I. ORDER OF BUSINESS

RULE 1. Rules controlling the Senate of
North Carolina and its committees. – The
following rules shall govern and control all
actions and procedures of the Senate and its
committees.

RULE 1.1. Emergencies. – In the event of
a disaster, natural or otherwise, that precludes the
General Assembly from meeting in the
Legislative Building, the members will be
notified by the President Pro Tempore where and
when the Senate will convene.
RULE 2. Convening hour. – (a) The Presiding Officer shall take the Chair at the hour fixed by the Senate upon adjournment on the preceding legislative day and shall call the members to order. In case the Senate adjourned on the preceding legislative day without having fixed the hour of reconvening, the Senate shall reconvene on the next legislative day at 2:00 P.M., except that if the next legislative day is Monday, the time for reconvening shall be 7:00 P.M.

(b) At the hour fixed by the Senate upon adjournment on the preceding legislative day, or at the hour to which the Senate has previously recessed on that same legislative day, and upon direction from the President Pro Tempore of the Senate or the Chairman of the Committee on Rules and Operations of the Senate, the Principal Clerk of the Senate may convene the Senate for the purpose of announcing to the Chamber that the Senate stands in recess until a later, specified hour.

RULE 3. Opening the session. – The Presiding Officer shall, upon order being obtained, have the sessions of the Senate opened with prayer.

RULE 4. Convening and presiding in absence of President. – In the absence of the President, the President Pro Tempore or a Senator designated by the President Pro Tempore shall convene or reconvene the Senate and preside, and
during such time shall be vested with all powers of the President of the Senate except that of casting a vote in case of a tie when the President Pro Tempore or the designated Presiding Officer has already voted on the question as a Senator. In the event of the absence of the President and President Pro Tempore at any time fixed for the reconvening of the Senate, the Senate shall be called to order by a member designated by the President Pro Tempore, or if no member is designated, by the Deputy President Pro Tempore of the Senate. If no member has been designated and the Deputy President Pro Tempore is also absent, the Senate shall be called to order by the Chair of the Committee on Rules and Operations of the Senate, who shall designate some member to act as Presiding Officer. The Principal Clerk of the Senate may convene the Senate for the purpose of notifying the Chamber that the Senate stands in recess pursuant to Rule 2(b) of these Rules.

RULE 5. Quorum. – (a) A quorum consists of a majority of all the qualified members of the Senate.

(b) When a lesser number than a quorum convenes, the Senators present may send the Sergeant-at-Arms or any person, for any or all absent Senators, as a majority of the Senators present determines.

RULE 6. Approval of Journal. – After the prayer, the Presiding Officer shall cause the
Journal of the preceding day to be read and approved, unless the President Pro Tempore or, in the President Pro Tempore's absence, the Deputy President Pro Tempore of the Senate or some member of the Senate by motion sustained by a majority of the members present, has the reading thereof dispensed with and the same approved as written.

**RULE 7. Order of business.** – After approval of the Journal, the order of business shall be as follows:

(9) Moments of Personal Privilege, reading of Senatorial Statements, and explanation of votes.

II. CONDUCT OF DEBATE

RULE 8. Presiding Officer to maintain order. – The Presiding Officer shall have general direction of the Hall of the Senate and shall be authorized to take such action as is necessary to maintain order, and in case of any disturbance or disorderly conduct in the galleries or lobbies, the Presiding Officer shall have the power to order those areas cleared.

RULE 9. (Reserved for future use).

RULE 10. Points of order. – (a) The Presiding Officer shall preserve order and decorum and proceed with the business of the Senate according to the rules adopted. The Presiding Officer shall decide all questions of order, subject to an appeal to the Chairman of the
Committee on Rules and Operations of the Senate, whose decision may be appealed to the Senate by any member, on which appeal no member shall speak more than once unless by leave of the Senate. A two-thirds vote of the membership of the Senate present and voting is necessary to sustain any appeal from the ruling of the Chairman of the Committee on Rules and Operations of the Senate.

(b) In the event the Senate Rules do not provide for or cover any point of order raised by any Senator, the rules of the United States House of Representatives shall govern.

(c) When a Senator is called to order, that Senator shall take the assigned seat until the Presiding Officer determines whether that Senator was in order or not; if decided to be out of order, that Senator shall not proceed without the permission of the Senate; and every question of order shall be decided by the Presiding Officer, subject to an appeal to the Chairman of the Committee on Rules and Operations of the Senate, whose decision may be appealed to the Senate by any Senator; and if a Senator is called to order for words spoken, the words to which an exception is made shall be immediately preserved by the Principal Clerk, so that the Presiding Officer, Chairman of the Committee on Rules and Operations of the Senate, or Senate may be better able to judge the matter.

RULE 11. Debating and voting by Lieutenant Governor. – The Lieutenant
Governor, as President of the Senate, being a Constitutional Officer, shall not have the right to debate any question or to address the Senate upon any proposition unless by permission of the majority of members present and shall have the right to vote only when there is a tie vote upon any question or election.

**RULE 12. Obtaining recognition.** – (a) When any Senator is about to speak in debate or deliver any matter to the Senate, that Senator shall rise and respectfully address the Presiding Officer. No member shall speak further until recognized by the Presiding Officer. The Presiding Officer shall recognize the first to rise and, when two or more members rise at the same time, the Presiding Officer shall name the member to speak, giving priority to the President Pro Tempore, the Deputy President Pro Tempore, or the Chair of the Committee on Rules and Operations of the Senate.

(b) A Senator who has the floor may yield the floor to another Senator only for the purpose of allowing another Senator to state a question. Only the Presiding Officer may award the floor to any Senator.

(c) A Senator who has obtained the floor may be interrupted only for the following reasons:

1. A request that the member speaking yield for a question;
2. A point of order; or
3. A parliamentary inquiry.
(d) When a Senator refers to a bill, the bill number and short title must be used.

RULE 13. (Reserved for future use).

RULE 14. Limitations on individual debate. – (a) No Senator shall speak on the same reading more than twice on the main question, nor longer than 30 minutes for the first speech and 15 minutes for the second speech. No Senator shall speak on the same reading more than once on any motion or appeal, and then no longer than 10 minutes.

(b) With leave of the Senate, any member of the Senate may address the Senate from the well of the Senate.

RULE 15. Senatorial Statements. – A Senatorial Statement may be utilized by a Senator to recognize constituents and events of significance and when a Resolution is not permitted under Rule 40.1. A Senatorial Statement may not be used to explain a vote, debate a bill, or in any way disrupt the regular business of the Senate. A Senatorial Statement shall be in writing and in a form prescribed by the Chairman of the Committee on Rules and Operations of the Senate. A Senatorial Statement shall speak in the voice of the Senator submitting the Statement, is not a statement by the Senate, and is not subject to a vote by the Senate. A Senator may use a Moment of Personal Privilege under Rule 15.1 for a time not to exceed three
minutes to read some or all of a Senatorial Statement provided the Presiding Officer determines the question raised in the Statement is one of privilege. Upon motion supported by a majority present and voting, a Senatorial Statement may be spread upon the Journal.

RULE 15.1. Moments of Personal Privilege. – (a) Upon recognition by the Presiding Officer for that purpose, any Senator may speak for a time not exceeding three minutes on a Moment of Personal Privilege.

(b) A Moment of Personal Privilege may not be used to explain a vote, debate a bill, or in any way disrupt the regular business of the Senate, nor shall such opportunities be used to solicit support or sponsors for any bill. The Presiding Officer shall determine if the question raised is one of privilege and shall, without the point of order being raised, enforce this rule, subject to an appeal to the Chairman of the Committee on Rules and Operations of the Senate whose decision may be appealed to the Senate by any Senator, on which appeal no member shall speak more than once unless by leave of the Senate. A two-thirds vote of the membership of the Senate present and voting is necessary to sustain any appeal from the ruling of the Chairman of the Committee on Rules and Operations of the Senate.

RULE 15.2. Explanation of vote. – Any Senator may explain that Senator's vote on any
bill that day by obtaining permission of the
Presiding Officer for that purpose. No more than
three minutes shall be consumed in such
explanation.

**RULE 16. Final orders of business.** –
Senatorial Statements, Moments of Personal
Privilege, and explanations of votes shall be the
last orders of the Senate's business that day and
explanations of votes shall be made after the final
vote has been taken.

**RULE 17. General decorum.** – (a) Male
Senators and male visitors shall not wear any head
covering in the Senate Chamber while the Senate
is in session, unless his religion requires his head
to be covered. All persons on the Senate floor
while the Senate is in session shall be dressed in
business attire, including coat and tie for men.

(b) No derogatory remark reflecting
personally upon any Senator or Senators shall be

(g) The President Pro Tempore may authorize and provide for the broadcasting of Senate sessions via television or Internet.

III. MOTIONS

RULE 18. Motions generally. – Any motion shall be reduced to writing, if requested by the Presiding Officer or a Senator, and read by the Presiding Officer or Reading Clerk before the same is debated. Any motion may be withdrawn by the introducer at any time before decision or amendment. No motion relating to a bill shall be in order which does not identify the bill by its number and short title. Except as otherwise specifically provided in these rules, no second is required.

RULE 19. Motion; order of precedence. – When a question is before the Senate, no motion shall be received except those herein specified, which motions shall have precedence as follows:

(1) To adjourn.
(2) To resolve into the Committee of the Whole Senate.
(3) To lay on the table.
(4) For the previous question.
(5) To postpone indefinitely.
(6) To postpone to a certain day.
(7) To re-refer to a standing committee.
(8) To refer to a select committee.
(9) To amend.
RULE 20. Motions requiring a second. – The motions to adjourn, to resolve into the Committee of the Whole Senate, to lay on the table, and to call for the previous question shall be seconded and decided without debate.

RULE 21. Motions to postpone to certain day and to commit. – The respective motions to postpone to a certain day, to resolve into the Committee of the Whole Senate, or to commit to a standing or select committee shall preclude debate on the main question.

RULE 22. Motion to substitute. – Subject to Rule 19, a member may offer a motion to substitute to any motion, except the motions for the previous question, to table, to resolve into the Committee of the Whole Senate, or to adjourn. No motion to substitute shall be offered to a motion to substitute.

RULE 23. Motion for previous question. – (a) The previous question may be moved upon a pending single motion, any pending amendment or amendments, and/or the pending bill to its passage on that reading or all readings or the pending resolution to its adoption. An authorized Senator moving the previous question shall specify to what the motion applies. Unless specified, the motion shall be deemed to apply to the current question.

(b) The previous question shall be as follows: "Shall the main question be now put?" and until it is decided shall preclude all
amendments and debate. If this question is decided in the affirmative, the "main question" shall be on the passage of the bill, resolution, or other matter under consideration; but when amendments are pending, the question shall be taken upon such amendments in their inverse order, without further debate or amendment.

(c) Only one of the following Senators may move the previous question:

(1) The chair of the committee submitting the report on the bill or other matter under consideration;
(2) The member introducing the bill or other matter under consideration;
(3) The member in charge of the measure, who shall be designated by the chair of the committee reporting the same to the Senate at the time the bill or other matter under consideration is reported to the Senate or taken up for consideration;
(4) The Chair of the Committee on Rules and Operations of the Senate; or
(5) The President Pro Tempore.

RULE 24. Motion to reconsider. – (a) When a question has been once put and decided, any Senator who voted in the majority may move to reconsider the vote thereof. No motion for reconsideration shall be in order unless made on the same day or on the next legislative day on which the vote took place. When the next
legislative day has by motion of the Senate been restricted as to matters which may be considered, a motion to reconsider shall be in order on the next succeeding day upon which regular business is conducted. No question shall be reconsidered more than once.

(b) Notwithstanding subsection (a) of this rule, a motion to reconsider is in order at any time if made by the Chair of the Committee on Rules and Operations of the Senate or the President Pro Tempore for the sole purpose of correcting grammatical errors in bills in the possession of the Senate.

(c) If a bill has gone out of the possession of the Senate and a motion to reconsider under these rules is passed, the bill shall not be enrolled unless it again passes third reading. The Principal Clerk shall notify the House of Representatives and the Enrolling Clerk of any action under this subsection.

RULE 24.1. Motion to adjourn or stand in recess; standard stipulations. – A motion to adjourn or stand in recess subject to the standard stipulations shall constitute a motion to adjourn or stand in recess subject to receipt and referral of committee reports, the introduction of bills, referral and re-referral of bills, reading of Senatorial Statements, receipt of House messages, ratification of bills, announcement of committee assignments, and messages from the Governor.
IV. VOTING

RULE 25. Use of electronic voting system. – (a) Votes on the following questions shall be taken on the electronic voting system, and the ayes and noes shall be recorded on the Journal:

1. All questions on which the Constitution of North Carolina requires that the ayes and noes be taken and recorded on the Journal;
2. All questions on which a call for the ayes and noes under Rule 26(b) has been sustained;
3. Second and third readings of bills proposing amendment of the Constitution of North Carolina; and
4. The vote on approval of a bill that was vetoed by the Governor.

(b) Votes on the following questions shall be taken on the electronic voting system, and the resulting totals shall be recorded on the Journal:

1. Second reading of all public bills, all amendments to public bills offered after second reading, third reading if a public bill was amended after second reading, and all conference reports on public bills.
2. Any other question upon direction of the Presiding Officer or upon motion of any Senator supported by one-fifth of the Senators present.

(c) When the electronic voting system is used, the Presiding Officer shall fix and announce
the time, not to exceed one minute, which shall be allowed for voting on the question before the Senate. The system shall be set to lock automatically and to record the vote when that time has expired. Once the system has locked and recorded a vote, the vote shall be printed by the system.

(d) The voting station at each Senator's desk in the Chamber shall be used only by the Senator to whom the station is assigned. Under no circumstances shall any other person vote at a Senator's station. It is a breach of the ethical obligation of a Senator either to request that another vote at the requesting Senator's station or to vote at another Senator's station. The Presiding Officer shall enforce this rule without exception.

(e) When the electronic voting system is used, the Presiding Officer shall state the question and shall then state substantially the following: "All in favor vote 'aye'; all opposed vote 'no'; ______ seconds will be allowed for voting on this question; the Clerk will record the vote." After the machine locks and records the vote, the Presiding Officer shall announce the vote and declare the result, and no member may vote thereafter.

(f) One copy of the machine printout of the vote record shall be filed in the Office of the Principal Clerk, and one copy shall be filed in the Legislative Library where it shall be open to public inspection.

(g) When the Presiding Officer ascertains that the electronic voting system is inoperative before a vote is taken or while a vote is being
taken on the electronic system, the Presiding Officer shall announce that fact to the Senate, and any partial electronic system voting record shall be voided. In such a case, if the Constitution of North Carolina or the Rules of the Senate require a call of the ayes and noes, the Clerk shall call the roll of the Senate, and the ayes and noes shall be taken manually and shall be recorded on the Journal. All other votes shall be taken as prescribed in Senate Rule 26. If, after a vote is taken on the electronic system, it is discovered that a malfunction caused an error in the electronic system printout, the Presiding Officer shall direct the Reading Clerk and the Principal Clerk to verify and correct the printout record and so advise the Senate.

(h) For the purpose of identifying motions on which the vote is taken on the electronic system (the identification codes having no relation to the order of precedence of motions), the motions are coded as follows:

(1) To lay on the table.
(2) To resolve into the Committee of the Whole Senate.
(3) For the previous question.
(4) To postpone indefinitely.
(5) To postpone to a day certain.
(6) To refer to a committee.
(7) To reconsider.
(8) To adopt.
(9) To concur.
(10) To take from the table.
(11) Miscellaneous.
RULE 26. Voice votes; call for division; call for ayes and noes. – (a) When the electronic voting system is not used, all votes on which a call of the roll of the Senate is not required shall be taken by voice vote. The question shall be put as follows: "Those in favor say 'aye,'" and, after the affirmative vote is expressed, "Opposed 'no';" after which the Presiding Officer shall announce the result. If a division on any vote is desired, it must be called for immediately before the result of the voting is announced on any question, and, upon such call, the Presiding Officer shall require the members to stand and be counted for and against the proposition under consideration.

(b) The ayes and the noes may be called for on any question before the vote is taken. If a Senator desires the ayes and noes recorded on the Journal on a question, that Senator shall address the Presiding Officer and obtain recognition and say, "Upon that question I call for the ayes and noes." Whereupon the Presiding Officer shall say, "Is the call sustained?" If one-fifth of the remaining Senators present then stand, the vote shall be taken on the electronic voting system if it is operative, and the ayes and noes shall be recorded on the Journal. If the electronic voting system is inoperative, the roll of the Senate shall be called and the ayes and noes taken manually and recorded on the Journal. If fewer than one-fifth of the Senators present stand to sustain the call, the Presiding Officer shall announce, "An insufficient number up," and a vote by electronic
voting or by voice, whichever is appropriate under the Rules of the Senate, shall be taken.

RULE 27. (Reserved for future use).

RULE 28. Dividing question. – (a) If a bill is subject to division into separate parts so that each part states a separate and distinct proposition capable of standing alone, a Senator may move that the question be divided. The motion shall:
   (1) Be in writing,
   (2) Be submitted to the Principal Clerk at the time the motion is made, and
   (3) Clearly state how the question is to be divided.
   
   Upon a majority vote of the Senators present and voting, the motion shall be adopted.
   
   (b) If the motion to divide the question is adopted, then there shall be no further amendment or debate on any of the distinct propositions.
   
   (c) If the question is divided and any part thereof fails, then the bill or resolution and any pending amendments shall be removed from the calendar and re-referred to the committee from which the bill or resolution was reported.
   
   (d) Only one motion to divide the question shall be in order during consideration of a bill or resolution.

RULE 29. Duty to vote; excuses. – (a) Every Senator who is within the Senate Chamber when the question is stated by the Presiding
Officer shall vote thereon unless that Senator is excused by the Senate.

(b) A Senator who is a member of a committee shall, upon request, be excused from deliberations and voting on the bill while it is before the committee. The Senator must make the request to the chair of the committee when the bill is first taken up for consideration and before any motion or vote on the bill or any amendment to the bill. The Senator making the request for excuse in committee must renew that request for excuse on the floor of the Senate as set forth in this rule.

(c) Any Senator may move to be excused at any time from voting on any matter. The Senator may make a brief statement of the reasons for the motion which question shall be taken without debate on the motion.

(d) The Senator may send forward to the Principal Clerk, on a form provided by the Clerk, a concise statement of the reason for the motion, and the Clerk shall include this statement in the Journal.

(e) The Senator so excused shall not debate the bill or any amendment to the bill, vote on the bill, offer or vote on any amendment to the bill, or offer or vote on any motion concerning the bill at that reading, any subsequent reading, or any subsequent consideration of the bill.

(f) A Senator may move that the excuse of that Senator from deliberations on a particular bill be withdrawn, which question shall be determined without debate. The Senator shall send forward to
the Principal Clerk, on a form provided by the Clerk, the written request.

(g) A motion to be excused or for the withdrawal of an excuse shall be taken without debate.

(h) A motion by any Senator to change that Senator's vote must be made in open session on the same legislative day as the vote is taken. This subsection may not be suspended.

RULE 30. (Reserved for future use).

V. COMMITTEES

RULE 31. Appointment of committees. – The President Pro Tempore of the Senate shall have the exclusive right and authority to appoint the membership of all committees, regular and select, and to appoint committee chairs and vice-chairs and to establish select committees, but this does not exclude the right of the Senate by resolution to establish select committees. No bill, resolution, or amendment for which a fiscal note has been requested may be considered for passage prior to the fiscal note being attached to it.

(b) The fiscal note shall be filed and attached to the bill, resolution, or amendment within two legislative days of the request. If it is impossible to prepare a fiscal note within two legislative days, the Director of Fiscal Research shall, in writing, so advise the Presiding Officer, the Principal Clerk, and the member introducing or proposing the measure and shall indicate the time when the fiscal note will be ready.

(c) The fiscal note shall be prepared by the Fiscal Research Division on a form approved by the Chair of the Committee on Rules and
Operations of the Senate as to content and form and signed by the staff member or members preparing it. If no estimate in dollars is possible, the fiscal note shall indicate the reasons that no estimate is provided. The fiscal note shall not comment on the merit but may identify technical problems. The Fiscal Research Division shall make the fiscal note available to the membership of the Senate.

(d) A sponsor of a bill, resolution, or amendment may deliver a copy of that member's bill, resolution, or amendment to the Fiscal Research Division for the preparation of a fiscal note. The sponsor shall attach the fiscal note to the bill when the sponsor files the bill or resolution or to the amendment when the sponsor moves its adoption.

(e) The sponsor of a bill, resolution, or amendment to which a fiscal note is attached who objects to the estimates and information provided may reduce to writing the objections. These objections shall be appended to the fiscal note attached to the bill, resolution, or amendment and to the copies of the fiscal note available to the membership.

(f) Subsection (a) of this rule shall not apply to the Current Operations Appropriations Bill or the Capital Improvement Appropriations Bill. This rule shall not apply to a bill, resolution, or amendment requiring an actuarial note under these rules.

The actuarial note may be attached to the jacket of the measure.

(d) The note shall be factual and shall, if possible, provide a reliable estimate of both the immediate effect and, if determinable, the long-range fiscal and actuarial effect of the measure. If, after careful investigation, it is determined that no dollar estimate is possible, the note shall contain a statement to that effect, setting forth the reasons why no dollar estimate can be given. No comment or opinion shall be included in the actuarial note with regard to the merits of the measure for which the note is prepared. Technical and mechanical defects in the measure may be noted.

(e) When any committee reports a measure to which an actuarial note is attached at the time of committee consideration, with any amendment of such nature as would substantially affect the cost to or the revenues of any system, the chair of the committee reporting the measure shall obtain from the Fiscal Research Division and the administrator of the affected system an actuarial...
note of the fiscal and actuarial effect of the proposed amendment. The actuarial note shall be attached to the jacket of the measure. A chair of the Appropriations/Base Budget Committee, or of the Finance Committee, or of the Committee on Rules and Operations of the Senate, upon the floor of the Senate, may request that an actuarial note be attached to a bill, resolution, or an amendment that affects the costs to or the revenues of a system described in this rule and that is in the possession of the Senate, when in the opinion of that chair, the effect to the cost to or the revenues of a system described in this rule are not apparent from the language of the measure. No bill, resolution, or amendment for which an actuarial note has been requested may be considered for passage prior to the actuarial note from both the Fiscal Research Division and the administrator of the affected system being attached to it.

(f) The Fiscal Research Division shall make all relevant actuarial notes available to the membership of the Senate.

RULE 42.3. Assessment reports. – Municipal Incorporations. Every legislative proposal introduced in the Senate, or received in the Senate from the House, proposing the incorporation of a municipality shall have attached to the jacket of the original bill at the time of its consideration on second or third readings by the Senate or by any committee of the Senate prior to a favorable report, a recommendation from the Municipal
Incorporations Subcommittee of the Joint Legislative Committee on Local Government established by Article 20 of Chapter 120 of the General Statutes. The recommendation of that Subcommittee shall be made in accordance with the provisions and criteria set forth in Article 20 of Chapter 120 of the General Statutes and shall include the findings required to be made by G.S. 120-166 through G.S. 120-170.

RULE 42.3A. Proposed increases in incarceration. – (a) Every bill, amendment, and resolution proposing any change in the law that could cause a net increase in the length of time for which persons are incarcerated or the number of persons incarcerated, whether by increasing penalties for violating existing laws, by criminalizing behavior, or by any other means, shall have attached to it at the time of its consideration by the Senate a fiscal note prepared by the Fiscal Research Division. The fiscal note shall be prepared in consultation with the Sentencing Policy and Advisory Commission and shall identify and estimate, for the first five fiscal years the proposed change would be in effect, all costs of the proposed net increase in incarceration, including capital outlay costs if the legislation would require increased cell space. If, after careful investigation, the Fiscal Research Division determines that no dollar estimate is possible, the note shall contain a statement to that effect, setting forth the reasons why no dollar estimate can be given. No comment or opinion
shall be included in the fiscal note with regard to the merits of the measure for which the note is prepared. However, technical and mechanical defects may be noted.

(b) The sponsor of each bill, amendment, or resolution to which this subsection applies shall present a copy of the bill, amendment, or resolution with the request for a fiscal note to the Fiscal Research Division. Upon receipt of the request and the copy of the bill, amendment, or resolution, the Fiscal Research Division shall prepare the fiscal note as promptly as possible. The Fiscal Research Division shall prepare the fiscal note and transmit it to the sponsor within two weeks after the request is made, unless the sponsor agrees to an extension of time.

(c) This fiscal note shall be attached to the original of each proposed bill, amendment, or resolution that is reported favorably by any committee, but shall be separate from the bill, amendment, or resolution and shall be clearly designated as a fiscal note. A fiscal note attached to a bill, amendment, or resolution pursuant to this subsection is not a part of the bill, amendment, or resolution and is not an expression of legislative intent proposed by the bill, amendment, or resolution.

(d) If a committee reports favorably a proposed bill or resolution with an amendment that proposes a change in the law that could cause a net increase in the length of time for which persons are incarcerated or the number of persons incarcerated, whether by increasing penalties for
violating existing laws, by criminalizing behavior, or by any other means, the chair of the committee shall obtain from the Fiscal Research Division and attach to the amended bill or resolution a fiscal note as provided in this rule.

RULE 42.4. Content of appropriations bills. – (a) No provision changing existing law shall be contained in any of the following bills: (i) the Current Operations Appropriations Bill; (ii) the Capital Improvement Appropriations Bill; (iii) any bill generally revising appropriations for the second fiscal year of a biennium.

(b) No amendment to any bill listed in subsection (a) of this rule shall be in order if the language is prohibited by that subsection.

(c) Notwithstanding subsections (a) and (b) of this rule, any of the bills listed in subsection (a) of this rule or an amendment to such bill may change existing law if the change:

(1) Alters expenditures or salaries;

(2) Changes the scope or character of a program which must be reduced, increased, or changed because of an increase or decrease of funds appropriated for the program or because of changes in federal law or regulation; or

(3) Modifies any function of State government which necessitates a transfer of funds from one department to another;
provided, that for a provision to be in
order under this subsection, it must be
recommended to the General Assembly in a
written report adopted by the
Appropriations/Base Budget Committee before or
at the same time the bill is reported, or, if such
provision is contained in a floor amendment, the
sponsor of the amendment must present to the
Principal Clerk at or before the time the
amendment is offered an explanation of the
amendment for distribution to each member of the
Senate.

RULE 42.5. Appropriations/Base
Budget Committee meetings. – The
Appropriations/Base Budget Cochairs may in
their exclusive discretion direct that the
Appropriations/Base Budget Committee or its
subcommittees or both may consider the budget
and the budget plan, including all appropriations,
in separate meetings from the House of
Representatives and may do all things separately
from the House of Representatives.

RULE 43. First reading; reference to
committee. – All bills filed for introduction and
all House bills received in the Office of the
Principal Clerk not later than one and one-half
hours preceding the convening of the Senate,
upon presentation to the Senate, shall be read in
regular order of business by their number and title,
which shall constitute the first reading of the bill.
The Chair of the Committee on Rules and
Operations of the Senate or, in the Chair's absence, the Vice-Chair of the Committee or the President Pro Tempore may refer to a Senate committee all bills introduced in the Senate or received from the House of Representatives. Upon the referral being made, the Chair of the Committee on Rules and Operations of the Senate shall notify the Principal Clerk of the Senate of the referral, and the Reading Clerk shall announce the referral of the bill. The Principal Clerk shall inform the Presiding Officer of the referral. The title and referral shall be entered upon the Journal.

Bills may be referred to more than one committee serially: e.g., "S.B. ________ is referred to the Committee on Finance and upon a favorable report referred to the Appropriations/Base Budget Committee."

**RULE 44. Bills to receive three readings.**

- Every bill shall receive three readings before being passed, and the Presiding Officer shall give notice at each reading whether it be the first, second, or third. Unless a member of the Senate objects, a bill may be referred to, and presented to the Senate, by its bill number and short title. The Reading Clerk shall announce the referral as set forth in Rule 43. No bill shall be amended upon the floor of the Senate, except under Rule 45.1, until it has been twice read. Senate simple resolutions shall not require three readings.

**RULE 45. Reports of committees.**

Every Senator presenting a report of a committee
shall endorse the report with the name of the committee. The report of the committee shall show that a quorum of the committee was present and a majority of those present voted in favor of the report. Every report of the committee upon a bill or resolution shall stand upon the general orders with the bill or resolution. No committee shall report a bill or resolution without prejudice.

RULE 45.1. Action on amendment or committee substitute; distribution of committee substitutes. – (a) If any committee recommends adoption of an amendment or committee substitute of a bill or resolution, the amendment or committee substitute shall be considered adopted upon the reading of the committee report. The bill or resolution, as amended, or its adopted committee substitute shall be placed on the calendar for the next legislative day or re-referred if the bill or resolution was serially referred. The committee substitute’s original bill or resolution shall lie on the table.

(b) Notwithstanding any other provision of this rule, a committee substitute for a simple resolution shall be placed on the calendar for the next legislative day for a vote on its adoption.

(c) Unless a committee substitute of a bill or resolution being considered by a committee is distributed to members of that committee no later than 6:00 P.M. the day prior to the committee meeting, the committee substitute shall be carried over to the next day, unless a majority of the
RULE 46. Unfavorable report by committee. – All bills reported unfavorably by the committee to which they were referred shall lie upon the table but may be taken from the table and placed upon the calendar by a two-thirds vote of the membership of the Senate present and voting.

RULE 47. Recall of bill from committee and discharge petition; re-calendaring or referral of a bill to committee. – (a) Notwithstanding anything to the contrary, only the President Pro Tempore, the Chair of the Committee on Rules and Operations of the Senate, or the chair of a committee to which a bill or other matter is assigned may, with the consent of a majority of the membership of the Senate present and voting, recall the measure from its assigned committee to be referred to another committee or the floor. Only the President Pro Tempore or the Chair of the Committee on Rules and Operations of the Senate may, with the consent of a majority present and voting, re-calendar a bill or resolution appearing on the calendar or refer or re-refer it to committee.

(b) A motion to discharge a committee from consideration of a bill or resolution may be filed with the Principal Clerk if accompanied by a petition signed by two-thirds of the members of the Senate asking that the committee be
discharged from further consideration of the bill or resolution. No petition may be circulated for signatures until 10 legislative days after the bill has been referred to the committee. No petition may be circulated for signature until notice has been given on the floor of the Senate that the petition is to be circulated. If such a motion accompanied by a valid petition is filed, the Principal Clerk shall place that motion on the calendar for the next legislative day as a special order of business. If the motion is adopted by two-thirds of the members of the Senate, then the committee to which the bill or resolution has been referred is discharged from further consideration of the bill or resolution, and that bill or resolution is placed on the calendar for the next legislative day as a special order of business. If the committee had, prior to discharge, adopted any amendment or committee substitute for the bill, it shall be in order to offer that amendment or substitute on the floor as if it were a committee amendment or substitute. The Principal Clerk shall provide a form for discharge petitions.

(c) This rule shall not be temporarily suspended.

RULE 48. Calendar; order to be followed. – The Presiding Officer and the Principal Clerk of the Senate shall see that all bills are acted upon by the Senate in the order in which they stand upon the calendar, unless otherwise ordered in accordance with Rule 47. The published calendar shall include all bills reported
favorably from committees, or placed on the calendar on motion, and shall include the bill number and short title of each bill on the calendar.

RULE 49. Consideration of gubernatorial nominations or appointments. – When received by the Principal Clerk, written notice of a gubernatorial nomination or appointment that requires confirmation by the General Assembly or the Senate shall be read in session and shall be referred by the Chairman of the Committee on Rules and Operations of the Senate, or in the Chairman's absence the President Pro Tempore of the Senate, to the appropriate Senate committee. The Chairman of the Committee on Rules and Operations of the Senate may file an appropriate resolution for consideration of the nomination or appointment. For statewide or at-large nominations or appointments, the Principal Clerk shall transmit a copy of the notice of nomination or appointment to the Senator or Senators representing the county in which the nominee or appointee resides. For nominations or appointments of persons to represent a particular district or region of the State, the Principal Clerk shall transmit a copy of the notice of nomination or appointment to the Senator or Senators representing all or a portion of the particular district or region to be represented. The chair of the Senate committee receiving referral of any nomination or appointment shall determine the procedure by which the committee shall consider that
nomination or appointment and may make a report of its recommendation to the Senate.

**RULE 50. Third reading requirements.**
– No bill on its third reading shall be acted upon out of the regular order in which it stands on the calendar, and no bill shall be acted upon on its third reading the same day on which it passed its second reading, unless so ordered by two-thirds of the membership of the Senate present and voting.

**RULE 51. Special orders.** – Any bill or other matter in consideration before the Senate may be made a special order for a subsequent day or hour by a vote of the majority of the Senators voting, and if action on the bill is not completed on that day, it shall be returned to its place on the calendar, unless it is made a special order for another day; and when a special order is under consideration it shall take precedence over any special order or subsequent order for the day, but such subsequent order may be taken up immediately after the previous special order has been disposed of.

**RULE 52. Procedure when necessary number of Senators not present.** – If, on taking the question on a bill, it appears that a constitutional quorum is not present, or if the bill requires a vote of a certain proportion of all the Senators to pass it, and it appears that such number is not present, the bill shall be again read and the question taken thereon; if the bill fails a
second time for the want of the necessary number being present and voting, the bill shall not be finally lost but shall be returned to the calendar in its proper order.

**RULE 53. Effect of defeated measure.** –

(a) After a bill has been tabled, or has failed to pass on any of its readings, the contents of such bill or the principal provisions of its subject matter shall not be embodied in any other measure. After an amendment has been tabled or defeated on the Senate floor, the contents of such amendment or the principal provisions of its subject matter shall not be embodied in any other measure. If a substitute amendment is adopted on the floor, the contents of the previously pending amendment which are not contained in the substitute shall be considered to have been defeated. Upon the point of order being raised and sustained by the Presiding Officer, such measure shall be laid upon the table and shall not be taken therefrom except by a vote of two-thirds of the membership of the Senate present and voting: Provided, no local bill shall be held by the Presiding Officer as embodying the provisions of, or being identical with, any statewide measure which has been laid upon the table or failed to pass any of its readings.

(b) When a bill has been postponed indefinitely by the Senate, the bill shall lie upon the table and shall not be taken therefrom except by a vote of two-thirds of the membership of the Senate present and voting.
RULE 54. Taking bill from table. – No bill which has been laid upon the table shall be taken therefrom except by a vote of two-thirds of the membership of the Senate present and voting.

RULE 54.1. Bill title. – The title of each bill shall adequately and fairly reflect its subject matter.

RULE 55. Amending titles of bills. – When a bill is materially modified or the scope of its application extended or decreased, or if the county or counties to which it applies is changed, the title of the bill shall be changed by the committee having it in charge or by the Principal Clerk, so as to indicate the full purport of the bill as amended and the county or counties to which it applies.

RULE 56. Corrections of typographical errors in bills. – The Enrolling Clerk is authorized to make corrections of typographical errors in the text of bills at any time prior to ratification. Before the correction is made, the Enrolling Clerk shall have the approval of the Chair of the Committee on Rules and Operations of the Senate or, in the Chair's absence, the Vice-Chair of said Committee, the President Pro Tempore, or the Deputy President Pro Tempore.

RULE 56.1. Amendments and committee substitutes adopted by the House to bills originating in the Senate. – (a) Whenever the House has adopted an amendment or a
committee substitute for a bill originating in the Senate, and has returned the bill to the Senate for concurrence in that amendment or committee substitute, the Senate may not concur in that amendment or committee substitute until the next legislative day following the day on which the Senate receives that measure.

(b) The Chair of the Committee on Rules and Operations of the Senate, (or in that Chair’s absence the President Pro Tempore) may, or upon motion supported by a majority of the Senate present and voting shall, refer the bill to an appropriate committee for consideration of the amendment or committee substitute.

(c) The Presiding Officer shall, in placing the bill on the calendar, rule whether the amendment or committee substitute is a material amendment under Article II, Section 23, of the State's Constitution. If the measure is referred to committee, the committee shall:

(1) Report the bill with the recommendation either that the Senate do concur or that the Senate do not concur; and

(2) Advise the Presiding Officer as to whether or not the amendment or committee substitute is a material amendment under Article II, Section 23, of the State's Constitution.

(d) If the amendment or committee substitute for a bill is not a material amendment, the question before the Senate shall be
concurrence. In the event there is more than one House amendment, the question shall be concurrence in all the House amendments, and the question may not be divided, notwithstanding Rule 28. The question that shall be put before the Senate by the Presiding Officer shall be: "Does the Senate concur in the House amendments (committee substitute) to S.B.?".

(e) If the amendment or committee substitute for a bill is a material amendment, the receiving of that bill on messages shall constitute first reading, and the question before the Senate shall be concurrence on second reading. If the motion is passed, the question then shall be concurrence on third reading on the next legislative day.

(f) No committee substitute adopted by the House to a bill originating in the Senate may be amended by the Senate.

RULE 57. Conference committee. – The President Pro Tempore of the Senate, or in the President Pro Tempore's absence, the Deputy President Pro Tempore, upon motion, may appoint a conference committee when the Senate fails to concur in amendments or committee substitutes put by the House to a bill originating in the Senate, or when the House of Representatives fails to concur in amendments or committee substitutes put by the Senate to a bill originating in the House. Senate conferees shall include the primary sponsor of the bill. In considering the bill committed to the conferees,
only such matters as are germane to the bill shall be considered by the conferees, and the conference report shall deal only with such matters. The matters referred to the conference committee by the conference committee chairs shall go to and be considered by the conferees appointed by the Senate and the House of Representatives. While the bill is in conference committee, the Senate’s position shall be determined by a majority of the Senate conferees. Upon agreement by the Senate and House of Representatives, a conference report shall be drafted reflecting the matters considered and agreed upon by the conferees. The conference report shall not be amended. A conference report in order under this Rule when reported to the Senate shall be calendared for consideration of the question of adoption on any date specified by the Chairman of the Committee on Rules and Operations of the Senate, or in the absence of the Chairman, by the President Pro Tempore. In the absence of any such specification it shall be calendared for the next legislative day.

RULE 57.1. Germaneness of amendment or committee substitute. – (a) All floor amendments shall be germane to the subject matter of the measure under consideration. The question of germaneness of the proposed floor amendment is in order at any time the measure is before the body prior to final action on its adoption.
(b) In committee, the germaneness of amendments or committee substitutes shall be determined by the chairman of the committee in which such amendments or committee substitutes are offered.

RULE 58. Certification of passage of bills. – The Principal Clerk shall certify the passage of bills by the Senate, with the date thereof, together with the fact whether passed by vote of three-fifths or two-thirds of the membership of the Senate present and voting, whenever such vote may be required by the Constitution or laws of the State.
