"All good things are gracious gifts extended to us from the portals of heaven and Your merciful hand. The gift of today, this first day of the Short Session is a day of new beginnings. It is a day to remember, and it is a day to move on. As this Honorable Body begins anew, may we all be reminded of the oath of office and our duty to represent the gracious folks who evidently saw fit to send us here. Fill us with Your grace and endow us with the dignity and resolve necessary to fulfill our responsibilities. Keep us humble in spirit, gracious in debate, and kind to one another. May our actions bring honor to our folks back home and to the people of this great State. Incline Thine ear to us and answer our prayer. Amen. "

The following prayer is offered by the Reverend Jim Harry, House Chaplain:

shores and in distant lands whose lives have been turned upside down by natural disasters. There is so much work to be done and so much that can be done. But, there are those within the countries of Myanmar and China seeking to hinder the efforts of the international community by either refusing our help altogether or by censoring the efforts provided. Break the hearts of the leaders of these countries who would impede relief efforts. Let them see the fragility and plight of their own people. And, by Your power, let us in to help them...our sisters and brothers...Your own children. This we humbly pray. Amen."

The Speaker leads the Body in the Pledge of Allegiance.

## ONE HUNDRED TWENTIETH DAY

HOUSE OF REPRESENTATIVES  
Tuesday, May 20, 2008

The House meets at 3:00 p.m. pursuant to adjournment and is called to order by the Speaker.

The following prayer is offered by the Reverend Jim Harry, House Chaplain:

"Gracious God:

"There is always an uneasy balance when we try and reconcile our respective faiths and ideologies with the wide and diverse needs of the people we serve. What one believes to be an authentic appropriation, another may not believe it to be so. How one person views the needs of others can be interpreted as a non-issue to yet another. Obviously, these differences are compounded when divided amongst political parties. Lord, remind us that we are imperfect people who need Your divine guidance as we do this thing called legislation. So, come to us, abide with us and govern our thoughts. Put Yourself smack dab in the middle of the necessary tensions that exist, and set us straight. Amen."

Representative Owens, for the Committee on Rules, Calendar, and Operations of the House, reports the Journal of May 19 has been examined and found correct. Upon his motion, the Journal is approved as written.

May 20, 2008

Representative Holliman is excused for a portion of the Session.

## ONE HUNDRED TWENTY-FIRST DAY

HOUSE OF REPRESENTATIVES  
Wednesday, May 21, 2008

The House meets at 2:00 p.m. pursuant to adjournment and is called to order by the Speaker.

The following prayer is offered by the Reverend Jim Harry, House Chaplain:

"God of every person:

"You created us in Your image, male and female; You created us and breathed into us the breath of life. Indeed, it is Your heart's desire to see that all people receive proper respect and liberty. There will always be people amongst us who experience physical, mental and emotional difficulties. In no way would You deny these, Your children, the necessary assistance they need to live productive and whole lives. This Honorable Body has some measure of control over how people living with mental illness can live more fully into the measure of wholeness that You would have for us all. So, help us to see the needs of every person and shape legislation that clearly demonstrates that we are all brothers and sisters; and we are all walking on this pilgrimage of life together. Amen."

Representative Owens, for the Committee on Rules, Calendar, and Operations of the House, reports the Journal of May 20 has been examined and found correct. Upon his motion, the Journal is approved as written.

## ONE HUNDRED TWENTY-FOURTH DAY

HOUSE OF REPRESENTATIVES  
Tuesday, May 27, 2008

The House meets at 2:00 p.m. pursuant to adjournment and is called to order by the Speaker.

May 27, 2008

The following prayer is offered by the Reverend Jim Harry, House Chaplain:

"Patient God:

"As bills are innumerable filed and introduced, and as committee meetings crank up to expedite their dockets, we find ourselves running from room to room, building to building, and simply running out of breath both literally and emotionally. As You have patience with us when we forget to engage You in our lives, grant us this same patience to know that all that is good and necessary will prevail in the busy lives we lead. Teach us to rest for a moment to catch our breath. Perhaps, in doing so, You may even hear from us. Amen."

Representative Owens, for the Committee on Rules, Calendar, and Operations of the House, reports the Journal of May 26 has been examined and found correct. Upon his motion, the Journal is approved as written.

Leaves of absence are granted Representatives Barnhart, Glazier, Love, and Thomas for today. Representative Lewis is excused for a portion of the Session.

## **ONE HUNDRED TWENTY-FIFTH DAY**

HOUSE OF REPRESENTATIVES  
Wednesday, May 28, 2008

The House meets at 2:00 p.m. pursuant to adjournment and is called to order by the Speaker.

The following prayer is offered by the Reverend Jim Harry, House Chaplain:

"Loving God:

"Innate within every human being is the need to be accepted and loved. Despite our many outward appearances or behavior to the contrary, we each want to know that we are important, special and uniquely loved by someone. In addition to those in our lives who care deeply for us, help us to surrender our souls to Your Spirit and come to the wonderful knowledge that Your love for us is immeasurable and stretches as far as the east is from the west. Pour out Your love upon us, dear Lord, we pray. Amen."

Representative Owens, for the Committee on Rules, Calendar, and Operations of the House, reports the Journal of May 27 has been examined and found correct. Upon his motion, the Journal is approved as written.

As people who have the authority to affect so many lives, even within this tiny corner of Your great big world, grant that we would see in the reflection of the faces of our constituents, Your mandate to care for everyone into whom You have breathed the breath of life. **ONE HUNDRED THIRTY-SIXTH DAY**

HOUSE OF REPRESENTATIVES  
Tuesday, June 17, 2008

The House meets at 2:00 p.m. pursuant to adjournment and is called to order by the Speaker.

The following prayer is offered by the Reverend Jim Harry, House Chaplain:

"Loving God:

"The soul of the earth cries out for Your people to discover the inner goodness of their hearts. As many people of this world are busy ripping apart the marrow of Your creation through war, violence, genocide, human trafficking, and endless destructive forces that widen the divisions that exist between us, raise up people who can find stronger voices of reason and justice. Give courage to the leaders of the world to seek avenues of peace that might spring forth a spirit of hope for all. Within this Assembly, O God, grant that we too can find the melody of hope within us so that the music we enact would be pleasing to the ears of Your people, but more importantly, be pleasing and acceptable to You. Amen."

"Loving God:

"Holy are You and worthy are You to be praised. The House meets at 2:00 p.m. pursuant to adjournment and is called to order by the Speaker.

The following prayer is offered by the Reverend Nancy J. Allison, Senior Associate Rector, Christ Episcopal Church, Raleigh, North Carolina:

"Almighty God, the Fountain of all Wisdom, we pray for the Members of the House of Representatives of this great State of North Carolina. Keep them faithful to the high trust You have laid upon them. Deliver them from arrogance, corruption and injustice. Guard them in temptation and comfort them when the burdens of office are heavy to bear. Renew within them, daily, a sense of purpose and meaning in their work and gratitude for those who assist them in their labors - administrators, counselors, clerks, and all local and State officials - without whose diligence and dedication the work of good government could not continue. Bless them in their deliberations this day that they may uphold what is right and establish what is true and worthy of the common good. And, may they never be so busy as to forget to thank You for the privilege that is theirs in serving the people of this great State with dignity and honor. All this we ask in the name of the God who creates, redeems and sustains us all. Amen."

July 1, 2008

The House meets at 2:00 p.m. pursuant to adjournment and is called to order by the Speaker.

The following prayer is offered by the Reverend Jim Harry, House Chaplain:

"Gracious God, Lover of our souls:

"You have given us life to be lived in fullness and abundance. Often our lives are satisfied and fulfilled while at other times we find ourselves confused and adrift. Grant us the freedom to let go of trying so hard to make everything fit together so neatly and perfectly. Help us to realize that the soul, our soul, finds its fulfillment in the everyday ordinariness of the good and the bad, in the mundane and the extraordinary, in both sadness and in joy. Above all else, keep us true to our soul, for only we can know when we rest our head upon our pillow at night if we have lived authentically and honestly with ourselves, with others and ultimately, with You. Amen."

## ONE HUNDRED FORTY-FIFTH DAY

HOUSE OF REPRESENTATIVES  
Wednesday, July 2, 2008

The House meets at 2:00 p.m. pursuant to adjournment and is called to order by the Speaker.

July 2, 2008

The following prayer is offered by the Reverend Jim Harry, House Chaplain:

"Merciful God:

"By Your infinite mercy You offer us the gift of forgiveness. Even though You freely dispense mercy upon us, we are not always so quick to forgive ourselves. And, sometimes our guilt can become so shut up in the marrow of our being, it renders us emotionally and spiritually helpless. Obviously, we are required to ask You for forgiveness, O Lord. But, if we do, You pour out upon us an incomprehensible dispensation of mercy that dismisses our iniquities and removes them from us as far as the east is from the west. God of mercy and God of power, pour out Your Spirit upon our hearts. Release us from captivity and set us free for joyful obedience, we pray. Amen."

## ONE HUNDRED FORTY-SIXTH DAY

HOUSE OF REPRESENTATIVES  
Thursday, July 3, 2008

July 3, 2008

The House meets at 1:00 p.m. pursuant to adjournment and is called to order by the Speaker.

The following prayer is offered by the Reverend Jim Harry, House Chaplain:

A moment of silence is observed in honor of those who keep our freedom for us.

-----Moment of Silence-----

"Almighty God:

"You alone are sovereign over all the earth, and every nation under heaven belongs to You. As we prepare to celebrate our country's birthday, we offer You our thanks and praise for the foresight, courage and grit our ancestors demonstrated to provide us with a system of government that practices and guarantees freedom, individual liberties and the natural pursuit of happiness. We acknowledge that this is not so in every corner of Your great world. So, we thank You for our gift of freedom; but we would be remiss if we did not pray and hope that our sisters and brothers around the globe, for whom freedom is a stranger, might strive for these same civil liberties in order that all people might experience the freedom of voice, representation and vote that our great Nation does. Bless our Nation, O God. Inspire our leaders and guard those who strive to protect us to preserve the freedoms we so enjoy. May God bless our great State and may God bless the United States of America. Amen."

Representative Owens, for the Committee on Rules, Calendar, and Operations of the House, reports the Journal of July 2 has been examined and found correct. Upon his motion, the Journal is approved as written.

July 7, 2008

The following prayer, and a moment of silence in honor of Senator Jesse Helms, is offered by the Reverend Jim Harry, House Chaplain:

-----Moment of Silence-----

"Almighty God:

"You are omnipotent. You are magnanimous. You are authentic. You are sovereign. Nothing in our lives can compare to how much larger than life You are. Even this budget, as it appears to us, is nothing in comparison to the far-reaching arm of Your mercy. So, we come to You in prayer on this night asking for Your divine will and governance upon the work of this Body. We humbly acknowledge our limitations before Thee but ask that you would make us strong as we vote with our respective political ideologies, our convictions and our hearts. Have mercy upon us, we pray. Amen."

## ONE HUNDRED FIFTIETH DAY

HOUSE OF REPRESENTATIVES  
Thursday, July 10, 2008

The House meets at 1:00 p.m. pursuant to adjournment and is called to order by the Speaker.

The following prayer is offered by the Reverend Jim Harry, House Chaplain:

"Patient God:

"Certainly, we are clear evidence that You have patience with Your creation. Despite our best efforts throughout the course of human history, we have still managed to alienate one another, create conflict and war, and the slow destruction of Your world. Yet, You hang in there with us providing us infinite opportunities for repentance and reconciliation with the earth and with our neighbors. So, please continue to have patience with us here, O God, as we struggle, maybe even limp a little toward the finish line. We are bold to ask You to continue guiding us through this Session, but we are confident that Your patience is indeed, limitless. Amen."

## ONE HUNDRED FIFTY-THIRD DAY

HOUSE OF REPRESENTATIVES  
Wednesday, July 16, 2008

The House meets at 2:00 p.m. pursuant to adjournment and is called to order by the Speaker.

The following prayer is offered by the Reverend Jim Harry, House Chaplain:

"Almighty God:

July 16, 2008

"The story of Your interaction with humanity is filled with times of both pleasure and displeasure. You have always been pleased when Your people saw to it that they were neat and tidy on the inside. You have always shown displeasure when they took great effort to look good on the outside but were not so sincere in their inward thoughts and motives. Today, in keeping a House tradition with our brims and bows, we are all cleaned up. Some might even say we look good. But, in looking good, let us also hope that our inward appearances are also as presentable. Only you know us inwardly, O God. Would that our inner being, our hearts and minds, might be as neat and tidy as the clothes we wear. Amen."

Representative Owens, for the Committee on Rules, Calendar, and Operations of the House, reports the Journal of July 15 has been examined and found correct. Upon his motion, the Journal is approved as written.

## ONE HUNDRED FIFTY-FOURTH DAY

HOUSE OF REPRESENTATIVES  
Thursday, July 17, 2008

The House meets at 10:00 a.m. pursuant to adjournment and is called to order by the Speaker.

The following prayer is offered by the Reverend Jim Harry, House Chaplain:

"Merciful God:

"We are grateful to You for Your faithfulness to us over this two-year Legislative Session. We believe that our prayers were not simply hula hoops that we jumped through in order to proceed with the days' Calendars. Rather we choose to believe that You really have cared about what we have done, how we have done it, and how it has affected and still affects the people we serve. So, once again, we offer You our thanks for Your grace and mercy. Grant us now the endurance to finish this race that is before us, to end our course with resolve and with hope that we have done the very best we could; and do for us, Most Merciful God, all of that which we cannot do for ourselves, we humbly pray. Amen."

The House meets at 9:00 a.m. pursuant to adjournment and is called to order by the Speaker.

The following remarks and prayer are offered by the Reverend Jim Harry, House Chaplain:

"Members of the House, before our prayer, I'd like to offer a few words of gratitude as we conclude our time together.

"One of the Members asked me a while ago, 'How did you get this gig?' I don't know how much of a 'gig' this is, but the answer is that I am appointed to serve at the pleasure of the Speaker of the House. So, I'd like to thank the Speaker for his appointment and his trust in me to carry out this work. I was first appointed in 1997 by Speaker Brubaker, and so I am always indebted to him for giving me this opportunity those years ago.

July 18, 2008

"Secondly, I'd like for us to recognize the Principal Clerk and her office. They work tirelessly for you and for the Body going unseen and unheralded so often. Please join me in recognizing them.

"Next, I'd like for this Body to express their gratitude to the Sergeant-at-Arms for their work with this Body. You'll notice today that we have much older Pages. Please recognize these good folks.

"Two final words: There are many of you who will not be back next term. We wish to honor you and thank you for your service to this Body and I'll recognize you more properly and formally in the prayer to follow.

"Finally, thank you for letting me be with you. Many of you have invited me into special and sacred moments in your lives, shared confidences having to do with the issues in your lives that shall always remain privileged. But, to all of you, thank you for your confidence in me and for allowing me the privilege of serving you in this capacity.

"God of Grace and God of Glory:

"Your faithfulness lasts from generation to generation. This Body pauses in prayer to praise and thank You for your steadfast mercy and kindness to us. We are grateful that even in Your sovereignty; You have allowed us to be a part of human governance. Keep us ever mindful, and even more humble, of this sacred privilege You have bestowed upon us.

"As we draw this Session to a close, we are mindful that there are some amongst us whose time in this Honorable Body has drawn to an end. Through You, O God, we honor them and thank them for their service to this House, to their constituents, and to this great State. Grant Your blessings to them as they move on to new chapters of experiences in their lives.

"In these past two years, longtime friendships have been sustained and new ones have been formed. Keep us in close communication with each other so that our shoulders and our hearts might bear the full breath of one another's journeys.

"In and through all things, we give You thanks, O God, for forgiving us, redeeming us, leading us and sustaining us. May we seek to always look to You for guidance and may Your grace be always sufficient to meet our needs.

"Now to my friends, Members of the North Carolina House of Representatives...May the Lord bless you and keep you. May the Lord make his face to shine upon you and be gracious unto you. May the Lord turn his face in your direction, and knowing your frame, have mercy upon you; and may God always grant you His peace. Amen."

**GOVERNOR'S OBJECTIONS AND VETO MESSAGE**

*House Bill 2167, "An act to increase the width of boats that may be transported on highway routes during the day and night without a permit and to provide for an annual permit as opposed to a single trip permit for oversize boats."*

House Bill 2167, allows extremely large boats as wide as 9-1/2 feet to be towed on any state road at anytime, including night time, any day of the week, without a permit as required by all other states from Texas to Virginia. This bill would also allow a blood alcohol level of .08, double that allowed by commercial vehicles of smaller size.

I sincerely believe that this bill puts families at a risk on the highways and would result in death or serious injury. North Carolina has 60,000 miles of narrow two lane roads that cannot accommodate the 9-1/2 foot width and maintains roughly 1,000 bridges 18-feet wide or less, which would require a 9-1/2 foot boat to cross the center line in violation of N.C.G.S. 20-146, and into oncoming traffic. Further, if two 9-1/2 foot boats were to meet on an 18-foot strip of road or bridge it would be physically impossible to escape a collision.

I am deeply concerned about 9-1/2 foot boats meeting a school bus. The buses travel primarily on rural roads and often in the dark during early morning and early evening hours.

I encourage the General Assembly to let boat haulers use the current law of permitting for the rest of this season and than have the legislature take up this issue in January when there is time to thoughtfully avoid the consequences of this bill.

Therefore, I veto the bill.

**H.R. 2133 A HOUSE RESOLUTION HONORING THE TWO HUNDRED THIRTY-SEVENTH ANNIVERSARY OF THE BATTLE OF ALAMANCE.**

Whereas, a few years prior to the American Revolution, frontier people living in the western portions of colonial North Carolina became increasingly upset with how local government officials were handling the colony's affairs; and

Whereas, many people believed they were being subjected to excessive taxes and illegal fees and were being treated badly by corrupt officials; and

Whereas, unable to get resolution through peaceful means, a group of backcountry farmers known as Regulators began resorting to violence and openly refusing to pay certain fees; and

Whereas, a prominent member of the Regulators included Hermon Husbands, a Quaker who represented Orange County in the North Carolina Assembly which met in New Bern; and

Whereas, as Regulators increased their actions, Governor William Tryon was asked to call out the militia to end the rebellion; and

Whereas, Governor Tryon and his troops engaged in battle with the Regulators near the Alamance Creek on May 16, 1771, after the Regulators refused to disband peacefully; and

Whereas, the Regulators were not prepared for an organized and heavily armed militia and were defeated during the battle, thus ending their rebellion; and

Whereas, today, the Alamance Battleground is a State historic site where visitors can learn about colonial life by viewing the battlefield and touring the preserved Allen House, a home typical of those built in that era; and

Whereas, May 16, 2008, marks the 237th Anniversary of the Battle of Alamance, an anniversary worthy of recognition and celebration; Now, therefore,

Be it resolved by the House of Representatives:

**SECTION 1.** The House of Representatives honors those who fought during the Battle of Alamance and encourages the citizens of this State to take part in activities commemorating the 237th anniversary of this historic event.

**SECTION 2.** The Principal Clerk shall transmit a certified copy of this resolution to the Alamance Battleground State Historic Site.

**SECTION 3.** This resolution is effective upon adoption.

**H.R. 2266** A HOUSE RESOLUTION HONORING THE HUNDREDTH ANNIVERSARY OF THE UNITED STATES ARMY RESERVE.

Whereas, in the early twentieth century, Secretary of War Root proposed changes to the armed forces that included making citizen volunteers an essential part of the Army. Root's idea for a broad-based federal reserve force began to take form in April 1908, with the establishment of the Medical Reserve Corps. This first federal reserve force was made up of physicians who could be ordered to active duty by the Secretary of War during a time of emergency; and

Whereas, during World War I, 160,000 Reserve soldiers served on active duty, including Colonel Theodore Roosevelt, and Captain Eddie Rickenbacker, whose example set the standard that Army Reserve men and women have followed ever since; and

Whereas, with the national economy in tatters in the 1930s, reserve training became rare. However, in 1933 President Franklin Roosevelt directed the Army to take control of the Civilian Conservation Corps, and by the end of 1934 there were 5,000 Reserve officers working with the Civilian Conservation Corps. Between 1933 and 1939 more than 30,000 Reserve members served in 2,700 camps; and

Whereas, with the fall of France in 1940, the United States began rearming in earnest, and the nation's reserve soldiers were quickly called. By June of 1941 ninety percent of the Army's company grade officers were recently mobilized reserve officers. One reserve officer who sought active duty, unsuccessfully, was Senator Harry Truman. By the end of World War II, more than 200,000 reserve soldiers were on active duty, and more than twenty-five percent of all Army officers who served during the war were Reserve officers. A few more notable reserve officers were Lieutenant General Doolittle, who received the Medal of Honor for leading the first air raid against Japan in 1942; Major General Donovan, who led the Office of Strategic Services which later became the CIA; and Brigadier General Theodore Roosevelt, Jr., who received the Medal of Honor for his action on Utah Beach on D-Day; and

Whereas, by June 1950, more than 600,000 reserve soldiers were on the muster rolls, and more than 240,000 were called to active duty in Korea. In 1952, new legislation replaced the Officer Reserve Corps with the Army Reserve we know today; and

Whereas, the Army Reserve was reorganized in 1968 and has since participated in many domestic and national defense missions. Army Reserve authorization levels reached 315,000 in 1990, and are now at 205,000. The Army Reserve participated in Operation Just Cause in Panama in 1989, Operations Desert Shield and Storm in 1991, Operation Restore Hope in Somalia in 1993, Operation Joint Endeavor in Bosnia in 1995, and humanitarian missions including assisting victims of Typhoon Paka in Guam in 1997, and Hurricane Mitch in Central America in 1999; and

Whereas, following the events of September 11, 2001, over 9,000 Army Reserve soldiers were called to active duty under the partial mobilization order of the President in support of Operation Noble Eagle and Operation Enduring Freedom. In 2003 the Army Reserve began its ongoing support of Operation Iraqi Freedom while continuing its humanitarian mission, including support for victims of Hurricane Katrina; and

Whereas, the Army Reserve that marks the end of its first 100 years of service and starts its second century in 2008 is a significantly more battle tested and experienced force than it has been since its creation in 1908. More than 180,000 Army Reserve warrior citizens have been called to active duty since the terrorists' attacks of September 11, with more than 40,000 having been mobilized more than once. As the Army Reserve continues to evolve and transform throughout its next 100 years, it will do so as it always has, in the capable hands of those who choose to be "twice the citizen"; and

Whereas, on April 23, 2008, the Army Reserve celebrated its 100th anniversary; Now, therefore,

Be it resolved by the House of Representatives:

**SECTION 1.** The House of Representatives expresses the appreciation of this State and its citizens for the service that the members of the Army Reserve and their families have rendered to the State of North Carolina and the nation.

**SECTION 2.** The Principal Clerk shall transmit a certified copy of this resolution to the Chief, United States Army Reserve.

**SECTION 3.** This resolution is effective upon adoption.

**H.R. 2411** A HOUSE RESOLUTION IN SUPPORT OF THE CONVENING OF THE E-NC AUTHORITY'S DIGITAL BROADBAND SUMMITS.

Whereas, the e-NC Authority is a State authority, established by the N.C. General Assembly in 2000, and the e-NC Authority has worked to bring high-speed Internet access to the rural areas of North Carolina as well as the distressed urban areas of the State; and

Whereas, on average, 83% of North Carolina households have the ability to access and purchase high-speed Internet services if they so desire; and

Whereas, almost 17% of households in North Carolina have no access to high-speed Internet; and

Whereas, a higher level of bandwidth and faster speeds of transmission will be needed in the future; and

Whereas, in fall 2008, the citizens of the State will have an opportunity through eight statewide Digital Broadband Summits to bring forth their ideas and desires for a new vision of digital broadband inclusion for North Carolina citizens and businesses; and

Whereas, the findings from the eight summits may include digital inclusion metrics relative to broadband deployment, digital literacy of citizens, digital uptake rates, ways to provide the incentives for deployment of broadband, and new ideas for assisting in subscription up-take for citizens; and

Whereas, the e-NC Authority will report back and provide recommendations to the House Select Committee on High-Speed Internet in Rural Areas and the General Assembly on the findings from the regional sessions to be held across North Carolina; Now, therefore,  
Be it resolved by the House of Representatives:

**SECTION 1.** The House of Representatives supports the efforts of the e-NC Authority to hold at least eight Digital Broadband Summits across North Carolina in the fall of 2008. The House of Representatives looks forward to the receipt of the findings and recommendations of the e-NC Authority resulting from these summits. The House Select Committee on High-Speed Internet in Rural Areas shall give consideration to these findings and to a proposed broadband Internet plan for the citizens and businesses of North Carolina in order to take full advantage of this 21<sup>st</sup> century economic development and knowledge tool.

**SECTION 2.** The members of the N.C. House of Representatives are encouraged to participate in the Digital Broadband Summits that will take place in their area.

**SECTION 3.** This resolution is effective upon adoption.

## **INDEX GUIDE**

The North Carolina General Statutes titles form the basis for these indices. Following each bill title, the last action or the present status of said bill is indicated. For example, a ratified bill will be followed by its chapter number in the Session Laws. Bills included in whole or in part in other measures are reflected as such, if known.

All bills dealing with funds are indexed under Appropriations. Local legislation is placed under the county it affects.

A list of bills and resolutions introduced by each Representative is found under the Member's name with an asterisk (\*) noting that person as the primary sponsor.
