HOUSE JOURNAL

SECOND SESSION 2006

ONE HUNDRED TWENTY-SEVENTH DAY

HOUSE OF REPRESENTATIVES
Tuesday, May 9, 2006

The House meets at 12:00 Noon pursuant to adjournment and is called to order by the Speaker.

The following prayer is offered by the Reverend Jim Harry, House Chaplain:

"Almighty God:

"You alone are sovereign over earth and heaven. We acknowledge to Thee, that it is only by Your divine grace and mercy that You permit us to share in Your rule through this gift of self-government. We thank You for this precious gift, O God; and we pray that we will all work diligently to become better stewards of it. As we gather in this place, remind us that together we are heirs of this gift and that together we have been elected to serve Your people. Though this supplication may sound foreign to faithless ears, help those of us within this Chamber to truly believe that through Your holy power, a genuine spirit of community and a sincere resolve to work on the People's issues can be accomplished in an atmosphere of harmony in respect for each other, for the tradition of this grand institution, for the needs of those who have sent us here, and most importantly, in our constant efforts to honor and glorify Thee. Gracious and Merciful God, we humbly beseech Thee, grant Your blessing upon us as we begin this Short Session of the 2005-2006 General Assembly. Amen."

The following members of the North Carolina State Highway Patrol Troop C Honor Guard present the colors for the Pledge of Allegiance: First Sergeant James Henderson, Trooper Chris Dixon, Trooper David Mazzotta, and Trooper Joe Bright.

HOUSE OF REPRESENTATIVES
Wednesday, May 10, 2006

The House meets at 11:00 a.m. pursuant to adjournment and is called to order by the Speaker.

The following prayer is offered by the Reverend Jim Harry, House Chaplain:

May 10, 2006

"Holy God:

"Your wisdom and omniscience is eternal, the limits of which we have no comprehension. Time and time again, the men and women of this Body are asked to consider 'what is the best course of action' as it relates to our economy, our health and well-being, and the people of our State. They have chosen to seek this office, so they cannot shy away from the enormity of these tasks. Help us to recognize the limits of our expertise and our capacity to be all things to all people. Thus, as we pray to You this day, grant unto us a clearer vision of Your will as it relates to the work we must set out to accomplish. Give us the courage to continue to ask questions of those who come before us with the knowledge and experience to illuminate our decisions. Keep us humble in our pursuit of legislation so that what we enact is ultimately in the best interest, not of ourselves, but for those for whom our efforts seek to uplift. Amen."

Representative Michaux, for the Committee on Rules, Calendar, and Operations of the House, reports the Journal of May 9 has been examined and found correct. Upon his motion, the Journal is approved as written.

HOUSE OF REPRESENTATIVES
Monday, May 15, 2006

The House meets at 7:00 p.m. pursuant to adjournment and is called to order by the Speaker.

The following prayer is offered by the Reverend Jim Harry, House Chaplain:

"Gracious God, Giver of every good and perfect gift, incline Thine ear to us and hear our prayer of thanksgiving:

"For all that You are, for all that You have done and for all that You are yet to do, we offer You our thanks. For the gifts of life and health and for the gifts of family and friends, we offer You our thanks. For the gifts of servanthood and representative leadership and for the opportunity to help others in positive and definitive ways, we are thankful. God, You are indeed the gracious gift giver. Despite our uncanny ability to often find ways to squander Your gifts, we pray that You would continue to offer Yourself to us in the hope that we might continue to effectively serve others through Your grace. And, hopefully, we pray that we can always be people with gracious and thankful hearts. Amen."

HOUSE OF REPRESENTATIVES

Tuesday, May 16, 2006

The House meets at 3:30 p.m. pursuant to adjournment and is called to order by the Speaker.

The following prayer is offered by the Reverend Jim Harry, House Chaplain:

"Almighty God, Creator of all that is seen and unseen:

"There is nowhere we can go to hide from Your Presence. There is nothing that we do that You do not see; and there is nothing that we have done that You do not know. Indeed we have no secrets of which You are unaware. Though we can be a stubborn people and often think that what we do in secret can be kept in the dark, remind us that You are everywhere and that neither walls nor shades, neither conversations nor promises made are ever spoken that Your ears cannot hear. As this Body takes on the very real and legitimate work of ethical reform, show them that You are already at work in the world seeking to bring hope out of sorrow, justice out of inequity, and truth out of the shadows. Provide this entire Body with the wisdom and courage to write legislation that seeks the very best in people.

May 16, 2006

O God, open up the windows of heaven and shine Your light upon our hearts and remind us that You are always shining light into the darkness and illuminating our paths. Amen."

ONE HUNDRED THIRTY-FOURTH DAY

HOUSE OF REPRESENTATIVES
Monday, May 22, 2006

The House meets at 7:00 p.m. pursuant to adjournment and is called to order by the Speaker.

The following prayer is offered by the Reverend Jim Harry, House Chaplain:

"Almighty God:

May 22, 2006

"We are bold to call upon You for guidance when so often we go about our daily routines with little or no thought of Your will for our lives. Like busy bees, running to and fro, we tend to call upon You mostly when our arms are full and we find we need You to help us carry some of the load. Remind us that You are not a bellhop for hire whom we can call on when needed and shoo away when we're finished. You are the God of the universe and we would do well to acknowledge You as such. Keep us from our useless chatter and simplistic thoughts of prayer when we call on You with little or no desire to hear, listen or change our ways. Rather, O Lord, fill us with a sincere desire to hear and listen to Your voice beckoning our hearts to draw near in faith and find their rest in Thee. Amen."

The Speaker leads the Body in the Pledge of Allegiance.

Representative Michaux, for the Committee on Rules, Calendar, and Operations of the House, reports the Journal of May 18 has been examined and found correct. Upon his motion, the Journal is approved as written.

HOUSE OF REPRESENTATIVES
Tuesday, May 23, 2006

The House meets at 2:00 p.m pursuant to adjournment and is called to order by the Speaker.

May 23, 2006

The following prayer is offered by the Reverend Jim Harry, House Chaplain:

"Almighty God, Author and Perfector of Life:

"We are only given this one chance to live, to work, to serve, and to love. Humbly, we admit that there are times when we do some of these better than others and some...not so well. Life is a precious gift, but it is also very fragile. God, grant us a deeper appreciation for one another. Remind us that it is okay to express our differences for You created each of us uniquely. Help us to earnestly sit and reason together and to accept the wonderful diversity our varying perspectives can bring to any negotiating table. Keep true in us the purity of life and our place in this glorious world that You have given us to share. Amen."

Representative Michaux, for the Committee on Rules, Calendar, and Operations of the House, reports the Journal of May 22 has been examined and found correct. Upon his motion, the Journal is approved as written.

ONE HUNDRED THIRTY-SEVENTH DAY

HOUSE OF REPRESENTATIVES
Thursday, May 25, 2006

The House meets at 12:00 Noon pursuant to adjournment and is called to order by the Speaker.

The following prayer is offered by the Reverend Jim Harry, House Chaplain:

May 25, 2006

"Gracious Lord:

"You have given us all that there is to enjoy in this world as a gift from Thy loving hand. Obviously we are grateful for those things that we can see, touch and experience such as family and friends. But, as we prepare to enter into Memorial Day weekend, we are wise to remember Your gift of human freedom and the pursuits of liberty and equality amongst the people of the world. We are especially mindful of those brave men and women whose ultimate sacrifices give us the privilege to freely debate in this very House Chamber. As we enjoy the festivities of the holiday weekend and the unofficial beginning of summer, let us be vigilant that the sacrifices of Your children are not forgotten or excused. In their memory and honor, may we keep true in us the sacred responsibilities that this office demands of us. Amen."

"For all those through whom You have blessed our pilgrimage, whose lives have empowered us, and whose influence is a healing grace...

"For the dear friends and family members whose faces we see no more, but whose love is with us forever...

"Today, we remember and give thanks for all those who have sacrificed themselves, our brothers and sisters who have given their lives for our sake and for the sake of others...

"We pray that we may now be dedicated to working for a world where labor is rewarded, fear dispelled, and the nations made one. O Lord, save Your people and bless Your heritage for ever and ever. Amen."

(John Hunter, Scotland, 20th CENT., ALT)

"We come seeking a greater insight into ourselves and our true work. Open our eyes and remind us of the sacred responsibilities we each carry as persons created in Your image. Open our hearts that we might recognize and respect those around us. Remind us that our work is more than simply the fulfilling of mundane tasks; that with openness to Your voice and will, our work can be labors for Your kingdom.

"Forgive us when we have placed self-interest above Your interest in the least, the last and the lowly. Help us to do our best as we strive to love and serve our fellow man. Grant unto us Your traveling mercies and a weekend of rest, relaxation and peace. For it is in the name above every name that we pray. Amen."

HOUSE OF REPRESENTATIVES
Wednesday, June 14, 2006

The House meets at 10:30 a.m. pursuant to adjournment and is called to order by the Speaker.

June 14, 2006

The following prayer is offered by the Reverend Bruce Grady, Shaw Divinity School and Temporary Supply at Western Boulevard Presbyterian Church, Raleigh, North Carolina:

"I will lift up mine eyes unto the hills from whence cometh my help. My help comes from the Lord who made Heaven and Earth.

"Eternal Spirit, never far from any one of us but often by our insensitive spirits unrecognized, we worship You. We live not alone in a world of things beneath us which we can look down upon and so command, but in a world of appreciation and admiration, of adoration and worship. Lift us today, we beseech thee, into those loftier altitudes of the spirit where we are aware of things superior and divine which we may not command because they ought to command us, nor master because by them we should be mastered.

"Yet here in the quiet of thy sanctuary we would not escape from life. Lo, how the silence of this place is populous with sound...the echoes of the footsteps of those who look for work and cannot find it, the cries of mothers anxious for their children's food! Disturb us, we beseech You, by sounds of grief from the world outside. Let no one of us rest content, but make us penitent for our social evils, for our greed, selfish ambition, and carelessness of one another's good. O God, give us the grace to open some channels by which thy saving strength can come into the hearts of thy people. Grant us a new and holy indignation against social wrong, and, above all, thy triple gift of faith and wisdom and courage.

"Beyond our power to speak the needs of all, we lift in secret prayer the intimate and domestic wants of our lives in personal character and in family relationships. Bless every household here today. There are griefs here to be comforted, anxieties to be assuaged, prosperity that should not make us proud, difficulty that should not cast us down, temptation that we should rise above, and burdens that ought to call out in us power and not bitterness. O God, according to the riches of thy grace, minister thou to this Assembly for the needs of thy people.

"In the Spirit of Christ. Amen."

"With that said, let us pray as you begin today's Legislative Session:

"O Lord, continue to bless our Nation that there may be peace and prosperity in all of our borders. Thank You for giving us this good land, North Carolina, for our heritage; *'May we always prove ourselves a people mindful of Your favor and glad to do Your will. ONE HUNDRED FIFTIETH DAY

HOUSE OF REPRESENTATIVES
Monday, June 19, 2006

The House meets at 6:00 p.m. pursuant to adjournment and is called to order by the Speaker.

The following prayer is offered by the Reverend Jim Harry, House Chaplain:

"Almighty God:

"We gather in this place once again. And, once again, we begin by seeking Your blessing and affirmation over the work that we do. What does it mean to receive God's blessing? Do You affirm us in our work? As we search for the knowledge of God, how can we find answers to these seemingly rhetorical questions? Perhaps, O Lord, we can begin by being true to You and to ourselves. Perhaps, we can take delight in our constituents' thoughts that are balanced and fair. We recognize that what we do is not easy. So, we humbly bow before You and ask that Your loving kindness would guide our feet and that Your grace would be a light unto our path. Amen."

The Speaker leads the Body in the Pledge of Allegiance.

HOUSE OF REPRESENTATIVES
Tuesday, June 20, 2006

The House meets at 2:00 p.m. pursuant to adjournment and is called to order by the Speaker.

June 20, 2006

The following prayer is offered by the Reverend Jim Harry, House Chaplain:

"Creator God:

"You are the Creator of all that is seen and unseen. All of the earth's beauty, vast expanse and awesome landscapes are but a drop of ink from Your eternal hand upon the canvas of the universe. We confess to You that we have not always been good stewards of this gift. We have cut down Your forests, polluted Your waters, and damaged the natural balance of life. Forgive us we pray; and teach us to be good stewards of this wonderful world You have made. Help us to continue to search for ways that encourage right and proper usage of our natural resources and our lands so that all whose lives will follow ours will be able to deeply experience Your creation with awe and holy reverence. Amen."

June 21, 2006

The House meets at 1:00 p.m. pursuant to adjournment and is called to order by the Speaker.

The following prayer is offered by the Reverend Jim Harry, House Chaplain:

"Loving God:

"The wisdom writer said, 'There is a time for everything and a season for every activity under heaven.' We thank You for not only creating us for work but that You also placed within our spirits a strong desire for play and recreation. Quite honestly, we cannot say with conviction that You actually choose one team or another to win an athletic contest anymore than we can say that You choose one side of the aisle or another to win an election. However, we can say with full conviction that You most certainly take delight in our successes and that You shine heaven's grace upon our joys. So, today we offer You our thanks for the joy we celebrate as the people of this great State and the incredible pride we feel for this organization, the Carolina Hurricanes. We humbly beseech Thee O Lord, to be pleased and to take delight with us in this, our time of celebration. Amen."

ONE HUNDRED FIFTY-SIXTH DAY

HOUSE OF REPRESENTATIVES
Wednesday, June 28, 2006

The House meets at 2:00 p.m. pursuant to adjournment and is called to order by the Speaker.

The following prayer is offered by the Reverend Bruce Grady, Shaw Divinity School and Temporary Supply for Western Boulevard Presbyterian Church:

"Almighty God, in whose presence, there is the fullness of joy. We ask for Your blessing of insight and inspiration to be shared with this Assembly.

"Lord be nearer to us than we have ever known and reveal Your truth more clearly than we have ever seen.

"We pray for our nation's schools, especially for the boys and girls who suffer in the academic achievement gap, that every child would receive a sound education. Help us to create and support a system where truly no child is left behind.

"In the face of unpredictable floods in the eastern United States and droughts with fires in the western area, we plea for Your divine intervention.

"We pray for every race, tribe, and tongue of people throughout this great State and throughout the world. Grant that, as members of God's creation, having a common nature, and a common purpose, so may we have a mind to seek our likenesses and to celebrate our diversity.

"Please bless our Moderator and all who share in the affairs of government this day.

"In Your name we pray. Amen."

ONE HUNDRED SIXTIETH DAY

HOUSE OF REPRESENTATIVES
Wednesday, July 5, 2006

The House meets at 2:00 p.m. pursuant to adjournment and is called to order by the Speaker.

The following prayer is offered by the Reverend Jim Harry, House Chaplain:

"Almighty God:

"Every aspect of our lives is a gift from You, and we thank You that You have seen fit to provide us with these gifts both for our own sake and for the sake of others. No two people will always agree on the proper distribution of money or whether or not said distribution fits one's own definition of good stewardship. Nevertheless, in examining, debating and ultimately on voting on a budget for the people of this State, You have called this Body to this task. It is not an enviable task. Rather it is a job that requires self-examination and a clear understanding of constituencies as well as an honest search for the hope for Your people. Therefore, it is a holy task. It is as much a theological task as it is a financial responsibility. O God, grant unto this honorable Body, we humbly beseech Thee, a clear vision of your divine will as they go about their work this day. Amen."

SPECIAL MESSAGE FROM THE SENATE

The following Special Message is received from the Senate:

S.J.R. 2064, A JOINT RESOLUTION HONORING THE LIFE AND MEMORY OF HAMILTON COWLES HORTON, JR., FORMER MEMBER OF THE GENERAL ASSEMBLY, is read the first time.

Pursuant to Rule 32(a), the resolution is placed on the Calendar for immediate consideration.

The resolution passes its second reading, by electronic vote (114-0), and there being no objection is read a third time.

The resolution passes its third reading and is ordered enrolled.

REMARKS SPREAD UPON THE JOURNAL

On motion of Representative Parmon, the remarks made on **H.J.R. 2876**, A JOINT RESOLUTION HONORING THE LIFE AND MEMORY OF WARREN CLAUDE "PETE" OLDHAM, FORMER MEMBER OF THE GENERAL ASSEMBLY, are spread upon the Journal.

REMARKS BY REPRESENTATIVE LUCAS

"Thank you, Mr. Speaker.

"When I first came to the General Assembly in January 2001, I did not know Pete Oldham. He, however, introduced himself to me and offered his personal assistance to get me acclimated to the legislative process. He was always very mild-mannered and quite knowledgeable and helpful.

"I wish that I could have had the opportunity to watch him coach sports, because I know that he was effective and coached in a manner similar to that of John Wooden of UCLA.

July 12, 2006

"I commend the Resolution to you."

REMARKS BY REPRESENTATIVE MCGEE

"Thank you, Mr. Speaker.

"I had the opportunity while Mayor of Clemmons to be in Pete's company at various public functions, because of our elective offices. He was always courteous and pleasant at these times.

"The last time I saw Pete while he still held legislative office was during a dinner in Forsyth County honoring Farm Families.

"Pete and his wife came in and Pete sat across the table from me - a bit late and looking bedraggled and worn. He wanted to talk and I became his sounding board. He had come directly from committee meetings in Raleigh and the two-hour trip to Winston-Salem was not the pleasant drive then that it is now, particularly the mean stretch through Greensboro. His body was in Winston-Salem, but his mind was still in the committee room, probably jousting over an appropriation with Representative Michaux. I was glad to be a part of the calming process for Pete. Here was a good man having done his duty and now calming himself. I was glad to provide some help in his process.

"I would have gained a lot of good knowledge and experience had I been able to share more time with Pete. That is my loss.

"I commend the Resolution to you. Thank you."

REMARKS BY REPRESENTATIVE MCMAHAN

"I rise to ask your support of this Resolution. When I arrived to the North Carolina House in 1995, Speaker Brubaker asked me to chair the committee dealing with the University Board of Governors appointments. Needless to say, I did not have any idea how to complete this assignment, but I quickly learned that Representative Oldham was the expert on this process since he had chaired this committee several times. Without me asking, Representative Oldham was nice enough to give me his file on the subject and spent a great deal of his time to help me with the process.

"Representative Oldham was such a wonderful person and one that I truly liked and had tremendous respect for. He is greatly missed by me and many others, and I commend the Resolution to you."

July 12, 2006

On motion of Representative Parmon, the following remarks on **S.J.R. 2064**, A JOINT RESOLUTION HONORING THE LIFE AND MEMORY OF HAMILTON COWLES HORTON, JR., FORMER MEMBER OF THE GENERAL ASSEMBLY, are spread upon the Journal.

REMARKS BY REPRESENTATIVE MCGEE

"Thank you Mr. Speaker - ladies and gentlemen of the House and guests. It is an honor for me to speak and ask for your support of this Resolution.

"It is a humbling experience to make a few comments about a man with Senator Horton's oratorical skills. 'Ham', as has been said, was born in Forsyth County and was a lifelong resident except perhaps for the time spent in the US Navy and in School.

"Ham was extremely proud of his Moravian heritage and in fact was doing work for his church until just a few days before his death. *Pro Bono*.

"He served his community with dignity and aplomb.

"A bowtie was his sartorial signature, however, only slightly surpassing his suits of classic southern summer chic. Did you ever notice no matter how hot, Ham always looked cool?

"My first recollection of being in Ham's presence, and immediately recognizing a person one would be happy to know, was at a dedication of an historical park in Yadkin County.

"Ham was perhaps in his second or third term in the North Carolina Legislature and was the featured dedicating speaker. It was so appropriate. Ham was dedicating the reconstruction of Richmond Pearson Homeplace and Law School. Pearson was Chief Justice of the NC Supreme Court from 1858 until his death in 1878. Here it was altogether for Ham - Law - History - Historical Preservation and Site Dedication with an audience of local political leaders and others who had worked so hard to rescue, restore and preserve this building.

"His interests in historical preservation and relevance were fulfilled as he participated in this particular dedication perhaps for the following reasons:

"Richmond M. Pearson - 1805-1878 was NC Chief Justice 1858-1878, was a noted teacher of law- also a NC legislator after the Civil War- A

July 12, 2006

Republican - and founded 'Richmond Hill Law School' - where hundreds of students 'read law'.

"The Chief Justice's son, Richmond Pearson built another Richmond Hill in Asheville, now the famous Richmond Hill Inn. He was born in Yadkin County in 1852 at Richmond Hill. He was a Republican Member of the NC House from 1884-1886 and later a Congressman from Buncombe County.

"Ham was at home there in the shade of large oak trees in the yard of a House and Law School built in 1848. Old and elegant and historical.

"By the way, it was hot, very hot that day, but you would not know it by seeing and hearing Ham perform.

"Thank you, Mr. Speaker, and in closing, I want to say, I admired Ham for who I thought he was. Since his passing and upon further reflection, my admiration has grown and become solidified because he was the man I thought he was.

"I commend the Resolution to you."

REMARKS BY REPRESENTATIVE BROWN

"Mr. Speaker and Ladies and Gentleman: I will speak briefly on the Resolution. Senator Horton was one of the most admired men in North Carolina and all the accolades we can bestow upon him will be well deserved. Thank you for your support of the Resolution."

The following prayer is offered by the Reverend Jim Harry, House Chaplain:

"Almighty God:

"There are times when our patience runs thin, our frustrations soar and our tolerance levels are at their brim. You, O God, must undoubtedly experience similar feelings with us more so now, then again. There are times when certain things are simply out of our control and in the hands of those in higher positions of leadership than we ourselves. Help us to keep vigilant, but ever mindful that we are, indeed, in this together; and together we must seek to balance our egos with patience and understanding. Grant us forbearance in these remaining days. Amen."

ONE HUNDRED SIXTY-EIGHTH DAY

HOUSE OF REPRESENTATIVES
Wednesday, July 19, 2006

July 19, 2006

The House meets at 2:00 p.m. pursuant to adjournment and is called to order by the Speaker.

The following prayer is offered by the Reverend Jim Harry, House Chaplain:

"O God, You alone are sovereign over all the earth. We and all who dwell upon the earth fall under Your divine authority. As a part of the global community, our hearts are pained by the loss of sacred human life. The death toll continues to rise in Indonesia from the tsunami that has wreaked havoc upon that area. North Korea's political regime is playing war games with the international community. And, the escalating violence in the Middle East, particularly between Israel and Lebanon, has once again reached levels of frightening proportions teetering on the brink of war.

"Merciful God:

"We believe that You, too, are deeply grieved by the loss of human life and particularly when nations rise up against nations. In the midst of the fiery exchange of rockets and bombs, we are bold to pray for peace. We pray for diplomacy and forbearance to begin the cessation of bloodshed and the sparing of innocent life. Remind us dear Lord, as we seem to be a people who constantly need reminding, that You are a God of peace; and it is peace that we should be seeking throughout Your glorious creation we all call our home. Amen."

Representative Michaux, for the Committee on Rules, Calendar, and Operations of the House, reports the Journal of July 18 has been examined and found correct. Upon his motion, the Journal is approved as written.

Leaves of absence are granted Representatives Brubaker, Clary, Earle, Farmer-Butterfield, Howard, LaRoque, Pate, Ray, Sherrill, and Wray for today. Representatives Allred, Daughtry, Eddins, Insko, and Sauls are excused for a portion of the Session.

POINT OF PERSONAL PRIVILEGE

On motion of Representative Lucas, the following remarks by Representative Alexander are spread upon the Journal.

To and In Honor of
 The 2006 General Assembly

"Once upon a time but not too long ago - why maybe just yesterday who knows - well - in fact it is taking place today to be exact. *This is our story - sort of!*

"One day in a conversation - **Sauls, Clary, Harrell, Jeffus, Parmon and Womble** were relating their legislative memories to each other and the conversation went something like this:

July 20, 2006

"There were two groups of people who were helping the State and they were not Democrats and Republicans but the L's and the Mc's.

"The group known as the L's was a very fine group: **Langdon, LaRoque, Lewis, Lucas and Luebke** and the other group included such fine folks as **McAllister, McComas, McLawhorn, McMahan and McGee**.

"They were from counties all around: **Alexander, Cleveland, Johnson, Martin and Warren** and from counties out **West**. One was from *Sherrill's* Ford near Charlotte. And one was from **Morgan** ton.

"Some lived on a **Hill** or **Under the hill**, and some were from **Daught ridge**. Some had to **Crawford** the **Current** or when it was raining hard had to wend their way through the **Gulley**, or perhaps the **Brown** mud. And - some were from the **Hollo** or the **Hollo way**.

"Some were **Yongue**. Some had a **Barnhart** or had to find their way through the **Rayfield** or **Stamp** through the **Black woods**. Many were **Tuckered** out and looked **Wiley** when they arrived at the capital. They had run out of **Stee(n)m**. They would just **Saunders** (saunter).

"Who were these people? Well - they came from all walks of life: there was the **Bru baker**, a **Coleman** and **Farmer-Butterfield**; a **Fisher** woman as well as a **Hunter** and a **Justice** of the Peace, as well as an **Earle** from **England** and a **Kiser** from Germany. They were joined by the sons of many:

Dickson
Faison
Gibson
Harrison
Tolson
Vinson
 and **Wilson**

"There was a **Rhodes** Scholar and someone kin to the Botanist **Michaux**. There was a **Holliman**. They all had a **Williams** to be a part of this assembly. They would **Daughttry** to do their best. They wanted to be known as **Wainwright** not ever-wrong. And they counted on **Ross** for 'Rapid On Site Support'.

There were **Jones** two - **E** and **E**.

And also two **Allens** - **L** and **B**.

But they were not **Wil** (real) **kings**.

July 20, 2006

"And they joined many others who came from their **Holmes** to stay at the **Hilton** while they worked for the people of the state. Some went to the **In sko**. Others went to the **Edd ins**.

"While in the Legislative Building they knew the **Bell** did not mean **Church** but a Call to Order. They knew they would have a **Sut ton** amount of work before them.

ONE HUNDRED SEVENTY-SECOND DAY

HOUSE OF REPRESENTATIVES
Wednesday, July 26, 2006

The House meets at 2:00 p.m. pursuant to adjournment and is called to order by the Speaker.

The following prayer is offered by the Reverend Jim Harry, House Chaplain:

"Gracious God:

"When we've come to the end of our rope we will find that You are there. When we are tired and restless we will discover that You are there. Little in this life is easy, and in all honesty, few things are easily distinguishable as being either black or white. Indeed, most of us spend a great deal of time somewhere in the middle of the gray matters in life. Lord, help us to know that You reside at the intersections of life waiting, in fact longing, to point the way for us out of the darkness and into the light. And, remind us that when we come to the end of this particular journey and

July 26, 2006

when ultimately, we come to the end of life's journey itself, You are there. Amen."

PROTEST

Pursuant to Article II, Section 18 of the North Carolina Constitution, Representative Blust offers the following protest:

"House Bill 966 originally passed the House as a mere local bill regarding voting precincts in Durham County. Late in the short session of 2006, the Senate took up this bill and stripped it completely of all its original content. The Senate then made the bill a state-wide bill applying to candidate-specific communications. With little notice, this new bill was rushed through the Senate and sent back to the House in a radically different form from how it passed the House.

"Once back to the House from the Senate, House Bill 966 was never noticed for any committee consideration. As an elections bill, it ordinarily would be assigned to the House Committee on Elections Law. It was instead run through the Committee on Rules, Calendar, and Operations of the House without notice on Wednesday, July 26.

"Later on July 26, House Bill 966 was brought to the floor of the House for concurrence with the Senate changes to the bill. Again, there was no notice as to this bill on the House Calendar for Wednesday, July 26, 2006, a copy of this which is attached hereto and incorporated herein by reference.

"When a bill comes back from the Senate in this manner, the only option for the House is to concur or not concur with the Senate changes to the original House bill. There is no opportunity for House members to review the new Senate version in detail and offer possible amendments to the bill. This dishonorable manner of handling a bill totally precludes thorough House consideration of an important subject matter under normal, time-honored legislative procedures. Furthermore, there is also no chance for any public input on the matter.

"Perhaps worst of all however, was the manner in which little debate on the bill was permitted once it reached the House floor in this reprehensible manner. Normally, the Speaker says the words 'further discussion, further debate,' before the question is put to the body for a vote. In this instance, the Speaker Pro Tem was allowed to loudly debate the bill. The very millisecond the Speaker Pro Tem completed his specious remarks on this largely unknown, unexplained bill, the Speaker quickly stated 'the question before the House is concurrence with the Senate changes to House Bill 966.'

July 26, 2006

No further debate or discussion was permitted on a bill that appeared quickly in the waning hours of the session.

"The snap vote on concurrence to the Senate changes to House Bill 966 was taken right after the Speaker Pro Tem spoke of our need to restore the people's trust and confidence in the North Carolina House as an institution. The handling of this bill directly contradicted the Speaker Pro Tem's words and brought additional dishonor upon the North Carolina House of Representatives at the very time the business of the House should be handled in a circumspect manner befitting a great institution."

ONE HUNDRED SEVENTY-THIRD DAY

HOUSE OF REPRESENTATIVES
Thursday, July 27, 2006

The House meets at 9:30 a.m. pursuant to adjournment and is called to order by the Speaker.

The following prayer is offered by the Reverend Jim Harry, House Chaplain:

"Almighty God:

"As the saying goes, the race is not always to the swift but to those who keep on going. And, as we all know, it certainly feels like we have kept on going and going. But, despite those who might see this as a negative aspect of our duties, rushing through legislation just to 'get out of here' does not always do justice to the bills or to the people they are intended to protect. We are grateful for Your perseverance with us throughout this Session. Please accept our thanks for the grace given to us that has guided us to this end. Where our work has been deemed well, use it for Your glory. Where we have made mistakes, make good our defects.

"Lord God, we are thankful for the friendships that have been forged over this Session. We are appreciative of the ways this Body has shown compassion and care for those who have had to endure physical and emotional pain and heartache. Remind us of our common human struggles that do not register along party lines but link us one to another.

"We thank You for those men and women whose work here is accomplished and who will seek public service in new arenas. We pray for them and their families; and we offer them our gratitude for their

contributions to their constituents, this honorable Body and to this State. May God bless the people of this House of Representatives and the Great State of North Carolina.

"And, now...May the Lord bless you and keep you. May the Lord make his face to shine upon you and be gracious unto you. May the Lord lift up his countenance upon you and give you peace. Amen."

Representative Michaux, for the Committee on Rules, Calendar, and Operations of the House, reports the Journal of July 26 has been examined and found correct. Upon his motion, the Journal is approved as written.

The Senate recedes from amendment #1, and the House and Senate agree to the following amendments:

on page 1, lines 1-16, by rewriting those lines to read:

"A BILL TO BE ENTITLED
AN ACT TO DELAY IMPLEMENTATION OF THE REVISED SECONDARY ROAD FORMULA TO JULY 1, 2007; TO AUTHORIZE THE DEPARTMENT OF TRANSPORTATION TO PAVE SECONDARY ROADS ON A REDUCED RIGHT-OF-WAY, IF THE DIVISION ENGINEER DETERMINES IT CAN BE DONE SAFELY; TO REQUIRE THAT THE DEPARTMENT OF TRANSPORTATION, BEGINNING IN THE 2006-2007 FISCAL YEAR AND UNTIL THE 2009-2010 FISCAL YEAR, SET ASIDE UP TO FIVE MILLION DOLLARS TO PAY FOR THE PAVING OF ANY UNPAVED SECONDARY ROAD THAT HAD PREVIOUSLY BEEN DETERMINED TO BE INELIGIBLE FOR PAVING; AND TO REQUIRE THE JOINT LEGISLATIVE TRANSPORTATION OVERSIGHT COMMITTEE TO STUDY THE COST OF PAVING AND MAINTENANCE OF PAVED AND UNPAVED SECONDARY ROADS IN DIFFERENT GEOGRAPHIC AREAS OF THE STATE.

The General Assembly of North Carolina enacts:

SECTION 1. Section 4 of S.L. 2005-404 reads as rewritten:

July 27, 2006

"**SECTION 4.** This act becomes effective July 1, ~~2006-2007.~~"

SECTION 2. G.S. 136-44.5(b) reads as rewritten:

"(b) The first sixty-eight million six hundred seventy thousand dollars (\$68,670,000) shall be allocated as follows: Each county shall receive a percentage of these funds, the percentage to be determined as a factor of the number of miles of paved and unpaved State-maintained secondary roads in the county divided by the total number of miles of paved and unpaved State-maintained secondary roads in the State, excluding those unpaved secondary roads that have been determined to be eligible for paving as defined in subsection (a) of this section. Beginning in fiscal year 2010-2011, allocations pursuant to this subsection shall be based on the total number of secondary miles in a county in proportion to the total State-maintained secondary road mileage."

SECTION 3. G.S. 136-82 reads as rewritten:

"**§ 136-182. Supplement for secondary road construction.**

Funds are allocated from the Trust Fund to increase allocations for secondary road construction made under G.S. 136-44.2A so that all State-maintained unpaved secondary roads with a traffic vehicular equivalent of at least 50 vehicles a day can be paved by the 2009-2010 fiscal year. If all the State-maintained roads in a county have been paved under G.S. 136-44.7, except those that have unavailable rights-of-way or for which environmental permits cannot be approved to allow for paving, then the funds may be used for safety improvements on the paved or unpaved secondary roads in that county.

The Department shall make every effort to acquire right-of-way for the purpose of paving unpaved State secondary roads included in the annual secondary road program. The Division Engineer is authorized to reduce the width of a right-of-way to less than 60 feet to pave an unpaved secondary road with the allocated funds, provided that in all circumstances the safety of the public is not compromised and the minimum accepted design practice is satisfied."

SECTION 4. G.S. 136-182, as amended by S.L. 2005-404, and as amended by Section 1 and 2 of this act, reads as rewritten:

"**§ 136-182. Supplement for secondary road improvement.**

Funds are allocated from the Trust Fund to increase allocations for secondary road improvement made under G.S. 136-44.2A so that all State-maintained unpaved secondary roads eligible for paving pursuant to G.S. 136-44.5(a) can be paved by the 2009-2010 fiscal year.

Allocations of these funds shall be based on the percentage proportion of the number of miles in the county of State-maintained unpaved secondary roads that are eligible to be paved under G.S. 136-44.5(a) bears to the total number of miles in the State of State-maintained unpaved secondary roads that are eligible to be paved.

Beginning in fiscal year 2010-2011, allocations from the Trust Fund shall be based on the total number of secondary miles in a county in proportion to the total State-maintained secondary road mileage.

The Department shall make every effort to acquire right of way for the purpose of paving unpaved State secondary roads included in the annual secondary road program. The Division Engineer is authorized to reduce the width of a right of way to less than 60 feet to pave an unpaved secondary road with the allocated funds, provided that in all circumstances the safety of the public is not compromised and the minimum accepted design practice is satisfied."

**THE RECEIVING OF PETITIONS, MEMORIALS AND
PAPERS ADDRESSED TO THE GENERAL ASSEMBLY OR TO
THE HOUSE**

July 27, 2006

The Honorable James B. Black
Speaker of the House
The Honorable Members of the House
North Carolina House of Representatives
House Chamber
State Legislative Building
16 West Jones Street
Raleigh, North Carolina 27601

Dear Fellow Members,

Please permit me to leave with you a short message. It is my belief that partisanship must not misdirect or cause the state legislature and legislative leaders to not address important issues. Working together across party lines with the other party's leaders is a positive way to achieve the very best results for North Carolina. This cooperative spirit may well signal how legislative leaders should be thinking about their own future leadership as they carry out their important upcoming roles over the coming sessions and years.

July 27, 2006

The influence of strong ideological positions on issues - no matter what the issue may concern - should be tempered so leadership and legislative policy formation can occur without bringing on "knee jerk" reactions. Rather than just an ideological position, we must carefully consider the issue and what influences various proposals might have on them. We need to work together to solve the important problems and concerns facing the state - not fight ideological battles over them. Future leaders must be mindful of this tension and carefully handle it so the legislature does not become stalled or misdirected.

There has been a shift in just what can affect politics in the legislative arena - from the campaigns that lead to electing representatives and senators to how we all operate while doing business here in the Capitol. The bottom line here is money has moved up very high in becoming one of the most important factors involved in both the electoral and legislative processes. We need to be certain that money being spent by various groups or individuals is not seriously tainting the legislative process.

While we all need money to conduct campaigns, we do need to be careful in recognizing the source of these campaign funds as well as what influence or directions the contributors want. We must realize that some interests and individuals are becoming more successful in using money to buy the legislature. Those interest groups and individuals are providing the "easy money" for their own purposes - and not necessarily for the good of the State that elected us to serve.

Fellow members, it is my distinct honor to have served in this most honorable of institutions and I shall forever be grateful to my constituents and to you.

Sincerely,
S/ Richard T. Morgan
Speaker Pro Tempore

The Speaker directs the foregoing letter spread upon the Journal.

On motion of Representative Blust, the following words of Representative Kiser are spread upon the Journal.

"This is really a sad day for me because we are losing eight of our members from this side of the aisle whose time here totals almost one hundred years of experience.

"The member we are losing who has been here the longest is Representative Arlie Culp. Representative Culp has served nine terms. If I

July 27, 2006

ever had any questions about farming or environmental issues, I could always call on Representative Culp. We are certainly going to miss him.

"The next loss is Speaker Richard Morgan. Speaker Morgan has served eight terms. When I was a freshman, Speaker Morgan was the Rules Chairman and to this day, he has a command of the Rules of the House better than anyone. As Speaker of the House he pushed for advances in the University System. His expertise in government will be sorely missed, not only in the House of Representatives but in the entire State of North Carolina.

"The next person leaving us is Representative Jean Preston who has served for seven terms. Representative Preston will not be going too far, just across the hall into the Senate. The time that I have been here, Representative Preston has been a knowledgeable expert in the field of public education. If I have a question in the future dealing with public education I will walk over to the other chamber and ask Representative Preston.

"The next three losses are very special to me because Representatives Sherrill, Eddins and Rayfield were all members of my freshman class. I wanted to do this for Representative Sherrill when she left last week but she would not let me because she said I would only make her cry. Representative Sherrill knows more about the state budget than anyone on my side of the aisle. Her expertise in state government has been tremendous. We will miss her greatly. Representative Sherrill served six terms. Representative Eddins is our next loss. Representative Eddins has had the people of Wake County foremost in his thoughts for his entire stay here in the General Assembly. He has been a great defender of law and order and we have stood side by side in many battles for Justice and Public Safety and I will miss his helping hand tremendously. Representative John Rayfield has also served six terms. I had known John Rayfield many years before he came to the General Assembly. Representative Rayfield has practiced what we all say - all politics is local - and for all the years I have known Representative Rayfield, he has kept Gaston County foremost in his thoughts and deeds. We will all miss you, John, but I know you will be back home doing things for Gaston County like you have all your life.

"The next person we are losing is Representative John Sauls. He has served for two terms. Representative Sauls has been the conscience of our caucus and provided the spiritual inspiration that we need. Many times Representative Sauls has said to me, 'I am praying for you,' and I certainly really needed that.

July 27, 2006

"The next person leaving us is Representative John Rhodes. Representative Rhodes has served two terms. Representative Rhodes has been the conservative voice of the Republican Caucus. We will certainly miss him.

"We are going to be at a loss as these eight members leave us.

"I would like to end this speech with something I used 55 years ago at my high school graduation. It comes from a poem called *Crossroads* by Richard Hovey.

'You to the left and I to the right,
For the ways of all must sever.
And it may be for a day and a night,
And it well may be forever.'

"Thank you Mr. Speaker."

REPRESENTATIVE MORGAN, SPEAKER PRO TEMPORE,
PRESIDING.

GOVERNOR'S OBJECTIONS AND VETO MESSAGE

Senate Bill 542 "An Act To Allow Reasonable Access To State Facilities And Employees For Certain Employee Associations" would mandate access to state facilities and state employees for employee associations with more than 40,000 members for the purposes of membership recruitment, member consultation, and certain products such as insurance products sold by the associations.

The floor of 40,000 members is substantially higher than other statutory requirements for minimum memberships of employee associations. This and other qualifications in the legislation would therefore have the practical effect of giving exclusive access to state facilities to only one employee association of the many who currently represent the interests of public employees. Such a prohibition is patently unfair and jeopardizes employee rights to free association.

By enumerating the right of certain associations to have access to state facilities and employees to sell products offered on the commercial market, the legislation would also give an unfair competitive advantage to insurers affiliated with these particular employee associations. This provision, at the very least, gives an appearance of endorsement of these products by the state of North Carolina, which is inaccurate and therefore not acceptable.

I have signed an executive order directing all state entities under my control and encouraging all other governmental entities to provide the reasonable access that this legislation attempts to afford employee associations if they meet current statutory requirements for payroll withholding.

Since Executive Order 105 satisfies the core legislative intent of providing access among employees and their employee associations, while ensuring fairness, this legislation is not necessary.

Therefore, I veto the bill.

S/ Michael F. Easley

The bill, having been vetoed, is returned to the Clerk of the North Carolina Senate on this 21 day of August 2006 at 4:50 p.m. for reconsideration by that body.

PROCLAMATION REGARDING VETOED LEGISLATION

Pursuant to Article II, Sec. 22(7) of the North Carolina Constitution, a majority of the members of each house of the North Carolina General Assembly have signed written requests stating that a reconvened session to reconsider vetoed legislation is unnecessary.

By this proclamation and pursuant to the authority vested in the Governor by the North Carolina Constitution and North Carolina General Statutes Sec. 120-6.1(a), the members of the North Carolina General Assembly, will not reconvene to reconsider Senate Bill 542, "Access to State Facilities," vetoed on August 19, 2006.

H.R. 1811, A HOUSE RESOLUTION URGING CONGRESS TO INCREASE FUNDING FOR THE NO CHILD LEFT BEHIND ACT, THE HIGHER EDUCATION ACT, AND THE INDIVIDUALS WITH DISABILITIES EDUCATION ACT.

Whereas, the State of North Carolina under the Standards of Learning Accountability System has long pursued the goal of improving the academic performance of all students, especially students of racial and ethnic backgrounds, lower economic status, and limited English proficiency, and with learning disabilities or challenges; and

Whereas, the State of North Carolina, therefore, applauds the President and United States Congress for putting forth the same goals in the No Child Left Behind Act of 2001 and emphasizing the urgency in closing these achievement gaps and improving the performance of these students; and

Whereas, the No Child Left Behind Act of 2001 has encouraged some needed changes in public education and was initially accompanied with relatively large increases in federal funding for public elementary and secondary education; and

Whereas, however, the increases in federal funding since the first year of the No Child Left Behind Act have been minimal and insignificant; and

Whereas, the federal government has decreased funding to North Carolina for No Child Left Behind Act in fiscal year 2006 by \$10,777,346 and overall funding for public education by \$11,931,500, including a deduction of \$759,012 from programs that serve students with disabilities; and

Whereas, in addition, the federal government has cut almost \$11,000,000 from postsecondary education programs in North Carolina; Now, therefore,

Be it resolved by the House of Representatives:

SECTION 1. The House of Representatives urges the President of the United States and Congress to make a serious commitment to improving the quality of the nation's public schools by substantially increasing the funding for the No Child Left Behind Act, the Higher Education Act, the Individuals with Disabilities Education Act, and other education related programs.

SECTION 2. The House of Representatives requests the President, Congress, and the United States Department of Education to offer states waivers, exemptions, or whatever flexibility possible through regulations from the requirements of the No Child Left Behind Act in any year that federal funding for public elementary and secondary education is decreased to prevent states from spending state and local resources on activities that are not proven effective in raising student achievement and may not be the priority of an individual state.

SECTION 3. The Principal Clerk shall transmit a certified copy of this resolution to the President, the members of the North Carolina Congressional Delegation, and the United States Department of Education.

SECTION 4. This resolution is effective upon adoption.

H.R. 2692, A HOUSE RESOLUTION EXPRESSING SUPPORT FOR THE ESTABLISHMENT OF AN IMMIGRATION COURT IN NORTH CAROLINA, URGING CONGRESS TO MAKE CONVICTION OF DRIVING WHILE IMPAIRED A DEPORTABLE OFFENSE, AND SUPPORTING EXPANSION OF THE DEPARTMENT OF HOMELAND SECURITY'S PROGRAM PERMITTING LOCAL OFFICERS TO IDENTIFY PERSONS NOT LEGALLY PRESENT IN THE UNITED STATES AND HAVE BEEN PREVIOUSLY DEPORTED OR WHO ARE WANTED ON OUTSTANDING FELONY CHARGES.

Whereas, the State of North Carolina is estimated to have had an increased foreign-born population of 273.7% between 1990 and 2000; is estimated to have an illegal immigrant population of over 300,000; and is home to the United States' eighth-largest population of illegal immigrants; and

Whereas, the North Carolina General Assembly concurs with Representative Sue Myrick and other members of the North Carolina Congressional Delegation's assertions that the Atlanta Immigration Court's distance from the State of North Carolina presents an undue burden for North Carolina citizens and hampers efforts to combat criminal actions committed by illegal aliens; Now, therefore,

Be it resolved by the House of Representatives:

SECTION 1. The House of Representatives of the State of North Carolina supports United States Representative Sue Myrick and other members of the North Carolina Congressional Delegation's calls to the United States Department of Justice to establish an Immigration Court in Charlotte, North Carolina, and urges the United States Department of Justice to establish an Immigration Court in North Carolina as soon as possible. The House of Representatives also calls on Congress to make a conviction in any state court of an offense of driving while impaired a deportable offense for any person not legally present in the United States, and urges the Department of Homeland Security to designate six additional North Carolina counties in its program under section 287(g) of the Immigration and Nationality Act to permit local officers to identify persons not legally present in the United States and who have previously been deported or who are persons wanted on outstanding felony charges in North Carolina or another state.

SECTION 2. The Principal Clerk shall transmit certified copies of this resolution to each member of North Carolina's Congressional Delegation.

SECTION 3. This resolution is effective upon adoption.

H.R. 2879, A HOUSE RESOLUTION URGING THE UNITED STATES DEPARTMENT OF EDUCATION TO RESPOND QUICKLY BUT THOUGHTFULLY ON THE FINAL REGULATIONS FOR STUDENTS WITH DISABILITIES, ALLOW SUFFICIENT TIME FOR STATES TO IMPLEMENT THE FINAL REGULATIONS, AND AFFORD AS MUCH FLEXIBILITY AS POSSIBLE TO THE STATES DURING THE INTERIM PERIOD.

Whereas, North Carolina has had a statewide testing program in reading and mathematics in grades three through eight since the 1992-1993 school year; and

Whereas, the Individuals with Disabilities Education Act (IDEA) and the subsequent passage of No Child Left Behind (NCLB) have caused changes to occur in the statewide testing program; and

Whereas, these two major federal acts together affect the testing of all students, including students with disabilities and Limited English Proficient (LEP) students; and

Whereas, the design, process, and procedures for appropriately assessing students with disabilities and LEP students is a challenge; and

Whereas, there is recognition of the importance of scientifically based instruction for all students, including students with disabilities and LEP students, with appropriate, reasonable, and valid universally designed assessments to measure progress; and

Whereas, on December 15, 2005, the United States Department of Education (USED) issued proposed regulations in the Federal Register; and

Whereas, the USED has received numerous comments and concerns expressed during the comment period for the above-mentioned proposed regulations; and

Whereas, the Council of Chief State School Officers (CCSSO) and the National Association of State Directors of Special Education (NASDSE) have expressed explicitly their concerns about the testing of students with disabilities; and

Whereas, the time given to states to make the changes necessary to meet the federal regulations in a timely manner is often inadequate; and

Whereas, the stakes involved for students, schools, school districts, and the State are high based on these assessments; Now, therefore, Be it resolved by the House of Representatives:

SECTION 1. The North Carolina House of Representatives urges the United States Department of Education to respond quickly but thoughtfully to the concerns expressed by CCSSO and NASDSE on the final regulations for students with disabilities, allow sufficient time for states to implement the final regulations, and afford as much flexibility as possible to the states during the interim period and in implementing the final regulations.

SECTION 2. The Principal Clerk shall transmit certified copies of this resolution to the President of the United States and the Secretary of Education of the United States.

SECTION 3. This resolution is effective upon adoption.

H.R. 2895, A HOUSE RESOLUTION HONORING THE WORKING PEOPLE OF THE TOWN OF CANTON ON THE OCCASION OF THE ONE HUNDREDTH ANNIVERSARY OF THE TOWN'S LABOR DAY OBSERVANCE.

Whereas, the Town of Canton, formerly known as Buford and later Pigeon River, can trace its origins to a post office established in 1837 and a stop on the Western Turnpike during the 1850s; and

Whereas, Canton's growth has been intricately linked with the growth and development of its mill industry over the decades; and

Whereas, by the early 20th century, Canton had staked its claim as a distinctive manufacturing town in rural Western North Carolina; and

Whereas, the Champion Paper Fibre Company mill complex was constructed in 1906 and began production in 1908; and

Whereas, Reuben B. Robertson worked for Champion Paper Fibre Company in many capacities for more than 50 years, serving as the general manager, president, and chair of the board, and as honorary chair for Champion Papers, Inc., from 1961 to his death in 1972; and

Whereas, upon Champion Paper Company's decision to close the plant in 1997, the employees of Champion organized themselves and purchased the plant to form Blue Ridge Paper Company; and

Whereas, in September of 2004, Canton was struck with two massive and destructive flooding events in a short two-week period, seeing more than \$90 million in damages, which has resulted in an intensive rebuilding and redevelopment phase for the past two years; and

Whereas, Labor Day is a creation of the labor movement and is dedicated to the social and economic achievements of American workers and constitutes a yearly national tribute to the contributions workers have made to the strength, prosperity, and well-being of our country; and

Whereas, Canton is widely known for its Labor Day celebrations and festivities, which began 100 years ago as a way to promote community spirit between the mill and residents of the town; and

Whereas, Canton's 2006 Labor Day celebration will dually serve as an important anniversary in commemoration of the Town's working people as well as a presentation of the newly renovated and restored Town facilities; Now, therefore,

Be it resolved by the House of Representatives:

SECTION 1. The House of Representatives expresses high esteem, regard, and deep appreciation for the accomplishments and dedication of the working people in Canton, North Carolina, and acknowledges the importance of this dedication as an important indicator of the Town's vitality and community spirit.

SECTION 2. The House of Representatives congratulates the Town of Canton on its 100th Labor Day commemoration and honors the memory of the Town's citizens who originated the celebration 100 years ago.

SECTION 3. The Principal Clerk shall transmit a certified copy of this resolution to the Town of Canton.

SECTION 4. This resolution is effective upon adoption.

INDEX GUIDE

The North Carolina General Statutes titles form the basis for these indices. Following each bill title, the last action or the present status of said bill is indicated. For example, a ratified bill will be followed by its chapter number in the Session Laws. Bills included in whole or in part in other measures are reflected as such, if known.

All bills dealing with funds are indexed under Appropriations. Local legislation is placed under the county it affects.

A list of bills and resolutions introduced by each Representative is found under the Member's name with an asterisk (*) noting that person as the primary sponsor.
