SENATE FINANCE COMMITTEE
(Joint Meeting with Senate Appropriations)

WEDNESDAY, FEBRUARY 5, 1997

9 A.M. - ROOM 643 LOB

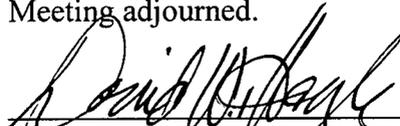

The Senate Finance Committee met jointly with the Senate Appropriations Committee on Wednesday, February 5, 1997 at 9 o'clock in Room 643. Senator Plyler presided over the meeting and both he and Senator Kerr made opening remarks.

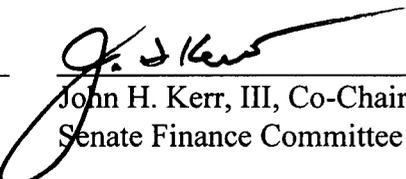

Robert Powell, State Budget Office, was recognized for remarks concerning the projected budget. At the conclusion of his presentation Mr. Powell answered several questions from the members of both committees. Included with the minutes is a copy of Budget Estimates from 1997 - 2001 prepared by the Office of State Budget and Management.

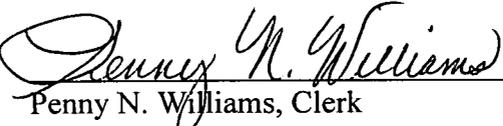

David Crotts, Fiscal Research, gave an overview of Selected Economic, Revenue, and Budget Data and a copy of his report is included with the minutes.

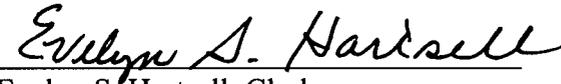

Senator Plyler concluded the meeting with a projected timetable for preparing the budget.

Meeting adjourned.

David W. Hoyle, Co-Chair
Senate Finance Committee

John H. Kerr, III, Co-Chair
Senate Finance Committee

Penny N. Williams, Clerk

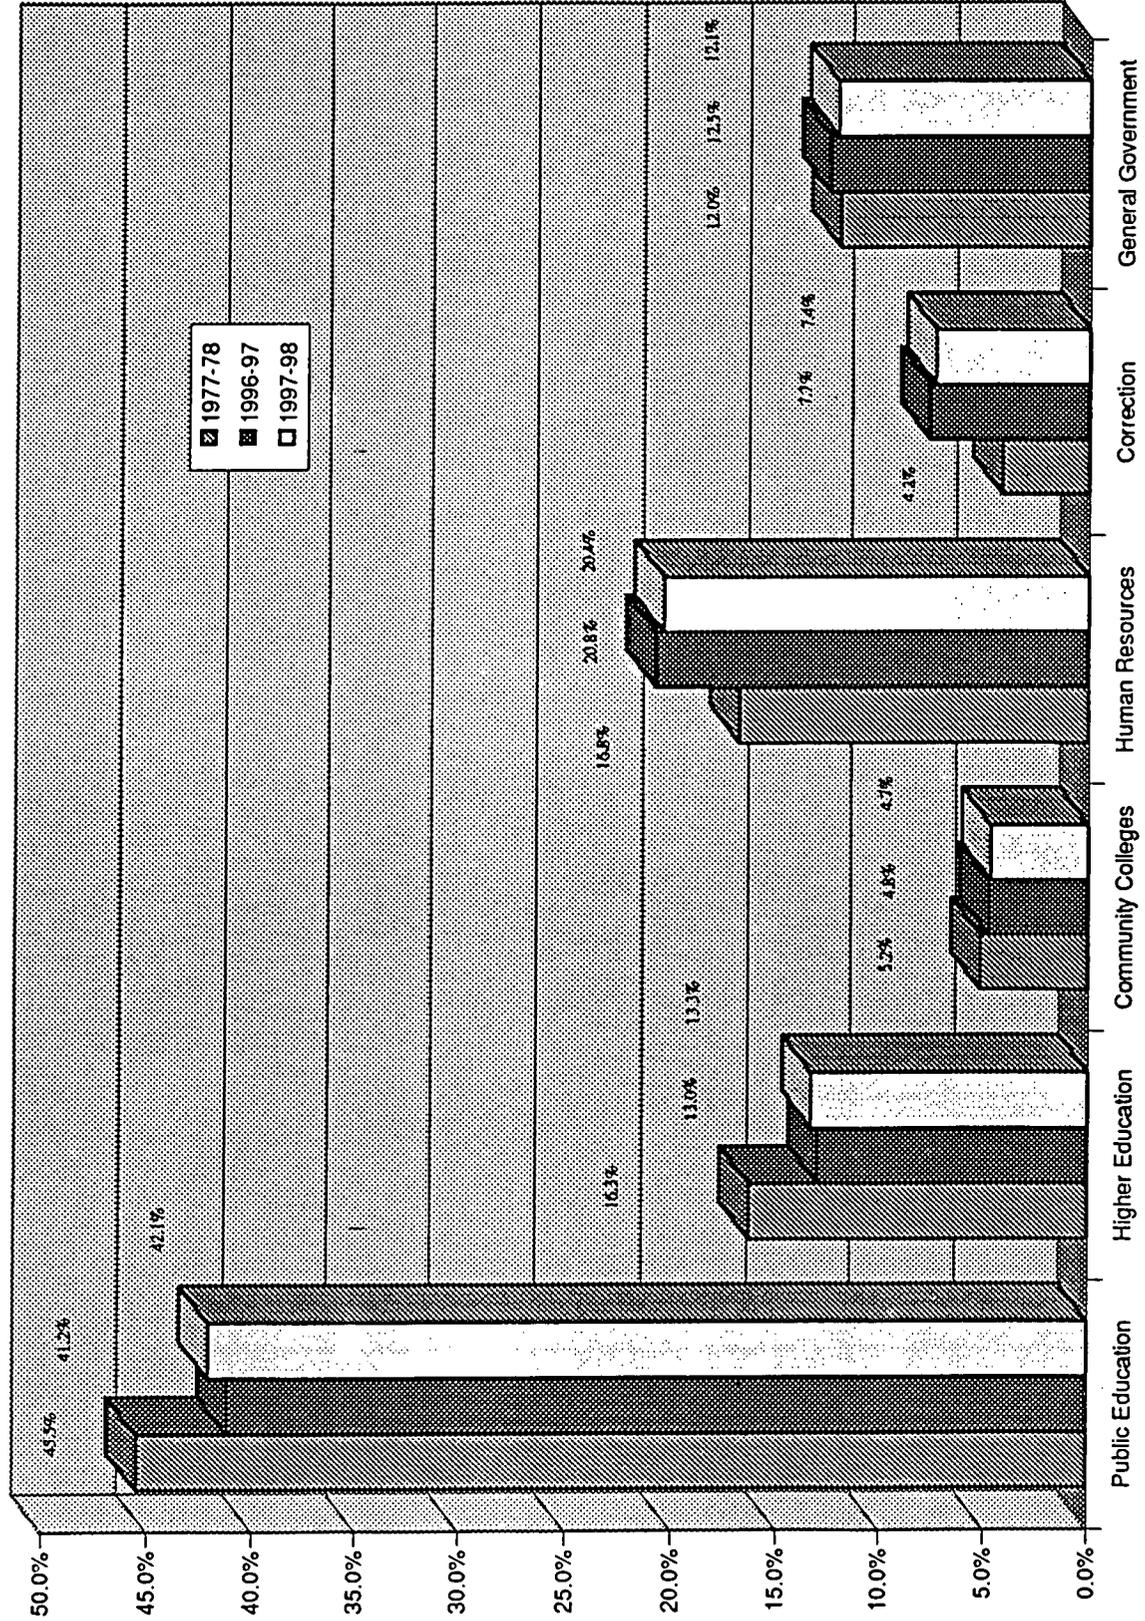

Evelyn S. Hartsell, Clerk

Prville - 1

BUDGET AVAILABILITY CONCLUSIONS

- ✓ REVENUE ESTIMATES: CONSENSUS BETWEEN STATE BUDGET OFFICE AND FISCAL RESEARCH ON CURRENT-YEAR ESTIMATES AND NEXT 4 YEARS (ROUGHLY 6% REVENUE GROWTH, PRIOR TO IMPACT OF TAX CUTS)
- ✓ BOTH OFFICES AGREE THAT STARTING POINT IN ANALYZING 1997-98 RECURRING BUDGET AVAILABILITY IS \$125 - \$225 MILLION. GUBERNATORIAL RECOMMENDATIONS MADE PUBLIC HAVE PUSHED NUMBER UP TO \$464 MILLION. ADDITIONAL ADJUSTMENTS WILL BE NEEDED IF GOVERNOR IS TO FUND HIS INITIATIVES
- ✓ NONRECURRING AVAILABILITY (CAPITAL PROJECTS, ONE-TIME BONUSES, ETC.) IS \$135 - \$225 MILLION, DEPENDING ON HOW 1996-97 BUDGET ITEMS ARE TREATED

SENATE FINANCE COMMITTEE
(Joint Meeting with Senate Appropriations and House Finance and Appropriations)

WEDNESDAY, FEBRUARY 12, 1997

8:30 A.M. - ROOM 643 LOB

The Senate Finance Committee met jointly with the Senate Appropriations, the House Finance and House Appropriations on Wednesday, February 12, 1997, at 8:30 A.M. in Room 643. Representative Holmes, House Appropriations Chairman, presided over the meeting and introduced his Co-Chairs: Representative Crawford, Representative Creech and Representative Esposito. Senator Plyler, Chairman of Senate Appropriations, was recognized and introduced Senator Odom and Senator Perdue, Representative Holmes also introduced Senator Kerr and Senator Hoyle as Senate Finance Chairs and introduced Representative Gray, Representative Dickson, Representative Brawley and Representative Wilson as House Finance Chairs.

Dave Crotts, Fiscal Research, was recognized and give a General Fund Revenue Estimate Summary. Copy included with the minutes. He told the committees that while North Carolina is not achieving the growth rate in the 90's that it did in the 80's that it is very stable and the population growth is exceeding expectations.

Marvin Dorman, State Budget Officer in the Office of Budget and Management, was recognized for remarks. Included in the minutes is the information he furnished the committee members concerning the budget recommendations. At the conclusion of his presentation, Mr. Dorman answered questions from the members. There was not enough time to answer all the questions and at the request of Representative Esposito, Mr. Dorman agreed to return 15 minutes after session to answer additional questions from the committee members.

Meeting adjourned.

GENERAL FUND REVENUE ESTIMATE SUMMARY

- ✓ ESTIMATES OF TOTAL REVENUES FOR 1996-97 THROUGH 2002-03 REFLECT CONSENSUS BETWEEN OFFICE OF STATE BUDGET AND MANAGEMENT AND FISCAL RESEARCH DIVISION.
- ✓ THE SINGLE-NUMBER ESTIMATE OF TOTAL REVENUE (AND ASSOCIATED GROWTH RATE) IS THE SUMMATION OF 51 SEPARATE ESTIMATES TAX AND NON-TAX REVENUE SOURCES. FOR TOTAL REVENUES (INCLUDING HIGHWAY TRANSFERS), THE GROWTH RATES ARE SHOWN ON THE NEXT PAGE AND ON PAGE 13 OF GOVERNOR'S BUDGET SUMMARY.
- ✓ THE KEY ECONOMIC ASSUMPTION USED TO FORECAST MAJOR TAX SOURCES IS STATE PERSONAL INCOME (INCOME FROM ALL SOURCES FOR NORTH CAROLINA RESIDENTS). THIS NUMBER INCLUDES INFLATION. FOR 1992-93 THROUGH 1996-97 THE AVERAGE RATE OF GROWTH IN THIS MEASURE WAS 6.7%. FOR 1997-98, THE CONSENSUS ESTIMATE IS 6.0%. FOR 1998-99, THE CONSENSUS ESTIMATE IS 6.2%. THESE GROWTH RATES ARE ABOUT 20% FASTER THAN THE NATIONAL FORECAST. THIS IS IN LINE WITH THE AVERAGE SINCE THE EARLY 1980'S.
- ✓ EXPRESSED ANOTHER WAY, THE MAINSTREAM NATIONAL ECONOMIC GROWTH FORECAST IS FOR 2.0 - 2.3% REAL ECONOMIC GROWTH AND 3% INFLATION. TO GET TO THE NORTH CAROLINA NUMBER WE ADD 1% ADDITIONAL REAL ECONOMIC GROWTH.
- ✓ THE GOVERNOR'S BUDGET SUMMARY LISTS A NUMBER OF KEY STATE AND NATIONAL ECONOMIC ASSUMPTIONS ON PAGE 9 OF THAT SUMMARY.

SENATE FINANCE COMMITTEE

WEDNESDAY, FEBRUARY 12, 1997

12 NOON - ROOM 544 LOB

The Senate Finance Committee met on Wednesday, February 12, 1997, for the first regular meeting of the session. There were 21 committee members present. Senator Kerr presided and introduced Senator Hoyle as the new co-chair. Senator Kerr and Senator Hoyle welcomed the members and thanked them for agreeing to serve on the Finance Committee. Senator Kerr introduced his clerk, Evelyn Hartsell, and Senator Hoyle introduced Penny Williams, his clerk. List of committee members is included in the minutes.

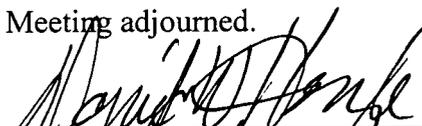

Senator Kerr asked the committee members to introduce themselves and give brief remarks. Upon the completion of these introductions, Senator Kerr introduced the following staff members:

David Crotts - Fiscal Research
Richard Bostic - Fiscal Research
Warren Plonk - Fiscal Research
Sabra Faires - Fiscal Research
Cindy Avrette - Research
Martha Harris - Bill Drafting

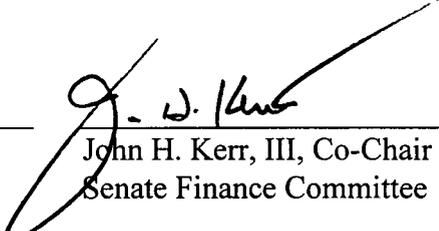

Senator Hoyle introduced intern, Kristin Crosson, who will be working with the Finance Committee and Senator Bob Shaw introduced his intern, Kelly Gruber. Representative Gray, House Finance Chairman, was also recognized

Sabra Faires was recognized to give an overview of some of the issues that the Finance Committee would be handling this year and copies of the information furnished to the committee are included in the minutes. At the conclusion of her presentation, Ms. Faires answered questions from the committee.

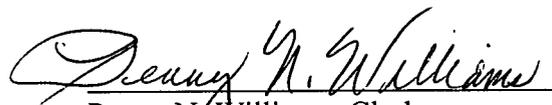

Meeting adjourned.

Intangibles Tax Lawsuit -- Fulton

On February 10, 1997, the North Carolina Supreme Court ruled that the part of the intangibles tax statute that the United States Supreme Court held unconstitutional on February 21, 1996, should be severed and that the severance applies retroactively. The Court's opinion makes it possible for holders of North Carolina stock to be assessed by the Department of Revenue for tax due on the value of stock that was excluded from tax because of the unconstitutional deduction. Taxes can be assessed for three back tax years for those who filed a return and for an indefinite period for those who did not file.

No taxpayer who took the invalid deduction is liable for any back tax until the tax is assessed. If the Governor decides to assess the tax, the General Assembly can enact a law that forgives the payment of the tax. The case therefore requires no action by the General Assembly. If the executive branch assesses the back taxes, the General Assembly can forgive the payment of the assessed taxes.

The Fulton court case is not over. It has been remanded to the Court of Appeals. From that decision, it will likely be appealed further.

Prior to 1995, North Carolina levied an intangibles tax of 25¢ per \$100 market value of stock and shares in mutual funds. The stock tax statute exempted a proportion of corporate stock equal to the percentage of the corporation's business that was conducted in North Carolina. Thus, stock of a corporation that did 55% of its business in North Carolina was 55% exempt from the intangibles tax. This exemption was known as the "taxable percentage" deduction.

The North Carolina Court of Appeals ruled in June 1993 that the taxable percentage deduction violated the Commerce Clause of the federal constitution. The North Carolina Supreme Court overturned this ruling on December 9, 1994, holding that the taxable percentage deduction was not unconstitutional. The United States Supreme Court reversed the North Carolina Supreme Court on February 21, 1996, when it held the tax unconstitutional on the basis of the taxable percentage deduction.

The General Assembly repealed the intangibles tax on stock, bonds, mutual funds, and accounts receivable effective for the 1995 tax year. Since the repeal was not retroactive, it did not affect the 1991 through 1994 tax years. The United States Supreme Court returned the case to the North Carolina Supreme Court to determine the proper remedy. The United States Supreme Court noted that the State might refund the additional taxes imposed upon the taxpayers who did not receive the benefit of the taxable percentage deduction or it could retroactively impose equal burdens on the tax's former beneficiaries.

The State argued that the intangibles tax statute should be declared unconstitutional and that full refunds, including interest, should be made in accordance with G.S. 105-267 to all taxpayers who filed a timely protest or demand for refund within 30 days after paying the tax. This course of action would have cost about \$155 million in General Fund revenue. The Court, however, eliminated only the taxable percentage deduction, thus expanding the scope of the tax to include all stock in North Carolina companies. This expansion applies to publicly traded shares of stock as well as shares of stock in closely held corporations that have never before been subject to the intangibles tax on stock.

IN THE SUPREME COURT OF NORTH CAROLINA

No. 305A93-2

Filed: 10 February 1997

FULTON CORPORATION

v.

JANICE H. FAULKNER, SECRETARY OF REVENUE

On remand from the Supreme Court of the United States. Heard in the Supreme Court 9 September 1996.

In this action, the plaintiff has challenged the intangibles tax formerly imposed by N.C.G.S. § 105-203 on the ground it violates the Commerce Clause of the Constitution of the United States. N.C.G.S. § 105-203 provided for an annual tax of \$0.25 on each \$100.00 of the fair market value of all shares of stock on 31 December of each year. The section provided for a reduction of this tax in proportion to the issuing company's income taxed in North Carolina. It is this reduction which the plaintiff says violates the Commerce Clause.

The superior court allowed a motion for summary judgment by the defendant, upholding the tax. The Court of Appeals reversed. *Fulton Corp. v. Justus*, 110 N.C. App. 493, 430 S.E.2d 494 (1993). It did not order a refund, however, but severed the offending part of N.C.G.S. § 105-203 and ordered that the intangibles tax be paid without any reduction for income taxes paid to the State.

This Court reversed the Court of Appeals. *Fulton Corp. v. Justus*, 338 N.C. 472, 450 S.E.2d 728 (1994). We held that the reduction in the intangibles tax did not offend the Commerce Clause. On 18 April 1995, the General Assembly repealed the intangibles tax in its entirety effective 1 January 1995. Act of April 18, 1995, ch. 41, sec. 1(b), 1995 N.C. Sess. Laws 84. The legislation also provided that the repeal

does not affect the rights or liabilities of the State, a taxpayer, or another person arising under a statute amended or repealed by this act before its amendment or repeal; nor does it affect the right to any refund or credit of a tax that would otherwise have been available under the amended or repealed statute before its amendment or repeal.

Id. sec. 11, 1995 N.C. Sess. Laws at 88.

The Supreme Court of the United States reversed this Court. *Fulton Corp. v. Faulkner*, ___ U.S. ___, 133 L. Ed. 2d 796 (1996). It held that the reduction violated the Commerce Clause and remanded the case to this Court to fashion a remedy.

We ordered that the parties "brief the question of why, in light of the decision of the Supreme Court of

the United States in this case, this Court should not affirm the decision of the North Carolina Court of Appeals."

Womble Carlyle Sandridge & Rice, PLLC, by Jasper L. Cummings, Jr., for plaintiff-appellee.

Michael F. Easley, Attorney General, by Andrew A. Vanore, Jr., Chief Deputy Attorney General, Edwin M. Speas, Jr., Senior Deputy Attorney General, Thomas F. Moffitt, Special Deputy Attorney General, and Marilyn R. Mudge, Assistant Attorney General, for defendant-appellant.

Womble Carlyle Sandridge & Rice, PLLC, by G. Eugene Boyce, of counsel, amicus curiae.

WEBB, Justice.

This case brings to the Court the question of the remedy to be applied after a portion of the intangibles tax statute has been declared unconstitutional. The Court of Appeals held that the part of the statute which was unconstitutional should be severed and that the balance of the statute should be enforced. This would leave the intangibles tax to be enforced without any reduction for income taxes paid to this State. We believe the Court of Appeals was correct in this holding.

In determining whether an unconstitutional part of a statute should be severed and the rest of the statute enforced, we look first at the intention of the General Assembly. If the legislature intended that the constitutional part of the statute be enforced after the other part has been declared unconstitutional, and if the separate parts of the statute are not so interrelated and mutually dependent that one part cannot be enforced without reference to another, the offending part must be severed and the rest of the statute enforced. *Flippin v. Jarrell*, 301 N.C. 108, 117, 270 S.E.2d 482, 488 (1980); *Constantian v. Anson County* 244 N.C. 221, 228, 93 S.E.2d 163, 168 (1956).

The General Assembly has stated its intention. N.C.G.S. § 105-215 provided in part:

If any clause, sentence, paragraph, or part of this Article or schedule shall for any reason be adjudged by any court of competent jurisdiction to be invalid, such judgment shall not affect, impair, or invalidate the remainder of this Article or schedule, but shall be confined in its operation to the clause, sentence, paragraph, or part thereof directly involved in the controversy in which such judgment shall have been rendered.

N.C.G.S. § 105-215 (1992) (repealed 1995). We believe this section shows clearly that the General Assembly intended that if any part of the statute providing for an intangibles tax was declared unconstitutional, that part should be severed from the statute, and the balance of the statute should be enforced.

In this case, the offending portion of the intangibles tax statute and the other parts of the statute were not so interrelated or mutually dependent that the imposition of the tax could not be done without reference to the offending part. The valid part is complete in itself and capable of enforcement.

The plaintiff argues that the United States Supreme Court in this case declared the entire intangibles tax unconstitutional. We do not agree with this interpretation. The Supreme Court noted that the Court of Appeals had addressed the issue of severability and decided that the clause required severance of the taxable percentage deduction. *Fulton v. Faulkner*, ___ U.S. at ___ n.12, 133 L. Ed. 2d at 815 n.12. The Court gave no indication that applying the severability clause in that manner would contravene its holding or that a tax on corporate stock is per se unconstitutional. To the contrary, the Court's language and

reasoning revealed the intangibles tax violated the Commerce Clause because of the discriminatory portion -- the taxable percentage deduction. It gave no reason to believe that absent the discriminatory deduction, the tax would violate the Commerce Clause.

The defendant asserts and the plaintiff agrees that it was the intention of the General Assembly that if the taxable percentage reduction were to be held unconstitutional, it should not be severed from N.C.G.S. § 105-203, and the whole section must fail. They concede that N.C.G.S. § 105-215 provides for the severance of any part of the statute which is declared unconstitutional. They say, relying on *State ex rel. Andrews v. Chateau X, Inc.*, 296 N.C. 251, 259-60, 250 S.E.2d 603, 609 (1979), *judgment vacated on other grounds*, 445 U.S. 947, 63 L. Ed. 2d 782 (1980), and *Sheffield v. Consolidated Foods Corp.*, 302 N.C. 403, 421-22, 276 S.E.2d 422, 434-35 (1981), that the "presence of a severability clause is not conclusive but provides some guidance to the courts as to legislative intent." They say we must look at all relevant parts of the statute to discern legislative intent.

The plaintiff and defendant contend that the General Assembly, since the inception of the intangibles tax, has never intended to tax all stocks and that by severing the unconstitutional part of N.C.G.S. § 105-203, the Court of Appeals has broadened the tax contrary to the legislative will. They argue that the taxable percentage deduction has always been an essential element of the tax and an expression of the legislative intent not to tax all shares of corporate stock. They argue that we should hold all of N.C.G.S. § 105-203 unconstitutional.

We do not agree with the parties' interpretation of *Andrews* and *Sheffield*. *Andrews* involved an action to abate a nuisance. We held that assuming one of the remedies provided in the statute was unconstitutional, it could be severed from the statute and the other remedies enforced. We said that severability depended on the will of the General Assembly. *Andrews*, 296 N.C. at 259-60, 250 S.E.2d at 608-09. We did not say how that will was to be discovered, but simply referred to the portion of the statute which provided for severability. *Sheffield* dealt with disclosures required by the North Carolina Tender Offer Disclosure Act, N.C.G.S. ch. 78B (1977). In that case we held that the Act did not apply to purchases of stock in the open market. The plaintiff argued that because of a severability clause in the statute, the disclosure requirement nevertheless applied. It contended that partial application of the statute was mandated by the severability clause. We held that this was not the intention of the General Assembly. We do not believe *Sheffield* or *Andrews* is authority for the proposition that a severability clause is not conclusive as to the intention of the General Assembly.

Even assuming *arguendo* that the parties are correct, looking beyond the severability clause and at the entire act to determine the will of the General Assembly does not help the plaintiff. The General Assembly has said by the severability clause that the unconstitutional part of the statute should be severed. The parties have made good arguments as to why it should not be severed, but they do not overcome the plain meaning of the statute. We affirm that part of the opinion of the Court of Appeals which holds that the unconstitutional part of N.C.G.S. § 105-203 be severed. *Fulton Corp. v. Justus*, 110 N.C. App. at 504, 430 S.E.2d at 501.

We reverse that part of the opinion of the Court of Appeals which holds that the rule of this case should not be applied retroactively. *Id.* at 504-05, 430 S.E.2d at 501-02. In reaching this result, the Court of Appeals relied on our opinion in *Swanson v. North Carolina*, 329 N.C. 576, 407 S.E.2d 791, *on reh'g*, 330 N.C. 390, 410 S.E.2d 490 (1991). On 18 June 1993, three days after the Court of Appeals decided this case, the United States Supreme Court handed down *Harper v. Virginia Dep't of Educ.*, ___ U.S. ___, 125 L. Ed. 2d 74 (1993). Ten days later, the Supreme Court issued an order vacating our opinion in *Swanson* in light of *Harper*. *Swanson v. North Carolina*, 509 U.S. 916, 125 L. Ed. 2d 713 (1993). The United States Supreme Court held in *Harper* that its application of a rule of federal law requires every court to give

retroactive effect to that decision. We are thus required by *Harper* to apply the law retroactively in this case. Whether to enforce the tax as to all shareholders is within the province of the General Assembly.

The General Assembly may forgive this tax if it so chooses. We do not have the authority to do so.

We affirm that part of the decision of the Court of Appeals which holds that the unconstitutional part of N.C.G.S. § 105-203 must be severed and the balance of the section enforced. We reverse that part of the decision which holds that the rule of this case should not be enforced retroactively.

AFFIRMED IN PART, REVERSED IN PART, AND REMANDED.

No. 305A93-2 - Fulton Corp. v. Faulkner

Justice ORR dissenting.

The majority applies a plain-meaning analysis to the statute in question and concludes that the taxable percentage deduction contained in N.C.G.S. § 105-203 should be severed and the remainder of the statute upheld as applied. The opinion states that "[t]he General Assembly has said by the severability clause that the unconstitutional part of the statute should be severed." However, this Court has rejected such a plain-meaning analysis in determining whether an unconstitutional provision may be severed and the remainder of the statute upheld. In *State ex rel. Andrews v. Chateau X, Inc.*, 296 N.C. 251, 250 S.E.2d 603 (1979), judgment vacated on other grounds, 445 U.S. 947, 63 L. Ed. 2d 782 (1980), this Court prescribed the utilization of a two-part test for deciding the issue of severability:

To determine whether the portions are in fact divisible, the courts first see if the portions remaining are capable of being enforced on their own. They also look to legislative intent, particularly to determine whether that body would have enacted the valid provisions if the invalid ones were omitted.

Id. at 259, 250 S.E.2d at 608. Because I believe that the majority's holding in this case is contrary to the intent of the North Carolina legislature, I respectfully dissent.

In *State v. Waddell*, 282 N.C. 431, 194 S.E.2d 19 (1973), this Court also addressed the issue of severability and enunciated the following principle:

"If the objectionable parts of a statute are severable from the rest in such a way that the legislature would be presumed to have enacted the valid portion without the invalid, the failure of the latter will not necessarily render the entire statute invalid, but the statute may be enforced as to those portions of it which are constitutional. If, however, the constitutional and the unconstitutional portions are so dependent on each other as to warrant the belief that the legislature intended them to take effect in their entirety, it follows that if the whole cannot be carried into effect, it will be presumed that the legislature would not have passed the residue independently, and accordingly, the entire statute is invalid."

Id. at 442, 194 S.E.2d at 27 (quoting 16 Am. Jur. 2d *Constitutional Law* § 186 (1964)). In support of our position in the present case, the Court in *Waddell* went on to note that "[w]hen exceptions, exemptions, or provisos in a statute are found to be invalid, the entire act may be void on the theory that by striking out the invalid exception the act has been widened in its scope and therefore cannot properly represent the legislative intent." *Id.* at 443, 194 S.E.2d at 27 (quoting J.G. Sutherland, *Statutes and Statutory Construction* § 2412 (Frank E. Horack, Jr., ed., 3d ed. 1943)).

In this case, as the remaining intangibles tax on stock is clearly capable of standing on its own, it is an examination of the legislative intent which compels the conclusion that the taxable percentage deduction is not severable. Although the presence of a severability clause provides some guidance as to legislative intent, *State ex rel. Andrews v. Chateau X, Inc.*, 296 N.C. at 260, 250 S.E.2d at 609, it is not conclusive. In *Sheffield v. Consolidated Foods Corp.*, 302 N.C. 403, 276 S.E.2d 422 (1981), this Court discussed the presence of a severability clause and commented that

[p]laintiffs' reliance on the severability clause is misplaced. While the severability clause obviously protects other provisions of the Act from invalidity due to a finding that one or more provisions are invalid, a severability [clause] is relevant to a decision only when the validity of a *particular* provision of the Act is at issue. Here, the inapplicable provisions of G.S. 78B-3 remain relevant to our consideration *in determining legislative intent* with respect to the application of the Act as a whole to open market purchases. Clearly in interpreting the legislative intent, we cannot ignore all the provisions of the Act simply because it contains a severability clause common to most statutes enacted by our Legislature.

Id. at 421, 276 S.E.2d at 434.

In determining that the severability clause could not be applied in *Sheffield*, the Court applied the following well-established canon of statutory construction:

"In order to discover and give effect to the legislative intent we must consider the act as a whole, having due regard to each of its expressed provisions; for there is no presumption that any provision is useless or redundant. That the act consists of several sections is altogether immaterial on the question of its unity. The construction of a statute can ordinarily be in no wise affected by the fact that it is subdivided into sections or titles. A statute [is] passed as a whole and not in parts or sections and is animated by one general purpose or intent. Consequently the several parts or sections of an act are to be construed in connection with every other part or section and all are to be considered as parts of a connected whole and harmonized, if possible, so as to aid in giving effect to the intention of the lawmakers."

Id. at 421-22, 276 S.E.2d at 434 (quoting *Jones v. Board of Educ.*, 185 N.C. 303, 307, 117 S.E. 37, 39 (1923) (citation omitted)). The Court concluded that "[w]e will not apply the severability clause to vary and to contradict the express terms of a statute, for we cannot believe the Legislature intended such a result." *Id.* at 422, 276 S.E.2d at 434.

In the present case, the taxable percentage deduction is contained in the provision of the intangibles tax which applies to stocks. N.C.G.S. § 105-203 provides in pertinent part:

All shares of stock . . . owned by residents of this State or having a business, commercial, or taxable situs in this State on December 31 of each year, with the exception herein provided, shall be subject to an annual tax, which is hereby levied, of twenty-five cents (25¢) on every one hundred dollars (\$100.00) of the total fair market value of the stock on December 31 of each year less the proportion of the value that is equal to:

- (1) In the case of a taxpayer that is a corporation, the proportion of the dividends upon the stock deductible by the taxpayer in computing its income tax liability under G.S. 105-130.7
- (2) In the case of a taxpayer that is not a corporation, the proportion of the dividends upon the stock that would be deductible by the taxpayer, if the taxpayer were a corporation, in computing its income tax liability under the provisions of G.S. 105-130.7(1), (2), (3), (3a), and (5)

N.C.G.S. § 105-203 (1992) (repealed 1995). In *Fulton Corp. v. Justus*, 338 N.C. 472, 450 S.E.2d 728 (1994), this Court explained the procedure involved in calculating the intangibles tax on stock as follows:

Thus, the intangibles tax on stock is computed in the following manner: the greater the percentage of the issuing corporation's total income which is allocated to and taxed in this state the more dividend income from that corporation a corporate shareholder is allowed to deduct and the less intangibles tax the shareholder pays. The amount by which the intangibles tax against the shareholder is reduced, therefore, is directly related to the amount of the issuing corporation's income which is allocated to and taxed in this state. If 70% of the issuing corporation's income is allocated to North Carolina, then 70% of the dividends on that corporation's stock are deductible by the corporate shareholder as income, the stock's value for intangibles tax purposes is reduced by 70%, and the intangibles tax thereby decreased by 70%.

Id. at 475, 450 S.E.2d at 730. For a more detailed discussion of the application of the intangibles tax on stock, see *Fulton v. Justus*, 338 N.C. 472, 450 S.E.2d 728. Because of the process involved in calculating the intangibles tax on stock, the elimination of the taxable percentage deduction would subject all stock in North Carolina companies to a full tax burden under N.C.G.S. § 105-203.

Further, because plaintiff in this case is a corporate taxpayer, the majority addresses only N.C.G.S. § 105-203(1), the taxable percentage deduction for stock owned by corporations. However, as the Secretary of Revenue's brief notes, the constitutional infirmity in N.C.G.S. § 105-203(1) is also present in N.C.G.S. § 105-203(2), the taxable percentage deduction for stock owned by individuals. Thus, if the taxable percentage deduction which applies to corporations must be severed, it follows that the taxable percentage deduction which applies to stock owned by individuals must also be severed. Under the logic of the majority's decision, excising the discriminatory deduction would eliminate the only unconstitutional feature of N.C.G.S. § 105-203. This would result in the remainder of N.C.G.S. § 105-203 becoming a constitutional tax on all shares of stock owned by corporations and individual taxpayers of North Carolina. Thus, the tax would apply not only to stock in publicly traded companies from around the world, but also to every small, incorporated business in our state. The full tax would also apply to corporate shareholders and individual stockholders. To contend that the legislature would have "passed the residue independently" is to defy the practical and political reality of the impact of such a tax.

When the General Assembly enacted the intangibles tax on stock in 1937, the shares of all corporations that paid taxes in North Carolina were excluded. Act of Jan. 6, 1937, ch. 127, sec. 706, 1937 N.C. Public Laws 170, 331 (an act to raise revenue). It was in 1939 that the General Assembly narrowed the exclusion to the proportion of tax the corporation paid in North Carolina. Act of Mar. 24, 1939, ch. 158, sec. 705, 1939 N.C. Public Laws 176, 359 (an act to raise revenue). In the portion of N.C.G.S. § 105-203 that levies the tax, the 1939 General Assembly stated that "[a]ll shares of stock . . . owned by residents of this State . . . , with the exceptions herein provided, shall be subject to an annual tax." *Id.* (emphasis added). The remainder of the statute then listed the exceptions, including the taxable percentage deduction on all shares of stock owned by corporations and individual taxpayers in North Carolina. Thus, the General Assembly has always manifested its intent that the scope of the intangibles tax on shares of stock be narrowed by these exceptions.

Severing the taxable percentage deduction as the majority opinion has done contravenes the intent of the legislature because it expands the scope of N.C.G.S. § 105-203. By severing the deduction, not only publicly traded shares of stock but also shares of stock in closely held corporations which have never before been subject to the intangibles tax on stock are now subject to such taxation.

Further evidence that the majority's decision contravenes the intent of the legislature can be found in the

repeal of the intangibles tax in its entirety -- including N.C.G.S. § 105-203 -- which became effective on 1 January 1995. Act of Jan. 25, 1995, ch. 41, sec. 1(b), 1995 N.C. Sess. Laws 59, 60 (an act to repeal the intangibles tax and to reimburse local governments for their resulting revenue loss). In the Legislative Research Commission's Report to the General Assembly, the Commission expressed three reasons for repealing the intangibles tax:

First, many consider it an unfair tax because, unlike tangible property, intangible property does not require local government services and thus should not be subject to tax. Second, many also believe the tax has a negative effect on economic development, causing corporate executives, retirees, and wealthy individuals to leave the State or to decide against moving into the State. *Third, if the United States Supreme Court overturns the North Carolina Supreme Court's decision and agrees with the court of appeals that the taxable percentage deduction is invalid, the result would be a tax increase for many taxpayers, particularly individuals who own small, in-State businesses.*

Legislative Research Comm'n, Revenue Laws, Report to the 1995 Gen. Assembly of N.C., at 97 (1995) (emphasis added). Because of the repeal of North Carolina's intangibles tax, N.C.G.S. § 105-203, the legislature also amended N.C.G.S. § 105-275, which classifies property that is excluded from the tax base and includes, *inter alia*, "[s]hares of stock, including shares and units of ownership of mutual funds, investment trusts, and investment funds." N.C.G.S. § 105-275(31c) (1995). The explicit exemption of stock from taxation in the General Statutes clearly illustrates the intent of the legislature.

Thus, although a severability clause is contained in the statute, that alone does not determine that the constitutional portion should remain. Clearly, the legislature did not intend that the scope of N.C.G.S. § 105-203 be broadened. As this Court has recognized, invalidation of some exceptions or exemptions may require an entire statute to fail if severing the invalid provisions would widen the scope of the statute beyond the legislature's intended coverage. *State v. Waddell*, 282 N.C. at 443, 194 S.E.2d at 27. This is exactly what severing the taxable percentage deduction and upholding the residue of the tax would do in the present case. Therefore, I conclude that the majority is in error and would agree with both the Secretary of Revenue and the corporate plaintiff that the entire tax must fail and that plaintiff is therefore entitled to a refund.

Justices FRYE and LAKE join in this dissenting opinion.

TAX LEGISLATION SINCE 1979

This document includes tax and fee changes since 1979 that have an estimated fiscal impact of \$100,000 or greater. Fiscal staff updated the fiscal estimates of all major tax legislation. Many of the bills with a fiscal estimate of less than \$1 million in revenue have not been revised.

I. TAX INCREASES

	Item	Year	(\$Million) Estimated 1996-97 Impact
Sales Tax	Increase sales tax registration fee from \$1 to \$5	1979	\$.13
	Approve 1/2 cent local sales tax.	1983	333.5
	Restructure sales tax on motor vehicles (1).	1983	92.3
	Approve 1/2 cent local sales tax.	1986	333.5
	Increase sales tax on leased motor vehicles.	1989	7.4
	Repeal exemption for ice.	1989	.4
	Increase state sales tax 1 cent.	1991	667.0
	Increase tax on boats and aircraft from 2% to 3% with \$1500 limit.	1991	2.4
Highway Use Tax	Convert sales tax on motor vehicles to highway use tax with broader base, higher rate, higher limit (1).	1989	158.7
Vehicle Fees	Increase various fees.	1979	3.1
	Increase motor vehicle registration, titling fees.	1981	48.0
	Increase titling fees.	1989	62.9
	Repeal the credit allowed against the road tax for the amount of a temporary road tax permit.	1991	.275
	Increase fees for learners' permits, ID cards, duplicate drivers license, single trip permits, and oversize/overweight permit fees.	1991	9.4
	Increase tax on out of state vehicles registering in NC.	1991	1.1
	Raise temporary motor carrier permit fee and lack of registration penalty.	1992	.65
	Make changes in the dealer plate law.	1994	.15
Increase tracking of fuel shipments	1994	9.0	

(1) Rough guess (no data available to break out impact)

I. TAX INCREASES (continued)

	Item	Year	(SMillions) Estimated 1996-97 Impact
Gas Tax	Increase gas tax 3 cents.	1981	136.2
	Increase gas tax 3.5 cents.	1986	158.9
	Increase gas tax 5.2 cents.	1989	236.1
Ind. Income Tax	Repeal income tax exclusion for \$1,500 of National Guard pay.	1989	2.0
	Raise income tax on high-income taxpayers (7.75% tax rate).	1991	90.0
	Conform state income tax to 1990 federal changes.	1991	14.9
	Repeal the \$300 tax credit for dividends received from North Carolina companies.	1996	11.5
Corp. Income Tax	Require multistate corporations to add back to income any credit taken on property taxes paid on inventories.	1986	.3
	Increase corporate income tax from 6% to 7% (2).	1987	128.9
	Require corporations to include in state taxable income the amount of credits claimed against the income tax.	1987	.1
	Limit jobs credit to manufacturing & industrial activities	1989	1.1
	Lower threshold from \$5000 of tax due to \$500 for determining whether corporation must estimate and pay tax during income year.	1990	3.9
	Increase corporate income tax rate to 7.75%.	1991	96.7
	Repeal the \$15,000 tax deduction for dividends received from North Carolina companies	1996	2.0
Liquor Tax	Increase liquor excise tax rate 5.5%.	1987	14.8
	Increase liquor tax on mixed drinks and permit fees.	1991	7.0
Cigarette Tax	Increase cigarette tax from 2 cents per pack to 5 cents and levy tax on other tobacco products.	1991	28.2
	Eliminate cigarette tax stamps, require monthly reports and change merchant discount.	1993	1.1
Real Estate Tax	Double real estate transfer tax and close loophole.	1991	25.4
Franchise Tax	Increase minimum tax on corporations.	1986	.5

	Require electronic funds transfer for taxpayers who owe \$20,000 per month.	1993	2.0

V. OTHER CHANGES (continued)

Item		Year	(\$Million) Estimated 1996-97 Impact
Highway Fund/ Highway Trust Fund	Change point of collection of motor fuel tax to the terminal.	1995	10.0

OTHER LEGISLATION

Tax Amnesty (Fair Share Tax Act) - A one-time tax amnesty program for the period September 1-December 1, 1989. Imposed increased penalties for tax evasion and failing to file returns. Added tax enforcement personnel. Estimated to bring in \$25 million in one-time revenue and \$68.9 million in permanent revenue through enforcement.

Retirement Pay Tax Equalization - In reaction to Davis v. Michigan, provided uniform \$4,000 income tax exclusion for the retirement benefits received by federal, state or local government retirees and a \$2,000 exclusion for private sector benefits.

Tax Fairness Act of 1989 - Made sweeping changes to the state individual income tax.

- (1) Reduced tax brackets from five to two. (A third bracket was added in 1991 for incomes over \$100,000).
- (2) Increased standard deduction amounts from \$550 to \$3,000 for single person and to \$5,000 for joint returns.
- (3) Increased the personal exemption to \$2,000 per individual.
- (4) Allowed joint filing of returns for married couple.
- (5) Adopted the federal taxable income as the starting point for the calculation of state taxable income.

Designed to be revenue neutral.

SENATE FINANCE COMMITTEE
(Joint Meeting with Senate Appropriations and House Finance and Appropriations)

WEDNESDAY, FEBRUARY 12, 1997

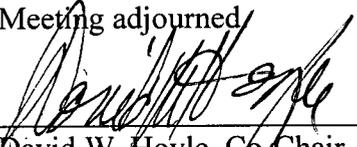

8:30 A.M. - ROOM 643 LOB

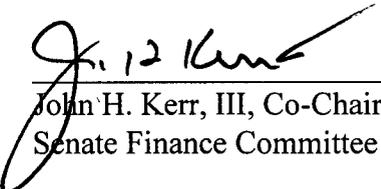

The Senate Finance Committee met jointly with the Senate Appropriations, the House Finance and House Appropriations on Wednesday, February 12, 1997, at 8:30 A.M. in Room 643. Representative Holmes, House Appropriations Chairman, presided over the meeting and introduced his Co-Chairs: Representative Crawford, Representative Creech and Representative Esposito. Senator Plyler, Chairman of Senate Appropriations, was recognized and introduced Senator Odom and Senator Perdue, Representative Holmes also introduced Senator Kerr and Senator Hoyle as Senate Finance Chairs and introduced Representative Gray, Representative Dickson, Representative Brawley and Representative Wilson as House Finance Chairs.

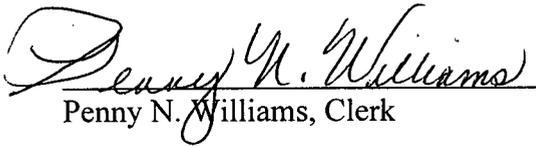

Dave Crotts, Fiscal Research, was recognized and give a General Fund Revenue Estimate Summary. Copy included with the minutes. He told the committees that while North Carolina is not achieving the growth rate in the 90's that it did in the 80's that it is very stable and the population growth is exceeding expectations.

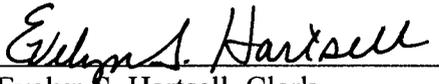

Marvin Dorman, State Budget Officer in the Office of Budget and Management, was recognized for remarks. Included in the minutes is the information he furnished the committee members concerning the budget recommendations. At the conclusion of his presentation, Mr. Dorman answered questions from the members. There was not enough time to answer all the questions and at the request of Representative Esposito, Mr. Dorman agreed to return 15 minutes after session to answer additional questions from the committee members.

Meeting adjourned

Planning Outputs for Performance/Program Budgeting

The Performance Planning process produces 11 outputs that are incorporated in the Department Operations Plan and the Performance/Program Budget Documents. Three outputs are incorporated in each of the documents and provide a link between them: program objectives, outcome measures, and funds supporting objectives.

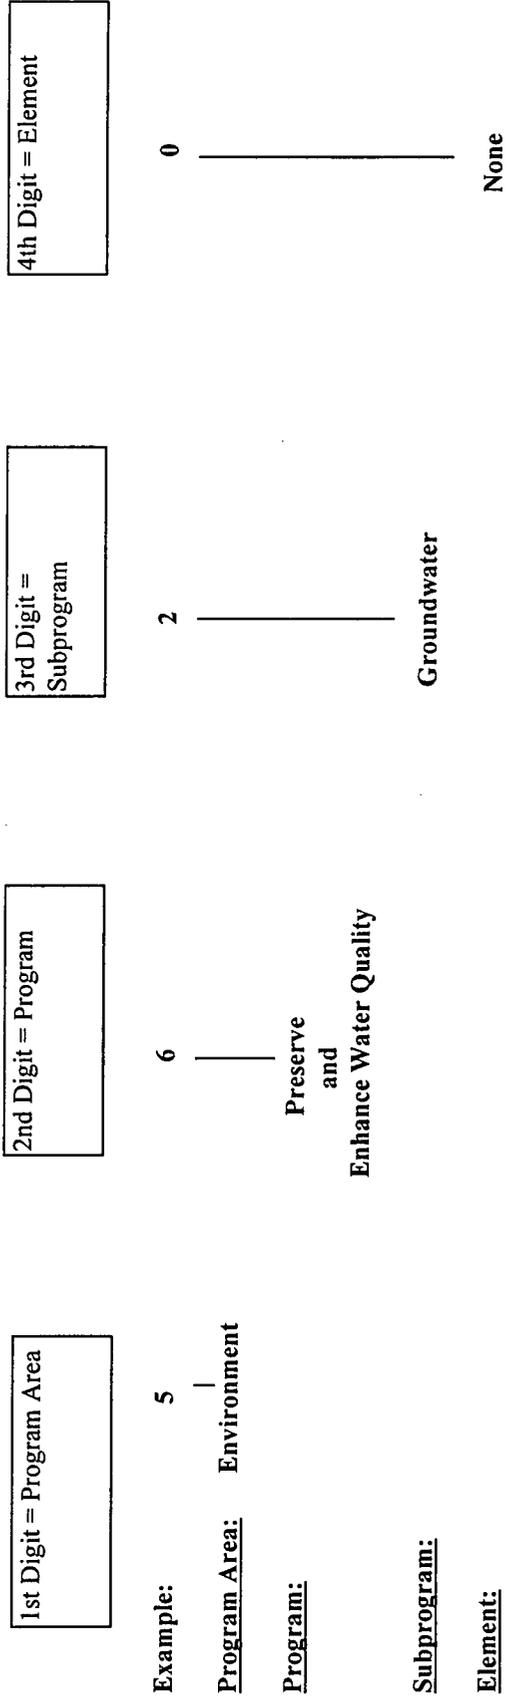

Performance Planning Outputs	Department Operations Plans	Program Budget (Volume 7)	Line-Item Budget (Volumes 1-6)
Mission statement	X		
Department Goals	X		
Trends and Implications	X	X	
Customers		X	
Expected Outcomes		X	X
Program Objectives	X	X	X
Administrative Objectives	X		
Outcome Measures		X	X
Performance Measures		X	X
Funds Supporting Objectives	X	X	X
Strategies/Activities	X	X	
Innovations	X		

PERFORMANCE BUDGET ACCOUNTING

As of the 1997-99 biennium, each budget fund will be linked to a program number and there will be no split funds. This change accommodates a new accounting system in the Office of the State Controller. The change will not affect the former budget and accounting for Performance Budget Accounting, which uses a four-digit program number to correspond to the hierarchy in the program classification outline. The **first digit** identifies the **Program Area**; the **second digit** identifies the **Program**; the **third digit** identifies the **Subprogram** (if applicable); and the **fourth digit** identifies the **Element** (if applicable).

The program number will not replace the operating fund number used in the traditional budget, but the program number will be used in addition to the operating fund number to accommodate Performance Budget implementation. The program number will be incorporated into all phases of budget and accounting to reflect the reporting and budgetary control that will be used when Performance Budgeting is implemented.

SENATE FINANCE COMMITTEE

WEDNESDAY, FEBRUARY 19, 1997

12:00 NOON - ROOM 544 LOB

The Senate Committee on Finance met.. There were twenty four members of the Committee present.

Senator David Hoyle, Co-Chair of the Committee, presided. He welcomed each one there and introduced the Page, Miss Elizabeth Hinnant from Knightdale, North Carolina, who is sponsored by Senator John Carrington.

The following bills were considered:

Senate Bill 33 Revenue Laws Technical Changes

Senator Betsy Cochrane, Sponsor of the Bill, came to explain the bill. She first made a motion for an amendment to the bill for technical changes, motion passed. Motion made by Senator Patrick Ballantine for a "favorable report, as amended", motion passed.

Senate Bill 34 Adjust City Receipts Tax Share

Senator Betsy Cochrane, Sponsor of the Bill, came to explain the bill. Senator Cochrane, after getting into the explanation of this Bill and having Senator Webster ask many questions relative to this Bill, decided to withdraw this Bill until the Staff could thoroughly answer the questions that had been raised by Senator Webster. Therefore, the Bill was pulled from the Agenda.

Senate Bill 98 Tax At Rack Improvements

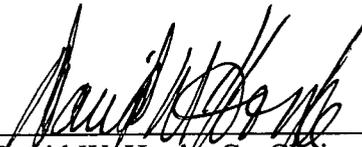

Senator John Kerr, Sponsor of the Bill, explained the Bill which makes fine tuning changes to the method of collecting motor fuels tax. Senator Kerr called on Mr. Gary Harris with the North Carolina Jobbers Association to speak briefly to the bill.

SENATE FINANCE COMMITTEE MEETING
FEBRUARY 19, 1997

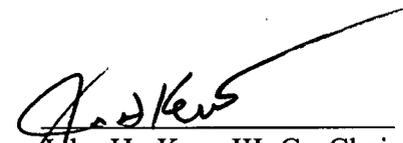

Page -2-

Senator R. C. Soles, Jr. made a motion for a "favorable" report for the Bill, motion passed.

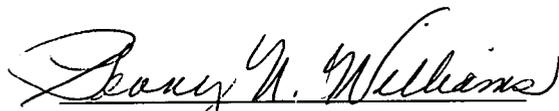

There being no further business, the meeting was adjourned.

SENATE FINANCE COMMITTEE

February 19, 1997

Welcome

Introduction of Pages

Bills To Be Considered:

S.B. 33 - Revenue Laws Technical Changes

S.B. 34 - Adjust City Receipts Tax Share

S.B. 98 - Tax At Rack Improvements

GENERAL ASSEMBLY OF NORTH CAROLINA

SESSION 1997

S

1

SENATE BILL 33

Short Title: Revenue Laws Technical Changes.

(Public)

Sponsors: Senators Cochrane, Cooper, Kerr, Shaw of Cumberland, Soles; Foxx and Warren.

Referred to: Finance.

February 3, 1997

1 A BILL TO BE ENTITLED
2 AN ACT TO MAKE TECHNICAL AND CONFORMING CHANGES TO THE
3 REVENUE LAWS AND RELATED STATUTES.

4 The General Assembly of North Carolina enacts:

5 Section 1. G.S. 14-407 is repealed.

6 Section 2. Effective January 1, 1997, G.S. 105-23(b) reads as rewritten:

7 "(b) Exception. -- An inheritance tax return is not required to be filed for an
8 estate that meets all of the following conditions:

9 (1) Its beneficiaries are all either Class A beneficiaries, as described in
10 G.S. 105-4(a), or the surviving spouse.

11 (2) Its gross value, including the value of transfers over which the
12 decedent retained an interest and the value of gifts made within
13 three years before the decedent's death, as provided in G.S.
14 105-2(a)(3), is less than ~~four hundred fifty thousand dollars~~
15 ~~(\$450,000)~~ six hundred thousand dollars (\$600,000)."

16 Section 3. G.S. 105-130.22 reads as rewritten:

17 "**§ 105-130.22. Tax credit for construction of dwelling units for handicapped persons.**

18 There ~~shall be~~ is allowed to corporate owners of multifamily rental units located
19 in ~~North Carolina~~ this State as a credit against the tax imposed by this Division, an
20 amount equal to five hundred fifty dollars (\$550.00) for each dwelling unit
21 constructed by ~~such corporate owner which~~ the corporate owner that conforms to
22 ~~the requirements of section (11x)~~ Volume I-C of the North Carolina Building Code
23 for the taxable year within which the construction of ~~such~~ the dwelling unit is

1 ~~completed; provided, that credit will be allowed under this section only for the~~
2 ~~number of such completed.~~ The credit is allowed only for dwelling units completed
3 during the taxable year which that were required to be built in compliance with
4 section (11x) Volume I-C of the North Carolina Building Code; provided further, that
5 if Code. If the credit allowed by this section exceeds the tax imposed by this Division
6 reduced by all other credits allowed by the provisions of this Division, such excess
7 shall be allowed against the tax imposed by this Division allowed, the excess may be
8 carried forward for the next succeeding year; and provided further, that in year. In
9 order to secure the credit allowed by this section the corporation shall file with its
10 income tax return for the taxable year with respect to which such credit is to be
11 claimed; a copy of the occupancy permit on the face of which there shall be is
12 recorded by the building inspector the number of units completed during the taxable
13 year which conform to section (11x) that conform to Volume I-C of the North
14 Carolina Building Code. When he has recorded After recording the number of such
15 these units on the face of the occupancy permit, the building inspector shall promptly
16 make and forward a copy of the permit to the Special Office for the Handicapped,
17 Building Accessibility Section of the Department of Insurance."

18 Section 4. G.S. 105-151.1 reads as rewritten:

19 "**§ 105-151.1. Tax credit for construction of dwelling units for handicapped persons.**

20 There shall be is allowed to resident owners of multifamily rental units located in
21 North Carolina this State as a credit against the tax imposed by this Division an
22 amount equal to five hundred fifty dollars (\$550.00) for each dwelling unit
23 constructed by the resident owner that conforms to Volume I-C of the North Carolina
24 Building Code for the taxable year within which the construction of the dwelling unit
25 is completed. The credit is allowed only for dwelling units completed during the
26 taxable year that were required to be built in compliance with Volume I-C of the
27 North Carolina Building Code. If the credit allowed by this section exceeds the tax
28 imposed by this Division reduced by all other credits allowed, the excess may be
29 carried forward for the next succeeding year. In order to claim the credit allowed by
30 this section, the taxpayer shall file with its income tax return a copy of the occupancy
31 permit on the face of which is recorded by the building inspector the number of units
32 completed during the taxable year that conform to Volume I-C of the North Carolina
33 Building Code. After recording the number of these units on the face of the
34 occupancy permit, the building inspector shall promptly forward a copy of the permit
35 to the Building Accessibility Section of the Department of Insurance.

36 ~~to the recommendations of section (11x) of the North Carolina Building Code for~~
37 ~~the taxable year within which the construction of the dwelling units is completed;~~
38 ~~provided, that credit will be allowed under this section only for the number of~~
39 ~~dwelling units completed during the taxable year that were required to be built in~~
40 ~~compliance with section (11x) of the North Carolina Building Code; provided further,~~
41 ~~that if the credit allowed by this section exceeds the tax imposed by this Division~~
42 ~~reduced by all other credits allowed by this Division, the excess shall be allowed as a~~
43 ~~credit against the tax imposed by this Division for the next succeeding year; and~~
44 ~~provided further, that in order to secure the credit allowed by this section the~~

1 taxpayer shall file with the income tax return for the taxable year with respect to
2 which the credit is to be claimed, a copy of the occupancy permit on the face of
3 which there shall be recorded by the building inspector the number of units
4 completed during the taxable year that conform to section (11x) of the North
5 Carolina Building Code. After recording the number of units on the face of the
6 occupancy permit, the building inspector shall promptly forward a copy of the permit
7 to the Special Office for the Handicapped, Department of Insurance."

8 Section 5. G.S. 105-163.010 reads as rewritten:

9 "**§ 105-163.010.** (Repealed effective for investments made on or after January 1, 1999)

10 **Definitions.**

11 The following definitions apply in this Division:

- 12 (1) **Affiliate.** — An individual or business that controls, is controlled
13 by, or is under common control with another individual or
14 business.
- 15 (2) **Business.** — A corporation, partnership, association, or sole
16 proprietorship operated for profit.
- 17 (3) **Control.** — A person controls an entity if the person owns, directly
18 or indirectly, more than ten percent (10%) of the voting securities
19 of that entity. As used in this subdivision, the term 'voting
20 security' means a security that (i) confers upon the holder the right
21 to vote for the election of members of the board of directors or
22 similar governing body of the business or (ii) is convertible into, or
23 entitles the holder to receive upon its exercise, a security that
24 confers such a right to vote. A general partnership interest is a
25 voting security.
- 26 (4) **Equity security.** — Common stock, preferred stock, or an interest in
27 a partnership, or subordinated debt that is convertible into, or
28 entitles the holder to receive upon its exercise, common stock,
29 preferred stock, or an interest in a partnership.
- 30 (5) **Financial institution.** — A business that is (i) a bank holding
31 company, as defined in the Bank Holding Company Act of 1956,
32 12 U.S.C. §§ 1841 et seq., or its wholly owned subsidiary, (ii)
33 registered as a broker-dealer under the Securities Exchange Act of
34 1934, 15 U.S.C. §§ 78a et seq., or its wholly owned subsidiary, (iii)
35 an investment company as defined in the Investment Company Act
36 of 1940, 15 U.S.C. §§ 80a-1 et seq., whether or not it is required to
37 register under that act, (iv) a small business investment company as
38 defined in the Small Business Investment Act of 1958, 15 U.S.C.
39 §§ 661 et seq., (v) a pension or profit-sharing fund or trust, or (vi)
40 a bank, savings institution, trust company, financial services
41 company, or insurance company; provided, however, that a
42 business, other than a small business investment company, is not a
43 financial institution if its net worth, when added to the net worth
44 of all of its affiliates, is less than ten million dollars (\$10,000,000);

1 ~~provided further, however, that a business is not a financial~~
2 ~~institution if it does not generally market its services to the public~~
3 ~~and it is controlled by a business that is not a financial institution.~~

4 ~~(6) Repealed by Session Laws 1991, c. 637.~~

5 ~~(6a) North Carolina Enterprise Corporation. — A corporation~~
6 ~~established in accordance with Article 3 of Chapter 53A of the~~
7 ~~General Statutes or a limited partnership in which a North~~
8 ~~Carolina Enterprise Corporation is the only general partner.~~

9 ~~(6b) Pass-through entity. — An entity or business, including a limited~~
10 ~~partnership, a general partnership, a joint venture, a Subchapter S~~
11 ~~Corporation, or a limited liability company, all of which is treated~~
12 ~~as owned by individuals or other entities under the federal tax~~
13 ~~laws, in which the owners report their share of the income, losses,~~
14 ~~and credits from the entity or business on their income tax returns~~
15 ~~filed with this State. For the purpose of this Division, an owner of~~
16 ~~a pass-through entity is an individual or entity who is treated as an~~
17 ~~owner under the federal tax laws.~~

18 ~~(7) Qualified business venture. — A business that (i) engages primarily~~
19 ~~in manufacturing, processing, warehousing, wholesaling, research~~
20 ~~and development, or a service related industry, and (ii) is~~
21 ~~registered with the Secretary of State under G.S. 105-163.013.~~

22 ~~(8) Qualified grantee business. — A business that (i) has received~~
23 ~~during the preceding three years a grant or other funding from the~~
24 ~~North Carolina Technological Development Authority, the North~~
25 ~~Carolina Technological Development Authority, Inc., North~~
26 ~~Carolina First Flight, Inc., the North Carolina Biotechnology~~
27 ~~Center, the Microelectronics Center of North Carolina, the Kenan~~
28 ~~Institute for Engineering, Technology and Science, or the Federal~~
29 ~~Small Business Innovation Research Program, and (ii) is registered~~
30 ~~with the Secretary of State under G.S. 105-163.013.~~

31 ~~(9) Repealed by Session Laws 1993, c. 443, s. 1.~~

32 ~~(9a) Real estate-related business. — A business that is involved in or~~
33 ~~related to the brokerage, selling, purchasing, leasing, operating, or~~
34 ~~managing of hotels, motels, nursing homes or other lodging~~
35 ~~facilities, golf courses, sports or social clubs, restaurants, storage~~
36 ~~facilities, or commercial or residential lots or buildings is a real~~
37 ~~estate-related business, except that a real estate-related business~~
38 ~~does not include (i) a business that purchases or leases real estate~~
39 ~~from others for the purpose of providing itself with facilities from~~
40 ~~which to conduct a business that is not itself a real estate-related~~
41 ~~business or (ii) a business that is not otherwise a real estate-related~~
42 ~~business but that leases, subleases, or otherwise provides to one or~~
43 ~~more other persons a number of square feet of space which in the~~
44 ~~aggregate does not exceed fifty percent (50%) of the number of~~

- 1 square feet of space occupied by the business for its other
2 activities:
- 3 (9b) ~~Selling or leasing at retail. -- A business is selling or leasing at~~
4 ~~retail if the business either (i) sells or leases any product or service~~
5 ~~of any nature from a store or other location open to the public~~
6 ~~generally or (ii) sells or leases products or services of any nature by~~
7 ~~means other than to or through one or more other businesses.~~
- 8 (9e) ~~Service-related industry. -- A business is engaged in a~~
9 ~~service-related industry, whether or not it also sells a product, if it~~
10 ~~provides services to customers or clients and does not as a~~
11 ~~substantial part of its business engage in a business described in~~
12 ~~G.S. 105-163.013(b)(4). A business is engaged as a substantial part~~
13 ~~of its business in an activity described in G.S. 105-163.013(b)(4) if~~
14 ~~(i) its gross revenues derived from all activities described in that~~
15 ~~subdivision exceed twenty five percent (25%) of its gross revenues~~
16 ~~in any fiscal year or (ii) it is established as one of its primary~~
17 ~~purposes to engage in any activities described in that subdivision,~~
18 ~~whether or not its purposes were stated in its articles of~~
19 ~~incorporation or similar organization documents.~~
- 20 (10) ~~Security. -- A security as defined in Section 2(1) of the Securities~~
21 ~~Act of 1933, 15 U.S.C. § 77b(1).~~
- 22 (11) ~~Subordinated debt. -- Indebtedness that (i) by its terms matures~~
23 ~~five or more years after its issuance, (ii) is not secured, and (iii) is~~
24 ~~subordinated to all other indebtedness of the issuer issued or to be~~
25 ~~issued to a financial institution other than a financial institution~~
26 ~~described in subdivisions (5)(ii) through (5)(v) of this section. Any~~
27 ~~portion of indebtedness that matures earlier than five years after its~~
28 ~~issuance is not subordinated debt.~~
- 29 (1) Affiliate. -- An individual or business that controls, is controlled
30 by, or is under common control with another individual or
31 business.
- 32 (2) Business. -- A corporation, partnership, association, or sole
33 proprietorship operated for profit.
- 34 (3) Control. -- A person controls an entity if the person owns, directly
35 or indirectly, more than ten percent (10%) of the voting securities
36 of that entity. As used in this subdivision, the term 'voting
37 security' means a security that (i) confers upon the holder the right
38 to vote for the election of members of the board of directors or
39 similar governing body of the business or (ii) is convertible into, or
40 entitles the holder to receive upon its exercise, a security that
41 confers such a right to vote. A general partnership interest is a
42 voting security.
- 43 (4) Equity security. -- Common stock, preferred stock, or an interest in
44 a partnership, or subordinated debt that is convertible into, or

1 entitles the holder to receive upon its exercise, common stock,
2 preferred stock, or an interest in a partnership.

3 (5) Financial institution. -- A business that is (i) a bank holding
4 company, as defined in the Bank Holding Company Act of 1956,
5 12 U.S.C. §§ 1841, et seq., or its wholly owned subsidiary, (ii)
6 registered as a broker-dealer under the Securities Exchange Act of
7 1934, 15 U.S.C. §§ 78a, et seq., or its wholly owned subsidiary, (iii)
8 an investment company as defined in the Investment Company Act
9 of 1940, 15 U.S.C. §§ 80a-1, et seq., whether or not it is required
10 to register under that act, (iv) a small business investment company
11 as defined in the Small Business Investment Act of 1958, 15 U.S.C.
12 §§ 661, et seq., (v) a pension or profit-sharing fund or trust, or (vi)
13 a bank, savings institution, trust company, financial services
14 company, or insurance company. The term does not include,
15 however, a business, other than a small business investment
16 company, whose net worth, when added to the net worth of all of
17 its affiliates, is less than ten million dollars (\$10,000,000). The
18 term also does not include a business that does not generally
19 market its services to the public and is controlled by a business
20 that is not a financial institution.

21 (6) North Carolina Enterprise Corporation. -- A corporation
22 established in accordance with Article 3 of Chapter 53A of the
23 General Statutes or a limited partnership in which a North
24 Carolina Enterprise Corporation is the only general partner.

25 (7) Pass-through entity. -- An entity or business, including a limited
26 partnership, a general partnership, a joint venture, a Subchapter S
27 Corporation, or a limited liability company, all of which is treated
28 as owned by individuals or other entities under the federal tax
29 laws, in which the owners report their share of the income, losses,
30 and credits from the entity or business on their income tax returns
31 filed with this State. For the purpose of this Division, an owner of
32 a pass-through entity is an individual or entity who is treated as an
33 owner under the federal tax laws.

34 (8) Qualified business venture. -- A business that (i) engages primarily
35 in manufacturing, processing, warehousing, wholesaling, research
36 and development, or a service-related industry, and (ii) is
37 registered with the Secretary of State under G.S. 105-163.013.

38 (9) Qualified grantee business. -- A business that (i) has received
39 during the preceding three years a grant or other funding from the
40 North Carolina Technological Development Authority, the North
41 Carolina Technological Development Authority, Inc., North
42 Carolina First Flight, Inc., the North Carolina Biotechnology
43 Center, the Microelectronics Center of North Carolina, the Kenan
44 Institute for Engineering, Technology and Science, or the Federal

- 1 Small Business Innovation Research Program, and (ii) is registered
2 with the Secretary of State under G.S. 105-163.013.
3 (10) Real estate-related business. -- A business that is involved in or
4 related to the brokerage, selling, purchasing, leasing, operating, or
5 managing of hotels, motels, nursing homes or other lodging
6 facilities, golf courses, sports or social clubs, restaurants, storage
7 facilities, or commercial or residential lots or buildings is a real
8 estate-related business, except that a real estate-related business
9 does not include (i) a business that purchases or leases real estate
10 from others for the purpose of providing itself with facilities from
11 which to conduct a business that is not itself a real estate-related
12 business or (ii) a business that is not otherwise a real estate-related
13 business but that leases, subleases, or otherwise provides to one or
14 more other persons a number of square feet of space which in the
15 aggregate does not exceed fifty percent (50%) of the number of
16 square feet of space occupied by the business for its other
17 activities.
18 (11) Security. -- A security as defined in Section 2(1) of the Securities
19 Act of 1933, 15 U.S.C. § 77b(1).
20 (12) Selling or leasing at retail. -- A business is selling or leasing at
21 retail if the business either (i) sells or leases any product or service
22 of any nature from a store or other location open to the public
23 generally or (ii) sells or leases products or services of any nature by
24 means other than to or through one or more other businesses.
25 (13) Service-related industry. -- A business is engaged in a service-
26 related industry, whether or not it also sells a product, if it
27 provides services to customers or clients and does not as a
28 substantial part of its business engage in a business described in
29 G.S. 105-163.013(b)(4). A business is engaged as a substantial part
30 of its business in an activity described in G.S. 105-163.013(b)(4) if
31 (i) its gross revenues derived from all activities described in that
32 subdivision exceed twenty-five percent (25%) of its gross revenues
33 in any fiscal year or (ii) it is established as one of its primary
34 purposes to engage in any activities described in that subdivision,
35 whether or not its purposes were stated in its articles of
36 incorporation or similar organization documents.
37 (14) Subordinated debt. -- Indebtedness that (i) by its terms matures
38 five or more years after its issuance, (ii) is not secured, and (iii) is
39 subordinated to all other indebtedness of the issuer issued or to be
40 issued to a financial institution other than a financial institution
41 described in subdivisions (5)(ii) through (5)(v) of this section. Any
42 portion of indebtedness that matures earlier than five years after its
43 issuance is not subordinated debt."

44 Section 6. G.S. 105-163.1(8) is repealed.

1 Section 7. G.S. 105-164.3(15) reads as rewritten:

2 "(15) ~~"Sale"~~ Sale or selling. -- The transfer of title or possession of
3 tangible personal property, conditional or otherwise, in any
4 manner or by any means whatsoever, for a consideration paid or
5 to be paid.

6 The term includes the fabrication of tangible personal
7 property for consumers by persons engaged in business who furnish
8 either directly or indirectly the materials used in the fabrication
9 work. The term also includes the furnishing or preparing for a
10 consideration of any tangible personal property consumed on the
11 premises of the person furnishing or preparing the property or
12 consumed at the place at which the property is furnished or
13 prepared. The term also includes a transaction in which the
14 possession of the property is transferred but the seller retains title
15 or security for the payment of the consideration.

16 If a retailer engaged in the business of selling prepared food
17 and drink for immediate or on-premises consumption also gives
18 prepared food or drink to its patrons or employees free of charge,
19 for the purposes of this Article the property given away is
20 considered sold along with the property sold. If a retailer gives an
21 item of inventory to a customer free of charge on the condition
22 that the customer purchase similar or related property, the item
23 given away is considered sold along with the item sold. In all other
24 cases, property given away or used by any retailer or wholesale
25 merchant is not considered sold, whether or not the retailer or
26 wholesale merchant recovers its cost of the property from sales of
27 other property."

28 Section 8. G.S. 105-236(5)d. reads as rewritten:

29 "d. No double penalty. -- If a penalty is assessed under
30 subdivision (6) of this section, no additional penalty for
31 negligence shall be assessed with respect to the same
32 deficiency."

33 Section 9. G.S. 105-253(b)(3) reads as rewritten:

34 "(3) All taxes due from the corporation pursuant to the provisions of
35 ~~Article~~ Articles 36C and 36D of Subchapter V of this Chapter and
36 all taxes payable under those Articles by the corporation to a
37 supplier for remittance to this State or another state."

38 Section 10. G.S. 105-277.4(c) reads as rewritten:

39 "(c) Property meeting the conditions for classification under G.S. 105-277.3 shall
40 be taxed on the basis of the value of the property for its present use. The difference
41 between the taxes due on the present-use basis and the taxes which would have been
42 payable in the absence of this classification, together with any interest, penalties or
43 costs that may accrue thereon, shall be a lien on the real property of the taxpayer as
44 provided in G.S. 105-355(a). The difference in taxes shall be carried forward in the

1 records of the taxing unit or units as deferred taxes, but shall not be payable, unless
2 and until the property loses its eligibility for the benefit of this classification. Except
3 as otherwise allowed under G.S. 105-277.3, property loses its eligibility for the benefit
4 of this classification if it no longer meets any requirement for classification. The tax
5 for the fiscal year that opens in the calendar year in which a disqualification occurs
6 shall be computed as if the property had not been classified for that year, and taxes
7 for the preceding three fiscal years which have been deferred as provided herein,
8 shall immediately be payable, together with interest thereon as provided in G.S. 105-
9 360 for unpaid taxes which shall accrue on the deferred taxes due herein as if they
10 had been payable on the dates on which they originally became due. If only a part of
11 the qualifying tract of land loses its eligibility, a determination shall be made of the
12 amount of deferred taxes applicable to that part and that amount shall become
13 payable with interest as provided above. Upon the payment of any taxes deferred in
14 accordance with this section for the three years immediately preceding a
15 disqualification, all liens arising under this subsection shall be extinguished."

16 Section 11. G.S. 105-330.2(a) reads as rewritten:

17 "(a) The value of a classified motor vehicle listed pursuant to G.S. 105-330.3(a)(1)
18 shall be determined as follows:

- 19 (1) For a vehicle registered under the staggered system, the value shall
20 be determined annually as of January 1 preceding the date a new
21 registration is applied for or the current registration expires.
- 22 (2) For a vehicle newly registered under the annual system, the value
23 shall be determined as of January 1 of the year the new registration
24 is obtained. For a vehicle whose registration is renewed under the
25 annual system, the value shall be determined as of January 1
26 following the date the registration expires.

27 If the value of a new motor vehicle cannot be determined as of the date specified
28 above, the value of that vehicle shall be determined for that year as of the date that
29 model vehicle is first offered for sale at retail in this State. The ownership, situs, and
30 taxability of a classified motor vehicle listed pursuant to G.S. 105-330.3(a)(1) shall be
31 determined annually as of the day on which a new registration is applied for or the
32 day on which the current vehicle registration is renewed, regardless of whether the
33 registration is renewed after it has expired.

34 The value of a classified motor vehicle listed pursuant to G.S. 105-330.3(a)(2) shall
35 be determined as of January 1 of the year in which the motor vehicle is required to
36 be listed pursuant to G.S. 105-330.3(a)(2). The ownership, situs, and taxability of a
37 classified motor vehicle listed or discovered pursuant to G.S. 105-330.3(a)(2) shall be
38 determined as of January 1 of the year in which the motor vehicle is required to be
39 listed."

40 Section 12. G.S. 105-449.95(a) reads as rewritten:

41 "(a) Calculation. -- At the end of each calendar quarter, the Secretary must
42 review the amount of discounts each licensed distributor or licensed importer
43 received under G.S. 105-449.93(b). The Secretary must determine if the amount of
44 discounts the distributor or importer received under that subsection in each month of

1 the quarter is less than the amount the distributor or importer would have received if
 2 the distributor or importer had been allowed a discount on taxable gasoline
 3 purchased by the distributor or importer from a supplier during each month of the
 4 quarter under the following schedule:

<u>Amount of Gasoline Purchased</u>	<u>Percentage</u>
<u>Each Month</u>	<u>Discount</u>
7 First 150,000 gallons	2%
8 Next 100,000 gallons	1 1/2%
9 Amount over 250,000 gallons	1%."

10 Section 13. G.S. 105-449.105(e) reads as rewritten:

11 "(e) Refund Amount. -- The amount of a refund allowed under this section is the
 12 amount of excise tax paid, less the amount of any discount allowed on the fuel under
 13 G.S. 105-449.93."

14 Section 14. G.S. 105-449.106 reads as rewritten:

15 "**§ 105-449.106. Quarterly refunds for certain local governmental entities, nonprofit**
 16 **organizations, and taxicabs.**

17 (a) Government and Nonprofits. -- A local governmental entity or a nonprofit
 18 organization listed below that purchases and uses motor fuel may receive a quarterly
 19 refund, for the excise tax paid during the preceding quarter, at a rate equal to the
 20 amount of the flat cents-per-gallon rate plus the variable cents-per-gallon rate in
 21 effect during the quarter for which the refund is claimed, less one cent (1¢) per
 22 gallon. Any of the following entities may receive a refund under this section:

- 23 (1) A county or a municipal corporation.
- 24 (2) A private, nonprofit organization that transports passengers under
 25 contract with or at the express designation of a unit of local
 26 government.
- 27 (3) A volunteer fire department.
- 28 (4) A volunteer rescue squad.
- 29 (5) A sheltered workshop recognized by the Department of Human
 30 Resources.

31 An application for a refund allowed under this section must be made in
 32 accordance with this Part and must be signed by the chief executive officer of the
 33 entity. The chief executive officer of a nonprofit organization is the president of the
 34 organization or another officer of the organization designated in the charter or bylaws
 35 of the organization.

36 (b) Taxi. -- A person who purchases and uses motor fuel in a taxicab, as defined
 37 in G.S. 20-87(1), while the taxicab is engaged in transporting passengers for hire, or
 38 in a bus operated as part of a city transit system that is exempt from regulation by the
 39 North Carolina Utilities Commission under G.S. 62-260(a)(8), may receive a quarterly
 40 refund, for the excise tax paid during the preceding quarter, at a rate equal to the flat
 41 cents-per-gallon rate plus the variable cents-per-gallon rate in effect during the
 42 quarter for which the refund is claimed, less one cent (1¢) per gallon. An application
 43 for a refund must be made in accordance with this Part."

44 Section 15. G.S. 105-449.107 reads as rewritten:

1 **"§ 105-449.107. Annual refunds for off-highway use and use by certain vehicles with**
2 **power attachments.**

3 (a) Off-Highway. -- A person who purchases and uses motor fuel for a purpose
4 other than to operate a licensed highway vehicle may receive an annual refund for
5 the excise tax the person paid on fuel used during the preceding calendar year at a
6 rate equal to the amount of the flat cents-per-gallon rate in effect during the year for
7 which the refund is claimed plus the average of the two variable cents-per-gallon
8 rates in effect during that year, less one cent (1¢) per gallon. An application for a
9 refund allowed under this section must be made in accordance with this Part.

10 (b) Certain Vehicles. -- A person who purchases and uses motor fuel in one of the
11 vehicles listed below may receive an annual refund for the amount of fuel consumed
12 by any of the following vehicles:

- 13 (1) A concrete mixing vehicle.
- 14 (2) A solid waste compacting vehicle.
- 15 (3) A bulk feed vehicle that delivers feed to poultry or livestock and
16 uses a power takeoff to unload the feed.
- 17 (4) A vehicle that delivers lime or fertilizer in bulk to farms and uses a
18 power takeoff to unload the lime or fertilizer.
- 19 (5) A tank wagon that delivers alternative fuel, as defined in G.S. 105-
20 449.130, or motor fuel or another type of liquid fuel into storage
21 tanks and uses a power takeoff to make the delivery.

22 The refund rate shall be computed by subtracting one cent (1¢) from the combined
23 amount of the flat cents-per-gallon rate in effect during the year for which the refund
24 is claimed and the average of the two variable cents-per-gallon rates in effect during
25 that year, and multiplying the difference by thirty-three and one-third percent (33
26 1/3%). An application for a refund allowed under this section shall be made in
27 accordance with this Part. This refund is allowed for the amount of fuel consumed by
28 the vehicle in its mixing, compacting, or unloading operations, as distinguished from
29 propelling the vehicle, which amount is considered to be one-third of the amount of
30 fuel consumed by the vehicle."

31 Section 16. G.S. 105-449.108 reads as rewritten:

32 **"§ 105-449.108. When an application for a refund is due.**

33 (a) Annual Refunds. -- An application for an annual refund of excise tax is due by
34 April 15 following the end of the calendar year for which the refund is claimed. The
35 application must state whether or not the applicant has filed a North Carolina income
36 tax return for the preceding taxable year, and must state that the applicant has paid
37 for the fuel for which a refund is claimed or that payment for the fuel has been
38 secured to the seller's satisfaction.

39 (b) Quarterly Refunds. -- An application for a quarterly refund of excise tax is
40 due by the last day of the month following the end of the calendar quarter for which
41 the refund is claimed. The application must state that the applicant has paid for the
42 fuel for which a refund is claimed or that payment for the fuel has been secured to
43 the seller's satisfaction.

1 (c) Upon Application. -- An application for a refund of excise tax upon
2 application under G.S. 105-449.105 is due by the last day of the month that follows
3 the payment of tax or other event that is the basis of the refund."

4 Section 17. G.S. 117-19(c), (d), and (e) are repealed.

5 Section 18. G.S. 119-15(5) reads as rewritten:

6 "(5) Kerosene supplier. -- Either of the following:

7 a. A person who supplies both kerosene and motor fuel and,
8 consequently, is required to be licensed under Part 2 of
9 Article 36C of Chapter 105 of the General Statutes.

10 b. A person who is not required to be licensed as a supplier
11 under Part 2 of Article 36C of Chapter 105 of the General
12 Statutes and who maintains storage facilities for kerosene to
13 be used to fuel an airplane."

14 Section 19. G.S. 119-16.2(a) reads as rewritten:

15 "(a) When Required. -- A person may not engage in business as a kerosene
16 supplier unless the person is licensed under Part 2 of Article 36C of Chapter 105 of
17 the General Statutes or has a kerosene supplier license issued under this section. A
18 kerosene distributor is required to have a kerosene distributor license only if the
19 distributor imports kerosene. Other kerosene distributors may elect to have a
20 kerosene distributor license. A licensed kerosene distributor that buys kerosene from
21 a supplier licensed under Part 2 of Article 36C of Chapter 105 of the General
22 Statutes has the right to defer payment of the inspection tax until the supplier is
23 required to remit the tax to this State or another state. A licensed kerosene
24 distributor that pays the tax due a supplier licensed under that Part by the date the
25 supplier must pay the tax to the State may deduct from the amount due a discount in
26 the amount set in G.S. 105-449.93."

27 Section 20. G.S. 159-48(c) reads as rewritten:

28 "(c) Each county is authorized to borrow money and issue its bonds under this
29 Article in evidence ~~thereof~~ of the debt for the purpose of, in the case of subdivisions
30 (1) ~~to (4), inclusive, through (4a) of this subsection,~~ paying any capital costs of any
31 one or more of the purposes ~~mentioned therein~~ and, in the case of subdivision (5), ~~to~~
32 ~~finance the cost thereof.~~ (5) of this subsection, to finance the cost of the purpose:

33 (1) Providing community college facilities, including without limitation
34 buildings, plants, and other facilities, physical and vocational
35 educational buildings and facilities, including in connection
36 therewith classrooms, laboratories, libraries, auditoriums,
37 administrative offices, student unions, dormitories, gymnasiums,
38 athletic fields, cafeterias, utility plants, and garages.

39 (2) Providing courthouses, including without limitation offices, meeting
40 rooms, court facilities and rooms, and detention facilities.

41 (3) Providing county homes for the indigent and infirm.

42 (4) Providing school facilities, including without limitation
43 schoolhouses, buildings, plants and other facilities, physical and
44 vocational educational buildings and facilities, including in

1 connection therewith classrooms, laboratories, libraries,
2 auditoriums, administrative offices, gymnasiums, athletic fields,
3 lunchrooms, utility plants, garages, and school buses and other
4 necessary vehicles.

5 (4a) Providing improvements to subdivision and residential streets
6 pursuant to G.S. 153A-205.

7 (5) Providing for the octennial revaluation of real property for
8 taxation."

9 Section 21. G.S. 159I-30(e) reads as rewritten:

10 "(e) Special obligation bonds and notes shall be special obligations of the unit of
11 local government issuing them. The principal of, and interest and any premium on,
12 special obligation bonds and notes shall be payable solely from any one or more of
13 the sources of payment authorized by this section as may be specified in the
14 proceedings, resolution, or trust agreement under which they are authorized or
15 secured. Neither the faith and credit nor the taxing power of the unit of local
16 government are pledged for the payment of the principal of, or interest or any
17 premium on, any special obligation bonds or notes, and no owner of special
18 obligation bonds or notes has the right to compel the exercise of the taxing power by
19 the unit in connection with any default thereon. Every special obligation bond and
20 note shall recite in substance that the principal and interest and any premium on
21 ~~such the~~ bond or note are payable solely from the sources of payment specified in the
22 bond order or ~~trust~~, trust agreement under which it is authorized or secured,
23 ~~provided that: if the following conditions are met:~~

24 (1) Any such use of ~~such these~~ sources will not constitute a pledge of
25 the unit's taxing power; and

26 (2) The municipality is not obligated to pay ~~such the~~ principal or
27 interest or premium except from ~~such these~~ sources."

28 Section 22. This act does not affect the rights or liabilities of the State, a
29 taxpayer, or another person arising under a statute amended or repealed by this act
30 before the effective date of its amendment or repeal; nor does it affect the right to
31 any refund or credit of a tax that accrued under the amended or repealed statute
32 before the effective date of its amendment or repeal.

33 Section 23. Section 2 of this act is effective January 1, 1997, and applies
34 to the estates of decedents dying on or after that date. The remainder of this act is
35 effective when it becomes law.

EXPLANATION OF SENATE BILL 33
Revenue Laws Technical Changes

TO: Senate Finance Committee
FROM: Sabra Faires, Committee Counsel
DATE: February 19, 1997
SPONSOR: Senator Betsy Cochrane

Senate Bill 33 is one of the bills recommended to the 1997 General Assembly by the Revenue Laws Study Committee. It makes numerous technical and clarifying changes to the revenue laws and related statutes. The following table provides a section-by-section analysis of the proposed changes.

<u>Section</u>	<u>Explanation</u>
1	Repeals an obsolete statute that requires gun owners to list their guns for property taxes. This statute is not needed because nonbusiness personal property is exempt from property taxes and the listing requirements for business personal property are contained in the Machinery Act.
2	Increases the inheritance tax return filing threshold for Class A beneficiaries from \$450,000 to \$600,000 to conform to the increased credit enacted in 1996.
3 - 4	Correct incorrect cross-references to the North Carolina Building Code and Building Accessibility Section of the Department of Insurance and modernize language.
5	Places definitions in alphabetical order and renumbers them. The definition of "security" is out of order and cannot be included in the correct order without renumbering the list of definitions.
6	Deletes the definition of "fiduciary" from the withholding tax Article because the term is not used in the Article.
7	Removes improper quotation marks.
8	Restores language that was inadvertently deleted in 1996 due to a redlining error.
9	Corrects a grammatical error.
10	Clarifies that an owner is liable for deferred taxes that have accrued on property valued at its present use whenever the property loses its eligibility for present use value classification. The clarification codifies the Department's long-standing interpretation of the use value program.
11	Restores the missing word "the."
12	Restores the missing word "or."
13 - 16	Make it clear that the per gallon motor fuel tax refunds do not apply to

- the inspection tax.
- 17 Repeals three obsolete subsections concerning taxes payable by electric membership corporations for 1965 and 1966.
 - 18 - 19 Make it clear that a motor fuel supplier that sells kerosene is not required to have a separate license as a kerosene supplier.
 - 20 Makes a conforming change to a cross-reference to a subdivision and modernizes language.
 - 21 Deletes an improper comma and modernizes language.
 - 22 Provides a savings clause.
 - 23 Provides the effective date of the act.

NORTH CAROLINA GENERAL ASSEMBLY
LEGISLATIVE FISCAL NOTE

BILL NUMBER: SB 33

SHORT TITLE: ADJUST CITY RECEIPTS TAX SHARE

SPONSOR(S): SEN. BETSY COCHRANE

FISCAL IMPACT: Expenditures: Increase () Decrease ()
 Revenues: Increase (X) Decrease (X)
 No Impact ()
 No Estimate Available ()

FUNDS AFFECTED: General Fund (X) Highway Fund () Local Fund (X)
 Other Fund ()

BILL SUMMARY: Prior to the 1989-90 fiscal year, the portion of the State Franchise tax on the gross receipts of utilities that was shared with municipalities was earmarked from taxes collected. In June, 1990 legislation was enacted to fund the State aid through an appropriation. During the 1991 budget crisis the General Assembly froze the statewide distribution for all future years at the 1990-91 level. Under this system, each city received a share of the statewide frozen amount based on utility taxes collected in the city, relative to the statewide total. The 1993 General Assembly enacted legislation, effective beginning with the 1995-96 fiscal year, that changed the funding system back to an earmarking of the State tax, less a holdback equal to the growth in actual collections for each city between 1990-91 and 1994-95. (The intent was to allow the State to keep the growth in collections during the freeze period as part of the local government contribution to the 1991 budget crisis).

The first-year implementation of the change has identified an issue that affects a handful of cities. The problem occurs in situations in which the utility gross receipts in a city increased between 1990-91 and 1994-95 as a result of the location or expansion of a large taxpayer (i.e., manufacturer) who was not part of the 1995-96 tax base (or at a much lower level). In this situation the city not only loses current revenues but is penalized by a holdback that includes the prior growth of a taxpayer who no longer is part of the city (or at a much lower level).

The bill corrects this inequity by reducing the holdback for any city whose 1995-96 distribution is at least 5% lower than the 1990-91 distribution, if the application of the holdback moves the city into the negative growth status. The holdback reduction is the amount necessary to ensure that the city is held harmless at the 1990-91 amount. Any adjustment to the holdback portion of the 1995-96 distribution will be carried forward to all future

years. This adjustment does not affect cities whose 1995-96 distribution is lower than 1990-91 for reasons other than the application of the holdback.

EFFECTIVE DATE: Upon ratification.

PRINCIPAL DEPARTMENT(S)/PROGRAM(S) AFFECTED: The distribution is administered by the Department of Revenue. It is not anticipated that the legislation will affect the Department's budget requirements.

FISCAL IMPACT

	<u>FY97</u>	<u>FY98</u>	<u>FY99</u>	<u>FY00</u>	<u>FY01</u>
REVENUES/RECEIPTS					
State:	-264,000	-132,000	-132,000	-132,000	-132,000
Cities*:	+264,000	+132,000	+132,000	+132,000	+132,000

*Total for the few cities impacted.

DATA, ASSUMPTIONS, METHODOLOGY: The cost estimate is based on an FRD computer simulation of the proposed system using actual data furnished by the Department of Revenue for the 1990-91 through 1995-96 fiscal year for all cities receiving a distribution.

GENERAL ASSEMBLY OF NORTH CAROLINA

SESSION 1997

S

1

SENATE BILL 98

Short Title: Tax At Rack Improvements.

(Public)

Sponsors: Senators Kerr, Cochrane, Cooper, Shaw of Cumberland, and Soles.

Referred to: Finance.

February 12, 1997

1 A BILL TO BE ENTITLED
2 AN ACT TO IMPROVE THE ADMINISTRATION OF THE MOTOR FUEL TAX
3 LAWS.

4 The General Assembly of North Carolina enacts:

5 Section 1. Part 1 of Article 36C of Chapter 105 of the General Statutes is
6 amended by adding a new section to read:

7 "**§ 105-449.62. Nature of tax.**

8 This Article imposes a tax on motor fuel to provide revenue for the State's
9 transportation needs and for the other purposes listed in Part 7 of this Article. The
10 tax is collected from the supplier or importer of the fuel because this method is the
11 most efficient way to collect the tax. The tax is designed, however, to be paid
12 ultimately by the person who consumes the fuel. The tax becomes a part of the cost
13 of the fuel and is consequently paid by those who subsequently purchase and
14 consume the fuel."

15 Section 2. G.S. 105-449.65(a)(5), as repealed by Section 3 of Chapter 647
16 of the 1995 Session Laws (Reg. Sess. 1996), is reenacted and G.S. 105-449.65, with the
17 reenactment, reads as rewritten:

18 "**§ 105-449.65. List of persons who must have a license.**

19 (a) License. -- A person may not engage in business in this State as any of the
20 following unless the person has a license issued by the Secretary authorizing the
21 person to engage in that business:

- 22 (1) A refiner.
23 (2) A supplier.
24 (3) A terminal operator.

- 1 (4) An importer.
 2 (5) An ~~exporter, if the Secretary imposes this requirement by rule-~~
 3 exporter.
 4 (6) A blender.
 5 (7) A motor fuel transporter.
 6 (8) A bulk-end user of undyed diesel fuel.
 7 (9) A retailer of undyed diesel fuel.

8 (b) Multiple Activity. -- A person who is engaged in more than one activity for
 9 which a license is required must have a separate license for each activity, unless this
 10 subsection provides otherwise. A person who is licensed as a supplier is not required
 11 to obtain a separate license for any other activity for which a license is required and
 12 is considered to have a license as a distributor. A person who is licensed as an
 13 occasional importer or a tank wagon importer is not required to obtain a separate
 14 license as a distributor. A person who is licensed as a distributor is not required to
 15 obtain a separate license as an importer if the distributor acquires fuel for import
 16 only from an elective supplier or a permissive ~~supplier.~~ supplier and is not required
 17 to obtain a separate license as an exporter. A person who is licensed as a distributor
 18 or a blender is not required to obtain a separate license as a motor fuel transporter if
 19 the distributor or blender does not transport motor fuel for others for hire."

20 Section 3. G.S. 105-449.66 reads as rewritten:

21 "**§ 105-449.66. Types of importers; restrictions on who can get a license as an**
 22 **importer.**

23 (a) Types. -- An applicant for a license as an importer must indicate the type of
 24 importer license sought. The types of importers are as follows:

- 25 (1) Bonded importer. -- A bonded importer is a person, other than a
 26 supplier, who imports, by transport truck or another means of
 27 transfer outside the terminal transfer system, motor fuel removed
 28 from a terminal located in another state in any of the following
 29 circumstances:
 30 a. The state from which the fuel is imported does not require
 31 the seller of the fuel to collect motor fuel tax on the removal
 32 either at that state's rate or the rate of the destination state.
 33 b. The supplier of the fuel is not an elective supplier.
 34 c. The supplier of the fuel is not a permissive supplier.
 35 (2) Occasional importer. -- An occasional importer is any of the
 36 following that imports motor fuel by any means outside the
 37 terminal transfer system:
 38 a. A distributor that imports motor fuel on an average basis of
 39 no more than once a month during a calendar year.
 40 b. A bulk-end ~~user that is not a distributor.~~ user that acquires
 41 motor fuel for import from a bulk plant and is not required
 42 to be licensed as a bonded importer.
 43 c. A distributor that imports motor fuel for use in a race car.

1 (3) Tank wagon importer. -- A tank wagon importer is a person who
2 imports, only by means of a tank wagon, motor fuel that is
3 removed from a terminal or a bulk plant located in another state.

4 (b) Restrictions. -- A person may not be licensed as more than one type of
5 importer. ~~A person who is a bulk end user and is not also a distributor may not be~~
6 ~~licensed as a bonded importer. A person who is a bulk end user and is not also a~~
7 ~~distributor may be licensed as an occasional importer with the restriction that the~~
8 ~~person acquire motor fuel for import only from an elective supplier or a permissive~~
9 ~~supplier or from a bulk plant. A bulk-end user that imports motor fuel from a~~
10 terminal of a supplier that is not an elective or a permissive supplier must be licensed
11 as a bonded importer. A bulk-end user that imports motor fuel from a bulk plant
12 and is not required to be licensed as a bonded importer must be licensed as an
13 occasional importer. A bulk-end user that imports motor fuel only from a terminal of
14 an elective or a permissive supplier is not required to be licensed as an importer."

15 Section 4. G.S. 105-449.67 reads as rewritten:

16 "**§ 105-449.67. List of persons who may obtain a license.**

17 ~~(a) License. -- A person who is engaged in business as any of the following may~~
18 ~~obtain a license issued by the Secretary for that business:~~

- 19 ~~(1) A distributor.~~
20 ~~(2) A permissive supplier.~~
21 ~~(3) An exporter.~~

22 ~~(b) Effect on Exports. -- An exporter license or a distributor license authorizes the~~
23 ~~license holder to pay the destination state tax on motor fuel purchased for export~~
24 ~~instead of paying this State's tax on the fuel. An unlicensed exporter or unlicensed~~
25 ~~distributor must pay this State's tax on motor fuel purchased for export.~~

26 ~~(c) Multiple Activity. -- A person who is licensed as a distributor is considered to~~
27 ~~have a license as an exporter.~~

28 A person who is engaged in business as any of the following may obtain a license
29 issued by the Secretary for that business:

- 30 (1) A distributor.
31 (2) A permissive supplier."

32 Section 5. G.S. 105-449.72 reads as rewritten:

33 "**§ 105-449.72. Bond or letter of credit required as a condition of obtaining and**
34 **keeping certain licenses.**

35 (a) Initial Bond. -- An applicant for a license as a refiner, a terminal operator, a
36 supplier, an importer, ~~an exporter~~, a blender, a permissive supplier, or a distributor
37 must file with the Secretary a bond or an irrevocable letter of credit. A bond must
38 be conditioned upon compliance with the requirements of this Article, be payable to
39 the State, and be in the form required by the Secretary. The amount of the bond or
40 irrevocable letter of credit is determined as follows:

- 41 (1) For an applicant for a license as any of the following, the amount
42 is two million dollars (\$2,000,000):
43 a. A refiner.
44 b. A terminal operator.

- 1 c. A supplier that is a position holder or a person that receives
2 motor fuel pursuant to a two-party exchange.
- 3 d. A bonded importer.
- 4 e. A permissive supplier.
- 5 (2) For an applicant for a license as any of the following, the amount
6 is two times the applicant's average expected monthly tax liability
7 under this Article, as determined by the Secretary. The amount
8 may not be less than two thousand dollars (\$2,000) and may not be
9 more than two hundred fifty thousand dollars (\$250,000):
- 10 a. A supplier that is a fuel alcohol provider but is neither a
11 position holder nor a person that receives motor fuel
12 pursuant to a two-party exchange.
- 13 b. An occasional importer.
- 14 c. A tank wagon importer.
- 15 d. A distributor.
- 16 e. ~~An exporter.~~
- 17 (3) For an applicant for a license as a blender, a bond is required only
18 if the applicant's average expected annual tax liability under this
19 Article, as determined by the Secretary, is at least two thousand
20 dollars (\$2,000). When a bond is required, the bond amount is the
21 same as under subdivision (2) of this subsection.

22 (b) Multiple Activity. -- An applicant for a license as a distributor and as a
23 bonded importer must file only the bond required of a bonded importer. An
24 applicant for two or more of the licenses listed in subdivision (a)(2) or (a)(3) of this
25 section may file one bond that covers the combined liabilities of the applicant under
26 all the activities. A bond for these combined activities may not exceed the maximum
27 amount set in subdivision (a)(2) of this subsection.

28 (c) Adjustment to Bond. -- When notified to do so by the Secretary, a person that
29 has filed a bond or an irrevocable letter of credit and that holds a license listed in
30 subdivision (a)(2) of this section must file an additional bond or irrevocable letter of
31 credit in the amount requested by the Secretary. The person must file the additional
32 bond or irrevocable letter of credit within 30 days after receiving the notice from the
33 Secretary. The amount of the initial bond or irrevocable letter of credit and any
34 additional bond or irrevocable letter of credit filed by the license holder, however,
35 may not exceed the limits set in subdivision (a)(2) of this section."

36 Section 6. G.S. 105-449.77(b) reads as rewritten:

37 "(b) Supplier Lists. -- The Secretary must give a list of licensed suppliers, licensed
38 terminal operators, licensed importers, licensed distributors, and licensed exporters to
39 each licensed supplier. The list must state the name, account number, and business
40 address of each license holder on the list. The Secretary must send a monthly update
41 of the list to each licensed supplier.

42 The Secretary must give a list of licensed suppliers to each licensed distributor,
43 licensed exporter, and licensed importer. The Secretary must also give a list of
44 licensed suppliers to each unlicensed distributor ~~or unlicensed exporter~~ that asks for a

1 copy of the list. The list must state the name, account number, and business address
2 of each supplier on the list and must indicate whether the supplier is an elective
3 supplier, a permissive supplier, or an in-State-only supplier. The Secretary must send
4 an annual update of the list to each licensed distributor, licensed exporter, and
5 licensed importer, and to each unlicensed distributor ~~or unlicensed exporter~~ that
6 requested a copy of the list."

7 Section 7. G.S. 105-449.82(c) reads as rewritten:

8 "(c) Terminal Rack Removal. -- The excise tax imposed by G.S. 105-449.81(1) on
9 motor fuel removed at a terminal rack in this State is payable by the person that first
10 receives the fuel upon its removal from the terminal. If the motor fuel is removed by
11 an unlicensed distributor, the supplier of the fuel is jointly and severally liable for the
12 tax due on the fuel. If the motor fuel is sold by a person who is not licensed as a
13 supplier, as required by this Article, the terminal operator, the person selling the fuel,
14 and the person removing the fuel are jointly and severally liable for the tax due on
15 the fuel. If the motor fuel removed is not dyed diesel fuel but the shipping document
16 issued for the fuel states that the fuel is dyed diesel fuel, the terminal operator, the
17 supplier, and the person removing the fuel are jointly and severally liable for the tax
18 due on the fuel.

19 If the motor fuel is removed for export by an unlicensed exporter, the exporter is
20 liable for tax on the fuel at the motor fuel rate and at the rate of the destination state.
21 The liability for the tax at the motor fuel rate applies when the Department assesses
22 the unlicensed exporter for the tax."

23 Section 8. G.S. 105-449.87(c) reads as rewritten:

24 "(c) Imputed Knowledge. -- ~~An end seller of dyed diesel fuel is considered to~~
25 ~~have known or had reason to know that the fuel would be used for a purpose that is~~
26 ~~taxable under this section unless the end seller delivered the fuel into a storage~~
27 ~~facility that meets one of the following requirements:~~

28 (1) ~~It contains fuel used only in heating, drying crops, or a~~
29 ~~manufacturing process and is installed in a manner that makes use~~
30 ~~of the fuel for any other purpose improbable.~~

31 (2) ~~It is marked as follows with the phrase "Dyed Diesel", "For~~
32 ~~Nonhighway Use", or a similar phrase that clearly indicates the~~
33 ~~fuel is not to be used to operate a highway vehicle:~~

34 a. ~~The storage tank of the storage facility is marked if the~~
35 ~~storage tank is visible.~~

36 b. ~~The filleap or spill containment box of the storage facility is~~
37 ~~marked.~~

38 e. ~~The dispensing device that serves the storage facility is~~
39 ~~marked.~~

40 An end seller of dyed diesel fuel is considered to have known or had reason to
41 know that the fuel would be used for a purpose that is taxable under this section if
42 the end seller delivered the fuel into a storage facility that was not marked as
43 required by G.S. 105-449.123."

1 Section 9. Part 3 of Article 36C of Chapter 105 of the General Statutes is
2 amended by adding a new section to read:

3 "**§ 105-449.88A. Liability for tax due on motor fuel designated as exempt by the use**
4 **of cards or codes.**

5 (a) Exempt Cards at Rack. -- When a licensed distributor or licensed importer
6 removes motor fuel from a terminal by means of an exempt card or exempt access
7 code issued by the supplier, the distributor or importer represents that the fuel
8 removed will be resold to a governmental unit that is exempt from the tax. A
9 supplier may rely on this representation. A licensed distributor or licensed importer
10 that does not resell motor fuel removed from a terminal by means of an exempt card
11 or exempt access code to an exempt governmental unit is liable for any tax due on
12 the fuel.

13 (b) Exempt Cards at Retail. -- A supplier that issues to, or authorizes another
14 person to issue to, another person a credit card or an access code that enables the
15 person to buy motor fuel at retail without paying the tax on the fuel has a duty to
16 determine if the person is exempt from the tax. A supplier is liable for tax due on
17 motor fuel purchased at retail by use of a credit card or an access code issued to a
18 person who is not exempt from the tax.

19 (c) Card Holder. -- A person to whom an exempt card or exempt access card is
20 issued for use at a terminal or at retail is liable for any tax due on fuel purchased
21 with the card for a purpose that is not exempt. A person who misuses an exempt
22 card or code by purchasing fuel with the card or code for a purpose that is not
23 exempt is liable for the tax due on the fuel."

24 Section 10. G.S. 105-449.89 reads as rewritten:

25 "**§ 105-449.89. Removals by out-of-state bulk-end user.**

26 ~~An out-of-state bulk-end user may remove motor fuel from a terminal in this State~~
27 ~~for use in the state in which the bulk-end user is located as follows:~~

28 ~~(1) Upon payment to the supplier of tax on the motor fuel at the~~
29 ~~motor fuel rate.~~

30 ~~(2) Upon payment to the supplier of destination, state tax on the~~
31 ~~motor fuel, if the bulk-end user acquires the fuel from a supplier~~
32 ~~who, with respect to the destination state of the fuel, is either a~~
33 ~~permissive supplier or an elective supplier and therefore collects~~
34 ~~the destination state tax on the fuel.~~

35 An out-of-state bulk-end user may not remove motor fuel from a terminal in this
36 State for use in the state in which the bulk-end user is located unless the bulk-end
37 user is licensed under this Article as an exporter. An out-of-state bulk-end user that
38 is not licensed under this Article may remove motor fuel from a bulk plant in this
39 State."

40 Section 11. G.S. 105-449.90 reads as rewritten:

41 "**§ 105-449.90. When tax return and payment are due.**

42 (a) Filing Periods. -- The excise tax imposed by this Article is payable when a
43 return is due. A return is due annually, quarterly, or monthly, as specified in this

1 section. A return must be filed with the Secretary and be in the form required by the
2 Secretary.

3 An annual return is due within 45 days after the end of each calendar year. An
4 annual return covers tax liabilities that accrue in the calendar year preceding the date
5 the return is due.

6 A quarterly return is due by the last day of the month that follows the end of a
7 calendar quarter. A quarterly return covers tax liabilities that accrue in the calendar
8 quarter preceding the date the return is due.

9 A monthly return of a person other than an occasional importer is due within 22
10 days after the end of each month. A monthly return of an occasional importer is due
11 by the ~~1st~~ 3rd of each month. A monthly return covers tax liabilities that accrue in
12 the calendar month preceding the date the return is due.

13 (b) Annual Filers. -- A terminal operator must file an annual return for the
14 compensating tax imposed by G.S. 105-449.85.

15 (c) Quarterly Filers. -- A licensed importer that removes fuel at a terminal rack of
16 a permissive or an elective supplier and a licensed distributor must file a quarterly
17 return under G.S. 105-449.94 to reconcile exempt sales.

18 (d) Monthly Filers on 22nd. -- The following persons must file a monthly return
19 by the 22nd of each month:

- 20 (1) A refiner.
- 21 (2) A supplier.
- 22 (3) A bonded importer.
- 23 (4) A blender.
- 24 (5) A tank wagon importer.
- 25 (6) A person that incurred a liability under G.S. 105-449.86 during the
26 preceding month for the tax on dyed diesel fuel used to operate
27 certain highway vehicles.
- 28 (7) A person that incurred a liability under G.S. 105-449.87 during the
29 preceding month for the backup tax on motor fuel.

30 (e) Monthly Filers on ~~1st~~ 3rd. -- An occasional importer must file a monthly
31 return by the ~~1st~~ third day of each month. An occasional importer is not required to
32 file a return, however, if all the motor fuel imported by the importer in a reporting
33 period was removed at a terminal located in another state and the supplier of the fuel
34 is an elective supplier or a permissive supplier."

35 Section 12. G.S. 105-449.91 reads as rewritten:

36 "**§ 105-449.91. Remittance of tax to supplier.**

37 (a) Distributor. -- A distributor must remit tax due on motor fuel removed at a
38 terminal rack to the supplier of the fuel. A licensed distributor has the right to defer
39 the remittance of tax to the supplier, as trustee, until the date the trustee must pay
40 the tax to this State or to another state. The time when an unlicensed distributor
41 must remit tax to a supplier is governed by the terms of the contract between the
42 supplier and the unlicensed distributor.

43 (b) Exporter. -- An exporter must remit tax due on motor fuel removed at a
44 terminal rack to the supplier of the fuel. ~~A licensed exporter that is also licensed in~~

1 ~~the destination state has the right to defer the remittance of tax to the supplier until~~
2 ~~the date set by the law of the destination state of the fuel. The time when an~~
3 ~~unlicensed exporter, or a licensed exporter that is not also licensed in the destination~~
4 ~~state, must remit tax to a supplier is governed by the terms of the contract between~~
5 ~~the supplier and the exporter. The time when an exporter must remit tax to a~~
6 ~~supplier is governed by the law of the destination state of the exported motor fuel.~~

7 (c) Importer. -- A licensed importer must remit tax due on motor fuel removed at
8 a terminal rack of a permissive or an elective supplier to the supplier of the fuel. A
9 licensed importer that removes fuel from a terminal rack of a permissive or an
10 elective supplier has the right to defer the remittance of tax to the supplier until the
11 date the supplier must pay the tax to this State.

12 (d) General. -- The method by which a distributor, ~~an~~ a licensed exporter, or a
13 licensed importer must remit tax to a supplier is governed by the terms of the
14 contract between the supplier and the distributor, exporter, or licensed importer and
15 the supplier. G.S. 105-449.76 governs the cancellation of a license of a distributor, an
16 exporter, and an importer."

17 Section 13. G.S. 105-449.92(b) reads as rewritten:

18 "(b) Effect of Notice. -- A supplier that sells motor fuel to a distributor ~~or an~~
19 ~~exporter~~ after receiving notice from the Secretary that the Secretary has cancelled the
20 distributor's ~~or exporter's~~ license is jointly and severally liable with the distributor ~~or~~
21 ~~exporter~~ for any tax due on motor fuel the supplier sells to the distributor ~~or exporter~~
22 after receiving the notice. This joint and several liability does not apply to excise tax
23 due on motor fuel sold to a previously unlicensed distributor ~~or unlicensed exporter~~
24 after the supplier receives notice from the Secretary that the Secretary has issued
25 another license to the ~~distributor or exporter.~~ distributor."

26 Section 14. G.S. 105-449.96 reads as rewritten:

27 "§ 105-449.96. Information required on return filed by supplier.

28 A return of a supplier must list all of the following information and any other
29 information required by the Secretary:

- 30 (1) The number of gallons of tax-paid motor fuel received by the
31 supplier during the month, sorted by type of fuel, seller, point of
32 origin, destination state, and carrier.
- 33 (2) The number of gallons of motor fuel removed at a terminal rack
34 during the month from the account of the supplier, sorted by type
35 of fuel, person receiving ~~distributor, exporter, or importer,~~ the fuel,
36 terminal code, and carrier.
- 37 (3) The number of gallons of motor fuel removed during the month
38 for export, sorted by type of fuel, person receiving ~~distributor or~~
39 ~~exporter,~~ the fuel, terminal code, destination state, and carrier.
- 40 (4) The number of gallons of motor fuel removed during the month at
41 a terminal located in another state for destination to this State, as
42 indicated on the shipping document for the fuel, sorted by type of
43 fuel, person receiving ~~distributor, exporter, or importer,~~ the fuel,
44 terminal code, and carrier.

- 1 (5) The number of gallons of motor fuel the supplier sold during the
2 month to any of the following, sorted by type of fuel, exempt
3 entity, person receiving ~~distributor~~, the fuel, terminal code, and
4 carrier:
- 5 a. A governmental unit whose use of fuel is exempt from the
6 tax.
- 7 b. A licensed distributor or importer that resold the motor fuel
8 to a governmental unit whose use of fuel is exempt from the
9 tax, as indicated by the ~~distributor~~ distributor or importer.
- 10 c. A licensed exporter that resold the motor fuel to a person
11 whose use of fuel is exempt from tax in the destination state,
12 as indicated by the exporter.
- 13 (6) The amount of discounts allowed under G.S. 105-449.93(b) on
14 motor fuel sold during the month to licensed distributors or
15 licensed importers."

16 Section 15. G.S. 105-449.97 reads as rewritten:

17 "**§ 105-449.97. Deductions and discounts allowed a supplier when filing a return.**

18 (a) Taxes Not Remitted. -- When a supplier files a return, the supplier may deduct
19 from the amount of tax payable with the return the amount of tax any of the
20 following license holders owes the supplier but failed to remit to the supplier:

- 21 (1) A licensed distributor.
- 22 (2) A licensed importer that removed the motor fuel on which the tax
23 is due from a terminal of an elective or a permissive supplier.
- 24 (3) Repealed by Session Laws 1995, c. 647, s. 32.

25 A supplier is not liable for tax a license holder listed in this subsection owes the
26 supplier but fails to pay. If a listed license holder pays tax owed to a supplier after
27 the supplier deducts the amount on a return, the supplier must promptly remit the
28 payment to the Secretary.

29 (b) Administrative Discount. -- A supplier that files a timely return may deduct
30 from the amount of tax payable with the return an administrative discount of one-
31 tenth of one percent (0.1%) of the amount of tax payable to this State as the trustee,
32 not to exceed eight thousand dollars (\$8,000) a month. The discount covers expenses
33 incurred in collecting taxes on motor fuel.

34 (c) Percentage Discount. -- A supplier that sells motor fuel directly to an
35 unlicensed distributor ~~or unlicensed exporter~~ or to the bulk-end user, the retailer, or
36 user of the fuel may take the same percentage discount on the fuel that a licensed
37 distributor may take under G.S. 105-449.93(b) when making deferred payments of tax
38 to the supplier.

39 (d) Taxes Paid on Exempt Retail Sales. -- When filing a return, a supplier that
40 issues or authorizes the issuance of an exempt card or an exempt access code to a
41 person that enables the person to buy motor fuel at retail without paying tax on the
42 fuel may deduct the amount of excise tax imposed on fuel purchased with the exempt
43 retail card or code. The amount of excise tax imposed on fuel purchased at retail

1 with an exempt retail card or code is the amount that was imposed on the fuel when
2 it was delivered to the retailer of the fuel."

3 Section 16. G.S. 105-449.98 reads as rewritten:

4 "**§ 105-449.98. Duties of supplier concerning payments by distributors, exporters, and**
5 **importers.**

6 (a) As Fiduciary. -- A supplier has a fiduciary duty to remit to the Secretary the
7 amount of tax paid to the supplier by a licensed distributor, licensed exporter, or
8 licensed importer. A supplier is liable for taxes paid to the supplier by a licensed
9 distributor, licensed exporter, or licensed importer.

10 (b) ~~Notification to Distributor or Exporter.~~ Notice of Fuel Received. -- A supplier
11 must notify a licensed ~~distributor or licensed exporter~~ distributor, a licensed exporter,
12 or a licensed importer that received motor fuel from the supplier during a reporting
13 period of the number of taxable gallons received. The supplier must give this notice
14 after the end of each reporting period and before the ~~licensed distributor or licensed~~
15 ~~exporter~~ license holder must remit to the supplier the amount of tax due on the fuel.

16 (c) ~~Notification~~ Notice to Department. -- A supplier of motor fuel at a terminal
17 must notify the Department within 10 business days after a return is due of any
18 licensed ~~distributors or licensed exporters~~ distributors, licensed exporters, or licensed
19 importers that did not pay the tax due the supplier when the supplier filed the return.
20 The ~~notification~~ notice must be transmitted to the Department in the form required
21 by the Department.

22 (d) Payment Application. -- A supplier that receives a payment of tax from a
23 ~~distributor or a licensed exporter~~ licensed distributor, a licensed exporter, or a
24 licensed importer may not apply the payment to ~~debts~~ a debt that person owes the
25 supplier for motor fuel purchased from the supplier."

26 Section 17. G.S. 105-449.105(a) reads as rewritten:

27 "(a) Exempt Fuel. -- A ~~distributor~~ person may obtain a refund of tax paid by the
28 ~~distributor~~ person on motor fuel sold to a governmental unit whose use of motor fuel
29 is exempt from the motor fuel excise tax. A governmental unit whose use of motor
30 fuel is exempt from the motor fuel excise tax may obtain a refund of tax paid by it on
31 motor fuel. A person may obtain a refund of tax paid by the person on exported
32 fuel, including fuel whose shipping document shows this State as the destination state
33 but was diverted to another state in accordance with the diversion procedures
34 established by the Secretary."

35 Section 18. G.S. 105-449.116 reads as rewritten:

36 "**§ 105-449.116. Import confirmation number required for some imported motor fuel.**

37 (a) Requirement. -- A bonded importer or an occasional importer that acquires
38 motor fuel for import by transport truck from a supplier that is not an elective
39 supplier or a permissive supplier, and therefore will not be acting as trustee for the
40 remittance of tax to the State on behalf of the importer, must obtain an import
41 confirmation number from the Secretary before importing the motor fuel. The
42 importer must write the import confirmation number on the shipping document
43 issued for the fuel. The importer must obtain a separate import confirmation number
44 for each transport truck delivery of motor fuel into this State.

1 (b) Penalty. -- An importer that does not obtain an import confirmation number
2 when required by this section is liable for a civil penalty. The civil penalty is payable
3 to the Department of Transportation, Division of Motor Vehicles, or the Department
4 of Revenue and is payable by the person in whose name the transport truck is
5 registered. The amount of the penalty depends on whether the person against whom
6 the penalty is assessed has previously been assessed a penalty under this subsection.
7 For a first assessment under this subsection, the penalty is the same as the amount for
8 a first assessment under G.S. 105-449.115(f). For a second or subsequent assessment
9 under this subsection, the penalty is the same as the amount for a second or
10 subsequent assessment under G.S. 105-449.115(f). A penalty imposed under this
11 subsection is in addition to any motor fuel tax assessed."

12 Section 19. G.S. 105-449.117 reads as rewritten:

13 **"§ 105-449.117. Penalties for highway use of dyed diesel or other non-tax-paid fuel.**

14 It is unlawful to use dyed diesel fuel ~~for a highway use in a highway vehicle that is~~
15 licensed or required to be licensed under Chapter 20 of the General Statutes unless
16 that use is ~~permitted~~ allowed under section 4082 of the Code. It is unlawful to use
17 undyed diesel fuel in a highway vehicle that is licensed or required to be licensed
18 under Chapter 20 of the General Statutes unless the tax imposed by this Article has
19 been paid. A person who ~~operates on a highway a highway vehicle whose supply~~
20 ~~tank contains dyed diesel fuel whose use is unlawful under this section or contains~~
21 ~~other fuel on which the tax imposed by this Article has not been paid~~ violates this
22 section is guilty of a Class 1 misdemeanor and is liable for a civil penalty.

23 The civil penalty is payable to the Department of Transportation, Division of
24 Motor Vehicles, or the Department of Revenue and is payable by the person in
25 whose name the highway vehicle is registered. The amount of the penalty depends
26 on the amount of fuel in the supply tank of the highway vehicle. The penalty is the
27 greater of one thousand dollars (\$1,000) or five times the amount of motor fuel tax
28 payable on the fuel in the supply tank. A penalty imposed under this section is in
29 addition to any motor fuel tax assessed."

30 Section 20. G.S. 105-449.120(a)(3) reads as rewritten:

31 "(3) Willfully fails to pay a tax when due under this ~~Article. Article or~~
32 under former Article 36 or 36A of this Chapter. Failure to comply
33 with a requirement of a supplier to remit tax payable to the
34 supplier by electronic funds transfer is considered a failure to make
35 a timely payment."

36 Section 21. The catch line to G.S. 105-449.122 reads as rewritten:

37 **"§ 105-449.122. Miscellaneous Equipment requirements."**

38 Section 22. Part 6 of Article 36C of Chapter 105 of the General Statutes
39 is amended by adding a new section to read:

40 **"§ 105-449.123. Marking requirements for dyed diesel fuel storage facilities.**

41 (a) Requirements. -- A person who is a retailer of dyed diesel fuel or who stores
42 both dyed and undyed diesel fuel for use by that person or another person must mark
43 the storage facility for the dyed diesel fuel as follows with the phrase 'Dyed Diesel',

1 'For Nonhighway Use', or a similar phrase that clearly indicates the diesel fuel is not
2 to be used to operate a highway vehicle:

3 (1) The storage tank of the storage facility must be marked if the
4 storage tank is visible.

5 (2) The fillcap or spill containment box of the storage facility must be
6 marked.

7 (3) The dispensing device that serves the storage facility must be
8 marked.

9 (b) Exception. -- The marking requirements of this section do not apply to a
10 storage facility that contains fuel used only in heating, drying crops, or a
11 manufacturing process, and is installed in a manner that makes use of the fuel for any
12 other purpose improbable."

13 Section 23. G.S. 105-449.133 reads as rewritten:

14 "§ 105-449.133. Bond or letter of credit required as a condition of obtaining and
15 keeping license as alternative fuel provider. certain licenses.

16 (a) Who Must Have Bond. -- An applicant The following applicants for a license as
17 ~~an alternative fuel provider~~ must file with the Secretary a bond or an irrevocable
18 letter of credit ~~in an credit~~:

19 (1) An alternative fuel provider.

20 (2) A retailer or a bulk-end user that intends to store highway and
21 nonhighway alternative fuel in the same storage facility.

22 (b) Amount. -- The amount of the bond is the amount that would be required if
23 the fuel the applicant intended to provide or store was motor fuel rather than
24 alternative fuel. An applicant that is also required to file a bond or an irrevocable
25 letter of credit under G.S. 105-449.72 to obtain a license as a distributor of motor fuel
26 may file a single bond or irrevocable letter of credit under that section for the
27 combined amount.

28 A bond filed under this subsection must be conditioned upon compliance with this
29 Article, be payable to the State, and be in the form required by the Secretary. The
30 Secretary may require a bond issued under this subsection to be adjusted in
31 accordance with the procedure set out in G.S. 105-449.72 for adjusting a bond filed
32 by a distributor of motor fuel."

33 Section 24. G.S. 105-449.137(a) reads as rewritten:

34 "(a) Liability. -- A bulk-end user or retailer that stores highway and nonhighway
35 alternative fuel in the same storage facility is liable for the tax imposed by this
36 Article. The tax payable by a bulk-end user or retailer applies when fuel is
37 withdrawn from the storage facility. The alternative fuel provider that sells or delivers
38 alternative fuel is liable for the tax imposed by this ~~Article.~~ Article on all other
39 alternative fuel."

40 Section 25. G.S. 105-449.138 reads as rewritten:

41 "§ 105-449.138. Requirements for bulk-end users and retailers.

42 (a) Informational Return. -- A bulk-end user and a retailer must file a quarterly
43 informational return with the Secretary. A quarterly return covers a calendar quarter

1 and is due by the last day of the month that follows the quarter covered by the
2 return.

3 The return must give the following information and any other information
4 required by the Secretary:

5 (1) The amount of alternative fuel received during the quarter.

6 (2) The amount of alternative fuel sold or used during the quarter.

7 (b) Storage. -- ~~A storage facility used by a bulk-end user or a retailer must be~~
8 ~~marked in a manner similar to that required for diesel fuel by G.S. 105-449.87(e) if~~
9 ~~the alternative fuel stored in the facility is to be used for a purpose other than to~~
10 ~~operate a highway vehicle. A bulk-end user or a retailer may store highway and~~
11 nonhighway alternative fuel in separate storage facilities or in the same storage
12 facility. If highway and nonhighway alternative fuel are stored in separate storage
13 facilities, the facility for the nonhighway fuel must be marked in accordance with the
14 requirements set by G.S. 105-449.123 for dyed diesel storage facilities. If highway and
15 nonhighway alternative fuel are stored in the same storage facility, the storage facility
16 must be equipped with separate metering devices for the highway fuel and the
17 nonhighway fuel. If the Secretary determines that a bulk-end user or retailer used or
18 sold alternative fuel to operate a highway vehicle when the fuel was dispensed from a
19 storage facility or through a meter marked for nonhighway use, all fuel delivered into
20 that storage facility is presumed to have been used to operate a highway vehicle."

21 Section 26. Sections 1, 19, and 20 of this act are effective when this act
22 becomes law. The remaining sections of this act become effective October 1, 1997.

PRINCIPAL DEPARTMENT(S) & Department of Revenue, Motor Fuels Tax Division
PROGRAM(S) AFFECTED:

EFFECTIVE DATE: Effective October 1, 1997 except for sections 1, 19, and 20 that are effective upon ratification.

BILL SUMMARY:

Makes technical and clarifying changes to method of collecting motor fuel taxes commonly referred to as "tax at the rack." State adopted this method effective Jan. 1, 1996. Method bears this name because it imposes the per gallon excise tax when motor fuel is put into truck by means of "rack" at pipeline terminal.

RE: SENATE BILL 98 - A BILL TO BE ENTITLED AN ACT TO IMPROVE THE
ADMINISTRATION OF THE MOTOR FUEL TAX LAWS

This bill makes additional fine tuning changes to the method of collecting motor fuels tax, otherwise known as "tax at the rack". The tax is imposed when motor fuel is put into a transport or tank wagon truck, for distribution, at the terminal rack. This method of fuel tax collection was adopted by the General Assembly effective January 1, 1996.

This bill makes various clarifying changes and also changes the licensing requirements of exporters.

Section 1: Explains the nature of the motor fuels tax and although the tax is collected by the supplier or importer, the tax is designed as a "pass-through" tax to be paid by the ultimate consumer. This is the same principle as outlined by the United States Supreme Court in the Chickasaw case. In that case, the Oklahoma gas tax was held to not apply to Native American sellers because the tax was not a pass-through tax.

Sections 2 and 4: Removes the option of an exporter to be licensed and makes licensing mandatory, the same as for importers. Currently, if an exporter is not licensed in North Carolina, the unlicensed exporter must pay the North Carolina motor fuels tax and the destination state's tax. The unlicensed exporter must then apply to North Carolina for the refund.

Section 3: Changes the licensing provisions for a bulk-end user importing motor fuels into the state. Currently a bulk-end user, trucking company, may not be licensed as a bonded importer. This bill allows for a bulk-end user to be a bonded importer, thereby able to buy fuel at an out-of-state terminal that does not precollect the North Carolina motor fuel tax.

This section further relieves the bulk-end users of the importer licensing requirements if they purchase all of their imported fuel at an out-of-state terminal that precollects the North Carolina tax. Currently, the bulk-end user must be licensed as an occasional importer. This change parallels the requirements for a distributor.

Finally, this section requires a bulk-end user that imports motor fuel from a bulk plant, outside of the terminal rack system, to be licensed as an occasional importer. The North Carolina motor fuels tax has not been charged on this fuel and this licensing requirement allows for the bulk-end user to pay the tax on fuel from a bulk plant directly to the state.

Section 5: Deletes the bond requirement for an exporter. Currently the bond requirement is based on expected liability which ranges from \$2,000 to \$250,000. The bill now requires that all exporters be licensed which enables cross-border tracking of fuel shipments.

Section 6: Deletes references to unlicensed exporters since sections 2 and 4 of the bill requires all exporters to be licensed.

Section 7: The bill requires all exporters to be licensed but in the case that an exporter is not licensed and does export motor fuel, the bill allows for the Department to assess North Carolina motor fuel tax on the fuel purchased in this state.

Sections 8 and 22: Clarifies the marking requirements for dyed diesel storage tanks by requiring a dyed diesel tank to be marked at all retail locations and only at user locations which store both highway and nonhighway diesel. Currently all dyed diesel tanks must be labeled "For Nonhighway Use" unless the fuel in the tank is for home heating, drying crops or manufacturing and the accessibility to the tank makes use of the fuel for other purposes improbable.

This is consistent with the federal law.

Section 9: Clarifies the use of exempt or access cards. This section places the liability of the tax on the distributor if that distributor represents, by using an exempt access card, that the fuel is to be resold directly to an exempt entity but instead resells the fuel for a taxable purpose. By using the exempt access card, the distributor is getting the fuel taxfree.

This section also places the tax liability on the supplier if that supplier issues a card or code that allows a person to buy, less the tax, at a retail location, when in reality the person is not exempt.

This section further states that the card holder is liable for any misuse of the exempt card by the cardholder.

Section 10: Requires an out-of-state bulk-end user that buys fuel at a North Carolina terminal to be licensed as a distributor or exporter. A bulk-end user will only be licensed as a distributor if they fall within the grandfather group of bulk-end users that were licensed prior to tax at the rack as a distributor. All new out-of-state bulk-end user licensees will be licensed as an exporter.

Section 11: Made a change to the due date of the occasional importer return. Under current law, the return is due by the first day of the month following the close of the preceding month, if activity existed. This caused a hardship on the taxpayer who made the import on the last day on the month and was expected to file a return the following day.

Section 12: Clarifies the time that an exporter must remit tax to the supplier of the destination state tax. It further deletes any reference to unlicensed exporters.

Section 13: Deletes all references to an exporter.

Section 14: Adds importers to the categories of information contained on a supplier's return.

Section 15: Allows for the supplier to take credit on the supplier return for sales made at retail locations to exempt entities, by use of an access card or code issued by the supplier.

Section 16: Adds importers to the group of license holders that must receive certain information from suppliers and about whom the suppliers must notify the Department.

Section 17: Allows for anyone who pays tax on fuel that is exempt to apply to the Department for a refund of the tax paid.

Section 18: Adds a civil penalty for failure to get an import confirmation number. This proposed penalty is the same as the penalty for failure to obtain a diversion number when the fuel is diverted to a destination state other than what is on the bill on lading. Currently, there is no penalty for failure to obtain a import confirmation number.

Section 19: Clarifies that the penalty for using dyed diesel or other non-taxpaid fuel in a highway vehicle applies to all fuel used in the vehicle. Currently, the law applies the penalty to fuel used "for a highway use". This could be construed to mean that a vehicle that is parked and has dyed diesel in its tanks is not subject to the penalty because the fuel is not at that moment being used for a highway use.

Section 20: Clarifies the civil penalty for willful failure to pay a tax due to include tax due under the former law as well as tax due under the current statute. The Department was required to reissue licenses under the new law but had no provisions for canceling the licenses if tax due prior to the new law was not paid.

Section 21: Makes a technical change to accommodate the addition of a new statute in Section 22 to come after G.S. 105-449-122. Statutes with headings of miscellaneous requirements are typically the last statute in a Part or Article and this statute will no longer be the last one.

Section 22: See Section 8.

Section 23: Requires a retailer or bulk user of alternative fuel that will be the taxpayer to post a bond.

Section 24: Changes the liability of tax on alternative fuels stored in one tank from the alternative fuels provider to the retailer or bulk-end user of alternative fuels. Currently the provider must charge tax on all fuel if one storage facility for highway and nonhighway fuel is used.

Section 25: Allows a retailer or bulk-end user of alternative fuels to use one storage facility for highway and nonhighway fuel. There must be separate metering devices to measure fuel that is used for a highway or nonhighway use.

Section 26: Makes all sections of the act except three clarifying changes effective October 1, 1997. Sections 1, 19 and 20 are effective when the act becomes law.

MEMORANDUM

To: Senator John Kerr
From: Sabra Faires *SF*
Subject: Tax At Rack Results

The numbers are in for the first year of tax at the rack. The change in the method of collecting motor fuel taxes resulted in an increase in gallons of 3.26%. This increase in the gallons increased the amount of taxes collected by \$31,115,103.

The attached charts show the increases in the gallons and in the dollar amount of tax collected. The chart that sets out the increase in tax collections shows an increase of \$41,241,911. Only part of this amount is attributable to tax at the rack. The difference between \$41,241,911 and the tax at the rack increase, which is \$31,115,103, is attributable to an increase in the variable component of the motor fuel tax rate.

The switch to collecting taxes at the rack has increased motor fuel tax collections in an amount that is the equivalent of a tax increase of $\frac{3}{4}$ cent a gallon.

SENATE FINANCE COMMITTEE
(Joint Meeting with House Finance and Senate and House Appropriations Committees)

WEDNESDAY, FEBRUARY 19, 1997

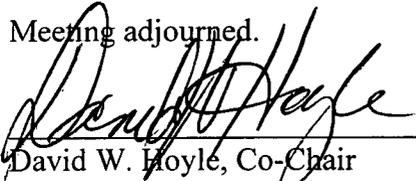

3 P.M. - ROOM 643 LOB

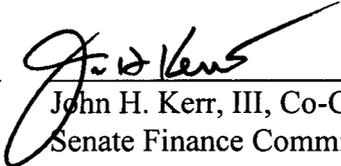

The Senate Finance Committee met jointly with the Senate Appropriations Committee and the House Finance and Appropriations Committees on Wednesday, February 19, 1997, to hear Tony Goldman from the Legislative Staff. Representative Holmes called the meeting to order and introduced Mr. Goldman.

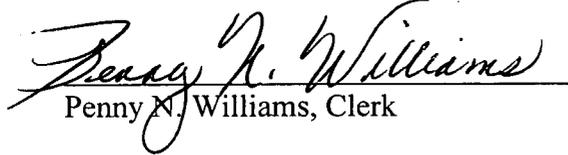

Mr. Goldman informed the committees that Governor Hunt had recommended a \$11.2 billion budget which included the first steps in raising teacher salaries to the national average and expanding Smart Start to all 100 counties. Included in the minutes is information provided by Mr. Goldman to the committee members.

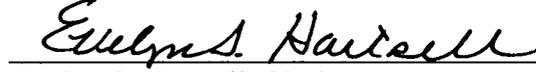

At the conclusion of Mr. Goldman's presentation, Representative Crawford, Chair of House Appropriations, presided over a question and answer general discussion.

Meeting adjourned.

STATE OF NORTH CAROLINA

GENERAL FUND FINANCIAL MODEL SIMULATIONS

Fiscal Research Division
February 18, 1997

1997 GENERAL FUND FINANCIAL MODEL

INTRODUCTION

The North Carolina General Assembly utilizes an automated financial model to project General Fund revenues and expenditures over time, given certain plausible assumptions. The model is based on the concept that "current services" will continue at the level provided in the base year 1996/97, and that expenditures associated with those service levels will be adjusted by inflation.

The "current services" concept reflects the assumption that State departments will continue to provide the current scope and quality of services (as provided for in 1996/97 certified budget) to the populations or "clients" they serve. The model assumes that service delivery will expand in response to the growth in certain demographic or economic measures, such as total state population or total state employment.

Given North Carolina's future economic and demographic outlook, the model provides an effective way to "simulate" revenue and expenditure changes if the budget is allowed to grow in the future as it has in the past. The model can be updated annually so that key decisions, and the estimated fiscal impact that might result from those decisions, can be viewed from a long-term perspective.

It should be noted that while the model may "simulate" expenditures exceeding revenues, North Carolina operates under a Balanced Budget. The Financial Model results are not intended to suggest that the State's General Fund will not be balanced in future years, but to highlight where actions may be necessary to avoid long term budget problems.

N. C. GENERAL FUND FINANCIAL MODEL

02/18/97

FACT SHEET

I. PURPOSE:

- * To provide legislators with a neutral benchmark against which they may consider the long-term effects of potential changes in current law.
- * To identify quantitatively the long-term "structural" implications of the interplay between the General Fund budget, the economy, and selected demographic factors.

II. ASSUMPTIONS AND KEY DRIVERS:

A. CURRENT SERVICES CONTINUED FROM BASE YEAR ENDED 6/30/97

C. GENERAL EXPENDITURE DRIVERS FOR MAJOR CATEGORIES (Cont.)

B. BASELINE TREND ASSUMPTIONS:

Avg. Annual Growth FY 1996/97 - 2001/02:

Population = 1.3%
Personal Income = 6.2%
Consumer Price Index (CPI) = 3.0%
Employment = 1.6%

4. UNC System:

Full Time Equivalent (FTE) Growth
(Avg. annual FTE growth FY 96/97 - 01/02 = 1.5%)

5. Community Colleges:

Full Time Equivalent (FTE) Growth
(Avg. annual FTE growth FY 96/97 - 01/02 = 1.8%)

6. Human Resources:

Social Services
AFDC -- Growth in unemployment
Aid For Elderly -- Growth in population 65 & older
Medical Assistance
Medicaid -- Growth at 10% annually

1. Wage Increases:

Comparable to average hourly manufacturing employees in N.C.
(Approximately 3.4% - 3.9% annually)

2. State Employees Health Care Costs:

No growth FY 96/97-98/99, 9% annually thereafter.

3. Public Education (K-12):

State Aid Allotment Formulas
Average Daily Membership (ADM) Growth
(Avg. annual ADM growth FY 96/97 - 01/02 = 1.5%)

7. Correction:

Population Growth Projections For:
Inmates, Probationers, and Parolees

D. REVENUE DRIVERS:

General Fund Taxes:
Growth of Personal Income

SENATE FINANCE COMMITTEE

WEDNESDAY, FEBRUARY 26, 1997

12 NOON - ROOM 544 LOB

The Senate Finance Committee met February 26, 1997, with Senator Kerr presiding. There were 25 committee members present and the following bills were discussed:

H.B. 34 - Catawba Annexations

H.B. 34 was explained by Representative Brawley. Copy of bill and explanation included in the minutes. Upon motion by Senator Carrington, the bill was given a "favorable" report by the committee.

S.B. 69 - Stokes School Acquisition.

Senator Foxx was recognized to explain S.B.59 which was on the agenda for discussion only.

S.B. 59 - Gates School Acquisition.

Senator Ballance was recognized to explain S.B. 59. This bill was on the agenda for discussion only.

Sabra Faires, Staff Attorney, gave a brief background of these bills. Senator Winner was recognized for comments and informed the committee that she had a bill that would extend the COPS authority to all 100 counties. This bill is in the process of being drafted and should be filed on Monday. It will be referred to the Finance Committee. Copies of bills and explanations are included in the minutes.

S.B. 106 - Sale of Property for Unpaid Taxes.

S.B. 106 was explained by Senator Cooper. This bill was recommended by the Revenue Laws Study Commission. Rich Riddle with the Division of Controlled Substance Tax Division of the Department of Revenue was recognized for comments on the backlog of cases now in the Department. Senator Foxx moved for a "favorable" report and the motion was approved. Copy of bill, explanation and fiscal note is included in the minutes.

S.B. 147 - Increase Fee Birth/Death Certificate.

S.B. 147 was explained by Senator Winner. This bill is on the agenda for discussion only. Ron Aycock, representing the Association of County Commissioners, was

recognized and spoke in support of the bill. After questions and comments by members of the committee, Senator Winner informed the committee that she would do additional work on this bill and would like to be on the agenda at a later date. Copy of bill, explanation and fiscal note included in the minutes.

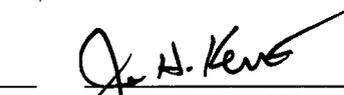

S.B. 34 - Adjust City Receipts Tax Share.

This bill was previously on the February 19th Agenda and a PCS had been adopted at this meeting. This PCS was explained by Senator Cochrane. After a long general debate on S.B. 34 with questions and concerns of the committee members discussed, Senator Kerr announced that S.B. 34 would be further considered at a later date.

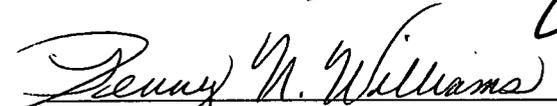

Meeting adjourned.

EXPLANATION OF HOUSE BILL 34:
Catawba Annexations
2nd Edition

TO: Senate Finance Committee
FROM: Sabra J. Faires, Committee Counsel
DATE: February 26, 1997
SPONSOR: Representative Robert Brawley

House Bill 34 concerns voluntary satellite annexations by the Town of Catawba. The bill is identical to Senate Bill 56 (2nd Edition), introduced by Senator Austin Allran. The bill gives the Town of Catawba the ability to annex property that is not contiguous with its primary corporate limits even though the annexed property will exceed 10% of the area within the primary city limits. The bill applies only to annexation ordinances adopted on or before December 31, 1997.

G.S. 160A-58.1 governs the voluntary annexation of noncontiguous property. Property owners may petition a city for voluntary annexation of noncontiguous property if the property meets several standards. Under G.S. 160A-58.1(b)(5), the area within the proposed satellite corporate limits, when added to the area within all other satellite corporate limits, may not exceed 10% of the area within the primary corporate limits of the annexing city.

There is less than 4,400 acres within the primary corporate limits of the Town of Catawba. The property owners of approximately 440 acres of land noncontiguous to the primary corporate limits of Catawba desire to petition the Town for voluntary satellite annexation. This annexation will not be permissible unless the 10% standard is modified or eliminated. This bill proposes to eliminate the standard for a specified period of time. Five cities have eliminated this standard altogether: Hickory, New Bern, Statesville, Kenly, and Troy. Several other cities have modified the standard, much in the same way as this bill modifies it for the Town of Catawba.

The bill does not release the proposed satellite annexation from meeting the other standards listed in G.S. 160A-58.1(b), which are:

1. The nearest point on the proposed satellite corporate limits must be not more than 3 miles from the primary corporate limits of the annexing city.

2. No point on the proposed satellite corporate limits may be closer to the primary corporate limits of another city than to the primary corporate limits of the annexing city.
3. The area must be so situated that the annexing city will be able to provide the same services within the proposed satellite corporate limits that it provides within its primary corporate limits.
4. If the area proposed for annexation is a subdivision, all of the subdivision must be included.

1 (d) Board of Education May Contract for Construction. -- Notwithstanding the
2 provisions of G.S. 115C-40 and G.S. 115C-521, a local board of education may enter
3 into contracts for the erection or repair of school buildings upon sites owned in fee
4 simple by one or more counties in which the local school administrative unit is
5 located.

13 Section 2. This act is effective when it becomes law.

EXPLANATION OF SENATE BILL 59
Gates School Acquisition

TO: Senate Finance Committee
FROM: Sabra Faires, Committee Counsel
DATE: February 26, 1997
SPONSOR: Senator Frank Ballance

Senate Bill 59 is a local bill that applies only to Gates County and the local boards of education for school administrative units in that county. The substance of the bill is that same as that enacted in past legislative sessions for 52 other counties.

The bill makes the following changes concerning the acquisition and financing of public school facilities:

- (1) It authorizes Gates County to acquire real or personal property for use by a school administrative unit located in the county when requested to do so by the unit. Under current law, only those counties listed in G.S. 153A-158.1(a), have this authority. Under general law, a county is authorized to acquire real or personal property only on behalf of the county or an agency of the county and a school administrative unit is not an agency of the county.
- (2) It authorizes the local boards of education to contract with Gates county for the erection or repair of a public school building that is located on a site owned by the county. Under current general law, local boards of education are required to hold title to all school property and therefore have no authority to make contracts concerning the construction or repair of school buildings located on sites not owned by them.
- (3) It authorizes the local boards of education to transfer to the county property on which a school building in need of renovation or repair is located for any price agreed to by the board of education and the county. Current law requires transfers from a local board of education to a county to be at fair market value and allows a local board of education to transfer property to a county only if the board does not believe the property is necessary or desirable for a school.

The effect of these changes is to allow certain installment financing to be used for public school construction or renovation. The installment financing that can be used is an installment contract secured by a security interest in the building constructed or renovated. This type of financing is available to counties

but is not generally available to school administrative units. Under G.S. 160A-20, only a school administrative unit located in a county whose population exceeds 90,000 and whose local board of education can levy a school tax is authorized to use this type of financing.

One type of installment financing is the issuance of certificates of participation. A certificate of participation is a document setting out the share of a local unit's debt that is owed to that person. In practice, the holder of the certificate receives interest and principal payments in a manner similar to interest and principal payments on a bond issued by the borrowing unit. Unlike the issuance of a bond, however, the issuance of a certificate of participation is not subject to a vote of the people.

If a county builds and equips a school on behalf of a local school administrative unit, the county can receive a refund of sales and use taxes paid on the project. In contrast, the local school administrative unit could not receive a refund of these taxes if it built and equipped the school itself. This is because a local school administrative unit is not one of the governmental entities that are allowed refunds of sales and use taxes under G.S. 105-164.14(c).

GENERAL ASSEMBLY OF NORTH CAROLINA

SESSION 1997

S

1

SENATE BILL 69

Short Title: Stokes School Acquisition.

(Local)

Sponsors: Senators Foxx; and East.

Referred to: State Government, Local Government, and Personnel.

February 10, 1997

1 A BILL TO BE ENTITLED

2 AN ACT TO ALLOW STOKES COUNTY TO ACQUIRE PROPERTY FOR USE
3 BY ITS COUNTY BOARD OF EDUCATION.

4 The General Assembly of North Carolina enacts:

5 Section 1. G.S. 153A-158.1 reads as rewritten:

6 "**§ 153A-158.1. Acquisition and improvement of school property in certain counties.**

7 (a) Acquisition by County. -- A county may acquire, by any lawful method, any
8 interest in real or personal property for use by a school administrative unit within the
9 county. In exercising the power of eminent domain a county shall use the procedures
10 of Chapter 40A. The county shall use its authority under this subsection to acquire
11 property for use by a school administrative unit within the county only upon the
12 request of the board of education of that school administrative unit and after a public
13 hearing.

14 (b) Construction or Improvement by County. -- A county may construct, equip,
15 expand, improve, renovate, or otherwise make available property for use by a school
16 administrative unit within the county. The local board of education shall be involved
17 in the design, construction, equipping, expansion, improvement, or renovation of the
18 property to the same extent as if the local board owned the property.

19 (c) Lease or Sale by Board of Education. -- Notwithstanding the provisions of G.S.
20 115C-518 and G.S. 160A-274, a local board of education may, in connection with
21 additions, improvements, renovations, or repairs to all or part of any of its property,
22 lease or sell the property to the board of commissioners of the county in which the
23 property is located for any price negotiated between the two boards.

1 (d) Board of Education May Contract for Construction. -- Notwithstanding the
2 provisions of G.S. 115C-40 and G.S. 115C-521, a local board of education may enter
3 into contracts for the erection or repair of school buildings upon sites owned in fee
4 simple by one or more counties in which the local school administrative unit is
5 located.

6 (e) Scope. -- This section applies to Alleghany, Ashe, Avery, Bladen, Brunswick,
7 Cabarrus, Carteret, Cherokee, Chowan, Columbus, Currituck, Dare, Duplin,

11 Richmond, Rockingham, Rowan, Sampson, Scotland, Stanly, Stokes, Surry, Union,
12 Vance, Wake, Wilson, and Watauga Counties."

13 Section 2. This act is effective when it becomes law.

EXPLANATION OF SENATE BILL 69
Stokes School Acquisition

TO: Senate Finance Committee
FROM: Sabra Faires, Committee Counsel
DATE: February 26, 1997
SPONSOR: Senators Foxx and East

Senate Bill 59 is a local bill that applies only to Stokes County and the local boards of education for school administrative units in that county. The substance of the bill is that same as that enacted in past legislative sessions for 52 other counties.

The bill makes the following changes concerning the acquisition and financing of public school facilities:

- (1) It authorizes Stokes County to acquire real or personal property for use by a school administrative unit located in the county when requested to do so by the unit. Under current law, only those counties listed in G.S. 153A-158.1(a), have this authority. Under general law, a county is authorized to acquire real or personal property only on behalf of the county or an agency of the county and a school administrative unit is not an agency of the county.
- (2) It authorizes the local boards of education to contract with Stokes county for the erection or repair of a public school building that is located on a site owned by the county. Under current general law, local boards of education are required to hold title to all school property and therefore have no authority to make contracts concerning the construction or repair of school buildings located on sites not owned by them.
- (3) It authorizes the local boards of education to transfer to the county property on which a school building in need of renovation or repair is located for any price agreed to by the board of education and the county. Current law requires transfers from a local board of education to a county to be at fair market value and allows a local board of education to transfer property to a county only if the board does not believe the property is necessary or desirable for a school.

The effect of these changes is to allow certain installment financing to be used for public school construction or renovation. The installment financing that can be used is an installment contract secured by a security interest in the building constructed or renovated. This type of financing is available to counties

but is not generally available to school administrative units. Under G.S. 160A-20, only a school administrative unit located in a county whose population exceeds 90,000 and whose local board of education can levy a school tax is authorized to use this type of financing.

One type of installment financing is the issuance of certificates of participation. A certificate of participation is a document setting out the share of a local unit's debt that is owed to that person. In practice, the holder of the certificate receives interest and principal payments in a manner similar to interest and principal payments on a bond issued by the borrowing unit. Unlike the issuance of a bond, however, the issuance of a certificate of participation is not subject to a vote of the people.

If a county builds and equips a school on behalf of a local school administrative unit, the county can receive a refund of sales and use taxes paid on the project. In contrast, the local school administrative unit could not receive a refund of these taxes if it built and equipped the school itself. This is because a local school administrative unit is not one of the governmental entities that are allowed refunds of sales and use taxes under G.S. 105-164.14(c).

GENERAL ASSEMBLY OF NORTH CAROLINA

SESSION 1997

S

SENATE BILL 106

Short Title: Sale of Property for Unpaid Taxes.

(Public)

Sponsors: Senators Cooper, Cochrane, Kerr, Shaw of Cumberland, and Soles.

Referred to: Finance.

February 13, 1997

1 A BILL TO BE ENTITLED
2 AN ACT TO ALLOW REGIONAL SALES OF PERSONAL PROPERTY SEIZED
3 FOR UNPAID TAXES TO BE HELD IN ANY COUNTY.

4 The General Assembly of North Carolina enacts:

5 Section 1. G.S. 105-242(a) reads as rewritten:

6 "(a) Warrants for Collection of Taxes. -- If any tax levied by the State and payable
7 to the Secretary has not been paid within 30 days after the taxpayer was given a
8 notice of final assessment of the tax under G.S. 105-241.1(d1), the Secretary may take
9 either of the following actions to collect the tax:

10 (1) The Secretary may issue a warrant or an order under the
11 Secretary's hand and official seal, directed to the sheriff of any
12 county of the State, commanding him to levy upon and sell the
13 real and personal property of the taxpayer found within the county
14 for the payment of the tax, including penalties and interest, and the
15 cost of executing the warrant and to return to the Secretary the
16 money collected, within a time to be specified in the warrant, not
17 less than 60 days from the date of the warrant; the sheriff upon
18 receipt of the warrant shall proceed in all respects with like effect
19 and in the same manner prescribed by law in respect to executions
20 issued against property upon judgments of a court of record, and
21 shall be entitled to the same fees for his services in executing the
22 warrant, to be collected in the same manner.

23 (2) The Secretary may issue a warrant or order under the Secretary's
24 hand and seal to any revenue officer or other employee of the

1 Department of Revenue charged with the duty to collect taxes,
2 commanding the officer or employee to levy upon and sell the
3 taxpayer's personal property, including that described in G.S. 105-
4 366(d), found within the State for the payment of the tax, including
5 penalties and interest. Except as otherwise provided in this
6 subdivision, the levy upon the sale of personal property shall be
7 governed by the laws regulating levy and sale under execution. The
8 person to whom the warrant is directed shall proceed to levy upon
9 and sell the personal property subject to levy in the same manner
10 and with the same powers and authority normally exercised by
11 sheriffs in levying upon and selling personal property under
12 execution, except that the property may be sold in ~~Wake County~~
13 ~~or in the county in which it was seized;~~ any county, in the
14 discretion of the Secretary. In addition to the notice of sale
15 required by the laws governing sale of property levied upon under
16 execution, the Secretary may advertise the sale in any reasonable
17 manner and for any reasonable period of time to produce an
18 adequate bid for the property. Levy and sale fees, plus actual
19 advertising costs, shall be added to and collected in the same
20 manner as taxes."

21 Section 2. This act becomes effective July 1, 1997.

EXPLANATION OF SENATE BILL 106
Sale of Property For Unpaid Taxes

TO: Senate Finance Committee
FROM: Sabra Faires, Committee Counsel
DATE: February 26, 1997
SPONSOR: Senator Roy Cooper

Senate Bill 106 is one of the bills recommended to the 1997 General Assembly by the Revenue Laws Study Committee. It gives the Department of Revenue the ability to sell in any county in this State personal property the Department has seized for payment of delinquent State taxes. Current law requires this property to be sold in Wake County or the county in which the property was seized. The bill becomes effective July 1, 1997, and applies to property sold on or after that date.

G.S. 105-242(a)(2) authorizes the Secretary of Revenue to levy on a taxpayer's personal property to collect delinquent unpaid taxes, and to sell the property either in Wake County or in the county in which it was seized. This statute is used almost exclusively by the Controlled Substance Tax Division, which collects the tax on illegal drugs. Vehicles and other property are often seized for these taxes pursuant to G.S. 105-113.111 and sold at auction. Seventy-five percent of the proceeds of these sales are distributed among the law enforcement agencies whose investigation led to the assessment and the remaining 25% is credited to the General Fund.

The Department of Revenue suggested that the Revenue Laws Study Committee consider proposing the change made in this bill. The Department estimates that it could reduce expenses incurred in selling seized property by as much as \$100,000 a year if the bill were enacted.

The current practice of the Department is to store and sell all seized property in Wake County. The Department does this because it is too costly to store and sell property in all 100 counties. The Department contracts to have seized property hauled from the counties in which it is seized to Wake County where it is stored until an auction site is available. Rental of auction sites in Wake County is expensive and, because of delays due to waiting for a site, the Department incurs extra costs for storing the property.

The Department plans to implement this bill, if it is enacted, by establishing regional sites in Eastern, Central, and Western North Carolina for the sale of seized property. Expanding the permissible locations for sales will reduce costs because the property will not have to be hauled as far and there will be less storage

time waiting for an auction site to become available. In addition, more companies will be able to compete for the transportation, storage, and sale business because they will no longer have to have Statewide operations in order to qualify, and this increase in competition could yield a lower contract price.

PRINCIPAL DEPARTMENT(S) & Department of Revenue, Controlled Substance Tax Division PROGRAM(S) AFFECTED:					
EFFECTIVE DATE: July 1, 1997					

BILL SUMMARY: This act authorizes the Department of Revenue to sell in any county the personal property seized for non payment of taxes. The current law states that property may be sold in Wake county or in the county in which it was seized.

ASSUMPTIONS AND METHODOLOGY: The Director of the Department of Revenue's Controlled Substance Tax Division estimates this bill will save a minimum of \$39,000 each year. This savings is apportioned in the same ratio as the proceeds from seized property - 75% to state and local law enforcement agencies and 25% to the General Fund.

The savings comes from the storage of seized vehicles and from the rental of space in Wake county for the vehicle sales. The Department contracts to have the vehicles hauled from all over the State and then stored until an auction site is available. The vehicles seized for the nonpayment of the controlled substance tax are stored in Wayne County and brought to Wake County for sale. Rental of auction sites in Wake County is expensive and, because of delays due to overbooking of the sites, the Department incurs extra costs for storing the property.

With passage of the bill, the Department will save \$12,000 by not renting auction sites in Raleigh four times a year. Expanding the permissible locations for sales will allow the Department to auction property in each region of the State at sites provided by a contractor. The Department estimates storage cost will be reduced by \$27,000 because there will be less time waiting for an auction site to become available. This estimate is based on storage of 300 cars for 30 days at \$3 a day.

The Department believes opening the bidding process will yield a lower contract price for handling seized property and thus produce greater savings in the program. More companies will be able to compete for the transportation, storage, and sale business because they will no longer have to have Statewide operations in order to qualify.

SENATE BILL 147*

Short Title: Birth/Death Certificate Fee Increase.

(Public)

Sponsors: Senators Winner; Dannelly and Odom.

Referred to: Finance.

February 17, 1997

1 A BILL TO BE ENTITLED
2 AN ACT TO INCREASE THE UNIFORM FEE FOR A CERTIFIED BIRTH,
3 DEATH, OR MARRIAGE CERTIFICATE.

4 The General Assembly of North Carolina enacts:

5 Section 1. G.S. 161-10(a) reads as rewritten:

6 "(a) Except as provided in G.S. 161-11.1 or 161-11.2, all fees collected under this
7 section shall be deposited into the county general fund. In the performance of his
8 duties, the register of deeds shall collect the following fees which shall be uniform
9 throughout the State:

10 (1) Instruments in General. -- For registering or filing any instrument
11 for which no other provision is made by this section, whether
12 written, printed, or typewritten, the fee shall be six dollars (\$6.00)
13 for the first page, which page shall not exceed 8 1/2 inches by 14
14 inches, plus two dollars (\$2.00), for each additional page or
15 fraction thereof. A page exceeding 8 1/2 inches by 14 inches shall
16 be considered two pages.

17 When a document is presented for registration that consists
18 of multiple instruments, the fee shall be ten dollars (\$10.00) for
19 each additional instrument. A document consists of multiple
20 instruments when it contains two or more instruments with
21 different legal consequences or intent, each of which is separately
22 executed and acknowledged and could be recorded alone.

23 (1a) Deeds of Trust, Mortgages, and Cancellation of Deeds of Trust and
24 Mortgages. -- For registering or filing any deed of trust or

1 mortgage, whether written, printed, or typewritten, the fee shall be
2 ten dollars (\$10.00) for the first page, which page shall not exceed
3 8 1/2 inches by 14 inches, plus two dollars (\$2.00) for each
4 additional page or fraction thereof. A page exceeding 8 1/2 inches
5 by 14 inches shall be considered two pages.

6 When a deed of trust or mortgage is presented for
7 registration that contains one or more additional instruments, the
8 fee shall be ten dollars (\$10.00) for each additional instrument. A
9 deed of trust or mortgage contains one or more additional
10 instruments if such additional instrument or instruments has or
11 have different legal consequences or intent, each of which is
12 separately executed and acknowledged and could be recorded
13 alone.

14 For recording records of satisfaction, or the cancellation of
15 record by any other means, of deeds of trust or mortgages, there
16 shall be no fee.

- 17 (2) Marriage Licenses. -- For issuing a license forty dollars (\$40.00);
18 for issuing a delayed certificate with one certified copy five dollars
19 (\$5.00); and for a proceeding for correction of names in
20 application, license or certificate, with one certified copy five
21 dollars (\$5.00).
- 22 (3) Plats. -- For each original or revised plat recorded nineteen dollars
23 (\$19.00); for furnishing a certified copy of a plat three dollars
24 (\$3.00).
- 25 (4) Right-of-Way Plans. -- For each original or amended plan and
26 profile sheet recorded five dollars (\$5.00). This fee is to be
27 collected from the Board of Transportation.
- 28 (5) Registration of Birth Certificate One Year or More after Birth. --
29 For preparation of necessary papers when birth to be registered in
30 another county five dollars (\$5.00); for registration when necessary
31 papers prepared in another county, with one certified copy five
32 dollars (\$5.00); for preparation of necessary papers and registration
33 in the same county, with one certified copy ten dollars (\$10.00).
- 34 (6) Amendment of Birth or Death Record. -- For preparation of
35 amendment and affecting correction two dollars (\$2.00).
- 36 (7) Legitimations. -- For preparation of all documents concerned with
37 legitimations seven dollars (\$7.00).
- 38 (8) Certified Copies of Birth and Death Certificates and Marriage
39 Licenses. -- For furnishing a certified copy of a death or birth
40 certificate or marriage license ~~three dollars (\$3.00)~~ five dollars
41 (\$5.00). Provided however, a Register of Deeds may issue without
42 charge a certified Birth Certificate to any person over the age of 62
43 years.

- 1 (9) Certified Copies. -- For furnishing a certified copy of an
2 instrument for which no other provision is made by this section
3 three dollars (\$3.00) for the first page, plus one dollar (\$1.00) for
4 each additional page or fraction thereof.
- 5 (10) Comparing Copy for Certification. -- For comparing and certifying
6 a copy of any instrument filed for registration, when the copy is
7 furnished by the party filing the instrument for registration and at
8 the time of filing thereof two dollars (\$2.00).
- 9 (11) Uncertified Copies. -- When, as a convenience to the public, the
10 register of deeds supplies uncertified copies of instruments, or
11 index pages, he may charge fees that in his discretion bear a
12 reasonable relation to the quality of copies supplied and the cost of
13 purchasing and maintaining copying and/or computer equipment.
14 These fees may be changed from time to time, but the amount of
15 these fees shall at all times be prominently posted in his office.
- 16 (12) Notarial Acts. -- For taking an acknowledgment, oath, or
17 affirmation or performing any other notarial act the maximum fee
18 set in G.S. 10A-10. This fee shall not be charged if the act is
19 performed as a part of one of the services for which a fee is
20 provided by this subsection; except that this fee shall be charged in
21 addition to the fees for registering, filing, or recording instruments
22 or plats as provided by subdivisions (1) and (3) of this subsection.
- 23 (13) Uniform Commercial Code. -- Such fees as are provided for in
24 Chapter 25, Article 9, Part 4, of the General Statutes.
- 25 (14) Torrens Registration. -- Such fees as are provided in G.S. 43-5.
- 26 (15) Master Forms. -- Such fees as are provided for instruments in
27 general.
- 28 (16) Probate. -- For certification of instruments for registration as
29 provided in G.S. 47-14 two dollars (\$2.00).
- 30 (17) Qualification of Notary Public. -- For administering the oaths of
31 office to a notary public and making the appropriate record entries
32 as provided in G.S. 10A-8 five dollars (\$5.00).
- 33 (18) Reinstatement of Articles of Incorporation. -- For filing
34 reinstatements of Articles of Incorporation prepared pursuant to
35 G.S. 105-232; such fees as provided for instruments in general.
36 The fee shall be paid by the corporation affected."
37 Section 2. This act becomes effective July 1, 1997.

EXPLANATION OF SENATE BILL 147
Birth/Death Certificate Fee Increase

TO: Senate Finance Committee
FROM: Sabra Faires, Committee Counsel
DATE: February 26, 1997
SPONSOR: Senator Leslie Winner

Senate Bill 147 increases three local fees collected by either the register of deeds of a county or the health department of a county. The three fees affected are for those for issuing a certified copy of a birth certificate, a death certificate, or a marriage license. The bill increases these fees from \$3.00 for a certified copy to \$5.00 for a certified copy. The bill becomes effective July 1, 1997.

In four counties, Durham, Guilford, Mecklenburg, and Wake, the local health department issues copies of birth and death certificates. In the other counties, the Register of Deeds issues these copies. The Register of Deeds in all counties issue marriage licenses and certificates of marriage. The Vital Records Office of the State, which is part of the Department of Environment, Health, and Natural Resources, also issues copies of these documents.

Fees collected by a health department or a register of deeds of a county for giving a certified copy of a birth certificate, a death certificate, or a marriage license are deposited in the general fund of the county. The fee revenue is then available for appropriation by the county.

The local fees for a certified copy of a birth certificate, a death certificate, or a marriage license were last increased in 1981 when they were increased from \$1.00 to \$3.00. The State fee for copies of these records is \$10.00 and has been since 1991, when it was increased from \$5.00 to \$10.00.

Technical Considerations

To keep a difference between the fees in 161-10(a)(2) and (5) and the fees in 161-10(a)(8), the fees in those subdivisions need to be increased.

FY 1997-98 FY 1998-99 FY 1999-00 FY 2000-01 FY 2001-02

REVENUES

Local Govern. Expected increase in revenues: \$2.9 m in a fiscal year.

**PRINCIPAL DEPARTMENT(S) &
PROGRAM(S) AFFECTED:** County Register of Deeds

EFFECTIVE DATE: July 1, 1997

BILL SUMMARY: The proposed act increases the fee for certified "copies" of birth, death, and marriage licenses from \$3.00 to \$10.00 per copy. The revenue from register of deeds fees is deposited into the county general fund.

ASSUMPTIONS AND METHODOLOGY: In 1996, the total number of births, deaths and marriages occurring in the State did not exceed 250,000. The estimates assume at least 3 copies, on average, are requested of a death certificate; one to be included with a federal income tax return, the second to be included with the State income tax return, and the third to accompany an inheritance or estate tax returns if applicable. Birth certificates, on average, are copied once in the year the birth takes place. Normally, two copies of a marriage certificate are requested in the year the marriage takes place. If a last name changes due to a marriage, one copy will be required when notifying the Social Security Administration and the other when applying for a new drivers license.

Growth in the estimate is not expected to exceed the growth in population Statewide or 1.1%.

GENERAL ASSEMBLY OF NORTH CAROLINA

SESSION 1997

S

1

SENATE BILL 34*

Short Title: Adjust City Receipts Tax Share.

(Public)

Sponsors: Senators Cochrane, Cooper, Kerr, Shaw of Cumberland, and Soles.

Referred to: Finance.

February 3, 1997

A BILL TO BE ENTITLED

AN ACT TO ADJUST THE SHARE THE CITIES RECEIVE FROM THE STATE
GROSS RECEIPTS TAX TO MAKE THE DISTRIBUTION MORE
EQUITABLE.

The General Assembly of North Carolina enacts:

Section 1. Article 3 of Chapter 105 of the General Statutes is amended
by adding a new section to read:

"§ 105-116.1. Distribution of gross receipts taxes to cities.

(a) Distribution. -- The Secretary shall distribute to the cities part of the taxes collected under this Article on electric power companies, natural gas companies, and telephone companies. Each city's share for a calendar quarter is the percentage distribution amount for that city minus one-fourth of the hold-back amount for that city. The Secretary shall make the distribution within 75 days after the end of each calendar quarter.

(b) Percentage Amount. -- The percentage distribution amount for a city is three and nine hundredths percent (3.09%) of the gross receipts derived during the preceding quarter by an electric power company, a natural gas company, or a telephone company from sales within the city that are taxable under G.S. 105-116 or G.S. 105-120.

(c) Hold-back Amount. -- The hold-back amount reflects the amount of growth in the gross receipts taxes that occurred during the 1991-92 through 1994-95 fiscal years, the 'freeze' years. The total amount distributed to cities during that period was fixed at the total amount that would have been distributed during the 1990-91 fiscal year if the Governor had not reduced the distribution for that year as part of the effort to

1 balance the State budget. During the freeze years, cities received a part of the fixed
2 amount based on taxable sales within the cities. For the 1995-96 fiscal year and
3 subsequent years, the limit on the amount distributed was removed and the
4 distribution reverted to its prior percentage basis with the added requirement of
5 deducting the growth that occurred in the freeze years.

6 The hold-back amount for a city is determined by comparing the amount each city
7 received from gross receipts taxes in the 1995-96 fiscal year and in the 1990-91 fiscal
8 year and then adjusting that amount, if required, in accordance with this subsection.
9 If, in the 1995-96 fiscal year, a city received at least ninety-five percent (95%) of the
10 amount it received in the 1990-91 fiscal year, the hold-back amount for that city is
11 the amount by which the city's 1995-96 percentage distribution amount was reduced.
12 If, in the 1995-96 fiscal year, a city received less than ninety-five percent (95%) of the
13 amount it received in the 1990-91 fiscal year, the hold-back amount for that city is
14 the amount determined by the following calculation:

- 15 (1) Increase the city's 1990-91 distribution by adding the amount by
16 which the city's 1995-96 percentage distribution amount was
17 reduced.
18 (2) Compare the increased 1990-91 amount with the city's 1995-96
19 distribution.
20 (3) If the increased 1990-91 distribution is less than or equal to the
21 city's 1995-96 distribution, the hold-back amount for the city is the
22 amount by which the city's 1995-96 distribution amount was
23 reduced.
24 (4) If the increased 1990-91 distribution is more than the city's 1995-96
25 distribution, the hold-back amount for the city is the difference
26 between the increased 1990-91 distribution and the 1995-96
27 distribution."

28 Section 2. G.S. 105-116 reads as rewritten:

29 **"§ 105-116. Franchise or privilege tax on electric power, natural gas, water, and**
30 **sewerage companies.**

31 (a) Tax. -- An annual franchise or privilege tax is imposed on a person, firm, or
32 corporation, other than a municipal corporation, that is:

- 33 (1) An electric power company engaged in the business of furnishing
34 electricity, electric lights, current, or power.
35 (2) A natural gas company engaged in the business of furnishing piped
36 natural gas.
37 (3) A water company engaged in owning or operating a water system
38 subject to regulation by the North Carolina Utilities Commission.
39 (4) A public sewerage company engaged in owning or operating a
40 public sewerage system.

41 The tax on an electric power company is three and twenty-two hundredths percent
42 (3.22%) of the company's taxable gross receipts from the business of furnishing
43 electricity, electric lights, current, or power. The tax on a natural gas company is
44 three and twenty-two hundredths percent (3.22%) of the company's taxable gross

1 receipts from the business of furnishing piped natural gas. The tax on a water
2 company is four percent (4%) of the company's taxable gross receipts from owning or
3 operating a water system subject to regulation by the North Carolina Utilities
4 Commission. The tax on a public sewerage company is six percent (6%) of the
5 company's taxable gross receipts from owning or operating a public sewerage
6 company. A company's taxable gross receipts are its gross receipts from business
7 inside the State less the amount of gross receipts from sales reported under
8 subdivision (b)(2). A company that engages in more than one business taxed under
9 this section shall pay tax on each business. A company is allowed a credit against the
10 tax imposed by this section for the company's investments in certain entities in
11 accordance with Division V of Article 4 of this Chapter.

12 (b) Report and Payment. -- The tax imposed by this section is payable monthly or
13 quarterly as specified in this subsection. A report is due quarterly. An electric power
14 company or a natural gas company shall pay tax monthly. A monthly tax payment is
15 due by the last day of the month that follows the month in which the tax accrues,
16 except the payment for tax that accrues in May. The payment for tax that accrues in
17 May is due by June 25. An electric power company or a natural gas company is not
18 subject to interest on or penalties for an underpayment of a monthly amount due if
19 the company timely pays at least ninety-five percent (95%) of the amount due and
20 includes the underpayment with the next report the company files. A water company
21 or a public sewerage company shall pay tax quarterly when filing a report.

22 A quarterly report covers a calendar quarter and is due by the last day of the
23 month that follows the quarter covered by the report. A company shall submit a
24 report on a form provided by the Secretary. The report shall include the company's
25 gross receipts from all property it owned or operated during the reporting period in
26 connection with its business taxed under this section and shall contain the following
27 information:

- 28 (1) The company's gross receipts for the reporting period from
29 business inside and outside this State, stated separately.
- 30 (2) The company's gross receipts from commodities or services
31 described in subsection (a) that are sold to a vendee subject to the
32 tax levied by this section or to a joint agency established under
33 G.S. Chapter 159B or a municipality city having an ownership
34 share in a project established under that Chapter.
- 35 (3) The amount of and price paid by the company for commodities or
36 services described in subsection (a) that are purchased from others
37 engaged in business in this State and the name of each vendor.
- 38 (4) For an electric power company or a natural gas company, the
39 company's gross receipts from the sale within each municipality
40 city of the commodities and services described in subsection (a).

41 A company shall report its gross receipts on an accrual basis. If a company's report
42 does not state the company's taxable gross receipts derived within a city, the
43 Secretary must determine a practical method of allocating part of the company's
44 taxable gross receipts to the city.

1 (c) Gas Special Charges. -- Gross receipts of a natural gas company do not
2 include the following:

3 (1) Special charges collected within this State by the company
4 pursuant to drilling and exploration surcharges approved by the
5 North Carolina Utilities Commission, if the surcharges are
6 segregated from the other receipts of the company and are devoted
7 to drilling, exploration, and other means to acquire additional
8 supplies of natural gas for the account of natural gas customers in
9 North Carolina and the beneficial interest in the surcharge
10 collections is preserved for the natural gas customers paying the
11 surcharges under rules established by the Commission.

12 (2) Natural gas expansion surcharges imposed under G.S. 62-158.

13 (d) Distribution. -- ~~For the purpose of this subsection, the term "distribution~~
14 ~~amount" means three and nine hundredths percent (3.09%) of the taxable gross~~
15 ~~receipts derived during a period by an electric power company and a natural gas~~
16 ~~company from sales within a municipality of the commodities and services described~~
17 ~~in subsection (a) of this section. The Secretary shall distribute to each municipality~~
18 ~~the distribution amount for that municipality for the preceding calendar quarter less~~
19 ~~an amount equal to one fourth of the excess of the distribution amount for that~~
20 ~~municipality for the period April 1, 1994, to March 31, 1995, over the distribution~~
21 ~~amount for that municipality for the period April 1, 1990, to March 31, 1991, as~~
22 ~~certified by the Secretary. The Secretary shall distribute the revenue within 75 days~~
23 ~~after the end of each quarter. If a company's report does not state the company's~~
24 ~~taxable gross receipts derived within a municipality, the Secretary shall determine a~~
25 ~~practical method of allocating part of the company's taxable gross receipts to the~~
26 ~~municipality.~~

27 ~~As used in this subsection, the term "municipality" includes an urban service~~
28 ~~district defined by the governing board of a consolidated city county. The amount~~
29 ~~due an urban service district shall be distributed to the governing board of the~~
30 ~~consolidated city county. Part of the taxes imposed by this section on electric power~~
31 ~~companies and natural gas companies is distributed to cities under G.S. 105-116.1.~~

32 (e) Local Tax. -- So long as there is a distribution to ~~municipalities of the amount~~
33 ~~herein provided~~ cities from the tax imposed by this section, no municipality city shall
34 impose or collect any greater franchise, privilege or license taxes, in the aggregate, on
35 the businesses taxed under this section, than was imposed and collected on or before
36 January 1, 1947. If any municipality shall have collected any privilege, license or
37 franchise tax between January 1, 1947, and April 1, 1949, in excess of the tax
38 collected by it prior to January 1, 1947, then upon distribution of the taxes imposed
39 by this section to municipalities, the amount distributable to any municipality shall
40 be credited with such excess payment."

41 Section 3. G.S. 105-120 reads as rewritten:

42 "§ 105-120. Franchise or privilege tax on telephone companies.

43 (a) Tax. -- An annual franchise or privilege tax is imposed on a person, firm, or
44 corporation, that owns or operates a business entity for the provision of local

1 telecommunications service. The tax is three and twenty-two hundredths percent
2 (3.22%) of the company's taxable gross receipts. A company's taxable gross receipts
3 are its receipts from providing local telecommunications service, including receipts
4 from rentals and other similar charges, less its receipts from telecommunications
5 access charges. A company is allowed a credit against the tax imposed by this section
6 for the company's investments in certain entities in accordance with Division V of
7 Article 4 of this Chapter.

8 (b) Report and Payment. -- The tax imposed by this section is payable monthly or
9 quarterly as specified in this subsection. A report is due quarterly. A company that
10 is liable for an average of less than three thousand dollars (\$3,000) a month in tax
11 imposed by this section may, with the approval of the Secretary of Revenue, pay tax
12 quarterly when filing a report. All other companies shall pay tax monthly. A
13 monthly tax payment is due by the last day of the month that follows the month in
14 which the tax accrues, except the payment for tax that accrues in May. The payment
15 for tax that accrues in May is due by June 25. A company is not subject to interest
16 on or penalties for an underpayment of a monthly amount due if the company timely
17 pays at least ninety-five percent (95%) of the amount due and includes the
18 underpayment with the next report the company files.

19 A quarterly report covers a calendar quarter and is due by the last day of the
20 month that follows the quarter covered by the report. A company shall submit a
21 report on a form provided by the Secretary. The report shall state the company's
22 gross receipts for the reporting period from providing local telecommunications
23 service and from providing local telecommunications service within each ~~municipality~~
24 city served. If a company's report does not state the company's taxable gross receipts
25 derived within a city, the Secretary must determine a practical method of allocating
26 part of the company's taxable gross receipts to the city. A company shall report its
27 gross receipts on an accrual basis.

28 (c) Distribution. -- ~~For the purpose of this subsection, the term "distribution~~
29 ~~amount" means three and nine hundredths percent (3.09%) of the taxable gross~~
30 ~~receipts derived during a period from local telecommunications service provided~~
31 ~~within a municipality. The Secretary shall distribute to each municipality the~~
32 ~~distribution amount for that municipality for the preceding calendar quarter less an~~
33 ~~amount equal to one-fourth of the excess of the distribution amount for that~~
34 ~~municipality for the period April 1, 1994, to March 31, 1995, over the distribution~~
35 ~~amount for that municipality for the period April 1, 1990, to March 31, 1991, as~~
36 ~~certified by the Secretary. The Secretary shall distribute the revenue within 75 days~~
37 ~~after the end of each quarter. If a company's report does not state the company's~~
38 ~~taxable gross receipts derived within a municipality, the Secretary shall determine a~~
39 ~~practical method of allocating part of the company's taxable gross receipts to the~~
40 ~~municipality.~~

41 ~~As used in this subsection, the term "municipality" includes an urban service~~
42 ~~district defined by the governing board of a consolidated city-county. The amount~~
43 ~~due an urban service district shall be distributed to the governing board of the~~

1 ~~consolidated city-county.~~ Part of the tax imposed by this section is distributed to
2 cities under G.S. 105-116.1.

3 (d) No Local Tax. -- Counties and cities may not impose a license, franchise, or
4 privilege tax on a company taxed under this section or under G.S. 105-164.4(a)(4c).

5 (e) Definitions. -- For purposes of this section:

6 (1) 'Local telecommunications service' means telecommunications
7 service provided wholly within a LATA entitling the user to access
8 to a local telephone exchange for the privilege of telephonic
9 quality communication with substantially all persons in the local
10 telephone exchange. Provided, however, local telecommunications
11 service does not include intraLATA or interLATA toll
12 telecommunications service, or private telecommunications service.

13 (2) 'LATA' is a Local Access and Transport Area representing a
14 geographical area comprising one or more telephone exchange
15 areas.

16 (3) 'InterLATA telecommunications' is telecommunications service
17 provided between two or more LATAs.

18 (4) 'Toll telecommunications service' means:

19 a. A telephonic quality communication for which:

20 1. There is a toll charge that varies in amount with the
21 distance and elapsed transmission time of each
22 individual communication; and

23 2. The charge is paid within the United States.

24 b. A service that entitles the subscriber, upon payment of a
25 periodic charge (determined as a flat amount or upon the
26 basis of total elapsed transmission time), to the privilege of
27 an unlimited number of telephonic communications to or
28 from all or a substantial portion of the persons having
29 telephone or radiotelephone stations in a specified area that
30 is outside the local telephone exchange.

31 (5) 'Private telecommunications service' means a service furnished to a
32 subscriber that entitles the subscriber to exclusive or priority use of
33 a communications channel or group of channels.

34 (6) 'Telecommunications access charges' means charges paid to a
35 provider of local telecommunications service for access to an
36 interconnection with the local telephone exchange."

37 Section 4. If the hold-back amount of a city is adjusted under G.S. 105-
38 116.1(c), as enacted by this act, the Secretary must distribute two times the amount of
39 the adjustment to the city by July 15, 1997. This distribution is made to restore to the
40 affected cities the amount by which their hold-back would have been reduced if the
41 adjustment had been in effect since the 1995-96 fiscal year. The amount needed to
42 make the distribution required by this section shall be drawn from the amount of
43 gross receipts taxes imposed by G.S. 105-116 and otherwise retained by the State.

44 Section 5. This act is effective when it becomes law.

GENERAL ASSEMBLY OF NORTH CAROLINA

SESSION 1997

S

D

SENATE BILL 34*
Proposed Senate Finance Committee Substitute
S34-CSLJ-2/18

Short Title: Adjust City Receipts Tax Share.

(Public)

Sponsors:

Referred to: Finance.

February 3, 1997

1 A BILL TO BE ENTITLED
2 AN ACT TO ADJUST THE SHARE THE CITIES RECEIVE FROM THE STATE
3 GROSS RECEIPTS TAX TO MAKE THE DISTRIBUTION MORE EQUITABLE.
4 The General Assembly of North Carolina enacts:
5 Section 1. Article 3 of Chapter 105 of the General
6 Statutes is amended by adding a new section to read:
7 "§ 105-116.1. Distribution of gross receipts taxes to cities.
8 (a) Distribution. -- The Secretary shall distribute to the
9 cities part of the taxes collected under this Article on electric
10 power companies, natural gas companies, and telephone companies.
11 Each city's share for a calendar quarter is the percentage
12 distribution amount for that city minus one-fourth of the hold-
13 back amount for that city. The Secretary shall make the
14 distribution within 75 days after the end of each calendar
15 quarter.
16 (b) Percentage Amount. -- The percentage distribution amount
17 for a city for a calendar quarter is three and nine hundredths
18 percent (3.09%) of the gross receipts derived during the
19 preceding quarter by an electric power company, a natural gas
20 company, or a telephone company from sales within the city that
21 are taxable under G.S. 105-116 or G.S. 105-120.

1 (c) Hold-back Amount. -- The hold-back amount reflects the
2 amount of growth in the gross receipts taxes that occurred during
3 the 1991-92 through 1994-95 fiscal years, the 'freeze' years.
4 The total amount distributed to cities during that period was
5 fixed at the total amount that would have been distributed during
6 the 1990-91 fiscal year if the Governor had not reduced the
7 distribution for that year as part of the effort to balance the
8 State budget. During the freeze years, cities received a part of
9 the fixed amount based on taxable sales within the cities. For
10 the 1995-96 fiscal year and subsequent years, the limit on the
11 amount distributed was removed and the distribution reverted to
12 its prior percentage basis with the added requirement of
13 deducting the growth that occurred in the freeze years.

14 The hold-back amount for a city is determined by comparing the
15 amount each city received from gross receipts taxes in the 1995-
16 96 fiscal year and in the 1990-91 fiscal year and then adjusting
17 that amount, if required, in accordance with this subsection.
18 If, in the 1995-96 fiscal year, a city received at least ninety-
19 five percent (95%) of the amount it received in the 1990-91
20 fiscal year, the hold-back amount for that city is the amount by
21 which the city's 1995-96 percentage distribution amount was
22 reduced. If, in the 1995-96 fiscal year, a city received less
23 than ninety-five percent (95%) of the amount it received in the
24 1990-91 fiscal year, the hold-back amount for that city is the
25 amount determined by the following calculation:

- 26 (1) Adjust the city's 1995-96 distribution by adding
27 the amount by which the city's distribution for
28 that year was reduced because of the deduction for
29 freeze-year growth.
30 (2) Compare the adjusted 1995-96 amount with the city's
31 1990-91 distribution.
32 (3) If the adjusted 1995-96 amount is less than or
33 equal to the city's 1990-91 distribution, the hold-
34 back amount for the city is zero.
35 (4) If the adjusted 1995-96 amount is more than the
36 city's 1990-91 distribution, the hold-back amount
37 for the city is the amount of the city's 1995-96
38 deduction for freeze-year growth minus the
39 difference between the city's adjusted 1995-96
40 amount and the city's 1990-91 distribution."

41 Section 2. G.S. 105-116 reads as rewritten:
42 "§ 105-116. Franchise or privilege tax on electric power,
43 natural gas, water, and sewerage companies.

1 (a) Tax. -- An annual franchise or privilege tax is imposed on
2 a person, firm, or corporation, other than a municipal
3 corporation, that is:

4 (1) An electric power company engaged in the business
5 of furnishing electricity, electric lights,
6 current, or power.

7 (2) A natural gas company engaged in the business of
8 furnishing piped natural gas.

9 (3) A water company engaged in owning or operating a
10 water system subject to regulation by the North
11 Carolina Utilities Commission.

12 (4) A public sewerage company engaged in owning or
13 operating a public sewerage system.

14 The tax on an electric power company is three and twenty-two
15 hundredths percent (3.22%) of the company's taxable gross
16 receipts from the business of furnishing electricity, electric
17 lights, current, or power. The tax on a natural gas company is
18 three and twenty-two hundredths percent (3.22%) of the company's
19 taxable gross receipts from the business of furnishing piped
20 natural gas. The tax on a water company is four percent (4%) of
21 the company's taxable gross receipts from owning or operating a
22 water system subject to regulation by the North Carolina
23 Utilities Commission. The tax on a public sewerage company is six
24 percent (6%) of the company's taxable gross receipts from owning
25 or operating a public sewerage company. A company's taxable gross
26 receipts are its gross receipts from business inside the State
27 less the amount of gross receipts from sales reported under
28 subdivision (b)(2). A company that engages in more than one
29 business taxed under this section shall pay tax on each business.
30 A company is allowed a credit against the tax imposed by this
31 section for the company's investments in certain entities in
32 accordance with Division V of Article 4 of this Chapter.

33 (b) Report and Payment. -- The tax imposed by this section is
34 payable monthly or quarterly as specified in this subsection. A
35 report is due quarterly. An electric power company or a natural
36 gas company shall pay tax monthly. A monthly tax payment is due
37 by the last day of the month that follows the month in which the
38 tax accrues, except the payment for tax that accrues in May. The
39 payment for tax that accrues in May is due by June 25. An
40 electric power company or a natural gas company is not subject to
41 interest on or penalties for an underpayment of a monthly amount
42 due if the company timely pays at least ninety-five percent (95%)
43 of the amount due and includes the underpayment with the next

1 report the company files. A water company or a public sewerage
2 company shall pay tax quarterly when filing a report.

3 A quarterly report covers a calendar quarter and is due by the
4 last day of the month that follows the quarter covered by the
5 report. A company shall submit a report on a form provided by the
6 Secretary. The report shall include the company's gross receipts
7 from all property it owned or operated during the reporting
8 period in connection with its business taxed under this section
9 and shall contain the following information:

- 10 (1) The company's gross receipts for the reporting
11 period from business inside and outside this State,
12 stated separately.
- 13 (2) The company's gross receipts from commodities or
14 services described in subsection (a) that are sold
15 to a vendee subject to the tax levied by this
16 section or to a joint agency established under G.S.
17 Chapter 159B or a ~~municipality~~ city having an
18 ownership share in a project established under that
19 Chapter.
- 20 (3) The amount of and price paid by the company for
21 commodities or services described in subsection (a)
22 that are purchased from others engaged in business
23 in this State and the name of each vendor.
- 24 (4) For an electric power company or a natural gas
25 company, the company's gross receipts from the sale
26 within each ~~municipality~~ city of the commodities
27 and services described in subsection (a).

28 A company shall report its gross receipts on an accrual basis.
29 If a company's report does not state the company's taxable gross
30 receipts derived within a city, the Secretary must determine a
31 practical method of allocating part of the company's taxable
32 gross receipts to the city.

33 (c) Gas Special Charges. -- Gross receipts of a natural gas
34 company do not include the following:

- 35 (1) Special charges collected within this State by the
36 company pursuant to drilling and exploration
37 surcharges approved by the North Carolina Utilities
38 Commission, if the surcharges are segregated from
39 the other receipts of the company and are devoted
40 to drilling, exploration, and other means to
41 acquire additional supplies of natural gas for the
42 account of natural gas customers in North Carolina
43 and the beneficial interest in the surcharge
44 collections is preserved for the natural gas

1 customers paying the surcharges under rules
2 established by the Commission.

3 (2) Natural gas expansion surcharges imposed under G.S.
4 62-158.

5 (d) Distribution. -- ~~For the purpose of this subsection, the~~
6 ~~term "distribution amount" means three and nine hundredths~~
7 ~~percent (3.09%) of the taxable gross receipts derived during a~~
8 ~~period by an electric power company and a natural gas company~~
9 ~~from sales within a municipality of the commodities and services~~
10 ~~described in subsection (a) of this section. The Secretary shall~~
11 ~~distribute to each municipality the distribution amount for that~~
12 ~~municipality for the preceding calendar quarter less an amount~~
13 ~~equal to one-fourth of the excess of the distribution amount for~~
14 ~~that municipality for the period April 1, 1994, to March 31,~~
15 ~~1995, over the distribution amount for that municipality for the~~
16 ~~period April 1, 1990, to March 31, 1991, as certified by the~~
17 ~~Secretary. The Secretary shall distribute the revenue within 75~~
18 ~~days after the end of each quarter. If a company's report does~~
19 ~~not state the company's taxable gross receipts derived within a~~
20 ~~municipality, the Secretary shall determine a practical method of~~
21 ~~allocating part of the company's taxable gross receipts to the~~
22 ~~municipality.~~

23 ~~As used in this subsection, the term "municipality" includes an~~
24 ~~urban service district defined by the governing board of a~~
25 ~~consolidated city-county. The amount due an urban service~~
26 ~~district shall be distributed to the governing board of the~~
27 ~~consolidated city-county. Part of the taxes imposed by this~~
28 ~~section on electric power companies and natural gas companies is~~
29 ~~distributed to cities under G.S. 105-116.1.~~

30 (e) Local Tax. -- So long as there is a distribution to
31 ~~municipalities of the amount herein provided cities~~ from the tax
32 imposed by this section, no ~~municipality~~ city shall impose or
33 collect any greater franchise, privilege or license taxes, in the
34 aggregate, on the businesses taxed under this section, than was
35 imposed and collected on or before January 1, 1947. If any
36 municipality shall have collected any privilege, license or
37 franchise tax between January 1, 1947, and April 1, 1949, in
38 excess of the tax collected by it prior to January 1, 1947, then
39 upon distribution of the taxes imposed by this section to
40 municipalities, the amount distributable to any municipality
41 shall be credited with such excess payment."

42 Section 3. G.S. 105-120 reads as rewritten:

43 "§ 105-120. Franchise or privilege tax on telephone companies.

1 (a) Tax. -- An annual franchise or privilege tax is imposed on
2 a person, firm, or ~~corporation,~~ corporation that owns or operates
3 a business entity for the provision of local telecommunications
4 service. The tax is three and twenty-two hundredths percent
5 (3.22%) of the company's taxable gross receipts. A company's
6 taxable gross receipts are its receipts from providing local
7 telecommunications service, including receipts from rentals and
8 other similar charges, less its receipts from telecommunications
9 access charges. A company is allowed a credit against the tax
10 imposed by this section for the company's investments in certain
11 entities in accordance with Division V of Article 4 of this
12 Chapter.

13 (b) Report and Payment. -- The tax imposed by this section is
14 payable monthly or quarterly as specified in this subsection. A
15 report is due quarterly. A company that is liable for an average
16 of less than three thousand dollars (\$3,000) a month in tax
17 imposed by this section may, with the approval of the Secretary
18 of Revenue, pay tax quarterly when filing a report. All other
19 companies shall pay tax monthly. A monthly tax payment is due by
20 the last day of the month that follows the month in which the tax
21 accrues, except the payment for tax that accrues in May. The
22 payment for tax that accrues in May is due by June 25. A company
23 is not subject to interest on or penalties for an underpayment of
24 a monthly amount due if the company timely pays at least ninety-
25 five percent (95%) of the amount due and includes the
26 underpayment with the next report the company files.

27 A quarterly report covers a calendar quarter and is due by the
28 last day of the month that follows the quarter covered by the
29 report. A company shall submit a report on a form provided by
30 the Secretary. The report shall state the company's gross
31 receipts for the reporting period from providing local
32 telecommunications service and from providing local
33 telecommunications service within each ~~municipality~~ city served.
34 If a company's report does not state the company's taxable gross
35 receipts derived within a city, the Secretary must determine a
36 practical method of allocating part of the company's taxable
37 gross receipts to the city. A company shall report its gross
38 receipts on an accrual basis.

39 (c) Distribution. -- ~~For the purpose of this subsection, the~~
40 ~~term "distribution amount" means three and nine hundredths~~
41 ~~percent (3.09%) of the taxable gross receipts derived during a~~
42 ~~period from local telecommunications service provided within a~~
43 ~~municipality. The Secretary shall distribute to each~~
44 ~~municipality the distribution amount for that municipality for~~

~~1 the preceding calendar quarter less an amount equal to one-fourth
2 of the excess of the distribution amount for that municipality
3 for the period April 1, 1994, to March 31, 1995, over the
4 distribution amount for that municipality for the period April 1,
5 1990, to March 31, 1991, as certified by the Secretary. The
6 Secretary shall distribute the revenue within 75 days after the
7 end of each quarter. If a company's report does not state the
8 company's taxable gross receipts derived within a municipality,
9 the Secretary shall determine a practical method of allocating
10 part of the company's taxable gross receipts to the municipality.
11 As used in this subsection, the term "municipality" includes an
12 urban service district defined by the governing board of a
13 consolidated city-county. The amount due an urban service
14 district shall be distributed to the governing board of the
15 consolidated city-county. Part of the tax imposed by this
16 section is distributed to cities under G.S. 105-116.1.~~

17 (d) No Local Tax. -- Counties and cities may not impose a
18 license, franchise, or privilege tax on a company taxed under
19 this section or under G.S. 105-164.4(a)(4c).

20 (e) Definitions. -- For purposes of this section:

21 (1) 'Local telecommunications service' means
22 telecommunications service provided wholly within a
23 LATA entitling the user to access to a local
24 telephone exchange for the privilege of telephonic
25 quality communication with substantially all
26 persons in the local telephone exchange. Provided,
27 however, local telecommunications service does not
28 include intraLATA or interLATA toll
29 telecommunications service, or private
30 telecommunications service.

31 (2) 'LATA' is a Local Access and Transport Area
32 representing a geographical area comprising one or
33 more telephone exchange areas.

34 (3) 'InterLATA telecommunications' is
35 telecommunications service provided between two or
36 more LATAs.

37 (4) 'Toll telecommunications service' means:

- 38 a. A telephonic quality communication for which:
39 1. There is a toll charge that varies in
40 amount with the distance and elapsed
41 transmission time of each individual
42 communication; and
43 2. The charge is paid within the United
44 States.

1 b. A service that entitles the subscriber, upon
2 payment of a periodic charge (determined as a
3 flat amount or upon the basis of total elapsed
4 transmission time), to the privilege of an
5 unlimited number of telephonic communications
6 to or from all or a substantial portion of the
7 persons having telephone or radiotelephone
8 stations in a specified area that is outside
9 the local telephone exchange.

10 (5) 'Private telecommunications service' means a
11 service furnished to a subscriber that entitles the
12 subscriber to exclusive or priority use of a
13 communications channel or group of channels.

14 (6) 'Telecommunications access charges' means charges
15 paid to a provider of local telecommunications
16 service for access to an interconnection with the
17 local telephone exchange."

18 Section 4. G.S. 105-114(b) is amended by adding a new
19 subdivision in the appropriate alphabetical order to read:

20 "(01) City. -- Defined in G.S. 105-228.90."

21 Section 5. If a city's hold-back amount calculated
22 under G.S. 105-116.1(c), as enacted by this act, is less than the
23 amount deducted from the city's 1995-96 franchise tax
24 distribution, the Secretary must distribute two times the amount
25 of the difference to the city by July 15, 1997. This
26 distribution is made to adjust retroactively the city's 1995-96
27 and 1996-97 franchise tax distributions. The amount needed to
28 make the distribution required by this section shall be drawn
29 from the amount of gross receipts taxes imposed by G.S. 105-116
30 and otherwise retained by the State.

31 Section 6. This act is effective when it becomes law.

EXPLANATION OF SENATE BILL 34
Proposed Committee Substitute
Adjust City Receipts Tax Share

TO: Senate Finance Committee
FROM: Sabra Faires, Committee Counsel
DATE: February 26, 1997
SPONSOR: Senator Betsy Cochrane

Senate Bill 34 is one of the bills recommended to the 1997 General Assembly by the Revenue Laws Study Committee. It increases the amount of State franchise tax that is distributed to certain cities. The cities whose distributions are increased are those whose 1995-96 distributions were less than 95% of their 1990-91 distributions. The bill increases the distributions for these cities by reducing the "hold-back amount" that is deducted from a city's share. The bill is effective upon ratification and applies to distributions made for fiscal year 1995-96 and subsequent years. The bill increases the annual distribution to the affected cities by a total of \$194,841.

The specific cities affected by the bill, the counties in which these cities are located, and the increase in the distribution amounts for these cities are listed in the attachment to the revised fiscal note for the bill. Forty cities are affected.

The State distributes part of the State franchise tax imposed on utilities to the cities. The franchise taxes that are distributed are the taxes on electricity, piped natural gas, and telephone service. The State imposes a franchise tax on these utilities at the rate of 3.22%. The State distributes to cities the amount of tax collected from service provided inside the cities that equals a tax of 3.09%. Thus, the cities receive the majority of these taxes.

The amount to be distributed to a city is reduced by that city's "hold-back" amount. The "hold-back" amount is the amount by which the city's distribution of these franchise taxes increased from fiscal year 1990-91 to fiscal year 1994-95. During this period, the total amount distributed was frozen but the relative share of each city changed based on the proportion of that city's receipts compared to the total of all cities' receipts. When the freeze was lifted in 1995-96, a requirement was imposed to calculate and deduct a "hold-back" amount. The effect of the deduction of a hold-back amount from the cities' distribution is the retention by the State of the growth that occurred in the franchise tax base during the freeze years.

The "hold-back" amount reduced the amount distributed in fiscal year 1995-96 to some cities below the amount that was distributed in 1990-91. This occurred to cities that experienced a short-term growth in the freeze years (1990-91 through 1994-95) that ended in 1995-96. The hold-back deduction requires these cities to deduct receipts attributable to growth that is no longer in their tax base.

The bill adjusts for this loss of short-term growth by adjusting the hold-back amount. The amount distributed to a city in 1995-96 is compared to the amount distributed in 1990-91. If the 1995-96 amount is less than 95% of the 1990-91 amount, the hold-back is adjusted in accordance with the formula in the bill. If the hold-back results in the city receiving less than it received in 1990-91, the hold-back is adjusted so that the city receives the amount it received in 1990-91.

The changes made by each section of the bill are described below. The proposed committee substitute differs from the introduced bill in two respects. First, the proposed committee substitute corrects an error in the adjustment formula that was contained in the introduced bill. Second, the proposed committee substitute adds a cross-reference to the definition of city for ease of understanding.

Section 1: Combines the city franchise tax distribution provisions that are now in G.S. 105-116 and 105-120. It does this so that all city franchise receipts are combined when applying the adjustment formula.

Section 2: Removes from G.S. 105-116 the city franchise tax distribution provisions for electric power companies and piped gas companies that are moved to Section 1 and applies the term "city" rather than "municipality."

Section 3: Removes from G.S. 105-120 the city franchise tax distribution provisions for local telephone service receipts that are moved to Section 1 and applies the term "city" rather than "municipality."

Section 4: Adds a cross-reference in the franchise tax statutes to the definition of city.

Section 5: Makes the adjustment in the distribution amount apply to fiscal years 1995-96 and 1996-97.

Section 6: Makes the bill effective when it becomes law.

EXPLANATION OF SCS FOR SENATE BILL 34

- ✓ AS PART OF THE \$1.2 BILLION BUDGET FIX IN 1991, THE GENERAL ASSEMBLY FROZE THE DISTRIBUTION OF STATE UTILITY GROSS RECEIPTS TAX REVENUE TO CITIES AT THE 1990-91 LEVEL.
- ✓ THE 1993 GENERAL ASSEMBLY RESTORED GROWTH TO CITIES, EFFECTIVE BEGINNING WITH THE 1995-96 FISCAL YEAR. THE NEW FORMULA ALLOWS CITIES TO KEEP A STRAIGHT EARMARKING OF THE STATE TAX, LESS A "HOLDBACK" FOR THE GROWTH THAT OCCURRED BETWEEN 1990-91 AND 1994-95.
- ✓ THE NEW FORMULA HAS WORKED FOR 93% OF CITIES IN NORTH CAROLINA. FOR A HANDFUL OF CITIES, THE FORMULA PRODUCES AN UNINTENDED NEGATIVE IMPACT IN CASES WHERE THE SOURCE OF MAJOR UTILITY TAX GROWTH DURING THE FREEZE PERIOD HAS DISAPPEARED. AN EXAMPLE IS THE CASE WHERE A MAJOR MANUFACTURING PLANT WAS ANNEXED BY A CITY DURING THE FREEZE PERIOD AND THE PLANT CLOSED AFTER FREEZE PERIOD. IN THIS CASE, THE CITY IS PENALIZED THROUGH THE STATE HOLDBACK EVEN THOUGH THE SOURCE OF THE HOLDBACK NO LONGER EXISTS.

(OVER)

EXPLANATION OF SCS FOR SENATE BILL 34

(Continued)

- ✓ SENATE BILL 34 ADDRESSES THIS PROBLEM BY MODIFYING THE HOLDBACK FOR THOSE CITIES WHOSE 1995-96 DISTRIBUTION (AFTER FREEZE) WAS LESS THAN 95% OF THE 1990-91 DISTRIBUTION (BEFORE FREEZE) AND THE HOLDBACK IS THE SOURCE OF THE PROBLEM.
- ✓ IN SOME CITIES, THE HOLDBACK IS ELIMINATED COMPLETELY BECAUSE THE CITY STILL GETS FEWER DOLLARS THAN IN 1990-91. IN OTHERS, THE HOLDBACK IS REDUCED TO THE LEVEL THAT HOLDS THE CITY HARMLESS TO THE 1990-91 DISTRIBUTION LEVEL.
- ✓ THE ANNUALIZED COST TO THE STATE GENERAL FUND IS \$195,000. THE FIRST-YEAR COST IS \$390,000 (TO COVERS 1995-96 AND 1996-97 FISCAL YEARS). THE CHANGE HAS AN IMPACT OF MORE THAN \$5,000 ON 13 CITIES AND A SMALLER IMPACT ON 27 CITIES.

NORTH CAROLINA GENERAL ASSEMBLY
LEGISLATIVE FISCAL ESTIMATE

BILL NUMBER: SB 34 (SENATE COMMITTEE SUBSTITUTE)
SHORT TITLE: ADJUST CITY RECEIPTS TAX SHARE

FISCAL IMPACT: Expenditures: Increase () Decrease ()
Revenues: Increase (X) Decrease (X)
No Impact ()
No Estimate Available ()

FUNDS AFFECTED: General Fund (X) Highway Fund () Local Fund (X)
Other Fund ()

BILL SUMMARY: Prior to the 1989-90 fiscal year, the portion of the State Franchise tax on the gross receipts of utilities that was shared with municipalities was earmarked from taxes collected. In June, 1990 legislation was enacted to fund the State aid through an appropriation. During the 1991 budget crisis the General Assembly froze the statewide distribution for all future years at the 1990-91 level. Under this system, each city received a share of the statewide frozen amount based on utility taxes collected in the city, relative to the statewide total. The 1993 General Assembly enacted legislation, effective beginning with the 1995-96 fiscal year, that changed the funding system back to an earmarking of the State tax, less a holdback equal to the growth in actual collections for each city between 1990-91 and 1994-95. (The intent was to allow the State to keep the growth in collections during the freeze period as part of the local government contribution to the 1991 budget crisis).

The first-year implementation of the change has identified an issue that affects a handful of cities. The problem occurs in situations in which the utility gross receipts in a city increased between 1990-91 and 1994-95 as a result of the location or expansion of a large taxpayer (i.e., manufacturer) who was not part of the 1995-96 tax base (or at a much lower level). In this situation the city not only loses current revenues but is penalized by a holdback that includes the prior growth of a taxpayer who no longer is part of the city (or at a much lower level).

(OVER)

The bill corrects this problem by adjusting the holdback for any city whose 1995-96 distribution is at least 5% lower than the 1990-91 distribution. The revision is made by calculating an adjusted 1995-96 distribution that adds to the actual distribution the holdback amount. If the adjusted 1995-96 distribution is greater than the 1990-91 distribution, the holdback is reduced to the level necessary to make the 1995-96 distribution equal to the 1990-91 distribution. If the adjusted 1995-96 distribution is less than or equal to the city's 1990-91 distribution, the holdback amount is completely eliminated. Any adjustment to the holdback portion of the 1995-96 distribution will be carried forward to all future years.

EFFECTIVE DATE: When the act becomes law.

PRINCIPAL DEPARTMENT(S)/PROGRAM(S) AFFECTED: The distribution is administered by the Department of Revenue. It is not anticipated that the legislation will affect the Department's budget requirements.

FISCAL IMPACT

	<u>FY97</u>	<u>FY98</u>	<u>FY99</u>	<u>FY00</u>	<u>FY01</u>
REVENUES (\$Mill.)					
State	-\$.4	-\$.2	-\$.2	-\$.2	-\$.2
Cities*:	+\$.4	+\$.2	+\$.2	+\$.2	+\$.2

*Total for the cities impacted.

DATA, ASSUMPTIONS, METHODOLOGY: The cost estimate is based on an FRD computer simulation of the proposed system using actual data furnished by the Department of Revenue for the 1990-91 through 1995-96 fiscal year for all cities receiving a distribution.

FINANCE COMMITTEE REPORT

John H. Kerr, III, Co-Chair
David W. Hoyle, Co-Chair

Wednesday, February 26, 1997

SENATOR JOHN KERR,

submits the following with recommendations as to passage:

FAVORABLE

H.B. **34** Catawba Annexations
 Sequential Referral: None
 Recommended Referral: None

S.B. **106** Sale of Property for Unpaid Taxes
 Sequential Referral: None
 Recommended Referral: None

TOTAL REPORTED: 2

Committee Clerk Comment: None

SENATE FINANCE COMMITTEE

WEDNESDAY, MARCH 5, 1997

12:00 NOON - ROOM 544 LOB

The Senate Finance Committee met. There were 24 members present. Senator David Hoyle, Co-Chairman of Committee presided.

Senator Hoyle introduced the Pages for today's meeting. They are Brooke Clemmer and Lea Randall both from Bessemer City, North Carolina and sponsored by Senator Hoyle.

Senate Bill 97 - Interstate Auditors/Regulatory Fund:

Senator Hoyle called on Senator John Kerr, Sponsor of Bill to explain this bill. Senator Kerr called on Ms. Kay Honeycutt, Director of Interstate Auditors Division, Department of Revenue, to speak on this Bill. She stated the need for the additional seven (7) audit positions and two (2) tax technician positions and one (1) professional position in Tax Administration. Senator Larry Shaw made a motion for "Favorable" report on this bill. Mr. Richard Bostic, Staff, spoke on the need of bill and explained position needs. Ms. Sabre Faires, Staff, spoke to the premium tax part of bill. At the request of Senator Mark McDaniel, Ms. Honeycutt will get information from other states on the need for interstate commerce. Motion passed.

House Bill 15 - Conform Tax on Restored Income

Senator Hoyle called on Representative Lanier Cansler, Sponsor of this Bill, to explain the Bill. Senator Anthony Rand made a motion for a "Favorable" report. Motion passed. **NOTE:** After meeting, it was found that bill needed a technical change, therefore, bill was held for this correction.

Senate Bill 41 - No Sales Tax on Prescription Drugs

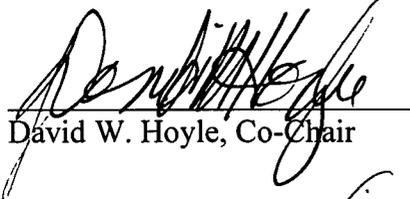

Senator Hoyle called on Senator Hugh Webster, Sponsor of this Bill, to come and explain the bill. Senator Hoyle stated that a Fiscal Note will be needed on this bill. Senator Hoyle called on Warren Plonk, Staff to explain the fiscal impact of this bill. Senator Hoyle stated that this bill would not be voted on today as these types of bills will be brought up later in the Session to be looked as to the fiscal impact. Mr. George Long with the Department of Revenue, Division of Sales and Use Tax, spoke to the bill.

There being no further business the meeting was adjourned.

AGENDA

WEDNESDAY, MARCH 5, 1997

Welcome - Senator David Hoyle, Presiding

BILLS TO BE CONSIDERED:

Senate Bill 41 - No Sales Tax on Prescription Drugs	Senator Webster
Senate Bill 97 - Interstate Auditors/Regulatory Fund	Senator Kerr
House Bill 15 - Conform Tax on Restored Income	Rep. Cansler

MEETING ADJOURNMENT

GENERAL ASSEMBLY OF NORTH CAROLINA

SESSION 1997

S

1

SENATE BILL 97*

Short Title: Interstate Auditors/Regulatory Fund.

(Public)

Sponsors: Senators Kerr, Cochrane, Cooper, Shaw of Cumberland, and Soles.

Referred to: Appropriations.

February 12, 1997

1 A BILL TO BE ENTITLED
2 AN ACT TO ENHANCE COMPLIANCE AND ENFORCEMENT OF EXISTING
3 TAX LAWS BY APPROPRIATING FUNDS TO EXPAND THE NUMBER OF
4 AUDITORS AND SUPPORT PERSONNEL IN THE INTERSTATE AUDIT
5 DIVISION OF THE DEPARTMENT OF REVENUE, AND TO PROVIDE
6 THAT PERSONNEL WHO ADMINISTER THE INSURANCE GROSS
7 PREMIUMS TAX SHALL CONTINUE TO BE FUNDED FROM THE
8 INSURANCE REGULATORY CHARGE.
9 The General Assembly of North Carolina enacts:
10 Section 1. G.S. 58-6-25(d) reads as rewritten:
11 "(d) Use of Proceeds. -- The Insurance Regulatory Fund is created in the State
12 treasury, under the control of the Office of State Budget and Management. The
13 proceeds of the charge levied in this section and all fees collected under Articles 69
14 through 71 of this Chapter and under Articles 9 and 9C of Chapter 143 of the
15 General Statutes shall be credited to the Fund. The Fund shall be placed in an
16 interest-bearing account and any interest or other income derived from the Fund
17 shall be credited to the Fund. Moneys in the Fund may be spent only pursuant to
18 appropriation by the General Assembly and in accordance with the line item budget
19 enacted by the General Assembly. The Fund is subject to the provisions of the
20 Executive Budget Act, except that no unexpended surplus of the Fund shall revert to
21 the General Fund. All money credited to the Fund shall be used to reimburse the
22 General Fund for the following:

1 (1) Money appropriated to the Department of Insurance to pay its
2 expenses incurred in regulating the insurance industry and other
3 industries in this State.

4 (2) Money appropriated to State agencies to pay the expenses incurred
5 in regulating the insurance industry, in certifying statewide data
6 processors under Article 11A of Chapter 131E of the General
7 Statutes, and in purchasing reports of patient data from statewide
8 data processors certified under that Article.

9 (3) Money appropriated to the Department of Revenue to pay the
10 expenses incurred in collecting and administering the taxes on
11 insurance companies levied in Article 8B of Chapter 105 of the
12 General Statutes."

13 Section 2. The two positions transferred from the Department of
14 Insurance to the Department of Revenue for the 1995-96 fiscal year to collect the
15 taxes on insurance companies levied in Article 8B of Chapter 105 of the General
16 Statutes shall be funded from the Insurance Regulatory Fund established in G.S. 58-6-
17 25, as they were before their transfer. The portion of the Department of Revenue's
18 budget formerly dedicated to supporting these two positions, ninety-nine thousand
19 two hundred seventy dollars (\$99,270), shall be used to support additional positions
20 in the Interstate Audit Division.

21 Section 3. There is appropriated from the General Fund to the
22 Department of Revenue the sum of four hundred twenty-one thousand four hundred
23 ninety-seven dollars (\$421,497) for the 1997-98 fiscal year and the sum of seven
24 hundred ten thousand four hundred fifty-one dollars (\$710,451) for the 1998-99 fiscal
25 year for seven additional auditors in the Interstate Audit Division, two tax technicians
26 as support personnel in the Interstate Audit Division, and a tax administrator III in
27 the Tax Administration Division, and for other costs resulting from the additional tax
28 enforcement personnel.

29 Section 4. This act becomes effective July 1, 1997.

EXPLANATION OF SENATE BILL 97
Interstate Auditors/Regulatory Fund

TO: Senate Finance Committee
FROM: Sabra Faires, Committee Counsel
DATE: March 5, 1997
SPONSOR: Senator John Kerr

Senate Bill 97 is one of the bills recommended to the 1997 General Assembly by the Revenue Laws Study Committee. It is identical to House Bill 106, sponsored by Representative Chuck Neely. House Bill 106 received a favorable report from the House Finance Committee and was re-referred to the House Appropriations Committee.

Senate Bill 97 makes the following changes effective July 1, 1997:

- (1) Allows revenue in the Insurance Regulatory Fund to be used to reimburse the General Fund for amounts appropriated to the Department of Revenue for the Department's expenses in collecting the insurance gross premiums tax.
- (2) Makes the Insurance Regulatory Fund, rather than the General Fund, the source of funding for the two positions transferred from the Department of Insurance to the Department of Revenue for the 1995-96 fiscal year to collect the insurance gross premiums tax. The position transferred from Insurance to Revenue in 1996 is already supported from the Fund.
- (3) Requires the amount in the Department of Revenue's budget that has been used to fund the two positions to be used for additional staff in the Department's Interstate Audit Division. The amount of funds currently supporting the two positions is \$99,270.
- (4) Appropriates additional funds to the Department of Revenue for the following new personnel in the Department; the same request is included in the Governor's proposed budget and is the only expansion request of the Department for the 1997-98 fiscal year:
 - Seven auditors in the Interstate Audit Division
 - Two tax technicians as support personnel to the auditors
 - One tax administrator III in the Tax Administration Division

By increasing the number of auditors in the Interstate Audit Division, the State can increase its General Fund tax collections without raising taxes. Although there is a point of diminishing returns in adding new auditors, that

point has not been reached in North Carolina. As additional audits are performed, revenues will increase due to improved compliance with and enforcement of existing laws. The 1996 Revenue Laws Study Committee recommended the hiring of fifteen auditors and two support personnel. Eight auditors, one tax technician, and one clerical position were added during the 1996 Session. In 1996, the General Assembly also directed the State Budget Office's Management and Productivity Unit to work with the Department of Revenue to assess the Department's staff requirements and report to the House and Senate Appropriations Subcommittees on General Government by March 1, 1997. That report is not yet complete but will be soon. The General Government Appropriations Subcommittees plan to hear the report on March 20, 1997.

The 1995 General Assembly transferred from the Department of Insurance to the Department of Revenue the responsibility for collecting gross premiums taxes. The transfer was completed in two stages, the first effective January 1, 1996, and the second a year later. Two positions were transferred from Insurance to Revenue for the first stage and a third position was transferred for the second stage. The transfer of the third position included explicit instructions that the position would continue to be funded from the Insurance Regulatory Fund. The two positions transferred earlier did not retain their funding support from that Fund.

This bill reinstates the Insurance Regulatory Fund as the source of funding for the first two positions transferred from Insurance to Revenue. This funding change will free up \$99,270 in the Department of Revenue's budget, to help offset the cost of the new auditors for the Interstate Audit Division.

The Insurance Regulatory Fund receives its revenue from the insurance regulatory charge, which is a percentage of an insurance company's gross premiums tax liability. This charge was imposed on insurance companies in 1991 in order to make the Department of Insurance receipt-supported and thereby eliminate General Fund support of that department. For taxable year, 1991, the charge was 6.5% of gross premiums tax liability. The charge was increased to 7.25% for taxable year 1992 and has remained the same since then.

The insurance gross premiums taxes are annual taxes based on the amount of insurance premiums that are paid or, for certain self-insurers, would have been paid during the year. They consist of a 1.9% premiums tax on for-profit insurance companies, a 0.5% tax on nonprofit companies, such as Blue Cross/Blue Shield and Delta Dental, that provide hospital, medical, and dental coverage, a 2.5% tax on workers' compensation premiums and workers'

compensation self-insurers, a 1.33% additional fire and lightning tax on property insurance premiums for coverage of property other than motor vehicles and boats, and another 0.5% fire and lightning tax on all property insurance premiums on property inside a municipality.

Proposal to Increase the Size of the Interstate Audit Division and the Departmental Support Staff

This brief denotes our proposal to increase the number of personnel in the Interstate Audit Division of the North Carolina Department of Revenue and the resulting need for support staff within the Department. This would help to offset the loss in field auditor positions that has occurred during the past six years.

Current Personnel Situation

- Since 1990, 31 field audit positions have been lost; from 181 to 150.
- Of these 150 auditors, 128 are located in 14 field offices within N.C.
- Interstate Audit currently consists of 22 auditors: 12 located in Raleigh and 10 in satellite offices around the country (attachment 1).
- Effective January 1, 1997, Interstate Audit is allocated 8 new audit positions and 1 tax technician position. Of these, 4 auditors will be located in Raleigh and 4 in satellite offices: Atlanta, Cleveland, Dallas and New Jersey.

Auditor Yield Data

- Yield is defined as net assessments divided by expenses which include salary, benefits, and travel. Yield is calculated on average for the 1995 calendar year (attachment 2).
- Interstate provides a yield of \$36.61 per auditor, exclusive of a single audit which increases the yield to \$59.54. (By comparison, in-state audit offices provide an average yield of \$10.53 per auditor.)
- Interstate typically provides a much greater yield as their focus is on Industrial, Global, and Service Fortune 500 companies while in-state offices are more concerned with territorial coverage for compliance purposes which often renders less lucrative assessments.

Proposal

- We propose to increase the size of Interstate Audit by 7 audit positions and 2 tax technician positions.
- We further propose to add 1 professional position in Tax Administration.

Reasons for Recommendation

- In comparison with surrounding states in the Southeastern Association of Tax Administrators, of which N.C. is a member, our Interstate Audit Division is significantly smaller (attachment 1).
- Interstate averages annual assessments of \$2 million with average annual expenses of \$64,000. After an initial training period of approximately one year, we can expect 15 new Interstate auditors to produce approximately \$30 million annually in additional assessments.
- The 2 Interstate tax technician positions will allow the new auditors, as well as current staff, to concentrate more on conducting audits, and less time on research, refund claims, and other administrative duties.
- The professional position in Tax Administration is needed to offset the increased workload resulting from the new audit positions.

HOUSE BILL 15

Short Title: Conform Tax on Restored Income.

(Public)

Sponsors: Representatives Cansler, Blue, Capps, Church, Neely, Shubert;
Aldridge, Creech, Davis, Hall, Hardy, Ives, McComas, and McMahan.

Referred to: Finance.

February 3, 1997

A BILL TO BE ENTITLED

AN ACT TO CONFORM TO FEDERAL TAX TREATMENT OF INCOME
RESTORED UNDER A CLAIM OF RIGHT.

The General Assembly of North Carolina enacts:

Section 1. Article 9 of Chapter 105 of the General Statutes is amended
by adding a new section to read:

"§ 105-266.2. Refund of tax paid on substantial income later restored.

This section applies to a taxpayer who is subject to the alternative tax under § 1341(a)(5) of the Code for the current taxable year because the taxpayer restored an item of income that had been included in the taxpayer's gross income for an earlier taxable year. For the purpose of Article 4 of this Chapter, the taxpayer is considered to have made a payment of tax for the current taxable year on the later of the date the return for the current taxable year was filed or the date the return was due to be filed. The amount of this payment of tax is (i) the amount the taxpayer's tax under Article 4 for the earlier taxable year was increased because the item of income was included in gross income for that year minus (ii) the amount the taxpayer's tax under Article 4 for the current taxable year was decreased because the item was deductible for that year. To the extent this payment of tax creates an overpayment, the overpayment is refundable in accordance with G.S. 105-266."

Section 2. This act is effective for taxable years beginning on or after
January 1, 1995.

**NORTH CAROLINA GENERAL ASSEMBLY
LEGISLATIVE FISCAL NOTE**

BILL NUMBER: House Bill 15 (First Edition)

SHORT TITLE: Conform Tax on Restored Income

SPONSOR(S): Representative Lanier M. Cansler

FISCAL IMPACT

Yes (x) No () No Estimate Available ()

FY 1997-98 FY 1998-99 FY 1999-00 FY 2000-01 FY 2001-02

REVENUES

GENERAL FUND Minimal revenue loss of \$50,000 or less each year.

**PRINCIPAL DEPARTMENT(S) &
PROGRAM(S) AFFECTED:** Department of Revenue

EFFECTIVE DATE: Effective for taxable years beginning on or after January 1, 1995.

BILL SUMMARY: This act will conform North Carolina's income tax law to the Internal Revenue Code (IRC 1341(a)(5)) with respect to the tax treatment of a substantial amount of income that a taxpayer receives one year, but refunds the next.

ASSUMPTIONS AND METHODOLOGY:

This bill will produce a small annual revenue loss to the General Fund, but no data exists to calculate the exact fiscal impact. A spokesman for the Department of Revenue stated to the Revenue Laws Study Committee that only a handful of cases each year would benefit from the law. Since the act is retroactive to 1995, there is a definite revenue loss of \$25,000 in FY 97-98 for a refund to one taxpayer.

SENATE FINANCE COMMITTEE
(Joint Meeting with House Finance)

THURSDAY, MARCH 6, 1997

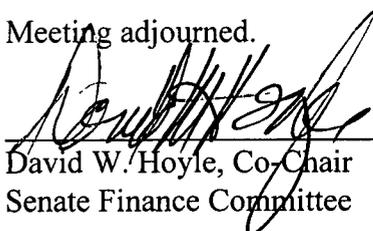

9 A.M. - ROOM 544 LOB

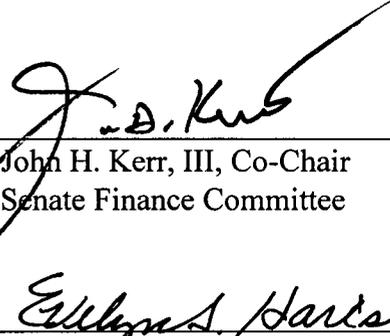

The Senate Finance Committee met jointly with the House Finance Committee on Thursday, March 6, 1997. Representative Wilson presided over the meeting and introduced the Department of Commerce Secretary, Norris Tolson.

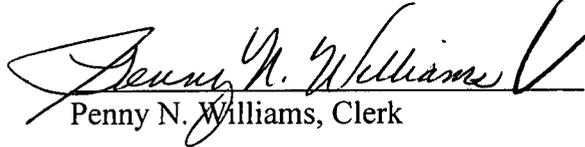

Secretary Tolson addressed some of the issues that the Department has concerning the need for improvements. He expressed the desire to expand on the international level in order to help promote business marketing in North Carolina and also the need to retain current marketing, recruit industry, and the need for venture capital. He also commented on the department's support for improved education.

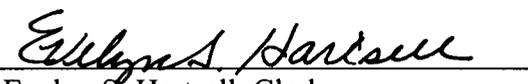

At the conclusion of Secretary Tolson's presentation, there was a general discussion of the Department's objectives and future goals. Included in the minutes is a statement from the Department outlining the goals and also copy of Representative Wilson's handout.

Meeting adjourned.

North Carolina Department of Commerce

The Department of Commerce is the state's lead agency for economic and community development. The department promotes a wide variety of opportunities to improve the economy of the entire Tar Heel State, rural and urban areas alike. Promoting tourism, exporting, film production, downtown revitalization and industry recruitment are some of the areas for which the Commerce Department is responsible. The department's goal is to create new jobs and more diverse employment opportunities for all North Carolinians.

Business/Industry Development Division: This division leads North Carolina's business and industrial recruitment efforts. Based in Raleigh, its staff works closely with other public and private development organizations to attract new industries to the state. In addition, the division's retention and expansion program -- designed to encourage existing North Carolina companies to stay and grow here -- operates out of nine regional offices to ensure better service and equal access to companies throughout the state.

Division of Community Assistance: This division has a threefold mission. First, it administers the federally funded Small Cities Community Development Block Grant program, which assists low- and moderate-income North Carolinians through the creation of jobs, housing and improved infrastructure. CDBGs are awarded to local governments on a competitive basis. The division also administers the state's Main Street program, which helps communities revitalize their downtown areas. Finally, planners in the division's seven regional offices assist local governments with other planning needs, such as annexations and zoning regulations.

Division of Employment and Training: This division administers North Carolina's share of federal Job Training Partnership Act funds. Economically disadvantaged people, people laid off from work, and people with serious barriers to employment are trained for jobs, or retrained for a different kind of job, through JTPA programs. Also designated as the state's Dislocated Worker Unit, this division receives notice of all plant closings

and mass layoffs in the state to ensure timely assistance to affected workers.

Energy Division: This division is the state's official source for energy planning and management, energy information and energy technical assistance. The division's key responsibilities include promoting renewable energy and energy efficiency in every sector of the economy, preparing energy forecasts and updating and developing North Carolina's energy emergency plans.

Film Office: The Film Office promotes North Carolina as a site for motion picture, television and commercial production. The Film Office staff works closely with film producers and others to keep movie making in North Carolina practical, pleasant and profitable.

Finance Center: To help businesses that want to locate or expand operations in the Tar Heel State, the Commerce Finance Center administers a variety of economic development financing programs: the Industrial Building Renovation Fund, the Basic Building Fund and the Community Development Block Grant program for economic development projects. The agency also administers Industrial Revenue Bonds and the William S. Lee Quality Jobs and Business Expansion Act. This Act provides tax credits to companies that invest in jobs, equipment, research and development and worker training.

International Trade Division: Responsible for the state's foreign trade activities, this division's primary goal is to help small and mid-sized firms market their products overseas through its Export Outreach Program, Trade Events Program and the Shared Foreign Sales Corporation Program.

Sports Development Office: The Sports Development Office works with local groups, other state agencies and sports organizations to attract amateur and professional sporting events to North Carolina.

Division of Travel and Tourism: The Division of Travel and Tourism promotes North Carolina as a vacation destination to travelers worldwide in an effort to increase travel expenditures, create additional employment and strengthen the overall economy of the state.

UNITED WE STAND, DIVIDED WE FALL?

*The state doesn't think so. But some say regionalism
has diminished North Carolina's value as a brand name.*

By Terrance Noland

In August, after the General Assembly passed a slate of tax credits to entice new industry, the state Commerce Department sent 320 footballs plastered with North Carolina's name to site-selection consultants and companies around the country. "We're back in the game," read the accompanying letter from Commerce Secretary Dave Phillips.

The game, of course, is tackling new industry. North Carolina was once the champ. No more. As the late Bill Lee put it last July, "We're getting our clock cleaned." The lack of reliable numbers makes score-keeping tough (see page 11), but North Carolina has clearly slipped in recruiting, particularly of big projects. (Remember how those M&Ms — Motorola and Mercedes — melted in our hands.) There's more at stake than wall trophies. Bringing in new companies — along with expanding existing businesses — is at the heart of job creation and economic development.

So what's the problem? The easy answer, the one Commerce officials like to trot out, is incentives — the state's relative lack of them. That's played a role. As other states upped the ante, North Carolina could no longer rely solely on its business climate, ranked tops in the nation by *Site Selection* magazine four years running.

Now that the incentive package has been sweetened, Commerce officials say the

state is back on track. "It's already paying off, paying off big-time," Gov. Jim Hunt told members of the North Carolina Economic Developers Association in late October. "We've already announced seven new companies — 1,600 jobs." One of those is a 600-employee Corning Inc. optical-fiber plant in Cabarrus County, which Phillips attributes directly to the new tax credits.

Though they will help, the incentives won't be a panacea. There are other problems, problems that run much deeper, that won't disappear with a few tax credits. Just ask the consultants who specialize in helping companies relocate. For starters, they say the state's shortage of qualified labor is a bigger factor than incentives (see page 26). Furthermore, some of the tax credits are heavily weighted toward distressed counties and offer little to companies that want to be near metro areas.

Perhaps most unnerving, though, is that some neighboring states have become much more aggressive in their recruiting — and not just in terms of incentives. They're simply doing a better job selling their states. "We're getting the hell beat out of us by Virginia and by South Carolina and others on our sales efforts," says a large private developer in North Carolina. "They are much better organized at the state level."

They're doing this at the same time North Carolina is shifting much of its

February 6, 1997

1 A BILL TO BE ENTITLED
2 AN ACT TO ALLOW GATES COUNTY TO ACQUIRE PROPERTY FOR USE
3 BY ITS COUNTY BOARD OF EDUCATION.
4 The General Assembly of North Carolina enacts:
5 Section 1. G.S. 153A-158.1 reads as rewritten:
6 "**§ 153A-158.1. Acquisition and improvement of school property in certain counties.**
7 (a) Acquisition by County. -- A county may acquire, by any lawful method, any
8 interest in real or personal property for use by a school administrative unit within the
9 county. In exercising the power of eminent domain a county shall use the procedures
10 of Chapter 40A. The county shall use its authority under this subsection to acquire
11 property for use by a school administrative unit within the county only upon the
12 request of the board of education of that school administrative unit and after a public
13 hearing.
14 (b) Construction or Improvement by County. -- A county may construct, equip,
15 expand, improve, renovate, or otherwise make available property for use by a school
16 administrative unit within the county. The local board of education shall be involved
17 in the design, construction, equipping, expansion, improvement, or renovation of the
18 property to the same extent as if the local board owned the property.
19 (c) Lease or Sale by Board of Education. -- Notwithstanding the provisions of G.S.
20 115C-518 and G.S. 160A-274, a local board of education may, in connection with
21 additions, improvements, renovations, or repairs to all or part of any of its property,
22 lease or sell the property to the board of commissioners of the county in which the
23 property is located for any price negotiated between the two boards.

1 (d) Board of Education May Contract for Construction. -- Notwithstanding the
2 provisions of G.S. 115C-40 and G.S. 115C-521, a local board of education may enter
3 into contracts for the erection or repair of school buildings upon sites owned in fee
4 simple by one or more counties in which the local school administrative unit is
5 located.

6 (e) Scope. -- This section applies to Alleghany, Ashe, Avery, Bladen, Brunswick,
7 Cabarrus, Carteret, Cherokee, Chowan, Columbus, Currituck, Dare, Duplin,
8 Edgecombe, Forsyth, Franklin, Gates, Graham, Greene, Guilford, Halifax, Harnett,
9 Haywood, Hyde, Iredell, Jackson, Johnston, Jones, Lee, Macon, Madison, Martin,
10 Moore, Nash, New Hanover, Orange, Pasquotank, Pender, Person, Pitt, Randolph,
11 Richmond, Rockingham, Rowan, Sampson, Scotland, Stanly, Surry, Union, Vance,
12 Wake, Wilson, and Watauga Counties."

13 Section 2. This act is effective when it becomes law.

SESSION 1997

S

1

SENATE BILL 69

Short Title: Stokes School Acquisition.

(Local)

Sponsors: Senators Foxx; and East.

Referred to: State Government, Local Government, and Personnel.

February 10, 1997

A BILL TO BE ENTITLED

1 AN ACT TO ALLOW STOKES COUNTY TO ACQUIRE PROPERTY FOR USE
2 BY ITS COUNTY BOARD OF EDUCATION.

3 The General Assembly of North Carolina enacts:

4 Section 1. G.S. 153A-158.1 reads as rewritten:

5 **"§ 153A-158.1. Acquisition and improvement of school property in certain counties.**

6 (a) Acquisition by County. -- A county may acquire, by any lawful method, any
7 interest in real or personal property for use by a school administrative unit within the
8 county. In exercising the power of eminent domain a county shall use the procedures
9 of Chapter 40A. The county shall use its authority under this subsection to acquire
10 property for use by a school administrative unit within the county only upon the
11 request of the board of education of that school administrative unit and after a public
12 hearing.

13 (b) Construction or Improvement by County. -- A county may construct, equip,
14 expand, improve, renovate, or otherwise make available property for use by a school
15 administrative unit within the county. The local board of education shall be involved
16 in the design, construction, equipping, expansion, improvement, or renovation of the
17 property to the same extent as if the local board owned the property.

18 (c) Lease or Sale by Board of Education. -- Notwithstanding the provisions of G.S.
19 115C-518 and G.S. 160A-274, a local board of education may, in connection with
20 additions, improvements, renovations, or repairs to all or part of any of its property,
21 lease or sell the property to the board of commissioners of the county in which the
22 property is located for any price negotiated between the two boards.
23

1 (d) Board of Education May Contract for Construction. -- Notwithstanding the
2 provisions of G.S. 115C-40 and G.S. 115C-521, a local board of education may enter
3 into contracts for the erection or repair of school buildings upon sites owned in fee
4 simple by one or more counties in which the local school administrative unit is
5 located.

6 (e) Scope. -- This section applies to Alleghany, Ashe, Avery, Bladen, Brunswick,
7 Cabarrus, Carteret, Cherokee, Chowan, Columbus, Currituck, Dare, Duplin,
8 Edgecombe, Forsyth, Franklin, Graham, Greene, Guilford, Halifax, Harnett,
9 Haywood, Hyde, Iredell, Jackson, Johnston, Jones, Lee, Macon, Madison, Martin,
10 Moore, Nash, New Hanover, Orange, Pasquotank, Pender, Person, Pitt, Randolph,
11 Richmond, Rockingham, Rowan, Sampson, Scotland, Stanly, Stokes, Surry, Union,
12 Vance, Wake, Wilson, and Watauga Counties."

13 Section 2. This act is effective when it becomes law.

SENATE FINANCE COMMITTEE

WEDNESDAY, MARCH 12, 1997

12 NOON - ROOM 544 - LOB

The Senate Finance Committee met on Wednesday, March 12, 1997, with Senator Kerr presiding and 23 committee members present. Ms. Gwyn Rouse, Lenoir County Register of Deeds, and Ms. Judy Gibson, Mecklenburg County Register of Deeds, were introduced as special guests.

The following bills were discussed:

S.B. 59 - Gates School Acquisition

This bill had been discussed at a previous meeting and on motion by Senator Weinstein was given a "favorable" report by the committee.

S.B. 69 - Stokes School Acquisition

This bill had been discussed at a previous meeting and on motion by Senator Dannelly was given a "favorable" report by the committee.

S.B. 147 - Increase Fee Birth/Death Certificate.

Ms. Rouse from Lenoir County, representing the North Carolina Association of Register of Deeds, was recognized to speak on S.B. 147 - Increase Fee Birth/Death Certificate. Ms. Rouse informed the Committee that all 100 counties had been polled on this bill and 64 counties had responded. Of the 64 counties who responded, 26 are in favor of a fee increase and 38 counties were opposed. The majority of the 38 who opposed a fee increase did not do a cost analysis. The average cost to issue a certificate is \$4 to \$5. Copy of Survey included in the minutes. There was a general discussion of this bill by the committee members with several of the members giving reports of conversations with their Registers of Deeds.

Ms. Judy Gibson, from Mecklenburg County, and also representing the Association spoke briefly in support of this cost increase and stated that the cost to issue a certificate in her county was \$6.83.

This bill was not on the Agenda and no vote was taken. Senator Kerr turned the meeting over to Senator Hoyle.

S.B. 316 - Amend Bill Lee Act/AB.

Senator Kerr was recognized to explain S.B. 316 and on motion by Senator Kerr a Committee Substitute was adopted by the committee. At the conclusion of Senator Kerr's explanation, Dave Crofts, Fiscal Research, briefly explained the impact of the Fiscal Note and answered several questions from the committee members. Martha Harris, Bill Drafting, was recognized for a further explanation of the procedure for claiming tax credit.

Mr. Rick Carlisle, Department of Commerce, spoke in support of this bill and stated that no county would lose anything as a result of this bill. At the conclusion of Mr. Carlisle's presentation, he answered questions from the committee members. Senator Gulley moved that the committee substitute for S.B. 316 be given a "favorable" report and the motion carried. S.B. 316 will be reported out as "unfavorable as to bill, but favorable as to committee substitute bill." Included with the minutes is copy of bill, copy of committee substitute, explanation of committee substitute, information on results of the legislation enacted last year, and the fiscal note.

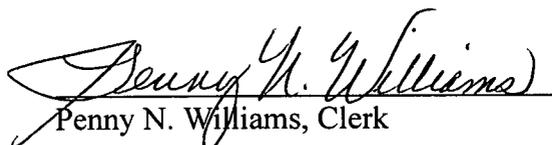

Meeting adjourned.

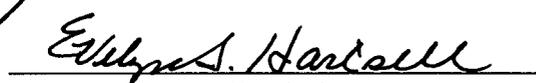

David W. Hoyle, Co-Chair

EXPLANATION OF SENATE BILL 316
Proposed Committee Substitute
Amend Bill Lee Act

TO: Senate Finance Committee
FROM: Sabra Faires, Committee Counsel
DATE: March 12, 1997
SPONSOR: Senator John Kerr

Senate Bill 316 is an agency bill requested by the Department of Commerce. Its companion bill, House Bill 368 introduced by Representative Bill Owens, was discussed in the House Commerce committee this morning and held over for further discussion.

The bill amends several of the business tax credits that were expanded or enacted by the 1996 General Assembly. As part of the 1996 William S. Lee Quality Jobs and Business Expansion Act, the General Assembly extended the jobs tax credit to all 100 counties, enacted a new tax credit for worker training expenses, enacted a new tax credit for increasing research activities, and enacted two new tax credits for investing in machinery and equipment. To be eligible for the jobs credit, the worker training expense credit, the credit for research activities, and one of the investment credits, the taxpayer must be engaged in manufacturing or processing, warehousing or distributing, or data processing and the wages of the jobs affected must be at least 10% above the average weekly wage in the county where the job is created or the business claiming the credit is located, as appropriate.

The bill changes these credits as follows:

1. It expands the two credits for investing in machinery and equipment to include leased machinery and equipment. This change is effective for taxable years beginning on or after January 1, 1997.
2. It changes the formula for determining a county's ranking and tier designation for the jobs tax credit in two ways. First, it changes the factors in the formula. Under current law, the Secretary of Commerce assigns an enterprise factor to each county each year based on the county's rank in a ranking of counties by unemployment (from lowest to highest), by per capita income (from highest to lowest), and by population growth (from highest to lowest). The bill changes the unemployment and per capita income components from a one-year standing to a standing based on the average of the most recent three years. Second, the bill guarantees that a county that obtains Tier 1 status cannot lose that status for two years regardless of what

the annual rankings would otherwise require. The first of these changes is effective for taxable years beginning on or after January 1, 1997. The guarantee of at least a two-year Tier 1 status applies to counties designated as Tier 1 for the 1997 year and all future years.

3. It changes the wage standard that applies to all but one of the investment credits in two ways. First, it removes the wage standard for jobs in Tier 1 areas. Second it replaces the existing wage standard for the other tier areas, which is at least 10% of the average wage in the county, with a standard of 10% above the lower of three figures: the average private sector wage in the county; the average private sector wage in the State; and the average private sector wage in the county multiplied by county per capita income ratio. These changes are effective for the 1997 tax year and later years.
4. It allows a taxpayer to specify the tax (income or franchise) against which the credit is claimed when filing a return rather than when applying for the credit. This change is effective retroactively to the 1996 tax year and applies to all future years.

PROGRAM(S) AFFECTED: Department of Revenue and Department of Commerce

EFFECTIVE DATE: See "Bill Summary".

*Less than \$100,000

BILL SUMMARY: Amends business tax incentives package adopted by the 1996 General Assembly as follows:

- (1) Modifies the wage test that applies to taxpayers seeking to use the various tax credits. The 1996 bill required such taxpayers to pay at least 110% of the average weekly wage in the county in which the jobs or investment will be located and that positions that pay \$100,000 or more per year shall be excluded from the calculation. The bill requires the 110% test to apply to the lesser of average county private insured wages, average state private insured wages, or the average county private insured wages multiplied by the "county income/wage adjustment factor. This last factor compares relationship of county per capita income to annualized private sector wages in a county to the same measure for the state as a whole. In addition, the exclusion from the calculation for jobs paying \$100,000 or more would be eliminated (effective for tax years beginning on or after January 1, 1997)
- (2) Extends the investment tax credit to leased machinery and equipment (effective for tax years beginning on or after January 1, 1997).

(OVER)

- (3) Removes the requirement that corporate taxpayers elect whether to apply the credit against the franchise tax or the income tax at the time of applying for the credit with the Department of Commerce (effective beginning with 1996 tax year)
- (4) Modifies the formula for determining which tier of economic conditions a county is in by using a 3-year average of the per capita income and unemployment rate factors instead of the most recent year for which data is available (effective beginning with 1998 designations)
- (5) Allows a county in the most-distressed tier (Tier 1) to keep the status for a minimum of two years (effective with designations for 1997 and future calendar years) and eliminates wage test (effective beginning with 1997 tax year)

ASSUMPTIONS AND METHODOLOGY: The primary new impact under the bill come from the provision "grandfathering" Tier 1 counties for an additional year. The Governor's Economic Policy Advisor analyzed the Tier 1 grandfathering by reviewing actual economic data for the Tier 1 counties. This analysis indicated that 4 counties would fit this category. For these counties the impact on the jobs tax credit resulting from maintaining the \$12,500 credit in lieu of \$4,000 was calculated by applying the difference to the actual number of jobs created in the relevant counties. Next, a high and low estimate was calculated by using different assumptions about how many of the companies would claim the credit each year. These assumptions were the same as those used in developing the consensus executive/legislative estimates used for the William S. Lee Act in 1996. For this estimate the high end of an estimating range was used.

The impact of the extension of the targeted investment tax credit to leased equipment was embedded in the cost estimates developed for the 1996 bill because the sources of data that provided U.S. and North Carolina data on investments in machinery and equipment did not provide a breakdown by different purchase arrangements. For this reason the 1996 estimates of the cost of the credit were very conservative.

1 A BILL TO BE ENTITLED
2 AN ACT TO AMEND THE WILLIAM S. LEE QUALITY JOBS AND BUSINESS
3 EXPANSION ACT.

4 The General Assembly of North Carolina enacts:

5 Section 1. Article 3A of Chapter 105 of the General Statutes reads as
6 rewritten:

7 "ARTICLE 3A.

8 "Tax Incentives for New and Expanding Businesses.

9 "§ 105-129.2. (Repealed effective January 1, 2002 -- see note) Definitions.

10 The following definitions apply in this Article:

- 11 ~~(1) Cost. -- Defined in section 179 of the Code.~~
12 (2) Data processing. -- Defined in the Standard Industrial
13 Classification Manual issued by the United States Bureau of the
14 Census.
15 (3) Enterprise tier. -- The classification assigned to an area pursuant to
16 G.S. 105-129.3.
17 (4) Full-time job. -- A position that requires at least 1,600 hours of
18 work per year and is intended to be held by one employee during
19 the entire year. A full-time employee is an employee who holds a
20 full-time job.
21 (5) Machinery and equipment. -- Engines, machinery, tools, and
22 implements that are capitalized by the taxpayer for tax purposes
23 under the Code and are used or designed to be used in

1 manufacturing or processing, warehousing and distribution, or data
2 processing. The term does not include real property as defined in
3 G.S. 105-273 or rolling stock as defined in G.S. 105-333.

4 (6) Manufacturing and processing. -- Defined in the Standard
5 Industrial Classification Manual issued by the United States Bureau
6 of the Census.

7 ~~(7) Purchase. -- Defined in section 179 of the Code.~~

8 (8) Warehousing and distribution. -- Defined in the Standard Industrial
9 Classification Manual issued by the United States Bureau of the
10 Census.

11 **"§ 105-129.3. (Repealed effective January 1, 2002) Enterprise tier designation.**

12 (a) Tiers Defined. -- An enterprise tier one area is a county whose enterprise
13 factor is one of the 10 highest in the State. An enterprise tier two area is a county
14 whose enterprise factor is one of the next 15 highest in the State. An enterprise tier
15 three area is a county whose enterprise factor is one of the next 25 highest in the
16 State. An enterprise tier four area is a county whose enterprise factor is one of the
17 next 25 highest in the State. An enterprise tier five area is any area that is not in a
18 lower-numbered enterprise tier.

19 (b) Annual Designation. -- Each year, on or before December 31, the Secretary of
20 Commerce shall assign to each county in the State an enterprise factor that is the sum
21 of the following:

22 (1) The county's rank in a ranking of counties by average rate of
23 unemployment from lowest to ~~highest.~~ highest, for the preceding
24 three years.

25 (2) The county's rank in a ranking of counties by average per capita
26 income from highest to ~~lowest.~~ lowest, for the preceding three
27 years.

28 (3) The county's rank in a ranking of counties by percentage growth in
29 population from highest to lowest.

30 The Secretary of Commerce shall then rank all the counties within the State
31 according to their enterprise factor from highest to lowest, identify all the areas of the
32 State by enterprise tier, and provide this information to the Secretary of Revenue. An
33 enterprise tier designation is effective only for the calendar year following the
34 designation.

35 In measuring rates of unemployment and per capita income, the Secretary shall use
36 the latest available data published by a State or federal agency generally recognized
37 as having expertise concerning the data. In measuring population growth, the
38 Secretary shall use the most recent estimates of population certified by the State
39 Planning Officer.

40 (c) Exception for Enterprise Tier One Areas. -- Notwithstanding the provisions of
41 this section, an enterprise tier one area may not be redesignated as a
42 higher-numbered enterprise tier area until it has been an enterprise tier one area for
43 at least two consecutive years.

44 **"§ 105-129.4. (Repealed effective January 1, 2002) Eligibility; forfeiture.**

1 (a) Type of Business. -- A taxpayer is eligible for a credit allowed by this Article if
2 the taxpayer engages in manufacturing or processing, warehousing or distributing, or
3 data processing, and the jobs with respect to which a credit is claimed are created in
4 that business, the machinery and equipment with respect to which a credit is claimed
5 are used in that business, and the research and development for which a credit is
6 claimed are carried out as part of that business.

7 (b) Wage Standard. -- A taxpayer is eligible for the credit for creating jobs or the
8 credit for worker training if the jobs for which the credit is claimed are located in an
9 enterprise tier one area or meet the wage standard at the time the taxpayer applies
10 for the credit. A taxpayer is eligible for the credit for investing in machinery and
11 equipment or the credit for research and development if the jobs at the location with
12 respect to which the credit is claimed are located in an enterprise tier one area or
13 meet the wage standard at the time the taxpayer applies for the credit. Jobs meet the
14 wage standard if they pay an average weekly wage that is at least ten percent (10%)
15 above the ~~average weekly wage paid in the county in which the jobs will be located.~~
16 ~~In calculating the average weekly wage of jobs, positions that pay a wage or salary at~~
17 ~~a rate that exceeds one hundred thousand dollars (\$100,000) a year shall be excluded.~~
18 ~~For the purpose of this subsection, the average wage in a county is the average wage~~
19 ~~for all insured industries in the county as computed by the Employment Security~~
20 ~~Commission for the most recent period for which data are available.~~ applicable
21 average weekly wage for the county in which the jobs will be located, as computed by
22 the Secretary of Commerce from data compiled by the Employment Security
23 Commission for the most recent period for which data are available. The applicable
24 average weekly wage is the lowest of the following: (i) the average wage for all
25 insured private employers in the county, (ii) the average wage for all insured private
26 employers in the State, and (iii) the average wage for all insured private employers in
27 the county multiplied by the county income/wage adjustment factor. The county
28 income/wage adjustment factor is the county income/wage ratio divided by the State
29 income/wage ratio. The county income/wage ratio is average per capita income in
30 the county divided by the annualized average wage for all insured private employers
31 in the county. The State income/wage ratio is the average per capita income in the
32 State divided by the annualized average wage for all insured private employers in the
33 State.

34 (c) Worker Training. -- A taxpayer is eligible for the tax credit for worker training
35 only for training workers who occupy jobs for which the taxpayer is eligible to claim
36 an installment of the credit for creating jobs or which are full-time positions at a
37 location with respect to which the taxpayer is eligible to claim an installment of the
38 credit for investing in machinery and equipment for the taxable year.

39 The credit for worker training is allowed only with respect to employees in
40 positions not classified as exempt under the Fair Labor Standards Act, 29 U.S.C. §
41 213(a)(1) and for expenditures for training that would be eligible for expenditure or
42 reimbursement under the Department of Community Colleges' New and Expanding
43 Industry Program, as determined by guidelines adopted by the State Board of
44 Community Colleges. To establish eligibility, the taxpayer must obtain as part of the

1 application process under G.S. 105-129.6 the certification of the Department of
2 Community Colleges that the taxpayer's planned worker training would satisfy the
3 requirements of this paragraph. A taxpayer shall apply to the Department of
4 Community Colleges for this certification. The application must be on a form
5 provided by the Department of Community Colleges, must provide a detailed plan of
6 the worker training to be provided, and must contain any information required by the
7 Department of Community Colleges to determine whether the requirements of this
8 paragraph will be satisfied. If the Department of Community Colleges determines that
9 the planned worker training meets the requirements of this paragraph, the
10 Department of Community Colleges shall issue a certificate describing the location
11 with respect to which the credit is claimed and stating that the planned worker
12 training meets the requirements of this paragraph. The State Board of Community
13 Colleges may adopt rules in accordance with Chapter 150B of the General Statutes
14 that are needed to carry out its responsibilities under this paragraph.

15 (d) Forfeiture. -- A taxpayer forfeits a credit allowed under this Article if the
16 taxpayer was not eligible for the credit at the time the taxpayer applied for the credit.
17 A taxpayer that forfeits a credit under this Article is liable for all past taxes avoided
18 as a result of the credit plus interest at the rate established under G.S. 105-241.1(i),
19 computed from the date the taxes would have been due if the credit had not been
20 allowed. The past taxes and interest are due 30 days after the date the credit is
21 forfeited; a taxpayer that fails to pay the past taxes and interest by the due date is
22 subject to the penalties provided in G.S. 105-236. If a taxpayer forfeits the credit for
23 creating jobs or the credit for investing in machinery and equipment, the taxpayer
24 also forfeits any credit for worker training claimed for the jobs for which the credit
25 for creating jobs was claimed or the jobs at the location with respect to which the
26 credit for investing in machinery and equipment was claimed.

27 (e) Change in Ownership of Business. -- The sale, merger, acquisition, or
28 bankruptcy of a business, or any other transaction by which an existing business
29 reformulates itself as another business, does not create new eligibility in a succeeding
30 business with respect to credits for which the predecessor was not eligible under this
31 Article. A successor business may, however, take any installment of or carried-over
32 portion of a credit that its predecessor could have taken if it had a tax liability.

33 **"§ 105-129.5. (Repealed effective January 1, 2002) Tax election; cap.**

34 (a) Tax Election. -- The credits provided in this Article are allowed against the
35 franchise tax levied in Article 3 of this Chapter and the income taxes levied in
36 Article 4 of this Chapter. The taxpayer shall elect the tax against which a credit will
37 be claimed when ~~filing the application for the credit.~~ filing the return on which the
38 first installment of the credit is claimed. This election is binding. Any carryforwards
39 of the credit must be claimed against the same ~~tax elected in the application.~~ tax.

40 (b) Cap. -- The credits allowed under this Article may not exceed fifty percent
41 (50%) of the tax against which they are claimed for the taxable year, reduced by the
42 sum of all other credits allowed against that tax, except tax payments made by or on
43 behalf of the taxpayer. This limitation applies to the cumulative amount of credit,
44 including carryforwards, claimed by the taxpayer under this Article against each tax

1 for the taxable year. Any unused portion of the credit may be carried forward for the
2 succeeding five years.

3 **"§ 105-129.6. (Repealed effective January 1, 2002) Application; reports.**

4 (a) Application. -- To claim the credits allowed by this Article, the taxpayer must
5 provide with the tax return the certification of the Secretary of Commerce that the
6 taxpayer meets all of the eligibility requirements of G.S. 105-129.4 with respect to
7 each credit. A taxpayer shall apply to the Secretary of Commerce for certification of
8 eligibility. The application must be on a form provided by the Secretary of
9 ~~Commerce, must specify the credit and the tax against which it will be claimed,~~
10 Commerce and must contain any information necessary for the Secretary of
11 Commerce to determine whether the taxpayer meets the eligibility requirements. If
12 the Secretary determines that the taxpayer meets all of the eligibility requirements of
13 G.S. 105-129.4 with respect to a credit, the Secretary shall issue a certificate
14 describing the location with respect to which the credit is claimed, ~~specifying the tax~~
15 ~~against which the credit will be claimed,~~ outlining the eligibility requirements for the
16 credit, and stating that the taxpayer meets the eligibility requirements. If the Secretary
17 determines that the taxpayer does not meet all of the eligibility requirements of G.S.
18 105-129.4 with respect to a credit, the Secretary must advise the taxpayer in writing of
19 the eligibility requirements the taxpayer fails to meet. The Secretary of Commerce
20 may adopt rules in accordance with Chapter 150B of the General Statutes that are
21 needed to carry out the Secretary of Commerce's responsibilities under this section.

22 (b) Reports. -- The Department of Commerce shall report to the Department of
23 Revenue and to the Fiscal Research Division of the General Assembly by May 1 of
24 each year the following information for the 12-month period ending the preceding
25 April 1:

- 26 (1) The number of applications for each credit allowed in this Article.
- 27 (2) The number and enterprise tier area of new jobs with respect to
28 which credits were applied for.
- 29 (3) The cost of machinery and equipment with respect to which credits
30 were applied for.

31 **"§ 105-129.7. (Repealed effective January 1, 2002) Substantiation.**

32 To claim a credit allowed by this Article, the taxpayer must provide any
33 information required by the Secretary of Revenue. Every taxpayer claiming a credit
34 under this Article shall maintain and make available for inspection by the Secretary
35 of Revenue any records the Secretary considers necessary to determine and verify the
36 amount of the credit to which the taxpayer is entitled. The burden of proving
37 eligibility for the credit and the amount of the credit shall rest upon the taxpayer, and
38 no credit shall be allowed to a taxpayer that fails to maintain adequate records or to
39 make them available for inspection.

40 **"§ 105-129.8. (Repealed effective January 1, 2002) Credit for creating jobs.**

41 (a) Credit. -- A taxpayer that meets the eligibility requirements set out in G.S.
42 105-129.4, has five or more employees for at least 40 weeks during the taxable year,
43 and hires an additional full-time employee during that year to fill a position located
44 in this State is allowed a credit for creating a new full-time job. The amount of the

1 credit for each new full-time job created is set out in the table below and is based on
2 the enterprise tier of the area in which the position is located:

3 Area Enterprise Tier	Amount of Credit
4 Tier One	\$12,500
5 Tier Two	4,000
6 Tier Three	3,000
7 Tier Four	1,000
8 Tier Five	500

9 A position is located in an area if more than fifty percent (50%) of the employee's
10 duties are performed in the area. The credit may not be taken in the taxable year in
11 which the additional employee is hired. Instead, the credit shall be taken in equal
12 installments over the four years following the taxable year in which the additional
13 employee was hired and shall be conditioned on the continued employment by the
14 taxpayer of the number of full-time employees the taxpayer had upon hiring the
15 employee that caused the taxpayer to qualify for the credit.

16 If, in one of the four years in which the installment of a credit accrues, the number
17 of the taxpayer's full-time employees falls below the number of full-time employees
18 the taxpayer had in the year in which the taxpayer qualified for the credit, the credit
19 expires and the taxpayer may not take any remaining installment of the credit. The
20 taxpayer may, however, take the portion of an installment that accrued in a previous
21 year and was carried forward to the extent permitted under G.S. 105-129.5.

22 Jobs transferred from one area in the State to another area in the State shall not be
23 considered new jobs for purposes of this section. If, in one of the four years in which
24 the installment of a credit accrues, the position filled by the employee is moved to an
25 area in a higher- or lower-numbered enterprise tier, the remaining installments of the
26 credit shall be calculated as if the position had been created initially in the area to
27 which it was moved.

28 (b) Repealed by Session Laws 1989, c. 111, s. 1.

29 (b1), (c) Repealed by Session Laws 1996, Second Extra Session, c. 13, s. 3.3.

30 (d) Planned Expansion. -- A taxpayer that signs a letter of commitment with the
31 Department of Commerce to create at least twenty new full-time jobs in a specific
32 area within two years of the date the letter is signed qualifies for the credit in the
33 amount allowed by this section based on the area's enterprise tier for that year even
34 though the employees are not hired that year. The credit shall be available in the
35 taxable year after at least twenty employees have been hired if the hirings are within
36 the two-year commitment period. The conditions outlined in subsection (a) apply to a
37 credit taken under this subsection except that if the area is redesignated to a higher-
38 numbered enterprise tier after the year the letter of commitment was signed, the
39 credit is allowed based on the area's enterprise tier for the year the letter was signed.
40 If the taxpayer does not hire the employees within the two-year period, the taxpayer
41 does not qualify for the credit. However, if the taxpayer qualifies for a credit under
42 subsection (a) in the year any new employees are hired, the taxpayer may take the
43 credit under that subsection.

1 (e), (f) Repealed by Session Laws 1996, Second Extra Session, c. 13, s. 3.3 for
2 taxable years beginning on or after January 1, 1996.

3 **"§ 105-129.9. (Repealed effective January 1, 2002) Credit for investing in machinery
4 and equipment.**

5 (a) Credit. -- ~~A~~ If a taxpayer that has purchased or leased machinery and
6 equipment ~~and~~ places it in service in this State during the taxable ~~year~~ year, the
7 taxpayer is allowed a credit equal to seven percent (7%) of the excess of the eligible
8 investment amount over the applicable threshold. The credit may not be taken for the
9 taxable year in which the equipment is placed in service but shall be taken in equal
10 installments over the seven years following the taxable year in which the equipment is
11 placed in service.

12 (b) Eligible Investment Amount. -- The eligible investment amount is the lesser of
13 (i) the cost of the machinery and equipment and (ii) the amount by which the cost of
14 all of the taxpayer's machinery and equipment that is in service in this State on the
15 last day of the taxable year exceeds the cost of all of the taxpayer's machinery and
16 equipment that was in service in this State on the last day of the base year. The base
17 year is that year, of the three immediately preceding taxable years, in which the
18 taxpayer had the most machinery and equipment in service in this State.

19 (c) Threshold. -- The applicable threshold is the appropriate amount set out in the
20 following table based on the enterprise tier of the area where the machinery and
21 equipment are placed in service during the taxable year. If the taxpayer places
22 machinery and equipment in service in more than one area during the taxable year,
23 the threshold applies separately to the machinery and equipment placed in service in
24 each area.

25 Area Enterprise Tier	Threshold
26 Tier One	\$ -0-
27 Tier Two	100,000
28 Tier Three	200,000
29 Tier Four	500,000
30 Tier Five	1,000,000

31 (d) Expiration. -- If, in one of the seven years in which the installment of a credit
32 accrues, the machinery and equipment with respect to which the credit was claimed
33 are ~~sold~~ disposed of, taken out of service, or moved out of State, the credit expires
34 and the taxpayer may not take any remaining installment of the credit. The taxpayer
35 may, however, take the portion of an installment that accrued in a previous year and
36 was carried forward to the extent permitted under G.S. 105-129.5.

37 If, in one of the seven years in which the installment of a credit accrues, the
38 machinery and equipment with respect to which the credit was claimed are moved to
39 an area in a higher-numbered enterprise tier, the remaining installments of the credit
40 are allowed only to the extent they would have been allowed if the machinery and
41 equipment had been placed in service initially in the area to which they were moved.

42 **"§ 105-129.10. (Repealed effective January 1, 2002) Credit for research and
43 development.**

1 A taxpayer that claims for the taxable year a federal income tax credit under
2 section 41 of the Code for increasing research activities is allowed a credit equal to
3 five percent (5%) of the State's apportioned share of the taxpayer's expenditures for
4 increasing research activities. The State's apportioned share of a taxpayer's
5 expenditures for increasing research activities is the excess of the taxpayer's qualified
6 research expenses for the taxable year over the base amount, as determined under
7 section 41 of the Code, multiplied by a percentage equal to the ratio of the taxpayer's
8 qualified research expenses in this State for the taxable year to the taxpayer's total
9 qualified research expenses for the taxable year. As used in this section, the terms
10 "qualified research expenses" and "base amount" have the meaning provided in
11 section 41 of the Code.

12 **"§ 105-129.11. (Repealed effective January 1, 2002) Credit for worker training.**

13 (a) Credit. -- A taxpayer that provides worker training for five or more of its
14 eligible employees during the taxable year is allowed a credit equal to fifty percent
15 (50%) of its eligible expenditures for the training. For positions located in an
16 enterprise tier one area, the credit may not exceed one thousand dollars (\$1,000) per
17 employee trained during the taxable year. For other positions, the credit may not
18 exceed five hundred dollars (\$500.00) per employee trained during the taxable year.
19 A position is located in an area if more than fifty percent (50%) of the employee's
20 duties are performed in the area.

21 (b) Eligibility. -- The eligibility of a taxpayer's expenditures and employees is
22 determined as provided in G.S. 105-129.4."

23 Section 2. Article 3B of Chapter 105 of the General Statutes reads as
24 rewritten:

25 "ARTICLE 3B.

26 "Business Tax Credit.

27 **"§ 105-129.15. (Repealed effective January 1, 2002) Definitions.**

28 The following definitions apply in this Article:

29 (1) Business property. -- Tangible personal property that is used by the
30 taxpayer in connection with a business or for the production of
31 income and is capitalized by the taxpayer for tax purposes under
32 the Code. The term does not include, however, a luxury passenger
33 automobile taxable under section 4001 of the Code or a watercraft
34 used principally for entertainment and pleasure outings for which
35 no admission is charged.

36 (2) ~~Cost. -- Defined in section 179 of the Code.~~

37 (3) ~~Purchase. -- Defined in section 179 of the Code.~~

38 **"§ 105-129.16. (Repealed effective January 1, 2002) Credit for investing in business
39 property.**

40 (a) Credit. -- ~~A~~ If a taxpayer that has purchased or leased business property ~~and~~
41 places it in service in this State during the taxable ~~year~~ year, the taxpayer is allowed a
42 credit equal to four and one-half percent (4.5%) of the cost of the property. The
43 maximum credit allowed a taxpayer for property placed in service during a taxable
44 year is four thousand five hundred dollars (\$4,500). The entire credit may not be

1 taken for the taxable year in which the property is placed in service but must be
2 taken in five equal installments beginning with the taxable year in which the property
3 is placed in service.

4 (b) Expiration. -- If, in one of the five years in which the installment of a credit
5 accrues, the business property with respect to which the credit was claimed is ~~sold~~
6 disposed of, taken out of service, or moved out of State, the credit expires and the
7 taxpayer may not take any remaining installment of the credit. The taxpayer may,
8 however, take the portion of an installment that accrued in a previous year and was
9 carried forward to the extent permitted under G.S. 105-129.17.

10 (c) No Double Credit. -- A taxpayer that claims the credit allowed under Article
11 3A of this Chapter with respect to business property may not take the credit allowed
12 in this section with respect to the same property.

13 **"§ 105-129.17. (Repealed effective January 1, 2002) Tax election; cap.**

14 (a) Tax Election. -- The credit allowed in this Article is allowed against the
15 franchise tax levied in Article 3 of this Chapter or the income taxes levied in Article
16 4 of this Chapter. The taxpayer must elect the tax against which the credit will be
17 claimed when filing the return on which the first installment of the credit is claimed.
18 This election is binding. Any carryforwards of the credit must be claimed against the
19 same tax.

20 (b) Cap. -- The credit allowed in this Article may not exceed fifty percent (50%)
21 of the tax against which it is claimed for the taxable year, reduced by the sum of all
22 other credits allowed against that tax, except tax payments made by or on behalf of
23 the taxpayer. This limitation applies to the cumulative amount of credit, including
24 carryforwards, claimed by the taxpayer under this Article against each tax for the
25 taxable year. Any unused portion of the credit may be carried forward for the
26 succeeding five years.

27 **"§ 105-129.18. (Repealed effective January 1, 2002) Substantiation.**

28 To claim the credit allowed by this Article, the taxpayer must provide any
29 information required by the Secretary of Revenue. Every taxpayer claiming a credit
30 under this Article must maintain and make available for inspection by the Secretary
31 of Revenue any records the Secretary considers necessary to determine and verify the
32 amount of the credit to which the taxpayer is entitled. The burden of proving
33 eligibility for the credit and the amount of the credit rests upon the taxpayer, and no
34 credit may be allowed to a taxpayer that fails to maintain adequate records or to
35 make them available for inspection.

36 **"§ 105-129.19. (Repealed effective January 1, 2002) Reports.**

37 The Department of Revenue shall report to the Legislative Research Commission
38 and to the Fiscal Research Division of the General Assembly by May 1 of each year
39 the following information for the 12-month period ending the preceding April 1:

- 40 (1) The number of taxpayers that claimed the credit allowed in this
41 Article.
- 42 (2) The cost of business property with respect to which credits were
43 claimed.
- 44 (3) The total cost to the General Fund of the credits claimed."

1 Section 3. G.S. 105-129.3(c), as enacted by this act, is effective when this
2 act becomes law and, notwithstanding G.S. 105-129.3(b), applies retroactively to
3 designations for the 1997 and later calendar years; the other amendments to G.S. 105-
4 129.3 made by this act are effective when this act becomes law and apply to
5 designations for the 1998 and later calendar years. The amendments to G.S. 105-
6 129.5 and G.S. 105-129.6 made by this act are effective for taxable years beginning on
7 or after January 1, 1996. The remainder of this act is effective for taxable years
8 beginning on or after January 1, 1997.

NEW TAX LEGISLATION PAYS OFF FOR NORTH CAROLINA

North Carolina already is reaping significant dividends as a result of the William S. Lee Quality Jobs And Business Expansion Act: a commitment of more than 2,220 new jobs and hundreds of millions of dollars in investment.

The tax credit package has been a factor in at least 14 companies' decisions to make North Carolina home for their new operations or expansions since the Act became law Aug. 2, 1996.

Here are results of the William S. Lee Act:

- **Corning Inc.** will build a new optical fiber manufacturing facility in Cabarrus County, creating 600 new jobs and a multimillion dollar investment. Corning developed the first commercially viable optical fiber more than two decades ago.
- **Polar Plastics** will open a plant in Iredell County that will create 300 new jobs and a \$25 million investment. The company manufactures more than 1,000 different plastic products including plates, cutlery and medical service products.
- **RF Micro Devices**, a semiconductor company headquartered in Greensboro, will move its manufacturing operation from Redondo Beach, Ca., to Greensboro. The expansion will bring 125 new jobs and an initial investment of \$35 million to the state.
- **Uchiyama Manufacturing Corp.** will locate its first U.S. manufacturing facility in Wayne County, creating 20 new jobs and investing \$10 million. The company will make gaskets for the automotive industry.
- **American Fiber and Finishing** will create 250 new jobs in Albemarle at its corporate headquarters and textile operation. The company manufactures non-apparel textiles for the aerospace and medical industries.
- **M.A.I.D.** will move its corporate headquarters from New York City to Cary creating 175 new jobs. M.A.I.D. is a leading on-line/Internet supplier of business intelligence services to business professionals worldwide.
- **The Clinipad Corp.** will expand its manufacturing operations in Charlotte. The company will manufacture a broad range of products for the health care industry.
- **Manual Woodworkers and Weavers** will expand its manufacturing operations to Marion, creating 100 new jobs. The facility will produce pillows, table runners and other woven products.
- **The Timken Company** will expand its operations in Polk County, investing \$15 million and creating 35 new jobs. The new facility will produce a wide variety of shaped rings for the bearing industry.
- **Morton Metalcraft** will open a new plant in Apex, investing \$6.7 million and creating 250 jobs. The company will produce sheet metal.

ITT Automotive will invest \$65 million in the company's third North Carolina facility. The company will manufacture automotive brake systems in its Hendersonville plant and will create 200 new jobs.

- PGI Nonwovens, a division of Polymer Group Inc. will invest \$25 million in an expansion of its Mooresville operations, creating 35 new jobs.
- Delta Products Corp. will invest \$5 million for the construction of a research and development facility in Research Triangle Park, creating 30 jobs. The Taiwanese company develops, designs, manufactures and markets electronic components and equipment for computer manufacturers and the telecommunications industry.
- Kennedy Die Castings Inc. manufactures aluminum die cast products for many industries, including lighting, electrical, power tools, computers and telecommunications. They will invest \$6 million and create 100 jobs at the Marion plant.

WHAT THE ACT MEANS FOR NORTH CAROLINA

- A 7 percent investment tax credit for companies that purchase machinery and equipment over certain thresholds.
- Expansion of the state's Jobs Tax Credit program to all 100 counties. The amount of the credit a company receives for each job it creates will depend on where the company locates. The credits, higher in the state's most disadvantaged counties, will be available to companies in the following amounts:
 - the state's 10 most disadvantaged counties \$12,500 per job created
 - next 15 counties -- \$4,000 per job created
 - next 25 counties -- \$3,000 per job created
 - next 25 counties -- \$1,000 per job created
 - the state's 25 most prosperous counties -- \$500 per job created.
- A 5 percent tax credit for companies that invest in research and development.
- A worker training tax credit for companies, up to \$500 per employee in all counties, except the 10 most disadvantaged counties, where companies will receive a tax credit of up to \$1,000 per employee.

GENERAL ASSEMBLY OF NORTH CAROLINA

SESSION 1997

S

1

SENATE BILL 316*

Short Title: Amend Bill Lee Act/AB.

(Public)

Sponsors: Senators Kerr; Gulley, Hartsell, Hoyle, and Lucas.

Referred to: Finance.

March 5, 1997

1 A BILL TO BE ENTITLED
2 AN ACT TO AMEND THE WILLIAM S. LEE QUALITY JOBS AND BUSINESS
3 EXPANSION ACT.

4 The General Assembly of North Carolina enacts:

5 Section 1. Article 3A of Chapter 105 of the General Statutes reads as
6 rewritten:

7 "ARTICLE 3A.

8 Tax Incentives for New and Expanding Businesses.

9 "§ 105-129.2. (Repealed effective January 1, 2002 -- see note) Definitions.

10 The following definitions apply in this Article:

- 11 (1) ~~Cost. -- Defined in section 179 of the Code.~~
- 12 (2) Data processing. -- Defined in the Standard Industrial
13 Classification Manual issued by the United States Bureau of the
14 Census.
- 15 (3) Enterprise tier. -- The classification assigned to an area pursuant to
16 G.S. 105-129.3.
- 17 (4) Full-time job. -- A position that requires at least 1,600 hours of
18 work per year and is intended to be held by one employee during
19 the entire year. A full-time employee is an employee who holds a
20 full-time job.
- 21 (5) Machinery and equipment. -- Engines, machinery, tools, and
22 implements that are capitalized by the taxpayer ~~for tax purposes~~
23 ~~under the Code~~ and are used or designed to be used in
24 manufacturing or processing, warehousing and distribution, or data

1 processing. Machinery and equipment purchased by the taxpayer
2 must be capitalized for tax purposes under the Code; machinery
3 and equipment leased by the taxpayer must be capitalized on the
4 taxpayer's books and records in accordance with generally
5 accepted accounting principles. The term does not include real
6 property as defined in G.S. 105-273 or rolling stock as defined in
7 G.S. 105-333.

8 (6) Manufacturing and processing. -- Defined in the Standard
9 Industrial Classification Manual issued by the United States Bureau
10 of the Census.

11 ~~(7) Purchase. -- Defined in section 179 of the Code.~~

12 (8) Warehousing and distribution. -- Defined in the Standard Industrial
13 Classification Manual issued by the United States Bureau of the
14 Census.

15 **"§ 105-129.3. (Repealed effective January 1, 2002) Enterprise tier designation.**

16 (a) Tiers Defined. -- An enterprise tier one area is a county whose enterprise
17 factor is one of the 10 highest in the State. An enterprise tier two area is a county
18 whose enterprise factor is one of the next 15 highest in the State. An enterprise tier
19 three area is a county whose enterprise factor is one of the next 25 highest in the
20 State. An enterprise tier four area is a county whose enterprise factor is one of the
21 next 25 highest in the State. An enterprise tier five area is any area that is not in a
22 lower-numbered enterprise tier.

23 (b) Annual Designation. -- Each year, on or before December 31, the Secretary of
24 Commerce shall assign to each county in the State an enterprise factor that is the sum
25 of the following:

26 (1) The county's rank in a ranking of counties by average rate of
27 unemployment from lowest to ~~highest.~~ highest, for the preceding
28 three years.

29 (2) The county's rank in a ranking of counties by average per capita
30 income from highest to ~~lowest.~~ lowest, for the preceding three
31 years.

32 (3) The county's rank in a ranking of counties by percentage growth in
33 population from highest to lowest.

34 The Secretary of Commerce shall then rank all the counties within the State
35 according to their enterprise factor from highest to lowest, identify all the areas of the
36 State by enterprise tier, and provide this information to the Secretary of Revenue. An
37 enterprise tier designation is effective only for the calendar year following the
38 designation.

39 In measuring rates of unemployment and per capita income, the Secretary shall use
40 the latest available data published by a State or federal agency generally recognized
41 as having expertise concerning the data. In measuring population growth, the
42 Secretary shall use the most recent estimates of population certified by the State
43 Planning Officer.

1 (c) Exception for Enterprise Tier One Areas. -- Notwithstanding the provisions of
2 this section, an enterprise tier one area may not be redesignated as a
3 higher-numbered enterprise tier area until it has been an enterprise tier one area for
4 at least two consecutive years.

5 "**§ 105-129.4. (Repealed effective January 1, 2002) Eligibility; forfeiture.**

6 (a) Type of Business. -- A taxpayer is eligible for a credit allowed by this Article if
7 the taxpayer engages in manufacturing or processing, warehousing or distributing, or
8 data processing, and the jobs with respect to which a credit is claimed are created in
9 that business, the machinery and equipment with respect to which a credit is claimed
10 are used in that business, and the research and development for which a credit is
11 claimed are carried out as part of that business.

12 (b) Wage Standard. -- A taxpayer is eligible for the credit for creating jobs or the
13 credit for worker training if the jobs for which the credit is claimed are located in an
14 enterprise tier one area or meet the wage standard at the time the taxpayer applies
15 for the credit. A taxpayer is eligible for the credit for investing in machinery and
16 equipment or the credit for research and development if the jobs at the location with
17 respect to which the credit is claimed are located in an enterprise tier one area or
18 meet the wage standard at the time the taxpayer applies for the credit. Jobs meet the
19 wage standard if they pay an average weekly wage that is at least ten percent (10%)
20 above the average weekly wage paid in the county in which the jobs will be located.
21 ~~In calculating the average weekly wage of jobs, positions that pay a wage or salary at~~
22 ~~a rate that exceeds one hundred thousand dollars (\$100,000) a year shall be excluded.~~
23 ~~For the purpose of this subsection, the average wage in a county is the average wage~~
24 ~~for all insured industries in the county as computed by the Employment Security~~
25 ~~Commission for the most recent period for which data are available. applicable~~
26 average weekly wage for the county in which the jobs will be located, as computed by
27 the Secretary of Commerce from data compiled by the Employment Security
28 Commission for the most recent period for which data are available. The applicable
29 average weekly wage is the lowest of the following: (i) the average wage for all
30 insured private employers in the county, (ii) the average wage for all insured private
31 employers in the State, and (iii) the average wage for all insured private employers in
32 the county multiplied by the county per capita income ratio. The county per capita
33 income ratio is average per capita income in the county for the preceding three years
34 divided by average per capita income in the State for the preceding three years.

35 (c) Worker Training. -- A taxpayer is eligible for the tax credit for worker training
36 only for training workers who occupy jobs for which the taxpayer is eligible to claim
37 an installment of the credit for creating jobs or which are full-time positions at a
38 location with respect to which the taxpayer is eligible to claim an installment of the
39 credit for investing in machinery and equipment for the taxable year.

40 The credit for worker training is allowed only with respect to employees in
41 positions not classified as exempt under the Fair Labor Standards Act, 29 U.S.C. §
42 213(a)(1) and for expenditures for training that would be eligible for expenditure or
43 reimbursement under the Department of Community Colleges' New and Expanding
44 Industry Program, as determined by guidelines adopted by the State Board of

1 Community Colleges. To establish eligibility, the taxpayer must obtain as part of the
2 application process under G.S. 105-129.6 the certification of the Department of
3 Community Colleges that the taxpayer's planned worker training would satisfy the
4 requirements of this paragraph. A taxpayer shall apply to the Department of
5 Community Colleges for this certification. The application must be on a form
6 provided by the Department of Community Colleges, must provide a detailed plan of
7 the worker training to be provided, and must contain any information required by the
8 Department of Community Colleges to determine whether the requirements of this
9 paragraph will be satisfied. If the Department of Community Colleges determines that
10 the planned worker training meets the requirements of this paragraph, the
11 Department of Community Colleges shall issue a certificate describing the location
12 with respect to which the credit is claimed and stating that the planned worker
13 training meets the requirements of this paragraph. The State Board of Community
14 Colleges may adopt rules in accordance with Chapter 150B of the General Statutes
15 that are needed to carry out its responsibilities under this paragraph.

16 (d) Forfeiture. -- A taxpayer forfeits a credit allowed under this Article if the
17 taxpayer was not eligible for the credit at the time the taxpayer applied for the credit.
18 A taxpayer that forfeits a credit under this Article is liable for all past taxes avoided
19 as a result of the credit plus interest at the rate established under G.S. 105-241.1(i),
20 computed from the date the taxes would have been due if the credit had not been
21 allowed. The past taxes and interest are due 30 days after the date the credit is
22 forfeited; a taxpayer that fails to pay the past taxes and interest by the due date is
23 subject to the penalties provided in G.S. 105-236. If a taxpayer forfeits the credit for
24 creating jobs or the credit for investing in machinery and equipment, the taxpayer
25 also forfeits any credit for worker training claimed for the jobs for which the credit
26 for creating jobs was claimed or the jobs at the location with respect to which the
27 credit for investing in machinery and equipment was claimed.

28 (e) Change in Ownership of Business. -- The sale, merger, acquisition, or
29 bankruptcy of a business, or any other transaction by which an existing business
30 reformulates itself as another business, does not create new eligibility in a succeeding
31 business with respect to credits for which the predecessor was not eligible under this
32 Article. A successor business may, however, take any installment of or carried-over
33 portion of a credit that its predecessor could have taken if it had a tax liability.

34 **"§ 105-129.5. (Repealed effective January 1, 2002) Tax election; cap.**

35 (a) Tax Election. -- The credits provided in this Article are allowed against the
36 franchise tax levied in Article 3 of this Chapter and the income taxes levied in
37 Article 4 of this Chapter. The taxpayer shall elect the tax against which a credit will
38 be claimed when ~~filing the application for the credit.~~ filing the return on which the
39 first installment of the credit is claimed. This election is binding. Any carryforwards
40 of the credit must be claimed against the same tax elected in the application.

41 (b) Cap. -- The credits allowed under this Article may not exceed fifty percent
42 (50%) of the tax against which they are claimed for the taxable year, reduced by the
43 sum of all other credits allowed against that tax, except tax payments made by or on
44 behalf of the taxpayer. This limitation applies to the cumulative amount of credit,

1 including carryforwards, claimed by the taxpayer under this Article against each tax
2 for the taxable year. Any unused portion of the credit may be carried forward for the
3 succeeding five years.

4 **"§ 105-129.6. (Repealed effective January 1, 2002) Application; reports.**

5 (a) Application. -- To claim the credits allowed by this Article, the taxpayer must
6 provide with the tax return the certification of the Secretary of Commerce that the
7 taxpayer meets all of the eligibility requirements of G.S. 105-129.4 with respect to
8 each credit. A taxpayer shall apply to the Secretary of Commerce for certification of
9 eligibility. The application must be on a form provided by the Secretary of
10 ~~Commerce, must specify the credit and the tax against which it will be claimed,~~
11 Commerce and must contain any information necessary for the Secretary of
12 Commerce to determine whether the taxpayer meets the eligibility requirements. If
13 the Secretary determines that the taxpayer meets all of the eligibility requirements of
14 G.S. 105-129.4 with respect to a credit, the Secretary shall issue a certificate
15 describing the location with respect to which the credit is claimed, ~~specifying the tax~~
16 ~~against which the credit will be claimed,~~ outlining the eligibility requirements for the
17 credit, and stating that the taxpayer meets the eligibility requirements. If the Secretary
18 determines that the taxpayer does not meet all of the eligibility requirements of G.S.
19 105-129.4 with respect to a credit, the Secretary must advise the taxpayer in writing of
20 the eligibility requirements the taxpayer fails to meet. The Secretary of Commerce
21 may adopt rules in accordance with Chapter 150B of the General Statutes that are
22 needed to carry out the Secretary of Commerce's responsibilities under this section.

23 (b) Reports. -- The Department of Commerce shall report to the Department of
24 Revenue and to the Fiscal Research Division of the General Assembly by May 1 of
25 each year the following information for the 12-month period ending the preceding
26 April 1:

- 27 (1) The number of applications for each credit allowed in this Article.
- 28 (2) The number and enterprise tier area of new jobs with respect to
29 which credits were applied for.
- 30 (3) The cost of machinery and equipment with respect to which credits
31 were applied for.

32 **"§ 105-129.7. (Repealed effective January 1, 2002) Substantiation.**

33 To claim a credit allowed by this Article, the taxpayer must provide any
34 information required by the Secretary of Revenue. Every taxpayer claiming a credit
35 under this Article shall maintain and make available for inspection by the Secretary
36 of Revenue any records the Secretary considers necessary to determine and verify the
37 amount of the credit to which the taxpayer is entitled. The burden of proving
38 eligibility for the credit and the amount of the credit shall rest upon the taxpayer, and
39 no credit shall be allowed to a taxpayer that fails to maintain adequate records or to
40 make them available for inspection.

41 **"§ 105-129.8. (Repealed effective January 1, 2002) Credit for creating jobs.**

42 (a) Credit. -- A taxpayer that meets the eligibility requirements set out in G.S.
43 105-129.4, has five or more employees for at least 40 weeks during the taxable year,
44 and hires an additional full-time employee during that year to fill a position located

1 in this State is allowed a credit for creating a new full-time job. The amount of the
2 credit for each new full-time job created is set out in the table below and is based on
3 the enterprise tier of the area in which the position is located:

4 Area Enterprise Tier	Amount of Credit
5 Tier One	\$12,500
6 Tier Two	4,000
7 Tier Three	3,000
8 Tier Four	1,000
9 Tier Five	500

10 A position is located in an area if more than fifty percent (50%) of the employee's
11 duties are performed in the area. The credit may not be taken in the taxable year in
12 which the additional employee is hired. Instead, the credit shall be taken in equal
13 installments over the four years following the taxable year in which the additional
14 employee was hired and shall be conditioned on the continued employment by the
15 taxpayer of the number of full-time employees the taxpayer had upon hiring the
16 employee that caused the taxpayer to qualify for the credit.

17 If, in one of the four years in which the installment of a credit accrues, the number
18 of the taxpayer's full-time employees falls below the number of full-time employees
19 the taxpayer had in the year in which the taxpayer qualified for the credit, the credit
20 expires and the taxpayer may not take any remaining installment of the credit. The
21 taxpayer may, however, take the portion of an installment that accrued in a previous
22 year and was carried forward to the extent permitted under G.S. 105-129.5.

23 Jobs transferred from one area in the State to another area in the State shall not be
24 considered new jobs for purposes of this section. If, in one of the four years in which
25 the installment of a credit accrues, the position filled by the employee is moved to an
26 area in a higher- or lower-numbered enterprise tier, the remaining installments of the
27 credit shall be calculated as if the position had been created initially in the area to
28 which it was moved.

29 (b) Repealed by Session Laws 1989, c. 111, s. 1.

30 (b1), (c) Repealed by Session Laws 1996, Second Extra Session, c. 13, s. 3.3.

31 (d) Planned Expansion. -- A taxpayer that signs a letter of commitment with the
32 Department of Commerce to create at least twenty new full-time jobs in a specific
33 area within two years of the date the letter is signed qualifies for the credit in the
34 amount allowed by this section based on the area's enterprise tier for that year even
35 though the employees are not hired that year. The credit shall be available in the
36 taxable year after at least twenty employees have been hired if the hirings are within
37 the two-year commitment period. The conditions outlined in subsection (a) apply to a
38 credit taken under this subsection except that if the area is redesignated to a higher-
39 numbered enterprise tier after the year the letter of commitment was signed, the
40 credit is allowed based on the area's enterprise tier for the year the letter was signed.
41 If the taxpayer does not hire the employees within the two-year period, the taxpayer
42 does not qualify for the credit. However, if the taxpayer qualifies for a credit under
43 subsection (a) in the year any new employees are hired, the taxpayer may take the
44 credit under that subsection.

1 (e), (f) Repealed by Session Laws 1996, Second Extra Session, c. 13, s. 3.3 for
2 taxable years beginning on or after January 1, 1996.

3 **"§ 105-129.9. (Repealed effective January 1, 2002) Credit for investing in machinery
4 and equipment.**

5 (a) Credit. -- ~~A~~ If a taxpayer that has purchased or leased machinery and
6 equipment and places it in service in this State during the taxable year, the
7 taxpayer is allowed a credit equal to seven percent (7%) of the excess of the eligible
8 investment amount over the applicable threshold. The credit may not be taken for the
9 taxable year in which the equipment is placed in service but shall be taken in equal
10 installments over the seven years following the taxable year in which the equipment is
11 placed in service.

12 (b) Eligible Investment Amount. -- The eligible investment amount is the lesser of
13 (i) the cost of the machinery and equipment and (ii) the amount by which the cost of
14 all of the taxpayer's machinery and equipment that is in service in this State on the
15 last day of the taxable year exceeds the cost of all of the taxpayer's machinery and
16 equipment that was in service in this State on the last day of the base year. The base
17 year is that year, of the three immediately preceding taxable years, in which the
18 taxpayer had the most machinery and equipment in service in this State.

19 (c) Threshold. -- The applicable threshold is the appropriate amount set out in the
20 following table based on the enterprise tier of the area where the machinery and
21 equipment are placed in service during the taxable year. If the taxpayer places
22 machinery and equipment in service in more than one area during the taxable year,
23 the threshold applies separately to the machinery and equipment placed in service in
24 each area.

25 Area Enterprise Tier	Threshold
26 Tier One	\$ -0-
27 Tier Two	100,000
28 Tier Three	200,000
29 Tier Four	500,000
30 Tier Five	1,000,000

31 (d) Expiration. -- If, in one of the seven years in which the installment of a credit
32 accrues, the machinery and equipment with respect to which the credit was claimed
33 are ~~sold~~ disposed of, taken out of service, or moved out of State, the credit expires
34 and the taxpayer may not take any remaining installment of the credit. The taxpayer
35 may, however, take the portion of an installment that accrued in a previous year and
36 was carried forward to the extent permitted under G.S. 105-129.5.

37 If, in one of the seven years in which the installment of a credit accrues, the
38 machinery and equipment with respect to which the credit was claimed are moved to
39 an area in a higher-numbered enterprise tier, the remaining installments of the credit
40 are allowed only to the extent they would have been allowed if the machinery and
41 equipment had been placed in service initially in the area to which they were moved.

42 **"§ 105-129.10. (Repealed effective January 1, 2002) Credit for research and
43 development.**

1 A taxpayer that claims for the taxable year a federal income tax credit under
2 section 41 of the Code for increasing research activities is allowed a credit equal to
3 five percent (5%) of the State's apportioned share of the taxpayer's expenditures for
4 increasing research activities. The State's apportioned share of a taxpayer's
5 expenditures for increasing research activities is the excess of the taxpayer's qualified
6 research expenses for the taxable year over the base amount, as determined under
7 section 41 of the Code, multiplied by a percentage equal to the ratio of the taxpayer's
8 qualified research expenses in this State for the taxable year to the taxpayer's total
9 qualified research expenses for the taxable year. As used in this section, the terms
10 "qualified research expenses" and "base amount" have the meaning provided in
11 section 41 of the Code.

12 **"§ 105-129.11. (Repealed effective January 1, 2002) Credit for worker training.**

13 (a) Credit. -- A taxpayer that provides worker training for five or more of its
14 eligible employees during the taxable year is allowed a credit equal to fifty percent
15 (50%) of its eligible expenditures for the training. For positions located in an
16 enterprise tier one area, the credit may not exceed one thousand dollars (\$1,000) per
17 employee trained during the taxable year. For other positions, the credit may not
18 exceed five hundred dollars (\$500.00) per employee trained during the taxable year.
19 A position is located in an area if more than fifty percent (50%) of the employee's
20 duties are performed in the area.

21 (b) Eligibility. -- The eligibility of a taxpayer's expenditures and employees is
22 determined as provided in G.S. 105-129.4."

23 Section 2. Article 3B of Chapter 105 of the General Statutes reads as
24 rewritten:

25 "ARTICLE 3B.

26 Business Tax Credit.

27 **"§ 105-129.15. (Repealed effective January 1, 2002) Definitions.**

28 The following definitions apply in this Article:

29 (1) Business property. -- Tangible personal property that is used by the
30 taxpayer in connection with a business or for the production of
31 income and is capitalized by the ~~taxpayer for tax purposes under~~
32 ~~the Code; taxpayer.~~ Property purchased by the taxpayer must be
33 capitalized for tax purposes under the Code; property leased by the
34 taxpayer must be capitalized on the taxpayer's books and records
35 in accordance with generally accepted accounting principles. The
36 term does not include, however, a luxury passenger automobile
37 taxable under section 4001 of the Code or a watercraft used
38 principally for entertainment and pleasure outings for which no
39 admission is charged.

40 (2) ~~Cost. Defined in section 179 of the Code.~~

41 (3) ~~Purchase. Defined in section 179 of the Code.~~

42 **"§ 105-129.16. (Repealed effective January 1, 2002) Credit for investing in business**
43 **property.**

1 (a) Credit. -- ~~A~~ If a taxpayer that has purchased or leased business property and
2 places it in service in this State during the taxable year, the taxpayer is allowed a
3 credit equal to four and one-half percent (4.5%) of the cost of the property. The
4 maximum credit allowed a taxpayer for property placed in service during a taxable
5 year is four thousand five hundred dollars (\$4,500). The entire credit may not be
6 taken for the taxable year in which the property is placed in service but must be
7 taken in five equal installments beginning with the taxable year in which the property
8 is placed in service.

9 (b) Expiration. -- If, in one of the five years in which the installment of a credit
10 accrues, the business property with respect to which the credit was claimed is ~~sold~~
11 disposed of, taken out of service, or moved out of State, the credit expires and the
12 taxpayer may not take any remaining installment of the credit. The taxpayer may,
13 however, take the portion of an installment that accrued in a previous year and was
14 carried forward to the extent permitted under G.S. 105-129.17.

15 (c) No Double Credit. -- A taxpayer that claims the credit allowed under Article
16 3A of this Chapter with respect to business property may not take the credit allowed
17 in this section with respect to the same property.

18 **"§ 105-129.17. (Repealed effective January 1, 2002) Tax election; cap.**

19 (a) Tax Election. -- The credit allowed in this Article is allowed against the
20 franchise tax levied in Article 3 of this Chapter or the income taxes levied in Article
21 4 of this Chapter. The taxpayer must elect the tax against which the credit will be
22 claimed when filing the return on which the first installment of the credit is claimed.
23 This election is binding. Any carryforwards of the credit must be claimed against the
24 same tax.

25 (b) Cap. -- The credit allowed in this Article may not exceed fifty percent (50%)
26 of the tax against which it is claimed for the taxable year, reduced by the sum of all
27 other credits allowed against that tax, except tax payments made by or on behalf of
28 the taxpayer. This limitation applies to the cumulative amount of credit, including
29 carryforwards, claimed by the taxpayer under this Article against each tax for the
30 taxable year. Any unused portion of the credit may be carried forward for the
31 succeeding five years.

32 **"§ 105-129.18. (Repealed effective January 1, 2002) Substantiation.**

33 To claim the credit allowed by this Article, the taxpayer must provide any
34 information required by the Secretary of Revenue. Every taxpayer claiming a credit
35 under this Article must maintain and make available for inspection by the Secretary
36 of Revenue any records the Secretary considers necessary to determine and verify the
37 amount of the credit to which the taxpayer is entitled. The burden of proving
38 eligibility for the credit and the amount of the credit rests upon the taxpayer, and no
39 credit may be allowed to a taxpayer that fails to maintain adequate records or to
40 make them available for inspection.

41 **"§ 105-129.19. (Repealed effective January 1, 2002) Reports.**

42 The Department of Revenue shall report to the Legislative Research Commission
43 and to the Fiscal Research Division of the General Assembly by May 1 of each year
44 the following information for the 12-month period ending the preceding April 1:

1 (1) The number of taxpayers that claimed the credit allowed in this
2 Article.

3 (2) The cost of business property with respect to which credits were
4 claimed.

5 (3) The total cost to the General Fund of the credits claimed."

6 Section 3. G.S. 105-129.3(c), as enacted by this act, is effective when this
7 act becomes law and, notwithstanding G.S. 105-129.3(b), applies retroactively to
8 designations for the 1997 and later calendar years; the other amendments to G.S. 105-
9 129.3 made by this act are effective when this act becomes law and apply to
10 designations for the 1998 and later calendar years. The amendments to G.S. 105-
11 129.5 and G.S. 105-129.6 made by this act are effective for taxable years beginning on
12 or after January 1, 1996. The remainder of this act is effective for taxable years
13 beginning on or after January 1, 1997.

SENATE**

FINANCE COMMITTEE REPORT

John H. Kerr, III, Co-Chair
David W. Hoyle, Co-Chair

Wednesday, March 12, 1997

SENATOR JOHN KERR,

submits the following with recommendations as to passage:

FAVORABLE

H.B. 15 Conform Tax on Restored Income
Sequential Referral: None
Recommended Referral: None

S.B. 59 Gates School Acquisition
Sequential Referral: None
Recommended Referral: None

S.B. 69 Stokes School Acquisition
Sequential Referral: None
Recommended Referral: None

UNFAVORABLE AS TO BILL, BUT FAVORABLE AS TO C.S. BILL

S.B. 316 Amend Bill Lee Act/AB
Draft Number: PCS7601
Sequential Referral: None
Recommended Referral: None
Long Title Amended: No

TOTAL REPORTED: 4

Committee Clerk Comment: None

SENATE FINANCE COMMITTEE

TUESDAY, MARCH 18, 1997

12:00 NOON - ROOM 504 LOB

The Senate Finance Committee met. There were twenty two members of the Committee present. Senator David Hoyle, Co-chairman of the Committee, presided.

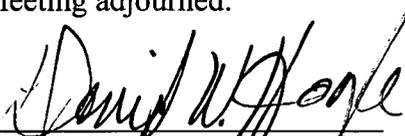

S.B. 249 - Bond Payment Change

Senator Robert Carpenter came to explain this bill. Senator Lee made a motion for acceptance of a committee substitute for this Bill, motion passed. After Senator Carpenter's explanation on this bill and questions from the members of the committee, Senator Austin Allran made a motion for a "favorable" report for the committee substitute, motion passed. Bill to be reported out as "unfavorable as to bill, but favorable as to committee substitute".

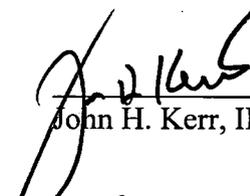

H.B. 149 - Account for 911 Surcharge

Senator John Kerr came to explain this Bill for Representative Fern Shubert. After the explanation, the members were given an opportunity to ask questions relative to this Bill. Senator Virginia Foxx made a motion for a "favorable" report, motion passed.

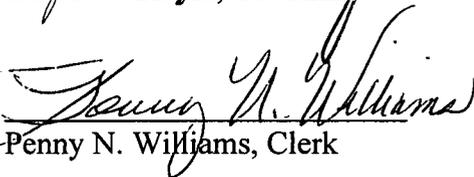

Meeting adjourned.

David W. Hoyle, Co-Chair

John H. Kerr, III Co-Chair

Penny N. Williams, Clerk

Evelyn S. Hartsell, Clerk

AGENDA

SENATE FINANCE COMMITTEE

Tuesday, March 18, 1997

12 Noon - Room 544

S.B. 388 - No Back Intangibles Tax Assessment - Sen. Hoyle

S.B. 249 - Bond Payment Change - Sen. Carpenter

S.B. 158 - Administrative Dissolution/Report - Sen. Hartsell

H.B. 149 - Account For 911 Surcharge - Rep. Shubert

1 "§ 159I-30. Additional powers of units of local government; issuance of special
2 obligation bonds and notes.

3 (a) Any unit of local government may borrow money for the purpose of financing
4 or refinancing its cost of the acquisition or construction of a project and may issue
5 special obligation bonds and notes, including bond anticipation notes and renewal
6 notes, pursuant to the provisions of this section and the applicable provisions of this
7 Chapter for ~~such~~ this purpose.

8 (b) Each unit of local government may ~~agree to apply to~~ pledge for the payment
9 of a special obligation bond or note any available source or sources of revenues of
10 the unit and, to the extent the generation of the revenues is within the power of the
11 unit, ~~to~~ may enter into covenants to take action in order to generate the revenues,
12 ~~provided the agreement to use such~~ as long as the pledge of these sources to make for
13 payments or such the covenant to generate revenues does not constitute a pledge of
14 the unit's taxing power.

15 No agreement or covenant shall contain a nonsubstitution clause which restricts
16 the right of a unit of local government to replace or provide a substitute for any
17 project financed pursuant to this section.

18 ~~The obligation sources of payment pledged by~~ of a unit of local government ~~with~~
19 ~~respect to the sources of payment~~ shall be specifically identified in the proceedings of
20 the governing body authorizing the unit to issue the special obligation bonds or notes.

21 After the issuance of special obligation bonds or notes, the governing body of the
22 issuing unit may identify one or more additional sources of payment for the bonds or
23 notes and pledge these sources, as long as the pledge of the sources does not
24 constitute a pledge of the taxing power of the unit. Each source of additional
25 payment pledged shall be specifically identified in the proceedings of the governing
26 body of the unit pledging the source. The governing body of the unit may not pledge
27 an additional source of revenue pursuant to this paragraph unless the pledge is first
28 approved by the Local Government Commission pursuant to the procedures provided
29 in subsection (i) of this section.

30 The sources of payment so ~~specifically identified~~ pledged and then held or
31 thereafter received by a unit or any fiduciary thereof shall immediately be subject to
32 the lien of the ~~proceedings~~ pledge without any physical delivery of the sources or
33 further act. The lien shall be valid and binding as against all parties having claims of
34 any kind in tort, contract, or otherwise against a unit without regard to whether the
35 parties have notice thereof. The proceedings or any other document or action by
36 which the lien on a source of payment is created need not be filed or recorded in any
37 manner other than as provided in this Chapter.

38 ~~Any special obligation bonds or notes may provide additional security by the~~
39 ~~granting of a security interest in the project financed to secure payment of the~~
40 ~~purchase money provided by such bonds or notes, including a deed of trust on any~~
41 ~~real property so acquired.~~

42 (b1) In connection with issuing its special obligation bonds or special obligation
43 bond anticipation notes under this Chapter, a unit of local government may grant a
44 security interest in the project financed, or in all or some portion of the property on

1 which the project is located, or in both. If a unit of local government determines to
2 provide additional security as authorized by this subsection, the following conditions
3 apply:

4 (1) No bond order may contain a nonsubstitution clause that restricts
5 the right of a unit of local government to:

6 a. Continue to provide a service or activity; or

7 b. Replace or provide a substitute for any municipal purpose
8 financed pursuant to the bond order.

9 (2) A bond order is subject to approval by the Commission under
10 Article 8 of Chapter 159 of the General Statutes if it:

11 a. Meets the standards set out in G.S. 159-148(a)(1), 159-
12 148(a)(2), and 159-148(a)(3), or involves the construction or
13 repair of fixtures or improvements on real property; and

14 b. Is not exempted from the provisions of that Article by one
15 of the exemptions contained in G.S. 159-148(b)(1) and (2).

16 The Commission approval required by this subdivision is in
17 addition to the Commission approval required by subsection (i) of
18 this section.

19 (3) No deficiency judgment may be rendered against any unit of local
20 government in any action for breach of a bond order authorized by
21 this section, and the taxing power of a unit of local government is
22 not and may not be pledged directly or indirectly to secure any
23 moneys due under a bond order authorized by this section. This
24 prohibition does not impair the right of the holder of a bond or
25 note to exercise a remedy with respect to the revenues pledged to
26 secure the bond or note, as provided in the bond order, resolution,
27 or trust agreement under which the bond or note is authorized and
28 secured. A unit of local government may, in its sole discretion, use
29 tax proceeds to pay the principal of or interest or premium on
30 bonds or notes, but shall not pledge or agree to do so.

31 (4) Before granting a security interest under this subsection, a unit of
32 local government shall hold a public hearing on the proposed
33 security interest. A notice of the public hearing shall be published
34 once at least 10 days before the date fixed for the hearing.

35 (c) Any bond anticipation notes may be made payable from the proceeds of bonds
36 or renewal notes or, in the event bond or renewal note proceeds are not available,
37 the notes may be paid from any sources available under G.S. 159I-30(b). Bonds or
38 notes may also be paid from the proceeds of any credit facility. The bonds and notes
39 of each issue shall be dated and may be made redeemable prior to maturity at the
40 option of the unit of local government or otherwise, at such price or prices, on such
41 date or dates, and upon such terms and conditions as may be determined by the unit.
42 The bonds or notes may also be made payable from time to time on demand or
43 tender for purchase by the owner, upon terms and conditions determined by the unit.

1 (d) The interest payable by a unit on any special obligation bonds or notes may be
2 at such rate or rates, including variable rates as authorized in this section, as may be
3 determined by the Local Government Commission with the approval of the
4 governing body of the unit. ~~Such~~ This approval may be given as the governing body
5 of the unit may direct, including, without limitation, a certificate signed by a
6 representative of the unit designated by the governing body of the unit.

7 (e) Special obligation bonds and notes shall be special obligations of the unit of
8 local government issuing them. The principal of, and interest and any premium on,
9 special obligation bonds and notes shall be ~~payable~~ secured ~~solely from~~ solely by any one or
10 more of the sources of payment authorized by this section as may be ~~specified~~
11 pledged in the proceedings, resolution, or trust agreement under which they are
12 authorized or secured. Neither the faith and credit nor the taxing power of the unit
13 of local government are pledged for the payment of the principal of, or interest or
14 any premium on, any special obligation bonds or notes, and no owner of special
15 obligation bonds or notes has the right to compel the exercise of the taxing power by
16 the unit in connection with any default thereon. Every special obligation bond and
17 note shall recite in substance that the principal and interest and any premium on
18 ~~such the~~ bond or note are ~~payable~~ secured ~~solely from~~ solely by the sources of payment
19 ~~specified~~ pledged in the bond ~~order or trust,~~ order, resolution, or trust agreement
20 under which it is authorized or secured, ~~provided that:~~ as long as:

21 (1) Any such use of ~~such~~ these sources will not constitute a pledge of
22 the unit's taxing power; and

23 (2) The ~~municipality~~ unit is not obligated to pay ~~such the~~ principal or
24 interest or premium except from ~~such~~ these sources.

25 (f) In fixing the details of bonds or notes, the unit of local government may
26 provide that any of the bonds or notes may:

27 (1) Be made payable from time to time on demand or tender for
28 purchase by the owner thereof ~~provided~~ as long as a credit facility
29 supports ~~such the~~ bonds or notes, unless the Local Government
30 Commission specifically determines that a credit facility is not
31 required upon a finding and determination by the Local
32 Government Commission that the absence of a credit facility will
33 not materially and adversely affect the financial position of the unit
34 and the marketing of the bonds or notes at a reasonable interest
35 cost to the unit;

36 (2) Be additionally supported by a credit facility;

37 (3) Be made subject to redemption or a mandatory tender for
38 purchase prior to maturity;

39 (4) Bear interest at a rate or rates that may vary for such period or
40 periods of time, all as may be provided in the proceedings
41 providing for the issuance of ~~such the~~ bonds or notes including,
42 without limitation, such variations as may be permitted pursuant to
43 a par formula; and

1 (5) Be made the subject of a remarketing agreement whereby an
2 attempt is made to remarket the bonds or notes to new purchasers
3 prior to their presentment for payment to the provider of the credit
4 facility or to the unit.

5 (g) As used in this section:

6 (1) 'Credit facility' means an agreement entered into by the unit with
7 a bank, savings and loan association or other banking institution,
8 an insurance company, reinsurance company, surety company or
9 other insurance institution, a corporation, investment banking firm
10 or other investment institution, or any financial institution ~~proving~~
11 providing for prompt payment of all or any part of the principal,
12 or purchase price (whether at maturity, presentment, or tender for
13 purchase, redemption, or acceleration), redemption premium, if
14 any, and interest on any bonds or notes payable on demand or
15 tender by the owner, in consideration of the unit agreeing to repay
16 the provider of ~~such~~ the credit facility in accordance with the
17 terms and provisions of ~~such~~ the agreement; the provider of any
18 credit facility may be located either within or without the United
19 States of America.

20 (2) 'Par formula' means any provision or formula adopted by the unit
21 to provide for the adjustment, from time to time of the interest rate
22 or rates borne by any bonds or notes including:

- 23 a. A provision providing for such adjustment so that the
24 purchase price of such bonds or notes in the open market
25 would be as close to par as possible;
- 26 b. A provision providing for such adjustment based upon a
27 percentage or percentages of a prime rate or base rate,
28 which percentage or percentages may vary or be applied for
29 different periods of time; or
- 30 c. ~~Such~~ Any other provision as the unit may determine to be
31 consistent with this section and the applicable provisions of
32 this Chapter and does not materially and adversely affect the
33 financial position of the unit and the marketing of the bonds
34 or notes at a reasonable interest cost to the unit.

35 The obligation of a unit of local government under a credit facility to repay any
36 drawing thereunder may be made payable and otherwise secured, to the extent
37 applicable, as provided in this section.

38 (h) Notes shall mature at such time or times and bonds shall mature, not
39 exceeding 40 years from their date or dates, as may be determined by the unit of
40 local government, ~~provided~~ except that no such maturity dates may exceed the
41 maximum maturity periods prescribed by the Local Government Commission
42 pursuant to G.S. 159-122, as it may be amended from time to time. The unit shall
43 determine the form and manner of execution of the bonds or notes, including any
44 interest coupons to be attached thereto, and shall fix the denomination or

1 denominations and the place or places of payment of principal and interest, which
2 may be any bank or trust company within or without the United States. In case any
3 officer of ~~such~~ the unit whose signature, or a facsimile of whose signature, ~~shall~~
4 ~~appear~~ appears on any bonds or notes or coupons, if any, ~~shall cease to be such~~
5 ~~ceases to be the~~ officer before delivery thereof, ~~such signature or such~~ the signature
6 or facsimile shall nevertheless be valid and sufficient for all purposes the same as if
7 ~~such~~ the officer had remained in office until ~~such~~ the delivery. Any bond or note or
8 coupon may bear the facsimile signatures of such persons who at the actual time or
9 the execution thereof ~~shall be~~ were the proper officers to sign although at the date of
10 ~~such~~ the bond or note or coupon ~~such~~ these persons may not have been ~~such officer.~~
11 the proper officers. The unit may also provide for the authentication of the bonds or
12 notes by a trustee or other authenticating agent. The bonds or notes may be issued as
13 certificated or uncertificated obligations or both, and in coupon or in registered form,
14 or both, as the unit may determine, and provision may be made for the registration of
15 any coupon bonds or notes as to principal alone and also as to both principal and
16 interest, and for the reconversion into coupon bonds or notes of any bonds or notes
17 registered as to both principal and interest, and for the interchange of registered and
18 coupon bonds or notes. Any system for registration may be established as the unit
19 may determine.

20 (i) No bonds or notes may be issued by a unit of local government under this
21 section unless the issuance is approved and the bonds or notes are sold by the Local
22 Government Commission as provided in this section and the applicable provisions of
23 this Chapter. The unit shall file with the Secretary of the Local Government
24 Commission an application requesting approval of the issuance of ~~such~~ the bonds or
25 notes, which application shall contain such information and shall have attached to it
26 such documents concerning the proposed financing as the Secretary of the Local
27 Government Commission may require. The Commission may prescribe the form of
28 the application. Before the Secretary accepts the application, the Secretary may
29 require the governing body of the unit or its representatives to attend a preliminary
30 conference, at which time the Secretary or the deputies of the Secretary may
31 informally discuss the proposed issue and the timing of the steps taken in issuing the
32 special obligation bonds or notes.

33 In determining whether a proposed bond or note issue should be approved, the
34 Local Government Commission may consider, to the extent applicable as shall be
35 determined by the Local Government Commission, the criteria set forth in G.S. 159-
36 52 and G.S. 159-86, as either may be amended from time to time, as well as the effect
37 of the proposed financing upon any scheduled or proposed sale of obligations by the
38 State or by any of its agencies or departments or by any unit of local government in
39 the State. The Local Government Commission shall approve the issuance of ~~such~~ the
40 bonds or notes if, upon the information and evidence it receives, it finds and
41 determines that the proposed financing will satisfy such criteria and will effect the
42 purposes of this section and the applicable provisions of this Chapter. An approval
43 of an issue shall not be regarded as an approval of the legality of the issue in any

1 respect. A decision by the Local Government Commission denying an application is
2 final.

3 Upon the filing with the Local Government Commission of a written request of the
4 unit requesting that its bonds or notes be sold, ~~such~~ the bonds or notes may be sold
5 by the Local Government Commission in such manner, either at public or private
6 sale, and for such price or prices as the Local Government Commission shall
7 determine to be in the best interests of the unit and to effect the purposes of this
8 section and the applicable provisions of this Chapter, ~~provided that such sale shall be~~
9 if the sale is approved by the unit.

10 (j) The proceeds of any bonds or notes shall be used solely for the purposes for
11 which the bonds or notes were issued and shall be disbursed in such manner and
12 under such restrictions, if any, as the unit may provide in the resolution authorizing
13 the issuance of, or in any trust agreement securing, the bonds or notes.

14 (k) Prior to the preparation of definitive bonds, the unit may issue interim receipts
15 or temporary bonds, with or without coupons, exchangeable for definitive bonds
16 when ~~such~~ definitive bonds have been executed and are available for delivery. The
17 unit may also provide for the replacement of any bonds or notes which shall become
18 mutilated or shall be destroyed or lost.

19 (l) Bonds or notes may be issued under the provisions of this section and the
20 applicable provisions of this Chapter without obtaining, except as otherwise expressly
21 provided in this section and the applicable provisions of this Chapter, the consent of
22 any department, division, commission, board, body, bureau, or agency of the State
23 and without any other proceedings or the happening of any conditions or things other
24 than those proceedings, conditions, or things that are specifically required by this
25 section, the applicable provisions of this Chapter, and the provisions of the resolution
26 authorizing the issuance of, or any trust agreement securing, ~~such~~ the bonds or notes.

27 (m) In the discretion of the unit of local government, any bonds and notes issued
28 under the provisions of this section may be secured by a trust agreement by and
29 between the unit and a corporate trustee or by a resolution providing for the
30 appointment of a corporate trustee. Bonds and notes may also be issued under an
31 order or resolution without a corporate trustee. The corporate trustee may be, in
32 either case any trust company or bank having the powers of a trust company within
33 or without the State. ~~Such~~ The trust agreement or resolution may pledge or assign
34 such sources of revenue as may be permitted under this section. The trust agreement
35 or resolution may contain such provisions for protecting and enforcing the rights and
36 remedies of the owners of any bonds or notes issued thereunder as may be reasonable
37 and proper and not in violation of law, including covenants setting forth the duties of
38 the unit in respect of the purposes to which bond or note proceeds may be applied,
39 the disposition and application of the revenues of the unit, the duties of the unit with
40 respect to the project, the disposition of any charges and collection of any revenues
41 and administrative charges, the terms and conditions of the issuance of additional
42 bonds and notes, and the custody, safeguarding, investment, and application of all
43 moneys. All bonds and notes issued under this section shall be equally and ratably
44 secured by a lien upon the revenues ~~provided in such~~ pledged in the trust agreement

1 or resolution, without priority by reasons of number, or dates of bonds or notes,
2 execution, or delivery, in accordance with the provision of this section and of ~~such~~
3 the trust agreement or ~~resolution, provided, however, resolution, except~~ that the unit
4 may provide in ~~such the~~ trust agreement or resolution that bonds or notes issued
5 pursuant thereto shall, to the extent and in the manner prescribed in ~~such the~~ trust
6 agreement or resolution, be subordinated and junior in standing, with respect to the
7 payment of principal and interest and to the security thereof, to any other bonds or
8 notes. It shall be lawful for any bank or trust company that may act as ~~depository~~
9 depository of the proceeds of bonds or notes, revenues, or any other money
10 hereunder to furnish such indemnifying bonds or to pledge such securities as may be
11 required by the unit. Any trust agreement or resolution may set out the rights and
12 remedies of the owners of any bonds or notes and of any trustee, and may restrict the
13 individual rights of action by the owners. In addition to the foregoing, any trust
14 agreement or resolution may contain such other provisions as the unit may deem
15 reasonable and proper for the security of the owners of any bonds or notes. Expenses
16 incurred in carrying out the provisions of any trust agreement or resolution may be
17 treated as a part of the cost of any project or as an administrative charge and may be
18 paid from the revenues or from any other funds available.

19 The State does pledge to, and agree with, the holders of any bonds or notes issued
20 by any unit that so long as any of ~~such the~~ bonds or notes are outstanding and unpaid
21 the State will not limit or alter the rights vested in the unit at the time of issuance of
22 the bonds or notes to set the terms and conditions of the bonds or notes and to fulfill
23 the terms of any agreements made with the bondholders or noteholders. The State
24 shall in no way impair the rights and remedies of the bondholders or noteholders
25 until the bonds or notes and all costs and expenses in connection with any action or
26 proceedings by or on behalf of the bondholders or noteholders, are fully paid, met,
27 and discharged.

28 (n) The provisions of G.S. 159I-15(a), (d), and (e) relating to the Agency and its
29 bonds and notes shall apply to a unit of local government and its bonds and notes
30 issued under this section and the applicable provisions of this Chapter, ~~provided~~
31 except that the source or sources of revenue ~~available~~ pledged to pay bonds and
32 notes of a unit of local government shall be limited as provided in this section.

33 (o) The provisions of G.S. 159I-17 relating to the Agency and its trust funds and
34 investments shall apply to a unit of local government and its trust funds and
35 investments, ~~provided~~ except that any such moneys of a unit shall be deposited and
36 invested only as provided in G.S. 159-30, as it may be amended from time to time.

37 (p) The provisions of G.S. 159I-18, 159I-19, 159I-20, and 159I-23 relating to
38 remedies, the Uniform Commercial Code, investment ~~eligibility and tax exemption as~~
39 such eligibility, and tax exemption, as they relate to the Agency's bonds and ~~notes~~
40 notes, shall apply to a unit of local government and its bonds and notes."

41 Section 3. G.S. 159-86(b) reads as rewritten:

42 "(b) The Commission shall approve the application if, upon the information and
43 evidence it receives, it finds and ~~determines~~ determines all of the following:

44 (1) That the proposed revenue bond issue is necessary or expedient.

- 1 (2) That the amount proposed is adequate and not
2 excessive for the proposed purpose of the issue.
3 (3) That the proposed project is feasible.
4 (4) That the State's or the municipality's, as the case may be, debt
5 management procedures and policies are good, or that reasonable
6 assurances have been given that its debt will henceforth be
7 managed in strict compliance with law.
8 (5) That the proposed revenue bonds can be marketed at reasonable
9 interest cost to the State or the municipality, as the case may be.
10 (6) That the probable net revenues of the project to be financed will
11 be sufficient, when combined with other available funds, to service
12 the proposed revenue bonds."

13 Section 4. G.S. 159-83(a) reads as rewritten:

14 "(a) In addition to the powers they may now or hereafter have, the State and each
15 municipality shall have the ~~following powers~~, powers listed in this subsection. These
16 powers are subject to the provisions of this Article and of any revenue bond order or
17 trust agreement securing revenue bonds: bonds. The trustee of a trust agreement
18 securing revenue bonds issued under this Article shall be a trust company or a bank
19 that has the powers of a trust company and may be located inside or outside the
20 State. The powers granted are:

- 21 (1) To acquire by gift, purchase, or exercise of the power of eminent
22 domain or to construct, reconstruct, improve, maintain, better,
23 extend, and operate, one or more revenue bond projects or any
24 portion thereof without regard to location within or without its
25 boundaries, upon determination (i) in the case of the State, by the
26 Council of State and (ii) in the case of a municipality, by
27 resolution of the governing board that a location wholly or
28 partially outside its boundaries is necessary and in the public
29 interest.
30 (2) To sell, exchange, transfer, assign or otherwise dispose of any
31 revenue bond project or portion thereof or interest therein
32 determined (i) in the case of the State, by the Council of State and
33 (ii) in the case of a municipality, by resolution of the governing
34 board not to be required for any public purpose.
35 (3) To sell, furnish, and distribute the services, facilities, or
36 commodities of revenue bond projects.
37 (4) To enter into contracts with any person, firm, or corporation,
38 public or private, on such terms (i) in the case of the State, as the
39 Council of State and (ii) in the case of a municipality, as the
40 governing board may determine, with respect to the acquisition,
41 construction, reconstruction, extension, betterment, improvement,
42 maintenance, or operation of revenue bond projects, or the sale,
43 furnishing, or distribution of the services, facilities or commodities
44 thereof.

- 1 (5) To borrow money for the purpose of acquiring, constructing,
2 reconstructing, extending, bettering, improving, or otherwise
3 paying the cost of revenue bond projects, and to issue its revenue
4 bonds or bond anticipation notes therefor, in the name of the State
5 or a municipality, as the case may be, but no encumbrance,
6 mortgage, or other pledge or real property of the State or a
7 municipality may be created in any manner. Notwithstanding the
8 foregoing, the North Carolina Low-Level Radioactive Waste
9 Management Authority may create an encumbrance, mortgage, or
10 other pledge of real property of the Authority in connection with
11 its financing of a low-level radioactive waste facility and the North
12 Carolina Hazardous Waste Management Commission may create
13 an encumbrance, mortgage, or other pledge of real property of the
14 Commission in connection with its financing of a hazardous waste
15 facility.
- 16 (6) To establish, maintain, revise, charge, and collect such rates, fees,
17 rentals, tolls, or other charges, free of any control or regulation by
18 the North Carolina Utilities Commission or any other regulatory
19 body except as provided in G.S. 159-95 for the use, services,
20 facilities, and commodities of or furnished by any revenue bond
21 project, and to provide methods of collection of and penalties for
22 nonpayment of such rates, fees, rentals, tolls, or other charges. The
23 rates, fees, rentals, tolls and charges so fixed and charged shall be
24 such as will produce revenues at least sufficient with any other
25 available funds to meet the expense and maintenance and
26 operation of and renewals and replacements to the revenue bond
27 project, including reserves therefor, to pay when due the principal,
28 interest, and redemption premiums (if any) on all revenue bonds
29 or bond anticipation notes secured thereby, and to fulfill the terms
30 of any agreements made by the State or the issuing municipality
31 with the holders of revenue bonds issued to finance all or any
32 portion of the cost of the project.
- 33 (7) To pledge all or part of any proceeds derived from the use of
34 on-street parking meters to the payment of the cost of operating,
35 maintaining, and improving parking facilities whether on-street or
36 off-street, and the principal of and the interest on revenue bonds
37 or bond anticipation notes issued for on-street or off-street parking
38 facilities.
- 39 (8) To pledge to the payment of its revenue bonds or bond
40 anticipation notes and interest thereon revenues from one or more
41 revenue bond projects and any leases or agreements to secure such
42 payment, including revenues from improvements, betterments, or
43 extensions to such projects thereafter constructed or acquired as
44 well as the revenues from existing systems, plants, works,

- 1 instrumentalities, and properties of the projects to be improved,
2 bettered, or extended.
- 3 (8a) In the case of any county, city, town, or incorporated village, to
4 make loans or advances to a municipality to provide funds to the
5 municipality to pay any costs of any revenue bond project. Funds
6 received by a municipality in reimbursement of a loan or advance
7 shall be distributed and restricted as provided in G.S. 159-27.1.
- 8 (9) To appropriate, apply, or expend for the following purposes the
9 proceeds of its revenue bonds, notes issued in anticipation thereof,
10 and revenues pledged under any resolution or order authorizing or
11 securing the bonds: (i) to pay interest on the bonds or notes and
12 the principal or redemption price thereof when due; (ii) to meet
13 reserves and other requirements set forth in the bond order or trust
14 agreement; (iii) to pay the costs of the revenue bond projects
15 authorized in the bond order, reimburse funds loaned or advanced
16 for the costs of these revenue bond projects in accordance with the
17 bond order, and provide working capital for initial maintenance
18 and operation until funds are available from revenues; (iv) to pay
19 and discharge revenue bonds and notes issued in anticipation
20 thereof; (v) to pay and discharge general obligation bonds issued
21 under Article 4 of this Chapter or under any act of the General
22 Assembly, when the revenues of the project financed in whole or
23 in part by the general obligation bonds will be pledged to the
24 payment of the revenue bonds or notes.
- 25 (10) To make and enforce rules and regulations governing the use,
26 maintenance, and operation of revenue bond projects.
- 27 (11) To accept gifts or grants of real or personal property, money,
28 material, labor, or supplies for the acquisition, construction,
29 reconstruction, extension, improvement, betterment, maintenance,
30 or operation of any revenue bond project and to make and
31 perform such agreements or contracts as may be necessary or
32 convenient in connection with the procuring or acceptance of such
33 gifts or grants.
- 34 (12) To accept loans, grants, or contributions from, and to enter into
35 contracts and cooperate with the United States of America, the
36 State of North Carolina, or any agency thereof, with respect to any
37 revenue bond project.
- 38 (13) To enter on any lands, waters, and premises for the purpose of
39 making surveys, borings, soundings, examinations, and other
40 preliminary studies for constructing and operating any revenue
41 bond project.
- 42 (14) To retain and employ consultants and other persons on a contract
43 basis for rendering professional, financial, or technical assistance
44 and advice and to select and retain subject to approval of the

1 Local Government Commission the financial consultants,
2 underwriters and bond attorneys to be associated with the issuance
3 of any bonds and to pay for services rendered by underwriters,
4 financial consultants or bond attorneys out of the proceeds of any
5 such issue with regard to which the services were performed.

6 (15) Subject to any provisions of law requiring voter approval for the
7 sale or lease of utility or enterprise systems, to lease to or from any
8 person, firm, or corporation, public or private, all or part of any
9 revenue bond project, upon such terms and conditions as and for
10 such term of years, not in excess of 40 years, (i) in the case of the
11 State, as the Council of State and (ii) in the case of a municipality,
12 as the governing board may deem advisable to carry out the
13 provisions of this Article, and to provide in such lease for the
14 extension or renewal thereof and, if deemed advisable, for an
15 option to purchase or otherwise lawfully acquire the project upon
16 terms and conditions therein specified.

17 (16) To execute such instruments and agreements and to do all things
18 necessary or therein in the exercise of the powers herein granted,
19 or in the performance of the covenants or duties of the State or a
20 municipality, as the case may be, or to secure the payment of its
21 revenue bonds."

22 Section 5. Section 3 of this act becomes effective October 1, 1997, and
23 applies to applications filed on or after that date. The remainder of this act is
24 effective when it becomes law.

EXPLANATION OF SENATE BILL 249
Proposed Committee Substitute
Bond Payment Change

TO: Senate Finance Committee
FROM: Sabra Faires, Committee Counsel
DATE: March 17, 1997
SPONSOR: Senator Bob Carpenter

Senate Bill 249 changes the laws on two types of bonds. One type is a revenue bond issued by the State or a unit of local government. The other type is a special obligation bond issued by a unit of local government for a solid waste project, such as a landfill or an incinerator. The changes made by the bill are effective when the bill becomes law, except the change that adds a new requirement for approval of a revenue bond.

Revenue Bonds

The bill makes the following changes concerning State and local revenue bonds:

1. It clarifies that State and local revenue bonds can be paid from revenues other than those generated by the asset financed with the issuance of the revenue bonds. Current law states that these bonds "shall not be payable from the general funds" of the State or issuing municipality. This language has been interpreted to mean that only revenues generated by the asset can be pledged as security for the bonds but that other funds, including general funds, can be used to pay for the bonds. (Section 1)
2. It imposes a new requirement that must be met for a proposed revenue bond to be approved by the Local Government Commission. The new requirement is a finding by the Commission that the probable net revenues of the project to be financed with the bonds, including other available funds, is sufficient to pay for the bonds. (Section 3). Current law requires the Local Government Commission to consider the stream of income to be generated by the project when deciding whether to approve the bond issue.
3. It authorizes out-of-state banks to serve as corporate trustees on revenue bond issues. (Section 4). Current law allows revenue bonds to be secured by a trust agreement but does not authorize the trustee to be located outside the State. Authorization for an out-of-state trustee is typical in bond authorizing statutes and is authorized for other bonds such as industrial development bonds and solid waste special obligation bonds.

Local Solid Waste Special Obligation Bonds

The bill makes the following changes concerning local solid waste special obligation bonds:

1. It allows a local unit that has issued a solid waste special obligation bond to pledge additional non-tax revenue in payment of the bond after the bond has been issued. (Section 2; proposed G.S. 159I-30(b)) Current law does not allow this.
2. It applies the terms and conditions that apply to security interests granted in installment financing agreements to security interests in property to be financed by a local solid waste special obligation bond. (Section 2; proposed G.S. 159I-30(b1)). Applying these criteria makes it clear that the security interest may extend to land already owned as well as the building to be financed, requires the local government to hold a public hearing before granting the security interest, and requires approval by the Local Government Commission before granting the security interest.
3. Clarifies that local solid waste special obligation bonds are secured by the non-tax funds that are pledged for their payment but can be paid from other funds.

Revenue bonds are bonds that are secured by a pledge of the revenues that will be generated by the facility to be financed. Revenue bonds may be issued without a public referendum.

In 1989, the General Assembly authorized local governments to issue special obligation bonds to finance solid waste management projects. Like a revenue bond, these special obligation bonds do not require a public referendum. A solid waste special obligation bond is secured by a pledge of designated revenues that are not derived from taxes levied by the issuing local unit, such as the amount of State franchise tax or property tax reimbursements distributed to the local unit.

HOUSE BILL 149

Short Title: Accounting for 911 Surcharges.

(Public)

Sponsors: Representatives Shubert, Blue, Cansler, Capps, Church, Neely;
Aldridge, Allred, Clary, Culp, Eddins, and Reynolds.

Referred to: Finance.

February 13, 1997

1 A BILL TO BE ENTITLED
2 AN ACT TO REQUIRE LOCAL GOVERNMENTS TO ACCOUNT FOR 911
3 SURCHARGES IN THEIR ANNUAL FINANCIAL STATEMENTS.

4 The General Assembly of North Carolina enacts:

5 Section 1. G.S. 62A-7 reads as rewritten:

6 "**§ 62A-7. Emergency Telephone System Fund.**

7 The fiscal officer to whom 911 charges are remitted under G.S. 62A-6 shall deposit
8 the charges in a ~~separate, restricted fund~~; special revenue fund pursuant to G.S. 159-
9 26(b)(2). The Fund shall be known as the Emergency Telephone System Fund. The
10 fiscal officer may invest money in the Fund in the same manner that other money of
11 the local government may be invested. The fiscal officer shall deposit any income
12 earned from such an investment in the Emergency Telephone System Fund."

13 Section 2. This act becomes effective July 1, 1997.

Committee Clerk Comment:

SENATE FINANCE COMMITTEE

WEDNESDAY, MARCH 19, 1997

12 NOON - ROOM 544 LOB

The Senate Finance Committee met on March 19, 1997, with Senator Kerr presiding. There were 23 committee members present.

The following bills were heard:

S.B. 262 - Huntersville Annexation Agreement

Senator Odom was recognized to explain S.B. 262. Copy of Bill and Fiscal Note included in the minutes. Senator Ballantine moved for a "favorable" report for this bill and the motion carried.

S.B. 198 - Henderson County Annexation Agreements

Senator Jenkins was recognized to explain S.B. 198. Copy of Bill included in the minutes. Senator McDaniel moved for a "favorable" report for this bill and the motion carried.

S.B. 388 - No Back Intangible Tax Assessment

Senator Hoyle was recognized to explain S.B. 388. Copy of Bill, Explanation and Fiscal Note included in the minutes. Senator Dannelly moved for a "favorable" report. This motion was held until after discussion of the bill by the committee members. Senator Webster offered an amendment to the bill and on vote, the amendment failed to pass. At the conclusion of the discussion, Senator Dannelly's motion for a "favorable" report was approved by the committee.

H.B. 248 - Graduated Drivers License

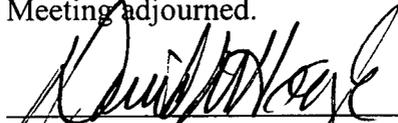

This bill is identical to S.B.149 and Representative Clary was recognized to explain her H.B. 248. Copy of Bill, Senate Committee Substitute, Explanation, Information on the Bill, S.B.149 and Fiscal Note for S.B. 149 included in the minutes. Senator Cooper was recognized for a motion that the senate substitute for H.B. 248 be adopted and the motion carried. Senator Cooper was then recognized to explain the differences in the two bills. At the conclusion of Senator Cooper's explanation, there was a general discussion of this bill with questions from the committee members to both bill sponsors and staff.

Ms. Ruth Sappie, Legislative Liaison for DOT, and Mr. Tony Spence, Assistant Director of the Drivers License Section of DMV, were recognized to answer questions from the committee members. At the conclusion of this general discussion, Senator Kerr announced that this bill would not be voted on today as there were several concerns that needed to be addressed.

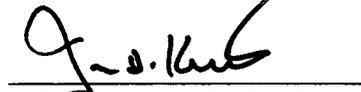

Senator Kerr introduced Jeremiah Newman, page, who had asked to speak to the committee. Mr. Newman voiced his support of this bill and stated that he had been involved in a wreck only 5 days after he had received his license in the State of Texas. He told the committee that he felt that 17 would be an adequate age for teenagers to receive licenses.

Senator Cooper told the committee that he had recently addressed a youth group at church who had suggested that he pick on somebody who could vote.

Meeting adjourned.

David W. Hoyle, Co-Chair
Senate Finance Committee

John H. Kerr, III, Co-Chair
Senate Finance Committee

Penny N. Williams, Clerk

Evelyn S. Hartsell, Clerk

GENERAL ASSEMBLY OF NORTH CAROLINA

SESSION 1997

S

1

SENATE BILL 262*

Short Title: Huntersville Annexation Agreement.

(Local)

Sponsors: Senator Odom.

Referred to: Finance.

February 27, 1997

- 1 A BILL TO BE ENTITLED
2 AN ACT TO AUTHORIZE THE TOWN OF HUNTERSVILLE TO ENTER INTO
3 AN AGREEMENT FOR PAYMENTS IN LIEU OF ANNEXATION.
4 The General Assembly of North Carolina enacts:
5 Section 1. Notwithstanding any applicable provision of the General
6 Statutes or any other public or local law, the Town of Huntersville is granted certain
7 contract powers as follows:
8 (1) The Town of Huntersville may, by agreement, provide that certain
9 property described in the agreement as the "McGuire Nuclear
10 Station Property" may not be involuntarily annexed by the Town
11 prior to December 31, 2027, under the General Statutes as they
12 now exist or may be subsequently amended. The Town of
13 Huntersville shall not seek to repeal this act upon its approval by
14 the General Assembly. Nothing in this act impairs the right of the
15 General Assembly to annex any such property by special local act.
16 (2) Any agreement entered into as provided in subdivision (1) of this
17 section is specifically determined to be consistent with the public
18 policy of the State of North Carolina.
19 (3) Any agreement entered into as provided in subdivision (1) of this
20 section is a continuing agreement and is binding on and
21 enforceable against the current and future members of the Board
22 of Commissioners of the Town of Huntersville during the full term
23 of such agreement and any extension thereof.

**PRINCIPAL DEPARTMENT(S) &
PROGRAM(S) AFFECTED:** Huntersville Property Tax Collections

EFFECTIVE DATE: Upon Ratification

BILL SUMMARY: Through local act the town of Huntersville and Duke Power, the owner of the McGuire Nuclear Station, agree that the nuclear station property may not be involuntarily annexed by Huntersville before December 31, 2027. The town is allowed to accept certain payments in lieu of taxes.

ASSUMPTIONS AND METHODOLOGY:

According to the Agreement for Payment in Lieu of Taxes dated the third day of October 1996; both parties agreed that the tax equivalent payments made by Duke Power to the town of Huntersville shall be made on or before the 30th day of June, beginning in 1996 and extending for thirty consecutive calendar year. The payment is a fixed amount equal to \$333,333.

SENATE BILL 198

Short Title: Henderson Co. Annexation Agreements.

(Local)

Sponsors: Senators Jenkins; and Carpenter.

Referred to: State Government, Local Government, and Personnel.

February 20, 1997

- 1 A BILL TO BE ENTITLED
2 AN ACT TO AUTHORIZE THE CITY OF HENDERSONVILLE AND THE
3 TOWN OF LAUREL PARK TO ENTER INTO ANNEXATION AND
4 PAYMENT IN LIEU OF TAX AGREEMENTS WITH THE OWNERS OF
5 CERTAIN CLASSES OF MANUFACTURING PROPERTIES.
6 The General Assembly of North Carolina enacts:
7 Section 1. A city may, by written agreement approved by the governing
8 board, provide that certain manufacturing industrial property described in the
9 agreement may not be annexed by the city under Part 2 or 3 of Article 4A of Chapter
10 160A of the General Statutes for a period not to exceed 20 years from the effective
11 date of the agreement.
12 Section 2. The consideration flowing to the city under an agreement
13 authorized by Section 1 of this act shall be annual payments in lieu of taxes. The
14 payments shall be negotiated by the city and the industry involved. Consideration
15 may be given to the economic benefits to the city that are derived from said industry,
16 the number of employees, and the potential for future growth and expansion.
17 Section 3. Nothing in this act impairs the right of the General Assembly
18 to annex any property by specific local act.
19 Section 4. This act applies only to the City of Hendersonville and the
20 Town of Laurel Park.
21 Section 5. This act is effective when it becomes law.

SENATE BILL 388

Short Title: No Back Intangibles Tax Assessment.

(Public)

Sponsors: Senators Hoyle, Kerr; and Foxx.

Referred to: Finance.

March 13, 1997

1 A BILL TO BE ENTITLED
2 AN ACT TO PROHIBIT THE ASSESSMENT OF INTANGIBLES TAX FROM
3 TAXPAYERS WHO BENEFITED FROM THE TAXABLE PERCENTAGE
4 DEDUCTION IN THE FORMER INTANGIBLES TAX STATUTE.

5 Whereas, former G.S. 105-203 (repealed) imposed an intangibles tax on
6 shares of stock and provided a taxable percentage deduction reducing a taxpayer's
7 liability for this tax in proportion to the issuing company's income taxed in North
8 Carolina; and

9 Whereas, the United States Supreme Court in "Fulton Corporation v.
10 Faulkner" held the taxable percentage deduction to discriminate against interstate
11 commerce in violation of the United States Constitution and remanded the case to
12 the Supreme Court of North Carolina to address the remedy appropriate to redress
13 the constitutional violation; and

14 Whereas, the Supreme Court of North Carolina in "Fulton Corporation
15 v. Faulkner" (on remand) held that the taxable percentage deduction was severable
16 from former G.S. 105-203, thereby exposing all taxpayers to liability for taxation
17 under G.S. 105-203, including those who were not required to pay the tax on shares
18 of stock, in whole or in part, by virtue of the taxable percentage deduction; and

19 Whereas, the Secretary of Revenue has been advised by the Attorney
20 General that the Supreme Court of North Carolina's decision requires assessment and
21 collection of intangibles tax from taxpayers who received the benefit of the taxable
22 percentage deductions in former G.S. 105-203, unless the General Assembly directs
23 otherwise; and

2 Corporation v. Faulkner" (on remand) that "[w]hether to enforce the tax as to all
3 shareholders is within the province of the General Assembly"; Now, therefore,

4 The General Assembly of North Carolina enacts:

5 Section 1. The Secretary of Revenue shall take no action to assess or
6 collect intangibles tax from any taxpayer for liability arising solely from the taxpayer's
7 use of the taxable percentage deductions in former G.S. 105-203 (repealed) for one or

EXPLANATION OF SENATE BILL 388
No Back Intangibles Tax Assessment

TO: Senate Finance Committee
FROM: Sabra Faires, Committee Counsel
DATE: March 19, 1997
SPONSOR: Senator John Kerr

Senate Bill 388 directs the Secretary of Revenue to take no action to collect or assess back intangibles tax for tax years 1990 through 1994. The Secretary is preparing to take this action upon the advice of the Attorney General's Office on the effect of the decision of the North Carolina Supreme Court in the Fulton case.

The Fulton case held that the taxable percentage deduction in the North Carolina intangible tax on stock violated the commerce clause by discriminating against out-of-state companies. The deduction reduced a taxpayer's liability for the tax in proportion to the amount of business the corporation did in North Carolina.

The court decision did not order refunds. Instead, it allowed the possibility of curing the past discrimination by the assessment of intangibles tax on those who did not pay in reliance on the unconstitutional taxable percentage deduction. This bill forecloses the possibility of assessments on those who relied on the taxable percentage deduction.

The Fulton case is still active. A petition for rehearing at the North Carolina Supreme Court was filed last Friday, March 15.

**NORTH CAROLINA GENERAL ASSEMBLY

REVENUES

EXPENDITURES

POSITIONS:

**PRINCIPAL DEPARTMENT(S) &
PROGRAM(S) AFFECTED:** Department of Revenue.

EFFECTIVE DATE: When the bill becomes law.

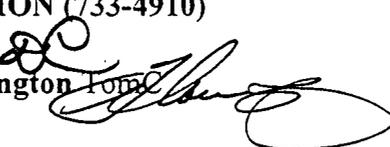

BILL SUMMARY: Directs the Secretary of Revenue to not assess or collect intangibles tax from any taxpayer for liability arising solely from the taxpayer's use of the exemption for North Carolina shares of stock during the 1990-94 tax years.

ASSUMPTIONS AND METHODOLOGY:

The potential for the Department to assess and collect the tax resulted from the recent **Fulton** case. A couple of years ago the Department of Revenue estimated that eliminating the exemption for N.C. shares of stock would generate \$55-75 million annually, assuming that the Department could collect all of the tax. The 1995 General Assembly repealed the tax so the issue was moot until the **Fulton** decision. As a practical matter it would be difficult for the Department of Revenue to discover and value taxable shares in closely-held corporations because there is no public information on these holdings. Therefore, we are unable to develop a reliable estimate of the fiscal impact of this bill.

Referred to:

February 17, 1997

1 A BILL TO BE ENTITLED
2 AN ACT TO IMPLEMENT GRADUATED DRIVERS LICENSES.

3 The General Assembly of North Carolina enacts:

4 Section 1. G.S. 20-11 reads as rewritten:

5 "§ 20-11. Application of minors. Issuance of limited learner's permit and provisional
6 drivers license to person who is less than 18 years old.

7 ~~(a) The Division shall not grant the application of any minor between the ages of~~
8 ~~16 and 18 years for a driver's license or a learner's permit unless such application is~~
9 ~~signed both by the applicant and by the parent, guardian, husband, wife or employer~~
10 ~~of the applicant, or, if the applicant has no parent, guardian, husband, wife or~~
11 ~~employer residing in this State, by some other responsible adult person. It shall be~~
12 ~~unlawful for any person to sign the application of a minor under the provisions of~~
13 ~~this section when such application misstates the age of the minor and any person~~
14 ~~knowingly violating this provision shall be guilty of a Class 2 misdemeanor.~~

15 ~~The Division shall not grant the application of any minor between the ages of 16~~
16 ~~and 18 years for a driver's license unless such minor presents evidence of having~~
17 ~~satisfactorily completed the driver training and safety education courses offered at the~~
18 ~~public high schools as provided in G.S. 20-88.1 or upon having satisfactorily~~
19 ~~completed a course of driving instruction offered at a licensed commercial driver~~
20 ~~training school or an approved nonpublic secondary school, provided instruction~~
21 ~~offered in such schools shall be approved by the State Commissioner of Motor~~

~~1 Vehicles and the State Superintendent of Public Instruction and all expenses for such
2 instruction shall be paid by the persons enrolling in such courses and/or by the
3 schools offering them.~~

~~4 (b) The Division may issue a limited learner's permit to a minor who is at least 15
5 years old but is less than 16 years old and who otherwise meets the requirements of
6 this section. An application for a limited learner's permit must be signed by both the
7 applicant and the applicant's parent or guardian or some other responsible adult with
8 whom the applicant resides and who is approved by the Division. A limited learner's
9 permit authorizes the permit holder to drive a specified type or class of motor vehicle
10 while in possession of the permit and accompanied by a parent, guardian, or other
11 person approved by the Division who is licensed to operate the motor vehicle being
12 driven and is seated beside the permit holder. A limited learner's permit is valid for
13 a period of 18 months. The fee for a limited learner's permit is ten dollars (\$10.00).
14 In the event a minor who holds a limited learner's permit drives a motor vehicle in
15 violation of law, the permit shall be canceled.~~

~~16 A driver who holds a limited learner's permit only shall not be deemed a licensed
17 driver for the purpose of determining the inexperienced operator premium surcharge
18 under automobile insurance policies.~~

~~19 (e) The Division may, upon satisfactory proof that a minor between the ages of 16
20 and 18 years has become a resident of North Carolina and holds a valid motor
21 vehicle driver's drivers license from his prior state of residence but has not completed
22 a course in driver education which meets the requirements of this State, grant to such
23 minor a temporary driver's permit under such terms and conditions as shall be
24 deemed necessary by the Division to allow the minor to operate a motor vehicle of a
25 specified type or class in this State in order to obtain the driver education courses
26 necessary for license in North Carolina. Every application for a temporary driver's
27 permit shall be made upon the approved form furnished by the Division. A
28 temporary driver's permit issued pursuant to this section shall be subject to all
29 provisions of law relating to a driver's license.~~

~~30 (a) Process. -- Safe driving requires instruction in driving and experience. To
31 ensure that a person who is less than 18 years old has both instruction and experience
32 before obtaining a drivers license, driving privileges are granted first on a limited
33 basis and are then expanded in accordance with the following process:~~

- ~~34 (1) Level 1: Driving with a limited learner's permit.
35 (2) Level 2: Driving with a limited provisional license.
36 (3) Level 3: Driving with a full provisional license.~~

~~37 The permits and licenses will bear a distinctive color photographic background or
38 border indicating the level of driving experience of the permit holder or licensee.~~

~~39 (b) Level 1. -- A person who is at least 15 years old but less than 18 years old may
40 obtain a limited learner's permit if the person meets all of the following
41 requirements:~~

- ~~42 (1) Passes a course of driver education prescribed in G.S. 20-88.1 or a
43 course of driver instruction at a licensed commercial driver
44 training school.~~

- 1 (2) Passes a written test administered by the Division.
- 2 (c) Level 1 Restrictions. -- A limited learner's permit authorizes the permit holder
3 to drive a specified type or class of motor vehicle only under the following
4 conditions:
- 5 (1) The holder of the permit must be in possession of the permit.
6 (2) A supervising driver must be seated beside the permit holder in
7 the front seat of the vehicle when it is in motion. No person other
8 than the supervising driver can be in the front seat.
9 (3) For the first six months after issuance, the permit holder may drive
10 only between the hours of 5:00 a.m. and 10:00 p.m.
11 (4) After the first six months after issuance, the permit holder may
12 drive at any time.
13 (5) Every person occupying the vehicle being driven by the permit
14 holder must have a safety belt properly fastened about his or her
15 body, or be restrained by a child passenger restraint system as
16 provided in G.S. 20-137.1(a), when the vehicle is in motion.
- 17 (d) Level 2. -- A person who is at least 16 years old but less than 18 years old may
18 obtain a limited provisional license if the person meets all of the following
19 requirements:
- 20 (1) Has held a limited learner's permit issued by the Division for at
21 least 12 months.
22 (2) Has not been convicted of a motor vehicle moving violation or seat
23 belt infraction during the preceding 12 months.
24 (3) Passes a road test administered by the Division.
- 25 (e) Level 2 Restrictions. -- A limited provisional license authorizes the license
26 holder to drive a specified type or class of motor vehicle only under the following
27 conditions:
- 28 (1) The license holder must be in possession of the license.
29 (2) The license holder may drive without supervision from 5:00 a.m. to
30 10:00 p.m. and when driving to or from work.
31 (3) The license holder may drive with supervision at any time. When
32 the license holder is driving with supervision, the supervising
33 driver must be seated beside the license holder in the front seat of
34 the vehicle when it is in motion. The supervising driver need not
35 be the only other occupant of the front seat, but must be the
36 person seated next to the license holder.
37 (4) Every person occupying the vehicle being driven by the license
38 holder must have a safety belt properly fastened about his or her
39 body, or be restrained by a child passenger restraint system as
40 provided in G.S. 20-137.1(a), when the vehicle is in motion.
- 41 (f) Level 3. -- A person who is at least 16 years old but less than 18 years old may
42 obtain a full provisional license if the person meets all of the following requirements:
43 (1) Has held a limited provisional license issued by the Division for at
44 least six months.

1 (2) Has not been convicted of a motor vehicle moving violation or seat
2 belt infraction during the preceding six months.

3 A person who meets these requirements may obtain a full provisional license by mail.

4 (g) Level 3 Restrictions. -- The restrictions on Level 1 and Level 2 drivers
5 concerning time of driving, supervision, and passenger limitations do not apply to a
6 full provisional license.

7 (h) Out-of-State Exceptions. -- A person who is at least 16 years old but less than
8 18 years old, who was a resident of another state and has an unrestricted drivers
9 license issued by that state, and who becomes a resident of this State may obtain one
10 of the following:

11 (1) A temporary permit, if the person has not completed a drivers
12 education program that meets the requirements of the State
13 Superintendent of Public Instruction but is currently enrolled in a
14 drivers education program that meets these requirements. A
15 temporary permit is valid for the period specified in the permit.
16 The period must end within 10 days after the expected completion
17 date of the drivers education program in which the applicant is
18 enrolled.

19 (2) A full provisional license, if the person has completed a drivers
20 education program that meets the requirements of the State
21 Superintendent of Public Instruction, has held the license issued by
22 the other state for at least 12 months, and has not been convicted
23 of an offense for which points are assessed under G.S. 20-16 during
24 the preceding 12 months.

25 (3) A limited provisional license, if the person has completed a drivers
26 education program that meets the requirements of the State
27 Superintendent of Public Instruction, but either did not hold the
28 license issued by the other state for at least 12 months or was
29 convicted of an offense for which points are assessed under G.S.
30 20-16 during the preceding 12 months.

31 (i) Application. -- An application for a permit or license authorized by this section
32 must be signed by both the applicant and by the applicant's parent or guardian or, if
33 a parent or guardian is not available, by an adult approved by the Division.

34 (j) Duration and Fee. -- A limited learner's permit expires on the eighteenth
35 birthday of the permit holder. A limited provisional license expires on the eighteenth
36 birthday of the license holder. A full provisional license expires on the date set under
37 G.S. 20-7(f). The fee for a permit or license issued under this section is ten dollars
38 (\$10.00).

39 (k) Supervising Driver. -- The supervising driver must be the parent or guardian
40 of the permit holder or the license holder or, if a parent or guardian is not available,
41 an adult approved by the Division. The supervising driver must be a licensed driver
42 who has been licensed to drive for at least five years.

1 (1) Insurance Status. -- The holder of a limited learner's permit is not considered a
2 licensed driver for the purpose of determining the inexperienced operator premium
3 surcharge under automobile insurance policies."

4 Section 2. G.S. 20-135.2A(a) reads as rewritten:

5 "(a) Each front seat occupant who is 16 years of age or older and each driver of a
6 passenger motor vehicle manufactured with seat safety belts in compliance with
7 Federal Motor Vehicle Safety Standard No. 208 shall have such a safety belt properly
8 fastened about his body at all times when the vehicle is in forward motion on a street
9 or highway in this State. Each driver of a passenger motor vehicle manufactured with
10 seat safety belts in compliance with Federal Motor Vehicle Safety Standard No. 208,
11 who is transporting in the front seat a person who is (1) under 16 years of age and (2)
12 not required to be restrained in accordance with G.S. 20-137.1, shall have the person
13 secured by such a safety belt at all times when the vehicle is operated in forward
14 motion on a street or highway in this State. Persons required to be restrained in
15 accordance with ~~G.S. 20-137.1~~ G.S. 20-11 and G.S. 20-137.1 shall be secured as
16 required by ~~that section.~~ those sections."

17 Section 3. G.S. 20-88.1(a) reads as rewritten:

18 "(a) In accordance with criteria and standards approved by the State Board of
19 Education, the State Superintendent of Public Instruction shall organize and
20 administer a program of driver education to be offered at the public high schools of
21 this State for all physically and mentally qualified persons who (i) are older than 14
22 years and six months, (ii) are approved by the principal of the school, pursuant to
23 rules adopted by the State Board of Education, (iii) are enrolled in a public or
24 private high school within the State, and (iv) have not previously enrolled in the
25 program. The State Board of Education shall use for such purpose all funds
26 appropriated to it for said purpose, and may use all other funds that become available
27 for its use for said purpose. ~~The~~

28 The driver education program established pursuant to this section shall include
29 instructions the following:

30 (1) Instruction on the rights and privileges of the handicapped and the
31 signs and symbols used to assist the handicapped relative to motor
32 vehicles, including the "international symbol of accessibility" and
33 other symbols and devices as provided in Article 2A of this
34 Chapter. ~~In addition, this program shall include at~~

35 (2) At least six hours of instruction on the offense of driving while
36 impaired and related subjects.

37 (3) At least six hours of actual driving experience."

38 Section 4. G.S. 20-322(b) reads as rewritten:

39 "(b) Regulations adopted by the Commissioner shall state the requirements for a
40 school license, including requirements concerning location, equipment, courses of
41 instruction, instructors, financial statements, schedule of fees and charges, character
42 and reputation of the operators, insurance, bond or other security in such sum and
43 with such provisions as the Commissioner deems necessary to protect adequately the
44 interests of the public, and such other matters as the Commissioner may prescribe.

1 All driver training and safety education courses and courses of driving instruction
2 must include at least six hours of actual driving experience."

3 Section 5. G.S. 20-7(a1) reads as rewritten:

4 "(a1) Motorcycles and Mopeds. -- To drive a motorcycle, a person must have a
5 either a full provisional license issued under G.S. 20-11 or a regular drivers license
6 issued under this section and a motorcycle endorsement. To obtain a motorcycle
7 endorsement, a person must demonstrate competence to drive a motorcycle by
8 passing a road test and a written or oral test concerning a motorcycle and must pay
9 the fee for a motorcycle endorsement. Neither a drivers license nor a motorcycle
10 endorsement is required to drive a moped."

11 Section 6. This act does not appropriate funds to the Division to
12 implement this act nor does it obligate the General Assembly to appropriate funds to
13 implement this act.

14 Section 7. This act becomes effective December 1, 1997, if the General
15 Assembly appropriates the necessary funds from the Highway Fund to the
16 Department of Transportation, Division of Motor Vehicles, to administer the
17 provisional license program. The act does not apply to any person who holds a valid
18 North Carolina limited learner's permit issued before the effective date of this act, a
19 valid North Carolina learner's permit issued before the effective date of this act, or
20 who is a provisional licensee holding a valid North Carolina drivers license issued
21 before the effective date of this act.

EXPLANATION OF HOUSE BILL 248:
Graduated Drivers Licenses
Proposed Senate Finance Committee Substitute

TO: Senate Finance Committee
FROM: Sabra Faires, Committee Counsel
DATE: March 19, 1997
SPONSOR: Representative Clary

House Bill 248 is a companion to Senate Bill 149, introduced by Senator Cooper. It changes the way in which drivers licenses are issued to persons under 18 years of age. The bill is a recommendation of the Child Fatality Task Force. The Task Force found that safe driving requires instruction in driving and experience. To ensure that a person who is less than 18 years of age has both instruction and experience before obtaining a drivers license, the bill provides that driving privileges would be granted on a graduated basis as follows:

- 1) Driving for at least 12 months with a limited learners permit.
- 2) Driving for at least 6 months with a limited provisional license.
- 3) Driving until the age of 18 with a provisional license.

The act becomes effective December 1, 1997, but will not apply to persons who have a valid limited learner's permit, learner's permit, or provisional drivers license (16-18 years old) prior to the effective date.

Under present law, a person who is at least 15 years of age may be granted a limited learner's permit if the person has completed a driver's education program. A person who is at least 16 years of age may be granted a learner's permit without the necessity of completing a driver's education program. The holder of a limited learner's permit and a learner's permit may only drive when accompanied by a parent, guardian, or other person approved by the Division of Motor Vehicles who is licensed to operate the motor vehicle. That person must be seated beside the permit holder. A person who is at least 16 years of age, but less than 18 years of age, may obtain a drivers license if the person has completed a driver's education program. A person between the ages of 16 and 18 years old who holds a driver's license (known as a provisional licensee), is not subject to any supervision restrictions.

House Bill 248 would change the current law in the following ways:

- 1) It would require driver education programs to include at least six hours of actual driving experience.
- 2) It would require all licensed drivers under the age of 18 to drive under a limited learner's permit for at least 12 months.
- 3) It would place the following restrictions on a driver with a limited learner's permit:
 - Supervised driving between the hours of 5:00 am and 9:00 pm for the first six months.
 - Supervised driving at any time following the first six months.

- The supervisor must be a parent, guardian, or other person approved by the Division has been licensed to drive for at least five years.
 - The supervisor may be the only other person in the front seat of the vehicle.
 - All passengers must be wearing a seat belt.
- 4) It would provide a new level of license known as a limited provisional license. To obtain a limited provisional license, a person must have possessed a Level 1 limited learner's permit for at least 12 months with no moving violations or seat belt violations. It would place the following restrictions on a driver with a limited provisional license:
- May drive unsupervised from 5:00 am until 9:00 pm, when going to and coming from work, and when going to and from volunteer fire and rescue activities.
 - May drive under supervision at any time. The supervisor must sit next to the driver, but the supervisor need not be the only other occupant of the front seat.
 - All passengers must be wearing a seat belt.
- 5) The third level, known as a full provisional license, would be comparable to a provisional license under current law. To obtain a full provisional license, a person must have possessed a Level 2 limited provisional license for a period of at least 6 months with no moving violations or seat belt infractions. A full provisional licensee may drive unsupervised at any time.
- 6) It would give the Division of Motor Vehicles three choices when a person between the ages of 16 and 18 years of age, who becomes a resident of North Carolina and holds a valid unrestricted drivers license from the prior state of residence, applies for a North Carolina drivers license. Under current law, if that driver has not completed a course in driver education which meets the requirements of this State, the Division may grant a temporary driver's permit under terms and conditions deemed necessary to allow the minor to operate a motor vehicle in order to obtain the driver education courses necessary for a North Carolina provisional license. Under the changes made by this bill, DMV would be able to do one of three things:
- It may issue a temporary driver's permit to allow the driver to obtain the driver education. This option is the same as the current law.
 - It may issue a graduated license appropriate to the driver's age and experience as provided by G.S. 20-11.
 - It may issue an unrestricted drivers license if the person has possessed a valid unrestricted drivers license in his previous state for the 12 month period immediately preceding the date of application and has not been convicted of a traffic violation for which points might be assessed under the Uniform Driver's License Act.
- 7) The fee for obtaining a limited provisional license is \$10.00. The fee for obtaining a full provisional license is the same as current law. Under current law, there is only one license to obtain and the cost for obtaining it is \$2.50 for each year.
- 8) It authorizes the Division of Motor Vehicles to issue a motorcycle learner's permit and restricts those who have this permit from driving a motorcycle with passengers.

7 permit and provisional drivers license to person who is less than
8 18 years old.
9 ~~(a) The Division shall not grant the application of any minor~~
10 ~~between the ages of 16 and 18 years for a driver's license or a~~
11 ~~learner's permit unless such application is signed both by the~~
12 ~~applicant and by the parent, guardian, husband, wife or employer~~
13 ~~of the applicant, or, if the applicant has no parent, guardian,~~
14 ~~husband, wife or employer residing in this State, by some other~~
15 ~~responsible adult person. It shall be unlawful for any person to~~
16 ~~sign the application of a minor under the provisions of this~~
17 ~~section when such application misstates the age of the minor and~~
18 ~~any person knowingly violating this provision shall be guilty of~~
19 ~~a Class 2 misdemeanor.~~

~~1 The Division shall not grant the application of any minor
2 between the ages of 16 and 18 years for a driver's license unless
3 such minor presents evidence of having satisfactorily completed
4 the driver training and safety education courses offered at the
5 public high schools as provided in G.S. 20-88.1 or upon having
6 satisfactorily completed a course of driving instruction offered
7 at a licensed commercial driver training school or an approved
8 nonpublic secondary school, provided instruction offered in such
9 schools shall be approved by the State Commissioner of Motor
10 Vehicles and the State Superintendent of Public Instruction and
11 all expenses for such instruction shall be paid by the persons
12 enrolling in such courses and/or by the schools offering them.~~

~~13 (b) The Division may issue a limited learner's permit to a
14 minor who is at least 15 years old but is less than 16 years old
15 and who otherwise meets the requirements of this section. An
16 application for a limited learner's permit must be signed by both
17 the applicant and the applicant's parent or guardian or some
18 other responsible adult with whom the applicant resides and who
19 is approved by the Division. A limited learner's permit
20 authorizes the permit holder to drive a specified type or class
21 of motor vehicle while in possession of the permit and
22 accompanied by a parent, guardian, or other person approved by
23 the Division who is licensed to operate the motor vehicle being
24 driven and is seated beside the permit holder. A limited
25 learner's permit is valid for a period of 18 months. The fee for
26 a limited learner's permit is ten dollars (\$10.00). In the event
27 a minor who holds a limited learner's permit drives a motor
28 vehicle in violation of law, the permit shall be canceled. A
29 driver who holds a limited learner's permit only shall not be
30 deemed a licensed driver for the purpose of determining the
31 inexperienced operator premium surcharge under automobile
32 insurance policies.~~

~~33 (c) The Division may, upon satisfactory proof that a minor
34 between the ages of 16 and 18 years has become a resident of
35 North Carolina and holds a valid motor vehicle driver's drivers
36 license from his prior state of residence but has not completed a
37 course in driver education which meets the requirements of this
38 State, grant to such minor a temporary driver's permit under such
39 terms and conditions as shall be deemed necessary by the Division
40 to allow the minor to operate a motor vehicle of a specified type
41 or class in this State in order to obtain the driver education
42 courses necessary for license in North Carolina. Every
43 application for a temporary driver's permit shall be made upon
44 the approved form furnished by the Division. A temporary~~

~~1 driver's permit issued pursuant to this section shall be subject
2 to all provisions of law relating to a driver's license.~~

3 (a) Process. -- Safe driving requires instruction in driving
4 and experience. To ensure that a person who is less than 18
5 years old has both instruction and experience before obtaining a
6 drivers license, driving privileges are granted first on a
7 limited basis and are then expanded in accordance with the
8 following process:

9 (1) Level 1. -- Driving with a limited learner's
10 permit.

11 (2) Level 2. -- Driving with a limited provisional
12 license.

13 (3) Level 3. -- Driving with a full provisional
14 license.

15 The permits and licenses must bear a distinctive color
16 photographic background or border indicating the level of
17 driving experience of the permit holder or license holder.

18 (b) Level 1. -- A person who is at least 15 years old but less
19 than 18 years old may obtain a limited learner's permit if the
20 person meets all of the following requirements:

21 (1) Passes a course of driver education prescribed in
22 G.S. 20-88.1 or a course of driver instruction at a
23 licensed commercial driver training school.

24 (2) Passes a written test administered by the Division.

25 (c) Level 1 Restrictions. -- A limited learner's permit
26 authorizes the permit holder to drive a specified type or class
27 of motor vehicle only under the following conditions:

28 (1) The permit holder must be in possession of the
29 permit.

30 (2) A supervising driver must be seated beside the
31 permit holder in the front seat of the vehicle when
32 it is in motion. No person other than the
33 supervising driver can be in the front seat.

34 (3) For the first six months after issuance, the permit
35 holder may drive only between the hours of 5:00
36 a.m. and 9:00 p.m.

37 (4) After the first six months after issuance, the
38 permit holder may drive at any time.

39 (5) Every person occupying the vehicle being driven by
40 the permit holder must have a safety belt properly
41 fastened about his or her body, or be restrained by
42 a child passenger restraint system as provided in
43 G.S. 20-137.1(a), when the vehicle is in motion.

1 (d) Level 2. -- A person who is at least 16 years old but less
2 than 18 years old may obtain a limited provisional license if the
3 person meets all of the following requirements:

4 (1) Has held a limited learner's permit issued by the
5 Division for at least 12 months.

6 (2) Has not been convicted of a motor vehicle moving
7 violation or seat belt infraction during the
8 preceding 12 months.

9 (3) Passes a road test administered by the Division.

10 (e) Level 2 Restrictions. -- A limited provisional license
11 authorizes the license holder to drive a specified type or class
12 of motor vehicle only under the following conditions:

13 (1) The license holder must be in possession of the
14 license.

15 (2) The license holder may drive without supervision in
16 any of the following circumstances:

17 a. From 5:00 a.m. to 9:00 p.m.

18 b. When driving to or from work.

19 c. When driving to or from an activity of a
20 volunteer fire department, rescue squad, or
21 emergency medical service, if the driver is a
22 member of the organization ~~and is driving in~~
23 ~~the course and scope of duty.~~

24 (3) The license holder may drive with supervision at
25 any time. When the license holder is driving with
26 supervision, the supervising driver must be seated
27 beside the license holder in the front seat of the
28 vehicle when it is in motion. The supervising
29 driver need not be the only other occupant of the
30 front seat, but must be the person seated next to
31 the license holder.

32 (4) Every person occupying the vehicle being driven by
33 the license holder must have a safety belt properly
34 fastened about his or her body, or be restrained by
35 a child passenger restraint system as provided in
36 G.S. 20-137.1(a), when the vehicle is in motion.

37 (f) Level 3. -- A person who is at least 16 years old but less
38 than 18 years old may obtain a full provisional license if the
39 person meets all of the following requirements:

40 (1) Has held a limited provisional license issued by
41 the Division for at least six months.

42 (2) Has not been convicted of a motor vehicle moving
43 violation or seat belt infraction during the
44 preceding six months.

1 A person who meets these requirements may obtain a full
2 provisional license by mail.

3 (g) Level 3 Restrictions. -- The restrictions on Level 1 and
4 Level 2 drivers concerning time of driving, supervision, and
5 passenger limitations do not apply to a full provisional license.

6 (h) Out-of-State Exceptions. -- A person who is at least 16
7 years old but less than 18 years old, who was a resident of
8 another state and has an unrestricted drivers license issued by
9 that state, and who becomes a resident of this State may obtain
10 one of the following:

11 (1) A temporary permit, if the person has not completed
12 a drivers education program that meets the
13 requirements of the Superintendent of Public
14 Instruction but is currently enrolled in a drivers
15 education program that meets these requirements. A
16 temporary permit is valid for the period specified
17 in the permit and authorizes the holder of the
18 permit to drive a specified type or class of motor
19 vehicle when in possession of the permit, subject
20 to any restrictions imposed by the Division
21 concerning time of driving, supervision, and
22 passenger limitations. The period must end within
23 10 days after the expected completion date of the
24 drivers education program in which the applicant is
25 enrolled.

26 (2) A full provisional license, if the person has
27 completed a drivers education program that meets
28 the requirements of the Superintendent of Public
29 Instruction, has held the license issued by the
30 other state for at least 12 months, and has not
31 been convicted during the preceding 12 months of a
32 motor vehicle moving violation, a seat belt
33 infraction, or an offense committed in another
34 jurisdiction that would be a motor vehicle moving
35 violation or seat belt infraction if committed in
36 this State.

37 (3) A limited provisional license, if the person has
38 completed a drivers education program that meets
39 the requirements of the Superintendent of Public
40 Instruction but either did not hold the license
41 issued by the other state for at least 12 months or
42 was convicted during the preceding 12 months of a
43 motor vehicle moving violation, a seat belt
44 infraction, or an offense committed in another

1 jurisdiction that would be a motor vehicle moving
2 violation or seat belt infraction if committed in
3 this State.

4 (i) Application. -- An application for a permit or license
5 authorized by this section must be signed by both the applicant
6 and another person. That person must be the applicant's parent
7 or guardian if the parent or guardian is available. If the
8 applicant's parent or guardian is not available, that person must
9 be an adult approved by the Division.

10 (j) Duration and Fee. -- A limited learner's permit expires on
11 the eighteenth birthday of the permit holder. A limited
12 provisional license expires on the eighteenth birthday of the
13 license holder. A full provisional license expires on the date
14 set under G.S. 20-7(f). The fee for a limited learner's permit
15 or a limited provisional license is ten dollars (\$10.00). The
16 fee for a full provisional license is the amount set under G.S.
17 20-7(i).

18 (k) Supervising Driver. -- A supervising driver must be a
19 parent or guardian of the permit holder or license holder if a
20 parent or guardian signed the application for the permit or
21 license. If a parent or guardian did not sign the application,
22 the supervising driver must be the adult who signed the
23 application. A supervising driver must be a licensed driver who
24 has been licensed to drive for at least five years.

25 (l) Violations. -- It is unlawful for the holder of a limited
26 learner's permit, a temporary permit, or a limited provisional
27 license to drive a motor vehicle in violation of the restrictions
28 that apply to the permit or license. Failure to comply with a
29 restriction concerning the time of driving or the presence of a
30 supervising driver in the vehicle constitutes operating a motor
31 vehicle without a license. Failure to comply with any other
32 restriction, including seating and passenger limitations, is an
33 infraction punishable by a monetary penalty as provided in G.S.
34 20-176.

35 (m) Insurance Status. -- The holder of a limited learner's
36 permit is not considered a licensed driver for the purpose of
37 determining the inexperienced operator premium surcharge under
38 automobile insurance policies."

39 Section 2. G.S. 20-135.2A(a) reads as rewritten:

40 "(a) Each front seat occupant who is 16 years of age or older
41 and each driver of a passenger motor vehicle manufactured with
42 seat safety belts in compliance with Federal Motor Vehicle Safety
43 Standard No. 208 shall have such a safety belt properly fastened
44 about his body at all times when the vehicle is in forward motion

1 on a street or highway in this State. Each driver of a passenger
2 motor vehicle manufactured with seat safety belts in compliance
3 with Federal Motor Vehicle Safety Standard No. 208, who is
4 transporting in the front seat a person who is (1) under 16 years
5 of age and (2) not required to be restrained in accordance with
6 G.S. 20-137.1, shall have the person secured by such a safety
7 belt at all times when the vehicle is operated in forward motion
8 on a street or highway in this State. Persons required to be
9 restrained in accordance with ~~G.S. 20-137.1~~ G.S. 20-11 and G.S.
10 20-137.1 shall be secured as required by ~~that section,~~ those
11 sections."

12 Section 3. G.S. 20-88.1(a) reads as rewritten:

13 "(a) In accordance with criteria and standards approved by the
14 State Board of Education, the State Superintendent of Public
15 Instruction shall organize and administer a program of driver
16 education to be offered at the public high schools of this State
17 for all physically and mentally qualified persons who (i) are
18 older than 14 years and six months, (ii) are approved by the
19 principal of the school, pursuant to rules adopted by the State
20 Board of Education, (iii) are enrolled in a public or private
21 high school within the State, and (iv) have not previously
22 enrolled in the program. The State Board of Education shall use
23 for such purpose all funds appropriated to it for said purpose,
24 and may use all other funds that become available for its use for
25 said purpose. ~~The~~

26 The driver education program established pursuant to this
27 section shall include instructions the following:

28 (1) Instruction on the rights and privileges of the
29 handicapped and the signs and symbols used to
30 assist the handicapped relative to motor vehicles,
31 including the 'international symbol of
32 accessibility' and other symbols and devices as
33 provided in Article 2A of this Chapter. ~~In~~
34 addition, this program shall include at

35 (2) At least six hours of instruction on the offense of
36 driving while impaired and related subjects.

37 (3) At least six hours of actual driving experience."

38 Section 4. G.S. 20-322(b) reads as rewritten:

39 "(b) Regulations adopted by the Commissioner shall state the
40 requirements for a school license, including requirements
41 concerning location, equipment, courses of instruction,
42 instructors, financial statements, schedule of fees and charges,
43 character and reputation of the operators, insurance, bond or
44 other security in such sum and with such provisions as the

1 Commissioner deems necessary to protect adequately the interests
2 of the public, and such other matters as the Commissioner may
3 prescribe. All driver training and safety education courses and
4 courses of driving instruction must include at least six hours of
5 actual driving experience."

6 Section 5. G.S. 20-7(a1) reads as rewritten:

7 "(a1) Motorcycles and Mopeds. -- To drive a motorcycle, a
8 person must have a motorcycle learner's permit, a full provisional
9 license with a motorcycle endorsement, or a regular drivers
10 license and a motorcycle endorsement. Subsection (a2) of this
11 section sets the requirements for a motorcycle learner's permit.
12 To obtain a motorcycle endorsement, a person must demonstrate
13 competence to drive a motorcycle by passing a road test and a
14 written or oral test concerning a motorcycle and must pay the fee
15 for a motorcycle endorsement. Neither a drivers license nor a
16 motorcycle endorsement is required to drive a moped."

17 Section 6. G.S. 20-7 is amended by adding a new
18 subsection to read:

19 (a2) Motorcycle Learner's Permit. -- The following persons are
20 eligible for a motorcycle learner's permit:

21 (1) A person who is at least 16 years old but less than
22 18 years old and has a limited provisional license
23 or a full provisional license issued by the
24 Division.

25 (2) A person who is at least 18 years old and has a
26 license issued by the Division.

27 To obtain a motorcycle learner's permit, an applicant must pass
28 a vision test, a road sign test, and a written test specified by
29 the Division. A motorcycle learner's permit expires eighteen
30 months after it is issued. The holder of a motorcycle learner's
31 permit may not drive a motorcycle with a passenger. The holder
32 of a motorcycle learner's permit who has a limited provisional
33 license may drive the motorcycle only at a time when the license
34 holder could drive a motor vehicle without supervision under G.S.
35 20-11. The fee for a motorcycle learner's permit is the amount
36 set in G.S. 20-7(1) for a learner's permit.

37 Section 7. This act does not appropriate funds to the
38 Division to implement this act nor does it obligate the General
39 Assembly to appropriate funds to implement this act.

40 Section 8. This act becomes effective December 1, 1997,
41 if the General Assembly appropriates the necessary funds from the
42 Highway Fund to the Department of Transportation, Division of
43 Motor Vehicles, to administer the provisional license program.
44 Sections 1 through 5 of this act do not apply to any person who

1 holds a valid North Carolina limited learner's permit issued
2 before the effective date of this act, who holds a valid North
3 Carolina learner's permit issued before the effective date of
4 this act, or who is a provisional licensee and holds a valid
5 North Carolina drivers license issued before the effective date
6 of this act.

**HOUSE BILL 248
GRADUATED DRIVERS LICENSE
PROPOSED SENATE FINANCE COMMITTEE SUBSTITUTE**

Current Law

Before or after 15 years old:
Take Drivers Ed

15 years old
Get learner's permit

16 years old
Get provisional license

Proposed Law

Before or after 15 years old:
Take Drivers Ed with 6 hours
driving experience

Level 1

15 years old
Complete Drivers Ed,
get limited learner's
permit

Level 2

16 years old
Get limited provisional
license if has had Level
1 permit for 6 months
and no violations

Level 3

16 ½ years old
Get full provisional license
if has had Level 2 license
for six months and no
violations

Graduated Driver Licensing Summary

What is Graduated Driver Licensing?

Graduated Driver Licensing (GDL) is a proposal that recommends all drivers less than age 18 be required to pass through three provisional driving levels demonstrating competency before they achieve full licensure.

It is designed to reduce crash risks for young new drivers by systematically providing them with more practical experience, gained under the safest possible conditions, before allowing them to drive on their own. In a series of three steps, the new driver is permitted to drive in more dangerous situations. With just a few alterations in the present licensing system, GDL will help reduce the number of young driver crashes.

- **Level 1 is a limited learner's permit at age 15 or older.** The novice driver must complete one year of violation-free driving with approved adult supervision to progress to the next level. All must wear seat belts.
- **Level 2 is a limited provisional license.** The young driver must complete six months of violation-free driving to progress to the next level. Unsupervised driving is allowed between 5 a.m. and 9 p.m. (An exemption would allow driving to or from work after 9 p.m.) All people in the vehicle must wear seat belts. Supervised driving allowed at any time.
- **Level 3 is a full provisional license.** Unsupervised driving is allowed at any time, but all people in the vehicle must wear seat belts.

If the driver starts the GDL process at age 15, a full provisional license can be obtained by age 16½.

What is the problem?

- Every year in North Carolina, one out of four 16-year-old drivers is involved in a car crash. The situation is worse than it appears because younger drivers do less driving; their actual risk of crashing per mile driven is greater.

An average of 70 people die every year in North Carolina as result of crashes caused by 16- and 17-year-old drivers. Another 10,650 are injured in these crashes. The yearly cost of these crashes is at least \$175 million.

- Sixteen-year-old drivers are more likely than older drivers to be killed in a crash between 9 p.m. and midnight.
- Nearly one-third of new drivers in North Carolina do not get a learner's permit prior to their 16th birthday. One-quarter get their license within the first month after they turn 16. Young drivers haven't had the time to develop a sense of what kinds of situations are more or less dangerous.

Who supports GDL?

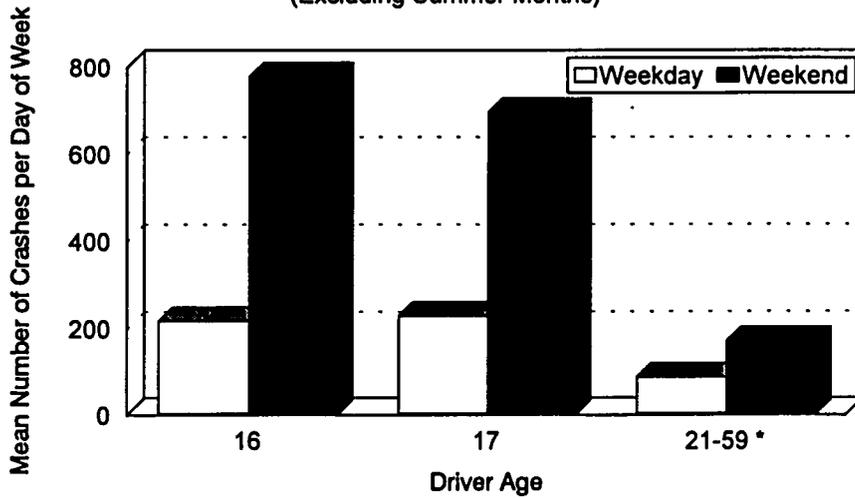

A long list of health agencies, highway safety advocates, law enforcement and parent groups supports GDL. *Seventy-four percent of 500 North Carolina residents surveyed by telephone said they believed North Carolina should change to the GDL system.* There is no known opposition to the proposal.

The Governor's Highway Safety Commission has made GDL the top recommendation in its annual report to the Governor. The Commission, along with the Child Fatality Task Force, the North Carolina Passenger Safety Association and the Governor's Council for Young Adult Drivers, sponsored eight community forums on GDL across the state in December 1996 and January 1997. Not only were North Carolinians educated on the issue, the public—including parents, teenagers and law enforcement—provided valuable input and support for GDL. Most of the parents and teenagers favored GDL once the proposal was explained to them. A handful of teens complained that GDL was "not fair," but most agreed that they had friends who had been in a car wreck. Members of the Governor's Council for Young Adult Drivers made statements at each forum in favor of GDL.

Where does GDL stand now?

Many states are adopting GDL legislation. Florida has GDL in place, and Michigan recently has adopted GDL legislation to take effect this year. The North Carolina House and Senate Bills were introduced in February 1997. The chief House co-sponsors are Rep. Debbie Clary, Rep. Martha Alexander and Rep. Ruth Easterling. The chief Senate co-sponsors are Sen. Roy Cooper and Sen. Austin Allran.

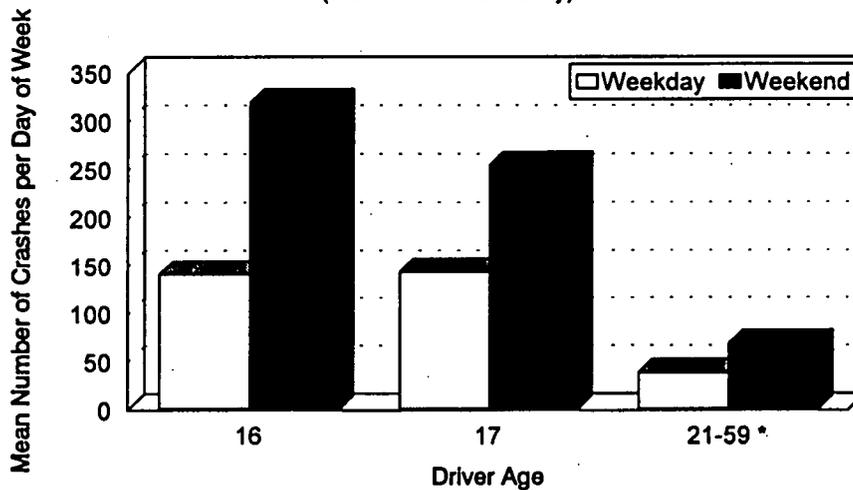

Distribution of Nighttime Crashes (9 - midnight) by Driver Age: Weekend vs. Week night (Excluding Summer Months)

Note: 21-59 Age group is average for all included years of age, to be comparable with 16 & 17 yr. olds

Myths and Facts About Graduated Driver Licensing

Graduated Driver Licensing (GDL) is a different way of introducing young drivers to the complex and potentially deadly task of driving. It is designed to reduce crash risks for young new drivers by systematically providing them with more practical experience, gained under the safest possible conditions, before allowing them to drive completely on their own. Several misunderstandings or Myths about GDL have developed. These are addressed below.

Myth: GDL requires teens to graduate from High School before they can obtain a Driver License.

- Fact.** GDL refers to the fact that new drivers progress or 'graduate' from one licensing stage to the next after they have successfully achieved the goals at each level.

Myth: GDL would mean teenagers can't get their license until they are 18 years old.

- Fact.** Under GDL, new drivers could obtain their license at the same age as with the present system. There would be only one noteworthy difference: for the *first six months* in order to legally drive between 9 pm and 5 am they would have to be accompanied by an adult driver.

Myth: GDL would prevent teenagers from working at night.

- Fact.** GDL would only prevent beginning drivers, mainly those who have just turned 16, from *recreational driving* between 9 pm and 5 am, and this would last *only six months*. And, teens could drive at any time of night when accompanied by an adult driver. Driving to or from work without an adult in the car would also be permitted.

Myth: GDL would punish everybody for mistakes that only some young drivers make.

- Fact.** GDL is designed to support and protect new drivers, not to punish them. It extends the driving privilege in steps, as new drivers demonstrate their competence and responsibility, rather than simply throwing inexperienced, emotionally immature beginners into the complex risky driving environment as is presently done – with all too frequent tragic consequences.

Myth: Alcohol is the main problem for young drivers. How would GDL affect that?

- Fact.** Although alcohol does contribute to teen driver crashes, it is only a minor factor among 16- and 17-year-old drivers. A much greater problem is impulsive, risky driving actions: the failure to make good judgments and decisions.

Myth: GDL is just another government attempt to protect people from themselves.

- Fact.** In fact, young beginning drivers commonly cause crashes in which both their passengers and occupants of other vehicles are hurt or killed. GDL is designed to protect everybody who uses the roadways, not just young drivers.

Myth: Simply improving Driver Education programs would solve the problem of young driver crashes. It isn't necessary to change the licensing system.

- Fact.** Although it can help teach persons how to drive, there is no research evidence to suggest that Driver Education reduces crashes. A drastically revised approach might have some benefit, but such a program would be far more costly than the public seems willing to pay for at present.

Recommended Structure for Graduated Driver Licensing in North Carolina

Level 1 (Limited Learner's Permit)

- Novice driver must be age 15 or older, complete Driver's Education, and obtain Limited Learner's permit.
- For at least 12 months the novice must be supervised when driving by an adult, guardian or other approved, licensed adult.
- All persons in a vehicle driven by a novice must wear a seat belt, and only the supervisor may ride in the front seat with the novice driver.
- The novice must complete 12 consecutive months of violation-free driving in order to progress to the next level of licensure.

Level 2 (Limited Provisional License)

- Unsupervised driving is allowed between 5 a.m. and 9 p.m. (Driving to or from work after 9 p.m. is permitted).
- Supervised driving is allowed at any time.
- Driver must complete six consecutive months of violation-free driving in order to progress to the next level of licensure.
- All persons in vehicle must wear seat belts.
- Driver is subject to all other conditions of Provisional License.

Level 3 (Full Provisional License)

- Unsupervised driving is allowed at any time.
- All persons in vehicle must wear seat belts.
- Driver is subject to all other conditions of Provisional License.

**COMPARISON OF PROPOSED GRADUATED DRIVER LICENSING SYSTEM
WITH CURRENT LICENSING SYSTEM FOR YOUNG DRIVERS IN NORTH CAROLINA**

ISSUE	PROPOSED SYSTEM	CURRENT SYSTEM
Seat belt Use	All occupants of vehicle	All front seat occupants and rear seat occupants under age 12 required to wear belt
Number of Levels	Three	One (plus an <i>optional</i> learner's permit level)
Learner's Permit	Mandatory	Optional
Required period of supervised driving	One year	None (Up to 1 year <i>optional</i>)
New driver required to demonstrate safe driving prior to full licensure?	Yes, for 6 months	No
Period during which late night recreational driving is prohibited	Six months	None

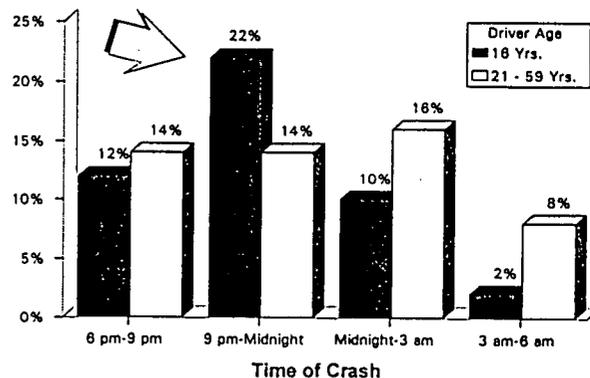

Why Young Drivers Have Such a High Crash Rate

It is important to keep in mind that not all young drivers are poor drivers. However, as a group young drivers are much worse than older drivers, as the figures showing crash experience by driver age clearly show. There are several reasons for young drivers' higher crash rate:

Greater Exposure to Crashing:

Young drivers do more of their driving during more dangerous times and in more dangerous situations. Nighttime driving, driving on local roads rather than highways, and driving with several occupants in the vehicle all are more likely to result in a crash. Teen drivers do more of their driving than older drivers in all these situations.

16-year-old Drivers are Much More Likely Than Older Drivers to be Killed in a Crash Between 9 pm and Midnight

Insufficient Experience:

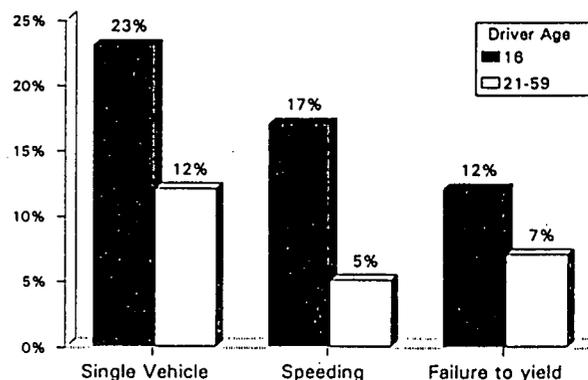

Young drivers lack experience and the only way to become a good driver is through experience. Nearly one third of new drivers in North Carolina do not obtain a Learner's Permit which allows them to begin to get driving practice before their 16th birthday, and half of all young drivers obtain their license within four months of their 16th birthday. One-quarter get their license within the first month after they turn sixteen.

Although a few months driving practice is enough to become familiar and comfortable with the physical tasks involved in driving, the equally important judgment abilities develop more slowly. Over time, drivers develop a wisdom about driving that allows them to anticipate and avoid numerous potentially dangerous situations. Young drivers haven't had the time to develop this sense of what kinds of situations are more or less dangerous.

Impulsive and Risky Behaviors:

Partly as a function of maturity and partly because of inexperience, young drivers are much more likely than more experienced drivers to engage in behaviors that increase the chances of crashing: speeding, ignoring traffic control signals, making sudden lane changes, driving in an overly aggressive fashion, etc.

Characteristics of Crashes by Driver Age, 1993-95
Indicators of Driver Fault

The Young Driver Problem in North Carolina

Young novice drivers are a serious threat to themselves, their passengers, and other drivers on the road. Analysis of 16- and 17-year-old drivers' crashes in NC for 1993 through 1995 provides a graphic picture of this problem.

❑ Far Too Many Crashes

First, drivers in this age group are much more likely to cause a crash than are drivers just a few years older. The figure to the right shows the large difference in crash rates for drivers of different ages.

Percent of Licensed North Carolina Drivers Involved in a Crash by Age Group, 1993

❑ More Crashes in Fewer Miles

The situation is even worse than it appears from the figure at right because younger drivers do less driving. So their actual risk of crashing per mile driven is greater.

The figure below shows that when amount of driving is taken into consideration, 16- and 17-year-old drivers are far worse drivers than even 18-year-olds.

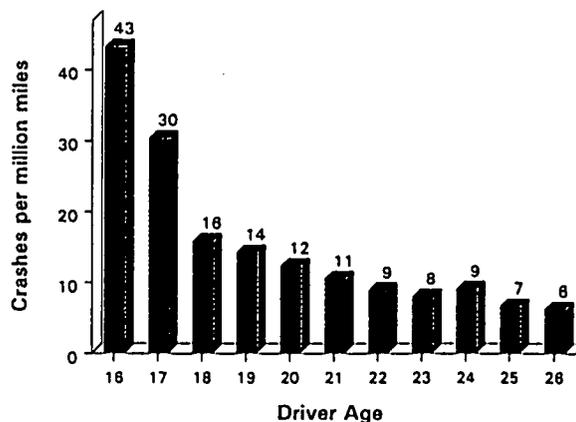

❑ Many Serious Crashes

An average of 70 people die every year in North Carolina as a result of crashes caused by 16- and 17-year-old drivers.

Another 10,650 are injured in these crashes.

The yearly cost of these crashes is at least \$175 million dollars.

Rate of Involvement in Police-Reported Crashes by Driver Age, U.S., 1990

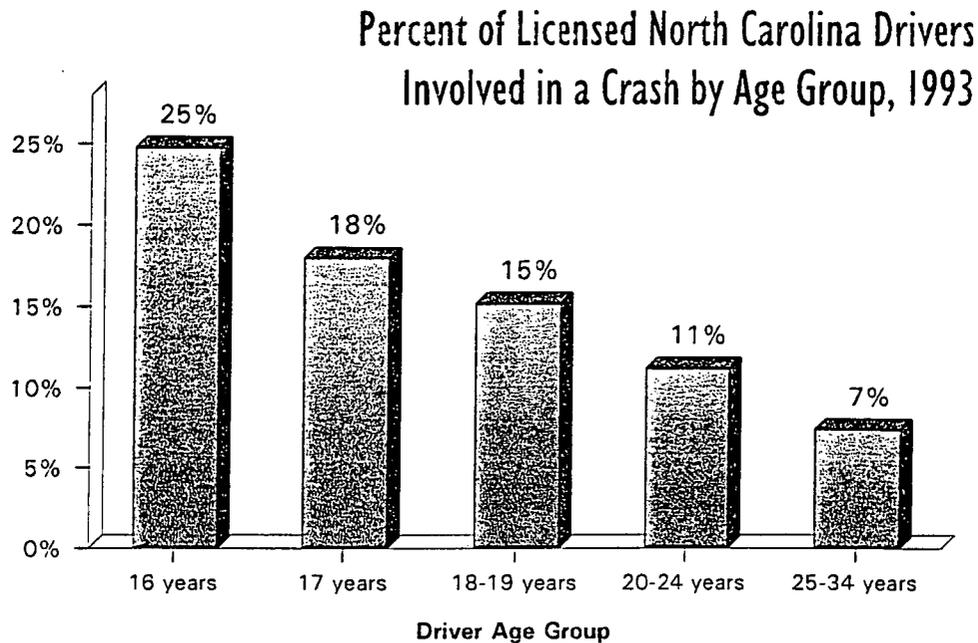

❑ It's Not Just Males

Although males generally have more crashes than females, this is not because they are worse drivers. It's because they drive more. When amount of driving is taken into account males and females have nearly equal crash rates.

Young Driver Crashes: Is there really a problem?

Source: NC Accident Facts, 1994

CH-3

- During 1993, one out of four licensed 16-year old drivers in North Carolina was involved in a crash.
- After the teenage years, crash involvement remains relatively low. Crash involvement begins to rise again when drivers grow older and problems associated with poor vision and slow reaction time begin to surface.
- What portion of 16-year old crashes resulted in injury or death?

What can we do about the problem?

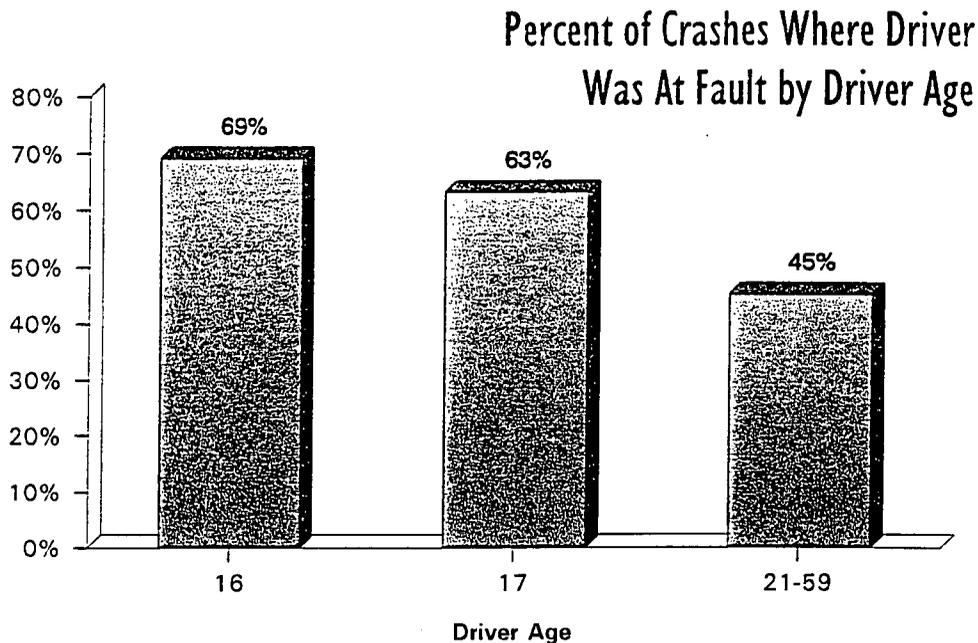

- Existing Approaches
 - ◆ Education
 - ◆ Enforcement

- Alternative Approaches
 - ◆ Raise the licensing age
 - ◆ Graduated Driver Licensing (GDL)

CH-12

- There is virtually no scientific evidence that education alone is an effective way to reduce crashes. That is because crashes rarely occur due to lack of knowledge.
- Similarly, enforcement alone cannot adequately address the young driver crash problem.
- NC traditionally has had excellent traffic enforcement, and young drivers are still required to pass Driver Education. Yet the young driver crash problem remains very serious.
- Because a substantial part of the young driver crash problem is lack of maturity, raising the licensing age to 17 (as it is in New Jersey) or 18 (as in most of Europe) would reduce crashes. However, this is probably not politically feasible in the U.S.

Why is it a problem? Impulsiveness & poor decision making

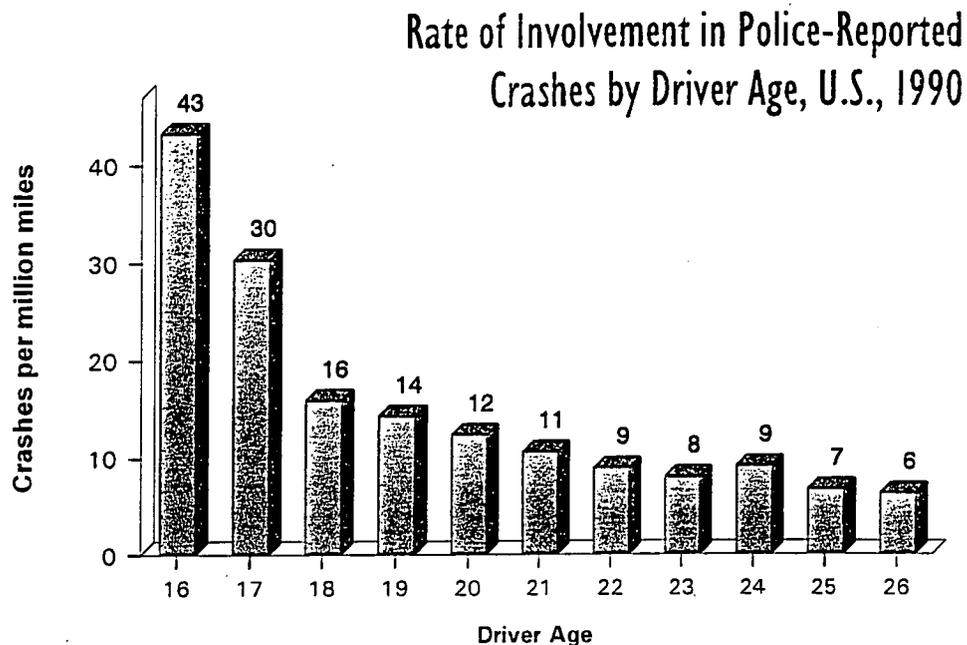

North Carolina, 1993-95

CH-7

- As a group, young drivers are much more likely to be at fault in a crash than older drivers.
- This chart shows that 69% of North Carolina 16-year old drivers were at fault in crashes between 1993 and 1995.*
- Drivers between 21 and 59 were at fault in 45% of their crashes.
- This is compelling evidence that teens are more likely to engage in impulsive and dangerous driving than older, more experienced drivers.

** This doesn't mean that these young drivers were solely to blame in the crash. In crashes involving two vehicles, fault is sometimes assigned to both drivers.*

Why is it a problem? Inexperience

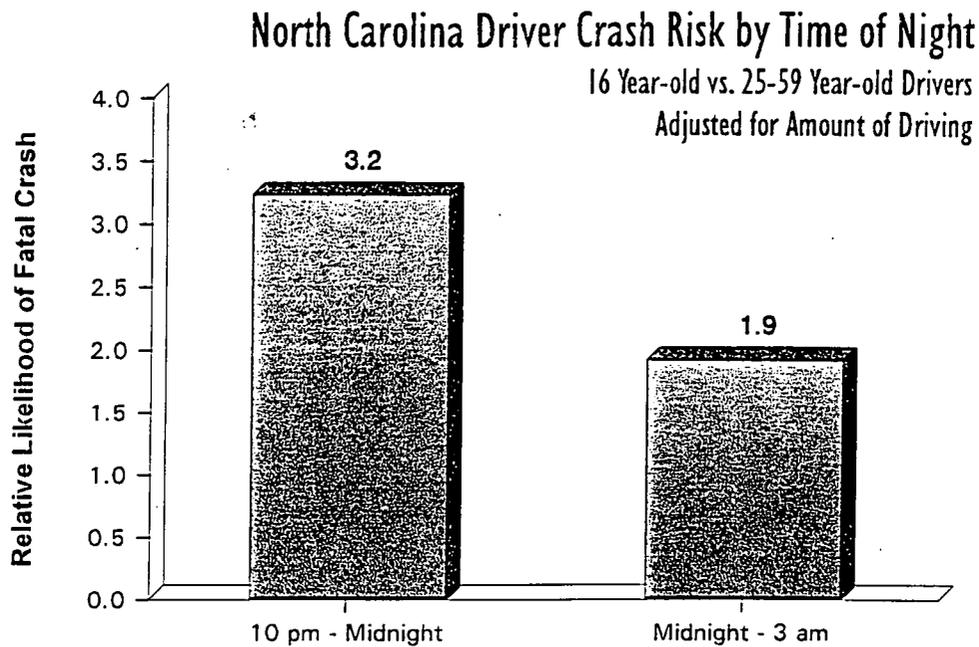

Source: Insurance Institute for Highway Safety

OH-5

- This chart, based on national driving data, takes into account the number of miles driven for a particular age group.
- When we add up all the miles that 16-year olds drive and the number of crashes they have, we can calculate a crash rate that is based on miles driven.
- If 16-year olds are driving more than older drivers and drive just as well as older drivers, their crash rates per mile should be comparable to that of older drivers.
- However, when amount of driving is taken into account, 16-year old drivers are seven times more likely to be involved in a crash than 26-year old drivers (43 vs 6).

Why is it a problem? High risk exposure

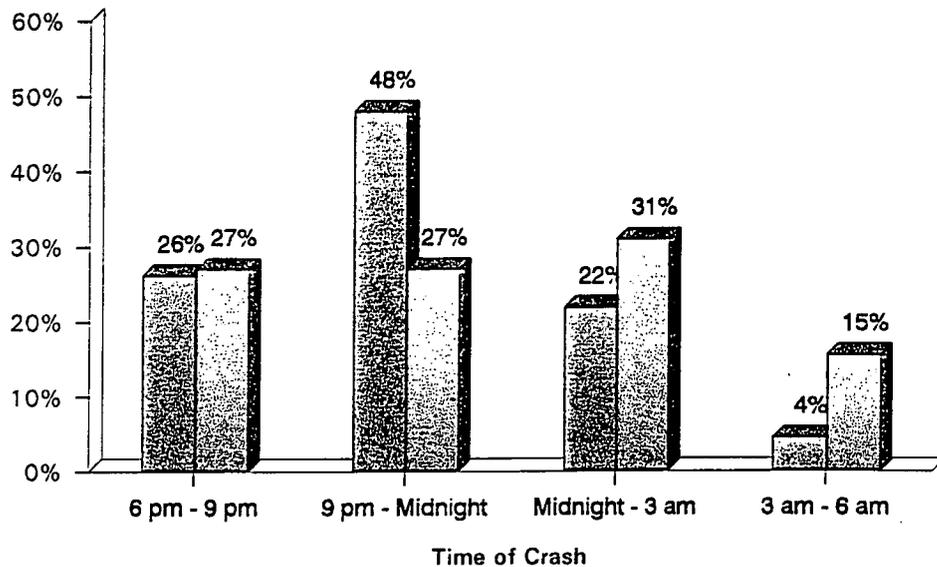

Source: NC Roadside Surveys, 1994

CH-10

- The previous slide showed that the late evening hours are very high risk for 16- and 17-year old drivers.
- Because young drivers do less driving than older drivers, their risk of crashing, given the amount they drive, is higher than the earlier chart suggests.
- This figure takes into account the amount of driving done by NC drivers of all ages late at night. It shows that 16-year old drivers are more than three times as likely to crash than older drivers when their amount of driving is taken into account.

Why is it a problem? High risk exposure

Distribution of Nighttime Crashes by Driver Age

North Carolina, 1993-95

OH-9

- The hours from 9 pm to midnight are very high risk for 16- and 17-year old drivers.
- Among older drivers, nighttime crashes are spread fairly evenly. But between 9 pm and midnight, a 16-year old driver is almost 60% more likely than an older driver to be in a crash.
- This high risk is because these are the hours when teens tend to engage in recreational driving with many peers in the vehicle. This causes distractions that inexperienced drivers are not very good at handling.

Important considerations in GDL

- *Fairness*

Is it fair to penalize new drivers before they make a mistake behind the wheel?

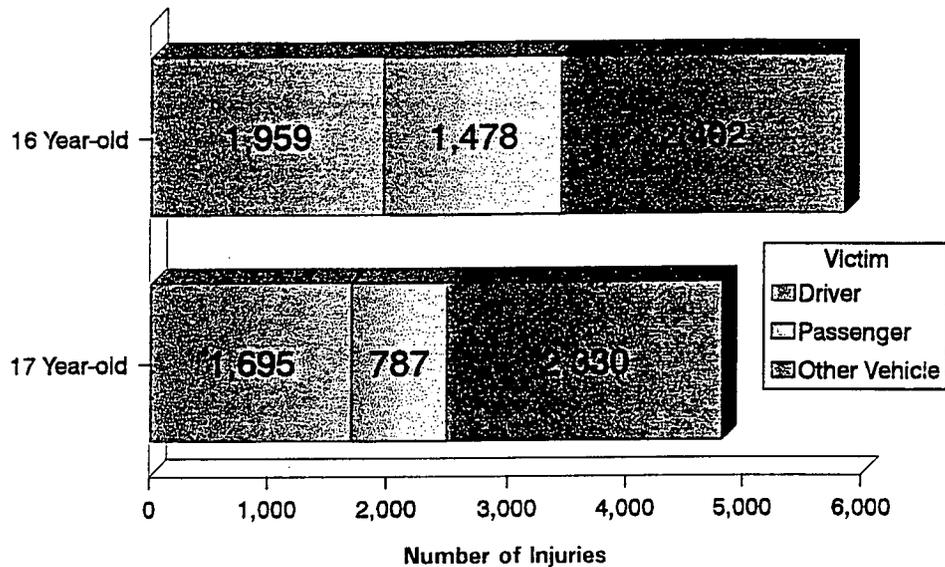

- ◆ GDL does not penalize, it protects
- ◆ GDL protects others as well
- ◆ GDL is a relatively minor change from the current system
- ◆ Given what we know, is it fair to not do anything?
 - ▶ The stakes are so high, it is much better to intervene before someone is seriously injured or killed

CH-18

- GDL is sometimes viewed as an unfair attempt to take something away from young drivers.
- The main thing it 'takes away,' however, is the disturbingly high likelihood of a young driver having a crash.
- Although it would be nice to be able only to single out those who will be careless drivers and subject them to stiffer requirements, there is no way to predict who will be a poor driver until it is too late.
- Waiting until a young driver has crashed before trying to help them drive better seems kind of harsh.

Important considerations in GDL

Yearly Injuries Caused by Young NC Drivers

Source: NC Traffic Crash Files, 1993-95

OH-19

- This chart shows that young drivers cause more injuries to others than to themselves. They are a very real threat to their own passengers and to others on the road as well.
- For this reason it is important to recognize that GDL is a method to prevent injuries and deaths among all age groups, not just young drivers.

Important considerations in GDL

- Fairness
- Public Acceptance
- Enforcement
- Cost

OH-17

- These issues are important.
- When GDL is clearly understood it is apparent that none of these issues is a problem.
- The following slides address each point.

Current NC Licensing System versus Proposed GDL System

Issue	Current System	GDL System
Levels	One (plus optional Learner Permit)	Three
Supervised Driving Required	None (optional)	One Year
Late Night Driving Prohibited	None	6 months
Demonstrate Safe Driving	None	18 months
Seat Belt Use	Front seat and children under 12 in rear seat	Required - all occupants

CH-16

- GDL is sometimes thought of as a radical departure from the present licensing system. In fact, it is mainly just fine tuning of the present system to make it more effective in producing safe drivers.
- The only really new element in GDL is the short-term restriction on recreational nighttime driving.

Structure of a Graduated Driver Licensing System

■ Level One

- ◆Adult supervisor in car at all times
- ◆Everyone in car must wear a seat belt
- ◆Should last at least 6 months, preferably a year
- ◆Driver must have a clean driving record for 12 months and be at least 16 years old before moving to next level

OH-13

- The first level of a GDL system provides a new driver with plenty of time to gain real driving experience in a relatively safe environment: The adult supervisor can provide the benefit of years of experience, and strongly discourages impulsive, foolish behaviors.
- In addition, Level I provides a strong motivation for young drivers to drive carefully and responsibly, since they cannot advance until they achieve 12 continuous months of driving without receiving a traffic citation.
- Because crashes are more likely with a young driver, it is important for everyone in the vehicle to wear a seat belt.

Structure of a Graduated Driver Licensing System

- Level Two
 - ◆ New driver may drive unsupervised except during high risk hours
 - ◆ Late-night driving is permitted when accompanied by adult supervisor
 - ◆ Exception allowed for work-related driving
 - ◆ Should last at least 6 months
 - ◆ Driver must have a clean driving record for 6 months and be at least 16 years old before moving to next level
 - ◆ Everyone in car must wear a seat belt

OH-14

- This level distinguishes GDL from other licensing systems.
- The nighttime driving restriction is extremely important. It produces two benefits:
- Young inexperienced drivers are protected from the most dangerous driving situation until they have several months experience driving without a supervisor, and
- New drivers are motivated to drive carefully (to receive no citations) during the time they are least capable, in order to be released from the night restriction.

Structure of a Graduated Driver Licensing System

- Level Three
 - ◆ Unsupervised driving allowed at all times
 - ◆ Until age 18, driver is subject to conditions of existing provisional license
 - ◆ Everyone in car must wear a seat belt

OH-15

- This level corresponds to the typical provisional license that is issued to beginning drivers, with the exception that all occupants are required to wear a seat belt.

Summary

- A Graduated Driver Licensing System:
 - ◆ Provides needed experience for new drivers.
 - ◆ Protects new drivers from the greatest risks while they are getting the experience they need.
 - ◆ Motivates young drivers to be especially careful during the time when they are at greatest risk -- when they are just learning.
 - ◆ Will reduce young driver crashes.

OH-25

- This is GDL in a nutshell.

GENERAL ASSEMBLY OF NORTH CAROLINA

SESSION 1997

S

2

SENATE BILL 149*
Judiciary Committee Substitute Adopted 3/5/97

Short Title: Graduated Drivers Licenses.

(Public)

Sponsors:

Referred to: Finance.

February 17, 1997

1 A BILL TO BE ENTITLED
2 AN ACT TO IMPLEMENT GRADUATED DRIVERS LICENSES.

3 The General Assembly of North Carolina enacts:

4 Section 1. G.S. 20-11 reads as rewritten:

5 **"§ 20-11. Application of minors. Issuance of limited learner's permit and provisional**
6 **drivers license to person who is less than 18 years old.**

7 ~~(a) The Division shall not grant the application of any minor between the ages of~~
8 ~~16 and 18 years for a driver's license or a learner's permit unless such application is~~
9 ~~signed both by the applicant and by the parent, guardian, husband, wife or employer~~
10 ~~of the applicant, or, if the applicant has no parent, guardian, husband, wife or~~
11 ~~employer residing in this State, by some other responsible adult person. It shall be~~
12 ~~unlawful for any person to sign the application of a minor under the provisions of~~
13 ~~this section when such application misstates the age of the minor and any person~~
14 ~~knowingly violating this provision shall be guilty of a Class 2 misdemeanor.~~

15 ~~The Division shall not grant the application of any minor between the ages of 16~~
16 ~~and 18 years for a driver's license unless such minor presents evidence of having~~
17 ~~satisfactorily completed the driver training and safety education courses offered at the~~
18 ~~public high schools as provided in G.S. 20-88.1 or upon having satisfactorily~~
19 ~~completed a course of driving instruction offered at a licensed commercial driver~~
20 ~~training school or an approved nonpublic secondary school, provided instruction~~
21 ~~offered in such schools shall be approved by the State Commissioner of Motor~~
22 ~~Vehicles and the State Superintendent of Public Instruction and all expenses for such~~

1 ~~instruction shall be paid by the persons enrolling in such courses and/or by the~~
2 ~~schools offering them.~~

3 ~~(b) The Division may issue a limited learner's permit to a minor who is at least 15~~
4 ~~years old but is less than 16 years old and who otherwise meets the requirements of~~
5 ~~this section. An application for a limited learner's permit must be signed by both the~~
6 ~~applicant and the applicant's parent or guardian or some other responsible adult with~~
7 ~~whom the applicant resides and who is approved by the Division. A limited learner's~~
8 ~~permit authorizes the permit holder to drive a specified type or class of motor vehicle~~
9 ~~while in possession of the permit and accompanied by a parent, guardian, or other~~
10 ~~person approved by the Division who is licensed to operate the motor vehicle being~~
11 ~~driven and is seated beside the permit holder. A limited learner's permit is valid for~~
12 ~~a period of 18 months. The fee for a limited learner's permit is ten dollars (\$10.00).~~
13 ~~In the event a minor who holds a limited learner's permit drives a motor vehicle in~~
14 ~~violation of law, the permit shall be canceled. A driver who holds a limited learner's~~
15 ~~permit only shall not be deemed a licensed driver for the purpose of determining the~~
16 ~~inexperienced operator premium surcharge under automobile insurance policies.~~

17 ~~(c) The Division may, upon satisfactory proof that a minor between the ages of 16~~
18 ~~and 18 years has become a resident of North Carolina and holds a valid motor~~
19 ~~vehicle driver's drivers license from his prior state of residence but has not completed~~
20 ~~a course in driver education which meets the requirements of this State, grant to such~~
21 ~~minor a temporary driver's permit under such terms and conditions as shall be~~
22 ~~deemed necessary by the Division to allow the minor to operate a motor vehicle of a~~
23 ~~specified type or class in this State in order to obtain the driver education courses~~
24 ~~necessary for license in North Carolina. Every application for a temporary driver's~~
25 ~~permit shall be made upon the approved form furnished by the Division. A~~
26 ~~temporary driver's permit issued pursuant to this section shall be subject to all~~
27 ~~provisions of law relating to a driver's license.~~

28 (a) Process. -- Safe driving requires instruction in driving and experience. To
29 ensure that a person who is less than 18 years old has both instruction and experience
30 before obtaining a drivers license, driving privileges are granted first on a limited
31 basis and are then expanded in accordance with the following process:

- 32 (1) Level 1: Driving with a limited learner's permit.
33 (2) Level 2: Driving with a limited provisional license.
34 (3) Level 3: Driving with a full provisional license.

35 The permits and licenses will bear a distinctive color photographic background or
36 border indicating the level of driving experience of the permit holder or licensee.

37 (b) Level 1. -- A person who is at least 15 years old but less than 18 years old may
38 obtain a limited learner's permit if the person meets all of the following
39 requirements:

- 40 (1) Passes a course of driver education prescribed in G.S. 20-88.1 or a
41 course of driver instruction at a licensed commercial driver
42 training school.
43 (2) Passes a written test administered by the Division.

1 (c) Level 1 Restrictions. -- A limited learner's permit authorizes the permit holder
2 to drive a specified type or class of motor vehicle only under the following
3 conditions:

- 4 (1) The holder of the permit must be in possession of the permit.
5 (2) A supervising driver must be seated beside the permit holder in
6 the front seat of the vehicle when it is in motion. No person other
7 than the supervising driver can be in the front seat.
8 (3) For the first six months after issuance, the permit holder may drive
9 only between the hours of 5:00 a.m. and 9:00 p.m.
10 (4) After the first six months after issuance, the permit holder may
11 drive at any time.
12 (5) Every person occupying the vehicle being driven by the permit
13 holder must have a safety belt properly fastened about his or her
14 body, or be restrained by a child passenger restraint system as
15 provided in G.S. 20-137.1(a), when the vehicle is in motion.

16 (d) Level 2. -- A person who is at least 16 years old but less than 18 years old may
17 obtain a limited provisional license if the person meets all of the following
18 requirements:

- 19 (1) Has held a limited learner's permit issued by the Division for at
20 least 12 months.
21 (2) Has not been convicted of a motor vehicle moving violation or seat
22 belt infraction during the preceding 12 months.
23 (3) Passes a road test administered by the Division.

24 (e) Level 2 Restrictions. -- A limited provisional license authorizes the license
25 holder to drive a specified type or class of motor vehicle only under the following
26 conditions:

- 27 (1) The license holder must be in possession of the license.
28 (2) The license holder may drive without supervision from 5:00 a.m. to
29 9:00 p.m. and when driving to or from work.
30 (3) The license holder may drive with supervision at any time. When
31 the license holder is driving with supervision, the supervising
32 driver must be seated beside the license holder in the front seat of
33 the vehicle when it is in motion. The supervising driver need not
34 be the only other occupant of the front seat, but must be the
35 person seated next to the license holder.
36 (4) Every person occupying the vehicle being driven by the license
37 holder must have a safety belt properly fastened about his or her
38 body, or be restrained by a child passenger restraint system as
39 provided in G.S. 20-137.1(a), when the vehicle is in motion.

40 (f) Level 3. -- A person who is at least 16 years old but less than 18 years old may
41 obtain a full provisional license if the person meets all of the following requirements:

- 42 (1) Has held a limited provisional license issued by the Division for at
43 least six months.

1 (2) Has not been convicted of a motor vehicle moving violation or seat
2 belt infraction during the preceding six months.

3 A person who meets these requirements may obtain a full provisional license by mail.

4 (g) Level 3 Restrictions. -- The restrictions on Level 1 and Level 2 drivers
5 concerning time of driving, supervision, and passenger limitations do not apply to a
6 full provisional license.

7 (h) Out-of-State Exceptions. -- A person who is at least 16 years old but less than
8 18 years old, who was a resident of another state and has an unrestricted drivers
9 license issued by that state and who becomes a resident of this State, may obtain one
10 of the following:

11 (1) A temporary permit, if the person has not completed a drivers
12 education program that meets the requirements of the
13 Superintendent of Public Instruction but is currently enrolled in a
14 drivers education program that meets these requirements. A
15 temporary permit is valid for the period specified in the permit
16 and authorizes the holder of the permit to drive a specified type or
17 class of motor vehicle when in possession of the permit, subject to
18 any restrictions imposed by the Division concerning time of
19 driving, supervision, and passenger limitations. The period must
20 end within 10 days after the expected completion date of the
21 drivers education program in which the applicant is enrolled.

22 (2) A full provisional license, if the person has completed a drivers
23 education program that meets the requirements of the
24 Superintendent of Public Instruction, has held the license issued by
25 the other state for at least 12 months, and has not been convicted
26 during the preceding 12 months of a motor vehicle moving
27 violation or seat belt infraction or of any offense committed in
28 another jurisdiction that would be a motor vehicle moving
29 violation or seat belt infraction if committed in this State.

30 (3) A limited provisional license, if the person has completed a drivers
31 education program that meets the requirements of the
32 Superintendent of Public Instruction but either did not hold the
33 license issued by the other state for at least 12 months or was
34 convicted during the preceding 12 months of a motor vehicle
35 moving violation or seat belt infraction or of any offense
36 committed in another jurisdiction that would be a motor vehicle
37 moving violation or seat belt infraction if committed in this State.

38 (i) Application. -- An application for a permit or license authorized by this section
39 must be signed by both the applicant and by the applicant's parent or guardian or, if
40 a parent or guardian is not available, by an adult approved by the Division.

41 (j) Duration and Fee. -- A limited learner's permit expires on the eighteenth
42 birthday of the permit holder. A limited provisional license expires on the eighteenth
43 birthday of the license holder. A full provisional license expires on the date set under

1 G.S. 20-7(f). The fee for a permit or license issued under this section is ten dollars
2 (\$10.00).

3 (k) Supervising Driver. -- The supervising driver must be the parent or guardian of
4 the permit holder or the license holder or, if a parent or guardian is not available, by
5 an adult approved by the Division. The supervising driver must be a licensed driver
6 who has been licensed to drive for at least five years.

7 (l) Violations. -- It is unlawful for the holder of a limited learner's permit,
8 temporary permit, or a limited provisional license to operate a motor vehicle without
9 complying with applicable restrictions. Failure to comply with restrictions
10 concerning the time of driving or the presence of a supervising driver in the vehicle
11 constitutes operating a motor vehicle without a license. Failure to comply with other
12 restrictions, including seating and passenger limitations, is an infraction punishable by
13 a fine as provided in G.S. 20-176.

14 (m) Insurance Status. -- The holder of a limited learner's permit is not considered
15 a licensed driver for the purpose of determining the inexperienced operator premium
16 surcharge under automobile insurance policies."

17 Section 2. G.S. 20-135.2A(a) reads as rewritten:

18 "(a) Each front seat occupant who is 16 years of age or older and each driver of a
19 passenger motor vehicle manufactured with seat safety belts in compliance with
20 Federal Motor Vehicle Safety Standard No. 208 shall have such a safety belt properly
21 fastened about his body at all times when the vehicle is in forward motion on a street
22 or highway in this State. Each driver of a passenger motor vehicle manufactured with
23 seat safety belts in compliance with Federal Motor Vehicle Safety Standard No. 208,
24 who is transporting in the front seat a person who is (1) under 16 years of age and (2)
25 not required to be restrained in accordance with G.S. 20-137.1, shall have the person
26 secured by such a safety belt at all times when the vehicle is operated in forward
27 motion on a street or highway in this State. Persons required to be restrained in
28 accordance with ~~G.S. 20-137.1~~ G.S. 20-11 and G.S. 20-137.1 shall be secured as
29 required by ~~that section.~~ those sections."

30 Section 3. G.S. 20-88.1(a) reads as rewritten:

31 "(a) In accordance with criteria and standards approved by the State Board of
32 Education, the State Superintendent of Public Instruction shall organize and
33 administer a program of driver education to be offered at the public high schools of
34 this State for all physically and mentally qualified persons who (i) are older than 14
35 years and six months, (ii) are approved by the principal of the school, pursuant to
36 rules adopted by the State Board of Education, (iii) are enrolled in a public or
37 private high school within the State, and (iv) have not previously enrolled in the
38 program. The State Board of Education shall use for such purpose all funds
39 appropriated to it for said purpose, and may use all other funds that become available
40 for its use for said purpose. ~~The~~

41 The driver education program established pursuant to this section shall include
42 instructions the following:

43 (1) Instruction on the rights and privileges of the handicapped and the
44 signs and symbols used to assist the handicapped relative to motor

1 vehicles, including the 'international symbol of accessibility' and
2 other symbols and devices as provided in Article 2A of this
3 Chapter. ~~In addition, this program shall include at~~

4 (2) At least six hours of instruction on the offense of driving while
5 impaired and related subjects.

6 (3) At least six hours of actual driving experience."

7 Section 4. G.S. 20-322(b) reads as rewritten:

8 "(b) Regulations adopted by the Commissioner shall state the requirements for a
9 school license, including requirements concerning location, equipment, courses of
10 instruction, instructors, financial statements, schedule of fees and charges, character
11 and reputation of the operators, insurance, bond or other security in such sum and
12 with such provisions as the Commissioner deems necessary to protect adequately the
13 interests of the public, and such other matters as the Commissioner may prescribe.
14 All driver training and safety education courses and courses of driving instruction
15 must include at least six hours of actual driving experience."

16 Section 5. G.S. 20-7(a1) reads as rewritten:

17 "(a1) Motorcycles and Mopeds. -- To drive a motorcycle, a person must have a
18 either a full provisional license issued under G.S. 20-11 or a regular drivers license
19 issued under this section and a motorcycle endorsement. To obtain a motorcycle
20 endorsement, a person must demonstrate competence to drive a motorcycle by
21 passing a road test and a written or oral test concerning a motorcycle and must pay
22 the fee for a motorcycle endorsement. Neither a drivers license nor a motorcycle
23 endorsement is required to drive a moped."

24 Section 6. This act does not appropriate funds to the Division to
25 implement this act nor does it obligate the General Assembly to appropriate funds to
26 implement this act.

27 Section 7. This act becomes effective December 1, 1997, if the General
28 Assembly appropriates the necessary funds from the Highway Fund to the
29 Department of Transportation, Division of Motor Vehicles, to administer the
30 provisional license program. The act does not apply to any person who holds a valid
31 North Carolina limited learner's permit issued before the effective date of this act, a
32 valid North Carolina learner's permit issued before the effective date of this act, or
33 who is a provisional licensee holding a valid North Carolina drivers license issued
34 before the effective date of this act.

**PRINCIPAL DEPARTMENT(S) &
PROGRAM(S) AFFECTED:** Division of Motor Vehicles

NOTE: As discussed in the Assumptions and Methodology section, the proposed act will have no impact on expenditure requirements of public schools or the Department of Public Instruction.

EFFECTIVE DATE: December 1, 1997, if the funds necessary to administer the provisional license program are appropriated from the Highway Fund to the Department of Transportation, Division of Motor Vehicles. Figure shown above show the amounts that would need to be appropriated and expected revenues.

BILL SUMMARY:

The proposed act establishes a graduated process by which minor would acquire a driver's license. Two provisions of the proposed act differ from current law in a manner that will have fiscal impact:

- 1) The proposed act requires a minor to hold a learner's permit for one year without moving violations or seatbelt infractions before a limited provisional license can be issued, as opposed to current law which does not require applicants for a license to have a learner's permit. Minors who would otherwise have skipped getting a learner's permit would now be required to get one at a cost of \$10.00. As under current law, minors would be required to pass a driver's education course before acquiring a learner's permit.
- 2) The proposed act requires that all minors acquire a limited provisional license before being acquiring a full provisional license. Current law allows minors age 16 and older to acquire a full provisional license without any intermediate steps. The limited provisional license restricts the hours during which a minor may drive unsupervised and requires that all occupants of the vehicle wear seatbelts. After holding a limited provisional license for six months without moving violations or seatbelt infractions, a minor can receive a full provisional license. The additional license would cost \$10.00. The full provisional license could be obtained at a DMV office or through a mail-in application. As under current law, minors would be required to pass a driver's education course before acquiring a license.

The proposed act also contains a provision that makes the effective date of the legislation conditional upon the availability of the appropriations necessary to carry out the provisions of the proposed act.

ASSUMPTIONS AND METHODOLOGY:

Division of Motor Vehicles

Workload

Additional workload is generated for DMV because all minors will be required to acquire a learner's permit before acquiring a limited provisional license. The total number of additional learner's permits issued is as a result of the mandatory learner's permit provision is based on the number of 16 and 17 year olds acquiring driver's licenses in 1996 minus the number of permits issued in 1996. Because the proposed act is not effective until December 1, 1997, the first year figures represent 7/12 of the permit figure.

Additional workload is also generated for DMV because minors are required to acquire an additional provisional license. While the additional step is at the limited provisional license level, the workload for this step is the same as the current workload for issuing provisional licenses because this is the step at which the license examination would be given. The additional workload for DMV is generated by applications for full provisional licenses, which are issued without an examination if the applicant has held the limited license for six months and has no violations. The additional applications are equal to the number of current license applications for minors. The total number of 16 and 17 year olds

requiring full provisional licenses during each fiscal year is based on the number of 16 and 17 year olds acquiring driver's licenses in 1996. It is assumed that 95 percent of full provisional license applicants will apply at DMV offices in order to acquire the license more quickly than would occur through a mail-in application.

Because the proposed act contains a grandfather clause that applies its provisions only to those minors seeking a license or permit after the proposed act becomes effective, no applications for full provisional licenses are assumed to be processed until 18 months after the implementation date. As a result, only one month of provisional license workload occurs during the second fiscal year. The following workload assumptions are used for each year:

Number of 16 and 17 year olds acquiring full provisional licenses during fiscal year					
Walk-in at field offices (95%)	0	8,176	96,914	96,914	96,914
Mail-in to headquarters (5%)	0	425	5,101	5,101	5,101
Additional learners permits applied for at field offices	14,777	25,332	25,332	25,332	25,332

Expenditures

Examiners - Additional examiners are required at field offices to process the additional application workload generated by additional applicants for learner's permits and applicants for full provisional licenses. A 1996 study by the Department of Transportation's Productivity Management Section concluded that each driver license examiner could perform an average of 5,760 transactions per year (accounting for leave and other factors that limit time available). The number of transactions required for the year is divided by the number of field transactions per examiner to determine the number of examiners required (1998-99 - 33,408/5760 = 5.6). This number is rounded and multiplied by the salary and benefits cost of an examiner (\$28,093 in 1997-98 and adjusted for inflation in other years) to determine the recurring cost of examiners. The nonrecurring cost is based on the number of new examiners in each year multiplied by the cost of providing uniforms, equipment, and training for each new examiner (\$6,955 in 1997-98 and adjusted for inflation in other years).

Clerical Staff - Clerical staff are required to process full provisional license applications sent by mail. Clerical staff open the application, query the driver's license system to determine if the applicant is eligible for the license, generate the license from the digitized system, and mail the license to the applicant. The total number of headquarters transactions is divided by the number of non-holiday workdays per year (1999-00 - 5,101/250 = 20.4) to arrive at the number of transactions per day. DMV estimates that each transaction requires five minutes to process. The total number of minutes required to process transactions each day is divided by the number of minutes each day to determine the number of clerical staff required. The number of staff required is multiplied by the average salary and benefit cost of \$24,134.

Postage - The number of mail-in transactions is multiplied by \$0.32 to determine the amount of postage needed to mail full provisional licenses to applicants.

Printing - The number of full provisional license transactions is multiplied by \$0.08 to determine the cost of printing information brochures for limited provisional license applicants to inform them how to acquire their full provisional license.

Digitized Transaction Costs - DMV leases digitized license equipment to produce driver's licenses. The lease cost is based upon the total number of transactions processed by the machines multiplied by a set rate. The current rate is \$1.05. For 1997-98, each additional learner's permit transaction adds \$1.05 in costs. Each new machine acquired by DMV causes the rate to increase by \$0.002. DMV will require one new machine starting in 1998-99 to implement the provisions of the bill option. As a result, each new license or permit issuance caused by the provisions of the proposed act costs DMV an additional \$1.052 (1998-99 - 33,933 X \$1.052 = \$39,866). In addition, the extra \$0.002 applies to each of the 2,136,891 transactions not related to the additional workload created by the proposed act (2,136,891 X \$0.002 = \$4,274)

MIS Programming - The DMV computer system must be reprogrammed to accept the additional license level and restrictions placed on provisional licensees. Reprogramming will require 1,200 hours of work at \$60.00 per hour, the rental of two personal computers for four months at \$1,000 per month, and \$2,000 per month in additional SIPS charges for the four month period.

Revenues

Each additional learner's permit transaction and each limited provisional license transaction produce \$10.00 in revenue.

Public Schools/Department of Public Instruction

Driver Education

The provisions of the proposed act will not affect expenditures and revenues of public schools or the Department of Public Instruction on driver education. While the proposed act does contain a requirement that all driver education courses include six hours of actual driving experience, this amount of time is already required by Department of Public Instruction. As such, public schools would not incur additional costs to meet the requirement. Because the proposed act does not add require any more minors to take driver education than under current law, it will not add to the number of students taking driver education courses at public schools.

Student Transportation

The proposed act will have no effect on the costs of transporting students on school buses. The proposed act does not increase the age at which a minor can acquire a driver's license, so it does not reduce the number of students who can drive to school rather than ride a school bus. In addition, while the proposed act's restricts the hours during which holders of limited provisional licenses can drive alone to 5:00 a.m. through 9:00 p.m., this restriction is in effect hours during which students would drive to school. As such, the hour restrictions do not add to the number of students riding buses. Finally, although the proposed act does change the number of violations that could cause minors to lose their learner's permits, the number of students affected is very small. The Department

Public Instruction indicates that any resulting additional school bus ridership can be accommodated within current bus capacity.

TECHNICAL CONSIDERATIONS: None.

SENATE FINANCE COMMITTEE

TUESDAY, MARCH 25, 1997

12:00 NOON - ROOM 544 LOB

The Senate Finance Committee met. There were 25 members of the committee present. Senator David Hoyle, Co-Chairman, presided.

The following bills were taken up:

S. B. 149 (H. B. 248-CS #2) - Graduated Drivers Licenses

Senator Roy Cooper, sponsor of S. B. 149, made a motion for adoption of proposed committee substitute to H. B. 248-CS #2, which was identical to S. B. 149, motion passed. Senator Cooper explained the changes in the committee substitute. Karl Knapp, Staff, explained the fiscal analyst on H. B. 248. Senator Kerr introduced an amendment to the bill, (attachment # 4). Senator Cooper moved for adoption of amendment, motion passed. Senator Cooper moved for a "favorable" report for committee substitute with amendment rolled into a new committee substitute, motion carried. Bill will be reported out as "unfavorable as to Committee Substitute Bill No. 2, but favorable as to Senate Committee Substitute Bill".

S. B. 289 - Raising Housing Bond Limit

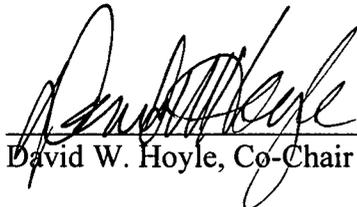

Senator David Hoyle explained this bill. Senator Ballantine moved for a "favorable" report.

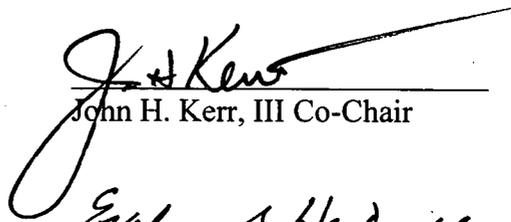

There be no further business, the meeting was adjourned.

S.B. 149 - GRADUATED DRIVERS LICENSE - SENATOR COOPER

S.B. 289 - RAISING HOUSING BOND LIMIT - SENATOR HOYLE

~~1 Vehicles and the State Superintendent of Public Instruction and all expenses for such
2 instruction shall be paid by the persons enrolling in such courses and/or by the
3 schools offering them.~~

~~4 (b) The Division may issue a limited learner's permit to a minor who is at least 15
5 years old but is less than 16 years old and who otherwise meets the requirements of
6 this section. An application for a limited learner's permit must be signed by both the
7 applicant and the applicant's parent or guardian or some other responsible adult with
8 whom the applicant resides and who is approved by the Division. A limited learner's
9 permit authorizes the permit holder to drive a specified type or class of motor vehicle
10 while in possession of the permit and accompanied by a parent, guardian, or other
11 person approved by the Division who is licensed to operate the motor vehicle being
12 driven and is seated beside the permit holder. A limited learner's permit is valid for
13 a period of 18 months. The fee for a limited learner's permit is ten dollars (\$10.00).
14 In the event a minor who holds a limited learner's permit drives a motor vehicle in
15 violation of law, the permit shall be canceled.~~

~~16 A driver who holds a limited learner's permit only shall not be deemed a licensed
17 driver for the purpose of determining the inexperienced operator premium surcharge
18 under automobile insurance policies.~~

~~19 (c) The Division may, upon satisfactory proof that a minor between the ages of 16
20 and 18 years has become a resident of North Carolina and holds a valid motor
21 vehicle driver's license from his prior state of residence but has not completed
22 a course in driver education which meets the requirements of this State, grant to such
23 minor a temporary driver's permit under such terms and conditions as shall be
24 deemed necessary by the Division to allow the minor to operate a motor vehicle of a
25 specified type or class in this State in order to obtain the driver education courses
26 necessary for license in North Carolina. Every application for a temporary driver's
27 permit shall be made upon the approved form furnished by the Division. A
28 temporary driver's permit issued pursuant to this section shall be subject to all
29 provisions of law relating to a driver's license.~~

~~30 (a) Process. -- Safe driving requires instruction in driving and experience. To
31 ensure that a person who is less than 18 years old has both instruction and experience
32 before obtaining a drivers license, driving privileges are granted first on a limited
33 basis and are then expanded in accordance with the following process:~~

- ~~34 (1) Level 1: Driving with a limited learner's permit.~~
~~35 (2) Level 2: Driving with a limited provisional license.~~
~~36 (3) Level 3: Driving with a full provisional license.~~

~~37 The permits and licenses will bear a distinctive color photographic background or
38 border indicating the level of driving experience of the permit holder or licensee.~~

~~39 (b) Level 1. -- A person who is at least 15 years old but less than 18 years old may
40 obtain a limited learner's permit if the person meets all of the following
41 requirements:~~

- ~~42 (1) Passes a course of driver education prescribed in G.S. 20-88.1 or a
43 course of driver instruction at a licensed commercial driver
44 training school.~~

- 1 (2) Passes a written test administered by the Division.
- 2 (c) Level 1 Restrictions. -- A limited learner's permit authorizes the permit holder
3 to drive a specified type or class of motor vehicle only under the following
4 conditions:
- 5 (1) The holder of the permit must be in possession of the permit.
- 6 (2) A supervising driver must be seated beside the permit holder in
7 the front seat of the vehicle when it is in motion. No person other
8 than the supervising driver can be in the front seat.
- 9 (3) For the first six months after issuance, the permit holder may drive
10 only between the hours of 5:00 a.m. and 10:00 p.m.
- 11 (4) After the first six months after issuance, the permit holder may
12 drive at any time.
- 13 (5) Every person occupying the vehicle being driven by the permit
14 holder must have a safety belt properly fastened about his or her
15 body, or be restrained by a child passenger restraint system as
16 provided in G.S. 20-137.1(a), when the vehicle is in motion.
- 17 (d) Level 2. -- A person who is at least 16 years old but less than 18 years old may
18 obtain a limited provisional license if the person meets all of the following
19 requirements:
- 20 (1) Has held a limited learner's permit issued by the Division for at
21 least 12 months.
- 22 (2) Has not been convicted of a motor vehicle moving violation or seat
23 belt infraction during the preceding 12 months.
- 24 (3) Passes a road test administered by the Division.
- 25 (e) Level 2 Restrictions. -- A limited provisional license authorizes the license
26 holder to drive a specified type or class of motor vehicle only under the following
27 conditions:
- 28 (1) The license holder must be in possession of the license.
- 29 (2) The license holder may drive without supervision from 5:00 a.m. to
30 10:00 p.m. and when driving to or from work.
- 31 (3) The license holder may drive with supervision at any time. When
32 the license holder is driving with supervision, the supervising
33 driver must be seated beside the license holder in the front seat of
34 the vehicle when it is in motion. The supervising driver need not
35 be the only other occupant of the front seat, but must be the
36 person seated next to the license holder.
- 37 (4) Every person occupying the vehicle being driven by the license
38 holder must have a safety belt properly fastened about his or her
39 body, or be restrained by a child passenger restraint system as
40 provided in G.S. 20-137.1(a), when the vehicle is in motion.
- 41 (f) Level 3. -- A person who is at least 16 years old but less than 18 years old may
42 obtain a full provisional license if the person meets all of the following requirements:
- 43 (1) Has held a limited provisional license issued by the Division for at
44 least six months.

1 (2) Has not been convicted of a motor vehicle moving violation or seat
2 belt infraction during the preceding six months.

3 A person who meets these requirements may obtain a full provisional license by mail.

4 (g) Level 3 Restrictions. -- The restrictions on Level 1 and Level 2 drivers
5 concerning time of driving, supervision, and passenger limitations do not apply to a
6 full provisional license.

7 (h) Out-of-State Exceptions. -- A person who is at least 16 years old but less than
8 18 years old, who was a resident of another state and has an unrestricted drivers
9 license issued by that state, and who becomes a resident of this State may obtain one
10 of the following:

11 (1) A temporary permit, if the person has not completed a drivers
12 education program that meets the requirements of the State
13 Superintendent of Public Instruction but is currently enrolled in a
14 drivers education program that meets these requirements. A
15 temporary permit is valid for the period specified in the permit.
16 The period must end within 10 days after the expected completion
17 date of the drivers education program in which the applicant is
18 enrolled.

19 (2) A full provisional license, if the person has completed a drivers
20 education program that meets the requirements of the State
21 Superintendent of Public Instruction, has held the license issued by
22 the other state for at least 12 months, and has not been convicted
23 of an offense for which points are assessed under G.S. 20-16 during
24 the preceding 12 months.

25 (3) A limited provisional license, if the person has completed a drivers
26 education program that meets the requirements of the State
27 Superintendent of Public Instruction, but either did not hold the
28 license issued by the other state for at least 12 months or was
29 convicted of an offense for which points are assessed under G.S.
30 20-16 during the preceding 12 months.

31 (i) Application. -- An application for a permit or license authorized by this section
32 must be signed by both the applicant and by the applicant's parent or guardian or, if
33 a parent or guardian is not available, by an adult approved by the Division.

34 (j) Duration and Fee. -- A limited learner's permit expires on the eighteenth
35 birthday of the permit holder. A limited provisional license expires on the eighteenth
36 birthday of the license holder. A full provisional license expires on the date set under
37 G.S. 20-7(f). The fee for a permit or license issued under this section is ten dollars
38 (\$10.00).

39 (k) Supervising Driver. -- The supervising driver must be the parent or guardian
40 of the permit holder or the license holder or, if a parent or guardian is not available,
41 an adult approved by the Division. The supervising driver must be a licensed driver
42 who has been licensed to drive for at least five years.

1 (1) Insurance Status. -- The holder of a limited learner's permit is not considered a
2 licensed driver for the purpose of determining the inexperienced operator premium
3 surcharge under automobile insurance policies."

4 Section 2. G.S. 20-135.2A(a) reads as rewritten:

5 "(a) Each front seat occupant who is 16 years of age or older and each driver of a
6 passenger motor vehicle manufactured with seat safety belts in compliance with
7 Federal Motor Vehicle Safety Standard No. 208 shall have such a safety belt properly
8 fastened about his body at all times when the vehicle is in forward motion on a street
9 or highway in this State. Each driver of a passenger motor vehicle manufactured with
10 seat safety belts in compliance with Federal Motor Vehicle Safety Standard No. 208,
11 who is transporting in the front seat a person who is (1) under 16 years of age and (2)
12 not required to be restrained in accordance with G.S. 20-137.1, shall have the person
13 secured by such a safety belt at all times when the vehicle is operated in forward
14 motion on a street or highway in this State. Persons required to be restrained in
15 accordance with ~~G.S. 20-137.1~~ G.S. 20-11 and G.S. 20-137.1 shall be secured as
16 required by ~~that section,~~ those sections."

17 Section 3. G.S. 20-88.1(a) reads as rewritten:

18 "(a) In accordance with criteria and standards approved by the State Board of
19 Education, the State Superintendent of Public Instruction shall organize and
20 administer a program of driver education to be offered at the public high schools of
21 this State for all physically and mentally qualified persons who (i) are older than 14
22 years and six months, (ii) are approved by the principal of the school, pursuant to
23 rules adopted by the State Board of Education, (iii) are enrolled in a public or
24 private high school within the State, and (iv) have not previously enrolled in the
25 program. The State Board of Education shall use for such purpose all funds
26 appropriated to it for said purpose, and may use all other funds that become available
27 for its use for said purpose. ~~The~~

28 The driver education program established pursuant to this section shall include
29 instructions the following:

30 (1) Instruction on the rights and privileges of the handicapped and the
31 signs and symbols used to assist the handicapped relative to motor
32 vehicles, including the "international symbol of accessibility" and
33 other symbols and devices as provided in Article 2A of this
34 Chapter. ~~In addition, this program shall include at~~

35 (2) At least six hours of instruction on the offense of driving while
36 impaired and related subjects.

37 (3) At least six hours of actual driving experience."

38 Section 4. G.S. 20-322(b) reads as rewritten:

39 "(b) Regulations adopted by the Commissioner shall state the requirements for a
40 school license, including requirements concerning location, equipment, courses of
41 instruction, instructors, financial statements, schedule of fees and charges, character
42 and reputation of the operators, insurance, bond or other security in such sum and
43 with such provisions as the Commissioner deems necessary to protect adequately the
44 interests of the public, and such other matters as the Commissioner may prescribe.

1 All driver training and safety education courses and courses of driving instruction
2 must include at least six hours of actual driving experience."

3 Section 5. G.S. 20-7(a1) reads as rewritten:

4 "(a1) Motorcycles and Mopeds. -- To drive a motorcycle, a person must have a
5 either a full provisional license issued under G.S. 20-11 or a regular drivers license
6 issued under this section and a motorcycle endorsement. To obtain a motorcycle
7 endorsement, a person must demonstrate competence to drive a motorcycle by
8 passing a road test and a written or oral test concerning a motorcycle and must pay
9 the fee for a motorcycle endorsement. Neither a drivers license nor a motorcycle
10 endorsement is required to drive a moped."

11 Section 6. This act does not appropriate funds to the Division to
12 implement this act nor does it obligate the General Assembly to appropriate funds to
13 implement this act.

14 Section 7. This act becomes effective December 1, 1997, if the General
15 Assembly appropriates the necessary funds from the Highway Fund to the
16 Department of Transportation, Division of Motor Vehicles, to administer the
17 provisional license program. The act does not apply to any person who holds a valid
18 North Carolina limited learner's permit issued before the effective date of this act, a
19 valid North Carolina learner's permit issued before the effective date of this act, or
20 who is a provisional licensee holding a valid North Carolina drivers license issued
21 before the effective date of this act.

Graduated Driver Licensing Summary

What is Graduated Driver Licensing?

Graduated Driver Licensing (GDL) is a proposal that recommends all drivers less than age 18 be required to pass through three provisional driving levels demonstrating competency before they achieve full licensure.

It is designed to reduce crash risks for young new drivers by systematically providing them with more practical experience, gained under the safest possible conditions, before allowing them to drive on their own. In a series of three steps, the new driver is permitted to drive in more dangerous situations. With just a few alterations in the present licensing system, GDL will help reduce the number of young driver crashes.

- **Level 1 is a limited learner's permit at age 15 or older.** The novice driver must complete one year of violation-free driving with approved adult supervision to progress to the next level. All must wear seat belts.
- **Level 2 is a limited provisional license.** The young driver must complete six months of violation-free driving to progress to the next level. Unsupervised driving is allowed between 5 a.m. and 9 p.m. (An exemption would allow driving to or from work after 9 p.m.) All people in the vehicle must wear seat belts. Supervised driving allowed at any time.
- **Level 3 is a full provisional license.** Unsupervised driving is allowed at any time, but all people in the vehicle must wear seat belts.

If the driver starts the GDL process at age 15, a full provisional license can be obtained by age 16½.

What is the problem?

- Every year in North Carolina, one out of four 16-year-old drivers is involved in a car crash. The situation is worse than it appears because younger drivers do less driving; their actual risk of crashing per mile driven is greater.
- An average of 70 people die every year in North Carolina as result of crashes caused by 16- and 17-year-old drivers. Another 10,650 are injured in these crashes. The yearly cost of these crashes is at least \$175 million.
- Sixteen-year-old drivers are more likely than older drivers to be killed in a crash between 9 p.m. and midnight.
- Nearly one-third of new drivers in North Carolina do not get a learner's permit prior to their 16th birthday. One-quarter get their license within the first month after they turn 16. Young drivers haven't had the time to develop a sense of what kinds of situations are more or less dangerous.

Who supports GDL?

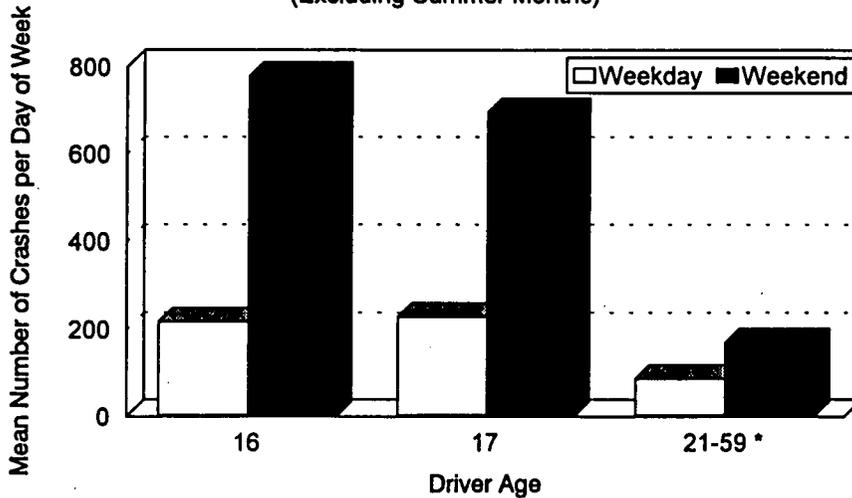

A long list of health agencies, highway safety advocates, law enforcement and parent groups supports GDL. *Seventy-four percent of 500 North Carolina residents surveyed by telephone said they believed North Carolina should change to the GDL system.* There is no known opposition to the proposal.

The Governor's Highway Safety Commission has made GDL the top recommendation in its annual report to the Governor. The Commission, along with the Child Fatality Task Force, the North Carolina Passenger Safety Association and the Governor's Council for Young Adult Drivers, sponsored eight community forums on GDL across the state in December 1996 and January 1997. Not only were North Carolinians educated on the issue, the public—including parents, teenagers and law enforcement—provided valuable input and support for GDL. Most of the parents and teenagers favored GDL once the proposal was explained to them. A handful of teens complained that GDL was "not fair," but most agreed that they had friends who had been in a car wreck. Members of the Governor's Council for Young Adult Drivers made statements at each forum in favor of GDL.

Where does GDL stand now?

Many states are adopting GDL legislation. Florida has GDL in place, and Michigan recently has adopted GDL legislation to take effect this year. The North Carolina House and Senate Bills were introduced in February 1997. The chief House co-sponsors are Rep. Debbie Clary, Rep. Martha Alexander and Rep. Ruth Easterling. The chief Senate co-sponsors are Sen. Roy Cooper and Sen. Austin Allran.

Why Young Drivers Have Such a High Crash Rate

It is important to keep in mind that not all young drivers are poor drivers. However, as a group young drivers are much worse than older drivers, as the figures showing crash experience by driver age clearly show. There are several reasons for young drivers' higher crash rate:

□ Greater Exposure to Crashing:

Young drivers do more of their driving during more dangerous times and in more dangerous situations. Nighttime driving, driving on local roads rather than highways, and driving with several occupants in the vehicle all are more likely to result in a crash. Teen drivers do more of their driving than older drivers in all these situations.

□ Insufficient Experience:

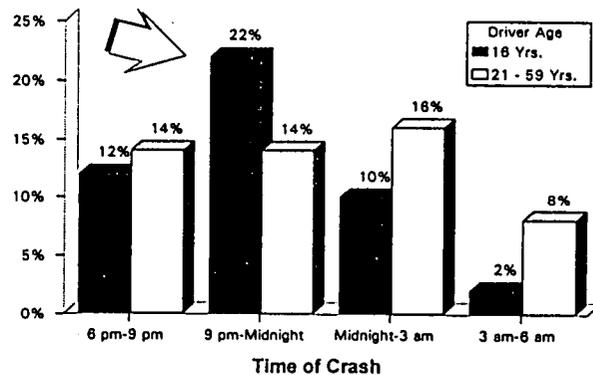

Young drivers lack experience and the only way to become a good driver is through experience. Nearly one third of new drivers in North Carolina do not obtain a Learner's Permit which allows them to begin to get driving practice before their 16th birthday, and half of all young drivers obtain their license within four months of their 16th birthday. One-quarter get their license within the first month after they turn sixteen.

Although a few months driving practice is enough to become familiar and comfortable with the physical tasks involved in driving, the equally important judgment abilities develop more slowly. Over time, drivers develop a wisdom about driving that allows them to anticipate and avoid numerous potentially dangerous situations. Young drivers haven't had the time to develop this sense of what kinds of situations are more or less dangerous.

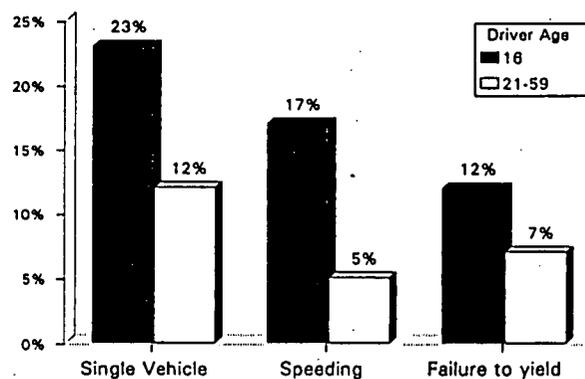

□ Impulsive and Risky Behaviors:

Partly as a function of maturity and partly because of inexperience, young drivers are much more likely than more experienced drivers to engage in behaviors that increase the chances of crashing: speeding, ignoring traffic control signals, making sudden lane changes, driving in an overly aggressive fashion, etc.

16-year-old Drivers are Much More Likely Than Older Drivers to be Killed in a Crash Between 9 pm and Midnight

Characteristics of Crashes by Driver Age, 1993-95
Indicators of Driver Fault

The Young Driver Problem in North Carolina

Young novice drivers are a serious threat to themselves, their passengers, and other drivers on the road. Analysis of 16- and 17-year-old drivers' crashes in NC for 1993 through 1995 provides a graphic picture of this problem.

❑ Far Too Many Crashes

First, drivers in this age group are much more likely to cause a crash than are drivers just a few years older. The figure to the right shows the large difference in crash rates for drivers of different ages.

Percent of Licensed North Carolina Drivers Involved in a Crash by Age Group, 1993

❑ More Crashes in Fewer Miles

The situation is even worse than it appears from the figure at right because younger drivers do less driving. So their actual risk of crashing per mile driven is greater.

The figure below shows that when amount of driving is taken into consideration, 16- and 17-year-old drivers are far worse drivers than even 18-year-olds.

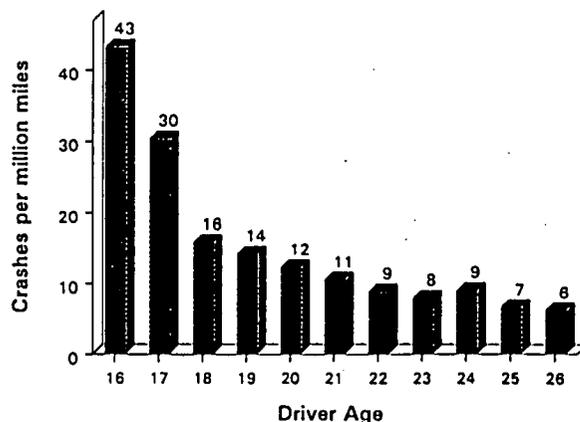

❑ Many Serious Crashes

An average of 70 people die every year in North Carolina as a result of crashes caused by 16- and 17-year-old drivers.

Another 10,650 are injured in these crashes.

The yearly cost of these crashes is at least \$175 million dollars.

Rate of Involvement in Police-Reported Crashes by Driver Age, U.S., 1990

❑ It's Not Just Males

Although males generally have more crashes than females, this is not because they are worse drivers. It's because they drive more. When amount of driving is taken into account males and females have nearly equal crash rates.

Myths and Facts About Graduated Driver Licensing

Graduated Driver Licensing (GDL) is a different way of introducing young drivers to the complex and potentially deadly task of driving. It is designed to reduce crash risks for young new drivers by systematically providing them with more practical experience, gained under the safest possible conditions, before allowing them to drive completely on their own. Several misunderstandings or Myths about GDL have developed. These are addressed below.

Myth: GDL requires teens to graduate from High School before they can obtain a Driver License.

- Fact.** GDL refers to the fact that new drivers progress or 'graduate' from one licensing stage to the next after they have successfully achieved the goals at each level.

Myth: GDL would mean teenagers can't get their license until they are 18 years old.

- Fact.** Under GDL, new drivers could obtain their license at the same age as with the present system. There would be only one noteworthy difference: for the *first six months* in order to legally drive between 9 pm and 5 am they would have to be accompanied by an adult driver.

Myth: GDL would prevent teenagers from working at night.

- Fact.** GDL would only prevent beginning drivers, mainly those who have just turned 16, from *recreational driving* between 9 pm and 5 am, and this would last *only six months*. And, teens could drive at any time of night when accompanied by an adult driver. Driving to or from work without an adult in the car would also be permitted.

Myth: GDL would punish everybody for mistakes that only some young drivers make.

- Fact.** GDL is designed to support and protect new drivers, not to punish them. It extends the driving privilege in steps, as new drivers demonstrate their competence and responsibility, rather than simply throwing inexperienced, emotionally immature beginners into the complex risky driving environment as is presently done – with all too frequent tragic consequences.

Myth: Alcohol is the main problem for young drivers. How would GDL affect that?

- Fact.** Although alcohol does contribute to teen driver crashes, it is only a minor factor among 16- and 17-year-old drivers. A much greater problem is impulsive, risky driving actions: the failure to make good judgments and decisions.

Myth: GDL is just another government attempt to protect people from themselves.

- Fact.** In fact, young beginning drivers commonly cause crashes in which both their passengers and occupants of other vehicles are hurt or killed. GDL is designed to protect everybody who uses the roadways, not just young drivers.

Myth: Simply improving Driver Education programs would solve the problem of young driver crashes. It isn't necessary to change the licensing system.

- Fact.** Although it can help teach persons how to drive, there is no research evidence to suggest that Driver Education reduces crashes. A drastically revised approach might have some benefit, but such a program would be far more costly than the public seems willing to pay for at present.

**PRINCIPAL DEPARTMENT(S) &
PROGRAM(S) AFFECTED:** Division of Motor Vehicles

EFFECTIVE DATE: December 1, 1997, if the funds necessary to administer the provisional license program are appropriated from the Highway Fund to the Department of Transportation, Division of Motor Vehicles.

BILL SUMMARY: The proposed act establishes a graduated process by which minor would acquire a driver's license. Three provisions of the proposed act differ from current law in a manner that will have fiscal impact:

- 1) The proposed act requires a minor to hold a learner's permit for one year without moving violations or seatbelt infractions before a limited provisional license can be issued, as opposed to current law which does not require applicants for a license to have a learner's permit. Minors who would otherwise have skipped getting a learner's permit would now be required to get one at a cost of \$10.00.
- 2) The proposed act requires that all minors acquire a limited provisional license before being acquiring a full provisional license. Current law allows minors age 16 and older to acquire a full provisional license without any intermediate steps. The limited provisional license restricts the hours during which a minor may drive unsupervised and requires that all occupants of the vehicle wear seatbelts. After holding a limited provisional license for six months without moving violations or seatbelt infractions, a minor can receive a full provisional license. The additional license transaction caused by the proposed act would have a fee of \$10.00. The full provisional license could be obtained at a DMV office or through a mail-in application.
- 3) The proposed act creates an new class of learner's permit for motorcycles. The permit is available to persons holding a limited or full provisional license or a regular driver license. It allows the holder to ride a motorcycle, but does not allow a passenger to be carried. Limited provisional license holders can not use the permit during hours when they are restricted from driving without supervision. The fee for the permit is set at \$10.

The proposed act also contains a provision that makes the effective date of the legislation conditional upon the availability of the appropriations necessary to carry out the provisions of the proposed act.

ASSUMPTIONS AND METHODOLOGY:

Workload

Additional workload is generated for DMV because all minors will be required to acquire a learner's permit before acquiring a limited provisional license. The total number of additional learner's permits issued is as a result of the mandatory learner's permit provision is based on the number of 16 and 17 year olds acquiring driver's licenses in 1996 minus the number of permits issued in 1996. Because the proposed act is not effective until December 1, 1997, the first year figures represent 7/12 of the permit figure.

Additional workload is also generated for DMV because minors are required to acquire an additional provisional license. While the additional step is at the limited provisional license level, the workload for this step is the same as the current workload for issuing provisional licenses because this is the step at which the license examination would be given. The additional workload for DMV is generated by applications for full provisional licenses, which are issued without an examination if the applicant has held the limited license for six months and has no violations. The additional applications are equal to

the number of current license applications for minors. The total number of 16 and 17 year olds acquiring full provisional licenses during each fiscal year is based on the number of 16 and 17 year olds acquiring driver's licenses in 1996. It is assumed that 95 percent of full provisional license applicants will apply at DMV offices in order to acquire the license more quickly than would occur through a mail-in application.

Because the proposed act contains a grandfather clause that applies its provisions only to those minors seeking a license or permit after the proposed act becomes effective, no applications for full provisional licenses are assumed to be processed until 18 months after the implementation date. As a result, only one month of provisional license workload occurs during the second fiscal year.

The proposed act also adds workload related to the issuance of motorcycle learner's permits. There are currently 254 minors with motorcycle endorsements on their license. It is expected that a similar number of minors would seek a motorcycle learner's permit each year under the graduated license provisions of the proposed act. Applications by minors for motorcycle learner's permits begin during the second fiscal year of enactment when minors begin to apply for limited provisional licenses.

In addition, it is expected that some adult drivers will acquire the motorcycle learner's permit. The adult demand for permits is generated by persons seeking to purchase a motorcycle who do not wish to acquire a motorcycle endorsement until after a purchase is made. DMV issues approximately 33,000 new motorcycle plates each year. DMV cannot determine which of these plates are for sales of vehicles to persons who do not possess a motorcycle endorsement. For the purposes of this note, it is assumed that ten percent of the plates are sold to persons in this category, and that these persons may choose to acquire a motorcycle learner's permit at the time they purchase a motorcycle. Applications for adult learner's permits begins during the first year of enactment of the bill.

The following workload assumptions are used for each year:

Number of 16 and 17 year olds acquiring full provisional licenses during fiscal year					
Walk-in at field offices (95%)	0	8,176	96,914	96,914	96,914
Mail-in to headquarters (5%)	0	425	5,101	5,101	5,101
Additional vehicle learner's permits applied for at field offices	14,777	25,332	25,332	25,332	25,332
Motorcycle learner's permits applied for at field offices	1,896	3,395	3,500	3,500	3,500

Expenditures

Examiners - Additional examiners are required at field offices to process the additional application workload generated by additional applicants for learner's permits and applicants for full provisional licenses. A 1996 study by the Department of Transportation's Productivity Management Section

concluded that each driver license examiner could perform an average of 5,760 transactions per year (accounting for leave and other factors that limit time available). The number of transactions required for the year is divided by the number of field transactions per examiner to determine the number of examiners required (1998-99 - $37,228/5760 = 6.5$). This number is rounded and multiplied by the salary and benefits cost of an examiner (\$28,093 in 1997-98 and adjusted for inflation in other years) to determine the recurring cost of examiners. The nonrecurring cost is based on the number of new examiners in each year multiplied by the cost of providing uniforms, equipment, and training for each new examiner (\$6,955 in 1997-98 and adjusted for inflation in other years).

Clerical Staff - Clerical staff are required to process full provisional license applications sent by mail. Clerical staff open the application, query the driver's license system to determine if the applicant is eligible for the license, generate the license from the digitized system, and mail the license to the applicant. The total number of headquarters transactions is divided by the number of non-holiday workdays per year (1999-00 - $5,101/250 = 20.4$) to arrive at the number of transactions per day. DMV estimates that each transaction requires five minutes to process. The total number of minutes required to process transactions each day is divided by the number of minutes each day to determine the number of clerical staff required. The number of staff required is multiplied by the average salary and benefit cost of \$24,134.

Postage - The number of mail-in transactions is multiplied by \$0.32 to determine the amount of postage needed to mail full provisional licenses to applicants.

Printing - The number of full provisional license transactions is multiplied by \$0.08 to determine the cost of printing information brochures for limited provisional license applicants to inform them how to acquire their full provisional license.

Digitized Transaction Costs - DMV leases digitized license equipment to produce driver's licenses. The lease cost is based upon the total number of transactions processed by the machines multiplied by a set rate. The current rate is \$1.05. For 1997-98, each additional learner's permit transaction adds \$1.05 in costs. Each new machine acquired by DMV causes the rate to increase by \$0.002. DMV will require one new machine starting in 1998-99 to implement the provisions of the bill option. As a result, each new license or permit issuance caused by the provisions of the proposed act costs DMV an additional \$1.052 (1998-99 - $37,228 \times \$1.052 = \$39,164$). In addition, the extra \$0.002 applies to each of the 2,136,891 transactions not related to the additional workload created by the proposed act ($2,136,891 \times \$0.002 = \$4,274$).

MIS Programming - The DMV computer system must be reprogrammed to accept the additional license and permit levels, and the restrictions placed on provisional licensees. Reprogramming will require 1,200 hours of work at \$60.00 per hour, the rental of two personal computers for four months at \$1,000 per month, and \$2,000 per month in additional SIPS charges for the four month period.

Revenues

Each additional learner's permit transaction and each limited provisional license transaction produces \$10.00 in revenue.

TECHNICAL CONSIDERATIONS: None

EXPLANATION OF HOUSE BILL 248
Graduated Drivers Licenses
Proposed Senate Finance Committee Substitute

TO: Senate Finance Committee
FROM: Sabra Faires, Committee Counsel
DATE: March 25, 1997
SPONSOR: Representative Clary

House Bill 248 is a companion to Senate Bill 149, introduced by Senator Cooper. It changes the way in which drivers licenses are issued to persons under 18 years of age and authorizes motorcycle learners' permits. The provisions on licenses issued to persons under 18 are a recommendation of the Child Fatality Task Force. The Task Force found that safe driving requires instruction in driving and experience. To ensure that a person who is less than 18 years of age has both instruction and experience before obtaining a drivers license, the bill provides that driving privileges would be granted on a graduated basis as follows:

- 1) Driving for at least 12 months with a limited learners permit.
- 2) Driving for at least 6 months with a limited provisional license.
- 3) Driving until the age of 18 with a provisional license.

The act becomes effective December 1, 1997, but will not apply to persons who have a valid limited learner's permit, learner's permit, or provisional drivers license (15-18 years old) prior to the effective date.

Under present law, a person who is at least 15 years of age may be granted a limited learner's permit if the person has completed a driver's education program. A person who is at least 16 years of age may be granted a learner's permit without the necessity of completing a driver's education program. The holder of a limited learner's permit and a learner's permit may only drive when accompanied by a parent, guardian, or other person approved by the Division of Motor Vehicles who is licensed to operate the motor vehicle. That person must be seated beside the permit holder. A person who is at least 16 years of age, but less than 18 years of age, may obtain a drivers license if the person has completed a driver's education program. A person between the ages of 16 and 18 years old who holds a driver's license, known as a provisional licensee, is not subject to any supervision restrictions.

House Bill 248 would change the current law in the following ways:

- 1) It would require driver education programs for young drivers to include at least six hours of actual driving experience.
- 2) It would require all licensed drivers under the age of 18 to drive under a limited learner's permit for at least 12 months.
- 3) It would place the following restrictions on a driver with a limited learner's permit:
 - Supervised driving between the hours of 5:00 am and 9:00 pm for the first six months.
 - Supervised driving at any time following the first six months.

- The supervisor must be a parent, guardian, or other person approved by the Division who has been licensed to drive for at least five years.
 - The supervisor may be the only other person in the front seat of the vehicle.
 - All passengers must be wearing a seat belt.
- 4) It would provide a new level of license known as a limited provisional license. To obtain a limited provisional license, a person must have possessed a Level 1 limited learner's permit for at least 12 months with no moving violations or seat belt violations. It would place the following restrictions on a driver with a limited provisional license:
- May drive unsupervised from 5:00 am until 9:00 pm, when going to and coming from work, and when going to and from volunteer fire and rescue activities.
 - May drive under supervision at any time. The supervisor must sit next to the driver, but the supervisor need not be the only other occupant of the front seat.
 - All passengers must be wearing a seat belt.
- 5) The third level, known as a full provisional license, would be comparable to a provisional license under current law. To obtain a full provisional license, a person must have possessed a Level 2 limited provisional license for a period of at least 6 months with no moving violations or seat belt infractions. A full provisional licensee may drive unsupervised at any time.
- 6) It would give the Division of Motor Vehicles three choices when a person between the ages of 16 and 18 years of age, who becomes a resident of North Carolina and holds a valid unrestricted drivers license from the prior state of residence, applies for a North Carolina drivers license. Under current law, if that driver has not completed a course in driver education which meets the requirements of this State, the Division may grant a temporary driver's permit under terms and conditions deemed necessary to allow the minor to operate a motor vehicle in order to obtain the driver education courses necessary for a North Carolina provisional license. Under the changes made by this bill, DMV would be able to do one of three things:
- It may issue a temporary driver's permit to allow the driver to obtain the driver education. This option is the same as the current law.
 - It may issue a graduated license appropriate to the driver's age and experience as provided by G.S. 20-11.
 - It may issue an unrestricted drivers license if the person has possessed a valid unrestricted drivers license in his previous state for the 12 month period immediately preceding the date of application and has not been convicted of a traffic violation for which points might be assessed under the Uniform Driver's License Act.
- 7) The fee for obtaining a limited provisional license is \$10.00. The fee for obtaining a full provisional license is the same as current law. Under current law, there is only one license to obtain and the cost for obtaining it is \$2.50 for each year.
- 8) It authorizes the Division of Motor Vehicles to issue a motorcycle learner's permit and restricts those who have this permit from driving a motorcycle with passengers.

Recommended Structure for Graduated Driver Licensing in North Carolina

Level 1 (Limited Learner's Permit)

- Novice driver must be age 15 or older, complete Driver's Education, and obtain Limited Learner's permit.
- For at least 12 months the novice must be supervised when driving by an adult, guardian or other approved, licensed adult.
- All persons in a vehicle driven by a novice must wear a seat belt, and only the supervisor may ride in the front seat with the novice driver.
- The novice must complete 12 consecutive months of violation-free driving in order to progress to the next level of licensure.

Level 2 (Limited Provisional License)

- Unsupervised driving is allowed between 5 a.m. and 9 p.m. (Driving to or from work after 9 p.m. is permitted).
- Supervised driving is allowed at any time.
- Driver must complete six consecutive months of violation-free driving in order to progress to the next level of licensure.
- All persons in vehicle must wear seat belts.
- Driver is subject to all other conditions of Provisional License.

Level 3 (Full Provisional License)

- Unsupervised driving is allowed at any time.
- All persons in vehicle must wear seat belts.
- Driver is subject to all other conditions of Provisional License.

1 A BILL TO BE ENTITLED
2 AN ACT TO RAISE THE CAP ON THE AMOUNT OF BONDS THAT MAY BE
3 ISSUED BY THE NORTH CAROLINA HOUSING FINANCE AGENCY.
4 The General Assembly of North Carolina enacts:
5 Section 1. G.S. 122A-8 reads as rewritten:
6 "**§ 122A-8. Bonds and notes.**
7 The Agency is hereby authorized to provide for the issuance, at one time or from
8 time to time, ~~of not exceeding one billion five hundred million dollars~~
9 ~~(\$1,500,000,000) bonds of the Agency to carry out and effectuate its corporate~~
10 ~~purposes, provided, however, that not more than fifty million dollars (\$50,000,000)~~
11 ~~bonds shall be issued prior to June 30, 1971.~~ of bonds and notes of the Agency to
12 carry out and effectuate its corporate purposes. The Agency also is hereby authorized
13 to provide for the issuance, at one time or from time to time of (i) bond anticipation
14 notes in anticipation of the issuance of such bonds and (ii) construction loan notes to
15 finance the making or purchase of mortgage loans to sponsors of residential housing
16 for the construction, rehabilitation or improvement of residential ~~housing, provided,~~
17 ~~however, that the~~ housing. The total amount of bonds, bond anticipation ~~notes~~ notes,
18 and construction loan notes outstanding at any one time shall not exceed one billion
19 five hundred million dollars (\$1,500,000,000) excluding therefrom any bond
20 anticipation notes for the payment of which bonds ~~shall~~ have been issued. The
21 principal of and the interest on such bonds or notes shall be payable solely from the
22 funds herein provided for such payment. Any such notes may be made payable from
23 the proceeds of bonds or renewal notes or, in the event bond or renewal note
24 proceeds are not available, such notes may be paid from any available revenues or

1 assets of the Agency. The bonds or notes of each issue shall be dated and may be
2 made redeemable before maturity at the option of the Agency at such price or prices
3 and under such terms and conditions as may be determined by the Agency. Any such
4 bonds or notes shall bear interest at such rate or rates as may be determined by the
5 Local Government Commission of North Carolina with the approval of the Agency.
6 Notes shall mature at such time or times not exceeding 10 years from their date or
7 dates and bonds shall mature at such time or times not exceeding 43 years from their
8 date or dates, as may be determined by the Agency. The Agency shall determine the
9 form and manner of execution of the bonds or notes, including any interest coupons
10 to be attached thereto, and shall fix the denomination or denominations and the
11 place or places of payment of principal and interest, which may be any bank or trust
12 company within or without the State. In case any officer whose signature or a
13 facsimile of whose signature shall appear on any bonds or notes or coupons attached
14 thereto shall cease to be such officer before the delivery thereof, such signature or
15 such facsimile shall nevertheless be valid and sufficient for all purposes the same as if
16 he had remained in office until such delivery. The Agency may also provide for the
17 authentication of the bonds or notes by a trustee or fiscal agent. The bonds or notes
18 may be issued in coupon or in registered form, or both, as the Agency may
19 determine, and provision may be made for the registration of any coupon bonds or
20 notes as to principal alone and also as to both principal and interest, and for the
21 reconversion into coupon bonds or notes of any bonds or notes registered as to both
22 principal and interest, and for the interchange of registered and coupon bonds or
23 notes. Upon the filing with the Local Government Commission of North Carolina of
24 a resolution of the Agency requesting that its bonds and notes be sold, such bonds or
25 notes may be sold in such manner, either at public or private sale, and for such price
26 as ~~said~~ the Commission shall determine to be for the best interest of the Agency and
27 best effectuate the purposes of this ~~Chapter provided that such sale shall be Chapter,~~
28 as long as the sale is approved by the Agency.

29 The proceeds of any bonds or notes shall be used solely for the purposes for which
30 issued and shall be disbursed in such manner and under such restrictions, if any, as
31 the Agency may provide in the resolution authorizing the issuance of such bonds or
32 notes or in the trust agreement hereinafter mentioned securing the same.

33 Prior to the preparation of definitive bonds, the Agency may, under like
34 restrictions, issue interim receipts or temporary bonds, with or without coupons,
35 exchangeable for definitive bonds when such bonds shall have been executed and are
36 available for delivery. The Agency may also provide for the replacement of any
37 bonds or notes which shall become mutilated or shall be destroyed or lost.

38 Bonds or notes may be issued under the provisions of this Chapter without
39 obtaining, except as otherwise expressly provided in this Chapter, the consent of any
40 department, division, commission, board, body, bureau or agency of the State, and
41 without any other proceedings or the happening of any conditions or things other
42 than those proceedings, conditions or things which are specifically required by this
43 Chapter and the provisions of the resolution authorizing the issuance of such bonds
44 or notes or the trust agreement securing the same."

1 Section 2. G.S. 122A-11 reads as rewritten:

2 "§ 122A-11. Trust funds.

3 Notwithstanding any other provisions of law to the contrary, all moneys received
4 pursuant to the authority of this Chapter shall be deemed to be trust funds to be held
5 and applied solely as provided in this Chapter. The resolution authorizing any
6 obligations or the trust agreement securing the same may provide that any of such
7 moneys may be temporarily invested pending the disbursement thereof and shall
8 provide that any officer with whom, or any bank or trust company with which, such
9 moneys shall be deposited shall act as trustee of such moneys and shall hold and
10 apply the same for the purposes hereof, subject to such regulations as this Chapter
11 and such resolution or trust agreement may provide.

12 Any moneys received pursuant to the authority of this Chapter and any other
13 moneys available to the Agency for investment may be invested:

- 14 (1) As provided in G.S. 159-30, except that for purposes of G.S.
15 159-30(b) the Agency may deposit moneys at interest in banks or
16 trust companies outside as well as in this State, ~~provided any such~~
17 as long as any moneys at deposit outside this State are
18 collateralized to the same extent and manner as if at deposit in this
19 State;
- 20 (2) In evidences of ownership of, or fractional undivided interests in,
21 future interest and principal payments on either direct obligations
22 of the United States government or obligations the principal of and
23 the interest on which are guaranteed by the United States
24 government, which obligations are held by a bank or trust
25 company organized and existing under the laws of the United
26 States of America or any state in the capacity of custodian;
- 27 (3) In obligations which are collateralized by mortgage pass-through
28 securities guaranteed by the Government National Mortgage
29 Association, the Federal Home Loan Mortgage Corporation, or the
30 Federal National Mortgage Association;
- 31 (4) In a trust certificate or similar instrument evidencing an equity
32 investment in a trust or other similar arrangement which is formed
33 for the purpose of issuing obligations which are collateralized by
34 mortgage pass-through or participation certificates guaranteed by
35 the Government National Mortgage Association, the Federal Home
36 Loan Mortgage Corporation or the Federal National Mortgage
37 Association; and
- 38 (5) In repurchase agreements with respect to either direct obligations
39 of the United States government or obligations the principal of and
40 the interest on which are guaranteed by the United States
41 government if all of the following conditions are met: entered into
42 ~~with a broker or dealer, as defined by the Securities Exchange Act~~
43 ~~of 1934, which is a dealer recognized as a primary dealer by a~~
44 ~~Federal Reserve Bank, or any commercial bank, trust company or~~

1 ~~national banking association, the deposits of which are insured by~~
2 ~~the Federal Deposit Insurance Corporation or any successor~~
3 ~~thereof if~~

4 a. The repurchase agreement is entered into with an institution
5 whose ability to pay its unsecured long-term obligations
6 (including, if the institution is an insurance company, its
7 claims paying ability) is rated in one of the two highest
8 ratings categories by a nationally recognized securities rating
9 agency. If the term of the repurchase agreement is for a
10 period of one year or less, however, the repurchase
11 agreement may be entered into with an institution that does
12 not have such a long-term rating if its ability to pay its
13 unsecured short-term obligations is rated in one of the two
14 highest ratings categories by a nationally recognized
15 securities rating agency. If the institution with which the
16 agreement is to be entered does not meet the ratings
17 requirement of this subparagraph, the repurchase agreement
18 may nevertheless be entered into with the institution if the
19 obligations of the institution under the repurchase
20 agreement are fully guaranteed by another institution that
21 does meet the ratings requirement of this subparagraph.

22 b. The repurchase agreement provides that it shall be
23 terminated, without penalty, if the institution with which the
24 repurchase agreement is entered or by whom the
25 institution's obligations are guaranteed fails to maintain (i)
26 in the event that the repurchase agreement was entered into
27 in reliance upon the rating of the institution's long-term
28 obligations, a rating of its long-term obligations in one of the
29 three highest ratings categories by at least one nationally
30 recognized securities rating agency, or (ii) in the event that
31 the repurchase agreement was entered into in reliance upon
32 the rating of the institution's short-term obligations, a rating
33 of its short-term obligations in one of the two highest ratings
34 categories by at least one nationally recognized securities
35 rating agency. The repurchase agreement does not have to
36 be terminated, however, if a new guarantor meeting the
37 rating requirement set forth in subparagraph a. as the
38 requirement necessary for the Agency to enter the
39 repurchase agreement agrees to fully guarantee the
40 obligations of the institution under the repurchase
41 agreement.

42 a. c. ~~such~~ The obligations that are subject to ~~such~~ the repurchase
43 agreement are delivered (in physical or in book entry form)
44 to the Agency, or any financial institution serving either as

SENATE FINANCE COMMITTEE

WEDNESDAY, MARCH 26, 1997

12 NOON - 544 LOB

The Senate Finance Committee met on March 26, 1997 with Senator Kerr presiding. There were 26 committee members present.

The following bills were on the agenda:

S.B. 317 - LOCAL GOVERNMENT DEBT CHANGES

Senator Winner was recognized to explain S.B. 317. Copy of Bill, Explanation and Fiscal Note included in the minutes. Mr. David Lawrence with the Institute of Government was recognized and available to answer questions. There was a general discussion on this bill which will be continued tomorrow and a vote will be taken at a later date.

Senator Kerr turned the meeting over to Senator Hoyle.

S.B. 36 - UNIFORM TAX ON PIPED NATURAL GAS

Senator Kerr was recognized to explain S.B. 36. Copy of Bill, Explanation, Fiscal Note, Revenue Analysis Summary, and Statement from Sam J. Ervin, IV included in the minutes. This bill was before the committee for discussion only and no vote will be taken today.

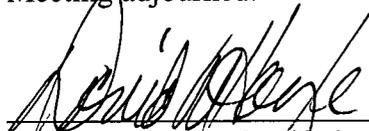

Senator Hoyle recognized Mr. Sam J. Ervin, IV, representing Carolina Utility Customers Association, who addressed the committee on behalf of his client and pointed out some of the concerns they have with this bill.

Mr. Dennis Roberts, Director of Public Utilities for the City of Lexington, was recognized and spoke in opposition to this bill.

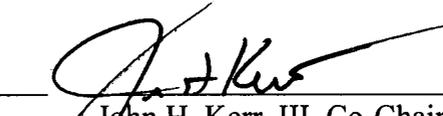

Mr. Don Harrow, representing Piedmont Natural Gas, spoke in support of this bill.

There was a general discussion on this bill with questions from the members to staff and to the speakers. This bill will be discussed further at a later meeting.

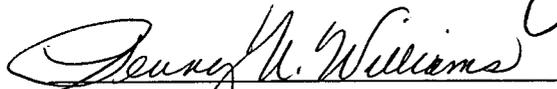

Meeting adjourned.

David W. Hoyle, Co-Chair
Senate Finance Committee

John H. Kerr, III, Co-Chair
Senate Finance Committee

Penny N. Williams, Clerk

Evelyn S. Hartsell, Clerk

SENATE BILL 317

Short Title: Local Government Debt Changes.

(Public)

Sponsors: Senators Winner, Hartsell; Cooper, Hoyle, Kerr, and Odom.

Referred to: Finance.

March 5, 1997

A BILL TO BE ENTITLED

1
2 AN ACT TO ALLOW ALL COUNTIES TO ACQUIRE PROPERTY FOR USE BY
3 THEIR LOCAL BOARDS OF EDUCATION, TO PROVIDE THAT EXISTING
4 LOCAL GOVERNMENT DEBT STATEMENT REQUIREMENTS AND DEBT
5 LIMITATIONS APPLY TO INSTALLMENT PURCHASE AND LEASE DEBTS,
6 TO REQUIRE LOCAL GOVERNMENT COMMISSION APPROVAL OF
7 MORE NONVOTED DEBTS, AND TO CAP THE AMOUNT OF
8 INSTALLMENT PURCHASE AND LEASE DEBT COUNTIES AND CITIES
9 MAY INCUR.

10 The General Assembly of North Carolina enacts:

11 Section 1. (a) G.S. 153A-158.1 reads as rewritten:

12 "**§ 153A-158.1. Acquisition and improvement of school ~~property in certain counties.~~**
13 **property.**

14 (a) Acquisition by County. -- A county may acquire, by any lawful method, any
15 interest in real or personal property for use by a school administrative unit within the
16 county. In exercising the power of eminent domain a county shall use the procedures
17 of Chapter 40A. The county shall use its authority under this subsection to acquire
18 property for use by a school administrative unit within the county only upon the
19 request of the board of education of that school administrative unit and after a public
20 hearing.

21 (b) Construction or Improvement by County. -- A county may construct, equip,
22 expand, improve, renovate, or otherwise make available property for use by a school
23 administrative unit within the county. The local board of education shall be involved

1 in the design, construction, equipping, expansion, improvement, or renovation of the
2 property to the same extent as if the local board owned the property.

3 (c) Lease or Sale by Board of Education. -- Notwithstanding the provisions of G.S.
4 115C-518 and G.S. 160A-274, a local board of education may, in connection with
5 additions, improvements, renovations, or repairs to all or part of any of its property,
6 lease or sell the property to the board of commissioners of the county in which the
7 property is located for any price negotiated between the two boards.

8 (d) Board of Education May Contract for Construction. -- Notwithstanding the
9 provisions of G.S. 115C-40 and G.S. 115C-521, a local board of education may enter
10 into contracts for the erection or repair of school buildings upon sites owned in fee
11 simple by one or more counties in which the local school administrative unit is
12 located.

13 ~~(e) Scope. -- This section applies to Alleghany, Ashe, Avery, Bladen, Brunswick,~~
14 ~~Cabarrus, Carteret, Cherokee, Chowan, Columbus, Currituck, Dare, Duplin,~~
15 ~~Edgecombe, Forsyth, Franklin, Graham, Greene, Guilford, Halifax, Harnett,~~
16 ~~Haywood, Hyde, Iredell, Jackson, Johnston, Jones, Lee, Macon, Madison, Martin,~~
17 ~~Moore, Nash, New Hanover, Orange, Pasquotank, Pender, Person, Pitt, Randolph,~~
18 ~~Richmond, Rockingham, Rowan, Sampson, Scotland, Stanly, Surry, Union, Vance,~~
19 ~~Wake, Wilson, and Watauga Counties."~~

20 (b) The repeal of G.S. 153A-158.1(e) gives to all counties in the State the
21 authority that was previously limited to the counties listed in that subsection.

22 Section 2. G.S. 159-55 reads as rewritten:

23 "**§ 159-55. Sworn statement of debt; debt limitation.**

24 (a) Sworn Statement of Debt. -- After the bond order has been introduced and
25 before the public hearing thereon, the finance officer (or some other officer
26 designated by the governing board for this purpose) shall file with the clerk a
27 statement showing the following:

28 (1) Gross debt. -- The gross debt of the unit, excluding therefrom debt
29 incurred or to be incurred in anticipation of the collection of taxes
30 or other revenues or in anticipation of the sale of bonds other than
31 funding and refunding bonds. The gross debt (after exclusions) is
32 the sum of (i) outstanding debt evidenced by bonds, (ii) bonds
33 authorized by orders introduced but not yet adopted, (iii) unissued
34 bonds authorized by adopted orders, and (iv) outstanding debt not
35 evidenced by ~~bonds.~~ bonds, as determined in subsection (d) of this
36 section. However, for purposes of the sworn statement of debt and
37 the debt limitation, revenue bonds shall not be considered debt
38 and ~~such bonds~~ shall not be included in gross debt nor deducted
39 from gross debt.

40 (2) Deductions in computing net debt. -- The deductions to be made
41 from gross debt in computing net debt. The following deductions
42 are allowed:

43 a. Funding and refunding bonds authorized by orders
44 introduced but not yet adopted.

- 1 b. Funding and refunding bonds authorized but not yet issued.
2 c. The amount of money held in sinking funds or otherwise for
3 the payment of any part of the principal of gross debt other
4 than debt incurred for water, gas, electric light or power
5 purposes, or sanitary sewer purposes (to the extent that the
6 bonds are deductible under subsection (b) of this section), or
7 two or more of these purposes.
8 d. The amount of bonded debt included in gross debt and
9 incurred, or to be incurred, for water, gas, or electric light
10 or power purposes, or any two or more of these purposes.
11 e. The amount of bonded debt included in the gross debt and
12 incurred, or to be incurred, for sanitary sewer system
13 purposes to the extent that the debt is made deductible by
14 subsection (b) of this section.
15 f. The amount of uncollected special assessments theretofore
16 levied for local improvements for which any part of the
17 gross debt (that is not otherwise deducted) was or is to be
18 incurred, to the extent that the assessments will be applied,
19 when collected, to the payment of any part of the gross debt.
20 g. The amount, as estimated by the governing board of the
21 issuing unit or an officer designated by the board for this
22 purpose, of special assessments to be levied for local
23 improvements for which any part of the gross debt (that is
24 not otherwise deducted) was or is to be incurred, to the
25 extent that the special assessments, when collected, will be
26 applied to the payment of any part of the gross debt.
27 (3) Net debt. -- The net debt of the issuing unit, being the difference
28 between the gross debt and deductions.
29 (4) Assessed value of property. -- The assessed value of property
30 subject to taxation by the issuing unit, as revealed by the tax
31 records and certified to the issuing unit by the assessor.
32 (5) Net debt percentage. -- The percentage that the net debt bears to
33 the assessed value of property subject to taxation by the issuing
34 unit.
35 (b) Sewer System Debt Deductible. -- Debt incurred or to be incurred for sanitary
36 sewer system purposes is deductible from gross debt when the combined revenues of
37 the water system and the sanitary sewer system (whether or not the water and sewer
38 system are operated separately or as a consolidated system) were sufficient to pay all
39 operating, capital outlay, and debt service expenditures attributable to both systems in
40 each of the three complete fiscal years immediately preceding the date on which the
41 sworn statement of debt is filed. For the purposes of this subsection, the 'revenues'
42 of a water system and a sanitary sewer system include:
43 (1) Rates, fees, rentals, charges, and other receipts and income derived
44 from or in connection with the system.

1 (2) Fees, rents, or other charges collected from other offices, agencies,
2 institutions, and departments of the issuing unit at rates not in
3 excess of those charged to other consumers, customers, or users.

4 (3) Appropriations from the fund balance of the prior fiscal year from
5 the fund or funds established to account for the revenues and
6 expenditures of the water system or sewer system pursuant to G.S.
7 159-13(a) of the Local Government Budget and Fiscal Control Act.

8 Before the sworn statement of debt is filed, the secretary shall determine to what
9 extent debt incurred or to be incurred for sanitary sewer system purposes qualifies for
10 deduction from gross debt pursuant to this subsection, and shall give ~~his~~ a certificate
11 to that effect. The secretary's certificate shall be filed with and deemed a part of the
12 sworn statement of debt. The secretary's certificate shall be conclusive in the absence
13 of fraud.

14 (c) Debt Limitation. -- No bond order shall be adopted unless it appears from the
15 sworn statement of debt filed in connection therewith that the net debt of the unit
16 does not exceed eight percent (8%) of the assessed value of property subject to
17 taxation by the issuing unit. This limitation shall not apply to:

18 (1) Funding and refunding bonds.

19 (2) Bonds issued for water, gas, or electric power purposes, or two or
20 more of these purposes.

21 (3) Bonds issued for sanitary sewer system purposes when the bonds
22 are deductible pursuant to subsection (b) of this section.

23 (4) Bonds issued for sanitary sewers, sewage disposal, or sewage
24 purification plants when the construction of these facilities has
25 been ordered by the Environmental Management ~~Commission;~~
26 ~~which Commission is hereby authorized to make such an order;~~
27 Commission or by a court of competent jurisdiction.

28 (5) Bonds or notes issued for erosion control purposes.

29 (6) Bonds or notes issued for the purpose of erecting jetties or other
30 protective works to prevent encroachment by the ocean, sounds, or
31 other bodies of water.

32 (d) Determination of Outstanding Debt Not Evidenced by Bonds. -- For the
33 purpose of this section, outstanding debt not evidenced by bonds includes the
34 principal component of outstanding installment contracts and capital leases and the
35 total lease payments due under outstanding operating leases. Outstanding debt not
36 evidenced by bonds is includable in gross debt and deductible in determining net
37 debt to the same extent as if it were bonded debt.

38 If an installment contract, a capital lease, or an operating lease provides funds for
39 more than one purpose within the meaning of this section, the amount of funds
40 borrowed for each purpose shall be the amounts set forth in the installment contract,
41 capital lease, or operating lease. If the installment contract, capital lease, or operating
42 lease does not set forth the amount borrowed for each purpose, the finance officer
43 shall file a certificate with the clerk determining the purposes and amounts, and the

1 determination shall be conclusive and binding for purposes of complying with this
2 section.

3 The following definitions apply in this subsection:

- 4 (1) Capital lease. -- An agreement entered into under G.S. 153A-165
5 or G.S. 160A-19 that constitutes a capital lease under generally
6 accepted accounting principles and that is subject to approval by
7 the Local Government Commission under Article 8 of Chapter 159
8 of the General Statutes.
- 9 (2) Installment contract. -- An agreement entered into under G.S.
10 160A-20 that is subject to approval by the Local Government
11 Commission under Article 8 of Chapter 159 of the General
12 Statutes.
- 13 (3) Operating lease. -- An agreement entered into under G.S. 153A-
14 165 or G.S. 160A-19 that constitutes an operating lease under
15 generally accepted accounting principles and that is subject to
16 approval by the Local Government Commission under Article 8 of
17 Chapter 159 of the General Statutes.
- 18 (4) Principal component. -- The aggregate amount payable under an
19 installment contract or a capital lease over its term in respect of
20 principal only, as set forth in the installment contract or capital
21 lease or in a principal component certificate.
- 22 (5) Principal component certificate. -- A certificate of the finance
23 officer, or some other officer designated by the governing body for
24 this purpose, filed with the clerk setting forth the principal
25 component of an installment contract or capital lease when the
26 installment contract or capital lease does not expressly designate a
27 principal component."

28 Section 3. G.S. 159-148 reads as rewritten:

29 "**§ 159-148. Contracts subject to Article; exceptions.**

30 (a) Except as provided in subsection (b) of this section, this Article applies to any
31 contract, agreement, memorandum of understanding, and any other transaction
32 having the force and effect of a contract (other than agreements made in connection
33 with the issuance of revenue bonds, special obligation bonds issued pursuant to
34 Chapter 159I of the General Statutes, or of general obligation bonds additionally
35 secured by a pledge of revenues) made or entered into by a unit of local government
36 (as defined by G.S. 159-7(b) or, in the case of a special obligation bond, as defined in
37 Chapter 159I of the General Statutes), relating to the lease, acquisition, or
38 construction of capital assets, which contract

- 39 (1) Extends for five or more years from the date of the contract,
40 including periods that may be added to the original term through
41 the exercise of options to renew or extend, and
- 42 (2) Obligates the unit to pay sums of money to another, without regard
43 to whether the payee is a party to the contract, and

1 (3) Obligates the unit over the full term of the contract, including
 2 periods that may be added to the original term through the
 3 exercise of options to renew or extend, to the extent of five
 4 hundred thousand dollars (\$500,000) or a sum equal to one tenth
 5 of one percent (1/10 of 1%) of the assessed value of property
 6 subject to taxation by the contracting unit, whichever is less, and
 7 less.

8 ~~(4) Obligates the unit, expressly or by implication, to exercise its~~
 9 ~~power to levy taxes either to make payments falling due under the~~
 10 ~~contract, or to pay any judgment entered against the unit as a~~
 11 ~~result of the unit's breach of the contract.~~

12 Contingent obligation obligations shall be included in calculating the value of the
 13 contract. Several contracts that are all related to the same undertaking shall be
 14 deemed a single contract for the purposes of this Article. When several contracts are
 15 considered as a single contract, the term shall be that of the contract having the
 16 longest term, and the sums to fall due shall be the total of all sums to fall due under
 17 all single contracts in the group.

18 (b) This Article shall not apply to:

- 19 (1) Contracts between a unit of local government and the State of
 20 North Carolina or the United States of America (or any agency of
 21 either) entered into as a condition to the making of grants or loans
 22 to the unit of local government.
 23 (2) Contracts for the purchase, lease, or lease with option to purchase
 24 of motor vehicles or voting machines.
 25 (3) Loan agreements entered into by a unit of local government
 26 pursuant to the North Carolina Solid Waste Management Loan
 27 Program, Chapter 159I of the General Statutes."

28 Section 4. G.S. 159-150 reads as rewritten:

29 "**§ 159-150. Sworn statement of debt; debt limitation.**

30 (a) Sworn Statement of Debt. -- After or at the time an application is filed under
 31 G.S. 159-149, the finance officer, or some other officer designated by the board, shall
 32 prepare, swear to, and file with the secretary and for public inspection in the office of
 33 the clerk to the board a statement of debt in the same form prescribed in G.S. 159-55
 34 for statements of debt filed in connection with general obligation bond issues. The
 35 sums to be included in gross debt and the deductions therefrom to arrive at net debt
 36 shall be the same as prescribed in G.S. 159-55, ~~except that sums to fall due under~~
 37 ~~contracts subject to this Article shall be treated as if they were evidenced by general~~
 38 ~~obligation bonds of the unit except that the contract to be entered into under this~~
 39 Article shall be treated as outstanding debt not evidenced by bonds as determined
 40 under G.S. 159-55(d).

41 (b) Overall Debt Limitation. -- No contract subject to this Article may be
 42 executed if the net debt of the contracting unit, after execution of the contract, would
 43 exceed eight percent (8%) of the assessed value of property subject to taxation by the

1 contracting unit. This subsection does not apply to contracts executed by units that
2 do not have the power to levy taxes.

3 (c) Limitation on Debt Not Evidenced by Bonds. -- Unless the contract has been
4 approved by the voters of the contracting county or city as provided in subsection (e)
5 of this section, a county or city may not execute a contract subject to this Article if
6 the net outstanding debt not evidenced by bonds issued by the county or city on or
7 after July 1, 1997, would, after execution of the contract, exceed one percent (1%) of
8 the assessed value of property subject to taxation by the county or city.

9 (d) Exceptions to Limitations. -- Subsections (b) and (c) of this section shall not
10 apply to:

- 11 (1) Funding and refunding contracts.
- 12 (2) Contracts entered into for water, gas, or electric power purposes,
13 or two or more of these purposes.
- 14 (3) Contracts entered into for sanitary sewer system purposes when the
15 amounts payable under the contracts are deductible pursuant to
16 G.S. 159-55(d)(2) or G.S. 159-55(d)(3).
- 17 (4) Contracts entered into for sanitary sewers, sewage disposal, or
18 sewage purification plants when the construction of these facilities
19 has been ordered by the Environmental Management Commission
20 or by a court of competent jurisdiction.
- 21 (5) Contracts entered into for erosion control purposes.
- 22 (6) Contracts entered into for the purpose of erecting jetties or other
23 protective works to prevent encroachment by the ocean, sounds, or
24 other bodies of water.

25 (e) Voter Approval of Certain Contracts. -- If a county or city would be
26 prohibited from executing a contract subject to this Article because the net
27 outstanding debt not evidenced by bonds issued by the county or city on or after July
28 1, 1997, would, after execution of the contract, exceed the debt limit set by subsection
29 (c) of this section, then the governing board of the county or city may, in its
30 discretion, submit the question of whether to execute the contract for approval by the
31 qualified voters of the county or city. A referendum held pursuant to this subsection
32 shall be conducted according to the standards, procedures, and limitations set out in
33 G.S. 159-60 through G.S. 159-62."

34 Section 5. This act is effective when it becomes law. This act does not
35 affect contracts and obligations entered into before July 1, 1997, or for which an
36 application for Local Government Commission approval was filed before July 1,
37 1997.

EXPLANATION OF SENATE BILL 317
Proposed Committee Substitute
Local Government Debt Changes

TO: Senate Finance Committee
FROM: Sabra Faires, Committee Counsel
DATE: March 12, 1997
SPONSOR: Senator Leslie Winner

Senate Bill 317 makes the following changes concerning local government debt:

1. It gives all counties the same authority that 52 counties now have to acquire and improve property to be used by their local boards of education (Section 1) G.S. 153A-158.1(e) lists the 52 counties that currently have this authority.
2. It requires certain nonvoted local debt to be included in determining whether the net debt of the local unit meets the statutory debt limitation of 8% of the assessed value of property in the local unit. (Sections 2 and 4).
3. It establishes a new 1% debt limit for nonvoted debt and allows the limit to be exceeded only by a vote of the people. (Section 4)
4. It deletes one of the current conditions a local financing agreement must meet in order to be subject to approval by the Local Government Commission. The condition that is deleted is an obligation to levy taxes to pay either the debt incurred under the contract or a judgment entered against the unit for breach of the contract. (Section 3)
5. It adds a new exemption from the debt limitations on financing agreements and the procedures for entering into financing agreements. The new exemption is for agreements between units of local government if utility revenues will be used to support the payments under the agreement.

Nonvoted Local Debt To Be Included In Determining 8% Debt Limitations

Current law (G.S. 159-55) prohibits the issuance of a general obligation bond if the net debt of the issuing unit, when combined with the proposed bond, would exceed 8% of the assessed value of property in the unit. Similarly, current law (G.S. 159-150) prohibits a local unit from entering into certain financing agreements if the net debt of the unit, when combined with the proposed agreement, would exceed the 8% limit.

Current law requires outstanding debt not evidenced by bonds to be included in determining the net debt of the unit but does not specify what debt is included in this group. The decision on whether or not to include nonvoted debt rests with the bond attorneys. There is disagreement among these attorneys over

what needs to be included. Some bond counsel do not require installment financings under G.S. 160A-20 to be included.

The bill specifies that certain local, nonvoted debt must be included in determining the unit's net debt. The debt the bill requires to be included consists of all capital leases, operating leases, and installment contracts that must be submitted to the Local Government Commission for approval. The types of financing agreements that must be submitted for approval under the bill are those that meet the following criteria and are not exempt: (i) extend for at least five years and obligate payment of \$500,000 or 1/10th of 1% of the assessed value of property, whichever is less, or (ii) give a security interest and involve the construction or repair of fixtures or improvements to real property. Current law exempts agreements between a local unit and the State or federal government, contracts to purchase or lease motor vehicles or voting machines, and solid waste loan agreements.

New 1% Limit on Nonvoted Debt

The bill limits the amount of nonvoted debt a unit of local government can incur. The limit is 1% of the assessed value of taxable property in the unit. Under the bill, a unit cannot enter a financing agreement that requires the approval of the Local Government Commission if the net, nonvoted debt of the unit, when combined with the proposed debt, would exceed 1% of the assessed value of taxable property. In calculating whether the 1% threshold has been reached, only nonvoted debt incurred after July 1, 1997, is counted. Therefore, all the existing nonvoted debt does not count towards this 1% limit.

The same deductions apply in determining net debt that apply in determining net debt for purposes of the 8% limitation. The bill creates exceptions to the 1% limit that mirror the exceptions to the 8% limit and add two new exceptions for purposes of the 1% limit. The exceptions for contracts entered to comply with a court order and contracts entered into by units that do not have any power to tax.

The bill authorizes a local unit to exceed the 1% limit if it has voter approval of the proposed financing agreement. The bill gives the governing board of the unit the discretion to submit a proposed financing agreement to a vote if the unit is otherwise prohibited from entering into the agreement because of the 1% limit.

Acquisition of Property For Use By Local Boards of Education

The bill makes the following changes concerning the acquisition and financing of public school facilities in the 48 counties that do not currently have this authority:

- (1) It authorizes the counties to acquire real or personal property for use by a school administrative unit located in the county when requested to do so by the unit. Under current law, only those counties listed in G.S. 153A-

158.1(a), have this authority. Under general law, a county is authorized to acquire real or personal property only on behalf of the county or an agency of the county and a school administrative unit is not an agency of the county.

- (2) It authorizes the local boards of education to contract with their county for the erection or repair of a public school building that is located on a site owned by the county. Under current general law, local boards of education are required to hold title to all school property and therefore have no authority to make contracts concerning the construction or repair of school buildings located on sites not owned by them.
- (3) It authorizes the local boards of education to transfer to the county property on which a school building in need of renovation or repair is located for any price agreed to by the board of education and the county. Current law requires transfers from a local board of education to a county to be at fair market value and allows a local board of education to transfer property to a county only if the board does not believe the property is necessary or desirable for a school.

POSITIONS:

**PRINCIPAL DEPARTMENT(S) &
PROGRAM(S) AFFECTED:**

EFFECTIVE DATE: The bill is effective when it becomes law. However, it does not affect contracts and obligations entered into before July 1, 1997, or for which an application for Local Government Commission was filed prior to July 1, 1997.

BILL SUMMARY: Presently 52 counties have the authority to acquire property for use by their local boards of Education providing counties with the ability to finance school capital outlay through installment purchases and certificates of participation. The bill amends county government and local finance law as follows:

- (1) Extends authority to all 100 counties to acquire property for use by local boards of education.
- (2) Provides that existing local government debt statement requirements and debt limitations apply to "debt not evidenced by bonds" (primarily installment purchases and certificates of participation).
- (3) Requires Local Government Commission approval of more nonvoted debts.
- (4) Requires certain nonvoted local debt to be included in determining whether the net debt of a local unit exceeds the limit of 8% of assessed property value and caps the amount of nonvoted debt that counties and cities may incur without a vote of the people.

(over)

ASSUMPTIONS AND METHODOLOGY: An indirect impact of the bill is that to the extent the additional authority to use installment financing or certificates of participation is used by counties as a result of the bill, the financing cost of projects will rise by .25-.50% due to the increased risk. It is not clear at this point what impact the \$1.8 billion state school bond issue will have on the use of these financing vehicles. Most counties have already met their match for the state bond proceeds but many counties with a backlog of facility needs will continue going to the market in tandem with the state dollars to maximize their ability to meet the address the backlog. For other counties the state funds will take the pressure off local financing. Another factor is that during the last couple of years local school bond issues have had a high success rate with the voters. This may relieve the pressure for the type of financing addressed under this bill. In fact, so far this year

Another potential indirect impact is that the greater use of installment purchases and certificates of participation could increase the refund of state and local sales taxes to local units because the county owns the facility. Unless the sales tax law is changed this year school boards will continue to not have the right to receive refunds. Some counties are now receiving refunds by working out agreements in which the county makes the taxable purchases or uses their lease purchase authority. The type of financing under this bill will make the refunds automatic. Again, it is impossible to predict how many counties will actually use this avenue.

SENATE BILL 36

Short Title: Uniform Tax on Piped Natural Gas.

(Public)

Sponsors: Senators Kerr, Cochrane, Cooper, Shaw of Cumberland, Soles; Foxx and Hoyle.

Referred to: Finance.

February 3, 1997

A BILL TO BE ENTITLED

1
2 AN ACT TO ESTABLISH A UNIFORM TAX ON PIPED NATURAL GAS BY
3 CONVERTING THE SALES TAX AND GROSS RECEIPTS TAX ON PIPED
4 NATURAL GAS INTO A TAX BASED ON VOLUME OF THERMS.

5 The General Assembly of North Carolina enacts:

6 Section 1. G.S. 105-116 reads as rewritten:

7 "**§ 105-116. Franchise or privilege tax on electric power, ~~natural gas~~, water, and**
8 **sewerage companies.**

9 (a) Tax. -- An annual franchise or privilege tax is imposed on a person, firm, or
10 corporation, other than a municipal corporation, that is:

11 (1) An electric power company engaged in the business of furnishing
12 electricity, electric lights, current, or power.

13 ~~(2) A natural gas company engaged in the business of furnishing piped~~
14 ~~natural gas.~~

15 (3) A water company engaged in owning or operating a water system
16 subject to regulation by the North Carolina Utilities Commission.

17 (4) A public sewerage company engaged in owning or operating a
18 public sewerage system.

19 The tax on an electric power company is three and twenty-two hundredths percent
20 (3.22%) of the company's taxable gross receipts from the business of furnishing
21 electricity, electric lights, current, or power. ~~The tax on a natural gas company is~~
22 ~~three and twenty-two hundredths percent (3.22%) of the company's taxable gross~~
23 ~~receipts from the business of furnishing piped natural gas.~~ The tax on a water

1 company is four percent (4%) of the company's taxable gross receipts from owning or
2 operating a water system subject to regulation by the North Carolina Utilities
3 Commission. The tax on a public sewerage company is six percent (6%) of the
4 company's taxable gross receipts from owning or operating a public sewerage
5 company. A company's taxable gross receipts are its gross receipts from business
6 inside the State less the amount of gross receipts from sales reported under
7 subdivision (b)(2). A company that engages in more than one business taxed under
8 this section shall pay tax on each business. A company is allowed a credit against the
9 tax imposed by this section for the company's investments in certain entities in
10 accordance with Division V of Article 4 of this Chapter.

11 (b) Report and Payment. -- The tax imposed by this section is payable monthly or
12 quarterly as specified in this subsection. A report is due quarterly. An electric power
13 company ~~or a natural gas company~~ shall pay tax monthly. A monthly tax payment is
14 due by the last day of the month that follows the month in which the tax accrues,
15 except the payment for tax that accrues in May. The payment for tax that accrues in
16 May is due by June 25. An electric power company ~~or a natural gas company~~ is not
17 subject to interest on or penalties for an underpayment of a monthly amount due if
18 the company timely pays at least ninety-five percent (95%) of the amount due and
19 includes the underpayment with the next report the company files. A water company
20 or a public sewerage company shall pay tax quarterly when filing a report.

21 A quarterly report covers a calendar quarter and is due by the last day of the
22 month that follows the quarter covered by the report. A company shall submit a
23 report on a form provided by the Secretary. The report shall include the company's
24 gross receipts from all property it owned or operated during the reporting period in
25 connection with its business taxed under this section and shall contain the following
26 information:

- 27 (1) The company's gross receipts for the reporting period from
28 business inside and outside this State, stated separately.
- 29 (2) The company's gross receipts from commodities or services
30 described in subsection (a) that are sold to a vendee subject to the
31 tax levied by this section or to a joint agency established under
32 ~~G.S. Chapter 159B~~ Chapter 159B of the General Statutes or a
33 municipality having an ownership share in a project established
34 under that Chapter.
- 35 (3) The amount of and price paid by the company for commodities or
36 services described in subsection (a) that are purchased from others
37 engaged in business in this State and the name of each vendor.
- 38 (4) For an electric power ~~company or a natural gas~~ company, the
39 company's gross receipts from the sale within each municipality of
40 the commodities and services described in subsection (a).

41 A company shall report its gross receipts on an accrual basis.

42 ~~(e) Gas Special Charges. Gross receipts of a natural gas company do not~~
43 ~~include the following:~~

1 (1) ~~Special charges collected within this State by the company~~
2 ~~pursuant to drilling and exploration surcharges approved by the~~
3 ~~North Carolina Utilities Commission, if the surcharges are~~
4 ~~segregated from the other receipts of the company and are devoted~~
5 ~~to drilling, exploration, and other means to acquire additional~~
6 ~~supplies of natural gas for the account of natural gas customers in~~
7 ~~North Carolina and the beneficial interest in the surcharge~~
8 ~~collections is preserved for the natural gas customers paying the~~
9 ~~surcharges under rules established by the Commission.~~

10 (2) ~~Natural gas expansion surcharges imposed under G.S. 62-158.~~

11 (d) Distribution. -- For the purpose of this subsection, the term 'distribution
12 amount' means three and nine hundredths percent (3.09%) of the taxable gross
13 receipts derived during a period by an electric power company ~~and a natural gas~~
14 ~~company~~ from sales within a municipality of the commodities and services described
15 in subsection (a) of this section. The Secretary shall distribute to each municipality
16 the distribution amount for that municipality for the preceding calendar quarter less
17 ~~an amount equal to the 'holdback amount' for the municipality. The 'holdback~~
18 ~~amount' for a municipality equals~~ one-fourth of the excess of the electric power
19 distribution amount for that municipality for the period April 1, 1994, to March 31,
20 1995, over the electric power distribution amount for that municipality for the period
21 April 1, 1990, to March 31, 1991, as certified by the Secretary. The Secretary shall
22 distribute the revenue within 75 days after the end of each quarter. If a company's
23 report does not state the company's taxable gross receipts derived within a
24 municipality, the Secretary shall determine a practical method of allocating part of
25 the company's taxable gross receipts to the municipality.

26 As used in this subsection, the term 'municipality' includes an urban service
27 district defined by the governing board of a consolidated city-county. The amount
28 due an urban service district shall be distributed to the governing board of the
29 consolidated city-county.

30 (e) Local Tax. -- So long as there is a distribution to municipalities of the amount
31 herein provided from the tax imposed by this section, no municipality shall impose or
32 collect any greater franchise, privilege or license taxes, in the aggregate, on the
33 businesses taxed under this section, than was imposed and collected on or before
34 January 1, 1947. If any municipality shall have collected any privilege, license or
35 franchise tax between January 1, 1947, and April 1, 1949, in excess of the tax
36 collected by it prior to January 1, 1947, then upon distribution of the taxes imposed
37 by this section to municipalities, the amount distributable to any municipality shall be
38 credited with such excess payment."

39 Section 2. G.S. 105-164.3(25) reads as rewritten:

40 "(25) 'Utility' means an electric power ~~company, a gas company,~~
41 company or a telephone company that is subject to a privilege tax
42 based on gross receipts under G.S. 105-116 or 105-120, a business
43 entity that provides local, toll, or private telecommunications
44 service as defined by G.S. ~~105-120(e)~~ 105-120(e), or a

1 municipality that sells electric power, other than a municipality
2 whose only wholesale supplier of electric power is a federal
3 agency and who is required by a contract with that federal agency
4 to make payments in lieu of taxes."

5 Section 3. G.S. 105-164.4(a) reads as rewritten:

6 "(a) A privilege tax is imposed on a retailer at the following percentage rates of
7 the retailer's net taxable sales or gross receipts, as appropriate. The general rate of
8 tax is four percent (4%).

9 (1) The general rate of tax applies to the sales price of each item or
10 article of tangible personal property that is sold at retail and is
11 not subject to tax under another subdivision in this section.

12 (1a) The rate of two percent (2%) applies to the sales price of each
13 manufactured home sold at retail, including all accessories
14 attached to the manufactured home when it is delivered to the
15 purchaser. The maximum tax is three hundred dollars (\$300.00)
16 per article. Each section of a manufactured home that is
17 transported separately to the site where it is to be erected is a
18 separate article.

19 (1b) The rate of three percent (3%) applies to the sales price of each
20 aircraft, boat, railway car, or locomotive sold at retail, including
21 all accessories attached to the item when it is delivered to the
22 purchaser. The maximum tax is one thousand five hundred
23 dollars (\$1,500) per article.

24 (1c) The rate of one percent (1%) applies to the sales price of the
25 following articles:

26 a. Horses or mules by whomsoever sold.

27 b. Semen to be used in the artificial insemination of animals.

28 c. Sales of fuel, other than ~~electricity or piped natural gas,~~
29 electricity, to farmers to be used by them for any farm
30 purposes other than preparing food, heating ~~dwelling~~
31 dwellings, and other household purposes. The quantity of
32 fuel purchased or used at any one time shall not in any
33 manner be a determinative factor as to whether any sale or
34 use of fuel is or is not subject to the one percent (1%) rate
35 of tax imposed ~~herein~~ by this subdivision.

36 d. Sales of fuel, other than ~~electricity or piped natural gas,~~
37 electricity, to manufacturing industries and manufacturing
38 plants for use in connection with the operation of such
39 industries and plants other than sales of fuels to be used for
40 residential heating purposes. The quantity of fuel purchased
41 or used at any one time shall not in any manner be a
42 determinative factor as to whether any sale or use of fuel is
43 or is not subject to the rate of tax provided in this
44 subdivision.

- e. Sales of fuel, other than ~~electricity or piped natural gas, electricity,~~ to commercial laundries or to pressing and dry-cleaning establishments for use in machinery used in the direct performance of the laundering or the pressing and cleaning service.
- f. Sales to freezer locker plants of wrapping paper, cartons and supplies consumed directly in the operation of such plant.

(1d) The rate of one percent (1%) applies to the sales price of the following articles. The maximum tax is eighty dollars (\$80.00) per article.

- a. Sales to a farmer of machines and machinery, and parts and accessories for these machines and machinery, for use by the farmer in the planting, cultivating, harvesting, or curing of farm crops or in the production of dairy products, eggs, or animals. A 'farmer' includes a dairy operator, a poultry farmer, an egg producer, a livestock farmer, a farmer of crops, and a farmer of an aquatic species, as defined in G.S. 106-758. Items that are exempt from tax under G.S. 105-164.13(4c) are not subject to tax under this section.

The term 'machines and machinery' as used in this subdivision is defined as follows:

The term shall include all vehicular implements, designed and sold for any use defined in this subdivision, which are operated, drawn or propelled by motor or animal power, but shall not include vehicular implements which are operated wholly by hand, and shall not include any motor vehicles required to be registered under Chapter 20 of the General Statutes.

The term shall include all nonvehicular implements and mechanical devices designed and sold for any use defined in this subdivision, which have moving parts, or which require the use of any motor or animal power, fuel, or electricity in their operation but shall not include nonvehicular implements which have no moving parts and are operated wholly by hand.

The term shall also include metal flues sold for use in curing tobacco, whether such flues are attached to handfired furnaces or used in connection with mechanical burners.

- b. Sales of mill machinery or mill machinery parts and accessories to manufacturing industries and plants, and sales to contractors and subcontractors purchasing mill machinery or mill machinery parts and accessories for use by them in the performance of contracts with manufacturing industries and plants, and sales to subcontractors purchasing mill

1 machinery or mill machinery parts and accessories for use
2 by them in the performance of contracts with general
3 contractors who have contracts with manufacturing
4 industries and plants. As used in this paragraph, the term
5 'manufacturing industries and plants' does not include
6 delicatessens, cafes, cafeterias, restaurants, and other similar
7 retailers that are principally engaged in the retail sale of
8 foods prepared by them for consumption on or off their
9 premises.

- 10 c. Sales of central office equipment and switchboard and
11 private branch exchange equipment to telephone companies
12 regularly engaged in providing telephone service to
13 subscribers on a commercial basis, and sales to these
14 companies of prewritten computer programs used in
15 providing telephone service to their subscribers.
- 16 d. Sales to commercial laundries or to pressing and dry
17 cleaning establishments of machinery used in the direct
18 performance of the laundering or the pressing and cleaning
19 service and of parts and accessories thereto.
- 20 e. Sales to freezer locker plants of machinery used in the direct
21 operation of said freezer locker plant and of parts and
22 accessories thereto.
- 23 f. Sales of broadcasting equipment and parts and accessories
24 thereto and towers to commercial radio and television
25 companies which are under the regulation and supervision
26 of the Federal Communications Commission.
- 27 g. Sales to farmers of bulk tobacco barns and racks and all
28 parts and accessories thereto and similar apparatus used for
29 the curing and drying of any farm produce.
- 30 h. Sales to farmers of grain, feed or soybean storage facilities
31 and accessories thereto, whether or not dryers are attached,
32 and all similar apparatus and accessories thereto for the
33 storage of grain, feed or soybeans.
- 34 i. Sales of containers to farmers or producers for use in the
35 planting, producing, harvesting, curing, marketing,
36 packaging, sale, or transporting or delivery of their products
37 when such containers do not go with and become part of the
38 sale of their products at wholesale or retail.

- 39 (1e) The rate of three percent (3%) applies to the sales price of each
40 mobile classroom or mobile office sold at retail, including all
41 accessories attached to the mobile classroom or mobile office
42 when it is delivered to the purchaser. The maximum tax is one
43 thousand five hundred dollars (\$1,500) per article. Each section

- 1 of a mobile classroom or mobile office that is transported
2 separately to the site where it is to be placed is a separate article.
- 3 (1f) The rate of two and eighty-three-hundredths percent (2.83%)
4 applies to the sales price of electricity ~~and piped natural gas~~
5 described in this subdivision and measured by a separate meter or
6 another separate device:
- 7 a. Sales of electricity ~~and piped natural gas~~ to farmers to be
8 used by them for any farm purposes other than preparing
9 food, heating dwellings, and other household purposes. The
10 quantity of electricity or gas purchased or used at any one
11 time shall not be a determinative factor as to whether its
12 sale or use is or is not subject to the rate of tax provided in
13 this subdivision.
- 14 b. Sales of electricity ~~and piped natural gas~~ to manufacturing
15 industries and manufacturing plants for use in connection
16 with the operation of the industries and plants other than
17 sales of electricity ~~and gas~~ to be used for residential heating
18 purposes. The quantity of electricity ~~or gas~~ purchased or
19 used at any one time shall not be a determinative factor as
20 to whether its sale or use is or is not subject to the rate of
21 tax provided in this subdivision.
- 22 c. Sales of electricity ~~and piped natural gas~~ to commercial
23 laundries or to pressing and dry-cleaning establishments for
24 use in machinery used in the direct performance of the
25 laundering or the pressing and cleaning service.
- 26 (2) The applicable percentage rate applies to the gross receipts
27 derived from the lease or rental of tangible personal property by
28 a person who is engaged in the business of leasing or renting
29 tangible personal property, or is a retailer and leases or rents
30 property of the type sold by the retailer. The applicable
31 percentage rate is the rate and the maximum tax, if any, that
32 applies to a sale of the property that is leased or rented. A person
33 who leases or rents property shall also collect the tax imposed by
34 this section on the separate retail sale of the property.
- 35 (3) Operators of hotels, motels, tourist homes, tourist camps, and
36 similar type businesses and persons who rent private residences
37 and cottages to transients are considered retailers under this
38 Article. A tax at the general rate of tax is levied on the gross
39 receipts derived by these retailers from the rental of any rooms,
40 lodgings, or accommodations furnished to transients for a
41 consideration. This tax does not apply to any private residence or
42 cottage that is rented for less than 15 days in a calendar year or to
43 any room, lodging, or accommodation supplied to the same
44 person for a period of 90 or more continuous days.

1 As used in this subdivision, the term 'persons who rent to
2 transients' means (i) owners of private residences and cottages
3 who rent to transients and (ii) rental agents, including 'real estate
4 brokers' as defined in G.S. 93A-2, who rent private residences
5 and cottages to transients on behalf of the owners. If a rental
6 agent is liable for the tax imposed by this subdivision, the owner
7 is not liable.

8 (4) Every person engaged in the business of operating a dry cleaning,
9 pressing, or hat-blocking establishment, a laundry, or any similar
10 business, engaged in the business of renting clean linen or towels
11 or wearing apparel, or any similar business, or engaged in the
12 business of soliciting cleaning, pressing, hat blocking, laundering
13 or linen rental business for any of these businesses, is considered
14 a retailer under this Article. A tax at the general rate of tax is
15 levied on the gross receipts derived by these retailers from
16 services rendered in engaging in any of the occupations or
17 businesses named in this subdivision. The tax imposed by this
18 subdivision does not apply to receipts derived from coin or token-
19 operated washing machines, extractors, and dryers. The tax
20 imposed by this subdivision does not apply to gross receipts
21 derived from services performed for resale by a retailer that pays
22 the tax on the total gross receipts derived from the services.

23 (4a) The rate of three percent (3%) applies to the gross receipts
24 derived by a utility from sales of ~~electricity, piped natural gas,~~
25 electricity or local telecommunications service as defined by G.S.
26 105-120(e), other than sales of electricity ~~or piped natural gas~~
27 subject to tax under another subdivision in this section. ~~Gross~~
28 ~~receipts from sales of piped natural gas shall not include natural~~
29 ~~gas expansion surcharges imposed under G.S. 62-158.~~ A person
30 who operates a utility is considered a retailer under this Article.

31 (4b) A person who sells tangible personal property at a flea market,
32 other than the person's own household personal property, is
33 considered a retailer under this Article. A tax at the general rate
34 of tax is levied on the sales price of each article sold by the
35 retailer at the flea market. A person who leases or rents space to
36 others at a flea market may not lease or rent this space unless the
37 retailer requesting to rent or lease the space shows the license or
38 a copy of the license required by this Article or other evidence of
39 compliance. A person who leases or rents space at a flea market
40 shall keep records of retailers who have leased or rented space at
41 the flea market. As used in this subdivision, the term 'flea
42 market' means a place where space is rented to a person for the
43 purpose of selling tangible personal property.

1 (4c) The rate of six and one-half percent (6 1/2%) applies to the gross
2 receipts derived from providing toll telecommunications services
3 or private telecommunications services as defined by G.S. 105-
4 120(e) that both originate from and terminate in the State and are
5 not subject to the privilege tax under G.S. 105-120. Any business
6 entity that provides these services is considered a retailer under
7 this Article. This subdivision does not apply to telephone
8 membership corporations as described in Chapter 117 of the
9 General Statutes.

10 (5) (Effective July 1, 1997) The rate of three percent (3%) applies to
11 the sales price of food that is not otherwise exempt pursuant to
12 G.S. 105-164.13 but would be exempt pursuant to G.S. 105-164.13
13 if it were purchased with coupons issued under the Food Stamp
14 Program, 7 U.S.C. § 51."

15 Section 4. G.S. 105-164.13 is amended by adding a new subdivision to
16 read:

17 "(43) Piped natural gas. This item is exempt because it is taxed under
18 Article 5D of this Chapter."

19 Section 5. G.S. 105-164.20 reads as rewritten:

20 "**§ 105-164.20. Cash or accrual basis of reporting.**

21 Any retailer, except a utility, ~~taxable under this Article having both cash and credit~~
22 ~~sales~~ may report such sales on either the cash or accrual basis of accounting upon
23 making application to the Secretary for permission to use ~~such~~ the basis of reporting
24 ~~under such rules and regulations as shall be promulgated from time to time by the~~
25 ~~Secretary. Such permission shall continue in force and effect unless revoked by the~~
26 ~~Secretary but he may grant written permission to any such taxpayer upon application~~
27 ~~therefor to change from one basis to another under such rules and regulations. A~~
28 ~~utility shall~~ selected. Permission granted by the Secretary to report on a selected
29 basis continues in effect until revoked by the Secretary or the taxpayer receives
30 permission from the Secretary to change the basis selected. A utility must report its
31 sales on an accrual basis. A sale by a utility of ~~electricity, piped natural gas,~~ electricity
32 or intrastate telephone service is considered to accrue when the utility bills its
33 customer for the sale."

34 Section 6. Chapter 105 of the General Statutes is amended by adding a
35 new Article to read:

36 "ARTICLE 5D.

37 "Piped Natural Gas Tax.

38 "**§ 105-187.30. Definitions.**

39 The definitions in G.S. 105-228.90 and the following definitions apply in this
40 Article:

41 (1) Local distribution company. -- A natural gas company to whom
42 the North Carolina Utilities Commission has issued a franchise
43 under Chapter 62 of the General Statutes to serve an area of this
44 State.

(2) Sales customer. -- An end-user whose piped natural gas is delivered by the seller of the gas.

(3) Transportation customer. -- An end-user whose piped natural gas is delivered by a person who is not the seller of the gas.

"§ 105-187.32. Tax imposed on piped natural gas.

(a) Scope. -- An excise tax is imposed on piped natural gas consumed in this State. This tax is imposed in lieu of a sales and use tax and a percentage gross receipts tax on piped natural gas.

(b) Rate. -- The tax rate is set in the table below and is based on monthly therm volumes of piped natural gas received by the consumer of the gas:

<u>Volume of Therms Received</u>	<u>Rate per Therm</u>
<u>During the Month</u>	
<u>First 200</u>	<u>\$.047</u>
<u>201 to 15,000</u>	<u>.027</u>
<u>Over 15,000</u>	<u>.022</u>

"§ 105-187.34. Liability for the tax.

The excise tax imposed by this section on piped natural gas is payable as follows:

(1) For piped natural gas delivered by a local distribution company to a sales customer or a transportation customer, the tax is payable by the local distribution company.

(2) For piped natural gas delivered to a sales customer by a city, the tax is payable by the city.

(3) For piped natural gas received by a person directly from an interstate pipeline for consumption by that person, the tax is payable by that person.

"§ 105-187.36. Payment of the tax.

(a) Monthly Return. -- The tax imposed by this Article is payable monthly to the Secretary. A monthly tax payment is due by the last day of the month that follows the month in which the tax accrues. The tax payable on piped natural gas delivered to a customer by a local distribution company or a city accrues when the gas is delivered. The tax payable on piped natural gas to be consumed by a person who received the gas directly from an interstate pipeline accrues when the person receives the gas.

(b) Small Underpayments. -- A person is not subject to interest on or penalties for an underpayment of a monthly amount due if the person timely pays at least ninety-five percent (95%) of the amount due and includes the underpayment with the next return the person files.

"§ 105-187.38. Distribution of part of tax proceeds to cities.

(a) City Information. -- A return filed under this Article must indicate the amount of tax attributable to the following:

(1) Piped natural gas delivered during that month to sales or transportation customers in each city in the State.

(2) Piped natural gas consumed during the month in each city in the State by the pipeline recipient of the gas.

1 If a tax return does not state this information, the Secretary must determine how
2 much of the tax proceeds are to be attributed to each city.

3 (b) Distribution. -- Within 75 days after the end of each calendar quarter, the
4 Secretary must distribute to the cities part of the tax proceeds collected under this
5 Article during that quarter. The amount to be distributed to a city is one-half of the
6 amount of tax attributable to that city for that quarter under subsection (a) of this
7 section, less the 'holdback amount' for that city. The 'holdback amount' for a city is
8 one-fourth of the amount certified by the Secretary as the increase in the amount of
9 pipled natural gas tax proceeds distributed to the city during the 12-month period
10 beginning April 1, 1994, compared to the amount distributed during the 12-month
11 period beginning April 1, 1990.

12 **"§ 105-187.40. Information exchange and information returns.**

13 (a) Utilities Information. -- The North Carolina Utilities Commission or the Public
14 Staff of that Commission must give the Secretary a list of the entities that receive
15 pipled natural gas from an interstate pipeline and any other information available to
16 the Commission that the Secretary asks for in administering the tax imposed by this
17 Article.

18 (b) Information Return. -- The Secretary may require the operator of an interstate
19 pipeline to report the amount of pipled natural gas taken from the pipeline in this
20 State, the persons that received the gas, and the volume received by each person.

21 **"§ 105-187.42. Records and audits.**

22 (a) Records. -- A person who is required to file a return under this Article must
23 keep a record of all documents used to determine information provided in the return.
24 The records must be kept for three years after the due date of the return to which the
25 records apply.

26 (b) Audits. -- The Secretary may audit a person who is required to file a return
27 under this Article."

28 Section 7. G.S. 105-259(b) is amended by adding a new subdivision to
29 read:

30 "(20) To exchange information concerning the tax on pipled natural gas
31 imposed by Article 5D of this Chapter with the North Carolina
32 Utilities Commission or the Public Staff of that Commission."

33 Section 8. G.S. 160A-211 is amended by adding a new subsection to
34 read:

35 "(c) Pipled Gas Restriction. -- A city may not levy a privilege license tax on a
36 person who is engaged in the business of supplying pipled natural gas and is subject to
37 tax under Article 5D of Chapter 105 of the General Statutes."

38 Section 9. This act becomes effective January 1, 1998.

EXPLANATION OF SENATE BILL 36
Uniform Tax on Piped Natural Gas

TO: Senate Finance Committee
FROM: Sabra Faires, Committee Counsel
DATE: March 26, 1997
SPONSOR: Senator John Kerr

Senate Bill 36 is one of the bills recommended to the 1997 General Assembly by the Revenue Laws Study Committee. It combines the current taxes on piped natural gas into a single, per therm tax and applies the combined tax uniformly to all sales of piped natural gas, effective January 1, 1998. The bill is revenue neutral to the State; preserves the current local distribution of piped gas revenue, and reduces taxes on those currently subject to the tax. The following chart sets out the tax treatment of piped natural gas under the current law:

Type of Seller	Sales Tax 105-164.3(25); 105-164.4(a)(4a)	Gross Receipts Tax 105-116
North Carolina Utility Public Service Co. Piedmont Natural Gas Co. N.C. Natural Gas Co. N.C. Gas Service Frontier Utilities of N.C.	3% or 2.83%	3.22%
Natural Gas Marketer	0%	3.22% on transportation charge, as opposed to commodity price, if the gas is delivered through a pipeline of a North Carolina utility. If the gas is sold to a customer with direct access,* no gross receipts tax is payable
Gas City supplied directly from Transco pipeline Bessemer City, Kings Mountain Lexington, Shelby	0%	0%
Gas City supplied by North Carolina Utility: Greenville, Monroe Rocky Mount, Wilson	0%	0%, but 3.22% was paid on gas bought from the North Carolina utility for resale to city customers

*Four cities and one company have direct access to a transcontinental pipeline. The four cities are Bessemer City, Kings Mountain, Lexington, and Shelby. The one company is Panda Energy.

As the chart indicates, two taxes now apply to piped natural gas and both of them apply only to sales by a utility. One of these is a gross receipts tax equal to 3.22% of the gross receipts derived by the utility from the business of furnishing piped natural gas. The other tax is a State sales and use tax on retail sales by the utility of piped natural gas. The sales and use tax rate is 2.83% for certain sales of piped natural gas to industrial users, farmers, and laundries and is 3% for all other sales.

The proposed tax in the bill eliminates the distinction between sales by utilities and sales by others and applies a uniform tax to all piped natural gas consumed in this State. The uniform tax is an excise tax on the gas. The tax rate is structured as a "declining block" that decreases as the amount of therms of piped gas consumed in a month increases. A declining block tax rate is used to preserve the current distribution of the tax burden between the three classes of piped gas customers. These three classes are residential, business, and industrial. The current taxes are a percentage of price. The rates for the three classes are also based on price; residential rates are the highest, business rates are in the middle, and industrial rates are the lowest. The current combination of rate and tax therefore results in a higher effective rate of tax on residential customers and a lower rate on business and industrial customers.

By making the tax on piped natural gas uniform, several sales of piped gas that are not now subject to the tax would become subject to the tax. The sales that are not currently subject to the tax are sales by gas marketers, sales by the eight gas cities, and sales by the producer of the gas.

A gas marketer is a person who sells piped natural gas but is not a regulated utility. Sales by gas marketers are not subject to the taxes because of the way the statutes are written; the statutes specifically apply only to sales by a utility. The reason the statutes apply only to sales by a utility is that when they were written in 1925, only regulated utilities could sell piped natural gas. Federal and state regulation of the piped natural gas industry has changed, however. For some time, these regulations have allowed persons who are not utilities to sell piped natural gas. The current "exclusion" for gas marketers is therefore the result of a change in the marketplace rather than a decision by the General Assembly to exempt these sales from the tax. Sellers who are not utilities use the pipeline infrastructure of the utilities to deliver the gas they sell and they pay a transportation charge to the utilities for this service. Piped natural gas is increasingly sold by persons who are not utilities and are not subject to the same taxes as the utilities.

A gas city is a city that operates its own piped gas system. Eight cities in the State do this and have since at least the 1950's. The chart lists these cities.

Sales by these cities are not subject to the taxes because of the origin and nature of the current taxes on piped gas. The 3.22% gross receipts tax on utilities is a kind of franchise tax. The State franchise taxes were first levied in 1901 and apply only to business corporations. Because a city is not a business corporation, it is not subject to the gross receipts tax.

The sales tax on piped gas is the result of a change made by the General Assembly in 1986. That year, the existing utility franchise tax was split into a sales tax and a gross receipts tax to make the sales tax portion deductible by individuals on their federal income tax returns. When the split occurred, the existing scope of the taxes was preserved. The sales tax portion was written to apply on to sales that had been subject to the gross receipts tax. Cities had not been subject to the piped gas gross receipts tax so they were not subject to the piped gas sales tax.

The tax treatment of the gas cities differs from the tax treatment of the electric cities. Cities that operate electric distribution systems pay both the gross receipts tax (G.S. 159B-27(c)) and the sales tax on their sales. The electric cities were made subject to the gross receipts tax in 1977 and were, consequently, made subject to the sales tax in 1986 when the gross receipts tax was split into a gross receipts tax and a sales tax.

Sales of piped gas by the producer of the gas are exempt from the sales tax on piped gas because of a sales tax exemption that applies to sales of "products of forests and mines in their original or unmanufactured state" when the sales are made by the "producer in the capacity of producer" (G.S. 105-164.13(3)). This exemption has been in the sales tax law for many years and was a part of the sales tax law when piped gas was made subject to sales tax in 1986. The application of the exemption to piped gas is an unforeseen result of the conversion of part of the gross receipts tax into a sales tax.

The Revenue Laws Study Committee found that the current tax structure on piped gas has several unintended consequences. One consequence is an erosion of the State tax base. A second consequence is that local revenues are reduced. Most of the gross receipts tax on piped natural gas is distributed to the cities. The distribution amount is a tax equal to 3.09% of the gross receipts derived by a utility from sales within the city. A third consequence is that the tax structure violates the tax principles of fairness and neutrality.

The tax structure violates the principle of fairness by applying only to sales by one type of seller. The tax structure violates the principle of neutrality by encouraging customers to buy piped natural gas from marketers rather than from utilities. Customers are encouraged to buy from marketers because the tax

structure enables marketers to sell gas more cheaply than utilities. Marketers can sell the gas more cheaply because gas sold by them is not subject to the same taxes that apply to gas sold by the utilities. This produces the anomalous result that the tax structure favors out-of-state marketers over in-state North Carolina utilities.

Section -by Section Explanation

Section 1 of the bill repeals the special gross receipts tax on regulated utilities that sell piped natural gas.

Sections 2 through 5 of the bill amend the sales and use tax laws to remove piped natural gas companies from the definition of "utility" and to exempt sales of piped natural gas from the tax. These changes are made because Section 6 of this act levies a new tax on piped natural gas that replaces the sales and use tax and the gross receipts tax on this product.

Section 6 imposes a new tax on piped natural gas that replaces the current gross receipts tax and the sales and use tax on piped natural gas provided by utilities.

Section 7 makes a conforming change to the tax "secrecy" restrictions so that the Department of Revenue and the Utilities Commission can exchange information needed to administer the tax.

Section 8 makes a conforming change to the city privilege license tax restrictions to preserve the current prohibition in 105-116 on the levy of a privilege license tax by cities on gas companies.

Section 9 makes the bill effective January 1, 1998.

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: Sales and Use Tax Division, Department of Revenue
Corporate Franchise Tax Division, Department of Revenue
Municipal Units of Government serviced by a gas LDC

EFFECTIVE DATE: January 1, 1998

BILL SUMMARY:

The proposed act combines the franchise tax and the sales and use tax on piped natural gas sold in this State into a single excise tax.

The current sale tax rate is 2.83% on sales of piped natural gas sold to farmers, laundries and industrial users and 3% on all other sales. The franchise tax is 3.22% of the gross receipts derived by a utility from the business of furnishing piped natural gas. The total tax applied to the sale of natural gas is 6.22%.

Senate Bill 36 combines the current taxes on piped natural gas into a single tax and applies the combined tax uniformly to all sales of piped natural gas. The excise tax is based on a rate per therm. [A therm is a unit of measure used to define the quantity of heat derived from burning a fossil fuel such as natural gas, propane, and coal.] The act sets-out a declining rate block that decreases as the amount of therms consumed in a month increases. Customers using up to 200 therms a month are taxed at \$.047 cents a therm. Customers using 201 but no more than 15,000 therms a month are taxed at \$.027 cents a therm and customers using more than 15,000 therms a month are taxed at \$.022 cents a therm. The tax is payable to the State by a local distributing company, a municipal unit of government engaged in the business of selling and using piped natural gas, and by any person that receives natural gas directly from an interstate pipeline. The tax is due by the last day of the month following the month in which the tax was collected.

Municipal units of government receive most of the gross receipts tax paid by a natural gas utility from sales and services provided within the city limits. The municipal share is 3.09% of the 3.22% franchise tax. This act changes the distribution rate from 3.09% of the gross receipts to one half of the excise tax collected on all sales of piped natural gas and services provided within a municipal district.

BACKGROUND SUMMARY: As a result of regulatory changes in the natural gas industry persons other than a utility, such as a marketer, are allowed to sell piped natural gas. The State's sales tax and franchise tax laws are designed to be applied to only one type of seller a natural gas utility. The State does not collect a sales tax or a gross receipts tax on sales of natural gas by marketers, industrial users with direct access to the interstate pipeline, and some cities in the State. The 1997 Revenue Law Study Commission studied this issue and recommended in it's report a revenue neutral bill on the principal of tax fairness. This act eliminates the distinction between sales by utilities and sales by a marketer and applies a uniform tax to all piped natural gas consumed in this State.

ASSUMPTIONS AND METHODOLOGY:

The revenue impact, to the State and municipal units of government, from a single excise tax on piped natural gas is minimal. The gain in General Fund revenue for fiscal year 1997-98 is expected to be \$845,000. This assumes economic growth in the utilization of piped natural gas by all three user groups; residential, commercial, and industrial as well as some gain from broadening the tax base. The total affect of expanding the tax base is not netted out. The gain to municipal units of government is largely a result of a change in the distribution of the utility franchise tax rather than an expansion of the tax base. The rate structure, developed by the Public Staff of the North Carolina Utility Commission, found on page 10 of the bill, incorporates the revenue gain from broadening the tax base into lower affective tax rates for all three user groups. A residential customer pays a total tax rate of 6.22% under current law. Under this act the same customer using 85 dekatherms a year will pay an effective tax rate of 5.39%. {The "new" rate is based on the average residential rate of the four natural gas utilities in the State.}

General Fund Revenue: See Summary I Attachment

To prepare a revenue neutral tax structure the amount of revenue (lost), due to regulatory changes in the industry, had to be estimated and the expected gain, from broadening the tax base, incorporated into lower rates. The estimated revenue (loss), under the current tax structure on the sale and transportation of delivered natural gas in this State, is \$17.5 million for fiscal year 1996-97.

The estimate is based on data supplied by the Public Staff for 1995. The annual growth in the computed loss for tax years 1995 through 2000 is 4%. The growth rate for years 2001 through 2003 is 5.8%. All growth rates and revenue estimates on natural gas sales and franchise tax collections are the same as those used in the current General Fund Financial Model. {Please see revenue analysis on page 4.}

The Public Staff of the North Carolina Utilities Commission estimates that 32% of the gas delivered to residential, commercial, and industrial customers in the State is not taxed. For 1995, this percentage represents 62,030,731 delivered dekatherms (DT). In preparing the fiscal impact of this bill, an average price per (DT) charged by the four gas utilities operating in the State was calculated to be \$6.61 for residential customers, \$5.06 for commercial customers, and \$ 3.67 for industrial customers. { Price data for 1996 will not be available until May of 1997. }

To allocate the share of residential, commercial, and industrial sales to the 62,030,731 (DT) the estimate assumes 25%, 17%, and 58%; respectively. By multiplying the (\$/DT) to the (DT) delivered, gross taxable sales by consumer group are determined. In determining the revenue estimate, a combined tax rate of 6.22% is applied to taxable sales less an allocation of \$400,000 for the franchise tax collected on transportation charges. The 62,030,731 dekatherms are delivered into this State via the Transco Interstate Pipeline. Local Distributing Companies charge marketers and municipals a fee for delivering the gas from out-of-state refineries to customers within the State. This transportation charge is part of the local distributing company's gross receipts taxed at 3.22%. The transportation charge used in the estimate is \$.20 per (DT); the Henry Hub "spot" price reported on the New York Mercantile Exchange.

Municipal Revenue; See Summary II Attachment

Municipal units of government will gain revenue for two reasons. First, additional revenue will be received because the act changes the municipal share of the tax proceeds from 3.09% of the current franchise tax to one half of the total excise tax. Consider an example of giving the cities one half of the sales and gross receipts tax under the current tax structure instead of 3.09% of the franchise tax on sales and services provided within municipal limits. In fiscal year 1996-97 the State expects to receive \$56.9 million in total sales and franchise taxes on piped natural; \$28.0 million in sale tax and \$28.9 million in franchise tax. The Statewide municipal share (3.09%) is estimated to be \$27.8 million. One half of the expected \$56.9 million in total revenue is \$28.5 million. A 2.5% increase over the expected \$27.8 million to be shared with local governments in fiscal year 1996-97.

The second way municipal units of government will gain is from broadening the tax base. Additional revenue will be received from taxing natural gas customers located within cities that are consuming natural gas for which taxes are not currently being paid. At this time information on these consumers is not available.

SENATE BILL 36 SUMMARY UNIFORM TAX ON PIPED NATURAL GAS

ISSUE: STATE TAX POLICY HAS NOT KEPT PACE WITH DEREGULATION AND DOES NOT APPLY UNIFORMLY

Two taxes now apply to piped natural gas. One of these is a gross receipts tax equal to 3.22% of the gross receipts derived by a utility from the business of furnishing piped natural gas. The other tax is 3% or 2.83% State sales and use tax on sales by a utility of piped natural gas. The current taxes on piped natural gas apply only to sales by a regulated utility.

Federal and State regulation of the piped natural gas industry has changed to make it possible for persons (gas marketers) who are not regulated utilities to sell piped natural gas. Consequently, the State does not collect a gross receipts tax or a sales tax on sales by the gas marketers. The State also does not collect a sales tax or gross receipts tax on sales by any of the eight gas cities. The cities are: Bessemer City, Kings Mountain, Lexington, Shelby, Greenville, Monroe, Rocky Mount, and Wilson.

IMPACTS: LOST STATE AND LOCAL TAX REVENUE

The impacts of this issue are:

- erosion of the State tax base - estimated lost tax revenue on marketer sales in 1996 was over \$10 million
- local revenues are reduced - utility gross receipts tax is a local revenue source
- current tax structure violates the tax principles of fairness and neutrality

The tax structure violates the principle of fairness by applying only to sales by one type of seller. The tax structure violates the principle of neutrality by encouraging customers to buy untaxed piped natural gas from marketers rather than from utilities.

SOLUTION: VOLUMETRIC TAX ON PIPED NATURAL GAS

Senate Bill 36 eliminates the distinction between sales by utilities and sales by others and applies a uniform tax to all volumes of piped natural gas consumed in this state. The effect is that sales by persons who are not utilities will become subject to tax. Specifically, the legislation repeals the gross receipts tax on regulated natural gas utilities and amends the sales and use tax law to exempt sales of natural gas from the tax and imposes a new tax on piped natural gas.

The new tax is based on volumes of gas consumed and the tax rate decreases as volume increases. The tax rates developed are designed to make the new tax on piped natural gas revenue neutral with prior gross receipts and sales tax collections. However, since the new tax structure would close a loophole and require all users of natural gas to pay the tax, the tax rates developed will result in a tax decrease for the group of gas users currently paying the current gross receipts and sales taxes.

STATEMENT OF SAM J. ERVIN, IV

My name is Sam J. Ervin, IV. I am an attorney who practices in Morganton, North Carolina. I represent the Carolina Utility Customers Association, Inc., a non-profit corporation whose membership includes approximately 60 North Carolina manufacturers involved in many different lines of business who have banded together for the purpose of attempting to control the cost of utility services. Among the utility services purchased by CUCA's member companies are both sales rate and transportation gas, which is used in various industrial processes and for the purpose of operating boilers and other similar equipment. The cost of the natural gas services which CUCA's member companies purchase from all four of North Carolina's major natural gas local distribution companies and independent sellers has a significant impact upon our members' "bottom lines."

At the present time, a manufacturer wishing to obtain natural gas for use in its manufacturing plants has two options, both of which involving purchasing services provided by local distribution companies. First, the manufacturer can purchase bundled sales service from a local distribution company. In the event that the manufacturer purchases such bundled sales service, it must pay a rate which covers the cost of buying natural gas in the field, obtaining the delivery of that gas supply to the local distribution company which provides service in the area in which that manufacturer's plant is located using transmission lines owned by an interstate pipeline, and obtaining the delivery of that gas supply across the local distribution company's transmission and distribution system to its own plant. The rate which is charged for such bundled sales service contains a component intended to compensate the local distribution company for the cost of performing or procuring the performance of all of these services.

Secondly, the manufacturer has the option of purchasing gas from an entity other than the local distribution company and having that customer-owned gas delivered to its system. Customers electing the transportation option attempt to take advantage of market-priced gas supplies which have

become available through deregulation of gas production and open access transportation at the federal level. Although the same services must be performed regardless of whether a manufacturer purchases bundled sales service or transports customer-owned gas, a manufacturer choosing to transport customer-owned gas must purchase each of these procurement, interstate transmission, and local distribution company services separately by paying a producer or marketer for actual gas volumes, paying an interstate pipeline to transport these customer-owned gas volumes to the local distribution company's citygate, and paying the local distribution company to transport this customer-owned gas from its citygate to the manufacturer's plants. The transportation of natural gas is a complex process involving several different entities and the payment of a number of different rates or charges.

The clear import of the legislation which you are considering at the present time is to impose a new tax upon certain types of transportation gas. In other words, the effect of passing this legislation will be to increase the tax burden imposed upon North Carolina manufacturers who have previously opted to purchase competitively-priced natural gas and have that gas transported to their manufacturing plants. The advocates of this legislation have probably not discussed its impact with any affected consumers; our members are certainly concerned about its impact. At a time when the General Assembly has been attempting to reduce the tax burden imposed upon all North Carolinians, including the businesses who are responsible for employing our fellow citizens, the passage of such a tax increase for North Carolina manufacturers will impair their ability to compete effectively in national and world markets.

The adverse impact of this legislation upon North Carolina manufacturers is not limited to this increase in the industrial tax burden. Instead, there are two other facts which the Committee should consider in determining whether to increase customer gas costs in this manner. First, a study

performed by Kevin O'Donnell, a utility consultant who has studied gas transportation costs in North Carolina and other states, indicates that the cost of gas transportation in North Carolina is among the highest of any state in the country. These high transportation costs result from the fact that local distribution company gas transportation rates in North Carolina are designed on a "full margin" basis. The effect of utilizing "full margin" transportation rates is to require any entity transporting gas to pay interstate pipeline delivery costs twice, once to the interstate pipeline and again as a component of the local distribution company's transportation rate. Although the Utilities Commission, the Public Staff, and many of North Carolina's local distribution companies will defend the appropriateness of "full margin" transportation rates, none of them can seriously dispute the fact that transportation customers are "double charged" for interstate pipeline transmission costs by the existing transportation rate structure. The enactment of this legislation will only serve to increase the cost of gas transportation even further.

In addition, the rates paid by North Carolina manufacturers for gas service (whether purchased under local distribution company sales rates or through transportation service) include a substantial subsidy which manufacturers pay for the benefit of other customer classes. Although the size of this subsidy is subject to serious dispute in natural gas general rate cases conducted before the Utilities Commission, almost all cost-of-service studies presented during natural gas general rate cases over the course of the past decade have indicated that industrial customers pay materially higher rates of return than would exist in a competitive environment. Approval of this legislation will only worsen this situation, enhancing the likelihood that North Carolina manufacturers will shift production and jobs to other states.

The principal argument which has been advanced by the proponents of this legislation is the claim that its adoption will restore equity to industrial gas markets by placing sales from independent

entities such as marketers and brokers and sales by local distribution companies on an even plane. This equity argument is, at best, incomplete. This equity argument ignores the fact that the competitive conditions faced by independent sellers and local distribution companies do not vary solely because of the difference in tax treatment which this legislation is intended to change. Instead, the use of the "full margin" method for designing transportation rates operates to place a substantial burden upon those gas sellers who attempt to compete with local distribution companies for gas sales. As I have previously indicated, a manufacturer who chooses to transport customer-owned gas is required to pay interstate pipeline charges twice, once to the interstate pipeline and secondly in the local distribution company transportation rate. On the other hand, a manufacturer who decides to purchase bundled sales service from a local distribution company is only required to pay these interstate pipeline charges once. Adoption of the legislation which you are currently considering will eliminate a condition which tends to favor independent gas sellers while leaving the condition which favors natural gas local distribution companies in place. As a result, instead of "leveling" the playing field, the adoption of this legislation will actually "tilt" the playing field in favor of local distribution companies and create a significant barrier to the development of competitive gas markets in North Carolina.

Moreover, the enactment of this legislation will run counter to the principal trend in natural gas regulation throughout the United States. All across the country, state legislatures and regulatory commissions are doing everything within their power to foster the introduction of even greater degrees of competition into the natural gas business by making gas transportation available to more categories of customers and by requiring local distribution companies to offer non-discriminatory access to all potential gas sellers. The enactment of this legislation, which will "tilt" the "playing field" against competition by selectively altering the competitive balance in a manner favorable to

traditional monopoly suppliers, runs directly counter to this trend. In the event that the General Assembly enacts this legislation, the process of introducing competition into natural gas markets will be retarded, rather than enhanced. At a time when almost all recognized experts in the field of utility regulation have taken a clear stand in favor of replacing regulation with competition, the enactment of this legislation will "prop up" the traditional monopoly natural gas supply system to the detriment of all of our citizens.

The issues which must be addressed in connection with your consideration of this legislation are complex. The effect of any decision to enact this proposed legislation will be to increase the cost of doing business in North Carolina at a time when North Carolina manufacturers are struggling to control costs in ever more competitive national and international markets. The enactment of this legislation will tilt the natural gas "playing field" in North Carolina natural gas markets in favor of existing local distribution companies by eliminating a difference in tax treatment which admittedly favors the transportation of customer-owned gas while leaving existing rate design techniques which inhibit gas transportation in place. Although CUCA would gladly support legislation truly "leveling" the "playing field" by requiring cost-based transportation rates; allowing all customers, including the residential and commercial customers who do not now have the opportunity to buy transportation gas; and establishing a uniform tax structure for all gas sales, the Association believes that the enactment of this legislation in its current form would be unwise. As a result, CUCA urges you to reject this proposed legislation.

SENATE FINANCE COMMITTEE

THURSDAY, MARCH 27, 1997

12:00 NOON - ROOM 544 LOB

The Senate Finance Committee met. There were 22 members of the Committee present. Senator David W. Hoyle, Co-Chairman, presided.

The following bill was taken up:

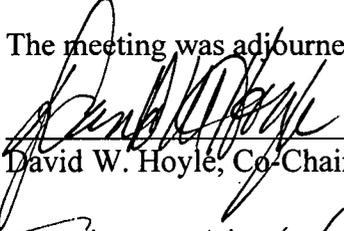

H. B. 295 - No Tax On Intangible Property

Representative Lanier Cansler came to explain this bill. Senator Soles moved for adoption of a proposed committee substitute to this bill, motion passed. Senator Hoyle stated that he had an amendment to the committee substitute. Senator Kerr called on Mr. Warren Plonk, Fiscal Staff, to speak to the bill. The floor was opened for questions from the members of the committee. Mr. Ron Aycock with the County Commissioners Association spoke to the bill. Senator Ballantine moved for adoption of an amendment (attachment # 3) to make technical changes to this bill, motion passed. Senator Hoyle stated that he would not offer his amendment at this time. Senator Hoyle made a motion to adopt the committee substitute as amended and the bill be rolled into a new committee substitute, motion passed.

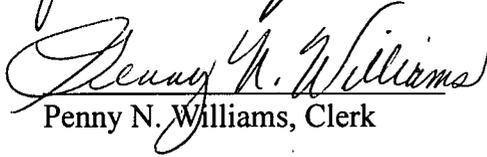

S. B. 317 - Local Government Debt Changes

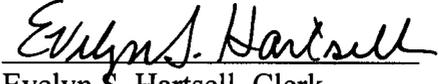

Information was provided by staff (attachment # 5 and # 6) on this but due to the late hour it was decided that this bill would not be discussed at this time.

The meeting was adjourned.

HOUSE BILL 295*
Committee Substitute Favorable 3/12/97

Short Title: No Tax on Intangible Property.

(Public)

Sponsors:

Referred to:

February 24, 1997

1 A BILL TO BE ENTITLED
2 AN ACT TO EXEMPT MOST INTANGIBLE PERSONAL PROPERTY FROM
3 PROPERTY TAX.

4 The General Assembly of North Carolina enacts:

5 Section 1. G.S. 105-275(31) reads as rewritten:

6 "(31) ~~Money, whether on hand or on deposit at a bank, a credit union,~~
7 ~~a savings and loan association, or an insurance company.~~

8 Intangible personal property other than:

9 a. Leasehold interests in exempted real property.

10 b. Software not otherwise excluded by subdivision (40) of this
11 section."

12 Section 2. G.S. 105-276 reads as rewritten:

13 "**§ 105-276. Taxation of intangible personal property.**

14 Intangible personal property that is not excluded from taxation under G.S. 105-275
15 is subject to this Subchapter. The exclusion of a class of intangible personal property
16 from taxation under G.S. 105-275 does not affect its consideration in the appraisal or
17 assessment of real property, personal property, or public service company property."

18 Section 3. G.S. 105-275(31a), (31b), (31c), and (31d) are repealed.

19 Section 4. G.S. 105-282.1(a)(2) reads as rewritten:

20 "(2) Owners of the special classes of property excluded from taxation
21 under G.S. 105-275(5), (15), (16), (26), (31), ~~(31a), (31b), (31e),~~
22 ~~(31d),~~ (32a), (33), (34), or (40), or exempted under G.S. 105-278.2

1 are not required to file applications for the exclusion or
2 exemption of that property."

3 Section 5. G.S. 105-294(b)(3) reads as rewritten:

4 "(3) Within two years of the date of appointment, achieve a passing
5 score in courses of instruction approved by the Department of
6 Revenue covering the following topics:

7 a. The laws of North Carolina governing the listing, appraisal,
8 and assessment of property for taxation;

9 b. The theory and practice of estimating the fair market value
10 of real property for ad valorem tax purposes;

11 c. The theory and practice of estimating the fair market value
12 of ~~tangible and intangible~~ personal property for ad valorem
13 tax purposes; and

14 d. Property assessment administration."

15 Section 6. G.S. 105-275.2 is amended by adding a new subsection to
16 read:

17 "(e) Reduction. -- Each year, on or before July 15, the governing body of each
18 county and each municipality shall notify the Secretary of the amount of taxes it
19 collected in the preceding fiscal year from taxes on intangible personal property
20 discovered on or after January 1, 1997, for taxable years beginning on or after July 1,
21 1991. The Secretary shall reduce the amount allocated to each county and
22 municipality for distribution the following August by the amount the county or
23 municipality reports pursuant to this subsection. If the Secretary discovers that a
24 county or municipality failed to report any taxes as required by this subsection, the
25 Secretary shall reduce the county or municipality's next distribution under this
26 section by ten percent (10%)."

27 Section 7. G.S. 105-275(40) reads as rewritten:

28 "(40) Computer software and any documentation related to the
29 computer software. As used in this subdivision, the term
30 'computer software' means any program or routine used to cause
31 a computer to perform a specific task or set of tasks. The term
32 includes system and application programs and database storage
33 and management programs.

34 The exclusion established by this subdivision does not apply
35 to computer software and its related documentation if the
36 computer software meets one or more of the following
37 descriptions:

38 a. It is embedded software. 'Embedded software' means
39 computer instructions, known as microcode, that reside
40 permanently in the internal memory of a computer system
41 or other equipment and are not intended to be removed
42 without terminating the operation of the computer system or
43 equipment and removing a computer chip, a circuit, or
44 another mechanical device.

1 b. It is purchased or licensed from a person who is unrelated to
2 the taxpayer and it is capitalized on the books of the
3 taxpayer in accordance with generally accepted accounting
4 principles, including financial accounting standards issued
5 by the Financial Accounting Standards Board. A person is
6 unrelated to a taxpayer if (i) the taxpayer and the person are
7 not subject to any common ownership, either directly or
8 indirectly, and (ii) neither the taxpayer nor the person has
9 any ownership interest, either directly or indirectly, in the
10 other.

11 This subdivision does not affect the value or taxable status
12 of any property that is otherwise subject to taxation under this
13 Subchapter.

14 The provisions of the exclusion established by this
15 subdivision are not severable. If any provision of this subdivision
16 or its application is held invalid, the entire subdivision is
17 repealed."

18 Section 8. Section 6 of this act becomes effective July 1, 1997, and
19 expires September 1, 2002. The remainder of this act is effective for taxes imposed
20 for taxable years beginning on or after July 1, 1997.

1 are not required to file applications for the exclusion or
2 exemption of that property."

3 Section 5. G.S. 105-294(b)(3) reads as rewritten:

4 "(3) Within two years of the date of appointment, achieve a passing
5 score in courses of instruction approved by the Department of
6 Revenue covering the following topics:

- 7 a. The laws of North Carolina governing the listing, appraisal,
8 and assessment of property for taxation;
9 b. The theory and practice of estimating the fair market value
10 of real property for ad valorem tax purposes;
11 c. The theory and practice of estimating the fair market value
12 of ~~tangible and intangible~~ personal property for ad valorem
13 tax purposes; and
14 d. Property assessment administration."

15 Section 6. G.S. 105-333(3) reads as rewritten:

16 "(3) Distributable system property. -- All real property and ~~tangible~~
17 ~~and intangible~~ personal property owned or used by a railroad
18 company other than nondistributable system property."

19 Section 7. G.S. 105-333(17) reads as rewritten:

20 "(17) System property. -- The real property and ~~tangible and intangible~~
21 personal property used by a public service company in its public
22 service activities. The term also includes public service company
23 property under construction on the day as of which property is
24 assessed which when completed will be used by the owner in its
25 public service activities."

26 Section 8. G.S. 105-275.2 is amended by adding a new subsection to
27 read:

28 "(e) Reduction. -- Each year, on or before July 15, the governing body of each
29 county and each municipality shall notify the Secretary of the amount of taxes it
30 collected in the preceding fiscal year from taxes on intangible personal property
31 discovered on or after January 1, 1997, for taxable years beginning on or after July 1,
32 1991. The Secretary shall reduce the amount allocated to each county and
33 municipality for distribution the following August by the amount the county or
34 municipality reports pursuant to this subsection. If the Secretary discovers that a
35 county or municipality failed to report any taxes as required by this subsection, the
36 Secretary shall reduce the county or municipality's next distribution under this
37 section by ten percent (10%)."

38 Section 9. G.S. 105-275(40) reads as rewritten:

39 "(40) Computer software and any documentation related to the
40 computer software. As used in this subdivision, the term
41 'computer software' means any program or routine used to cause
42 a computer to perform a specific task or set of tasks. The term
43 includes system and application programs and database storage
44 and management programs.

1 The exclusion established by this subdivision does not apply
2 to computer software and its related documentation if the
3 computer software meets one or more of the following
4 descriptions:

- 5 a. It is embedded software. 'Embedded software' means
6 computer instructions, known as microcode, that reside
7 permanently in the internal memory of a computer system
8 or other equipment and are not intended to be removed
9 without terminating the operation of the computer system or
10 equipment and removing a computer chip, a circuit, or
11 another mechanical device.
- 12 b. It is purchased or licensed from a person who is unrelated to
13 the taxpayer and it is capitalized on the books of the
14 taxpayer in accordance with generally accepted accounting
15 principles, including financial accounting standards issued
16 by the Financial Accounting Standards Board. A person is
17 unrelated to a taxpayer if (i) the taxpayer and the person are
18 not subject to any common ownership, either directly or
19 indirectly, and (ii) neither the taxpayer nor the person has
20 any ownership interest, either directly or indirectly, in the
21 other.

22 This subdivision does not affect the value or taxable
23 status of any property that is otherwise subject to taxation
24 under this Subchapter.

25 The provisions of the exclusion established by this
26 subdivision are not severable. If any provision of this
27 subdivision or its application is held invalid, the entire
28 subdivision is repealed."

29 Section 10. Section 8 of this act becomes effective July 1, 1997, and
30 expires September 1, 2002. The remainder of this act is effective for taxes imposed
31 for taxable years beginning on or after July 1, 1997.

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED:					
EFFECTIVE DATE: July 1, 1997					

BILL SUMMARY:

The proposed act exempts intangible property such as patents, copyrights, secret processes, formulae, goodwill, trademarks, trade brands, and franchises from the property tax when such property is separately listed. The act does not prevent intrinsic intangible variables from being considered when determining the value of taxable property under one of the accepted valuation techniques recognized by the International Association of Assessing Officers.

BACKGROUND SUMMARY

In 1985, the General Assembly repealed the intangibles tax on the following types of personal property: cash on deposit in banks, cash on deposit with insurance companies, cash on hand, and certain accounts receivable. Ten years later, effective for tax year 1995, the General Assembly repealed the tax on intangible personal property such as stocks, bonds, mutual funds, and accounts receivable. Under current law a property tax could still be levied upon the value of such assets as patents, copyrights, secret processes, formulae, good will, trademarks, trade brands and franchises. At the beginning of tax year 1997, twenty three counties asked taxpayers to list these intangible assets on their 1997 business personal property tax form. Prior to this date, only several counties were listing this type of property.

ASSUMPTIONS AND METHODOLOGY:

The act is not expected to significantly reduce the current value of real, personal, and public service property statewide, for two reasons. First, before January 1, 1997 most county tax assessors were not asking for this type of property to be listed. The property tax is not due before September of 1997 and the effective date for this act is July 1, 1997. If this act becomes law, the tax on this type of intangible property will be exempt before the September 1997 due date.

Secondly, the act does not prevent the inherent element of intangible property from consideration in determining true market value of both real and personal property. General Statute 105-283, requires that all real and personal property be valued at its true market value. In order to carry out this statutory requirement, assessors use three recognized methods to appraise property: the income approach, the cost approach, and the market approach. Each method may reflect the intrinsic intangible values, if evident, in the valuation of property.

Some examples of values that are considered intangibles under the income approach are gross rental income, leasehold interest, return on investment, the net income a property is capable of generating, and the economic life of an asset. Intangible cost used in calculating value by the cost approach can be architectural, labor, shipping, and installation costs. Under the market approach, it is unlikely that two exact properties can be compared. Property appraisers must consider comparable intangible values such as the value of a location, and the value of similar equipment that has recently sold.

To try to gauge a revenue impact from the bill the County Commissioners Association sent a questionnaire to the five largest counties in the State. The five counties were Forsyth, Guilford, Wake, Mecklenburg, and Durham. Each county was asked to report the 1996 value of property that would be exempt under this act. Wake County reported for tax year 1996 a listing of \$32.1 million in value for patents, copyrights, trademarks, trade brands, and franchises. Wake County's tax rate for 1996 was \$.63 per \$100 in value. The revenue loss associated with this rate is \$202,230. Durham County indicated values had been listed in 1996 for franchises but did not give a value. The remaining three counties did not report a loss in value from exempting the intangible property under this act.

EXPLANATION OF HOUSE BILL 295:
No Tax on Intangible Property (2nd Edition)

TO: Senate Finance Committee
FROM: Sabra Faires, Committee Counsel
DATE: March 27, 1997
SPONSOR: Representative Cansler

Several counties have been considering the taxation of intangible personal property such as trademarks, franchises, and good will as a way of broadening the property tax base. These intangibles, by definition, have always been subject to property taxation. **House Bill 295** provides that counties may continue taxing the types of intangible property they have traditionally taxed, namely leasehold interests of exempt property and computer software. It exempts all other intangibles from property tax, thus stopping counties from pursuing the taxation of franchises, trademarks, good will, etc. The bill is effective for taxes imposed for taxable years beginning on or after July 1, 1997.

Intangible personal property has been subject to taxation since at least 1939. Intangible personal property is defined as "patents, copyrights, secret processes, formulae, good will, trademarks, trade marks, franchises, stocks, bonds, cash, bank deposits, notes, evidences of debt, leasehold interests in exempted real property, bills and accounts receivable, and other like property." Although cash and bank deposits have been exempt from property tax since 1985, it was not until 1995 that the General Assembly exempted other forms of financial intangibles, such as stocks and accounts receivable, from the property tax.

Section 1 of the bill exempts all intangible personal property from property taxation except for leasehold interests in exempted real property and computer software. Counties and cities have traditionally taxed these two types of intangible property. An example of a leasehold interest in exempted real property is a commercial airline terminal at Raleigh-Durham International Airport.

One of the most commonly used methods of valuing commercial property is the income approach to value. Under the income approach, the contribution of intangible assets to a business' income is an inherent part of the valuation process. Section 2 of the bill allows counties and cities to continue considering intangible personal property, such as trade marks and good will, when it assesses other real property, personal property, or public service company property. McDonald's is an example of when a county may consider a trade mark in its valuation of real property.

Sections 3, 4, 5, and 6 of the bill make conforming changes in other statutes. Section 7 discourages counties and cities from discovering taxes on intangible personal property that is repealed by this bill on or after January 1, 1997. It does so by reducing the distribution allocated to the local government in August of each year by an amount equal to the amount of property tax on intangibles collected through discovery. Within

the past few years, one or two counties have begun aggressively pursuing the property taxation of intangibles such as good will, secret processes, and formulae.

Section 8 of the bill seeks to preserve the legislature's authority to classify property for taxation by providing a non-severability clause in the current software property tax exemption. If any part of the exemption is ever ruled unconstitutional, then the entire exemption will be defeated. Consequently, all computer software will be subject to property tax unless the General Assembly acts to re-classify it for exemption. In 1994, the General Assembly carefully crafted an across-the-board property tax exemption for all computer software other than embedded software and software that is required by generally accepted accounting principles to be treated as a capital asset. This exemption was the result of a compromise between the North Carolina Association of County Commissioners and a taxpayer group called the North Carolina Software Coalition.

The issue of taxing this type of intangible property received a lot of attention after the North Carolina Court of Appeals and Supreme Court ruled that Wake County's methodology for taxing self-created intangible property was unconstitutional. (Edward Valves, Inc. v. Wake County, 117 N.C. App. 484 and 343 N.C. 426) Under the assessment method used by Wake County, a business' intangible personal property and self-created intellectual property were taxed only if they were capitalized on the business' books. If an asset was not reflected on a business' books, it was not taxed. Typically, a business capitalizes intangible personal property only when it sells its assets. In practice, the county's methodology distinguished between intangible self-created property that was sold and similar property that was not sold, thus giving different tax treatment to taxpayers owning identical classes of property.

The case highlights the difficulty of listing, valuing, and assessing intangible property in a uniform and accurate manner. The case alluded to the fact that the counties did not have much guidance in the area of assessing intangibles. This year, the Property Tax Division of the Department of Revenue sent a memo to counties giving some guidance in this area to help achieve uniformity and equity across the State, as required by the State Constitution. Also, in revising the uniform state abstract, the Department included a section for intangible personal property. These recent developments have brought the issue of taxing intangible personal property to the attention of both taxpayers and counties.

SENATE BILL 317

Short Title: Local Government Debt Changes.

(Public)

Sponsors: Senators Winner, Hartsell; Cooper, Hoyle, Kerr, and Odom.

Referred to: Finance.

March 5, 1997

1 A BILL TO BE ENTITLED
2 AN ACT TO ALLOW ALL COUNTIES TO ACQUIRE PROPERTY FOR USE BY
3 THEIR LOCAL BOARDS OF EDUCATION, TO PROVIDE THAT EXISTING
4 LOCAL GOVERNMENT DEBT STATEMENT REQUIREMENTS AND DEBT
5 LIMITATIONS APPLY TO INSTALLMENT PURCHASE AND LEASE DEBTS,
6 TO REQUIRE LOCAL GOVERNMENT COMMISSION APPROVAL OF
7 MORE NONVOTED DEBTS, AND TO CAP THE AMOUNT OF
8 INSTALLMENT PURCHASE AND LEASE DEBT COUNTIES AND CITIES
9 MAY INCUR.

10 The General Assembly of North Carolina enacts:

11 Section 1. (a) G.S. 153A-158.1 reads as rewritten:

12 "§ 153A-158.1. Acquisition and improvement of school ~~property in certain counties.~~
13 property.

14 (a) Acquisition by County. -- A county may acquire, by any lawful method, any
15 interest in real or personal property for use by a school administrative unit within the
16 county. In exercising the power of eminent domain a county shall use the procedures
17 of Chapter 40A. The county shall use its authority under this subsection to acquire
18 property for use by a school administrative unit within the county only upon the
19 request of the board of education of that school administrative unit and after a public
20 hearing.

21 (b) Construction or Improvement by County. -- A county may construct, equip,
22 expand, improve, renovate, or otherwise make available property for use by a school
23 administrative unit within the county. The local board of education shall be involved

1 in the design, construction, equipping, expansion, improvement, or renovation of the
2 property to the same extent as if the local board owned the property.

3 (c) Lease or Sale by Board of Education. -- Notwithstanding the provisions of G.S.
4 115C-518 and G.S. 160A-274, a local board of education may, in connection with
5 additions, improvements, renovations, or repairs to all or part of any of its property,
6 lease or sell the property to the board of commissioners of the county in which the
7 property is located for any price negotiated between the two boards.

8 (d) Board of Education May Contract for Construction. -- Notwithstanding the
9 provisions of G.S. 115C-40 and G.S. 115C-521, a local board of education may enter
10 into contracts for the erection or repair of school buildings upon sites owned in fee
11 simple by one or more counties in which the local school administrative unit is
12 located.

13 ~~(e) Scope. -- This section applies to Alleghany, Ashe, Avery, Bladen, Brunswick,~~
14 ~~Cabarrus, Carteret, Cherokee, Chowan, Columbus, Currituck, Dare, Duplin,~~
15 ~~Edgecombe, Forsyth, Franklin, Graham, Greene, Guilford, Halifax, Harnett,~~
16 ~~Haywood, Hyde, Iredell, Jackson, Johnston, Jones, Lee, Macon, Madison, Martin,~~
17 ~~Moore, Nash, New Hanover, Orange, Pasquotank, Pender, Person, Pitt, Randolph,~~
18 ~~Richmond, Rockingham, Rowan, Sampson, Scotland, Stanly, Surry, Union, Vance,~~
19 ~~Wake, Wilson, and Watauga Counties."~~

20 (b) The repeal of G.S. 153A-158.1(e) gives to all counties in the State the
21 authority that was previously limited to the counties listed in that subsection.

22 Section 2. G.S. 159-55 reads as rewritten:

23 "§ 159-55. Sworn statement of debt; debt limitation.

24 (a) Sworn Statement of Debt. -- After the bond order has been introduced and
25 before the public hearing thereon, the finance officer (or some other officer
26 designated by the governing board for this purpose) shall file with the clerk a
27 statement showing the following:

28 (1) Gross debt. -- The gross debt of the unit, excluding therefrom debt
29 incurred or to be incurred in anticipation of the collection of taxes
30 or other revenues or in anticipation of the sale of bonds other than
31 funding and refunding bonds. The gross debt (after exclusions) is
32 the sum of (i) outstanding debt evidenced by bonds, (ii) bonds
33 authorized by orders introduced but not yet adopted, (iii) unissued
34 bonds authorized by adopted orders, and (iv) outstanding debt not
35 evidenced by ~~bonds~~ bonds, as determined in subsection (d) of this
36 section. However, for purposes of the sworn statement of debt and
37 the debt limitation, revenue bonds shall not be considered debt
38 and ~~such bonds~~ shall not be included in gross debt nor deducted
39 from gross debt.

40 (2) Deductions in computing net debt. -- The deductions to be made
41 from gross debt in computing net debt. The following deductions
42 are allowed:

43 a. Funding and refunding bonds authorized by orders
44 introduced but not yet adopted.

- 1 b. Funding and refunding bonds authorized but not yet issued.
- 2 c. The amount of money held in sinking funds or otherwise for
- 3 the payment of any part of the principal of gross debt other
- 4 than debt incurred for water, gas, electric light or power
- 5 purposes, or sanitary sewer purposes (to the extent that the
- 6 bonds are deductible under subsection (b) of this section), or
- 7 two or more of these purposes.
- 8 d. The amount of bonded debt included in gross debt and
- 9 incurred, or to be incurred, for water, gas, or electric light
- 10 or power purposes, or any two or more of these purposes.
- 11 e. The amount of bonded debt included in the gross debt and
- 12 incurred, or to be incurred, for sanitary sewer system
- 13 purposes to the extent that the debt is made deductible by
- 14 subsection (b) of this section.
- 15 f. The amount of uncollected special assessments theretofore
- 16 levied for local improvements for which any part of the
- 17 gross debt (that is not otherwise deducted) was or is to be
- 18 incurred, to the extent that the assessments will be applied,
- 19 when collected, to the payment of any part of the gross debt.
- 20 g. The amount, as estimated by the governing board of the
- 21 issuing unit or an officer designated by the board for this
- 22 purpose, of special assessments to be levied for local
- 23 improvements for which any part of the gross debt (that is
- 24 not otherwise deducted) was or is to be incurred, to the
- 25 extent that the special assessments, when collected, will be
- 26 applied to the payment of any part of the gross debt.
- 27 (3) Net debt. -- The net debt of the issuing unit, being the difference
- 28 between the gross debt and deductions.
- 29 (4) Assessed value of property. -- The assessed value of property
- 30 subject to taxation by the issuing unit, as revealed by the tax
- 31 records and certified to the issuing unit by the assessor.
- 32 (5) Net debt percentage. -- The percentage that the net debt bears to
- 33 the assessed value of property subject to taxation by the issuing
- 34 unit.
- 35 (b) Sewer System Debt Deductible. -- Debt incurred or to be incurred for sanitary
- 36 sewer system purposes is deductible from gross debt when the combined revenues of
- 37 the water system and the sanitary sewer system (whether or not the water and sewer
- 38 system are operated separately or as a consolidated system) were sufficient to pay all
- 39 operating, capital outlay, and debt service expenditures attributable to both systems in
- 40 each of the three complete fiscal years immediately preceding the date on which the
- 41 sworn statement of debt is filed. For the purposes of this subsection, the 'revenues'
- 42 of a water system and a sanitary sewer system include:
- 43 (1) Rates, fees, rentals, charges, and other receipts and income derived
- 44 from or in connection with the system.

1 (2) Fees, rents, or other charges collected from other offices, agencies,
2 institutions, and departments of the issuing unit at rates not in
3 excess of those charged to other consumers, customers, or users.
4 (3) Appropriations from the fund balance of the prior fiscal year from
5 the fund or funds established to account for the revenues and
6 expenditures of the water system or sewer system pursuant to G.S.
7 159-13(a) of the Local Government Budget and Fiscal Control Act.
8 Before the sworn statement of debt is filed, the secretary shall determine to what
9 extent debt incurred or to be incurred for sanitary sewer system purposes qualifies for
10 deduction from gross debt pursuant to this subsection, and shall give ~~his~~ a certificate
11 to that effect. The secretary's certificate shall be filed with and deemed a part of the
12 sworn statement of debt. The secretary's certificate shall be conclusive in the absence
13 of fraud.

14 (c) Debt Limitation. -- No bond order shall be adopted unless it appears from the
15 sworn statement of debt filed in connection therewith that the net debt of the unit
16 does not exceed eight percent (8%) of the assessed value of property subject to
17 taxation by the issuing unit. This limitation shall not apply to:

- 18 (1) Funding and refunding bonds.
19 (2) Bonds issued for water, gas, or electric power purposes, or two or
20 more of these purposes.
21 (3) Bonds issued for sanitary sewer system purposes when the bonds
22 are deductible pursuant to subsection (b) of this section.
23 (4) Bonds issued for sanitary sewers, sewage disposal, or sewage
24 purification plants when the construction of these facilities has
25 been ordered by the Environmental Management ~~Commission,~~
26 ~~which Commission is hereby authorized to make such an order,~~
27 Commission or by a court of competent jurisdiction.
28 (5) Bonds or notes issued for erosion control purposes.
29 (6) Bonds or notes issued for the purpose of erecting jetties or other
30 protective works to prevent encroachment by the ocean, sounds, or
31 other bodies of water.

32 (d) Determination of Outstanding Debt Not Evidenced by Bonds. -- For the
33 purpose of this section, outstanding debt not evidenced by bonds includes the
34 principal component of outstanding installment contracts and capital leases and the
35 total lease payments due under outstanding operating leases. Outstanding debt not
36 evidenced by bonds is includable in gross debt and deductible in determining net
37 debt to the same extent as if it were bonded debt.

38 If an installment contract, a capital lease, or an operating lease provides funds for
39 more than one purpose within the meaning of this section, the amount of funds
40 borrowed for each purpose shall be the amounts set forth in the installment contract,
41 capital lease, or operating lease. If the installment contract, capital lease, or operating
42 lease does not set forth the amount borrowed for each purpose, the finance officer
43 shall file a certificate with the clerk determining the purposes and amounts, and the

1 determination shall be conclusive and binding for purposes of complying with this
2 section.

3 The following definitions apply in this subsection:

- 4 (1) Capital lease. -- An agreement entered into under G.S. 153A-165
5 or G.S. 160A-19 that constitutes a capital lease under generally
6 accepted accounting principles and that is subject to approval by
7 the Local Government Commission under Article 8 of Chapter 159
8 of the General Statutes.
- 9 (2) Installment contract. -- An agreement entered into under G.S.
10 160A-20 that is subject to approval by the Local Government
11 Commission under Article 8 of Chapter 159 of the General
12 Statutes.
- 13 (3) Operating lease. -- An agreement entered into under G.S. 153A-
14 165 or G.S. 160A-19 that constitutes an operating lease under
15 generally accepted accounting principles and that is subject to
16 approval by the Local Government Commission under Article 8 of
17 Chapter 159 of the General Statutes.
- 18 (4) Principal component. -- The aggregate amount payable under an
19 installment contract or a capital lease over its term in respect of
20 principal only, as set forth in the installment contract or capital
21 lease or in a principal component certificate.
- 22 (5) Principal component certificate. -- A certificate of the finance
23 officer, or some other officer designated by the governing body for
24 this purpose, filed with the clerk setting forth the principal
25 component of an installment contract or capital lease when the
26 installment contract or capital lease does not expressly designate a
27 principal component."

28 Section 3. G.S. 159-148 reads as rewritten:

29 "**§ 159-148. Contracts subject to Article; exceptions.**

30 (a) Except as provided in subsection (b) of this section, this Article applies to any
31 contract, agreement, memorandum of understanding, and any other transaction
32 having the force and effect of a contract (other than agreements made in connection
33 with the issuance of revenue bonds, special obligation bonds issued pursuant to
34 Chapter 159I of the General Statutes, or of general obligation bonds additionally
35 secured by a pledge of revenues) made or entered into by a unit of local government
36 (as defined by G.S. 159-7(b) or, in the case of a special obligation bond, as defined in
37 Chapter 159I of the General Statutes), relating to the lease, acquisition, or
38 construction of capital assets, which contract

- 39 (1) Extends for five or more years from the date of the contract,
40 including periods that may be added to the original term through
41 the exercise of options to renew or extend, and
- 42 (2) Obligates the unit to pay sums of money to another, without regard
43 to whether the payee is a party to the contract, and

1 (3) Obligates the unit over the full term of the contract, including
 2 periods that may be added to the original term through the
 3 exercise of options to renew or extend, to the extent of five
 4 hundred thousand dollars (\$500,000) or a sum equal to one tenth
 5 of one percent (1/10 of 1%) of the assessed value of property
 6 subject to taxation by the contracting unit, whichever is less, and
 7 less.

8 ~~(4) Obligates the unit, expressly or by implication, to exercise its~~
 9 ~~power to levy taxes either to make payments falling due under the~~
 10 ~~contract, or to pay any judgment entered against the unit as a~~
 11 ~~result of the unit's breach of the contract.~~

12 Contingent ~~obligation~~ obligations shall be included in calculating the value of the
 13 contract. Several contracts that are all related to the same undertaking shall be
 14 deemed a single contract for the purposes of this Article. When several contracts are
 15 considered as a single contract, the term shall be that of the contract having the
 16 longest term, and the sums to fall due shall be the total of all sums to fall due under
 17 all single contracts in the group.

18 (b) This Article shall not apply to:

- 19 (1) Contracts between a unit of local government and the State of
 20 North Carolina or the United States of America (or any agency of
 21 either) entered into as a condition to the making of grants or loans
 22 to the unit of local government.
 23 (2) Contracts for the purchase, lease, or lease with option to purchase
 24 of motor vehicles or voting machines.
 25 (3) Loan agreements entered into by a unit of local government
 26 pursuant to the North Carolina Solid Waste Management Loan
 27 Program, Chapter 159I of the General Statutes."

28 Section 4. G.S. 159-150 reads as rewritten:

29 "**§ 159-150. Sworn statement of debt; debt limitation.**

30 (a) Sworn Statement of Debt. -- After or at the time an application is filed under
 31 G.S. 159-149, the finance officer, or some other officer designated by the board, shall
 32 prepare, swear to, and file with the secretary and for public inspection in the office of
 33 the clerk to the board a statement of debt in the same form prescribed in G.S. 159-55
 34 for statements of debt filed in connection with general obligation bond issues. The
 35 sums to be included in gross debt and the deductions therefrom to arrive at net debt
 36 shall be the same as prescribed in G.S. 159-55, ~~except that sums to fall due under~~
 37 ~~contracts subject to this Article shall be treated as if they were evidenced by general~~
 38 ~~obligation bonds of the unit~~ except that the contract to be entered into under this
 39 Article shall be treated as outstanding debt not evidenced by bonds as determined
 40 under G.S. 159-55(d).

41 (b) Overall Debt Limitation. -- No contract subject to this Article may be
 42 executed if the net debt of the contracting unit, after execution of the contract, would
 43 exceed eight percent (8%) of the assessed value of property subject to taxation by the

1 contracting unit. This subsection does not apply to contracts executed by units that
2 do not have the power to levy taxes.

3 (c) Limitation on Debt Not Evidenced by Bonds. -- Unless the contract has been
4 approved by the voters of the contracting county or city as provided in subsection (e)
5 of this section, a county or city may not execute a contract subject to this Article if
6 the net outstanding debt not evidenced by bonds issued by the county or city on or
7 after July 1, 1997, would, after execution of the contract, exceed one percent (1%) of
8 the assessed value of property subject to taxation by the county or city.

9 (d) Exceptions to Limitations. -- Subsections (b) and (c) of this section shall not
10 apply to:

- 11 (1) Funding and refunding contracts.
- 12 (2) Contracts entered into for water, gas, or electric power purposes,
13 or two or more of these purposes.
- 14 (3) Contracts entered into for sanitary sewer system purposes when the
15 amounts payable under the contracts are deductible pursuant to
16 G.S. 159-55(d)(2) or G.S. 159-55(d)(3).
- 17 (4) Contracts entered into for sanitary sewers, sewage disposal, or
18 sewage purification plants when the construction of these facilities
19 has been ordered by the Environmental Management Commission
20 or by a court of competent jurisdiction.
- 21 (5) Contracts entered into for erosion control purposes.
- 22 (6) Contracts entered into for the purpose of erecting jetties or other
23 protective works to prevent encroachment by the ocean, sounds, or
24 other bodies of water.

25 (e) Voter Approval of Certain Contracts. -- If a county or city would be
26 prohibited from executing a contract subject to this Article because the net
27 outstanding debt not evidenced by bonds issued by the county or city on or after July
28 1, 1997, would, after execution of the contract, exceed the debt limit set by subsection
29 (c) of this section, then the governing board of the county or city may, in its
30 discretion, submit the question of whether to execute the contract for approval by the
31 qualified voters of the county or city. A referendum held pursuant to this subsection
32 shall be conducted according to the standards, procedures, and limitations set out in
33 G.S. 159-60 through G.S. 159-62."

34 Section 5. This act is effective when it becomes law. This act does not
35 affect contracts and obligations entered into before July 1, 1997, or for which an
36 application for Local Government Commission approval was filed before July 1,
37 1997.

FINANCE COMMITTEE REPORT

Senator John Kerr, Co-Chair
Senator David Hoyle, Co-Chair

Wednesday, April 02, 1997

SENATOR KERR,

submits the following with recommendations as to passage:

**UNFAVORABLE AS TO COMMITTEE SUBSTITUTE BILL NO. 1,
BUT FAVORABLE AS TO SENATE COMMITTEE SUBSTITUTE BILL**

H.B.(CS #1)295

No Tax on Intangible Property.

Draft Number: PCS 7176
Sequential Referral: None
Recommended Referral: None
Long Title Amended: No

TOTAL REPORTED: 1

Committee Clerk Comment:

SENATE FINANCE COMMITTEE

TUESDAY, APRIL 1, 1997

12 NOON - 544 LOB

The Senate Finance Committee met on April 1, 1997, with Senator Kerr presiding. There were 27 committee members present.

The following bills were on the agenda:

S.B. 123 - EXEMPT AUDIOVISUAL MASTERS

Senator Ballantine was recognized to explain S.B. 123. Copy of Bill, Fiscal Note, and letters of support included in the minutes. After a general discussion, Senator Cochrane was recognized for a motion for a "favorable" report and this motion carried. S.B. 123 will be given a "favorable" report and re-referred to Appropriations.

S.B. 389 - BASEBALL PARK DISTRICTS

Senator Hoyle was recognized to explain and to give a background on S.B. 389. Senator McDaniel was also recognized for further explanation of this bill. Senator Hoyle moved for adoption of committee substitute for this bill and the motion carried.

The following spoke in support of this bill:

Darrell Frye, Chairman of the Piedmont Triad Partnership, Greensboro, NC, and serves as a County Commissioner of Randolph County

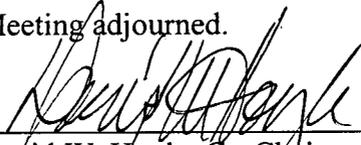

Bob Starkey, Arthur Anderson, Partner in Charge of Arthur Anderson's Worldwide Professional Sports Team and consultant to major league baseball on a number of issues

Don Beaver, working with the ownership groups of NC Major League Baseball, LCC

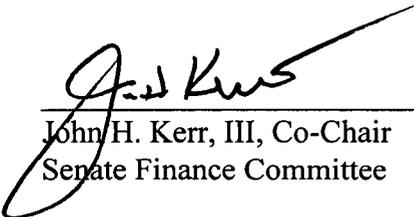

At the conclusion of the presentations by the speakers, there were several questions and concerns from the committee members to the bill sponsors and staff. Senator Hoyle assured the committee that all questions would be answered and all concerns addressed when the bill is again before the committee for further discussion and a vote.

Senator Webster requested that a group of his people who oppose this bill be allowed to speak at the meeting tomorrow and he was assured by Senator Kerr that they would be welcome to speak.

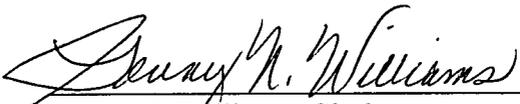

Meeting adjourned.

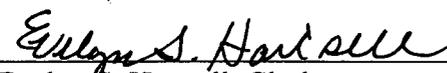

David W. Hoyle, Co-Chair
Senate Finance Committee

John H. Kerr, III, Co-Chair

SENATE BILL 123

Short Title: Exempt Audiovisual Masters.

(Public)

Sponsors: Senators Ballantine; Allran, Carpenter, Carrington, Clark, Cochrane, Forrester, Foxx, Hartsell, Horton, Hoyle, Jordan, Kerr, Martin of Pitt, McDaniel, Page, Rand, Rucho, Shaw of Guilford, Soles, Warren, and Webster.

Referred to: Finance.

February 17, 1997

1 A BILL TO BE ENTITLED
2 AN ACT TO EXEMPT FROM SALES TAX AUDIOVISUAL MASTER TAPES
3 USED IN THE MOTION PICTURE, TELEVISION, AND AUDIO
4 PRODUCTION INDUSTRIES.
5 The General Assembly of North Carolina enacts:
6 Section 1. G.S. 105-164.13 is amended by adding a new subdivision to
7 read:
8 "(22a) Sales of audiovisual masters made or used by a production
9 company in making visual and audio images for first generation
10 reproduction. For the purpose of this subdivision, an 'audiovisual
11 master' is an audio or video film, tape, or disk or another audio or
12 video storage device from which all other copies are made. For
13 the purpose of this subdivision, a production company is a person
14 engaged in the business of making motion picture, television, or
15 radio images for theatrical, commercial, advertising, or educational
16 purposes."
17 Section 2. This act becomes effective July 1, 1997, and applies to sales
18 made on or after that date.

**NORTH CAROLINA GENERAL ASSEMBLY
LEGISLATIVE FISCAL NOTE**

BILL NUMBER: SB 123
SHORT TITLE: Exempt Audio Visual Masters
SPONSOR(S): Senator Patrick Ballantine

FISCAL IMPACT					
	Yes ()	No ()	No Estimate Available ()		
	<u>FY 1997-98</u>	<u>FY 1998-99</u>	<u>FY 1999-00</u>	<u>FY 2000-01</u>	<u>FY 2001-02</u>
REVENUES					
State (General Fund)	-\$1.40	-\$1.59	-\$1.68	-\$1.78	-\$1.88
Local	-.70	-.80	-.84	-.89	-.94
EXPENDITURES The enactment of the bill will have no impact on the budget requirements of the Department of Revenue.					
PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: Department of Revenue					
EFFECTIVE DATE: Sales occurring on or after July 1, 1997					

BILL SUMMARY: Exempts from state and local sales tax master tapes utilized by the motion picture, television, and audio production industries in making visual and aural first-generation images for reproduction.

ASSUMPTIONS AND METHODOLOGY: The estimate was developed through discussions with the Department of Revenue, the State Film Office, and a major company involved in post-production activities. The estimate is based on \$37.5 million of taxable post-production activity in the State and 6% annual growth (based on state economic forecast). The exemption would not apply to the production of duplicate tapes.

Senator John H. Kerr III
232 Ridgewood Dr.
Goldsboro, N.C. 27533

Dear Senator Kerr:

Thank you for bringing Senate Bill 123 to the attention of the Senate Finance Committee on April 1, 1997.

This bill is critical for the development of the film and video tape production industry in our state.

Please take a few moments to read the single page summary sheet explaining the importance of this bill. Also, the letter from the General Manager of ESPN/Walt Disney's post-production company clearly demonstrates how the current tax policy keeps businesses out of North Carolina.

I hope that you and your fellow Senators will enthusiastically endorse Senate Bill 123 and send it to the floor for approval.

Thank you for taking this important step to insure the healthy development of the film industry in our state.

Sincerely,

Mark de Castrique
General Manager

REASONS TO SUPPORT SENATE BILL 123
EXEMPTING FILM AND AUDIO/VIDEO MASTERS FROM RETAIL TAX

North Carolina applies its retail tax code to the creation of film and audio/video Masters, taxing them as if they were an over-the-counter retail sale. This is a major disincentive for the film and video industry to develop full services within our state. For example, a \$1.5 million feature completed in the state, a \$100,000 commercial finished and delivered here, or a multi-media CD-Rom game all trigger 6% sales tax on their total budget. That is comparable to a contractor building the NationsBank Tower, your home, or a room addition and charging 6% retail sales tax on the entire construction cost including materials, labor, and architectural design.

The sales tax encourages resident advertising agencies and producers to complete their larger television projects out of state to avoid the tax. Sophisticated commercial production is important to the film industry because it utilizes the same crafts and technical skills as movie production. A healthy commercial production economy attracts and maintains a crew base which can reside in our state and thrive through diversified production opportunities.

Due to current tax law, production and post-production companies locate outside the state and immediately save 6% on the cost to their clients. For example, ESPN specifically located their post-production facility across the state line from Charlotte.

Virginia, South Carolina, and Georgia do not have this retail tax. Atlanta has developed superior resources in the Southeast because there is no sales tax. Several years ago, Florida enacted an exemption of sales tax on film production and enjoyed a surge of production and an expansion of resident businesses in Orlando and Miami. Because the sales tax is a disincentive for companies to locate in the state, jobs are not being created in the posting segment of the industry. For example, there are no motion picture labs or film transfer facilities in the state.

Industry players estimate the sales tax loss of such an exemption to be approximately \$1.4 million. Because over 50% of production expense is labor, even a modest increase in production would generate income for N.C. citizens and increase our income tax base. This additional money in our economy will also increase sales tax revenue through the increased purchasing power of a well-paid, resident industry labor force.

**CREATIVE
POST &
TRANSFER**

Senator Fountain Odom
North Carolina General Assembly
State Legislative Office Building
Raleigh, North Carolina 27601-2808

March 3, 1997

Dear Senator,

I am writing to you regarding the North Carolina sales tax that is charged on film and video production. This tax is a severe handicap to the development of the film and video post-production industry in our state.

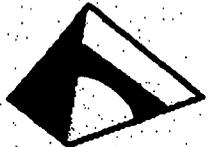

In its current form this tax is charged on the entire budget of any film or video project that is finished in North Carolina. The finishing of the commercial is what we refer to as Post-Production. It includes all of the editing, adding special effects, graphics and music, and the creation of the final product that will be delivered to the client.

If a production company creates a commercial for a total cost on \$100,000 (including creative services, talent, scripts, props and sets, crew and equipment, etc.) and they finish the commercial in Mecklenburg County, a sales tax of 6% is added.

If that same commercial is finished across the border in York County, South Carolina, the only tax charged is on the disposable goods used in the creation of the final master. This would be limited to about \$100 in video tapes.

The difference in costs to producers and advertising agencies means that millions in post-production dollars leaves North Carolina and instead goes to Atlanta, Nashville, Baltimore, New York and even Los Angeles. With that revenue goes dozens of quality jobs.

I am the General Manager of Creative Post and Transfer. We are a video post-production facility located in Fort Mill, South Carolina, and are a subsidiary of ESPN. This tax issue is the only reason that we're located in York County.

P.O. BOX 410205
CHARLOTTE, N.C.
281-0205
(803) 548-POST (7678)
(704) 331-9720

We have a full time staff of 29 people, annual revenues of close to four million dollars, and an annual payroll of over one million dollars.

ESPN is looking into expanding our facility and building a new state-of-the-art broadcast and production center, the goal being to make us the back-up broadcast facility for ESPN (a Walt Disney Company). This tax issue removes North Carolina from any consideration.

In the last two years, at least three separate post-production companies with national reputations have looked at building high-end state-of-the-art facilities in the Charlotte area. They have all come to the same conclusion: this sales tax on film and video production keeps North Carolina from being a viable site for a high-end post-production facility.

This is an exciting industry that creates high paying quality jobs. it's a shame that North Carolina can't be a part of it. Senate Bill #123 will correct this problem. I hope that we can count on your support.

Robert DeLano
General Manager
Creative Post & Transfer

CC: The Honorable Jim Hunt, Governor, North Carolina
Senator Patrick J. Ballantine
Ms. Marcie Kelso, Director, Carolinas Partnership Film Division
Mr. Terry Bishop, President, Charlotte Film & Video Association
Mr. Mark DeCastrique, C.O.O., Silver Hammer Studios

GENERAL ASSEMBLY OF NORTH CAROLINA

SESSION 1997

S

1

SENATE BILL 389

Short Title: Baseball Park Districts.

(Public)

Sponsors: Senators Hoyle, McDaniel, Martin of Guilford, and Shaw of Guilford.

Referred to: Finance.

March 13, 1997

- 1 A BILL TO BE ENTITLED
2 AN ACT TO ESTABLISH THE NORTH CAROLINA TRIAD METROPOLITAN
3 BASEBALL PARK DISTRICT AND TO ALLOW BASEBALL PARK
4 DISTRICTS TO ENTER INTO INSTALLMENT FINANCING AGREEMENTS.
5 The General Assembly of North Carolina enacts:
6 Section 1. A Charter for the North Carolina Triad Metropolitan Baseball
7 Park District is enacted as follows:
8 "CHARTER OF THE NORTH CAROLINA
9 TRIAD METROPOLITAN BASEBALL PARK DISTRICT.
10 "Section 1. **Legislative Findings.** -- (a) The General Assembly determines that the
11 construction, financing, and operation of a major league baseball park in the Triad
12 area serves a public purpose in that it will:
13 (1) Enhance the opportunities for recreational entertainment for all
14 North Carolinians;
15 (2) Generate new economic activity in the Triad area, leading to the
16 establishment of many new businesses;
17 (3) Encourage economic development throughout North Carolina by
18 enhancing the State's attractiveness to new and relocated
19 businesses and its attractiveness as a tourist destination; and
20 (4) Provide numerous new jobs for North Carolinians.
21 (b) The General Assembly further determines that because constructing a major
22 league baseball park is an extraordinarily complex task and because being able to

1 construct such a park in as short a time as possible is crucial to the award of a major
2 league baseball franchise to the Triad area, it is necessary to waive the application of
3 the usual construction contracting requirements for the park's construction.

4 "Sec. 2. **Definitions.** -- The words and phrases defined in this section have the
5 meanings indicated when used in this Charter, unless the context clearly requires
6 another meaning.

7 (1) 'Authority' means the North Carolina Triad Metropolitan Baseball
8 Park Authority.

9 (2) 'District' means the North Carolina Triad Metropolitan Baseball
10 Park District, established by this Charter.

11 (3) 'Major League Baseball' means the organization that controls the
12 administrative functions for the ownership and operation of major
13 league baseball operations in the United States and Canada.

14 (4) 'Major league baseball park' means a sports facility designed for
15 use primarily as a major league baseball park or stadium. Such a
16 facility may include, without limitation, features such as parking
17 areas and facilities, office facilities for the District or any team or
18 other user of the facility, associated retail and other commercial
19 facilities, and other ancillary facilities necessary or desirable for the
20 sports facility and its success. Such a facility also includes the
21 landscaped grounds surrounding the baseball park and related and
22 ancillary facilities.

23 "Sec. 3. **District Incorporated.** -- The inhabitants of the counties listed in this
24 section are a body corporate and politic and a political subdivision of the State under
25 the name 'North Carolina Triad Metropolitan Baseball Park District'. The District
26 comprises the following counties: Alamance, Caswell, Davidson, Davie, Forsyth,
27 Guilford, Montgomery, Randolph, Rockingham, Stokes, Surry, and Yadkin. The
28 District is a baseball park district.

29 "Sec. 4. **Authority Established.** -- (a) The District is governed by the Authority,
30 which has 15 members, appointed as follows:

31 (1) The Governor appoints five members, one at-large who shall be
32 the chair of the Authority, one each of whom at the time of
33 appointment were residents of Alamance and Davidson Counties
34 and two of whom at the time of appointment were residents of
35 Forsyth County.

36 (2) The General Assembly appoints five members upon the
37 recommendation of the President Pro Tempore of the Senate, one
38 each of whom at the time of appointment were residents of
39 Caswell, Rockingham, and Montgomery Counties and two of
40 whom at the time of appointment were residents of Guilford
41 County.

42 (3) The General Assembly appoints five members upon the
43 recommendation of the Speaker of the House of Representatives,

1 one each of whom at the time of appointment were residents of
2 Randolph, Stokes, Surry, Yadkin, and Davie Counties.

3 (b) Members of the Authority serve three-year terms, but in appointing the initial
4 members of the Authority, the Governor, the General Assembly upon the
5 recommendation of the Speaker of the House of Representatives and the General
6 Assembly upon the recommendation of the President Pro Tempore shall each
7 designate one of their appointees to serve until July 1, 1999, two to serve until July 1,
8 2000, and two to serve until July 1, 2001. If a vacancy occurs in the membership of
9 the Authority, and the person causing the vacancy was appointed by the Governor,
10 the Governor shall fill the vacancy for the remainder of the unexpired term. If the
11 person causing the vacancy was appointed by the General Assembly, the vacancy
12 shall be filled pursuant to G.S. 120-122. Initial terms commence upon appointment.

13 (c) The Authority may elect a vice-chair and such other officers as it determines
14 for terms established in the bylaws of the Authority.

15 (d) Once the Governor has appointed the initial chair of the Authority, the chair
16 shall determine the time and place of the Authority's initial meeting and shall cause
17 notice of the meeting to be given to each member of the Authority and to the public.
18 Thereafter, the Authority may establish a schedule of regular meetings and may
19 provide in its bylaws for the manner in which special meetings may be called.

20 (e) A majority of the members of the Authority, not counting vacant seats,
21 constitutes a quorum. The Authority may meet by conference telephone call as
22 provided by G.S. 143-318.13(a).

23 (f) The Authority may take action only upon the vote of a majority of its
24 members, not counting vacant seats and not counting members who have disclosed a
25 conflict of interest in the matter under discussion and vote.

26 (g) The Authority may adopt bylaws for the regulation of its affairs and the
27 conduct of its business, including rules of procedure, consistent with this Charter and
28 other applicable statutes.

29 (h) Members of the Authority are not compensated for their service, but the
30 Authority may provide that members are to be reimbursed for actual expenses
31 incurred while serving as an Authority member.

32 "Sec. 5. **Conflicts of Interest.** -- (a) G.S. 14-234 applies to the District and its
33 employees and to the members of the Authority.

34 (b) If a member of the Authority, or any member of the immediate family of a
35 member of the Authority, or the employer of a member of the Authority has a direct
36 financial interest in any matter that comes before the Authority, the affected member
37 shall disclose the interest and shall abstain from participating in the discussion of or
38 vote on the matter.

39 (c) Violation of this section does not affect the validity of any debts or obligations
40 incurred by the district.

41 "Sec. 6. **District Powers.** -- In addition to powers set out elsewhere in this Charter
42 and powers granted to the District by other statutes, the District may:

43 (1) Enter into contracts.

44 (2) Sue and be sued in its own name, and plead and be impleaded.

- 1 (3) Adopt an official seal.
- 2 (4) Apply for, accept, receive, and disburse funds and grants made
3 available to it by the United States of America or any agency
4 thereof, the State of North Carolina or any agency thereof, any
5 unit of local government or other political subdivision, and any
6 private entity or person; and accept donations of property. The
7 District may comply with the conditions and requirements
8 respecting any gift, grant, or donation of any property or funds.
- 9 (5) Employ and compensate such personnel as the Authority
10 determines. The Authority may delegate to any employee of the
11 District the authority to employ, supervise, discipline, or discharge
12 other employees of the District. The District is subject to G.S.
13 153A-98 with respect to the personnel files of its employees.
- 14 (6) Contract with consultants and other independent contractors.
- 15 (7) Contract with and appropriate money to any person, association,
16 or corporation, public or private, in order to carry out any public
17 purpose that the District is authorized by this Charter or other law
18 to engage in.
- 19 (8) Procure insurance to protect against loss of the District's property
20 or other assets, and against liabilities incurred by the District, the
21 Authority, or any officer, employee, or agent of the District. The
22 District may, pursuant to G.S. 160A-167, provide the defense of
23 any officer or employee of the District.
- 24 (9) Acquire and maintain administrative offices.
- 25 (10) Acquire by purchase, lease, gift, eminent domain, or otherwise, or
26 obtain options for the acquisition of, any real or personal property
27 or interest therein, in order to carry out the authorized activities of
28 the District. The District may not acquire property through the
29 exercise of eminent domain until after Major League Baseball has
30 announced approval of the award of a franchise for a location
31 within the District. In exercising the power of eminent domain,
32 the District shall follow the procedures of Chapter 40A of the
33 General Statutes applicable to local public condemnors.
- 34 (11) Sell, lease, exchange, transfer, or otherwise dispose of, or grant
35 options for any such purposes with respect to, any real or personal
36 property or interest therein. In disposing of property or any
37 interest in property, the District may proceed under such
38 procedures as it determines and is not subject to any procedural
39 requirements not included in this Charter.
- 40 (12) Promote award of a major league baseball franchise to a location
41 within the District.
- 42 (13) Design, construct, equip, improve, promote, operate, maintain,
43 lease, or contract for the operation and maintenance of a major
44 league baseball park. The baseball park shall be located on a tract

1 of land at least forty percent (40%) of which is located in each of
2 the two most populous counties in the district, according to the
3 most recent decennial federal census. If the Authority resolves that
4 construction of a major league baseball park or any portion thereof
5 must be expedited for good cause as determined by the Authority:

6 a. The District is exempt from the following statutes: G.S. 143-
7 128, subsections (a) through (e); G.S. 143-129; 143-131; and
8 143-132; or

9 b. The District may contract with the entity that has been
10 awarded the major league baseball franchise for that entity,
11 or an affiliated, parent, or subsidiary entity, to construct the
12 baseball park, with clear title to the baseball park passing to
13 the District at the completion of construction. Construction
14 under this paragraph is not subject to State laws on public
15 contract bidding.

16 If the Authority does adopt such a resolution, the Authority shall
17 establish and use alternative methods of contracting that are fair
18 and competitive, in the conclusive judgment of the Authority. The
19 District may contract for the right to name any park or other
20 facility owned by the District, or may include the right to contract
21 for the park's or facility's name in any lease of or contract for the
22 operation of the park or facility.

23 (14) Acquire real property or interests in real property for highway
24 improvements that will benefit the major league baseball park, and
25 convey, with or without monetary consideration, such property or
26 interests in property to the Department of Transportation. The
27 District may not acquire property for highway improvements
28 through the exercise of eminent domain until after Major League
29 Baseball has announced approval of the award of a franchise for a
30 location within the District. In the acquisition by eminent domain
31 of such real property or interests in real property, the District may
32 use the procedures of Article 9 of Chapter 136 of the General
33 Statutes. For the purpose of this subdivision, the words
34 'Department of Transportation' appear in Article 9, they are
35 deemed to include the District or Authority, and whenever the
36 words 'Administrator', 'Administrator of Highways',
37 'Administrator of the Department of Transportation', or
38 'Chairman of the Department of Transportation' appear in Article
39 9, they are deemed to include an appropriate official of the District
40 as designated by the Authority.

41 (15) Establish and collect fees and charges for the use of its facilities.

42 (16) Enter into partnerships, joint ventures, common ownership,
43 operating agreements, and other arrangements with other persons
44 to further District purposes.

1 (17) Do all acts and things necessary, convenient, or desirable to carry
2 out the purposes of and exercise the powers granted to it by this
3 Charter.

4 "Sec. 7. **Triple Net Lease Required.** -- Any lease of the baseball park for the
5 purpose of operating it for Major League Baseball must be triple net for a minimum
6 of 25 years, with the lessee responsible for upkeep and maintenance.

7 "Sec. 8. **District Taxes.** -- (a) Authorization. -- The Authority may, by resolution,
8 subject to the conditions set out in this subsection, levy a temporary local sales and
9 use tax at the rate of one percent (1%) within the District as provided in this section.
10 Before it may adopt such a resolution, however, two conditions must be met: (i)
11 Major League Baseball must have announced approval of the award of a franchise for
12 a location within the District, and (ii) the District's voters must have approved the
13 levy of the tax in a referendum called and held for that purpose.

14 (b) Referendum. -- The State Board of Elections shall, upon the written request of
15 the Authority, call a referendum for the purpose of submitting to the voters of the
16 District the question of whether a temporary sales and use tax at the rate of one
17 percent (1%) will be levied in the District. The date of the referendum shall be set
18 by the Authority, which may set it for any day, including the day of any regular or
19 special election held for another purpose; the referendum, however, may not
20 otherwise be held within 50 days before or 50 days after a statewide primary,
21 election, or referendum. In fixing the date of the referendum, the Authority shall
22 consult with one or more of the county boards of elections within the District in
23 order that the referendum shall not unduly interfere with other elections or
24 referendums already scheduled or in process. Notice of the referendum shall be
25 given in the manner and at the times required by G.S. 163-33(8). The referendum
26 and the registration of voters therefor shall be held under and in accordance with the
27 general laws of the State. Absentee ballots shall be authorized in the referendum.

28 Ballots, voting systems authorized by Article 14 of Chapter 163 of the General
29 Statutes, or both may be used in accordance with rules prescribed by the State Board
30 of Elections. The question to be presented on the ballots or voting systems shall be
31 substantially as follows:

32 'MAJOR LEAGUE BASEBALL PARK INITIATIVE

33 [] YES [] NO

34 When Major League Baseball has announced approval of a major league baseball
35 franchise for a location within the North Carolina Triad Metropolitan Baseball Park
36 District, may the District help finance no more than two-thirds of the cost of a major
37 league baseball park through levy of a temporary one percent (1%) sales and use tax
38 within the District, for no longer than one year?

39 The results of the referendum shall be canvassed and declared as provided by law
40 for elections of State officers; the results of the referendum shall be certified by the
41 State Board of Elections to the Authority in the manner and at the time provided by
42 the general election laws of the State for certifications of State elections. If a majority
43 of persons voting in the referendum vote in favor of levying the tax, the issue is
44 approved.

1 (c) Scope; Administration. -- Except as provided in this section, the adoption, levy,
2 scope, and collection of the tax shall be in accordance with Article 39 of Chapter 105
3 of the General Statutes as if the District were a county. The Secretary of Revenue
4 shall distribute the net proceeds of the tax to the Authority.

5 (d) Effective Date of Tax. -- A tax levied pursuant to this section shall become
6 effective on the date specified in the resolution levying the tax. That date must be
7 the first day of a calendar month, however, and may not be earlier than the first day
8 of the second month after the date the resolution is adopted.

9 (e) Use of Proceeds. -- The Authority may use the proceeds of a tax levied
10 pursuant to this section for any authorized activities of the district. Any of these
11 proceeds used to design, construct, equip, or improve a major league baseball park as
12 provided in Section 6(13) must be matched by private funds on the basis of one
13 dollar (\$1.00) of private funds used for this purpose for every two dollars (\$2.00) of
14 tax proceeds used for this purpose. Any of these proceeds not matched as required
15 in this subsection shall not be used to design, construct, equip, or improve a major
16 league baseball park as provided in Section (13).

17 (f) Termination of Tax. -- The authority to levy a tax pursuant to this section
18 terminates on the first day of the twelfth month after the effective date of the levy of
19 the tax.

20 "Sec. 9. **Budgeting and Fiscal Control.** -- The District is a unit of local government
21 under the Local Government Budget and Fiscal Control Act.

22 "Sec. 10. **Assistance From Local Governments.** -- Any county, city or town, or
23 other unit of local government or public authority located within the District may
24 contribute or advance moneys or other assets or services to the District. The District
25 may reimburse a local government or public authority for any such advance once it
26 is receiving the proceeds of any tax levied by it pursuant to this Charter or otherwise
27 has funds available to do so.

28 "Sec. 11. **Zoning and Annexation.** -- (a) The District may regulate land use upon
29 real property owned by it, and such property is not subject to any zoning ordinance
30 adopted by a county or city.

31 (b) Real property owned by the District is not subject to annexation pursuant to
32 Part 2 or 3 of Article 4A of Chapter 160A of the General Statutes."

33 Section 2. The General Statutes are amended by adding a new Chapter
34 to read:

35 "Chapter 160C.

36 "Baseball Park Districts.

37 "§ 160C-1. Baseball park districts.

38 The General Assembly may establish baseball park districts as bodies political and
39 corporate and political subdivisions of the State."

40 Section 3. G.S. 160A-20(h) reads as rewritten:

41 "(h) As used in this section, the term 'unit of local government' means any of the
42 following:

43 (1) A county.

44 (2) A city.

- 1 (3) A water and sewer authority created under Article 1 of Chapter
2 162A of the General Statutes.
- 3 (4) An airport authority whose situs is entirely within a county that
4 has (i) a population of over 120,000 according to the most recent
5 federal decennial census and (ii) an area of less than 200 square
6 miles.
- 7 (5) An airport authority in a county in which there are two
8 incorporated municipalities with a population of more than 65,000
9 according to the most recent federal decennial census.
- 10 (5a) An airport board or commission authorized by agreement between
11 two cities pursuant to G.S. 63-56, one of which is located partially
12 but not wholly in the county in which the jointly owned airport is
13 located, and where the board or commission provided water and
14 wastewater services off the airport premises before January 1, 1995;
15 provided that the authority granted by this section may be
16 exercised by such a board or commission with respect to water and
17 wastewater systems or improvements only.
- 18 (6) A local school administrative unit (i) that is located in a county
19 that has a population of over 90,000 according to the most recent
20 federal decennial census and (ii) whose board of education is
21 authorized to levy a school tax.
- 22 (7) An area mental health, developmental disabilities, and substance
23 abuse authority, acting in accordance with G.S. 122C-147.
- 24 (8) A consolidated city-county, as defined by G.S. 160B-2(1).
- 25 (9) A baseball park district."

26 Section 4. G.S. 159-148(a) reads as rewritten:

27 "(a) Except as provided in subsection (b) of this section, this Article applies to
28 any contract, agreement, memorandum of understanding, and any other transaction
29 having the force and effect of a contract (other than agreements made in connection
30 with the issuance of revenue bonds, special obligation bonds issued pursuant to
31 Chapter 159I of the General Statutes, or of general obligation bonds additionally
32 secured by a pledge of revenues) made or entered into by a unit of local government
33 (as defined by G.S. 159-7(b) or, in the case of a special obligation bond, as defined in
34 Chapter 159I of the General Statutes), relating to the lease, acquisition, or
35 construction of capital assets, which contract

- 36 (1) Extends for five or more years from the date of the contract,
37 including periods that may be added to the original term through
38 the exercise of options to renew or extend, and
- 39 (2) Obligates the unit to pay sums of money to another, without regard
40 to whether the payee is a party to the contract, and
- 41 (3) Obligates the unit over the full term of the contract, including
42 periods that may be added to the original term through the
43 exercise of options to renew or extend, to the extent of at least five
44 hundred thousand dollars (\$500,000) for baseball park districts

- 1 and, for other units, to the extent of five hundred thousand dollars
2 (\$500,000) or a sum equal to one tenth of one percent (1/10 of 1%)
3 of the assessed value of property subject to taxation by the
4 contracting unit, whichever is less, and
5 (4) Obligates the unit, expressly or by implication, to exercise its
6 power to levy taxes either to make payments falling due under the
7 contract, or to pay any judgment entered against the unit as a
8 result of the unit's breach of the contract.
9 Contingent obligation shall be included in calculating the value of the contract.
10 Several contracts that are all related to the same undertaking shall be deemed a
11 single contract for the purposes of this Article. When several contracts are
12 considered as a single contract, the term shall be that of the contract having the
13 longest term, and the sums to fall due shall be the total of all sums to fall due under
14 all single contracts in the group."
15 Section 5. This act is effective when it becomes law.

GENERAL ASSEMBLY OF NORTH CAROLINA

SESSION 1997

S

D

SENATE BILL 389
Proposed Committee Substitute S389-PCS2651

Short Title: Baseball Park Districts.

(Public)

Sponsors:

Referred to:

March 13, 1997

- 1 A BILL TO BE ENTITLED
2 AN ACT TO ESTABLISH THE NORTH CAROLINA TRIAD METROPOLITAN
3 BASEBALL PARK DISTRICT, TO PROVIDE FOR A REFERENDUM ON
4 BASEBALL PARK FINANCING ON A DATE DESIGNATED BY THE
5 DISTRICT AND TO ALLOW BASEBALL PARK DISTRICTS TO ENTER
6 INTO INSTALLMENT FINANCING AGREEMENTS.
7 The General Assembly of North Carolina enacts:
8 Section 1. A Charter for the North Carolina Triad Metropolitan Baseball
9 Park District is enacted as follows:
10 "CHARTER OF THE NORTH CAROLINA
11 TRIAD METROPOLITAN BASEBALL PARK DISTRICT.
12 "Section 1. **Legislative Findings.** -- (a) The General Assembly determines that the
13 construction, financing, and operation of a major league baseball park in the Triad
14 area serves a public purpose in that it will:
15 (1) Enhance the opportunities for recreational entertainment for all
16 North Carolinians;
17 (2) Generate new economic activity in the Triad area, leading to the
18 establishment of many new businesses;
19 (3) Encourage economic development throughout North Carolina by
20 enhancing the State's attractiveness to new and relocated
21 businesses and its attractiveness as a tourist destination; and
22 (4) Provide numerous new jobs for North Carolinians.

1 (b) The General Assembly further determines that because constructing a major
2 league baseball park is an extraordinarily complex task and because being able to
3 construct such a park in as short a time as possible is crucial to the award of a major
4 league baseball franchise to the Triad area, it is necessary to waive the application of
5 the usual construction contracting requirements for the park's construction.

6 "Sec. 2. **Definitions.** -- The words and phrases defined in this section have the
7 meanings indicated when used in this Charter, unless the context clearly requires
8 another meaning.

9 (1) 'Authority' means the North Carolina Triad Metropolitan Baseball
10 Park Authority.

11 (2) 'District' means the North Carolina Triad Metropolitan Baseball
12 Park District, established by this Charter.

13 (3) 'Major League Baseball' means the organization that controls the
14 administrative functions for the ownership and operation of major
15 league baseball operations in the United States and Canada.

16 (4) 'Major league baseball park' means a sports facility designed for
17 use primarily as a major league baseball park or stadium. Such a
18 facility may include, without limitation, features such as parking
19 areas and facilities, office facilities for the District or any team or
20 other user of the facility, associated retail and other commercial
21 facilities, and other ancillary facilities necessary or desirable for the
22 sports facility and its success. Such a facility also includes the
23 landscaped grounds surrounding the baseball park and related and
24 ancillary facilities.

25 "Sec. 3. **District Incorporated.** -- The inhabitants of the counties listed in this
26 section are a body corporate and politic and a political subdivision of the State under
27 the name 'North Carolina Triad Metropolitan Baseball Park District'. The District
28 initially comprises the following counties: Alamance, Caswell, Davidson, Davie,
29 Forsyth, Guilford, Montgomery, Randolph, Rockingham, Stokes, Surry, and Yadkin.
30 If the voters in a county do not vote in favor of the question in Section 8 of this
31 Charter, then upon the certification of the results of the election, that county is
32 removed from the district. The District is a baseball park district.

33 "Sec. 4. **Authority Established.** -- (a) The District is governed by the Authority,
34 which has 15 members, appointed as follows:

35 (1) The Governor appoints five members, one at-large who shall be
36 the chair of the Authority, one each of whom at the time of
37 appointment were residents of Alamance and Davidson Counties
38 and two of whom at the time of appointment were residents of
39 Forsyth County.

40 (2) The General Assembly appoints five members upon the
41 recommendation of the President Pro Tempore of the Senate, one
42 each of whom at the time of appointment were residents of
43 Caswell, Davie, and Montgomery Counties and two of whom at the
44 time of appointment were residents of Guilford County.

- 1 (3) The General Assembly appoints five members upon the
2 recommendation of the Speaker of the House of Representatives,
3 one each of whom at the time of appointment were residents of
4 Randolph, Stokes, Surry, Yadkin, and Rockingham Counties.
- 5 (b) Members of the Authority serve three-year terms, but in appointing the initial
6 members of the Authority, the Governor, the General Assembly upon the
7 recommendation of the Speaker of the House of Representatives and the General
8 Assembly upon the recommendation of the President Pro Tempore shall each
9 designate one of their appointees to serve until July 1, 1999, two to serve until July 1,
10 2000, and two to serve until July 1, 2001. If a vacancy occurs in the membership of
11 the Authority, and the person causing the vacancy was appointed by the Governor,
12 the Governor shall fill the vacancy for the remainder of the unexpired term. If the
13 person causing the vacancy was appointed by the General Assembly, the vacancy
14 shall be filled pursuant to G.S. 120-122. Initial terms commence upon appointment.
- 15 (c) The Authority may elect a vice-chair and such other officers as it determines
16 for terms established in the bylaws of the Authority.
- 17 (d) Once the Governor has appointed the initial chair of the Authority, the chair
18 shall determine the time and place of the Authority's initial meeting and shall cause
19 notice of the meeting to be given to each member of the Authority and to the public.
20 Thereafter, the Authority may establish a schedule of regular meetings and may
21 provide in its bylaws for the manner in which special meetings may be called.
- 22 (e) A majority of the members of the Authority, not counting vacant seats,
23 constitutes a quorum. The Authority may meet by conference telephone call as
24 provided by G.S. 143-318.13(a).
- 25 (f) The Authority may take action only upon the vote of a majority of its
26 members, not counting vacant seats and not counting members who have disclosed a
27 conflict of interest in the matter under discussion and vote.
- 28 (g) The Authority may adopt bylaws for the regulation of its affairs and the
29 conduct of its business, including rules of procedure, consistent with this Charter and
30 other applicable statutes.
- 31 (h) Members of the Authority are not compensated for their service, but the
32 Authority may provide that members are to be reimbursed for actual expenses
33 incurred while serving as an Authority member.
- 34 (i) If any county is removed from the district as provided by Section 3 of this
35 Charter, any member of the Authority residing in that county is removed, and the
36 appointing authority may appoint a resident of any county remaining in the district to
37 that seat.
- 38 "Sec. 5. **Conflicts of Interest.** -- (a) G.S. 14-234 applies to the District and its
39 employees and to the members of the Authority.
- 40 (b) If a member of the Authority, or any member of the immediate family of a
41 member of the Authority, or the employer of a member of the Authority has a direct
42 financial interest in any matter that comes before the Authority, the affected member
43 shall disclose the interest and shall abstain from participating in the discussion of or
44 vote on the matter.

1 (c) Violation of this section does not affect the validity of any debts or obligations
2 incurred by the district.

3 "Sec. 6. **District Powers.** -- In addition to powers set out elsewhere in this Charter
4 and powers granted to the District by other statutes, the District may:

- 5 (1) Enter into contracts.
- 6 (2) Sue and be sued in its own name, and plead and be impleaded.
- 7 (3) Adopt an official seal.
- 8 (4) Apply for, accept, receive, and disburse funds and grants made
9 available to it by the United States of America or any agency
10 thereof, the State of North Carolina or any agency thereof, any
11 unit of local government or other political subdivision, and any
12 private entity or person; and accept donations of property. The
13 District may comply with the conditions and requirements
14 respecting any gift, grant, or donation of any property or funds.
- 15 (5) Employ and compensate such personnel as the Authority
16 determines. The Authority may delegate to any employee of the
17 District the authority to employ, supervise, discipline, or discharge
18 other employees of the District. The District is subject to G.S.
19 153A-98 with respect to the personnel files of its employees.
- 20 (6) Contract with consultants and other independent contractors.
- 21 (7) Contract with and appropriate money to any person, association,
22 or corporation, public or private, in order to carry out any public
23 purpose that the District is authorized by this Charter or other law
24 to engage in.
- 25 (8) Procure insurance to protect against loss of the District's property
26 or other assets, and against liabilities incurred by the District, the
27 Authority, or any officer, employee, or agent of the District. The
28 District may, pursuant to G.S. 160A-167, provide the defense of
29 any officer or employee of the District.
- 30 (9) Acquire and maintain administrative offices.
- 31 (10) Acquire by purchase, lease, gift, eminent domain, or otherwise, or
32 obtain options for the acquisition of, any real or personal property
33 or interest therein, in order to carry out the authorized activities of
34 the District. The District may not acquire property through the
35 exercise of eminent domain until after Major League Baseball has
36 announced approval of the award of a franchise for a location
37 within the District. In exercising the power of eminent domain,
38 the District shall follow the procedures of Chapter 40A of the
39 General Statutes applicable to local public condemners.
- 40 (11) Sell, lease, exchange, transfer, or otherwise dispose of, or grant
41 options for any such purposes with respect to, any real or personal
42 property or interest therein. In disposing of property or any
43 interest in property, the District may proceed under such

- 1 procedures as it determines and is not subject to any procedural
2 requirements not included in this Charter.
- 3 (12) Promote award of a Major League Baseball franchise to a location
4 within the District.
- 5 (13) Design, construct, equip, improve, promote, operate, maintain,
6 lease, or contract for the operation and maintenance of a major
7 league baseball park. The baseball park shall be located on a tract
8 of land at least forty percent (40%) of which is located in each of
9 the two most populous counties in the district, according to the
10 most recent decennial federal census. If the Authority resolves that
11 construction of a major league baseball park or any portion thereof
12 must be expedited for good cause as determined by the Authority:
- 13 a. The District is exempt from the following statutes: G.S. 143-
14 128, subsections (a) through (e); G.S. 143-129; 143-131; and
15 143-132; or
- 16 b. The District may contract with the entity that has been
17 awarded the major league baseball franchise for that entity,
18 or an affiliated, parent, or subsidiary entity, to construct the
19 baseball park, with clear title to the baseball park passing to
20 the District at the completion of construction. Construction
21 under this paragraph is not subject to State laws on public
22 contract bidding.
- 23 If the Authority does adopt such a resolution, the Authority shall
24 establish and use alternative methods of contracting that are fair
25 and competitive, in the conclusive judgment of the Authority. The
26 Authority shall use North Carolina based contractors where
27 feasible. The District may contract for the right to name any park
28 or other facility owned by the District, or may include the right to
29 contract for the park's or facility's name in any lease of or contract
30 for the operation of the park or facility.
- 31 (14) Acquire real property or interests in real property for highway
32 improvements that will benefit the major league baseball park, and
33 convey, with or without monetary consideration, such property or
34 interests in property to the Department of Transportation. The
35 District may not acquire property for highway improvements
36 through the exercise of eminent domain until after Major League
37 Baseball has announced approval of the award of a franchise for a
38 location within the District. In the acquisition by eminent domain
39 of such real property or interests in real property, the District may
40 use the procedures of Article 9 of Chapter 136 of the General
41 Statutes. For the purpose of this subdivision, whenever the words
42 'Department of Transportation' appear in Article 9, they are
43 deemed to include the District or Authority, and whenever the
44 words 'Administrator', 'Administrator of Highways',

1 'Administrator of the Department of Transportation', or
 2 'Chairman of the Department of Transportation' appear in Article
 3 9, they are deemed to include an appropriate official of the District
 4 as designated by the Authority.

5 (15) Establish and collect fees and charges for the use of its facilities.

6 (16) Enter into partnerships, joint ventures, common ownership,
 7 operating agreements, and other arrangements with other persons
 8 to further District purposes.

9 (17) Do all acts and things necessary, convenient, or desirable to carry
 10 out the purposes of and exercise the powers granted to it by this
 11 Charter.

12 "Sec. 7. **Triple Net Lease Required.** -- Any lease of the baseball park for the
 13 purpose of operating it for Major League Baseball must be triple net for a minimum
 14 of 25 years, with the lessee responsible for upkeep and maintenance.

15 "Sec. 8. **District Taxes.** -- (a) Authorization. -- The Authority may, by resolution,
 16 subject to the conditions set out in this subsection, levy a temporary local sales and
 17 use tax at the rate of one percent (1%) within the District as provided in this section.
 18 Before it may adopt such a resolution, however, two conditions must be met: (i)
 19 Major League Baseball must have announced approval of the award of a franchise for
 20 a location within the District, and (ii) the District's voters must have approved the
 21 levy of the tax in a referendum called and held for that purpose.

22 (b) Referendum. -- The State Board of Elections shall, upon the written request of
 23 the Authority, call a referendum for the purpose of submitting to the voters of the
 24 District the question of whether a temporary sales and use tax at the rate of one
 25 percent (1%) will be levied in the District. The date of the referendum shall be set
 26 by the Authority, which may set it for any day, including the day of any regular or
 27 special election held for another purpose; the referendum, however, may not
 28 otherwise be held within 50 days before or 50 days after a statewide primary,
 29 election, or referendum. In fixing the date of the referendum, the Authority shall
 30 consult with one or more of the county boards of elections within the District in
 31 order that the referendum shall not unduly interfere with other elections or
 32 referendums already scheduled or in process. Notice of the referendum shall be
 33 given in the manner and at the times required by G.S. 163-33(8). The referendum
 34 and the registration of voters therefor shall be held under and in accordance with the
 35 general laws of the State. Absentee ballots shall be authorized in the referendum.

36 Ballots, voting systems authorized by Article 14 of Chapter 163 of the General
 37 Statutes, or both may be used in accordance with rules prescribed by the State Board
 38 of Elections. The question to be presented on the ballots or voting systems shall be
 39 substantially as follows:

40 'MAJOR LEAGUE BASEBALL PARK INITIATIVE

41 [] YES [] NO

42 When Major League Baseball has announced approval of a major league baseball
 43 franchise for a location within the North Carolina Triad Metropolitan Baseball Park
 44 District, may _____ County which is currently in the District help finance no more

1 than two-thirds of the cost of a major league baseball park through levy of a
2 temporary one percent (1%) sales and use tax within the counties remaining in the
3 District, for no longer than one year?"

4 The results of the referendum shall be canvassed and declared as provided by law
5 for elections of State officers; the results of the referendum shall be certified by the
6 State Board of Elections to the Authority in the manner and at the time provided by
7 the general election laws of the State for certifications of State elections. If a majority
8 of persons voting in the referendum in one or more counties vote in favor of levying
9 the tax, the issue is approved. The votes shall be tallied separately in each county in
10 the District. As provided in Section 3 of this act, any county that does not vote in
11 favor of the question is removed from the District, and the tax is imposed in the
12 District consisting of the counties that have approved the levy.

13 (c) Scope; Administration. -- Except as provided in this section, the adoption, levy,
14 scope, and collection of the tax shall be in accordance with Article 39 of Chapter 105
15 of the General Statutes as if the District were a county. The Secretary of Revenue
16 shall distribute the net proceeds of the tax to the Authority.

17 (d) Effective Date of Tax. -- A tax levied pursuant to this section shall become
18 effective on the date specified in the resolution levying the tax. That date must be
19 the first day of a calendar month, however, and may not be earlier than the first day
20 of the second month after the date the resolution is adopted.

21 (e) Use of Proceeds. -- The Authority may use the proceeds of a tax levied
22 pursuant to this section for any authorized activities of the district. Any of these
23 proceeds used to design, construct, equip, or improve a major league baseball park as
24 provided in Section 6(13) of this Charter must be matched by private funds on the
25 basis of at least one dollar (\$1.00) of private funds used for this purpose for every two
26 dollars (\$2.00) of these proceeds used for this purpose. Any of these proceeds not
27 matched as required in this subsection shall not be used to design, construct, equip,
28 or improve a major league baseball park as provided in Section 6(13) of this Charter.

29 (f) Termination of Tax. -- The authority to levy a tax pursuant to this section
30 terminates on the first day of the twelfth month after the effective date of the levy of
31 the tax and cannot be extended for any reason.

32 (g) Refunds After Tax Ends. -- If the Secretary of Revenue refunds a tax imposed
33 by this section after the tax has expired and the proceeds of the tax have been
34 distributed to the Authority, the Secretary shall notify the Authority of the amount of
35 the refund. The Authority shall reimburse the Secretary for the amount of the
36 refund.

37 "Sec. 9. **Budgeting and Fiscal Control.** -- The District is a unit of local government
38 under the Local Government Budget and Fiscal Control Act.

39 "Sec. 10. **Assistance From Local Governments.** -- Any county, city or town, or
40 other unit of local government or public authority located within the District may
41 contribute or advance moneys or other assets or services to the District. The District
42 may reimburse a local government or public authority for any such advance once it
43 is receiving the proceeds of any tax levied by it pursuant to this Charter or otherwise
44 has funds available to do so.

1 "Sec. 11. **Zoning and Annexation.** -- (a) The District may regulate land use upon
2 real property owned by it, and such property is not subject to any zoning ordinance
3 adopted by a county or city.

4 (b) Real property owned by the District is not subject to annexation pursuant to
5 Part 2 or 3 of Article 4A of Chapter 160A of the General Statutes."

6 Section 2. The General Statutes are amended by adding a new Chapter
7 to read:

8 "Chapter 160C.

9 "Baseball Park Districts.

10 "§ 160C-1. Baseball park districts.

11 The General Assembly may establish baseball park districts as bodies political and
12 corporate and political subdivisions of the State."

13 Section 3. G.S. 160A-20(h) reads as rewritten:

14 "(h) As used in this section, the term 'unit of local government' means any of the
15 following:

- 16 (1) A county.
17 (2) A city.
18 (3) A water and sewer authority created under Article 1 of Chapter
19 162A of the General Statutes.
20 (4) An airport authority whose situs is entirely within a county that
21 has (i) a population of over 120,000 according to the most recent
22 federal decennial census and (ii) an area of less than 200 square
23 miles.
24 (5) An airport authority in a county in which there are two
25 incorporated municipalities with a population of more than 65,000
26 according to the most recent federal decennial census.
27 (5a) An airport board or commission authorized by agreement between
28 two cities pursuant to G.S. 63-56, one of which is located partially
29 but not wholly in the county in which the jointly owned airport is
30 located, and where the board or commission provided water and
31 wastewater services off the airport premises before January 1, 1995;
32 provided that the authority granted by this section may be
33 exercised by such a board or commission with respect to water and
34 wastewater systems or improvements only.
35 (6) A local school administrative unit (i) that is located in a county
36 that has a population of over 90,000 according to the most recent
37 federal decennial census and (ii) whose board of education is
38 authorized to levy a school tax.
39 (7) An area mental health, developmental disabilities, and substance
40 abuse authority, acting in accordance with G.S. 122C-147.
41 (8) A consolidated city-county, as defined by G.S. 160B-2(1).
42 (9) A baseball park district."

43 Section 4. G.S. 159-148(a) reads as rewritten:

1 "(a) Except as provided in subsection (b) of this section, this Article applies to
2 any contract, agreement, memorandum of understanding, and any other transaction
3 having the force and effect of a contract (other than agreements made in connection
4 with the issuance of revenue bonds, special obligation bonds issued pursuant to
5 Chapter 159I of the General Statutes, or of general obligation bonds additionally
6 secured by a pledge of revenues) made or entered into by a unit of local government
7 (as defined by G.S. 159-7(b) or, in the case of a special obligation bond, as defined in
8 Chapter 159I of the General Statutes), relating to the lease, acquisition, or
9 construction of capital assets, which contract

- 10 (1) Extends for five or more years from the date of the contract,
11 including periods that may be added to the original term through
12 the exercise of options to renew or extend, and
13 (2) Obligates the unit to pay sums of money to another, without regard
14 to whether the payee is a party to the contract, and
15 (3) Obligates the unit over the full term of the contract, including
16 periods that may be added to the original term through the
17 exercise of options to renew or extend, to the extent of at least five
18 hundred thousand dollars (\$500,000) for baseball park districts
19 and, for other units, to the extent of five hundred thousand dollars
20 (\$500,000) or a sum equal to one tenth of one percent (1/10 of 1%)
21 of the assessed value of property subject to taxation by the
22 contracting unit, whichever is less, and
23 (4) Obligates the unit, expressly or by implication, to exercise its
24 power to levy taxes either to make payments falling due under the
25 contract, or to pay any judgment entered against the unit as a
26 result of the unit's breach of the contract.

27 Contingent obligation shall be included in calculating the value of the contract.
28 Several contracts that are all related to the same undertaking shall be deemed a
29 single contract for the purposes of this Article. When several contracts are
30 considered as a single contract, the term shall be that of the contract having the
31 longest term, and the sums to fall due shall be the total of all sums to fall due under
32 all single contracts in the group."

33 Section 5. Notwithstanding G.S. 105-259, the Department of Revenue
34 may furnish to the finance officer of the North Carolina Triad Metropolitan Baseball
35 Park Authority information on the sales and use tax levied by that Authority.

36 Section 6. This act is effective when it becomes law.

EXPLANATION OF SENATE BILL 389
Baseball Park Districts

TO: Senate Finance Committee
FROM: Sabra Faires, Committee Counsel
DATE: April 1, 1997
SPONSOR: Senator David Hoyle

Senate Bill 389 establishes the North Carolina Triad Metropolitan Baseball Park District and its governing body, the Park Authority. The bill authorizes the Authority to construct, finance, and operate a major league baseball park, authorizes the Authority to levy 1% local sales and use taxes in the District for one year if the taxes are approved by a majority of those in the District who vote on the issue, and authorizes the Authority to finance the baseball park by using certificates of participation. The bill is effective upon ratification.

The District will be a unit of local government and will consist of the following 12 counties: Alamance, Caswell, Davidson, Davie, Forsyth, Guilford, Montgomery, Randolph, Rockingham, Stokes, Surry, and Yadkin. The Authority will be a 15-member board, five of whom will be appointed by the Governor, five of whom will be appointed by the General Assembly upon the recommendation of the President Pro Tempore, and five of whom will be appointed by the General Assembly upon the recommendation of the Speaker of the House. All appointments except one must be residents of particular counties in the district so that the membership will include two residents of Forsyth County, two residents of Guilford County, one resident of the remaining 10 counties in the district, and one at-large member.

When constructing and operating a baseball park, the Authority is exempt from the purchase and contract procedures that generally apply to local units of government. It also has the power of eminent domain, which can be used to acquire land for the baseball park or for highway improvements that will benefit the baseball park. The baseball park must be located on a tract of land at least 40% of which is located in each of the two most populous counties in the District. The two most populous counties in the District are Guilford and Forsyth.

The Authority can levy 1%, 1-year, local sales and use taxes in the District if Major League Baseball has announced the approval of an award of a franchise in a location in the District and the voters in the District approve the levy. If authorized, the taxes will be collected by the Department of Revenue and the net proceeds of the tax will be distributed to the Authority. The tax proceeds can be

used for any activity of the District. Any tax proceeds used to design, construct, equip, or improve the baseball park must be matched by private funds. Every \$2.00 of tax proceeds must be matched by \$1.00 in private funds.

Any lease of the baseball park must be a triple net lease for a minimum of 25 years. The Authority has zoning power over land owned by the District and land owned by the District is not subject to involuntary annexation.

**NORTH CAROLINA GENERAL ASSEMBLY
LEGISLATIVE FISCAL NOTE**

BILL NUMBER: SB 389
SHORT TITLE: BASEBALL PARK DISTRICTS
SPONSOR(S): SEN. HOYLE, McDANIEL, MARTIN (GUILFORD), SHAW
(GUILFORD)

FISCAL IMPACT

Yes (X) No () No Estimate Available ()

FY 1997-98 FY 1998-99 FY 1999-00 FY 2000-01 FY 2001-02
(See "Assumptions and Methodology")

REVENUES

PRINCIPAL DEPARTMENT AFFECTED: The tax will be collected by the Department of Revenue. The Department is to be reimbursed for the actual cost of collecting the tax from the tax proceeds.

EFFECTIVE DATE: When the bill becomes law.

BILL SUMMARY: Creates a local government entity named the North Carolina Triad Metropolitan Baseball District consisting of 12 counties in the Piedmont Triad. The finance implication of the bill is that the District is **permitted** to call a referendum on a one-year levy of an additional 1% local sales and use tax within the district. The tax can be levied only if district voters approve the levy and if a major league baseball franchise is approved for location within the district. The proceeds of the tax may be used to construct a major league baseball park but only to the extent that each \$2 of tax proceeds is matched by \$1 of private funds. In addition the district will be able to enter into installment financing contracts.

ASSUMPTIONS AND METHODOLOGY: Since the tax levy is permissive and subject to both voter approval and the awarding of the major league franchise, it is impossible to know when the levy will occur. For information purposes, a simulation was run for the 12-month period of April 1, 1998-March 31, 1999. The potential yield for this period is \$130.6 million if the tax is levied in all 12 counties. The simulation applied a conservative 3% annual growth assumption to data supplied by the Department of Revenue for sales tax collections by county for the period February 1, 1996-January 31, 1997.

From: Tim Newman (910) 732-6834

Date: March 31, 1997

Re: Agenda for meeting

Our presentation on North Carolina Baseball and consideration of Senate Bill 389 before the Senate Finance Committee is scheduled for Tuesday, April 1 at Noon in Room 544, the Senate Finance Committee meeting room, in the Legislative Office Building, which is at the corner of Lane and Salisbury Streets on the enclosed map. We plan to meet in Senator Mark McDaniel's office, room 522, at 11am to go over our presentation, which will be sometime after 12 noon during the Committee meeting.

The agenda is planned as follows:

- 1) Overview of Importance of Project to North Carolina-Sen. David Hoyle (D-Gaston), Committee Co-Chair and Bill Co-Sponsor
- 2) Description of Bill and Committee Substitute for County-by-County Vote-Sen. Mark McDaniel (R-Forsyth), Committee Member and Bill Co-Sponsor
- 3) Overview of Importance of Project to the Triad-Sen. Bill Martin (D-Guilford), Committee Member and Bill Co-Sponsor
- 4) Piedmont Triad Partnership Support-Darrell Frye, Randolph County Commissioner and Chairman, Piedmont Triad Partnership
- 5) Overview of Ballpark Financing-Bob Starkey, Arthur Andersen
- 6) Overview of Ownership Effort-Don Beaver, North Carolina Major League Baseball, LLC

Please call me with any questions on this agenda, and we'll see you tomorrow.

April 1, 1997

Dear Members of the General Assembly:

As major employers in the Piedmont Triad Region, we have supported the ongoing effort to land a Major League Baseball franchise for our region. Now we strongly endorse the legislative proposal, Senate Bill 389, which will provide a referendum giving voters in the 12-county region the right to decide the issue for themselves by voting on a regional stadium financing plan.

We know the addition of a Major League franchise will have a huge economic impact throughout our region, adding hundreds of millions of new dollars to our economy and generating thousands of new jobs. As employers, we know that working families of the Triad will appreciate and enjoy the major league entertainment that will come with a Major League Baseball team.

Professional baseball has a rich tradition in our state and in our region. Now we have the fan base, the interest and the enthusiasm to step up and go after a Major League franchise. It represents one of the most important economic development efforts our region has ever pursued. And in addition, it will put the Piedmont Triad on the national map.

We urge your support of SB 389. Give our fellow citizens the chance to vote on Major League Baseball for North Carolina.

Sincerely,

J. Walter McDowell
President and Chief Executive Officer

SENATE FINANCE COMMITTEE

WEDNESDAY, APRIL 2, 1997

12:00 NOON - ROOM 544 LOB

Senator John H. Kerr, III, Co-Chairman, called the meeting to order. There were 26 members of the Committee present.

S. B. 389 - Baseball Park Districts

Senator Mark McDaniel made a motion to adopt a proposed committee substitute # 2655, motion passed. Senator David Hoyle explained the changes to the bill. Meeting was opened for discussion by the membership of the committee. Senator Cochrane made a motion for adoption of an amendment (attachment # 2), motion carried with instruction that bill put made into another committee substitute #2627. The following persons spoke in opposition to the bill:

Mr. Rufus Shelton from Alamance County

Mr. Earl Ewing of Alamance County

Mr. Charles Moore of Alamance County. He also had a petition of persons that opposed the bill.

Representative Cary Allred

The following persons spoke in support of the bill:

Mr. Tim Newman from Winston-Salem, North Carolina

Mr. Arnold King from Kernersville, North Carolina

Mr. Ken Carlson from Winston-Salem, North Carolina

Mr. Parker Kiser from Alamance County

Senator Conder made a motion that the new proposed committee substitute #2627 be given a "favorable" report, motion passed.

S. B. 447 Lumberton Economic Development District

Senator Weinstein came and explained the bill. Senator Soles made a motion to give the bill a "favorable" report, motion passed.

S. B. 389 - Baseball Park Districts - Senator Hoyle

1 construct such a park in as short a time as possible is crucial to the award of a major
2 league baseball franchise to the Triad area, it is necessary to waive the application of
3 the usual construction contracting requirements for the park's construction.

4 "Sec. 2. **Definitions.** -- The words and phrases defined in this section have the
5 meanings indicated when used in this Charter, unless the context clearly requires
6 another meaning.

7 (1) 'Authority' means the North Carolina Triad Metropolitan Baseball
8 Park Authority.

9 (2) 'District' means the North Carolina Triad Metropolitan Baseball
10 Park District, established by this Charter.

11 (3) 'Major League Baseball' means the organization that controls the
12 administrative functions for the ownership and operation of major
13 league baseball operations in the United States and Canada.

14 (4) 'Major league baseball park' means a sports facility designed for
15 use primarily as a major league baseball park or stadium. Such a
16 facility may include, without limitation, features such as parking
17 areas and facilities, office facilities for the District or any team or
18 other user of the facility, associated retail and other commercial
19 facilities, and other ancillary facilities necessary or desirable for the
20 sports facility and its success. Such a facility also includes the
21 landscaped grounds surrounding the baseball park and related and
22 ancillary facilities.

23 "Sec. 3. **District Incorporated.** -- The inhabitants of the counties listed in this
24 section are a body corporate and politic and a political subdivision of the State under
25 the name 'North Carolina Triad Metropolitan Baseball Park District'. The District
26 comprises the following counties: Alamance, Caswell, Davidson, Davie, Forsyth,
27 Guilford, Montgomery, Randolph, Rockingham, Stokes, Surry, and Yadkin. The
28 District is a baseball park district.

29 "Sec. 4. **Authority Established.** -- (a) The District is governed by the Authority,
30 which has 15 members, appointed as follows:

31 (1) The Governor appoints five members, one at-large who shall be
32 the chair of the Authority, one each of whom at the time of
33 appointment were residents of Alamance and Davidson Counties
34 and two of whom at the time of appointment were residents of
35 Forsyth County.

36 (2) The General Assembly appoints five members upon the
37 recommendation of the President Pro Tempore of the Senate, one
38 each of whom at the time of appointment were residents of
39 Caswell, Rockingham, and Montgomery Counties and two of
40 whom at the time of appointment were residents of Guilford
41 County.

42 (3) The General Assembly appoints five members upon the
43 recommendation of the Speaker of the House of Representatives,

1 one each of whom at the time of appointment were residents of
2 Randolph, Stokes, Surry, Yadkin, and Davie Counties.

3 (b) Members of the Authority serve three-year terms, but in appointing the initial
4 members of the Authority, the Governor, the General Assembly upon the
5 recommendation of the Speaker of the House of Representatives and the General
6 Assembly upon the recommendation of the President Pro Tempore shall each
7 designate one of their appointees to serve until July 1, 1999, two to serve until July 1,
8 2000, and two to serve until July 1, 2001. If a vacancy occurs in the membership of
9 the Authority, and the person causing the vacancy was appointed by the Governor,
10 the Governor shall fill the vacancy for the remainder of the unexpired term. If the
11 person causing the vacancy was appointed by the General Assembly, the vacancy
12 shall be filled pursuant to G.S. 120-122. Initial terms commence upon appointment.

13 (c) The Authority may elect a vice-chair and such other officers as it determines
14 for terms established in the bylaws of the Authority.

15 (d) Once the Governor has appointed the initial chair of the Authority, the chair
16 shall determine the time and place of the Authority's initial meeting and shall cause
17 notice of the meeting to be given to each member of the Authority and to the public.
18 Thereafter, the Authority may establish a schedule of regular meetings and may
19 provide in its bylaws for the manner in which special meetings may be called.

20 (e) A majority of the members of the Authority, not counting vacant seats,
21 constitutes a quorum. The Authority may meet by conference telephone call as
22 provided by G.S. 143-318.13(a).

23 (f) The Authority may take action only upon the vote of a majority of its
24 members, not counting vacant seats and not counting members who have disclosed a
25 conflict of interest in the matter under discussion and vote.

26 (g) The Authority may adopt bylaws for the regulation of its affairs and the
27 conduct of its business, including rules of procedure, consistent with this Charter and
28 other applicable statutes.

29 (h) Members of the Authority are not compensated for their service, but the
30 Authority may provide that members are to be reimbursed for actual expenses
31 incurred while serving as an Authority member.

32 "Sec. 5. **Conflicts of Interest.** -- (a) G.S. 14-234 applies to the District and its
33 employees and to the members of the Authority.

34 (b) If a member of the Authority, or any member of the immediate family of a
35 member of the Authority, or the employer of a member of the Authority has a direct
36 financial interest in any matter that comes before the Authority, the affected member
37 shall disclose the interest and shall abstain from participating in the discussion of or
38 vote on the matter.

39 (c) Violation of this section does not affect the validity of any debts or obligations
40 incurred by the district.

41 "Sec. 6. **District Powers.** -- In addition to powers set out elsewhere in this Charter
42 and powers granted to the District by other statutes, the District may:

43 (1) Enter into contracts.

44 (2) Sue and be sued in its own name, and plead and be impleaded.

- 1 (3) Adopt an official seal.
- 2 (4) Apply for, accept, receive, and disburse funds and grants made
3 available to it by the United States of America or any agency
4 thereof, the State of North Carolina or any agency thereof, any
5 unit of local government or other political subdivision, and any
6 private entity or person; and accept donations of property. The
7 District may comply with the conditions and requirements
8 respecting any gift, grant, or donation of any property or funds.
- 9 (5) Employ and compensate such personnel as the Authority
10 determines. The Authority may delegate to any employee of the
11 District the authority to employ, supervise, discipline, or discharge
12 other employees of the District. The District is subject to G.S.
13 153A-98 with respect to the personnel files of its employees.
- 14 (6) Contract with consultants and other independent contractors.
- 15 (7) Contract with and appropriate money to any person, association,
16 or corporation, public or private, in order to carry out any public
17 purpose that the District is authorized by this Charter or other law
18 to engage in.
- 19 (8) Procure insurance to protect against loss of the District's property
20 or other assets, and against liabilities incurred by the District, the
21 Authority, or any officer, employee, or agent of the District. The
22 District may, pursuant to G.S. 160A-167, provide the defense of
23 any officer or employee of the District.
- 24 (9) Acquire and maintain administrative offices.
- 25 (10) Acquire by purchase, lease, gift, eminent domain, or otherwise, or
26 obtain options for the acquisition of, any real or personal property
27 or interest therein, in order to carry out the authorized activities of
28 the District. The District may not acquire property through the
29 exercise of eminent domain until after Major League Baseball has
30 announced approval of the award of a franchise for a location
31 within the District. In exercising the power of eminent domain,
32 the District shall follow the procedures of Chapter 40A of the
33 General Statutes applicable to local public condemnors.
- 34 (11) Sell, lease, exchange, transfer, or otherwise dispose of, or grant
35 options for any such purposes with respect to, any real or personal
36 property or interest therein. In disposing of property or any
37 interest in property, the District may proceed under such
38 procedures as it determines and is not subject to any procedural
39 requirements not included in this Charter.
- 40 (12) Promote award of a major league baseball franchise to a location
41 within the District.
- 42 (13) Design, construct, equip, improve, promote, operate, maintain,
43 lease, or contract for the operation and maintenance of a major
44 league baseball park. The baseball park shall be located on a tract

1 of land at least forty percent (40%) of which is located in each of
2 the two most populous counties in the district, according to the
3 most recent decennial federal census. If the Authority resolves that
4 construction of a major league baseball park or any portion thereof
5 must be expedited for good cause as determined by the Authority:

- 6 a. The District is exempt from the following statutes: G.S. 143-
7 128, subsections (a) through (e); G.S. 143-129; 143-131; and
8 143-132; or
9 b. The District may contract with the entity that has been
10 awarded the major league baseball franchise for that entity,
11 or an affiliated, parent, or subsidiary entity, to construct the
12 baseball park, with clear title to the baseball park passing to
13 the District at the completion of construction. Construction
14 under this paragraph is not subject to State laws on public
15 contract bidding.

16 If the Authority does adopt such a resolution, the Authority shall
17 establish and use alternative methods of contracting that are fair
18 and competitive, in the conclusive judgment of the Authority. The
19 District may contract for the right to name any park or other
20 facility owned by the District, or may include the right to contract
21 for the park's or facility's name in any lease of or contract for the
22 operation of the park or facility.

- 23 (14) Acquire real property or interests in real property for highway
24 improvements that will benefit the major league baseball park, and
25 convey, with or without monetary consideration, such property or
26 interests in property to the Department of Transportation. The
27 District may not acquire property for highway improvements
28 through the exercise of eminent domain until after Major League
29 Baseball has announced approval of the award of a franchise for a
30 location within the District. In the acquisition by eminent domain
31 of such real property or interests in real property, the District may
32 use the procedures of Article 9 of Chapter 136 of the General
33 Statutes. For the purpose of this subdivision, the words
34 'Department of Transportation' appear in Article 9, they are
35 deemed to include the District or Authority, and whenever the
36 words 'Administrator', 'Administrator of Highways',
37 'Administrator of the Department of Transportation', or
38 'Chairman of the Department of Transportation' appear in Article
39 9, they are deemed to include an appropriate official of the District
40 as designated by the Authority.

- 41 (15) Establish and collect fees and charges for the use of its facilities.

- 42 (16) Enter into partnerships, joint ventures, common ownership,
43 operating agreements, and other arrangements with other persons
44 to further District purposes.

1 (17) Do all acts and things necessary, convenient, or desirable to carry
2 out the purposes of and exercise the powers granted to it by this
3 Charter.

4 "Sec. 7. Triple Net Lease Required. -- Any lease of the baseball park for the
5 purpose of operating it for Major League Baseball must be triple net for a minimum
6 of 25 years, with the lessee responsible for upkeep and maintenance.

7 "Sec. 8. District Taxes. -- (a) Authorization. -- The Authority may, by resolution,
8 subject to the conditions set out in this subsection, levy a temporary local sales and
9 use tax at the rate of one percent (1%) within the District as provided in this section.
10 Before it may adopt such a resolution, however, two conditions must be met: (i)
11 Major League Baseball must have announced approval of the award of a franchise for
12 a location within the District, and (ii) the District's voters must have approved the
13 levy of the tax in a referendum called and held for that purpose.

14 (b) Referendum. -- The State Board of Elections shall, upon the written request of
15 the Authority, call a referendum for the purpose of submitting to the voters of the
16 District the question of whether a temporary sales and use tax at the rate of one
17 percent (1%) will be levied in the District. The date of the referendum shall be set
18 by the Authority, which may set it for any day, including the day of any regular or
19 special election held for another purpose; the referendum, however, may not
20 otherwise be held within 50 days before or 50 days after a statewide primary,
21 election, or referendum. In fixing the date of the referendum, the Authority shall
22 consult with one or more of the county boards of elections within the District in
23 order that the referendum shall not unduly interfere with other elections or
24 referendums already scheduled or in process. Notice of the referendum shall be
25 given in the manner and at the times required by G.S. 163-33(8). The referendum
26 and the registration of voters therefor shall be held under and in accordance with the
27 general laws of the State. Absentee ballots shall be authorized in the referendum.

28 Ballots, voting systems authorized by Article 14 of Chapter 163 of the General
29 Statutes, or both may be used in accordance with rules prescribed by the State Board
30 of Elections. The question to be presented on the ballots or voting systems shall be
31 substantially as follows:

32 'MAJOR LEAGUE BASEBALL PARK INITIATIVE

33 [] YES [] NO

34 When Major League Baseball has announced approval of a major league baseball
35 franchise for a location within the North Carolina Triad Metropolitan Baseball Park
36 District, may the District help finance no more than two-thirds of the cost of a major
37 league baseball park through levy of a temporary one percent (1%) sales and use tax
38 within the District, for no longer than one year?'

39 The results of the referendum shall be canvassed and declared as provided by law
40 for elections of State officers; the results of the referendum shall be certified by the
41 State Board of Elections to the Authority in the manner and at the time provided by
42 the general election laws of the State for certifications of State elections. If a majority
43 of persons voting in the referendum vote in favor of levying the tax, the issue is
44 approved.

1 (c) Scope; Administration. -- Except as provided in this section, the adoption, levy,
2 scope, and collection of the tax shall be in accordance with Article 39 of Chapter 105
3 of the General Statutes as if the District were a county. The Secretary of Revenue
4 shall distribute the net proceeds of the tax to the Authority.

5 (d) Effective Date of Tax. -- A tax levied pursuant to this section shall become
6 effective on the date specified in the resolution levying the tax. That date must be
7 the first day of a calendar month, however, and may not be earlier than the first day
8 of the second month after the date the resolution is adopted.

9 (e) Use of Proceeds. -- The Authority may use the proceeds of a tax levied
10 pursuant to this section for any authorized activities of the district. Any of these
11 proceeds used to design, construct, equip, or improve a major league baseball park as
12 provided in Section 6(13) must be matched by private funds on the basis of one
13 dollar (\$1.00) of private funds used for this purpose for every two dollars (\$2.00) of
14 tax proceeds used for this purpose. Any of these proceeds not matched as required
15 in this subsection shall not be used to design, construct, equip, or improve a major
16 league baseball park as provided in Section (13).

17 (f) Termination of Tax. -- The authority to levy a tax pursuant to this section
18 terminates on the first day of the twelfth month after the effective date of the levy of
19 the tax.

20 "Sec. 9. **Budgeting and Fiscal Control.** -- The District is a unit of local government
21 under the Local Government Budget and Fiscal Control Act.

22 "Sec. 10. **Assistance From Local Governments.** -- Any county, city or town, or
23 other unit of local government or public authority located within the District may
24 contribute or advance moneys or other assets or services to the District. The District
25 may reimburse a local government or public authority for any such advance once it
26 is receiving the proceeds of any tax levied by it pursuant to this Charter or otherwise
27 has funds available to do so.

28 "Sec. 11. **Zoning and Annexation.** -- (a) The District may regulate land use upon
29 real property owned by it, and such property is not subject to any zoning ordinance
30 adopted by a county or city.

31 (b) Real property owned by the District is not subject to annexation pursuant to
32 Part 2 or 3 of Article 4A of Chapter 160A of the General Statutes."

33 Section 2. The General Statutes are amended by adding a new Chapter
34 to read:

35 "Chapter 160C.

36 "Baseball Park Districts.

37 "§ 160C-1. Baseball park districts.

38 The General Assembly may establish baseball park districts as bodies political and
39 corporate and political subdivisions of the State."

40 Section 3. G.S. 160A-20(h) reads as rewritten:

41 "(h) As used in this section, the term 'unit of local government' means any of the
42 following:

43 (1) A county.

44 (2) A city.

- 1 (3) A water and sewer authority created under Article 1 of Chapter
2 162A of the General Statutes.
- 3 (4) An airport authority whose situs is entirely within a county that
4 has (i) a population of over 120,000 according to the most recent
5 federal decennial census and (ii) an area of less than 200 square
6 miles.
- 7 (5) An airport authority in a county in which there are two
8 incorporated municipalities with a population of more than 65,000
9 according to the most recent federal decennial census.
- 10 (5a) An airport board or commission authorized by agreement between
11 two cities pursuant to G.S. 63-56, one of which is located partially
12 but not wholly in the county in which the jointly owned airport is
13 located, and where the board or commission provided water and
14 wastewater services off the airport premises before January 1, 1995;
15 provided that the authority granted by this section may be
16 exercised by such a board or commission with respect to water and
17 wastewater systems or improvements only.
- 18 (6) A local school administrative unit (i) that is located in a county
19 that has a population of over 90,000 according to the most recent
20 federal decennial census and (ii) whose board of education is
21 authorized to levy a school tax.
- 22 (7) An area mental health, developmental disabilities, and substance
23 abuse authority, acting in accordance with G.S. 122C-147.
- 24 (8) A consolidated city-county, as defined by G.S. 160B-2(1).
- 25 (9) A baseball park district.

26 Section 4. G.S. 159-148(a) reads as rewritten:

27 "(a) Except as provided in subsection (b) of this section, this Article applies to
28 any contract, agreement, memorandum of understanding, and any other transaction
29 having the force and effect of a contract (other than agreements made in connection
30 with the issuance of revenue bonds, special obligation bonds issued pursuant to
31 Chapter 159I of the General Statutes, or of general obligation bonds additionally
32 secured by a pledge of revenues) made or entered into by a unit of local government
33 (as defined by G.S. 159-7(b) or, in the case of a special obligation bond, as defined in
34 Chapter 159I of the General Statutes), relating to the lease, acquisition, or
35 construction of capital assets, which contract

- 36 (1) Extends for five or more years from the date of the contract,
37 including periods that may be added to the original term through
38 the exercise of options to renew or extend, and
- 39 (2) Obligates the unit to pay sums of money to another, without regard
40 to whether the payee is a party to the contract, and
- 41 (3) Obligates the unit over the full term of the contract, including
42 periods that may be added to the original term through the
43 exercise of options to renew or extend, to the extent of at least five
44 hundred thousand dollars (\$500,000) for baseball park districts

- 1 and, for other units, to the extent of five hundred thousand dollars
2 (\$500,000) or a sum equal to one tenth of one percent (1/10 of 1%)
3 of the assessed value of property subject to taxation by the
4 contracting unit, whichever is less, and
5 (4) Obligates the unit, expressly or by implication, to exercise its
6 power to levy taxes either to make payments falling due under the
7 contract, or to pay any judgment entered against the unit as a
8 result of the unit's breach of the contract.
9 Contingent obligation shall be included in calculating the value of the contract.
10 Several contracts that are all related to the same undertaking shall be deemed a
11 single contract for the purposes of this Article. When several contracts are
12 considered as a single contract, the term shall be that of the contract having the
13 longest term, and the sums to fall due shall be the total of all sums to fall due under
14 all single contracts in the group."
15 Section 5. This act is effective when it becomes law.

Today's proposed committee substitute for Senate Bill 389 makes the following changes from yesterday's PCS:

- 1) Tax in the bill effective only if franchise awarded by 12/31/2001
- 2) election must be on a Tuesday
- 3) no condemnation of personal property
- 4) One Forsyth appointment switched with Montgomery
- 5) eminent domain only for purposes outlined in Section 6 of Charter.

GENERAL ASSEMBLY OF NORTH CAROLINA

SESSION 1997

S

D

SENATE BILL 389
Proposed Committee Substitute S389-PCS2655

Short Title: Baseball Park Districts.

(Public)

Sponsors:

Referred to:

March 13, 1997

1 A BILL TO BE ENTITLED
2 AN ACT TO ESTABLISH THE NORTH CAROLINA TRIAD METROPOLITAN
3 BASEBALL PARK DISTRICT, TO PROVIDE FOR A REFERENDUM ON
4 BASEBALL PARK FINANCING ON A DATE DESIGNATED BY THE
5 DISTRICT AND TO ALLOW BASEBALL PARK DISTRICTS TO ENTER
6 INTO INSTALLMENT FINANCING AGREEMENTS.

7 The General Assembly of North Carolina enacts:

8 Section 1. A Charter for the North Carolina Triad Metropolitan Baseball
9 Park District is enacted as follows:

10 "CHARTER OF THE NORTH CAROLINA
11 TRIAD METROPOLITAN BASEBALL PARK DISTRICT.

12 "Section 1. **Legislative Findings.** -- (a) The General Assembly determines that the
13 construction, financing, and operation of a major league baseball park in the Triad
14 area serves a public purpose in that it will:

- 15 (1) Enhance the opportunities for recreational entertainment for all
16 North Carolinians;
17 (2) Generate new economic activity in the Triad area, leading to the
18 establishment of many new businesses;
19 (3) Encourage economic development throughout North Carolina by
20 enhancing the State's attractiveness to new and relocated
21 businesses and its attractiveness as a tourist destination; and
22 (4) Provide numerous new jobs for North Carolinians.

1 (b) The General Assembly further determines that because constructing a major
2 league baseball park is an extraordinarily complex task and because being able to
3 construct such a park in as short a time as possible is crucial to the award of a major
4 league baseball franchise to the Triad area, it is necessary to waive the application of
5 the usual construction contracting requirements for the park's construction.

6 "Sec. 2. **Definitions.** -- The words and phrases defined in this section have the
7 meanings indicated when used in this Charter, unless the context clearly requires
8 another meaning.

9 (1) 'Authority' means the North Carolina Triad Metropolitan Baseball
10 Park Authority.

11 (2) 'District' means the North Carolina Triad Metropolitan Baseball
12 Park District, established by this Charter.

13 (3) 'Major League Baseball' means the organization that controls the
14 administrative functions for the ownership and operation of major
15 league baseball operations in the United States and Canada.

16 (4) 'Major league baseball park' means a sports facility designed for
17 use primarily as a major league baseball park or stadium. Such a
18 facility may include, without limitation, features such as parking
19 areas and facilities, office facilities for the District or any team or
20 other user of the facility, associated retail and other commercial
21 facilities, and other ancillary facilities necessary or desirable for the
22 sports facility and its success. Such a facility also includes the
23 landscaped grounds surrounding the baseball park and related and
24 ancillary facilities.

25 "Sec. 3. **District Incorporated.** -- The inhabitants of the counties listed in this
26 section are a body corporate and politic and a political subdivision of the State under
27 the name 'North Carolina Triad Metropolitan Baseball Park District'. The District
28 initially comprises the following counties: Alamance, Caswell, Davidson, Davie,
29 Forsyth, Guilford, Montgomery, Randolph, Rockingham, Stokes, Surry, and Yadkin.
30 If the voters in a county do not vote in favor of the question in Section 8 of this
31 Charter, then upon the certification of the results of the election, that county is
32 removed from the district. The District is a baseball park district.

33 "Sec. 4. **Authority Established.** -- (a) The District is governed by the Authority,
34 which has 15 members, appointed as follows:

35 (1) The Governor appoints five members, one at-large who shall be
36 the chair of the Authority, one each of whom at the time of
37 appointment were residents of Alamance, Davidson, Forsyth, and
38 Montgomery Counties.

39 (2) The General Assembly appoints five members upon the
40 recommendation of the President Pro Tempore of the Senate, one
41 each of whom at the time of appointment were residents of
42 Caswell, Davie, and Forsyth Counties and two of whom at the time
43 of appointment were residents of Guilford County.

1 (3) The General Assembly appoints five members upon the
2 recommendation of the Speaker of the House of Representatives,
3 one each of whom at the time of appointment were residents of
4 Randolph, Stokes, Surry, Yadkin, and Rockingham Counties.

5 (b) Members of the Authority serve three-year terms, but in appointing the initial
6 members of the Authority, the Governor, the General Assembly upon the
7 recommendation of the Speaker of the House of Representatives and the General
8 Assembly upon the recommendation of the President Pro Tempore shall each
9 designate one of their appointees to serve until July 1, 1999, two to serve until July 1,
10 2000, and two to serve until July 1, 2001. If a vacancy occurs in the membership of
11 the Authority, and the person causing the vacancy was appointed by the Governor,
12 the Governor shall fill the vacancy for the remainder of the unexpired term. If the
13 person causing the vacancy was appointed by the General Assembly, the vacancy
14 shall be filled pursuant to G.S. 120-122. Initial terms commence upon appointment.

15 (c) The Authority may elect a vice-chair and such other officers as it determines
16 for terms established in the bylaws of the Authority.

17 (d) Once the Governor has appointed the initial chair of the Authority, the chair
18 shall determine the time and place of the Authority's initial meeting and shall cause
19 notice of the meeting to be given to each member of the Authority and to the public.
20 Thereafter, the Authority may establish a schedule of regular meetings and may
21 provide in its bylaws for the manner in which special meetings may be called.

22 (e) A majority of the members of the Authority, not counting vacant seats,
23 constitutes a quorum. The Authority may meet by conference telephone call as
24 provided by G.S. 143-318.13(a).

25 (f) The Authority may take action only upon the vote of a majority of its
26 members, not counting vacant seats and not counting members who have disclosed a
27 conflict of interest in the matter under discussion and vote.

28 (g) The Authority may adopt bylaws for the regulation of its affairs and the
29 conduct of its business, including rules of procedure, consistent with this Charter and
30 other applicable statutes.

31 (h) Members of the Authority are not compensated for their service, but the
32 Authority may provide that members are to be reimbursed for actual expenses
33 incurred while serving as an Authority member.

34 (i) If any county is removed from the district as provided by Section 3 of this
35 Charter, any member of the Authority residing in that county is removed, and the
36 appointing authority may appoint a resident of any county remaining in the district to
37 that seat.

38 "Sec. 5. **Conflicts of Interest.** -- (a) G.S. 14-234 applies to the District and its
39 employees and to the members of the Authority.

40 (b) If a member of the Authority, or any member of the immediate family of a
41 member of the Authority, or the employer of a member of the Authority has a direct
42 financial interest in any matter that comes before the Authority, the affected member
43 shall disclose the interest and shall abstain from participating in the discussion of or
44 vote on the matter.

1 (c) Violation of this section does not affect the validity of any debts or obligations
2 incurred by the district.

3 "Sec. 6. **District Powers.** -- In addition to powers set out elsewhere in this Charter
4 and powers granted to the District by other statutes, the District may:

- 5 (1) Enter into contracts.
- 6 (2) Sue and be sued in its own name, and plead and be impleaded.
- 7 (3) Adopt an official seal.
- 8 (4) Apply for, accept, receive, and disburse funds and grants made
9 available to it by the United States of America or any agency
10 thereof, the State of North Carolina or any agency thereof, any
11 unit of local government or other political subdivision, and any
12 private entity or person; and accept donations of property. The
13 District may comply with the conditions and requirements
14 respecting any gift, grant, or donation of any property or funds.
- 15 (5) Employ and compensate such personnel as the Authority
16 determines. The Authority may delegate to any employee of the
17 District the authority to employ, supervise, discipline, or discharge
18 other employees of the District. The District is subject to G.S.
19 153A-98 with respect to the personnel files of its employees.
- 20 (6) Contract with consultants and other independent contractors.
- 21 (7) Contract with and appropriate money to any person, association,
22 or corporation, public or private, in order to carry out any public
23 purpose that the District is authorized by this Charter or other law
24 to engage in.
- 25 (8) Procure insurance to protect against loss of the District's property
26 or other assets, and against liabilities incurred by the District, the
27 Authority, or any officer, employee, or agent of the District. The
28 District may, pursuant to G.S. 160A-167, provide the defense of
29 any officer or employee of the District.
- 30 (9) Acquire and maintain administrative offices.
- 31 (10) Acquire by purchase, lease, gift, eminent domain, or otherwise, or
32 obtain options for the acquisition of, any real property or interest
33 therein, in order to carry out the the powers granted by this
34 section. The District may not acquire property through the
35 exercise of eminent domain until after Major League Baseball has
36 announced approval of the award of a franchise for a location
37 within the District. In exercising the power of eminent domain,
38 the District shall follow the procedures of Chapter 40A of the
39 General Statutes applicable to local public condemnors.
- 40 (11) Sell, lease, exchange, transfer, or otherwise dispose of, or grant
41 options for any such purposes with respect to, any real or personal
42 property or interest therein. In disposing of property or any
43 interest in property, the District may proceed under such

- 1 procedures as it determines and is not subject to any procedural
2 requirements not included in this Charter.
- 3 (12) Promote award of a Major League Baseball franchise to a location
4 within the District.
- 5 (13) Design, construct, equip, improve, promote, operate, maintain,
6 lease, or contract for the operation and maintenance of a major
7 league baseball park. The baseball park shall be located on a tract
8 of land at least forty percent (40%) of which is located in each of
9 the two most populous counties in the district, according to the
10 most recent decennial federal census. If the Authority resolves that
11 construction of a major league baseball park or any portion thereof
12 must be expedited for good cause as determined by the Authority:
- 13 a. The District is exempt from the following statutes: G.S. 143-
14 128, subsections (a) through (e); G.S. 143-129; 143-131; and
15 143-132; or
- 16 b. The District may contract with the entity that has been
17 awarded the major league baseball franchise for that entity,
18 or an affiliated, parent, or subsidiary entity, to construct the
19 baseball park, with clear title to the baseball park passing to
20 the District at the completion of construction. Construction
21 under this paragraph is not subject to State laws on public
22 contract bidding.
- 23 If the Authority does adopt such a resolution, the Authority shall
24 establish and use alternative methods of contracting that are fair
25 and competitive, in the conclusive judgment of the Authority. The
26 Authority shall use North Carolina based contractors where
27 feasible. The District may contract for the right to name any park
28 or other facility owned by the District, or may include the right to
29 contract for the park's or facility's name in any lease of or contract
30 for the operation of the park or facility.
- 31 (14) Acquire real property or interests in real property for highway
32 improvements that will benefit the major league baseball park, and
33 convey, with or without monetary consideration, such property or
34 interests in property to the Department of Transportation. The
35 District may not acquire property for highway improvements
36 through the exercise of eminent domain until after Major League
37 Baseball has announced approval of the award of a franchise for a
38 location within the District. In the acquisition by eminent domain
39 of such real property or interests in real property, the District may
40 use the procedures of Article 9 of Chapter 136 of the General
41 Statutes. For the purpose of this subdivision, whenever the words
42 'Department of Transportation' appear in Article 9, they are
43 deemed to include the District or Authority, and whenever the
44 words 'Administrator', 'Administrator of Highways',

1 'Administrator of the Department of Transportation', or
2 'Chairman of the Department of Transportation' appear in Article
3 9, they are deemed to include an appropriate official of the District
4 as designated by the Authority.

5 (15) Establish and collect fees and charges for the use of its facilities.

6 (16) Enter into partnerships, joint ventures, common ownership,
7 operating agreements, and other arrangements with other persons
8 to further District purposes.

9 (17) Do all acts and things necessary, convenient, or desirable to carry
10 out the purposes of and exercise the powers granted to it by this
11 Charter.

12 "Sec. 7. **Triple Net Lease Required.** -- Any lease of the baseball park for the
13 purpose of operating it for Major League Baseball must be triple net for a minimum
14 of 25 years, with the lessee responsible for upkeep and maintenance.

15 "Sec. 8. **District Taxes.** -- (a) Authorization. -- The Authority may, by resolution,
16 subject to the conditions set out in this subsection, levy a temporary local sales and
17 use tax at the rate of one percent (1%) within the District as provided in this section.
18 Before it may adopt such a resolution, however, two conditions must be met: (i)
19 Major League Baseball must have announced approval of the award of a franchise for
20 a location within the District no later than December 31, 2001, and (ii) the District's
21 voters must have approved the levy of the tax in a referendum called and held for
22 that purpose.

23 (b) Referendum. -- The State Board of Elections shall, upon the written request of
24 the Authority, call a referendum for the purpose of submitting to the voters of the
25 District the question of whether a temporary sales and use tax at the rate of one
26 percent (1%) will be levied in the District. The date of the referendum shall be set
27 by the Authority, which may set it for any Tuesday, including the day of any regular
28 or special election held for another purpose; the referendum, however, may not
29 otherwise be held within 50 days before or 50 days after a statewide primary,
30 election, or referendum. In fixing the date of the referendum, the Authority shall
31 consult with one or more of the county boards of elections within the District in
32 order that the referendum shall not unduly interfere with other elections or
33 referendums already scheduled or in process. Notice of the referendum shall be
34 given in the manner and at the times required by G.S. 163-33(8). The referendum
35 and the registration of voters therefor shall be held under and in accordance with the
36 general laws of the State. Absentee ballots shall be authorized in the referendum.

37 Ballots, voting systems authorized by Article 14 of Chapter 163 of the General
38 Statutes, or both may be used in accordance with rules prescribed by the State Board
39 of Elections. The question to be presented on the ballots or voting systems shall be
40 substantially as follows:

41 'MAJOR LEAGUE BASEBALL PARK INITIATIVE

42 [] YES [] NO

43 When Major League Baseball has announced approval of a major league baseball
44 franchise for a location within the North Carolina Triad Metropolitan Baseball Park

1 District, may _____ County which is currently in the District help finance no more
2 than two-thirds of the cost of a major league baseball park through levy of a
3 temporary one percent (1%) sales and use tax within the counties remaining in the
4 District, for no longer than one year?"

5 The results of the referendum shall be canvassed and declared as provided by law
6 for elections of State officers; the results of the referendum shall be certified by the
7 State Board of Elections to the Authority in the manner and at the time provided by
8 the general election laws of the State for certifications of State elections. If a majority
9 of persons voting in the referendum in one or more counties vote in favor of levying
10 the tax, the issue is approved. The votes shall be tallied separately in each county in
11 the District. As provided in Section 3 of this act, any county that does not vote in
12 favor of the question is removed from the District, and the tax is imposed in the
13 District consisting of the counties that have approved the levy.

14 (c) Scope; Administration. -- Except as provided in this section, the adoption, levy,
15 scope, and collection of the tax shall be in accordance with Article 39 of Chapter 105
16 of the General Statutes as if the District were a county. The Secretary of Revenue
17 shall distribute the net proceeds of the tax to the Authority.

18 (d) Effective Date of Tax. -- A tax levied pursuant to this section shall become
19 effective on the date specified in the resolution levying the tax. That date must be
20 the first day of a calendar month, however, and may not be earlier than the first day
21 of the second month after the date the resolution is adopted.

22 (e) Use of Proceeds. -- The Authority may use the proceeds of a tax levied
23 pursuant to this section for any authorized activities of the district. Any of these
24 proceeds used to design, construct, equip, or improve a major league baseball park as
25 provided in Section 6(13) of this Charter must be matched by private funds on the
26 basis of at least one dollar (\$1.00) of private funds used for this purpose for every two
27 dollars (\$2.00) of these proceeds used for this purpose. Any of these proceeds not
28 matched as required in this subsection shall not be used to design, construct, equip,
29 or improve a major league baseball park as provided in Section 6(13) of this Charter.

30 (f) Termination of Tax. -- The authority to levy a tax pursuant to this section
31 terminates on the first day of the twelfth month after the effective date of the levy of
32 the tax and cannot be extended for any reason.

33 (g) Refunds After Tax Ends. -- If the Secretary of Revenue refunds a tax imposed
34 by this section after the tax has expired and the proceeds of the tax have been
35 distributed to the Authority, the Secretary shall notify the Authority of the amount of
36 the refund. The Authority shall reimburse the Secretary for the amount of the
37 refund.

38 "Sec. 9. **Budgeting and Fiscal Control.** -- The District is a unit of local government
39 under the Local Government Budget and Fiscal Control Act.

40 "Sec. 10. **Assistance From Local Governments.** -- Any county, city or town, or
41 other unit of local government or public authority located within the District may
42 contribute or advance moneys or other assets or services to the District. The District
43 may reimburse a local government or public authority for any such advance once it

1 is receiving the proceeds of any tax levied by it pursuant to this Charter or otherwise
2 has funds available to do so.

3 "Sec. 11. **Zoning and Annexation.** -- (a) The District may regulate land use upon
4 real property owned by it, and such property is not subject to any zoning ordinance
5 adopted by a county or city.

6 (b) Real property owned by the District is not subject to annexation pursuant to
7 Part 2 or 3 of Article 4A of Chapter 160A of the General Statutes."

8 Section 2. The General Statutes are amended by adding a new Chapter
9 to read:

10 "Chapter 160C.

11 "Baseball Park Districts.

12 "§ 160C-1. Baseball park districts.

13 The General Assembly may establish baseball park districts as bodies political and
14 corporate and political subdivisions of the State."

15 Section 3. G.S. 160A-20(h) reads as rewritten:

16 "(h) As used in this section, the term 'unit of local government' means any of the
17 following:

- 18 (1) A county.
- 19 (2) A city.
- 20 (3) A water and sewer authority created under Article 1 of Chapter
21 162A of the General Statutes.
- 22 (4) An airport authority whose situs is entirely within a county that
23 has (i) a population of over 120,000 according to the most recent
24 federal decennial census and (ii) an area of less than 200 square
25 miles.
- 26 (5) An airport authority in a county in which there are two
27 incorporated municipalities with a population of more than 65,000
28 according to the most recent federal decennial census.
- 29 (5a) An airport board or commission authorized by agreement between
30 two cities pursuant to G.S. 63-56, one of which is located partially
31 but not wholly in the county in which the jointly owned airport is
32 located, and where the board or commission provided water and
33 wastewater services off the airport premises before January 1, 1995;
34 provided that the authority granted by this section may be
35 exercised by such a board or commission with respect to water and
36 wastewater systems or improvements only.
- 37 (6) A local school administrative unit (i) that is located in a county
38 that has a population of over 90,000 according to the most recent
39 federal decennial census and (ii) whose board of education is
40 authorized to levy a school tax.
- 41 (7) An area mental health, developmental disabilities, and substance
42 abuse authority, acting in accordance with G.S. 122C-147.
- 43 (8) A consolidated city-county, as defined by G.S. 160B-2(1).
- 44 (9) A baseball park district."

1 Section 4. G.S. 159-148(a) reads as rewritten:

2 "(a) Except as provided in subsection (b) of this section, this Article applies to
3 any contract, agreement, memorandum of understanding, and any other transaction
4 having the force and effect of a contract (other than agreements made in connection
5 with the issuance of revenue bonds, special obligation bonds issued pursuant to
6 Chapter 159I of the General Statutes, or of general obligation bonds additionally
7 secured by a pledge of revenues) made or entered into by a unit of local government
8 (as defined by G.S. 159-7(b) or, in the case of a special obligation bond, as defined in
9 Chapter 159I of the General Statutes), relating to the lease, acquisition, or
10 construction of capital assets, which contract

11 (1) Extends for five or more years from the date of the contract,
12 including periods that may be added to the original term through
13 the exercise of options to renew or extend, and

14 (2) Obligates the unit to pay sums of money to another, without regard
15 to whether the payee is a party to the contract, and

16 (3) Obligates the unit over the full term of the contract, including
17 periods that may be added to the original term through the
18 exercise of options to renew or extend, to the extent of at least five
19 hundred thousand dollars (\$500,000) for baseball park districts
20 and, for other units, to the extent of five hundred thousand dollars
21 (\$500,000) or a sum equal to one tenth of one percent (1/10 of 1%)
22 of the assessed value of property subject to taxation by the
23 contracting unit, whichever is less, and

24 (4) Obligates the unit, expressly or by implication, to exercise its
25 power to levy taxes either to make payments falling due under the
26 contract, or to pay any judgment entered against the unit as a
27 result of the unit's breach of the contract.

28 Contingent obligation shall be included in calculating the value of the contract.
29 Several contracts that are all related to the same undertaking shall be deemed a
30 single contract for the purposes of this Article. When several contracts are
31 considered as a single contract, the term shall be that of the contract having the
32 longest term, and the sums to fall due shall be the total of all sums to fall due under
33 all single contracts in the group."

34 Section 5. Notwithstanding G.S. 105-259, the Department of Revenue
35 may furnish to the finance officer of the North Carolina Triad Metropolitan Baseball
36 Park Authority information on the sales and use tax levied by that Authority.

37 Section 6. This act is effective when it becomes law.

GENERAL ASSEMBLY OF NORTH CAROLINA

SESSION 1997

S

D

SENATE BILL 389
Proposed Committee Substitute S389-PCS2627

Short Title: Baseball Park Districts.

(Public)

Sponsors:

Referred to:

March 13, 1997

1 A BILL TO BE ENTITLED
2 AN ACT TO ESTABLISH THE NORTH CAROLINA TRIAD METROPOLITAN
3 BASEBALL PARK DISTRICT, TO PROVIDE FOR A REFERENDUM ON
4 BASEBALL PARK FINANCING ON A DATE DESIGNATED BY THE
5 DISTRICT AND TO ALLOW BASEBALL PARK DISTRICTS TO ENTER
6 INTO INSTALLMENT FINANCING AGREEMENTS.

7 The General Assembly of North Carolina enacts:

8 Section 1. A Charter for the North Carolina Triad Metropolitan Baseball
9 Park District is enacted as follows:

10 "CHARTER OF THE NORTH CAROLINA
11 TRIAD METROPOLITAN BASEBALL PARK DISTRICT.

12 "Section 1. **Legislative Findings.** -- (a) The General Assembly determines that the
13 construction, financing, and operation of a major league baseball park in the Triad
14 area serves a public purpose in that it will:

- 15 (1) Enhance the opportunities for recreational entertainment for all
16 North Carolinians;
17 (2) Generate new economic activity in the Triad area, leading to the
18 establishment of many new businesses;
19 (3) Encourage economic development throughout North Carolina by
20 enhancing the State's attractiveness to new and relocated
21 businesses and its attractiveness as a tourist destination; and
22 (4) Provide numerous new jobs for North Carolinians.

1 (b) The General Assembly further determines that because constructing a major
2 league baseball park is an extraordinarily complex task and because being able to
3 construct such a park in as short a time as possible is crucial to the award of a major
4 league baseball franchise to the Triad area, it is necessary to waive the application of
5 the usual construction contracting requirements for the park's construction.

6 "Sec. 2. **Definitions.** -- The words and phrases defined in this section have the
7 meanings indicated when used in this Charter, unless the context clearly requires
8 another meaning.

9 (1) 'Authority' means the North Carolina Triad Metropolitan Baseball
10 Park Authority.

11 (2) 'District' means the North Carolina Triad Metropolitan Baseball
12 Park District, established by this Charter.

13 (3) 'Major League Baseball' means the organization that controls the
14 administrative functions for the ownership and operation of major
15 league baseball operations in the United States and Canada.

16 (4) 'Major league baseball park' means a sports facility designed for
17 use primarily as a major league baseball park or stadium. Such a
18 facility may include, without limitation, features such as parking
19 areas and facilities, office facilities for the District or any team or
20 other user of the facility, associated retail and other commercial
21 facilities, and other ancillary facilities necessary or desirable for the
22 sports facility and its success. Such a facility also includes the
23 landscaped grounds surrounding the baseball park and related and
24 ancillary facilities.

25 "Sec. 3. **District Incorporated.** -- The inhabitants of the counties listed in this
26 section are a body corporate and politic and a political subdivision of the State under
27 the name 'North Carolina Triad Metropolitan Baseball Park District'. The District
28 initially comprises the following counties: Alamance, Caswell, Davidson, Davie,
29 Forsyth, Guilford, Montgomery, Randolph, Rockingham, Stokes, Surry, and Yadkin.
30 If the voters in a county do not vote in favor of the question in Section 8 of this
31 Charter, then upon the certification of the results of the election, that county is
32 removed from the district. The District is a baseball park district.

33 "Sec. 4. **Authority Established.** -- (a) The District is governed by the Authority,
34 which has 15 members, appointed as follows:

35 (1) The Governor appoints five members, one at-large who shall be
36 the chair of the Authority, one each of whom at the time of
37 appointment were residents of Alamance, Davidson, Forsyth, and
38 Montgomery Counties.

39 (2) The General Assembly appoints five members upon the
40 recommendation of the President Pro Tempore of the Senate, one
41 each of whom at the time of appointment were residents of
42 Caswell, Davie, and Forsyth Counties and two of whom at the time
43 of appointment were residents of Guilford County.

1 (3) The General Assembly appoints five members upon the
2 recommendation of the Speaker of the House of Representatives,
3 one each of whom at the time of appointment were residents of
4 Randolph, Stokes, Surry, Yadkin, and Rockingham Counties.

5 (b) Members of the Authority serve three-year terms, but in appointing the initial
6 members of the Authority, the Governor, the General Assembly upon the
7 recommendation of the Speaker of the House of Representatives and the General
8 Assembly upon the recommendation of the President Pro Tempore shall each
9 designate one of their appointees to serve until July 1, 1999, two to serve until July 1,
10 2000, and two to serve until July 1, 2001. If a vacancy occurs in the membership of
11 the Authority, and the person causing the vacancy was appointed by the Governor,
12 the Governor shall fill the vacancy for the remainder of the unexpired term. If the
13 person causing the vacancy was appointed by the General Assembly, the vacancy
14 shall be filled pursuant to G.S. 120-122. Initial terms commence upon appointment.

15 (c) The Authority may elect a vice-chair and such other officers as it determines
16 for terms established in the bylaws of the Authority.

17 (d) Once the Governor has appointed the initial chair of the Authority, the chair
18 shall determine the time and place of the Authority's initial meeting and shall cause
19 notice of the meeting to be given to each member of the Authority and to the public.
20 Thereafter, the Authority may establish a schedule of regular meetings and may
21 provide in its bylaws for the manner in which special meetings may be called.

22 (e) A majority of the members of the Authority, not counting vacant seats,
23 constitutes a quorum. The Authority may meet by conference telephone call as
24 provided by G.S. 143-318.13(a).

25 (f) The Authority may take action only upon the vote of a majority of its
26 members, not counting vacant seats and not counting members who have disclosed a
27 conflict of interest in the matter under discussion and vote.

28 (g) The Authority may adopt bylaws for the regulation of its affairs and the
29 conduct of its business, including rules of procedure, consistent with this Charter and
30 other applicable statutes.

31 (h) Members of the Authority are not compensated for their service, but the
32 Authority may provide that members are to be reimbursed for actual expenses
33 incurred while serving as an Authority member.

34 (i) If any county is removed from the district as provided by Section 3 of this
35 Charter, any member of the Authority residing in that county is removed, and the
36 appointing authority may appoint a resident of any county remaining in the district to
37 that seat.

38 "Sec. 5. **Conflicts of Interest.** -- (a) G.S. 14-234 applies to the District and its
39 employees and to the members of the Authority.

40 (b) If a member of the Authority, or any member of the immediate family of a
41 member of the Authority, or the employer of a member of the Authority has a direct
42 financial interest in any matter that comes before the Authority, the affected member
43 shall disclose the interest and shall abstain from participating in the discussion of or
44 vote on the matter.

1 (c) Violation of this section does not affect the validity of any debts or obligations
2 incurred by the district.

3 "Sec. 6. **District Powers.** -- In addition to powers set out elsewhere in this Charter
4 and powers granted to the District by other statutes, the District may:

5 (1) Enter into contracts.

6 (2) Sue and be sued in its own name, and plead and be impleaded.

7 (3) Adopt an official seal.

8 (4) Apply for, accept, receive, and disburse funds and grants made
9 available to it by the United States of America or any agency
10 thereof, the State of North Carolina or any agency thereof, any
11 unit of local government or other political subdivision, and any
12 private entity or person; and accept donations of property. The
13 District may comply with the conditions and requirements
14 respecting any gift, grant, or donation of any property or funds.

15 (5) Employ and compensate such personnel as the Authority
16 determines. The Authority may delegate to any employee of the
17 District the authority to employ, supervise, discipline, or discharge
18 other employees of the District. The District is subject to G.S.
19 153A-98 with respect to the personnel files of its employees.

20 (6) Contract with consultants and other independent contractors.

21 (7) Contract with and appropriate money to any person, association,
22 or corporation, public or private, in order to carry out any public
23 purpose that the District is authorized by this Charter or other law
24 to engage in.

25 (8) Procure insurance to protect against loss of the District's property
26 or other assets, and against liabilities incurred by the District, the
27 Authority, or any officer, employee, or agent of the District. The
28 District may, pursuant to G.S. 160A-167, provide the defense of
29 any officer or employee of the District.

30 (9) Acquire and maintain administrative offices.

31 (10) Acquire by purchase, lease, gift, eminent domain, or otherwise, or
32 obtain options for the acquisition of, any real property or interest
33 therein, in order to carry out the the powers granted by this
34 section. The District may not acquire property through the
35 exercise of eminent domain until after Major League Baseball has
36 announced approval of the award of a franchise for a location
37 within the District. In exercising the power of eminent domain,
38 the District shall follow the procedures of Chapter 40A of the
39 General Statutes applicable to local public condemnors.

40 (11) Sell, lease, exchange, transfer, or otherwise dispose of, or grant
41 options for any such purposes with respect to, any real or personal
42 property or interest therein. In disposing of property or any
43 interest in property, the District may proceed under such

1 procedures as it determines and is not subject to any procedural
2 requirements not included in this Charter.

3 (12) Promote award of a Major League Baseball franchise to a location
4 within the District.

5 (13) Design, construct, equip, improve, promote, operate, maintain,
6 lease, or contract for the operation and maintenance of a major
7 league baseball park. The baseball park shall be located on a tract
8 of land at least forty percent (40%) of which is located in each of
9 the two most populous counties in the district, according to the
10 most recent decennial federal census. If the Authority resolves that
11 construction of a major league baseball park or any portion thereof
12 must be expedited for good cause as determined by the Authority:

13 a. The District is exempt from the following statutes: G.S. 143-
14 128, subsections (a) through (e); G.S. 143-129; 143-131; and
15 143-132; or

16 b. The District may contract with the entity that has been
17 awarded the major league baseball franchise for that entity,
18 or an affiliated, parent, or subsidiary entity, to construct the
19 baseball park, with clear title to the baseball park passing to
20 the District at the completion of construction. Construction
21 under this paragraph is not subject to State laws on public
22 contract bidding.

23 If the Authority does adopt such a resolution, the Authority shall
24 establish and use alternative methods of contracting that are fair
25 and competitive, in the conclusive judgment of the Authority. The
26 Authority shall use North Carolina based contractors where
27 feasible. The District may contract for the right to name any park
28 or other facility owned by the District, or may include the right to
29 contract for the park's or facility's name in any lease of or contract
30 for the operation of the park or facility.

31 (14) Acquire real property or interests in real property for highway
32 improvements that will benefit the major league baseball park, and
33 convey, with or without monetary consideration, such property or
34 interests in property to the Department of Transportation. The
35 District may not acquire property for highway improvements
36 through the exercise of eminent domain until after Major League
37 Baseball has announced approval of the award of a franchise for a
38 location within the District. In the acquisition by eminent domain
39 of such real property or interests in real property, the District may
40 use the procedures of Article 9 of Chapter 136 of the General
41 Statutes. For the purpose of this subdivision, whenever the words
42 'Department of Transportation' appear in Article 9, they are
43 deemed to include the District or Authority, and whenever the
44 words 'Administrator', 'Administrator of Highways',

1 'Administrator of the Department of Transportation', or
2 'Chairman of the Department of Transportation' appear in Article
3 9, they are deemed to include an appropriate official of the District
4 as designated by the Authority.

5 (15) Establish and collect fees and charges for the use of its facilities.

6 (16) Enter into partnerships, joint ventures, common ownership,
7 operating agreements, and other arrangements with other persons
8 to further District purposes.

9 (17) Do all acts and things necessary, convenient, or desirable to carry
10 out the purposes of and exercise the powers granted to it by this
11 Charter.

12 "Sec. 7. **Triple Net Lease Required.** -- Any lease of the baseball park for the
13 purpose of operating it for Major League Baseball must be triple net for a minimum
14 of 25 years, with the lessee responsible for upkeep and maintenance.

15 "Sec. 8. **District Taxes.** -- (a) Authorization. -- The Authority may, by resolution,
16 subject to the conditions set out in this subsection, levy a temporary local sales and
17 use tax at the rate of one percent (1%) within the District as provided in this section.
18 Before it may adopt such a resolution, however, two conditions must be met: (i)
19 Major League Baseball must have announced approval of the award of a franchise for
20 a location within the District no later than December 31, 2001, and (ii) the District's
21 voters must have approved the levy of the tax in a referendum called and held for
22 that purpose.

23 (b) Referendum. -- The State Board of Elections shall, upon the written request of
24 the Authority, call a referendum for the purpose of submitting to the voters of the
25 District the question of whether a temporary sales and use tax at the rate of one
26 percent (1%) will be levied in the District. The date of the referendum shall be set
27 by the Authority, which may set it for any Tuesday, including the day of any regular
28 or special election held for another purpose; the referendum, however, may not
29 otherwise be held within 50 days before or 50 days after a statewide primary,
30 election, or referendum. In fixing the date of the referendum, the Authority shall
31 consult with one or more of the county boards of elections within the District in
32 order that the referendum shall not unduly interfere with other elections or
33 referendums already scheduled or in process. Notice of the referendum shall be
34 given in the manner and at the times required by G.S. 163-33(8). The referendum
35 and the registration of voters therefor shall be held under and in accordance with the
36 general laws of the State. Absentee ballots shall be authorized in the referendum.

37 Ballots, voting systems authorized by Article 14 of Chapter 163 of the General
38 Statutes, or both may be used in accordance with rules prescribed by the State Board
39 of Elections. The question to be presented on the ballots or voting systems shall be
40 as follows, with the insertion of the name of the appropriate county:

41 'MAJOR LEAGUE BASEBALL PARK INITIATIVE

42 [] YES [] NO

43 When Major League Baseball has announced approval of a major league baseball
44 franchise for a location within the North Carolina Triad Metropolitan Baseball Park

1 District, may _____ County which is currently in the District help finance no more
2 than two-thirds of the cost of a major league baseball park through levy of a
3 temporary one percent (1%) sales and use tax within the counties remaining in the
4 District, for no longer than one year?’

5 The results of the referendum shall be canvassed and declared as provided by law
6 for elections of State officers; the results of the referendum shall be certified by the
7 State Board of Elections to the Authority in the manner and at the time provided by
8 the general election laws of the State for certifications of State elections. If a majority
9 of persons voting in the referendum in one or more counties vote in favor of levying
10 the tax, the issue is approved. The votes shall be tallied separately in each county in
11 the District. As provided in Section 3 of this act, any county that does not vote in
12 favor of the question is removed from the District, and the tax is imposed in the
13 District consisting of the counties that have approved the levy.

14 (c) Scope; Administration. -- Except as provided in this section, the adoption, levy,
15 scope, and collection of the tax shall be in accordance with Article 39 of Chapter 105
16 of the General Statutes as if the District were a county. The Secretary of Revenue
17 shall distribute the net proceeds of the tax to the Authority.

18 (d) Effective Date of Tax. -- A tax levied pursuant to this section shall become
19 effective on the date specified in the resolution levying the tax. That date must be
20 the first day of a calendar month, however, and may not be earlier than the first day
21 of the second month after the date the resolution is adopted.

22 (e) Use of Proceeds. -- The Authority may use the proceeds of a tax levied
23 pursuant to this section for any authorized activities of the district. Any of these
24 proceeds used to design, construct, equip, or improve a major league baseball park as
25 provided in Section 6(13) of this Charter must be matched by private funds on the
26 basis of at least one dollar (\$1.00) of private funds used for this purpose for every two
27 dollars (\$2.00) of these proceeds used for this purpose. Any of these proceeds not
28 matched as required in this subsection shall not be used to design, construct, equip,
29 or improve a major league baseball park as provided in Section 6(13) of this Charter.

30 (f) Termination of Tax. -- The authority to levy a tax pursuant to this section
31 terminates on the first day of the twelfth month after the effective date of the levy of
32 the tax and cannot be extended for any reason.

33 (g) Refunds After Tax Ends. -- If the Secretary of Revenue refunds a tax imposed
34 by this section after the tax has expired and the proceeds of the tax have been
35 distributed to the Authority, the Secretary shall notify the Authority of the amount of
36 the refund. The Authority shall reimburse the Secretary for the amount of the
37 refund.

38 "Sec. 9. **Budgeting and Fiscal Control.** -- The District is a unit of local government
39 under the Local Government Budget and Fiscal Control Act.

40 "Sec. 10. **Assistance From Local Governments.** -- Any county, city or town, or
41 other unit of local government or public authority located within the District may
42 contribute or advance moneys or other assets or services to the District. The District
43 may reimburse a local government or public authority for any such advance once it

1 is receiving the proceeds of any tax levied by it pursuant to this Charter or otherwise
2 has funds available to do so.

3 "Sec. 11. **Zoning and Annexation.** -- (a) The District may regulate land use upon
4 real property owned by it, and such property is not subject to any zoning ordinance
5 adopted by a county or city.

6 (b) Real property owned by the District is not subject to annexation pursuant to
7 Part 2 or 3 of Article 4A of Chapter 160A of the General Statutes."

8 Section 2. The General Statutes are amended by adding a new Chapter
9 to read:

10 "Chapter 160C.

11 "Baseball Park Districts.

12 "§ 160C-1. Baseball park districts.

13 The General Assembly may establish baseball park districts as bodies political and
14 corporate and political subdivisions of the State."

15 Section 3. G.S. 160A-20(h) reads as rewritten:

16 "(h) As used in this section, the term 'unit of local government' means any of the
17 following:

- 18 (1) A county.
19 (2) A city.
20 (3) A water and sewer authority created under Article 1 of Chapter
21 162A of the General Statutes.
22 (4) An airport authority whose situs is entirely within a county that
23 has (i) a population of over 120,000 according to the most recent
24 federal decennial census and (ii) an area of less than 200 square
25 miles.
26 (5) An airport authority in a county in which there are two
27 incorporated municipalities with a population of more than 65,000
28 according to the most recent federal decennial census.
29 (5a) An airport board or commission authorized by agreement between
30 two cities pursuant to G.S. 63-56, one of which is located partially
31 but not wholly in the county in which the jointly owned airport is
32 located, and where the board or commission provided water and
33 wastewater services off the airport premises before January 1, 1995;
34 provided that the authority granted by this section may be
35 exercised by such a board or commission with respect to water and
36 wastewater systems or improvements only.
37 (6) A local school administrative unit (i) that is located in a county
38 that has a population of over 90,000 according to the most recent
39 federal decennial census and (ii) whose board of education is
40 authorized to levy a school tax.
41 (7) An area mental health, developmental disabilities, and substance
42 abuse authority, acting in accordance with G.S. 122C-147.
43 (8) A consolidated city-county, as defined by G.S. 160B-2(1).
44 (9) A baseball park district."

1 Section 4. G.S. 159-148(a) reads as rewritten:

2 "(a) Except as provided in subsection (b) of this section, this Article applies to
3 any contract, agreement, memorandum of understanding, and any other transaction
4 having the force and effect of a contract (other than agreements made in connection
5 with the issuance of revenue bonds, special obligation bonds issued pursuant to
6 Chapter 159I of the General Statutes, or of general obligation bonds additionally
7 secured by a pledge of revenues) made or entered into by a unit of local government
8 (as defined by G.S. 159-7(b) or, in the case of a special obligation bond, as defined in
9 Chapter 159I of the General Statutes), relating to the lease, acquisition, or
10 construction of capital assets, which contract

- 11 (1) Extends for five or more years from the date of the contract,
12 including periods that may be added to the original term through
13 the exercise of options to renew or extend, and
14 (2) Obligates the unit to pay sums of money to another, without regard
15 to whether the payee is a party to the contract, and
16 (3) Obligates the unit over the full term of the contract, including
17 periods that may be added to the original term through the
18 exercise of options to renew or extend, to the extent of at least five
19 hundred thousand dollars (\$500,000) for baseball park districts
20 and, for other units, to the extent of five hundred thousand dollars
21 (\$500,000) or a sum equal to one tenth of one percent (1/10 of 1%)
22 of the assessed value of property subject to taxation by the
23 contracting unit, whichever is less, and
24 (4) Obligates the unit, expressly or by implication, to exercise its
25 power to levy taxes either to make payments falling due under the
26 contract, or to pay any judgment entered against the unit as a
27 result of the unit's breach of the contract.

28 Contingent obligation shall be included in calculating the value of the contract.
29 Several contracts that are all related to the same undertaking shall be deemed a
30 single contract for the purposes of this Article. When several contracts are
31 considered as a single contract, the term shall be that of the contract having the
32 longest term, and the sums to fall due shall be the total of all sums to fall due under
33 all single contracts in the group."

34 Section 5. Notwithstanding G.S. 105-259, the Department of Revenue
35 may furnish to the finance officer of the North Carolina Triad Metropolitan Baseball
36 Park Authority information on the sales and use tax levied by that Authority.

37 Section 6. This act is effective when it becomes law.

GENERAL ASSEMBLY OF NORTH CAROLINA

SESSION 1997

S

D

SENATE BILL 389
Proposed Committee Substitute S389-PCS2651

Short Title: Baseball Park Districts.

(Public)

Sponsors:

Referred to:

March 13, 1997

- 1 A BILL TO BE ENTITLED
2 AN ACT TO ESTABLISH THE NORTH CAROLINA TRIAD METROPOLITAN
3 BASEBALL PARK DISTRICT, TO PROVIDE FOR A REFERENDUM ON
4 BASEBALL PARK FINANCING ON A DATE DESIGNATED BY THE
5 DISTRICT AND TO ALLOW BASEBALL PARK DISTRICTS TO ENTER
6 INTO INSTALLMENT FINANCING AGREEMENTS.
7 The General Assembly of North Carolina enacts:
8 Section 1. A Charter for the North Carolina Triad Metropolitan Baseball
9 Park District is enacted as follows:
10 "CHARTER OF THE NORTH CAROLINA
11 TRIAD METROPOLITAN BASEBALL PARK DISTRICT.
12 "Section 1. **Legislative Findings.** -- (a) The General Assembly determines that the
13 construction, financing, and operation of a major league baseball park in the Triad
14 area serves a public purpose in that it will:
15 (1) Enhance the opportunities for recreational entertainment for all
16 North Carolinians;
17 (2) Generate new economic activity in the Triad area, leading to the
18 establishment of many new businesses;
19 (3) Encourage economic development throughout North Carolina by
20 enhancing the State's attractiveness to new and relocated
21 businesses and its attractiveness as a tourist destination; and
22 (4) Provide numerous new jobs for North Carolinians.

1 (b) The General Assembly further determines that because constructing a major
2 league baseball park is an extraordinarily complex task and because being able to
3 construct such a park in as short a time as possible is crucial to the award of a major
4 league baseball franchise to the Triad area, it is necessary to waive the application of
5 the usual construction contracting requirements for the park's construction.

6 "Sec. 2. **Definitions.** -- The words and phrases defined in this section have the
7 meanings indicated when used in this Charter, unless the context clearly requires
8 another meaning.

9 (1) 'Authority' means the North Carolina Triad Metropolitan Baseball
10 Park Authority.

11 (2) 'District' means the North Carolina Triad Metropolitan Baseball
12 Park District, established by this Charter.

13 (3) 'Major League Baseball' means the organization that controls the
14 administrative functions for the ownership and operation of major
15 league baseball operations in the United States and Canada.

16 (4) 'Major league baseball park' means a sports facility designed for
17 use primarily as a major league baseball park or stadium. Such a
18 facility may include, without limitation, features such as parking
19 areas and facilities, office facilities for the District or any team or
20 other user of the facility, associated retail and other commercial
21 facilities, and other ancillary facilities necessary or desirable for the
22 sports facility and its success. Such a facility also includes the
23 landscaped grounds surrounding the baseball park and related and
24 ancillary facilities.

25 "Sec. 3. **District Incorporated.** -- The inhabitants of the counties listed in this
26 section are a body corporate and politic and a political subdivision of the State under
27 the name 'North Carolina Triad Metropolitan Baseball Park District'. The District
28 initially comprises the following counties: Alamance, Caswell, Davidson, Davie,
29 Forsyth, Guilford, Montgomery, Randolph, Rockingham, Stokes, Surry, and Yadkin.
30 If the voters in a county do not vote in favor of the question in Section 8 of this
31 Charter, then upon the certification of the results of the election, that county is
32 removed from the district. The District is a baseball park district.

33 "Sec. 4. **Authority Established.** -- (a) The District is governed by the Authority,
34 which has 15 members, appointed as follows:

35 (1) The Governor appoints five members, one at-large who shall be
36 the chair of the Authority, one each of whom at the time of
37 appointment were residents of Alamance and Davidson Counties
38 and two of whom at the time of appointment were residents of
39 Forsyth County.

40 (2) The General Assembly appoints five members upon the
41 recommendation of the President Pro Tempore of the Senate, one
42 each of whom at the time of appointment were residents of
43 Caswell, Davie, and Montgomery Counties and two of whom at the
44 time of appointment were residents of Guilford County.

- 1 (3) The General Assembly appoints five members upon the
2 recommendation of the Speaker of the House of Representatives,
3 one each of whom at the time of appointment were residents of
4 Randolph, Stokes, Surry, Yadkin, and Rockingham Counties.
- 5 (b) Members of the Authority serve three-year terms, but in appointing the initial
6 members of the Authority, the Governor, the General Assembly upon the
7 recommendation of the Speaker of the House of Representatives and the General
8 Assembly upon the recommendation of the President Pro Tempore shall each
9 designate one of their appointees to serve until July 1, 1999, two to serve until July 1,
10 2000, and two to serve until July 1, 2001. If a vacancy occurs in the membership of
11 the Authority, and the person causing the vacancy was appointed by the Governor,
12 the Governor shall fill the vacancy for the remainder of the unexpired term. If the
13 person causing the vacancy was appointed by the General Assembly, the vacancy
14 shall be filled pursuant to G.S. 120-122. Initial terms commence upon appointment.
- 15 (c) The Authority may elect a vice-chair and such other officers as it determines
16 for terms established in the bylaws of the Authority.
- 17 (d) Once the Governor has appointed the initial chair of the Authority, the chair
18 shall determine the time and place of the Authority's initial meeting and shall cause
19 notice of the meeting to be given to each member of the Authority and to the public.
20 Thereafter, the Authority may establish a schedule of regular meetings and may
21 provide in its bylaws for the manner in which special meetings may be called.
- 22 (e) A majority of the members of the Authority, not counting vacant seats,
23 constitutes a quorum. The Authority may meet by conference telephone call as
24 provided by G.S. 143-318.13(a).
- 25 (f) The Authority may take action only upon the vote of a majority of its
26 members, not counting vacant seats and not counting members who have disclosed a
27 conflict of interest in the matter under discussion and vote.
- 28 (g) The Authority may adopt bylaws for the regulation of its affairs and the
29 conduct of its business, including rules of procedure, consistent with this Charter and
30 other applicable statutes.
- 31 (h) Members of the Authority are not compensated for their service, but the
32 Authority may provide that members are to be reimbursed for actual expenses
33 incurred while serving as an Authority member.
- 34 (i) If any county is removed from the district as provided by Section 3 of this
35 Charter, any member of the Authority residing in that county is removed, and the
36 appointing authority may appoint a resident of any county remaining in the district to
37 that seat.
- 38 "Sec. 5. **Conflicts of Interest.** -- (a) G.S. 14-234 applies to the District and its
39 employees and to the members of the Authority.
- 40 (b) If a member of the Authority, or any member of the immediate family of a
41 member of the Authority, or the employer of a member of the Authority has a direct
42 financial interest in any matter that comes before the Authority, the affected member
43 shall disclose the interest and shall abstain from participating in the discussion of or
44 vote on the matter.

1 (c) Violation of this section does not affect the validity of any debts or obligations
2 incurred by the district.

3 "Sec. 6. **District Powers.** -- In addition to powers set out elsewhere in this Charter
4 and powers granted to the District by other statutes, the District may:

- 5 (1) Enter into contracts.
- 6 (2) Sue and be sued in its own name, and plead and be impleaded.
- 7 (3) Adopt an official seal.
- 8 (4) Apply for, accept, receive, and disburse funds and grants made
9 available to it by the United States of America or any agency
10 thereof, the State of North Carolina or any agency thereof, any
11 unit of local government or other political subdivision, and any
12 private entity or person; and accept donations of property. The
13 District may comply with the conditions and requirements
14 respecting any gift, grant, or donation of any property or funds.
- 15 (5) Employ and compensate such personnel as the Authority
16 determines. The Authority may delegate to any employee of the
17 District the authority to employ, supervise, discipline, or discharge
18 other employees of the District. The District is subject to G.S.
19 153A-98 with respect to the personnel files of its employees.
- 20 (6) Contract with consultants and other independent contractors.
- 21 (7) Contract with and appropriate money to any person, association,
22 or corporation, public or private, in order to carry out any public
23 purpose that the District is authorized by this Charter or other law
24 to engage in.
- 25 (8) Procure insurance to protect against loss of the District's property
26 or other assets, and against liabilities incurred by the District, the
27 Authority, or any officer, employee, or agent of the District. The
28 District may, pursuant to G.S. 160A-167, provide the defense of
29 any officer or employee of the District.
- 30 (9) Acquire and maintain administrative offices.
- 31 (10) Acquire by purchase, lease, gift, eminent domain, or otherwise, or
32 obtain options for the acquisition of, any real or personal property
33 or interest therein, in order to carry out the authorized activities of
34 the District. The District may not acquire property through the
35 exercise of eminent domain until after Major League Baseball has
36 announced approval of the award of a franchise for a location
37 within the District. In exercising the power of eminent domain,
38 the District shall follow the procedures of Chapter 40A of the
39 General Statutes applicable to local public condemners.
- 40 (11) Sell, lease, exchange, transfer, or otherwise dispose of, or grant
41 options for any such purposes with respect to, any real or personal
42 property or interest therein. In disposing of property or any
43 interest in property, the District may proceed under such

- 1 procedures as it determines and is not subject to any procedural
2 requirements not included in this Charter.
- 3 (12) Promote award of a Major League Baseball franchise to a location
4 within the District.
- 5 (13) Design, construct, equip, improve, promote, operate, maintain,
6 lease, or contract for the operation and maintenance of a major
7 league baseball park. The baseball park shall be located on a tract
8 of land at least forty percent (40%) of which is located in each of
9 the two most populous counties in the district, according to the
10 most recent decennial federal census. If the Authority resolves that
11 construction of a major league baseball park or any portion thereof
12 must be expedited for good cause as determined by the Authority:
- 13 a. The District is exempt from the following statutes: G.S. 143-
14 128, subsections (a) through (e); G.S. 143-129; 143-131; and
15 143-132; or
- 16 b. The District may contract with the entity that has been
17 awarded the major league baseball franchise for that entity,
18 or an affiliated, parent, or subsidiary entity, to construct the
19 baseball park, with clear title to the baseball park passing to
20 the District at the completion of construction. Construction
21 under this paragraph is not subject to State laws on public
22 contract bidding.
- 23 If the Authority does adopt such a resolution, the Authority shall
24 establish and use alternative methods of contracting that are fair
25 and competitive, in the conclusive judgment of the Authority. The
26 Authority shall use North Carolina based contractors where
27 feasible. The District may contract for the right to name any park
28 or other facility owned by the District, or may include the right to
29 contract for the park's or facility's name in any lease of or contract
30 for the operation of the park or facility.
- 31 (14) Acquire real property or interests in real property for highway
32 improvements that will benefit the major league baseball park, and
33 convey, with or without monetary consideration, such property or
34 interests in property to the Department of Transportation. The
35 District may not acquire property for highway improvements
36 through the exercise of eminent domain until after Major League
37 Baseball has announced approval of the award of a franchise for a
38 location within the District. In the acquisition by eminent domain
39 of such real property or interests in real property, the District may
40 use the procedures of Article 9 of Chapter 136 of the General
41 Statutes. For the purpose of this subdivision, whenever the words
42 'Department of Transportation' appear in Article 9, they are
43 deemed to include the District or Authority, and whenever the
44 words 'Administrator', 'Administrator of Highways',

1 'Administrator of the Department of Transportation', or
2 'Chairman of the Department of Transportation' appear in Article
3 9, they are deemed to include an appropriate official of the District
4 as designated by the Authority.

5 (15) Establish and collect fees and charges for the use of its facilities.

6 (16) Enter into partnerships, joint ventures, common ownership,
7 operating agreements, and other arrangements with other persons
8 to further District purposes.

9 (17) Do all acts and things necessary, convenient, or desirable to carry
10 out the purposes of and exercise the powers granted to it by this
11 Charter.

12 "Sec. 7. Triple Net Lease Required. -- Any lease of the baseball park for the
13 purpose of operating it for Major League Baseball must be triple net for a minimum
14 of 25 years, with the lessee responsible for upkeep and maintenance.

15 "Sec. 8. District Taxes. -- (a) Authorization. -- The Authority may, by resolution,
16 subject to the conditions set out in this subsection, levy a temporary local sales and
17 use tax at the rate of one percent (1%) within the District as provided in this section.
18 Before it may adopt such a resolution, however, two conditions must be met: (i)
19 Major League Baseball must have announced approval of the award of a franchise for
20 a location within the District, and (ii) the District's voters must have approved the
21 levy of the tax in a referendum called and held for that purpose.

22 (b) Referendum. -- The State Board of Elections shall, upon the written request of
23 the Authority, call a referendum for the purpose of submitting to the voters of the
24 District the question of whether a temporary sales and use tax at the rate of one
25 percent (1%) will be levied in the District. The date of the referendum shall be set
26 by the Authority, which may set it for any day, including the day of any regular or
27 special election held for another purpose; the referendum, however, may not
28 otherwise be held within 50 days before or 50 days after a statewide primary,
29 election, or referendum. In fixing the date of the referendum, the Authority shall
30 consult with one or more of the county boards of elections within the District in
31 order that the referendum shall not unduly interfere with other elections or
32 referendums already scheduled or in process. Notice of the referendum shall be
33 given in the manner and at the times required by G.S. 163-33(8). The referendum
34 and the registration of voters therefor shall be held under and in accordance with the
35 general laws of the State. Absentee ballots shall be authorized in the referendum.

36 Ballots, voting systems authorized by Article 14 of Chapter 163 of the General
37 Statutes, or both may be used in accordance with rules prescribed by the State Board
38 of Elections. The question to be presented on the ballots or voting systems shall be
39 substantially as follows:

40 'MAJOR LEAGUE BASEBALL PARK INITIATIVE
41 [] YES [] NO

42 When Major League Baseball has announced approval of a major league baseball
43 franchise for a location within the North Carolina Triad Metropolitan Baseball Park
44 District, may _____ County which is currently in the District help finance no more

1 than two-thirds of the cost of a major league baseball park through levy of a
2 temporary one percent (1%) sales and use tax within the counties remaining in the
3 District, for no longer than one year?"

4 The results of the referendum shall be canvassed and declared as provided by law
5 for elections of State officers; the results of the referendum shall be certified by the
6 State Board of Elections to the Authority in the manner and at the time provided by
7 the general election laws of the State for certifications of State elections. If a majority
8 of persons voting in the referendum in one or more counties vote in favor of levying
9 the tax, the issue is approved. The votes shall be tallied separately in each county in
10 the District. As provided in Section 3 of this act, any county that does not vote in
11 favor of the question is removed from the District, and the tax is imposed in the
12 District consisting of the counties that have approved the levy.

13 (c) Scope; Administration. -- Except as provided in this section, the adoption, levy,
14 scope, and collection of the tax shall be in accordance with Article 39 of Chapter 105
15 of the General Statutes as if the District were a county. The Secretary of Revenue
16 shall distribute the net proceeds of the tax to the Authority.

17 (d) Effective Date of Tax. -- A tax levied pursuant to this section shall become
18 effective on the date specified in the resolution levying the tax. That date must be
19 the first day of a calendar month, however, and may not be earlier than the first day
20 of the second month after the date the resolution is adopted.

21 (e) Use of Proceeds. -- The Authority may use the proceeds of a tax levied
22 pursuant to this section for any authorized activities of the district. Any of these
23 proceeds used to design, construct, equip, or improve a major league baseball park as
24 provided in Section 6(13) of this Charter must be matched by private funds on the
25 basis of at least one dollar (\$1.00) of private funds used for this purpose for every two
26 dollars (\$2.00) of these proceeds used for this purpose. Any of these proceeds not
27 matched as required in this subsection shall not be used to design, construct, equip,
28 or improve a major league baseball park as provided in Section 6(13) of this Charter.

29 (f) Termination of Tax. -- The authority to levy a tax pursuant to this section
30 terminates on the first day of the twelfth month after the effective date of the levy of
31 the tax and cannot be extended for any reason.

32 (g) Refunds After Tax Ends. -- If the Secretary of Revenue refunds a tax imposed
33 by this section after the tax has expired and the proceeds of the tax have been
34 distributed to the Authority, the Secretary shall notify the Authority of the amount of
35 the refund. The Authority shall reimburse the Secretary for the amount of the
36 refund.

37 **"Sec. 9. Budgeting and Fiscal Control.** -- The District is a unit of local government
38 under the Local Government Budget and Fiscal Control Act.

39 **"Sec. 10. Assistance From Local Governments.** -- Any county, city or town, or
40 other unit of local government or public authority located within the District may
41 contribute or advance moneys or other assets or services to the District. The District
42 may reimburse a local government or public authority for any such advance once it
43 is receiving the proceeds of any tax levied by it pursuant to this Charter or otherwise
44 has funds available to do so.

1 "Sec. 11. **Zoning and Annexation.** -- (a) The District may regulate land use upon
2 real property owned by it, and such property is not subject to any zoning ordinance
3 adopted by a county or city.

4 (b) Real property owned by the District is not subject to annexation pursuant to
5 Part 2 or 3 of Article 4A of Chapter 160A of the General Statutes."

6 Section 2. The General Statutes are amended by adding a new Chapter
7 to read:

8 "Chapter 160C.

9 "Baseball Park Districts.

10 "§ 160C-1. Baseball park districts.

11 The General Assembly may establish baseball park districts as bodies political and
12 corporate and political subdivisions of the State."

13 Section 3. G.S. 160A-20(h) reads as rewritten:

14 "(h) As used in this section, the term 'unit of local government' means any of the
15 following:

- 16 (1) A county.
- 17 (2) A city.
- 18 (3) A water and sewer authority created under Article 1 of Chapter
19 162A of the General Statutes.
- 20 (4) An airport authority whose situs is entirely within a county that
21 has (i) a population of over 120,000 according to the most recent
22 federal decennial census and (ii) an area of less than 200 square
23 miles.
- 24 (5) An airport authority in a county in which there are two
25 incorporated municipalities with a population of more than 65,000
26 according to the most recent federal decennial census.
- 27 (5a) An airport board or commission authorized by agreement between
28 two cities pursuant to G.S. 63-56, one of which is located partially
29 but not wholly in the county in which the jointly owned airport is
30 located, and where the board or commission provided water and
31 wastewater services off the airport premises before January 1, 1995;
32 provided that the authority granted by this section may be
33 exercised by such a board or commission with respect to water and
34 wastewater systems or improvements only.
- 35 (6) A local school administrative unit (i) that is located in a county
36 that has a population of over 90,000 according to the most recent
37 federal decennial census and (ii) whose board of education is
38 authorized to levy a school tax.
- 39 (7) An area mental health, developmental disabilities, and substance
40 abuse authority, acting in accordance with G.S. 122C-147.
- 41 (8) A consolidated city-county, as defined by G.S. 160B-2(1).
- 42 (9) A baseball park district."

43 Section 4. G.S. 159-148(a) reads as rewritten:

1 (a) Except as provided in subsection (b) of this section, this Article applies to
2 any contract, agreement, memorandum of understanding, and any other transaction
3 having the force and effect of a contract (other than agreements made in connection
4 with the issuance of revenue bonds, special obligation bonds issued pursuant to
5 Chapter 159I of the General Statutes, or of general obligation bonds additionally
6 secured by a pledge of revenues) made or entered into by a unit of local government
7 (as defined by G.S. 159-7(b) or, in the case of a special obligation bond, as defined in
8 Chapter 159I of the General Statutes), relating to the lease, acquisition, or
9 construction of capital assets, which contract

- 10 (1) Extends for five or more years from the date of the contract,
11 including periods that may be added to the original term through
12 the exercise of options to renew or extend, and
13 (2) Obligates the unit to pay sums of money to another, without regard
14 to whether the payee is a party to the contract, and
15 (3) Obligates the unit over the full term of the contract, including
16 periods that may be added to the original term through the
17 exercise of options to renew or extend, to the extent of at least five
18 hundred thousand dollars (\$500,000) for baseball park districts
19 and, for other units, to the extent of five hundred thousand dollars
20 (\$500,000) or a sum equal to one tenth of one percent (1/10 of 1%)
21 of the assessed value of property subject to taxation by the
22 contracting unit, whichever is less, and
23 (4) Obligates the unit, expressly or by implication, to exercise its
24 power to levy taxes either to make payments falling due under the
25 contract, or to pay any judgment entered against the unit as a
26 result of the unit's breach of the contract.

27 Contingent obligation shall be included in calculating the value of the contract.
28 Several contracts that are all related to the same undertaking shall be deemed a
29 single contract for the purposes of this Article. When several contracts are
30 considered as a single contract, the term shall be that of the contract having the
31 longest term, and the sums to fall due shall be the total of all sums to fall due under
32 all single contracts in the group."

33 Section 5. Notwithstanding G.S. 105-259, the Department of Revenue
34 may furnish to the finance officer of the North Carolina Triad Metropolitan Baseball
35 Park Authority information on the sales and use tax levied by that Authority.

36 Section 6. This act is effective when it becomes law.

GENERAL ASSEMBLY OF NORTH CAROLINA

SESSION 1997

S

1

SENATE BILL 447

Short Title: Lumberton Economic Development District.

(Public)

Sponsors: Senators Weinstein; Conder, Odom, Rand, Shaw of Cumberland, Soles, and Wellons.

Referred to: Finance.

March 20, 1997

A BILL TO BE ENTITLED

1
2 AN ACT TO ESTABLISH THE LUMBERTON ECONOMIC DEVELOPMENT
3 AND TOURIST DISTRICT AND TO AUTHORIZE THE ISSUANCE OF
4 CERTAIN ABC PERMITS IN THIS TYPE OF DISTRICT.

5 The General Assembly of North Carolina enacts:

6 Section 1. District Created. -- The Lumberton Economic Development
7 and Tourist District is created. The District consists of the area described in Section
8 2 of this act. The District is a body politic and corporate and a political subdivision
9 of the State. The District is subject to the Local Government Budget and Fiscal
10 Control Act, Article 3 of Chapter 159 of the General Statutes.

11 The Lumberton City Council shall serve, ex officio, as the governing
12 body of the District, and the officers of the City Council shall likewise serve as the
13 officers of the governing body of the District. The governing body of the District
14 shall promote economic development and tourism in the District and do all acts
15 reasonably necessary to fulfill this purpose.

16 A simple majority of the governing body of the District constitutes a
17 quorum. Approval by a majority of a quorum is sufficient to determine any matter
18 before the governing body of the District.

19 Section 2. Description of District. -- The Lumberton Economic
20 Development and Tourist District consists of the following area:

21 BEGINNING at a point where the western right-of-way line of Interstate 95 intersects
22 Lumber River and runs thence from said beginning point in a western direction with
23 Lumber River to the run of Saddletree Swamp; thence in a northern direction with

1 the run of Saddletree Swamp to the southern right-of-way line of North Carolina
2 Highway 211 (also known as Roberts Avenue); thence with southern right-of-way line
3 of North Carolina Highway 211 in an eastern direction to a point where the southern
4 right-of-way line of said highway intersects the run of Five Mile Branch; thence in a
5 northern direction with the run of Five Mile Branch to a point in the run of said
6 branch being located 500 feet west of (perpendicular distance) the western right-of-
7 way line of Interstate 95; thence leaving said Five Mile Branch in a northern
8 direction with a line being 500 feet west of and parallel to the western right-of-way
9 line of Interstate 95 to a point in the eastern property line of Mayfair Subdivision;
10 thence in a general northern direction with the various eastern property lines of
11 Mayfair Subdivision to the eastern property line of Mayfair North Subdivision; thence
12 in a general northern direction with the various eastern property lines of Mayfair
13 North Subdivision and beyond to a point in a ditch just south of the AA building;
14 thence in a western direction with said ditch to the run of Saddletree Swamp; thence
15 with the run of Saddletree Swamp in a northern direction approximately 1900 feet to
16 a point; thence leaving said swamp in an eastern direction to and with the southern
17 line of property owned by Lumberton Motors (Deed Book 920, Page 557) to a point
18 in said southern line being 500 feet (perpendicular distance) west of the western
19 right-of-way line of Interstate 95; thence in a northern direction 500 feet west of and
20 parallel to the western right-of-way line of Interstate 95 to a point 500 feet south of
21 and perpendicular to U.S. Highway 301 (also known as Fayetteville Road); thence in
22 a northwestern direction 500 feet south of and parallel to U.S. Highway 301 to a
23 point where this line intersects the northwestern line of Lawrence H. Oliver's
24 property (Deed Book 628, Pages 673 and 674) if it were extended; thence in a
25 northeastern direction to, with, and beyond Lawrence H. Oliver's northwestern
26 property line to a point in the northeastern right-of-way line of U.S. Highway 301;
27 thence with the northeastern right-of-way line of U.S. Highway 301 in a southeastern
28 direction to the most southern corner of Robeson Community College property;
29 thence with the southeastern property line of Robeson Community College property
30 to the western right-of-way line of Interstate 95; thence crossing Interstate 95 to a
31 point in the eastern right-of-way line of said Interstate 95, said point being Thomas
32 Carr Gibson's southwest corner (Deed Book 775, Page 665); thence with and beyond
33 Gibson's southern line (Deed Book 775, Page 665, Deed Book 490, Pages 84 and 85,
34 and Deed Book 485, Page 335) to a point in the center line of Secondary Road 1005
35 (also known as Barker Ten Mile Road); thence with the center line of Secondary
36 Road 1005 in a southern direction to a point at the intersection of the center line of
37 said Secondary Road 1005 with the northeastern right-of-way line of U.S. Highway
38 301 (also known as Secondary Road 1997 and Fayetteville Road); thence with the
39 eastern right-of-way line of U.S. Highway 301, in a southeastern direction to a point
40 in the run of Five Mile Branch; thence in a northeastern direction with the run of
41 Five Mile Branch approximately 352.63 feet to a point in the run of said branch;
42 thence leaving said branch 300 feet east of and parallel to U.S. Highway 301
43 approximately 488.4 feet to a point in the northern right-of-way line of a private drive
44 (54 feet in width); thence with the northern right-of-way line of said private drive in a

1 western direction to a point in the western right-of-way line of said U.S. Highway
2 301; thence with said western right-of-way line to a point 300 feet (perpendicular
3 distance) south of the southern right-of-way line of Liberty Hill Road; thence in a
4 western direction 300 feet south of and parallel to the southern right-of-way line of
5 Liberty Hill Road to a point in the eastern right-of-way line of Independence Drive;
6 thence with the eastern right-of-way line of Independence Drive in a northern
7 direction to a point in the southern right-of-way line of Liberty Hill Road; thence
8 with the southern right-of-way line of Liberty Hill Road in a western direction
9 crossing Independence Drive to the northwestern property corner of property owned
10 by the Church of Jesus Christ of Latter Day Saints; thence in a southern direction
11 with the western property line of said church property to a point 300 feet
12 (perpendicular distance) south of Liberty Hill Road; thence in a western direction
13 300 feet south of and parallel to the southern right-of-way line of Liberty Hill Road
14 to a point 500 feet east of (perpendicular distance) the eastern right-of-way of
15 Interstate 95; thence in a southern direction 500 feet east of and parallel to the
16 eastern right-of-way line of Interstate 95 to a point 500 feet north (perpendicular
17 distance) of North Carolina Highway 211 (also known as Roberts Avenue); thence in
18 a southeastern direction 500 feet north of and parallel to North Carolina Highway
19 211 to a point where if extended the western right-of-way line of McMillian Avenue
20 would intersect this line; thence in a southern direction to and with the western right-
21 of-way line of McMillian Avenue to a point being 135 feet south (perpendicular
22 distance) of North Carolina Highway 211; thence in a western direction 135 feet
23 southeast of and parallel to North Carolina Highway 211, crossing Rowland Avenue
24 to a point in the western right-of-way line of Rowland Avenue; thence in a southern
25 direction with the western right-of-way line of Rowland Avenue to a point in the
26 northern right-of-way line of a now abandoned V & C S Railroad right-of-way;
27 thence with said railroad right-of-way line in a southwestern and then southern
28 direction to a point on the northern line of Jennings Cotton Mills Subdivision (Map
29 Book 7, Page 48) approximately 80 feet north of West Twenty-fourth Street; thence in
30 a western direction, with the northern line of said Jennings Cotton Mills Subdivision
31 line to a point approximately 218.39 feet east of Interstate 95; thence in a southern
32 direction approximately 79.72 feet to a point in the northern right-of-way line of West
33 Twenty-fourth Street at its intersection with Delmar Street; thence in a western
34 direction with the northern right-of-way line of Twenty-fourth Street to a point 200
35 feet east (perpendicular distance) of the eastern right-of-way line of Interstate 95;
36 thence in a southern direction 200 feet east of and parallel to Interstate 95 to a point
37 in the center line of Carthage Road; thence in a western direction with the center
38 line of Carthage Road to the intersection of the center line of said Carthage Road
39 with the western right-of-way line of Interstate 95; and thence in a southern direction
40 to and with the western right-of-way line of Interstate 95 to the point of beginning.

41 Section 3. G.S. 18B-1006 is amended by adding a new subsection to
42 read:

43 "(1) Economic and Tourist Development District. -- Notwithstanding the
44 provisions of Article 6 of this Chapter, the Commission may issue permits for the sale

1 of mixed beverages to qualified businesses in an economic and tourist development
2 district. An 'economic and tourist development district' is a district that is a political
3 subdivision of the State, is within the corporate limits of a city, was established by an
4 act of the General Assembly enacted before July 1, 1997, and was established for the
5 purpose of promoting economic development and tourism in the district. The mixed
6 beverages purchase-transportation permit authorized by G.S. 18B-404(b) shall be
7 issued by a local board operating a store located in the city in which the district is
8 located. The governing body of a district that is eligible for mixed beverages permits
9 under this subsection must file with the Commission a certified copy of a map setting
10 out the boundaries of the district."

11 Section 4. This act is effective when it becomes law.

EXPLANATION OF SENATE BILL 447
Lumberton Economic Development District

TO: Senate Finance Committee
FROM: Sabra Faires, Committee Counsel
DATE: April 2, 1997
SPONSOR: Senator Weinstein

Senate Bill 447 creates the Lumberton Economic Development District as a unit of local government and authorizes the ABC Commission to issue mixed beverages permits to restaurants, hotels, and other eligible businesses in the district. The bill is effective when it becomes law.

The District established in the bill is an area along I-95 in the City of Lumberton in Robeson County. Section 2 of the bill sets out the boundaries of the District. The District is to be governed by the City Council of Lumberton. The purpose of the District is to promote economic development and tourism in the District.

The bill is local in effect but is a public bill because the authorization in the bill to issue mixed beverages permits applies to all economic development districts that meet the description in the bill. To meet the description, a district must be a unit of government, be entirely within a city, be established for the purpose of promoting economic development, and be established before July 1, 1997. If this bill is enacted, the district created by this bill will be the only one that meets the description.

The following businesses are eligible for a mixed beverages permit: restaurants, hotels, private clubs, convention centers, community theatres, nonprofit organizations, and political organizations. To qualify as a restaurant, an establishment must derive at least 40% of its gross receipts from food and nonalcoholic beverages and have seating for at least 36 people.

The alcoholic beverage laws contain many classifications that appear general but are designed to apply to specific counties or areas only. The reason for this is that the North Carolina Constitution in Article II, Section 24 prohibits local acts regulating trade. The sale of alcoholic beverages is a form of trade. Therefore, local acts on alcoholic beverage sales are prohibited. A bill that establishes a general class is a public bill even if only one area fits in the class.

Under current law, mixed beverages cannot be sold in Lumberton because their sale has not been approved in an election in Robeson County or the City of Lumberton. No alcoholic beverages are authorized county-wide in Robeson County. Lumberton has authorized the on-premises sale of beer and unfortified wine at hotels, motels, and restaurants, has authorized the sale of off-premises beer and off-premises unfortified wine, and has authorized the operation of an ABC store.

**NORTH CAROLINA GENERAL ASSEMBLY
LEGISLATIVE FISCAL NOTE**

BILL NUMBER: SB 447
SHORT TITLE: Lumberton Economic Development District
SPONSOR(S): Senator Weinstein, et al.

FISCAL IMPACT					
	Yes (X)	No ()	No Estimate Available ()		
	<u>FY 1997-98</u>	<u>FY 1998-99</u>	<u>FY 1999-00</u>	<u>FY 2000-01</u>	<u>FY 2001-02</u>
REVENUES					
Lumberton GF.	\$11,800	\$12,100	\$12,300	\$12,600	\$13,000
PRINCIPAL DEPARTMENT(S) & City of Lumberton General Fund					
EFFECTIVE DATE: When it becomes law					

BILL SUMMARY: The act creates an economic district and a tourist district within the confines of the city of Lumberton. The sale of mixed beverages is authorized within this district.

ASSUMPTIONS AND METHODOLOGY: The city of Lumberton sales spirituous liquor through ABC outlets. This act does not authorize the sale of liquor by the drink thought-out the domain of the city but rather a small portion so designated as an economic development district. The analysis is based on comparing some cities along major road-ways such as highways 70 and 421 in North Carolina and the percent of mixed beverage sales to retail sales in these cities/counties is between 6% and 12%. The percentage for the city of Henderson bordering Interstate 85 is 12%. Since the district established by this act is only a portion of the municipality a more conservative percentage to apply to the retail sale value is 6%. Six percent of the \$1,641,262 is \$98,476 in sales. There is a mixed beverage surcharge of \$20.00 on bottles of spirituous liquor sold to establishments for liquor by the drink sales. Local units of government receive \$9.00 of this amount. The amount of mixed beverage retained by the local government is estimated to be \$11,800. The growth in liquor sales in the 1995/96 was 2.25%, prior to this year sales were flat or declined statewide.

SENATE FINANCE COMMITTEE

THURSDAY, APRIL 3, 1997

8:30 A.M. - ROOM 544 LOB

The Senate Finance Committee met on April 3, 1997, with Senator Hoyle presiding. There were 17 committee members present.

The following bills were discussed:

S.B. 157 - Corporate Amendments

Senator Hartsell was recognized to explain S.B. 157. On motion by Senator Hartsell, an amendment was adopted. Senator Conder moved that the bill be given a "favorable" report as amended. Motion carried and the amendment will be incorporated into a committee substitute. Copy of Bill, Amendment, Committee Substitute and Fiscal Note included in the minutes.

S.B. 153 - Scrap Tire Disposal Tax Amendment

Senator Odom was recognized to explain S. B. 153 and made a motion that a proposed committee substitute be adopted. Senator Kerr offered a technical amendment which was adopted on his motion. Paul Chrisman, Division of Waste Management, was recognized to comment on the bill and answer questions. Senator Kerr moved for the adoption of an amendment that would sunset this bill after 5 years and the amendment was adopted. (No copy of amendment) Senator Kerr also offered an amendment to remove the position called for in the bill and the amendment was adopted. (No copy of amendment) On motion of Senator Conder, the proposed committee substitute was given a "favorable report as amended" and will be rolled into a new committee substitute which will include the three amendments. Copy of Committee Substitute, Copy of New Committee Substitute, Copy of Technical Amendment, Explanation, Fact Sheet, Fiscal Note and Scrap Tire Collections History included in the minutes.

S.B. 124 - Amend White Goods Tax

Senator Odom was recognized to explain S.B. 124. At the conclusion of his explanation, the following were recognized to speak in support of this bill:

Minutes - Senate Finance Committee

April 3, 1997

Page 2

Ed Regan with the NC Association of County Commissioners

Phil Carter, President of the NC Chapter of Solid Waste Association, and Wake County Solid Waste Management Director

Bill Holman with the Conservation Council and the Sierra Club

Senator Hoyle again recognized Paul Chrisman who reported that there is now some 3 million dollars current surplus in this trust fund.

Senator Hoyle recognized Ms. Fran Preston, NC Retail Merchants Association, who spoke in opposition to this bill.

There was a general discussion on this bill and it will be held over for further discussion at a later date. Copy of Bill, Explanation, Fiscal Note and Costs for White Goods Disposal without S.B. 124 included in the minutes.

S.B. 390 - Huntersville Annexation

Senator Odom was recognized to explain S.B. 390. Senator Weinstein moved for a "favorable" report and the motion carried.

Senator Rand asked that the microphones in the Finance Committee Room be checked and the Sgt. Of Arms staff will take care of this matter.

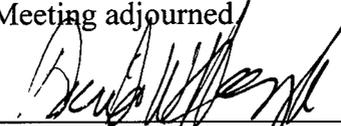

S.B. 518 - Local Choice: 1 Year 1¢ Sales Tax Vote

Senator Perdue was recognized to explain S.B. 518. On motion by Senator Perdue a proposed committee substitute for this bill was adopted by the committee.

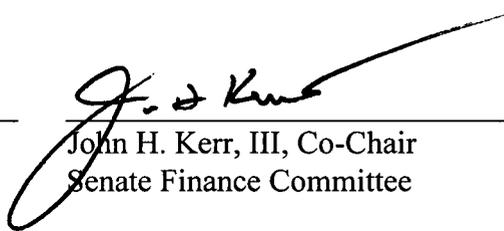

Minutes - Finance Committee Meeting
April 3, 1997
Page 3

After several questions from the committee members, Senator Hoyle announced that this bill will be held over for further discussion at a later date. Copy of Bill, Committee Substitute and Fiscal Note is included in the minutes.

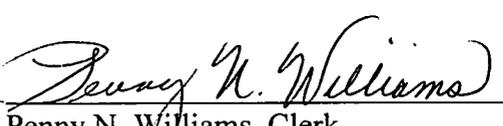

Meeting adjourned

SENATE BILL 157*

Short Title: Corporate Amendments.

(Public)

Sponsors: Senators Hartsell; and Odom.

Referred to: Commerce.

February 17, 1997

- 1 A BILL TO BE ENTITLED
2 AN ACT TO AMEND THE LAW GOVERNING DISSENTERS' RIGHTS
3 PROCEDURES AND THE FILING OF DOCUMENTS BY LIMITED
4 LIABILITY COMPANIES, TO ALLOW FACSIMILE SIGNATURES AND
5 ADVISORY REVIEW OF DOCUMENTS BY THE SECRETARY OF STATE,
6 AND TO CLARIFY CORRECTIONS PROCEDURES, LIMITED LIABILITY
7 NAME AVAILABILITY, AND THE DEFINITION OF FOREIGN
8 PROFESSIONAL CORPORATIONS AS RECOMMENDED BY THE
9 GENERAL STATUTES COMMISSION.
10 The General Assembly of North Carolina enacts:
11 PART I. AMENDMENT OF DISSENTERS' RIGHTS PROCEDURES.
12 Section 1. G.S. 55-13-22(b) reads as rewritten:
13 "(b) The dissenters' notice must be sent no later than 10 days after the corporate
14 ~~action was taken, shareholder approval, or if no shareholder approval is required,~~
15 after the approval of the board of directors, of the corporate action creating
16 dissenters' rights under G.S. 55-13-02, and must:
17 (1) State where the payment demand must be sent and where and
18 when certificates for certificated shares must be deposited;
19 (2) Inform holders of uncertificated shares to what extent transfer of
20 the shares will be restricted after the payment demand is received;
21 (3) Supply a form for demanding payment;
22 (4) Set a date by which the corporation must receive the payment
23 demand, which date may not be fewer than 30 nor more than 60
24 days after the date the subsection (a) notice is mailed; and

1 (5) Be accompanied by a copy of this Article."

2 Section 2. G.S. 55-13-30 reads as rewritten:

3 "**§ 55-13-30. Court action.**

4 (a) If a demand for payment under G.S. 55-13-28 remains unsettled, the dissenter
5 may commence a proceeding within 60 days after the date of his payment demand
6 under G.S. 55-13-28 ~~and petition the court by filing a complaint with the Superior~~
7 Court Division of the General Court of Justice to determine the fair value of the
8 shares and accrued interest. ~~Upon~~ Within 10 days after service upon it of the petition
9 ~~filed with the court, complaint,~~ the corporation shall pay to the dissenter the amount
10 offered by the corporation under G.S. 55-13-25.

11 (a1) If the dissenter does not commence the proceeding within the 60-day period,
12 the dissenter shall have an additional 30 days to either (i) accept in writing the
13 amount offered by the corporation under G.S. 55-13-25, upon which the corporation
14 shall pay such amount to the dissenter in full satisfaction of his demand, or (ii)
15 withdraw his demand for payment and resume the status of a nondissenting
16 shareholder. A dissenter who takes no action within such 30-day period shall be
17 deemed to have withdrawn his dissent and demand for payment.

18 (b) Reserved for future codification purposes.

19 (c) The court shall have the discretion to make all dissenters (whether or not
20 residents of this State) whose demands remain unsettled parties to the proceeding as
21 in an action against their shares and all parties must be served with a copy of the
22 ~~petition, complaint.~~ Nonresidents may be served by registered or certified mail or by
23 publication as provided by law.

24 (d) The jurisdiction of the superior court in which the proceeding is commenced
25 under ~~subsection (b)~~ subsection (a) is plenary and exclusive. The court may appoint
26 one or more persons as appraisers to receive evidence and recommend decision on
27 the question of fair value. The appraisers have the powers described in the order
28 appointing them, or in any amendment to it. The parties are entitled to the same
29 discovery rights as parties in other civil proceedings. The proceeding shall be tried as
30 in other civil actions. However, in a proceeding by a dissenter in a ~~public~~
31 ~~corporation,~~ corporation that was a public corporation immediately prior to
32 consummation of the corporate action giving rise to the right of dissent under G.S.
33 55-13-02, there is no right to a trial by jury.

34 (e) Each dissenter made a party to the proceeding is entitled to judgment for the
35 amount, if any, by which the court finds the fair value of his shares, plus interest,
36 exceeds the amount paid by the corporation."

37 PART II. ADVISORY REVIEW OF PRELIMINARY DRAFTS OF DOCUMENTS.

38 Section 3. Article 1 of Chapter 55 of the General Statutes is amended by
39 adding a new section to read:

40 "**§ 55-1-22.2. Advisory review of documents.**

41 The Secretary of State may honor a request for review of a document prior to its
42 submission for filing to determine whether it satisfies the requirements of this
43 Chapter. Submission of a document for review shall be accompanied by the proper
44 fee and shall be in accordance with procedures adopted by rule by the Secretary of

1 State. At the time of the advisory review, the Secretary of State shall notify the
 2 person submitting the document of all deficiencies in the document that would
 3 prevent its filing."

4 Section 4. Article 1 of Chapter 55A of the General Statutes is amended
 5 by adding a new section to read:

6 "§ 55A-1-22.2. Advisory review of documents.

7 The Secretary of State may honor a request for review of a document prior to its
 8 submission for filing to determine whether it satisfies the requirements of this
 9 Chapter. Submission of a document for review shall be accompanied by the proper
 10 fee and shall be in accordance with procedures adopted by rule by the Secretary of
 11 State. At the time of the advisory review, the Secretary of State shall notify the
 12 person submitting the document of all deficiencies in the document that would
 13 prevent its filing."

14 Section 5. Article 1 of Chapter 57C of the General Statutes is amended
 15 by adding a new section to read:

16 "§ 57C-1-22.2. Advisory review of documents.

17 The Secretary of State may honor a request for review of a document prior to its
 18 submission for filing to determine whether it satisfies the requirements of this
 19 Chapter. Submission of a document for review shall be accompanied by the proper
 20 fee and shall be in accordance with procedures adopted by rule by the Secretary of
 21 State. At the time of the advisory review, the Secretary of State shall notify the
 22 person submitting the document of all deficiencies in the document that would
 23 prevent its filing."

24 Section 6. Article 5 of Chapter 59 of the General Statutes is amended by
 25 adding a new section to read:

26 "§ 59-206.2. Advisory review of documents.

27 The Secretary of State may honor a request for review of a document prior to its
 28 submission for filing to determine whether it satisfies the requirements of this Article.
 29 Submission of a document for review shall be accompanied by the proper fee and
 30 shall be in accordance with procedures adopted by rule by the Secretary of State. At
 31 the time of the advisory review, the Secretary of State shall notify the person
 32 submitting the document of all deficiencies in the document that would prevent its
 33 filing."

34 Section 7. G.S. 55-1-22(a) reads as rewritten:

35 "(a) The Secretary of State shall collect the following fees when the documents
 36 described in this subsection are delivered to him for filing:

	Document	Fee
37

18	without amendment of articles	10.00
19	(12) Restated articles of organization	
20	with amendment of articles	50.00
21	(13) Articles of merger	50.00
22	(14) Articles of dissolution	30.00
23	(15) Articles of revocation of dissolution	10.00
24	(16) Certificate of administrative dissolution	No fee
25	(17) Certificate of reinstatement	No fee
26	(18) Certificate of judicial dissolution	No fee
27	(19) Application for certificate of authority	200.00
28	(20) Application for amended certificate	
29	of authority	50.00
30	(21) Application for certificate of withdrawal	10.00
31	(22) Certificate of revocation of authority	
32	to transact business	No fee
33	(23) Articles of correction	10.00
34	(24) Application for certificate of existence	
35	or authorization	5.00
36	(25) Annual report	200.00
37	(26) Any other document required or permitted	
38	to be filed by this Chapter	10.00.
39		<u>10.00</u>
40	(27) <u>Advisory review of a document</u>	<u>200.00."</u>

Section 10. G.S. 59-1106 reads as rewritten:

42 "§ 59-1106. Fees.

43 The Secretary of State shall collect the following fees and remit them to the State
44 Treasurer for the use of the State:

1	(1)	For filing a certificate of limited partnership	
2		(G.S. 59-201)	\$50.00
3	(2)	For filing a certificate of amendment	
4		(G.S. 59-202; 59-905)	25.00
5	(3)	For filing a certificate of cancellation	
6		(G.S. 59-203; 59-906)	25.00
7	(4)	For filing an application for reservation of name	
8		(G.S. 59-104(a))	10.00
9	(5)	For filing a transfer of name	
10		(G.S. 59-104(d))	10.00
11	(6)	For filing an application for registration	
12		as foreign limited partnership	
13		(G.S. 59-502)	50.00
14	(7)	For preparing and furnishing a copy of any	
15		document, instrument or paper filed or recorded	
16		relating to a limited partnership	
17		(G.S. 59-206(c)) For each page	1.00
18		For affixing his his the certificate and official seal thereto.	5.00
19	(8)	For comparing a copy furnished to him of any	
20		document, instrument or paper filed or recorded	
21		relating to a limited partnership	
22		For each page	1.00
23	(9)	For filing any other document not herein specifically	
24		provided for	10.00
25	(10)	For the expedited filing by the end of the same	
26		business day of a document received in good order	
27		by 12:00 noon Eastern Standard Time	200.00
28			additional fee
29	(11)	For the expedited filing of a document received in	
30		good order within 24 hours after receipt, excluding	
31		weekends and holidays	100.00
32			additional fee.
33			<u>additional fee</u>
34	(12)	<u>Advisory review of a document</u>	<u>200.00.</u>

36 The Secretary of State shall not collect the fees allowed in subdivisions (10) and
 37 (11) of this section unless the person submitting the document for filing requests an
 38 expedited filing and is informed by the Secretary of State of the fees prior to the
 39 filing of the document. Upon receipt of a document in proper form and payment of
 40 the required filing fee, the Secretary of State shall guarantee the expedited filing of
 41 the document."

42 PART III. CLARIFICATION OF ARTICLES OF CORRECTION PROCEDURES.

43 Section 11. G.S. 55-1-24(a) reads as rewritten:

1 "(a) A domestic or foreign corporation may correct a document filed by the
2 Secretary of State if the document (1) contains ~~an incorrect statement~~ a statement
3 that is incorrect and was incorrect when the document was filed or (2) was
4 defectively executed, attested, sealed, verified, or acknowledged."

5 Section 12. G.S. 55A-1-24(a) reads as rewritten:

6 "(a) A domestic or foreign corporation may correct a document filed by the
7 Secretary of State if the document (i) contains ~~an incorrect statement~~ a statement that
8 is incorrect and was incorrect when the document was filed or (ii) was defectively
9 executed, attested, sealed, verified, or acknowledged."

10 Section 13. G.S. 57C-1-24(a) reads as rewritten:

11 "(a) A domestic or foreign limited liability company may correct a document filed
12 by the Secretary of State if the document (i) contains ~~an incorrect statement~~ a
13 statement that is incorrect and was incorrect when the document was filed or (ii) was
14 defectively ~~executed~~ executed, attested, sealed, verified, or acknowledged."

15 Section 14. G.S. 59-206(a) is amended by adding a new subdivision to
16 read:

17 "(2b) A domestic or foreign limited partnership may correct a
18 document filed by the Secretary of State if the document (i)
19 contains a statement that is incorrect and was incorrect when the
20 document was filed or (ii) was defectively executed, attested,
21 sealed, verified, or acknowledged."

22 PART IV. RESTATEMENT OF LIMITED LIABILITY COMPANY ARTICLES OF
23 ORGANIZATION.

24 Section 15. Article 2 of Chapter 57C of the General Statutes is amended
25 by adding a new section to read:

26 "§ 57C-2-22.1. Restated articles of organization.

27 (a) A limited liability company may restate its articles of organization at any time
28 with or without member action.

29 (b) The restated articles of organization may include one or more amendments to
30 the articles. Unless otherwise provided in the articles of organization or a written
31 operating agreement, any amendment requires the unanimous vote of the members.
32 The restated articles of organization may include a statement of the address of the
33 current registered office and the name of the current registered agent of the limited
34 liability company.

35 (c) A limited liability company restating its articles of organization shall deliver to
36 the Secretary of State for filing articles of restatement that:

- 37 (1) Set forth the name of the limited liability company.
38 (2) Attach as an exhibit thereto the text of the restated articles of
39 organization.
40 (3) State that the restated articles of organization do not contain an
41 amendment or, if the articles do contain an amendment, that
42 there is an amendment that was approved as required by this
43 Chapter.

1 (d) Duly adopted restated articles of organization supersede the original articles of
2 organization and all amendments to them.

3 (e) The Secretary of State may certify restated articles of organization as the
4 articles of organization currently in effect, without including the other information
5 required by subsection (c) of this section."

6 PART V. CANCELLATION OF ARTICLES OF DISSOLUTION OF LIMITED
7 LIABILITY COMPANY.

8 Section 16. Article 6 of Chapter 57C is amended by adding a new
9 section to read:

10 "§ 57C-6-06.1. Cancellation of articles of dissolution.

11 After the filing of articles of dissolution by a limited liability company dissolved
12 pursuant to G.S. 57C-6-01(4) because of the happening of an event of withdrawal, the
13 articles of dissolution may be cancelled if, within 90 days after the event of
14 withdrawal, all remaining members agree in writing that the business of the limited
15 liability company should be continued and the limited liability company files articles
16 of cancellation with the Secretary of State. The Articles of Cancellation shall set
17 forth:

- 18 (1) The name of the limited liability company;
19 (2) The date of the event of withdrawal described in the articles of
20 dissolution;
21 (3) The date of filing of the company's articles of dissolution;
22 (4) A statement that within 90 days after the event of withdrawal, all
23 remaining members have agreed in writing that the business of
24 the limited liability company may be continued; and
25 (5) Any other information the members or managers filing the
26 articles of cancellation determine."

27 Section 17. G.S. 57C-1-22(a) reads as rewritten:

28 "(a) The Secretary of State shall collect the following fees when the documents
29 described in this subsection are delivered to the Secretary of State for filing:

30	<u>Document</u>	<u>Fee</u>
31	(1) Articles of organization	\$100.00
32	(2) Application for reserved name	10.00
33	(3) Notice of transfer of reserved name	10.00
34	(4) Application for registered name	10.00
35	(5) Application for renewal of registered name	10.00
36	(6) Limited liability company's statement of	
37	change of registered agent or registered	
38	office or both	5.00
39	(7) Agent's statement of change of registered	
40	office for each affected limited	
41	liability company	5.00
42	(8) Agent's statement of resignation	No fee
43	(9) Designation of registered agent or	
44	registered office or both	5.00

1	(10)	Amendment of articles of organization	50.00
2	(11)	Restated articles of organization	
3		without amendment of articles	10.00
4	(12)	Restated articles of organization	
5		with amendment of articles	50.00
6	(13)	Articles of merger	50.00
7	(14)	Articles of dissolution	30.00
8	(15)	Articles Cancellation of articles of revocation of	
9		dissolution	10.00
10	(16)	Certificate of administrative dissolution	No fee
11	(17)	Certificate of reinstatement	No fee
12	(18)	Certificate of judicial dissolution	No fee
13	(19)	Application for certificate of authority	200.00
14	(20)	Application for amended certificate	
15		of authority	50.00
16	(21)	Application for certificate of withdrawal	10.00
17	(22)	Certificate of revocation of authority	
18		to transact business	No fee
19	(23)	Articles of correction	10.00
20	(24)	Application for certificate of existence	
21		or authorization	5.00
22	(25)	Annual report	200.00
23	(26)	Any other document required or permitted	
24		to be filed by this Chapter	10.00."

25 PART VI. AVAILABILITY OF LIMITED LIABILITY COMPANY NAME.

26 Section 18. G.S. 57C-2-30(f) reads as rewritten:

27 "(f) The name of a limited liability company dissolved under ~~G.S. 57C-6-03~~
 28 Article 6 of this Chapter may not be used by another limited liability company
 29 company, business corporation, nonprofit corporation, or limited partnership until the
 30 expiration of two years after the effective date of the dissolution until:

31 (1) In the case of a dissolution pursuant to G.S. 57C-6-01, the later of
 32 (i) the date of filing of articles of dissolution pursuant to G.S. 57C-
 33 6-06 or (ii) the expiration of the time within which articles of
 34 dissolution of the limited liability company may be canceled
 35 pursuant to G.S. 57C-6-06.1; or

36 (2) In the case of an administrative dissolution pursuant to G.S. 57C-6-
 37 03, the expiration of the period within which the limited liability
 38 company may be reinstated pursuant to G.S. 57C-6-03, if the
 39 limited liability company's period of duration stated in its articles
 40 of organization or written operating agreement has not expired,

41 unless the dissolved limited liability company changes its name to a name
 42 distinguishable upon the records of the Secretary of State from the names of other
 43 limited liability companies, business corporations, nonprofit corporations, or limited
 44 partnerships organized or transacting business in this State."

1 PART VII. AUTHORIZATION OF FACSIMILE SIGNATURES FOR LIMITED
2 PARTNERSHIP DOCUMENTS.

3 Section 19. G.S. 59-204 is amended by adding a new subsection to read:

4 "(b1) Any signature on any document authorized to be filed with the Secretary of
5 State under any provision of this Article may be a facsimile."

6 PART VIII. MODIFICATION OF DEFINITION OF FOREIGN PROFESSIONAL
7 CORPORATION.

8 Section 20. G.S. 55B-16(b) reads as rewritten:

9 "(b) For purposes of this section, 'foreign professional corporation' means a
10 corporation for profit ~~that is that~~:

- 11 (1) Is incorporated under a law other than the law of this State State;
12 (2) Is incorporated for the sole and specific purpose of rendering
13 professional services of the type that if rendered in this State would
14 require the obtaining of a license from a licensing board pursuant
15 to the statutory provisions referred to in ~~G.S. 55B-2(6)~~ G.S. 55B-
16 2(6); and that (i) has as its shareholders only individuals who are
17 duly licensed, in this State or some other state, to render the same
18 professional services as the corporation, or (ii) is organized for the
19 purpose of rendering professional services of the type defined in
20 Chapters 83A, 89A, 89C, and 89E of the General Statutes, and has
21 as its shareholders only individuals who are duly licensed, in this
22 State or in another state, to render the same professional services
23 as the corporation or who are nonlicensed employees of the
24 corporation, provided that nonlicensed employees own not more
25 than one-third of the total issued and outstanding shares of the
26 corporation, or (iii) is described in G.S. 55B-15.
27 (3) Has as its shareholders only individuals who:
28 a. Qualify to hold shares of a corporation organized under this
29 Chapter;
30 b. Are licensed to provide professional services as defined in
31 G.S. 55B-2(6) in a state in which the corporation is
32 incorporated or is authorized to transact business, provided
33 that such professional services are the same as the
34 professional service rendered by the corporation; or
35 c. Are nonlicensed employees of a corporation rendering
36 services of the type defined in Chapters 83A, 89A, 89C, and
37 89E of the General Statutes provided that all such
38 nonlicensed employees own no more than one-third of the
39 total issued and outstanding shares of such corporation in
40 the aggregate."

41 PART IX. CORRECTION OF DELAYED EFFECTIVE DATE STATUTES FOR
42 LIMITED PARTNERSHIP DOCUMENTS.

43 Section 21. G.S. 59-201(b) reads as rewritten:

1 "(b) ~~A~~ Unless a delayed effective date is specified in the certificate of limited
2 partnership, a limited partnership is formed at the time effective time and date of the
3 filing of the certificate of limited partnership in the office of the Secretary of State or
4 at any later time not more than 20 days subsequent to the endorsement of the
5 Secretary of State specified in the certificate of limited partnership if, in either case, if
6 there has been substantial compliance with the requirements of this section."

7 Section 22. G.S. 59-203 reads as rewritten:

8 "§ 59-203. Cancellation of certificate.

9 A certificate of limited partnership shall be cancelled upon the dissolution and the
10 commencement of winding up of the partnership or at any other time that there are
11 no limited partners. A certificate of cancellation shall be filed in the office of the
12 Secretary of State and set forth:

- 13 (1) The name of the limited partnership;
- 14 (2) The date of filing of its certificate of limited partnership;
- 15 (3) The reason for filing the certificate of cancellation;
- 16 (4) The effective date (~~which shall be a date certain not more than 20~~
17 ~~days from the date of filing~~) of cancellation if it is not to be
18 effective upon the filing of the certificate; and
- 19 (5) Any other information the partners filing the certificate
20 determine."

21 PART X. REMOVAL OF "CONFORMING TO LAW" LANGUAGE IN REVISED
22 UNIFORM LIMITED PARTNERSHIP ACT.

23 Section 23. G.S. 59-206(a)(2) reads as rewritten:

- 24 "(2) The original document so signed, together with the conformed
25 copy, shall be delivered to the Secretary of State. ~~Unless~~ If the
26 Secretary finds that it ~~does not conform to law,~~ satisfies the
27 requirements of this Article, the Secretary shall, when the proper
28 fees have been tendered, endorse upon the original the word 'filed'
29 and the hour, day, month and year of the filing thereof and shall
30 file the same in the Secretary's office. The Secretary of State shall
31 thereupon immediately compare the copy with the original and if
32 the Secretary finds that they are identical the Secretary shall make
33 upon the conformed copy the same endorsement which appears on
34 the original and shall attach to the copy a certificate stating that
35 attached thereto is a true copy of the document, designated by an
36 appropriate title, filed in the Secretary's office and showing the
37 date of the filing. The Secretary shall thereupon return the copy so
38 certified to the limited partnership or its representatives. Any
39 documents filed with the Secretary of State pursuant to this
40 Chapter may be maintained by the Secretary either in their
41 original form or in photographic, microfilm, optical disk media, or
42 other reproduced form. The Secretary may make reproductions of
43 documents filed under this Chapter, or under any predecessor act,
44 by photographic, microfilm, optical disk media, or other means of

1 reproduction, and may destroy the originals of the documents
2 reproduced. The Secretary of State may correct apparent errors
3 and omissions on a document submitted for filing if authorized to
4 make the corrections by the person submitting the document for
5 filing. The authorization to make the corrections shall be
6 confirmed, according to procedures adopted by rule, by the
7 Secretary prior to making the correction."

8 Section 24. G.S. 59-903(a) reads as rewritten:

9 "(a) If the Secretary of State finds that an application ~~conforms to law~~ satisfies
10 the requirements of this Article, the Secretary shall, when all requisite fees have been
11 tendered as in this Article prescribed:

- 12 (1) Endorse on the application the word 'filed', and the hour, day,
13 month and year of the filing thereof;
- 14 (2) File in ~~his~~ the office the application;
- 15 (3) Issue a certificate of authority to transact business in this State to
16 which ~~he~~ the Secretary shall affix the conformed copy of the
17 application; and
- 18 (4) Send to the foreign limited partnership or its representative the
19 certificate of authority, together with the conformed copy of the
20 application affixed thereto."

21 PART XI. EFFECTIVE DATES.

22 Section 25. Sections 11 through 14, 20, and 23 through 25 of this act are
23 effective when the act becomes law. The remainder of this act becomes effective
24 October 1, 1997. Section 1 of this act applies to dissenter's rights created pursuant to
25 G.S. 55-13-02 on or after October 1, 1997, and Section 2 of this act applies to
26 proceedings commenced on or after October 1, 1997. Sections 3 through 10 of this
27 act apply to requests for review of documents on or after that date.

GENERAL ASSEMBLY OF NORTH CAROLINA

SESSION 1997

S

D

SENATE BILL 157*
Proposed Committee Substitute S157-PCS2672

Short Title: Corporate Amendments.

(Public)

Sponsors:

Referred to:

February 17, 1997

- 1 A BILL TO BE ENTITLED
2 AN ACT TO AMEND THE LAW GOVERNING DISSENTERS' RIGHTS
3 PROCEDURES AND THE FILING OF DOCUMENTS BY LIMITED
4 LIABILITY COMPANIES, TO ALLOW FACSIMILE SIGNATURES AND
5 ADVISORY REVIEW OF DOCUMENTS BY THE SECRETARY OF STATE,
6 AND TO CLARIFY CORRECTIONS PROCEDURES, LIMITED LIABILITY
7 NAME AVAILABILITY, AND THE DEFINITION OF FOREIGN
8 PROFESSIONAL CORPORATIONS AS RECOMMENDED BY THE
9 GENERAL STATUTES COMMISSION.
10 The General Assembly of North Carolina enacts:
11 PART I. AMENDMENT OF DISSENTERS' RIGHTS PROCEDURES.
12 Section 1. G.S. 55-13-22(b) reads as rewritten:
13 "(b) The dissenters' notice must be sent no later than 10 days after ~~the corporate~~
14 ~~action was taken,~~ shareholder approval, or if no shareholder approval is required,
15 after the approval of the board of directors, of the corporate action creating
16 dissenters' rights under G.S. 55-13-02, and must:
17 (1) State where the payment demand must be sent and where and
18 when certificates for certificated shares must be deposited;
19 (2) Inform holders of uncertificated shares to what extent transfer of
20 the shares will be restricted after the payment demand is received;
21 (3) Supply a form for demanding payment;

1 (4) Set a date by which the corporation must receive the payment
2 demand, which date may not be fewer than 30 nor more than 60
3 days after the date the subsection (a) notice is mailed; and

4 (5) Be accompanied by a copy of this Article."

5 Section 2. G.S. 55-13-30 reads as rewritten:

6 "**§ 55-13-30. Court action.**

7 (a) If a demand for payment under G.S. 55-13-28 remains unsettled, the dissenter
8 may commence a proceeding within 60 days after the date of his payment demand
9 under G.S. 55-13-28 ~~and petition the court by filing a complaint with the Superior~~
10 Court Division of the General Court of Justice to determine the fair value of the
11 shares and accrued interest. ~~Upon~~ Within 10 days after service upon it of the petition
12 ~~filed with the court, complaint,~~ the corporation shall pay to the dissenter the amount
13 offered by the corporation under G.S. 55-13-25.

14 (a1) If the dissenter does not commence the proceeding within the 60-day period,
15 the dissenter shall have an additional 30 days to either (i) accept in writing the
16 amount offered by the corporation under G.S. 55-13-25, upon which the corporation
17 shall pay such amount to the dissenter in full satisfaction of his demand, or (ii)
18 withdraw his demand for payment and resume the status of a nondissenting
19 shareholder. A dissenter who takes no action within such 30-day period shall be
20 deemed to have withdrawn his dissent and demand for payment.

21 (b) Reserved for future codification purposes.

22 (c) The court shall have the discretion to make all dissenters (whether or not
23 residents of this State) whose demands remain unsettled parties to the proceeding as
24 in an action against their shares and all parties must be served with a copy of the
25 ~~petition- complaint.~~ Nonresidents may be served by registered or certified mail or by
26 publication as provided by law.

27 (d) The jurisdiction of the superior court in which the proceeding is commenced
28 under ~~subsection (b)~~ subsection (a) is plenary and exclusive. The court may appoint
29 one or more persons as appraisers to receive evidence and recommend decision on
30 the question of fair value. The appraisers have the powers described in the order
31 appointing them, or in any amendment to it. The parties are entitled to the same
32 discovery rights as parties in other civil proceedings. The proceeding shall be tried as
33 in other civil actions. However, in a proceeding by a dissenter in a ~~public~~
34 ~~corporation, corporation that was a public corporation immediately prior to~~
35 consummation of the corporate action giving rise to the right of dissent under G.S.
36 55-13-02, there is no right to a trial by jury.

37 (e) Each dissenter made a party to the proceeding is entitled to judgment for the
38 amount, if any, by which the court finds the fair value of his shares, plus interest,
39 exceeds the amount paid by the corporation."

40 PART II. ADVISORY REVIEW OF PRELIMINARY DRAFTS OF DOCUMENTS.

41 Section 3. Article 1 of Chapter 55 of the General Statutes is amended by
42 adding a new section to read:

43 "**§ 55-1-22.2. Advisory review of documents.**

1 The Secretary of State shall provide for the review of a document prior to its
2 submission for filing to determine whether it satisfies the requirements of this
3 Chapter. Submission of a document for review shall be accompanied by the proper
4 fee and shall be in accordance with procedures adopted by rule by the Secretary of
5 State. The advisory review shall be completed within 24 hours after submission,
6 excluding weekends and holidays, unless the person submitting the document is
7 otherwise notified in accordance with procedures adopted by rule by the Secretary of
8 State fixing priority between submissions under this section and filings under G.S. 55-
9 1-22.1. Upon completion of the advisory review, the Secretary of State shall notify
10 the person submitting the document of any deficiencies in the document that would
11 prevent its filing."

12 Section 4. Article 1 of Chapter 55A of the General Statutes is amended
13 by adding a new section to read:

14 "§ 55A-1-22.2. Advisory review of documents.

15 The Secretary of State shall provide for the review of a document prior to its
16 submission for filing to determine whether it satisfies the requirements of this
17 Chapter. Submission of a document for review shall be accompanied by the proper
18 fee and shall be in accordance with procedures adopted by rule by the Secretary of
19 State. At the time of the advisory review, the Secretary of State shall notify the State.
20 The advisory review shall be completed within 24 hours after submission, excluding
21 weekends and holidays, unless the person submitting the document is otherwise
22 notified in accordance with procedures adopted by rule by the Secretary of State
23 fixing priority between submissions under this section and filings under G.S. 55A-1-
24 22.1. Upon completion of the advisory review, the Secretary of State shall notify the
25 person submitting the document of any deficiencies in the document that would
26 prevent its filing."

27 Section 5. Article 1 of Chapter 57C of the General Statutes is amended
28 by adding a new section to read:

29 "§ 57C-1-22.2. Advisory review of documents.

30 The Secretary of State shall provide for the review of a document prior to its
31 submission for filing to determine whether it satisfies the requirements of this
32 Chapter. Submission of a document for review shall be accompanied by the proper
33 fee and shall be in accordance with procedures adopted by rule by the Secretary of
34 State. The advisory review shall be completed within 24 hours after submission,
35 excluding weekends and holidays, unless the person submitting the document is
36 otherwise notified in accordance with procedures adopted by rule by the Secretary of
37 State fixing priority between submissions under this section and filings under G.S.
38 57C-1-22.1. Upon completion of the advisory review, the Secretary of State shall
39 notify the person submitting the document of any deficiencies in the document that
40 would prevent its filing."

41 Section 6. Article 5 of Chapter 59 of the General Statutes is amended by
42 adding a new section to read:

43 "§ 59-206.2. Advisory review of documents.

1 The Secretary of State shall provide for the review of a document prior to its
 2 submission for filing to determine whether it satisfies the requirements of this Article.
 3 Submission of a document for review shall be accompanied by the proper fee and
 4 shall be in accordance with procedures adopted by rule by the Secretary of State.
 5 The advisory review shall be completed within 24 hours after submission, excluding
 6 weekends and holidays, unless the person submitting the document is otherwise
 7 notified in accordance with procedures adopted by rule by the Secretary of State
 8 fixing priority between submissions under this section and expedited filings as
 9 authorized by G.S. 59-1106. Upon completion of the advisory review, the Secretary
 10 of State shall notify the person submitting the document of any deficiencies in the
 11 document that would prevent its filing."

12 Section 7. G.S. 55-1-22(a) reads as rewritten:

13 "(a) The Secretary of State shall collect the following fees when the documents
 14 described in this subsection are delivered to him for filing:

Document	Fee
(1) Articles of incorporation	\$100.00

7		of authority	50.00
8	(21)	Application for certificate of withdrawal	10.00
9	(22)	Certificate of revocation of authority	
10		to transact business	No fee
11	(23)	Articles of correction	10.00
12	(24)	Application for certificate of existence	
13		or authorization	5.00
14	(25)	Annual report	200.00
15	(26)	Any other document required or permitted	
16		to be filed by this Chapter	10.00.
17			<u>10.00</u>
18	(27)	<u>Advisory review of a document</u>	<u>200.00."</u>

19 Section 10. G.S. 59-1106 reads as rewritten:

20 "§ 59-1106. Fees.

21 The Secretary of State shall collect the following fees and remit them to the State
 22 Treasurer for the use of the State:

23	(1)	For filing a certificate of limited partnership	
24		(G.S. 59-201)	\$50.00
25	(2)	For filing a certificate of amendment	
26		(G.S. 59-202; 59-905)	25.00
27	(3)	For filing a certificate of cancellation	
28		(G.S. 59-203; 59-906)	25.00
29	(4)	For filing an application for reservation of name	
30		(G.S. 59-104(a))	10.00
31	(5)	For filing a transfer of name	
32		(G.S. 59-104(d))	10.00
33	(6)	For filing an application for registration	
34		as foreign limited partnership	
35		(G.S. 59-502)	50.00
36	(7)	For preparing and furnishing a copy of any	
37		document, instrument or paper filed or recorded	
38		relating to a limited partnership	
39		(G.S. 59-206(c)) For each page	1.00
40		For affixing his the certificate and official seal thereto.	5.00
41	(8)	For comparing a copy furnished to him of any	
42		document, instrument or paper filed or recorded	
43		relating to a limited partnership	
44		For each page	1.00

1	(9)	For filing any other document not herein specifically provided for	10.00
2			
3	(10)	For the expedited filing by the end of the same business day of a document received in good order by 12:00 noon Eastern Standard Time	200.00
4			
5			additional fee
6			
7	(11)	For the expedited filing of a document received in good order within 24 hours after receipt, excluding weekends and holidays	100.00
8			additional fee.
9			additional fee
10			
11			
12	(12)	<u>Advisory review of a document</u>	<u>200.00.</u>
13			

14 The Secretary of State shall not collect the fees allowed in subdivisions (10) and
 15 (11) of this section unless the person submitting the document for filing requests an
 16 expedited filing and is informed by the Secretary of State of the fees prior to the
 17 filing of the document. Upon receipt of a document in proper form and payment of
 18 the required filing fee, the Secretary of State shall guarantee the expedited filing of
 19 the document."

20 PART III. CLARIFICATION OF ARTICLES OF CORRECTION PROCEDURES.

21 Section 11. G.S. 55-1-24(a) reads as rewritten:

22 "(a) A domestic or foreign corporation may correct a document filed by the
 23 Secretary of State if the document (1) contains ~~an incorrect statement~~ a statement
 24 that is incorrect and was incorrect when the document was filed or (2) was
 25 defectively executed, attested, sealed, verified, or acknowledged."

26 Section 12. G.S. 55A-1-24(a) reads as rewritten:

27 "(a) A domestic or foreign corporation may correct a document filed by the
 28 Secretary of State if the document (i) contains ~~an incorrect statement~~ a statement that
 29 is incorrect and was incorrect when the document was filed or (ii) was defectively
 30 executed, attested, sealed, verified, or acknowledged."

31 Section 13. G.S. 57C-1-24(a) reads as rewritten:

32 "(a) A domestic or foreign limited liability company may correct a document filed
 33 by the Secretary of State if the document (i) contains ~~an incorrect statement~~ a
 34 statement that is incorrect and was incorrect when the document was filed or (ii) was
 35 defectively ~~executed.~~ executed, attested, sealed, verified, or acknowledged."

36 Section 14. G.S. 59-206(a) is amended by adding a new subdivision to
 37 read:

38 "(2b) A domestic or foreign limited partnership may correct a
 39 document filed by the Secretary of State if the document (i)
 40 contains a statement that is incorrect and was incorrect when the
 41 document was filed or (ii) was defectively executed, attested,
 42 sealed, verified, or acknowledged."

43 PART IV. RESTATEMENT OF LIMITED LIABILITY COMPANY ARTICLES OF
 44 ORGANIZATION.

1 Section 15. Article 2 of Chapter 57C of the General Statues is amended
2 by adding a new section to read:

3 "§ 57C-2-22.1. Restated articles of organization.

4 (a) A limited liability company may restate its articles of organization at any time
5 with or without member action.

6 (b) The restated articles of organization may include one or more amendments to
7 the articles. Unless otherwise provided in the articles of organization or a written
8 operating agreement, any amendment requires the unanimous vote of the members.
9 The restated articles of organization may include a statement of the address of the
10 current registered office and the name of the current registered agent of the limited
11 liability company.

12 (c) A limited liability company restating its articles of organization shall deliver to
13 the Secretary of State for filing articles of restatement that:

14 (1) Set forth the name of the limited liability company.

15 (2) Attach as an exhibit thereto the text of the restated articles of
16 organization.

17 (3) State that the restated articles of organization do not contain an
18 amendment or, if the articles do contain an amendment, that
19 there is an amendment that was approved as required by this
20 Chapter.

21 (d) Duly adopted restated articles of organization supersede the original articles of
22 organization and all amendments to them.

23 (e) The Secretary of State may certify restated articles of organization as the
24 articles of organization currently in effect, without including the other information
25 required by subsection (c) of this section."

26 PART V. CANCELLATION OF ARTICLES OF DISSOLUTION OF LIMITED
27 LIABILITY COMPANY.

28 Section 16. Article 6 of Chapter 57C is amended by adding a new
29 section to read:

30 "§ 57C-6-06.1. Cancellation of articles of dissolution.

31 After the filing of articles of dissolution by a limited liability company dissolved
32 pursuant to G.S. 57C-6-01(4) because of the happening of an event of withdrawal, the
33 articles of dissolution may be cancelled if, within 90 days after the event of
34 withdrawal, all remaining members agree in writing that the business of the limited
35 liability company should be continued and the limited liability company files articles
36 of cancellation with the Secretary of State. The Articles of Cancellation shall set
37 forth:

38 (1) The name of the limited liability company;

39 (2) The date of the event of withdrawal described in the articles of
40 dissolution;

41 (3) The date of filing of the company's articles of dissolution;

42 (4) A statement that within 90 days after the event of withdrawal, all
43 remaining members have agreed in writing that the business of
44 the limited liability company may be continued; and

1 (5) Any other information the members or managers filing the
2 articles of cancellation determine."

3 Section 17. G.S. 57C-1-22(a) reads as rewritten:

4 "(a) The Secretary of State shall collect the following fees when the documents
5 described in this subsection are delivered to the Secretary of State for filing:

<u>Document</u>	<u>Fee</u>
7 (1) Articles of organization	\$100.00
8 (2) Application for reserved name	10.00
9 (3) Notice of transfer of reserved name	10.00
10 (4) Application for registered name	10.00
11 (5) Application for renewal of registered name	10.00
12 (6) Limited liability company's statement of 13 change of registered agent or registered 14 office or both	5.00
15 (7) Agent's statement of change of registered 16 office for each affected limited 17 liability company	5.00
18 (8) Agent's statement of resignation	No fee
19 (9) Designation of registered agent or 20 registered office or both	5.00
21 (10) Amendment of articles of organization	50.00
22 (11) Restated articles of organization 23 without amendment of articles	10.00
24 (12) Restated articles of organization 25 with amendment of articles	50.00
26 (13) Articles of merger	50.00
27 (14) Articles of dissolution	30.00
28 (15) Articles <u>Cancellation of articles of revocation of</u> 29 dissolution	10.00
30 (16) Certificate of administrative dissolution	No fee
31 (17) Certificate of reinstatement	No fee
32 (18) Certificate of judicial dissolution	No fee
33 (19) Application for certificate of authority	200.00
34 (20) Application for amended certificate 35 of authority	50.00
36 (21) Application for certificate of withdrawal	10.00
37 (22) Certificate of revocation of authority 38 to transact business	No fee
39 (23) Articles of correction	10.00
40 (24) Application for certificate of existence 41 or authorization	5.00
42 (25) Annual report	200.00
43 (26) Any other document required or permitted 44 to be filed by this Chapter	10.00."

1 PART VI. AVAILABILITY OF LIMITED LIABILITY COMPANY NAME.

2 Section 18. G.S. 57C-2-30(f) reads as rewritten:

3 "(f) The name of a limited liability company dissolved under ~~G.S. 57C-6-03~~
4 Article 6 of this Chapter may not be used by another limited liability ~~company~~
5 company, business corporation, nonprofit corporation, or limited partnership ~~until the~~
6 expiration of two years after the effective date of the dissolution ~~until:~~

7 (1) In the case of a dissolution pursuant to G.S. 57C-6-01, the later of
8 (i) the date of filing of articles of dissolution pursuant to G.S. 57C-
9 6-06 or (ii) the expiration of the time within which articles of
10 dissolution of the limited liability company may be canceled
11 pursuant to G.S. 57C-6-06.1; or

12 (2) In the case of an administrative dissolution pursuant to G.S. 57C-6-
13 03, the expiration of the period within which the limited liability
14 company may be reinstated pursuant to G.S. 57C-6-03, if the
15 limited liability company's period of duration stated in its articles
16 of organization or written operating agreement has not expired,

17 unless the dissolved limited liability company changes its name to a name
18 distinguishable upon the records of the Secretary of State from the names of other
19 limited liability companies, business corporations, nonprofit corporations, or limited
20 partnerships organized or transacting business in this State."

21 PART VII. AUTHORIZATION OF FACSIMILE SIGNATURES FOR LIMITED
22 PARTNERSHIP DOCUMENTS.

23 Section 19. G.S. 59-204 is amended by adding a new subsection to read:

24 "(b1) Any signature on any document authorized to be filed with the Secretary of
25 State under any provision of this Article may be a facsimile."

26 PART VIII. MODIFICATION OF DEFINITION OF FOREIGN PROFESSIONAL
27 CORPORATION.

28 Section 20. G.S. 55B-16(b) reads as rewritten:

29 "(b) For purposes of this section, 'foreign professional corporation' means a
30 corporation for profit ~~that is that~~;

31 (1) Is incorporated under a law other than the law of this State ~~State~~;

32 (2) Is incorporated for the sole and specific purpose of rendering
33 professional services of the type that if rendered in this State would
34 require the obtaining of a license from a licensing board pursuant
35 to the statutory provisions referred to in ~~G.S. 55B-2(6)~~ G.S. 55B-
36 2(6); and ~~that (i) has as its shareholders only individuals who are~~
37 ~~duly licensed, in this State or some other state, to render the same~~
38 ~~professional services as the corporation, or (ii) is organized for the~~
39 ~~purpose of rendering professional services of the type defined in~~
40 ~~Chapters 83A, 89A, 89C, and 89E of the General Statutes, and has~~
41 ~~as its shareholders only individuals who are duly licensed, in this~~
42 ~~State or in another state, to render the same professional services~~
43 ~~as the corporation or who are nonlicensed employees of the~~
44 ~~corporation, provided that nonlicensed employees own not more~~

1 ~~than one-third of the total issued and outstanding shares of the~~
2 ~~corporation, or (iii) is described in G.S. 55B-15.~~

3 (3) Has as its shareholders only individuals who:

4 a. Qualify to hold shares of a corporation organized under this
5 Chapter;

6 b. Are licensed to provide professional services as defined in
7 G.S. 55B-2(6) in a state in which the corporation is
8 incorporated or is authorized to transact business, provided
9 that such professional services are the same as the
10 professional service rendered by the corporation; or

11 c. Are nonlicensed employees of a corporation rendering
12 services of the type defined in Chapters 83A, 89A, 89C, and
13 89E of the General Statutes provided that all such
14 nonlicensed employees own no more than one-third of the
15 total issued and outstanding shares of such corporation in
16 the aggregate."

17 PART IX. CORRECTION OF DELAYED EFFECTIVE DATE STATUTES FOR
18 LIMITED PARTNERSHIP DOCUMENTS.

19 Section 21. G.S. 59-201(b) reads as rewritten:

20 "(b) ~~A~~ Unless a delayed effective date is specified in the certificate of limited
21 partnership, a limited partnership is formed at the time effective time and date of the
22 filing of the certificate of limited partnership in the office of the Secretary of State or
23 ~~at any later time not more than 20 days subsequent to the endorsement of the~~
24 ~~Secretary of State specified in the certificate of limited partnership if, in either case, if~~
25 there has been substantial compliance with the requirements of this section."

26 Section 22. G.S. 59-203 reads as rewritten:

27 "§ 59-203. Cancellation of certificate.

28 A certificate of limited partnership shall be cancelled upon the dissolution and the
29 commencement of winding up of the partnership or at any other time that there are
30 no limited partners. A certificate of cancellation shall be filed in the office of the
31 Secretary of State and set forth:

- 32 (1) The name of the limited partnership;
33 (2) The date of filing of its certificate of limited partnership;
34 (3) The reason for filing the certificate of cancellation;
35 (4) The effective date ~~(which shall be a date certain not more than 20~~
36 ~~days from the date of filing)~~ of cancellation if it is not to be
37 effective upon the filing of the certificate; and
38 (5) Any other information the partners filing the certificate
39 determine."

40 PART X. REMOVAL OF "CONFORMING TO LAW" LANGUAGE IN REVISED
41 UNIFORM LIMITED PARTNERSHIP ACT.

42 Section 23. G.S. 59-206(a)(2) reads as rewritten:

43 "(2) The original document so signed, together with the conformed
44 copy, shall be delivered to the Secretary of State. ~~Unless~~ If the

1 Secretary finds that it ~~does not conform to law~~, satisfies the
2 requirements of this Article, the Secretary shall, when the proper
3 fees have been tendered, endorse upon the original the word 'filed'
4 and the hour, day, month and year of the filing thereof and shall
5 file the same in the Secretary's office. The Secretary of State shall
6 thereupon immediately compare the copy with the original and if
7 the Secretary finds that they are identical the Secretary shall make
8 upon the conformed copy the same endorsement which appears on
9 the original and shall attach to the copy a certificate stating that
10 attached thereto is a true copy of the document, designated by an
11 appropriate title, filed in the Secretary's office and showing the
12 date of the filing. The Secretary shall thereupon return the copy so
13 certified to the limited partnership or its representatives. Any
14 documents filed with the Secretary of State pursuant to this
15 Chapter may be maintained by the Secretary either in their
16 original form or in photographic, microfilm, optical disk media, or
17 other reproduced form. The Secretary may make reproductions of
18 documents filed under this Chapter, or under any predecessor act,
19 by photographic, microfilm, optical disk media, or other means of
20 reproduction, and may destroy the originals of the documents
21 reproduced. The Secretary of State may correct apparent errors
22 and omissions on a document submitted for filing if authorized to
23 make the corrections by the person submitting the document for
24 filing. The authorization to make the corrections shall be
25 confirmed, according to procedures adopted by rule, by the
26 Secretary prior to making the correction."

27 Section 24. G.S. 59-903(a) reads as rewritten:

28 "(a) If the Secretary of State finds that an application ~~conforms to law~~ he satisfies
29 the requirements of this Article, the Secretary shall, when all requisite fees have been
30 tendered as in this Article prescribed:

- 31 (1) Endorse on the application the word 'filed', and the hour, day,
32 month and year of the filing thereof;
- 33 (2) File in ~~his~~ the office the application;
- 34 (3) Issue a certificate of authority to transact business in this State to
35 which ~~he~~ the Secretary shall affix the conformed copy of the
36 application; and
- 37 (4) Send to the foreign limited partnership or its representative the
38 certificate of authority, together with the conformed copy of the
39 application affixed thereto."

40 PART XI. EFFECTIVE DATES.

41 Section 25. Sections 11 through 14, 20, and 23 through 25 of this act are
42 effective when the act becomes law. The remainder of this act becomes effective
43 October 1, 1997. Section 1 of this act applies to dissenter's rights created pursuant to
44 G.S. 55-13-02 on or after October 1, 1997, and Section 2 of this act applies to

1 proceedings commenced on or after October 1, 1997. Sections 3 through 10 of this
2 act apply to requests for review of documents on or after that date.

EXPENDITURES

(No expenses requested at this time; will use existing staff.)

PRINCIPAL DEPARTMENT(S) &

PROGRAM(S) AFFECTED: Secretary of State/Corporations Division

EFFECTIVE DATE: Sections 11 through 14, 20, and 23 through 25 of the bill are effective upon ratification. The remainder of the act becomes effective October 1, 1997.

BILL SUMMARY: The bill amends various statutes relating to corporations, limited liability companies, and limited partnerships.

ASSUMPTIONS AND METHODOLOGY:

Of the numerous corporate amendments in this bill, only three have a fiscal impact.

Part II. Advisory Review of Documents

This part allows the Secretary of State to review documents prior to their filing under the Business Corporation Act (Chapter 55), the Nonprofit Corporation Act (Chapter 55A), the Limited Liability Company Act (Chapter 57C), and the Uniform Limited Partnership Act (Chapter 59). The Secretary of State will charge \$200 for this review. Staff Counsel for the Secretary of State receives 1 or 2 requests each week for this service now and expects passage of this bill to generate 200 requests per year. At \$200 per review, this new service will generate \$40,000 a year for the General Fund. Since the effective date is October 1, 1997, the first year revenue will be \$30,000 or 3/4 of the annual amount.

Part IV. Restatement of LLC Articles of Incorporation

This part allows limited liability companies (LLC) to restate and refile their articles of organization. In G.S. 57C-1-22(a) there is a \$10 charge for "restated articles of organization without amendment of articles" and a \$50 fee for "restated articles of organization with amendment of articles". Although the fees are listed in the statute, the Secretary of State was not given authority to collect the fees when the law creating LLC's was enacted in 1993. It is estimated by the Secretary of State's Staff Counsel that 12 LLC's will use this option each year and will restate their articles of organization with amendments and pay the \$50 fee. Annual revenue will be \$600, except for the first year when the October 1, 1997 effective date will cut the anticipated revenue to \$450.

Part V. Cancellation of Articles of Dissolution of LLC

This part allows LLC's to cancel articles of dissolution (an act to dissolve the company). Again in G.S. 57C-1-22(a) there is a \$10 charge for this act, but the Secretary of State was not given authority to collect this fee when the law was enacted. This option is estimated to be used only once per year.

SENATE BILL 153*

Short Title: Scrap Tire Disposal Tax Amend.

(Public)

Sponsors: Senator Odom.

Referred to: Commerce.

February 17, 1997

A BILL TO BE ENTITLED

1 AN ACT TO EXTEND THE SCRAP TIRE DISPOSAL TAX AT ITS CURRENT
2 RATE, TO AMEND THE SCRAP TIRE DISPOSAL ACT TO DISCOURAGE
3 THE DISPOSAL OF SCRAP TIRES FROM OUTSIDE THE STATE, AND TO
4 COMPLETE THE CLEANUP OF NUISANCE TIRE COLLECTION SITES, AS
5 RECOMMENDED BY THE ENVIRONMENTAL REVIEW COMMISSION.
6

7 The General Assembly of North Carolina enacts:

8 Section 1. Section 9 of Chapter 548 of the 1993 Session Laws reads as
9 rewritten:

10 "Sec. 9. Section 4 of this act becomes effective January 1, 1994. ~~Section 8 of this~~
11 ~~act becomes effective June 30, 1997.~~ All other sections of this act become effective
12 October 1, 1993. ~~Sections 1 through 6 of this act expire June 30, 1997.~~ Section 7 of
13 this act expires June 30, 1995. ~~Any funds remaining in the Scrap Tire Disposal~~
14 ~~Account created by this act on June 30, 1997, shall be transferred to the Solid Waste~~
15 ~~Management Trust Fund. The expiration of the additional tax imposed by Section 1~~
16 ~~of this act does not affect the rights or liabilities of the State, a taxpayer, or another~~
17 ~~person that arise during the time the additional tax is in effect.~~ The first quarterly
18 report required by G.S. 130A-309.63(e), as enacted by this act, is due within 60 days
19 after the quarter that ends on December 31, 1993."

20 Section 2. G.S. 130A-309.63 reads as rewritten:

21 "§ 130A-309.63. Scrap Tire Disposal Account.

22 (a) Creation. -- The Scrap Tire Disposal Account is established as a nonreverting
23 account within the Department. The Account consists of revenue credited to the

1 Account from the proceeds of the scrap tire disposal tax imposed by Article 5B of
2 Chapter 105 of the General Statutes.

3 (b) Use. -- The Department may use revenue in the Account only as authorized
4 by this section. The Department may use up to ~~twenty five percent (25%)~~ fifty
5 percent (50%) of the revenue in the Account to make grants to units of local
6 government to assist them in disposing of scrap tires. To administer the grants, the
7 Department shall establish procedures for applying for a grant and the criteria for
8 selecting among grant applicants. The criteria shall include the financial ability of a
9 unit of local government to provide for scrap tire disposal, the severity of a unit of
10 local government's scrap tire disposal problem, the effort made by a unit of local
11 government to ensure that only tires generated in the normal course of business in
12 this State are provided free disposal, and the effort made by a unit of local
13 government to provide for scrap tire disposal within the resources available to it.
14 The Department may use up to forty percent (40%) of the revenue in the Account to
15 make grants to encourage the use of crumb rubber. Grants to encourage the use of
16 crumb rubber shall be made in consultation with the Department of Commerce and
17 the Recycling Business Assistance Center. Grants to encourage the use of crumb
18 rubber shall not be used to process tires.

19 (c) Eligibility. -- A unit of local government is not eligible for a grant unless its
20 costs for disposing of scrap tires for the six-month period preceding the date the unit
21 of local government files an application for a grant exceeded the amount the unit of
22 local government received during that period from the proceeds of the scrap tire tax
23 under G.S. 105-187.19. A grant to a unit of local government may not exceed the
24 unit of local government's unreimbursed cost for the six-month period.

25 (d) Cleanup of Nuisance Tire Sites. -- The Department may use the remaining
26 revenue in the Account only to clean up scrap tire collection sites that the
27 Department has determined are a nuisance. The Department may use funds in the
28 Account to clean up a nuisance tire collection site only if no other funds are available
29 for that purpose. The Department may use funds in the Account to establish and
30 support a position to provide regulatory assistance to local governments to develop
31 programs to prevent scrap tires from outside the State from being presented for free
32 disposal and to complete the cleanup of nuisance tire collection sites.

33 (e) Reports. -- The Department shall report annually on the Scrap Tire Disposal
34 Account to the Environmental Review Commission. The report shall be submitted
35 by 1 October of each year for the fiscal year ending the preceding 30 June. The
36 report shall show the beginning and ending balances in the Account for the reporting
37 period, the amount credited to the Account during the reporting period, and the
38 amount of revenue used for grants and to clean up nuisance tire collection sites."

39 Section 3. This act is effective when it becomes law.

13 and the criteria for selecting among grant applicants. The
14 criteria shall include the financial ability of a unit of local
15 government to provide for scrap tire disposal, the severity of a
16 unit of local government's scrap tire disposal problem, the
17 effort made by a unit of local government to ensure that only
18 tires generated in the normal course of business in this State
19 are provided free disposal, and the effort made by a unit of
20 local government to provide for scrap tire disposal within the
21 resources available to it. The Department may use up to forty
22 percent (40%) of the revenue in the Account to make grants to
23 encourage the use of processed scrap tire materials. These
24 grants may be made to encourage the use of tire-derived fuel,
25 crumb rubber, carbon black, or other components of tires for use
26 in products such as fuel, tires, mats, auto parts, gaskets,
27 flooring material, or other applications of processed tire
28 materials. These grants shall be made in consultation with the
29 Department of Commerce, the Division of Environmental Assistance
30 and Pollution Prevention, and, where appropriate, the Department
31 of Transportation. Grants to encourage the use of processed
32 scrap tire materials shall not be used to process tires.

33 (c) Eligibility. -- A unit of local government is not eligible
34 for a grant unless its costs for disposing of scrap tires for the
35 six-month period preceding the date the unit of local government
36 files an application for a grant exceeded the amount the unit of
37 local government received during that period from the proceeds of
38 the scrap tire tax under G.S. 105-187.19. A grant to a unit of
39 local government may not exceed the unit of local government's
40 unreimbursed cost for the six-month period.

41 (d) Cleanup of Nuisance Tire Sites. -- The Department may use
42 the remaining revenue in the Account only to clean up scrap tire
43 collection sites that the Department has determined are a
44 nuisance. The Department may use funds in the Account to clean

1 up a nuisance tire collection site only if no other funds are
2 available for that purpose. The Department may use funds in the
3 Account to establish and support a position to provide regulatory
4 assistance to local governments to develop programs to prevent
5 scrap tires from outside the State from being presented for free
6 disposal and to complete the cleanup of nuisance tire collection
7 sites.

8 (e) Reports. -- The Department shall report annually on the
9 Scrap Tire Disposal Account to the Environmental Review
10 Commission. The report shall be submitted by 1 October of each
11 year for the fiscal year ending the preceding 30 June. The
12 report shall show the beginning and ending balances in the
13 Account for the reporting period, the amount credited to the
14 Account during the reporting period, and the amount of revenue
15 used for grants and to clean up nuisance tire collection sites."

22 of Environmental Assistance and Pollution Prevention of the Department, and, where
23 appropriate, the Department of Transportation. Grants to encourage the use of
24 processed scrap tire materials shall not be used to process tires.

Del

25 (c) Eligibility. -- A unit of local government is not eligible for a grant for scrap
26 tire disposal unless its costs for disposing of scrap tires for the six-month period
27 preceding the date the unit of local government files an application for a grant
28 exceeded the amount the unit of local government received during that period from
29 the proceeds of the scrap tire tax under G.S. 105-187.19. A grant to a unit of local
30 government for scrap tire disposal may not exceed the unit of local government's
31 unreimbursed cost for the six-month period.

32 (d) Cleanup of Nuisance Tire Sites. -- The Department may use the remaining
33 revenue in the Account only to clean up scrap tire collection sites that the
34 Department has determined are a nuisance. The Department may use funds in the
35 Account to clean up a nuisance tire collection site only if no other funds are available
36 for that purpose.

*position
eliminated*

37 (e) Reports. -- The Department shall report annually on the Scrap Tire Disposal
38 Account to the Environmental Review Commission. The report shall be submitted
39 by 1 October of each year for the fiscal year ending the preceding 30 June. The
40 report shall show the beginning and ending balances in the Account for the reporting
41 period, the amount credited to the Account during the reporting period, and the
42 amount of revenue used for grants and to clean up nuisance tire collection sites."

43 Section 3. Section 8 of Chapter 548 of the 1993 Session Laws is repealed.
44 Section 4. This act is effective when it becomes law.

EXPLANATION OF SENATE BILL 153
Scrap Tire Disposal Tax Amendment

TO: Senate Finance Committee
FROM: Sabra Faires, Committee Counsel
DATE: April 2, 1997
SPONSOR: Senator Odom

Senate Bill 153 is one of the bills recommended to the 1997 General Assembly by the Environmental Review Commission. It changes the scrap tire tax and the use of the tax proceeds as follows:

1. It repeals the sunset on the 1993 increase in the tax. Effective October 1, 1993, the tax rate was increased from 1% to 2% for tires with a bead diameter of less than 20 inches. Bead width is the width of the inside opening of the tire. Tires for cars, vans, and pick-up trucks have a bead width of less than 20 inches. The tax on these tires will revert back to 1%, effective July 1, 1997, if this bill is not enacted.
2. It allows 50% (instead of the current 25%) of the amount in the Scrap Tire Disposal Account to be used for grants to local governments to assist in the disposal of scrap tires.
3. It adds a factor for the Department of Environment, Health, and Natural Resources (DEHNR) to consider when making grants to local units from the Scrap Tire Disposal Account. That factor is the effort made by the local unit to prevent out-of-state tires from being disposed of for free.
4. It allows DEHNR to use 40% of the amount in the Scrap Tire Disposal Account to make grants to encourage the use of processed scrap tire materials. Under current law, all the amount in the Scrap Tire Disposal Account that is not used to make grants to local units for scrap tire disposal must be used to clean up tire nuisance sites.
5. It allows DEHNR to use funds in the Scrap Tire Disposal Account to add an employee to provide assistance to local units in cleaning up tire nuisance sites and preventing the free disposal of out-of-state tires.

The scrap tire disposal tax became effective in 1991.

Fact Sheet

Senate Bill 153 Act to Extend the Scrap Tire Disposal Tax

Section 1

Eliminates the sunset scheduled for June 30, 1997
(Does NOT expand the tax)

Section 2 (b)

Changes the distribution of the Scrap Tire Disposal Account as follows:

- The portion of the Account available for reimbursing counties for deficits incurred in their tire programs increases from 25% to 50%.
(This change would provide sufficient funds to cover 100% of cost overruns, based on past history)
- Up to 40 % of the Account can be used by the state to support market development for the end-use of crumb rubber. No funds will be provided to processors of crumb rubber.
(The bill does not require the use of rubber in asphalt, but will promote the use of tires in any crumb rubber/ carbon black application or for tire derived fuel)
- The remaining 10% of the Account would be used to continue the tire clean up program as new sites are discovered. This funding added to the existing balance should be sufficient to fund both a position and to clean up the remaining nuisance tire sites.

The bill requires the State to consider local efforts to control out of state tires in awarding grants to counties for costs incurred in managing scrap tires (The flow of out of state tires into the state are a significant concern and cost the program approximately \$1 million per year).

Section 3 (d)

Allows the Solid Waste Section to establish a position to assist counties in the design of programs to prevent out-of-state tires and to help continue the clean-up program.
(The position does NOT use appropriations. The position will assist development of county specific programs and procedures for identifying the origin of tires)

Uses for Processed Tire Materials

Potential uses for processed tire materials include products made from crumb rubber and tire-derived fuel. Detail is provided below.

1. Products from Crumb Rubber

a. *New tire manufacturing* - Crumb rubber can be used at a rate of least 10% in new tire manufacturing. There are reports that some manufacturers can presently use up to 50%. There are 4 tire manufacturers in NC who may be able to consume crumb rubber in their process.

b. *Hard rubber wheels* - These are being manufactured by a company in Hickory which produces shopping cart, roll-off container wheels and caster type wheels from crumb rubber. The company is currently using 8000 tons of crumb annually and may be able to expand production.

c. *Athletic Shoes* - Crumb rubber can be used in producing athletic shoes. One company in NC serves as a potential local market.

d. *Rubber mats and pads* - A variety of mat products can utilize crumb rubber. Anti-fatigue, animal, entrance, and industrial mats as well carpet underlayment pads are beginning to be produced around the country using crumb rubber as their primary feedstock.

e. *Soaker and sprinkler water hoses* - Such products can be made with crumb rubber and are beginning to be available in retail outlets such as Lowes, Wal-Mart and Home Depot.

f. *Automotive parts* - Ford Motor Co. is mandating the use of crumb in bumpers. Other manufacturers may follow. This area is the fastest growing market for crumb rubber.

g. *Athletic and turfgrass products* - These products are "topdressings" that aid in conservation of water and reduction in wear on athletic fields and golf courses. There are currently no vendors of this product in the state.

2. Tire Derived Fuel

Currently in the US around a 100 million tires are utilized annually for fuel with a capacity of 165 million tires. In NC, there is only 1 permitted facility for tire-derived fuel (TDF) in Southport, and it uses tires on a supplemental basis at the present time.

REVENUES Reallocates funds from the Scrap Tire Disposal Account to Division of Waste Management. See spreadsheet page 3.

EXPENDITURES Equivalent to revenues generated by disposal tax. Funds credited to the Scrap Tire Disposal Account will be distributed according to proposed allocation formula.

POSITIONS: 1.0

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: Department of Environment Health and Natural Resources
Division of Pollution Prevention and Environmental Assistance
Division of Waste Management

EFFECTIVE DATE: When it becomes law

BILL SUMMARY:

Senate Bill 153 repeals the sunset on the scrap tire disposal tax and reallocates the revenues credited to the Scrap Tire Disposal Account. One position is established to assist local governments in scrap tire prevention and disposal.

The scrap tire disposal tax is set to expire on June 30, 1997. The proposed act repeals this sunset making the excise tax on scrap tires permanent.

Five percent of the revenue from the tax is credited to the Solid Waste Management Trust Fund (SWMTF), 27% to the Scrap Tire Disposal Account (STDA), and the remaining 69% is distributed to the counties. In accordance with G.S. 130A-309.63, 25% of the STDA can be

used by the Department for grants to units of local government to assist them in the disposal of scrap tires. This act increases the 25% to 50% and authorizes the Department to use an additional 40% from the STDA for grants to development markets for crumb rubber. The grants are to be made in consultation with the Department of Commerce and the Recycling Business Assistance Center.

The Department is authorized to use funds in the STDA to establish a position to provide regulatory assistance to local units of government to develop programs to prevent scrap tires from entering the State for disposal and to assist in the cleanup of nuisance tire collection sites.

ASSUMPTIONS AND METHODOLOGY:

The bill redistributes the funds within the Scrap Tire Disposal Account. See spreadsheet on page three. The year over year growth in the revenue forecast is 1.5% which represents the annual growth in passenger car and truck sale in the State for the past three year. Information provided by the N. C. Tire Dealers and Retreaders Association. The excise tax collections by year are from the quarterly reports on the scrap tire collections provided by the Department of Revenue.

Expenditures

The bill does not change the percentage of scrap tire tax receipts allocated to the Scrap Tire Disposal Account (STDA), but it does change the distribution or use of funds credited to the account.

Under current law, up to 25% of the proceeds credited to the STDA may be allocated as grants to local scrap tire management programs. The bill proposes to increase this percentage to allow the use of up to 50% the funds in the account to provide grants to local programs. According to the *Scrap Tire Management Report* prepared by the Division of Waste Management, Department of Environment, Health, and Natural Resources local governments spent \$7,029,756 during the 1995-96 fiscal year to operate tire disposal programs. Counties received \$5,818,752 from the direct distribution of the scrap tire tax to help cover this expense, creating a statewide deficit of approximately \$1.2 million. Counties requested grant funds from the STDA to cover the operating deficits; however, funds available for actual awards totaled \$579,652. The department believes increasing the allocation of STDA funds for grants to local governments from 25% to 50% will provide funds to adequately reimburse local disposal programs for costs incurred.

The bill also proposes to allow the use of up to 40% of the funds credited to the STDA to provide grants to fund recycling market development, particularly for crumb rubber. Currently the supply of crumb rubber exceeds demand nationally; however, the department believes there is market potential for recycled crumb rubber materials, particularly in the plastics and polymer industries, if funds are provided to support market research and development.

Current law, requires at least 75% of the funds in the STDA be used to clean up nuisance tire sites. This percentage may be more if the department does not allocate the maximum allowed, 25%, for local tire management programs. Senate Bill 153 redistributes the use of funds credited to the STDA to allocate a minimum of 10% to remove tires from identified nuisance sites.

According to the *Scrap Tire Management Report* for the 1995-96 fiscal year the number of known nuisance sites in the state totaled 255 on October 1, 1996. Of these, cleanups are complete for 158 sites and in progress for 56 sites. The remaining 41 sites contain less than 4% of the total number of tires disposed of at nuisance sites and are expected to be cleared before the end of the 1997 calendar year. In addition, the department expects to identify an additional 25 to 30 nuisance tire sites annually, which will be prioritized and cleaned up as funds are available. Because the majority of the nuisance sites in the state have been cleared or will be this year, the department does not believe redirecting funds for grants to local programs and recycling market development jeopardizes the state's effort to eliminate nuisance tire sites.

The bill allows the department to use funds in the STDA account to create a Waste Management Specialist position (salary grade 71) to provide regulatory assistance to local tire management programs, with an emphasis on reducing the number of scrap tires brought into the state for free disposal. The Division of Waste Management estimates, based on disposal volume, that the counties and the state spend in excess of \$1 million per year to dispose of tires illegally transported from out of state. A pilot program conducted in four counties to improve screening for illegal tires and verification of the origin and size of tire loads for disposal found significant reductions in tire disposal volumes. The department estimates the total cost for the position and operating support to be \$70,000 per year, including a budgeted salary of \$30,713.

SENATE BILL 124

Short Title: Amend White Goods Tax.

(Public)

Sponsors: Senators Odom; and Kinnaird.

Referred to: Finance.

February 17, 1997

1 A BILL TO BE ENTITLED

2 AN ACT TO REDUCE THE WHITE GOODS DISPOSAL TAX RATE TO ONE
3 RATE FOR ANY WHITE GOOD REGARDLESS OF WHETHER THE WHITE
4 GOOD CONTAINS CHLOROFLUOROCARBONS, TO REPEAL THE WHITE
5 GOODS DISPOSAL TAX SUNSET, TO PROVIDE THAT WHITE GOODS
6 TAX REVENUE THAT IS NOT NEEDED FOR THE MANAGEMENT OF
7 DISCARDED WHITE GOODS MAY BE USED TO CLEAN UP ILLEGAL
8 DUMP SITES, AND TO ALTER THE DISTRIBUTION OF THE TAX
9 PROCEEDS FROM THIS TAX.

10 The General Assembly of North Carolina enacts:

11 Section 1. G.S. 105-187.21 reads as rewritten:

12 "**§ 105-187.21. Tax imposed.**

13 A privilege tax is imposed on a white goods retailer at a flat rate for each new
14 white good that is sold by the retailer. An excise tax is imposed on a new white good
15 purchased outside the State for storage, use, or consumption in this State. The rate
16 of the privilege tax and the excise tax is five dollars ~~(\$5.00) if the new white good~~
17 ~~does not contain chlorofluorocarbon refrigerants and is ten dollars (\$10.00) if the new~~
18 ~~white good contains chlorofluorocarbon refrigerants. These taxes are (\$5.00). This~~
19 tax is in addition to all other taxes."

20 Section 2. G.S. 130A-309.82 reads as rewritten:

21 "**§ 130A-309.82. Use of disposal tax proceeds by counties.**

22 Article 5C of Chapter 105 of the General Statutes imposes a tax on new white
23 goods to provide funds for the management of discarded white goods. A county ~~may~~
24 must use proceeds of the tax distributed to it under that Article ~~only~~ for the

1 management of discarded white goods. If a county has a surplus of tax proceeds after
2 reimbursing its costs of managing discarded white goods, then it may use the
3 remainder of the tax proceeds for the cleanup of unmanaged illegal dump sites."

4 Section 3. G.S. 130A-309.83 reads as rewritten:

5 "**§ 130A-309.83. White Goods Management Account.**

6 The White Goods Management Account is established within the Department.
7 The Account consists of revenue credited to the Account from the proceeds of the
8 white goods disposal tax imposed by Article 5C of Chapter 105 of the General
9 ~~Statutes.~~ Statutes and any revenue credited to the Account as the result of the
10 recovery by the State of part or all of the costs of cleaning up an unmanaged illegal
11 dump site.

12 The Department shall use revenue in the Account to make grants to units of local
13 government to assist them in managing discarded white ~~goods.~~ goods and cleaning up
14 unmanaged illegal dump sites. The Department must make grants for the
15 management of discarded white goods to all applicants who meet the grant criteria
16 before it makes a grant for cleaning up unmanaged illegal dump sites. To administer
17 the grants, the Department shall establish procedures for applying for a grant and the
18 criteria for selecting among grant applicants. The criteria for a grant to manage
19 discarded white goods shall include the financial ability of a unit to manage white
20 goods, the severity of a unit's white goods management problem, and the effort made
21 by a unit to manage white goods within the resources available to it. The criteria for
22 a grant to clean up an unmanaged illegal dump site shall include the financial ability
23 of the unit to clean up the site and the severity of the problem created by the site.

24 A unit of local government is not eligible for a grant to manage discarded white
25 goods unless its costs of managing white goods for a six-month period preceding the
26 date the unit files an application for a grant exceeded the amount the unit received
27 during that period from the proceeds of the white goods disposal tax under G.S. 105-
28 187.24. The Department shall determine the six-month period to be used in
29 determining who is eligible for a ~~grant.~~ grant to manage discarded white goods. A
30 grant to a unit to manage discarded white goods may not exceed the unit's
31 unreimbursed cost for the six-month period."

32 Section 4. G.S. 105-187.24 reads as rewritten:

33 "**§ 105-187.24. Use of tax proceeds.**

34 The Secretary shall distribute the taxes collected under this Article, less the
35 Department of Revenue's allowance for administrative expenses, in accordance with
36 this section. The Secretary may retain the Department's cost of collection, not to
37 exceed two hundred twenty-five thousand dollars (\$225,000) a year, as reimbursement
38 to the Department.

39 Each quarter, the Secretary shall credit ~~five percent (5%)~~ eight percent (8%) of
40 the net tax proceeds to the Solid Waste Management Trust Fund and shall credit
41 twenty percent (20%) of the net tax proceeds to the White Goods Management
42 Account. The Secretary shall distribute the remaining ~~seventy-five percent (75%)~~
43 seventy-two percent (72%) of the net tax proceeds among the counties on a per

1 capita basis according to the most recent annual population estimates certified to the
2 Secretary by the State Planning Officer.

3 A county may use funds distributed to it under this section only as provided in
4 G.S. 130A-309.82. A county that receives funds under this section and that has an
5 interlocal agreement with another unit of local government under which the other
6 unit provides for the disposal of solid waste for the county must transfer the amount
7 received under this section to that other unit. A unit to which funds are transferred is
8 subject to the same restrictions on use of the funds as the county."

9 Section 5. G.S. 130A-309.12 reads as rewritten:

10 **"§ 130A-309.12. Solid Waste Management Trust Fund.**

11 (a) The Solid Waste Management Trust Fund is created and is to be administered
12 by the Department for the purposes of:

- 13 (1) Funding activities of the Department to promote waste reduction
14 and recycling including but not limited to public education
15 programs and technical assistance to units of local government;
- 16 (2) Funding research on the solid waste stream in North Carolina;
- 17 (3) Funding activities related to the development of secondary
18 materials markets;
- 19 (4) Providing funding for demonstration projects as provided by this
20 Part; and
- 21 (5) Providing funding for research by The University of North
22 Carolina and independent nonprofit colleges and universities
23 within the State which are accredited by the Southern Association
24 of Colleges and Schools as provided by this Part.

25 (b) The Solid Waste Management Trust Fund shall consist of the following:

- 26 (1) Funds appropriated by the General Assembly.
- 27 (2) Contributions and grants from public or private sources.
- 28 (3) Ten percent (10%) of the proceeds of the scrap tire disposal tax
29 imposed under Article 5B of Chapter 105 of the General Statutes.
- 30 (4) ~~Five percent (5%)~~ Eight percent (8%) of the proceeds of the white
31 goods disposal tax imposed under Article 5C of Chapter 105 of the
32 General Statutes.

33 (c) The Department shall report annually on or before 1 September to the
34 Environmental Review Commission as to the condition of the Solid Waste
35 Management Trust Fund and as to the use of all funds allocated from the Solid Waste
36 Management Trust Fund."

37 Section 6. Section 11 of Chapter 471 of the 1993 Session Laws, as
38 amended by Section 15.1(b) of Chapter 769 of the 1993 Session Laws, reads as
39 rewritten:

40 "Sec. 11. Sections 1 through 5 of this act and this section become effective
41 January 1, 1994. ~~Section 3 of this act expires July 1, 1998. Section 6 of this act~~
42 ~~becomes effective July 1, 1998. Sections 7, 8, and 9 of this act become effective July~~
43 ~~1, 1999.~~

1 ~~The repeal of the tax imposed by Section 3 of this act does not affect the rights or~~
2 ~~liabilities of the State, a taxpayer, or another person that arose during the time the~~
3 ~~tax was in effect.~~ The first report submitted by the Department to the
4 Environmental Review Commission under G.S. 130A-309.85, as enacted by this act,
5 shall cover the period from January 1, 1994, to June 30, 1994."

6 Section 7. This act becomes effective January 1, 1998, and applies to the
7 tax year beginning January 1, 1998.

EXPLANATION OF SENATE BILL 124
Amend White Goods Tax

TO: Senate Finance Committee
FROM: Sabra Faires, Committee Counsel
DATE: April 2, 1997
SPONSOR: Senator Odom

Senate Bill 124 changes the tax that is imposed on "white goods" as follows, effective January 1, 1998:

1. It repeals the sunset on the tax. Under current law, the tax will expire July 1, 1998.
2. It reduces from \$10.00 to \$5.00 the tax on a new white good that contains chloroflourocarbons. Under current law, the tax on those that contain chloroflourocarbons is \$10.00 and the tax on those that do not is \$5.00.
3. It allows revenue from the white goods tax to be used to clean up unmanaged, illegal dump sites if the revenue is not needed for the disposal of discarded white goods. Section 2 allows counties to use surplus white goods tax revenue for this purpose and Section 3 allows the Department of Environment, Health, and Natural Resources to make grants to counties for this purpose from the White Goods Management Account.
4. It changes the allocation of the white goods tax revenue by increasing the percentage that goes to the Solid Waste Management Trust Fund (from 5% to 8%) and decreasing the amount that is distributed to counties (from 75% to 72%).

The white goods tax was imposed effective January 1, 1994. The purpose of the tax was to provide a source of revenue for the proper disposal of discarded white goods. A white good is a domestic or commercial large appliance, such as a refrigerator, a water heater, an air conditioner unit, or a dishwasher. Chlorofluorocarbon refrigerant is a type of gas that must be removed from a white good under federal law. Chlorofluorocarbon refrigerants were banned as of January 1, 1996, by the Environmental Protection Agency.

Under current law, the tax proceeds are distributed quarterly as follows:

- (1) 5% to the Solid Waste Management Trust Fund. The money in this Fund is used to fund activities of the Department of Environment, Health, and Natural Resources (DEHNR) to promote waste reduction and recycling, to fund research on the solid waste stream in North Carolina, to fund activities related to the development of secondary materials markets, to

fund demonstration projects, and to fund research by in-State colleges and universities.

- (2) 20% to the White Goods Management Account. The money in this Account is used to make grants to local governmental units to assist them in managing discarded white goods.
- (3) 75% to the 100 counties on a per capita basis to be used only for the management of discarded white goods.

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED:					
SWMTF- Solid Waste Management Trust Fund					
WGMA - White Goods Management Account					
County units of government that dispose of white goods					
EFFECTIVE DATE: January 1, 1998					

BILL SUMMARY:

The current white goods disposal tax, paid at the point of sale on new goods, is \$5.00 on those that do not contain refrigerants and \$10.00 on those that do. This bill reduces the tax on goods containing refrigerants to \$5.00. The sunset on the tax is repealed making the excise tax on white goods permanent.

The act changes the allocation of tax revenues. The SWMTF is to receive 8% of the revenue instead of 5% and the county distribution is reduced from 75% to 72%. The percentage of revenue going to the WGMA does not change. Under the act, if a county has surplus revenue after covering its cost of managing discarded white goods it may use the additional revenue to clean-up illegal dump sites.

ASSUMPTIONS AND METHODOLOGY:

The fiscal summary is found on page 3. The tax data used in the analysis was provided by the Department of Revenue Sales and Use Tax Division. The Association of Home Appliance Manufactures provided information on product sales in the State.

Thirty nine percent of the white goods sold in 1996 used refrigerants. The estimate assumes 39% of the revenues will decline by 50%. The 5.8% growth in revenue collections, for fiscal years 1996-97 through 2001-02, is the annual average for sales of white goods sold in the State in 1991 over 1996 as reported by the Association of Home Appliance Manufacturers.

GENERAL ASSEMBLY OF NORTH CAROLINA
SESSION 1997

S

1

SENATE BILL 390

Short Title: Huntersville Annexation.

(Local)

Sponsors: Senator Odom.

Referred to: State Government, Local Government, and Personnel.

March 13, 1997

1 A BILL TO BE ENTITLED
2 AN ACT TO ANNEX CERTAIN TERRITORIES TO THE TOWN OF
3 HUNTERSVILLE, MECKLENBURG COUNTY.

4 The General Assembly of North Carolina enacts:

5 Section 1. Effective as of midnight, June 30, 1997, the corporate limits of
6 the Town of Huntersville are extended to include the following area and territory
7 lying in Mecklenburg County, which area and territory shall be deemed annexed to
8 and part of the Town of Huntersville:

9 AREA 96-A-I.a

10 BEGINNING AT A POINT being on the existing municipal boundary line of the
11 Town of Huntersville at its intersection with the eastern right-of-way boundary line of
12 Interstate Highway Number 77 (I-77), said point being approximately 1,875 feet north
13 of the intersection of said highway right-of-way with the centerline of Sam Furr
14 Road, SR 2145; thence northwesterly approximately 1,338 feet to a point being the
15 intersection of Northcross Drive with the western right-of-way boundary line of I-77;
16 thence southwest along the centerline of Northcross Drive approximately 964 feet to a
17 point being the intersection of said centerline with the eastern extension of the
18 northern property boundary line of parcel 62-9, tax map 05-06; thence westerly along
19 the northern property boundary lines of said parcel and parcel 62-1 approximately
20 2,584 feet to a point being a corner of said parcel, said point also being the
21 southwestern property boundary corner of parcel 62-2, tax map 05-06; thence
22 southwesterly in a straight line from said point approximately 1,394 feet to a point
23 being the southeast property boundary corner of parcel 61-3, tax map 05-06; thence
24 continuing southwesterly along the southern property boundary line of said parcel

1 and parcels 61-14, 61-16, 61-8, 61-12 and 61-18 approximately 2,831 feet to a point
2 being the intersection of said property boundary lines with the centerline of NC
3 Highway 73; thence southwest along said centerline approximately 6,278 feet to a
4 point being the intersection of said centerline and the centerline of Oliver Hager
5 Road, SR 2142; thence southeast approximately 61 feet to a point being the northwest
6 property boundary corner of parcel 11-6, tax map 09-01; thence easterly along the
7 northern property boundary lines of parcels 11-6 and 11-16 approximately 651 feet to
8 a point being the northeast property boundary corner of parcel 11-16, tax map 09-01;
9 thence south along the eastern property boundary line of parcel 11-16 approximately
10 157 feet to a point being the intersection of said boundary line and the centerline of a
11 branch of McDowell Creek; thence southeast with the centerline of said branch
12 approximately 5,776 feet to a point being the intersection of the centerline of said
13 branch and the centerline of McDowell Creek, said point also being on the existing
14 municipal boundary line of the Town of Huntersville; thence northeast with said
15 municipal boundary line approximately 11,107 feet to the POINT OF BEGINNING.
16 tract 96-A-I.a encompasses 1026.35 Acres more or less.

17 AREA 96-A-I.b

18 BEGINNING AT A POINT being on the existing municipal boundary line of the
19 Town of Huntersville at its intersection with the centerline of McDowell Creek, said
20 point being located northeast approximately 2,720 feet from the centerline
21 intersection of Ervin Cook Road, SR 2137, and Gilead Road, SR 2136; thence
22 southwesterly with the centerline of McDowell Creek approximately 2,975 feet to a
23 point being the intersection of the centerline of McDowell Creek and the centerline
24 of Torrence Creek; thence easterly with the centerline of Torrence Creek
25 approximately 411 feet to a point being the intersection of the centerline of Torrence
26 Creek and the existing municipal boundary line of the Town of Huntersville; thence
27 southeasterly with said municipal boundary line approximately 13,543 feet to the
28 POINT OF BEGINNING.

29 Tract 96-A-I.b encompasses 224.76 Acres more or less.

30 AREA 96-A-I.c

31 BEGINNING AT A POINT being on the existing municipal boundary line of the
32 Town of Huntersville at its intersection with the northern right-of-way boundary line
33 of McIlwaine Road, SR 2130, said point being located east approximately 610 feet
34 from the centerline intersection of McIlwaine Road, SR 2130, and Crabapple Lane;
35 thence southerly at a right angle from the northern right-of-way boundary line of
36 McIlwaine Road, SR 2130, approximately 23 feet to a point on the centerline of
37 McIlwaine Road, SR 2130; thence westerly along the centerline of McIlwaine Road,
38 SR 2130, approximately 1,590 feet to a point being the centerline intersection of
39 McIlwaine Road, SR 2130, and McIntosh Drive; thence northerly with the centerline
40 of McIntosh Drive approximately 1,600 feet to a point being the intersection of the
41 centerline of McIntosh Drive and the southwestern extension of the northwestern
42 property boundary line of parcel 282-1, tax map 015-28; thence northeasterly along
43 the northwestern property boundary line of parcel 282-1 approximately 629 feet to a
44 point being a corner in the northern property boundary line of parcel 282-1; thence

1 northeasterly in a straight line from said point approximately 479 feet to a point being
2 a corner on the existing municipal boundary line of the Town of Huntersville; thence
3 southerly with said municipal boundary line approximately 2,772 feet to the POINT
4 OF BEGINNING.

5 Tract 96-A-I.c encompasses 63.27 Acres more or less.

6 AREA 96-A-I.d

7 BEGINNING AT A POINT being on the existing municipal boundary line of the
8 Town of Huntersville at its intersection with the centerline of Hambright Road, SR
9 2117, said point being located west approximately 1,434 feet from the centerline
10 intersection of Hambright Road, SR 2117, and U. S. Highway 21; thence westerly
11 along the centerline of Hambright Road, SR 2117, approximately 11,367 feet to a
12 point being the centerline intersection of Hambright Road, SR 2117, and McCoy
13 Road, SR 2138; thence northeasterly along the centerline of McCoy Road, SR 2138,
14 approximately 899 feet to a point being the intersection of McCoy Road, SR 2138,
15 and the southeastward extension of the northern right-of-way of McIlwaine Road, SR
16 2130; thence to the northwest said right-of-way extension approximately 21 feet to a
17 point being the intersection of the northern right-of-way for McIlwaine Road and the
18 western right-of-way for McCoy Road, SR 2138, said point being a corner on the
19 existing municipal boundary line of the Town of Huntersville; thence eastward with
20 said municipal boundary line approximately 12,949 feet to the POINT OF
21 BEGINNING.

22 Tract 96-A-I.d encompasses 551.06 Acres more or less.

23 Section 2. Effective as of midnight, June 30, 1998, the corporate limits of
24 the Town of Huntersville are extended to include the following area and territory
25 lying in Mecklenburg County, North Carolina, which area and territory shall be
26 deemed annexed to and part of the Town of Huntersville:

27 AREA 96-A-II

28 BEGINNING AT A POINT being on the existing municipal boundary line of the
29 Town of Huntersville, said point being the centerline intersection of NC Highway 73
30 and Oliver Hager Road, SR 2142; thence west along the centerline of NC Highway 73
31 approximately 10,304 feet to a point being the intersection of said centerline and the
32 southern extension of the western property boundary line of parcel 11-6, tax map 01-
33 01; thence northward with the western property boundary lines of parcels 11-6, 11-15,
34 11-16, 11-17, 11-18, 11-10, 11-9, and 11-19 of tax map 01-01 approximately 1,159 feet
35 to a point being the southwestern property boundary corner of parcel 11-19; thence
36 southwesterly with the southern property boundary lines of parcels 11-7 and 11-8 of
37 tax map 01-01 approximately 490 feet to a point being the southwestern property
38 boundary corner of parcel 11-8; thence northward with the western property
39 boundary line of parcel 11-8, crossing the Hagers Ferry Road right-of-way, and with
40 the western property boundary lines for parcels 13-41 and 13-2 of tax map 01-01
41 approximately 1,613 feet to a point being a property boundary corner for parcel 13-2,
42 said point also being a point being the intersection of said property boundary lines
43 with the shore line of the impounded body of water known as Lake Norman; thence
44 easterly along said shoreline approximately 38,932 feet to a point being the

1 intersection of said shoreline with a northeastern property boundary corner of parcel
2 24-18, tax map 01-02; thence southeasterly with the northern property boundary lines
3 of parcels 24-18 and 24-11, tax map 01-02, approximately 1,173 feet to a point being
4 the intersection of the southeastern extension of the northern property boundary line
5 of parcel 24-11 and the centerline of NC Highway 73, said point also being on the
6 existing municipal boundary line of the Town of Huntersville; thence westward with
7 said municipal boundary line approximately 92 feet to the POINT OF BEGINNING.
8 Tract 96-A-II encompasses 415.84 Acres more or less.

9 Section 3. Effective as of midnight, June 30, 1999, the corporate limits of
10 the Town of Huntersville are extended to include the following area and territory
11 lying in Mecklenburg County, North Carolina, which area and territory shall be
12 deemed annexed to and part of the Town of Huntersville:

13 AREA 96-A-III

14 BEGINNING AT A POINT being on the existing municipal boundary line of the
15 Town of Huntersville, said point being the centerline intersection of NC Highway 73
16 and Beatties Ford Road, SR 2128; thence southward with the centerline of Beatties
17 Ford Road, SR 2128, approximately 1,659 feet to a point being the centerline
18 intersection of Beatties Ford Road, SR 2128, and Gilead Road, SR 2136; thence
19 southeast with the centerline of Gilead Road, SR 2136, approximately 6,460 feet to a
20 point being the centerline intersection of Gilead Road, SR 2136, and Bud Henderson
21 Road, SR 2131; thence southwesterly with the centerline of Bud Henderson Road, SR
22 approximately 5,657 feet to a point being the intersection of the centerline Bud
23 Henderson Road, SR 2131, and the centerline of a branch of Torrence Creek; thence
24 southerly with the centerline of a branch of Torrence Creek approximately 3,343 feet
25 to a point being the intersection of the centerline of a branch of Torrence Creek and
26 the centerline of Torrence Creek; thence southwesterly with the centerline of
27 Torrence Creek approximately 10,040 feet to a point being the intersection of the
28 centerline of Torrence Creek and the centerline of Neck Road, SR 2074; thence
29 easterly along the centerline of said road approximately 8,677 feet to a point being
30 the intersection of said road centerline and the centerline of Beatty's Ford Road, SR
31 2128; thence southeasterly along said road centerline approximately 13,491 feet to a
32 point being the intersection of said road centerline and the centerline of Overhill
33 Road, SR 2122; thence east along said road centerline approximately 517 feet to a
34 point being the intersection of said road centerline and the centerline of Pembroke
35 Road, SR 2121; thence northeast along said road centerline approximately 336 feet to
36 a point being the intersection of said road centerline and the northwest extension of
37 the western property boundary line of parcel 264-44, map 15-26; thence southeasterly
38 along said property boundary line, said line also being a northern property boundary
39 line of parcel 264-43, tax map 15-26, approximately 230 feet to a point being a
40 property boundary corner of said parcel; thence southeasterly along the northern
41 property boundary lines of said parcel approximately 1,578 feet to a point being an
42 eastern property boundary corner at its intersection with the northern property
43 boundary lines of parcel 264-29, tax map 15-26; thence easterly along the northern
44 property boundary lines of said parcel approximately 1,236 feet to a point being the

1 intersection of said property boundary lines extended to the centerline of Mount
2 Holly - Huntersville Road, SR 2004; thence northeasterly along said road centerline
3 approximately 8,076 feet to a point being the intersection of said road centerline and
4 the centerline of Alexanderana Road, SR 2116; thence east along said road centerline
5 approximately 5,577 feet to a point being the intersection of said road centerline and
6 the western right-of-way boundary line of US Highway 21, said point being on the
7 existing municipal boundary line of the Town of Huntersville; thence northerly along
8 the existing municipal boundary line approximately 45,475 feet to the POINT OF
9 BEGINNING.

10 Tract 96-A-III encompasses 6582.88 Acres more or less.

11 Section 4. Effective as of midnight, June 30, 2000, the corporate limits of
12 the Town of Huntersville are extended to include the following area and territory
13 lying in Mecklenburg County, North Carolina, which area and territory shall be
14 deemed annexed to and part of the Town of Huntersville:

15 AREA 96-A-IV

16 BEGINNING AT A POINT being on the existing municipal boundary line of the
17 Town of Huntersville, said point being the southwestern boundary corner of parcel
18 11-6, tax map 01-01, said point also being located west approximately 1400 feet from
19 the centerline intersection of Hagers Ferry Road and NC Highway 73; thence with
20 the eastern property boundary line of parcel 11-6 approximately 20 feet to a point
21 being the southeastern property boundary corner of parcel 11-5, tax map 01-01;
22 thence westerly along the southern property boundary lines of parcels 11-5, 11-4, 11-
23 3, and 11-13 of tax map 01 approximately 438 feet to a point being the southeastern
24 property boundary corner of parcel 11-2, tax map 01-01; thence northerly, westerly,
25 and then southerly with the property boundary lines of parcel 11-2 approximately 600
26 feet to the southwestern property boundary corner of parcel 11-2; thence westerly
27 with the southern boundary line of parcels 11-13 and 11-1 of tax map 01-01
28 approximately 387 feet to the southwestern property boundary corner of parcel 11-1;
29 thence southwesterly with the southwestern extension of the western property
30 boundary line of parcel 11-1 approximately 160 feet to a point being a property
31 boundary corner in the northern property boundary line of parcel 151-2, tax map 13-
32 15; thence easterly with said property line approximately 900 feet to the northwestern
33 property boundary corner of parcel 141-8, tax map 13-14; thence southerly, easterly,
34 and then southerly with the eastern property boundary line of parcel 151-2
35 approximately 947 feet to a point being the southwestern property boundary corner
36 of parcel 141-7, tax map 13-14, said point also being on the property boundary line of
37 parcel 141-9, tax map 13-14; thence with the easterly, southeasterly, and then westerly
38 with the eastern and southern property boundary lines of parcel 141-9 approximately
39 4,309 feet to the southwestern boundary corner of parcel 141-9; thence northerly and
40 then southwesterly with the northern property boundary lines of parcel 151-8, tax
41 map 13-15 approximately 1,535 feet to the northwestern property boundary corner of
42 parcel 151-8; thence southerly with the western property boundary lines of parcels
43 151-8, 151-3, 151-10, and 151-6 of tax map 13-15 approximately 969 feet to the
44 southwestern property boundary corner of parcel 151-6; thence easterly with the

1 southern property boundary lines of parcels 151-6 and 151-5 of tax map 13-15
2 approximately 897 to a point being the intersection of the eastern extension of the
3 southern property boundary line of parcel 151-5 and the centerline of Cashion Road,
4 SR 2133; thence southwesterly with the centerline of Cashion Road, SR 2133,
5 approximately 780 feet to a point being the intersection of the eastern extension of
6 the northern property boundary line of parcel 151-1, tax map 13-15, and the
7 centerline of Cashion Road, SR 2133; thence westerly with the northern property
8 boundary line of parcel 151-1 approximately 1044 feet to a point being the
9 northwestern property boundary corner of parcel 151-1; thence southeasterly with the
10 southwestern property boundary line of parcel 151-1 approximately 529 feet to a
11 point being the intersection of the southeastern extension of the southwestern
12 property boundary line of parcel 151-1 and the centerline of Cashion Road, SR 2133;
13 thence to the southwest with the centerline of Cashion Road, SR 2133, approximately
14 298 feet to a point being the intersection of the centerline of Cashion Road, SR 2133,
15 and the eastern extension of the northern property boundary line of parcel 111-4, tax
16 map 13-11; thence westerly with the northern property boundary line of parcel 111-4
17 approximately 2,484 feet to a point being the northwestern property boundary corner
18 of parcel 111-4; thence southerly with the western property boundary line of parcel
19 111-4 approximately 5,504 feet to the southwestern property boundary corner of
20 parcel 111-4; thence westerly with the northern property boundary line of parcel 161-
21 2, tax map 13-16 approximately 2,060 feet to a point being the intersection of the
22 westward extension of said property boundary line with the centerline of the Catawba
23 River, said point being on the Mecklenburg County line; thence southerly along said
24 county line, said line also lying within the Catawba River approximately 7,247 feet to
25 a point being the confluence of the Catawba River and an unnamed tributary flowing
26 north-northwest; thence southeasterly along said unnamed tributary approximately
27 2,460 feet to a point being the intersection of said unnamed tributary and the western
28 property boundary line of parcel 41-6, tax map 13-04; thence southeasterly along the
29 southern property boundary lines of said parcel and parcels 41-3 and 41-2, tax map
30 13-04 approximately 1,917 feet, to a point being the intersection of said property
31 boundary lines extended and the centerline of Neck Road, SR 2074; thence
32 southeasterly with the centerline of Neck Road, SR 2074, approximately 4,470 feet to
33 a point being the intersection of the centerline of Torrence Creek and the centerline
34 of Neck Road, SR 2074, said point being on the existing municipal boundary line of
35 the Town of Huntersville; thence northerly along the existing municipal boundary
36 line approximately 33,395 feet to the POINT OF BEGINNING.

37 Save and except the following tract:

38 BEGINNING AT A POINT being northwestern property boundary corner for parcel
39 131-16, tax map 13-13, said point being south approximately 810 feet from the
40 centerline intersection of NC Highway 73 and Hubbard Road, SR 2134; thence
41 easterly with the northern property boundary line of parcels 131-16, 131-18, and 131-
42 17 of tax map 13-13 approximately 2035' to a point being the northeastern property
43 boundary corner of parcel 131-17; thence southwesterly with the southeastern
44 property boundary lines of parcels 131-17 and 131-18 approximately 1311 feet to a

1 point being the intersection of the southwestern extension of the said property
2 boundary lines and the southeastward extension of the western property boundary
3 line for parcel 131-18; thence northwesterly with the western property boundary lines
4 of parcels 131-18 and 131-16 approximately 1144 feet to a point being a corner on the
5 southern property line of parcel 131-16; thence westerly with the southern property
6 line of parcel 131-16 approximately 300 feet to a point being the southeastern
7 property boundary corner of parcel 131-16; thence northerly with the western
8 property boundary line of parcel 131-16 approximately 379 feet to the POINT OF
9 BEGINNING.

10 This save and except tract encompasses 25,73 Acres more or less.

11 Tract 96-A-IV encompasses 3846.35 Acres more or less (without the save and except
12 tract described).

13 Section 5. From and after the effective date of each such annexation, the
14 territory and its citizens and property shall be subject to all debts, laws, ordinances
15 and regulations in force in the Town of Huntersville, and shall be entitled to the
16 same privileges and benefits as other parts of the Town of Huntersville.

17 The area so annexed shall receive services provided by the Town of
18 Huntersville in substantially the same basis and in the same manner, and according to
19 the same policies as such services are provided by the Town of Huntersville within
20 the rest of the municipality prior to each such annexation. Each such annexation
21 shall have the same effect as if adopted pursuant to Part 3 of Article 4A of Chapter
22 160A of the General Statutes of North Carolina.

23 Section 6. The provisions of G.S. 160A-49.1 and G.S. 160A-49.2 shall
24 apply to each annexation made by this act.

25 Section 7. A map of the area annexed under each such annexation shall
26 be duly recorded in the same manner as set forth in G.S. 160A-51, but without the
27 necessity of filing any ordinance.

28 Section 8. Nothing herein shall prevent the owner or owners of property
29 within any of the annexation areas from voluntarily seeking annexation to the Town
30 of Huntersville pursuant to the provisions of G.S. 160A-31 or Part 4 of Article 4A of
31 Chapter 160A of the North Carolina General Statutes, and any such voluntary
32 annexation shall not in any manner affect the subsequent annexations of territory as
33 set forth in this act.

34 Section 9. This act is effective when it becomes law.

GENERAL ASSEMBLY OF NORTH CAROLINA

SESSION 1997

1

SENATE BILL 518

Short Title: Local Choice: 1-Year 1¢ Sales Tax/Vote.

(Public)

Sponsors: Senators Perdue; Ballantine, Rand, and Shaw of Cumberland.

Referred to: Finance.

March 26, 1997

1 A BILL TO BE ENTITLED
2 AN ACT TO AUTHORIZE EACH COUNTY OF THE STATE TO LEVY A
3 TEMPORARY ONE CENT LOCAL SALES TAX FOR A PERIOD OF ONE
4 YEAR, IF APPROVED BY THE VOTERS OF THE COUNTY.
5 The General Assembly of North Carolina enacts:
6 Section 1. Subchapter VIII of Chapter 105 of the General Statutes is
7 amended by adding a new Article to read:
8 "ARTICLE 43.
9 "Second One-Cent (1¢) Local Government
10 Sales and Use Tax.
11 "§ 105-505. Short title.
12 This Article shall be known as the Second One-Cent (1¢) Local Government Sales
13 and Use Tax Act.
14 "§ 105-506. Purpose.
15 This Article gives the counties of this State an opportunity to obtain a temporary
16 source of revenue with which to meet their growing financial needs. It provides all
17 counties of the State that are subject to this Article with authority to levy one percent
18 (1%) sales and use taxes for a period of up to one year.
19 "§ 105-507. Limitations.
20 This Article applies only to counties that levy the first one-cent (1¢) sales and use
21 tax under Article 39 of this Chapter or under Chapter 1096 of the 1967 Session Laws,
22 the first one-half cent (1/2¢) local sales and use tax under Article 40 of this Chapter,
23 and the second one-half cent (1/2¢) local sales and use tax under Article 42 of this
24 Chapter.

1 **"§ 105-508. County election on adoption of tax.**

2 (a) Resolution. -- The board of commissioners of a county may direct the county
3 board of elections to conduct an advisory referendum on the question of whether a
4 temporary local sales and use tax at the rate of one percent (1%) will be levied in
5 accordance with this Article. The election shall be held on a date jointly agreed
6 upon by the two boards and shall be held in accordance with the procedures of G.S.
7 163-287.

8 (b) Ballot Question. -- The form of the question to be presented on a ballot for a
9 special election concerning the levy of the taxes authorized by this Article shall be:

10 FOR AGAINST

11 temporary one percent (1%) local sales and use taxes, in addition to the current two
12 percent (2%) local sales and use taxes, for a period of one year.

13 **"§ 105-509. Levy and collection of taxes.**

14 If the majority of those voting in a referendum held pursuant to this Article vote
15 for the levy of the tax, the board of commissioners of the county may, by resolution,
16 levy one percent (1%) local sales and use taxes in addition to any other State and
17 local sales and use taxes levied pursuant to law. Except as provided in this Article,
18 the adoption, levy, collection, administration, and repeal of these additional taxes
19 shall be in accordance with Article 39 of this Chapter. In applying the provisions of
20 Article 39 of this Chapter to this Article, references to 'this Article' mean 'Article 43
21 of Chapter 105 of the General Statutes'.

22 **"§ 105-510. Distribution and use of taxes.**

23 The Secretary shall, on a quarterly basis, allocate the net proceeds of the tax levied
24 under this Article to the taxing counties on a per capita basis according to the most
25 recent annual population estimates certified to the Secretary by the State Budget
26 Officer. The amount allocated to each taxing county shall then be divided among the
27 county and its municipalities in accordance with the method by which the one
28 percent (1%) sales and use taxes levied in that county pursuant to Article 39 of this
29 Chapter or Chapter 1096 of the 1967 Session Laws are distributed. If any taxes
30 levied under this Article by a county have not been collected in that county for a full
31 quarter because of the levy or repeal of the taxes, the Secretary shall distribute a pro
32 rata share to that county for that quarter based on the number of months the taxes
33 were collected in that county during the quarter.

34 The proceeds of a tax levied under this Article may be used for any lawful public
35 purpose.

36 **"§ 105-511. Expiration.**

37 A tax levied under this Article expires one year after the effective date of its levy.
38 A county's authority to levy a tax under this Article expires one year after the
39 effective date of its levy of a tax under this Article. The expiration of a tax pursuant
40 to this Article does not affect the rights or liabilities of the county, a taxpayer, or
41 another person arising under the expired tax; nor does it affect the right to any
42 refund or credit of a tax that would otherwise have been available under the expired
43 tax before its expiration."

44 Section 2. This act is effective when it becomes law.

SENATE BILL 518
Proposed Senate Finance Committee Substitute
S518-CSLJX-4/3

Short Title: Local Choice: 1-Year 1¢ Sales Tax. (Public)

Sponsors:

Referred to: Finance.

March 26, 1997

1 A BILL TO BE ENTITLED
2 AN ACT TO AUTHORIZE EACH COUNTY OF THE STATE TO LEVY A TEMPORARY
3 ONE CENT LOCAL SALES TAX FOR THE 1998 CALENDAR YEAR.
4 The General Assembly of North Carolina enacts:
5 Section 1. Subchapter VIII of Chapter 105 of the
6 General Statutes is amended by adding a new Article to read:
7 "ARTICLE 43.
8 "Second One-Cent (1¢) Local Government
9 Sales and Use Tax.
10 "§ 105-505. Short title.
11 This Article is the Second One-Cent (1¢) Local Government Sales
12 and Use Tax Act.
13 "§ 105-506. Purpose.
14 This Article gives the counties of this State an opportunity to
15 obtain a temporary source of revenue with which to meet their
16 growing financial needs. It provides all counties of the State
17 that are subject to this Article with authority to levy one
18 percent (1%) sales and use taxes for the 1998 calendar year.
19 "§ 105-507. Limitations.
20 This Article applies only to counties that levy the first one-
21 cent (1¢) sales and use tax under Article 39 of this Chapter or
22 under Chapter 1096 of the 1967 Session Laws, the first one-half

1 cent (1/2¢) local sales and use tax under Article 40 of this Chapter, and the second one-half cent (1/2¢) local sales and use tax under Article 42 of this Chapter.

4 "§ 105-508. Levy of tax.

5 (a) After Vote. -- If the majority of those voting in a referendum held pursuant to this Article vote for the levy of the taxes, the board of commissioners of the county may, by resolution adopted by November 1, 1997, levy one percent (1%) local sales and use taxes in addition to any other State and local sales and use taxes levied pursuant to law.

11 (b) Without Vote. -- If the question of whether to levy taxes under this Article has not been defeated in a referendum held in the county, the board of commissioners of the county may, by resolution adopted by November 1, 1997, levy one percent (1%) local sales and use taxes in addition to any other State and local sales and use taxes levied pursuant to law. Before adopting a resolution under this subsection, the board of commissioners must give at least 10 days' public notice of its intent to adopt the resolution and must hold a public hearing on the issue of adopting the resolution.

21 (c) Effective Date. -- A tax imposed under this Article becomes effective January 1, 1998.

23 "§ 105-509. County election on adoption of tax.

24 (a) Resolution. -- The board of commissioners of a county may direct the county board of elections to conduct an advisory referendum on the question of whether to levy temporary local one percent (1%) sales and use taxes in the county for the 1998 calendar year. The election shall be held on a date jointly agreed upon by the two boards and shall be held in accordance with the procedures of G.S. 163-287.

31 (b) Ballot Question. -- The form of the question to be presented on a ballot for a special election concerning the levy of the taxes authorized by this Article shall be:

34 FOR AGAINST

35 temporary one percent (1%) local sales and use taxes for calendar year 1998 in addition to the current two percent (2%) local sales and use taxes.

38 "§ 105-510. Administration of taxes.

39 Except as provided in this Article, the adoption, levy, collection, administration, and repeal of the additional taxes authorized by this Article shall be in accordance with Article 39 of this Chapter. In applying the provisions of Article 39 of this Chapter to this Article, references to 'this Article' mean 'Article 43 of Chapter 105 of the General Statutes'.

1 "§ 105-511. Distribution and use of taxes.

2 (a) Distribution. -- The Secretary shall, on a quarterly basis,
3 allocate the net proceeds of the tax levied under this Article to
4 the taxing counties on a per capita basis according to the most
5 recent annual population estimates certified to the Secretary by
6 the State Planning Officer. The amount allocated to each taxing
7 county shall then be divided among the county and its
8 municipalities in accordance with the method by which the one
9 percent (1%) sales and use taxes levied in that county pursuant
10 to Article 39 of this Chapter or Chapter 1096 of the 1967 Session
11 Laws are distributed.

12 (b) Use. -- The proceeds of a tax levied under this Article may
13 be used for any lawful public purpose.

14 "§ 105-512. Expiration.

15 A tax levied under this Article expires December 31, 1998. The
16 expiration of a tax pursuant to this Article does not affect the
17 rights or liabilities of the county, a taxpayer, or another
18 person arising under the expired tax; nor does it affect the
19 right to any refund or credit of a tax that would otherwise have
20 been available under the expired tax before its expiration. If
21 the Secretary refunds a tax imposed under this Article after the
22 tax has expired and the proceeds of the tax have been distributed
23 to the taxing counties, the Secretary shall deduct the amount of
24 the refund from the next distribution to the affected county
25 under G.S. 105-501."

26 Section 2. This act is effective when it becomes law.

**NORTH CAROLINA GENERAL ASSEMBLY
LEGISLATIVE FISCAL ESTIMATE**

BILL NUMBER: SENATE COMMITTEE SUBSTITUTE FOR SB 518
SHORT TITLE: LOCAL CHOICE: 1-YEAR 1 CENT SALES TAX

FISCAL IMPACT

Yes (x) No () No Estimate Available ()

REVENUES (See "Assumptions and Methodology")

PRINCIPAL DEPARTMENT AFFECTED: The tax would be collected and distributed by the Department of Revenue. The Department's costs will be deducted from the distribution to local units in the same fashion as the existing local tax.

EFFECTIVE DATE: When the bill becomes law.

BILL SUMMARY: Authorizes all counties in the State to levy a temporary 1 cent sales tax effective for the 1998 calendar year. The tax would be in addition to the regular 2% tax and the additional tax that might be levied under Senate Bill 389 (Triad Baseball Park Districts). The tax can be adopted by a vote of the people of the county or by a resolution adopted by the board of commissioners (but not by resolution if the issue has failed in a referendum). The tax will be collected by the Department of Revenue and distributed quarterly to the counties that levy the tax on a per capita basis. Within the county, the proceeds shall be allocated on either an ad valorem levy or population basis, depending on the method used for the existing local sales tax.

ASSUMPTIONS AND METHODOLOGY: It is impossible to predict how many counties will adopt the tax and the population mix of the counties participating. This is important because the yield to a particular county depends not just on the population of that county but the total pot of money collected. For illustrative purposes, the attached table shows the distribution for each county area if all 100 counties adopted the tax. This analysis was based on updating the 1996 calendar year statewide yield from the current 1% sales tax to 1998 by applying a growth rate of 7% for 1997 and 5% for 1998 and then allocating the total based on estimated July, 1996 population for each county.

SENATE FINANCE COMMITTEE

TUESDAY, APRIL 8, 1997

12:00 NOON - ROOM 544 LOB

The Senate Finance Committee met. There were 22 members of the committee present. Senate David W. Hoyle, Co-Chairman, presided. He introduced the Pages, there are Adam Wiggins from Whittier, sponsored by Senator Carpenter and Denna Hanshaw from Raleigh, sponsored by Senator Reeves.

H. B. 105 - Jackson County Airport Authority

Representative Beall came to explain the bill. Senator Hartsell moved for a "favorable" report.

S. B. 39 - Modify Setoff Debt Collection

Senator Larry Shaw came to explain the bill. Senator Shaw moved for adoption of a committee substitute to this bill, motion passed. Sabre Faires, Staff, spoke on the bill. Senator Weinstein moved for a "favorable" report, motion passed. Mr. Ed Regan with the North Carolina Association of County Commissioners stated that they support the bill. Ms. Kim Smith with the North Carolina League of Municipalities stated that they also support the bill. Bill will be reported "unfavorable as to bill, but favorable as to committee substitute bill".

S. B. 266 - Production and Sale of Red Deer

Senator Jess Ledbetter came to explain the bill. Senator Kerr sent forth an amendment to the bill and moved for adoption of the amendment, motion passed. Senator Rand stated that he wanted to send forth an amendment and moved for adoption of the amendment, motion passed. He also made a motion that the amendments be rolled into the bill to have a committee substitute, motion passed and the bill to be reported out as "favorable as to committee substitute". Ms. Sabre Faires, Staff, stated that she would check into the latin definitions in the bill before the bill would be reported out. Senator Wellons stated that he wanted to add a word to the bill. Because of the discussion on the bill, Senator Hoyle ruled that the bill would be pulled and cleaned up and then brought back to the committee for consideration the next day for a vote.

SENATE FINANCE COMMITTEE

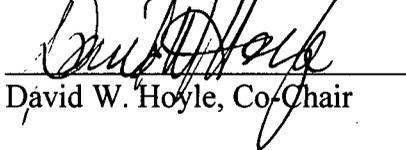

Tuesday, April 8, 1997

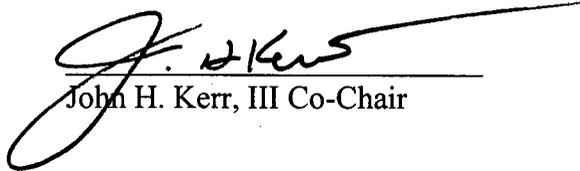

Page -2-

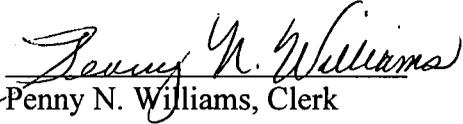

S. B.312 - Regulate Check Cashing

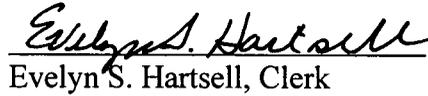

Senator Luther Jordan came to explain the bill. Mr. McNeil Chestnutt with the Attorney General's Office spoke on the bill. Mr. Jim Blain, who owns a couple of check cashing stores in North Carolina spoke in support of the bill. Senator Kerr made a motion for a "favorable" report, motion passed.

The Agenda had been completed, therefore, the meeting was adjourned.

David W. Hoyle, Co-Chair

2

HOUSE BILL 105
Committee Substitute Favorable 3/6/97

Short Title: Jackson County Airport Authority.

(Local)

Sponsors:

Referred to:

February 11, 1997

1 A BILL TO BE ENTITLED
2 AN ACT TO ENABLE THE COUNTY OF JACKSON TO ESTABLISH AN
3 AIRPORT AUTHORITY FOR THE MAINTENANCE OF AIRPORT
4 FACILITIES IN THE COUNTY.

5 The General Assembly of North Carolina enacts:

6 Section 1. There is hereby created the "Jackson County Airport
7 Authority" (for brevity hereinafter referred to as the "Airport Authority"), which
8 shall be a body both corporate and politic, having the powers and jurisdiction
9 hereinafter enumerated and such other and additional powers as shall be conferred
10 upon it by general law and future acts of the General Assembly.

11 Section 2. The Airport Authority shall consist of six members, who shall
12 be residents of Jackson County and who shall be appointed to staggered terms of six
13 years by the Jackson County Board of Commissioners. Members may succeed
14 themselves in office and serve more than one term. Two initial appointments to the
15 Airport Authority shall be for two years, two initial appointments to the Airport
16 Authority shall be for four years, and the remaining two initial appointments to the
17 Airport Authority shall be for six years. When vacancies occur in the membership of
18 the Airport Authority, for any reason, the remaining members of the Airport
19 Authority shall submit a list of two or more candidates to the Jackson County Board
20 of Commissioners who shall select one from that list to fill the unexpired term of the
21 vacant office. Each member shall take and subscribe before the Clerk of Superior
22 Court of Jackson County an oath of office and file the same with the Jackson County
23 Board of Commissioners. Membership on the Jackson County Board of

1 Commissioners and the Airport Authority shall not constitute double office holding
2 within the meaning of Article VI, Section 9 of the Constitution of North Carolina.

3 Section 3. The Airport Authority may adopt suitable bylaws for its
4 management. The members of the Airport Authority may receive compensation, per
5 diem, or otherwise as the Jackson County Board of Commissioners from time to time
6 determines. Members shall be allowed and paid their actual traveling expenses
7 incurred in transacting the business and at the instance of the Airport Authority.
8 Members of the Airport Authority shall not be personally liable for their acts as
9 members of the Airport Authority, except for acts resulting from misfeasance or
10 malfeasance.

11 Section 4. (a) The Airport Authority shall constitute a body, both
12 corporate and politic, and shall have the following powers and authority:

- 13 (1) To purchase, acquire, establish, construct, own, control, lease,
14 equip, improve, maintain, operate, and regulate airports and
15 landing fields for the use of airplanes and other aircraft within the
16 limits of the county and for this purpose to purchase, improve,
17 own, hold, lease, or operate real or personal property. The
18 Airport Authority may exercise these powers alone or in
19 conjunction with the County of Jackson.
- 20 (2) To sue and be sued in the name of the Airport Authority, to make
21 contracts and hold any personal property necessary for the exercise
22 of the powers of the Airport Authority, and acquire by purchase,
23 lease, or otherwise any existing lease, leasehold right, or other
24 interest in any existing airport located in the county.
- 25 (3) To charge and collect reasonable and adequate fees and rents for
26 the use of airport property or for services rendered in the
27 operation of the airport.
- 28 (4) To make all reasonable rules and regulations it deems necessary
29 for the proper maintenance, use, operation, and control of the
30 airport, including public safety, and provide penalties for the
31 violation of these rules and regulations; provided, the rules and
32 regulations and schedules of fees not be in conflict with the laws of
33 North Carolina, and the regulations of the Federal Aviation
34 Administration. The Airport Authority may administer and
35 enforce any airport zoning regulations adopted by the County of
36 Jackson.
- 37 (5) To issue bonds pursuant to Article 5 of Chapter 159 of the General
38 Statutes.
- 39 (6) To sell, lease, or otherwise dispose of any property, real or
40 personal, belonging to the Airport Authority, according to the
41 procedures described in Article 12 of Chapter 160A of the General
42 Statutes, but no sale of real property shall be made without the
43 approval of the Jackson County Board of Commissioners.

- 1 (7) To purchase any insurance that the Federal Aviation
2 Administration or the Airport Authority shall deem necessary.
3 The Airport Authority shall be responsible for any and all
4 insurance claims or liabilities.
- 5 (8) To deposit or invest and reinvest any of its funds as provided by
6 the Local Government Finance Act, as it may be amended from
7 time to time, for the deposit or investment of unit funds.
- 8 (9) To purchase any of its outstanding bonds or notes.
- 9 (10) To operate, own, lease, control, regulate, or grant to others, for a
10 period not to exceed 20 years, the right to operate on any airport
11 premises restaurants, snack bars, vending machines, food and
12 beverage dispensing outlets, rental car services, catering services,
13 novelty shops, insurance sales, advertising media, merchandising
14 outlets, motels, hotels, barber shops, automobile parking and
15 storage facilities, automobile service establishments, and all other
16 types of facilities as may be directly or indirectly related to the
17 maintenance and furnishing to the general public of a complete air
18 terminal installation.
- 19 (11) To contract with persons, firms, or corporations for terms not to
20 exceed 20 years, for the operation of airline-scheduled passenger
21 and freight flights, nonscheduled flights, and any other airplane
22 activities not inconsistent with the grant agreements under which
23 the airport property is held.
- 24 (12) To erect and construct buildings, hangars, shops, and other
25 improvements and facilities, not inconsistent with or in violation of
26 the agreements applicable to and the grants under which the real
27 property of the airport is held; to lease these improvements and
28 facilities for a term or terms not to exceed 20 years; to borrow
29 money for use in making and paying for these improvements and
30 facilities, secured by and on the credit only of the lease agreements
31 in respect to these improvements and facilities, and to pledge and
32 assign the leases and lease agreements as security for the
33 authorized loans.
- 34 (13) Subject to the limitations set out in this act, to have all the same
35 power and authority granted to cities and counties pursuant to
36 Chapter 63 of the General Statutes, Aeronautics.
- 37 (14) To have a corporate seal, which may be altered at will.
- 38 (b) The Airport Authority shall possess the same exemptions in respect
39 to payment of taxes and license fees and be eligible for sales and use tax refunds to
40 the same extent as provided for municipal corporations by the laws of the State of
41 North Carolina.

42 Section 5. The Airport Authority may acquire from the county, by
43 agreement with the county, and the county may grant and convey, either by gift or
44 for such consideration as the county may deem wise, any real or personal property

1 which it now owns or may hereafter acquire, including nontax monies, and which
2 may be necessary for the construction, operation, and maintenance of any airport
3 located in the county.

4 Section 6. Any lands acquired, owned, controlled, or occupied by the
5 Airport Authority shall be, and are declared to be, acquired, owned, controlled, and
6 occupied for a public purpose.

7 Section 7. Private property needed by the Airport Authority for any
8 airport, landing field, or as facilities of an airport or landing field, may be acquired
9 by gift or devise, or may be acquired by private purchase or by the exercise of
10 eminent domain pursuant to Chapter 40A of the General Statutes, as a local public
11 condemnor, including the provisions of G.S. 40A-42. If property acquired by
12 condemnation has a burial ground or graveyard, then it shall be lawful for the
13 Airport Authority, after 30 days notice to the surviving spouse or next of kin of the
14 deceased buried there, or the person in control of the graves, if they are known, to
15 remove the interred body and reinter the body in another cemetery in Jackson
16 County. If no surviving spouse or next of kin or person in control can be found, then
17 the Airport Authority may advertise for four consecutive weeks in a newspaper
18 published in Jackson County of the intended removal of the graves. The removal
19 shall then be conducted under the supervision of the Clerk of the Superior Court of
20 Jackson County or his or her representative. The expense of the removal shall be
21 borne by the Airport Authority.

22 Section 8. The Airport Authority shall make an annual report to the
23 Jackson County Board of Commissioners setting forth in detail the operations and
24 transactions conducted by it pursuant to this act. The Airport Authority shall not
25 have the power to pledge the credit of Jackson County, or any subdivision thereof, or
26 to impose any obligation on Jackson County, or any of their subdivisions, except
27 when that power is expressly granted by statute.

28 Section 9. Subject to the limitations as set out in this act, all rights and
29 powers given and granted to counties or municipalities by general law, which may
30 now be in effect, or enacted in the future, relating to the development, regulation,
31 and control of municipal airports and the regulation of aircraft are now concurrently
32 vested in the Airport Authority. The Jackson County Board of Commissioners may
33 delegate their powers under these acts to the Airport Authority, and the Airport
34 Authority shall have concurrent rights with Jackson County to control, regulate, and
35 provide for the development of aviation in Jackson County.

36 Section 10. The Airport Authority may contract with and accept grants
37 from the Federal Aviation Administration, the State of North Carolina, or any of the
38 agencies or representatives of either of said governmental bodies relating to the
39 purchase of land and air easements and to the grading, constructing, equipping,
40 improving, maintaining, or operating of an airport or its facilities or both.

41 Section 11. The Airport Authority may employ or contract with any
42 agents, engineers, attorneys, and other persons whose services may be deemed by the
43 Airport Authority to be necessary and useful in carrying out the provisions of
44 Sections 1 through 10 of this act.

1 Section 12. The Jackson County Board of Commissioners may
2 appropriate funds derived from any source including ad valorem taxes to carry out
3 the provisions of this act in any proportion or upon any basis as may be determined
4 by the Jackson County Board of Commissioners. The Jackson County Board of
5 Commissioners may provide county services to the Airport Authority upon any basis
6 as may be determined by the Jackson County Board of Commissioners.

7 Section 13. The Airport Authority may expend the funds that are
8 appropriated by the county for joint airport purposes and may pledge the credit of
9 the Airport Authority to the extent of the appropriated funds.

10 Section 14. The Airport Authority shall elect from among its members a
11 chair and other officers at its initial meeting and then biennially thereafter. Officers
12 shall be eligible to succeed themselves in office and to serve consecutive terms at the
13 will of the members of the Airport Authority. A majority of the Airport Authority
14 shall control its decisions. Each member of the Airport Authority, including the
15 chair, shall have one vote. The Airport Authority shall meet at the places and times
16 designated by the chair.

17 Section 15. If an airport established pursuant to this act ceases to be
18 operated by the Airport Authority, or if any property acquired pursuant to this act
19 for airport purposes is abandoned, then the title to that real or personal property, or
20 rights under any existing lease, shall revert to and vest in the County of Jackson and
21 on the sale of that property, the proceeds shall vest totally in the County of Jackson.

22 Section 16. The powers granted to the Airport Authority shall not be
23 effective until the members of the Airport Authority have been appointed by the
24 Jackson County Board of Commissioners, and nothing in this act shall require the
25 Board of Commissioners to make the initial appointments. It is the intent of this act
26 to enable but not to require the formation of the Jackson County Airport Authority.

27 Section 17. If any one or more sections, clauses, sentences, or parts of
28 this act shall be adjudged invalid, such judgment shall not affect, impair, or invalidate
29 the remaining provisions thereof, but shall be confined in its operation to the specific
30 provisions held invalid, and the inapplicability or invalidity of any section, clause,
31 sentence, or part of this act in one or more instances or circumstances shall not be
32 taken to affect or prejudice in any way its applicability or validity in any other
33 instance.

34 Section 18. This act is effective when it becomes law.

GENERAL ASSEMBLY OF NORTH CAROLINA

SESSION 1997

S

1

SENATE BILL 39

Short Title: Modify Setoff Debt Collection.

(Public)

Sponsors: Senators Shaw of Cumberland, Cochrane, Cooper, Kerr, Soles; and
Weinstein.

Referred to: Judiciary.

February 3, 1997

1 A BILL TO BE ENTITLED
2 AN ACT TO REVISE THE SETOFF DEBT COLLECTION ACT.

3 The General Assembly of North Carolina enacts:

4 Section 1. Chapter 105A of the General Statutes reads as rewritten:

5 "Chapter 105A.

6 "Setoff Debt Collection Act.

7 "~~ARTICLE 1.~~

8 "~~In General.~~

9 "§ 105A-1. Purposes.

10 The purpose of this ~~Article~~ Chapter is to establish as policy that all claimant
11 agencies and the Department of Revenue shall cooperate in identifying debtors who
12 owe money to the State through its various ~~claimant~~ agencies or to a local
13 government and who qualify for refunds from the Department of Revenue. It is also
14 the intent of this ~~Article~~ Chapter that procedures be established for setting off against
15 any ~~such~~ refund the sum of any debt owed to the ~~State.~~ State or to a local
16 government. Furthermore, it is the legislative intent that this ~~Article~~ Chapter be
17 liberally construed so as to effectuate these purposes as far as legally and practically
18 possible.

19 "§ 105A-2. Definitions.

20 The following definitions apply in this Chapter:

21 (1) Claimant agency. -- A State agency or a local agency acting
22 through a clearinghouse or organization pursuant to G.S. 105A-
23 3(b1).

- 1 (2) Debt. -- A liquidated sum due and owing a claimant agency that
2 has accrued through contract, subrogation, tort, operation of law,
3 or any other legal theory regardless of whether there is an
4 outstanding judgment for the sum. The term includes sums
5 collectible pursuant to Title IV, Part D of the Social Security Act.
6 (3) Debtor. -- An individual owing money to or having a delinquent
7 account with any claimant agency which obligation has not been
8 adjudicated satisfied by court order, set aside by court order, or
9 discharged in bankruptcy.
10 (4) Department. -- The Department of Revenue.
11 (5) Reserved.
12 (6) Local agency. -- A county or municipality to the extent it is not a
13 State agency as defined in this section.
14 (7) Net proceeds collected. -- Gross proceeds collected through setoff
15 against a debtor's refund minus any collection assistance fee
16 charged by the Department.
17 (8) Refund. -- An individual's North Carolina income tax refund.
18 (9) State agency. -- Any of the following:
19 a. The North Carolina Department of Human Resources when
20 in the performance of its duties under the Medical
21 Assistance Program enabled by Chapter 108A, Article 2,
22 Part 6, and any county operating the same Program at the
23 local level, when and only to the extent such a county is in
24 the performance of Medical Assistance Program collection
25 functions.
26 b. The North Carolina Department of Human Resources when
27 in the performance of its duties under the Child Support
28 Enforcement Program as enabled by Chapter 110, Article 9
29 and Title IV, Part D of the Social Security Act to obtain
30 indemnification for past paid public assistance or to collect
31 child support arrearages owed to an individual receiving
32 program services and any county operating the program at
33 the local level, when and only to the extent that the county
34 is engaged in the performance of those same duties.
35 c. The North Carolina Department of Human Resources when
36 in the performance of its collection duties for intentional
37 program violations and violations due to inadvertent
38 household error under the Food Stamp Program enabled by
39 Chapter 108A, Article 2, Part 5, and any county operating
40 the same Program at the local level, when and only to the
41 extent such a county is in the performance of Food Stamp
42 Program collection functions.
43 d. The North Carolina Department of Human Resources when,
44 in the performance of its duties under the Aid to Families

1 with Dependent Children Program or the Aid to Families
 2 with Dependent Children -- Emergency Assistance Program
 3 provided in Part 2 of Article 2 of Chapter 108A or the
 4 Work First Cash Assistance Program established pursuant to
 5 the federal waivers received by the Department on February
 6 5, 1996, or under the State-County Special Assistance for
 7 Adults Program provided in Part 3 of Article 2 of Chapter
 8 108A, it seeks to collect public assistance payments obtained
 9 through an intentional false statement, intentional
 10 misrepresentation, intentional failure to disclose a material
 11 fact, or inadvertent household error.

12 e. The Office of the North Carolina Attorney General on
 13 behalf of any State agency when the debt has been reduced
 14 to a judgment.

15 f. Any other unit of the executive, legislative, or judicial
 16 branch of State government, such as a department, a
 17 commission, a board, a council, or The University of North
 18 Carolina.

19 ~~As used in this Article:~~

20 ~~(1) "Claimant agency" means and includes:~~

21 a. ~~The State Education Assistance Authority as enabled by~~
 22 ~~Article 23 of Chapter 116 of the General Statutes;~~

23 b. ~~The North Carolina Department of Human Resources when~~
 24 ~~in the exercise of its authority to collect health profession~~
 25 ~~student loans made pursuant to G.S. 131-121;~~

26 e. ~~The North Carolina Department of Human Resources when~~
 27 ~~in the performance of its duties under the Medical~~
 28 ~~Assistance Program enabled by Chapter 108A, Article 2,~~
 29 ~~Part 6, and any county operating the same Program at the~~
 30 ~~local level, when and only to the extent such a county is in~~
 31 ~~the performance of Medical Assistance Program collection~~
 32 ~~functions;~~

33 d. ~~The North Carolina Department of Human Resources when~~
 34 ~~in the performance of its duties, under the Child Support~~
 35 ~~Enforcement Program as enabled by Chapter 110, Article 9~~
 36 ~~and Title IV, Part D of the Social Security Act to obtain~~
 37 ~~indemnification for past paid public assistance or to collect~~
 38 ~~child support arrearages owed to an individual receiving~~
 39 ~~program services and any county operating the program at~~
 40 ~~the local level, when and only to the extent that the county~~
 41 ~~is engaged in the performance of those same duties;~~

42 e. ~~The University of North Carolina, including its constituent~~
 43 ~~institutions as specified by G.S. 116-2(4);~~

- 1 f. ~~The University of North Carolina Hospitals at Chapel Hill~~
2 ~~in the conduct of its financial affairs and operations~~
3 ~~pursuant to G.S. 116-37;~~
4 g. ~~The Board of Governors of the University of North Carolina~~
5 ~~and the State Board of Education through the College~~
6 ~~Scholarship Loan Committee when in the performance of its~~
7 ~~duties of administering the Scholarship Loan Fund for~~
8 ~~Prospective College Teachers enabled by Chapter 116;~~
9 ~~Article 5;~~
10 h. ~~The Office of the North Carolina Attorney General on~~
11 ~~behalf of any State agency when the claim has been reduced~~
12 ~~to a judgment;~~
13 i. ~~The State Board of Community Colleges through~~
14 ~~community colleges as enabled by Chapter 115D in the~~
15 ~~conduct of their financial affairs and operations;~~
16 j. ~~State facilities as listed in G.S. 122C-181(a), School for the~~
17 ~~Deaf at Morganton, North Carolina Sanatorium at McCain,~~
18 ~~Western Carolina Sanatorium at Black Mountain, Eastern~~
19 ~~North Carolina Sanatorium at Wilson, and Gravely~~
20 ~~Sanatorium at Chapel Hill under Chapter 143, Article 7;~~
21 ~~Governor Morehead School under Chapter 115, Article 40;~~
22 ~~Central North Carolina School for the Deaf under Chapter~~
23 ~~115, Article 41; Wright School for Treatment and Education~~
24 ~~of Emotionally Disturbed Children under Chapter 122C;~~
25 ~~and these same institutions by any other names by which~~
26 ~~they may be known in the future;~~
27 k. ~~The North Carolina Department of Revenue;~~
28 l. ~~The Administrative Office of the Courts;~~
29 m. ~~The Division of Forest Resources of the Department of~~
30 ~~Environment, Health, and Natural Resources;~~
31 n. ~~The Administrator of the Teachers' and State Employees'~~
32 ~~Comprehensive Major Medical Plan, established in Article 3~~
33 ~~of General Statutes Chapter 135;~~
34 o. ~~The State Board of Education through the Superintendent~~
35 ~~of Public Instruction when in the performance of his duties~~
36 ~~of administering the Scholarship Loan Fund for Prospective~~
37 ~~Teachers enabled by Chapter 115C, Article 32A and the~~
38 ~~scholarship loan and grant programs enabled by Chapter~~
39 ~~115C, Article 24C, Part 1;~~
40 p. ~~The Board of Trustees of the Teachers' and State~~
41 ~~Employees' Retirement System and the Board of Trustees of~~
42 ~~the Local Governmental Employees' Retirement System in~~
43 ~~the performance of their duties pursuant to Chapters 120,~~
44 ~~128, 135 and 143 of the General Statutes;~~

- 1 q. ~~The North Carolina Teaching Fellows Commission in the~~
2 ~~performance of its duties pursuant to Chapter 115C, Article~~
3 ~~24C, Part 2;~~
4 r. ~~The North Carolina Department of Human Resources when~~
5 ~~in the performance of its collection duties for intentional~~
6 ~~program violations and violations due to inadvertent~~
7 ~~household error under the Food Stamp Program enabled by~~
8 ~~Chapter 108A, Article 2, Part 5, and any county operating~~
9 ~~the same Program at the local level, when and only to the~~
10 ~~extent such a county is in the performance of Food Stamp~~
11 ~~Program collection functions.~~
12 ~~The North Carolina Department of Human Resources when,~~
13 ~~in the performance of its duties under the Aid to Families~~
14 ~~with Dependent Children Program or the Aid to Families~~
15 ~~with Dependent Children Emergency Assistance Program~~
16 ~~provided in Part 2 of Article 2 of Chapter 108A or the~~
17 ~~Work First Cash Assistance Program established pursuant to~~
18 ~~the federal waivers received by the Department on February~~
19 ~~5, 1996, or under the State County Special Assistance for~~
20 ~~Adults Program provided in Part 3 of Article 2 of Chapter~~
21 ~~108A, it seeks to collect public assistance payments obtained~~
22 ~~through an intentional false statement, intentional~~
23 ~~misrepresentation, intentional failure to disclose a material~~
24 ~~fact, or inadvertent household error;~~
25 s. ~~The Employment Security Commission of North Carolina.~~
26 t. ~~Any State agency in the collection of salary overpayments~~
27 ~~from former employees.~~
28 u. ~~The State Board of Education through the Superintendent~~
29 ~~of Public Instruction when in the performance of his duties~~
30 ~~of administering the program under which the State~~
31 ~~encourages participation in the National Board for~~
32 ~~Professional Teaching Standards (NBPTS) Program, enabled~~
33 ~~by Section 19.28 of Chapter 769 of the 1993 Session Laws.~~
34 (2) ~~"Debtor" means any individual owing money to or having a~~
35 ~~delinquent account with any claimant agency which obligation has~~
36 ~~not been adjudicated satisfied by court order, set aside by court~~
37 ~~order, or discharged in bankruptcy.~~
38 (3) ~~"Debt" means any liquidated sum due and owing any claimant~~
39 ~~agency which has accrued through contract, subrogation, tort,~~
40 ~~operation of law, or any other legal theory regardless of whether~~
41 ~~there is an outstanding judgment for that sum.~~
42 (4) ~~"Department" means the North Carolina Department of Revenue.~~
43 (5) ~~"Refund" means any individual's North Carolina income tax~~
44 ~~refund.~~

1 (6) ~~"Net proceeds collected" means gross proceeds collected through~~
2 ~~final setoff against a debtor's refund minus any collection~~
3 ~~assistance fee charged by the Department.~~

4 **"§ 105A-3. Remedy additional; mandatory State usage; optional local usage; obtaining**
5 **identifying information; information; registration.**

6 (a) Remedy Additional. -- The collection remedy under this ~~Article~~ Chapter is in
7 addition to and not in substitution for any other remedy available by law.

8 (b) Mandatory State Usage. -- All ~~claimant~~ State agencies shall submit, for
9 collection under the procedure established by this ~~Article, Chapter,~~ all debts ~~which~~
10 they are owed, except debts that they are advised by the Attorney General not to
11 submit because the validity of the debt is legitimately in dispute, because an
12 alternative means of collection is pending and believed to be adequate, or because
13 such a collection attempt would result in a loss of federal funds. Except in the case
14 of a State agency described in G.S. 105A-2(9)a. through d., the State Controller may
15 waive this requirement in situations when an agency's submission of the debts would
16 not be practical or would not be effective.

17 (b1) Optional Local Usage. -- After complying with the notice and hearing
18 requirements of G.S. 105A-5, a local agency may submit for collection under the
19 procedure established in this Chapter all debts it is owed, other than debts the
20 validity of which is in dispute. Local agencies shall submit debts for collection
21 pursuant to this Chapter only through one of the following:

22 (1) A clearinghouse established pursuant to an interlocal agreement
23 adopted under Article 20 of Chapter 160A of the General Statutes,
24 pursuant to which the clearinghouse will submit debts on behalf of
25 any requesting local agency.

26 (2) The North Carolina League of Municipalities.

27 (3) The North Carolina Association of County Commissioners.

28 (c) Identifying Information. -- All claimant agencies shall whenever possible
29 obtain the full name, social security number, address, and any other identifying
30 information required by ~~rules promulgated by the Department pursuant to G.S.~~
31 ~~105A-16~~ from any person for whom the agencies provide any service or transact any
32 business and who the claimant agencies can foresee may become a debtor under this
33 ~~Article, Chapter.~~

34 (d) Registration; Reports. -- A ~~claimant~~ State agency must register with the
35 Department and with the State Controller. Every State agency must report annually
36 to the ~~Department~~ State Controller the amount of debts owed to the agency for
37 which the agency did not submit a claim for setoff and the reason for not submitting
38 the claim.

39 A clearinghouse or organization that submits debts on behalf of a local agency
40 must register by filing written notice with the Department of its intention to effect
41 collection through setoff. If a clearinghouse registers to submit debts pursuant to this
42 subsection, no other clearinghouse may register to submit debts pursuant to this
43 subsection.

44 **"§ 105A-4. Minimum sum collectible.**

1 ~~A claimant agency shall not be allowed to effect final setoff and collect debts~~
2 ~~through use of the remedy established under this Article~~ The Department shall not
3 collect a debt pursuant to this Chapter unless both the debt and the refund, if any,
4 are at least fifty dollars (\$50.00).

5 **"§ 105A-5. Local agency notice, hearing, and determination.**

6 (a) Prerequisite. -- A local agency may not submit a debt to the Department
7 pursuant to G.S. 105A-6 until it has given the notice required by this section and the
8 claim has been finally determined as provided in this section.

9 (b) Notice. -- A local agency shall send written notice to the debtor that the agency
10 intends to submit the debt for collection by setoff. The notice shall clearly set forth
11 the basis for the agency's claim to the debt, the intention to apply the debtor's tax
12 refund against the debt, the debtor's opportunity to give written notice of intent to
13 contest the validity of the claim within 30 days after the date the notice was mailed,
14 the mailing address to which the application for a hearing must be sent, and the fact
15 that failure to apply for a hearing in writing within the 30-day period is a waiver of
16 the opportunity to contest the claim, causing potential setoff by default. The written
17 application by the debtor for a hearing becomes effective upon mailing the
18 application postage prepaid and properly addressed.

19 (c) Hearing. -- A hearing on a contested claim of a local agency shall be held first
20 before the governing body of the local agency or the governing body's designee. No
21 issues may be considered at the hearing that have been previously litigated. If the
22 debtor disagrees with the determination of the governing body or its designee, the
23 debtor may file a petition for a contested case under Article 3 of Chapter 150B of the
24 General Statutes. The petition must be filed within 30 days after the debtor receives
25 a copy of the determination of the governing body or its designee. Notwithstanding
26 the provisions of G.S. 150B-2, a local agency is an agency for purposes of contested
27 cases and appeals under this Chapter.

28 (d) Determination. -- It shall be determined at the hearing whether the claimed
29 sum asserted as due and owing is correct, and if not, an adjustment to the claim shall
30 be made. The debtor may appeal the determination as provided in G.S. 105A-9.

31 ~~Collection of sums due claimant agencies through setoff.~~

32 ~~Subject to the limitations contained in this Article, the Department of Revenue~~
33 ~~shall upon request render assistance in the collection of any delinquent account or~~
34 ~~debt owing to any claimant agency. This assistance shall be provided by setting off~~
35 ~~any refunds due the debtor from the Department by the sum certified by claimant~~
36 ~~agency as due and owing.~~

37 **"§ 105A-6. Procedure for setoff.**

38 (a) Notice to Department. -- A claimant agency seeking to attempt collection of a
39 debt through setoff shall notify the Department in writing and supply (i) information
40 necessary to identify the debtor whose refund is sought to be set off and (ii) off. The
41 claimant agency may include with the notification the date, if any, that the debt is
42 expected to expire. Notification to the Department and the furnishing of identifying
43 information must occur on or before a date specified by the Department in the first
44 year preceding the calendar year during which the refund would be paid. The notice

1 ~~is effective to initiate setoff against refunds that would be made in calendar years~~
2 ~~following the year in which the notice was first made until the date specified in the~~
3 ~~notice that the debt is expected to expire. The agency shall notify the Department in~~
4 ~~writing when a debt has been paid or is no longer owed the agency.~~

5 (b) Setoff by Department. -- The Department, upon receipt of notification, shall
6 determine each year whether the debtor to the claimant agency is entitled to a refund
7 of at least fifty dollars (\$50.00) from the Department. Upon determination by the
8 Department that a debtor specified by a claimant agency qualifies for such a refund,
9 the Department shall ~~notify in writing the claimant agency that a refund is pending,~~
10 ~~specify its sum, and indicate the debtor's address as listed on the tax return.~~

11 ~~(e) Unless stayed by court order, the Department shall, upon certification as~~
12 ~~provided in this Article, set off the certified debt against the refund to which the~~
13 ~~debtor would otherwise be entitled. entitled and shall refund any remaining balance~~
14 ~~to the debtor as if setoff had not occurred. The Department shall mail the debtor~~
15 ~~written notice that setoff has occurred. Upon effecting setoffs, the Department shall~~
16 ~~periodically credit claimant agencies with the net proceeds collected on their behalf.~~

17 (c) Refund if Setoff Exceeds Debt. -- If the net proceeds credited to a claimant
18 agency exceed the amount of the debtor's debt, the agency shall refund the balance
19 to the debtor. The refund shall bear interest as provided in G.S. 105A-8(b).

20 (d) State Agency Notice to Debtor. -- A State agency shall credit to a nonreverting
21 trust account all refund setoffs credited to it. Within 10 days after receipt of a refund
22 setoff from the Department, the State agency shall send written notification to the
23 debtor that the refund has been received. The notice shall clearly set forth the basis
24 for the claim to the refund, the intention to apply the refund against the debt to the
25 claimant agency, the debtor's opportunity to give written notice of intent to contest
26 the validity of the claim within 30 days after the date the notice was mailed, the
27 mailing address to which the application for a hearing must be sent, and the fact that
28 failure to apply for a hearing in writing within the 30-day period is a waiver of the
29 opportunity to contest the claim, causing final setoff by default. The written
30 application by the debtor for a hearing becomes effective upon mailing the
31 application postage prepaid and properly addressed.

32 If a State agency fails to provide timely notice in accordance with the requirements
33 of this subsection, the State agency shall refund to the debtor the entire amount set
34 off plus the collection assistance fee retained by the Department. That portion of the
35 refund reflecting the collection assistance fee must be paid from the State agency's
36 funds. The refund shall bear interest as provided in G.S. 105A-8(b).

37 ~~"§ 105A-7. Notification of intention to set off and right to hearing.~~

38 ~~(a) The claimant agency, upon receipt of notification from the Department that a~~
39 ~~debtor is entitled to a refund, shall within 10 days send a written notification to the~~
40 ~~debtor and a copy of same to the Department of its assertion of rights to the refund~~
41 ~~or any part thereof. Such notification shall inform the debtor of the claimant agency's~~
42 ~~intention to direct the Department to apply the refund or any portion thereof against~~
43 ~~the debt certified as due and owing. For the Department to be obligated to continue~~
44 ~~holding refunds until receipt of certification of the debt, if any, pursuant to G.S.~~

1 ~~105A-10, the copy of the notification to the debtor by the claimant agency of its~~
2 ~~intention to set off must be received by the Department within 15 days of the date of~~
3 ~~the Department's mailing to the respective claimant agency the notification of the~~
4 ~~debtor's entitlement to a refund.~~

5 ~~(b) The contents of the written notification to the debtor (and the Department's~~
6 ~~copy) of the setoff claim shall clearly set forth the basis for the claim to the refund,~~
7 ~~the intention to apply the refund against the debt to the claimant agency, the debtor's~~
8 ~~opportunity to give written notice of intent to contest the validity of the claim within~~
9 ~~30 days of the date of the mailing of the notice, the mailing address to which the~~
10 ~~application for a hearing must be sent, and the fact that failure to apply for a hearing~~
11 ~~in writing within the 30-day period will be deemed a waiver of the opportunity to~~
12 ~~contest the claim causing final setoff by default.~~

13 ~~(c) The written application by the debtor for a hearing shall be effective upon~~
14 ~~mailing the application postage prepaid and properly addressed to the claimant~~
15 ~~agency.~~

16 **"§ 105A-8. Hearing procedure. State agency hearing and determination.**

17 (a) Hearing. -- A hearing on a contested ~~claim~~, claim of a State agency, other than
18 a claim of a constituent institution of The University of North Carolina, or a claim of
19 the Employment Security Commission of North Carolina, shall be conducted in
20 accordance with Article 3 of Chapter 150B of the General Statutes. A hearing on a
21 contested claim of a constituent institution of The University of North Carolina shall
22 be conducted in accordance with administrative procedures approved by the
23 Attorney General. A hearing on a contested claim of the Employment Security
24 Commission of North Carolina shall be conducted in accordance with regulations
25 adopted by the Employment Security Commission of North Carolina. No issues may
26 be considered at the hearing that have been previously litigated.

27 (b) Determination; Refund. -- ~~Additionally, it~~ It shall be determined at the hearing
28 whether the claimed sum asserted as due and owing is correct, and if not, an
29 adjustment to the claim shall be made. If it is determined that the amount set off is
30 excessive, the State agency shall refund the excess amount to the taxpayer. If it is
31 determined that the State agency is not entitled to any part of the amount set off, the
32 State agency shall refund the entire amount set off plus the collection assistance fee
33 retained by the Department. That portion of the refund reflecting the collection
34 assistance fee must be paid from the State agency's funds. If a refund is made to the
35 taxpayer, the State agency shall pay interest to the taxpayer calculated as provided in
36 G.S. 105-241.1(i) from the date one day after the date through which the Department
37 pays interest on the refund or the date that interest begins to accrue, as provided in
38 G.S. 105-266(b), whichever is later.

39 ~~(b) Pending final determination at hearing of the validity of the debt asserted by~~
40 ~~the claimant agency, no action shall be taken in furtherance of collection through the~~
41 ~~setoff procedure allowed under this Article.~~

42 ~~(c) No issues may be considered at the hearing which have been previously~~
43 ~~litigated.~~

44 **"§ 105A-9. Appeals from hearings.**

1 Appeals from action taken at hearings allowed under this ~~Article~~ Chapter shall be
2 in accordance with the provisions of Chapter 150B of the General Statutes, the
3 Administrative Procedure Act, except that the place of initial judicial review shall be
4 the superior court for the county in which the debtor resides. Appeals from actions
5 allowed under this ~~Article~~ Chapter conducted by the Employment Security
6 Commission of North Carolina shall be in accordance with the provisions of Chapter
7 96 of the General Statutes.

8 ~~"§ 105A-10. Certification of debt by claimant agency; finalization of setoff.~~

9 ~~(a) Upon final determination through hearing provided by G.S. 105A-8 of the debt~~
10 ~~due and owing the claimant agency or upon the debtor's default for failure to~~
11 ~~comply with G.S. 105A-7 mandating timely request for review of the asserted basis~~
12 ~~for setoff, the claimant agency shall within 20 days certify the debt to the Department~~
13 ~~and in default thereof, the Department shall no longer be obligated to hold the~~
14 ~~refund for setoff.~~

15 ~~(b) Upon receipt by the Department of a certified debt from the claimant agency,~~
16 ~~the Department shall finalize the setoff by transferring the net proceeds collected for~~
17 ~~credit or payment in accordance with the provisions of G.S. 105A-14 and by~~
18 ~~refunding any remaining balance to the debtor as if setoff had not occurred.~~

19 ~~"§ 105A-11. Notice of final setoff.~~

20 ~~Upon the finalization of setoff under the provisions of this Article, the Department~~
21 ~~shall notify the debtor in writing of the action taken along with an accounting of the~~
22 ~~action taken on any refund. If there is an outstanding balance after setoff, the notice~~
23 ~~under this section shall accompany the balance when disbursed.~~

24 ~~"§ 105A-12. Priorities in claims to setoff.~~

25 ~~Priority in multiple claims to refunds allowed to be set off under the provisions of~~
26 ~~this Article shall be in the order in time which a claimant agency has filed a written~~
27 ~~notice with the Department of its intention to effect collection through setoff under~~
28 ~~this Article. Notwithstanding the priority set forth above according to time of filing,~~
29 ~~the The Department has priority over all other claimant agencies for collection by~~
30 ~~setoff whenever it is a competing agency for a refund. State agencies have priority~~
31 ~~over local agencies for collection by setoff. When there are multiple claims by State~~
32 ~~agencies other than the Department, the priority shall be in the order in time in~~
33 ~~which each agency registered for setoff pursuant to G.S. 105A-3. When there are~~
34 ~~multiple claims by organizations submitting debts on behalf of local agencies, the~~
35 ~~priority shall be in the order in time in which each organization registered for setoff~~
36 ~~pursuant to G.S. 105A-3. When there are multiple claims among local agencies~~
37 ~~whose debts are submitted by a single organization, the priority shall be in the order~~
38 ~~in time in which each local agency requested the organization to submit debts on its~~
39 ~~behalf.~~

40 ~~"§ 105A-13. Disposition of proceeds collected; collection Collection assistance fees.~~

41 ~~(a) Upon effecting final setoffs, the Department shall periodically write checks to~~
42 ~~the respective claimant agencies for the net proceeds collected on their behalf.~~

43 ~~(b) Each year the Department shall determine its actual cost of collection under~~
44 ~~the Setoff Debt Collection Act for the immediately preceding year and shall calculate~~

1 ~~the percentage that cost represents of the preceding year's collections, excluding~~
2 ~~collections of child support arrearages under G.S. 105A-2(1)d. To recover its cost of~~
3 ~~collection under this Chapter, the~~ The Department shall ~~retain that percentage from~~
4 ~~the gross proceeds collected by the Department through setoff for the current year,~~
5 ~~other than the gross proceeds collected of child support arrearages under G.S.~~
6 ~~105A-2(1)d. add a collection assistance fee to each debt collected through setoff,~~
7 ~~collect it as part of the debt, and retain it. The collection assistance fee shall be~~
8 ~~determined based on the Department's actual cost of collection under this Chapter~~
9 ~~for the immediately preceding year and shall not exceed fifteen dollars (\$15.00). If~~
10 ~~the Department is able to collect only part of a debt through setoff, the collection~~
11 ~~assistance fee has priority over the remainder of the debt. The collection assistance~~
12 ~~fee shall not be added to child support debts or collected as part of child support~~
13 ~~debts. The Department shall retain from collections under Division II of Article 4 of~~
14 ~~Chapter 105 of the General Statutes the cost of collection of child support debts~~
15 ~~under this Chapter.~~

16 "**§ 105A-14. Accounting to the claimant agency; credit to debtor's obligation.**

17 (a) Simultaneously with the transmittal of ~~a check for~~ the net proceeds collected
18 to a claimant agency, the Department shall provide the agency with an accounting of
19 the setoffs ~~finalized~~ for which payment is being made. The accounting shall,
20 whenever possible, include the full names of the debtors, the debtors' social security
21 numbers, the gross proceeds collected per ~~individual~~ setoff, the net proceeds collected
22 per setoff, and the collection assistance fee added to the debt and collected ~~charged~~
23 per setoff.

24 (b) Upon receipt by a claimant agency of ~~a check representing~~ net proceeds
25 collected on ~~a~~ the claimant agency's behalf by the ~~Department~~ Department, a final
26 determination of the claim, and an accounting of the proceeds as specified under this
27 section, the claimant agency shall credit the debtor's obligation with the gross net
28 proceeds collected.

29 "**§ 105A-15. Confidentiality exemption; nondisclosure.**

30 (a) Notwithstanding G.S. 105-259 or any other provision of law prohibiting
31 disclosure by the Department of the contents of taxpayer records or information and
32 notwithstanding any confidentiality statute of any claimant agency, ~~at~~ the exchange of
33 any information exchanged among the Department, the claimant agency, the
34 organization submitting debts on behalf of a local agency, and the debtor necessary to
35 ~~accomplish and effectuate the intent of this Article~~ implement this Chapter is lawful.

36 (b) The information ~~obtained by~~ a claimant agency or an organization submitting
37 debts on behalf of a local agency obtains from the Department in accordance with the
38 exemption allowed by subsection (a) ~~shall only~~ may be used by ~~a claimant~~ the agency
39 or organization only in the pursuit of its debt collection duties and ~~practices and any~~
40 ~~person employed by, or formerly employed by, a claimant agency who discloses any~~
41 ~~such information for any other purpose, except as otherwise allowed by G.S. 105-259,~~
42 ~~shall be penalized in accordance with the terms of that statute.~~ practices and may not
43 be disclosed except as provided in G.S. 105-259, 153A-148.1, or 160A-208.1.

44 "**§ 105A-16. Rules and regulations. Rules.**

1 The Secretary of Revenue ~~is authorized to prescribe forms and make all rules~~
2 ~~which he deems necessary in order to effectuate the intent of this Article.~~ may adopt
3 rules to implement this Chapter."

4 Section 2. G.S. 105-266(b) reads as rewritten:

5 "(b) Interest. -- An overpayment of tax bears interest at the rate established in
6 G.S. 105-241.1(i) from the date that interest begins to accrue until a refund is paid. A
7 refund is considered paid on a date determined by the Secretary that is no sooner
8 than five days after a refund check is ~~mailed.~~ mailed or, in the case of a refund set off
9 against a debt pursuant to Chapter 105A of the General Statutes, five days after the
10 Secretary's notice of setoff is mailed.

11 Interest on an overpayment of a tax, other than a tax levied under Article 4 or
12 Article 8B of this Chapter, accrues from a date 90 days after the date the tax was
13 originally paid by the taxpayer until the refund is paid. Interest on an overpayment of
14 a tax levied under Article 4 or Article 8B of this Chapter accrues from a date 45 days
15 after the latest of the following dates until the refund is paid:

- 16 (1) The date the final return was filed.
- 17 (2) The date the final return was due to be filed.
- 18 (3) The date of the overpayment.

19 The date of an overpayment of a tax levied under Article 4 or Article 8B of this
20 Chapter is determined in accordance with section 6611(d), (f), (g), and (h) of the
21 Code."

22 Section 3. The changes to G.S. 105A-3(d), 105A-5, and 105A-16 made by
23 this act are effective when this act becomes law. The remainder of this act becomes
24 effective January 1, 1998.

GENERAL ASSEMBLY OF NORTH CAROLINA

SESSION 1997

S

D

SENATE BILL 39
Proposed Senate Finance Committee Substitute
S39-CSLJX-4/8

Short Title: Modify Setoff Debt Collection.

(Public)

Sponsors:

Referred to: Judiciary.

February 3, 1997

1 A BILL TO BE ENTITLED
2 AN ACT TO REVISE THE SETOFF DEBT COLLECTION ACT.

3 The General Assembly of North Carolina enacts:

4 Section 1. Chapter 105A of the General Statutes reads
5 as rewritten:

6 "Chapter 105A.

7 "Setoff Debt Collection Act.

8 "~~ARTICLE 1.~~

9 "~~In General.~~

10 "§ 105A-1. Purposes.

11 The purpose of this ~~Article~~ Chapter is to establish as policy
12 that all claimant agencies and the Department of Revenue shall
13 cooperate in identifying debtors who owe money to the State or to
14 a local government through ~~its~~ their various ~~claimant~~ agencies
15 and who qualify for refunds from the Department of Revenue. It is
16 also the intent of this ~~Article~~ Chapter that procedures be
17 established for setting off against any ~~such~~ refund the sum of
18 any debt owed to the ~~State.~~ State or to a local government.
19 Furthermore, it is the legislative intent that this ~~Article~~
20 Chapter be liberally construed so as to effectuate these purposes
21 as far as legally and practically possible.

1 "§ 105A-2. Definitions.

2 The following definitions apply in this Chapter:3 (1) Claimant agency. -- Either of the following:4 a. A State agency.5 b. A local agency acting through a clearinghouse
6 or an organization pursuant to G.S. 105A-
7 3(b1).8 (2) Debt. -- Any of the following:9 a. A sum owed to a claimant agency that has
10 accrued through contract, subrogation, tort,
11 operation of law, or any other legal theory
12 regardless of whether there is an outstanding
13 judgment for the sum.14 b. A sum a claimant agency is authorized or
15 required by law to collect, such as child
16 support payments collectible under Title IV,
17 Part D of the Social Security Act.18 c. A sum owed as a result of an intentional
19 program violation or a violation due to
20 inadvertent household error under the Food
21 Stamp Program enabled by Chapter 108A, Article
22 2, Part 5.23 e. A sum owed as a result of having obtained
24 public assistance payments under any of the
25 following program through an intentional false
26 statement, intentional misrepresentation,
27 intentional failure to disclose a material
28 fact, or inadvertent household error:29 1. The Aid to Families with Dependent
30 Children Program or the Aid to Families
31 with Dependent Children -- Emergency
32 Assistance Program, enabled by Chapter
33 108A, Article 2, Part 2.34 2. The Work First Cash Assistance Program
35 established pursuant to federal waivers
36 received by the Department of Human
37 Resources on February 5, 1996.38 3. The State-County Special Assistance for
39 Adults Program, enabled by Chapter 108A,
40 Article 2, Part 3.41 (3) Debtor. -- An individual who owes a debt.42 (4) Department. -- The Department of Revenue.43 (5) Reserved.

- 1 (6) Local agency. -- A county, to the extent it is not
2 considered a State agency, or a municipality.
- 3 (7) Net proceeds collected. -- Gross proceeds collected
4 through setoff against a debtor's refund minus the
5 collection assistance fee retained by the
6 Department.
- 7 (8) Refund. -- An individual's North Carolina income
8 tax refund.
- 9 (9) State agency. -- Any of the following:
- 10 a. A unit of the executive, legislative, or
11 judicial branch of State government.
- 12 b. A county, to the extent it administers a
13 program supervised by the Department of Human
14 Resources or it operates a Child Support
15 Enforcement Program, enabled by Chapter 110,
16 Article 9, and Title IV, Part D of the Social
17 Security Act.

18 ~~As used in this Article:~~

19 ~~(1) "Claimant agency" means and includes:~~

- 20 ~~a. The State Education Assistance Authority as~~
21 ~~enabled by Article 23 of Chapter 116 of the~~
22 ~~General Statutes;~~
- 23 ~~b. The North Carolina Department of Human~~
24 ~~Resources when in the exercise of its~~
25 ~~authority to collect health profession student~~
26 ~~loans made pursuant to G.S. 131-121;~~
- 27 ~~c. The North Carolina Department of Human~~
28 ~~Resources when in the performance of its~~
29 ~~duties under the Medical Assistance Program~~
30 ~~enabled by Chapter 108A, Article 2, Part 6,~~
31 ~~and any county operating the same Program at~~
32 ~~the local level, when and only to the extent~~
33 ~~such a county is in the performance of Medical~~
34 ~~Assistance Program collection functions;~~
- 35 ~~d. The North Carolina Department of Human~~
36 ~~Resources when in the performance of its~~
37 ~~duties, under the Child Support Enforcement~~
38 ~~Program as enabled by Chapter 110, Article 9~~
39 ~~and Title IV, Part D of the Social Security~~
40 ~~Act to obtain indemnification for past paid~~
41 ~~public assistance or to collect child support~~
42 ~~arrearrages owed to an individual receiving~~
43 ~~program services and any county operating the~~
44 ~~program at the local level, when and only to~~

- 1 ~~the extent that the county is engaged in the~~
2 ~~performance of those same duties;~~
- 3 ~~e. The University of North Carolina, including~~
4 ~~its constituent institutions as specified by~~
5 ~~G.S. 116-2(4);~~
- 6 ~~f. The University of North Carolina Hospitals at~~
7 ~~Chapel Hill in the conduct of its financial~~
8 ~~affairs and operations pursuant to G.S.~~
9 ~~116-37;~~
- 10 ~~g. The Board of Governors of the University of~~
11 ~~North Carolina and the State Board of~~
12 ~~Education through the College Scholarship Loan~~
13 ~~Committee when in the performance of its~~
14 ~~duties of administering the Scholarship Loan~~
15 ~~Fund for Prospective College Teachers enabled~~
16 ~~by Chapter 116, Article 5;~~
- 17 ~~h. The Office of the North Carolina Attorney~~
18 ~~General on behalf of any State agency when the~~
19 ~~claim has been reduced to a judgment;~~
- 20 ~~i. The State Board of Community Colleges through~~
21 ~~community colleges as enabled by Chapter 115D~~
22 ~~in the conduct of their financial affairs and~~
23 ~~operations;~~
- 24 ~~j. State facilities as listed in G.S.~~
25 ~~122C-181(a), School for the Deaf at Morganton,~~
26 ~~North Carolina Sanatorium at McCain, Western~~
27 ~~Carolina Sanatorium at Black Mountain, Eastern~~
28 ~~North Carolina Sanatorium at Wilson, and~~
29 ~~Gravelly Sanatorium at Chapel Hill under~~
30 ~~Chapter 143, Article 7; Governor Morehead~~
31 ~~School under Chapter 115, Article 40; Central~~
32 ~~North Carolina School for the Deaf under~~
33 ~~Chapter 115, Article 41; Wright School for~~
34 ~~Treatment and Education of Emotionally~~
35 ~~Disturbed Children under Chapter 122C; and~~
36 ~~these same institutions by any other names by~~
37 ~~which they may be known in the future;~~
- 38 ~~k. The North Carolina Department of Revenue;~~
- 39 ~~l. The Administrative Office of the Courts;~~

41 ~~Department of Environment, Health, and Natural~~
42 ~~Resources;~~
- 43 ~~n. The Administrator of the Teachers' and State~~
44 ~~Employees' Comprehensive Major Medical Plan,~~

- 1 ~~established in Article 3 of General Statutes~~
2 ~~Chapter 135;~~
- 3 ~~e. The State Board of Education through the~~
4 ~~Superintendent of Public Instruction when in~~
5 ~~the performance of his duties of administering~~
6 ~~the Scholarship Loan Fund for Prospective~~
7 ~~Teachers enabled by Chapter 115C, Article 32A~~
8 ~~and the scholarship loan and grant programs~~
9 ~~enabled by Chapter 115C, Article 24C, Part 1;~~
- 10 ~~p. The Board of Trustees of the Teachers' and~~
11 ~~State Employees' Retirement System and the~~
12 ~~Board of Trustees of the Local Governmental~~
13 ~~Employees' Retirement System in the~~
14 ~~performance of their duties pursuant to~~
15 ~~Chapters 120, 128, 135 and 143 of the General~~
16 ~~Statutes;~~
- 17 ~~q. The North Carolina Teaching Fellows Commission~~
18 ~~in the performance of its duties pursuant to~~
19 ~~Chapter 115C, Article 24C, Part 2;~~
- 20 ~~r. The North Carolina Department of Human~~
21 ~~Resources when in the performance of its~~
22 ~~collection duties for intentional program~~
23 ~~violations and violations due to inadvertent~~
24 ~~household error under the Food Stamp Program~~
25 ~~enabled by Chapter 108A, Article 2, Part 5,~~
26 ~~and any county operating the same Program at~~
27 ~~the local level, when and only to the extent~~
28 ~~such a county is in the performance of Food~~
29 ~~Stamp Program collection functions.~~
30 ~~The North Carolina Department of Human~~
31 ~~Resources when, in the performance of its~~
32 ~~duties under the Aid to Families with~~
33 ~~Dependent Children Program or the Aid to~~
34 ~~Families with Dependent Children -- Emergency~~
35 ~~Assistance Program provided in Part 2 of~~
36 ~~Article 2 of Chapter 108A or the Work First~~
37 ~~Cash Assistance Program established pursuant~~
38 ~~to the federal waivers received by the~~
39 ~~Department on February 5, 1996, or under the~~
40 ~~State-County Special Assistance for Adults~~
41 ~~Program provided in Part 3 of Article 2 of~~
42 ~~Chapter 108A, it seeks to collect public~~
43 ~~assistance payments obtained through an~~
44 ~~intentional false statement, intentional~~

- 1 ~~misrepresentation, intentional failure to~~
2 ~~disclose a material fact, or inadvertent~~
3 ~~household error;~~
4 ~~s. The Employment Security Commission of North~~
5 ~~Carolina.~~
6 ~~t. Any State agency in the collection of salary~~
7 ~~overpayments from former employees.~~
8 ~~u. The State Board of Education through the~~
9 ~~Superintendent of Public Instruction when in~~
10 ~~the performance of his duties of administering~~
11 ~~the program under which the State encourages~~
12 ~~participation in the National Board for~~
13 ~~Professional Teaching Standards (NBPTS)~~
14 ~~Program, enabled by Section 19.28 of Chapter~~
15 ~~769 of the 1993 Session Laws.~~
- 16 (2) ~~"Debtor" means any individual owing money to or~~
17 ~~having a delinquent account with any claimant~~
18 ~~agency which obligation has not been adjudicated~~
19 ~~satisfied by court order, set aside by court order,~~
20 ~~or discharged in bankruptcy.~~
- 21 (3) ~~"Debt" means any liquidated sum due and owing any~~
22 ~~claimant agency which has accrued through contract,~~
23 ~~subrogation, tort, operation of law, or any other~~
24 ~~legal theory regardless of whether there is an~~
25 ~~outstanding judgment for that sum.~~
- 26 (4) ~~"Department" means the North Carolina Department of~~
27 ~~Revenue.~~
- 28 (5) ~~"Refund" means any individual's North Carolina~~
29 ~~income tax refund.~~
- 30 (6) ~~"Net proceeds collected" means gross proceeds~~
31 ~~collected through final setoff against a debtor's~~
32 ~~refund minus any collection assistance fee charged~~
33 ~~by the Department.~~
- 34 "§ 105A-3. Remedy additional; mandatory State usage; optional
35 local usage; obtaining identifying information. information;
36 registration.
- 37 (a) Remedy Additional. -- The collection remedy under this
38 Article Chapter is in addition to and not in substitution for any
39 other remedy available by law.
- 40 (b) Mandatory State Usage. -- All claimant agencies shall
41 submit, for collection under the procedure established by this
42 Article, all debts which they are owed, except debts that they
43 are advised by A State agency must submit a debt owed to it for
44 collection under this Chapter unless the State Controller has

1 waived this requirement or the Attorney General has advised the
2 State agency not to submit the debt because the validity of the
3 debt is legitimately in dispute, because an alternative means of
4 collection is pending and believed to be adequate, or because
5 such a collection attempt would result in a loss of federal
6 funds. The State Controller may waive the requirement for a
7 State agency, other than the Department of Human Resources or a
8 county acting on behalf of that Department, to submit a debt owed
9 to it for collection under this Chapter if the State Controller
10 finds that collection by this means would not be practical or
11 cost effective. A waiver may apply to all debts owed a State
12 agency or a type of debt owed a State agency.

13 (b1) Optional Local Usage. -- A local agency may submit a
14 debt owed to it for collection under this Chapter. A local
15 agency that decides to submit a debt owed to it for collection
16 under this Chapter must establish the debt by following the
17 procedure set in G.S. 105A-5 and must submit the debt through one
18 of the following:

19 (1) A clearinghouse that is established pursuant to an
20 interlocal agreement adopted under Article 20 of
21 Chapter 160A of the General Statutes and has agreed
22 to submit debts on behalf of any requesting local
23 agency.

24 (2) The North Carolina League of Municipalities.

25 (3) The North Carolina Association of County
26 Commissioners.

27 (c) Identifying Information. -- All claimant agencies shall
28 whenever possible obtain the full name, social security number,
29 address, and any other identifying information required by rules
30 promulgated by the Department pursuant to G.S. 105A-16 from any
31 person for whom the agencies provide any service or transact any
32 business and who the claimant agencies can foresee may become a
33 debtor under this Article. Chapter.

34 (d) Registration and Reports. -- A claimant State agency must
35 register with the Department and with the State Controller. Every
36 State agency must report annually to the Department State
37 Controller the amount of debts owed to the agency for which the
38 agency did not submit a claim for setoff and the reason for not
39 submitting the claim.

40 A clearinghouse or an organization that submits debts on behalf
41 of a local agency must register with the Department. Once a
42 clearinghouse registers with the Department under this
43 subsection, no other clearinghouse may register to submit debts
44 for collection under this Chapter.

1 "§ 105A-4. Minimum ~~sum collectible.~~ debt and refund.

2 A claimant agency shall not be allowed to effect final setoff
3 and collect debts through use of the remedy established under
4 this Article unless both the debt and the refund, if any, are
5 This Chapter applies only to a debt that is at least fifty
6 dollars ~~(\$50.00).~~ (\$50.00) and to a refund that is at least this
7 same amount.

8 "§ 105A-5. Local agency notice, hearing, and decision.

9 (a) Prerequisite. -- A local agency may not submit a debt for
10 collection under this Chapter until it has given the notice
11 required by this section and the claim has been finally
12 determined as provided in this section.

13 (b) Notice. -- A local agency must send written notice to a
14 debtor that the agency intends to submit the debt owed by the
15 debtor for collection by setoff. The notice must explain the
16 basis for the agency's claim to the debt and that the agency
17 intends to apply the debtor's refund against the debt. The
18 notice must also inform the debtor that the debtor has the right
19 to contest the matter by filing a request for a hearing with the
20 local agency, must state the time limits and procedure for
21 requesting the hearing, and must state that failure to request a
22 hearing within the required time will result in setoff of the
23 debt.

24 (c) Administrative Review. -- A debtor who decides to contest a
25 proposed setoff must file a written request for a hearing with
26 the local agency within 30 days after the date the local agency
27 mails a notice of the proposed action to the debtor. A request
28 for a hearing is considered to be filed when it is delivered for
29 mailing with postage prepaid and properly addressed. The
30 governing body of the local agency or a person designated by the
31 governing body must hold the hearing.

32 If the debtor disagrees with the decision of the governing body
33 or the person designated by the governing body, the debtor may
34 file a petition for a contested case under Article 3 of Chapter
35 150B of the General Statutes. The petition must be filed within
36 30 days after the debtor receives a copy of the local decision.
37 Notwithstanding the provisions of G.S. 150B-2, a local agency is
38 considered an agency for purposes of contested cases and appeals
39 under this Chapter.

40 In a hearing under this section, an issue that has previously
41 been litigated in a court proceeding cannot be considered.

42 (d) Decision. -- A decision made after a hearing under this
43 section must determine whether a debt is owed to the local agency
44 and the amount of the debt.

1 (e) Return of Amount Set Off. -- If a local agency submits a
2 debt for collection under this Chapter without sending the notice
3 required by subsection (b) of this section, the agency must send
4 the taxpayer the entire amount set off plus the collection
5 assistance fee retained by the Department. Similarly, if a local
6 agency submits a debt for collection under this Chapter after
7 sending the required notice but before final determination of the
8 debt and a decision finds that the local agency is not entitled
9 to any part of the amount set off, the agency must send the
10 taxpayer the entire amount set off plus the collection assistance
11 fee retained by the Department. That portion of the amount
12 returned that reflects the collection assistance fee must be paid
13 from the local agency's funds.

14 If a local agency submits a debt for collection under this
15 Chapter after sending the required notice and the net proceeds
16 collected that are credited to the local agency for the debt
17 exceed the amount of the debt, the local agency must send the
18 balance to the debtor. No part of the collection assistance fee
19 retained by the Department may be returned when a notice was sent
20 and a debt is owed but the debt is less than the amount set off.

21 Interest accrues on the amount of a refund returned to a
22 taxpayer under this subsection in accordance with G.S. 105-266. A
23 local agency that returns a refund to a taxpayer under this
24 subsection must pay from the local agency's funds any interest
25 that has accrued since the fifth day after the Department mailed
26 the notice of setoff to the taxpayer.

27 ~~Collection of sums due claimant agencies through setoff.~~

28 ~~Subject to the limitations contained in this Article, the~~
29 ~~Department of Revenue shall upon request render assistance in the~~
30 ~~collection of any delinquent account or debt owing to any~~
31 ~~claimant agency. This assistance shall be provided by setting off~~
32 ~~any refunds due the debtor from the Department by the sum~~
33 ~~certified by claimant agency as due and owing.~~

34 ~~"§ 105A-6. Procedure for Department to follow in making setoff.~~

35 (a) Notice to Department. -- A claimant agency seeking to
36 attempt collection of a debt through setoff shall must notify the
37 Department in writing and supply (i) information necessary to
38 identify the debtor whose refund is sought to be set off and (ii)
39 off. The claimant agency may include with the notification the
40 date, if any, that the debt is expected to expire. Notification
41 to the Department and the furnishing of identifying information
42 must occur on or before a date specified by the Department in the
43 first year preceding the calendar year during which the refund
44 would be paid. The notice is effective to initiate setoff against

~~1 refunds that would be made in calendar years following the year
2 in which the notice was first made until the date specified in
3 the notice that the debt is expected to expire. The agency shall
4 must notify the Department in writing when a debt has been paid
5 or is no longer owed the agency.~~

6 (b) Setoff by Department. -- The Department, upon receipt of
7 notification, shall must determine each year whether the debtor
8 to the claimant agency is entitled to a refund of at least fifty
9 dollars (\$50.00) from the Department. Upon determination by the
10 Department that a debtor specified by a claimant agency qualifies
11 for such a refund, the Department shall ~~notify in writing the~~
12 ~~claimant agency that a refund is pending, specify its sum, and~~
13 ~~indicate the debtor's address as listed on the tax return.~~

14 ~~(c) Unless stayed by court order, the Department shall, upon~~
15 ~~certification as provided in this Article, must set off the~~
16 ~~certified debt against the refund to which the debtor would~~
17 ~~otherwise be entitled, entitled and must refund any remaining~~
18 ~~balance to the debtor. The Department must mail the debtor~~
19 ~~written notice that the setoff has occurred and must credit the~~
20 ~~net proceeds collected to the claimant agency. If the claimant~~
21 ~~agency is a State agency, that agency must credit the amount~~
22 ~~received to a nonreverting trust account and must follow the~~
23 ~~procedure set in G.S. 105A-8.~~

24 ~~"§ 105A-7. Notification of intention to set off and right to~~
25 ~~hearing.~~

26 ~~(a) The claimant agency, upon receipt of notification from the~~
27 ~~Department that a debtor is entitled to a refund, shall within 10~~
28 ~~days send a written notification to the debtor and a copy of same~~
29 ~~to the Department of its assertion of rights to the refund or any~~
30 ~~part thereof. Such notification shall inform the debtor of the~~
31 ~~claimant agency's intention to direct the Department to apply the~~
32 ~~refund or any portion thereof against the debt certified as due~~
33 ~~and owing. For the Department to be obligated to continue holding~~
34 ~~refunds until receipt of certification of the debt, if any,~~
35 ~~pursuant to G.S. 105A-10, the copy of the notification to the~~
36 ~~debtor by the claimant agency of its intention to set off must be~~
37 ~~received by the Department within 15 days of the date of the~~
38 ~~Department's mailing to the respective claimant agency the~~
39 ~~notification of the debtor's entitlement to a refund.~~

40 ~~(b) The contents of the written notification to the debtor (and~~
41 ~~the Department's copy) of the setoff claim shall clearly set~~
42 ~~forth the basis for the claim to the refund, the intention to~~
43 ~~apply the refund against the debt to the claimant agency, the~~
44 ~~debtor's opportunity to give written notice of intent to contest~~

~~1 the validity of the claim within 30 days of the date of the
2 mailing of the notice, the mailing address to which the
3 application for a hearing must be sent, and the fact that failure
4 to apply for a hearing in writing within the 30-day period will
5 be deemed a waiver of the opportunity to contest the claim
6 causing final setoff by default.~~

~~7 (c) The written application by the debtor for a hearing shall
8 be effective upon mailing the application postage prepaid and
9 properly addressed to the claimant agency.~~

10 "§ 105A-8. Hearing procedure. State agency notice, hearing,
11 decision, and refund of setoff.

12 (a) Notice. -- Within 10 days after a State agency receives a
13 refund of a debtor, the agency must send the debtor written
14 notice that the agency has received the debtor's refund. The
15 notice must explain the debt that is the basis for the agency's
16 claim to the debtor's refund and that the agency intends to apply
17 the refund against the debt. The notice must also inform the
18 debtor that the debtor has the right to contest the matter by
19 filing a request for a hearing, must state the time limits and
20 procedure for requesting the hearing, and must state that failure
21 to request a hearing within the required time will result in
22 setoff of the debt. A State agency that does not send a debtor a
23 notice within the time required by this subsection must refund
24 the amount set off plus the collection assistance fee, in
25 accordance with subsection (e) of this section.

26 (c) Hearing. -- A hearing on a contested claim of a State
27 agency, except a constituent institution of The University of
28 North Carolina or the Employment Security Commission, must be
29 conducted in accordance with Article 3 of Chapter 150B of the
30 General Statutes. A hearing on a contested claim of a
31 constituent institution of The University of North Carolina must
32 be conducted in accordance with administrative procedures
33 approved by the Attorney General. A hearing on a contested claim
34 of the Employment Security Commission must be conducted in
35 accordance with rules adopted by that Commission. A request for
36 a hearing on a contested claim of any State agency must be filed
37 within 30 days after the State agency mails the debtor notice of
38 the proposed setoff. A request for a hearing is considered to be
39 filed when it is delivered for mailing with postage prepaid and
40 properly addressed. In a hearing under this section, an issue
41 that has previously been litigated in a court proceeding cannot
42 be considered.

1 (d) Decision. -- A decision made after a hearing under this
2 section must determine whether a debt is owed to the State agency
3 and the amount of the debt.

4 (e) Return of Amount Set Off. -- If a State agency fails to
5 send the notice required by subsection (a) of this section within
6 the required time or a decision finds that a State agency is not
7 entitled to any part of an amount set off, the agency must send
8 the taxpayer the entire amount set off plus the collection
9 assistance fee retained by the Department. That portion of the
10 amount returned that reflects the collection assistance fee must
11 be paid from the State agency's funds.

12 If a debtor owes a debt to a State agency and the net proceeds
13 credited to the State agency for the debt exceed the amount of
14 the debt, the State agency must send the balance to the debtor.
15 No part of the collection assistance fee retained by the
16 Department may be returned when a debt is owed but it is less
17 than the amount set off.

18 Interest accrues on the amount of a refund returned to a
19 taxpayer under this subsection in accordance with G.S. 105-266. A
20 State agency that returns a refund to a taxpayer under this
21 subsection must pay from the State agency's funds any interest
22 that has accrued since the fifth day after the Department mailed
23 the notice of setoff to the taxpayer.

24 ~~(a) A hearing on a contested claim, other than a claim of a~~
25 ~~constituent institution of The University of North Carolina, or a~~
26 ~~claim of the Employment Security Commission of North Carolina,~~
27 ~~shall be conducted in accordance with Article 3 of Chapter 150B~~
28 ~~of the General Statutes. A hearing on a contested claim of a~~
29 ~~constituent institution of The University of North Carolina shall~~
30 ~~be conducted in accordance with administrative procedures~~
31 ~~approved by the Attorney General. A hearing on a contested claim~~
32 ~~of the Employment Security Commission of North Carolina shall be~~
33 ~~conducted in accordance with regulations adopted by the~~
34 ~~Employment Security Commission of North Carolina. Additionally,~~
35 ~~it shall be determined at the hearing whether the claimed sum~~
36 ~~asserted as due and owing is correct, and if not, an adjustment~~
37 ~~to the claim shall be made.~~

38 ~~(b) Pending final determination at hearing of the validity of~~
39 ~~the debt asserted by the claimant agency, no action shall be~~
40 ~~taken in furtherance of collection through the setoff procedure~~
41 ~~allowed under this Article.~~

42 ~~(c) No issues may be considered at the hearing which have been~~
43 ~~previously litigated.~~

44 "\$ 105A-9. Appeals from hearings.

1 Appeals from ~~action taken at~~ hearings allowed under this
2 Article Chapter, other than those conducted by the Employment
3 Security Commission, shall be in accordance with the provisions
4 of Chapter 150B of the General Statutes, the Administrative
5 Procedure Act, except that the place of initial judicial review
6 shall be the superior court for the county in which the debtor
7 resides. Appeals from ~~actions~~ hearings allowed under this
8 Article Chapter that are conducted by the Employment Security
9 Commission of North Carolina shall be in accordance with the
10 provisions of Chapter 96 of the General Statutes.

11 ~~"§ 105A-10. Certification of debt by claimant agency;~~
12 ~~finalization of setoff.~~

13 ~~(a) Upon final determination through hearing provided by G.S.~~
14 ~~105A-8 of the debt due and owing the claimant agency or upon the~~
15 ~~debtor's default for failure to comply with G.S. 105A-7 mandating~~
16 ~~timely request for review of the asserted basis for setoff, the~~
17 ~~claimant agency shall within 20 days certify the debt to the~~
18 ~~Department and in default thereof, the Department shall no longer~~
19 ~~be obligated to hold the refund for setoff.~~

20 ~~(b) Upon receipt by the Department of a certified debt from the~~
21 ~~claimant agency, the Department shall finalize the setoff by~~
22 ~~transferring the net proceeds collected for credit or payment in~~
23 ~~accordance with the provisions of G.S. 105A-14 and by refunding~~
24 ~~any remaining balance to the debtor as if setoff had not~~
25 ~~occurred.~~

26 ~~"§ 105A-11. Notice of final setoff.~~

27 ~~Upon the finalization of setoff under the provisions of this~~
28 ~~Article, the Department shall notify the debtor in writing of the~~
29 ~~action taken along with an accounting of the action taken on any~~
30 ~~refund. If there is an outstanding balance after setoff, the~~
31 ~~notice under this section shall accompany the balance when~~
32 ~~disbursed.~~

33 ~~"§ 105A-12. Priorities in claims to setoff.~~

34 ~~Priority in multiple claims to refunds allowed to be set off~~
35 ~~under the provisions of this Article shall be in the order in~~
36 ~~time which a claimant agency has filed a written notice with the~~
37 ~~Department of its intention to effect collection through setoff~~
38 ~~under this Article. Notwithstanding the priority set forth above~~
39 ~~according to time of filing, the~~ The Department ~~has priority over~~
40 ~~all other claimant agencies for collection by setoff whenever it~~
41 ~~is a competing agency for a refund. The Department of Human~~
42 ~~Resources and the counties that are acting on behalf of that~~
43 ~~Department and are therefore considered to be State agencies have~~
44 ~~priority over all other State agencies except the Department of~~

1 Revenue. State agencies have priority over local agencies for
2 collection by setoff. When there are multiple claims by State
3 agencies that do not have priority over other State agencies, the
4 claims have priority based on the date each agency registered
5 with the Department under G.S. 105A-3. When there are multiple
6 claims by two or more organizations submitting debts on behalf of
7 local agencies, the claims have priority based on the date each
8 organization registered with the Department under G.S. 105A-3.
9 When there are multiple claims among local agencies whose debts
10 are submitted by the same organization, the claims have priority
11 based on the date each local agency requested the organization to
12 submit debts on its behalf.

13 ~~"§ 105A-13. Disposition of proceeds collected; collection~~
14 ~~Collection assistance fees.~~

15 ~~(a) Upon effecting final setoffs, the Department shall~~
16 ~~periodically write checks to the respective claimant agencies for~~
17 ~~the net proceeds collected on their behalf.~~

18 ~~(b) Each year the Department shall determine its actual cost of~~
19 ~~collection under the Setoff Debt Collection Act for the~~
20 ~~immediately preceding year and shall calculate the percentage~~
21 ~~that cost represents of the preceding year's collections,~~
22 ~~excluding collections of child support arrearages under G.S.~~
23 ~~105A-2(1)d. The Department shall retain that percentage from the~~
24 ~~gross proceeds collected by the Department through setoff for the~~
25 ~~current year, other than the gross proceeds collected of child~~
26 ~~support arrearages under G.S. 105A-2(1)d. To recover the costs~~
27 ~~incurred by the Department in collecting debts under this~~
28 ~~Chapter, a collection assistance fee of no more than fifteen~~
29 ~~dollars (\$15.00) is imposed on each debt collected through~~
30 ~~setoff. The Department must collect this fee as part of the debt~~
31 ~~and retain it. The Department must set the amount of the~~
32 ~~collection assistance fee based on it's actual cost of collection~~
33 ~~under this Chapter for the immediately preceding year. If the~~
34 ~~Department is able to collect only part of a debt through setoff,~~
35 ~~the collection assistance fee has priority over the remainder of~~
36 ~~the debt. The collection assistance fee shall not be added to~~
37 ~~child support debts or collected as part of child support debts.~~
38 ~~Instead, the Department shall retain from collections under~~
39 ~~Division II of Article 4 of Chapter 105 of the General Statutes~~
40 ~~the cost of collecting child support debts under this Chapter.~~

41 "§ 105A-14. Accounting to the claimant agency; credit to
42 debtor's obligation.

43 (a) Simultaneously with the transmittal of a check for the net
44 proceeds collected to a claimant agency, the Department shall

1 must provide the agency with an accounting of the setoffs
2 ~~finalized~~ for which payment is being made. The accounting ~~shall,~~
3 must whenever possible, include the full names of the debtors,
4 the debtors' social security numbers, the gross proceeds
5 collected per ~~individual~~ setoff, the net proceeds collected per
6 setoff, and the collection assistance fee added to the debt and
7 collected charged per setoff.

8 (b) Upon receipt by a claimant agency of ~~a check representing~~
9 net proceeds collected on ~~a~~ the claimant agency's behalf by the
10 ~~Department~~ Department, a final determination of the claim if it
11 is a State agency claim, and an accounting of the proceeds as
12 specified under this section, the claimant agency ~~shall~~ must
13 credit the debtor's obligation with the gross net proceeds
14 collected.

15 "§ 105A-15. Confidentiality exemption; nondisclosure.

16 (a) Notwithstanding G.S. 105-259 or any other provision of law
17 prohibiting disclosure by the Department of the contents of
18 taxpayer records or information and notwithstanding any
19 confidentiality statute of any claimant agency, ~~all the exchange~~
20 of any information exchanged among the Department, the claimant
21 agency, the organization submitting debts on behalf of a local
22 agency, and the debtor necessary to accomplish and effectuate the
23 intent of this Article implement this Chapter is lawful.

24 (b) The information ~~obtained by~~ a claimant agency ~~or an~~
25 organization submitting debts on behalf of a local agency obtains
26 from the Department in accordance with the exemption allowed by
27 subsection (a) ~~shall only~~ may be used by ~~a claimant the~~ agency or
28 organization only in the pursuit of its debt collection duties
29 and ~~practices and any person employed by, or formerly employed~~
30 ~~by, a claimant agency who discloses any such information for any~~
31 ~~other purpose, except as otherwise allowed by G.S. 105-259, shall~~
32 ~~be penalized in accordance with the terms of that statute.~~
33 practices and may not be disclosed except as provided in G.S.
34 105-259, 153A-148.1, or 160A-208.1.

35 "§ 105A-16. Rules and regulations. Rules.

36 The Secretary of Revenue ~~is authorized to prescribe forms and~~
37 ~~make all rules which he deems necessary in order to effectuate~~
38 ~~the intent of this Article.~~ may adopt rules to implement this
39 Chapter. The State Controller may adopt rules to implement this
40 Chapter."

41 Section 2. G.S. 105-266(b) reads as rewritten:

42 "(b) Interest. -- An overpayment of tax bears interest at the
43 rate established in G.S. 105-241.1(i) from the date that interest
44 begins to accrue until a refund is paid. A refund sent to a

1 taxpayer is considered paid on a date determined by the Secretary
2 that is no sooner than five days after a refund check is mailed.
3 A refund set off against a debt pursuant to Chapter 105A of the
4 General Statutes is considered paid five days after the
5 Department mails the taxpayer a notice of the setoff, unless G.S.
6 105A-5 or G.S. 105A-8 requires the agency that requested the
7 setoff to return the refund to the taxpayer. In this
8 circumstance, the refund that was set off is not considered paid
9 until five days after the agency that requested the refund mails
10 the taxpayer a check for the refund.

11 Interest on an overpayment of a tax, other than a tax levied
12 under Article 4 or Article 8B of this Chapter, accrues from a
13 date 90 days after the date the tax was originally paid by the
14 taxpayer until the refund is paid. Interest on an overpayment of
15 a tax levied under Article 4 or Article 8B of this Chapter
16 accrues from a date 45 days after the latest of the following
17 dates until the refund is paid:

- 18 (1) The date the final return was filed.
- 19 (2) The date the final return was due to be filed.
- 20 (3) The date of the overpayment.

21 The date of an overpayment of a tax levied under Article 4 or
22 Article 8B of this Chapter is determined in accordance with
23 section 6611(d), (f), (g), and (h) of the Code."

24 Section 3. The General Assembly finds that the
25 Department of Human Resources will incur extraordinary one-time
26 costs for automation in administering the requirements of this
27 act because the various divisions of the Department of Human
28 Resources, and the county agencies through which they administer
29 their programs, have an extraordinary number of debts that they
30 are required by law to collect through setoff. Accordingly,
31 there is appropriated from the General Fund to the Department of
32 Human Resources the sum of \$X for the 1998-99 fiscal year for
33 one-time automation costs and related costs of administering the
34 requirements of this act. These funds shall not revert but shall
35 remain available to the Department of Human Resources until used
36 for this purpose.

37 Section 4. The General Assembly finds that the
38 Department of Human Resources will incur extraordinary recurring
39 costs for personnel in administering the requirements of this act
40 because the various divisions of the Department of Human
41 Resources, and the county agencies through which they administer
42 their programs, have an extraordinary number of debts that they
43 are required by law to collect through setoff. Accordingly, it
44 is the intent of the General Assembly to appropriate to the

1 Department of Human Resources the sum of \$X in recurring funds
2 beginning in the 1999-2000 fiscal biennium for recurring costs of
3 administering the requirements of this act.

4 Section 5. The changes to G.S. 105A-3(d) and G.S.
5 105A-16 made by this act are effective when this act becomes law.
6 The changes to G.S. 105A-5 made by this act become effective
7 January 1, 1999. Section 3 of this act becomes effective July 1,
8 1998. The remainder of this act becomes effective January 1,
9 2000, and applies to income tax refunds determined on or after
10 that date.

EXPLANATION OF SENATE BILL 39
Proposed Senate Finance Committee Substitute
Modify Setoff Debt Collection

TO: Senate Finance Committee
FROM: Sabra Faires, Committee Counsel
DATE: April 8, 1997
SPONSOR: Senator Larry Shaw

Senate Bill 39 is one of the bills recommended to the 1997 General Assembly by the Revenue Laws Study Committee. It modifies the Setoff Debt Collection Act, Chapter 105A of the General Statutes. Under that act, the Department of Revenue sends the income tax refund of an individual who owes money to a State agency to that agency in payment of the debt rather than to the individual. The individual's income tax refund is therefore set off against the debt the individual owes the State agency .

Senate Bill 39 expands and streamlines the setoff program as follows:

1. It requires all State agencies not given a waiver by the State Controller to use the setoff program to collect debts owed the agency. Under current law, the State agencies that are included in a list in the statute must use the setoff program to collect debts and those that are not listed cannot use the setoff program.
2. It extends the setoff program to local units of government and their agencies and establishes the procedures local units and their agencies must follow to use the setoff program. The bill allows, but does not require, local entities to use the setoff program.
3. It streamlines the setoff program by eliminating several unnecessary notices between the Department of Revenue and the claimant agencies. It accomplishes this by allowing the Department to place refunds of debtors of State agencies in escrow while the State agency finalizes the setoff.
4. It shifts the cost of the program from the agencies whose debts are collected to the debtors who owe the debts, sets a \$15.00 cap on the fee imposed for collection through setoff, and shifts the cost of collecting child support debts from all the State agencies that use the setoff program to an earmarking of income tax collections.
5. It clarifies and reorganizes some of the provisions in the Setoff Debt Collection Act.

Expansion to All State Agencies

The Setoff Debt Collection Act currently requires certain named State agencies to participate. Other State agencies may not participate, even on a voluntary basis. The bill would extend the mandatory State program to all State agencies, as recommended by the State Controller's Office, which administers the Statewide accounts receivable program pursuant to G.S. 147-86.22. If a State agency's use of the program would not be practical or cost effective in certain cases, the State Controller could waive the requirement.

Expansion to Local Governments

The idea to expand the setoff program to local entities originated with Senate Bill 761 of the 1995 Session, introduced by Senator Conder. Senate Bill 39 authorizes local governments to submit their debts for collection by setoff only after providing the debtor with notice, an opportunity to be heard before the local government, and an appeal process pursuant to the Administrative Procedure Act. After completing this process, the agency can submit the debt through the League of Municipalities, the Association of County Commissioners, or another clearinghouse. Funneling the debts through a clearinghouse rather than having each local government submit its own debts will avoid placing an undue administrative burden on the Department of Revenue.

Streamlining of Program

Under current law, the setoff process requires 3 notices to the Department by the claimant agency, 2 notices by the Department to the agency, and 2 notices to the taxpayer. The bill eliminates 2 of the notices to the Department by claimant agencies and 1 of the notices by the Department to claimant agencies.

Currently, a State agency notifies the Department of a debt. The Department checks to see if the debtor will be receiving a tax refund. If so, the Department notifies the agency that the debtor is entitled to a refund. The agency then sends the Department and the debtor a notice of intent to apply the refund to the debt. After any hearing requested by the debtor, the agency sends the Department a notice of certification of the debt. The Department then applies the tax refund to the debt and notifies the taxpayer and the agency of the setoff. If the debt is less than the refund, the Department sends the balance of the refund at the same time.

Under the bill, a claimant agency sends the Department notice of the debt and the Department immediately sets off the debt against the refund and notifies the taxpayer and the claimant agency. A local agency cannot notify the Department of a debt until after the debt has been established through notice to the debtor and a hearing, if requested. A State agency can notify the Department of a debt, have the refund placed in an escrow for the agency, notify the debtor and hold any hearing requested, and then disburse the escrowed amount accordingly.

The bill gives a debtor the same procedural and substantive rights as under current law, including the right to interest on any part of the refund found not to be a valid debt. Under current law, a debtor is notified of a potential setoff and the right to contest the setoff. The debtor receives the same notifications under the bill. Also, under the bill, if an agency fails to give the debtor the required notice, the agency must return all the refund even though a debt is owed.

Collection Assistance Fee Changes

The cost of administering the setoff debt collection program is paid by the State agencies whose debts are collected by setoff. Each year, the Department of Revenue determines its costs of running the program and recovers these costs by charging a collection assistance fee as a percentage of each debt collected. The bill caps this fee at no more than \$15.00 per debt. The actual fee is expected to be less.

The bill shifts the burden of paying the administrative costs of most setoffs from participating State agencies to the debtors. Under current law, except in the case of child support debts, the Department of Revenue retains the collection assistance fee from each setoff. The retention of the fee reduces the amount paid to the agency. The agency therefore absorbs the cost of collecting the debt by receiving less than the full amount of the debt. Under the bill, the Department of Revenue will still retain the collection assistance fee but the fee will be added to the debt and paid by the debtor from the refund rather than subtracted from the amount payable to the agency. As a result, the debtor will pay the fee out of the tax refund that was set off. This change will shift approximately \$270,000, which is the cost of collecting about 39,000 debts, from State agencies' budgets to debtors.

Under current law, the Department of Human Resources and their county counterparts use the debt setoff program to collect child support arrearages pursuant to the federal Child Support Enforcement Program. Since January 1, 1996, rather than deducting its administrative costs from amounts collected for child support arrearages, the Department of Revenue has been required to spread among other State agencies the portion of the Department's administrative costs attributable to child support collections. That change shifted child support setoff administrative costs from child support collections to other setoff collections, resulting in an increase in the percentage deducted from those other collections. The bill directs the administrative costs of collecting child support arrearages to be drawn from income tax collections rather than deducted from the amounts collected on behalf of other State agencies. The General Fund bears the cost in either case, but under the bill the cost will not come from amounts appropriated to State agencies for other purposes.

BILL NUMBER: SENATE BILL 39 (Senate Committee Substitute)

SHORT TITLE: MODIFY SETOFF DEBT COLLECTION

FISCAL IMPACT

Yes (X) No () No Estimate Available ()

REVENUES (See "Assumptions and Methodology")

EXPENDITURES (See "Assumptions and Methodology")

POSITIONS:

PRINCIPAL DEPARTMENT(S) &

PROGRAM(S) AFFECTED: The program is administered by the Department of Revenue.

EFFECTIVE DATE: The major changes under the bill apply to tax refunds determined on or after January 1, 2000.

BILL SUMMARY: The 1979 General Assembly approved legislation to allow selected State agencies to request the Department of Revenue to offset income tax refunds (if refund at least \$50) as a means of collecting debts owed agencies by taxpayers (in addition to other remedies). The Department of Revenue's cost of collecting the debt is earmarked from refunds offset, with the earmarking based on the prior year's experience.

The program has been modified over the years as other agencies have asked to be included. The bill modifies the program as follows:

- (1) Authorizes local agencies to submit debts for setoff, but only through a local government clearinghouse for all units participating.
- (2) Provides that the state agency, rather than the Department of Revenue, hold the setoff amount while the debtor is given notice and an opportunity to contest the debt.
- (3) Requires State agencies not currently allowed to use the program to submit debts for setoff unless the State Controller waives the requirement.

(0 V R)

- (4) Provides that the Department of Revenue's costs of administering the program be charged to the debtor instead of the state agency. In addition, Child Support collection fees now paid for by the earmarking of debt setoff proceeds of all participating agencies shall be funded directly from an earmarking of General Fund tax revenue.
- (5) Limits collection assistance fee to \$15 per debt collected.
- (6) Provides that the Department of Human Resources be treated as a single agency for setoff purposes and gives the Department of Human Resources first priority, after the Department of Revenue, over all other departments in the case of claims by more than one agency.
- (7) Provides a one-time appropriation of an unspecified amount to the Department of Human Resources for the 1998-99 fiscal year to implement the changes. In addition, language states the legislative intent to appropriate recurring dollars beginning in 1999-2000.
- (8) Sets up a procedure for a state or local agency to mail a refund to a taxpayer in cases where the actual debt is less than the setoff amount or where the agency does not comply with the taxpayer notification requirements of the bill. In addition, if a taxpayer protests the setoff and the decision finds that the agency is not entitled to the setoff, the agency must send the taxpayer the full setoff amount plus the collection assistance fee. The return of the collection assistance fee is financed from the agency's budget. When the setoff amount exceeds the actual debt, the agency must refund the excess but is not required to refund the collection assistance fee. The payment of interest applies to refunds sent out by agencies.

ASSUMPTIONS AND METHODOLOGY:

(1) Authorizing local government units to participate in the program will increase revenue for the cities and counties that participate. There is no data available at this time to calculate the gains. However, if the change allowed local units to collect 1/3 of their delinquent property tax bills, the additional receipts would be over \$37 million.

This provision will substantially increase the number of claims processed by the Department of Revenue. However, the proposal to shift more of the administrative burden to claimant agencies and the use of a clearinghouse to submit claims for local units should help offset the additional workload. In addition, the new claims will be eligible for collection assistance fees.

(2) Requiring State agencies currently not eligible for the program to participate will increase agency receipts by a maximum of \$1 million per year. In theory, the additional receipts should reduce General Fund budget requirements for the recipient agencies. At this time, the State Controller estimates that as much as 90% of the potential claim volume in State government is covered by the program.

(3) Requiring the Department of Revenue's costs to be paid by the debtor instead of being earmarked out of the refunds offset would increase agency receipts by a maximum of \$300,000 per year based on the 1996 experience. This would reduce General Fund budget requirements. In cases where the tax refund is greater than the debt, more of the taxpayer's refund will be offset. If the debt is greater than the refund, the collection cost will be added to the debt amount to be carried over to the following year.

(4) The shift in the funding of child support collection costs to a General Fund earmarking from an earmarking of refunds offset will change how the General Fund pays for the costs, but here will be no change in overall budget requirements.

(5) Limiting the collection assistance fee to \$15 will not have a fiscal effect since the average fee now is far less than \$15.

(6) Shifting the administrative burden on state agency debts will increase the workload and costs of state agencies. The Department of Human Resources is developing data on the impact of their operations.

1 A BILL TO BE ENTITLED
2 AN ACT TO REVISE THE SETOFF DEBT COLLECTION ACT.

3 The General Assembly of North Carolina enacts:

4 Section 1. Chapter 105A of the General Statutes reads as rewritten:

5 "Chapter 105A.

6 "Setoff Debt Collection Act.

7 "ARTICLE 1.

8 "~~In General.~~

9 "§ 105A-1. Purposes.

10 The purpose of this ~~Article~~ Chapter is to establish as policy that all claimant
11 agencies and the Department of Revenue shall cooperate in identifying debtors who
12 owe money to the State or to a local government through ~~its~~ their various ~~claimant~~
13 agencies and who qualify for refunds from the Department of Revenue. It is also the
14 intent of this ~~Article~~ Chapter that procedures be established for setting off against any
15 ~~such~~ refund the sum of any debt owed to the ~~State.~~ State or to a local government.
16 Furthermore, it is the legislative intent that this ~~Article~~ Chapter be liberally construed
17 so as to effectuate these purposes as far as legally and practically possible.

18 "§ 105A-2. Definitions.

19 The following definitions apply in this Chapter:

20 (1) Claimant agency. -- Either of the following:

21 a. A State agency.

22 b. A local agency acting through a clearinghouse or an
23 organization pursuant to G.S. 105A-3(b1).

- (2) Debt. -- Any of the following:
 - a. A sum owed to a claimant agency that has accrued through contract, subrogation, tort, operation of law, or any other legal theory regardless of whether there is an outstanding judgment for the sum.
 - b. A sum a claimant agency is authorized or required by law to collect, such as child support payments collectible under Title IV, Part D of the Social Security Act.
 - c. A sum owed as a result of an intentional program violation or a violation due to inadvertent household error under the Food Stamp Program enabled by Chapter 108A, Article 2, Part 5 of the General Statutes.
 - d. A sum owed as a result of having obtained public assistance payments under any of the following programs through an intentional false statement, intentional misrepresentation, intentional failure to disclose a material fact, or inadvertent household error:
 - 1. The Aid to Families with Dependent Children Program or the Aid to Families with Dependent Children. -- Emergency Assistance Program, enabled by Chapter 108A, Article 2, Part 2 of the General Statutes.
 - 2. The Work First Cash Assistance Program established pursuant to federal waivers received by the Department of Human Resources on February 5, 1996.
 - 3. The State-County Special Assistance for Adults Program, enabled by Chapter 108A, Article 2, Part 3 of the General Statutes.
- (3) Debtor. -- An individual who owes a debt.
- (4) Department. -- The Department of Revenue.
- (5) Reserved.
- (6) Local agency. -- A county, to the extent it is not considered a State agency, or a municipality.
- (7) Net proceeds collected. -- Gross proceeds collected through setoff against a debtor's refund minus the collection assistance fee retained by the Department.
- (8) Refund. -- An individual's North Carolina income tax refund.
- (9) State agency. -- Any of the following:
 - a. A unit of the executive, legislative, or judicial branch of State government.
 - b. A county, to the extent it administers a program supervised by the Department of Human Resources, or it operates a Child Support Enforcement Program, enabled by Chapter

9 t. ~~Any State agency in the collection of salary overpayments
 10 from former employees.~~

11 u. ~~The State Board of Education through the Superintendent
 12 of Public Instruction when in the performance of his duties
 13 of administering the program under which the State
 14 encourages participation in the National Board for
 15 Professional Teaching Standards (NBPTS) Program, enabled
 16 by Section 19.28 of Chapter 769 of the 1993 Session Laws.~~

17 (2) ~~"Debtor" means any individual owing money to or having a
 18 delinquent account with any claimant agency which obligation has
 19 not been adjudicated satisfied by court order, set aside by court
 20 order, or discharged in bankruptcy.~~

21 (3) ~~"Debt" means any liquidated sum due and owing any claimant
 22 agency which has accrued through contract, subrogation, tort,
 23 operation of law, or any other legal theory regardless of whether
 24 there is an outstanding judgment for that sum.~~

25 (4) ~~"Department" means the North Carolina Department of Revenue.~~

26 (5) ~~"Refund" means any individual's North Carolina income tax
 27 refund.~~

28 (6) ~~"Net proceeds collected" means gross proceeds collected through
 29 final setoff against a debtor's refund minus any collection
 30 assistance fee charged by the Department.~~

31 **"§ 105A-3. Remedy additional; mandatory State usage; optional local usage; obtaining
 32 identifying information; information; registration.**

33 (a) Remedy Additional. -- The collection remedy under this Article Chapter is in
 34 addition to and not in substitution for any other remedy available by law.

35 (b) Mandatory State Usage. -- ~~All claimant agencies shall submit, for collection
 36 under the procedure established by this Article, all debts which they are owed, except
 37 debts that they are advised by A State agency must submit a debt owed to it for
 38 collection under this Chapter unless the State Controller has waived this requirement
 39 or the Attorney General has advised the State agency not to submit the debt because
 40 the validity of the debt is legitimately in dispute, because an alternative means of
 41 collection is pending and believed to be adequate, or because such a collection
 42 attempt would result in a loss of federal funds. The State Controller may waive the
 43 requirement for a State agency, other than the Department of Human Resources or a
 44 county acting on behalf of that Department, to submit a debt owed to it for collection~~

1 under this Chapter if the State Controller finds that collection by this means would
2 not be practical or cost-effective. A waiver may apply to all debts owed a State
3 agency or a type of debt owed a State agency.

4 (b1) Optional Local Usage. -- A local agency may submit a debt owed to it for
5 collection under this Chapter. A local agency that decides to submit a debt owed to
6 it for collection under this Chapter must establish the debt by following the
7 procedure set in G.S. 105A-5 and must submit the debt through one of the following:

8 (1) A clearinghouse that is established pursuant to an interlocal
9 agreement adopted under Article 20 of Chapter 160A of the
10 General Statutes and has agreed to submit debts on behalf of any
11 requesting local agency.

12 (2) The North Carolina League of Municipalities.

13 (3) The North Carolina Association of County Commissioners.

14 (c) Identifying Information. -- All claimant agencies shall whenever possible
15 obtain the full name, social security number, address, and any other identifying
16 information required by ~~rules promulgated by the Department pursuant to G.S.~~
17 ~~105A-16~~ from any person for whom the agencies provide any service or transact any
18 business and who the claimant agencies can foresee may become a debtor under this
19 Article. Chapter.

20 (d) Registration and Reports. -- A ~~claimant~~ State agency must register with the
21 Department and with the State Controller. Every State agency must report annually
22 to the ~~Department~~ State Controller the amount of debts owed to the agency for
23 which the agency did not submit a claim for setoff and the reason for not submitting
24 the claim.

25 A clearinghouse or an organization that submits debts on behalf of a local agency
26 must register with the Department. Once a clearinghouse registers with the
27 Department under this subsection, no other clearinghouse may register to submit
28 debts for collection under this Chapter.

29 "§ 105A-4. Minimum ~~sum collectible, debt and refund.~~

30 ~~A claimant agency shall not be allowed to effect final setoff and collect debts~~
31 ~~through use of the remedy established under this Article unless both the debt and the~~
32 ~~refund, if any, are~~ This Chapter applies only to a debt that is at least fifty dollars
33 ~~(\$50.00).~~ (\$50.00) and to a refund that is at least this same amount.

34 "§ 105A-5. Local agency notice, hearing, and decision.

35 (a) Prerequisite. -- A local agency may not submit a debt for collection under this
36 Chapter until it has given the notice required by this section, and the claim has been
37 finally determined as provided in this section.

38 (b) Notice. -- A local agency must send written notice to a debtor that the agency
39 intends to submit the debt owed by the debtor for collection by setoff. The notice
40 must explain the basis for the agency's claim to the debt and that the agency intends
41 to apply the debtor's refund against the debt. The notice must also inform the debtor
42 that the debtor has the right to contest the matter by filing a request for a hearing
43 with the local agency, must state the time limits and procedure for requesting the

1 hearing, and must state that failure to request a hearing within the required time will
2 result in setoff of the debt.

3 (c) Administrative Review. -- A debtor who decides to contest a proposed setoff
4 must file a written request for a hearing with the local agency within 30 days after the
5 date the local agency mails a notice of the proposed action to the debtor. A request
6 for a hearing is considered to be filed when it is delivered for mailing with postage
7 prepaid and properly addressed. The governing body of the local agency or a person
8 designated by the governing body must hold the hearing.

9 If the debtor disagrees with the decision of the governing body or the person
10 designated by the governing body, the debtor may file a petition for a contested case
11 under Article 3 of Chapter 150B of the General Statutes. The petition must be filed
12 within 30 days after the debtor receives a copy of the local decision. Notwithstanding
13 the provisions of G.S. 150B-2, a local agency is considered an agency for purposes of
14 contested cases and appeals under this Chapter.

15 In a hearing under this section, an issue that has previously been litigated in a
16 court proceeding cannot be considered.

17 (d) Decision. -- A decision made after a hearing under this section must determine
18 whether a debt is owed to the local agency and the amount of the debt.

19 (e) Return of Amount Setoff. -- If a local agency submits a debt for collection
20 under this Chapter without sending the notice required by subsection (b) of this
21 section, the agency must send the taxpayer the entire amount set off plus the
22 collection assistance fee retained by the Department. Similarly, if a local agency
23 submits a debt for collection under this Chapter after sending the required notice but
24 before final determination of the debt, and a decision finds that the local agency is
25 not entitled to any part of the amount set off, the agency must send the taxpayer the
26 entire amount set off plus the collection assistance fee retained by the Department.
27 That portion of the amount returned that reflects the collection assistance fee must be
28 paid from the local agency's funds.

29 If a local agency submits a debt for collection under this Chapter after sending the
30 required notice and the net proceeds collected that are credited to the local agency
31 for the debt exceed the amount of the debt, the local agency must send the balance to
32 the debtor. No part of the collection assistance fee retained by the Department may
33 be returned when a notice was sent and a debt is owed but the debt is less than the
34 amount set off.

35 Interest accrues on the amount of a refund returned to a taxpayer under this
36 subsection in accordance with G.S. 105-266. A local agency that returns a refund to a
37 taxpayer under this subsection must pay from the local agency's funds any interest
38 that has accrued since the fifth day after the Department mailed the notice of setoff
39 to the taxpayer.

40 ~~Collection of sums due claimant agencies through setoff.~~

41 ~~Subject to the limitations contained in this Article, the Department of Revenue~~
42 ~~shall upon request render assistance in the collection of any delinquent account or~~
43 ~~debt owing to any claimant agency. This assistance shall be provided by setting off~~

1 ~~any refunds due the debtor from the Department by the sum certified by claimant~~
2 ~~agency as due and owing.~~

3 **"§ 105A-6. Procedure for Department to follow in making setoff.**

4 (a) Notice to Department. -- A claimant agency seeking to attempt collection of a
5 debt through setoff ~~shall~~ must notify the Department in writing and supply ~~(i)~~
6 information necessary to identify the debtor whose refund is sought to be set off ~~and~~
7 ~~(ii) off.~~ The claimant agency may include with the notification the date, if any, that
8 the debt is expected to expire. Notification to the Department and the furnishing of
9 identifying information must occur on or before a date specified by the Department
10 in the first year preceding the calendar year during which the refund would be paid.
11 The notice is effective to initiate setoff against refunds that would be made in
12 calendar years following the year in which the notice was first made until the date
13 specified in the notice that the debt is expected to expire. The agency shall must
14 notify the Department in writing when a debt has been paid or is no longer owed the
15 agency.

16 (b) Setoff by Department. -- The Department, upon receipt of notification, shall
17 must determine each year whether the debtor to the claimant agency is entitled to a
18 refund of at least fifty dollars (\$50.00) from the Department. Upon determination by
19 the Department that a debtor specified by a claimant agency qualifies for such a
20 refund, the Department shall ~~notify in writing the claimant agency that a refund is~~
21 ~~pending, specify its sum, and indicate the debtor's address as listed on the tax return.~~

22 (e) ~~Unless stayed by court order, the Department shall, upon certification as~~
23 ~~provided in this Article, must set off the certified debt against the refund to which the~~
24 ~~debtor would otherwise be entitled. entitled and must refund any remaining balance~~
25 to the debtor. The Department must mail the debtor written notice that the setoff
26 has occurred and must credit the net proceeds collected to the claimant agency. If
27 the claimant agency is a State agency, that agency must credit the amount received to
28 a nonreverting trust account and must follow the procedure set in G.S. 105A-8.

29 **"§ 105A-7. Notification of intention to set off and right to hearing.**

30 (a) ~~The claimant agency, upon receipt of notification from the Department that a~~
31 ~~debtor is entitled to a refund, shall within 10 days send a written notification to the~~
32 ~~debtor and a copy of same to the Department of its assertion of rights to the refund~~
33 ~~or any part thereof. Such notification shall inform the debtor of the claimant agency's~~
34 ~~intention to direct the Department to apply the refund or any portion thereof against~~
35 ~~the debt certified as due and owing. For the Department to be obligated to continue~~
36 ~~holding refunds until receipt of certification of the debt, if any, pursuant to G.S.~~
37 ~~105A-10, the copy of the notification to the debtor by the claimant agency of its~~
38 ~~intention to set off must be received by the Department within 15 days of the date of~~
39 ~~the Department's mailing to the respective claimant agency the notification of the~~
40 ~~debtor's entitlement to a refund.~~

41 (b) ~~The contents of the written notification to the debtor (and the Department's~~
42 ~~copy) of the setoff claim shall clearly set forth the basis for the claim to the refund,~~
43 ~~the intention to apply the refund against the debt to the claimant agency, the debtor's~~
44 ~~opportunity to give written notice of intent to contest the validity of the claim within~~

~~30 days of the date of the mailing of the notice, the mailing address to which the application for a hearing must be sent, and the fact that failure to apply for a hearing in writing within the 30 day period will be deemed a waiver of the opportunity to contest the claim causing final setoff by default.~~

~~(e) The written application by the debtor for a hearing shall be effective upon mailing the application postage prepaid and properly addressed to the claimant agency.~~

"§ 105A-8. Hearing procedure: State agency notice, hearing, decision, and refund of setoff.

(a) Notice. -- Within 10 days after a State agency receives a refund of a debtor, the agency must send the debtor written notice that the agency has received the debtor's refund. The notice must explain the debt that is the basis for the agency's claim to the debtor's refund and that the agency intends to apply the refund against the debt. The notice must also inform the debtor that the debtor has the right to contest the matter by filing a request for a hearing, must state the time limits and procedure for requesting the hearing, and must state that failure to request a hearing within the required time will result in setoff of the debt. A State agency that does not send a debtor a notice within the time required by this subsection must refund the amount set off plus the collection assistance fee, in accordance with subsection (e) of this section.

(c) Hearing. -- A hearing on a contested claim of a State agency, except a constituent institution of The University of North Carolina or the Employment Security Commission, must be conducted in accordance with Article 3 of Chapter 150B of the General Statutes. A hearing on a contested claim of a constituent institution of The University of North Carolina must be conducted in accordance with administrative procedures approved by the Attorney General. A hearing on a contested claim of the Employment Security Commission must be conducted in accordance with rules adopted by that Commission. A request for a hearing on a contested claim of any State agency must be filed within 30 days after the State agency mails the debtor notice of the proposed setoff. A request for a hearing is considered to be filed when it is delivered for mailing with postage prepaid and properly addressed. In a hearing under this section, an issue that has previously been litigated in a court proceeding cannot be considered.

(d) Decision. -- A decision made after a hearing under this section must determine whether a debt is owed to the State agency and the amount of the debt.

(e) Return of Amount Set Off. -- If a State agency fails to send the notice required by subsection (a) of this section within the required time or a decision finds that a State agency is not entitled to any part of an amount set off, the agency must send the taxpayer the entire amount set off plus the collection assistance fee retained by the Department. That portion of the amount returned that reflects the collection assistance fee must be paid from the State agency's funds.

If a debtor owes a debt to a State agency and the net proceeds credited to the State agency for the debt exceed the amount of the debt, the State agency must send the balance to the debtor. No part of the collection assistance fee retained by the

1 Department may be returned when a debt is owed but it is less than the amount set
2 off.

3 Interest accrues on the amount of a refund returned to a taxpayer under this
4 subsection in accordance with G.S. 105-266. A State agency that returns a refund to a
5 taxpayer under this subsection must pay from the State agency's funds any interest
6 that has accrued since the fifth day after the Department mailed the notice of setoff
7 to the taxpayer.

8 ~~(a) A hearing on a contested claim, other than a claim of a constituent institution~~
9 ~~of The University of North Carolina, or a claim of the Employment Security~~
10 ~~Commission of North Carolina, shall be conducted in accordance with Article 3 of~~
11 ~~Chapter 150B of the General Statutes. A hearing on a contested claim of a~~
12 ~~constituent institution of The University of North Carolina shall be conducted in~~
13 ~~accordance with administrative procedures approved by the Attorney General. A~~
14 ~~hearing on a contested claim of the Employment Security Commission of North~~
15 ~~Carolina shall be conducted in accordance with regulations adopted by the~~
16 ~~Employment Security Commission of North Carolina. Additionally, it shall be~~
17 ~~determined at the hearing whether the claimed sum asserted as due and owing is~~
18 ~~correct, and if not, an adjustment to the claim shall be made.~~

19 ~~(b) Pending final determination at hearing of the validity of the debt asserted by~~
20 ~~the claimant agency, no action shall be taken in furtherance of collection through the~~
21 ~~setoff procedure allowed under this Article.~~

22 ~~(c) No issues may be considered at the hearing which have been previously~~
23 ~~litigated.~~

24 **"§ 105A-9. Appeals from hearings.**

25 Appeals from ~~action taken at~~ hearings allowed under this Article Chapter, other
26 than those conducted by the Employment Security Commission, shall be in
27 accordance with the provisions of Chapter 150B of the General Statutes, the
28 Administrative Procedure Act, except that the place of initial judicial review shall be
29 the superior court for the county in which the debtor resides. Appeals from ~~actions~~
30 hearings allowed under this Article Chapter that are conducted by the Employment
31 Security Commission of North Carolina shall be in accordance with the provisions of
32 Chapter 96 of the General Statutes.

33 ~~"§ 105A-10. Certification of debt by claimant agency; finalization of setoff.~~

34 ~~(a) Upon final determination through hearing provided by G.S. 105A-8 of the debt~~
35 ~~due and owing the claimant agency or upon the debtor's default for failure to~~
36 ~~comply with G.S. 105A-7 mandating timely request for review of the asserted basis~~
37 ~~for setoff, the claimant agency shall within 20 days certify the debt to the Department~~
38 ~~and in default thereof, the Department shall no longer be obligated to hold the~~
39 ~~refund for setoff.~~

40 ~~(b) Upon receipt by the Department of a certified debt from the claimant agency,~~
41 ~~the Department shall finalize the setoff by transferring the net proceeds collected for~~
42 ~~credit or payment in accordance with the provisions of G.S. 105A-14 and by~~
43 ~~refunding any remaining balance to the debtor as if setoff had not occurred.~~

44 ~~"§ 105A-11. Notice of final setoff.~~

1 ~~Upon the finalization of setoff under the provisions of this Article, the Department~~
2 ~~shall notify the debtor in writing of the action taken along with an accounting of the~~
3 ~~action taken on any refund. If there is an outstanding balance after setoff, the notice~~
4 ~~under this section shall accompany the balance when disbursed.~~

5 **"§ 105A-12. Priorities in claims to setoff.**

6 ~~Priority in multiple claims to refunds allowed to be set off under the provisions of~~
7 ~~this Article shall be in the order in time which a claimant agency has filed a written~~
8 ~~notice with the Department of its intention to effect collection through setoff under~~
9 ~~this Article. Notwithstanding the priority set forth above according to time of filing,~~
10 ~~the Department has priority over all other claimant agencies for collection by~~
11 ~~setoff whenever it is a competing agency for a refund. The Department of Human~~
12 ~~Resources and the counties that are acting on behalf of that Department and are~~
13 ~~therefore considered to be State agencies have priority over all other State agencies~~
14 ~~except the Department of Revenue. State agencies have priority over local agencies~~
15 ~~for collection by setoff. When there are multiple claims by State agencies that do not~~
16 ~~have priority over other State agencies, the claims have priority based on the date~~
17 ~~each agency registered with the Department under G.S. 105A-3. When there are~~
18 ~~multiple claims by two or more organizations submitting debts on behalf of local~~
19 ~~agencies, the claims have priority based on the date each organization registered with~~
20 ~~the Department under G.S. 105A-3. When there are multiple claims among local~~
21 ~~agencies whose debts are submitted by the same organization, the claims have priority~~
22 ~~based on the date each local agency requested the organization to submit debts on its~~
23 ~~behalf.~~

24 **"§ 105A-13. ~~Disposition of proceeds collected; collection~~ Collection assistance fees.**

25 ~~(a) Upon effecting final setoffs, the Department shall periodically write checks to~~
26 ~~the respective claimant agencies for the net proceeds collected on their behalf.~~
27 ~~(b) Each year the Department shall determine its actual cost of collection under~~
28 ~~the Setoff Debt Collection Act for the immediately preceding year and shall calculate~~
29 ~~the percentage that cost represents of the preceding year's collections, excluding~~
30 ~~collections of child support arrearages under G.S. 105A-2(1)d. The Department shall~~
31 ~~retain that percentage from the gross proceeds collected by the Department through~~
32 ~~setoff for the current year, other than the gross proceeds collected of child support~~
33 ~~arrearages under G.S. 105A-2(1)d. To recover the costs incurred by the Department~~
34 ~~in collecting debts under this Chapter, a collection assistance fee of no more than~~
35 ~~fifteen dollars (\$15.00) is imposed on each debt collected through setoff. The~~
36 ~~Department must collect this fee as part of the debt and retain it. The Department~~
37 ~~must set the amount of the collection assistance fee based on its actual cost of~~
38 ~~collection under this Chapter for the immediately preceding year. If the Department~~
39 ~~is able to collect only part of a debt through setoff, the collection assistance fee has~~
40 ~~priority over the remainder of the debt. The collection assistance fee shall not be~~
41 ~~added to child support debts or collected as part of child support debts. Instead, the~~
42 ~~Department shall retain from collections under Division II of Article 4 of Chapter~~
43 ~~105 of the General Statutes the cost of collecting child support debts under this~~
44 ~~Chapter.~~

1 "**§ 105A-14. Accounting to the claimant agency; credit to debtor's obligation.**

2 (a) Simultaneously with the transmittal of ~~a check for~~ the net proceeds collected
3 to a claimant agency, the Department ~~shall~~ must provide the agency with an
4 accounting of the setoffs ~~finalized~~ for which payment is being made. The accounting
5 ~~shall, must,~~ whenever possible, include the full names of the debtors, the debtors'
6 social security numbers, the gross proceeds collected per ~~individual~~ setoff, the net
7 proceeds collected per setoff, and the collection assistance fee added to the debt and
8 collected charged per setoff.

9 (b) Upon receipt by a claimant agency of ~~a check representing~~ net proceeds
10 collected on ~~a~~ the claimant agency's behalf by the ~~Department~~ Department, a final
11 determination of the claim if it is a State agency claim, and an accounting of the
12 proceeds as specified under this section, the claimant agency ~~shall~~ must credit the
13 debtor's obligation with the gross net proceeds collected.

14 "**§ 105A-15. Confidentiality exemption; nondisclosure.**

15 (a) Notwithstanding G.S. 105-259 or any other provision of law prohibiting
16 disclosure by the Department of the contents of taxpayer records or information and
17 notwithstanding any confidentiality statute of any claimant agency, ~~at~~ the exchange of
18 any information exchanged among the Department, the claimant agency, the
19 organization submitting debts on behalf of a local agency, and the debtor necessary to
20 ~~accomplish and effectuate the intent of this Article~~ implement this Chapter is lawful.

21 (b) The information ~~obtained by~~ a claimant agency or an organization submitting
22 debts on behalf of a local agency obtains from the Department in accordance with the
23 exemption allowed by subsection (a) ~~shall only~~ may be used by ~~a claimant~~ the agency
24 or organization only in the pursuit of its debt collection duties and ~~practices and any~~
25 ~~person employed by, or formerly employed by, a claimant agency who discloses any~~
26 ~~such information for any other purpose, except as otherwise allowed by G.S. 105-259,~~
27 ~~shall be penalized in accordance with the terms of that statute.~~ practices and may not
28 be disclosed except as provided in G.S. 105-259, 153A-148.1, or 160A-208.1.

29 "**§ 105A-16. Rules and regulations. Rules.**

30 The Secretary of Revenue ~~is authorized to prescribe forms and make all rules~~
31 ~~which he deems necessary in order to effectuate the intent of this Article.~~ may adopt
32 rules to implement this Chapter. The State Controller may adopt rules to implement
33 this Chapter."

34 Section 2. G.S. 105-266(b) reads as rewritten:

35 "(b) Interest. -- An overpayment of tax bears interest at the rate established in
36 G.S. 105-241.1(i) from the date that interest begins to accrue until a refund is paid. A
37 refund sent to a taxpayer is considered paid on a date determined by the Secretary
38 that is no sooner than five days after a refund check is mailed.

39 A refund set off against a debt pursuant to Chapter 105A of the General Statutes is
40 considered paid five days after the Department mails the taxpayer a notice of the
41 setoff, unless G.S. 105A-5 or G.S. 105A-8 requires the agency that requested the
42 setoff to return the refund to the taxpayer. In this circumstance, the refund that was
43 set off is not considered paid until five days after the agency that requested the
44 refund mails the taxpayer a check for the refund.

1 Interest on an overpayment of a tax, other than a tax levied under Article 4 or
2 Article 8B of this Chapter, accrues from a date 90 days after the date the tax was
3 originally paid by the taxpayer until the refund is paid. Interest on an overpayment of
4 a tax levied under Article 4 or Article 8B of this Chapter accrues from a date 45 days
5 after the latest of the following dates until the refund is paid:

- 6 (1) The date the final return was filed.
- 7 (2) The date the final return was due to be filed.
- 8 (3) The date of the overpayment.

9 The date of an overpayment of a tax levied under Article 4 or Article 8B of this
10 Chapter is determined in accordance with section 6611(d), (f), (g), and (h) of the
11 Code."

12 Section 3. The General Assembly finds that the Department of Human
13 Resources will incur extraordinary one-time costs for automation in administering the
14 requirements of this act because the various divisions of the Department of Human
15 Resources and the county agencies through which they administer their programs
16 have an extraordinary number of debts that they are required by law to collect
17 through setoff. Accordingly, there is appropriated from the General Fund to the
18 Department of Human Resources the sum of \$X for the 1998-99 fiscal year for
19 one-time automation costs and related costs of administering the requirements of this
20 act. These funds shall not revert but shall remain available to the Department of
21 Human Resources until used for this purpose.

22 Section 4. The General Assembly finds that the Department of Human
23 Resources will incur extraordinary recurring costs for personnel in administering the
24 requirements of this act because the various divisions of the Department of Human
25 Resources and the county agencies through which they administer their programs
26 have an extraordinary number of debts that they are required by law to collect
27 through setoff. Accordingly, it is the intent of the General Assembly to appropriate
28 to the Department of Human Resources the sum of \$X in recurring funds beginning
29 in the 1999-2000 fiscal year for recurring costs of administering the requirements of
30 this act.

31 Section 5. The changes to G.S. 105A-3(d) and G.S. 105A-16 made by
32 this act are effective when this act becomes law. The changes to G.S. 105A-5 made
33 by this act become effective January 1, 1999. Section 3 of this act becomes effective
34 July 1, 1998. The remainder of this act becomes effective January 1, 2000, and
35 applies to income tax refunds determined on or after that date.

GENERAL ASSEMBLY OF NORTH CAROLINA

SESSION 1997

S

1

SENATE BILL 266

Short Title: Production and Sale of Red Deer.

(Public)

Sponsors: Senators Ledbetter; Allran, Ballantine, Blust, Carpenter, Carrington, Clark, Cochrane, East, Forrester, Foxx, Garwood, Hartsell, Horton, Kincaid, McDaniel, Page, Rucho, Shaw of Guilford, and Webster.

Referred to: Agriculture/Environment/Natural Resources.

February 27, 1997

1 A BILL TO BE ENTITLED

2 AN ACT TO AUTHORIZE THE PRODUCTION AND SALE OF RED DEER.

3 The General Assembly of North Carolina enacts:

4 Section 1. Article 49 of Chapter 106 of the General Statutes reads as
5 rewritten:

6 "ARTICLE 49H.

7 "Production and Sale of Fallow ~~Deer.~~ Deer and Red Deer.

8 "**§ 106-549.97. Regulation of fallow deer and red deer by Department of Agriculture;**
9 **certain authority of North Carolina Wildlife Resources Commission not affected.**

10 (a) The Department of Agriculture shall regulate the production and sale of
11 fallow deer and red deer for food purposes. The Board of Agriculture shall adopt
12 rules for the production and sale of fallow deer and red deer for food purposes in
13 such a manner as to provide for close supervision of any person, firm, or corporation
14 producing and selling fallow deer or red deer, or both, for food purposes.

15 ~~As used in this section, 'fallow deer' (*Dama dama* spp.) means a small European~~
16 ~~deer raised commercially for production and sale for food purposes.~~

17 (b) The North Carolina Wildlife Resources Commission shall regulate the
18 possession and transportation of live fallow deer and live red deer and may adopt
19 rules to prevent the release or escape of fallow deer or red deer, or both, upon
20 finding that it is necessary to protect live fallow deer or live red deer, or both or to
21 prevent damage to ~~the~~ either or both of these native deer population populations or
22 ~~its habitat.~~ their habitats.

1 (c) As used in this Article:

2 (1) 'Fallow deer' means a small European deer (Dama dama spp).

3 (2) 'Red deer' means a deer native to Europe (Cervus elephus).

4 "§ 106-549.98. **Inspection fees.**

5 The Commissioner may establish a fee at an hourly rate to be paid by the owner,
6 proprietor, or operator of each slaughtering, meat-canning, salting, packing,
7 rendering, or similar establishment for the purpose of defraying the expenses incurred
8 in the inspection of fallow deer as required by Article 49B of Chapter 106 of the
9 General Statutes. The Commissioner may establish a fee at an hourly rate to be paid
10 by the owner, proprietor, or operator of each slaughtering, meat-canning, salting,
11 packing, rendering, or similar establishment for the purpose of defraying the expenses
12 incurred in the inspection of red deer as required by Article 49B of Chapter 106 of
13 the General Statutes."

14 Section 2. G.S. 113-129(1b) reads as rewritten:

15 "(1b) Big Game. -- Bear, wild boar, wild turkey, and deer, not to
16 include fallow deer or red deer raised for production and sale
17 under G.S. 106-549.97."

18 Section 3. G.S. 113-129(7c) reads as rewritten:

19 "(7c) Game Animals. -- Bear, fox, rabbit, squirrel, wild boar, and deer,
20 not to include fallow deer or red deer raised for production and
21 sale under G.S. 106-549.97; bobcat, opossum, and raccoon except
22 when trapped in accordance with provisions relating to fur-
23 bearing animals."

24 Section 4. G.S. 106-549.15(14) reads as rewritten:

25 "(14) 'Meat food product' means any product capable of use as human
26 food that is made wholly or in part from any meat or other
27 portion of the carcass of any cattle, sheep, swine, goats, bison, ~~or~~
28 fallow deer, or red deer, excepting products that contain meat or
29 other portions of such carcasses only in a relatively small
30 proportion or historically have not been considered by consumers
31 as products of the meat food industry, and that are exempted
32 from definition as a meat food product by the Board under such
33 conditions as it may prescribe to assure that the meat or other
34 portions of such carcasses contained in such product are not
35 adulterated and that such products are not represented as meat
36 food products. This term as applied to food products of equines
37 shall have a meaning comparable to that provided in this
38 subdivision with respect to cattle, sheep, swine, goats, and bison."

39 Section 5. G.S. 106-549.15(22) reads as rewritten:

40 "(22) 'Renderer' means any person, firm, or corporation engaged in the
41 business of rendering carcasses, or parts or products of the
42 carcasses, of cattle, sheep, swine, goats, fallow deer, red deer,
43 horses, mules, or other equines, except rendering conducted
44 under inspection under this Article."

1 Section 6. G.S. 106-549.17 reads as rewritten:

2 "§ 106-549.17. Inspection of animals before slaughter; humane methods of
3 slaughtering.

4 (a) For the purpose of preventing the use in intrastate commerce, as hereinafter
5 provided, of meat and meat food products which are adulterated, the Commissioner
6 shall cause to be made, by inspectors appointed for that purpose, an examination and
7 inspection of all cattle, sheep, swine, goats, fallow deer, red deer, bison, horses,
8 mules, and other equines before they shall be allowed to enter into any slaughtering,
9 packing, meat-canning, rendering, or similar establishment in this State in which
10 slaughtering and preparation of meat and meat food products of such animals are
11 conducted for intrastate commerce; and all cattle, sheep, swine, goats, fallow deer,
12 red deer, bison, horses, mules, and other equines found on such inspection to show
13 symptoms of disease shall be set apart and slaughtered separately from all other
14 cattle, sheep, swine, goats, fallow deer, red deer, bison, horses, mules, or other
15 equines, and when so slaughtered, the carcasses of said cattle, sheep, swine, goats,
16 fallow deer, red deer, bison, horses, mules, or other equines shall be subject to a
17 careful examination and inspection, all as provided by the rules and regulations to be
18 prescribed by the Board as herein provided for.

19 (b) For the purpose of preventing the inhumane slaughtering of livestock, the
20 Commissioner shall cause to be made, by inspectors appointed for that purpose, an
21 examination and inspection of the method by which cattle, sheep, swine, goats, fallow
22 deer, red deer, bison, horses, mules, and other equines are slaughtered and handled
23 in connection with slaughter in the slaughtering establishments inspected under this
24 law. The Commissioner may refuse to provide inspection to a new slaughtering
25 establishment or may cause inspection to be temporarily suspended at a slaughtering
26 establishment if the Commissioner finds that any cattle, sheep, swine, goats, fallow
27 deer, red deer, bison, horses, mules, or other equines have been slaughtered or
28 handled in connection with slaughter at such establishment by any method not in
29 accordance with subsection (c) of this section until the establishment furnishes
30 assurances satisfactory to the Commissioner that all slaughtering and handling in
31 connection with slaughter of livestock shall be in accordance with such a method.

32 (c) Either of the following two methods of slaughtering of livestock and handling
33 of livestock in connection with slaughter are found to be humane:

34 (1) In the case of cattle, calves, fallow deer, red deer, bison, horses,
35 mules, sheep, swine, and other livestock, all animals are rendered
36 insensible to pain by a single blow or gunshot or an electrical,
37 chemical, or other means that is rapid and effective, before being
38 shackled, hoisted, thrown, cast, or cut; or

39 (2) By slaughtering in accordance with the ritual requirements of the
40 Jewish faith or any other religious faith that prescribes a method
41 of slaughter whereby the animal suffers loss of consciousness by
42 anemia of the brain caused by the simultaneous and instantaneous
43 severance of the carotid arteries with a sharp instrument and
44 handling in connection with such slaughtering."

1 Section 7. G.S. 106-549.18 reads as rewritten:

2 **"§ 106-549.18. Inspection; stamping carcass.**

3 For the purposes hereinbefore set forth the Commissioner shall cause to be made
4 by inspectors appointed for that purpose, as hereinafter provided, a post mortem
5 examination and inspection of the carcasses and parts thereof of all cattle, sheep,
6 swine, goats, fallow deer, red deer, bison, horses, mules, and other equines, capable of
7 use as human food, to be prepared at any slaughtering, meat-canning, salting,
8 packing, rendering, or similar establishment in this State in which such articles are
9 prepared for intrastate commerce; and the carcasses and parts thereof of all such
10 animals found to be not adulterated shall be marked, stamped, tagged, or labeled, as
11 'Inspected and Passed'; and said inspectors shall label, mark, stamp, or tag as
12 'Inspected and Condemned,' all carcasses and parts thereof of animals found to be
13 adulterated; and all carcasses and parts thereof thus inspected and condemned shall
14 be destroyed for food purposes by the said establishment in the presence of an
15 inspector, and the Commissioner or his authorized representative may remove
16 inspectors from any such establishment which fails to so destroy any such condemned
17 carcass or part thereof, and said inspectors, after said first inspection shall, when they
18 deem it necessary, reinspect said carcasses or parts thereof to determine whether
19 since the first inspection the same have become adulterated and if any carcass or any
20 part thereof shall, upon examination and inspection subsequent to the first
21 examination and inspection, be found to be adulterated, it shall be destroyed for food
22 purposes by the said establishment in the presence of an inspector, and the
23 Commissioner or his authorized representative may remove inspectors from any
24 establishment which fails to [do] so destroy any such condemned carcass or part
25 thereof."

26 Section 8. G.S. 106-549.19 reads as rewritten:

27 **"§ 106-549.19. Application of Article; place of inspection.**

28 The foregoing provisions shall apply to all carcasses or parts of carcasses of cattle,
29 sheep, swine, goats, fallow deer, red deer, bison, horses, mules, and other equines or
30 the meat or meat products thereof, capable of use as human food, which may be
31 brought into any slaughtering, meat-canning, salting, packing, rendering, or similar
32 establishment, where inspection under this Article is maintained, and such
33 examination and inspection shall be had before the said carcasses or parts thereof
34 shall be allowed to enter into any department wherein the same are to be treated and
35 prepared for meat food products; and the foregoing provisions shall also apply to all
36 such products which, after having been issued from any such slaughtering, meat-
37 canning, salting, packing, rendering, or similar establishment, shall be returned to the
38 same or to any similar establishment where such inspection is maintained. The
39 Commissioner or his authorized representative may limit the entry of carcasses, part
40 of carcasses, meat and meat food products, and other materials into any establishment
41 at which inspection under this Article is maintained, under such conditions as he may
42 prescribe to assure that allowing the entry of such articles into such inspected
43 establishments will be consistent with the purposes of this and the subsequent
44 Article."

1 Section 9. G.S. 106-549.22 reads as rewritten:

2 **"§ 106-549.22. Rules and regulations of Board.**

3 The Commissioner or his authorized representative shall cause to be made, by
4 experts in sanitation, or by other competent inspectors, such inspection of all
5 slaughtering, meat-canning, salting, packing, rendering, or similar establishments in
6 which cattle, sheep, swine, goats, fallow deer, red deer, bison, horses, mules, and
7 other equines are slaughtered and the meat and meat food products thereof are
8 prepared for intrastate commerce as may be necessary to inform himself concerning
9 the sanitary conditions of the same, and the Board shall prescribe the rules and
10 regulations of sanitation under which such establishments shall be maintained; and
11 where the sanitary conditions of any such establishment are such that the meat or
12 meat food products are rendered adulterated, the Commissioner or his authorized
13 representative shall refuse to allow said meat or meat food products to be labeled,
14 marked, stamped, or tagged as 'North Carolina Department of Agriculture Inspected
15 and Passed.'"

16 Section 10. G.S. 106-549.23 reads as rewritten:

17 **"§ 106-549.23. Prohibited slaughter, sale and transportation.**

18 No person, firm, or corporation shall, with respect to any cattle, sheep, swine,
19 goats, fallow deer, red deer, bison, horses, mules, or other equines, or any carcasses,
20 parts of carcasses, meat or meat food products of any such animals:

21 (1) Slaughter any of these animals or prepare any of these articles
22 which are capable of use as human food, at any establishment
23 preparing any such articles for intrastate commerce except in
24 compliance with the requirements of this and the subsequent
25 Article;

26 (2) Slaughter, or handle in connection with slaughter, any such
27 animals in any manner not in accordance with G.S. 106-549.17(c)
28 of this Article;

29 (3) Sell, transport, offer for sale or transportation, or receive for
30 transportation, in intrastate commerce:

31 a. Any of these articles which (i) are capable of use as human
32 food and (ii) are adulterated or misbranded at the time of
33 sale, transportation, offer for sale or transportation, or
34 receipt for transportation; or

35 b. Any articles required to be inspected under this Article
36 unless they have been so inspected and passed; or

37 (4) Do, with respect to any of these articles which are capable of use
38 as human food, any act while they are being transported in
39 intrastate commerce or held for sale after such transportation,
40 which is intended to cause or has the effect of causing the articles
41 to be adulterated or misbranded."

42 Section 11. G.S. 106-549.25 reads as rewritten:

43 **"§ 106-549.25. Slaughter, sale and transportation of equine carcasses.**

1 No person, firm, or corporation shall sell, transport, offer for sale or transportation,
2 or receive for transportation, in intrastate commerce, any carcasses of horses, mules,
3 or other equines or parts of such carcasses, or the meat or meat food products
4 thereof, unless they are plainly and conspicuously marked or labeled or otherwise
5 identified as required by regulations prescribed by the Board to show the kinds of
6 animals from which they were derived. When required by the Commissioner or his
7 authorized representative, with respect to establishments at which inspection is
8 maintained under this Article, such animals and their carcasses, parts thereof, meat
9 and meat food products shall be prepared in establishments separate from those in
10 which cattle, sheep, swine, fallow deer, red deer, bison, or goats are slaughtered or
11 their carcasses, parts thereof, meats or meat food products are prepared."

12 Section 12. G.S. 106-549.26 reads as rewritten:

13 "**§ 106-549.26. Inspection of establishment; bribery of or malfeasance of inspector.**

14 The Commissioner or his authorized representative shall appoint from time to time
15 inspectors to make examination and inspection of all cattle, sheep, swine, goats,
16 fallow deer, red deer, bison, horses, mules, and other equines the inspection of which
17 is hereby provided for, and of all carcasses and parts thereof, and of all meats and
18 meat food products thereof, and of the sanitary conditions of all establishments in
19 which such meat and meat food products hereinbefore described are prepared; and
20 said inspectors shall refuse to stamp, mark, tag or label any carcass or any part
21 thereof, or meat food product therefrom, prepared in any establishment hereinbefore
22 mentioned, until the same shall have actually been inspected and found to be not
23 adulterated; and shall perform such other duties as are provided by this and the
24 subsequent Article and by the rules and regulations to be prescribed by said Board
25 and said Board shall, from time to time, make such rules and regulations as are
26 necessary for the efficient execution of the provisions of this and the subsequent
27 Article, and all inspections and examinations made under this Article shall be such
28 and made in such manner as described in the rules and regulations prescribed by said
29 Board not inconsistent with the provisions of this Article and as directed by the
30 Commissioner or his authorized representative. Any person, firm, or corporation, or
31 any agent or employee of any person, firm, or corporation, who shall give, pay, or
32 offer, directly or indirectly, to any inspector, or any other officer or employee of this
33 State authorized to perform any of the duties prescribed by this and the subsequent
34 Article or by the rules and regulations of the Board or by the Commissioner or his
35 authorized representative any money or other thing of value, with intent to influence
36 said inspector, or other officer or employee of this State in the discharge of any duty
37 herein provided for, shall be deemed guilty of a Class I felony which may include a
38 fine not less than five hundred dollars (\$500.00) nor more than ten thousand dollars
39 (\$10,000); and any inspector, or other officer or employee of this State authorized to
40 perform any of the duties prescribed by this Article who shall accept any money, gift,
41 or other thing of value from any person, firm, or corporation, or officers, agents, or
42 employees thereof, given with intent to influence his official action, or who shall
43 receive or accept from any person, firm, or corporation engaged in intrastate
44 commerce any gift, money, or other thing of value given with any purpose or intent

1 whatsoever, shall be deemed guilty of a Class I felony and shall, upon conviction
2 thereof, be summarily discharged from office and may be punished by a fine not less
3 than five hundred dollars (\$500.00) nor more than ten thousand dollars (\$10,000)."

4 Section 13. G.S. 106-549.27(a) reads as rewritten:

5 "(a) The provisions of this Article requiring inspection of the slaughter of animals
6 and the preparation of the carcasses, parts thereof, meat and meat food products at
7 establishments conducting such operations shall not

8 (1) Apply to the slaughtering by any person of animals of his own
9 raising, and the preparation by him and transportation in
10 intrastate commerce of the carcasses, parts thereof, meat and meat
11 food products of such animals exclusively for use by him and
12 members of his household and his nonpaying guests and
13 employees; nor

14 (2) To the custom slaughter by any person, firm, or corporation of
15 cattle, sheep, swine, fallow deer, red deer, bison, or goats
16 delivered by the owner thereof for such slaughter, and the
17 preparation by such slaughterer and transportation in intrastate
18 commerce of the carcasses, parts thereof, meat and meat food
19 products of such animals, exclusively for use, in the household of
20 such owner, by him, and members of his household and his
21 nonpaying guests and employees: Provided, that all carcasses,
22 parts thereof, meat and meat food products derived from custom
23 slaughter shall be identified as required by the Commissioner,
24 during all phases of slaughtering, chilling, cooling, freezing,
25 packing, meat canning, rendering, preparation, storage and
26 transportation; provided further, that the custom slaughterer does
27 not engage in the business of buying or selling any carcasses, parts
28 thereof, meat or meat food products of any cattle, sheep, swine,
29 goats, fallow deer, red deer, bison, or equines, capable of use as
30 human food, unless the carcasses, parts thereof, meat or meat
31 food products have been inspected and passed and are identified
32 as having been inspected and passed by the Commissioner or the
33 United States Department of Agriculture."

34 Section 14. G.S. 106-549.28 reads as rewritten:

35 "§ 106-549.28. Regulation of storage of meat.

36 The Board may by regulations prescribe conditions under which carcasses, parts of
37 carcasses, meat, and meat food products of cattle, sheep, swine, goats, fallow deer, red
38 deer, bison, horses, mules, or other equines, capable of use as human food, shall be
39 stored or otherwise handled by any person, firm, or corporation engaged in the
40 business of buying, selling, freezing, storing, or transporting, in or for intrastate
41 commerce, such articles, whenever the Board deems such action necessary to assure
42 that such articles will not be adulterated or misbranded when delivered to the
43 consumer. Willful violation of any such regulation is a Class 2 misdemeanor."

44 Section 15. This act is effective when it becomes law.

ASSUMPTIONS AND METHODOLOGY: The Department of Agriculture/ Meat and Poultry Inspection section charges \$26/hour to inspect “exotic” animals such as bison, ostrich and fallow deer. The Department will charge the same inspection fee for red deer. Any revenue from this fee will be deposited as a receipt in the Meat and Poultry Inspection budget. The Department could ask the Office of State Budget & Management to increase their budget so that they may spend these receipts or the agency could apply them to their budget and reduce their General Fund appropriation.

The Department has not received a request for red deer inspection and did not know of any demand for red deer meat. The Department has had the authority to inspect fallow deer since 1991, but has not made one inspection. The bill was requested on behalf of a potential deer farmer in Buncombe County. Upon enactment of this bill, this farmer will acquire 20 to 25 red deer for breeding. It will take three to four years before enough deer are available for market. The number of other potential deer farmers in the state is unknown.

EXPLANATION OF SENATE BILL 266
Production and Sale of Red Deer

TO: Senate Finance Committee
FROM: Sabra Faires, Committee Counsel
DATE: April 8, 1997
SPONSOR: Senator Ledbetter

Senate Bill 266 allows North Carolina farmers to raise red deer for production and sale. Red deer are a small European species that are raised commercially in other parts of the world. The red deer species is an exotic species to North Carolina.

The bill enables red deer to be raised for food in this State by making the following changes in the law:

Directing the Department of Agriculture to regulate the production and sale of red deer for food purposes.

Directing the Wildlife Resources Commission to regulate the possession and transportation of red deer.

Requiring red deer meat to be inspected by the Department of Agriculture when it is processed to ensure that meat distributed to consumers is wholesome, not adulterated, and properly marked, labeled, and packaged.

Authorizing the Department of Agriculture to establish an hourly fee to be paid by processors of red deer meat to defray the expenses incurred in inspecting red deer meat.

If meat is required to be inspected under federal law, the cost of the inspection is shared by the State and federal government. Red deer is not subject to the federal meat inspection laws. The cost of performing the inspection must therefore be borne by the State. The fee authorized by the bill will enable the Department to recover the costs it will incur in providing this service.

AGRICULTURAL ALTERNATIVES

Red Deer Production

Although commercial deer farming is a relatively new business, it generates more than \$100 million in annual income for major deer-producing countries, such as New Zealand, Ireland, Great Britain, and Germany. Americans consumed about 1.2 million pounds of commercially produced venison in 1992, and this market has grown 25 to 30 percent annually. Twenty-five percent of this venison is raised domestically, and the balance is imported primarily from New Zealand.

U.S. deer production is growing steadily due to increasing demand for deer products, minimal acreage requirements for production, and adaptability of deer to marginal pastures. More than 200,000 red, fallow, axis, sika, elk, and white-tailed deer are raised in national parks and on game preserves, farms, and ranches. Pennsylvania has about 30 commercial deer operations.

Compared to other livestock enterprises, deer farming has several advantages. Because deer convert pasture efficiently into protein, with proper management they can be raised on marginal land. They also fit well into an existing grazing operation. Another advantage is the high ratio of lean meat produced per pound of live weight. The labor requirements for deer production are minimal, while the profit potential can be much greater than for a comparable beef cow-calf operation.

This publication was developed by the Small-scale and Part-time Farming Project at Penn State with support from the U.S. Department of Agriculture-Extension Service.

Almost 25,000 red deer are produced annually on U.S. and Canadian farms. The advantages of raising this breed include the following:

- Red deer have a high fertility rate and a long productive breed life.
- They calve easily and wean their calves early.
- Their calm disposition and compact body size make them easy to handle and transport.
- They tolerate cold winters and hot summers and have low susceptibility to disease.
- They yield high-quality meat, by-products, and velvet antler.

Marketing

Before establishing a deer operation, you should research local demand and identify possible markets for your products. Producers can market directly or through a distributor. Individual producers can promote their products through county fairs, mail-order businesses, state and national deer associations, agricultural publications, and media outlets.

Although they are known throughout the world for their velvet production, red deer are raised mainly for venison and breeding stock. Farm-raised venison is a fine-grained, mild, tender meat with a delicate flavor that is distinctly different from wild game venison. It also meets the American Heart Association's guidelines per serving for fat, cholesterol, and calories (Table 1). While venison is sold mostly to gourmet restaurants, the meat also is sold to the general public through specialty shops or mail-order businesses, and at special events such as food fairs.

Table 1. Calories, cholesterol, fat, and protein content of various types of meat (3-ounce cooked portions).

	CALORIES	CHOLESTEROL (MG)	FAT (MG)	PROTEIN (MG)
Venison loin	139	62	5	22
Beef brisket	223	77	13	24
Ground beef	213	84	12	25
Pork shoulder	207	82	13	22
Beef bottom round	189	81	8	27
Lamb loin	183	80	8	25
Veal cutlet	155	112	4	28
Chicken breast	140	72	3	26
Salmon	140	60	5	22

SOURCE: USDA research; venison analysis by The National Food Laboratory, Inc.

Yearlings are slaughtered between 14 and 20 months of age at a weight of about 200 pounds. Two-year-olds are slaughtered at 24 to 30 months of age at a weight of 240 to 300 pounds. The meat is sold as various cuts, in quarters, and as whole carcasses. Some large producers have their own on-site USDA slaughtering facilities. For smaller operations without on-site facilities, USDA has a voluntary inspection program that for a fee offers live inspection on the farm and a postmortem inspection at a USDA-inspected slaughtering facility.

Red deer produce a large amount of good-quality velvet. The velvet antler is removed in early summer, when it has reached about 55 percent full growth and weighs 2 to 10 pounds. Velvet antler is used to produce traditional Asian medicines and tonics. The market for velvet antler often is unstable and currently is dominated by countries producing large amounts of red deer and elk.

Breeder markets are another specialized outlet for red deer producers. Weaners, yearlings, and older breeders can be sold directly to other producers or at auctions. When selling breeding stock, you need to have accurate performance and health records readily available. Many customers are looking for stags (males) with high weight gains and high velvet yields and for hinds (females) with high weight gains and good fertility. A calm temperament also is important as the animals are not completely domesticated.

Deer by-products, including hides, tails, leg sinews, antler buttons, and ivories (eye teeth), all have special markets. Stags can be sold as trophy animals to game and hunting preserves.

Facilities and Equipment

Deer farming requires special facilities, including grazing land, a fresh water supply, and natural shelter for calving, such as trees, shrubs, or fallen branches. Red deer also enjoy having an open water supply for wallowing. The stocking rate for red deer generally is six adults plus nursing calves per acre of pasture. Grazing areas should be fenced with 17 strands of wire at least 75 inches tall. A high-tensile woven deer wire is recommended. To keep calves and predators from getting under fences, add either a strand of barbed wire at ground level or an electrified wire just above ground level. Provide some form of shelter (such as a stand of trees or a three-sided shed) to protect the deer from wind, freezing rain, and the hot summer sun.

You also will need a handling facility with chutes, gates, squeezes, and stalls. A trailer with solid walls and all light sources covered is required for transporting deer. A gutted horse trailer often works well. Before building new facilities or purchasing handling equipment, you should visit other operations to determine what you will need.

Breeding

Red deer hinds are able to reproduce at approximately 16 months of age. Hinds weighing at least 175 pounds have the best chance for a successful pregnancy. Stags reach reproductive maturity at 24 to 30 months of age, and their productivity starts to decline at about 8 years of age. Although a stag's breeding rate depends on his age, one stag typically breeds 40 hinds.

Two types of breeding programs can be used. With single-sire mating, one stag is grouped with a number of hinds. This method is used to improve genetic characteristics and keep more accurate breeding records. When using single-sire mating, you should change stags after two estrus cycles (estrus cycles are 18 days apart) to ensure pregnancy. With multisire mating, several stags are grouped with a number of hinds. This method requires fewer paddocks, but it increases stag aggression and puts younger stags at a

SENATE BILL 312
Commerce Committee Substitute Adopted 4/2/97

Short Title: Regulate Check Cashing/AB.

(Public)

Sponsors:

Referred to: Finance.

March 5, 1997

- 1 A BILL TO BE ENTITLED
2 AN ACT TO REGULATE CHECK-CASHING BUSINESSES.
3 The General Assembly of North Carolina enacts:
4 Section 1. Chapter 53 of the General Statutes is amended by adding the
5 following new Article to read:
6 "ARTICLE 22.
7 "Check-Cashing Businesses.
8 "§ 53-275. Definitions.
9 As used in this Article, unless the context clearly requires otherwise, the term:
10 (1) 'Cashing' means providing currency for payment instruments, but
11 does not include the bona fide sale or exchange of travelers checks
12 and foreign denomination payment instruments.
13 (2) 'Check-cashing service' means any person or entity engaged in the
14 business of cashing checks, drafts, or money orders for a fee,
15 service charge, or other consideration.
16 (3) 'Commission' means the State Banking Commission.
17 (4) 'Commissioner' means the Commissioner of Banks.
18 (5) 'Licensee' means a person or entity licensed to engage in a check-
19 cashing business under this Article.
20 (6) 'Person' means an individual, partnership, association, or
21 corporation.
22 "§ 53-276. License required.

1 No person or other entity may engage in the business of cashing checks, drafts, or
2 money orders for consideration without first obtaining a license under this Article.
3 No person or other entity providing a check-cashing service may avoid the
4 requirements of this Article by providing a check or other currency equivalent
5 instead of currency when cashing payment instruments.

6 **"§ 53-277. Exemptions.**

7 **(a) This Article shall not apply to:**

- 8 (1) A bank, savings institution, credit union, or farm credit system
9 organized under the laws of the United States or any state; and
10 (2) Any person or entity principally engaged in the bona fide retail
11 sale of goods or services, who either as an incident to or
12 independently of a retail sale or service and not holding itself out
13 to be a check-cashing service, from time to time cashes checks,
14 drafts, or money orders for a fee or other consideration, where not
15 more than two dollars (\$2.00) is charged for the service.

16 **(b) A person licensed under Article 16 of this Chapter (Money Transmitters Act)**
17 **is exempt from G.S. 53-276, 53-278, 53-279, and 53-284, but is deemed a licensee for**
18 **purposes of the remaining provisions of this Article. This exemption does not apply**
19 **to an agent of a person licensed under Article 16 of this Chapter.**

20 **"§ 53-278. Application for license; investigation; application fee.**

21 **(a) An application for licensure under this Article shall be in writing, under oath,**
22 **and on a form prescribed by the Commissioner. The application shall set forth all of**
23 **the following:**

- 24 (1) The name and address of the applicant.
25 (2) If the applicant is a firm or partnership, the name and address of
26 each member of the firm or partnership.
27 (3) If the applicant is a corporation, the name and address of each
28 officer, director, registered agent, and principal.
29 (4) The addresses of the locations of the business to be licensed.
30 (5) Other information concerning the financial responsibility,
31 background experience, and activities of the applicant and its
32 members, officers, directors, and principals as the Commissioner
33 requires.

34 **(b) The Commissioner may make such investigations as the Commissioner deems**
35 **necessary to determine if the applicant has complied with all applicable provisions of**
36 **this Article and State and federal law.**

37 **(c) The application shall be accompanied by payment of a two hundred fifty**
38 **dollar (\$250.00) application fee and a five hundred dollar (\$500.00) investigation fee.**
39 **These fees are not refundable or abatable, but, if the license is granted, payment of**
40 **the application fee shall satisfy the fee requirement for the first license year or**
41 **remaining part thereof.**

42 **(d) Licenses shall expire annually and may be renewed upon payment of a license**
43 **fee of two hundred fifty dollars (\$250.00) plus a fifty dollar (\$50.00) fee for each**
44 **branch location certificate issued under a license.**

- 1 "§ 53-279. Liquid assets required; other qualifications; denial of license; hearing.
2 (a) Every licensee and applicant shall have and maintain liquid assets of at least
3 fifty thousand dollars (\$50,000) per licensee.
4 (b) Upon the filing and investigation of an application, and compliance by the
5 applicant with G.S. 53-278, and this section, the Commissioner shall issue and deliver
6 to the applicant the license applied for to engage in business under this Article at the
7 locations specified in the application, provided that the Commissioner finds that the
8 financial responsibility, character, reputation, experience, and general fitness of the
9 applicant and its members, officers, directors, and principals are such as to warrant
10 belief that the business will be operated efficiently and fairly, in the public interest,
11 and in accordance with law. If the Commissioner fails to make such findings, no
12 license shall be issued, and the Commissioner shall notify the applicant of the denial
13 and the reasons therefor. The applicant shall be entitled to an informal hearing on
14 the denial provided the applicant requests the hearing in writing within 30 days after
15 the Commissioner has mailed the notice required under this subsection to the
16 applicant. In the event of a hearing, which shall be held in the offices of the
17 Commissioner of Banks in Raleigh, the Commissioner shall reconsider the application
18 and, after hearing, issue a written order granting or denying the application.
19 "§ 53-280. Maximum fees for service; fees posted; endorsement of checks cashed.
20 (a) Notwithstanding any other provision of law, no check-cashing business
21 licensed under this Article shall directly or indirectly charge or collect fees or other
22 consideration for check-cashing services in excess of the following:
23 (1) Three percent (3%) of the face amount of the check or five dollars
24 (\$5.00), whichever is greater, for checks issued by the federal
25 government, State government, or any agency of the State or
26 federal government, or any county or municipality of this State.
27 (2) Ten percent (10%) of the face amount of the check or five dollars
28 (\$5.00), whichever is greater, for personal checks.
29 (3) Five percent (5%) of the face amount of the check or five dollars
30 (\$5.00), whichever is greater, for all other checks, or for money
31 orders.
32 (b) A licensee may not advance monies on the security of any check unless the
33 account from which the check being presented is drawn is legitimate, open, and
34 active. Except as provided by G.S. 53-281(a), any licensee who cashes a check for a
35 fee shall deposit the check not later than three business days from the date the check
36 is cashed.
37 (c) A licensee shall ensure that in every location conducting business under a
38 license issued under this Article, there is conspicuously posted and at all times
39 displayed a notice stating the fees charged for cashing checks, drafts, and money
40 orders. A licensee shall further ensure that notice of the fees currently charged at
41 every location shall be filed with the Commissioner.
42 (d) A licensee shall endorse every check, draft, or money order presented by the
43 licensee for payment in the name of the licensee.
44 "§ 53-281. Postdated or delayed deposit checks.

1 (a) A licensee may defer the deposit of a personal check cashed for a customer for
2 up to 31 days pursuant to the provisions of this section.

3 (b) The face amount of any postdated or delayed deposit check cashed pursuant
4 to this section shall not exceed three hundred dollars (\$300.00).

5 (c) Each postdated or delayed deposit check cashed by a licensee shall be
6 documented by a written agreement that has been signed by the customer and the
7 licensee. The written agreement shall contain a statement of the total amount of any
8 fees charged, expressed both as a dollar amount and as an effective annual percentage
9 rate (APR). The written agreement shall authorize the licensee to defer deposit of
10 the personal check until a specific date not later than 31 days from the date the check
11 is cashed.

12 (d) A licensee shall not directly or indirectly charge any fee or other consideration
13 for cashing a postdated or delayed deposit check in excess of fifteen per cent (15%)
14 of the face amount of the check.

15 (e) No check cashed under the provisions of this section shall be repaid by the
16 proceeds of another check cashed by the same licensee or any affiliate of the licensee.
17 A licensee shall not, for any consideration, renew or otherwise extend any postdated
18 or delayed check or withhold such check from deposit for any period beyond the
19 time set forth in the written agreement with the customer.

20 **§ 53-282. Record keeping; receipt requirements.**

21 (a) Every person required to be licensed under this Article shall maintain in its
22 offices such books, accounts, and records as the Commissioner may reasonably
23 require. The books, accounts, and records shall be maintained separate from any
24 other business in which the person is engaged, and shall be retained for a period
25 prescribed by the Commissioner.

26 (b) The licensee shall ensure that each customer cashing a check shall be
27 provided a receipt showing the name or trade name of the licensee, the transaction
28 date, amount of the check, and the fee charged.

29 (c) The Commissioner may examine the books, accounts, and records in order to
30 determine whether the person is complying with this Article and rules adopted
31 pursuant thereto. The cost of the examination shall be paid by the licensee and shall
32 be determined by applying the hourly rate for special examinations adopted by the
33 State Banking Commission by regulation.

34 **§ 53-283. Prohibited practices.**

35 No person required to be licensed under this Article shall do any of the following:

- 36 (1) Charge fees in excess of those authorized under this Article.
37 (2) Engage in the business of making loans of money, or extensions of
38 credit, or discounting notes, bills of exchange, items, or other
39 evidences of debt; or accepting deposits or bailments of money or
40 items, except as expressly provided by G.S. 53-281.
41 (3) Use or cause to be published or disseminated any advertising
42 communication which contains any false, misleading, or deceptive
43 statement or representation.

- 1 (4) Conduct business at premises or locations other than locations
2 licensed by the Commissioner.
3 (5) Engage in unfair, deceptive, or fraudulent practices.
4 (6) Cash a check, draft, or money order made payable to a payee
5 other than a natural person unless the licensee has previously
6 obtained appropriate documentation from the executive entity of
7 the payee clearly indicating the authority of the natural person or
8 persons cashing the check, draft, or money order on behalf of the
9 payee.

10 **"§ 53-284. Suspension and revocation of license; grounds; procedure.**

11 (a) The Commissioner may suspend or revoke any license or licenses issued
12 pursuant to this Article if, after notice and opportunity for hearing, the Commissioner
13 issues written findings that the licensee has engaged in any of the following conduct:

- 14 (1) Violated this Article or applicable State or federal law or rules.
15 (2) Made a false statement on the application for a license under this
16 Article.
17 (3) Refused to permit investigation by the Commissioner authorized
18 under this Article.
19 (4) Failed to comply with an order of the Commissioner.
20 (5) Demonstrated incompetency or untrustworthiness to engage in the
21 business of check cashing.
22 (6) Been convicted of a felony or misdemeanor involving fraud,
23 misrepresentation, or deceit.

24 (b) The Commissioner may not suspend or revoke any license issued under this
25 Article unless the licensee has been given notice and opportunity for hearing in
26 accordance with Article 3A of Chapter 150B of the General Statutes.

27 **"§ 53-285. Cease and desist orders.**

28 If the Commissioner determines that a person required to be licensed under this
29 Article has violated this Article or rules adopted pursuant to it, then the
30 Commissioner may, upon notice and opportunity for hearing in accordance with
31 Article 3A of Chapter 150B of the General Statutes, order the person to cease and
32 desist from the violations and to comply with this Article. The Commissioner may
33 enforce compliance with an order issued pursuant to this section by the imposition
34 and collection of civil penalties authorized under this Article.

35 **"§ 53-286. Civil penalties and restitution.**

36 The Commissioner may order and impose civil penalties upon any person required
37 to be licensed under this Article for violations of this Article or rules adopted
38 thereunder. Civil penalties shall not exceed one thousand dollars (\$1,000) per
39 violation. All civil money penalties collected under this Article shall be paid to the
40 county school fund. The Commissioner may also order repayment of unlawful or
41 excessive fees charged to customers.

42 **"§ 53-287. Criminal penalties.**

1 A violation of G.S. 53-276 by a person required to obtain a license under this
2 Article is a Class I felony. Each transaction involving the unlawful cashing of a
3 check, draft, or money order constitutes a separate offense.

4 **"§ 53-288. Commissioner to adopt rules.**

5 The Commissioner may adopt rules necessary to carry out the purposes of this
6 Article, to provide for the protection of the public, and to assist licensees in
7 interpreting and complying with this Article.

8 **"§ 53-289. Commission may review rules, orders, or acts by Commissioner.**

9 The Commission shall have full authority to review any rule, regulation, order, or
10 act of the Commissioner done pursuant to or with respect to the provisions of this
11 Article, and any person aggrieved by any such rule, regulation, order, or act may
12 appeal to the Commission for review upon giving notice in writing within 20 days
13 after such rule, regulation, order, or act complained of is adopted, issued, or done."

14 Section 2. The Commissioner of Banks shall report to the 2001 General
15 Assembly on the practices of licensees with regard to checks cashed pursuant to the
16 provisions of G.S. 53-281, including any evidence as to consumer complaints, unfair
17 or deceptive trade practices, and the frequency of repeat use by individuals of
18 postdated or delayed deposit checks. It is the intent of the General Assembly that the
19 sunset contained in Section 3 of this act be repealed if there is no evidence of
20 excessive complaints or unfair and deceptive trade practices.

21 Section 3. This act becomes effective October 1, 1997, and the provisions
22 of G.S. 53-281 shall expire on July 31, 2001.

SUMMARY OF SB 312: REGULATION OF CHECK CASHING SERVICES

LICENSING REQUIRED. Application on a form prescribed by Commissioner of Banks. Application fee -- \$250; one-time investigation fee -- \$500.

EXEMPTIONS. Banks and other licensed financial institutions are exempt. Also, retail sellers who charge no more than \$2.00 to cash a check.

ASSET REQUIREMENT. Licensees to maintain \$50,000 in liquid assets.

MAXIMUM FEES.

- 3% or \$5.00 (whichever is greater) for government checks
- 10% for personal checks
- 5% or \$5.00 (whichever is greater) for other checks (e.g. payroll checks) and money orders
- Fee schedule must be posted at each location.

POSTDATED OR DELAYED DEPOSIT CHECKS

- 15% maximum fee to cash check postdated or held for up to 31 days
- no "rolling over" or extending these checks for additional fees
- must be written agreement with effective APR disclosed
- four year sunset on this provision; Commissioner of Banks to report to General Assembly on delayed deposit/postdated check cashing practices

RECORD KEEPING REQUIREMENT. The Commissioner may require financial records and accounts to be maintained which are subject to examination by the Commissioner's office.

SUSPENSION OR REVOCATION OF LICENSE. Commissioner of Banks may suspend or revoke license for violation of law or rules but only after notice of violation and opportunity for hearing.

Regulation of the Business of Check Cashing

Summary and Major Points of Proposed Legislation (SB 312)

SB 312 imposes reasonable regulatory requirements on companies in the business of cashing checks. The bill's main provisions require licensing by the Commissioner of Banks, place limits on fees that can be charged, and provide safeguards on the use of postdated or delayed deposit checks. Only those in the business of cashing checks are regulated. Retail stores who may cash checks as a convenience for nominal fees are exempt.

1. Legislation to regulate the business of check cashing was recommended by a study committee in 1994. A check cashing bill passed the Senate in 1995 with bipartisan support but was not voted on in the House.

2. This bill is recommended by the Attorney General and the Commissioner of Banks. The proposed committee substitute is a compromise measure which is the result of careful negotiations between representatives of the Attorney General's Office and the check cashing industry. In its current proposed committee substitute form, the bill is acceptable to industry while retaining its important consumer protection provisions.

3. The bill would allow limited authority for cashing postdated or delayed deposit personal checks. The maximum fee for such checks would be capped at 15% and "rolling over" these checks for additional fees would be prohibited. There is a four year sunset on this provision which will allow time for the Commissioner of Banks to audit industry practices and report back to the General Assembly on his findings. The intent is that the sunset will be removed if there is no evidence of excessive complaints or unfair or deceptive practices.

4. Virtually all other forms of retail credit and small consumer loans are strictly regulated by law. This bill would create a level playing field by controlling delayed deposit transactions. Representatives of trade associations representing retail merchants, consumer finance lenders, and pawnbrokers have indicated they support licensing and regulation of check cashing businesses..

5. Congress has called upon the states to regulate the business of check cashing for money laundering control purposes. The licensing and examination provisions in this bill will satisfy the Congressional intent in the Anti-Money Laundering Act of 1994 and will serve to deter the use of check cashing operations as outlets for money laundering.

6. The licensing and examination fees specified in the bill are consistent with fees assessed by the Commissioner of Banks for other regulated consumer industries including refund anticipation lenders, money transmitters and mortgage brokers.

POSITIONS: (No new positions; will use Consumer Finance staff.)

**PRINCIPAL DEPARTMENT(S) &
PROGRAM(S) AFFECTED:** State Banking Commission

EFFECTIVE DATE: October 1, 1997

BILL SUMMARY: The bill allows the State Banking Commission to license firms in the business of cashing checks, drafts or money orders for a fee. Check-cashing businesses must apply for a license and pay an application fee of \$250. The initial application fee is accompanied by a \$500 investigation fee. The license expires annually and is renewed upon payment of \$250 plus \$50 for each branch location of the business. Check-cashing businesses must maintain \$50,000 in liquid assets and are limited in the service fees they charge. Operating without a license is a Class I felony.

ASSUMPTIONS AND METHODOLOGY: Estimates of the number of check-cashing businesses in the state were provided by officials of the State Banking Commission. The Commission anticipates beginning with 70 businesses with 110 branches on October 1, 1997. The growth rate in check cashing businesses is based on the Commission's regulatory experience with consumer finance, mortgage bankers and brokers, and refund anticipation lenders. (see chart below) The Commission also estimates that competition will cause 10 firms and 10 branches to go out of business in 2000-01 and 5 firms and 10 branches will cease operations in 2001-02.

	<u>97-98</u>	<u>98-99</u>	<u>99-00</u>	<u>00-01</u>	<u>01-02</u>
New License	70	25	10	5	5
New Branch	110	5	15	5	10
Renew License		70	95	95	95
Renew Branch		110	115	120	115
Exams	90	100	115	120	110

The chart above also shows the number of compliance exams the Banking Commission estimates it will conduct each year. Compliance exams are not financial audits, but are a method to see if companies are complying with state law in such areas as the fees being charged consumers and the filing of reports with the state. Each exam is performed by an Examiner I and takes approximately 4 hours.

In FY 1997-98, check-cashing businesses will pay \$750 for a license (\$250 application fee and a \$500 investigation fee). The license expires annually and is renewed upon payment of \$250 plus \$50 for each branch location of the business. Each compliance exam costs the firm \$140 (\$35 per hour X 4 hours). License and exam revenues are deposited as receipts for the Commission and may be spent for cost incurred in regulating the check cashing industry.

	<u>97-98</u>	<u>98-99</u>	<u>99-00</u>	<u>00-01</u>	<u>01-02</u>
New License	\$ 52,500	\$ 18,750	\$ 7,500	\$ 3,750	\$ 3,750
New Branch					
Renew License		17,500	23,750	23,750	23,750
Renew Branch		5,500	5,750	6,000	5,750
Exams	12,600	14,000	16,100	16,800	15,400
	\$ 65,100	\$ 55,750	\$ 53,100	\$ 50,300	\$ 48,650

As for the criminal penalties listed on page 6 of the bill, the Administrative Office of the Courts (AOC) does not anticipate that this legislation will have a substantial impact on the Judicial Department as there will not be any significant change in how cases are processed or disposed. The AOC believes that the very few additional cases which may result from this bill can be absorbed within existing resources. Likewise, the proposed legislation will not have a significant fiscal impact on the Department of Correction, assuming that the courts will order active sentences in a very minimal number of cases.

SENATE FINANCE COMMITTEE

WEDNESDAY, APRIL 9, 1997

8:30 A.M - ROOM 543 LOB

The Senate Finance Committee met April 9, 1997 with Senator Kerr presiding and 15 committee members present. After the meeting was called to order, Senator Kerr announced that S.B. 124 would not be heard this week.

S.B. 500 - Mtn. Island Lake Marine Commission

Senator Odom was recognized to explain S.B. 500. Senator Cooper offered a technical amendment to this bill and on his motion it was adopted by the committee. Copy of amendment and copy of bill included in the minutes. Senator Cooper moved that this bill be given a "favorable" report as amended and the motion was approved.

S.B. 424 - Wake Forest Annexations

Senator Miller was recognized to explain S.B. 424 and at the conclusion of his explanation, on motion by Senator Albertson the bill was given a "favorable" report by the committee. Copy of bill included in the minutes.

S. B. 425 - Refrigeration Contractors

Senator Miller was recognized to explain S.B. 425. Mr. Jack Nichols, Attorney for the Board, was also introduced and gave additional information on the bill. Ms. Barbara Hines, Executive Director of the State Board of Refrigeration Examiners, was also recognized to explain the actions of the Board and the fees charged by the Board. There was a general discussion on this bill with questions from the committee members directed to all three speakers. At the conclusion of this discussion, Senator Cooper moved for a "favorable" report and the motion carried. Copy of the bill and fiscal note included in the minutes.

S.B. 266 - An Act to Authorize the Production and Sale of Red Deer

This bill was discussed at the April 8th meeting. Senator Hoyle moved for adoption of a new proposed committee substitute and the motion carried. Sabra Faires reviewed the changes in the committee substitute. Senator Ballantine was recognized for a motion for "favorable" report for the committee substitute and the motion carried. Copy of bill, committee substitute, amendment and fiscal note included in the minutes.

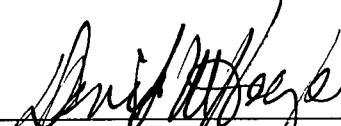

Senator Kerr noted there was a large group of visitors attending the finance meeting. Senator Foxx acknowledged that several of the visitors were representing the Farm Bureau and were from her district.

S.B. 168 - An Act to Increase the Examination and Certification Fees Collected Under the Nursing Practice Act

Senator Hoyle informed the committee that he had introduced this bill at the request of the nurses and gave an explanation of the bill. Senator Kerr offered an amendment and on his motion, the amendment was adopted by the committee. Ms. Polly Johnston, Executive Director of the North Carolina Board of Nursing, introduced herself and spoke in support of this bill. Mr. Howard Kramer, legal counsel to the Board of Nursing, informed the committee that the nursing fees in North Carolina were among the lowest in the nation. On motion of Senator Albertson, this bill was given a "favorable" report and will be rolled into a committee substitute to include the amendment. Copy of bill, amendment, committee substitute, fiscal note and information on nursing fees included in the minutes.

Senator Hoyle and Senator Rand welcomed the visitors representing the automobile association and the Farm Bureau from their districts.

Meeting adjourned.

David W. Hoyle, Co-Chair
Senate Finance Committee

John H. Kerr, III, Co-Chair
Senate Finance Committee

Penny N. Williams, Clerk

SENATE BILL 500*

Short Title: Mtn. Island Lake Marine Commission.

(Local)

Sponsors: Senator Odom.

Referred to: State Government, Local Government, and Personnel.

March 25, 1997

- 1 A BILL TO BE ENTITLED
2 AN ACT TO ESTABLISH THE MOUNTAIN ISLAND LAKE MARINE
3 COMMISSION.
4 The General Assembly of North Carolina enacts:
5 Section 1. For purposes of this act:
6 (1) "Board" means the board of commissioners of one of the three
7 counties.
8 (2) "Commission" means the Mountain Island Lake Marine
9 Commission or its governing board, as the case may be.
10 (3) "Commissioner" means a member of the governing board of the
11 Mountain Island Lake Marine Commission.
12 (4) "Three counties" means Gaston, Lincoln, and Mecklenburg
13 Counties.
14 (5) "Joint resolution" means a resolution or ordinance substantially
15 identical in content adopted separately by the governing boards in
16 each of the three counties.
17 (6) "Mountain Island Lake" means the impounded body of water
18 along the Catawba River in the three counties extending from the
19 Cowans Ford Dam downstream to the Mountain Island Dam.
20 (7) "Shoreline area" means, except as modified by a joint resolution,
21 the area within the three counties lying within 1,000 feet of the
22 mean high waterline on Mountain Island Lake. In addition, the
23 shoreline area includes all islands within Mountain Island Lake

1 and all peninsulas extending into the waters of Mountain Island
2 Lake.

3 (8) "Wildlife Commission" means the North Carolina Wildlife
4 Resources Commission.

5 Section 2. The three counties may by joint resolution create the
6 Mountain Island Lake Marine Commission. Upon its creation the Commission has
7 the powers, duties, and responsibilities conferred upon it by joint resolution, subject
8 to the provisions of this act. The provisions of any joint resolution may be modified,
9 amended, or rescinded by a subsequent joint resolution. A county may unilaterally
10 withdraw from participation as provided by any joint resolution or the provisions of
11 this act, once the Commission has been created, and any county may unilaterally
12 withdraw from the Commission at the end of any budget period upon 90 days prior
13 written notice. Upon the effectuation of the withdrawal, the Commission is dissolved,
14 and all property of the Commission must be distributed to or divided among the
15 three counties and any other public agency or agencies serving the Mountain Island
16 Lake area in a manner considered equitable by the Commission by resolution
17 adopted by it prior to dissolution.

18 Section 3. Upon its creation, the Commission shall have a governing
19 board of seven. Except as otherwise provided for the initial appointees, each
20 commissioner shall serve a three-year term. Upon creation of the Commission, the
21 Boards of Commissioners of Gaston County and Mecklenburg County shall appoint
22 three commissioners each, and the Board of Commissioners of Lincoln County shall
23 appoint one commissioner. Of the initial appointees:

- 24 (1) One commissioner appointed by Gaston County and one member
25 appointed by Mecklenburg County shall serve one-year terms;
26 (2) One commissioner appointed by Gaston County and one member
27 appointed by Mecklenburg County shall serve two-year terms; and
28 (3) One member appointed by Gaston County, one member appointed
29 by Mecklenburg County, and the member appointed by Lincoln
30 County shall serve three-year terms.

31 Any commissioner who has served two consecutive terms, including any
32 initial term of less than three years, may not be reappointed to a third consecutive
33 term. Such a member may, however, be appointed to serve again after the expiration
34 of the term of the member's successor.

35 On the death of a commissioner, resignation, incapacity, or inability to
36 serve, as determined by the board appointing that commissioner, or removal of the
37 commissioner for cause, as determined by the board appointing that commissioner,
38 the board affected may appoint another commissioner to fill the unexpired term.

39 Section 4. The joint resolution of the three counties shall state the terms
40 relating to compensation to commissioners, if any, compensation of consultants and
41 staff members employed by the Commission, and reimbursement of expenses incurred
42 by commissioners, consultants, and employees. The Commission shall be governed
43 by those budgetary and accounting procedures specified by joint resolution.

1 Section 5. Upon creation of the Commission, its governing board shall
2 meet at a time and place agreed upon by the boards of the three counties concerned.
3 The commissioners shall elect a chairman and officers as they choose. All officers
4 shall serve one-year terms. The governing board shall adopt rules and regulations as
5 it deems necessary, not inconsistent with the provisions of this act or of any joint
6 resolution, for the proper discharge of its duties and for the governance of the
7 Commission. In order to conduct business, a quorum must be present. The
8 chairman may adopt those committees as authorized by those rules and regulations.
9 The Commission shall meet regularly at times and places as specified in its rules and
10 regulations or in any joint resolution. However, meetings of the Commission must be
11 held in all three counties on a rotating basis so that an equal number of meetings is
12 held in each county. Special meetings may be called as specified in the rules and
13 regulations. The provisions of the Open Meetings Law, Article 33C of Chapter 143
14 of the General Statutes, shall apply.

15 Section 6. (a) Within the limits of funds available to it and subject to the
16 provisions of this act and of any joint resolution, the Commission may:

- 17 (1) Hire and fix the compensation of permanent and temporary
18 employees and staff as it may deem necessary in carrying out its
19 duties;
- 20 (2) Contract with consultants for services it requires;
- 21 (3) Contract with the State of North Carolina or the federal
22 government, or any agency or department, or subdivision of them,
23 for property or services as may be provided to or by these agencies
24 and carry out the provisions of these contracts;
- 25 (4) Contract with persons, firms, and corporations generally as to all
26 matters over which it has a proper concern, and carry out the
27 provisions of contracts;
- 28 (5) Lease, rent, purchase, or otherwise obtain suitable quarters and
29 office space for its employees and staff, and lease, rent, purchase,
30 or otherwise obtain furniture, fixtures, vessels, vehicles, firearms,
31 uniforms, and other supplies and equipment necessary or desirable
32 for carrying out the duties imposed in or under the authority of
33 this act; and
- 34 (6) Lease, rent, purchase, construct, otherwise obtain, maintain,
35 operate, repair, and replace, either on its own or in cooperation
36 with other public or private agencies or individuals, any of the
37 following: boat docks, navigation aids, waterway markers, public
38 information signs and notices, and other items of real and personal
39 property designed to enhance public safety in Mountain Island
40 Lake and its shoreline area, or protection of property in the
41 shoreline area subject however to Chapter 113 of the General
42 Statutes and rules promulgated under that Chapter.

43 (b) The Commission may accept, receive, and disburse in furtherance of
44 its functions any funds, grants, services, or property made available by the federal

1 government or its agencies or subdivisions, by the State of North Carolina or its
2 agencies or subdivisions, or by private and civic sources.

3 (c) The governing boards of the three counties may appropriate funds to
4 the Commission out of surplus funds or funds derived from nontax sources. They
5 may appropriate funds out of tax revenues and may also levy annually taxes for the
6 payments of such appropriation as a special purpose, in addition to any allowed by
7 the Constitution, or as provided by G.S. 153A-149.

8 (d) The Commission shall be subject to those audit requirements as may
9 be specified in any joint resolution.

10 (e) In carrying out its duties and either in addition to or in lieu of
11 exercising various provisions of the above authorization, the Commission may, with
12 the agreement of the governing board of the county concerned, utilize personnel and
13 property of or assign responsibilities to any officer or employee of any of the three
14 counties. Such contribution in kind, if substantial, may with the agreement of the
15 other two counties be deemed to substitute in whole or in part for the financial
16 contribution required of that county in support of the Commission.

17 (f) Unless otherwise specified by joint resolution, each of the three
18 counties shall annually contribute an equal financial contribution to the Commission
19 in an amount appropriate to support the activities of the Commission in carrying out
20 its duties.

21 Section 7. (a) A copy of the joint resolution creating the Commission
22 and of any joint resolution amending or repealing the joint resolution creating the
23 Commission shall be filed with the Executive Director of the Wildlife Commission.
24 When the Executive Director receives resolutions that are in substance identical from
25 all three counties concerned, the Executive Director shall within 10 days so certify
26 and distribute a certified single resolution text to the following:

27 (1) The Secretary of State;
28 (2) The clerk to the governing board of each of the three counties;
29 (3) The clerks of superior court of Lincoln, Mecklenburg, and Gaston
30 Counties. Upon request, the Executive Director also shall send a
31 certified single copy of any and all applicable joint resolutions to
32 the chairman of the Commission; and

33 (4) A newspaper of general circulation in the three counties.

34 (b) Unless a joint resolution specifies a later date, it shall take effect
35 when the Executive Director's certified text has been submitted to the Secretary of
36 State for filing. Certifications of the Executive Director under the seal of the
37 Commission as to the text or amended text of any joint resolution and of the date or
38 dates of submission to the Secretary of State shall be admissible in evidence in any
39 court. Certifications by any clerk of superior court of the text of any certified
40 resolution filed with him by the Executive Director is admissible in evidence and the
41 Executive Director's submission of the resolution for filing to the clerk shall
42 constitute prima facie evidence that that resolution was on the date of submission also
43 submitted for filing with the Secretary of State. Except for the certificate of a clerk
44 as to receipt and date of submission, no evidence may be admitted in court

1 concerning the submission of the certified text of any resolution by the Executive
2 Director to any person other than the Secretary of State.

3 Section 8. (a) Except as limited in subsection (b) of this section, by
4 restrictions in any joint resolution, and by other supervening provisions of law, the
5 Commission may make regulations applicable to Mountain Island Lake and its
6 shoreline area concerning all matters relating to or affecting the use of Mountain
7 Island Lake. These regulations may not conflict with or supersede provisions of
8 general or special acts or of regulations of State agencies promulgated under the
9 authority of general law. No regulations adopted under this section may be adopted
10 by the Commission except after public hearing, with publication of notice of the
11 hearing being given in a newspaper of general circulation in the three counties at
12 least 10 days before the hearing. In lieu of or in addition to passing regulations
13 supplementary to State law and regulations concerning the operation of vessels on
14 Mountain Island Lake, the Commission may, after public notice, request that the
15 Wildlife Commission pass local regulations on this subject in accordance with the
16 procedure established by appropriate State law.

17 (b) Violation of any regulation of the Commission commanding or
18 prohibiting an act shall be a Class 3 misdemeanor.

19 (c) The regulations promulgated under this section take effect upon
20 passage or upon dates as stipulated in the regulations, except that no regulation may
21 be enforced unless adequate notice of the regulation has been posted in or on
22 Mountain Island Lake or its shoreline area. Adequate notice as to a regulation
23 affecting only a particular location may be by a sign, uniform waterway marker,
24 posted notice, or other effective method of communicating the essential provisions of
25 the regulation in the immediate vicinity of the location in question. Where a
26 regulation applies generally as to Mountain Island Lake or its shoreline area, or both,
27 there must be a posting of notices, signs, or markers communicating the essential
28 provisions in at least three different places throughout the area, and it must be
29 printed in a newspaper of general circulation in the three counties.

30 (d) A copy of each regulation promulgated under this section must be
31 filed by the Commission with the following persons:

32 (1) The Secretary of State;

33 (2) The clerks of superior court of Gaston, Lincoln, and Mecklenburg
34 Counties; and

35 (3) The Executive Director of the Wildlife Commission;

36 (e) Any official designated in subsection (d) above may issue certified
37 copies of regulations filed with him under the seal of his office. Those certified
38 copies may be received in evidence in any proceeding.

39 (f) Publication and filing of regulations promulgated under this section as
40 required above is for informational purposes and shall not be a prerequisite to their
41 validity if they in fact have been duly promulgated, the public has been notified as to
42 the substance of regulations, a copy of the text of all regulations is in fact available to
43 any person who may be affected, and no party to any proceeding has been prejudiced
44 by any defect that may exist with respect to publication and filing. Rules and

1 regulations promulgated by the Commission under the provisions of other sections of
2 this act relating to internal governance of the Commission need not be filed or
3 published. Where posting of any sign, notice, or marker or the making of other
4 communication is essential to the validity of a regulation duly promulgated, it shall be
5 presumed in any proceeding that prior notice was given and maintained and the
6 burden lies upon the party asserting to the contrary to prove lack of adequate notice
7 of any regulation.

8 Section 9. (a) Where a joint resolution so provides, all law enforcement
9 officers, or those officers as may be designated in the joint resolution, with territorial
10 jurisdiction as to any part of Mountain Island Lake or its shoreline area shall, within
11 the limitations of their subject matter jurisdiction, have the authority of peace officers
12 in enforcing the laws over all of Mountain Island Lake and its shoreline area.

13 (b) Where a joint resolution provides it, the Commission may hire
14 special officers to patrol and enforce the laws on Mountain Island Lake and its
15 shoreline area. These special officers have and exercise all the powers of peace
16 officers generally within the area in question and shall take the oaths and be subject
17 to all provisions of law relating to law enforcement officers.

18 (c) Unless a joint resolution provides otherwise, all courts in the three
19 counties within the limits of their subject matter jurisdiction shall have concurrent
20 jurisdiction as to all criminal offenses arising within the boundaries of Mountain
21 Island Lake and its shoreline area.

22 (d) Where a law enforcement officer with jurisdiction over any part of
23 Mountain Island Lake or its shoreline area is performing duties relating to the
24 enforcement of the laws on Mountain Island Lake or in its shoreline area, the officer
25 has the extraterritorial jurisdiction necessary to perform his duties. These duties
26 include investigation of crimes an officer reasonably believes have been, or are about
27 to be, committed within the area in question. This includes traversing by reasonable
28 routes from one portion of that area to another although across territory not within
29 the boundaries of Mountain Island Lake and its shoreline area; conducting prisoners
30 in custody to court or detention facilities as authorized by law, although this may
31 involve going outside the area in question; execution of process connected with any
32 criminal offense alleged to have been committed within the boundaries in question,
33 except that such process may not be executed by virtue of this provision beyond the
34 boundaries of the three counties. This also includes continuing pursuit of and
35 arresting any violator or suspected violator as to which grounds for arrest arose
36 within the area in question.

37 (e) Where law enforcement officers are given additional territorial
38 jurisdiction under the provisions of this section, this shall be deemed an extension of
39 the duties of the office held, and no officer shall take any additional oath or title of
40 office.

41 Section 10. This act applies only to Gaston, Lincoln, and Mecklenburg
42 Counties.

43 Section 11. This act is effective when it becomes law.

NORTH CAROLINA GENERAL ASSEMBLY
AMENDMENT
Senate Bill 500

AMENDMENT NO. _____
(to be filled in by
Principal Clerk)
Page 1 of _____

S500-ALJ-4/9

Date April 9, 1997

SENATE BILL 424

State Government, Local Government, and Personnel Committee Substitute Adopted
3/27/97

Short Title: Wake Forest Annexations.

(Local)

Sponsors:

Referred to: Finance.

March 19, 1997

- 1 A BILL TO BE ENTITLED
2 AN ACT CONCERNING ANNEXATION OF NONCONTIGUOUS AREAS BY
3 THE TOWNS OF APEX, FUQUAY-VARINA, KNIGHTDALE, AND WAKE
4 FOREST.
5 The General Assembly of North Carolina enacts:
6 Section 1. G.S. 160A-58.1(b)(2) shall not apply to any property if:
7 (1) The property is within the Town's perimunicipal planning area, as
8 delineated on the Perimunicipal Planning Areas Map, which has
9 been approved by Wake County.
10 (2) The Town has entered into an annexation agreement pursuant to
11 Part 6 of Article 4A of Chapter 160A of the General Statutes with
12 the city to which a point on the proposed satellite corporate limits
13 is closer, and that agreement states that the parties have agreed to
14 waive the provisions of G.S. 160A-58.1(b)(2) as to any property
15 that is within the Town's Perimunicipal Planning Area and as
16 more particularly described in the agreement.
17 Section 2. This act applies only to the Towns of Apex, Fuquay-Varina,
18 Knightdale, and Wake Forest.
19 Section 3. This act is effective when it becomes law.

GENERAL ASSEMBLY OF NORTH CAROLINA

SESSION 1997

1

SENATE BILL 425

Short Title: Refrigeration Contractors.

(Public)

Sponsors: Senator Miller.

Referred to: Commerce.

March 19, 1997

1 A BILL TO BE ENTITLED
2 AN ACT TO AMEND THE ARTICLE ON REFRIGERATION CONTRACTORS.
3 The General Assembly of North Carolina enacts:
4 Section 1. G.S. 87-58(a) reads as rewritten:
5 "(a) As applied in this Article, "refrigeration trade or business" is defined to
6 include all persons, firms or corporations engaged in the installation, maintenance,
7 servicing and repairing of refrigerating machinery, equipment, devices and
8 components relating thereto and within limits as set forth in the codes, laws and
9 regulations governing refrigeration installation, maintenance, service and repairs
10 within the State of North Carolina or any of its political subdivisions, ~~provided~~
11 ~~however, that this subdivisions.~~ This Article shall not apply to the replacement of
12 lamps and fuses and to the installation and servicing of domestic household
13 refrigerators and freezers or domestic ice-making appliances connected by means of
14 attachment plug-in devices to suitable receptacles which have been permanently
15 ~~installed, and provided, further, that the~~ installed. The provisions of this Article shall
16 not repeal any wording, phrase, or paragraph as set forth in Article 2 of Chapter 87
17 of the General Statutes, North Carolina General Statutes, Chapter 87, Article 2, and
18 ~~provided, further, that this~~ This Article shall not apply to employees of persons,
19 firms, or corporations or persons, firms or corporations, not engaged in refrigeration
20 contracting as herein defined, that install, maintain and service their own refrigerating
21 machinery, equipment and devices. The provisions of this Article shall not apply to
22 any person, firm or corporation engaged in the business of selling, repairing and
23 installing any ~~air-conditioning units, comfort cooling devices or systems~~ systems. for

1 ~~the purpose of cooling offices, buildings, houses, works, manufacturing plants, or any~~
2 ~~machinery, manufactured article or processing of material."~~

3 Section 2. G.S. 87-58(d) reads as rewritten:

4 "(d) In order to protect the public health, comfort and safety, the Board shall
5 prescribe the standard of experience to be required of an applicant for license and
6 shall give an examination designed to ascertain the technical and practical knowledge
7 of the applicant concerning the analysis of plans and specifications, estimating cost,
8 fundamentals of installation and design as they pertain to refrigeration; and as a result
9 of the examination, the Board shall issue a certificate of license in refrigeration to
10 applicants who pass the required examination and a license shall be obtained in
11 accordance with the provisions of this Article, before any person, firm or corporation
12 shall engage in, or offer to engage in the business of refrigeration contracting. The
13 Board shall prescribe standards for and issue licenses for refrigeration contracting and
14 for transport refrigeration contracting. A transport refrigeration contractor license is a
15 specialty license that authorizes the licensee to engage only in transport refrigeration
16 contracting. A refrigeration contractor licensee is authorized to engage in transport
17 refrigeration and all other aspects of refrigeration contracting.

18 Each application for examination shall be accompanied by a check, post-office
19 money order or cash in the amount of the annual license fee required by this Article.
20 Regular examinations shall be given in the months of April and October of each year
21 and additional examinations may be given at times the Board deems wise and
22 necessary. Any person may demand in writing a special examination and upon
23 payment by the applicant of the cost of holding the examination and the deposit of
24 the amount of the annual license fee, the Board in its discretion will fix a time and
25 place for the examination. ~~A person who fails to pass any examination shall not be~~
26 ~~reexamined until the next regular examination."~~

27 Section 3. G.S. 87-60 reads as rewritten:

28 "**§ 87-60. Reissuance of revoked licenses; replacing lost or destroyed licenses.**

29 The Board may in its discretion reissue license to any person, firm or corporation
30 whose license ~~may have been revoked. Provided, three or more members was~~
31 revoked if a majority of the Board vote votes in favor of such reissuance for reasons
32 deemed sufficient by the Board. A new certificate of registration to replace any
33 license which may be lost or destroyed may be issued subject to the rules and
34 regulations of the Board."

35 Section 4. G.S. 87-62 reads as rewritten:

36 "**§ 87-62. Only one person in partnership or corporation need have license.**

37 (a) A corporation or partnership may engage in the business of refrigeration
38 contracting ~~provided~~ if one or more persons connected with ~~such~~ the corporation or
39 partnership is registered and licensed as herein ~~required, and provided such~~ required,
40 and the licensed person ~~shall execute~~ executes all contracts, ~~exercise~~ exercises general
41 supervision over the work done thereunder and ~~be~~ is responsible for compliance with
42 all the provisions of this Article. The Board may determine the number of businesses
43 and the proximity of the businesses one to another over which the licensed person
44 may be responsible.

1 (b) For purposes of this section, the licensee's connection to the corporation or
2 partnership shall be in the form of a written contract that is executed prior to the
3 corporation or partnership engaging in refrigeration contracting.

4 (c) Nothing in this Article shall prohibit any employee from becoming licensed
5 pursuant to the provisions thereof."

6 Section 5. G.S. 87-64 reads as rewritten:

7 "**§ 87-64. Examination and license fees; annual renewal.**

8 Each applicant for a license by examination shall pay to the Board of Refrigeration
9 Examiners a nonrefundable examination fee in an amount not to exceed the sum of
10 forty dollars (\$40.00). In the event the applicant successfully passes ~~said~~ the
11 examination, the examination fee ~~so paid~~ shall be applied to the license fee required
12 of licensees for the current year in which the examination was taken and passed.

13 The license of every person licensed under the provisions of this statute shall be
14 annually renewed. On or before November 1 of each year the Board shall cause to be
15 mailed an application for renewal of license to every person who has received from
16 the Board a license to engage in the refrigeration business, as heretofore defined. On
17 or before January 1 of each year every licensed person who desires to continue in the
18 refrigeration business shall forward to the Board a renewal fee in an amount not to
19 exceed forty dollars (\$40.00) together with the application for renewal. Upon receipt
20 of the application and renewal fee the Board shall issue a renewal certificate for the
21 current year. Failure to renew the license annually shall automatically result in a
22 forfeiture of the right to engage in the refrigeration business. Any licensee who allows
23 ~~his~~ the license to lapse may be reinstated by the Board upon payment of a fee not to
24 exceed ~~forty-five dollars (\$45.00); provided any~~ seventy-five dollars (\$75.00). Any
25 person who fails to renew ~~his~~ a license for two consecutive years shall be required to
26 take and pass the examination prescribed by the Board for new applicants before
27 being licensed to engage further in the refrigeration business."

28 Section 6. This act is effective when it becomes law.

FISCAL ANALYSIS MEMORANDUM

DATE: April 7, 1997
TO: Senate Finance Committee
FROM: Richard Bostic
Fiscal Research Division
RE: SB 425 - Refrigeration Contractors

FISCAL IMPACT

	Yes (X)	No ()	No Estimate Available ()		
	<u>FY 1997-98</u>	<u>FY 1998-99</u>	<u>FY 1999-00</u>	<u>FY 2000-01</u>	<u>FY 2001-02</u>
REVENUES					
Board's Operating Fund	\$3,750	\$3,750	\$3,750	\$3,750	\$3,750

**PRINCIPAL DEPARTMENT(S) &
PROGRAM(S) AFFECTED:** State Board of Refrigeration Examiners

EFFECTIVE DATE: Effective upon ratification.

BILL SUMMARY: The bill increases the fee for reinstating a lapsed license from \$45 to \$75. The bill makes other minor changes to the law on refrigeration contractors.

ASSUMPTIONS AND METHODOLOGY: In 1995, 14.3% (310 out of 2,163) of the refrigeration contractors did not pay their \$40 license renewal fee on time and allowed their licenses to lapse. In 1996, 13.3% (294 out of 2,206) of the contractors allowed their licenses to lapse. To regain their licenses, these contractors paid a \$45 reinstatement fee. The Executive Director of the State Board of Refrigeration Examiners, Barbara Hines, believes an increase in the reinstatement fee is needed to reduce the number of lapsed licenses. Ms. Hines believes that the increase from \$45 to \$75 will cut the number of lapsed licenses in half. The revenue gained from this change is calculated as follows:

Average number of lapsed licenses each year = 300

Current law 300 X \$45 = \$13,500

Proposed law 150 X \$40 = \$6,000
 150 X \$75 = \$11,250
 \$17,250

Net Gain \$3,750

GENERAL ASSEMBLY OF NORTH CAROLINA

SESSION 1997

1

SENATE BILL 266

Short Title: Production and Sale of Red Deer.

(Public)

Sponsors: Senators Ledbetter; Allran, Ballantine, Blust, Carpenter, Carrington, Clark, Cochrane, East, Forrester, Foxx, Garwood, Hartsell, Horton, Kincaid, McDaniel, Page, Rucho, Shaw of Guilford, and Webster.

Referred to: Agriculture/Environment/Natural Resources.

February 27, 1997

1 A BILL TO BE ENTITLED
2 AN ACT TO AUTHORIZE THE PRODUCTION AND SALE OF RED DEER.
3 The General Assembly of North Carolina enacts:
4 Section 1. Article 49 of Chapter 106 of the General Statutes reads as
5 rewritten:
6 "ARTICLE 49H.
7 "Production and Sale of Fallow ~~Deer~~: Deer and Red Deer.
8 "**§ 106-549.97. Regulation of fallow deer and red deer by Department of Agriculture;**
9 **certain authority of North Carolina Wildlife Resources Commission not affected.**
10 (a) The Department of Agriculture shall regulate the production and sale of
11 fallow deer and red deer for food purposes. The Board of Agriculture shall adopt
12 rules for the production and sale of fallow deer and red deer for food purposes in
13 such a manner as to provide for close supervision of any person, firm, or corporation
14 producing and selling fallow deer or red deer, or both, for food purposes.
15 ~~As used in this section, 'fallow deer' (*Dama dama* spp.) means a small European~~
16 ~~deer raised commercially for production and sale for food purposes.~~
17 (b) The North Carolina Wildlife Resources Commission shall regulate the
18 possession and transportation of live fallow deer and live red deer and may adopt
19 rules to prevent the release or escape of fallow deer or red deer, or both, upon
20 finding that it is necessary to protect live fallow deer or live red deer, or both or to
21 prevent damage to ~~the~~ either or both of these native deer populations or
22 ~~its habitat~~: their habitats.

1 (c) As used in this Article:

2 (1) 'Fallow deer' means a small European deer (Dama dama spp).

3 (2) 'Red deer' means a deer native to Europe (Cervus elephus).

4 **"§ 106-549.98. Inspection fees.**

5 The Commissioner may establish a fee at an hourly rate to be paid by the owner,
6 proprietor, or operator of each slaughtering, meat-canning, salting, packing,
7 rendering, or similar establishment for the purpose of defraying the expenses incurred
8 in the inspection of fallow deer as required by Article 49B of Chapter 106 of the
9 General Statutes. The Commissioner may establish a fee at an hourly rate to be paid
10 by the owner, proprietor, or operator of each slaughtering, meat-canning, salting,
11 packing, rendering, or similar establishment for the purpose of defraying the expenses
12 incurred in the inspection of red deer as required by Article 49B of Chapter 106 of
13 the General Statutes."

14 Section 2. G.S. 113-129(1b) reads as rewritten:

15 "(1b) Big Game. -- Bear, wild boar, wild turkey, and deer, not to
16 include fallow deer or red deer raised for production and sale
17 under G.S. 106-549.97."

18 Section 3. G.S. 113-129(7c) reads as rewritten:

19 "(7c) Game Animals. -- Bear, fox, rabbit, squirrel, wild boar, and deer,
20 not to include fallow deer or red deer raised for production and
21 sale under G.S. 106-549.97; bobcat, opossum, and raccoon except
22 when trapped in accordance with provisions relating to fur-
23 bearing animals."

24 Section 4. G.S. 106-549.15(14) reads as rewritten:

25 "(14) 'Meat food product' means any product capable of use as human
26 food that is made wholly or in part from any meat or other
27 portion of the carcass of any cattle, sheep, swine, goats, bison, ~~or~~
28 fallow deer, or red deer, excepting products that contain meat or
29 other portions of such carcasses only in a relatively small
30 proportion or historically have not been considered by consumers
31 as products of the meat food industry, and that are exempted
32 from definition as a meat food product by the Board under such
33 conditions as it may prescribe to assure that the meat or other
34 portions of such carcasses contained in such product are not
35 adulterated and that such products are not represented as meat
36 food products. This term as applied to food products of equines
37 shall have a meaning comparable to that provided in this
38 subdivision with respect to cattle, sheep, swine, goats, and bison."

39 Section 5. G.S. 106-549.15(22) reads as rewritten:

40 "(22) 'Renderer' means any person, firm, or corporation engaged in the
41 business of rendering carcasses, or parts or products of the
42 carcasses, of cattle, sheep, swine, goats, fallow deer, red deer,
43 horses, mules, or other equines, except rendering conducted
44 under inspection under this Article."

1 Section 6. G.S. 106-549.17 reads as rewritten:

2 "§ 106-549.17. Inspection of animals before slaughter; humane methods of
3 slaughtering.

4 (a) For the purpose of preventing the use in intrastate commerce, as hereinafter
5 provided, of meat and meat food products which are adulterated, the Commissioner
6 shall cause to be made, by inspectors appointed for that purpose, an examination and
7 inspection of all cattle, sheep, swine, goats, fallow deer, red deer, bison, horses,
8 mules, and other equines before they shall be allowed to enter into any slaughtering,
9 packing, meat-canning, rendering, or similar establishment in this State in which
10 slaughtering and preparation of meat and meat food products of such animals are
11 conducted for intrastate commerce; and all cattle, sheep, swine, goats, fallow deer,
12 red deer, bison, horses, mules, and other equines found on such inspection to show
13 symptoms of disease shall be set apart and slaughtered separately from all other
14 cattle, sheep, swine, goats, fallow deer, red deer, bison, horses, mules, or other
15 equines, and when so slaughtered, the carcasses of said cattle, sheep, swine, goats,
16 fallow deer, red deer, bison, horses, mules, or other equines shall be subject to a
17 careful examination and inspection, all as provided by the rules and regulations to be
18 prescribed by the Board as herein provided for.

19 (b) For the purpose of preventing the inhumane slaughtering of livestock, the
20 Commissioner shall cause to be made, by inspectors appointed for that purpose, an
21 examination and inspection of the method by which cattle, sheep, swine, goats, fallow
22 deer, red deer, bison, horses, mules, and other equines are slaughtered and handled
23 in connection with slaughter in the slaughtering establishments inspected under this
24 law. The Commissioner may refuse to provide inspection to a new slaughtering
25 establishment or may cause inspection to be temporarily suspended at a slaughtering
26 establishment if the Commissioner finds that any cattle, sheep, swine, goats, fallow
27 deer, red deer, bison, horses, mules, or other equines have been slaughtered or
28 handled in connection with slaughter at such establishment by any method not in
29 accordance with subsection (c) of this section until the establishment furnishes
30 assurances satisfactory to the Commissioner that all slaughtering and handling in
31 connection with slaughter of livestock shall be in accordance with such a method.

32 (c) Either of the following two methods of slaughtering of livestock and handling
33 of livestock in connection with slaughter are found to be humane:

34 (1) In the case of cattle, calves, fallow deer, red deer, bison, horses,
35 mules, sheep, swine, and other livestock, all animals are rendered
36 insensible to pain by a single blow or gunshot or an electrical,
37 chemical, or other means that is rapid and effective, before being
38 shackled, hoisted, thrown, cast, or cut; or

39 (2) By slaughtering in accordance with the ritual requirements of the
40 Jewish faith or any other religious faith that prescribes a method
41 of slaughter whereby the animal suffers loss of consciousness by
42 anemia of the brain caused by the simultaneous and instantaneous
43 severance of the carotid arteries with a sharp instrument and
44 handling in connection with such slaughtering."

1 Section 7. G.S. 106-549.18 reads as rewritten:

2 **"§ 106-549.18. Inspection; stamping carcass.**

3 For the purposes hereinbefore set forth the Commissioner shall cause to be made
4 by inspectors appointed for that purpose, as hereinafter provided, a post mortem
5 examination and inspection of the carcasses and parts thereof of all cattle, sheep,
6 swine, goats, fallow deer, red deer, bison, horses, mules, and other equines, capable of
7 use as human food, to be prepared at any slaughtering, meat-canning, salting,
8 packing, rendering, or similar establishment in this State in which such articles are
9 prepared for intrastate commerce; and the carcasses and parts thereof of all such
10 animals found to be not adulterated shall be marked, stamped, tagged, or labeled, as
11 'Inspected and Passed'; and said inspectors shall label, mark, stamp, or tag as
12 'Inspected and Condemned,' all carcasses and parts thereof of animals found to be
13 adulterated; and all carcasses and parts thereof thus inspected and condemned shall
14 be destroyed for food purposes by the said establishment in the presence of an
15 inspector, and the Commissioner or his authorized representative may remove
16 inspectors from any such establishment which fails to so destroy any such condemned
17 carcass or part thereof, and said inspectors, after said first inspection shall, when they
18 deem it necessary, reinspect said carcasses or parts thereof to determine whether
19 since the first inspection the same have become adulterated and if any carcass or any
20 part thereof shall, upon examination and inspection subsequent to the first
21 examination and inspection, be found to be adulterated, it shall be destroyed for food
22 purposes by the said establishment in the presence of an inspector, and the
23 Commissioner or his authorized representative may remove inspectors from any
24 establishment which fails to [do] so destroy any such condemned carcass or part
25 thereof."

26 Section 8. G.S. 106-549.19 reads as rewritten:

27 **"§ 106-549.19. Application of Article; place of inspection.**

28 The foregoing provisions shall apply to all carcasses or parts of carcasses of cattle,
29 sheep, swine, goats, fallow deer, red deer, bison, horses, mules, and other equines or
30 the meat or meat products thereof, capable of use as human food, which may be
31 brought into any slaughtering, meat-canning, salting, packing, rendering, or similar
32 establishment, where inspection under this Article is maintained, and such
33 examination and inspection shall be had before the said carcasses or parts thereof
34 shall be allowed to enter into any department wherein the same are to be treated and
35 prepared for meat food products; and the foregoing provisions shall also apply to all
36 such products which, after having been issued from any such slaughtering, meat-
37 canning, salting, packing, rendering, or similar establishment, shall be returned to the
38 same or to any similar establishment where such inspection is maintained. The
39 Commissioner or his authorized representative may limit the entry of carcasses, part
40 of carcasses, meat and meat food products, and other materials into any establishment
41 at which inspection under this Article is maintained, under such conditions as he may
42 prescribe to assure that allowing the entry of such articles into such inspected
43 establishments will be consistent with the purposes of this and the subsequent
44 Article."

1 Section 9. G.S. 106-549.22 reads as rewritten:

2 "**§ 106-549.22. Rules and regulations of Board.**

3 The Commissioner or his authorized representative shall cause to be made, by
4 experts in sanitation, or by other competent inspectors, such inspection of all
5 slaughtering, meat-canning, salting, packing, rendering, or similar establishments in
6 which cattle, sheep, swine, goats, fallow deer, red deer, bison, horses, mules, and
7 other equines are slaughtered and the meat and meat food products thereof are
8 prepared for intrastate commerce as may be necessary to inform himself concerning
9 the sanitary conditions of the same, and the Board shall prescribe the rules and
10 regulations of sanitation under which such establishments shall be maintained; and
11 where the sanitary conditions of any such establishment are such that the meat or
12 meat food products are rendered adulterated, the Commissioner or his authorized
13 representative shall refuse to allow said meat or meat food products to be labeled,
14 marked, stamped, or tagged as 'North Carolina Department of Agriculture Inspected
15 and Passed.'"

16 Section 10. G.S. 106-549.23 reads as rewritten:

17 "**§ 106-549.23. Prohibited slaughter, sale and transportation.**

18 No person, firm, or corporation shall, with respect to any cattle, sheep, swine,
19 goats, fallow deer, red deer, bison, horses, mules, or other equines, or any carcasses,
20 parts of carcasses, meat or meat food products of any such animals:

- 21 (1) Slaughter any of these animals or prepare any of these articles
22 which are capable of use as human food, at any establishment
23 preparing any such articles for intrastate commerce except in
24 compliance with the requirements of this and the subsequent
25 Article;
- 26 (2) Slaughter, or handle in connection with slaughter, any such
27 animals in any manner not in accordance with G.S. 106-549.17(c)
28 of this Article;
- 29 (3) Sell, transport, offer for sale or transportation, or receive for
30 transportation, in intrastate commerce:
 - 31 a. Any of these articles which (i) are capable of use as human
32 food and (ii) are adulterated or misbranded at the time of
33 sale, transportation, offer for sale or transportation, or
34 receipt for transportation; or
 - 35 b. Any articles required to be inspected under this Article
36 unless they have been so inspected and passed; or
- 37 (4) Do, with respect to any of these articles which are capable of use
38 as human food, any act while they are being transported in
39 intrastate commerce or held for sale after such transportation,
40 which is intended to cause or has the effect of causing the articles
41 to be adulterated or misbranded."

42 Section 11. G.S. 106-549.25 reads as rewritten:

43 "**§ 106-549.25. Slaughter, sale and transportation of equine carcasses.**

1 No person, firm, or corporation shall sell, transport, offer for sale or transportation,
2 or receive for transportation, in intrastate commerce, any carcasses of horses, mules,
3 or other equines or parts of such carcasses, or the meat or meat food products
4 thereof, unless they are plainly and conspicuously marked or labeled or otherwise
5 identified as required by regulations prescribed by the Board to show the kinds of
6 animals from which they were derived. When required by the Commissioner or his
7 authorized representative, with respect to establishments at which inspection is
8 maintained under this Article, such animals and their carcasses, parts thereof, meat
9 and meat food products shall be prepared in establishments separate from those in
10 which cattle, sheep, swine, fallow deer, red deer, bison, or goats are slaughtered or
11 their carcasses, parts thereof, meats or meat food products are prepared."

12 Section 12. G.S. 106-549.26 reads as rewritten:

13 "**§ 106-549.26. Inspection of establishment; bribery of or malfeasance of inspector.**

14 The Commissioner or his authorized representative shall appoint from time to time
15 inspectors to make examination and inspection of all cattle, sheep, swine, goats,
16 fallow deer, red deer, bison, horses, mules, and other equines the inspection of which
17 is hereby provided for, and of all carcasses and parts thereof, and of all meats and
18 meat food products thereof, and of the sanitary conditions of all establishments in
19 which such meat and meat food products hereinbefore described are prepared; and
20 said inspectors shall refuse to stamp, mark, tag or label any carcass or any part
21 thereof, or meat food product therefrom, prepared in any establishment hereinbefore
22 mentioned, until the same shall have actually been inspected and found to be not
23 adulterated; and shall perform such other duties as are provided by this and the
24 subsequent Article and by the rules and regulations to be prescribed by said Board
25 and said Board shall, from time to time, make such rules and regulations as are
26 necessary for the efficient execution of the provisions of this and the subsequent
27 Article, and all inspections and examinations made under this Article shall be such
28 and made in such manner as described in the rules and regulations prescribed by said
29 Board not inconsistent with the provisions of this Article and as directed by the
30 Commissioner or his authorized representative. Any person, firm, or corporation, or
31 any agent or employee of any person, firm, or corporation, who shall give, pay, or
32 offer, directly or indirectly, to any inspector, or any other officer or employee of this
33 State authorized to perform any of the duties prescribed by this and the subsequent
34 Article or by the rules and regulations of the Board or by the Commissioner or his
35 authorized representative any money or other thing of value, with intent to influence
36 said inspector, or other officer or employee of this State in the discharge of any duty
37 herein provided for, shall be deemed guilty of a Class I felony which may include a
38 fine not less than five hundred dollars (\$500.00) nor more than ten thousand dollars
39 (\$10,000); and any inspector, or other officer or employee of this State authorized to
40 perform any of the duties prescribed by this Article who shall accept any money, gift,
41 or other thing of value from any person, firm, or corporation, or officers, agents, or
42 employees thereof, given with intent to influence his official action, or who shall
43 receive or accept from any person, firm, or corporation engaged in intrastate
44 commerce any gift, money, or other thing of value given with any purpose or intent

1 whatsoever, shall be deemed guilty of a Class I felony and shall, upon conviction
2 thereof, be summarily discharged from office and may be punished by a fine not less
3 than five hundred dollars (\$500.00) nor more than ten thousand dollars (\$10,000)."

4 Section 13. G.S. 106-549.27(a) reads as rewritten:

5 "(a) The provisions of this Article requiring inspection of the slaughter of animals
6 and the preparation of the carcasses, parts thereof, meat and meat food products at
7 establishments conducting such operations shall not

8 (1) Apply to the slaughtering by any person of animals of his own
9 raising, and the preparation by him and transportation in
10 intrastate commerce of the carcasses, parts thereof, meat and meat
11 food products of such animals exclusively for use by him and
12 members of his household and his nonpaying guests and
13 employees; nor

14 (2) To the custom slaughter by any person, firm, or corporation of
15 cattle, sheep, swine, fallow deer, red deer, bison, or goats
16 delivered by the owner thereof for such slaughter, and the
17 preparation by such slaughterer and transportation in intrastate
18 commerce of the carcasses, parts thereof, meat and meat food
19 products of such animals, exclusively for use, in the household of
20 such owner, by him, and members of his household and his
21 nonpaying guests and employees: Provided, that all carcasses,
22 parts thereof, meat and meat food products derived from custom
23 slaughter shall be identified as required by the Commissioner,
24 during all phases of slaughtering, chilling, cooling, freezing,
25 packing, meat canning, rendering, preparation, storage and
26 transportation; provided further, that the custom slaughterer does
27 not engage in the business of buying or selling any carcasses, parts
28 thereof, meat or meat food products of any cattle, sheep, swine,
29 goats, fallow deer, red deer, bison, or equines, capable of use as
30 human food, unless the carcasses, parts thereof, meat or meat
31 food products have been inspected and passed and are identified
32 as having been inspected and passed by the Commissioner or the
33 United States Department of Agriculture."

34 Section 14. G.S. 106-549.28 reads as rewritten:

35 "**§ 106-549.28. Regulation of storage of meat.**

36 The Board may by regulations prescribe conditions under which carcasses, parts of
37 carcasses, meat, and meat food products of cattle, sheep, swine, goats, fallow deer, red
38 deer, bison, horses, mules, or other equines, capable of use as human food, shall be
39 stored or otherwise handled by any person, firm, or corporation engaged in the
40 business of buying, selling, freezing, storing, or transporting, in or for intrastate
41 commerce, such articles, whenever the Board deems such action necessary to assure
42 that such articles will not be adulterated or misbranded when delivered to the
43 consumer. Willful violation of any such regulation is a Class 2 misdemeanor."

44 Section 15. This act is effective when it becomes law.

- 1 (1) Fallow deer. -- A member of the *Dama dama* species.
2 (2) Red deer. -- A member of the *Cervus elephus* species.

3 "**§ 106-549.98. Inspection fees.**

4 The Commissioner may establish a fee at an hourly rate to be paid by the owner,
5 proprietor, or operator of each slaughtering, meat-canning, salting, packing,
6 rendering, or similar establishment for the purpose of defraying the expenses incurred
7 in the inspection of fallow deer as required by Article 49B of Chapter 106 of the
8 General Statutes. The Commissioner may establish a fee at an hourly rate to be paid
9 by the owner, proprietor, or operator of each slaughtering, meat-canning, salting,
10 packing, rendering, or similar establishment for the purpose of defraying the expenses
11 incurred in the inspection of red deer as required by Article 49B of Chapter 106 of
12 the General Statutes."

13 Section 2. G.S. 113-129(1b) reads as rewritten:

14 "(1b) Big Game. -- Bear, wild boar, wild turkey, and deer, not to include
15 fallow deer or red deer raised for production and sale under G.S.
16 106-549.97."

17 Section 3. G.S. 113-129(7c) reads as rewritten:

18 "(7c) Game Animals. -- Bear, fox, rabbit, squirrel, wild boar, and deer,
19 not to include fallow deer or red deer raised for production and
20 sale under G.S. 106-549.97; bobcat, opossum, and raccoon except
21 when trapped in accordance with provisions relating to fur-bearing
22 animals."

23 Section 4. G.S. 106-549.15(14) reads as rewritten:

24 "(14) 'Meat food product' means any product capable of use as human
25 food that is made wholly or in part from any meat or other portion
26 of the carcass of any cattle, sheep, swine, goats, bison, ~~or~~ fallow
27 deer, or red deer, excepting products that contain meat or other
28 portions of such carcasses only in a relatively small proportion or
29 historically have not been considered by consumers as products of
30 the meat food industry, and that are exempted from definition as a
31 meat food product by the Board under such conditions as it may
32 prescribe to assure that the meat or other portions of such
33 carcasses contained in such product are not adulterated and that
34 such products are not represented as meat food products. This
35 term as applied to food products of equines shall have a meaning
36 comparable to that provided in this subdivision with respect to
37 cattle, sheep, swine, goats, and bison."

38 Section 5. G.S. 106-549.15(22) reads as rewritten:

39 "(22) 'Renderer' means any person, firm, or corporation engaged in the
40 business of rendering carcasses, or parts or products of the
41 carcasses, of cattle, sheep, swine, goats, fallow deer, red deer,
42 horses, mules, or other equines, except rendering conducted under
43 inspection under this Article."

44 Section 6. G.S. 106-549.17 reads as rewritten:

1 "§ 106-549.17. Inspection of animals before slaughter; humane methods of
2 slaughtering.

3 (a) For the purpose of preventing the use in intrastate commerce, as hereinafter
4 provided, of meat and meat food products which are adulterated, the Commissioner
5 shall cause to be made, by inspectors appointed for that purpose, an examination and
6 inspection of all cattle, sheep, swine, goats, fallow deer, red deer, bison, horses,
7 mules, and other equines before they shall be allowed to enter into any slaughtering,
8 packing, meat-canning, rendering, or similar establishment in this State in which
9 slaughtering and preparation of meat and meat food products of such animals are
10 conducted for intrastate commerce; and all cattle, sheep, swine, goats, fallow deer,
11 red deer, bison, horses, mules, and other equines found on such inspection to show
12 symptoms of disease shall be set apart and slaughtered separately from all other
13 cattle, sheep, swine, goats, fallow deer, red deer, bison, horses, mules, or other
14 equines, and when so slaughtered, the carcasses of said cattle, sheep, swine, goats,
15 fallow deer, red deer, bison, horses, mules, or other equines shall be subject to a
16 careful examination and inspection, all as provided by the rules and regulations to be
17 prescribed by the Board as herein provided for.

18 (b) For the purpose of preventing the inhumane slaughtering of livestock, the
19 Commissioner shall cause to be made, by inspectors appointed for that purpose, an
20 examination and inspection of the method by which cattle, sheep, swine, goats, fallow
21 deer, red deer, bison, horses, mules, and other equines are slaughtered and handled
22 in connection with slaughter in the slaughtering establishments inspected under this
23 law. The Commissioner may refuse to provide inspection to a new slaughtering
24 establishment or may cause inspection to be temporarily suspended at a slaughtering
25 establishment if the Commissioner finds that any cattle, sheep, swine, goats, fallow
26 deer, red deer, bison, horses, mules, or other equines have been slaughtered or
27 handled in connection with slaughter at such establishment by any method not in
28 accordance with subsection (c) of this section until the establishment furnishes
29 assurances satisfactory to the Commissioner that all slaughtering and handling in
30 connection with slaughter of livestock shall be in accordance with such a method.

31 (c) Either of the following two methods of slaughtering of livestock and handling
32 of livestock in connection with slaughter are found to be humane:

33 (1) In the case of cattle, calves, fallow deer, red deer, bison, horses,
34 mules, sheep, swine, and other livestock, all animals are rendered
35 insensible to pain by a single blow or gunshot or an electrical,
36 chemical, or other means that is rapid and effective, before being
37 shackled, hoisted, thrown, cast, or cut; or

38 (2) By slaughtering in accordance with the ritual requirements of the
39 Jewish faith or any other religious faith that prescribes a method of
40 slaughter whereby the animal suffers loss of consciousness by
41 anemia of the brain caused by the simultaneous and instantaneous
42 severance of the carotid arteries with a sharp instrument and
43 handling in connection with such slaughtering."

44 Section 7. G.S. 106-549.18 reads as rewritten:

1 **"§ 106-549.18. Inspection; stamping carcass.**

2 For the purposes hereinbefore set forth the Commissioner shall cause to be made
3 by inspectors appointed for that purpose, as hereinafter provided, a post mortem
4 examination and inspection of the carcasses and parts thereof of all cattle, sheep,
5 swine, goats, fallow deer, red deer, bison, horses, mules, and other equines, capable of
6 use as human food, to be prepared at any slaughtering, meat-canning, salting,
7 packing, rendering, or similar establishment in this State in which such articles are
8 prepared for intrastate commerce; and the carcasses and parts thereof of all such
9 animals found to be not adulterated shall be marked, stamped, tagged, or labeled, as
10 'Inspected and Passed'; and said inspectors shall label, mark, stamp, or tag as
11 'Inspected and Condemned,' all carcasses and parts thereof of animals found to be
12 adulterated; and all carcasses and parts thereof thus inspected and condemned shall
13 be destroyed for food purposes by the said establishment in the presence of an
14 inspector, and the Commissioner or his authorized representative may remove
15 inspectors from any such establishment which fails to so destroy any such condemned
16 carcass or part thereof, and said inspectors, after said first inspection shall, when they
17 deem it necessary, reinspect said carcasses or parts thereof to determine whether
18 since the first inspection the same have become adulterated and if any carcass or any
19 part thereof shall, upon examination and inspection subsequent to the first
20 examination and inspection, be found to be adulterated, it shall be destroyed for food
21 purposes by the said establishment in the presence of an inspector, and the
22 Commissioner or his authorized representative may remove inspectors from any
23 establishment which fails to ~~do~~ so destroy any such condemned carcass or part
24 thereof."

25 Section 8. G.S. 106-549.19 reads as rewritten:

26 **"§ 106-549.19. Application of Article; place of inspection.**

27 The foregoing provisions shall apply to all carcasses or parts of carcasses of cattle,
28 sheep, swine, goats, fallow deer, red deer, bison, horses, mules, and other equines or
29 the meat or meat products thereof, capable of use as human food, which may be
30 brought into any slaughtering, meat-canning, salting, packing, rendering, or similar
31 establishment, where inspection under this Article is maintained, and such
32 examination and inspection shall be had before the said carcasses or parts thereof
33 shall be allowed to enter into any department wherein the same are to be treated and
34 prepared for meat food products; and the foregoing provisions shall also apply to all
35 such products which, after having been issued from any such slaughtering, meat-
36 canning, salting, packing, rendering, or similar establishment, shall be returned to the
37 same or to any similar establishment where such inspection is maintained. The
38 Commissioner or his authorized representative may limit the entry of carcasses, part
39 of carcasses, meat and meat food products, and other materials into any establishment
40 at which inspection under this Article is maintained, under such conditions as he may
41 prescribe to assure that allowing the entry of such articles into such inspected
42 establishments will be consistent with the purposes of this and the subsequent
43 Article."

44 Section 9. G.S. 106-549.22 reads as rewritten:

1 **"§ 106-549.22. Rules and regulations of Board.**

2 The Commissioner or his authorized representative shall cause to be made, by
3 experts in sanitation; or by other competent inspectors, such inspection of all
4 slaughtering, meat-canning, salting, packing, rendering, or similar establishments in
5 which cattle, sheep, swine, goats, fallow deer, red deer, bison, horses, mules, and
6 other equines are slaughtered and the meat and meat food products thereof are
7 prepared for intrastate commerce as may be necessary to inform himself concerning
8 the sanitary conditions of the same, and the Board shall prescribe the rules and
9 regulations of sanitation under which such establishments shall be maintained; and
10 where the sanitary conditions of any such establishment are such that the meat or
11 meat food products are rendered adulterated, the Commissioner or his authorized
12 representative shall refuse to allow said meat or meat food products to be labeled,
13 marked, stamped, or tagged as 'North Carolina Department of Agriculture Inspected
14 and Passed.'"

15 Section 10. G.S. 106-549.23 reads as rewritten:

16 **"§ 106-549.23. Prohibited slaughter, sale and transportation.**

17 No person, firm, or corporation shall, with respect to any cattle, sheep, swine,
18 goats, fallow deer, red deer, bison, horses, mules, or other equines, or any carcasses,
19 parts of carcasses, meat or meat food products of any such animals:

- 20 (1) Slaughter any of these animals or prepare any of these articles
21 which are capable of use as human food, at any establishment
22 preparing any such articles for intrastate commerce except in
23 compliance with the requirements of this and the subsequent
24 Article;
- 25 (2) Slaughter, or handle in connection with slaughter, any such
26 animals in any manner not in accordance with G.S. 106-549.17(c)
27 of this Article;
- 28 (3) Sell, transport, offer for sale or transportation, or receive for
29 transportation, in intrastate commerce:
- 30 a. Any of these articles which (i) are capable of use as human
31 food and (ii) are adulterated or misbranded at the time of
32 sale, transportation, offer for sale or transportation, or
33 receipt for transportation; or
- 34 b. Any articles required to be inspected under this Article
35 unless they have been so inspected and passed; or
- 36 (4) Do, with respect to any of these articles which are capable of use
37 as human food, any act while they are being transported in
38 intrastate commerce or held for sale after such transportation,
39 which is intended to cause or has the effect of causing the articles
40 to be adulterated or misbranded."

41 Section 11. G.S. 106-549.25 reads as rewritten:

42 **"§ 106-549.25. Slaughter, sale and transportation of equine carcasses.**

43 No person, firm, or corporation shall sell, transport, offer for sale or transportation,
44 or receive for transportation, in intrastate commerce, any carcasses of horses, mules,

1 or other equines or parts of such carcasses, or the meat or meat food products
2 thereof, unless they are plainly and conspicuously marked or labeled or otherwise
3 identified as required by regulations prescribed by the Board to show the kinds of
4 animals from which they were derived. When required by the Commissioner or his
5 authorized representative, with respect to establishments at which inspection is
6 maintained under this Article, such animals and their carcasses, parts thereof, meat
7 and meat food products shall be prepared in establishments separate from those in
8 which cattle, sheep, swine, fallow deer, red deer, bison, or goats are slaughtered or
9 their carcasses, parts thereof, meats or meat food products are prepared."

10 Section 12. G.S. 106-549.26 reads as rewritten:

11 "**§ 106-549.26. Inspection of establishment; bribery of or malfeasance of inspector.**

12 The Commissioner or his authorized representative shall appoint from time to time
13 inspectors to make examination and inspection of all cattle, sheep, swine, goats,
14 fallow deer, red deer, bison, horses, mules, and other equines the inspection of which
15 is hereby provided for, and of all carcasses and parts thereof, and of all meats and
16 meat food products thereof, and of the sanitary conditions of all establishments in
17 which such meat and meat food products hereinbefore described are prepared; and
18 said inspectors shall refuse to stamp, mark, tag or label any carcass or any part
19 thereof, or meat food product therefrom, prepared in any establishment hereinbefore
20 mentioned, until the same shall have actually been inspected and found to be not
21 adulterated; and shall perform such other duties as are provided by this and the
22 subsequent Article and by the rules and regulations to be prescribed by said Board
23 and said Board shall, from time to time, make such rules and regulations as are
24 necessary for the efficient execution of the provisions of this and the subsequent
25 Article, and all inspections and examinations made under this Article shall be such
26 and made in such manner as described in the rules and regulations prescribed by said
27 Board not inconsistent with the provisions of this Article and as directed by the
28 Commissioner or his authorized representative. Any person, firm, or corporation, or
29 any agent or employee of any person, firm, or corporation, who shall give, pay, or
30 offer, directly or indirectly, to any inspector, or any other officer or employee of this
31 State authorized to perform any of the duties prescribed by this and the subsequent
32 Article or by the rules and regulations of the Board or by the Commissioner or his
33 authorized representative any money or other thing of value, with intent to influence
34 said inspector, or other officer or employee of this State in the discharge of any duty
35 herein provided for, shall be deemed guilty of a Class I felony which may include a
36 fine not less than five hundred dollars (\$500.00) nor more than ten thousand dollars
37 (\$10,000); and any inspector, or other officer or employee of this State authorized to
38 perform any of the duties prescribed by this Article who shall accept any money, gift,
39 or other thing of value from any person, firm, or corporation, or officers, agents, or
40 employees thereof, given with intent to influence his official action, or who shall
41 receive or accept from any person, firm, or corporation engaged in intrastate
42 commerce any gift, money, or other thing of value given with any purpose or intent
43 whatsoever, shall be deemed guilty of a Class I felony and shall, upon conviction

1 thereof, be summarily discharged from office and may be punished by a fine not less
2 than five hundred dollars (\$500.00) nor more than ten thousand dollars (\$10,000)."

3 Section 13. G.S. 106-549.27(a) reads as rewritten:

4 "(a) The provisions of this Article requiring inspection of the slaughter of animals
5 and the preparation of the carcasses, parts thereof, meat and meat food products at
6 establishments conducting such operations shall not

7 (1) Apply to the slaughtering by any person of animals of his own
8 raising, and the preparation by him and transportation in intrastate
9 commerce of the carcasses, parts thereof, meat and meat food
10 products of such animals exclusively for use by him and members
11 of his household and his nonpaying guests and employees; nor

12 (2) To the custom slaughter by any person, firm, or corporation of
13 cattle, sheep, swine, fallow deer, red deer, bison, or goats delivered
14 by the owner thereof for such slaughter, and the preparation by
15 such slaughterer and transportation in intrastate commerce of the
16 carcasses, parts thereof, meat and meat food products of such
17 animals, exclusively for use, in the household of such owner, by
18 him, and members of his household and his nonpaying guests and
19 employees: Provided, that all carcasses, parts thereof, meat and
20 meat food products derived from custom slaughter shall be
21 identified as required by the Commissioner, during all phases of
22 slaughtering, chilling, cooling, freezing, packing, meat canning,
23 rendering, preparation, storage and transportation; provided
24 further, that the custom slaughterer does not engage in the business
25 of buying or selling any carcasses, parts thereof, meat or meat food
26 products of any cattle, sheep, swine, goats, fallow deer, red deer,
27 bison, or equines, capable of use as human food, unless the
28 carcasses, parts thereof, meat or meat food products have been
29 inspected and passed and are identified as having been inspected
30 and passed by the Commissioner or the United States Department
31 of Agriculture."

32 Section 14. G.S. 106-549.28 reads as rewritten:

33 "§ 106-549.28. Regulation of storage of meat.

34 The Board may by regulations prescribe conditions under which carcasses, parts of
35 carcasses, meat, and meat food products of cattle, sheep, swine, goats, fallow deer, red
36 deer, bison, horses, mules, or other equines, capable of use as human food, shall be
37 stored or otherwise handled by any person, firm, or corporation engaged in the
38 business of buying, selling, freezing, storing, or transporting, in or for intrastate
39 commerce, such articles, whenever the Board deems such action necessary to assure
40 that such articles will not be adulterated or misbranded when delivered to the
41 consumer. Willful violation of any such regulation is a Class 2 misdemeanor."

42 Section 15. This act is effective when it becomes law.

NORTH CAROLINA GENERAL ASSEMBLY
AMENDMENT
Senate Bill 266

AMENDMENT NO. _____
(to be filled in by
Principal Clerk)

ASSUMPTIONS AND METHODOLOGY: The Department of Agriculture/ Meat and Poultry Inspection section charges \$26/hour to inspect "exotic" animals such as bison, ostrich and fallow deer. The Department will charge the same inspection fee for red deer. Any revenue from this fee will be deposited as a receipt in the Meat and Poultry Inspection budget. The Department could ask the Office of State Budget & Management to increase their budget so that they may spend these receipts or the agency could apply them to their budget and reduce their General Fund appropriation.

The Department has not received a request for red deer inspection and did not know of any demand for red deer meat. The Department has had the authority to inspect fallow deer since 1991, but has not made one inspection. The bill was requested on behalf of a potential deer farmer in Buncombe County. Upon enactment of this bill, this farmer will acquire 20 to 25 red deer for breeding. It will take three to four years before enough deer are available for market. The number of other potential deer farmers in the state is unknown.

SENATE BILL 168

Short Title: Increase Nurses Fees.

(Public)

Sponsors: Senators Hoyle; and Carpenter.

Referred to: Finance.

February 17, 1997

A BILL TO BE ENTITLED

AN ACT TO INCREASE THE EXAMINATION AND CERTIFICATION FEES
COLLECTED UNDER THE NURSING PRACTICE ACT.

The General Assembly of North Carolina enacts:

Section 1. G.S. 90-171.27(b) reads as rewritten:

"(b) The schedule of fees shall not exceed the following rates:

Application for examination leading to certificate and license as registered nurse	45.00	<u>75.00</u>
Application for certificate and license as registered nurse by endorsement	75.00	<u>150.00</u>
Application for each re-examination leading to certificate and license as registered nurse	45.00	<u>75.00</u>
Renewal of license to practice as registered nurse (two-year period)	50.00	<u>100.00</u>
Reinstatement of lapsed license to practice as a registered nurse and renewal fee	90.00	<u>180.00</u>
Application for examination leading to certificate and license as licensed practical nurse by examination	45.00	<u>75.00</u>
Application for certificate and license as licensed practical nurse by endorsement	75.00	<u>150.00</u>
Application for each re-examination leading to certificate and license as licensed practical nurse	45.00	<u>75.00</u>
Renewal of license to practice as a licensed practical nurse (two-year period)	50.00	<u>100.00</u>
Reinstatement of lapsed license to practice as a licensed practical nurse and renewal fee	90.00	<u>180.00</u>
Reasonable charge for duplication services and materials."		

1 Section 2. This act is effective when it becomes law.

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED:	North Carolina Board of Nursing				
EFFECTIVE DATE:	When it becomes law				

BILL SUMMARY:

The proposed act increases the licensing and registration fees authorized under G.S. 90-171.27(b). The revenue from these charges is used by the North Carolina Board of Nursing in its normal course of conducting the affairs of the State Board. The last year the General Assembly granted the Board an increase in fees was in 1987.

ASSUMPTIONS AND METHODOLOGY

Source: Deloitte Touche Tomatsu International

	<u>Year Ending June 30, 1993, 1994, 1995, 1996</u>			
	<u>1996</u>	<u>1995</u>	<u>1994</u>	<u>1993</u>
REVENUES (Fees & Licenses)	\$3,160,560	\$3,106,519	\$2,840,414	\$2,445,987
EXPENDITURES	\$3,307,598	\$2,756,580	\$2,652,213	\$2,328,682
Ending Year Balance	-18% (\$147,038)	\$349,939	\$188,201	\$117,305
Beginning Year Balance	\$961,088	\$611,149	\$422,948	\$264,931
Balance End of Year	\$814,050	\$961,088	\$611,149	\$422,948

The loss of \$147,038 represents 18% of the year end balance for 1996.

SENATE FINANCE COMMITTEE

THURSDAY, APRIL 10, 1997

12:00 NOON - ROOM 544 LOB

The Senate Finance Committee met. There were 21 members of the committee present. Senator David W. Hoyle, Co-Chairman, was president. Senator Hoyle introduced the Pages for the meeting. They are Robert Brinson from Gastonia, N. C., sponsored by Senator Hoyle and Matt Hiatt from Mount Airy, N. C., sponsored by Senator Foxx.

S. B. 719 - Goldsboro Room Tax Use

Senator Kerr explain the bill. Senator McDaniel moved for a "favorable" report, motion passed.

S. B. 317 - Local Government Debt Changes

Senator Winner explained the bill and moved for adoption of proposed committee substitute, motion passed. Senator Webster moved for a "favorable" report, motion passed. Mr. Ed Regan with the N. C. Association of County Commissioners stated that they were okay with the bill. Mr. Andy Romenet, General Counsel, with the N. C. League of Municipalities stated that they do not have a problem with most of the bill, however, they still have a problem with some parts of the bill. Mr. Bob High with the Department of State Treasurer also spoke on the bill. The bill will be reported out as "unfavorable as to bill, but favorable as to committee substitute bill". NOTE: Bill was reported out of committee on April 14, 1997.

S. B. 158 - Administrative Dissolution/Annual Rept.

Senator Hartsell came to explain the bill and made a motion to adopt the proposed committee substitute, motion passed. Ms. Sabre Faires, Staff, gave a report on the proposed amendments to the bill. Senator Kerr moved for adoption of amendments, motion passed. Senator Hartsell began to explain the proposed committee substitute as amended. Mr. David Massey, General Counsel, to the Secretary of State's Office spoke on the bill. Mr. Jack Parker with the Department of Revenue also spoke on the bill. Senator Kerr moved for a "favorable" report on the proposed committee substitute as

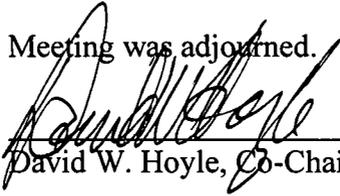

SENATE FINANCE COMMITTEE

1

SENATE BILL 719

Short Title: Goldsboro Room Tax Use.

(Local)

Sponsors: Senator Kerr.

Referred to: Finance.

April 7, 1997

1 A BILL TO BE ENTITLED
2 AN ACT TO MODIFY THE PURPOSES FOR WHICH THE GOLDSBORO
3 ROOM OCCUPANCY TAX MAY BE USED AND TO MAKE TECHNICAL
4 AND CONFORMING CHANGES.
5 The General Assembly of North Carolina enacts:
6 Section 1. Sections 2 through 9 of Chapter 555 of the 1991 Session Laws
7 read as rewritten:
8 "Sec. 2. Levy of Tax. The City of Goldsboro may ~~by resolution, after not less~~
9 ~~than 10 days public notice and after a public hearing held pursuant thereto,~~ levy a
10 room occupancy and tourism development tax. ~~Collection of the tax, and liability,~~
11 ~~therefore, shall begin and continue only on and after the first day of a calendar~~
12 ~~month set in the resolution levying the tax, which in no case may be earlier than the~~
13 ~~first day of the second succeeding calendar month after the date of adoption of the~~
14 ~~resolution.~~
15 "~~Sec. 3. Rate, Scope.~~ The room occupancy and tourism development tax that
16 may be levied under this act shall not be less than three percent (3%) nor more than
17 five percent (5%) of the gross receipts derived from the rental of any room, lodging,
18 or similar accommodation furnished by any hotel, motel, inn, tourist camp, or other
19 similar place within the levying unit now subject to the three percent (3%) sales tax
20 imposed by the State under G.S. 105-164.4(a)(3). This tax is in addition to any State
21 or local sales tax.
22 "Sec. 4. Exemptions. The tax authorized by this act does not apply to gross
23 receipts derived by the following entities from accommodations furnished by them:
24 (1) Religious organizations;

- 1 (2) A business that offers to rent fewer than five units;
- 2 (3) Educational organizations;
- 3 (4) Summer camps; and
- 4 (5) Charitable, benevolent, and other nonprofit organizations.

5 "Sec. 5. Administration of Tax. A tax levied under this section shall be levied,
6 administered, collected, and repealed as provided in G.S. 160A-215, except that the
7 return is due on the 25th day of the month rather than the 15th day of the month.
8 The penalties provided in G.S. 160A-215 apply to a tax levied under this section. (a)
9 ~~A tax levied under this act is due and payable to the city in monthly installments on~~
10 ~~or before the twenty fifth day of the month following the month in which the tax~~
11 ~~accrues. Every person, firm, corporation, or association liable for the tax shall, on or~~
12 ~~before the twenty fifth day of each month, prepare and render a return on a form~~
13 ~~prescribed by the city. The return shall state the total gross receipts derived in the~~
14 ~~preceding month from rentals upon which the tax is levied. A return filed under this~~
15 ~~section is not a public record as defined by G.S. 132-1 and may not be disclosed~~
16 ~~except as required by law.~~

17 ~~(b) Any person, firm, corporation, or association who fails or refuses to file the~~
18 ~~return required by this act shall pay a penalty of fifty dollars (\$50.00) for each day's~~
19 ~~omission as provided under G.S. 160A-175.~~

20 ~~(c) Any person who willfully attempts in any manner to evade the occupancy tax~~
21 ~~imposed by this act or to make a return or who willfully fails to pay the tax or make~~
22 ~~and file a return shall, in addition to all other penalties provided by law, be guilty of~~
23 ~~a misdemeanor and shall be punishable by a fine not to exceed one thousand dollars~~
24 ~~(\$1,000), imprisonment not to exceed six months, or both.~~

25 "Sec. 6. Collection of Tax. ~~Every operator of a business subject to the tax levied~~
26 ~~by this act shall, on and after the effective date of the tax, collect the tax. The tax~~
27 ~~shall be collected as part of the charge for the furnishing of any taxable~~
28 ~~accommodations. The tax shall be stated and charged separately from the sales~~
29 ~~records, and shall be paid by the purchaser to the operator of the business as trustee~~
30 ~~for and on account of the governing bodies. The room occupancy tax levied~~
31 ~~pursuant to this act shall be added to the sales price and shall be passed on to the~~
32 ~~purchaser instead of being borne by the operator of the business. The city shall~~
33 ~~design, print, and furnish to all appropriate businesses in the city the necessary forms~~
34 ~~for filing returns and instructions to ensure the full collection of the tax.~~

35 "Sec. 7. Disposition of Taxes Collected. (a) Feasibility Study. After levying a tax
36 under this act, the City of Goldsboro shall place the net proceeds of the tax in a
37 special fund. 'Net proceeds' means gross proceeds less the cost to the city of
38 collecting and administering the tax. When sufficient proceeds have been
39 accumulated in the special fund, the city council shall create a citizens' advisory
40 committee to conduct a study of the feasibility of the construction of a civic center in
41 Goldsboro. The citizens' advisory committee shall be composed of either five or
42 seven members, as determined by the city council. If the committee is composed of
43 five members, three shall be appointed by the city council and two shall be appointed
44 by the Chamber of Commerce of Wayne County. If the committee is composed of

1 seven members, four shall be appointed by the city council and three shall be
2 appointed by the Chamber of Commerce of Wayne County. The city shall remit no
3 more than twenty percent (20%) of the net proceeds of the tax levied under this act
4 to the Goldsboro Tourism Council created in Section 8 of this act. The Council shall
5 use the proceeds to develop tourism, support services, and tourist-related events, and
6 for any other appropriate activities to provide tourism-related facilities and
7 attractions. The citizens' advisory committee shall use the remainder of the net
8 proceeds of the tax levied under this act for a study of the feasibility of the
9 construction of a civic center in Goldsboro.

10 (b) If Civic Center Feasible. If the Goldsboro City Council determines that the
11 results of the feasibility study indicate that a civic center would be a viable alternative
12 for the city, the proceeds of the tax levied under this act shall thereafter be used as
13 provided in this subsection. The citizens' advisory committee created pursuant to
14 subsection (a) of this section shall continue to serve in an advisory capacity to the
15 Goldsboro City Council. The city shall ~~use~~ remit no more than twenty percent
16 (20%) of the net proceeds of the tax levied under this act to the Goldsboro Tourism
17 Council created in Section 8 of this act. The Council shall use the proceeds to
18 develop tourism, support services, and tourist-related events, and for any other
19 appropriate activities to provide tourism-related facilities and attractions. ~~for~~
20 ~~development of tourism, support services, and tourist-related events and attractions.~~
21 The city shall use the remainder of the net proceeds for improving, leasing,
22 constructing, financing, operating, or acquiring facilities and properties as needed to
23 provide for a civic center facility for Goldsboro. The city may contract with any
24 person, firm, or agency to assist it in carrying out the purposes provided in this
25 subsection.

26 (c) If Civic Center Not Feasible at Present. If the Goldsboro City Council
27 determines that the results of the feasibility study indicate that a civic center would
28 not be a viable alternative for the city at present or without the participation of other
29 governmental, educational, or nonprofit entities, then the city may, on a monthly
30 basis, remit up to fifty percent (50%) of the net proceeds of the tax to the Goldsboro
31 Tourism Council created in Section 8 of this act. The Council shall use the proceeds
32 to develop tourism, support services, and tourist-related events, and for any other
33 appropriate activities to provide tourism-related facilities and attractions. The
34 remaining net proceeds of the tax shall be invested in a special interest bearing fund
35 and held by the city for improving, leasing, constructing, financing, operating, or
36 acquiring facilities and properties, either by the city or in conjunction with other
37 governmental, educational, or nonprofit entities. Thereafter, if the Goldsboro City
38 Council determines that a civic center would be a viable alternative for the city, then
39 a citizens' advisory committee shall be again created, if it has been disbanded,
40 pursuant to subsection (a) of this section, and the provisions of subsection (b) of this
41 section shall apply. Further, the citizens' advisory committee may conduct additional
42 feasibility studies as it deems necessary. If the Goldsboro City Council later
43 determines that a civic center would not be a viable alternative for the city, then the
44 provisions of subsection (d) of this section shall apply.

1 (d) If Civic Center Not Feasible. If the Goldsboro City Council determines that
2 the results of the feasibility study indicate that a civic center would not be a viable
3 alternative for the city, the proceeds of the tax levied under this act shall thereafter
4 be used as provided in this subsection. The citizens' advisory committee created
5 pursuant to subsection (a) of this section shall be disbanded. The city shall, on a
6 monthly basis, remit the net proceeds of the tax to the Goldsboro Tourism Council
7 created in Section 8 of this act. The Council shall use the proceeds to develop
8 tourism, support services, and tourist-related events, and for any other appropriate
9 activities to provide tourism-related facilities and attractions.

10 "Sec. 8. Goldsboro Tourism Council. (a) ~~If the~~ The Goldsboro City Council
11 ~~determines that the results of the feasibility study indicate that a civic center would~~
12 ~~not be a viable alternative for the city, as provided in Section 7,~~ it shall adopt a
13 resolution creating a Goldsboro Tourism Council. The membership of the Goldsboro
14 Tourism Council shall be appointed by the Goldsboro City Council as follows:

15 (1) Three owners or operators of hotels, motels, or other taxable
16 accommodations in the City of Goldsboro.

17 (2) Three individuals who have demonstrated an interest in
18 conventions and tourism development in the Goldsboro area, and
19 who do not own or operate hotels, motels, or other taxable tourism
20 accommodations.

21 (3) Three ex officio members: the city manager, the executive
22 vice-president of the Chamber of Commerce of Wayne County,
23 and the mayor of the City of Goldsboro.

24 (b) All members of the Council shall serve without compensation. Travel
25 expenses, as approved in the annual budget, may be provided by the Goldsboro
26 Tourism Council. Vacancies in the Council shall be filled in the same manner as the
27 original appointments. Members appointed to fill vacancies shall serve for the
28 remainder of the unexpired term for which they are appointed to fill. Members shall
29 serve three-year terms which will be staggered as provided by the city council;
30 members may serve no more than two consecutive three-year terms. The members
31 shall elect a chairperson and treasurer, who shall serve for a term of two years. The
32 Council shall meet at the call of the chairperson and shall adopt rules of procedure to
33 govern its meeting as provided by Robert's Rules of Order.

34 (c) The Goldsboro Tourism Council may contract with any person, firm, or
35 agency to assist it in carrying out the purposes provided in this act. The Council
36 shall prepare an annual budget and shall report quarterly and at the close of the fiscal
37 year to the Goldsboro City Council on its receipts and expenditures for the preceding
38 quarter and year in such detail as the city may require. An audit will be conducted
39 as part of the city's audit contract.

40 ~~"Sec. 9. Repeal. A tax levied under this section may be repealed by a resolution~~
41 ~~adopted by the Goldsboro City Council. Repeal of a tax levied under this section~~
42 ~~shall become effective on the first day of a month and may not become effective until~~
43 ~~the end of the fiscal year in which the repeal resolution was adopted. Repeal of a tax~~
44 ~~levied under this section does not affect a liability for a tax that was attached before~~

1 ~~the effective date of the repeal, nor does it affect a right to a refund of a tax that~~
2 ~~accrued before the effective date of the repeal."~~

3 Section 2. (a) Article 9 of Chapter 160A of the General Statutes is
4 amended by adding a new section to read:

5 "§ 160A-215. Uniform provisions for room occupancy taxes.

6 (a) Scope. -- This section applies only to municipalities the General Assembly has
7 authorized to levy room occupancy taxes. For the purpose of this section, the term
8 'city' means a municipality.

9 (b) Levy. -- A room occupancy tax may be levied only by resolution, after not less
10 than 10 days' public notice and after a public hearing held pursuant thereto. A room
11 occupancy tax shall become effective on the date specified in the resolution levying
12 the tax. That date must be the first day of a calendar month, however, and may not
13 be earlier than the first day of the second month after the date the resolution is
14 adopted.

15 (c) Collection. -- Every operator of a business subject to a room occupancy tax
16 shall, on and after the effective date of the levy of the tax, collect the tax. The tax
17 shall be collected as part of the charge for furnishing a taxable accommodation. The
18 tax shall be stated and charged separately from the sales records and shall be paid by
19 the purchaser to the operator of the business as trustee for and on account of the
20 taxing city. The tax shall be added to the sales price and shall be passed on to the
21 purchaser instead of being borne by the operator of the business. The taxing city
22 shall design, print, and furnish to all appropriate businesses and persons in the city
23 the necessary forms for filing returns and instructions to ensure the full collection of
24 the tax. An operator of a business who collects a room occupancy tax may deduct
25 from the amount remitted to the taxing city a discount equal to the discount the State
26 allows the operator for State sales and use tax.

27 (d) Administration. -- The taxing city shall administer a room occupancy tax it
28 levies. A room occupancy tax is due and payable to the city finance officer in
29 monthly installments on or before the 15th day of the month following the month in
30 which the tax accrues. Every person, firm, corporation, or association liable for the
31 tax shall, on or before the 15th day of each month, prepare and render a return on a
32 form prescribed by the taxing city. The return shall state the total gross receipts
33 derived in the preceding month from rentals upon which the tax is levied. A room
34 occupancy tax return filed with the city finance officer is not a public record and may
35 not be disclosed except in accordance with G.S. 153A-148.1 or G.S. 160A-208.1.

36 (e) Penalties. -- A person, firm, corporation, or association who fails or refuses to
37 file a room occupancy tax return or pay a room occupancy tax as required by law is
38 subject to the civil and criminal penalties set by G.S. 105-236 for failure to pay or file
39 a return for State sales and use taxes. The governing board of the taxing city has the
40 same authority to waive the penalties for a room occupancy tax that the Secretary of
41 Revenue has to waive the penalties for State sales and use taxes.

42 (f) Repeal or Reduction. -- A room occupancy tax levied by a city may be
43 repealed or reduced by a resolution adopted by the governing body of the city.
44 Repeal or reduction of a room occupancy tax shall become effective on the first day

1 of a month and may not become effective until the end of the fiscal year in which the
2 resolution was adopted. Repeal or reduction of a room occupancy tax does not affect
3 a liability for a tax that was attached before the effective date of the repeal or
4 reduction, nor does it affect a right to a refund of a tax that accrued before the
5 effective date of the repeal or reduction."

6 (b) This section applies only to the City of Goldsboro.
7 Section 3. This act is effective when it becomes law.

GENERAL ASSEMBLY OF NORTH CAROLINA

SESSION 1997

S

1

SENATE BILL 317

Short Title: Local Government Debt Changes.

(Public)

Sponsors: Senators Winner, Hartsell; Cooper, Hoyle, Kerr, and Odom.

Referred to: Finance.

March 5, 1997

1 A BILL TO BE ENTITLED
2 AN ACT TO ALLOW ALL COUNTIES TO ACQUIRE PROPERTY FOR USE BY
3 THEIR LOCAL BOARDS OF EDUCATION, TO PROVIDE THAT EXISTING
4 LOCAL GOVERNMENT DEBT STATEMENT REQUIREMENTS AND DEBT
5 LIMITATIONS APPLY TO INSTALLMENT PURCHASE AND LEASE DEBTS,
6 TO REQUIRE LOCAL GOVERNMENT COMMISSION APPROVAL OF
7 MORE NONVOTED DEBTS, AND TO CAP THE AMOUNT OF
8 INSTALLMENT PURCHASE AND LEASE DEBT COUNTIES AND CITIES
9 MAY INCUR.

10 The General Assembly of North Carolina enacts:

11 Section 1. (a) G.S. 153A-158.1 reads as rewritten:

12 "**§ 153A-158.1. Acquisition and improvement of school ~~property in certain counties.~~**
13 **property.**

14 (a) Acquisition by County. -- A county may acquire, by any lawful method, any
15 interest in real or personal property for use by a school administrative unit within the
16 county. In exercising the power of eminent domain a county shall use the procedures
17 of Chapter 40A. The county shall use its authority under this subsection to acquire
18 property for use by a school administrative unit within the county only upon the
19 request of the board of education of that school administrative unit and after a public
20 hearing.

21 (b) Construction or Improvement by County. -- A county may construct, equip,
22 expand, improve, renovate, or otherwise make available property for use by a school
23 administrative unit within the county. The local board of education shall be involved

1 in the design, construction, equipping, expansion, improvement, or renovation of the
2 property to the same extent as if the local board owned the property.

3 (c) Lease or Sale by Board of Education. -- Notwithstanding the provisions of G.S.
4 115C-518 and G.S. 160A-274, a local board of education may, in connection with
5 additions, improvements, renovations, or repairs to all or part of any of its property,
6 lease or sell the property to the board of commissioners of the county in which the
7 property is located for any price negotiated between the two boards.

8 (d) Board of Education May Contract for Construction. -- Notwithstanding the
9 provisions of G.S. 115C-40 and G.S. 115C-521, a local board of education may enter
10 into contracts for the erection or repair of school buildings upon sites owned in fee
11 simple by one or more counties in which the local school administrative unit is
12 located.

13 ~~(e) Scope. This section applies to Alleghany, Ashe, Avery, Bladen, Brunswick,~~
14 ~~Cabarrus, Carteret, Cherokee, Chowan, Columbus, Currituck, Dare, Duplin,~~
15 ~~Edgecombe, Forsyth, Franklin, Graham, Greene, Guilford, Halifax, Harnett,~~
16 ~~Haywood, Hyde, Iredell, Jackson, Johnston, Jones, Lee, Macon, Madison, Martin,~~
17 ~~Moore, Nash, New Hanover, Orange, Pasquotank, Pender, Person, Pitt, Randolph,~~
18 ~~Richmond, Rockingham, Rowan, Sampson, Scotland, Stanly, Surry, Union, Vance,~~
19 ~~Wake, Wilson, and Watauga Counties."~~

20 (b) The repeal of G.S. 153A-158.1(e) gives to all counties in the State the
21 authority that was previously limited to the counties listed in that subsection.

22 Section 2. G.S. 159-55 reads as rewritten:

23 "**§ 159-55. Sworn statement of debt; debt limitation.**

24 (a) Sworn Statement of Debt. -- After the bond order has been introduced and
25 before the public hearing thereon, the finance officer (or some other officer
26 designated by the governing board for this purpose) shall file with the clerk a
27 statement showing the following:

28 (1) Gross debt. -- The gross debt of the unit, excluding therefrom debt
29 incurred or to be incurred in anticipation of the collection of taxes
30 or other revenues or in anticipation of the sale of bonds other than
31 funding and refunding bonds. The gross debt (after exclusions) is
32 the sum of (i) outstanding debt evidenced by bonds, (ii) bonds
33 authorized by orders introduced but not yet adopted, (iii) unissued
34 bonds authorized by adopted orders, and (iv) outstanding debt not
35 evidenced by ~~bonds.~~ bonds, as determined in subsection (d) of this
36 section. However, for purposes of the sworn statement of debt and
37 the debt limitation, revenue bonds shall not be considered debt
38 and ~~such bonds~~ shall not be included in gross debt nor deducted
39 from gross debt.

40 (2) Deductions in computing net debt. -- The deductions to be made
41 from gross debt in computing net debt. The following deductions
42 are allowed:

43 a. Funding and refunding bonds authorized by orders
44 introduced but not yet adopted.

- 1 b. Funding and refunding bonds authorized but not yet issued.
2 c. The amount of money held in sinking funds or otherwise for
3 the payment of any part of the principal of gross debt other
4 than debt incurred for water, gas, electric light or power
5 purposes, or sanitary sewer purposes (to the extent that the
6 bonds are deductible under subsection (b) of this section), or
7 two or more of these purposes.
8 d. The amount of bonded debt included in gross debt and
9 incurred, or to be incurred, for water, gas, or electric light
10 or power purposes, or any two or more of these purposes.
11 e. The amount of bonded debt included in the gross debt and
12 incurred, or to be incurred, for sanitary sewer system
13 purposes to the extent that the debt is made deductible by
14 subsection (b) of this section.
15 f. The amount of uncollected special assessments theretofore
16 levied for local improvements for which any part of the
17 gross debt (that is not otherwise deducted) was or is to be
18 incurred, to the extent that the assessments will be applied,
19 when collected, to the payment of any part of the gross debt.
20 g. The amount, as estimated by the governing board of the
21 issuing unit or an officer designated by the board for this
22 purpose, of special assessments to be levied for local
23 improvements for which any part of the gross debt (that is
24 not otherwise deducted) was or is to be incurred, to the
25 extent that the special assessments, when collected, will be
26 applied to the payment of any part of the gross debt.
- 27 (3) Net debt. -- The net debt of the issuing unit, being the difference
28 between the gross debt and deductions.
- 29 (4) Assessed value of property. -- The assessed value of property
30 subject to taxation by the issuing unit, as revealed by the tax
31 records and certified to the issuing unit by the assessor.
- 32 (5) Net debt percentage. -- The percentage that the net debt bears to
33 the assessed value of property subject to taxation by the issuing
34 unit.
- 35 (b) Sewer System Debt Deductible. -- Debt incurred or to be incurred for sanitary
36 sewer system purposes is deductible from gross debt when the combined revenues of
37 the water system and the sanitary sewer system (whether or not the water and sewer
38 system are operated separately or as a consolidated system) were sufficient to pay all
39 operating, capital outlay, and debt service expenditures attributable to both systems in
40 each of the three complete fiscal years immediately preceding the date on which the
41 sworn statement of debt is filed. For the purposes of this subsection, the 'revenues'
42 of a water system and a sanitary sewer system include:
- 43 (1) Rates, fees, rentals, charges, and other receipts and income derived
44 from or in connection with the system.

1 (2) Fees, rents, or other charges collected from other offices, agencies,
2 institutions, and departments of the issuing unit at rates not in
3 excess of those charged to other consumers, customers, or users.

4 (3) Appropriations from the fund balance of the prior fiscal year from
5 the fund or funds established to account for the revenues and
6 expenditures of the water system or sewer system pursuant to G.S.
7 159-13(a) of the Local Government Budget and Fiscal Control Act.

8 Before the sworn statement of debt is filed, the secretary shall determine to what
9 extent debt incurred or to be incurred for sanitary sewer system purposes qualifies for
10 deduction from gross debt pursuant to this subsection, and shall give ~~his~~ a certificate
11 to that effect. The secretary's certificate shall be filed with and deemed a part of the
12 sworn statement of debt. The secretary's certificate shall be conclusive in the absence
13 of fraud.

14 (c) Debt Limitation. -- No bond order shall be adopted unless it appears from the
15 sworn statement of debt filed in connection therewith that the net debt of the unit
16 does not exceed eight percent (8%) of the assessed value of property subject to
17 taxation by the issuing unit. This limitation shall not apply to:

18 (1) Funding and refunding bonds.

19 (2) Bonds issued for water, gas, or electric power purposes, or two or
20 more of these purposes.

21 (3) Bonds issued for sanitary sewer system purposes when the bonds
22 are deductible pursuant to subsection (b) of this section.

23 (4) Bonds issued for sanitary sewers, sewage disposal, or sewage
24 purification plants when the construction of these facilities has
25 been ordered by the Environmental Management ~~Commission,~~
26 ~~which Commission is hereby authorized to make such an order,~~
27 Commission or by a court of competent jurisdiction.

28 (5) Bonds or notes issued for erosion control purposes.

29 (6) Bonds or notes issued for the purpose of erecting jetties or other
30 protective works to prevent encroachment by the ocean, sounds, or
31 other bodies of water.

32 (d) Determination of Outstanding Debt Not Evidenced by Bonds. -- For the
33 purpose of this section, outstanding debt not evidenced by bonds includes the
34 principal component of outstanding installment contracts and capital leases and the
35 total lease payments due under outstanding operating leases. Outstanding debt not
36 evidenced by bonds is includable in gross debt and deductible in determining net
37 debt to the same extent as if it were bonded debt.

38 If an installment contract, a capital lease, or an operating lease provides funds for
39 more than one purpose within the meaning of this section, the amount of funds
40 borrowed for each purpose shall be the amounts set forth in the installment contract,
41 capital lease, or operating lease. If the installment contract, capital lease, or operating
42 lease does not set forth the amount borrowed for each purpose, the finance officer
43 shall file a certificate with the clerk determining the purposes and amounts, and the

1 determination shall be conclusive and binding for purposes of complying with this
2 section.

3 The following definitions apply in this subsection:

- 4 (1) Capital lease. -- An agreement entered into under G.S. 153A-165
5 or G.S. 160A-19 that constitutes a capital lease under generally
6 accepted accounting principles and that is subject to approval by
7 the Local Government Commission under Article 8 of Chapter 159
8 of the General Statutes.
- 9 (2) Installment contract. -- An agreement entered into under G.S.
10 160A-20 that is subject to approval by the Local Government
11 Commission under Article 8 of Chapter 159 of the General
12 Statutes.
- 13 (3) Operating lease. -- An agreement entered into under G.S. 153A-
14 165 or G.S. 160A-19 that constitutes an operating lease under
15 generally accepted accounting principles and that is subject to
16 approval by the Local Government Commission under Article 8 of
17 Chapter 159 of the General Statutes.
- 18 (4) Principal component. -- The aggregate amount payable under an
19 installment contract or a capital lease over its term in respect of
20 principal only, as set forth in the installment contract or capital
21 lease or in a principal component certificate.
- 22 (5) Principal component certificate. -- A certificate of the finance
23 officer, or some other officer designated by the governing body for
24 this purpose, filed with the clerk setting forth the principal
25 component of an installment contract or capital lease when the
26 installment contract or capital lease does not expressly designate a
27 principal component."

28 Section 3. G.S. 159-148 reads as rewritten:

29 "**§ 159-148. Contracts subject to Article; exceptions.**

30 (a) Except as provided in subsection (b) of this section, this Article applies to any
31 contract, agreement, memorandum of understanding, and any other transaction
32 having the force and effect of a contract (other than agreements made in connection
33 with the issuance of revenue bonds, special obligation bonds issued pursuant to
34 Chapter 159I of the General Statutes, or of general obligation bonds additionally
35 secured by a pledge of revenues) made or entered into by a unit of local government
36 (as defined by G.S. 159-7(b) or, in the case of a special obligation bond, as defined in
37 Chapter 159I of the General Statutes), relating to the lease, acquisition, or
38 construction of capital assets, which contract

- 39 (1) Extends for five or more years from the date of the contract,
40 including periods that may be added to the original term through
41 the exercise of options to renew or extend, and
- 42 (2) Obligates the unit to pay sums of money to another, without regard
43 to whether the payee is a party to the contract, and

1 (3) Obligates the unit over the full term of the contract, including
2 periods that may be added to the original term through the
3 exercise of options to renew or extend, to the extent of five
4 hundred thousand dollars (\$500,000) or a sum equal to one tenth
5 of one percent (1/10 of 1%) of the assessed value of property
6 subject to taxation by the contracting unit, whichever is less, and
7 less.

8 ~~(4) Obligates the unit, expressly or by implication, to exercise its~~
9 ~~power to levy taxes either to make payments falling due under the~~
10 ~~contract, or to pay any judgment entered against the unit as a~~
11 ~~result of the unit's breach of the contract.~~

12 Contingent ~~obligation~~ obligations shall be included in calculating the value of the
13 contract. Several contracts that are all related to the same undertaking shall be
14 deemed a single contract for the purposes of this Article. When several contracts are
15 considered as a single contract, the term shall be that of the contract having the
16 longest term, and the sums to fall due shall be the total of all sums to fall due under
17 all single contracts in the group.

18 (b) This Article shall not apply to:

- 19 (1) Contracts between a unit of local government and the State of
20 North Carolina or the United States of America (or any agency of
21 either) entered into as a condition to the making of grants or loans
22 to the unit of local government.
23 (2) Contracts for the purchase, lease, or lease with option to purchase
24 of motor vehicles or voting machines.
25 (3) Loan agreements entered into by a unit of local government
26 pursuant to the North Carolina Solid Waste Management Loan
27 Program, Chapter 159I of the General Statutes."

28 Section 4. G.S. 159-150 reads as rewritten:

29 "**§ 159-150. Sworn statement of debt; debt limitation.**

30 (a) Sworn Statement of Debt. -- After or at the time an application is filed under
31 G.S. 159-149, the finance officer, or some other officer designated by the board, shall
32 prepare, swear to, and file with the secretary and for public inspection in the office of
33 the clerk to the board a statement of debt in the same form prescribed in G.S. 159-55
34 for statements of debt filed in connection with general obligation bond issues. The
35 sums to be included in gross debt and the deductions therefrom to arrive at net debt
36 shall be the same as prescribed in G.S. 159-55, ~~except that sums to fall due under~~
37 ~~contracts subject to this Article shall be treated as if they were evidenced by general~~
38 ~~obligation bonds of the unit~~ except that the contract to be entered into under this
39 Article shall be treated as outstanding debt not evidenced by bonds as determined
40 under G.S. 159-55(d).

41 (b) Overall Debt Limitation. -- No contract subject to this Article may be
42 executed if the net debt of the contracting unit, after execution of the contract, would
43 exceed eight percent (8%) of the assessed value of property subject to taxation by the

1 contracting unit. This subsection does not apply to contracts executed by units that
2 do not have the power to levy taxes.

3 (c) Limitation on Debt Not Evidenced by Bonds. -- Unless the contract has been
4 approved by the voters of the contracting county or city as provided in subsection (e)
5 of this section, a county or city may not execute a contract subject to this Article if
6 the net outstanding debt not evidenced by bonds issued by the county or city on or
7 after July 1, 1997, would, after execution of the contract, exceed one percent (1%) of
8 the assessed value of property subject to taxation by the county or city.

9 (d) Exceptions to Limitations. -- Subsections (b) and (c) of this section shall not
10 apply to:

- 11 (1) Funding and refunding contracts.
- 12 (2) Contracts entered into for water, gas, or electric power purposes,
13 or two or more of these purposes.
- 14 (3) Contracts entered into for sanitary sewer system purposes when the
15 amounts payable under the contracts are deductible pursuant to
16 G.S. 159-55(d)(2) or G.S. 159-55(d)(3).
- 17 (4) Contracts entered into for sanitary sewers, sewage disposal, or
18 sewage purification plants when the construction of these facilities
19 has been ordered by the Environmental Management Commission
20 or by a court of competent jurisdiction.
- 21 (5) Contracts entered into for erosion control purposes.
- 22 (6) Contracts entered into for the purpose of erecting jetties or other
23 protective works to prevent encroachment by the ocean, sounds, or
24 other bodies of water.

25 (e) Voter Approval of Certain Contracts. -- If a county or city would be
26 prohibited from executing a contract subject to this Article because the net
27 outstanding debt not evidenced by bonds issued by the county or city on or after July
28 1, 1997, would, after execution of the contract, exceed the debt limit set by subsection
29 (c) of this section, then the governing board of the county or city may, in its
30 discretion, submit the question of whether to execute the contract for approval by the
31 qualified voters of the county or city. A referendum held pursuant to this subsection
32 shall be conducted according to the standards, procedures, and limitations set out in
33 G.S. 159-60 through G.S. 159-62."

34 Section 5. This act is effective when it becomes law. This act does not
35 affect contracts and obligations entered into before July 1, 1997, or for which an
36 application for Local Government Commission approval was filed before July 1,
37 1997.

GENERAL ASSEMBLY OF NORTH CAROLINA

SESSION 1997

S

D

SENATE BILL 317
Proposed Committee Substitute S317-CSLC-4/9
ATTENTION: LINE NUMBERS MAY CHANGE AFTER ADOPTION

Short Title: Local Government Debt Changes.

(Public)

Sponsors:

Referred to:

March 5, 1997

1 A BILL TO BE ENTITLED
2 AN ACT TO ALLOW ALL COUNTIES TO ACQUIRE PROPERTY FOR USE BY THEIR
3 LOCAL BOARDS OF EDUCATION, TO PROVIDE THAT EXISTING LOCAL
4 GOVERNMENT DEBT STATEMENT REQUIREMENTS AND DEBT LIMITATIONS
5 APPLY TO INSTALLMENT CONTRACT AND LEASE DEBTS, TO REQUIRE LOCAL
6 GOVERNMENT COMMISSION APPROVAL OF MORE NONVOTED DEBTS, AND TO
7 CAP THE AMOUNT OF INSTALLMENT CONTRACT AND LEASE DEBT COUNTIES
8 AND CITIES MAY INCUR.
9 The General Assembly of North Carolina enacts:
10 Section 1. (a) G.S. 153A-158.1 reads as rewritten:
11 "§ 153A-158.1. Acquisition and improvement of school property in
12 certain counties. property.
13 (a) Acquisition by County. -- A county may acquire, by any
14 lawful method, any interest in real or personal property for use
15 by a school administrative unit within the county. In exercising
16 the power of eminent domain a county shall use the procedures of
17 Chapter 40A. The county shall use its authority under this
18 subsection to acquire property for use by a school administrative
19 unit within the county only upon the request of the board of
20 education of that school administrative unit and after a public
21 hearing.

1 (b) Construction or Improvement by County. -- A county may
2 construct, equip, expand, improve, renovate, or otherwise make
3 available property for use by a school administrative unit within
4 the county. The local board of education shall be involved in
5 the design, construction, equipping, expansion, improvement, or
6 renovation of the property to the same extent as if the local
7 board owned the property.

8 (c) Lease or Sale by Board of Education. -- Notwithstanding
9 the provisions of G.S. 115C-518 and G.S. 160A-274, a local board
10 of education may, in connection with additions, improvements,
11 renovations, or repairs to all or part of any of its property,
12 lease or sell the property to the board of commissioners of the
13 county in which the property is located for any price negotiated
14 between the two boards.

15 (d) Board of Education May Contract for Construction. --
16 Notwithstanding the provisions of G.S. 115C-40 and G.S. 115C-521,
17 a local board of education may enter into contracts for the
18 erection or repair of school buildings upon sites owned in fee
19 simple by one or more counties in which the local school
20 administrative unit is located.

21 ~~(e) Scope. -- This section applies to Alleghany, Ashe, Avery,~~
22 ~~Bladen, Brunswick, Cabarrus, Carteret, Cherokee, Chowan,~~
23 ~~Columbus, Currituck, Dare, Duplin, Edgecombe, Forsyth, Franklin,~~
24 ~~Graham, Greene, Guilford, Halifax, Harnett, Haywood, Hyde,~~
25 ~~Iredell, Jackson, Johnston, Jones, Lee, Macon, Madison, Martin,~~
26 ~~Moore, Nash, New Hanover, Orange, Pasquotank, Pender, Person,~~
27 ~~Pitt, Randolph, Richmond, Rockingham, Rowan, Sampson, Scotland,~~
28 ~~Stanly, Surry, Union, Vance, Wake, Wilson, and Watauga Counties."~~

29 (b) The repeal of G.S. 153A-158.1(e) gives to all
30 counties in the State the authority that was previously limited
31 to the counties listed in that subsection."

32 Section 2. G.S. 159-55 reads as rewritten:

33 "§ 159-55. Sworn statement of debt; debt limitation.

34 (a) Sworn Statement of Debt. -- After the bond order has been
35 introduced and before the public hearing thereon, the finance
36 officer (or some other officer designated by the governing board
37 for this purpose) shall file with the clerk a statement showing
38 the following:

39 (1) Gross debt. -- The gross debt of the unit,
40 excluding therefrom debt incurred or to be incurred
41 in anticipation of the collection of taxes or other
42 revenues or in anticipation of the sale of bonds
43 other than funding and refunding bonds. The gross
44 debt (after exclusions) is the sum of (i)

1 outstanding debt evidenced by bonds, (ii) bonds
2 authorized by orders introduced but not yet
3 adopted, (iii) unissued bonds authorized by adopted
4 orders, and (iv) outstanding debt not evidenced by
5 ~~bonds.~~ bonds, including debt described in
6 subsection (d) of this section. However, for
7 purposes of the sworn statement of debt and the
8 debt limitation, special obligation bonds, other
9 obligations incurred under Chapter 159I of the
10 General Statutes, and revenue bonds shall not be
11 considered debt and such bonds shall not be
12 included in gross debt nor deducted from gross
13 debt.

14 (2) Deductions from gross debt. -- The deductions to be
15 made from gross debt in computing net debt. The
16 following deductions are allowed:

- 17 a. Funding and refunding bonds authorized by
18 orders introduced but not yet adopted.
- 19 b. Funding and refunding bonds authorized but not
20 yet issued.
- 21 c. The amount of money held in sinking funds or
22 otherwise for the payment of any part of the
23 principal of gross debt other than debt
24 incurred for water, gas, electric light or
25 power purposes, or sanitary sewer purposes (to
26 the extent that the bonds are deductible under
27 subsection (b) of this section), or two or
28 more of these purposes.
- 29 d. The amount of bonded debt included in gross
30 debt and incurred, or to be incurred, for
31 water, gas, or electric light or power
32 purposes, or any two or more of these
33 purposes.
- 34 e. The amount of bonded debt included in the
35 gross debt and incurred, or to be incurred,
36 for sanitary sewer system purposes to the
37 extent that the debt is made deductible by
38 subsection (b) of this section.
- 39 f. The amount of uncollected special assessments
40 theretofore levied for local improvements for
41 which any part of the gross debt (that is not
42 otherwise deducted) was or is to be incurred,
43 to the extent that the assessments will be

- 1 applied, when collected, to the payment of any
2 part of the gross debt.
- 3 g. The amount, as estimated by the governing
4 board of the issuing unit or an officer
5 designated by the board for this purpose, of
6 special assessments to be levied for local
7 improvements for which any part of the gross
8 debt (that is not otherwise deducted) was or
9 is to be incurred, to the extent that the
10 special assessments, when collected, will be
11 applied to the payment of any part of the
12 gross debt.
- 13 (3) Net debt. -- The net debt of the issuing unit,
14 being the difference between the gross debt and
15 deductions.
- 16 (4) Assessed value of property. -- The assessed value
17 of property subject to taxation by the issuing
18 unit, as revealed by the tax records and certified
19 to the issuing unit by the assessor.
- 20 (5) Net debt percentage. -- The percentage that the net
21 debt bears to the assessed value of property
22 subject to taxation by the issuing unit.
- 23 (b) Sewer System Debt Deductible. -- Debt incurred or to be
24 incurred for sanitary sewer system purposes is deductible from
25 gross debt when the combined revenues of the water system and the
26 sanitary sewer system (whether or not the water and sewer system
27 are operated separately or as a consolidated system) were
28 sufficient to pay all operating, capital outlay, and debt service
29 expenditures attributable to both systems in each of the three
30 complete fiscal years immediately preceding the date on which the
31 sworn statement of debt is filed. For the purposes of this
32 subsection, the 'revenues' of a water system and a sanitary sewer
33 system include:
- 34 (1) Rates, fees, rentals, charges, and other receipts
35 and income derived from or in connection with the
36 system.
- 37 (2) Fees, rents, or other charges collected from other
38 offices, agencies, institutions, and departments of
39 the issuing unit at rates not in excess of those
40 charged to other consumers, customers, or users.
- 41 (3) Appropriations from the fund balance of the prior
42 fiscal year from the fund or funds established to
43 account for the revenues and expenditures of the
44 water system or sewer system pursuant to G.S. 159-

1 13(a) of the Local Government Budget and Fiscal
2 Control Act.

3 Before the sworn statement of debt is filed, the secretary shall
4 determine to what extent debt incurred or to be incurred for
5 sanitary sewer system purposes qualifies for deduction from gross
6 debt pursuant to this subsection, and shall give his a
7 certificate to that effect. The secretary's certificate shall be
8 filed with and deemed a part of the sworn statement of debt. The
9 secretary's certificate shall be conclusive in the absence of
10 fraud.

11 (c) Debt Limitation. -- No bond order shall be adopted unless
12 it appears from the sworn statement of debt filed in connection
13 therewith that the net debt of the unit does not exceed eight
14 percent (8%) of the assessed value of property subject to
15 taxation by the issuing unit. This limitation shall not apply
16 to:

- 17 (1) Funding and refunding bonds.
- 18 (2) Bonds issued for water, gas, or electric power
19 purposes, or two or more of these purposes.
- 20 (3) Bonds issued for sanitary sewer system purposes
21 when the bonds are deductible pursuant to
22 subsection (b) of this section.
- 23 (4) Bonds issued for sanitary sewers, sewage disposal,
24 or sewage purification plants when the construction
25 of these facilities has been ordered by the
26 Environmental Management Commission, ~~which~~
27 ~~Commission is hereby authorized to make such an~~
28 ~~order,~~ Commission or by a court of competent
29 jurisdiction.
- 30 (5) Bonds or notes issued for erosion control purposes.
- 31 (6) Bonds or notes issued for the purpose of erecting
32 jetties or other protective works to prevent
33 encroachment by the ocean, sounds, or other bodies
34 of water.

35 (d) Outstanding Debt Not Evidenced by Bonds. -- For the
36 purpose of this section, outstanding debt not evidenced by bonds
37 includes the principal component of outstanding installment
38 contracts and capital leases and the total lease payments due
39 under outstanding operating leases. Outstanding debt not
40 evidenced by bonds is includable in gross debt and deductible in
41 determining net debt to the same extent as if it were bonded
42 debt.

43 If an installment contract, a capital lease, or an operating
44 lease provides funds for more than one purpose within the meaning

1 of this section, the amount of funds borrowed for each purpose
2 shall be the amounts set forth in the installment contract,
3 capital lease, or operating lease. If the installment contract,
4 capital lease, or operating lease does not set forth the amount
5 borrowed for each purpose, the finance officer, or some other
6 officer designated by the governing body for this purpose, shall
7 file a certificate with the clerk determining the purposes and
8 amounts, and the determination shall be conclusive and binding
9 for purposes of complying with this section.

10 The following definitions apply in this subsection:

- 11 (1) Capital lease. -- An agreement entered into under
12 G.S. 153A-165 or G.S. 160A-19 that constitutes a
13 capital lease of a lessee under generally accepted
14 accounting principles and that is subject to
15 approval by the Local Government Commission under
16 Article 8 of Chapter 159 of the General Statutes.
- 17 (2) Installment contract. -- An agreement entered into
18 under G.S. 160A-20 that is subject to approval by
19 the Local Government Commission.
- 20 (3) Operating lease. -- An agreement entered into under
21 G.S. 153A-165 or G.S. 160A-19 that constitutes an
22 operating lease of a lessee under generally
23 accepted accounting principles and that is subject
24 to approval by the Local Government Commission
25 under Article 8 of Chapter 159 of the General
26 Statutes.
- 27 (4) Principal component. -- The aggregate amount
28 payable under an installment contract or a capital
29 lease over its term in respect of principal only,
30 as set forth in the installment contract or capital
31 lease or in a principal component certificate.
- 32 (5) Principal component certificate. -- A certificate
33 of the finance officer, or some other officer
34 designated by the governing body for this purpose,
35 filed with the clerk setting forth the principal
36 component of an installment contract or capital
37 lease when the installment contract or capital
38 lease does not expressly designate a principal
39 component. A certificate filed with the clerk is a
40 conclusive determination of the principal
41 component."

42 Section 3. G.S. 159-148 reads as rewritten:
43 "§ 159-148. Contracts subject to Article; exceptions.

1 (a) Except as provided in subsection (b) of this section, this
2 Article applies to any contract, agreement, memorandum of
3 understanding, and any other transaction having the force and
4 effect of a contract (other than agreements made in connection
5 with the issuance of revenue bonds, special obligation bonds
6 issued pursuant to Chapter 159I of the General Statutes, or of
7 general obligation bonds additionally secured by a pledge of
8 revenues) made or entered into by a unit of local government (as
9 defined by G.S. 159-7(b) or, in the case of a special obligation
10 bond, as defined in Chapter 159I of the General Statutes),
11 relating to the lease, acquisition, or construction of capital
12 assets, which contract

13 (1) Extends for five or more years from the date of the
14 contract, including periods that may be added to
15 the original term through the exercise of options
16 to renew or extend, and

17 (2) Obligates the unit to pay sums of money to another,
18 without regard to whether the payee is a party to
19 the contract, and

20 (3) Obligates the unit over the full term of the
21 contract, including periods that may be added to
22 the original term through the exercise of options
23 to renew or extend, to the extent of five hundred
24 thousand dollars (\$500,000) or a sum equal to one
25 tenth of one percent (1/10 of 1%) of the assessed
26 value of property subject to taxation by the
27 contracting unit, whichever is less, and less.

28 ~~(4) Obligates the unit, expressly or by implication, to~~
29 ~~exercise its power to levy taxes either to make~~
30 ~~payments falling due under the contract, or to pay~~
31 ~~any judgment entered against the unit as a result~~
32 ~~of the unit's breach of the contract.~~

33 Contingent ~~obligation~~ obligations shall be included in
34 calculating the value of the contract. Several contracts that
35 are all related to the same undertaking shall be deemed a single
36 contract for the purposes of this Article. When several
37 contracts are considered as a single contract, the term shall be
38 that of the contract having the longest term, and the sums to
39 fall due shall be the total of all sums to fall due under all
40 single contracts in the group.

41 (b) This Article shall not apply to:

42 (1) Contracts between a unit of local government and
43 the State of North Carolina or the United States of
44 America (or any agency of either) entered into as a

- 1 condition to the making of grants or loans to the
2 unit of local government.
- 3 (2) Contracts for the purchase, lease, or lease with
4 option to purchase of motor vehicles or voting
5 machines.
- 6 (3) Loan agreements entered into by a unit of local
7 government pursuant to the North Carolina Solid
8 Waste Management Loan Program, Chapter 159I of the
9 General Statutes.
- 10 (4) Contracts between two units of local government if
11 utility revenues will support the payments under
12 the contract."

13 Section 4. G.S. 159-150 reads as rewritten:

14 "§ 159-150. Sworn statement of debt; debt limitation.

15 (a) Sworn Statement of Debt. -- After or at the time an
16 application is filed under G.S. 159-149, the finance officer, or
17 some other officer designated by the board, shall prepare, swear
18 to, and file with the secretary and for public inspection in the
19 office of the clerk to the board a statement of debt in the same
20 form prescribed in G.S. 159-55 for statements of debt filed in
21 connection with general obligation bond issues. The sums to be
22 included in gross debt and the deductions therefrom to arrive at
23 net debt shall be the same as prescribed in G.S. 159-55, ~~except~~
24 ~~that sums to fall due under contracts subject to this Article~~
25 ~~shall be treated as if they were evidenced by general obligation~~
26 ~~bonds of the unit~~ except that the contract to be entered into
27 under this Article shall be treated as outstanding debt not
28 evidenced by bonds to the extent provided under G.S. 159-55(d).

29 (b) Overall Debt Limitation. -- No contract subject to this
30 Article may be executed if the net debt of the contracting unit,
31 after execution of the contract, would exceed eight percent (8%)
32 of the assessed value of property subject to taxation by the
33 contracting unit.

34 (c) Limitation on Debt Not Evidenced by Bonds. -- A unit of
35 local government that has a population of at least 10,000 may not
36 execute a contract subject to this Article if the net outstanding
37 debt not evidenced by bonds incurred by the unit on or after July
38 1, 1997, would, after execution of the contract, exceed one
39 percent (1%) of the assessed value of property subject to
40 taxation by the unit. A unit of local government that has a
41 population of less than 10,000 may not execute a contract subject
42 to this Article if the net outstanding debt not evidenced by
43 bonds incurred by the unit on or after July 1, 1997, would, after
44 execution of the contract, exceed two percent (2%) of the

1 assessed value of property subject to taxation by the unit. The
2 unit may enter into the contract, however, if the contract has
3 been approved by the voters of the unit as provided in subsection
4 (e) of this section. The most recent annual estimate of
5 population certified by the State Planning Officer determines the
6 population of a unit.

7 The following outstanding debt not evidenced by bonds is not
8 counted in determining whether the percentage limitations set by
9 this subsection have been exceeded:

- 10 (1) Contracts entered into by the unit before July 1,
11 1997.
- 12 (2) Contracts approved by the voters as provided in
13 subsection (e) of this section.
- 14 (3) Contracts entered into for public school capital
15 outlay purposes.
- 16 (4) Contracts entered into for sanitary sewers, sewage
17 disposal, or sewage purification plants.

18 (d) Exceptions to Limitations. -- Subsections (b) and (c) of
19 this section do not apply to:

- 20 (1) Funding and refunding contracts.
- 21 (2) Contracts entered into for water, gas, or electric
22 power purposes, or two or more of these purposes.
- 23 (3) Contracts entered into for sanitary sewer system
24 purposes when the amounts payable under the
25 contracts are deductible pursuant to G.S. 159-
26 55(b).
- 27 (4) Contracts entered into for sanitary sewers, sewage
28 disposal, or sewage purification plants when the
29 construction of these facilities has been ordered
30 by the Environmental Management Commission or by a
31 court of competent jurisdiction.
- 32 (5) Contracts entered into for erosion control
33 purposes.
- 34 (6) Contracts entered into for the purpose of erecting
35 jetties or other protective works to prevent
36 encroachment by the ocean, sounds, or other bodies
37 of water.
- 38 (7) Contracts entered into for jail or other
39 confinement facility purposes, if the contract is
40 entered into to resolve litigation or to comply
41 with a court order.
- 42 (8) Contracts entered into by units that do not have
43 the power to levy taxes.

1 (e) Voter Approval of Certain Contracts. -- Before executing a
2 contract subject to this Article, the governing board of a unit
3 of local government may, in its discretion, submit the question
4 of whether to execute the contract for approval by the qualified
5 voters of the unit. A referendum held pursuant to this
6 subsection shall be conducted according to the standards,
7 procedures, and limitations set out in G.S. 159-153 and G.S. 159-
8 154. This subsection does not apply to units of local government
9 that do not have the power to levy taxes."

10 Section 4. Article 8 of Chapter 159 of the General
11 Statutes is amended by adding the following new sections to read:
12 "§ 159-153. Referendum; majority required; notice of referendum;
13 form of ballot; canvass.

14 (a) Definitions. -- The definitions provided in G.S. 159-55
15 apply in this section.

16 (b) Majority Required. -- If a contract is subject to the
17 approval of the voters pursuant to G.S. 159-150(e), the
18 affirmative vote of a majority of those who vote on the question
19 is be required.

20 (c) Date of Referendum. -- The date of a referendum shall be
21 fixed by the governing board of the contracting unit. The
22 governing board may call a special referendum for the purpose of
23 voting on the contract on any day, including the day of any
24 regular or special election held for another purpose, unless the
25 law under which the referendum or other election is held
26 specifically prohibits submission of other questions at the same
27 time. A special referendum may not be held within 30 days before
28 or 10 days after a statewide primary, election, or referendum, or
29 within 30 days before or 10 days after any other primary,
30 election, or referendum to be held in the same unit holding the
31 referendum and already validly called or scheduled by law at the
32 time the bond referendum is called. The clerk to the board shall
33 mail or deliver a certified copy of the resolution calling a
34 special referendum to the board of elections that is to conduct
35 it within three days after the resolution is adopted, but failure
36 to observe this requirement shall not in any manner affect the
37 validity of the referendum or contract approved pursuant thereto.
38 Referenda shall be conducted by the board of elections conducting
39 regular elections of the contracting unit. In fixing the date of
40 a referendum, the governing board shall consult the board of
41 elections in order that the referendum shall not unduly interfere
42 with other elections already scheduled or in process. Several
43 contracts or other matters may be voted upon at the same
44 referendum.

1 (d) Notice. -- The clerk shall publish a notice of the
2 referendum at least twice. The first publication shall be not
3 less than 14 days and the second publication not less than seven
4 days before the last day on which voters may register for the
5 referendum. The notice shall contain all of the following

- 6 (1) The date of the referendum.
7 (2) The purpose of the contract.
8 (3) The last day for registration for the referendum
9 under the election laws then in effect.
10 (4) The maximum principal component or maximum total
11 payments, as the case may be, to be made under the
12 contract.
13 (5) The maximum term of the contract, including any
14 optional renewal periods.
15 (6) A statement that the taxing power of the
16 contracting unit is not and may not be pledged
17 directly or indirectly to secure any moneys due
18 under the contract.
19 (7) Any other information that the contracting unit, in
20 its sole discretion, considers necessary or
21 appropriate to properly inform the voters of the
22 contract and the referendum.

23 The purpose of the contract required to be set forth in the
24 notice of the referendum and the ballot may be set forth, in
25 either place, as the governing body of the contracting unit in
26 its discretion may determine, by inserting (i) the phrase
27 "providing capital improvements" or (ii) a description of the
28 purpose for which the contract is to be entered into, which
29 purpose may include several otherwise related purposes.

30 In the case of installment contracts, the notice shall also
31 contain a statement substantially to the effect that the
32 installment contract will create in all or some portion of the
33 property acquired or improved, or in all or some portion of the
34 real property on which the property is located, a security
35 interest to secure repayment of moneys under the installment
36 contract, but no deficiency judgment may be rendered against the
37 contracting unit in any action for breach of obligation under the
38 installment contract. In the case of capital leases, the notice
39 shall also contain a statement substantially to the effect that
40 title to the property subject to the capital lease will be
41 acquired upon payment of all sums due under the capital lease.

42 (e) Ballot Question. -- The forms of the various questions as
43 stated on the ballot shall be in substantially the following
44 words:

1 (1) In the case of installment contracts:

2 [] FOR AGAINST []

3 The execution of an installment contract in the maximum principal
4 amount of \$ for (briefly stating the purpose) granting a
5 security interest in (briefly describing collateral security) to
6 secure repayment of moneys due under the installment contract.

7 (2) In the case of capital leases:

8 [] FOR AGAINST []

9 The execution of a capital lease in the maximum principal amount
10 of \$ for (briefly stating the purpose) whereby title to the
11 property subject to the capital lease will be acquired upon
12 payment of all sums due under the capital lease.

13 (3) In the case of operating leases:

14 [] FOR AGAINST []

15 The execution of an operating lease with maximum total lease
16 payments of \$ and a maximum term, including any optional
17 renewal periods, of for (briefly stating the purpose).

18 (4) In the case of any other contracts:

19 [] FOR AGAINST []

20 The execution of a contract [in the maximum principal amount]
21 [with total payments thereunder] of \$ and a maximum term,
22 including any optional renewal periods, of for (briefly
23 stating the purpose).

24 (f) Results. -- The board of elections shall canvass the
25 referendum and certify the results to the governing board of the
26 contracting unit. The governing board shall then certify and
27 declare the result of the referendum and shall publish a
28 statement of the result once, with the following statement
29 appended:

30 'Any action or proceeding challenging the regularity or
31 validity of this referendum must be begun within 30 days after
32 (date of publication).

33

34

35

(Title of Governing Board)'

36

37 The statement of results of the referendum shall be filed in the
38 clerk's office and inserted in the minutes of the governing
39 board.

40 "§ 159-154. Limitation on actions contesting validity of
41 referenda.

42 Any action or proceeding in any court to set aside a referendum
43 conducted pursuant to G.S. 159-153, or to obtain any other
44 relief, upon the ground that the referendum is invalid or was

1 irregularly conducted, must be begun within 30 days after the
2 publication on the statement of the results of the referendum.
3 After the expiration of this period of limitation, no right of
4 action or defense based upon the invalidity of or any
5 irregularity in the referendum shall be asserted, nor shall the
6 validity of the referendum be open to question in any court upon
7 any ground whatever, except in an action or proceeding begun
8 within the period of limitation prescribed in this section."

9 Section 5. This act becomes effective July 1, 1997.
10 This act does not affect a unit of government's right to execute
11 a contract for which an application for Local Government
12 Commission approval was filed before July 1, 1997.

EXPLANATION OF SENATE BILL 317
Proposed Committee Substitute
Local Government Debt Changes

TO: Senate Finance Committee
FROM: Sabra Faires, Committee Counsel
DATE: March 12, 1997
SPONSOR: Senator Leslie Winner

Senate Bill 317 makes the following changes concerning local government debt:

1. It gives all counties the same authority that 52 counties now have to acquire and improve property to be used by their local boards of education (Section 1) G.S. 153A-158.1(e) lists the 52 counties that currently have this authority.
2. It requires certain nonvoted local debt to be included in determining whether the net debt of the local unit meets the statutory debt limitation of 8% of the assessed value of property in the local unit. (Sections 2 and 4).
3. It establishes a new 1% debt limit for nonvoted debt and allows the limit to be exceeded only by a vote of the people. (Section 4)
4. It deletes one of the current conditions a local financing agreement must meet in order to be subject to approval by the Local Government Commission. The condition that is deleted is an obligation to levy taxes to pay either the debt incurred under the contract or a judgment entered against the unit for breach of the contract. (Section 3)
5. It adds a new exemption from the debt limitations on financing agreements and the procedures for entering into financing agreements. The new exemption is for agreements between units of local government if utility revenues will be used to support the payments under the agreement.

Nonvoted Local Debt To Be Included In Determining 8% Debt Limitations

Current law (G.S. 159-55) prohibits the issuance of a general obligation bond if the net debt of the issuing unit, when combined with the proposed bond, would exceed 8% of the assessed value of property in the unit. Similarly, current law (G.S. 159-150) prohibits a local unit from entering into certain financing agreements if the net debt of the unit, when combined with the proposed agreement, would exceed the 8% limit.

Current law requires outstanding debt not evidenced by bonds to be included in determining the net debt of the unit but does not specify what debt is included in this group. The decision on whether or not to include nonvoted debt rests with the bond attorneys. There is disagreement among these attorneys over

what needs to be included. Some bond counsel do not require installment financings under G.S. 160A-20 to be included.

The bill specifies that certain local, nonvoted debt must be included in determining the unit's net debt. The debt the bill requires to be included consists of all capital leases, operating leases, and installment contracts that must be submitted to the Local Government Commission for approval. The types of financing agreements that must be submitted for approval under the bill are those that meet the following criteria and are not exempt: (i) extend for at least five years and obligate payment of \$500,000 or 1/10th of 1% of the assessed value of property, whichever is less, or (ii) give a security interest and involve the construction or repair of fixtures or improvements to real property. Current law exempts agreements between a local unit and the State or federal government, contracts to purchase or lease motor vehicles or voting machines, and solid waste loan agreements.

New 1% Limit on Nonvoted Debt

The bill limits the amount of nonvoted debt a unit of local government can incur. The limit is 1% of the assessed value of taxable property in the unit. Under the bill, a unit cannot enter a financing agreement that requires the approval of the Local Government Commission if the net, nonvoted debt of the unit, when combined with the proposed debt, would exceed 1% of the assessed value of taxable property. In calculating whether the 1% threshold has been reached, only nonvoted debt incurred after July 1, 1997, is counted. Therefore, all the existing nonvoted debt does not count towards this 1% limit.

The same deductions apply in determining net debt that apply in determining net debt for purposes of the 8% limitation. The bill creates exceptions to the 1% limit that mirror the exceptions to the 8% limit and add two new exceptions for purposes of the 1% limit. The exceptions for contracts entered to comply with a court order and contracts entered into by units that do not have any power to tax.

The bill authorizes a local unit to exceed the 1% limit if it has voter approval of the proposed financing agreement. The bill gives the governing board of the unit the discretion to submit a proposed financing agreement to a vote if the unit is otherwise prohibited from entering into the agreement because of the 1% limit.

Acquisition of Property For Use By Local Boards of Education

The bill makes the following changes concerning the acquisition and financing of public school facilities in the 48 counties that do not currently have this authority:

- (1) It authorizes the counties to acquire real or personal property for use by a school administrative unit located in the county when requested to do so by the unit. Under current law, only those counties listed in G.S. 153A-

158.1(a), have this authority. Under general law, a county is authorized to acquire real or personal property only on behalf of the county or an agency of the county and a school administrative unit is not an agency of the county.

- (2) It authorizes the local boards of education to contract with their county for the erection or repair of a public school building that is located on a site owned by the county. Under current general law, local boards of education are required to hold title to all school property and therefore have no authority to make contracts concerning the construction or repair of school buildings located on sites not owned by them.
- (3) It authorizes the local boards of education to transfer to the county property on which a school building in need of renovation or repair is located for any price agreed to by the board of education and the county. Current law requires transfers from a local board of education to a county to be at fair market value and allows a local board of education to transfer property to a county only if the board does not believe the property is necessary or desirable for a school.

EXPENDITURES (See "Assumptions and Methodology")

POSITIONS:

**PRINCIPAL DEPARTMENT(S) &
PROGRAM(S) AFFECTED:**

EFFECTIVE DATE: The bill is effective when it becomes law. However, it does not affect contracts and obligations entered into before July 1, 1997, or for which an application for Local Government Commission was filed prior to July 1, 1997.

BILL SUMMARY: Presently 52 counties have the authority to acquire property for use by their local boards of Education providing counties with the ability to finance school capital outlay through installment purchases and certificates of participation. The bill amends county government and local finance law as follows:

- (1) Extends authority to all 100 counties to acquire property for use by local boards of education.
- (2) Provides that existing local government debt statement requirements and debt limitations apply to "debt not evidenced by bonds" (primarily installment purchases and certificates of participation).
- (3) Requires Local Government Commission approval of more nonvoted debts.
- (4) Requires certain nonvoted local debt to be included in determining whether the net debt of a local unit exceeds the limit of 8% of assessed property value and caps the amount of nonvoted debt that counties and cities may incur without a vote of the people.

(over)

ASSUMPTIONS AND METHODOLOGY: An indirect impact of the bill is that to the extent the additional authority to use installment financing or certificates of participation is used by counties as a result of the bill, the financing cost of projects will rise by .25-.50% due to the increased risk. It is not clear at this point what impact the \$1.8 billion state school bond issue will have on the use of these financing vehicles. Most counties have already met their match for the state bond proceeds but many counties with a backlog of facility needs will continue going to the market in tandem with the state dollars to maximize their ability to meet the address the backlog. For other counties the state funds will take the pressure off local financing. Another factor is that during the last couple of years local school bond issues have had a high success rate with the voters. This may relieve the pressure for the type of financing addressed under this bill. In fact, so far this year

Another potential indirect impact is that the greater use of installment purchases and certificates of participation could increase the refund of state and local sales taxes to local units because the county owns the facility. Unless the sales tax law is changed this year school boards will continue to not have the right to receive refunds. Some counties are now receiving refunds by working out agreements in which the county makes the taxable purchases or uses their lease purchase authority. The type of financing under this bill will make the refunds automatic. Again, it is impossible to predict how many counties will actually use this avenue.

10 The General Assembly of North Carolina enacts:

11 Section 1. (a) G.S. 153A-158.1 reads as rewritten:

12 "**§ 153A-158.1. Acquisition and improvement of school ~~property in certain counties.~~**
13 **property.**

14 (a) Acquisition by County. -- A county may acquire, by any lawful method, any
15 interest in real or personal property for use by a school administrative unit within the
16 county. In exercising the power of eminent domain a county shall use the procedures
17 of Chapter 40A. The county shall use its authority under this subsection to acquire
18 property for use by a school administrative unit within the county only upon the
19 request of the board of education of that school administrative unit and after a public
20 hearing.

21 (b) Construction or Improvement by County. -- A county may construct, equip,
22 expand, improve, renovate, or otherwise make available property for use by a school
23 administrative unit within the county. The local board of education shall be involved

1 in the design, construction, equipping, expansion, improvement, or renovation of the
2 property to the same extent as if the local board owned the property.

3 (c) Lease or Sale by Board of Education. -- Notwithstanding the provisions of G.S.
4 115C-518 and G.S. 160A-274, a local board of education may, in connection with
5 additions, improvements, renovations, or repairs to all or part of any of its property,
6 lease or sell the property to the board of commissioners of the county in which the
7 property is located for any price negotiated between the two boards.

8 (d) Board of Education May Contract for Construction. -- Notwithstanding the
9 provisions of G.S. 115C-40 and G.S. 115C-521, a local board of education may enter
10 into contracts for the erection or repair of school buildings upon sites owned in fee
11 simple by one or more counties in which the local school administrative unit is
12 located.

13 ~~(e) Scope. This section applies to Alleghany, Ashe, Avery, Bladen, Brunswick,~~
14 ~~Cabarrus, Carteret, Cherokee, Chowan, Columbus, Currituck, Dare, Duplin,~~
15 ~~Edgecombe, Forsyth, Franklin, Graham, Greene, Guilford, Halifax, Harnett,~~
16 ~~Haywood, Hyde, Iredell, Jackson, Johnston, Jones, Lee, Macon, Madison, Martin,~~
17 ~~Moore, Nash, New Hanover, Orange, Pasquotank, Pender, Person, Pitt, Randolph,~~
18 ~~Richmond, Rockingham, Rowan, Sampson, Scotland, Stanly, Surry, Union, Vance,~~
19 ~~Wake, Wilson, and Watauga Counties."~~

20 (b) The repeal of G.S. 153A-158.1(e) gives to all counties in the State the
21 authority that was previously limited to the counties listed in that subsection.

22 Section 2. G.S. 159-55 reads as rewritten:

23 "**§ 159-55. Sworn statement of debt; debt limitation.**

24 (a) Sworn Statement of Debt. -- After the bond order has been introduced and
25 before the public hearing thereon, the finance officer (or some other officer
26 designated by the governing board for this purpose) shall file with the clerk a
27 statement showing the following:

28 (1) Gross debt. -- The gross debt of the unit, excluding therefrom debt
29 incurred or to be incurred in anticipation of the collection of taxes
30 or other revenues or in anticipation of the sale of bonds other than
31 funding and refunding bonds. The gross debt (after exclusions) is
32 the sum of (i) outstanding debt evidenced by bonds, (ii) bonds
33 authorized by orders introduced but not yet adopted, (iii) unissued
34 bonds authorized by adopted orders, and (iv) outstanding debt not
35 evidenced by ~~bonds.~~ bonds, including debt described in subsection
36 (d) of this section. However, for purposes of the sworn statement
37 of debt and the debt limitation, special obligation bonds, other
38 obligations incurred under Chapter 159I of the General Statutes,
39 and revenue bonds shall not be considered debt and ~~such bonds~~
40 shall not be included in gross debt nor deducted from gross debt.

41 (2) Deductions from gross debt. -- The deductions to be made from
42 gross debt in computing net debt. The following deductions are
43 allowed:

- 1 a. Funding and refunding bonds authorized by orders
2 introduced but not yet adopted.
- 3 b. Funding and refunding bonds authorized but not yet issued.
- 4 c. The amount of money held in sinking funds or otherwise for
5 the payment of any part of the principal of gross debt other
6 than debt incurred for water, gas, electric light or power
7 purposes, or sanitary sewer purposes (to the extent that the
8 bonds are deductible under subsection (b) of this section), or
9 two or more of these purposes.
- 10 d. The amount of bonded debt included in gross debt and
11 incurred, or to be incurred, for water, gas, or electric light
12 or power purposes, or any two or more of these purposes.
- 13 e. The amount of bonded debt included in the gross debt and
14 incurred, or to be incurred, for sanitary sewer system
15 purposes to the extent that the debt is made deductible by
16 subsection (b) of this section.
- 17 f. The amount of uncollected special assessments theretofore
18 levied for local improvements for which any part of the
19 gross debt (that is not otherwise deducted) was or is to be
20 incurred, to the extent that the assessments will be applied,
21 when collected, to the payment of any part of the gross debt.
- 22 g. The amount, as estimated by the governing board of the
23 issuing unit or an officer designated by the board for this
24 purpose, of special assessments to be levied for local
25 improvements for which any part of the gross debt (that is
26 not otherwise deducted) was or is to be incurred, to the
27 extent that the special assessments, when collected, will be
28 applied to the payment of any part of the gross debt.
- 29 (3) Net debt. -- The net debt of the issuing unit, being the difference
30 between the gross debt and deductions.
- 31 (4) Assessed value of property. -- The assessed value of property
32 subject to taxation by the issuing unit, as revealed by the tax
33 records and certified to the issuing unit by the assessor.
- 34 (5) Net debt percentage. -- The percentage that the net debt bears to
35 the assessed value of property subject to taxation by the issuing
36 unit.
- 37 (b) Sewer System Debt Deductible. -- Debt incurred or to be incurred for sanitary
38 sewer system purposes is deductible from gross debt when the combined revenues of
39 the water system and the sanitary sewer system (whether or not the water and sewer
40 system are operated separately or as a consolidated system) were sufficient to pay all
41 operating, capital outlay, and debt service expenditures attributable to both systems in
42 each of the three complete fiscal years immediately preceding the date on which the
43 sworn statement of debt is filed. For the purposes of this subsection, the 'revenues'
44 of a water system and a sanitary sewer system include:

- 1 (1) Rates, fees, rentals, charges, and other receipts and income derived
2 from or in connection with the system.
- 3 (2) Fees, rents, or other charges collected from other offices, agencies,
4 institutions, and departments of the issuing unit at rates not in
5 excess of those charged to other consumers, customers, or users.
- 6 (3) Appropriations from the fund balance of the prior fiscal year from
7 the fund or funds established to account for the revenues and
8 expenditures of the water system or sewer system pursuant to G.S.
9 159-13(a) of the Local Government Budget and Fiscal Control Act.

10 Before the sworn statement of debt is filed, the secretary shall determine to what
11 extent debt incurred or to be incurred for sanitary sewer system purposes qualifies for
12 deduction from gross debt pursuant to this subsection, and shall give ~~his~~ a certificate
13 to that effect. The secretary's certificate shall be filed with and deemed a part of the
14 sworn statement of debt. The secretary's certificate shall be conclusive in the absence
15 of fraud.

16 (c) Debt Limitation. -- No bond order shall be adopted unless it appears from the
17 sworn statement of debt filed in connection therewith that the net debt of the unit
18 does not exceed eight percent (8%) of the assessed value of property subject to
19 taxation by the issuing unit. This limitation shall not apply to:

- 20 (1) Funding and refunding bonds.
- 21 (2) Bonds issued for water, gas, or electric power purposes, or two or
22 more of these purposes.
- 23 (3) Bonds issued for sanitary sewer system purposes when the bonds
24 are deductible pursuant to subsection (b) of this section.
- 25 (4) Bonds issued for sanitary sewers, sewage disposal, or sewage
26 purification plants when the construction of these facilities has
27 been ordered by the Environmental Management ~~Commission,~~
28 ~~which Commission is hereby authorized to make such an order,~~
29 Commission or by a court of competent jurisdiction.
- 30 (5) Bonds or notes issued for erosion control purposes.
- 31 (6) Bonds or notes issued for the purpose of erecting jetties or other
32 protective works to prevent encroachment by the ocean, sounds, or
33 other bodies of water.

34 (d) Outstanding Debt Not Evidenced by Bonds. -- For the purpose of this section,
35 outstanding debt not evidenced by bonds includes the principal component of
36 outstanding installment contracts and capital leases and the total lease payments due
37 under outstanding operating leases. Outstanding debt not evidenced by bonds is
38 includable in gross debt and deductible in determining net debt to the same extent as
39 if it were bonded debt.

40 If an installment contract, a capital lease, or an operating lease provides funds for
41 more than one purpose within the meaning of this section, the amount of funds
42 borrowed for each purpose shall be the amounts set forth in the installment contract,
43 capital lease, or operating lease. If the installment contract, capital lease, or operating
44 lease does not set forth the amount borrowed for each purpose, the finance officer, or

1 some other officer designated by the governing body for this purpose, shall file a
2 certificate with the clerk determining the purposes and amounts, and the
3 determination shall be conclusive and binding for purposes of complying with this
4 section.

5 The following definitions apply in this subsection:

- 6 (1) Capital lease. -- An agreement entered into under G.S. 153A-165
7 or G.S. 160A-19 that constitutes a capital lease of a lessee under
8 generally accepted accounting principles and that is subject to
9 approval by the Local Government Commission under Article 8 of
10 Chapter 159 of the General Statutes.
- 11 (2) Installment contract. -- An agreement entered into under G.S.
12 160A-20 that is subject to approval by the Local Government
13 Commission.
- 14 (3) Operating lease. -- An agreement entered into under G.S. 153A-
15 165 or G.S. 160A-19 that constitutes an operating lease of a lessee
16 under generally accepted accounting principles and that is subject
17 to approval by the Local Government Commission under Article 8
18 of Chapter 159 of the General Statutes.
- 19 (4) Principal component. -- The aggregate amount payable under an
20 installment contract or a capital lease over its term in respect of
21 principal only, as set forth in the installment contract or capital
22 lease or in a principal component certificate.
- 23 (5) Principal component certificate. -- A certificate of the finance
24 officer, or some other officer designated by the governing body for
25 this purpose, filed with the clerk setting forth the principal
26 component of an installment contract or capital lease when the
27 installment contract or capital lease does not expressly designate a
28 principal component. A certificate filed with the clerk is a
29 conclusive determination of the principal component."

30 Section 3. G.S. 159-148 reads as rewritten:

31 "**§ 159-148. Contracts subject to Article; exceptions.**

32 (a) Except as provided in subsection (b) of this section, this Article applies to any
33 contract, agreement, memorandum of understanding, and any other transaction
34 having the force and effect of a contract (other than agreements made in connection
35 with the issuance of revenue bonds, special obligation bonds issued pursuant to
36 Chapter 159I of the General Statutes, or of general obligation bonds additionally
37 secured by a pledge of revenues) made or entered into by a unit of local government
38 (as defined by G.S. 159-7(b) or, in the case of a special obligation bond, as defined in
39 Chapter 159I of the General Statutes), relating to the lease, acquisition, or
40 construction of capital assets, which contract

- 41 (1) Extends for five or more years from the date of the contract,
42 including periods that may be added to the original term through
43 the exercise of options to renew or extend, and

- 1 (2) Obligates the unit to pay sums of money to another, without regard
2 to whether the payee is a party to the contract, and
3 (3) Obligates the unit over the full term of the contract, including
4 periods that may be added to the original term through the
5 exercise of options to renew or extend, to the extent of five
6 hundred thousand dollars (\$500,000) or a sum equal to one tenth
7 of one percent (1/10 of 1%) of the assessed value of property
8 subject to taxation by the contracting unit, whichever is less, ~~and~~
9 less.
10 (4) ~~Obligates the unit, expressly or by implication, to exercise its~~
11 ~~power to levy taxes either to make payments falling due under the~~
12 ~~contract, or to pay any judgment entered against the unit as a~~
13 ~~result of the unit's breach of the contract.~~

14 Contingent ~~obligation~~ obligations shall be included in calculating the value of the
15 contract. Several contracts that are all related to the same undertaking shall be
16 deemed a single contract for the purposes of this Article. When several contracts are
17 considered as a single contract, the term shall be that of the contract having the
18 longest term, and the sums to fall due shall be the total of all sums to fall due under
19 all single contracts in the group.

20 (b) This Article shall not apply to:

- 21 (1) Contracts between a unit of local government and the State of
22 North Carolina or the United States of America (or any agency of
23 either) entered into as a condition to the making of grants or loans
24 to the unit of local government.
25 (2) Contracts for the purchase, lease, or lease with option to purchase
26 of motor vehicles or voting machines.
27 (3) Loan agreements entered into by a unit of local government
28 pursuant to the North Carolina Solid Waste Management Loan
29 Program, Chapter 159I of the General Statutes.
30 (4) Contracts between two units of local government if utility revenues
31 will support the payments under the contract."

32 Section 4. G.S. 159-150 reads as rewritten:

33 "**§ 159-150. Sworn statement of debt; debt limitation.**

34 (a) Sworn Statement of Debt. -- After or at the time an application is filed under
35 G.S. 159-149, the finance officer, or some other officer designated by the board, shall
36 prepare, swear to, and file with the secretary and for public inspection in the office of
37 the clerk to the board a statement of debt in the same form prescribed in G.S. 159-55
38 for statements of debt filed in connection with general obligation bond issues. The
39 sums to be included in gross debt and the deductions therefrom to arrive at net debt
40 shall be the same as prescribed in G.S. 159-55, ~~except that sums to fall due under~~
41 ~~contracts subject to this Article shall be treated as if they were evidenced by general~~
42 ~~obligation bonds of the unit~~ except that the contract to be entered into under this
43 Article shall be treated as outstanding debt not evidenced by bonds to the extent
44 provided under G.S. 159-55(d).

1 (b) Overall Debt Limitation. -- No contract subject to this Article may be
2 executed if the net debt of the contracting unit, after execution of the contract, would
3 exceed eight percent (8%) of the assessed value of property subject to taxation by the
4 contracting unit.

5 (c) Limitation on Debt Not Evidenced by Bonds. -- A unit of local government
6 that has a population of at least 10,000 may not execute a contract subject to this
7 Article if the net outstanding debt not evidenced by bonds incurred by the unit on or
8 after July 1, 1997, would, after execution of the contract, exceed one percent (1%) of
9 the assessed value of property subject to taxation by the unit. A unit of local
10 government that has a population of less than 10,000 may not execute a contract
11 subject to this Article if the net outstanding debt not evidenced by bonds incurred by
12 the unit on or after July 1, 1997, would, after execution of the contract, exceed two
13 percent (2%) of the assessed value of property subject to taxation by the unit. The
14 unit may enter into the contract, however, if the contract has been approved by the
15 voters of the unit as provided in subsection (e) of this section. The most recent
16 annual estimate of population certified by the State Planning Officer determines the
17 population of a unit.

18 The following outstanding debt not evidenced by bonds is not counted in
19 determining whether the percentage limitations set by this subsection have been
20 exceeded:

- 21 (1) Contracts entered into by the unit before July 1, 1997.
- 22 (2) Contracts approved by the voters as provided in subsection (e) of
23 this section.
- 24 (3) Contracts entered into for public school capital outlay purposes.
- 25 (4) Contracts entered into for sanitary sewers, sewage disposal, or
26 sewage purification plants.

27 (d) Exceptions to Limitations. -- Subsections (b) and (c) of this section do not
28 apply to:

- 29 (1) Funding and refunding contracts.
- 30 (2) Contracts entered into for water, gas, or electric power purposes,
31 or two or more of these purposes.
- 32 (3) Contracts entered into for sanitary sewer system purposes when the
33 amounts payable under the contracts are deductible pursuant to
34 G.S. 159-55(b).
- 35 (4) Contracts entered into for sanitary sewers, sewage disposal, or
36 sewage purification plants when the construction of these facilities
37 has been ordered by the Environmental Management Commission
38 or by a court of competent jurisdiction.
- 39 (5) Contracts entered into for erosion control purposes.
- 40 (6) Contracts entered into for the purpose of erecting jetties or other
41 protective works to prevent encroachment by the ocean, sounds, or
42 other bodies of water.

1 (7) Contracts entered into for jail or other confinement facility
2 purposes, if the contract is entered into to resolve litigation or to
3 comply with a court order.

4 (8) Contracts entered into by units that do not have the power to levy
5 taxes.

6 (e) Voter Approval of Certain Contracts. -- Before executing a contract subject to
7 this Article, the governing board of a unit of local government may, in its discretion,
8 submit the question of whether to execute the contract for approval by the qualified
9 voters of the unit. A referendum held pursuant to this subsection shall be conducted
10 according to the standards, procedures, and limitations set out in G.S. 159-153 and
11 G.S. 159-154. This subsection does not apply to units of local government that do
12 not have the power to levy taxes."

13 Section 5. Article 8 of Chapter 159 of the General Statutes is amended
14 by adding the following new sections to read:

15 "§ 159-153. Referendum; majority required; notice of referendum; form of ballot;
16 canvass.

17 (a) Definitions. -- The definitions provided in G.S. 159-55 apply in this section.

18 (b) Majority Required. -- If a contract is subject to the approval of the voters
19 pursuant to G.S. 159-150(e), the affirmative vote of a majority of those who vote on
20 the question is required.

21 (c) Date of Referendum. -- The date of a referendum shall be fixed by the
22 governing board of the contracting unit. The governing board may call a special
23 referendum for the purpose of voting on the contract on any day, including the day
24 of any regular or special election held for another purpose, unless the law under
25 which the referendum or other election is held specifically prohibits submission of
26 other questions at the same time. A special referendum may not be held within 30
27 days before or 10 days after a statewide primary, election, or referendum, or within
28 30 days before or 10 days after any other primary, election, or referendum to be held
29 in the same unit holding the referendum and already validly called or scheduled by
30 law at the time the bond referendum is called. The clerk to the board shall mail or
31 deliver a certified copy of the resolution calling a special referendum to the board of
32 elections that is to conduct it within three days after the resolution is adopted, but
33 failure to observe this requirement shall not in any manner affect the validity of the
34 referendum or contract approved pursuant thereto. Referenda shall be conducted by
35 the board of elections conducting regular elections of the contracting unit. In fixing
36 the date of a referendum, the governing board shall consult the board of elections in
37 order that the referendum shall not unduly interfere with other elections already
38 scheduled or in process. Several contracts or other matters may be voted upon at the
39 same referendum.

40 (d) Notice. -- The clerk shall publish a notice of the referendum at least twice.
41 The first publication shall be not less than 14 days and the second publication not less
42 than seven days before the last day on which voters may register for the referendum.
43 The notice shall contain all of the following:

44 (1) The date of the referendum.

- 1 (2) The purpose of the contract.
- 2 (3) The last day for registration for the referendum under the election
- 3 laws then in effect.
- 4 (4) The maximum principal component or maximum total payments,
- 5 as the case may be, to be made under the contract.
- 6 (5) The maximum term of the contract, including any optional renewal
- 7 periods.
- 8 (6) A statement that the taxing power of the contracting unit is not
- 9 and may not be pledged directly or indirectly to secure any moneys
- 10 due under the contract.
- 11 (7) Any other information that the contracting unit, in its sole
- 12 discretion, considers necessary or appropriate to properly inform
- 13 the voters of the contract and the referendum.

14 The purpose of the contract required to be set forth in the notice of the
 15 referendum and the ballot may be set forth, in either place, as the governing body of
 16 the contracting unit in its discretion may determine, by inserting (i) the phrase
 17 'providing capital improvements' or (ii) a description of the purpose for which the
 18 contract is to be entered into, which purpose may include several otherwise related
 19 purposes.

20 In the case of installment contracts, the notice shall also contain a statement
 21 substantially to the effect that the installment contract will create in all or some
 22 portion of the property acquired or improved, or in all or some portion of the real
 23 property on which the property is located, a security interest to secure repayment of
 24 moneys under the installment contract, but no deficiency judgment may be rendered
 25 against the contracting unit in any action for breach of obligation under the
 26 installment contract. In the case of capital leases, the notice shall also contain a
 27 statement substantially to the effect that title to the property subject to the capital
 28 lease will be acquired upon payment of all sums due under the capital lease.

29 (e) Ballot Question. -- The forms of the various questions as stated on the ballot
 30 shall be in substantially the following words:

31 (1) In the case of installment contracts:
 32 '[] FOR AGAINST []
 33 The execution of an installment contract in the maximum principal amount of
 34 \$ _____ for (briefly stating the purpose) granting a security interest in (briefly
 35 describing collateral security) to secure repayment of moneys due under the
 36 installment contract.'

37 (2) In the case of capital leases:
 38 '[] FOR AGAINST []
 39 The execution of a capital lease in the maximum principal amount of \$ _____ for
 40 (briefly stating the purpose) whereby title to the property subject to the capital lease
 41 will be acquired upon payment of all sums due under the capital lease.'

42 (3) In the case of operating leases:
 43 '[] FOR AGAINST []

1 The execution of an operating lease with maximum total lease payments of
2 \$ _____ and a maximum term, including any optional renewal periods, of
3 _____ for (briefly stating the purpose).'

4 (4) In the case of any other contracts:

5 '[] FOR AGAINST []

6 The execution of a contract [in the maximum principal amount] [with total payments
7 thereunder] of \$ _____ and a maximum term, including any optional renewal
8 periods, of _____ for (briefly stating the purpose).'

9 (f) Results. -- The board of elections shall canvass the referendum and certify the
10 results to the governing board of the contracting unit. The governing board shall
11 then certify and declare the result of the referendum and shall publish a statement of
12 the result once, with the following statement appended:

13 'Any action or proceeding challenging the regularity or validity of this referendum
14 must be begun within 30 days after (date of publication).

15 _____
16
17 (Title of Governing Board)
18

19 The statement of results of the referendum shall be filed in the clerk's office and
20 inserted in the minutes of the governing board.

21 **"§ 159-154. Limitation on actions contesting validity of referenda.**

22 Any action or proceeding in any court to set aside a referendum conducted
23 pursuant to G.S. 159-153, or to obtain any other relief, upon the ground that the
24 referendum is invalid or was irregularly conducted, must be begun within 30 days
25 after the publication on the statement of the results of the referendum. After the
26 expiration of this period of limitation, no right of action or defense based upon the
27 invalidity of or any irregularity in the referendum shall be asserted, nor shall the
28 validity of the referendum be open to question in any court upon any ground
29 whatever, except in an action or proceeding begun within the period of limitation
30 prescribed in this section."

31 Section 6. This act becomes effective July 1, 1997. This act does not
32 affect a unit of government's right to execute a contract for which an application for
33 Local Government Commission approval was filed before July 1, 1997.

GENERAL ASSEMBLY OF NORTH CAROLINA

SESSION 1997

S

1

SENATE BILL 158*

Short Title: Administrative Dissolution/Annual Rept.

(Public)

Sponsors: Senators Hartsell; Foxx and Odom.

Referred to: Commerce.

February 17, 1997

1 A BILL TO BE ENTITLED
2 AN ACT TO EXPAND THE TIME CORPORATIONS AND LIMITED LIABILITY
3 COMPANIES MAY APPLY FOR REINSTATEMENT FROM
4 ADMINISTRATIVE DISSOLUTION, TO INCREASE THE FEE
5 CORPORATIONS MUST PAY FOR REINSTATEMENT AFTER
6 ADMINISTRATIVE DISSOLUTION, TO ESTABLISH A FEE LIMITED
7 LIABILITY COMPANIES MUST PAY FOR REINSTATEMENT AFTER
8 ADMINISTRATIVE DISSOLUTION, AND TO PROVIDE THAT ANNUAL
9 REPORTS OF BUSINESS CORPORATIONS AND LIMITED LIABILITY
10 COMPANIES SHALL BE FILED WITH THE DEPARTMENT OF REVENUE
11 RATHER THAN THE SECRETARY OF STATE, AS RECOMMENDED BY
12 THE GENERAL STATUTES STUDY COMMISSION.

13 The General Assembly of North Carolina enacts:

14 PART I. ADMINISTRATIVE DISSOLUTIONS.

15 Section 1. G.S. 55-14-22(a) reads as rewritten:

16 "(a) A corporation administratively dissolved under G.S. 55-14-21 may apply to
17 the Secretary of State for reinstatement ~~within two years~~ not later than five years after
18 the effective date of dissolution. The application must:

- 19 (1) Recite the name of the corporation and the effective date of its
20 administrative dissolution; and
21 (2) State that the ground or grounds for dissolution either did not exist
22 or have been eliminated.
23 (3) Reserved.
24 (4) Repealed by Session Laws 1995, c. 539, s. 6."

1 Section 2. G.S. 55A-14-22(a) reads as rewritten:

2 "(a) A corporation administratively dissolved under G.S. 55A-14-21 may apply to
3 the Secretary of State for reinstatement ~~within two years~~ not later than five years after
4 the effective date of dissolution. The application shall:

- 5 (1) Recite the name of the corporation and the effective date of its
6 administrative dissolution; and
7 (2) State that the ground or grounds for dissolution either did not exist
8 or have been eliminated."

9 Section 3. G.S. 57C-6-03(c) reads as rewritten:

10 "(c) A limited liability company administratively dissolved under this section may
11 apply to the Secretary of State for reinstatement ~~within two years~~ not later than five
12 years after the effective date of the administrative dissolution. The procedures for
13 reinstatement and for the appeal of any denial of the limited liability company's
14 application for reinstatement shall be the same procedures applicable to business
15 corporations under G.S. 55-14-22, 55-14-23, and 55-14-24."

16 Section 4. G.S. 55-1-22 reads as rewritten:

17 "§ 55-1-22. Filing, service, and copying fees.

18 (a) The Secretary of State shall collect the following fees when the documents
19 described in this subsection are delivered to ~~him~~ the Secretary for filing:

20	Document	Fee
21	(1) Articles of incorporation	\$100.00
22	(2) Application for reserved name	10.00
23	(3) Notice of transfer of reserved name	10.00
24	(4) Application for registered name	10.00
25	(5) Application for renewal of	
26	registered name	10.00
27	(6) Corporation's statement of change of	
28	registered agent or registered	
29	office or both	5.00
30	(7) Agent's statement of change of	
31	registered office for each affected	
32	corporation	5.00
33	(8) Agent's statement of resignation	No fee
34	(9) Designation of registered agent or	
35	registered office or both	5.00
36	(10) Amendment of articles of	
37	incorporation	50.00
38	(11) Restated articles of incorporation	10.00
39	with amendment of articles	50.00
40	(12) Articles of merger or share exchange	50.00
41	(13) Articles of dissolution	30.00
42	(14) Articles of revocation of	
43	dissolution	10.00
44	(15) Certificate of administrative	

1	dissolution	No fee
2	(16) Application for reinstatement	
3	following administrative dissolution	25.00
4	(17) Certificate of reinstatement	No fee
5	(18) Certificate of judicial dissolution	No fee
6	(19) Application for certificate of	
7	authority	200.00
8	(20) Application for amended certificate	
9	of authority	50.00
10	(21) Application for certificate of	
11	withdrawal	10.00
12	(22) Certificate of revocation of	
13	authority to transact business	No fee
14	(23) Annual report	10.00
15	(24) Articles of correction	10.00
16	(25) Application for certificate of	
17	existence or authorization	5.00
18	(26) Any other document required or	
19	permitted to be filed by this Chapter	10.00.

20 (b) The Secretary of State shall collect a fee of ten dollars (\$10.00) each time
 21 process is served on ~~him~~ the Secretary under this Chapter. The party to a proceeding
 22 causing service of process is entitled to recover this fee as costs if ~~he~~ the party prevails
 23 in the proceeding.

24 (c) The Secretary of State shall collect the following fees for copying, comparing,
 25 and certifying a copy of any filed document relating to a domestic or foreign
 26 corporation:

- 27 (1) One dollar (\$1.00) a page for copying or comparing a copy to the
 28 original; and
 29 (2) Five dollars (\$5.00) for the certificate.

30 (d) The Secretary of State shall collect a fee of two hundred dollars (\$200.00) for
 31 each year, or portion of a year, following the effective date of an administrative
 32 dissolution when an application for reinstatement following an administrative
 33 dissolution is delivered to the Secretary for filing."

34 Section 5. G.S. 55A-1-22 reads as rewritten:

35 "§ 55A-1-22. Filing, service, and copying fees.

36 (a) The Secretary of State shall collect the following fees when the documents
 37 described in this subsection are delivered to the Secretary for filing:

38	Document	Fee
39	(1) Articles of incorporation	\$50.00
40	(2) Application for reserved name	\$10.00
41	(3) Notice of transfer of reserved name	\$10.00
42	(4) Application for registered name	\$10.00
43	(5) Application for renewal of registered	
44	name	\$10.00

1	(6)	Corporation's statement of change of	
2		registered agent or registered office or	
3		both	\$ 5.00
4	(7)	Agent's statement of change of registered	
5		office for each affected corporation	\$ 5.00
6	(8)	Agent's statement of resignation	No fee
7	(9)	Designation of registered agent or	
8		registered office or both	\$ 5.00
9	(10)	Amendment of articles of incorporation	\$25.00
10	(11)	Restated articles of incorporation without	
11		amendment of articles	\$10.00
12	(12)	Restated articles of incorporation with	
13		amendment of articles	\$25.00
14	(13)	Articles of merger	\$25.00
15	(14)	Articles of dissolution	\$15.00
16	(15)	Articles of revocation of dissolution	\$10.00
17	(16)	Certificate of administrative dissolution	No fee
18	(17)	Application for reinstatement following	
19		administrative dissolution	\$25.00
20	(18)	Certificate of reinstatement	No fee
21	(19)	Certificate of judicial dissolution	No fee
22	(20)	Application for certificate of authority	\$100.00
23	(21)	Application for amended certificate of	
24		authority	\$25.00
25	(22)	Application for certificate of withdrawal	\$10.00
26	(23)	Certificate of revocation of authority to	
27		conduct affairs	No fee
28	(24)	Corporation's Statement of Change of	
29		Principal Office	\$5.00
30	(24a)	Designation of Principal Office Address	\$5.00
31	(25)	Articles of correction	\$10.00
32	(26)	Application for certificate of existence or	
33		authorization	\$ 5.00
34	(27)	Any other document required or	
35		permitted to be filed by this Chapter	\$10.00.

36 (b) The Secretary of State shall collect a fee of ten dollars (\$10.00) each time
 37 process is served on the Secretary under this Chapter. The party to a proceeding
 38 causing service of process is entitled to recover this fee as costs if the party prevails in
 39 the proceeding.

40 (c) The Secretary of State shall collect the following fees for copying, comparing,
 41 and certifying a copy of any filed document relating to a domestic or foreign
 42 corporation:

- 43 (1) One dollar (\$1.00) a page for copying or comparing a copy to the
 44 original; and

1 (2) Five dollars (\$5.00) for the certificate.

2 (d) The Secretary of State shall collect a fee of two hundred dollars (\$200.00) for
3 each year, or portion of a year, following the effective date of an administrative
4 dissolution when an application for reinstatement following an administrative
5 dissolution is delivered to the Secretary for filing."

6 Section 6. G.S. 57C-1-22 is amended by adding a new subsection to read:

7 "(d) The Secretary of State shall collect a fee of two hundred dollars (\$200.00) for
8 each year, or portion of a year, following the effective date of an administrative
9 dissolution when an application for reinstatement following an administrative
10 dissolution is delivered to the Secretary for filing."

11 PART II. ANNUAL CORPORATE REPORT.

12 Section 7. G.S. 55-16-22 reads as rewritten:

13 "§ 55-16-22. Annual report for Secretary of State: Revenue.

14 (a) Each domestic corporation except those governed by Chapter 55B, and each
15 foreign corporation authorized to transact business in this State, shall deliver to the
16 Secretary of State Revenue for filing an annual ~~report~~ report, in a form prescribed by
17 the Secretary of Revenue, that sets ~~forth~~ forth all of the following:

18 (1) The name of the corporation and the state or country under whose
19 law it is ~~incorporated~~; incorporated.

20 (2) The street address, and the mailing address if different from the
21 street address, of the registered office, the county in which its
22 registered office is located, and the name of its registered agent at
23 that office in this State, and a statement of any change of such
24 registered office or registered agent, or ~~both~~; both.

25 (3) The address and telephone number of its principal ~~office~~; office.

26 (4) The names, titles, and business addresses of its principal ~~officers~~;
27 officers.

28 ~~(4a) The names and business addresses of its directors, and~~

29 (5) A brief description of the nature of its business.

30 If the information contained in the most recently filed annual report has not changed,
31 a certification to that effect may be made instead of setting forth the information
32 required by subdivisions (2) through (5) of this subsection.

33 (b) Information in the annual report must be current as of the date the annual
34 report is executed on behalf of the corporation.

35 (c) The annual report shall be delivered to the Secretary of ~~State~~ each year
36 Revenue ~~within 60 days immediately following the last day of the month in which the~~
37 ~~domestic corporation was incorporated or the foreign corporation received a~~
38 ~~certificate of authority in this State. by the due date for filing the corporation's~~
39 income and franchise tax returns. If a corporation requests an extension of time for
40 filing its income and franchise tax return, then the annual report must be delivered to
41 the Secretary of Revenue with its application for an extension of time for filing.
42 ~~Forms required for the filing of the annual report shall be mailed by the Secretary of~~
43 ~~State to the domestic or foreign corporation at its registered office for the first annual~~

1 ~~report, then to its principal office for subsequent annual reports.~~ Forms required for
 2 the filing of annual reports shall be made available by the Secretary of Revenue.

3 (d) If an annual report does not contain the information required by this section,
 4 the Secretary of State shall promptly notify the reporting domestic or foreign
 5 corporation in writing and return the report to it for correction. If the report is
 6 corrected to contain the information required by this section and delivered to the
 7 Secretary of State within 30 days after the effective date of notice, it is deemed to be
 8 timely filed.

9 (e) Amendments to any previously filed annual report may be filed with the
 10 Secretary of State at any time for the purpose of correcting, updating, or augmenting
 11 the information contained in ~~such~~ the annual report.

12 (f) Expired.

13 (g) When a statement of change of registered office or registered agent is filed in
 14 the annual report, the change shall become effective when the statement is received
 15 by the Secretary of State.

16 (h) If the Secretary of State does not receive an annual report from the Secretary
 17 of Revenue, it shall be presumed that the annual report was not filed with the
 18 Secretary of Revenue."

19 Section 8. G.S. 55-1-21(a) reads as rewritten:

20 "(a) The Secretary of State may promulgate and furnish on request forms ~~for~~ for
 21 the following:

- 22 (1) An application for a certificate of ~~existence;~~ existence.
- 23 (2) A foreign corporation's application for a certificate of authority to
 24 transact business in this ~~State;~~ State.
- 25 (3) A foreign corporation's application for a certificate of ~~withdrawal;~~
 26 ~~and~~ withdrawal.
- 27 (4) ~~The annual report.~~

28 If the Secretary of State so requires, use of these forms is mandatory."

29 Section 9. G.S. 55-1-22(a), as amended by Section 4 of this act, reads as
 30 rewritten:

31 "(a) The Secretary of State shall collect the following fees when the documents
 32 described in this subsection are delivered to the Secretary for filing:

Document	Fee
34 (1) Articles of incorporation	\$100.00
35 (2) Application for reserved name	10.00
36 (3) Notice of transfer of reserved name	10.00
37 (4) Application for registered name	10.00
38 (5) Application for renewal of	
39 registered name	10.00
40 (6) Corporation's statement of change of	
41 registered agent or registered	
42 office or both	5.00
43 (7) Agent's statement of change of	
44 registered office for each affected	

1	corporation	5.00
2	(8) Agent's statement of resignation	No fee
3	(9) Designation of registered agent or	
4	registered office or both	5.00
5	(10) Amendment of articles of	
6	incorporation	50.00
7	(11) Restated articles of incorporation	10.00
8	with amendment of articles	50.00
9	(12) Articles of merger or share exchange	50.00
10	(13) Articles of dissolution	30.00
11	(14) Articles of revocation of	
12	dissolution	10.00
13	(15) Certificate of administrative	
14	dissolution	No fee
15	(16) Repealed.	
16	(17) Certificate of reinstatement	No fee
17	(18) Certificate of judicial dissolution	No fee
18	(19) Application for certificate of	
19	authority	200.00
20	(20) Application for amended certificate	
21	of authority	50.00
22	(21) Application for certificate of	
23	withdrawal	10.00
24	(22) Certificate of revocation of	
25	authority to transact business	No fee
26	(23) Annual report	10.00
27	(24) Articles of correction	10.00
28	(25) Application for certificate of	
29	existence or authorization	5.00
30	(26) Any other document required or	
31	permitted to be filed by this Chapter	10.00."
32	Section 10. G.S. 55-1-28(b)(4) reads as rewritten:	
33	"(4) That its most recent annual report required by G.S. 55-16-22 has	
34	been delivered to the Secretary of State ; <u>Revenue</u> ;"	
35	Section 11. G.S. 55-14-20(2) reads as rewritten:	
36	"(2) The corporation does not deliver its annual report to the Secretary	
37	of State within 60 days after it is due ; <u>Revenue on or before the</u>	
38	<u>date it is due</u> ;"	
39	Section 12. G.S. 55-15-30(a)(1) reads as rewritten:	
40	"(1) The foreign corporation does not deliver its annual report to the	
41	Secretary of State within 60 days after it is due ; <u>Revenue on or</u>	
42	<u>before the date it is due</u> ;"	
43	Section 13. G.S. 55-16-01(e)(7) reads as rewritten:	

1 "(7) Its most recent annual report delivered to the Secretary of State
2 Revenue under G.S. 55-16-22."

3 Section 14. G.S. 57C-2-23 reads as rewritten:

4 "**§ 57C-2-23. Annual report for Secretary of State: Revenue.**

5 (a) Each domestic limited liability company and each foreign limited liability
6 company authorized to transact business in this State, shall deliver to the Secretary of
7 State Revenue for filing an annual ~~report~~ report, in a form prescribed by the
8 Secretary of Revenue, that sets forth: forth all of the following:

9 (1) The name of the limited liability or foreign limited liability
10 company and the state or country under whose law it is ~~organized;~~
11 organized.

12 (2) The street address, and the mailing address if different from the
13 street address, of the registered office, the county in which the
14 registered office is located, and the name of its registered agent at
15 that office in this State, and a statement of any change of the
16 registered office or registered agent, or ~~both;~~ both.

17 (3) The address and telephone number of its principal ~~office;~~ office.

18 (4) The names and business addresses of its ~~managers; and~~ managers.

19 (5) A brief description of the nature of its business.

20 If the information contained in the most recently filed annual report has not changed,
21 a certification to that effect may be made instead of setting forth the information
22 required by subdivisions (2) through (5) of this subsection.

23 (b) Information in the annual report must be current as of the date the annual
24 report is executed on behalf of the limited liability company or the foreign limited
25 liability company.

26 (c) The annual report shall be delivered to the Secretary of State ~~each year~~
27 Revenue within 60 days immediately following the last day of the month in which the
28 domestic limited liability company was organized or the foreign limited liability
29 company received a certificate of authority in this State: by the due date for filing the
30 limited liability company's partnership tax return. If a limited liability company
31 requests an extension of time for filing its partnership tax return, then the annual
32 report must be delivered to the Secretary of Revenue with its application for an
33 extension of time for filing. Forms required for the filing of the annual report shall be
34 mailed by the Secretary of State to the domestic or foreign limited liability company
35 at its registered office for the first annual report, and then to its principal office for
36 subsequent annual reports. Forms required for the filing of annual reports shall be
37 made available by the Secretary of Revenue.

38 (d) If an annual report does not contain the information required by this section,
39 the Secretary of State shall promptly notify the reporting domestic or foreign limited
40 liability company in writing and return the report to it for correction. If the report is
41 corrected to contain the information required by this section and delivered to the
42 Secretary of State within 30 days after the effective date of notice, it is deemed to be
43 timely filed.

1 (e) Amendments to any previously filed annual report may be filed with the
 2 Secretary of State at any time for the purpose of correcting, updating, or augmenting
 3 the information contained in the annual report.

4 (f) When a statement of change of registered office or registered agent is filed in
 5 the annual report, the change shall become effective when the statement is received
 6 by the Secretary of State.

7 (g) If the Secretary of State does not receive an annual report from the Secretary
 8 of Revenue, it shall be presumed that the annual report was not filed with the
 9 Secretary of Revenue."

10 Section 15. G.S. 57C-1-22, as amended by Section 6 of this act, reads as
 11 rewritten:

12 "§ 57C-1-22. Filing, service, and copying fees.

13 (a) The Secretary of State shall collect the following fees when the documents
 14 described in this subsection are delivered to the Secretary of State for filing:

15	<u>Document</u>	<u>Fee</u>
16	(1) Articles of organization	\$100.00
17	(2) Application for reserved name	10.00
18	(3) Notice of transfer of reserved name	10.00
19	(4) Application for registered name	10.00
20	(5) Application for renewal of registered name	10.00
21	(6) Limited liability company's statement of	
22	change of registered agent or registered	
23	office or both	5.00
24	(7) Agent's statement of change of registered	
25	office for each affected limited	
26	liability company	5.00
27	(8) Agent's statement of resignation	No fee
28	(9) Designation of registered agent or	
29	registered office or both	5.00
30	(10) Amendment of articles of organization	50.00
31	(11) Restated articles of organization	
32	without amendment of articles	10.00
33	(12) Restated articles of organization	
34	with amendment of articles	50.00
35	(13) Articles of merger	50.00
36	(14) Articles of dissolution	30.00
37	(15) Articles of revocation of dissolution	10.00
38	(16) Certificate of administrative dissolution	No fee
39	(17) Certificate of reinstatement	No fee
40	(18) Certificate of judicial dissolution	No fee
41	(19) Application for certificate of authority	200.00
42	(20) Application for amended certificate	
43	of authority	50.00
44	(21) Application for certificate of withdrawal	10.00

1	(22)	Certificate of revocation of authority	
2		to transact business	No fee
3	(23)	Articles of correction	10.00
4	(24)	Application for certificate of existence	
5		or authorization	5.00
6	(25)	Annual report	200.00
7	(26)	Any other document required or permitted	
8		to be filed by this Chapter	10.00.

9 (b) The Secretary of State shall collect a fee of ten dollars (\$10.00) each time
10 process is served on the Secretary of State under this Chapter. The party to a
11 proceeding causing service of process is entitled to recover this fee as costs if ~~he~~ the
12 party prevails in the proceeding.

13 (c) The Secretary of State shall collect the following fees for copying, comparing,
14 and certifying a copy of any filed document relating to a domestic or foreign limited
15 liability company:

- 16 (1) One dollar (\$1.00) a page for copying or comparing a copy to the
17 original; and
18 (2) Five dollars (\$5.00) for the certificate.

19 (d) The Secretary of State shall collect a fee of two hundred dollars (\$200.00) for
20 each year, or portion of a year, following the effective date of an administrative
21 dissolution when an application for reinstatement following an administrative
22 dissolution is delivered to the Secretary for filing."

23 Section 16. G.S. 57C-3-25(a) reads as rewritten:

24 "(a) Any person dealing with a limited liability company or a foreign limited
25 liability company may rely conclusively upon its most recent annual report and any
26 amendments ~~thereto filed with~~ to it on file with the Secretary of State ~~pursuant to~~
27 ~~G.S. 57C-2-23~~ as to the identity of its managers, except to the extent the person has
28 actual knowledge that a person identified therein as a manager is not a manager."

29 Section 17. G.S. 57C-6-03(a) reads as rewritten:

30 "(a) The Secretary of State may administratively dissolve a limited liability
31 company if the Secretary of State determines that:

- 32 (1) The limited liability company has not paid within 60 days after
33 they are due any penalties, fees, or other payments due under this
34 ~~Chapter, Chapter or G.S. 105-257.1(b);~~
35 (2) The limited liability company does not deliver its annual report to
36 the Secretary of ~~State~~ Revenue on or before the date it is due;
37 (3) The limited liability company has been without a registered agent
38 or registered office in this State for 60 days or more;
39 (4) The limited liability company has not notified the Secretary of
40 State within 60 days that its registered agent or registered office has
41 been changed, that its registered agent has resigned, or that its
42 registered office has been discontinued; or
43 (5) The limited liability company's period of duration stated in its
44 articles of organization has expired."

1 Section 18. G.S. 57C-7-14(a)(2) reads as rewritten:

2 "(2) The foreign limited liability company has not delivered its annual
3 report to the Secretary of State Revenue on or before the date it is
4 due;"

5 Section 19. G.S. 105-228.90(a) reads as rewritten:

6 "(a) Scope. -- This Article applies to Subchapters I, V, and VIII of this ~~Chapter~~
7 Chapter, to the annual report filing requirements of G.S. 55-16-22 and G.S. 57C-2-23,
8 and to inspection taxes levied under Article 3 of Chapter 119 of the General
9 Statutes."

10 Section 20. Article 9 of Chapter 105 of the General Statutes is amended
11 by adding a new section to read:

12 "§ 105-257.1. Secretary to administer annual report filing; fee for limited liability
13 companies.

14 (a) Filing Duty. -- The Secretary shall submit the annual reports filed with the
15 Secretary by corporations and limited liability companies pursuant to G.S. 55-16-22
16 and G.S. 57C-2-23 to the Secretary of State. The penalty in G.S. 105-230 does not
17 apply to the failure to file an annual report required by G.S. 55-16-22 or G.S. 57C-2-
18 23.

19 (b) Fee. -- A limited liability company shall pay a fee of two hundred dollars
20 (\$200.00) to the Secretary of Revenue with its annual report. The fees collected
21 under this subsection shall be credited to the General Fund as tax revenue."

22 Section 21. G.S. 105-259 reads as rewritten:

23 "§ 105-259. (See notes) Secrecy required of officials; penalty for violation.

24 (a) Definitions. -- The following definitions apply in this section:

25 (1) Employee or officer. -- The term includes a former employee, a
26 former officer, and a current or former member of a State board or
27 commission.

28 (2) Tax information. -- Any information from any source concerning
29 the liability of a taxpayer for a tax, as defined in G.S. 105-228.90.
30 The term includes the following:

31 a. Information contained on a tax return, a tax report, or an
32 application for a license for which a tax is imposed.

33 b. Information obtained through an audit of a taxpayer or by
34 correspondence with a taxpayer.

35 c. Information on whether a taxpayer has filed a tax return or
36 a tax report.

37 d. A list or other compilation of the names, addresses, social
38 security numbers, or similar information concerning
39 taxpayers.

40 The term does not include (i) statistics classified so that
41 information about specific taxpayers cannot be ~~identified or (ii)~~
42 identified, (ii) an annual report required to be filed under G.S. 55-
43 16-22 or G.S. 57C-2-23, or (iii) information submitted to the
44 Business License Information Office of the Department of

1 Secretary of State on a master application form for various
2 business licenses.

3 (b) Disclosure Prohibited. -- An officer, an employee, or an agent of the State who
4 has access to tax information in the course of service to or employment by the State
5 may not disclose the information to any other person unless the disclosure is made
6 for one of the following purposes:

- 7 (1) To comply with a court order or a law.
- 8 (2) Review by the Attorney General or a representative of the
9 Attorney General.
- 10 (3) Review by a tax official of another state or the Internal Revenue
11 Commissioner of the United States to aid the state or the
12 Commissioner in collecting a tax imposed by this State, the other
13 state, or the United States if the laws of the other state or the
14 United States allow the state or the United States to provide
15 similar tax information to a representative of this State.
- 16 (4) To provide a governmental agency or an officer of an organized
17 association of taxpayers with a list of taxpayers who have paid a
18 privilege license tax under Article 2 of this Chapter.
- 19 (5) To furnish to the chair of a board of county commissioners
20 information on the county sales and use tax.
- 21 (6) To sort, process, or deliver tax information on behalf of the
22 Department of Revenue.
- 23 (6a) To furnish the chair of a board of county commissioners a list of
24 claimants that have received a refund of the county sales or use tax
25 to the extent authorized in G.S. 105- 164.14(f).
- 26 (7) To exchange information with the Division of Motor Vehicles of
27 the Department of Transportation when the information is needed
28 to fulfill a duty imposed on the Department of Revenue or the
29 Division of Motor Vehicles.
- 30 (8) To furnish to the Department of State Treasurer, upon request, the
31 name, address, and account and identification numbers of a
32 taxpayer who may be entitled to property held in the Escheat
33 Fund.
- 34 (9) To furnish to the Employment Security Commission the name,
35 address, and account and identification numbers of a taxpayer
36 when the information is requested by the Commission in order to
37 fulfill a duty imposed under Article 2 of Chapter 96 of the General
38 Statutes.
- 39 (10) Review by the State Auditor to the extent authorized in G.S. 147-
40 64.7.
- 41 (11) To give a spouse who elects to file a joint tax return a copy of the
42 return or information contained on the return.
- 43 (11a) To provide a copy of a return to the taxpayer who filed the return.

- 1 (11b) In the case of a return filed by a corporation, a partnership, a trust,
2 or an estate, to provide a copy of the return or information on the
3 return to a person who has a material interest in the return if,
4 under the circumstances, section 6103(e)(1) of the Code would
5 require disclosure to that person of any corresponding federal
6 return or information.
- 7 (11c) In the case of a return of an individual who is legally incompetent
8 or deceased, to provide a copy of the return to the legal
9 representative of the estate of the incompetent individual or
10 decedent.
- 11 (12) To contract with a financial institution for the receipt of withheld
12 income tax payments under G.S. 105-163.6 or for the transmittal of
13 payments by electronic funds transfer.
- 14 (13) To furnish the Fiscal Research Division of the General Assembly,
15 upon request, a sample, suitable in character, composition, and size
16 for statistical analyses, of tax returns or other tax information from
17 which taxpayers' names and identification numbers have been
18 removed.
- 19 (14) To exchange information concerning a tax imposed by Subchapter
20 V of this Chapter with the Standards Division of the Department
21 of Agriculture when the information is needed to administer the
22 Gasoline and Oil Inspection Act, Article 3 of Chapter 119 of the
23 General Statutes.
- 24 (15) To exchange information concerning a tax imposed by Articles 2A,
25 2B, 2C, or 2D of this Chapter with one of the following agencies
26 when the information is needed to fulfill a duty imposed on the
27 agency:
- 28 a. The North Carolina Alcoholic Beverage Control
29 Commission.
- 30 b. The Division of Alcohol Law Enforcement of the
31 Department of Crime Control and Public Safety.
- 32 c. The Bureau of Alcohol, Tobacco, and Firearms of the
33 United States Treasury Department.
- 34 (16) To furnish to the Department of Secretary of State the name,
35 address, tax year end, and account and identification numbers of a
36 corporation liable for corporate income or franchise taxes or of a
37 limited liability company liable for a partnership tax return to
38 enable the Secretary of State to notify the corporation or the
39 limited liability company of the annual report filing requirement or
40 that its articles of incorporation or articles of organization or its
41 certificate of authority has been suspended.
- 42 (17) To inform the Business License Information Office of the
43 Department of Secretary of State of the status of an application for

1 a license for which a tax is imposed and of any information needed
2 to process the application.

3 (18) To furnish to the Office of the State Controller the name, address,
4 and account and identification numbers of a taxpayer upon request
5 to enable the State Controller to verify statewide vendor files or
6 track debtors of the State.

7 (19) To furnish to the North Carolina Industrial Commission
8 information concerning workers' compensation reported to the
9 Secretary under G.S. 105-163.7.

10 (c) Punishment. -- A person who violates this section is guilty of a Class 1
11 misdemeanor. If the person committing the violation is an officer or employee, that
12 person shall be dismissed from public office or public employment and may not hold
13 any public office or public employment in this State for five years after the violation."

14 Section 22. There is appropriated from the General Fund to the
15 Department of Revenue the sum of one hundred ninety-two thousand one hundred
16 fifty-one dollars (\$192,151) for the 1997-98 fiscal year, allocated as one hundred
17 twenty-seven thousand seven hundred fifty-one dollars (\$127,751) recurring funds and
18 sixty-four thousand four hundred dollars (\$64,400) nonrecurring funds, for the costs
19 associated with collecting and transmitting the annual corporate reports.

20 PART III. EFFECTIVE DATES.

21 Section 23. (a) Sections 1 through 6 and Sections 21 through 23 of this
22 act become effective July 1, 1997. The remainder of this act becomes effective
23 January 1, 1998, and applies to tax years ending on or after December 31, 1997.

24 (b) Annual reports erroneously filed with the Secretary of State after
25 December 31, 1997, but before January 1, 1999, shall nevertheless be deemed filed
26 with the correct State agency. The Secretary of State shall notify the Secretary of
27 Revenue of these filings.

GENERAL ASSEMBLY OF NORTH CAROLINA

SESSION 1997

S

D

SENATE BILL 158*

S158-CSLJX-4/10

Proposed Senate Finance Committee Substitute

Short Title: Administrative Dissolution/Annual Rept. (Public)

Sponsors:

Referred to: Commerce.

February 17, 1997

1 A BILL TO BE ENTITLED
2 AN ACT TO EXPAND THE TIME CORPORATIONS AND LIMITED LIABILITY
3 COMPANIES MAY APPLY FOR REINSTATEMENT FROM ADMINISTRATIVE
4 DISSOLUTION, TO INCREASE THE FEE CORPORATIONS MUST PAY FOR
5 REINSTATEMENT AFTER ADMINISTRATIVE DISSOLUTION, TO ESTABLISH A
6 FEE LIMITED LIABILITY COMPANIES MUST PAY FOR REINSTATEMENT
7 AFTER ADMINISTRATIVE DISSOLUTION, TO PROVIDE THAT ANNUAL
8 REPORTS OF MOST BUSINESS CORPORATIONS AND LIMITED LIABILITY
9 COMPANIES SHALL BE FILED WITH THE DEPARTMENT OF REVENUE RATHER
10 THAN THE SECRETARY OF STATE, AS RECOMMENDED BY THE GENERAL
11 STATUTES STUDY COMMISSION AND OTHERS.
12 The General Assembly of North Carolina enacts:
13 PART I. ADMINISTRATIVE DISSOLUTIONS.
14 Section 1. G.S. 55-14-22(a) reads as rewritten:
15 "(a) A corporation administratively dissolved under G.S. 55-14-
16 21 may apply to the Secretary of State for reinstatement ~~within~~
17 two years not later than five years after the effective date of
18 dissolution. The application must:
19 (1) Recite the name of the corporation and the
20 effective date of its administrative dissolution;
21 and

1 (2) State that the ground or grounds for dissolution
 2 either did not exist or have been eliminated.

3 (3) Reserved.

4 (4) Repealed by Session Laws 1995, c. 539, s. 6."

5 Section 2. G.S. 55A-14-22(a) reads as rewritten:

6 "(a) A corporation administratively dissolved under G.S. 55A-
 7 14-21 may apply to the Secretary of State for reinstatement
 8 within two years not later than five years after the effective
 9 date of dissolution. The application shall:

10 (1) Recite the name of the corporation and the
 11 effective date of its administrative dissolution;
 12 and

13 (2) State that the ground or grounds for dissolution
 14 either did not exist or have been eliminated."

15 Section 3. G.S. 57C-6-03(c) reads as rewritten:

16 "(c) A limited liability company administratively dissolved
 17 under this section may apply to the Secretary of State for
 18 reinstatement within two years not later than five years after
 19 the effective date of the administrative dissolution. The
 20 procedures for reinstatement and for the appeal of any denial of
 21 the limited liability company's application for reinstatement
 22 shall be the same procedures applicable to business corporations
 23 under G.S. 55-14-22, 55-14-23, and 55-14-24."

24 Section 4. G.S. 55-1-22 reads as rewritten:

25 "§ 55-1-22. Filing, service, and copying fees.

26 (a) The Secretary of State shall collect the following fees
 27 when the documents described in this subsection are delivered to
 28 him the Secretary for filing:

Document	Fee

29	permitted to be filed by this Chapter	10.00.

30 (b) The Secretary of State shall collect a fee of ten dollars
 31 (\$10.00) each time process is served on ~~him~~ the Secretary under
 32 this Chapter. The party to a proceeding causing service of
 33 process is entitled to recover this fee as costs if ~~he~~ the party
 34 prevails in the proceeding.

35 (c) The Secretary of State shall collect the following fees for
 36 copying, comparing, and certifying a copy of any filed document
 37 relating to a domestic or foreign corporation:

- 38 (1) One dollar (\$1.00) a page for copying or comparing a
- 39 copy to the original; and
- 40 (2) Five dollars (\$5.00) for the certificate.

41 (d) The Secretary of State shall collect a fee of two hundred
 42 dollars (\$200.00) for each year, or portion of a year, following
 43 the effective date of an administrative dissolution when an

1 application for reinstatement following an administrative
 2 dissolution is delivered to the Secretary for filing."

3 Section 5. G.S. 55A-1-22 reads as rewritten:

4 "§ 55A-1-22. Filing, service, and copying fees.

5 (a) The Secretary of State shall collect the following fees
 6 when the documents described in this subsection are delivered to
 7 the Secretary for filing:

8	Document	Fee
9	(1) Articles of incorporation	\$50.00
10	(2) Application for reserved name	\$10.00
11	(3) Notice of transfer of reserved name	\$10.00
12	(4) Application for registered name	\$10.00
13	(5) Application for renewal of registered	
14	name	\$10.00
15	(6) Corporation's statement of change of	
16	registered agent or registered office or	
17	both	\$ 5.00
18	(7) Agent's statement of change of registered	
19	office for each affected corporation	\$ 5.00
20	(8) Agent's statement of resignation	No fee
21	(9) Designation of registered agent or	
22	registered office or both	\$ 5.00
23	(10) Amendment of articles of incorporation	\$25.00
24	(11) Restated articles of incorporation without	
25	amendment of articles	\$10.00
26	(12) Restated articles of incorporation with	
27	amendment of articles	\$25.00
28	(13) Articles of merger	\$25.00
29	(14) Articles of dissolution	\$15.00
30	(15) Articles of revocation of dissolution	\$10.00
31	(16) Certificate of administrative dissolution	No fee
32	(17) Application for reinstatement following	
33	administrative dissolution	\$25.00
34		<u>Set in (d)</u>
35	(18) Certificate of reinstatement	No fee
36	(19) Certificate of judicial dissolution	No fee
37	(20) Application for certificate of authority	\$100.00
38	(21) Application for amended certificate of	
39	authority	\$25.00

41	(23) Certificate of revocation of authority to	
42	conduct affairs	No fee
43	(24) Corporation's Statement of Change of	
44	Principal Office	\$5.00

- 1 (24a) Designation of Principal Office Address \$5.00
2 (25) Articles of correction \$10.00
3 (26) Application for certificate of existence or
4 authorization \$ 5.00
5 (27) Any other document required or
6 permitted to be filed by this Chapter \$10.00.
7 (b) The Secretary of State shall collect a fee of ten dollars
8 (\$10.00) each time process is served on the Secretary under this
9 Chapter. The party to a proceeding causing service of process is
10 entitled to recover this fee as costs if the party prevails in
11 the proceeding.
12 (c) The Secretary of State shall collect the following fees
13 for copying, comparing, and certifying a copy of any filed
14 document relating to a domestic or foreign corporation:
15 (1) One dollar (\$1.00) a page for copying or comparing
16 a copy to the original; and
17 (2) Five dollars (\$5.00) for the certificate.
18 (d) The Secretary of State shall collect a fee of two hundred
19 dollars (\$200.00) for each year, or portion of a year, following
20 the effective date of an administrative dissolution when an
21 application for reinstatement following an administrative
22 dissolution is delivered to the Secretary for filing."
23 Section 6. G.S. 57C-1-22(b) reads as rewritten:
24 "(b) The Secretary of State shall collect a fee of ten dollars
25 (\$10.00) each time process is served on the Secretary of State
26 under this Chapter. The party to a proceeding causing service of
27 process is entitled to recover this fee as costs if ~~he~~ the party
28 prevails in the proceeding."
29 Section 6.1. G.S. 57C-1-22 is amended by adding a new
30 subsection to read:
31 "(d) The Secretary of State shall collect a fee of two hundred
32 dollars (\$200.00) for each year, or portion of a year, following
33 the effective date of an administrative dissolution when an
34 application for reinstatement following an administrative
35 dissolution is delivered to the Secretary for filing."
36 PART II. ANNUAL CORPORATE REPORT.
37 Section 7. G.S. 55-16-22 reads as rewritten:
38 "§ 55-16-22. Annual ~~report for Secretary of State.~~ report.
39 (a) ~~Each~~ Except as provided in subsections (a1) and (a2) of
40 this section, each domestic corporation ~~except those governed by~~
41 Chapter 55B, and each foreign corporation authorized to transact
42 business in this State, ~~State~~ shall deliver to the Secretary of
43 State for filing an annual report that sets forth: an annual
44 report to the Secretary of Revenue.

1 (a1) Each insurance company subject to the provisions of
2 Chapter 58 of the General Statutes and each corporation required
3 to pay a franchise tax under G.S. 105-116, 105-119, 105-120, or
4 105-120.1 shall deliver an annual report to the Secretary of
5 State.

6 (a2) A domestic corporation governed by Chapter 55B of the
7 General Statutes is exempt from this section.

8 (a3) The annual report required by this section shall be in a
9 form jointly prescribed by the Secretary of Revenue and the
10 Secretary of State. The Secretary of Revenue shall provide the
11 form needed to file an annual report with that Secretary. The
12 annual report shall set forth all of the following:

13 (1) The name of the corporation and the state or
14 country under whose law it is incorporated;
15 incorporated.

16 (2) The street address, and the mailing address if
17 different from the street address, of the
18 registered office, the county in which its
19 registered office is located, and the name of its
20 registered agent at that office in this State, and
21 a statement of any change of such registered office
22 or registered agent, or ~~both~~; both.

23 (3) The address and telephone number of its principal
24 office; office.

25 (4) The names, titles, and business addresses of its
26 principal ~~officers~~; officers.

27 ~~(4a) The names and business addresses of its directors;~~
28 ~~and~~

29 (5) A brief description of the nature of its business.
30 If the information contained in the most recently filed annual
31 report has not changed, a certification to that effect may be
32 made instead of setting forth the information required by
33 subdivisions (2) through (5) of this subsection.

34 (b) Information in the annual report must be current as of the
35 date the annual report is executed on behalf of the corporation.

36 ~~(c) The annual report shall be delivered to the Secretary of~~
37 ~~State each year within 60 days immediately following the last day~~
38 ~~of the month in which the domestic corporation was incorporated~~
39 ~~or the foreign corporation received a certificate of authority in~~
40 ~~this State. Forms required for the filing of the annual report~~
41 ~~shall be mailed by the Secretary of State to the domestic or~~
42 ~~foreign corporation at its registered office for the first annual~~
43 ~~report, then to its principal office for subsequent annual~~
44 ~~reports. An annual report required to be delivered to the~~

1 Secretary of Revenue is due by the due date for filing the
2 corporation's income and franchise tax returns. An annual report
3 required to be delivered to the Secretary of State is due by the
4 fifteenth day of the third month following the close of the
5 corporation's fiscal year.

6 (d) If an annual report does not contain the information
7 required by this section, the Secretary of State shall promptly
8 notify the reporting domestic or foreign corporation in writing
9 and return the report to it for correction. If the report is
10 corrected to contain the information required by this section and
11 delivered to the Secretary of State within 30 days after the
12 effective date of notice, it is deemed to be timely filed.

13 (e) Amendments to any previously filed annual report may be
14 filed with the Secretary of State at any time for the purpose of
15 correcting, updating, or augmenting the information contained in
16 such the annual report.

17 (f) Expired.

18 (g) When a statement of change of registered office or
19 registered agent is filed in the annual report, the change shall
20 become effective when the statement is received by the Secretary
21 of State.

22 (h) If the Secretary of State does not receive an annual
23 report within 120 days of the date the return is due, the
24 Secretary of State may presume that the annual report is
25 delinquent. This presumption may be rebutted by receipt of the
26 annual report from the Secretary of Revenue or by evidence of
27 delivery presented by the filing corporation."

28 Section 8. G.S. 55-1-21(a) reads as rewritten:

29 "(a) The Secretary of State may promulgate and furnish on
30 request forms ~~for:~~ for the following:

31 (1) An application for a certificate of ~~existence;~~
32 existence.

33 (2) A foreign corporation's application for a
34 certificate of authority to transact business in
35 ~~this State;~~ State.

36 (3) A foreign corporation's application for a
37 certificate of ~~withdrawal;~~ and withdrawal.

38 ~~(4) The annual report.~~

39 If the Secretary of State so requires, use of these forms is
40 mandatory."

41 Section 9. G.S. 55-1-22(a), as amended by Section 4 of
42 this act, reads as rewritten:

1 "(a) The Secretary of State shall collect the following fees
 2 when the documents described in this subsection are delivered to
 3 the Secretary for filing:

4	Document	Fee
5	(1) Articles of incorporation	\$100.00
6	(2) Application for reserved name	10.00
7	(3) Notice of transfer of reserved name	10.00
8	(4) Application for registered name	10.00
9	(5) Application for renewal of	
10	registered name	10.00
11	(6) Corporation's statement of change of	
12	registered agent or registered	
13	office or both	5.00
14	(7) Agent's statement of change of	
15	registered office for each affected	
16	corporation	5.00
17	(8) Agent's statement of resignation	No fee
18	(9) Designation of registered agent or	
19	registered office or both	5.00
20	(10) Amendment of articles of	
21	incorporation	50.00
22	(11) Restated articles of incorporation	10.00
23	with amendment of articles	50.00
24	(12) Articles of merger or share exchange	50.00
25	(13) Articles of dissolution	30.00
26	(14) Articles of revocation of	
27	dissolution	10.00
28	(15) Certificate of administrative	
29	dissolution	No fee
30	(16) Repealed.	
31	(17) Certificate of reinstatement	No fee
32	(18) Certificate of judicial dissolution	No fee
33	(19) Application for certificate of	
34	authority	200.00
35	(20) Application for amended certificate	
36	of authority	50.00
37	(21) Application for certificate of	
38	withdrawal	10.00
39	(22) Certificate of revocation of	
40	authority to transact business	No fee
41	(23) Annual report	10.00 <u>N</u>
42	<u>o fee</u>	
43	(24) Articles of correction	10.00
44	(25) Application for certificate of	

- 1 existence or authorization 5.00
2 (26) Any other document required or
3 permitted to be filed by this Chapter 10.00."
4 Section 10. G.S. 55-1-28(b)(4) reads as rewritten:
5 "(4) That its most recent annual report required by G.S.
6 55-16-22 has either been delivered to the Secretary
7 of State; State or is not delinquent;".
8 Section 11. G.S. 55-14-20(2) reads as rewritten:
9 "(2) The corporation ~~does not deliver its annual report~~
10 ~~to the Secretary of State within 60 days after it~~
11 ~~is due; is delinquent in delivering its annual~~
12 ~~report;~~".
13 Section 12. G.S. 55-15-30(a)(1) reads as rewritten:
14 "(1) The foreign corporation ~~does not deliver its annual~~
15 ~~report to the Secretary of State within 60 days~~
16 ~~after it is due; is delinquent in delivering its~~
17 ~~annual report;~~".
18 Section 13. G.S. 55-16-01(e)(7) reads as rewritten:
19 "(7) Its most recent annual report delivered ~~to the~~
20 ~~Secretary of State under as required by G.S. 55-16-~~
21 ~~22."~~
22 Section 14. G.S. 57C-2-23 reads as rewritten:
23 "§ 57C-2-23. Annual report for Secretary of State.
24 (a) Each domestic limited liability company and each foreign
25 limited liability company authorized to transact business in this
26 State, shall deliver to the Secretary of State for filing an
27 annual report report, in a form jointly prescribed by the
28 Secretary of Revenue and Secretary of State, that sets forth:
29 forth all of the following:
30 (1) The name of the limited liability or foreign
31 limited liability company and the state or country
32 under whose law it is ~~organized;~~ organized.
33 (2) The street address, and the mailing address if
34 different from the street address, of the
35 registered office, the county in which the
36 registered office is located, and the name of its
37 registered agent at that office in this State, and
38 a statement of any change of the registered office
39 or registered agent, or ~~both;~~ both.
40 (3) The address and telephone number of its principal
41 office; office.
42 (4) The names and business addresses of its ~~managers;~~
43 and managers.
44 (5) A brief description of the nature of its business.

1 If the information contained in the most recently filed annual
2 report has not changed, a certification to that effect may be
3 made instead of setting forth the information required by
4 subdivisions (2) through (5) of this subsection. The Secretary
5 of State shall make available the form required to file an annual
6 report.

7 (b) Information in the annual report must be current as of the
8 date the annual report is executed on behalf of the limited
9 liability company or the foreign limited liability company.

10 (c) ~~The annual report shall be delivered to the Secretary of~~
11 ~~State each year within 60 days immediately following the last day~~
12 ~~of the month in which the domestic limited liability company was~~
13 ~~organized or the foreign limited liability company received a~~
14 ~~certificate of authority in this State. Forms required for the~~
15 ~~filing of the annual report shall be mailed by the Secretary of~~
16 ~~State to the domestic or foreign limited liability company at its~~
17 ~~registered office for the first annual report, and then to its~~
18 ~~principal office for subsequent annual reports. by the fifteenth~~
19 ~~day of the fourth month following the close of the limited~~
20 ~~liability company's fiscal year.~~

21 (d) If an annual report does not contain the information
22 required by this section, the Secretary of State shall promptly
23 notify the reporting domestic or foreign limited liability
24 company in writing and return the report to it for correction.
25 If the report is corrected to contain the information required by
26 this section and delivered to the Secretary of State within 30
27 days after the effective date of notice, it is deemed to be
28 timely filed.

29 (e) Amendments to any previously filed annual report may be
30 filed with the Secretary of State at any time for the purpose of
31 correcting, updating, or augmenting the information contained in
32 the annual report."

33 Section 15. G.S. 57C-1-22(b) reads as rewritten:

34 "(b) The Secretary of State shall collect a fee of ten dollars
35 (\$10.00) each time process is served on the Secretary of State
36 under this Chapter. The party to a proceeding causing service of
37 process is entitled to recover this fee as costs if he the party
38 prevails in the proceeding."

39 Section 16. G.S. 57C-3-25(a) reads as rewritten:

40 "(a) Any person dealing with a limited liability company or a
41 foreign limited liability company may rely conclusively upon its
42 most recent annual report and any amendments ~~thereto filed with~~
43 to it on file with the Secretary of State ~~pursuant to G.S.~~
44 ~~57C-2-23~~ as to the identity of its managers, except to the extent

1 the person has actual knowledge that a person identified therein
2 as a manager is not a manager."

3 Section 17. G.S. 105-228.90(a) reads as rewritten:

4 "(a) Scope. -- This Article applies to Subchapters I, V, and
5 VIII of this ~~Chapter~~ Chapter, to the annual report filing
6 requirements of G.S. 55-16-22, and to inspection taxes levied
7 under Article 3 of Chapter 119 of the General Statutes."

8 Section 18. Article 9 of Chapter 105 of the General
9 Statutes is amended by adding a new section to read:

10 "§ 105-257.1. Secretary to administer annual report filing; fee
11 for limited liability companies.

12 (a) Filing Duty. -- The Secretary must submit the annual
13 reports filed with the Secretary pursuant to G.S. 55-16-22 to the
14 Secretary of State.

15 (b) Fee. -- A corporation that files an annual report with the
16 Secretary must pay a fee of twenty dollars (\$20.00) with its
17 annual report. The fees collected under this subsection shall be
18 considered a franchise tax and shall be credited to the General
19 Fund as franchise tax revenue."

20 Section 19. G.S. 105-259 reads as rewritten:

21 "§ 105-259. Secrecy required of officials; penalty for
22 violation.

23 (a) Definitions. -- The following definitions apply in this
24 section:

25 (1) Employee or officer. -- The term includes a former
26 employee, a former officer, and a current or former
27 member of a State board or commission.

28 (2) Tax information. -- Any information from any source
29 concerning the liability of a taxpayer for a tax,
30 as defined in G.S. 105-228.90. The term includes
31 the following:

32 a. Information contained on a tax return, a tax
33 report, or an application for a license for
34 which a tax is imposed.

35 b. Information obtained through an audit of a
36 taxpayer or by correspondence with a taxpayer.

37 c. Information on whether a taxpayer has filed a
38 tax return or a tax report.

39 d. A list or other compilation of the names,
40 addresses, social security numbers, or similar
41 information concerning taxpayers.

42 The term does not include (i) statistics classified
43 so that information about specific taxpayers cannot
44 be ~~identified or (ii) identified, (ii) an annual~~

1 report required to be filed under G.S. 55-16-22 or
2 (iii) information submitted to the Business License
3 Information Office of the Department of Secretary
4 of State on a master application form for various
5 business licenses.

6 (b) Disclosure Prohibited. -- An officer, an employee, or an
7 agent of the State who has access to tax information in the
8 course of service to or employment by the State may not disclose
9 the information to any other person unless the disclosure is made
10 for one of the following purposes:

- 11 (1) To comply with a court order or a law.
- 12 (2) Review by the Attorney General or a representative
13 of the Attorney General.
- 14 (3) Review by a tax official of another state or the
15 Internal Revenue Commissioner of the United States
16 to aid the state or the Commissioner in collecting
17 a tax imposed by this State, the other state, or
18 the United States if the laws of the other state or
19 the United States allow the state or the United
20 States to provide similar tax information to a
21 representative of this State.
- 22 (4) To provide a governmental agency or an officer of
23 an organized association of taxpayers with a list
24 of taxpayers who have paid a privilege license tax
25 under Article 2 of this Chapter.
- 26 (5) To furnish to the chair of a board of county
27 commissioners information on the county sales and
28 use tax.
- 29 (6) To sort, process, or deliver tax information on
30 behalf of the Department of Revenue.
- 31 (6a) To furnish the chair of a board of county
32 commissioners a list of claimants that have
33 received a refund of the county sales or use tax to
34 the extent authorized in G.S. 105-164.14(f).
- 35 (7) To exchange information with the Division of Motor
36 Vehicles of the Department of Transportation when
37 the information is needed to fulfill a duty imposed
38 on the Department of Revenue or the Division of
39 Motor Vehicles.
- 40 (8) To furnish to the Department of State Treasurer,
41 upon request, the name, address, and account and
42 identification numbers of a taxpayer who may be
43 entitled to property held in the Escheat Fund.

- 1 (9) To furnish to the Employment Security Commission
2 the name, address, and account and identification
3 numbers of a taxpayer when the information is
4 requested by the Commission in order to fulfill a
5 duty imposed under Article 2 of Chapter 96 of the
6 General Statutes.
- 7 (10) Review by the State Auditor to the extent
8 authorized in G.S. 147-64.7.
- 9 (11) To give a spouse who elects to file a joint tax
10 return a copy of the return or information
11 contained on the return.
- 12 (11a) To provide a copy of a return to the taxpayer
13 who filed the return.
- 14 (11b) In the case of a return filed by a
15 corporation, a partnership, a trust, or an
16 estate, to provide a copy of the return or
17 information on the return to a person who has
18 a material interest in the return if, under
19 the circumstances, section 6103(e)(1) of the
20 Code would require disclosure to that person
21 of any corresponding federal return or
22 information.
- 23 (11c) In the case of a return of an individual who
24 is legally incompetent or deceased, to provide
25 a copy of the return to the legal
26 representative of the estate of the
27 incompetent individual or decedent.
- 28 (12) To contract with a financial institution for the
29 receipt of withheld income tax payments under G.S.
30 105-163.6 or for the transmittal of payments by
31 electronic funds transfer.
- 32 (13) To furnish the Fiscal Research Division of the
33 General Assembly, upon request, a sample, suitable
34 in character, composition, and size for statistical
35 analyses, of tax returns or other tax information
36 from which taxpayers' names and identification
37 numbers have been removed.
- 38 (14) To exchange information concerning a tax imposed by
39 Subchapter V of this Chapter with the Standards
40 Division of the Department of Agriculture when the
41 information is needed to administer the Gasoline
42 and Oil Inspection Act, Article 3 of Chapter 119 of
43 the General Statutes.

- 1 (15) To exchange information concerning a tax imposed by
2 Articles 2A, 2B, 2C, or 2D of this Chapter with one
3 of the following agencies when the information is
4 needed to fulfill a duty imposed on the agency:
- 5 a. The North Carolina Alcoholic Beverage Control
6 Commission.
- 7 b. The Division of Alcohol Law Enforcement of the
8 Department of Crime Control and Public Safety.
- 9 c. The Bureau of Alcohol, Tobacco, and Firearms
10 of the United States Treasury Department.
- 11 (16) To furnish to the Department of Secretary of State
12 the name, address, tax year end, and account and
13 identification numbers of a corporation liable for
14 corporate income or franchise taxes or of a limited
15 liability company liable for a corporate or a
16 partnership tax return to enable the Secretary of
17 State to notify the corporation or the limited
18 liability company of the annual report filing
19 requirement or that its articles of incorporation
20 or articles of organization or its certificate of
21 authority has been suspended.
- 22 (17) To inform the Business License Information Office
23 of the Department of Secretary of State of the
24 status of an application for a license for which a
25 tax is imposed and of any information needed to
26 process the application.
- 27 (18) To furnish to the Office of the State Controller
28 the name, address, and account and identification
29 numbers of a taxpayer upon request to enable the
30 State Controller to verify statewide vendor files
31 or track debtors of the State.
- 32 (19) To furnish to the North Carolina Industrial
33 Commission information concerning workers'
34 compensation reported to the Secretary under G.S.
35 105-163.7.

36 (c) Punishment. -- A person who violates this section is
37 guilty of a Class 1 misdemeanor. If the person committing the
38 violation is an officer or employee, that person shall be
39 dismissed from public office or public employment and may not
40 hold any public office or public employment in this State for
41 five years after the violation."

42 Section 20. There is appropriated from the General Fund
43 to the Department of Revenue the sum of one hundred seventy-eight
44 thousand three hundred seventy-one dollars (\$178,371) for the

1 1997-98 fiscal year, allocated as one hundred twelve thousand one
2 hundred seventy-one dollars (\$112,171) recurring funds and sixty-
3 six thousand two hundred dollars (\$66,200) nonrecurring funds,
4 for the costs associated with collecting and transmitting the
5 annual corporate reports.

6 PART III. EFFECTIVE DATES.

7 Section 21. (a) Sections 1 through 6 and Sections 19
8 through 21 of this act become effective July 1, 1997. The
9 remainder of this act becomes effective January 1, 1998, and
10 applies to tax years ending on or after December 31, 1997, in the
11 case of corporations required to file annual reports with the
12 Secretary of Revenue and to fiscal years ending on or after
13 December 31, 1997, in the case of corporations required to file
14 annual reports with the Secretary of State.

15 (b) Annual reports delivered to either the Secretary of
16 State or the Secretary of Revenue after December 31, 1997, but
17 before January 1999, shall nevertheless be deemed filed with the
18 correct State agency. The Secretary of State shall notify the
19 Secretary of Revenue of reports erroneously filed with the
20 Secretary of State, and the Secretary of Revenue shall notify the
21 Secretary of State of reports erroneously filed with the
22 Secretary of Revenue.

EFFECTIVE DATE: Administrative dissolution provisions and appropriation provision are effective July 1, 1997. Remainder of act is effective Jan. 1, 1998.

* PFT refers to Permanent Full Time

** FTE refers to Full Time Equivalent

BILL SUMMARY: *TO EXPAND THE TIME CORPORATIONS AND LIMITED LIABILITY COMPANIES MAY APPLY FOR REINSTATEMENT FROM ADMINISTRATIVE DISSOLUTION, TO INCREASE THE FEE CORPORATIONS MUST PAY FOR REINSTATEMENT AFTER ADMINISTRATIVE DISSOLUTION, TO ESTABLISH A FEE LIMITED LIABILITY COMPANIES MUST PAY FOR REINSTATEMENT AFTER ADMINISTRATIVE DISSOLUTION, AND TO PROVIDE THAT ANNUAL REPORTS OF BUSINESS CORPORATIONS AND LIMITED LIABILITY COMPANIES SHALL BE FILED WITH THE DEPARTMENT OF REVENUE RATHER THAN THE SECRETARY OF STATE, AS RECOMMENDED BY THE GENERAL STATUTES STUDY COMMISSION.* Makes changes related to (1) the reinstatement of administratively dissolved corporations and limited liability companies and (2) the filing of corporate annual reports.

Reinstatement of dissolved corporations and limited liability companies. Amends GS 55-14-21(a) and GS 57C-6-03(c) to provide that administratively dissolved corporations and limited liability companies may apply to the Secretary of State for reinstatement within five years (now, two years) of dissolution. Amends GS 55-1-22 and GS 55A-1-22 (business corporations and nonprofit corporations) and GS 57C-1-22 (limited liability companies) to set the fee to be charged by the Secretary of State for such reinstatements at \$200 for each year, or portion of year, between the dissolution and application for reinstatement.

Corporate report filing. Amends GS 55-16-22 (business corporations) and GS 57C-2-23 (limited liability companies) (1) to direct the filing of annual reports to the Secretary of Revenue (now, Secretary of State), (2) to provide that if specified information from the previous year's annual report has not changed, a certification to that effect may be filed in lieu of a new report, and (3) to change the due date for filing the annual report to the due date for filing the corporation's or company's tax return (now, trigger date is tied to organizational date). Deletes from GS 55-16-22 the requirement that the annual report contain the names and addresses of the corporation's directors. Amends GS 105-257.1 to direct the Secretary of Revenue to submit the annual reports to the Secretary of State, and sets fee for limited liability companies for filing annual report at \$200. Provides that annual reports erroneously filed with the Secretary of State through the end of 1998 will be deemed filed correctly.

Appropriates from General Fund to Department of Revenue \$192,151 for 1997-98 for costs associated with collecting and transmitting reports.

Source of above text: North Carolina General Assembly Bill Digest System

ASSUMPTIONS AND METHODOLOGY:

Revenues

The Office of Secretary of State reports that 125,000 foreign and domestic corporations file an annual report yearly and pay the \$10.00 fee. This act repeals the \$10.00 fee creating a loss in General Fund revenue of \$1.25million annually.

Expenditures - Department of Revenue

As proposed the bill requires corporations and limited liability companies to file their annual report with the Department of Revenue instead of with the Office of the Secretary of State. The annual report would be filed by the due date of the applicable tax return or at the time for filing a request for an extension. The Department would collect the \$200 Limited Liability Company fee and submit the annual reports to the Secretary of State for processing. Approximately 125,000 corporations and 10,000 limited liability companies would file annual reports each year with the Department. According to the department this new responsibility would impact four areas in the Department -- Management Information Systems Division, Corporate Tax & Personal Taxes Division, Accounting Division, and Office Examinations & Office Services Division. The specific work requirements of each division and increased costs are outlined below:

Management Information Systems Division

- o Create a shared data base between DOR and SOS to exchange information on tax due dates, extensions processed, number of returned filed, and number of corporations registered.
- o Modify ITAS to establish a new tax type to accept the \$200 LLC payment.
- o Conduct annual file transfers and maintenance.

Applications Development	\$42,000 (NR)
SIPS Development Costs	22,400 (NR)
SIPS Computer Charges	11,200 (R)

Corporate Tax & Personal Taxes Division

- o Design and print annual report form with instructions, and include in corporate and partnership booklets to be mailed to taxpayers.

Tax Forms and Postage	\$35,000 (R)
-----------------------	---------------

Accounting Division

- o Deposit the \$200 fee remitted by limited liability companies.
- o Screen approximately 250,000 tax returns to separate the annual reports from corporate and partnership tax returns. (Locating the report in a typical 10-50 page

return will require additional resources since the annual reports will be filed during the annual tax rush period.)

- o Sort the tax returns and annual reports. Prepare annual reports with remittances for the deposit process.
- o Red ring, write substitute documents or perform tasks associated with manual deposit of the remittance.
- o Reconcile the bundles of reports to the funds deposited from this fee.
- o Perform research of remittances upon request of taxpayers and the Secretary of State's Office.

(2)Processing Assistant III	\$44,650 (R) - Eff. 1.1.98
Clerk III - Temporary	4,500 (R) - Eff. 1.1.98
Substitute Documents	1,080 (R)

Although corporate returns are filed throughout the year, a reduction in the estimated cost may be realized in this division with -- 1) consideration of peak periods in the year when corporate returns are filed, and assessing workload requirements to employ temporary staff during that period; 2) scrutiny of the 38 Processing Assistant positions at levels III, IV, and V employed by the division and potential reassignment of workloads; or 3) employing additional temporary staff, only. If the peak period for the receipt of corporate returns occurs each year between January and April, the Department could assign temporary personnel employed during the annual tax season to this division to assist with this responsibility.

Office Examinations & Office Services Division

- o Coordinate the content of data transferred between the two agencies.
- o Perform an ongoing reconciliation of the number of corporations on file with the Secretary of State's Office to the number of corporations filing tax returns with the Department of Revenue.
- o On-going transport annual report forms to Secretary of State's Office.
- o Assisting with requests for letters of good standing, delinquent returns, and the process of recommendation for dissolution.
- o Research files to ascertain that the annual report was or was not attached to the tax return.
- o Follow up with companies that do not remit payment with the annual report.
- o Answer telephone calls from taxpayers regarding the annual report.
- o Resolve any issues with Secretary of State's Office regarding the annual report.

Fiscal Note
Senate Bill 158

Tax Technician	\$27,819 (R) - Eff. 1.1.98
Taxpayer Assistance Costs	3,500 (R)

Expenditures - Secretary of State

Under the bill, the Secretary of State will continue to maintain annual report records, and administer the annual report program. However, the Secretary of State will no longer be required to remind corporations to file the annual report, send out blank annual report forms, or collect and deposit annual report fees for business corporations. The Secretary of State estimates it would save \$66,000 per year from the elimination of correspondence and other paperwork associated with these responsibilities. These savings are chiefly in envelopes, postage, and SIPS data processing charges.

The Secretary of State also estimates that it would be able to eliminate salaries and benefits for one full-time cash management position and temporary wages for another part-time cash management position. The Secretary of State estimates these salaries and wages at about \$44,000. However, the Secretary of State believes it will also need additional temporary labor to manage the peak work load associated with the new filing deadlines, and to help coordinate the flow of information with the Department of Revenue. The Secretary of State believes it can meet these additional demands with three temporary employees working six months per year, at a cost of about \$37,000 per year.

Because the changes in administration would not be effective until the last half of the 1997-98 fiscal year, we assume that only half of the recurring savings discussed above would be realized in FY 1997-98.

The Secretary of State will need to modify its annual reports and corporations databases so that these databases can include new information and interact with data from the Department of Revenue. The Secretary of State estimates one-time costs of computer programming to be around \$39,000. We assume that this cost would be incurred in 1997-98.

MEMORANDUM

TO: Senate Finance Committee

FROM: General Statutes Commission

DATE: March 17, 1997

RE: Senate Bill 158 (Administrative Dissolution/Annual Rept.)

General Comments

This bill is the result of a study assigned to the General Statutes Commission last year by the General Assembly in Chapter 17 of the 1996 Session Laws, Second Extra Session.

As is set forth more fully in the Commission's Report to the 1997 General Assembly of North Carolina on Corporate Reinstatement After Dissolution, filed on or about February 17, 1997, business corporations, nonprofit corporations, and limited liability companies can be administratively dissolved by the Secretary of State for a variety of statutorily fixed reasons. Once dissolved, an entity is required to cease doing business. It can, however, be reinstated by the Secretary of State if it corrects whatever the problem was and applies for reinstatement within two years after administrative dissolution. If it does not act within this two-year grace period, it has no alternative but to wind up its affairs and go out of business, with possible disastrous tax consequences. Experience has shown that the current reinstatement period of two years is too short, although some outside limit is desirable to afford closure to the public records. The Commission concluded that five years was a reasonable period.

The most common reason for administrative dissolution is the failure of a business corporation or limited liability company to file the annual report required of these entities by statute (nonprofit corporations do not file annual reports). Since the early 1990's, the Office of the Secretary of State has been able in this way to remove from its records more than 50,000 abandoned corporations, both clearing the public record and making the names of these corporations available for use by others. In most cases the affected entity was actually abandoned and no longer doing business; it had merely failed to file articles of dissolution. The annual report provides other benefits as well, so the Commission concluded that it should be retained rather than eliminated.

There are, however, a comparatively small but significant number of administrative

dissolutions that are caused by the apparently inadvertent failure of an active entity to file its annual report. In these cases, the entity most commonly failed to file a change of address with the Secretary of State and apparently never received either the annual report form or any notices of dissolution sent it by the Secretary of State, through no fault of the Secretary. Because corporations generally have a higher level of awareness about filing their tax returns than they do about filing annual reports, the Commission concluded that it would virtually eliminate inadvertent failures to file if the Department of Revenue mailed the annual report forms with the appropriate tax forms for entities to return with their tax return. On receipt, the Department of Revenue would transmit the annual reports to the Secretary of State. This procedure would further allow business corporations and limited liability companies the benefit of making a single filing.

Because truly inadvertent filings should be virtually eliminated by having the annual report forms mailed and filed with the appropriate tax forms, the Commission further concurred with a proposal by the Office of the Secretary of State to increase the reinstatement fee. An increased reinstatement fee should serve as an incentive for corporations and limited liability companies to remain in good standing and file the required reports.

Specific Comments

Part I.

Sections 1 through 3 amend G.S. 55-14-22, 55A-14-22, and 57C-6-03, respectively, to extend the grace period for reinstatement from two to five years for business corporations, nonprofit corporations, and limited liability companies.

Sections 4 and 5 amend G.S. 55-1-22 and 55A-1-22, respectively, to increase the reinstatement fee from \$25 to \$200 per year for business corporations and nonprofit corporations. Section 4 also makes a stylistic change to G.S. 55-1-22 to make the reference to the Secretary of State gender neutral. Section 6 amends G.S. 57C-1-22 to add a reinstatement fee in the amount of \$200 per year for limited liability companies.

Part II.

Section 7 amends G.S. 55-16-22 (i) to require a business corporation to file its annual report with the Secretary of Revenue rather than the Secretary of State, (ii) to delete the requirement that the names of directors be included in the report, on the basis that this information is not truly useful to the public, (iii) to explicitly allow a corporation to certify that there are no changes from the previous annual report and eliminate the burden of filling out repetitious reports, and (iv) to tie the due date of a corporation's annual report to the due date of its tax return. Amendments to annual reports continue to be filed with the Secretary of State.

Please note that the issues reflected in proposed new subsections 55-16-22(f) and (g) were raised by the Office of the Secretary of State after the Commission last met, and accordingly it has

not had the opportunity of reviewing these proposed new subsections.

Section 9 amends G.S. 55-1-22 to delete the ten dollar fee currently collected by the Secretary of State for filing an annual report.

Sections 8 and 10 through 13 make conforming amendments to other sections of Chapter 55 of the General Statutes to reflect the filing of annual reports with the Secretary of Revenue rather than the Secretary of State.

Sections 14 through 18 make equivalent amendments to comparable sections of Chapter 57C of the General Statutes, dealing with limited liability companies.

Section 19 makes a conforming amendment to G.S. 105-228.90, in the chapter of the General Statutes dealing with the Department of Revenue, to reflect the filing of annual reports with the Secretary of Revenue.

Section 20 adds a new Section, G.S. 105-257.1, to Chapter 105 of the General Statutes requiring the Secretary of Revenue to transmit the annual reports to the Secretary of State. It also transfers payment of the annual report filing fee of \$200 currently paid by limited liability companies from the Secretary of State to the Secretary of Revenue. This fee is not truly a mere filing fee but is a substitute for a franchise tax and should be continued.

Section 21 amends G.S. 105-259 to specify that annual reports are not tax information and to allow the Secretary of Revenue to provide the Secretary of State with an entity's end of tax year date. This Section also makes a conforming amendment to recognize the existence of limited liability companies.

Section 22 makes a appropriation to carry out the transfer of function from the Secretary of State to the Secretary of Revenue. The amount of the appropriation was submitted by the Department of Revenue, since the General Statutes Commission lacks the expertise to determine an appropriate amount independently of the Department.

Part III.

Section 23 contains effective date and applications provisions.

1 A BILL TO BE ENTITLED
2 AN ACT TO EXPAND THE TIME CORPORATIONS AND LIMITED LIABILITY
3 COMPANIES MAY APPLY FOR REINSTATEMENT FROM
4 ADMINISTRATIVE DISSOLUTION, TO INCREASE THE FEE
5 CORPORATIONS MUST PAY FOR REINSTATEMENT AFTER
6 ADMINISTRATIVE DISSOLUTION, TO ESTABLISH A FEE LIMITED
7 LIABILITY COMPANIES MUST PAY FOR REINSTATEMENT AFTER
8 ADMINISTRATIVE DISSOLUTION, TO PROVIDE THAT ANNUAL
9 REPORTS OF ~~MOST~~ BUSINESS CORPORATIONS AND LIMITED
10 LIABILITY COMPANIES SHALL BE FILED WITH THE DEPARTMENT OF
11 REVENUE RATHER THAN THE SECRETARY OF STATE, AS
12 RECOMMENDED BY THE GENERAL STATUTES STUDY COMMISSION
13 AND OTHERS.

14 The General Assembly of North Carolina enacts:

15 PART I. ADMINISTRATIVE DISSOLUTIONS.

16 Section 1. G.S. 55-14-22(a) reads as rewritten:

17 "(a) A corporation administratively dissolved under G.S. 55-14-21 may apply to
18 the Secretary of State for reinstatement ~~within two years~~ not later than five years after
19 the effective date of dissolution. The application must:

- 20 (1) Recite the name of the corporation and the effective date of its
21 administrative dissolution; and
22 (2) State that the ground or grounds for dissolution either did not exist
23 or have been eliminated.

1 (3) Reserved.

2 (4) Repealed by Session Laws 1995, c. 539, s. 6."

3 Section 2. G.S. 55A-14-22(a) reads as rewritten:

4 "(a) A corporation administratively dissolved under G.S. 55A-14-21 may apply to
5 the Secretary of State for reinstatement ~~within two years~~ not later than five years after
6 the effective date of dissolution. The application shall:

7 (1) Recite the name of the corporation and the effective date of its
8 administrative dissolution; and

9 (2) State that the ground or grounds for dissolution either did not exist
10 or have been eliminated."

11 Section 3. G.S. 57C-6-03(c) reads as rewritten:

12 "(c) A limited liability company administratively dissolved under this section may
13 apply to the Secretary of State for reinstatement ~~within two years~~ not later than five
14 years after the effective date of the administrative dissolution. The procedures for
15 reinstatement and for the appeal of any denial of the limited liability company's
16 application for reinstatement shall be the same procedures applicable to business
17 corporations under G.S. 55-14-22, 55-14-23, and 55-14-24."

18 Section 4. G.S. 55-1-22 reads as rewritten:

19 "§ 55-1-22. Filing, service, and copying fees.

22		permitted to be filed by this Chapter	10.00.

23 (b) The Secretary of State shall collect a fee of ten dollars (\$10.00) each time
 24 process is served on ~~him~~ the Secretary under this Chapter. The party to a proceeding
 25 causing service of process is entitled to recover this fee as costs if ~~he~~ the party prevails
 26 in the proceeding.

27 (c) The Secretary of State shall collect the following fees for copying, comparing,
 28 and certifying a copy of any filed document relating to a domestic or foreign
 29 corporation:

30 (1) One dollar (\$1.00) a page for copying or comparing a copy to the
 31 original; and

32 (2) Five dollars (\$5.00) for the certificate."

33 Section 5. G.S. 55A-1-22 reads as rewritten:

34 "**§ 55A-1-22. Filing, service, and copying fees.**

35 (a) The Secretary of State shall collect the following fees when the documents
 36 described in this subsection are delivered to the Secretary for filing:

37		Document	Fee
38	(1)	Articles of incorporation	\$50.00
39	(2)	Application for reserved name	\$10.00
40	(3)	Notice of transfer of reserved name	\$10.00
41	(4)	Application for registered name	\$10.00
42	(5)	Application for renewal of registered	
43		name	\$10.00
44	(6)	Corporation's statement of change of	

1		registered agent or registered office or	
2		both	\$ 5.00
3	(7)	Agent's statement of change of registered	
4		office for each affected corporation	\$ 5.00
5	(8)	Agent's statement of resignation	No fee
6	(9)	Designation of registered agent or	
7		registered office or both	\$ 5.00
8	(10)	Amendment of articles of incorporation	\$25.00
9	(11)	Restated articles of incorporation without	
10		amendment of articles	\$10.00
11	(12)	Restated articles of incorporation with	
12		amendment of articles	\$25.00
13	(13)	Articles of merger	\$25.00
14	(14)	Articles of dissolution	\$15.00
15	(15)	Articles of revocation of dissolution	\$10.00
16	(16)	Certificate of administrative dissolution	No fee
17	(17)	Application for reinstatement following	
18		administrative dissolution	\$25.00
19			<u>\$100.00</u>
20	(18)	Certificate of reinstatement	No fee
21	(19)	Certificate of judicial dissolution	No fee
22	(20)	Application for certificate of authority	\$100.00
23	(21)	Application for amended certificate of	
24		authority	\$25.00
25	(22)	Application for certificate of withdrawal	\$10.00
26	(23)	Certificate of revocation of authority to	
27		conduct affairs	No fee
28	(24)	Corporation's Statement of Change of	
29		Principal Office	\$5.00
30	(24a)	Designation of Principal Office Address	\$5.00
31	(25)	Articles of correction	\$10.00
32	(26)	Application for certificate of existence or	
33		authorization	\$ 5.00
34	(27)	Any other document required or	
35		permitted to be filed by this Chapter	\$10.00.

36 (b) The Secretary of State shall collect a fee of ten dollars (\$10.00) each time
 37 process is served on the Secretary under this Chapter. The party to a proceeding
 38 causing service of process is entitled to recover this fee as costs if the party prevails in
 39 the proceeding.

40 (c) The Secretary of State shall collect the following fees for copying, comparing,
 41 and certifying a copy of any filed document relating to a domestic or foreign
 42 corporation:

- 43 (1) One dollar (\$1.00) a page for copying or comparing a copy to the
 44 original; and

1 (2) Five dollars (\$5.00) for the certificate."

2 Section 6. G.S. 57C-1-22 reads as rewritten:

3 "**§ 57C-1-22. Filing, service, and copying fees.**

4 (a) The Secretary of State shall collect the following fees when the documents
5 described in this subsection are delivered to the Secretary of State for filing:

6	<u>Document</u>	<u>Fee</u>
7	(1) Articles of organization	\$100.00
8	(2) Application for reserved name	10.00
9	(3) Notice of transfer of reserved name	10.00

41	(24) Application for certificate of existence	
42	or authorization	5.00
43	(25) Annual report	200.00
44	(26) Any other document required or permitted	

1 to be filed by this Chapter 10.00.

2 (b) The Secretary of State shall collect a fee of ten dollars (\$10.00) each time
3 process is served on the Secretary of State under this Chapter. The party to a
4 proceeding causing service of process is entitled to recover this fee as costs if ~~he the~~
5 party prevails in the proceeding.

6 (c) The Secretary of State shall collect the following fees for copying, comparing,
7 and certifying a copy of any filed document relating to a domestic or foreign limited
8 liability company:

9 (1) One dollar (\$1.00) a page for copying or comparing a copy to the
10 original; and

11 (2) Five dollars (\$5.00) for the certificate."

12 PART II. ANNUAL CORPORATE REPORT.

13 Section 7. G.S. 55-16-22 reads as rewritten:

14 "~~§ 55-16-22. Annual report for Secretary of State report.~~

15 (a) ~~Each~~ Except as provided in subsections (a1) and (a2) of this section, each
16 domestic corporation except those governed by Chapter 55B, and each foreign
17 corporation authorized to transact business in this State, State shall deliver to the
18 Secretary of State for filing an annual report that sets forth: an annual report to the
19 Secretary of Revenue.

20 (a1) Each insurance company subject to the provisions of Chapter 58 of the
21 General Statutes shall deliver an annual report to the Secretary of State.

22 (a2) A domestic corporation governed by Chapter 55B of the General Statutes is
23 exempt from this section.

24 (a3) The annual report required by this section shall be in a form jointly
25 prescribed by the Secretary of Revenue and the Secretary of State. The Secretary of
26 Revenue shall provide the form needed to file an annual report. The annual report
27 shall set forth all of the following:

28 (1) The name of the corporation and the state or country under whose
29 law it is ~~incorporated;~~ incorporated.

30 (2) The street address, and the mailing address if different from the
31 street address, of the registered office, the county in which its
32 registered office is located, and the name of its registered agent at
33 that office in this State, and a statement of any change of such
34 registered office or registered agent, or ~~both;~~ both.

35 (3) The address and telephone number of its principal ~~office;~~ office.

36 (4) The names, titles, and business addresses of its principal ~~officers;~~
37 officers.

38 ~~(4a) The names and business addresses of its directors; and~~

39 (5) A brief description of the nature of its business.

40 If the information contained in the most recently filed annual report has not changed,
41 a certification to that effect may be made instead of setting forth the information
42 required by subdivisions (2) through (5) of this subsection.

43 (b) Information in the annual report must be current as of the date the annual
44 report is executed on behalf of the corporation.

1 (c) ~~The annual report shall be delivered to the Secretary of State each year within~~
2 ~~60 days immediately following the last day of the month in which the domestic~~
3 ~~corporation was incorporated or the foreign corporation received a certificate of~~
4 ~~authority in this State. Forms required for the filing of the annual report shall be~~
5 ~~mailed by the Secretary of State to the domestic or foreign corporation at its~~
6 ~~registered office for the first annual report, then to its principal office for subsequent~~
7 ~~annual reports.~~ An annual report required to be delivered to the Secretary of
8 Revenue is due by the due date for filing the corporation's income and franchise tax
9 returns. An extension of time to file a return is an extension of time to file an annual
10 report. An annual report required to be delivered to the Secretary of State is due by
11 the fifteenth day of the third month following the close of the corporation's fiscal
12 year.

13 (d) If an annual report does not contain the information required by this section,
14 the Secretary of State shall promptly notify the reporting domestic or foreign
15 corporation in writing and return the report to it for correction. If the report is
16 corrected to contain the information required by this section and delivered to the
17 Secretary of State within 30 days after the effective date of notice, it is deemed to be
18 timely filed.

19 (e) Amendments to any previously filed annual report may be filed with the
20 Secretary of State at any time for the purpose of correcting, updating, or augmenting
21 the information contained in ~~such~~ the annual report.

22 (f) Expired.

23 (g) When a statement of change of registered office or registered agent is filed in
24 the annual report, the change shall become effective when the statement is received
25 by the Secretary of State.

26 (h) If the Secretary of State does not receive an annual report within 120 days of
27 the date the return is due, the Secretary of State may presume that the annual report
28 is delinquent. This presumption may be rebutted by receipt of the annual report
29 from the Secretary of Revenue or by evidence of delivery presented by the filing
30 corporation."

31 Section 8. G.S. 55-1-21(a) reads as rewritten:

32 "(a) The Secretary of State may promulgate and furnish on request forms ~~for~~ for
33 the following:

- 34 (1) An application for a certificate of ~~existence~~; existence.
- 35 (2) A foreign corporation's application for a certificate of authority to
36 transact business in this ~~State~~; State.
- 37 (3) A foreign corporation's application for a certificate of ~~withdrawal~~;
38 and withdrawal.
- 39 (4) ~~The annual report.~~

40 If the Secretary of State so requires, use of these forms is mandatory."

41 Section 9. G.S. 55-1-22(a), as amended by Section 4 of this act, reads as
42 rewritten:

43 "(a) The Secretary of State shall collect the following fees when the documents
44 described in this subsection are delivered to the Secretary for filing:

	Document	Fee
1		
2	(1) Articles of incorporation	\$100.00
3	(2) Application for reserved name	10.00
4	(3) Notice of transfer of reserved name	10.00
5	(4) Application for registered name	10.00
6	(5) Application for renewal of	
7	registered name	10.00
8	(6) Corporation's statement of change of	
9	registered agent or registered	
10	office or both	5.00
11	(7) Agent's statement of change of	
12	registered office for each affected	
13	corporation	5.00
14	(8) Agent's statement of resignation	No fee
15	(9) Designation of registered agent or	
16	registered office or both	5.00
17	(10) Amendment of articles of	
18	incorporation	50.00
19	(11) Restated articles of incorporation	10.00
20	with amendment of articles	50.00
21	(12) Articles of merger or share exchange	50.00
22	(13) Articles of dissolution	30.00
23	(14) Articles of revocation of	
24	dissolution	10.00
25	(15) Certificate of administrative	
26	dissolution	No fee
27	(16) Repealed.	
28	(17) Certificate of reinstatement	No fee
29	(18) Certificate of judicial dissolution	No fee
30	(19) Application for certificate of	
31	authority	200.00
32	(20) Application for amended certificate	
33	of authority	50.00
34	(21) Application for certificate of	
35	withdrawal	10.00
36	(22) Certificate of revocation of	
37	authority to transact business	No fee
38	(23) Annual report	10.00
39		<u>20.00</u>
40	(24) Articles of correction	10.00
41	(25) Application for certificate of	
42	existence or authorization	5.00
43	(26) Any other document required or	
44	permitted to be filed by this Chapter	10.00."

1 Section 10. G.S. 55-1-28(b)(4) reads as rewritten:

2 "(4) That its most recent annual report required by G.S. 55-16-22 has
3 either been delivered to the Secretary of State; State or is not
4 delinquent;".

5 Section 11. G.S. 55-14-20(2) reads as rewritten:

6 "(2) The corporation ~~does not deliver its annual report to the Secretary~~
7 ~~of State within 60 days after it is due; is delinquent in delivering its~~
8 annual report;".

9 Section 12. G.S. 55-15-30(a)(1) reads as rewritten:

10 "(1) The foreign corporation ~~does not deliver its annual report to the~~
11 ~~Secretary of State within 60 days after it is due; is delinquent in~~
12 delivering its annual report;".

13 Section 13. G.S. 55-16-01(e)(7) reads as rewritten:

14 "(7) Its most recent annual report delivered ~~to the Secretary of State~~
15 ~~under as required by G.S. 55-16-22."~~

16 Section 14. G.S. 57C-2-23 reads as rewritten:

17 "**§ 57C-2-23. Annual report for Secretary of State.**

18 (a) Each domestic limited liability company and each foreign limited liability
19 company authorized to transact business in this State, shall deliver to the Secretary of
20 State for filing an annual ~~report~~ report, in a form jointly prescribed by the Secretary
21 of Revenue and Secretary of State, that sets forth: forth all of the following:

22 (1) The name of the limited liability or foreign limited liability
23 company and the state or country under whose law it is ~~organized;~~
24 organized.

25 (2) The street address, and the mailing address if different from the
26 street address, of the registered office, the county in which the
27 registered office is located, and the name of its registered agent at
28 that office in this State, and a statement of any change of the
29 registered office or registered agent, or ~~both; both.~~

30 (3) The address and telephone number of its principal ~~office; office.~~

31 (4) The names and business addresses of its ~~managers; and managers.~~

32 (5) A brief description of the nature of its business.

33 If the information contained in the most recently filed annual report has not changed,
34 a certification to that effect may be made instead of setting forth the information
35 required by subdivisions (2) through (5) of this subsection. The Secretary of State
36 shall make available the form required to file an annual report.

37 (b) Information in the annual report must be current as of the date the annual
38 report is executed on behalf of the limited liability company or the foreign limited
39 liability company.

40 (c) The annual report shall be delivered to the Secretary of State ~~each year within~~
41 ~~60 days immediately following the last day of the month in which the domestic~~
42 ~~limited liability company was organized or the foreign limited liability company~~
43 ~~received a certificate of authority in this State. Forms required for the filing of the~~
44 ~~annual report shall be mailed by the Secretary of State to the domestic or foreign~~

1 ~~limited liability company at its registered office for the first annual report, and then~~
2 ~~to its principal office for subsequent annual reports. by the fifteenth day of the fourth~~
3 ~~month following the close of the limited liability company's fiscal year.~~

4 (d) If an annual report does not contain the information required by this section,
5 the Secretary of State shall promptly notify the reporting domestic or foreign limited
6 liability company in writing and return the report to it for correction. If the report is
7 corrected to contain the information required by this section and delivered to the
8 Secretary of State within 30 days after the effective date of notice, it is deemed to be
9 timely filed.

10 (e) Amendments to any previously filed annual report may be filed with the
11 Secretary of State at any time for the purpose of correcting, updating, or augmenting
12 the information contained in the annual report."

13 Section 15. G.S. 57C-1-22(b) reads as rewritten:

14 "(b) The Secretary of State shall collect a fee of ten dollars (\$10.00) each time
15 process is served on the Secretary of State under this Chapter. The party to a
16 proceeding causing service of process is entitled to recover this fee as costs if ~~he~~ the
17 party prevails in the proceeding."

18 Section 16. G.S. 57C-3-25(a) reads as rewritten:

19 "(a) Any person dealing with a limited liability company or a foreign limited
20 liability company may rely conclusively upon its most recent annual report and any
21 amendments ~~thereto filed with~~ to it on file with the Secretary of State ~~pursuant to~~
22 ~~G.S. 57C-2-23~~ as to the identity of its managers, except to the extent the person has
23 actual knowledge that a person identified therein as a manager is not a manager."

24 Section 17. G.S. 105-228.90(a) reads as rewritten:

25 "(a) Scope. -- This Article applies to Subchapters I, V, and VIII of this ~~Chapter~~
26 Chapter, to the annual report filing requirements of G.S. 55-16-22, and to inspection
27 taxes levied under Article 3 of Chapter 119 of the General Statutes."

28 Section 18. Article 9 of Chapter 105 of the General Statutes is amended
29 by adding a new section to read:

30 "**§ 105-257.1. Secretary to administer annual report filing; fee for filing report.**

31 (a) Filing Duty. -- The Secretary must submit the annual reports filed with the
32 Secretary pursuant to G.S. 55-16-22 to the Secretary of State.

33 (b) Fee. -- A corporation that files an annual report with the Secretary must pay a
34 fee of twenty dollars (\$20.00) with its annual report. The fees collected under this
35 subsection shall be credited to the General Fund as tax revenue."

36 Section 19. G.S. 105-259 reads as rewritten:

37 "**§ 105-259. Secrecy required of officials; penalty for violation.**

38 (a) Definitions. -- The following definitions apply in this section:

39 (1) Employee or officer. -- The term includes a former employee, a
40 former officer, and a current or former member of a State board or
41 commission.

42 (2) Tax information. -- Any information from any source concerning
43 the liability of a taxpayer for a tax, as defined in G.S. 105-228.90.
44 The term includes the following:

- 1 a. Information contained on a tax return, a tax report, or an
2 application for a license for which a tax is imposed.
3 b. Information obtained through an audit of a taxpayer or by
4 correspondence with a taxpayer.
5 c. Information on whether a taxpayer has filed a tax return or
6 a tax report.
7 d. A list or other compilation of the names, addresses, social
8 security numbers, or similar information concerning
9 taxpayers.

10 The term does not include (i) statistics classified so that
11 information about specific taxpayers cannot be ~~identified or (ii)~~
12 identified, (ii) an annual report required to be filed under G.S. 55-
13 16-22 or (iii) information submitted to the Business License
14 Information Office of the Department of Secretary of State on a
15 master application form for various business licenses.

16 (b) Disclosure Prohibited. -- An officer, an employee, or an agent of the State who
17 has access to tax information in the course of service to or employment by the State
18 may not disclose the information to any other person unless the disclosure is made
19 for one of the following purposes:

- 20 (1) To comply with a court order or a law.
21 (2) Review by the Attorney General or a representative of the
22 Attorney General.
23 (3) Review by a tax official of another state or the Internal Revenue
24 Commissioner of the United States to aid the state or the
25 Commissioner in collecting a tax imposed by this State, the other
26 state, or the United States if the laws of the other state or the
27 United States allow the state or the United States to provide
28 similar tax information to a representative of this State.
29 (4) To provide a governmental agency or an officer of an organized
30 association of taxpayers with a list of taxpayers who have paid a
31 privilege license tax under Article 2 of this Chapter.
32 (5) To furnish to the chair of a board of county commissioners
33 information on the county sales and use tax.
34 (6) To sort, process, or deliver tax information on behalf of the
35 Department of Revenue.
36 (6a) To furnish the chair of a board of county commissioners a list of
37 claimants that have received a refund of the county sales or use tax
38 to the extent authorized in G.S. 105- 164.14(f).
39 (7) To exchange information with the Division of Motor Vehicles of
40 the Department of Transportation when the information is needed
41 to fulfill a duty imposed on the Department of Revenue or the
42 Division of Motor Vehicles.
43 (8) To furnish to the Department of State Treasurer, upon request, the
44 name, address, and account and identification numbers of a

- 1 taxpayer who may be entitled to property held in the Escheat
2 Fund.
- 3 (9) To furnish to the Employment Security Commission the name,
4 address, and account and identification numbers of a taxpayer
5 when the information is requested by the Commission in order to
6 fulfill a duty imposed under Article 2 of Chapter 96 of the General
7 Statutes.
- 8 (10) Review by the State Auditor to the extent authorized in G.S. 147-
9 64.7.
- 10 (11) To give a spouse who elects to file a joint tax return a copy of the
11 return or information contained on the return.
- 12 (11a) To provide a copy of a return to the taxpayer who filed the return.
- 13 (11b) In the case of a return filed by a corporation, a partnership, a trust,
14 or an estate, to provide a copy of the return or information on the
15 return to a person who has a material interest in the return if,
16 under the circumstances, section 6103(e)(1) of the Code would
17 require disclosure to that person of any corresponding federal
18 return or information.
- 19 (11c) In the case of a return of an individual who is legally incompetent
20 or deceased, to provide a copy of the return to the legal
21 representative of the estate of the incompetent individual or
22 decedent.
- 23 (12) To contract with a financial institution for the receipt of withheld
24 income tax payments under G.S. 105-163.6 or for the transmittal of
25 payments by electronic funds transfer.
- 26 (13) To furnish the Fiscal Research Division of the General Assembly,
27 upon request, a sample, suitable in character, composition, and size
28 for statistical analyses, of tax returns or other tax information from
29 which taxpayers' names and identification numbers have been
30 removed.
- 31 (14) To exchange information concerning a tax imposed by Subchapter
32 V of this Chapter with the Standards Division of the Department
33 of Agriculture when the information is needed to administer the
34 Gasoline and Oil Inspection Act, Article 3 of Chapter 119 of the
35 General Statutes.
- 36 (15) To exchange information concerning a tax imposed by Articles 2A,
37 2B, 2C, or 2D of this Chapter with one of the following agencies
38 when the information is needed to fulfill a duty imposed on the
39 agency:
- 40 a. The North Carolina Alcoholic Beverage Control
41 Commission.
- 42 b. The Division of Alcohol Law Enforcement of the
43 Department of Crime Control and Public Safety.

- 1 c. The Bureau of Alcohol, Tobacco, and Firearms of the
2 United States Treasury Department.
- 3 (16) To furnish to the Department of Secretary of State the name,
4 address, tax year end, and account and identification numbers of a
5 corporation liable for corporate income or franchise taxes or of a
6 limited liability company liable for a corporate or a partnership tax
7 return to enable the Secretary of State to notify the corporation or
8 the limited liability company of the annual report filing
9 requirement or that its articles of incorporation or articles of
10 organization or its certificate of authority has been suspended.
- 11 (17) To inform the Business License Information Office of the
12 Department of Secretary of State of the status of an application for
13 a license for which a tax is imposed and of any information needed
14 to process the application.
- 15 (18) To furnish to the Office of the State Controller the name, address,
16 and account and identification numbers of a taxpayer upon request
17 to enable the State Controller to verify statewide vendor files or
18 track debtors of the State.
- 19 (19) To furnish to the North Carolina Industrial Commission
20 information concerning workers' compensation reported to the
21 Secretary under G.S. 105-163.7.

22 (c) Punishment. -- A person who violates this section is guilty of a Class 1
23 misdemeanor. If the person committing the violation is an officer or employee, that
24 person shall be dismissed from public office or public employment and may not hold
25 any public office or public employment in this State for five years after the violation."

26 Section 20. There is appropriated from the General Fund to the
27 Department of Revenue the sum of one hundred seventy-eight thousand three
28 hundred seventy-one dollars (\$178,371) for the 1997-98 fiscal year, allocated as one
29 hundred twelve thousand one hundred seventy-one dollars (\$112,171) recurring funds
30 and sixty-six thousand two hundred dollars (\$66,200) nonrecurring funds, for the
31 costs associated with collecting and transmitting the annual corporate reports.

32 PART III. EFFECTIVE DATES.

33 Section 21. (a) Sections 1 through 6 and Sections 19 through 21 of this
34 act become effective July 1, 1997. The remainder of this act becomes effective
35 January 1, 1998, and applies to tax years ending on or after December 31, 1997, in
36 the case of corporations required to file annual reports with the Secretary of Revenue
37 and to fiscal years ending on or after December 31, 1997, in the case of corporations
38 required to file annual reports with the Secretary of State.

39 (b) Annual reports delivered to either the Secretary of State or the
40 Secretary of Revenue after December 31, 1997, but before January 1999, shall
41 nevertheless be deemed filed with the correct State agency. The Secretary of State
42 shall notify the Secretary of Revenue of reports erroneously filed with the Secretary
43 of State, and the Secretary of Revenue shall notify the Secretary of State of reports
44 erroneously filed with the Secretary of Revenue.

SENATE FINANCE COMMITTEE

MONDAY, APRIL 14, 1997

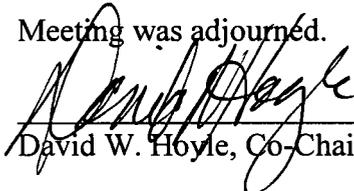

4:00 P. M. - ROOM 643 LOB

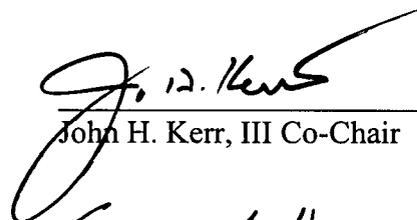

The Senate Finance Committee met. There were 20 members of the committee present. Senator David W. Hoyle, Co-Chairman, called the meeting to order.

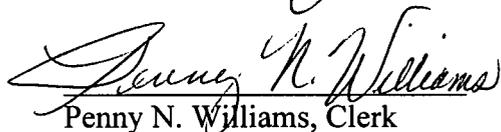

S. B. 727 - Insurance Regulatory Charge

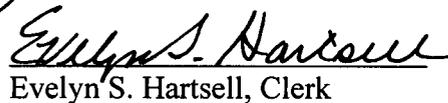

Senator Brad Miller came to explain the bill. Senator Kerr moved for adoption of proposed committee substitute to the bill, motion passed. Senator Kerr has a proposed amendment to the bill, however, he asked that we leave Senate Bill 158 intact and put the fees in this bill, motion passed. Senator Rand made a motion that proposed committee substitute for S. B. 727 be rolled into another committee substitute with Sen. Kerr's amendment and be given a "favorable" report, motion passed. Bill is to be re-referred to Appropriations.

Meeting was adjourned.

David W. Hoyle, Co-Chair

John H. Kerr, III Co-Chair

1

SENATE BILL 727

Short Title: Insurance Regulatory Charge.

(Public)

Sponsors: Senator Miller.

Referred to: Finance.

April 7, 1997

A BILL TO BE ENTITLED

1
2 AN ACT TO SET THE INSURANCE REGULATORY CHARGE FOR
3 CALENDAR YEAR 1997 AND TO CLARIFY THE BASIS OF THE PREMIUM
4 TAX LIABILITY ON WHICH THE CHARGE IS LEVIED.

5 The General Assembly of North Carolina enacts:

6 Section 1. The percentage rate to be used in calculating the insurance
7 regulatory charge under G.S. 58-6-25 is eight and one-half percent (8.5%) for the
8 1997 calendar year.

9 Section 2. G.S. 58-6-25(a) reads as rewritten:

10 "(a) Charge Levied. -- There is levied on each insurance company an annual
11 charge for the purposes stated in subsection (d) of this section. As used in this
12 section, the term 'insurance company' means a company that pays the gross
13 premiums tax levied in G.S. 105-228.5 and G.S. 105-228.8, ~~except that the term does~~
14 ~~not include a hospital, medical, or dental service corporation regulated under Articles~~
15 ~~65 and 66 of this Chapter. The term "insurance company" does not include a~~
16 ~~company regulated under Article 67 of this Chapter. for service corporations and~~
17 health maintenance organizations under Articles 65 and 67 of this Chapter. The
18 charge levied in this section is in addition to all other fees and taxes. The charge shall
19 be at a percentage rate of the company's premium tax liability for the taxable year. In
20 determining an insurance company's premium tax liability for a taxable year,
21 additional taxes imposed by ~~G.S. 105-228.8 and~~ G.S. 105-228.8, the additional local
22 fire and lightning tax imposed by ~~G.S. 105-228.5(d)(4)~~ G.S. 105-228.5(d)(4), and any
23 tax credits for guaranty or solvency fund assessments under G.S. 105-228.5A or G.S.
24 97-133(a) shall be disregarded."

1 Section 3. G.S. 97-133(a)(2) reads as rewritten:

2 "(2) Assess each member of the Association as follows:

- 3 a. Each individual member self-insurer shall be annually
4 assessed an amount equal to one-quarter of one percent
5 (0.25%) of the annual standard premium that would have
6 been paid by that member self-insurer for workers'
7 compensation insurance during the prior calendar year; and
8 payment to the Association shall be made no later than
9 September 15 following the close of that calendar year.
10 Where any such assessment is paid based in whole or in part
11 upon estimates of annual standard premium for the prior
12 calendar year, there shall be made in the next year's
13 assessment an adjustment of the assessment of such prior
14 year based on actual audited annual standard premium.
15 Each group member self-insurer shall be annually assessed
16 an amount equal to one-quarter of one percent (0.25%) of
17 the annual premium collected by the group member self-
18 insurer during the prior calendar year; and payment to the
19 Association shall be made no later than September 15
20 following the close of that calendar year. Regardless of the
21 size of the Fund, during its first 12 months of membership,
22 no member self-insurer may discount or reduce this one-
23 quarter of one percent (0.25%) assessment. Assessments paid
24 by members pursuant to this subdivision shall be credited
25 toward the tax paid by self-insurers under ~~G.S. 105-228.5~~
26 ~~and G.S. 97-100.~~ Article 8B of Chapter 105 of the General
27 Statutes.
- 28 b. Each member self-insurer shall be notified of the assessment
29 no later than 30 days before it is due.
- 30 c. If a self-insurer is a member of the Association for less than
31 a full calendar year, the annual standard premium shall be
32 adjusted by that portion of the year the self-insurer is not a
33 member of the Association.
- 34 d. If application of the contribution rates referenced in sub-
35 subdivisions a. and b. of this subdivision would produce an
36 amount in excess of the five million dollar (\$5,000,000)
37 limits of the fund, an equitable proration may be made;
38 provided that every self-insurer that becomes a member of
39 the Association shall pay an initial assessment, in an amount
40 established by the Board, regardless of the size of the fund
41 at the time the member joins the Association."

42 Section 4. G.S. 97-133(a)(4) reads as rewritten:

43 "(4) Be obligated to the extent of covered claims occurring prior to the
44 determination of the member self-insurer's insolvency, or occurring

1 after such determination but prior to the obtaining by the self-
2 insurer of workers' compensation insurance as otherwise required
3 under this Chapter. The Association shall pay claims against a
4 self-insurer that are not or have not been paid as a result of a
5 determination of insolvency or the institution of bankruptcy or
6 receivership proceedings that occurred prior to the effective date
7 of this Article; ~~provided that any assessments made to pay such~~
8 ~~claims may be credited towards the tax paid by the self-insurers~~
9 ~~under G.S. 97-100; Article. Any assessments made to those claims~~
10 described in this subdivision may be credited toward the tax paid
11 by self-insurers under Article 8B of Chapter 105 of the General
12 Statutes."

13 Section 5. This act is effective when it becomes law.

GENERAL ASSEMBLY OF NORTH CAROLINA

SESSION 1997

S

D

SENATE BILL 727
Proposed Senate Finance Committee Substitute
S727-CSLJX-4/14

Short Title: Fees To Implement State Budget.

(Public)

Sponsors:

Referred to: Finance.

April 7, 1997

1 A BILL TO BE ENTITLED
2 AN ACT TO IMPLEMENT THE RECOMMENDATIONS OF THE GENERAL STATUTES
3 COMMISSION CONCERNING APPLICATIONS FOR REINSTATEMENT AFTER
4 DISSOLUTION AND THE FILING OF CORPORATE REPORTS, AND TO
5 IMPLEMENT THE RECOMMENDATIONS OF THE COMMITTEE ON
6 APPROPRIATIONS BY ESTABLISHING THE PERCENTAGE RATES FOR THE
7 INSURANCE REGULATORY CHARGE AND THE PUBLIC UTILITY REGULATORY
8 FEE, BY CLARIFYING THE BASIS OF THE PREMIUM TAX LIABILITY ON
9 WHICH THE INSURANCE REGULATORY CHARGE IS LEVIED, BY INCREASING
10 COURT FEES IN CRIMINAL CASES, AND BY INCREASING THE FEES FOR
11 FILING CERTAIN DOCUMENTS.
12 The General Assembly of North Carolina enacts:
13 Section 1. The percentage rate to be used in
14 calculating the insurance regulatory charge under G.S. 58-6-25 is
15 eight and seventy-five hundredths percent (8.75%) for the 1997
16 calendar year.
17 Section 2. G.S. 58-6-25(a) reads as rewritten:
18 "(a) Charge Levied. -- There is levied on each insurance
19 company an annual charge for the purposes stated in subsection
20 (d) of this section. As used in this section, the term 'insurance
21 company' means a company that pays the gross premiums tax levied

1 in G.S. 105-228.5 and G.S. 105-228.8, except that the term does
2 not include a hospital, medical, or dental service corporation
3 regulated under Articles 65 and 66 of this Chapter. The term
4 "insurance company" does not include a company regulated under
5 Article 67 of this Chapter. a service corporation subject to
6 Article 65 of this Chapter. A health maintenance organization
7 subject to Article 67 of this Chapter is not subject to those
8 taxes and is therefore not subject to the charge levied in this
9 section. The charge levied in this section is in addition to all
10 other fees and taxes. The charge shall be at a percentage rate of
11 the company's premium tax liability for the taxable year. In
12 determining an insurance company's premium tax liability for a
13 taxable year, additional taxes imposed by ~~G.S. 105-228.8~~ and
14 G.S. 105-228.8, the additional local fire and lightning tax
15 imposed by G.S. 105-228.5(d)(4) G.S. 105-228.5(d)(4), and any tax
16 credits for guaranty or solvency fund assessments under G.S. 105-
17 228.5A or G.S. 97-133(a) shall be disregarded."

18 Section 3. G.S. 97-133(a)(2) reads as rewritten:

19 "(2) Assess each member of the Association as follows:

- 20 a. Each individual member self-insurer shall be
21 annually assessed an amount equal to one-
22 quarter of one percent (0.25%) of the annual
23 standard premium that would have been paid by
24 that member self-insurer for workers'
25 compensation insurance during the prior
26 calendar year; and payment to the Association
27 shall be made no later than September 15
28 following the close of that calendar year.
29 Where any such assessment is paid based in
30 whole or in part upon estimates of annual
31 standard premium for the prior calendar year,
32 there shall be made in the next year's
33 assessment an adjustment of the assessment of
34 such prior year based on actual audited annual
35 standard premium. Each group member self-
36 insurer shall be annually assessed an amount
37 equal to one-quarter of one percent (0.25%) of
38 the annual premium collected by the group
39 member self-insurer during the prior calendar
40 year; and payment to the Association shall be
41 made no later than September 15 following the
42 close of that calendar year. Regardless of
43 the size of the Fund, during its first 12
44 months of membership, no member self-insurer

1 may discount or reduce this one-quarter of one
2 percent (0.25%) assessment. Assessments paid
3 by members pursuant to this subdivision shall
4 be credited toward the tax paid by self-
5 insurers under ~~G.S. 105-228.5 and G.S. 97-100.~~
6 Article 8B of Chapter 105 of the General
7 Statutes.

- 8 b. Each member self-insurer shall be notified of
9 the assessment no later than 30 days before it
10 is due.
- 11 c. If a self-insurer is a member of the
12 Association for less than a full calendar
13 year, the annual standard premium shall be
14 adjusted by that portion of the year the self-
15 insurer is not a member of the Association.
- 16 d. If application of the contribution rates
17 referenced in sub-subdivisions a. and b. of
18 this subdivision would produce an amount in
19 excess of the five million dollar (\$5,000,000)
20 limits of the fund, an equitable proration may
21 be made; provided that every self-insurer that
22 becomes a member of the Association shall pay
23 an initial assessment, in an amount
24 established by the Board, regardless of the
25 size of the fund at the time the member joins
26 the Association."

27 Section 4. G.S. 97-133(a)(4) reads as rewritten:

28 "(4) Be obligated to the extent of covered claims
29 occurring prior to the determination of the member
30 self-insurer's insolvency, or occurring after such
31 determination but prior to the obtaining by the
32 self-insurer of workers' compensation insurance as
33 otherwise required under this Chapter. The
34 Association shall pay claims against a self-insurer
35 that are not or have not been paid as a result of a
36 determination of insolvency or the institution of
37 bankruptcy or receivership proceedings that
38 occurred prior to the effective date of this
39 ~~Article; provided that any assessments made to pay~~
40 ~~such claims may be credited towards the tax paid by~~
41 ~~the self-insurers under G.S. 97-100; Article."~~

42 Section 5. The percentage rate to be used in
43 calculating the public utility regulatory fee under G.S. 62-
44 302(b)(2) is nine hundredths percent (0.09%) of each public

1 utility's North Carolina jurisdictional revenues earned during
2 each quarter that begins on or after July 1, 1997.

3 Section 6. G.S. 7A-304 reads as rewritten:

4 "§ 7A-304. Costs in criminal actions.

5 (a) In every criminal case in the superior or district court,
6 wherein the defendant is convicted, or enters a plea of guilty or
7 nolo contendere, or when costs are assessed against the
8 prosecuting witness, the following costs shall be assessed and
9 collected, except that when the judgment imposes an active prison
10 sentence, costs shall be assessed and collected only when the
11 judgment specifically so provides, and that no costs may be
12 assessed when a case is dismissed.

13 (1) For each arrest or personal service of criminal
14 process, including citations and subpoenas, the sum
15 of five dollars (\$5.00), to be remitted to the
16 county wherein the arrest was made or process was
17 served, except that in those cases in which the
18 arrest was made or process served by a law-
19 enforcement officer employed by a municipality, the
20 fee shall be paid to the municipality employing the
21 officer.

22 (2) For the use of the courtroom and related judicial
23 facilities, the sum of six dollars (\$6.00) in the
24 district court, including cases before a
25 magistrate, and the sum of twenty-four dollars
26 (\$24.00) in superior court, to be remitted to the
27 county in which the judgment is rendered. In all
28 cases where the judgment is rendered in facilities
29 provided by a municipality, the facilities fee
30 shall be paid to the municipality. Funds derived
31 from the facilities fees shall be used exclusively
32 by the county or municipality for providing,
33 maintaining, and constructing adequate courtroom
34 and related judicial facilities, including:
35 adequate space and furniture for judges, district
36 attorneys, public defenders, magistrates, juries,
37 and other court related personnel; office space,
38 furniture and vaults for the clerk; jail and
39 juvenile detention facilities; free parking for
40 jurors; and a law library (including books) if one
41 has heretofore been established or if the governing
42 body hereafter decides to establish one. In the
43 event the funds derived from the facilities fees
44 exceed what is needed for these purposes, the

- 1 county or municipality may, with the approval of
2 the Administrative Officer of the Courts as to the
3 amount, use any or all of the excess to retire
4 outstanding indebtedness incurred in the
5 construction of the facilities, or to reimburse the
6 county or municipality for funds expended in
7 constructing or renovating the facilities (without
8 incurring any indebtedness) within a period of two
9 years before or after the date a district court is
10 established in such county, or to supplement the
11 operations of the General Court of Justice in the
12 county.
- 13 (3) For the retirement and insurance benefits of both
14 State and local government law-enforcement
15 officers, the sum of seven dollars and twenty-five
16 cents (\$7.25), to be remitted to the State
17 Treasurer. Fifty cents (50¢) of this sum shall be
18 administered as is provided in Article 12C of
19 Chapter 143 of the General Statutes. Five dollars
20 and seventy-five cents (\$5.75) of this sum shall be
21 administered as is provided in Article 12E of
22 Chapter 143 of the General Statutes, with one
23 dollar and twenty-five cents (\$1.25) being
24 administered in accordance with the provisions of
25 G.S. 143-166.50(e). One dollar (\$1.00) of this sum
26 shall be administered as is provided in Article 12F
27 of Chapter 143 of the General Statutes.
- 28 (3a) For the supplemental pension benefits of sheriffs,
29 the sum of seventy-five cents (75¢) to be remitted
30 to the Department of Justice and administered under
31 the provisions of Article 12G of Chapter 143 of the
32 General Statutes.
- 33 (4) For support of the General Court of Justice, the
34 sum of ~~forty-six dollars (\$46.00)~~ sixty-one dollars
35 (\$61.00) in the district court, including cases
36 before a magistrate, and the sum of ~~fifty-three~~
37 ~~dollars (\$53.00)~~ sixty-eight dollars (68.00) in the
38 superior court, to be remitted to the State
39 Treasurer.
- 40 (5) For using pretrial release services, the district
41 or superior court judge shall, upon conviction,
42 impose a fee of fifteen dollars (\$15.00) to be
43 remitted to the county providing the pretrial
44 release services. This cost shall be assessed and

- 1 collected only if the defendant had been accepted
2 and released to the supervision of the agency
3 providing the pretrial release services.
- 4 (6) For support of the General Court of Justice, for
5 the issuance by the clerk of a report to the
6 Division of Motor Vehicles pursuant to G.S. 20-
7 24.2, the sum of fifty dollars (\$50.00), to be
8 remitted to the State Treasurer. Upon a showing to
9 the court that the defendant failed to appear
10 because of an error or omission of a judicial
11 official, a prosecutor, or a law-enforcement
12 officer, the court shall waive this fee.
- 13 (a) The costs assessed pursuant to subsection (a) may also be
14 collected by clerks of court for charges in which a party elects
15 to pay the court's costs to satisfy the requirements of G.S. 20-
16 7.2. Costs collected pursuant to this subsection shall be
17 allocated in the same manner as other costs collected pursuant to
18 this section. ~~If a~~ A party who elects to pay the costs of court
19 to satisfy the requirements of G.S. 20-7.2 and is subsequently
20 adjudged guilty of the same charge by the court, ~~he shall~~ is not
21 ~~be~~ required to pay the costs of court again for that charge, but
22 ~~he~~ is subject to any other orders of the court, including an
23 order to pay a fine.
- 24 (b) On appeal, costs are cumulative, and costs assessed before
25 a magistrate shall be added to costs assessed in the district
26 court, and costs assessed in the district court shall be added to
27 costs assessed in the superior court, except that the fee for the
28 Law-Enforcement Officers' Benefit and Retirement Fund and the
29 Sheriffs' Supplemental Pension Fund and the fee for pretrial
30 release services shall be assessed only once in each case. No
31 superior court costs shall be assessed against a defendant who
32 gives notice of appeal from the district court but withdraws it
33 prior to the expiration of the 10-day period for entering notice
34 of appeal. When a case is reversed on appeal, the defendant shall
35 not be liable for costs, and the State shall be liable for the
36 cost of printing records and briefs in the Appellate Division.
- 37 (c) Witness fees, expenses for blood tests and comparisons
38 incurred by G.S. 8-50.1(a), jail fees and cost of necessary trial
39 transcripts shall be assessed as provided by law in addition to
40 other costs set out in this section. Nothing in this section
41 shall limit the power or discretion of the judge in imposing
42 fines or forfeitures or ordering restitution.
- 43 (d) In any criminal case in which the liability for costs,
44 fines, restitution, or any other lawful charge has been finally

1 determined, the clerk of superior court shall, unless otherwise
 2 ordered by the presiding judge, disburse such funds when paid in
 3 accordance with the following priorities:

- 4 (1) Costs due the county;
- 5 (2) Costs due the city;
- 6 (3) Fines to the county school fund;
- 7 (4) Sums in restitution prorated among the persons
 8 entitled thereto;
- 9 (5) Costs due the State;
- 10 (6) Attorney's fees.

11 Sums in restitution received by the clerk of superior court
 12 shall be disbursed when:

- 13 (1) Complete restitution has been received; or
- 14 (2) When, in the opinion of the clerk, additional
 15 payments in restriction will not be collected; or
- 16 (3) Upon the request of the person or persons entitled
 17 thereto; and
- 18 (4) In any event, at least once each calendar year.

19 (e) Unless otherwise provided by law, the costs assessed
 20 pursuant to this section for criminal actions disposed of in the
 21 district court are also applicable to infractions disposed of in
 22 the district court. The costs assessed in superior court for
 23 criminal actions appealed from district court to superior court
 24 are also applicable to infractions appealed to superior court. If
 25 an infraction is disposed of in the superior court pursuant to
 26 G.S. 7A-271(d), costs applicable to the original charge are
 27 applicable to the infraction."

28 Section 7. G.S. 55-1-22 reads as rewritten:

29 **§ 55-1-22. Filing, service, and copying fees.**

30 (a) The Secretary of State shall collect the following fees
 31 when the documents described in this subsection are delivered to
 32 him the Secretary for filing:

Document	Fee
34 (1) Articles of incorporation	\$100.00
35	<u>\$125.00</u>
36 (2) Application for reserved name	10.00
37 (3) Notice of transfer of reserved name	10.00
38 (4) Application for registered name	10.00
39 (5) Application for renewal of 40 registered name	10.00
41 (6) Corporation's statement of change of 42 registered agent or registered 43 office or both	5.00
44 (7) Agent's statement of change of	

1	registered office for each affected	
2	corporation	5.00
3	(8) Agent's statement of resignation	No fee
4	(9) Designation of registered agent or	
5	registered office or both	5.00
6	(10) Amendment of articles of	
7	incorporation	50.00
8	(11) Restated articles of incorporation	10.00
9	with amendment of articles	50.00
10	(12) Articles of merger or share exchange	50.00
11	(13) Articles of dissolution	30.00
12	(14) Articles of revocation of	
13	dissolution	10.00
14	(15) Certificate of administrative	
15	dissolution	No fee
16	(16) Application for reinstatement	
17	following administrative dissolution	25.00
18		<u>100.00</u>
19	(17) Certificate of reinstatement	No fee
20	(18) Certificate of judicial dissolution	No fee
21	(19) Application for certificate of	
22	authority	200.00
23		<u>250.00</u>
24	(20) Application for amended certificate	
25	of authority	50.00
26	(21) Application for certificate of	
27	withdrawal	10.00

34	existence or authorization	5.00
35	(26) Any other document required or	
36	permitted to be filed by this Chapter	10.00

37 .
 38 (b) The Secretary of State shall collect a fee of ten dollars
 39 (\$10.00) each time process is served on ~~him~~ the Secretary under
 40 this Chapter. The party to a proceeding causing service of
 41 process is entitled to recover this fee as costs if ~~he~~ the party
 42 prevails in the proceeding.

1 (c) The Secretary of State shall collect the following fees
 2 for copying, comparing, and certifying a copy of any filed
 3 document relating to a domestic or foreign corporation:

4 (1) One dollar (\$1.00) a page for copying or comparing
 5 a copy to the original; and

6 (2) Five dollars (\$5.00) for the certificate."

7 Section 8. G.S. 55A-1-22 reads as rewritten:

8 "**§ 55A-1-22. Filing, service, and copying fees.**

9 (a) The Secretary of State shall collect the following fees
 10 when the documents described in this subsection are delivered to
 11 the Secretary for filing:

Document	Fee
12 (1) Articles of incorporation	\$50.00
	<u>\$60.00</u>
15 (2) Application for reserved name	\$10.00
16 (3) Notice of transfer of reserved name	\$10.00
17 (4) Application for registered name	\$10.00
18 (5) Application for renewal of registered	
19 name	\$10.00
20 (6) Corporation's statement of change of	
21 registered agent or registered office or	
22 both	\$ 5.00
23 (7) Agent's statement of change of registered	
24 office for each affected corporation	\$ 5.00
25 (8) Agent's statement of resignation	No fee
26 (9) Designation of registered agent or	
27 registered office or both	\$ 5.00
28 (10) Amendment of articles of incorporation	\$25.00
29 (11) Restated articles of incorporation without	
30 amendment of articles	\$10.00
31 (12) Restated articles of incorporation with	
32 amendment of articles	\$25.00
33 (13) Articles of merger	\$25.00
34 (14) Articles of dissolution	\$15.00
35 (15) Articles of revocation of dissolution	\$10.00
36 (16) Certificate of administrative dissolution	No fee
37 (17) Application for reinstatement following	
38 administrative dissolution	\$25.00
	<u>\$100.00</u>
40 (18) Certificate of reinstatement	No fee
41 (19) Certificate of judicial dissolution	No fee
42 (20) Application for certificate of authority	\$100.00
	<u>\$125.00</u>
44 (21) Application for amended certificate of	

1	authority	\$25.00
2	(22) Application for certificate of withdrawal	\$10.00
3	(23) Certificate of revocation of authority to	
4	conduct affairs	No fee
5	(24) Corporation's Statement of Change of	
6	Principal Office	\$5.00
7	(24a) Designation of Principal Office Address	\$5.00
8	(25) Articles of correction	\$10.00
9	(26) Application for certificate of existence or	
10	authorization	\$ 5.00
11	(27) Any other document required or	
12	permitted to be filed by this Chapter	\$10.00."
13	Section 9. G.S. 57C-1-22 reads as rewritten:	
14	"§ 57C-1-22. Filing, service, and copying fees.	
15	(a) The Secretary of State shall collect the following fees	
16	when the documents described in this subsection are delivered to	
17	the Secretary of State for filing:	
18	<u>Document</u>	<u>Fee</u>
19	(1) Articles of organization	\$100.00
20		\$125.00
21	(2) Application for reserved name	10.00
22	(3) Notice of transfer of reserved name	10.00

41	(15) Articles of revocation of dissolution	10.00
42	(16) Certificate of administrative dissolution	No fee
43	<u>(16a) Application for reinstatement following</u>	
44	<u>administrative dissolution</u>	<u>100.00</u>

1	(17) Certificate of reinstatement	No fee
2	(18) Certificate of judicial dissolution	No fee
3	(19) Application for certificate of authority	<u>200.00</u>
4		<u>250.00</u>
5	(20) Application for amended certificate	
6	of authority	50.00
7	(21) Application for certificate of withdrawal	10.00
8	(22) Certificate of revocation of authority	
9	to transact business	No fee
10	(23) Articles of correction	10.00
11	(24) Application for certificate of existence	
12	or authorization	5.00
13	(25) Annual report	200.00
14	(26) Any other document required or permitted	
15	to be filed by this Chapter	10.00

17 (b) The Secretary of State shall collect a fee of ten dollars
 18 (\$10.00) each time process is served on the Secretary of State
 19 under this Chapter. The party to a proceeding causing service of
 20 process is entitled to recover this fee as costs if ~~he~~ the party
 21 prevails in the proceeding.

22 (c) The Secretary of State shall collect the following fees
 23 for copying, comparing, and certifying a copy of any filed
 24 document relating to a domestic or foreign limited liability
 25 company:

- 26 (1) One dollar (\$1.00) a page for copying or comparing
 - 27 a copy to the original; and
 - 28 (2) Five dollars (\$5.00) for the certificate."
- 29 Section 10. G.S. 105-228.90(a) reads as rewritten:

30 "(a) Scope. -- This Article applies to Subchapters I, V, and
 31 VIII of this ~~Chapter~~ Chapter, to the annual report filing
 32 requirements of G.S. 55-16-22, and to inspection taxes levied
 33 under Article 3 of Chapter 119 of the General Statutes."

34 Section 11. Article 9 of Chapter 105 of the General
 35 Statutes is amended by adding a new section to read:

36 "§ 105-256.1. Corporate annual report.

37 A charge of twenty dollars (\$20.00) is imposed on a corporation
 38 that files its annual report with the Secretary. The charge must
 39 be paid when the annual report is filed. Amounts collected under
 40 this section shall be credited to the General Fund as tax
 41 revenue. The Secretary must transmit an annual report filed with
 42 the Secretary in accordance with G.S. 55-16-22 to the Secretary
 43 of State.

44 Section 12. G.S. 55-14-22(a) reads as rewritten:

1 "(a) A corporation administratively dissolved under G.S. 55-14-
2 21 may apply to the Secretary of State for reinstatement ~~within~~
3 ~~two years not later than five years~~ after the effective date of
4 dissolution. The application must:

- 5 (1) Recite the name of the corporation and the
6 effective date of its administrative dissolution;
7 and
- 8 (2) State that the ground or grounds for dissolution
9 either did not exist or have been eliminated.
- 10 (3) Reserved.
- 11 (4) Repealed by Session Laws 1995, c. 539, s. 6."

12 Section 13. G.S. 55A-14-22(a) reads as rewritten:

13 "(a) A corporation administratively dissolved under G.S. 55A-
14 14-21 may apply to the Secretary of State for reinstatement
15 ~~within two years not later than five years~~ after the effective
16 date of dissolution. The application shall:

- 17 (1) Recite the name of the corporation and the
18 effective date of its administrative dissolution;
19 and
- 20 (2) State that the ground or grounds for dissolution
21 either did not exist or have been eliminated."

22 Section 14. G.S. 57C-6-03(c) reads as rewritten:

23 "(c) A limited liability company administratively dissolved
24 under this section may apply to the Secretary of State for
25 reinstatement ~~within two years not later than five years~~ after
26 the effective date of the administrative dissolution. The
27 procedures for reinstatement and for the appeal of any denial of
28 the limited liability company's application for reinstatement
29 shall be the same procedures applicable to business corporations
30 under G.S. 55-14-22, 55-14-23, and 55-14-24."

31 Section 15. G.S. 55-16-22 reads as rewritten:

32 "~~§ 55-16-22. Annual report for Secretary of State report.~~

33 (a) ~~Each Except as provided in subsections (a1) and (a2) of~~
34 ~~this section, each domestic corporation except those governed by~~
35 ~~Chapter 55B, and each foreign corporation authorized to transact~~
36 ~~business in this State, State shall deliver to the Secretary of~~
37 ~~State for filing an annual report that sets forth: an annual~~
38 ~~report to the Secretary of Revenue.~~

39 (a1) Each insurance company subject to the provisions of
40 Chapter 58 of the General Statutes shall deliver an annual report
41 to the Secretary of State.

42 (a2) A domestic corporation governed by Chapter 55B of the
43 General Statutes is exempt from this section.

1 (a3) The annual report required by this section shall be in a
2 form jointly prescribed by the Secretary of Revenue and the
3 Secretary of State. The Secretary of Revenue shall provide the
4 form needed to file an annual report. The annual report shall
5 set forth all of the following:

- 6 (1) The name of the corporation and the state or
7 country under whose law it is ~~incorporated;~~
8 incorporated.
9 (2) The street address, and the mailing address if
10 different from the street address, of the
11 registered office, the county in which its
12 registered office is located, and the name of its
13 registered agent at that office in this State, and
14 a statement of any change of such registered office
15 or registered agent, or ~~both;~~ both.
16 (3) The address and telephone number of its principal
17 office; office.
18 (4) The names, titles, and business addresses of its
19 principal ~~officers;~~ officers.
20 ~~(4a) The names and business addresses of its directors;~~
21 ~~and~~

22 (5) A brief description of the nature of its business.
23 If the information contained in the most recently filed annual
24 report has not changed, a certification to that effect may be
25 made instead of setting forth the information required by
26 subdivisions (2) through (5) of this subsection.

27 (b) Information in the annual report must be current as of the
28 date the annual report is executed on behalf of the corporation.

29 ~~(c) The annual report shall be delivered to the Secretary of~~
30 ~~State each year within 60 days immediately following the last day~~
31 ~~of the month in which the domestic corporation was incorporated~~
32 ~~or the foreign corporation received a certificate of authority in~~
33 ~~this State. Forms required for the filing of the annual report~~
34 ~~shall be mailed by the Secretary of State to the domestic or~~
35 ~~foreign corporation at its registered office for the first annual~~
36 ~~report, then to its principal office for subsequent annual~~
37 ~~reports. An annual report required to be delivered to the~~
38 Secretary of Revenue is due by the due date for filing the
39 corporation's income and franchise tax returns. An extension of
40 time to file a return is an extension of time to file an annual
41 report. An annual report required to be delivered to the
42 Secretary of State is due by the fifteenth day of the third month
43 following the close of the corporation's fiscal year.

1 (d) If an annual report does not contain the information
2 required by this section, the Secretary of State shall promptly
3 notify the reporting domestic or foreign corporation in writing
4 and return the report to it for correction. If the report is
5 corrected to contain the information required by this section and
6 delivered to the Secretary of State within 30 days after the
7 effective date of notice, it is deemed to be timely filed.

8 (e) Amendments to any previously filed annual report may be
9 filed with the Secretary of State at any time for the purpose of
10 correcting, updating, or augmenting the information contained in
11 ~~such~~ the annual report.

12 (f) Expired.

13 (g) When a statement of change of registered office or
14 registered agent is filed in the annual report, the change shall
15 become effective when the statement is received by the Secretary
16 of State.

17 (h) If the Secretary of State does not receive an annual
18 report within 120 days of the date the return is due, the
19 Secretary of State may presume that the annual report is
20 delinquent. This presumption may be rebutted by receipt of the
21 annual report from the Secretary of Revenue or by evidence of
22 delivery presented by the filing corporation."

23 Section 16. G.S. 55-1-21(a) reads as rewritten:

24 "(a) The Secretary of State may promulgate and furnish on
25 request forms ~~for~~ for the following:

26 (1) An application for a certificate of ~~existence;~~
27 existence.

28 (2) A foreign corporation's application for a
29 certificate of authority to transact business in
30 ~~this State;~~ State.

31 (3) A foreign corporation's application for a
32 certificate of ~~withdrawal;~~ and withdrawal.

33 ~~(4) The annual report.~~

34 If the Secretary of State so requires, use of these forms is
35 mandatory."

36 Section 17. G.S. 55-1-28(b)(4) reads as rewritten:

37 "(4) That its most recent annual report required by G.S.
38 55-16-22 has either been delivered to the Secretary
39 of ~~State;~~ State or is not delinquent;".

40 Section 18. G.S. 55-14-20(2) reads as rewritten:

41 "(2) The corporation ~~does not deliver its annual report~~
42 ~~to the Secretary of State within 60 days after it~~
43 ~~is due;~~ is delinquent in delivering its annual
44 report;".

1 Section 19. G.S. 55-15-30(a)(1) reads as rewritten:

2 "~~(1) The foreign corporation does not deliver its annual~~
3 ~~report to the Secretary of State within 60 days~~
4 ~~after it is due; is delinquent in delivering its~~
5 ~~annual report;~~".

6 Section 20. G.S. 55-16-01(e)(7) reads as rewritten:

7 "~~(7) Its most recent annual report delivered to the~~
8 ~~Secretary of State under as required by G.S. 55-16-~~
9 ~~22.~~"

10 Section 21. G.S. 57C-2-23 reads as rewritten:

11 "~~§ 57C-2-23. Annual report for Secretary of State.~~

12 (a) Each domestic limited liability company and each foreign
13 limited liability company authorized to transact business in this
14 State, shall deliver to the Secretary of State for filing an
15 ~~annual report report, in a form jointly prescribed by the~~
16 ~~Secretary of Revenue and Secretary of State, that sets forth;~~
17 ~~forth all of the following:~~

18 (1) The name of the limited liability or foreign
19 limited liability company and the state or country
20 under whose law it is ~~organized;~~ organized.

21 (2) The street address, and the mailing address if
22 different from the street address, of the
23 registered office, the county in which the
24 registered office is located, and the name of its
25 registered agent at that office in this State, and
26 a statement of any change of the registered office
27 or registered agent, or ~~both;~~ both.

28 (3) The address and telephone number of its principal
29 ~~office;~~ office.

30 (4) The names and business addresses of its ~~managers;~~
31 ~~and managers.~~

32 (5) A brief description of the nature of its business.
33 If the information contained in the most recently filed annual
34 report has not changed, a certification to that effect may be
35 made instead of setting forth the information required by
36 subdivisions (2) through (5) of this subsection. The Secretary
37 of State shall make available the form required to file an annual
38 report.

39 (b) Information in the annual report must be current as of the
40 date the annual report is executed on behalf of the limited
41 liability company or the foreign limited liability company.

42 (c) The annual report shall be delivered to the Secretary of
43 State ~~each year within 60 days immediately following the last day~~
44 ~~of the month in which the domestic limited liability company was~~

~~1 organized or the foreign limited liability company received a
2 certificate of authority in this State. Forms required for the
3 filing of the annual report shall be mailed by the Secretary of
4 State to the domestic or foreign limited liability company at its
5 registered office for the first annual report, and then to its
6 principal office for subsequent annual reports, by the fifteenth
7 day of the fourth month following the close of the limited
8 liability company's fiscal year.~~

9 (d) If an annual report does not contain the information
10 required by this section, the Secretary of State shall promptly
11 notify the reporting domestic or foreign limited liability
12 company in writing and return the report to it for correction.
13 If the report is corrected to contain the information required by
14 this section and delivered to the Secretary of State within 30
15 days after the effective date of notice, it is deemed to be
16 timely filed.

17 (e) Amendments to any previously filed annual report may be
18 filed with the Secretary of State at any time for the purpose of
19 correcting, updating, or augmenting the information contained in
20 the annual report."

21 Section 22. G.S. 57C-3-25(a) reads as rewritten:

22 "(a) Any person dealing with a limited liability company or a
23 foreign limited liability company may rely conclusively upon its
24 most recent annual report and any amendments ~~thereto filed with~~
25 to it on file with the Secretary of State ~~pursuant to G.S.~~
26 ~~57C-2-23~~ as to the identity of its managers, except to the extent
27 the person has actual knowledge that a person identified therein
28 as a manager is not a manager."

29 Section 23. G.S. 105-259 reads as rewritten:

30 "§ 105-259. Secrecy required of officials; penalty for
31 violation.

32 (a) Definitions. -- The following definitions apply in this
33 section:

34 (1) Employee or officer. -- The term includes a former
35 employee, a former officer, and a current or former
36 member of a State board or commission.

37 (2) Tax information. -- Any information from any source
38 concerning the liability of a taxpayer for a tax,
39 as defined in G.S. 105-228.90. The term includes
40 the following:

41 a. Information contained on a tax return, a tax
42 report, or an application for a license for
43 which a tax is imposed.

- 1 b. Information obtained through an audit of a
2 taxpayer or by correspondence with a taxpayer.
3 c. Information on whether a taxpayer has filed a
4 tax return or a tax report.
5 d. A list or other compilation of the names,
6 addresses, social security numbers, or similar
7 information concerning taxpayers.
8 The term does not include (i) statistics classified
9 so that information about specific taxpayers cannot
10 be ~~identified or (ii) identified~~, (ii) an annual
11 report required to be filed under G.S. 55-16-22 or
12 (iii) information submitted to the Business License
13 Information Office of the Department of Secretary
14 of State on a master application form for various
15 business licenses.
- 16 (b) Disclosure Prohibited. -- An officer, an employee, or an
17 agent of the State who has access to tax information in the
18 course of service to or employment by the State may not disclose
19 the information to any other person unless the disclosure is made
20 for one of the following purposes:
- 21 (1) To comply with a court order or a law.
22 (2) Review by the Attorney General or a representative
23 of the Attorney General.
24 (3) Review by a tax official of another state or the
25 Internal Revenue Commissioner of the United States
26 to aid the state or the Commissioner in collecting
27 a tax imposed by this State, the other state, or
28 the United States if the laws of the other state or
29 the United States allow the state or the United
30 States to provide similar tax information to a
31 representative of this State.
32 (4) To provide a governmental agency or an officer of
33 an organized association of taxpayers with a list
34 of taxpayers who have paid a privilege license tax
35 under Article 2 of this Chapter.
36 (5) To furnish to the chair of a board of county
37 commissioners information on the county sales and
38 use tax.
39 (6) To sort, process, or deliver tax information on
40 behalf of the Department of Revenue.
41 (6a) To furnish the chair of a board of county
42 commissioners a list of claimants that have
43 received a refund of the county sales or use tax to
44 the extent authorized in G.S. 105- 164.14(f).

- 1 (7) To exchange information with the Division of Motor
2 Vehicles of the Department of Transportation when
3 the information is needed to fulfill a duty imposed
4 on the Department of Revenue or the Division of
5 Motor Vehicles.
- 6 (8) To furnish to the Department of State Treasurer,
7 upon request, the name, address, and account and
8 identification numbers of a taxpayer who may be
9 entitled to property held in the Escheat Fund.
- 10 (9) To furnish to the Employment Security Commission
11 the name, address, and account and identification
12 numbers of a taxpayer when the information is
13 requested by the Commission in order to fulfill a
14 duty imposed under Article 2 of Chapter 96 of the
15 General Statutes.
- 16 (10) Review by the State Auditor to the extent
17 authorized in G.S. 147-64.7.
- 18 (11) To give a spouse who elects to file a joint tax
19 return a copy of the return or information
20 contained on the return.
- 21 (11a) To provide a copy of a return to the taxpayer
22 who filed the return.
- 23 (11b) In the case of a return filed by a
24 corporation, a partnership, a trust, or an
25 estate, to provide a copy of the return or
26 information on the return to a person who has
27 a material interest in the return if, under
28 the circumstances, section 6103(e)(1) of the
29 Code would require disclosure to that person
30 of any corresponding federal return or
31 information.
- 32 (11c) In the case of a return of an individual who
33 is legally incompetent or deceased, to provide
34 a copy of the return to the legal
35 representative of the estate of the
36 incompetent individual or decedent.
- 37 (12) To contract with a financial institution for the
38 receipt of withheld income tax payments under G.S.
39 105-163.6 or for the transmittal of payments by
40 electronic funds transfer.
- 41 (13) To furnish the Fiscal Research Division of the
42 General Assembly, upon request, a sample, suitable
43 in character, composition, and size for statistical
44 analyses, of tax returns or other tax information

- 1 from which taxpayers' names and identification
2 numbers have been removed.
- 3 (14) To exchange information concerning a tax imposed by
4 Subchapter V of this Chapter with the Standards
5 Division of the Department of Agriculture when the
6 information is needed to administer the Gasoline
7 and Oil Inspection Act, Article 3 of Chapter 119 of
8 the General Statutes.
- 9 (15) To exchange information concerning a tax imposed by
10 Articles 2A, 2B, 2C, or 2D of this Chapter with one
11 of the following agencies when the information is
12 needed to fulfill a duty imposed on the agency:
- 13 a. The North Carolina Alcoholic Beverage Control
14 Commission.
- 15 b. The Division of Alcohol Law Enforcement of the
16 Department of Crime Control and Public Safety.
- 17 c. The Bureau of Alcohol, Tobacco, and Firearms
18 of the United States Treasury Department.
- 19 (16) To furnish to the Department of Secretary of State
20 the name, address, tax year end, and account and
21 identification numbers of a corporation liable for
22 corporate income or franchise taxes or of a limited
23 liability company liable for a corporate or a
24 partnership tax return to enable the Secretary of
25 State to notify the corporation or the limited
26 liability company of the annual report filing
27 requirement or that its articles of incorporation
28 or articles of organization or its certificate of
29 authority has been suspended.
- 30 (17) To inform the Business License Information Office
31 of the Department of Secretary of State of the
32 status of an application for a license for which a
33 tax is imposed and of any information needed to
34 process the application.
- 35 (18) To furnish to the Office of the State Controller
36 the name, address, and account and identification
37 numbers of a taxpayer upon request to enable the
38 State Controller to verify statewide vendor files
39 or track debtors of the State.
- 40 (19) To furnish to the North Carolina Industrial
41 Commission information concerning workers'
42 compensation reported to the Secretary under G.S.
43 105-163.7.

1 (c) Punishment. -- A person who violates this section is
2 guilty of a Class 1 misdemeanor. If the person committing the
3 violation is an officer or employee, that person shall be
4 dismissed from public office or public employment and may not
5 hold any public office or public employment in this State for
6 five years after the violation."

7 Section 24. G.S. 25-9-403(5) reads as rewritten:

8 "(5) The uniform fee for filing and indexing and for stamping
9 a copy furnished by the secured party to show the date and place
10 of filing for an original financing statement or for a
11 continuation statement is ~~eight dollars (\$8.00)~~, fifteen dollars
12 (15.00)."

13 Section 25. G.S. 25-9-405 reads as rewritten:

14 "§ 25-9-405. Assignment of security interest; duties of filing
15 officer; fees.

16 (1) A financing statement may disclose an assignment of a
17 security interest in the collateral described in the financing
18 statement by indication in the financing statement of the name
19 and address of the assignee or by an assignment itself or a copy
20 thereof on the face or back of the statement. On presentation to
21 the filing officer of such a financing statement the filing
22 officer shall mark the same as provided in G.S. 25-9-403(4). The
23 uniform fee for filing, indexing, and furnishing filing data for
24 a financing statement so indicating an assignment is ~~eight~~
25 ~~dollars (\$8.00)~~, fifteen dollars (\$15.00).

26 (2) A secured party may assign of record all or part of his
27 rights under a financing statement by the filing in the place
28 where the original financing statement was filed of a separate
29 written statement of assignment signed by the secured party of
30 record and setting forth the name of the secured party of record
31 and the debtor, the file number and also the most current file
32 number if it has been continued and the date of filing of the
33 financing statement and the name and address of the assignee and
34 containing a description of the collateral assigned. A copy of
35 the assignment is sufficient as a separate statement if it
36 complies with the preceding sentence. On presentation to the
37 filing officer of such a separate statement, the filing officer
38 shall mark such separate statement with the date and hour of the
39 filing. He shall note the assignment on the Uniform Commercial
40 Code index of the financing statement, and in the case of a
41 fixture filing, or a filing covering timber to be cut, or
42 covering minerals or the like (including oil and gas) or accounts
43 subject to subsection (5) of G.S. 25-9-103, he shall index in the
44 real estate index the assignment under the name of the assignor

1 as grantor and, to the extent that the law of this State provides
2 for indexing the assignment of a mortgage under the name of the
3 assignee, he shall index the assignment of the financing
4 statement under the name of the assignee. The uniform fee for
5 filing, indexing, and furnishing filing data about such a
6 separate statement of assignment is ~~eight dollars (\$8.00)~~
7 fifteen dollars (\$15.00). Notwithstanding the provisions of this
8 subsection, an assignment of record of a security interest in a
9 fixture contained in a mortgage effective as a fixture filing
10 (subsection (6) of G.S. 25-9-402) may be made only by an
11 assignment of the mortgage in the manner provided by the law of
12 the State other than this Chapter.

13 (3) After the disclosure or filing of an assignment under this
14 section, the assignee is the secured party of record.

15 Section 26. G.S. 25-9-406 reads as rewritten:

16 "**§ 25-9-406. Release of collateral; duties of filing officer;
17 fees.**

18 A secured party of record may, by his signed statement, release
19 all or a part of any collateral described in a filed financing
20 statement. The statement of release is sufficient if it contains
21 a description of the collateral being released, the name and
22 address of the debtor, the name and address of the secured party,
23 and the file number of the financing statement. A statement of
24 release signed by a person other than the secured party of record
25 must be accompanied by a separate written statement of assignment
26 signed by the secured party of record and complying with
27 subsection (2) of G.S. 25-9-405, including payment of the
28 required fee. Upon presentation of such a statement of release to
29 the filing officer he shall mark the statement with the hour and
30 date of filing and shall note the same upon the margin of the
31 index of the filing of the financing statement. The uniform fee
32 for filing and noting such a statement of release is ~~eight
33 dollars (\$8.00)~~ fifteen dollars (\$15.00)."

34 Section 27. G.S. 25-9-407 reads as rewritten:

35 "**§ 25-9-407. Information from filing officer.**

36 (1) If the person filing any financing statement, termination
37 statement, statement of assignment or statement of release
38 furnishes the filing officer a copy thereof, the filing officer
39 shall upon request note upon the copy the file number and date
40 and hour of the filing of the original and deliver or send the
41 copy to such person.

42 (2) Upon request of any person, the filing officer shall issue
43 his certificate for which he shall not be liable showing whether
44 there is on file, on the date and hour stated therein, any

1 presently effective financing statement naming a particular
2 debtor and any statement of assignment thereof and if there is,
3 giving the date and hour of filing of each such statement and the
4 names and addresses of each secured party therein. The uniform
5 fee for such a certificate shall be ~~eight dollars (\$8.00)~~
6 fifteen dollars (\$15.00). Where the Uniform Commercial Code
7 index has been automated, the filing officer shall issue a
8 computer printout of the index entries for a particular debtor
9 for a fee of ~~eight dollars (\$8.00)~~ fifteen dollars (\$15.00).
10 Upon request the filing officer shall furnish a copy of any filed
11 financing statement or statement of assignment for a uniform fee
12 of one dollar (\$1.00) per page.

13 " Section 28. Sections 1 through 4, 12 through 14, 23,
14 and this section of this act are effective when the act becomes
15 law. Sections 5 and 6 of this act become effective July 1, 1997.
16 G.S. 55-1-22(a)(23), as amended by Section 7 of this act, and
17 sections 15 through 22 become effective January 1, 1998, and
18 apply to tax years ending on or after December 31, 1997, in the
19 case of corporations required to file annual reports with the
20 Secretary of Revenue and to fiscal years ending on or after
21 December 31, 1997, in the case of corporations required to file
22 annual reports with the Secretary of State. The remaining
23 changes made by Section 7 of this act become effective July 1,
24 1997. Sections 8 and 9 become effective July 1, 1997. Sections
25 10 and 11 of this act become effective January 1, 1998, and apply
26 to annual reports filed for tax years ending on or after December
27 31, 1997. Sections 24 through 27 of this act become effective
28 July 1 1997.

29 Annual reports delivered to either the Secretary of
30 State or the Secretary of Revenue after December 31, 1997, but
31 before January 1999, shall nevertheless be deemed filed with the
32 correct State agency. The Secretary of State shall notify the
33 Secretary of Revenue of reports erroneously filed with the
34 Secretary of State, and the Secretary of Revenue shall notify the
35 Secretary of State of reports erroneously filed with the
36 Secretary of Revenue.

NORTH CAROLINA GENERAL ASSEMBLY

LEGISLATIVE FISCAL NOTE

BILL NUMBER: SB 727 (Proposed Senate Finance Committee Substitute)

SHORT TITLE: Fees to Implement State Budget

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: Department of Insurance, Department of the Secretary of State N. C. Utilities Commission, N. C. Judicial Department					
EFFECTIVE DATE: Sections 1 through 4 (insurance regulatory surcharge) are effective upon ratification. Sections 5 (public utility regulatory fee) and 6 (criminal court costs) are effective July 1, 1997. The portion of section 7 that amends the corporation annual report in G. S. 55-1-22(a)(23) is effective January 1, 1998 and applies to corporations whose fiscal years end on or after December 31, 1997. The remainder of the fees in section 7 are effective July 1, 1997. Sections 8 (Nonprofit Corporations) and 9 (Limited Liability Companies) are effective July 1, 1997. Sections 10 and 11 (corporate annual reports) are effective January 1, 1998. Sections 12 and 13 (Uniform Commercial Code) are effective July 1, 1997.					

BILL SUMMARY: : This bill establishes the annual tax rate for the insurance regulatory surcharge and the public utility regulatory fee. The bill increases court fees in criminal cases by \$15. The bill increases several fees paid by corporations to the Secretary of State.

ASSUMPTIONS AND METHODOLOGY:

Insurance Regulatory Fund

Section 1 of the bill sets the insurance regulatory charge at 8.75% of the gross premiums tax and is effective for the 1997 calendar year. (This is an increase from the 7.25% rate in calendar year 1996.) The revenue from this charge is used to reimburse the General Fund for money appropriated to State agencies to pay the expenses incurred in regulating the insurance industry, in certifying statewide data processors for medical data collection and purchasing reports of patient data from statewide data processors.

The insurance regulatory charge will earn \$18.12 million in FY 1997-98 and is calculated as follows:

Estimated Gross Premiums Tax	\$207 million
Insurance Regulatory Surcharge	<u>X .0875</u>
	\$18.12 million

Even with this rate increase, the proposed insurance regulatory charge rate of 8.75% is not sufficient to fund the change enacted by the General Assembly in 1995 relating to fees charged insurance companies for audits conducted by the Department of Insurance. Prior to July 1, 1995, financial examination audits conducted by the Department were billed directly to the insurance company being audited. The Department of Insurance is required by state law to do a financial examination on each domestic insurance company every three years. Billings for these audits were approximately \$4.5 million in FY 1994-95. The General Assembly felt that a more equitable distribution of these audit costs would be to recoup them through the insurance regulatory charge rather than billing each insurance company for the audit conducted by the Department. In this manner the insurance industry still covers the cost of the audits, but no insurance company is charged with a sizable audit expense once every three years. Because the \$4.5 million is now covered by the insurance regulatory charge and not billed directly to the individual insurance companies, the regulatory charge should be increased to 9.10% beginning in FY 1998-99. (Fund reserves can be used in FY 1997-98 to cover the deficit.) If audits were still billed directly to the insurance companies and not covered by the regulatory charge, the current rate of 7.25% would be adequate to sustain the Insurance Regulatory Fund.

Utilities Commission and Public Staff Fund

Section 5 of the bill reduces the utilities regulatory fee from .10% to 0.09% of each public utilities' North Carolina jurisdictional revenues earned during each quarter that begins on or after July 1, 1997. The revenue generated from this fee supports the operations of the North Carolina Utilities Commission and Public Staff.

Per G.S. 62-302(b)(2), the percentage rate established by the General Assembly and assessed by the Commission "may not exceed the amount necessary to generate funds sufficient to defray the estimated cost of the operations of the Commission and Public Staff for the upcoming fiscal year,

including a reasonable margin for a reserve fund.” Combined operations of the Commission and the Public Staff in FY 1997-98 will require expenditures of not less than \$8,791,854. Revenues generated by the utilities regulatory fee will amount to \$7,830,000. The balance will be derived from other revenues generated by Commission fees and charges, or from the Accumulated Fee Margin Reserve Account.

The Utilities Commission indicated that the status of the Accumulated Fee Margin Reserve is as follows:

Balance as of 6/30/97	\$ 9,636,995
Add: Estimated Collections and Interest for FY 1997-98	\$ 8,968,000
Total Funds Available	\$18,604,995
Less: Estimated FY 1997-98 Expenditures Reimbursable from Fees	\$(9,000,000)
Estimated Margin Reserve for Period Ending 6/30/98	\$ 9,604,995

Based on the projected Fee Margin Reserve, the fee of 0.09% should be sufficient to cover the operations of the Utilities Commission and Public Staff.

General Court of Justice Fees

Section 6 of the bill raises the General Court of Justice fees on all criminal cases in the superior or district court where the defendant is convicted, or enters a plea of guilty or nolo contendere, or when costs are assessed against the prosecuting witness. The fee in the Superior Court Criminal Division is raised from \$53 to \$68 and the fee in the District Court Criminal Division is raised from \$46 to \$61. Each dollar increase in these Criminal Division fees raises \$1,007,521 in revenue. The \$15 increase will produce \$15.1 million in revenue that will be deposited into the General Fund. These fees were increased \$5 in 1996.

Secretary of State Fees

Section 7 - General Business Corporations (G.S. 55-1-22)

The filing fee for articles of incorporation with the Secretary of State is increased from \$100.00 to \$125.00. The expected revenue from the \$25.00 increase is \$460,750 annually.

In 1996, there were 17,145 corporations subject to this fee authorized under G.S. 55-1-22(1).

The Secretary of State projects 18,430 corporations could be subject to this fee in 1997.

The filing fee for an application of reinstatement of the articles of incorporation for failure to file the annual report is increased from \$25.00 to \$100.00. This filing fee applies to general business corporations, non-profit corporations, and limited liability corporations authorized under General Statutes 55-1-22(16), 55A-1-22(17), and 55C-1-22(16a) respectively. The expected revenue, from the \$75.00 increase in this filing fee, is \$243,000 annually. In 1996, there were 3,240 corporations subject to this fee. The Office did not provide a projection for 1997 because it is

not known how many corporations will be deterred by the increase in the fee and pay on time. It is also expected that fewer corporations will be late because the annual report will be filed with the annual income tax returns.

The filing fee for a certificate of authority of an out-of-state corporation is increase from \$200.00 to \$250.00. The expected revenue, from the \$50.00 increase in this filing fee, is \$235,600 annually. In 1996, 3,816 out-of-state corporations were subject to this fee authorized under G.S. 55-1-22(19). The Secretary of State projects 4,712 corporations could be subject to this fee in 1997.

The filing fee for a corporation's annual report is increased from \$10.00 to \$20.00. The expected revenue, from the \$10.00 increase in this fee, is \$1,250,000 annually. In 1996, there were 125,000 corporations subject to this fee authorized under G.S. 55-1-22(23). The Office did not provide a 1997 projection for this fee. The fee is due on the anniversary date of the corporation and the Office of Secretary of State expects, approximately, 25% of the corporations will file in the remaining three months of this fiscal year.

Section 8 - Nonprofit Corporations (G.S. 55A-1-22)

The filing fee for articles of incorporation of a non-profit corporation with the Secretary of State is increased from \$50.00 to \$60.00. The annual revenue expected from the \$10.00 increase is \$25,030 annually. In 1996, there were 2,430 non-profit corporations subject to this fee authorized under G.S. 55A-1-22(1). The Secretary of State projects 2,503 corporations could be subject to this fee in 1997.

The filing fee for a certificate of authority of an out-of-state non-profit corporation is increase from \$100.00 to \$125.00. The expected revenue, from the \$25.00 increase in this filing fee, is \$2,300 annually. In 1996, 84 out-of-state non-profit corporations were subject to this fee authorized under G.S. 55A-1-22(20). The Secretary of State projects 92 corporations subject to this fee in 1997.

Section 9 - Limited Liability Corporations (G.S. 55C-1-22)

The filing fee for articles of organization of a limited liability corporation with the Secretary of State is increased from \$100.00 to \$125.00. The annual revenue expected from the \$25.00 increase is \$113,400 annually. In 1996, there were 4,200 limited liability corporations subject to this fee authorized under G.S. 55C-1-22(1). The Secretary of State projects 4,536 corporation could be subject to this fee in 1997.

The filing fee for a certificate of authority of an out-of-state limited liability corporation is increase from \$200.00 to \$250.00. The expected revenue, from the \$50.00 increase in this filing fee, is \$40,400 annually. In 1996, 330 out-of-state limited liability corporations were subject to this fee authorized under G.S. 55C-1-22(19). The Secretary of State projects 808 corporations could be subject to this fee in 1997.

Sections 12 and 13 - Uniform Commercial Code fee (G.S. 25-9-405)

The uniform filing fee for filing, indexing, and furnishing financing statements is increased from \$8.00 to \$15.00. The expected revenue from the \$7.00 increase in this filing fee is \$706,472 annually. In 1996, 87,204 financing statements were subject to this fee authorized under G.S. 25-9-405. The Secretary of State projects 88,309 corporations could be subject to this fee in 1997.

GENERAL ASSEMBLY OF NORTH CAROLINA

SESSION 1997

S

D

SENATE BILL 727

Proposed Senate Finance Committee Substitute S727-PCS2691

Short Title: Fees to Implement State Budget.

(Public)

Sponsors:

Referred to:

April 7, 1997

1

A BILL TO BE ENTITLED

2

AN ACT TO IMPLEMENT THE RECOMMENDATIONS OF THE COMMITTEE

3

ON APPROPRIATIONS BY ESTABLISHING THE PERCENTAGE RATES

4

FOR THE INSURANCE REGULATORY CHARGE AND THE PUBLIC

5

UTILITY REGULATORY FEE, BY CLARIFYING THE BASIS OF THE

6

PREMIUM TAX LIABILITY ON WHICH THE INSURANCE REGULATORY

7

CHARGE IS LEVIED, BY INCREASING COURT FEES IN CRIMINAL CASES,

8

AND BY INCREASING THE FEES FOR FILING CERTAIN DOCUMENTS.

9

The General Assembly of North Carolina enacts:

10

Section 1. The percentage rate to be used in calculating the insurance

11

regulatory charge under G.S. 58-6-25 is eight and seventy-five hundredths percent

12

(8.75%) for the 1997 calendar year.

13

Section 2. G.S. 58-6-25(a) reads as rewritten:

14

"(a) Charge Levied. -- There is levied on each insurance company an annual

15

charge for the purposes stated in subsection (d) of this section. As used in this

16

section, the term 'insurance company' means a company that pays the gross

17

premiums tax levied in G.S. 105-228.5 and G.S. 105-228.8, except ~~that the term does~~

18

~~not include a hospital, medical, or dental service corporation regulated under Articles~~

19

~~65 and 66 of this Chapter. The term "insurance company" does not include a~~

20

~~company regulated under Article 67 of this Chapter. a service corporation subject to~~

21

Article 65 of this Chapter. A health maintenance organization subject to Article 67

22

of this Chapter is not subject to those taxes and is therefore not subject to the charge

23

levied in this section. The charge levied in this section is in addition to all other fees

1 and taxes. The charge shall be at a percentage rate of the company's premium tax
2 liability for the taxable year. In determining an insurance company's premium tax
3 liability for a taxable year, additional taxes imposed by ~~G.S. 105-228.8~~ and G.S. 105-
4 228.8, the additional local fire and lightning tax imposed by ~~G.S. 105-228.5(d)(4)~~ G.S.
5 105-228.5(d)(4), and any tax credits for guaranty or solvency fund assessments under
6 G.S. 105-228.5A or G.S. 97-133(a) shall be disregarded."

7 Section 3. G.S. 97-133(a)(2) reads as rewritten:

8 "(2) Assess each member of the Association as follows:

- 9 a. Each individual member self-insurer shall be annually
10 assessed an amount equal to one-quarter of one percent
11 (0.25%) of the annual standard premium that would have
12 been paid by that member self-insurer for workers'
13 compensation insurance during the prior calendar year; and
14 payment to the Association shall be made no later than
15 September 15 following the close of that calendar year.
16 Where any such assessment is paid based in whole or in part
17 upon estimates of annual standard premium for the prior
18 calendar year, there shall be made in the next year's
19 assessment an adjustment of the assessment of such prior
20 year based on actual audited annual standard premium.
21 Each group member self-insurer shall be annually assessed
22 an amount equal to one-quarter of one percent (0.25%) of
23 the annual premium collected by the group member self-
24 insurer during the prior calendar year; and payment to the
25 Association shall be made no later than September 15
26 following the close of that calendar year. Regardless of the
27 size of the Fund, during its first 12 months of membership,
28 no member self-insurer may discount or reduce this one-
29 quarter of one percent (0.25%) assessment. Assessments
30 paid by members pursuant to this subdivision shall be
31 credited toward the tax paid by self-insurers under ~~G.S.~~
32 ~~105-228.5~~ and ~~G.S. 97-100~~. Article 8B of Chapter 105 of the
33 General Statutes.
34 b. Each member self-insurer shall be notified of the assessment
35 no later than 30 days before it is due.
36 c. If a self-insurer is a member of the Association for less than
37 a full calendar year, the annual standard premium shall be
38 adjusted by that portion of the year the self-insurer is not a
39 member of the Association.
40 d. If application of the contribution rates referenced in sub-
41 subdivisions a. and b. of this subdivision would produce an
42 amount in excess of the five million dollar (\$5,000,000)
43 limits of the fund, an equitable proration may be made;
44 provided that every self-insurer that becomes a member of

1 the Association shall pay an initial assessment, in an amount
2 established by the Board, regardless of the size of the fund
3 at the time the member joins the Association."

4 Section 4. G.S. 97-133(a)(4) reads as rewritten:

5 "(4) Be obligated to the extent of covered claims occurring prior to the
6 determination of the member self-insurer's insolvency, or occurring
7 after such determination but prior to the obtaining by the self-
8 insurer of workers' compensation insurance as otherwise required
9 under this Chapter. The Association shall pay claims against a
10 self-insurer that are not or have not been paid as a result of a
11 determination of insolvency or the institution of bankruptcy or
12 receivership proceedings that occurred prior to the effective date
13 of this Article; ~~provided that any assessments made to pay such~~
14 ~~claims may be credited towards the tax paid by the self-insurers~~
15 ~~under G.S. 97-100, Article."~~

16 Section 5. The percentage rate to be used in calculating the public utility
17 regulatory fee under G.S. 62-302(b)(2) is nine hundredths percent (0.09%) of each
18 public utility's North Carolina jurisdictional revenues earned during each quarter that
19 begins on or after July 1, 1997.

20 Section 6. G.S. 7A-304 reads as rewritten:

21 "**§ 7A-304. Costs in criminal actions.**

22 (a) In every criminal case in the superior or district court, wherein the defendant
23 is convicted, or enters a plea of guilty or nolo contendere, or when costs are assessed
24 against the prosecuting witness, the following costs shall be assessed and collected,
25 except that when the judgment imposes an active prison sentence, costs shall be
26 assessed and collected only when the judgment specifically so provides, and that no
27 costs may be assessed when a case is dismissed.

28 (1) For each arrest or personal service of criminal process, including
29 citations and subpoenas, the sum of five dollars (\$5.00), to be
30 remitted to the county wherein the arrest was made or process was
31 served, except that in those cases in which the arrest was made or
32 process served by a law-enforcement officer employed by a
33 municipality, the fee shall be paid to the municipality employing
34 the officer.

35 (2) For the use of the courtroom and related judicial facilities, the sum
36 of six dollars (\$6.00) in the district court, including cases before a
37 magistrate, and the sum of twenty-four dollars (\$24.00) in superior
38 court, to be remitted to the county in which the judgment is
39 rendered. In all cases where the judgment is rendered in facilities
40 provided by a municipality, the facilities fee shall be paid to the
41 municipality. Funds derived from the facilities fees shall be used
42 exclusively by the county or municipality for providing,
43 maintaining, and constructing adequate courtroom and related
44 judicial facilities, including: adequate space and furniture for

1 judges, district attorneys, public defenders, magistrates, juries, and
2 other court related personnel; office space, furniture and vaults for
3 the clerk; jail and juvenile detention facilities; free parking for
4 jurors; and a law library (including books) if one has heretofore
5 been established or if the governing body hereafter decides to
6 establish one. In the event the funds derived from the facilities
7 fees exceed what is needed for these purposes, the county or
8 municipality may, with the approval of the Administrative Officer
9 of the Courts as to the amount, use any or all of the excess to
10 retire outstanding indebtedness incurred in the construction of the
11 facilities, or to reimburse the county or municipality for funds
12 expended in constructing or renovating the facilities (without
13 incurring any indebtedness) within a period of two years before or
14 after the date a district court is established in such county, or to
15 supplement the operations of the General Court of Justice in the
16 county.

17 (3) For the retirement and insurance benefits of both State and local
18 government law-enforcement officers, the sum of seven dollars and
19 twenty-five cents (\$7.25), to be remitted to the State Treasurer.
20 Fifty cents (50¢) of this sum shall be administered as is provided in
21 Article 12C of Chapter 143 of the General Statutes. Five dollars
22 and seventy-five cents (\$5.75) of this sum shall be administered as
23 is provided in Article 12E of Chapter 143 of the General Statutes,
24 with one dollar and twenty-five cents (\$1.25) being administered in
25 accordance with the provisions of G.S. 143-166.50(e). One dollar
26 (\$1.00) of this sum shall be administered as is provided in Article
27 12F of Chapter 143 of the General Statutes.

28 (3a) For the supplemental pension benefits of sheriffs, the sum of
29 seventy-five cents (75¢) to be remitted to the Department of Justice
30 and administered under the provisions of Article 12G of Chapter
31 143 of the General Statutes.

32 (4) For support of the General Court of Justice, the sum of ~~forty-six~~
33 ~~dollars (\$46.00)~~ sixty-one dollars (\$61.00) in the district court,
34 including cases before a magistrate, and the sum of ~~fifty-three~~
35 ~~dollars (\$53.00)~~ sixty-eight dollars (\$68.00) in the superior court, to
36 be remitted to the State Treasurer.

37 (5) For using pretrial release services, the district or superior court
38 judge shall, upon conviction, impose a fee of fifteen dollars
39 (\$15.00) to be remitted to the county providing the pretrial release
40 services. This cost shall be assessed and collected only if the
41 defendant had been accepted and released to the supervision of the
42 agency providing the pretrial release services.

43 (6) For support of the General Court of Justice, for the issuance by the
44 clerk of a report to the Division of Motor Vehicles pursuant to

1 G.S. 20-24.2, the sum of fifty dollars (\$50.00), to be remitted to the
2 State Treasurer. Upon a showing to the court that the defendant
3 failed to appear because of an error or omission of a judicial
4 official, a prosecutor, or a law-enforcement officer, the court shall
5 waive this fee.

6 (a1) The costs assessed pursuant to subsection (a) may also be collected by clerks
7 of court for charges in which a party elects to pay the court's costs to satisfy the
8 requirements of G.S. 20-7.2. Costs collected pursuant to this subsection shall be
9 allocated in the same manner as other costs collected pursuant to this section. ~~If a~~ A
10 party who elects to pay the costs of court to satisfy the requirements of G.S. 20-7.2
11 and is subsequently adjudged guilty of the same charge by the ~~court, he shall~~ is not be
12 required to pay the costs of court again for that charge, but ~~he~~ is subject to any other
13 orders of the court, including an order to pay a fine.

14 (b) On appeal, costs are cumulative, and costs assessed before a magistrate shall
15 be added to costs assessed in the district court, and costs assessed in the district court
16 shall be added to costs assessed in the superior court, except that the fee for the Law-
17 Enforcement Officers' Benefit and Retirement Fund and the Sheriffs' Supplemental
18 Pension Fund and the fee for pretrial release services shall be assessed only once in
19 each case. No superior court costs shall be assessed against a defendant who gives
20 notice of appeal from the district court but withdraws it prior to the expiration of the
21 10-day period for entering notice of appeal. When a case is reversed on appeal, the
22 defendant shall not be liable for costs, and the State shall be liable for the cost of
23 printing records and briefs in the Appellate Division.

24 (c) Witness fees, expenses for blood tests and comparisons incurred by G.S. 8-
25 50.1(a), jail fees and cost of necessary trial transcripts shall be assessed as provided by
26 law in addition to other costs set out in this section. Nothing in this section shall
27 limit the power or discretion of the judge in imposing fines or forfeitures or ordering
28 restitution.

29 (d) In any criminal case in which the liability for costs, fines, restitution, or any
30 other lawful charge has been finally determined, the clerk of superior court shall,
31 unless otherwise ordered by the presiding judge, disburse such funds when paid in
32 accordance with the following priorities:

- 33 (1) Costs due the county;
- 34 (2) Costs due the city;
- 35 (3) Fines to the county school fund;
- 36 (4) Sums in restitution prorated among the persons entitled thereto;
- 37 (5) Costs due the State;
- 38 (6) Attorney's fees.

39 Sums in restitution received by the clerk of superior court shall be disbursed when:

- 40 (1) Complete restitution has been received; or
- 41 (2) When, in the opinion of the clerk, additional payments in
42 restriction will not be collected; or
- 43 (3) Upon the request of the person or persons entitled thereto; and
- 44 (4) In any event, at least once each calendar year.

1 (e) Unless otherwise provided by law, the costs assessed pursuant to this section
 2 for criminal actions disposed of in the district court are also applicable to infractions
 3 disposed of in the district court. The costs assessed in superior court for criminal
 4 actions appealed from district court to superior court are also applicable to
 5 infractions appealed to superior court. If an infraction is disposed of in the superior
 6 court pursuant to G.S. 7A-271(d), costs applicable to the original charge are
 7 applicable to the infraction."

8 Section 7. G.S. 55-1-22 reads as rewritten:

9 "§ 55-1-22. Filing, service, and copying fees.

10 (a) The Secretary of State shall collect the following fees when the documents
 11 described in this subsection are delivered to ~~him~~ the Secretary for filing:

Document	Fee
(1) Articles of incorporation	\$100.00
	<u>\$125.00</u>
(2) Application for reserved name	10.00
(3) Notice of transfer of reserved name	10.00
(4) Application for registered name	10.00
(5) Application for renewal of registered name	10.00
(6) Corporation's statement of change of registered agent or registered office or both	5.00
(7) Agent's statement of change of registered office for each affected corporation	5.00
(8) Agent's statement of resignation	No fee
(9) Designation of registered agent or registered office or both	5.00
(10) Amendment of articles of incorporation	50.00
(11) Restated articles of incorporation with amendment of articles	10.00 50.00
(12) Articles of merger or share exchange	50.00
(13) Articles of dissolution	30.00
(14) Articles of revocation of dissolution	10.00
(15) Certificate of administrative dissolution	No fee
(16) Application for reinstatement following administrative dissolution	25.00 <u>100.00</u>
(17) Certificate of reinstatement	No fee
(18) Certificate of judicial dissolution	No fee
(19) Application for certificate of	

1	authority	200.00
2		<u>250.00</u>
3	(20) Application for amended certificate	
4	of authority	50.00
5	(21) Application for certificate of	
6	withdrawal	10.00
7	(22) Certificate of revocation of	
8	authority to transact business	No fee
9	(23) Annual report	10.00
10		<u>20.00</u>
11	(24) Articles of correction	10.00
12	(25) Application for certificate of	
13	existence or authorization	5.00
14	(26) Any other document required or	
15	permitted to be filed by this Chapter	10.00.

16 (b) The Secretary of State shall collect a fee of ten dollars (\$10.00) each time
 17 process is served on ~~him~~ the Secretary under this Chapter. The party to a proceeding
 18 causing service of process is entitled to recover this fee as costs if ~~he~~ the party
 19 prevails in the proceeding.

20 (c) The Secretary of State shall collect the following fees for copying, comparing,
 21 and certifying a copy of any filed document relating to a domestic or foreign
 22 corporation:

- 23 (1) One dollar (\$1.00) a page for copying or comparing a copy to the
- 24 original; and
- 25 (2) Five dollars (\$5.00) for the certificate."
- 26 Section 8. G.S. 55A-1-22 reads as rewritten:

27 "**§ 55A-1-22. Filing, service, and copying fees.**

28 (a) The Secretary of State shall collect the following fees when the documents
 29 described in this subsection are delivered to the Secretary for filing:

30	Document	Fee
31	(1) Articles of incorporation	\$50.00
32		<u>\$60.00</u>
33	(2) Application for reserved name	\$10.00
34	(3) Notice of transfer of reserved name	\$10.00
35	(4) Application for registered name	\$10.00
36	(5) Application for renewal of registered	
37	name	\$10.00
38	(6) Corporation's statement of change of	
39	registered agent or registered office or	
40	both	\$ 5.00
41	(7) Agent's statement of change of registered	
42	office for each affected corporation	\$ 5.00
43	(8) Agent's statement of resignation	No fee
44	(9) Designation of registered agent or	

1		registered office or both	\$ 5.00

7	(10)	Amendment of articles of organization	50.00
8	(11)	Restated articles of organization	
9		without amendment of articles	10.00
10	(12)	Restated articles of organization	
11		with amendment of articles	50.00
12	(13)	Articles of merger	50.00
13	(14)	Articles of dissolution	30.00
14	(15)	Articles of revocation of dissolution	10.00
15	(16)	Certificate of administrative dissolution	No fee
16	(16a)	<u>Application for reinstatement following</u>	
17		<u>administrative dissolution</u>	<u>100.00</u>
18	(17)	Certificate of reinstatement	No fee
19	(18)	Certificate of judicial dissolution	No fee
20	(19)	Application for certificate of authority	200.00
21			<u>250.00</u>
22	(20)	Application for amended certificate	
23		of authority	50.00
24	(21)	Application for certificate of withdrawal	10.00
25	(22)	Certificate of revocation of authority	
26		to transact business	No fee
27	(23)	Articles of correction	10.00
28	(24)	Application for certificate of existence	
29		or authorization	5.00
30	(25)	Annual report	200.00
31	(26)	Any other document required or permitted	
32		to be filed by this Chapter	10.00.

(b) The Secretary of State shall collect a fee of ten dollars (\$10.00) each time process is served on the Secretary of State under this Chapter. The party to a proceeding causing service of process is entitled to recover this fee as costs if ~~he~~ the party prevails in the proceeding.

(c) The Secretary of State shall collect the following fees for copying, comparing, and certifying a copy of any filed document relating to a domestic or foreign limited liability company:

- (1) One dollar (\$1.00) a page for copying or comparing a copy to the original; and
 - (2) Five dollars (\$5.00) for the certificate."
- Section 10. G.S. 105-228.90(a) reads as rewritten:

1 "(a) Scope. -- This Article applies to Subchapters I, V, and VIII of this Chapter
2 Chapter, to the annual report filing requirements of G.S. 55-16-22, and to inspection
3 taxes levied under Article 3 of Chapter 119 of the General Statutes."

4 Section 11. Article 9 of Chapter 105 of the General Statutes is amended
5 by adding a new section to read:

6 "**§ 105-256.1. Corporate annual report.**

7 A charge of twenty dollars (\$20.00) is imposed on a corporation that files its
8 annual report with the Secretary. The charge must be paid when the annual report is
9 filed. Amounts collected under this section shall be credited to the General Fund as
10 tax revenue. The Secretary must transmit an annual report filed with the Secretary
11 in accordance with G.S. 55-16-22 to the Secretary of State."

12 Section 12. G.S. 25-9-403(5) reads as rewritten:

13 "(5) The uniform fee for filing and indexing and for stamping a copy furnished by
14 the secured party to show the date and place of filing for an original financing
15 statement or for a continuation statement is ~~eight dollars (\$8.00).~~ fifteen dollars
16 (15.00)."

17 Section 13. G.S. 25-9-405 reads as rewritten:

18 "**§ 25-9-405. Assignment of security interest; duties of filing officer; fees.**

19 (1) A financing statement may disclose an assignment of a security interest in the
20 collateral described in the financing statement by indication in the financing
21 statement of the name and address of the assignee or by an assignment itself or a
22 copy thereof on the face or back of the statement. On presentation to the filing
23 officer of such a financing statement the filing officer shall mark the same as provided
24 in G.S. 25-9-403(4). The uniform fee for filing, indexing, and furnishing filing data
25 for a financing statement so indicating an assignment is ~~eight dollars (\$8.00).~~ fifteen
26 dollars (\$15.00).

27 (2) A secured party may assign of record all or part of his rights under a financing
28 statement by the filing in the place where the original financing statement was filed of
29 a separate written statement of assignment signed by the secured party of record and
30 setting forth the name of the secured party of record and the debtor, the file number
31 and also the most current file number if it has been continued and the date of filing
32 of the financing statement and the name and address of the assignee and containing a
33 description of the collateral assigned. A copy of the assignment is sufficient as a
34 separate statement if it complies with the preceding sentence. On presentation to the
35 filing officer of such a separate statement, the filing officer shall mark such separate
36 statement with the date and hour of the filing. He shall note the assignment on the
37 Uniform Commercial Code index of the financing statement, and in the case of a
38 fixture filing, or a filing covering timber to be cut, or covering minerals or the like
39 (including oil and gas) or accounts subject to subsection (5) of G.S. 25-9-103, he shall
40 index in the real estate index the assignment under the name of the assignor as
41 grantor and, to the extent that the law of this State provides for indexing the
42 assignment of a mortgage under the name of the assignee, he shall index the
43 assignment of the financing statement under the name of the assignee. The uniform
44 fee for filing, indexing, and furnishing filing data about such a separate statement of

1 assignment is ~~eight dollars (\$8.00)~~ fifteen dollars (\$15.00). Notwithstanding the
2 provisions of this subsection, an assignment of record of a security interest in a fixture
3 contained in a mortgage effective as a fixture filing (subsection (6) of G.S. 25-9-402)
4 may be made only by an assignment of the mortgage in the manner provided by the
5 law of the State other than this Chapter.

6 (3) After the disclosure or filing of an assignment under this section, the assignee is
7 the secured party of record."

8 Section 14. G.S. 25-9-406 reads as rewritten:

9 "**§ 25-9-406. Release of collateral; duties of filing officer; fees.**

10 A secured party of record may, by his signed statement, release all or a part of any
11 collateral described in a filed financing statement. The statement of release is
12 sufficient if it contains a description of the collateral being released, the name and
13 address of the debtor, the name and address of the secured party, and the file number
14 of the financing statement. A statement of release signed by a person other than the
15 secured party of record must be accompanied by a separate written statement of
16 assignment signed by the secured party of record and complying with subsection (2)
17 of G.S. 25-9-405, including payment of the required fee. Upon presentation of such a
18 statement of release to the filing officer he shall mark the statement with the hour
19 and date of filing and shall note the same upon the margin of the index of the filing
20 of the financing statement. The uniform fee for filing and noting such a statement of
21 release is ~~eight dollars (\$8.00)~~ fifteen dollars (\$15.00)."

22 Section 15. G.S. 25-9-407 reads as rewritten:

23 "**§ 25-9-407. Information from filing officer.**

24 (1) If the person filing any financing statement, termination statement, statement of
25 assignment or statement of release furnishes the filing officer a copy thereof, the filing
26 officer shall upon request note upon the copy the file number and date and hour of
27 the filing of the original and deliver or send the copy to such person.

28 (2) Upon request of any person, the filing officer shall issue his certificate for
29 which he shall not be liable showing whether there is on file, on the date and hour
30 stated therein, any presently effective financing statement naming a particular debtor
31 and any statement of assignment thereof and if there is, giving the date and hour of
32 filing of each such statement and the names and addresses of each secured party
33 therein. The uniform fee for such a certificate shall be ~~eight dollars (\$8.00)~~ fifteen
34 dollars (\$15.00). Where the Uniform Commercial Code index has been automated,
35 the filing officer shall issue a computer printout of the index entries for a particular
36 debtor for a fee of ~~eight dollars (\$8.00)~~ fifteen dollars (\$15.00). Upon request the
37 filing officer shall furnish a copy of any filed financing statement or statement of
38 assignment for a uniform fee of one dollar (\$1.00) per page."

39 Section 16. Sections 1 through 4 and this section of this act are effective
40 when the act becomes law. Sections 5 and 6 of this act become effective July 1, 1997.
41 G.S. 55-1-22(a)(23), as amended by Section 7 of this act, becomes effective January 1,
42 1998, and applies to tax years ending on or after December 31, 1997. The remaining
43 changes made by Section 7 of this act become effective July 1, 1997. Sections 8 and 9
44 of this act become effective July 1, 1997. Sections 10 and 11 of this act become

1 effective January 1, 1998, and apply to annual reports filed for tax years ending on or
2 after December 31, 1997. Sections 12 through 15 of this act become effective July 1,
3 1997.

Draft Number: PCS 4562
Sequential Referral: None
Recommended Referral: None
Long Title Amended: No

S.B.(CS #1)727 Insurance Regulatory Charge
Draft Number: PCS2691
Sequential Referral: None
Recommended Referral: Appropriations
Long Title Amended: Yes

TOTAL REPORTED: 3

Committee Clerk Comment: None

SENATE FINANCE COMMITTEE

TUESDAY, APRIL 15, 1997

12 NOON - ROOM 544 LOB

The Senate Finance Committee met on April 15, 1997 with Senator Hoyle presiding. There were 23 committee members present.

S.B. 232 - Clean Water Bonds

Senator Kerr was recognized to explain S.B. 232 and he moved that a proposed committee substitute be adopted. The motion carried and Senator Kerr explained the committee substitute. At the conclusion of his presentation Senator Albertson and Senator Larry Shaw both commended Senator Kerr for introducing this bill. There were several questions from the committee members which were answered by Senator Kerr and staff.

The following speakers were recognized and spoke in support of this bill:

Linda Rhimer, Assistant Secretary with DEHNR.

Billy Ray Hall, North Carolina Rural Center

Paul Lawler, North Carolina Economic Development Association

Arthur Buck Kennedy, Professional Engineers of North Carolina and the Consulting Engineers

John Soles, Rural Development Council

Bill Holman, Conservation Council of North Carolina and the North Carolina Chapter of the Sierra Club

Ellis Hankins, Executive Director of the North Carolina League of Municipalities

Ron Aycock, North Carolina Association of County Commissioners

Senator Albertson was recognized for a motion for a "favorable" report for the committee substitute and the motion carried. Copy of bill, committee substitute and information on this bill included in the minutes.

S.B. 529 - Hope Mills Annexations

Senator Rand was recognized to explain this bill and he moved for a "favorable" report. The motion carried. Copy of bill and fiscal note included in the minutes.

S.B. 253 - Telephone Consumer Protection /AB

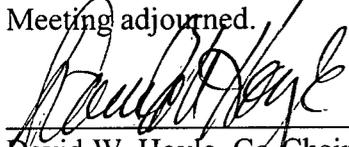

Senator Winner was recognized to explain S.B. 253. At the conclusion of Senator Winner's explanation, Senator Hartsell was recognized for a motion for a "favorable" report and the motion carried. Copy of bill and fiscal note included in the minutes.

S.B. 635 - Expand Interstate Highways

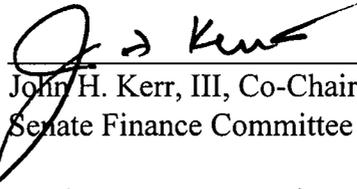

Senator Larry Shaw was recognized to explain this bill and at the beginning of his presentation, a video was shown. He then explained his bill and introduced Richard Bostic, Fiscal Staff, to comment on the fiscal note.

Dr. Larry Goode, DOT, was recognized and commented that there are other states who charge tolls. Senator Kerr commended Senator Larry Shaw for bringing this idea forward and commented that it is certainly an idea that needs to be considered in the right context. Senator Hoyle announced that this bill would not be voted on today. Copy of bill, committee substitute and fiscal note included in the minutes.

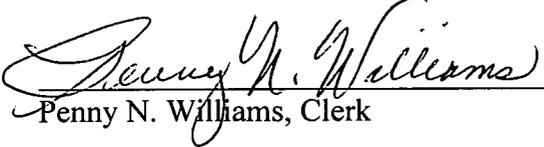

Meeting adjourned.

David W. Hoyle, Co-Chair
Senate Finance Committee

John H. Kerr, III, Co-Chair
Senate Finance Committee

Penny N. Williams, Clerk

Evelyn S. Hartsell, Clerk

Sponsors: Senators Kerr; Albertson, Ballance, Ballantine, Carpenter, Conder, Cooper, Dalton, Horton, Hoyle, Jordan, Martin of Pitt, Odom, Perdue, Rand, Soles, Warren, Weinstein, and Wellons.

Referred to: Finance.

February 24, 1997

A BILL TO BE ENTITLED

1
2 AN ACT TO AUTHORIZE THE ISSUANCE OF GENERAL OBLIGATION
3 BONDS OF THE STATE, SUBJECT TO A VOTE OF THE QUALIFIED
4 VOTERS OF THE STATE, TO PROVIDE FUNDS FOR GRANTS, LOANS,
5 AND REVOLVING LOANS TO LOCAL GOVERNMENT UNITS FOR
6 WATER SUPPLY SYSTEMS, WASTEWATER COLLECTION SYSTEMS,
7 WASTEWATER TREATMENT WORKS, AND WATER CONSERVATION
8 PROJECTS.

9 The General Assembly of North Carolina enacts:

10 Section 1. Short title. This act shall be known as the "Clean Water
11 Bond Act of 1997".

12 Section 2. Purpose. It is the intent of the General Assembly by this act
13 to provide for the issuance of general obligation bonds of the State and to provide
14 that the proceeds realized from the sale of the bonds shall be allocated as follows:

15 (1) Two hundred million dollars (\$200,000,000) to provide State
16 matching funds required to receive federal wastewater or water
17 supply assistance funds and to provide additional funding for the
18 Clean Water Revolving Loan and Grant Fund established in
19 Chapter 159G of the General Statutes or to provide funding by
20 grants and loans to local government units; and

21 (2) Five hundred million dollars (\$500,000,000) to provide loans to
22 local government units to finance all or a portion of the cost of

1 construction, improvements, enlargements, extensions, and
2 reconstruction of water supply systems, wastewater collection
3 systems, wastewater treatment works, and water conservation
4 projects.

5 The funds to be derived from the sale of the Clean Water
6 Bonds authorized by this act are sufficient to meet no more than a
7 fraction of the needs which now exist and will arise in the
8 immediate future. For this reason, although public necessity and
9 the criteria established by Chapter 159G of the General Statutes
10 shall be the primary consideration in granting and loaning funds,
11 great emphasis shall also be placed on achieving stringent
12 reductions in the levels of nutrients and other pollutants discharged
13 into the State's waters, particularly in nutrient sensitive river
14 basins, in reducing the overall volume of effluent discharged to the
15 State's waters by using alternative methods of wastewater treatment
16 when feasible, on the creation of efficient systems of regional
17 wastewater disposal and regional water supply, and on the
18 willingness and ability of local government units to meet their
19 responsibilities through sound fiscal policies, creative planning, and
20 efficient operation and management.

21 Section 3. Definitions. As used in this act, unless the context otherwise

22 requires:

- 23 (1) "Bonds" means bonds issued under this act.
24 (2) "Clean Water Revolving Loan and Grant Act" means Chapter 796
25 of the 1987 Session Laws, as amended from time to time, codified
26 as Chapter 159G of the General Statutes.
27 (3) "Clean Water Revolving Loan and Grant Fund" means the Clean
28 Water Revolving Loan and Grant Fund as defined in the Clean
29 Water Revolving Loan and Grant Act.
30 (4) "Cost" means, without intending thereby to limit or restrict any
31 proper definition of this term in financing the cost of facilities or
32 purposes authorized by this act:
33 a. The cost of constructing, reconstructing, enlarging,
34 acquiring, and improving facilities, and acquiring equipment
35 and land therefor,
36 b. The cost of engineering, architectural, and other consulting
37 services as may be required,
38 c. Administrative expenses and charges,
39 d. Finance charges and interest prior to and during
40 construction and, if deemed advisable by the State
41 Treasurer, for a period not exceeding two years after the
42 estimated date of completion of construction,
43 e. The cost of bond insurance, investment contracts, credit
44 enhancement and liquidity facilities, interest-rate swap

- 1 agreements or other derivative products, financial and legal
2 consultants, and related costs of bond and note issuance, to
3 the extent and as determined by the State Treasurer,
4 f. The cost of reimbursing the State for any payments made for
5 any cost described above, and
6 g. Any other costs and expenses necessary or incidental to the
7 purposes of this act.
- 8 Allocations in this act of proceeds of bonds to the costs of a project
9 or undertaking in each case may include allocations to pay the
10 costs set forth in items c., d., e., f., and g. in connection with the
11 issuance of bonds for the project or undertaking.
- 12 (5) "Credit facility" means an agreement entered into by the State
13 Treasurer on behalf of the State with a bank, savings and loan
14 association, or other banking institution, an insurance company,
15 reinsurance company, surety company, or other insurance
16 institution, a corporation, investment banking firm, or other
17 investment institution, or any financial institution or other similar
18 provider of a credit facility, which provider may be located within
19 or without the United States of America, such agreement providing
20 for prompt payment of all or any part of the principal or purchase
21 price (whether at maturity, presentment or tender for purchase,
22 redemption or acceleration), redemption premium, if any, and
23 interest on any bonds or notes payable on demand or tender by the
24 owner, in consideration of the State agreeing to repay the provider
25 of the credit facility in accordance with the terms and provisions of
26 such agreement.
- 27 (6) "Local government units" means local government units as defined
28 in the Clean Water Revolving Loan and Grant Act.
- 29 (7) "Notes" means notes issued under this act.
- 30 (8) "Par formula" means any provision or formula adopted by the
31 State to provide for the adjustment, from time to time, of the
32 interest rate or rates borne by any bonds or notes, including:
- 33 a. A provision providing for such adjustment so that the
34 purchase price of such bonds or notes in the open market
35 would be as close to par as possible,
36 b. A provision providing for such adjustment based upon a
37 percentage or percentages of a prime rate or base rate,
38 which percentage or percentages may vary or be applied for
39 different periods of time, or
40 c. Such other provision as the State Treasurer may determine
41 to be consistent with this act and will not materially and
42 adversely affect the financial position of the State and the
43 marketing of bonds or notes at a reasonable interest cost to
44 the State.

- 1 (9) "State" means the State of North Carolina.
2 (10) "Wastewater collection systems" means wastewater collection
3 systems as defined in the Clean Water Revolving Loan and Grant
4 Act.
5 (11) "Wastewater treatment works" means wastewater treatment works
6 as defined in the Clean Water Revolving Loan and Grant Act.
7 (12) "Water conservation projects" include but are not limited to any
8 construction, repair, renovation, expansion, replacement of
9 components, or other capital improvement, including related
10 equipment and land acquisition, designed to:
11 a. Eliminate the wasteful or unnecessary use or loss of water in
12 the operations of a wastewater collection system, wastewater
13 treatment works, or water supply system; or
14 b. Enhance the operation of a wastewater collection system,
15 wastewater treatment works, or water supply system to
16 provide a more efficient use of water.
17 (13) "Water Pollution Control Revolving Fund" means the fund
18 described by G.S. 159G-4(a) and G.S. 159G-5(c).
19 (14) "Water supply systems" means water supply systems as defined in
20 the Clean Water Revolving Loan and Grant Act.

21 Section 4. Authorization of bonds and notes. Subject to a favorable vote
22 of a majority of the qualified voters of the State who vote on the question of issuing
23 Clean Water Bonds in the election called and held as provided in this act, the State
24 Treasurer is hereby authorized, by and with the consent of the Council of State, to
25 issue and sell, at one time or from time to time, general obligation bonds of the State
26 to be designated "State of North Carolina Clean Water Bonds", with any additional
27 designations as may be determined to indicate the issuance of bonds from time to
28 time, or notes of the State as provided in this act, in an aggregate principal amount
29 not exceeding seven hundred million dollars (\$700,000,000) for the purpose of
30 providing funds, with any other available funds, for the purposes authorized in this
31 act.

32 Section 5. Uses of bond and note proceeds. The proceeds of Clean
33 Water Bonds and notes shall be used for the purpose of making loans and grants to
34 local governments as follows:

- 35 (1) The proceeds of two hundred million dollars (\$200,000,000) of
36 Clean Water Bonds shall be used and allocated for the same
37 purposes for which funds in the Clean Water Revolving Loan and
38 Grant Fund may be used including, without limitation, to provide
39 funds to be used to make revolving loans and grants to local
40 government units. The revolving loans and grants shall be made
41 for the purpose of paying the cost of water supply systems,
42 wastewater collection systems, and wastewater treatment works.

43 The first priority for use of these proceeds shall be to
44 provide State funds necessary for the 1998-99 and 1999-2000 fiscal

1 years to match the federal wastewater or water supply assistance
2 funds deposited in the Clean Water Pollution Control Revolving
3 Fund, the State Revolving Water Fund account, or another fund
4 that are available from year to year, unless the General Assembly
5 has provided other funds for this purpose, in which event this
6 priority shall cease to exist to the extent of the availability of those
7 other funds. For the purpose of implementing this priority, the
8 Department of Environment, Health, and Natural Resources shall
9 certify to the State Treasurer the amount of funds required for the
10 State match for each of the fiscal years ending June 30, 1999, and
11 June 30, 2000, and the extent to which the General Assembly has
12 provided other funds for this purpose. Upon certification to the
13 State Treasurer of the amount of funds required for the State
14 match for the fiscal year ending June 30, 1999, the State may issue
15 up to one hundred million dollars (\$100,000,000) of Clean Water
16 Bonds authorized by this subdivision for the purpose of funding
17 the State match for that fiscal year and for any other purposes
18 authorized by this subdivision. Upon certification to the State
19 Treasurer of the amount of funds required for the State match for
20 the fiscal year ending June 30, 2000, the State may issue the
21 remaining balance of Clean Water Bonds authorized by this
22 subdivision for the purpose of funding the State match for that
23 fiscal year and for any other purposes authorized by this
24 subdivision. The proceeds of the bonds necessary for the State
25 match for each fiscal year shall be deposited in the Clean Water
26 Pollution Control Revolving Fund, the State Revolving Water
27 Fund account, or any other fund or account determined by the
28 State Treasurer.

29 The proceeds may be (i) transferred directly to the Clean
30 Water Revolving Loan and Grant Fund to make revolving loans or
31 grants, (ii) used to make revolving loans or grants directly to the
32 appropriate local government qualifying for a revolving loan or
33 grant from the Clean Water Revolving Loan and Grant Fund, (iii)
34 used for any combination of (i) and (ii), or (iv) used in such other
35 manner as shall effectuate the purposes of this act. Although
36 public necessity and the criteria established by Chapter 159G of
37 the General Statutes shall be the primary consideration in granting
38 and loaning funds, great emphasis shall also be placed on achieving
39 stringent reductions in the levels of nutrients and other pollutants
40 discharged into the State's waters, particularly in nutrient sensitive
41 river basins, in reducing the overall volume of effluent discharged
42 to the State's waters by using alternative methods of wastewater
43 treatment when feasible, on the creation of efficient systems of
44 regional wastewater disposal and regional water supply, and on the

1 willingness and ability of local government units to meet their
2 responsibilities through sound fiscal policies, creative planning, and
3 efficient operation and management. Loans and grants made from
4 bond proceeds transferred from the Clean Water Bonds Fund to
5 the Clean Water Revolving Loan and Grant Fund shall be made
6 and administered in accordance with the provisions of the Clean
7 Water Revolving Loan and Grant Act. Loans and grants made
8 from bond proceeds directly to local government units and any
9 loan repayments shall, to the extent applicable, be made,
10 administered, and applied in accordance with the provisions of the
11 Clean Water Revolving Loan and Grant Act. Repayments of any
12 direct loans may be initially placed into any fund or account as
13 may be determined by the State Treasurer for the purpose of
14 determining compliance with the applicable requirements of the
15 federal tax law and shall be expended and disbursed therefrom
16 under the direction and supervision of the Director of the Budget.

- 17 (2) The proceeds of five hundred million dollars (\$500,000,000) of
18 Clean Water Bonds shall be used for the purpose of making loans
19 to local government units to pay the cost of water supply systems,
20 water conservation projects, wastewater collection systems, and
21 wastewater treatment works. Sixty-nine percent (69%) of the
22 proceeds of the bonds and notes shall be allocated for loans to
23 local government units for wastewater collection systems and
24 wastewater treatment works. Thirty-one percent (31%) of the
25 proceeds of the bonds and notes shall be allocated for loans to
26 local government units for water supply systems and water
27 conservation projects.

28 The proceeds shall be used to make loans directly to local
29 government units qualifying for a loan from the Clean Water
30 Revolving Loan and Grant Fund or loaned in such other manner
31 as shall effectuate the purposes of this act. To qualify for a loan
32 from the Clean Water Bonds Fund for the purpose of paying the
33 cost of water supply systems, a local government unit must have a
34 water supply facility plan approved by the Department of
35 Environment, Health, and Natural Resources. A water supply
36 facility plan submitted by a local government unit to the
37 Department under G.S. 143-355(i) will be sufficient to meet this
38 requirement. To qualify for a loan from the Clean Water Bonds
39 Fund for the purpose of paying the cost of wastewater collection
40 systems or wastewater treatment works, a local government unit
41 must have a wastewater facility plan approved by the Department
42 of Environment, Health, and Natural Resources. A wastewater
43 facility plan must project future wastewater treatment needs, must
44 present a long-range plan to meet those needs, and must include

1 plans for system operations and maintenance of the facilities being
2 built with the bond proceeds.

3 The Department of Environment, Health, and Natural
4 Resources shall set the priorities and determine the eligibility of
5 local government units for these loans in accordance with Section
6 10 of this act. The form of the loans and the details thereof
7 including, without limitation, the maturity, interest rate, and
8 amortization schedule, shall be determined, from time to time, by
9 the State Treasurer. In making these determinations, the State
10 Treasurer shall consider the purpose of the loans, the ability of
11 local government units to repay the loans, and the security for the
12 loans. The interest rates on these loans shall reflect the self-
13 supporting nature of the loan program and shall be sufficient to
14 cover substantially all payments of debt service on the five hundred
15 million dollars (\$500,000,000) of Clean Water Bonds and the
16 issuance costs and administrative expenses associated with the
17 issuance of these bonds and the making of these loans, subject to
18 any applicable requirements of the federal tax law.

19 Repayments of the loans shall be credited to the General
20 Fund and may be used to pay, directly or indirectly, debt service
21 on the bonds and notes issued. Repayments may be initially
22 placed into such fund or account as may be determined by the
23 State Treasurer for the purpose of determining compliance with
24 applicable requirements of the federal tax law and shall be
25 expended and disbursed therefrom under the direction and
26 supervision of the Director of the Budget.

27 Any additional moneys which may be received by means of a grant or
28 grants from the United States of America or any agency or department thereof or
29 from any other source for deposit to the Clean Water Bonds Fund may be placed in
30 the Clean Water Bonds Fund or in a separate account or fund and shall be disbursed,
31 to the extent permitted by the terms of the grant or grants, without regard to any
32 limitations imposed by this act.

33 The proceeds of bonds and notes may be used with any other moneys
34 made available by the General Assembly for making grants and loans authorized by
35 this act, including the proceeds of any other State bond issues, whether heretofore
36 made available or which may be made available at the session of the General
37 Assembly at which this act is ratified or any subsequent sessions. The proceeds of
38 bonds and notes shall be expended and disbursed under the direction and supervision
39 of the Director of the Budget. The funds provided by this act shall be disbursed for
40 the purposes provided in this act upon warrants drawn on the State Treasurer by the
41 State Controller, which warrants shall not be drawn until requisition has been
42 approved by the Director of the Budget and which requisition shall be approved only
43 after full compliance with the Executive Budget Act, Article 1 of Chapter 143 of the
44 General Statutes.

1 Section 6. Allocation of proceeds. The proceeds of Clean Water Bonds
2 and notes, including premium thereon, if any, except the proceeds of bonds the
3 issuance of which has been anticipated by bond anticipation notes or the proceeds of
4 refunding bonds or notes, shall be placed by the State Treasurer in a special fund to
5 be designated "Clean Water Bonds Fund", which may include such appropriate
6 special accounts therein as may be determined by the State Treasurer, and shall be
7 disbursed as provided in this act. Moneys in the Clean Water Bonds Fund shall be
8 allocated and expended as provided in this act.

9 Allocations to the costs of a capital improvement or undertaking in each
10 case may include allocations to pay the costs set forth in Section 3(4)c., d., e., f., and
11 g. of this act in connection with the issuance of bonds for that capital improvement or
12 undertaking.

13 Section 7. Election. The questions of the issuance of the bonds
14 authorized by this act shall be submitted to the qualified voters of the State at the
15 next statewide election or statewide primary election, whichever comes first. Any
16 other primary, election, or referendum validly called or scheduled by law at the time
17 the election on the bond questions provided for in this section is held, may be held as
18 called or scheduled. Notice of the election shall be given in the manner and at the
19 times required by G.S. 163-33(8). The election and the registration of voters therefor
20 shall be held under and in accordance with the general laws of the State. Absentee
21 ballots shall be authorized in the election.

22 The State Board of Elections shall reimburse the counties of the State for
23 all necessary expenses incurred in holding the election that are in addition to those
24 that would have otherwise been incurred, the same to be paid out of the Contingency
25 and Emergency Fund or other funds available to the State Board of Elections.

26 Ballots, voting systems authorized by Article 14 of Chapter 163 of the
27 General Statutes, or both may be used in accordance with rules prescribed by the
28 State Board of Elections. The bond question to be used in the ballots or voting
29 systems shall be in substantially the following form:

30 "[] FOR the issuance of seven hundred million dollars (\$700,000,000)
31 State of North Carolina Clean Water Bonds constituting general
32 obligation bonds of the State secured by a pledge of the faith and
33 credit and taxing power of the State for the purpose of providing
34 funds, with any other available funds, to make loans, revolving
35 loans, and grants to local government units to pay all or a portion
36 of the cost of clean water projects.

37 [] AGAINST the issuance of seven hundred million dollars
38 (\$700,000,000) State of North Carolina Clean Water Bonds
39 constituting general obligation bonds of the State secured by a
40 pledge of the faith and credit and taxing power of the State for the
41 purpose of providing funds, with any other available funds, to
42 make loans, revolving loans, and grants to local government units
43 to pay all or a portion of the cost of clean water projects."

1 If a majority of those voting on the Clean Water Bond question in the
2 election vote in favor of the issuance of the bonds, the bonds may be issued as
3 provided in this act. If a majority of those voting on the Clean Water Bond question
4 in the election vote against the issuance of the bonds, the bonds shall not be issued.

5 The results of the election shall be canvassed and declared as provided by
6 law for elections for State officers; the results of the election shall be certified by the
7 State Board of Elections to the Secretary of State, in the manner and at the time
8 provided by the general election laws of the State.

9 Section 8. Issuance of bonds and notes. (a) Terms and Conditions.
10 Bonds or notes may bear such date or dates, may be serial or term bonds or notes, or
11 any combination thereof, may mature in such amounts and at such time or times, not
12 exceeding 40 years from their date or dates, may be payable at such place or places,
13 either within or without the United States of America, in such coin or currency of the
14 United States of America as at the time of payment is legal tender for payment of
15 public and private debts, may bear interest at such rate or rates, which may vary from
16 time to time, and may be made redeemable before maturity, at the option of the State
17 or otherwise as may be provided by the State, at such price or prices, including a
18 price less than the face amount of the bonds or notes, and under such terms and
19 conditions, all as may be determined by the State Treasurer, by and with the consent
20 of the Council of State.

21 (b) Signatures; Form and Denomination; Registration. Bonds or notes
22 may be issued as certificated or uncertificated obligations. If issued as certificated
23 obligations, bonds or notes shall be signed on behalf of the State by the Governor or
24 shall bear his facsimile signature, shall be signed by the State Treasurer or shall bear
25 his facsimile signature, and shall bear the Great Seal of the State or a facsimile
26 thereof shall be impressed or imprinted thereon. If bonds or notes bear the facsimile
27 signatures of the Governor and the State Treasurer, the bonds or notes shall also bear
28 a manual signature which may be that of a bond registrar, trustee, paying agent, or
29 designated assistant of the State Treasurer. Should any officer whose signature or
30 facsimile signature appears on bonds or notes cease to be such officer before the
31 delivery of the bonds or notes, the signature or facsimile signature shall nevertheless
32 have the same validity for all purposes as if the officer had remained in office until
33 delivery and bonds or notes may bear the facsimile signatures of persons who at the
34 actual time of the execution of the bonds or notes shall be the proper officers to sign
35 any bond or note although at the date of the bond or note such persons may not have
36 been such officers. The form and denomination of bonds or notes, including the
37 provisions with respect to registration of the bonds or notes and any system for their
38 registration, shall be as the State Treasurer may determine in conformity with this act;
39 provided, however, that nothing in this act shall prohibit the State Treasurer from
40 proceeding, with respect to the issuance and form of the bonds or notes, under the
41 provisions of Chapter 159E of the General Statutes, the Registered Public Obligations
42 Act, as well as under this act.

43 (c) Manner of Sale; Expenses. Subject to determination by the Council
44 of State as to the manner in which bonds or notes shall be offered for sale, whether at

1 public or private sale, whether within or without the United States of America, and
2 whether by publishing notices in certain newspapers and financial journals, mailing
3 notices, inviting bids by correspondence, negotiating contracts of purchase or
4 otherwise, the State Treasurer is authorized to sell bonds or notes at one time or from
5 time to time at such rate or rates of interest, which may vary from time to time, and
6 at such price or prices, including a price less than the face amount of the bonds or
7 the notes, as the State Treasurer may determine. All expenses incurred in
8 preparation, sale, and issuance of bonds or notes shall be paid by the State Treasurer
9 from the proceeds of bonds or notes or other available moneys.

10 (d) Notes; Repayment.

11 (1) By and with the consent of the Council of State, the State
12 Treasurer is hereby authorized to borrow money and to execute
13 and issue notes of the State for the same, but only in the following
14 circumstances and under the following conditions:

15 a. For anticipating the sale of bonds to the issuance of which
16 the Council of State shall have given consent, if the State
17 Treasurer shall deem it advisable to postpone the issuance of
18 the bonds;

19 b. For the payment of interest on or any installment of
20 principal of any bonds then outstanding, if there shall not be
21 sufficient funds in the State treasury with which to pay the
22 interest or installment of principal as they respectively
23 become due;

24 c. For the renewal of any loan evidenced by notes herein
25 authorized;

26 d. For the purposes authorized in this act; and

27 e. For refunding bonds or notes as herein authorized.

28 (2) Funds derived from the sale of bonds or notes may be used in the
29 payment of any bond anticipation notes issued under this act.
30 Funds provided by the General Assembly for the payment of
31 interest on or principal of bonds shall be used in paying the
32 interest on or principal of any notes and any renewals thereof, the
33 proceeds of which shall have been used in paying interest on or
34 principal of the bonds.

35 (e) Refunding Bonds and Notes. By and with the consent of the Council
36 of State, the State Treasurer is authorized to issue and sell refunding bonds and notes
37 pursuant to the provisions of the State Refunding Bond Act for the purpose of
38 refunding bonds or notes issued pursuant to this act. The refunding bonds and notes
39 may be combined with any other issues of State bonds and notes similarly secured.

40 (f) Tax Exemption. Bonds and notes shall be exempt from all State,
41 county, and municipal taxation or assessment, direct or indirect, general or special,
42 whether imposed for the purpose of general revenue or otherwise, excluding
43 inheritance and gift taxes, income taxes on the gain from the transfer of bonds and

1 notes, and franchise taxes. The interest on bonds and notes shall not be subject to
2 taxation as to income.

3 (g) Investment Eligibility. Bonds and notes are hereby made securities in
4 which all public officers, agencies, and public bodies of the State and its political
5 subdivisions, all insurance companies, trust companies, investment companies, banks,
6 savings banks, savings and loan associations, credit unions, pension or retirement
7 funds, other financial institutions engaged in business in the State, executors,
8 administrators, trustees, and other fiduciaries may properly and legally invest funds,
9 including capital in their control or belonging to them. Bonds and notes are hereby
10 made securities which may properly and legally be deposited with and received by
11 any officer or agency of the State or political subdivision of the State for any purpose
12 for which the deposit of bonds, notes, or obligations of the State or any political
13 subdivision is now or may hereafter be authorized by law.

14 (h) Faith and Credit. The faith and credit and taxing power of the State
15 are hereby pledged for the payment of the principal of and the interest on bonds and
16 notes. In addition to the State's right to amend any provision of this act to the extent
17 it does not impair any contractual right of a bond owner, the State expressly reserves
18 the right to amend any provision of this act with respect to the making and
19 repayment of loans, the disposition of any repayments of loans, and any intercept
20 provisions relating to the failure of a local government unit to repay a loan, the bonds
21 not being secured in any respect by loans, any repayments thereof, or any intercept
22 provisions with respect thereto.

23 Section 9. Variable interest rates. In fixing the details of bonds and
24 notes, the State Treasurer may provide that any of the bonds or notes may:

25 (1) Be made payable from time to time on demand or tender for
26 purchase by the owner thereof provided a credit facility supports
27 the bonds or notes, unless the State Treasurer specifically
28 determines that a credit facility is not required upon a finding and
29 determination by the State Treasurer that the absence of a credit
30 facility will not materially or adversely affect the financial position
31 of the State and the marketing of the bonds or notes at a
32 reasonable interest cost to the State;

33 (2) Be additionally supported by a credit facility;

34 (3) Be made subject to redemption or a mandatory tender for
35 purchase prior to maturity;

36 (4) Bear interest at a rate or rates that may vary for such period or
37 periods of time, all as may be provided in the proceedings
38 providing for the issuance of the bonds or notes, including, without
39 limitation, such variations as may be permitted pursuant to a par
40 formula; and

41 (5) Be made the subject of a remarketing agreement whereby an
42 attempt is made to remarket bonds or notes to new purchasers
43 prior to their presentment for payment to the provider of the credit
44 facility or to the State.

1 If the aggregate principal amount repayable by the State under a credit
2 facility is in excess of the aggregate principal amount of bonds or notes secured by
3 the credit facility, whether as a result of the inclusion in the credit facility of a
4 provision for the payment of interest for a limited period of time or the payment of a
5 redemption premium or for any other reason, then the amount of authorized but
6 unissued bonds or notes during the term of such credit facility shall not be less than
7 the amount of such excess, unless the payment of such excess is otherwise provided
8 for by agreement of the State executed by the State Treasurer.

9 Section 10. Special provisions governing clean water loans. (a) Scope.
10 The provisions of this section shall apply to loans being made from the proceeds of
11 bonds authorized by this act for clean water projects, other than from funds deposited
12 in the Clean Water Revolving Loan and Grant Fund.

13 (b) Clean Water Bonds Loan Fund. There is established in the
14 Department of State Treasurer a fund to be known as the Clean Water Bonds Loan
15 Fund, which may include any special or segregated accounts the State Treasurer
16 considers appropriate. There shall be deposited in the Clean Water Bonds Loan
17 Fund proceeds of the Clean Water Bonds and notes to be used to make loans, other
18 than loans to be made through the Clean Water Revolving Loan and Grant Fund, to
19 local government units for clean water projects as provided in this act. Funds in the
20 various accounts may be invested from time to time by the State Treasurer in the
21 same manner permitted for investments of funds belonging to the State or held in the
22 State treasury. Any investment earnings shall be credited to the particular account
23 from which the investment was made.

24 All moneys accruing to the credit of the Clean Water Bonds Loan Fund,
25 other than funds set aside for administrative expenses, including expenses related to
26 determining compliance with applicable requirements of the federal tax law and costs
27 of issuance, shall be used to make loans for the purposes provided in this act. The
28 State Treasurer shall be responsible for making and administering all loans pursuant
29 to the provisions of this section.

30 (c) Application for Loans; Hearings.

31 (1) Eligibility/Initial Hearing.

32 a. Prior to filing an application for a loan, a local government
33 unit shall hold a public hearing. A notice of the public
34 hearing shall be published once at least 10 days before the
35 date fixed for the hearing.

36 b. All applications for loans shall be filed with the Department
37 of Environment, Health, and Natural Resources. The form
38 of the application shall be prescribed by the Department
39 and shall require any information necessary to determine the
40 eligibility for a loan under the provisions of this section. All
41 applications approved by the Department of Environment,
42 Health, and Natural Resources shall be filed with the Local
43 Government Commission. Each applicant shall furnish to
44 the Department of Environment, Health, and Natural

- 1 Resources and the Local Government Commission
2 information in addition or supplemental to the information
3 contained in its application, upon request.
- 4 c. A local government unit shall not be eligible for a loan
5 unless it demonstrates to the satisfaction of the Department
6 of Environment, Health, and Natural Resources and the
7 Local Government Commission that:
- 8 1. The applicant is a local government unit;
 - 9 2. The applicant has the financial capacity to pay the
10 principal of and interest on its proposed loan as
11 evidenced by the approval of the Local Government
12 Commission;
 - 13 3. The applicant has substantially complied or will
14 substantially comply with all applicable laws, rules,
15 regulations, and ordinances, whether federal, State, or
16 local; and
 - 17 4. The applicant has agreed by official resolution to
18 adopt and place into effect a schedule of fees and
19 charges or the application of other sources of revenue
20 which will provide adequate funds for proper
21 operation, maintenance, and administration of the
22 project and repayment of all principal and interest on
23 the loan.
- 24 (2) Assessment. The Department of Environment, Health, and Natural
25 Resources may require any applicant to file with its application an
26 assessment of the impact the project for which the funds are sought
27 will have upon meeting the facility needs of the area within which
28 the project is to be located.
- 29 (3) Hearing by the Department of Environment, Health, and Natural
30 Resources or the Local Government Commission. A public
31 hearing may be held by the Department of Environment, Health,
32 and Natural Resources or the Local Government Commission at
33 any time on any application. Public hearings may also be held by
34 the Department of Environment, Health, and Natural Resources in
35 its discretion upon written request from any citizen or taxpayer
36 who is a resident of the county or counties in which the project is
37 to be located or a resident of the local government unit that
38 proposes to borrow moneys under this act, if it appears that the
39 public interest will be served by the hearing. The written request
40 shall set forth each objection to the proposed project or other
41 reason for requesting a hearing on the application and shall
42 contain the name and address of the persons submitting it. The
43 Department of Environment, Health, and Natural Resources may
44 consider all written objections to the proposed project and other

1 statements along with the application including any significant
2 considerations on facility needs and shall determine if the public
3 interest will be served by a hearing. The determination by the
4 Department of Environment, Health, and Natural Resources shall
5 be conclusive and all written requests for a hearing shall be
6 retained as a permanent part of the records pertaining to the
7 application.

8 (4) Petition for Vote. A petition, demanding that the question of
9 whether to enter into a loan agreement with the State under this
10 act be submitted to voters, may be filed with the clerk of the local
11 government unit applying for the loan within 15 days after the
12 public hearing required by this section. The petition's sufficiency
13 shall be determined and a referendum, if any, shall be conducted,
14 according to the standards, procedures, and limitations set out in
15 G.S. 159-60 through G.S. 159-62.

16 (d) Priorities.

17 (1) Determination. Determination of priorities to be assigned each
18 eligible project shall be made semiannually by the Department of
19 Environment, Health, and Natural Resources during each fiscal
20 year. Every eligible project shall be considered by the Department
21 of Environment, Health, and Natural Resources with every other
22 project eligible during this same priority period.

23 (2) Priority Factors. All applications for loans under this act shall be
24 assigned a priority by the Department of Environment, Health, and
25 Natural Resources. The Department of Environment, Health, and
26 Natural Resources shall establish by rule the priority factors
27 criteria.

28 (3) Assignment of Priority. A written statement relative to each
29 priority assigned shall be prepared by the Department of
30 Environment, Health, and Natural Resources and shall be attached
31 to the application. The priority assigned shall be conclusive.

32 (4) Failure to Qualify. If an application does not qualify for a loan as
33 of the prior period in which the application was eligible for
34 consideration by reason of the priority assigned, the application
35 shall be considered during the next succeeding priority period
36 upon request of the applicant. If the application again fails to
37 qualify for a loan during the second priority period by reason of
38 the priority assigned, the application shall receive no further
39 consideration. An applicant may file a new application at any time
40 and may amend any pending application to include additional data
41 or information.

42 (5) Withdrawal of Commitment. Failure of an applicant within one
43 year after the date of acceptance of the loan to arrange for
44 necessary financing of the proposed project or award of the

1 contract of the construction of the proposed project shall constitute
2 sufficient cause for withdrawal of the commitment. Prior to
3 withdrawal of a commitment, the Department of Environment,
4 Health, and Natural Resources shall give due consideration to any
5 extenuating circumstances presented by the applicant as reasons for
6 failure to arrange necessary financing or to award a contract, and
7 the commitment may be extended for an additional period of time
8 if, in the judgment of the Department of Environment, Health, and
9 Natural Resources, the extension is justified.

10 (e) Disbursement. To be eligible to receive the loans provided for in this
11 section, a local government unit must arrange to borrow the amounts necessary
12 pursuant to rules adopted by the Local Government Commission. No funds shall be
13 disbursed until the Department of Environment, Health, and Natural Resources gives
14 a certificate of eligibility to the effect that the applicant meets all eligibility criteria
15 and that all procedural requirements of this act have been met. The maximum
16 principal amount of a loan shall be one hundred percent (100%) of the cost of any
17 eligible project.

18 (f) Intercept. The governing body of a local government unit shall by
19 resolution authorize to be included in its loan agreement a provision authorizing the
20 State Treasurer, upon failure of the local government unit to make a scheduled
21 repayment of the loan, to withhold from the local government unit any State funds
22 that would otherwise be distributed to the local government unit in an amount
23 sufficient to pay all sums then due and payable to the State as a repayment of the
24 loan. In such event, notwithstanding any other provision of law, the State Treasurer
25 is authorized to withhold and apply such funds to the repayment of the loan, except
26 that such funds shall not be withheld if (i) before the execution of the loan
27 agreement, such funds have been legally pledged to secure special obligation bonds or
28 other obligations of the local government unit, or (ii) after the execution of the loan
29 agreement, such funds are legally pledged to secure special obligation bonds or other
30 obligations of the local government unit as authorized in this subsection. After the
31 execution of a loan agreement, all or any portion of the State funds specified in the
32 loan agreement to be so withheld may be pledged to secure special obligation bonds
33 or other obligations of the local government unit only with the prior written consent
34 of the State Treasurer.

35 The State Treasurer shall notify the Secretary of Revenue and the State
36 Controller of the amount to be withheld from the local government unit, and the
37 Secretary of Revenue and the State Controller shall transfer to the State Treasurer
38 the amount so requested to be applied by the State Treasurer to the repayment of the
39 loan.

40 (g) Inspection. Inspection of a project for which a loan has been made
41 under this act may be performed by qualified personnel of the Department of
42 Environment, Health, and Natural Resources or may be performed by qualified
43 engineers registered in this State approved by the Department of Environment,
44 Health, and Natural Resources. No person shall be approved to perform inspections

1 who is an officer employed by the local government unit to which the loan was made
2 or who is an owner, officer, employer, or agent of a contractor or subcontractor
3 engaged in the construction of the project for which the loan was made. For the
4 purpose of payment of inspection fees, inspection services shall be included in the
5 term "cost" as used in this act.

6 (h) Rules. The State Treasurer, the Local Government Commission, and
7 the Department of Environment, Health, and Natural Resources may adopt, modify,
8 and repeal rules necessary for the administration of their respective duties under this
9 act. Uniform rules may be jointly adopted where feasible and desirable, and no rule,
10 jointly adopted, may be modified or revoked except upon concurrence of all agencies
11 involved.

12 (i) Federal Grants and Loans. In order to carry out the purposes of this
13 act to secure the greatest possible benefits to the citizens of this State of the funds
14 appropriated, the State Treasurer, the Local Government Commission, and the
15 Department of Environment, Health, and Natural Resources shall adopt rules and
16 criteria, not inconsistent with provisions of this act, as are necessary and appropriate
17 to conform to regulations for federal grants and loans for any of the purposes set
18 forth in this act.

19 (j) Reports. The Department of Environment, Health, and Natural
20 Resources shall prepare and file each year on or before July 31 with the Joint
21 Legislative Commission on Governmental Operations a report for the preceding fiscal
22 year concerning the allocation and making of loans authorized by this act. The
23 report shall set forth for the preceding fiscal year:

- 24 (1) Itemized and total allocations of loans authorized and unallocated
25 funds for the loan program as of the end of the preceding fiscal
26 year;
- 27 (2) Identification of each loan agreement entered into by the State
28 during the preceding fiscal year and the total amount of loans
29 authorized by such loan agreements;
- 30 (3) The amount disbursed to each local government unit pursuant to
31 such loan agreements during the preceding fiscal year and the total
32 amount of such disbursements;
- 33 (4) The loan repayments made by each local government unit
34 pursuant to such loan agreements and the total amount of such
35 loan repayments during the preceding fiscal year; and
- 36 (5) A summary for the five preceding years of the information
37 required by subdivisions (1) through (4).

38 The report shall be signed by the Secretary of Environment, Health, and Natural
39 Resources.

40 (k) Local Government Commission.

- 41 (1) Local government units may execute debt instruments payable to
42 the State in order to obtain loans provided for in this act. Local
43 government units shall pledge or agree to apply as security for such
44 obligations:

- 1 a. Any available source of revenues of the local government
2 unit, including revenues from benefitted facilities or systems,
3 provided that (i) the local government unit has not
4 otherwise pledged the revenues as security for, or
5 contractually agreed to apply the revenues to, the payment
6 of any other obligations of the local government unit, (ii)
7 the use of the revenues is not otherwise restricted by law, or
8 (iii) the revenues are not derived from the exercise of the
9 local government unit's taxing power; or
10 b. Their faith and credit; or
11 c. Any combination of a. or b. above.

12 The faith and credit of a local government unit shall not be
13 pledged or be deemed to have been pledged unless the
14 requirements of Article 4 of Chapter 159 of the General Statutes
15 have been met. The State Treasurer, with the assistance of the
16 Local Government Commission, shall develop and adopt
17 appropriate debt instruments for use under this act.

18 (2) Nothing contained in this act shall prohibit any local government
19 unit from applying any funds of the local government unit not
20 otherwise restricted as to use by law to the payment of any debt
21 instrument payable to the State incurred pursuant to the provisions
22 of this act.

23 (3) The Local Government Commission shall review and approve
24 proposed loans to local government units under this act under the
25 provisions of Articles 4 and 5 of Chapter 159 of the General
26 Statutes. The Local Government Commission in considering the
27 ability of a local government unit to repay a loan may regard as a
28 source of revenue for repayment of a loan revenue sources that
29 may not be available other than on an annual discretionary basis
30 and that may not be subject to a pledge or agreement to apply.
31 Loans under this act shall be outstanding debts for the purposes of
32 Article 10 of Chapter 159 of the General Statutes.

33 (4) The State Treasurer shall annually certify to the General Assembly
34 the financial condition of the loan program and identify existing
35 delinquencies.

36 Section 11. Minority business participation. The goals set by G.S. 143-
37 128 for participation in projects by minority businesses apply to projects funded by
38 the proceeds of bonds or notes issued under this act. The Department of
39 Environment, Health, and Natural Resources shall monitor compliance with this
40 requirement and shall report to the General Assembly by January 1 of each year on
41 the participation by minority businesses in these projects.

42 Section 12. Interpretation of act. (a) Additional Method. The foregoing
43 sections of this act shall be deemed to provide an additional and alternative method
44 for the doing of the things authorized thereby and shall be regarded as supplemental

1 and additional to powers conferred by other laws, and shall not be regarded as in
2 derogation of any powers now existing.

3 (b) Statutory References. References in this act to specific sections or
4 Chapters of the General Statutes or to specific acts are intended to be references to
5 these sections, Chapters, or acts as they may be amended from time to time by the
6 General Assembly.

7 (c) Liberal Construction. This act, being necessary for the health and
8 welfare of the people of the State, shall be liberally construed to effect the purposes
9 thereof.

10 (d) Inconsistent Provisions. Insofar as the provisions of this act are
11 inconsistent with the provisions of any general laws, or parts thereof, the provisions of
12 this act shall be controlling.

13 (e) Severability. If any provision of this act or the application thereof to
14 any person or circumstance is held invalid, such invalidity shall not affect other
15 provisions or applications of the act which can be given effect without the invalid
16 provision or application, and to this end the provisions of this act are declared to be
17 severable.

18 Section 13. Authorize regional planning loans and grants. G.S. 159G-
19 3(4) reads as rewritten:

20 "(4) 'Construction costs' means the actual costs of planning, designing
21 and constructing any project for which a revolving loan or grant is
22 made under this Chapter including planning; environmental
23 assessment; wastewater system analysis, evaluation and
24 rehabilitation; engineering; legal, fiscal, administrative and
25 contingency costs for water supply systems, wastewater collection
26 systems, wastewater treatment works and any extensions,
27 improvements, remodeling, additions, or alterations to existing
28 systems. Construction costs may include excess or reserve capacity
29 costs, attributable to no more than 20-year projected domestic
30 growth, plus ten percent (10%) unspecified industrial growth. In
31 addition, construction costs shall include any fees payable to the
32 Environmental Management Commission or the Division of
33 Environmental Health for review of applications and grant of
34 permits, and fees for inspections under G.S. 159G-14. Construction
35 costs may also include the costs for purchase or acquisition of real
36 property. The term may also include the costs for planning and
37 designing a regional project or small town project. Funds for
38 planning and designing a regional project or small town project
39 may be advanced prior to construction of the project and may be
40 paid even though the project is never actually constructed. A
41 small town is defined as a municipality with a population of 1,000
42 or less."

43 Section 14. G.S. 159G-4(b) reads as rewritten:

1 "(b) Of the appropriations made from the General Fund to the Clean Water
 2 Revolving Loan and Grant Fund for use of the Department of Environment, Health,
 3 and Natural Resources as provided in this Chapter, allocations are made as follows
 4 after first subtracting the amounts allocated under subsection (a) of this section, to the
 5 extent that there are any excess funds available:

6	Wastewater Accounts		
7	General Wastewater Revolving		
8	Loan Account	39.00%	<u>38.00%</u>
9	Emergency Wastewater Revolving		
10	Loan Account	10.00%	<u>9.00%</u>
11	High-Unit Cost Wastewater		
12	Account	20.00%	<u>22.00%</u>
13	Water Supply Accounts		
14	General Water Supply		
15	Revolving Loan Account	21.00%	<u>20.00%</u>
16	High-Unit Cost Water Supply		
17	Account	-5.00%	<u>7.00%</u>
18	Emergency Water Supply Revolving		
19	Loan Account	-5.00%	<u>4.00%</u> ".

20 Section 15. Effective date. This act is effective when it becomes law.

GENERAL ASSEMBLY OF NORTH CAROLINA

SESSION 1997

S

D

SENATE BILL 232
Proposed Committee Substitute S232-PCS2705

Short Title: Clean Water Bonds.

(Public)

Sponsors:

Referred to:

February 24, 1997

A BILL TO BE ENTITLED

1 AN ACT TO AUTHORIZE THE ISSUANCE OF GENERAL OBLIGATION
2 BONDS OF THE STATE, SUBJECT TO A VOTE OF THE QUALIFIED
3 VOTERS OF THE STATE, TO PROVIDE FUNDS FOR GRANTS, LOANS,
4 AND REVOLVING LOANS TO LOCAL GOVERNMENT UNITS FOR
5 WATER SUPPLY SYSTEMS, WASTEWATER COLLECTION SYSTEMS,
6 WASTEWATER TREATMENT WORKS, AND WATER CONSERVATION
7 PROJECTS.
8

9 The General Assembly of North Carolina enacts:

10 Section 1. Short title. This act shall be known as the "Clean Water
11 Bond Act of 1997".

12 Section 2. Purpose. It is the intent of the General Assembly by this act
13 to provide for the issuance of general obligation bonds of the State and to provide
14 that the proceeds realized from the sale of the bonds shall be allocated as follows:

- 15 (1) \$200,000,000 to provide State matching funds required to receive
16 federal wastewater or water supply assistance funds and to provide
17 additional funding for the Clean Water Revolving Loan and Grant
18 Fund established in Chapter 159G of the General Statutes or to
19 provide funding by grants and loans to local government units; and
20 (2) \$800,000,000 to provide loans to local government units to finance
21 all or a portion of the cost of construction, improvements,
22 enlargements, extensions, and reconstruction of water supply

1 systems, wastewater collection systems, wastewater treatment
2 works, and water conservation projects.

3 The funds to be derived from the sale of the Clean Water
4 Bonds authorized by this act are sufficient to meet no more than a
5 fraction of the needs that now exist and will arise in the immediate
6 future. For this reason, although public necessity and the criteria
7 established by Chapter 159G of the General Statutes shall be the
8 primary consideration in granting and loaning funds, great
9 emphasis shall also be placed on achieving stringent reductions in
10 the levels of nutrients and other pollutants discharged into the
11 State's waters, particularly in nutrient sensitive river basins, in
12 reducing the overall volume of effluent discharged to the State's
13 waters by using alternative methods of wastewater treatment when
14 feasible, on the creation of efficient systems of regional wastewater
15 disposal and regional water supply, and on the willingness and
16 ability of local government units to meet their responsibilities
17 through sound fiscal policies, creative planning, and efficient
18 operation and management.

19 Section 3. Definitions. As used in this act, unless the context otherwise

20 requires:

- 21 (1) "Bonds" means bonds issued under this act.
22 (2) "Clean Water Revolving Loan and Grant Act" means Chapter 796
23 of the 1987 Session Laws, as amended from time to time, codified
24 as Chapter 159G of the General Statutes.
25 (3) "Clean Water Revolving Loan and Grant Fund" means the Clean
26 Water Revolving Loan and Grant Fund as defined in the Clean
27 Water Revolving Loan and Grant Act.
28 (4) "Cost" means, without intending thereby to limit or restrict any
29 proper definition of this term in financing the cost of facilities or
30 purposes authorized by this act:
31 a. The cost of constructing, reconstructing, enlarging,
32 acquiring, and improving facilities, and acquiring equipment
33 and land therefor,
34 b. The cost of engineering, architectural, and other consulting
35 services as may be required,
36 c. Administrative expenses and charges,
37 d. Finance charges and interest prior to and during
38 construction and, if deemed advisable by the State
39 Treasurer, for a period not exceeding two years after the
40 estimated date of completion of construction,
41 e. The cost of bond insurance, investment contracts, credit
42 enhancement and liquidity facilities, interest-rate swap
43 agreements or other derivative products, financial and legal

- 1 consultants, and related costs of bond and note issuance, to
2 the extent and as determined by the State Treasurer,
3 f. The cost of reimbursing the State for any payments made for
4 any cost described above, and
5 g. Any other costs and expenses necessary or incidental to the
6 purposes of this act.

7 Allocations in this act of proceeds of bonds to the costs of a project
8 or undertaking in each case may include allocations to pay the
9 costs set forth in items c., d., e., f., and g. in connection with the
10 issuance of bonds for the project or undertaking.

- 11 (5) "Credit facility" means an agreement entered into by the State
12 Treasurer on behalf of the State with a bank, savings and loan
13 association, or other banking institution, an insurance company,
14 reinsurance company, surety company, or other insurance
15 institution, a corporation, investment banking firm, or other
16 investment institution, or any financial institution or other similar
17 provider of a credit facility, which provider may be located within
18 or without the United States of America, such agreement providing
19 for prompt payment of all or any part of the principal or purchase
20 price (whether at maturity, presentment or tender for purchase,
21 redemption or acceleration), redemption premium, if any, and
22 interest on any bonds or notes payable on demand or tender by the
23 owner, in consideration of the State agreeing to repay the provider
24 of the credit facility in accordance with the terms and provisions of
25 such agreement.
- 26 (6) "Local government units" means local government units as defined
27 in the Clean Water Revolving Loan and Grant Act.
- 28 (7) "Notes" means notes issued under this act.
- 29 (8) "Par formula" means any provision or formula adopted by the
30 State to provide for the adjustment, from time to time, of the
31 interest rate or rates borne by any bonds or notes, including:
32 a. A provision providing for such adjustment so that the
33 purchase price of such bonds or notes in the open market
34 would be as close to par as possible,
35 b. A provision providing for such adjustment based upon a
36 percentage or percentages of a prime rate or base rate,
37 which percentage or percentages may vary or be applied for
38 different periods of time, or
39 c. Such other provision as the State Treasurer may determine
40 to be consistent with this act and will not materially and
41 adversely affect the financial position of the State and the
42 marketing of bonds or notes at a reasonable interest cost to
43 the State.
- 44 (9) "State" means the State of North Carolina.

- 1 (10) "Wastewater collection systems" means wastewater collection
2 systems as defined in the Clean Water Revolving Loan and Grant
3 Act.
4 (11) "Wastewater treatment works" means wastewater treatment works
5 as defined in the Clean Water Revolving Loan and Grant Act.
6 (12) "Water conservation projects" include, but are not limited to, any
7 construction, repair, renovation, expansion, replacement of
8 components, or other capital improvement, including related
9 equipment and land acquisition, designed to:
10 a. Eliminate the wasteful or unnecessary use or loss of water in
11 the operations of a wastewater collection system, wastewater
12 treatment works, or water supply system; or
13 b. Enhance the operation of a wastewater collection system,
14 wastewater treatment works, or water supply system to
15 provide a more efficient use of water.
16 (13) "Water Pollution Control Revolving Fund" means the fund
17 described by G.S. 159G-4(a) and G.S. 159G-5(c).
18 (14) "Water supply systems" means water supply systems as defined in
19 the Clean Water Revolving Loan and Grant Act.

20 Section 4. Authorization of bonds and notes. Subject to a favorable vote
21 of a majority of the qualified voters of the State who vote on the question of issuing
22 Clean Water Bonds in the election called and held as provided in this act, the State
23 Treasurer is hereby authorized, by and with the consent of the Council of State, to
24 issue and sell, at one time or from time to time, general obligation bonds of the State
25 to be designated "State of North Carolina Clean Water Bonds", with any additional
26 designations as may be determined to indicate the issuance of bonds from time to
27 time, or notes of the State as provided in this act, in an aggregate principal amount
28 not exceeding one billion dollars (\$1,000,000,000) for the purpose of providing funds,
29 with any other available funds, for the purposes authorized in this act.

30 Section 5. Uses of bond and note proceeds. The proceeds of Clean
31 Water Bonds and notes shall be used for the purpose of making loans and grants to
32 local governments as follows:

- 33 (1) The proceeds of two hundred million dollars (\$200,000,000) of
34 Clean Water Bonds shall be used and allocated for the same
35 purposes for which funds in the Clean Water Revolving Loan and
36 Grant Fund may be used including, without limitation, to provide
37 funds to be used to make revolving loans and grants to local
38 government units. The revolving loans and grants shall be made
39 for the purpose of paying the cost of water supply systems,
40 wastewater collection systems, and wastewater treatment works.

41 The first priority for use of these proceeds shall be to
42 provide State funds necessary for the 1998-99 and 1999-2000 fiscal
43 years to match the federal wastewater or water supply assistance
44 funds deposited in the Water Pollution Control Revolving Fund or

1 another fund that is used to pay the cost of water supply systems,
2 wastewater collection systems, or wastewater treatment works and
3 is eligible to receive federal matching funds, unless the General
4 Assembly has provided the required match through other revenue,
5 in which event this priority shall cease to exist to the extent of the
6 availability of the other revenue. For the purpose of implementing
7 this priority, the Department of Environment, Health, and Natural
8 Resources shall certify to the State Treasurer the amount of funds
9 required for the State match for each of the fiscal years ending
10 June 30, 1999, and June 30, 2000, and the extent to which the
11 General Assembly has provided other funds for this purpose.
12 Upon certification to the State Treasurer of the amount of funds
13 required for the State match for the fiscal year ending June 30,
14 1999, the State may issue up to one hundred million dollars
15 (\$100,000,000) of Clean Water Bonds authorized by this
16 subdivision for the purpose of funding the State match for that
17 fiscal year and for any other purposes authorized by this
18 subdivision. Upon certification to the State Treasurer of the
19 amount of funds required for the State match for the fiscal year
20 ending June 30, 2000, the State may issue the remaining balance of
21 Clean Water Bonds authorized by this subdivision for the purpose
22 of funding the State match for that fiscal year and for any other
23 purposes authorized by this subdivision. The proceeds of the
24 bonds necessary for the State match for each fiscal year shall be
25 deposited in the Water Pollution Control Revolving Fund or
26 another appropriate fund or account determined by the State
27 Treasurer.

28 The proceeds may be (i) transferred directly to the Clean
29 Water Revolving Loan and Grant Fund to make revolving loans or
30 grants, (ii) used to make revolving loans or grants directly to the
31 appropriate local government qualifying for a revolving loan or
32 grant from the Clean Water Revolving Loan and Grant Fund, (iii)
33 used for any combination of (i) and (ii), or (iv) used in such other
34 manner as shall effectuate the purposes of this act. Although
35 public necessity and the criteria established by Chapter 159G of
36 the General Statutes shall be the primary consideration in granting
37 and loaning funds, great emphasis shall also be placed on achieving
38 stringent reductions in the levels of nutrients and other pollutants
39 discharged into the State's waters, particularly in nutrient sensitive
40 river basins, in reducing the overall volume of effluent discharged
41 to the State's waters by using alternative methods of wastewater
42 treatment when feasible, on the creation of efficient systems of
43 regional wastewater disposal and regional water supply, and on the
44 willingness and ability of local government units to meet their

1 responsibilities through sound fiscal policies, creative planning, and
2 efficient operation and management. Loans and grants made from
3 bond proceeds transferred from the Clean Water Bonds Fund to
4 the Clean Water Revolving Loan and Grant Fund shall be made
5 and administered in accordance with the provisions of the Clean
6 Water Revolving Loan and Grant Act. Loans and grants made
7 from bond proceeds directly to local government units and any
8 loan repayments shall, to the extent applicable, be made,
9 administered, and applied in accordance with the provisions of the
10 Clean Water Revolving Loan and Grant Act. Repayments of any
11 direct loans may be initially placed into any fund or account as
12 may be determined by the State Treasurer for the purpose of
13 determining compliance with the applicable requirements of the
14 federal tax law and shall be expended and disbursed therefrom
15 under the direction and supervision of the Director of the Budget.

- 16 (2) The proceeds of eight hundred million dollars (\$800,000,000) of
17 Clean Water Bonds shall be used for the purpose of making loans
18 to local government units to pay the cost of water supply systems,
19 water conservation projects, wastewater collection systems, and
20 wastewater treatment works. Sixty-nine percent (69%) of the
21 proceeds of the bonds and notes shall be allocated for loans to
22 local government units for wastewater collection systems and
23 wastewater treatment works. Thirty-one percent (31%) of the
24 proceeds of the bonds and notes shall be allocated for loans to
25 local government units for water supply systems and water
26 conservation projects.

27 The proceeds shall be used to make loans directly to local
28 government units qualifying for a loan from the Clean Water
29 Revolving Loan and Grant Fund or loaned in such other manner
30 as shall effectuate the purposes of this act. To qualify for a loan
31 from the Clean Water Bonds Fund for the purpose of paying the
32 cost of water supply systems, a local government unit must have a
33 water supply facility plan approved by the Department of
34 Environment, Health, and Natural Resources. A water supply
35 facility plan submitted by a local government unit to the
36 Department under G.S. 143-355(1) will be sufficient to meet this
37 requirement. To qualify for a loan from the Clean Water Bonds
38 Fund for the purpose of paying the cost of wastewater collection
39 systems or wastewater treatment works, a local government unit
40 must have a wastewater facility plan approved by the Department
41 of Environment, Health, and Natural Resources. A wastewater
42 facility plan must project future wastewater treatment needs, must
43 present a long-range plan to meet those needs, and must include

1 plans for system operations and maintenance of the facilities being
2 built with the bond proceeds.

3 The Department of Environment, Health, and Natural
4 Resources shall set the priorities and determine the eligibility of
5 local government units for these loans in accordance with Section
6 10 of this act. The form of the loans and the details thereof
7 including, without limitation, the maturity, interest rate, and
8 amortization schedule, shall be determined, from time to time, by
9 the State Treasurer. In making these determinations, the State
10 Treasurer shall consider the purpose of the loans, the ability of
11 local government units to repay the loans, and the security for the
12 loans. The interest rates on these loans shall reflect the self-
13 supporting nature of the loan program and shall be sufficient to
14 cover substantially all payments of debt service on the eight
15 hundred million dollars (\$800,000,000) of Clean Water Bonds and
16 the issuance costs and administrative expenses associated with the
17 issuance of these bonds and the making of these loans, subject to
18 any applicable requirements of the federal tax law.

19 Repayments of the loans shall be credited to the General
20 Fund and may be used to pay, directly or indirectly, debt service
21 on the bonds and notes issued. Repayments may be initially
22 placed into such fund or account as may be determined by the
23 State Treasurer for the purpose of determining compliance with
24 applicable requirements of the federal tax law and shall be
25 expended and disbursed therefrom under the direction and
26 supervision of the Director of the Budget.

27 Any additional moneys which may be received by means of a grant or
28 grants from the United States of America or any agency or department thereof or
29 from any other source for deposit to the Clean Water Bonds Fund may be placed in
30 the Clean Water Bonds Fund or in a separate account or fund and shall be disbursed,
31 to the extent permitted by the terms of the grant or grants, without regard to any
32 limitations imposed by this act.

33 The proceeds of bonds and notes may be used with any other moneys
34 made available by the General Assembly for making grants and loans authorized by
35 this act, including the proceeds of any other State bond issues, whether heretofore
36 made available or which may be made available at the session of the General
37 Assembly at which this act is ratified or any subsequent sessions. The proceeds of
38 bonds and notes shall be expended and disbursed under the direction and supervision
39 of the Director of the Budget. The funds provided by this act shall be disbursed for
40 the purposes provided in this act upon warrants drawn on the State Treasurer by the
41 State Controller, which warrants shall not be drawn until requisition has been
42 approved by the Director of the Budget and which requisition shall be approved only
43 after full compliance with the Executive Budget Act, Article 1 of Chapter 143 of the
44 General Statutes.

1 Section 6. Allocation of proceeds. The proceeds of Clean Water Bonds
2 and notes, including premium thereon, if any, except the proceeds of bonds the
3 issuance of which has been anticipated by bond anticipation notes or the proceeds of
4 refunding bonds or notes, shall be placed by the State Treasurer in a special fund to
5 be designated "Clean Water Bonds Fund", which may include such appropriate
6 special accounts therein as may be determined by the State Treasurer, and shall be
7 disbursed as provided in this act. Moneys in the Clean Water Bonds Fund shall be
8 allocated and expended as provided in this act.
