions and from the day-by-day operations shall not be subject to the provisions of law regulating purchases and contracts, or to the deposit and disbursement thereof applicable to State funds but shall be supervised by the Department of Human Resources. All of the business operations under this law, however, shall be subject to regular audits by the State Auditor.

After September 30, 1983, Randolph-Sheppard vendors will no longer be State employees. Blind licensees operating vending facilities under contract with the North Carolina Department of Human Resources, Division of Services for the Blind, are independent contractors. (1945, c. 72, s. 2; 1971, c. 1025, s. 1; 1973, c. 476, s. 143; 1983, c. 867, s. 1.)

Effect of Amendments. — The 1983 amendment, effective July 20, 1983, deleted the last sentence of the first paragraph which read "Blind or visually handicapped employees or

vending-stand operators employed by the Department of Human Resources are hereby declared to be State employees" and added the second paragraph.
