RULES, CALENDAR, AND OPERATIONS OF THE HOUSE
February 11, 1997

The Committee on Rules, Calendar, and Operations of the House met February 11, 1997 at 1:30 p.m. in Room 421 in the Legislative Office Building. Representative Morgan, Chair, called the meeting to order and asked the clerk to call the roll. The following members were present: Representatives Crawford, Culp. Dockham, Esposito, Gulley, Hill, McMahan, Miner, Mitchell, Neely and Thompson.

Chairman Morgan announced that the purpose of the meeting was for the adoption of House Rule 28 (a) **Standing committees and permanent subcommittees of standing committees shall be furnished with suitable meeting places pursuant to a schedule adopted by the Standing Committee on Rules, Calendar, and Operations of the House. Select committees shall be furnished with suitable meeting places as their needs require by the Chair of the Standing Committee on Rules, Calendar, and Operations of the House.**

Chairman Morgan stated that one of the considerations in assigning the space was largely due to the size of the committees. Some committees are so large that they have been put in Room 643. Committee members should note that committee rooms 421, 544 and 643 are joint rooms so assignments had to be done with consideration of the adopted Senate schedule. Committees that meet on call of the chair will internally be assigned a room number but it will not be published on the committee schedule document.

Representative Mitchell moved for adoption of Rule 28(a) and the affirmative vote was unanimous.

The Committee adjourned at 1:45 p.m.

SENATE BILL 27
Judiciary Committee Substitute Adopted 2/6/97

Short Title: Veto Procedural Changes. (Public)

Referred to:

February 3, 1997

A BILL TO BE ENTITLED

AN ACT TO MAKE PROCEDURAL CHANGES IN THE CONFORMING LEGISLATION CONCERNING GUBERNATORIAL VETO.

The General Assembly of North Carolina enacts:

Section 1. G.S. 120-33(d2) reads as rewritten:

"(d2) No bill required to be presented to the Governor under Article II, Section 22 of the Constitution of North Carolina shall be so presented until ~~the time for moving a reconsideration shall have expired,~~ the next business day after the bill was ratified, unless expressly ordered by that house where such bill was ordered enrolled. For the purpose of this section, a business day is a weekday other than one on which there is both a State employee holiday and neither house is in session. No bill required to be presented to the Governor under Article II, Section 22 of the North Carolina Constitution shall be recalled from the Enrolling Clerk or Governor after it has been ratified but before it has been acted upon by the Governor except by joint resolution."

Section 2. G.S. 120-6.1(a) reads as rewritten:

"(a) As provided by Section 22(7) of Article II of the Constitution of North Carolina, if within 30 days after adjournment, a bill is returned by the Governor with objections and veto message to that house in which it shall have originated, the Governor shall reconvene that session as provided by Section 5(11) of Article III of the Constitution for reconsideration of the bill, unless the Governor prior to reconvening the session receives written requests dated no earlier than 30 days after such adjournment, signed by a majority of the members of each house that a reconvened session to reconsider vetoed legislation is unnecessary. If sufficient

requests are received such that the session will not be reconvened, the Governor shall immediately issue a proclamation to that effect and so notify the President Pro Tempore of the Senate and the principal clerks and presiding officers of both houses."

Section 3. G.S. 120-29.1 reads as rewritten:

"**§ 120-29.1. Approval of bills.**

(a) If the Governor approves a bill, the Governor shall write upon the same, ~~to the left of and~~ below the signatures of the presiding officers of the two houses, the fact, date, and time of approval, as follows: 'Approved _____.m. this _____ day of _____,_____' and shall sign the same as follows: '_____ Governor'. The Governor shall then return the approved bill to the enrolling clerk.

(b) If any bill becomes law because of the failure of the Governor to take any action, it shall be the duty of the Governor to return the measure to the enrolling clerk, who shall sign the following certificate on the measure and deposit it with the Secretary of State: 'This bill having been presented to the Governor for his signature on the _____day of _____, _____ and the Governor having failed to approve it within the time prescribed by law, the same is hereby declared to have become a law.

This _____ day of _____, _____, _____ Enrolling Clerk'.

(c) If the Governor returns any bill to the house of origin with his objections, the Governor shall write such objections on the measure or cause the objections to be attached to the measure. When any such bill becomes law after reconsideration of the two houses, the ~~presiding officers~~ principal clerk of the second house to act shall, below the objections of the Governor, sign the following certificate: 'Became law notwithstanding the objections of the Governor, ____.m. this _____ day of _____, _____'. The ~~second of them to sign~~ principal clerk of the second house to act shall fill in the time. The enrolling clerk shall deposit the measure with the Secretary of State.

(d) In calculating the period under Section 22(7) of Article II of the North Carolina Constitution, the day on which the bill is presented to the Governor shall be excluded and the entire last day of the period is included."

Section 4. This act is effective when it becomes law.

HOUSE RESOLUTION DRHR7040-RC011(2.11) 172

Sponsors: Representatives Gray, Alexander, Aldridge, Barbee, Bonner, Clary, Culp, Dockham, Goodwin, Grady, Howard, and Mercer.

Referred to:

A HOUSE RESOLUTION TO ESTABLISH THE PROCEDURE FOR NOMINATING AND ELECTING MEMBERS OF THE BOARD OF GOVERNORS OF THE UNIVERSITY OF NORTH CAROLINA.

Be it resolved by the House of Representatives:

Section 1. The following procedures for nominating and electing eight members of the Board of Governors of The University of North Carolina (hereinafter the "Board of Governors") are adopted:

I. COMMITTEE RESPONSIBILITIES.

1. It is the duty of the UNC Board of Governors Committee of the House of Representatives (hereinafter the "Committee") to conduct a process for nominating and electing persons for each opening in each category of seats on the Board of Governors to which the House of Representatives is to elect members.

2. The Committee shall receive nominations for election to the Board of Governors through March 6, 1997. Each Representative may nominate up to two persons. In order for a person to have standing as a nominee, that person must be formally nominated by a member of the House of Representatives. Only a written nomination on a form provided by the Chair of the Committee for that purpose and received in the office of the Chair of the Committee by 12:00 noon on March 6, 1997, shall constitute a nomination. An individual cannot be a nominee or be nominated in more than one category. An individual is not eligible for nomination if he or she is nominated to the Board of Governors by the Senate during the 1997 Session.

3. A Representative may nominate persons only for the categories available for election by the House of Representatives. In the 1997 Session, the House of Representatives will elect:

(a) Six at-large members for four-year terms; and

(b) Two members of the political party to which the largest minority of members of the General Assembly belong for four-year terms.

4. On or after March 7, 1997, the Committee shall list all nominees by category. The Committee shall screen the nominees as to their qualifications, experience, opinions, and statutory suitability. The Committee may screen nominees by interviewing, or by soliciting written information, or by both means. On completion of the screening process, the Committee shall conduct a vote to ensure that the slate of legally qualified candidates lists no more than twice the number of candidates for the total seats open in each category. After the slate is determined by this vote, the members of the Committee shall vote for their preferences in each category.

5. Each nominee shall confirm his or her willingness to serve if elected. Any nominee may withdraw without the approval of the sponsor.

II. ELECTIONS IN THE HOUSE OF REPRESENTATIVES.

1. A ballot shall be prepared under the supervision of the Chair of the Committee for the use of the House of Representatives. The ballot shall include no more than twice the number of legally qualified candidates for the total seats open in each category and shall indicate the results of the Committee's votes for the information of the members of the House of Representatives.

2. The names of the nominees shall be arranged on the ballot (a) by category and (b) within each category, ranked in decreasing order by the number of votes received from the members of the Committee, beginning with the nominee who received the highest number of votes.

3. The House of Representatives shall hold its election no later than the beginning of the daily session on March 18, 1997. Before the voting begins, the Speaker of the House shall explain the voting rules, which are:

(a) No nomination shall be received from the floor.

(b) In order to be elected, a nominee must receive the votes of a majority of all members present and voting in the nominee's category.

(c) Each member present and voting shall vote for as many nominees as there are positions to be filled in each category.

(d) When fewer than two nominees in the minority party category, or fewer than six nominees in the at-large category, receive the votes of a majority of all members present and voting for positions in those categories, a runoff to fill the open position or positions shall be conducted among the nominees who were not elected but who received the highest number of votes cast in each category; and the number of nominees eligible to be voted on in the runoff shall be twice the number of positions to be filled.

(e) If there is a tie for the last position between two nominees who are eligible for the next runoff, both nominees shall be included in the next runoff balloting, even though there would be more than two nominees per available position.

(f) When more than two nominees in the minority party category, or more than six nominees in the at-large category, receive the votes of a majority of all members present and voting for positions in those categories, then the two nominees in the minority party category, and the six nominees in the at-large category receiving the highest number of votes in the category shall be deemed to have been elected.

4. The members of the House of Representatives shall proceed to mark their ballots for the following:

(a) Two persons in the minority political party of the General Assembly category for four-year terms; and

(b) Six persons in the at-large category, for four-year terms.

Every ballot shall be signed by the member of the House of Representatives casting it, and no unsigned ballots shall be counted.

5. The Chair of the Committee is responsible for canvassing the vote and declaring the results and may designate members of the Committee to assist. All ballots shall be retained by the Principal Clerk as part of the permanent records of the House of Representatives and shall be open for immediate public inspection.

6. When the Chair of the Committee has determined that the House of Representatives has elected two members from the minority party category, and six members from the at-large category to the Board of Governors for terms of four years, the Speaker of the House of Representatives shall declare those eight persons to have been elected by the House of Representatives to the indicated positions and for the indicated terms.

7. The results of the election in the House of Representatives shall then be sent by Special Messenger to the Senate.

III. NOTIFICATION OF ELECTION RESULTS.

When the election process is complete, the Chair of the Committee shall notify the Secretary of the Board of Governors of the names of the persons elected by the House of Representatives and the category and term for which each person was elected.

Section 2. This resolution is effective upon adoption.

COMMITTEE ON RULES, CALENDAR, AND OPERATIONS OF THE HOUSE
February 17, 1997

The Committee on Rules, Calendar, and Operations of the House met on Monday, February 17, 1997 at 6:45 p.m. in the House Conference Room in the Legislative Building. Representative Morgan, Committee Chair, called the meeting to order and asked the clerk to call the roll. The following members were present: Representative Bowie, Vice-Chair; and Representatives Crawford, Esposito, Gulley, Miner, Mitchell, and Thompson.

House Resolution 172 - A HOUSE RESOLUTION TO ESTABLISH THE PROCEDURE FOR NOMINATING AND ELECTING MEMBERS OF THE BOARD OF GOVERNORS OF THE UNIVERSITY OF NORTH CAROLINA - was before the Committee for consideration. A proposed committee substitute for House Resolution 172 was offered and Representative Bowie moved for its adoption for committee discussion. Motion carried.

Linwood Jones, Committee Staff Counsel explained that the only change in the committee substitute was a title change. He said the provisions reflected in the title change were already in the resolution.

Representative Gray, sponsor of House Resolution 172, urged the Committee to give favorable consideration to the proposed committee substitute. Representative Thompson moved for a favorable report as to committee substitute, unfavorable as to original resolution, which changes the title. Motion carried.

The meeting adjourned at 6:50 p.m.

Referred to:

February 13, 1997

A HOUSE RESOLUTION TO ESTABLISH THE PROCEDURE FOR NOMINATING AND ELECTING MEMBERS OF THE BOARD OF GOVERNORS OF THE UNIVERSITY OF NORTH CAROLINA, INCLUDING A PROHIBITION ON NOMINATIONS FROM THE FLOOR AND A REQUIREMENT THAT A NOMINEE RECEIVE THE VOTES OF A MAJORITY OF THE MEMBERS PRESENT AND VOTING IN THE NOMINEE'S CATEGORY IN ORDER TO BE ELECTED.

Be it resolved by the House of Representatives:

Section 1. The following procedures for nominating and electing eight members of the Board of Governors of The University of North Carolina (hereinafter the "Board of Governors") are adopted:

I. COMMITTEE RESPONSIBILITIES.

1. It is the duty of the UNC Board of Governors Committee of the House of Representatives (hereinafter the "Committee") to conduct a process for nominating and electing persons for each opening in each category of seats on the Board of Governors to which the House of Representatives is to elect members.

2. The Committee shall receive nominations for election to the Board of Governors through March 6, 1997. Each Representative may nominate up to two persons. (e) If there is a tie for the last position between two nominees who are eligible for the next runoff, both nominees shall be included in the next runoff balloting, even though there would be more than two nominees per available position.

(f) When more than two nominees in the minority party category, or more than six nominees in the at-large category, receive the votes of a majority of all members present and voting for positions in those categories, then the two nominees in the minority party category, and the six nominees in the at-large category receiving the highest number of votes in the category shall be deemed to have been elected.

4. The members of the House of Representatives shall proceed to mark their ballots for the following:

(a) Two persons in the minority political party of the General Assembly category for four-year terms; and

(b) Six persons in the at-large category, for four-year terms.

Every ballot shall be signed by the member of the House of Representatives casting it, and no unsigned ballots shall be counted.

5. The Chair of the Committee is responsible for canvassing the vote and declaring the results and may designate members of the Committee to assist. All ballots shall be retained by the Principal Clerk as part of the permanent records of the House of Representatives and shall be open for immediate public inspection.

6. When the Chair of the Committee has determined that the House of Representatives has elected two members from the minority party category, and six members from the at-large category to the Board of Governors for terms of four years, the Speaker of the House of Representatives shall declare those eight persons to have been elected by the House of Representatives to the indicated positions and for the indicated terms.

7. The results of the election in the House of Representatives shall then be sent by Special Messenger to the Senate.

III. NOTIFICATION OF ELECTION RESULTS.

When the election process is complete, the Chair of the Committee shall notify the Secretary of the Board of Governors of the names of the persons elected by the House of Representatives and the category and term for which each person was elected.

Section 2. This resolution is effective upon adoption.

GENERAL ASSEMBLY OF NORTH CAROLINA

SESSION 1997

H 1

HOUSE RESOLUTION 172

Sponsors: Representatives Gray, Alexander, Aldridge, Barbee, Bonner, Clary, Culp, Dockham, Goodwin, Grady, Howard, Mercer; Davis, and Shubert.

Referred to: Rules, Calendar, and Operations of the House.

February 13, 1997

A HOUSE RESOLUTION TO ESTABLISH THE PROCEDURE FOR NOMINATING AND ELECTING MEMBERS OF THE BOARD OF GOVERNORS OF THE UNIVERSITY OF NORTH CAROLINA.

Be it resolved by the House of Representatives:

Section 1. The following procedures for nominating and electing eight members of the Board of Governors of The University of North Carolina (hereinafter the "Board of Governors") are adopted:

I. COMMITTEE RESPONSIBILITIES.

1. It is the duty of the UNC Board of Governors Committee of the House of Representatives (hereinafter the "Committee") to conduct a process for nominating and electing persons for each opening in each category of seats on the Board of Governors to which the House of Representatives is to elect members.

2. The Committee shall receive nominations for election to the Board of Governors through March 6, 1997. Each Representative may nominate up to two persons. In order for a person to have standing as a nominee, that person must be formally nominated by a member of the House of Representatives. Only a written nomination on a form provided by the Chair of the Committee for that purpose and received in the office of the Chair of the Committee by 12:00 noon on March 6, 1997, shall constitute a nomination. An individual cannot be a nominee or be nominated in more than one category. An individual is not eligible for nomination if he or she is nominated to the Board of Governors by the Senate during the 1997 Session.

3. A Representative may nominate persons only for the categories available for election by the House of Representatives. In the 1997 Session, the House of Representatives will elect:

(a) Six at-large members for four-year terms; and
(b) Two members of the political party to which the largest minority of members of the General Assembly belong for four-year terms.

4. On or after March 7, 1997, the Committee shall list all nominees by category. The Committee shall screen the nominees as to their qualifications, experience, opinions, and statutory suitability. The Committee may screen nominees by interviewing, or by soliciting written information, or by both means. On completion of the screening process, the Committee shall conduct a vote to ensure that the slate of legally qualified candidates lists no more than twice the number of candidates for the total seats open in each category. After the slate is determined by this vote, the members of the Committee shall vote for their preferences in each category.

5. Each nominee shall confirm his or her willingness to serve if elected. Any nominee may withdraw without the approval of the sponsor.

II. ELECTIONS IN THE HOUSE OF REPRESENTATIVES.

1. A ballot shall be prepared under the supervision of the Chair of the Committee for the use of the House of Representatives. The ballot shall include no more than twice the number of legally qualified candidates for the total seats open in each category and shall indicate the results of the Committee's votes for the information of the members of the House of Representatives.

2. The names of the nominees shall be arranged on the ballot (a) by category and (b) within each category, ranked in decreasing order by the number of votes received from the members of the Committee, beginning with the nominee who received the highest number of votes.

3. The House of Representatives shall hold its election no later than the beginning of the daily session on March 18, 1997. Before the voting begins, the Speaker of the House shall explain the voting rules, which are:

(a) No nomination shall be received from the floor.
(b) In order to be elected, a nominee must receive the votes of a majority of all members present and voting in the nominee's category.
(c) Each member present and voting shall vote for as many nominees as there are positions to be filled in each category.
(d) When fewer than two nominees in the minority party category, or fewer than six nominees in the at-large category, receive the votes of a majority of all members present and voting for positions in those categories, a runoff to fill the open position or positions shall be conducted among the nominees who were not elected but who received the highest number of votes cast in each category; and the number of nominees eligible to be voted on in the runoff shall be twice the number of positions to be filled.
(e) If there is a tie for the last position between two nominees who are eligible for the next runoff, both nominees shall be included in the

next runoff balloting, even though there would be more than two nominees per available position.

(f) When more than two nominees in the minority party category, or more than six nominees in the at-large category, receive the votes of a majority of all members present and voting for positions in those categories, then the two nominees in the minority party category, and the six nominees in the at-large category receiving the highest number of votes in the category shall be deemed to have been elected.

4. The members of the House of Representatives shall proceed to mark their ballots for the following:

(a) Two persons in the minority political party of the General Assembly category for four-year terms; and

(b) Six persons in the at-large category, for four-year terms.

Every ballot shall be signed by the member of the House of Representatives casting it, and no unsigned ballots shall be counted.

5. The Chair of the Committee is responsible for canvassing the vote and declaring the results and may designate members of the Committee to assist. All ballots shall be retained by the Principal Clerk as part of the permanent records of the House of Representatives and shall be open for immediate public inspection.

6. When the Chair of the Committee has determined that the House of Representatives has elected two members from the minority party category, and six members from the at-large category to the Board of Governors for terms of four years, the Speaker of the House of Representatives shall declare those eight persons to have been elected by the House of Representatives to the indicated positions and for the indicated terms.

7. The results of the election in the House of Representatives shall then be sent by Special Messenger to the Senate.

III. NOTIFICATION OF ELECTION RESULTS.

When the election process is complete, the Chair of the Committee shall notify the Secretary of the Board of Governors of the names of the persons elected by the House of Representatives and the category and term for which each person was elected.

Section 2. This resolution is effective upon adoption.

RULES, CALENDAR AND OPERATIONS OF THE HOUSE
February 25, 1997

The House Committee on Rules, Calendar and Operations of the House met Tuesday, February 25, 1997 at 3:00 p.m. in Room 421 of the Legislative Office Building with the following members present: Representative Morgan, Chairman; Representatives Bowie, Crawford, Hill, Miner, Mitchell, Neely and Thompson.

The Chairman called the meeting to order to reconsider Com. Sub. for H.R. 172 which was adopted at the previous meeting and to consider H.R. 323 - TO ESTABLISH THE PROCEDURE FOR NOMINATING AND ELECTING MEMBERS OF THE BOARD OF GOVERNORS OF THE UNIVERSITY OF NORTH CAROLINA, INCLUDING A PROHIBITION ON NOMINATIONS FROM THE FLOOR, A REQUIREMENT THAT A NOMINEE RECEIVE THE VOTES OF A MAJORITY OF THE MEMBERS PRESENT AND VOTING IN THE NOMINEE'S CATEGORY IN ORDER TO BE ELECTED, AND TO PROVIDE THAT AT LEAST TWO PERSONS ON THE AT-LARGE BALLOT SHALL BE MEMBERS OF THE MAJORITY POLITICAL PARTY.

Representative Morgan informed the members that since Com. Sub. for H.R. 172 was adopted at the last meeting, the Committee on UNC Board of Governors had met and, in the interest of time, had originated House Resolution 323. Therefore, Representative Mitchell moved that the vote by which Com. Sub. For H.R. 172 was adopted be reconsidered. Motion carried.

Representative Gray, Chairman of the UNC Board of Governors Committee, was recognized to explain changes in H.R. 323 and the procedure for nominating and electing members.

Representative Mitchell moved to adopt H.R. 323. Motion carried.

Meeting adjourned at 3:30 p.m.

RULES, CALENDAR, AND OPERATIONS OF THE HOUSE
February 27, 1997

The Committee on Rules, Calendar, and Operations of the House met February 27, 1997 at 2:55 p.m. in the House Conference Room in the Legislative Building. Representative Morgan, Chair, called the meeting to order and asked the clerk to call the roll. The following members were present: Representative Bowie, Vice Chair; and Representatives Crawford, Culp. Daughtry, Dockham, Esposito, Hill, Miner, Thompson, and C. Wilson

Chairman Morgan recognized Representative Daughtry to explain House Resolution 320 -A JOINT RESOLUTION INVITING THE HONORABLE BURLEY B. MITCHELL, JR., CHIEF JUSTICE OF THE COURT TO ADDRESS A JOINT SESSION OF THE HOUSE OF REPRESENTATIVES AND THE SENATE. Representative Daughtry explained that several years ago the Chief Justice asked if he could speak to a joint session of the General Assembly on the state of the third branch of government and this is following that tradition. Both Speaker Brubaker and President Pro Tem Basnight have suggested March 5, 1997 at 2:00 p.m. as the date and time for Chief Justice Mitchell to address a joint session.

Representative Dockham moved to give H.J.R. 320 a favorable report and the vote was unanimous for a favorable report..

The meeting adjourned at 3:00.

GENERAL ASSEMBLY OF NORTH CAROLINA

SESSION 1997

HOUSE BILL 52

Short Title: Independent Redistricting Commission. (Public)

Sponsors: Representatives Weatherly; Cansler, Culp, Dickson, Mercer, Rayfield, C. Wilson, and Cole.

Referred to: Rules, Calendar and Operations of the House.

February 5, 1997

A BILL TO BE ENTITLED

AN ACT TO ESTABLISH AN INDEPENDENT REDISTRICTING COMMISSION TO HANDLE REDISTRICTING MATTERS AND TO DIRECT THE LEGISLATIVE RESEARCH COMMISSION TO STUDY PREPARATION FOR THE 2001 REDISTRICTING.

The General Assembly of North Carolina enacts:

Section 1. Section 3 of Article II of the Constitution of North Carolina reads as rewritten:

"**Sec. 3. Senate districts; apportionment of Senators.**

The Senators shall be elected from districts. ~~The General Assembly, at the first regular session convening~~ The Independent Redistricting Commission, beginning as soon as practical after the return of every decennial census of population taken by order of Congress, shall revise the senate districts and the apportionment of Senators among those districts, subject to the following requirements:

(1) Each Senator shall represent, as nearly as may be, an equal number of inhabitants, ~~the number of inhabitants that each Senator represents being determined for this purpose by dividing the population of the District that he represents by the number of Senators apportioned to that district~~ and each district shall elect one Senator;

(2) Each senate district shall at all times consist of compact and contiguous territory;

~~(3) No county shall be divided in the formation of a senate district;~~

(4) When established, the senate districts and the apportionment of Senators shall remain unaltered until the return of another decennial census of population taken by order of Congress."

Section 2. Section 5 of Article II of the Constitution of North Carolina reads as rewritten:

"**Sec. 5. Representative districts; apportionment of Representatives.**

The Representatives shall be elected from districts. ~~The General Assembly, at the first regular session convening~~ The Independent Redistricting Commission, as soon as practical after the return of every decennial census of population taken by order of Congress, shall revise the representative districts and the apportionment of Representatives among those districts, subject to the following requirements:

(1) Each Representative shall represent, as nearly as may be, an equal number of inhabitants, ~~the number of inhabitants that each Representative represents being determined for this purpose by dividing the population of the district that he represents by the number of Representatives apportioned to that district~~ and each District shall elect one Representative;

(2) Each representative district shall at all times consist of compact and contiguous territory;

~~(3) No county shall be divided in the formation of a representative district;~~

(4) When established, the representative districts and the apportionment of Representatives shall remain unaltered until the return of another decennial census of population taken by order of Congress."

Section 3. Article II of the Constitution of North Carolina is amended by adding a new section to read:

"**Sec. 25. Independent Redistricting Commission.**

(1) Establishment and Membership. There is established the Independent Redistricting Commission to consist of nine persons appointed as follows:

(a) Two by the Chief Justice of the Supreme Court, with no more than one affiliated with the same political party;

(b) Three by the Governor, with no more than two affiliated with the same political party;

(c) Two by the Speaker of the House of Representatives, with no more than one affiliated with the same political party; and

(d) Two by the President Pro Tempore of the Senate, with no more than one affiliated with the same political party.

The appointing officers shall make their initial appointments no earlier than February 1 of the year prior to the year in which the appointed members are to take office under subsection (2) of this section and no later than June 1 of the year in which the members are to take office under subsection (2) of this section.

(2) Term of Office; Vacancies, Chair. The members of the Independent Redistricting Commission shall take office on the first day of July of each year ending

in the number 0, and shall continue in office until their successors are appointed and qualified. Any vacancy occurring in the membership of the Commission shall be filled for the remainder of the unexpired term by the officer who appointed the vacating member. The Independent Redistricting Commission shall elect from its members a Chair, who will serve throughout the term of the Commission unless replaced by vote of the Commission.

(3) Eligibility. To be eligible for appointment to the Independent Redistricting Commission, a person must be a resident of North Carolina. No person may serve on the Commission who has held elective public office or been a candidate for elective public office in the four years prior to commencement of service on the Independent Redistricting Commission. No person who has served as a member of the Independent Redistricting Commission shall be eligible to hold any elective public office for four years after termination of service on the Independent Redistricting Commission.

(4) Legislative Plans. The Independent Redistricting Commission shall adopt, in accordance with Sections 3 and 5 of this Article, plans for revising the senate districts and representative districts, which shall have the force and effect of acts of the General Assembly. The General Assembly shall not adopt any legislative district plan.

(5) Congressional Plans. The Independent Redistricting Commission is responsible for adopting a district plan for election of members of the House of Representatives of the Congress of the United States. The General Assembly shall not adopt any district plan for election of members of the United States House of Representatives.

(6) Preparation and Adoption of Plans. The Independent Redistricting Commission shall adopt district plans as required by subsections (4) and (5) of this section no later than October 1 of the year following each decennial census of population taken by order of Congress. In preparing or adopting its plans, the Independent Redistricting Commission shall not consider the following information:

(a) The political affiliation of voters;
(b) Voting data from previous elections;
(c) The location of incumbents' residences; or
(d) Demographic data from sources other than the United States Bureau of the Census.

There shall be a minimum period of 45 days of public comment on a plan before it is finally adopted.

(7) In Case Plan Held Invalid. The Independent Redistricting Commission shall adopt a new district plan in the event that a plan it has adopted is held invalid.

(8) Federal Law. In adopting any plan under this section, the Independent Redistricting Commission shall take into consideration all relevant requirements of the United States Constitution and Acts of Congress.

(9) Local Redistricting. The General Assembly may by law assign to the Independent Redistricting Commission the duty to adopt districting and redistricting plans for any county, city, town, special district, and other governmental subdivision if the governing board of the unit or a court of competent jurisdiction so requests."

Section 4. Subdivision (5) of Section 22 of Article II of the Constitution of North Carolina reads as rewritten:

"(5) ~~Other exceptions.~~ Appointments to office. Every ~~bill:~~

~~(a)~~ ~~In~~ bill in which the General Assembly makes an appointment or appointments to public office and which contains no other ~~matter;~~

~~(b) Revising the senate districts and the apportionment of Senators among those districts and containing no other matter;~~

~~(c) Revising the representative districts and the apportionment of Representatives among those districts and containing no other matter; or~~

~~(d) Revising the districts for the election of members of the House of Representatives of the Congress of the United States and the apportionment of Representatives among those districts and containing no other matter;~~

matter shall be read three times in each house before it becomes law and shall be signed by the presiding officers of both houses."

Section 5. The amendments set out in Sections 1 through 4 of this act shall be submitted to the qualified voters of the State at the general election in November 1998, which election shall be conducted under the laws then governing elections in the State. Ballots, voting systems, or both may be used in accordance with Chapter 163 of the General Statutes. The question to be used in the voting systems and ballots shall be:

"[ ] FOR [ ] AGAINST

A constitutional amendment providing for an Independent Redistricting Commission to redistrict the State for the purpose of electing members of the General Assembly and members of the United States House of Representatives."

Section 6. If a majority of votes cast on the question are in favor of the amendments set out in Sections 1 through 4 of this act, the State Board of Elections shall certify the amendments to the Secretary of State. The amendments become effective upon this certification. The Secretary of State shall enroll the amendments so certified among the permanent records of that office.

A BILL TO BE ENTITLED

AN ACT TO ESTABLISH AN INDEPENDENT REDISTRICTING COMMISSION TO HANDLE REDISTRICTING MATTERS.

The General Assembly of North Carolina enacts:

Section 1. Section 3 of Article II of the Constitution of North Carolina reads as rewritten:

"**Sec. 3. Senate districts; apportionment of Senators.**

The Senators shall be elected from districts. ~~The General Assembly, at the first regular session convening~~ The Independent Redistricting Commission, beginning as soon as practical after the return of every decennial census of population taken by order of Congress, shall revise the senate districts and the apportionment of Senators among those districts, subject to the following requirements:

(1) Each Senator shall represent, as nearly as may be, an equal number of inhabitants, ~~the number of inhabitants that each Senator represents being determined for this purpose by dividing the population of the District that he represents by the number of Senators apportioned to that district~~ and each district shall elect one Senator;

(2) Each senate district shall at all times consist of compact and contiguous territory;

~~(3) No county shall be divided in the formation of a senate district;~~

(4) When established, the senate districts and the apportionment of Senators shall remain unaltered until the return of another decennial census of population taken by order of Congress."

Section 2. Section 5 of Article II of the Constitution of North Carolina reads as rewritten:

"**Sec. 5. Representative districts; apportionment of Representatives.**

The Representatives shall be elected from districts. ~~The General Assembly, at the first regular session convening~~ The Independent Redistricting Commission, as soon as practical after the return of every decennial census of population taken by order of Congress, shall revise the representative districts and the apportionment of Representatives among those districts, subject to the following requirements:

(1) Each Representative shall represent, as nearly as may be, an equal number of inhabitants, ~~the number of inhabitants that each Representative represents being determined for this purpose by dividing the population of the district that he represents by the number of Representatives apportioned to that district~~ and each District shall elect one Representative;

(2) Each representative district shall at all times consist of compact and contiguous territory;

~~(3) No county shall be divided in the formation of a representative district;~~

(4) When established, the representative districts and the apportionment of Representatives shall remain unaltered until the return of another decennial census of population taken by order of Congress."

Section 3. Article II of the Constitution of North Carolina is amended by adding a new section to read:

"**Sec. 25. Independent Redistricting Commission.**

(1) Establishment and Membership. There is established the Independent Redistricting Commission to consist of nine persons appointed as follows:

(a) Two by the Chief Justice of the Supreme Court, with no more than one affiliated with the same political party;

(b) Three by the Governor, with no more than two affiliated with the same political party;

(c) Two by the Speaker of the House of Representatives, with no more than one affiliated with the same political party; and

(d) Two by the President Pro Tempore of the Senate, with no more than one affiliated with the same political party.

The appointing officers shall make their initial appointments no earlier than February 1 of the year prior to the year in which the appointed members are to take office under subsection (2) of this section and no later than June 1 of the year in which the members are to take office under subsection (2) of this section.

(2) Term of Office; Vacancies, Chair. The members of the Independent Redistricting Commission shall take office on the first day of July of each year ending in the number 0, and shall continue in office until their successors are appointed and qualified. Any vacancy occurring in the membership of the Commission shall be filled for the remainder of the unexpired term by the officer who appointed the

vacating member. The Independent Redistricting Commission shall elect from its members a Chair, who will serve throughout the term of the Commission unless replaced by vote of the Commission.

(3) Eligibility. To be eligible for appointment to the Independent Redistricting Commission, a person must be a resident of North Carolina. No person may serve on the Commission who has held elective public office or been a candidate for elective public office in the four years prior to commencement of service on the Independent Redistricting Commission. No person who has served as a member of the Independent Redistricting Commission shall be eligible to hold any elective public office for four years after termination of service on the Independent Redistricting Commission.

(4) Legislative Plans. The Independent Redistricting Commission shall adopt, in accordance with Sections 3 and 5 of this Article, plans for revising the senate districts and representative districts, which shall have the force and effect of acts of the General Assembly. The General Assembly shall not adopt any legislative district plan.

(5) Congressional Plans. The Independent Redistricting Commission is responsible for adopting a district plan for election of members of the House of Representatives of the Congress of the United States. The General Assembly shall not adopt any district plan for election of members of the United States House of Representatives.

(6) Preparation and Adoption of Plans. The Independent Redistricting Commission shall adopt district plans as required by subsections (4) and (5) of this section no later than October 1 of the year following each decennial census of population taken by order of Congress. In preparing or adopting its plans, the Independent Redistricting Commission shall not consider the following information:

(a) The political affiliation of voters;
(b) Voting data from previous elections;
(c) The location of incumbents' residences; or
(d) Demographic data from sources other than the United States Bureau of the Census.

There shall be a minimum period of 45 days of public comment on a plan before it is finally adopted.

(7) In Case Plan Held Invalid. The Independent Redistricting Commission shall adopt a new district plan in the event that a plan it has adopted is held invalid.

(8) Federal Law. In adopting any plan under this section, the Independent Redistricting Commission shall take into consideration all relevant requirements of the United States Constitution and Acts of Congress.

(9) Local Redistricting. The General Assembly may by law assign to the Independent Redistricting Commission the duty to adopt districting and redistricting plans for any county, city, town, special district, and other governmental subdivision if the governing board of the unit or a court of competent jurisdiction so requests."

Section 4. Subdivision (5) of Section 22 of Article II of the Constitution of North Carolina reads as rewritten:

"(5) ~~Other exceptions.~~ Appointments to office. Every ~~bill~~

~~(a)~~ ~~In~~ bill in which the General Assembly makes an appointment or appointments to public office and which contains no other ~~matter;~~

~~(b) Revising the senate districts and the apportionment of Senators among those districts and containing no other matter;~~

~~(c) Revising the representative districts and the apportionment of Representatives among those districts and containing no other matter; or~~

~~(d) Revising the districts for the election of members of the House of Representatives of the Congress of the United States and the apportionment of Representatives among those districts and containing no other matter,~~

matter shall be read three times in each house before it becomes law and shall be signed by the presiding officers of both houses."

Section 5. The amendments set out in Sections 1 through 4 of this act shall be submitted to the qualified voters of the State at the general election in November 1998, which election shall be conducted under the laws then governing elections in the State. Ballots, voting systems, or both may be used in accordance with Chapter 163 of the General Statutes. The question to be used in the voting systems and ballots shall be:

"[ ] FOR [ ] AGAINST

A constitutional amendment providing for an Independent Redistricting Commission to redistrict the State for the purpose of electing members of the General Assembly and members of the United States House of Representatives."

Section 6. If a majority of votes cast on the question are in favor of the amendments set out in Sections 1 through 4 of this act, the State Board of Elections shall certify the amendments to the Secretary of State. The amendments become effective upon this certification. The Secretary of State shall enroll the amendments so certified among the permanent records of that office.

Section 7. This act is effective when it becomes law.

A BILL TO BE ENTITLED

AN ACT TO IMPLEMENT THE NORTH CAROLINA SENTENCING AND POLICY ADVISORY COMMISSION'S RECOMMENDATION TO CONTINUE THE COMMISSION.

The General Assembly of North Carolina enacts:

Section 1. Section 8 of Chapter 1076 of the 1989 Session Laws, as amended by Chapters 812 and 816 of the 1991 Session Laws, Chapters 253, 321, and 591 of the 1993 Session Laws, and Chapter 236 of the 1995 Session Laws, reads as rewritten:

"Sec. 8. This act is effective ~~upon ratification, and shall expire~~ July 1, 1997."

Section 2. G.S. 164-38 reads as rewritten:

"**§ 164-38. (Effective until July 1, 1997) Terms of members; compensation; expenses.**

The terms of existing members shall expire on June 30, ~~1995,~~ 1997, unless they resign or are removed. New members shall be appointed or the existing members reappointed by the appointing authorities to serve ~~until July 1, 1997,~~ terms of two years, unless they resign or are removed. Members serving by virtue of elective or appointive office or as designees of such officeholders may serve only so long as the officeholders hold those respective offices. Members appointed by the Speaker of the House and the President Pro Tempore of the Senate may be removed by the appointing authority without cause. Vacancies occurring before the expiration of a term shall be filled in the manner provided for the members first appointed. A member of the Commission may be removed only for disability, neglect of duty, incompetence, or malfeasance in office. Before removal, the member is entitled to a

hearing. Effective with respect to members designated on or after July 1, 1992, a person making a designation pursuant to G.S. 164-37 may not make another designation, except that the person's successor in elective or appointive office may make a new designation.

The Commission members shall receive no salary for serving. All Commission members shall receive necessary subsistence and travel expenses in accordance with the provisions of G.S. 120-3.1, 138-5, and 138-6 as applicable."

Section 3. G.S. 164-36 reads as rewritten:

"**§ 164-36. (Effective until July 1, 1997) Powers and duties.**

Sentences established for violations of the State's criminal laws should be based on the established purposes of our criminal justice and corrections systems. The Commission shall evaluate sentencing laws and policies in relationship to both the stated purposes of the criminal justice and corrections systems and the availability of sentencing options. The Commission shall make recommendations to the General Assembly for the modification of sentencing laws and policies, and for the addition, deletion, or expansion of sentencing options as necessary to achieve policy goals. The Commission shall make a report of its recommendations, including any recommended legislation, to the General Assembly annually."

Section 4. This act becomes effective July 1, 1997.

COMMITTEE ON RULES, CALENDAR, AND OPERATIONS OF THE HOUSE
March 10, 1997

The Committee on Rules, Calendar, and Operations of the House met March 10, 1997, immediately following the adjournment of the House Session in the House Conference Room in the Legislative Building. Representative Morgan, Chair, called the meeting to order and asked the clerk to call the roll. The following members were present: Representative Bowie, Vice Chair; and Representatives Culp, Dockham, Esposito, Gulley, Hill, Miner, Mitchell, Neely and Thompson.

Senate Joint Resolution 334, A JOINT RESOLUTION INVITING PRESIDENT CLINTON TO ADDRESS A JOINT SESSION OF THE HOUSE OF REPRESENTATIVES AND THE SENATE, was the only agenda item. A proposed House committee substitute for Senate Joint Resolution 334 was offered and Representative Culp moved for the adoption of the committee substitute for committee consideration. Motion carried.

Linwood Jones, Committee Staff Counsel, explained that the only change to the bill was an invitation to Governor James B. Hunt, Jr. to attend the joint session. Representative Neely moved to amend the bill to include that a certified copy of the resolution be transmitted to the Governor. Motion carried and the Chairman stated that the amendment would be rolled into the House committee substitute. Representative Neely then moved for a favorable report to the House committee substitute for Senate Joint Resolution 334, which changed the title, and unfavorable as to Senate Joint Resolution. 334. Motion carried.

Meeting adjourned at 8:00 p.m.

Whereas, the founding of the City of Hamlet can be traced to John Shortridge, one of the city's earliest settlers; and

Whereas, John Shortridge was born in Carlisle, England, in 1818, and at the age of 20, he and his mother immigrated to the United States, settling in Rhode Island; and

Whereas, John Shortridge married Mary Jane McQuiston in 1838; and

Whereas, John Shortridge moved his family to Rockingham, North Carolina, in 1847, and at that time, John Shortridge became associated with the Richmond Manufacturing Company; and

Whereas, John Shortridge found success in milling and real estate, built a sawmill and a woolen mill; and for the next 25 years, he and his wife raised their children in the Ledbetter Mill area; and

Whereas, following the destruction of his mills in 1865, and the death of his wife in 1868, John Shortridge moved to an area known as the Sandhills, a few miles southeast of the Ledbetter Mill area in 1872; and

Whereas, John Shortridge built a new woolen mill and sawmill and began to regain his losses; and

Whereas, the area where John Shortridge lived came to be known as Shortridge Mills, but in 1873 the area was named Hamlet, a word used to describe a small village; and

Whereas, John Shortridge's notable contributions to the City of Hamlet include enticing the railroad to come directly to the city, donating land for the railroad, allowing his home to be used for the city's first post office, and donating land for a church and helping to erect the church; and

Whereas, John Shortridge died in 1882; and

Whereas, many of John Shortridge's descendants continue to live in the City of Hamlet; and

Whereas, Hamlet's 100th anniversary and John Shortridge's contributions to the development of Hamlet are worthy of celebration and should be enjoyed and supported by all of North Carolina's citizens;

Now, therefore, be it resolved by the House of Representatives:

Section 1. The House of Representatives honors the life and memory of John Shortridge and urges the citizens of this State to participate in all activities commemorating the 100th anniversary of the City of Hamlet.

Section 2. The Principal Clerk shall transmit a copy of this resolution to the Mayor of the City of Hamlet.

Section 3. This resolution is effective upon adoption.

HOUSE JOINT RESOLUTION 376

Sponsors: Representatives Luebke, Michaux, Miller, Capps, and Mosley (Cosponsors).

Referred to: Rules, Calendar and Operations of the House.

March 3, 1997

A JOINT RESOLUTION HONORING THE LIFE AND MEMORY OF THE EARLY SUPPORTERS OF THE DURHAM PUBLIC LIBRARY ON THE LIBRARY'S ONE HUNDREDTH ANNIVERSARY.

Whereas, in June, 1895, Professor Edwin Mims of Trinity College initiated with a local literary group, the Canterbury Club, a movement to gain support for the idea of creating a public library in Durham; and

Whereas, in 1896, Lalla Ruth Carr and her father, industrialist and philanthropist Julian Shakespeare Carr, solicited donations for the establishment of the library, and Mr. Carr, along with Mrs. Thomas H. Martin, donated land for the library; and

Whereas, on March 5, 1897, the General Assembly of North Carolina ratified "an act to incorporate the Durham Public Library"; and

Whereas, the Board of Aldermen of the Town of Durham resolved in April 1896, and voted in January 1898, to provide financial support for the operation of the library; and

Whereas, the first free, tax-supported public library in North Carolina thereby opened its doors in Durham in February 1898; and

Whereas, in 1916, a public library was opened to serve the African-American citizens of Durham as a result of the efforts and contributions of Dr. Aaron McDuffie Moore and Mr. John Merrick; and

Whereas, these events marked the beginnings of public library service in Durham which served as an early model in the State for public and private support, professional leadership, services to children, bookmobile services, and services for African-American citizens; and

Whereas, the Durham County Library having been created from these two historic institutions continues to provide progressive library services to the people of Durham; and

Whereas, public libraries are operating today in all one hundred counties of North Carolina serving to enhance education, economic development, and quality of life of North Carolina residents;

Now, therefore, be it resolved by the House of Representatives, the Senate concurring:

Section 1. The General Assembly honors the life and memory of the early supporters of the Durham Library and proclaims March 1997, through February 1998, as a year of celebration of one hundred years of public library service in the City of Durham and in the State of North Carolina.

Section 2. The Secretary of State shall transmit a certified copy of this resolution to the Director of the Durham Public Library.

Section 3. This resolution is effective upon ratification.

HOUSE RESOLUTION 520

Sponsors: Representative Daughtry.

Referred to: Rules, Calendar and Operations of the House.

March 17, 1997

A HOUSE RESOLUTION COMMEMORATING THE FIFTIETH ANNIVERSARY OF THE NORTH CAROLINA MUSEUM OF ART.

Whereas, during the final hours of the 1947 General Assembly, a bill was passed on April 5, 1947, providing for the acquisition, preservation, and exhibition of art for the people of the State of North Carolina; and

Whereas, the 1947 act appropriated $1 million for the purchase of old master paintings, provided that the appropriation would be matched with $1 million; and

Whereas, North Carolina was the first state in the nation to set aside funds for a public art collection; and

Whereas, the Samuel H. Kress Foundation agreed to match the State appropriation with 71 paintings and sculptures, far exceeding the State's required match of $1 million; and

Whereas, the North Carolina Museum of Art is considered to have the most important old master painting collection in the Southeastern United States; and

Whereas, since its opening in 1956, more than 5.2 million State residents and tourists have enjoyed the Museum and its art collection; and

Whereas, the Museum's collection, educational programs, and special projects, publications, and endeavors continue to receive the highest national and international praise; and

Whereas, new landscaping, sculpture, and lighting and the recent addition of the Museum Park Theater have greatly enhanced the Museum as an important landmark for the City of Raleigh, Wake County, the Triangle area, and the entire State;

Now, therefore, be it resolved by the House of Representatives:

Section 1. The House wishes to observe the fiftieth anniversary of the North Carolina Museum of Art and to recognize and thank the trustees, volunteers, and staff who have contributed to the development of this distinguished institution. The House further invites the citizens of this State to join them in supporting and participating in activities commemorating the Museum's fiftieth anniversary.

Section 2. The Principal Clerk shall transmit a certified copy of this resolution to the Director of the North Carolina Museum of Art and to the Secretary of the Department of Cultural Resources.

Referred to: State Government, Local Government, and Personnel.

February 24, 1997

A BILL TO BE ENTITLED

AN ACT TO ALLOW THE VOTERS OF THE CITY OF FAYETTEVILLE TO RECALL THE MAYOR AND CITY COUNCIL.

The General Assembly of North Carolina enacts:

Section 1. Chapter IV of the Charter of the City of Fayetteville, being Chapter 557, Session Laws of 1979, is amended by adding a new section to read:

"**§ 4.4. Recall.** The Mayor and members of the City Council are subject to removal pursuant to this section. An officer is removed upon the filing of a sufficient recall petition and the affirmative vote of a majority of those voting on the question of removal at a recall election.

A recall petition shall be filed with the City Clerk, who shall immediately forward the petition to the board of elections that conducts elections for the City of Fayetteville. A petition to recall the Mayor or a member of the City Council elected at large shall bear the signatures equal in number to at least fifteen percent (15%) of the registered voters of the City of Fayetteville. A petition to recall a member of the City Council elected from a district shall bear the signatures equal in number to at least fifteen percent (15%) of the registered voters of such district.

The board of elections shall verify the petition signatures. If a sufficient recall petition is submitted, the board of elections shall certify its sufficiency to the governing body, and the governing body shall adopt a resolution calling for a recall election to be held not more than 60 days after the petition has been certified to the governing body. The election may be held by itself or at the same time as any other general or special election within the period established in this section, and shall be held as otherwise provided in G.S. 163-287. The board of elections shall conduct the

recall election. The proposition submitted to the voters shall be substantially in the following form:

'[ ] FOR [ ] AGAINST

The recall of [name of officer]'.

The registered voters of the City of Fayetteville are eligible to vote in an election to recall the Mayor or a member of the City Council. Any recall election for a council member from an electoral district shall be held within that district only.

If less than a majority of the votes cast on the question are for the officer's recall, the officer continues in office. If a majority of the votes cast on the question are for the officer's recall, the officer is removed on the date the board of elections certifies the results of the election. A vacancy created by removal of a member of the City Council or the Mayor shall be filled in accordance with the provisions of G.S. 160A-63, and the Mayor may vote on the filling of a vacancy on the City Council."

Section 2. This act is effective when it becomes law.

A BILL TO BE ENTITLED

AN ACT TO ESTABLISH THE STUDY COMMISSION ON THE FUTURE OF ELECTRIC SERVICE IN NORTH CAROLINA.

The General Assembly of North Carolina enacts:

Section 1. The Study Commission on the Future of Electric Service in North Carolina is created. The Commission shall consist of 20 voting members as follows:

(1) Four members of the Senate to be appointed by the President Pro Tempore of the Senate;

(2) Four members of the House of Representatives to be appointed by the Speaker of the House of Representatives;

(3) The Chief Executive Officer of the North Carolina Electric Membership Corporation or the Chief Executive Officer's designee;

(4) The Chief Executive Officer of ElectriCities of North Carolina or the Chief Executive Officer's designee;

(5) The Chief Executive Officer of Duke Power Company or the Chief Executive Officer's designee;

(6) The Chief Executive Officer of North Carolina Power Company or the Chief Executive Officer's designee;

(7) The Chief Executive Officer of Carolina Power and Light Company or the Chief Executive Officer's designee;
(8) Two residential consumers of electricity to be appointed by the Governor;
(9) One commercial consumer of electricity to be appointed by the President Pro Tempore of the Senate;
(10) Two industrial consumers of electricity, one to be appointed by the Speaker of the House of Representatives and one to be appointed by the President Pro Tempore of the Senate;
(11) One member of the environmental community to be appointed by the Governor; and
(12) One person representing a nationwide electric power marketer to be appointed by the Speaker of the House of Representatives.

The President Pro Tempore of the Senate and the Speaker of the House of Representatives shall each designate a cochair from the General Assembly membership serving on the Commission. The Commission shall meet upon the call of the cochairs. A majority of the Commission shall constitute a quorum for the transaction of business.

Section 2. The Commission shall examine the cost, adequacy, availability, and pricing of electric rates and service in North Carolina to determine whether legislation is necessary to assure an adequate and reliable source of electricity and economical, fair, and equitable rates for all consumers of electricity in North Carolina. The Commission shall gather data and other information as may be necessary to accomplish the purposes of the Commission, including testimony at public hearings, and shall work cooperatively with other boards, commissions, and entities, taking advantage of their resources and activities for the provision of useful information and insight. In the course of its study, the Commission shall seek input and advice from the Attorney General, the North Carolina Utilities Commission, and the Public Staff of the Utilities Commission. The Commission shall also obtain guidance by reviewing electric utility restructuring experiments conducted in other states.

In the course of its study and in making its recommendations, the Commission shall fully address the following issues:

(1) Assurance of fairness and equity among all customer classes;
(2) Reliability of power supply;
(3) Fair treatment of competing power providers;
(4) Universal access to electric energy and assignment of responsibility to provide it;
(5) Reciprocity between states;
(6) Stranded investment costs and benefits;
(7) Clarification of State and federal jurisdiction;
(8) Environmental impact of restructuring;
(9) Impact of competition on tax revenues;
(10) Alternative forms of regulation;

(11) Obligation to serve and the obligation to receive service;
(12) Ways to eliminate or equalize subsidies and tax preferences;
(13) Customer choice of electric providers;
(14) Functional unbundling of electric power generation, transmission, and distribution services;
(15) Impact of competition on service to low-income consumers;
(16) Impact of competition on renewable energy, conservation, and efficiency programs;
(17) Impact of competition on the energy expenditures by State and local government;
(18) Impact of competition on economic development;
(19) Impact of competition on municipal electric utilities and rural electric cooperatives;
(20) Prevention of anticompetitive or discriminatory conduct or the unlawful exercise of market power; and
(21) Other relevant and appropriate subjects.

Section 3. The Commission may contract for consultant services as provided by G.S. 120-32.02. Upon approval of the Legislative Services Commission, the Legislative Services Officer shall assign professional and clerical staff to assist in the work of the Commission. Clerical staff shall be furnished to the Commission through the offices of the House of Representatives and Senate Supervisors of Clerks. The Commission may meet in the Legislative Building or the Legislative Office Building upon the approval of the Legislative Services Commission. The Commission, while in the discharge of official duties, may exercise all the powers provided under the provisions of G.S. 120-19 through G.S. 120-19.4, including the power to request all officers, agents, agencies, and departments of the State to provide any information, data, or documents within their possession, ascertainable from their records, or otherwise available to them, and the power to subpoena witnesses.

Members of the Commission shall receive per diem, subsistence, and travel allowances as follows:

(1) Commission members who are members of the General Assembly at the rate established in G.S. 120-3.1;
(2) Commission members who are officials or employees of the State or of local government agencies at the rate established in G.S. 138-6; and
(3) All other Commission members at the rate established in G.S. 138-5.

Section 4. The Commission shall make a report to the 1998 Regular Session of the 1997 General Assembly, which may contain recommendations, and shall report the results of its study and its recommendations to the 1999 General Assembly. The Commission shall terminate upon filing its final report.

Section 5. This act is effective when it becomes law.

COMMITTEE ON RULES, CALENDAR, AND OPERATIONS OF THE HOUSE
March 20, 1997

The Committee on Rules, Calendar, and Operations of the House met March 20, 1997, at 11:00 a.m. in Room 421 in the Legislative Office Building. Representative Morgan, Committee Chair, called the meeting to order and asked the clerk to call the roll. The following members were present: Representative Bowie, Vice Chair; and Representatives Crawford, Culp, Gulley, Hill, McMahan and Miner.

The Chair announced that Senate Bill 38 was back before the Committee. Representative Miner moved that the vote by which the House Committee Substitute for SB 38 was given a favorable report be reconsidered. Motion carried.

Representative Miner then moved for the adoption of the proposed House Committee Substitute for Senate Bill 38 for the purpose of Committee discussion. Motion carried.

Representative Dickson, Finance Committee Co-Chair and handler of the Senate Bill, was recognized for an explanation of the proposed House Committee Substitute. He noted that the only change was to raise from four to six members to be appointed by the Speaker of the House of Representatives and the President ProTempore of the Senate. The change would increase the voting membership from twenty to twenty-four. Representative Miner moved to give a favorable report to the proposed House Committee Substitute for Senate Bill 38, and unfavorable to the original bill. Motion carried.

There being no further business, the meeting adjourned.

COMMITTEE ON RULES, CALENDAR, AND OPERATIONS OF THE HOUSE
March 26, 1997

The Committee on Rules, Calendar, and Operations of the House met March 26, 1997, at 4:20 p.m. in Room 412 in the Legislative Office Building. Representative Morgan, Committee Chair, called the meeting to order and asked the clerk to call the roll. The following members were present: Representative Bowie, Vice-Chair; and Representatives Culp, Dockham, Esposito, Gulley, Hill, Miner, Mitchell, Thompson, C. Wilson, and Wood.

The first order of business was the consideration of House Bill 292 - TOWN MANAGERS/DUAL OFFICE HOLDING, which is identical to Senate Bill 199. House Bill 292 was temporarily displaced at the request of Representative Hill, the bill sponsor. Representative Hill was recognized to explain Senate Bill 199. In response to a question by Representative Thompson, constitutionally this bill could not be a local bill. Representative Dockham was recognized to send forth an amendment that would change the title by adding "municipal" before the word "elective", and he moved for its adoption. Motion carried and the amendment would be rolled into a committee substitute. Representative Dockham made a motion to give a favorable report to the committee substitute, which changes the title, unfavorable to original bill. Motion carried.

The next bill before the Committee was House Bill 578 - DESIGNATED HOUSE SEATS. Representative Allred, bill sponsor, was recognized to explain his bill. A motion was made to report the bill without prejudice and recommend that it be re-referred to the Committee on Election Laws and Campaign Reform. Motion carried.

The Chair announced that House Bill 382 - LOBBYIST POLITICAL ACTIVITY - was before the committee for discussion purposes only. Representative McComas, bill sponsor, was recognized to explain the bill and answer questions. Representative Thompson asked if campaign contributions could be accepted by incumbents or candidates, the answer was no. Representative Miner, who is a co-sponsor of the bill, commented that PACS may continue to make political contributions and recommended the bill to the Committee. Representative Wood expressed concern that there might be loopholes in the bill and asked staff to furnish information to the Committee that speaks to this concern. Representative Bowie expressed doubt as to the enforceability of the provisions of the bill that prohibits lobbyists from advising any political action committee which is affiliated with any entity for which that lobbyist is registered. Representative Dockham asked if honorariums would be considered a lobbyist's contribution. Discussion followed but no definitive answer was reached. The bill was temporarily displaced for further discussion and debate.

The meeting adjourned at 5:05 p.m.

HOUSE BILL 578

Short Title: Designated House Seats. (Public)

Sponsors: Representatives Allred; Barbee, Capps, Daughtry, Davis, Reynolds, and Buchanan.

Referred to: Rules, Calendar and Operations of the House.

March 20, 1997

A BILL TO BE ENTITLED

AN ACT TO PROVIDE FOR DESIGNATED SEATS FOR ELECTION IN MULTIMEMBER DISTRICTS OF THE HOUSE OF REPRESENTATIVES.

The General Assembly of North Carolina enacts:

Section 1. Article 10 of Chapter 163 of the General Statutes is amended by adding a new section to read:

"**§ 163-118.1. Designated seats.**

In each representative district entitled to elect more than one member of the State House of Representatives the positions shall bear identifying letters assigned by the State Board of Elections. Each seat shall be considered a separate office for the purpose of this Chapter. Votes cast for any candidate in a general election shall be effective only for the seat for which the candidate has been nominated by a political party or for which the unaffiliated or write-in candidacy has been filed."

Section 2. G.S. 163-106(d) reads as rewritten:

"(d) Notice of Candidacy for Certain Offices to Indicate Vacancy. -- In any primary in which there are two or more vacancies for Chief Justice and associate justices of the Supreme Court, two or more vacancies for judge of the Court of Appeals, or two vacancies for United States Senator from North Carolina or two or more vacancies for the office of district court judge to be filled by nominations, each candidate shall, at the time of filing notice of candidacy, file with the State Board of Elections a written statement designating the vacancy to which he seeks nomination. Votes cast for a candidate shall be effective only for his nomination to the vacancy for which he has given notice of candidacy as provided in this subsection.

In any primary in any representative district entitled to elect more than one member of the State House of Representatives, the positions being designated as provided by G.S. 163-117, each candidate shall, at the time of filing notice of candidacy, file with the appropriate county board of elections a written statement designating the seat to which nomination is sought. No candidate may file for more than one seat. Votes cast for a candidate shall be effective only for nomination to the vacancy for which he has given notice of candidacy as provided in this subsection.

A person seeking party nomination for a specialized district judgeship established under G.S. 7A-147 shall, at the time of filing notice of candidacy, file with the State Board of Elections a written statement designating the specialized judgeship to which he seeks nomination."

Section 3. This act becomes effective January 1, 1998.

COMMITTEE ON RULES, CALENDAR, AND OPERATIONS OF THE HOUSE
April 15, 1997

The Committee on Rules, Calendar, and Operations of the House met April 15, 1997, at 4:30 p.m. in Room 421 in the Legislative Office Building. Representative Morgan, Committee Chair, called the meeting to order and asked the clerk to call the roll. The following members were present: Representative Bowie, Vice Chair; and Representatives Culp, Esposito, Hill, Miner and Mitchell.

Senate Joint Resolution 107 - A JOINT RESOLUTION PROVIDING FOR THE CONFIRMATION OF THE APPOINTMENT OF WILLIAM R. PITTMAN MADE BY THE GOVERNOR TO MEMBERSHIP ON THE NORTH CAROLINA UTILITIES COMMISSION was before the Committee. Senator Roy Cooper, bill sponsor, was recognized for comments. Mr. Pittman was then recognized to speak briefly on his background and qualifications for the appointment. His resume is attached to and made a part of the minutes. Representative Miner expressed his support for Mr. Pittman and moved for a favorable report. Motion carried.

House Bill 898 - A BILL TO BE ENTILTLED AN ACT TO AMEND THE PUBLIC RECORDS LAW AND THE OPEN MEETINGS LAW TO CLARIFY PROVISIONS - was temporarily displaced.

House Joint Resolution 683 - A JOINT RESOLUTION HONORING THE LIFE AND MEMORY OF DR. JOY JOSEPH JOHNSON, FORMER MEMBER OF THE GENERAL ASSEMBLY- was next before the Committee. . Representative Bonner, bill sponsor, offered a proposed committee substitute for Committee consideration. Representative Hill moved for its adoption. Motion carried. Representative Bonner was recognized to explain the committee substitute. He said that there were four errors of fact that were originally obtained from the obituary of Dr. Joy Joseph Johnson. The committee substitute would correct those errors. Representative Hill moved for a favorable report to the committee substitute bill and an unfavorable report to the original bill. Motion carried.

The next bill before the Committee was House Joint Resolution 664 - A JOINT RESOLUTION HONORING THE LIFE AND MEMORY OF RUSSELL ATKINSON SWINDELL, FORMER MEMBER OF THE GENERAL ASSEMBLY. Representative Mosley, bill sponsor, was recognized to explain the bill. .Representative Hill made the motion for a favorable report. Motion carried. Representative Mosley requested that the resolution be placed on the House Calendar on May 14, which would be the 81st birthday of Russell Swindell.

House Bill 506 - A BILL TO BE ENTITLED AN ACT RELATING TO HERTFORD COUNTY - was displaced.

The next bill before the Committee was House Bill 408 - A BILL TO BE ENTITLED AN ACT TO CREATE A FUEL PIPING LICENSE FOR PLUMBING AND HEATING CONTRACTORS, TO AUTHORIZE THE BOARD OF EXAMINERS OF PLUMBING, HEATING, AND FIRE SPRINKLER CONTRACTORS TO CREATE OTHER RESTRICTED LICENSE CLASSIFICATIONS, AND TO ALLOW THE REVOCATION OR SUSPENSION OF A LICENSE FOR FAILURE TO COMPLY WITH RULES PROMULGATED BY THE BOARD. Linwood Jones, Committee Staff Counsel, was recognized to explain the bill. This bill creates a special fuel piping license for certain plumbing and heating contractors. The Committee on Rules, Calendar, and Operations of the House reviewed the bill and determined that it was not subject to the Committee on New Licensing Boards. Representative Miner moved to give the bill a favorable report and the motion carried.

The Committee adjourned at 5:00 p.m.

HOUSE BILL 408

Short Title: Plumbing/Heating Contractors/AB. (Public)

Sponsors: Representative Ives.

Referred to: Rules, Calendar and Operations of the House.

March 6, 1997

A BILL TO BE ENTITLED

AN ACT TO CREATE A FUEL PIPING LICENSE FOR PLUMBING AND HEATING CONTRACTORS, TO AUTHORIZE THE BOARD OF EXAMINERS OF PLUMBING, HEATING, AND FIRE SPRINKLER CONTRACTORS TO CREATE OTHER RESTRICTED LICENSE CLASSIFICATIONS, AND TO ALLOW THE REVOCATION OR SUSPENSION OF A LICENSE FOR FAILURE TO COMPLY WITH RULES PROMULGATED BY THE BOARD.

The General Assembly of North Carolina enacts:

Section 1. G.S. 87-21(b) reads as rewritten:

"(b) Classes of Licenses; Eligibility and Examination of Applicant; Necessity for License. --

(1) In order to protect the public health, comfort and safety, the Board shall establish two classes of licenses: Class I covering all plumbing, heating, and fire sprinkler systems for all structures, and Class II covering plumbing and heating systems in single-family detached residential dwellings.

(2) Effective April 15, 1998, the Board shall establish and issue a fuel piping license for use by persons who do not possess the required Class I or Class II plumbing or heating license, but desire to engage in the contracting or installing of fuel piping extending from an approved fuel source at or near the premises, which piping is used or may be used partly or entirely to supply fuel to plumbing or heating systems or equipment or which, by its installation, may

alter or affect the fuel supply to plumbing or heating systems or equipment within the meaning of G.S. 87-21(a).

The Board may also establish additional restricted classifications to provide for: (i) the licensing of any person, partnership, firm, or corporation desiring to engage in a specific phase of heating, plumbing, or fire sprinkling contracting; (ii) the licensing of any person, partnership, firm, or corporation desiring to engage in a specific phase of heating, plumbing, or fire sprinkling contracting that is an incidental part of their primary business, which is a lawful business other than heating, plumbing, or fire sprinkling contracting; or (iii) the licensing of persons desiring to engage in contracting and installing fuel piping from an approved fuel source on the premises to a point inside the residence.

(3) The Board shall prescribe the standard of competence, experience and efficiency to be required of an applicant for license of each class, and shall give an examination designed to ascertain the technical and practical knowledge of the applicant concerning the analysis of plans and specifications, estimating costs, fundamentals of installation and design, codes, fire hazards, and related subjects as these subjects pertain to plumbing, heating, or fire sprinkler systems. The examination for a fire sprinkler contractor's license shall include such materials as would test the competency of the applicant and which may include the minimum requirements of certification for Level III, subfield of Automatic Sprinkler System Layout, National Institute for Certification of Engineering Technologies (NICET). As a result of the examination, the Board shall issue a certificate of license of the appropriate class in plumbing, heating, or fire sprinkler contracting, and a license shall be obtained, in accordance with the provisions of this Article, before any person, firm or corporation shall engage in, or offer to engage in, the business of plumbing, heating, or fire sprinkler contracting, or any combination thereof. The Board may require experience as a condition of examination, provided that (i) the experience required may not exceed two years, (ii) that up to one-half the experience may be in the form of academic or technical courses of study, and (iii) that registration is not required at the commencement of the period of experience.

(4) Conditions of examination set by the Board shall be uniformly applied to each applicant within each license classification. It is the purpose and intent of this section that the Board shall provide an examination for plumbing, heating group number one, or heating group number two, or heating group number three, or each restricted classification, and may provide an examination for fire sprinkler contracting or may accept a current certification of the

National Institute for Certification in Engineering Technologies for Fire Protection Engineering Technician, Level III, subfield of Automatic Sprinkler System Layout.

(5) The Board is authorized to issue a certificate of license limited to either plumbing or heating group number one, or heating group number two, or heating group number three, or fire sprinkler contracting, or any combination thereof. The Board is also authorized to issue a certificate of license limited to one or more restricted classifications that are established pursuant to this section.

(6) Each application for examination shall be accompanied by a check, post-office money order, or cash, in the amount of the annual license fee required by this Article. Regular examinations shall be given in the months of April and October of each year, and additional examinations may be given at such other times as the Board may deem wise and necessary. Any person may demand in writing a special examination, and upon payment by the applicant of the cost of holding such examination and the deposit of the amount of the annual license fee, the Board in its discretion will fix a time and place for such examination. Upon satisfactory proof of the applicant's inability to write and upon demand of an applicant for a Class II plumbing or heating license six weeks prior to an examination, the Board shall conduct the examination of that applicant orally, and shall not require that applicant to take a written examination as to examination inquiries answered other than by preparation of diagrams. Signed statements from two reliable citizens resident in the home county of the applicant shall constitute satisfactory proof of an applicant's inability to write. A person who fails to pass any examination shall not be reexamined until the next regular examination."

Section 2. G.S. 87-22 reads as rewritten:

"**§ 87-22. License fee based on population; expiration and renewal; penalty.**

All persons, firms, or corporations engaged in the business of either plumbing or heating contracting, or both, in cities or towns of 10,000 inhabitants or more shall pay an annual license fee not exceeding seventy-five dollars ($75.00), and in cities or towns of less than 10,000 inhabitants an annual license fee not exceeding fifty dollars ($50.00). The annual fee for a piping or restricted classification license shall not exceed that for a plumbing or heating license. All persons, firms, or corporations engaged in the business of fire sprinkler contracting shall pay an initial application fee not to exceed seventy-five dollars ($75.00) and an annual license fee not to exceed three hundred dollars ($300.00). In the event the Board refuses to license an applicant, the license fee deposited shall be returned by the Board to the applicant. All licenses shall expire on the last day of December in each year following their issuance or renewal. It shall be the duty of the secretary and treasurer to cause to be

mailed to every licensee registered hereunder notice to ~~his~~ the licensee's last known address reflected on the records of the Board of the amount of fee required for renewal of license, such notice to be mailed at least one month in advance of the expiration of ~~said~~ the license. In the event of failure on the part of any person, firm or corporation to renew the license certificate annually and pay the fee therefor during the month of January in each year, the Board shall increase ~~said~~ the license fee ten per centum (10%) for each month or fraction of a month that payment is delayed; provided that the penalty for nonpayment shall not exceed the amount of the annual fee, and provided further that the Board requires reexamination upon failure of a licensee to renew license within three years after expiration. The Board may adopt regulations requiring attendance at programs of continuing education as a condition of license renewal. A licensee employed full time as a local government plumbing, heating, or mechanical inspector and holding qualifications from the Code Officials Qualifications Board may renew ~~his~~ the license at a fee not to exceed twenty-five dollars ($25.00)."

Section 3. G.S. 87-23(a) reads as rewritten:

"(a) The Board shall have power to revoke or suspend the license of or order the reprimand or probation of any plumbing, heating, or fire sprinkler contractor, or any combination thereof, who is guilty of any fraud or deceit in obtaining or renewing a license, or who fails to comply with any provision or requirement of this Article, or the rules adopted by the Board, or for gross negligence, incompetency, or misconduct, in the practice of or in carrying on the business of a plumbing, heating, or fire sprinkler contractor, or any combination thereof, as defined in this Article. Any person may prefer charges of such fraud, deceit, gross negligence, incompetency, misconduct, or failure to comply with any provision or requirement of this Article, or the rules of the Board, against any plumbing, heating, or fire sprinkler contractor, or any combination thereof, who is licensed under the provisions of this Article. All of ~~such~~ the charges shall be in writing and ~~verified by the complainant, and such charges shall be heard and determined~~ investigated by the Board. Any proceedings on the charges shall be carried out by the Board in accordance with the provisions of Chapter 150B of the General Statutes."

Section 4. This act is effective when it becomes law.

A BILL TO BE ENTITLED

AN ACT TO AMEND THE PUBLIC RECORDS LAW TO CLARIFY PROVISIONS CONCERNING CORRESPONDENCE.

The General Assembly of North Carolina enacts:

Section 1. G.S. 132-6 is amended by adding a new subsection to read:

"(g) Upon receipt of a request by any person to inspect, examine or copy letters or other documents transmitted or received by a public agency by any mode of delivery or communication (including, but not limited to, the United States Postal Service, commercial postal delivery, electronic means, or hand delivery) the custodian of the agency's records: (i) shall promptly sort the letters or other documents to remove any items that are not public records, (ii) is not required to permit the inspection, examination or copying of items that are not public records, and (iii) is not required to permit the inspection, examination or copying of items that are public records until such sorting has occurred. Nothing in this section restricts the right of the addressee or recipient to route a letter or other document received in the course of public business to another person, but the addressee or recipient may make copies of the letter or other document and make them available for inspection and copying as provided by this Chapter."

AN ACT TO AMEND THE PUBLIC RECORDS LAW AND THE OPEN MEETINGS LAW TO CLARIFY PROVISIONS.

The General Assembly of North Carolina enacts:

Section 1. G.S. 132-6 is amended by adding a new subsection to read:

"(g) With respect to the request by any person to inspect, examine or obtain copies of correspondence received or transmitted (by the United States Postal Service, by commercial postal delivery, by electronic means, by hand delivery, or by any other mode of delivery or communication) by the custodian in the custodian's official capacity and which is in the custody of the custodian as of the date of the request, the custodian is required to permit such inspection or examination, consistent with the provisions of subsection (a) of this section, only of specific items of correspondence which constitute public records and which are identified in the request by the approximate date of receipt or transmission, by the names of the correspondents, and by the general subject matter."

Section 2. Chapter 132 of the General Statutes is amended by adding two new sections to read:

"**§ 132-1.5. Preliminary draft not public record.**

Public records, as defined by G.S. 132-1, do not include preliminary drafts of documents before they are received by the officer, employee, or governmental agency authorized to take final action concerning the subject matter of the draft document.

"**§ 132-1.6. Attorney work product not public record.**

Public records, as defined by G.S. 132-1, do not include material which represents or consists of the work product of an attorney employed by or otherwise representing a governmental agency or an officer, employee, or agent of a governmental agency.

"**§ 132-1.7. Certain donor records not public record.**

Public records, as defined by G.S. 132-1, do not include information regarding past, present, or prospective individual donors of charitable gifts to a governmental agency; provided documents or portions of documents that reveal only the name of an individual or institutional donor and the type and amount of the donor's gift are public records, unless the donor requires anonymity as a condition of the donation. In the case of such anonymity, only the identity of the donor is not a public record.

"**§ 132-1.8. Certain alumni records not public record.**

Public records, as defined by G.S. 132-1, do not include records regarding alumni of public institutions of higher education; provided that documents or portions of documents containing only the names, dates of attendance, and degrees received by alumni are public records."

Section 3. G.S. 143-318.10 reads as rewritten:

"**§ 143-318.10. All official meetings of public bodies open to the public.**

(a) Except as provided in G.S. 143-318.11, G.S. 143-318.14A, G.S. 143-318.15, and G.S. 143-318.18, each official meeting of a public body shall be open to the public, and any person is entitled to attend such a meeting.

(b) As used in this Article, 'public body' means any elected or appointed authority, board, commission, committee, council, or other body of the State, or of one or more counties, cities, school administrative units, ~~constituent institutions~~ or of The University of North ~~Carolina,~~ Carolina and its constituent institutions, or of other political subdivisions or public corporations in the State that (i) is composed of two or more members and (ii) exercises or is authorized to exercise a legislative, policy-making, quasi-judicial, administrative, or advisory function. In addition, 'public body' means the governing board of a 'public hospital' as defined in G.S. 159-39 and the governing board of any nonprofit corporation to which a hospital facility has been sold or conveyed pursuant to G.S. 131E-8, any subsidiary of such nonprofit corporation, and any nonprofit corporation owning the corporation to which the hospital facility has been sold or conveyed.

(c) 'Public body' does not include (1) a ~~meeting solely among~~ body composed solely of the professional staff of ~~a public body,~~ the State, or one or more counties, cities, or school administrative units, or The University of North Carolina and its constituent institutions, or other political subdivisions or public corporations of the State, ~~or~~ (2) the medical staff of a public hospital or the medical staff of a hospital that has been sold or conveyed pursuant to ~~G.S. 131E-8.~~ G.S. 131E-8, or (3) an administrative, faculty, or student government agency of a constituent institution of The University of North Carolina that exercises authority delegated to it by a chancellor concerning matters of student discipline.

(c1) 'Professional staff' includes employees and agents of The University of North Carolina and its constituent institutions and students when serving as officers or

designated representatives of student governments of the constituent institutions of The University of North Carolina.

(d) 'Official meeting' means a meeting, assembly, or gathering together at any time or place or the simultaneous communication by conference telephone or other electronic means of a majority of the members of a public body for the purpose of conducting hearings, participating in deliberations, or voting upon or otherwise transacting the public business within the jurisdiction, real or apparent, of the public body. However, a social meeting or other informal assembly or gathering together of the members of a public body does not constitute an official meeting unless called or held to evade the spirit and purposes of this Article.

(e) Every public body shall keep full and accurate minutes of all official meetings, including any closed sessions held pursuant to G.S. 143-318.11. Such minutes may be in written form or, at the option of the public body, may be in the form of sound or video and sound recordings. Such minutes shall be public records within the meaning of the Public Records Law, G.S. 132-1 et seq.; provided, however, that minutes of a closed session conducted in compliance with G.S. 143-318.11 may be withheld from public inspection so long as public inspection would frustrate the purpose of a closed session."

Section 4. G.S. 143-318.12 is amended by adding a new subsection to read:

"(c) If a public body intends to hold a closed session, as permitted by G.S. 143-318.11(6) to meet with, interview, and assess the qualifications of a candidate or candidates for public employment, and if public notice of such a meeting would frustrate the purpose of the closed session by enabling persons other than members of the public body to ascertain the identity of a candidate or candidates, the public body need not give public notice of the time and place of the meeting that would otherwise be required by this section."

Section 5. This act is effective when it becomes law.

A BILL TO BE ENTITLED

AN ACT TO BROADEN THE AUTHORITY OF MUNICIPALITIES AND HOSPITAL AUTHORITIES REGARDING LEASES AND JOINT VENTURES.

The General Assembly of North Carolina enacts:

Section 1. G.S. 131E-6 reads as rewritten:

"**§ 131E-6. Definitions.**

As used in this Part, unless otherwise specified:

(1) 'City,' as defined in G.S. 160A-1(2), means a municipal corporation organized under the laws of this State for the better government of the people within its jurisdiction and having the powers, duties, privileges, and immunities conferred by law on cities, towns, and villages. The term 'city' does not include counties or municipal corporations organized for a special purpose under any statute or law. The word 'city' is interchangeable with the words 'town' and 'village' and shall mean any city as defined in this subdivision without regard to the terminology employed in charters, local acts, other portions of the General Statutes, or local customary usage.

(2) 'Community general hospital' means a short-term nonfederal hospital that provides diagnostic and therapeutic services to patients for a variety of medical conditions, both surgical and nonsurgical, such services being available for use primarily by residents of the community in which it is located.

(3) 'Corporation, foreign or domestic, authorized to do business in North Carolina' means a corporation for profit or having a capital stock which is created and organized under Chapter 55 of the General Statutes or any other general or special act of this State, or a foreign corporation which has procured a certificate of authority to transact business in this State pursuant to Article 10 of Chapter 55 of the General Statutes.

(4) 'Hospital facility' means any ~~type of hospital, facility operated in connection with a hospital such as a clinic, including mental health clinics; nursing, convalescent, or rehabilitative facility; public health center; or any facility of a local health department. The term 'hospital facility' also includes related facilities such as laboratories, outpatient departments, housing and training facilities for nurses and other health care professionals, central service facilities operated in connection with hospitals, and all equipment necessary for its operation.~~ one or more buildings, structures, additions, extensions, improvements or other facilities, whether or not located on the same site or sites, machinery, equipment, furnishings or other real or personal property suitable for health care or medical care; and includes, without limitation, general hospitals; chronic disease, maternity, mental, tuberculosis and other specialized hospitals; nursing homes, including skilled nursing facilities and intermediate care facilities; adult care homes for the aged and disabled; public health center facilities; housing or quarters for local public health departments; facilities for intensive care and self-care; clinics and outpatient facilities; clinical, pathological and other laboratories; health care research facilities; laundries; residences and training facilities for nurses, interns, physicians and other staff members; food preparation and food service facilities; administrative buildings, central service and other administrative facilities; communication, computer and other electronic facilities; fire-fighting facilities; pharmaceutical and recreational facilities; storage space; X ray, laser, radiotherapy and other apparatus and equipment; dispensaries; utilities; vehicular parking lots and garages; office facilities for hospital staff members and physicians; and such other health and hospital facilities customarily under the jurisdiction of or provided by hospitals, or any combination of the foregoing, with all necessary, convenient or related interests in land, machinery, apparatus, appliances, equipment, furnishings, appurtenances, site preparation, landscaping, and physical amenities.

(4.1) 'Hospital land' means air and ground rights to unimproved real property held either in fee or by lease, with all easements, rights-of-way, appurtenances, landscaping, and physical amenities such as

utilities, parking lots, and garages, but excluding other improvements to land described in subsection (4) of this section and G.S. 131E-16(15).

(5) 'Municipality' means any county, city, or other political subdivision of this State, or any hospital district created under Part C of this Article.

(6) 'Nonprofit association' or 'nonprofit corporation' means any association or corporation from which no part of the net earnings inures or may lawfully inure to the benefit of a private shareholder or individual."

Section 2. G.S. 131E-13 reads as rewritten:

"**§ 131E-13. Lease or sale of hospital facilities to or from for-profit or nonprofit corporations or other business entities by municipalities and hospital authorities.**

(a) A municipality or hospital authority as defined in G.S. 131E-16(14), may lease, sell, or convey any hospital facility, or part, to a corporation, foreign or domestic, authorized to do business in North Carolina, subject to these conditions, which shall be included in the lease, agreement of sale, or agreement of conveyance:

(1) The corporation shall continue to provide the same or similar clinical hospital services to its patients in medical- surgery, obstetrics, pediatrics, outpatient and emergency treatment, including emergency services for the indigent, that the hospital facility provided prior to the lease, sale, or conveyance. These services may be terminated only as prescribed by Certificate of Need Law prescribed in Article 9 of Chapter 131E of the General Statutes, or, if Certificate of Need Law is inapplicable, by review procedure designed to guarantee public participation pursuant to rules adopted by the Secretary of the Department of Human Resources.

(2) The corporation shall ensure that indigent care is available to the population of the municipality or area served by the hospital authority at levels related to need, as previously demonstrated and determined mutually by the municipality or hospital authority and the corporation.

(3) The corporation shall not enact financial admission policies that have the effect of denying essential medical services or treatment solely because of a patient's immediate inability to pay for the services or treatment.

(4) The corporation shall ensure that admission to and services of the facility are available to beneficiaries of governmental reimbursement programs (Medicaid/Medicare) without discrimination or preference because they are beneficiaries of those programs.

(5) The corporation shall prepare an annual report that shows compliance with the requirements of the lease, sale, or conveyance.

The corporation shall further agree that if it fails to substantially comply with these conditions, or if it fails to operate the facility as a community general hospital open to the general public and free of discrimination based on race, creed, color, sex, or national origin unless relieved of this responsibility by operation of law, or if the corporation dissolves without a successor corporation to carry out the terms and conditions of the lease, agreement of sale, or agreement of conveyance, all ownership or other rights in the hospital facility, including the building, land and equipment associated with the hospital, shall revert to the municipality or hospital authority or successor entity originally conveying the hospital; provided that any building, land, or equipment associated with the hospital facility that the corporation has constructed or acquired since the sale may revert only upon payment to the corporation of a sum equal to the cost less depreciation of the building, land, or equipment.

This section shall not apply to leases, sales, or conveyances of nonmedical services or commercial activities, including the gift shop, cafeteria, the flower shop, or to surplus hospital property that is not required in the delivery of necessary hospital services at the time of the lease, sale, or conveyance.

~~Neither G.S. 153A-176 nor Article 12 of Chapter 160A of the General Statutes shall apply to leases, sales or conveyances under this section.~~

(b) In the case of a sale or conveyance, if either general obligation bonds or revenue bonds issued for the benefit of the hospital to be conveyed are outstanding at the time of sale or conveyance, then the corporation shall agree to the following:

By the effective date of sale or conveyance, the corporation shall place into an escrow fund money or direct obligations of, or obligations the principal of and interest on which, are unconditionally guaranteed by the United States of America (as approved by the Local Government Commission), the principal of and interest on which, when due and payable, will provide sufficient money to pay the principal of and the interest and redemption premium, if any, on all bonds then outstanding to the maturity date or dates of such bonds or to the date or dates specified for the redemption thereof. The corporation shall furnish to the Local Government Commission such evidence as the Commission may require that the securities purchased will satisfy the requirements of this section. A hospital which has placed funds in escrow to retire outstanding general obligation or revenue bonds, as provided in this section, shall not be considered a public hospital, and G.S. 159-39(a)(3) shall be inapplicable to such hospitals.

No bonds, notes or other evidences of indebtedness shall be issued by a municipality or hospital authority to finance equipment for or the acquisition, extension, construction, reconstruction, improvement, enlargement, or betterment of any hospital facility if the facility has been sold or conveyed to a corporation, foreign or domestic, authorized to do business in North Carolina.

(c) In the case of a lease, the municipality or hospital authority shall determine the length of the lease. No lease executed under this section shall be deemed to convey a freehold interest. Any sublease or assignment of the lease shall be subject to the conditions prescribed by this section. If the term of the lease is more than 10 years, and either general obligation bonds or revenue bonds issued for the benefit of

the hospital to be leased are outstanding at the time of the lease, then the corporation shall agree to the following:

By the effective date of the lease, the corporation shall place into an escrow fund money or direct obligations of, or obligations the principal of and interest on which, are unconditionally guaranteed by the United States of America (as approved by the Local Government Commission), the principal of and interest on which, when due and payable, will provide sufficient money to pay the principal of and the interest and redemption premium, if any, on all bonds then outstanding to the maturity date or dates of such bonds or to the date or dates specified for the redemption thereof. The corporation shall furnish to the Local Government Commission such evidence as the Commission may require that the securities purchased will satisfy the requirements of this section.

No bonds, notes or other evidences of indebtedness shall be issued by a municipality or hospital authority to finance equipment for or the acquisition, extension, construction, reconstruction, improvement, enlargement, or betterment of any hospital facility when the facility is leased to a corporation, foreign or domestic, authorized to do business in North Carolina.

(d) The municipality or hospital authority shall comply with the following procedures before leasing, selling, or conveying a hospital facility, or part thereof:

(1) The municipality or hospital authority shall first adopt a resolution declaring its intent to sell, lease, or convey the hospital facility at a regular meeting on 10 days' public notice. Notice shall be given by publication in one or more papers of general circulation in the affected area describing the intent to lease, sell, or convey the hospital facility involved, known potential buyers or lessees, a solicitation of additional interested buyers or lessees and intent to negotiate the terms of the lease or sale. Specific notice, given by certified mail, shall be given to the local office of each state-supported program that has made a capital expenditure in the hospital facility, to the Department of Human Resources, and to the Office of State Budget and Management.

(2) At the meeting to adopt a resolution of intent, the municipality or hospital authority shall request proposals for lease or purchase by direct solicitation of at least five prospective lessees or buyers. The solicitation shall include a copy of G.S. 131E-13.

(3) The municipality or hospital authority shall conduct a public hearing on the resolution of intent not less than 15 days after its adoption. Notice of the public hearing shall be given by publication at least 15 days before the hearing. All interested persons shall be heard at the public hearing.

(4) Before considering any proposal to lease or purchase, the municipality or hospital authority shall require information on charges, services, and indigent care at similar facilities owned or operated by the proposed lessee or buyer.

(5) Not less than 45 days after adopting a resolution of intent and not less than 30 days after conducting a public hearing on the resolution of intent, the municipality or hospital authority shall conduct a public hearing on proposals for lease or purchase that have been made. Notice of the public hearings shall be given by publication at least 10 days before the hearing. The notice shall state that copies of proposals for lease or purchase are available to the public.

(6) The municipality or hospital authority shall make copies of the proposals to lease or purchase available to the public at least 10 days before the public hearing on the proposals.

(7) Not less than 60 days after adopting a resolution of intent, the municipality or hospital authority at a regular meeting shall approve any lease, sale, or conveyance by a resolution. The municipality or hospital authority shall adopt this resolution only upon a finding that the lease, sale, or conveyance is in the public interest after considering whether the proposed lease, sale, or conveyance will meet the health-related needs of medically underserved groups, such as low income persons, racial and ethnic minorities, and handicapped persons. Notice of the regular meeting shall be given at least 10 days before the meeting and shall state that copies of the lease, sale, or conveyance proposed for approval are available.

(8) At least 10 days before the regular meeting at which any lease, sale, or conveyance is approved, the municipality or hospital authority shall make copies of the proposed contract available to the public.

(e) Notwithstanding the provisions of subsections (c) and (d) of this section or G.S. 131E-23, a hospital authority as defined in G.S. 131E-16(14) or a municipality may lease or sublease hospital land to a corporation or other business entity, whether for profit or not for profit, and may participate as an owner, joint venturer, or other equity participant with a corporation or other business entity for the development, construction, and operation of medical office buildings and other health care or hospital facilities, so long as the municipality, hospital authority, or other entity continues to maintain hospital facilities as required by subsection (a) of this section or as required by G.S. 131E-23(c).

(f) A municipality, public hospital, or hospital authority may permit or consent to the pledge of hospital land or leasehold estates to facilitate the development, construction, and operation of medical office buildings and other health care or hospital facilities. A municipality, public hospital, or hospital authority also may, as lessee, enter into master leases or agreements to fund for temporary vacancies relating to hospital land or hospital facilities for use in the provision of health care.

(g) Neither G.S. 153A-176 nor Article 12 of Chapter 160A of the General Statutes shall apply to leases, subleases, sales, or conveyances under this Chapter."

Section 3. G.S. 131E-16 reads as rewritten:

"**§ 131E-16. Definitions.**

As used in this Part, unless otherwise specified:

(1) 'Board of county commissioners' means the legislative body charged with governing the county.

(2) 'Bonds' means any bonds or notes issued by the hospital authority pursuant to this Part and the Local Government Finance Act, Chapter 159 of the General Statutes.

(3) 'City' means any city or town which is, or is about to be, included in the territorial boundaries of a hospital authority when created hereunder.

(4) 'City clerk' and 'mayor' means the clerk and mayor, respectively, of the city, or the officers thereof charged with the duties customarily imposed on the clerk and mayor, respectively.

(5) 'City council' means the legislative body, council, board of commissioners, board of trustees, or other body charged with governing the city or town.

(6) 'Commissioner' means one of the members of a hospital authority appointed in accordance with the provisions of this Part.

A BILL TO BE ENTITLED

AN ACT TO MODIFY THE FORMULA FOR DISTRIBUTING THE PROCEEDS OF THE FORSYTH COUNTY OCCUPANCY TAXES.

The General Assembly of North Carolina enacts:

Section 1. Section 28 of Chapter 908 of the 1983 Session Laws, as amended, reads as rewritten:

"Sec. 28. Disposition of ~~Taxes Collected.~~ Two Percent (2%) and One Percent (1%) Taxes. (a) Forsyth County shall remit the net proceeds of the occupancy ~~tax~~ taxes levied under Sections 24, 25, and 30.1 of this Part on a quarterly basis as follows: ~~(i) five~~

(1) Five percent (5%) of the net proceeds shall be divided among the municipalities in Forsyth County, other than Winston-Salem, on a pro rata ~~basis; and (ii) the~~ basis.

(2) If ninety-five percent (95%) of the net proceeds of the taxes levied on businesses located in a municipality in Forsyth County, other than Winston-Salem, for a calendar quarter exceeds the amount the municipality receives under subdivision (1) of this subsection, then the excess shall be distributed to that municipality.

(3) The remaining net proceeds shall be remitted to the Forsyth County Tourism Development Authority.

'Net proceeds' means gross proceeds less the cost to the county of administering and collecting the tax.

(b) A municipality may expend funds distributed to it pursuant to subsection (a) only for economic development and cultural and recreational purposes. The Forsyth County Tourism Development Authority shall expend the funds distributed to it pursuant to subsection (a) to further the development of travel, tourism, and conventions within Forsyth County. The Forsyth County Tourism Development Authority may not use more than ten percent (10%) of the funds distributed to it pursuant to subsection (a) for administrative expenses."

Section 2. Section 30.2 of Part VII of Chapter 908 of the 1983 Session Laws, as enacted by Chapter 870 of the 1989 Session Laws, reads as rewritten:

"Sec. 30.2. Additional Tax. (a) In addition to the taxes authorized by Sections 24, 25, and 30.1 of this Part, the Forsyth County Board of Commissioners may levy a room occupancy and tourism development tax of three percent (3%) of the gross receipts derived from the rental of accommodations taxable under those sections. The levy, collection, administration, and repeal of the tax authorized by this section shall be in accordance with Sections 24 through 27 and 29 through 30 of this Part. Forsyth County may not levy a tax under this section unless it also levies taxes under Sections 24, 25, and 30.1 of this Part.

(b) The net proceeds of the tax levied under this section shall be distributed as follows:

(1) ~~(i) five~~ Five percent (5%) of the net proceeds shall be divided among the municipalities in Forsyth County, other than Winston-Salem, on a pro rata ~~basis; and (ii) the~~ basis.

(2) If ninety-five percent (95%) of the net proceeds of the taxes levied on businesses located in a municipality in Forsyth County, other than Winston-Salem, for a calendar quarter exceeds the amount the municipality receives under subdivision (1) of this subsection, then the excess shall be distributed to that municipality.

(3) The remaining net proceeds shall be divided among Forsyth County, the City of Winston-Salem, and the Forsyth County Tourism Development Authority on a pro rata basis.

'Net proceeds' means gross proceeds less the cost to the county of administering and collecting the tax.

(c) Forsyth County or a municipality may expend funds distributed to it pursuant to subsection (b) only for economic development and cultural and recreational purposes. The Forsyth County Tourism Development Authority shall expend the funds distributed to it pursuant to subsection (b) in accordance with Section 28(b) of this Part."

Section 3. This act becomes effective July 1, 1997, and applies to taxes levied on or after that date.

"Sec. 28. Disposition of ~~Taxes Collected.~~ Two Percent (2%) and One Percent (1%) Taxes. (a) Forsyth County shall remit the net proceeds of the occupancy ~~tax~~ taxes levied under Sections 24, 25, and 30.1 of this Part on a quarterly basis as follows: ~~(i) five~~

(1) Five percent (5%) of the net proceeds shall be divided among the municipalities in Forsyth County, other than Winston-Salem, on a pro rata ~~basis; and (ii) the~~ basis.

(2) If ninety-five percent (95%) of the net proceeds of the taxes levied on businesses located in a municipality in Forsyth County, other than Winston-Salem, for a calendar quarter exceeds the amount the municipality receives under subdivision (1) of this subsection, then the excess shall be distributed to that municipality.

(3) The remaining net proceeds shall be remitted to the Forsyth County Tourism Development Authority.

'Net proceeds' means gross proceeds less the cost to the county of administering and collecting the tax.

(b) A municipality may expend funds distributed to it pursuant to subsection (a) only for economic development and cultural and recreational purposes. The Forsyth County Tourism Development Authority shall expend the funds distributed to it pursuant to subsection (a) to further the development of travel, tourism, and conventions within Forsyth County. The Forsyth County Tourism Development Authority may not use more than ten percent (10%) of the funds distributed to it pursuant to subsection (a) for administrative expenses."

Section 2. Section 30.2 of Part VII of Chapter 908 of the 1983 Session Laws, as enacted by Chapter 870 of the 1989 Session Laws, reads as rewritten:

"Sec. 30.2. Additional Tax. (a) In addition to the taxes authorized by Sections 24, 25, and 30.1 of this Part, the Forsyth County Board of Commissioners may levy a room occupancy and tourism development tax of three percent (3%) of the gross receipts derived from the rental of accommodations taxable under those sections. The levy, collection, administration, and repeal of the tax authorized by this section shall be in accordance with Sections 24 through 27 and 29 through 30 of this Part. Forsyth County may not levy a tax under this section unless it also levies taxes under Sections 24, 25, and 30.1 of this Part.

(b) The net proceeds of the tax levied under this section shall be distributed as follows:

(1) ~~(i) five~~ Five percent (5%) of the net proceeds shall be divided among the municipalities in Forsyth County, other than Winston-Salem, on a pro rata ~~basis; and (ii) the~~ basis.

(2) If ninety-five percent (95%) of the net proceeds of the taxes levied on businesses located in a municipality in Forsyth County, other than Winston-Salem, for a calendar quarter exceeds the amount the municipality receives under subdivision (1) of this subsection, then the excess shall be distributed to that municipality.

(3) The remaining net proceeds shall be divided among Forsyth County, the City of Winston-Salem, and the Forsyth County Tourism Development Authority on a pro rata basis.

'Net proceeds' means gross proceeds less the cost to the county of administering and collecting the tax.

(c) Forsyth County or a municipality may expend funds distributed to it pursuant to subsection (b) only for economic development and cultural and recreational purposes. The Forsyth County Tourism Development Authority shall expend the funds distributed to it pursuant to subsection (b) in accordance with Section 28(b) of this Part."

Section 3. This act becomes effective July 1, 1997, and applies to taxes levied on or after that date.

March 10, 1997

A BILL TO BE ENTITLED

AN ACT TO ENHANCE AND IMPROVE CHILD CARE IN NORTH CAROLINA.

The General Assembly of North Carolina enacts:

PART 1. ENHANCE AND IMPROVE CHILD CARE.

Section 1. The heading for Article 7, Chapter 110 of the General Statutes reads as rewritten:

"ARTICLE 7.

~~Day Care~~ Child Care Facilities."

Section 2. G.S. 110-85 reads as rewritten:

"**§ 110-85. Legislative intent and purpose.**

~~The~~ Recognizing the importance of the early years of life to a child's development, the General Assembly hereby declares its intent with respect to ~~day~~ the early care and education of children:

(1) The State should protect ~~the growing number of~~ children ~~who are placed~~ in ~~day care~~ child care facilities ~~or in child care arrangements when these children are under the supervision and in the care of persons other than their parents, grandparents, guardians or full-time custodians during the day.~~ by ensuring that these facilities provide a physically safe and healthy environment where the developmental needs of these children are met and where these children are cared for by qualified persons of good moral character.

~~(2) This protection should assure that such children are cared for by persons of good moral character, that their physical safety and moral environment are protected,~~

~~and that the day-care resources conform to minimum standards relating to the health and safety of the children receiving day-care.~~

(3) ~~This~~ Achieving this level of protection and early education requires the following ~~elements for a comprehensive approach:~~ elements: mandatory licensing of ~~day-care~~ child care ~~facilities under minimum standards;~~ facilities; promotion of higher ~~levels of day care than required for a license~~ quality child care through the development of ~~higher~~ enhanced standards which operators may comply with on a voluntary basis; ~~registration of child day care homes which are too small to be regulated through licensing;~~ and a program of education to help operators improve their programs and to ~~develop~~ deepen public understanding of ~~day-care~~ child care needs and ~~problems.~~ issues."

Section 3. G.S. 110-86 reads as rewritten:

"**§ 110-86. Definitions.**

Unless the context or subject matter otherwise requires, the terms or phrases used in this Article shall be defined as follows:

(1) Commission. The Child ~~Day-Care~~ Care Commission created under this Article.

(2) Child ~~day~~ care. ~~Any child care~~ A program or arrangement ~~wherein~~ where three or more children less than 13 years ~~old~~ old, who do not reside where the care is provided, receive care ~~away from their own home by~~ on a regular basis of at least once per week for more than four hours but less than 24 hours per day from persons other than their ~~parents, grandparents, aunts, uncles, brothers, sisters, first cousins,~~ guardians or full-time custodians, ~~or in the child's own home where other unrelated children are in care.~~ or from persons not related to them by birth, marriage or adoption. Child ~~day~~ care does not include ~~seasonal recreational programs operated for less than four consecutive months in a year. Child day care also does not include arrangements that provide only drop-in or short-term child care for parents participating in activities that are not employment related and where the parents are on the premises or otherwise easily accessible, such as drop-in or short-term child care offered in health spas, bowling alleys, shopping malls, resort hotels, and churches.~~ the following:

(a) Arrangements operated in the home of any child receiving care if all of the children in care are related to each other and no more than two additional children are in care;

(b) Recreational programs operated for less than four consecutive months in a year;

(c) Specialized activities or instruction such as athletics, dance, art, music lessons, horseback riding, gymnastics, or organized clubs for children, such as Boy Scouts, Girl Scouts, 4-H groups, or boys and girls clubs;

(d) Drop-in or short-term care provided while parents participate in activities that are not employment related and where the parents are on the premises or otherwise easily accessible, such as drop-in or short-term care provided in health spas, bowling alleys, shopping malls, resort hotels, or churches;

(e) Public schools or any child care program operated by a public school;

(f) Nonpublic schools described in Part 2 of Article 39 of Chapter 115C of the General Statutes that are accredited by the Southern Association of Colleges and Schools and that operate a child care facility as defined in subsection (3) of this section for less than six and one-half hours per day either on or off the school site;

(g) State-approved charter schools as described in Part 6A of Article 16 of Chapter 115C of the General Statutes.

(h) Bible schools conducted during vacation periods;

(i) Care provided by facilities licensed under Article 2 of Chapter 122C of the General Statutes;

(j) Cooperative arrangements among parents to provide care for their own children as a convenience rather than for employment; and

(k) Any child care program or arrangement consisting of two or more separate components, each of which operates for four hours or less per day with different children attending each component.

(3) Child ~~day~~ care facility. Includes ~~any~~ child ~~day~~ care ~~center~~ centers, family child care homes, and any other ~~or~~ child care arrangement not excluded by G.S. 110-86(2), ~~which~~ that provides ~~day~~ child ~~care for more than five children, not including the operator's own school-aged children, under the age of 13 years, on a regular basis of at least once per week for more than four hours but less than 24 hours per day;~~ care, regardless of the time of ~~day~~ day, ~~and regardless of whether the same or different children attend.~~ wherever operated, and whether or not operated for profit. ~~The following are not included: public schools; nonpublic schools described in Part 2 of Article 39 of Chapter 115C of the General Statutes and accredited by the Southern Association of Colleges and Schools, which regularly provide a course of grade school instruction and which do not provide child day care as defined in subdivision (2) of this section or operate a child day care facility as defined herein for children under five years of age for more than six and one-half hours per day either on or off the school site; summer camps having children in full-time residence; Bible schools~~

~~conducted during vacation periods; facilities licensed under Article 2 of Chapter 122C of the General Statutes; and cooperative arrangements among parents to provide care for their own children as a convenience rather than for employment.~~

~~Child day care facilities are separated by capacity into the following categories which determine applicable requirements and standards as established by the Commission pursuant to G.S. 110-88:~~

~~Facility Type~~
~~Large Home~~
~~Small Center~~
~~Medium Center~~
~~Large Center~~

~~The Commission shall establish the maximum capacity for each of the four categories of facilities.~~

a. A child care center is an arrangement where, at any one time, there are six or more preschool age children or nine or more school age children receiving child care.

b. A family child care home is a child care arrangement located in a residence where, at any one time, more than two children, but less than nine children, receive child care.

~~(4) Child day care home. Any day care program or child care arrangement wherein any person not excluded in G.S. 110-86(2) provides day care on a regular basis of at least once per week for more than four hours per day for more than two children under 13 years of age, but not to exceed a maximum of eight children at any one time, wherever operated, and whether or not operated for profit. Of the children present at any one time, no more than five children shall be preschool-aged, as defined in rules adopted by the Commission. The four hour limit applies regardless of the time of day and regardless of whether the same or different children attend. Cooperative arrangements among parents to provide care for their own children as a convenience rather than for employment are not included.~~

~~To determine whether a child care arrangement is a child day care home, all children shall be counted except the operator's own school-aged children and school-aged children who reside at the location of the day care home.~~

(4.1) Department. Department of Human Resources.

(5) Repealed by Session Laws 1975, c. 879, s. 15.

(6) License. A ~~license~~ permit issued by the Secretary to any ~~day-care~~ child care facility which meets the statutory standards established under this Article.

(7) Operator. Includes the owner, director or other person having primary responsibility for operation of a child ~~day~~ care facility subject to licensing.

(8) Secretary. The Secretary of the Department of Human Resources.

(9) Lead teacher. An individual who is responsible for planning and implementing the daily program of activities for a group of children in a child care center.

(10) Child care administrator. A person who is responsible for the operation of a child care center and is on site on a regular basis."

Section 4. G.S. 110-88 reads as rewritten:

"**§ 110-88. Powers and duties of the Commission.**

The Commission shall have the following powers and duties:

(1) To develop policies and procedures for the issuance of a license to any child ~~day~~ care facility ~~which~~ that meets all applicable standards established under this Article.

(1a) To adopt applicable rules and standards based upon the capacity of a child care facility.

(2) To require inspections by and satisfactory written reports from representatives of local or State health agencies and fire ~~and building~~ inspection agencies and from representatives of the Department prior to the issuance of a license to any child ~~day~~ care ~~facility.~~ center.

(2a) To require annually inspections by and satisfactory written reports from representatives of local or State health agencies and fire inspection agencies after a license is issued.

~~(3) To make rules establishing minimum and reasonable standards for the operation of child day care homes and the issuance of registration certificates. These rules shall establish minimum standards of health and safety that will be required in child day care homes and will recognize the vital role that parents and guardians play in the monitoring of the care provided in child day care homes.~~

(4) Repealed by Session Laws 1975, c. 879, s. 15.

(5) To ~~make~~ adopt rules and develop policies for implementation of this Article, including procedures for application, approval, ~~renewal~~ and revocation of licenses.

(6) To ~~make~~ adopt rules for the issuance of a provisional license that shall be in effect for no more than 12 consecutive months to a child ~~day~~ care facility ~~and a provisional registration certificate to a child day care home~~ that does not conform in every respect

with the standards established in this Article and rules adopted by the Commission pursuant to this ~~Article, provided that the Secretary finds that~~ Article but that ~~the operator~~ is making a reasonable effort to conform to the ~~standards, except that a provisional license or provisional registration certificate shall not be issued for more than 12 consecutive months and shall not be renewed.~~ standards.

(6a) To ~~make~~ adopt rules for administrative action against a child ~~day~~ care facility ~~or child day care home~~ when the Secretary's investigations pursuant to G.S. 110-105(a)(3) ~~or G.S. 110-105.1(a)(4)~~ substantiate that child abuse or neglect did occur in the ~~facility or home.~~ facility. The rules shall provide for ~~type~~ types of ~~sanction shall be determined by~~ sanctions which shall depend upon the severity of the incident and the probability of reoccurrence. The ~~administrative actions shall include~~ rules shall also provide for written warnings and special provisional ~~licenses or registration certificates.~~ licenses.

~~A written warning may be issued which shall specify any corrective action to be taken by the operator. The Department shall make an unannounced visit within one month after issuance of the written warning to determine whether the corrective action has occurred. If the corrective action has not occurred, a special provisional license or registration certificate may be issued.~~

~~When a special provisional license or registration certificate is issued, it shall require specific corrective action. It shall be in effect for no more than six months from imposition and shall not be renewed. imposition. The special provisional license or registration certificate and the letter which clearly states the reasons for the special provisional status shall be posted where parents can see them. Under the terms of the special provisional license or registration, the facility or home shall not enroll any new children until notified by the Department that it is satisfied the abusive or neglectful situation no longer exists. The Department shall make an unannounced visit at least every eight weeks during the period the special provisional license or registration certificate is in effect. Specific corrective action required by a written warning, special provisional license or special provisional registration certificate, or any other administrative penalty authorized by this Article may include the permanent removal from day care of the substantiated abuser or neglecter.~~

~~Nothing in this subdivision shall restrict the Secretary from using any other statutory or administrative remedies available.~~

(7) To develop and ~~promulgate~~ adopt voluntary enhanced program standards which reflect higher ~~levels of day~~ quality child care than

~~required by the standards established by this Article, which will recognize better physical facilities, more qualified personnel, and higher quality programs. The Commission may adopt rules for the issuance of two grades of licenses: an "A" license for compliance with the provisions of the Article, and an "AA" license for those licensees meeting the voluntary higher standards promulgated by the Commission.~~ the mandatory standards established by this Article. These enhanced program standards must address, at a minimum, staff/child ratios, staff qualifications, parent involvement, operational and personnel policies, developmentally appropriate curricula, and facility square footage.

(8) To develop a procedure by which the Department shall furnish those forms as may be required for implementation of this Article.

(9) Repealed by Session Laws 1985, c. 757, s. 156(66).

(10) To ~~develop~~ adopt rules for the issuance of a temporary license which shall expire in ~~90 days~~ six months and which may be issued to the operator of a new ~~facility~~ center or to the operator of a previously licensed ~~facility~~ center when a change in ownership or location occurs.

(11) To ~~develop~~ adopt rules for ~~the care of sick~~ child care facilities which provide care for children ~~in facilities and homes~~ who are mildly sick.

(12) To adopt rules regulating the amount of time a child care administrator shall be on site at a child care center."

Section 5. G.S. 110-90 reads as rewritten:

"**§ 110-90. Powers and duties of Secretary of Human Resources.**

The Secretary ~~of Human Resources~~ shall have the following powers and duties under the policies and rules of the Commission:

(1) To administer the licensing program for child ~~day~~ care ~~facilities and the registration system for child day care homes.~~ facilities.

(2) To obtain and coordinate the necessary services from other State departments and units of local government which are necessary to implement the provisions of this Article.

(3) To employ the administrative personnel and staff as may be necessary to implement this Article where required services, inspections or reports are not available from existing State agencies and units of local government.

(4) To issue a rated license ~~effective for one year~~ to any child ~~day~~ care facility which meets the standards established by this Article. The rating shall be based on program standards, education levels of staff, and compliance history of the child care facility.

(5) To revoke the license of any child ~~day~~ care facility ~~or the registration certificate of any child day care home which~~ that ceases to meet the standards established by this Article and rules

on these standards adopted by the Commission, or ~~which~~ that demonstrates a pattern of noncompliance with this Article or the rules, or to deny a license ~~or registration certificate~~ to any applicant that fails to meet the standards or the rules. These revocations and denials shall be done in accordance with the procedures set out in G.S. 150B and this Article and rules adopted by the Commission.

(6) To prosecute or defend on behalf of the State, through the office of the Attorney General, any legal actions arising out of the administration or enforcement of this Article.

(7) To promote and coordinate educational programs and materials for operators of child ~~day~~ care facilities ~~and child day care homes~~ which are designed to improve the quality of ~~day~~ child care available in the State, using the resources of other State and local agencies and educational institutions where appropriate.

~~(8) To issue a rated license when any operator of a child day care facility required to be licensed hereunder or requiring licensure pursuant to subdivision (11) of this section has satisfied the Secretary that it has met the voluntary standards developed and adopted by the Commission.~~

(9) To levy a civil penalty pursuant to G.S. 110-103.1, or an administrative penalty pursuant to G.S. 110-102.2, or to order summary suspension of a ~~license or registration.~~ license. These actions shall be done in accordance with the procedures set out in G.S. 150B and this Article and rules adopted by the Commission.

(10) To issue final agency decisions in all G.S. 150B contested cases proceedings filed as a result of actions taken under this Article including, but not limited to the denial, ~~revocation~~ revocation, or suspension of a license or the levying of a civil or administrative penalty.

(11) To issue a license ~~or registration certificate~~ to any child care arrangement that does not meet the definition of child ~~day~~ care facility ~~or child day care home~~ in G.S. 110-86 whenever the operator of the arrangement chooses to comply with the requirements of this Article and the rules adopted by the ~~Commission,~~ Commission and voluntarily applies for a child ~~day~~ care facility ~~license or child day care home registration certificate.~~ license. The Commission shall adopt rules for the issuance or removal of the ~~licenses or registration certificates.~~ licenses."

Section 6. G.S. 110-90.1 is repealed.

Section 7. G.S. 110-90.2 reads as rewritten:

"**§ 110-90.2. Mandatory ~~day~~ child care providers' criminal history checks.**

(a) For purposes of this section:

(1) 'Child ~~day~~ care', notwithstanding the definition in G.S. 110-86, means any child ~~day~~ care provided in child ~~day~~ care facilities ~~and child-day-care homes, including child-day-care facilities and child day-care homes~~ required to be licensed ~~or registered~~ under this Article and ~~nonregistered~~ nonlicensed child ~~day~~ care homes approved to receive or receiving State or federal funds for providing child ~~day~~ care.

(2) 'Child ~~day~~ care provider' means a person who:

a. Is employed by or seeks to be employed by a child ~~day~~ care facility ~~or child-day-care home~~ providing child ~~day~~ care as defined in subdivision (1) of this ~~subsection;~~ subsection and has contact with the children; ~~or~~

b. Owns or operates or seeks to own or operate a child ~~day~~ care facility or ~~child-day-care home~~ a nonlicensed child care home providing child ~~day~~ care as defined in subdivision (1) of this ~~subsection.~~ subsection; or

c. Is a member of the household in a family child care home or nonlicensed child care home and is over 15 years old and is present when children are in care. This subdivision shall apply only to new family child care homes and nonlicensed homes beginning March 1, 1998.

(3) 'Criminal history' means a county, state, or federal criminal history of conviction or pending indictment of a crime, whether a misdemeanor or a felony, that bears upon an individual's fitness to have responsibility for the safety and well-being of children as set forth in ~~G.S. 110-90.1.~~ G.S. 110-91(8). Such crimes include the following North Carolina crimes contained in any of the following Articles of Chapter 14 of the General Statutes: Article 6, Homicide; Article 7A, Rape and Kindred Offenses; Article 8, Assaults; Article 10, Kidnapping and Abduction; Article 13, Malicious Injury or Damage by Use of Explosive or Incendiary Device or Material; Article 26, Offenses Against Public Morality and Decency; Article 27, Prostitution; Article 39, Protection of Minors; Article 40, Protection of the Family; and Article 59, Public Intoxication. Such crimes also include possession or sale of drugs in violation of the North Carolina Controlled Substances Act, Article 5 of Chapter 90 of the General Statutes, and alcohol-related offenses such as sale to underage persons in violation of G.S. 18B-302 or driving while impaired in violation of G.S. 20-138.1 through G.S. 20-138.5. In addition to the North Carolina crimes listed in this subdivision, such crimes also include similar crimes under federal law or under the laws of other states.

(b) Effective January 1, 1996, the Department shall ensure that the criminal history of all child ~~day~~ care providers is checked and a determination is made of the

child ~~day~~ care provider's fitness to have responsibility for the safety and well-being of children based on the criminal history. The Department shall ensure that child ~~day~~ care providers who have lived in North Carolina continuously for the previous five years are checked for county and State criminal histories. The Department shall ensure that all other child ~~day~~ care providers are checked for county, State, and national criminal histories. The Department may prohibit a child ~~day~~ care provider from providing child ~~day~~ care if the Department determines that the child ~~day~~ care provider is unfit to have responsibility for the safety and well-being of children based on the criminal history, in accordance with ~~G.S. 110-90.1.~~ G.S. 110-91(8).

(c) The Department of Justice shall provide to the Division of Child Development, Department of Human Resources, the criminal history from the State and National Repositories of Criminal Histories of any child ~~day~~ care provider as requested by the Division.

The Division shall provide to the Department of Justice, along with the request, the fingerprints of the provider to be checked, any additional information required by the Department of Justice, and a form consenting to the check of the criminal record and to the use of fingerprints and other identifying information required by the repositories signed by the child ~~day~~ care provider to be checked. The fingerprints of the provider shall be forwarded to the State Bureau of Investigation for a search of their criminal history record file and the State Bureau of Investigation shall forward a set of fingerprints to the Federal Bureau of Investigation for a national criminal history record check.

At the time of application the ~~day~~ child care provider whose criminal history is to be checked shall be furnished with a statement substantially similar to the following:

'NOTICE

CHILD ~~DAY~~ CARE PROVIDER

MANDATORY CRIMINAL HISTORY CHECK

NORTH CAROLINA LAW REQUIRES THAT A CRIMINAL HISTORY CHECK BE CONDUCTED ON ALL PERSONS WHO PROVIDE CHILD ~~DAY~~ CARE IN A LICENSED ~~OR REGISTERED~~ CHILD ~~DAY~~ CARE FACILITY, AND ALL PERSONS PROVIDING CHILD ~~DAY~~ CARE IN ~~NONREGISTERED~~ NONLICENSED CHILD ~~DAY~~ CARE HOMES THAT RECEIVE STATE OR FEDERAL FUNDS.

'Criminal history' includes county, state, and federal convictions or pending indictments of any of the following crimes: the following Articles of Chapter 14 of the General Statutes: Article 6, Homicide; Article 7A, Rape and Kindred Offenses; Article 8, Assaults; Article 10, Kidnapping and Abduction; Article 13, Malicious Injury or Damage by Use of Explosive or Incendiary Device or Material; Article 26, Offenses Against Public Morality and Decency; Article 27, Prostitution; Article 39, Protection of Minors; Article 40, Protection of the Family; and Article 59, Public Intoxication; violation of the North Carolina Controlled Substances Act, Article 5 of Chapter 90 of the General Statutes, and

alcohol-related offenses such as sale to underage persons in violation of G.S. 18B-302 or driving while impaired in violation of G.S. 20-138.1 through G.S. 20-138.5; or similar crimes under federal law or under the laws of other states. Your fingerprints will be used to check the criminal history records of the State Bureau of Investigation (SBI) and the Federal Bureau of Investigation (FBI).

If it is determined, based on your criminal history, that you are unfit to have responsibility for the safety and well-being of children, you shall have the opportunity to complete, or challenge the accuracy of, the information contained in the SBI or FBI identification records.

If you disagree with the determination of the North Carolina Department of Human Resources on your fitness to provide child ~~day~~ care, you may file a civil lawsuit within 60 days after receiving written notification of disqualification in the district court in the county where you live.

Any child ~~day~~ care provider who intentionally falsifies any information required to be furnished to conduct the criminal history shall be guilty of a Class 2 misdemeanor.'

Refusal to consent to a criminal history check is grounds for the Department to prohibit the child ~~day~~ care provider from providing child ~~day~~ care. Any child ~~day~~ care provider who intentionally falsifies any information required to be furnished to conduct the criminal history shall be guilty of a Class 2 misdemeanor.

(d) The Department shall notify in writing the child ~~day~~ care provider, and the child ~~day~~ care provider's employer, if any, or for nonlicensed child care homes the local purchasing agency, of the determination by the Department whether the ~~day~~ child care provider is qualified to provide child ~~day~~ care based on the child ~~day~~ care provider's criminal history. In accordance with the law regulating the dissemination of the contents of the criminal history file furnished by the Federal Bureau of Investigation, the Department shall not release nor disclose any portion of the child ~~day~~ care provider's criminal history to the child ~~day~~ care provider or the child ~~day~~ care provider's ~~employer.~~ employer or local purchasing agency. The Department shall also notify the child ~~day~~ care provider of the procedure for completing or challenging the accuracy of the criminal history and the child ~~day~~ care provider's right to contest the Department's determination in court.

A child ~~day~~ care provider who disagrees with the Department's decision may file a civil action in the district court of the county of residence of the child ~~day~~ care ~~provider.~~ provider within 60 days after receiving written notification of disqualification.

(e) All the information that the Department receives through the checking of the criminal history is privileged information and is not a public record but is for the exclusive use of the Department and those persons authorized under this section to receive the information. The Department may destroy the information after it is used for the purposes authorized by this section after one calendar year.

(f) There shall be no liability for negligence on the part of an employer of a child ~~day~~ care provider, an owner or operator of a child ~~day~~ care ~~home or~~ facility, a State or local agency, or the employees of a State or local agency, arising from any action taken or omission by any of them in carrying out the provisions of this section. The immunity established by this subsection shall not extend to gross negligence, wanton conduct, or intentional wrongdoing that would otherwise be actionable. The immunity established by this subsection ~~shall be deemed to have been~~ is waived to the extent of indemnification by insurance, indemnification under Article 31A of Chapter 143 of the General Statutes, and to the extent sovereign immunity is waived under the Torts Claim Act, as set forth in Article 31 of Chapter 143 of the General Statutes.

(g) The child ~~day~~ care provider ~~who seeks to be employed in child day care and the child day care provider who seeks to own or operate child day care~~ shall pay the cost of the fingerprinting and the local ~~check at the time the child day care provider seeks to provide child day care.~~ check. The Department of Justice shall perform the State criminal history check. If the Department determines that a ~~day~~ child care provider who has lived continuously in the State less than five years is not disqualified based on the local and State criminal history record check, the Department shall request a criminal history check from the National Repository of Criminal History from the Department of Justice. The Department of Human Resources shall pay the cost for the national criminal history record check."

Section 8. (a) G.S. 110-91 reads as rewritten:

"**§ 110-91. Mandatory standards for a license.**

All child care facilities shall comply with all State and federal laws and local ordinances that pertain to child health, safety, and welfare. ~~The~~ Except as otherwise provided in this Article, the ~~following~~ standards in this section shall be complied with by all child ~~day~~ care ~~facilities, except as otherwise provided in this Article.~~ facilities. However, none of the standards in this section apply to the school age children of the operator of a child care facility but do apply to the preschool age children of the operator. Children 13 years of age or older may receive child care on a voluntary basis provided all applicable required standards are met. ~~These~~ The standards in this section, along with any other applicable State and federal laws or local ordinances, shall be the ~~only~~ required standards for the issuance of a license by the Secretary under the policies and procedures of the Commission except that the Commission may, in its discretion, adopt ~~less stringent~~ appropriate standards for the licensing of facilities ~~subject to licensing but~~ which provide care on a temporary, part-time, drop-in, seasonal, after-school or other than a full-time basis.

(1) Medical Care and Sanitation. -- The Commission for Health Services shall adopt rules which establish minimum sanitation standards for child ~~day~~ care facilities and their personnel. The sanitation rules adopted by the Commission for Health Services shall cover such matters as the cleanliness of floors, walls, ceilings, storage spaces, utensils, and other facilities; adequacy of ventilation; sanitation of water supply, lavatory facilities, toilet facilities, sewage disposal, food protection facilities,

bactericidal treatment of eating and drinking utensils, and solid-waste storage and disposal; methods of food preparation and serving; infectious disease control; sleeping facilities; and other items and facilities as are necessary in the interest of the public health. These rules shall be developed in consultation with the Department.

The Commission shall adopt rules for child care facilities to establish minimum requirements for child and staff health assessments and medical care procedures. These rules shall be developed in consultation with the Department of Environment, Health, and Natural Resources. Each child shall have a health assessment before being admitted or within 30 days following admission to a child ~~day~~ care facility. The assessment shall be done by: (i) a licensed physician, (ii) the physician's authorized agent who is currently approved by the North Carolina Medical Board, or comparable certifying board in any state contiguous to North Carolina, (iii) a certified nurse practitioner, or (iv) a public health nurse meeting the Department of Environment, Health, and Natural Resources' Standards for Early Periodic Screening, Diagnosis, and Treatment Program. ~~A record of each child's assessment shall be on file in the records of the facility.~~ However, no health assessment shall be required of ~~any~~ any staff or child who is and has been in normal health ~~and whose~~ when the staff, or the child's parent, guardian, or full-time custodian objects in writing to a health assessment on religious grounds which conform to the teachings and practice of any recognized church or religious denomination.

~~Each child shall be immunized in a manner that meets the requirements of Article 6 of Chapter 130A of the General Statutes and the pertinent rules adopted by the Commission for Health Services.~~

~~Each child day care facility shall have a plan of emergency medical care which shall include provisions for communication with and transportation to a specified medical resource, unless otherwise previously instructed. No child receiving day care shall be administered any drug or other medication without specific written instructions from a physician or the child's parent, guardian or full-time custodian. Emergency information on each child in care, including the names, addresses, and telephone numbers of the child's physician and parents, legal guardian or full-time custodian shall be readily available to the staff of the child day care facility while children are in care.~~

~~Nonprofit, tax-exempt organizations~~ Organizations that provide prepared meals to ~~day~~ child care centers only are considered ~~day~~ child care centers for purposes of compliance with appropriate sanitation standards.

(2) Health-Related Activities. -- ~~Each child in a child day care facility shall receive nutritious food and refreshments under rules to be adopted by the Commission.~~ The Commission shall adopt rules for child care

facilities to ensure that all children receive nutritious food and beverages according to their developmental needs. After consultation with the State Health Director, nutrition standards shall provide for ~~specific~~ requirements appropriate for ~~infants.~~ children of different ages. ~~Nutrition standards shall provide for specific requirements for children older than infants, including a daily food plan for meals and snacks served that shall be adequate for good nutrition. The number and size of servings and snacks shall be appropriate for the ages of the children and shall be planned according to the number of hours the child is in care. Menus for meals and snacks shall be planned at least one week in advance, dated, and posted where they can be seen by parents.~~

Each child ~~day~~ care facility shall have a rest period for each child in care after lunch or at some other appropriate time and arrange for each child in care to be out-of-doors each day if weather conditions permit.

~~Each child day care facility shall have a rest period for each child in care after lunch or at some other appropriate time.~~

~~No child day care facility shall care for more than 25 children in one group. Facilities providing care for 26 or more children shall provide for two or more groups according to the ages of children and shall provide separate supervisory personnel for each group.~~

(3) Location. -- Each child ~~day~~ care facility shall be located in an area which is free from conditions which are ~~deemed~~ considered hazardous to the physical and moral welfare of the children in care in the opinion of the ~~Commission.~~ Secretary.

(4) Building. -- Each child ~~day~~ care facility shall be located in a building which meets the appropriate requirements of the North Carolina Building Code under standards which shall be developed by the Building Code ~~Council, subject to adoption by the Commission~~ Council specifically for child ~~day~~ care facilities, including facilities operated in a private residence. These standards shall be consistent with the provisions of this Article. Satisfactorily written reports from representatives of building inspection agencies shall be required prior to the issuance of a license and whenever renovations are made to a child care center, or when the operator requests licensure of space not previously approved for child care.

(5) Fire Prevention. -- Each child ~~day~~ care facility shall be located in a building that meets ~~the~~ appropriate requirements for fire prevention and safe evacuation that apply to child ~~day~~ care facilities as established by the Department of ~~Insurance, subject to adoption by the Commission.~~ Insurance. ~~Each~~ Except for child care centers located on State property, each child ~~day~~ care ~~facility~~ center shall be inspected at least annually by a local fire

department or volunteer fire department for compliance with these ~~requirements, except that child day~~ requirements. Child care ~~facilities~~ centers located on State property shall be inspected at least annually by an official designated by the Department of Insurance.

(6) Space and Equipment Requirements. -- There shall be no less than 25 square feet of indoor space for each child for which a child ~~day~~ care ~~facility~~ center is licensed, exclusive of closets, passageways, kitchens, and bathrooms, and this floor space shall provide during rest periods 200 cubic feet of airspace per child for which the ~~facility~~ center is licensed. There shall be adequate outdoor play area for each child under rules adopted by the Commission which shall be related to the size ~~and type~~ of ~~facility,~~ the center and availability and location of outside land ~~area, except in~~ area. In no event shall the minimum required exceed 75 square feet per ~~child, which~~ child. The outdoor area shall be protected to assure the safety of the children receiving ~~day~~ child care by an adequate fence or other ~~protection; provided, however, that a~~ protection. A ~~facility~~ center operated in a public school shall be deemed to have adequate fencing ~~protection; provided, also, that a facility~~ protection. A center operating exclusively during the evening and early morning hours, between 6:00 P.M. and 6:00 A.M., need not meet the outdoor play area requirements mandated by this subdivision.

Each child ~~day~~ care facility shall provide indoor area equipment and furnishings that are child size, sturdy, safe, and in good repair. Each child care center shall provide outdoor play area equipment and surfacing that are child size, sturdy, free of hazards that pose a threat of serious injury to children while engaged in normal play activities, and in good repair. The Commission shall adopt standards to establish minimum requirements for equipment appropriate for the size of child care ~~facility being operated pursuant to G.S. 110-86(3).~~ facility. Space shall be available for proper storage of beds, cribs, mats, cots, sleeping garments, and linens as well as designated space for each child's personal belongings.

The Department shall develop guidelines pertaining to outdoor play area equipment and surfacing at child care centers. These guidelines shall not be considered rules under Chapter 150B of the General Statutes and are not binding upon child care operators. These guidelines shall be designed to assist operators in determining whether the equipment and surfacing they currently or intend to provide is child-size, sturdy, safe, and in good repair. Inspection of outdoor equipment and surfacing shall be included in

center inspections conducted pursuant to this Article. The Department shall make these guidelines available to operators and shall also make available information and technical assistance that will better enable operators to provide and maintain a safe outdoor play environment. A child care center operator shall make available to consumers of the center's services the most recent inspection report findings with respect to outdoor play area equipment and surfacing at the child care center.

Rules adopted by the Commission regarding outdoor play area equipment and surfacing at child care centers shall be limited to ensuring that outdoor play area equipment and surfacing at child care centers are free of hazards that pose a threat of serious injury to children while engaged in normal play activities.

(7) Staff-Child ~~Ratio.~~ Ratio and Group Size. -- In determining the staff-child ratio, all children younger than 13 years old shall be counted. The Commission shall adopt rules for child care centers regarding staff-child ratios, group sizes and multi-age groupings ~~for each category of facility~~ other than for infants and toddlers, provided that these rules shall be no less stringent than those currently required for staff-child ratios as enacted in Section 156(e) of Chapter 757 of the 1985 Session Laws. The staff-child ratios and group sizes for infants and toddlers shall be no less stringent than as follows:

Age	Ratio	Group Size
0 to 12 months	5	10
12 to 24 months	6	12
2 to 3 years	10	20.

No child care center shall care for more than 25 children in one group. Child care centers providing for 26 or more children shall provide for two or more groups according to the ages of children and shall provide separate supervisory personnel and separate identifiable space for each group.

(7a) Family Child Care Home Capacity. -- Of the children present at any one time in a family child care home, no more than five children shall be preschool aged, including the operator's own preschool age children.

(8) Qualifications for Staff. -- All child care center administrators shall be at least 21 years of age and have at least a North Carolina Early Childhood Administration Credential or its equivalent as defined by the Department. Each child ~~day~~ care ~~facility~~ center shall be under the direction or supervision of a ~~literate~~ person ~~at least 21 years of age.~~ meeting these requirements. All staff counted ~~in determining~~ toward meeting the required staff-child ratio shall be at least 16 years of age, provided that persons younger than 18

years of age work under the direct supervision of a ~~literate~~ credentialed staff person who is at least 21 years of age. All lead teachers in a child care center shall have at least a North Carolina Early Childhood Credential or its equivalent as determined by the Department.

The Department in collaboration with the North Carolina Institute for Early Childhood Professional Development shall establish categories to recognize the levels of education achieved by child care center administrators and teachers. The Department shall use these categories to establish appropriate staffing based on the size center and the individual staff responsibilities.

Effective January 1, 1998, an operator of a licensed family child care home shall be at least 21 old and have a high school diploma or its equivalent. Operators of a family child care home licensed prior to January 1, 1998 shall be at least 18 years of age and literate. Literate is defined as understanding licensing requirements and having the ability to communicate with the family and relevant emergency personnel. Any operator of a licensed family child care home shall be the person on site providing child care.

No person shall be an operator of nor be employed in a child ~~day~~ care facility who has been convicted of a crime involving child neglect, child abuse, or moral turpitude, or who is an habitually excessive user of alcohol or who illegally uses narcotic or other impairing drugs, or who is mentally or emotionally impaired to an extent that may be injurious to children.

The Commission shall adopt standards to establish ~~minimum~~ appropriate qualifications for ~~operators, supervisors, caregivers and~~ all other staff ~~who have direct contact with the children.~~ in child care centers. These standards shall reflect training, experience, education ~~or~~ and credentialing and shall be appropriate for the size ~~facility being operated according to the categories defined in G.S. 110-86(3).~~ center and the level of individual staff responsibilities. It is the intent of this provision to guarantee that all children in ~~day~~ child care are cared for by qualified ~~people but also to recognize that qualifications for good child care may not be limited to formal education or training standards. To this end, the standards adopted by the Commission pertaining to training and educational requirements shall include provision that these requirements may be met by informal as well as formal training and educational experience.~~ people. No requirements may interfere with the teachings or doctrine of any established religious organization.

(9) Records. -- Each child ~~day~~ care facility shall keep accurate records on each child receiving care in the child ~~day~~ care facility and on each staff member or other person delegated responsibility for the care of children in accordance with a form furnished or approved by the Commission, and shall submit ~~attendance reports~~ records as required by the Department.

~~Each child day care facility shall keep accurate records on each staff member or other person delegated responsibility for the care of children in accordance with a form approved by the Commission.~~

All records of any child ~~day~~ care facility, except financial records, shall be ~~subject to~~ available for review by the Secretary or by duly authorized representatives of the Department or a cooperating agency who shall be designated by the ~~Secretary.~~ Secretary and shall be submitted as required by the Department.

~~Any effort to falsify information provided to the Department shall be deemed by the Secretary to be evidence of violation of this Article on the part of the operator or sponsor of the child day care facility and shall constitute a cause for revoking or denying a license to this child day care facility.~~

(10) Each operator or staff member shall ~~truly and honestly show each~~ attend to any child in ~~that person's care true love, devotion and tender care.~~ a nurturing and appropriate manner, and in keeping with the child's developmental needs.

Each ~~day~~ child care facility shall have a written policy on discipline, describing the methods and practices used to discipline children enrolled in that facility. This written policy shall be discussed with, and a copy given to, each child's parent prior to the first time the child attends the facility. Subsequently, any change in discipline methods or practices shall be communicated in writing to the parents prior to the effective date of the change.

The use of corporal punishment as a form of discipline is prohibited in ~~day~~ child care facilities and may not be used by any operator or staff member of any ~~day~~ child care facility, except that corporal punishment may be used in ~~church~~ religious sponsored child ~~day~~ care facilities as defined in G.S. 110-106, only if (i) the ~~church~~ religious sponsored child ~~day~~ care facility files with the Department a notice stating that corporal punishment is part of the religious training of its program, and (ii) the ~~church~~ religious sponsored child ~~day~~ care facility clearly states in its written policy of discipline that corporal punishment is part of the religious training of its program. The written policy on discipline of ~~nonchurch~~ nonreligious sponsored child ~~day~~ care facilities shall clearly state the prohibition on corporal punishment.

(11) Staff Development. -- The Commission shall adopt minimum standards for ongoing staff development for ~~facilities.~~ facilities but limited to the following topic areas:

a. Planning a safe, healthy learning environment;
b. Steps to advance children's physical and intellectual development;
c. Positive ways to support children's social and emotional development;
d. Strategies to establish productive relationships with families;
e. Strategies to manage an effective program operation;
f. Maintaining a commitment to professionalism;
g. Observing and recording children's behavior;
h. Principles of child growth and development; and
i. Learning activities that promote inclusion of children with special needs.

These standards shall include annual requirements for ongoing ~~in-service training for all staff.~~ staff development appropriate to job responsibilities. Contact hours of inservice training received annually shall not carry over from year to year.

(12) ~~Planned Age~~ Developmentally Appropriate Activities. -- Each ~~child day care~~ facility shall have ~~a planned schedule of activities posted in a prominent place to enable parents to review it, and a written plan of age~~ developmentally appropriate activities ~~available to parents. Each facility shall have age appropriate activities and play materials to implement the written plan.~~ and play materials. The Commission shall establish minimum standards for ~~age-appropriate~~ developmentally appropriate activities ~~appropriate~~ for ~~each category of facility as defined in G.S. 110-86(3).~~ child care facilities. Each child care facility shall have a planned schedule of developmentally appropriate activities posted in a prominent place for parents to review and the appropriate materials and equipment available to implement the scheduled activities. Each child care center shall make four of the following activity areas available daily: art and other creative play, children's books, blocks and block building, manipulatives, and family living and dramatic play.

(13) Transportation. -- ~~All child day care facilities shall abide by North Carolina law regulating the use of seat belts and child passenger restraint devices. All vehicles operated by any facility staff person or volunteer to transport children shall be properly equipped with appropriate seat belts or child restraint devices as approved by the Commissioner of Motor Vehicles.~~ ~~Each~~ When a child care facility staff person or a volunteer of a child care facility transports children in a vehicle, each adult and child shall be restrained by an

appropriate seat safety belt or restraint device when the vehicle is in motion. ~~These restraint regulations do not apply to vehicles not required by federal law to be equipped with seat restraints. All vehicles used to transport children shall meet and maintain the safety inspection standards of the Division of Motor Vehicles of the Department of Transportation and the facility shall comply with all other applicable State and federal laws and regulations concerning the operation of a motor vehicle.~~ Children may never be left unattended in a vehicle.

The ratio of adults to children in child ~~day~~ care vehicles may not be less than the staff/child ratios prescribed by ~~G.S. 110-91(7).~~ G.S. 110-91(7) and G.S. 110-91(7a). The Commission shall adopt standards for transporting children under the age of two, including standards addressing this particular age's staff/child ratio during transportation.

(14) Any effort to falsify information provided to the Department shall be considered by the Secretary to be evidence of violation of this Article on the part of the operator or sponsor of the child care facility and shall constitute a cause for revoking or denying a license to such child care facility."

(b) The provision in G.S. 110-91(8) regarding child care center administrators is effective January 1, 2003. The provision in G.S. 110-91(8) regarding lead teachers is effective January 1, 2002.

Section 9. G.S. 110-92 reads as rewritten:

"**§ 110-92. Duties of State and local agencies.**

When requested by an operator of a ~~day-care facility~~ child care center or by the ~~Secretary~~ Secretary, it shall be the duty of local and district health departments to visit and inspect a ~~day-care facility~~ child care center to determine whether the ~~facility~~ center complies with the health and sanitation standards required by this Article and with the minimum sanitation standards adopted as rules by the Commission for Health Services as authorized by G.S. 110-91(1), and to submit written reports on ~~such~~ these visits or inspections to the Department on forms approved and provided by the Department of Environment, Health, and Natural Resources.

When requested by an operator of a ~~day-care facility~~ child care center or by the Secretary, it shall be the duty of the ~~local and district health departments, and any~~ building inspector, fire prevention inspector, or fireman employed by local government, or any fireman having jurisdiction, or other officials or personnel of local government to visit and inspect a ~~day-care facility~~ child care center for the purposes specified in this Article, including plans for evacuation of the premises and protection of children in case of fire, and to report on ~~such~~ these visits or inspections in writing to the Secretary so that ~~such~~ these reports may serve as the basis for action or decisions by the Secretary or Department as authorized by this Article."

Section 10. G.S. 110-93 reads as rewritten:

"**§ 110-93. ~~Licensing procedure.~~ Application for a license.**

(a) Each ~~operator of~~ person who seeks to operate a ~~day care~~ child care facility shall ~~annually~~ apply to the Department for a license. The application shall be in ~~such~~ the form ~~as is~~ required by the Department. Each operator seeking a license shall be responsible for ~~accompanying his application with~~ supplying with the application the necessary supporting data and reports to show conformity with rules adopted by the Commission for Health Services pursuant to G.S. 110-91(1) and with the standards established or authorized by this ~~Article~~ Article, including any required reports from the local and district health departments, local building inspectors, local firemen, voluntary firemen, and others, on forms which shall be provided by the Department.

(b) If an operator conforms to the rules ~~adopted by the Commission for Health Services pursuant to G.S. 110-91(1)~~ and ~~with~~ the standards established or authorized by this Article as shown in ~~his~~ the application and other supporting data, the Secretary ~~of Human Resources~~ shall issue a license ~~for no more than 12 months~~ that shall remain valid until the Secretary notifies the licensee otherwise pursuant to 150B-3 or other provisions of this Article, subject to suspension or revocation for cause as provided in this Article. If the applicant fails to conform to the required rules and standards, the Secretary may issue a provisional license under the policies of the ~~Commission provided that the~~ Commission. The Department shall notify the operator ~~shall be notified~~ in writing by registered or certified mail ~~of~~ the reasons the Department issued ~~for issuance of~~ a provisional license.

~~(c) Each licensed operator of a child day care facility must annually apply in order to renew the license and must accompany such renewal application with such supporting data and reports as are required to show conformity with the standards established under this Article.~~

(d) Repealed by Session Laws 1977, c. 929, s. 1."

Section 11. G.S. 110-94 reads as rewritten:

"**§ 110-94. Administrative Procedure Act.**

The provisions of ~~General Statutes~~ Chapter 150B of the General Statutes ~~known as the Administrative Procedure Act~~ shall be applicable to the ~~Commission and~~ Commission, to the rules ~~it~~ the Commission ~~adopts. The Administrative Procedure Act shall also apply~~ adopts, and to child ~~day~~ care contested cases. However, a child ~~day~~ care operator shall have 30 days to file a petition for a contested case pursuant to G.S. 150B-23. The contested case hearing shall be scheduled to be held within 120 days of the date the petition for a hearing is received, pursuant to G.S. 150B-23(a), in any contested case resulting from administrative action taken by the ~~Department~~ Secretary to revoke a ~~license,~~ license ~~registration certificate,~~ or Letter of Compliance or from administrative action taken in a situation in which child abuse or neglect in a child ~~day~~ care facility ~~or home~~ has been substantiated. A request for continuance of a hearing shall be granted upon a showing of good cause by either party."

Section 12. G.S. 110-98 reads as rewritten:

"**§ 110-98. Mandatory compliance.**

It shall be unlawful for any ~~operator or employee of a day care facility or day care home~~ person ~~to~~ to:

(1) ~~offer~~ Offer or provide ~~day~~ child care without complying with the provisions of this ~~Article.~~ Article; or

(2) Advertise without disclosing the child care facility's license or other identifying number that is on the license or the letter of compliance."

Section 13. G.S. 110-98.1 reads as rewritten:

"**§ 110-98.1. Prima facie evidence of existence of ~~day-care.~~ child care.**

A ~~child-care~~ child care arrangement providing ~~day~~ child care for more than two children for more than four hours per day on two or more consecutive days shall be prima facie evidence of the existence of a ~~day-care~~ child care ~~facility or day-care home.~~ facility."

Section 14. G.S. 110-99 reads as rewritten:

"**§110-99. Display of license.**

(a) Each ~~day-care~~ child care facility shall ~~maintain~~ display its current license ~~displayed~~ in a prominent place designated by the Department at all times so that the public may be on notice that the facility is licensed and may observe any grade or rating which may appear on the license. Any license issued to a child care facility under this Article shall remain the property of the State and may be removed by persons employed or designated by the Secretary in the event that the license is revoked or suspended, or in the event that the grade or rating is changed.

(b) A person who provides only drop-in or short term child care as described in G.S. 110-86(2)(d) shall notify the Department that the person is providing only drop-in or short term child care. Any person providing only drop-in or short term child care as described in G.S. 110-86(2)(d) shall display in a prominent place at all times a notice that the child care arrangement is not required to be licensed and regulated by the Department and is not licensed and regulated by the Department."

Section 15. G.S. 110-100 is repealed.

Section 16. G.S. 110-101 is repealed.

Section 17. G.S. 110-101.1 reads as rewritten:

"**§ 110-101.1. Corporal punishment banned in certain ~~'nonregistered'~~ nonlicensed homes.**

The use of corporal punishment as a form of discipline is prohibited in those ~~day~~ child care homes that are not required to be ~~registered~~ licensed under this Article but that receive State or federal subsidies for child ~~day~~ care unless this care is provided to children by their parents, stepparents, grandparents, aunts, uncles, step-grandparents, or great-grandparents. Care provided children by their parents, stepparents, grandparents, aunts, uncles, step-grandparents, or great-grandparents is not subject to this section. Religious sponsored ~~nonregistered~~ nonlicensed homes are also exempt from this section."

Section 18. G.S. 110-102 reads as rewritten:

"**§110-102. Information for parents.**

The Secretary ~~of Human Resources~~ shall provide to each operator of a ~~day-care~~ child care facility a summary of this Article for the parents, guardian, or full-time custodian of each child receiving ~~day~~ child care in the facility to be distributed by the

operator. The summary shall include the name and address of the Secretary ~~of Human Resources~~ and the address of the Commission. The summary shall also include a statement regarding the mandatory duty prescribed in G.S. 7A-543 of any person suspecting child abuse or neglect has taken place in ~~day~~ child care, or elsewhere, to report to the county Department of Social Services. The statement shall include the definitions of child abuse and neglect described in the Juvenile Code in G.S. 7A-517 and of child abuse described in the Criminal Code in G.S. 14-318.2 and G.S. 14- 318.4. The statement shall stress that this reporting law does not require that the person reporting reveal ~~his~~ the person's identity."

Section 19. G.S. 110-102.1 reads as rewritten:

"**§ 110-102.1. Reporting of missing or deceased children.**

(a) Operators and staff, as defined in G.S. 110-86(7), ~~110-90.1~~ and 110-91(8), or any adult present with the approval of the care provider in a ~~day-care~~ child care facility ~~or home,~~ as defined in ~~G.S. 110-86(3), (4)~~ G.S. 110-86(3) and 110-106, upon learning that a child which has been placed in their care or presence is missing, shall immediately report the missing child to law enforcement. For purposes of this Article, a child is anyone under the age of 18.

(b) If a child dies while in ~~day~~ child care, or of injuries sustained in ~~day~~ child care, a report of the death must be made by the ~~day~~ child care operator to the Secretary within 24 hours of the child's death or on the next working day."

Section 20. G.S. 110-103 reads as rewritten:

"**§ 110-103. Criminal penalty.**

Any person who violates the provisions of G.S. 110-98 through G.S. ~~110-100~~ 110-99 or G.S. 110-102 shall be guilty of a Class 1 ~~misdemeanor.~~ misdemeanor, except that ~~Any~~ any person operating a family child care home as defined in G.S. 110-86(3) ~~who violates G.S. 110-101~~ shall be guilty of a Class 3 misdemeanor."

Section 21. G.S. 110-103.1(a) reads as rewritten:

"(a) A civil penalty may be levied against any operator of any child ~~day~~ care facility ~~or home~~ who violates any provision of this Article. The penalty shall not exceed one thousand dollars ($1,000) for each violation documented on any given date. Every operator shall be provided a schedule of the civil penalties established by the Commission pursuant to this Article."

Section 22. G.S. 110-104 reads as rewritten:

"**§ 110-104. Injunctive relief.**

The Secretary or ~~his~~ the Secretary's designee may seek injunctive relief in the district court of the county in which a ~~day-care~~ child care facility ~~or day-care home~~ is located against the continuing operation of that ~~day-care~~ child care facility ~~or day-care home~~ at any time, whether or not any administrative proceedings are pending. The district court may grant injunctive relief, temporary, preliminary, or permanent, when there is any violation of this Article or of the rules promulgated by the Commission or the Commission for Health Services that threatens serious harm to children in the ~~day-care~~ child care ~~facility or day-care home,~~ facility, or when a final order to deny or revoke a license ~~or registration~~ has been violated, or when a ~~day-care~~ child care facility is operating without a ~~license or a day-care home is~~

~~operating without being registered,~~ license, or when a ~~day care~~ child care facility ~~or day care home~~ repeatedly violates the provisions of this Article or rules adopted pursuant to it after having been notified of the violation."

Section 23. G.S. 110-105 reads as rewritten:

"**§ 110-105. Authority to inspect facilities.**

(a) The Commission shall adopt standards and rules under this subsection which provide for the following types of inspections:

(1) An initial licensing ~~or certification~~ inspection, which shall not occur until the administrator of the facility receives prior notice of the initial inspection ~~or certification~~ visit;

(2) A plan for ~~routine inspections of~~ visits to all facilities, including announced and unannounced visits which shall be confidential unless a court orders its disclosure, and which ~~shall~~ may be conducted without prior notice to the facility;

(3) An inspection that may be conducted without notice, if there is probable cause to believe that an emergency situation exists or there is a complaint alleging a violation of licensure law. When the Department is notified by the county director of social services that the director has received a report of child abuse or neglect in a child ~~day care~~ care facility, or when the Department is notified by any other person that alleged abuse or neglect has occurred in a facility, the Commission's rules shall provide for an inspection conducted without notice to the child ~~day care~~ care facility to determine whether the alleged abuse or neglect has occurred. This inspection shall be conducted within seven calendar days of receipt of the report, and when circumstances ~~warrant~~ warrant, additional ~~visits, the second inspection shall be conducted within one month of the first visit.~~ visits shall be conducted.

The Secretary or the Secretary's designee, upon presenting appropriate credentials to the operator of the child ~~day care~~ care facility, ~~is authorized to~~ may perform inspections in accordance with the standards and rules promulgated under this subsection. The Secretary or the Secretary's designee may inspect any area of a building in which there is reasonable evidence that children are in care.

(b) If an operator refuses to allow the Secretary or ~~his~~ the Secretary's designee to inspect the ~~day care~~ child care facility, the Secretary shall seek an administrative warrant in accordance with G.S. 15-27.2."

Section 24. G.S. 110-105.1 is repealed.

Section 25. G.S. 110-105.2 reads as rewritten:

"**§ 110-105.2. Abuse and neglect violations.**

(a) For purposes of this Article, child abuse and neglect, as defined in G.S. 7A-517 and in G.S. 14-318.2 and G.S. 14-318.4, occurring in ~~day care~~ child care ~~facilities and homes,~~ facilities are violations of the licensure ~~and registration~~ standards and of the licensure ~~and registration~~ law.

(b) When an investigation pursuant to G.S. 110-105(a)(3) substantiates that child abuse or neglect did occur in a child care facility, the Department may issue a written warning which shall specify any corrective action to be taken by the operator. The Department shall make an unannounced visit within one month after issuance of the written warning to determine whether the corrective action has occurred. If the corrective action has not occurred, then the Department may issue a special provisional license.

(c) When the Department issues a special provisional license pursuant to this section, the Department shall send a letter which states the reasons for the special provisional status, and the license shall specify corrective action that shall be taken by the operator. A special provisional license issued pursuant to this section shall be in effect for no more than six months from issuance. The operator shall post, where parents can see them, the letter stating the reasons for the special provisional status and the special provisional license. Under the terms of the special provisional license, the Secretary may limit enrollment of new children until satisfied the abusive or neglectful situation no longer exists. The Department shall make unannounced visits as often as the Department believes it is necessary during the period the special provisional license is in effect.

(d) Specific corrective action required by a written warning, special provisional license, or any other administrative penalty authorized by this Article may include the permanent removal of the substantiated abuser or neglecter from child care.

(e) Nothing in this section shall restrict the Secretary from using any other statutory or administrative remedies available."

Section 26. G.S. 110-106 reads as rewritten:

"**§ 110-106. Religious sponsored ~~day-care~~ child care facilities.**

(a) The term '~~church-day-care~~ 'religious sponsored child care facility' as used ~~herein~~ in this section shall include any ~~day-care~~ child care facility or summer day camp operated by a church, synagogue or school of religious charter.

(b) ~~Reporting~~ Procedure Regarding ~~of Church Day Care~~ Religious Sponsored Child Care Facilities. --

(1) ~~Church-day~~ Religious sponsored child care facilities shall file with the Department a notice of intent to operate a ~~day~~ child care facility and the date it will begin operation at least 30 days prior to that date. Within 30 days after beginning operation, the facility shall provide to the Department written reports and supporting data which show the facility is in compliance with applicable provisions of G.S 110-91. After the ~~church-day~~ religious sponsored child care facility has filed this information with the Department, the facility shall be visited by a representative of the Department to ~~assure~~ ensure compliance with the applicable provisions of G.S. 110-91.

(2) Each ~~church-day-care~~ religious sponsored child care facility shall ~~annually~~ file with the Department a report indicating that it meets the minimum standards for facilities as provided in the applicable

provisions of G.S. ~~110-91.~~ 110-91 as required by the Department. The reports shall be in accordance with rules adopted by the Commission. Each ~~church day care~~ religious sponsored child care facility shall be responsible for ~~accompanying~~ supplying with its report ~~with~~ the necessary supporting data to show conformity with those minimum standards, including reports from the local and district health departments, local building inspectors, local firemen, volunteer firemen, and other, on forms which shall be provided by the Department.

(3) It shall be the responsibility of the Department to notify the facility if it fails to meet the minimum requirements. The Secretary shall be responsible for carrying out the enforcement provisions provided by the General Assembly in Article 7 of Chapter 110 including inspection to ~~insure~~ ensure compliance. The Secretary ~~shall be empowered to~~ may issue an order requiring a ~~church day care~~ religious sponsored child care facility which fails to meet the standards established pursuant to this Article to cease operating. A ~~church day care~~ religious sponsored child care facility may request a hearing to determine if it is in compliance with the applicable provisions of G.S. 110-91. If the Secretary determines that it is not, ~~it~~ the Secretary may order the facility to cease operation until it is in compliance.

(4) ~~Church day care~~ Religious sponsored child care facilities including summer day camps shall be exempt from the requirement that they obtain a license and that the license be displayed and shall be exempt from any subsequent rule or regulatory program not dealing specifically with the minimum standards as provided in the applicable provisions of G.S. 110-91. Nothing in this Article shall be interpreted to allow the State to regulate or otherwise interfere with the religious training offered as a part of any ~~church day care~~ religious sponsored child care program. Nothing in this Article shall prohibit any ~~church operated, synagogue operated, or religious affiliated~~ religious sponsored child care facility from becoming licensed by the State if it so chooses.

(5) ~~Church day care~~ Religious sponsored child care facilities found to be in violation of the applicable provisions of G.S. 110-91 shall be subject to the injunctive provisions of G.S. 110-104, except that they may not be enjoined for operating without a license. The Secretary ~~is empowered to~~ may seek an injunction against any ~~such~~ religious sponsored child care facility under the conditions specified in G.S. 110-104 with the above exception and when any ~~such~~ religious sponsored child care facility operates without submitting the required forms and following the procedures required by this Article.

(c) G.S. 110-91(8), G.S. 110-91(11), G.S. ~~110-91(12),~~ 110-91(12) ~~and the second paragraph of G.S. 110-91(8)~~ do not apply to religious sponsored ~~day care~~ child care facilities, and these facilities are exempt from any requirements prescribed by subsection (b) of this section that arise out of these provisions. ~~No staff qualifications other than those preseribed by the first paragraph of G.S. 110-91(8) shall apply to religious sponsored day care facilities.~~

(d) No person shall be an operator of nor be employed in a religious sponsored child care facility who has been convicted of a crime involving child neglect, child abuse, or moral turpitude, or who is a habitually excessive user of alcohol or who illegally uses narcotic or other impairing drugs, or who is mentally or emotionally impaired to an extent that may be injurious to children.

(e) Each religious sponsored child care center shall be under the direction or supervision of a literate person at least 21 years of age. All staff counted toward meeting the required staff/child ratio shall be at least 16 years old, provided that persons younger than 18 years old work under the direct supervision of a literate staff person at least 21 years old. Effective January 1, 1998, a person operating a religious sponsored family child care home must be at least 21 years old and literate. Persons operating religious sponsored family child care homes prior to January 1, 1998 shall be at least 18 years old and literate. The definition of literate in G.S. 110-91(8) shall apply to this subsection."

Section 27. G.S. 110-106.1 is repealed.

Section 28. Pursuant to G.S. 150B-21.7, rules adopted by the Child Care Commission pertaining to outdoor play area equipment and surfacing at child care centers that become effective on January 1, 1999, are repealed.

Section 28.1. The following rules are repealed:

10 NCAC 3U .0510(e), Activity Areas: Preschool Children Two Years and Older; and

10 NCAC 3U .0714(g), Other Staffing Requirements.

PART 2. STATUTORY TECHNICAL AND CONFORMING CHANGES.

(4) Representation of eligible clients over the age of 60 regarding the following matters:

a. Wills and estates;

b. Safe and sanitary housing;

c. Pensions and retirement rights;

d. Social Security and Medicare rights;

e. Access to health care;

f. Food and nutrition; and
g. Transportation.

(5) Representation of eligible clients designed to enable them to obtain the necessary skills and means to obtain meaningful employment at a decent wage and reduce the public welfare rolls; and

(6) Representation of eligible clients under the age of 21 or eligible families with legal problems affecting persons under the age of 21 regarding the following matters:
a. Financial support and custody of children;
b. ~~Day~~ Child care;
c. Child abuse or neglect;
d. Safe and sanitary housing;
e. Food and nutrition; and
f. Access to health care."

Section 30. G.S. 7A-517(5) reads as rewritten:

" (5) Caretaker. -- Any person other than a parent, guardian, or custodian who has responsibility for the health and welfare of a juvenile in a residential setting. A person responsible for a juvenile's health and welfare means a stepparent, foster parent, an adult member of the juvenile's household, an adult relative entrusted with the juvenile's care, or any person such as a house parent or cottage parent who has primary responsibility for supervising a juvenile's health and welfare in a residential child care facility or residential educational facility. 'Caretaker' also means any person who has the responsibility for the care of a juvenile in a ~~child day care home or~~ child ~~day~~ care facility as defined in Article 7 of Chapter 110 of the General Statutes and includes any person who has the approval of the care provider to assume responsibility for the juveniles under the care of the care provider. Nothing in this subdivision shall be construed to impose a legal duty of support under Chapter 50 or Chapter 110 of the General Statutes. The duty imposed upon a caretaker as defined in this subdivision shall be for the purpose of Chapter 7A of the General Statutes only."

Section 31. G.S. 7A-542 reads as rewritten:

"§ 7A-542. Protective services.

The Director of the Department of Social Services in each county of the State shall establish protective services for juveniles alleged to be abused, neglected, or dependent.

Protective services shall include the investigation and screening of complaints, casework or other counseling services to parents or other caretakers as provided by the director to help the parents or other caretakers and the court to prevent abuse or neglect, to improve the quality of child care, to be more adequate parents or caretakers, and to preserve and stabilize family life.

The provisions of this Article shall also apply to child ~~day~~ care facilities ~~and child day care homes~~ as defined in G.S. 110-86."

Section 32. G.S. 7A-543 reads as rewritten:

"§ 7A-543. Duty to report child abuse, neglect, dependency, or death due to maltreatment.

Any person or institution who has cause to suspect that any juvenile is abused, neglected, or dependent, as defined by G.S. 7A-517, or has died as the result of maltreatment, shall report the case of that juvenile to the Director of the Department of Social Services in the county where the juvenile resides or is found. The report may be made orally, by telephone, or in writing. The report shall include information as is known to the person making it including the name and address of the juvenile; the name and address of the juvenile's parent, guardian, or caretaker; the age of the juvenile; the names and ages of other juveniles in the home; the present whereabouts of the juvenile if not at the home address; the nature and extent of any injury or condition resulting from abuse, neglect, or dependency; and any other information which the person making the report believes might be helpful in establishing the need for protective services or court intervention. If the report is made orally or by telephone, the person making the report shall give the person's name, address, and telephone number. Refusal of the person making the report to give a name shall not preclude the Department's investigation of the alleged abuse, neglect, dependency, or death as a result of maltreatment.

Upon receipt of any report of child sexual abuse in a ~~day~~ child care ~~facility or day care home,~~ facility, the Director shall notify the State Bureau of Investigation within 24 hours or on the next work day. If child sexual abuse in a ~~day~~ child care facility ~~or day care home~~ is not alleged in the initial report, but during the course of the investigation there is reason to suspect that child sexual abuse has occurred, the Director shall immediately notify the State Bureau of Investigation. Upon notification that child sexual abuse may have occurred in a ~~day~~ child care ~~facility or day care home,~~ facility, the State Bureau of Investigation may form a task force to investigate the report."

Section 33. G.S. 7A-548 reads as rewritten:

"§ 7A-548. Duty of Director to report evidence of abuse, neglect; investigation by local law enforcement; notification of Department of Human Resources and State Bureau of Investigation.

(a) If the Director finds evidence that a juvenile may have been abused as defined by G.S. 7A-517(1), the Director shall make an immediate oral and subsequent written report of the findings to the district attorney or the district attorney's designee and the appropriate local law enforcement agency within 48 hours after receipt of the report. The local law enforcement agency shall immediately, but no later than 48 hours after receipt of the information, initiate and coordinate a criminal investigation with the protective services investigation being conducted by the county Department of Social Services. Upon completion of the investigation, the district attorney shall determine whether criminal prosecution is appropriate and may request the Director or the Director's designee to appear before a magistrate.

If the Director receives information that a juvenile may have been physically harmed in violation of any criminal statute by any person other than the juvenile's parent, guardian, custodian, or caretaker, the Director shall make an immediate oral and subsequent written report of that information to the district attorney or the district attorney's designee and to the appropriate local law enforcement agency within 48 hours after receipt of the information. The local law enforcement agency shall immediately, but no later than 48 hours after receipt of the information, initiate a criminal investigation. Upon completion of the investigation, the district attorney shall determine whether criminal prosecution is appropriate.

If the report received pursuant to G.S. 7A-543 involves abuse or neglect of a juvenile in ~~day~~ child care, ~~either in a day care facility or a day care home,~~ the Director shall notify the Department of Human Resources within 24 hours or on the next working day of receipt of the report.

(a1) If the Director finds evidence that a juvenile has been abused or neglected as defined by G.S. 7A-517 in a ~~day~~ child care ~~facility or day care home, he~~ facility, the Director shall immediately so notify the Department of Human Resources and, in the case of child sexual abuse, the State Bureau of Investigation, in such a way as does not violate the law guaranteeing the confidentiality of the records of the Department of Social Services.

(a2) Upon completion of the investigation, the Director shall give the Department written notification of the results of the investigation required by G.S. 7A-544. Upon completion of an investigation of child sexual abuse in a ~~day~~ child care ~~facility or day care home,~~ facility, the Director shall also make written notification of the results of the investigation to the State Bureau of Investigation.

The Director of the Department of Social Services shall submit a report of alleged abuse, neglect, or dependency cases or child fatalities that are the result of alleged maltreatment to the central registry under the policies adopted by the Social Services Commission.

(b) Repealed by Session Laws 1991, (Reg. Sess., 1992), c. 923, s. 4."

Section 34. G.S. 95-28.3(a) reads as rewritten:

" (a) It is the belief of the General Assembly that parent involvement is an essential component of school success and positive student outcomes. Therefore, employers shall grant four hours per year leave to any employee who is a parent, guardian, or person standing **in loco parentis** of a school-aged child so that the employee may attend or otherwise be involved at that child's school. However, any leave under this section is subject to the following conditions:

(1) The leave shall be at a mutually agreed upon time between the employer and the employee.

(2) The employer may require an employee to provide the employer with a written request for the leave at least 48 hours before the time desired for the leave.

(3) The employer may require that the employee furnish written verification from the child's school that the employee attended or was otherwise involved at that school during the time of the leave.

For the purpose of this section, 'school' means any (i) public school, (ii) private church school, church of religious charter, or nonpublic school described in Parts 1 and 2 of Article 39 of Chapter 115C of the General Statutes that regularly provides a course of grade school instruction, (iii) preschool, and (iv) child ~~day~~ care facility as defined in G.S. 110-86(3)."

Section 35. G.S. 105-60 reads as rewritten:

"**§ 105-60. ~~Day-care~~ Child care facilities.**

Every person, firm or corporation engaged in operating a ~~day-care~~ child care facility as defined in G.S. 110-86(3) shall pay an annual license tax for the privilege of operating a ~~day-care~~ child care facility. This privilege license tax for a ~~day-care~~ child care facility licensed by the Department of Human Resources under Article 7, Chapter 110 of the General Statutes shall be as follows: fifty dollars ($50.00) for fewer than 50 children; one hundred dollars ($100.00) for 50 to 99 children; two hundred dollars ($200.00) for 100 to 149 children; three hundred dollars ($300.00) for 150 to 200 children; and four hundred dollars ($400.00) for more than 200 children."

Section 36. G.S. 105-164.13(26a) reads as rewritten:

"(26a) Food sold not for profit by a public school cafeteria to a child ~~day~~ care center that participates in the Child and Adult Care Food Program of the Department of Public Instruction."

Section 37. G.S. 114-15.3 reads as rewritten:

"**§ 114-15.3. Investigations of child sexual abuse in ~~day~~ child care.**

The Director of the Bureau may form a task force to investigate and gather evidence following a notification by the director of a county department of social services, pursuant to G.S. 7A-543, that child sexual abuse may have occurred in a ~~day~~ child care ~~facility or day care home.~~ facility."

Section 38. G.S. 114-19.3(a) reads as rewritten:

" (a) Authority. -- The Department of Justice may provide to any of the following entities a criminal record check of an individual who is employed by that entity, has applied for employment with that entity, or has volunteered to provide direct care on behalf of that entity:

(1) Hospitals licensed under Chapter 131E of the General Statutes.
(2) Nursing homes or combination homes licensed under Chapter 131E of the General Statutes.
(3) Adult care homes licensed under Chapter 131D of the General Statutes.
(4) Home care agencies or hospices licensed under Chapter 131E of the General Statutes.
(5) Child placing agencies licensed under Chapter 131D of the General Statutes.
(6) Residential child care facilities licensed under Chapter 131D of the General Statutes.
(7) Hospitals licensed under Chapter 122C of the General Statutes.
(8) Area mental health, developmental disabilities, and substance abuse authorities licensed under Chapter 122C of the General

Statutes, including a contract agency of an area authority that is subject to the provisions of Article 4 of that Chapter.

(9) Licensed child ~~day~~ care facilities ~~and registered~~ and nonregistered child ~~day~~ care homes regulated by the State.

(10) Any other organization or corporation, whether for profit or nonprofit, that provides direct care or services to children, the sick, the disabled, or the elderly."

Section 39. G.S. 114-19.5 reads as rewritten:

"**§ 114-19.5. Criminal record checks of child ~~day~~ care providers.**

The Department of Justice may provide to the Division of Child Development, Department of Human Resources, the criminal history from the State and National Repositories of Criminal Histories in accordance with G.S. 110-90.2, of any child ~~day~~ care provider, as defined in G.S. 110-90.2. The Division shall provide to the Department of Justice, along with the request, the fingerprints of the provider to be checked, any additional information required by the Department of Justice, and a form consenting to the check of the criminal record and to the use of fingerprints and other identifying information required by the State or National Repositories signed by the child ~~day~~ care provider to be checked. The Division shall keep all information pursuant to this section privileged, as provided in G.S. 110-90.2(e). The Department of Justice shall charge a reasonable fee only for conducting the checks of the national criminal history records authorized by this section."

Section 40. G.S. 115C-468(c)reads as rewritten:

"(c) The Superintendent of Public Instruction may earmark up to twenty percent (20%) of the funds available for scholarship loans each year for awards to applicants who have been employed for at least one year as teacher assistants and who are currently employed as teacher assistants. Preference for these scholarship loans from funds earmarked for teacher assistants shall be given first to applicants who worked as teacher assistants for at least five years and whose positions as teacher assistants were abolished and then to applicants who already hold a baccalaureate degree or who have already been formally admitted to an approved teacher education program in North Carolina. The criteria for awarding scholarship loans to applicants who worked as teacher assistants for at least five years and whose positions as teacher assistants were abolished shall include whether the teacher assistant has been admitted to an approved teacher education program in North Carolina.

The Superintendent of Public Instruction may further earmark a portion of these funds each year for two-year awards to applicants who have been employed for at least one year as teacher assistants to attend community colleges to get other skills of use in public schools or to get an early childhood associate degree. The provisions of this Article shall apply to these scholarship loans except that a recipient of one of these scholarship loans may receive credit upon the amount due by reason of the loan as provided in G.S. 115C-471(5) or by working in a nonteaching position in the North Carolina public schools or by working in a licensed ~~day~~ child care center in North Carolina."

Section 41. G.S. 120-70.71 reads as rewritten:

"**§ 120-70.71. Powers and duties.**

The Commission shall study State government policy and programs affecting the family, specifically addressing family issues from the point of existing laws, governmental programs needed or already functioning, and current family life issues. The Commission shall work in close collaboration with various agencies and programs dealing with the family. Among the issues the Commission may consider studying are the following:

(1) The feasibility of establishing model projects that would be located primarily in low-income, high dropout rate communities in North Carolina:
   a. To teach adults in the family to read; and
   b. To provide after school care for school-aged children using volunteers who could be retirees in the provision of services;

(2) The fiscal impact of a cash stipend created by a tax deduction or by industry dollars to promote literacy or the obtainment of a General Education Development Degree for persons who are presently illiterate or outside the school system;

(3) The need for ~~day~~ care for children and senior citizens, an increase in Aid to Families with Dependent Children payments and eligibility requirements, coordination of State law with federal welfare reform programs, in-home services for the elderly, additional funding for adult day care, and incentives for industries to develop ~~day~~ child care programs;

(4) The relationship between the decline of real income and the tax structure, college tax credits, the minimum wage, and welfare support systems;

(5) The State's efforts in the areas of adolescent pregnancy and teaching about adolescent sexuality;

(6) A comprehensive review of State and federal programs encouraging business and industry to provide adequate child care for their employees;

(7) An analysis of what the State is currently doing to encourage North Carolina businesses and industry to provide adequate child care for their employees;

(8) A survey of North Carolina employers that presently provide child care options for their employees and what types of options they provide;

(9) A comprehensive study of the types of tax incentives and other incentives that would encourage North Carolina businesses -- especially those that have 50 or more employees -- to either provide on-site child care facilities or provide other child care options and the cost to the State of these tax incentives;

(10) Recommendations of what the State could be doing to encourage North Carolina businesses to provide on-site child care facilities or other child care options for their employees;
(11) Recommendations of a comprehensive policy for North Carolina to encourage businesses within the State to provide on-site child care facilities or other child care options for their employees;
(12) The concept of requiring coverage of child health supervision services in all health insurance policies sold or delivered within the State;
(13) The issue of domestic violence; and
(14) The problem of suicide among the youth of the State."

Section 42. G.S. 120-123(44) reads as rewritten:

"(44) The Child ~~Day Care~~ Care Commission, as established by G.S. 143B-168.3."

Section 43. G.S. 122C-22(a) reads as rewritten:

" (a) The following are excluded from the provisions of this Article and are not required to obtain licensure under this Article:
(1) Physicians and psychologists engaged in private office practice;
(2) General hospitals licensed under Article 5 of Chapter 131E of the General Statutes, that operate special units for the mentally ill, developmentally disabled, or substance abusers;
(3) State and federally-operated facilities;
(4) Adult care homes licensed under Chapter 131D of the General Statutes;
(5) Developmental child ~~day~~ care centers licensed under Article 7 of Chapter 110 of the General Statutes;
(6) Persons subject to licensure under rules of the Social Services Commission;
(7) Persons subject to rules and regulations of the Division of Vocational Rehabilitation Services; and
(8) Facilities that provide occasional respite care for not more than two individuals at a time; provided that the primary purpose of the facility is other than as defined in G.S. 122C-3(14)."

Section 44. G.S. 122E-8(d) reads as rewritten:

(d) The Agency shall also give priority to applications which include provisions such as:
(1) Interest rates and loan terms more favorable than those conventionally offered;
(2) Developer contributions to project costs;
(3) Local government contributions to project costs, including infrastructure improvements, contributions of publicly owned land for housing development, and the provision of funds for such services as ~~day~~ child care and job training;

(4) Coordination with other housing and/or infrastructure investments in the community;
(5) Provision of housing to the disabled, single parent households, or rurally isolated households; or
(6) Provision of housing to persons whose current housing fails to meet basic standards of health and safety and who have little prospect of improving the condition of their housing except by residing in an eligible project receiving assistance under this Chapter."

Section 45. G.S. 130A-131.5 reads as rewritten:

"**§ 130A-131.5. Commission to adopt rules.**

(a) For the protection of the public health, the Commission shall adopt rules for the prevention and control of lead poisoning in children. The rules shall include provisions for:

(1) Reporting by laboratories of elevated blood lead levels in children less than six years of age; the rules shall specify the public health agency to which reports shall be made, and shall establish when a blood lead level is considered to be elevated. The rules shall further provide the specific information to be included in the reports, the time limits for reporting, and the form in which reports shall be submitted;
(2) Investigation by the Department to determine the source of elevated blood lead levels;
(3) Identification of lead poisoning hazards;
(4) Examination and testing of children less than six years of age who are reasonably suspected of having elevated blood lead levels; and
(5) Abatement of lead poisoning hazards in dwellings, schools and ~~day~~ child care facilities determined by the Department to be a potential source of an elevated blood lead level in a child less than six years of age.

(b) Abatement orders issued by the Department pursuant to this section shall require elimination of the lead poisoning hazard. Removal of children from the dwelling, school, or ~~day~~ child care facility shall not constitute abatement if the property continues to be used for a dwelling, school, or ~~day~~ child care facility."

Section 46. G.S. 130A-136 reads as rewritten:

"**§ 130A-136. School principals and ~~day-care~~ child care operators to report.**

A principal of a school and an operator of a ~~day-care~~ child care facility, as defined in G.S. 110-86(3), who has reason to suspect that a person within the school or ~~day-care~~ child care facility has a communicable disease or communicable condition declared by the Commission to be reported, shall report information required by the Commission to the local health director of the county or district in which the school or facility is located."

Section 47. G.S. 130A-155 reads as rewritten:

"**§130A-155. Submission of certificate to ~~day-care~~ child care facility and school authorities; record maintenance; reporting.**

(a) No child shall attend a school (K-12), whether public, private or religious, or a ~~day-care~~ child care facility as defined in G.S. 110- 86(3), unless a certificate of immunization indicating that the child has received the immunizations required by G.S. 130A-152 is presented to the school or facility. The parent, guardian, or responsible person must present a certificate of immunization on the child's first day of attendance to the principal of the school or operator of the facility, as defined in G.S. 110-86(7). If a certificate of immunization is not presented on the first day, the principal or operator shall present a notice of deficiency to the parent, guardian or responsible person. The parent, guardian or responsible person shall have 30 calendar days from the first day of attendance to obtain the required immunization for the child. If the administration of vaccine in a series of doses given at medically approved intervals requires a period in excess of 30 calendar days, additional days upon certification by a physician may be allowed to obtain the required immunization. Upon termination of 30 calendar days or the extended period, the principal or operator shall not permit the child to attend the school or facility unless the required immunization has been obtained.

(b) The school or ~~day-care~~ child care facility shall maintain on file immunization records for all children attending the school or facility which contain the information required for a certificate of immunization as specified in G.S. 130A-154. These certificates shall be open to inspection by the Department and the local health department during normal business hours. When a child transfers to another school or facility, the school or facility which the child previously attended shall, upon request, send a copy of the child's immunization record at no charge to the school or facility to which the child has transferred.

(c) Within 60 calendar days after the commencement of a new school year, the school shall file an immunization report with the Department. The ~~day-care~~ child care facility shall file an immunization report annually with the Department. The report shall be filed on forms prepared by the Department and shall state the number of children attending the school or facility, the number of children who had not obtained the required immunization within 30 days of their first attendance, the number of children who received a medical exemption and the number of children who received a religious exemption.

(d) Any adult who attends school (K-12), whether public, private or religious, shall obtain the immunizations required in G.S. 130A-152 and shall present to the school a certificate in accordance with this section. The physician or local health department administering a required vaccine to the adult shall give a certificate of immunization to the person. The certificate shall state the person's name, address, date of birth and sex; the number of doses of the vaccine given; the date the doses were given; the name and addresses of the physician or local health department administering the required immunization; and other relevant information required by the Commission."

Section 48. The heading for Article 3E, Chapter 143 of the General Statutes reads as rewritten:

"ARTICLE 3E.

State/Public School Child ~~Day~~ Care Contracts."

Section 49. G.S. 143-64.50 reads as rewritten:

"§ 143-64.50. State/public school-contracted on-, near-site ~~day~~ child care facilities; location authorization; contract for program services authorization.

State agencies and local boards of education may contract with any city, county, or other political subdivision of the State, governmental or private agency, person, association, or corporation to establish child ~~day~~ care services in State buildings and public schools. If the child ~~day~~ care program is located in a State building that is not used for legislative activity, the procedure for approving the location of the program shall be pursuant to G.S. 143-341(4). If the child ~~day~~ care program is located in a State building used for legislative activity, the procedure for approving the location of the program shall be pursuant to G.S. 120-32.1. If the child ~~day~~ care program is located in any other State building, the procedure for contracting for child ~~day~~ care services shall be pursuant to G.S. 143-49(3). If the child ~~day~~ care program is located in a State building used for legislative activity, the procedure for contracting for child ~~day~~ care services shall be pursuant to G.S. 120-32(4).

Contracts for services awarded pursuant to this section are exempt from the provisions of G.S. 66-58(a) and the contract may provide for payment of rent by the lessee or the operator of the facility."

Section 50. G.S. 143-64.51 reads as rewritten:

"§ 143-64.51. State/public school-contracted child ~~day~~ care facilities; licensing requirements.

All child ~~day~~ care facilities established pursuant to this Article shall be licensed and regulated under the provisions of Article 7 of Chapter 110 of the General Statutes, entitled '~~Day~~ Child Care Facilities.'"

Section 51. G.S. 143-64.52 reads as rewritten:

"§ 143-64.52. State/public school-contracted child ~~day~~ care facilities; limitation of State/local board liability.

The operators of the child ~~day~~ care facilities established pursuant to this Article shall assume all financial and legal responsibility for the operation of the programs and shall maintain adequate insurance coverage for the operations taking place in the facilities. Neither the operator or any of the staff of the facilities are considered State employees or local board of education employees by virtue of this Article alone. The State or the local boards of education are financially and legally responsible only for the maintenance of the building."

Section 52. G.S. 143-576.2(b) reads as rewritten:

"(b) Each Local Team shall consist of the following persons:

(1) The director of the county department of social services, and a member of the director's staff;

(2) A local law enforcement officer, appointed by the board of county commissioners;

(3) An attorney from the district attorney's office, appointed by the district attorney;

(4) The executive director of the local community action agency, as defined by the Division of Economic Opportunity, Department of Human Resources, or the executive director's designee;
(5) The superintendent of each local school administrative unit located in the county, or the superintendent's designee;
(6) A member of the county board of social services, appointed by the chair of that board;
(7) A local mental health professional, appointed by the director of the area authority established under Chapter 122C of the General Statutes;
(8) The local guardian **ad litem** coordinator, or the coordinator's designee;
(9) The director of the local department of public health; and
(10) A local health care provider, appointed by the local board of health.

In addition, a Local Team that reviews the records of additional child fatalities shall include the following four additional members:

(1) An emergency medical services provider or firefighter, appointed by the board of county commissioners;
(2) A district court judge, appointed by the chief district judge in that district;
(3) A county medical examiner, appointed by the Chief Medical Examiner;
(4) A representative of a local ~~day~~ child care facility or Head Start program, appointed by the director of the county department of social services; and
(5) A parent of a child who died before reaching the child's eighteenth birthday, to be appointed by the board of county commissioners.

The Team Coordinator shall serve as an ex officio member of each Local Team that reviews the records of additional child fatalities. The board of county commissioners may appoint a maximum of five additional members to represent county agencies or the community at large to serve on any Local Team. Vacancies on a Local Team shall be filled by the original appointing authority."

Section 53. G.S. 143-599 reads as rewritten:

"**§ 143-599. Exemptions.**

All of the following facilities shall be exempt from the provisions of this Article:

(1) Any primary or secondary school or ~~day~~ child care center, except for a teacher's lounge.
(2) An enclosed elevator.
(3) Public school bus.
(4) Hospital, nursing home, rest home, and State facility operated under the authority of G.S. 122C-181.
(5) Local health department.

(6) Any nonprofit organization or corporation whose primary purpose is to discourage the use of tobacco products by the general public.
(7) Tobacco manufacturing, processing, and administrative facilities."

Section 54. G.S. 143B-138 reads as rewritten:

"**§ 143B-138. Department of Human Resources -- functions and organization.**

(a) Repealed by Session Laws 1989, c. 727, s. 5.

(b) All functions, powers, duties, and obligations heretofore vested in commissions, boards, councils, committees, or subunits of the Department of Human Resources which are not transferred by G.S. 143B-279.3 shall continue to be vested in the Department of Human Resources. These shall include, but are not limited to, the following:

(1) Division of Aging.

(21) Board of Directors for the North Carolina Schools for the Deaf.
(22) North Carolina Council for the Hearing Impaired.
(23) Council on Developmental Disabilities.
(24) North Carolina Council on the Holocaust.

(c) All functions, powers, duties, and obligations heretofore vested in the Economic Opportunity Division of the Department of Natural Resources and Community Development are hereby transferred to and vested in the Department of Human Resources by a Type I transfer as defined in G.S. 143A-6.

(d) The Department of Human Resources is vested with all other functions, powers, duties, and obligations as are conferred by the Constitution and laws of this State."

Section 55. G.S. 143B-153(8) reads as rewritten:

"(8) The Commission may establish by regulation, except for Title XX services provided solely through the Division of Mental Health, Developmental Disabilities, and Substance Abuse Services, rates or fees for:

a. A fee schedule for the payment of the costs of necessary ~~day~~ child care in licensed facilities and registered plans for minor children of needy families.

b. A fee schedule for the payment by recipients for services which are established in accordance with Title XX of the Social Security Act and implementing regulations; and

c. The payment of an administrative fee not to exceed two hundred dollars ($200.00) to be paid by public or nonprofit agencies which employ students under the Plan Assuring College Education (PACE) program.

d. Child support enforcement services as defined by G.S. 110-130.1."

Section 56. G.S. 143B-168.3 reads as rewritten:

"§ 143B-168.3. Child ~~Day-Care~~ Care Commission -- powers and duties.

The Child Day-Care Licensing Commission of the Department of Administration is transferred, recodified, and renamed the Child ~~Day-Care~~ Care Commission of the Department of Human Resources with the power and duty to adopt rules to be followed in the licensing and operation of child ~~day~~ care facilities ~~and child day care homes~~ as provided by Article 7 of Chapter 110 of the General Statutes.

(a) The Child ~~Day-Care~~ Care Commission shall adopt rules:

(1) For the issuance of licenses to any ~~day~~ child care facility; and

(2) To ~~register child day care homes and to~~ adopt rules as provided by Article 7 of Chapter 110 of the General Statutes of the State of North Carolina, and to establish standards for ~~"AA"~~ enhanced program licenses, as authorized by G.S. 110-88(7).

(b) The Commission shall adopt rules consistent with the provisions of this Chapter. All rules not inconsistent with the provisions of this Chapter heretofore adopted by the Child Day-Care Licensing Commission shall remain in full force and effect unless and until repealed or superseded by action of the Child ~~Day-Care~~ Care Commission. All rules and regulations adopted by the Commission shall be enforced by the Department of Human Resources."

Section 57. G.S. 143B-168.4(a) reads as rewritten:

"§ 143B-168.4. Child ~~Day-Care~~ Care Commission -- members; selection; quorum.

(a) The Child ~~Day-Care~~ Care Commission of the Department of Human Resources shall consist of 15 members. Seven of the members shall be appointed by the Governor and eight by the General Assembly, four upon the recommendation of the President Pro Tempore of the Senate, and four upon the recommendation of the Speaker of the House of Representatives. Four of the members appointed by the Governor, two by the General Assembly on the recommendation of the President Pro

Tempore of the Senate, and two by the General Assembly on the recommendation of the Speaker of the House of Representatives, shall be members of the public who are not employed in, or providing, ~~day~~ child care and who have no financial interest in a ~~day~~ child care ~~facility or home.~~ facility. Two of the foregoing public members appointed by the Governor, one of the foregoing public members recommended by the President Pro Tempore of the Senate, and one of the foregoing public members recommended by the Speaker of the House of Representatives shall be parents of children receiving ~~day~~ child care services. Of the remaining two public members appointed by the Governor, one shall be a pediatrician currently licensed to practice in North Carolina. Three of the members appointed by the Governor shall be ~~day~~ child care providers, one of whom shall be affiliated with a for profit ~~day~~ child care ~~facility,~~ center, one of whom shall be affiliated with a for profit ~~day~~ family child care home, and one of whom shall be affiliated with a nonprofit ~~home or~~ facility. Two of the members appointed by the General Assembly on the recommendation of the President Pro Tempore of the Senate, and two by the General Assembly on recommendation of the Speaker of the House of Representatives, shall be ~~day~~ care providers, one affiliated with a for profit ~~day~~ care ~~facility or home,~~ facility, and one affiliated with a nonprofit ~~day~~ care ~~facility or home.~~ facility. None may be employees of the State."

Section 58. G.S. 143B-168.5 reads as rewritten:

"**§ 143B-168.5. Child ~~Day~~ Care -- special unit.**

There is established within the Department of Human Resources a special unit to deal primarily with violations involving child abuse and neglect in child ~~day~~ care arrangements. The Child ~~Day~~ Care Commission shall make rules for the investigation of reports of child abuse or neglect and for administrative action when child abuse or neglect is substantiated, pursuant to G.S. 110-88(6a), 110-105, and ~~110-105.1.~~ 110-105.2."

Section 59. G.S. 143B-168.14 reads as rewritten:

"**§ 143B-168.14. Local partnerships; conditions.**

(a) In order to receive State funds, the following conditions shall be met:

(1) Each local demonstration project shall be coordinated by a new local partnership responsible for developing a comprehensive, collaborative, long-range plan of services to children and families in the service-delivery area. The board of directors of each local partnership shall consist of members including representatives of public and private nonprofit health and human service agencies, ~~day~~ child care providers, the business community, foundations, county and municipal governments, local education units, and families. The Department, in cooperation with the North Carolina Partnership, may specify in its requests for applications the local agencies that shall be represented on a local board of directors. No existing local, private, nonprofit 501(c)(3) organization, other than one established on or after July 1, 1993, and that meets the guidelines for local partnerships as established under this Part,

shall be eligible to apply to serve as the local partnership for the purpose of this Part.

(2) Each local partnership shall agree to adopt procedures for its operations that are comparable to those of Article 33C of Chapter 143 of the General Statutes, the Open Meetings Law, and Chapter 132 of the General Statutes, the Public Records Law, and provide for enforcement by the Department.

(3) Each local partnership shall adopt procedures to ensure that all personnel who provide services to young children and their families under this Part know and understand their responsibility to report suspected child abuse, neglect, or dependency, as defined in G.S. 7A-517.

(4) Each local partnership shall participate in the uniform, standard fiscal accountability plan developed and adopted by the North Carolina Partnership.

(b) Each local partnership shall be subject to audit and review by the State Auditor under Article 5A of Chapter 147 of the General Statutes. The State Auditor shall conduct annual financial and compliance audits of the local partnerships."

Section 60. G.S. 143B-168.15 reads as rewritten:

§ 143B-168.15. Use of State funds.

(a) State funds allocated to local projects for services to children and families shall be used to meet assessed needs, expand coverage, and improve the quality of these services. The local plan shall address the assessed needs of all children to the extent feasible. It is the intent of the General Assembly that the needs of both young children below poverty who remain in the home, as well as the needs of young children below poverty who require services beyond those offered in child care settings, be addressed. Therefore, as local partnerships address the assessed needs of all children, they should devote an appropriate amount of their State allocations, considering these needs and other available resources, to meet the needs of children below poverty and their families.

(b) Depending on local, regional, or statewide needs, funds may be used to support activities and services that shall be made available and accessible to providers, children, and families on a voluntary basis. Of the funds allocated to local partnerships that are designated by the Secretary for direct services, seventy-five percent (75%) shall be used for any one or more of the following activities and services:

(1) Child ~~day~~ care services, including:

a. Child ~~day~~ care subsidies to reduce waiting lists;

b. Raising the county child ~~day~~ care subsidy rate to the State market rate, if applicable, in return for improvements in the quality of child ~~day~~ care services;

c. Raising the income eligibility for child ~~day~~ care subsidies to seventy-five percent (75%) of the State median family income;

d. Start-up funding for child ~~day~~ care providers;
e. Assistance to enable child ~~day~~ care providers to conform to licensing and building code requirements;
f. Child ~~day~~ care resources and referral services;
g. Enhancement of the quality of child ~~day~~ care provided;
h. Technical assistance for child ~~day~~ care providers;
i. Quality grants for child ~~day~~ care centers or family child ~~day~~ care homes;
j. Expanded services or enhanced rates for children with special needs;
k. Head Start services;
l. Development of comprehensive child ~~day~~ care services that include child health and family support;
m. Activities to reduce staff turnover;
n. Activities to serve children with special needs;
o. Transportation services related to providing child ~~day~~ care services;
p. Evaluation of plan implementation of child ~~day~~ care services; and
q. Needs and resources assessments for child ~~day~~ care services.

(2) Family- and child-centered services, including early childhood education and child development services, including:
a. Enhancement of the quality of family- and child-centered services provided;
b. Technical assistance for family- and child-centered services;
c. Needs and resource assessments for family- and child-centered services;
d. Home-centered services; and
e. Evaluation of plan implementation of family- and child-centered services.

(3) Other appropriate activities and services for child ~~day~~ care providers and for family- and child-centered services, including:
a. Staff and organizational development, leadership and administrative development, technology assisted education, and long-range planning; and
b. Procedures to ensure that infants and young children receive needed health, immunization, and related services.

(c) Long-term plans for local projects that do not receive their full allocation in the first year, other than those selected in 1993, should consider how to meet the assessed needs of low-income children and families within their neighborhoods or communities. These plans also should reflect a process to meet these needs as additional allocations and other resources are received.

(d) State funds designated for start-up and related activities may be used for capital expenses or to support activities and services for children, families, and

providers. State funds designated to support direct services for children, families, and providers shall not be used for major capital expenses unless the North Carolina Partnership approves this use of State funds based upon a finding that a local partnership has demonstrated that (i) this use is a clear priority need for the local plan, (ii) it is necessary to enable the local partnership to provide services and activities to underserved children and families, and (iii) the local partnership will not otherwise be able to meet this priority need by using State or federal funds available to that local partnership. The funds approved for capital projects in any two consecutive fiscal years may not exceed ten percent (10%) of the total funds for direct services allocated to a local partnership in those two consecutive fiscal years.

(e) State funds allocated to local partnerships shall not supplant current expenditures by counties on behalf of young children and their families, and maintenance of current efforts on behalf of these children and families shall be sustained. State funds shall not be applied without the Secretary's approval where State or federal funding sources, such as Head Start, are available or could be made available to that county.

(f) Local partnerships may carry over funds from one fiscal year to the next, subject to the following conditions:

(1) Local partnerships in their first year of receiving direct services funding may, on a one-time basis only, carry over any unspent funds to the subsequent fiscal year.

(2) Any local partnership may carry over any unspent funds to the subsequent fiscal year, subject to the limitation that funds carried over may not exceed the increase in funding the local partnership received during the current fiscal year over the prior fiscal year.

(g) Not less than thirty percent (30%) of each local partnership's direct services allocation shall be used to expand child ~~day~~ care subsidies. To the extent practicable, these funds shall be used to enhance the affordability, availability, and quality of child ~~day~~ care services as described in this section."

Section 61. G.S. 143B-178 reads as rewritten:

"**§ 143B-178. Council on Developmental Disabilities -- definitions.**

The following definitions apply to this Chapter:

(1) The term 'developmental disability' means a severe, chronic disability of a person which:

a. Is attributable to a mental or physical impairment or combination of mental and physical impairments;

b. Is manifested before the person attains age 22, unless the disability is caused by a traumatic head injury and is manifested after age 22;

c. Is likely to continue indefinitely;

d. Results in substantial functional limitations in three or more of the following areas of major life activity: (i) self-care, (ii) receptive and expressive language, (iii) learning, (iv)

mobility, (v) self-direction, (vi) capacity for independent living, and (vii) economic self-sufficiency; and

e. Reflects the person's need for a combination and sequence of special, interdisciplinary, or generic care, treatment, or other services which are of lifelong or extended duration and are individually planned and coordinated.

(2) The term 'services for persons with developmental disabilities,' as it is used in this Article, means:

a. Alternative community living arrangement services, employment related activities, child development services, and case management services; and

b. Any other specialized services or special adaptations of generic services including diagnosis, evaluation, treatment, personal care, ~~day~~ child care, adult care, special living arrangements, training, education, sheltered employment, recreation and socialization, counseling of the individual with such a disability and of his family, protective and other social and sociolegal services, information and referral services, follow-along services, nonvocational social-developmental services, and transportation services necessary to assure delivery of services to persons with developmental disabilities, and services to promote and coordinate activities to prevent developmental disabilities.

Section 62. G.S. 153A-234 reads as rewritten:

"**§153A-234. Fire marshal.**

A county may appoint a fire marshal and employ persons as his assistants. A county may also impose any duty that might be imposed on a fire marshal on any other officer or employee of the county. The board of commissioners shall set the duties of the fire marshal, which may include but are not limited to:

(1) Advising the board on improvements in the fire-fighting or fire prevention activities under the county's supervision or control.

(2) Coordinating fire-fighting and training activities under the county's supervision or control.

(3) Coordinating fire prevention activities under the county's supervision or control.

(4) Assisting incorporated volunteer fire departments in developing and improving their fire-fighting or fire prevention capabilities.

(5) Making fire prevention inspections, including the periodic inspections and reports of school buildings required by Chapter 115 and the inspections of ~~day-care~~ child care facilities required by Chapter 110. A fire marshal shall not make electrical inspections unless he is qualified to do so under G.S. 153A-351."

HOUSE BILL 804
Proposed Committee Substitute H804-PCSA364

Short Title: Lincoln Local Roads. (Local)

Referred to:

April 3, 1997

A BILL TO BE ENTITLED

AN ACT TO GIVE LINCOLN COUNTY AUTHORITY TO BUILD AND IMPROVE ROADS WITHIN LINCOLN COUNTY THAT ARE NOT PART OF THE STATE HIGHWAY SYSTEM.

The General Assembly of North Carolina enacts:

Section 1. A county may build, construct, improve, reconstruct, widen, pave, install curbs and gutters, and otherwise build and improve roads and streets that are located in the county and outside a city and that are not part of the State highway system and may advertise, accept bids, enter into contracts, and undertake any other action reasonably necessary to carry out the powers granted by this act. A county shall make special assessments against benefitted property to pay for any work in accordance with the procedures set forth in this act. The authority granted by this act shall include the authority to make any improvements necessary to bring roads up to State standards so that they may be accepted into the State highway system.

Section 2. Before a county may finance all or a portion of the cost of improvements to a subdivision or residential street, it must receive a petition for the improvements signed by at least seventy-five percent (75%) of the owners of property to be assessed, who must represent at least seventy-five percent (75%) of all the lineal feet of frontage of the lands abutting on the street or portion thereof to be improved. The petition shall state that portion of the cost of the improvement to be assessed, which shall be the local share required by policies of the Secondary Roads Council. A county may treat as a unit and consider as one street two or more connecting State-maintained subdivision or residential streets in a petition filed under this

subsection calling for the improvement of subdivision or residential streets subject to property owner sharing in the cost of improvement under policies of the Department of Transportation.

Property owned by the United States shall not be included in determining the lineal feet of frontage on the improvement, nor shall the United States be included in determining the number of owners of property abutting the improvement. Property owned by the State of North Carolina shall be included in determining frontage and the number of owners only if the State has consented to assessment as provided in G.S. 153A-189. Property owned, leased, or controlled by railroad companies shall be included in determining frontage and the number of owners to the extent the property is subject to assessment under G.S. 160A-222. Property owned, leased, or controlled by railroad companies that is not subject to assessment shall not be included in determining frontage or the number of owners.

No right of action or defense asserting the invalidity of street assessments on grounds that the county did not comply with this subsection in securing a valid petition may be asserted except in an action or proceeding begun within 90 days after the day of publication of the notice of adoption of the preliminary assessment resolution.

Section 3. This act is intended to provide a means of assisting in financing improvements to streets and roads that are not on the State highway system. By financing improvements under this act, a county does not acquire or assume any responsibility for the streets or roads involved, and a county has no liability arising from the construction of an improvement to a road or the maintenance of the street or road.

Section 4. A county may make assessments against benefitted property to recoup all or part of the costs of the work authorized in this act on the basis of:

(1) The frontage abutting on the project, at an equal rate per foot of frontage; or

(2) The street frontage of the lots served, or subject to being served, by the project, at an equal rate per foot of frontage; or

(3) The area of land served, or subject to being served, by the project, at an equal rate per unit of area; or

(4) The valuation of land served, or subject to being served, by the project, being the value of the land without improvements as shown on the tax records of the county, at an equal rate per dollar of valuation; or

(5) A combination of two or more of these bases. For each project, the Board of Commissioners shall endeavor to establish an assessment method from among the bases set out in this section that will most accurately assess each lot or parcel of land according to the benefit conferred upon it by the project. The Board's decision as to the method of assessment is final and not subject to further review and challenge.

Section 5. The Board of Commissioners shall develop guidelines for determining which projects, authorized by this act, to pursue and in what order. The Board of Commissioners may consider, among other reasonable factors:

(1) The chronological order in which it receives petitions as provided for in this act;

(2) The number of citizens to be served per mile by the proposed project;

(3) The severity of the need to be alleviated by the proposed project relative to other similar situations in the county; or

(4) Funds advanced, if any, by the citizens to be served by the proposed project to participate in paying for the project.

Section 6. Except as otherwise provided in this act, a county shall follow the procedures set forth in Article 9 of Chapter 153A of the General Statutes in making, giving notice of, providing for payment of, and enforcing assessments for projects authorized in this act.

Section 7. This act applies to Lincoln County only.

Section 8. This act is effective when it becomes law.

A BILL TO BE ENTITLED

AN ACT TO ALLOW HERTFORD AND NORTHAMPTON COUNTIES TO ACQUIRE PROPERTY FOR USE BY THEIR COUNTY BOARDS OF EDUCATION.

The General Assembly of North Carolina enacts:

Section 1. G.S. 153A-158.1 reads as rewritten:

"**§ 153A-158.1. Acquisition and improvement of school property in certain counties.**

(a) Acquisition by County. -- A county may acquire, by any lawful method, any interest in real or personal property for use by a school administrative unit within the county. In exercising the power of eminent domain a county shall use the procedures of Chapter 40A. The county shall use its authority under this subsection to acquire property for use by a school administrative unit within the county only upon the request of the board of education of that school administrative unit and after a public hearing.

(b) Construction or Improvement by County. -- A county may construct, equip, expand, improve, renovate, or otherwise make available property for use by a school administrative unit within the county. The local board of education shall be involved in the design, construction, equipping, expansion, improvement, or renovation of the property to the same extent as if the local board owned the property.

(c) Lease or Sale by Board of Education. -- Notwithstanding the provisions of G.S. 115C-518 and G.S. 160A-274, a local board of education may, in connection with additions, improvements, renovations, or repairs to all or part of any of its property,

lease or sell the property to the board of commissioners of the county in which the property is located for any price negotiated between the two boards.

(d) Board of Education May Contract for Construction. -- Notwithstanding the provisions of G.S. 115C-40 and G.S. 115C-521, a local board of education may enter into contracts for the erection or repair of school buildings upon sites owned in fee simple by one or more counties in which the local school administrative unit is located.

(e) Scope. -- This section applies to Alleghany, Ashe, Avery, Bladen, Brunswick, Cabarrus, Carteret, Cherokee, Chowan, Columbus, Currituck, Dare, Duplin, Edgecombe, Forsyth, Franklin, Graham, Greene, Guilford, Halifax, Harnett, Haywood, Hertford, Hyde, Iredell, Jackson, Johnston, Jones, Lee, Macon, Madison, Martin, Moore, Nash, New Hanover, Northampton, Orange, Pasquotank, Pender, Person, Pitt, Randolph, Richmond, Rockingham, Rowan, Sampson, Scotland, Stanly, Surry, Union, Vance, Wake, Wilson, and Watauga Counties."

Referred to:

February 24, 1997

A BILL TO BE ENTITLED

AN ACT TO ENACT THE ENVIRONMENTALLY SOUND POLICY ACT (ESP) AND TO PROVIDE A MENU OF MEASURES TO PROTECT HEALTH AND THE ENVIRONMENT.

The General Assembly of North Carolina enacts:

Section 1. This act shall be known and may be cited as the "Environmentally Sound Policy Act of 1997 (ESP)".

Section 2. Article 67 of Chapter 106 of the General Statutes reads as rewritten:

"ARTICLE 67.

"Swine Farms.

"§ 106-800. Title.

This Article shall be known as the 'Swine Farm Siting Act'.

"§ 106-801. Purpose.

The General Assembly finds that certain limitations on the siting of swine houses and lagoons for swine farms can assist in the development of pork production, which contributes to the economic development of the State, by lessening the interference with the use and enjoyment of adjoining property.

"§ 106-802. Definitions.

As used in this Article, unless the context clearly requires otherwise:

(1a) 'Intensive animal feeding operation' means a new or enlarged swine farm with a design capacity of more than 800,000 pounds steady state live weight.

(1) 'Lagoon' means a confined body of water to hold animal byproducts including bodily waste from animals or a mixture of waste with feed, bedding, litter or other agricultural materials.

(2) Repealed by Session Laws 1997 (Regular Session, 1996), c. 626, s. 7.

(3) 'Occupied residence' means a dwelling actually inhabited by a person on a continuous basis as exemplified by a person living in his or her home.

(3a) 'Outdoor recreational facility' means any plot or tract of land on which there is located an outdoor swimming pool, tennis court, or golf course that is open to either the general public or to the members and guests of any organization having 100 or more members.

(4) 'Site evaluation' means an investigation to determine if a site meets all federal and State standards as evidenced by the Waste Management Facility Site Evaluation Report on file with the Soil and Water Conservation District office or a comparable report certified by a professional engineer or a comparable report certified by a technical specialist approved by the North Carolina Soil and Water Conservation Commission.

~~Department of Environment, Health and Natural Resources~~

(5) 'Swine farm' means a tract of land devoted to raising 250 or more animals of the porcine species.

(6) 'Swine house' means a building that shelters porcine animals on a continuous basis.

"§ 106-803. Siting requirements for swine houses, lagoons, and land areas onto which waste is applied at swine farms.

(a) A swine house or a lagoon that is a component of a swine farm shall be ~~located~~ located:

(1) ~~at~~ At least 1,500 feet from any occupied residence;

(2) ~~at~~ At least 2,500 feet from any school, hospital, national or State park or forest, wildlife refuge, fragile or historic area, or outdoor recreational facility, or church;

(3) At least 1,320 feet from any surface waters of the State;

(4) At least 1,000 feet from any property boundary for any new or enlarged swine farm with a design capacity of at least 500,000 pounds steady state live weight;

(5) At least 1,500 feet from any property boundary for any new or enlarged swine farm with a design capacity of more than 1,000,000 pounds steady state live weight;

(6) ~~at~~ At least 500 feet from any property ~~boundary.~~ boundary or public or private drinking water supply.

(a1) The outer perimeter of the land area onto which waste is applied from a lagoon that is a component of a swine farm shall be at least 50 feet from any

boundary of property on which an occupied residence is located from any perennial stream or river, other than an irrigation ditch or canal.

(a2) No component of a liquid animal waste management system for which a permit is required under Part 1A of Article 21 of Chapter 143 of the General Statutes, other than a land application site, shall be constructed on land that is located within the 100-year floodplain.

(b) A swine house or a lagoon that is a component of a swine farm may be located closer to a residence, school, hospital, church, or a property boundary than is allowed under subsection (a) of this section if written permission is given by the owner of the property and recorded with the Register of Deeds.

"**§ 106-804. Enforcement.**

(a) Any person ~~owning~~ who owns property directly affected by the siting requirements of G.S. 106-803 pursuant to subsection (b) of this section may bring a civil action against a swine farmer who has violated G.S. 106-803 and may seek any one or more of the following:

(1) Injunctive relief.

(2) An order enforcing the siting requirements under G.S. 106-803.

(3) Damages caused by the violation.

(b) A person is directly affected by the siting requirements of G.S. 106-803 only if the person ~~owns:~~ owns a facility or property located less than the siting requirements specified under G.S. 106-803.

~~(1) An occupied residence located less than 1,500 feet from a swine house or lagoon in violation of G.S. 106-803.~~

~~(2) A school, hospital, or church located less than 2,500 feet from a swine house or lagoon in violation of G.S. 106-803.~~

~~(3) Property whose boundary is located less than 500 feet from a swine house or lagoon in violation of G.S. 106-803.~~

~~(4) Property on which an occupied residence is located and whose boundary is less than 50 feet from the outer perimeter of the land area onto which waste is applied from a lagoon that is a component of a swine farm in violation of G.S. 106-803.~~

~~(5) Property that abuts a perennial stream or river, or on which a perennial stream or river is located, and that property and that perennial stream or river are less than 50 feet from the outer perimeter of the land area onto which waste is applied from a lagoon that is a component of a swine farm in violation of G.S. 106-803.~~

(c) If the court determines it is appropriate, the court may award court costs, including reasonable attorneys' fees and expert witnesses' fees, to any party. If a temporary restraining order or preliminary injunction is sought, the court may require the filing of a bond or equivalent security. The court shall determine the amount of the bond or security.

(d) Nothing in this section shall restrict any other right that any person may have under any statute or common law to seek injunctive or other relief.

"**§ 106-805. Written notice of swine farms.**

Any person who intends to construct a swine farm whose animal waste management system is subject to a permit under Part 1A of Article 21 of Chapter 143 of the General Statutes shall, after completing a site evaluation and before the farm site is modified, ~~attempt to~~ notify all adjoining property ~~owners and~~ owners, all property owners who own property located across a public road, street, or highway from the swine ~~farm~~ farm, the county or counties in which the farm site is located, and the local health departments of that person's intent to construct the swine farm. This notice shall be by certified mail sent to the address on record at the property tax office in the county in which the land is located. The written notice shall include all of the following:

(1) The name and address of the person intending to construct a swine farm.

(2) The type of swine farm and the design capacity of the animal waste management system.

(3) The name and address of the technical specialist preparing the waste management plan.

(4) The address of the local Soil and Water Conservation District office.

(5) Information informing the adjoining property owners and the property owners who own property located across a public road, street, or highway from the swine farm that they may submit written comments to the Division of Water Quality, Department of Environment, Health, and Natural Resources.

Prior to issuing a permit for an intensive animal feeding operation, the Department shall conduct a public hearing at the applicant's expense if the Department receives at least 20 written requests for the public hearing from persons who live within one mile of the proposed site."

Section 2.1. G.S. 143-215.107(a) is amended by adding a new subdivision to read:

"(11) To develop and adopt standards and plans necessary to implement programs to control the emission of odors from animal operations, as defined in G.S. 143-215.10B."

Section 3. G.S. 143-215(e) is repealed.

Section 4. G.S. 153A-340 reads as rewritten:

"**§ 153A-340. Grant of power.**

(a) For the purpose of promoting health, safety, morals, or the general welfare, a county may regulate and restrict the height, number of stories and size of buildings and other structures, the percentage of lots that may be occupied, the size of yards, courts and other open spaces, the density of population, and the location and use of buildings, structures, and land for trade, industry, residence, or other purposes, and to provide density credits or severable development rights for dedicated rights-of-way pursuant to G.S. 136-66.10 or G.S. 136-66.11.

(b) These regulations may not affect bona fide farms, but any use of farm property for nonfarm purposes is subject to the regulations. Bona fide farm purposes include the production and activities relating or incidental to the production of crops, fruits, vegetables, ornamental and flowering plants, dairy, livestock, poultry, and all other forms of agricultural products having a domestic or foreign market. These regulations may apply to intensive animal feeding operations, as defined in G.S. 106-802. An intensive animal feeding operation is not a farm for the purpose of this Part.

(c) The regulations may provide that a board of adjustment may determine and vary their application in harmony with their general purpose and intent and in accordance with general or specific rules therein contained. The regulations may also provide that the board of adjustment or the board of commissioners may issue special use permits or conditional use permits in the classes of cases or situations and in accordance with the principles, conditions, safeguards, and procedures specified therein and may impose reasonable and appropriate conditions and safeguards upon these permits. Where appropriate, the conditions may include requirements that street and utility rights-of-way be dedicated to the public and that recreational space be provided. When issuing or denying special use permits or conditional use permits, the board of commissioners shall follow the procedures for boards of adjustment except that no vote greater than a majority vote shall be required for the board of commissioners to issue such permits, and every such decision of the board of commissioners shall be subject to review by the superior court by proceedings in the nature of certiorari.

(d) A county may regulate the development over estuarine waters and over lands covered by navigable waters owned by the State pursuant to G.S. 146-12, within the bounds of that county.

(e) For the purpose of this section, the term 'structures' shall include floating homes.

(f) Any petition for review by the superior court shall be filed with the clerk of superior court within 30 days after the decision of the board of commissioners is filed in such office as the ordinance specifies, or after a written copy thereof is delivered to every aggrieved party who has filed a written request for such copy with the clerk at the time of the hearing of the case, whichever is later. The decision of the board of commissioners may be delivered to the aggrieved party either by personal service or by registered mail or certified mail return receipt requested."

Section 5. A zoning regulation applicable to intensive animal feeding operations adopted by a board of county commissioners prior to the date Section 4 of this act becomes effective is hereby retroactively validated.

Section 6. There is established a one-year moratorium for any new or expanding swine farm or lagoon for which a permit is required under Part 1A of Chapter 143 of the General Statutes for any area in the State that: (i) has a county population of less than 75,000 according to the most recent decennial federal census; (ii) has over one hundred fifty million dollars ($150,000,000) on expenditures for travel and tourism based on the most recent figures of the Department of Commerce;

and (iii) is not in the coastal area as defined by G.S. 113A-103. Effective 1 January 1997, until the expiration of a one-year period beginning on the date this act becomes effective, the Environmental Management Commission shall not issue a permit for an animal waste management system, as defined in G.S. 143-215.10B, or for a new or expanded swine farm or lagoon, as defined in G.S. 106-802.

Section 7. There is established a one-year moratorium on the construction or expansion of swine farms and lagoons. The Environmental Management Commission shall not issue a permit for an animal waste management system, as defined in G.S. 143-215.10B, for a new or expanded swine farm or lagoon, as defined in G.S. 106-802, for a one-year period beginning on the date this act becomes effective except as provided by this section. This section prohibits the construction or expansion of an animal waste management system for a swine farm for one year from the date this act becomes effective regardless of the date on which a site evaluation for the swine farm is completed and regardless of whether the animal waste management system is permitted under Part 1A of Article 21 of Chapter 143 of the General Statutes or deemed permitted under 15A North Carolina Administrative Code 2H.0217 but does not prohibit:

(1) Construction to repair a component of an existing swine farm or lagoon.

(2) Construction to replace a component of an existing swine farm or lagoon if the replacement does not result in an increase in swine population, except as provided in subdivision (4) of this section.

(3) Construction or expansion, if the person undertaking the construction or expansion of the swine farm, lagoon, or animal waste management system has, prior to the effective date of this section, either:

a. Entered into a bona fide contract to purchase land, materials, or equipment for the construction or expansion; or

b. Been approved for a loan or line of credit from a lending institution to finance the construction or expansion and has obligated or expended funds derived from the loan or line of credit.

(4) Construction or expansion on or after the date this act becomes law for the purpose of increasing the swine population to the projected population or to the population that the animal waste management system serving that swine farm is designed to accommodate, as set forth in a registration of the swine operation filed with the Department of Environment, Health, and Natural Resources before the date this act becomes law.

(5) Construction or expansion on or after the date this act becomes law for the purpose of complying with applicable animal waste management rules and not for the purpose of increasing the swine population.

Section 8. (a) Except as provided in subsection (b) of this section, Section 2 of this act is effective when it becomes law and applies to the construction or enlargement, on or after the effective date of this act, of swine houses, lagoons, and land areas onto which waste is applied from a lagoon that are components of a swine farm. Section 2 of this act does not apply under each of the following circumstances when the construction or enlargement occurs on or after the effective date of this act:

(1) For the purpose of increasing the swine population to that set forth as the projected population in a registration of the swine operation filed with the Department of Environment, Health, and Natural Resources prior to the effective date of this act.

(2) For the purpose of increasing the swine population to the population that the animal waste management system is designed to accommodate as that system is set forth in a registration of the swine operation filed with the Department of Environment, Health, and Natural Resources, or an animal waste management plan approved prior to the effective date of this act.

(3) For the purpose of complying with applicable animal waste management rules and not for the purpose of increasing the swine population.

(b) Section 1 and Sections 3 through 8 of this act are effective when this act becomes law. Section 1, Sections 3 through 8, and the provisions of Section 2 of this act applicable to intensive animal feeding operations as defined in G.S. 106-802, as amended by Section 2 of this act, apply to any intensive animal feeding operation for which construction began on or after 1 January 1997, regardless of the date on which the site evaluation was completed.

(c) Section 2.1 of this act is effective when it becomes law. The Environmental Management Commission shall publish the text of a proposed rule to regulate the emission of odors from animal operations under G.S. 143-215.107(11), as enacted by Section 2.1 of this act, within six months of the date on which the North Carolina Agricultural Research Service at North Carolina State University issues its final report on economically feasible odor control technologies as provided in Section 27.3 of Chapter 18 of the 1995 Session Laws (1996 Second Extra Session) and in any event, not later than 1 May 1998. The Environmental Management Commission shall adopt a rule to regulate the emission of odors from animal waste management systems within one year of the date the Commission publishes the text of a proposed rule as required by this subsection and in any event, not later than 1 May 1999. The Board of Governors of The University of North Carolina shall present its final report and recommendations on economically feasible odor control technologies to the Environmental Review Commission and the Environmental Management Commission not later than 1 November 1997.

A BILL TO BE ENTITLED

AN ACT TO ENACT THE ENVIRONMENTALLY SOUND POLICY ACT (ESP) AND TO PROVIDE A MENU OF MEASURES TO PROTECT HEALTH AND THE ENVIRONMENT.

The General Assembly of North Carolina enacts:

Section 1. This act shall be known and may be cited as the "Environmentally Sound Policy Act of 1997 (ESP)".

Section 2. Article 67 of Chapter 106 of the General Statutes reads as rewritten:

"ARTICLE 67.

"Swine Farms.

"§ 106-800. Title.

This Article shall be known as the 'Swine Farm Siting Act'.

"§ 106-801. Purpose.

The General Assembly finds that certain limitations on the siting of swine houses and lagoons for swine farms can assist in the development of pork production, which contributes to the economic development of the State, by lessening the interference with the use and enjoyment of adjoining property.

"§ 106-802. Definitions.

As used in this Article, unless the context clearly requires otherwise:

(1a) 'Intensive animal feeding operation' means a new or enlarged swine farm with a design capacity of more than 800,000 pounds steady state live weight.

(1) 'Lagoon' means a confined body of water to hold animal byproducts including bodily waste from animals or a mixture of waste with feed, bedding, litter or other agricultural materials.

(2) Repealed by Session Laws 1997 (Regular Session, 1996), c. 626, s. 7.

(3) 'Occupied residence' means a dwelling actually inhabited by a person on a continuous basis as exemplified by a person living in his or her home.

(3a) 'Outdoor recreational facility' means any plot or tract of land on which there is located an outdoor swimming pool, tennis court, or golf course that is open to either the general public or to the members and guests of any organization having 50 or more members.

(4) 'Site evaluation' means an investigation to determine if a site meets all federal and State standards as evidenced by the Waste Management Facility Site Evaluation Report on file with the Soil and Water Conservation District office or a comparable report certified by a professional engineer or a comparable report certified by a technical specialist approved by the North Carolina Soil and Water Conservation Commission.

~~Department of Environment, Health and Natural Resources~~

(5) 'Swine farm' means a tract of land devoted to raising 250 or more animals of the porcine species.

(6) 'Swine house' means a building that shelters porcine animals on a continuous basis.

"§ 106-803. Siting requirements for swine houses, lagoons, and land areas onto which waste is applied at swine farms.

(a) A swine house or a lagoon that is a component of a swine farm shall be ~~located~~ located:

(1) ~~at~~ At least 1,500 feet from any occupied residence;

(2) ~~at~~ At least 2,500 feet from any school, hospital, national or State park or forest, wildlife refuge, fragile or historic area, or outdoor recreational facility, or church;

(3) At least 1,320 feet from any surface waters of the State;

(4) At least 1,000 feet from any property boundary for any new or enlarged swine farm with a design capacity of at least 500,000 pounds steady state live weight;

(5) At least 1,500 feet from any property boundary for any new or enlarged swine farm with a design capacity of more than 1,000,000 pounds steady state live weight; and

(6) ~~at~~ At least 500 feet from any property ~~boundary.~~ boundary or public or private drinking water supply.

(a1) The outer perimeter of the land area onto which waste is applied from a lagoon that is a component of a swine farm shall be at least 50 feet from any

boundary of property on which an occupied residence is located from any perennial stream or river, other than an irrigation ditch or canal.

(a2) No component of a liquid animal waste management system for which a permit is required under Part 1A of Article 21 of Chapter 143 of the General Statutes, other than a land application site, shall be constructed on land that is located within the 100-year floodplain.

(b) A swine house or a lagoon that is a component of a swine farm may be located closer to a residence, school, hospital, church, or a property boundary than is allowed under subsection (a) of this section if written permission is given by the owner of the property and recorded with the Register of Deeds.

"**§ 106-804. Enforcement.**

(a) Any person ~~owning~~ who owns property directly affected by the siting requirements of G.S. 106-803 pursuant to subsection (b) of this section may bring a civil action against a swine farmer who has violated G.S. 106-803 and may seek any one or more of the following:

(1) Injunctive relief.

(2) An order enforcing the siting requirements under G.S. 106-803.

(3) Damages caused by the violation.

(b) A person is directly affected by the siting requirements of G.S. 106-803 only if the person ~~owns:~~ owns a facility or property located less than the siting requirements specified under G.S. 106-803.

~~(1) An occupied residence located less than 1,500 feet from a swine house or lagoon in violation of G.S. 106-803.~~

~~(2) A school, hospital, or church located less than 2,500 feet from a swine house or lagoon in violation of G.S. 106-803.~~

~~(3) Property whose boundary is located less than 500 feet from a swine house or lagoon in violation of G.S. 106-803.~~

~~(4) Property on which an occupied residence is located and whose boundary is less than 50 feet from the outer perimeter of the land area onto which waste is applied from a lagoon that is a component of a swine farm in violation of G.S. 106-803.~~

~~(5) Property that abuts a perennial stream or river, or on which a perennial stream or river is located, and that property and that perennial stream or river are less than 50 feet from the outer perimeter of the land area onto which waste is applied from a lagoon that is a component of a swine farm in violation of G.S. 106-803.~~

(c) If the court determines it is appropriate, the court may award court costs, including reasonable attorneys' fees and expert witnesses' fees, to any party. If a temporary restraining order or preliminary injunction is sought, the court may require the filing of a bond or equivalent security. The court shall determine the amount of the bond or security.

(d) Nothing in this section shall restrict any other right that any person may have under any statute or common law to seek injunctive or other relief.

"**§ 106-805. Written notice of swine farms.**

Any person who intends to construct a swine farm whose animal waste management system is subject to a permit under Part 1A of Article 21 of Chapter 143 of the General Statutes shall, after completing a site evaluation and before the farm site is modified, ~~attempt to~~ notify all adjoining property ~~owners and~~ owners, all property owners who own property located across a public road, street, or highway from the swine ~~farm~~ farm, the county or counties in which the farm site is located, and the local health departments of that person's intent to construct the swine farm. This notice shall be by certified mail sent to the address on record at the property tax office in the county in which the land is located. The written notice shall include all of the following:

(1) The name and address of the person intending to construct a swine farm.

(2) The type of swine farm and the design capacity of the animal waste management system.

(3) The name and address of the technical specialist preparing the waste management plan.

(4) The address of the local Soil and Water Conservation District office.

(5) Information informing the adjoining property owners and the property owners who own property located across a public road, street, or highway from the swine farm that they may submit written comments to the Division of Water Quality, Department of Environment, Health, and Natural Resources.

Prior to issuance of a permit for an intensive animal feeding operation, the Environmental Management Commission may hold a public hearing if it finds, upon its own initiative or in response to a request from a member of the public, that there is a significant public interest in holding the hearing. The notice and conduct of the hearing shall be in accordance with the relevant public meeting provisions of G.S. 143-215.1(c)(3).

Section 2.1. G.S. 143-215.107(a) is amended by adding a new subdivision to read:

"(11) To develop and adopt standards and plans necessary to implement programs to control the emission of odors from animal operations, as defined in G.S. 143-215.10B."

Section 3. G.S. 143-215(e) is repealed.

Section 4. G.S. 153A-340 reads as rewritten:

"**§ 153A-340. Grant of power.**

(a) For the purpose of promoting health, safety, morals, or the general welfare, a county may regulate and restrict the height, number of stories and size of buildings and other structures, the percentage of lots that may be occupied, the size of yards, courts and other open spaces, the density of population, and the location and use of buildings, structures, and land for trade, industry, residence, or other purposes, and to

provide density credits or severable development rights for dedicated rights-of-way pursuant to G.S. 136-66.10 or G.S. 136-66.11.

(b) These regulations may not affect bona fide farms, but any use of farm property for nonfarm purposes is subject to the regulations. Bona fide farm purposes include the production and activities relating or incidental to the production of crops, fruits, vegetables, ornamental and flowering plants, dairy, livestock, poultry, and all other forms of agricultural products having a domestic or foreign market. These regulations may apply to intensive animal feeding operations, as defined in G.S. 106-802. An intensive animal feeding operation is not a farm for the purpose of this Part.

(c) The regulations may provide that a board of adjustment may determine and vary their application in harmony with their general purpose and intent and in accordance with general or specific rules therein contained. The regulations may also provide that the board of adjustment or the board of commissioners may issue special use permits or conditional use permits in the classes of cases or situations and in accordance with the principles, conditions, safeguards, and procedures specified therein and may impose reasonable and appropriate conditions and safeguards upon these permits. Where appropriate, the conditions may include requirements that street and utility rights-of-way be dedicated to the public and that recreational space be provided. When issuing or denying special use permits or conditional use permits, the board of commissioners shall follow the procedures for boards of adjustment except that no vote greater than a majority vote shall be required for the board of commissioners to issue such permits, and every such decision of the board of commissioners shall be subject to review by the superior court by proceedings in the nature of certiorari.

(d) A county may regulate the development over estuarine waters and over lands covered by navigable waters owned by the State pursuant to G.S. 146-12, within the bounds of that county.

(e) For the purpose of this section, the term 'structures' shall include floating homes.

(f) Any petition for review by the superior court shall be filed with the clerk of superior court within 30 days after the decision of the board of commissioners is filed in such office as the ordinance specifies, or after a written copy thereof is delivered to every aggrieved party who has filed a written request for such copy with the clerk at the time of the hearing of the case, whichever is later. The decision of the board of commissioners may be delivered to the aggrieved party either by personal service or by registered mail or certified mail return receipt requested."

Section 5. A zoning regulation applicable to intensive animal feeding operations adopted by a board of county commissioners prior to the date Section 4 of this act becomes effective is hereby retroactively validated.

Section 6. There is established a one-year moratorium for any new or expanding swine farm or lagoon for which a permit is required under Part 1A of Chapter 143 of the General Statutes for any area in the State that: (i) has a county population of less than 75,000 according to the most recent decennial federal census;

(ii) has over one hundred fifty million dollars ($150,000,000) on expenditures for travel and tourism based on the most recent figures of the Department of Commerce; and (iii) is not in the coastal area as defined by G.S. 113A-103. Effective 1 January 1997, until the expiration of a one-year period beginning on the date this act becomes effective, the Environmental Management Commission shall not issue a permit for an animal waste management system, as defined in G.S. 143-215.10B, or for a new or expanded swine farm or lagoon, as defined in G.S. 106-802.

Section 7. There is established a one-year moratorium on the construction or expansion of swine farms and lagoons. The Environmental Management Commission shall not issue a permit for an animal waste management system, as defined in G.S. 143-215.10B, for a new or expanded swine farm or lagoon, as defined in G.S. 106-802, for a one-year period beginning on the date this act becomes effective except as provided by this section. This section prohibits the construction or expansion of an animal waste management system for a swine farm for one year from the date this act becomes effective regardless of the date on which a site evaluation for the swine farm is completed and regardless of whether the animal waste management system is permitted under Part 1A of Article 21 of Chapter 143 of the General Statutes or deemed permitted under 15A North Carolina Administrative Code 2H.0217 but does not prohibit:

(1) Construction to repair a component of an existing swine farm or lagoon.

(2) Construction to replace a component of an existing swine farm or lagoon if the replacement does not result in an increase in swine population, except as provided in subdivision (4) of this section.

(3) Construction or expansion of a component or components of a swine farm or lagoon, if actual construction began prior to March 1, 1997, or if the owner of the swine farm entered into a bona fide contract to build the component or components prior to March 1, 1997. For purposes of this subdivision, "actual construction" is limited to the component or components of a swine farm or lagoon for which the foundation has been laid prior to March 1, 1997, from a blueprint drawing.

(4) Construction or expansion on or after the date this act becomes law for the purpose of increasing the swine population to the projected population or to the population that the animal waste management system serving that swine farm is designed to accommodate, as set forth in a registration of the swine operation filed with the Department of Environment, Health, and Natural Resources before the date this act becomes law.

(5) Construction or expansion on or after the date this act becomes law for the purpose of complying with applicable animal waste management rules and not for the purpose of increasing the swine population.

(6) Construction or expansion of an innovative animal waste system approved by the Department.

Section 8. (a) Except as provided in subsection (b) of this section, Section 2 of this act is effective when it becomes law and applies to the construction or enlargement, on or after the effective date of this act, of swine houses, lagoons, and land areas onto which waste is applied from a lagoon that are components of a swine farm. Section 2 of this act does not apply under each of the following circumstances when the construction or enlargement occurs on or after the effective date of this act:

(1) For the purpose of increasing the swine population to that set forth as the projected population in a registration of the swine operation filed with the Department of Environment, Health, and Natural Resources prior to the effective date of this act.

(2) For the purpose of increasing the swine population to the population that the animal waste management system is designed to accommodate as that system is set forth in a registration of the swine operation filed with the Department of Environment, Health, and Natural Resources, or an animal waste management plan approved prior to the effective date of this act.

(3) For the purpose of complying with applicable animal waste management rules and not for the purpose of increasing the swine population.

(b) Section 1 and Sections 3 through 8 of this act are effective when this act becomes law. Section 1, Sections 3 through 8, and the provisions of Section 2 of this act applicable to intensive animal feeding operations as defined in G.S. 106-802, as amended by Section 2 of this act, apply to any intensive animal feeding operation for which construction began on or after 1 January 1997, regardless of the date on which the site evaluation was completed.

(c) Section 2.1 of this act is effective when it becomes law. The Environmental Management Commission shall publish the text of a proposed rule to regulate the emission of odors from animal operations under G.S. 143-215.107(11), as enacted by Section 2.1 of this act, within six months of the date on which the North Carolina Agricultural Research Service at North Carolina State University issues its final report on economically feasible odor control technologies as provided in Section 27.3 of Chapter 18 of the 1995 Session Laws (1996 Second Extra Session) and in any event, not later than 1 May 1998. The Environmental Management Commission shall adopt a rule to regulate the emission of odors from animal waste management systems within one year of the date the Commission publishes the text of a proposed rule as required by this subsection and in any event, not later than 1 May 1999. The Board of Governors of The University of North Carolina shall present its final report and recommendations on economically feasible odor control technologies to the Environmental Review Commission and the Environmental Management Commission not later than 1 November 1997.

A BILL TO BE ENTITLED

AN ACT TO ENACT THE ENVIRONMENTALLY SOUND POLICY ACT (ESP) AND TO PROVIDE A MENU OF MEASURES TO PROTECT HEALTH AND THE ENVIRONMENT.

The General Assembly of North Carolina enacts:

Section 1. This act shall be known and may be cited as the "Environmentally Sound Policy Act of 1997 (ESP)".

Section 2. Article 67 of Chapter 106 of the General Statutes reads as rewritten:

"ARTICLE 67.

"Swine Farms.

"§ 106-800. Title.

This Article shall be known as the 'Swine Farm Siting Act'.

"§ 106-801. Purpose.

The General Assembly finds that certain limitations on the siting of swine houses and lagoons for swine farms can assist in the development of pork production, which contributes to the economic development of the State, by lessening the interference with the use and enjoyment of adjoining property.

"§ 106-802. Definitions.

As used in this Article, unless the context clearly requires otherwise:

(1a) 'Intensive animal feeding operation' means a new or enlarged swine farm with a design capacity of more than 800,000 lbs. steady state live weight.

(1) 'Lagoon' means a confined body of water to hold animal byproducts including bodily waste from animals or a mixture of waste with feed, bedding, litter or other agricultural materials.

(2) Repealed by Session Laws 1997 (Regular Session, 1996), c. 626, s. 7.

(3) 'Occupied residence' means a dwelling actually inhabited by a person on a continuous basis as exemplified by a person living in his or her home.

(4) 'Site evaluation' means an investigation to determine if a site meets all federal and State standards as evidenced by the Waste Management Facility Site Evaluation Report on file with the Soil and Water Conservation District office or a comparable report certified by a professional engineer or a comparable report certified by a technical specialist approved by the North Carolina Soil and Water Conservation Commission.

~~Department of Environment, Health and Natural Resources~~

(5) 'Swine farm' means a tract of land devoted to raising 250 or more animals of the porcine species.

(6) 'Swine house' means a building that shelters porcine animals on a continuous basis.

"§ 106-803. Siting requirements for swine houses, lagoons, and land areas onto which waste is applied at swine farms.

(a) A swine house or a lagoon that is a component of a swine farm shall be ~~located~~ located:

(1) ~~at~~ At least 1,500 feet from any occupied residence;

(2) ~~at~~ At least 2,500 feet from any school, hospital, national or State park or forest, wildlife refuge, fragile or historic area, area or facility used for outdoor recreation, or church;

(3) At least 1,320 feet (1/4 mile) from any surface waters of the State;

(4) At least 1,000 feet from any property boundary for any new or enlarged swine farm with a design capacity of at least 500,000 lbs. steady state live weight;

(5) At least 1,500 feet from any property boundary for any new or enlarged swine farm with a design capacity of more than 1,000,000 lbs. steady state live weight;

(6) ~~at~~ At least 500 feet from any property ~~boundary.~~ boundary or public or private drinking water supply.

The outer perimeter of the land area onto which waste is applied from a lagoon that is a component of a swine farm shall be at least ~~50~~ 100 feet from any boundary of property on which an occupied residence is located from any perennial stream or river, other than an irrigation ditch or canal.

(a1) A new or expanding swine house or a lagoon that is a component of a swine farm shall not be located in a 100-year floodplain unless protected from flooding as provided for in regulations of the Federal Emergency Management Agency and the

National Flood Insurance Program on Floodplain Management. Such construction or expansion must be certified by the Department of Environment, Health, and Natural Resources.

(b) A swine house or a lagoon that is a component of a swine farm may be located closer to a residence, school, hospital, church, or a property boundary than is allowed under subsection (a) of this section if written permission is given by the owner of the property and recorded with the Register of Deeds.

"§ 106-804. Enforcement.

(a) Any person ~~owning~~ who owns property directly affected by the siting requirements of G.S. 106-803 pursuant to subsection (b) of this section may bring a civil action against a swine farmer who has violated G.S. 106-803 and may seek any one or more of the following:

(1) Injunctive relief.
(2) An order enforcing the siting requirements under G.S. 106-803.
(3) Damages caused by the violation.

(b) A person is directly affected by the siting requirements of G.S. 106-803 only if the person ~~owns:~~ owns a facility or property located less than the siting requirements specified under G.S. 106-803.

~~(1) An occupied residence located less than 1,500 feet from a swine house or lagoon in violation of G.S. 106-803.~~
~~(2) A school, hospital, or church located less than 2,500 feet from a swine house or lagoon in violation of G.S. 106-803.~~
~~(3) Property whose boundary is located less than 500 feet from a swine house or lagoon in violation of G.S. 106-803.~~
~~(4) Property on which an occupied residence is located and whose boundary is less than 50 feet from the outer perimeter of the land area onto which waste is applied from a lagoon that is a component of a swine farm in violation of G.S. 106-803.~~
~~(5) Property that abuts a perennial stream or river, or on which a perennial stream or river is located, and that property and that perennial stream or river are less than 50 feet from the outer perimeter of the land area onto which waste is applied from a lagoon that is a component of a swine farm in violation of G.S. 106-803.~~

(c) If the court determines it is appropriate, the court may award court costs, including reasonable attorneys' fees and expert witnesses' fees, to any party. If a temporary restraining order or preliminary injunction is sought, the court may require the filing of a bond or equivalent security. The court shall determine the amount of the bond or security.

(d) Nothing in this section shall restrict any other right that any person may have under any statute or common law to seek injunctive or other relief.

"§ 106-805. Written notice of swine farms.

Any person who intends to construct a swine farm whose animal waste management system is subject to a permit under Part 1A of Article 21 of Chapter 143

of the General Statutes shall, after completing a site evaluation and before the farm site is modified, ~~attempt to~~ notify all adjoining property ~~owners and~~ owners, all property owners who own property located across a public road, street, or highway from the swine ~~farm~~ farm, the county or counties in which the farm site is located, and the local health departments of that person's intent to construct the swine farm. This notice shall be by certified mail sent to the address on record at the property tax office in the county in which the land is located. The written notice shall include all of the following:

(1) The name and address of the person intending to construct a swine farm.

(2) The type of swine farm and the design capacity of the animal waste management system.

(3) The name and address of the technical specialist preparing the waste management plan.

(4) The address of the local Soil and Water Conservation District office.

(5) Information informing the adjoining property owners and the property owners who own property located across a public road, street, or highway from the swine farm that they may submit written comments to the Division of Water Quality, Department of Environment, Health, and Natural Resources.

Prior to issuing a permit for an intensive animal feeding operation, the Department shall conduct a public hearing at the applicant's expense if the Department receives at least 20 written requests for the public hearing.

"**§ 106-806. Emission of undesirable level of odor in outdoor recreational areas.**

(a) No intensive animal feeding operation may cause, allow, or permit emission into the ambient air of an outdoor recreational area any substance or combination of substances in a quantity that is determined to be an undesirable level of odor unless preventative measures are taken to abate or control the emission to the satisfaction of the Department of Environment, Health, and Natural Resources. When the Department receives an odor complaint, the Department shall determine through field surveillance or specific complaints, if the odor is at an undesirable level, and shall require remediation of the undesirable level of odor.

(b) Nothing in this section shall prohibit an individual or group of persons from bringing a complaint against an intensive animal feeding operation as defined under G.S. 106-802."

Section 3. G.S. 130A-39(b) reads as rewritten:

"(b) A local board of health may adopt a more stringent rule in an area regulated by the Commission for Health Services or the Environmental Management Commission where, in the opinion of the local board of health, a more stringent rule is required to protect the public health; otherwise, the rules of the Commission for Health Services or the rules of the Environmental Management Commission shall prevail over local board of health rules. However, a local board of health may not adopt a rule concerning the grading, operating, and permitting of food and lodging

facilities as listed in Part 6 of Article 8 of this Chapter and as defined in G.S. 130A-247(1), and a local board of health may adopt rules concerning wastewater collection, treatment and disposal systems which are not designed to discharge effluent to the land surface or surface waters only in accordance with G.S. 130A-335(c). A local board of health may adopt a rule governing intensive animal feeding operations, as defined by G.S. 106-802, that is more stringent than rules adopted by the Commission for Health Services or the Environmental Management Commission."

Section 4. G.S. 143-215(e) reads as rewritten:

"(e) Except as required by federal law or regulations, the Commission may not adopt effluent standards or limitations applicable to animal and poultry feeding operations. Notwithstanding the foregoing, where manmade pipes, ditches, or other conveyances have been constructed for the purpose of willfully discharging pollutants to the waters of the State, the Secretary shall have the authority to assess fines and penalties not to exceed ten thousand dollars ($10,000) for the first offense. The definitions and provisions of 40 Code of Federal Regulations § 122.23 (July 1, 1990 Edition) shall apply to this subsection. This subsection does not apply to an intensive animal feeding operation, as defined by G.S. 106-802. Effluent standards and limitations applicable to intensive animal feeding operations shall be adopted and enforced as otherwise provided by this Article."

Section 5. G.S. 153A-340 reads as rewritten:

"**§ 153A-340. Grant of power.**

(a) For the purpose of promoting health, safety, morals, or the general welfare, a county may regulate and restrict the height, number of stories and size of buildings and other structures, the percentage of lots that may be occupied, the size of yards, courts and other open spaces, the density of population, and the location and use of buildings, structures, and land for trade, industry, residence, or other purposes, and to provide density credits or severable development rights for dedicated rights-of-way pursuant to G.S. 136-66.10 or G.S. 136-66.11.

(b) These regulations may not affect bona fide farms, but any use of farm property for nonfarm purposes is subject to the regulations. Bona fide farm purposes include the production and activities relating or incidental to the production of crops, fruits, vegetables, ornamental and flowering plants, dairy, livestock, poultry, and all other forms of agricultural products having a domestic or foreign market. These regulations may apply to intensive animal feeding operations, as defined in G.S. 106-802. An intensive animal feeding operation is not a farm for the purpose of this Part.

(c) The regulations may provide that a board of adjustment may determine and vary their application in harmony with their general purpose and intent and in accordance with general or specific rules therein contained. The regulations may also provide that the board of adjustment or the board of commissioners may issue special use permits or conditional use permits in the classes of cases or situations and in accordance with the principles, conditions, safeguards, and procedures specified therein and may impose reasonable and appropriate conditions and safeguards upon

these permits. Where appropriate, the conditions may include requirements that street and utility rights-of-way be dedicated to the public and that recreational space be provided. When issuing or denying special use permits or conditional use permits, the board of commissioners shall follow the procedures for boards of adjustment except that no vote greater than a majority vote shall be required for the board of commissioners to issue such permits, and every such decision of the board of commissioners shall be subject to review by the superior court by proceedings in the nature of certiorari.

(d) A county may regulate the development over estuarine waters and over lands covered by navigable waters owned by the State pursuant to G.S. 146-12, within the bounds of that county.

(e) For the purpose of this section, the term 'structures' shall include floating homes.

(f) Any petition for review by the superior court shall be filed with the clerk of superior court within 30 days after the decision of the board of commissioners is filed in such office as the ordinance specifies, or after a written copy thereof is delivered to every aggrieved party who has filed a written request for such copy with the clerk at the time of the hearing of the case, whichever is later. The decision of the board of commissioners may be delivered to the aggrieved party either by personal service or by registered mail or certified mail return receipt requested."

Section 6. A rule regulating intensive animal feeding operations adopted by a local board of health prior to the date Section 3 of this act becomes effective is hereby retroactively validated. A zoning regulation applicable to intensive animal feeding operations adopted by a board of county commissioners prior to the date Section 5 of this act becomes effective is hereby retroactively validated.

Section 7. There is established a 16-month moratorium for any new or expanding swine farm or lagoon for which a permit is required under Part 1A of Chapter 143 of the General Statutes. Effective January 1, 1997, until May 1, 1998, no permit for a new or expanding swine farm or lagoon shall be issued by the Environmental Management Commission.

Section 8. (a) Except as provided in subsection (b) of this section, Section 2 of this act is effective when it becomes law and applies to the construction or enlargement, on or after the effective date of this act, of swine houses, lagoons, and land areas onto which waste is applied from a lagoon that are components of a swine farm. Section 2 of this act does not apply under each of the following circumstances when the construction or enlargement occurs on or after the effective date of this act:

(1) For the purpose of increasing the swine population to that set forth as the projected population in a registration of the swine operation filed with the Department of Environment, Health, and Natural Resources prior to the effective date of this act.

(2) For the purpose of increasing the swine population to the population that the animal waste management system is designed to accommodate as that system is set forth in a registration of the

swine operation filed with the Department of Environment, Health, and Natural Resources, or an animal waste management plan approved prior to the effective date of this act.

(3) For the purpose of complying with applicable animal waste management rules and not for the purpose of increasing the swine population.

(b) Sections 1, Sections 3 through 8, and the provisions of Section 2 of this act applicable to intensive animal feeding operations as defined in G.S. 106-802, as amended by Section 2 of this act, apply to any intensive animal feeding operation for which construction began on or after January 1, 1997, regardless of the date on which the site evaluation was completed.

Dear President Spangler:

As part of an effort to improve our coverage of higher education, we'd like our reporters to review the mail that comes in and out of your office, which we understand to be public records. I'm told there has been some discussion and debate about this already. So I wanted to make this a formal request and outline the basis on which we ask for this review.

We'd rely on the definition of public records as "all documents, papers, letters... made or received pursuant to law or ordinance in connection with the transaction of public business ... [by] every public office, public officer, or official... "N.C. GEN. STAT. § 132-1(a). Additionally, "every person having custody of public records shall permit them to be inspected and examined at reasonable times and under reasonable supervision by any person, and shall as promptly as possible, furnish certified copies thereof upon payment of fees as prescribed by law.'' N.C. GEN. STAT . § 132-6. Of course, we recognize that you are free to withhold from inspection any document that is specifically deemed confidential under the North Carolina General Statutes and may charge the actual cost of reproduction of any document requested.

We'd like to work out a standing time for our reporters to review these public records, preferably weekly. In the event that you claim that your mail is not open to public inspection under the Public Records Law, would you please identify the specific exemption(s) that you are citing?

Thank you for your attention. I look forward to your timely reply.

Cordially,

Anders Gyllenhaal

MINUTES
COMMITTEE ON RULES, CALENDAR, AND OPERATIONS OF THE HOUSE
April 29, 1997

The Committee on Rules, Calendar, and Operations of the House met April 29, 1997, at 3:00 p.m. in Room 421 in the Legislative Office Building. Representative Morgan, Committee Chair, called the meeting to order and asked the clerk to call the roll. The following members were present: Representatives Crawford, Culp, Dockham, Esposito, Gulley, Hill, McMahan, Miner, Mitchell, Neely, Thompson and C. Wilson.

The first order of business before the Committee was the consideration of House Bill 1128 -AN ACT TO AMEND THE EDUCATION REQUIREMENTS FOR CERTIFIED PUBLIC ACCOUNTANTS. Representative Miner, bill sponsor, was recognized to explain the bill. Representative Neely moved for a favorable report and the motion carried.

House Bill 1033 - AN ACT RELATING TO BANK CHARTERS - was next before the Committee. The Chair recognized Representative Church to explain the bill and offer a proposed committee substitute. Representative Culp moved for its adoption for the purpose of Committee discussion. Motion carried. Representative Church explained that the committee substitute would give out-of-state banks two more years to establish and maintain a de novo branch through acquisition pursuant to certain conditions. Representative Thompson made a motion to give a favorable report to the committee substitute bill and unfavorable to the original bill. Motion carried. There was a title change in the bill.

House Bill 569 - AN ACT RELATING TO WAKE COUNTY - was the next agenda item. The Chair explained that this was a blank bill and recognized the bill sponsor, Representative Eddins, to explain the bill. A proposed committee substitute was offered and Representative Culp moved for its adoption for Committee discussion. Motion carried. Representative Eddins explained that the proposed committee substitute would clarify that in elections to fill vacancies on the Wendell Town Board for the remainder of the unexpired term, the next highest vote-getter receives a two-year term, rather than having a separate election on the ballot. Representative Neely made a motion to give a favorable report to the committee substitute bill and an unfavorable report to the original bill. The motion carried. There was a title change in the bill.

House Bill 565 -AN ACT RELATING TO WAKE COUNTY- was next before the Committee. Representative Ellis, bill sponsor, was recognized to explain the bill. He explained this was a blank bill and that he was offering a proposed committee substitute that would change several laws affecting Wake County. Representative Neely moved for the adoption of the proposed committee substitute for the purpose of Committee discussion. Motion carried. Representative Dockham moved to give the

proposed committee substitute a favorable report and unfavorable as to the original bill. Motion carried. There was a title change in the bill.

House Bill 768 -AN ACT RELATING TO PROPERTY ACQUISITIONS BY LARGE WATER AND SEWER AUTHORITIES - was the next bill before the Committee. Representative Culp, bill sponsor, was recognized to explain the bill. He offered a proposed committee substitute and moved for its adoption for the purpose of Committee discussion. Motion carried. Representative Culp explained that the bill would authorize a water and sewer authority holding a certificate under G.S. 162A-7 to exercise the power of eminent domain for specified purposes. Representative Dockham moved to give a favorable report to the proposed committee substitute and unfavorable as to the original bill. Motion carried and there was a title change in the bill.

House Joint Resolution 1153 -A JOINT RESOLUTION COMMEMORATING THE ONE HUNDRED FIFTIETH ANNIVERSARY OF THE TOWN OF FRANKLINVILLE AND HONORING THE MEMORY OF JESSE FRANKLIN-was explained by Representative Culp, the bill sponsor. Representative Dockham moved for a favorable report and the motion carried.

House Bill 853 -AN ACT TO AMEND THE PROFESSIONAL CORPORATION ACT TO ALLOW COLLABORATIVE PRACTICES BETWEEN PHYSICIANS AND AUDIOLOGISTS - was the next bill before the Committee. Representative Nye, the bill sponsor, was recognized to explain the bill. Representative Hill moved to give House Bill 853 a favorable report. Motion carried.

House Bill 890 -AN ACT RELATING TO WAKE COUNTY - was the next agenda item for consideration. Representative Miner, the bill sponsor, was recognized to explain the bill and offered a proposed committee substitute and moved for its adoption for Committee consideration. Motion carried. Representative Miner explained that the bill would authorize certain cities in Wake County to adopt ordinances regulating removal, replacement, and preservation of trees and shrubs within the city and areas within each city's extraterritorial planning jurisdiction. He then offered an amendment that would delete the city of Wake Forest from the bill and moved for its adoption. Motion carried. Representative Neely moved to give the proposed committee substitute, as amended and rolled into a committee substitute, a favorable report and unfavorable as to the original bill. Motion carried. There was a title change in the bill.

House Bill 1107 - AN ACT TO AMEND THE FACILITY AUTHORITY ACT RELATING TO THE COMPOSITION OF FACILITY AUTHORITIES AND THE LEVYING OF TAXES TO PAY FOR CAPITAL COSTS - was before the Committee.

Representative Neely, bill sponsor, was recognized to explain the bill. He offered a proposed committee substitute and moved for its adoption for committee discussion. Motion carried. He then explained that the bill would amend the Facility Authority Act relating to the membership of facility authorities and room occupancy tax allocations for capital improvements. Representative Miner made the motion to give a favorable report to the proposed committee substitute and unfavorable as to the original bill. The motion carried and there was a title change in the bill.

House Joint Resolution 1155 - A JOINT RESOLUTION INVITING THE REVEREND BILLY GRAHAM TO ADDRESS A JOINT SESSION OF THE HOUSE OF REPRESENTATIVES AND THE SENATE AND INVITING GOVERNOR JAMES B. HUNT, JR. - was the next bill before the Committee. Representative Thompson, bill sponsor, was recognized to explain the bill. Representative Esposito moved for a favorable report; motion carried.

House Bill 1051 - AN ACT PERTAINING TO THE DUTY OF HOSPITALS AND OTHER AGENCIES WITH RESPECT TO ORGAN PROCUREMENT AND DONATION - was next before the Committee for consideration. Representative Miller, bill sponsor, was recognized to explain the bill. Representative Hill moved for a favorable report and the motion carried.

House Bill 789 - AN ACT RELATING TO THE TOWN OF OAKBORO was the next bill before the Committee. The Chair noted that this was a blank bill and recognized Representative Barbee, bill sponsor, to explain the bill. He offered a proposed committee substitute for House Bill 789 and Representative Gulley moved for its adoption for Committee discussion. Motion carried. The proposed committee substitute would revise the boundaries of the Town of Oakboro. Representative Culp moved to give a favorable report to the proposed committee substitute bill and an unfavorable report to the original bill and recommend that it be re-referred to the Committee on Finance. Motion carried. There was a title change in the bill.

House Joint Resolution 956 - A JOINT RESOLUTION COMMEMORATING THE ONE HUNDRED FIFTIETH ANNIVERSARY OF THE CITY OF GOLDSBORO AND HONORING THE MEMORY OF MAJOR MATTHEW TILGHMAN GOLDSBOROUGH- was before the Committee. Representative Baddour, bill sponsor, was recognized to explain the resolution. Representative Neely moved for a favorable report and the motion carried.

House Bill 722 - AN ACT RELATING TO BEAUFORT COUNTY - was before the Committee for consideration. Representative Hardy, bill sponsor, was

recognized to explain the bill and offered a proposed committee substitute for Committee consideration. Representative Mitchell moved for its adoption; motion carried. The committee substitute would allow the City of Washington to negotiate annexation agreements. Representative Dockham moved for a favorable report to the committee substitute bill and unfavorable as to original bill and recommended that it be re-referred to the Committee on Finance. Motion carried. There was a title change in the bill.

House Bill 305 - AN ACT TO AMEND THE PUBLIC LAWS AND DIRECTLY AFFECT THE STATE BUDGET- was before the Committee for consideration. Representative Brown explained the bill and offered a proposed committee substitute for Committee consideration. Representative Mitchell moved for its adoption and motion carried. The committee substitute bill would increase the limit for an assessment when the assessment is paid by peanut producers for the promotion of peanuts. Representative Hill moved for a favorable report to the committee substitute for House Bill 305, unfavorable as to original bill and recommended that it be re-referred to the Committee on Finance. The motion carried. There was a title change in the bill.

House Bill 604 - AN ACT TO CLARIFY THE NEWPORT-MOREHEAD BOUNDARIES - was next before the Committee. Representative Smith, bill sponsor, was recognized to explain the bill and offered a proposed committee substitute for Committee discussion. Motion carried. The committee substitute would allow the towns of Morehead City and Newport to exercise extraterritorial planning jurisdiction over an area extending not more than two miles from their corporate limits. Representative Hill moved for a favorable report to the committee substitute and unfavorable as to the original bill. Motion carried. There was a title change in the bill.

House Bill 698 - AN ACT RELATING TO MOREHEAD-NEWPORT ANNEXATIONS- was the next bill before the Committee. Representative Smith, bill sponsor, was recognized to explain the bill and he offered a proposed committee substitute for Committee discussion Representative Connie Wilson moved for its adoption and motion carried. The committee substitute bill would limit the authority of the Towns of Morehead City and Newport to annex noncontiguous areas. Representative McMahan offered a technical amendment and moved for its adoption. Motion carried and the amendment was rolled into a committee substitute. Representative Neely moved to give a favorable report to the committee substitute bill and an unfavorable report to the original bill. Motion carried. There was a title change in the bill.

House Bill 699 -AN ACT RELATING TO MINIMUM HOUSING IN THE TOWN OF NEWPORT - was the final bill before the Committee. Representative Smith, bill sponsor, was recognized to explain the bill and he offered a proposed

committee substitute for Committee consideration. Representative Esposito moved for its adoption; motion carried. The committee substitute bill would grant authority to the Town of Newport to address abandoned structures in the same manner as municipalities in counties with a population of over one hundred sixty-three thousand. Representative Dockham moved to give the committee substitute bill a favorable report and an unfavorable report to the original bill. Motion carried. There was a title change in the bill.

Section 1. G.S. 93-12(5) reads as rewritten:

"(5) To issue certificates of qualification admitting to practice as certified public accountants, each applicant who, having the qualifications herein specified, ~~shall have~~ has passed an examination to the satisfaction of the Board, in 'accounting,' 'auditing,' 'business law,' and other related subjects.

A person is eligible to take the examination given by the Board, or to receive a certificate of qualification to practice as a certified public accountant, ~~who~~ if the person is a citizen of the United States, has declared the intention of becoming a citizen, is a resident alien, or is a citizen of a foreign jurisdiction which extends to citizens of this State like or similar privileges to be examined or

certified, is 18 years of age or over, and is of good moral ~~character, and submits evidence satisfactory to the Board that:~~ character.

~~a. He holds a bachelor's degree from a college or university accredited by one of the regional accrediting associations or from a college or university determined by the Board to have standards substantially equivalent to a regionally accredited institution, and~~

~~b. His degree studies included a concentration in accounting as defined by the Board or that he supplemented his degree studies with courses that the Board determines to be substantially equivalent to a concentration in accounting.~~

~~c. Repealed by Session Laws 1991, c. 214, s. 1, effective January 1, 1997.~~

To be eligible to take the examination given by the Board, a person shall submit evidence satisfactory to the Board that the person holds a bachelors degree from a college or university that is accredited by one of the regional accrediting associations or from a college or university determined by the Board to have standards that are substantially equivalent to a regionally accredited institution. The degree studies shall include a concentration in accounting as prescribed by the Board or shall be supplemented with courses that are determined by the Board to be substantially equivalent to a concentration in accounting.

~~Provided, however, the~~ The Board may, in its discretion, waive the education requirement of any candidate if the Board is satisfied from the result of a special written examination given the candidate by the Board to test ~~his~~ the candidate's educational qualifications that ~~he~~ the candidate is as well qualified as if ~~he~~ the candidate met the education requirements specified above. The Board may provide by regulation for the general scope of such examinations and may obtain such advice and assistance as it deems appropriate to assist it in preparing, administering and grading such special examinations.

To be eligible to receive a certificate of qualification to practice as a certified public accountant, a person shall submit evidence satisfactory to the Board that:

a. The person has completed 150 semester hours and received a bachelors degree with a concentration in accounting and other courses that the Board may require from a college or university that is accredited by a regional accrediting association or from a college or university determined by the

Board to have standards that are substantially equivalent to those of a regionally accredited institution.

b. ~~Such applicant, in addition to passing the examination given by the Board, shall have~~ The person has the endorsement as to ~~his~~ the person's eligibility of three certified public accountants who currently hold licenses in any state or territory of the United States or the District of ~~Columbia and shall have had either:~~ Columbia.

c. The person has one of the following:

HOUSE JOINT RESOLUTION 1153

Sponsors: Representative Culp.

Referred to: Rules, Calendar and Operations of the House.

April 23, 1997

A JOINT RESOLUTION COMMEMORATING THE ONE HUNDRED FIFTIETH ANNIVERSARY OF THE TOWN OF FRANKLINVILLE AND HONORING THE MEMORY OF JESSE FRANKLIN.

Whereas, the antebellum cotton factories of the Town of Franklinville in Randolph County were among this State's pioneer textile mills, and have caused the Town to be called "the cradle of the Deep River textile industry"; and

Whereas, the Town of Franklinville is home to numerous structures that are included in a historic district listed on the National Register of Historic Places and were built before the Civil War which illustrate all aspects of life in a nineteenth century mill village; and

Whereas, the Town of Franklinville was created by the legislature in 1847, to incorporate the neighboring mill villages of Franklinville, founded in 1838, and Island Ford, founded in 1846; and

Whereas, the chartering of the Town of Franklinville by the legislature was the first incorporation of any North Carolina mill village; and

Whereas, the Town of Franklinville is named for Jesse Franklin, who served as Governor of North Carolina from 1820 to 1821; and

Whereas, the Town of Franklinville is one of the pivotal landmarks of the history of economic and industrial development in the State of North Carolina;

Now, therefore, be it resolved by the House of Representatives, the Senate concurring:

Section 1. The General Assembly honors the memory of Jesse Franklin and recognizes the Town of Franklinville as one of the original success stories of domestic manufacturing in the State. The General Assembly further honors the occasion of the Town's 150th Anniversary by designating the Town as the State of North Carolina's first Textile Heritage Village.

Section 2. The Secretary of State shall transmit a certified copy of this resolution to the Mayor of the Town of Franklinville.

Section 3. This resolution is effective upon ratification.

A BILL TO BE ENTITLED

AN ACT TO AMEND THE FACILITY AUTHORITY ACT RELATING TO THE MEMBERSHIP OF FACILITY AUTHORITIES AND ROOM OCCUPANCY TAX ALLOCATIONS FOR CAPITAL IMPROVEMENTS.

The General Assembly of North Carolina enacts:

Section 1. G.S. 160A-480.3(b) reads as rewritten:

"(b) Membership. -- An authority shall have eight or ~~13~~ 17 members. Members shall be chosen for terms as follows:

(1) Four shall be appointed by the General Assembly upon the recommendation of the Speaker of the House of Representatives in accordance with G.S. 120-121, at least one of whom shall be a resident of the territorial jurisdiction of the authority;

(2) Four shall be appointed by the General Assembly upon the recommendation of the President Pro Tempore of the Senate in accordance with G.S. 120-121, at least one of whom shall be a resident of the territorial jurisdiction of the authority; and

(3) If the territorial jurisdiction of the authority is a county where the main campus of a constituent institution of The University of North Carolina is located, then:

a. ~~Two~~ Four members shall be appointed by the board of commissioners of that ~~county;~~ county, one of whom at the time of appointment is a resident of the municipality with

the second largest population in the county, according to the most recent decennial federal census;

b. ~~Two~~ Four members shall be appointed by the city council of the city with the largest population in the county, according to the most recent decennial federal census; and

c. One member shall be appointed jointly by the mayors of all the cities in that ~~county.~~ county;

d. Beginning January 1, 1999, a majority of any executive committee, or other committee however termed having supervisory or management authority over the facility to be constructed by the authority, shall consist of authority members appointed under this subdivision;

e. The Chancellor and Board of Trustees of the constituent institution of The University of North Carolina whose main campus is located within the county shall make recommendations to the General Assembly no later than April 1 of each odd-numbered year for persons to be appointed under subdivisions (1) and (2) of this section, and the General Assembly may consider such recommendations; and

f. ~~The~~ Neither the board of commissioners ~~may not~~ nor the city council may appoint a member of its board to serve on the authority.

Two of the initial appointments under subdivision (1) of this subsection, two of the initial appointments under subdivision (2) of this subsection, one of the initial appointments under subdivision (3)a. of this subsection, and one of the initial appointments under subdivision (3)b. of this section shall be for terms expiring July 1 of the second year after the year in which the authority is created. The remaining initial appointments shall be for terms expiring July 1 of the fourth year after the year in which the authority is created. Successors shall be appointed in the same manner for four-year terms. In 1999, the third member appointed by the board of commissioners shall serve a two-year term beginning January 1, and the fourth member appointed by the board of commissioners shall serve a four-year term beginning January 1. In 1999, the third member appointed by the city council shall serve a two-year term beginning January 1, and the fourth member appointed by the city council shall serve a four-year term beginning January 1. A member may be removed by the appointing authority for cause. Vacancies occurring in the membership of the authority shall be filled by the remaining members."

Section 2. G.S. 160A-480.8(c)(3) reads as rewritten:

"(3) With the approval of the county levying the tax, by receipts, if any, from a room occupancy and prepared food and beverage tax levied by a county and distributed to the Authority; provided, however, that any agreement or undertaking by a county to distribute receipts, if any, from the tax to the Authority may not obligate the

county to exercise any power of taxation, or restrict the ability of the county to repeal the tax. However, no action by a county to discontinue, decrease, or repeal a room occupancy tax shall become effective while previously issued bonds or notes secured by receipts from such a tax allocated to an authority by the county remain outstanding."

Section 3. Section 19 of Chapter 594 of the 1991 Session Laws, as rewritten by Section 5 of Chapter 458 of the 1995 Session Laws, reads as rewritten:

"Sec. 19. Repeal. -- The taxes levied pursuant to this authority may be repealed by the county by enacting an ordinance of repeal. No such repeal shall be effective until at least 180 days after the passage of the repeal ~~ordinance.~~ ordinance, provided the levy of any occupancy tax in effect on January 1, 1997, shall not be decreased and no repeal thereof shall become effective until all obligations secured by receipts from such tax and issued under G.S. 160A-480.8 or G.S. 160A-480.12 have ceased to be outstanding. Repeal of a tax levied under this act does not affect a liability for a tax that was attached before the effective date of the repeal, nor does it affect a right to a refund of a tax that accrued before the effective date of the repeal."

Section 4. Section 1 of this act becomes effective January 1, 1999. The remainder of this act becomes effective when it becomes law.

April 24, 1997

A JOINT RESOLUTION INVITING THE REVEREND BILLY GRAHAM TO ADDRESS A JOINT SESSION OF THE HOUSE OF REPRESENTATIVES AND THE SENATE AND INVITING GOVERNOR JAMES B. HUNT, JR.

Whereas, Billy Graham has distinguished himself through his contributions to morality, racial equality, family, philanthropy, and religion; and

Whereas, perhaps America's most respected and admired evangelical leader of the past half century, Billy Graham has reached millions of people through crusades and television; and

Whereas, Billy Graham has exemplified the highest ideals of teaching, counseling, ethics, charity, faith, and family; and

Whereas, Billy Graham's daily newspaper column and numerous books have provided spiritual counseling and personal enrichment to millions of people; and

Whereas, Billy Graham and Ruth Graham, his wife of 53 years, have been the driving force to create the Ruth and Billy Graham Children's Health Center at Memorial Mission Hospital in Asheville, North Carolina, whose vision it is to improve the health and well-being of children and to become a new resource for ending the pain and suffering of children; and

Whereas, Billy Graham has received numerous awards and honorary degrees including the Congressional Gold Medal in 1996, the North Carolina Award for Public Service in 1986, the Presidential Medal of Freedom in 1983, the Sylvanus Thayer Award from the United States Military Academy Association of Graduates at West Point in 1972, the International Brotherhood Award from the National Conference of Christians and Jews in 1971, and the Gold Award of the George Washington Carver Memorial Institute in 1964; and

Whereas, Billy Graham has participated in eight presidential inaugurations from the inauguration of President Lyndon B. Johnson in 1965 to the inauguration of President William J. Clinton in 1997;

Now, therefore, be it resolved by the House of Representatives, the Senate concurring:

Section 1. The Reverend Billy Graham is invited to address a joint session of the House of Representatives and the Senate in the Hall of the House of Representatives at 6:00 p.m., Monday, May 5, 1997.

Section 2. The Honorable James B. Hunt, Jr., Governor, is invited to the joint session.

HOUSE BILL 1051

Short Title: Organ Donation/Procurement. (Public)

Sponsors: Representatives Miller; Preston and Wainwright.

Referred to: Rules, Calendar and Operations of the House.

April 21, 1997

A BILL TO BE ENTITLED

AN ACT PERTAINING TO THE DUTY OF HOSPITALS AND OTHER AGENCIES WITH RESPECT TO ORGAN PROCUREMENT AND DONATION.

The General Assembly of North Carolina enacts:

Section 1. G.S. 130A-412.1 reads as rewritten:

"**§ 130A-412.1. Duty of hospitals to establish organ procurement protocols.**

~~(a) In order to facilitate the goals of this Part, each hospital shall be required to establish written protocols for the identification of potential organ and tissue donors that:~~

~~(1) Assure that the families of potential organ and tissue donors are made aware of the option of organ or tissue donation and their option to decline;~~

~~(2) Encourage discretion and sensitivity with respect to the circumstances, views and beliefs of such families;~~

~~(3) Require that only the organ procurement agency designated by the Secretary of Health and Human Services be notified of potential organ and tissue donors; and~~

~~(4) Assure that procedures are established for identifying and consulting with holders of properly executed donor cards.~~

~~(b) The family of any person whose organ or tissue is donated for transplantation shall not be financially liable for any costs related to the evaluation of the suitability of the donor's organ or tissue for transplantation or any costs of retrieval of the organ or tissue.~~

~~(e) The requirements of this section, or of any hospital organ procurement protocols established pursuant to this section shall not exceed those provided for by the hospital organ protocol provisions of Title XI of the Social Security Act, except for the purposes of this section the term "organ and tissue donors" shall include cornea and tissue donors for transplantation.~~

(a) In order to facilitate the goals of this Part, each hospital shall establish written protocols that:

(1) Require that only the organ procurement organization designated by the Secretary of Health and Human Services be notified of all deaths or impending brain deaths meeting criteria for notification as established by the designated organ procurement organization; and

(2) Ensure that notification required under subdivision (1) of this subsection is made as soon as it is determined that brain death is imminent or cardiac arrest has occurred.

(b) Hospitals shall provide organ procurement organizations and applicable tissue banks access to patient's medical records for the purpose of determining organ potential.

(c) The family of any person whose organ or tissue is donated for transplantation shall not be financially liable for any costs related to the evaluation of the suitability of the donor's organ or tissue for transplantation, or for any costs of retrieval of the organ or tissue.

(d) Each hospital shall provide its federally designated organ procurement organization with access to the medical records of deceased patients for the following purposes:

(1) Determining the hospital's organ and tissue donation potential;

(2) Assessing the educational needs of the hospital in regard to the organ and tissue donation process; and

(3) Providing documentation to the hospital to evaluate the effectiveness of the hospital's efforts.

(e) Each hospital shall have a signed agreement with its federally designated organ procurement organization that addresses the requirements of this section.

(f) The requirements of this section, or of any hospital procurement protocols established pursuant to this section, shall not exceed those provided for by the hospital organ protocol provisions of Title XI of the Social Security Act, except for the purposes of this section the term 'organ and tissue donors' shall include cornea and tissue donors for transplantation.

(g) Hospitals and hospital personnel shall not be subject to civil or criminal liability nor to discipline for unprofessional conduct for actions taken in good faith to comply with this section."

Section 2. Chapter 130A is amended by adding the following new section to read:

"**§ 130A-412.2. Duty of designated organ procurement organizations and tissue banks.**

(a) After notification regarding an impending brain death, brain death, or cardiac death has been made to the designated organ procurement organization, the organ procurement organization or applicable tissue bank shall evaluate donation potential.

(b) The designated organ procurement organization or applicable tissue bank shall encourage discretion and sensitivity with respect to the circumstances, views, and beliefs of the families of potential organ and tissue donors.

(c) The designated organ procurement organization or applicable tissue bank shall assure that families of potential organ and tissue donors are made aware of the option of organ and tissue donation and their option to decline.

(d) The designated organ procurement organization or applicable tissue bank shall request consent for organ or tissue donation in the order of priority established under G.S. 130A-404(b) and shall have designated, trained staff available to perform the consent process 24 hours a day, 365 days a year.

(e) All hospital and patient information, interview, reports, statements, memoranda, and other data obtained or created by a tissue bank or federally designated organ procurement organization from the medical records review described in G.S. 130A-412.1(d) shall be privileged and confidential and may be used by the tissue bank or organ procurement organization only for the purposes set forth in G.S. 130A-412.1(d) and shall not be admissible as evidence or discoverable in an action of any kind before a court or administrative agency."

Section 3. This act becomes effective October 1, 1997.

HOUSE JOINT RESOLUTION 956*

Sponsors: Representatives Baddour, Braswell, Russell (Cosponsors); and Goodwin.

Referred to: Rules, Calendar and Operations of the House.

April 15, 1997

A JOINT RESOLUTION COMMEMORATING THE ONE HUNDRED FIFTIETH ANNIVERSARY OF THE CITY OF GOLDSBORO AND HONORING THE MEMORY OF MAJOR MATTHEW TILGHMAN GOLDSBOROUGH.

Whereas, the City of Goldsboro was granted a charter by the State of North Carolina on January 18, 1847; and

Whereas, the year 1997 marks the Sesquicentennial Anniversary of the incorporation of the City of Goldsboro; and

Whereas, the City of Goldsboro is recognized as being an important and significant entity contributing to the outstanding character and reputation that is enjoyed by the State of North Carolina; and

Whereas, during its 150 years as a vital member of the North Carolina community, Goldsboro has extended a warm and hospitable hand to all who have entered its boundaries, exemplifying the characteristics that define our fine State; and

Whereas, the City of Goldsboro has been represented by men and women in all wars sanctioned by the United States, to fight for the principles of democracy, freedom, and justice; and

Whereas, the City of Goldsboro possesses a rich and valuable history; and

Whereas, at this time when the City of Goldsboro is observing its Sesquicentennial Anniversary, it is only fitting to honor the memory of Major Matthew Tilghman Goldsborough, a civil engineer who was in charge of the survey and the building of the Wilmington and Weldon Railroad, for whom the city is named;

Now, therefore, be it resolved by the House of Representatives, the Senate concurring:

Section 1. The General Assembly observes the Sesquicentennial Anniversary of the City of Goldsboro and honors the memory of Major Matthew Tilghman Goldsborough.

Section 2. The Secretary of State shall transmit a certified copy of this resolution to the Mayor of the City of Goldsboro.

Section 3. This resolution is effective upon ratification.

With respect to any referendum conducted under the provisions of this Article, the duly certified commission, council, board or other agency shall, before calling and announcing such referendum, fix, determine and publicly announce at least 30 days before the date determined upon for such referendum, the date, hours and polling places for voting in such referendum, the amount and basis of the assessment proposed to be collected, the means by which such assessment shall be collected if authorized by the growers, and the general purposes to which said amount so collected shall be applied; no annual assessment levied under the provisions of this Article shall exceed one half of one percent (1/2 of 1%) of the value of the year's production of such agricultural commodity grown by any farmer, producer or grower included in the group to which such referendum is submitted. Provided, that the assessment for the research and promotion programs of the American Dairy Association of North Carolina may be fixed on the volume of milk sold not to exceed one percent (1%) of the statewide blend price paid to all North Carolina producers during the previous calendar year for three and one-half percent (3.5%) milk as

computed by the North Carolina Milk Commission. Provided further, that the assessment authorized by this Article and collected by the Commissioner of Agriculture to be paid to the North Carolina Yam Commission, Inc., or other duly certified agencies entitled thereto for research, marketing and promotional programs related to yams or sweet potatoes may be levied at a rate not to exceed two percent (2%) of the value of the year's production of that agricultural commodity grown by any farmer, producer or grower included in the group to which the referendum is submitted, and when authorized by two-thirds or more of the farmers, producers or growers in the area in which the referendum is conducted, the rate of the assessment may remain in effect for the length of time provided in the referendum. Provided further, that the assessment authorized by this Article on peanuts may not exceed two percent (2%) of the price paid to the producer."

MINUTES
COMMITTEE ON RULES, CALENDAR, AND OPERATIONS OF THE HOUSE
April 30, 1997

The Committee on Rules, Calendar, and Operations of the House met April 30, 1997, at 1:00 p.m. in Room 412 in the Legislative Office Building. Representative Morgan, Committee Chair, called the meeting to order and asked the clerk to call the roll. The following members were present: Representative Bowie, Vice Chair; and Representatives Crawford, Culp, Dockham, Esposito, Gulley, Hill, McMahan, Miner, Mitchell, Neely, Thompson, and C. Wilson.

The first order of business was the consideration of House Joint Resolution 1054 -A JOINT RESOLUTION PROVIDING FOR A JOINT SESSION OF THE GENERAL ASSEMBLY TO ACT ON A JOINT RESOLUTION PROVIDING FOR CONFIRMATION OF THE APPOINTMENTS BY THE GOVERNOR OF NEW MEMBERS TO THE STATE BOARD OF EDUCATION - sponsored by Representative Russell. Committee Staff Counsel, Linwood Jones, was recognized to explain the resolution. Representative Dockham moved for a favorable report and motion carried.

House Bill 437 - AN ACT CHANGING THE METHOD FOR APPOINTMENT OF MEMBERS OF THE PILOT MOUNTAIN CIVIC AND RECREATION CENTER AUTHORITY - was the next agenda item to be heard. The Chair explained that this was a blank bill sponsored by Representative Hiatt and that Representative Baker would explain the bill an offer a proposed committee substitute to House Bill 437. Representative Mitchell moved for the adoption of the proposed committee substitute for Committee discussion. Motion carried. Representative McMahan moved to give the proposed committee substitute a favorable report and an unfavorable report to the original bill. Motion carried.

House Bill 382 -AN ACT TO PROVIDE THAT LOBBYIST MAY NOT GIVE TO CANDIDATES FOR CERTAIN OFFICES AT ANY TIME, AND TO PROVIDE THAT LOBBYISTS MAY NOT ADVISE POLITICAL ACTION COMMITTEES AS TO HOW TO DISTRIBUTE THEIR FUNDS - was next before the Committee for consideration. Representative McComas, bill sponsor, was recognized to explain the bill and offered a proposed committee substitute. Representative Dockham moved to adopt the proposed committee substitute for the purpose of Committee discussion. Motion carried. Representative McComas explained that the committee substitute removed the portion of the original bill that provided that lobbyists may not advise political action committees as to how to distribute their funds. Representative Neely moved to amend the proposed committee substitute bill on page 2, line 36 by adding the following provision, "(7) A contribution by a registered lobbyist to the lobbyist's own campaign." Motion carried. Representative Hill moved to give the proposed committee substitute, as amended and rolled into the committee substitute, a favorable report and unfavorable to original bill. Representative Thompson asked to be recognized for a substitute motion. Request denied. Representative Neely's motion was given a favorable report

with one dissenting vote cast by Representative Thompson. There was a title change to the bill.

The Committee adjourned at 1:45 p.m.

HOUSE BILL 1135
Proposed Committee Substitute H1135-PCS8210

Short Title: State Employee Incentive Bonus. (Public)

Sponsors:

Referred to:

April 21, 1997

A BILL TO BE ENTITLED

AN ACT AMENDING THE STATE PERSONNEL ACT TO PROVIDE FOR AN INCENTIVE BONUS PROGRAM TO RECOGNIZE AND REWARD THE COST-SAVING INITIATIVE AND INNOVATIONS OF STATE EMPLOYEES.

The General Assembly of North Carolina enacts:

Section 1. Chapter 126 of the General Statutes is amended by adding a new Article to read:

"ARTICLE 2A.

"Incentive Bonus Program.

"**§ 126-7.3. State employee incentive bonus.**

(a) A State employee or team of State employees may receive an incentive bonus or bonuses in reward for suggestions or innovations resulting in monetary savings to the State, increased revenues to the State, or improved quality of services delivered to the public. The program is restricted to current State employees. Managers and supervisors may participate in the program.

(b) In addition to any bonuses paid directly to individual State employees, a portion of the cost-savings associated with any savings realized from permanent efficiencies implemented pursuant to this section may be contributed to a reserve fund for State employee performance bonuses. Funds for State employee incentive bonuses shall only come from savings including reversions above the baseline reversion of the employing State department, agency, or institution. For the purposes of this section, 'baseline reversion' means the two-year historical average of reversions by a State department, agency, or institution.

(c) Savings generated by suggestions and innovations shall be determined at the end of the fiscal year in which the suggestion or innovation is implemented. Any savings are to be calculated using the actual expenditures for a program, activity, or service compared to the budgeted amount for the same. The savings calculation shall include the amount of any reversions in excess of the baseline reversion. Any savings realized through the State employee incentive bonus shall be weighed against continued service to the public.

"**§ 126-7.4. Allocation of incentive bonus funds; nonmonetary recognition.**

(a) If a State employee's suggestion or innovation results in a monetary savings or increased revenue to the State, the funds saved or increased will be distributed according to the following scale:

(1) Twenty percent (20%) of the savings or fifty percent (50%) of the suggester's annual salary, whichever is less, to constitute gainsharing. If a team of State employee's is the suggester, the bonus provided in this subdivision shall be divided equally among the team members, except that no team member may receive in excess of fifty percent (50%) of the employee's annual salary.

(2) Thirty percent (30%) to a performance bonus reserve for all current State employees, to be distributed according to G.S. 126-7, the Comprehensive Compensation System for State employees.

(3) The remainder to the General Fund for nonrecurring budget items.

(b) The budget of a State agency will not be reduced by a similar amount in the following fiscal year. The agency budget will be reduced only if structural or organizational changes are made that warrant the reductions, including the transfer of responsibility for an activity or service to another agency or the elimination of some function of State government.

(c) If a suggestion or innovation results in improved quality of services to the public, but not in monetary savings to the State, the suggester shall receive a nonmonetary award in the form of a certificate, leave with pay, or other similar recognition.

"**§ 126-7.5. Suggestion and review process; role of agency coordinator and agency evaluator.**

(a) The process for a State employee or team of State employees to submit a cost-saving proposal shall begin by the employee or team of employees submitting the suggestion or innovation to an agency coordinator designated by the employing State department, agency, or institution. The agency coordinator, in conjunction with an agency evaluator, shall review the suggestion or innovation for submission to the Review Committee established in G.S. 126-7.6.

(b) The duties of the agency coordinator shall include:

(1) Serving as an information source and maintaining sufficient forms necessary to submit suggestions.

(2) Responsibility for presenting, in conjunction with the agency evaluator, the plan of implementation for a suggestion or innovation to the Review Committee.

(3) Working with an agency evaluator designated by the Review Committee of State employees empaneled pursuant to G.S. 126-7.6.

An agency may have more than one coordinator if required to provide sufficient services to State employees.

(c) The duties of an agency evaluator shall include:

(1) Reviewing the feasibility and effectiveness of cost-saving measures suggested by State employees.

(2) Being knowledgeable of the subject program, activity, or service.

(3) Determining the budgetary impact of a suggestion or innovation.

(4) Judging impartially both the positive and negative effects of a suggestion or innovation on the current functions of the subject program, activity, or service.

The specific assignments of the agency evaluator shall be determined by the agency coordinator.

(d) The State Coordinator shall be responsible for general oversight and coordination of the State employee incentive bonus program. The State Coordinator shall be a State employee working in the Office of the State Auditor.

"**§ 126-7.6. Incentive Bonus Review Committee.**

(a) The Incentive Bonus Review Committee, hereinafter 'Review Committee', shall consist of nine members, as follows:

(1) The State Coordinator.

(2) A representative of the Fiscal Research Division of the General Assembly.

(3) A representative of the Department of Justice.

(4) A representative of the Department of Labor.

(5) One State employee appointed by the Speaker of the House of Representatives.

(6) One State employee appointed by the President Pro Tempore of the Senate.

(7) Three State employees appointed by the State Employees Association of North Carolina, Inc.

(b) The duties of the Review Committee shall include:

(1) Responsibility for receiving from the various agency coordinators recommendations on suggestion and innovation implementation plans.

(2) Determining the impact of a suggestion or innovation on State government services by judging the monetary savings, increased revenues, or improved quality of services generated by a suggestion or innovation.

(3) Ensure that the State employee incentive bonus process does not result in a negative impact on services provided to taxpayers by State government.

(c) The Fiscal Research Division of the General Assembly shall provide staff and other necessary support to the Review Committee. The Review Committee shall publish an annual report."

Section 2. G.S. 126-4 reads as rewritten:

"**§ 126-4. Powers and duties of State Personnel Commission.**

Subject to the approval of the Governor, the State Personnel Commission shall establish policies and rules governing each of the following:

(1) Position classification plans which shall provide for the classification and reclassification of all positions subject to this Chapter according to the duties and responsibilities of the positions.

(2) Compensation plans which shall provide for minimum, maximum, and intermediate rates of pay for all employees subject to the provisions of this Chapter.

(3) For each class of positions, reasonable qualifications as to education, experience, specialized training, licenses, certifications, and other job-related requirements pertinent to the work to be performed.

(4) Recruitment programs designed to promote public employment, communicate current hiring activities within State government, and attract a sufficient flow of internal and external applicants; and determine the relative fitness of applicants for the respective positions.

(5) Hours and days of work, holidays, vacation, sick leave, and other matters pertaining to the conditions of employment. The legal public holidays established by the Commission as paid holidays for State employees shall include Martin Luther King, Jr.'s Birthday and Veterans Day. The Commission shall not provide for more than 11 paid holidays per year except that in those years in which Christmas Day falls on a Tuesday, Wednesday, or Thursday, the Commission shall not provide for more than 12 paid holidays.

(5a) In years in which New Year's Day falls on Saturday, the Commission may designate December 31 of the previous calendar year as the New Year's holiday, provided that the number of holidays for the previous calendar year does not exceed 12 and the number of holidays for the current year does not exceed 10. When New Year's Day falls on either Saturday or Sunday, the constituent institutions of The University of North Carolina that adopt alternative dates to recognize the legal public holidays set forth in subdivision (5) of this section and established by the Commission may designate, in accordance with the rules of the Commission and the requirements of this subdivision, December 31 of the previous calendar year as the New Year's holiday.

(6) The appointment, promotion, transfer, demotion and suspension of employees.
(7) Cooperation with the State Board of Education, the Department of Public Instruction, the University of North Carolina, and the Community Colleges of the State and other appropriate resources in developing programs in, including but not limited to, management and supervisory skills, performance evaluation, specialized employee skills, accident prevention, equal employment opportunity awareness, and customer service; and to maintain an accredited Certified Public Manager program.
(7a) The separation of employees.
(8) A program of meritorious service awards.
(9) The investigation of complaints and the issuing of appropriate action concerning employment, promotion, demotion, transfer, discharge, reinstatement, and any other issue defined as a contested case issue by this Chapter in all cases as the Commission shall find justified.
(10) Programs of employee assistance, productivity incentives, equal opportunity, safety and health as required by Part 1 of Article 63 of Chapter 143 of the General Statutes, and such other programs and procedures as may be necessary to promote efficiency of administration and provide for a fair and modern system of personnel administration. This subdivision may not be construed to authorize the establishment of an incentive pay program.
(11) In cases where the Commission finds discrimination or orders reinstatement or back pay whether (i) heard by the Commission or (ii) appealed for limited review after settlement or (iii) resolved at the agency level, the assessment of reasonable attorneys' fees and witnesses' fees against the State agency involved.
(12) Repealed by Session Laws 1987, c. 320, s. 2.
(13) Repealed by Session Laws 1987, c. 320, s. 3.
(14) The implementation of G.S. 126-5(e).
(15) Recognition of State employees, public personnel management, and management excellence.
(16) The implementation of G.S. 126-7.
(17) An alternative dispute resolution procedure.
(18) The implementation of G.S. 126-7.3.

The policies and rules of the Commission shall not limit the power of any elected or appointed department head, in the department head's discretion and upon the department head's determination that it is in the best interest of the Department, to transfer, demote, or separate a State employee who is not a career State employee as defined by this Chapter."

Section 3. This act becomes effective July 1, 1997.

A JOINT RESOLUTION INVITING THE REVEREND BILLY GRAHAM TO ADDRESS A JOINT SESSION OF THE HOUSE OF REPRESENTATIVES AND THE SENATE AND INVITING GOVERNOR JAMES B. HUNT, JR.

Whereas, Billy Graham has distinguished himself through his contributions to morality, racial equality, family, philanthropy, and religion; and

Whereas, perhaps America's most respected and admired evangelical leader of the past half century, Billy Graham has reached millions of people through crusades and television; and

Whereas, Billy Graham has exemplified the highest ideals of teaching, counseling, ethics, charity, faith, and family; and

Whereas, Billy Graham's daily newspaper column and numerous books have provided spiritual counseling and personal enrichment to millions of people; and

Whereas, Billy Graham and Ruth Graham, his wife of 53 years, have been the driving force to create the Ruth and Billy Graham Children's Health Center at Memorial Mission Hospital in Asheville, North Carolina, whose vision it is to improve the health and well-being of children and to become a new resource for ending the pain and suffering of children; and

Whereas, Billy Graham has received numerous awards and honorary degrees including the Congressional Gold Medal in 1996, the North Carolina Award for Public Service in 1986, the Presidential Medal of Freedom in 1983, the Sylvanus Thayer Award from the United States Military Academy Association of Graduates at West Point in 1972, the International Brotherhood Award from the National Conference of Christians and Jews in 1971, and the Gold Award of the George Washington Carver Memorial Institute in 1964; and

Whereas, Billy Graham has participated in eight presidential inaugurations from the inauguration of President Lyndon B. Johnson in 1965 to the inauguration of President William J. Clinton in 1997;

Now, therefore, be it resolved by the Senate, the House of Representatives concurring:

Section 1. The Reverend Billy Graham is invited to address a joint session of the House of Representatives and the Senate in the Hall of the House of Representatives at 6:00 p.m., Monday, May 5, 1997.

Section 2. The Honorable James B. Hunt, Jr., Governor, is invited to the joint session.

Whereas, Article I, Section 13, of the Constitution of North Carolina speaks to religious liberty in the State of North Carolina and the right to worship Almighty God; and

Whereas, it is right and proper to recognize and commemorate the memory of all religious leaders who have led in the pursuit and practice of individual worship and thereby strengthening the moral fiber of this State; and

Whereas, Billy Graham was born William Franklin Graham on November 7, 1918, in Charlotte, North Carolina, to William Franklin Graham and Morrow Coffey Graham; and

Whereas, Billy Graham graduated from the Florida Bible Institute, now Trinity College, in 1940, and Wheaton College in 1943; and

Whereas, Billy Graham married Wheaton College classmate, Ruth McCue Bell in 1943, and from their union five children were born: Virginia Leftwich, Anne Morrow, Ruth Bell, William Franklin, and Nelson Edman; and

Whereas, from 1943 to 1945, Billy Graham served as pastor of the First Baptist Church in Western Springs, Illinois, and later joined Youth for Christ International, where he ministered to young people and service personnel from 1945 to 1950; and

Whereas, after World War II, Billy Graham began to preach throughout the United States and Europe, but gained international prominence as an evangelist through a series of crusades that began in 1949; and

Whereas, Billy Graham founded the Billy Graham Evangelistic Association in 1950, which launched his weekly radio program "Hour of Decision"; and

Whereas, Billy Graham has received numerous awards and honorary degrees including the Congressional Gold Medal in 1996, the North Carolina Award for Public Service in 1986, the Presidential Medal of Freedom in 1983, the Sylvanus Thayer Award from the United States Military Academy Association of Graduates at West Point in 1972, the International Brotherhood Award from the National Conference of Christians and Jews in 1971, and the Gold Award of the George Washington Carver Memorial Institute in 1964; and

Whereas, Billy Graham has written 17 books, all of which have become best sellers; and

Whereas, Billy Graham has participated in eight presidential inaugurations from the inauguration of President Lyndon B. Johnson through the inauguration of President Bill Clinton in 1997; and

Whereas, Billy Graham's messages have reached over 210 million people in over 185 countries through his crusades, television appearances, and radio programs, making him the most well-known preacher; and

Whereas, over the course of many years, people from all walks of life have sought Billy Graham's counsel; and

Whereas, Billy Graham has distinguished himself as a man of great faith, showing a genuine interest in reaching out to those seeking spiritual guidance; and

Whereas, Billy Graham is admired and respected by millions of people over all the world; and

Whereas, naming Billy Graham as World Evangelist would be a fitting tribute to one of North Carolina's most beloved citizens;

Now, therefore, be it resolved by the Senate, the House of Representatives concurring:

Section 1. The General Assembly commemorates the memory of religious leaders in the State of North Carolina and names Billy Graham World Evangelist.

Section 2. The Secretary of State shall transmit a certified copy of this resolution to Billy Graham.

Section 3. This resolution is effective upon ratification.

COMMITTEE ON RULES, CALENDAR, AND OPERATIONS OF THE HOUSE
May 7, 1997

The Committee on Rules, Calendar, and Operations of the House met May 7, 1997, at 1:00 p.m. in Room 421 in the Legislative Office Building. Representative Morgan, Committee Chair, called the meeting to order and asked the clerk to call the roll. The following members were present: Representative Bowie, Vice Chair; and Representatives Culp, Dockham, Esposito, Gulley, Hill, McMahan, Miner, Mitchell, Neely, Thompson and C. Wilson.

The bill before the Committee was Committee Substitute for Senate Bill 945 - A BILL TO BE ENTITLED AN ACT TO REQUIRE THE PRESCRIBER'S AND THE PATIENT'S CONSENT FOR INTERCHANGE OF A LIMITED CLASS OF DRUGS. Senator Rand, bill sponsor, was recognized to explain the bill and offered a proposed House Committee Substitute for the Committee Substitute for the Senate bill. Representative Esposito moved that the proposed House Committee Substitute S945-PCS4598 be adopted for Committee discussion. Motion carried.

Dr. Christine Dean, Director of the Epilepsy Institute of North Carolina, was recognized by the Chair to speak in favor of the bill. Mr. Lou Starling from Sampson County was recognized by the Chair to speak against the bill. Dr. Christopher T. Rhodes, Professor of Applied Pharmaceutical Sciences at the University of Rhode Island, made remarks against the bill after being introduced by Mr. Lou Starling and recognized by Chairman Morgan. Dr. James Gross, Assistant Professor of Pharmacy at Campbell University School of Pharmacy, Instructor of Medicine at the University of North Carolina at Chapel Hill and Clinical Practicing Pharmacist at the Moses H. Cone Memorial Hospital; spoke in favor of the bill. Mr. Tim Sawyer, employee of Barr Laboratories, was recognized to speak in opposition of the bill. The Chair recognized Dr. David Work, Director of the North Carolina Board of Pharmacy, to speak in favor of the bill. Dr. Work let the Committee know that he was speaking on his own behalf and not for the North Carolina Board of Pharmacy, which does not support, oppose or endorse legislation.

The Chair asked for discussion and debate from the Committee. Representatives Neely, Culp, and Wilson had questions for the speakers that spoke in support of and in opposition to the bill. Representative Bowie was recognized by the Chair for comments and for a motion. The motion was for a favorable report as to the House committee substitute bill and unfavorable to the Senate committee substitute. Motion carried.

The meeting adjourned.

A BILL TO BE ENTITLED

AN ACT TO REQUIRE THE PRESCRIBER'S AND THE PATIENT'S CONSENT FOR INTERCHANGE OF A LIMITED CLASS OF DRUGS.

The General Assembly of North Carolina enacts:

Section 1. G.S. 90-85.27 reads as rewritten:

"**§ 90-85.27. Definitions.**

As used in G.S. 90-85.28 through G.S. 90-85.31:

(1) 'Equivalent drug product' means a drug product which has the same established name, active ingredient, strength, quantity, and dosage form, and which is therapeutically equivalent to the drug product identified in the prescription;

(2) 'Established name' has the meaning given in section 502(e)(3) of the Federal Food, Drug and Cosmetic Act, 21 U.S.C. 352(e)(3);

(3) 'Good manufacturing practice' has the meaning given it in Part 211 of Chapter 1 of Title 21 of the Code of Federal Regulations;

(4) 'Manufacturer' means the actual manufacturer of the finished dosage form of the drug;

(4a) 'Narrow therapeutic index drugs' means those pharmaceuticals having a narrowly defined range between risk and benefit. Such drugs have less than a twofold difference in the minimum toxic concentration and minimum effective concentration in the blood or are those drug product formulations that exhibit limited or erratic

absorption, formulation-dependent bioavailability, and wide intrapatient pharmacokinetic variability that requires blood-level monitoring. Drugs identified as having narrow therapeutic indices shall be designated by the North Carolina Secretary of Human Resources upon the advice of the State Health Director, North Carolina Board of Pharmacy, and North Carolina Medical Board, as narrow therapeutic index drugs and shall be subject to the provisions of G.S. 90-85.28(b1). The North Carolina Board of Pharmacy shall submit the list of narrow therapeutic index drugs to the Codifier of Rules, in a timely fashion for publication in January of each year in the North Carolina Register.

(5) 'Prescriber' means anyone authorized to prescribe drugs pursuant to the laws of this State."

Section 2. G.S. 90-85.28 is amended by adding the following new subsection to read:

"(b1) A prescription for a narrow therapeutic index drug shall be refilled using only the same drug product by the same manufacturer that the pharmacist last dispensed under the prescription, unless the prescriber is notified by the pharmacist prior to the dispensing of another manufacturer's product, and the prescriber and the patient give documented consent to the dispensing of the other manufacturer's product. For purposes of this subsection, the term 'refilled' shall include a new prescription written at the expiration of a prescription which continues the patient's therapy on a narrow therapeutic index drug."

Section 3. This act becomes effective July 1, 1997.

Biography

Dr. Christopher T. Rhodes

Dr. Christopher T. Rhodes is Professor of Applied Pharmaceutical Sciences at the University of Rhode Island. After obtaining his B. Pharm. (Hons) and Ph.D. degrees at Chelsea School of Pharmacy, University of London, Dr. Rhodes was appointed Smith, Kline and French post-doctoral Research Associate at Purdue University where he worked with Dr. G. S. Banker on the development of new oral prolonged action dosage forms.

Professor Rhodes has published over two hundred papers on a variety of pharmaceutical topics associated with the design and evaluation of drug delivery systems and devices. Working with Mr. R. E. Hone he edited "Automated Analysis of Drugs and Other Substances of Pharmaceutical Interest" which was published by Medical Butterworth in 1973. In association with Dr. G. S. Banker he edited "Modern Pharmaceutics" published by Dekker in 1979, 1990 and 1995. Dr. Rhodes worked with Dr. Bruce Shearer of the Population Council and Mr. S. M. Keeney to prepare the handbook "The Purchase, Shipment, Storage and Distribution of Contraceptives in Developing Countries" under contract for the World Bank. He is the editor of Drug Development and Industrial Pharmacy.

Dr. Rhodes is President of PharmaCon Inc. of Rhode Island, a company which provides consulting services to government and industry on the formulation and analysis of drug products and devices and on clinical and regulatory aspects of their use. He has acted as an expert witness in these areas. Professor Rhodes is a Fellow of the American Association of Pharmaceutical Scientists .He has served as a member of the United States Pharmacopoeia Committee of Revision (USP). He has also served as a member of the Federal Food and Drug Administration Advisory Committee on Generic Drugs. His services as a consultant have been used by the Inland Revenue Service and the US Army.

SB 945 Would Unnecessarily Cost Consumers and State Medicaid Millions

SB 945 is special interest legislation that will hurt consumers. It was passed hurriedly by the Senate without adequate consideration of either science or economic impact. SB 945 needlessly restricts access to important medicines and will result in significantly higher health care costs.

PLEASE VOTE AGAINST THIS LEGISLATION FOR THE FOLLOWING REASONS:

- **SB 945 Will Place a Significant Burden on Consumers**

  Limiting the substitution of generic versions of Narrow Therapeutic Index (NTI) drugs will have a significant adverse economic impact on consumers, pharmacies and the State Medicaid Program. **In the State of North Carolina alone, consumers today spend more than $31 million on NTI products. The State Medicaid Program currently spends more than $6.4 million on NTI drugs.**

- **SB 945 is Unnecessary**

  Generic NTI products have a proven track record. 16 NTI generic products have been on the market for years in North Carolina and around the nation and millions of prescriptions have been filled without any restrictions and without any documented health problems. Commenting on similar legislation, the FDA has said that:
  "NTI drugs can be substituted with the full expectation by the patient and physician that they will have the same clinical effect and safety profile... the physician, pharmacist, and patient have FDA's assurance that the physician should see the same clinical results and safety profile."

- **Doctors Already Have the Total Authority to Freely Prescribe Any Medicine**

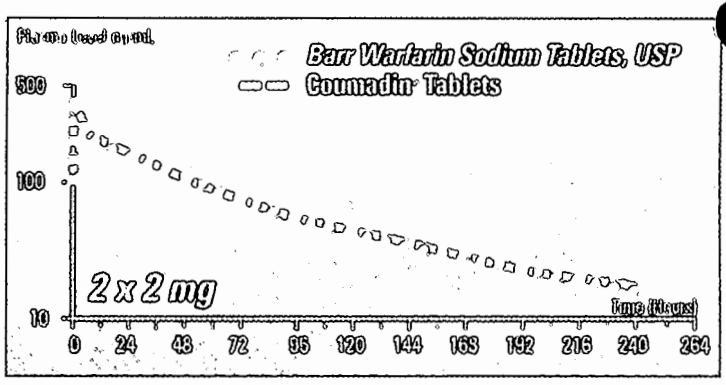
  The ultimate choice on whether a generic medicine is suitable for the patient already rests in the hands of the doctor through the use of the two line prescription pad and the patient who can always request the branded product.

- **Legislators Are Being Duped by the Pharmaceutical Giants into Passing a Bad Law**

  Presented as a "public safety" initiative, SB 945 does nothing to protect patient safety. This bill is part of a state-by-state effort by the DuPont-Merck Pharmaceutical Company to protect its Coumadin cardiovascular medicine from generic competition.

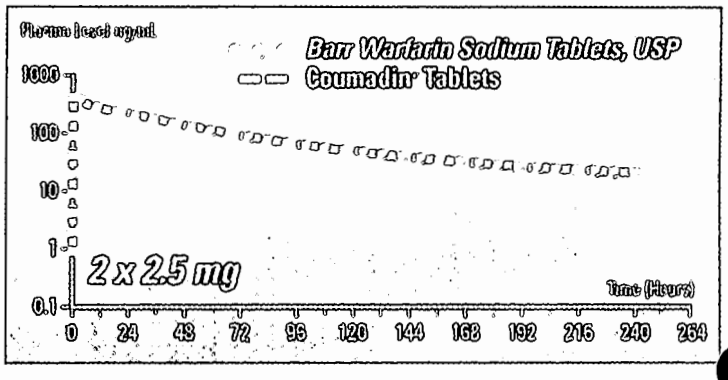
Bioequivalency/Bioavailability Studies

Study #1:
Twenty-six (26) healthy males were recruited for a two-way, single-dose, open-label, randomized, two-period, two-treatment, two-sequence, crossover study taking 2 x 2 mg tablets under fasting conditions to evaluate the relative bioavailability of Barr Warfarin Sodium Tablets, USP 2 mg to Coumadin® Tablets, 2 mg (reference product) distributed by DuPont Pharma. Twenty-five (25) subjects completed the entire clinical portion of the study. Warfarin concentrations in plasma were determined by a validated HPLC method.



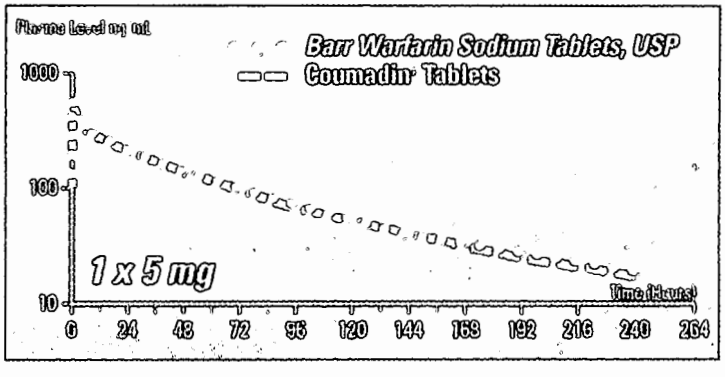
Conclusion:
Statistical analysis of Cmax and AUC in plasma demonstrated that Barr Warfarin Sodium Tablets, USP are bioequivalent to Coumadin® Tablets.

Study #2:
Twenty-six (26) healthy males were recruited for a two-way, single-dose, open-label, randomized, two-period, two-treatment, two sequence, crossover study taking 2 x 2.5 mg tablets under fasting conditions to evaluate the relative bioavailability of Barr Warfarin Sodium Tablets, USP 2.5 mg to Coumadin® Tablets, 2.5 mg (reference product) distributed by DuPont Pharma. Twenty-five (25) subjects completed the entire clinical portion of the study. Warfarin concentrations in plasma were determined by a validated HPLC method.



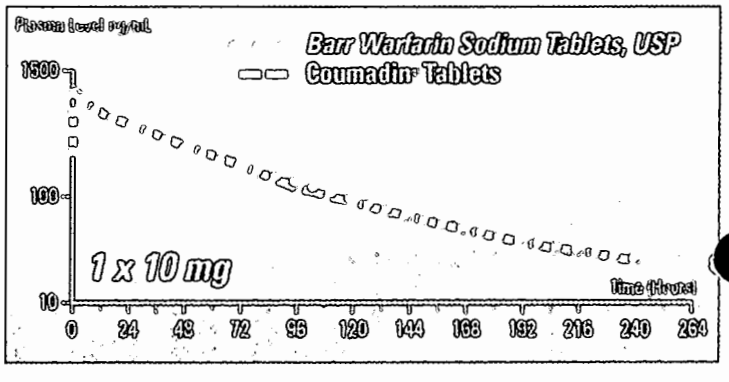
Conclusion:
Statistical analysis of Cmax and AUC in plasma demonstrated that Barr Warfarin Sodium Tablets, USP are bioequivalent to Coumadin® Tablets.

Study #3:
Twenty-six (26) healthy males were recruited for a two-way, single-dose, open-label, randomized, two-period, two-treatment, two-sequence, crossover study taking 1 x 5 mg tablets under fasting conditions to evaluate the relative bioavailability of Barr Warfarin Sodium Tablets, USP 5 mg to Coumadin® Tablets, 5 mg (reference product) distributed by DuPont Pharma. Twenty-five (25) subjects completed the entire clinical portion of the study. Warfarin concentrations in plasma were determined by a validated HPLC method.



Conclusion:
Statistical analysis of Cmax and AUC in plasma demonstrated that Barr Warfarin Sodium Tablets, USP are bioequivalent to Coumadin® Tablets.

Study #4:
Twenty-six (26) healthy males were recruited for a two-way, single-dose, open-label, randomized, two-period, two-treatment, two-sequence, crossover study taking 1 x 10 mg tablets under fasting conditions to evaluate the relative bioavailability of Barr Warfarin Sodium Tablets, USP 10 mg to Coumadin® Tablets, 10 mg (reference product) distributed by DuPont Pharma. Twenty-five (25) subjects completed the entire clinical portion of the study. Warfarin concentrations in plasma were determined by a validated HPLC method.



Conclusion:
Statistical analysis of Cmax and AUC in plasma demonstrated that Barr Warfarin Sodium Tablets, USP are bioequivalent to Coumadin® Tablets.

FDA STATEMENT ON GENERIC PREMARIN

FDA's Center for Drug Evaluation and Research (CDER) announced today that at this time it will not approve synthetic generic forms of the estrogen-replacement drug Premarin. This is because these generic products have not been shown to contain the same active ingredients, and therefore to work the same, as the original drug in treating women with menopausal symptoms and preventing osteoporosis.

In her announcement, CDER's director, Janet Woodcock, M.D., said, "Based on currently available data, there is at this time no way to assure that synthetic generic forms of Premarin have the same active ingredients as the brand-name drug. This is essential for determining they are equivalent to the brand drug, and is also a legal requirement for their approval."

Because generic drug manufacturers do not have to repeat the clinical studies used to develop the original, brand-name drug, they must assure their products are as safe and effective by showing that the active ingredients are the same and that they are bioequivalent--that is, absorbed and used by the body in the same way as the original products.

Premarin, the brand name for conjugated estrogens, is derived from the urine of pregnant mares and contains a number of different estrogens. Precisely how each of these various estrogens contribute to the drug's overall effectiveness has not been definitively determined. Premarin's approval in 1942 predated the current requirements for such comprehensive analysis of products under review for marketing approval.

Previously it was thought that two estrogens--sodium estrone sulfate and sodium equilin sulfate, were the sole active ingredients in Premarin. Newer laboratory and clinical studies show this may not be the case. Rather, other components in Premarin may contribute to the drug's effectiveness for menopausal symptoms and osteoporosis prevention.

In addition, recent studies submitted by Wyeth-Ayerst, the manufacturer of Premarin, show that after repeated doses of Premarin in women, the blood concentration of the active metabolites of the estrogen delta (8,9) dehydroestrone sulfate (DHES) is about the same order of magnitude as the concentration of the active metabolites of estrone and equilin.

"Although this finding does not prove that the DHES in Premarin has an important therapeutic effect," Woodcock says, "it underscores the lack of precise knowledge of the makeup of Premarin and the relative importance of its components, and therefore the lack of a standard on which to evaluate a generic copy."

Over the years, there has been controversy about the required composition and testing of generic conjugated estrogens. In 1991, FDA issued new bioequivalence testing guidelines for the drug, based on recommendations of its Generic Drugs Advisory Committee.

In 1970, conjugated estrogens were officially defined in a U.S. Pharmacopeia monograph as a mixture of sodium estrone sulfate and sodium equilin sulfate. In 1992, in addition to those components, other constituents were described as "concomitant components" and as impurities.

In November 1994, Wyeth-Ayerst filed a citizen petition requesting that DHES be reclassified as a concomitant component. The firm maintained that the compound contributes to the drug's potency, and therefore, effectiveness, and further requested that FDA require the compound to be included in any generic copies of the drug.

The following July, FDA's Fertility and Maternal Health Drugs Advisory Committee reviewed Wyeth-Ayerst's request. At the end of the deliberations, the committee unanimously concluded that not enough data were available to determine whether or not components besides estrone sulfate and equilin sulfate must be present in order for Premarin to achieve its established levels of efficacy and safety.

An ad hoc agency working group on conjugated estrogens was formed in the summer of 1995 to review the scientific data on the composition of conjugated estrogens. Recently, the working group presented a final report compiling scientific information related to the composition of Premarin.

The Center has now concluded that Premarin must be better characterized before its active ingredients can be definitively identified, and that the bioequivalence guidance for conjugated estrogens should be reexamined. The guidance describes how to measure whether the rate and extent of absorption in the blood of the generic version are equivalent to those of Premarin.

The agency encourages the initiation of studies that will permit the scientific determination of the active ingredients in Premarin and provide a potential for approval of generic versions of the drug.

Several brand name and generic tablets and patches containing estrogens are available besides Premarin to treat menopausal symptoms, a number of which are also approved for long-term use to prevent osteoporosis.

Item 872 – Caution on Product Selection

North Carolina pharmacists understand that the state product selection law presumes that pharmacists can use product selection on any prescription unless it is specifically prohibited by the prescriber. There are a number of drugs, however, for which product selection would be unwise due to difficulties with therapeutic interchange. Among these are:

Coumadin
Dilantin
Lanoxin
Premarin
Procan SR
Provera
Synthroid
Tegretol
Theophylline, Sustained Release

While there may be other products for which cautions about product selection would be applicable, it is generally accepted that risks occur with substitution of the above-named drugs.

HOUSE JOINT RESOLUTION 956*

Sponsors: Representatives Baddour, Braswell, Russell (Cosponsors); and Goodwin.

Referred to: Rules, Calendar and Operations of the House.

April 15, 1997

A JOINT RESOLUTION COMMEMORATING THE ONE HUNDRED FIFTIETH ANNIVERSARY OF THE CITY OF GOLDSBORO AND HONORING THE MEMORY OF MAJOR MATTHEW TILGHMAN GOLDSBOROUGH.

Whereas, the City of Goldsboro was granted a charter by the State of North Carolina on January 18, 1847; and

Whereas, the year 1997 marks the Sesquicentennial Anniversary of the incorporation of the City of Goldsboro; and

Whereas, the City of Goldsboro is recognized as being an important and significant entity contributing to the outstanding character and reputation that is enjoyed by the State of North Carolina; and

Whereas, during its 150 years as a vital member of the North Carolina community, Goldsboro has extended a warm and hospitable hand to all who have entered its boundaries, exemplifying the characteristics that define our fine State; and

Whereas, the City of Goldsboro has been represented by men and women in all wars sanctioned by the United States, to fight for the principles of democracy, freedom, and justice; and

Whereas, the City of Goldsboro possesses a rich and valuable history; and

Whereas, at this time when the City of Goldsboro is observing its Sesquicentennial Anniversary, it is only fitting to honor the memory of Major Matthew Tilghman Goldsborough, a civil engineer who was in charge of the survey and the building of the Wilmington and Weldon Railroad, for whom the city is named;

Now, therefore, be it resolved by the House of Representatives, the Senate concurring:

Section 1. The General Assembly observes the Sesquicentennial Anniversary of the City of Goldsboro and honors the memory of Major Matthew Tilghman Goldsborough.

Section 2. The Secretary of State shall transmit a certified copy of this resolution to the Mayor of the City of Goldsboro.

Section 3. This resolution is effective upon ratification.

HOUSE JOINT RESOLUTION 1153

Sponsors: Representative Culp.

Referred to: Rules, Calendar and Operations of the House.

April 23, 1997

A JOINT RESOLUTION COMMEMORATING THE ONE HUNDRED FIFTIETH ANNIVERSARY OF THE TOWN OF FRANKLINVILLE AND HONORING THE MEMORY OF JESSE FRANKLIN.

Whereas, the antebellum cotton factories of the Town of Franklinville in Randolph County were among this State's pioneer textile mills, and have caused the Town to be called "the cradle of the Deep River textile industry"; and

Whereas, the Town of Franklinville is home to numerous structures that are included in a historic district listed on the National Register of Historic Places and were built before the Civil War which illustrate all aspects of life in a nineteenth century mill village; and

Whereas, the Town of Franklinville was created by the legislature in 1847, to incorporate the neighboring mill villages of Franklinville, founded in 1838, and Island Ford, founded in 1846; and

Whereas, the chartering of the Town of Franklinville by the legislature was the first incorporation of any North Carolina mill village; and

Whereas, the Town of Franklinville is named for Jesse Franklin, who served as Governor of North Carolina from 1820 to 1821; and

Whereas, the Town of Franklinville is one of the pivotal landmarks of the history of economic and industrial development in the State of North Carolina;

Now, therefore, be it resolved by the House of Representatives, the Senate concurring:

Section 1. The General Assembly honors the memory of Jesse Franklin and recognizes the Town of Franklinville as one of the original success stories of domestic manufacturing in the State. The General Assembly further honors the occasion of the Town's 150th Anniversary by designating the Town as the State of North Carolina's first Textile Heritage Village.

Section 2. The Secretary of State shall transmit a certified copy of this resolution to the Mayor of the Town of Franklinville.

Section 3. This resolution is effective upon ratification.

May 12, 1997

A JOINT RESOLUTION HONORING THE LIFE AND MEMORY OF GORDON HICKS GREENWOOD, FORMER MEMBER OF THE GENERAL ASSEMBLY.

Whereas, Gordon Hicks Greenwood was born in Black Mountain, North Carolina, on July 3, 1909, to James Hicks Greenwood and Louella Ray Greenwood; and

Whereas, Gordon Hicks Greenwood was a member of the first graduating class of Biltmore College, which later became the University of North Carolina at Asheville, graduating on May 30, 1930; and

Whereas, Gordon Hicks Greenwood attended North Carolina State University, where he played football for one year; and

Whereas, Gordon Hicks Greenwood received a bachelor of arts degree in journalism from the University of Illinois in 1941, and continued his education at the University of London in 1945; and

Whereas, Gordon Hicks Greenwood married Garnet Elizabeth Carder on March 8, 1941; and

Whereas, Gordon Hicks Greenwood served in the United States Army from 1943 through 1945 in the European Theater of Operations as a psychologist in an army hospital's psychiatric unit; and

Whereas, in 1946, Gordon Hicks Greenwood and his wife, Garnet, bought and published the Black Mountain News, which he continued to operate until 1967; and

Whereas, Gordon Hicks Greenwood served as director of admissions and assistant to the President at Montreat College in Buncombe County from 1973 to 1976; and

Whereas, Gordon Hicks Greenwood also served as an assistant professor of journalism at Boston University and as the manager of the New England Press Association; and

Whereas, Gordon Hicks Greenwood rendered distinguished service to the State of North Carolina as a member of the North Carolina House of Representatives, serving from 1959 through 1966 and from 1972 through 1992; and

Whereas, the State's community college system owes tremendous gratitude to Gordon Hicks Greenwood who in 1963 introduced a bill that resulted in the creation of the State's community college system; and

Whereas, Gordon Hicks Greenwood was instrumental in establishing a State-owned cemetery for veterans in the Town of Black Mountain; and

Whereas, Gordon Hicks Greenwood's other political involvement included service on the Black Mountain Town Board and the Buncombe County Board of County Commissioners, of which he also served as chair; and

Whereas, Gordon Hicks Greenwood contributed to his community through his service on numerous civic, business, and veterans organizations, including the Black Mountain Lions Club, the Chamber of Commerce, and the American Legion; and

Whereas, Gordon Hicks Greenwood was the original organizer of the Western North Carolina Development Association and served on the Board of Directors of the Asheville-Buncombe Technical College and of the University of North Carolina at Asheville; and

Whereas, Gordon Hicks Greenwood was an active member of the Black Mountain United Methodist Church, serving on the Official Board; and

Whereas, Gordon Hicks Greenwood received numerous awards and recognitions, including the North Carolina Commissioner of the Year in 1971, and the Outstanding Alumnus from the University of North Carolina at Asheville in 1981; and

Whereas, Gordon Hicks Greenwood died on February 16, 1997, at the age of 87, leaving two sons, G. Gordon Greenwood and Rick Greenwood, and three grandchildren; and

Whereas, Gordon Hicks Greenwood was a respected statesman, a devoted family man, and an individual highly dedicated to the advancement of his community; and

Whereas, the General Assembly, in warm memory and admiration, wishes to recognize the contributions of Gordon Hicks Greenwood to the well-being and betterment of Buncombe County, Western North Carolina, and the entire State;

Now, therefore, be it resolved by the House of Representatives, the Senate concurring:

Section 1. The General Assembly honors the memory of Gordon Hicks Greenwood and expresses the deep gratitude and appreciation of this State and its citizens for his life and service to North Carolina.

Section 2. The General Assembly extends its deepest sympathy to the family of Gordon Hicks Greenwood for the loss of its distinguished member.

Section 3. The Secretary of State shall transmit a certified copy of this resolution to the family of Gordon Hicks Greenwood.

Section 4. This resolution is effective upon ratification.

COMMITTEE ON RULES, CALENDAR, AND OPERATIONS OF THE HOUSE
May 21, 1997

The Committee on Rules, Calendar, and Operations of the House met May 21, 1997, at 1:00 p.m. in Room 421 in the Legislative Office Building. Representative Morgan, Committee Chair, called the meeting to order and asked the clerk to call the roll. The following members were present: Representative Bowie, Vice-Chair; and Representatives Culp, Dockham, Esposito, Gulley, Hill, McMahan, Miner, Mitchell and Thompson.

The first order of business was the consideration of House Bill 849 -AN ACT TO APPROPRIATE FUNDS FOR THE PIEDMONT TRIAD CENTER FOR ADVANCED MANUFACTURING. Representative Bowie, bill sponsor, was recognized to explain the bill. She offered a proposed committee substitute for Committee discussion and moved for its adoption. Motion carried. She explained that the $950,000 was split between the fiscal years 1997-98. Mr. Bill Weber, interim Executive Director for the Piedmont Triad Center for Advanced Manufacturing (PT CAM0), in response to a question stated that plans are for PT CAMO to be self-funding. Representative Bowie moved to give the committee substitute a favorable report and an unfavorable report to the original bill and recommend that the committee substitute be re-referred to the Committee on Appropriations. Motion carried.

The next bill before the Committee was House Bill 417 -AN ACT REGARDING MITCHELL COUNTY AND INCORPORATED MUNICIPALITIES LOCATED THEREIN. Representative Thompson, bill sponsor, was recognized to explain the bill. He offered a proposed committee substitute for committee discussion and moved for its adoption. Motion carried. Representative Thompson said the new bill would authorize Mitchell county to impose a charge on the business of providing river rafting in Mitchell County and that it was requested by the County Commissioners. Representative Thompson moved for a favorable report to the committee substitute and an unfavorable report to the original bill and a recommendation that the committee substitute be re-referred to the Committee on Finance. Motion carried. There was a title change in the bill.

House Bill 251 (Identical to Senate Bill 261) - AN ACT TO CREATE THE WELL CONTRACTORS CERTIFICATION COMMISSION, TO REQUIRE THAT WELL CONTRACTORS BE CERTIFIED, AND TO MAKE VARIOUS AMENDMENT TO THE WELL CONSTRUCTION ACT, AS RECOMMENDED BY THE ENVIRONMENTAL REVIEW COMMISSION - was next before the Rules Committee. Representative Culp was recognized to explain the bill. Representative Mitchell moved for a favorable report and recommended that the bill be re-referred to the Committee on Finance. Motion carried. The Assessment Report for Well Contractors presented by the Legislative Committee on New Licensing Boards is attached and made a part of the Minutes. (Attachment I).

House Bill 1056 - AN ACT TO PROVIDE FOR THE REGISTRATION OF ESTHETICIANS AND ESTHETICIAN APPRENTICES BY THE STATE BOARD OF COSMETIC ART EXAMINERS and committee substitute for Senate Bill 809 - AN ACT AMENDING THE NORTH CAROLINA APPRAISERS ACT - were displaced.

House Bill 421 -AN ACT TO ESTABLISH THE RESPIRATORY CARE PRACTICE ACT - was explained by Representative Tolson, the bill sponsor. He said there was no cost to the State and that the fees would pay for any implementation cost. Representative Dockham moved to report the bill out without prejudice and recommended that it be re-referred to the Committee on Insurance. Motion carried. The Assessment Report for Respiratory Care which was presented by the Legislative Committee on New Licensing Boards is attached and made a part of the Minutes. (Attachment 2).

Senate Bill 207 (Identical to House Bill 186)- AN ACT TO MODIFY THE CRIMINAL HISTORY RECORD CHECKS LAWS TO MAKE CLARIFYING CHANGES AND TO REQUIRE A CRIMINAL BACKGROUND CHECK ON HOME HEALTH AGENCY APPLICANTS ONLY FOR CERTAIN POSITIONS - was next before the Committee. Senator Foxx, the bill sponsor, was recognized to explain the committee substitute for Senate Bill 207. She explained that Representative Mitchell had an identical bill and had agreed to the only change in the Senate committee substitute which was to limit the criminal history check for employees working with patients and not require the criminal history check for office employees. Representative Mitchell moved for a favorable report to the House committee substitute for Senate Bill 207. Motion carried.

The meeting adjourned at 1:25 p.m.

Short Title: Mitchell River Rafting Charges. (Local)

A BILL TO BE ENTITLED

AN ACT TO AUTHORIZE MITCHELL COUNTY TO IMPOSE A CHARGE ON THE BUSINESS OF PROVIDING RIVER RAFTING IN MITCHELL COUNTY.

Whereas, a number of businesses operate in both Mitchell County and Tennessee providing river rafting services; and

Whereas, the State of Tennessee imposes a tax on these businesses conducted in Mitchell County as well as in Tennessee; and

Whereas, the operation of river rafting businesses in Mitchell County requires the county to provide emergency medical and rescue services to customers of the businesses; and

Whereas, as a result of the influx of river rafters in Mitchell County, the county must provide services and facilities that create a financial burden to the county; Now, therefore,

The General Assembly of North Carolina enacts:

Section 1. This act applies only to Mitchell County.

Section 2. Definitions. -- The following definitions apply in this act:

(1) Net proceeds. -- Gross proceeds less the cost to the county of administering and collecting the charge, as determined by the finance officer, not to exceed seven percent (7%) of the gross proceeds.

(2) Providing river rafting. -- Renting vessels or personal flotation devices for use on a river, providing river tours, or providing any other form of recreation or activity on a river.

(3) Vessel. -- Defined in G.S. 75A-2.

Section 3. County river rafting charge. (a) Levy. -- The board of commissioners of a county may, by resolution, levy a river rafting charge at the rate of one percent (1%), two percent (2%), or three percent (3%) of the gross receipts derived from the business of providing river rafting in the county. River rafting is provided in a county if the customer enters the river in that county. This river rafting charge is in addition to any State or local sales tax.

(b) Effective Date of Levy. -- Collection of the charge, and liability therefor, shall begin and continue only on and after the first day of a calendar month set by the board of commissioners in the resolution levying the charge. The effective date of a charge levied under this act may not be earlier than the first day of the second succeeding calendar month after the date the resolution is adopted.

(c) Use of Charge Proceeds. -- A county shall use at least fifty percent (50%) of the net proceeds of a charge levied under this act only for economic development, promotion of travel and tourism, or tourism-related expenditures. The county may use the remainder of the net proceeds for any lawful purpose.

(d) Repeal or Reduction in Rate. -- A charge levied under this act may be repealed or reduced to a rate of two percent (2%) or one percent (1%) by a resolution adopted by the board of commissioners of the county. Repeal or reduction of a charge levied under this act shall become effective on the first day of a month and may not become effective until the end of the fiscal year in which the repeal or reduction resolution was adopted. Repeal or reduction of a charge levied under this act does not affect a liability for a charge that was attached before the effective date of the repeal or reduction, nor does it affect a right to a refund of a charge that accrued before the effective date of the repeal or reduction.

Section 4. Collection and administration of the charge. (a) Collection. -- Every operator of a business subject to the charge levied under this act shall, on and after the effective date of the levy of the charge, collect the charge. This charge shall be collected as part of the price charged for providing river rafting subject to the charge. The charge shall be stated and charged separately from the sales records, and shall be paid by the customer to the operator of the business as trustee for and on account of the county. The charge shall be added to the price of the river rafting and shall be passed on to the customer instead of being borne by the operator of the business. The county shall design, print, and furnish to all appropriate businesses and persons in the county the necessary forms for filing returns and instructions to ensure the full collection of the charge. An operator of a business who collects the river rafting charge levied under this act may deduct from the amount remitted to the county a discount equal to the discount the State allows the operator for State sales and use tax.

(b) Administration. -- The county shall administer a charge levied under this act. A charge levied under this act is due and payable to the county finance officer in monthly installments on or before the 15th day of the month following the month in which the charge accrues. Every person, firm, corporation, or association liable for the charge shall, on or before the 15th day of each month, prepare and

render a return on a form prescribed by the county. The return shall state the total gross receipts derived in the preceding month from providing river rafting.

A return filed with the county finance officer under this act is not a public record and may not be disclosed except in accordance with G.S. 153A-148.1.

Section 5. Penalties. A person, firm, corporation, or association who fails or refuses to file the return or pay the charge required by this act is subject to the civil and criminal penalties set by G.S. 105-236 for failure to pay or file a return for State sales and use taxes. The board of commissioners of the levying county has the same authority to waive the penalties for the river rafting charge that the Secretary of Revenue has to waive the penalties for State sales and use taxes.

Section 6. This act is effective when it becomes law.

GENERAL ASSEMBLY OF NORTH CAROLINA

SESSION 1997

H 1

HOUSE BILL 251

Short Title: Well Contractors Certification. (Public)

Sponsors: Representative Culp.

Referred to: Rules, Calendar and Operations of the House.

February 17, 1997

A BILL TO BE ENTITLED

AN ACT TO CREATE THE WELL CONTRACTORS CERTIFICATION COMMISSION, TO REQUIRE THAT WELL CONTRACTORS BE CERTIFIED, AND TO MAKE VARIOUS AMENDMENTS TO THE WELL CONSTRUCTION ACT, AS RECOMMENDED BY THE ENVIRONMENTAL REVIEW COMMISSION.

The General Assembly of North Carolina enacts:

Section 1. Article 7 of Chapter 143B of the General Statutes is amended by adding a new Part to read:

"Part 9A. Well Contractors Certification Commission.

"**§ 143B-301.10. Definitions.**

The definitions in G.S. 87-85 and G.S. 87-98.2 apply in this Part.

"**§ 143B-301.11. Creation, powers, and duties of the Commission.**

(a) Creation and Duties. -- The Well Contractors Certification Commission is created within the Department. The Commission shall:

(1) Adopt rules with respect to the certification of well contractors as provided by Article 7A of Chapter 87 of the General Statutes.

(2) Exercise quasi-judicial powers in accordance with the provisions of Chapter 150B of the General Statutes. The Commission shall make the final agency decision on any matter involving the certification of well contractors pursuant to Article 7A of Chapter 87 of the General Statutes and on civil penalties assessed for violations of that Article or rules adopted pursuant to that Article.

(3) Adopt rules as may be required to secure a federal grant-in-aid for a program concerned with the certification of well contractors. This subdivision is to be liberally construed in order that the State and its citizens may benefit from federal grants-in-aid.

(b) Delegation. -- The Commission may, by rule, delegate to the Secretary any of its powers, other than the power to adopt rules.

"**§ 143B-301.12. Membership of Commission.**

(a) Appointments. -- The Commission shall consist of seven members appointed as follows:

(1) One member appointed by the General Assembly upon recommendation of the Speaker of the House of Representatives who, at the time of appointment, is (i) engaged in well contractor activities, (ii) certified as a well contractor under Article 7A of Chapter 87 of the General Statutes, (iii) engaged primarily in the construction, installation, repair, alteration, or abandonment of domestic water supply wells, and (iv) a resident of a county that is located east of or is traversed by Interstate 95.

(2) One member appointed by the General Assembly upon recommendation of the Speaker of the House of Representatives who, at the time of appointment, is (i) engaged in well contractor activities, (ii) certified as a well contractor under Article 7A of Chapter 87 of the General Statutes, (iii) engaged primarily in the construction, installation, repair, alteration, or abandonment of domestic water supply wells, and (iv) a resident of a county that is located wholly west of Interstate 95.

(3) One member appointed by the General Assembly upon recommendation of the President Pro Tempore of the Senate who, at the time of appointment, is (i) engaged in well contractor activities, (ii) certified as a well contractor under Article 7A of Chapter 87 of the General Statutes, and (iii) engaged primarily in the construction, installation, repair, alteration, or abandonment of industrial, municipal, or other large capacity water supply wells.

(4) One member appointed by the General Assembly upon recommendation of the President Pro Tempore of the Senate who, at the time of appointment, is (i) engaged in well contractor activities, (ii) certified as a well contractor under Article 7A of Chapter 87 of the General Statutes, and (iii) engaged primarily in the construction, installation, repair, alteration, or abandonment of nonwater supply wells, such as monitoring or recovery wells.

(5) One member appointed by the General Assembly upon recommendation of the Speaker of the House of Representatives who, at the time of appointment, is (i) employed by a local county health department and (ii) actively engaged in well inspection and permitting.

(6) One member appointed by the General Assembly upon recommendation of the President Pro Tempore of the Senate who, at the time of appointment, is (i) employed by a local county health department and (ii) actively engaged in well inspection and permitting.

(7) One member appointed by the Governor who is (i) appointed from the public at large, (ii) not engaged in well contractor activities, and (iii) not an employee of a firm or corporation engaged in well contractor activities or a State or county governmental agency.

(b) Additional Qualifications. -- Appointment of members to fill positions (1), (2), (3), and (4) shall be made from among all those persons who are recommended for appointment to the Commission by any person who is engaged in well contractor activities and who is certified as a well contractor under Article 7A of Chapter 87 of the General Statutes. No person shall be appointed to the Commission who is a resident of, or has a principal place of business in, the same county as another member of the Commission.

(c) Terms. -- Appointments to the Commission shall be for terms of three years. The terms of members appointed to fill positions (1), (2), and (7) shall expire on 30 June of years evenly divisible by three. The terms of members appointed to fill positions (3) and (4) shall expire on 30 June of years that follow by one year those years that are evenly divisible by three. The terms of members appointed to fill positions (5) and (6) shall expire on 30 June of years that precede by one year those years that are evenly divisible by three. Members shall serve until their successors are appointed and qualified. No member shall serve more than two consecutive terms.

(d) Officers. -- The Commission shall elect a Chair and a Vice-Chair from among its members. These officers shall serve from the time of their election until 30 June of the following year, or until a successor is elected.

(e) Vacancies. -- An appointment to fill a vacancy on the Commission created by the resignation, dismissal, disability, or death of a member shall be for the balance of the unexpired term. Vacancies in appointments made by the General Assembly shall be filled as provided in G.S. 120-122.

(f) Continuing Education. -- During a member's term on the Commission, the member shall meet the annual continuing education requirements established for certified well contractors. This requirement applies regardless of whether the member is a certified well contractor.

(g) Removal. -- The Governor may remove any member of the Commission from office for misfeasance, malfeasance, or nonfeasance, as provided in G.S. 143-13.

(h) Compensation. -- The members of the Commission shall receive per diem and necessary travel and subsistence expenses in accordance with the provisions of G.S. 138-5.

(i) Quorum. -- A majority of the membership of the Commission constitutes a quorum for the transaction of business.

(j) Services. -- All clerical and other services required by the Commission shall be supplied by the Secretary."

Section 2. Chapter 87 of the General Statutes is amended by adding a new Article to read:

"ARTICLE 7A.

"Well Contractors Certification.

"**§ 87-98.1. Title.**

This Article may be cited as the North Carolina Well Contractors Certification Act.

"**§ 87-98.2. Definitions.**

The definitions in G.S. 87-85 and the following definitions apply in this Article:

(1) 'Commission' means the Well Contractors Certification Commission.

(2) 'Department' means the Department of Environment, Health, and Natural Resources.

(3) 'Person' means a natural person.

(4) 'Secretary' means the Secretary of Environment, Health, and Natural Resources.

(5) 'Well contractor' means a person in trade or business who undertakes to perform a well contractor activity or who undertakes to personally supervise or personally manage the performance of a well contractor activity on the person's own behalf or for any person, firm, or corporation.

(6) 'Well contractor activity' means the construction, installation, repair, alteration, or abandonment of any well.

"**§ 87-98.3. Purpose.**

It is the purpose of this Article to protect the public health and safety by ensuring the integrity and competence of well contractors, to protect and beneficially develop the groundwater resources of the State, to require the examination of well contractors and the certification of their competency to supervise or conduct well contractor activity, and to establish procedures for the examination and certification of well contractors.

"**§ 87-98.4. Well contractor certification required; applicability.**

(a) No well contractor shall perform any well contractor activity without being certified under this Article.

(b) The Commission may specify the types of general construction activities or geophysical activities that are not directly related to locating, testing, or withdrawing groundwater; evaluating, testing, developing, draining, or recharging any groundwater reservoir or aquifer; or controlling, diverting, or otherwise causing the movement of water from or into any aquifer and are therefore not well construction activities.

(c) This Article does not apply to a person who meets any of the following descriptions:

(1) Is employed by, or performs labor or services for, a certified well contractor in connection with well contractor activity performed under the personal supervision of the certified well contractor.

(2) Constructs, repairs, or abandons a well that is located on land owned or leased by that person.

"§ 87-98.5. Certification without examination.

(a) Unless the applicant is found to have engaged in an act that would constitute grounds for disciplinary action under G.S. 87-98.9, the Commission shall issue a well contractor certificate without examination fee to any person who has been actively and continuously engaged in well contractor activity since 1 July 1986 and who, since 1 July 1992, has been:

(1) Continuously registered with the Department as required by G.S. 143-355(e), or

(2) Employed by a firm or corporation that has been continuously registered with the Department as required by G.S. 143-355(e).

(b) To obtain certification under this section, a person must submit an application to the Commission and pay the annual fee. The Commission shall establish procedures and rules for receipt and approval of these applications.

(c) A well contractor who is certified under this section must continuously maintain the certification in good standing in order to remain certified. A certificate issued under this section that lapses, is suspended, or is revoked may not be renewed or reinstated. A person whose certification under this section lapses, is suspended, or is revoked must apply for certification by examination in order to be recertified.

"§ 87-98.6. Types of certification; sole certification.

The Commission, with the advice and assistance of the Secretary, shall establish the appropriate types of certification for well contractors. Each certification type established by the Commission shall be the sole certification required to engage in well contractor activity in the State.

"§ 87-98.7. Well contractor qualifications and examination.

The Commission, with the advice and assistance of the Secretary, shall establish minimum requirements of education, experience, and knowledge for each type of certification for well contractors and shall establish procedures for receiving applications for certification, conducting examinations, and making investigations of applicants as may be necessary and appropriate so that prompt and fair consideration will be given to each applicant.

"§ 87-98.8. Issuance and renewal of certificates; temporary certification.

(a) Issuance. -- An applicant, upon satisfactorily meeting the appropriate requirements, shall be certified to perform in the capacity of a well contractor and shall be issued a suitable certificate by the Commission designating the level of the person's competency. A certificate shall be valid for one year or until any of the following occurs:

(1) The certificate holder voluntarily surrenders the certificate to the Commission.

(2) The certificate is revoked or suspended by the Commission for cause.

(b) Renewal. -- A certificate shall be renewed annually by payment of the annual fee. A person who fails to renew a certificate within three months of the expiration of the certificate must reapply for certification under this Article.

(c) Temporary Certification. -- A person may receive temporary certification to construct a well upon submission of an application to the Commission and subsequent approval in accordance with the criteria established by the Commission and upon payment of a temporary certification fee. A temporary certification shall be granted to the same person only once per calendar year and may not be valid for a period in excess of 45 consecutive days. To perform additional well contractor activity during that same calendar year, the person shall apply for certification under this Article.

"§ 87-98.9. Disciplinary actions.

The Commission may issue a written reprimand to a well contractor or, in accordance with the provisions of Article 3A of Chapter 150B of the General Statutes, may suspend or revoke the certificate of a well contractor if the Commission finds that the well contractor has:

(1) Engaged in fraud or deception in connection with obtaining certification or in connection with any well contractor activity.

(2) Failed to use reasonable care, judgment, or the application of the person's knowledge or ability in the performance of any well contractor activity.

(3) Been grossly negligent or has demonstrated willful disregard of any applicable laws or rules governing well construction.

(4) Failed to satisfactorily complete continuing education requirements established by the Commission.

"§ 87-98.10. Fees; Well Construction Fund.

(a) Fees. -- The Commission may set a fee for certification by examination, an annual fee for certification renewal, and a fee for temporary certification. The fee for certification by examination may not exceed one hundred fifty dollars ($150.00), the annual fee may not exceed three hundred fifty dollars ($350.00) per year, and the temporary certification fee shall not exceed one hundred dollars ($100.00). A well contractor certificate is void if the well contractor fails to pay the annual fee within 30 days of the date the fee is due.

(b) Fund. -- The Well Construction Fund is created as a nonreverting account within the Department. All fees collected pursuant to this Article shall be credited to the Fund. The Fund shall be used for the costs of administering this Article.

"§ 87-98.11. Promotion of training and other powers.

The Commission and the Secretary may take all necessary and appropriate steps in order to effectively and fairly achieve the purposes of this Article. They may provide training for well contractors and cooperate with educational institutions and private and public associations, persons, or corporations in providing training for well contractors.

"**§ 87-98.12. Responsibilities of well contractors.**

All persons receiving certification under this Article to perform well contractor activities in this State shall be responsible for complying with all statutes, rules, and generally accepted construction practices, including all local rules or ordinances governing well contractor activities.

"**§ 87-98.13. Continuing education requirements.**

In order to continue to be certified under this Article, a well contractor shall satisfactorily complete the number of hours of approved continuing education required by the Commission. The Commission shall establish the minimum number of hours of continuing education that shall be required to maintain certification, shall specify the scope of required continuing education courses, and shall approve continuing education courses.

"**§ 87-98.14. Injunctive relief.**

Upon violation of this Article, a rule adopted under this Article, or an order issued under this Article, the Secretary may, either before or after the institution of proceedings for the collection of any penalty imposed under this Article for the violation, request the Attorney General to institute a civil action in the superior court in the name of the State for injunctive relief to restrain the violation or require corrective action and for any other relief the court finds proper. Initiating an action shall not relieve any party to the proceedings from any penalty prescribed by this Article."

Section 3. G.S. 87-94 reads as rewritten:

"**§ 87-94. Civil penalties.**

(a) Any person who violates any provision of this ~~Article,~~ Article, Article 7A of this Chapter, ~~or~~ any order issued pursuant thereto, or any rule adopted thereunder, shall be subject to a civil penalty of not more than one hundred dollars ($100.00) for each violation, as determined by the Secretary of Environment, Health, and Natural Resources. Each day of a continuing violation shall be considered a separate offense. No person shall be subject to a penalty who did not directly commit the violation or cause it to be committed.

~~(b) No penalty shall be assessed until the person alleged to be in violation has been:~~

~~(1) Notified of the violation in accordance with the notice provisions set out in G.S. 87-91(a),~~

~~(2) Informed by said notice of remedial action, which if taken within 30 days from receipt of the notice, will effect compliance with this Article and the regulations under it, and~~

~~(3) Warned by said notice that a civil penalty can be assessed for failure to comply within the specified time.~~

(c) In determining the amount of the penalty the Secretary shall consider factors set out in G.S. 143B-282.1(b). The procedures set out in ~~G.S. 143-215.6~~ G.S. 143-215.6A and G.S. 143B-282.1 shall apply to civil penalties assessed under this section.

(d) The Secretary shall notify any person assessed a civil penalty of the assessment and the specific reasons therefor by registered or certified mail, or by any means authorized by G.S. 1A-1, Rule 4.

~~(e) If any civil penalty has not been paid within 30 days after notice of assessment has been served on the violator, the Secretary shall request the Attorney General to institute a civil action in the Superior Court of any county in which the violator resides or has his or its principal place of business to recover the amount of the assessment, unless the violator contests the assessment or requests remission of the assessment in whole or in part. If any civil penalty has not been paid within 30 days after the final agency decision or court order has been served on the violator, the Secretary shall request the Attorney General to institute a civil action in the Superior Court of any county in which the violator resides or has his or its principal place of business to recover the amount of the assessment.~~"

Section 4. G.S. 87-85(14) reads as rewritten:

"(14) 'Well' means any excavation that is cored, bored, drilled, jetted, dug or otherwise constructed for the purpose of locating, testing or withdrawing groundwater or for evaluating, testing, developing, draining or recharging any groundwater reservoirs or aquifer, or that may control, divert, or otherwise cause the movement of water from or into any aquifer. ~~Provided, however, this shall not include a well constructed by an individual on land which is owned or leased by him, appurtenant to a single-family dwelling, and intended for domestic use (including household purposes, farm livestock, or gardens).~~"

Section 5. G.S. 143-355(e) reads as rewritten:

"(e) Registration with Department Required; Registration Periods. -- Every person, firm or corporation engaged in the business of drilling, boring, coring or constructing wells in any manner with the use of power machinery in this ~~State,~~ State shall register annually with the Department on forms to be furnished by the said Department. The registration required hereby shall be made during the period from January 1 to January 31 of each year. Registration fees collected under this section shall be credited to the Well Construction Fund created by G.S. 87-98.10."

Section 6. G.S. 143-355(e) is repealed.

Section 7. G.S. 87-91(b) is repealed.

Section 8. (a) To provide for staggered terms, initial appointments to the Well Contractors Certification Commission created in Section 1 of this act shall be as follows:

(1) Initial appointments to positions (1), (2), and (7) shall expire on 30 June 2001.

(2) Initial appointments to positions (3) and (4) shall expire on 30 June 1999.

(3) Initial appointments to positions (5) and (6) shall expire on 30 June 2000.

(b) In the event that the General Assembly fails to appoint one or more initial members to the Well Contractors Certification Commission while the General Assembly is in session during 1997, the failure to make an initial appointment shall be treated as though a vacancy had occurred, and the vacancy may be filled by appointment as provided in G.S. 120-122.

Section 9. This act constitutes a recent act of the General Assembly within the meaning of G.S. 150B-21.1. The Well Contractors Certification Commission may adopt temporary rules to implement the provisions of this act.

Section 10. Sections 1, 3, 4, and 7 through 10 of this act are effective when they become law. Section 2 of this act is effective when it becomes law except that G.S. 87-98.4(a) and G.S. 87-98.14, as enacted by Section 2 of this act, become effective 1 January 1999. Section 5 of this act becomes effective 1 July 1997. Section 6 of this act becomes effective 1 January 1999.

PREFACE

The Legislative Committee on New Licensing Boards is a 9-member joint committee of the House and Senate created and governed by statute (Article 18A of Chapter 120 of the General Statutes). The primary purpose of the Committee is to evaluate the need for a new licensing board or the proposed licensing of previously unregulated practitioners by an existing board. The Committee has been in existence since 1985.

The Committee solicits written and oral testimony on each licensing proposal in carrying out its duty to determine whether the proposal meets the following criteria:

(1) Whether the unregulated practice of the profession can substantially endanger the public health, safety, or welfare, and whether the potential for such harm is recognizable and not remote or dependent upon tenuous argument.

(2) Whether the profession possesses qualities that distinguish it from ordinary labor.

(3) Whether practice of the profession requires specialized skill or training.

(4) Whether a substantial majority of the public has the knowledge or experience to evaluate the practitioner's competence.

(5) Whether the public can effectively be protected by other means.

(6) Whether licensure would have a substantial adverse economic impact upon consumers of the practitioner's good or services.

The Committee issues an assessment report on its findings and recommendations. The recommendation in the report is not binding on other committees considering the proposal.

WELL CONTRACTORS

Well contracting involves the construction, installation, repair, alteration, or abandonment of a well. A person who undertakes one of these activities is a well contractor. Under Senate Bill 261 and House Bill 251, the well contractor, unless otherwise exempt, must be licensed by the North Carolina Well Contractors Certification Commission. The Commission, a 7-member panel appointed by the General Assembly (6 appointees) and the Governor (1 appointee), would be created within the Department of Environment, Health, and Natural Resources.

Anyone practicing as a well contractor since July 1, 1986 and either (1) registered with DEHNR since July 1, 1992 or (2) an employee of a company registered with DEHNR since July 1, 1992 would be licensed without examination. All others, unless exempt, would be required to meet the educational, experience, and examination requirements imposed by the Commission (*see proposed G.S. §87-98.7).* The existing registration law, which requires well contractors to register with DEHNR, would be repealed.

Improper well construction can lead to groundwater contamination, as pollutants such as pesticides, septic tank waste, and oil can seep through the well into the groundwater. More than one-half of all North Carolinians obtain their drinking water from groundwater. To ensure their safety, it is critical that well contractors demonstrate at least a minimum level of competence in well

construction. Contractors need to be familiar with drilling rigs and related equipment, the uses of different casings, well screens, drilling bits, and specialized tools, geologic formations, disinfection methods, and groundwater contamination. North Carolina law regulates well construction (*Article 7 of Chapter 87* of the General Statutes), but these laws do not ensure the competency of well contractors. During the first half of this decade, DEHNR issued notices of violations covering more than 625 violations at nearly 500 different water supply wells throughout the State. Many of these wells had multiple violations.

The Legislative Committee on New Licensing Boards finds that the sponsors have met the six statutory criteria by which the Committee judges licensure proposals, as follows:

(1) The unregulated practice of the profession can substantially harm or endanger the public health, safety, or welfare, and the potential for such harm is recognizable and not remote nor dependent upon tenuous argument.

(2) The practice of the profession possesses qualities that distinguish it from ordinary labor.

(3) The practice of the profession requires specialized skill and training.

(4) A substantial majority of the public does not have the knowledge or experience to evaluate the practitioner's competence.

(5) The public cannot be effectively protected by other means.

(6) Licensure would not have a substantial adverse economic impact upon consumers.

The Legislative Committee on New Licensing Boards recommends licensure of well contractors. This assessment report constitutes both the preliminary and the final assessment report for the licensing of well contractors. The report is based on the proposed licensing of well contractors, as set out in Senate Bill 261 and House Bill 251, the response to the Committee's questionnaire (attached), and testimony before the Committee on May 12, 1997.

Well Contractors Certification

(1) In what ways has the marketplace failed to regulate adequately the profession or occupation?

Improperly constructed wells will serve as sources or conduits of surface/near surface contaminants into the underground water reservoirs. Additionally, there are a number of specialized skills required to properly construct and repair wells. However, there is no presently existing licensing or certification board with the jurisdiction to ensure that those engaged in well contractor activities have the knowledge, skills and abilities necessary to properly provide these contractor services. In fact, under current state law, it is theoretically possible for any individual, regardless of age or skill level, to become registered as a well contractor in North Carolina.

(2) Have there been any complaints about the regulated profession or occupation? Please give specific examples including (unless confidentiality must be maintained) complainant's names and addresses.

From 1990 through 1995, the state has, as a result of complaints and subsequent inspections, issued notices of violation covering more than 625 violations at almost 500 separate water supply wells. Many wells had multiple violations [e.g. well not grouted; no sanitary well seal; unsafe wellhead completion; well located too close to septic tank/drainfield or other waste sources; etc.] that resulted in a threat to the well owner and family [e.g. the presence of sediments, fecal coliforms, nitrates, pesticides and heating oils in the well]. Specific examples are given in the latter part of item (3) below.

(3) In what ways has the public health, safety or welfare sustained harm, or is in imminent danger of harm, because of the lack of state regulation?

More than 50% of the citizens of North Carolina rely on groundwater as a source of their drinking water supply. Each of these must have a water supply well. Every citizen relying on an improperly constructed water supply well runs the risk of groundwater contamination and the associated health risks each time it rains or when there is a nearby leak or spill of pesticides, septic tank waste, heating oil, etc. As new wells are constructed by uncertified and potentially unqualified people, additional citizens are exposed to potential health risks.

If the contractors who construct wells <u>do not have</u> the necessary training, experience and equipment (and there are no minimum levels for any of the three), then the public <u>will not be able to have:</u>

1) A drinking water supply designed to be protective of human health;
2) A longer-lived and more reliable source of potable drinking water. One of the primary reasons for the loss of use of a well or well

system is groundwater contamination. Contamination is often caused by the percolation of contaminated water, or chemicals, down beside the well casing;

3) Confidence that the well contractor, contracted with to provide a source of drinking water, is capable of delivering a well constructed according to established standards; and
4) Confidence that the well that is constructed will not have to be replaced (or extensively repaired) due to improper installation.

In addition to those instances where well related violations were serious enough to require the state to issue a notice of violation, there have been a number of cases where additional enforcement action was necessary. That additional enforcement action was necessary because the well contractor could not, or would not, repair the well to standards where it was no longer a threat to human health. A sampling of those cases are as follows:

*Types of Violations	Well Owner Name	Address
(1), (2)	John Smith	Gold Hill, NC
(1), (3)	Barbara Carpenter	Crouse, NC
(1)	Louie Jackson	Salisbury, NC
(1)	Paul Eudy	Concord, NC
(1)	Webster Hollar	Lenoir, NC
(1)	Kenneth Carron	Chocowinity, NC
(1)	Mary Freeole	Salisbury, NC
(1)	Sabrina Kincade	Salisbury, NC
(1)	Todd Arrowood	Vale, NC
(1), (2)	Eddie Hughes	Hickory,NC
(1)	Wm. McLaughlin	Concord, NC
(1), (2)	Farrel Houser	Lincolnton, NC
(1), (2)	Richard Harwell	Hickory, NC
(4)	Todd Johnson	Vale, NC
(1), (2)	Rick Crofts	Newton, NC
(1), (2)	Jesse Clark	Maiden, NC

* Type of Well Violation-Key

(1) Missing/insufficient/improper cement casing grout
(2) Improper wellhead completion (no sanitary seal, cracked casing, improper sealing of casing/water-line joints)
(3) High level of solids and/or coliform bacteria in well
(4) Improper well abandonment that threatens drinking water supply.

(4) Is there potential for substantial harm or danger by the profession or occupation to the public health, safety or welfare? How can this potential for substantial harm or danger be recognized?

The potential for substantial harm or danger to the public was summarized in the responses to items (1) and (3). Unfortunately, the public does not have enough technical knowledge in the critical areas (i.e. geology, hydrogeology, proper well construction and development, well disinfection, contamination concerns, and well vulnerability), in order to make a determination regarding contractor competence. Since the final product that is delivered is underground and unavailable for inspection without specialized testing equipment, the public must accept the word of the well contractor that the well has been installed

in a safe and legal fashion.

(5) **Has this potential harm or danger to the public been recognized by other states or the federal government through the licensing or certification process? Please list the other states and any applicable federal law (including citations).**

The federal government has deferred to the states in the matter of well contractor licensing/certification. Approximately 70% of the States have recognized a need to license/certify those who engage in these activities. Those states include the following:

Arizona	Georgia	Maryland	New Jersey
Arkansas	Hawaii	Massachusetts	Mexico
California	Idaho	Minnesota	Oklahoma
Colorado	Illinois	Mississippi	Oregon
Connecticut	Indiana	Missouri	Pennsylvania
Delaware	Iowa	Montana	South Carolina
Florida	Kansas	Nebraska	Texas
Louisiana	Kentucky	Nevada	Virginia
		New Hampshire	Washington

(6) **What will be the economic advantage of certification be to the public?**

Some of the economic benefits (as a result of having a contractor with requisite demonstrable training, experience and equipment) were outlined in the response to item (3). A summarization of benefits would be that:

1) The well owner will benefit in that fewer new wells and pumps will have to be paid for due to contamination resulting from inept well construction, development, and repair.

2) The public will benefit from reduced health concerns, and fewer associated health care costs, as a result of a safer drinking water supply.

(7) **What will be the economic disadvantages of licensing to the public?**

It is anticipated that well drillers will pay a yearly certification fee of $125.00 or less. A well contractor that constructs 50 wells per year would spread the cost among the well owners, thus increasing the cost to each owner of $2.00 - $3.00 per well. It is not unusual for drillers to construct more than 50 wells per year.

(8) **What will be the economic advantages of licensing to the practitioners?**

The well contractors will benefit from increased business as the certification process weeds out those who lack the knowledge and skills required to be adequately performing the work.

(9) **What will be the economic disadvantages of licensing to the practitioners?**

There should be no economic disadvantage to the majority of well contractors who have the requisite knowledge, skills and abilities. However, those who lack those skills will not be allowed to conduct well contractor activities until they have rectified those deficiencies.

(10) **Please give other potential benefits to the public of licensing that outweigh the potential harmful effects of licensure such as a decrease in the availability of practitioners and higher cost to the public.**

The potential benefits versus potential harm are identified in the responses to items (1),(3), and (6).

(11) **Please detail the specific specialized skills or training that distinguish the occupation or profession from ordinary labor. How is each justified?**

A number of specialized skills are required for well and pump contractors. Some of those skills and the adverse effects that can result from a lack of those skills, are as follows:

For Well Contractors:

1) familiarity with the operation and maintenance of drilling rigs and associated equipment;
2) familiarity with the advantages and disadvantages of the various well casings, well screens, drilling bits, specialized tools and circulation/well development fluids;
3) familiarity with the various geologic formations found in the state and the problems associated with drilling in each geologic environment;
4) familiarity with the proper methodologies to be used in the development and disinfection of wells; and
5) familiarity with the causes of contamination and the methodology to be used in order to best protect the well.

Lack of familiarity with these aspects of well drilling can result in the introduction of contamination into the water supply; misuse of well construction materials that are incompatible with the area geology or quality of the groundwater; attempts to use improper equipment, methods or materials to install a well that cannot be properly constructed without different equipment, methods or materials; and an inability to identify and rectify problems that occur due to a deficiency in one of the five items listed above.

(12) What are other qualities of the profession or occupation that distinguish it from ordinary labor?

See the reposes to item (11) and (15).

(13) Will certification requirements cover all practicing members of the occupation or profession? If any practitioners will be exempt, what is the rationale for the exemption?

Certification requirements will apply to anyone in the trade or business of well contracting **except as follows**:

(1) An individual who performs labor or services for, and under the supervision of, a certified contractor; and
(2) An Individual who construct wells on land that is owned or leased by that individual;

14) What is the approximate number of persons who will be regulated and the number of persons who are likely to utilize the services of the occupation or profession?

More than 50% of the citizens of North Carolina rely on groundwater for their drinking water supply. Each of these must have a safe, reliable water supply well. Each citizen relying on an improperly constructed water supply well runs the risk of groundwater contamination and the associated health risks. As new wells are constructed by uncertified and potentially unqualified people, additional citizens are exposed to potential health risk. At the end of the 1996 registration period there were 565 registered well contractors.

Well Contractors are required to notify the DEHNR whenever a new well is drilled. The following shows the number of new wells (and thus the approximate number of persons who have utilized well contractor services for those wells) drilled over the last four years in North Carolina:

1992	7,394 new wells
1993	7,412 new wells
1994	7,289 new wells
1995	7,124 new wells

15) What kind of knowledge or experience does the public need to be able to evaluate the services offered by the occupation or profession?

The proper construction and repair of drinking water supply wells require specialized skills the ordinary homeowner cannot obtain. In addition, some of these activities require specialized equipment and technical expertise to operate that equipment. (NOTE: the capital expense involved with acquiring many drilling rigs and accessory equipment can exceed $100,000. Such an investment is not financially reasonable for most homeowners.) Since the final product (i.e. the well) that is delivered is mostly underground and largely unavailable

for inspection without specialized knowledge and testing equipment, the public must accept the word of the well contractor that the well has been installed in a safe and legal fashion. Given this situation, the public should be able to be confident that the well contractor has been evaluated for, and been certified as having, the requisite training and experience to provide them with a dependable, safe water supply well system that meets applicable industry standards and state rules.

16) **Does the occupational group have an established code of ethics, a voluntary certification program, or other measures to ensure a minimum quality of service?**

Two associations exist for well contractors. These are the North Carolina Groundwater Association (NCGA) and the National Water Well Association (NWWA). Membership in both organizations is voluntary and only a percentage of practicing well contractors join. Approximately 35% of the registered well contractors in North Carolina are members of the North Carolina Groundwater Association. Both the NCGA and the NWWA have a voluntary code of ethics, and the NWWA currently maintains a voluntary but limited certification program.

GENERAL ASSEMBLY OF NORTH CAROLINA

SESSION 1997

HOUSE BILL 421

Short Title: Respiratory Care Practice Act/AB. (Public)

Sponsors: Representatives Tolson, Aldridge (Cosponsors); and Smith.

Referred to: Rules, Calendar and Operation of the House.

March 6, 1997

A BILL TO BE ENTITLED

AN ACT TO ESTABLISH THE RESPIRATORY CARE PRACTICE ACT.

The General Assembly of North Carolina enacts:

Section 1. Chapter 90 of the General Statutes is amended by adding a new Article to read:

"ARTICLE 33.

"Respiratory Care Practice Act.

"**§ 90-512. Short title.**

This Article may be cited as the 'Respiratory Care Practice Act'.

"**§ 90-513. Purpose.**

The General Assembly finds that the practice of respiratory care in the State of North Carolina affects the public health, safety, and welfare and that the mandatory licensure of persons who engage in respiratory care is necessary to ensure a minimum standard of competency. It is the purpose and intent of this Article to protect the public from the unqualified practice of respiratory care and from unprofessional conduct by persons licensed pursuant to this Article.

"**§ 90-514. Definitions.**

The following definitions apply in this Article, unless the context otherwise requires:

(1) Board. -- The North Carolina Medical Board as created by Article 1 of this Chapter.

(2) Council. -- The North Carolina Respiratory Care Advisory Council.

(3) Direct supervision. -- The authority and responsibility to direct the performance of activities as established by policies and procedures for safe and appropriate completion of services.

(4) Holder. -- An individual to whom a license has been granted by the Council.

(5) Individual. -- A human being.

(6) License. -- A certificate, permit, or other evidence of a right or privilege granted under this Article to practice respiratory care, which license may contain specific endorsements limiting the holder's right or privilege to practice respiratory care under this Article.

(7) Medical direction. -- The supervision of activities by an appointed physician, licensed under Article 1, Chapter 90 of the General Statutes and a member of the entity's medical staff, and who is granted the authority and responsibility for assuring and establishing policies, procedures, and that the provision of such is provided to the quality, safety, and appropriateness standards as recognized within the defined scope of practice for the entity.

(8) Person. -- An individual human being, corporation, partnership, association, unit of government, or other legal entity.

(9) Physician. -- A doctor of medicine duly licensed by the State of North Carolina in accordance with Article 1 of this Chapter.

(10) Practice of respiratory care. -- The acceptance, transcription, interpretation, and implementation of a physician's written or verbal order pertaining to the practice of respiratory care. The term also means the observing and monitoring of signs and symptoms, general behavior and general physical response to respiratory care treatment and diagnostic testing, including determination of whether such signs, symptoms, reactions, behavior or general response exhibit abnormal characteristics, and the performance of diagnostic testing and therapeutic application of:

a. Medical gases, humidity, and aerosols including the maintenance of associated apparatus, except for the purpose of anesthesia;

b. Pharmacologic agents related to respiratory care procedures, including those agents necessary to perform hemodynamic monitoring;

c. Mechanical or physiological ventilatory support;

d. Cardiopulmonary resuscitation and maintenance of natural airways, the insertion and maintenance of artificial airways under the direct supervision of a recognized medical director in a health care environment which identifies these services within the scope of practice by the facilities governing board;

e. Hyperbaric oxygen therapy; and

f. Extracorporeal membrane oxygenation in appropriately identified environments and under the training and practice guidelines established by the Extracorporeal Life Support Organization.

(11) Practitioner. -- A respiratory care practitioner.

(12) Respiratory care. -- The treatment, management, diagnostic testing, and care of patients with deficiencies and abnormalities associated with the cardiopulmonary system.

(13) Respiratory care practitioner. -- A person who has a license to engage in the practice of respiratory care.

(14) Support activities. -- Procedures that do not require formal academic training, including the delivery, setup, and maintenance of apparatus. Support activities shall not include therapeutic evaluation and assessment.

"§ 90-515. North Carolina Respiratory Care Advisory Council; creation.

(a) The North Carolina Respiratory Care Advisory Council of the Board is created. The Council shall consist of eight members as follows:

(1) Two members shall be respiratory care practitioners.

(2) Three members shall be physicians licensed to practice in North Carolina, and whose primary practice is Pulmonology, Anesthesiology, Critical Care Medicine, or whose specialty is Cardiothoracic Disorders.

(3) One member shall represent the North Carolina Hospital Association.

(4) One member shall represent the North Carolina Association of Medical Equipment Services.

(5) One member shall represent the public at large.

(b) The members of the Council appointed as practitioners shall be citizens of the United States and residents of this State, shall have practiced respiratory care for at least five years, and shall be licensed under this Article.

(c) The member of the Council appointed from the public at large shall be a citizen of the United States and a resident of this State and shall not be: a practitioner; an agent or employee of a person engaged in the profession of respiratory care; a health care professional licensed under this Chapter or a person enrolled in a program to become prepared to be a licensed health care professional; an agent or employee of a health care institution, a health care insurer, or a health care professional school; a member of any allied health profession; a person enrolled in a program to become prepared to be a member of an allied health profession; or a spouse of an individual who may not serve as a public member of the Council.

(d) The members of the Council appointed as physicians shall be citizens of the United States and residents of this State.

"§ 90-516. Appointments and removal of Council members; terms and compensation.

(a) The members of the Council shall be appointed as follows:

(1) The Governor shall appoint the public member described in G.S. 90-515(a)(5).
(2) The General Assembly, upon the recommendation of the Speaker of the House of Representatives, shall appoint one of the respiratory care practitioner members described in G.S. 90-515(a)(1) and one of the physician members described in G.S. 90-515(a)(2) in accordance with G.S. 120-121.
(3) The General Assembly, upon the recommendation of the President Pro Tempore of the Senate, shall appoint one of the respiratory care practitioner members described in G.S. 90-515(a)(1) and one of the physician members described in G.S. 90-515(a)(2) in accordance with G.S. 120-121.
(4) The North Carolina Medical Society shall appoint one of the physician members described in G.S. 90-515(a)(2).
(5) The North Carolina Hospital Association shall appoint one of its members as described in G.S. 90-515(a)(3).
(6) The North Carolina Association of Medical Equipment Services shall appoint one of its members as described in G.S. 90-515(a)(4).

(b) Members of the Council shall take office on the first day of July immediately following the expired term of that office and shall serve for a term of three years and until their successors are appointed and qualified.

(c) No member shall serve on the Council for more than two consecutive terms.

(d) The Governor may remove members of the Council, after notice and an opportunity for hearing, for incompetence, neglect of duty, unprofessional conduct, conviction of any felony, failure to meet the qualifications of this Article, or committing any act prohibited by this Article.

(e) Any vacancy shall be filled by the appointing authority originally filling that position, except that any vacancy in appointments by the General Assembly shall be filled in accordance with G.S. 120-122. Appointees to fill vacancies shall serve the remainder of the unexpired term and until their successors have been duly appointed and qualified.

(f) Members of the Council shall receive no compensation for their services but shall be entitled to travel, per diem, and other expenses authorized by G.S. 93B-5.

(g) Individual members shall be immune from civil liability arising from activities performed within the scope of their official duties.

"**§ 90-517. Election of officers; meetings of the Council.**

(a) The Council shall elect a chair and a vice-chair who shall hold office according to rules adopted pursuant to this Article, except that all officers shall be elected annually by the Council for one-year terms and shall serve until their successors are elected and qualified.

(b) The Council shall hold at least two regular meetings each year as provided by rules adopted pursuant to this Article. The Council may hold additional meetings upon the call of the chair or any two Council members. A majority of the Council membership shall constitute a quorum.

"**§ 90-518. Powers and duties of the Council.**

The Council shall recommend to the North Carolina Medical Board those activities necessary to:

(1) Determine the qualifications and fitness of applicants for licensure, renewal of licensure, and reciprocal licensure.

(2) Establish and recommend for adoption by the Board any rules necessary to conduct its business, carry out its duties, and administer this Article.

(3) Adopt and publish a code of ethics.

(4) Deny, issue, suspend, revoke, and renew licenses in accordance with this Article.

(5) Conduct investigations, subpoena individuals and records, and do all other things necessary and proper to discipline persons licensed under this Article and to enforce this Article.

(6) Employ professional, clerical, investigative, or special personnel necessary to carry out the provisions of this Article and purchase or rent office space, equipment, and supplies.

(7) Adopt a seal by which it shall authenticate its proceedings, official records, and licenses.

(8) Conduct administrative hearings in accordance with Article 3 of Chapter 150B of the General Statutes.

(9) Establish certain reasonable fees as authorized by this Article for applications for examination; initial, provisional, and renewal registration; and other services provided by the Council.

(10) Submit an annual report to the North Carolina Medical Board, the North Carolina Hospital Association, the North Carolina Society of Respiratory Care, the Governor, and the General Assembly of all the Council's official actions during the preceding year, together with any recommendations and findings regarding improvements of the practice of respiratory care.

(11) Publish and make available upon request the licensure standards prescribed under this Article and all rules adopted pursuant to this Article.

(12) Request and receive the assistance of State educational institutions or other State agencies.

(13) Establish and approve continuing education requirements for persons seeking licensure under this Article.

"**§ 90-519. Licensure requirements; examination.**

(a) Each applicant for licensure under this Article shall meet the following requirements:

(1) Submit a completed application as required by the Council;

(2) Submit any fees required by the Council;

(3) Submit to the Council written evidence, verified by oath, that the applicant has successfully completed the minimal requirements of a

respiratory care education program as approved by the Commission for Accreditation of Allied Health Educational Programs;

(4) Submit to the Council written evidence, verified by oath, that the applicant has successfully completed the minimal requirements for Basic Cardiac Life Support as recognized by the American Heart Association; and

(5) Pass the entry-level examination given by the National Board for Respiratory Care, Inc.

(b) At least three times each year, the Council shall cause the examination required in subdivision (5) of subsection (a) of this section to be given to applicants at a time and place to be announced by the Council. Any applicant who fails to pass the first examination may take additional examinations in accordance with rules adopted pursuant to this Article.

"**§ 90-520. Exemption from certain requirements.**

(a) The Council may issue a license to an applicant who has passed the entry-level examination given by the National Board for Respiratory Care, Inc., as of October 1, 1997. An applicant applying for licensure under this subsection must submit his or her application before October 1, 1999.

(b) Temporary License. -- The Council may at any time grant a temporary license to any applicant who, as of October 1, 1997, does not meet the qualifications of G.S. 90-519, but who, as of October 1, 1997, through written evidence, verified by oath, demonstrates that the applicant is performing the duties of a practitioner within the State. This temporary license is valid until October 1, 1998, within which time the applicant shall be required to complete the requirements of G.S. 90-519(a)(5). A license granted under this subsection shall contain an endorsement indicating that the license is temporary and state the date the license was granted and the date it expires.

"**§ 90-521. Licensure by reciprocity.**

The Council may grant, upon application and the payment of proper fees, a license to a person who at the time of application holds a valid license, certificate, or registration as a respiratory care practitioner issued by another state or any political territory or jurisdiction acceptable to the Council if, in the Council's determination, the requirements for that license, certificate, or registration are substantially the same as the requirements for licensure under this Article.

"**§ 90-522. Provisional license.**

The Council may at any time grant a provisional license for a period not exceeding 12 months to any applicant who has successfully completed the education requirements under G.S. 90-519(a)(3) and has made application to take the examination required under G.S. 90-519(a)(5). A provisional license allows the individual to practice respiratory care under the supervision of a practitioner and in accordance with rules adopted pursuant to this Article. A license granted under this section shall contain an endorsement indicating that the license is provisional and stating the terms and conditions of its use by the holder and state the date the license was granted and the date it expires.

"**§ 90-523. Notification of applicant following evaluation of application.**

After evaluation of the application and of any other evidence required from the applicant by the Council, the Council shall notify each applicant that the application and evidence submitted are satisfactory and accepted, or unsatisfactory and rejected. If rejected, the notice shall state the reasons for the rejection.

"**§ 90-524. License as property of the Council; display requirement; renewal; inactive status.**

(a) A license issued by the Council is the property of the Council and must be surrendered by the holder to the Council on demand.

(b) The holder shall display the license in the manner prescribed by the Council.

(c) The holder shall inform the Council of any change of the holder's address.

(d) The license shall be renewed by the Council annually upon the payment of a renewal fee if, at the time of application for renewal, the applicant:

(1) Is not in violation of this Article, and

(2) Has fulfilled the current requirements regarding continuing education as established by rules adopted pursuant to this Article.

(e) The Council shall notify a holder of a pending registration at least 30 days in advance of the expiration of the registration. Each holder is responsible for renewing his or her license before the expiration date. Licenses that are not renewed automatically lapse.

(f) The Council may provide for the late renewal of an automatically lapsed license upon the payment of a late fee. No late fee renewal may be granted more than five years after a license expires.

(g) In accordance with rules adopted pursuant to this Article, a holder may request that his or her license be declared inactive and may thereafter apply for active status.

"**§ 90-525. Suspension, revocation, and refusal to renew a license.**

(a) The Council may recommend to the Board to take the necessary actions to deny or refuse to renew a license, suspend or revoke a license, or to impose probationary conditions on a holder or applicant if the holder or applicant for licensure:

(1) Has engaged in any of the following conduct:

a. Employed fraud, deceit, or misrepresentation in obtaining or attempting to obtain a license, or the renewal of a license;

b. Committed an act of malpractice, gross negligence, or incompetence in the practice of respiratory care;

c. Practiced respiratory care without a license; or

d. Engaged in health care practices that are determined to be hazardous to the health, safety, or welfare of the public.

(2) Was convicted of or entered a plea of guilty or nolo contendere to any crime involving moral turpitude.

(3) Was adjudicated insane or incompetent, until proof of recovery from the condition can be established.

(4) Engaged in any act or practice that violates any of the provisions of this Article or any rule adopted pursuant to this Article, or aided, abetted, or assisted any person in such a violation.

(b) Denial, refusal to renew, suspension, or revocation of a license, or imposition of probationary conditions upon a holder may be ordered by the Council after a hearing held in accordance with Chapter 150B of the General Statutes and rules adopted pursuant to this Article. An application may be made to the Council for reinstatement of a revoked license, if the revocation has been in effect for at least one year.

"**§ 90-526. Expenses; fees; administration.**

(a) All salaries, compensation, and expenses incurred or allowed for the purpose of carrying out the purposes of this Article shall be paid by the Council exclusively out of the fees received by the Council as authorized by this Article, or funds received from other sources. In no case shall any salary, expense, or other obligations of the Council be charged against the State.

(b) All monies received by the Council pursuant to this Article shall be deposited in an account for the Council and shall be used for the administration and implementation of this Article. The Council shall establish fees in amounts to cover the cost of services rendered for the following purposes:

(1) For an initial application, a fee not to exceed twenty-five dollars ($25.00).

(2) For examination or reexamination, a fee not to exceed one hundred fifty dollars ($150.00).

(3) For issuance of any license, a fee not to exceed one hundred dollars ($100.00).

(4) For the renewal of any license, a fee not to exceed fifty dollars ($50.00).

(5) For the late renewal of any license, an additional late fee not to exceed fifty dollars ($50.00).

(6) For a license with a provisional or temporary endorsement, a fee not to exceed thirty-five dollars ($35.00).

(7) For copies of rules adopted pursuant to this Article and licensure standards, charges not exceeding the actual cost of printing and mailing.

(c) The Board shall provide clerical and other staff services required by the Board, and, along with the Council, shall administer and enforce all provisions of this Article and all rules adopted pursuant to this Article, subject to the direction of the Council.

"**§ 90-527. Requirement of license.**

After October 1, 1998, it shall be unlawful for any person who is not currently licensed under this Article to:

(1) Engage in the practice of respiratory care.

(2) Use the title 'respiratory care practitioner'.

(3) Use the letters 'RCP', 'RTT', 'RT', or any facsimile or combination in any words, letters, abbreviations, or insignia.

(4) Imply orally or in writing or indicate in any way that the person is a respiratory care practitioner or is otherwise certified under this Article.

(5) Employ or solicit for employment unlicensed or uncertified persons to practice respiratory care.

"**§ 90-528. Violation a misdemeanor.**

Any person who violates any provision of this Article shall be guilty of a Class 1 misdemeanor.

"**§ 90-529. Injunctions.**

The Council may apply to the superior court for an order enjoining violations of this Article, and upon a showing by the Council that any person has violated or is about to violate this Article, the court may grant an injunction, grant a restraining order, or take other appropriate action.

"**§ 90-530. Persons and practices not affected.**

The requirements of this Article shall not apply to:

(1) A health care professional duly licensed in accordance with this Chapter who is performing services within his or her authorized scope of practice;

(2) A student or trainee, working under the direct supervision of a practitioner while fulfilling an experience requirement or pursuing a course of study to meet requirements for certification, in accordance with rules adopted pursuant to this Article;

(3) A practitioner serving in the armed forces or the Public Health Service of the United States or employed by the Veterans Administration when performing duties associated with that service or employment; and

(4) A person aiding in the practice of respiratory care, in accordance with rules adopted pursuant to this Article, if the person works under the direct supervision of a practitioner or a physician licensed under Article 1 of Chapter 90 of the General Statutes, and performs only support activities that do not require formal academic training.

"**§ 90-531. Third-party reimbursement.**

Nothing in this Article shall be construed to require direct third-party reimbursements to persons licensed under this Article."

Section 2. G.S. 120-123 is amended by adding a new subdivision to read:

"(68) The North Carolina Respiratory Care Advisory Council as created by Article 33 of Chapter 90 of the General Statutes."

Section 3. The initial appointments to the North Carolina Respiratory Care Council, created in G.S. 90-515, as enacted in Section 1 of this act, shall be appointed no later than October 1, 1997. Notwithstanding the provisions of G.S. 90-515(b), as enacted in Section 1 of this act, the initial members of the North Carolina

Respiratory Care Council who are appointed pursuant to G.S. 90-515(a)(1) must be licensed under Article 31 of Chapter 90 of the General Statutes, as enacted in Section 1 of this act, no later than June 30, 1998, and, until October 1, 2002, must have passed the entry-level examination administered by the National Board for Respiratory Care, Inc. Notwithstanding the provisions of G.S. 90-516(b), as enacted in Section 1 of this act, of the initial appointments to the North Carolina Respiratory Care Council, one of the members appointed by the General Assembly upon the recommendation of the Speaker of the House of Representatives and one of the members appointed by the General Assembly upon the recommendation of the President Pro Tempore of the Senate shall be appointed for three-year terms; one of the members appointed by the General Assembly upon the recommendation of the Speaker of the House of Representatives and one of the members appointed by the General Assembly upon the recommendation of the President Pro Tempore of the Senate shall be appointed for two-year terms; the public member appointed by the Governor shall be appointed for a one-year term; the physician member appointed by the North Carolina Medical Society shall be appointed for a one-year term; and the member appointed by the North Carolina Hospital Association shall be appointed for a one-year term. Within 30 days after making these initial appointments, the President of the North Carolina Medical Board shall call the first meeting of the North Carolina Respiratory Care Council.

Section 4. This act is effective when it becomes law.

PREFACE

The Legislative Committee on New Licensing Boards is a 9-member joint committee of the House and Senate created and governed by statute (Article 18A of Chapter 120 of the General Statutes). The primary purpose of the Committee is to evaluate the need for a new licensing board or the proposed licensing of previously unregulated practitioners by an existing board. The Committee has been in existence since 1985.

The Committee solicits written and oral testimony on each licensing proposal in carrying out its duty to determine whether the proposal meets the following criteria:

(1) Whether the unregulated practice of the profession can substantially endanger the public health, safety, or welfare, and whether the potential for such harm is recognizable and not remote or dependent upon tenuous argument.

(2) Whether the profession possesses qualities that distinguish it from ordinary labor.

(3) Whether practice of the profession requires specialized skill or training.

(4) Whether a substantial majority of the public has the knowledge or experience to evaluate the practitioner's competence.

(5) Whether the public can effectively be protected by other means.

(6) Whether licensure would have a substantial adverse economic impact upon consumers of the practitioner's good or services.

The Committee issues an assessment report on its findings and recommendations. The recommendation in the report is not binding on other committees considering the proposal.

RESPIRATORY CARE THERAPY

Respiratory Care practice involves the treatment, management, diagnostic testing, and care of patients with deficiencies and abnormalities associated with the cardiovascular system, including the observing and monitoring of signs and symptoms and the therapeutic application of medical gases, humidity, and aerosols, pharmacological agents related to respiratory care procedures, mechanical or physiological ventilatory support, CPR and maintenance of natural airways, hyperbaric oxygen therapy, and extracorporeal membrane oxygenation in appropriately identified environments. Respiratory care functions are carried out under the orders of a physician.

Under House Bill 421, respiratory care practitioners would be licensed by a North Carolina Respiratory Care Advisory Council. The Council, comprised of eight members (two of whom would be respiratory care practitioners and three of whom would be physicians), would be created under the North Carolina Medical Board. The North Carolina Medical Board is the licensing board for physicians.

The requirements for licensure would be completion of an approved respiratory care program, completion of the minimal requirements for Basic Cardiac Life Support (AHA), and successful completion of the national board exam. Persons who have already taken and passed the national exam would be grandfathered in under this bill. Others practicing as of October 1, 1997, and who do not meet the licensure requirements could continue to practice for one year while seeking to meet the educational and examination requirements of the bill. At the end of the one-year period, they must either have completed the

requirements or stop practicing. There is also an exemption for persons performing "support" activities in respiratory care, as long as they are performed under the supervision of a practitioner or physician licensed by the Medical Board. The Council can adopt rules governing their activities.

There are an estimated 2,800 respiratory care practitioners in North Carolina. Over two-thirds of these practitioners work in hospitals. It is also estimated that approximately one-third of all patients admitted to a hospital use respiratory care services. Most other states already regulate respiratory care practitioners.

Respiratory care practitioners are trained to care for patients under the supervision of a qualified physician in several clinical settings. These patients are disproportionately sicker than the general patient population. The respiratory care therapists' involvement and role with respect to life support procedures for these patients requires that they be competent to perform their duties, thus ensuring that the public's health and safety is adequately protected.

The Legislative Committee on New Licensing Boards finds that the sponsors have met the six statutory criteria by which the Committee judges licensure proposals, as follows:

(1) The unregulated practice of the profession can substantially harm or endanger the public health, safety, or welfare, and the potential for such harm is recognizable and not remote nor dependent upon tenuous argument.

(2) The practice of the profession possesses qualities that distinguish it from ordinary labor.

(3) The practice of the profession requires specialized skill and training.

(4) A substantial majority of the public does not have the knowledge or experience to evaluate the practitioner's competence.

(5) The public cannot be effectively protected by other means.

(6) Licensure would not have a substantial adverse economic impact upon consumers.

The Legislative Committee on New Licensing Boards recommends licensure of respiratory care therapists. This assessment report constitutes both the preliminary and the final assessment report for the licensing of respiratory care therapists. The report is based on the proposed licensing of respiratory care therapy, as set out in House Bill 421, the response to the Committee's questionnaire (attached), and testimony before the Committee on May 12, 1997.

QUESTIONNAIRE FOR LEGISLATIVE COMMITTEE ON NEW LICENSING BOARDS

1. **In what ways has the marketplace failed to regulated adequately the profession or occupation?**

North Carolina is but one of four states who fail to regulate respiratory care practitioners. All states bordering North Carolina currently regulate the practice of respiratory care. In the last three years, the states of Florida, Georgia, Tennessee, and Virginia have reported a number of respiratory care practitioners who have lost licenses in these states as residing in North Carolina. The potential for unlicensed and incompetent persons in regulated states to migrate to North Carolina seeking employment is significant. Additionally, the North Carolina Society for Respiratory Care (NCSRC) has reported to its Judicial Committee, three individuals falsely representing themselves as respiratory care practitioners. In each case, falsification of educational experience, and/or a national voluntary credential occurred. Since all three were non-members of its Society, the NCSRC was unable to discipline these individuals.

2. **Have there been any complaints about the unregulated profession or occupation? Please give specific examples.**

As indicated in the previous question, there have been three formal complaints to the NCSRC. Additional concerns arise regarding an inability to seek disciplinary action such similar incidents be encountered.

3. **In what ways has the public health, safety, or welfare sustained harm or is in imminent danger of harm because of the lack of state regulation? Please give specific examples.**

Respiratory care is a highly specialized allied heath profession. Respiratory Care Practitioners are trained to care for patients under the supervision of a qualified physician in multiple clinical settings including home care, sub-acute care, and hospitals. The patients receiving their care frequently include a disportionately sicker population than is the case for most other allied health practitioners and the respiratory care practitioners have responsibility for the control of life support procedures and equipment in critically ill patients. Respiratory care practitioners also play an indispensable role in the coordination, assessment, and utilization of respiratory care services in theses multiple environments. Such assessments and interventions are emergent, and although under the guidance and supervision of a qualified physician, these assessments and interactions may be performed without a physician physically present. These situations require respiratory care practitioners with the minimal training, experience, and competencies required for the public health, safety, and welfare for those patients receiving respiratory care.

4. Is there potential for substantial harm or danger by the profession or occupation to the public health, safety, or welfare? How can this potential for substantial harm or danger be recognized?

As defined in question number three, respiratory care practitioners make assessments and interventions to critically ill patients and those patients in emergency situations. Inappropriate or inadequate responses will result in adverse patient conditions which may be potentially life threatening or significantly alter the quality of life for the patient. Without regulation and definition of minimal competencies, a respiratory care practitioner without appropriate education, training, and competencies may be providing these services in North Carolina.

Additionally, respiratory care practitioners denied license or with suspension of licensed in another state, may practice respiratory care in North Carolina. There is no system to protect the public from practitioners considered unsafe in other states.

5. Has this potential harm or danger to the public been recognized by other states or the federal government through the licensing or certification process?

North Carolina is one of but four states without a licensing or certification process for respiratory care practitioners. In each state regulating the practice of respiratory care, public safety, and welfare is the basis for regulation.

6. What will be the economic advantage of licensing to the public?

The economic advantage of licensing to the public will be respiratory care services provided by a minimally educated, trained, and competent respiratory care practitioner. Currently, such services may be provided by individuals without these minimal competencies. The health care consumer will more than likely pay equivalent cost for these services as for those services provided by a regulated practitioner.

Respiratory care practitioners assess respiratory care efforts and assist the physician, in the utilization control of these services. Minimally educated, trained, competent respiratory care practitioners have been documented to actually decrease health care cost through such utilization control. Examples of respiratory care practitioners reducing health care cost are provided in the attached, "Respiratory Care Licensure and Costs."

7. What will be the economic disadvantages of licensing to the public?

None

8. What will be the economics advantages of licensing to the practitioners?

Economic advantages of licensing respiratory care practitioners are based on supply and demand economics. North Carolina human resources for Respiratory Care Practitioners is as follows:

a.	Total number of RCP's in hospitals	2000
b.	Estimated number of RCP's in home care	200
c.	Estimated number of RCP's in sub-acute	200
d.	Others performing Respiratory Care (eg. EMT, LPN, OJT)	400
e.	Estimated Total, Respiratory Care	2800

North Carolina currently has fourteen respiratory care educational programs in the community college system. Approximately 150 new respiratory care practitioners are graduated from these programs annually. This supply of new graduates exceeds the demand for respiratory care practitioners and will continue to do so as hospitals downsize and implement health care reform strategies.

9. What will be the economic disadvantages of licensing practitioners?

Respiratory care practitioners who are unable to meet the minimal licensing requirements may receive significant income reduction or have their jobs, as currently practiced, eliminated.

10. Please give other potential benefits to the public of licensing that outweigh the potential harmful effects of licensure such as a decrease in the availability of practitioners and higher cost to the public.

As indicated in item number 8, a steady increase in the supply of practitioners over demand is expected. Increased additional cost to the public will be minimal for the services provided by a licensed respiratory care practitioner. Additionally, supportive information, attached, identifies respiratory care control and utilization of services by a competent practitioner is an active means of reducing health care costs.

Health care is experiencing alternative sites for the delivery of health care. As the shift in care from the hospital, to the sub-acute care setting, and home environment occurs, less physician contact with the patient and greater dependency upon alternate care givers will occur. Respiratory care is an integral component of such care and focuses on the ability of the respiratory care practitioner to assess and effectively communicate observations and outcomes of care to the physician. Such a system promotes effective and efficient use of health care personnel in a changing health care system. Success of these changing systems will be dependent upon practitioner competency to perform these services.

I. Please detail the specific specialized skills or training that distinguish the occupation or profession from ordinary labor

A. Respiratory Care Practitioners must successfully complete a Respiratory Care Education Program which is recognized by the American Medical Association and includes the following courses of instruction:

Basic Sciences
Biology
Chemistry
Cardiopulmonary Anatomy and Physiology
Computer Science
Human Anatomy and Physiology
Mathematics
Microbiology
Pharmacology
Physics
Psychology
Cardiopulmonary Diseases
Pathology
Pediatrics and Perinatology
Respiratory Care Content Areas
- Emergency Airway Management
- Cardiopulmonary Resuscitation
- Cardiopulmonary Diagnostics and Interpretation
- Patient Assessment
- Cardiopulmonary Monitoring and Diagnostics
- Management of Mechanical Ventilation
- Ethics of Respiratory Care and Medical Care

B. Specific Skills of Respiratory Care Practitioner include:

- Insertion of Artificial Airways
- Insertion of Indwelling Arterial Lines
- Management of Life Support Devices
- Provision of Cardiopulmonary Resuscitation
- Patient Monitoring and Assessment of Respirator Care Outcome
- Administration of Specific Cardiopulmonary Medications as Prescribed by a Licensed Physician

12. What are other qualities of the profession or occupation that distinguish it from ordinary labor?

Although respiratory care practitioners perform services under the leadership and supervision of a physician, there is a relatively high degree of independent judgement required from the respiratory care practitioner. The practitioner deals with patients on a one-to-one basis and must quickly make decisions if a complication arises. Occasionally, these decisions are life saving or life threatening. This is quite evident in the home care setting or the intensive care setting during the middle of the night, where a respiratory care practitioner may be totally alone with a patient, needing to take quick, decisive action without time for consultation with a physician. Failure to appropriately assess and respond to these identified situations may result in a life threatening complications. Such specialized skills, training, and somewhat independent decisions distinguish the respiratory care practitioner from ordinary labor.

13. Will licensing requirements cover all practicing members of the occupation or profession? If any practitioners are exempt, what is the rationale for the exemption?

Licensing will cover all practicing members of the respiratory care profession excepting 1) those rendering care in the course of assigned duties of persons in the military services or working in federal facilities, 2) a student in a respiratory care educational program, working under direct supervision of a practitioner while fulfilling requirements of the course of study, 3) a health care practitioner duly licensed in accordance with Chapter 90 General Statues and performing services authorized by his or her scope of practice, and 4) persons aiding in the practice of respiratory care who perform support activities which do not require formal academic training, if these persons worked under the supervision of a practitioner or physician licensed under Article of Chapter 90 of the General Statues.

Rationale for these exemptions are 1) to allow cost effective support duties to be performed, such as equipment delivery, 2) facilitate training and experience for students of respiratory care, and 3) to be non-restrictive to licensed personnel currently exhibiting competencies in certain respiratory care services.

14. What is the approximate number of persons who will be regulated and the number of persons who are likely to utilize the services of the occupation or profession?

There are approximately 2800 respiratory care practitioners providing services in North Carolina. Such services are routinely provided to 35% all patients admitted to a hospital, therefore each North Carolina resident is a potential user of respiratory care services. 35% of all patients admitted to a hospital, 60% of all emergency room patients eventually requiring hospital admission. A growing percentage of patients in the subacute care environment, and a major portion of patients in defined home care programs for chronic cardiopulmonary disorders.

15. What kind of knowledge or experience does the public need to evaluate the services offered by the practitioner?

The public will require the equivalent knowledge and experience of a respiratory care practitioner, physician, or other duly licensed and knowledgeable health care provider to effectively evaluate the services offered by a respiratory care practitioner.

16. Does the occupational group have an established code of ethics, a voluntary certification program, or other measures to ensure a minimal quality of service?

The North Carolina Society for Respiratory Care attempts to provide minimal quality of services through an internal communication network and use of an established code of ethics adopted from its national affiliation with the American Association for Respiratory. The NCSRC promotes voluntary Certification and/or Registration of Respiratory Care Practitioners by the National Board for Respiratory Care. Approximately 1300 of the 2800 respiratory care practitioners in North Carolina are recognized by the National Board for Respiratory Care. The NCSRC has approximately 800 members participating in continuing educational programs for respiratory care.

A BILL TO BE ENTITLED

AN ACT TO MODIFY THE CRIMINAL HISTORY RECORD CHECKS LAW TO MAKE CLARIFYING CHANGES AND TO REQUIRE A CRIMINAL BACKGROUND CHECK ON HOME HEALTH AGENCY APPLICANTS ONLY FOR CERTAIN POSITIONS.

The General Assembly of North Carolina enacts:

Section 1. G.S. 131D-10.2 reads as rewritten:

"**§ 131D-10.2. Definitions.**

For purposes of this Article, unless the context clearly implies otherwise:

(1) 'Adoption' means the act of creating a legal relationship between parent and child where it did not exist genetically.

(2) 'Adoptive Home' means a family home approved by a child placing agency to accept a child for adoption.

(3) 'Child' means an individual less than 18 years of age, who has not been emancipated under the provisions of Article 56 of Chapter 7A of the General Statutes.

(4) 'Child Placing Agency' means a person authorized by statute or license under this Article to receive children for purposes of placement in residential group care, family foster homes or adoptive homes.

(5) 'Children's Camp' means a residential child-care facility which provides foster care at either a permanent camp site or in a wilderness setting.

(6) 'Commission' means the Social Services Commission.

(6a) 'Criminal History' means a county, state, or federal criminal history of conviction or a pending indictment of a crime, whether a misdemeanor or a felony, that bears upon an individual's fitness to have responsibility for the safety and well-being of children, including the following North Carolina crimes contained in any of the following Articles of Chapter 14 of the General Statutes: Article 6, Homicide; Article 7A, Rape and Kindred Offenses; Article 8, Assaults; Article 10, Kidnapping and Abduction; Article 13, Malicious Injury or Damage by Use of Explosive or Incendiary Device or Material; Article 26, Offenses Against Public Morality and Decency; Article 27, Prostitution; Article 39, Protection of Minors; Article 40, Protection of the Family; and Article 59, Public Intoxication. Such crimes also include possession or sale of drugs in violation of the North Carolina Controlled Substances Act, Article 5 of Chapter 90 of the General Statutes, and alcohol-related offenses such as sale to underage persons in violation of G.S. 18B-302 or driving while impaired in violation of G.S. 20-138.1 through G.S. 20-138.5. In addition to the North Carolina crimes listed in this subdivision, such crimes also include similar crimes under federal law or under the laws of other states.

(7) 'Department' means the Department of Human Resources.

(8) 'Family Foster Home' means the private residence of one or more individuals who permanently reside as members of the household and who provide continuing full-time foster care for a child or children who are placed there by a child placing agency or who provide continuing full-time foster care for two or more children who are unrelated to the adult members of the household by blood, marriage, guardianship or adoption.

(9) 'Foster Care' means the continuing provision of the essentials of daily living on a 24-hour basis for dependent, neglected, abused, abandoned, destitute, orphaned, undisciplined or delinquent children or other children who, due to similar problems of behavior or family conditions, are living apart from their parents, relatives, or guardians in a family foster home or residential child-care facility. The essentials of daily living include but are not limited to shelter, meals, clothing, education, recreation, and individual attention and supervision.

(9a) 'Foster Parent' means any individual who is 18 years of age or older who ~~permanently resides in a family foster home licensed by the State and any such individual applying to provide family foster care.~~ is licensed by the State to provide foster care.

(10) 'Person' means an individual, partnership, joint-stock company, trust, voluntary association, corporation, agency, or other

organization or enterprise doing business in this State, whether or not for profit.

(11) 'Primarily Educational Institution' means any institution which operates one or more scholastic or vocational and technical education programs that can be offered in satisfaction of compulsory school attendance laws, in which the primary purpose of the housing and care of children is to meet their educational needs, provided such institution has complied with Article 39 of Chapter 115C of the General Statutes.

(12) 'Provisional License' means a type of license granted by the Department to a person who is temporarily unable to comply with a rule or rules adopted under this Article.

(13) 'Residential Child-Care Facility' means a staffed premise with paid or volunteer staff where children receive continuing full-time foster care. Residential child-care facility includes child-caring institutions, group homes, and children's camps which provide foster care."

Section 2. G.S. 131D-10.3A reads as rewritten:

"**§ 131D-10.3A. Mandatory criminal ~~checks of foster parents.~~ checks.**

(a) Effective January 1, 1996, in order to ensure the safety and well-being of any child placed for foster care in a home, the Department shall ensure that the criminal histories of all foster ~~parents~~ parents, individuals applying for licensure as foster parents, and individuals 18 years of age or older who reside in a family foster home, are checked ~~and a determination of the foster parent's fitness to have responsibility for the safety and well-being of children based on the criminal history is made.~~ and, based on the criminal history check, a determination is made as to whether the foster parents, and other individuals required to be checked, are fit for a foster child to reside with them in the home. The Department shall ensure that, as of the effective date of this act, all ~~foster parents~~ individuals required to be checked are checked for county, state, and federal criminal histories.

(b) The Department shall ensure that all ~~foster parents~~ individuals who ~~have been~~ are required to be checked pursuant to subsection (a) of this section are checked annually upon relicensure for county and State criminal histories.

(c) The Department may prohibit ~~a foster parent~~ an individual from providing foster care by denying or revoking the license to provide foster care if the Department determines that ~~the foster parent is unfit to have responsibility for the safety and well-being of children based on the criminal history.~~ the safety and well-being of a child placed in the home for foster care would be at risk based on the criminal history of the individuals required to be checked pursuant to subsection (a) of this section.

(d) The Department of Justice shall provide to the Department of Human Resources the criminal history of the ~~foster parent~~ individuals specified in subsection (a) of this section obtained from the State and National Repositories of Criminal Histories as requested by the Department. The Department shall provide to the

Department of Justice, along with the request, the fingerprints of the ~~foster parent~~ individual to be checked, any additional information required by the Department of Justice, and a form consenting to the check of the criminal record and to the use of fingerprints and other identifying information required by the State or National Repositories signed by the ~~foster parent~~ individual to be checked. The fingerprints of the ~~foster parent~~ individual to be checked shall be forwarded to the State Bureau of Investigation for a search of the State's criminal history record file, and the State Bureau of Investigation shall forward a set of fingerprints to the Federal Bureau of Investigation for a national criminal history record check.

(e) At the time of application, the ~~foster parent~~ individual whose criminal history is to be checked shall be furnished with a statement substantially similar to the following:

'NOTICE

~~FOSTER PARENT~~
MANDATORY CRIMINAL HISTORY CHECK

NORTH CAROLINA LAW REQUIRES THAT A CRIMINAL HISTORY CHECK BE CONDUCTED ON ALL PERSONS 18 YEARS OF AGE OR OLDER WHO ~~PROVIDE FOSTER CARE~~ RESIDE IN A LICENSED FAMILY FOSTER HOME.

"Criminal history" includes any county, state, and federal convictions or pending indictments of any crime, of any of the following crimes: the following Articles of Chapter 14 of the General Statutes: Article 6, Homicide; Article 7A, Rape and Kindred Offenses; Article 8, Assaults; Article 10, Kidnapping and Abduction; Article 13, Malicious Injury or Damage by Use of Explosive or Incendiary Device or Material; Article 26, Offenses Against Public Morality and Decency; Article 27, Prostitution; Article 39, Protection of Minors; Article 40, Protection of the Family; and Article 59, Public Intoxication; violation of the North Carolina Controlled Substances Act, Article 5 of Chapter 90 of the General Statutes, and alcohol-related offenses such as sale to underage persons in violation of G.S. 18B-302 or driving while impaired in violation of G.S. 20-138.1 through G.S. 20-138.5; or similar crimes under federal law or under the laws of other states. Your fingerprints will be used to check the criminal history records of the State Bureau of Investigation (SBI) and the Federal Bureau of Investigation (FBI).

If it is determined, based on your criminal history, that you are unfit to have ~~responsibility for the safety and well-being of children,~~ a foster child reside with you, you shall have the opportunity to ~~complete,~~ complete or challenge the accuracy ~~of,~~ of the information contained in the SBI or FBI identification records.

If ~~you are denied~~ licensure is denied or ~~your~~ the foster home license is revoked by the Department of Human Resources as a result of the criminal history check, if you are a foster parent, or are applying to become a foster parent, you may

request a hearing pursuant to Article 3 of Chapter 150B of the General Statutes, the Administrative Procedure Act.

Any ~~foster parent~~ person who intentionally falsifies any information required to be furnished to conduct the criminal history is guilty of a Class 2 misdemeanor.'

Refusal to consent to a criminal history check is grounds for the Department to ~~prohibit the foster parent from providing~~ deny or revoke a license to provide foster care. Any ~~foster parent~~ person who intentionally falsifies any information required to be furnished to conduct the criminal history is guilty of a Class 2 misdemeanor.

(f) The Department shall notify in writing the foster parent and any person applying to be licensed as a foster parent, and that individual's supervising agency of the determination by the Department of whether the foster parent is qualified to provide foster care based on the ~~foster parent's~~ criminal ~~history.~~ history of all individuals required to be checked. In accordance with the law regulating the dissemination of the contents of the criminal history file furnished by the Federal Bureau of Investigation, the Department shall not release nor disclose any portion of ~~the foster parent's~~ an individual's criminal history to the foster ~~parent.~~ parent or any other individual required to be checked. The Department shall also notify the ~~foster parent~~ individual of the ~~foster parent's~~ individual's right to review the criminal history information, the procedure for completing or challenging the accuracy of the criminal history, and the foster parent's right to contest the Department's determination.

A foster parent who disagrees with the Department's decision may request a hearing pursuant to Chapter 150B of the General Statutes, the Administrative Procedure Act.

(g) All the information that the Department receives through the checking of the criminal history is privileged information and is not a public record but is for the exclusive use of the Department and those persons authorized under this section to receive the information. The Department may destroy the information after it is used for the purposes authorized by this section after one calendar year.

(h) There is no liability for negligence on the part of a supervising agency, or a State or local agency, or the employees of a State or local agency, arising from any action taken or omission by any of them in carrying out the provisions of this section. The immunity established by this subsection shall not extend to gross negligence, wanton conduct, or intentional wrongdoing that would otherwise be actionable. The immunity established by this subsection shall be deemed to have been waived to the extent of indemnification by insurance, indemnification under Article 31A of Chapter 143 of the General Statutes, and to the extent sovereign immunity is waived under the Torts Claim Act, as set forth in Article 31 of Chapter 143 of the General Statutes.

(i) The Department of Justice shall perform the State and national criminal history checks on ~~foster parents~~ individuals required by this section and shall charge the Department of Human Resources a reasonable fee only for conducting the checks of the national criminal history records authorized by this section. The Division of

Social Services, Department of Human Resources, shall bear the costs of implementing this section."

Section 3. G.S. 114-19.4 reads as rewritten:

"**§ 114-19.4. Criminal record checks ~~of foster parents.~~ for foster care.**

The Department of Justice may provide to the Division of Social Services, Department of Human Resources, the criminal history from the State and National Repositories of Criminal Histories as defined in G.S. 131D-10.2(6a). The Division shall provide to the Department of Justice, along with the request, the fingerprints of the ~~foster parent~~ individual to be checked, any additional information required by the Department of Justice, and a form consenting to the check of the criminal record and to the use of fingerprints and other identifying information required by the State or National Repositories signed by the ~~foster parent~~ individual to be checked. The fingerprints of the ~~foster parent~~ individual shall be forwarded to the State Bureau of Investigation for a search of the State's criminal history record file, and the State Bureau of Investigation shall forward a set of fingerprints to the Federal Bureau of Investigation for a national criminal history record check. The Division shall keep all information pursuant to this section privileged, as provided in G.S. 131D-10.3A(g). The Department of Justice shall charge a reasonable fee only for conducting the checks of the national criminal history records authorized by this section."

Section 4. G.S. 131E-265(a) reads as rewritten:

"(a) Requirement. -- An offer of employment by a nursing home ~~or a home care agency~~ licensed under this Chapter to an applicant to fill a position that does not require the applicant to have an occupational license is conditioned on consent to a criminal history record check of the applicant. An offer of employment by a home care agency licensed under this Chapter to an applicant to fill a position that requires entering the patient's home is conditioned on consent to a criminal history record check of the applicant. In addition, employment status change of a current employee of a home care agency licensed under this Chapter from a position that does not require entering the patient's home to a position that requires entering the patient's home shall be conditioned on consent to a criminal history record check of that current employee. A nursing home or a home care agency shall not employ an applicant who refuses to consent to a criminal history record check required by this section. In addition, a home care agency shall not change a current employee's employment status from a position that does not require entering the patient's home to a position that requires entering the patient's home who refuses to consent to a criminal history record check required by this section. A nursing home or home care agency shall submit a request to the Department of Justice under G.S. 114-19.3 to conduct a criminal history record check within five business days of making the conditional offer of employment. All criminal history information received by the home or agency is confidential and may not be disclosed."

Section 5. This act is effective when it becomes law.

COMMITTEE ON RULES, CALENDAR, AND OPERATIONS OF THE HOUSE
May 27, 1997

The Committee on Rules, Calendar, and Operations of the House met May 27, 1997, at 2:00 p.m. in Room 421 in the Legislative Office Building. Representative Morgan, Committee Chair, called the meeting to order and asked the clerk to call the roll. The following members were present: Representative Bowie, Vice Chair, and Representatives Culp, Dockham, Gulley, Hill, McMahan, Mitchell, Neely, C. Wilson, and Daughtry, House Majority Leader.

The first bill before the Committee was Senate committee substitute for Senate Bill 993 - A BILL TO BE ENTITLED AN ACT TO AUTHORIZE THE COMMISSIONER OF INSURANCE TO ADOPT RULES TO PROTECT THE RIGHTS OF SUBSCRIBERS AND CERTIFICATE HOLDERS IN THE RESERVES AND CAPITAL OF HOSPITAL, MEDICAL AND DENTAL SERVICE CORPORATIONS UPON CONVERSION. Senator Rand, bill sponsor, was recognized to explain the bill and offer a House proposed committee substitute for Senate committee substitute for Senate Bill 993. Representative Neely asked to be excused from voting, citing House Rule 24.1A. Representative Dockham moved for its adoption for committee discussion. Motion carried. Representative Dockham moved for a favorable report for the House committee substitute and an unfavorable report for the Senate committee substitute. Motion carried. There was a title change in the bill.

The next bill before the Committee was Senate Bill 866 - A BILL TO BE ENTITLED AN ACT TO PROMOTE COMPETITION, CHOICE, AND AVAILABILITY IN THE PURCHASE OF PRESCRIPTION DRUGS AND PHARMACEUTICAL SERVICES. Senator Rand, bill sponsor, was recognized to explain the bill. Representative Mitchell moved for a favorable report. Representative Dockham made a substitute motion to report the bill without prejudice with the recommendation that the bill be referred to the Insurance Subcommittee on Health. The substitute motion carried.

House Joint Resolution 1232 - A JOINT RESOLUTION HONORING THE LIFE AND MEMORY OF ADOLPH LORENZ DIAL, FORMER MEMBER OF THE GENERAL ASSEMBLY, was the next bill before the Committee. Representative Sutton was recognized to explain the resolution. Representative Hill moved for a favorable report. Motion carried.

Next on the agenda for Committee consideration was House Joint Resolution 1234 - A JOINT RESOLUTION HONORING THE LIFE AND MEMORY OF BRADFORD VERDIZE LIGON, FORMER MEMBER OF THE GENERAL ASSEMBLY. Representative Howard was recognized by the Chair to speak on the resolution. Representative Mitchell moved for a favorable report. Motion carried.

House Bill 1110 - A BILL TO BE ENTITLED AN ACT AMENDING THE STATUTES RELATED TO LANDSCAPE ARCHITECTS was the next bill before the Committee. Representative McMahan was recognized to explain the bill. He offered a committee substitute for Committee discussion and moved for its adoption. Motion carried. Representative Culp moved for a favorable report as to the committee substitute; unfavorable as to the original bill and recommended that the bill be re-referred to the Committee on Finance. Motion carried.

The next bill before the Committee was House Bill 794 - A BILL TO BE ENTITLED AN ACT TO MAKE SUBSTANTIVE CHANGES TO THE NORTH CAROLINA ENGINEERING AND LAND SURVEYING ACT. The Chair recognized Representative Ives to explain the bill and offer a committee substitute. Representative Wilson moved for its adoption for Committee discussion. Motion carried. Representative Ives told the Committee that the committee substitute did not change the substance of the bill in any way. Representative Culp moved for a favorable report for the committee substitute; unfavorable report to the original bill, and recommended that it be re-referred to the Committee on Finance. Motion carried.

Representative Morgan displaced House Bill 1166 - A BILL TO BE ENTITLED AN ACT TO AMEND THE EDUCATIONAL REQUIREMENTS FOR AUCTIONEERS, APPRENTICE AUCTIONEERS, AND PRINCIPALS IN AN AUCTION FIRM.

The meeting adjourned at 2:30 p.m..

A BILL TO BE ENTITLED

AN ACT TO ESTABLISH PROCEDURES FOR CONVERSIONS BY HOSPITAL, MEDICAL, AND DENTAL SERVICE CORPORATIONS.

The General Assembly of North Carolina enacts:

Section 1. G.S. 58-65-130(3) reads as rewritten:

"(3) The charter of any corporation subject to the provisions of this Article and Article 66 of this Chapter may be amended to convert that corporation, so amending its charter, into either a mutual nonstock or stock accident and health insurance company or life insurance company subject to the provisions of Articles 1 through 64 of this Chapter provided the rights of the subscribers or certificate holders in the reserves and capital of such corporation are adequately protected. ~~under rules and regulations adopted by the Commissioner of Insurance.~~ A corporation converting to a mutual nonstock or stock accident and health insurance company or life insurance company shall follow the provisions of G.S. 58-65-131 and G.S. 58-65-132."

Section 2. Article 65 of Chapter 58 of the General Statutes is amended by adding the following new sections to read:

"**§ 58-65-131. Conversion; procedure.**

(a) It is the intent of the General Assembly by the enactment of this section and G.S. 58-65-132 to create a procedure for a corporation subject to this Article to convert to a mutual nonstock or stock accident and health insurance company or life insurance company subject to Articles 1 through 64 of this Chapter. The General Assembly recognizes the substantial and recent changes in market and health care conditions that are affecting these corporations and further recognizes the need for equal regulatory treatment and competitive equality for health care insurers. The General Assembly further finds that a procedure for conversion is in the best interest of policyholders because it will provide greater financial stability for the corporations' policyholders and a greater opportunity for the corporations to remain financially independent.

(b) As used in this section and G.S. 58-65-132:

(1) 'Corporation' means a corporation subject to this Article that attempts to convert from a hospital, medical, or dental service corporation to a mutual nonstock or stock accident and health insurance company or life insurance company and that files a plan of conversion with the Commissioner under subsection (e) of this section.

(2) 'New corporation' means a corporation originally subject to this Article that has had its plan of conversion approved by the Commissioner under subsection (e) and that has actually converted to a mutual nonstock or stock accident and health insurance company or life insurance company.

(c) A corporation may amend its charter pursuant to this Article to convert the corporation to a mutual nonstock or stock health and accident insurance company or life insurance company subject to Articles 1 through 64 of this Chapter. The amended charter shall be filed with the Commissioner, together with a plan for conversion setting forth provisions for fulfilling the conditions necessary to effect the conversion and a designated date upon which the conversion shall become effective if these conditions are fulfilled. Upon the designated date set forth in the plan, the corporation shall become subject to the applicable laws as provided in subsection (h) of this section and shall no longer be subject to this Article and Article 66 of this Chapter.

(d) A corporation subject to this Article shall file a plan for conversion with the Commissioner at least 120 days before the proposed date of conversion. The corporation shall reimburse the Department for the actual cost of reviewing, analyzing, and processing the application. The Commissioner may contract with experts or consultants to assist in reviewing the application. Contract costs for these personal professional services shall not exceed an amount which is reasonable and necessary for the review of the application. A personal professional services contract entered into under this subsection is exempt from Article 3C of Chapter 143 of the General Statutes. The corporation filing an application for conversion shall promptly pay, upon request, for all costs of these personal professional services.

(e) A corporation that has amended its charter to convert the corporation to a mutual nonstock or stock accident and health insurance company or life insurance company shall fulfill the conditions necessary to effect the conversion if the plan of conversion sets forth with specificity the following terms and conditions of the proposed conversion:

(1) The purpose of the conversion.

(2) The articles of incorporation of the new corporation, including a description of the classes of policyholders or shareholders.

(3) The bylaws of the new corporation.

(4) A description of any changes in the new corporation's mode of operations after conversion.

(5) A statement describing the manner in which the plan provides for the protection of all existing contractual rights of the corporation's subscribers or certificate holders for medical, hospital, or dental service or claims for reimbursement for those services.

(6) A statement that the new corporation assumes all assets and liabilities of the previous corporation.

(7) Documentation showing that the corporation, its board of directors, trustees or other governing authority and its subscribers or certificate holders have approved the plan in accordance with the corporation's articles of incorporation and bylaws.

(8) The business plan of the new corporation, including, but not limited to, a comparative premium rate analysis of the new corporation's major plans and product offerings, that, among other things, compares actual premium rates for the three-year period before the filing of the application for conversion and forecasted premium rates for a three-year period following the proposed conversion. This rate analysis shall address the forecasted effect, if any, of the proposed conversion on the cost to subscribers or policyholders of the new corporation and on the new corporation's underwriting profit, investment income, and loss and claim reserves, including the effect, if any, of adverse market or risk selection upon these reserves. Any information provided under this subsection shall receive confidential treatment pursuant to G.S. 58-19-40.

(9) The plan provides for definite conditions to be fulfilled by a designated early date upon which the conversion will be deemed effective.

(f) The Commissioner of Insurance shall approve the plan of conversion and issue a certificate of authority to the filing corporation to transact insurance in this State pursuant thereto if the Commissioner finds all of the following:

(1) The plan of conversion meets the requirements of subsection (e) of this section.

(2) Upon conversion, the new corporation will meet the applicable standards and conditions under this Chapter, including applicable minimum surplus requirements.

(3) The plan would not be contrary to law nor to the rights of the subscribers or certificate holders in the reserves and capital of the corporation.

(4) No director, officer, or employee of any hospital, medical and dental service corporation will receive:

a. Any fee, commission, compensation or other valuable consideration for aiding, promoting, or assisting in the conversion of the hospital, medical and dental service corporation to a domestic mutual insurer, other than compensation paid to any director, officer, or employee of the corporation in the ordinary course of business; or

b. Any distribution of the assets, surplus, or capital of the corporation as part of a conversion.

(5) The corporation has complied with all applicable requirements of this Chapter, and disciplinary action is not warranted against the corporation.

(g) A plan of conversion that meets the requirements of subsection (e) of this section and is approved by the Commissioner pursuant to subsection (f) is presumed to protect adequately the rights of the subscribers or certificate holders in the reserves and capital of the corporation and to be fair and equitable and not prejudicial to the subscribers or certificate holders of the corporation and the subscribers or policyholders of the new corporation.

(h) Nothing in this Chapter shall operate to limit the power of the Commissioner or the Attorney General to seek a declaratory judgment regarding whether public rights exist in the reserves and capital of the corporation, and if so, how those rights should be preserved.

(i) Upon completion of the corporation's conversion as provided for in this section and G.S. 58-65-132, the new corporation shall be subject to and comply with all applicable laws and regulations applicable to domestic insurers.

"**§ 58-65-132. Rules and procedures.**

(a) Upon receiving an application to convert, the Commissioner shall publish a notice in one or more newspapers of general circulation in the corporation's service area describing the name of the corporation, the nature of the plan filed under G.S. 58-65-131(d), and the date of receipt of the plan. The notice shall indicate that the Commissioner will solicit public comments and hold a public hearing on the application.

(b) All applications, reports, plans, or other documents under this section are public records unless otherwise provided in this Chapter. The Commissioner shall provide the public with prompt and reasonable access to public records relating to conversion of the corporation. Access to public records covered by this section shall

be made available at least one month before a solicitation for public comments or public hearing scheduled under this section.

(c) Before approving a conversion, the Commissioner shall solicit public comments in written form and shall hold at least one public hearing about the corporation's proposal to comply with the requirements for conversion.

(d) The Commissioner shall approve a conversion if he finds that the corporation has met all requirements contained in G.S. 58-65-130, G.S. 58-65-131, and this section."

Section 3. This act is effective when it becomes law.

A BILL TO BE ENTITLED

AN ACT TO PROMOTE COMPETITION, CHOICE, AND AVAILABILITY IN THE PURCHASE OF PRESCRIPTION DRUGS AND PHARMACEUTICAL SERVICES.

The General Assembly of North Carolina enacts:

Section 1. Article 51 of Chapter 58 of the General Statutes is amended by adding a new section to read:

"**§ 58-51-37A. Prescription drugs and pharmaceutical services benefits.**

(a) This section applies only to health benefit plans that provide benefits for prescription drugs and pharmaceutical services.

(b) The purposes of this section are:

(1) To promote competition among and continued availability of retail pharmacies that redeem benefits for prescription drugs and pharmaceutical services provided to consumers by a health benefit plan or insurance certificate.

(2) To prohibit anticompetitive restrictions in pharmacy provider contracts between a pharmacy and a health benefit plan, insurer, or third-party administrator.

(3) To enable a pharmacy to establish without restriction its prices for both prescription drugs and pharmaceutical services, as well as to control its hours of operation.

(4) To further ensure that consumers may redeem prescription drugs and pharmaceutical services benefits allowed by a health benefit plan or an insurer at the pharmacy of the beneficiary's choice.

(5) To continue to enable a health benefit plan, insurer, or third-party administrator to establish prescription drug and pharmaceutical services benefits it provides to its beneficiaries or insureds, so long as in so doing it does not interfere with the right of the pharmacy to establish its own price or charge for the drug or service.

(c) As used in this section:

(1) 'Benefit' or 'benefits' means a benefit for either prescription drugs or pharmaceutical services, or both, provided by a health benefit plan or an insurer.

(2) 'Drug' or 'prescription drug' means any substance subject to the Federal Food, Drug, and Cosmetic Act, 21 U.S.C. §§ 301-395, as amended.

(3) 'Health benefit plan' means an accident and health insurance policy or certificate; a nonprofit service corporation contract; a health maintenance organization subscriber contract; a plan provided by a multiple employer welfare arrangement; coverage provided by an employer under G.S. 97-93; or a plan provided by another benefit arrangement, to the extent permitted by the Employee Retirement Income Security Act of 1974, as amended, or by any waiver of or other exception to the act provided under federal law or regulation. 'Health benefit plan' does not mean accident only insurance, or credit insurance, or disability income insurance.

(4) 'Insurer' means any entity that provides or offers a health benefit plan, including, but not limited to, an entity subject to Article 49, Article 65, or Article 67 of this Chapter.

(5) 'Pharmacy' means a pharmacy required by Article 4A of Chapter 90 of the General Statutes to be registered with the North Carolina Board of Pharmacy. Unless otherwise expressly provided in this section, the term 'pharmacy' also means a pharmacy that redeems benefits under a health benefit plan, insurer, or third-party administrator through a pharmacy provider contract or otherwise.

(6) 'Pharmacy provider contract' means a contract or agreement between a pharmacy and a health benefit plan, an insurer, or a third-party administrator under which the pharmacy agrees to redeem prescription drugs and pharmaceutical services benefits provided by a health benefit plan or insurer to the subscribers or beneficiaries of the plan or health insurance certificate.

(7) 'Third-party administrator' means a person who directly or indirectly solicits or effects coverage of, underwrites, collects

charges or premiums, or adjusts or settles claims in connection with a health benefit plan.

(d) Notwithstanding G.S. 58-51-37, a health benefit plan, insurer, third-party administrator, or other entity shall not, directly or indirectly, restrict or prohibit a pharmacy that is not a party to a pharmacy provider contract from establishing its charge or price for prescription drugs and pharmaceutical services, or both, or its hours of operation.

(e) Subject to the provisions of this section, a benefit for prescription drugs or pharmaceutical services or both may be redeemed by the beneficiary at any pharmacy of the beneficiary's choice. The health benefit plan, insurer, third-party administrator, or other person or entity providing benefits shall redeem benefits for prescription drugs or pharmaceutical services provided by a pharmacy that is not a party to a pharmacy provider contract at the same rate and in the same manner as it redeems the benefits for the drugs or services provided by a pharmacy under a pharmacy provider contract.

(f) A health benefit plan, insurer, third-party administrator, or other person or entity providing benefits may not, directly or indirectly, restrict or financially coerce the beneficiary's choice of pharmacy.

(g) Notwithstanding G.S. 58-51-37, if the charge or price established by the pharmacy for a prescription drug or pharmaceutical service, or both, is greater than the benefit allowed by the health benefit plan or insurer for the drug or service, then the beneficiary is responsible for paying the pharmacy the difference between the benefit and the charge or price of the pharmacy for the prescription drug or pharmaceutical service, or both. Prior to filling the prescription, if the beneficiary requests the information and the pharmacist has the information, the pharmacist shall inform the beneficiary what the price difference will be.

(h) A health benefit plan, insurer, or third-party administrator shall not restrict or prohibit, directly or indirectly, a pharmacy that is not a party to a pharmacy provider contract from charging the beneficiary for services rendered by the pharmacy that are in addition to charges for the drug, for dispensing the drug, or for patient counseling.

(i) The health benefit plan or the insurer shall inform all beneficiaries under the plan that benefits may be redeemed at any pharmacy which the beneficiary chooses. This information shall be communicated through reasonable means on a timely basis and at regular intervals. The health benefit plan, insurer, or third party administrator shall not express an opinion or judgment as to what a pharmacy's charge or price should be or what a beneficiary's co-payment difference should be. This information shall also be included in the written summary or description of the health benefit plan or insurance, as well as other written communications furnished to beneficiaries where benefits are mentioned. Nothing in this section shall prevent a health benefit plan or insurer from notifying its enrollees or participants of which pharmacies have agreed to fill prescriptions without any additional charges.

(j) A pharmacy eligible to redeem benefits under a health benefit plan may announce and advertise that eligibility in a commercially reasonable manner.

(k) Penalties:

(1) The Commissioner of Insurance shall not approve any health benefit plan or policy providing prescription drugs or pharmaceutical services benefits that does not conform to the provisions of this section.

(2) Any provision of a health benefit plan that is executed, delivered, or renewed or otherwise contracted for in this State that is in conflict with any provision of this section shall be void, to the extent of the conflict.

(3) Any provision of a pharmacy provider contract between a health benefit plan, or insurer, or third-party administrator, or other person subject to the provisions of this section and a pharmacy, or pharmacist licensed under Article 4A of Chapter 90 of the General Statutes, that is in conflict with this section is void to the extent of the conflict.

(4) The Commissioner of Insurance shall investigate and sanction any person, health benefit plan, insurer, third-party administrator, or other person that violates the provisions of this section, pursuant to Chapter 58 and other applicable law.

(5) A health benefit plan or insurer, or third-party administrator, or other person that violates this section shall be subject to the provisions of G.S. 58-2-70 concerning civil penalties, restitution, and summary suspension of license or certificate; provided, however, if pursuant to G.S. 58-2-70(d), monetary civil penalties are directed by the Commissioner, for the purposes of this section, these penalties shall not be less than one thousand dollars ($1,000) per day, nor more than ten thousand dollars ($10,000) per day.

(6) If the Commissioner has reason to believe that a health benefit plan, insurer, third-party administrator, or other person or entity has failed to comply with this section, the Commissioner shall issue and serve upon the person or entity a statement of the charges in that respect and a notice of hearing to be held at the time and place fixed in the notice, which shall not be less than 10 days after the date of service of the notice. If, after hearing, the Commissioner finds that the person or entity is in violation of this section, the Commissioner shall reduce the finding to writing and issue and serve upon the person or entity an order requiring the person or entity to cease and desist from engaging in the violation. A person or entity required to cease and desist pursuant to this section may obtain a review of the cease and desist order in accordance with the procedures set forth in G.S. 58-63-35. A person or entity found to be in violation of this section shall be subject to civil monetary penalties for violations committed on and after the date the person or entity received the statement of charges and notice of hearing from the Commissioner.

(7) The Commissioner of Insurance shall have the authority granted by this Chapter to enforce violations of this section, including additional authority provided in this section.

(8) The Attorney General shall bring such actions as are necessary to enforce or prevent violations of this section, either through representation of the Commissioner of Insurance or otherwise."

Section 2. If any provision of this act or the application of this act to any person or circumstance is held invalid, the other provisions or applications of this act shall be given effect without the invalid provisions or applications.

Section 3. This act applies to every health benefit plan as defined in Section 1 of this act that is delivered, issued for delivery, or renewed on or after October 1, 1997. For purposes of this act, renewal of a health benefit plan is presumed to occur on each anniversary of the date on which coverage was first effective on the person or persons covered by the health benefit plan.

Section 4. This act becomes effective October 1, 1997.

AN ACT AMENDING THE STATUTES RELATED TO LANDSCAPE ARCHITECTS.

The General Assembly of North Carolina enacts:

Section 1. G.S. 89A-1 reads as rewritten:

"**§ 89A-1. Definitions.**

The following definitions apply in this Chapter:

~~(a)~~ (1) ~~'Board' shall mean the~~ Board. -- The North Carolina Board of Landscape ~~Architects, established by G.S. 89A-3.~~ Architects.

~~(b)~~ (2) ~~'Landscape architect' shall mean a~~ Landscape architect. -- A person who, on the basis of demonstrated knowledge acquired by professional education or practical experience, or both, has been granted, and holds a current certificate entitling him or her to practice 'landscape architecture' and to use the title 'landscape architect' in North Carolina under the authority of this Chapter.

~~(c)~~ (3) ~~'Landscape architecture,' or the 'practice of landscape architecture' shall mean the~~ Landscape architecture or the practice of landscape architecture. -- The preparation of plans and specifications and supervising the execution of projects involving the arranging of land and the elements used thereon for public and private use and enjoyment, embracing drainage, soil conservation, grading and planting plans and erosion control, in accordance with

the accepted professional standards of public health, safety and welfare."

Section 2. G.S. 89A-2 reads as rewritten:

"§ 89A-2. ~~Use~~ Practice of landscape architecture or use of title 'landscape architect' without registration prohibited; use of seal.

(a) ~~On and after January 1, 1970, no~~ No person shall use the designation 'landscape architect,' 'landscape architecture,' or 'landscape architectural,' or advertise any title or description tending to convey the impression that he or she is a landscape architect or shall engage in the practice of landscape architecture unless ~~such~~ the person is registered ~~or has obtained a temporary permit~~ as a landscape architect in the manner hereinafter provided and ~~shall thereafter comply~~ thereafter complies with the provisions of this Chapter. Every holder of a certificate shall display it in a conspicuous place in his or her principal office, place of business or employment.

(a1) No firm, partnership, or corporation shall engage in the practice of landscape architecture unless the firm, partnership, or corporation registered with the Board and has paid the fee required by G.S. 89A-6. All landscape architecture performed by a firm, partnership, or corporation shall be under the direct supervision of an individual who is registered under this Chapter.

(b) Nothing in this Chapter shall be construed ~~as authorizing~~ (i) to authorize a landscape architect to engage in the practice of architecture, ~~engineering~~ engineering, or land surveying, ~~nor~~ (ii) to restrict from the practice of landscape architecture or otherwise affect the rights of any person licensed to practice architecture under Chapter 83A, or engineering or land surveying under Chapter 89C of the General ~~Statutes;~~ Statutes if the person does not use the title landscape architect, landscape architecture, or landscape architectural, ~~or~~ (iii) to restrict any person from engaging in the occupation of grading lands whether by hand tools or machinery, or (iv) to restrict the planting, ~~maintaining~~ maintaining, or marketing of plants or plant ~~materials: Provided, however, that no individual shall use the title 'landscape architect' unless he has complied with the provisions of this Chapter.~~ materials.

(c) Each landscape architect shall, upon registration, obtain a seal of the design authorized by the Board, bearing the name of the registrant, number of certificate and the legend 'N.C. Registered Landscape Architect'. Such seal may be used only while the registrant's certificate is in full force and effect.

Nothing in this Chapter shall be construed as authorizing the use or acceptance of the seal of a landscape architect ~~in lieu~~ instead of or as a substitute for the seal of an architect, ~~engineer~~ engineer, or land surveyor."

Section 3. G.S. 89A-3 reads as rewritten:

"§ 89A-3. North Carolina Board of Landscape Architects; ~~appointments; powers.~~ appointments.

(a) There is created the North Carolina Board of Landscape Architects, consisting of seven members appointed by the Governor for four-year staggered terms. Five members of the Board shall have been engaged in the practice of landscape architecture in North Carolina at least five years at the time of their respective

appointments. Two members of the Board shall not be landscape architects and shall represent the interest of the public at large. Each member shall hold office until the appointment and qualification of his or her successor. Vacancies occurring prior to the expiration of the term shall be filled by appointment for the unexpired term. No member shall serve more than two complete consecutive terms.

~~The Governor shall appoint the two public members not later than July 1, 1979, to serve four-year terms.~~

The Board shall be subject to the provisions of Chapter 93B of the General Statutes.

(b) The Board shall elect annually from its members a ~~chairman~~ chair and a ~~vice-chairman~~ vice-chair and shall hold such meetings during the year as it may determine to be necessary, one of which shall consist of the annual meeting. A quorum of the Board shall consist of not less than three members.

(b1) The members of the Board shall not be compensated. However, members shall be entitled to be reimbursed from Board funds for all proper traveling and incidental expenses incurred in carrying out the provisions of this Chapter.

~~(c) The Board shall have power to compel the attendance of witnesses, to administer oaths, and to take testimony and proofs of all matters within its jurisdiction. The Board shall have the power to make such rules not inconsistent with law as may be necessary in the performance of its duties.~~

~~(d) The Board shall elect a secretary, who may or may not be a member of the Board, and who shall hold office at the pleasure of the Board. The members of the Board shall not be compensated except that the secretary shall receive such salary as is fixed by the Board. The members of the Board shall, however, be entitled to be reimbursed from Board funds for all proper traveling and incidental expenses incurred in carrying out the provisions of this Chapter.~~"

Section 4. Chapter 89A of the General Statutes is amended by adding a new section to read:

"**§ 89A-3A. Board's powers and duties.**

The Board shall have the following powers and duties:

(1) Administer and enforce the provisions of this Chapter.

(2) Adopt rules to administer and enforce the provisions of this Chapter.

(3) Examine and determine the qualifications and fitness of applicants for registration and renewal of registration.

(4) Determine the qualifications of firms, partnerships, or corporations applying for a certificate of registration.

(5) Issue, renew, deny, suspend, or revoke certificates of registration and conduct any disciplinary actions authorized by this Chapter.

(6) Establish and approve continuing education requirements for persons registered under this Chapter.

(7) Receive and investigate complaints from members of the public.

(8) Conduct investigations for the purpose of determining whether violations of this Chapter or grounds for disciplining registrants exist.

(9) Conduct administrative hearings in accordance with Article 3 of Chapter 150B of the General Statutes.

(10) Maintain a record of all proceedings conducted by the Board and make available to registrants and other concerned parties an annual report of all Board action.

(11) Employ and fix the compensation of personnel that the Board determines is necessary to carry out the provisions of this Chapter and incur other expenses necessary to perform the duties of the Board.

(12) Adopt and publish a code of professional conduct for all registrants.

(13) Adopt a seal containing the name of the Board for use on all certificates of registration and official reports issued by the Board."

Section 5. G.S. 89A-4 reads as rewritten:

"**§ 89A-4. Application, examination, certificate.**

(a) Any person hereafter desiring to be registered and licensed to use the title 'landscape architect' and to practice landscape architecture in the State, shall make a written application for examination to the Board, on a form prescribed by the Board, together with such evidence of his or her qualifications as may be prescribed by rules ~~and regulations~~ of the Board. Minimum qualifications under such rules shall require that the ~~applicant~~ applicant:

(1) Shall be at least 18 years of ~~age and~~ age.

(2) Shall be of good moral ~~character; and that the applicant shall~~ character.

(3) Shall be a graduate of ~~an~~ a Landscape Architect's Accreditation Board (LAAB) accredited collegiate curriculum in landscape architecture as approved by the ~~Board and~~ Board.

(4) Shall have at least ~~one year's experience;~~ four years' experience in landscape architecture.

(a1) ~~in lieu of such graduation and experience~~ Notwithstanding the requirements of subdivisions (a)(3) and (4) of this section, any person who has had a minimum of ~~seven~~ 20 years of education and experience in landscape architecture, in any combination deemed suitable by the Board, may make application to the Board for examination.

(b) If ~~said~~ the application is satisfactory to the Board, and is accompanied by the fees required by this Chapter, then the applicant shall be entitled to an examination to determine his or her qualifications. If the result of the examination of any applicant shall be satisfactory to the Board, then the Board shall issue to the applicant a certificate to use the title 'landscape architect' and to practice landscape architecture in North Carolina. Examinations shall be held at least once a year at a time and place to be fixed by the Board which shall determine the subjects and scope

of the examination. The Board may adopt rules for administering the examination in one or more parts at the same time or at different times.

(c) The Board, within its discretion, may issue ~~temporary permits pending examinations, or without examination may grant licenses,~~ licenses without examination and licenses by ~~reciprocity,~~ reciprocity or comity to persons holding a license or certificate in landscape architecture from any legally constituted board of examiners in another state or country whose registration requirements are deemed to be equal or equivalent to those of this State.

~~(d) Provided that his application and application fee be received by the Board prior to the first day of July, 1971, any applicant who presents evidence satisfactory to the Board that he was actively engaged in the practice of landscape architecture as herein defined, on or before July 1, 1968, shall be issued a certificate without the requirement for examination.~~

(e) The Board, within its discretion, may grant an honorific title license to persons who have held for a minimum of 20 years a license or certificate in landscape architecture issued by the Board or a legally constituted board of examiners in another state or country whose registration requirements are equal or equivalent to those of this State. The honorific title license shall allow the person to use the title 'landscape architect emeritus', but the person shall not practice landscape architecture or provide expert testimony as a landscape architect in this State unless the person complies with the provisions of this Chapter. There shall be no fee charged for an honorific title license."

Section 6. G.S. 89A-5 reads as rewritten:

"**§ 89A-5. Annual renewal of certificate.**

Every registrant under this Chapter shall, on or before the first day of July in each year, obtain a renewal of a certificate for the ensuing year, by application, accompanied by the required ~~fee; and upon~~ fee. Upon failure to renew, ~~his~~ the certificate shall be automatically ~~revoked; but such~~ revoked. The certificate may be renewed at any time within one year ~~upon payment of the prescribed renewal fee and penalty for late renewal, as provided by this Chapter, upon evidence satisfactory to the Board~~ after its expiration if the applicant pays the required renewal fee and late renewal penalty, and the Board finds that the applicant has not used his or her certificate or title or engaged in the practice of landscape architecture after notice of revocation and is otherwise eligible for registration under the provisions of this Chapter. When necessary to protect the public health, safety, or welfare, the Board shall require such evidence as it deems necessary to establish the continuing competency of licensees as a condition of license renewal."

Section 7. G.S. 89A-7 reads as rewritten:

"**§ 89A-7. ~~Refusal, revocation or suspension of certificate.~~ Disciplinary actions.**

~~The Board may, in accordance with the provisions of Chapter 150B of the General Statutes: (i) deny permission to take an examination duly applied for; (ii) deny license after examination for any cause other than failure to pass; (iii) withhold renewal of a license for cause; and (iv) suspend or revoke a license. Grounds for such action or actions shall be dishonest practice, unprofessional conduct, incompetence,~~

~~conviction of a felony or addiction to habits of such character as to render him unfit to continue professional practice. The procedure for all such actions shall be in accordance with the provisions of Chapter 150B of the General Statutes.~~

(a) The Board may deny or refuse to renew a certificate of registration, suspend, or revoke a certificate of registration if the registrant or applicant:

(1) Obtains a certificate of registration by fraudulent misrepresentation.

(2) Uses or attempts to use another's certificate of registration to practice landscape architecture.

(3) Uses or attempts to use another's name for purposes of obtaining a certificate of registration or practicing landscape architecture.

(4) Has demonstrated gross malpractice or gross incompetency as determined by the Board.

(5) Has been convicted of or pled guilty or no contest to a crime that indicates that the person is unfit or incompetent to practice landscape architecture or that indicates the person has deceived or defrauded the public.

(6) Has been declared mentally incompetent by a court of competent jurisdiction.

(7) Has willfully violated any of the provisions of this Chapter or the Board's rules.

(b) The Board may require a registrant to take a written or oral examination if the Board finds evidence that the person is not competent to practice landscape architecture as defined in this Chapter.

(c) The Board may take any of the actions authorized in subsection (a) of this section against any firm, partnership, or corporation registered with the Board.

(d) In addition to taking any of the actions authorized in subsection (a) of this section, the Board may assess a civil penalty not in excess of two thousand dollars ($2,000) for the violation of any section of this Chapter or the violation of any rules adopted by the Board. All civil penalties collected by the Board shall be remitted to the school fund of the county in which the violation occurred. Before imposing and assessing a civil penalty and fixing the amount thereof, the Board shall, as a part of its deliberations, take into consideration the following factors:

(1) The nature, gravity, and persistence of the particular violation.

(2) The appropriateness of the imposition of a civil penalty when considered alone or in combination with other punishment.

(3) Whether the violation was willful.

(4) Any other factors that would tend to mitigate or aggravate the violations found to exist."

Section 8. G.S. 89A-8 reads as rewritten:

"**§ 89A-8. Violation a misdemeanor; injunction to prevent violation.**

(a) It shall be a ~~Class 1~~ Class 2 misdemeanor for any person to use, or to hold himself or herself out as entitled to practice ~~under,~~ under the title of landscape

architect or landscape architecture or to practice landscape architecture unless he or she is duly registered under the provisions of this Chapter.

(b) The Board may appear in its own name in the courts of the State and apply for injunctions to prevent violations of this Chapter."

Section 9. Article 1 of Chapter 114 of the General Statutes is amended by adding a new section to read:

"**§ 114-4.2G. Employment of attorney for the North Carolina Board of Landscape Architects.**

The Attorney General shall assign an attorney on the Attorney General's staff to serve as advisor to the North Carolina Board of Landscape Architects. The attorney shall be subject to all provisions of Chapter 126 of the General Statutes relating to the State Personnel System. The attorney shall also perform additional duties that may be assigned by the Attorney General."

Nothing in this Chapter shall be construed as authorizing the use or acceptance of the seal of a landscape architect ~~in lieu~~ instead of or as a substitute for the seal of an architect, ~~engineer~~ engineer, or land surveyor."

Section 3. G.S. 89A-3 reads as rewritten:

"**§ 89A-3. North Carolina Board of Landscape Architects; appointments; powers.**

(a) There is created the North Carolina Board of Landscape Architects, consisting of seven members appointed by the Governor for four-year staggered terms. Five members of the Board shall have been engaged in the practice of landscape architecture in North Carolina at least five years at the time of their respective appointments. Two members of the Board shall not be landscape architects and shall represent the interest of the public at large. Each member shall hold office until the appointment and qualification of his or her successor. Vacancies occurring prior to the expiration of the term shall be filled by appointment for the unexpired term. No member shall serve more than two complete consecutive terms.

~~The Governor shall appoint the two public members not later than July 1, 1979, to serve four-year terms.~~

The Board shall be subject to the provisions of Chapter 93B of the General Statutes.

(b) The Board shall elect annually from its members a ~~chairman~~ chair and a ~~vice-chairman~~ vice-chair and shall hold such meetings during the year as it may determine to be necessary, one of which shall consist of the annual meeting. A quorum of the Board shall consist of not less than three members.

(c) The Board shall have power to compel the attendance of witnesses, to administer oaths, and to take testimony and proofs of all matters within its jurisdiction. The Board shall have the power to make such rules not inconsistent with law as may be necessary in the performance of its duties.

(d) The Board shall elect a secretary, who may or may not be a member of the Board, and who shall hold office at the pleasure of the Board. The members of the

Board shall not be compensated except that the secretary shall receive such salary as is fixed by the Board. The members of the Board shall, however, be entitled to be reimbursed from Board funds for all proper traveling and incidental expenses incurred in carrying out the provisions of this Chapter."

Section 4. G.S. 89A-4 reads as rewritten:

"**§ 89A-4. Application, examination, certificate.**

(a) Any person hereafter desiring to be registered and licensed to use the title 'landscape architect' and to practice landscape architecture in the State, shall make a written application for examination to the Board, on a form prescribed by the Board, together with such evidence of his or her qualifications as may be prescribed by rules ~~and regulations~~ of the Board. Minimum qualifications under such rules shall require that the ~~applicant~~ applicant:

(1) Shall be at least 18 years of ~~age and~~ age.

(2) Shall be of good moral ~~character; and that the applicant shall~~ character.

(3) Shall be a graduate of an accredited collegiate curriculum in landscape architecture as approved by the ~~Board and~~ Board.

(4) Shall have at least ~~one year's experience;~~ three years' experience in landscape architecture.

(a1) ~~in lieu of such graduation and experience~~ Notwithstanding the requirements of subdivisions (a)(3) and (4) of this section, any person who has had a minimum of seven years of education and experience in landscape architecture, in any combination deemed suitable by the Board, may make application to the Board for examination.

(b) If ~~said~~ the application is satisfactory to the Board, and is accompanied by the fees required by this Chapter, then the applicant shall be entitled to an examination to determine his or her qualifications. If the result of the examination of any applicant shall be satisfactory to the Board, then the Board shall issue to the applicant a certificate to use the title 'landscape architect' and to practice landscape architecture in North Carolina. Examinations shall be held at least once a year at a time and place to be fixed by the Board which shall determine the subjects and scope of the examination. The Board may adopt rules for administering the examination in one or more parts at the same time or at different times.

(c) The Board, within its discretion, may issue ~~temporary permits pending examinations, or without examination may grant licenses,~~ licenses without examination and licenses by ~~reciprocity,~~ reciprocity or comity to persons holding a license or certificate in landscape architecture from any legally constituted board of examiners in another state or country whose registration requirements are deemed to be equal or equivalent to those of this State.

~~(d) Provided that his application and application fee be received by the Board prior to the first day of July, 1971, any applicant who presents evidence satisfactory to the Board that he was actively engaged in the practice of landscape architecture as herein defined, on or before July 1, 1968, shall be issued a certificate without the requirement for examination.~~

(e) The Board, within its discretion, may grant a title only license to persons who have held for a minimum of 20 years a license or certificate in landscape architecture issued by the Board or a legally constituted board of examiners in another state or country whose registration requirements are equal or equivalent to those of this State. The title only license shall allow the person to use the title 'landscape architect emeritus', but the person shall not practice landscape architecture in this State unless the person complies with the provisions of this Chapter. There shall be no fee charged for a title only license."

Section 5. G.S. 89A-5 reads as rewritten:

"**§ 89A-5. Annual renewal of certificate.**

Every registrant under this Chapter shall, on or before the first day of July in each year, obtain a renewal of a certificate for the ensuing year, by application, accompanied by the required ~~fee; and upon~~ fee. Upon failure to renew, ~~his~~ the certificate shall be automatically ~~revoked; but such~~ revoked. The certificate may be renewed at any time within one year ~~upon payment of the prescribed renewal fee and penalty for late renewal, as provided by this Chapter, upon evidence satisfactory to the Board~~ after its expiration if the applicant pays the required renewal fee and late renewal penalty, and the Board finds that the applicant has not used his or her certificate or title or engaged in the practice of landscape architecture after notice of revocation and is otherwise eligible for registration under the provisions of this Chapter. When necessary to protect the public health, safety, or welfare, the Board shall require such evidence as it deems necessary to establish the continuing competency of licensees as a condition of license renewal."

Section 6. G.S. 89A-8 reads as rewritten:

"**§ 89A-8. Violation a misdemeanor; injunction to prevent violation.**

(a) It shall be a ~~Class 1~~ Class 2 misdemeanor for any person to use, or to hold himself or herself out as entitled to practice ~~under,~~ under the title of landscape architect or landscape architecture or to practice landscape architecture unless he or she is duly registered under the provisions of this Chapter.

(b) The Board may appear in its own name in the courts of the State and apply for injunctions to prevent violations of this Chapter."

Section 7. This act is effective when it becomes law.

PREFACE

The Legislative Committee on New Licensing Boards is a 9-member joint committee of the House and Senate created and governed by statute (Article 18A of Chapter 120 of the General Statutes). The primary purpose of the Committee is to evaluate the need for a new licensing board or the proposed licensing of previously unregulated practitioners by an existing board. The Committee has been in existence since 1985.

The Committee solicits written and oral testimony on each licensing proposal in carrying out its duty to determine whether the proposal meets the following criteria:

(1) Whether the unregulated practice of the profession can substantially endanger the public health, safety, or welfare, and whether the potential for such harm is recognizable and not remote or dependent upon tenuous argument.

(2) Whether the profession possesses qualities that distinguish it from ordinary labor.

(3) Whether practice of the profession requires specialized skill or training.

(4) Whether a substantial majority of the public has the knowledge or experience to evaluate the practitioner's competence.

(5) Whether the public can effectively be protected by other means.

(6) Whether licensure would have a substantial adverse economic impact upon consumers of the practitioner's good or services.

The Committee issues an assessment report on its findings and recommendations. The recommendation in the report is not binding on other committees considering the proposal.

Landscape Architects

Landscape architects are involved in the planning and design of and supervision of projects involving the arranging of land and the elements used thereon. Since 1969, the State has had a landscape architecture "title" act – i.e., a law reserving to qualified individuals the right to use the title "landscape architect." However, the existing law does not regulate the practice of landscape architecture. A person without any qualifications can currently engage in the practice of landscape architecture as long as he or she does not call himself or herself a landscape architect.

The sponsor notes in its submission that decisions made by and work performed by landscape architecture affect not only the clients for whom the work is done but the public as well. The potential for permanent damage to the land and other natural resources is significant. For example, decisions to remove trees in an area or to excavate in certain areas are often irreversible decisions that can lead to environmental problems and the destruction of natural resources.

Nearly one-half of the states require landscape architects to be licensed. The proposed requirements for licensure under House Bill 1110 would be similar to the certification requirements currently in existence for those who voluntarily become certified under the landscape architecture title act – graduation from a collegiate curriculum in landscape architecture and three years experience (now one year) or a combined seven years of education and experience found acceptable to the Board that regulates the industry. The bill also provides for an

"emeritus" title for long-standing practitioners, but those practitioners must be licensed to actually practice in this State.

There are currently 356 licensed landscape architects who are North Carolina residents and nearly 150 nonresident landscape architects who work in North Carolina.

The Legislative Committee on New Licensing Boards finds that the sponsor has met the six statutory criteria by which the Committee judges licensure proposals, as follows:

(1) The unregulated practice of the profession can substantially harm or endanger the public health, safety, or welfare, and the potential for such harm is recognizable and not remote nor dependent upon tenuous argument.

(2) The practice of the profession possesses qualities that distinguish it from ordinary labor.

(3) The practice of the profession requires specialized skill and training.

(4) A substantial majority of the public does not have the knowledge or experience to evaluate the practitioner's competence.

(5) The public cannot be effectively protected by other means.

(6) Licensure would not have a substantial adverse economic impact upon consumers.

The Legislative Committee on New Licensing Boards recommends the licensing of landscape architects. This assessment report constitutes both the

preliminary and the final assessment report for the licensing of landscape architects. The report is based on the proposed licensing of landscape architects as set out in House Bill 1110, the response to the Committee's questionnaire (attached), and testimony before the Committee on May 19, 1997.

1997 Session: HB 1110 - Landscape Architects

Answers to questions from Committee on New Licensing Boards

(1) In what ways has the marketplace failed to regulate adequately the profession or occupation?

Landscape Architecture has been regulated in North Carolina since 1969 under a Title Act (NCGS 89A). The market place has not been a regulating factor in protecting the public during this time because Landscape Architecture was regulated under a title act and not a practice act. Those who elect not to use the title Landscape architect do not have to meet any minimal competence requirements to practice many aspects of landscape architecture. This legislation is simply to convert from an existing title statute to a title and practice statute to prevent the public from being subjected to incompetent landscape architectural services being offered under other names.

(2) Have there been any complaints about the unregulated profession or occupation? Please give specific examples including (unless confidentiality must be maintained) complainant's names and addresses.

No. All complaints concerning Landscape Architects have been handled in the regulated environment, with the North Carolina Board of Landscape Architects immediately responding to any allegations of dishonest practice, incompetence, or unprofessional conduct. Complaints about incompetence of non Landscape Architect practitioners would not be directed to the Landscape Architect's Board. Evidence of incompetent practice by non licensed individuals does exist in the completed works around us, such as "Sugar Top" in the Appalachian mountains and destroyed wetlands along our coast. This is a striking contrast to the completed works by Landscape Architects, such as the Blue Ridge Parkway and the Biltmore Estate.

(3) In what ways has the public health, safety, or welfare sustained harm or is in imminent danger of harm because of the lack of state regulation? Please give specific examples.

The land and other natural resources of North Carolina must be handled by qualified professionals whose education and experience allow them to apply user needs for these resources in a manner that respects our stewardship of these resources. Errors made by the unqualified would have consequences that may last for generations. The Landscape Architect is uniquely trained and educated to mediate our desired use of the land with the natural systems so vital to our good health. Decisions to remove certain trees, excavate in certain areas, or drain storm water in a specific way are all decisions that cannot be undone or corrected later.

Landscape Architects have done much in the past 28 years to protect North Carolina's resources. Without a mandatory practice act, Landscape Architects cannot prevent much of the abuse of our natural resources that occurs today with poor land planning.

(4) Is there potential for substantial harm or danger by the profession or occupation to the public health, safety, or welfare? How can this potential for substantial harm or danger be recognized?

Yes. The potential for permanent damage to our land and other natural resources by an incompetent or unprofessional individual is great. To see one of North Carolina's majestic mountain tops graded flat, or to see a delicate coastal ecosystem destroyed by crude and insensitive design are examples enough to recognize the harm caused by unqualified land planning and design services.

(5) Has this potential harm or danger to the public been recognized by other states or the federal government through the licensing or certification process? Please list the other states and any applicable federal law (including citations).

Yes. At this time, 45 states have licensure for landscape architects. Of the 45, 25 have practice statutes and 20 have title only statutes. The states which license landscape architects are: Alabama, Arizona, Arkansas, California, Connecticut, Delaware, Florida, Georgia, Hawaii, Idaho, Illinois, Indiana, Iowa, Kansas, Kentucky, Louisiana, Maine, Maryland, Massachusetts, Michigan, Minnesota, Mississippi, Missouri, Montana, Nebraska, Nevada, New Jersey, New Mexico, New York, North Carolina, Ohio, Oklahoma, Oregon, Pennsylvania, Rhode Island, South Carolina, South Dakota, Tennessee, Texas, Utah, Virginia, Washington, West Virginia, Wisconsin, and Wyoming. The Federal government includes landscape architecture in the new North American Industrial Classification System Codes (formally S.I.C.) used for procuring consulting services by the government. In addition, several provinces of Canada now subscribe to the same national Landscape Architect's Registration Exam as is used by North Carolina and the other states with licensure. China and Australia are currently seeking assistance on establishing a landscape architect licensure system in their jurisdictions.

(6) What will be the economic advantage of licensing to the public?

The preservation of limited natural resources has economic benefit to all land owners and the general public. Most often, proper landscape architectural design services save direct costs of construction because of

the manner in which landscape architects design to "fit the land". There are direct economic benefits from any competent advice and good design that leads to increases in the value of your real estate.

(7) What will be the economic disadvantage of licensing to the public?

Highly competent and experienced individuals who have pursued the necessary education and training to become a qualified professional most often increase their market value. Landscape architects are currently valued by the development community at a rate comparable to Architects and Engineers. This cost for quality professional services is passed on to the end user and consumer.

(8) What will be the economic advantages of licensing to the practitioners?

Licensure qualifies the practitioner for state and federal contracts in the design services arena. Without licensure, Federal projects in North Carolina may have to be done by out of state Landscape Architects who have licensure. Those who pursue the education and experience requirements will also see their personal market value increase.

(9) What will be the economic disadvantages of licensing to the practitioners?

The necessary education and subsequent examination costs are direct expenses to any candidate for licensure. Continuing education requirements for continued competence in the profession have direct costs to the practitioner.

(10) Please give other potential benefits to the public of licensing that outweigh the potential harmful effects of licensure such as a decrease in the availability of practitioners and higher cost to the public.

The practice of landscape architecture affects not only the specific client who interacts with the landscape architect but also the public who uses the facility and the environment in and around the facility. Licensure not only protects the client, the end users, and the environment by ensuring the competency of practitioners, but it also creates legal professional liability and responsibility. This liability and responsibility is personal to the professional and cannot be transferred to a corporation or other entity. It also extends beyond contractual responsibilities. This means that a licensed professional must always act in a manner which protects the health and welfare of the public. Such legal professional liability

does not occur outside of licensure.

In addition, in the case of landscape architecture, licensure actually increases the number of professionals available to provide services to the public. Licensed landscape architectural services primarily involve the preparation of documents for the development of land and/or the construction of facilities. Prior to issuing a development or building permit, virtually all jurisdictions require submission of technical documents containing the seal of the responsible licensed professional. Through licensure, landscape architects are able to produce or seal such construction documents which thereby allows the public to employ landscape architects to provide these services. Without licensure, the public would have no choice other than to hire other professionals, such as engineers or architects, who may be less able than landscape architects in site and environmental design and who are often more expensive to employ. Obviously, the more competent registrants available to the public the greater the competition.

(11) Please detail the specific specialized skills or training that distinguish the occupation or profession from ordinary labor.

The licensing process for the profession of landscape architecture relies on three elements: education, examination, and experience.

Education: The applicant must be a graduate of a Landscape Architectural Accreditation Board (LAAB) approved curriculum. LAAB is recognized by the Commission on Recognition of Post secondary Accreditation (COPRA) as the accrediting agency for first-professional baccalaureate and master's degree programs in landscape architecture. LAAB accreditation evaluates each program on the basis of its stated objectives and compliance to mandated minimum standards. The normal baccalaureate degree program lasts between four (4) and five (5) years and includes a rigorous course of study focused around design studios. In design studios, students apply technical knowledge in solving real world problems through the design process. Currently there are 73 LAAB accredited programs in the united states. There are three LAAB accredited programs in North Carolina.

Examination: The second leg of competency assurance is based on the passage of a written exam. For landscape architects this test is the Landscape Architect Registration Examination (LARE). The LARE is developed and administered by the Council of Landscape Architectural Registration Boards (CLARB). CLARB is comprised of the licensing boards from the 45 US States and 2 Canadian Provinces which license landscape architects. The LARE is the most rigorously proven examination used by any of the major design professions. According to an independent audit conducted by the Educational Testing Service, the largest and most respected testing consultant in the world, the LARE

meets or exceeds virtually all nationally recognized testing standards. The content of the LARE is based on the results of a thorough Job/Task Analysis, which determines what tasks landscape architects use as part of their normal practice, and the knowledge, skills and abilities (KSAs) required to accomplish those tasks in a manner that protects public safety. Psychometricians then use a factor analysis to determine the best method for testing the KSAs. In the LARE, performance problems requiring design and technical solutions are included for the candidate to solve, and only two of the six sections of the exam are multiple choice format. The result is an exam which tests those KSAs which have the most impact on public safety, using the most appropriate testing methodologies. In addition to passing the ETS audit and regular reviews, the LARE has been successfully defended against legal challenges. The scientific study (task analysis) of the profession of landscape architecture identified the knowledge, skill and abilities required to provide those landscape architectural services which affect the health, safety and welfare of the public. The complete list of specific skills (KSAs) identified are attached to this response, however they can be summarized as follows: Knowledge of regulations, contracts, construction administration processes, inventory and analysis, construction processes and supporting systems, materials and methods of construction, and construction documents. Ability in the areas of written communication, conceptual design, schematic design, design development, detail design and materials and methods of construction, grading and drainage.

Experience: CLARB statistical studies of the performance of past LARE candidates have shown that a minimum of 3 to 4 years of practical experience after a degree is necessary to master the skills needed to be a landscape architect and pass the exam. This experience must be a progressive series of learning activities under the scrutiny of a seasoned veteran practitioner.

(12) What are other qualities of the profession or occupation that distinguish it from ordinary labor?

Landscape architecture affects large areas of land for generations. The impact of their services extend beyond the individuals with whom the landscape architect establishes a contractual relationship and includes the end users of the facility and the environment. This is a professional responsibility that is different from ordinary labor.

(13) Will licensing requirements cover all practicing members of the occupation or profession? If any practitioners will be exempt, what is the rationale for the exemption?

Licensure will cover all aspects of the profession of landscape architecture and all practitioners. It will not affect other related

professions already being regulated, such as architecture, engineering, and land surveying. Other exclusions in the existing law allow nurserymen and others to continue to do activities that do not affect the health, safety or welfare of the public.

(14) What is the approximate number of persons who be regulated and the number of persons who are likely to utilize the services of the occupation or profession?

There are currently 356 licensed landscape architects who are residents of North Carolina. An additional 147 licensees reside out of state and provide services in North Carolina. Since landscape architects provide design services for schools, parks, subdivisions, recreational facilities, apartment complexes, government planning departments, and commercial centers, there is probably not a single North Carolina citizen who has not used a facility designed by a landscape architect or been affected by decisions made by Landscape Architects.

(15) What kind of knowledge or experience does the public need to evaluate the services offered by the practitioner?

Members of the general public are unable to evaluate the quality of services being provided by the landscape architect. Specialized knowledge of the analysis, design and construction of public and private facilities is required to adequately determine level of services required. Licensure is needed to make sure the public is receiving the services they need to solve their land use problems in today's complex regulatory systems.

(16) Does the occupational group have an established code of ethics, a voluntary certification program, or other measures to ensure a minimum quality of service?

No. The American Society of Landscape Architects (ASLA) has a code of professional ethics for its members, but membership in the society does not regulate the offering of landscape architectural services or the use of the title "Landscape Architect". The existing North Carolina Board of Landscape Architects does have a code of professional conduct within its rules, along with definitions of dishonest practice, unprofessional conduct, and incompetence. This existing Board has taken disciplinary action in the past against licensees guilty of infractions, but it is very limited in its punitive powers under the current statute.

Knowledge, Skills and Abilities Required of Landscape Architects

Section 1.1 — Regulations

- Knowledge of development restrictions and their sources, such as zoning, codes, etc.
  - Documents that restrict various aspects of a development and its uses
- Knowledge of government policies that affect the use and/or development of land
  - Environmental regulations that affect land use development
- Knowledge of basic construction law
  - Different types of liens and their purposes
  - Owner and landscape architect liabilities
  - Various bond types posted prior to construction of a project
- Knowledge of planning and land use law
  - Laws and government agencies that establish planning policies for a community

Section 1.2 — Contracts (22%)

- Knowledge of professional service and construction contracts; their organization and the responsibilities of the various parties under the construction contract
  - Responsibilities of the landscape architect, the owner and the contractor
  - The proper role of the parties involved in a construction contract when a conflict arises
- Knowledge of insurance and bonding principles related to professional services and construction
  - Professional liability insurance
  - Worker's compensation insurance
- Ability to interpret contract documents and evaluate construction for conformance
- Knowledge of appropriate level of information to provide a consultant team, including management and administration of the design team
  - The responsibilities of each member of a design team
  - Information that should be included in a contract when entering into a joint venture on a project

Section 1.3 — Construction Administration Processes (48%)

- Knowledge of legal procedures for change orders
  - The purpose of a change order and the proper legal steps to submit a change order
- Knowledge of sequencing of design, approval, permitting and construction activities
  - The construction process and the responsibility of different parties for obtaining necessary permits for a project
- Knowledge of legal aspects of the bidding and bid evaluation process, including alternates,

unit prices, bidder qualifications, bonds, etc.

- Knowledge of specification types, such as material, workmanship, performance
  - The general specification sections and what type of information would be located in each section

- Ability to evaluate construction progress for payment requests
  - Assessing the condition of a project and recommending payment be made to the contractor
  - The procedures to authorize payment at any point in a project's completion

Section 2.1 — Inventory (19%)

- Knowledge of base mapping information and its sources, such as existing documentation, land surveys, land use plans, aerial surveys, zoning
  - Locating information on various resources such as maps, surveys and photographs, and understanding their respective symbols
  - Obtaining information relative to land-use and planning

- Knowledge of sources of information on specific site uses, such as sports fields, amphitheater seating, picnic areas, loading docks, etc.
  - Resources for obtaining information on site specific uses, such as government agencies, associations and graphic standards

- Knowledge of hydrology
  - Watershed areas and computing water discharge for a given area
  - Stream characteristics relating to water flow

- Knowledge of geology
  - The determinants for soil genesis

- Knowledge of wildlife habitats and plant associations

- Knowledge of water management
  - Characteristics of storm water runoff and practices used to control or eliminate storm water discharge from a development site
  - Existing watershed systems and how to protect them

- Knowledge of micro and macro climatic conditions and systems (wind, rain, sun orientation)
  - Identifying micro and macro climatic conditions that affect human comfort and location of elements on a site

- Knowledge of soil
  - The makeup and properties of various soil types
  - Soil structure and most desirable types for construction

- Knowledge of surveying practices
  - Appropriate survey practices and terms including bench mark, point of beginning, bearing, baseline, traverse point, etc.

Section 2.2 — Analysis (20%)

- Knowledge of sociological influence on design
- Knowledge of behavioral factors relating to site design including program needs and evaluation
  - Identifying human behavioral factors that affect site design
  - Design elements and theory that serve to direct human behavior
- Knowledge of mathematics (statistics, reading charts, demographic data, F.A.R., % lot coverage)
- Knowledge of how previous, existing or potential uses surrounding a site affect land use and development
  - How environmental factors, views, noise, zoning, access, etc., surrounding a site affect potential land use and development
- Knowledge of visual analysis methods and techniques
- Knowledge of hydraulics, irrigation types and systems, and their design requirements
  - Basic principles of irrigation design
- Knowledge of elements of circulation systems (such as turning radius, walk widths, clearances, slopes, etc.) and their design requirements
  - Correct standards for size, layout, intersection distance, setbacks, etc.
  - Purpose for establishing minimum standards for circulation systems
  - The influence of transportation systems on land use and development
- Ability to read and interpret drawings, maps, aerial photos and related symbols
  - Standard symbols used on drawings, maps, aerial photos, etc.
  - Features distinguished on a particular resource and why one resource would be superior to another for obtaining information
- Ability to assess condition of built elements such as buildings, roads, walks, etc.
  - Recognizing and understanding the cause of existing problems associated with construction

Section 2.3 — Construction Processes and Supporting Systems (34%)

- Knowledge of mitigating techniques in engineering such as noise, wetlands and impacts on natural environments
  - Methods to mitigate effects of the construction process
- Knowledge of littoral effects on design and construction
  - Effects of the seashore and surrounding region on design and construction
- Knowledge of utility systems and their design requirements (closed drainage systems)
  - Calculating storm water run-off volumes given certain site conditions
  - Utility systems and their installations

- Knowledge of code requirements and design principles for universal accessibility
  - Accepted standards for slopes, dimensions, etc. for universal accessibility
- Knowledge of materials and techniques to stabilize soils and control sedimentation
- Knowledge of structural considerations below grade, such as soil bearing, footing foundation systems, etc.
- Knowledge of structural considerations above grade, such as reinforcing, hand rails, spans, decking, slabs on grade, retaining walls, etc.
- Knowledge of construction equipment
- Knowledge of quality control procedures for construction, such as delivery, storage, testing, etc.
- Knowledge of land and water reclamation procedures, such as wetland creation, quarry, mines and landfill reclamation, etc.
- Knowledge of landscape maintenance techniques, materials, equipment and practices
- Ability to estimate costs and quantities
  - Determining the cost of materials and construction methods
  - Estimating quantities of materials for a construction project
- Ability to estimate the development time frame, including the design, approval and construction periods
- Ability to coordinate specifications and consultant's drawings with each other and with contract documents
- Ability to evaluate the quality of plant materials

Section 2.4 — Materials and Methods of Construction (18%)

- Knowledge of plant types and applications
  - Plant materials with desirable aesthetic characteristics
- Knowledge of plant materials to include hardiness, moisture requirements, soil requirements, etc.
  - Plant materials which fulfill hardiness requirements for a particular climate
- Knowledge of factors influencing selection of plant materials, such as availability, cost, maintenance, location, survivability, dependability, etc.
- Knowledge of elements of lighting systems, including light sources and their design properties
  - Recommended light types and intensity for particular situations

- Knowledge of elements of miscellaneous site improvements (pools, fountains, walls, site furniture, play equipment, signs, etc.) and their design implications
- Knowledge of installation techniques of construction materials
- Knowledge of typical construction details and material assemblies, including fasteners, finishes, etc.
- Knowledge of site construction materials, including availability, costs, basic characteristics and applications

Section 2.5 – Construction Documents (9%)

- Knowledge of coordinate systems and layout techniques and conventions
- Knowledge of common graphic symbols
  - Standard graphic symbols used in the construction document package
- Knowledge of components of specifications for a project including preparation
- Ability to determine appropriate scale, level of detail and organization of information for contract drawings

Section 3.1 — Written Communication (21%)

- Ability to communicate in written form
  - Conveying information and/or expressing ideas in a written format using proper organization and grammar
- Ability to prepare and communicate information in a manner understandable to the recipient(s)
  - Conveying design ideas in written form clearly and effectively

Section 3.2 – Conceptual Design (79%)

- Knowledge of topography
  - Organizing elements to fit the topographic characteristics of a site
- Knowledge of the influence of internal and external views on land use/development
  - Relationships of design elements based on internal and external views from a site
  - Organizing elements to enhance or filter internal and external views
- Knowledge of functions of program elements and desired relationships among elements
  - Organizing program elements into an appropriate concept given design guidelines
  - Design relationships given certain uses and contextual information
- Ability to organize and synthesize data
  - Developing concepts and organizational structures from a given program
  - Interpreting site analysis data and making proper decisions based on this information
- Ability to translate a program into a relationship diagram

- Ability to evaluate the capability of a site to support program requirements
- Ability to distinguish the primary components that comprise the design concepts
  - Evaluating a design and recognizing the relationships that exist between the elements
- Ability to create alternate solutions to a problem
- Ability to communicate graphically
- Ability to identify and select best alternatives from multiple solutions

Section 4.1 — Schematic Design (57%)

- Knowledge and ability to implement basic design principles
  - Application of the organizing concepts and methods of design elements
- Knowledge of roadway alignment design principles
  - Road layout concepts and principles
  - Properly fitting roads into existing site conditions such as topography, vegetation, soils, etc.
- Knowledge of design requirements of elements of plant types
  - Using plant materials to fulfill fundamental functional uses (define space, affect microclimate, engineering uses, and aesthetic uses) for major plant types such as trees, shrubs and ground covers
- Ability to organize and synthesize data
  - Collecting all information together in a logical organization
  - Developing concepts and organizational structures from a given program
  - Interpretation of site analysis data as a basis for decision-making
- Ability to organize elements to scale on the site
  - Organizing (not drawing) elements to scale on a site
  - Developing correct proportional scale relationships appropriate to the concept and use of a design
- Ability to organize elements with the consideration of 3-dimensional spatial relationships
  - Developing spatial compositions based on the knowledge of scale, proportion, enclosure, etc.
  - Formulating single spaces and sequence of spaces
  - Relationship between hard and soft elements
- Ability to translate design concepts into physical form
  - Developing a 3-dimensional design form from a given written or graphic concept
  - Developing a physical design form from given design guidelines

- Ability to design and implement circulation systems to meet requirements
  - Designing vehicular systems (roads and parking) including access and service requirements
  - Designing pedestrian systems
  - Designing combination systems
  - Correct standards for size, layout, intersection distances, setbacks, etc.

- Ability to interpret, visualize and manipulate landforms through contours and spot elevations
  - Using landform as a design element (as opposed to a technical element)
  - Fitting program elements into existing site topography
  - Moving or regrading landform on a site to meet program requirements

- Ability to communicate graphically
  - Communicating in all potential graphic views including plan, section and elevation

Section 4.2 — Design Development (43%)

- Knowledge of design requirements of elements of plant types
  - Using and identifying plant materials according to their characteristics of size, form, color and texture at the scale of design development (does **NOT** include identifying plant species)

- Knowledge of characteristics (such as size, shape, texture, color, etc.) of classes of site elements
  - Selecting and composing materials appropriate to the program requirements, design theme, site characteristics, etc.
  - Proper interconnections among different elements and materials

- Knowledge of code requirements and design principles for universal accessibility
  - Designing for proper accessibility in terms of handicap, fire, safety, etc.
  - Designing access elements that are properly integrated into design (not "add-ons")
  - Selecting materials (hard and soft) for proper durability and safety

- Knowledge of landscape maintenance techniques, materials, equipment and practices
  - Designing elements with regard to maintenance techniques
  - Landscape maintenance materials and equipment that could affect potential design forms and elements

- Ability to design and implement plantings to meet requirements
  - Proper use of plant materials based on fundamental functional uses (define space, affect microclimate, engineering uses, and aesthetic uses)

- Ability to design and implement site lighting systems to meet requirements
  - Selecting and locating generic lighting types for public safety and welfare

- Ability to design and implement miscellaneous site improvements (pools, fountains, walls, site furniture, play equipment, signs) to meet requirements
  - Selecting and locating miscellaneous site improvements for public safety and welfare

Section 5.1 — Detail Design and Materials and Methods of Construction (100%)

- Ability to design and implement miscellaneous site improvements (pools, fountains, walls, site furniture, play equipment, signs, etc.) to meet requirements
  - Detail (in a design development manner) of site improvements relating to physiological and aesthetic stimuli
  - Implementation of design intent through design development details

- Knowledge of methods of installation of construction materials
  - Construction sequencing
  - Construction material installation techniques

- Knowledge of typical construction details and material assemblies, including fasteners, finishes, etc.
  - Connecting materials using standard construction practices in an economical and safe manner
  - Developing a design development detail using specified materials and finishes

- Knowledge of site construction materials, including availability, costs, basis characteristics and applications
  - Designing with cost effective materials
  - Material characteristics and applications to protect public safety and welfare
  - Material characteristics and applications to meet existing site and physiological factors

Section 6.1 — Grading (63%)

- Knowledge of mathematics
  - Calculating slopes, grades and volumes of material

- Knowledge of elements of grading and drainage and their design requirements
  - Grading principles and techniques to accommodate design improvements and facilitate the removal of storm water

- Knowledge of code requirements and design principles for universal accessibility
  - Grading circulation systems for proper accessibility in terms of handicap, fire, safety, etc.
  - Codes that establish maximum slopes for universal accessibility

- Ability to translate design concepts into physical form
  - Manipulating contours to achieve design intent in a 3-dimensional aspect
  - Manipulating landforms for use as a design element

- Ability to design and implement grading and drainage to meet requirements
  - Changing the elevations of the existing landscape to accommodate structures, parking and circulation, and to facilitate the removal of storm water

- Ability to interpret. visualize and manipulate landforms through contours and spot elevations
  - Moving or regrading landform on a site to meet program requirements

Section 6.2 — Drainage (37%)

- Ability to design surface and subsurface storm drainage systems
  - Hydraulic characteristics of storm drainage systems
  - Storm drain connections and requirements
  - Design of storm drainage systems to effectively and safely remove storm water from a site

A BILL TO BE ENTITLED

AN ACT TO MAKE SUBSTANTIVE CHANGES TO THE NORTH CAROLINA ENGINEERING AND LAND SURVEYING ACT.

The General Assembly of North Carolina enacts:

Section 1. G.S. 89C-2 reads as rewritten:

"**§ 89C-2. Declarations; prohibitions.**

In order to safeguard life, health, and property, and to promote the public welfare, the practice of engineering and the practice of land surveying in this State are hereby declared to be subject to regulation in the public interest. It shall be unlawful for any person to practice or to offer to practice engineering or land surveying in this State, as defined in the provisions of this Chapter, or to use in connection with ~~his~~ the person's name or otherwise assume or advertise any title or description tending to convey the impression that ~~he~~ the person is either a professional engineer or a ~~registered~~ professional land surveyor, unless ~~such~~ the person has been duly ~~registered as such.~~ licensed. The right to engage in the practice of engineering or land surveying ~~shall be deemed~~ is a personal right, based on the qualifications of the ~~individual~~ person as evidenced by ~~his~~ the person's certificate of ~~registration,~~ licensure, which shall not be transferable."

Section 2. G.S. 89C-3 reads as rewritten:

"**§ 89C-3. Definitions.**

The following definitions apply in this Chapter:

(1) Board. -- The North Carolina State Board of ~~Registration~~ Examiners for ~~Professional~~ Engineers and ~~Land~~ Surveyors provided for by this Chapter.

(1a) Business firm. -- A partnership, firm, association, or another organization or group that is not a corporation and is acting as a unit.

(2) Engineer. -- A person who, by reason of ~~his~~ special knowledge and use of the mathematical, physical and engineering sciences and the principles and methods of engineering analysis and design, acquired by engineering education and engineering experience, is qualified to practice engineering.

(3) ~~Engineer-in-training.~~ Engineering intern. -- A person who complies with the requirements for education, experience and character, and has passed an examination in the fundamental engineering subjects, as provided in this Chapter.

(3.1) Inactive licensee. -- Licensees who are not engaged in the practice of engineering or land surveying in this State.

(4) ~~Land surveyor-in-training.~~ Land surveyor intern. -- A person who has qualified for, taken, and passed an examination on the basic disciplines of land surveying as provided in this Chapter.

(5) Person. -- Any natural person, firm, partnership, corporation or other legal entity.

(6) Practice of engineering. --

a. Any service or creative work, the adequate performance of which requires engineering education, training, and experience, in the application of special knowledge of the mathematical, physical, and engineering sciences to such services or creative work as consultation, investigation, evaluation, planning, and design of engineering works and systems, planning the use of land and water, engineering surveys, and the observation of construction for the purposes of assuring compliance with drawings and specifications, including the consultation, investigation, evaluation, planning, and design for either private or public use, in connection with any utilities, structures, buildings, machines, equipment, processes, work systems, projects, and industrial or consumer products or equipment of a mechanical, electrical, hydraulic, pneumatic or thermal nature, insofar as they involve safeguarding life, health or property, and including such other professional services as may be necessary to the planning, progress and completion of any engineering services.

A person shall be construed to practice or offer to practice engineering, within the meaning and intent of this

Chapter, who practices any branch of the profession of engineering; or who, by verbal claim, sign, advertisement, letterhead, card, or in any other way represents ~~himself~~ the person to be a professional engineer, or through the use of some other title implies that ~~he~~ the person is a professional engineer or that ~~he~~ the person is ~~registered~~ licensed under this Chapter; or who holds ~~himself~~ the person out as able to perform, or who does perform any engineering service or work not exempted by this Chapter, or any other service designated by the practitioner which is recognized as engineering.

b. The term 'practice of engineering' shall not be construed to permit the location, description, establishment or reestablishment of property lines or descriptions of land boundaries for conveyance. The term does not include the assessment of an underground storage tank required by applicable rules at closure or change in service unless there has been a discharge or release of the product from the tank.

(7) Practice of land ~~surveying by registered land surveyors.~~ surveying. --

a. ~~Any service or work, the adequate performance of which involves the application of special knowledge of the principles of mathematics, the related physical and applied sciences, and the relevant requirements of law for adequate evidence to the act of measuring and locating lines, angles, elevations, natural and man-made features in the air, on the surface of the earth, within underground workings, and on the beds of bodies of water for the purpose of determining areas and volumes, for the monumenting of property boundaries, and for the platting and layout of lands and subdivisions thereof, including the topography, alignment and grades of street and incidental drainage within the subdivision, and for the preparation and perpetuation of maps, record plats, field note records, and property descriptions that represent these surveys.~~ Providing professional services such as consultation, investigation, testimony, evaluation, planning, mapping, assembling, and interpreting reliable scientific measurements and information relative to the location, size, shape, or physical features of the earth, improvements on the earth, the space above the earth, or any part of the earth, whether the gathering of information for the providing of these services is accomplished by conventional ground measurements, by

aerial photography, by global positioning via satellites, or by a combination of any of these methods, and the utilization and development of these facts and interpretations into an orderly survey map, plan, report, description, or project. The practice of land surveying includes the following:

1. Locating, relocating, establishing, laying out, or retracing any property line, easement, or boundary of any tract of land;
2. Locating, relocating, establishing, or laying out the alignment or elevation of any of the fixed works embraced within the practice of professional engineering;
3. Making any survey for the subdivision of any tract of land, including the topography, alignment and grades of streets and incidental drainage within the subdivision, and the preparation and perpetuation of maps, record plats, field note records, and property descriptions that represent these surveys;
4. Determining, by the use of the principles of land surveying, the position for any survey monument or reference point, or setting, resetting, or replacing any survey monument or reference point;
5. Determining the configuration or contour of the earth's surface or the position of fixed objects on the earth's surface by measuring lines and angles and applying the principles of mathematics or photogrammetry;
6. Providing geodetic surveying which includes surveying for determination of the size and shape of the earth both horizontally and vertically and the precise positioning of points on the earth utilizing angular and linear measurements through spatially oriented spherical geometry; and
7. Creating, preparing, or modifying electronic or computerized data, including land information systems and geographic information systems relative to the performance of the practice of land surveying.

b. The term 'practice of land surveying' shall not be construed to permit the design or preparation of specifications for (i) major highways; (ii) wastewater systems; (iii) wastewater or industrial waste treatment works; (iv) pumping or lift stations; (v) water supply, treatment, or distribution systems; (vi) streets or storm sewer systems except as incidental to a subdivision.

(8) Professional engineer. -- A person who has been duly ~~registered and~~ licensed as a professional engineer by the Board established by this Chapter.

(8.1) Professional engineer, retired. -- A person who has been duly licensed as a professional engineer by the Board and who chooses to relinquish or not to renew a license and who applies to and is approved by the Board to be granted the use of the honorific title 'Professional Engineer, Retired'.

(9) ~~Registered~~ Professional land surveyor. -- A person who, by reason of ~~his~~ special knowledge of mathematics, surveying principles and methods, and legal requirements which are acquired by education and/or practical experience, is qualified to engage in the practice of land surveying, ~~as herein defined,~~ as attested by ~~his registration~~ the person's licensure as a ~~registered~~ professional land surveyor by the Board.

(9.1) Professional land surveyor, retired. -- A person who has been duly licensed as a professional land surveyor by the Board and who chooses to relinquish or not to renew a license and who applies to and is approved by the Board to be granted the use of the honorific title 'Professional Land Surveyor, Retired'.

(10) Responsible charge. -- Direct control and personal supervision, either of engineering work or of land surveying, as the case may be."

Section 3. G.S. 89C-4 reads as rewritten:

"§ 89C-4. State Board of ~~Registration;~~ Examiners for Engineers and Surveyors; appointment; terms.

A State Board of ~~Registration~~ Examiners for ~~Professional~~ Engineers and ~~Land~~ Surveyors, whose duty it is to administer the provisions of this Chapter, is created. The Board shall consist of four ~~registered~~ licensed professional engineers, three ~~registered~~ licensed professional land surveyors and two public members, who are neither professional engineers nor professional land surveyors. Of the land surveyor members, one and only one may hold dual ~~registration~~ licenses as a professional land surveyor and professional engineer. All of the members shall be appointed by the Governor. Appointments of the engineer and land surveyor members shall preferably, but not necessarily, be made from a list of nominees submitted by the professional societies for engineers and land surveyors in this State. Each member of the Board shall receive a certificate of appointment from the Governor and shall file with the Secretary of State ~~his~~ a written oath or affirmation for the faithful discharge of ~~his~~ the duties.

Members of the Board serve for staggered five-year terms, and no member may be appointed for more than two full terms. Members serve until the expiration of their respective terms and until their respective successors are appointed. If a vacancy occurs during a term, the Governor shall appoint a successor from the same classification as the person causing the vacancy to serve for the remainder of the

unexpired term. If the vacancy is not filled within 90 days after it occurs, the Board may appoint a provisional member to serve until the appointment by the Governor becomes effective. The provisional member during his tenure has all the powers and duties of a regular member."

Section 4. G.S. 89C-5 reads as rewritten:

"§ 89C-5. Board members; qualifications.

Each engineer member of the Board shall be a resident of North Carolina and shall be a ~~registered~~ licensed professional engineer engaged in the lawful practice of engineering in North Carolina for at least six years.

Each land surveyor member of the Board shall be a resident of North Carolina and shall be a ~~registered~~ licensed professional land surveyor engaged in the lawful practice of land surveying in North Carolina for at least six years.

Each public member of the Board shall be a resident of North Carolina."

Section 5. G.S. 89C-6 reads as rewritten:

"§ 89C-6. Compensation and expenses of Board members.

Each member of the Board, when attending to the work of the Board or any of its committees, shall receive as compensation for ~~his service~~ services the per diem and, in ~~addition thereto,~~ addition, shall be reimbursed for travel expenses and incidentals not exceeding the maximum set forth by law. In addition to per diem allowances, travel and incidentals, the secretary of the Board may, with the approval of the Board, receive such reasonable additional compensation as is compatible with the actual hours of work required by the duties of ~~his~~ the office."

Section 6. G.S. 89C-8 reads as rewritten:

"§ 89C-8. Organization of the Board; meetings; election of officers.

The Board shall hold at least two regular meetings each year. Special meetings may be held at such times and upon such notice as the rules and regulations of the Board may provide. The Board shall elect annually from its members a ~~chairman,~~ chair, a ~~vice-chairman,~~ vice-chair, and a secretary. A quorum of the Board shall consist of not less than five members. The Board shall operate under its rules and regulations supplemented by Robert's Rules of Order."

Section 7. G.S. 89C-9 reads as rewritten:

"§ 89C-9. Executive ~~secretary;~~ director; duties and liabilities.

The Board shall employ an executive ~~secretary~~ director who is not a member of the Board. The executive ~~secretary~~ director shall be a full-time employee of the Board and perform ~~such~~ the duties assigned to ~~him~~ the director by the secretary subject to the approval of the Board. The executive ~~secretary~~ director shall receive a salary and compensation fixed by the Board. The executive ~~secretary~~ director shall give a surety bond satisfactory to the Board conditioned upon the faithful performance of ~~his~~ the director's ~~duties.~~ duties assigned. The premium on ~~said~~ the bond shall be a necessary and proper expense of the Board."

Section 8. G.S. 89C-10 reads as rewritten:

"§ 89C-10. Board powers.

(a) The Board ~~shall have the power to~~ may adopt and amend all ~~rules and regulations. Additionally, the Board shall have the power to adopt such rules,~~ rules

and rules of ~~procedure, and regulations,~~ procedure as may be reasonably necessary for the proper performance of its duties, the regulation of its procedures, meetings, records, the ~~giving of~~ administration of ~~examinations and the conduct thereof,~~ examinations, and the ~~power~~ authority to enforce ~~such~~ the rules of professional conduct as ~~may, from time to time,~~ may be adopted by the Board pursuant to G.S. 89C-20.

The action by the Board in carrying out any of the powers specified ~~above~~ in this section shall be binding upon all persons ~~registered~~ licensed under this Chapter, including corporations and business firms holding certificates of authorization.

(b) The Board shall adopt and have an official seal, which shall be affixed to each certificate issued.

(c) The Board ~~is hereby authorized~~ may in the name of the State ~~to~~ apply for relief, by injunction, in the established manner provided in cases of civil procedure, without bond, to enforce the provisions of this Chapter, or to restrain any violation ~~thereof.~~ of the provisions of this Chapter. In ~~such proceedings,~~ proceedings for injunctive relief, it shall not be necessary to allege or prove either that an adequate remedy at law does not exist, or that substantial or irreparable damage would result from the continued violation ~~thereof.~~ of the provisions of this Chapter. The members of the Board shall not be personally liable under this proceeding.

(d) The Board may subject an applicant for ~~registration~~ licensure to ~~such~~ any examination ~~as it deems~~ necessary to determine ~~his~~ the applicant's qualifications.

(e) The Board ~~shall have the power to~~ may issue an appropriate certificate of ~~registration~~ licensure to any applicant who, in the opinion of the Board, has met the requirements of this Chapter.

(f) It shall be the responsibility and duty of the Board to conduct a regular program of investigation concerning all matters within its jurisdiction under the provisions of this Chapter. The investigation of a ~~registrant~~ licensee is confidential until the Board issues a citation to the ~~registrant.~~ licensee. The Board may expend its funds for salaries, fees, and per diem expenses, in connection with its investigations, provided that no ~~such~~ funds other than per diem expenses shall be paid to any member of the Board in connection with its investigations, nor may any member of the Board give testimony and ~~thereafter~~ later sit in deciding on any matter which may directly involve punitive action ~~under such~~ for the testimony.

(g) The Board ~~is authorized and empowered to~~ may use its funds to establish and conduct instructional programs for persons who are currently ~~registered~~ licensed to practice engineering or land surveying, as well as refresher courses for persons interested in obtaining adequate instruction or programs of study to qualify them for ~~registration~~ licensure to practice engineering or land surveying. The Board may expend its funds for these purposes and ~~is authorized and empowered~~ may not only ~~to~~ conduct, sponsor, and arrange for instructional programs, but also ~~to~~ may carry out ~~such~~ instructional programs through extension courses or other ~~media, and the~~ media. The Board may enter into plans or agreements with community colleges, public or private institutions of higher learning, ~~both public and private,~~ State and county boards of education, or with the governing authority of any industrial education

center for the purpose of planning, scheduling or arranging ~~such~~ courses, instruction, extension courses, or in assisting in obtaining courses of study or programs in the field of engineering and land surveying. The Board shall ~~make every effort practical to~~ encourage the educational institutions in this State to offer courses necessary to complete the educational requirements of this Chapter. For the purpose of carrying out these objectives, the Board ~~is authorized to make and promulgate such~~ may adopt rules ~~and regulations~~ as may be necessary for ~~such~~ the educational programs, instruction, extension services, or for entering into plans or contracts with persons or educational and industrial institutions.

(h) The Board may license sponsors of continuing professional competency activities who agree to conduct programs in accordance with standards adopted by the Board. Sponsors shall pay a license fee established by the Board, not to exceed two hundred fifty dollars ($250.00) for licensure under this subsection. The license fee shall accompany the application. Sponsors shall renew their licenses annually on a form provided by the Board."

Section 9. G.S. 89C-11 reads as rewritten:

"**§ 89C-11. Secretary; duties and liabilities; expenditures.**

The secretary of the Board shall receive and account for all moneys derived from the operation of the Board as provided in this Chapter, and shall deposit them in one or more special funds in banks or other financial institutions carrying deposit insurance and authorized to do business in North Carolina. The fund or funds shall be designated as 'Fund of the Board of ~~Registration~~ Examiners for ~~Professional~~ Engineers and ~~Land~~ Surveyors' and shall be drawn against only for the purpose of implementing provisions of this Chapter as herein provided. All expenses certified by the Board as properly and necessarily incurred in the discharge of its duties, including authorized compensation, shall be paid out of ~~said~~ this fund on the warrant signed by the secretary of the ~~Board; provided, however, that at~~ Board. At no time shall the total of warrants issued exceed the total amount of funds accumulated under this Chapter. The secretary of the Board shall give a surety bond satisfactory to the State Board of ~~Registration~~ Examiners for ~~Professional~~ Engineers and ~~Land~~ Surveyors, conditioned upon the faithful performance of ~~his duties.~~ the duties assigned. The premium on ~~said~~ the bond ~~shall be regarded as~~ is a proper and necessary expense of the Board. The secretary of the Board may delegate to the executive ~~secretary~~ director certain routine duties, such as receipt and disbursement of funds in stated amounts by a written authorization, which has the unanimous approval of the Board."

Section 10. G.S. 89C-12 reads as rewritten:

"**§ 89C-12. Records and reports of Board; evidence.**

The Board shall keep a record of its proceedings and a register of all applicants for ~~registration,~~ licensure, showing for each the date of application, name, age, education, and other qualifications, place of business and place of residence, whether the applicant was rejected or a certificate of ~~registration~~ licensure granted, and the date ~~of such action.~~ licensure was rejected or granted. The books and register of the Board shall be prima facie evidence of all matters recorded ~~therein,~~ by the Board,

and a copy duly certified by the secretary of the Board under seal shall be admissible in evidence as if the original were produced. A roster showing the names and places of business and of residence of all ~~registered~~ licensed professional engineers and all ~~registered~~ licensed professional land surveyors shall be prepared by the secretary of the Board current to the month of January of each ~~year; such~~ year. The roster shall be printed by the Board out of the Board's fund ~~of said Board~~ and distributed as ~~set forth~~ described in the Board's ~~rules and regulations.~~ rules. On or before the first day of May of each year, the Board shall submit to the Governor a report on its transactions for the preceding year, and shall file with the Secretary of State a copy of ~~such~~ the report, together with a complete statement of the receipts and expenditures of the ~~Board,~~ Board attested by the ~~affidavits of the chairman~~ chair and the ~~secretary,~~ secretary and a copy of the ~~said~~ the roster of ~~registered~~ licensed professional engineers and ~~registered~~ professional land surveyors."

Section 11. G.S. 89C-13 reads as rewritten:

"**§ 89C-13. General requirements for ~~registration.~~ licensure.**

(a) Engineer Applicant. -- To be eligible for ~~admission to examination for~~ licensure as a professional ~~engineer~~ engineer, an applicant must be of good character and reputation. An applicant desiring to take the examination in the fundamentals of engineering ~~only~~ must submit three character ~~references.~~ references, one of whom shall be a professional engineer. An applicant desiring to take the examination in the principles and practice of engineering must submit five references, two of whom shall be professional engineers having personal knowledge of ~~his~~ the applicant's engineering experiences.

The following shall be considered as minimum evidence satisfactory to the Board that the applicant is qualified for ~~registration:~~ licensure:

(1) As a professional engineer (shall meet one):

a. ~~Registration~~ Licensure by Comity or Endorsement. -- A person holding a certificate of ~~registration~~ licensure to engage in the practice of engineering, on the basis of comparable qualifications, issued to ~~him~~ the person by a proper authority of a state, territory, or possession of the United States, the District of Columbia, or of Canada, who completes an application for licensure and submits five references, two of which shall be from professional engineers having personal knowledge of the applicant's engineering experience, and ~~who~~ who, in the opinion of the Board, meets the requirements of this Chapter, based on verified evidence may, upon application, be ~~registered~~ licensed without further examination.

A person holding a certificate of qualification issued by the Committee on National Engineering Certification of the National Council of ~~Engineering Examiners,~~ Examiners for Engineering and Surveying whose qualifications meet the

requirements of this Chapter, may upon application, be ~~registered~~ licensed without further examination.

b. ~~E.I.T.~~ E.I. Certificate, Experience, and Examination. -- A holder of a certificate of ~~engineer-in-training~~ engineering intern issued by the Board, and with a specific record of an additional four years or more of progressive experience on engineering projects of a grade and character which indicates to the Board that the applicant may be competent to practice engineering, shall be admitted to ~~an eight-hour examination in~~ the principles and practice of ~~engineering.~~ engineering examination. Upon passing ~~such~~ the examination, the applicant shall be granted a certificate of ~~registration~~ licensure to practice professional engineering in this State, provided ~~he~~ the applicant is otherwise qualified.

c. Graduation, Experience, and Examination. -- A graduate of an engineering curriculum of four years or more approved by the Board as being of satisfactory standing, and with a specific record of an additional four years or more of progressive experience on engineering projects of a grade and character which indicates to the Board that the applicant may be competent to practice engineering, shall be admitted to ~~an eight-hour written examination in~~ the fundamentals of ~~engineering;~~ engineering examination, and ~~an eight-hour written examination in~~ the principles and practice of ~~engineering.~~ engineering examination. Upon passing ~~such~~ the examinations, the applicant shall be granted a certificate of ~~registration~~ licensure to practice professional engineering in this State, provided ~~he~~ the applicant is otherwise qualified.

d. Graduation, Experience, and Examination. -- A graduate of an engineering or related science curriculum of four years or more, other than the ones approved by the Board as being of satisfactory standing or with an equivalent education and engineering experience satisfactory to the Board and with a specific record of eight years or more of progressive experience on engineering projects of a grade and character which indicates to the Board that the applicant may be competent in the fundamentals of engineering, shall be admitted to ~~an eight-hour written examination in~~ the fundamentals of ~~engineering;~~ engineering examination and ~~an eight-hour written examination in~~ the principles and practice of ~~engineering.~~ engineering examination. Upon passing ~~such~~ the examinations, the applicant shall be granted a certificate of ~~registration~~ licensure to practice professional

engineering in this State, provided ~~he~~ the applicant is otherwise qualified.

e. Long-Established Practice. -- ~~An individual~~ A person with a specific record of 20 years or more of progressive experience on engineering projects of a grade and character which indicates to the Board that the applicant may be competent to practice engineering shall be admitted to ~~an eight-hour written examination in~~ the principles and practice of ~~engineering.~~ engineering examination. Upon passing ~~such~~ the examination, the applicant shall be granted a certificate of ~~registration~~ licensure to practice professional engineering in this State, provided ~~he~~ the applicant is otherwise qualified.

At its discretion the Board may require an applicant to submit exhibits, drawings, designs, or other tangible evidence of engineering work ~~executed by him and~~ which ~~he~~ the applicant personally accomplished or supervised.

The following shall be considered as minimum evidence that the applicant is qualified for certification:

(2) As an ~~engineer-in-training~~ engineering intern (shall meet one):

a. Graduation and Examination. -- A graduate of an engineering curriculum or related science curriculum of four years or more, approved by the Board as being of satisfactory standing, or a student who has attained senior status in an accredited engineering program, shall be admitted to ~~an eight-hour written examination in~~ the fundamentals of ~~engineering.~~ engineering examination. The applicant shall be notified if the examination was passed or not passed and if passed he shall be certified as an ~~engineer-in-training,~~ engineering intern if ~~he~~ the applicant is otherwise qualified.

b. Graduation, Experience, and Examination. -- A graduate of an engineering or related science curriculum of four years or more, other than the ones approved by the Board as being of satisfactory standing, or with equivalent education and engineering experience satisfactory to the Board and with a specific record of four or more years of progressive experience on engineering projects of a grade and character satisfactory to the Board, shall be admitted to ~~an eight-hour written examination in~~ the fundamentals of ~~engineering.~~ engineering examination. The applicant shall be notified if the examination was passed or not passed and if ~~passed he~~ passed, the applicant shall be certified as an ~~engineer-in-training~~ engineering intern if ~~he~~ the applicant is otherwise qualified.

(b) Land Surveyor Applicant. -- To be eligible for admission to examination for land ~~surveyor-in-training,~~ surveyor intern or ~~registered~~ professional land surveyor, an applicant must be of good character and reputation and shall submit five references with ~~his~~ the application for ~~registration~~ licensure as a land surveyor, two of which references shall be ~~registered~~ professional land surveyors having personal knowledge of ~~his~~ the applicant's land surveying experience, or in the case of an application for certification as a land ~~surveyor-in-training~~ surveyor intern by three references, one of which shall be a ~~registered~~ licensed land surveyor having personal knowledge of the applicant's land surveying experience.

The evaluation of a land surveyor applicant's qualifications shall involve a consideration of ~~his~~ the applicant's education, technical and land surveying experience, exhibits of land surveying projects with which ~~he~~ the applicant has been associated, and recommendations by ~~references, and reviewing of these categories during an oral examination.~~ references. The land surveyor applicant's qualifications may be reviewed at an interview if the Board ~~deems~~ determines it necessary. Educational credit for institute courses, correspondence courses, ~~etc.,~~ or other courses shall be determined by the Board.

The following shall be considered a minimum evidence satisfactory to the Board that the applicant is qualified for ~~registration~~ licensure as a professional land surveyor or for certification as a land ~~surveyor-in-training,~~ surveyor intern respectively:

(1) As a ~~registered~~ professional land surveyor (shall meet one):

a. Rightful possession of a ~~B.S.~~ bachelor of science degree in surveying or other equivalent curricula, all approved by the Board and a record satisfactory to the Board of ~~one year~~ two years or more of progressive practical ~~experience~~ experience, one year of which shall have been under a practicing ~~registered~~ professional land surveyor and satisfactorily passing ~~such~~ any oral and written ~~examination, taken in the presence of and~~ examination required by the Board, all of which shall determine and indicate that the ~~candidate~~ applicant is competent to practice land surveying. The applicant may ~~elect~~ be qualified by the Board to take the first examination (Surveying Fundamentals) immediately after obtaining the ~~B.S.~~ bachelor of science degree at the first regularly scheduled examination thereafter. Upon passing the first examination and successful completion of the experience required by this subdivision, the applicant may apply to take the second examination (Principles and Practice of Land Surveying). An applicant who passes both examinations and completes the educational and experience requirements of this subdivision shall be granted ~~registration~~ licensure as a professional land surveyor.

b. Rightful possession of an associate degree in surveying technology approved by the Board and a record satisfactory

to the Board of ~~three~~ four years of progressive practical experience, ~~two~~ three years of which shall have been under a practicing ~~registered~~ licensed land surveyor, and satisfactorily passing ~~such~~ any written and oral examination ~~taken in the presence of and as~~ required by the Board, all of which shall determine and indicate that the ~~candidate~~ applicant is competent to practice land surveying. The applicant may ~~elect~~ apply to the Board to take the first examination (Surveying Fundamentals) immediately after obtaining the associate degree at the first regularly scheduled examination thereafter. Upon passing the first examination and successfully completing ~~years of progressive practical experience under a practicing registered land surveyor,~~ the practical experience required under this subdivision, the applicant may ~~elect~~ apply to the Board to take the second examination ~~(Principles and Practice of Land Surveying) prior to, during, or after completion of the additional experience required by this subdivision.~~ (Principles and Practice of Land Surveying). An applicant who passes both examinations and successfully completes the educational and experience requirements of this subdivision shall be granted ~~registration~~ licensure as a professional land surveyor.

~~e. Land Surveyor in Training Certificate, Experience, and Examination. — A holder of a certificate of land surveyor in training issued by the Board, and with a specific record of an additional two years or more of progressive surveying experience, one year of which shall have been under a practicing registered land surveyor, of a grade and character which indicates to the Board that the applicant may be competent to practice land surveying, shall be admitted to two four-hour examinations. Upon passing such examinations, the applicant shall be granted a certificate of registration to practice land surveying in this State, provided he is otherwise qualified.~~

d. Graduation from a high school or the completion of a high school equivalency certificate and a record satisfactory to the Board of ~~seven~~ 10 years of progressive practical experience, ~~six~~ seven years of which shall have been under a practicing ~~registered~~ licensed land surveyor, and satisfactorily passing ~~such~~ any oral and written ~~examination written in the presence of and~~ examinations required by the Board, all of which shall determine and indicate that the candidate is competent to practice land surveying. The

applicant may be qualified by the Board to take the first examination (Surveying Fundamentals) upon graduation from high school or the completion of a high school equivalency certificate and successfully completing six years of progressive practice experience, five of which shall have been under a practicing licensed land surveyor. The applicant may apply to take the second examination (Principles and Practice of Land Surveying) upon passing the first examination and successfully completing four years of progressive practical experience, two of which shall have been under a practicing licensed land surveyor.

e. Repealed by Session Laws 1985 (Regular Session, 1986), c. 977, s. 7.

f. ~~Registration~~ Licensure by Comity or Endorsement. -- A person holding a certificate of ~~registration~~ licensure to engage in the practice of land surveying issued on comparable qualifications from a state, territory, or possession of the United States will be given comity considerations. However, ~~he~~ the applicant may be asked to take ~~such~~ any examinations as the Board ~~deems necessary~~ requires to determine ~~his~~ the applicant's qualifications, but in any event, ~~he~~ the applicant shall be required to pass ~~a written~~ an examination which shall include questions on laws, procedures, and practices pertaining to the practice of land surveying in North Carolina.

g. A licensed professional engineer who can satisfactorily demonstrate to the Board that ~~his~~ the professional engineer's formal academic training in acquiring a degree and field experience in engineering includes land surveying, to the extent necessary to reasonably qualify the applicant in the practice of land surveying, may apply for and may be granted permission to take the ~~two four-hour examinations on the~~ principles and practice of land surveying examination and the ~~two four-hour examinations on the~~ fundamentals of land ~~surveying.~~ surveying examination. Upon satisfactorily passing the examinations, the applicant ~~will~~ shall be granted a license to practice land surveying in the State of North Carolina.

h. Professional Engineers in Land Surveying. -- Any person presently licensed to practice professional engineering under this Chapter shall upon ~~his~~ application be licensed to practice land surveying, providing ~~his~~ a written application is filed with the Board within one year next after June 19, 1975.

i. Photogrammetrists. -- Any person presently practicing photogrammetry with at least seven years of experience in the profession, two or more of which shall have been in responsible charge of photogrammetric mapping projects meeting National Map Accuracy Standards shall, upon application, be licensed to practice land surveying, provided:

1. The applicant submit certified proof of graduation from high school, high school equivalency, or higher degree;
2. The applicant submit proof of employment in responsible charge as a photogrammetrist practicing within the State of North Carolina to include itemized reports detailing methods, procedures, amount of applicant's personal involvement and the name, address, and telephone numbers of the client for five projects completed by the applicant with the State. A final map for one of the five projects shall also be submitted;
3. Five references to the applicant's character and quality of work, three of which shall be from professional land surveyors, are submitted to the Board; and
4. The application is submitted to the Board by July 1, 1998. After July 1, 1998, no photogrammetrist shall be licensed without meeting the same requirements as to education, length of experience, and testing required of all land surveying applicants.

The Board shall require an applicant to submit exhibits, drawings, plats or other tangible evidence of land surveying work executed by ~~him~~ the applicant under proper supervision and which ~~he~~ the applicant has personally accomplished or supervised.

Land surveying encompasses a number of disciplines including geodetic surveying, hydrographic surveying, cadastral surveying, engineering surveying, route surveying, photogrammetric (aerial) surveying, and topographic surveying. A professional land surveyor shall practice only within the surveyor's area of expertise.

(2) As a land ~~surveyor-in-training~~ surveyor intern (shall meet one):

a. Rightful possession of an associate degree in surveying technology approved by the Board and satisfactorily passing a written ~~or~~ and oral examination ~~taken in the presence of and~~ as required by the Board.

b. Rightful possession of a ~~B.S.~~ bachelors degree in surveying or other equivalent curricula in surveying all approved by the Board and satisfactorily passing ~~such~~ any oral and

written examinations ~~written in the presence of and~~ required by the Board.

c. Graduation from high school or the completion of a high school equivalency certificate and a record satisfactory to the Board of ~~five~~ six years of progressive, practical experience, ~~four~~ five years of which shall have been under a practicing ~~registered~~ licensed land surveyor and satisfactorily passing any oral and written examinations ~~taken in the presence of and as~~ required by the Board.

The Board shall require an applicant to submit exhibits, drawings, plats, or other tangible ~~evidence of land surveying work executed by him under proper supervision and~~ which ~~he~~ the applicant has personally accomplished or supervised."

Section 12. G.S. 89C-14 reads as rewritten:

"**§ 89C-14. Application for ~~registration; registration~~ licensure; license fees.**

(a) Application for ~~registration~~ licensure as a professional engineer or ~~registered~~ professional land surveyor shall be on a form prescribed and furnished by the Board. It shall contain statements made under oath, showing the applicant's education and a detailed summary of ~~his~~ the applicant's technical and engineering or land surveying experience, and shall include the names and complete mailing addresses of the references, none of whom ~~should~~ may be immediate members of the applicant's family or members of the Board.

The Board may accept the certified information on the copy of a current formal certificate of qualifications issued by the National Council of ~~Engineering Examiners Committee or National Engineering Certification for Professional Engineer applicants~~ Examiners for Engineering and Surveying in lieu of the same information that is required for the form prescribed and furnished by the Board.

(b) An applicant for ~~registration~~ licensure who is required to take the written examination shall pay a fee equal to the cost of the examination to the Board plus an additional amount not to exceed one hundred dollars ($100.00). The Board may charge any fee necessary to defray the cost of any required examinations. The fee shall accompany the application. The fee for comity ~~registration~~ licensure of engineers and land surveyors who hold unexpired certificates in another state or a territory of the United States or in Canada shall be the total current fee as fixed by the Board.

(c) The certification fee for a corporation is the amount set by the Board ~~in accordance with G.S. 55B-10.~~ but shall not exceed two hundred fifty dollars ($250.00). The fee shall accompany the application. The certification fee for a business firm is the same as the fee for a corporation. The fee for renewal of a certificate of ~~registration~~ licensure of a corporation is the amount set by the Board ~~in accordance with G.S. 55B-11.~~ but shall not exceed one hundred dollars ($100.00). The fee for renewal of a certificate of ~~registration~~ licensure for a business firm is the same as the renewal fee for a corporation.

(d) Should the Board deny the issuance of a certificate of ~~registration~~ licensure to any applicant, the unobligated portion of fees paid shall be returned by the Board to the applicant.

(e) A candidate failing an examination may apply, and be considered by the Board, for reexamination at the end of six months. The Board shall make such reexamination charge as is necessary to defray the cost of the examination.

A candidate ~~failing an examination three times will not be permitted to take a reexamination until he has made a written appeal to the Board and his tentative qualifications for the examination are reviewed and reaffirmed by the Board.~~ with a combination of three failures or unexcused absences on an examination shall only be eligible after submitting a new application with appropriate application fee, and be considered by the Board for reexamination at the end of 12 months. After the end of the 12-month period, the applicant may take the examination no more than once every calendar year."

Section 13. G.S. 89C-15 reads as rewritten:

"**§ 89C-15. Examinations.**

(a) The examinations will be held at ~~such~~ the times and places as the Board directs. The Board shall determine the passing grade on examinations. All examinations shall be approved by the entire Board.

(b) Written examinations will be given in sections and may be taken only after the applicant has met the other minimum requirements as given in ~~G.S. 89C-13,~~ G.S. 89C-13 and has been approved by the Board for admission to the examination as follows:

(1) Engineering Fundamentals. -- Consists of an eight-hour examination on the fundamentals of engineering. Passing this examination qualifies the ~~examinee~~ applicant for an ~~engineer-in-training~~ engineering intern certificate, provided ~~he~~ the applicant has met all other requirements for ~~certification~~ licensure required by this Chapter.

(2) Principles and Practice of Engineering. -- Consists of an eight-hour examination on applied engineering. Passing this examination qualifies the ~~examinee~~ applicant for ~~registration~~ licensure as a professional engineer, provided ~~he~~ the applicant has met the other requirements for registration required by this Chapter.

(3) Surveying Fundamentals. -- Consists of ~~two four-hour examinations~~ an eight-hour examination on the elementary disciplines of land surveying. Passing ~~both of these examinations~~ this examination qualifies the ~~examinee~~ applicant for a land ~~surveyor-in-training~~ surveyor intern certificate provided ~~he~~ the applicant has met all other requirements for certification required by this Chapter.

(4) Principles and Practices of Land Surveying. -- Consists of ~~two four-hour examinations~~ a six-hour examination on the basic and applied disciplines of land ~~surveying, one examination on basic disciplines and the other examination covering applied disciplines.~~

surveying and a two-hour examination on requirements specific to the practice of land surveying in North Carolina. Passing each of these examinations qualifies the ~~examinee~~ applicant for a ~~registered~~ professional land surveyor certificate provided ~~he~~ the applicant has met all other requirements for certification required by this Chapter."

Section 14. G.S. 89C-16 reads as rewritten:

"**§ 89C-16. Certificates of ~~registration;~~ licensure; effect; seals.**

(a) The Board shall issue to any applicant, who, in the opinion of the Board, has met the requirements of this Chapter, a certificate of ~~registration~~ licensure giving the ~~registrant~~ licensee proper authority to practice ~~his~~ the profession in this State. The certificate of ~~registration~~ licensure for a professional engineer shall carry the designation 'professional engineer,' and for a land surveyor, ~~'registered~~ 'professional land surveyor,' shall give the full name of the ~~registrant~~ licensee with ~~his serial~~ the Board designated licensure number and shall be signed by the ~~chairman~~ chair and the secretary under the seal of the Board.

(b) This certificate shall be prima facie evidence that the person named ~~thereon~~ on the certificate is entitled to all rights, privileges and responsibilities of a professional engineer or a ~~registered~~ professional land surveyor, while the ~~said~~ certificate of ~~registration~~ licensure remains unrevoked or unexpired.

(c) Each ~~registrant hereunder~~ licensee shall upon ~~registration~~ licensure obtain a seal of a design authorized by the Board bearing the ~~registrant's~~ licensee's name, ~~serial~~ license number, and the legend, 'professional engineer,' or ~~'registered~~ 'professional land surveyor.' Final drawings, specifications, plans and reports prepared by a ~~registrant~~ licensee shall, when issued, be certified and stamped with the ~~said~~ seal or facsimile ~~thereof~~ of the seal unless the ~~registrant~~ licensee is exempt under the provisions of G.S. 89C-25(7). It shall be unlawful for a ~~registrant~~ licensee to affix, or permit ~~his~~ the licensee's seal and signature or facsimile ~~thereof~~ of the seal and signature to be affixed to any drawings, specifications, plans or reports after the expiration of a certificate or for the purpose of aiding or abetting any other person to evade or attempt to evade any provision of this Chapter. A professional engineer practicing land surveying shall use ~~his registered~~ the licensee's land surveyor seal."

Section 15. G.S. 89C-17 reads as rewritten:

"**§ 89C-17. Expirations and renewals of certificates.**

Certificates for ~~registration~~ licensure shall expire on the last day of the month of December next following their issuance or renewal, and shall become invalid on that date unless renewed. When necessary to protect the public health, safety, or welfare, the Board shall require ~~such~~ any evidence ~~as it deems~~ necessary to establish the continuing competency of engineers and land surveyors as a condition of renewal of licenses. When the Board is satisfied as to the continuing competency of an applicant, it shall issue a renewal of the certificate upon payment by the applicant of a fee fixed by the Board but not to exceed ~~fifty dollars ($50.00).~~ one hundred dollars ($100.00). The secretary of the Board shall notify by mail every person ~~registered~~ licensed under this Chapter of the date of expiration of ~~his~~ the certificate, the amount of the fee

required for its renewal for one year, and any requirement as to evidence of continued competency. The notice shall be mailed at least one month in advance of the expiration date of the certificate. Renewal shall be effected at any time during the month of January immediately following, by payment to the secretary of the Board of a renewal fee, as determined by the Board, which shall not exceed ~~fifty dollars ($50.00).~~ one hundred dollars ($100.00). Failure on the part of any registrant to renew ~~his~~ the certificate annually in the month of January, as required above, shall deprive the registrant of the right to practice until renewal has been effected. Renewal may be effected at any time during the first ~~36~~ 12 months immediately following its invalidation ~~of payment of the renewal fee increased ten percent (10%) for each month or fraction of a month that payment for renewal is delayed.~~ by payment of the established renewal fee and a late penalty of one hundred dollars ($100.00). Failure of a ~~registrant~~ licensee to renew ~~his registration~~ the license for a period of ~~36~~ 12 months shall require the individual, prior to resuming practice in North Carolina, to submit an application ~~therefor~~ on the prescribed form, and to meet all other requirements for ~~registration~~ licensure as set forth in Chapter 89C. The secretary of the Board is instructed to remove from the official roster of engineers and land surveyors the names of all ~~registrants~~ licensees who have not effected their renewal by the first day of February immediately following the date of their expiration. The Board may ~~enact~~ adopt rules to provide for renewals in distress or hardship cases due to military service, prolonged illness, or prolonged absence from the State, where the applicant for renewal demonstrates to the Board that ~~he~~ the applicant has maintained ~~his~~ active knowledge and professional status as an engineer or land surveyor, as the case may be. It shall be the responsibility of each ~~registrant~~ licensee to inform the Board promptly concerning change in address. A licensee may request and be granted inactive status. No inactive licensee may practice in this State unless otherwise exempted in this Chapter. A licensee granted inactive status shall pay annual renewal fees but shall not be subject to annual continuing professional competency requirements. A licensee granted inactive status may return to active status by meeting all requirements of the Board, including demonstration of continuing professional competency as a condition of reinstatement."

Section 16. G.S. 89C-18 reads as rewritten:

"§ 89C-18. Duplicate certificates.

The Board may issue a duplicate certificate of ~~registration~~ licensure or certificate of authorization to replace any certificate that has been lost, destroyed, or mutilated and may charge a fee of up to twenty-five dollars ($25.00) for issuing the certificate."

Section 17. G.S. 89C-19 reads as rewritten:

"§ 89C-19. Public works; requirements where public safety involved.

This State and its political subdivisions such as counties, cities, towns, or other political entities or legally constituted boards, commissions, public utility companies, or authorities, or officials, or employees ~~thereof~~ of these entities shall not engage in the practice of engineering or land surveying involving either public or private property where the safety of the public is directly involved without the project being under the supervision of a professional engineer for the preparations of plans and

specifications for engineering projects, or a ~~registered~~ professional land surveyor for land surveying projects, as provided for the practice of the respective professions by this Chapter.

An official or employee of the State or any political subdivision specified in this section, holding the positions set out in this section as of June 19, 1975, shall be exempt from the provisions of this section so long as such official or employee is engaged in substantially the same type of work as is involved in ~~his~~ the present position.

Nothing in this section shall be construed to prohibit inspection, maintenance and service work done by employees of the State of North Carolina, any political subdivision ~~thereof,~~ of the State, or any municipality ~~therein~~ including construction, installation, servicing, and maintenance by regular full-time employees of, secondary roads and drawings incidental ~~thereto,~~ to work on secondary roads, streets, street lighting, traffic-control signals, police and fire alarm systems, waterworks, steam, electric and sewage treatment and disposal plants, the services of superintendents, inspectors or foremen regularly employed by the State of North Carolina or any political subdivision ~~thereof,~~ of the State, or municipal ~~corporation therein.~~ corporation.

The provisions in this section shall not be construed to alter or modify the requirements of Article 1 of Chapter 133 of the General Statutes."

Section 18. G.S. 89C-20 reads as rewritten:

"**§ 89C-20. Rules of professional conduct.**

In the interest of protecting the safety, health, and welfare of the public, the Board shall ~~promulgate and~~ adopt rules of professional conduct applicable to the practice of engineering and land surveying. These rules, when adopted, shall be construed to be a reasonable exercise of the police power vested in the Board of ~~Registration~~ Examiners for ~~Professional~~ Engineers and Land Surveyors. Every person ~~registered~~ licensed by the Board shall subscribe to and observe the adopted rules as the standard of professional conduct for the practice of engineering and land ~~surveying.~~ surveying and shall cooperate fully with the Board in the course of any investigation. In the case of violation of the rules of professional conduct, the Board shall ~~have the responsibility and duty to~~ proceed in accordance with G.S. 89C-22."

Section 19. G.S. 89C-21 reads as rewritten:

"**§ 89C-21. Disciplinary action -- Reexamination, revocation, suspension, reprimand, or civil penalty.**

(a) The Board may reprimand the licensee, suspend, refuse to renew, or revoke the certificate of ~~registration,~~ licensure, or, as appropriate, require reexamination, for any engineer or land surveyor, who is found:

(1) Guilty of the practice of any fraud or deceit in obtaining a certificate of ~~registration~~ licensure or certificate of authorization.

(2) Guilty of any gross negligence or misconduct in the practice of ~~his~~ the profession.

(3) Guilty of any felony or any crime involving moral turpitude.

(4) Guilty of violation of the Rules of Professional Conduct, as adopted by the Board.

(5) To have been declared insane or incompetent by a court of competent jurisdiction and has not ~~thereafter~~ later been lawfully declared sane or competent.

(6) Guilty of professional incompetence. In the event the Board finds that a certificate holder is incompetent the Board may, in its discretion, require oral or written examinations, or other indication of the certificate holder's fitness to practice ~~his profession~~ engineering or land surveying and suspend ~~his~~ the license during any such period.

(b) The Board ~~shall have the power to~~ may (i) revoke a certificate of authorization, or (ii) to suspend a certificate of authorization for a period of time not exceeding two years, of any corporation or business firm where one or more of its officers or directors have committed any act or have been guilty of any conduct which would authorize a revocation or suspension of their certificates of ~~registration~~ licensure under the provision of this section.

(c) The Board may levy a civil penalty not in excess of two thousand dollars ($2,000) for any engineer or land surveyor who violates any of the provisions of subdivisions (1). through (4) of subsection (a) of this section. All civil penalties collected by the Board shall be deposited in the General Fund of North Carolina.

(d) Before imposing and assessing a civil penalty and fixing the ~~amount thereof,~~ amount, the Board shall, as a part of its deliberation, take into consideration the following factors:

(1) The nature, gravity, and persistence of the particular violations;

(2) The appropriateness of the imposition of a civil penalty when considered alone or in combination with other punishment;

(3) Whether the violation(s) were done willfully and maliciously; and

(4) Any other factors which would tend to either mitigate or aggravate the violation(s) found to exist."

Section 20. G.S. 89C-22 reads as rewritten:

"§ 89C-22. Disciplinary action -- Charges; procedure.

(a) Any person may prefer charges of fraud, deceit, gross negligence, incompetence, misconduct, or violation of the rules of professional conduct, against any Board registrant. The charges shall be in writing and shall be sworn to by the person or persons making them and shall be filed with ~~the secretary of~~ the Board.

(b) All charges, unless dismissed by the Board as unfounded or trivial, shall be heard by the Board as provided under the requirements of Chapter 150B of the General Statutes.

(c) If, after ~~such~~ a hearing, a majority of the Board votes in favor of sustaining the charges, the Board shall reprimand, levy a civil penalty, suspend, refuse to renew, or revoke the ~~registrant's certificate of registration.~~ licensee's certificate.

(d) A ~~registrant~~ licensee who is aggrieved by a final decision of the Board may appeal for judicial review as provided by Article 4 of Chapter 150B.

(e) The Board may, upon petition of an individual or an entity whose certificate has been revoked, for sufficient ~~reasons it may deem sufficient,~~ reasons as it may determine, reissue a certificate of ~~registration~~ licensure or authorization, provided that a majority of the members of the Board vote in favor of such issuance."

Section 21. G.S. 89C-23 reads as rewritten:

"**§ 89C-23. Unlawful to practice engineering or land surveying without ~~registration;~~ licensure; unlawful use of title or terms; penalties; Attorney General to be legal adviser.**

Any person who shall practice, or offer to practice, engineering or land surveying in this State without first being ~~registered~~ licensed in accordance with the provisions of this Chapter, or any person, firm, partnership, organization, association, corporation, or other entity using or employing the words 'engineer' or 'engineering' or 'professional engineer' or 'professional engineering' or 'land surveyor' or 'land surveying,' or any modification or derivative ~~thereof~~ of those words in its name or form of business or activity except as ~~registered~~ licensed under this Chapter or in pursuit of activities exempted by this Chapter, or any person presenting or attempting to use the certificate of ~~registration~~ licensure or the seal of another, or any person who shall give any false or forged evidence of any kind to the Board or to any member ~~thereof~~ of the Board in obtaining or attempting to obtain a certificate of ~~registration,~~ licensure, or any person who shall falsely impersonate any other ~~registrant~~ licensee of like or different name, or any person who shall attempt to use an expired or revoked or nonexistent certificate of ~~registration,~~ licensure, or who shall practice or offer to practice when not qualified, or any person who falsely claims that ~~he~~ the person is registered under this Chapter, or any person who shall violate any of the provisions of this Chapter, in addition to injunctive procedures set out hereinbefore, shall be guilty of a Class 2 misdemeanor. In no event shall there be representation of or holding out to the public of any engineering expertise by ~~unregistered~~ unlicensed persons. It shall be the duty of all duly constituted officers of the State and all political subdivisions ~~thereof~~ of the State to enforce the provisions of this Chapter and to prosecute any persons violating ~~same.~~ them.

The Attorney General of the State or ~~his~~ an assistant shall act as legal adviser to the Board and render ~~such~~ any legal assistance ~~as may be~~ necessary ~~in carrying~~ to carry out the provisions of this Chapter. The Board may employ counsel and necessary assistance to aid in the enforcement of this Chapter, and the compensation and expenses ~~therefor~~ for the assistance shall be paid from funds of the Board."

Section 22. G.S. 89C-24 reads as rewritten:

"**§ 89C-24. ~~Registration~~ Licensure of corporations and business firms that engage in the practice of engineering or land surveying.**

A corporation or business firm may not engage in the practice of engineering or land surveying in this State unless it is ~~registered with~~ licensed by the Board and has paid ~~the required registration fee.~~ an application fee established by the Board in an amount not to exceed two hundred fifty dollars ($250.00). A corporation or business firm is subject to the same duties and responsibilities as an individual ~~registrant. Registration~~ licensee. Licensure of a corporation or business firm does not affect the

requirement that all engineering or land surveying work done by the corporation or business firm be performed by or under the responsible charge of individual registrants, nor does it relieve the individual registrants within a corporation or business firm of their design and supervision responsibilities.

This section applies to every corporation that is engaged in the practice of engineering or land surveying, regardless of when it was incorporated. A corporation that is not exempt from Chapter 55B of the General Statutes by application of G.S. 55B-15 must be incorporated under that Chapter."

Section 23. G.S. 89C-25 reads as rewritten:

"**§ 89C-25. Limitations on application of Chapter.**

This Chapter shall not be construed to prevent or affect:

(1) The practice of architecture, landscape architecture, or contracting or any other legally recognized profession or trade; or

(2) The practice of professional engineering or land surveying in this State or by any person not a resident of this State and having no established place of business in this State when this practice does not aggregate more than 90 days in any calendar year, whether performed in this State or elsewhere, or involve more than one specific project; provided, however, that ~~such~~ the person is ~~legally qualified by registration~~ licensed to practice the ~~said~~ profession in ~~his~~ the person's own state or country, in which the requirements and qualifications for obtaining a certificate of ~~registration~~ licensure are satisfactory to the Board; in which case the person shall apply for and the Board will issue a temporary permit; or

(3) The practice of professional engineering or land surveying in this State not to aggregate more than 90 days by any person residing in this State, but whose residence has not been of sufficient duration for the Board to grant or deny ~~registration;~~ licensure; provided, however, ~~such~~ the person shall have filed an application for ~~registration~~ licensure as a professional engineer or ~~registered~~ professional land surveyor and shall have paid the fee provided for in G.S. 89C-14, and provided that ~~such a~~ the person is ~~legally qualified by registration~~ licensed to practice professional engineering or professional land surveying in ~~his~~ the person's own state or country in which the requirements and qualifications for obtaining a certificate of ~~registration~~ licensure are satisfactory to the Board, in which case the person shall apply for and the Board will issue a temporary permit; or

(4) Engaging in engineering or land surveying as an employee or assistant under the responsible charge of a professional engineer or ~~registered~~ professional land surveyor or as an employee or assistant of a nonresident professional engineer or a nonresident ~~registered~~ professional land surveyor provided for in subdivisions (2) and (3)

of this section, provided that ~~said~~ the work as an employee may not include responsible charge of design or supervision; or

(5) The practice of professional engineering or land surveying by any person not a resident of, and having no established place of business in this State, as a consulting associate of a professional engineer or ~~registered~~ professional land surveyor ~~registered~~ licensed under the provisions of this Chapter; provided, the nonresident is qualified for ~~such~~ performing the professional service in ~~his~~ the person's own state or country; or

(6) Practice by members of the armed forces or employees of the government of the United States while engaged in the practice of engineering or land surveying solely for ~~said~~ the government on government-owned works and projects; or

(7) The internal engineering or surveying activities of a person, firm or corporation engaged in manufacturing, processing, or producing a product, including the activities of public service corporations, public utility companies, authorities, State agencies, railroads, or membership cooperatives, or the installation and servicing of their product in the field; or research and development in connection with the manufacture of that product or their service; or of their research affiliates; or their employees in the course of their employment in connection with the manufacture, installation, or servicing of their product or service in the field, or on-the-premises maintenance of machinery, equipment, or apparatus incidental to the manufacture or installation of the product or service of a firm by the employees of the firm upon property owned, leased or used by the firm; inspection, maintenance and service work done by employees of the State of North Carolina, any political subdivision ~~thereof,~~ of the State, or any municipality ~~therein~~ including construction, installation, servicing, maintenance by regular full-time employees of streets, street lighting, traffic-control signals, police and fire alarm systems, waterworks, steam, electric and sewage treatment and disposal plants; the services of superintendents, inspectors or foremen regularly employed by the State of North Carolina or any political subdivision ~~thereof,~~ of the State or a municipal ~~corporation therein;~~ corporation; provided, however, that the internal engineering or surveying activity is not a holding out to or an offer to the public of engineering or any service thereof as prohibited by this Chapter. Engineering work, not related to the foregoing exemptions, where the safety of the public is directly involved shall be under the responsible charge of a ~~registered~~ licensed professional engineer, or in accordance with standards prepared or approved by a ~~registered~~ licensed professional engineer.

(8) The (i) preparation of fire sprinkler planning and design drawings by a fire sprinkler contractor licensed under Article 2 of Chapter 87 of the General Statutes, or (ii) the performance of internal engineering or survey work by a manufacturing or communications common carrier company, or by a research and development company, or by employees of ~~such~~ those corporations provided that ~~such~~ the work is in connection with, or incidental to products of, or nonengineering services rendered by ~~such~~ those corporations or their affiliates.

(9) The routine maintenance or servicing of machinery, equipment, facilities or structures, the work of mechanics in the performance of their established functions, or the inspection or supervision of construction by a foreman, superintendent, or agent of the architect or professional engineer, or services of an operational nature performed by an employee of a laboratory, a manufacturing plant, a public service corporation, or governmental operation."

Section 24. G.S. 89C-25.1 reads as rewritten:

"**§ 89C-25.1. Supervision of ~~unregistered~~ unlicensed individuals by ~~registered~~ licensed person.**

In all circumstances in which ~~unregistered~~ unlicensed individuals are permitted under this Chapter to perform engineering or land surveying work, or both, under the supervision of a ~~registered~~ licensed engineer, land surveyor, or both, the Board may by regulation establish a reasonable limit on the number of ~~unregistered~~ unlicensed individuals which a ~~registrant~~ licensee of the Board may directly or personally supervise at one time."

Section 25. G.S. 89C-26 reads as rewritten:

"**§ 89C-26. Duties of register of deeds.**

The register of deeds or any other county or proper public authority may not file or record any map, plat, survey, or other documents, within the definition of land surveying, which do not contain an original personal signature and original seal of a ~~registered~~ licensed land surveyor by whom, or under whose responsible charge, the map, plat, survey, or other documents were prepared, except as provided in G.S. 47-30(m) and (n)."

Section 26. G.S. 89C-28 reads as rewritten:

"**§ 89C-28. Existing ~~registration~~ licensure not affected.**

Nothing in this Chapter shall be construed as affecting the status of ~~registration~~ licensure of any professional engineer or ~~registered~~ land surveyor who is rightfully in possession of a certificate of ~~registration~~ licensure duly issued by the Board and valid as of July 1, 1975."

Section 27. This act becomes effective July 1, 1997, and applies to persons applying for licenses on or after that date and to persons practicing engineering and land surveying on or after that date.

A BILL TO BE ENTITLED

AN ACT TO MAKE SUBSTANTIVE CHANGES TO THE NORTH CAROLINA ENGINEERING AND LAND SURVEYING ACT.

The General Assembly of North Carolina enacts:

Section 1. G.S. 89C-2 reads as rewritten:

"**§ 89C-2. Declarations; prohibitions.**

In order to safeguard life, health, and property, and to promote the public welfare, the practice of engineering and the practice of land surveying in this State are hereby declared to be subject to regulation in the public interest. It shall be unlawful for any person to practice or to offer to practice engineering or land surveying in this State, as defined in the provisions of this Chapter, or to use in connection with ~~his~~ the person's name or otherwise assume or advertise any title or description tending to convey the impression that ~~he~~ the person is either a professional engineer or a ~~registered~~ professional land surveyor, unless ~~such~~ the person has been duly ~~registered as such.~~ licensed. The right to engage in the practice of engineering or land surveying ~~shall be deemed~~ is a personal right, based on the qualifications of the ~~individual~~ person as evidenced by ~~his~~ the person's certificate of ~~registration,~~ licensure, which shall not be transferable."

Section 2. G.S. 89C-3 reads as rewritten:

"**§ 89C-3. Definitions.**

The following definitions apply in this Chapter:

(1) Board. -- The North Carolina State Board of ~~Registration~~ Examiners for ~~Professional~~ Engineers and ~~Land~~ Surveyors provided for by this Chapter.

(1a) Business firm. -- A partnership, firm, association, or another organization or group that is not a corporation and is acting as a unit.

(2) Engineer. -- A person who, by reason of ~~his~~ special knowledge and use of the mathematical, physical and engineering sciences and the principles and methods of engineering analysis and design, acquired by engineering education and engineering experience, is qualified to practice engineering.

(3) ~~Engineer-in-training.~~ Engineering intern. -- A person who complies with the requirements for education, experience and character, and has passed an examination in the fundamental engineering subjects, as provided in this Chapter.

(3.1) Inactive licensee. -- Licensees who are not engaged in the practice of engineering or land surveying in this State.

(4) ~~Land surveyor-in-training.~~ Land surveyor intern. -- A person who has qualified for, taken, and passed an examination on the basic disciplines of land surveying as provided in this Chapter.

(5) Person. -- Any natural person, firm, partnership, corporation or other legal entity.

(6) Practice of engineering. --

a. Any service or creative work, the adequate performance of which requires engineering education, training, and experience, in the application of special knowledge of the mathematical, physical, and engineering sciences to such services or creative work as consultation, investigation, evaluation, planning, and design of engineering works and systems, planning the use of land and water, engineering surveys, and the observation of construction for the purposes of assuring compliance with drawings and specifications, including the consultation, investigation, evaluation, planning, and design for either private or public use, in connection with any utilities, structures, buildings, machines, equipment, processes, work systems, projects, and industrial or consumer products or equipment of a mechanical, electrical, hydraulic, pneumatic or thermal nature, insofar as they involve safeguarding life, health or property, and including such other professional services as may be necessary to the planning, progress and completion of any engineering services.

A person shall be construed to practice or offer to practice engineering, within the meaning and intent of this

Chapter, who practices any branch of the profession of engineering; or who, by verbal claim, sign, advertisement, letterhead, card, or in any other way represents ~~himself~~ the person to be a professional engineer, or through the use of some other title implies that ~~he~~ the person is a professional engineer or that ~~he~~ the person is ~~registered~~ licensed under this Chapter; or who holds ~~himself~~ the person out as able to perform, or who does perform any engineering service or work not exempted by this Chapter, or any other service designated by the practitioner which is recognized as engineering.

b. The term 'practice of engineering' shall not be construed to permit the location, description, establishment or reestablishment of property lines or descriptions of land boundaries for conveyance. The term does not include the assessment of an underground storage tank required by applicable rules at closure or change in service unless there has been a discharge or release of the product from the tank.

(7) Practice of land ~~surveying by registered land surveyors.~~ surveying. --

a. ~~Any service or work, the adequate performance of which involves the application of special knowledge of the principles of mathematics, the related physical and applied sciences, and the relevant requirements of law for adequate evidence to the act of measuring and locating lines, angles, elevations, natural and man-made features in the air, on the surface of the earth, within underground workings, and on the beds of bodies of water for the purpose of determining areas and volumes, for the monumenting of property boundaries, and for the platting and layout of lands and subdivisions thereof, including the topography, alignment and grades of street and incidental drainage within the subdivision, and for the preparation and perpetuation of maps, record plats, field note records, and property descriptions that represent these surveys.~~ Providing professional services such as consultation, investigation, testimony, evaluation, planning, mapping, assembling, and interpreting reliable scientific measurements and information relative to the location, size, shape, or physical features of the earth, improvements on the earth, the space above the earth, or any part of the earth, whether the gathering of information for the providing of these services is accomplished by conventional ground measurements, by

aerial photography, by global positioning via satellites, or by a combination of any of these methods, and the utilization and development of these facts and interpretations into an orderly survey map, plan, report, description, or project. The practice of land surveying includes the following:

1. Locating, relocating, establishing, laying out, or retracing any property line, easement, or boundary of any tract of land;
2. Locating, relocating, establishing, or laying out the alignment or elevation of any of the fixed works embraced within the practice of professional engineering;
3. Making any survey for the subdivision of any tract of land, including the topography, alignment and grades of streets and incidental drainage within the subdivision, and the preparation and perpetuation of maps, record plats, field note records, and property descriptions that represent these surveys;
4. Determining, by the use of the principles of land surveying, the position for any survey monument or reference point, or setting, resetting, or replacing any survey monument or reference point;
5. Determining the configuration or contour of the earth's surface or the position of fixed objects on the earth's surface by measuring lines and angles and applying the principles of mathematics or photogrammetry;
6. Providing geodetic surveying which includes surveying for determination of the size and shape of the earth both horizontally and vertically and the precise positioning of points on the earth utilizing angular and linear measurements through spatially oriented spherical geometry; and
7. Creating, preparing, or modifying electronic or computerized data, including land information systems and geographic information systems relative to the performance of the practice of land surveying.

b. The term 'practice of land surveying' shall not be construed to permit the design or preparation of specifications for (i) major highways; (ii) wastewater systems; (iii) wastewater or industrial waste treatment works; (iv) pumping or lift stations; (v) water supply, treatment, or distribution systems; (vi) streets or storm sewer systems except as incidental to a subdivision.

(8) Professional engineer. -- A person who has been duly ~~registered and~~ licensed as a professional engineer by the Board established by this Chapter.

(8.1) Professional engineer, retired. -- A person who has been duly licensed as a professional engineer by the Board and who chooses to relinquish or not to renew a license and who applies to and is approved by the Board to be granted the use of the honorific title 'Professional Engineer, Retired'.

(9) ~~Registered~~ Professional land surveyor. -- A person who, by reason of ~~his~~ special knowledge of mathematics, surveying principles and methods, and legal requirements which are acquired by education and/or practical experience, is qualified to engage in the practice of land surveying, ~~as herein defined,~~ as attested by ~~his registration~~ the person's licensure as a ~~registered~~ professional land surveyor by the Board.

(9.1) Professional land surveyor, retired. -- A person who has been duly licensed as a professional land surveyor by the Board and who chooses to relinquish or not to renew a license and who applies to and is approved by the Board to be granted the use of the honorific title 'Professional Land Surveyor, Retired'.

(10) Responsible charge. -- Direct control and personal supervision, either of engineering work or of land surveying, as the case may be."

Section 3. G.S. 89C-4 reads as rewritten:

"**§ 89C-4. State Board of ~~Registration;~~ Examiners for Engineers and Surveyors; appointment; terms.**

A State Board of ~~Registration~~ Examiners for ~~Professional~~ Engineers and ~~Land~~ Surveyors, whose duty it is to administer the provisions of this Chapter, is created. The Board shall consist of four ~~registered~~ licensed professional engineers, three ~~registered~~ licensed professional land surveyors and two public members, who are neither professional engineers nor professional land surveyors. Of the land surveyor members, one and only one may hold dual ~~registration~~ licenses as a professional land surveyor and professional engineer. All of the members shall be appointed by the Governor. Appointments of the engineer and land surveyor members shall preferably, but not necessarily, be made from a list of nominees submitted by the professional societies for engineers and land surveyors in this State. Each member of the Board shall receive a certificate of appointment from the Governor and shall file with the Secretary of State ~~his~~ a written oath or affirmation for the faithful discharge of ~~his~~ the duties.

Members of the Board serve for staggered five-year terms, and no member may be appointed for more than two full terms. Members serve until the expiration of their respective terms and until their respective successors are appointed. If a vacancy occurs during a term, the Governor shall appoint a successor from the same classification as the person causing the vacancy to serve for the remainder of the

unexpired term. If the vacancy is not filled within 90 days after it occurs, the Board may appoint a provisional member to serve until the appointment by the Governor becomes effective. The provisional member during his tenure has all the powers and duties of a regular member."

Section 4. G.S. 89C-5 reads as rewritten:

"**§ 89C-5. Board members; qualifications.**

Each engineer member of the Board shall be a resident of North Carolina and shall be a ~~registered~~ licensed professional engineer engaged in the lawful practice of engineering in North Carolina for at least six years.

Each land surveyor member of the Board shall be a resident of North Carolina and shall be a ~~registered~~ licensed professional land surveyor engaged in the lawful practice of land surveying in North Carolina for at least six years.

Each public member of the Board shall be a resident of North Carolina."

Section 5. G.S. 89C-6 reads as rewritten:

"**§ 89C-6. Compensation and expenses of Board members.**

Each member of the Board, when attending to the work of the Board or any of its committees, shall receive as compensation for ~~his service~~ services the per diem and, in ~~addition thereto,~~ addition, shall be reimbursed for travel expenses and incidentals not exceeding the maximum set forth by law. In addition to per diem allowances, travel and incidentals, the secretary of the Board may, with the approval of the Board, receive such reasonable additional compensation as is compatible with the actual hours of work required by the duties of ~~his~~ the office."

Section 6. G.S. 89C-8 reads as rewritten:

"**§ 89C-8. Organization of the Board; meetings; election of officers.**

The Board shall hold at least two regular meetings each year. Special meetings may be held at such times and upon such notice as the rules and regulations of the Board may provide. The Board shall elect annually from its members a ~~chairman,~~ chair, a ~~vice-chairman,~~ vice-chair, and a secretary. A quorum of the Board shall consist of not less than five members. The Board shall operate under its rules and regulations supplemented by Robert's Rules of Order."

Section 7. G.S. 89C-9 reads as rewritten:

"**§ 89C-9. Executive ~~secretary;~~ director; duties and liabilities.**

The Board shall employ an executive ~~secretary~~ director who is not a member of the Board. The executive ~~secretary~~ director shall be a full-time employee of the Board and perform ~~such~~ the duties assigned to ~~him~~ the director by the secretary subject to the approval of the Board. The executive ~~secretary~~ director shall receive a salary and compensation fixed by the Board. The executive ~~secretary~~ director shall give a surety bond satisfactory to the Board conditioned upon the faithful performance of ~~his~~ the director's ~~duties.~~ duties assigned. The premium on ~~said~~ the bond shall be a necessary and proper expense of the Board."

Section 8. G.S. 89C-10 reads as rewritten:

"**§ 89C-10. Board powers.**

(a) The Board ~~shall have the power to~~ may adopt and amend all ~~rules and regulations. Additionally, the Board shall have the power to adopt such rules,~~ rules

and rules of ~~procedure, and regulations,~~ procedure as may be reasonably necessary for the proper performance of its duties, the regulation of its procedures, meetings, records, the ~~giving of~~ administration of ~~examinations and the conduct thereof,~~ examinations, and the ~~power~~ authority to enforce ~~such~~ the rules of professional conduct as ~~may, from time to time,~~ may be adopted by the Board pursuant to G.S. 89C-20.

The action by the Board in carrying out any of the powers specified ~~above~~ in this section shall be binding upon all persons ~~registered~~ licensed under this Chapter, including corporations and business firms holding certificates of authorization.

(b) The Board shall adopt and have an official seal, which shall be affixed to each certificate issued.

(c) The Board ~~is hereby authorized~~ may in the name of the State ~~to~~ apply for relief, by injunction, in the established manner provided in cases of civil procedure, without bond, to enforce the provisions of this Chapter, or to restrain any violation ~~thereof.~~ of the provisions of this Chapter. In ~~such proceedings,~~ proceedings for injunctive relief, it shall not be necessary to allege or prove either that an adequate remedy at law does not exist, or that substantial or irreparable damage would result from the continued violation ~~thereof.~~ of the provisions of this Chapter. The members of the Board shall not be personally liable under this proceeding.

(d) The Board may subject an applicant for ~~registration~~ licensure to ~~such~~ any examination ~~as it deems~~ necessary to determine ~~his~~ the applicant's qualifications.

(e) The Board ~~shall have the power to~~ may issue an appropriate certificate of ~~registration~~ licensure to any applicant who, in the opinion of the Board, has met the requirements of this Chapter.

(f) It shall be the responsibility and duty of the Board to conduct a regular program of investigation concerning all matters within its jurisdiction under the provisions of this Chapter. The investigation of a ~~registrant~~ licensee is confidential until the Board issues a citation to the ~~registrant.~~ licensee. The Board may expend its funds for salaries, fees, and per diem expenses, in connection with its investigations, provided that no ~~such~~ funds other than per diem expenses shall be paid to any member of the Board in connection with its investigations, nor may any member of the Board give testimony and ~~thereafter~~ later sit in deciding on any matter which may directly involve punitive action ~~under such~~ for the testimony.

(g) The Board ~~is authorized and empowered to~~ may use its funds to establish and conduct instructional programs for persons who are currently ~~registered~~ licensed to practice engineering or land surveying, as well as refresher courses for persons interested in obtaining adequate instruction or programs of study to qualify them for ~~registration~~ licensure to practice engineering or land surveying. The Board may expend its funds for these purposes and ~~is authorized and empowered~~ may not only ~~to~~ conduct, sponsor, and arrange for instructional programs, but also ~~to~~ may carry out ~~such~~ instructional programs through extension courses or other ~~media, and the~~ media. The Board may enter into plans or agreements with community colleges, public or private institutions of higher learning, ~~both public and private,~~ State and county boards of education, or with the governing authority of any industrial education

center for the purpose of planning, scheduling or arranging ~~such~~ courses, instruction, extension courses, or in assisting in obtaining courses of study or programs in the field of engineering and land surveying. The Board shall ~~make every effort practical to~~ encourage the educational institutions in this State to offer courses necessary to complete the educational requirements of this Chapter. For the purpose of carrying out these objectives, the Board ~~is authorized to make and promulgate such~~ may adopt rules ~~and regulations~~ as may be necessary for ~~such~~ the educational programs, instruction, extension services, or for entering into plans or contracts with persons or educational and industrial institutions.

(h) The Board may license sponsors of continuing professional competency activities who agree to conduct programs in accordance with standards adopted by the Board. Sponsors shall pay a license fee established by the Board, not to exceed two hundred fifty dollars ($250.00) for licensure under this subsection. The license fee shall accompany the application. Sponsors shall renew their licenses annually on a form provided by the Board."

Section 9. G.S. 89C-11 reads as rewritten:

"**§ 89C-11. Secretary; duties and liabilities; expenditures.**

The secretary of the Board shall receive and account for all moneys derived from the operation of the Board as provided in this Chapter, and shall deposit them in one or more special funds in banks or other financial institutions carrying deposit insurance and authorized to do business in North Carolina. The fund or funds shall be designated as 'Fund of the Board of ~~Registration~~ Examiners for ~~Professional~~ Engineers and ~~Land~~ Surveyors' and shall be drawn against only for the purpose of implementing provisions of this Chapter as herein provided. All expenses certified by the Board as properly and necessarily incurred in the discharge of its duties, including authorized compensation, shall be paid out of ~~said~~ this fund on the warrant signed by the secretary of the ~~Board; provided, however, that at~~ Board. At no time shall the total of warrants issued exceed the total amount of funds accumulated under this Chapter. The secretary of the Board shall give a surety bond satisfactory to the State Board of ~~Registration~~ Examiners for ~~Professional~~ Engineers and ~~Land~~ Surveyors, conditioned upon the faithful performance of ~~his duties.~~ the duties assigned. The premium on ~~said~~ the bond ~~shall be regarded as~~ is a proper and necessary expense of the Board. The secretary of the Board may delegate to the executive ~~secretary~~ director certain routine duties, such as receipt and disbursement of funds in stated amounts by a written authorization, which has the unanimous approval of the Board."

Section 10. G.S. 89C-12 reads as rewritten:

"**§ 89C-12. Records and reports of Board; evidence.**

The Board shall keep a record of its proceedings and a register of all applicants for ~~registration,~~ licensure, showing for each the date of application, name, age, education, and other qualifications, place of business and place of residence, whether the applicant was rejected or a certificate of ~~registration~~ licensure granted, and the date ~~of such action.~~ licensure was rejected or granted. The books and register of the Board shall be prima facie evidence of all matters recorded ~~therein,~~ by the Board,

and a copy duly certified by the secretary of the Board under seal shall be admissible in evidence as if the original were produced. A roster showing the names and places of business and of residence of all ~~registered~~ licensed professional engineers and all ~~registered~~ licensed professional land surveyors shall be prepared by the secretary of the Board current to the month of January of each ~~year; such~~ year. The roster shall be printed by the Board out of the Board's fund ~~of said Board~~ and distributed as ~~set forth~~ described in the Board's ~~rules and regulations.~~ rules. On or before the first day of May of each year, the Board shall submit to the Governor a report on its transactions for the preceding year, and shall file with the Secretary of State a copy of ~~such~~ the report, together with a complete statement of the receipts and expenditures of the ~~Board,~~ Board attested by the ~~affidavits of the chairman~~ chair and the ~~secretary,~~ secretary and a copy of the ~~said~~ the roster of ~~registered~~ licensed professional engineers and ~~registered~~ professional land surveyors."

Section 11. G.S. 89C-13 reads as rewritten:

"**§ 89C-13. General requirements for ~~registration.~~ licensure.**

(a) Engineer Applicant. -- To be eligible for ~~admission to examination for~~ licensure as a professional ~~engineer~~ engineer, an applicant must be of good character and reputation. An applicant desiring to take the examination in the fundamentals of engineering ~~only~~ must submit three character ~~references.~~ references, one of whom shall be a professional engineer. An applicant desiring to take the examination in the principles and practice of engineering must submit five references, two of whom shall be professional engineers having personal knowledge of ~~his~~ the applicant's engineering experiences.

The following shall be considered as minimum evidence satisfactory to the Board that the applicant is qualified for ~~registration:~~ licensure:

(1) As a professional engineer (shall meet one):

a. ~~Registration~~ Licensure by Comity or Endorsement. -- A person holding a certificate of ~~registration~~ licensure to engage in the practice of engineering, on the basis of comparable qualifications, issued to ~~him~~ the person by a proper authority of a state, territory, or possession of the United States, the District of Columbia, or of Canada, who completes an application for licensure and submits five references, two of which shall be from professional engineers having personal knowledge of the applicant's engineering experience, and ~~who~~ who, in the opinion of the Board, meets the requirements of this Chapter, based on verified evidence may, upon application, be ~~registered~~ licensed without further examination.

A person holding a certificate of qualification issued by the Committee on National Engineering Certification of the National Council of ~~Engineering Examiners,~~ Examiners for Engineering and Surveying whose qualifications meet the

requirements of this Chapter, may upon application, be ~~registered~~ licensed without further examination.

b. ~~E.I.T.~~ E.I. Certificate, Experience, and Examination. -- A holder of a certificate of ~~engineer-in-training~~ engineering intern issued by the Board, and with a specific record of an additional four years or more of progressive experience on engineering projects of a grade and character which indicates to the Board that the applicant may be competent to practice engineering, shall be admitted to ~~an eight-hour examination in~~ the principles and practice of ~~engineering.~~ engineering examination. Upon passing ~~such~~ the examination, the applicant shall be granted a certificate of ~~registration~~ licensure to practice professional engineering in this State, provided ~~he~~ the applicant is otherwise qualified.

c. Graduation, Experience, and Examination. -- A graduate of an engineering curriculum of four years or more approved by the Board as being of satisfactory standing, and with a specific record of an additional four years or more of progressive experience on engineering projects of a grade and character which indicates to the Board that the applicant may be competent to practice engineering, shall be admitted to ~~an eight-hour written examination in~~ the fundamentals of ~~engineering,~~ engineering examination, and ~~an eight-hour written examination in~~ the principles and practice of ~~engineering.~~ engineering examination. Upon passing ~~such~~ the examinations, the applicant shall be granted a certificate of ~~registration~~ licensure to practice professional engineering in this State, provided ~~he~~ the applicant is otherwise qualified.

d. Graduation, Experience, and Examination. -- A graduate of an engineering or related science curriculum of four years or more, other than the ones approved by the Board as being of satisfactory standing or with an equivalent education and engineering experience satisfactory to the Board and with a specific record of eight years or more of progressive experience on engineering projects of a grade and character which indicates to the Board that the applicant may be competent in the fundamentals of engineering, shall be admitted to ~~an eight-hour written examination in~~ the fundamentals of ~~engineering,~~ engineering examination and ~~an eight-hour written examination in~~ the principles and practice of ~~engineering.~~ engineering examination. Upon passing ~~such~~ the examinations, the applicant shall be granted a certificate of ~~registration~~ licensure to practice professional

engineering in this State, provided ~~he~~ the applicant is otherwise qualified.

e. Long-Established Practice. -- ~~An individual~~ A person with a specific record of 20 years or more of progressive experience on engineering projects of a grade and character which indicates to the Board that the applicant may be competent to practice engineering shall be admitted to ~~an eight-hour written examination in~~ the principles and practice of ~~engineering.~~ engineering examination. Upon passing ~~such~~ the examination, the applicant shall be granted a certificate of ~~registration~~ licensure to practice professional engineering in this State, provided ~~he~~ the applicant is otherwise qualified.

At its discretion the Board may require an applicant to submit exhibits, drawings, designs, or other tangible evidence of engineering work ~~executed by him and~~ which ~~he~~ the applicant personally accomplished or supervised.

The following shall be considered as minimum evidence that the applicant is qualified for certification:

(2) As an ~~engineer-in-training~~ engineering intern (shall meet one):

a. Graduation and Examination. -- A graduate of an engineering curriculum or related science curriculum of four years or more, approved by the Board as being of satisfactory standing, or a student who has attained senior status in an accredited engineering program, shall be admitted to ~~an eight-hour written examination in~~ the fundamentals of ~~engineering.~~ engineering examination. The applicant shall be notified if the examination was passed or not passed and if passed he shall be certified as an ~~engineer-in-training,~~ engineering intern if ~~he~~ the applicant is otherwise qualified.

b. Graduation, Experience, and Examination. -- A graduate of an engineering or related science curriculum of four years or more, other than the ones approved by the Board as being of satisfactory standing, or with equivalent education and engineering experience satisfactory to the Board and with a specific record of four or more years of progressive experience on engineering projects of a grade and character satisfactory to the Board, shall be admitted to ~~an eight-hour written examination in~~ the fundamentals of ~~engineering.~~ engineering examination. The applicant shall be notified if the examination was passed or not passed and if ~~passed he~~ passed, the applicant shall be certified as an ~~engineer-in-training~~ engineering intern if ~~he~~ the applicant is otherwise qualified.

(b) Land Surveyor Applicant. -- To be eligible for admission to examination for land ~~surveyor-in-training,~~ surveyor intern or ~~registered~~ professional land surveyor, an applicant must be of good character and reputation and shall submit five references with ~~his~~ the application for ~~registration~~ licensure as a land surveyor, two of which references shall be ~~registered~~ professional land surveyors having personal knowledge of ~~his~~ the applicant's land surveying experience, or in the case of an application for certification as a land ~~surveyor-in-training~~ surveyor intern by three references, one of which shall be a ~~registered~~ licensed land surveyor having personal knowledge of the applicant's land surveying experience.

The evaluation of a land surveyor applicant's qualifications shall involve a consideration of ~~his~~ the applicant's education, technical and land surveying experience, exhibits of land surveying projects with which ~~he~~ the applicant has been associated, and recommendations by ~~references, and reviewing of these categories during an oral examination.~~ references. The land surveyor applicant's qualifications may be reviewed at an interview if the Board ~~deems~~ determines it necessary. Educational credit for institute courses, correspondence courses, ~~etc.,~~ or other courses shall be determined by the Board.

The following shall be considered a minimum evidence satisfactory to the Board that the applicant is qualified for ~~registration~~ licensure as a professional land surveyor or for certification as a land ~~surveyor-in-training,~~ surveyor intern respectively:

(1) As a ~~registered~~ professional land surveyor (shall meet one):

a. Rightful possession of a ~~B.S.~~ bachelor of science degree in surveying or other equivalent curricula, all approved by the Board and a record satisfactory to the Board of ~~one year~~ two years or more of progressive practical ~~experience~~ experience, one year of which shall have been under a practicing ~~registered~~ professional land surveyor and satisfactorily passing ~~such~~ any oral and written ~~examination, taken in the presence of and~~ examination required by the Board, all of which shall determine and indicate that the ~~candidate~~ applicant is competent to practice land surveying. The applicant may ~~elect~~ be qualified by the Board to take the first examination (Surveying Fundamentals) immediately after obtaining the ~~B.S.~~ bachelor of science degree at the first regularly scheduled examination thereafter. Upon passing the first examination and successful completion of the experience required by this subdivision, the applicant may apply to take the second examination (Principles and Practice of Land Surveying). An applicant who passes both examinations and completes the educational and experience requirements of this subdivision shall be granted ~~registration~~ licensure as a professional land surveyor.

b. Rightful possession of an associate degree in surveying technology approved by the Board and a record satisfactory

to the Board of ~~three~~ four years of progressive practical experience, ~~two~~ three years of which shall have been under a practicing ~~registered~~ licensed land surveyor, and satisfactorily passing ~~such~~ any written and oral examination ~~taken in the presence of and as~~ required by the Board, all of which shall determine and indicate that the ~~candidate~~ applicant is competent to practice land surveying. The applicant may ~~elect~~ apply to the Board to take the first examination (Surveying Fundamentals) immediately after obtaining the associate degree at the first regularly scheduled examination thereafter. Upon passing the first examination and successfully completing ~~years of progressive practical experience under a practicing registered land surveyor,~~ the practical experience required under this subdivision, the applicant may ~~elect~~ apply to the Board to take the second examination ~~(Principles and Practice of Land Surveying) prior to, during, or after completion of the additional experience required by this subdivision.~~ (Principles and Practice of Land Surveying). An applicant who passes both examinations and successfully completes the educational and experience requirements of this subdivision shall be granted ~~registration~~ licensure as a professional land surveyor.

~~e. Land Surveyor-in-Training Certificate, Experience, and Examination. — A holder of a certificate of land surveyor-in-training issued by the Board, and with a specific record of an additional two years or more of progressive surveying experience, one year of which shall have been under a practicing registered land surveyor, of a grade and character which indicates to the Board that the applicant may be competent to practice land surveying, shall be admitted to two four-hour examinations. Upon passing such examinations, the applicant shall be granted a certificate of registration to practice land surveying in this State, provided he is otherwise qualified.~~

d. Graduation from a high school or the completion of a high school equivalency certificate and a record satisfactory to the Board of ~~seven~~ 10 years of progressive practical experience, ~~six~~ seven years of which shall have been under a practicing ~~registered~~ licensed land surveyor, and satisfactorily passing ~~such~~ any oral and written ~~examination written in the presence of and~~ examinations required by the Board, all of which shall determine and indicate that the candidate is competent to practice land surveying. The

applicant may be qualified by the Board to take the first examination (Surveying Fundamentals) upon graduation from high school or the completion of a high school equivalency certificate and successfully completing six years of progressive practice experience, five of which shall have been under a practicing licensed land surveyor. The applicant may apply to take the second examination (Principles and Practice of Land Surveying) upon passing the first examination and successfully completing four years of progressive practical experience, two of which shall have been under a practicing licensed land surveyor.

e. Repealed by Session Laws 1985 (Regular Session, 1986), c. 977, s. 7.

f. ~~Registration~~ Licensure by Comity or Endorsement. -- A person holding a certificate of ~~registration~~ licensure to engage in the practice of land surveying issued on comparable qualifications from a state, territory, or possession of the United States will be given comity considerations. However, ~~he~~ the applicant may be asked to take ~~such~~ any examinations as the Board ~~deems necessary~~ requires to determine ~~his~~ the applicant's qualifications, but in any event, ~~he~~ the applicant shall be required to pass ~~a written~~ an examination which shall include questions on laws, procedures, and practices pertaining to the practice of land surveying in North Carolina.

g. A licensed professional engineer who can satisfactorily demonstrate to the Board that ~~his~~ the professional engineer's formal academic training in acquiring a degree and field experience in engineering includes land surveying, to the extent necessary to reasonably qualify the applicant in the practice of land surveying, may apply for and may be granted permission to take the ~~two four-hour examinations on the~~ principles and practice of land surveying examination and the ~~two four-hour examinations on the~~ fundamentals of land ~~surveying.~~ surveying examination. Upon satisfactorily passing the examinations, the applicant ~~will~~ shall be granted a license to practice land surveying in the State of North Carolina.

h. Professional Engineers in Land Surveying. -- Any person presently licensed to practice professional engineering under this Chapter shall upon ~~his~~ application be licensed to practice land surveying, providing ~~his~~ a written application is filed with the Board within one year next after June 19, 1975.

i. Photogrammetrists. -- Any person presently practicing photogrammetry with at least seven years of experience in the profession, two or more of which shall have been in responsible charge of photogrammetric mapping projects meeting National Map Accuracy Standards shall, upon application, be licensed to practice land surveying, provided:

1. The applicant submit certified proof of graduation from high school, high school equivalency, or higher degree;
2. The applicant submit proof of employment in responsible charge as a photogrammetrist practicing within the State of North Carolina to include itemized reports detailing methods, procedures, amount of applicant's personal involvement and the name, address, and telephone numbers of the client for five projects completed by the applicant with the State. A final map for one of the five projects shall also be submitted;
3. Five references to the applicant's character and quality of work, three of which shall be from professional land surveyors, are submitted to the Board; and
4. The application is submitted to the Board by July 1, 1998. After July 1, 1998, no photogrammetrist shall be licensed without meeting the same requirements as to education, length of experience, and testing required of all land surveying applicants.

The Board shall require an applicant to submit exhibits, drawings, plats or other tangible evidence of land surveying work executed by ~~him~~ the applicant under proper supervision and which ~~he~~ the applicant has personally accomplished or supervised.

Land surveying encompasses a number of disciplines including geodetic surveying, hydrographic surveying, cadastral surveying, engineering surveying, route surveying, photogrammetric (aerial) surveying, and topographic surveying. A professional land surveyor shall practice only within the surveyor's area of expertise.

(2) As a land ~~surveyor-in-training~~ surveyor intern (shall meet one):

a. Rightful possession of an associate degree in surveying technology approved by the Board and satisfactorily passing a written ~~or~~ and oral examination ~~taken in the presence of and~~ as required by the Board.

b. Rightful possession of a ~~B.S.~~ bachelors degree in surveying or other equivalent curricula in surveying all approved by the Board and satisfactorily passing ~~such~~ any oral and

written examinations ~~written in the presence of and~~ required by the Board.

c. Graduation from high school or the completion of a high school equivalency certificate and a record satisfactory to the Board of ~~five~~ six years of progressive, practical experience, ~~four~~ five years of which shall have been under a practicing ~~registered~~ licensed land surveyor and satisfactorily passing any oral and written examinations ~~taken in the presence of and as~~ required by the Board.

The Board shall require an applicant to submit exhibits, drawings, plats, or other tangible ~~evidence of land surveying work executed by him under proper supervision and~~ which ~~he~~ the applicant has personally accomplished or supervised."

Section 12. G.S. 89C-14 reads as rewritten:

"**§ 89C-14. Application for ~~registration; registration~~ licensure; license fees.**

(a) Application for ~~registration~~ licensure as a professional engineer or ~~registered~~ professional land surveyor shall be on a form prescribed and furnished by the Board. It shall contain statements made under oath, showing the applicant's education and a detailed summary of ~~his~~ the applicant's technical and engineering or land surveying experience, and shall include the names and complete mailing addresses of the references, none of whom ~~should~~ may be immediate members of the applicant's family or members of the Board.

The Board may accept the certified information on the copy of a current formal certificate of qualifications issued by the National Council of ~~Engineering Examiners Committee or National Engineering Certification for Professional Engineer applicants~~ Examiners for Engineering and Surveying in lieu of the same information that is required for the form prescribed and furnished by the Board.

(b) An applicant for ~~registration~~ licensure who is required to take the written examination shall pay a fee equal to the cost of the examination to the Board plus an additional amount not to exceed one hundred dollars ($100.00). The Board may charge any fee necessary to defray the cost of any required examinations. The fee shall accompany the application. The fee for comity ~~registration~~ licensure of engineers and land surveyors who hold unexpired certificates in another state or a territory of the United States or in Canada shall be the total current fee as fixed by the Board.

(c) The certification fee for a corporation is the amount set by the Board ~~in accordance with G.S. 55B-10.~~ but shall not exceed two hundred fifty dollars ($250.00). The fee shall accompany the application. The certification fee for a business firm is the same as the fee for a corporation. The fee for renewal of a certificate of ~~registration~~ licensure of a corporation is the amount set by the Board ~~in accordance with G.S. 55B-11.~~ but shall not exceed one hundred dollars ($100.00). The fee for renewal of a certificate of ~~registration~~ licensure for a business firm is the same as the renewal fee for a corporation.

(d) Should the Board deny the issuance of a certificate of ~~registration~~ licensure to any applicant, the unobligated portion of fees paid shall be returned by the Board to the applicant.

(e) A candidate failing an examination may apply, and be considered by the Board, for reexamination at the end of six months. The Board shall make such reexamination charge as is necessary to defray the cost of the examination.

A candidate ~~failing an examination three times will not be permitted to take a reexamination until he has made a written appeal to the Board and his tentative qualifications for the examination are reviewed and reaffirmed by the Board.~~ with a combination of three failures or unexcused absences on an examination shall only be eligible after submitting a new application with appropriate application fee, and be considered by the Board for reexamination at the end of 12 months. After the end of the 12-month period, the applicant may take the examination no more than once every calendar year."

Section 13. G.S. 89C-15 reads as rewritten:

"**§ 89C-15. Examinations.**

(a) The examinations will be held at ~~such~~ the times and places as the Board directs. The Board shall determine the passing grade on examinations. All examinations shall be approved by the entire Board.

(b) Written examinations will be given in sections and may be taken only after the applicant has met the other minimum requirements as given in ~~G.S. 89C-13,~~ G.S. 89C-13 and has been approved by the Board for admission to the examination as follows:

(1) Engineering Fundamentals. -- Consists of an eight-hour examination on the fundamentals of engineering. Passing this examination qualifies the ~~examinee~~ applicant for an ~~engineer-in-training~~ engineering intern certificate, provided ~~he~~ the applicant has met all other requirements for ~~certification~~ licensure required by this Chapter.

(2) Principles and Practice of Engineering. -- Consists of an eight-hour examination on applied engineering. Passing this examination qualifies the ~~examinee~~ applicant for ~~registration~~ licensure as a professional engineer, provided ~~he~~ the applicant has met the other requirements for registration required by this Chapter.

(3) Surveying Fundamentals. -- Consists of ~~two four-hour examinations~~ an eight-hour examination on the elementary disciplines of land surveying. Passing ~~both of these examinations~~ this examination qualifies the ~~examinee~~ applicant for a land ~~surveyor-in-training~~ surveyor intern certificate provided ~~he~~ the applicant has met all other requirements for certification required by this Chapter.

(4) Principles and Practices of Land Surveying. -- Consists of ~~two four-hour examinations~~ a six-hour examination on the basic and applied disciplines of land ~~surveying, one examination on basic disciplines and the other examination covering applied disciplines.~~

surveying and a two-hour examination on requirements specific to the practice of land surveying in North Carolina. Passing each of these examinations qualifies the ~~examinee~~ applicant for a ~~registered~~ professional land surveyor certificate provided ~~he~~ the applicant has met all other requirements for certification required by this Chapter."

Section 14. G.S. 89C-16 reads as rewritten:

"**§ 89C-16. Certificates of ~~registration;~~ licensure; effect; seals.**

(a) The Board shall issue to any applicant, who, in the opinion of the Board, has met the requirements of this Chapter, a certificate of ~~registration~~ licensure giving the ~~registrant~~ licensee proper authority to practice ~~his~~ the profession in this State. The certificate of ~~registration~~ licensure for a professional engineer shall carry the designation 'professional engineer,' and for a land surveyor, '~~registered~~ 'professional land surveyor,' shall give the full name of the ~~registrant~~ licensee with ~~his serial~~ the Board designated licensure number and shall be signed by the ~~chairman~~ chair and the secretary under the seal of the Board.

(b) This certificate shall be prima facie evidence that the person named ~~thereon~~ on the certificate is entitled to all rights, privileges and responsibilities of a professional engineer or a ~~registered~~ professional land surveyor, while the ~~said~~ certificate of ~~registration~~ licensure remains unrevoked or unexpired.

(c) Each ~~registrant hereunder~~ licensee shall upon ~~registration~~ licensure obtain a seal of a design authorized by the Board bearing the ~~registrant's~~ licensee's name, ~~serial~~ license number, and the legend, 'professional engineer,' or '~~registered~~ 'professional land surveyor.' Final drawings, specifications, plans and reports prepared by a ~~registrant~~ licensee shall, when issued, be certified and stamped with the ~~said~~ seal or facsimile ~~thereof~~ of the seal unless the ~~registrant~~ licensee is exempt under the provisions of G.S. 89C-25(7). It shall be unlawful for a ~~registrant~~ licensee to affix, or permit ~~his~~ the licensee's seal and signature or facsimile ~~thereof~~ of the seal and signature to be affixed to any drawings, specifications, plans or reports after the expiration of a certificate or for the purpose of aiding or abetting any other person to evade or attempt to evade any provision of this Chapter. A professional engineer practicing land surveying shall use ~~his registered~~ the licensee's land surveyor seal."

Section 15. G.S. 89C-17 reads as rewritten:

"**§ 89C-17. Expirations and renewals of certificates.**

Certificates for ~~registration~~ licensure shall expire on the last day of the month of December next following their issuance or renewal, and shall become invalid on that date unless renewed. When necessary to protect the public health, safety, or welfare, the Board shall require ~~such~~ any evidence ~~as it deems~~ necessary to establish the continuing competency of engineers and land surveyors as a condition of renewal of licenses. When the Board is satisfied as to the continuing competency of an applicant, it shall issue a renewal of the certificate upon payment by the applicant of a fee fixed by the Board but not to exceed ~~fifty dollars ($50.00).~~ one hundred dollars ($100.00). The secretary of the Board shall notify by mail every person ~~registered~~ licensed under this Chapter of the date of expiration of ~~his~~ the certificate, the amount of the fee

required for its renewal for one year, and any requirement as to evidence of continued competency. The notice shall be mailed at least one month in advance of the expiration date of the certificate. Renewal shall be effected at any time during the month of January immediately following, by payment to the secretary of the Board of a renewal fee, as determined by the Board, which shall not exceed ~~fifty dollars ($50.00).~~ one hundred dollars ($100.00). Failure on the part of any registrant to renew ~~his~~ the certificate annually in the month of January, as required above, shall deprive the registrant of the right to practice until renewal has been effected. Renewal may be effected at any time during the first ~~36~~ 12 months immediately following its invalidation ~~of payment of the renewal fee increased ten percent (10%) for each month or fraction of a month that payment for renewal is delayed.~~ by payment of the established renewal fee and a late penalty of one hundred dollars ($100.00). Failure of a ~~registrant~~ licensee to renew ~~his registration~~ the license for a period of ~~36~~ 12 months shall require the individual, prior to resuming practice in North Carolina, to submit an application ~~therefor~~ on the prescribed form, and to meet all other requirements for ~~registration~~ licensure as set forth in Chapter 89C. The secretary of the Board is instructed to remove from the official roster of engineers and land surveyors the names of all ~~registrants~~ licensees who have not effected their renewal by the first day of February immediately following the date of their expiration. The Board may ~~enact~~ adopt rules to provide for renewals in distress or hardship cases due to military service, prolonged illness, or prolonged absence from the State, where the applicant for renewal demonstrates to the Board that ~~he~~ the applicant has maintained ~~his~~ active knowledge and professional status as an engineer or land surveyor, as the case may be. It shall be the responsibility of each ~~registrant~~ licensee to inform the Board promptly concerning change in address. A licensee may request and be granted inactive status. No inactive licensee may practice in this State unless otherwise exempted in this Chapter. A licensee granted inactive status shall pay annual renewal fees but shall not be subject to annual continuing professional competency requirements. A licensee granted inactive status may return to active status by meeting all requirements of the Board, including demonstration of continuing professional competency as a condition of reinstatement."

Section 16. G.S. 89C-18 reads as rewritten:

"**§ 89C-18. Duplicate certificates.**

The Board may issue a duplicate certificate of ~~registration~~ licensure or certificate of authorization to replace any certificate that has been lost, destroyed, or mutilated and may charge a fee of up to twenty-five dollars ($25.00) for issuing the certificate."

Section 17. G.S. 89C-19 reads as rewritten:

"**§ 89C-19. Public works; requirements where public safety involved.**

This State and its political subdivisions such as counties, cities, towns, or other political entities or legally constituted boards, commissions, public utility companies, or authorities, or officials, or employees ~~thereof~~ of these entities shall not engage in the practice of engineering or land surveying involving either public or private property where the safety of the public is directly involved without the project being under the supervision of a professional engineer for the preparations of plans and

specifications for engineering projects, or a ~~registered~~ professional land surveyor for land surveying projects, as provided for the practice of the respective professions by this Chapter.

An official or employee of the State or any political subdivision specified in this section, holding the positions set out in this section as of June 19, 1975, shall be exempt from the provisions of this section so long as such official or employee is engaged in substantially the same type of work as is involved in ~~his~~ the present position.

Nothing in this section shall be construed to prohibit inspection, maintenance and service work done by employees of the State of North Carolina, any political subdivision ~~thereof,~~ of the State, or any municipality ~~therein~~ including construction, installation, servicing, and maintenance by regular full-time employees of, secondary roads and drawings incidental ~~thereto,~~ to work on secondary roads, streets, street lighting, traffic-control signals, police and fire alarm systems, waterworks, steam, electric and sewage treatment and disposal plants, the services of superintendents, inspectors or foremen regularly employed by the State of North Carolina or any political subdivision ~~thereof,~~ of the State, or municipal ~~corporation therein.~~ corporation.

The provisions in this section shall not be construed to alter or modify the requirements of Article 1 of Chapter 133 of the General Statutes."

Section 18. G.S. 89C-20 reads as rewritten:

"§ 89C-20. Rules of professional conduct.

In the interest of protecting the safety, health, and welfare of the public, the Board shall ~~promulgate and~~ adopt rules of professional conduct applicable to the practice of engineering and land surveying. These rules, when adopted, shall be construed to be a reasonable exercise of the police power vested in the Board of ~~Registration~~ Examiners for ~~Professional~~ Engineers and Land Surveyors. Every person ~~registered~~ licensed by the Board shall subscribe to and observe the adopted rules as the standard of professional conduct for the practice of engineering and land ~~surveying.~~ surveying and shall cooperate fully with the Board in the course of any investigation. In the case of violation of the rules of professional conduct, the Board shall ~~have the responsibility and duty to~~ proceed in accordance with G.S. 89C-22."

Section 19. G.S. 89C-21 reads as rewritten:

"§ 89C-21. Disciplinary action -- Reexamination, revocation, suspension, reprimand, or civil penalty.

(a) The Board may reprimand the licensee, suspend, refuse to renew, or revoke the certificate of ~~registration,~~ licensure, or, as appropriate, require reexamination, for any engineer or land surveyor, who is found:

(1) Guilty of the practice of any fraud or deceit in obtaining a certificate of ~~registration~~ licensure or certificate of authorization.

(2) Guilty of any gross negligence or misconduct in the practice of ~~his~~ the profession.

(3) Guilty of any felony or any crime involving moral turpitude.

(4) Guilty of violation of the Rules of Professional Conduct, as adopted by the Board.

(5) To have been declared insane or incompetent by a court of competent jurisdiction and has not ~~thereafter~~ later been lawfully declared sane or competent.

(6) Guilty of professional incompetence. In the event the Board finds that a certificate holder is incompetent the Board may, in its discretion, require oral or written examinations, or other indication of the certificate holder's fitness to practice ~~his profession~~ engineering or land surveying and suspend ~~his~~ the license during any such period.

(b) The Board ~~shall have the power to~~ may (i) revoke a certificate of authorization, or (ii) to suspend a certificate of authorization for a period of time not exceeding two years, of any corporation or business firm where one or more of its officers or directors have committed any act or have been guilty of any conduct which would authorize a revocation or suspension of their certificates of ~~registration~~ licensure under the provision of this section.

(c) The Board may levy a civil penalty not in excess of two thousand dollars ($2,000) for any engineer or land surveyor who violates any of the provisions of subdivisions (1) through (4) of subsection (a) of this section. All civil penalties collected by the Board shall be deposited in the General Fund of North Carolina.

(d) Before imposing and assessing a civil penalty and fixing the ~~amount thereof,~~ amount, the Board shall, as a part of its deliberation, take into consideration the following factors:

(1) The nature, gravity, and persistence of the particular violations;

(2) The appropriateness of the imposition of a civil penalty when considered alone or in combination with other punishment;

(3) Whether the violation(s) were done willfully and maliciously; and

(4) Any other factors which would tend to either mitigate or aggravate the violation(s) found to exist."

Section 20. G.S. 89C-22 reads as rewritten:

"**§ 89C-22. Disciplinary action -- Charges; procedure.**

(a) Any person may prefer charges of fraud, deceit, gross negligence, incompetence, misconduct, or violation of the rules of professional conduct, against any Board registrant. The charges shall be in writing and shall be sworn to by the person or persons making them and shall be filed with ~~the secretary of~~ the Board.

(b) All charges, unless dismissed by the Board as unfounded or trivial, shall be heard by the Board as provided under the requirements of Chapter 150B of the General Statutes.

(c) If, after ~~such~~ a hearing, a majority of the Board votes in favor of sustaining the charges, the Board shall reprimand, levy a civil penalty, suspend, refuse to renew, or revoke the ~~registrant's certificate of registration.~~ licensee's certificate.

(d) A ~~registrant~~ licensee who is aggrieved by a final decision of the Board may appeal for judicial review as provided by Article 4 of Chapter 150B.

(e) The Board may, upon petition of an individual or an entity whose certificate has been revoked, for sufficient ~~reasons it may deem sufficient,~~ reasons as it may determine, reissue a certificate of ~~registration~~ licensure or authorization, provided that a majority of the members of the Board vote in favor of such issuance."

Section 21. G.S. 89C-23 reads as rewritten:

"**§ 89C-23. Unlawful to practice engineering or land surveying without ~~registration;~~ licensure; unlawful use of title or terms; penalties; Attorney General to be legal adviser.**

Any person who shall practice, or offer to practice, engineering or land surveying in this State without first being ~~registered~~ licensed in accordance with the provisions of this Chapter, or any person, firm, partnership, organization, association, corporation, or other entity using or employing the words 'engineer' or 'engineering' or 'professional engineer' or 'professional engineering' or 'land surveyor' or 'land surveying,' or any modification or derivative ~~thereof~~ of those words in its name or form of business or activity except as ~~registered~~ licensed under this Chapter or in pursuit of activities exempted by this Chapter, or any person presenting or attempting to use the certificate of ~~registration~~ licensure or the seal of another, or any person who shall give any false or forged evidence of any kind to the Board or to any member ~~thereof~~ of the Board in obtaining or attempting to obtain a certificate of ~~registration,~~ licensure, or any person who shall falsely impersonate any other ~~registrant~~ licensee of like or different name, or any person who shall attempt to use an expired or revoked or nonexistent certificate of ~~registration,~~ licensure, or who shall practice or offer to practice when not qualified, or any person who falsely claims that ~~he~~ the person is registered under this Chapter, or any person who shall violate any of the provisions of this Chapter, in addition to injunctive procedures set out hereinbefore, shall be guilty of a Class 2 misdemeanor. In no event shall there be representation of or holding out to the public of any engineering expertise by ~~unregistered~~ unlicensed persons. It shall be the duty of all duly constituted officers of the State and all political subdivisions ~~thereof~~ of the State to enforce the provisions of this Chapter and to prosecute any persons violating ~~same.~~ them.

The Attorney General of the State or ~~his~~ an assistant shall act as legal adviser to the Board and render ~~such~~ any legal assistance ~~as may be~~ necessary ~~in carrying~~ to carry out the provisions of this Chapter. The Board may employ counsel and necessary assistance to aid in the enforcement of this Chapter, and the compensation and expenses ~~therefor~~ for the assistance shall be paid from funds of the Board."

Section 22. G.S. 89C-24 reads as rewritten:

"**§ 89C-24. ~~Registration~~ Licensure of corporations and business firms that engage in the practice of engineering or land surveying.**

A corporation or business firm may not engage in the practice of engineering or land surveying in this State unless it is ~~registered with~~ licensed by the Board and has paid ~~the required registration fee.~~ an application fee established by the Board in an amount not to exceed two hundred fifty dollars ($250.00). A corporation or business firm is subject to the same duties and responsibilities as an individual ~~registrant. Registration~~ licensee. Licensure of a corporation or business firm does not affect the

requirement that all engineering or land surveying work done by the corporation or business firm be performed by or under the responsible charge of individual registrants, nor does it relieve the individual registrants within a corporation or business firm of their design and supervision responsibilities.

This section applies to every corporation that is engaged in the practice of engineering or land surveying, regardless of when it was incorporated. A corporation that is not exempt from Chapter 55B of the General Statutes by application of G.S. 55B-15 must be incorporated under that Chapter."

Section 23. G.S. 89C-25 reads as rewritten:

"**§ 89C-25. Limitations on application of Chapter.**

This Chapter shall not be construed to prevent or affect:

(1) The practice of architecture, landscape architecture, or contracting or any other legally recognized profession or trade; or

(2) The practice of professional engineering or land surveying in this State or by any person not a resident of this State and having no established place of business in this State when this practice does not aggregate more than 90 days in any calendar year, whether performed in this State or elsewhere, or involve more than one specific project; provided, however, that ~~such~~ the person is ~~legally qualified by registration~~ licensed to practice the ~~said~~ profession in ~~his~~ the person's own state or country, in which the requirements and qualifications for obtaining a certificate of ~~registration~~ licensure are satisfactory to the Board; in which case the person shall apply for and the Board will issue a temporary permit; or

(3) The practice of professional engineering or land surveying in this State not to aggregate more than 90 days by any person residing in this State, but whose residence has not been of sufficient duration for the Board to grant or deny ~~registration;~~ licensure; provided, however, ~~such~~ the person shall have filed an application for ~~registration~~ licensure as a professional engineer or ~~registered~~ professional land surveyor and shall have paid the fee provided for in G.S. 89C-14, and provided that ~~such a~~ the person is ~~legally qualified by registration~~ licensed to practice professional engineering or professional land surveying in ~~his~~ the person's own state or country in which the requirements and qualifications for obtaining a certificate of ~~registration~~ licensure are satisfactory to the Board, in which case the person shall apply for and the Board will issue a temporary permit; or

(4) Engaging in engineering or land surveying as an employee or assistant under the responsible charge of a professional engineer or ~~registered~~ professional land surveyor or as an employee or assistant of a nonresident professional engineer or a nonresident ~~registered~~ professional land surveyor provided for in subdivisions (2) and (3)

of this section, provided that ~~said~~ the work as an employee may not include responsible charge of design or supervision; or

(5) The practice of professional engineering or land surveying by any person not a resident of, and having no established place of business in this State, as a consulting associate of a professional engineer or ~~registered~~ professional land surveyor ~~registered~~ licensed under the provisions of this Chapter; provided, the nonresident is qualified for ~~such~~ performing the professional service in ~~his~~ the person's own state or country; or

(6) Practice by members of the armed forces or employees of the government of the United States while engaged in the practice of engineering or land surveying solely for ~~said~~ the government on government-owned works and projects; or

(7) The internal engineering or surveying activities of a person, firm or corporation engaged in manufacturing, processing, or producing a product, including the activities of public service corporations, public utility companies, authorities, State agencies, railroads, or membership cooperatives, or the installation and servicing of their product in the field; or research and development in connection with the manufacture of that product or their service; or of their research affiliates; or their employees in the course of their employment in connection with the manufacture, installation, or servicing of their product or service in the field, or on-the-premises maintenance of machinery, equipment, or apparatus incidental to the manufacture or installation of the product or service of a firm by the employees of the firm upon property owned, leased or used by the firm; inspection, maintenance and service work done by employees of the State of North Carolina, any political subdivision ~~thereof,~~ of the State, or any municipality ~~therein~~ including construction, installation, servicing, maintenance by regular full-time employees of streets, street lighting, traffic-control signals, police and fire alarm systems, waterworks, steam, electric and sewage treatment and disposal plants; the services of superintendents, inspectors or foremen regularly employed by the State of North Carolina or any political subdivision ~~thereof,~~ of the State or a municipal ~~corporation therein;~~ corporation; provided, however, that the internal engineering or surveying activity is not a holding out to or an offer to the public of engineering or any service thereof as prohibited by this Chapter. Engineering work, not related to the foregoing exemptions, where the safety of the public is directly involved shall be under the responsible charge of a ~~registered~~ licensed professional engineer, or in accordance with standards prepared or approved by a ~~registered~~ licensed professional engineer.

(8) The (i) preparation of fire sprinkler planning and design drawings by a fire sprinkler contractor licensed under Article 2 of Chapter 87 of the General Statutes, or (ii) the performance of internal engineering or survey work by a manufacturing or communications common carrier company, or by a research and development company, or by employees of ~~such~~ those corporations provided that ~~such~~ the work is in connection with, or incidental to products of, or nonengineering services rendered by ~~such~~ those corporations or their affiliates.

(9) The routine maintenance or servicing of machinery, equipment, facilities or structures, the work of mechanics in the performance of their established functions, or the inspection or supervision of construction by a foreman, superintendent, or agent of the architect or professional engineer, or services of an operational nature performed by an employee of a laboratory, a manufacturing plant, a public service corporation, or governmental operation."

Section 24. G.S. 89C-25.1 reads as rewritten:

"**§ 89C-25.1. Supervision of ~~unregistered~~ unlicensed individuals by ~~registered~~ licensed person.**

In all circumstances in which ~~unregistered~~ unlicensed individuals are permitted under this Chapter to perform engineering or land surveying work, or both, under the supervision of a ~~registered~~ licensed engineer, land surveyor, or both, the Board may by regulation establish a reasonable limit on the number of ~~unregistered~~ unlicensed individuals which a ~~registrant~~ licensee of the Board may directly or personally supervise at one time."

Section 25. G.S. 89C-26 reads as rewritten:

"**§ 89C-26. Duties of register of deeds.**

The register of deeds or any other county or proper public authority may not file or record any map, plat, survey, or other documents, within the definition of land surveying, which do not contain an original personal signature and original seal of a ~~registered~~ licensed land surveyor by whom, or under whose responsible charge, the map, plat, survey, or other documents were prepared, except as provided in G.S. 47-30(m) and (n)."

Section 26. G.S. 89C-28 reads as rewritten:

"**§ 89C-28. Existing ~~registration~~ licensure not affected.**

Nothing in this Chapter shall be construed as affecting the status of ~~registration~~ licensure of any professional engineer or ~~registered~~ land surveyor who is rightfully in possession of a certificate of ~~registration~~ licensure duly issued by the Board and valid as of July 1, 1975."

Section 27. This act becomes effective July 1, 1997, and applies to persons applying for licenses on or after that date and to persons practicing engineering and land surveying on or after that date.

HOUSE BILL 794*

Short Title: Engineering and Land Surveying Changes. (Public)

Sponsors: Representatives Ives and Sherrill.

Referred to: Rules, Calendar and Operations of the House.

April 3, 1997

A BILL TO BE ENTITLED

AN ACT TO MAKE SUBSTANTIVE CHANGES TO THE NORTH CAROLINA ENGINEERING AND LAND SURVEYING ACT.

The General Assembly of North Carolina enacts:

Section 1. G.S. 89C-2 reads as rewritten:

"**§ 89C-2. Declarations; prohibitions.**

In order to safeguard life, health, and property, and to promote the public welfare, the practice of engineering and the practice of land surveying in this State are hereby declared to be subject to regulation in the public interest. It shall be unlawful for any person to practice or to offer to practice engineering or land surveying in this State, as defined in the provisions of this Chapter, or to use in connection with ~~his~~ the person's name or otherwise assume or advertise any title or description tending to convey the impression that ~~he~~ the person is either a professional engineer or a ~~registered~~ professional land surveyor, unless ~~such~~ the person has been duly ~~registered as such.~~ licensed. The right to engage in the practice of engineering or land surveying ~~shall be deemed~~ is a personal right, based on the qualifications of the ~~individual~~ person as evidenced by ~~his~~ the person's certificate of ~~registration,~~ licensure, which shall not be transferable."

Section 2. G.S. 89C-3 reads as rewritten:

"**§ 89C-3. Definitions.**

The following definitions apply in this Chapter:

(1) Board. -- The North Carolina State Board of ~~Registration~~ Examiners for ~~Professional~~ Engineers and ~~Land~~ Surveyors provided for by this Chapter.

(1a) Business firm. -- A partnership, firm, association, or another organization or group that is not a corporation and is acting as a unit.

(2) Engineer. -- A person who, by reason of ~~his~~ special knowledge and use of the mathematical, physical and engineering sciences and the principles and methods of engineering analysis and design, acquired by engineering education and engineering experience, is qualified to practice engineering.

(3) ~~Engineer-in-training.~~ Engineering intern. -- A person who complies with the requirements for education, experience and character, and has passed an examination in the fundamental engineering subjects, as provided in this Chapter.

(3.1) Inactive licensee. -- Licensees who are not engaged in the practice of engineering.

(4) ~~Land surveyor-in-training.~~ Land surveyor intern. -- A person who has qualified for, taken, and passed an examination on the basic disciplines of land surveying as provided in this Chapter.

(5) Person. -- Any natural person, firm, partnership, corporation or other legal entity.

(6) Practice of engineering. --

a. Any service or creative work, the adequate performance of which requires engineering education, training, and experience, in the application of special knowledge of the mathematical, physical, and engineering sciences to such services or creative work as consultation, investigation, evaluation, planning, and design of engineering works and systems, planning the use of land and water, engineering surveys, and the observation of construction for the purposes of assuring compliance with drawings and specifications, including the consultation, investigation, evaluation, planning, and design for either private or public use, in connection with any utilities, structures, buildings, machines, equipment, processes, work systems, projects, and industrial or consumer products or equipment of a mechanical, electrical, hydraulic, pneumatic or thermal nature, insofar as they involve safeguarding life, health or property, and including such other professional services as may be necessary to the planning, progress and completion of any engineering services.

A person shall be construed to practice or offer to practice engineering, within the meaning and intent of this Chapter, who practices any branch of the profession of engineering; or who, by verbal claim, sign, advertisement, letterhead, card, or in any other way represents ~~himself~~ the

person to be a professional engineer, or through the use of some other title implies that ~~he~~ the person is a professional engineer or that ~~he~~ the person is registered under this Chapter; or who holds ~~himself~~ the person out as able to perform, or who does perform any engineering service or work not exempted by this Chapter, or any other service designated by the practitioner which is recognized as engineering.

b. The term 'practice of engineering' shall not be construed to permit the location, description, establishment or reestablishment of property lines or descriptions of land boundaries for conveyance. The term does not include the assessment of an underground storage tank required by applicable rules at closure or change in service unless there has been a discharge or release of the product from the tank.

(7) Practice of land surveying by ~~registered~~ professional land surveyors. --

a. Any service or work, the adequate performance of which involves the application of special knowledge of the principles of mathematics, the related physical and applied sciences, and the relevant requirements of law for adequate evidence to the act of measuring and locating lines, angles, elevations, natural and man-made features in the air, on the surface of the earth, within underground workings, and on the beds of bodies of water for the purpose of determining areas and volumes, for the monumenting of property boundaries, and for the platting and layout of lands and subdivisions thereof, including the topography, alignment and grades of street and incidental drainage within the subdivision, and for the preparation and perpetuation of maps, record plats, field note records, and property descriptions that represent these surveys.

b. The term 'practice of land surveying' shall not be construed to permit the design or preparation of specifications for (i) major highways; (ii) wastewater systems; (iii) wastewater or industrial waste treatment works; (iv) pumping or lift stations; (v) water supply, treatment, or distribution systems; (vi) streets or storm sewer systems except as incidental to a subdivision.

(8) Professional engineer. -- A person who has been duly ~~registered and~~ licensed as a professional engineer by the Board established by this Chapter.

(9) ~~Registered~~ Professional land surveyor. -- A person who, by reason of ~~his~~ special knowledge of mathematics, surveying principles and methods, and legal requirements which are acquired by education and/or practical experience, is qualified to engage in the practice of land surveying, ~~as herein defined,~~ as attested by ~~his registration~~ the person's licensure as a ~~registered~~ professional land surveyor by the Board.

(10) Responsible charge. -- Direct control and personal supervision, either of engineering work or of land surveying, as the case may be."

Section 3. G.S. 89C-4 reads as rewritten:

"**§ 89C-4. State Board of ~~Registration;~~ Examiners for Engineers and Surveyors; appointment; terms.**

A State Board of ~~Registration~~ Examiners for ~~Professional~~ Engineers and ~~Land~~ Surveyors, whose duty it is to administer the provisions of this Chapter, is created. The Board shall consist of four ~~registered~~ licensed professional engineers, three ~~registered~~ licensed professional land surveyors and two public members, who are neither professional engineers nor professional land surveyors. Of the land surveyor members, one and only one may hold dual ~~registration~~ licenses as a professional land surveyor and professional engineer. All of the members shall be appointed by the Governor. Appointments of the engineer and land surveyor members shall preferably, but not necessarily, be made from a list of nominees submitted by the professional societies for engineers and land surveyors in this State. Each member of the Board shall receive a certificate of appointment from the Governor and shall file with the Secretary of State ~~his~~ a written oath or affirmation for the faithful discharge of ~~his~~ the duties.

Members of the Board serve for staggered five-year terms, and no member may be appointed for more than two full terms. Members serve until the expiration of their respective terms and until their respective successors are appointed. If a vacancy occurs during a term, the Governor shall appoint a successor from the same classification as the person causing the vacancy to serve for the remainder of the unexpired term. If the vacancy is not filled within 90 days after it occurs, the Board may appoint a provisional member to serve until the appointment by the Governor becomes effective. The provisional member during his tenure has all the powers and duties of a regular member."

Section 4. G.S. 89C-5 reads as rewritten:

"**§ 89C-5. Board members; qualifications.**

Each engineer member of the Board shall be a resident of North Carolina and shall be a ~~registered~~ licensed professional engineer engaged in the lawful practice of engineering in North Carolina for at least six years.

Each land surveyor member of the Board shall be a resident of North Carolina and shall be a ~~registered~~ licensed professional land surveyor engaged in the lawful practice of land surveying in North Carolina for at least six years.

Each public member of the Board shall be a resident of North Carolina."

Section 5. G.S. 89C-6 reads as rewritten:

"**§ 89C-6. Compensation and expenses of Board members.**

Each member of the Board, when attending to the work of the Board or any of its committees, shall receive as compensation for ~~his service~~ services the per diem and, in ~~addition thereto,~~ addition, shall be reimbursed for travel expenses and incidentals not exceeding the maximum set forth by law. In addition to per diem allowances, travel and incidentals, the secretary of the Board may, with the approval of the Board, receive such reasonable additional compensation as is compatible with the actual hours of work required by the duties of ~~his~~ the office."

Section 6. G.S. 89C-8 reads as rewritten:

"**§ 89C-8. Organization of the Board; meetings; election of officers.**

The Board shall hold at least two regular meetings each year. Special meetings may be held at such times and upon such notice as the rules and regulations of the Board may provide. The Board shall elect annually from its members a ~~chairman,~~ chair, a ~~vice-chairman,~~ vice-chair, and a secretary. A quorum of the Board shall consist of not less than five members. The Board shall operate under its rules and regulations supplemented by Robert's Rules of Order."

Section 7. G.S. 89C-9 reads as rewritten:

"**§ 89C-9. Executive ~~secretary;~~ director; duties and liabilities.**

The Board shall employ an executive ~~secretary~~ director who is not a member of the Board. The executive ~~secretary~~ director shall be a full-time employee of the Board and perform ~~such~~ the duties assigned to ~~him~~ the director by the secretary subject to the approval of the Board. The executive ~~secretary~~ director shall receive a salary and compensation fixed by the Board. The executive ~~secretary~~ director shall give a surety bond satisfactory to the Board conditioned upon the faithful performance of ~~his~~ the director's ~~duties.~~ duties assigned. The premium on ~~said~~ the bond shall be a necessary and proper expense of the Board."

Section 8. G.S. 89C-10 reads as rewritten:

"**§ 89C-10. Board powers.**

(a) The Board ~~shall have the power to~~ may adopt and amend all ~~rules and regulations. Additionally, the Board shall have the power to adopt such rules,~~ rules and rules of ~~procedure, and regulations,~~ procedure as may be reasonably necessary for the proper performance of its duties, the regulation of its procedures, meetings, records, the ~~giving of~~ administration of ~~examinations and the conduct thereof,~~ examinations, and the ~~power~~ authority to enforce ~~such~~ the rules of professional conduct as ~~may, from time to time,~~ may be adopted by the Board pursuant to G.S. 89C-20.

The action by the Board in carrying out any of the powers specified ~~above~~ in this section shall be binding upon all persons ~~registered~~ licensed under this Chapter, including corporations and business firms holding certificates of authorization.

(b) The Board shall adopt and have an official seal, which shall be affixed to each certificate issued.

(c) The Board ~~is hereby authorized~~ may in the name of the State ~~to~~ apply for relief, by injunction, in the established manner provided in cases of civil procedure,

without bond, to enforce the provisions of this Chapter, or to restrain any violation ~~thereof.~~ of the provisions of this Chapter. In ~~such proceedings,~~ proceedings for injunctive relief, it shall not be necessary to allege or prove either that an adequate remedy at law does not exist, or that substantial or irreparable damage would result from the continued violation ~~thereof.~~ of the provisions of this Chapter. The members of the Board shall not be personally liable under this proceeding.

(d) The Board may subject an applicant for ~~registration~~ licensure to ~~such~~ any examination ~~as it deems~~ necessary to determine ~~his~~ the applicant's qualifications.

(e) The Board ~~shall have the power to~~ may issue an appropriate certificate of ~~registration~~ licensure to any applicant who, in the opinion of the Board, has met the requirements of this Chapter.

(f) It shall be the responsibility and duty of the Board to conduct a regular program of investigation concerning all matters within its jurisdiction under the provisions of this Chapter. The investigation of a ~~registrant~~ licensee is confidential until the Board issues a citation to the ~~registrant.~~ licensee. The Board may expend its funds for salaries, fees, and per diem expenses, in connection with its investigations, provided that no ~~such~~ funds other than per diem expenses shall be paid to any member of the Board in connection with its investigations, nor may any member of the Board give testimony and ~~thereafter~~ later sit in deciding on any matter which may directly involve punitive action ~~under such~~ for the testimony.

(g) The Board ~~is authorized and empowered to~~ may use its funds to establish and conduct instructional programs for persons who are currently ~~registered~~ licensed to practice engineering or land surveying, as well as refresher courses for persons interested in obtaining adequate instruction or programs of study to qualify them for ~~registration~~ licensure to practice engineering or land surveying. The Board may expend its funds for these purposes and ~~is authorized and empowered~~ may not only ~~to~~ conduct, sponsor, and arrange for instructional programs, but also ~~to~~ may carry out ~~such~~ instructional programs through extension courses or other ~~media, and the~~ media. The Board may enter into plans or agreements with community colleges, public or private institutions of higher learning, ~~both public and private,~~ State and county boards of education, or with the governing authority of any industrial education center for the purpose of planning, scheduling or arranging ~~such~~ courses, instruction, extension courses, or in assisting in obtaining courses of study or programs in the field of engineering and land surveying. The Board shall ~~make every effort practical to~~ encourage the educational institutions in this State to offer courses necessary to complete the educational requirements of this Chapter. For the purpose of carrying out these objectives, the Board ~~is authorized to make and promulgate such~~ may adopt rules ~~and regulations~~ as may be necessary for ~~such~~ the educational programs, instruction, extension services, or for entering into plans or contracts with persons or educational and industrial institutions.

(h) The Board may license sponsors of continuing professional competency activities who agree to conduct programs in accordance with standards adopted by the Board. Sponsors shall pay a license fee established by the Board, not to exceed two hundred fifty dollars ($250.00) for licensure under this subsection. The license

fee shall accompany the application. Sponsors shall renew their licenses annually on a form provided by the Board."

Section 9. G.S. 89C-11 reads as rewritten:

"**§ 89C-11. Secretary; duties and liabilities; expenditures.**

The secretary of the Board shall receive and account for all moneys derived from the operation of the Board as provided in this Chapter, and shall deposit them in one or more special funds in banks or other financial institutions carrying deposit insurance and authorized to do business in North Carolina. The fund or funds shall be designated as 'Fund of the Board of ~~Registration~~ Examiners for ~~Professional~~ Engineers and ~~Land~~ Surveyors' and shall be drawn against only for the purpose of implementing provisions of this Chapter as herein provided. All expenses certified by the Board as properly and necessarily incurred in the discharge of its duties, including authorized compensation, shall be paid out of ~~said~~ this fund on the warrant signed by the secretary of the ~~Board; provided, however, that at~~ Board. At no time shall the total of warrants issued exceed the total amount of funds accumulated under this Chapter. The secretary of the Board shall give a surety bond satisfactory to the State Board of ~~Registration~~ Examiners for ~~Professional~~ Engineers and ~~Land~~ Surveyors, conditioned upon the faithful performance of ~~his duties.~~ the duties assigned. The premium on ~~said~~ the bond ~~shall be regarded as~~ is a proper and necessary expense of the Board. The secretary of the Board may delegate to the executive ~~secretary~~ director certain routine duties, such as receipt and disbursement of funds in stated amounts by a written authorization, which has the unanimous approval of the Board."

Section 10. G.S. 89C-12 reads as rewritten:

"**§ 89C-12. Records and reports of Board; evidence.**

The Board shall keep a record of its proceedings and a register of all applicants for ~~registration,~~ licensure, showing for each the date of application, name, age, education, and other qualifications, place of business and place of residence, whether the applicant was rejected or a certificate of ~~registration~~ licensure granted, and the date ~~of such action.~~ licensure was rejected or granted. The books and register of the Board shall be prima facie evidence of all matters recorded ~~therein,~~ by the Board, and a copy duly certified by the secretary of the Board under seal shall be admissible in evidence as if the original were produced. A roster showing the names and places of business and of residence of all ~~registered~~ licensed professional engineers and all ~~registered~~ licensed professional land surveyors shall be prepared by the secretary of the Board current to the month of January of each ~~year; such~~ year. The roster shall be printed by the Board out of the Board's fund ~~of said Board~~ and distributed as ~~set forth~~ described in the Board's ~~rules and regulations.~~ rules. On or before the first day of May of each year, the Board shall submit to the Governor a report on its transactions for the preceding year, and shall file with the Secretary of State a copy of ~~such~~ the report, together with a complete statement of the receipts and expenditures of the ~~Board,~~ Board attested by the ~~affidavits of the chairman~~ chair and the ~~secretary,~~ secretary and a copy of the ~~said~~ the roster of ~~registered~~ licensed professional engineers and ~~registered~~ professional land surveyors."

Section 11. G.S. 89C-13 reads as rewritten:

"**§ 89C-13. General requirements for ~~registration.~~ licensure.**

(a) Engineer Applicant. -- To be eligible for ~~admission to examination for~~ licensure as a professional ~~engineer~~ engineer, an applicant must be of good character and reputation. An applicant desiring to take the examination in the fundamentals of engineering ~~only~~ must submit three character ~~references.~~ references, one of whom shall be a professional engineer. An applicant desiring to take the examination in the principles and practice of engineering must submit five references, two of whom shall be professional engineers having personal knowledge of ~~his~~ the applicant's engineering experiences.

The following shall be considered as minimum evidence satisfactory to the Board that the applicant is qualified for ~~registration:~~ licensure:

(1) As a professional engineer (shall meet one):

a. ~~Registration~~ Licensure by Comity or Endorsement. -- A person holding a certificate of ~~registration~~ licensure to engage in the practice of engineering, on the basis of comparable qualifications, issued to ~~him~~ the person by a proper authority of a state, territory, or possession of the United States, the District of Columbia, or of Canada, who completes an application for licensure and submits five references, two of which shall be from professional engineers having personal knowledge of the applicant's engineering experience, and ~~who~~ who, in the opinion of the Board, meets the requirements of this Chapter, based on verified evidence may, upon application, be ~~registered~~ licensed without further examination.

A person holding a certificate of qualification issued by the Committee on National Engineering Certification of the National Council of ~~Engineering Examiners,~~ Examiners for Engineering and Surveying whose qualifications meet the requirements of this Chapter, may upon application, be ~~registered~~ licensed without further examination.

b. ~~E.I.T.~~ E.I. Certificate, Experience, and Examination. -- A holder of a certificate of ~~engineer-in-training~~ engineering intern issued by the Board, and with a specific record of an additional four years or more of progressive experience on engineering projects of a grade and character which indicates to the Board that the applicant may be competent to practice engineering, shall be admitted to ~~an eight-hour examination in~~ the principles and practice of ~~engineering.~~ engineering examination. Upon passing ~~such~~ the examination, the applicant shall be granted a certificate of ~~registration~~ licensure to practice professional engineering in this State, provided ~~he~~ the applicant is otherwise qualified.

c. Graduation, Experience, and Examination. -- A graduate of an engineering curriculum of four years or more approved by the Board as being of satisfactory standing, and with a specific record of an additional four years or more of progressive experience on engineering projects of a grade and character which indicates to the Board that the applicant may be competent to practice engineering, shall be admitted to ~~an eight-hour written examination in~~ the fundamentals of ~~engineering,~~ engineering examination, and ~~an eight-hour written examination in~~ the principles and practice of ~~engineering.~~ engineering examination. Upon passing ~~such~~ the examinations, the applicant shall be granted a certificate of ~~registration~~ licensure to practice professional engineering in this State, provided ~~he~~ the applicant is otherwise qualified.

d. Graduation, Experience, and Examination. -- A graduate of an engineering or related science curriculum of four years or more, other than the ones approved by the Board as being of satisfactory standing or with an equivalent education and engineering experience satisfactory to the Board and with a specific record of eight years or more of progressive experience on engineering projects of a grade and character which indicates to the Board that the applicant may be competent in the fundamentals of engineering, shall be admitted to ~~an eight-hour written examination in~~ the fundamentals of ~~engineering,~~ engineering examination and ~~an eight-hour written examination in~~ the principles and practice of ~~engineering.~~ engineering examination. Upon passing ~~such~~ the examinations, the applicant shall be granted a certificate of ~~registration~~ licensure to practice professional engineering in this State, provided ~~he~~ the applicant is otherwise qualified.

e. Long-Established Practice. -- ~~An individual~~ A person with a specific record of 20 years or more of progressive experience on engineering projects of a grade and character which indicates to the Board that the applicant may be competent to practice engineering shall be admitted to ~~an eight-hour written examination in~~ the principles and practice of ~~engineering.~~ engineering examination. Upon passing ~~such~~ the examination, the applicant shall be granted a certificate of ~~registration~~ licensure to practice professional engineering in this State, provided ~~he~~ the applicant is otherwise qualified.

At its discretion the Board may require an applicant to submit exhibits, drawings, designs, or other tangible evidence of engineering work ~~executed by him and~~ which ~~he~~ the applicant personally accomplished or supervised.

The following shall be considered as minimum evidence that the applicant is qualified for certification:

(2) As an ~~engineer-in-training~~ engineering intern (shall meet one):

a. Graduation and Examination. -- A graduate of an engineering curriculum or related science curriculum of four years or more, approved by the Board as being of satisfactory standing, or a student who has attained senior status in an engineering program, shall be admitted to ~~an eight-hour written examination in~~ the fundamentals of ~~engineering.~~ engineering examination. The applicant shall be notified if the examination was passed or not passed and if passed he shall be certified as an ~~engineer-in-training,~~ engineering intern if ~~he~~ the applicant is otherwise qualified.

b. Graduation, Experience, and Examination. -- A graduate of an engineering or related science curriculum of four years or more, other than the ones approved by the Board as being of satisfactory standing, or with equivalent education and engineering experience satisfactory to the Board and with a specific record of four or more years of progressive experience on engineering projects of a grade and character satisfactory to the Board, shall be admitted to ~~an eight-hour written examination in~~ the fundamentals of ~~engineering.~~ engineering examination. The applicant shall be notified if the examination was passed or not passed and if ~~passed he~~ passed, the applicant shall be certified as an ~~engineer-in-training~~ engineering intern if ~~he~~ the applicant is otherwise qualified.

(b) Land Surveyor Applicant. -- To be eligible for admission to examination for land ~~surveyor-in-training,~~ surveyor intern or ~~registered~~ professional land surveyor, an applicant must be of good character and reputation and shall submit five references with ~~his~~ the application for ~~registration~~ licensure as a land surveyor, two of which references shall be ~~registered~~ professional land surveyors having personal knowledge of ~~his~~ the applicant's land surveying experience, or in the case of an application for certification as a land ~~surveyor-in-training~~ surveyor intern by three references, one of which shall be a ~~registered~~ licensed land surveyor having personal knowledge of the applicant's land surveying experience.

The evaluation of a land surveyor applicant's qualifications shall involve a consideration of ~~his~~ the applicant's education, technical and land surveying experience, exhibits of land surveying projects with which ~~he~~ the applicant has been associated, and recommendations by ~~references, and reviewing of these categories during an oral examination.~~ references. The land surveyor applicant's qualifications

may be reviewed at an interview if the Board ~~deems~~ determines it necessary. Educational credit for institute courses, correspondence courses, ~~etc.,~~ or other courses shall be determined by the Board.

The following shall be considered a minimum evidence satisfactory to the Board that the applicant is qualified for ~~registration~~ licensure as a professional land surveyor or for certification as a land ~~surveyor-in-training,~~ surveyor intern respectively:

(1) As a ~~registered~~ professional land surveyor (shall meet one):

a. Rightful possession of a ~~B.S.~~ bachelors degree in surveying or other equivalent curricula, all approved by the Board and a record satisfactory to the Board of ~~one year~~ two years or more of progressive practical ~~experience~~ experience, one year of which shall have been under a practicing ~~registered~~ professional land surveyor and satisfactorily passing ~~such~~ any oral and written ~~examination, taken in the presence of and~~ examination required by the Board, all of which shall determine and indicate that the ~~candidate~~ applicant is competent to practice land surveying. The applicant may ~~elect~~ may be qualified by the Board to take the first examination (Surveying Fundamentals) immediately after obtaining the ~~B.S.~~ bachelors degree at the first regularly scheduled examination thereafter. Upon passing the first examination and successful completion of the experience required by this subdivision, the applicant may apply to take the second examination (Principles and Practice of Land Surveying). An applicant who passes both examinations and completes the educational and experience requirements of this subdivision shall be granted ~~registration~~ licensure as a professional land surveyor.

b. Rightful possession of an associate degree in surveying technology approved by the Board and a record satisfactory to the Board of ~~three~~ four years of progressive practical experience, ~~two~~ three years of which shall have been under a practicing ~~registered~~ licensed land surveyor, and satisfactorily passing ~~such~~ any written and oral examination ~~taken in the presence of and as~~ required by the Board, all of which shall determine and indicate that the ~~candidate~~ applicant is competent to practice land surveying. The applicant may ~~elect~~ apply to the Board to take the first examination (Surveying Fundamentals) immediately after obtaining the associate degree at the first regularly scheduled examination thereafter. Upon passing the first examination and successfully completing ~~years of progressive practical experience under a practicing registered land surveyor,~~ the practical experience required under this

subdivision, the applicant may ~~elect~~ apply to the Board to take the second examination ~~(Principles and Practice of Land Surveying) prior to, during, or after completion of the additional experience required by this subdivision.~~ (Principles and Practice of Land Surveying). An applicant who passes both examinations and successfully completes the educational and experience requirements of this subdivision shall be granted ~~registration~~ licensure as a professional land surveyor.

~~e. Land Surveyor-in-Training Certificate, Experience, and Examination. — A holder of a certificate of land surveyor-in-training issued by the Board, and with a specific record of an additional two years or more of progressive surveying experience, one year of which shall have been under a practicing registered land surveyor, of a grade and character which indicates to the Board that the applicant may be competent to practice land surveying, shall be admitted to two four-hour examinations. Upon passing such examinations, the applicant shall be granted a certificate of registration to practice land surveying in this State, provided he is otherwise qualified.~~

d. Graduation from a high school or the completion of a high school equivalency certificate and a record satisfactory to the Board of ~~seven~~ 10 years of progressive practical experience, ~~six~~ seven years of which shall have been under a practicing ~~registered~~ licensed land surveyor, and satisfactorily passing ~~such~~ any oral and written ~~examination written in the presence of and~~ examinations required by the Board, all of which shall determine and indicate that the candidate is competent to practice land surveying. The applicant may be qualified by the Board to take the first examination (Surveying Fundamentals) upon graduation from high school or the completion of a high school equivalency certificate and successfully completing six years of progressive practice experience, five of which shall have been under a practicing licensed land surveyor. The applicant may apply to take the second examination (Principles and Practice of Land Surveying) upon passing the first examination and successfully completing four years of progressive practical experience, two of which shall have been under a practicing licensed land surveyor.

e. Repealed by Session Laws 1985 (Regular Session, 1986), c. 977, s. 7.

f. ~~Registration~~ Licensure by Comity or Endorsement. -- A person holding a certificate of ~~registration~~ licensure to engage in the practice of land surveying issued on comparable qualifications from a state, territory, or possession of the United States will be given comity considerations. However, ~~he~~ the applicant may be asked to take ~~such~~ any examinations as the Board ~~deems necessary~~ requires to determine ~~his~~ the applicant's qualifications, but in any event, ~~he~~ the applicant shall be required to pass ~~a written~~ an examination which shall include questions on laws, procedures, and practices pertaining to the practice of land surveying in North Carolina.

g. A licensed professional engineer who can satisfactorily demonstrate to the Board that ~~his~~ the professional engineer's formal academic training in acquiring a degree and field experience in engineering includes land surveying, to the extent necessary to reasonably qualify the applicant in the practice of land surveying, may apply for and may be granted permission to take the ~~two four-hour examinations on the~~ principles and practice of land surveying examination and the ~~two four-hour examinations on the~~ fundamentals of land ~~surveying.~~ surveying examination. Upon satisfactorily passing the examinations, the applicant ~~will~~ shall be granted a license to practice land surveying in the State of North Carolina.

h. Professional Engineers in Land Surveying. -- Any person presently licensed to practice professional engineering under this Chapter shall upon ~~his~~ application be licensed to practice land surveying, providing ~~his~~ a written application is filed with the Board within one year next after June 19, 1975.

i. Photogrammetrists. -- Any person presently practicing photogrammetry with at least seven years of experience in the profession, two or more of which shall have been in responsible charge of photogrammetric mapping projects meeting National Map Accuracy Standards shall, upon application be licensed to practice land surveying, provided:

1. The applicant submit certified proof of graduation from high school, high school equivalency or higher degree;
2. The applicant submit proof of employment in responsible charge as a photogrammetrist practicing within the State of North Carolina to include itemized reports detailing methods, procedures,

amount of applicant's personal involvement and the name, address, and telephone numbers of the client for five projects completed by the applicant with the State. A final map for one of the five projects shall also be submitted;

3. Five references to the applicant's character and quality of work, three of which shall be from professional land surveyors, are submitted to the Board; and

4. The application is submitted to the Board by July 1, 1998. After July 1, 1998, no photogrammetrist shall be licensed without meeting the same requirements as to education, length of experience, and testing required of all land surveying applicants.

The Board shall require an applicant to submit exhibits, drawings, plats or other tangible evidence of land surveying work executed by ~~him~~ the applicant under proper supervision and which ~~he~~ the applicant has personally accomplished or supervised.

Land surveying encompasses a number of disciplines including geodetic surveying, hydrographic surveying, cadastral surveying, engineering surveying, route surveying, photogrammetric (aerial) surveying, and topographic surveying. A professional land surveyor shall practice only with the surveyor's area of expertise.

(2) As a land ~~surveyor-in-training~~ surveyor intern (shall meet one):

a. Rightful possession of an associate degree in surveying technology approved by the Board and satisfactorily passing a written ~~or~~ and oral examination ~~taken in the presence of and~~ as required by the Board.

b. Rightful possession of a ~~B.S.~~ bachelors degree in surveying or other equivalent curricula in surveying all approved by the Board and satisfactorily passing ~~such~~ any oral and written examinations ~~written in the presence of and~~ required by the Board.

c. Graduation from high school or the completion of a high school equivalency certificate and a record satisfactory to the Board of ~~five~~ six years of progressive, practical experience, ~~four~~ five years of which shall have been under a practicing ~~registered~~ licensed land surveyor and satisfactorily passing any oral and written examinations ~~taken in the presence of and as~~ required by the Board.

The Board shall require an applicant to submit exhibits, drawings, plats, or other tangible ~~evidence of land surveying work executed by him under proper supervision and~~ which ~~he~~ the applicant has personally accomplished or supervised."

Section 12. G.S. 89C-14 reads as rewritten:

"§ 89C-14. Application for ~~registration; registration~~ licensure; license fees.

(a) Application for ~~registration~~ licensure as a professional engineer or ~~registered~~ professional land surveyor shall be on a form prescribed and furnished by the Board. It shall contain statements made under oath, showing the applicant's education and a detailed summary of ~~his~~ the applicant's technical and engineering or land surveying experience, and shall include the names and complete mailing addresses of the references, none of whom ~~should~~ may be immediate members of the applicant's family or members of the Board.

The Board may accept the certified information on the copy of a current formal certificate of qualifications issued by the National Council of ~~Engineering Examiners Committee or National Engineering Certification for Professional Engineer applicants~~ Examiners for Engineering and Surveying in lieu of the same information that is required for the form prescribed and furnished by the Board.

(b) An applicant for ~~registration~~ licensure who is required to take the written examination shall pay a fee equal to the cost of the examination to the Board plus an additional amount not to exceed one hundred dollars ($100.00). The Board may charge any fee necessary to defray the cost of any required examinations. The fee shall accompany the application. The fee for comity ~~registration~~ licensure of engineers and land surveyors who hold unexpired certificates in another state or a territory of the United States or in Canada shall be the total current fee as fixed by the Board.

(c) The certification fee for a corporation is the amount set by the Board ~~in accordance with G.S. 55B-10.~~ but shall not exceed two hundred fifty dollars ($250.00). The fee shall accompany the application. The certification fee for a business firm is the same as the fee for a corporation. The fee for renewal of a certificate of ~~registration~~ licensure of a corporation is the amount set by the Board ~~in accordance with G.S. 55B-11.~~ but shall not exceed one hundred dollars ($100.00). The fee for renewal of a certificate of ~~registration~~ licensure for a business firm is the same as the renewal fee for a corporation.

(d) Should the Board deny the issuance of a certificate of ~~registration~~ licensure to any applicant, the unobligated portion of fees paid shall be returned by the Board to the applicant.

(e) A candidate failing an examination may apply, and be considered by the Board, for reexamination at the end of six months. The Board shall make such reexamination charge as is necessary to defray the cost of the examination.

A candidate ~~failing an examination three times will not be permitted to take a reexamination until he has made a written appeal to the Board and his tentative qualifications for the examination are reviewed and reaffirmed by the Board.~~ with a combination of three failures or unexcused absences on an examination shall only be eligible after submitting a new application with appropriate application fee, and be considered by the Board for reexamination at the end of 12 months. After the end of the 12-month period, the applicant may take the examination no more than once every calendar year."

Section 13. G.S. 89C-15 reads as rewritten:

"**§ 89C-15. Examinations.**

(a) The examinations will be held at ~~such~~ the times and places as the Board directs. The Board shall determine the passing grade on examinations. All examinations shall be approved by the entire Board.

(b) Written examinations will be given in sections and may be taken only after the applicant has met the other minimum requirements as given in ~~G.S. 89C-13,~~ G.S. 89C-13 and has been approved by the Board for admission to the examination as follows:

(1) Engineering Fundamentals. -- Consists of an eight-hour examination on the fundamentals of engineering. Passing this examination qualifies the ~~examinee~~ applicant for an ~~engineer-in-training~~ engineering intern certificate, provided ~~he~~ the applicant has met all other requirements for ~~certification~~ licensure required by this Chapter.

(2) Principles and Practice of Engineering. -- Consists of an eight-hour examination on applied engineering. Passing this examination qualifies the ~~examinee~~ applicant for ~~registration~~ licensure as a professional engineer, provided ~~he~~ the applicant has met the other requirements for registration required by this Chapter.

(3) Surveying Fundamentals. -- Consists of ~~two four-hour examinations~~ an eight-hour examination on the elementary disciplines of land surveying. Passing ~~both of these examinations~~ this examination qualifies the ~~examinee~~ applicant for a land ~~surveyor-in-training~~ surveyor intern certificate provided ~~he~~ the applicant has met all other requirements for certification required by this Chapter.

(4) Principles and Practices of Land Surveying. -- Consists of ~~two four-hour examinations~~ a six-hour examination on the basic and applied disciplines of land ~~surveying, one examination on basic disciplines and the other examination covering applied disciplines.~~ surveying and a two-hour examination on requirements specific to the practice of land surveying in North Carolina. Passing each of these examinations qualifies the ~~examinee~~ applicant for a ~~registered~~ professional land surveyor certificate provided ~~he~~ the applicant has met all other requirements for certification required by this Chapter."

Section 14. G.S. 89C-16 reads as rewritten:

"**§ 89C-16. Certificates of ~~registration;~~ licensure; effect; seals.**

(a) The Board shall issue to any applicant, who, in the opinion of the Board, has met the requirements of this Chapter, a certificate of ~~registration~~ licensure giving the ~~registrant~~ licensee proper authority to practice ~~his~~ the profession in this State. The certificate of ~~registration~~ licensure for a professional engineer shall carry the designation 'professional engineer,' and for a land surveyor, '~~registered~~ 'professional land surveyor,' shall give the full name of the ~~registrant~~ licensee with ~~his serial~~ the

Board designated licensure number and shall be signed by the ~~chairman~~ chair and the secretary under the seal of the Board.

(b) This certificate shall be prima facie evidence that the person named ~~thereon~~ on the certificate is entitled to all rights, privileges and responsibilities of a professional engineer or a ~~registered~~ professional land surveyor, while the ~~said~~ certificate of ~~registration~~ licensure remains unrevoked or unexpired.

(c) Each ~~registrant hereunder~~ licensee shall upon ~~registration~~ licensure obtain a seal of a design authorized by the Board bearing the ~~registrant's~~ licensee's name, ~~serial~~ license number, and the legend, 'professional engineer,' or ~~'registered~~ 'professional land surveyor.' Final drawings, specifications, plans and reports prepared by a ~~registrant~~ licensee shall, when issued, be certified and stamped with the ~~said~~ seal or facsimile ~~thereof~~ of the seal unless the ~~registrant~~ licensee is exempt under the provisions of G.S. 89C-25(7). It shall be unlawful for a ~~registrant~~ licensee to affix, or permit ~~his~~ the licensee's seal and signature or facsimile ~~thereof~~ of the seal and signature to be affixed to any drawings, specifications, plans or reports after the expiration of a certificate or for the purpose of aiding or abetting any other person to evade or attempt to evade any provision of this Chapter. A professional engineer practicing land surveying shall use ~~his registered~~ the licensee's land surveyor seal."

Section 15. G.S. 89C-17 reads as rewritten:

"**§ 89C-17. Expirations and renewals of certificates.**

Certificates for ~~registration~~ licensure shall expire on the last day of the month of December next following their issuance or renewal, and shall become invalid on that date unless renewed. When necessary to protect the public health, safety, or welfare, the Board shall require ~~such~~ any evidence ~~as it deems~~ necessary to establish the continuing competency of engineers and land surveyors as a condition of renewal of licenses. When the Board is satisfied as to the continuing competency of an applicant, it shall issue a renewal of the certificate upon payment by the applicant of a fee fixed by the Board but not to exceed ~~fifty dollars ($50.00).~~ one hundred dollars ($100.00). The secretary of the Board shall notify by mail every person ~~registered~~ licensed under this Chapter of the date of expiration of ~~his~~ the certificate, the amount of the fee required for its renewal for one year, and any requirement as to evidence of continued competency. The notice shall be mailed at least one month in advance of the expiration date of the certificate. Renewal shall be effected at any time during the month of January immediately following, by payment to the secretary of the Board of a renewal fee, as determined by the Board, which shall not exceed ~~fifty dollars ($50.00).~~ one hundred dollars ($100.00). Failure on the part of any registrant to renew ~~his~~ the certificate annually in the month of January, as required above, shall deprive the registrant of the right to practice until renewal has been effected. Renewal may be effected at any time during the first ~~36~~ 12 months immediately following its invalidation ~~of payment of the renewal fee increased ten percent (10%) for each month or fraction of a month that payment for renewal is delayed.~~ by payment of the established renewal fee and a late penalty of one hundred dollars ($100.00). Failure of a ~~registrant~~ licensee to renew ~~his registration~~ the license for a period of ~~36~~ 12 months shall require the individual, prior to resuming practice in

North Carolina, to submit an application ~~therefor~~ on the prescribed form, and to meet all other requirements for ~~registration~~ licensure as set forth in Chapter 89C. The secretary of the Board is instructed to remove from the official roster of engineers and land surveyors the names of all ~~registrants~~ licensees who have not effected their renewal by the first day of February immediately following the date of their expiration. The Board may ~~enact~~ adopt rules to provide for renewals in distress or hardship cases due to military service, prolonged illness, or prolonged absence from the State, where the applicant for renewal demonstrates to the Board that ~~he~~ the applicant has maintained ~~his~~ active knowledge and professional status as an engineer or land surveyor, as the case may be. It shall be the responsibility of each ~~registrant~~ licensee to inform the Board promptly concerning change in address. A licensee may request and be granted inactive status. A licensee granted inactive status shall pay annual renewal fees but shall not be subject to annual continuing professional competency requirements. A licensee granted inactive status may return to active status by meeting all requirements of the Board, including demonstration of continuing professional competency as a condition of reinstatement."

Section 16. G.S. 89C-18 reads as rewritten:

"**§ 89C-18. Duplicate certificates.**

The Board may issue a duplicate certificate of ~~registration~~ licensure or certificate of authorization to replace any certificate that has been lost, destroyed, or mutilated and may charge a fee of up to twenty-five dollars ($25.00) for issuing the certificate."

Section 17. G.S. 89C-19 reads as rewritten:

"**§ 89C-19. Public works; requirements where public safety involved.**

This State and its political subdivisions such as counties, cities, towns, or other political entities or legally constituted boards, commissions, public utility companies, or authorities, or officials, or employees ~~thereof~~ of these entities shall not engage in the practice of engineering or land surveying involving either public or private property where the safety of the public is directly involved without the project being under the supervision of a professional engineer for the preparations of plans and specifications for engineering projects, or a ~~registered~~ professional land surveyor for land surveying projects, as provided for the practice of the respective professions by this Chapter.

An official or employee of the State or any political subdivision specified in this section, holding the positions set out in this section as of June 19, 1975, shall be exempt from the provisions of this section so long as such official or employee is engaged in substantially the same type of work as is involved in ~~his~~ the present position.

Nothing in this section shall be construed to prohibit inspection, maintenance and service work done by employees of the State of North Carolina, any political subdivision ~~thereof,~~ of the State, or any municipality ~~therein~~ including construction, installation, servicing, and maintenance by regular full-time employees of, secondary roads and drawings incidental ~~thereto,~~ to work on secondary roads, streets, street lighting, traffic-control signals, police and fire alarm systems, waterworks, steam, electric and sewage treatment and disposal plants, the services of superintendents,

inspectors or foremen regularly employed by the State of North Carolina or any political subdivision ~~thereof,~~ of the State, or municipal ~~corporation therein.~~ corporation.

The provisions in this section shall not be construed to alter or modify the requirements of Article 1 of Chapter 133 of the General Statutes."

Section 18. G.S. 89C-20 reads as rewritten:

"**§ 89C-20. Rules of professional conduct.**

In the interest of protecting the safety, health, and welfare of the public, the Board shall ~~promulgate and~~ adopt rules of professional conduct applicable to the practice of engineering and land surveying. These rules, when adopted, shall be construed to be a reasonable exercise of the police power vested in the Board of ~~Registration~~ Examiners for ~~Professional~~ Engineers and Land Surveyors. Every person ~~registered~~ licensed by the Board shall subscribe to and observe the adopted rules as the standard of professional conduct for the practice of engineering and land ~~surveying.~~ surveying and shall cooperate fully with the Board in the course of any investigation. In the case of violation of the rules of professional conduct, the Board shall ~~have the responsibility and duty to~~ proceed in accordance with G.S. 89C-22."

Section 19. G.S. 89C-21 reads as rewritten:

"**§ 89C-21. Disciplinary action -- Reexamination, revocation, suspension, reprimand, or civil penalty.**

(a) The Board may reprimand the licensee, suspend, refuse to renew, or revoke the certificate of ~~registration,~~ licensure, or, as appropriate, require reexamination, for any engineer or land surveyor, who is found:

(1) Guilty of the practice of any fraud or deceit in obtaining a certificate of ~~registration~~ licensure or certificate of authorization.

(2) Guilty of any gross negligence or misconduct in the practice of ~~his~~ the profession.

(3) Guilty of any felony or any crime involving moral turpitude.

(4) Guilty of violation of the Rules of Professional Conduct, as adopted by the Board.

(5) To have been declared insane or incompetent by a court of competent jurisdiction and has not ~~thereafter~~ later been lawfully declared sane or competent.

(6) Guilty of professional incompetence. In the event the Board finds that a certificate holder is incompetent the Board may, in its discretion, require oral or written examinations, or other indication of the certificate holder's fitness to practice ~~his profession~~ engineering or land surveying and suspend ~~his~~ the license during any such period.

(b) The Board ~~shall have the power to~~ may (i) revoke a certificate of authorization, or (ii) to suspend a certificate of authorization for a period of time not exceeding two years, of any corporation or business firm where one or more of its officers or directors have committed any act or have been guilty of any conduct

which would authorize a revocation or suspension of their certificates of ~~registration~~ licensure under the provision of this section.

(c) The Board may levy a civil penalty not in excess of two thousand dollars ($2,000) for any engineer or land surveyor who violates any of the provisions of subdivisions (1) through (4) of subsection (a) of this section. All civil penalties collected by the Board shall be deposited in the General Fund of North Carolina.

(d) Before imposing and assessing a civil penalty and fixing the ~~amount thereof,~~ amount, the Board shall, as a part of its deliberation, take into consideration the following factors:

(1) The nature, gravity, and persistence of the particular violations;
(2) The appropriateness of the imposition of a civil penalty when considered alone or in combination with other punishment;
(3) Whether the violation(s) were done willfully and maliciously; and
(4) Any other factors which would tend to either mitigate or aggravate the violation(s) found to exist."

Section 20. G.S. 89C-22 reads as rewritten:

"**§ 89C-22. Disciplinary action -- Charges; procedure.**

(a) Any person may prefer charges of fraud, deceit, gross negligence, incompetence, misconduct, or violation of the rules of professional conduct, against any Board registrant. The charges shall be in writing and shall be sworn to by the person or persons making them and shall be filed with ~~the secretary of~~ the Board.

(b) All charges, unless dismissed by the Board as unfounded or trivial, shall be heard by the Board as provided under the requirements of Chapter 150B of the General Statutes.

(c) If, after ~~such~~ a hearing, a majority of the Board votes in favor of sustaining the charges, the Board shall reprimand, levy a civil penalty, suspend, refuse to renew, or revoke the ~~registrant's certificate of registration.~~ licensee's certificate.

(d) A ~~registrant~~ licensee who is aggrieved by a final decision of the Board may appeal for judicial review as provided by Article 4 of Chapter 150B.

(e) The Board may, upon petition of an individual or an entity whose certificate has been revoked, for sufficient ~~reasons it may deem sufficient,~~ reasons as it may determine, reissue a certificate of ~~registration~~ licensure or authorization, provided that a majority of the members of the Board vote in favor of such issuance."

Section 21. G.S. 89C-23 reads as rewritten:

"**§ 89C-23. Unlawful to practice engineering or land surveying without ~~registration;~~ licensure; unlawful use of title or terms; penalties; Attorney General to be legal adviser.**

Any person who shall practice, or offer to practice, engineering or land surveying in this State without first being ~~registered~~ licensed in accordance with the provisions of this Chapter, or any person, firm, partnership, organization, association, corporation, or other entity using or employing the words 'engineer' or 'engineering' or 'professional engineer' or 'professional engineering' or 'land surveyor' or 'land surveying,' or any modification or derivative ~~thereof~~ of those words in its name or form of business or activity except as ~~registered~~ licensed under this Chapter or in

pursuit of activities exempted by this Chapter, or any person presenting or attempting to use the certificate of ~~registration~~ licensure or the seal of another, or any person who shall give any false or forged evidence of any kind to the Board or to any member ~~thereof~~ of the Board in obtaining or attempting to obtain a certificate of ~~registration,~~ licensure, or any person who shall falsely impersonate any other ~~registrant~~ licensee of like or different name, or any person who shall attempt to use an expired or revoked or nonexistent certificate of ~~registration,~~ licensure, or who shall practice or offer to practice when not qualified, or any person who falsely claims that ~~he~~ the person is registered under this Chapter, or any person who shall violate any of the provisions of this Chapter, in addition to injunctive procedures set out hereinbefore, shall be guilty of a Class 2 misdemeanor. In no event shall there be representation of or holding out to the public of any engineering expertise by ~~unregistered~~ unlicensed persons. It shall be the duty of all duly constituted officers of the State and all political subdivisions ~~thereof~~ of the State to enforce the provisions of this Chapter and to prosecute any persons violating ~~same.~~ them.

The Attorney General of the State or ~~his~~ an assistant shall act as legal adviser to the Board and render ~~such~~ any legal assistance ~~as may be~~ necessary ~~in carrying~~ to carry out the provisions of this Chapter. The Board may employ counsel and necessary assistance to aid in the enforcement of this Chapter, and the compensation and expenses ~~therefor~~ for the assistance shall be paid from funds of the Board."

Section 22. G.S. 89C-24 reads as rewritten:

"**§ 89C-24. ~~Registration~~ Licensure of corporations and business firms that engage in the practice of engineering or land surveying.**

A corporation or business firm may not engage in the practice of engineering or land surveying in this State unless it is ~~registered with~~ licensed by the Board and has paid ~~the required registration fee.~~ an application fee established by the Board in an amount not to exceed two hundred fifty dollars ($250.00). A corporation or business firm is subject to the same duties and responsibilities as an individual ~~registrant. Registration~~ licensee. Licensure of a corporation or business firm does not affect the requirement that all engineering or land surveying work done by the corporation or business firm be performed by or under the responsible charge of individual registrants, nor does it relieve the individual registrants within a corporation or business firm of their design and supervision responsibilities.

This section applies to every corporation that is engaged in the practice of engineering or land surveying, regardless of when it was incorporated. A corporation that is not exempt from Chapter 55B of the General Statutes by application of G.S. 55B-15 must be incorporated under that Chapter."

Section 23. G.S. 89C-25 reads as rewritten:

"**§ 89C-25. Limitations on application of Chapter.**

This Chapter shall not be construed to prevent or affect:

(1) The practice of architecture, landscape architecture, or contracting or any other legally recognized profession or trade; or

(2) The practice of professional engineering or land surveying in this State or by any person not a resident of this State and having no

established place of business in this State when this practice does not aggregate more than 90 days in any calendar year, whether performed in this State or elsewhere, or involve more than one specific project; provided, however, that ~~such~~ the person is ~~legally qualified by registration~~ licensed to practice the ~~said~~ profession in ~~his~~ the person's own state or country, in which the requirements and qualifications for obtaining a certificate of ~~registration~~ licensure are satisfactory to the Board; in which case the person shall apply for and the Board will issue a temporary permit; or

(3) The practice of professional engineering or land surveying in this State not to aggregate more than 90 days by any person residing in this State, but whose residence has not been of sufficient duration for the Board to grant or deny ~~registration;~~ licensure; provided, however, ~~such~~ the person shall have filed an application for ~~registration~~ licensure as a professional engineer or ~~registered~~ professional land surveyor and shall have paid the fee provided for in G.S. 89C-14, and provided that ~~such a~~ the person is ~~legally qualified by registration~~ licensed to practice professional engineering or professional land surveying in ~~his~~ the person's own state or country in which the requirements and qualifications for obtaining a certificate of ~~registration~~ licensure are satisfactory to the Board, in which case the person shall apply for and the Board will issue a temporary permit; or

(4) Engaging in engineering or land surveying as an employee or assistant under the responsible charge of a professional engineer or ~~registered~~ professional land surveyor or as an employee or assistant of a nonresident professional engineer or a nonresident ~~registered~~ professional land surveyor provided for in subdivisions (2) and (3) of this section, provided that ~~said~~ the work as an employee may not include responsible charge of design or supervision; or

(5) The practice of professional engineering or land surveying by any person not a resident of, and having no established place of business in this State, as a consulting associate of a professional engineer or ~~registered~~ professional land surveyor ~~registered~~ licensed under the provisions of this Chapter; provided, the nonresident is qualified for ~~such~~ performing the professional service in ~~his~~ the person's own state or country; or

(6) Practice by members of the armed forces or employees of the government of the United States while engaged in the practice of engineering or land surveying solely for ~~said~~ the government on government-owned works and projects; or

(7) The internal engineering or surveying activities of a person, firm or corporation engaged in manufacturing, processing, or producing a product, including the activities of public service corporations,

public utility companies, authorities, State agencies, railroads, or membership cooperatives, or the installation and servicing of their product in the field; or research and development in connection with the manufacture of that product or their service; or of their research affiliates; or their employees in the course of their employment in connection with the manufacture, installation, or servicing of their product or service in the field, or on-the-premises maintenance of machinery, equipment, or apparatus incidental to the manufacture or installation of the product or service of a firm by the employees of the firm upon property owned, leased or used by the firm; inspection, maintenance and service work done by employees of the State of North Carolina, any political subdivision ~~thereof,~~ of the State, or any municipality ~~therein~~ including construction, installation, servicing, maintenance by regular full-time employees of streets, street lighting, traffic-control signals, police and fire alarm systems, waterworks, steam, electric and sewage treatment and disposal plants; the services of superintendents, inspectors or foremen regularly employed by the State of North Carolina or any political subdivision ~~thereof,~~ of the State or a municipal ~~corporation therein;~~ corporation; provided, however, that the internal engineering or surveying activity is not a holding out to or an offer to the public of engineering or any service thereof as prohibited by this Chapter. Engineering work, not related to the foregoing exemptions, where the safety of the public is directly involved shall be under the responsible charge of a ~~registered~~ licensed professional engineer, or in accordance with standards prepared or approved by a ~~registered~~ licensed professional engineer.

(8) The (i) preparation of fire sprinkler planning and design drawings by a fire sprinkler contractor licensed under Article 2 of Chapter 87 of the General Statutes, or (ii) the performance of internal engineering or survey work by a manufacturing or communications common carrier company, or by a research and development company, or by employees of ~~such~~ those corporations provided that ~~such~~ the work is in connection with, or incidental to products of, or nonengineering services rendered by ~~such~~ those corporations or their affiliates.

(9) The routine maintenance or servicing of machinery, equipment, facilities or structures, the work of mechanics in the performance of their established functions, or the inspection or supervision of construction by a foreman, superintendent, or agent of the architect or professional engineer, or services of an operational nature performed by an employee of a laboratory, a manufacturing plant, a public service corporation, or governmental operation."

Section 24. G.S. 89C-25.1 reads as rewritten:

"**§ 89C-25.1. Supervision of ~~unregistered~~ unlicensed individuals by ~~registered~~ licensed person.**

In all circumstances in which ~~unregistered~~ unlicensed individuals are permitted under this Chapter to perform engineering or land surveying work, or both, under the supervision of a ~~registered~~ licensed engineer, land surveyor, or both, the Board may by regulation establish a reasonable limit on the number of ~~unregistered~~ unlicensed individuals which a ~~registrant~~ licensee of the Board may directly or personally supervise at one time."

Section 25. G.S. 89C-26 reads as rewritten:

"**§ 89C-26. Duties of register of deeds.**

The register of deeds or any other county or proper public authority may not file or record any map, plat, survey, or other documents, within the definition of land surveying, which do not contain an original personal signature and original seal of a ~~registered~~ licensed land surveyor by whom, or under whose responsible charge, the map, plat, survey, or other documents were prepared, except as provided in G.S. 47-30(m) and (n)."

Section 26. G.S. 89C-28 reads as rewritten:

"**§ 89C-28. Existing ~~registration~~ licensure not affected.**

Nothing in this Chapter shall be construed as affecting the status of ~~registration~~ licensure of any professional engineer or ~~registered~~ land surveyor who is rightfully in possession of a certificate of ~~registration~~ licensure duly issued by the Board and valid as of July 1, 1975."

Section 27. This act becomes effective July 1, 1997, and applies to persons applying for licenses on or after that date and to persons practicing engineering and land surveying on or after that date.

PREFACE

The Legislative Committee on New Licensing Boards is a 9-member joint committee of the House and Senate created and governed by statute (Article 18A of Chapter 120 of the General Statutes). The primary purpose of the Committee is to evaluate the need for a new licensing board or the proposed licensing of previously unregulated practitioners by an existing board. The Committee has been in existence since 1985.

The Committee solicits written and oral testimony on each licensing proposal in carrying out its duty to determine whether the proposal meets the following criteria:

(1) Whether the unregulated practice of the profession can substantially endanger the public health, safety, or welfare, and whether the potential for such harm is recognizable and not remote or dependent upon tenuous argument.

(2) Whether the profession possesses qualities that distinguish it from ordinary labor.

(3) Whether practice of the profession requires specialized skill or training.

(4) Whether a substantial majority of the public has the knowledge or experience to evaluate the practitioner's competence.

(5) Whether the public can effectively be protected by other means.

(6) Whether licensure would have a substantial adverse economic impact upon consumers of the practitioner's good or services.

The Committee issues an assessment report on its findings and recommendations. The recommendation in the report is not binding on other committees considering the proposal.

PHOTOGRAMMETRISTS

Photogrammetry is a branch of land surveying that involves aerial photography. Currently, photogrammetrists must have a registered land surveyor to provide "ground control in order to tie their work to the earth's surface." This ensures that a licensed professional has reviewed the surveying aspects of the work and approves it. Photogrammetrists, like land surveyors, use sophisticated state-of-the-art equipment to map land tracts. These professionals also rely on the same types of technical background and mathematical aptitude as land surveyors. The map data interpreted and reported from imagery by photogrammetrists is used for highway design, landfill and sewage systems, infrastructure maintenance, emergency response, and GIS base maps, among other things.

Senate Bill 787 and House Bill 794 would require photogrammetrists seeking licensure after July 1, 1998 to meet the same educational, experience, and examination requirements as a land surveyor. A person already practicing photogrammetry and who has been practicing for at least seven years (at least two of which were in responsible charge of photogrammetric mapping projects meeting National Map Accuracy Standards) may apply for a license before July 1, 1998, without having to meet these requirements.

The Board that regulates land surveyors and engineers estimates that there are approximately 150 persons who would be affected by this licensure

inappropriate image resolutions and the use of "non-rigorous photgrammetric restitutions."

The Legislative Committee on New Licensing Boards finds that the sponsors have met the six statutory criteria by which the Committee judges licensure proposals, as follows:

(1) The unregulated practice of the profession can substantially harm or endanger the public health, safety, or welfare, and the potential for such harm is recognizable and not remote nor dependent upon tenuous argument.

(2) The practice of the profession possesses qualities that distinguish it from ordinary labor.

(3) The practice of the profession requires specialized skill and training.

(4) A substantial majority of the public does not have the knowledge or experience to evaluate the practitioner's competence.

(5) The public cannot be effectively protected by other means.

(6) Licensure would not have a substantial adverse economic impact upon consumers.

The Legislative Committee on New Licensing Boards recommends licensure of photogrammetrists. This assessment report constitutes both the preliminary and the final assessment report for the licensing of photogrammetrists. The report is based on the proposed licensing of photogrammetrists, as set out in Senate Bill 787 and House Bill 794, the

response to the Committee's questionnaire (attached), and testimony before the Committee on May 12, 1997.

MEMORANDUM

TO: **Representative Bill Ives**

FROM: **Jerry T. Carter**
Executive Secretary

RE: **Questionnaire - Legislative Committee on New Licensing Boards**
(Proposed Amendments to G.S. 89C)

(1) In what way has the marketplace failed to regulate adequately the profession or occupation?

The marketplace has not failed to regulate the occupation of photogrammetry; changes in technology and history dictate the proposal to bring photogrammetrists under the authority of G.S. 89C. Photogrammetrists employ many of the same techniques and equipment as Registered Land Surveyors in providing aerial mapping of property. Under existing regulations, a photogrammetrist must employ a Registered Land Surveyor to provide ground control in order to tie the property to the face of the earth. This action to modify G.S. 89C was not initiated by the Board of Registration but by the North Carolina Chapter of The American Society for Photogrammetry and Remote Sensing whose president stated "It is the opinion of our organization and those we have contacted that photogrammetrists are engaged in providing a professional service that directly impacts the health, safety and welfare of the public. As such, we feel that photogrammetrists would require licensing and request that the Board consider this issue."

(2) Have there been any complaints about the unregulated profession or occupation? Please give specific examples including (unless confidentiality must be maintained) complainants' names and addresses.

The Board of Registration has received no formal complaints concerning photogrammetrist offering or providing photogrammetrical work. The Board has received complaints about photogrammetrists offering and providing land surveying services while not properly licensed. In each instance, the Board has been able to obtain voluntary compliance.

(3) In what ways has the public health, safety, or welfare sustained harm or is in imminent danger of harm because of the lack of state regulation? Please give specific examples.

Photogrammetrists do not currently operate under a code of professional conduct nor are they subject to any specific standards in performing work. The general welfare of the public would be served by making photogrammetrists accountable for their work with the potential of disciplinary action for substandard work.

(4) *Is there potential for substantial harm or danger by the profession or occupation to the public health, safety, or welfare? How can this potential for substantial harm or danger be recognized?*

There is potential for harm to the welfare of the general public by practitioners that do not employ standard procedures and applications in completing their work. This could impact the consuming public by increased fees to correct errors, legal fees, time invested in Court, etc.

(5) *Has this potential harm or danger to the public been recognized by other states or the federal government through the licensing or certification process? Please list the other states and any applicable federal law (including citations).*

The State of Florida amended its land surveying statutes in 1995 to extend the definition of land surveying to include "mappers" and "photogrammetric mappers".

(6) *What will be the economic advantage of licensing to the public?*

Consistency in the performance of services; professionals are required stay abreast of changes in the field through mandatory continuing competency requirements; a regulatory authority the public can turn to in cases of gross negligence, incompetence or misconduct.

(7) *What will be the economic disadvantage of licensing to the public?*

There is no evidence that the licensure of photogrammetrists as Registered Land Surveyors will provide any economic disadvantage to the general public.

(8) *What will be the economic advantages of licensing to the practitioners?*

Ability to form Professional Corporations; resources of the Board of Registration for matters of interpretation and application; services elevated from that of a trade to a professional service.

(9) *What will be the economic disadvantages of licensing to the practitioners?*

Annual renewal; moneys expended (if any) to comply with continuing education requirements.

(10) *Please give other potential benefits to the public of licensing that outweigh the potential harmful effects of licensure such as a decrease in the availability of practitioners and higher costs to the public.*

Because of regulation, a practitioner is accountable for his actions to the Board which can remove the privilege for noncompliance. The consuming public also has a resource other than the Courts for acts of unprofessional conduct.

(11) *Please detail the specific specialized skills or training that distinguish the occupation or profession from ordinary labor.*

Both photogrammetrists and Registered Land Surveyors utilize state-of-the-art equipment to properly map tracts of land. Both require a high degree of aptitude for math and require years of progressive experience in order to offer their services in a competent manner.

(12) *What are other qualities of the profession or occupation that distinguish it from ordinary labor?*

The effects from the work performed can have an influence that is widely felt. This can include the boundaries of individual tracts of land, large industrial tracts, and county maps. A high level of skill is required along with appropriate experience.

(13) *Will licensing requirements cover all practicing members of the occupation or profession? If any practitioners will be exempt, what is the rationale for the exemption?*

All practitioners will be governed under the modified provisions of G.S. 89C, without exception.

(14) *What is the approximate number of persons who will be regulated and the number of persons who are likely to utilize the services of the occupation or profession?*

The approximate number of practicing photogrammetrists who would be subject to regulation would be less than 150 individuals. There is no method by which the number of persons who are likely to utilize the services of the profession can be determined. The need that currently exists for photogrammetrical services will continue regardless of any action taken to modify G.S. 89C.

(15) *What kind of knowledge or experience does the public need to evaluate the services offered by the practitioner?*

The public needs to have some limited understanding of the processes used to obtain the information and to understand how the final product will be provided. Questioning various practitioners will generally provide enough base information to guide the consumer on who to select and what services are needed.

(16) *Does the occupational group have an established code of ethics, a voluntary certification program, or other measures to ensure a minimum quality of service?*

The NC Photogrammetric Society is a voluntary organization and has no code of professional conduct that is enforceable and that would prevent an incompetent practitioner from continuing to offer services to the public. There currently exists no measures to ensure the quality of service provided to the general public at any level.

RE: Licensing of Photogrammetrists

Dear Mr. Cottingham:

I am writing to you as a representative of the North Carolina Chapter of the American Society for Photogrammetry and Remote Sensing (NCASPRS). As you are aware, discussions have been taking place within this organization and in conjunction with various engineering and surveying organizations within the state regarding the licensing of photogrammetrists under the NC State Board of Registration for Professional Engineers and Land Surveyors (Board). Since the topic was first broached at the July 15, 1994, meeting of the Board, representatives from the NC Society of Surveyors (NCSS), Professional Engineers of NC (PENC), NCASPRS, and the Board have met to consider this issue.

At each of these meetings it was the consensus of the attendees that photogrammetrists should be licensed. The map data interpreted and reported from imagery by photogrammetrists is utilized for such purposes as the design of highways, landfills and sewage systems, infrastructure maintenance, emergency response and the base maps for geographic information systems. As such, the work performed by photogrammetrists directly impacts the health, safety and welfare of the public.

The development of this information to currently accepted accuracy and precision standards requires skilled, professional planning and execution of each phase of the photogrammetric processes. Unfortunately, in this climate of restrictive budgets and fierce competition, corner cutting approaches are sometimes being taken in the development of geographic information that include inappropriate image resolutions for the nominal map scale of the landbase being developed, and the use of non-rigorous photogrammetric restitutions. This type of short-term thinking results in dissemination of disinformation that jeopardizes the public welfare.

It is the opinion of our organization and those we have contacted that photogrammetrists are engaged in providing a professional service that directly impacts the health, safety and welfare of the public. As such, we feel that photogrammetrists should require licensing and request that the Board consider this issue. We will be pleased to provide any information or assistance you require to make an informed decision regarding this matter.

Sincerely,

Jeff J. Leonard, C.P.
President

HOUSE RESOLUTION 1202

Sponsors: Representatives Weatherly; Clary and Dedmon.

Referred to: Rules, Calendar and Operations of the House.

May 5, 1997

A HOUSE RESOLUTION HONORING THE LIFE AND MEMORY OF J. HAYWOOD ALLEN, SR., FORMER SHERIFF OF CLEVELAND COUNTY.

Whereas, J. Haywood Allen, Sr. was born in Rutherford County to Irwin M. Allen and Maude Weathers Allen; and

Whereas, J. Haywood Allen, Sr. lived most of his life in the Town of Shelby in Cleveland County; and

Whereas, in 1951, J. Haywood Allen, Sr. became sheriff of Cleveland County, following in the footsteps of his father who had also been sheriff of Cleveland County; and

Whereas, Sheriff Haywood Allen was elected as sheriff for eight terms, winning his last election with 62% of the vote; and

Whereas, over a span of almost 30 years, Sheriff Allen saw his office expand from one deputy to 80 deputies; and

Whereas, Sheriff Allen was known for his honesty, fairness, and professionalism; and

Whereas, Sheriff Allen served as president of the North Carolina Sheriffs' Association, Inc., and received national recognition for his service to law enforcement; and

Whereas, Sheriff Allen retired from his position on December 15, 1980; and

Whereas, J. Haywood Allen, Sr. was active in community affairs, serving as a faithful member of the First Baptist Church in Shelby and as a charter member of both the Kings Mountain Lions Club and the Shelby Optimist Club; and

Whereas, J. Haywood Allen, Sr., after a life of distinction and public service, died on December 25, 1996, at the age of 80; and

Whereas, J. Haywood Allen, Sr. is survived by his wife, Majel Stewart Allen; a son, John Haywood Allen, Jr.; two daughters, Kathryn Monroe and Jonanna Robbs; two grandchildren; and several other relatives and friends; and

Whereas, J. Haywood Allen, Sr.'s service to his profession and community was exemplary and deserves recognition; and

Whereas, the House of Representatives wishes to honor the memory of J. Haywood Allen, Sr. and recognize his many years of public service to the citizens of Cleveland County;

Now, therefore, be it resolved by the House of Representatives:

Section 1. The House of Representatives honors the memory of J. Haywood Allen, Sr. and expresses the gratitude and appreciation of this State and its citizens for his life and devoted service.

Section 2. The House of Representatives extends its deepest sympathy to the family of J. Haywood Allen, Sr. for their loss.

Section 3. The Principal Clerk shall transmit a certified copy of this resolution to the family of J. Haywood Allen, Sr.

Section 4. This resolution is effective upon adoption.

COMMITTEE ON RULES, CALENDAR, AND OPERATIONS OF THE HOUSE
June 3, 1997

The Committee on Rules, Calendar, and Operations of the House met June 3, 1997, at 6:40 p.m. in Room 421 in the Legislative Office Building. Representative Morgan, Committee Chair, called the meeting to order and asked the clerk to call the roll. The following members were present: Representative Bowie, Vice Chair; and Representatives Culp, Dockham, Esposito, Gulley, McMahan, Mitchell, and Thompson.

The first bill before the Committee was House Bill 1166 - A BILL TO BE ENTITLED AN ACT TO AMEND THE EDUCATIONAL REQUIREMENTS FOR AUCTIONEERS, APPRENTICE AUCTIONEERS, AND PRINCIPALS IN AN AUCTION FIRM. Representative Black, bill sponsor, was recognized to explain the bill. Representative Mitchell moved for a favorable report and that the bill be re-referred to the Committee on Finance. Motion carried.

The next bill before the Committee was House Joint Resolution 1191 -A JOINT RESOLUTION HONORING THE LIFE AND MEMORY OF LOYD EDWARD AUMAN. Representative Warner, bill sponsor, was recognized to explain the resolution. Representative Thompson moved for a favorable report. Motion carried.

House Joint Resolution 1235- A JOINT RESOLUTION HONORING THE LIFE AND MEMORY OF EDGAR M. "LONESOME ED" MCKNIGHT, FORMER MEMBER OF THE GENERAL ASSEMBLY was the next bill before the Committee. Representative Gray was recognized to explain the resolution. Representative Esposito moved for a favorable report. Motion carried.

Next on the agenda for Committee consideration was Senate Bill 500 - A BILL TO BE ENTITLED AN ACT TO ESTABLISH THE MOUNTAIN ISLAND LAKE MARINE COMMISSION. Representative Dickson was recognized to speak on the bill on behalf of Senator Odom, the bill sponsor. Representative Dickson presented a committee substitute and Representative McMahan moved for its adoption for Committee discussion. Motion carried. Representative McMahan then moved to amend the bill on page 1, line 22 Legal counsel explained the amendment. The words "mean high waterline" were deleted and the words "full-time elevation contour" were inserted. Representative Dickson explained that it was a technical substitute to meet the federal definition. The amendment was adopted. Representative Morgan, Chair, recognized Representative Dickson to explain the bill as amended. Representative McMahan moved for the amendment to be rolled into the House committee substitute for Senate Bill 500 and that this committee substitute be given a favorable report and unfavorable to original bill. Motion carried.

The next bill before the Committee was Senate Bill 698 - A BILL TO BE ENTITLED AN ACT ALLOWING WAYNE COUNTY TO CONVEY CERTAIN REAL PROPERTY TO THE NAHUNTA VOLUNTEER FIRE DEPARTMENT BY PRIVATE SALE. Senator Kerr was recognized to explain the bill. Representative Dockham moved for a favorable report. Motion carried.

Representative Morgan, Chair, displaced Senate Joint Resolution 707 -A JOINT RESOLUTION HONORING THE LIFE AND MEMORY OF ROYCE PHELPS "BO" THOMAS, FORMER MEMBER OF THE GENERAL ASSEMBLY at the request of the bill sponsor.

The next bill before the Committee was Senate Bill 764 - A BILL TO BE ENTITLED AN ACT TO AMEND THE WORKERS' COMPENSATION ACT REGARDING EMPLOYER ACCESS TO MEDICAL INFORMATION. Senator Kerr, bill sponsor, was recognized to explain the bill. Representative Morgan, Chair, explained this bill was before the Committee because Representative Mitchell had an identical bill and in the crossover, Senate Bill 764 made it over first. The House bill had already been deliberated by the House and there were no changes. Senator Kerr said that he and Representative Mitchell worked out a compromise of all interested parties. Representative Mitchell moved for a favorable report and the motion carried.

Senate Bill 809 - A BILL TO BE ENTITLED AN ACT AMENDING THE NORTH CAROLINA APPRAISERS ACT, was the next bill before the Committee. Senator Ledbetter was recognized to explain the bill. Representative Dockham moved for the adoption of the proposed House Committee Substitute for Senate Bill 809. Motion carried to properly put the committee substitute before the Committee. Representative Thompson was recognized to send forward an amendment. The amendment would amend the bill on Page 1, Line 13, by adding the word "brokerage" after the word "a" and by adding the word "brokerage" after the word "prospective". Senator Ledbetter agreed with Representative Thompson's explanation that the amendment changes were intended to be in the original Senate bill but had been omitted .Representative Thompson moved for the adoption of the amendment. Amendment was adopted. Senator Ledbetter stated that the appraisers reluctantly supported the bill and that this bill would apply to any real estate. Representative Thompson moved that the amendment be rolled into a new House committee substitute and that the committee substitute be given a favorable report and an unfavorable report to the Senate Bill 194. Motion carried.

Senate Joint Resolution 1078 - A JOINT RESOLUTION PROVIDING FOR THE CONFIRMATION OF THE APPOINTMENT OF RICHARD CONDER

MADE BY THE GOVERNOR TO MEMBERSHIP ON THE NORTH CAROLINA UTILITIES COMMISSION was presented to the Committee. Representative McMahan moved to adopt the proposed House Committee Substitute to the Senate Joint Resolution 1078. Counsel was recognized to explain the change. The committee substitute provided only for the appointment of Richard Condor and not R. V. Owens, Jr. Representative McMahan moved to give a favorable report to the House Committee Substitute for Senate Joint Resolution 1078 and unfavorable to the original bill The motion carried.

House Joint Resolution - A JOINT RESOLUTION PROVIDING FOR THE CONFIRMATION OF THE APPOINTMENT OF ROBERT V. OWENS, JR. MADE BY THE GOVERNOR TO MEMBERSHIP ON THE NORTH CAROLINA UTILITIES COMMISSION was next before the Committee. Representative Thompson moved that the committee adopt the draft bill and the motion carried. The Chair explained that this was a committee bill. Linwood Jones, Committee Staff Counsel, was recognized to explain the draft committee bill. Representative Bowie moved for a favorable report. Motion carried.

Next on the agenda for Committee consideration was Senate Bill 194 -A BILL TO BE ENTITLED AN ACT TO AMEND VARIOUS ENVIRONMENTAL LAWS. Representative Mitchell moved to adopt the proposed House Committee Substitute for Senate Bill 194- for the purpose of Committee discussion. Motion carried. Linwood Jones, Committee Staff Counsel, was recognized to explain the substitute bill. The bill had no major changes except the substitute no longer included the civil penalties change that was included in Senate Bill 194. The rest of the changes were technical and clarifying. Counsel stated that the approved House Bill 515, which pertained to regulation of hog farms, began on page 9 of the bill. Representative Bowie moved for a favorable report to the House Committee Substitute for Senate bill 194, and an unfavorable report to original bill. Motion carried.

The meeting adjourned at 7:10 p.m..

GENERAL ASSEMBLY OF NORTH CAROLINA

SESSION 1997

HOUSE BILL 1166

Short Title: Auctioneer Education Requirements. (Public)

Sponsors: Representative Black.

Referred to: Rules, Calendar and Operations of the House.

April 28, 1997

A BILL TO BE ENTITLED

AN ACT TO AMEND THE EDUCATIONAL REQUIREMENTS FOR AUCTIONEERS, APPRENTICE AUCTIONEERS, AND PRINCIPALS IN AN AUCTION FIRM.

The General Assembly of North Carolina enacts:

Section 1. G.S. 85B-4 reads as rewritten:

"**§ 85B-4. Licenses required.**

(a) No person who is not exempt under G.S. 85B-2, shall sell, or offer to sell, goods or real estate at auction in this State or perform any act for which an auction firm license is required unless the person holds a currently valid license issued under this Chapter.

(b) No person shall be licensed as an apprentice auctioneer, auctioneer, or receive an auction firm license if the person:

(1) Is under 18 years of ~~age;~~ age.

(1a) Is not a high school graduate or the equivalent.

(2) Repealed by Session Laws 1983, c. 751, s. 6.

(3) Has within the preceding five years pleaded guilty to, entered a plea of nolo contendere or been convicted of any felony, or committed or been convicted of any act involving fraud or moral ~~turpitude;~~ turpitude.

(4) Has had an auctioneer or apprentice auctioneer or auction firm license ~~revoked; or~~ revoked.

(5) Has, within the preceding five years, committed any act ~~which~~ that constitutes grounds for license suspension or revocation under this Chapter or a Commission rule.

(c) Each applicant for an apprentice auctioneer license shall submit a written application in a form approved by the Commission and containing at least two statements by residents of the community in which the applicant resides attesting to the applicant's good moral character.

(c1) Each apprentice auctioneer application and license shall name a licensed auctioneer to serve as the supervisor of the apprentice. No apprentice auctioneer may enter into an agreement to conduct an auction, or conduct an auction, without the express approval of his supervisor. The supervisor shall review all contracts before approving them and shall regularly review the records his apprentice is required to maintain under G.S. 85B-7 to see that they are accurate and current, and shall perform such other supervisory duties as may be required by the Commission.

(d) No person shall be licensed as an auctioneer unless the person has held an apprentice auctioneer license and served as an apprentice auctioneer for the two preceding years, accumulated sufficient knowledge and experience in such areas of the auctioneer profession as the Commission may deem appropriate, and has taken an examination approved by the Commission and performed on it to the satisfaction of the Commission. The examination shall test the applicant's understanding of the law relating to auctioneers and auctions, ethical practices for auctioneers, the mathematics applicable to the auctioneer business, and such other matters relating to auctions as the Commission considers appropriate. The examination shall be given at least twice each year in Raleigh, and at other times and places the Commission designates, but no person shall be allowed to take the examination within six months after having failed it a second time.

~~Any person who has been in the auctioneer business in this State for at least two years prior to the effective date of this act [July 1, 1973], and who makes proper application to the Commission within one year after July 1, 1973, may be licensed as an auctioneer without holding an apprentice license and serving as an apprentice of two years, and without taking the examination required by this subsection.~~ Any person who has successfully completed the equivalent of at least 80 hours of classroom instruction in a course in auctioneering at an institution ~~approved by the Commission~~ whose curriculum and instructors meet the qualifications approved or established by the Commission may be licensed as an auctioneer without holding an apprentice license and serving as an apprentice for two years, but must take the examination required by this subsection and perform on it to the satisfaction of the Commission.

Each applicant for an auctioneer license shall submit a written application in a form approved by the Commission. If the applicant has been previously licensed as an apprentice auctioneer, the application shall contain an evaluation by the applicant's supervisor of the applicant's performance as an apprentice auctioneer and the applicant's performance in specific areas as required by the Commission. If the applicant is exempted from apprenticeship after completion of the equivalent of at

least 80 hours of classroom instruction in auctioneering, the application shall contain a transcript of the applicant's course work in auctioneering. Each application shall be accompanied by statements of at least two residents of the community in which the applicant resides attesting to the applicant's good moral character. The Commission may require verification of any information included in an application for an auctioneer license and may request other information or verification of information provided to determine whether the applicant possesses the good moral character or other qualifications for licensure.

(e) Each license issued under this Chapter shall be valid from July 1 of the year issued, or from the date issued, whichever is later, to the following June 30 unless sooner revoked or suspended pursuant to this Chapter or a rule of the Commission. A license may be renewed for one year at a time, except an apprentice auctioneer license may not be renewed for more than three times. No examination shall be required for renewal of an auctioneer license if the application for renewal is made within 24 months of the expiration of the previous license.

(e1) The Commission may require licensees to complete annually not more than six hours of Commission approved continuing education courses prior to license renewal. The Commission may impose different continuing education requirements, including no such requirements, upon the classes of licensees under this Chapter. The Commission may waive any or all continuing education requirements in cases of hardship, disability, or illness or under other circumstances as the Commission deems appropriate.

(f) No person shall be issued an auctioneer or apprentice auctioneer license until the person has made the contribution to the Fund as required by G.S. 85B-4.1.

(g) An auction firm must be licensed by the Board even though no owner or officer of the firm acts as an auctioneer. To be licensed an auction firm must make the contribution to the Fund as required by G.S. 85B-4.1 and must pay the proper fees as set out in G.S. 85B-6. Auction firms are covered by the provisions of G.S. 85B-8.

An auction firm license issued by the Commission is restricted to the persons named in the license and does not inure to the benefit of any other person. Where a license is issued to an auction firm, authority to transact business under the license is limited to the person or persons designated in the application and named in the license.

The designated person or persons, prior to being licensed, shall be required to take a written examination, approved by the Commission, and demonstrate to the satisfaction of the Commission a thorough understanding of the law relating to the conduct of the auction business and other matters the Commission deems appropriate. An individual who is licensed as an auctioneer and who is the designated person applying for an auction firm license is not required to take the auction firm examination. Licensed real estate brokers and real estate firms may be exempt from the auction firm examination provided they employ or associate themselves with a licensed auctioneer to handle those aspects of the transactions peculiar to the auctioneer profession. Any person or entity, on the effective date of

this Chapter, duly licensed as an auction firm in good standing is not required to take any examination in order to maintain or to renew an auction firm license provided that the license does not otherwise expire or lapse and is not suspended or revoked by the Commission.

(h) The Commission shall publish at least once a year a list of names and addresses of all persons, sole proprietorships, partnerships and corporations holding valid apprentice auctioneer, auctioneer, or auction firm licenses.

(i) The Commission may investigate as it deems necessary the ethical background of any applicant for licensure under this Chapter."

Section 2. G.S. 85B-4.1 reads as rewritten:

"**§ 85B-4.1. Auctioneer Recovery Fund.**

(a) In addition to license fees, upon application for a license or renewal of a license, the Commission may charge the applicant or licensee up to fifty dollars ($50.00) per year to be included in the Fund.

(b) The Commission shall maintain at least ~~one~~ two hundred thousand dollars ~~($100,000)~~ ($200,000) in the Fund for use as provided in this Chapter. The Fund may be invested by the State Treasurer in interest bearing accounts, and any interest accrued shall be added to the Fund. Sufficient liquidity shall be maintained to insure that funds will be available to satisfy claims processed through the Board. The Fund may be disbursed by a warrant drawn against the State Treasurer or by other method at the discretion of the State Treasurer.

(c) The Commission, in its discretion, may use contents of the Fund in excess of ~~one~~ two hundred thousand dollars ~~($100,000)~~ ($200,000) for the following purposes:

(1) To promote education and research in the auctioneer profession, in order to benefit persons licensed under this Chapter and to improve the efficiency of the ~~profession;~~ profession.

(2) To underwrite educational seminars, training centers, and other forms of educational projects for the use and benefit of ~~licensees;~~ licensees.

(3) To sponsor, contract for, or underwrite education and research projects in order to advance the auctioneer profession in ~~North Carolina; and~~ North Carolina.

(4) To cooperate with associations of auctioneers, or other groups, in order to promote the enlightenment and advancement of the auctioneer profession in North Carolina."

Section 3. G.S. 85B-6(a) reads as rewritten:

"**§ 85B-6. Fees; local governments not to charge fees or require licenses.**

(a) The Commission shall collect and remit to the State Treasurer fees in an amount not to exceed the following:

Item	Maximum Fee
Apprentice Auctioneers:	
Application for license	~~$50.00~~ $125.00
Issuance or renewal of license	~~50.00~~ 125.00
Auctioneers:	

Application for license	~~50.00~~	125.00
Examination	~~25.00~~	75.00
Issuance or renewal of license	~~100.00~~	250.00
Auction Firms:		
Application for license	~~50.00~~	125.00
Examination	~~25.00~~	75.00
Issuance or renewal of license	~~100.00~~	250.00
Reinstatement of License	~~25.00.~~	75.00.

An application fee for a license and an examination fee are nonrefundable. The amount payable by a nonresident under G.S. 85B-5 to obtain a nonresident reciprocal auctioneer license is the greater of the amount set in the above table for an examination for and the issuance of an auctioneer's license and the amount the nonresident's state would charge a resident auctioneer of this State to obtain a comparable license from that state.

A reinstatement fee is payable when a person applies for renewal of a license after the license has lapsed for failure to renew it before it expired. The reinstatement of a lapsed license is not retroactive in effect and does not limit the authority of the courts or of the Commission to take disciplinary action against a person who engages in the auctioneer profession with a lapsed license."

Section 4. G.S. 85B-9 reads as rewritten:

"**§ 85B-9. Penalties and enforcement.**

(a) Any person, corporation or association of persons violating the provisions of G.S. 85B-4(a) shall be guilty of a Class 1 misdemeanor. The Attorney General of North Carolina, or the Attorney General's designee, shall have concurrent jurisdiction with the district attorneys of this State to prosecute violations of this Chapter.

(b) The Commission may in its own name seek injunctive relief in the General Court of Justice to restrain any violation or anticipated violation of the provisions of G.S. 85B-4(a) or any violation of this Chapter.

(c) The Commission shall be entitled to the services of the Attorney General of North Carolina in enforcing the provisions of this Chapter or may employ an attorney to assist and represent it in enforcement of specific matters."

Section 5. This act is effective when it becomes law.

May 1, 1997

A JOINT RESOLUTION HONORING THE LIFE AND MEMORY OF LOYD EDWARD AUMAN.

Whereas, Loyd Edward Auman, a lifelong resident of Cumberland County, was born on September 23, 1916; and

Whereas, Loyd Edward Auman received a bachelors degree in agricultural education from North Carolina State University in 1937, and a principal's certificate from the University of North Carolina at Chapel Hill in 1946; and

Whereas, Loyd Edward Auman began his 23-year career in public education as a teacher at 71st High School, where he taught from 1937 to 1942; and

Whereas, Loyd Edward Auman proudly served his country during World War II as a member of the United States Army Air Corps; and

Whereas, after his military service, Loyd Edward Auman returned to Cumberland County, where he served as principal of 71st High School from December of 1945 to June of 1968, and as principal of J.W. Coon Elementary School from July of 1968 to June of 1977; and

Whereas, Loyd Edward Auman's interest in education was evident by his memberships on the Cumberland County Library Board and the Cumberland County Unit of the North Carolina Association of Educators, of which he also served as president; and

Whereas, Loyd Edward Auman served as coach for both boys and girls sports from 1946 to 1948, and continued to coach girls basketball until 1955; and

Whereas, Loyd Edward Auman was a member of the 71st Athletic Council and initiated a fund drive to build an athletic field at 71st High School; and

Whereas, as a tribute to Loyd Edward Auman's service to education, an elementary school and the 71st High School Athletic Field bear his name; and

Whereas, Loyd Edward Auman greatly contributed to his community serving as a member and past president of the 71st Ruritan Club and as a member of the Board of Directors of the Lake Rim Fire Department; and

Whereas, Loyd Edward Auman was a devoted member of the MacPherson Presbyterian Church, serving as a deacon, elder, superintendent, and Sunday School teacher; and

Whereas, Loyd Edward Auman was a member of the Auman family basketball team from 1940 to 1941, which placed first runner-up in the National Family Basketball Tournament during that time, and was the leading softball home run hitter in Cumberland County from 1940 to 1941; and

Whereas, Loyd Edward Auman was a master gardener and upon his retirement from the public school system turned his hobby of growing muscadine grapes into a vocation, growing 40 varieties of grapes and raising over 400 vines; and

Whereas, today, the 71st Ruritan Club operates the vineyard; and

Whereas, with the death of Loyd Edward Auman on February 8, 1994, Cumberland County and the State of North Carolina lost a most able, outstanding, devoted, and loyal citizen; and

Whereas, Loyd Edward Auman is survived by his wife, Louise Lindsay Auman; his daughters, Mary Auman McLean and Elizabeth Auman Visser; and his son, Edward Auman;

Now, therefore, be it resolved by the House of Representatives, the Senate concurring:

Section 1. The General Assembly honors the life and memory of Loyd Edward Auman and expresses the appreciation of this State for the service he rendered.

Section 2. The General Assembly extends its deepest sympathy to the family and friends of Loyd Edward Auman for their loss.

Section 3. The Secretary of State shall transmit a certified copy of this resolution to the family of Loyd Edward Auman.

Section 4. This resolution is effective upon ratification.

A JOINT RESOLUTION HONORING THE LIFE AND MEMORY OF EDGAR M. "LONESOME ED" MCKNIGHT, FORMER MEMBER OF THE GENERAL ASSEMBLY.

Whereas, Edgar M. McKnight was born on June 21, 1908, in Dallas, North Carolina, to Samuel W. McKnight and Bessie White McKnight; and

Whereas, "Lonesome Ed" McKnight served his country as a sergeant in the United States Marine Corps from 1924 to 1932; and

Whereas, Edgar M. McKnight was married to the former Dorothy Essex on November 26, 1952, and the father of four children; and

Whereas, Edgar M. McKnight was a successful businessman in Winston-Salem, where he owned and served as President of his company, Edmac, Inc., a welding supply and air compressor business; and

Whereas, Edgar M. McKnight was active in his community serving as a member of the Winston-Salem Twin City Club, the Elks Club, and the Clemmons Civic Club; and

Whereas, Edgar M. McKnight was a member of the Calvary Moravian Church in Winston-Salem, where he held numerous offices and served in various capacities; and

Whereas, Edgar M. McKnight ran for a seat in the North Carolina House of Representatives from Forsyth County in 1964, and won the election becoming the first Republican elected countywide in Forsyth County in the twentieth century; and

Whereas, Edgar M. McKnight was labeled by the local newspaper, the Twin City Sentinel early in his term as "Lonesome Ed" because the other members of his local House delegation didn't tell him about the meeting times of the local caucus; and

Whereas, Edgar M. McKnight wore his new name as a badge of honor and campaigned during the next election as "Lonesome Ed" putting the new nickname on the ballot; and

Whereas, "Lonesome Ed" McKnight was not lonesome after the 1966 election winning reelection while helping elect all of his fellow Republican candidates in Forsyth County to the State House and Senate; and

Whereas, "Lonesome Ed" McKnight won reelection to the State House again in 1968, and helped the Republicans capture all five House seats and both State Senate seats in Forsyth County for the first time ever; and

Whereas, "Lonesome Ed" McKnight won reelection to the State House again in 1970 and 1972; and

Whereas, on October 4, 1974, Governor James Holshouser appointed "Lonesome Ed" McKnight to fill a vacancy in the State Senate; and

Whereas, "Lonesome Ed" McKnight served with great distinction during his five terms in the North Carolina General Assembly helping to create a more open and deliberative atmosphere in the legislative body; and

Whereas, "Lonesome Ed" McKnight was a strong supporter of improved education, an expanded parks system, better highways and transportation systems, and better environmental controls; and

Whereas, the Winston-Salem Journal and Twin City Sentinel both recognized "Lonesome Ed" McKnight's great political talents and abilities and continually endorsed him in election after election; and

Whereas, "Lonesome Ed" McKnight eagerly and willingly mentored many other young office seekers and officeholders throughout his entire political career and added immeasurably to their chances for success; and

Whereas, "Lonesome Ed" McKnight died on November 4, 1994, just a few days before he could have seen his lifelong dream of seeing a Republican Speaker of the North Carolina House of Representatives; and

Whereas, "Lonesome Ed" McKnight was preceded in death by a daughter, Doris M. Matthews, and is survived by his wife, Dorothy E. McKnight; his sons, Don B. McKnight and Keith J. McKnight; his daughter, Gayle M. Dion; and five grandchildren and three great-grandchildren; and

Whereas, with the death of "Lonesome Ed" McKnight, the State of North Carolina has lost a most able, outstanding, devoted, and loyal citizen;

Now, therefore, be it resolved by the House of Representatives, the Senate concurring:

Section 1. The General Assembly honors the life and memory of Edgar M. "Lonesome Ed" McKnight and expresses the appreciation of this State for the service he rendered.

Section 2. The General Assembly extends its deepest sympathy to the family and friends of Edgar M. "Lonesome Ed" McKnight for their loss.

Section 3. The Secretary of State shall transmit a certified copy of this resolution to the family of Edgar M. "Lonesome Ed" McKnight.

March 25, 1997

A BILL TO BE ENTITLED

AN ACT TO ESTABLISH THE MOUNTAIN ISLAND LAKE MARINE COMMISSION.

The General Assembly of North Carolina enacts:

Section 1. For purposes of this act:

(1) "Board" means the board of commissioners of one of the three counties.

(2) "Commission" means the Mountain Island Lake Marine Commission or its governing board, as the case may be.

(3) "Commissioner" means a member of the governing board of the Mountain Island Lake Marine Commission.

(4) "Three counties" means Gaston, Lincoln, and Mecklenburg Counties.

(5) "Joint resolution" means a resolution or ordinance substantially identical in content adopted separately by the governing boards in each of the three counties.

(6) "Mountain Island Lake" means the impounded body of water along the Catawba River in the three counties extending from the Cowans Ford Dam downstream to the Mountain Island Dam.

(7) "Shoreline area" means, except as modified by a joint resolution, the area within the three counties lying within 1,000 feet of the full pond elevation contour on Mountain Island Lake. In addition, the

shoreline area includes all islands within Mountain Island Lake and all peninsulas extending into the waters of Mountain Island Lake.

(8) "Wildlife Commission" means the North Carolina Wildlife Resources Commission.

Section 2. The three counties may by joint resolution create the Mountain Island Lake Marine Commission. Upon its creation the Commission has the powers, duties, and responsibilities conferred upon it by joint resolution, subject to the provisions of this act. The provisions of any joint resolution may be modified, amended, or rescinded by a subsequent joint resolution. A county may unilaterally withdraw from participation as provided by any joint resolution or the provisions of this act, once the Commission has been created, and any county may unilaterally withdraw from the Commission at the end of any budget period upon 90 days prior written notice. Upon the effectuation of the withdrawal, the Commission is dissolved, and all property of the Commission must be distributed to or divided among the three counties and any other public agency or agencies serving the Mountain Island Lake area in a manner considered equitable by the Commission by resolution adopted by it prior to dissolution.

Section 3. Upon its creation, the Commission shall have a governing board of seven. Except as otherwise provided for the initial appointees, each commissioner shall serve a three-year term. Upon creation of the Commission, the Boards of Commissioners of Gaston County and Mecklenburg County shall appoint three commissioners each, and the Board of Commissioners of Lincoln County shall appoint one commissioner. Of the initial appointees:

(1) One commissioner appointed by Gaston County and one member appointed by Mecklenburg County shall serve one-year terms;

(2) One commissioner appointed by Gaston County and one member appointed by Mecklenburg County shall serve two-year terms; and

(3) One member appointed by Gaston County, one member appointed by Mecklenburg County, and the member appointed by Lincoln County shall serve three-year terms.

Any commissioner who has served two consecutive terms, including any initial term of less than three years, may not be reappointed to a third consecutive term. Such a member may, however, be appointed to serve again after the expiration of the term of the member's successor.

On the death of a commissioner, resignation, incapacity, or inability to serve, as determined by the board appointing that commissioner, or removal of the commissioner for cause, as determined by the board appointing that commissioner, the board affected may appoint another commissioner to fill the unexpired term.

Section 4. The joint resolution of the three counties shall state the terms relating to compensation to commissioners, if any, compensation of consultants and staff members employed by the Commission, and reimbursement of expenses incurred by commissioners, consultants, and employees. The Commission shall be governed by those budgetary and accounting procedures specified by joint resolution.

Section 5. Upon creation of the Commission, its governing board shall meet at a time and place agreed upon by the boards of the three counties concerned. The commissioners shall elect a chairman and officers as they choose. All officers shall serve one-year terms. The governing board shall adopt rules and regulations as it deems necessary, not inconsistent with the provisions of this act or of any joint resolution, for the proper discharge of its duties and for the governance of the Commission. In order to conduct business, a quorum must be present. The chairman may adopt those committees as authorized by those rules and regulations. The Commission shall meet regularly at times and places as specified in its rules and regulations or in any joint resolution. However, meetings of the Commission must be held in all three counties on a rotating basis so that an equal number of meetings is held in each county. Special meetings may be called as specified in the rules and regulations. The provisions of the Open Meetings Law, Article 33C of Chapter 143 of the General Statutes, shall apply.

Section 6. (a) Within the limits of funds available to it and subject to the provisions of this act and of any joint resolution, the Commission may:

(1) Hire and fix the compensation of permanent and temporary employees and staff as it may deem necessary in carrying out its duties;

(2) Contract with consultants for services it requires;

(3) Contract with the State of North Carolina or the federal government, or any agency or department, or subdivision of them, for property or services as may be provided to or by these agencies and carry out the provisions of these contracts;

(4) Contract with persons, firms, and corporations generally as to all matters over which it has a proper concern, and carry out the provisions of contracts;

(5) Lease, rent, purchase, or otherwise obtain suitable quarters and office space for its employees and staff, and lease, rent, purchase, or otherwise obtain furniture, fixtures, vessels, vehicles, firearms, uniforms, and other supplies and equipment necessary or desirable for carrying out the duties imposed in or under the authority of this act; and

(6) Lease, rent, purchase, construct, otherwise obtain, maintain, operate, repair, and replace, either on its own or in cooperation with other public or private agencies or individuals, any of the following: boat docks, navigation aids, waterway markers, public information signs and notices, and other items of real and personal property designed to enhance public safety in Mountain Island Lake and its shoreline area, or protection of property in the shoreline area subject however to Chapter 113 of the General Statutes and rules promulgated under that Chapter.

(b) The Commission may accept, receive, and disburse in furtherance of its functions any funds, grants, services, or property made available by the federal

government or its agencies or subdivisions, by the State of North Carolina or its agencies or subdivisions, or by private and civic sources.

(c) The governing boards of the three counties may appropriate funds to the Commission out of surplus funds or funds derived from nontax sources. They may appropriate funds out of tax revenues and may also levy annually property taxes for the payments of such appropriation as a special purpose, in addition to any allowed by the Constitution, or as provided by G.S. 153A-149.

(d) The Commission shall be subject to those audit requirements as may be specified in any joint resolution.

(e) In carrying out its duties and either in addition to or in lieu of exercising various provisions of the above authorization, the Commission may, with the agreement of the governing board of the county concerned, utilize personnel and property of or assign responsibilities to any officer or employee of any of the three counties. Such contribution in kind, if substantial, may with the agreement of the other two counties be deemed to substitute in whole or in part for the financial contribution required of that county in support of the Commission.

(f) Unless otherwise specified by joint resolution, each of the three counties shall annually contribute an equal financial contribution to the Commission in an amount appropriate to support the activities of the Commission in carrying out its duties.

Section 7. (a) A copy of the joint resolution creating the Commission and of any joint resolution amending or repealing the joint resolution creating the Commission shall be filed with the Executive Director of the Wildlife Commission. When the Executive Director receives resolutions that are in substance identical from all three counties concerned, the Executive Director shall within 10 days so certify and distribute a certified single resolution text to the following:

(1) The Secretary of State;

(2) The clerk to the governing board of each of the three counties;

(3) The clerks of superior court of Lincoln, Mecklenburg, and Gaston Counties. Upon request, the Executive Director also shall send a certified single copy of any and all applicable joint resolutions to the chairman of the Commission; and

(4) A newspaper of general circulation in the three counties.

(b) Unless a joint resolution specifies a later date, it shall take effect when the Executive Director's certified text has been submitted to the Secretary of State for filing. Certifications of the Executive Director under the seal of the Commission as to the text or amended text of any joint resolution and of the date or dates of submission to the Secretary of State shall be admissible in evidence in any court. Certifications by any clerk of superior court of the text of any certified resolution filed with him by the Executive Director is admissible in evidence and the Executive Director's submission of the resolution for filing to the clerk shall constitute prima facie evidence that that resolution was on the date of submission also submitted for filing with the Secretary of State. Except for the certificate of a clerk as to receipt and date of submission, no evidence may be admitted in court

concerning the submission of the certified text of any resolution by the Executive Director to any person other than the Secretary of State.

Section 8. (a) Except as limited in subsection (b) of this section, by restrictions in any joint resolution, and by other supervening provisions of law, the Commission may make regulations applicable to Mountain Island Lake and its shoreline area concerning all matters relating to or affecting the use of Mountain Island Lake. These regulations may not conflict with or supersede provisions of general or special acts or of regulations of State agencies promulgated under the authority of general law. No regulations adopted under this section may be adopted by the Commission except after public hearing, with publication of notice of the hearing being given in a newspaper of general circulation in the three counties at least 10 days before the hearing. In lieu of or in addition to passing regulations supplementary to State law and regulations concerning the operation of vessels on Mountain Island Lake, the Commission may, after public notice, request that the Wildlife Commission pass local regulations on this subject in accordance with the procedure established by appropriate State law.

(b) Violation of any regulation of the Commission commanding or prohibiting an act shall be a Class 3 misdemeanor.

(c) The regulations promulgated under this section take effect upon passage or upon dates as stipulated in the regulations, except that no regulation may be enforced unless adequate notice of the regulation has been posted in or on Mountain Island Lake or its shoreline area. Adequate notice as to a regulation affecting only a particular location may be by a sign, uniform waterway marker, posted notice, or other effective method of communicating the essential provisions of the regulation in the immediate vicinity of the location in question. Where a regulation applies generally as to Mountain Island Lake or its shoreline area, or both, there must be a posting of notices, signs, or markers communicating the essential provisions in at least three different places throughout the area, and it must be printed in a newspaper of general circulation in the three counties.

(d) A copy of each regulation promulgated under this section must be filed by the Commission with the following persons:

(1) The Secretary of State;

(2) The clerks of superior court of Gaston, Lincoln, and Mecklenburg Counties; and

(3) The Executive Director of the Wildlife Commission;

(e) Any official designated in subsection (d) above may issue certified copies of regulations filed with him under the seal of his office. Those certified copies may be received in evidence in any proceeding.

(f) Publication and filing of regulations promulgated under this section as required above is for informational purposes and shall not be a prerequisite to their validity if they in fact have been duly promulgated, the public has been notified as to the substance of regulations, a copy of the text of all regulations is in fact available to any person who may be affected, and no party to any proceeding has been prejudiced by any defect that may exist with respect to publication and filing. Rules and

regulations promulgated by the Commission under the provisions of other sections of this act relating to internal governance of the Commission need not be filed or published. Where posting of any sign, notice, or marker or the making of other communication is essential to the validity of a regulation duly promulgated, it shall be presumed in any proceeding that prior notice was given and maintained and the burden lies upon the party asserting to the contrary to prove lack of adequate notice of any regulation.

Section 9. (a) Where a joint resolution so provides, all law enforcement officers, or those officers as may be designated in the joint resolution, with territorial jurisdiction as to any part of Mountain Island Lake or its shoreline area shall, within the limitations of their subject matter jurisdiction, have the authority of peace officers in enforcing the laws over all of Mountain Island Lake and its shoreline area.

(b) Where a joint resolution provides it, the Commission may hire special officers to patrol and enforce the laws on Mountain Island Lake and its shoreline area. These special officers have and exercise all the powers of peace officers generally within the area in question and shall take the oaths and be subject to all provisions of law relating to law enforcement officers.

(c) Unless a joint resolution provides otherwise, all courts in the three counties within the limits of their subject matter jurisdiction shall have concurrent jurisdiction as to all criminal offenses arising within the boundaries of Mountain Island Lake and its shoreline area.

(d) Where a law enforcement officer with jurisdiction over any part of Mountain Island Lake or its shoreline area is performing duties relating to the enforcement of the laws on Mountain Island Lake or in its shoreline area, the officer has the extraterritorial jurisdiction necessary to perform his duties. These duties include investigation of crimes an officer reasonably believes have been, or are about to be, committed within the area in question. This includes traversing by reasonable routes from one portion of that area to another although across territory not within the boundaries of Mountain Island Lake and its shoreline area; conducting prisoners in custody to court or detention facilities as authorized by law, although this may involve going outside the area in question; execution of process connected with any criminal offense alleged to have been committed within the boundaries in question, except that such process may not be executed by virtue of this provision beyond the boundaries of the three counties. This also includes continuing pursuit of and arresting any violator or suspected violator as to which grounds for arrest arose within the area in question.

(e) Where law enforcement officers are given additional territorial jurisdiction under the provisions of this section, this shall be deemed an extension of the duties of the office held, and no officer shall take any additional oath or title of office.

Section 10. This act applies only to Gaston, Lincoln, and Mecklenburg Counties.

Section 11. This act is effective when it becomes law.

A BILL TO BE ENTITLED

AN ACT TO ESTABLISH THE MOUNTAIN ISLAND LAKE MARINE COMMISSION.

The General Assembly of North Carolina enacts:

Section 1. For purposes of this act:

(1) "Board" means the board of commissioners of one of the three counties.

(2) "Commission" means the Mountain Island Lake Marine Commission or its governing board, as the case may be.

(3) "Commissioner" means a member of the governing board of the Mountain Island Lake Marine Commission.

(4) "Three counties" means Gaston, Lincoln, and Mecklenburg Counties.

(5) "Joint resolution" means a resolution or ordinance substantially identical in content adopted separately by the governing boards in each of the three counties.

(6) "Mountain Island Lake" means the impounded body of water along the Catawba River in the three counties extending from the Cowans Ford Dam downstream to the Mountain Island Dam.

(7) "Shoreline area" means, except as modified by a joint resolution, the area within the three counties lying within 1,000 feet of the mean high waterline on Mountain Island Lake. In addition, the shoreline area includes all islands within Mountain Island Lake

and all peninsulas extending into the waters of Mountain Island Lake.

(8) "Wildlife Commission" means the North Carolina Wildlife Resources Commission.

Section 2. The three counties may by joint resolution create the Mountain Island Lake Marine Commission. Upon its creation the Commission has the powers, duties, and responsibilities conferred upon it by joint resolution, subject to the provisions of this act. The provisions of any joint resolution may be modified, amended, or rescinded by a subsequent joint resolution. A county may unilaterally withdraw from participation as provided by any joint resolution or the provisions of this act, once the Commission has been created, and any county may unilaterally withdraw from the Commission at the end of any budget period upon 90 days prior written notice. Upon the effectuation of the withdrawal, the Commission is dissolved, and all property of the Commission must be distributed to or divided among the three counties and any other public agency or agencies serving the Mountain Island Lake area in a manner considered equitable by the Commission by resolution adopted by it prior to dissolution.

Section 3. Upon its creation, the Commission shall have a governing board of seven. Except as otherwise provided for the initial appointees, each commissioner shall serve a three-year term. Upon creation of the Commission, the Boards of Commissioners of Gaston County and Mecklenburg County shall appoint three commissioners each, and the Board of Commissioners of Lincoln County shall appoint one commissioner. Of the initial appointees:

(1) One commissioner appointed by Gaston County and one member appointed by Mecklenburg County shall serve one-year terms;

(2) One commissioner appointed by Gaston County and one member appointed by Mecklenburg County shall serve two-year terms; and

(3) One member appointed by Gaston County, one member appointed by Mecklenburg County, and the member appointed by Lincoln County shall serve three-year terms.

Any commissioner who has served two consecutive terms, including any initial term of less than three years, may not be reappointed to a third consecutive term. Such a member may, however, be appointed to serve again after the expiration of the term of the member's successor.

On the death of a commissioner, resignation, incapacity, or inability to serve, as determined by the board appointing that commissioner, or removal of the commissioner for cause, as determined by the board appointing that commissioner, the board affected may appoint another commissioner to fill the unexpired term.

Section 4. The joint resolution of the three counties shall state the terms relating to compensation to commissioners, if any, compensation of consultants and staff members employed by the Commission, and reimbursement of expenses incurred by commissioners, consultants, and employees. The Commission shall be governed by those budgetary and accounting procedures specified by joint resolution.

Section 5. Upon creation of the Commission, its governing board shall meet at a time and place agreed upon by the boards of the three counties concerned. The commissioners shall elect a chairman and officers as they choose. All officers shall serve one-year terms. The governing board shall adopt rules and regulations as it deems necessary, not inconsistent with the provisions of this act or of any joint resolution, for the proper discharge of its duties and for the governance of the Commission. In order to conduct business, a quorum must be present. The chairman may adopt those committees as authorized by those rules and regulations. The Commission shall meet regularly at times and places as specified in its rules and regulations or in any joint resolution. However, meetings of the Commission must be held in all three counties on a rotating basis so that an equal number of meetings is held in each county. Special meetings may be called as specified in the rules and regulations. The provisions of the Open Meetings Law, Article 33C of Chapter 143 of the General Statutes, shall apply.

Section 6. (a) Within the limits of funds available to it and subject to the provisions of this act and of any joint resolution, the Commission may:

(1) Hire and fix the compensation of permanent and temporary employees and staff as it may deem necessary in carrying out its duties;

(2) Contract with consultants for services it requires;

(3) Contract with the State of North Carolina or the federal government, or any agency or department, or subdivision of them, for property or services as may be provided to or by these agencies and carry out the provisions of these contracts;

(4) Contract with persons, firms, and corporations generally as to all matters over which it has a proper concern, and carry out the provisions of contracts;

(5) Lease, rent, purchase, or otherwise obtain suitable quarters and office space for its employees and staff, and lease, rent, purchase, or otherwise obtain furniture, fixtures, vessels, vehicles, firearms, uniforms, and other supplies and equipment necessary or desirable for carrying out the duties imposed in or under the authority of this act; and

(6) Lease, rent, purchase, construct, otherwise obtain, maintain, operate, repair, and replace, either on its own or in cooperation with other public or private agencies or individuals, any of the following: boat docks, navigation aids, waterway markers, public information signs and notices, and other items of real and personal property designed to enhance public safety in Mountain Island Lake and its shoreline area, or protection of property in the shoreline area subject however to Chapter 113 of the General Statutes and rules promulgated under that Chapter.

(b) The Commission may accept, receive, and disburse in furtherance of its functions any funds, grants, services, or property made available by the federal

government or its agencies or subdivisions, by the State of North Carolina or its agencies or subdivisions, or by private and civic sources.

(c) The governing boards of the three counties may appropriate funds to the Commission out of surplus funds or funds derived from nontax sources. They may appropriate funds out of tax revenues and may also levy annually property taxes for the payments of such appropriation as a special purpose, in addition to any allowed by the Constitution, or as provided by G.S. 153A-149.

(d) The Commission shall be subject to those audit requirements as may be specified in any joint resolution.

(e) In carrying out its duties and either in addition to or in lieu of exercising various provisions of the above authorization, the Commission may, with the agreement of the governing board of the county concerned, utilize personnel and property of or assign responsibilities to any officer or employee of any of the three counties. Such contribution in kind, if substantial, may with the agreement of the other two counties be deemed to substitute in whole or in part for the financial contribution required of that county in support of the Commission.

(f) Unless otherwise specified by joint resolution, each of the three counties shall annually contribute an equal financial contribution to the Commission in an amount appropriate to support the activities of the Commission in carrying out its duties.

Section 7. (a) A copy of the joint resolution creating the Commission and of any joint resolution amending or repealing the joint resolution creating the Commission shall be filed with the Executive Director of the Wildlife Commission. When the Executive Director receives resolutions that are in substance identical from all three counties concerned, the Executive Director shall within 10 days so certify and distribute a certified single resolution text to the following:

(1) The Secretary of State;

(2) The clerk to the governing board of each of the three counties;

(3) The clerks of superior court of Lincoln, Mecklenburg, and Gaston Counties. Upon request, the Executive Director also shall send a certified single copy of any and all applicable joint resolutions to the chairman of the Commission; and

(4) A newspaper of general circulation in the three counties.

(b) Unless a joint resolution specifies a later date, it shall take effect when the Executive Director's certified text has been submitted to the Secretary of State for filing. Certifications of the Executive Director under the seal of the Commission as to the text or amended text of any joint resolution and of the date or dates of submission to the Secretary of State shall be admissible in evidence in any court. Certifications by any clerk of superior court of the text of any certified resolution filed with him by the Executive Director is admissible in evidence and the Executive Director's submission of the resolution for filing to the clerk shall constitute prima facie evidence that that resolution was on the date of submission also submitted for filing with the Secretary of State. Except for the certificate of a clerk as to receipt and date of submission, no evidence may be admitted in court

concerning the submission of the certified text of any resolution by the Executive Director to any person other than the Secretary of State.

Section 8. (a) Except as limited in subsection (b) of this section, by restrictions in any joint resolution, and by other supervening provisions of law, the Commission may make regulations applicable to Mountain Island Lake and its shoreline area concerning all matters relating to or affecting the use of Mountain Island Lake. These regulations may not conflict with or supersede provisions of general or special acts or of regulations of State agencies promulgated under the authority of general law. No regulations adopted under this section may be adopted by the Commission except after public hearing, with publication of notice of the hearing being given in a newspaper of general circulation in the three counties at least 10 days before the hearing. In lieu of or in addition to passing regulations supplementary to State law and regulations concerning the operation of vessels on Mountain Island Lake, the Commission may, after public notice, request that the Wildlife Commission pass local regulations on this subject in accordance with the procedure established by appropriate State law.

(b) Violation of any regulation of the Commission commanding or prohibiting an act shall be a Class 3 misdemeanor.

(c) The regulations promulgated under this section take effect upon passage or upon dates as stipulated in the regulations, except that no regulation may be enforced unless adequate notice of the regulation has been posted in or on Mountain Island Lake or its shoreline area. Adequate notice as to a regulation affecting only a particular location may be by a sign, uniform waterway marker, posted notice, or other effective method of communicating the essential provisions of the regulation in the immediate vicinity of the location in question. Where a regulation applies generally as to Mountain Island Lake or its shoreline area, or both, there must be a posting of notices, signs, or markers communicating the essential provisions in at least three different places throughout the area, and it must be printed in a newspaper of general circulation in the three counties.

(d) A copy of each regulation promulgated under this section must be filed by the Commission with the following persons:

(1) The Secretary of State;

(2) The clerks of superior court of Gaston, Lincoln, and Mecklenburg Counties; and

(3) The Executive Director of the Wildlife Commission;

(e) Any official designated in subsection (d) above may issue certified copies of regulations filed with him under the seal of his office. Those certified copies may be received in evidence in any proceeding.

(f) Publication and filing of regulations promulgated under this section as required above is for informational purposes and shall not be a prerequisite to their validity if they in fact have been duly promulgated, the public has been notified as to the substance of regulations, a copy of the text of all regulations is in fact available to any person who may be affected, and no party to any proceeding has been prejudiced by any defect that may exist with respect to publication and filing. Rules and

regulations promulgated by the Commission under the provisions of other sections of this act relating to internal governance of the Commission need not be filed or published. Where posting of any sign, notice, or marker or the making of other communication is essential to the validity of a regulation duly promulgated, it shall be presumed in any proceeding that prior notice was given and maintained and the burden lies upon the party asserting to the contrary to prove lack of adequate notice of any regulation.

Section 9. (a) Where a joint resolution so provides, all law enforcement officers, or those officers as may be designated in the joint resolution, with territorial jurisdiction as to any part of Mountain Island Lake or its shoreline area shall, within the limitations of their subject matter jurisdiction, have the authority of peace officers in enforcing the laws over all of Mountain Island Lake and its shoreline area.

(b) Where a joint resolution provides it, the Commission may hire special officers to patrol and enforce the laws on Mountain Island Lake and its shoreline area. These special officers have and exercise all the powers of peace officers generally within the area in question and shall take the oaths and be subject to all provisions of law relating to law enforcement officers.

(c) Unless a joint resolution provides otherwise, all courts in the three counties within the limits of their subject matter jurisdiction shall have concurrent jurisdiction as to all criminal offenses arising within the boundaries of Mountain Island Lake and its shoreline area.

(d) Where a law enforcement officer with jurisdiction over any part of Mountain Island Lake or its shoreline area is performing duties relating to the enforcement of the laws on Mountain Island Lake or in its shoreline area, the officer has the extraterritorial jurisdiction necessary to perform his duties. These duties include investigation of crimes an officer reasonably believes have been, or are about to be, committed within the area in question. This includes traversing by reasonable routes from one portion of that area to another although across territory not within the boundaries of Mountain Island Lake and its shoreline area; conducting prisoners in custody to court or detention facilities as authorized by law, although this may involve going outside the area in question; execution of process connected with any criminal offense alleged to have been committed within the boundaries in question, except that such process may not be executed by virtue of this provision beyond the boundaries of the three counties. This also includes continuing pursuit of and arresting any violator or suspected violator as to which grounds for arrest arose within the area in question.

(e) Where law enforcement officers are given additional territorial jurisdiction under the provisions of this section, this shall be deemed an extension of the duties of the office held, and no officer shall take any additional oath or title of office.

Section 10. This act applies only to Gaston, Lincoln, and Mecklenburg Counties.

Section 11. This act is effective when it becomes law.

Referred to:

April 9, 1997

A BILL TO BE ENTITLED

AN ACT TO AMEND THE WORKERS' COMPENSATION ACT REGARDING EMPLOYER ACCESS TO MEDICAL INFORMATION.

The General Assembly of North Carolina enacts:

Section 1. G.S. 97-25 reads as rewritten:

"**§ 97-25. Medical treatment and supplies.**

Medical compensation shall be provided by the employer. Notwithstanding the provisions of G.S. 8-53, any law relating to the privacy of medical records or information, and the prohibition against ex parte communications at common law, an employer paying medical compensation to a provider rendering treatment under this Chapter may obtain records of the treatment without the express authorization of the employee. The Commission shall adopt rules that govern additional methods of oral and written communications between an employer paying compensation under this Chapter and medical care providers. These rules shall protect the employee's right to a confidential physician-patient relationship while facilitating the release of information necessary to the administration of the employee's claim. In case of a controversy arising between the employer and employee relative to the continuance of medical, surgical, hospital, or other treatment, the Industrial Commission may order such further treatments as may in the discretion of the Commission be necessary.

The Commission may at any time upon the request of an employee order a change of treatment and designate other treatment suggested by the injured employee subject to the approval of the Commission, and in such a case the expense thereof shall be

borne by the employer upon the same terms and conditions as hereinbefore provided in this section for medical and surgical treatment and attendance.

The refusal of the employee to accept any medical, hospital, surgical or other treatment or rehabilitative procedure when ordered by the Industrial Commission shall bar said employee from further compensation until such refusal ceases, and no compensation shall at any time be paid for the period of suspension unless in the opinion of the Industrial Commission the circumstances justified the refusal, in which case, the Industrial Commission may order a change in the medical or hospital service.

If in an emergency on account of the employer's failure to provide the medical or other care as herein specified a physician other than provided by the employer is called to treat the injured employee, the reasonable cost of such service shall be paid by the employer if so ordered by the Industrial Commission.

Provided, however, if he so desires, an injured employee may select a physician of his own choosing to attend, prescribe and assume the care and charge of his case, subject to the approval of the Industrial Commission."

February 19, 1997

A BILL TO BE ENTITLED

AN ACT TO AMEND VARIOUS ENVIRONMENTAL LAWS.

The General Assembly of North Carolina enacts:

Section 1. Part 1 of Article 3 of Chapter 90A is amended by adding a new section to read:

"**§ 90A-46.1. Expiration and renewal of certificates; continuing education requirements.**

A certificate issued under this Part expires on 31 December of the year in which it is issued or renewed. The Commission may establish minimum continuing education requirements that an applicant must meet to renew a certificate. The Commission shall renew a certificate if the applicant meets the continuing education requirement and pays the required renewal fee, any renewal fee in arrears, and any late application penalty."

Section 2. G.S. 113A-120(b1) reads as rewritten:

"(b1) In addition to those factors set out in subsection (a) of this section, and notwithstanding the provisions of subsection (b) of this section, the responsible official or body may deny an application for a permit upon finding that an applicant, or any parent or subsidiary corporation if the applicant is a corporation:

(1) Is conducting or has conducted any activity causing significant environmental damage for which a major development permit is required under this Article without having previously obtained such permit or has received a notice of violation with respect to

any activity governed by this Article and has not complied with the notice within the time specified in the notice;

(2) Has failed to pay a civil penalty assessed pursuant to this Article, a local ordinance adopted pursuant to this Article, or Article 17 of Chapter 113 of the General Statutes which is due and for which no appeal is pending;

(3) Has been convicted of a misdemeanor pursuant to G.S. 113A-126, G.S. 113-229(k), or any criminal provision of a local ordinance adopted pursuant to this Article; or

(4) Has failed to substantially comply with ~~State~~ state rules or local ordinances and regulations adopted pursuant to this Article or with other federal and ~~State~~ state laws, regulations, and rules for the protection of the environment."

Section 3. G.S. 143-215.1(c) reads as rewritten:

"(c) Applications for Permits and Renewals for Facilities Discharging to the Surface Waters. --

(1) All applications for permits and for renewal of existing permits for outlets and point sources and for treatment works and disposal systems discharging to the surface waters of the State shall be in writing, and the Commission may prescribe the form of such applications. All applications shall be filed with the Commission at least 180 days in advance of the date on which it is desired to commence the discharge of wastes or the date on which an existing permit expires, as the case may be. The Commission shall act on a permit application as quickly as possible. The Commission may conduct any inquiry or investigation it considers necessary before acting on an application and may require an applicant to submit plans, specifications, and other information the Commission considers necessary to evaluate the application.

(2) a. The Department shall refer each application for permit, or renewal of an existing permit, for outlets and point sources and treatment works and disposal systems discharging to the surface waters of the State to its staff for written evaluation and proposed determination with regard to issuance or denial of the permit. If the Commission concurs in the proposed determination, it shall give notice of intent to issue or deny the permit, along with any other data that the Commission may determine appropriate, to be given to the appropriate State, interstate and federal agencies, to interested persons, and to the public.

a1. The Commission shall prescribe the form and content of the notice. ~~The notice required herein~~ Public notice shall be given at least 45 days prior to any proposed final action granting or denying the permit. Public notice shall be given

by publication of the notice one time in a newspaper having general circulation within the county.

b. Repealed by Session Laws 1987, c. 734.

(3) If any person desires a public ~~meeting~~ hearing on any application for permit or renewal of an existing permit provided for in this subsection, he shall so request in writing to the Commission within 30 days following date of the notice of intent. The Commission shall consider all such requests for ~~meeting,~~ hearing, and if the Commission determines that there is a significant public interest in holding such ~~meeting,~~ hearing, at least 30 days' notice of such ~~meeting~~ hearing shall be given to all persons to whom notice of intent was sent and to any other person requesting notice. At least 30 days prior to the date of ~~meeting,~~ hearing, the Commission shall also cause a copy of the notice thereof to be published at least one time in a newspaper having general circulation in such county. In any county in which there is more than one newspaper having general circulation in that county, the Commission shall cause a copy of such notice to be published in as many newspapers having general circulation in the county as the Commission in its discretion determines may be necessary to assure that such notice is generally available throughout the county. The Commission shall prescribe the form and content of the notices.

The Commission shall prescribe the procedures to be followed in ~~such meetings.~~ hearings. If the ~~meeting~~ hearing is not conducted by the Commission, detailed minutes of the ~~meeting~~ hearing shall be kept and shall be submitted, along with any other written comments, exhibits or documents presented at the ~~meeting,~~ hearing, to the Commission for its consideration prior to final action granting or denying the permit.

(4) Not later than 60 days following notice of intent or, if a public hearing is held, within 90 days following consideration of the matters and things presented at such hearing, the Commission shall grant or deny any application for issuance of a new permit or for renewal of an existing permit. All permits or renewals issued by the Commission and all decisions denying application for permit or renewal shall be in writing.

(5) No permit issued pursuant to this subsection (c) shall be issued or renewed for a term exceeding five years.

(6) The Commission shall not act upon an application for a new nonmunicipal domestic wastewater discharge facility until it has received a written statement from each city and county government having jurisdiction over any part of the lands on which the proposed facility and its appurtenances are to be located which states whether the city or county has in effect a zoning or

subdivision ordinance and, if such an ordinance is in effect, whether the proposed facility is consistent with the ordinance. The Commission shall not approve a permit application for any facility which a city or county has determined to be inconsistent with its zoning or subdivision ordinance unless it determines that the approval of such application has statewide significance and is in the best interest of the State. An applicant for a permit shall request that each city and county government having jurisdiction issue the statement required by this subdivision by mailing by certified mail, return receipt requested, a written request for such statement and a copy of the draft permit application to the clerk of the city or county. If a local government fails to mail the statement required by this subdivision, as evidenced by a postmark, within 15 days after receiving and signing for the certified mail, the Commission may proceed to consider the permit application notwithstanding this subdivision."

Section 4. G.S. 143-215.4(b) reads as rewritten:

"(b) Procedures for Public Input. --

(1) The Commission may, on its own motion or when required by federal law, request public comments on or hold public hearings on matters within the scope of its authority under this Article or Articles 21A or 21B of this Chapter. To request public comments on a matter, the Commission shall notify appropriate agencies of the opportunity to submit written comments to the Commission on the matter and shall publish a notice in a newspaper having general circulation in the affected area, stating the matter under consideration by the Commission and informing the public of its opportunity to submit written comments to the Commission on the matter. A public comment period shall extend for at least 30 days after the notice is published.

(2) To hold a public hearing on a matter, the Commission shall notify, by personal service or certified mail, persons directly affected by the matter under consideration and shall publish a notice in a newspaper having general circulation in the affected area, stating the matter under consideration by the Commission and the time, date, and place of a public hearing to be held on the matter. A public hearing shall be held no sooner than 20 days after the notice is published. The proceedings at a public hearing held under this subsection shall be recorded. Upon payment of a fee established by the Commission, any person may obtain a copy of the record of the public hearing. After a public hearing, the Commission shall accept written comments for the time period prescribed by the Commission.

(3) This subsection does not apply to rule-making proceedings, contested case hearings, or the issuance of permits required under Title V. The Commission shall establish procedures for public hearings, public notice, and public comment respecting permits required by Title V as provided by G.S. 143-215.111(4).

(4) The Commission may hold a public meeting on any matter within its scope of authority. The Commission may hold a public meeting in addition to any public hearing that is required under any provision of law, but a public meeting may not be substituted for any required public hearing. Except as may be otherwise provided by law, the Commission may determine the procedures for any public meeting it holds."

Section 5. G.S. 143-215.3(a)(4) reads as rewritten:

"(4) To delegate such of the powers of the Commission as the Commission deems necessary to one or more of its members, to the Secretary or any other qualified employee of the Department. ~~Department; provided, that the provisions of any such delegation of power shall be set forth in the rules of the Commission; and provided further that the~~ The Commission shall not delegate to persons other than its own members and the designated employees of the Department the power to conduct hearings with respect to the classification of waters, the assignment of classifications, air quality standards, air contaminant source classifications, emission control standards, or the issuance of any special order except in the case of an emergency under subdivision (12) of this subsection for the abatement of existing water or air pollution. Any employee of the Department to whom a delegation of power is made to conduct a hearing shall report the hearing with its evidence and record to the Commission."

Section 6. Reserved.

Section 10. In order to reestablish a schedule of two-year staggered terms for the North Carolina Parks and Recreation Authority as required by G.S. 143B-313.2, as amended by Section 9 of this act:

(1) The Governor, in making appointments to replace the one member of the North Carolina Parks and Recreation Authority appointed by the Governor whose term expires on 30 June 1997, shall appoint a member under G.S. 143B-313.2(a)(1) to a full two-year term expiring on 30 June 1999.

(2) The Governor, in making appointments to replace the two members of the North Carolina Parks and Recreation Authority appointed by the Governor whose terms expire on 30 June 1998, shall appoint one member under G.S. 143B-313.2(a)(2) to a full two-year term expiring on 30 June 2000 and shall appoint one member under G.S. 143B-313.2(a)(3) to a one-year term expiring 30 June 1999.

(3) The General Assembly, in making appointments to replace the four members of the North Carolina Parks and Recreation Authority appointed by the General Assembly upon the recommendation of the Speaker of the House of Representatives whose terms expire on 30 June 1998, shall appoint two members under G.S. 143B-313.2(a)(4) and G.S 143B-313.2(a)(6) to full two-year terms expiring on 30 June 2000 and shall appoint two members under G.S. 143B-313.2(a)(5) and G.S. 143B-313.2(a)(7) to one-year terms expiring 30 June 1999.

(4) The General Assembly, in making appointments to replace the four members of the North Carolina Parks and Recreation Authority appointed by the General Assembly upon the recommendation of the President Pro Tempore of the Senate whose terms expire on 30 June 1998, shall appoint two members under G.S. 143B-313.2(a)(8) and G.S 143B-313.2(a)(10) to full two-year terms expiring on 30 June 2000 and shall appoint two members under G.S. 143B-313.2(a)(9) and G.S. 143B-313.2(a)(11) to one-year terms expiring 30 June 1999.

Section 11. Sections 11 through 18 of this act shall be known and may be cited as the "Environmentally Sound Policy Act of 1997 (ESP)".

Section 12. Article 67 of Chapter 106 of the General Statutes reads as rewritten:

"ARTICLE 67.
"Swine Farms.

"**§ 106-800. Title.**

This Article shall be known as the 'Swine Farm Siting Act'.

"§ 106-801. Purpose.

The General Assembly finds that certain limitations on the siting of swine houses and lagoons for swine farms can assist in the development of pork production, which contributes to the economic development of the State, by lessening the interference with the use and enjoyment of adjoining property.

"§ 106-802. Definitions.

As used in this Article, unless the context clearly requires otherwise:

(1a) 'Intensive animal feeding operation' means a new or enlarged swine farm with a design capacity of more than 800,000 pounds steady state live weight.

(1) 'Lagoon' means a confined body of water to hold animal byproducts including bodily waste from animals or a mixture of waste with feed, bedding, litter or other agricultural materials.

(2) Repealed by Session Laws 1997 (Regular Session, 1996), c. 626, s. 7.

(3) 'Occupied residence' means a dwelling actually inhabited by a person on a continuous basis as exemplified by a person living in his or her home.

(3a) 'Outdoor recreational facility' means any plot or tract of land on which there is located an outdoor swimming pool, tennis court, or golf course that is open to either the general public or to the members and guests of any organization having 50 or more members.

(4) 'Site evaluation' means an investigation to determine if a site meets all federal and State standards as evidenced by the Waste Management Facility Site Evaluation Report on file with the Soil and Water Conservation District office or a comparable report certified by a professional engineer or a comparable report certified by a technical specialist approved by the North Carolina Soil and Water Conservation Commission.

~~Department of Environment, Health and Natural Resources~~

(5) 'Swine farm' means a tract of land devoted to raising 250 or more animals of the porcine species.

(6) 'Swine house' means a building that shelters porcine animals on a continuous basis.

"§ 106-803. Siting requirements for swine houses, lagoons, and land areas onto which waste is applied at swine farms.

(a) A swine house or a lagoon that is a component of a swine farm shall be ~~located~~ located:

(1) ~~at~~ At least 1,500 feet from any occupied residence;

(2) ~~at~~ At least 2,500 feet from any school, hospital, national or State park or forest, wildlife refuge, fragile or historic area, or outdoor recreational facility, or church;

(3) At least 1,320 feet from any surface waters of the State;

(4) At least 1,000 feet from any property boundary for any new or enlarged swine farm with a design capacity of at least 500,000 pounds steady state live weight;

(5) At least 1,500 feet from any property boundary for any new or enlarged swine farm with a design capacity of more than 1,000,000 pounds steady state live weight; and

(6) ~~at~~ At least 500 feet from any property ~~boundary.~~ boundary or public or private drinking water supply.

(a1) The outer perimeter of the land area onto which waste is applied from a lagoon that is a component of a swine farm shall be at least 50 feet from any boundary of property on which an occupied residence is located from any perennial stream or river, other than an irrigation ditch or canal.

(a2) No component of a liquid animal waste management system for which a permit is required under Part 1A of Article 21 of Chapter 143 of the General Statutes, other than a land application site, shall be constructed on land that is located within the 100-year floodplain.

(b) A swine house or a lagoon that is a component of a swine farm may be located closer to a residence, school, hospital, church, or a property boundary than is allowed under subsection (a) of this section if written permission is given by the owner of the property and recorded with the Register of Deeds.

"§ 106-804. Enforcement.

(a) Any person ~~owning~~ who owns property directly affected by the siting requirements of G.S. 106-803 pursuant to subsection (b) of this section may bring a civil action against a swine farmer who has violated G.S. 106-803 and may seek any one or more of the following:

(1) Injunctive relief.

(2) An order enforcing the siting requirements under G.S. 106-803.

(3) Damages caused by the violation.

(b) A person is directly affected by the siting requirements of G.S. 106-803 only if the person ~~owns:~~ owns a facility or property located within the siting requirements specified under G.S. 106-803.

~~(1) An occupied residence located less than 1,500 feet from a swine house or lagoon in violation of G.S. 106-803.~~

~~(2) A school, hospital, or church located less than 2,500 feet from a swine house or lagoon in violation of G.S. 106-803.~~

~~(3) Property whose boundary is located less than 500 feet from a swine house or lagoon in violation of G.S. 106-803.~~

~~(4) Property on which an occupied residence is located and whose boundary is less than 50 feet from the outer perimeter of the land area onto which waste is applied from a lagoon that is a component of a swine farm in violation of G.S. 106-803.~~

~~(5) Property that abuts a perennial stream or river, or on which a perennial stream or river is located, and that property and that perennial stream or river are less than 50 feet from the outer~~

~~perimeter of the land area onto which waste is applied from a lagoon that is a component of a swine farm in violation of G.S. 106-803.~~

(c) If the court determines it is appropriate, the court may award court costs, including reasonable attorneys' fees and expert witnesses' fees, to any party. If a temporary restraining order or preliminary injunction is sought, the court may require the filing of a bond or equivalent security. The court shall determine the amount of the bond or security.

(d) Nothing in this section shall restrict any other right that any person may have under any statute or common law to seek injunctive or other relief.

"**§ 106-805. Written notice of swine farms.**

Any person who intends to construct a swine farm whose animal waste management system is subject to a permit under Part 1A of Article 21 of Chapter 143 of the General Statutes shall, after completing a site evaluation and before the farm site is modified, ~~attempt to~~ notify all adjoining property ~~owners and~~ owners, all property owners who own property located across a public road, street, or highway from the swine ~~farm~~ farm, the county or counties in which the farm site is located, and the local health departments of that person's intent to construct the swine farm. This notice shall be by certified mail sent to the address on record at the property tax office in the county in which the land is ~~located.~~ located, except that the notice to a county shall be to the county manager or the chairman if there is no county manager and the notice to a local health department shall be to the local health director. The written notice shall include all of the following:

(1) The name and address of the person intending to construct a swine farm.

(2) The type of swine farm and the design capacity of the animal waste management system.

(3) The name and address of the technical specialist preparing the waste management plan.

(4) The address of the local Soil and Water Conservation District office.

(5) Information informing the adjoining property owners and the property owners who own property located across a public road, street, or highway from the swine farm that they may submit written comments to the Division of Water Quality, Department of Environment, Health, and Natural Resources.

Prior to issuance of a permit for an intensive animal feeding operation, the Environmental Management Commission may hold a public hearing if it finds, upon its own initiative or in response to a request from a member of the public, that there is a significant public interest in holding the hearing. The notice and conduct of the hearing shall be in accordance with the relevant public meeting provisions of G.S. 143-215.1(c)(3)."

Section 12.1. G.S. 143-215.107(a) is amended by adding a new subdivision to read:

"(11) To develop and adopt standards and plans necessary to implement programs to control the emission of odors from animal operations, as defined in G.S. 143-215.10B."

Section 13. G.S. 143-215(e) is repealed.

Section 14. G.S. 153A-340 reads as rewritten:

"**§ 153A-340. Grant of power.**

(a) For the purpose of promoting health, safety, morals, or the general welfare, a county may regulate and restrict the height, number of stories and size of buildings and other structures, the percentage of lots that may be occupied, the size of yards, courts and other open spaces, the density of population, and the location and use of buildings, structures, and land for trade, industry, residence, or other purposes, and to provide density credits or severable development rights for dedicated rights-of-way pursuant to G.S. 136-66.10 or G.S. 136-66.11.

(b) These regulations may not affect bona fide farms, but any use of farm property for nonfarm purposes is subject to the regulations. Bona fide farm purposes include the production and activities relating or incidental to the production of crops, fruits, vegetables, ornamental and flowering plants, dairy, livestock, poultry, and all other forms of agricultural products having a domestic or foreign market. These regulations may apply to intensive animal feeding operations, as defined in G.S. 106-802. An intensive animal feeding operation is not a farm for the purpose of this Part.

(c) The regulations may provide that a board of adjustment may determine and vary their application in harmony with their general purpose and intent and in accordance with general or specific rules therein contained. The regulations may also provide that the board of adjustment or the board of commissioners may issue special use permits or conditional use permits in the classes of cases or situations and in accordance with the principles, conditions, safeguards, and procedures specified therein and may impose reasonable and appropriate conditions and safeguards upon these permits. Where appropriate, the conditions may include requirements that street and utility rights-of-way be dedicated to the public and that recreational space be provided. When issuing or denying special use permits or conditional use permits, the board of commissioners shall follow the procedures for boards of adjustment except that no vote greater than a majority vote shall be required for the board of commissioners to issue such permits, and every such decision of the board of commissioners shall be subject to review by the superior court by proceedings in the nature of certiorari.

(d) A county may regulate the development over estuarine waters and over lands covered by navigable waters owned by the State pursuant to G.S. 146-12, within the bounds of that county.

(e) For the purpose of this section, the term 'structures' shall include floating homes.

(f) Any petition for review by the superior court shall be filed with the clerk of superior court within 30 days after the decision of the board of commissioners is filed in such office as the ordinance specifies, or after a written copy thereof is delivered to

every aggrieved party who has filed a written request for such copy with the clerk at the time of the hearing of the case, whichever is later. The decision of the board of commissioners may be delivered to the aggrieved party either by personal service or by registered mail or certified mail return receipt requested."

Section 15. A zoning regulation applicable to intensive animal feeding operations adopted by a board of county commissioners prior to the date Section 14 of this act becomes effective is hereby retroactively validated.

Section 16. There is established a temporary moratorium for any new or expanding swine farm or lagoon for which a permit is required under Part 1A of Chapter 143 of the General Statutes for any area in the State that: (i) has a county population of less than 75,000 according to the most recent decennial federal census; (ii) has over one hundred fifty million dollars ($150,000,000) on expenditures for travel and tourism based on the most recent figures of the Department of Commerce; and (iii) is not in the coastal area as defined by G.S. 113A-103. Effective 1 January 1997, until the expiration of a one-year period beginning on the date this act becomes effective, the Environmental Management Commission shall not issue a permit for an animal waste management system, as defined in G.S. 143-215.10B, or for a new or expanded swine farm or lagoon, as defined in G.S. 106-802.

Section 17. There is established a one-year moratorium on the construction or expansion of swine farms and lagoons. The Environmental Management Commission shall not issue a permit for an animal waste management system, as defined in G.S. 143-215.10B, for a new or expanded swine farm or lagoon, as defined in G.S. 106-802, for a one-year period beginning on the date this act becomes effective except as provided by this section. This section prohibits the construction or expansion of an animal waste management system for a swine farm for one year from the date this act becomes effective regardless of the date on which a site evaluation for the swine farm is completed and regardless of whether the animal waste management system is permitted under Part 1A of Article 21 of Chapter 143 of the General Statutes or deemed permitted under 15A North Carolina Administrative Code 2H.0217 but does not prohibit:

(1) Construction to repair a component of an existing swine farm or lagoon.

(2) Construction to replace a component of an existing swine farm or lagoon if the replacement does not result in an increase in swine population, except as provided in subdivision (4) of this section.

(3) Construction or expansion of a component or components of a swine farm or lagoon, if actual construction began prior to March 1, 1997, or if the owner of the swine farm entered into a bona fide contract to build the component or components prior to March 1, 1997. For purposes of this subdivision, "actual construction" is limited to the component or components of a swine farm or lagoon for which the foundation has been laid prior to March 1, 1997, from a blueprint drawing.

(4) Construction or expansion on or after the date this act becomes law for the purpose of increasing the swine population to the projected population or to the population that the animal waste management system serving that swine farm is designed to accommodate, as set forth in a registration of the swine operation filed with the Department of Environment, Health, and Natural Resources before the date this act becomes law.

(5) Construction or expansion on or after the date this act becomes law for the purpose of complying with applicable animal waste management rules and not for the purpose of increasing the swine population.

(6) Construction or expansion, if the person undertaking the construction or expansion of the swine farm, lagoon, or animal waste management system has, prior to the effective date of this section, been approved for a loan or line of credit from a lending institution to finance the construction or expansion and has obligated or expended funds derived from the loan or line of credit.

(7) Construction or expansion of an innovative animal waste system approved by the Department.

Section 18. (a) Except as provided in subsection (b) of this section, Section 12 of this act is effective when it becomes law and applies to the construction or enlargement, on or after the effective date of this act, of swine houses, lagoons, and land areas onto which waste is applied from a lagoon that are components of a swine farm. Section 12 of this act does not apply under each of the following circumstances when the construction or enlargement occurs on or after the effective date of this act:

(1) For the purpose of increasing the swine population to that set forth as the projected population in a registration of the swine operation filed with the Department of Environment, Health, and Natural Resources prior to the effective date of this act.

(2) For the purpose of increasing the swine population to the population that the animal waste management system is designed to accommodate as that system is set forth in a registration of the swine operation filed with the Department of Environment, Health, and Natural Resources, or an animal waste management plan approved prior to the effective date of this act.

(3) For the purpose of complying with applicable animal waste management rules and not for the purpose of increasing the swine population.

(b) Section 11 and Sections 13 through 18 of this act are effective when this act becomes law. Section 11, Sections 13 through 18, and the provisions of Section 12 of this act applicable to intensive animal feeding operations as defined in G.S. 106-802, as amended by Section 12 of this act, apply to any intensive animal

feeding operation for which construction began on or after 1 January 1997, regardless of the date on which the site evaluation was completed.

(c) Section 12.1 of this act is effective when it becomes law. The Environmental Management Commission shall publish the text of a proposed rule to regulate the emission of odors from animal operations under G.S. 143-215.107(11), as enacted by Section 12.1 of this act, within six months of the date on which the North Carolina Agricultural Research Service at North Carolina State University issues its final report on economically feasible odor control technologies as provided in Section 27.3 of Chapter 18 of the 1995 Session Laws (1996 Second Extra Session) and in any event, not later than 1 May 1998. The Environmental Management Commission shall adopt a rule to regulate the emission of odors from animal waste management systems within one year of the date the Commission publishes the text of a proposed rule as required by this subsection and in any event, not later than 1 May 1999. The Board of Governors of The University of North Carolina shall present its final report and recommendations on economically feasible odor control technologies to the Environmental Review Commission and the Environmental Management Commission not later than 1 November 1997.

(d) Sections 1 through 10 of this act are effective when they become law.

GENERAL ASSEMBLY OF NORTH CAROLINA

SESSION 1997

S D

SENATE BILL 194*
Agriculture/Environment/Natural Resources Committee Substitute Adopted 4/28/97
Proposed House Committee Substitute S194-PCS1826

Short Title: Amend Env. Laws. (Public)

Sponsors:

Referred to:

February 19, 1997

A BILL TO BE ENTITLED

AN ACT TO AMEND VARIOUS ENVIRONMENTAL LAWS.

The General Assembly of North Carolina enacts:

Section 1. Part 1 of Article 3 of Chapter 90A is amended by adding a new section to read:

"**§ 90A-46.1. Expiration and renewal of certificates; continuing education requirements.**

A certificate issued under this Part expires on 31 December of the year in which it is issued or renewed. The Commission may establish minimum continuing education requirements that an applicant must meet to renew a certificate. The Commission shall renew a certificate if the applicant meets the continuing education requirement and pays the required renewal fee, any renewal fee in arrears, and any late application penalty."

Section 2. G.S. 113A-120(b1) reads as rewritten:

"(b1) In addition to those factors set out in subsection (a) of this section, and notwithstanding the provisions of subsection (b) of this section, the responsible official or body may deny an application for a permit upon finding that an applicant, or any parent or subsidiary corporation if the applicant is a corporation:

(1) Is conducting or has conducted any activity causing significant environmental damage for which a major development permit is required under this Article without having previously obtained such permit or has received a notice of violation with respect to

any activity governed by this Article and has not complied with the notice within the time specified in the notice;

(2) Has failed to pay a civil penalty assessed pursuant to this Article, a local ordinance adopted pursuant to this Article, or Article 17 of Chapter 113 of the General Statutes which is due and for which no appeal is pending;

(3) Has been convicted of a misdemeanor pursuant to G.S. 113A-126, G.S. 113-229(k), or any criminal provision of a local ordinance adopted pursuant to this Article; or

(4) Has failed to substantially comply with ~~State~~ state rules or local ordinances and regulations adopted pursuant to this Article or with other federal and ~~State~~ state laws, regulations, and rules for the protection of the environment."

Section 3. G.S. 143-215.1(c) reads as rewritten:

"(c) Applications for Permits and Renewals for Facilities Discharging to the Surface Waters. --

(1) All applications for permits and for renewal of existing permits for outlets and point sources and for treatment works and disposal systems discharging to the surface waters of the State shall be in writing, and the Commission may prescribe the form of such applications. All applications shall be filed with the Commission at least 180 days in advance of the date on which it is desired to commence the discharge of wastes or the date on which an existing permit expires, as the case may be. The Commission shall act on a permit application as quickly as possible. The Commission may conduct any inquiry or investigation it considers necessary before acting on an application and may require an applicant to submit plans, specifications, and other information the Commission considers necessary to evaluate the application.

(2) a. The Department shall refer each application for permit, or renewal of an existing permit, for outlets and point sources and treatment works and disposal systems discharging to the surface waters of the State to its staff for written evaluation and proposed determination with regard to issuance or denial of the permit. If the Commission concurs in the proposed determination, it shall give notice of intent to issue or deny the permit, along with any other data that the Commission may determine appropriate, to be given to the appropriate State, interstate and federal agencies, to interested persons, and to the public.

a1. The Commission shall prescribe the form and content of the notice. ~~The notice required herein~~ Public notice shall be given at least 45 days prior to any proposed final action granting or denying the permit. Public notice shall be given

by publication of the notice one time in a newspaper having general circulation within the county.

b. Repealed by Session Laws 1987, c. 734.

(3) If any person desires a public ~~meeting~~ hearing on any application for permit or renewal of an existing permit provided for in this subsection, he shall so request in writing to the Commission within 30 days following date of the notice of intent. The Commission shall consider all such requests for ~~meeting,~~ hearing, and if the Commission determines that there is a significant public interest in holding such ~~meeting,~~ hearing, at least 30 days' notice of such ~~meeting~~ hearing shall be given to all persons to whom notice of intent was sent and to any other person requesting notice. At least 30 days prior to the date of ~~meeting,~~ hearing, the Commission shall also cause a copy of the notice thereof to be published at least one time in a newspaper having general circulation in such county. In any county in which there is more than one newspaper having general circulation in that county, the Commission shall cause a copy of such notice to be published in as many newspapers having general circulation in the county as the Commission in its discretion determines may be necessary to assure that such notice is generally available throughout the county. The Commission shall prescribe the form and content of the notices.

The Commission shall prescribe the procedures to be followed in ~~such meetings.~~ hearings. If the ~~meeting~~ hearing is not conducted by the Commission, detailed minutes of the ~~meeting~~ hearing shall be kept and shall be submitted, along with any other written comments, exhibits or documents presented at the ~~meeting,~~ hearing, to the Commission for its consideration prior to final action granting or denying the permit.

(4) Not later than 60 days following notice of intent or, if a public hearing is held, within 90 days following consideration of the matters and things presented at such hearing, the Commission shall grant or deny any application for issuance of a new permit or for renewal of an existing permit. All permits or renewals issued by the Commission and all decisions denying application for permit or renewal shall be in writing.

(5) No permit issued pursuant to this subsection (c) shall be issued or renewed for a term exceeding five years.

(6) The Commission shall not act upon an application for a new nonmunicipal domestic wastewater discharge facility until it has received a written statement from each city and county government having jurisdiction over any part of the lands on which the proposed facility and its appurtenances are to be located which states whether the city or county has in effect a zoning or

subdivision ordinance and, if such an ordinance is in effect, whether the proposed facility is consistent with the ordinance. The Commission shall not approve a permit application for any facility which a city or county has determined to be inconsistent with its zoning or subdivision ordinance unless it determines that the approval of such application has statewide significance and is in the best interest of the State. An applicant for a permit shall request that each city and county government having jurisdiction issue the statement required by this subdivision by mailing by certified mail, return receipt requested, a written request for such statement and a copy of the draft permit application to the clerk of the city or county. If a local government fails to mail the statement required by this subdivision, as evidenced by a postmark, within 15 days after receiving and signing for the certified mail, the Commission may proceed to consider the permit application notwithstanding this subdivision."

Section 4. G.S. 143-215.4(b) reads as rewritten:

"(b) Procedures for Public Input. --

(1) The Commission may, on its own motion or when required by federal law, request public comments on or hold public hearings on matters within the scope of its authority under this Article or Articles 21A or 21B of this Chapter. To request public comments on a matter, the Commission shall notify appropriate agencies of the opportunity to submit written comments to the Commission on the matter and shall publish a notice in a newspaper having general circulation in the affected area, stating the matter under consideration by the Commission and informing the public of its opportunity to submit written comments to the Commission on the matter. A public comment period shall extend for at least 30 days after the notice is published.

(2) To hold a public hearing on a matter, the Commission shall notify, by personal service or certified mail, persons directly affected by the matter under consideration and shall publish a notice in a newspaper having general circulation in the affected area, stating the matter under consideration by the Commission and the time, date, and place of a public hearing to be held on the matter. A public hearing shall be held no sooner than 20 days after the notice is published. The proceedings at a public hearing held under this subsection shall be recorded. Upon payment of a fee established by the Commission, any person may obtain a copy of the record of the public hearing. After a public hearing, the Commission shall accept written comments for the time period prescribed by the Commission.

(3) This subsection does not apply to rule-making proceedings, contested case hearings, or the issuance of permits required under Title V. The Commission shall establish procedures for public hearings, public notice, and public comment respecting permits required by Title V as provided by G.S. 143-215.111(4).

(4) The Commission may hold a public meeting on any matter within its scope of authority. The Commission may hold a public meeting in addition to any public hearing that is required under any provision of law, but a public meeting may not be substituted for any required public hearing. Except as may be otherwise provided by law, the Commission may determine the procedures for any public meeting it holds."

Section 5. G.S. 143-215.3(a)(4) reads as rewritten:

"(4) To delegate such of the powers of the Commission as the Commission deems necessary to one or more of its members, to the Secretary or any other qualified employee of the Department. ~~Department; provided, that the provisions of any such delegation of power shall be set forth in the rules of the Commission; and provided further that the~~ The Commission shall not delegate to persons other than its own members and the designated employees of the Department the power to conduct hearings with respect to the classification of waters, the assignment of classifications, air quality standards, air contaminant source classifications, emission control standards, or the issuance of any special order except in the case of an emergency under subdivision (12) of this subsection for the abatement of existing water or air pollution. Any employee of the Department to whom a delegation of power is made to conduct a hearing shall report the hearing with its evidence and record to the Commission."

Section 6. Reserved.

Section 7. G.S. 143B-291 reads as rewritten:

"**§ 143B-291. North Carolina Mining Commission -- members; selection; removal; compensation; quorum; services.**

(a) Members, Selection. -- The North Carolina Mining Commission shall consist of nine members appointed by the ~~Governor. The Commission shall be composed of the following: one~~ Governor under a specified subdivision of this subsection as follows:

(1) One member who is the chairman of the North Carolina State University Minerals Research Laboratory Advisory Committee, ex officio. ~~Committee; three representatives of mining industries; three representatives of nongovernmental conservation interests and two who shall represent the Environmental Management Commission and be knowledgeable in the principles of water and air resources management.~~

(2) One member who is a representative of the mining industry.
(3) One member who is a representative of the mining industry.
(4) One member who is a representative of the mining industry.
(5) One member who is a representative of nongovernmental conservation interests.
(6) One member who is a representative of nongovernmental conservation interests.
(7) One member who is a representative of nongovernmental conservation interests.
(8) One who, at the time of the appointment to the Mining Commission, is a member of the Environmental Management Commission and knowledgeable in the principles of water and air resources management.
(9) One who, at the time of the appointment to the Mining Commission, is a member of the Environmental Management Commission and knowledgeable in the principles of water and air resources management.

~~The initial members of the North Carolina Mining Commission shall be those members of the present North Carolina Mining Council who shall meet the above requirements for membership on the North Carolina Mining Commission and who shall serve on the North Carolina Mining Commission for a period equal to the remainder of their current terms on the North Carolina Mining Council. The remaining initial members shall be appointed by the Governor to staggered terms of six years.~~

(b) Terms. -- The term of office of a member of the Commission is six years. ~~Any appointment to fill a vacancy on the Commission created by the resignation, dismissal, death or disability of a member shall be for the balance of the unexpired term.~~ At the expiration of each member's term, the Governor shall replace the member with a new member of like qualifications for a term of six years. The term of members appointed under subdivisions (2), (5), and (8) of subsection (a) of this section shall expire on 30 June of years that precede by one year those years that are evenly divisible by six. The term of members appointed under subdivisions (3) and (6) of subsection (a) of this section shall expire on 30 June of years that follow by one year those years that are evenly divisible by six. The term of members appointed under subdivisions (4), (7), and (9) of subsection (a) of this section shall expire on 30 June of years that follow by three years those years that are evenly divisible by six. Upon the expiration of a six-year term, a member may continue to serve until a successor is appointed and duly qualified as provided by G.S. 128-7.

(c) Vacancies. -- An appointment to fill a vacancy shall be for the unexpired balance of the term.

(d) Removal. -- The Governor ~~shall have the power to~~ may remove any member of the Commission from office for misfeasance, malfeasance, or nonfeasance in accordance with the provisions of ~~G.S. 143B-13 of the Executive Organization Act of 1973.~~ G.S. 143B-13.

(e) Compensation. -- The members of the Commission shall receive per diem and necessary traveling and subsistence expenses in accordance with the provisions of G.S. 138-5.

(f) Quorum. -- A majority of the Commission shall constitute a quorum for the transaction of business.

(g) Staff. -- All clerical and other services required by the Commission shall be supplied by the Secretary of the Department."

Section 8. In order to reestablish a schedule of six-year staggered terms for the Mining Commission as required by G.S. 143B-291, as amended by Section 7 of this act, the Governor, in making appointments to replace the two members of the Mining Commission who represent the mining industry and whose terms both expire on 30 June 1997, shall appoint one member under G.S. 143B-291(a)(2) to a full six-year term expiring on 30 June 2003 and shall appoint one member under G.S. 143B-291(a)(4), to a four-year term expiring 30 June 2001.

Section 9. G.S. 143B-313.2 reads as rewritten:

"**§ 143B-313.2. North Carolina Parks and Recreation Authority; members; selection; compensation; meetings.**

(a) Membership. -- The North Carolina Parks and Recreation Authority shall consist of 11 members. The members shall include persons who are knowledgeable about park and recreation issues in North Carolina or with expertise in finance. ~~Three members shall be appointed by the Governor, four members shall be appointed by the General Assembly upon the recommendation of the Speaker of the House of Representatives in accordance with G.S. 120-121, and four members shall be appointed by the General Assembly upon the recommendation of the President Pro Tempore of the Senate in accordance with G.S. 120-121. The members shall serve at the pleasure of the appointing authority. The Governor shall appoint one of the members to be Chair of the North Carolina Parks and Recreation Authority. Vacancies shall be appointed by the original appointing authority, and the term shall be for the balance of the unexpired term. The North Carolina Parks and Recreation Authority shall meet at a time and place as designated by the Chair, but no less frequently than quarterly.~~ In making appointments, each appointing authority shall specify under which subdivision of this subsection the person is appointed. Members shall be appointed as follows:

(1) One member appointed by the Governor.

(2) One member appointed by the Governor.

(3) One member appointed by the Governor.

(4) One member appointed by the General Assembly upon the recommendation of the Speaker of the House of Representatives, as provided in G.S. 120-121.

(5) One member appointed by the General Assembly upon the recommendation of the Speaker of the House of Representatives, as provided in G.S. 120-121.

(6) One member appointed by the General Assembly upon the recommendation of the Speaker of the House of Representatives, as provided in G.S. 120-121.

(7) One member appointed by the General Assembly upon the recommendation of the Speaker of the House of Representatives, as provided in G.S. 120-121.

(8) One member appointed by the General Assembly upon the recommendation of the President Pro Tempore of the Senate, as provided in G.S. 120-121.

(9) One member appointed by the General Assembly upon the recommendation of the President Pro Tempore of the Senate, as provided in G.S. 120-121.

(10) One member appointed by the General Assembly upon the recommendation of the President Pro Tempore of the Senate, as provided in G.S. 120-121.

(11) One member appointed by the General Assembly upon the recommendation of the President Pro Tempore of the Senate, as provided in G.S. 120-121.

(b) Terms. -- Members shall serve two-year terms. Members shall serve no more than two full two-year terms. Upon the expiration of a two-year term, a member may continue to serve until a successor is appointed and duly qualified as provided by G.S. 128-7. The term of members appointed under odd-numbered subdivisions of subsection (a) of this section shall expire on 30 June of odd-numbered years. The term of members appointed under even-numbered subdivisions of subsection (a) of this section shall expire on 30 June of even-numbered years.

(c) Chair. -- The Governor shall appoint one member of the North Carolina Parks and Recreation Authority to serve as Chair.

(d) Vacancies. -- A vacancy on the North Carolina Parks and Recreation Authority shall be filled by the appointing authority responsible for making the appointment to that position as provided in subsection (a) of this section. An appointment to fill a vacancy shall be for the unexpired balance of the term.

(e) Removal. -- The Governor may remove, as provided in G.S. 143-13, any member of the North Carolina Parks and Recreation Authority appointed by the Governor for misfeasance, malfeasance, or nonfeasance. The General Assembly may remove any member of the North Carolina Parks and Recreation Authority appointed by the General Assembly for misfeasance, malfeasance, or nonfeasance.

~~(e)~~ (f) Compensation. -- The members of the North Carolina Parks and Recreation Authority shall receive per diem and necessary travel and subsistence expenses according to the provisions of G.S. 138-5.

(g) Meetings. -- The North Carolina Parks and Recreation Authority shall meet at least quarterly at a time and place designated by the Chair.

~~(d)~~ (h) Quorum. -- A majority of the North Carolina Parks and Recreation Authority shall constitute a quorum for the transaction of business.

~~(e)~~ (i) Staff. -- All clerical and other services required by the North Carolina Parks and Recreation Authority shall be provided by the Secretary of Environment, Health, and Natural Resources."

Section 10. In order to reestablish a schedule of two-year staggered terms for the North Carolina Parks and Recreation Authority as required by G.S. 143B-313.2, as amended by Section 9 of this act:

(1) The Governor, in making appointments to replace the one member of the North Carolina Parks and Recreation Authority appointed by the Governor whose term expires on 30 June 1997, shall appoint a member under G.S. 143B-313.2(a)(1) to a full two-year term expiring on 30 June 1999.

(2) The Governor, in making appointments to replace the two members of the North Carolina Parks and Recreation Authority appointed by the Governor whose terms expire on 30 June 1998, shall appoint one member under G.S. 143B-313.2(a)(2) to a full two-year term expiring on 30 June 2000 and shall appoint one member under G.S. 143B-313.2(a)(3) to a one-year term expiring 30 June 1999.

(3) The General Assembly, in making appointments to replace the four members of the North Carolina Parks and Recreation Authority appointed by the General Assembly upon the recommendation of the Speaker of the House of Representatives whose terms expire on 30 June 1998, shall appoint two members under G.S. 143B-313.2(a)(4) and G.S 143B-313.2(a)(6) to full two-year terms expiring on 30 June 2000 and shall appoint two members under G.S. 143B-313.2(a)(5) and G.S. 143B-313.2(a)(7) to one-year terms expiring 30 June 1999.

(4) The General Assembly, in making appointments to replace the four members of the North Carolina Parks and Recreation Authority appointed by the General Assembly upon the recommendation of the President Pro Tempore of the Senate whose terms expire on 30 June 1998, shall appoint two members under G.S. 143B-313.2(a)(8) and G.S 143B-313.2(a)(10) to full two-year terms expiring on 30 June 2000 and shall appoint two members under G.S. 143B-313.2(a)(9) and G.S. 143B-313.2(a)(11) to one-year terms expiring 30 June 1999.

Section 11. Sections 11 through 18 of this act shall be known and may be cited as the "Environmentally Sound Policy Act of 1997 (ESP)".

Section 12. Article 67 of Chapter 106 of the General Statutes reads as rewritten:

"ARTICLE 67.
"Swine Farms.

"**§ 106-800. Title.**

This Article shall be known as the 'Swine Farm Siting Act'.

"**§ 106-801. Purpose.**

The General Assembly finds that certain limitations on the siting of swine houses and lagoons for swine farms can assist in the development of pork production, which contributes to the economic development of the State, by lessening the interference with the use and enjoyment of adjoining property.

"**§ 106-802. Definitions.**

As used in this Article, unless the context clearly requires otherwise:

(1a) 'Intensive animal feeding operation' means a new or enlarged swine farm with a design capacity of more than 800,000 pounds steady state live weight.

(1) 'Lagoon' means a confined body of water to hold animal byproducts including bodily waste from animals or a mixture of waste with feed, bedding, litter or other agricultural materials.

(2) Repealed by Session Laws 1997 (Regular Session, 1996), c. 626, s. 7.

(3) 'Occupied residence' means a dwelling actually inhabited by a person on a continuous basis as exemplified by a person living in his or her home.

(3a) 'Outdoor recreational facility' means any plot or tract of land on which there is located an outdoor swimming pool, tennis court, or golf course that is open to either the general public or to the members and guests of any organization having 50 or more members.

(4) 'Site evaluation' means an investigation to determine if a site meets all federal and State standards as evidenced by the Waste Management Facility Site Evaluation Report on file with the Soil and Water Conservation District office or a comparable report certified by a professional engineer or a comparable report certified by a technical specialist approved by the North Carolina Soil and Water Conservation Commission.

~~Department of Environment, Health and Natural Resources~~

(5) 'Swine farm' means a tract of land devoted to raising 250 or more animals of the porcine species.

(6) 'Swine house' means a building that shelters porcine animals on a continuous basis.

"**§ 106-803. Siting requirements for swine houses, lagoons, and land areas onto which waste is applied at swine farms.**

(a) A swine house or a lagoon that is a component of a swine farm shall be ~~located~~ located:

(1) ~~at~~ At least 1,500 feet from any occupied residence;

(2) ~~at~~ At least 2,500 feet from any school, hospital, national or State park or forest, wildlife refuge, fragile or historic area, or outdoor recreational facility, or church;

(3) At least 1,320 feet from any surface waters of the State;

(4) At least 1,000 feet from any property boundary for any new or enlarged swine farm with a design capacity of at least 500,000 pounds steady state live weight;

(5) At least 1,500 feet from any property boundary for any new or enlarged swine farm with a design capacity of more than 1,000,000 pounds steady state live weight; and

(6) ~~at~~ At least 500 feet from any property ~~boundary.~~ boundary or public or private drinking water supply.

(a1) The outer perimeter of the land area onto which waste is applied from a lagoon that is a component of a swine farm shall be at least 50 feet from any boundary of property on which an occupied residence is located from any perennial stream or river, other than an irrigation ditch or canal.

(a2) No component of a liquid animal waste management system for which a permit is required under Part 1A of Article 21 of Chapter 143 of the General Statutes, other than a land application site, shall be constructed on land that is located within the 100-year floodplain.

(b) A swine house or a lagoon that is a component of a swine farm may be located closer to a residence, school, hospital, church, or a property boundary than is allowed under subsection (a) of this section if written permission is given by the owner of the property and recorded with the Register of Deeds.

"**§ 106-804. Enforcement.**

(a) Any person ~~owning~~ who owns property directly affected by the siting requirements of G.S. 106-803 pursuant to subsection (b) of this section may bring a civil action against a swine farmer who has violated G.S. 106-803 and may seek any one or more of the following:

(1) Injunctive relief.

(2) An order enforcing the siting requirements under G.S. 106-803.

(3) Damages caused by the violation.

(b) A person is directly affected by the siting requirements of G.S. 106-803 only if the person ~~owns:~~ owns a facility or property located within the siting requirements specified under G.S. 106-803.

~~(1) An occupied residence located less than 1,500 feet from a swine house or lagoon in violation of G.S. 106-803.~~

~~(2) A school, hospital, or church located less than 2,500 feet from a swine house or lagoon in violation of G.S. 106-803.~~

~~(3) Property whose boundary is located less than 500 feet from a swine house or lagoon in violation of G.S. 106-803.~~

~~(4) Property on which an occupied residence is located and whose boundary is less than 50 feet from the outer perimeter of the land area onto which waste is applied from a lagoon that is a component of a swine farm in violation of G.S. 106-803.~~

~~(5) Property that abuts a perennial stream or river, or on which a perennial stream or river is located, and that property and that perennial stream or river are less than 50 feet from the outer~~

~~perimeter of the land area onto which waste is applied from a lagoon that is a component of a swine farm in violation of G.S. 106-803.~~

(c) If the court determines it is appropriate, the court may award court costs, including reasonable attorneys' fees and expert witnesses' fees, to any party. If a temporary restraining order or preliminary injunction is sought, the court may require the filing of a bond or equivalent security. The court shall determine the amount of the bond or security.

(d) Nothing in this section shall restrict any other right that any person may have under any statute or common law to seek injunctive or other relief.

"**§ 106-805. Written notice of swine farms.**

Any person who intends to construct a swine farm whose animal waste management system is subject to a permit under Part 1A of Article 21 of Chapter 143 of the General Statutes shall, after completing a site evaluation and before the farm site is modified, ~~attempt to~~ notify all adjoining property ~~owners and~~ owners, all property owners who own property located across a public road, street, or highway from the swine ~~farm~~ farm, the county or counties in which the farm site is located, and the local health departments of that person's intent to construct the swine farm. This notice shall be by certified mail sent to the address on record at the property tax office in the county in which the land is ~~located.~~ located, except that the notice to a county shall be to the county manager or the chairman if there is no county manager and the notice to a local health department shall be to the local health director. The written notice shall include all of the following:

(1) The name and address of the person intending to construct a swine farm.

(2) The type of swine farm and the design capacity of the animal waste management system.

(3) The name and address of the technical specialist preparing the waste management plan.

(4) The address of the local Soil and Water Conservation District office.

(5) Information informing the adjoining property owners and the property owners who own property located across a public road, street, or highway from the swine farm that they may submit written comments to the Division of Water Quality, Department of Environment, Health, and Natural Resources.

Prior to issuance of a permit for an intensive animal feeding operation, the Environmental Management Commission may hold a public hearing if it finds, upon its own initiative or in response to a request from a member of the public, that there is a significant public interest in holding the hearing. The notice and conduct of the hearing shall be in accordance with the relevant public meeting provisions of G.S. 143-215.1(c)(3)."

Section 12.1. G.S. 143-215.107(a) is amended by adding a new subdivision to read:

"(11) To develop and adopt standards and plans necessary to implement programs to control the emission of odors from animal operations, as defined in G.S. 143-215.10B."

Section 13. G.S. 143-215(e) is repealed.

Section 14. G.S. 153A-340 reads as rewritten:

"§ 153A-340. Grant of power.

(a) For the purpose of promoting health, safety, morals, or the general welfare, a county may regulate and restrict the height, number of stories and size of buildings and other structures, the percentage of lots that may be occupied, the size of yards, courts and other open spaces, the density of population, and the location and use of buildings, structures, and land for trade, industry, residence, or other purposes, and to provide density credits or severable development rights for dedicated rights-of-way pursuant to G.S. 136-66.10 or G.S. 136-66.11.

(b) These regulations may not affect bona fide farms, but any use of farm property for nonfarm purposes is subject to the regulations. Bona fide farm purposes include the production and activities relating or incidental to the production of crops, fruits, vegetables, ornamental and flowering plants, dairy, livestock, poultry, and all other forms of agricultural products having a domestic or foreign market. These regulations may apply to intensive animal feeding operations, as defined in G.S. 106-802. An intensive animal feeding operation is not a farm for the purpose of this Part.

(c) The regulations may provide that a board of adjustment may determine and vary their application in harmony with their general purpose and intent and in accordance with general or specific rules therein contained. The regulations may also provide that the board of adjustment or the board of commissioners may issue special use permits or conditional use permits in the classes of cases or situations and in accordance with the principles, conditions, safeguards, and procedures specified therein and may impose reasonable and appropriate conditions and safeguards upon these permits. Where appropriate, the conditions may include requirements that street and utility rights-of-way be dedicated to the public and that recreational space be provided. When issuing or denying special use permits or conditional use permits, the board of commissioners shall follow the procedures for boards of adjustment except that no vote greater than a majority vote shall be required for the board of commissioners to issue such permits, and every such decision of the board of commissioners shall be subject to review by the superior court by proceedings in the nature of certiorari.

(d) A county may regulate the development over estuarine waters and over lands covered by navigable waters owned by the State pursuant to G.S. 146-12, within the bounds of that county.

(e) For the purpose of this section, the term 'structures' shall include floating homes.

(f) Any petition for review by the superior court shall be filed with the clerk of superior court within 30 days after the decision of the board of commissioners is filed in such office as the ordinance specifies, or after a written copy thereof is delivered to

every aggrieved party who has filed a written request for such copy with the clerk at the time of the hearing of the case, whichever is later. The decision of the board of commissioners may be delivered to the aggrieved party either by personal service or by registered mail or certified mail return receipt requested."

Section 15. A zoning regulation applicable to intensive animal feeding operations adopted by a board of county commissioners prior to the date Section 14 of this act becomes effective is hereby retroactively validated.

Section 16. There is established a temporary moratorium for any new or expanding swine farm or lagoon for which a permit is required under Part 1A of Chapter 143 of the General Statutes for any area in the State that: (i) has a county population of less than 75,000 according to the most recent decennial federal census; (ii) has over one hundred fifty million dollars ($150,000,000) on expenditures for travel and tourism based on the most recent figures of the Department of Commerce; and (iii) is not in the coastal area as defined by G.S. 113A-103. Effective 1 January 1997, until the expiration of a one-year period beginning on the date this act becomes effective, the Environmental Management Commission shall not issue a permit for an animal waste management system, as defined in G.S. 143-215.10B, or for a new or expanded swine farm or lagoon, as defined in G.S. 106-802.

Section 17. There is established a one-year moratorium on the construction or expansion of swine farms and lagoons. The Environmental Management Commission shall not issue a permit for an animal waste management system, as defined in G.S. 143-215.10B, for a new or expanded swine farm or lagoon, as defined in G.S. 106-802, for a one-year period beginning on the date this act becomes effective except as provided by this section. This section prohibits the construction or expansion of an animal waste management system for a swine farm for one year from the date this act becomes effective regardless of the date on which a site evaluation for the swine farm is completed and regardless of whether the animal waste management system is permitted under Part 1A of Article 21 of Chapter 143 of the General Statutes or deemed permitted under 15A North Carolina Administrative Code 2H.0217 but does not prohibit:

(1) Construction to repair a component of an existing swine farm or lagoon.

(2) Construction to replace a component of an existing swine farm or lagoon if the replacement does not result in an increase in swine population, except as provided in subdivision (4) of this section.

(3) Construction or expansion of a component or components of a swine farm or lagoon, if actual construction began prior to March 1, 1997, or if the owner of the swine farm entered into a bona fide contract to build the component or components prior to March 1, 1997. For purposes of this subdivision, "actual construction" is limited to the component or components of a swine farm or lagoon for which the foundation has been laid prior to March 1, 1997, from a blueprint drawing.

(4) Construction or expansion on or after the date this act becomes law for the purpose of increasing the swine population to the projected population or to the population that the animal waste management system serving that swine farm is designed to accommodate, as set forth in a registration of the swine operation filed with the Department of Environment, Health, and Natural Resources before the date this act becomes law.

(5) Construction or expansion on or after the date this act becomes law for the purpose of complying with applicable animal waste management rules and not for the purpose of increasing the swine population.

(6) Construction or expansion, if the person undertaking the construction or expansion of the swine farm, lagoon, or animal waste management system has, prior to the effective date of this section, been approved for a loan or line of credit from a lending institution to finance the construction or expansion and has obligated or expended funds derived from the loan or line of credit.

(7) Construction or expansion of an innovative animal waste system approved by the Department.

Section 18. (a) Except as provided in subsection (b) of this section, Section 12 of this act is effective when it becomes law and applies to the construction or enlargement, on or after the effective date of this act, of swine houses, lagoons, and land areas onto which waste is applied from a lagoon that are components of a swine farm. Section 12 of this act does not apply under each of the following circumstances when the construction or enlargement occurs on or after the effective date of this act:

(1) For the purpose of increasing the swine population to that set forth as the projected population in a registration of the swine operation filed with the Department of Environment, Health, and Natural Resources prior to the effective date of this act.

(2) For the purpose of increasing the swine population to the population that the animal waste management system is designed to accommodate as that system is set forth in a registration of the swine operation filed with the Department of Environment, Health, and Natural Resources, or an animal waste management plan approved prior to the effective date of this act.

(3) For the purpose of complying with applicable animal waste management rules and not for the purpose of increasing the swine population.

(b) Section 11 and Sections 13 through 18 of this act are effective when this act becomes law. Section 11, Sections 13 through 18, and the provisions of Section 12 of this act applicable to intensive animal feeding operations as defined in G.S. 106-802, as amended by Section 12 of this act, apply to any intensive animal

feeding operation for which construction began on or after 1 January 1997, regardless of the date on which the site evaluation was completed.

(c) Section 12.1 of this act is effective when it becomes law. The Environmental Management Commission shall publish the text of a proposed rule to regulate the emission of odors from animal operations under G.S. 143-215.107(11), as enacted by Section 12.1 of this act, within six months of the date on which the North Carolina Agricultural Research Service at North Carolina State University issues its final report on economically feasible odor control technologies as provided in Section 27.3 of Chapter 18 of the 1995 Session Laws (1996 Second Extra Session) and in any event, not later than 1 May 1998. The Environmental Management Commission shall adopt a rule to regulate the emission of odors from animal waste management systems within one year of the date the Commission publishes the text of a proposed rule as required by this subsection and in any event, not later than 1 May 1999. The Board of Governors of The University of North Carolina shall present its final report and recommendations on economically feasible odor control technologies to the Environmental Review Commission and the Environmental Management Commission not later than 1 November 1997.

(d) Sections 1 through 10 of this act are effective when they become law.

RULES, CALENDAR AND OPERATIONS OF THE HOUSE
June 16, 1997

The Committee on Rules, Calendar, and Operations of the House met in the House Conference Room in the Legislative Building at 5:40 p.m. on Monday, June 16, 1997. Representative Morgan, Committee Chair, called the meeting to order and asked the clerk to call the roll. The following members were present: Representatives Crawford, Culp, Esposito, Gulley, Hill, Miner, Mitchell, Neely, Thompson and C. Wilson.

S.J.R. 1080, A JOINT RESOLUTION HONORING THE LIFE, SERVICE, AND MEMORY OF CHARLES DUNN, was brought before the Committee. Chairman Morgan called on Staff Council Linwood Jones who explained that the bill honors the life and memory of Charles Dunn, former S.B.I. Director. Representative Crawford moved for a favorable report for the joint resolution and the motion carried.

There being no further business, the meeting adjourned at 5:41.

SENATE JOINT RESOLUTION 1080

Sponsors: Senators Kerr; Albertson, Allran, Ballance, Ballantine, Basnight, Blust, Carpenter, Carrington, Clark, Cochrane, Conder, Cooper, Dalton, Dannelly, Forrester, Foxx, Garwood, Gulley, Hartsell, Horton, Hoyle, Jenkins, Kincaid, Kinnaird, Ledbetter, Lee, Lucas, Martin of Pitt, Martin of Guilford, McDaniel, Miller, Odom, Page, Perdue, Phillips, Plyler, Rand, Reeves, Rucho, Shaw of Cumberland, Shaw of Guilford, Soles, Warren, Webster, Weinstein, Wellons, and Winner.

Referred to: Rules and Operations of the Senate.

June 2, 1997

A JOINT RESOLUTION HONORING THE LIFE, SERVICE, AND MEMORY OF CHARLES DUNN.

Whereas, Charles Dunn's illustrious life of civic and political service began with his work as a top reporter in the old Senate and House chambers;

Whereas, Charles Dunn went on to assist former Governor Luther Hodges in writing his book, "Businessman in the Statehouse", serve as Administrative Aide to Congressman Horace Kornegay, and serve as Administrative/Special Assistant to Governor Dan K. Moore; and

Whereas, as Director of the North Carolina State Bureau of Investigation, Charles Dunn took a woefully understaffed and ill-equipped law enforcement agency and doubled its staff, raised education standards for agents, established the North Carolina Justice Academy, built a modern crime lab, hired the first female agent and the first African-American special agent, and became a key spokesman on many criminal justice issues; and

Whereas, during his service as Director of the North Carolina State Bureau of Investigation, Charles Dunn not only made the agency an exemplary law enforcement agency, he went on to participate in the implementation of the D.A.R.E. program in North Carolina, he became a forceful advocate for children's causes, he helped raise millions of dollars to build chapels at institutions for the retarded, and he taught junior high school-age boys in Sunday School; and

Whereas, Charles Dunn was a founding member of the University of North Carolina at Chapel Hill School of Social Work, where he gave generously of his time and resources, established a scholarship fund in honor of his wife, Martha, and literally never missed a board meeting; and

Whereas, while working as Executive Vice President of the North Carolina Textile Manufacturers Association, Charles Dunn made "Made in the USA" a household term, asked everyone to wear North Carolina- and USA-made clothes, and established the Charles and Martha Dunn Textile Scholarship; and

Whereas, Charles Dunn returned to the North Carolina State Bureau of Investigation, first as Deputy Director and then as Director, and continued to speak out on a variety of children's issues, one of which was Justice for Children; and

Whereas, in all of his public service, Charles Dunn set an example of integrity, honesty, and character and he always comported himself as a "gentleman's gentleman", a statesman, a Christian man, a man among men, and a friend; and

Whereas, although Charles Dunn was a public figure, he was driven by a private obsession--as the father of three children, he came to fear for the future of many of North Carolina's less-advantaged youngsters; and

Whereas, this profound concern for all of North Carolina's children led him to be a founding member of and recipient of the John F. Baggett award from the North Carolina Alliance for the Mentally Ill, Inc., to serve as Chairman of the Board of Directors of North Carolina Drug Abuse Resistance Education, to serve as a member of the board of directors of the United Way of North Carolina, to serve as President of Chapels for the North Carolina Centers for the Retarded, Inc., to serve as chairman of the Executive Committee of the Governor's Relations Committee, and to serve on the board of many other children's organizations including the Child Advocacy Council, the Methodist Home for Children, Wake County Opportunities, Inc., the Governor's Crime Commission, and the Governor's Interagency Advisory Committee on Alcohol and Drug Abuse; and

Whereas, Charles Dunn was always a spokesman for those who could not speak for themselves and a supporter of the weak; and

Whereas, after being striken with leukemia, Charles Dunn did not give up--he fought a hard fight, he continued his work on behalf of children, and he wrote three novels and a number of beautiful poems; and

Whereas, Charles Dunn was a loving and devoted husband, father, and grandfather who, all-too-soon, left behind his wife, Martha; his daughter Sherrill Dunn Jones, her husband Sam, and their child and Charles Dunn's namesake, Charlie; his son Charles Jerome Dunn, III, "Jay", who graduated magna cum laude from the school of Design at North Carolina State University in May; and his daughter Lelia Marie Dunn, "Lea" or "chicken" to the family, who works at the North Carolina Retail Merchants Association; and

Whereas, the General Assembly wishes to honor the life and memory of Charles Dunn and to recognize his many years of service to his beloved State and his fellow citizens;

Now, therefore, be it resolved by the Senate, the House of Representatives concurring:

Section 1. The General Assembly of North Carolina recognizes the many accomplishments of Charles Dunn and expresses the gratitude of North Carolina and its citizens for his life and service towards the betterment of all.

Section 2. The General Assembly of North Carolina offers its deepest sympathy to the family and friends of Charles Dunn for the loss of their loved one and friend.

Section 3. The Secretary of State shall transmit a certified copy of this resolution to the family of Charles Dunn.

Section 4. This resolution is effective upon ratification.

MINUTES
COMMITTEE ON RULES, CALENDAR, AND OPERATIONS OF THE HOUSE
June 25, 1997

The Committee on Rules, Calendar, and Operations of the House met June 25, 1997, at 1:00 p.m. in Room 544 in the Legislative Office Building. Representative Morgan, Committee Chair, called the meeting to order and asked the clerk to call the roll. The following members were present: Representative Bowie, Vice Chair; and Representatives Crawford, Culp, Dockham, Esposito, Gulley, McMahan, Miner, Mitchell, Neely and C. Wilson.

The following bills were considered by the Committee:

SJR 414 - A JOINT RESOLUTION HONORING THE ACCOMPLISHMENTS OF COACH DEAN EDWARDS SMITH AND THE MEN'S BASKETBALL PROGRAM AT THE UNIVERSITY OF NORTH CAROLINA AT CHAPEL HILL. Senator Rand, bill sponsor, was recognized to speak on the Resolution. Representative McMahan moved for a favorable report. Motion carried.

SB 143 - A BILL TO BE ENTITLED AN ACT TO AMEND THE LAWS PROHIBITING THE SALE OR PURCHASE OF TOBACCO PRODUCTS TO PERSONS LESS THAN EIGHTEEN YEARS OF AGE AND TO REQUIRE THAT CERTAIN PERSONS BE TRAINED REGARDING THESE LAWS. A proposed committee substitute was offered and Representative Mitchell moved for its adoption. Motion carried. Senator Rand, bill sponsor, was recognized to explain the bill. Representative Mitchell moved for a favorable report to the House committee substitute for SB 143 and unfavorable report to the original bill. Motion carried.

SJR 707 - A JOINT RESOLUTION HONORING THE LIFE AND MEMORY OF ROYCE PHELPS "BO" THOMAS, FORMER MEMBER OF THE GENERAL ASSEMBLY. The resolution was temporarily displaced by the Chair.

Senate Committee Substitute for SB 660 - A BILL TO BE ENTITLED AN ACT TO LICENSE ATHLETIC TRAINERS, was displaced temporarily at the request of Senator Hoyle.

Senate committee substitute for SB 668 - A BILL TO BE ENTITLED AN ACT TO AMEND THE EDUCATION REQUIREMENTS FOR CERTIFIED PUBLIC ACCOUNTANTS. Senator Hoyle was recognized to comment on the bill. He said the bill was requested by the North Carolina Association of Certified Public Accountants and would bring North Carolina in compliance with national standards. Representative Cansler was recognized and spoke in favor of the bill. Representative Neely moved for a favorable report to committee substitute for SB 668 and motion carried.

SB1074 - A BILL TO BE ENTITLED AN ACT TO OFFICIALLY RECOGNIZE THE INDIANS PREVIOUSLY RECOGNIZED IN THE GENERAL STATUTES AS THE HALIWA TRIBE AS THE HALIWA SAPONI TRIBE. The Chair explained that Representative Hardaway had a companion bill in the House that had passed. Senator Ballance was recognized to speak on the bill. Representative Esposito moved for a favorable report. Motion carried.

Senate committee substitute for SB 1055 - A BILL TO BE ENTITLED AN ACT ESTABLISHING THE PUBLIC HOSPITAL PERSONNEL ACT. A proposed House committee substitute was distributed. Representative Culp moved for its adoption; motion carried. Committee Counsel Linwood Jones was recognized to explain the changes in the House Committee Substitute which would require a hospital, medical facility, or medical or research laboratory or facility to dispose of the remains of a "recognizable fetus" only by burial or cremation. It does not impose any additional duty on the treatment facility to inspect waste received from a hospital or medical facility. The Commission for Health Services would determine a recognizable fetus.

The Chair recognized Mr. Bill Pulley who represents the North Carolina Hospital Association. He spoke in favor of the House Committee Substitute and said that he did not anticipate any problems in complying with the new requirement that establishes the Public Hospital Personnel Act of 1997.

Senator Cooper, bill sponsor, was recognized to speak on his bill. He said that the bill would for the first time provide a personnel act for public hospitals. Public hospital employees would operate under the same personnel act as county employees.
Currently, public hospitals do not know under what laws their personnel fall. This bill took what county employees now have and applies it to all public hospital employees.
Mr. John Crill, a Durham attorney specializing in public hospital law, was recognized for comment. He said that in 1981, the Court of Appeals held that public hospitals were public agencies subject to the public records law. Yet most hospital employees are not county employees so these employees do not have the protection of privacy statutes.

Representative Neely moved for a favorable report to House Committee Substitute for SB 1055; unfavorable report to the original bill. Motion carried.

Senate Bill 996 - A BILL TO BE ENTITLED AN ACT TO EXEMPT FROM THE PLUMBING LICENSURE REQUIREMENTS CERTAIN PERSONS PERFORMING ON-SITE ASSEMBLY OF FACTORY DESIGNED DRAIN SYSTEMS UNDERNEATH MANUFACTURED HOMES. Representative Ives was recognized by the Chair to explain

the bill for Senator Warren. Representative Mitchell moved for a favorable report. Motion carried.

Senate committee substitute 862 -A BILL TO BE ENTITLED AN ACT TO PROVIDE GREATER FLEXIBILITY TO THE UNIVERSITY OF NORTH CAROLINA IN NEGOTIATING CERTAIN CONTRACTS AND CAPITAL PROJECTS, TO INCREASE THE BENCHMARK FOR PURCHASES BY THE UNIVERSITY OF NORTH CAROLINA AND OTHER STATE AGENCIES, AND TO AUTHORIZE EMPLOYEE PAYROLL DEDUCTIONS FOR CERTAIN DISCRETIONARY PRIVILEGES OF UNIVERSITY SERVICE AT THE UNIVERSITY OF NORTH CAROLINA. A House committee substitute was offered. Representative McMahan moved for its adoption. Motion carried. Senator Lee, sponsor, gave an overview of the bill. The bill was introduced at the request of the University system of North Carolina. The University was requesting greater budget flexibility in managing various purchasing and construction design projects as well as payroll deduction flexibility for parking fees, athletic passes, admission to recreational facilities, concert series and the like.

The Chair recognized Representative McMahan to speak on the committee substitute which focused mainly on the construction/design portion of the bill and makes the following changes in the original bill: Reduces the amount of the contract from $1 million back to $500 thousand; additional oversights were added to report back to government operations and the State Building Commission and also a report to the General Assembly in June 1998 outlining what the university was doing; a provision was added that required the use of standardized contracts; power is still given to the Board of Governors and to the University of North Carolina Central Office, but before the power can be delegated to the individual campuses, it basically has to be reviewed and approved by the State Building Commission.

Representative Neely moved to give a favorable report to the House committee substitute for SB 862; unfavorable report to the original bill. Motion carried.

House Bill 777 - A BILL TO BE ENTITLED AN ACT EXTENDING RIGHTS TO PETITION OR INITIATE ANNEXATION BY RESOLUTION FOR VOLUNTARY NONCONTIGUOUS ANNEXATION INTO THE CITY OF KINGS MOUNTAIN. A committee substitute was offered and Representative Gulley moved for its adoption; motion carried. Representative Clary was recognized to explain the bill. The City of Kings Mountain requested the bill to annex some of the city's own property that is noncontiguous. Representative Dockham moved for a favorable report as to the committee substitute and an unfavorable report to the original bill and be re-referred to the Committee on Finance. Motion carried.

House Bill 568- A BILL TO BE ENTITLED AN ACT RELATING TO WAKE COUNTY. A committee substitute was offered and Representative Miner moved for its adoption; motion carried. Representative Eddins, sponsor, was recognized to explain the bill. He said that the bill is at the request of a property owner. The only land involved is the land of one particular property owner who wants to be annexed into Wake Forest because there is a sewer line close to the property. Representative Neely moved for a favorable report to the proposed committee substitute and unfavorable report to the original bill. Motion carried. The Chair stated that without opposition the committee substitute would be re-referred to the Committee on Finance.

Senate Bill 660 - A BILL TO BE ENTITLED AN ACT TO LICENSE ATHLETIC TRAINERS. A committee substitute was offered and Representative McMahan moved to adopt the House Committee Substitute for the purpose of discussion. Motion carried. Representative Morgan, Chair, recognized Representative McMahan to explain the committee substitute. Currently in this state anyone can represent themselves as an athletic trainer. This bill would prohibit any person from practicing as an athletic trainer unless licensed. It provides that persons with appropriate college degrees and current certificates from the National Board are entitled to license. It provides that persons who have been actively practicing since August 1, 1994 and who have the appropriate college degree must be licensed without examination. Senator Hoyle was recognized to explain the companion Senate bill.

Representative Neely asked why some physical therapists objected to the bill. The Chair recognized Ms. Flo Moses, a licensed physical therapist and a certified athletic trainer, who said the opposition came from the pursuit of third party reimbursement. Representative McMahan then stated that third party reimbursement was prohibited in the bill and language was also included to have an athletic trainer work under the protocol of a licensed physician.

Mr. William Potter who represents the North Carolina Physical Therapy Association was also recognized and spoke in opposition to the bill. The concerns of the North Carolina Physical Therapy Association were the clinical practices that would be allowed under this bill, not on the field situations. Mr. Steve Keen, representative of the North Carolina Medical Society, was recognized by the Chair and spoke in favor of the bill.

Representative Crawford moved for a favorable report as to House Committee Substitute and unfavorable report as to the Senate Committee Substitute. Motion carried. Without objection, the Chair stated that the committee substitute would be re-referred to the Committee on Finance.

The Chair announced a five minute recess after which the House Commerce Subcommittee on Public Utilities joined the Rules Committee.

The following members of the House Commerce Subcommittee on Public Utilities were present: Representative McComas, Chair; Representative Crawford, Ranking Minority Member; and Representatives Bonner, Dickson, Hiatt, Ives, McCombs, Miner, Mitchell, Neely, C. Wilson and Womble.

The following bills were considered: SJR 1078 - A JOINT RESOLUTION PROVIDING FOR THE CONFIRMATION OF THE APPOINTMENT OF RICHARD CONDER MADE BY THE GOVERNOR TO MEMBERSHIP ON THE NORTH CAROLINA UTILITIES COMMISSION. Representative Morgan recognized Representative McComas, Chairman of the Public Utilities Subcommittee.

Chairman McComas hoped to move favorably on the two nominations since Utilities had three vacancies to fill. Mr. Rose, legal counsel, was recognized to explain his memorandum about the Utilities Commission that had been distributed to the committee and sub-committee members. The Chair recognized Mr. Richard Condor, nominee for the Public Utililites Commission, to speak. The Chair opened the floor for questions and comments. Representative Dockham moved the House Joint Committee Substitute be given a favorable report and that the original Senate Joint Resolution be given an unfavorable report. The motion carried.

House Joint Resolution DRHJR2340- A JOINT RESOLUTION PROVIDING FOR THE CONFIRMATION OF THE APPOINTMENT OF ROBERT V. OWENS, JR., MADE BY THE GOVERNOR TO MEMBERSHIP ON THE NORTH CAROLINA UTILITIES COMMISSION was the next resolution before the Committee.The Chair recognized Mr. Robert V. Owens, Jr. to speak to the Committee and the Public Utilities Subcommittee. The Chair opened the floor for questions and comments. Representative Dockham moved that the Joint Resolution be given a favorable report. The Chair asked if their was further discussion or debate on the motion. Motion carried.

Meredith Gregory and Sally Styers, pages from Wilkes County, were recognized by the Chair. Members of the Sub-committee on Public Utilities were dismissed. The Chair recessed the Rules Committee for five minutes.

The first resolution on the agenda after recess was House Joint Resolution 1237 - A JOINT RESOLUTION HONORING THE LIFE AND MEMORY OF MAZIE

SPENCER WOODRUFF, A DEVOTED PUBLIC SERVANT AND COMMUNITY ACTIVIST. Representative Womble, bill sponsor, was recognized to explain the resolution. Representative Esposito moved that the bill be given a favorable report. Motion carried.

The next resolution before the Committee was Senate Joint Resolution 707 - A JOINT RESOLUTION HONORING THE LIFE AND MEMORY OF ROYCE PHELPS "BO" THOMAS, FORMER MEMBER OF THE GENERAL ASSEMBLY. The Chair had temporarily displaced the resolution when Senator Jenkins was not present to explain the resolution. The Chair recognized Representative Crawford to explain the resolution. Representative Crawford moved for a favorable report. Motion carried.

There being no further business, the meeting adjourned.

SESSION 1997

SENATE JOINT RESOLUTION 414
Rules and Operations of the Senate Committee Substitute Adopted 6/16/97

Referred to:

March 18, 1997

A JOINT RESOLUTION HONORING THE ACCOMPLISHMENTS OF COACH DEAN EDWARDS SMITH AND THE MEN'S BASKETBALL PROGRAM AT THE UNIVERSITY OF NORTH CAROLINA AT CHAPEL HILL.

Whereas, Dean Edwards Smith was a member of the 1952 Kansas University Jayhawks national championship basketball team and a disciple of Kansas Coach Phog Allen; and

Whereas, his loyalty to his alma mater, the University of Kansas, so impressed former head coach Frank McGuire that he offered Smith a job as an assistant coach, which Smith accepted, despite UNC's victory over Smith's beloved Jayhawks in the 1957 NCAA men's basketball championship game; and

Whereas, Coach Smith's love for the State of North Carolina and the University of North Carolina has continued to grow since his arrival in Chapel Hill in 1958; and

Whereas, Coach Smith and the UNC men's basketball program have constantly been the source of visionary innovation, perfecting such signature practices as the man-to-man trap defense, the team huddle before a free throw, the "tired" signal, the acknowledgment of a teammate's assist, and the "Four Corners" offense that proved so effective that the institution of the shot clock was the only way to combat it; and

Whereas, Coach Smith has established a tradition of excellence in the UNC men's basketball program during his 36 years as head coach, winning more conference games, more regular season titles, more ACC Tournament games, more ACC championships and more NCAA tournament games than any other coach, and has attained 11 Final Four appearances, 14 ACC titles, and two national championships so far; and

Whereas, Coach Smith, along with Bill Guthridge, John Thompson, with a nucleus of Tar Heels and players from around the country, guided the United States to a gold medal in basketball in the 1976 Olympic Games; and

Whereas, Coach Smith' s keen insight into the game and his ability to adapt to changes in the times, the rules, and the nature of the game is vividly demonstrated by his continuing successes in his fourth decade as a coach; and

Whereas, on March 15, 1997, Coach Smith became the "all-time winningest coach" in the history of NCAA Division I basketball, coaching the Tar Heels to their 877th victory under his leadership; and

Whereas, Coach Smith and the UNC men's basketball program have produced nearly 100 professional basketball players, 43 basketball coaches and teachers, and numerous entrepreneurs, professionals, ministers, and other leaders who contribute to their communities throughout the world; and

Whereas, Coach Smith and the UNC basketball program have consistently emphasized teamwork, discipline, education and character above athletic success, and have served as ambassadors for the State of North Carolina, training young people, from around the world in the principles of honesty, integrity, and respect; and

Whereas, Coach Smith has been revered by former players, team members, and members of the UNC basketball family as a man who seeks the best interest of his students above his own; and

Whereas, for 36 years, Coach Smith has taught his players that basketball is secondary to honor, has maintained a model athletic program that is untainted by scandal, has helped his players mature into responsible adults, and has emphasized the importance of education to a life plan; and

Whereas, Coach Smith's greatest accomplishments lie not in the number of his victories but in the number of his lettermen who have obtained university degrees; a total of 216 of his 222 lettermen have graduated, many with honors; and

Whereas, Coach Smith is a man of character and compassion who was an early advocate for a more equal society, and his commitment to the betterment of all is reflected in his many endeavors to promote education and achievement in all facets of life; and

Whereas, Coach Smith is known as the "Dean of Basketball," but those who are aware of his accomplishments consider him the "Dean of Gentlemen," exemplifying the very best North Carolina has to offer; Now, therefore,

Be it resolved by the Senate, the House of Representatives concurring:

Section 1. The General Assembly recognizes the outstanding achievements of Coach Dean Edwards Smith and the men's basketball program at the University of North Carolina at Chapel Hill, expresses the appreciation and admiration of the people of the State of North Carolina to Dean Edwards Smith for his leadership, integrity, and unparalleled excellence, both on and off the basketball court, and acknowledges the invaluable contribution that the players, coaches, managers, and other members of the UNC basketball family have made to a better world, not only in North Carolina, but across the globe.

Section 2. The Secretary of State shall send certified copies of this resolution to Coach Dean Edwards Smith, the Athletic Director, and the Chancellor of the University of North Carolina at Chapel Hill, and the Chairman of the University of North Carolina at Chapel Hill Board of Trustees.

Section 3. This resolution is effective upon ratification.

A BILL TO BE ENTITLED

AN ACT TO PROHIBIT THE SALE OR PURCHASE OF TOBACCO PRODUCTS TO PERSONS LESS THAN EIGHTEEN YEARS OF AGE AND TO REQUIRE THAT CERTAIN PERSONS BE TRAINED REGARDING THESE LAWS.

The General Assembly of North Carolina enacts:

Section 1. G.S. 14-313(a) reads as rewritten:

"(a) Definitions. -- The following definitions apply in this section:

(1) Distribute. -- To sell, furnish, give, or provide tobacco products, including tobacco product samples, or cigarette wrapping papers to the ultimate consumer.

(2) Proof of age. -- A drivers license or other ~~documentary or written evidence~~ photographic identification that includes the bearer's date of birth that purports to establish that the person is 18 years of age or older.

(3) Sample. -- A tobacco product distributed to members of the general public at no cost for the purpose of promoting the product.

(4) Tobacco product. -- Any product that contains tobacco and is intended for human consumption."

Section 2. G.S. 14-313(b) reads as rewritten:

"(b) Sale or distribution to persons under the age of 18 years. -- If any person shall ~~knowingly~~ distribute, or ~~knowingly~~ aid, assist, or abet any other person in distributing tobacco products or cigarette wrapping papers to any person under the age of 18 years, or if any person shall ~~knowingly~~ purchase tobacco products or cigarette wrapping papers on behalf of a person, less than 18 years, the person shall ~~be guilty of a Class 2 misdemeanor;~~ have committed an infraction and pay the following penalties:

(1) Twenty-five dollars ($25.00) upon the first violation.

(2) One hundred dollars ($100.00) upon the second violation.

(3) Three hundred dollars ($300.00) upon the third and subsequent violation.

~~provided, however, that it~~ It shall not be unlawful to distribute tobacco products or cigarette wrapping papers to an employee when required in the performance of the employee's duties. Retail distributors of tobacco products shall prominently display near the point of sale a sign in letters at least five-eighths of an inch high which states the following:

N.C. LAW STRICTLY PROHIBITS
THE PURCHASE OF TOBACCO PRODUCTS
BY PERSONS UNDER THE AGE OF 18.
PROOF OF AGE REQUIRED.

Failure to post the required sign shall be an infraction with a penalty of twenty-five dollars ($25.00) for the first violation and seventy-five dollars ($75.00) for each succeeding violation.

A person engaged in the sale of tobacco products shall demand proof of age from a prospective purchaser if the person has reasonable grounds to believe that the prospective purchaser is under 18 years of age. Failure to demand proof of age as required by this subsection is ~~a Class 2 misdemeanor.~~ an infraction with a penalty of two hundred fifty dollars ($250.00). Proof that the defendant demanded, was shown, and reasonably relied upon proof of age in the case of a retailer, or any other documentary or written evidence of age in the case of a nonretailer, shall be a defense to any action brought under this subsection. Retail distributors of tobacco products shall train their sales employees in the requirements of this law."

Section 3. G.S. 14-313(c) reads as rewritten:

"(c) Purchase by persons under the age of 18 years. -- If any person under the age of 18 years purchases or accepts receipt, or attempts to purchase or accept receipt, of tobacco products or cigarette wrapping papers, ~~or presents or offers to any person any purported proof of age which is false, fraudulent, or not actually his or her own, for the purpose of purchasing or receiving any tobacco product,~~ the person shall ~~be guilty of~~ have committed an infraction ~~as provided in G.S. 14-3.1.~~ and pay the following penalties:

(1) Twenty-five dollars ($25.00) upon the first violation.

(2) One hundred dollars ($100.00) upon the second violation.

(3) Three hundred dollars ($300.00) upon the third and subsequent violation.

If any person presents or offers to any person any purported proof of age which is false, fraudulent, or not actually his or her own, for the purpose of purchasing or receiving any tobacco products or cigarette wrapping papers, the person shall have committed an infraction and pay a penalty of two hundred fifty dollars ($250.00)."

Section 4. G.S. 14-313(d) reads as rewritten:

"(d) Send or assist person less than 18 years to purchase or receive tobacco product. -- If any person shall ~~knowingly~~ send or assist a person less than 18 years of age to purchase, acquire, receive, or attempt to purchase, acquire, or receive tobacco products or cigarette wrapping papers, the person shall be guilty of a Class 2 misdemeanor; provided, however, persons under the age of 18 may be enlisted by police or local sheriffs' departments to test compliance if the testing is under the direct supervision of that law enforcement department and written parental consent is provided; provided further, that the Department of Human Resources shall have the authority, pursuant to a written plan prepared by the Secretary of Human Resources, to use persons under 18 years of age in annual, random, unannounced inspections, provided that prior written parental consent is given for the involvement of these persons and that the inspections are conducted for the sole purpose of preparing a scientifically and methodologically valid statistical study of the extent of success the State has achieved in reducing the availability of tobacco products to persons under the age of 18, and preparing any report to the extent required by section 1926 of the federal Public Health Service Act (42 USC § 300x-26)."

Section 5. G.S. 14-313 is amended by adding a new subsection to read:

"(b1) Vending machines. -- Tobacco products shall not be distributed in vending machines; provided, however, vending machines distributing tobacco products are permitted (i) in any establishment which is open only to persons 18 years of age and older; or (ii) in any establishment if the vending machine is under the continuous control of the owner or licensee of the premises or an employee thereof and can be operated only upon activation by the owner, licensee or employee prior to each purchase, and the vending machine is not accessible to the public when the establishment is closed. The owner, licensee or employee shall demand proof of age from a prospective purchaser if the person has reasonable grounds to believe that the prospective purchaser is under 18 years of age. Failure to demand proof of age as required by this subsection is an infraction with a penalty of two hundred fifty dollars ($250.00). Proof that the defendant demanded, was shown, and reasonably relied upon proof of age shall be a defense to any action brought under this subsection. Vending machines distributing tobacco products in establishments not meeting the above conditions shall be removed by July 31, 1997. Any person distributing tobacco products through vending machines in violation of this subsection shall have committed an infraction and pay the following penalties:

(1) Twenty-five dollars ($25.00) upon the first violation.

(2) One hundred dollars ($100.00) upon the second violation.

(3) Three hundred dollars ($300.00) upon the third and subsequent violation."

Section 6. G.S. 14-313 is amended by adding a new subsection to read:

"(b2) Out-of-package sales. -- If any person engaged in the sale of cigarettes shall sell cigarettes other than in unopened packages originating with the manufacturer, the person shall be guilty of a Class 2 misdemeanor."

Section 7. This act becomes effective August 1, 1997, and applies to violations committed on or after that date.

Retail distributors of tobacco products shall train their sales employees in the requirements of this law."

Section 3. G.S. 14-313(c) reads as rewritten:

"(c) Purchase by persons under the age of 18 years. -- If any person under the age of 18 years purchases or accepts receipt, or attempts to purchase or accept receipt, of tobacco products or cigarette wrapping papers, ~~or presents or offers to any person any purported proof of age which is false, fraudulent, or not actually his or her own, for the purpose of purchasing or receiving any tobacco product,~~ the person shall be guilty of an infraction as provided in G.S. 14-3.1. If any person under the age of 18 years presents or offers to any person any purported proof of age which is false, fraudulent, or not actually his or her own, for the purpose of purchasing or receiving any tobacco product or cigarette wrapping papers, the person shall be guilty of a Class 2 misdemeanor."

Section 4. G.S. 14-313(d) reads as rewritten:

"(d) Send or assist person less than 18 years to purchase or receive tobacco product. -- If any person shall ~~knowingly~~ send ~~or assist~~ a person less than 18 years of age to purchase, acquire, receive, or attempt to purchase, acquire, or receive tobacco products or cigarette wrapping papers, or if any person shall aid or abet a person who is less than 18 years of age in purchasing, acquiring, or receiving or attempting to purchase, acquire or receive tobacco products or cigarette wrapping papers, the person shall be guilty of a Class 2 misdemeanor; provided, however, persons under the age of 18 may be enlisted by police or local sheriffs' departments to test

compliance if the testing is under the direct supervision of that law enforcement department and written parental consent is provided; provided further, that the Department of Human Resources shall have the authority, pursuant to a written plan prepared by the Secretary of Human Resources, to use persons under 18 years of age in annual, random, unannounced inspections, provided that prior written parental consent is given for the involvement of these persons and that the inspections are conducted for the sole purpose of preparing a scientifically and methodologically valid statistical study of the extent of success the State has achieved in reducing the availability of tobacco products to persons under the age of 18, and preparing any report to the extent required by section 1926 of the federal Public Health Service Act (42 USC § 300x-26)."

Section 5. G.S. 14-313 is amended by adding a new subsection to read:

"(b1) Vending machines. -- Tobacco products shall not be distributed in vending machines; provided, however, vending machines distributing tobacco products are permitted (i) in any establishment which is open only to persons 18 years of age and older; or (ii) in any establishment if the vending machine is under the continuous control of the owner or licensee of the premises or an employee thereof and can be operated only upon activation by the owner, licensee, or employee prior to each purchase and the vending machine is not accessible to the public when the establishment is closed. The owner, licensee, or employee shall demand proof of age from a prospective purchaser if the person has reasonable grounds to believe that the prospective purchaser is under 18 years of age. Failure to demand proof of age as required by this subsection is a Class 2 misdemeanor if in fact the prospective purchaser is under 18 years of age. Proof that the defendant demanded, was shown, and reasonably relied upon proof of age shall be a defense to any action brought under this subsection. Vending machines distributing tobacco products in establishments not meeting the above conditions shall be removed by July 31, 1997. Any person distributing tobacco products through vending machines in violation of this subsection shall be guilty of a Class 2 misdemeanor."

Section 6. G.S. 14-313 is amended by adding a new subsection to read:

"(b2) Out-of-package sales. -- If any person engaged in the sale of cigarettes shall sell cigarettes other than in unopened packages originating with the manufacturer, the person shall be guilty of a Class 2 misdemeanor."

Section 7. This act becomes effective August 1, 1997, and applies to offenses committed on or after that date.

A BILL TO BE ENTITLED

AN ACT ESTABLISHING THE PUBLIC HOSPITAL PERSONNEL ACT AND AMENDING THE LAW GOVERNING DISPOSAL OF FETAL REMAINS.

The General Assembly of North Carolina enacts:

Section 1. This act shall be known as the "Public Hospital Personnel Act of 1997".

Section 2. Chapter 131E of the General Statutes is amended by adding the following new Article to read:

"ARTICLE 15A.

"Public Hospital Personnel Act.

"§ 131E-257. Title; purpose; applicability of other laws; 'public hospital' defined.

(a) This Article shall be known and may be cited as the 'Public Hospital Personnel Act'.

(b) The purpose of this Article is to protect the privacy of the personnel records of public hospital employees and to authorize public hospitals to determine employee compensation and personnel policies and to establish employee benefit plans.

(c) Unless otherwise provided, none of the provisions of Part 4, Article 5, Chapter 153A and Part 4, Article 7, Chapter 160A shall apply to public hospitals.

(d) If any provision of this Article is inconsistent with any provision of any other law, the provision of this Article shall be controlling.

(e) As used in this Article, unless the context clearly indicates otherwise, the term 'public hospital' has the same meaning as in G.S. 159-39.

"**§ 131E-257.1. Compensation; personnel policies; employee benefits plans.**

(a) A public hospital shall determine the pay, expense allowances, and other compensation of its officers and employees, and may establish position classification and pay plans and incentive compensation plans.

(b) A public hospital may:

(1) Adopt personnel policies and procedures regarding, without limitation, vacations, personal leave, service award programs, other personnel policies and procedures, and any other measures that enhance the ability of a public hospital to hire and retain employees.

(2) Determine the work hours, workdays, and holidays applicable to its employees.

(3) Establish and pay all or part of the cost of benefit plans for its employees and former employees, including without limitation, life, health and disability plans, pension, profit sharing, deferred compensation and other retirement plans, and other fringe benefit plans.

(4) Pay severance payments and provide other employee severance benefits to its employees and former employees pursuant to a severance plan established in connection with a reduction in the size of the workforce of a public hospital or, with respect to an individual employee, pursuant to an employment agreement entered into prior to the date the employee receives notice of termination of employment.

(c) The provisions of G.S. 159-30 and G.S. 159-31 are not applicable to public hospitals with respect to the investment of escrowed or trusteed retirement and deferred compensation funds. Public hospitals may invest such escrowed and trusteed funds in property or securities in which trustees, guardians, personal representatives, and others acting in a fiduciary capacity may legally invest funds under their control.

"**§ 131E-257.2. Privacy of employee personnel records.**

(a) Notwithstanding the provisions of G.S. 132-6 or any other general law or local act concerning access to public records, personnel files of employees and applicants for employment maintained by a public hospital are subject to inspection and may be disclosed only as provided by this section. For purposes of this section, an employee's personnel file consists of any information in any form gathered by the public hospital with respect to an employee and, by way of illustration but not limitation, relating to the employee's application, selection or nonselection, performance, promotions, demotions, transfers, suspensions and other disciplinary actions, evaluation forms, leave, salary, and termination of employment. As used in this section, 'employee' includes both current and former employees of a public hospital.

(b) The following information with respect to each public hospital employee is a matter of public record:

(1) Name.

(2) Age.
(3) Date of original employment.
(4) Current position title, current salary, and the date and amount of the most recent increase or decrease in salary.
(5) Date of the most recent promotion, demotion, transfer, suspension, separation or other change in position classification.
(6) The office to which the employee is currently assigned.

In addition, the following information with respect to each licensed medical provider employed by or having privileges to practice in a public hospital shall be a matter of public record: educational history and qualifications, date and jurisdiction or original and current licensure; and information relating to medical board certifications or other qualifications of medical specialists.

The governing board of a public hospital shall determine in what form and by whom this information will be maintained. Any person may have access to this information for the purpose of inspection, examination, and copying, during regular business hours, subject only to such rules and regulations for the safekeeping of public records as the governing board of the public hospital may have adopted. Any person denied access to this information may apply to the appropriate division of the General Court of Justice for an order compelling disclosure, and the court shall have jurisdiction to issue such orders.

(c) All information contained in a public hospital employee's personnel file, other than the information made public by subsection (b) of this section, is confidential and shall be open to inspection only in the following instances:

(1) The employee or the employee's duly authorized agent may examine all portions of the employee's personnel file, except letters of reference solicited prior to employment.
(2) A licensed physician designated in writing by the employee may examine the employee's medical record.
(3) A public hospital employee having supervisory authority over the employee may examine all material in the employee's personnel file.
(4) By order of a court of competent jurisdiction, any person may examine such portion of an employee's personnel file as may be ordered by the court.
(5) An official of an agency of the State or federal government, or any political subdivision of the State, may inspect any portion of a personnel file when the inspection is deemed by the person having custody of the file to be inspected to be necessary and essential to the pursuance of a proper function of the inspecting agency, but no information shall be divulged for the purpose of assisting in criminal prosecution of the employee, or for the purpose of assisting in an investigation of the employee's tax liability. However, the official having custody of the records may release the

name, address, and telephone number from a personnel file for the purpose of assisting in a criminal investigation.

(6) An employee may sign a written release, to be placed with the employee's personnel file, that permits the person with custody of the file to provide, either in person, by telephone, or by mail, information specified in the release to prospective employers, educational institutions, or other persons specified in the release.

(d) Even if considered part of an employee's personnel file, the following information need not be disclosed to an employee nor to any other person:

(1) Testing or examination material used solely to determine individual qualifications for appointment, employment, or promotion in the public hospital's service, when disclosure would compromise the objectivity or the fairness of the testing or examination process.

(2) Investigative reports or memoranda and other information concerning the investigation of possible criminal actions of an employee, until the investigation is completed and no criminal action taken, or until the criminal action is concluded.

(3) Information that might identify an undercover law enforcement officer or a law enforcement informer.

(4) Notes, preliminary drafts, and internal communications concerning an employee. In the event such materials are used for any official personnel decision, then the employee or his duly authorized agent shall have a right to inspect such materials.

(e) The governing board of a public hospital may permit access, subject to limitations they may impose, to selected personnel files by a professional representative of a training, research, or academic institution if that representative certifies that he or she will not release information identifying the employees whose files are opened and that the information will be used solely for statistical, research, or teaching purposes. This certification shall be retained by the public hospital as long as each personnel file so examined is retained.

(f) The governing board of a public hospital that maintains personnel files containing information other than the information mentioned in subsection (b) of this section shall establish procedures whereby an employee who objects to material in his or her file on grounds that it is inaccurate or misleading may seek to have the material removed from the file or may place in the file a statement relating to the material.

(g) A public hospital director, trustee, officer, or employee who knowingly, willfully, and with malice permits any person to have access to information contained in a personnel file, except as is permitted by this section, is guilty of a Class 3 misdemeanor; however, conviction under this subsection shall be punishable only by a fine not to exceed five hundred dollars ($500.00).

(h) Any person not specifically authorized by this section to have access to a personnel file designated as confidential, who shall knowingly and willfully examine

in its official filing place, or remove, or copy any portion of a confidential personnel file shall be guilty of a Class 3 misdemeanor; however, conviction under this subsection shall be punishable, in the discretion of the court, by a fine not to exceed five hundred dollars ($500.00)."

Section 3. G.S. 131E-97.1(b) is repealed.

Section 4. G.S. 130A-131.10 reads as rewritten:

"**§ 130A-131.10. Manner of disposition of remains of ~~terminated~~ pregnancies.**

(a) The Commission for Health Services shall adopt rules to ensure that all facilities authorized to terminate pregnancies, and all medical or research laboratories or facilities to which the remains of terminated pregnancies are sent by facilities authorized to terminate pregnancies, shall dispose of the remains in a manner limited to burial, cremation, ~~or~~ or, except as prohibited by subsection (b) of this section, approved hospital type of incineration. ~~Rules adopted pursuant to this section shall provide that the obligation to dispose of the remains of terminated pregnancies by a facility authorized to terminate pregnancies ceases as to any remains of terminated pregnancies that the facility has sent to a medical or research laboratory or facility.~~

(b) A hospital or other medical facility or a medical or research laboratory or facility shall dispose of the remains of a recognizable fetus only by burial or cremation. The Commission shall adopt rules to implement this subsection.

(c) A hospital or other medical facility is relieved from the obligation to dispose of the remains in accordance with subsections (a) and (b) of this section if it sends the remains to a medical or research laboratory or facility.

(d) This section does not impose liability on a permitted medical waste treatment facility for a hospital's or other medical facility's violation of this section nor does it impose any additional duty on the treatment facility to inspect waste received from the hospital or medical facility to determine compliance with this section."

Section 5. Section 4 of this act becomes effective October 1, 1997. The remainder of this act is effective when it becomes law.

(3) A public hospital employee having supervisory authority over the employee may examine all material in the employee's personnel file.
(4) By order of a court of competent jurisdiction, any person may examine such portion of an employee's personnel file as may be ordered by the court.
(5) An official of an agency of the State or federal government, or any political subdivision of the State, may inspect any portion of a personnel file when the inspection is deemed by the person having custody of the file to be inspected to be necessary and essential to the pursuance of a proper function of the inspecting agency, but no information shall be divulged for the purpose of assisting in criminal prosecution of the employee, or for the purpose of assisting in an investigation of the employee's tax liability. However, the official having custody of the records may release the name, address, and telephone number from a personnel file for the purpose of assisting in a criminal investigation.

(6) An employee may sign a written release, to be placed with the employee's personnel file, that permits the person with custody of the file to provide, either in person, by telephone, or by mail, information specified in the release to prospective employers, educational institutions, or other persons specified in the release.

(d) Even if considered part of an employee's personnel file, the following information need not be disclosed to an employee nor to any other person:

(1) Testing or examination material used solely to determine individual qualifications for appointment, employment, or promotion in the public hospital's service, when disclosure would compromise the objectivity or the fairness of the testing or examination process.

(2) Investigative reports or memoranda and other information concerning the investigation of possible criminal actions of an employee, until the investigation is completed and no criminal action taken, or until the criminal action is concluded.

(3) Information that might identify an undercover law enforcement officer or a law enforcement informer.

(4) Notes, preliminary drafts, and internal communications concerning an employee. In the event such materials are used for any official personnel decision, then the employee or his duly authorized agent shall have a right to inspect such materials.

(e) The governing board of a public hospital may permit access, subject to limitations they may impose, to selected personnel files by a professional representative of a training, research, or academic institution if that representative certifies that he or she will not release information identifying the employees whose files are opened and that the information will be used solely for statistical, research, or teaching purposes. This certification shall be retained by the public hospital as long as each personnel file so examined is retained.

(f) The governing board of a public hospital that maintains personnel files containing information other than the information mentioned in subsection (b) of this section shall establish procedures whereby an employee who objects to material in his or her file on grounds that it is inaccurate or misleading may seek to have the material removed from the file or may place in the file a statement relating to the material.

(g) A public hospital director, trustee, officer, or employee who knowingly, willfully, and with malice permits any person to have access to information contained in a personnel file, except as is permitted by this section, is guilty of a Class 3 misdemeanor; however, conviction under this subsection shall be punishable only by a fine not to exceed five hundred dollars ($500.00).

(h) Any person not specifically authorized by this section to have access to a personnel file designated as confidential, who shall knowingly and willfully examine in its official filing place, or remove, or copy any portion of a confidential personnel file shall be guilty of a Class 3 misdemeanor; however, conviction under this

subsection shall be punishable, in the discretion of the court, by a fine not to exceed five hundred dollars ($500.00)."

Section 3. G.S. 131E-97.1(b) is repealed.

Section 4. This act is effective when it becomes law.

A BILL TO BE ENTITLED

AN ACT TO EXEMPT FROM THE PLUMBING LICENSURE REQUIREMENTS CERTAIN PERSONS PERFORMING ON-SITE ASSEMBLY OF FACTORY DESIGNED DRAIN SYSTEMS UNDERNEATH MANUFACTURED HOMES.

The General Assembly of North Carolina enacts:

Section 1. G.S. 87-21 reads as rewritten:

"**§ 87-21. Definitions; contractors licensed by Board; examination; posting license, etc.**

(a) Definitions. -- For the purpose of this Article:

(1) The word 'plumbing' is hereby defined to be the system of pipes, fixtures, apparatus and appurtenances, installed upon the premises, or in a building, to supply water thereto and to convey sewage or other waste therefrom.

(2) The phrase 'heating, group number one' shall be deemed and held to be the heating system of a building, which requires the use of high or low pressure steam, vapor or hot water, including all piping, ducts, and mechanical equipment appurtenant thereto, within, adjacent to or connected with a building, for comfort heating.

(3) The phrase 'heating, group number two' means an air conditioning system which consists of an assemblage of interacting components producing conditioned air for comfort cooling by the lowering of temperature, and having a mechanical refrigeration capacity in excess of fifteen tons, and which circulates air.

(4) The phrase 'heating, group number three' shall be deemed and held to be a direct heating system of a building which produces heat to raise the temperature of the space within the building for the purpose of comfort in which electric heating elements or products of combustion exchange heat either directly with the building supply air or indirectly through a heat exchanger and using an air distribution system of ducts. A heating system requiring air distribution ducts and supplied by ground water or utilizing a coil supplied by water from a domestic hot water heater not exceeding 150 Fahrenheit requires either plumbing or heating group number one license to extend piping from valved connections in the domestic hot water system to the heating coil and requires either heating group number one or heating group number three license for installation of coil, duct work, controls, drains and related appurtenances.

(5) Any person, firm or corporation, who for a valuable consideration, (i) installs, alters or restores, or offers to install, alter or restore, either plumbing, heating group number one, or heating group number two, or heating group number three, or (ii) lays out, fabricates, installs, alters or restores, or offers to lay out, fabricate, install, alter or restore fire sprinklers, or any combination thereof, as defined in this Article, shall be deemed and held to be engaged in the business of plumbing, heating, or fire sprinkler contracting; provided, however, that nothing herein shall be deemed to restrict the practice of qualified registered professional engineers. Any person who installs a plumbing, heating, or fire sprinkler system on property which at the time of installation was intended for sale or to be used primarily for rental is deemed to be engaged in the business of plumbing, heating, or fire sprinkler contracting without regard to receipt of consideration, unless exempted elsewhere in this Article.

(6) The word 'contractor' is hereby defined to be a person, firm or corporation engaged in the business of plumbing, heating, or fire sprinkler contracting.

(7) The word 'heating' shall be deemed and held to mean heating group number one, heating group number two, heating group number three, or any combination thereof.

~~(8) The obtaining of a license, as required by this Article, shall not of itself authorize the practice of another profession or trade for which a State qualification license is required.~~

(9) The word 'Board' means the State Board of Examiners of Plumbing, Heating, and Fire Sprinkler Contractors.

(10) The word 'experience' means actual and practical work directly related to the category of plumbing, heating group number one,

heating group number two, heating group number three, or fire sprinkler contracting, and includes related work for which a license is not required.

(11) The phrase 'fire sprinkler' means an automatic or manual sprinkler system designed to protect the interior or exterior of a building or structure from fire, and where the primary extinguishing agent is water. These systems include wet pipe and dry pipe systems, preaction systems, water spray systems, foam water sprinkler systems, foam water spray systems, nonfreeze systems, and circulating closed-loop systems. These systems also include the overhead piping, combination standpipes, inside hose connections, thermal systems used in connection with the sprinklers, tanks, and pumps connected to the sprinklers, and controlling valves and devices for actuating an alarm when the system is in operation. This subsection shall not apply to owners of property who are building or improving farm outbuildings. This subsection shall not include water and standpipe systems having no connection with a fire sprinkler system. Nothing herein shall prevent licensed plumbing contractors, utility contractors, or fire sprinkler contractors from installing underground water supplies for fire sprinkler systems.

(b) Classes of Licenses; Eligibility and Examination of Applicant; Necessity for License. -- In order to protect the public health, comfort and safety, the Board shall establish two classes of licenses: Class I covering all plumbing, heating, and fire sprinkler systems for all structures, and Class II covering plumbing and heating systems in single-family detached residential dwellings. The Board shall prescribe the standard of competence, experience and efficiency to be required of an applicant for license of each class, and shall give an examination designed to ascertain the technical and practical knowledge of the applicant concerning the analysis of plans and specifications, estimating costs, fundamentals of installation and design, codes, fire hazards, and related subjects as these subjects pertain to plumbing, heating, or fire sprinkler systems. The examination for a fire sprinkler contractor's license shall include such materials as would test the competency of the applicant and which may include the minimum requirements of certification for Level III, subfield of Automatic Sprinkler System Layout, National Institute for Certification of Engineering Technologies (NICET).

As a result of the examination, the Board shall issue a certificate of license of the appropriate class in plumbing, heating, or fire sprinkler contracting, and a license shall be obtained, in accordance with the provisions of this Article, before any person, firm or corporation shall engage in, or offer to engage in, the business of plumbing, heating, or fire sprinkler contracting, or any combination thereof. <u>The obtaining of a license, as required by this Article, shall not of itself authorize the practice of another profession or trade for which a State qualification license is required.</u> The Board may require experience as a condition of examination, provided

that (i) the experience required may not exceed two years, (ii) that up to one-half the experience may be in the form of academic or technical courses of study, and (iii) that registration is not required at the commencement of the period of experience. Conditions of examination set by the Board shall be uniformly applied to each applicant within each license classification. It is the purpose and intent of this section that the Board shall provide an examination for plumbing, heating group number one, or heating group number two, or heating group number three, and may provide an examination for fire sprinkler contracting or may accept a current certification of the National Institute for Certification in Engineering Technologies for Fire Protection Engineering Technician, Level III, subfield of Automatic Sprinkler System Layout. The Board is authorized to issue a certificate of license limited to either plumbing or heating group number one, or heating group number two, or heating group number three, or fire sprinkler contracting, or any combination thereof.

Each application for examination shall be accompanied by a check, post-office money order, or cash, in the amount of the annual license fee required by this Article. Regular examinations shall be given in the months of April and October of each year, and additional examinations may be given at such other times as the Board may deem wise and necessary. Any person may demand in writing a special examination, and upon payment by the applicant of the cost of holding such examination and the deposit of the amount of the annual license fee, the Board in its discretion will fix a time and place for such examination. Upon satisfactory proof of the applicant's inability to write and upon demand of an applicant for a Class II plumbing or heating license six weeks prior to an examination, the Board shall conduct the examination of that applicant orally, and shall not require that applicant to take a written examination as to examination inquiries answered other than by preparation of diagrams. Signed statements from two reliable citizens resident in the home county of the applicant shall constitute satisfactory proof of an applicant's inability to write. A person who fails to pass any examination shall not be reexamined until the next regular examination.

(c) To Whom Article Applies. -- The provisions of this Article shall apply to all persons, firms, or corporations who engage in, or attempt to engage in, the business of plumbing, heating, or fire sprinkler contracting, or any combination thereof as defined in this Article. The provisions of this Article shall not apply to those who make minor repairs or minor replacements to an already installed system of plumbing or heating, but shall apply to those who make repairs, replacements, or modifications to an already installed fire sprinkler system.

(c1) Exemption. -- The provisions of this Article shall not apply to a person who performs the on-site assembly of a factory designed drain line system for a manufactured home, as defined in G.S. 143-143.9(6), if the person is a licensed manufactured home retailer, a licensed manufactured home set-up contractor, or an employee of either, and the person performs the assembly according to factory instructions. The assembly of the drain system shall be approved by a local building inspector.

(d) Repealed by Session Laws 1979, c. 834, s. 7.

(d1) Expired.

(e) Posting License; License Number on Contracts, etc. -- The current license issued in accordance with the provisions of this Article shall be posted in the business location of the licensee, and its number shall appear on all proposals or contracts and requests for permits issued by municipalities. The initial qualified licensee on a license is the permanent possessor of the license number under which that license is issued, except that a licensee, or the licensee's legal agent, personal representative, heirs or assigns, may designate in writing to the Board a qualified licensee to whom the Board shall assign the license number upon the payment of a ten dollar ($10.00) assignment fee. Upon such assignment, the qualified licensee becomes the permanent possessor of the assigned license number. Notwithstanding the foregoing, the license number may be assigned only to a qualified licensee who has been employed by the initial licensee's plumbing and heating company for at least 10 years or is a lineal relative, sibling, first cousin, nephew, niece, daughter-in-law, son-in-law, brother-in-law, or sister-in-law of the initial licensee. Each successive licensee to whom a license number is assigned under this subsection may assign the license number in the same manner as provided in this subsection.

(f) Repealed by Session Laws 1971, c. 768, s. 4.

(g) The Board may, in its discretion, grant to plumbing, heating, or fire sprinkler contractors licensed by other states license of the same or equivalent classification without written examination upon receipt of satisfactory proof that the qualifications of such applicants are substantially equivalent to the qualifications of holders of similar licenses in North Carolina and upon payment of the usual license fee.

(h) Expired."

Section 2. This act is effective when it becomes law.

A BILL TO BE ENTITLED

AN ACT TO PROVIDE GREATER FLEXIBILITY TO THE UNIVERSITY OF NORTH CAROLINA AND OTHER AGENCIES IN NEGOTIATING CERTAIN CONTRACTS AND CAPITAL PROJECTS, TO INCREASE THE BENCHMARK FOR PURCHASES BY THE UNIVERSITY OF NORTH CAROLINA AND OTHER STATE AGENCIES, AND TO AUTHORIZE EMPLOYEE PAYROLL DEDUCTIONS FOR CERTAIN DISCRETIONARY PRIVILEGES OF UNIVERSITY SERVICE AT THE UNIVERSITY OF NORTH CAROLINA.

The General Assembly of North Carolina enacts:

Section 1. Article 1 of Chapter 116 of the General Statutes is amended by adding two new sections to read:

"**§ 116-31.10. Powers of Board regarding certain purchasing contracts.**

Notwithstanding G.S. 143-53.1 or G.S. 143-53(a)(2), the expenditure benchmark for a special responsibility constituent institution with regard to competitive bid procedures and the bid value benchmark shall be an amount not greater than two hundred fifty thousand dollars ($250,000). The Board shall set the benchmark for each institution from time to time. In setting an institution's benchmark in accordance with this section, the Board shall consider the institution's overall capabilities including staff resources, purchasing compliance reviews, and audit reports. The Board shall also consult with the Director of the Division of Purchase and Contract and the Director of the Budget prior to setting the benchmark.

"§ 116-31.11. Powers of Board regarding certain fee negotiations, contracts, and capital improvements.

(a) Notwithstanding G.S. 143-341(3), 143-135.1, and 143-31.1, the Board shall, with respect to the design, construction, or renovation of buildings, utilities, and other property developments of The University of North Carolina requiring the estimated expenditure of public money of five hundred thousand dollars ($500,000) or less:

(1) Conduct the fee negotiations for all design contracts and supervise the letting of all construction and design contracts.

(2) Develop procedures governing the responsibilities of The University of North Carolina and its affiliated and constituent institutions to perform the duties of the Department of Administration, the Director of the Budget, and the Director or Office of State Construction under G.S. 133-1.1(d), 143-341(3), and 143-31.1.

(3) Develop procedures and reasonable limitations governing the use of open-end design agreements, subject to G.S. 143-64.34 and the approval of the State Building Commission.

(b) The Board may delegate its authority under subsection (a) of this section to a constituent or affiliated institution if the institution is qualified under guidelines adopted by the Board and approved by the State Building Commission and the Director of the Budget.

(c) The University shall use the standard contracts for design and construction currently in use for State capital improvement projects by the Office of State Construction of the Department of Administration.

(d) A contract may not be divided for the purpose of evading the monetary limit under this section."

Section 2. G.S. 143-52 reads as rewritten:

"**§ 143-52. Competitive bidding procedure; consolidation of estimates by Secretary; bids; awarding of contracts.**

As feasible, the Secretary of Administration will compile and consolidate all such estimates of supplies, materials, printing, equipment and contractual services needed and required by State departments, institutions and agencies to determine the total requirements of any given commodity. Where such total requirements will involve an expenditure in excess of the expenditure benchmark established under the provisions of G.S. 143-53.1 and where the competitive bidding procedure is employed as hereinafter provided, sealed bids shall be solicited by advertisement in a newspaper ~~of statewide circulation~~ widely distributed in this State or through electronic means, or both, as determined by the Secretary to be most advantageous, at least once and at least 10 days prior to the date designated for opening. ~~opening of the bids and awarding of the contract: Provided, other methods of advertisement may be adopted by the Secretary of Administration when such other method is deemed more advantageous for certain items or commodities. Regardless of the amount of the expenditure, under the competitive bidding procedure it shall be the duty of the Secretary of Administration to solicit bids direct by mail from qualified sources of~~

~~supply.~~ Except as otherwise provided under this Article, contracts for the purchase of supplies, materials or equipment shall be based on competitive bids and acceptance made of the lowest and best bid(s) most advantageous to the State as determined upon consideration of the following criteria: prices offered; the quality of the articles offered; the general reputation and performance capabilities of the bidders; the substantial conformity with the specifications and other conditions set forth in the request for bids; the suitability of the articles for the intended use; the personal or related services needed; the transportation charges; the date or dates of delivery and performance; and such other factor(s) deemed pertinent or peculiar to the purchase in question, which if controlling shall be made a matter of record. Competitive bids on such contracts shall be received in accordance with rules and regulations to be adopted by the Secretary of Administration, which rules and regulations shall prescribe for the manner, time and place for proper advertisement for such bids, the time and place when bids will be received, the articles for which such bids are to be submitted and the specifications prescribed for such articles, the number of the articles desired or the duration of the proposed contract, and the amount, if any, of bonds or certified checks to accompany the bids. Bids shall be publicly opened. Any and all bids received may be rejected. Each and every bid conforming to the terms of the invitation, together with the name of the bidder, shall be tabulated ~~or otherwise entered as a matter of record, and all such records with the name of the successful bidder indicated thereon shall, after the award of the contract, be open to public inspection.~~ and that tabulation shall become public record in accordance with the rules adopted by the Secretary. All contract information shall be made a matter of public record after the award of contract. Provided, that trade secrets, test data and similar proprietary information may remain confidential. A bond for the faithful performance of any contract may be required of the successful bidder at bidder's expense and in the discretion of the Secretary of Administration. After contracts have been awarded, the Secretary of Administration shall certify to the departments, institutions and agencies of the State government the sources of supply and the contract price of the supplies, materials and equipment so contracted for. Prior to adopting other methods of advertisement under this section, the Secretary of Administration may consult with the Advisory Budget Commission. Prior to adopting rules and regulations under this section, the Secretary of Administration may consult with the Advisory Budget Commission."

Section 3. G.S. 143-53(a) reads as rewritten:

"(a) The Secretary of Administration may adopt rules governing the following:

(1) Prescribing the routine and procedures to be followed in canvassing bids and awarding contracts, and for reviewing decisions made pursuant thereto, and the decision of the reviewing body shall be the final administrative review.

(2) Prescribing ~~routine~~ routine, including consistent contract language, for securing bids on items that do not exceed the bid value benchmark established under the provisions of G.S. ~~143-53.1.~~ 143-53.1 or G.S. 116-31.10.

The purchasing delegation for securing offers, (excluding the special responsibility constituent institutions of The University of North Carolina), for each State department, institution, agency, community college, and public school administrative unit shall be determined by the Director of the Division of Purchase and Contract. For the State agencies this shall be done following the Director's consultation with the State Budget Officer and the State Auditor. The Director for the Division of Purchase and Contract may set or lower the delegation, or raise the delegation upon written request by the agency, after consideration of their overall capabilities, including staff resources, purchasing compliance reviews, and audit reports of the individual agency. The routine prescribed by the Secretary shall include contract award protest procedures and consistent requirements for advertising of solicitations for securing offers issued by State departments, institutions, universities (including the special responsibility constituent institutions of The University of North Carolina), agencies, community colleges, and the public school administrative units.

(3) Defining contractual services for the purposes of G.S. ~~143-49(3).~~ 143-49(3) and G.S. 143-49(5).

(4) Prescribing items and quantities, and conditions and procedures, governing the acquisition of goods and services which may be delegated to departments, institutions and agencies, notwithstanding any other provisions of this Article.

(5) Prescribing conditions under which purchases and contracts for the purchase, rental or lease of equipment, materials, supplies or services may be entered into by means other than competitive bidding.

(6) Prescribing conditions under which partial, progressive and multiple awards may be made.

(7) Prescribing conditions and procedures governing the purchase of used equipment, materials and supplies.

(8) Providing conditions under which bids may be rejected in whole or in part.

(9) Prescribing conditions under which information submitted by bidders or suppliers may be considered proprietary or confidential.

(10) Prescribing procedures for making purchases under programs involving participation by two or more levels or agencies of government, or otherwise with funds other than State-appropriated.

(11) Prescribing procedures to encourage the purchase of North Carolina farm products, and products of North Carolina manufacturing enterprises.

(12) Repealed by Session Laws 1987, c. 827, s. 216."

Section 4. G.S. 143-53.1 reads as rewritten:

"**§ 143-53.1. Setting of benchmarks; increase by Secretary.**

On and after July 1, ~~1990,~~ 1997, the ~~expenditure benchmark~~ procedures prescribed by G.S. 143-52 with respect to competitive ~~bid procedures~~ bids and the bid value benchmark authorized by G.S. ~~143-53(2)~~ 143-53(a)(2) with respect to rule making by the Secretary of Administration for competitive bidding shall be ~~ten thousand dollars ($10,000);~~ no more than twenty-five thousand dollars ($25,000); provided, the Secretary of Administration may, in his or her discretion, increase the benchmarks effective as of the beginning of any fiscal biennium of the State commencing after June 30, ~~1992,~~ 1999, in an amount whose increase, expressed as a percentage, does not exceed the rise in the Consumer Price Index during the fiscal biennium next preceding the effective date of the benchmark increase. For a special responsibility constituent institution of The University of North Carolina, the benchmark prescribed in this section shall be ~~thirty-five thousand dollars ($35,000).~~ as provided in G.S. 116-31.10."

Section 5. G.S. 143-64.34 reads as rewritten:

"**§ 143-64.34. Exemption of certain ~~State Capital Improvement Projects.~~ projects.**

(a) State Capital Improvement Projects under the jurisdiction of the State Building Commission where the estimated expenditure of public money is less than ~~fifty thousand dollars ($50,000)~~ one hundred thousand dollars ($100,000) are exempt from the provisions of this Article.

(b) A capital improvement project of The University of North Carolina under G.S. 116-31.11 where the estimated expenditure of public money is less than three hundred thousand dollars ($300,000) is exempt from this Article if:

(1) The architectural, engineering, or surveying services to be rendered are under an open-end design agreement;

(2) The open-end design agreement has been publicly announced; and

(3) The open-end design agreement complies with procedures adopted by the University and approved by the State Building Commission under G.S. 116-31.11(a)(3)."

Section 5.1. Effective July 1, 2001, G.S. 143-64.34, as amended by Section 5 of this act, reads as rewritten:

"**§ 143-64.34. Exemption of certain projects.**

~~(a)~~ State Capital Improvement Projects under the jurisdiction of the State Building Commission where the estimated expenditure of public money is less than hundred thousand dollars ($100,000) are exempt from the provisions of this Article.

~~(b) A capital improvement project of the University of North Carolina under G.S. 116-31.11 where the estimated expenditure of public money is less than three hundred thousand dollars ($300,000) is exempt from this Article if:~~

~~(1) The architectural, engineering, or surveying services to be rendered are under an open-end design agreement;~~

~~(2) The open-end design agreement has been publicly announced; and~~

~~(3) The open-end design agreement complies with procedures adopted by the University and approved by the State Building Commission under G.S. 116-31.11(a)(3).~~"

Section 6. G.S. 143-341(3) reads as rewritten:

"(3) Architecture and Engineering:

a. To examine and approve all plans and specifications for the construction or renovation of:

1. All State buildings; and

2. All community college buildings requiring the estimated expenditure for construction or repair work for which public bidding is required under G.S. 143-129

prior to the awarding of a contract for such work; and to examine and approve all changes in those plans and specifications made after the contract for such work has been awarded.

b. To prepare preliminary studies and cost estimates and otherwise to assist all agencies in the preparation of requests for appropriations for the construction or renovation of all State buildings.

c. To supervise the letting of all contracts for the design, construction or renovation of all State buildings and all community college buildings whose plans and specifications must be examined and approved under a.2. of this subdivision.

d. To supervise and inspect all work done and materials used in the construction or renovation of all State buildings and all community college buildings whose plans and specifications must be examined and approved under a.2. of this subdivision; and no such work may be accepted by the State or by any State agency until it has been approved by the Department.

Except for sub-subdivision b., this subdivision does not apply to the design, construction, or renovation or projects by The University of North Carolina pursuant to G.S. 116-31.11."

Section 7. G.S. 143-135.3 reads as rewritten:

"**§ 143-135.3. Adjustment and resolution of State board construction contract claim.**

(a) The word 'board' as used in this section shall mean the State of North Carolina or any board, bureau, commission, institution, or other agency of the State, as distinguished from a board or governing body of a subdivision of the State. 'A contract for construction or repair work,' as used in this section, is defined as any contract for the construction of buildings and appurtenances thereto, including, but not by way of limitation, utilities, plumbing, heating, electrical, air conditioning, elevator, excavation, grading, paving, roofing, masonry work, tile work and painting,

and repair work as well as any contract for the construction of airport runways, taxiways and parking aprons, sewer and water mains, power lines, docks, wharves, dams, drainage canals, telephone lines, streets, site preparation, parking areas and other types of construction on which the Department of Administration or The University of North Carolina enters into contracts.

'Contractor' as used in this section includes any person, firm, association or corporation which has contracted with a State board for architectural, engineering or other professional services in connection with construction or repair work as well as those persons who have contracted to perform such construction or repair work.

(b) A contractor who has not completed a contract with a board for construction or repair work and who has not received the amount he claims is due under the contract may submit a verified written claim to the Director of the Office of State Construction of the Department of Administration for the amount the contractor claims is due. The Director may deny, allow, or compromise the claim, in whole or in part. A claim under this subsection is not a contested case under Chapter 150B of the General Statutes.

(c) A contractor who has completed a contract with a board for construction or repair work and who has not received the amount he claims is due under the contract may submit a verified written claim to the Director of the Office of State Construction of the Department of Administration for the amount the contractor claims is due. The claim shall be submitted within 60 days after the contractor receives a final statement of the board's disposition of his claim and shall state the factual basis for the claim.

The Director shall investigate a submitted claim within 90 days of receiving the claim, or within any longer time period upon which the Director and the contractor agree. The contractor may appear before the Director, either in person or through counsel, to present facts and arguments in support of his claim. The Director may allow, deny, or compromise the claim, in whole or in part. The Director shall give the contractor a written statement of the Director's decision on the contractor's claim.

A contractor who is dissatisfied with the Director's decision on a claim submitted under this subsection may commence a contested case on the claim under Chapter 150B of the General Statutes. The contested case shall be commenced within 60 days of receiving the Director's written statement of the decision.

(c1) A contractor who is dissatisfied with the Director's decision on a claim submitted under subsection (c) of this section may commence a contested case on the claim under Chapter 150B of the General Statutes. The contested case shall be commenced within 60 days of receiving the Director's written statement of the decision.

(d) As to any portion of a claim that is denied by the Director, the contractor may, in lieu of the procedures set forth in the preceding subsection of this section, within six months of receipt of the Director's final decision, institute a civil action for the sum he claims to be entitled to under the contract by filing a verified complaint and the issuance of a summons in the Superior Court of Wake County or in the

superior court of any county where the work under the contract was performed. The procedure shall be the same as in all civil actions except that all issues shall be tried by the judge, without a jury.

(e) The provisions of this section are part of every contract for construction or repair work made by a board and a contractor. A provision in a contract that conflicts with this section is invalid."

Section 8. G.S. 150B-1(f) reads as rewritten:

"(f) Exemption ~~from All But Judicial Review.~~ for The University of North Carolina. -- ~~No~~ Except as provided in G.S. 143-135.3, no Article in this Chapter except Article 4 applies to The University of North Carolina."

Section 9. G.S. 143-3.3 is amended by adding a new subsection to read:

"(k) Payroll Deduction for University of North Carolina System Employees to Pay for Discretionary Privileges of University Service. -- Subject to rules adopted by the State Controller, if a constituent institution of The University of North Carolina approves a payroll deduction plan under this subsection, an employee of the constituent institution may authorize, in writing, the periodic deduction from the employee's salary or wages paid for employment by the constituent institution, of one or more designated lump sums to be applied to the cost of corresponding discretionary privileges available at employee expense from the employing institution. Discretionary privileges from the employing institution that may be paid for through this subsection include parking privileges, athletic passes, use of recreational facilities, admission to campus concert series, and access to other institutionally hosted or provided entertainments, events, and facilities."

Section 10. G.S. 143-135.1 reads as rewritten:

"**§ 143-135.1. State buildings exempt from county and municipal building requirements; consideration of recommendations by counties and municipalities.**

(a) Buildings constructed by the State of North Carolina or by any agency or institution of the State in accordance with plans and specifications approved by the Department of Administration or by The University of North Carolina or one of its affiliated or constituent institutions pursuant to G.S. 116-31.11 shall not be subject to inspection by any county or municipal authorities and shall not be subject to county or municipal building codes and requirements.

(b) Inspection fees fixed by counties and municipalities shall not be applicable to such construction by the State of North Carolina. County and municipal authorities may inspect any plans or specifications upon their request to the Department of ~~Administration,~~ Administration or, with respect to projects under G.S. 116-31.11, The University of North Carolina, and any and all recommendations made by them shall be given ~~consideration by the Department of Administration.~~ consideration. Requests by county and municipal authorities to inspect plans and specifications for State projects shall be on the basis of a specific project. Should any agency or institution of the State require the services of county or municipal authorities, notice shall be given for the need of such services, and appropriate fees for such services shall be paid to the county or municipality; provided, however, that the application for such services to be rendered by any county or municipality shall have prior written approval of the

Department of ~~Administration.~~ Administration, or with respect to projects under G.S. 116-31.11, The University of North Carolina.

(c) Notwithstanding any law to the contrary, including any local act, no county or municipality may impose requirements that exceed the North Carolina State Building Code regarding the design or construction of buildings constructed by the State of North Carolina."

Section 11. G.S. 133-1.1(d) reads as rewritten:

"(d) On projects on which no registered architect or engineer is required pursuant to the provisions of this section, the governing board or awarding authority shall require a certificate of compliance with the State Building Code from the city or county inspector for the specific trade or trades involved or from a registered architect or engineer, except that the provisions of this subsection shall not apply on projects (i) wherein plans and specifications are approved by the Department of Administration, Division of State Construction, and the completed project is inspected by the Division of State Construction and the State Electrical Inspector, ~~or on projects~~ (ii) that are exempt from the State Building ~~Code.~~ Code, or (iii) that are subject to G.S. 116-31.11 and the completed project is inspected by the State Electrical Inspector and by The University of North Carolina or its constituent or affiliated institution."

Section 12. (a) The Office of State Budget and Management and the State Building Commission shall evaluate the process and quality of construction completed under G.S. 116-31.11 as enacted by this act. The evaluation shall include an analysis of the time required to complete projects, project savings or costs, necessary increases or decreases in staffing, if any, any other benefits or detriments regarding the delegation of authority under G.S. 116-31.11; recommendations regarding the continuance of the delegated powers, continuance with modifications, expansion, or discontinuance. The Office of State Budget and Management and the State Building Commission shall jointly report their findings and recommendations to the Board of Governors of The University of North Carolina and to the General Assembly by April 15, 2001.

(b) The Board of Governors of The University of North Carolina shall report to the Joint Legislative Commission on Governmental Operations, the State Building Commission, and the Director of the Budget no later than December 1, 1997, on the procedures it intends to implement pursuant to G.S. 116-31.11, as enacted in Section 1 of this act. The State Building Commission shall report to the General Assembly no later than June 1, 1998, with respect to action taken pursuant to G.S. 116-31.11(a)(3) and (b).

Section 13. The Office of State Budget and Management shall evaluate the effectiveness and efficiency of the increase of the purchasing benchmark and its delegation to the special responsibility constituent institutions under G.S. 116-31.10 and other agencies under G.S. 143-53.1 and G.S. 143-53(a)(2). In its evaluation, the Office of State Budget and Management shall consider such factors as costs of goods and services purchased, administrative costs, effective time for completion of the purchasing process, agency satisfaction, vendor reactions, and other factors it deems

appropriate. The Office of State Budget and Management shall report its findings and recommendations to the General Assembly by April 15, 2001.

Section 14. This section and Section 12(b) of this act are effective when they become law. Section 5.1 becomes effective July 1, 2001. The remainder of this act becomes effective January 1, 1998. Sections 5, 6, 7, 8, 10, and 11 of this act and G.S. 116-31.11, as enacted by Section 1 of this act, expire July 1, 2001.

A BILL TO BE ENTITLED

AN ACT TO PROVIDE GREATER FLEXIBILITY TO THE UNIVERSITY OF NORTH CAROLINA IN NEGOTIATING CERTAIN CONTRACTS AND CAPITAL PROJECTS, TO INCREASE THE BENCHMARK FOR PURCHASES BY THE UNIVERSITY OF NORTH CAROLINA AND OTHER STATE AGENCIES, AND TO AUTHORIZE EMPLOYEE PAYROLL DEDUCTIONS FOR CERTAIN DISCRETIONARY PRIVILEGES OF UNIVERSITY SERVICE AT THE UNIVERSITY OF NORTH CAROLINA.

The General Assembly of North Carolina enacts:

Section 1. Article 1 of Chapter 116 of the General Statutes is amended by adding two new sections to read:

"**§ 116-31.10. Powers of Board regarding certain purchasing contracts.**

Notwithstanding G.S. 143-53.1 or G.S. 143-53(a)(2), the expenditure benchmark for a special responsibility constituent institution with regard to competitive bid procedures and the bid value benchmark shall be an amount not greater than two hundred fifty thousand dollars ($250,000). The Board shall set the benchmark for each institution from time to time. In setting an institution's benchmark in accordance with this section, the Board shall consider the institution's overall capabilities including staff resources, purchasing compliance reviews, and audit reports. The Board shall also consult with the Director of the Division of Purchase and Contract and the Director of the Budget prior to setting the benchmark.

"**§ 116-31.11. Powers of Board regarding certain fee negotiations, contracts, and capital improvements.**

(a) With regard to buildings at The University of North Carolina, the Board shall conduct the fee negotiations and supervise the letting of all contracts for the design, construction, or renovation for the following:

(1) Open-end design agreements.

(2) Individual projects if the project costs three hundred thousand dollars ($300,000) or less and is designed under the terms of an open-end design agreement.

(3) Minor individual capital improvements projects costing five hundred thousand dollars ($500,000) or less.

(b) The Board may delegate its authority under subsection (a) of this section to the affected constituent institution if the institution is qualified under university procedures approved by the State Building Commission.

(c) All duties and responsibilities of the Department of Administration and the Director of the Office of State Construction of the Department of Administration set forth respectively in G.S. 143-341(3) and G.S. 143-135.3 are delegated to the Board for capital improvements projects of The University of North Carolina costing one million dollars ($1,000,000) or less.

The Board of Governors shall determine, in consultation with the State Building Commission and the Director of the Budget, the extent to which this authority may be further delegated to the constituent institutions."

Section 2. G.S. 143-52 reads as rewritten:

"**§ 143-52. Competitive bidding procedure; consolidation of estimates by Secretary; bids; awarding of contracts.**

As feasible, the Secretary of Administration will compile and consolidate all such estimates of supplies, materials, printing, equipment and contractual services needed and required by State departments, institutions and agencies to determine the total requirements of any given commodity. Where such total requirements will involve an expenditure in excess of the expenditure benchmark established under the provisions of G.S. 143-53.1 and where the competitive bidding procedure is employed as hereinafter provided, sealed bids shall be solicited by advertisement in a newspaper ~~of statewide circulation~~ widely distributed in this State or through electronic means, or both, as determined by the Secretary to be most advantageous, at least once and at least 10 days prior to the date designated for opening. ~~opening of the bids and awarding of the contract. Provided, other methods of advertisement may be adopted by the Secretary of Administration when such other method is deemed more advantageous for certain items or commodities. Regardless of the amount of the expenditure, under the competitive bidding procedure it shall be the duty of the Secretary of Administration to solicit bids direct by mail from qualified sources of supply.~~ Except as otherwise provided under this Article, contracts for the purchase of supplies, materials or equipment shall be based on competitive bids and acceptance made of the lowest and best bid(s) most advantageous to the State as determined upon consideration of the following criteria: prices offered; the quality of the articles offered; the general reputation and performance capabilities of the bidders; the substantial conformity with the specifications and other conditions set forth in the

request for bids; the suitability of the articles for the intended use; the personal or related services needed; the transportation charges; the date or dates of delivery and performance; and such other factor(s) deemed pertinent or peculiar to the purchase in question, which if controlling shall be made a matter of record. Competitive bids on such contracts shall be received in accordance with rules and regulations to be adopted by the Secretary of Administration, which rules and regulations shall prescribe for the manner, time and place for proper advertisement for such bids, the time and place when bids will be received, the articles for which such bids are to be submitted and the specifications prescribed for such articles, the number of the articles desired or the duration of the proposed contract, and the amount, if any, of bonds or certified checks to accompany the bids. Bids shall be publicly opened. Any and all bids received may be rejected. Each and every bid conforming to the terms of the invitation, together with the name of the bidder, shall be tabulated ~~or otherwise entered as a matter of record, and all such records with the name of the successful bidder indicated thereon shall, after the award of the contract, be open to public inspection.~~ and that tabulation shall become public record in accordance with the rules adopted by the Secretary. All contract information shall be made a matter of public record after the award of contract. Provided, that trade secrets, test data and similar proprietary information may remain confidential. A bond for the faithful performance of any contract may be required of the successful bidder at bidder's expense and in the discretion of the Secretary of Administration. After contracts have been awarded, the Secretary of Administration shall certify to the departments, institutions and agencies of the State government the sources of supply and the contract price of the supplies, materials and equipment so contracted for. Prior to adopting other methods of advertisement under this section, the Secretary of Administration may consult with the Advisory Budget Commission. Prior to adopting rules and regulations under this section, the Secretary of Administration may consult with the Advisory Budget Commission."

Section 3. G.S. 143-53(a) reads as rewritten:

"(a) The Secretary of Administration may adopt rules governing the following:

(1) Prescribing the routine and procedures to be followed in canvassing bids and awarding contracts, and for reviewing decisions made pursuant thereto, and the decision of the reviewing body shall be the final administrative review.

(2) Prescribing ~~routine~~ routine, including consistent contract language, for securing bids on items that do not exceed the bid value benchmark established under the provisions of G.S. ~~143-53.1.~~ 143-53.1 or G.S. 116-31.10.

The purchasing delegation for securing offers, (excluding the special responsibility constituent institutions of The University of North Carolina), for each State department, institution, agency, community college, and public school administrative unit shall be determined by the Director of the Division of Purchase and Contract. For the State agencies this shall be done following the

Director's consultation with the State Budget Officer and the State Auditor. The Director for the Division of Purchase and Contract may set or lower the delegation, or raise the delegation upon written request by the agency, after consideration of their overall capabilities, including staff resources, purchasing compliance reviews, and audit reports of the individual agency. The routine prescribed by the Secretary shall include contract award protest procedures and consistent requirements for advertising of solicitations for securing offers issued by State departments, institutions, universities (including the special responsibility constituent institutions of The University of North Carolina), agencies, community colleges, and the public school administrative units.

(3) Defining contractual services for the purposes of G.S. ~~143-49(3).~~ 143-49(3) and G.S. 143-49(5).

(4) Prescribing items and quantities, and conditions and procedures, governing the acquisition of goods and services which may be delegated to departments, institutions and agencies, notwithstanding any other provisions of this Article.

(5) Prescribing conditions under which purchases and contracts for the purchase, rental or lease of equipment, materials, supplies or services may be entered into by means other than competitive bidding.

(6) Prescribing conditions under which partial, progressive and multiple awards may be made.

(7) Prescribing conditions and procedures governing the purchase of used equipment, materials and supplies.

(8) Providing conditions under which bids may be rejected in whole or in part.

(9) Prescribing conditions under which information submitted by bidders or suppliers may be considered proprietary or confidential.

(10) Prescribing procedures for making purchases under programs involving participation by two or more levels or agencies of government, or otherwise with funds other than State-appropriated.

(11) Prescribing procedures to encourage the purchase of North Carolina farm products, and products of North Carolina manufacturing enterprises.

(12) Repealed by Session Laws 1987, c. 827, s. 216."

Section 4. G.S. 143-53.1 reads as rewritten:

"**§ 143-53.1. Setting of benchmarks; increase by Secretary.**

On and after July 1, ~~1990,~~ 1997, the ~~expenditure benchmark~~ procedures prescribed by G.S. 143-52 with respect to competitive ~~bid procedures~~ bids and the bid value benchmark authorized by G.S. ~~143-53(2)~~ 143-53(a)(2) with respect to rule making by the Secretary of Administration for competitive bidding shall be ~~ten~~

~~thousand dollars ($10,000);~~ no more than twenty-five thousand dollars ($25,000); provided, the Secretary of Administration may, in his or her discretion, increase the benchmarks effective as of the beginning of any fiscal biennium of the State commencing after June 30, ~~1992,~~ 1999, in an amount whose increase, expressed as a percentage, does not exceed the rise in the Consumer Price Index during the fiscal biennium next preceding the effective date of the benchmark increase. For a special responsibility constituent institution of The University of North Carolina, the benchmark prescribed in this section shall be ~~thirty-five thousand dollars ($35,000).~~ as provided in G.S. 116-31.10."

Section 5. G.S. 143-341(3) reads as rewritten:

"(3) Architecture and Engineering:

a. To examine and approve all plans and specifications for the construction or renovation of:

1. All State buildings; and
2. All community college buildings requiring the estimated expenditure for construction or repair work for which public bidding is required under G.S. 143-129

prior to the awarding of a contract for such work; and to examine and approve all changes in those plans and specifications made after the contract for such work has been awarded.

b. To prepare preliminary studies and cost estimates and otherwise to assist all agencies in the preparation of requests for appropriations for the construction or renovation of all State buildings.

c. To supervise the letting of all contracts for the design, construction or renovation of all State buildings and all community college buildings whose plans and specifications must be examined and approved under a.2. of this ~~subdivision.~~ subdivision, except as provided in G.S. 116-31.11.

d. To supervise and inspect all work done and materials used in the construction or renovation of all State buildings and all community college buildings whose plans and specifications must be examined and approved under a.2. of this subdivision; and no such work may be accepted by the State or by any State agency until it has been approved by the Department.

e. With respect to capital improvements projects of The University of North Carolina, all duties and responsibilities of the Department set forth in subdivision (3) of this section, are delegated to the Board of Governors of The University

of North Carolina to the extent provided by G.S. 116-31.11(c)."

Section 6. G.S. 143-64.34 reads as rewritten:

"**§ 143-64.34. Exemption of certain State Capital Improvement Projects.**

State Capital Improvement Projects under the jurisdiction of the State Building Commission where the estimated expenditure of public money is less than ~~fifty thousand dollars ($50,000)~~ one hundred thousand dollars ($100,000) are exempt from the provisions of this Article. Further, with respect to capital improvement projects for The University of North Carolina, including its constituent institutions and the North Carolina School of Science and Mathematics, individual projects having estimated expenditures of public money of three hundred thousand dollars ($300,000) or less are exempt from the provisions of this Article provided that the architectural, engineering, and surveying services to be rendered are included under the provisions of an open-end design agreement that has been publicly announced."

Section 7. G.S. 143-135.3 is amended by adding a new subsection to read:

"(f) With respect to capital improvement projects of The University of North Carolina costing one million dollars ($1,000,000) or less, all duties and responsibilities of the Department of Administration set forth in this section are delegated to the Board of Governors of The University of North Carolina."

Section 8. G.S. 143-3.3 is amended by adding a new subsection to read:

"(k) Payroll Deduction for University of North Carolina System Employees to Pay for Discretionary Privileges of University Service. -- Subject to rules adopted by the State Controller, if a constituent institution of The University of North Carolina approves a payroll deduction plan under this subsection, an employee of the constituent institution may authorize, in writing, the periodic deduction from the employee's salary or wages paid for employment by the constituent institution, of one or more designated lump sums to be applied to the cost of corresponding discretionary privileges available at employee expense from the employing institution. Discretionary privileges from the employing institution that may be paid for through this subsection include parking privileges, athletic passes, use of recreational facilities, admission to campus concert series, and access to other institutionally hosted or provided entertainments, events, and facilities."

Section 9. The Office of State Budget and Management shall evaluate the process and quality of construction completed under G.S. 116-31.11 as enacted by this act. The evaluation shall include an analysis of the time required to complete projects, project savings or costs, necessary increases or decreases in staffing, if any, any other benefits or detriments regarding the delegation of authority under G.S. 116-31.11; recommendations regarding the continuance of the delegated powers, their continuance with modifications, their expansion, or their discontinuance. The Office of State Budget and Management shall report its findings and recommendations to the Board of Governors of The University of North Carolina and to the General Assembly by April 15, 2001.

Section 10. The Office of State Budget and Management shall evaluate the effectiveness and efficiency of the increase of the purchasing benchmark and its delegation to the special responsibility constituent institutions under G.S. 116-31.10 and other agencies under G.S. 143-53.1 and G.S. 143-53(a)(2). In its evaluation the Office of State Budget and Management shall consider such factors as costs of goods and services purchased, administrative costs, effective time for completion of the purchasing process, agency satisfaction, vendor reactions, and other factors it deems appropriate. The Office of State Budget and Management shall report its findings and recommendations to the General Assembly by April 15, 2001.

Section 11. This act is effective when it becomes law. G.S. 116-31.11(c), as enacted by Section 1 of this act, shall expire July 1, 2001.

A BILL TO BE ENTITLED

AN ACT AUTHORIZING THE CITY OF KINGS MOUNTAIN TO ANNEX CERTAIN NONCONTIGUOUS PROPERTY, PROHIBITING THE CITY FROM RESTRICTING RECREATIONAL USES OF MOSS LAKE, AND REQUIRING THE CITY TO CREATE AN AUTHORITY TO ADDRESS ISSUES RELATED TO MOSS LAKE.

The General Assembly of North Carolina enacts:

Section 1. Notwithstanding the provisions of G.S. 160A-58.7 and G.S. 160A-58.1(b), the City of Kings Mountain may annex under Part 4 of Article 4A of Chapter 160A of the General Statutes the property on which the John Henry Moss Water Treatment Plant and Moss Lake Dam are situated.

Section 2. The boundaries of any area annexed under this act shall not be considered the primary corporate limits of the City for the purpose of Part 4 of Article 4A of Chapter 160A of the General Statutes, and shall not be considered the boundary of the municipality for the purpose of Part 1, 2, or 3 of that Article, even if the area becomes contiguous due to annexation of the intervening property.

Section 3. Except as provided in Chapter 166A of the General Statutes, the City of Kings Mountain may not restrict recreational uses of Moss Lake that are allowed on June 1, 1997. Except as provided by Chapter 166A of the General Statutes or any safety ordinances, homeowners who are current on any fees or assessments shall have unlimited access to the waterfront.

Homeowners may make improvements on the control strip that both enhance recreational use of the lake and do not violate any city ordinance in effect on June 1, 1997.

Section 4. (a) The City of Kings Mountain may charge owners of property situated on the waterfront of Moss Lake a user fee for the use of the eight-foot control strip of property around the lake and for recreational use of the lake. However, the fee may not exceed the amount determined by the audit under Section 6 of this act to cover expenses that primarily and directly benefit the property owners. This is to be a pro rata share of all items determined by the audit under Section 6 of this act as recreation expense impacted by waterfront homeowners usage, nonwaterfront lake homeowners who use the lake for recreational purposes, and nonwaterfront recreational users.

(b) Notwithstanding subsection (a) of this section, the fees authorized by subsection (a) of this section may not be used for expenses relating to:

(1) Public swimming areas and buildings utilized for public swimming and concessions for public swimming; or

(2) Water treatment and reservoir functions.

These items are the responsibility of the City of Kings Mountain.

(c) In any case where expenses are to be prorated, the amount to be charged to user fees shall be determined by the City of Kings Mountain subject to change based on the audit findings as provided by Section 6 of this act.

(d) When establishing a fee schedule as authorized by this section, the component of the fee relating to lot ownership shall provide for an equal fee per lot for all developed lots.

(e) The City shall establish and maintain a separate fund for all user fees collected from Moss Lake property owners and nonresident fees for use of recreation facilities at Moss Lake. The expenditure of these fees is limited to operation of Moss Lake and cannot be transferred to any other fund of the City.

Section 5. There is established the Moss Lake Authority which shall consist of two members of the Kings Mountain City Council appointed by that Council, one member of the Cleveland County Board of Commissioners appointed by that Board, and two members of the Moss Lake Property Owners' Association appointed by that Association. Members shall serve for a term of three years, except that the city clerk of the City of Kings Mountain shall randomly designate two of the initial members to serve initial two-year terms and one of the initial members to serve an initial one-year term. The Authority shall be responsible for addressing issues related to user fees, lake patrol, and the operation, maintenance, and improvement of the Lake. The Authority shall report and make recommendations on these issues to the Kings Mountain City Council.

Section 6. (a) Prior to August 30, 1997, the Moss Lake Authority shall cause an independent audit to be conducted of the City of Kings Mountain expenses related to Moss Lake to determine whether fees that will be charged to property owners by the City for the use of the Lake during the 1997-98 fiscal year and in

future years are fair and equitable. The Authority shall authorize an independent audit of the City's expenses related to Moss Lake to be conducted every two years.

(b) The audit shall include an assessment of the cost of services provided to the property owners by the City, including security and cleanup costs. If the audit finds that property owners are being charged excessive fees, the City shall reimburse the property owners the amount that is determined to be excessive. If it is found that property owners are being charged less than a fair and equitable fee, the City shall bill the property owners for the difference as a special assessment. The cost of the audits shall be paid from fees paid by the property owners to the City.

(c) The Moss Lake Authority shall determine an equitable method for allocation of pro rata cost based on boat registration for homeowners of lakefront property and nonlake resident registration from 1996 accounting reports of the City of Kings Mountain.

(d) Fees shall be equitable for property owners and nonproperty owners and for assessment of fees for all boats, whether fishing and recreational.

Section 7. This act becomes effective July 1, 1997.

April 3, 1997

A BILL TO BE ENTITLED

AN ACT EXTENDING RIGHTS TO PETITION OR INITIATE ANNEXATION BY RESOLUTION FOR VOLUNTARY NONCONTIGUOUS ANNEXATION INTO THE CITY OF KINGS MOUNTAIN.

The General Assembly of North Carolina enacts:

Section 1. (a) Notwithstanding the provisions of G.S. 160A-58.7 and G.S. 160A-58.1(b) a city may annex any noncontiguous area provided it meets all of the following standards:

(1) The area proposed for annexation must be owned by the annexing city.

(2) The nearest point on the proposed satellite corporate limits must not be more than five and one-half miles from the primary corporate limits of the annexing city.

(3) No point on the proposed satellite corporate limits may be closer to the primary corporate limits of another city than to the primary corporate limits of the annexing city unless the other city consents to the same by ordinance.

(4) The area must be so situated that the annexing city will be able to provide the same services within the proposed satellite corporate limits that it provides within its primary corporate limits.

(5) The area within the proposed satellite corporate limits shall not be counted toward the ten percent (10%) noncontiguous annexation areas as set forth in G.S. 160A-53.1(b)(5).

(b) The boundaries of any area annexed under this act shall not be considered the primary corporate limits of the city for the purpose of Part 4 of Article 4A of Chapter 160A of the General Statutes, and shall not be considered the boundary of the municipality for the purpose of Part 1, 2, or 3 of that Article, even if the area becomes contiguous due to annexation of the intervening property.

Section 2. This act applies to the City of Kings Mountain only.

Section 3. This act is effective when it becomes law.

Finance Committee Substitute No. 2 Adopted 5/20/97
Proposed House Committee Substitute S660-PCS6687

Short Title: License Athletic Trainers. (Public)

Sponsors:

Referred to:

April 2, 1997

A BILL TO BE ENTITLED

AN ACT TO LICENSE ATHLETIC TRAINERS.

The General Assembly of North Carolina enacts:

Section 1. Chapter 90 of the General Statutes is amended by adding a new Article to read:

"ARTICLE 33.

"Athletic Trainers.

"**§ 90-512. Title; purpose.**

(a) This Article may be cited as the 'Athletic Trainers Licensing Act'.

(b) The practice of athletic trainer services affects the public health, safety, and welfare. Licensure of the practice of athletic trainer services is necessary to ensure minimum standards of competency and to provide the public with safe athletic trainer services. It is the purpose of this Article to provide for the regulation of persons offering athletic trainer services.

"**§ 90-513. Definitions.**

The following definitions apply in this Article:

(1) Athletic trainer. -- A person who, under a written protocol with a physician licensed under Article 1 of Chapter 90 of the General Statutes and filed with the North Carolina Medical Board, carries out the practice of care, prevention, and rehabilitation of injuries incurred by athletes, and who, in carrying out these functions, may

use physical modalities, including heat, light, sound, cold, electricity, or mechanical devices related to rehabilitation and treatment. A committee composed of two members of the North Carolina Medical Board and two members of the North Carolina Board of Athletic Trainer Examiners shall jointly define by rule the content, format, and minimum requirements for the written protocol required by this subdivision. The members shall be selected by their respective boards. The decision of this committee shall be binding on both Boards unless changed by mutual agreement of both Boards.

(2) Board. -- The North Carolina Board of Athletic Trainer Examiners as created by G.S. 90-514.

(3) License. -- A certificate that evidences approval by the Board that a person has successfully completed the requirements set forth in G.S. 90-518 entitling the person to perform the functions and duties of an athletic trainer.

"**§ 90-514. Board of Examiners created.**

(a) The North Carolina Board of Athletic Trainer Examiners is created.

(b) Composition and Terms. -- The Board shall consist of seven members who shall serve staggered terms. Four members shall be athletic trainers certified by the National Athletic Trainers' Association Board of Certification, Inc. One member shall be a licensed orthopedic surgeon, one member shall be a licensed family practice physician or pediatrician, and one member shall represent the public at large.

The initial Board members shall be selected on or before August 1, 1997, as follows:

(1) The General Assembly, upon the recommendation of the President Pro Tempore of the Senate, shall appoint two certified athletic trainers and an orthopedic surgeon. The certified athletic trainers shall serve for terms of three years, and the orthopedic surgeon shall serve for a term of one year.

(2) The General Assembly, upon the recommendation of the Speaker of the House of Representatives, shall appoint two certified athletic trainers and a family practice physician or pediatrician. The certified athletic trainers and the family practice physician or pediatrician shall serve for terms of two years.

(3) The Governor shall appoint for a three-year term a public member to the Board.

Upon the expiration of the terms of the initial Board members, each member shall be appointed for a term of three years and shall serve until a successor is appointed. No member may serve more than two consecutive full terms.

(c) Qualifications. -- The athletic trainer members shall hold current licenses and shall reside or be employed in North Carolina. They shall have at least five years' experience as athletic trainers, including the three years immediately preceding

appointment to the Board, and shall remain in active practice and in good standing with the Board as a licensee during their terms. The first athletic trainers appointed to the Board pursuant to this section shall be eligible for licensure under G.S. 90-519 and, upon appointment, shall immediately apply for a license.

(d) Vacancies. -- A vacancy shall be filled in the same manner as the original appointment, except that all unexpired terms of Board members appointed by the General Assembly shall be filled in accordance with G.S. 120-122 and shall be filled within 45 days after the vacancy occurs. Appointees to fill vacancies shall serve the remainder of the unexpired term and until their successors have been duly appointed and qualified.

(e) Removal. -- The Board may remove any of its members for neglect of duty, incompetence, or unprofessional conduct. A member subject to disciplinary proceedings as a licensee shall be disqualified from participating in the official business of the Board until the charges have been resolved.

(f) Compensation. -- Each member of the Board shall receive per diem and reimbursement for travel and subsistence as provided in G.S. 93B-5.

(g) Officers. -- The officers of the Board shall be a chair, who shall be a licensed athletic trainer, a vice-chair, and other officers deemed necessary by the Board to carry out the purposes of this Article. All officers shall be elected annually by the Board for one-year terms and shall serve until their successors are elected and qualified.

(h) Meetings. -- The Board shall hold at least two meetings each year to conduct business and to review the standards and rules for improving athletic training services. The Board shall establish the procedures for calling, holding, and conducting regular and special meetings. A majority of Board members constitutes a quorum.

"**§ 90-515. Powers of the Board.**

The Board shall have the power and duty to:

(1) Administer this Article.

(2) Issue interpretations of this Article.

(3) Adopt, amend, or repeal rules as may be necessary to carry out the provisions of this Article.

(4) Employ and fix the compensation of personnel that the Board determines is necessary to carry into effect the provisions of this Article and incur other expenses necessary to effectuate this Article.

(5) Examine and determine the qualifications and fitness of applicants for licensure, renewal of licensure, and reciprocal licensure.

(6) Issue, renew, deny, suspend, or revoke licenses and carry out any disciplinary actions authorized by this Article.

(7) In accordance with G.S. 90-524, set fees for licensure, license renewal, and other services deemed necessary to carry out the purposes of this Article.

(8) Conduct investigations for the purpose of determining whether violations of this Article or grounds for disciplining licensees exist.
(9) Maintain a record of all proceedings and make available to licensees and other concerned parties an annual report of all Board action.
(10) Develop standards and adopt rules for the improvement of athletic training services in the State.
(11) Adopt a seal containing the name of the Board for use on all licenses and official reports issued by it.

"§ 90-516. Custody and use of funds; contributions.

(a) All fees payable to the Board shall be deposited in the name of the Board in financial institutions designated by the Board as official depositories and shall be used to pay all expenses incurred in carrying out the purposes of this Article.

(b) The Board may accept grants, contributions, bequests, and gifts that shall be kept in a separate fund and shall be used by it to enhance the practice of athletic trainers.

"§ 90-517. License required; exemptions from license requirement.

(a) On or after January 1, 1998, no person shall practice or offer to practice as an athletic trainer, perform activities of an athletic trainer, or use any card, title, or abbreviation to indicate that the person is an athletic trainer unless that person is currently licensed as provided by this Article.

(b) The provisions of this Article do not apply to:

(1) Licensed, registered, or certified professionals, such as nurses, physical therapists, and chiropractors if they do not hold themselves out to the public as athletic trainers.
(2) A physician licensed under Article 1 of Chapter 90 of the General Statutes.
(3) A person serving as a student-trainer or in a similar position under the supervision of a physician or licensed athletic trainer.
(4) An athletic trainer who is employed by, or under contract with, an organization, corporation, or educational institution located in another state and who is representing that organization, corporation, or educational institution at an event held in this State.

"§ 90-518. Application for license; qualifications; issuance.

(a) An applicant for a license under this Article shall make a written application to the Board on a form approved by the Board and shall submit to the Board an application fee along with evidence that demonstrates good moral character and graduation from an accredited four-year college or university in a course of study approved by the Board.

(b) The applicant shall also pass the examination administered by the National Athletic Trainers' Association Board of Certification, Inc.

(c) When the Board determines that an applicant has met all the qualifications for licensure and has submitted the required fee, the Board shall issue a license to the

applicant. A license is valid for a period of one year from the date of issuance and may be renewed subject to the requirements of this Article.

"§ 90-519. Athletic trainers previously certified.

The Board shall issue a license to practice as an athletic trainer to a person who applies to the Board on or before August 1, 1998, and furnishes to the Board on a form approved by the Board proof of good moral character, graduation from an accredited four-year college or university in a course of study approved by the Board, and a current certificate from the National Athletic Trainers' Association Board of Certification, Inc.

"§ 90-520. Athletic trainers not certified.

(a) A person who has been actively engaged as an athletic trainer since August 1, 1994, and who continues to practice up to the time of application, shall be eligible for licensure without examination by paying the required fee and by demonstrating the following:

(1) Proof of good moral character.

(2) Proof of practice in this State since August 1, 1994.

(3) Proof of graduation from an accredited four-year college or university in a course of study approved by the Board.

(4) Fulfillment of any other requirements set by the Board.

An application made pursuant to this section shall be filed with the Board on or before August 1, 1998.

(b) A person is 'actively engaged' as an athletic trainer if the person is a salaried employee of, or has contracted with, an educational institution, an industry, a hospital, a rehabilitation clinic, or a professional athletic organization or another bona fide athletic organization and the person performs the duties of an athletic trainer.

"§ 90-521. Reciprocity with other states.

A license may be issued to a qualified applicant holding an athletic trainer license in another state if that state recognizes the license of this State in the same manner.

"§ 90-522. License renewal.

Every license issued under this Article shall be renewed during the month of January. On or before the date the current license expires, any person who desires to continue practice shall apply for a license renewal and shall submit the required fee. Licenses that are not renewed shall automatically lapse. In accordance with rules adopted by the Board, a license that has lapsed may be reissued within five years from the date it lapsed. A license that has been expired for more than five years may be reissued only in a manner prescribed by the Board.

"§ 90-523. Continuing education.

(a) As a condition of license renewal, a licensee must meet the continuing education requirements set by the Board. The Board shall determine the number of hours and subject matter of continuing education required as a condition of license renewal. The Board shall determine the qualifications of a provider of an educational program that satisfies the continuing education requirement.

(b) The Board shall grant approval to a continuing education program or course upon finding that the program or course offers an educational experience designed to enhance the practice of athletic trainer, including the continuing education program of the National Athletic Trainers' Association.

(c) If a continuing education program offers to teach licensees to perform advanced skills, the Board may grant approval for the program when it finds that the nature of the procedure taught in the program and the program facilities and faculty are such that a licensee fully completing the program can reasonably be expected to carry out those procedures safely and properly.

"§ 90-524. Expenses and fees.

(a) All salaries, compensation, and expenses incurred or allowed to carry out the purposes of this Article shall be paid by the Board exclusively out of the fees received by the Board as authorized by this Article or funds received from other sources. In no case shall any salary, expense, or other obligation of the Board be charged against the State treasury.

(b) The schedule of fees shall not exceed the following:

(1)	Issuance of a license	$100.00
(2)	License renewal	50.00
(3)	Reinstatement of lapsed license	75.00
(4)	Reasonable charges for duplication services and material.	

"§ 90-525. Hiring of athletic trainers by school units.

Local school administrative units may hire persons who are not licensed under this Article. The persons hired may perform the activities of athletic trainers in the scope of their employment but may not claim to be licensed under this Article. The persons hired may not perform the activities of athletic trainers outside the scope of this employment unless they are authorized to do so under G.S. 90-517(b).

"§ 90-526. Disciplinary authority of the Board; administrative proceedings.

(a) Grounds for disciplinary action against a licensee shall include the following:

(1) Giving false information or withholding material information from the Board in procuring a license to practice as an athletic trainer.

(2) Having been convicted of or pled guilty or no contest to a crime that indicates that the person is unfit or incompetent to practice as an athletic trainer or that indicates that the person has deceived or defrauded the public.

(3) Having a mental or physical disability or using a drug to a degree that interferes with the person's fitness to practice as an athletic trainer.

(4) Engaging in conduct that endangers the public health.

(5) Being unfit or incompetent to practice as an athletic trainer by reason of deliberate or negligent acts or omissions regardless of whether actual injury to a patient is established.

(6) Willfully violating any provision of this Article or rules adopted by the Board.

(7) Having been convicted of or pled guilty or no contest to an offense under State or federal narcotic or controlled substance laws.

(b) In accordance with Article 3A of Chapter 150B of the General Statutes, the Board may require remedial education, issue a letter of reprimand, restrict, revoke, or suspend any license to practice as an athletic trainer in North Carolina or deny any application for licensure if the Board determines that the applicant or licensee has committed any of the above acts or is no longer qualified to practice as an athletic trainer. The Board may reinstate a revoked license or remove licensure restrictions when it finds that the reasons for revocation or restriction no longer exist and that the person can reasonably be expected to practice as an athletic trainer safely and properly.

"§ 90-527. Enjoining illegal practices.

If the Board finds that a person who does not have a license issued under this Article claims to be an athletic trainer or is engaging in practice as an athletic trainer in violation of this Article, the Board may apply in its own name to the Superior Court of Wake County for a temporary restraining order or other injunctive relief to prevent the person from continuing illegal practices. The court may grant injunctions regardless of whether criminal prosecution or other action has been or may be instituted as a result of a violation.

"§ 90-528. Penalties.

A person who does not have a license issued under this Article who either claims to be an athletic trainer or engages in practice as an athletic trainer in violation of this Article is guilty of a Class 1 misdemeanor. Each act of unlawful practice constitutes a distinct and separate offense.

"§ 90-529. Reports; immunity from suit.

A person who has reasonable cause to suspect misconduct or incapacity of a licensee, or who has reasonable cause to suspect that a person is in violation of this Article, shall report the relevant facts to the Board. Upon receipt of a charge, or upon its own initiative, the Board may give notice of an administrative hearing or may, after diligent investigation, dismiss unfounded charges. A person who, in good faith, makes a report pursuant to this section shall be immune from any criminal prosecution or civil liability resulting therefrom.

"§ 90-530. No third-party reimbursement required.

Nothing in this Article shall be construed to require direct third-party reimbursement to persons licensed under this Article."

Section 2. This act is effective when it becomes law.

(4) Employ and fix the compensation of personnel that the Board determines is necessary to carry into effect the provisions of this Article and incur other expenses necessary to effectuate this Article.

(5) Examine and determine the qualifications and fitness of applicants for licensure, renewal of licensure, and reciprocal licensure.

(6) Issue, renew, deny, suspend, or revoke licenses and carry out any disciplinary actions authorized by this Article.

(7) In accordance with G.S. 90-524, set fees for licensure, license renewal, and other services deemed necessary to carry out the purposes of this Article.

(8) Conduct investigations for the purpose of determining whether violations of this Article or grounds for disciplining licensees exist.

(9) Maintain a record of all proceedings and make available to licensees and other concerned parties an annual report of all Board action.

(10) Develop standards and adopt rules for the improvement of athletic training services in the State.

(11) Adopt a seal containing the name of the Board for use on all licenses and official reports issued by it.

"**§ 90-516. Custody and use of funds; contributions.**

(a) All fees payable to the Board shall be deposited in the name of the Board in financial institutions designated by the Board as official depositories and shall be used to pay all expenses incurred in carrying out the purposes of this Article.

(b) The Board may accept grants, contributions, bequests, and gifts that shall be kept in a separate fund and shall be used by it to enhance the practice of athletic trainers.

(a) On or after January 1, 1998, no person shall practice or offer to practice as an athletic trainer, perform activities of an athletic trainer, or use any card, title, or abbreviation to indicate that the person is an athletic trainer unless that person is currently licensed as provided by this Article.

(b) The prohibition against performing the activities of an athletic trainer does not apply to any of the following persons as long as they do not hold themselves out to the public as athletic trainers:

(1) A licensed, registered, or certified professional, such as a nurse, a physical therapist, and a chiropractor.

(2) A physician licensed under Article 1 of Chapter 90 of the General Statutes.

(3) A person serving as a student-trainer or in a similar position under the supervision of a physician or licensed athletic trainer.

(c) The prohibitions in subsection (a) of this section do not apply to an athletic trainer who is employed by, or under contract with, an organization, a corporation, or an educational institution located in another state and who is representing that organization, corporation, or educational institution at an event held in this State.

"**§ 90-518. Application for license; qualifications; issuance.**

(a) An applicant for a license under this Article shall make a written application to the Board on a form approved by the Board and shall submit to the Board an application fee along with evidence that demonstrates good moral character and graduation from an accredited four-year college or university in a course of study approved by the Board.

(b) The applicant shall also pass the examination administered by the National Athletic Trainers' Association Board of Certification, Inc.

(c) When the Board determines that an applicant has met all the qualifications for licensure and has submitted the required fee, the Board shall issue a license to the applicant. A license is valid for a period of one year from the date of issuance and may be renewed subject to the requirements of this Article.

"**§ 90-519. Athletic trainers previously certified.**

The Board shall issue a license to practice as an athletic trainer to a person who applies to the Board on or before August 1, 1998, and furnishes to the Board on a form approved by the Board proof of good moral character, graduation from an accredited four-year college or university in a course of study approved by the Board, and a current certificate from the National Athletic Trainers' Association Board of Certification, Inc.

"**§ 90-520. Athletic trainers not certified.**

(a) A person who has been actively engaged as an athletic trainer since August 1, 1994, and who continues to practice up to the time of application, shall be eligible for licensure without examination by paying the required fee and by demonstrating the following:

(1) Proof of good moral character.

(2) Proof of practice in this State since August 1, 1994.

(3) Proof of graduation from an accredited four-year college or university in a course of study approved by the Board.

(4) Fulfillment of any other requirements set by the Board.

An application made pursuant to this section shall be filed with the Board on or before August 1, 1998.

(b) A person is 'actively engaged' as an athletic trainer if the person is a salaried employee of, or has contracted with, an educational institution, an industry, a hospital, a rehabilitation clinic, or a professional athletic organization or another bona fide athletic organization and the person performs the duties of an athletic trainer.

"**§ 90-521. Reciprocity with other states.**

A license may be issued to a qualified applicant holding an athletic trainer license in another state if that state recognizes the license of this State in the same manner.

"**§ 90-522. License renewal.**

Every license issued under this Article shall be renewed during the month of January. On or before the date the current license expires, any person who desires to continue practice shall apply for a license renewal and shall submit the required fee. Licenses that are not renewed shall automatically lapse. In accordance with rules adopted by the Board, a license that has lapsed may be reissued within five years from the date it lapsed. A license that has been expired for more than five years may be reissued only in a manner prescribed by the Board.

"**§ 90-523. Continuing education.**

(a) As a condition of license renewal, a licensee must meet the continuing education requirements set by the Board. The Board shall determine the number of hours and subject matter of continuing education required as a condition of license renewal. The Board shall determine the qualifications of a provider of an educational program that satisfies the continuing education requirement.

(b) The Board shall grant approval to a continuing education program or course upon finding that the program or course offers an educational experience designed to enhance the practice of athletic trainer, including the continuing education program of the National Athletic Trainers' Association.

(c) If a continuing education program offers to teach licensees to perform advanced skills, the Board may grant approval for the program when it finds that the nature of the procedure taught in the program and the program facilities and faculty are such that a licensee fully completing the program can reasonably be expected to carry out those procedures safely and properly.

"**§ 90-524. Expenses and fees.**

(a) All salaries, compensation, and expenses incurred or allowed to carry out the purposes of this Article shall be paid by the Board exclusively out of the fees received by the Board as authorized by this Article or funds received from other sources. In no case shall any salary, expense, or other obligation of the Board be charged against the State treasury.

(b) The schedule of fees shall not exceed the following:

(1)	Issuance of a license	$100.00
(2)	License renewal	50.00
(3)	Reinstatement of lapsed license	75.00
(4)	Reasonable charges for duplication services and material.	

"**§ 90-525. Hiring of athletic trainers by school units.**

Local school administrative units may hire persons who are not licensed under this Article. The persons hired may perform the activities of athletic trainers in the scope of their employment but may not claim to be licensed under this Article. The persons hired may not perform the activities of athletic trainers outside the scope of this employment unless they are authorized to do so under G.S. 90-517(b).

"**§ 90-526. Disciplinary authority of the Board; administrative proceedings.**

(a) Grounds for disciplinary action against a licensee shall include the following:

(1) Giving false information or withholding material information from the Board in procuring a license to practice as an athletic trainer.

(2) Having been convicted of or pled guilty or no contest to a crime that indicates that the person is unfit or incompetent to practice as an athletic trainer or that indicates that the person has deceived or defrauded the public.

(3) Having a mental or physical disability or using a drug to a degree that interferes with the person's fitness to practice as an athletic trainer.

(4) Engaging in conduct that endangers the public health.

(5) Being unfit or incompetent to practice as an athletic trainer by reason of deliberate or negligent acts or omissions regardless of whether actual injury to a patient is established.

(6) Willfully violating any provision of this Article or rules adopted by the Board.

(7) Having been convicted of or pled guilty or no contest to an offense under State or federal narcotic or controlled substance laws.

(b) In accordance with Article 3A of Chapter 150B of the General Statutes, the Board may require remedial education, issue a letter of reprimand, restrict, revoke, or suspend any license to practice as an athletic trainer in North Carolina or deny any application for licensure if the Board determines that the applicant or licensee has committed any of the above acts or is no longer qualified to practice as an athletic trainer. The Board may reinstate a revoked license or remove licensure restrictions when it finds that the reasons for revocation or restriction no longer exist and that the person can reasonably be expected to practice as an athletic trainer safely and properly.

"**§ 90-527. Enjoining illegal practices.**

If the Board finds that a person who does not have a license issued under this Article claims to be an athletic trainer or is engaging in practice as an athletic trainer in violation of this Article, the Board may apply in its own name to the Superior Court of Wake County for a temporary restraining order or other injunctive relief to prevent the person from continuing illegal practices. The court may grant injunctions regardless of whether criminal prosecution or other action has been or may be instituted as a result of a violation.

"**§ 90-528. Penalties.**

A person who does not have a license issued under this Article who either claims to be an athletic trainer or engages in practice as an athletic trainer in violation of this Article is guilty of a Class 1 misdemeanor. Each act of unlawful practice constitutes a distinct and separate offense.

"**§ 90-529. Reports; immunity from suit.**

A person who has reasonable cause to suspect misconduct or incapacity of a licensee, or who has reasonable cause to suspect that a person is in violation of this Article, shall report the relevant facts to the Board. Upon receipt of a charge, or upon its own initiative, the Board may give notice of an administrative hearing or may, after diligent investigation, dismiss unfounded charges. A person who, in good faith, makes a report pursuant to this section shall be immune from any criminal prosecution or civil liability resulting therefrom.

"**§ 90-530. No third-party reimbursement required.**

Nothing in this Article shall be construed to require direct third-party reimbursement to persons licensed under this Article."

Section 2. This act is effective when it becomes law.

MEMORANDUM

TO: **House Committee on Rules**
House Subcommittee on Public Utilities

FROM: **Steven Rose, Committee Counsel for Subcommittee on Public Utilities**

RE: **Utilities Commission Appointments**

The North Carolina Utilities Commission consists of seven commissioners who are appointed for eight year terms. Commissioners are appointed by the Governor and must be confirmed by the General Assembly by Joint Resolution.

A Utilities Commissioner is paid the same salary as a Superior Court Judge, $90,915 at present. There are fixed salary increases based upon length of service on the Utilities Commission, 4.8% after five years of service and 9.6% after ten years. Members of the Utilities Commission are subject to the same standards of conduct as a judge. They may be removed during their term of office only for cause, by impeachment.

During service on the Commission, a Commissioner may not engage in any other employment, business, profession or vocation. During the term of office the Commissioner may

not be associated in any way with any public utility company, including ownership of any interest.

The General Assembly created the Utilities Commission and establishes policies which the Commission carries out, usually with broad discretion. The Commission is both a regulator of public utilities, as well as a judge in all contested matters relating to public utilities. Decisions of the Utilities Commission are appealable directly to the North Carolina Court of Appeals, with the exception of general rate cases, which are appealable directly to the North Carolina Supreme Court.

The North Carolina Utilities Commission regulates the rates and services of the intrastate operations of public utilities supplying electricity, gas, telecommunications services, water and sewer services, taxis, buses, trains, trucking services, express package and mail services, and radio common carriers. The extent of this regulation varies from utility to utility, and there are limitations imposed by federal law. The Commission hears and decides proceedings relating to the issuance of utility franchises, the construction of electric generating plants, the setting of utility rates, the adjustment of electric utility rates based upon fuel cost changes, the adjustment of natural gas rates based upon changes in the cost of natural gas, the provision of new utility services, and the adjudication of complaints concerning the services of public utilities. Again, the extent of the Commission's jurisdiction varies from utility to utility and is effected in some cases by federal law.

ARTICLE 2.

Organization of Utilities Commission.

§ 62-10. Number; appointment; terms; qualifications; chairman; vacancies; compensation; other employment prohibited.

(a) The North Carolina Utilities Commission shall consist of seven commissioners who shall be appointed by the Governor subject to confirmation by the General Assembly by joint resolution. The names of commissioners to be appointed by the Governor shall be submitted by the Governor to the General Assembly for confirmation by the General Assembly on or before May 1, of the year in which the terms for which the appointments are to be made are to expire. Upon failure of the Governor to submit names as herein provided, the Lieutenant Governor and Speaker of the House jointly shall submit the names of a like number of commissioners to the General Assembly on or before May 15 of the same year for confirmation by the General Assembly. Regardless of the way in which names of commissioners are submitted, confirmation of commissioners must be accomplished prior to adjournment of the then current session of the General Assembly. This subsection shall be subject to the provisions of subsection (c) of this section.

(b) The terms of the commissioners now serving shall expire at the conclusion of the term for which they were appointed which shall remain as before with two regular eight-year terms expiring on July 1 of each fourth year after July 1, 1965, and the fifth term expiring on July 1 of each eighth year after July 1, 1963. The terms of office of utilities commissioners thereafter shall be eight years commencing on July 1 of the year in which the predecessor terms expired, and ending on July 1 of the eighth year thereafter.

(c) In order to increase the number of commissioners to seven, the names of two additional commissioners shall be submitted to the General Assembly on or before May 27, 1975, for confirmation by the General Assembly as provided in G.S. 62-10(a). The commissioners so appointed and confirmed shall serve new terms commencing on July 1, 1975, one of which shall be for a period of two years (with the immediate successor serving for a period of six years), and one of which shall be for a period of two years.

Thereafter, the terms of office of the additional commissioners shall be for eight years as provided in G.S. 62-10(b).

(d) A commissioner in office shall continue to serve until his successor is duly confirmed and qualified but such holdover shall not affect the expiration date of such succeeding term.

(e) On July 1, 1965, and every four years thereafter, one of the commissioners shall be designated by the Governor to serve as chairman of the Commission for the succeeding four years and until his successor is duly confirmed and qualifies. Upon death or resignation of the commissioner appointed as chairman, the Governor shall designate the chairman from the remaining commissioners and appoint a successor as hereinafter provided to fill the vacancy on the Commission.

(f) In case of death, incapacity, resignation or vacancy for any other reason in the office of any commissioner prior to the expiration of his term of office, the name of his successor shall be submitted by the Governor within four weeks after the vacancy arises to the General Assembly for confirmation by the General Assembly. Upon failure of the Governor to submit the name of the successor, the Lieutenant Governor and Speaker of the House jointly shall submit the name of a successor to the General Assembly within six weeks after the vacancy arises. Regardless of the way in which names of commissioners are submitted, confirmation of commissioners must be accomplished prior to the adjournment of the then current session of the General Assembly.

(g) If a vacancy arises or exists pursuant to either subsection (a) or (c) or (f) of this section when the General Assembly is not in session, and the appointment is deemed urgent by the Governor, the commissioner may be appointed and serve on an interim basis pending confirmation by the General Assembly.

(h) The salary of each commissioner shall be the same as that fixed from time to time for judges of the superior court except that the commissioner designated as the chairman shall receive one thousand dollars ($1,000) additional per annum. In lieu of merit and other increment raises paid to regular State employees, each commissioner, including the commissioner designated as chairman, shall receive as longevity pay an amount equal to four and eight-tenths percent (4.8%) of the annual salary set forth in the Current Operations Appropriations Act payable monthly after five years of service, and nine and six-tenths percent (9.6%) after 10 years of service. "Service" means service as a member of the Utilities Commission.

(i) The standards of judicial conduct provided for judges in Article 30 Chapter 7A of the General Statutes shall apply to members of the Commission. Members of the Commission shall be liable to impeachment for the causes and in the manner provided for judges of the General Court of Justice in Chapter 123 of the General Statutes. Members of the Commission shall not engage in any other employment, business, profession, or vocation while in office.

(j) Members of the Commission shall be reimbursed for travel and subsistence expenses at the rates allowed to State officers and employees by G.S. 138-6(a). (1941, c. 97, s. 2; 1949, c. 1009, s. 1; 1959, c. 1319; 1963, c. 1165, s. 1; 1967, c. 1238; 1975, c. 243, s. 3; c. 867, ss. 1, 2; 1977, c. 468, s. 1; c. 913, s. 2; 1983 (Reg. Sess., 1984), c. 1116, s. 91; 1989, c. 781, s. 41.2; 1993 (Reg. Sess., 1994), c. 769, s. 7.4(b); 1996, 2nd Ex. Sess., c. 18, s. 28.2(b).)

§ 62-11. Oath of office.

Each utilities commissioner before entering upon the duties of his office shall file with the Secretary of State his oath of office to support the Constitution and laws of the United States and the Constitution and laws of the State of North Carolina, and to well and truly perform the duties of his said office as utilities commissioner, and that he is not the agent or attorney of any public utility, or an employee thereof, and that he has no interest in any public utility. (1933, c. 134, s. 5; 1935, c. 280; 1939, c. 404; 1941, c. 97; 1963, c. 1165, s. 1.)

A JOINT RESOLUTION HONORING THE LIFE AND MEMORY OF ROYCE PHELPS "BO" THOMAS, FORMER MEMBER OF THE GENERAL ASSEMBLY.

Whereas, Royce Phelps Thomas, affectionately known as "Bo", was born in Avon Park, Florida, on January 3, 1932, to J.R. Thomas and Eunice Phelps Thomas; and

Whereas, Bo Thomas graduated from the Blue Ridge School for Boys in 1948, and attended Duke University from 1948 to 1951; and

Whereas, Bo Thomas was a veteran of the Korean War, serving in the United States Army from 1957 to 1960, and was inducted into the Officer's Candidate School Hall of Fame in Fort Benning, Georgia; and

Whereas, Bo Thomas bore a great love for Western North Carolina, spending most of his life in Hendersonville and contributing to the area's economy as vice-president and owner of Thomas Produce Company; and

Whereas, Bo Thomas showed an outstanding devotion to public service, serving with honor and distinction as a member of the North Carolina Senate from 1979 to 1988; and

Whereas, during his tenure in the General Assembly, Bo Thomas was tenacious in seeking to improve the welfare of his mountain community, to which he remained loyal; and

Whereas, Bo Thomas was a staunch supporter of the Blue Ridge Community College for which he helped to secure funds to plan the college's new Allied Health and Human Services Building and funds for the college's Killian Building, which houses a library, an audiovisual center, a student lounge, a cafeteria, and a bookstore and is used by both the students and the public; and

Whereas, Bo Thomas played a large role in securing funding to replace the condemned Henderson County Courthouse with a new structure; and

Whereas, having a great respect for the environment, Bo Thomas vigorously pushed for legislation restricting tall structures on mountain ridges, which became an act referred to as the "Ridge Law"; and

Whereas, Bo Thomas's love for public service was extended to his activities as a member of Veterans of Foreign Wars and the American Legion and as a member of the Hendersonville Lions Club; and

Whereas, Bo Thomas served on the National Board of Advisors for the renowned Brevard Music Center; and

Whereas, Bo Thomas was active in the Presbyterian Church, having served as a Deacon of the First Presbyterian Church in Hendersonville; and

Whereas, Bo Thomas was a man of the people, who said what he thought and believed that direct action was the most effective means to an end; and

Whereas, the State of North Carolina suffered a great loss when Bo Thomas died on January 14, 1997; and

Whereas, Bo Thomas is survived by his wife, Margaret Stonecipher Thomas; three children, James Royce Thomas, Mary Thomas Vieira, and Richard Latt Thomas; four grandchildren; and several other close relatives and friends; and

Now, therefore, be it resolved by the Senate, the House of Representatives concurring:

Section 1. The General Assembly honors the memory of Bo Thomas and expresses the gratitude and appreciation of this State and its citizens for his life and service to North Carolina.

Section 2. The General Assembly extends its deepest sympathy to the family of Bo Thomas for the loss of a dear family member.

Section 3. The Secretary of State shall transmit a certified copy of this resolution to the family of Royce Phelps "Bo" Thomas.

Section 4. This resolution is effective upon ratification.

A BILL TO BE ENTITLED

AN ACT TO AUTHORIZE NASH COUNTY TO LEVY AN ADDITIONAL ROOM OCCUPANCY AND TOURISM DEVELOPMENT TAX AND TO ANNEX THE GOLD ROCK I-95 INTERCHANGE AREA INTO THE CITY OF ROCKY MOUNT.

The General Assembly of North Carolina enacts:

Section 1. Nash Occupancy Tax. Section 1 of Chapter 32 of the 1987 Session Laws, as amended by Chapter 545 of the 1993 Session Laws, reads as rewritten:

"Section 1. Occupancy tax. (a) Authorization and scope. The Nash County Board of Commissioners may ~~by resolution, after not less than ten (10) days' public notice and after a public hearing held pursuant thereto,~~ levy a room occupancy tax of three percent (3%) of the gross receipts derived from the rental of any room, lodging, or similar accommodation furnished by a hotel, motel, inn, or similar place within the county that is subject to sales tax imposed by the State under G.S. ~~105-164.4(3).~~ 105-164.4(a)(3). This tax is in addition to any State or local sales tax. This tax does not apply to accommodations furnished by nonprofit charitable, educational, or religious organizations.

(a1) Authorization of Additional Tax. In addition to the tax authorized by subsection (a) of this section, the Nash County Board of Commissioners may levy an additional room occupancy tax of up to three percent (3%) of the gross receipts derived from the rental of accommodations taxable under subsection (a). The levy,

collection, administration, and repeal of the tax authorized by this subsection shall be in accordance with the provisions of this section. Nash County may not levy a tax under this subsection unless it also levies the tax authorized under subsection (a) of this section.

(b) Administration. A tax levied under this section shall be levied, administered, collected, and repealed as provided in G.S. 153A-155. The penalties provided in G.S. 153A-155 apply to a tax levied under this section.

~~(b) Collection. Every operator of a business subject to the tax levied under this act shall, on and after the effective date of the levy of the tax, collect the tax. This tax shall be collected as part of the charge for furnishing a taxable accommodation. The tax shall be stated and charged separately from the sales records, and shall be paid by the purchaser to the operator of the business as trustee for and on account of the county. The tax shall be added to the sales price and shall be passed on to the purchaser instead of being borne by the operator of the business. The county shall design, print, and furnish to all appropriate businesses and persons in the county the necessary forms for filing returns and instructions to ensure the full collection of the tax. An operator of a business who collects the occupancy tax levied under this act may deduct from the amount remitted to the county a discount equal to the discount the State allows the operator for collecting State sales and use taxes.~~

~~(c) Administration. The county shall administer a tax levied under this act. A tax levied under this act is due and payable to the county finance officer in monthly installments on or before the 15th day of the month following the month in which the tax accrues. Every person, firm, corporation, or association liable for the tax shall, on or before the 15th day of each month, prepare and render a return on a form prescribed by the county. The return shall state the total gross receipts derived in the preceding month from rentals upon which the tax is levied.~~

~~A return filed with the county finance officer under this act is not a public record as defined by G.S. 132-1 and may not be disclosed except as required by law.~~

~~(d) Penalties. A person, firm, corporation, or association who fails or refuses to file the return required by this act is subject to the civil and criminal penalties set by G.S. 105-236 for failure to pay or file a return for State sales and use taxes. The Board of Commissioners has the same authority to waive the penalties for a room occupancy tax that the Secretary of Revenue has to waive the penalties for State sales and use taxes.~~

(e) Distribution and use of tax revenue. Nash County shall, on a quarterly basis, remit the net proceeds of the occupancy ~~tax~~ taxes to the Nash Tourism Development ~~Authority.~~ Authority, itemized by tax. ~~The~~ Of the net proceeds of the tax levied under subsection (a) of this section, the Authority shall spend at least two-thirds ~~of the funds remitted to it under this subsection~~ only to promote travel and tourism in Nash County, and shall spend the remainder on tourism-related expenditures. The Authority shall spend the net proceeds of the tax levied under subsection (a1) of this section only to construct, maintain, operate, or market a convention center. The following definitions apply in this subsection:

(1) Net proceeds. -- Gross proceeds less the cost to the county of administering and collecting the tax, as determined by the finance officer, not to exceed seven percent (7%) of the amount collected.

(2) Promote travel and tourism. -- To advertise or market an area or activity, publish and distribute pamphlets and other materials, conduct market research, or engage in similar promotional activities that attract tourists or business travelers to the area; the term includes administrative expenses incurred in engaging in the listed activities.

(3) Tourism-related expenditures. -- Expenditures that are designed to increase the use of lodging facilities in a county or to attract tourists or business travelers to the county and expenditures incurred by the county in collecting the tax. The term includes expenditures to construct, maintain, operate, or market a convention center and other expenditures that, in the judgment of the Authority, will facilitate and support tourism.

~~(f) Effective date of levy. A tax levied under this act shall become effective on the date specified in the resolution levying the tax. That date must be the first day of a calendar month, however, and may not be earlier than the first day of the second month after the date the resolution is adopted.~~

~~(g) Repeal. A tax levied under this act may be repealed by a resolution adopted by the Nash County Board of Commissioners. Repeal of a tax levied under this act does not affect a liability for a tax that was attached before the effective date of the repeal, nor does it affect a right to a refund of a tax that accrued before the effective date of the repeal.~~"

Section 2. County administrative provisions. Section 3(b) of S.L. 1997-102 reads as rewritten:

"(b) This section applies only to ~~Madison County.~~ Madison and Nash Counties."

SENATE JOINT RESOLUTION 414
Rules and Operations of the Senate Committee Substitute Adopted 6/16/97

Referred to:

March 18, 1997

A JOINT RESOLUTION HONORING THE ACCOMPLISHMENTS OF COACH DEAN EDWARDS SMITH AND THE MEN'S BASKETBALL PROGRAM AT THE UNIVERSITY OF NORTH CAROLINA AT CHAPEL HILL.

Whereas, Dean Edwards Smith was a member of the 1952 Kansas University Jayhawks national championship basketball team and a disciple of Kansas Coach Phog Allen; and

Whereas, his loyalty to his alma mater, the University of Kansas, so impressed former head coach Frank McGuire that he offered Smith a job as an assistant coach, which Smith accepted, despite UNC's victory over Smith's beloved Jayhawks in the 1957 NCAA men's basketball championship game; and

Whereas, Coach Smith's love for the State of North Carolina and the University of North Carolina has continued to grow since his arrival in Chapel Hill in 1958; and

Whereas, Coach Smith and the UNC men's basketball program have constantly been the source of visionary innovation, perfecting such signature practices as the man-to-man trap defense, the team huddle before a free throw, the "tired" signal, the acknowledgment of a teammate's assist, and the "Four Corners" offense that proved so effective that the institution of the shot clock was the only way to combat it; and

Whereas, Coach Smith has established a tradition of excellence in the UNC men's basketball program during his 36 years as head coach, winning more conference games, more regular season titles, more ACC Tournament games, more ACC championships and more NCAA tournament games than any other coach, and has attained 11 Final Four appearances, 14 ACC titles, and two national championships so far; and

Whereas, Coach Smith, along with Bill Guthridge, John Thompson, with a nucleus of Tar Heels and players from around the country, guided the United States to a gold medal in basketball in the 1976 Olympic Games; and

Whereas, Coach Smith' s keen insight into the game and his ability to adapt to changes in the times, the rules, and the nature of the game is vividly demonstrated by his continuing successes in his fourth decade as a coach; and

Whereas, on March 15, 1997, Coach Smith became the "all-time winningest coach" in the history of NCAA Division I basketball, coaching the Tar Heels to their 877th victory under his leadership; and

Whereas, Coach Smith and the UNC men's basketball program have produced nearly 100 professional basketball players, 43 basketball coaches and teachers, and numerous entrepreneurs, professionals, ministers, and other leaders who contribute to their communities throughout the world; and

Whereas, Coach Smith and the UNC basketball program have consistently emphasized teamwork, discipline, education and character above athletic success, and have served as ambassadors for the State of North Carolina, training young people, from around the world in the principles of honesty, integrity, and respect; and

Whereas, Coach Smith has been revered by former players, team members, and members of the UNC basketball family as a man who seeks the best interest of his students above his own; and

Whereas, for 36 years, Coach Smith has taught his players that basketball is secondary to honor, has maintained a model athletic program that is untainted by scandal, has helped his players mature into responsible adults, and has emphasized the importance of education to a life plan; and

Whereas, Coach Smith's greatest accomplishments lie not in the number of his victories but in the number of his lettermen who have obtained university degrees; a total of 216 of his 222 lettermen have graduated, many with honors; and

Whereas, Coach Smith is a man of character and compassion who was an early advocate for a more equal society, and his commitment to the betterment of all is reflected in his many endeavors to promote education and achievement in all facets of life; and

Whereas, Coach Smith is known as the "Dean of Basketball," but those who are aware of his accomplishments consider him the "Dean of Gentlemen," exemplifying the very best North Carolina has to offer; Now, therefore,

Be it resolved by the Senate, the House of Representatives concurring:

Section 1. The General Assembly recognizes the outstanding achievements of Coach Dean Edwards Smith and the men's basketball program at the University of North Carolina at Chapel Hill, expresses the appreciation and admiration of the people of the State of North Carolina to Dean Edwards Smith for his leadership, integrity, and unparalleled excellence, both on and off the basketball court, and acknowledges the invaluable contribution that the players, coaches, managers, and other members of the UNC basketball family have made to a better world, not only in North Carolina, but across the globe.

Section 2. The Secretary of State shall send certified copies of this resolution to Coach Dean Edwards Smith, the Athletic Director, and the Chancellor of the University of North Carolina at Chapel Hill, and the Chairman of the University of North Carolina at Chapel Hill Board of Trustees.

Section 3. This resolution is effective upon ratification.

A BILL TO BE ENTITLED

AN ACT EXEMPTING THE WAKE COUNTY PUBLIC SCHOOL SYSTEM FROM DEVELOPMENT CHARGES RELATED TO THE CONSTRUCTION, RENOVATION, AND REPAIR OF PUBLIC SCHOOL SYSTEM INFRASTRUCTURE FACILITIES IN WAKE COUNTY AND THE MUNICIPALITIES THEREIN.

The General Assembly of North Carolina enacts:

Section 1. Notwithstanding any other provision of law, the Wake County Public School System shall be exempt from development charges assessed by Wake County or any municipality having territory within Wake County where the development charge is assessed against the construction, renovation, or repair of public school infrastructure facilities.

Section 2. For the purposes of this act:

(a) "Development charge" means any:

(1) Impact fee, facility fee, development fee, project fee, regulatory fee, or other similar fee assessed in connection with the construction, renovation, or repair of a public school infrastructure facility where the fee is based on the student seating capacity of the facility.

(2) Water and sewer acreage fee when the Wake County Public School System has installed water and sewer improvements.

(3) Transportation development fee when the Wake County Public School System has installed transportation improvements.

(4) Utility tap fee.
(5) Plan review fee.
(6) Building permit fee.
(7) Fee to place a mobile classroom unit on property owned by the Wake County Public School System.

(b) "Public school infrastructure facility" means any building, structure, or other facility used or to be used by the Wake County Public School System for instructional, administrative, or maintenance purposes. The term includes mobile classroom units.

Section 3. This act is effective when it becomes law and applies to Wake County Public School System construction, renovation, and repair projects started or in progress on or after that date, except that any valid development charge that accrued prior to that date shall remain valid and payable by the Wake County Public School System.

WAKE COUNTY PUBLIC SCHOOL SYSTEM

Associate Superintendent
Auxiliary Services

May 21, 1997

The Honorable Sam Ellis
State Representative
1303 Legislative Building
16 West Jones Street
Raleigh, NC 27601-2808

Dear Mr. Ellis:

The Wake County Public School System is presently being charged impact fees for construction and renovations of schools. Several municipalities in Wake County charge fees to offset the 'impact' of facilities on future demands for road improvements, parks, utilities, etc. Some of these fees are imposed based on a count of student seats that will be provided in the new construction and do not take into account that these seats are for students already in the community.

Transportation development fees are usually for improvements to existing roads or for construction of new roads that will serve the school. However, the district is required to pay the fees as well as make street improvements from project funds. Often the new school is built to serve a community that has already been developed and has residents in place. These new schools are a necessary response to the growth in the community. In such cases, the impact is actually upon the school system and our building program budgets. Unfortunately, the school system continues to be treated as a developer rather than as a provider of public infrastructure and services. Below is a listing of the types of fees we are currently being charged:

* Municipal impact fees based on the number of seats (capacity) being provided.

* Water and sewer acreage fees (and we install improvements).

* Transportation development fees (and we install improvements).

* Utility tap fees.

* Plan review fees.

* Fees to place a mobile classroom unit on school property (even when pupils are already on campus). These fees are not refunded when the mobile units are removed from the school site.

* Building permit fees.

Please don't hesitate to call us if we can provide additional information to you or be of assistance in any way. Thank you for your continued assistance and support of public education in Wake County.

Sincerely,

Ray Massey, Jr.

RESOLUTION OF SUPPORT FOR LOCAL LEGISLATION TO EXEMPT THE WAKE COUNTY PUBLIC SCHOOL SYSTEM FROM IMPACT FEES ON SCHOOL CONSTRUCTION

WHEREAS, the student population served by the Wake County Public School System continues to grow at an annual rate in excess of five percent, equal to approximately 3,500-4,500 students per year, and

WHEREAS, the Wake County Board of Education, despite an ambitious school building program, is unable to keep pace with growth in the student population, evidenced by a current seating deficit of 4,606 student seats and the continued use of nearly 500 mobile classroom units (trailers), and

WHEREAS, funding for new schools and expansions is provided primarily through state and local tax levies and through the sale of state and local general obligation bonds, and

WHEREAS, funding raised through available revenue sources must be used wisely to meet housing demands and to improve existing facilities, and

WHEREAS, the Wake County Board of Education is obligated to pay impact fees to municipalities for the construction and renovation of schools, and

WHEREAS, the impact fees paid by the Wake County Board of Education for the period 1993-1997 will exceed $1.1 million, and

WHEREAS, the funds used to pay impact fees are needed by the Wake County Board of Education to meet the increasing capital needs of the school system,

THEREFORE, BE IT HEREBY RESOLVED, that the Wake County Board of Education endorses the introduction and passage of local legislation to exempt the Wake County Public School System from impact fees assessed by local municipalities on school construction projects.

Dear Sam:

I am writing to ask for your support of a Wake County Public School System legislative goal. I am aware that you have been asked to support legislation which would exempt the Wake County Public School System from paying impact fees to municipalities for construction of schools. I support this legislative goal.

Since the County has responsibility for funding the construction of schools, I am supportive of any and all efforts to ensure that funds we allocate for school construction are used for just that - school construction. Based on figures provided by the Wake County Public School System, approximately $1.2 million of one phase of school construction (Phase IIIA) went to Raleigh, Cary, Garner and Knightdale in the payment of impact fees. These funds did not go to fund the construction or equipping of new schools.

The Wake County Public School System has a difficult job in meeting the growth demands in Wake County. They are anticipating and reacting to the tremendous residential growth we are experiencing. Yet, they are treated like a new development project with municipalities extracting impact fees when they build a new school.

I ask your support with this legislative goal. Please feel free to contact me if you have any questions.

Sincerely,

Stewart Adcock

A BILL TO BE ENTITLED

AN ACT CLARIFYING THAT IN MODIFYING THE REQUIREMENTS FOR MAKING STREET ASSESSMENTS IN FOXFIRE VILLAGE UNDER CERTAIN CIRCUMSTANCES, UNDERGROUNDING OF UTILITIES, WHICH WAS PART OF THE PROJECT, IS ALSO SUBJECT TO ASSESSMENT.

The General Assembly of North Carolina enacts:

Section 1. (a) Section 8.1 of the Charter of Foxfire Village, being Chapter 237 of the 1977 Session Laws as added by Chapter 574 of the 1995 Session Laws, reads as rewritten:

"Sec. 8.1. Street Assessments.

(a) In addition to any authority which is now or hereafter may be granted by general law to the town for making street improvements, the Village Council may make street improvements and assess the cost thereof against abutting property owners in accordance with the provisions of this section.

(b) The Village Council may order street improvements and assess the cost thereof against the abutting property owners, according to one or more of the assessment bases set forth in Article 10 of Chapter 160A of the General Statutes without the necessity of a petition meeting the requirements of that Article, upon the finding by the Village Council as a fact that:

(1) The street improvement project does not exceed 30,000 lineal front footage;

(2) The street improvement project involves no more than 200 lots;

(3) The street improvement project consists of a series of streets all of which are contiguous to at least one other street in the project;

(4) The street improvement project abuts at least one other paved street in the Village;

(5) The street improvement project consists solely of a collection of streets for which petitions under Article 10 of Chapter 160A of the General Statutes were received within two years before a preliminary assessment resolution is adopted under the authority of this Article, in accordance with G.S. 160A-223, where:

a. The petitions taken as a whole were signed by at least forty percent (40%) of the owners of property to be assessed, who represent at least forty percent (40%) of all the lineal front footage of the lands abutting on the streets or portions thereof to be improved; but

b. Where for at least five streets in the project, the petitions were signed by at least two-thirds of the owners of property to be assessed, who represent at least two-thirds of all the lineal front footage of the lands abutting on the streets or portions thereof to be improved.

(c) For the purpose of this Article, the term 'street improvement' shall include grading, regrading, surfacing, resurfacing, widening, paving, repaving, the acquisition of right-of-way, underground electrical systems, and the construction or reconstruction of curbs, gutters, and street drainage facilities.

(d) In ordering street improvements without a petition and assessing the cost thereof under authority of this Article, the Village Council shall comply with the procedure provided by Article 10 of Chapter 160A of the General Statutes, except those provisions relating to the petition of property owners and the sufficiency thereof. Any assessment under the authority of this act must be under a preliminary assessment resolution adopted under G.S. 160A-223 no later than December 31, 1998.

(e) The effect of the act of levying assessments under the authority of this Article shall for all purposes be the same as if the assessments were levied under authority of Article 10 of Chapter 160A of the General Statutes."

(b) In order to assess for underground electrical systems under the authority of this act, the Village Council may either commence a new assessment proceeding, or may amend the preliminary resolution for an existing assessment proceeding, and may act under petitions already received for the project.

Re: Foxfire Village Underground Electrical Systems

Dear Representative Morgan:

In accordance with a request which we received from your office you will find attached a copy of Foxfire Village Underground Electrical Systems Assessment Bill Resolution 97-6, dated June 12, 1997. As indicated therein, we are requesting your assistance in the introduction of a revised legislative bill to add the words "underground electrical systems" to Senate Bill 1176, ratified on June 20, 1996. Resolution 97-6 was adopted unanimously by the village council and will be recorded in the minutes of our regular monthly meeting of June 12, 1997.

We appreciate very much your assistance and that of your associate, Mr. Gerry Cohen, in preparing and introducing this legislation which will play a vital role in the development and growth of Foxfire Village. A hard copy of this letter and resolution will be forwarded to you today.

Sincerely,

S. Joseph Steiner

RESOLUTION REQUESTING STATE LEGISLATIVE ASSISTANCE-
UNDERGROUND ELECTRICAL SYSTEMS

Whereas, Foxfire Village is desirous of making certain major improvements to its infrastructure and has received prior legislative assistance to accomplish them, and

Whereas, the Village has contracted to pave streets and extend the existing water system and intends to contract to extend the existing underground electrical systems, and

Whereas, early planning meetings with the electrical utility did not indicate charges to the village for the installation of this system, and

Whereas, the Village has recently been informed that total installation cost of the underground electrical system in the amount of $150,000.00 will be payable up front, and

Whereas, the Village has advertised that the total cost of this project will be assessed to the property owners of the streets improved,

Now, therefore, the Council of Foxfire Village directs Mayor S. Joseph Steiner to contact North Carolina Representative Richard T. Morgan and request his assistance in the introduction of a revised legislative bill to include the words "underground electrical systems" to Senate Bill 1176, ratified on June 20, 1996.

A BILL TO BE ENTITLED

AN ACT TO AMEND CHAPTER 89C OF THE GENERAL STATUTES TO PROVIDE THAT THE DESIGN OF LAND APPLICATION IRRIGATION SYSTEMS FOR ANIMAL WASTE MANAGEMENT SYSTEMS MAY BE PERFORMED BY IRRIGATION DESIGN TECHNICAL SPECIALISTS AND CONCERNING AGRICULTURAL BEST MANAGEMENT PRACTICES.

The General Assembly of North Carolina enacts:

Section 1. G.S. 89C-25 reads as rewritten:

"**§ 89C-25. Limitations on application of Chapter.**

This Chapter shall not be construed to prevent or affect:

(1) The practice of architecture, landscape architecture, or contracting or any other legally recognized profession or ~~trade; or~~ trade.

(2) The practice of professional engineering or land surveying in this State or by any person not a resident of this State and having no established place of business in this State when this practice does not aggregate more than 90 days in any calendar year, whether performed in this State or elsewhere, or involve more than one specific project; provided, however, that such person is legally qualified by registration to practice the said profession in his own state or country, in which the requirements and qualifications for obtaining a certificate of registration are satisfactory to the Board;

in which case the person shall apply for and the Board will issue a temporary ~~permit; or~~ permit.

(3) The practice of professional engineering or land surveying in this State not to aggregate more than 90 days by any person residing in this State, but whose residence has not been of sufficient duration for the Board to grant or deny registration; provided, however, such person shall have filed an application for registration as a professional engineer or registered land surveyor and shall have paid the fee provided for in G.S. 89C-14, and provided that such a person is legally qualified by registration to practice professional engineering or land surveying in his own state or country in which the requirements and qualifications for obtaining a certificate of registration are satisfactory to the Board, in which case the person shall apply for and the Board will issue a temporary ~~permit; or~~ permit.

(4) Engaging in engineering or land surveying as an employee or assistant under the responsible charge of a professional engineer or registered land surveyor or as an employee or assistant of a nonresident professional engineer or a nonresident registered land surveyor provided for in subdivisions (2) and (3) of this section, provided that said work as an employee may not include responsible charge of design or ~~supervision; or~~ supervision.

(5) The practice of professional engineering or land surveying by any person not a resident of, and having no established place of business in this State, as a consulting associate of a professional engineer or registered land surveyor registered under the provisions of this Chapter; provided, the nonresident is qualified for such professional service in his own state or ~~country; or~~ country.

(6) Practice by members of the armed forces or employees of the government of the United States while engaged in the practice of engineering or land surveying solely for said government on government-owned works and projects; or practice by those employees of the Natural Resources Conservation Service having federal engineering job approval authority that involves the planning, designing or implementation of best management practices on agricultural lands.

(7) The internal engineering or surveying activities of a person, firm or corporation engaged in manufacturing, processing, or producing a product, including the activities of public service corporations, public utility companies, authorities, State agencies, railroads, or membership cooperatives, or the installation and servicing of their product in the field; or research and development in connection with the manufacture of that product or their service; or of their

research affiliates; or their employees in the course of their employment in connection with the manufacture, installation, or servicing of their product or service in the field, or on-the-premises maintenance of machinery, equipment, or apparatus incidental to the manufacture or installation of the product or service of a firm by the employees of the firm upon property owned, leased or used by the firm; inspection, maintenance and service work done by employees of the State of North Carolina, any political subdivision thereof, or any municipality therein including construction, installation, servicing, maintenance by regular full-time employees of streets, street lighting, traffic-control signals, police and fire alarm systems, waterworks, steam, electric and sewage treatment and disposal plants; the services of superintendents, inspectors or foremen regularly employed by the State of North Carolina or any political subdivision thereof, or municipal corporation therein; provided, however, that the internal engineering or surveying activity is not a holding out to or an offer to the public of engineering or any service thereof as prohibited by this Chapter. Engineering work, not related to the foregoing exemptions, where the safety of the public is directly involved shall be under the responsible charge of a registered professional engineer, or in accordance with standards prepared or approved by a registered professional engineer.

(8) The (i) preparation of fire sprinkler planning and design drawings by a fire sprinkler contractor licensed under Article 2 of Chapter 87 of the General Statutes, or (ii) the performance of internal engineering or survey work by a manufacturing or communications common carrier company, or by a research and development company, or by employees of such corporations provided that such work is in connection with, or incidental to products of, or nonengineering services rendered by such corporations or their affiliates.

(9) The routine maintenance or servicing of machinery, equipment, facilities or structures, the work of mechanics in the performance of their established functions, or the inspection or supervision of construction by a foreman, superintendent, or agent of the architect or professional engineer, or services of an operational nature performed by an employee of a laboratory, a manufacturing plant, a public service corporation, or governmental operation.

(10) The design of land application irrigation systems for an animal waste management plan, required by G.S. 143-215.10C, by a designer who exhibits, by at least three years of relevant experience, proficiency in soil science and basic hydraulics, and

who is thereby listed as an Irrigation Design Technical Specialist by the North Carolina Soil and Water Conservation Commission."

Section 2. This act is retroactively effective March 1, 1997.

A BILL TO BE ENTITLED

AN ACT TO STRENGTHEN AND CLARIFY THE DEALERS AND MANUFACTURERS LICENSING LAW.

The General Assembly of North Carolina enacts:

Section 1. Chapter 20 of the General Statutes is amended by adding a new section to read:

"**§ 20-297.1. Prefiling of franchise agreements and amendments.**

Any franchise, as defined in G.S. 20-286(8a), offered to a motor vehicle dealer in this State shall provide that all terms and conditions in the agreement inconsistent with any of the laws or rules of this State are of no force and effect. On or before January 1, 1998, every manufacturer, factory branch, distributor, or distributor branch licensed by the Commissioner under this Article which uses an identical or substantially similar form franchise for its dealers or distributors in this State shall file with the Commissioner a copy of the franchise and all supplements. Any applicant for licensing by the Commissioner as a manufacturer, factory branch, distributor, or distributor branch licensed under this Article, which would use an identical or substantially similar form franchise, as defined in G.S. 20-286(8a), for its dealers or distributors in this State, shall, as a condition for the issuance of a license, file with the Commissioner a copy of the franchise and all supplements thereto. Not later than 60 days prior to the date a revision, modification, or addition to a franchise is offered generally to a licensee's franchisees in this State, the licensee shall notify the

Commissioner of the proposed revision, modification, or addition to the franchise on file with the Commissioner and include with the notification:

(1) A copy of the form franchise which incorporates all of the proposed revisions, modifications, and additions;

(2) A separate statement which identifies all substantive revisions, modifications, and additions proposed.

It shall be unlawful for a franchise or any addendum or supplement thereto to be offered to a motor vehicle dealer in this State after January 1, 1998, until an applicant or licensee has complied with all of the requirements of this section. The Commissioner is authorized and directed to investigate and prevent violations of this section, including inconsistencies of any manufacturer's franchise with the provisions of this Article."

Section 2. G.S. 20-301 reads as rewritten:

"**§ 20-301. Powers of Commissioner.**

(a) The Commissioner shall promote the interests of the retail buyer of motor vehicles.

(b) The Commissioner shall have power to prevent unfair methods of competition and unfair or deceptive acts or ~~practices.~~ practices and other violations of this Article. Any franchised new motor vehicle dealer who believes that a manufacturer, factory branch, distributor, or distributor branch with whom the dealer holds a currently valid franchise has violated or is currently violating any provision of this Article may file a petition before the Commissioner setting forth the factual and legal basis for such violations. The Commissioner shall promptly forward a copy of the petition to the named manufacturer, factory branch, distributor, or distributor branch requesting a reply to the petition within 30 days. Allowing for sufficient time for the parties to conduct discovery, the Commissioner or his designee shall then hold an evidentiary hearing and render findings of fact and conclusions of law based on the evidence presented. Any parties to a hearing by the Commissioner concerning the establishment or relocating of a new motor vehicle dealer shall have a right of review of the decision in a court of competent jurisdiction pursuant to Chapter 150B of the General Statutes.

(c) The Commissioner shall have the power in hearings arising under this Article to enter scheduling orders and limit the time and scope of discovery; to determine the date, time, and place where ~~they shall be~~ hearings are to be held; to subpoena witnesses; to take depositions of witnesses; and to administer oaths.

(d) The Commissioner may, whenever he shall believe from evidence submitted to him that any person has been or is violating any provision of this Article, in addition to any other ~~remedy~~ remedy, bring an action in the name of the State against ~~such~~ that person and any other persons concerned or in any way participating in, or about to participate in practices or acts so in violation, to enjoin ~~such~~ any persons ~~and such other persons~~ from continuing the ~~same.~~ violations.

(e) ~~The Commissioner shall limit the time for discovery in any contested administrative hearing conducted pursuant to Article 12 to a time not to exceed 60 days. The Commissioner may extend the time for discovery beyond 60 days either~~

~~upon the consent of all parties to the proceeding or upon application of one or more parties to the proceeding for good cause shown.~~ The Commissioner may issue rules and regulations to implement the provisions of this section and to establish procedures related to administrative proceedings commenced under this section."

Section 3. G.S. 20-305 reads as rewritten:

"**§ 20-305. Coercing dealer to accept commodities not ordered; threatening to cancel franchise; preventing transfer of ownership; granting additional franchises; terminating franchises without good cause; preventing family succession.**

It shall be unlawful for any manufacturer, factory branch, distributor, or distributor branch, or any field representative, officer, agent, or any representative whatsoever of any of them:

(1) To require, coerce, or attempt to coerce any dealer to accept delivery of any motor vehicle or vehicles, parts or accessories therefor, or any other commodities, which shall not have been ordered by such dealer;

(2) To require, coerce, or attempt to coerce any dealer to enter into any agreement with such manufacturer, factory branch, distributor, or distributor branch, or representative thereof, or do any other act unfair to such dealer, by threatening to cancel any franchise existing between such manufacturer, factory branch, distributor, distributor branch, or representative thereof, and such dealer;

(3) Unfairly without due regard to the equities of the dealer, and without just provocation, to cancel the franchise of such dealer;

(4) Notwithstanding the terms of any franchise agreement, to prevent or refuse to approve the sale or transfer of the ownership of a dealership by the sale of the business, stock transfer, or otherwise, or the transfer, sale or assignment of a dealer franchise, or a change in the executive management or principal operator of the dealership, or relocation of the dealership to another site within the dealership's relevant market area, if the Commissioner has determined, if requested in writing by the dealer within 30 days after receipt of an objection to the proposed transfer, sale, assignment, relocation, or change, and after a hearing on the matter, that the failure to permit or honor the transfer, sale, assignment, relocation, or change is unreasonable under the circumstances. No franchise may be transferred, sold, assigned, relocated, or the executive management or principal operators changed, unless the franchisor has been given at least 30 days' prior written notice as to the identity, financial ability, and qualifications of the proposed transferee, the identity and qualifications of the persons proposed to be involved in executive management or as principal operators, and the location and site plans of any proposed relocation. The franchisor shall send the dealership notice of objection, by registered or certified mail,

return receipt requested, to the proposed transfer, sale, assignment, relocation, or change within 30 days after receipt of notice from the dealer, as provided in this section. Failure by the franchisor to send notice of objection within 30 days shall constitute waiver by the franchisor of any right to object to the proposed transfer, sale, assignment, relocation, or change. The manufacturer or distributor has the burden of proving that the proposed transfer, sale, assignment, relocation, or change is unreasonable under the circumstances.

(5) To enter into a franchise establishing an additional new motor vehicle dealer or relocating an existing new motor vehicle dealer into a relevant market area where the same line make is then represented without first notifying in writing the Commissioner and each new motor vehicle dealer in that line make in the relevant market area of the intention to establish an additional dealer or to relocate an existing dealer within or into that market area. Within 30 days of receiving such notice or within 30 days after the end of any appeal procedure provided by the manufacturer, any new motor vehicle dealer may file with the Commissioner a protest to the establishing or relocating of the new motor vehicle dealer. When a protest is filed, the Commissioner shall promptly inform the manufacturer that a timely protest has been filed, and that the manufacturer shall not establish or relocate the proposed new motor vehicle dealer until the Commissioner has held a hearing, nor thereafter, if the Commissioner has determined that there is good cause for not permitting the addition or relocation of such new motor vehicle dealer.

a. This section does not apply:

1. To the relocation of an existing new motor vehicle dealer within that dealer's relevant market area, provided that the relocation not be at a site within 10 miles of a licensed new motor vehicle dealer for the same line make of motor vehicle; or
2. If the proposed additional new motor vehicle dealer is to be established at or within two miles of a location at which a former licensed new motor vehicle dealer for the same line make of new motor vehicle had ceased operating within the previous two years;
3. To the relocation of an existing new motor vehicle dealer within two miles of the existing site of the new motor vehicle dealership;
4. To the relocation of an existing new motor vehicle dealer if the proposed site of the relocated new motor

vehicle dealership is further away from all other new motor vehicle dealers of the same line make in that relevant market area.

b. In determining whether good cause has been established for not entering into or relocating an additional new motor vehicle dealer for the same line make, the Commissioner shall take into consideration the existing circumstances, including, but not limited to:

1. The permanency of the investment of both the existing and proposed additional new motor vehicle dealers;
2. Growth or decline in population, density of population, and new car registrations in the relevant market area;
3. Effect on the consuming public in the relevant market area;
4. Whether it is injurious or beneficial to the public welfare for an additional new motor vehicle dealer to be established;
5. Whether the new motor vehicle dealers of the same line make in that relevant market area are providing adequate competition and convenient customer care for the motor vehicles of the same line make in the market area which shall include the adequacy of motor vehicle sales and service facilities, equipment, supply of motor vehicle parts, and qualified service personnel;
6. Whether the establishment of an additional new motor vehicle dealer or relocation of an existing new motor vehicle dealer in the relevant market area would increase competition in a manner such as to be in the long-term public interest; and
7. The effect on the relocating dealer of a denial of its relocation into the relevant market area.

c. The Commissioner ~~must~~ shall try to conduct the hearing and render his final determination ~~as expeditiously as possible, but in any event no later than~~ if possible, within 180 days after a protest is filed. ~~Unless waived by the parties, failure to do so shall be deemed the equivalent of a determination that good cause does not exist for refusing to permit the proposed additional or relocated motor vehicle dealer, unless such delay is caused by acts of the manufacturer, or the relocating or additional dealer.~~

d. Any parties to a hearing by the Commissioner concerning the establishment or relocating of a new motor vehicle dealer shall have a right of review of the decision in a court of competent jurisdiction pursuant to Chapter 150B of the General Statutes.

e. In a hearing involving a proposed additional dealership, the manufacturer or distributor has the burden of proof under this section. In a proceeding involving the relocation of an existing dealership, the dealer seeking to relocate has the burden of proof under this section.

f. If the Commissioner determines, following a hearing, that good cause does not exist for refusing to permit the proposed additional or relocated motor vehicle dealership, the dealer seeking the proposed additional or relocated motor vehicle dealership must, within two years, obtain a license from the Commissioner for the sale of vehicles at the relevant site, and actually commence operations at the site selling new motor vehicles of all line makes, as permitted by the Commissioner. Failure to obtain a permit and commence sales within two years shall constitute waiver by the dealer of the dealer's right to the additional or relocated dealership, requiring renotification, a new hearing, and a new determination as provided in this section.

g. For purposes of this subdivision, the addition, creation, or operation of a 'satellite' or other facility, not physically part of or contiguous to an existing licensed new motor vehicle dealer, whether or not owned or operated by a person or other entity holding a franchise as defined by G.S. 20-286(8a), at which warranty service work authorized or reimbursed by a manufacturer is performed or at which new motor vehicles are offered for sale to the public, shall be considered an additional new motor vehicle dealer requiring a showing of good cause, prior notification to existing new motor vehicle dealers of the same line make of vehicle within the relevant market area by the manufacturer and the opportunity for a hearing before the Commissioner as provided in this subdivision.

(6) Notwithstanding the terms, provisions or conditions of any franchise or notwithstanding the terms or provisions of any waiver, to terminate, cancel or fail to renew any franchise with a licensed new motor vehicle dealer unless the manufacturer has satisfied the notice requirements of subparagraph c. and the Commissioner has determined, if requested in writing by the dealer within the time period specified in G.S. 20-305(6)c1II, III or IV, as applicable, and

after a hearing on the matter, that there is good cause for the termination, cancellation, or nonrenewal of the franchise and that the manufacturer has acted in good faith as defined in this act regarding the termination, cancellation or nonrenewal. When such a petition is made to the Commissioner by a dealer for determination as to the existence of good cause and good faith for the termination, cancellation or nonrenewal of a franchise, the Commissioner shall promptly inform the manufacturer that a timely petition has been filed, and the franchise in question shall continue in effect pending the Commissioner's decision. The Commissioner ~~must~~ shall try to conduct the hearing and render a final determination ~~no later than~~ within 180 days after a petition has been ~~filed; provided, however, that the Commissioner may extend such period of time upon application of a party and for good cause shown, or upon the consent of all parties to the proceeding.~~ filed. If the termination, cancellation or nonrenewal is pursuant to G.S. 20-305(6)c1III then the Commissioner shall give the proceeding priority consideration and shall try to render his final determination no later than 90 days after the petition has been filed. Any parties to a hearing by the Commissioner under this section shall have a right of review of the decision in a court of competent jurisdiction pursuant to Chapter 150B of the General Statutes.

a. Notwithstanding the terms, provisions or conditions of any franchise or the terms or provisions of any waiver, good cause shall exist for the purposes of a termination, cancellation or nonrenewal when:

   1. There is a failure by the new motor vehicle dealer to comply with a provision of the franchise which provision is both reasonable and of material significance to the franchise relationship provided that the dealer has been notified in writing of the failure within 180 days after the manufacturer first acquired knowledge of such failure;
   2. If the failure by the new motor vehicle dealer relates to the performance of the new motor vehicle dealer in sales or service, then good cause shall be defined as the failure of the new motor vehicle dealer to comply with reasonable performance criteria established by the manufacturer if the new motor vehicle dealer was apprised by the manufacturer in writing of the failure; and

I. The notification stated that notice was provided of failure of performance pursuant to this section;

II. The new motor vehicle dealer was afforded a reasonable opportunity, for a period of not less than 180 days, to comply with the criteria; and

III. The new motor vehicle dealer failed to demonstrate substantial progress towards compliance with the manufacturer's performance criteria during such period and the new motor vehicle dealer's failure was not primarily due to economic or market factors within the dealer's relevant market area which were beyond the dealer's control.

b. The manufacturer shall have the burden of proof under this section.

c. Notification of Termination, Cancellation and Nonrenewal. --

1. Notwithstanding the terms, provisions or conditions of any franchise prior to the termination, cancellation or nonrenewal of any franchise, the manufacturer shall furnish notification of termination, cancellation or nonrenewal to the new motor vehicle dealer as follows:

I. In the manner described in G.S. 20-305(6)c2 below; and

II. Not less than 90 days prior to the effective date of such termination, cancellation or nonrenewal; or

III. Not less than 15 days prior to the effective date of such termination, cancellation or nonrenewal with respect to any of the following:

A. Insolvency of the new motor vehicle dealer, or filing of any petition by or against the new motor vehicle dealer under any bankruptcy or receivership law;

B. Failure of the new motor vehicle dealer to conduct its customary sales and service operations during its customary business hours for seven consecutive business days, except for acts of God or

circumstances beyond the direct control of the new motor vehicle dealer;

C. Revocation of any license which the new motor vehicle dealer is required to have to operate a dealership;

D. Conviction of a felony involving moral turpitude, under the laws of this State or any other state, or territory, or the District of Columbia.

IV. Not less than 180 days prior to the effective date of such termination or cancellation where the manufacturer or distributor is discontinuing the sale of the product line.

2. Notification under this section shall be in writing; shall be by certified mail or personally delivered to the new motor vehicle dealer; and shall contain:

I. A statement of intention to terminate, cancel or not to renew the franchise;

II. A statement of the reasons for the termination, cancellation or nonrenewal; and

III. The date on which the termination, cancellation or nonrenewal takes effect.

3. Notification provided in G.S. 20-305(6)c1II of 90 days prior to the effective date of such termination, cancellation or renewal may run concurrent with the 180 days designated in G.S. 20-305(6)a2II provided the notification is clearly designated by a separate written document mailed by certified mail or personally delivered to the new motor vehicle dealer.

d. Payments. --

1. Upon the termination, nonrenewal or cancellation of any franchise by the manufacturer or distributor, pursuant to this section, the new motor vehicle dealer shall be allowed fair and reasonable compensation by the manufacturer for the:

I. New motor vehicle inventory that has been acquired from the manufacturer within 18 months, at a price not to exceed the original manufacturer's price to the dealer, and which has not been altered or damaged, and which has not been driven more than 200 miles, and for which no certificate of title has been issued;

II. Unused, undamaged and unsold supplies and parts purchased from the manufacturer, at a

price not to exceed the original manufacturer's price to the dealer, provided such supplies and parts are currently offered for sale by the manufacturer or distributor in its current parts catalogs and are in salable condition;

III. Equipment and furnishings that have not been altered or damaged and that have been required by the manufacturer or distributor to be purchased by the new motor vehicle dealer from the manufacturer or distributor, or their approved sources; and

IV. Special tools that have not been altered or damaged and that have been required by the manufacturer or distributor to be purchased by the new motor vehicle dealer from the manufacturer or distributor, or their approved sources within five years immediately preceding the termination, nonrenewal or cancellation of the franchise.

2. Fair and reasonable compensation for the above shall be paid by the manufacturer within 90 days of the effective date of termination, cancellation or nonrenewal, provided the new motor vehicle dealer has clear title to the inventory and has conveyed title and possession to the manufacturer.

e. Dealership Facilities Assistance upon Termination, Cancellation or Nonrenewal. --

In the event of the termination, cancellation or nonrenewal by the manufacturer or distributor under this section, except termination, cancellation or nonrenewal for insolvency, license revocation, conviction of a crime involving moral turpitude, or fraud by a dealer-owner:

1. Subject to paragraph 3, if the new motor vehicle dealer is leasing the dealership facilities from a lessor other than the manufacturer, the manufacturer shall pay the new motor vehicle dealer a sum equivalent to the rent for the unexpired term of the lease or one year's rent, whichever is less, or such longer term as is provided in the franchise agreement between the dealer and manufacturer; or

2. Subject to paragraph 3, if the new motor vehicle dealer owns the dealership facilities, the manufacturer shall pay the new motor vehicle dealer a sum

equivalent to the reasonable rental value of the dealership facilities for one year.

3. Provided nothing in this paragraph e. shall relieve a lessee or owner, as the case may be, from the obligation to mitigate damages under the lease, nor prevent a manufacturer from occupying and using the dealership facilities while paying rent under subsections 1 and 2, nor prevent a manufacturer from obligations by negotiating a lease termination, a sublease or a new lease. Any amounts recovered by the lessee or owner resulting from mitigation of damages shall be deducted from the amount due from the manufacturer.

f. The provisions of paragraphs d. and e. above shall not be applicable when the termination, nonrenewal or cancellation of the franchise agreement is the result of the voluntary act of the dealer.

(7) Notwithstanding the terms of any contract or agreement, to prevent or refuse to honor the succession to a dealership, including the franchise, by a motor vehicle dealer's designated successor as provided for under this subsection.

a. Any owner of a new motor vehicle dealership may appoint by will, or any other written instrument, a designated ~~family member~~ successor to succeed in the ownership interest of the said owner in the new motor vehicle dealership, including the franchise, upon the death or incapacity of the owner.

b. Any objections by a manufacturer or distributor to an owner's appointment of a designated successor shall be asserted in accordance with the following procedure:

1. Within 30 days after receiving written notice of the identity of the owner's designated successor and general information as to the financial ability and qualifications of the designated successor, the franchisor shall send the owner and designated successor notice of objection, by registered or certified mail, return receipt requested, to the appointment of the designated successor. The notice of objection shall state in detail all facts which constitute the basis for the contention on the part of the manufacturer or distributor that good cause, as defined in this sub-subdivision below, exists for rejection of the designated ~~family member~~ successor. Failure by the franchisor to send notice of objection

within 30 days and otherwise as provided in this sub-subdivision shall constitute waiver by the franchisor of any right to object to the appointment of the designated successor.

2. Any time within 30 days of receipt of the manufacturer's notice of objection the owner or the designated successor may file a request in writing with the Commissioner that the Commissioner hold an evidentiary hearing and determine whether good cause exists for rejection of the designated successor. When such a request is filed, the Commissioner shall promptly inform the affected manufacturer or distributor that a timely request has been filed.

3. The Commissioner shall endeavor to hold the evidentiary hearing required under this sub-subdivision and render a determination within 180 days after receipt of the written request from the owner or designated successor. In determining whether good cause exists for rejection of the owner's appointed designated successor, the manufacturer or distributor has the burden of proving that the designated successor is a person who is not of good moral character or does not meet the franchisor's existing and reasonable standards and, considering the volume of sales and service of the new motor vehicle dealer, uniformly applied minimum business experience standards in the market area.

4. Any parties to a hearing by the Commissioner concerning whether good cause exists for the rejection of the dealer's designated successor shall have a right of review of the decision in a court of competent jurisdiction pursuant to Chapter 150B of the General Statutes.

5. Nothing in this sub-subdivision shall preclude a manufacturer or distributor from, upon its receipt of written notice from a dealer of identity of the dealer's designated successor, requiring that the designated successor promptly provide personal and financial data that is reasonably necessary to determine the financial ability and qualifications of the designated successor; provided, however, that such a request for additional information shall not delay any of the time periods or constraints contained herein.

6. In the event death or incapacity of the owner occurs prior to the time a manufacturer or distributor receives notice of the owner's appointment of a designated successor or before the Commissioner has rendered a determination as provided above, the existing franchise shall remain in effect and the designated successor shall be deemed to have succeeded to all of the owner's rights and obligations in the dealership and under the franchise until a determination is made by the Commissioner or the rights of the parties have otherwise become fixed in accordance with this sub-subdivision.

c. Except as otherwise provided in sub-subdivision d. of this subdivision, any designated successor of a deceased or incapacitated owner of a new motor vehicle dealership appointed by such owner in substantial compliance with this section shall, by operation of law, succeed at the time of such death or incapacity to all of the ownership rights and obligations of the owner in the new motor vehicle dealership and under the existing franchise.

d. Within 60 days after the death or incapacity of the owner, a designated successor appointed in substantial compliance with this section shall give the affected manufacturer or distributor written notice of his or her succession to the ownership of the new motor vehicle dealership; provided, however, that the failure of the designated successor to give the manufacturer or distributor written notice as provided above within 60 days of the owner's death or incapacity shall not result in the waiver or termination of the designated successor's right to succeed to the ownership of the new motor vehicle dealership unless the manufacturer or distributor gives written notice of this provision to either the designated successor or the deceased or incapacitated owner's executor, administrator, guardian or other fiduciary by certified or registered mail, return receipt requested, and said written notice grants not less than 30 days time within which the designated successor may give the notice required hereunder, provided the designated successor or the deceased or incapacitated owner's executor, administrator, guardian or other fiduciary has given the manufacturer reasonable notice of death or incapacity. Within 30 days of receipt of the notice by the manufacturer or distributor from the designated successor provided in this paragraph, the manufacturer or distributor may request that the designated

successor complete the application forms generally utilized by the manufacturer or distributor to review the designated successor's qualifications to establish a successor dealership. Within 30 days of receipt of the completed forms, the manufacturer or distributor shall send a letter by certified or registered mail, return receipt requested, advising the designated successor of facts and circumstances which have changed since the manufacturer's or distributor's original approval of the designated successor, and which have caused the manufacturer or distributor to object to the designated successor. Upon receipt of such notice, the designated successor may either designate an alternative successor or may file a request for evidentiary hearing in accordance with the procedures provided in sub-subdivisions b. 2.-5. of this subdivision. In any such hearing, the manufacturer or distributor shall be limited to facts and circumstances which did not exist at the time the designated successor was originally approved or evidence which was originally requested to be produced by the designated successor at the time of the original request and was either not produced or the material which was produced was incorrect.

e. The designated successor shall agree to be bound by all terms and conditions of the franchise in effect between the manufacturer or distributor and the owner at the time of the owner's death or incapacity, if so requested in writing by the manufacturer or distributor subsequent to the owner's death or incapacity.

f. This section does not preclude an owner of a new motor vehicle dealership from designating any person as his successor by written instrument filed with the manufacturer or distributor, and, in the event there is an inconsistency between the successor named in such written instrument and the designated successor otherwise appointed by the owner consistent with the provisions of this section, and that written instrument has not been revoked by the owner of the new motor vehicle dealership in writing to the manufacturer or distributor, then the written instrument filed with the manufacturer or distributor shall govern as to the appointment of the successor.

(8) To require, coerce, or attempt to coerce any new motor vehicle dealer in this State to order or accept delivery of any new motor vehicle with special features, accessories or equipment not included in the list price of such motor vehicles as publicly advertised by the manufacturer or distributor.

(9) To require, coerce, or attempt to coerce any new motor vehicle dealer in this State to participate monetarily in an advertising campaign or contest, or to purchase unnecessary or unreasonable quantities of any promotional materials, training materials, training programs, showroom or other display decorations or materials at the expense of the new motor vehicle dealer, provided that nothing in this subsection shall preclude a manufacturer or distributor from including an unitemized uniform charge in the base price of the new motor vehicle charged to the dealer where such charge is attributable to advertising costs incurred or to be incurred by the manufacturer or distributor in the ordinary courses of its business.

(10) To require, coerce, or attempt to coerce any new motor vehicle dealer in this State to change the capital structure of the new motor vehicle dealer or the means by or through which the new motor vehicle dealer finances the operation of the dealership provided that the new motor vehicle dealer at all times meets any reasonable capital standards determined by the manufacturer in accordance with uniformly applied criteria; and also provided that no change in the capital structure shall cause a change in the principal management or have the effect of a sale of the franchise without the consent of the manufacturer or distributor, provided that said consent shall not be unreasonably withheld.

(11) To require, coerce, or attempt to coerce any new motor vehicle dealer in this State to refrain from participation in the management of, investment in, or the acquisition of any other line of new motor vehicle or related products; Provided, however, that this subsection does not apply unless the new motor vehicle dealer maintains a reasonable line of credit for each make or line of new motor vehicle, and the new motor vehicle dealer remains in compliance with any reasonable capital standards and facilities requirements of the manufacturer. The reasonable facilities requirements shall not include any requirement that a new motor vehicle dealer establish or maintain exclusive facilities, personnel, or display space, when such requirements, or any of them, would be unreasonable in light of current economic conditions and would not otherwise be justified by reasonable business considerations.

(12) To require, coerce, or attempt to coerce any new motor vehicle dealer in this State to change location of the dealership, or to make any substantial alterations to the dealership premises or facilities, when to do so would be unreasonable, or without written assurance of a sufficient supply of new motor vehicles so as to justify such an expansion, in light of the current market and economic conditions.

(13) To require, coerce, or attempt to coerce any new motor vehicle dealer in this State to prospectively assent to a release, assignment, novation, waiver or estoppel which would relieve any person from liability to be imposed by this law or to require any controversy between a new motor vehicle dealer and a manufacturer, distributor, or representative, to be referred to any person other than the duly constituted courts of the State or the United States of America, or to the Commissioner, if such referral would be binding upon the new motor vehicle dealer.

(14) To delay, refuse, or fail to deliver motor vehicles or motor vehicle parts or accessories in reasonable quantities relative to the new motor vehicle dealer's facilities and sales potential in the new motor vehicle dealer's relevant market area, and within a reasonable time, after receipt of an order from a dealer having a franchise for the retail sale of any new motor vehicle sold or distributed by the manufacturer or distributor, any new vehicle, parts or accessories to new vehicles as are covered by such franchise, and such vehicles, parts or accessories as are publicly advertised as being available or actually being delivered. The delivery to another dealer of a motor vehicle of the same model and similarly equipped as the vehicle ordered by a motor vehicle dealer who has not received delivery thereof, but who has placed his written order for the vehicle prior to the order of the dealer receiving the vehicle, shall be evidence of a delayed delivery of, or refusal to deliver, a new motor vehicle to a motor vehicle dealer within a reasonable time, without cause. This subsection is not violated, however, if such failure is caused by acts or causes beyond the control of the manufacturer, distributor, factory branch, or factory representative.

(15) To refuse to disclose to any new motor vehicle dealer, handling the same line make, the manner and mode of distribution of that line make within the State.

(16) To award money, goods, services, or any other benefit to any new motor vehicle dealership employee, either directly or indirectly, unless such benefit is promptly accounted for, and transmitted to, or approved by, the new motor vehicle dealer.

(17) To increase prices of new motor vehicles which the new motor vehicle dealer had ordered and which the manufacturer or distributor has accepted for immediate delivery for private retail consumers prior to the new motor vehicle dealer's receipt of the written official price increase notification. A sales contract signed by a private retail consumer shall constitute evidence of each such order provided that the vehicle is in fact delivered to that customer. Price differences applicable to new model or series shall

not be considered a price increase or price decrease. Price changes caused by either: (i) the addition to a new motor vehicle of required or optional equipment; or (ii) revaluation of the United States dollar, in the case of foreign-make vehicles or components; or (iii) an increase in transportation charges due to increased rates imposed by carriers; or (iv) new tariffs or duties imposed by the United States of America or any other governmental authority, shall not be subject to the provisions of this subsection.

(18) To prevent or attempt to prevent a dealer from receiving fair and reasonable compensation for the value of the franchised business transferred in accordance with G.S. 20-305(4) above.

(19) To offer any refunds or other types of inducements to any person for the purchase of new motor vehicles of a certain line make to be sold to the State or any political subdivision thereof without making the same offer available upon request to all other new motor vehicle dealers in the same line make within the State.

(20) To release to any outside party, except under subpoena or as otherwise required by law or in an administrative, judicial or arbitration proceeding involving the manufacturer or new motor vehicle dealer, any confidential business, financial, or personal information which may be from time to time provided by the new motor vehicle dealer to the manufacturer, without the express written consent of the new motor vehicle dealer.

(21) To deny any new motor vehicle dealer the right of free association with any other new motor vehicle dealer for any lawful purpose.

(22) To unfairly discriminate among its new motor vehicle dealers with respect to warranty reimbursements or authority granted its new motor vehicle dealers to make warranty adjustments with retail customers.

(23) To engage in any predatory practice against or unfairly compete with a new motor vehicle dealer located in this State.

(24) To terminate any franchise solely because of the death or incapacity of an owner who is not listed in the franchise as one on whose expertise and abilities the manufacturer relied in the granting of the franchise.

(25) To require, coerce, or attempt to coerce a new motor vehicle dealer in this State to either establish or maintain exclusive facilities, personnel, or display space, when such requirements, or any of them, would be unreasonable in light of current economic conditions and would not otherwise be justified by reasonable business considerations.

(26) To resort to or to use any false or misleading advertisement in the conducting of its business as a manufacturer or distributor in this State.

(27) To knowingly make, either directly or through any agent or employee, any material statement which is false or misleading and which induces any new motor vehicle dealer to enter into any agreement or franchise or to take any action which is materially prejudicial to that new motor vehicle dealer or his business.

(28) To require, coerce, or attempt to coerce any new motor vehicle dealer to purchase or order any new motor vehicle as a precondition to purchasing, ordering, or receiving any other new motor vehicle or vehicles. Nothing herein shall prevent a manufacturer from requiring that a new motor vehicle dealer fairly represent and inventory the full line of new motor vehicles which are covered by the franchise agreement.

(29) To require, coerce, or attempt to coerce any new motor vehicle dealer to sell, transfer, or otherwise issue stock or other ownership interest in the dealership corporation to a general manager or any other person involved in the management of the dealership other than the dealer principal or dealer operator named in the franchise, unless the dealer principal or dealer operator is an absentee owner who is not involved in the operation of the dealership on a regular basis.

(30) To vary the price charged to any of its franchised new motor vehicle dealers located in this State for new motor vehicles based on the dealer's purchase of new facilities, supplies, tools, equipment, or other merchandise from the manufacturer, the dealer's relocation, remodeling, repair, or renovation of existing dealerships or construction of a new facility or upon the dealer's participation in training programs sponsored, endorsed, or recommended by the manufacturer.

The price of the vehicle, for purposes of this subdivision shall include the manufacturer's use of rebates, credits, or other consideration which has the effect of causing a variance in the price of new motor vehicles offered to its franchised dealers located in the State.

Notwithstanding the foregoing, nothing in this subdivision shall be deemed to preclude a manufacturer from establishing sales contests or promotions which provide or award dealers or consumers rebates or incentives.

Nothing contained in this subdivision shall prohibit a manufacturer from providing assistance or encouragement to a franchised dealer to remodel, renovate, recondition, or relocate the dealer's existing facilities, provided that this assistance, encouragement, or rewards are not determined on a per vehicle basis.

In the event that at the time of the ratification of this act a manufacturer is currently operating a program or has in effect a policy which would violate this subdivision after the effective date of this act, it shall be lawful for that program or policy to continue in effect as to the manufacturer's franchised dealers located in this State until December 31, 1999. Any manufacturer shall be required to pay or otherwise compensate any franchise dealer who has earned the right to receive payment or other compensation under a program as of December 31, 1999, in accordance with the manufacturer's program or policy.

(31) Notwithstanding the terms of any contract, franchise, agreement, release, or waiver, to require that in any civil or administrative proceeding in which a new motor vehicle dealer asserts any claims, rights, or defenses arising under this Article or under the franchise, that the dealer or any nonprevailing party compensate the manufacturer or prevailing party for any court costs, attorneys' fees, or other expenses incurred in the litigation.

(32) To require that any of its franchised new motor vehicle dealers located in this State pay any extra fee, purchase unreasonable or unnecessary quantities of advertising displays or other materials, or remodel, renovate, or recondition the dealers' existing facilities in order to receive any particular model or series of vehicles manufactured or distributed by the manufacturer for which the dealers have a valid franchise. Notwithstanding the foregoing, nothing contained in this subdivision shall be deemed to prohibit or prevent a manufacturer from requiring that its franchised dealers located in this State purchase special tools or equipment, stock reasonable quantities of certain parts, or participate in training programs which are reasonably necessary for those dealers to sell or service any model or series of vehicles."

Section 4. G.S. 20-305.1 reads as rewritten:

"**§ 20-305.1. Automobile dealer warranty obligations.**

(a) Each motor vehicle manufacturer, factory branch, distributor or distributor branch, shall specify in writing to each of its motor vehicle dealers licensed in this State the dealer's obligations for preparation, delivery and warranty service on its products, the schedule of compensation to be paid such dealers for parts, work, and service in connection with warranty service, and the time allowances for the performance of such work and service. In no event shall such schedule of compensation fail to include reasonable compensation for diagnostic work and associated administrative requirements as well as repair service and labor. Time allowances for the performance of warranty work and service shall be reasonable and adequate for the work to be performed. The compensation which must be paid under this section must be reasonable, provided, however, that under no circumstances may the reasonable compensation under this section be in an amount less than the dealer's

current retail labor rate and the amount charged to retail customers for the manufacturer's or distributor's original parts for nonwarranty work of like kind, provided such amount is competitive with other franchised dealers within the dealer's market.

(b) Notwithstanding the terms of any franchise agreement, it is unlawful for any motor vehicle manufacturer, factory branch, distributor, or distributor branch to fail to perform any of its warranty obligations with respect to a motor vehicle, to fail to compensate its motor vehicle dealers licensed in this State for warranty parts other than parts used to repair the living facilities of recreational vehicles, at the prevailing retail rate according to the factors in subsection (a) of this section, or, in service in accordance with the schedule of compensation provided the dealer pursuant to subsection (a) above, and to fail to indemnify and hold harmless its franchised dealers licensed in this State against any judgment for damages or settlements agreed to by the manufacturer, including, but not limited to, court costs and reasonable attorneys' fees of the motor vehicle dealer, arising out of complaints, claims or lawsuits including, but not limited to, strict liability, negligence, misrepresentation, express or implied warranty, or recision or revocation of acceptance of the sale of a motor vehicle as defined in G.S. 25-2-608, to the extent that the judgment or settlement relates to the alleged defective negligent manufacture, assembly or design of new motor vehicles, parts or accessories or other functions by the manufacturer, factory branch, distributor or distributor branch, beyond the control of the dealer. Any audit for warranty parts or service compensation shall only be for the 12-month period immediately following the date of the payment of the claim by the manufacturer, factory branch, distributor, or distributor branch. Any audit for sales incentives, service incentives, rebates, or other forms of incentive compensation shall only be for the 24-month period immediately following the date of the payment of the claim by the manufacturer, factory branch, distributor, or distributor branch. Provided, however, these limitations shall not be effective in the case of fraudulent claims.

(b1) All claims made by motor vehicle dealers pursuant to this section for compensation for delivery, preparation, warranty and recall work including labor, parts, and other expenses, shall be paid by the manufacturer within 30 days after receipt of claim from the dealer. When any claim is disapproved, the dealer shall be notified in writing of the grounds for disapproval. Any claim not specifically disapproved in writing within 30 days after receipt shall be considered approved and payment is due immediately. No claim which has been approved and paid may be charged back to the dealer unless it can be shown that the claim was false or fraudulent, that the repairs were not properly made or were unnecessary to correct the defective condition, or the dealer failed to reasonably substantiate the ~~claim in accordance with the written requirements of the manufacturer or distributor in effect at the time the claim arose.~~ claim. A manufacturer or distributor shall not deny a claim or reduce the amount to be reimbursed to the dealer as long as the dealer has provided reasonably sufficient documentation that the dealer:

(1) Made a good faith attempt to perform the work in compliance with the written policies and procedures of the manufacturer; and

(2) Actually performed the work.

(c) In the event there is a dispute between the manufacturer, factory branch, distributor, or distributor branch, and the dealer with respect to any matter referred to in subsections ~~(a) and (b) above and subsection (d) below,~~ (a), (b), or (d) of this section, either party may petition the Commissioner in writing, within 30 days after either party has given written notice of the dispute to the other, for a hearing on the subject and the decision of the Commissioner shall be binding on the parties, subject to rights of judicial review and appeal as provided in Chapter 150B of the General Statutes; provided, however, that nothing contained herein shall give the Commissioner any authority as to the content of any manufacturer's or distributor's warranty. Upon the filing of a petition before the Commissioner under this subsection, any chargeback to or any payment required of a dealer by a manufacturer relating to warranty parts or service compensation, or to sales incentives, service incentives, rebates, or other forms of incentive compensation, shall be stayed during the pendency of the determination by the Commissioner.

(d) Transportation damages. --

(1) Notwithstanding the terms, provisions or conditions of any agreement or franchise, the manufacturer is liable for all damages to motor vehicles before delivery to a carrier or transporter.

(2) If a new motor vehicle dealer determines the method of transportation, the risk of loss passes to the dealer upon delivery of the vehicle to the carrier.

(3) In every other instance, the risk of loss remains with the manufacturer until such time as the new motor vehicle dealer or his designee accepts the vehicle from the carrier.

(4) Whenever a motor vehicle is damaged while in transit when the carrier or the means of transportation is designated by the manufacturer or distributor, or whenever a motor vehicle is otherwise damaged prior to delivery to the dealer, the dealer must:

a. Notify the manufacturer or distributor of such damage within three working days or within such additional time as authorized by the franchise agreement of the occurrence of the delivery of the motor vehicle as defined in subsection (1) of this section; and

b. Must request from the manufacturer or distributor authorization to repair the damages sustained or to replace the parts or accessories damaged.

(5) In the event the manufacturer or distributor refuses or fails to authorize repair or replacement of any such damage within ten working days after receipt of notification of damage by the dealer, ownership of the motor vehicle shall revert to the manufacturer or distributor, and the dealer shall incur no obligation, financial or otherwise, for such damage to the motor vehicle.

(5a) No manufacturer shall fail to disclose in writing to a new motor vehicle dealer, at the time of delivery of a new motor vehicle, the nature and extent of any and all damage and post-manufacturing repairs made to such motor vehicle while in the possession or under the control of the manufacturer if the cost of such post-manufacturing repairs exceeds three percent (3%) of the manufacturer's suggested retail price. A manufacturer is not required to disclose to a new motor vehicle dealer that any glass, tires or bumper of a new motor vehicle was damaged at any time if the damaged item has been replaced with original or comparable equipment.

(6) Nothing in this subsection (d) shall relieve the dealer of the obligation to cooperate with the manufacturer as necessary in filing any transportation damage claim with the carrier.

(e) Damage/Repair Disclosure. -- Notwithstanding the provisions of subdivision (d)(4) of this section and in supplementation thereof, a new motor vehicle dealer shall disclose in writing to a purchaser of the new motor vehicle prior to entering into a sales contract any damage and repair to the new motor vehicle if the damage exceeds five percent (5%) of the manufacturer's suggested retail price as calculated at the rate of the dealer's authorized warranty rate for labor and parts.

(1) A new motor vehicle dealer is not required to disclose to a purchaser that any glass, tires or bumper of a new motor vehicle was damaged at any time if the damaged item has been replaced with original or comparable equipment.

(2) If disclosure is not required under this section, a purchaser may not revoke or rescind a sales contract due solely to the fact that the new motor vehicle was damaged and repaired prior to completion of the sale.

(3) For purposes of this section, 'manufacturer's suggested retail price' means the retail price of the new motor vehicle suggested by the manufacturer including the retail delivered price suggested by the manufacturer for each accessory or item of optional equipment physically attached to the new motor vehicle at the time of delivery to the new motor vehicle dealer which is not included within the retail price suggested by the manufacturer for the new motor vehicle.

(f) The provisions of subsections (a), (b), (b1), (d) and (e) shall not apply to manufacturers and dealers of 'motorcycles' as defined in G.S. 20-4.01(27)."

Section 5. The amendment adding G.S. 20-305(5)(g), as set forth in Section 3 of this act, shall not apply to satellite facilities licensed before October 1, 1997. This act becomes effective October 1, 1997.

MINUTES
COMMITTEE ON RULES, CALENDAR, AND OPERATIONS OF THE HOUSE
July 9, 1997

The Committee on Rules, Calendar, and Operations of the House met July 9, 1997 at 1:10 p.m. in Room 643 in the Legislative Office Building. Representative Morgan, Committee Chair, called the meeting to order and asked the clerk to call the roll. The following members were present: Representative Bowie, Vice Chair; and Representatives Crawford, Culp, Esposito, Gulley, McMahan, Miner, Mitchell, Neely, Thompson, and Wood.

Several bills were before the Committee for concurrence. The first was House Bill 42 - A BILL TO BE ENTITLED AN ACT TO EXTEND AN ACT TO PROVIDE THAT THE LAWS RELATING TO MOTOR VEHICLES APPLY WITHIN THE CAROLINA TRACE COMMUNITY IN LEE COUNTY. Representative Davis, bill sponsor, was recognized to explain the bill. Representative Davis requested of the Chair that Representative Creech be recognized to explain a portion of the bill. Representative Creech was recognized. The Chair asked Linwood Jones, Committee Counsel, if the Committee needed to make any changes. Counsel explained that it was a Senate amendment that added a new section to the bill which extended the same language from the 1995 bill. No changes to the date of July l, l997 was needed. Once the bill is concurred, it would be reactivated. Representative Neely moved for recommendation that the House concur with the Senate amendment. Motion carried.

The next bill before the Committee was House Bill 739 - A BILL TO BE ENTITLED AN ACT TO STRENGTHEN AND CLARIFY THE DEALERS AND MANUFACTURERS LICENSING LAW. The Chair recognized Representative Dickson, Chair for the Committee on Finance and bill sponsor, to explain the Senate Committee Substitute. Representative McMahan moved for recommendation that the House concur with Senate Committee Substitute. Motion carried.

House Bill 773 - A BILL TO BE ENTITLED AN ACT TO REVISE AND CONSOLIDATE THE CHARTER OF THE VILLAGE OF BALD HEAD ISLAND AND TO EXTEND THE CORPORATE LIMITS OF THE TOWN OF LELAND was next before the Committee. Representative Redwine, bill sponsor, was recognized to explain the Senate Committee Substitute. Representative Thompson moved that the House not concur with the Senate Committee Substitute and asked that conferees be reported. Motion carried.

The next bill before the Committee was House Bill 1122 - A BILL TO BE ENTITLED AN ACT TO FACILITATE THE TRIAL OF DRUG OFFENSES BY AUTHORIZING THE USE OF LABORATORY REPORTS IN SUPERIOR COURT AND JUVENILE COURT PROCEEDINGS AND BY ELIMINATING THE NEED FOR UNNECESSARY WITNESSES IN ESTABLISHING A CHAIN OF CUSTODY WHEN THE DEFENDANT DOES NOT TIMELY OBJECT TO THE ADMISSION OF A LABORATORY REPORT OR THE CHAIN OF CUSTODY, TO AMEND THE EVIDENCE LAWS DEALING WITH THE OPTOMETRIST/PATIENT PRIVILEGE,

AND TO AUTHORIZE SUPERIOR COURT SESSIONS IN THOMASVILLE AND MOORESVILLE. The Chair recognized Representative Dockham to explain the Senate Committee Substitute. Representative Dockham was not present; therefore, the Chair recognized the Counsel to explain the bill. Representative Neely was recognized by the Chair to explain Section 3. Representative Gulley moved that the Rules Committee recommend that the House concur with the Senate Committee Substitute. Motion carried.

The first resolution before the Committee was House Joint Resolution 1236 - A JOINT RESOLUTION HONORING THE LIFE AND MEMORY OF CALVIN LEE KOONCE, JR. Representative Warner was recognized to explain the resolution. Representative McMahan moved for a favorable report. Motion carried.

The next bill before the Committee was Senate Bill 597 - A BILL TO BE ENTITLED AN ACT TO ALLOW PHYSICIANS PRACTICING PSYCHIATRY AND PSYCHOLOGISTS TO FORM PROFESSIONAL CORPORATIONS WITH LICENSED PROFESSIONAL COUNSELORS. The Chair recognized Senator Lee to explain the bill. Representative Bowie moved for a favorable report. Motion carried.

Senate Bill 564 - A BILL TO BE ENTITLED AN ACT TO AMEND THE NORTH CAROLINA FINANCIAL PRIVACY ACT TO PERMIT THE DISCLOSURE OF THE NAME, ADDRESS, AND TYPE OF ACCOUNT OF ANY CUSTOMER was the next bill before the Committee. A proposed House committee substitute bill was offered and Representative Esposito moved for its adoption for committee discussion. Motion carried. Senator Reeves was recognized to explain the bill. Chair recognized Mr. Paul Stock, representing the North Carolina Banker's Association, who spoke in support of the bill. Representative Neely moved for a favorable report for the House committee substitute, and an unfavorable report for the original bill, and have the committee substitute re-referred to the Committee of Commerce. Motion carried.

Without objection, the Chair brought before the Committee House Bill 794 -A BILL TO BE ENTITLED AN ACT TO MAKE SUBSTANTIVE CHANGES TO THE NORTH CAROLINA ENGINEERING AND LAND SURVEYING ACT Representative Culp moved to adopt the committee substitute for discussion and debate. Representative Ives, bill sponsor, was recognized to explain the changes in the bill. Mr. Paul Goodson, Executive Director of Professional Engineers in North Carolina, was recognized and spoke in favor of the bill. Representative Culp asked Mr. Goodson how the bill would affect the technicians and technical specialists that would be working with the Animal Waste Management Irrigation System. Mr. Goodson said that the bill was written especially with such groups as the technical specialists for animal waste sprayer irrigation in mind. He said the bill would authorize those qualified to do the work with out putting an exemption in the licensing law. Mr. Dewey Botts, Division Director of Soil and Water Conservation with the Department of Environment, Health, and Natural

Resources, spoke in favor of this bill. The Chair temporarily displaced House Bill 794 so Committee on Rules, Calendar, and Operations of the House that the Rules Committee could convene with the House Education Committee to discuss House Joint Resolution 1004. The Chair had the Rules Committee recessed for five minutes at 1:45 p.m. to allow the House Education Committee to get seated.

Representative Morgan, Chair, reconvened the joint meeting at 1:50 p.m. The Chair asked the clerk to call the roll for the House Education Committee and the following members were present: Representatives Russell and Shubert, Co-Chairs; and Representatives Boyd-McIntyre, Davis, Dickson, Fox, Gulley, Hall, McMahan, Morris, Nye, Oldham, Rayfield, Smith, and Tolson.

House Joint Resolution 1004 -STATE BOARD OF EDUCATION CONFIRMATION was before the joint committees for consideration. Representative Gulley moved to adopt the committee substitute entitled - A JOINT RESOLUTION PROVIDING FOR CONFIRMATION OF THE APPOINTMENTS OF EVELYN B. MONROE, JOHN R. LAURITZEN, AND JAY M. ROBINSON TO MEMBERSHIP ON THE STATE BOARD OF EDUCATION- for purpose of discussion. Motion carried. Education Committee Counsel, Robin Johnson, explained the committee substitute named the three individuals appointed by the Governor to fill terms of membership on the State Board of Education. The appointments are Evelyn B. Monroe, John R. Lauritzen, and Jay M. Robinson. Each Committee member received a packet of information about the three nominees. Each nominee was recognized to speak to the Joint Committee. At the conclusion of their remarks, Representative McMahan moved for a favorable report to the committee substitute bill and unfavorable to the original bill Motion carried.

There being no further business, the meeting adjourned.

A BILL TO BE ENTITLED

AN ACT TO REVISE AND CONSOLIDATE THE CHARTER OF THE VILLAGE OF BALD HEAD ISLAND AND TO EXTEND THE CORPORATE LIMITS OF THE TOWN OF LELAND.

Whereas, Bald Head Island is suitably located in a subtropic environment and blessed with temperate climates from the Atlantic Ocean and is conducive to the maintenance of permanent and retirement residences and other buildings and structures with an emphasis on environmental controls and a planned community; and

Whereas, the Village of Bald Head Island, in company with all its residents and property owners and their representatives, is fully aware of the unique nature of Bald Head Island with its combination of structures, land, and vegetation, including the oldest standing lighthouse along the coast of the State and approximately 172 acres of publicly owned prime maritime forest, that exist in a delicate ecological balance requiring careful planning, nurture, and support, as evidenced in the development plan for the island; and

Whereas, Bald Head Island is solely situated between the waters of the Atlantic Ocean and the Cape Fear River and is not connected to the mainland of the State by either natural or man-made structures, necessitating a unique form of transportation unlike any other in the State; and

Whereas, the Village of Bald Head Island recognizes the inordinately large numbers of nonresident property owners and values their past contributions to the orderly and successful development of Bald Head Island; and

Whereas, while there exists no formal arrangement to continue an ongoing obligatory relationship with the nonresident property owners, the Village of Bald Head Island has long recognized such a relationship to be beneficial to all persons who have an interest in the island and the advisability of continuing to call upon nonresidents for their expertise and counsel; and

Whereas, the Village of Bald Head Island has served and will continue to serve as a model for cooperation between government and property owners and their representatives in efficient service and good planning without duplication in expenditures or unnecessary taxation; and

Whereas, Bald Head Island with its variance in seasonal population has benefited from the advantages of a municipal form of government, with the modifications and limitations as specified herein, in order to achieve its goals as a planned community; Now, therefore,

The General Assembly of North Carolina enacts:

PART I. BALD HEAD ISLAND CHARTER

Section 1. The Charter of the Village of Bald Head Island is revised and consolidated to read as follows:

"THE CHARTER OF THE VILLAGE OF BALD HEAD ISLAND.

"ARTICLE I. INCORPORATION, CORPORATE POWERS, AND BOUNDARIES.

"Section 1.1. **Incorporation.** The Village of Bald Head Island, North Carolina, in Brunswick County, and the inhabitants thereof shall continue to be a municipal body politic and corporate, under the name of the 'Village of Bald Head Island', hereinafter at times referred to as the 'Village'.

"Section 1.2. **Powers.** The Village shall have and may exercise all of the powers, duties, rights, privileges, and immunities conferred upon the Village of Bald Head Island specifically by this Charter or upon municipal corporations by general law. The term 'general law' is employed herein as defined in G.S. 160A-1.

"Section 1.3. **Corporate Boundaries.** The corporate boundaries shall be those existing at the time of ratification of this Charter, as set forth on the official map of the Village and as they may be altered from time to time in accordance with law. An official map of the Village, showing the current municipal boundaries, shall be maintained permanently in the office of the Village Clerk and shall be available for public inspection. Upon alteration of the corporate limits pursuant to law, the appropriate changes to the official map shall be made and copies shall be filed in the offices of the Secretary of State, the Brunswick County Register of Deeds, and the appropriate board of elections.

"ARTICLE II. GOVERNING BODY.

"Section 2.1. **Village Governing Body; Composition.** The Mayor and the Village Council shall be the governing body of the Village.

"Section 2.2. **Village Council; Composition; Terms of Office.** The Council shall be composed of five members to be elected by all the qualified voters of the Village for terms of four years, or until their successors are elected and qualified.

"Section 2.3. **Mayor; Term of Office; Duties.** The Mayor shall be elected by the Council from among its membership, to serve for a term of two years. The Mayor shall be the official head of the Village government and preside at meetings of the Council, shall have the right to vote on all matters before the Council, but shall not have the power to vote again in instances where there is an equal division on a question, and shall exercise the powers and duties conferred by law or as directed by the Council.

"Section 2.4. **Mayor Pro Tempore.** The Council shall elect one of its members as Mayor Pro Tempore to perform the duties of the Mayor during the Mayor's absence or disability, in accordance with general law.

"Section 2.5. **Meetings.** In accordance with general law, the Council shall establish a suitable time and place for its regular meetings. Special and emergency meetings may be held as provided by general law.

"Section 2.6. **Quorum; Voting Requirements.** Official actions of the Council and all votes shall be taken in accordance with applicable provisions of general law, particularly G.S. 160A-75. The quorum provisions of G.S. 160A-74 shall apply.

"Section 2.7. **Qualifications for Office; Compensation; Vacancies.** The qualifications of the Mayor and Council members shall be in accordance with general law. The Mayor and Council members shall receive no compensation for their services but may be reimbursed for ordinary and necessary expenses. Vacancies shall be filled as provided in G.S. 160A-63.

"ARTICLE III. ELECTIONS.

"Section 3.1. **Regular Municipal Elections.** Regular municipal elections shall be held in each odd-numbered year in accordance with the uniform municipal election laws of North Carolina. Elections shall be conducted on a nonpartisan basis and the results determined using the nonpartisan plurality method as provided in G.S. 163-292.

"Section 3.2. **Election of Council Members.** The Council members serving on the date of ratification of this Charter shall serve until the expiration of their terms or until their successors are elected and qualified. Except for the filling of vacancies as provided for in G.S. 160A-63, two Council members shall be elected at the regular municipal election in 1997 and every four years thereafter, and three Council members shall be elected at the regular municipal election in 1999 and every four years thereafter.

"Section 3.3. **Special Elections and Referenda.** Special elections and referenda may be held only as provided by general law or applicable local acts of the General Assembly.

"ARTICLE IV. ORGANIZATION AND ADMINISTRATION.

"Section 4.1. **Form of Government.** The Village shall operate under the council-manager form of government, in accordance with G.S. 160A, Article 7, Part 2.

"Section 4.2. **Village Manager; Appointment; Powers and Duties.** The Council shall appoint a Village Manager who shall be responsible for the administration of all departments of the Village government. The Village Manager shall have all the powers and duties conferred by general law, except as expressly limited by the provisions of this Charter, and the additional powers and duties conferred by the Council, so far as authorized by general law.

"Section 4.3. **Manager's Personnel Authority; Role of Elected Officials.** As chief administrator, the Village Manager shall have the power to appoint, suspend, and remove all officers, department heads, and employees in the administrative service of the Village, with the exception of the Village Attorney, the Village Clerk, and any other official whose appointment or removal is specifically vested in the Council by this Charter or by general law. Neither the Council nor any of its members shall take part in the appointment or removal of officers and employees in the administrative service of the Village, except as provided by this Charter. Except for the purpose of inquiry, or for consultation with the Village Attorney, the Council and its members shall deal with the administrative service solely through the Village Manager, Acting Manager, or Interim Manager, and neither the Council nor any of its members shall give any specific orders to any subordinates of the Village Manager, Acting Manager, or Interim Manager, either publicly or privately.

"Section 4.4. **Village Attorney.** The Village Council shall appoint a Village Attorney licensed to practice law in North Carolina. It shall be the duty of the Village Attorney to represent the Village, advise Village officials, and perform other duties required by law or as the Council may direct.

"Section 4.5. **Village Clerk.** The Village Council shall appoint a Village Clerk to keep a journal of the proceedings of the Council, to maintain official records and documents, to give notice of meetings, and to perform such other duties required by law or as the Council may direct.

"Section 4.6. **Tax Collector.** The Village shall have a Tax Collector to collect all taxes owed to the Village, subject to general law, this Charter, and Village ordinances and to perform those duties specified in G.S. 105-350 and such other duties as prescribed by law or assigned by the Village Manager. Notwithstanding the provisions of G.S. 105-349, the Village Manager is authorized to appoint and remove the Tax Collector and any deputy tax collectors.

"Section 4.7. **Finance Director.** The Village Manager shall appoint a Finance Officer to perform the duties designated in G.S. 159-25 and such other duties as may be prescribed by law or as the Council may direct, or the Village Council may, at its election, confer the duties of Finance Officer on the Village Manager as Budget Officer. The Finance Officer may be entitled 'Accountant', 'Treasurer', 'Finance Director', 'Finance Officer', or any other reasonably descriptive title.

"Section 4.8. **Other Administrative Officers and Employees.** The Council may authorize other positions to be filled by appointment by the Village Manager and may organize the Village government as deemed appropriate, subject to the requirements of general law.

"ARTICLE V. FINANCE AND TAXATION.

"Section 5.1. **Room Occupancy and Tourism Development Tax.** The authority of the Village to levy a room occupancy and tourism tax shall continue as authorized by Chapter 664 of the 1991 Session Laws, and any subsequent acts.

"ARTICLE VI. CONTRACT POST OFFICE.

"Section 6.1. **Contract Post Office.** The authority of the Village to operate a contract post office shall continue as authorized by Chapter 16 of the 1991 Session Laws, as amended by Chapter 350 of the 1991 Session Laws, and any subsequent acts.

"ARTICLE VII. NO-WAKE SPEED ZONE.

"Section 7.1. **'No-Wake' Speed Zone.** The 'no-wake' speed zone established by Chapter 688 of the 1987 Session Laws, and any subsequent acts, shall continue as authorized.

"ARTICLE VIII. MISCELLANEOUS.

"Section 8.1. **Motorboat Operation.** The Village may regulate the speed and operation of motorboats within the Village jurisdiction to preserve the tranquillity and environment of the Village.

"Section 8.2. **Sand Dunes.** The Village may construct, reconstruct, plant, and maintain sand dunes and regulate access to and across dunes to prevent or repair damage to dunes so as to provide protection against erosion or overwash.

"Section 8.3. **Beach Regulation.** The Village may, by ordinance, establish standards of dress, conduct, and decorum on the beaches of Bald Head Island and may otherwise regulate the use of those beaches within the Village jurisdiction.

"ARTICLE IX. PHASED DEVELOPMENT PLAN.

"Section 9.1. **Phased Development Plan.** In accordance with an act to incorporate the Village of Bald Head Island, Chapter 156 of the 1985 Session Laws, the Village Council was required to adopt by ordinance plans of development consistent with the historical land-use patterns and densities in existence on Bald Head Island at the time of ratification of the act. The Village Council, after public hearing and upon recommendation of its Planning Board, adopted a zoning ordinance for the undeveloped portions of Bald Head Island consistent with those historical land-use patterns and densities. Such zoning ordinance is based upon a 'Phased Development Plan' (as that term is defined in G.S. 160A-385.1(b)(3)), which plan was prepared by Bald Head Island Limited.

"Section 9.2. **Vested Rights.** The owners of the undeveloped portions of Bald Head Island are declared hereby to have acquired vested rights in accordance with G.S. 160A-385.1 as to the 'Phased Development Plan' entitled 'Revised June 29, 1995 STAGE 2 MASTER PLAN BALD HEAD ISLAND NORTH CAROLINA BALD HEAD ISLAND PLANNING DEPARTMENT' and approved by the State Division of Coastal Management on August 7, 1995. Notwithstanding the provisions of G.S. 160A-385.1(d), these vested rights shall be valid through December 31, 1999, and no longer. Nothing in this section shall be construed to prohibit the further granting of vested rights by the Village pursuant to the provisions of G.S. 160A-385.1.

"Section 9.3. **Alteration of Vested Rights.** As specifically authorized by G.S. 160A-385.1(e)(1)a., the vested rights herein granted may only be changed, prior to December 31, 1999, as allowed by the exceptions set forth in G.S. 160A-385.1(e). In

addition, subject to the approval of the Village and within the limits established by the Village zoning and other land-use ordinances, vested densities may be transferred within the area depicted on the Stage 2 Master Plan referred to in Section 9.2 of this Charter so long as the density of development within the total area is not increased.

"Section 9.4. **Land-Use Regulation.** Except as herein expressly provided, nothing in this Charter shall be construed to prohibit the Village from amending its current land-use regulatory ordinances, in whole or in part, or otherwise regulating the use of land within the planning and zoning jurisdiction of the Village.

"ARTICLE X. MOTOR VEHICLE REGULATION.

"Section 10.1. **Motor Vehicle Regulation.** The Village may by ordinance exempt from the provisions of Articles 3, 3A, 11, and 13 of Chapter 20 of the General Statutes, in whole or in part, the registration, licensing, regulation, inspection, or equipping of motor vehicles and may regulate the use, operation, possession, and ownership of motor vehicles within the jurisdiction of the Village of Bald Head Island. Additionally, notwithstanding the provisions of Chapter 20 of the General Statutes or any other statute, and in addition to those powers now or hereafter conferred by law, the Village shall have the authority to regulate motor vehicles and other means of transportation within the jurisdiction of the Village, including the following:

(1) Regulation of the use and operation of all vehicles, as defined in G.S. 20-4.01(49).

(2) Regulation of all electrically powered vehicles or vehicles powered by fossil fuel or internal combustion engines.

(3) Regulation of the size, weight, lighting, safety standards, and engine or motor size or power characteristics of all vehicles or other means of transportation within the jurisdiction of the Village.

"Section 10.2. **Street Regulation.** In order to establish and preserve the unique character and aesthetics of Bald Head Island, the Village may adopt, by ordinance, such standards for the establishment and maintenance of streets and roads within the jurisdiction of the Village as it deems appropriate. The streets and roads within the jurisdiction of the Village shall not be under the authority of the Department of Transportation. The provisions of Articles 2 and 2A of Chapter 136 of the General Statutes shall not apply within the jurisdiction of the Village. The Village shall be exempt from the provisions of G.S. 136-66.2.

"ARTICLE XI. SEA TURTLE SANCTUARY.

"Section 11.1. **Sea Turtle Sanctuary.** The Village of Bald Head Island may create and establish a sea turtle sanctuary within the areas of the Village limits above the mean low watermark, to include the foreshore. Any ordinances adopted by the Village to regulate activities within the sea turtle sanctuary that may or will disturb or destroy a sea turtle, a sea turtle nest, or sea turtle eggs, must be consistent with the ordinance powers found in G.S. 160A-174, G.S. 160A-308, and any other law. The ordinances adopted by the Village may by cross-reference incorporate the criminal statutes regarding the taking of sea turtles in G.S. 113-189 and G.S. 113-337. It shall be unlawful for any person within the sea turtle sanctuary to disturb or destroy a sea

turtle, a sea turtle nest, or sea turtle eggs in violation of an ordinance adopted by the Village of Bald Head Island."

Section 2. The purpose of Part I of this act is to revise the Charter of the Village of Bald Head Island and to consolidate certain acts concerning the property, affairs, and government of the Village. It is intended to continue without interruption those provisions of prior acts which are expressly consolidated into Part I of this act, so that all rights and liabilities which have accrued are preserved and may be enforced.

Section 3. This act does not repeal or affect any acts concerning the property, affairs, or government of public schools or any acts validating official actions, proceedings, contracts, or obligations of any kind.

Section 4. The provisions of Chapter 156 of the 1985 Session Laws, except for the provisions of Section 4-3(f), (g), and (h), having served the purposes for which they were enacted or having been consolidated into Part I of this act, are expressly repealed. The provisions of Section 4-3f., g., and h. of Chapter 156 of the 1985 Session Laws are expressly not repealed and shall continue as authorized.

Section 5. The Mayor and Council members serving on the date of ratification of this act shall serve until the expiration of their terms or until their successors are elected and qualified. Thereafter those offices shall be filled as provided in Articles II and III of Section 1 of this Charter.

Section 6. Part I of this act does not affect any rights or interests which arose under any provisions repealed by Part I of this act.

Section 7. All existing ordinances, resolutions, and other provisions of the Village of Bald Head Island not inconsistent with the provisions of Part I of this act shall continue in effect until repealed or amended.

Section 8. No action or proceeding pending on the effective date of this act by or against the Village or any of its departments or agencies shall be abated or otherwise affected by this act.

Section 9. Whenever a reference is made in Part I of this act to a particular provision of the general statutes, and that provision is later amended, superseded, or recodified, the reference shall be deemed amended to refer to the amended general statute or to the general statute that most clearly corresponds to the statutory provision that is superseded or recodified.

A BILL TO BE ENTITLED

AN ACT TO FACILITATE THE TRIAL OF DRUG OFFENSES BY AUTHORIZING THE USE OF LABORATORY REPORTS IN SUPERIOR COURT AND JUVENILE COURT PROCEEDINGS AND BY ELIMINATING THE NEED FOR UNNECESSARY WITNESSES IN ESTABLISHING A CHAIN OF CUSTODY WHEN THE DEFENDANT DOES NOT TIMELY OBJECT TO THE ADMISSION OF A LABORATORY REPORT OR THE CHAIN OF CUSTODY, TO AMEND THE EVIDENCE LAWS DEALING WITH THE OPTOMETRIST/PATIENT PRIVILEGE, AND TO AUTHORIZE SUPERIOR COURT SESSIONS IN THOMASVILLE AND MOORESVILLE.

The General Assembly of North Carolina enacts:

Section 1. G.S. 90-95(g) reads as rewritten:

"(g) Whenever matter is submitted to the North Carolina State Bureau of Investigation Laboratory, the Charlotte, North Carolina, Police Department Laboratory or to the Toxicology Laboratory, Reynolds Health Center, Winston-Salem for chemical analysis to determine if the matter is or contains a controlled substance, the report of that analysis certified to upon a form approved by the Attorney General by the person performing the analysis shall be admissible without further authentication in all proceedings in the district court ~~division~~ and superior court divisions of the General Court of Justice as evidence of the identity, nature, and quantity of the matter analyzed. Provided, however, that a report is admissible in a criminal proceeding in the superior court division or in an adjudicatory hearing in juvenile court in the district court division only if:

(1) The State notifies the defendant at least 15 days before trial of its intention to introduce the report into evidence under this subsection and provides a copy of the report to the defendant, and

(2) The defendant fails to notify the State at least five days before trial that the defendant objects to the introduction of the report into evidence.

Nothing in this subsection precludes the right of any party to call any witness or to introduce any evidence supporting or contradicting the evidence contained in the report."

Section 2. G.S. 90-95 is amended by adding a new subsection to read:

"(g1) Procedure for establishing chain of custody without calling unnecessary witnesses. --

(1) For the purpose of establishing the chain of physical custody or control of evidence consisting of or containing a substance tested or analyzed to determine whether it is a controlled substance, a statement signed by each successive person in the chain of custody that the person delivered it to the other person indicated on or about the date stated is prima facie evidence that the person had custody and made the delivery as stated, without the necessity of a personal appearance in court by the person signing the statement.

(2) The statement shall contain a sufficient description of the material or its container so as to distinguish it as the particular item in question and shall state that the material was delivered in essentially the same condition as received. The statement may be placed on the same document as the report provided for in subsection (g) of this section.

(3) The provisions of this subsection may be utilized by the State only if:

a. The State notifies the defendant at least 15 days before trial of its intention to introduce the statement into evidence under this subsection and provides the defendant with a copy of the statement, and

b. The defendant fails to notify the State at least five days before trial that the defendant objects to the introduction of the statement into evidence.

(4) Nothing in this subsection precludes the right of any party to call any witness or to introduce any evidence supporting or contradicting the evidence contained in the statement."

Section 3. G.S. 8-53.9, as enacted in Section 4 of S.L. 1997-75, reads as rewritten:

"**§ 8-53.9. Optometrist/patient privilege.**

No person licensed pursuant to Article 6 of Chapter 90 of the General Statutes shall be required to disclose any information that may have been acquired in rendering professional optometric ~~services,~~ services and which information was

necessary to enable that person to render professional optometric services, except that the presiding judge of a superior or district court may compel this disclosure, if, in the court's opinion, disclosure is necessary to a proper administration of justice and disclosure is not prohibited by other statute or rule."

Section 4. G.S. 7A-42 is amended by adding a new subsection to read:

"(a1) In addition to the sessions of superior court authorized by subsection (a) of this section, sessions of superior court in the following counties may be held in the additional seats of court listed by order of the Senior Resident Superior Court Judge after consultation with the Chief District Court Judge:

County	Additional Seats of Court
Davidson	Thomasville
Iredell	Mooresville

The courtrooms and related judicial facilities for these sessions of superior court may be provided by the municipality, and in such cases the facilities fee collected for the State by the clerk of superior court shall be remitted to the municipality to assist in meeting the expense of providing those facilities."

Section 5. Sections 1 and 2 of this act become effective December 1, 1997, and apply to criminal offenses committed on or after that date. Section 3 of this act is effective when this act becomes law and applies to information acquired on or after that date. The remainder of this act becomes effective July 7, 1997.

HOUSE BILL 1122

Short Title: Controlled Substances Evidence. (Public)

Sponsors: Representative Gulley.

Referred to: Judiciary I.

April 21, 1997

A BILL TO BE ENTITLED

AN ACT TO FACILITATE THE TRIAL OF DRUG OFFENSES BY AUTHORIZING THE USE OF LABORATORY REPORTS IN SUPERIOR COURT AND JUVENILE COURT PROCEEDINGS AND BY ELIMINATING THE NEED FOR UNNECESSARY WITNESSES IN ESTABLISHING A CHAIN OF CUSTODY, WHEN THE DEFENDANT DOES NOT TIMELY OBJECT TO THE ADMISSION OF A LABORATORY REPORT OR THE CHAIN OF CUSTODY.

The General Assembly of North Carolina enacts:

Section 1. G.S. 90-95 reads as rewritten:

"**§ 90-95. Violations; penalties.**

(a) Except as authorized by this Article, it is unlawful for any person:

(1) To manufacture, sell or deliver, or possess with intent to manufacture, sell or deliver, a controlled substance;

(2) To create, sell or deliver, or possess with intent to sell or deliver, a counterfeit controlled substance;

(3) To possess a controlled substance.

(b) Except as provided in subsections (h) and (i) of this section, any person who violates G.S. 90-95(a)(1) with respect to:

(1) A controlled substance classified in Schedule I or II shall be punished as a Class H felon;

(2) A controlled substance classified in Schedule III, IV, V, or VI shall be punished as a Class I felon, but the transfer of less than 5 grams

of marijuana for no remuneration shall not constitute a delivery in violation of G.S. 90-95(a)(1).

(c) Any person who violates G.S. 90-95(a)(2) shall be punished as a Class I felon.

(d) Except as provided in subsections (h) and (i) of this section, any person who violates G.S. 90-95(a)(3) with respect to:

(1) A controlled substance classified in Schedule I shall be punished as a Class I felon;

(2) A controlled substance classified in Schedule II, III, or IV shall be guilty of a Class 1 misdemeanor. If the controlled substance exceeds four tablets, capsules, or other dosage units or equivalent quantity of hydromorphone or if the quantity of the controlled substance, or combination of the controlled substances, exceeds one hundred tablets, capsules or other dosage units, or equivalent quantity, the violation shall be punishable as a Class I felony. If the controlled substance is phencyclidine, or cocaine and any salt, isomer, salts of isomers, compound, derivative, or preparation thereof, or coca leaves and any salt, isomer, salts of isomers, compound, derivative, or preparation of coca leaves, or any salt, isomer, salts of isomers, compound, derivative or preparation thereof which is chemically equivalent or identical with any of these substances (except decocanized coca leaves or any extraction of coca leaves which does not contain cocaine or ecgonine), the violation shall be punishable as a Class I felony.

(3) A controlled substance classified in Schedule V shall be guilty of a Class 2 misdemeanor;

(4) A controlled substance classified in Schedule VI shall be guilty of a Class 3 misdemeanor, but any sentence of imprisonment imposed must be suspended and the judge may not require at the time of sentencing that the defendant serve a period of imprisonment as a special condition of probation. If the quantity of the controlled substance exceeds one-half of an ounce (avoirdupois) of marijuana or one-twentieth of an ounce (avoirdupois) of the extracted resin of marijuana, commonly known as hashish, the violation shall be punishable as a Class 1 misdemeanor. If the quantity of the controlled substance exceeds one and one-half ounces (avoirdupois) of marijuana or three-twentieths of an ounce (avoirdupois) of the extracted resin of marijuana, commonly known as hashish, or if the controlled substance consists of any quantity of synthetic tetrahydrocannabinols or tetrahydrocannabinols isolated from the resin of marijuana, the violation shall be punishable as a Class I felony.

(d1) Except as authorized by this Article, it is unlawful for any person to:

(1) Possess an immediate precursor chemical with intent to manufacture a controlled substance; or

(2) Possess or distribute an immediate precursor chemical knowing, or having reasonable cause to believe, that the immediate precursor chemical will be used to manufacture a controlled substance.

Any person who violates this subsection shall be punished as a Class H felon.

(d2) The immediate precursor chemicals to which subsection (d1) of this section applies are those immediate precursor chemicals designated by the Commission pursuant to its authority under G.S. 90-88, and the following (until otherwise specified by the Commission):

(1) Anthranilic acid.
(2) Benzyl cyanide.
(3) Chloroephedrine.
(4) Chloropseudoephedrine.
(5) D-lysergic acid.
(6) Ephedrine.
(7) Ergonovine maleate.
(8) Ergotamine tartrate.
(9) Ethyl Malonate.
(10) Ethylamine.
(11) Isosafrole.
(12) Malonic acid.
(13) Methylamine.
(14) N-acetylanthranilic acid.
(15) N-ethylephedrine.
(16) N-ethylepseudoephedrine.
(17) N-methylephedrine.
(18) N-methylpseudoephedrine.
(19) Norpseudoephedrine.
(20) Phenyl-2-propane.
(21) Phenylacetic acid.
(22) Phenylpropanolamine.
(23) Piperidine.
(24) Piperonal.
(25) Propionic anhydride.
(26) Pseudoephedrine.
(27) Pyrrolidine.
(28) Safrole.
(29) Thionylchloride.

(e) The prescribed punishment and degree of any offense under this Article shall be subject to the following conditions, but the punishment for an offense may be increased only by the maximum authorized under any one of the applicable conditions:

(1), (2) Repealed by Session Laws 1979, c. 760, s. 5.

c. Is 1,000 or more dosage units, or equivalent quantity, such person shall be punished as a Class D felon and shall be sentenced to a minimum term of 175 months and a maximum term of 219 months in the State's prison and shall be fined not less than two hundred thousand dollars ($200,000).

(5) Except as provided in this subdivision, a person being sentenced under this subsection may not receive a suspended sentence or be placed on probation. The sentencing judge may reduce the fine, or impose a prison term less than the applicable minimum prison term provided by this subsection, or suspend the prison term imposed and place a person on probation when such person has, to the best of his knowledge, provided substantial assistance in the identification, arrest, or conviction of any accomplices, accessories, co-conspirators, or principals if the sentencing judge enters in the record a finding that the person to be sentenced has rendered such substantial assistance.

(6) Sentences imposed pursuant to this subsection shall run consecutively with and shall commence at the expiration of any sentence being served by the person sentenced hereunder.

(i) The penalties provided in subsection (h) of this section shall also apply to any person who is convicted of conspiracy to commit any of the offenses described in subsection (h) of this section."

Section 2. This act becomes effective December 1, 1997, and applies to criminal offenses committed on or after that date.

MEMORANDUM

TO: Senator R.C. Soles, Jr., Chairman
Commerce Committee

FROM: Linwood Jones, Counsel

RE: Senate Bill 597 (Licensed Professional Counselors)

Senate Bill 597 will allow psychiatrists and/or licensed psychologists to form professional corporations with licensed professional counselors for the purpose of providing psychotherapeutic and related services. This bill does not expand the scope of practice of these practitioners; they can each continue to provide only those services that their respective professions are licensed to provide.

G.S. 55B-14(c) sets ou the different combinations of professional health services that are allowed under current law. Current law already allows psychiatrists and/or psychologists to practice together in professional corporations with certified clinical specialists in psychiatric and mental health nursing and with certified clinical social workers. Section 1 of the bill adds licensed professional counselors.

Section 2 of the bill amends the definition of "professional services" under G.S. 55B-2 to include licensed professional counselors.

Section 3 of the bill makes this act effective October 1, 1997.

MEMORANDUM

TO: Committee on the Rules, Calendar and Operations of the House

FROM: Terrence D. Sullivan

RE: **SENATE BILL 564** (Proposed House Committee Substitute s564-PCS7834) – **TO AMEND THE NORTH CAROLINA FINANCIAL PRIVACY ACT TO PERMIT THE DISCLOSURE OF THE NAME, ADDRESS, AND THE EXISTENCE OF AN ACCOUNT OF ANY CUSTOMER.**

Senate Bill 564 amends the North Carolina Financial Privacy Act, enacted in 1986, to restore language allowing a financial institution to disclose the name, address, account number, and type of account of any customer to a government authority. This language was deleted from the law by Chapter 222 of the Laws of 1995.

Chapter 222 of the Laws of 1995 conformed the State law to the federal Right to Financial Privacy Act. It added the provision that the information be limited to a description of the suspected illegal activity and the name or other identifying information about the person or entity involved. It also added the provision granting immunity under state law from liability to the customer for information so provided or for failure to notify the customer of the disclosure. These provision are almost identical to those found in the federal law.

This bill would allow financial institutions to disclose the name, address, the fact of the existence of an account to a government authority upon its written request containing a reason for the request.

This act would become effective October 1, 1997.

A BILL TO BE ENTITLED

AN ACT TO MAKE SUBSTANTIVE CHANGES TO THE NORTH CAROLINA ENGINEERING AND LAND SURVEYING ACT.

The General Assembly of North Carolina enacts:

Section 1. G.S. 89C-2 reads as rewritten:

"**§ 89C-2. Declarations; prohibitions.**

In order to safeguard life, health, and property, and to promote the public welfare, the practice of engineering and the practice of land surveying in this State are hereby declared to be subject to regulation in the public interest. It shall be unlawful for any person to practice or to offer to practice engineering or land surveying in this State, as defined in the provisions of this Chapter, or to use in connection with ~~his~~ the person's name or otherwise assume or advertise any title or description tending to convey the impression that ~~he~~ the person is ~~either a professional engineer or a registered~~ a professional engineer, professional land surveyor, or an engineering technologist unless ~~such~~ the person has been duly ~~registered as such.~~ licensed. The right to engage in the practice of engineering or land surveying ~~shall be deemed~~ is a personal right, based on the qualifications of the ~~individual~~ person as evidenced by ~~his~~ the person's certificate of ~~registration,~~ licensure, which shall not be transferable. Nothing in this Chapter prevents the contracting for engineering or land surveying services in ways, for types or scope of services, and according to terms that are not prohibited by statute."

Section 2. G.S. 89C-3 reads as rewritten:

"**§ 89C-3. Definitions.**

The following definitions apply in this Chapter:

(1) Board. -- The North Carolina State Board of ~~Registration~~ Examiners for ~~Professional~~ Engineers and ~~Land~~ Surveyors provided for by this Chapter.

(1a) Business firm. -- A partnership, firm, association, or another organization or group that is not a corporation and is acting as a unit.

(2) Engineer. -- A person who, by reason of ~~his~~ special knowledge and use of the mathematical, physical and engineering sciences and the principles and methods of engineering analysis and design, acquired by engineering education and engineering experience, is qualified to practice engineering.

(3) ~~Engineer-in-training.~~ Engineering intern. -- A person who complies with the requirements for education, experience and character, and has passed an examination in the fundamental engineering subjects, as provided in this Chapter.

(3a) Inactive licensee. -- Licensees who are not engaged in the practice of engineering or land surveying in this State.

(4) ~~Land surveyor-in-training.~~ Land surveyor intern. -- A person who has qualified for, taken, and passed an examination on the basic disciplines of land surveying as provided in this Chapter.

(5) Person. -- Any natural person, firm, partnership, corporation or other legal entity.

(6) Practice of engineering. --

a. Any service or creative work, the adequate performance of which requires engineering education, training, and experience, in the application of special knowledge of the mathematical, physical, and engineering sciences to such services or creative work as consultation, investigation, evaluation, planning, and design of engineering works and systems, planning the use of land and water, engineering surveys, and the observation of construction for the purposes of assuring compliance with drawings and specifications, including the consultation, investigation, evaluation, planning, and design for either private or public use, in connection with any utilities, structures, buildings, machines, equipment, processes, work systems, projects, and industrial or consumer products or equipment of a mechanical, electrical, hydraulic, pneumatic or thermal nature, insofar as they involve safeguarding life, health or property, and including such other professional services as may be

necessary to the planning, progress and completion of any engineering services.

A person shall be construed to practice or offer to practice engineering, within the meaning and intent of this Chapter, who practices any branch of the profession of engineering; or who, by verbal claim, sign, advertisement, letterhead, card, or in any other way represents ~~himself~~ the person to be a professional engineer, or through the use of some other title implies that ~~he~~ the person is a professional engineer or that ~~he~~ the person is ~~registered~~ licensed under this Chapter; or who holds ~~himself~~ the person out as able to perform, or who does perform any engineering service or work not exempted by this Chapter, or any other service designated by the practitioner which is recognized as engineering.

b. The term 'practice of engineering' shall not be construed to permit the location, description, establishment or reestablishment of property lines or descriptions of land boundaries for conveyance. The term does not include the assessment of an underground storage tank required by applicable rules at closure or change in service unless there has been a discharge or release of the product from the tank.

(7) Practice of land ~~surveying by registered land surveyors.~~ surveying. --

a. ~~Any service or work, the adequate performance of which involves the application of special knowledge of the principles of mathematics, the related physical and applied sciences, and the relevant requirements of law for adequate evidence to the act of measuring and locating lines, angles, elevations, natural and man-made features in the air, on the surface of the earth, within underground workings, and on the beds of bodies of water for the purpose of determining areas and volumes, for the monumenting of property boundaries, and for the platting and layout of lands and subdivisions thereof, including the topography, alignment and grades of street and incidental drainage within the subdivision, and for the preparation and perpetuation of maps, record plats, field note records, and property descriptions that represent these surveys.~~ Providing professional services such as consultation, investigation, testimony, evaluation, planning, mapping, assembling, and interpreting reliable scientific measurements and information relative to the location, size, shape, or physical features of

the earth, improvements on the earth, the space above the earth, or any part of the earth, whether the gathering of information for the providing of these services is accomplished by conventional ground measurements, by aerial photography, by global positioning via satellites, or by a combination of any of these methods, and the utilization and development of these facts and interpretations into an orderly survey map, plan, report, description, or project. The practice of land surveying includes the following:

1. Locating, relocating, establishing, laying out, or retracing any property line, easement, or boundary of any tract of land;
2. Locating, relocating, establishing, or laying out the alignment or elevation of any of the fixed works embraced within the practice of professional engineering;
3. Making any survey for the subdivision of any tract of land, including the topography, alignment and grades of streets and incidental drainage within the subdivision, and the preparation and perpetuation of maps, record plats, field note records, and property descriptions that represent these surveys;
4. Determining, by the use of the principles of land surveying, the position for any survey monument or reference point, or setting, resetting, or replacing any survey monument or reference point;
5. Determining the configuration or contour of the earth's surface or the position of fixed objects on the earth's surface by measuring lines and angles and applying the principles of mathematics or photogrammetry;
6. Providing geodetic surveying which includes surveying for determination of the size and shape of the earth both horizontally and vertically and the precise positioning of points on the earth utilizing angular and linear measurements through spatially oriented spherical geometry; and
7. Creating, preparing, or modifying electronic or computerized data, including land information systems and geographic information systems relative to the performance of the practice of land surveying.

b. The term 'practice of land surveying' shall not be construed to permit the design or preparation of specifications for (i) major highways; (ii) wastewater systems; (iii) wastewater or

industrial waste treatment works; (iv) pumping or lift stations; (v) water supply, treatment, or distribution systems; (vi) streets or storm sewer systems except as incidental to a subdivision.

(8) Professional engineer. -- A person who has been duly ~~registered and~~ licensed as a professional engineer by the Board established by this Chapter.

(8a) Professional engineer, retired. -- A person who has been duly licensed as a professional engineer by the Board and who chooses to relinquish or not to renew a license and who applies to and is approved by the Board to be granted the use of the honorific title 'Professional Engineer, Retired'.

(9) ~~Registered~~ Professional land surveyor. -- A person who, by reason of ~~his~~ special knowledge of mathematics, surveying principles and methods, and legal requirements which are acquired by education and/or practical experience, is qualified to engage in the practice of land surveying, ~~as herein defined,~~ as attested by ~~his registration~~ the person's licensure as a ~~registered~~ professional land surveyor by the Board.

(9a) Professional land surveyor, retired. -- A person who has been duly licensed as a professional land surveyor by the Board and who chooses to relinquish or not to renew a license and who applies to and is approved by the Board to be granted the use of the honorific title 'Professional Land Surveyor, Retired'.

(10) Responsible charge. -- Direct control and personal supervision, either of engineering work or of land surveying, as the case may be.

(11) Technologist. -- A person deemed by the Board to be qualified for the limited practice of a technical specialty within engineering."

Section 3. G.S. 89C-4 reads as rewritten:

"**§ 89C-4. State Board of ~~Registration;~~ Examiners for Engineers and Surveyors; appointment; terms.**

A State Board of ~~Registration~~ Examiners for ~~Professional~~ Engineers and ~~Land~~ Surveyors, whose duty it is to administer the provisions of this Chapter, is created. The Board shall consist of four ~~registered~~ licensed professional engineers, three ~~registered~~ licensed professional land surveyors and two public members, who are neither professional engineers nor professional land surveyors. Of the land surveyor members, one and only one may hold dual ~~registration~~ licenses as a professional land surveyor and professional engineer. All of the members shall be appointed by the Governor. Appointments of the engineer and land surveyor members shall preferably, but not necessarily, be made from a list of nominees submitted by the professional societies for engineers and land surveyors in this State. Each member of the Board shall receive a certificate of appointment from the Governor and shall file with the

Secretary of State ~~his~~ a written oath or affirmation for the faithful discharge of ~~his~~ the duties.

Members of the Board serve for staggered five-year terms, and no member may be appointed for more than two full terms. Members serve until the expiration of their respective terms and until their respective successors are appointed. If a vacancy occurs during a term, the Governor shall appoint a successor from the same classification as the person causing the vacancy to serve for the remainder of the unexpired term. If the vacancy is not filled within 90 days after it occurs, the Board may appoint a provisional member to serve until the appointment by the Governor becomes effective. The provisional member during his tenure has all the powers and duties of a regular member."

Section 4. G.S. 89C-5 reads as rewritten:

"**§ 89C-5. Board members; qualifications.**

Each engineer member of the Board shall be a resident of North Carolina and shall be a ~~registered~~ licensed professional engineer engaged in the lawful practice of engineering in North Carolina for at least six years.

Each land surveyor member of the Board shall be a resident of North Carolina and shall be a ~~registered~~ licensed professional land surveyor engaged in the lawful practice of land surveying in North Carolina for at least six years.

Each public member of the Board shall be a resident of North Carolina."

Section 5. G.S. 89C-6 reads as rewritten:

"**§ 89C-6. Compensation and expenses of Board members.**

Each member of the Board, when attending to the work of the Board or any of its committees, shall receive as compensation for ~~his service~~ services the per diem and, in ~~addition thereto,~~ addition, shall be reimbursed for travel expenses and incidentals not exceeding the maximum set forth by law. In addition to per diem allowances, travel and incidentals, the secretary of the Board may, with the approval of the Board, receive such reasonable additional compensation as is compatible with the actual hours of work required by the duties of ~~his~~ the office."

Section 6. G.S. 89C-8 reads as rewritten:

"**§ 89C-8. Organization of the Board; meetings; election of officers.**

The Board shall hold at least two regular meetings each year. Special meetings may be held at such times and upon such notice as the rules and regulations of the Board may provide. The Board shall elect annually from its members a ~~chairman,~~ chair, a ~~vice-chairman,~~ vice-chair, and a secretary. A quorum of the Board shall consist of not less than five members. The Board shall operate under its rules and regulations supplemented by Robert's Rules of Order."

Section 7. G.S. 89C-9 reads as rewritten:

"**§ 89C-9. Executive ~~secretary;~~ director; duties and liabilities.**

The Board shall employ an executive ~~secretary~~ director who is not a member of the Board. The executive ~~secretary~~ director shall be a full-time employee of the Board and perform ~~such~~ the duties assigned to ~~him~~ the director by the secretary subject to the approval of the Board. The executive ~~secretary~~ director shall receive a salary and compensation fixed by the Board. The executive ~~secretary~~ director shall

give a surety bond satisfactory to the Board conditioned upon the faithful performance of ~~his~~ the director's ~~duties.~~ duties assigned. The premium on ~~said~~ the bond shall be a necessary and proper expense of the Board."

Section 8. G.S. 89C-10 reads as rewritten:

"**§ 89C-10. Board powers.**

(a) The Board ~~shall have the power to~~ may adopt and amend all ~~rules and regulations. Additionally, the Board shall have the power to adopt such rules,~~ rules and rules of ~~procedure, and regulations,~~ procedure as may be reasonably necessary for the proper performance of its duties, the regulation of its procedures, meetings, records, the ~~giving of~~ administration of ~~examinations and the conduct thereof,~~ examinations, and the ~~power~~ authority to enforce ~~such~~ the rules of professional conduct as ~~may, from time to time,~~ may be adopted by the Board pursuant to G.S. 89C-20.

The action by the Board in carrying out any of the powers specified ~~above~~ in this section shall be binding upon all persons ~~registered~~ licensed under this Chapter, including corporations and business firms holding certificates of authorization.

(b) The Board shall adopt and have an official seal, which shall be affixed to each certificate issued.

(c) The Board ~~is hereby authorized~~ may in the name of the State ~~to~~ apply for relief, by injunction, in the established manner provided in cases of civil procedure, without bond, to enforce the provisions of this Chapter, or to restrain any violation ~~thereof.~~ of the provisions of this Chapter. In ~~such proceedings,~~ proceedings for injunctive relief, it shall not be necessary to allege or prove either that an adequate remedy at law does not exist, or that substantial or irreparable damage would result from the continued violation ~~thereof.~~ of the provisions of this Chapter. The members of the Board shall not be personally liable under this proceeding.

(d) The Board may subject an applicant for ~~registration~~ licensure to ~~such~~ any examination ~~as it deems~~ necessary to determine ~~his~~ the applicant's qualifications.

(e) The Board ~~shall have the power to~~ may issue an appropriate certificate of ~~registration~~ licensure to any applicant who, in the opinion of the Board, has met the requirements of this Chapter. The Board may issue a certificate of licensure for the limited or provisional practice of engineering to an applicant who, in the opinion of the Board, has demonstrated substantially equivalent engineering qualifications for that limited or provisional practice. The Board shall provide guidance to the public and other authorities in determining the types of work or services that require licensure, limited licensure, or provisional licensure under this Chapter. The Board may discontinue the acceptance of applications for any category of provisional or limited licensure upon 90 days notice to the public.

(f) It shall be the responsibility and duty of the Board to conduct a regular program of investigation concerning all matters within its jurisdiction under the provisions of this Chapter. The investigation of a ~~registrant~~ licensee is confidential until the Board issues a citation to the ~~registrant.~~ licensee. The Board may expend its funds for salaries, fees, and per diem expenses, in connection with its investigations, provided that no ~~such~~ funds other than per diem expenses shall be paid to any

member of the Board in connection with its investigations, nor may any member of the Board give testimony and ~~thereafter~~ later sit in deciding on any matter which may directly involve punitive action ~~under such~~ for the testimony.

(g) The Board ~~is authorized and empowered to~~ may use its funds to establish and conduct instructional programs for persons who are currently ~~registered~~ licensed to practice engineering or land surveying, as well as refresher courses for persons interested in obtaining adequate instruction or programs of study to qualify them for ~~registration~~ licensure to practice engineering or land surveying. The Board may expend its funds for these purposes and ~~is authorized and empowered~~ may not only ~~to~~ conduct, sponsor, and arrange for instructional programs, but also ~~to~~ may carry out ~~such~~ instructional programs through extension courses or other ~~media, and the~~ media. The Board may enter into plans or agreements with community colleges, public or private institutions of higher learning, ~~both public and private,~~ State and county boards of education, or with the governing authority of any industrial education center for the purpose of planning, scheduling or arranging ~~such~~ courses, instruction, extension courses, or in assisting in obtaining courses of study or programs in the field of engineering and land surveying. The Board shall ~~make every effort practical to~~ encourage the educational institutions in this State to offer courses necessary to complete the educational requirements of this Chapter. For the purpose of carrying out these objectives, the Board ~~is authorized to make and promulgate such~~ may adopt rules ~~and regulations~~ as may be necessary for ~~such~~ the educational programs, instruction, extension services, or for entering into plans or contracts with persons or educational and industrial institutions.

(h) The Board may license sponsors of continuing professional competency activities who agree to conduct programs in accordance with standards adopted by the Board. Sponsors shall pay a license fee established by the Board, not to exceed two hundred fifty dollars ($250.00) for licensure under this subsection. The license fee shall accompany the application. Sponsors shall renew their licenses annually on a form provided by the Board.

(i) The Board shall create a methodology for evaluating and licensing engineering specialties. The Board may, in its discretion and at any time, create a technologist license for the limited practice of any engineering specialty it deems appropriate. The Board may impose educational, experience, examination, references, and other requirements for each technologist license. A licensed technologist is subject to all applicable rules governing engineers except as specifically modified by the Board."

Section 9. G.S. 89C-11 reads as rewritten:

"**§ 89C-11. Secretary; duties and liabilities; expenditures.**

The secretary of the Board shall receive and account for all moneys derived from the operation of the Board as provided in this Chapter, and shall deposit them in one or more special funds in banks or other financial institutions carrying deposit insurance and authorized to do business in North Carolina. The fund or funds shall be designated as 'Fund of the Board of ~~Registration~~ Examiners for ~~Professional~~ Engineers and ~~Land~~ Surveyors' and shall be drawn against only for the purpose of implementing provisions of this Chapter as herein provided. All expenses certified by

the Board as properly and necessarily incurred in the discharge of its duties, including authorized compensation, shall be paid out of ~~said~~ this fund on the warrant signed by the secretary of the ~~Board; provided, however, that at~~ Board. At no time shall the total of warrants issued exceed the total amount of funds accumulated under this Chapter. The secretary of the Board shall give a surety bond satisfactory to the State Board of ~~Registration~~ Examiners for ~~Professional~~ Engineers and ~~Land~~ Surveyors, conditioned upon the faithful performance of ~~his duties.~~ the duties assigned. The premium on ~~said~~ the bond ~~shall be regarded as~~ is a proper and necessary expense of the Board. The secretary of the Board may delegate to the executive ~~secretary~~ director certain routine duties, such as receipt and disbursement of funds in stated amounts by a written authorization, which has the unanimous approval of the Board."

Section 10. G.S. 89C-12 reads as rewritten:

"**§ 89C-12. Records and reports of Board; evidence.**

The Board shall keep a record of its proceedings and a register of all applicants for ~~registration,~~ licensure, showing for each the date of application, name, age, education, and other qualifications, place of business and place of residence, whether the applicant was rejected or a certificate of ~~registration~~ licensure granted, and the date ~~of such action.~~ licensure was rejected or granted. The books and register of the Board shall be prima facie evidence of all matters recorded ~~therein,~~ by the Board, and a copy duly certified by the secretary of the Board under seal shall be admissible in evidence as if the original were produced. A roster showing the names and places of business and of residence of all ~~registered~~ licensed professional engineers and all ~~registered~~ licensed professional land surveyors shall be prepared by the secretary of the Board current to the month of January of each ~~year; such~~ year. The roster shall be printed by the Board out of the Board's fund ~~of said Board~~ and distributed as ~~set forth~~ described in the Board's ~~rules and regulations.~~ rules. On or before the first day of May of each year, the Board shall submit to the Governor a report on its transactions for the preceding year, and shall file with the Secretary of State a copy of ~~such~~ the report, together with a complete statement of the receipts and expenditures of the ~~Board,~~ Board attested by the ~~affidavits of the chairman~~ chair and the ~~secretary,~~ secretary and a copy of the ~~said~~ the roster of ~~registered~~ licensed professional engineers and ~~registered~~ professional land surveyors."

Section 11. G.S. 89C-13 reads as rewritten:

"**§ 89C-13. General requirements for ~~registration.~~ licensure.**

(a) Engineer Applicant. -- To be eligible for ~~admission to examination for~~ licensure as a professional ~~engineer~~ engineer, an applicant must be of good character and reputation. An applicant desiring to take the examination in the fundamentals of engineering ~~only~~ must submit three character ~~references.~~ references, one of whom shall be a professional engineer. An applicant desiring to take the examination in the principles and practice of engineering must submit five references, two of whom shall be professional engineers having personal knowledge of ~~his~~ the applicant's engineering experiences.

The following shall be considered as minimum evidence satisfactory to the Board that the applicant is qualified for ~~registration:~~ licensure:

(1) As a professional engineer (shall meet one):

a. ~~Registration~~ Licensure by Comity or Endorsement. -- A person holding a certificate of ~~registration~~ licensure to engage in the practice of engineering, on the basis of comparable qualifications, issued to ~~him~~ the person by a proper authority of a state, territory, or possession of the United States, the District of Columbia, or of Canada, who completes an application for licensure and submits five references, two of which shall be from professional engineers having personal knowledge of the applicant's engineering experience, and ~~who~~ who, in the opinion of the Board, meets the requirements of this Chapter, based on verified evidence may, upon application, be ~~registered~~ licensed without further examination.

A person holding a certificate of qualification issued by the Committee on National Engineering Certification of the National Council of ~~Engineering Examiners,~~ Examiners for Engineering and Surveying whose qualifications meet the requirements of this Chapter, may upon application, be ~~registered~~ licensed without further examination.

b. ~~E.I.T.~~ E.I. Certificate, Experience, and Examination. -- A holder of a certificate of ~~engineer-in-training~~ engineering intern issued by the Board, and with a specific record of an additional four years or more of progressive experience on engineering projects of a grade and character which indicates to the Board that the applicant may be competent to practice engineering, shall be admitted to ~~an eight-hour examination in~~ the principles and practice of ~~engineering.~~ engineering examination. Upon passing ~~such~~ the examination, the applicant shall be granted a certificate of ~~registration~~ licensure to practice professional engineering in this State, provided ~~he~~ the applicant is otherwise qualified.

c. Graduation, Experience, and Examination. -- A graduate of an engineering curriculum of four years or more approved by the Board as being of satisfactory standing, and with a specific record of an additional four years or more of progressive experience on engineering projects of a grade and character which indicates to the Board that the applicant may be competent to practice engineering, shall be admitted to ~~an eight-hour written examination in~~ the fundamentals of ~~engineering,~~ engineering examination, and ~~an eight-hour written examination in~~ the principles and

practice of ~~engineering.~~ engineering examination. Upon passing ~~such~~ the examinations, the applicant shall be granted a certificate of ~~registration~~ licensure to practice professional engineering in this State, provided ~~he~~ the applicant is otherwise qualified.

d. Graduation, Experience, and Examination. -- A graduate of an engineering or related science curriculum of four years or more, other than the ones approved by the Board as being of satisfactory standing or with an equivalent education and engineering experience satisfactory to the Board and with a specific record of eight years or more of progressive experience on engineering projects of a grade and character which indicates to the Board that the applicant may be competent in the fundamentals of engineering, shall be admitted to ~~an eight-hour written examination in~~ the fundamentals of ~~engineering,~~ engineering examination and ~~an eight-hour written examination in~~ the principles and practice of ~~engineering.~~ engineering examination. Upon passing ~~such~~ the examinations, the applicant shall be granted a certificate of ~~registration~~ licensure to practice professional engineering in this State, provided ~~he~~ the applicant is otherwise qualified.

e. Long-Established Practice. -- ~~An individual~~ A person with a specific record of 20 years or more of progressive experience on engineering projects of a grade and character which indicates to the Board that the applicant may be competent to practice engineering shall be admitted to ~~an eight-hour written examination in~~ the principles and practice of ~~engineering.~~ engineering examination. Upon passing ~~such~~ the examination, the applicant shall be granted a certificate of ~~registration~~ licensure to practice professional engineering in this State, provided ~~he~~ the applicant is otherwise qualified.

At its discretion the Board may require an applicant to submit exhibits, drawings, designs, or other tangible evidence of engineering work ~~executed by him and~~ which ~~he~~ the applicant personally accomplished or supervised.

The following shall be considered as minimum evidence that the applicant is qualified for certification:

(2) As an ~~engineer-in-training~~ engineering intern (shall meet one):

a. Graduation and Examination. -- A graduate of an engineering curriculum or related science curriculum of four years or more, approved by the Board as being of satisfactory standing, or a student who has attained senior status in an accredited engineering program, shall be

admitted to ~~an eight-hour written examination in~~ the fundamentals of ~~engineering.~~ engineering examination. The applicant shall be notified if the examination was passed or not passed and if passed he shall be certified as an ~~engineer-in-training,~~ engineering intern if ~~he~~ the applicant is otherwise qualified.

b. Graduation, Experience, and Examination. -- A graduate of an engineering or related science curriculum of four years or more, other than the ones approved by the Board as being of satisfactory standing, or with equivalent education and engineering experience satisfactory to the Board and with a specific record of four or more years of progressive experience on engineering projects of a grade and character satisfactory to the Board, shall be admitted to ~~an eight-hour written examination in~~ the fundamentals of ~~engineering.~~ engineering examination. The applicant shall be notified if the examination was passed or not passed and if ~~passed he~~ passed, the applicant shall be certified as an ~~engineer-in-training~~ engineering intern if ~~he~~ the applicant is otherwise qualified.

(b) Land Surveyor Applicant. -- To be eligible for admission to examination for land ~~surveyor-in-training,~~ surveyor intern or ~~registered~~ professional land surveyor, an applicant must be of good character and reputation and shall submit five references with ~~his~~ the application for ~~registration~~ licensure as a land surveyor, two of which references shall be ~~registered~~ professional land surveyors having personal knowledge of ~~his~~ the applicant's land surveying experience, or in the case of an application for certification as a land ~~surveyor-in-training~~ surveyor intern by three references, one of which shall be a ~~registered~~ licensed land surveyor having personal knowledge of the applicant's land surveying experience.

The evaluation of a land surveyor applicant's qualifications shall involve a consideration of ~~his~~ the applicant's education, technical and land surveying experience, exhibits of land surveying projects with which ~~he~~ the applicant has been associated, and recommendations by ~~references, and reviewing of these categories during an oral examination.~~ references. The land surveyor applicant's qualifications may be reviewed at an interview if the Board ~~deems~~ determines it necessary. Educational credit for institute courses, correspondence courses, ~~etc.,~~ or other courses shall be determined by the Board.

The following shall be considered a minimum evidence satisfactory to the Board that the applicant is qualified for ~~registration~~ licensure as a professional land surveyor or for certification as a land ~~surveyor-in-training,~~ surveyor intern respectively:

(1) As a ~~registered~~ professional land surveyor (shall meet one):

a. Rightful possession of a ~~B.S.~~ bachelor of science degree in surveying or other equivalent curricula, all approved by the Board and a record satisfactory to the Board of ~~one year~~ two

years or more of progressive practical ~~experience~~ experience, one year of which shall have been under a practicing ~~registered~~ professional land surveyor and satisfactorily passing ~~such~~ any oral and written ~~examination, taken in the presence of and~~ examination required by the Board, all of which shall determine and indicate that the ~~candidate~~ applicant is competent to practice land surveying. The applicant may ~~elect~~ be qualified by the Board to take the first examination (Surveying Fundamentals) immediately after obtaining the ~~B.S.~~ bachelor of science degree at the first regularly scheduled examination thereafter. Upon passing the first examination and successful completion of the experience required by this subdivision, the applicant may apply to take the second examination (Principles and Practice of Land Surveying). An applicant who passes both examinations and completes the educational and experience requirements of this subdivision shall be granted ~~registration~~ licensure as a professional land surveyor.

b. Rightful possession of an associate degree in surveying technology approved by the Board and a record satisfactory to the Board of ~~three~~ four years of progressive practical experience, ~~two~~ three years of which shall have been under a practicing ~~registered~~ licensed land surveyor, and satisfactorily passing ~~such~~ any written and oral examination ~~taken in the presence of and as~~ required by the Board, all of which shall determine and indicate that the ~~candidate~~ applicant is competent to practice land surveying. The applicant may ~~elect~~ apply to the Board to take the first examination (Surveying Fundamentals) immediately after obtaining the associate degree at the first regularly scheduled examination thereafter. Upon passing the first examination and successfully completing ~~years of progressive practical experience under a practicing registered land surveyor,~~ the practical experience required under this subdivision, the applicant may ~~elect~~ apply to the Board to take the second examination ~~(Principles and Practice of Land Surveying) prior to, during, or after completion of the additional experience required by this subdivision.~~ (Principles and Practice of Land Surveying). An applicant who passes both examinations and successfully completes the educational and experience requirements of this subdivision shall be granted ~~registration~~ licensure as a professional land surveyor.

~~c. Land Surveyor-in-Training Certificate, Experience, and Examination. -- A holder of a certificate of land surveyor-in-training issued by the Board, and with a specific record of an additional two years or more of progressive surveying experience, one year of which shall have been under a practicing registered land surveyor, of a grade and character which indicates to the Board that the applicant may be competent to practice land surveying, shall be admitted to two four-hour examinations. Upon passing such examinations, the applicant shall be granted a certificate of registration to practice land surveying in this State, provided he is otherwise qualified.~~

d. Graduation from a high school or the completion of a high school equivalency certificate and a record satisfactory to the Board of seven years of progressive practical experience, ~~six~~ seven years of which shall have been under a practicing ~~registered~~ licensed land surveyor, and satisfactorily passing ~~such~~ any oral and written ~~examination written in the presence of and~~ examinations required by the Board, all of which shall determine and indicate that the candidate is competent to practice land surveying. The applicant may be qualified by the Board to take the first examination (Surveying Fundamentals) upon graduation from high school or the completion of a high school equivalency certificate and successfully completing six years of progressive practice experience, five of which shall have been under a practicing licensed land surveyor. The applicant may apply to take the second examination (Principles and Practice of Land Surveying) upon passing the first examination and successfully completing four years of progressive practical experience, two of which shall have been under a practicing licensed land surveyor.

e. Repealed by Session Laws 1985 (Regular Session, 1986), c. 977, s. 7.

f. ~~Registration~~ Licensure by Comity or Endorsement. -- A person holding a certificate of ~~registration~~ licensure to engage in the practice of land surveying issued on comparable qualifications from a state, territory, or possession of the United States will be given comity considerations. However, ~~he~~ the applicant may be asked to take ~~such~~ any examinations as the Board ~~deems necessary~~ requires to determine ~~his~~ the applicant's qualifications, but in any event, ~~he~~ the applicant shall be required to pass ~~a written~~ an examination which shall include questions on

laws, procedures, and practices pertaining to the practice of land surveying in North Carolina.

g. A licensed professional engineer who can satisfactorily demonstrate to the Board that ~~his~~ the professional engineer's formal academic training in acquiring a degree and field experience in engineering includes land surveying, to the extent necessary to reasonably qualify the applicant in the practice of land surveying, may apply for and may be granted permission to take the ~~two four-hour examinations on the~~ principles and practice of land surveying examination and the ~~two four-hour examinations on the~~ fundamentals of land ~~surveying.~~ surveying examination. Upon satisfactorily passing the examinations, the applicant ~~will~~ shall be granted a license to practice land surveying in the State of North Carolina.

h. Professional Engineers in Land Surveying. -- Any person presently licensed to practice professional engineering under this Chapter shall upon ~~his~~ application be licensed to practice land surveying, providing ~~his~~ a written application is filed with the Board within one year next after June 19, 1975.

i. Photogrammetrists. -- Any person presently practicing photogrammetry with at least seven years of experience in the profession, two or more of which shall have been in responsible charge of photogrammetric mapping projects meeting National Map Accuracy Standards shall, upon application, be licensed to practice land surveying, provided:

1. The applicant submit certified proof of graduation from high school, high school equivalency, or higher degree;
2. The applicant submit proof of employment in responsible charge as a photogrammetrist practicing within the State of North Carolina to include itemized reports detailing methods, procedures, amount of applicant's personal involvement and the name, address, and telephone numbers of the client for five projects completed by the applicant with the State. A final map for one of the five projects shall also be submitted;
3. Five references to the applicant's character and quality of work, three of which shall be from professional land surveyors, are submitted to the Board; and

4. The application is submitted to the Board by July 1, 1998. After July 1, 1998, no photogrammetrist shall be licensed without meeting the same requirements as to education, length of experience, and testing required of all land surveying applicants.

The Board shall require an applicant to submit exhibits, drawings, plats or other tangible evidence of land surveying work executed by ~~him~~ the applicant under proper supervision and which ~~he~~ the applicant has personally accomplished or supervised.

Land surveying encompasses a number of disciplines including geodetic surveying, hydrographic surveying, cadastral surveying, engineering surveying, route surveying, photogrammetric (aerial) surveying, and topographic surveying. A professional land surveyor shall practice only within the surveyor's area of expertise.

(2) As a land ~~surveyor-in-training~~ surveyor intern (shall meet one):

a. Rightful possession of an associate degree in surveying technology approved by the Board and satisfactorily passing a written ~~or~~ and oral examination ~~taken in the presence of and~~ as required by the Board.

b. Rightful possession of a ~~B.S.~~ bachelors degree in surveying or other equivalent curricula in surveying all approved by the Board and satisfactorily passing ~~such~~ any oral and written examinations ~~written in the presence of and~~ required by the Board.

c. Graduation from high school or the completion of a high school equivalency certificate and a record satisfactory to the Board of ~~five~~ six years of progressive, practical experience, ~~four~~ five years of which shall have been under a practicing ~~registered~~ licensed land surveyor and satisfactorily passing any oral and written examinations ~~taken in the presence of and as~~ required by the Board.

The Board shall require an applicant to submit exhibits, drawings, plats, or other tangible evidence of land surveying work executed by ~~him~~ the applicant under proper supervision and which ~~he~~ the applicant has personally accomplished or supervised."

Section 12. G.S. 89C-14 reads as rewritten:

"**§ 89C-14. Application for ~~registration; registration~~ licensure; license fees.**

(a) Application for ~~registration as a professional engineer or registered land surveyor~~ licensure shall be on a form prescribed and furnished by the Board. It shall contain statements made under oath, showing the applicant's education and a detailed summary of ~~his~~ the applicant's technical and engineering or land surveying experience, and shall include the names and complete mailing addresses of the references, none of whom ~~should~~ may be immediate members of the applicant's family or members of the Board.

The Board may accept the certified information on the copy of a current formal certificate of qualifications issued by the National Council of ~~Engineering Examiners Committee or National Engineering Certification for Professional Engineer applicants~~ Examiners for Engineering and Surveying in lieu of the same information that is required for the form prescribed and furnished by the Board.

(b) An applicant for ~~registration~~ licensure who is required to take the written examination shall pay ~~a fee equal to the cost of the examination to the Board plus an additional amount~~ to the Board an application fee not to exceed one hundred dollars ($100.00). The Board may charge any fee necessary to defray the cost of any required examinations. The fee shall accompany the application. The fee for comity ~~registration~~ licensure of engineers and land surveyors who hold unexpired certificates in another state or a territory of the United States or in Canada shall be the total current fee as fixed by the Board.

(c) The certification fee for a corporation is the amount set by the Board ~~in accordance with G.S. 55B-10.~~ but shall not exceed one hundred dollars ($100.00). The fee shall accompany the application. The certification fee for a business firm is the same as the fee for a corporation. The fee for renewal of a certificate of ~~registration~~ licensure of a corporation is the amount set by the Board ~~in accordance with G.S. 55B-11.~~ but shall not exceed seventy-five dollars ($75.00). The fee for renewal of a certificate of ~~registration~~ licensure for a business firm is the same as the renewal fee for a corporation.

(d) Should the Board deny the issuance of a certificate of ~~registration~~ licensure to any applicant, the unobligated portion of fees paid shall be returned by the Board to the applicant.

(e) A candidate failing an examination may apply, and be considered by the Board, for reexamination at the end of six months. The Board shall make such reexamination charge as is necessary to defray the cost of the examination.

A candidate ~~failing an examination three times will not be permitted to take a reexamination until he has made a written appeal to the Board and his tentative qualifications for the examination are reviewed and reaffirmed by the Board.~~ with a combination of three failures or unexcused absences on an examination shall only be eligible after submitting a new application with appropriate application fee, and be considered by the Board for reexamination at the end of 12 months. After the end of the 12-month period, the applicant may take the examination no more than once every calendar year."

Section 13. G.S. 89C-15 reads as rewritten:

"**§ 89C-15. Examinations.**

(a) The examinations will be held at ~~such~~ the times and places as the Board directs. The Board shall determine the passing grade on examinations. All examinations shall be approved by the entire Board.

(b) Written examinations will be given in sections and may be taken only after the applicant has met the other minimum requirements as given in ~~G.S. 89C-13,~~ G.S. 89C-13 and has been approved by the Board for admission to the examination as follows:

(1) Engineering Fundamentals. -- Consists of an eight-hour examination on the fundamentals of engineering. Passing this examination qualifies the ~~examinee~~ applicant for an ~~engineer-in-training~~ engineering intern certificate, provided ~~he~~ the applicant has met all other requirements for ~~certification~~ licensure required by this Chapter.

(2) Principles and Practice of Engineering. -- Consists of an eight-hour examination on applied engineering. Passing this examination qualifies the ~~examinee~~ applicant for ~~registration~~ licensure as a professional engineer, provided ~~he~~ the applicant has met the other requirements for registration required by this Chapter.

(3) Surveying Fundamentals. -- Consists of ~~two four-hour examinations~~ an eight-hour examination on the elementary disciplines of land surveying. Passing ~~both of these examinations~~ this examination qualifies the ~~examinee~~ applicant for a land ~~surveyor-in-training~~ surveyor intern certificate provided ~~he~~ the applicant has met all other requirements for certification required by this Chapter.

(4) Principles and Practices of Land Surveying. -- Consists of ~~two four-hour examinations~~ a six-hour examination on the basic and applied disciplines of land ~~surveying, one examination on basic disciplines and the other examination covering applied disciplines.~~ surveying and a two-hour examination on requirements specific to the practice of land surveying in North Carolina. Passing each of these examinations qualifies the ~~examinee~~ applicant for a ~~registered~~ professional land surveyor certificate provided ~~he~~ the applicant has met all other requirements for certification required by this Chapter."

Section 14. G.S. 89C-16 reads as rewritten:

"**§ 89C-16. Certificates of ~~registration;~~ licensure; effect; seals.**

(a) The Board shall issue to any applicant, who, in the opinion of the Board, has met the requirements of this Chapter, a certificate of ~~registration~~ licensure giving the ~~registrant~~ licensee proper authority to practice ~~his~~ the profession in this State. The certificate of ~~registration for a professional engineer~~ licensure shall carry the designation 'professional engineer,' ~~and for a land surveyor, 'registered~~ 'professional land surveyor,' or 'engineering technologist', as deemed appropriate by the Board. The certificate of licensure shall identify any special limits or provisions of the license as deemed appropriate by the Board. The certificate shall give the full name of the ~~registrant~~ licensee with ~~his serial~~ the Board designated licensure number and title and shall be signed by the ~~chairman~~ chair and the secretary under the seal of the Board.

(b) This certificate shall be prima facie evidence that the person named ~~thereon~~ on the certificate is entitled to all rights, privileges and responsibilities of a professional engineer or a ~~registered~~ professional land surveyor, or engineering technologist while the ~~said~~ certificate of ~~registration~~ licensure remains unrevoked or unexpired.

(c) Each ~~registrant hereunder~~ licensee shall upon ~~registration~~ licensure obtain a seal of a design authorized by the Board bearing the ~~registrant's~~ licensee's name, ~~serial~~ Board-designated licensure number, and ~~the legend, 'professional engineer,' or 'registered land surveyor.'~~ title. Final drawings, specifications, plans and reports prepared by a ~~registrant~~ licensee shall, when issued, be certified and stamped with the ~~said~~ seal or facsimile ~~thereof~~ of the seal unless the ~~registrant~~ licensee is exempt under the provisions of G.S. 89C-25(7). It shall be unlawful for a ~~registrant~~ licensee to affix, or permit ~~his~~ the licensee's seal and signature or facsimile ~~thereof~~ of the seal and signature to be affixed to any drawings, specifications, plans or reports after the expiration of a certificate or for the purpose of aiding or abetting any other person to evade or attempt to evade any provision of this Chapter. ~~A professional engineer practicing land surveying shall use his registered land surveyor seal.~~ A person holding multiple licenses shall maintain a seal for each license and use the applicable seal for each area of practice."

Section 15. G.S. 89C-17 reads as rewritten:

"**§ 89C-17. Expirations and renewals of certificates.**

Certificates for ~~registration~~ licensure shall expire on the last day of the month of December next following their issuance or renewal, and shall become invalid on that date unless renewed. When necessary to protect the public health, safety, or welfare, the Board shall require ~~such~~ any evidence ~~as it deems~~ necessary to establish the continuing competency of engineers and land surveyors as a condition of renewal of licenses. When the Board is satisfied as to the continuing competency of an applicant, it shall issue a renewal of the certificate upon payment by the applicant of a fee fixed by the Board but not to exceed ~~fifty dollars ($50.00).~~ seventy-five dollars ($75.00). The secretary of the Board shall notify by mail every person ~~registered~~ licensed under this Chapter of the date of expiration of ~~his~~ the certificate, the amount of the fee required for its renewal for one year, and any requirement as to evidence of continued competency. The notice shall be mailed at least one month in advance of the expiration date of the certificate. Renewal shall be effected at any time during the month of January immediately following, by payment to the secretary of the Board of a renewal fee, as determined by the Board, which shall not exceed ~~fifty dollars ($50.00).~~ seventy-five dollars ($75.00). Failure on the part of any registrant to renew ~~his~~ the certificate annually in the month of January, as required above, shall deprive the registrant of the right to practice until renewal has been effected. Renewal may be effected at any time during the first ~~36~~ 12 months immediately following its invalidation ~~of payment of the renewal fee increased ten percent (10%) for each month or fraction of a month that payment for renewal is delayed.~~ by payment of the established renewal fee and a late penalty of one hundred dollars ($100.00). Failure of a ~~registrant~~ licensee to renew ~~his registration~~ the license for a period of ~~36~~ 12 months shall require the individual, prior to resuming practice in North Carolina, to submit an application ~~therefor~~ on the prescribed form, and to meet all other requirements for ~~registration~~ licensure as set forth in Chapter 89C. The secretary of the Board is instructed to remove from the official roster ~~of engineers and land surveyors~~ the names of all ~~registrants~~ licensees who have not effected their renewal

by the first day of February immediately following the date of their expiration. The Board may ~~enact~~ adopt rules to provide for renewals in distress or hardship cases due to military service, prolonged illness, or prolonged absence from the State, where the applicant for renewal demonstrates to the Board that ~~he~~ the applicant has maintained ~~his~~ active knowledge and professional status as an ~~engineer or~~ engineer, land surveyor, or engineering technologist, as the case may be. It shall be the responsibility of each ~~registrant~~ licensee to inform the Board promptly concerning change in address. A licensee may request and be granted inactive status. No inactive licensee may practice in this State unless otherwise exempted in this Chapter. A licensee granted inactive status shall pay annual renewal fees but shall not be subject to annual continuing professional competency requirements. A licensee granted inactive status may return to active status by meeting all requirements of the Board, including demonstration of continuing professional competency as a condition of reinstatement."

Section 16. G.S. 89C-18 reads as rewritten:

"**§ 89C-18. Duplicate certificates.**

The Board may issue a duplicate certificate of ~~registration~~ licensure or certificate of authorization to replace any certificate that has been lost, destroyed, or mutilated and may charge a fee of up to twenty-five dollars ($25.00) for issuing the certificate."

Section 17. G.S. 89C-19 reads as rewritten:

"**§ 89C-19. Public works; requirements where public safety involved.**

This State and its political subdivisions such as counties, cities, towns, or other political entities or legally constituted boards, commissions, public utility companies, or authorities, or officials, or employees ~~thereof~~ of these entities shall not engage in the practice of engineering or land surveying involving either public or private property where the safety of the public is directly involved without the project being under the supervision of a professional engineer for the preparations of plans and specifications for engineering projects, or a ~~registered~~ professional land surveyor for land surveying projects, as provided for the practice of the respective professions by this Chapter.

An official or employee of the State or any political subdivision specified in this section, holding the positions set out in this section as of June 19, 1975, shall be exempt from the provisions of this section so long as such official or employee is engaged in substantially the same type of work as is involved in ~~his~~ the present position.

Nothing in this section shall be construed to prohibit inspection, maintenance and service work done by employees of the State of North Carolina, any political subdivision ~~thereof,~~ of the State, or any municipality ~~therein~~ including construction, installation, servicing, and maintenance by regular full-time employees of, secondary roads and drawings incidental ~~thereto,~~ to work on secondary roads, streets, street lighting, traffic-control signals, police and fire alarm systems, waterworks, steam, electric and sewage treatment and disposal plants, the services of superintendents, inspectors or foremen regularly employed by the State of North Carolina or any

political subdivision ~~thereof,~~ of the State, or municipal ~~corporation therein.~~ corporation.

The provisions in this section shall not be construed to alter or modify the requirements of Article 1 of Chapter 133 of the General Statutes."

Section 18. G.S. 89C-20 reads as rewritten:

"**§ 89C-20. Rules of professional conduct.**

In the interest of protecting the safety, health, and welfare of the public, the Board shall ~~promulgate and~~ adopt rules of professional conduct applicable to the practice of engineering and land surveying. These rules, when adopted, shall be construed to be a reasonable exercise of the police power vested in the Board of ~~Registration~~ Examiners for ~~Professional~~ Engineers and Land Surveyors. Every person ~~registered~~ licensed by the Board shall subscribe to and observe the adopted rules as the standard of professional conduct for the practice of engineering and land ~~surveying.~~ surveying and shall cooperate fully with the Board in the course of any investigation. In the case of violation of the rules of professional conduct, the Board shall ~~have the responsibility and duty to~~ proceed in accordance with G.S. 89C-22."

Section 19. G.S. 89C-21 reads as rewritten:

"**§ 89C-21. Disciplinary action -- Reexamination, revocation, suspension, reprimand, or civil penalty.**

(a) The Board may reprimand the licensee, suspend, refuse to renew, or revoke the certificate of ~~registration,~~ licensure, or, as appropriate, require reexamination, for any ~~engineer or~~ engineer, land surveyor, or engineering technologist who is found:

(1) Guilty of the practice of any fraud or deceit in obtaining a certificate of ~~registration~~ licensure or certificate of authorization.

(2) Guilty of any gross negligence or misconduct in the practice of ~~his~~ the profession.

(3) Guilty of any felony or any crime involving moral turpitude.

(4) Guilty of violation of the Rules of Professional Conduct, as adopted by the Board.

(5) To have been declared insane or incompetent by a court of competent jurisdiction and has not ~~thereafter~~ later been lawfully declared sane or competent.

(6) Guilty of professional incompetence. In the event the Board finds that a certificate holder is incompetent the Board may, in its discretion, require oral or written examinations, or other indication of the certificate holder's fitness to practice ~~his profession~~ engineering or land surveying and suspend ~~his~~ the license during any such period.

(b) The Board ~~shall have the power to~~ may (i) revoke a certificate of authorization, or (ii) to suspend a certificate of authorization for a period of time not exceeding two years, of any corporation or business firm where one or more of its officers or directors have committed any act or have been guilty of any conduct which would authorize a revocation or suspension of their certificates of ~~registration~~ licensure under the provision of this section.

(c) The Board may levy a civil penalty not in excess of two thousand dollars ($2,000) for any ~~engineer or~~ engineer, land surveyor, or engineering technologist who violates any of the provisions of subdivisions (1) through (4) of subsection (a) of this section. All civil penalties collected by the Board shall be deposited in the General Fund of North Carolina.

(d) Before imposing and assessing a civil penalty and fixing the ~~amount thereof,~~ amount, the Board shall, as a part of its deliberation, take into consideration the following factors:

(1) The nature, gravity, and persistence of the particular violations;

(2) The appropriateness of the imposition of a civil penalty when considered alone or in combination with other punishment;

(3) Whether the violation(s) were done willfully and maliciously; and

(4) Any other factors which would tend to either mitigate or aggravate the violation(s) found to exist."

Section 20. G.S. 89C-22 reads as rewritten:

"**§ 89C-22. Disciplinary action -- Charges; procedure.**

(a) Any person may prefer charges of fraud, deceit, gross negligence, incompetence, misconduct, or violation of the rules of professional conduct, against any Board registrant. The charges shall be in writing and shall be sworn to by the person or persons making them and shall be filed with ~~the secretary of~~ the Board.

(b) All charges, unless dismissed by the Board as unfounded or trivial, shall be heard by the Board as provided under the requirements of Chapter 150B of the General Statutes.

(c) If, after ~~such~~ a hearing, a majority of the Board votes in favor of sustaining the charges, the Board shall reprimand, levy a civil penalty, suspend, refuse to renew, or revoke the ~~registrant's certificate of registration.~~ licensee's certificate.

(d) A ~~registrant~~ licensee who is aggrieved by a final decision of the Board may appeal for judicial review as provided by Article 4 of Chapter 150B.

(e) The Board may, upon petition of an individual or an entity whose certificate has been revoked, for sufficient ~~reasons it may deem sufficient,~~ reasons as it may determine, reissue a certificate of ~~registration~~ licensure or authorization, provided that a majority of the members of the Board vote in favor of such issuance."

Section 21. G.S. 89C-23 reads as rewritten:

"**§ 89C-23. Unlawful to practice engineering or land surveying without ~~registration;~~ licensure; unlawful use of title or terms; penalties; Attorney General to be legal adviser.**

Any person who shall practice, or offer to practice, engineering or land surveying in this State without first being ~~registered~~ licensed in accordance with the provisions of this Chapter, or any person, firm, partnership, organization, association, corporation, or other entity using or employing the words 'engineer' or 'engineering' or 'professional engineer' or 'professional engineering' or 'land surveyor' or 'land surveying,' or any modification or derivative ~~thereof~~ of those words in its name or form of business or activity except as ~~registered~~ licensed under this Chapter or in pursuit of activities exempted by this Chapter, or any person presenting or attempting

to use the certificate of ~~registration~~ licensure or the seal of another, or any person who shall give any false or forged evidence of any kind to the Board or to any member ~~thereof~~ of the Board in obtaining or attempting to obtain a certificate of ~~registration,~~ licensure, or any person who shall falsely impersonate any other ~~registrant~~ licensee of like or different name, or any person who shall attempt to use an expired or revoked or nonexistent certificate of ~~registration,~~ licensure, or who shall practice or offer to practice when not qualified, or any person who falsely claims that ~~he~~ the person is registered under this Chapter, or any person who shall violate any of the provisions of this Chapter, in addition to injunctive procedures set out hereinbefore, shall be guilty of a Class 2 misdemeanor. In no event shall there be representation of or holding out to the public of any engineering expertise by ~~unregistered~~ unlicensed persons. It shall be the duty of all duly constituted officers of the State and all political subdivisions ~~thereof~~ of the State to enforce the provisions of this Chapter and to prosecute any persons violating ~~same.~~ them.

The Attorney General of the State or ~~his~~ an assistant shall act as legal adviser to the Board and render ~~such~~ any legal assistance ~~as may be~~ necessary ~~in carrying~~ to carry out the provisions of this Chapter. The Board may employ counsel and necessary assistance to aid in the enforcement of this Chapter, and the compensation and expenses ~~therefor~~ for the assistance shall be paid from funds of the Board."

Section 22. G.S. 89C-24 reads as rewritten:

"**§ 89C-24. ~~Registration~~ Licensure of corporations and business firms that engage in the practice of engineering or land surveying.**

A corporation or business firm may not engage in the practice of engineering or land surveying in this State unless it is ~~registered with~~ licensed by the Board and has paid ~~the required registration fee.~~ an application fee established by the Board in an amount not to exceed two hundred fifty dollars ($250.00). A corporation or business firm is subject to the same duties and responsibilities as an individual ~~registrant. Registration~~ licensee. Licensure of a corporation or business firm does not affect the requirement that all engineering or land surveying work done by the corporation or business firm be performed by or under the responsible charge of individual registrants, nor does it relieve the individual registrants within a corporation or business firm of their design and supervision responsibilities.

This section applies to every corporation that is engaged in the practice of engineering or land surveying, regardless of when it was incorporated. A corporation that is not exempt from Chapter 55B of the General Statutes by application of G.S. 55B-15 must be incorporated under that Chapter."

Section 23. G.S. 89C-25 reads as rewritten:

"**§ 89C-25. Limitations on application of Chapter.**

This Chapter shall not be construed to prevent or affect:

(1) The practice of architecture, landscape architecture, or contracting or any other legally recognized profession or trade; or

(2) The practice of professional engineering or land surveying in this State or by any person not a resident of this State and having no established place of business in this State when this practice does

not aggregate more than 90 days in any calendar year, whether performed in this State or elsewhere, or involve more than one specific project; provided, however, that ~~such~~ the person is ~~legally qualified by registration~~ licensed to practice the ~~said~~ profession in ~~his~~ the person's own state or country, in which the requirements and qualifications for obtaining a certificate of ~~registration~~ licensure are satisfactory to the Board; in which case the person shall apply for and the Board will issue a temporary permit; or

(3) The practice of professional engineering or land surveying in this State not to aggregate more than 90 days by any person residing in this State, but whose residence has not been of sufficient duration for the Board to grant or deny ~~registration;~~ licensure; provided, however, ~~such~~ the person shall have filed an application for ~~registration~~ licensure as a professional engineer or ~~registered~~ professional land surveyor and shall have paid the fee provided for in G.S. 89C-14, and provided that ~~such a~~ the person is ~~legally qualified by registration~~ licensed to practice professional engineering or professional land surveying in ~~his~~ the person's own state or country in which the requirements and qualifications for obtaining a certificate of ~~registration~~ licensure are satisfactory to the Board, in which case the person shall apply for and the Board will issue a temporary permit; or

(4) Engaging in engineering or land surveying as an employee or assistant under the responsible charge of a professional engineer or ~~registered~~ professional land surveyor or as an employee or assistant of a nonresident professional engineer or a nonresident ~~registered~~ professional land surveyor provided for in subdivisions (2) and (3) of this section, provided that ~~said~~ the work as an employee may not include responsible charge of design or supervision; or

(5) The practice of professional engineering or land surveying by any person not a resident of, and having no established place of business in this State, as a consulting associate of a professional engineer or ~~registered~~ professional land surveyor ~~registered~~ licensed under the provisions of this Chapter; provided, the nonresident is qualified for ~~such~~ performing the professional service in ~~his~~ the person's own state or country; or

(6) Practice by members of the armed forces or employees of the government of the United States while engaged in the practice of engineering or land surveying solely for ~~said~~ the government on government-owned works and projects; or

(7) The internal engineering or surveying activities of a person, firm or corporation engaged in manufacturing, processing, or producing a product, including the activities of public service corporations, public utility companies, authorities, State agencies, railroads, or

membership cooperatives, or the installation and servicing of their product in the field; or research and development in connection with the manufacture of that product or their service; or of their research affiliates; or their employees in the course of their employment in connection with the manufacture, installation, or servicing of their product or service in the field, or on-the-premises maintenance of machinery, equipment, or apparatus incidental to the manufacture or installation of the product or service of a firm by the employees of the firm upon property owned, leased or used by the firm; inspection, maintenance and service work done by employees of the State of North Carolina, any political subdivision ~~thereof,~~ of the State, or any municipality ~~therein~~ including construction, installation, servicing, maintenance by regular full-time employees of streets, street lighting, traffic-control signals, police and fire alarm systems, waterworks, steam, electric and sewage treatment and disposal plants; the services of superintendents, inspectors or foremen regularly employed by the State of North Carolina or any political subdivision ~~thereof,~~ of the State or a municipal ~~corporation therein;~~ corporation; provided, however, that the internal engineering or surveying activity is not a holding out to or an offer to the public of engineering or any service thereof as prohibited by this Chapter. Engineering work, not related to the foregoing exemptions, where the safety of the public is directly involved shall be under the responsible charge of a ~~registered~~ licensed professional engineer, or in accordance with standards prepared or approved by a ~~registered~~ licensed professional engineer.

(8) The (i) preparation of fire sprinkler planning and design drawings by a fire sprinkler contractor licensed under Article 2 of Chapter 87 of the General Statutes, or (ii) the performance of internal engineering or survey work by a manufacturing or communications common carrier company, or by a research and development company, or by employees of ~~such~~ those corporations provided that ~~such~~ the work is in connection with, or incidental to products of, or nonengineering services rendered by ~~such~~ those corporations or their affiliates.

(9) The routine maintenance or servicing of machinery, equipment, facilities or structures, the work of mechanics in the performance of their established functions, or the inspection or supervision of construction by a foreman, superintendent, or agent of the architect or professional engineer, or services of an operational nature performed by an employee of a laboratory, a manufacturing plant, a public service corporation, or governmental operation."

Section 24. G.S. 89C-25.1 reads as rewritten:

"**§ 89C-25.1. Supervision of ~~unregistered~~ unlicensed individuals by ~~registered~~ licensed person.**

In all circumstances in which ~~unregistered~~ unlicensed individuals are permitted under this Chapter to perform engineering or land surveying work, or both, under the supervision of a ~~registered~~ licensed engineer, land surveyor, or both, the Board may by regulation establish a reasonable limit on the number of ~~unregistered~~ unlicensed individuals which a ~~registrant~~ licensee of the Board may directly or personally supervise at one time."

Section 25. G.S. 89C-26 reads as rewritten:

"**§ 89C-26. Duties of register of deeds.**

The register of deeds or any other county or proper public authority may not file or record any map, plat, survey, or other documents, within the definition of land surveying, which do not contain an original personal signature and original seal of a ~~registered~~ licensed land surveyor by whom, or under whose responsible charge, the map, plat, survey, or other documents were prepared, except as provided in G.S. 47-30(m) and (n)."

Section 26. G.S. 89C-28 reads as rewritten:

"**§ 89C-28. Existing ~~registration~~ licensure not affected.**

Nothing in this Chapter shall be construed as affecting the status of ~~registration~~ licensure of any professional engineer or ~~registered~~ land surveyor who is rightfully in possession of a certificate of ~~registration~~ licensure duly issued by the Board and valid as of July 1, 1975."

Section 27. This act is effective when it becomes law and applies to persons applying for licenses on or after that date and to persons practicing engineering and land surveying on or after that date.

A BILL TO BE ENTITLED

AN ACT TO MAKE SUBSTANTIVE CHANGES TO THE NORTH CAROLINA ENGINEERING AND LAND SURVEYING ACT.

The General Assembly of North Carolina enacts:

Section 1. G.S. 89C-2 reads as rewritten:

"**§ 89C-2. Declarations; prohibitions.**

In order to safeguard life, health, and property, and to promote the public welfare, the practice of engineering and the practice of land surveying in this State are hereby declared to be subject to regulation in the public interest. It shall be unlawful for any person to practice or to offer to practice engineering or land surveying in this State, as defined in the provisions of this Chapter, or to use in connection with ~~his~~ the person's name or otherwise assume or advertise any title or description tending to convey the impression that ~~he~~ the person is either a professional engineer or a ~~registered~~ professional land surveyor, unless ~~such~~ the person has been duly ~~registered as such.~~ licensed. The right to engage in the practice of engineering or land surveying ~~shall be deemed~~ is a personal right, based on the qualifications of the ~~individual~~ person as evidenced by ~~his~~ the person's certificate of ~~registration,~~ licensure, which shall not be transferable."

Section 2. G.S. 89C-3 reads as rewritten:

"**§ 89C-3. Definitions.**

The following definitions apply in this Chapter:

(1) Board. -- The North Carolina State Board of ~~Registration~~ Examiners for ~~Professional~~ Engineers and ~~Land~~ Surveyors provided for by this Chapter.

(1a) Business firm. -- A partnership, firm, association, or another organization or group that is not a corporation and is acting as a unit.

(2) Engineer. -- A person who, by reason of ~~his~~ special knowledge and use of the mathematical, physical and engineering sciences and the principles and methods of engineering analysis and design, acquired by engineering education and engineering experience, is qualified to practice engineering.

(3) ~~Engineer-in-training.~~ Engineering intern. -- A person who complies with the requirements for education, experience and character, and has passed an examination in the fundamental engineering subjects, as provided in this Chapter.

(3a) Inactive licensee. -- Licensees who are not engaged in the practice of engineering or land surveying in this State.

(4) ~~Land surveyor-in-training.~~ Land surveyor intern. -- A person who has qualified for, taken, and passed an examination on the basic disciplines of land surveying as provided in this Chapter.

(5) Person. -- Any natural person, firm, partnership, corporation or other legal entity.

(6) Practice of engineering. --

a. Any service or creative work, the adequate performance of which requires engineering education, training, and experience, in the application of special knowledge of the mathematical, physical, and engineering sciences to such services or creative work as consultation, investigation, evaluation, planning, and design of engineering works and systems, planning the use of land and water, engineering surveys, and the observation of construction for the purposes of assuring compliance with drawings and specifications, including the consultation, investigation, evaluation, planning, and design for either private or public use, in connection with any utilities, structures, buildings, machines, equipment, processes, work systems, projects, and industrial or consumer products or equipment of a mechanical, electrical, hydraulic, pneumatic or thermal nature, insofar as they involve safeguarding life, health or property, and including such other professional services as may be necessary to the planning, progress and completion of any engineering services.

A person shall be construed to practice or offer to practice engineering, within the meaning and intent of this

Chapter, who practices any branch of the profession of engineering; or who, by verbal claim, sign, advertisement, letterhead, card, or in any other way represents ~~himself~~ the person to be a professional engineer, or through the use of some other title implies that ~~he~~ the person is a professional engineer or that ~~he~~ the person is ~~registered~~ licensed under this Chapter; or who holds ~~himself~~ the person out as able to perform, or who does perform any engineering service or work not exempted by this Chapter, or any other service designated by the practitioner which is recognized as engineering.

b. The term 'practice of engineering' shall not be construed to permit the location, description, establishment or reestablishment of property lines or descriptions of land boundaries for conveyance. The term does not include the assessment of an underground storage tank required by applicable rules at closure or change in service unless there has been a discharge or release of the product from the tank.

(7) Practice of land ~~surveying by registered land surveyors.~~ surveying.

--

a. ~~Any service or work, the adequate performance of which involves the application of special knowledge of the principles of mathematics, the related physical and applied sciences, and the relevant requirements of law for adequate evidence to the act of measuring and locating lines, angles, elevations, natural and man-made features in the air, on the surface of the earth, within underground workings, and on the beds of bodies of water for the purpose of determining areas and volumes, for the monumenting of property boundaries, and for the platting and layout of lands and subdivisions thereof, including the topography, alignment and grades of street and incidental drainage within the subdivision, and for the preparation and perpetuation of maps, record plats, field note records, and property descriptions that represent these surveys.~~ Providing professional services such as consultation, investigation, testimony, evaluation, planning, mapping, assembling, and interpreting reliable scientific measurements and information relative to the location, size, shape, or physical features of the earth, improvements on the earth, the space above the earth, or any part of the earth, whether the gathering of information for the providing of these services is accomplished by conventional ground measurements, by

aerial photography, by global positioning via satellites, or by a combination of any of these methods, and the utilization and development of these facts and interpretations into an orderly survey map, plan, report, description, or project. The practice of land surveying includes the following:

1. Locating, relocating, establishing, laying out, or retracing any property line, easement, or boundary of any tract of land;
2. Locating, relocating, establishing, or laying out the alignment or elevation of any of the fixed works embraced within the practice of professional engineering;
3. Making any survey for the subdivision of any tract of land, including the topography, alignment and grades of streets and incidental drainage within the subdivision, and the preparation and perpetuation of maps, record plats, field note records, and property descriptions that represent these surveys;
4. Determining, by the use of the principles of land surveying, the position for any survey monument or reference point, or setting, resetting, or replacing any survey monument or reference point;
5. Determining the configuration or contour of the earth's surface or the position of fixed objects on the earth's surface by measuring lines and angles and applying the principles of mathematics or photogrammetry;
6. Providing geodetic surveying which includes surveying for determination of the size and shape of the earth both horizontally and vertically and the precise positioning of points on the earth utilizing angular and linear measurements through spatially oriented spherical geometry; and
7. Creating, preparing, or modifying electronic or computerized data, including land information systems and geographic information systems relative to the performance of the practice of land surveying.

b. The term 'practice of land surveying' shall not be construed to permit the design or preparation of specifications for (i) major highways; (ii) wastewater systems; (iii) wastewater or industrial waste treatment works; (iv) pumping or lift stations; (v) water supply, treatment, or distribution systems; (vi) streets or storm sewer systems except as incidental to a subdivision.

(8) Professional engineer. -- A person who has been duly ~~registered and~~ licensed as a professional engineer by the Board established by this Chapter.

(8a) Professional engineer, retired. -- A person who has been duly licensed as a professional engineer by the Board and who chooses to relinquish or not to renew a license and who applies to and is approved by the Board to be granted the use of the honorific title 'Professional Engineer, Retired'.

(9) ~~Registered~~ Professional land surveyor. -- A person who, by reason of ~~his~~ special knowledge of mathematics, surveying principles and methods, and legal requirements which are acquired by education and/or practical experience, is qualified to engage in the practice of land surveying, ~~as herein defined,~~ as attested by ~~his registration~~ the person's licensure as a ~~registered~~ professional land surveyor by the Board.

(9a) Professional land surveyor, retired. -- A person who has been duly licensed as a professional land surveyor by the Board and who chooses to relinquish or not to renew a license and who applies to and is approved by the Board to be granted the use of the honorific title 'Professional Land Surveyor, Retired'.

(10) Responsible charge. -- Direct control and personal supervision, either of engineering work or of land surveying, as the case may be."

Section 3. G.S. 89C-4 reads as rewritten:

"**§ 89C-4. State Board of ~~Registration;~~ Examiners for Engineers and Surveyors; appointment; terms.**

A State Board of ~~Registration~~ Examiners for ~~Professional~~ Engineers and ~~Land~~ Surveyors, whose duty it is to administer the provisions of this Chapter, is created. The Board shall consist of four ~~registered~~ licensed professional engineers, three ~~registered~~ licensed professional land surveyors and two public members, who are neither professional engineers nor professional land surveyors. Of the land surveyor members, one and only one may hold dual ~~registration~~ licenses as a professional land surveyor and professional engineer. All of the members shall be appointed by the Governor. Appointments of the engineer and land surveyor members shall preferably, but not necessarily, be made from a list of nominees submitted by the professional societies for engineers and land surveyors in this State. Each member of the Board shall receive a certificate of appointment from the Governor and shall file with the Secretary of State ~~his~~ a written oath or affirmation for the faithful discharge of ~~his~~ the duties.

Members of the Board serve for staggered five-year terms, and no member may be appointed for more than two full terms. Members serve until the expiration of their respective terms and until their respective successors are appointed. If a vacancy occurs during a term, the Governor shall appoint a successor from the same classification as the person causing the vacancy to serve for the remainder of the

unexpired term. If the vacancy is not filled within 90 days after it occurs, the Board may appoint a provisional member to serve until the appointment by the Governor becomes effective. The provisional member during his tenure has all the powers and duties of a regular member."

Section 4. G.S. 89C-5 reads as rewritten:

"**§ 89C-5. Board members; qualifications.**

Each engineer member of the Board shall be a resident of North Carolina and shall be a ~~registered~~ licensed professional engineer engaged in the lawful practice of engineering in North Carolina for at least six years.

Each land surveyor member of the Board shall be a resident of North Carolina and shall be a ~~registered~~ licensed professional land surveyor engaged in the lawful practice of land surveying in North Carolina for at least six years.

Each public member of the Board shall be a resident of North Carolina."

Section 5. G.S. 89C-6 reads as rewritten:

"**§ 89C-6. Compensation and expenses of Board members.**

Each member of the Board, when attending to the work of the Board or any of its committees, shall receive as compensation for ~~his service~~ services the per diem and, in ~~addition thereto,~~ addition, shall be reimbursed for travel expenses and incidentals not exceeding the maximum set forth by law. In addition to per diem allowances, travel and incidentals, the secretary of the Board may, with the approval of the Board, receive such reasonable additional compensation as is compatible with the actual hours of work required by the duties of ~~his~~ the office."

Section 6. G.S. 89C-8 reads as rewritten:

"**§ 89C-8. Organization of the Board; meetings; election of officers.**

The Board shall hold at least two regular meetings each year. Special meetings may be held at such times and upon such notice as the rules and regulations of the Board may provide. The Board shall elect annually from its members a ~~chairman,~~ chair, a ~~vice-chairman,~~ vice-chair, and a secretary. A quorum of the Board shall consist of not less than five members. The Board shall operate under its rules and regulations supplemented by Robert's Rules of Order."

Section 7. G.S. 89C-9 reads as rewritten:

"**§ 89C-9. Executive ~~secretary;~~ director; duties and liabilities.**

The Board shall employ an executive ~~secretary~~ director who is not a member of the Board. The executive ~~secretary~~ director shall be a full-time employee of the Board and perform ~~such~~ the duties assigned to ~~him~~ the director by the secretary subject to the approval of the Board. The executive ~~secretary~~ director shall receive a salary and compensation fixed by the Board. The executive ~~secretary~~ director shall give a surety bond satisfactory to the Board conditioned upon the faithful performance of ~~his~~ the director's ~~duties.~~ duties assigned. The premium on ~~said~~ the bond shall be a necessary and proper expense of the Board."

Section 8. G.S. 89C-10 reads as rewritten:

"**§ 89C-10. Board powers.**

(a) The Board ~~shall have the power to~~ may adopt and amend all ~~rules and regulations. Additionally, the Board shall have the power to adopt such rules,~~ rules

and rules of ~~procedure, and regulations,~~ procedure as may be reasonably necessary for the proper performance of its duties, the regulation of its procedures, meetings, records, the ~~giving of~~ administration of ~~examinations and the conduct thereof,~~ examinations, and the ~~power~~ authority to enforce ~~such~~ the rules of professional conduct as ~~may, from time to time,~~ may be adopted by the Board pursuant to G.S. 89C-20.

The action by the Board in carrying out any of the powers specified ~~above~~ in this section shall be binding upon all persons ~~registered~~ licensed under this Chapter, including corporations and business firms holding certificates of authorization.

(b) The Board shall adopt and have an official seal, which shall be affixed to each certificate issued.

(c) The Board ~~is hereby authorized~~ may in the name of the State ~~to~~ apply for relief, by injunction, in the established manner provided in cases of civil procedure, without bond, to enforce the provisions of this Chapter, or to restrain any violation ~~thereof.~~ of the provisions of this Chapter. In ~~such proceedings,~~ proceedings for injunctive relief, it shall not be necessary to allege or prove either that an adequate remedy at law does not exist, or that substantial or irreparable damage would result from the continued violation ~~thereof.~~ of the provisions of this Chapter. The members of the Board shall not be personally liable under this proceeding.

(d) The Board may subject an applicant for ~~registration~~ licensure to ~~such~~ any examination ~~as it deems~~ necessary to determine ~~his~~ the applicant's qualifications.

(e) The Board ~~shall have the power to~~ may issue an appropriate certificate of ~~registration~~ licensure to any applicant who, in the opinion of the Board, has met the requirements of this Chapter.

(f) It shall be the responsibility and duty of the Board to conduct a regular program of investigation concerning all matters within its jurisdiction under the provisions of this Chapter. The investigation of a ~~registrant~~ licensee is confidential until the Board issues a citation to the ~~registrant.~~ licensee. The Board may expend its funds for salaries, fees, and per diem expenses, in connection with its investigations, provided that no ~~such~~ funds other than per diem expenses shall be paid to any member of the Board in connection with its investigations, nor may any member of the Board give testimony and ~~thereafter~~ later sit in deciding on any matter which may directly involve punitive action ~~under such~~ for the testimony.

(g) The Board ~~is authorized and empowered to~~ may use its funds to establish and conduct instructional programs for persons who are currently ~~registered~~ licensed to practice engineering or land surveying, as well as refresher courses for persons interested in obtaining adequate instruction or programs of study to qualify them for ~~registration~~ licensure to practice engineering or land surveying. The Board may expend its funds for these purposes and ~~is authorized and empowered~~ may not only ~~to~~ conduct, sponsor, and arrange for instructional programs, but also ~~to~~ may carry out ~~such~~ instructional programs through extension courses or other ~~media, and the~~ media. The Board may enter into plans or agreements with community colleges, public or private institutions of higher learning, ~~both public and private,~~ State and county boards of education, or with the governing authority of any industrial education

center for the purpose of planning, scheduling or arranging ~~such~~ courses, instruction, extension courses, or in assisting in obtaining courses of study or programs in the field of engineering and land surveying. The Board shall ~~make every effort practical to~~ encourage the educational institutions in this State to offer courses necessary to complete the educational requirements of this Chapter. For the purpose of carrying out these objectives, the Board ~~is authorized to make and promulgate such~~ may adopt rules ~~and regulations~~ as may be necessary for ~~such~~ the educational programs, instruction, extension services, or for entering into plans or contracts with persons or educational and industrial institutions.

(h) The Board may license sponsors of continuing professional competency activities who agree to conduct programs in accordance with standards adopted by the Board. Sponsors shall pay a license fee established by the Board, not to exceed two hundred fifty dollars ($250.00) for licensure under this subsection. The license fee shall accompany the application. Sponsors shall renew their licenses annually on a form provided by the Board."

Section 9. G.S. 89C-11 reads as rewritten:

"**§ 89C-11. Secretary; duties and liabilities; expenditures.**

The secretary of the Board shall receive and account for all moneys derived from the operation of the Board as provided in this Chapter, and shall deposit them in one or more special funds in banks or other financial institutions carrying deposit insurance and authorized to do business in North Carolina. The fund or funds shall be designated as 'Fund of the Board of ~~Registration~~ Examiners for ~~Professional~~ Engineers and ~~Land~~ Surveyors' and shall be drawn against only for the purpose of implementing provisions of this Chapter as herein provided. All expenses certified by the Board as properly and necessarily incurred in the discharge of its duties, including authorized compensation, shall be paid out of ~~said~~ this fund on the warrant signed by the secretary of the ~~Board; provided, however, that at~~ Board. At no time shall the total of warrants issued exceed the total amount of funds accumulated under this Chapter. The secretary of the Board shall give a surety bond satisfactory to the State Board of ~~Registration~~ Examiners for ~~Professional~~ Engineers and ~~Land~~ Surveyors, conditioned upon the faithful performance of ~~his duties.~~ the duties assigned. The premium on ~~said~~ the bond ~~shall be regarded as~~ is a proper and necessary expense of the Board. The secretary of the Board may delegate to the executive ~~secretary~~ director certain routine duties, such as receipt and disbursement of funds in stated amounts by a written authorization, which has the unanimous approval of the Board."

Section 10. G.S. 89C-12 reads as rewritten:

"**§ 89C-12. Records and reports of Board; evidence.**

The Board shall keep a record of its proceedings and a register of all applicants for ~~registration,~~ licensure, showing for each the date of application, name, age, education, and other qualifications, place of business and place of residence, whether the applicant was rejected or a certificate of ~~registration~~ licensure granted, and the date ~~of such action.~~ licensure was rejected or granted. The books and register of the Board shall be prima facie evidence of all matters recorded ~~therein,~~ by the Board,

and a copy duly certified by the secretary of the Board under seal shall be admissible in evidence as if the original were produced. A roster showing the names and places of business and of residence of all ~~registered~~ licensed professional engineers and all ~~registered~~ licensed professional land surveyors shall be prepared by the secretary of the Board current to the month of January of each ~~year; such~~ year. The roster shall be printed by the Board out of the Board's fund ~~of said Board~~ and distributed as ~~set forth~~ described in the Board's ~~rules and regulations.~~ rules. On or before the first day of May of each year, the Board shall submit to the Governor a report on its transactions for the preceding year, and shall file with the Secretary of State a copy of ~~such~~ the report, together with a complete statement of the receipts and expenditures of the ~~Board,~~ Board attested by the ~~affidavits of the chairman~~ chair and the ~~secretary,~~ secretary and a copy of the ~~said~~ the roster of ~~registered~~ licensed professional engineers and ~~registered~~ professional land surveyors."

Section 11. G.S. 89C-13 reads as rewritten:

"**§ 89C-13. General requirements for ~~registration.~~ licensure.**

(a) Engineer Applicant. -- To be eligible for ~~admission to examination for~~ licensure as a professional ~~engineer~~ engineer, an applicant must be of good character and reputation. An applicant desiring to take the examination in the fundamentals of engineering ~~only~~ must submit three character ~~references.~~ references, one of whom shall be a professional engineer. An applicant desiring to take the examination in the principles and practice of engineering must submit five references, two of whom shall be professional engineers having personal knowledge of ~~his~~ the applicant's engineering experiences.

The following shall be considered as minimum evidence satisfactory to the Board that the applicant is qualified for ~~registration:~~ licensure:

(1) As a professional engineer (shall meet one):

a. ~~Registration~~ Licensure by Comity or Endorsement. -- A person holding a certificate of ~~registration~~ licensure to engage in the practice of engineering, on the basis of comparable qualifications, issued to ~~him~~ the person by a proper authority of a state, territory, or possession of the United States, the District of Columbia, or of Canada, who completes an application for licensure and submits five references, two of which shall be from professional engineers having personal knowledge of the applicant's engineering experience, and ~~who~~ who, in the opinion of the Board, meets the requirements of this Chapter, based on verified evidence may, upon application, be ~~registered~~ licensed without further examination.

A person holding a certificate of qualification issued by the Committee on National Engineering Certification of the National Council of ~~Engineering Examiners,~~ Examiners for Engineering and Surveying whose qualifications meet the

requirements of this Chapter, may upon application, be ~~registered~~ licensed without further examination.

b. ~~E.I.T.~~ E.I. Certificate, Experience, and Examination. -- A holder of a certificate of ~~engineer-in-training~~ engineering intern issued by the Board, and with a specific record of an additional four years or more of progressive experience on engineering projects of a grade and character which indicates to the Board that the applicant may be competent to practice engineering, shall be admitted to ~~an eight-hour examination in~~ the principles and practice of ~~engineering.~~ engineering examination. Upon passing ~~such~~ the examination, the applicant shall be granted a certificate of ~~registration~~ licensure to practice professional engineering in this State, provided ~~he~~ the applicant is otherwise qualified.

c. Graduation, Experience, and Examination. -- A graduate of an engineering curriculum of four years or more approved by the Board as being of satisfactory standing, and with a specific record of an additional four years or more of progressive experience on engineering projects of a grade and character which indicates to the Board that the applicant may be competent to practice engineering, shall be admitted to ~~an eight-hour written examination in~~ the fundamentals of ~~engineering,~~ engineering examination, and ~~an eight-hour written examination in~~ the principles and practice of ~~engineering.~~ engineering examination. Upon passing ~~such~~ the examinations, the applicant shall be granted a certificate of ~~registration~~ licensure to practice professional engineering in this State, provided ~~he~~ the applicant is otherwise qualified.

d. Graduation, Experience, and Examination. -- A graduate of an engineering or related science curriculum of four years or more, other than the ones approved by the Board as being of satisfactory standing or with an equivalent education and engineering experience satisfactory to the Board and with a specific record of eight years or more of progressive experience on engineering projects of a grade and character which indicates to the Board that the applicant may be competent in the fundamentals of engineering, shall be admitted to ~~an eight-hour written examination in~~ the fundamentals of ~~engineering,~~ engineering examination and ~~an eight-hour written examination in~~ the principles and practice of ~~engineering.~~ engineering examination. Upon passing ~~such~~ the examinations, the applicant shall be granted a certificate of ~~registration~~ licensure to practice professional

engineering in this State, provided ~~he~~ the applicant is otherwise qualified.

e. Long-Established Practice. -- ~~An individual~~ A person with a specific record of 20 years or more of progressive experience on engineering projects of a grade and character which indicates to the Board that the applicant may be competent to practice engineering shall be admitted to ~~an eight-hour written examination in~~ the principles and practice of ~~engineering.~~ engineering examination. Upon passing ~~such~~ the examination, the applicant shall be granted a certificate of ~~registration~~ licensure to practice professional engineering in this State, provided ~~he~~ the applicant is otherwise qualified.

At its discretion the Board may require an applicant to submit exhibits, drawings, designs, or other tangible evidence of engineering work ~~executed by him and~~ which ~~he~~ the applicant personally accomplished or supervised.

The following shall be considered as minimum evidence that the applicant is qualified for certification:

(2) As an ~~engineer-in-training~~ engineering intern (shall meet one):

a. Graduation and Examination. -- A graduate of an engineering curriculum or related science curriculum of four years or more, approved by the Board as being of satisfactory standing, or a student who has attained senior status in an accredited engineering program, shall be admitted to ~~an eight-hour written examination in~~ the fundamentals of ~~engineering.~~ engineering examination. The applicant shall be notified if the examination was passed or not passed and if passed he shall be certified as an ~~engineer-in-training,~~ engineering intern if ~~he~~ the applicant is otherwise qualified.

b. Graduation, Experience, and Examination. -- A graduate of an engineering or related science curriculum of four years or more, other than the ones approved by the Board as being of satisfactory standing, or with equivalent education and engineering experience satisfactory to the Board and with a specific record of four or more years of progressive experience on engineering projects of a grade and character satisfactory to the Board, shall be admitted to ~~an eight-hour written examination in~~ the fundamentals of ~~engineering.~~ engineering examination. The applicant shall be notified if the examination was passed or not passed and if ~~passed he~~ passed, the applicant shall be certified as an ~~engineer-in-training~~ engineering intern if ~~he~~ the applicant is otherwise qualified.

(b) Land Surveyor Applicant. -- To be eligible for admission to examination for land ~~surveyor-in-training,~~ surveyor intern or ~~registered~~ professional land surveyor, an applicant must be of good character and reputation and shall submit five references with ~~his~~ the application for ~~registration~~ licensure as a land surveyor, two of which references shall be ~~registered~~ professional land surveyors having personal knowledge of ~~his~~ the applicant's land surveying experience, or in the case of an application for certification as a land ~~surveyor-in-training~~ surveyor intern by three references, one of which shall be a ~~registered~~ licensed land surveyor having personal knowledge of the applicant's land surveying experience.

The evaluation of a land surveyor applicant's qualifications shall involve a consideration of ~~his~~ the applicant's education, technical and land surveying experience, exhibits of land surveying projects with which ~~he~~ the applicant has been associated, and recommendations by ~~references, and reviewing of these categories during an oral examination.~~ references. The land surveyor applicant's qualifications may be reviewed at an interview if the Board ~~deems~~ determines it necessary. Educational credit for institute courses, correspondence courses, ~~etc.,~~ or other courses shall be determined by the Board.

The following shall be considered a minimum evidence satisfactory to the Board that the applicant is qualified for ~~registration~~ licensure as a professional land surveyor or for certification as a land ~~surveyor-in-training,~~ surveyor intern respectively:

(1) As a ~~registered~~ professional land surveyor (shall meet one):

a. Rightful possession of a ~~B.S.~~ bachelor of science degree in surveying or other equivalent curricula, all approved by the Board and a record satisfactory to the Board of ~~one year~~ two years or more of progressive practical ~~experience~~ experience, one year of which shall have been under a practicing ~~registered~~ professional land surveyor and satisfactorily passing ~~such~~ any oral and written ~~examination, taken in the presence of and~~ examination required by the Board, all of which shall determine and indicate that the ~~candidate~~ applicant is competent to practice land surveying. The applicant may ~~elect~~ be qualified by the Board to take the first examination (Surveying Fundamentals) immediately after obtaining the ~~B.S.~~ bachelor of science degree at the first regularly scheduled examination thereafter. Upon passing the first examination and successful completion of the experience required by this subdivision, the applicant may apply to take the second examination (Principles and Practice of Land Surveying). An applicant who passes both examinations and completes the educational and experience requirements of this subdivision shall be granted ~~registration~~ licensure as a professional land surveyor.

b. Rightful possession of an associate degree in surveying technology approved by the Board and a record satisfactory

to the Board of ~~three~~ four years of progressive practical experience, ~~two~~ three years of which shall have been under a practicing ~~registered~~ licensed land surveyor, and satisfactorily passing ~~such~~ any written and oral examination ~~taken in the presence of and as~~ required by the Board, all of which shall determine and indicate that the ~~candidate~~ applicant is competent to practice land surveying. The applicant may ~~elect~~ apply to the Board to take the first examination (Surveying Fundamentals) immediately after obtaining the associate degree at the first regularly scheduled examination thereafter. Upon passing the first examination and successfully completing ~~years of progressive practical experience under a practicing registered land surveyor,~~ the practical experience required under this subdivision, the applicant may ~~elect~~ apply to the Board to take the second examination ~~(Principles and Practice of Land Surveying) prior to, during, or after completion of the additional experience required by this subdivision.~~ (Principles and Practice of Land Surveying). An applicant who passes both examinations and successfully completes the educational and experience requirements of this subdivision shall be granted ~~registration~~ licensure as a professional land surveyor.

~~e. Land Surveyor-in-Training Certificate, Experience, and Examination. — A holder of a certificate of land surveyor-in-training issued by the Board, and with a specific record of an additional two years or more of progressive surveying experience, one year of which shall have been under a practicing registered land surveyor, of a grade and character which indicates to the Board that the applicant may be competent to practice land surveying, shall be admitted to two four-hour examinations. Upon passing such examinations, the applicant shall be granted a certificate of registration to practice land surveying in this State, provided he is otherwise qualified.~~

d. Graduation from a high school or the completion of a high school equivalency certificate and a record satisfactory to the Board of seven years of progressive practical experience, ~~six~~ seven years of which shall have been under a practicing ~~registered~~ licensed land surveyor, and satisfactorily passing ~~such~~ any oral and written ~~examination written in the presence of and~~ examinations required by the Board, all of which shall determine and indicate that the candidate is competent to practice land surveying. The applicant may be

qualified by the Board to take the first examination (Surveying Fundamentals) upon graduation from high school or the completion of a high school equivalency certificate and successfully completing six years of progressive practice experience, five of which shall have been under a practicing licensed land surveyor. The applicant may apply to take the second examination (Principles and Practice of Land Surveying) upon passing the first examination and successfully completing four years of progressive practical experience, two of which shall have been under a practicing licensed land surveyor.

e. Repealed by Session Laws 1985 (Regular Session, 1986), c. 977, s. 7.

f. ~~Registration~~ Licensure by Comity or Endorsement. -- A person holding a certificate of ~~registration~~ licensure to engage in the practice of land surveying issued on comparable qualifications from a state, territory, or possession of the United States will be given comity considerations. However, ~~he~~ the applicant may be asked to take ~~such~~ any examinations as the Board ~~deems necessary~~ requires to determine ~~his~~ the applicant's qualifications, but in any event, ~~he~~ the applicant shall be required to pass ~~a written~~ an examination which shall include questions on laws, procedures, and practices pertaining to the practice of land surveying in North Carolina.

g. A licensed professional engineer who can satisfactorily demonstrate to the Board that ~~his~~ the professional engineer's formal academic training in acquiring a degree and field experience in engineering includes land surveying, to the extent necessary to reasonably qualify the applicant in the practice of land surveying, may apply for and may be granted permission to take the ~~two four-hour examinations on the~~ principles and practice of land surveying examination and the ~~two four-hour examinations on the~~ fundamentals of land ~~surveying.~~ surveying examination. Upon satisfactorily passing the examinations, the applicant ~~will~~ shall be granted a license to practice land surveying in the State of North Carolina.

h. Professional Engineers in Land Surveying. -- Any person presently licensed to practice professional engineering under this Chapter shall upon ~~his~~ application be licensed to practice land surveying, providing ~~his~~ a written application is filed with the Board within one year next after June 19, 1975.

i. Photogrammetrists. -- Any person presently practicing photogrammetry with at least seven years of experience in the profession, two or more of which shall have been in responsible charge of photogrammetric mapping projects meeting National Map Accuracy Standards shall, upon application, be licensed to practice land surveying, provided:

1. The applicant submit certified proof of graduation from high school, high school equivalency, or higher degree;
2. The applicant submit proof of employment in responsible charge as a photogrammetrist practicing within the State of North Carolina to include itemized reports detailing methods, procedures, amount of applicant's personal involvement and the name, address, and telephone numbers of the client for five projects completed by the applicant with the State. A final map for one of the five projects shall also be submitted;
3. Five references to the applicant's character and quality of work, three of which shall be from professional land surveyors, are submitted to the Board; and
4. The application is submitted to the Board by July 1, 1998. After July 1, 1998, no photogrammetrist shall be licensed without meeting the same requirements as to education, length of experience, and testing required of all land surveying applicants.

The Board shall require an applicant to submit exhibits, drawings, plats or other tangible evidence of land surveying work executed by ~~him~~ the applicant under proper supervision and which ~~he~~ the applicant has personally accomplished or supervised.

Land surveying encompasses a number of disciplines including geodetic surveying, hydrographic surveying, cadastral surveying, engineering surveying, route surveying, photogrammetric (aerial) surveying, and topographic surveying. A professional land surveyor shall practice only within the surveyor's area of expertise.

(2) As a land ~~surveyor-in-training~~ surveyor intern (shall meet one):

a. Rightful possession of an associate degree in surveying technology approved by the Board and satisfactorily passing a written ~~or~~ and oral examination ~~taken in the presence of~~ and as required by the Board.
b. Rightful possession of a ~~B.S.~~ bachelors degree in surveying or other equivalent curricula in surveying all approved by the Board and satisfactorily passing ~~such~~ any oral and

written examinations ~~written in the presence of and~~ required by the Board.

c. Graduation from high school or the completion of a high school equivalency certificate and a record satisfactory to the Board of ~~five~~ six years of progressive, practical experience, ~~four~~ five years of which shall have been under a practicing ~~registered~~ licensed land surveyor and satisfactorily passing any oral and written examinations ~~taken in the presence of and as~~ required by the Board.

The Board shall require an applicant to submit exhibits, drawings, plats, or other tangible evidence of land surveying work executed by ~~him~~ the applicant under proper supervision and which ~~he~~ the applicant has personally accomplished or supervised."

Section 12. G.S. 89C-14 reads as rewritten:

"**§ 89C-14. Application for ~~registration; registration~~ licensure; license fees.**

(a) Application for ~~registration~~ licensure as a professional engineer or ~~registered~~ professional land surveyor shall be on a form prescribed and furnished by the Board. It shall contain statements made under oath, showing the applicant's education and a detailed summary of ~~his~~ the applicant's technical and engineering or land surveying experience, and shall include the names and complete mailing addresses of the references, none of whom ~~should~~ may be immediate members of the applicant's family or members of the Board.

The Board may accept the certified information on the copy of a current formal certificate of qualifications issued by the National Council of ~~Engineering Examiners Committee or National Engineering Certification for Professional Engineer applicants~~ Examiners for Engineering and Surveying in lieu of the same information that is required for the form prescribed and furnished by the Board.

(b) An applicant for ~~registration~~ licensure who is required to take the written examination shall pay ~~a fee equal to the cost of the examination to the Board plus an additional amount~~ to the Board an application fee not to exceed one hundred dollars ($100.00). The Board may charge any fee necessary to defray the cost of any required examinations. The fee shall accompany the application. The fee for comity ~~registration~~ licensure of engineers and land surveyors who hold unexpired certificates in another state or a territory of the United States or in Canada shall be the total current fee as fixed by the Board.

(c) The certification fee for a corporation is the amount set by the Board ~~in accordance with G.S. 55B-10.~~ but shall not exceed one hundred dollars ($100.00). The fee shall accompany the application. The certification fee for a business firm is the same as the fee for a corporation. The fee for renewal of a certificate of ~~registration~~ licensure of a corporation is the amount set by the Board ~~in accordance with G.S. 55B-11.~~ but shall not exceed seventy-five dollars ($75.00). The fee for renewal of a certificate of ~~registration~~ licensure for a business firm is the same as the renewal fee for a corporation.

(d) Should the Board deny the issuance of a certificate of ~~registration~~ licensure to any applicant, the unobligated portion of fees paid shall be returned by the Board to the applicant.

(e) A candidate failing an examination may apply, and be considered by the Board, for reexamination at the end of six months. The Board shall make such reexamination charge as is necessary to defray the cost of the examination.

A candidate ~~failing an examination three times will not be permitted to take a reexamination until he has made a written appeal to the Board and his tentative qualifications for the examination are reviewed and reaffirmed by the Board.~~ with a combination of three failures or unexcused absences on an examination shall only be eligible after submitting a new application with appropriate application fee, and be considered by the Board for reexamination at the end of 12 months. After the end of the 12-month period, the applicant may take the examination no more than once every calendar year."

Section 13. G.S. 89C-15 reads as rewritten:

"**§ 89C-15. Examinations.**

(a) The examinations will be held at ~~such~~ the times and places as the Board directs. The Board shall determine the passing grade on examinations. All examinations shall be approved by the entire Board.

(b) Written examinations will be given in sections and may be taken only after the applicant has met the other minimum requirements as given in ~~G.S. 89C-13,~~ G.S. 89C-13 and has been approved by the Board for admission to the examination as follows:

(1) Engineering Fundamentals. -- Consists of an eight-hour examination on the fundamentals of engineering. Passing this examination qualifies the ~~examinee~~ applicant for an ~~engineer-in-training~~ engineering intern certificate, provided ~~he~~ the applicant has met all other requirements for ~~certification~~ licensure required by this Chapter.

(2) Principles and Practice of Engineering. -- Consists of an eight-hour examination on applied engineering. Passing this examination qualifies the ~~examinee~~ applicant for ~~registration~~ licensure as a professional engineer, provided ~~he~~ the applicant has met the other requirements for registration required by this Chapter.

(3) Surveying Fundamentals. -- Consists of ~~two four-hour examinations~~ an eight-hour examination on the elementary disciplines of land surveying. Passing ~~both of these examinations~~ this examination qualifies the ~~examinee~~ applicant for a land ~~surveyor-in-training~~ surveyor intern certificate provided ~~he~~ the applicant has met all other requirements for certification required by this Chapter.

(4) Principles and Practices of Land Surveying. -- Consists of ~~two four-hour examinations~~ a six-hour examination on the basic and applied disciplines of land ~~surveying, one examination on basic disciplines and the other examination covering applied disciplines.~~

surveying and a two-hour examination on requirements specific to the practice of land surveying in North Carolina. Passing each of these examinations qualifies the ~~examinee~~ applicant for a ~~registered~~ professional land surveyor certificate provided ~~he~~ the applicant has met all other requirements for certification required by this Chapter."

Section 14. G.S. 89C-16 reads as rewritten:

"**§ 89C-16. Certificates of ~~registration;~~ licensure; effect; seals.**

(a) The Board shall issue to any applicant, who, in the opinion of the Board, has met the requirements of this Chapter, a certificate of ~~registration~~ licensure giving the ~~registrant~~ licensee proper authority to practice ~~his~~ the profession in this State. The certificate of ~~registration~~ licensure for a professional engineer shall carry the designation 'professional engineer,' and for a land surveyor, ~~'registered~~ 'professional land surveyor,' shall give the full name of the ~~registrant~~ licensee with ~~his serial~~ the Board designated licensure number and shall be signed by the ~~chairman~~ chair and the secretary under the seal of the Board.

(b) This certificate shall be prima facie evidence that the person named ~~thereon~~ on the certificate is entitled to all rights, privileges and responsibilities of a professional engineer or a ~~registered~~ professional land surveyor, while the ~~said~~ certificate of ~~registration~~ licensure remains unrevoked or unexpired.

(c) Each ~~registrant hereunder~~ licensee shall upon ~~registration~~ licensure obtain a seal of a design authorized by the Board bearing the ~~registrant's~~ licensee's name, ~~serial~~ license number, and the legend, 'professional engineer,' or ~~'registered~~ 'professional land surveyor.' Final drawings, specifications, plans and reports prepared by a ~~registrant~~ licensee shall, when issued, be certified and stamped with the ~~said~~ seal or facsimile ~~thereof~~ of the seal unless the ~~registrant~~ licensee is exempt under the provisions of G.S. 89C-25(7). It shall be unlawful for a ~~registrant~~ licensee to affix, or permit ~~his~~ the licensee's seal and signature or facsimile ~~thereof~~ of the seal and signature to be affixed to any drawings, specifications, plans or reports after the expiration of a certificate or for the purpose of aiding or abetting any other person to evade or attempt to evade any provision of this Chapter. A professional engineer practicing land surveying shall use ~~his registered~~ the licensee's land surveyor seal."

Section 15. G.S. 89C-17 reads as rewritten:

"**§ 89C-17. Expirations and renewals of certificates.**

Certificates for ~~registration~~ licensure shall expire on the last day of the month of December next following their issuance or renewal, and shall become invalid on that date unless renewed. When necessary to protect the public health, safety, or welfare, the Board shall require ~~such~~ any evidence ~~as it deems~~ necessary to establish the continuing competency of engineers and land surveyors as a condition of renewal of licenses. When the Board is satisfied as to the continuing competency of an applicant, it shall issue a renewal of the certificate upon payment by the applicant of a fee fixed by the Board but not to exceed ~~fifty dollars ($50.00).~~ seventy-five dollars ($75.00). The secretary of the Board shall notify by mail every person ~~registered~~ licensed under this Chapter of the date of expiration of ~~his~~ the certificate, the amount of the fee

required for its renewal for one year, and any requirement as to evidence of continued competency. The notice shall be mailed at least one month in advance of the expiration date of the certificate. Renewal shall be effected at any time during the month of January immediately following, by payment to the secretary of the Board of a renewal fee, as determined by the Board, which shall not exceed ~~fifty dollars ($50.00).~~ seventy-five dollars ($75.00). Failure on the part of any registrant to renew ~~his~~ the certificate annually in the month of January, as required above, shall deprive the registrant of the right to practice until renewal has been effected. Renewal may be effected at any time during the first ~~36~~ 12 months immediately following its invalidation ~~of payment of the renewal fee increased ten percent (10%) for each month or fraction of a month that payment for renewal is delayed.~~ by payment of the established renewal fee and a late penalty of one hundred dollars ($100.00). Failure of a ~~registrant~~ licensee to renew ~~his registration~~ the license for a period of ~~36~~ 12 months shall require the individual, prior to resuming practice in North Carolina, to submit an application ~~therefor~~ on the prescribed form, and to meet all other requirements for ~~registration~~ licensure as set forth in Chapter 89C. The secretary of the Board is instructed to remove from the official roster of engineers and land surveyors the names of all ~~registrants~~ licensees who have not effected their renewal by the first day of February immediately following the date of their expiration. The Board may ~~enact~~ adopt rules to provide for renewals in distress or hardship cases due to military service, prolonged illness, or prolonged absence from the State, where the applicant for renewal demonstrates to the Board that ~~he~~ the applicant has maintained ~~his~~ active knowledge and professional status as an engineer or land surveyor, as the case may be. It shall be the responsibility of each ~~registrant~~ licensee to inform the Board promptly concerning change in address. A licensee may request and be granted inactive status. No inactive licensee may practice in this State unless otherwise exempted in this Chapter. A licensee granted inactive status shall pay annual renewal fees but shall not be subject to annual continuing professional competency requirements. A licensee granted inactive status may return to active status by meeting all requirements of the Board, including demonstration of continuing professional competency as a condition of reinstatement."

Section 16. G.S. 89C-18 reads as rewritten:

"**§ 89C-18. Duplicate certificates.**

The Board may issue a duplicate certificate of ~~registration~~ licensure or certificate of authorization to replace any certificate that has been lost, destroyed, or mutilated and may charge a fee of up to twenty-five dollars ($25.00) for issuing the certificate."

Section 17. G.S. 89C-19 reads as rewritten:

"**§ 89C-19. Public works; requirements where public safety involved.**

This State and its political subdivisions such as counties, cities, towns, or other political entities or legally constituted boards, commissions, public utility companies, or authorities, or officials, or employees ~~thereof~~ of these entities shall not engage in the practice of engineering or land surveying involving either public or private property where the safety of the public is directly involved without the project being under the supervision of a professional engineer for the preparations of plans and

specifications for engineering projects, or a ~~registered~~ professional land surveyor for land surveying projects, as provided for the practice of the respective professions by this Chapter.

An official or employee of the State or any political subdivision specified in this section, holding the positions set out in this section as of June 19, 1975, shall be exempt from the provisions of this section so long as such official or employee is engaged in substantially the same type of work as is involved in ~~his~~ the present position.

Nothing in this section shall be construed to prohibit inspection, maintenance and service work done by employees of the State of North Carolina, any political subdivision ~~thereof,~~ of the State, or any municipality ~~therein~~ including construction, installation, servicing, and maintenance by regular full-time employees of, secondary roads and drawings incidental ~~thereto,~~ to work on secondary roads, streets, street lighting, traffic-control signals, police and fire alarm systems, waterworks, steam, electric and sewage treatment and disposal plants, the services of superintendents, inspectors or foremen regularly employed by the State of North Carolina or any political subdivision ~~thereof,~~ of the State, or municipal ~~corporation therein.~~ corporation.

The provisions in this section shall not be construed to alter or modify the requirements of Article 1 of Chapter 133 of the General Statutes."

Section 18. G.S. 89C-20 reads as rewritten:

"**§ 89C-20. Rules of professional conduct.**

In the interest of protecting the safety, health, and welfare of the public, the Board shall ~~promulgate and~~ adopt rules of professional conduct applicable to the practice of engineering and land surveying. These rules, when adopted, shall be construed to be a reasonable exercise of the police power vested in the Board of ~~Registration~~ Examiners for ~~Professional~~ Engineers and Land Surveyors. Every person ~~registered~~ licensed by the Board shall subscribe to and observe the adopted rules as the standard of professional conduct for the practice of engineering and land ~~surveying.~~ surveying and shall cooperate fully with the Board in the course of any investigation. In the case of violation of the rules of professional conduct, the Board shall ~~have the responsibility and duty to~~ proceed in accordance with G.S. 89C-22."

Section 19. G.S. 89C-21 reads as rewritten:

"**§ 89C-21. Disciplinary action -- Reexamination, revocation, suspension, reprimand, or civil penalty.**
