If a claim for a lien has been filed with the register of deeds and a condition occurs that would preclude the broker from receiving compensation under the terms of the real estate broker's written agreement, the real estate broker shall record and provide the owner of record a written release or satisfaction of the lien.

"**§ 93A-96. Broker to mail copy of notice of lien to owner by certified mail.**

Any real estate broker who attaches a lien on commercial property pursuant to the provisions of this Article shall mail a copy of the notice of the lien to the owner of the commercial real estate by certified mail. The real estate broker's lien is void if the broker does not record the lien as provided in this Article.

"**§ 93A-97. Enforcing lien.**

A real estate broker may bring suit to enforce a lien which attaches pursuant to the provisions of this Article in any court of competent jurisdiction in the county where the property is located by filing a verified petition that the lien has been recorded. Unless the claim is based upon an option to purchase the commercial real estate, the broker claiming the lien shall commence proceedings within six months after recording the lien and failure to commence proceedings within the six months shall extinguish the lien. A claim for the same lien, extinguished pursuant to this section and G.S. 93A-99, may not be asserted in any subsequent proceeding.

"**§ 93A-98. Petition, content, parties' foreclosure action, procedure.**

(a) A petition filed pursuant to the provisions of this section and G.S. 93A-97 shall contain:

(1) A statement of the terms of the contract or agreement on which the lien is based;

(2) The date when the contract or agreement was made;

(3) A description of the services performed;

(4) The amount due and unpaid;

(5) A description of the property that is subject to the lien; and

(6) Any other facts necessary for a full understanding of the rights of the parties.

The plaintiff shall file the action against all known parties who have an interest in the real estate. A foreclosure action for a lien claimed pursuant to this Article shall be brought pursuant to the provisions of Article 1 of Chapter 44A of the General Statutes.

(b) Valid prior recorded liens or mortgages shall have priority over a real estate broker's lien.

"§ 93A-99. Lien extinguished for broker failing to file suit or answer in pending suit within 30 days after service on owner.

If a broker claiming a lien pursuant to this Article fails to file a suit to enforce the lien or fails to file an answer in a pending suit to enforce a lien within 30 days after a properly served written demand of the owner, lienee, or other authorized agent, the lien shall be extinguished. Service of the demand shall be by registered or certified mail, return receipt requested, or by personal service. The provisions of this section shall not extend any other deadline provided by law or the filing of any pleadings or for the foreclosure of any lien governed by this Article.

"§ 93A-100. Satisfaction or release of lien.

If a claim for lien has been filed pursuant to the provisions of this Article with the register of deeds and the claim has been paid in full or if the lienor fails to institute a suit to enforce the lien within the time as provided by law, the real estate broker shall acknowledge satisfaction or release of the lien in writing upon written demand of the owner within 30 days after the demand.

"§ 93A-101. Cost of proceeding to be paid by nonprevailing party.

The costs of any proceeding brought to enforce a lien filed pursuant to this Article, including reasonable attorneys' fees and prejudgment interest due to the prevailing party, shall be paid by the nonprevailing party or parties. If more than one party is responsible for costs, fees and prejudgment interest, the costs, fees and prejudgment interest shall be equitably apportioned by the court among the responsible parties.

"§ 93A-102. Escrow account.

Unless an alternative procedure is available and is acceptable to the transferee in a real estate transaction, if a claim for a real estate broker's lien has been filed with the register of deeds and that lien would prevent the closing of a transaction or conveyance, an escrow account shall be established with the clerk of the superior court in the county in which the commercial real estate is located from the proceeds of the transaction or conveyance in an amount sufficient to release the claim for the lien. The requirement to establish an escrow account, as provided in this section, shall not be cause for any party to refuse to close a transaction. The proceeds held in that escrow account shall be held by the clerk until the parties' rights to the escrowed funds have been determined by:

(1) Written agreement of the parties;

(2) A final judgment of the court of competent jurisdiction; or

(3) Other process as may be agreed to by the parties.

If funds sufficient to satisfy the amount claimed in the lien have been deposited in the escrow account, the real estate broker shall release the claim for the lien on the real estate.

"§ 93A-103. Broker to give written notice of right to lien on premises at time of closing.

Any real estate broker who proposes to assert a lien pursuant to this Article shall be prohibited from asserting the lien unless, at the time of the closing for the transaction, the broker has given written notice to the purchaser of the commercial real estate that payment of the broker's fee is due and that he or she is entitled to a lien on the premises."

Section 2. This act becomes effective December 1, 1997.

April 1, 1997

A BILL TO BE ENTITLED

AN ACT TO MAKE CHANGES TO STATUTES CONCERNING BALLOT ACCESS FOR POLITICAL PARTIES.

The General Assembly of North Carolina enacts:

Section 1. G.S. 163-96 reads as rewritten:

"**§ 163-96. 'Political party' defined; creation of new party.**

(a) Definition. -- A political party within the meaning of the election laws of this State shall be either:

(1) Any group of voters which, at the last preceding general State election, polled for its candidate for Governor, or for presidential electors, at least ten percent (10%) of the entire vote cast in the State for Governor or for presidential electors; or

(2) Any group of voters which shall have filed with the State Board of Elections petitions for the formulation of a new political party which are signed by registered and qualified voters in this State equal in number to two percent (2%) of the total number of voters who voted in the most recent general election for Governor. Also the petition must be signed by at least 200 registered voters from each of four congressional districts in North Carolina. To be effective, the petitioners must file their petitions with the State Board of Elections before 12:00 noon on the ~~first day of June~~ second Thursday in July preceding the day on which is to be held the first general State election in which the new political party desires to participate. The State Board of Elections shall forthwith

determine the sufficiency of petitions filed with it and shall immediately communicate its determination to the State chairman of the proposed new political party.

(b) Petitions for New Political Party. -- Petitions for the creation of a new political party shall contain on the heading of each page of the petition in bold print or all in capital letters the words: 'THE UNDERSIGNED REGISTERED VOTERS IN ..... COUNTY HEREBY PETITION FOR THE FORMATION OF A NEW POLITICAL PARTY TO BE NAMED ..... AND WHOSE STATE CHAIRMAN IS ....., RESIDING AT..... AND WHO CAN BE REACHED BY TELEPHONE AT..... THE SIGNERS OF THIS PETITION ~~INTEND TO ORGANIZE A NEW POLITICAL PARTY~~ DESIRE THAT A NEW POLITICAL PARTY BE ORGANIZED TO PARTICIPATE IN THE NEXT SUCCEEDING GENERAL ELECTION.'

All printing required to appear on the heading of the petition shall be in type no smaller than 10 point or in all capital letters, double spaced typewriter size. In addition to the form of the petition, the organizers and petition circulators shall inform the signers of the general purpose and intent of the new party.

The petitions must specify the name selected for the proposed political party. The State Board of Elections shall reject petitions for the formation of a new party if the name chosen contains any word that appears in the name of any existing political party recognized in this State or if, in the Board's opinion, the name is so similar to that of an existing political party recognized in this State as to confuse or mislead the voters at an election.

The petitions must state the name and address of the State chairman of the proposed new political party.

The validity of the signatures on the petitions shall be proved in accordance with one of the following alternative procedures:

(1) The signers may acknowledge their signatures before an officer authorized to take acknowledgments, after which that officer shall certify the validity of the signatures by appropriate notation attached to the petition, or

(2) A person in whose presence a petition was signed may go before an officer authorized to take acknowledgments and, after being sworn, testify to the genuineness of the signatures on the petition, after which the officer before whom he has testified shall certify his testimony by appropriate notation attached to the petition.

Each petition shall be presented to the chairman of the board of elections of the county in which the signatures were obtained, and it shall be the chairman's duty:

(1) To examine the signatures on the petition and place a check mark on the petition by the name of each signer who is qualified and registered to vote in his county.

(2) To attach to the petition his signed certificate

a. Stating that the signatures on the petition have been checked against the registration records and

b. Indicating the number found qualified and registered to vote in his county.

(3) To return each petition, together with the certificate required by the preceding subdivision, to the person who presented it to him for checking.

The group of petitioners shall submit the petitions to the chairman of the county board of elections in the county in which the signatures were obtained no later than 5:00 P.M. on the fifteenth business day preceding the date the petitions are due to be filed with the State Board of Elections as provided in subsection (a)(2) of this section. Provided the petitions are timely submitted, the chairman of the county board of elections shall require a fee of five cents (5¢) for each signature appearing and shall proceed to examine and verify the signatures under the provisions of this subsection. Verification shall be completed within ~~two weeks~~ fifteen business days from the date such petitions are presented and the required fee ~~received.~~ received. Notwithstanding the previous sentence, the county board may extend its deadline for verifying the signatures for a reasonable length of time, if meeting the deadline is unduly burdensome and extending it will not disadvantage the petitioners."

Section 2. G.S. 163-97.1 reads as rewritten:

"**§ 163-97.1. Voters affiliated with expired political party.**

~~The State Board of Elections shall be authorized to promulgate appropriate procedures to order the county boards of elections to change the registration affiliation of all voters who are recorded on the voter registration books as being affiliated with a political party which has lost its legal status as provided in G.S. 163-97. The State Board of Elections shall not implement the authority contained in this section earlier than 90 days following the certification of the election in which the political party failed to continue its legal status as provided in G.S. 163-97. All voters affiliated with such expired political party shall be changed to "unaffiliated" designation by the State Board's order and all such registrants shall be entitled to declare a political party affiliation as provided in G.S. 163-74(b).~~ Any voter registered with a political party shall be allowed to retain that affiliation even if that party loses its status as a political party under the provisions of G.S. 163-97. Unless the voter indicates an intention otherwise, the county board of elections shall carry that voter on its registration lists as a member of the expired party."

Section 3. This act is effective when it becomes law.

TO: Senator Roy A. Cooper, Chair, Senate Judiciary Committee.

FROM: William R. Gilkeson, Staff Attorney.

RE: PCS for Senate Bill 573 – Ballot Access Changes.

The PCS for Senate Bill 573, introduced by Senator Gulley, would make six changes to the ballot access laws relating to new political parties. The changes are designed to remove barriers and to ease administrative burdens on the boards of elections.

The bill as introduced would do the following:

1. Move to the second Thursday in July before the general election the deadline for new parties to file their petitions for ballot access. Currently, the deadline is June 1.

2. Give county boards of elections 15 business days to verify all the names on a new party's petitions, and allow them to extend their deadline if there is no disadvantage to the petitioners. Currently, county boards of elections are given two weeks to verify all the names on a new party's petitions, regardless of whether the party's qualifying deadline, or any other deadline of concern to the party, is imminent.

3. Change the petition wording prescribed in the statute so that its final sentence says: "THE SIGNERS OF THIS PETITION DESIRE THAT A NEW POLITICAL PARTY BE ORGANIZED TO PARTICIPATE IN THE NEXT SUCCEEDING GENERAL ELECTION." Currently, the final sentence says: "THE SIGNERS OF THIS PETITION INTEND TO ORGANIZE A NEW POLITICAL PARTY TO PARTICIPATE IN THE NEXT SUCCEEDING GENERAL ELECTION."

4. Allow voters affiliated with an expired political party to keep that designation on the registration books. Currently, when a party loses its ballot status, boards of elections are required to go to the expense of changing the records of voters affiliated with that party to "Unaffiliated."

The bill was recommended by the LRC Study Committee on Election Laws Reform.

The PCS adds three things to the original bill:

- **A later deadline for a new party to nominate candidates. The old deadline was July 1. Since the original bill set the deadline for the party to qualify at the second Thursday in July, the PCS makes the conforming change of moving the candidate deadline to August 1.**
- **Removes the 5-cent per name fee for filing petitions. The requirement has been struck by the courts and is not being enforced.**
- **Removes the notarization requirement for petition names. This requirement, too, has been struck by the courts and in not being enforced.**

A BILL TO BE ENTITLED

AN ACT TO MAKE CHANGES TO STATUTES CONCERNING BALLOT ACCESS FOR POLITICAL PARTIES.

The General Assembly of North Carolina enacts:

Section 1. G.S. 163-96 reads as rewritten:

"**§ 163-96. 'Political party' defined; creation of new party.**

(a) Definition. -- A political party within the meaning of the election laws of this State shall be either:

(1) Any group of voters which, at the last preceding general State election, polled for its candidate for Governor, or for presidential electors, at least ten percent (10%) of the entire vote cast in the State for Governor or for presidential electors; or

(2) Any group of voters which shall have filed with the State Board of Elections petitions for the formulation of a new political party which are signed by registered and qualified voters in this State equal in number to two percent (2%) of the total number of voters who voted in the most recent general election for Governor. Also the petition must be signed by at least 200 registered voters from each of four congressional districts in North

To be effective, the petitioners must file their petitions with the State Board of Elections before 12:00 noon on the ~~first day of June~~ second Thursday in July preceding the day on which is to be held the first general State election in which the new political party desires to participate. The State Board of Elections shall forthwith determine the sufficiency of petitions filed with it and shall immediately communicate its determination to the State chairman of the proposed new political party.

(b) Petitions for New Political Party. -- Petitions for the creation of a new political party shall contain on the heading of each page of the petition in bold print or all in capital letters the words: 'THE UNDERSIGNED REGISTERED VOTERS IN ..... COUNTY HEREBY PETITION FOR THE FORMATION OF A NEW POLITICAL PARTY TO BE NAMED ..... AND WHOSE STATE CHAIRMAN IS ....., RESIDING AT..... AND WHO CAN BE REACHED BY TELEPHONE AT..... THE SIGNERS OF THIS PETITION ~~INTEND TO ORGANIZE A NEW POLITICAL PARTY~~ DESIRE THAT A NEW POLITICAL PARTY BE ORGANIZED TO PARTICIPATE IN THE NEXT SUCCEEDING GENERAL ELECTION.'

All printing required to appear on the heading of the petition shall be in type no smaller than 10 point or in all capital letters, double spaced typewriter size. In addition to the form of the petition, the organizers and petition circulators shall inform the signers of the general purpose and intent of the new party.

The petitions must specify the name selected for the proposed political party. The State Board of Elections shall reject petitions for the formation of a new party if the name chosen contains any word that appears in the name of any existing political party recognized in this State or if, in the Board's opinion, the name is so similar to that of an existing political party recognized in this State as to confuse or mislead the voters at an election.

The petitions must state the name and address of the State chairman of the proposed new political party.

~~The validity of the signatures on the petitions shall be proved in accordance with one of the following alternative procedures:~~

~~(1) The signers may acknowledge their signatures before an officer authorized to take acknowledgments, after which that officer shall certify the validity~~

~~of the signatures by appropriate notation attached to the petition, or~~

b. Indicating the number found qualified and registered to vote in his county.

(3) To return each petition, together with the certificate required by the preceding subdivision, to the person who presented it to him for checking.

The group of petitioners shall submit the petitions to the chairman of the county board of elections in the county in which the signatures were obtained no later than 5:00 P.M. on the fifteenth business day preceding the date the petitions are due to be filed with the State Board of Elections as provided in subsection (a)(2) of this section. ~~Provided the petitions are timely submitted, the chairman of the county board of elections shall require a fee of five cents (5¢) for each signature appearing and shall proceed to examine and verify the signatures under the provisions of this subsection.~~ Verification shall be completed within ~~two weeks~~ fifteen business days from the date such petitions are ~~presented and the required fee received.~~ presented. Notwithstanding the previous sentence, the county board may extend its deadline for verifying the signatures for a reasonable length of time, if meeting the deadline is unduly burdensome and extending it will not disadvantage the petitioners."

Section 2. G.S. 163-97.1 reads as rewritten:

"**§ 163-97.1. Voters affiliated with expired political party.**

~~The State Board of Elections shall be authorized to promulgate appropriate procedures to order the county boards of elections to change the registration affiliation of all voters who are recorded on the voter registration books as being affiliated with a political party which has lost its legal status as provided in G.S. 163-97. The State Board of Elections shall not implement the authority contained in this section earlier than 90 days following the certification of the election in which the political party failed to continue its legal status as provided in G.S. 163-97. All voters affiliated with such expired political party shall be changed to "unaffiliated" designation by the State Board's order and all such registrants shall be entitled to declare a political party affiliation as provided in G.S. 163-74(b).~~ Any voter registered with a political party shall be allowed to retain that affiliation even if that party loses its status as a political party under the provisions of G.S. 163-97. Section 3. G.S. 163-98 reads as rewritten:

RE: **SENATE BILL 554 - PATERNITY/PARENTAL SUPPORT**
Senators Hartsell and Rand

Chapter 424 of the 1995 Session Laws (copy attached) amended G.S. 49-14(c) to allow the filing of a civil action to establish paternity of an out of wedlock child after the death of the putative father. If such a suit was commenced, but the putative father dies before a judgment was entered, the court has authority to enter a judgment establishing paternity, despite the death of the putative father. To guard against the filing of stale and fraudulent claims, the civil action must be filed within one year of the putative father's death or within 90 days after the first publication of notice to creditors to present claims against the decedent's estate, whichever is less. Chapter 424 further amended G.S. 49-14(d) to prohibit the court from establishing paternity after the death of the putative father without evidence from blood or a genetic marker test. The act became effective October 1, 1995 and is scheduled to expire on October 1, 1998. Senate Bill 554 would remove the sunset provision.

(3) Within the period specified in G.S. 28A-19-3(a) for presentation of claims against an estate, if a proceeding for administration of the estate of the putative father has been commenced within one year of his death.

Sec. 2. G.S. 49-14(d) reads as rewritten:

RE: **SENATE BILL 744 - GRANDPARENT'S CHILD SUPPORT CLARIFICATION**
Senator Rand

Senate Bill 744 would clarify the law regarding grandparent's liability for certain child support. Chapter 518 of the 1995 Session Laws amended G.S. 50-13.4(b) to provide that, absent proof that the circumstances warrant otherwise, parents of a minor unemancipated child who is the custodial or noncustodial parent of a child share the primary liability for the grandchild's support with the minor parent, until the minor parent reaches the age of 18 or becomes emancipated. Senate Bill 744 makes a conforming change regarding when a judge is not authorized to order support. The bill would be effective when it becomes law.

The General Assembly of North Carolina enacts:

Section 1. G.S. 50-13.4(b) reads as rewritten:

"(b) In the absence of pleading and proof that the circumstances otherwise warrant, the father and mother shall be primarily liable for the support of a minor child. In the absence of pleading and proof that the circumstances otherwise warrant, parents of a minor, unemancipated child who is the custodial or noncustodial parent of a child shall share this primary liability for their grandchild's support with the minor parent, the court determining the proper share, until the minor parent reaches the age of 18 or becomes emancipated. MEMORANDUM

TO: Senator Roy Cooper, Chair, Senate Judiciary Committee

FROM: Brenda J. Carter, Committee Co-Counsel

RE: **MODIFY VICTIMS COMPENSATION ACT**
House Bill 374 - Representative Baddour

House Bill 374 amends the Crime Victims Compensation Act. The Act compensates victims of "criminally injurious conduct" for economic loss, including lost wages, medical care, rehabilitation, funeral and burial expenses.

Section 1 of the bill would increase the maximum compensation for funeral and burial expenses from $2,000 to $3,500.

Section 2 of the bill amends the definition of "criminally injurious conduct" that determines whether an injury qualifies a victim for compensation. The current definition specifies that motor vehicle related incidents other than those involving driving while impaired are not covered. The bill expands the definition to include hit and run accidents, where the victim is a pedestrian or is in a wheelchair or similar device.

The bill would also expand the definition to include acts of terrorism committed outside of the U.S. against a N.C. citizen. An act of terrorism is defined in 18 USC 2331 as violent acts or acts dangerous to human life that would be a criminal violation if committed within the jurisdiction of the U.S. or of any State, and which appear to be intended (i) to intimidate or coerce a civilian population, (ii) to influence the policy of a government by intimidation or coercion, or (iii) to affect the conduct of a government by assassination or kidnapping. This terrorism provision is required under federal law if the State is to continue to receive federal funds.

Section 3 provides that no additional funds shall be appropriated to implement the bill. G.S. 15B-22 currently provides that if any compensation awarded cannot be paid due to insufficient funds in the Crime Victims Compensation Fund, payment is delayed until sufficient funds are available; no further awards of compensation may be made until sufficient funds are available. The fiscal note for House Bill 374 shows no fiscal impact. The fiscal note determines that it is unlikely the bill will increase claims beyond the current level of funding. The fiscal note shows that the Fund carried over $1.97 Million in surplus funds from 1995-6 to 1996-7 in addition to its current state appropriation of $2.5 Million and receipts from the federal government and the Department of Correction Inmate Welfare and Prison Enterprises Funds. (A copy of the fiscal note is attached)

The bill would be effective when it becomes law. House Bill 374 would apply to claims arising from criminally injurious conduct that occurs on or after April 1, 1997. **Senate Bill 394,** introduced by Senator Rand, is identical in substance, but would make the changes apply to claims arising from criminally injurious conduct that occurs on or after September 1, 1997.

BILL SUMMARY: H 374. MODIFY VICTIMS COMPENSATION ACT. *TO AMEND THE CRIME VICTIMS COMPENSATION ACT TO INCREASE THE ALLOWABLE EXPENSE FOR FUNERALS AND TO MAKE VICTIMS OF HIT AND RUN ACCIDENTS AND VICTIMS OF TERRORISM ELIGIBLE FOR COMPENSATION.* The North Carolina Crime Victims Compensation Act provides for compensation for economic losses to innocent victims of criminally injurious conduct. Under current law, economic losses include expenses related to funeral/cremation/burial up to a maximum of $2,000. The definition of criminally injurious conduct specifies that motor vehicle related incidents other than those involving driving while impaired are not covered. The law also specifies that residents of North Carolina can apply for compensation related to incidents that occurred in other states, if those states do not have comparable compensation programs.

This bill makes three changes to GS 15B; (I) The $2,000 ceiling on expenses related to funeral/burial/cremation would be raised to $3,500; (II) Hit and Run Accidents, as defined in GS 20-166 would be considered criminally injurious conduct; and (III) Acts of terrorism against North Carolina citizens committed outside of the United States are also considered criminally injurious conduct so that innocent victims can file for compensation.

ASSUMPTIONS AND METHODOLOGY:
Section 3 of HB 374 specifies that no additional funds shall be appropriated to implement this act as provided in G.S. 15B-22. An increase in claims to the Crime Victims Compensation Fund does not automatically result in an increase in General Fund Appropriation. The Act does not create a right to receive compensation and if insufficient funds are available to process a claim, the claim is deferred.

In addition, it is unlikely this bill will increase claims beyond the current level of funding. The Fund carried over $1.97 Million in surplus funds from 1995-6 to 1996-7 in addition to its current state appropriation of $2.5 Million and receipts from the federal government and the Department of Correction Inmate Welfare and Prison Enterprises Funds.

Based on past experience with the Crime Victims Compensation Fund, the effect of raising the ceiling on funeral expenses is estimated to result in an additional 67 claims per year at an average cost of $1,013. Each dollar paid in claims draws down 40 cents in federal funds the following year, lowering the net cost to $40,723 per year. The effect of covering hit and run accidents that involve injury or death is estimated to generate an additional 9 claims per year, based on the frequency of hit and run accidents and the likelihood of a victim filing a claim. Using the average of all claims in 1995-96 of $2,548, the net cost of these claims after accounting for federal funds is projected to be $13,759. Finally,it is assumed that acts of terrorism outside the United States against citizens of North Carolina are rare events and no impact is expected.

Looking at all three sections of the bill, total net claims may increase $54,482. This increase should be easily absorbed within existing resources. It is also assumed that the administrative burden of these additional claims can be absorbed within existing resources.

A BILL TO BE ENTITLED

AN ACT TO AMEND THE CRIME VICTIMS COMPENSATION ACT TO INCREASE THE ALLOWABLE EXPENSE FOR FUNERALS AND TO MAKE VICTIMS OF HIT AND RUN ACCIDENTS AND VICTIMS OF TERRORISM ELIGIBLE FOR COMPENSATION.

The General Assembly of North Carolina enacts:

Section 1. G.S. 15B-2(1) reads as rewritten:

"(1) 'Allowable expense' means reasonable charges incurred for reasonably needed products, services, and accommodations, including those for medical care, rehabilitation, medically related property, and other remedial treatment and care.

Allowable expense includes a total charge not in excess of ~~two thousand dollars ($2,000)~~ three thousand five hundred dollars ($3,500) for expenses related to funeral, cremation, and burial, including transportation of a body, but excluding expenses for flowers, gravestone, and other items not directly related to the funeral service."

Section 2. G.S. 15B-2(5) reads as rewritten:

"(5) 'Criminally injurious conduct' means conduct ~~which~~ that by its nature poses a substantial threat of personal injury or death, and is punishable by fine or imprisonment or death, or would be so

punishable but for the fact that the person engaging in the conduct lacked the capacity to commit the crime under the laws of this State. Criminally injurious conduct includes conduct ~~which~~ that amounts to an offense involving impaired driving as defined in ~~G.S. 20-4.01(24a)~~ G.S. 20-4.01(24a), and conduct that amounts to a violation of G.S. 20-166 if the victim was a pedestrian or was operating a vehicle moved solely by human power or a mobility impairment device. For purposes of this Chapter, a mobility impairment device is a device that is designed for and intended to be used as a means of transportation for a person with a mobility impairment, is suitable for use both inside and outside a building, and whose maximum speed does not exceed 12 miles per hour when the device is being operated by a person with a mobility impairment. Criminally injurious conduct ~~but~~ does not include conduct arising out of the ownership, maintenance, or use of a motor vehicle when the conduct is punishable only as a violation of other provisions of Chapter 20 of the General Statutes. Criminally injurious conduct shall also include an act of terrorism, as defined in 18 U.S.C. § 2331, that is committed outside of the United States against a citizen of this State."

Section 3. No additional funds shall be appropriated to implement this act as provided in G.S. 15B-22.

Section 4. This act is effective when it becomes law and applies to claims arising from criminally injurious conduct that occurred on or after April 1, 1997.

RE: **HOUSE BILL 203 - COURTS SUPPLEMENT CLARK'S CALENDAR -** Representative Culpepper

House Bill 203 would provide a method for supplementing Clark's Calendar which is recognized in statute as the official calendar used to establish which day of the week a particular date fell on. This bill is a recommendation of the General Statutes Commission.

G.S. 8-48 recognizes Clark's Calendar as defined therein as prima facie evidence of the information contained in the calendar for the periods between 1753 and 2002. This bill provides that beginning for the year 2003, the Secretary of State will prepare and publish a similar perpetual calendar that will be admissible into evidence as Clark's Calendar is currently used.

The bill becomes effective when it becomes law.

MEMORANDUM

TO: Senate Judiciary Committee

FROM: General Statutes Commission

DATE: May 5, 1997

RE: House Bill 203 (Courts Supplement Clark's Calendar)

From time to time in litigation, it becomes necessary to prove by reference to a calendar on what day of the week a particular date fell. G.S. 8-48, enacted in 1941, officially recognizes a perpetual calendar prepared and published in 1940 by E. B. Clark of Weldon, North Carolina. Clark's Calendar, by statute, can be admitted into evidence without the need for the litigants to otherwise establish its admissibility. Clark's Calendar, however, only covers years from 1753 through 2002. It is still needed and will still be valuable for proving dates during that time period, but it needs to be supplemented for years beginning 2003. This bill amends G.S. 8-48 to require the Secretary of State to prepare a similar calendar for years beginning 2003 and to permit this calendar to be introduced in evidence to the same extent Clark's Calendar may be introduced. The bill also modernizes the drafting of the existing language in the statute.

MEMORANDUM

RE: **HOUSE BILL 197 - JUDICIAL TIMBER SALE BY SEALED BID -** Representative Culpepper.

House Bill 197 establishes a procedure for judicial sales (court ordered sales) of timber to be conducted by sealed bid. This option would be in addition to the other current options of public or private sales. This bill is a recommendation of the General Statutes Commission.

Section 1 of the bill authorizes the court to determine with a judicial sale should be a private sale or public sale. If the sale is to be public, for the sale of timber only, the court can decide whether the sale is to be by auction or sealed bid.

Section 6 sets out the procedures to be followed when the court orders the judicial sale of timber by sealed bid. Under this section, the person holding the sale is to obtain one or more appraisals of the timber. The person then determines how bids should be submitted including the opening and closing dates for accepting bids. This section specifies the necessary qualifications for appraisers, prohibits the appraiser or business associate of the appraiser from submitting a bid, requires the appraisal to be kept confidential, and prohibits the appraiser from appraising the timber for anyone else until the sale is final. A minimum of three bids must be received. All bids must be opened in public and the highest bidder announced.

Section 7 sets out the time for a deposit to be made by the highest bidder in a sale by sealed bid.

Section 8 provides that in addition to the standard notices for sales, in the sale of timber by sealed bid, notice must be sent at least 21 days prior to the date the bids are opened to a reasonable number prospective timber buyers including timber buyers listed with the local office of the Division of Forest Resources.

AN EQUAL OPPORTUNITY/AFFIRMATIVE ACTION EMPLOYER

Section 28 requires that before confirming a sale by sealed bid, the court must determine that the highest bid is adequate for the timber sold and that the sale is in the best interest of the person or estate for whom the timber is being sold. This section lists the factors the court may consider, including the appraisals obtained by the person conducting the sale.

The remaining sections of the bill make conforming and clarifying changes, primarily to distinguish public sales of timber by auction from public sales by sealed bid.

Although Section 6 provides that the appraisal is confidential and may not be divulged to anyone other than the person conducting the sale, this section also requires that the appraisal be included in the report of sale. Section 28 also authorizes the court to consider the appraisals before confirming the sale. These section appear to leave some confusion as to whether the appraisal becomes public record at some point in the process, or is segregated and remains confidential (and presumably not public record) forever.

The bill becomes effective December 1, 1997 and applies to judicial sales ordered on or after that date.

In any such sale proceeding, the clerk of the superior court of the county where the original order of sale was issued, has jurisdiction with respect to the resale of separate tracts of property situated in other counties as well as in the clerk's own county, and when the

Section 4. G.S. 1-339.13(a) reads as rewritten:

"(a) Whenever a public sale is ordered, the order of sale shall

(1) Designate the person authorized to hold the sale;

(2) Direct that the property be sold at public auction to the highest ~~bidder;~~ bidder or, in the case of a sale of timber, direct that the timber be sold to the highest bidder and specify whether the sale is to be by public auction or by sealed bid;

(3) Describe real property to be sold, by reference or otherwise, sufficiently to identify it;

(4) Describe personal property to be sold, by reference or otherwise, sufficiently to indicate its nature and quantity;

(5) Designate, consistently with G.S. 1-339.6, the county and the place therein at which the sale is to be held; ~~and~~

Section 5. G.S. 1-339.13(b) reads as rewritten:

"(b) The order of public sale may also, but is not required to

(1) State the method by which the property shall be sold, pursuant to G.S. 1-339.9;

(2) Direct any posting of the notice of sale or any advertisement of the sale, in addition to that required by G.S. 1-339.17 in the case of real property or G.S. 1-339.18 in the case of personal property, which the judge or clerk of the superior court deems ~~advantageous.~~ advantageous; and

"(e) No public sale of timber sold by sealed bid shall be confirmed until the court determines that the highest bid is an adequate price for the timber sold and that sale to the highest bidder is in the best interest of the person or estate for whom the timber is being sold. In so doing, the court may consider any of the following factors:

(1) The appraisals obtained by the person who conducted the sale;
(2) The number and amounts of the other bids received;
(3) Comparable sales of similar timber within the relevant time period;
(4) Short-term market factors that depressed the price at the time of the sale;
(5) The likelihood of significantly increasing the price through another sale;

The procedure for a resale is the same in every respect as is provided by this Article in the case of an original public sale."

Section 31. G.S. 1-339.30(d) reads as rewritten:

"(d) When the highest bidder at a public sale or resale of real property by auction fails to comply with his bid within ten days after the tender to him of a deed for the property or after a bona fide attempt to tender ~~such~~ the deed, the judge or clerk having jurisdiction may order a resale. MEMORANDUM

TO: Senate Judiciary Committee

FROM: General Statutes Commission

DATE: May 5, 1997

RE: House Bill 197 (Judicial Timber Sale/Sealed Bid)

General Comments

This bill amends Article 29A of Chapter 1 of the General Statutes on judicial sales to establish an alternative method of selling timber at public sale. Currently, judicial sales (sales specifically directed by a court) may be public or private. If public, they must be by public auction. Experience in at least one area of North Carolina has shown that timber companies will not bid at public auction but will bid at sealed bid sales. Moreover, prices obtained through sealed bid sales of timber are generally somewhat higher than prices obtained through private sales. It would therefore benefit the sellers if timber sold in a judicial sale could be sold through a sealed bid process as a method of public sale. This bill incorporates provisions establishing such a process into the current statutes. As originally introduced, the procedure in the bill was limited to sales of timber, or timber and the land on which it stood, because the problem described to the General Statutes Commission was only reported in connection with timber sales. The House further restricted the procedure to sales of timber only. Please note that timber will continue to be able to be sold at public sale by auction or by private sale if conditions change and one of those judicial sale methods becomes more advantageous to the sellers.

For all judicially ordered public sales under the current judicial sales provisions, the seller must obtain an order of sale, publicize the sale, including the publication of legal notice in a qualified newspaper, hold the auction, submit a report to the court, repeat the process for a resale if a qualifying upset bid is submitted, and eventually obtain court confirmation of the sale. The primary changes to the usual procedure made in this bill for a sale of timber by sealed bid are that bids can be accepted over a period of days rather than at auction on a fixed day, although the bids must be opened at a particular time and place on a fixed day, and the upset bid procedure will not apply, since it is apparently a principal reason timber companies have given for refusing to attend and bid at public auctions.

The judicial sales provisions contain some archaic drafting terms that have been updated and will not be specifically referenced.

All references to "public sale" in this memorandum are to judicial sales.

Specific Comments

Section 1 amends G.S. 1-339.3A to allow a judicial sale of timber by sealed bid.

Sections 2 and 3 amend subsections (a) and (c), respectively, of G.S. 1-339.8, which deals with the public sale (by auction) of separate tracts of real property located in more than one county, to clarify that the section applies only to auctions and not to sales of timber by sealed bid.

Sections 4 and 5 amend subsections (a) and (b), respectively, of G.S. 1-339.13, which describes the mandatory and optional information to be included in an order of public sale. Section 4 requires the order to include the minimum number of sealed bids that must be submitted, which must be at least three, and the time the cash deposit must be paid. Section 5 allows but does not require the order to specify the number of appraisals of the timber that must be obtained before the sale.

Section 6 adds a new section 1-339.13A setting out the procedure to follow in a public sale of timber by sealed bid. The person conducting the sale must obtain at least one appraisal, fix a place and manner for submission of bids, and fix a date after which bids will be accepted and a date on which they will be opened. The new section also sets requirements for appraisers of timber, requires the bids to be opened publicly, provides that the highest bidder is the purchaser if the minimum number of bids is received, and directs the person conducting the sale to obtain a new order of sale if the minimum number of bids is not received or the top bid is a tie. The House expanded the provisions relating to appraisers to prohibit a person who makes the appraisal from also bidding on the timber and to impose a confidentiality requirement.

Section 7 amends G.S. 1-339.15, which contains requirements for the contents of a notice of public sale, to add provisions covering sales of timber by sealed bid.

Section 8 amends G.S. 1-339.17, which requires that public sales be publicized. Currently, the statute requires that notices of public sale be posted at the courthouse door and advertised in a qualifying newspaper at least once a week for four successive weeks. The amendments add conforming requirements for sales of timber by sealed bid and two new substantive requirements, namely that the person conducting the sale notify the timber companies listed in the office of the Division of Forest Resources for the county in which the timber is located and include in the report of sale an affidavit that these companies were notified.

In addition, the statute is being amended to replace the literal reference to posting on the

courthouse door with a reference to posting in the area designated by the clerk for posting notices, which conforms to current practice.

Section 9 amends G.S. 1-339.18(a) to replace the reference to posting at the courthouse door with a reference to posting in the designated location to conform to current practice, as described under Section 8.

Sections 10, 11, and 12 amend subsections (a), (b), and (c), respectively, of G.S. 1-339.20 to make essentially conforming amendments to the section on postponement of public sales, accounting for sealed bid sales.

Sections 13 and 14 amend G.S. 1-339.21 and G.S. 1-339.22, respectively, to clarify that they apply only to public sales by auction and not to public sales of timber by sealed bid.

Sections 15, 16, and 17 make what are essentially conforming amendments to G.S. 1-339.24, which requires a report of the sale to be made to the clerk of court.

Sections 18 and 19 amend G.S. 1-339.25 to clarify that that section applies only to public sales by auction and not to public sales by sealed bid.

Sections 20 through 23 amend G.S. 1-339.26 and G.S. 1-339.27 to specify that these sections apply only to public sales by auction and not to public sales by sealed bid.

Section 24 amends G.S. 1-339.27(c) to replace the reference to posting at the courthouse door with a reference to posting in the designated location to conform to current practice, as described under Section 8.

Section 25 amends G.S. 1-339.27 to specify that this section does not apply to public sales by sealed bid.

Sections 26 through 28 amend G.S. 1-339.28, which requires judicial confirmation of a public sale. Section 26 makes a technical amendment updating the description of the judge who must confirm the sale. Section 27 clarifies that subsection (c) does not apply to public sales by sealed bid. Section 28 adds a new subsection (e) setting out separate requirements for confirmation of sales by sealed bid.

Sections 29 through 33 amend G.S. 1-339.30, which requires a resale if the highest bidder at a public sale fails to make a required cash deposit or payment. In a public sale by auction, a resale must be ordered. The amendments add new provisions dealing with public sale by sealed bid that permit either a resale or a sale to the next highest sealed bidder.

Section 34 makes the act effective December 1, 1997, and applicable to judicial sales ordered on or after that date.

MEMORANDUM

TO: Senator Roy Cooper, Chair, Senate Judiciary Committee

FROM: Brenda J. Carter, Committee Co-Counsel

RE: **HOUSE BILL 336 - VICTIM'S FAMILY WITNESS EXECUTION**
Representative Eddins

House Bill 336 amends G.S. 15-190. This statute deals with the carrying out of executions when there has been a sentence of death. Under current law, the following persons are permitted to witness the execution of an inmate:

-the warden or his designee
-the penitentiary's physician
-the inmate's lawyer
-any relatives of the inmate
-a minister
-six "respectable citizens"

House Bill 336 reduces the number of citizen witnesses from six to four and adds two members of the victim's family to those who may witness the execution if they so desire. It also changes the penitentiary physician from one who may attend the execution to one who is required to attend. As a practical matter, a physician would always be present at an execution.

The existing statute provides that executions are under the general supervision and control of the warden of the penitentiary.

The act is effective when it becomes law.

MEMORANDUM

TO: Senator Roy Cooper, Chair, Senate Judiciary Committee

FROM: Brenda J. Carter, Committee Co-Counsel

RE: **HOUSE BILL 147 - OUTLAW DOG FIGHTS**
Representative Weatherly

House Bill 147 creates a new G.S. 14-362.2 that would increase the penalty for any person who instigates, promotes, conducts, is employed at, provides a dog for, allows property to be used for, gambles on or profits from a dog fight. Under current law, G.S. 14-362.1 offenses involving animal fights other than cockfights are Class 2 misdemeanors; a second or subsequent offense within 3 years is a Class I felony. Cockfighting is a Class 2 misdemeanor in all instances. House Bill 147 makes a dogfighting offense a Class H felony. The minimum presumptive sentence for a Class H felony, assuming no prior offenses, is 5-6 months community, intermediate, or active punishment.

This bill also increases the penalty for any person who owns, possesses, or trains a dog with the intent that the dog be used in fighting from a Class 2 misdemeanor to a Class H felony. A person who participates as a spectator is also guilty of a Class H felony.

As with other animal fights in G.S. 14-362.1, the bill places a duty upon a lessor to evict a tenant who is using or intends to use the rental property for dog fights.

Section 2 amends the existing G.S. 14-362.1 to remove dog fights from that statute.

Section 3 makes this act effective December 1, 1997 and applicable to offenses committed on or after that date.

Short Title: Sex Offender Laws/Fed. Compliance. (Public)

April 2, 1997

A BILL TO BE ENTITLED

AN ACT TO AMEND THE SEXUAL OFFENDER REGISTRATION PROGRAM TO COMPLY WITH FEDERAL LAW.

The General Assembly of North Carolina enacts:

Section 1. Article 27A of Chapter 14 of the General Statutes reads as rewritten:

"ARTICLE 27A.

"~~Sexual Offender Registration Program.~~

"Registration of Criminal Offenders and Sexually Violent Predators.

"Part 1. Registration Programs, Purpose, and Definitions Generally.

"§ 14-208.5. Purpose.

The General Assembly recognizes that sex offenders often pose a high risk of engaging in sex offenses even after being released from incarceration or commitment and that protection of the public from sex offenders is of paramount governmental interest. The General Assembly also recognizes that persons who commit certain other types of offenses against minors, such as kidnapping, pose significant and unacceptable threats to the public safety and welfare of the State's children and that the protection of those children is of great governmental interest. Further, the General Assembly recognizes that ~~local~~ law enforcement officers' efforts to protect

~~their~~ communities, conduct investigations, and quickly apprehend offenders who commit sex offenses or certain offenses against minors are impaired by the lack of information available to law enforcement agencies about convicted ~~sex~~ offenders who live within the agency's jurisdiction. Release of information about ~~sex~~ these offenders will further the governmental interests of public safety so long as the information released is rationally related to the furtherance of those goals.

Therefore, it is the purpose of this Article to assist ~~local~~ law enforcement agencies' efforts to protect ~~their~~ communities by requiring ~~sex offenders~~ persons who are convicted of sex offenses or of certain other offenses committed against minors to register with ~~local~~ law enforcement ~~agencies and~~ agencies, to require the exchange of relevant information about ~~sex~~ those offenders among law enforcement ~~agencies~~ agencies, and to authorize the access to necessary and relevant information about ~~sex~~ those offenders to others as provided in this Article."

"§ 14-208.6A. Registration requirements for criminal offenders and for criminal offenders determined to be sexually violent predators.

It is the objective of the General Assembly to establish a 10-year registration requirement for persons convicted of certain offenses against minors or sexually violent offenses. It is the further objective of the General Assembly to establish a

more stringent set of registration requirements for a sub-class of highly dangerous sex offenders who are determined by a sentencing court with the assistance of a board of experts to be sexually violent predators.

To accomplish this objective there are established two registration programs: the Criminal Registration Program and the Sexually Violent Predator Registration Program. Any person convicted of an offense against a minor or of a sexually violent offense as defined by this Article shall register as a criminal offender in accordance with Part 2 of this Article. Any person determined to be a sexually violent predator shall register as such in accordance with Part 3 of this Article.

The information obtained under these programs shall be immediately shared with the appropriate local, State, federal and out-of-State law enforcement officials and penal institutions. In addition most information obtained under the programs is public record and shall be readily available to and accessible by the public. However, the identity of the victim is not public record and shall not be released as a public record.

"Part 2. Criminal Registration Program.

"§ 14-208.7. Registration.

(a) A person who is a resident and who has a reportable conviction shall be required to maintain registration with the sheriff of the county where the person resides. If the person moves to North Carolina from outside this State, the person shall register within 10 days of establishing residence in this State. (2) Immediately upon conviction for a reportable offense where an active term of imprisonment was not imposed.

Registration shall be maintained for a period of 10 years following release from a penal institution. If no active term of imprisonment was imposed, registration shall be maintained for a period of 10 years following each conviction for a reportable offense.

(b) The Division shall provide each sheriff with forms for registering persons as required by this Article. The registration form shall require:

(1) The person's full name, each alias, date of birth, sex, race, height, weight, eye color, hair color, drivers license number, and home address;

(2) The type of offense for which the person was convicted, the date of conviction, and the sentence imposed;

(3) A current photograph; and

(4) The person's fingerprints.

The sheriff shall photograph the individual at the time of registration and take fingerprints from the individual at the time of registration both of which will be kept as part of the registration form. The registrant will not be required to pay any fees for the photograph or fingerprints taken at the time of registration.

(c) ~~Not later than the third day after~~ When a person registers, the sheriff with whom the person registered shall immediately send the registration information to the Division in a manner determined by the Division. The sheriff shall retain the original registration form and other information ~~collected.~~ collected and shall compile the information that is a public record under this Part into a county registry.

"§ 14-208.8. Prerelease notification.

(a) At least 10 days, but not earlier than 30 days, before a person who will be subject to registration under this Article is due to be released from a penal institution, an official of the penal institution shall:

(b) If a person who is subject to registration under this Article does not receive an active term of imprisonment, the court pronouncing sentence shall conduct, at the time of sentencing, the notification procedures specified in subsection (a) of this section.

"§ 14-208.9. Change of address.

If a person required to register changes address, the person shall provide written notice of the new address not later than the tenth day after the change to the sheriff of the county with whom the person had last registered. ~~Not later than the third day after~~ Upon receipt of the notice, the sheriff shall immediately forward this information to the Division. If the person moves to another county in this State, the Division shall inform the sheriff of the new county of the person's new residence.

"§ 14-208.9A. Verification of registration information.

The information in the county registry shall be verified annually for each registrant as follows:

(1) Every year on the anniversary of a person's initial registration date, the sheriff shall mail a nonforwardable verification form to the last reported address of the person.

(2) The person shall mail the verification form to the sheriff within 10 days after the receipt of the form.

(3) The verification form shall be signed by the person, and shall indicate whether the person still resides at the address last reported to the Sheriff. If the person has a different address, then the person shall indicate that fact and the new address.

(4) If the person fails to mail the verification form to the sheriff within 10 days after receipt of the form the person is in violation of the

law, unless the person reports in person to the sheriff and proves that the person has not changed his or her residential address.

"§ 14-208.10. ~~Access~~ Registration information is public record; access to registration information.

(a) ~~To obtain information concerning an individual's registration status, a requester shall submit to the sheriff the following:~~

~~(1) The individual's name and sex;~~

~~(2) A physical description of the individual; and~~

~~(3) Any other relevant information known to the requester concerning the individual.~~

~~Upon receipt of the information, the sheriff shall verify, in writing, to the requester whether the individual has registered as a sex offender in this State, the date of conviction, and the offenses for which registration was required. The registration information and the corresponding registry is a public record and shall be available for public inspection. The sheriff shall upon request, display any photograph provided in compliance with G.S. 14-208.7(b)(3); however, the sheriff shall not provide or allow a copy to be made of the photograph.~~

The following information regarding a person required to register under this Article is public record and shall be available for public inspection: name, sex, address, physical description, picture, conviction date, offense for which registration was required, the sentence imposed as a result of the conviction, and registration status. The sheriff may release any other information that is necessary to protect the public concerning a specific person, but shall not release the identity of the victim of the offense that required registration under this Article.

(b) Any person may obtain a copy of an individual's registration ~~form, excluding the photograph, upon payment to the sheriff of a reasonable fee for the costs of duplicating the form.~~ form, a part of the county registry, or all of the county registry, by submitting a written request for the information to the sheriff and paying the fee for duplicating costs. Upon receipt of the study results, the court shall hold a hearing to determine whether the person's classification as a sexually violent predator should be terminated. The procedure for the hearing shall be the same as under G.S 15A-1334 (b) and (c). The court shall make written findings of fact with regard to the court's decision and the basis for that decision."

MEMORANDUM

TO: Senator Roy Cooper, Chair, Senate Judiciary Committee

FROM: Brenda J. Carter, Committee Co-Counsel

RE: **SENATE BILL 676 - SEX OFFENDER LAWS / FEDERAL COMPLIANCE**
Proposed Committee Substitute
Senator Odom

Senate Bill 676 rewrites Article 27A of Chapter 14 of the General Statutes, regarding the registration of persons convicted of sex offenses.

Background: The Jacob Wetterling Act, as amended by Megan's Law, requires states to adopt sex offender registration and notification systems that meet specified minimum standards. States that fail to implement a program consistent with the federal Act by September 13, 1997 (three years from the enactment date of the Jacob Wetterling Act) will lose 10% of their Byrne formula grant funds. A state making a good faith effort to come into compliance may be granted up to a two-year extension. According to the Governor's Crime Commission, this State currently receives about $12.8 million in Byrne Grant funds; 10% of that amount would be about $1.28 million, and is the amount that would be lost if the State does not comply with the federal requirements. The State is to submit its program to the U. S. Department of Justice for review for compliance by July 13, 1997.

North Carolina's current sex offender registration law requires a person with a "reportable conviction" as defined in the statute to maintain registration with the sheriff of the county in which the person resides. A person must register within 10 days of release from a penal institution or immediately upon conviction where an active term of imprisonment was not imposed. Registration is maintained for a period of 10 years. In order to comply with federal requirements, **Senate Bill 676** makes the following changes with regard to sex offender registration:

--Establishes two registration programs: The Sex Offender and Public Protection Registration Program and the Sexually Violent Predator Registration Program. The current registration program is amended by creating a class of "sexually violent predator" which must register under a different set of requirements. Persons who are not classified as a "sexually violent predator" will continue to register under the existing program (renamed the The Sex Offender and Public Protection Registration Program).

--The Sex Offender and Public Protection Registration Program establishes a 10 year registration requirement for persons convicted of sexually violent offenses and certain offenses against minors. The offenses that are currently enumerated as "reportable convictions" for which a person must register are categorized as "sexually violent offenses" in the bill (Page 4, lines 11-31); in effect, this is not a change from current law - these people are already required to register for a 10-year period. To comply with federal law, the bill requires that persons who are convicted of kidnapping, abduction of children, or felonious restraint will be required to register when the offense was committed against a minor and when the offender is not the parent or legal guardian of the minor.

--The Sexually Violent Predator Registration Program establishes a more stringent set of requirements for a sub-class of highly dangerous sex offenders, characterized as sexually violent predators. A person classified as a sexual predator must maintain registration for at least 10 years, and continue to maintain registration indefinitely until a court determines that the person's classification should be terminated. Senate Bill 676 defines a "sexually violent predator" as a person who has been convicted of a sexually violent offense and who suffers from a "mental abnormality" or "personality disorder" that makes the person likely to engage in "predatory" sexually violent offenses. The terms are defined in the bill on pages 2-4.

- **Sets out procedure for classifying defendant as sexually violent predator.** (Page 11, line 24 through Page 12, line 7)
  - ◊ *The district attorney files pretrial notice of intent to seek classification of the offender as a sexually violent predator.*
  - ◊ *The court will order a pre-sentence investigation conducted by a board selected by the Department of Correction and composed of at least 2 people who are experts in the behavior and treatment of sexual offenders.*
  - ◊ *At sentencing, the court will consider the board's report and make written findings as to whether the defendant is classified as a sexually violent predator.*
  - ◊ *After 10 years, the person may petition the superior court to review the classification. The decision regarding whether to grant the review is in the discretion of the court.*

- **Requires additional registration information from persons classified as sexually violent predator.** In addition to information required of all registered sex offenders, information shall be obtained regarding the person's identifying factors, offense history, and documentation of treatment received.

--Requires verification of registration information for all registrants at least annually; every 90 days for sexually violent predators. Every year the Division of Criminal Statistics of the Department of Justice will mail a nonforwardable verification form to the last reported address of the offender; the person must then mail the form to the sheriff within 10 days. (Page 7, lines 10-31). The procedure is the same for sexually violent predators, except the verification must occur every 90 days. (Page 12, line 38-Page 13, line 2).

--Changes criminal provisions regarding failure to register and maintain current registration. Under current N.C. law, failure to register as required is a Class 3 misdemeanor for the first violation, and a Class I felony for a subsequent violation. Senate Bill 676 provides that it is a Class F felony to: fail to register, fail to notify the last registering sheriff of a change of address, fail to return a verification notice, forge or submit under false pretense the required information or verification notices. (Page 8, line 32 - Page 9, line 11)

--Eliminates possibility of exemption from registration requirement.
Under current N.C. law, a person may petition the superior court in the county where the person resides for an exemption from the registration requirement. If the person shows for good cause, by clear and convincing evidence, that registration will not serve any useful purpose, the court will grant the exemption. To comply with federal requirements, the exemption is being eliminated.

--Designates a responsible state agency for receiving registration information from all other agencies and officers. The bill provides that the Division of Criminal Statistics will compile and keep current a central statewide sex offender registry, and designates the Division as the custodian of the state wide registry. The Division will receive the registration and change of address information from the sheriffs, and will receive notice of any violations - including failure to register. The Division will coordinate efforts among law enforcement agencies and penal institutions to ensure that information is conveyed in a timely manner. (Page 10, line 10 - Page 11, line 5).

--Changes provisions for release of registration information (Page 7, line 32 - Page 8, line 31).
Under federal law, relevant information may be released that is necessary to protect the public concerning a person required to register as a sex offender. Federal law allows the states to determine what information is relevant and necessary to protect the public, but prohibits the release of the victim's identity. Under current N.C. law, any person may obtain information concerning a specific individual's registration status by submitting to the sheriff the individual's name & sex, physical description, and other known information. The sheriff will then verify whether the individual has registered as a sex offender, the date of conviction, and the offenses for which registration was required. The sheriff may display, but not provide a copy of, a photograph that is part of the registration. Certain groups that use volunteers or employees in working with children, disabled, or elderly persons are authorized to get a copy of a county's entire registry.

- **Provides that registration information is a public record, and provides that any person may obtain a copy of a person's registration or any or all of the county registry by making a written request to the sheriff.** The sheriff may charge a reasonable fee for duplicating or mailing costs. It allows the sheriff to release additional relevant information that is necessary to protect the public concerning a specific person, but prohibits release of the victim's identity.
- **Makes statewide registry public record (except photographs which may be obtained at the local level), available for public inspection.** A person may obtain a copy of an individual's electronic registration record, or any or all of the statewide registry by making a written request to the Division. The Division is authorized to charge a reasonable fee for duplicating and mailing costs.

The bill would become effective April 1, 1998.

A BILL TO BE ENTITLED

AN ACT TO AMEND THE SEXUAL OFFENDER REGISTRATION PROGRAM TO COMPLY WITH FEDERAL LAW.

The General Assembly of North Carolina enacts:

Section 1. Article 27A of Chapter 14 of the General Statutes reads as rewritten:

"ARTICLE 27A.

"~~Sexual Offender Registration Program.~~

Sex Offender and Public Protection Registration Program.

"Part 1. Registration Programs, Purpose, and Definitions Generally.

"**§ 14-208.5. Purpose.**

The General Assembly recognizes that sex offenders often pose a high risk of engaging in sex offenses even after being released from incarceration or commitment and that protection of the public from sex offenders is of paramount governmental interest.

The General Assembly also recognizes that persons who commit certain other types of offenses against minors, such as kidnapping, pose significant and unacceptable threats to the public safety and welfare of the State's children and that the protection of those children is of great governmental interest. Further, the General Assembly recognizes that ~~local~~ law

enforcement officers' efforts to protect ~~their~~ communities, conduct investigations, and quickly apprehend offenders who commit sex offenses or certain offenses against minors are impaired by the lack of information available to law enforcement agencies about convicted ~~sex~~ offenders who live within the agency's jurisdiction. Release of information about ~~sex~~ these offenders will further the governmental interests of public safety so long as the information released is rationally related to the furtherance of those goals.

Therefore, it is the purpose of this Article to assist ~~local~~ law enforcement agencies' efforts to protect ~~their~~ communities by requiring ~~sex offenders~~ persons who are convicted of sex offenses or of certain other offenses committed against minors to register with ~~local~~ law enforcement ~~agencies and~~ agencies, to require the exchange of relevant information about ~~sex~~ those offenders among law enforcement ~~agencies~~ agencies, and to authorize the access to necessary and relevant information about ~~sex~~ those offenders to others as provided in this Article."

"**§ 14-208.6A. Registration requirements for criminal offenders and for criminal offenders determined to be sexually violent predators.**

It is the objective of the General Assembly to establish a 10-year registration requirement for persons convicted of certain offenses against minors or sexually violent offenses. It is the further objective of the General Assembly to establish a more stringent set of registration requirements for a sub-class of

highly dangerous sex offenders who are determined by a sentencing court with the assistance of a board of experts to be sexually violent predators.

To accomplish this objective there are established two registration programs: the Sex Offender and Public Protection Registration Program and the Sexually Violent Predator Registration Program. Any person convicted of an offense against a minor or of a sexually violent offense as defined by this Article shall register as an offender in accordance with Part 2 of this Article. Any person determined to be a sexually violent predator shall register as such in accordance with Part 3 of this Article.

The information obtained under these programs shall be immediately shared with the appropriate local, State, federal and out-of-State law enforcement officials and penal institutions. In addition the information designated under G.S. 14-208.10(a) as public record shall be readily available to and accessible by the public. However, the identity of the victim is not public record and shall not be released as a public record.

BILL SUMMARY:

REGULATING CHARITABLE BINGO. *TO REGULATE CHARITABLE BINGO.* Provisions regarding bingo licensing, enforcement of bingo laws, maximum prizes in bingo games, and jackpot bingo are substantially identical to provisions of H 951, introduced 4/15/97. Adds provisions regarding "charity game ticket games" described below.

Amends GS 14-309.5 to allow exempt organization to conduct "charity game ticket games" (defined as sale of package or series of packages consisting of one complete set of charity game tickets in which all tickets bear same serial number). A "charity game ticket" is a paper ticket or card which may be designated in advance as prizewinner through partly hidden number or symbol. No more than 50 cents may be charged for each such ticket. Exempt organization may apply to DHR for charity game ticket game license lasting one year. Application fee is $200 for class A charity game ticket game license (allowing one game session per week) and $300 for class B license (allowing two sessions per week). Fees collected are deposited in bingo regulation enforcement fund to be used to enforce bingo laws. Exempt organization that conducts only an annual or semiannual bingo game may not apply for license for or conduct charity game ticket game. Amends GS 14-309.9 to limit value of prize for any one charity game ticket game to $100, and $3,500 for all games during one session. Makes it class 2 misdemeanor to conduct charity game ticket game in violation of bingo provisions of GS Ch. 14, Art. 37, Part 2. On conviction, exempt organization may not conduct bingo games for one year. Makes it a Class I felony to sell or furnish charity game tickets other than in game conducted by licensed organization, to operate charity game ticket game without valid license, to misuse moneys received in connection with such game, or to contract with or provide consulting services to any licensee. Authorizes DHR to suspend license for at least 30 days if it finds charity game ticket game in violation. Licensee may seek review by initiating contested case under GS Ch. 150B. Effective Dec. 1, 1997. DHR is authorized to issue rules to comply with act as soon as act becomes law. [2]

ASSUMPTIONS AND METHODOLOGY:

Department of Human Resources

A. Background

The Division of Facility Services is responsible for regulating charitable bingo. Under current law, the division has one person assigned to fulfill the regulatory requirements for charitable bingo. The proposed legislation significantly expands the regulatory responsibilities the Division of Facility Services related to charitable bingo. Additional or expanded responsibilities include the following: enforcement of charitable bingo laws including suspending or revoking licenses, expands auditing requirements of charitable organizations bingo records, adds charitable game tickets as an allowable game, and creates incentives which will encourage additional charitable organizations to use charitable bingo as a fund raising tool.

B. Assumptions and Methodology

1. Expenditures

This fiscal note assumes that the Division of Facility Services will need six positions and their related support costs, including the one position already in place, to implement the proposed legislation. The

[2] *Daily Bulletin*, Institute of Government, UNC-Chapel Hill: Vol. 1997, No. 45.

six positions are as follows: upgrades the existing position from an administrative assistant to an administrative officer to supervise the charitable bingo unit; adds two clerical staff to process the increased paper work; adds two field investigators to monitor the charitable bingo and investigate complaints; and adds one accounting technician to handle the increased audit responsibilities.

The salaries and benefits for the six positions have been increased over the five period of the fiscal note to reflect the following inflation factors:

1997-98	3.9%
1998-99	3.4%
1999-00	3.4%
2000-01	3.5%
20001-02	3.6%

The support costs for the six positions are held constant throughout the five year time period. In addition, the expenditures for 1997-98 have been adjusted to reflect the December 1, 1997 effective date.

2. Revenues

This fiscal note assumes that the number of charitable bingo licenses will increase significantly under the changes contained in the proposed legislation. Current annual revenues are $32,000 (320 licenses times the $100 license fee).

The proposed legislation adds an additional game called charitable game tickets and requires that a charitable organization must get a charitable bingo license and a charitable game ticket license to offer both games. This fiscal note assumes that charitable organizations will get both licenses in order to provide both games. This assumption doubles the number of licenses issued.

In addition, this fiscal note also assumes that the number of charitable bingo licenses will increase by 70% over the next five years. The 70% increase assumption is based on the following incentives in the proposed legislation which will encourage charitable organizations to use charitable bingo to raise funds: elimination of the beach bingo competition, increased jackpots and weekly prizes, increased number of game hours per session, and the addition of the charitable game tickets. The following chart documents the application of the 70% increase in licenses:

Licenses	1996-97	1997-98	1998-99	1999-00	2000-01	2001-02
Regular Bingo	320	400	480	512	544	544
Charity Game	0	400	480	512	544	544
Total	320	800	960	1024	1088	1088
Increase Over 1996-97		25%	25%	10%	10%	0%

The proposed legislation allows two levels of licenses for charitable bingo and charitable game tickets: a $200 Class A license for operating one game session a week and a $300 Class B license fee for two game sessions per week. This fiscal note assumes $250 per license to determine how much revenue will be generated because the number of organizations receiving Class A or Class B licenses cannot be predicted. The revenue estimates are derived by multiplying the number of estimated licenses times $250.

Judicial Branch

The Judicial Branch believes this bill will have no substantial impact on the court system. Although this bill adds or amends many provisions, violations of which can be a crime, the Judicial branch expects that the organizations subject to this law would comply with its provisions. Based on this expectation, few cases would be affected. Any new cases, can be absorbed within existing court resources.

Department of Correction

The Judicial Branch estimates that organizations subject to this law would comply with its provisions and that this bill would result in few new cases of incarceration. Therefore, the Sentencing and Advisory Policy Commission estimates this bill to have no significant impact on the state prison system. This bill establishes both a Class I felony penalty and a misdemeanor penalty. The following explains the effects the Class I felony penalty noted in this bill would have on the state prison system. For example, if there were 10 convictions for this offense each year, this could increase prison populations by one inmate. If there were 30 convictions for this offense each year, this could increase prison populations by two inmates. Any additional inmates convicted of a Class I felony under this bill, can be absorbed within existing state prison resources.

This bill also establishes a misdemeanor penalty. Since the Judicial Branch estimates that few cases would result from this bill, the Sentencing Commission notes there will not be a significant fiscal impact on the state prison system. The Sentencing Commission also notes there will be only a small impact on county jail populations.

Beach Bingo - A North Carolina Tradition

Lewis Grizzard, a great American, once said that "he was American by birth and a Southerner by the grace of God". I feel the same way with the additional benefit of being from North Carolina. I love my home state and all the wonderful things that are found in great abundance here. We have many traditions here such as great ACC basketball, the Durham Bulls, shag dancing at the beach and Beach Bingo. I don't know of any person who has ever gone to the beach either as a child or an adult that has not spent time enjoying playing Beach Bingo. With a few differences, this same game, still being enjoyed by thousands of North Carolineans, is in jeopardy of becoming a thing of the past. How could this have happened? We, the people who still enjoy playing this recreational game, wonder if the reason it is being made illegal is because some unscrupulous owners have violated the existing bingo laws and for what ever reasons are not prosecuted. If this is the reason, what would be the next recreational business to go? Is the rationale in this particular situation that if someone violates the law, don't prosecute them, just close all businesses that offer the same type of entertainment? I certainly hope not. Beach bingo has for many years been one of the main sources of entertainment for senor citizens and people with disabilities. The crowds are small, the cost to play is negligible compared with the cost to play Charity bingo, there is a family atmosphere where friends are made and kept for years and more importantly this is a entertainment facility that is open nightly and not only once or twice a week. When you talk about making this North Carolina tradition an illegal activity, you are in essence talking about taking away one of the rights of law abiding citizens who just want to enjoy one of the entertaining pleasures of their life. Please consider the feelings of your constituents and thousands of other North Carolineans who regularly play beach bingo when you vote on Senate Bill 893. Just vote NO and keep this North Carolina tradition from becoming a thing of the past.

MEMORANDUM

TO: Senator Roy Cooper, Chair, Senate Judiciary Committee

FROM: O. Walker Reagan, Committee Co-Counsel and Karen Cochrane-Brown, House Judiciary I Co-Counsel

RE: **HOUSE BILL 191 - CERTIFIED COPIES/ CUSTODY DECREES AND WILLS** - Representative Robert Hunter

House Bill 191 would amend the law for authenticating copies of certain documents in child custody matters and certain will situations to permit the filing of certified copies in addition to exemplified copies. This bill is a recommendation of the North Carolina Courts Commission.

Sections 1 and 2 of the bill amend G.S. 50A-15 and 50A-16 respectively, to allow for the filing and enforcement of certified copies of custody decrees, as well as the exemplified copies currently permitted by statute. Both methods are used to authenticate copies of official records. Exemplification is an older method of authentication which requires three signatures, including the clerk, a judge who verifies that the clerk is the clerk, and the clerk's verification that the judge is a judge. The procedure does not exist in many other states. Thus, a custody order from a state which does not exemplify documents cannot be recorded in this State. This bill would allow such a document to be recorded if it were a certified true copy. Certification merely requires that the official custodian of the record certify by signature and stamp or seal that the copy is a true copy of the original.

Section 3 of the bill amends G.S. 31-30 which deals with copies of certain old wills, specifically wills executed prior to January 1, 1875 and recorded prior to January 1, 1888. The current statute allows only for proof of these records by exemplified copies. The amendment would add certified copies.

This act would become effective October 1, 1997.

MEMORANDUM

TO: Senator Roy Cooper, Chair, Senate Judiciary Committee

FROM: O. Walker Reagan, Committee Co-Counsel and Karen Cochrane-Brown, House Judiciary I Co-Counsel

RE: **HOUSE BILL 192 - COURTS COMMISSION MEMBERSHIP -** Representative Hunter

House Bill 192 would add four additional members to the North Carolina Courts Commission, one each to be appointed by the Governor, Chief Justice of the Supreme Court, the President Pro Tempore of the Senate and the Speaker of the House, all to be public members who are not attorneys or officers or employees of the Justice Department. The bill was recommended by the North Carolina Courts Commission.

Section 1 of the bill amends G.S. 7A-506 to increase the membership of the North Carolina Courts Commission from 24 to 28 members. The Chief Justice of the Supreme Court, the Governor, the Speaker of the House and the President Pro Tempore of the Senate would each be given an additional appointment to the Commission. This section also provides for the staggering of the terms of the new members with the Governor and Speaker's appointees being for 4-year terms and the Chief Justice and President ProTemp's appointees being for initial 2-year terms.

Section 2 amends G.S. 7A-507 to provide that of the three ex officio members of the Commission, only the Administrative Officer of the Courts will have no vote. Under present law, the representatives of the N. C. State Bar and the N. C. Bar Association, as well as the Administrative Officer of the Courts have no vote.

An identical bill was introduced during the 1996 Regular Session, also at the request of the Courts Commission. That bill passed the House, but did not reach the Senate floor before the General Assembly adjourned, sine die.

This act would become effective when it becomes law.

RE: **HOUSE BILL 174 - ACTIVE SENTENCE / TRIAL WAITING TIME**
Representative Neely

House Bill 174 would allow a judge to impose an active sentence for a misdemeanor conviction when the offense class and prior conviction level would ordinarily require only a Community or Intermediate punishment, if the active sentence would be equal to or less than the amount of time the defendant has already spent confined while awaiting resolution of the charge. District Court judges have reportedly told the Sentencing Commission that in some first time offender cases the time spent in jail awaiting trial is sufficient punishment for the offense. A copy of the misdemeanor punishment chart is attached.

This bill is effective when it becomes law.

MEMORANDUM

RE: **HOUSE BILL 175**
STRUCTURED SENTENCING TECHNICAL AND CLARIFYING AMENDMENTS
Representative Neely

House Bill 175 House Bill 175 is a recommendation of the North Carolina Sentencing and Policy Advisory Commission.

Under Structured Sentencing, a sentence may be suspended only if the period of incarceration imposed as a condition of special probation does not exceed one-fourth of the suspended sentence. A defendant who commits a third or subsequent shoplifting offense, under G.S. 14-72.1, is guilty of a Class 1 misdemeanor for which the longest suspended sentence is 45 days. Based upon the one-fourth rule, the longest sentence as a condition of special probation would be 11 days. However, G.S. 14-72.1(e) provides for a period of 14 days. **Section 1** of the bill changes the number of days from 14 to 11.

Section 2 of the bill deletes from **G.S. 15A-1021, Plea conference,** language referring to a prison term outside of the presumptive sentence. Under Structured Sentencing, there can be no prison term outside of the presumptive sentence. In addition, the statute referenced in this provision, G.S. 15A-1340.4(f), was repealed with the enactment of Structured Sentencing.

Section 3 clarifies that, for Class A offenses, a life sentence means life imprisonment without parole.

As a part of Structured Sentencing, **G.S. 15A-1444, When defendant may appeal; certiorari**, was amended to add subsection (a2) to give an appeal as of right for the imposition of an incorrect sentence under Structured Sentencing . However, subsection (e) of this statute, which denies an appeal as of right, was not amended to reflect the addition of subsection (a2). **Section 4** adds "(a2)" as an exception in subsection (e).

G.S. 113-136(j) addresses the enforcement authority of wildlife inspectors. However, the language used in the statute is not consistent with Structure Sentencing. **Section 5** of the bill makes the offense a Class 3 misdemeanor.

Section 6 clarifies that community punishment may not include any of the conditions of probation listed as intermediate punishments. Some judges have been imposing these conditions under community punishment, even though the conditions are listed under intermediate punishment and are intended solely for intermediate punishment.

In determining prior record level under Structured Sentencing, only the most serious conviction in each court session is assigned points. However, Structured Sentencing does authorize an additional point if the elements of the current offense are included in any prior offenses. **Section 7** provides that, when imposing this additional point, the court may compare the offense to **all** prior convictions, not just the most serious conviction in each court session. This section also provides that if the offense was committed while the defendant was on *supervised or unsupervised* probation or *post-release supervision*, the defendant may receive an additional point.

Section 8 provides that in misdemeanor sentencing, only felonies and misdemeanors may count toward prior record level. An offense which is an infraction at the time of the current offense may not be included.

Section 9 clarifies that conspiracy to commit drug trafficking offenses fall under mandatory drug trafficking laws. Conspiracy to commit other drug offenses are punished according to the Structured Sentencing grid.

Section 10 repeals **G.S. 15-48, Outlawry for Felony.** This statute authorizes a judge, upon a written affidavit that a felony has been committed, to empower a sheriff or any citizen to apprehend and slay an individual. The statute has been declared unconstitutional.

Sections 11 and 12 make technical changes to the statutes authorizing the issuance of nontestimonial identification orders for a juvenile. A nontestimonial identification order is an order for fingerprints, palm prints, blood and urine specimens, saliva samples, etc.. The statute fails to contain language consistent with Structured Sentencing. The sections delete language allowing such orders for offenses "punishable by imprisonment for more than two years" and substitutes the words "a felony offense".

Section 13 makes technical changes to G.S. 15A-263 dealing with the issuance of ex parte orders authorizing a pen register or a trap and trace device. These are devices used to identify numbers dialed on a telephone line. Again, the statute fails to reflect language consistent with Structured Sentencing. This section deletes language authorizing such orders for "an offense punishable by imprisonment for more than one year" and substitutes "a felony offense, or a Class A1 or Class 1 misdemeanor".

Sections 14 and 15 make technical changes to the statutes authorizing the issuance of nontestimonial identification orders for adult defendants. To reflect language consistent with Structured Sentencing, the sections delete language allowing such orders for "an offense punishable by imprisonment for more than one year" and substitutes "a felony offense, or a Class A1 or Class 1 misdemeanor offense".

The bill would become effective December 1, 1997 and apply to offenses committed on or after that date.

A BILL TO BE ENTITLED

AN ACT TO IMPLEMENT THE NORTH CAROLINA SENTENCING AND POLICY ADVISORY COMMISSION'S RECOMMENDATION TO MAKE CERTAIN TECHNICAL, CLARIFYING, AND CONFORMING AMENDMENTS TO STRUCTURED SENTENCING.

The General Assembly of North Carolina enacts:

Section 1. G.S. 14-72.1(e) reads as rewritten:

"(e) Punishment. -- For a first conviction under subsection (a) or (d), or for a subsequent conviction for which the punishment is not specified by this subsection, the defendant ~~may~~ shall be guilty of a Class 3 misdemeanor. The term of imprisonment may be suspended only on condition that the defendant perform community service for a term of at least 24 hours. For a second offense committed within three years after the date the defendant was convicted of an offense under this section, the defendant ~~may~~ shall be guilty of a Class 2 misdemeanor. The term of imprisonment may be suspended only on condition that the defendant be imprisoned for a term of at least 72 hours as a condition of special probation, perform community service for a term of at least 72 hours, or both. For a third or subsequent offense committed within five years after the date the defendant was convicted of two other offenses under this section, the defendant ~~may~~ shall be guilty of a Class 1 misdemeanor. The term of imprisonment may be suspended only if a condition of special probation is imposed to require the defendant to serve a term of imprisonment of at least ~~14~~ 11 days. However, if the sentencing judge finds that the defendant is unable, by reason of mental or physical infirmity, to perform the service

required under this section, and the reasons for such findings are set forth in the judgment, ~~he~~ the judge may pronounce such other sentence as ~~he~~ the judge finds appropriate."

Section 2. G.S. 15A-1021(a) reads as rewritten:

"(a) In superior court, the prosecution and the defense may discuss the possibility that, upon the defendant's entry of a plea of guilty or no contest to one or more offenses, the prosecutor will not charge, will dismiss, or will move for the dismissal of other charges, or will recommend or not oppose a particular ~~sentence, including a prison term different from the presumptive prison term applicable to the defendant, if convicted, under G.S. 15A-1340.4(f).~~ sentence. If the defendant is represented by counsel in the discussions the defendant need not be present. The trial judge may participate in the discussions."

Section 3. G.S. 15A-1340.17(c) reads as rewritten:

"(c) Punishments for Each Class of Offense and Prior Record Level; Punishment Chart Described. -- The authorized punishment for each class of offense and prior record level is as specified in the chart below. Prior record levels are indicated by the Roman numerals placed horizontally on the top of the chart. Classes of offense are indicated by the letters placed vertically on the left side of the chart. Each cell on the chart contains the following components:

(1) A sentence disposition or dispositions: 'C' indicates that a community punishment is authorized; 'I' indicates that an intermediate punishment is authorized; 'A' indicates that an active punishment is authorized; and 'Life Imprisonment Without Parole' indicates that the defendant shall be imprisoned for the remainder of the prisoner's natural life.

(2) A presumptive range of minimum durations, if the sentence of imprisonment is neither aggravated or mitigated; any minimum term of imprisonment in that range is permitted unless the court finds pursuant to G.S. 15A-1340.16 that an aggravated or mitigated sentence is appropriate. The presumptive range is the middle of the three ranges in the cell.

(3) A mitigated range of minimum durations if the court finds pursuant to G.S. 15A-1340.16 that a mitigated sentence of imprisonment is justified; in such a case, any minimum term of imprisonment in the mitigated range is permitted. The mitigated range is the lower of the three ranges in the cell.

(4) An aggravated range of minimum durations if the court finds pursuant to G.S. 15A-1340.16 that an aggravated sentence of imprisonment is justified; in such a case, any minimum term of imprisonment in the aggravated range is permitted. The aggravated range is the higher of the three ranges in the cell.

If an indigent defendant petitions the appellate division for a writ of certiorari, the presiding superior court judge may in his discretion order the preparation of the record and transcript of the proceedings at the expense of the State."

(3) For each prior felony Class E, F, or G conviction, 4 points.
(4) For each prior felony Class H or I conviction, 2 points.
(5) For each prior Class A1 or Class 1 misdemeanor conviction, 1 point, except that convictions for Class 1 misdemeanor offenses under Chapter 20 of the General Statutes, other than conviction for misdemeanor death by vehicle (G.S. 20-141.4(a2)), shall not be assigned any points for purposes of determining a person's prior record for felony sentencing.

For purposes of determining prior record points under this subsection, a conviction for a first degree rape or a first degree sexual offense committed prior to the effective date of this subsection shall be treated as a felony Class B1 conviction, and a conviction for any other felony Class B offense committed prior to the effective date of this subsection shall be treated as a felony Class B2 conviction."

Section 12. G.S. 7A-600 reads as rewritten:

If it appears that the results of specific nontestimonial identification procedures will be of material aid in determining whether the defendant committed the offense, the judge to whom the request was directed must order the State to conduct the identification procedures."

Section 16. This act becomes effective December 1, 1997, and applies to offenses committed on or after that date.

A BILL TO BE ENTITLED

AN ACT TO AMEND THE SEXUAL OFFENDER REGISTRATION PROGRAM TO COMPLY WITH FEDERAL LAW.

The General Assembly of North Carolina enacts:

Section 1. Article 27A of Chapter 14 of the General Statutes reads as rewritten:

"ARTICLE 27A.

"~~Sexual Offender Registration Program.~~

Sex Offender and Public Protection Registration Program.

"Part 1. Registration Programs, Purpose, and Definitions Generally.

"**§ 14-208.5. Purpose.**

The General Assembly recognizes that sex offenders often pose a high risk of engaging in sex offenses even after being released from incarceration or commitment and that protection of the public from sex offenders is of paramount governmental interest.

The General Assembly also recognizes that persons who commit certain other types of offenses against minors, such as kidnapping, pose significant and unacceptable threats to the public safety and welfare of the State's children and that the protection of those children is of great governmental interest. Further, the General Assembly recognizes that ~~local~~ law

enforcement officers' efforts to protect ~~their~~ communities, conduct investigations, and quickly apprehend offenders who commit sex offenses or certain offenses against minors are impaired by the lack of information available to law enforcement agencies about convicted ~~sex~~ offenders who live within the agency's jurisdiction. Release of information about ~~sex~~ these offenders will further the governmental interests of public safety so long as the information released is rationally related to the furtherance of those goals.

Therefore, it is the purpose of this Article to assist ~~local~~ law enforcement agencies' efforts to protect ~~their~~ communities by requiring ~~sex offenders~~ persons who are convicted of sex offenses or of certain other offenses committed against minors to register with ~~local~~ law enforcement ~~agencies and~~ agencies, to require the exchange of relevant information about ~~sex~~ those offenders among law enforcement ~~agencies~~ agencies, and to authorize the access to necessary and relevant information about ~~sex~~ those offenders to others as provided in this Article."

It is the further objective of the General Assembly to establish a more stringent set of registration requirements for a sub-class of

highly dangerous sex offenders who are determined by a sentencing court with the assistance of a board of experts to be sexually violent predators.

To accomplish this objective there are established two registration programs: the Sex Offender and Public Protection Registration Program and the Sexually Violent Predator Registration Program. Any person convicted of an offense against a minor or of a sexually violent offense as defined by this Article shall register as an offender in accordance with Part 2 of this Article. Any person determined to be a sexually violent predator shall register as such in accordance with Part 3 of this Article.

A BILL TO BE ENTITLED

AN ACT TO IMPLEMENT THE GOVERNOR'S RECOMMENDATIONS ON DRIVING WHILE IMPAIRED.

The General Assembly of North Carolina enacts:

PART I. SEIZURE OF VEHICLES USED IN DRIVING WHILE IMPAIRED OFFENSES.

Section 1.1. G.S. 20-28.2 reads as rewritten:

"**§ 20-28.2. Forfeiture of motor vehicle for impaired driving after impaired driving license revocation.**

(a) Meaning of 'Impaired Driving License Revocation'. -- The revocation of a person's driver's license is an impaired driving license revocation if the revocation is pursuant to:

(1) G.S. 20-13.2, 20-16(a)(8b), 20-16.2, 20-16.5, ~~20-17(2),~~ 20-17(a)(2), or 20-17.2; or

(2) G.S. 20-16(a)(7), 20-17(1), or 20-17(9), if the offense involves impaired driving.

(b) When Motor Vehicle Becomes Property Subject to Forfeiture. -- If at a sentencing hearing conducted pursuant to G.S. 20-179 or 20-138.5 the judge determines that the grossly aggravating factor described in G.S. 20-179(c)(2) applies, the motor vehicle that was driven by the defendant at the time he committed the offense of impaired driving becomes property subject to forfeiture.

(c) Duty of Prosecutor to Notify Possible Innocent Parties. --In any case in which a prosecutor determines that a motor vehicle driven by a defendant may be subject to forfeiture under this section, the prosecutor ~~must~~ shall determine the identity of the vehicle owner as shown on the certificate of title for the vehicle and he ~~must~~ shall also determine if there are any security interests noted on the vehicle's certificate of title. The State ~~must~~ shall notify the holder of each security interest that the vehicle may be subject to forfeiture and that he may intervene to protect his interest. If the defendant is not the owner, a similar notice ~~must~~ shall be served on the owner. The notice may be served by any means reasonably likely to provide actual notice, and ~~must~~ shall be served at least fourteen days before the forfeiture hearing.

(d) Duty of Judge. -- ~~The judge at sentencing must hold a hearing to determine if the vehicle should be forfeited. At the hearing the judge may order the forfeiture if he finds that:~~

~~(1) The vehicle is subject to forfeiture;~~

~~(2) The vehicle is not primarily used by a member of the defendant's family or household for a business purpose or for driving to and from work or school;~~

~~(3) All potential innocent parties have been notified as required in subsection (e); and~~

~~(4) No party has shown that he is an innocent party as described in subsection (f).~~

~~If the owner or the holder of a security interest has not been notified, the judge may continue the hearing to allow the State to serve the notice or he may decline to order forfeiture. In any case in which a judge does not order the forfeiture of a vehicle subject to forfeiture, he must enter into the record detailed, written reasons for his decision.~~ The trial judge at the sentencing hearing on the operator's charge of violating G.S. 20-138.1 or G.S. 20-138.5 shall determine if the vehicle is subject to forfeiture under this section. If the judge determines that the requirements of subsections (a) through (c) of this section exist and the defendant was a registered owner of the vehicle at the time of the offense, the judge shall order the vehicle forfeited. If the defendant was not a registered owner of the vehicle at the time of the offense, the judge shall order the vehicle forfeited unless the registered owner of the vehicle establishes, by clear and convincing evidence, that he or she is an innocent party as defined by subsection (f) of this section, in which case the trial judge may order the vehicle released to the registered owner pursuant to the provisions of subsection (e) of this section. In any case where the vehicle is ordered forfeited, the judge shall either:

(1) Authorize the school board to sell the vehicle at public sale or retain the vehicle for its own use pursuant to G.S. 20-28.5; or

(2) Release the vehicle to an innocent party lienholder pursuant to the provisions of subsection (h) of this section.

~~(e) Sale of Forfeited Vehicle Required. -- If the judge orders forfeiture of the vehicle pursuant to this section, he must order the sale of the vehicle. Proceeds of the sale must be paid to the school fund of the county in which the property was seized.~~

~~(f) Innocent Party May Intervene. -- At any time before the forfeiture is ordered, the property owner or holder of a security interest, other than the defendant, may apply to protect his interest in the motor vehicle. The application may be made to a judge who has jurisdiction to try the impaired driving offense with which the motor vehicle is associated. The judge must order the vehicle returned to the owner if he finds that either the owner or the holder of a security interest is an innocent party. An owner or holder of a security interest is an innocent party if he:~~

~~(1) Did not know and had no reason to know that the defendant's driver's license was revoked; or~~

~~(2) Knew that the defendant's driver's license was revoked, but the defendant drove the vehicle without his consent.~~

~~If an innocent party applies after the forfeited motor vehicle has been sold and the judge finds no laches in the innocent party's delay, the judge may order a payment to the innocent party from the net proceeds of the sale equal to his equity or security interest in the vehicle.~~

(e) Return of Vehicle to Innocent Registered Owner. -- If the registered owner establishes, by clear and convincing evidence, that the vehicle was being driven by a person who was not a registered owner at the time of the underlying offense and that each registered owner is an 'innocent party', the sentencing judge shall order the vehicle returned to the registered owner.

This release shall only be ordered upon satisfactory proof of:

(1) The identity of the person as a registered owner;

(2) The existence of financial responsibility as required by Article 13 of this Chapter;

(3) The payment of towing and storage fees; and

(4) The execution of an acknowledgment as set forth in this section.

No vehicle subject to forfeiture under this section shall be released to a registered owner if the records of the Division indicate any registered owner had previously signed an acknowledgment as required by this section, and the same person was operating the owner's vehicle when that person's license was revoked. However, the sentencing judge may release the motor vehicle to the registered owner when the Division records indicate a previously signed acknowledgment, if the registered owner shows by clear and convincing evidence that the registered owner has taken all reasonable precautions to prevent the use of the vehicle by this particular person and immediately reports, upon discovery, any unauthorized use to the appropriate law enforcement agency.

(f) Innocent Party Defined. -- A registered owner or holder of a security is an 'innocent party' if he or she:

(1) Did not know and had no reason to know that the defendant's drivers license was revoked; or

(2) Knew that the defendant's drivers license was revoked, but the defendant drove the vehicle without his or her consent.

(g) Acknowledgment Required. -- The 'innocent party' registered owner of a vehicle seeking release pursuant to this section shall sign a written document acknowledging that:

(1) His or her vehicle was operated by a person charged with an offense involving impaired driving while that drivers license was revoked as a result of a prior impaired drivers license revocation;

(2) If the vehicle is again operated by this particular person, at any time while that person's drivers license is revoked, that the vehicle is subject to impoundment and forfeiture, even if the operator was not impaired; and

(3) A lack of knowledge or consent to the operation will not be a defense in the future, unless the registered owner has taken all reasonable precautions to prevent the use of the vehicle by this particular person and immediately reports, upon discovery, any unauthorized use to the appropriate law enforcement agency.

(h) Release to Lienholder. -- The trial judge shall order a forfeited vehicle released to the holder of a security interest if he determines by clear and convincing evidence, that the holder of the security interest is an 'innocent party', as defined in subsection (f) of this section, and:

(1) The lienholder's interest is not less than the fair market value of the vehicle;

(2) The lienholder agrees not to sell, give, or otherwise transfer possession of the forfeited vehicle to a registered owner or any person acting on a registered owner's behalf; and

(3) The lienholder pays, in full, any towing and storage costs incurred as a result of the seizure of the vehicle.

(i) Possessory Lien. -- The entity that tows or stores the motor vehicle, other than the county school board, shall be entitled to a possessory lien for all costs and fees associated with the towing, storage, or sale of a vehicle pursuant to this section. This lien shall have priority over perfected and unperfected security interests. Storage fees subject to the lien shall not exceed five dollars ($5.00) per day."

Section 1.2. Chapter 20 of the General Statutes is amended by adding a new section to read:

"**§ 20-28.3. Seizure, impoundment, forfeiture of vehicles for offenses involving impaired driving while license revoked.**

(a) A motor vehicle that is driven by a person in violation of G.S. 20-138.1 or G.S. 20-138.5 is subject to seizure if at the time of the violation the drivers license of the person driving the motor vehicle was revoked as a result of a prior impaired drivers license revocation. The revocation of a person's drivers license is an impaired drivers license revocation for purposes of this section if the revocation is pursuant to:

(1) G.S. 20-13.2, 20-16(a)(8b), 20-16.2, 20-16.5, 20-17(a)(2), 20-17(a)(12), or 20-17.2; or

(2) G.S. 20-16(a)(7), 20-17(a)(1), or 20-17(a)(9) if the offense involved impaired driving.

(b) Duty of Officer. -- In any case where the charging officer has probable cause to believe that a motor vehicle driven by the defendant may be subject to forfeiture under this section, the officer shall seize the vehicle and have it impounded. Probable cause may be based on the officer's personal knowledge, reliable information conveyed by another officer, records of the Division, or other reliable source. If the registered owner was not operating or present in the vehicle at the time of the offense, the officer shall cause to be issued written notification of impoundment to the registered owner of the vehicle. This notice shall be sent by first-class mail to the most recent address contained in the Division registration records. This written notification shall inform the registered owner that the vehicle has been impounded, the reason for the impoundment, and the procedure for requesting its release. Whether the registered owner was driving or present at the time of seizure, the seizing officer shall notify the Division of the seizure in accordance with procedures established by the Division. The officer shall also cause notice to be given to any lienholder of record with the Division of the impoundment and intent to forfeit the vehicle upon conviction.

(c) Review by Magistrate. -- Upon seizing the vehicle, the seizing officer shall present to the magistrate determining the operator's condition for pretrial release an affidavit of impoundment setting forth the requirements of this section. The magistrate shall review the affidavit of impoundment and if the magistrate determines the requirements of this section have been met, shall order the vehicle held in accordance with this section. The magistrate may request additional information and may hear from the operator if he is present. If the operator of the vehicle is not present at the time the affidavit of impoundment is presented, the seizing officer may present the affidavit to any judicial official who shall perform the review contained herein.

(d) Custody of Vehicle. -- The seized vehicle shall be towed to a location designated by the county school board for the county in which the operator of the vehicle is charged and placed under the constructive possession of the school board pending release or sale. Each county school board may elect to have seized vehicles stored on property owned or leased by the school board and charge no fee for storage. In the alternative, the county school board may contract with a commercial storage facility for the storage of such vehicles and a storage fee of not more than five dollars ($5.00) per day may be charged.

(e) Release of Vehicle Pending Trial. -- A registered owner of a vehicle, other than the driver at the time of the underlying offense resulting in the seizure, may apply to the clerk of superior court in the county where the charges are pending for pretrial release of the vehicle. The clerk may release the vehicle to the registered owner under the following conditions:

(1) The vehicle has been stored for not less than 24 hours;

(2) All towing and storage charges have been paid;

(3) Execution of a good and valid bond with sufficient sureties in an amount double the value of the seized vehicle, payable to the county school fund and conditioned on return of the vehicle,

without the imposition of any additional liens or encumbrances, on the day of trial of the operator;

(4) Execution of a written acknowledgment as described in G.S. 20-28.2(g); and

(5) A check of the records of the Division indicates that the owner has not previously executed a written acknowledgment pertaining to the operator of the seized vehicle.

(f) Duty of Trial Judge. -- The trial judge at the sentencing hearing on the operator's charge of violating G.S. 20-138.1 or G.S. 20-138.5 shall determine if the vehicle is subject to forfeiture pursuant to the provisions of G.S. 20-28.2.

(g) Possessory Lien. -- The entity that tows and stores the vehicle, other than the county school board, shall be entitled to a possessory lien for any and all costs and fees associated with the towing and storage (not to exceed five dollars ($5.00) per day). This lien shall have priority over perfected and unperfected security interests."

Section 1.3. Chapter 20 of the General Statutes is amended by adding a new section to read:

"**§ 20-28.4. Release of impounded vehicles by trial judge.**

(a) Release to Innocent Registered Owner. -- An innocent party registered owner may apply to the trial judge presiding over the underlying offense for return of the vehicle pursuant to the provisions of G.S. 20-28.2(e).

(b) Acknowledgment Required. -- The innocent party registered owner of a vehicle seeking release under this section or pretrial release under G.S. 20-28.3 shall sign a written acknowledgment as described in G.S. 20-28.2(g). The registered owner shall also acknowledge that if the vehicle is again operated by this particular person at any time while the person's license is revoked, the owner's vehicle is subject to seizure, impoundment, and forfeiture, even if the person is not impaired at the time he or she operates the vehicle. The registered owner shall acknowledge further that a lack of knowledge, or consent to the operation will not be a defense in the future.

(c) Release to Lienholder. -- The trial judge may order a forfeited vehicle released to the holder of a security interest if he determines, by clear and convincing evidence, that the holder of the security interest is an 'innocent party' as defined by G.S. 20-28.2(f), and the lienholder satisfies the criteria as set out in G.S. 20-28.2(h).

(d) Release Upon Conclusion of Trial. -- If the driver of a motor vehicle seized pursuant to G.S. 20-28.3 is subsequently not convicted of either G.S. 20-138.1 or G.S. 20-138.5 due to dismissal or a finding of not guilty or the judge at the sentencing hearing fails to find the grossly aggravating factor described in G.S. 20-179(c)(2), the seized vehicle shall be returned to the registered owner upon payment of towing and storage fees. If the court finds that probable cause did not exist to seize the motor vehicle, the court may order the vehicle released without payment of the towing and storage fees. Such a determination does not authorize the driver, registered owner or lienholder to recover towing or storage fees paid in order to obtain pretrial release of the motor vehicle."

Section 1.4. Chapter 20 of the General Statutes is amended by adding a new section to read:

"**§ 20-28.5. Forfeiture of impounded vehicle.**

(a) Sale. -- Unless the trial judge orders the vehicle returned to an innocent party pursuant to G.S. 20-28.2 or G.S. 20-28.4, the vehicle shall be ordered forfeited and sold or transferred to the school board in the county where the charges were filed. The sale of the vehicle shall be at public sale and shall be conducted by the county school board or a person acting on its behalf. Notice of sale shall be given to the Division in accordance with the procedures established by the Division.

(b) Proceeds of Sale. -- Proceeds of any sale conducted under this section shall first be applied to satisfy towing and storage liens and the cost of sale. The balance of the proceeds of sale, if any, shall be used to satisfy any other existing liens of record that were properly recorded with the Division prior to the date of initial seizure of the vehicle. Any remaining balance shall be paid to the county school fund in the county in which the vehicle was ordered forfeited. Vehicles sold pursuant to this section shall be transferred free and clear of any liens.

(c) Retention of Vehicle. -- The county board may, at its option, retain any forfeited vehicle for its use. If the vehicle is retained, any valid lien of record at the time of the initial seizure of the vehicle shall be satisfied by the school board. If there is more than one school board in the county, then the fair market value of the vehicle shall be used to determine the share of the school boards in the same manner as fines and other forfeitures."

Section 1.5. Chapter 20 of the General Statutes is amended by adding a new section to read:

"**§ 20-28.6. Responsibility of Division of Motor Vehicles.**

The Division shall establish procedures to provide for the orderly seizure, forfeiture, sale, and transfer of motor vehicles pursuant to the provisions of G.S. 20-28.2, et seq."

Section 1.6. G.S. 20-219.10(a) reads as rewritten:

"(a) This Article applies to each towing of a vehicle that is carried out pursuant to G.S. 115C-46(d) or G.S. 143-340(19), or pursuant to the direction of a law-enforcement officer except:

The judge may impose restrictions on the defendant's ability to leave the premises of the treatment facility and require that the defendant follow the rules of the treatment facility. Section 2.8. G.S. 20-179(r) reads as rewritten:

"(r) Supervised Probation Terminated. -- Unless a judge in his discretion determines that supervised probation is necessary, and includes in the record that he has received evidence and finds as a fact that supervised probation is necessary, and states in his judgment that supervised probation is necessary, a defendant convicted of an offense of impaired driving shall be placed on unsupervised probation if he meets ~~two~~ three conditions. "(a) Basis for Charging Officer to Require Chemical Analysis; Notification of Rights. -- Any person who drives a vehicle on a highway or public vehicular area thereby gives consent to a chemical analysis if charged with an implied-consent offense. The charging officer ~~must~~ shall designate the type of chemical analysis to be administered, and it may be administered when the officer has reasonable grounds to believe that the person charged has committed the implied-consent offense.

Except as provided in this subsection or subsection (b), before any type of chemical analysis is administered the person charged ~~must~~ shall be taken before a chemical analyst authorized to administer a test of a person's breath, who ~~must~~ shall inform the person orally and also give the person a notice in writing that:

(1) The person has a right to refuse to be tested.
(2) Refusal to take any required test or tests will result in an immediate revocation of the person's driving privilege for at least ~~10~~ 30 days and an additional 12-month revocation by the Division of Motor Vehicles.
(3) The test results, or the fact of the person's refusal, will be admissible in evidence at trial on the offense charged.
(4) The person's driving privilege will be revoked immediately for at least ~~10~~ 30 days if:
    a. The test reveals an alcohol concentration of 0.08 or more; or
    b. The person was driving a commercial motor vehicle and the test reveals an alcohol concentration of 0.04 or more.
(5) The person may choose a qualified person to administer a chemical test or tests in addition to any test administered at the direction of the charging officer.
(6) The person has the right to call an attorney and select a witness to view for him or her the testing procedures, but the testing may not be delayed for these purposes longer than 30 minutes from the time when the person is notified of his or her rights.

If the charging officer or an arresting officer is authorized to administer a chemical analysis of a person's breath, the charging officer or the arresting officer may give the person charged the oral and written notice of rights required by this subsection. This authority applies regardless of the type of chemical analysis designated."

Section 3.2. G.S. 20-16.2(e1) reads as rewritten:

"(e1) Limited Driving Privilege after Six Months in Certain Instances. -- A person whose driver's license has been revoked under this section may apply for and a judge authorized to do so by this subsection may issue a limited driving privilege if:

(1) At the time of the refusal the person held either a valid ~~driver's~~ drivers license or a license that had been expired for less than one year;

(2) At the time of the refusal, the person had not within the preceding seven years been convicted of an offense involving impaired driving;

(3) At the time of the refusal, the person had not in the preceding seven years willfully refused to submit to a chemical analysis under this section;

(4) The implied-consent offense charged did not involve death or critical injury to another person;

(5) The underlying charge for which the defendant was requested to submit to a chemical analysis has been finally disposed of:

a. Other than by conviction; or

b. By a conviction of impaired driving under G.S. 20-138.1, at a punishment level authorizing issuance of a limited driving privilege under G.S. 20-179.3(b), and the defendant has complied with at least one of the mandatory conditions of probation listed for the punishment level under which the defendant was sentenced;

(6) Subsequent to the refusal the person has had no unresolved pending charges for or additional convictions of an offense involving impaired driving; ~~and~~

(7) The person's license has been revoked for at least six months for the ~~refusal.~~ refusal; and

(8) The person has obtained a substance abuse assessment from a mental health facility and successfully completed any recommended training or treatment program.

Except as modified in this subsection, the provisions of G.S. 20-179.3 relating to the procedure for application and conduct of the hearing and the restrictions required or authorized to be included in the limited driving privilege apply to applications under this subsection. If the case was finally disposed of in the district court, the hearing ~~must~~ shall be conducted in the district court district as defined in G.S. 7A-133 in which the refusal occurred by a district court judge. If the case was finally disposed of in the superior court, the hearing ~~must~~ shall be conducted in the superior court district or set of districts as defined in G.S. 7A-41.1 in which the refusal occurred by a superior court judge. A limited driving privilege issued under this section authorizes a person to drive if the person's license is revoked solely under this section or solely under this section and G.S. 20-17(2). If the person's license is revoked for any other reason, the limited driving privilege is invalid."

Section 3.3. G.S. 20-16.2(i) reads as rewritten:

"(i) Right to Chemical Analysis before Arrest or Charge. -- A person stopped or questioned by a law-enforcement officer who is investigating whether the person may have committed an implied-consent offense may request the administration of a

chemical analysis before any arrest or other charge is made for the offense. Upon this request, the officer ~~must~~ shall afford the person the opportunity to have a chemical analysis of his or her breath, if available, in accordance with the procedures required by G.S. 20-139.1(b). The request constitutes the person's consent to be transported by the law-enforcement officer to the place where the chemical analysis is to be administered. Before the chemical analysis is made, the person ~~must~~ shall confirm the request in writing and ~~must~~ shall be notified:

(1) That the test results will be admissible in evidence and may be used against the person in any implied-consent offense that may arise;

(2) That the person's license will be revoked for at least ~~10~~ 30 days if:

a. The test reveals an alcohol concentration of 0.08 or more; or

b. The person was driving a commercial motor vehicle and the test results reveal an alcohol concentration of 0.04 or more.

(3) That if the person fails to comply fully with the test procedures, the officer may charge the person with any offense for which the officer has probable cause, and if the person is charged with an implied-consent offense, the person's refusal to submit to the testing required as a result of that charge would result in revocation of the person's driver's license. The results of the chemical analysis are admissible in evidence in any proceeding in which they are relevant."

Section 3.4. G.S. 20-16.5 is amended by adding a new subsection to read:

"(p) Limited Driving Privilege. -- A person whose drivers license has been revoked under this section may apply for a limited driving privilege if:

(1) At the time of the alleged offense the person held either a valid drivers license or a license that had been expired for less than one year;

(2) Does not have an unresolved pending charge for or additional convictions of an offense involving impaired driving;

(3) The person's license has been revoked for at least 10 days if the revocation is for 30 days or 30 days if the revocation is for 45 days; and

(4) The person has obtained a substance abuse assessment from a mental health facility and registers for and agrees to participate in any recommended training or treatment program.

Except as modified in this subsection, the provisions of G.S. 20-179.3 relating to the procedure for application and conduct of the hearing and the restrictions required or authorized to be included in the limited driving privilege apply to applications under this subsection. Any district court judge authorized to hold court in the judicial district is authorized to issue such a limited driving privilege. A limited driving privilege issued under this section authorizes a person to drive if the person's license is revoked solely under this section. If the person's license is revoked for any other reason, the limited driving privilege is invalid."

Section 3.5. G.S. 20-16.5(e) reads as rewritten:

"(e) Procedure if Report Filed with Judicial Official When Person Is Present. -- If a properly executed revocation report concerning a person is filed with a judicial official when the person is present before that official, the judicial official ~~must,~~ shall, after completing any other proceedings involving the person, determine whether there is probable cause to believe that each of the conditions of subsection (b) has been met. If he determines that there is such probable cause, he ~~must~~ shall enter an order revoking the person's driver's license for the period required in this subsection. The judicial official ~~must~~ shall order the person to surrender his license and if necessary may order a law-enforcement officer to seize the license. The judicial official ~~must~~ shall give the person a copy of the revocation order. In addition to setting it out in the order the judicial official ~~must~~ shall personally inform the person of his right to a hearing as specified in subsection (g), and that his license remains revoked pending the hearing. Unless the person is not currently licensed, the revocation under this subsection begins at the time the revocation order is issued and continues until the person's license has been surrendered for ~~10~~ 30 days and the person has paid the applicable costs. If the person is not currently licensed, the revocation continues until ~~10~~ 30 days from the date the revocation order is issued and the person has paid the applicable costs. If within five working days of the effective date of the order, the person does not surrender his license or demonstrate that he is not currently licensed, the clerk ~~must~~ shall immediately issue a pick-up order. The pick-up order ~~must~~ shall be issued to a member of a local law-enforcement agency if the charging officer was employed by the agency at the time of the charge and the person resides in or is present in the agency's territorial jurisdiction. In all other cases, the pick-up order ~~must~~ shall be issued to an officer or inspector of the Division. A pick-up order issued pursuant to this section is to be served in accordance with G.S. 20-29 as if the order had been issued by the Division."

Section 3.6. G.S. 20-16.5(f) reads as rewritten:

"(f) Procedure if Report Filed with Clerk of Court When Person Not Present. -- When a clerk receives a properly executed report under subdivision (d)(3) and the person named in the revocation report is not present before the clerk, the clerk ~~must~~ shall determine whether there is probable cause to believe that each of the conditions of subsection (b) has been met. If he determines that there is such probable cause, he ~~must~~ shall mail to the person a revocation order by first-class mail. The order ~~must~~ shall direct that the person on or before the effective date of the order either surrender his license to the clerk or appear before the clerk and demonstrate that he is not currently licensed, and the order ~~must~~ shall inform the person of the time and effective date of the revocation and of its duration, of his right to a hearing as specified in subsection (g), and that the revocation remains in effect pending the hearing. Revocation orders mailed under this subsection become effective on the fourth day after the order is deposited in the United States mail. If within five working days of the effective date of the order, the person does not surrender his license to the clerk or appear before the clerk to demonstrate that he is not currently licensed, the clerk ~~must~~ shall immediately issue a pick-up order. The pick-up order

~~must~~ shall be issued and served in the same manner as specified in subsection (e) for pick-up orders issued pursuant to that subsection. A revocation under this subsection begins at the date specified in the order and continues until the person's license has been revoked for the period specified in this subsection and the person has paid the applicable costs. The period of revocation under this subsection is:

(1) ~~Ten~~ Thirty days from the time the person surrenders his license to the court, if the surrender occurs within five working days of the effective date of the order; or

(2) ~~Ten~~ Thirty days after the person appears before the clerk and demonstrates that he is not currently licensed to drive, if the appearance occurs within five working days of the effective date of the revocation order; or

(3) ~~Thirty~~ Forty-five days from the time:

a. The person's driver's license is picked up by a law-enforcement officer following service of a pick-up order; or

b. The person demonstrates to a law-enforcement officer who has a pick-up order for his license that he is not currently licensed; or

c. The person's driver's license is surrendered to the court if the surrender occurs more than five working days after the effective date of the revocation order; or

d. The person appears before the clerk to demonstrate that he is not currently licensed, if he appears more than five working days after the effective date of the revocation order.

When a pick-up order is issued, it ~~must~~ shall inform the person of his right to a hearing as specified in subsection (g), and that the revocation remains in effect pending the hearing. An officer serving a pick-up order under this subsection ~~must~~ shall return the order to the court indicating the date it was served or that he was unable to serve the order. If the license was surrendered, the officer serving the order ~~must~~ shall deposit it with the clerk within three days of the surrender."

Section 3.7. G.S. 20-16.5(i) reads as rewritten:

"(i) Effect of Revocations. -- A revocation under this section revokes a person's privilege to drive in North Carolina whatever the source of his authorization to drive. Revocations under this section are independent of and run concurrently with any other revocations. No court imposing a period of revocation following conviction of an offense involving impaired driving may give credit for any period of revocation imposed under this section. ~~A person is not eligible for a limited driving privilege under any statute while his license is revoked under this section.~~ A person whose license is revoked pursuant to this section is not eligible to receive a limited driving privilege except as specifically authorized by G.S. 20-16.5(p)."

Section 3.8. G.S. 20-16.5(k) reads as rewritten:

"(k) Report to Division. -- Except as provided below, the clerk ~~must~~ shall mail a report to the Division within 10 working days of the return of a license under this

section or of the termination of a revocation of the driving privilege of a person not currently licensed. The report ~~must~~ shall identify the person whose license has been revoked and specify the dates on which his license was revoked. No report need be made to the Division, however, if there was a surrender of the driver's license issued by the Division, a ~~ten-day~~ 30-day minimum revocation was imposed, and the license was properly returned to the person under subsection (h) within five working days after the ~~10-day~~ 30-day period had elapsed."

PART IV. MAKE ALCOHOL SCREENING TEST ADMISSIBLE TO PROVE OFFENSE OF DRIVING AFTER DRINKING BY A PERSON UNDER 21.

Section 4. G.S. 20-138.3 reads as rewritten:

"**§ 20-138.3. Driving by person less than 21 years old after consuming alcohol or drugs.**

(a) Offense. -- It is unlawful for a person less than 21 years old to drive a motor vehicle on a highway or public vehicular area while consuming alcohol or at any time while he has remaining in his body any alcohol or in his blood a controlled substance previously consumed, but a person less than 21 years old does not violate this section if he drives with a controlled substance in his blood which was lawfully obtained and taken in therapeutically appropriate amounts.

(b) Subject to Implied-Consent Law. -- An offense under this section is an alcohol-related offense subject to the implied-consent provisions of G.S. 20-16.2.

(c) Odor Insufficient. -- The odor of an alcoholic beverage on the breath of the driver is insufficient evidence by itself to prove beyond a reasonable doubt that alcohol was remaining in the driver's body in violation of this section unless the driver was offered an alcohol screening test or chemical analysis and refused to provide all required samples of breath or blood for analysis.

(d) Alcohol Screening Test. -- Notwithstanding any other provision of law, an alcohol screening test may be administered to a driver suspected of violation of subsection (a) of this section, and the results of an alcohol screening test or the driver's refusal to submit may be used by a law enforcement officer, a court, or an administrative agency in determining if alcohol was present in the driver's body. No alcohol screening tests are valid under this section unless the device used is one approved by the Commission on Health Services, and the screening test is conducted in accordance with the applicable regulations of the Commission as to its manner and use.

~~(c)~~ (e) Punishment; effect when impaired driving offense also charged. -- The offense in this section is a Class 2 misdemeanor. It is not, in any circumstances, a lesser included offense of impaired driving under G.S. 20-138.1, but if a person is convicted under this section and of an offense involving impaired driving arising out of the same transaction, the aggregate punishment imposed by the court may not exceed the maximum applicable to the offense involving impaired driving, and any minimum punishment applicable ~~must~~ shall be imposed.

~~(d)~~ (f) Limited driving privilege. -- A person who is convicted of violating subsection (a) of this section and whose drivers license is revoked solely based on that conviction may apply for a limited driving privilege as provided in G.S. 20-179.3.

This subsection shall apply only if the person meets both of the following requirements:

(1) Is 18, 19, or 20 years old on the date of the offense.

(2) Has not previously been convicted of a violation of this section.

The judge may issue the limited driving privilege only if the person meets the eligibility requirements of G.S. 20-179.3, other than the requirement in G.S. 20-179.3(b)(1)c. G.S. 20-179.3(e) shall not apply. All other terms, conditions, and restrictions provided for in G.S. 20-179.3 shall apply. G.S. 20-179.3, rather than this subsection, governs the issuance of a limited driving privilege to a person who is convicted of violating subsection (a) of this section and of driving while impaired as a result of the same transaction."

PART V. ALLOW DRUG TESTING FOR DRIVING WHILE IMPAIRED.

Section 5.1. G.S. 20-4.01(3a) reads as rewritten:

"(3a) Chemical Analysis. -- A test or tests of the ~~breath or blood~~ breath, blood, or other bodily fluid or substance of a person to determine ~~his~~ the person's alcohol ~~concentration,~~ concentration or presence of an impairing substance, performed in accordance with ~~G.S. 20-139.1.~~ G.S. 20-139.1, including duplicate or sequential analyses. ~~The term "chemical analysis" includes duplicate or sequential analyses when necessary or desirable to insure the integrity of test results.~~"

Section 5.2. G.S. 20-138.3(a) reads as rewritten:

"(a) Offense. -- It is unlawful for a person less than 21 years old to drive a motor vehicle on a highway or public vehicular area while consuming alcohol or at any time while he has remaining in his body any alcohol or ~~in his blood a~~ controlled substance previously consumed, but a person less than 21 years old does not violate this section if he drives with a controlled substance in his ~~blood~~ body which was lawfully obtained and taken in therapeutically appropriate amounts."

Section 5.3. G.S. 20-139.1(a) reads as rewritten:

"(a) Chemical Analysis Admissible. -- In any implied-consent offense under G.S. 20-16.2, a person's alcohol concentration or the presence of any other impairing substance in the person's body as shown by a chemical analysis is admissible in evidence. This section does not limit the introduction of other competent evidence as to ~~a defendant's~~ a person's alcohol ~~concentration,~~ concentration or results of other tests showing the presence of an impairing substance, including other chemical tests."

Section 5.4. G.S. 20-139.1 is amended by adding a new subsection to read:

"(b5) Subsequent Tests Allowed. -- A person may be requested, pursuant to G.S. 20-16.2, to submit to a chemical analysis of the person's blood or other bodily fluid or substance in addition to or in lieu of a chemical analysis of the breath, in the discretion of the charging officer. A person's willful refusal to submit to a chemical analysis of the blood or other bodily fluid or substance is a willful refusal under G.S. 20-16.2."

Section 5.5. G.S. 20-139.1(e1) reads as rewritten:

"(e1) Use of Chemical Analyst's Affidavit in District Court. -- An affidavit by a chemical analyst sworn to and properly executed before an official authorized to administer oaths is admissible in evidence without further authentication in any hearing or trial in the District Court Division of the General Court of Justice with respect to the following matters:

(1) The alcohol concentration or concentrations or the presence or absence of an impairing substance of a person given a chemical analysis and who is involved in the hearing or trial.

(2) The time of the collection of the ~~blood or breath~~ blood, breath, or other bodily fluid or substance sample or samples for the chemical analysis.

(3) The type of chemical analysis administered and the procedures followed.

(4) The type and status of any permit issued by the Department of Environment, Health, and Natural Resources that he held on the date he performed the chemical analysis in question.

(5) If the chemical analysis is performed on a breath-testing instrument for which regulations adopted pursuant to subsection (b) require preventive maintenance, the date the most recent preventive maintenance procedures were performed on the breath-testing instrument used, as shown on the maintenance records for that instrument.

The Department of Environment, Health, and Natural Resources ~~must~~ shall develop a form for use by chemical analysts in making this affidavit. If any person who submitted to a chemical analysis desires that a chemical analyst personally testify in the hearing or trial in the District Court Division, he may subpoena the chemical analyst and examine him as if he were an adverse witness."

Section 5.6. G.S. 20-179.3(h) reads as rewritten:

"(h) Other Mandatory and Permissive Conditions or Restrictions. -- In all limited driving privileges the judge ~~must~~ shall also include a restriction that the applicant not consume alcohol while driving or drive at any time while he has remaining in his body any alcohol or ~~in his blood a~~ controlled substance previously consumed, unless the controlled substance was lawfully obtained and taken in therapeutically appropriate amounts. The judge may impose any other reasonable restrictions or conditions necessary to achieve the purposes of this section."

PART VI. EXPAND THE DRUG ABUSE RESISTANCE EDUCATION (DARE) PROGRAM TO THE SEVENTH AND NINTH GRADES.

Section 6. G.S. 115C-47 is amended by adding a new subdivision to read:

"(38) Expand DARE Program to Seventh and Ninth Grades. -- Local boards of education shall use available State and federal resources to expand the Drug Abuse and Resistance Education Program to the seventh and ninth grades."

PART VII. HABITUAL IMPAIRED DRIVING.

Section 7. G.S. 20-138.5(b) reads as rewritten:

"(b) A person convicted of violating this section shall be punished as a Class G ~~felon.~~ felon and shall be sentenced to a minimum active term of not less than 12 months of imprisonment, which shall not be suspended. Sentences imposed under this subsection shall run consecutively with and shall commence at the expiration of any sentence being served."

PART VIII. EFFECTIVE DATES.

Section 8. This act becomes effective December 1, 1997, and applies to offenses committed on or after that date. Sentencing for an offense committed before the effective date of this act is governed by the laws in effect at the time of the commission of the offense.

MEMORANDUM

TO: Senator Roy Cooper, Chair, Senate Judiciary Committee

FROM: O. Walker Reagan and Brenda Carter, Committee Co-Counsel and Susan Hayes, House Judiciary II Committee Co-Counsel

RE: **PROPOSED SENATE COMMITTEE SUBSTITUTE FOR HOUSE BILL 448 - GOVERNOR'S DWI INITIATIVE/AB** - Representative Hackney

The Senate Proposed Committee Substitute for House Bill would strengthen the law which allows seizure of vehicles when used in driving while impaired and while the license has been revoked for an impaired driving offense, increases the penalty for driving while impaired, increases the mandatory administrative license revocation period for driving while impaired, strengthens the punishment for habitual impaired driving, and makes other changes related to the enforcement of the DWI laws.

Part I - Seizure of Vehicles Used in DWI Offenses

When vehicle subject to forfeiture:
Current law and House Bill 448: a vehicle is subject to forfeiture if the judge determines at sentencing for driving while impaired that the defendant was driving with a revoked license, and that the revocation was an impaired driving revocation. The prosecutor is required to determine who owns the car and whether there are any security interests noted on the title. The State must then notify the holder of each security interest, and if the defendant is not the owner, notice must be served on the owner.

Determination of forfeiture:
Current law: The judge at sentencing must hold a hearing to determine if the vehicle should be forfeited.
House Bill 448: The trial judge at the sentencing hearing on the operator's DWI charge will determine if the vehicle is subject to forfeiture.

Order of Forfeiture:
Current law: The judge may order the forfeiture if he finds that the vehicle is not primarily used by a member of the defendant's family or household for business or for driving to and from work or school, that all potential innocent parties have been notified and no party has shown that he is an innocent party.
House Bill 448: ***If the defendant was a registered owner of the vehicle, the judge shall order forfeiture.*** If defendant was not a registered owner, judge shall order forfeiture unless the registered owner establishes by the greater weight of the evidence that he or she is an innocent party, in which case the judge may order the vehicle released to the registered owner under specified conditions.

Innocent Parties Defined:
Current law and House Bill 448: Did not know and had no reason to know that defendant's license was revoked, or knew that defendant's license was revoked, but defendant drove vehicle without the innocent parties' express or implied permission.

If Vehicle is Ordered Forfeited:
Current law: Vehicle must be sold; proceeds of sale must be paid to school fund of county where property was seized.
House Bill 448: Judge may authorize school board to sell at a judicial sale with notice to the registered owner and lienholders or retain for its own use or judge may release vehicle to innocent party lienholder.

Other provisions of *House Bill 448:* Adds provisions requiring officer to seize and impound vehicle when the officer has probable cause to believe vehicle is subject to forfeiture. Includes provisions regarding review of impoundment by magistrate, and conditions allowing release of vehicle pending trial. Also includes provisions for returning vehicle if no probable cause is found or the defendant is not found guilty.

Part II - Increase Penalty for Driving While Impaired Offenders

Amends G.S. 20-179 to change the punishment for DWI offenses as follows.

(1) Level I Punishment - any term of imprisonment may only be suspended if a condition of special probation is imposed that requires the defendant to serve a minimum of 30 days. (Current law requires a minimum of 14 days or at least 4 consecutive days and house arrest for twice the number remaining of the 14 days.)

(2) Level II Punishment - any term of imprisonment may only be suspended if a condition of special probation is imposed that requires the defendant to serve a minimum of 7 days. (Current law requires a minimum of 7 days or at least 2 consecutive days and house arrest for twice the number remaining of the 7 days.)

(3) Levels III, IV and V Punishment - deletes the requirement that an active sentence be suspended, therefore allowing active time for these levels of punishment.

(4) Amends all levels of punishment to require all defendants placed on probation to obtain a substance abuse assessment. Also requires any defendant given active time to obtain a substance abuse assessment before becoming eligible for parole.

(5) Amends G.S. 20-179(k1) regarding credit for inpatient treatment, to allow the trial judge to order that costs of treatment be absorbed by the State.

Part III - Increase Administrative License Revocation Period

Amends G.S. 20-16.2 and G.S. 20-16.5 to increase the immediate civil revocation period from 10 days to 30 days. There is a provision to allow a limited driving privilege after 10 days if: 1) at the time of the offense, the defendant held either a valid driver's license or a license that had been expired for less than one year; 2) the defendant has no other unresolved pending DWI offenses or intervening DWI convictions; and 3) the defendant obtains a substance abuse assessment and registers for and agrees to participate in any recommended training or treatment program.

Part IV - Make Alcohol Screening Test Admissible to Prove Offense of Driving after Drinking by a Person Under 21

Amends G.S. 20-138.3 (driving by a person under 21 after consuming alcohol or drugs) to allow the results of an alcohol screening test or a refusal to test to be used by law enforcement, the court or an administrative agency in determining if alcohol was present in the driver's body. Also provides that the odor of alcohol is not sufficient evidence to prove beyond a reasonable doubt that alcohol was present in the driver's body, unless the driver was offered an alcohol screening test and refused to provide the required samples.

Part V - Allow Drug Testing for Driving While Impaired

Amends G.S. 20-139.1 to provide that a person may be requested, under G.S. 20-16.2, to submit to chemical analysis of blood or other bodily fluid in addition to or in lieu of breath analysis. Refusal of such testing is "willful refusal" under G.S. 20-16.2

Part VI - Expand the Drug Abuse Resistance Education (DARE) Program to the Seventh and Ninth Grades

Amends G.S. 115C-47 to require local boards of education to use available State and federal resources to expand the DARE program to the 7th and 9th grades.

Part VII - Habitual Impaired Driving

Amends G.S. 20-138.5 to require a minimum active sentence of 12 months for habitual impaired driving which shall not be suspended.

Part VIII - Effective Date

The bill is effective December 1, 1997 and applies to offenses committed on or after that date.

A BILL TO BE ENTITLED

AN ACT TO IMPLEMENT THE GOVERNOR'S RECOMMENDATIONS ON DRIVING WHILE IMPAIRED.

The General Assembly of North Carolina enacts:

PART I. SEIZURE OF VEHICLES USED IN DRIVING WHILE IMPAIRED OFFENSES.

Section 1.1. G.S. 20-28.2 reads as rewritten:

"**§ 20-28.2. Forfeiture of motor vehicle for impaired driving after impaired driving license revocation.**

(a) Meaning of 'Impaired Driving License Revocation'. -- The revocation of a person's driver's license is an impaired driving license revocation if the revocation is pursuant to:

(1) G.S. 20-13.2, 20-16(a)(8b), 20-16.2, 20-16.5, ~~20-17(2),~~ 20-17(a)(2), or 20-17.2; or

(2) G.S. 20-16(a)(7), 20-17(1), or 20-17(9), if the offense involves impaired driving.

(b) When Motor Vehicle Becomes Property Subject to Forfeiture. -- If at a sentencing hearing conducted pursuant to G.S. 20-179 or 20-138.5 the judge determines that the grossly aggravating factor described in G.S. 20-179(c)(2) applies, the motor vehicle

that was driven by the defendant at the time he committed the offense of impaired driving becomes property subject to forfeiture.

(c) Duty of Prosecutor to Notify Possible Innocent Parties. --In any case in which a prosecutor determines that a motor vehicle driven by a defendant may be subject to forfeiture under this section, the prosecutor ~~must~~ shall determine the identity of the vehicle owner as shown on the certificate of title for the vehicle and he ~~must~~ shall also determine if there are any security interests noted on the vehicle's certificate of title. The State ~~must~~ shall notify the holder of each security interest that the vehicle may be subject to forfeiture and that he may intervene to protect his interest. If the defendant is not the owner, a similar notice ~~must~~ shall be served on the owner. The notice may be served by any means reasonably likely to provide actual notice, and ~~must~~ shall be served at least fourteen days before the forfeiture hearing.

(d) Duty of Judge. -- ~~The judge at sentencing must hold a hearing to determine if the vehicle should be forfeited. At the hearing the judge may order the forfeiture if he finds that:~~

~~(1) The vehicle is subject to forfeiture;~~

~~(2) The vehicle is not primarily used by a member of the defendant's family or household for a business purpose or for driving to and from work or school;~~

~~(3) All potential innocent parties have been notified as required in subsection (c); and~~

~~(4) No party has shown that he is an innocent party as described in subsection (f).~~

~~If the owner or the holder of a security interest has not been notified, the judge may continue the hearing to allow the State to serve the notice or he may decline to order forfeiture. In any case in which a judge does not order the forfeiture of a vehicle subject to forfeiture, he must enter into the record detailed, written reasons for his decision.~~ The trial judge at the sentencing hearing on the operator's charge of violating G.S. 20-138.1 or G.S. 20-138.5 shall determine if the vehicle is subject to forfeiture under this section. If the judge determines that the requirements of subsections (a) through (c) of this section exist and the defendant was a registered owner of the vehicle at the time of the offense, the judge shall order the vehicle forfeited. If the defendant was not a registered owner of the vehicle at the time of the offense, the judge shall order the vehicle forfeited unless the registered owner of the vehicle establishes, by the greater weight of the evidence, that he or

she is an innocent party as defined by subsection (f) of this section, in which case the trial judge shall order the vehicle released to the registered owner pursuant to the provisions of subsection (e) of this section. In any case where the vehicle is ordered forfeited, the judge shall either:

(1) Authorize the school board to sell the vehicle at public sale or retain the vehicle for its own use pursuant to G.S. 20-28.5; or

(2) Release the vehicle to an innocent party lienholder pursuant to the provisions of subsection (h) of this section.

~~(e) Sale of Forfeited Vehicle Required. -- If the judge orders forfeiture of the vehicle pursuant to this section, he must order the sale of the vehicle. Proceeds of the sale must be paid to the school fund of the county in which the property was seized.~~

~~(f) Innocent Party May Intervene. -- At any time before the forfeiture is ordered, the property owner or holder of a security interest, other than the defendant, may apply to protect his interest in the motor vehicle. The application may be made to a judge who has jurisdiction to try the impaired driving offense with which the motor vehicle is associated. The judge must order the vehicle returned to the owner if he finds that either the owner or the holder of a security interest is an innocent party. An owner or holder of a security interest is an innocent party if he:~~

~~(1) Did not know and had no reason to know that the defendant's driver's license was revoked; or~~

~~(2) Knew that the defendant's driver's license was revoked, but the defendant drove the vehicle without his consent.~~

~~If an innocent party applies after the forfeited motor vehicle has been sold and the judge finds no laches in the innocent party's delay, the judge may order a payment to the innocent party from the net proceeds of the sale equal to his equity or security interest in the vehicle.~~

(e) Return of Vehicle to Innocent Registered Owner. -- If the registered owner establishes, by the greater weight of the evidence, that the vehicle was being driven by a person who was not a registered owner at the time of the underlying offense and that a registered owner is an 'innocent party', a district court judge shall order the vehicle returned to the registered owner.

This release shall only be ordered upon satisfactory proof of:

(1) The identity of the person as a registered owner;

(2) The existence of financial responsibility as required by Article 13 of this Chapter;
(3) The payment of towing and storage fees; and
(4) The execution of an acknowledgment as set forth in this section.

No vehicle subject to forfeiture under this section shall be released to a registered owner if the records of the Division indicate any registered owner had previously signed an acknowledgment as required by this section, and the same person was operating the owner's vehicle while that person's license was revoked. However, the district court judge may release the motor vehicle to the registered owner when the Division records indicate a previously signed acknowledgment, if the registered owner shows by the greater weight of the evidence that the registered owner has taken all reasonable precautions to prevent the use of the vehicle by this particular person and immediately reports, upon discovery, any unauthorized use to the appropriate law enforcement agency.

(f) Innocent Party Defined. -- A registered owner or holder of a security interest in the motor vehicle is an 'innocent party' if he or she:

(1) Did not know and had no reason to know that the defendant's drivers license was revoked; or
(2) Knew that the defendant's drivers license was revoked, but the defendant drove the vehicle without his or her express or implied permission.

(g) Acknowledgment Required. -- The 'innocent party' registered owner of a vehicle seeking release pursuant to this section shall sign a written document acknowledging that:

(1) His or her vehicle was operated by a person charged with an offense involving impaired driving while that drivers license was revoked as a result of a prior impaired drivers license revocation;
(2) If the vehicle is again operated by this particular person, at any time while that person's drivers license is revoked, that the vehicle is subject to impoundment and forfeiture, even if the operator was not impaired; and
(3) A lack of knowledge or consent to the operation will not be a defense in the future, unless the registered owner has taken all reasonable precautions to prevent the use of the vehicle by this particular person and immediately reports,

upon discovery, any unauthorized use to the appropriate law enforcement agency.

(h) Release to Lienholder. -- A district court judge shall order a forfeited vehicle released to the holder of a security interest if he determines by the greater weight of the evidence, that the holder of the security interest is an 'innocent party', as defined in subsection (f) of this section, and:

(1) The lienholder's interest is not less than the fair market value of the vehicle;

(2) The lienholder agrees not to sell, give, or otherwise transfer possession of the forfeited vehicle to a registered owner or any person acting on a registered owner's behalf; and

(3) The lienholder pays, in full, any towing and storage costs incurred as a result of the seizure of the vehicle.

(i) Possessory Lien. -- The entity that tows or stores the motor vehicle, other than the county school board, shall be entitled to a possessory lien for all costs and fees associated with the towing, storage, or sale of a vehicle pursuant to this section. This lien shall have priority over perfected and unperfected security interests. Storage fees subject to the lien shall not exceed five dollars ($5.00) per day."

Section 1.2. Article 2 of Chapter 20 of the General Statutes is amended by adding a new section to read:

"**§ 20-28.3. Seizure, impoundment, forfeiture of vehicles for offenses involving impaired driving while license revoked.**

(a) A motor vehicle that is driven by a person in violation of G.S. 20-138.1 or G.S. 20-138.5 is subject to seizure if at the time of the violation the drivers license of the person driving the motor vehicle was revoked as a result of a prior impaired drivers license revocation. The revocation of a person's drivers license is an impaired drivers license revocation for purposes of this section if the revocation is pursuant to:

(1) G.S. 20-13.2, 20-16(a)(8b), 20-16.2, 20-16.5, 20-17(a)(2), 20-17(a)(12), or 20-17.2; or

(2) G.S. 20-16(a)(7), 20-17(a)(1), or 20-17(a)(9) if the offense involved impaired driving.

(b) Duty of Officer. -- In any case where the charging officer has probable cause to believe that a motor vehicle driven by the defendant may be subject to forfeiture under this section, the officer shall seize the vehicle and have it impounded. Probable cause may be based on the officer's personal knowledge, reliable information conveyed by another officer, records of the Division,

or other reliable source. If the registered owner was not operating or present in the vehicle at the time of the offense, the officer shall cause to be issued written notification of impoundment to the registered owner of the vehicle. This notice shall be sent by first-class mail to the most recent address contained in the Division registration records. This written notification shall inform the registered owner that the vehicle has been impounded, the reason for the impoundment, and the procedure for requesting its release. Whether the registered owner was driving or present at the time of seizure, the seizing officer shall notify the Division of the seizure in accordance with procedures established by the Division. The officer shall also cause notice to be given to any lienholder of record with the Division of the impoundment and intent to forfeit the vehicle upon conviction within 72 hours of the seizure of the vehicle.

(c) Review by Magistrate. -- Upon seizing the vehicle, the seizing officer shall present to the magistrate determining the operator's condition for pretrial release an affidavit of impoundment setting forth the basis upon which the motor vehicle has been seized for forfeiture. The magistrate shall review the affidavit of impoundment and if the magistrate determines the requirements of this section have been met, shall order the vehicle held in accordance with this section. The magistrate may request additional information and may hear from the operator if the operator is present. If the operator of the vehicle is not present at the time the affidavit of impoundment is presented, the seizing officer may present the affidavit to any judicial official who shall perform the review contained herein.

(d) Custody of Vehicle. -- The seized vehicle shall be towed to a location designated by the county school board for the county in which the operator of the vehicle is charged and placed under the constructive possession of the school board pending release or sale. Each county school board may elect to have seized vehicles stored on property owned or leased by the school board and charge no fee for storage. In the alternative, the county school board may contract with a commercial storage facility for the storage of such vehicles and a storage fee of not more than five dollars ($5.00) per day may be charged.

(e) Release of Vehicle Pending Trial. -- A registered owner of a vehicle or the holder of a security interest in a vehicle, other than the driver at the time of the underlying offense resulting in the seizure, may apply to the clerk of superior court in the county where the charges are pending for pretrial

release of the vehicle. The clerk shall release the vehicle to the registered owner under the following conditions:

(1) The vehicle has been stored for not less than 24 hours;

(2) All towing and storage charges have been paid;

(3) Execution of a good and valid bond with sufficient sureties in an amount double the value of the seized vehicle as determined in accordance with the schedule of values adopted by the Commissioner of Motor Vehicles pursuant to G.S. 105-187.3, payable to the county school fund and conditioned on return of the vehicle, without the imposition of any additional liens or encumbrances, on the day of trial of the operator;

(4) Execution of a written acknowledgment as described in G.S. 20-28.2(g); and

(5) A check of the records of the Division indicates that the owner has not previously executed a written acknowledgment pertaining to the operator of the seized vehicle.

(f) Duty of Trial Judge. -- The trial judge at the sentencing hearing on the operator's charge of violating G.S. 20-138.1 or G.S. 20-138.5 shall determine if the vehicle is subject to forfeiture pursuant to the provisions of G.S. 20-28.2.

(g) Possessory Lien. -- The entity that tows and stores the vehicle, other than the county school board, shall be entitled to a possessory lien for any and all costs and fees associated with the towing and storage (not to exceed five dollars ($5.00) per day). This lien shall have priority over perfected and unperfected security interests."

Section 1.3. Article 2 of Chapter 20 of the General Statutes is amended by adding a new section to read:

"**§ 20-28.4. Release of impounded vehicles by judge.**

(a) Release to Innocent Registered Owner. -- An innocent party registered owner may apply to a district court judge for return of the vehicle pursuant to the provisions of G.S. 20-28.2(e).

(b) Acknowledgment Required. -- The innocent party registered owner of a vehicle seeking release under this section or pretrial release under G.S. 20-28.3 shall sign a written acknowledgment as described in G.S. 20-28.2(g). The registered owner shall also acknowledge that if the vehicle is again operated by this particular person at any time while the person's license is revoked, the owner's vehicle is subject to seizure, impoundment, and forfeiture, even if the person is not impaired at the time he

or she operates the vehicle. The registered owner shall acknowledge further that a lack of knowledge, or consent to the operation will not be a defense in the future.

(c) Release to Lienholder. -- A district court judge may order a forfeited vehicle released to the holder of a security interest if he determines, by the greater weight of the evidence, that the holder of the security interest is an 'innocent party' as defined by G.S. 20-28.2(f), and the lienholder satisfies the criteria as set out in G.S. 20-28.2(h).

(d) Release Upon Conclusion of Trial. -- If the driver of a motor vehicle seized pursuant to G.S. 20-28.3 is subsequently not convicted of either G.S. 20-138.1 or G.S. 20-138.5 due to dismissal or a finding of not guilty or the judge at the sentencing hearing fails to find the grossly aggravating factor described in G.S. 20-179(c)(2), the seized vehicle shall be returned to the registered owner. If the court finds that probable cause did not exist to seize the motor vehicle, the court shall order the vehicle released. A determination under this section releasing the vehicle authorizes the driver, registered owner, or lienholder to recover towing or storage fees paid in order to obtain pretrial release of the motor vehicle. Any towing or storage fees incurred for motor vehicles returned or released pursuant to this subsection shall be paid by the county school board from forfeitures paid into the county school fund."

Section 1.4. Article 2 of Chapter 20 of the General Statutes is amended by adding a new section to read:

"**§ 20-28.5. Forfeiture of impounded vehicle.**

(a) Sale. -- Unless a district court judge orders the vehicle returned to an innocent party pursuant to G.S. 20-28.2 or G.S. 20-28.4, the vehicle shall be ordered forfeited and sold or transferred to the school board in the county where the charges were filed. The sale of the vehicle shall be a judicial sale conducted in accordance with the provisions of Parts 1 and 2 of Article 29A of Chapter 1 of the General Statutes and shall be conducted by the county school board or a person acting on its behalf. In addition to the notice requirements of Part 2 of Article 29A of Chapter 1 of the General Statutes, notice of sale shall also be given by certified mail, return receipt requested, to the registered owner at the address shown on the motor vehicle's registration and at any other address of the registered owner as may be found in the criminal file in which the forfeiture was ordered. Notice of sale shall also be by certified mail, return receipt requested, to all lienholders

shown on the motor vehicle title with the Division. Notice of sale shall be given to the Division in accordance with the procedures established by the Division.

(b) Proceeds of Sale. -- Proceeds of any sale conducted under this section shall first be applied to satisfy towing and storage liens and the cost of sale. The balance of the proceeds of sale, if any, shall be used to satisfy any other existing liens of record that were properly recorded with the Division prior to the date of initial seizure of the vehicle. Any remaining balance shall be paid to the county school fund in the county in which the vehicle was ordered forfeited. Vehicles sold pursuant to this section shall be transferred free and clear of any liens.

(c) Retention of Vehicle. -- The county board may, at its option, retain any forfeited vehicle for its use. If the vehicle is retained, any valid lien of record at the time of the initial seizure of the vehicle shall be satisfied by the school board relieving the registered owner of all liability for the obligation secured by the motor vehicle.

(d) If there is more than one school board in the county, then the fair market value of the vehicle shall be used to determine the share due each of the school boards in the same manner as fines and other forfeitures."

Section 1.5. Article 2 of Chapter 20 of the General Statutes is amended by adding a new section to read:

"**§ 20-28.6. Responsibility of Division of Motor Vehicles.**

The Division shall establish procedures by rule to provide for the orderly seizure, forfeiture, sale, and transfer of motor vehicles pursuant to the provisions of G.S. 20-28.2, 20-28.3, 20-28.4 and 20-28.5."

(3) This Article does not apply to a seizure of a vehicle pursuant to a levy under execution."

Except as provided in this subsection or subsection (b), before any type of chemical analysis is administered the person charged ~~must~~ shall be taken before a chemical analyst authorized to administer a test of a person's breath, who ~~must~~ shall inform the person orally and also give the person a notice in writing that:

(1) The person has a right to refuse to be tested.

(2) Refusal to take any required test or tests will result in an immediate revocation of the person's driving privilege for at least ~~10~~ 30 days and an additional 12-month revocation by the Division of Motor Vehicles.
(3) The test results, or the fact of the person's refusal, will be admissible in evidence at trial on the offense charged.
(4) The person's driving privilege will be revoked immediately for at least ~~10~~ 30 days if:
a. The test reveals an alcohol concentration of 0.08 or more; or
b. The person was driving a commercial motor vehicle and the test reveals an alcohol concentration of 0.04 or more.
(5) The person may choose a qualified person to administer a chemical test or tests in addition to any test administered at the direction of the charging officer.
(6) The person has the right to call an attorney and select a witness to view for him or her the testing procedures, but the testing may not be delayed for these purposes longer than 30 minutes from the time when the person is notified of his or her rights.

If the charging officer or an arresting officer is authorized to administer a chemical analysis of a person's breath, the charging officer or the arresting officer may give the person charged the oral and written notice of rights required by this subsection. This authority applies regardless of the type of chemical analysis designated."

Section 3.2. G.S. 20-16.2(e1) reads as rewritten:

"(e1) Limited Driving Privilege after Six Months in Certain Instances. -- A person whose driver's license has been revoked under this section may apply for and a judge authorized to do so by this subsection may issue a limited driving privilege if:

(1) At the time of the refusal the person held either a valid ~~driver's~~ drivers license or a license that had been expired for less than one year;
(2) At the time of the refusal, the person had not within the preceding seven years been convicted of an offense involving impaired driving;
(3) At the time of the refusal, the person had not in the preceding seven years willfully refused to submit to a chemical analysis under this section;

(4) The implied-consent offense charged did not involve death or critical injury to another person;
(5) The underlying charge for which the defendant was requested to submit to a chemical analysis has been finally disposed of:
a. Other than by conviction; or
b. By a conviction of impaired driving under G.S. 20-138.1, at a punishment level authorizing issuance of a limited driving privilege under G.S. 20-179.3(b), and the defendant has complied with at least one of the mandatory conditions of probation listed for the punishment level under which the defendant was sentenced;
(6) Subsequent to the refusal the person has had no unresolved pending charges for or additional convictions of an offense involving impaired driving; ~~and~~
(7) The person's license has been revoked for at least six months for the ~~refusal.~~ refusal; and

If the case was finally disposed of in the district court, the hearing ~~must~~ shall be conducted in the district court district as defined in G.S. 7A-133 in which the refusal occurred by a district court judge. If the case was finally disposed of in the superior court, the hearing ~~must~~ shall be conducted in the superior court district or set of districts as defined in G.S. 7A-41.1 in which the refusal occurred by a superior court judge. A limited driving privilege issued under this section authorizes a person to drive if the person's license is revoked solely under this section or solely under this section and G.S. 20-17(2). If the person's license is revoked for any other reason, the limited driving privilege is invalid."

Section 3.3. G.S. 20-16.2(i) reads as rewritten:

"(i) Right to Chemical Analysis before Arrest or Charge. -- A person stopped or questioned by a law-enforcement officer who is investigating whether the person may have committed an implied-

consent offense may request the administration of a chemical analysis before any arrest or other charge is made for the offense. Upon this request, the officer ~~must~~ shall afford the person the opportunity to have a chemical analysis of his or her breath, if available, in accordance with the procedures required by G.S. 20-139.1(b). The request constitutes the person's consent to be transported by the law-enforcement officer to the place where the chemical analysis is to be administered. Before the chemical analysis is made, the person ~~must~~ shall confirm the request in writing and ~~must~~ shall be notified:

(1) That the test results will be admissible in evidence and may be used against the person in any implied-consent offense that may arise;

(2) That the person's license will be revoked for at least ~~10~~ 30 days if:

a. The test reveals an alcohol concentration of 0.08 or more; or

b. The person was driving a commercial motor vehicle and the test results reveal an alcohol concentration of 0.04 or more.

(3) That if the person fails to comply fully with the test procedures, the officer may charge the person with any offense for which the officer has probable cause, and if the person is charged with an implied-consent offense, the person's refusal to submit to the testing required as a result of that charge would result in revocation of the person's driver's license. The results of the chemical analysis are admissible in evidence in any proceeding in which they are relevant."

Section 3.4. G.S. 20-16.5 is amended by adding a new subsection to read:

"(p) Limited Driving Privilege. -- A person whose drivers license has been revoked under this section may apply for a limited driving privilege if:

(1) At the time of the alleged offense the person held either a valid drivers license or a license that had been expired for less than one year;

the violation for which the license is currently revoked under this section;

(3) The person's license has been revoked for at least 10 days if the revocation is for 30 days or 30 days if the revocation is for 45 days; and

(4) The person has obtained a substance abuse assessment from a mental health facility and registers for and agrees to participate in any recommended training or treatment program.

Except as modified in this subsection, the provisions of G.S. 20-179.3 relating to the procedure for application and conduct of the hearing and the restrictions required or authorized to be included in the limited driving privilege apply to applications under this subsection. Any district court judge authorized to hold court in the judicial district is authorized to issue such a limited driving privilege. A limited driving privilege issued under this section authorizes a person to drive if the person's license is revoked solely under this section. If the person's license is revoked for any other reason, the limited driving privilege is invalid."

Section 3.5. G.S. 20-16.5(e) reads as rewritten:

"(e) Procedure if Report Filed with Judicial Official When Person Is Present. -- If a properly executed revocation report concerning a person is filed with a judicial official when the person is present before that official, the judicial official ~~must,~~ shall, after completing any other proceedings involving the person, determine whether there is probable cause to believe that each of the conditions of subsection (b) has been met. If he determines that there is such probable cause, he ~~must~~ shall enter an order revoking the person's driver's license for the period required in this subsection. The judicial official ~~must~~ shall order the person to surrender his license and if necessary may order a law-enforcement officer to seize the license. The judicial official ~~must~~ shall give the person a copy of the revocation order. In addition to setting it out in the order the judicial official ~~must~~ shall personally inform the person of his right to a hearing as specified in subsection (g), and that his license remains revoked pending the hearing. Unless the person is not currently licensed, the revocation under this subsection begins at the time the revocation order is issued and continues until the person's license has been surrendered for ~~10~~ 30 days and the person has paid the applicable costs. If the person is not currently licensed, the revocation continues until ~~10~~ 30 days from the date the revocation order is issued and the person has

paid the applicable costs. If within five working days of the effective date of the order, the person does not surrender his license or demonstrate that he is not currently licensed, the clerk ~~must~~ shall immediately issue a pick-up order. The pick-up order ~~must~~ shall be issued to a member of a local law-enforcement agency if the charging officer was employed by the agency at the time of the charge and the person resides in or is present in the agency's territorial jurisdiction. In all other cases, the pick-up order ~~must~~ shall be issued to an officer or inspector of the Division. A pick-up order issued pursuant to this section is to be served in accordance with G.S. 20-29 as if the order had been issued by the Division."

Section 3.6. G.S. 20-16.5(f) reads as rewritten:

"(f) Procedure if Report Filed with Clerk of Court When Person Not Present. -- When a clerk receives a properly executed report under subdivision (d)(3) and the person named in the revocation report is not present before the clerk, the clerk ~~must~~ shall determine whether there is probable cause to believe that each of the conditions of subsection (b) has been met. If he determines that there is such probable cause, he ~~must~~ shall mail to the person a revocation order by first-class mail. The order ~~must~~ shall direct that the person on or before the effective date of the order either surrender his license to the clerk or appear before the clerk and demonstrate that he is not currently licensed, and the order ~~must~~ shall inform the person of the time and effective date of the revocation and of its duration, of his right to a hearing as specified in subsection (g), and that the revocation remains in effect pending the hearing. Revocation orders mailed under this subsection become effective on the fourth day after the order is deposited in the United States mail. If within five working days of the effective date of the order, the person does not surrender his license to the clerk or appear before the clerk to demonstrate that he is not currently licensed, the clerk ~~must~~ shall immediately issue a pick-up order. The pick-up order ~~must~~ shall be issued and served in the same manner as specified in subsection (e) for pick-up orders issued pursuant to that subsection. A revocation under this subsection begins at the date specified in the order and continues until the person's license has been revoked for the period specified in this subsection and the person has paid the applicable costs. The period of revocation under this subsection is:

(1) ~~Ten~~ Thirty days from the time the person surrenders his license to the court, if the surrender occurs

within five working days of the effective date of the order; or

(2) ~~Ten~~ Thirty days after the person appears before the clerk and demonstrates that he is not currently licensed to drive, if the appearance occurs within five working days of the effective date of the revocation order; or

(3) ~~Thirty~~ Forty-five days from the time:

a. The person's driver's license is picked up by a law-enforcement officer following service of a pick-up order; or

b. The person demonstrates to a law-enforcement officer who has a pick-up order for his license that he is not currently licensed; or

c. The person's driver's license is surrendered to the court if the surrender occurs more than five working days after the effective date of the revocation order; or

d. The person appears before the clerk to demonstrate that he is not currently licensed, if he appears more than five working days after the effective date of the revocation order.

When a pick-up order is issued, it ~~must~~ shall inform the person of his right to a hearing as specified in subsection (g), and that the revocation remains in effect pending the hearing. An officer serving a pick-up order under this subsection ~~must~~ shall return the order to the court indicating the date it was served or that he was unable to serve the order. If the license was surrendered, the officer serving the order ~~must~~ shall deposit it with the clerk within three days of the surrender."

Section 3.7. G.S. 20-16.5(i) reads as rewritten:

"(i) Effect of Revocations. -- A revocation under this section revokes a person's privilege to drive in North Carolina whatever the source of his authorization to drive. Revocations under this section are independent of and run concurrently with any other revocations. No court imposing a period of revocation following conviction of an offense involving impaired driving may give credit for any period of revocation imposed under this section. ~~A person is not eligible for a limited driving privilege under any statute while his license is revoked under this section.~~ A person whose license is revoked pursuant to this section is not eligible to receive a limited driving privilege except as specifically authorized by G.S. 20-16.5(p)."

Section 3.8. G.S. 20-16.5(k) reads as rewritten:

"(k) Report to Division. -- Except as provided below, the clerk ~~must~~ shall mail a report to the Division within 10 working days of the return of a license under this section or of the termination of a revocation of the driving privilege of a person not currently licensed. The report ~~must~~ shall identify the person whose license has been revoked and specify the dates on which his license was revoked. No report need be made to the Division, however, if there was a surrender of the driver's license issued by the Division, a ~~ten-day~~ 30-day minimum revocation was imposed, and the license was properly returned to the person under subsection (h) within five working days after the ~~10-day~~ 30-day period had elapsed."

PART IV. MAKE ALCOHOL SCREENING TEST ADMISSIBLE TO PROVE OFFENSE OF DRIVING AFTER DRINKING BY A PERSON UNDER 21.

Section 4. G.S. 20-138.3 reads as rewritten:

"**§ 20-138.3. Driving by person less than 21 years old after consuming alcohol or drugs.**

(a) Offense. -- It is unlawful for a person less than 21 years old to drive a motor vehicle on a highway or public vehicular area while consuming alcohol or at any time while he has remaining in his body any alcohol or in his blood a controlled substance previously consumed, but a person less than 21 years old does not violate this section if he drives with a controlled substance in his blood which was lawfully obtained and taken in therapeutically appropriate amounts.

(b) Subject to Implied-Consent Law. -- An offense under this section is an alcohol-related offense subject to the implied-consent provisions of G.S. 20-16.2.

(c) Odor Insufficient. -- The odor of an alcoholic beverage on the breath of the driver is insufficient evidence by itself to prove beyond a reasonable doubt that alcohol was remaining in the driver's body in violation of this section unless the driver was offered an alcohol screening test or chemical analysis and refused to provide all required samples of breath or blood for analysis.

(d) Alcohol Screening Test. -- Notwithstanding any other provision of law, an alcohol screening test may be administered to a driver suspected of violation of subsection (a) of this section, and the results of an alcohol screening test or the driver's refusal to submit may be used by a law enforcement officer, a court, or an administrative agency in determining if alcohol was present in the driver's body. No alcohol screening tests are valid under this section unless the device used is one

approved by the Commission on Health Services, and the screening test is conducted in accordance with the applicable regulations of the Commission as to its manner and use.

~~(c)~~ (e) Punishment; effect when impaired driving offense also charged. -- The offense in this section is a Class 2 misdemeanor. It is not, in any circumstances, a lesser included offense of impaired driving under G.S. 20-138.1, but if a person is convicted under this section and of an offense involving impaired driving arising out of the same transaction, the aggregate punishment imposed by the court may not exceed the maximum applicable to the offense involving impaired driving, and any minimum punishment applicable ~~must~~ shall be imposed.

~~(d)~~ (f) Limited driving privilege. -- A person who is convicted of violating subsection (a) of this section and whose drivers license is revoked solely based on that conviction may apply for a limited driving privilege as provided in G.S. 20-179.3. This subsection shall apply only if the person meets both of the following requirements:

(1) Is 18, 19, or 20 years old on the date of the offense.

(2) Has not previously been convicted of a violation of this section.

The judge may issue the limited driving privilege only if the person meets the eligibility requirements of G.S. 20-179.3, other than the requirement in G.S. 20-179.3(b)(1)c. G.S. 20-179.3(e) shall not apply. All other terms, conditions, and restrictions provided for in G.S. 20-179.3 shall apply. G.S. 20-179.3, rather than this subsection, governs the issuance of a limited driving privilege to a person who is convicted of violating subsection (a) of this section and of driving while impaired as a result of the same transaction."

PART V. ALLOW DRUG TESTING FOR DRIVING WHILE IMPAIRED.

Section 5.1. G.S. 20-4.01(3a) reads as rewritten:

"(3a) Chemical Analysis. -- A test or tests of the ~~breath or blood~~ breath, blood, or other bodily fluid or substance of a person to determine ~~his~~ the person's alcohol ~~concentration,~~ concentration or presence of an impairing substance, performed in accordance with ~~G.S. 20-139.1.~~ G.S. 20-139.1, including duplicate or sequential analyses. ~~The term "chemical analysis" includes duplicate or sequential analyses when necessary or desirable to insure the integrity of test results.~~"

Section 5.2. G.S. 20-138.3(a) reads as rewritten:

"(a) Offense. -- It is unlawful for a person less than 21 years old to drive a motor vehicle on a highway or public vehicular area while consuming alcohol or at any time while he has remaining in his body any alcohol or ~~in his blood a~~ controlled substance previously consumed, but a person less than 21 years old does not violate this section if he drives with a controlled substance in his ~~blood~~ body which was lawfully obtained and taken in therapeutically appropriate amounts."

Section 5.3. G.S. 20-139.1(a) reads as rewritten:

"(a) Chemical Analysis Admissible. -- In any implied-consent offense under G.S. 20-16.2, a person's alcohol concentration or the presence of any other impairing substance in the person's body as shown by a chemical analysis is admissible in evidence. This section does not limit the introduction of other competent evidence as to ~~a defendant's~~ a person's alcohol ~~concentration,~~ concentration or results of other tests showing the presence of an impairing substance, including other chemical tests."

Section 5.4. G.S. 20-139.1 is amended by adding a new subsection to read:

"(b5) Subsequent Tests Allowed. -- A person may be requested, pursuant to G.S. 20-16.2, to submit to a chemical analysis of the person's blood or other bodily fluid or substance in addition to or in lieu of a chemical analysis of the breath, in the discretion of the charging officer. A person's willful refusal to submit to a chemical analysis of the blood or other bodily fluid or substance is a willful refusal under G.S. 20-16.2."

Section 5.5. G.S. 20-139.1(e1) reads as rewritten:

"(e1) Use of Chemical Analyst's Affidavit in District Court. -- An affidavit by a chemical analyst sworn to and properly executed before an official authorized to administer oaths is admissible in evidence without further authentication in any hearing or trial in the District Court Division of the General Court of Justice with respect to the following matters:

(1) The alcohol concentration or concentrations or the presence or absence of an impairing substance of a person given a chemical analysis and who is involved in the hearing or trial.

(2) The time of the collection of the ~~blood or breath~~ blood, breath, or other bodily fluid or substance sample or samples for the chemical analysis.

(3) The type of chemical analysis administered and the procedures followed.

(4) The type and status of any permit issued by the Department of Environment, Health, and Natural Resources that he held on the date he performed the chemical analysis in question.

(5) If the chemical analysis is performed on a breath-testing instrument for which regulations adopted pursuant to subsection (b) require preventive maintenance, the date the most recent preventive maintenance procedures were performed on the breath-testing instrument used, as shown on the maintenance records for that instrument.

The Department of Environment, Health, and Natural Resources ~~must~~ shall develop a form for use by chemical analysts in making this affidavit. If any person who submitted to a chemical analysis desires that a chemical analyst personally testify in the hearing or trial in the District Court Division, he may subpoena the chemical analyst and examine him as if he were an adverse witness."

Section 5.6. G.S. 20-179.3(h) reads as rewritten:

"(h) Other Mandatory and Permissive Conditions or Restrictions. -- In all limited driving privileges the judge ~~must~~ shall also include a restriction that the applicant not consume alcohol while driving or drive at any time while he has remaining in his body any alcohol or ~~in his blood a~~ controlled substance previously consumed, unless the controlled substance was lawfully obtained and taken in therapeutically appropriate amounts. The judge may impose any other reasonable restrictions or conditions necessary to achieve the purposes of this section."

PART VI. EXPAND THE DRUG ABUSE RESISTANCE EDUCATION (DARE) PROGRAM TO THE SEVENTH AND NINTH GRADES.

Section 6. G.S. 115C-47 is amended by adding a new subdivision to read:

"(38) Expand DARE Program to Seventh and Ninth Grades. -- Local boards of education shall use available State and federal resources to expand the Drug Abuse and Resistance Education Program to the seventh and ninth grades."

PART VII. HABITUAL IMPAIRED DRIVING.

Section 7. G.S. 20-138.5(b) reads as rewritten:

"(b) A person convicted of violating this section shall be punished as a Class G ~~felon.~~ felon and shall be sentenced to a minimum active term of not less than 12 months of imprisonment, which shall not be suspended. Sentences imposed under this

subsection shall run consecutively with and shall commence at the expiration of any sentence being served."

PART VIII. EFFECTIVE DATES.

Section 8. This act becomes effective December 1, 1997, and applies to offenses committed on or after that date. Sentencing for an offense committed before the effective date of this act is governed by the laws in effect at the time of the commission of the offense.

TABLE 2 (continued)
ANALYSIS BY STATES -- HIGH-INTEREST LEGISLATION

[1]The 48 hours (2nd off) and 30 days (3rd off) are not necessarily served consecutively. The sanctions listed are for non-injury offenses.
[2]48 consecutive hours of imprisonment or 10 days of community service became mandatory when the Dept. of Motor Vehicles certified that an application for 23 USC §408 grant funds has been submitted to the U.S. Dept. of Transportation.
[3]The court must sentence defendants to at least one of these sanctions but may sentence them to more than one such sanction.
[4]Where the offender's alcohol concentration was <0.15.
[5]For a 1st off, 1 mo mand susp if defendant is accepted into the Accelerated Rehabilitation Disposition program. For a 3rd off, revocation could be 5 yrs under the habibual offender law.
[6]Not more than 200 hours of community service in lieu of the fine.

[9]This sanction only applies to driving while under the influence offenses.
[10]Must serve 48 consecutive hours.
[11]One day imprisonment or 24 hrs of community service if rehabilitation is taken.
[12]48 hours must be served consecutively. However, if the defendant agrees to participate in a 1 yr treatment program, the jail term is reduced to 1 dy or, as an alternative, the offender may perform 24 hrs of community service.
[13]48 con hrs if the defendant is eligible for the work release program.
[14]Three (3) consecutive 24 hour periods in a house of correction and seven (7) consecutive 24 hour periods in a DWI detention center.
[15]Mandatory treatment of not less than 12 nor more than 48 hours; this time is to be spent in an intoxicated driver resource center.
[16]As a part of community supervision.
[17]Provided the defendant either (1) had an alcohol concentration of 0.15 or more, (2) was driving 30 MPH over the speed and had an alcohol concentration of 0.08 or more, (3) was eluding a police officer and had an alcohol concentration of 0.08 or more, (4) refused to submit to a chemical test or (5) was driving a vehicle with a passenger under 16 years old.
[18]Mandatory community service regardless of whether there is a mandatory imprisonment sanction.
[19]Applies to DWI offs that are not related to injury or death.
[20]May not apply to certain offenders who have been suspended pursuant to the administrative per se law.
[21]Applies only to driving while intoxicated offenses.
[22]The law states that the right to operate a motor vehicle is "forfeited".
[23]Home incarceration is possible.
[24]I. This susp action is not mand in all situations. A temporary restricted license may be issued only for the purpose of attending either an alcohol education or treatment program. II. If a 1st offender participates in an alcohol or drug treatment program, the mand susp period may be less than 60 dys. III. If an ignition interlock is used, the mand susp periods are respectively for a 2nd off 1 yr and for a 3rd off 2 yrs.
[25]Work release is available for this period of time.
[26]This alternative does not apply to offenders who have had either 5 prior drunk driving offense convictions within 10 years or 7 prior convictions within 15 years.
[27]Not more than 90 dys as an alternative to imprisonment.
[28]If there is no imprisonment sanction, the defendant must serve either 48 con. hrs. of inpatient rehabilitation/treatment or 10 dys of community service.
[29]This revocation may not be mandatory if the defendant meets certain eligibility requirements for and does participate in a driver rehabilitation or improvement program.
[30]90 dys mandatory if the defendant has refused to submit to a chemical test under the implied consent law.
[31]Applies only to a 1st illegal per se conviction.
[32]Possible
[33]Followed by a period of "house arrest" with electronic monitoring.
[34]"House arrest" may be possible in lieu of a jail sentence.
[35]3 months with participation in the ignition interlock program.
[36]Followed by work release for 3 dys for a 2nd off and 88 dys for a 3rd off.
[37]Plus the following mandatory surcharges: 1st off-$50; 2nd off-$100; and, 3rd off-$200.

[41]There is no mandatory licensing action if the offender is placed on probation and is allowed to participate in the ignition interlock program.
[42]License suspension is not mandatory in all situations. A "special permit" may be issued in cases of "significant hardship".
[43]Home detention may be used in lieu of this sanction.
[44]An amendment to the law in 1993 may have eliminated this mandatory revocation.
[45]If treatment is authorized by the court, confinement is only for 3 days in a medical facility.
[46]Licensing sanctions are via the administrative per se law.
[47]The mandatory revocation periods for 2nd and 3rd offenses may be reduced to respectively 3 mos and 6 mos if the offender participates in the ignition interlock program.
[48]If 3rd off was w/n 5 yrs.
[49]The sanctions given apply only to driving either (1) while under the influence of intoxicating liquor or (2) with an alcohol concentration ≥0.08. For driving while under the influence of a controlled substance, a 2nd offender, in lieu of imprisonment, must perform at least 80 hrs of community service; a 3rd offender only has to serve 48 con hrs of confinement.
[50]House arrest or in-patient rehabilitation may be used as alternatives to this imprisonment sentence.

MEMORANDUM

TO: Senator Roy Cooper, Chair, Senate Judiciary Committee

FROM: Brenda J. Carter, Committee Co-Counsel

RE: **HOUSE BILL 527 - OPTOMETRY CHANGES**
Representative Justus

House Bill 527 makes changes in the laws governing optometrists. The bill removes the requirement that a physician participate in the prescribing of pharmaceutical agents; permits hospital privileges to be granted to optometrists; authorizes peer review for optometrists; and provides for confidentiality of communications between optometrists and patients.

Section 1 amends G.S. 90-114 by removing the requirement that an optometrist prescribing or using pharmaceutical agents other than topical agents used in examining the eye must collaborate with a licensed physician. The bill would allow optometrists to independently prescribe medication to treat "defects or abnormal conditions" of the eye and its adnexa (associated anatomic parts).

Section 2 amends G.S. 131E-85, one of the sections of the Hospital Licensure Act that deals with hospital privileges. It permits hospital privileges to be extended to optometrists. Presently, such privileges are limited to physicians, dentists, and podiatrists. ("Dentists" is struck through and reprinted because a comma is added.)

Section 3 amends Chapter 90 by adding a new Article 6A providing for Optometry Peer Review. It authorizes the North Carolina State Board of Examiners in Optometry to enter into agreements with the North Carolina State Optometric Society (Society) for conducting peer review activities related to the quality of health care delivered by optometrists. Such agreements shall include provisions for the Society to receive relevant information, to provide assurance of confidentiality of nonpublic information and the review process, and to require due process. Confidential patient information and other nonpublic information acquired, created, or used by the Society remains confidential and is not discoverable in a civil case. Peer review activities conducted in good faith are deemed state directed and

sanctioned and constitute state action for the purpose of anti-trust law. The Board is responsible for legal fees arising from peer review activities. *(It is not clear whose legal fees are referred to.)*

Section 4 amends Article 7 of Chapter 8 to add a new section providing that optometrists may not be compelled to disclose information acquired in rendering professional optometric services except where a judge deems such disclosure necessary to the proper administration of justice and such disclosure is not prohibited by another statute or rule. Most other statutes regarding privileged communications protect only that information acquired in rendering professional **and** *which was necessary to enable the person to render professional services.*

Section 4.1 of the bill has no legal effect; it does not make any changes to existing law.

The act is effective when it becomes law.

A BILL TO BE ENTITLED

AN ACT TO ENHANCE THE ROLE OF OPTOMETRISTS IN MEDICAL COST CONTAINMENT THROUGH REVISION OF THE HOSPITAL PRIVILEGES LAW, TO REPEAL THE REQUIREMENT FOR AN OPTOMETRIST TO COLLABORATE WITH A PHYSICIAN IN THE USE OR PRESCRIPTION OF CERTAIN PHARMACEUTICAL AGENTS, TO ESTABLISH PEER REVIEW FOR OPTOMETRISTS, AND TO ESTABLISH AN OPTOMETRIST PRIVILEGE.

The General Assembly of North Carolina enacts:

Section 1. G.S. 90-114 reads as rewritten:

"**§ 90-114. Optometry defined.**

Any one or any combination of the following practices shall constitute the practice of optometry:

(1) The examination of the human eye by any method, other than surgery, to diagnose, to treat, or to refer for consultation or treatment any abnormal condition of the human eye and its adnexa; or

(2) The employment of instruments, devices, pharmaceutical agents and procedures, other than surgery, intended for the purposes of investigating, examining, treating, diagnosing or correcting visual defects or abnormal conditions of the human eye or its adnexa; or

(3) The prescribing and application of lenses, devices containing lenses, prisms, contact lenses, orthoptics, vision training,

pharmaceutical agents, and prosthetic devices to correct, relieve, or treat defects or abnormal conditions of the human eye or its adnexa.

~~Provided, however, in using or prescribing pharmaceutical agents, other than topical pharmaceutical agents within the definition hereinabove set out which are used for the purpose of examining the eye, the optometrist so using or prescribing shall communicate and collaborate with a physician duly licensed to practice medicine in North Carolina designated or agreed to by the patient.~~"

Section 2. G.S. 131E-85 reads as rewritten:

"**§ 131E-85. Hospital privileges and procedures.**

(a) The granting or denial of privileges to practice in hospitals to physicians licensed under Chapter 90 of the General Statutes, Article 1, ~~dentists~~ dentists, optometrists, and podiatrists and the scope and delineation of such privileges shall be determined by the governing body of the hospital on a non-discriminatory basis. Such determinations shall be based upon the applicant's education, training, experience, demonstrated competence and ability, and judgment and character of the applicant, and the reasonable objectives and regulations of the hospital, including, but not limited to appropriate utilization of hospital facilities, in which privileges are sought. Nothing in this Part shall be deemed to mandate hospitals to grant or deny to any such individuals or others privileges to practice in hospitals, or to offer or provide any type of care.

(b) The procedures to be followed by a licensed hospital in considering applications of ~~dentists~~ dentists, optometrists, and podiatrists for privileges to practice in such hospitals shall be similar to those applicable to applications of physicians licensed under Chapter 90 of the General Statutes, Article 1. Such procedures shall be available upon request.

(c) In addition to the granting or denial of privileges, the governing body of each hospital may suspend, revoke, or modify privileges.

(d) All applicants or individuals who have privileges shall comply with all applicable medical staff bylaws, rules and regulations, including the policies and procedures governing the qualifications of applicants and the scope and delineation of privileges.

(e) The Department shall not issue or renew a license under this Article unless the applicant has demonstrated that the procedures followed in determining hospital privileges are in accordance with this Part and rules of the Department."

Section 3. Chapter 90 of the General Statutes is amended by adding a new Article to read:

"ARTICLE 6A.

"Optometry Peer Review.

"**§ 90-127.4. Peer review agreements.**

(a) The North Carolina State Board of Examiners in Optometry may, under rules adopted by the Board in compliance with Chapter 150B of the General Statutes, enter into agreements with the North Carolina State Optometric Society (Society), for the purpose of conducting peer review activities. Peer review activities to be covered

by such agreements shall be limited in peer review proceedings to review of clinical outcomes as they relate to the quality of health care delivered by optometrists licensed by the Board.

(b) Peer review agreements shall include provisions for the Society to receive relevant information from the Board and other sources, provide assurance of confidentiality of nonpublic information and of the review process, and make reports to the Board. Peer review agreements shall include provisions assuring due process.

(c) Any confidential patient information and other nonpublic information acquired, created, or used in good faith by the Society pursuant to this section shall remain confidential and shall not be subject to discovery or subpoena in a civil case.

(d) Peer review activities conducted in good faith pursuant to any agreement under this section are deemed to be State directed and sanctioned and shall constitute State action for the purposes of application of antitrust laws. The Board shall be responsible for legal fees arising from peer review activities."

Section 4. Article 7 of Chapter 8 of the General Statutes is amended by adding the following new section to read:

"**§ 8-53.9. Optometrist/patient privilege.**

No person licensed pursuant to Article 6 of Chapter 90 of the General Statutes shall be required to disclose any information that may have been acquired in rendering professional optometric services, except that the presiding judge of a superior or district court may compel this disclosure, if, in the court's opinion, disclosure is necessary to a proper administration of justice and disclosure is not prohibited by other statute or rule."

Section 4.1. G.S. 90-118(e) reads as rewritten:

"(e) The Board shall not license any person to practice optometry in the State of North Carolina beyond the scope of the person's educational training as determined by the Board. No optometrist presently licensed in this State shall prescribe and use pharmaceutical agents in the practice of optometry unless and until he (i) has submitted to the Board evidence of satisfactory completion of all educational requirements established by the Board to prescribe and use pharmaceutical agents in the practice of optometry and (ii) has been certified by the Board as educationally qualified to prescribe and use pharmaceutical agents.

Provided, however, that no course or courses in pharmacology shall be approved by the Board unless (i) taught by an institution having facilities for both the didactic and clinical instruction in pharmacology and which is accredited by a regional or professional accrediting organization that is recognized and approved by the Council on Postsecondary Accreditation or the United States Office of Education and (ii) transcript credit for the course or courses is certified to the Board by the institution as being equivalent in both hours and content to those courses in pharmacology required by the other licensing boards in this Chapter whose licensees or registrants are permitted the use of pharmaceutical agents in the course of their professional practice."

Section 5. This act is effective when it becomes law.

MEMORANDUM

TO: Senator Roy Cooper, Chair, Senate Judiciary Committee

FROM: Brenda J. Carter, Committee Co-Counsel

RE: **HOUSE BILL 354 - ELIMINATE CERTIFIED NOTICE**
Representative Hensley

House Bill 354 amends G.S. 15A-544 to delete the requirement that an order of forfeiture of bail bond be served by certified mail, return receipt requested. The bill authorizes service by first class mail. Service is complete three days after mailing. A copy of the entire statute governing forfeiture of bail is attached for your reference.

House Bill 354 is effective when it becomes law.

§ 15A-544. Forfeiture.

(a) By entering into a bail bond the obligor submits to the jurisdiction of the court and irrevocably appoints the clerk as the obligor's agent for any proceedings with reference to the bond. The obligor's liability may be enforced on motion without the necessity of an independent action. Each obligor, including the principal, bail agent, and the surety represented by the bail agent, shall enter on the bond the obligor's mailing address, street address, and telephone number for the service of any process required by this section or other provision of law. If the address or telephone number of the obligor changes during the pendency of any proceeding with reference to the bond, it shall be the duty of the obligor to notify the clerk of the obligor's new address and telephone number.

(b) If the principal does not comply with the conditions of the bail bond, the court having jurisdiction must enter an order declaring the bail to be forfeited. If forfeiture is ordered by the court, a copy of the order of forfeiture and notice that judgment will be entered upon the order after 60 days must be served on each obligor. Service is to be made by the clerk mailing by certified mail, return receipt requested, a copy of the order of forfeiture and notice to each obligor at each obligor's address as noted on the bond and note on the original the date of mailing. Service is complete three days after the mailing.

(c) Except as provided in subsection (c1) of this section, at any time within 60 days following the date of service, or on the first presentment of the forfeiture calendar more than 60 days after the date of service, the principal or surety may move the court having jurisdiction of the matter, orally or in writing, to strike the order of forfeiture and recall the notice of forfeiture. If the principal or surety appears and moves within the time allowed following the date of service and satisfies the court that the principal's failure to appear on the date set was impossible or that the principal's failure to appear was without the principal's fault, the order of forfeiture must be set aside. If the principal or surety does not satisfy the court that the principal's appearance on the date set was impossible or that the principal's failure to appear was without the principal's fault, the court must then enter judgment for the State against the principal and surety for the amount of the bail and the cost of the proceeding.

(c1) If the principal does not appear before the court having jurisdiction because the principal is incarcerated in North Carolina and unable to appear before the court, but the surety appears within the time allowed following the date of service and satisfies the court that the principal's appearance on the date set was impossible because the principal was incarcerated in North Carolina, the order of forfeiture must be set aside.

(d) To facilitate the procedure under this section, the clerk in each county shall prepare for both the district and superior court a forfeiture calendar once each month when court is in session. The forfeiture calendar shall list the names of all principals and sureties to whom forfeiture has been ordered more than 60 days previously in the county and as to which judgments of forfeiture against the principal and surety have not been entered or, if entered, not yet satisfied by execution. The forfeiture calendar shall show the amount of the bond ordered forfeited in each case. In addition, the clerk shall place on the forfeiture calendar for hearing all written motions to strike an order of forfeiture filed since the previous forfeiture calendar. It shall be the duty of the district attorney to present the forfeiture calendar to the court, but the attorney for the county school board shall have the right to appear and be heard when the forfeiture calendar is presented. At the district attorney's discretion, the district attorney may appoint the

(c) 1944-1997 by Michie, a division of Reed Elsevier Inc., and Reed Elsevier Properties Inc. All Rights Reserved.

county school board attorney as the district attorney's designee for the presentation of the forfeiture calendar.

(e) At any time within 90 days after entry of the judgment against a principal or surety, the principal or surety, by verified written petition, may request that the judgment be remitted in whole or in part, upon such conditions as the court may impose, if it appears that justice requires the remission of part or all of the judgment. A copy of the petition must be served upon the attorney for the county school board at least three working days prior to the hearing. The clerk shall place on the forfeiture calendar for hearing all petitions that have been filed during the previous month or since the last forfeiture calendar. The petitioner, the district attorney, and the school board attorney shall be notified of the date, time, and place of the hearing. The petitioner, the district attorney, and the county school board attorney shall be given an opportunity to appear and be heard. If the principal is surrendered by the surety and incarcerated in the State within 90 days of the entry of the judgment, the forfeiture shall be stricken upon the payment of costs. If the principal is incarcerated or served an order for arrest in North Carolina within 90 days of the entry of the judgment and the principal placed on a new bond or released by the court, then the forfeiture shall be stricken upon the payment of costs.

(f) If a judgment has not been remitted within the period provided in subsection (e) above, the clerk must issue execution on the judgment within 30 days, and remit the clear proceeds to the county for use in maintaining free public schools. Any clerk who fails to perform his duty as required in this subsection is subject to a penalty of five hundred dollars ($500.00).

(g) If a levy of execution upon a judgment against an obligor remains unsatisfied for 10 days, the sheriff shall notify the clerks and magistrates in each county in the prosecutorial district and the obligor shall not become surety on any bail bond in the prosecutorial district so long as the judgment remains unsatisfied. Nothing in this subsection makes lawful any act made unlawful by Article 71 of Chapter 58 of the General Statutes.

(h) For extraordinary cause shown, the court which has entered judgment upon a forfeiture of a bond may, after execution, remit the judgment in whole or in part and order the clerk to refund such amounts as the court considers appropriate. Any person moving for remission of judgment must do so by verified petition, and a copy of the petition must be served upon the attorney for the county school board at least three working days prior to the hearing on the motion. The moving party must notify the attorney for the school board of the time and place of the hearing, and such attorney, if he so desires, must be given an opportunity to appear and be heard. If money has been paid to the county pursuant to execution on a judgment of forfeiture, it must refund to the person entitled the amount of any remission granted under the terms of this subsection upon receipt of a certified copy of the judgment of remission from the clerk.

MEMORANDUM

TO: Senator Roy Cooper, Chair, Senate Judiciary Committee

FROM: Brenda J. Carter, Committee Co-Counsel

RE: **HOUSE BILL 465 - VOLUNTARY DISMISSAL/NOTIFY DEFENDANT**
Representative Sutton

Under current law, G.S. 15A-931 provides that, except for charges involving impaired driving, a prosecutor may dismiss any charges stated in a criminal pleading by entering an oral dismissal in open court before or during the trial, or by filing a written dismissal with the clerk at any time. (G.S. 20-138.4 requires that a prosecutor enter detailed facts in the record of any case involving impaired driving explaining the reasons for entering a voluntary dismissal.)

House Bill 465 amends G.S. 15A-931 to require a prosecutor to serve notice of a written dismissal of the charges against a defendant. Notice is made by personal delivery or by mail to the defendant's attorney of record or to the defendant if he is not represented by counsel. The prosecutor need not serve notice if the dismissal is made in open court in the presence of the defendant or the defendant's attorney. If the defendant is in custody, the dismissal must also be served on the chief officer of the custodial facility.

House Bill 465 becomes effective December 1, 1997.

MEMORANDUM

TO: Senator Roy Cooper, Chair, Senate Judiciary Committee

FROM: O. Walker Reagan, Committee Co-Counsel

RE: **HOUSE BILL 402 - EXPUNGE INFRACTIONS** - Representative Smith.

House Bill 402 would permit a person age 19 or 20 who is charged with an infraction for underage purchase or possession of beer, wine, or liquor to have the infraction expunged if the charge is dismissed, or a finding of not guilty or not responsible is entered.

Under current law, a person 18 or under is guilty of a misdemeanor for purchasing or possessing alcoholic beverages. This same offense is only punished as an infraction for a person 19 or 20. Under G.S. 15A-145 a person under age 18 convicted of a misdemeanor or felony may have their conviction expunged for a first offense after having no additional convictions for a period of two years. Under G.S. 15A-146 any person charged with a misdemeanor or felony who is not convicted may have their arrest record expunged. Because the purchase or possession charge is an infraction for a person 19 or 20, not a misdemeanor, if not convicted that person has no right to have the charge expunged, even though the person age 18 or under charged with the same offense does.

This bill amends G.S. 15A-146(a) which allows for the expungement of charges of a felony or misdemeanor when not convicted for persons age 18 or over to also apply this provision to 19 and 20 year olds charged with an infraction in this limited alcohol law violation situation.

The bill becomes effective when it becomes law.

AN EQUAL OPPORTUNITY/AFFIRMATIVE ACTION EMPLOYER

§15A-145. Expunction of records for first offenders under the age of 18 at the time of conviction of misdemeanor.

(a) Whenever any person who has not yet attained the age of 18 years and has not previously been convicted of any felony, or misdemeanor other than a traffic violation, under the laws of the United States, the laws of this State or any other state, pleads guilty to or is guilty of a misdemeanor other than a traffic violation, he may file a petition in the court where he was convicted for expunction of the misdemeanor from his criminal record. The petition cannot be filed earlier than two years after the date of the conviction or any period of probation, whichever occurs later, and the petition shall contain, but not be limited to, the following:

(1) An affidavit by the petitioner that he has been of good behavior for the two-year period since the date of conviction of the misdemeanor in question and has not been convicted of any felony, or misdemeanor in question and has not been convicted of any felony, or misdemeanor other than a traffic violation, under the laws of the United States or the laws of this State or any other state.

(2) Verified affidavits of two persons who are not related to the petitioner or to each other by blood or marriage, that they know the character and reputation of the petitioner in the community in which he lives and that his character and reputation are good.

(3) A statement that the petition is a motion in the cause in the case wherein the petitioner was convicted.

(4) Affidavits of the clerk of superior court, chief of police, where appropriate, and sheriff of the county in which the petitioner was convicted and, if different, the county of which the petitioner is a resident, showing that the petitioner has not been convicted of a felony or misdemeanor other than a traffic violation under the laws of this State at any time prior to the conviction for the misdemeanor in question or during the two-year period following that conviction.

The petiton shall be served upon the district attorney of the court wherein the case was tried resulting in conviction. The district attorney shall have 10 days thereafter in which to file any objection thereto and shall be duly notified as to the date of the hearing of the petition.

The judge to whom the petition is presented is authorized to call upon a probation officer for any additional investigation or verification of the petitioner's conduct during the two-year period that he deems desirable.

(b) If the court, after hearing, finds that the petitioner had remained of good behavior and been free of conviction of any felony or misdemeanor, other than a traffic violation, for two years from the date of conviction of the misdemeanor in question, and petitioner was not 18 years old at the time of the conviction in question, it shall order that such person be restored, in the contemplation of the law, to the status he occupied before such arrest or indictment or information. No person as to whom such order has been entered shall be held thereafter under any provision of any laws to be guilty of perjury or otherwise giving a false statement by reason of his failure to recite or acknowledge such arrest, or indictment, information, or trial, or response to any inquiry made of him for any purpose.

(c) The court shall also order that the said misdemeanor conviction be expunged from the records of the court, and direct all law- enforcement agencies bearing record of the same to expunge their records of the conviction. The clerk shall forward a certified copy of the order to the sheriff, chief of police, or other arresting agency. The sheriff, chief or head of such other arresting agency shall then transmit the copy of the order with a form supplied by the State Bureau of Investigation to the State Bureau of Investigation, and the State Bureau of Investigation shall forward the order to the

Federal Bureau of Investigation. The cost of expunging such records shall be taxed against the petitioner.

(d) The clerk of superior court in each county in North Carolina shall, as soon as practicable after each term of court in his county, file with the Administrative Office of the Courts, the names of those persons granted a discharge under the provisions of this section, and the Administrative Office of the Courts, the names of those persons granted a discharge under the provisions of this section, and the Administrative Office of the Courts shall maintain a confidential file containing the names of persons granted conditional discharges. The information contained in such file shall be disclosed only to judges of the General Court of Justice of North Carolina for the purpose of ascertaining whether any person charged with an offense has been previously granted a discharge.

§ 15A-146. Expunction of records when charges are dismissed or there are findings of not guilty.

(a) If any person is charged with a crime, either a misdemeanor or a felony, and the charge is dismissed, or a finding of not guilty is entered, that person may apply to the court of the county where the charge was brought for an order to expunge from all official records any entries relating to his apprehension or trial. The court shall hold a hearing on the application and, upon finding that the person had not previously received an expungement and that the person had not previously been convicted of any felony under the laws of the United States, this State, or any other state, the court shall order the expunction. No person as to whom such an order has been entered shall be held thereafter under any provision of any law to be guilty of perjury, or to be guilty of otherwise giving a false statement or response to any inquiry made for any purpose, by reason of his failure to recite or acknowledge any expunged entries concerning apprehension or trial.

(b) The court may also order that the said entries shall be expunged from the records of the court, and direct all law-enforcement agencies bearing record of the same to expunge their records of the entries. The clerk shall forward a certified copy of the order to the sheriff, chief of police, or other arresting agency. The sheriff, chief or head of such other arresting agency shall then transmit the copy of the order with the form supplied by the State Bureau of Investigation to the State Bureau of Investigation, and the State Bureau of Investigation shall forward the order to the Federal Bureau of Investigation. The costs of expunging such records shall be taxed against the petitioner.

(c) The Clerk of Superior Court in each county in North Carolina shall, as soon as practicable after each term of court in his county, file with the Administrative Office of the Courts, the names of those persons granted an expungement under the provisions of this section and the Administrative Office of the Courts shall maintain a confidential file containing the names of persons granted such expungement. The information contained in such files shall be disclosed only to judges of the General Court of Justice of North Carolina for the purpose of ascertaining whether any person charged with an offense has been previously granted an expungement.

§ 18B-302. Sale to or purchase by underage persons.

(a) Sale. -- It shall be unlawful for any person to:

(1) Sell or give malt beverages or unfortified wine to anyone less than 21 years old; or

(2) Sell or give fortified wine, spirituous liquor, or mixed beverages to anyone less than 21 years old.

(b) Purchase or Possession. -- It shall be unlawful for:

(1) A person less than 21 years old to purchase, to attempt to purchase, or to possess malt beverages or unfortified wine; or

(2) A person less than 21 years old to purchase, to attempt to purchase, or to possess fortified wine, spirituous liquor, or mixed beverages.

.....

(i) Purchase or Possession by 19 or 20-Year Old. -- A violation of subdivision (b)(1) of this section by a person who is 19 or 20 years old is an infraction and is punishable by a fine of not more than twenty-five dollars ($25.00). An infraction is an unlawful act that is not a crime. The procedure for charging and trying an infraction is the same as for a misdemeanor, but conviction of an infraction has no consequence other than payment of a fine. A person convicted of an infraction may not be assessed court costs.

RE: **HOUSE BILL 523 - CONFISCATED GUN/LAW OFFICER USE**

MEMORANDUM

TO: Senator Roy Cooper, Chair, Senate Judiciary Committee

FROM: O. Walker Reagan and Brenda Carter, Committee Co-Counsel and Susan Hayes, House Judiciary II Committee Co-Counsel

RE: **PROPOSED SENATE COMMITTEE SUBSTITUTE FOR HOUSE BILL 448 - GOVERNOR'S DWI INITIATIVE/AB** - Representative Hackney

The Senate Proposed Committee Substitute for House Bill would strengthen the law which allows seizure of vehicles when used in driving while impaired and while the license has been revoked for an impaired driving offense, increases the penalty for driving while impaired, increases the mandatory administrative license revocation period for driving while impaired, strengthens the punishment for habitual impaired driving, and makes other changes related to the enforcement of the DWI laws.

Part I - Seizure of Vehicles Used in DWI Offenses

When vehicle subject to forfeiture:
Current law and House Bill 448: a vehicle is subject to forfeiture if the judge determines at sentencing for driving while impaired that the defendant was driving with a revoked license, and that the revocation was an impaired driving revocation. The prosecutor is required to determine who owns the car and whether there are any security interests noted on the title. The State must then notify the holder of each security interest, and if the defendant is not the owner, notice must be served on the owner.

Determination of forfeiture:
Current law: The judge at sentencing must hold a hearing to determine if the vehicle should be forfeited.
House Bill 448: The trial judge at the sentencing hearing on the operator's DWI charge will determine if the vehicle is subject to forfeiture.

Order of Forfeiture:
Current law: The judge may order the forfeiture if he finds that the vehicle is not primarily used by a member of the defendant's family or household for business or for driving to and from work or school, that all potential innocent parties have been notified and no party has shown that he is an innocent party.
House Bill 448: ***If the defendant was a registered owner of the vehicle, the judge shall order forfeiture.*** If defendant was not a registered owner, judge shall order forfeiture unless the registered owner establishes by the greater weight of the evidence that he or she is an innocent party, in which case the judge may order the vehicle released to the registered owner under specified conditions.

Innocent Parties Defined:
Current law and House Bill 448: Did not know and had no reason to know that defendant's license was revoked, or knew that defendant's license was revoked, but defendant drove vehicle without the innocent parties' express or implied permission.

If Vehicle is Ordered Forfeited:
Current law: Vehicle must be sold; proceeds of sale must be paid to school fund of county where property was seized.
House Bill 448: Judge may authorize school board to sell at a judicial sale with notice to the registered owner and lienholders or retain for its own use or judge may release vehicle to innocent party lienholder.

***Other provisions of** House Bill 448:* Adds provisions requiring officer to seize and impound vehicle when the officer has probable cause to believe vehicle is subject to forfeiture. Includes provisions regarding review of impoundment by magistrate, and conditions allowing release of vehicle pending trial. Also includes provisions for returning vehicle if no probable cause is found or the defendant is not found guilty.

Part II - Increase Penalty for Driving While Impaired Offenders

Amends G.S. 20-179 to change the punishment for DWI offenses as follows.

(1) Level I Punishment - any term of imprisonment may only be suspended if a condition of special probation is imposed that requires the defendant to serve a minimum of 30 days. (Current law requires a minimum of 14 days or at least 4 consecutive days and house arrest for twice the number remaining of the 14 days.)

(2) Level II Punishment - any term of imprisonment may only be suspended if a condition of special probation is imposed that requires the defendant to serve a minimum of 7 days. (Current law requires a minimum of 7 days or at least 2 consecutive days and house arrest for twice the number remaining of the 7 days.)

(3) Levels III, IV and V Punishment - deletes the requirement that an active sentence be suspended, therefore allowing active time for these levels of punishment.

(4) Amends all levels of punishment to require all defendants placed on probation to obtain a substance abuse assessment. Also requires any defendant given active time to obtain a substance abuse assessment before becoming eligible for parole.

(5) Amends G.S. 20-179(k1) regarding credit for inpatient treatment, to allow the trial judge to order that costs of treatment be absorbed by the State.

Part III - Increase Administrative License Revocation Period

Amends G.S. 20-16.2 and G.S. 20-16.5 to increase the immediate civil revocation period from 10 days to 30 days. There is a provision to allow a limited driving privilege after 10 days if: 1) at the time of the offense, the defendant held either a valid driver's license or a license that had been expired for less than one year; 2) the defendant has no other unresolved pending DWI offenses or intervening DWI convictions; and 3) the defendant obtains a substance abuse assessment and registers for and agrees to participate in any recommended training or treatment program.

Part IV - Make Alcohol Screening Test Admissible to Prove Offense of Driving after Drinking by a Person Under 21

Amends G.S. 20-138.3 (driving by a person under 21 after consuming alcohol or drugs) to allow the results of an alcohol screening test or a refusal to test to be used by law enforcement, the court or an administrative agency in determining if alcohol was present in the driver's body. Also provides that the odor of alcohol is not sufficient evidence to prove beyond a reasonable doubt that alcohol was present in the driver's body, unless the driver was offered an alcohol screening test and refused to provide the required samples.

Part V - Allow Drug Testing for Driving While Impaired

Amends G.S. 20-139.1 to provide that a person may be requested, under G.S. 20-16.2, to submit to chemical analysis of blood or other bodily fluid in addition to or in lieu of breath analysis. Refusal of such testing is "willful refusal" under G.S. 20-16.2

Part VI - Expand the Drug Abuse Resistance Education (DARE) Program to the Seventh and Ninth Grades

Amends G.S. 115C-47 to require local boards of education to use available State and federal resources to expand the DARE program to the 7th and 9th grades.

Part VII - Habitual Impaired Driving

Amends G.S. 20-138.5 to require a minimum active sentence of 12 months for habitual impaired driving which shall not be suspended.

Part VIII - Effective Date

The bill is effective December 1, 1997 and applies to offenses committed on or after that date.

A BILL TO BE ENTITLED

AN ACT TO IMPLEMENT THE GOVERNOR'S RECOMMENDATIONS ON DRIVING WHILE IMPAIRED.

The General Assembly of North Carolina enacts:

PART I. SEIZURE OF VEHICLES USED IN DRIVING WHILE IMPAIRED OFFENSES.

Section 1.1. G.S. 20-28.2 reads as rewritten:

"**§ 20-28.2. Forfeiture of motor vehicle for impaired driving after impaired driving license revocation.**

(a) Meaning of 'Impaired Driving License Revocation'. -- The revocation of a person's driver's license is an impaired driving license revocation if the revocation is pursuant to:

(1) G.S. 20-13.2, 20-16(a)(8b), 20-16.2, 20-16.5, ~~20-17(2),~~ 20-17(a)(2), or 20-17.2; or

(2) G.S. 20-16(a)(7), 20-17(1), or 20-17(9), if the offense involves impaired driving.

(a1) As used in this section and in G.S. 20-28.3, 20-28.4, 20-28.5, and 20-28.6, the following terms mean:

(1) Acknowledgement. -- A written document acknowledging that:

a. The vehicle was operated by a person charged with an offense involving impaired driving while that drivers license was revoked as a result of a prior impaired drivers license revocation;

b. If the vehicle is again operated by this particular person, at any time while that person's drivers license is revoked, and the person is charged with an offense involving impaired driving, the vehicle is subject to impoundment and forfeiture; and

c. A lack of knowledge or consent to the operation will not be a defense in the future, unless the vehicle owner has taken all reasonable precautions to prevent the use of the vehicle by this particular person and immediately reports, upon discovery, any unauthorized use to the appropriate law enforcement agency.

(2) Innocent Party. -- A vehicle owner who:

a. Did not know and had no reason to know that the defendant's drivers license was revoked; or

b. Knew that the defendant's drivers license was revoked, but the defendant drove the vehicle without the person's expressed or implied permission.

(3) Lienholder. -- A person who holds a perfected security interest in a motor vehicle at the time of seizure.

(4) Order of forfeiture. -- An order by the court which terminates the rights and ownership interest of a vehicle owner in a motor vehicle in accordance with G.S. 20-28.2.

(5) Possessory Lien. -- A lien for all costs and fees associated with the towing, storage, or sale of a vehicle pursuant to this section. This lien shall have priority over perfected and unperfected security interests. Storage fees subject to this lien shall not exceed five dollars ($5.00) per day.

(6) Registered owner. -- A person in whose name a registration card for a motor vehicle is issued.

(7) Vehicle owner. -- A person in whose name a registration card or certificate of title for a motor vehicle is issued.

(b) When Motor Vehicle Becomes Property Subject to Forfeiture. -- If at a sentencing hearing conducted pursuant to G.S. 20-179 or 20-138.5 the judge determines that the grossly aggravating factor described in G.S. 20-179(c)(2) applies, the motor vehicle that was driven by the defendant at the time ~~he~~ the defendant committed the offense of impaired driving becomes property subject to forfeiture.

(c) Duty of Prosecutor to Notify Possible Innocent Parties. --In any case in which a prosecutor determines that a motor vehicle driven by a defendant may be subject to forfeiture under this section, the prosecutor ~~must~~ shall determine the identity of ~~the vehicle owner as shown on the certificate of title for the vehicle and he must~~ every vehicle owner. The prosecutor shall also determine if there are any ~~security interests~~ lienholders noted on the vehicle's certificate of title. The State ~~must~~ shall notify ~~the holder of each security interest~~ the defendant, each vehicle owner, and each lienholder that the vehicle may be subject to forfeiture and that ~~he~~ the defendant, vehicle owner, or the lienholder may intervene to protect ~~his~~ that person's interest. ~~If the defendant is not the owner, a similar notice must be served on the owner.~~ The notice may be served by any means reasonably likely to provide actual notice, and ~~must~~ shall be served at least fourteen days before the ~~forfeiture hearing.~~ hearing at which an order of forfeiture may be entered.

(d) Duty of Judge. -- ~~The judge at sentencing must hold a hearing to determine if the vehicle should be forfeited. At the hearing the judge may order the forfeiture if he finds that:~~

~~(1) The vehicle is subject to forfeiture;~~

~~(2) The vehicle is not primarily used by a member of the defendant's family or household for a business purpose or for driving to and from work or school;~~

~~(3) All potential innocent parties have been notified as required in subsection (c); and~~

~~(4) No party has shown that he is an innocent party as described in subsection (f).~~

~~If the owner or the holder of a security interest has not been notified, the judge may continue the hearing to allow the State to serve the notice or he may decline to order forfeiture. In any case in which a judge does not order the forfeiture of a vehicle subject to forfeiture, he must enter into the record detailed, written reasons for his decision.~~ The trial judge at the

sentencing hearing on the operator's charge of violating G.S. 20-138.1 or G.S. 20-138.5 shall determine if the vehicle is subject to forfeiture under this section. If at the sentencing hearing or at a subsequent hearing the judge determines that the requirements of subsections (a) through (c) of this section exist and the defendant was the only vehicle owner at the time of the offense, the judge shall order the vehicle forfeited. If at the sentencing hearing or at a subsequent hearing the judge determines that the requirements of subsections (a) through (c) of this section exist and the defendant was not the only vehicle owner at the time of the offense, the judge shall order the vehicle forfeited unless another vehicle owner establishes, by the greater weight of the evidence, that such vehicle owner is an innocent party as defined by subsection (i) of this section, in which case the trial judge shall order the vehicle released to the innocent party vehicle owner pursuant to the provisions of subsection (e) of this section. In any case where the vehicle is ordered forfeited, the judge shall either:

(1) Authorize the school board to sell the vehicle at public sale or retain the vehicle for its own use pursuant to G.S. 20-28.5; or

(2) Release the vehicle to an intervening lienholder pursuant to the provisions of subsection (g) of this section.

If the judge determines that the requirements of subsection (a) and (b) of this section exist but that notice as required by subsection (c) has not been given, the judge shall continue the forfeiture proceeding until adequate notice has been given. In no circumstance shall the sentencing of the defendant be delayed as a result of the failure of the prosecutor to give adequate notice.

~~(e) Sale of Forfeited Vehicle Required. -- If the judge orders forfeiture of the vehicle pursuant to this section, he must order the sale of the vehicle. Proceeds of the sale must be paid to the school fund of the county in which the property was seized.~~

~~(f) Innocent Party May Intervene. -- At any time before the forfeiture is ordered, the property owner or holder of a security interest, other than the defendant, may apply to protect his interest in the motor vehicle. The application may be made to a judge who has jurisdiction to try the impaired driving offense with which the motor vehicle is associated. The judge must order the vehicle returned to the owner if he finds that either the owner or the holder of a security interest is an innocent party.~~

~~An owner or holder of a security interest is an innocent party if he:~~

~~(1) Did not know and had no reason to know that the defendant's driver's license was revoked; or~~

~~(2) Knew that the defendant's driver's license was revoked, but the defendant drove the vehicle without his consent.~~

~~If an innocent party applies after the forfeited motor vehicle has been sold and the judge finds no laches in the innocent party's delay, the judge may order a payment to the innocent party from the net proceeds of the sale equal to his equity or security interest in the vehicle.~~

(e) Return of Vehicle to Innocent Vehicle Owner. -- If a non-defendant vehicle owner establishes by the greater weight of the evidence that: (i) the vehicle was being driven by a person who was not the only vehicle owner at the time of the underlying offense and (ii) that vehicle owner requesting release is an 'innocent party', a district court judge shall order the vehicle returned to the owner.

This release shall only be ordered upon satisfactory proof of:

(1) The identity of the person as a vehicle owner;

(2) The existence of financial responsibility to the extent required by Article 13 of this Chapter;

(3) The payment of towing and storage fees; and

(4) The execution of an acknowledgment as set forth in this section.

No vehicle subject to forfeiture under this section shall be released to a vehicle owner if the records of the Division indicate the vehicle owner had previously signed an acknowledgment, as required by subsection (f) of this section, and the same person was operating the vehicle while that person's license was revoked unless the innocent vehicle owner shows by the greater weight of the evidence that the vehicle owner has taken all reasonable precautions to prevent the use of the vehicle by this particular person and immediately reports, upon discovery, any unauthorized use to the appropriate law enforcement agency.

(f) Release to Lienholder. -- The trial judge shall order a forfeited vehicle released to the lienholder if the judge determines, by the greater weight of the evidence, that:

(1) The lienholder's interest is equal to or greater than the fair market value of the vehicle;

(2) The lienholder agrees not to sell, give, or otherwise transfer possession of the forfeited

vehicle to the vehicle owner who owned the vehicle immediately prior to forfeiture, or any person acting on the vehicle owner's behalf;

(3) The forfeited vehicle had not previously been released to the lienholder; and

(4) The lienholder pays, in full, any towing and storage costs incurred as a result of the seizure of the vehicle.

(g) Possessory Lien. -- The entity that tows or stores the motor vehicle, other than the county school board, shall be entitled to a possessory lien as defined in G.S. 28.2(a1)(5)."

Section 1.2. Article 2 of Chapter 20 of the General Statutes is amended by adding a new section to read:

"**§ 20-28.3. Seizure, impoundment, forfeiture of vehicles for offenses involving impaired driving while license revoked.**

(a) A motor vehicle that is driven by a person in violation of G.S. 20-138.1 or G.S. 20-138.5 is subject to seizure if at the time of the violation the drivers license of the person driving the motor vehicle was revoked as a result of a prior impaired drivers license revocation. The revocation of a person's drivers license is an impaired drivers license revocation for purposes of this section if the revocation is pursuant to:

(1) G.S. 20-13.2, 20-16(a)(8b), 20-16.2, 20-16.5, 20-17(a)(2), 20-17(a)(12), or 20-17.2; or

(2) G.S. 20-16(a)(7), 20-17(a)(1), or 20-17(a)(9) if the offense involved impaired driving.

(b) Duty of Officer. -- If the charging officer has probable cause to believe that a motor vehicle driven by the defendant may be subject to forfeiture under this section, the officer shall seize the vehicle and have it impounded. Probable cause may be based on the officer's personal knowledge, reliable information conveyed by another officer, records of the Division, or other reliable source. The officer shall cause to be issued written notification of impoundment to any vehicle owner who was not operating or present in the vehicle at the time of the offense. This notice shall be sent by first-class mail to the most recent address contained in the Division records. This written notification shall inform the vehicle owner(s) that the vehicle has been impounded, and shall state the reason for the impoundment, and the procedure for requesting release of the vehicle. The seizing officer shall notify the Division of the seizure in accordance with procedures established by the Division. Within 72 hours of the seizure of the vehicle the officer shall also cause notice of the impoundment and intent to

forfeit the vehicle to be given to any lienholder of record with the Division.

(c) Review by Magistrate. -- Upon seizing a vehicle, the seizing officer shall present to a magistrate within the county where the vehicle was seized an affidavit of impoundment setting forth the basis upon which the motor vehicle has been seized for forfeiture. The magistrate shall review the affidavit of impoundment and if the magistrate determines the requirements of this section have been met, shall order the vehicle held. The magistrate may request additional information and may hear from the operator if the operator is present.

(d) Custody of Vehicle. -- The seized vehicle shall be towed to a location designated by the county school board for the county in which the operator of the vehicle is charged, and placed under the constructive possession of the school board pending release or sale. Each county school board may elect to have seized vehicles stored on property owned or leased by the school board and charge no fee for storage. In the alternative, the county school board may contract with a commercial storage facility for the storage of seized vehicles and a storage fee of not more than five dollars ($5.00) per day may be charged.

(e) Release of Vehicle Pending Trial. -- A vehicle owner, or a lienholder of a vehicle, other than the driver at the time of the underlying offense resulting in the seizure, may apply to the clerk of superior court in the county where the charges are pending for pretrial release of the vehicle.

The clerk shall release the vehicle to a qualified vehicle owner, or a lienholder, under the following conditions:

(1) The vehicle has been stored for not less than 24 hours;

(2) All towing and storage charges have been paid;

(3) Execution of a good and valid bond with sufficient sureties in an amount equal to twice the value of the seized vehicle, as determined in accordance with the schedule of values adopted by the Commissioner of Motor Vehicles pursuant to G.S. 105-187.3, payable to the county school fund and conditioned on return of the vehicle, without any new or additional liens or encumbrances, on the day of trial of the operator;

(4) If a qualified vehicle owner, execution of a written acknowledgment as described in G.S. 20-28.2(f); and

(5) A check of the records of the Division indicates that the requesting vehicle owner has not previously executed a written acknowledgment naming the operator of the seized vehicle.

(f) Duty of Trial Judge. -- The trial judge at the sentencing hearing on the operator's charge of violating G.S. 20-138.1 or G.S. 20-138.5 shall determine if the vehicle is subject to forfeiture pursuant to the provisions of G.S. 20-28.2.

(g) Possessory Lien. -- The entity that tows and stores the vehicle, other than the county school board, shall be entitled to a possessory lien as defined in G.S. 28.2(a1)(5)."

Section 1.3. Article 2 of Chapter 20 of the General Statutes is amended by adding a new section to read:

"**§ 20-28.4. Release of impounded vehicles by judge.**

(a) Release to Innocent Vehicle Owner. -- A vehicle owner who was not the operator of the vehicle at the time of the offense may apply to a district court judge for return of the vehicle pursuant to the provisions of G.S. 20-28.2(e).

(b) Acknowledgment Required. -- The vehicle owner seeking release under this section or pretrial release under G.S. 20-28.3 shall sign a written acknowledgment as described in G.S. 20-28.2(a1)(1).

(c) Release to Lienholder. -- A district court judge may order a forfeited vehicle released to a lienholder if the judge determines, by the greater weight of the evidence, that the lienholder satisfies the criteria as set out in G.S. 20-28.2(g).

(d) Release Upon Conclusion of Trial. -- If the driver of a motor vehicle seized pursuant to G.S. 20-28.3:

(1) Is subsequently not convicted of either G.S. 20-138.1 or G.S. 20-138.5 due to dismissal or a finding of not guilty; or

(2) The judge at the sentencing hearing fails to find the grossly aggravating factor described in G.S. 20-179(c)(2),

the seized vehicle shall be returned to the vehicle owner.

If the court finds that probable cause did not exist to seize the motor vehicle, the court shall order the vehicle released.

A determination which results in the return or release of the seized vehicle under this section authorizes the driver, vehicle owner, or lienholder to recover towing or storage fees paid in order to obtain pretrial release of the motor vehicle. Towing or storage fees recovered pursuant to this subsection shall be paid by the county school board from forfeitures paid into the county school fund."

Section 1.4. Article 2 of Chapter 20 of the General Statutes is amended by adding a new section to read:

"§ 20-28.5. Forfeiture of impounded vehicle.

(a) Sale. -- Unless a judge orders the vehicle returned to an innocent party or a lienholder pursuant to G.S. 20-28.2 or G.S. 20-28.4, the vehicle shall be ordered forfeited and sold or transferred to the school board in the county where the charges were filed. The sale of the vehicle shall be a judicial sale conducted in accordance with the provisions of Parts 1 and 2 of Article 29A of Chapter 1 of the General Statutes and shall be conducted by the county school board or a person acting on its behalf. In addition to the notice requirements of Part 2 of Article 29A of Chapter 1 of the General Statutes, notice of sale shall also be given by certified mail, return receipt requested, to all vehicle owners at the address shown by the Division's records and at any other address of the vehicle owner as may be found in the criminal file in which the forfeiture was ordered. Notice of sale shall also be by certified mail, return receipt requested, to all lienholders on file with the Division. Notice of sale shall be given to the Division in accordance with the procedures established by the Division.

The balance of the proceeds of sale, if any, shall be used to satisfy any other existing liens of record that were properly recorded with the Division prior to the date of initial seizure of the vehicle. Any remaining balance shall be paid to the county school fund in the county in which the vehicle was ordered forfeited. Vehicles sold pursuant to this section shall be transferred free and clear of any liens.

(c) Retention of Vehicle. -- The county board may, at its option, retain any forfeited vehicle for its use. If the vehicle is retained, any valid lien of record at the time of the initial seizure of the vehicle shall be satisfied by the school board relieving the titled and registered owner of all liability for the obligation secured by the motor vehicle.

(d) If there is more than one school board in the county, then the fair market value of the vehicle shall be used to determine the share due each of the school boards in the same manner as fines and other forfeitures.

(e) Order of forfeiture - Appeals. -- An order of forfeiture is stayed pending appeal of a conviction for an offense that is the basis for the order. When the conviction of an offense that is the basis for an order of forfeiture is appealed from district

court, the issue of forfeiture shall be heard in superior court de novo. Appeal from a final order of forfeiture shall be to the Court of Appeals.

The defendant shall be ordered to surrender the registration on all motor vehicles registered in the defendant's name to the Division within 10 days of the date of the order. Information in the order pertaining to the registration of motor vehicles shall be transmitted electronically or otherwise by the clerk of superior court to the Division. The Division shall not thereafter register a motor vehicle in the defendant's name until the defendant's drivers license has been restored.

(b) A registered owner other than the operator of the vehicle that is seized pursuant to G.S. 20-28.3 who is not an innocent party pursuant to G.S. 20-28.2 forfeits the right to register or have registered in the person's name the motor vehicle seized, until the drivers license of the person whose driving violation resulted in the motor vehicle being seized is restored. The trial judge on the person's charge of violating G.S. 20-138.1 or G.S. 20-138.5 shall order the registered owner's rights of registration for the seized motor vehicle forfeited for the period the defendant's drivers license is revoked, after an opportunity for a hearing and a determination that the requirements of subsections (a) through (c) of G.S. 20-28.2 exist. Except as provided in this subsection or subsection (b), before any type of chemical analysis is administered the person charged ~~must~~ shall be taken before a chemical analyst authorized to administer a test of a person's breath, who ~~must~~ shall inform the person orally and also give the person a notice in writing that:

(1) The person has a right to refuse to be tested.
(2) Refusal to take any required test or tests will result in an immediate revocation of the person's driving privilege for at least ~~10~~ 30 days and an additional 12-month revocation by the Division of Motor Vehicles.
(3) The test results, or the fact of the person's refusal, will be admissible in evidence at trial on the offense charged.
(4) The person's driving privilege will be revoked immediately for at least ~~10~~ 30 days if:
    a. The test reveals an alcohol concentration of 0.08 or more; or
    b. The person was driving a commercial motor vehicle and the test reveals an alcohol concentration of 0.04 or more.
(5) The person may choose a qualified person to administer a chemical test or tests in addition to any test administered at the direction of the charging officer.
(6) The person has the right to call an attorney and select a witness to view for him or her the testing procedures, but the testing may not be delayed for these purposes longer than 30 minutes from the time when the person is notified of his or her rights.

If the charging officer or an arresting officer is authorized to administer a chemical analysis of a person's breath, the charging officer or the arresting officer may give the person charged the oral and written notice of rights required by this subsection. This authority applies regardless of the type of chemical analysis designated."

(2) At the time of the refusal, the person had not within the preceding seven years been convicted of an offense involving impaired driving;

(3) At the time of the refusal, the person had not in the preceding seven years willfully refused to submit to a chemical analysis under this section;

(4) The implied-consent offense charged did not involve death or critical injury to another person;

(5) The underlying charge for which the defendant was requested to submit to a chemical analysis has been finally disposed of:

a. Other than by conviction; or

b. By a conviction of impaired driving under G.S. 20-138.1, at a punishment level authorizing issuance of a limited driving privilege under G.S. 20-179.3(b), and the defendant has complied with at least one of the mandatory conditions of probation listed for the punishment level under which the defendant was sentenced;

(6) Subsequent to the refusal the person has had no unresolved pending charges for or additional convictions of an offense involving impaired driving; ~~and~~

If the case was finally disposed of in the district court, the hearing ~~must~~ shall be conducted in the district court district as defined in G.S. 7A-133 in which the refusal occurred by a district court judge. If the case was finally disposed of in the superior court, the hearing ~~must~~ shall be conducted in the superior court district or set of districts as defined in G.S. 7A-41.1 in which the refusal occurred by a superior court judge. A limited driving privilege issued under this section authorizes a person to drive if the person's license is revoked solely under this section or solely under this section and G.S. 20-17(2). If the person's license is revoked for any other reason, the limited driving privilege is invalid."

Section 3.3. G.S. 20-16.2(i) reads as rewritten:

"(i) Right to Chemical Analysis before Arrest or Charge. -- A person stopped or questioned by a law-enforcement officer who is investigating whether the person may have committed an implied-consent offense may request the administration of a chemical analysis before any arrest or other charge is made for the offense. Upon this request, the officer ~~must~~ shall afford the person the opportunity to have a chemical analysis of his or her breath, if available, in accordance with the procedures required by G.S. 20-139.1(b). The request constitutes the person's consent to be transported by the law-enforcement officer to the place where the chemical analysis is to be administered. Before the chemical analysis is made, the person ~~must~~ shall confirm the request in writing and ~~must~~ shall be notified:

(1) That the test results will be admissible in evidence and may be used against the person in any implied-consent offense that may arise;

(2) That the person's license will be revoked for at least ~~10~~ 30 days if:

a. The test reveals an alcohol concentration of 0.08 or more; or

b. The person was driving a commercial motor vehicle and the test results reveal an alcohol concentration of 0.04 or more.

(3) That if the person fails to comply fully with the test procedures, the officer may charge the person with any offense for which the officer has probable cause, and if the person is charged with an

implied-consent offense, the person's refusal to submit to the testing required as a result of that charge would result in revocation of the person's driver's license. The results of the chemical analysis are admissible in evidence in any proceeding in which they are relevant."

Section 3.4. G.S. 20-16.5 is amended by adding a new subsection to read:

"(p) Limited Driving Privilege. -- A person whose drivers license has been revoked under this section may apply for a limited driving privilege if:

(3) The person's license has been revoked for at least 10 days if the revocation is for 30 days or 30 days if the revocation is for 45 days; and

(4) The person has obtained a substance abuse assessment from a mental health facility and registers for and agrees to participate in any recommended training or treatment program.

Except as modified in this subsection, the provisions of G.S. 20-179.3 relating to the procedure for application and conduct of the hearing and the restrictions required or authorized to be included in the limited driving privilege apply to applications under this subsection. Any district court judge authorized to hold court in the judicial district is authorized to issue such a limited driving privilege. A limited driving privilege issued under this section authorizes a person to drive if the person's license is revoked solely under this section. If the person's license is revoked for any other reason, the limited driving privilege is invalid."

Section 3.5. G.S. 20-16.5(e) reads as rewritten:

"(e) Procedure if Report Filed with Judicial Official When Person Is Present. -- If a properly executed revocation report concerning a person is filed with a judicial official when the person is present before that official, the judicial official

~~must,~~ shall, after completing any other proceedings involving the person, determine whether there is probable cause to believe that each of the conditions of subsection (b) has been met. If he determines that there is such probable cause, he ~~must~~ shall enter an order revoking the person's driver's license for the period required in this subsection. The judicial official ~~must~~ shall order the person to surrender his license and if necessary may order a law-enforcement officer to seize the license. The judicial official ~~must~~ shall give the person a copy of the revocation order. In addition to setting it out in the order the judicial official ~~must~~ shall personally inform the person of his right to a hearing as specified in subsection (g), and that his license remains revoked pending the hearing. Unless the person is not currently licensed, the revocation under this subsection begins at the time the revocation order is issued and continues until the person's license has been surrendered for ~~10~~ 30 days and the person has paid the applicable costs. If the person is not currently licensed, the revocation continues until ~~10~~ 30 days from the date the revocation order is issued and the person has paid the applicable costs. If within five working days of the effective date of the order, the person does not surrender his license or demonstrate that he is not currently licensed, the clerk ~~must~~ shall immediately issue a pick-up order. The pick-up order ~~must~~ shall be issued to a member of a local law-enforcement agency if the charging officer was employed by the agency at the time of the charge and the person resides in or is present in the agency's territorial jurisdiction. In all other cases, the pick-up order ~~must~~ shall be issued to an officer or inspector of the Division. A pick-up order issued pursuant to this section is to be served in accordance with G.S. 20-29 as if the order had been issued by the Division."

Section 3.6. G.S. 20-16.5(f) reads as rewritten:

"(f) Procedure if Report Filed with Clerk of Court When Person Not Present. -- When a clerk receives a properly executed report under subdivision (d)(3) and the person named in the revocation report is not present before the clerk, the clerk ~~must~~ shall determine whether there is probable cause to believe that each of the conditions of subsection (b) has been met. If he determines that there is such probable cause, he ~~must~~ shall mail to the person a revocation order by first-class mail. The order ~~must~~ shall direct that the person on or before the effective date of the order either surrender his license to the clerk or appear before the clerk and demonstrate that he is not currently licensed, and the order ~~must~~ shall inform the person of the time

and effective date of the revocation and of its duration, of his right to a hearing as specified in subsection (g), and that the revocation remains in effect pending the hearing. Revocation orders mailed under this subsection become effective on the fourth day after the order is deposited in the United States mail. If within five working days of the effective date of the order, the person does not surrender his license to the clerk or appear before the clerk to demonstrate that he is not currently licensed, the clerk ~~must~~ shall immediately issue a pick-up order. The pick-up order ~~must~~ shall be issued and served in the same manner as specified in subsection (e) for pick-up orders issued pursuant to that subsection. A revocation under this subsection begins at the date specified in the order and continues until the person's license has been revoked for the period specified in this subsection and the person has paid the applicable costs. The period of revocation under this subsection is:

(1) ~~Ten~~ Thirty days from the time the person surrenders his license to the court, if the surrender occurs within five working days of the effective date of the order; or

(2) ~~Ten~~ Thirty days after the person appears before the clerk and demonstrates that he is not currently licensed to drive, if the appearance occurs within five working days of the effective date of the revocation order; or

(3) ~~Thirty~~ Forty-five days from the time:

a. The person's driver's license is picked up by a law-enforcement officer following service of a pick-up order; or

b. The person demonstrates to a law-enforcement officer who has a pick-up order for his license that he is not currently licensed; or

c. The person's driver's license is surrendered to the court if the surrender occurs more than five working days after the effective date of the revocation order; or

d. The person appears before the clerk to demonstrate that he is not currently licensed, if he appears more than five working days after the effective date of the revocation order.

When a pick-up order is issued, it ~~must~~ shall inform the person of his right to a hearing as specified in subsection (g), and that the revocation remains in effect pending the hearing. An

officer serving a pick-up order under this subsection ~~must~~ shall return the order to the court indicating the date it was served or that he was unable to serve the order. If the license was surrendered, the officer serving the order ~~must~~ shall deposit it with the clerk within three days of the surrender."

Section 3.7. G.S. 20-16.5(i) reads as rewritten:

"(i) Effect of Revocations. -- A revocation under this section revokes a person's privilege to drive in North Carolina whatever the source of his authorization to drive. Revocations under this section are independent of and run concurrently with any other revocations. No court imposing a period of revocation following conviction of an offense involving impaired driving may give credit for any period of revocation imposed under this section. ~~A person is not eligible for a limited driving privilege under any statute while his license is revoked under this section.~~ A person whose license is revoked pursuant to this section is not eligible to receive a limited driving privilege except as specifically authorized by G.S. 20-16.5(p)."

Section 3.8. G.S. 20-16.5(k) reads as rewritten:

The report ~~must~~ shall identify the person whose license has been revoked and specify the dates on which his license was revoked. No report need be made to the Division, however, if there was a surrender of the driver's license issued by the Division, a ~~ten-day~~ 30-day minimum revocation was imposed, and the license was properly returned to the person under subsection (h) within five working days after the ~~10-day~~ 30-day period had elapsed."

Section 4. G.S. 20-138.3 reads as rewritten:

"**§ 20-138.3. Driving by person less than 21 years old after consuming alcohol or drugs.**

(a) Offense. -- It is unlawful for a person less than 21 years old to drive a motor vehicle on a highway or public vehicular area while consuming alcohol or at any time while he has remaining in his body any alcohol or in his blood a controlled substance previously consumed, but a person less than 21 years old does not violate this section if he drives with a controlled substance in his blood which was lawfully obtained and taken in therapeutically appropriate amounts.

(b) Subject to Implied-Consent Law. -- An offense under this section is an alcohol-related offense subject to the implied-consent provisions of G.S. 20-16.2.

(c) Odor Insufficient. -- The odor of an alcoholic beverage on the breath of the driver is insufficient evidence by itself to prove beyond a reasonable doubt that alcohol was remaining in the driver's body in violation of this section unless the driver was offered an alcohol screening test or chemical analysis and refused to provide all required samples of breath or blood for analysis.

(d) Alcohol Screening Test. -- Notwithstanding any other provision of law, an alcohol screening test may be administered to a driver suspected of violation of subsection (a) of this section, and the results of an alcohol screening test or the driver's refusal to submit may be used by a law enforcement officer, a court, or an administrative agency in determining if alcohol was present in the driver's body. No alcohol screening tests are valid under this section unless the device used is one approved by the Commission on Health Services, and the screening test is conducted in accordance with the applicable regulations of the Commission as to its manner and use.

~~(c)~~ (e) Punishment; effect when impaired driving offense also charged. -- The offense in this section is a Class 2 misdemeanor. It is not, in any circumstances, a lesser included offense of impaired driving under G.S. 20-138.1, but if a person is convicted under this section and of an offense involving impaired driving arising out of the same transaction, the aggregate punishment imposed by the court may not exceed the maximum applicable to the offense involving impaired driving, and any minimum punishment applicable ~~must~~ shall be imposed.

~~(d)~~ (f) Limited driving privilege. -- A person who is convicted of violating subsection (a) of this section and whose drivers license is revoked solely based on that conviction may apply for a limited driving privilege as provided in G.S. 20-179.3. This subsection shall apply only if the person meets both of the following requirements:

(1) Is 18, 19, or 20 years old on the date of the offense.

(2) Has not previously been convicted of a violation of this section.

The judge may issue the limited driving privilege only if the person meets the eligibility requirements of G.S. 20-179.3, other than the requirement in G.S. 20-179.3(b)(1)c. G.S. 20-179.3(e) shall not apply. All other terms, conditions, and restrictions

provided for in G.S. 20-179.3 shall apply. G.S. 20-179.3, rather than this subsection, governs the issuance of a limited driving privilege to a person who is convicted of violating subsection (a) of this section and of driving while impaired as a result of the same transaction."

PART V. ALLOW DRUG TESTING FOR DRIVING WHILE IMPAIRED.

Section 5.1. G.S. 20-4.01(3a) reads as rewritten:

"(3a) Chemical Analysis. -- A test or tests of the ~~breath or blood~~ breath, blood, or other bodily fluid or substance of a person to determine ~~his~~ the person's alcohol ~~concentration,~~ concentration or presence of an impairing substance, performed in accordance with ~~G.S. 20-139.1.~~ G.S. 20-139.1, including duplicate or sequential analyses. ~~The term "chemical analysis" includes duplicate or sequential analyses when necessary or desirable to insure the integrity of test results.~~"

Section 5.2. G.S. 20-138.3(a) reads as rewritten:

"(a) Offense. -- It is unlawful for a person less than 21 years old to drive a motor vehicle on a highway or public vehicular area while consuming alcohol or at any time while he has remaining in his body any alcohol or ~~in his blood a~~ controlled substance previously consumed, but a person less than 21 years old does not violate this section if he drives with a controlled substance in his ~~blood~~ body which was lawfully obtained and taken in therapeutically appropriate amounts."

Section 5.3. G.S. 20-139.1(a) reads as rewritten:

"(a) Chemical Analysis Admissible. -- In any implied-consent offense under G.S. 20-16.2, a person's alcohol concentration or the presence of any other impairing substance in the person's body as shown by a chemical analysis is admissible in evidence. This section does not limit the introduction of other competent evidence as to ~~a defendant's~~ a person's alcohol ~~concentration,~~ concentration or results of other tests showing the presence of an impairing substance, including other chemical tests."

Section 5.4. G.S. 20-139.1 is amended by adding a new subsection to read:

"(b5) Subsequent Tests Allowed. -- A person may be requested, pursuant to G.S. 20-16.2, to submit to a chemical analysis of the person's blood or other bodily fluid or substance in addition to or in lieu of a chemical analysis of the breath, in the discretion of the charging officer. A person's willful refusal

to submit to a chemical analysis of the blood or other bodily fluid or substance is a willful refusal under G.S. 20-16.2."

Section 5.5. G.S. 20-139.1(e1) reads as rewritten:

"(e1) Use of Chemical Analyst's Affidavit in District Court. -- An affidavit by a chemical analyst sworn to and properly executed before an official authorized to administer oaths is admissible in evidence without further authentication in any hearing or trial in the District Court Division of the General Court of Justice with respect to the following matters:

(1) The alcohol concentration or concentrations or the presence or absence of an impairing substance of a person given a chemical analysis and who is involved in the hearing or trial.

(2) The time of the collection of the ~~blood or breath~~ blood, breath, or other bodily fluid or substance sample or samples for the chemical analysis.

(3) The type of chemical analysis administered and the procedures followed.

(4) The type and status of any permit issued by the Department of Environment, Health, and Natural Resources that he held on the date he performed the chemical analysis in question.

(5) If the chemical analysis is performed on a breath-testing instrument for which regulations adopted pursuant to subsection (b) require preventive maintenance, the date the most recent preventive maintenance procedures were performed on the breath-testing instrument used, as shown on the maintenance records for that instrument.

The Department of Environment, Health, and Natural Resources ~~must~~ shall develop a form for use by chemical analysts in making this affidavit. If any person who submitted to a chemical analysis desires that a chemical analyst personally testify in the hearing or trial in the District Court Division, he may subpoena the chemical analyst and examine him as if he were an adverse witness."

Section 5.6. G.S. 20-179.3(h) reads as rewritten:

"(h) Other Mandatory and Permissive Conditions or Restrictions. -- In all limited driving privileges the judge ~~must~~ shall also include a restriction that the applicant not consume alcohol while driving or drive at any time while he has remaining in his body any alcohol or ~~in his blood a~~ controlled substance previously consumed, unless the controlled substance was lawfully obtained and taken in therapeutically appropriate amounts. The

judge may impose any other reasonable restrictions or conditions necessary to achieve the purposes of this section."

PART VI. EXPAND THE DRUG ABUSE RESISTANCE EDUCATION (DARE) PROGRAM TO THE SEVENTH AND NINTH GRADES.

Section 6. G.S. 115C-47 is amended by adding a new subdivision to read:

"(38) Expand DARE Program to Seventh and Ninth Grades. -- Local boards of education shall use available State and federal resources to expand the Drug Abuse and Resistance Education Program to the seventh and ninth grades."

PART VII. HABITUAL IMPAIRED DRIVING.

Section 7. G.S. 20-138.5(b) reads as rewritten:

"(b) A person convicted of violating this section shall be punished as a Class G ~~felon.~~ felon and shall be sentenced to a minimum active term of not less than 12 months of imprisonment, which shall not be suspended. Sentences imposed under this subsection shall run consecutively with and shall commence at the expiration of any sentence being served."

PART VIII. EFFECTIVE DATES.

Section 8. This act becomes effective December 1, 1997, and applies to offenses committed on or after that date. Sentencing for an offense committed before the effective date of this act is governed by the laws in effect at the time of the commission of the offense.

[X]Mandatory sanctions for the offenses of driving while under the influence and illegal per se.
[Y]Mandatory sanctions for the offense of driving while intoxicated.
[Z]Mandatory sanctions for the offenses of driving while intoxicated and illegal per se.

C=Consecutive, H= Hour(s), D=Day(s), M=Month(s), Y=Years(s), S=Suspension, R=Revocation
Important. A blank space in this table does not mean that a State does not have a sanction. It only means that a State does not have a mandatory sanction.

[1]The 48 hours (2nd off) and 30 days (3rd off) are not necessarily served consecutively. The sanctions listed are for non-injury offenses.
[2]48 consecutive hours of imprisonment or 10 days of community service became mandatory when the Dept. of Motor Vehicles certified that an application for 23 USC §408 grant funds has been submitted to the U.S. Dept. of Transportation.
[3]The court must sentence defendants to at least one of these sanctions but may sentence them to more than one such sanction.
[4]Where the offender's alcohol concentration was <0.15.
[5]For a 1st off, 1 mo mand susp if defendant is accepted into the Accelerated Rehabilitation Disposition program. For a 3rd off, revocation could be 5 yrs under the habitual offender law.
[6]Not more than 200 hours of community service in lieu of the fine.
[7]This sentence may not be suspended; however, the statute is silent as to probation.
[8]This sanction may be served in a residential treatment facility.
[9]This sanction only applies to driving while under the influence offenses.
[10]Must serve 48 consecutive hours.
[11]One day imprisonment or 24 hrs of community service if rehabilitation is taken.
[12]48 hours must be served consecutively. However, if the defendant agrees to participate in a 1 yr treatment program, the jail term is reduced to 1 dy or, as an alternative, the offender may perform 24 hrs of community service.
[13]48 con hrs if the defendant is eligible for the work release program.
[14]Three (3) consecutive 24 hour periods in a house of correction and seven (7) consecutive 24 hour periods in a DWI detention center.
[15]Mandatory treatment of not less than 12 nor more than 48 hours; this time is to be spent in an intoxicated driver resource center.
[16]As a part of community supervision.
[17]Provided the defendant either (1) had an alcohol concentration of 0.15 or more, (2) was driving 30 MPH over the speed and had an alcohol concentration of 0.08 or more, (3) was eluding a police officer and had an alcohol concentration of 0.08 or more, (4) refused to submit to a chemical test or (5) was driving a vehicle with a passenger under 16 years old.
[18]Mandatory community service regardless of whether there is a mandatory imprisonment sanction.
[19]Applies to DWI offs that are not related to injury or death.
[20]May not apply to certain offenders who have been suspended pursuant to the administrative per se law.
[21]Applies only to driving while intoxicated offenses.
[22]The law states that the right to operate a motor vehicle is "forfeited".
[23]Home incarceration is possible.
[24]I. This susp action is not mand in all situations. A temporary restricted license may be issued only for the purpose of attending either an alcohol education or treatment program. II. If a 1st offender participates in an alcohol or drug treatment program, the mand susp period may be less than 60 dys. III. If an ignition interlock is used, the mand susp periods are respectively for a 2nd off 1 yr and for a 3rd off 2 yrs.
[25]Work release is available for this period of time.
[26]This alternative does not apply to offenders who have had either 5 prior drunk driving offense convictions within 10 years or 7 prior convictions within 15 years.
[27]Not more than 90 dys as an alternative to imprisonment.
[28]If there is no imprisonment sanction, the defendant must serve either 48 con. hrs. of inpatient rehabilitation/treatment or 10 dys of community service.
[29]This revocation may not be mandatory if the defendant meets certain eligibility requirements for and does participate in a driver rehabilitation or improvement program.
[30]90 dys mandatory if the defendant has refused to submit to a chemical test under the implied consent law.
[31]Applies only to a 1st illegal per se conviction.
[32]Possible
[33]Followed by a period of "house arrest" with electronic monitoring.
[34]"House arrest" may be possible in lieu of a jail sentence.

MEMORANDUM

TO: Senator Roy Cooper, Chair, Senate Judiciary Committee

FROM: Brenda J. Carter, Committee Co-Counsel

RE: **HOUSE BILL 907 - MEDIATED SETTLEMENT/FAMILY ISSUES**
Representative Baddour, Hackney

House Bill 907 establishes a pilot program of mediated settlement conferences in district court actions involving equitable distribution, alimony and support. The pilot program may be established in any judicial district if the Director of the AOC and the chief district court judge of a district determine that use of the program is appropriate. The statutory provisions for the pilot program in district court are substantially similar to the current G.S. 7A-38.1, which provides for mediated settlement conferences in superior court civil actions.

Mediation is an informal process conducted by a mediator with the objective of helping parties voluntarily settle their dispute. The mediator is a neutral person who acts to encourage and facilitate a resolution of the pending civil action. A mediator does not make an award or render a judgment as to the merits of the action.

In participating districts, the chief district court judge may order a mediated settlement conference for any action involving issues of equitable distribution, alimony, or child or spousal support. While the parties to the action, their attorneys and other parties with authority to settle the parties' claims are required to attend the mediated settlement conference, neither is required to make a settlement offer or demand which it deems contrary to its best interest. Any person who is required to attend and fails to do so is subject to an appropriate monetary sanction, including the payment of attorneys' fees, mediator fees and expenses incurred in attending the conference. An order imposing sanctions is reviewable upon appeal.

The parties to the district court action in which a mediated settlement conference is to be held have a right to designate a mediator. If the parties fail to designate a mediator within the time established by rules of the Supreme Court, a mediator is appointed by the chief district court judge.

Costs of mediated settlement conferences will be borne by the parties. Unless otherwise ordered by the court or agreed to by the parties, the mediator's fees are to be paid in equal shares by the parties. Rules adopted by the Supreme Court are to set out a method whereby parties unable to pay the costs of settlement procedures are afforded an opportunity to participate without cost.

The Supreme Court is authorized to adopt standards for the certification and conduct of mediators and other neutrals who participate in the district court mediated settlement conference program established in the bill.

The AOC is authorized to charge a fee not to exceed $200 to applicants for certification and annual renewal of certification for mediators and mediator training programs operation. The fees may be used to establish and maintain the operations of the Dispute Resolution Commission and its staff. The AOC is authorized to solicit funds from private sources to design, establish, conduct, and evaluate the pilot program. The AOC is to evaluate the pilot program and report its findings and recommendations to the 1999 General Assembly.

The bill is effective when it becomes law. The pilot program becomes effective January 1, 1998 and expires September 1, 1999.

A BILL TO BE ENTITLED

AN ACT TO ESTABLISH A PILOT PROGRAM OF MEDIATED SETTLEMENT CONFERENCES IN DISTRICT COURT ACTIONS INVOLVING CERTAIN FAMILY ISSUES.

The General Assembly of North Carolina enacts:

Section 1. Chapter 7A of the General Statutes is amended by adding the following new section to read:

"**§ 7A-38.4. Mediated settlement conferences in district court actions.**

(a) The purpose of this section is to authorize the design, implementation, and evaluation of a pilot program in which parties to district court actions involving equitable distribution, alimony, and support may be required to attend a pretrial mediated settlement conference or other settlement procedure.

(b) The Dispute Resolution Commission established under the Judicial Department shall, with the advice of the Director of the Administrative Office of the Courts, design the pilot program and its coordination with existing settlement programs. The pilot program may be implemented in any judicial district if the Director of the Administrative Office of the Courts and the chief district court judge of that district determine that use of the program is appropriate. A pilot program may be terminated by the Director of the Administrative Office of the Courts after consultation with the chief district court judge.

(c) The Supreme Court may adopt rules to implement this section. The definitions in G.S. 7A-38.1(b)(2) and (b)(3) apply to this section.

(d) The chief district court judge of any participating district may order a mediated settlement conference for any action pending in the district involving issues of equitable distribution, alimony, or child or spousal support. The chief district court judge may by local rule order all such cases, not otherwise exempted by Supreme Court rule, to mediated settlement conference.

(e) The parties to a district court action in which a mediated settlement conference is ordered, their attorneys, and other persons or entities with authority, by law or by contract, to settle the parties' claims shall attend the mediated settlement conference, or other settlement procedure ordered by the court, unless excused by the rules of the Supreme Court or by order of the chief district court judge. Nothing in this section shall require any party or other participant in the conference to make a settlement offer or demand which it deems is contrary to its best interests.

(f) Any person required to attend a mediated settlement conference or other settlement procedure ordered by the court who, without good cause, fails to attend in compliance with this section and the rules adopted under this section, shall be subject to any appropriate monetary sanction imposed by a chief or presiding district court judge, including the payment of attorneys' fees, mediator fees, and expenses incurred in attending the conference. If the court imposes sanctions, it shall do so, after notice and hearing, in a written order, making findings of fact and conclusions of law. An order imposing sanctions shall be reviewable upon appeal where the entire record as submitted shall be reviewed to determine whether the order is supported by substantial evidence.

(g) The parties to a district court action in which a mediated settlement conference is to be held pursuant to this section shall have the right to designate a mediator. Upon failure of the parties to designate within the time established by the rules of the Supreme Court, a mediator shall be appointed by the chief district court judge or its designee.

(h) The chief district court judge, at the request of and with the consent of the parties, may order the parties to attend and participate in any other settlement procedure authorized by rules of the Supreme Court or by local district court rules, in lieu of attending a mediated settlement conference. Neutral third parties acting pursuant to this section shall be selected and compensated in accordance with the rules or pursuant to agreement of the parties. Nothing herein shall prohibit the parties from participating in other dispute resolution procedures, including arbitration, to the extent authorized under State or federal law.

(i) Mediators and other neutrals acting pursuant to this section shall have judicial immunity in the same manner and to the same extent as a judge of the General Court of Justice, except that mediators and other neutrals may be disciplined in accordance with enforcement procedures adopted by the Supreme Court pursuant to G.S. 7A-38.2.

(j) Costs of mediated settlement conferences and other settlement procedures shall be borne by the parties. Unless otherwise ordered by the court or agreed to by the

parties, the mediator's fees shall be paid in equal shares by the parties. The rules adopted by the Supreme Court implementing this section shall set out a method whereby parties found by the court to be unable to pay the costs of settlement procedures are afforded an opportunity to participate without cost.

(k) Evidence of statements made and conduct occurring in a mediated settlement conference shall not be subject to discovery and shall be inadmissible in any proceeding in the action or other actions on the same claim. However, no evidence otherwise discoverable shall be inadmissible merely because it is presented or discussed in a mediated settlement conference.

No mediator, or other neutral conducting a settlement procedure pursuant to this section, shall be compelled to testify or produce evidence concerning statements made and conduct occurring in a mediated settlement conference or other settlement procedure in any civil proceeding for any purpose, except proceedings for sanctions under this section, disciplinary hearings before the State Bar or any agency established to enforce standards of conduct for mediators, and proceedings to enforce laws concerning juvenile or elder abuse.

(l) The Supreme Court may adopt standards for the certification and conduct of mediators and other neutrals who participate in the mediated settlement conference program established pursuant to this section. The standards may also regulate mediator training programs. The Supreme Court may adopt procedures for the enforcement of those standards. The administration of mediator certification, regulation of mediator conduct, and decertification shall be conducted through the Dispute Resolution Commission. An administrative fee not to exceed two hundred dollars ($200.00) may be charged by the Administrative Office of the Courts to applicants for certification and annual renewal of certification for mediators and mediator training programs operation under this section. The fees collected may be used by the Director of the Administrative Office of the Courts to establish and maintain the operations of the Commission and its staff.

(m) Nothing in this section or rules adopted pursuant to it shall restrict the right to jury trial."

Section 2. The Administrative Office of the Courts may solicit funds from private sources to design, establish, conduct, and evaluate the pilot program authorized under Section 1 of this act.

Section 3. The Administrative Office of the Courts shall evaluate the pilot program authorized under this act and shall report its findings and recommendations to the 1999 General Assembly upon its convening.

Section 4. The pilot program designed by the Dispute Resolution Commission becomes effective January 1, 1998, and expires September 1, 1999.

Section 5. This act is effective when it becomes law.

MEMORANDUM

TO: Senator Roy Cooper, Chair, Senate Judiciary Committee

FROM: O. Walker Reagan, Committee Co-Counsel and Tim Hovis, Co-Counsel to the House Judiciary II Committee

RE: **HOUSE BILL 477 - CPA EXAM AND RECORDS** - Representative Cansler.

House Bill 477 would amend the Certified Public Accountant licensing statute by permitting the Board of CPA examiners to administer computer-based exams and to clarify which portions of a CPA's licensing file is public record.

Section 1 of the bill amends G.S. 93-12 to authorize the Board of Certified Public Accountant Examiners to administer computer-based exams for qualification as a certified public accountant. The current statute authorizes only written or oral exams.

Section 2 adds G.S. 93-12.2 to provide that documents compiled by the Board as a result of an investigation, interview for examination, certification or registration, or in connection with a certificate holder's ethics or conduct are not public records. A notice or statement of charges or of a hearing is, however, a public record. If confidential information is admitted into evidence in a hearing, the information becomes a public record.

The bill is effective when it becomes law.

AN EQUAL OPPORTUNITY/AFFIRMATIVE ACTION EMPLOYER

§ 84-24. Admission to practice.

For the purpose of examining applicants and providing rules and regulations for admission to the Bar including the issuance of license therefor, there is hereby created the Board of Law Examiners, which shall consist of 11 members of the Bar, elected by the Council, who need not be members of the Council. No teacher in any law school, however, shall be eligible. The members of the Board of Law Examiners elected from the Bar shall each hold office for a term of three years.

The Board of Law Examiners shall elect a member of the Board as chair thereof, and the Board may employ an executive secretary and provide such assistance as may be required to enable the Board to perform its duties promptly and properly. The chair and any employees shall serve for a period of time determined by the Board.

The examination shall be held in the manner and at the times as the Board of Law Examiners may determine.

The Board of Law Examiners shall have full power and authority to make or cause to be made such examinations and investigations as may be deemed by it necessary to satisfy it that the applicants for admission to the Bar possess the qualifications of character and general fitness requisite for an attorney and counselor-at-law and to this end the Board of Law Examiners shall have the power of subpoena and to summons and examine witnesses under oath and to compel their attendance and the production of books, papers and other documents and writings deemed by it to be necessary or material to the inquiry and shall also have authority to employ and provide assistance as may be required to enable it to perform its duties promptly and properly. Records, papers, and other documents containing information collected and compiled by the Board or its members or employees as a result of investigations, inquiries, or interviews conducted in connection with examinations or licensing matters, are not public records within the meaning of Chapter 132 of the General Statutes.

All applicants for admission to the Bar shall be fingerprinted to determine whether the applicant has a record of criminal conviction in this State or in any other state or jurisdiction. The information obtained as a result of the fingerprinting of an applicant shall be limited to the official use of the Board of Law Examiners in determining the character and general fitness of the applicant.

The Board of Law Examiners, subject to the approval of the Council shall by majority vote, from time to time, make, alter and amend such rules and regulations for admission to the Bar as in their judgment shall promote the welfare of the State and the profession: Provided, that any change in the educational requirements for admission to the Bar shall not become effective within two years from the date of the adoption of the change.

MEMORANDUM

TO: Senator Roy Cooper, Chair, Senate Judiciary Committee

FROM: O. Walker Reagan, Committee Co-Counsel and Steve Rose, Co-Counsel for the House Judiciary I Committee

RE: **HOUSE BILL 615 - METHOD OF APPOINTING PUBLIC DEFENDER IN DISTRICT 16B** - Representative Bonner.

House Bill 615 changes the method for the selection of the Public Defender for District 16B for the appointing authority to be the Senior Resident Superior Court Judge instead of the other Resident Superior Court Judge.

The bill amends G.S. 7A-466(a) to change the method by which the Public Defender for Defender District 16B is appointed. Under present law, the Public Defender for District 16B is appointed from a list of not less than three names nominated by the attorneys in that defender district. The person making the appointment from the list is the Resident Superior Court Judge of Superior Court District 16B other than the Senior Resident Superior Court Judge.

The amendment would change the appointing officer to the Senior Resident Superior Court Judge of Superior Court District 16B.

The act is effective when it becomes law.

The General Assembly of North Carolina enacts:

Section 1. G.S. 131E-6 reads as rewritten:

"**§ 131E-6. Definitions.**

As used in this Part, unless otherwise specified:

(4.1) 'Hospital land' means air and ground rights to unimproved real property held either in fee or by lease, with all easements, rights-of-way, appurtenances, landscaping, and physical amenities such as

(6) 'Nonprofit association' or 'nonprofit corporation' means any association or corporation from which no part of the net earnings inures or may lawfully inure to the benefit of a private shareholder or individual."

Section 2. G.S. 131E-13 reads as rewritten:

"**§ 131E-13. Lease or sale of hospital facilities to or from for-profit or nonprofit corporations or other business entities by municipalities and hospital authorities.**

(a) A municipality or hospital authority as defined in G.S. 131E-16(14), may lease, sell, or convey any hospital facility, or part, to a corporation, foreign or domestic, authorized to do business in North Carolina, subject to these conditions, which shall be included in the lease, agreement of sale, or agreement of conveyance:

(1) The corporation shall continue to provide the same or similar clinical hospital services to its patients in medical- surgery, obstetrics, pediatrics, outpatient and emergency treatment, including emergency services for the indigent, that the hospital facility provided prior to the lease, sale, or conveyance. These services may be terminated only as prescribed by Certificate of Need Law prescribed in Article 9 of Chapter 131E of the General Statutes, or, if Certificate of Need Law is inapplicable, by review procedure designed to guarantee public participation pursuant to rules adopted by the Secretary of the Department of Human Resources.

(2) The corporation shall ensure that indigent care is available to the population of the municipality or area served by the hospital authority at levels related to need, as previously demonstrated and determined mutually by the municipality or hospital authority and the corporation.

(3) The corporation shall not enact financial admission policies that have the effect of denying essential medical services or treatment solely because of a patient's immediate inability to pay for the services or treatment.

(4) The corporation shall ensure that admission to and services of the facility are available to beneficiaries of governmental reimbursement programs (Medicaid/Medicare) without discrimination or preference because they are beneficiaries of those programs.

(5) The corporation shall prepare an annual report that shows compliance with the requirements of the lease, sale, or conveyance.

The corporation shall further agree that if it fails to substantially comply with these conditions, or if it fails to operate the facility as a community general hospital open to the general public and free of discrimination based on race, creed, color, sex, or national origin unless relieved of this responsibility by operation of law, or if the corporation dissolves without a successor corporation to carry out the terms and conditions of the lease, agreement of sale, or agreement of conveyance, all ownership or other rights in the hospital facility, including the building, land and equipment associated with the hospital, shall revert to the municipality or hospital authority or successor entity originally conveying the hospital; provided that any building, land, or equipment associated with the hospital facility that the corporation has constructed or acquired since the sale may revert only upon payment to the corporation of a sum equal to the cost less depreciation of the building, land, or equipment.

This section shall not apply to leases, sales, or conveyances of nonmedical services or commercial activities, including the gift shop, cafeteria, the flower shop, or to surplus hospital property that is not required in the delivery of necessary hospital services at the time of the lease, sale, or conveyance.

~~Neither G.S. 153A-176 nor Article 12 of Chapter 160A of the General Statutes shall apply to leases, sales or conveyances under this section.~~

(b) In the case of a sale or conveyance, if either general obligation bonds or revenue bonds issued for the benefit of the hospital to be conveyed are outstanding at the time of sale or conveyance, then the corporation shall agree to the following:

By the effective date of sale or conveyance, the corporation shall place into an escrow fund money or direct obligations of, or obligations the principal of and interest on which, are unconditionally guaranteed by the United States of America (as approved by the Local Government Commission), the principal of and interest on which, when due and payable, will provide sufficient money to pay the principal of and the interest and redemption premium, if any, on all bonds then outstanding to the maturity date or dates of such bonds or to the date or dates specified for the redemption thereof. The corporation shall furnish to the Local Government Commission such evidence as the Commission may require that the securities purchased will satisfy the requirements of this section. A hospital which has placed funds in escrow to retire outstanding general obligation or revenue bonds, as provided in this section, shall not be considered a public hospital, and G.S. 159-39(a)(3) shall be inapplicable to such hospitals.

No bonds, notes or other evidences of indebtedness shall be issued by a municipality or hospital authority to finance equipment for or the acquisition, extension, construction, reconstruction, improvement, enlargement, or betterment of any hospital facility if the facility has been sold or conveyed to a corporation, foreign or domestic, authorized to do business in North Carolina.

(c) In the case of a lease, the municipality or hospital authority shall determine the length of the lease. No lease executed under this section shall be deemed to convey a freehold interest. Any sublease or assignment of the lease shall be subject to the conditions prescribed by this section. If the term of the lease is more than 10 years, and either general obligation bonds or revenue bonds issued for the benefit of

the hospital to be leased are outstanding at the time of the lease, then the corporation shall agree to the following:

By the effective date of the lease, the corporation shall place into an escrow fund money or direct obligations of, or obligations the principal of and interest on which, are unconditionally guaranteed by the United States of America (as approved by the Local Government Commission), the principal of and interest on which, when due and payable, will provide sufficient money to pay the principal of and the interest and redemption premium, if any, on all bonds then outstanding to the maturity date or dates of such bonds or to the date or dates specified for the redemption thereof. The corporation shall furnish to the Local Government Commission such evidence as the Commission may require that the securities purchased will satisfy the requirements of this section.

No bonds, notes or other evidences of indebtedness shall be issued by a municipality or hospital authority to finance equipment for or the acquisition, extension, construction, reconstruction, improvement, enlargement, or betterment of any hospital facility when the facility is leased to a corporation, foreign or domestic, authorized to do business in North Carolina.

(d) The municipality or hospital authority shall comply with the following procedures before leasing, selling, or conveying a hospital facility, or part thereof:

(1) The municipality or hospital authority shall first adopt a resolution declaring its intent to sell, lease, or convey the hospital facility at a regular meeting on 10 days' public notice. Specific notice, given by certified mail, shall be given to the local office of each state-supported program that has made a capital expenditure in the hospital facility, to the Department of Human Resources, and to the Office of State Budget and Management.

(2) At the meeting to adopt a resolution of intent, the municipality or hospital authority shall request proposals for lease or purchase by direct solicitation of at least five prospective lessees or buyers. The solicitation shall include a copy of G.S. 131E-13.

(3) The municipality or hospital authority shall conduct a public hearing on the resolution of intent not less than 15 days after its adoption. Notice of the public hearing shall be given by publication at least 15 days before the hearing. All interested persons shall be heard at the public hearing.

(4) Before considering any proposal to lease or purchase, the municipality or hospital authority shall require information on charges, services, and indigent care at similar facilities owned or operated by the proposed lessee or buyer.

(5) Not less than 45 days after adopting a resolution of intent and not less than 30 days after conducting a public hearing on the resolution of intent, the municipality or hospital authority shall conduct a public hearing on proposals for lease or purchase that have been made. Notice of the public hearings shall be given by publication at least 10 days before the hearing. The notice shall state that copies of proposals for lease or purchase are available to the public.

(6) The municipality or hospital authority shall make copies of the proposals to lease or purchase available to the public at least 10 days before the public hearing on the proposals.

(7) Not less than 60 days after adopting a resolution of intent, the municipality or hospital authority at a regular meeting shall approve any lease, sale, or conveyance by a resolution. The municipality or hospital authority shall adopt this resolution only upon a finding that the lease, sale, or conveyance is in the public interest after considering whether the proposed lease, sale, or conveyance will meet the health-related needs of medically underserved groups, such as low income persons, racial and ethnic minorities, and handicapped persons. Notice of the regular meeting shall be given at least 10 days before the meeting and shall state that copies of the lease, sale, or conveyance proposed for approval are available.

(8) At least 10 days before the regular meeting at which any lease, sale, or conveyance is approved, the municipality or hospital authority shall make copies of the proposed contract available to the public.

(e) Notwithstanding the provisions of subsections (c) and (d) of this section or G.S. 131E-23, a hospital authority as defined in G.S. 131E-16(14) or a municipality may lease or sublease hospital land to a corporation or other business entity, whether for profit or not for profit, and may participate as an owner, joint venturer, or other equity participant with a corporation or other business entity for the development, construction, and operation of medical office buildings and other health care or hospital facilities, so long as the municipality, hospital authority, or other entity continues to maintain hospital facilities as required by subsection (a) of this section or as required by G.S. 131E-23(c).

(f) A municipality, public hospital, or hospital authority may permit or consent to the pledge of hospital land or leasehold estates to facilitate the development, construction, and operation of medical office buildings and other health care or hospital facilities. A municipality, public hospital, or hospital authority also may, as lessee, enter into master leases or agreements to fund for temporary vacancies relating to hospital land or hospital facilities for use in the provision of health care.

MEMORANDUM

TO: Senator Roy Cooper, Chair, Senate Judiciary Committee

FROM: Brenda J. Carter, Committee Co-Counsel

RE: **HOUSE BILL 958 - CONCEALED HANDGUN LAWS AMENDMENT**
Proposed Senate Committee Substitute
Representative Hightower

House Bill 958 amends the law regarding concealed weapons and concealed handguns.

Under current law, G.S. 14-269 makes it unlawful for any person to willfully and intentionally carry "concealed about his person" any deadly weapon or any concealed pistol or gun unless the person is on his or her own premises or the weapon is a handgun and the person has a concealed handgun permit. G.S. 14-269(b) creates an exemption to both the concealed handgun permit law and the concealed weapon law. The exemption applies to armed forces personnel when in discharge of their official duties and acting under orders requiring them to carry arms & weapons, federal civil officers in discharge of their official duties, militia and national guard when called into actual service, State and local officers charged with execution of State laws, and off-duty sworn law-enforcement officers under proper authority of their superiors.

Section 1 of the bill provides that federal law enforcement officers are exempt from the concealed weapon prohibition while discharging their official duties.

Sections 2-4 of the bill amend the General Statutes to provide that all persons who are exempt from the concealed weapon prohibition under G.S. 14-269(b) are also exempt from the prohibitions against carrying a concealed weapon on school premises (Section 2), on State property and in courthouses (Section 3), and in parades (Section 4). These three statutes currently exempt various State and federal officers and military personnel, but off-duty law enforcement officers are not included within the exceptions noted. As amended by this bill, the statutes would permit sworn law enforcement officers who have been appropriately authorized by their superior to carry a concealed weapon to carry such weapon on the proscribed premises.

Section 5 of the bill clarifies the law regarding the applicability of the concealed carry permit law. It specifically declares that the Article does not apply to persons who may lawfully carry a concealed weapon pursuant G.S. 14-269(b). It also provides that a person who may lawfully carry a concealed weapon or handgun pursuant to the exemption may carry the weapon on posted property unless otherwise prohibited *by statute.*

The bill is effective when it becomes law.

RE: **HOUSE BILL 1091 - CRIMINAL RECORD CHECK BY PRIVATE BUSINESS**
- Representative Braswell

House Bill 1091 would permit adult care homes, nursing homes, and home care agencies to obtain criminal history record checks from private business entities instead of the SBI.

Currently adult care homes, nursing homes, and home care agencies are required to submit a request for criminal history record checks conducted within five days of the conditional offer of employment on all applicants for employment. These checks are to be conducted by the SBI based either on a name check or a fingerprint check. These criminal history record searches are limited to North Carolina records and do not include criminal offenses committed outside of this State. Name checks are less reliable than fingerprint based checks but may identify relevant criminal history for which a fingerprint record was not filed with the SBI.

Sections 1 and 2 of the bill would give these adult caring businesses the option to have this record check performed by a private business entity instead of the SBI. These homes might want to use a private entity instead of the SBI because of costs and turn-around time. Private business entity checks would be limited to name checks since private business entities do not have access to the fingerprint-based criminal databases.

Sections 1 and 2 also make clear that only criminal history information received from the Department of Justice is confidential since the information received from a private entity is based on public record.

The bill would be come effective when it becomes law.

H1091-SMRU-001

AN EQUAL OPPORTUNITY/AFFIRMATIVE ACTION EMPLOYER

§ 131D-40. Criminal history record checks required for certain applicants for employment.

(a) Requirement. -- An offer of employment by an adult care home licensed under this Chapter to an applicant to fill a position that does not require the applicant to have an occupational license is conditioned on consent to a criminal history record check of the applicant. An adult care home shall not employ an applicant who refuses to consent to a criminal history record check required by this section. An adult care home shall submit a request to the Department of Justice under G.S. 114-19.3 to conduct a criminal history record check within five business days of making the conditional offer of employment. All criminal history information received by the home is confidential and may not be disclosed.

(b) Action. -- If an applicant's criminal history record check reveals one or more convictions of a relevant offense, the administrator of the adult care home or the administrator's designee shall consider all of the following factors in determining whether to hire the applicant:

(1) The level and seriousness of the crime.
(2) The date of the crime.
(3) The age of the person at the time of the conviction.
(4) The circumstances surrounding the commission of the crime, if known.
(5) The nexus between the criminal conduct of the person and the job duties of the position to be filled.
(6) The prison, jail, probation, parole, rehabilitation, and employment records of the person since the date the crime was committed.
(7) The subsequent commission by the person of a relevant offense.

The fact of conviction of a relevant offense alone shall not be a bar to employment; however, the listed factors shall be considered by the administrator or the administrator's designee.

(c) Limited Immunity. -- An adult care home and an officer or employee of an adult care home that, in good faith, complies with this section is not liable for the failure of the home to employ an individual on the basis of information provided in the criminal history record check of the individual.

(d) Relevant Offense. -- As used in this section, "relevant offense" means a State crime, whether a misdemeanor or felony, that bears upon an individual's fitness to have responsibility for the safety and well-being of aged or disabled persons. These crimes include the criminal offenses set forth in any of the following Articles of Chapter 14 of the General Statutes: Article 5, Counterfeiting and Issuing Monetary Substitutes; Article 5A, Endangering Executive and Legislative Officers; Article 6, Homicide; Article 7A, Rape and Other Sex Offenses; Article 8, Assaults; Article 10, Kidnapping and Abduction; Article 13, Malicious Injury or Damage by Use of Explosive or Incendiary Device or Material; Article 14, Burglary and Other Housebreakings; Article 15, Arson and Other Burnings; Article 16, Larceny; Article 17, Robbery; Article 18, Embezzlement; Article 19, False Pretenses and Cheats; Article 19A, Obtaining Property or Services by False or Fraudulent Use of Credit Device or Other Means; Article 19B, Financial Transaction Card Crime Act; Article 20, Frauds; Article 21, Forgery; Article 26, Offenses against Public Morality and Decency; Article 26A, Adult Establishments; Article 27, Prostitution; Article 28, Perjury; Article 29, Bribery; Article 31, Misconduct in Public Office; Article 35, Offenses Against the Public Peace; Article 36A, Riots and Civil Disorders; Article 39, Protection of Minors; Article 40, Protection of the Family; Article 59, Public Intoxication; and Article 60, Computer-Related Crime. These crimes also include possession or sale of drugs in violation of the North Carolina Controlled Substances Act, Article 5 of Chapter 90 of the General Statutes, and alcohol-related offenses such as sale to underage persons in violation of G.S. 18B-302 or driving while impaired in violation of G.S. 20-138.1 through G.S. 20-138.5.

TO: Senator Roy Cooper, Chair, Senate Judiciary Committee

FROM: O. Walker Reagan, Committee Co-Counsel

RE: **HOUSE BILL 1124 - FIRE/RESCUE PERSONNEL RECORDS CHECKS -** Representative Capps.

House Bill 1124 would authorize the Department of Justice to provide to local or volunteer fire departments or rescue squads, criminal history record checks of individuals who apply for a positions with the fire department or rescue squad.

The bill amends G.S. 114-19.1 by adding local and volunteer fire departments and rescue squads to those entities for which the Department may provide criminal record checks from the criminal history database maintained by the SBI. This record check would be based on North Carolina criminal history, not convictions for out-of-state offenses. The bill also states that the Department of Justice shall process these requests as voluntary noncriminal justice criminal history records checks, which is the lowest priority provided by law.

Unlike other criminal history record checks currently permitted, this section does not specify what the record check is to be based on (fingerprints, name, or both), whether the applicant has to consent to this type of check, and whether the information from the SBI must be kept confidential. The bill also does not specify the maximum fee that may be charged for this record check.

The bill would become effective when it becomes law.

AN EQUAL OPPORTUNITY/AFFIRMATIVE ACTION EMPLOYER

(2) Nursing homes or combination homes licensed under Chapter 131E of the General Statutes.

(9) Licensed child day care facilities and registered and nonregistered child day care homes regulated by the State.
(10) Any other organization or corporation, whether for profit or nonprofit, that provides direct care or services to children, the sick, the disabled, or the elderly.

(b) Procedure. -- A criminal record check may be conducted by using an individual's fingerprint or any information required by the Department of Justice to identify that individual. A criminal record check shall be provided only if the individual whose record is checked consents to the record check. The information shall be kept confidential by the entity that receives the information. Upon the disclosure of confidential information under this section by the entity, the Department may refuse to provide further criminal record checks to that entity.

(c) Repealed by Session Laws 1995 (Regular Session, 1996), c. 606, s. 1.

(d) Foster or Adoptive Parent. -- The Department of Justice, at the request of a child placing agency licensed under Chapter 131D of the General Statutes or a local department of social services, may provide a criminal record check of a prospective foster care or adoptive parent if the prospective parent consents to the record check. The information shall be kept confidential and upon the disclosure of confidential information under this section by the agency or department, the Department may refuse to provide further criminal record checks to that agency or department.

Representative R. Hunter

House Bill 1140 amends subsections (c) and (d) of G.S. 14-399 to require community service for misdemeanor non-commercial littering offenses.

Littering in an amount up to 15 pounds is a Class 3 misdemeanor. A first offense is currently punishable by a fine of $100 - $500. A second or subsequent offense is currently punishable by a fine of $100 - $1,000, and a judge may order the offender to pick up litter or perform other labor commensurate with the offense. House Bill 1140 would *require* at least 8 but not more than 24 hours of community service for a first offense; a second or subsequent offense would require community service of at least 24 but not more than 100 hours.

Littering in an amount more than 15 pounds and up to 500 pounds is a Class 3 misdemeanor currently punishable by a fine of $100 - $1,000; the court must require the offender to pick up litter or perform other community service. House Bill 1140 would require that the offender perform community service of not less than 24 hours nor more than 100 hours.

Littering in an amount exceeding 500 pounds, or in any quantity for commercial purposes, is a Class I felony and is not affected by this bill.

The bill would become effective December 1, 1997 and apply to offenses committed on or after that date.

(d) Any person who violates this section in an amount exceeding 15 pounds but not exceeding 500 pounds and not for commercial purposes is guilty of a Class 3 misdemeanor punishable by a fine of not less than one hundred dollars ($100.00) nor more than one thousand dollars ($1,000). In addition, the court shall require the violator to perform community service of not less than 24 hours nor more than 100 hours. The community service required shall be to pick up litter if feasible, and if not feasible, to ~~or~~ perform other community service commensurate with the offense committed.

(e) Any person who violates this section in an amount exceeding 500 pounds or in any quantity for commercial purposes, or who discards litter that is a hazardous waste as defined in G.S. 130A-290 is guilty of a Class I felony. In addition, the court may order the violator to:

(1) Remove, or render harmless, the litter that he discarded in violation of this section;

(3) Perform community public service relating to the removal of litter discarded in violation of this section or to the restoration of an area polluted by litter discarded in violation of this section.

(f) A court may enjoin a violation of this section.

(f1) If a violation of this section involves the operation of a motor vehicle, upon a finding of guilt, the court shall forward a record of the finding to the Department of Transportation, Division of Motor Vehicles, which shall record a penalty of one point on the violator's drivers license pursuant to the point system established by G.S. 20-16. There shall be no insurance premium surcharge or assessment of points under the classification plan adopted pursuant to G.S. 58-30.4 for a finding of guilt under this section.

(g) A motor vehicle, vessel, aircraft, container, crane, winch, or machine involved in the disposal of more than 500 pounds of litter in violation of this section is declared contraband and is subject to seizure and summary forfeiture to the State.

(h) If a person sustains damages arising out of a violation of this section that is punishable as a felony, a court, in a civil action for such damages, shall order the person to pay the injured party threefold the actual damages or two hundred dollars ($200.00), whichever amount is greater. In addition, the court shall order the person to pay the injured party's court costs and attorney's fees.

(i) For the purpose of the section, unless the context requires otherwise:

(1) 'Aircraft' means a motor vehicle or other vehicle that is used or designed to fly, but does not include a parachute or any other device used primarily as safety equipment.

'Litter' does not include political pamphlets, handbills, religious tracts, newspapers, and other such printed materials the unsolicited distribution of which is protected by the Constitution of the United States or the Constitution of North Carolina.

(5) 'Vehicle' has the same meaning as in G.S. 20-4.01(49); and

(6) 'Watercraft' means any boat or vessel used for transportation across the water.

(j) It shall be the duty of all law enforcement officers to enforce the provisions of this section.

MEMORANDUM

TO: Senator Roy Cooper, Chair, Senate Judiciary Committee

FROM: O. Walker Reagan, Committee Co-Counsel and Tim Hovis, House Judiciary II Co-Counsel.

RE: **HOUSE BILL 915 - FIREFIGHTERS/NO CONFLICT** - Representative Mercer

House Bill 915 would permit persons primarily employed as a firefighter to also engage in fire inspection activities without it constituting a conflict of interest under the inspections statute.

The bill amends G.S. 160A-415 which governs conflicts of interest of inspections departments. Under current law, a member of an inspections department, or an individual contracting with a city to conduct inspections, may not be financially interested in the furnishing of labor, material, or appliances for construction, alteration, or maintenance of any building within the city's jurisdiction, unless he or she owns the building.

This bill would create an exception from this provision for firefighters whose primary duties are fire protection and rescue, but who engage in some fire inspection activities as a secondary responsibility of employment.

The bill becomes effective when it becomes law.

§160A-411.1. Qualifications of inspectors.

On and after the applicable date set forth in the schedule in G.S. 160A-411, no city shall employ an inspector to enforce the State Building Code as a member of a city or joint inspection department who does not have one of the following types of certificates issued by the North Carolina Code Officials Qualification Board attesting to his qualifications to hold such position: (i) a probationary certificate, valid for one year only; (ii) a standard certificate; or (iii) a limited certificate which shall be valid only as an authorization for him to continue in the position held on the date specified in G.S. 143-151.13(c) and which shall become invalid if he does not successfully complete in-service training specified by the Qualification Board within the period specified in G.S. 143-151.13(c). An inspector holding one of the above certificates can be promoted to a position requiring a higher level certificate only upon issuance by the Board of a standard certificate or probationary certificate appropriate for such new position. (1977, c. 531, s. 6.)

§160A-412. Duties and responsibilities.

The duties and responsibilities of an inspection department and of the inspectors therein shall be to enforce within their territorial jurisdiction State and local laws relating to

(1) The construction of buildings and other structures;
(2) The installation of such facilities as plumbing systems, electrical systems, heating systems, refrigeration systems, and air-conditioning systems;
(3) The maintenance of buildings and other structures in a safe, sanitary, and healthful condition;
(4) Other matters that may be specified by the city council.

These duties shall include the receipt of applications for permits and the issuance or denial of permits, the making of any necessary inspections, the issuance or denial of certificates of compliance, the issuance of orders to correct violations, the bringing of judicial actions against actual or threatened violations, the keeping of adequate records, and any other actions that may be required in order adequately to enforce those laws. The city council shall have the authority to enact reasonable and appropriate provisions governing the enforcement of those laws. (1969, c. 1065, s. 1; 1971, c. 698, s. 1.)

RE: **HOUSE BILL 1140 - LITTERING / REQUIRE COMMUNITY SERVICE**
Representative R. Hunter

House Bill 1140 amends subsections (c) and (d) of G.S. 14-399 to require community service for misdemeanor non-commercial littering offenses.

Littering in an amount up to 15 pounds is a Class 3 misdemeanor. A first offense is currently punishable by a fine of $100 - $500. A second or subsequent offense is currently punishable by a fine of $100 - $1,000, and a judge may order the offender to pick up litter or perform other labor commensurate with the offense. House Bill 1140 would *require* at least 8 but not more than 24 hours of community service for a first offense; a second or subsequent offense would require community service of at least 24 but not more than 100 hours.

Littering in an amount more than 15 pounds and up to 500 pounds is a Class 3 misdemeanor currently punishable by a fine of $100 - $1,000; the court must require the offender to pick up litter or perform other community service. House Bill 1140 would require that the offender perform community service of not less than 24 hours nor more than 100 hours.

Littering in an amount exceeding 500 pounds, or in any quantity for commercial purposes, is a Class I felony and is not affected by this bill.

The bill would become effective December 1, 1997 and apply to offenses committed on or after that date.

RE: Senate Bill 381 – Clean Campaign Act.

Senate Bill 381, introduced by Senator Gulley, would provide comprehensive public funding to candidates who agree to limit spending. The bill would go into effect for candidates in the year 2000 for Governor, Lieutenant Governor, other Council of State offices, and General Assembly.

Candidates for those offices would have the choice of participating in the Clean Election Act or of financing their campaigns with no spending limits. But the system is designed to provide enough public funding that candidates of ordinary wealth would want to choose it.

To participate in the Clean Election Act, a candidate must:

1. Demonstrate outreach abilities and public support from those who will be voting for the office by collecting a specified number of $5 qualifying contributions:
   - 6,000/Governor.
   - 3,000/Lt. Gov. and other Council of State.
   - 300/State Senate.
   - 200/State House.

2. Agree not to spend private money on the campaign.

3. Agree to strict spending limits designed to be practical but also to control the growth of campaign costs.

A candidate who is certified to participate in the North Carolina Clean Elections option would:

- Receive a specific amount of funding based upon the average amount spent over the last two election cycles. All participating candidates for the same office would get the same amount. That would be all that candidate could spend, unless outspent by a nonparticipating opponent.

- Receive an additional amount of matching funding, if the candidate is outspent by nonparticipating opponents. These rescue funds could go up to a ceiling of double the Act's regular spending limits. (This provision would also match independent expenditures against the participating candidate.) This provision is a recognition that, under the U.S. Supreme Court rulings in *Buckley v. Valeo* and more recent cases, there can be no involuntary limits placed on spending by a billionaire or on independent expenditures.

- Return all unspent funds to the N.C. Clean Elections Fund.

The Clean Elections option would be financed by qualifying contributions of the candidates, by voluntary contributions, and by appropriations the General Assembly would be directed to make from the General Fund. The balance and the financing mechanism of the existing N.C. Candidates Financing Fund would be converted to the Clean Elections Fund. The Candidates Financing Fund has brought in $230,145 since 1988 through taxpayer contributions of their refunds on the State Income Tax Return and other contributions.

(The bill would not affect the N.C. Political Parties Financing Fund, which is supported by a $1 checkoff on the State Income Tax Return and goes to the two major parties.)

The Act would be administered by a newly created Commission on Election Practices. The Commission would consist of five members. They would be appointed by the Governor and confirmed by the General Assembly. No more than two commissioners could be members of the same political party and none could be elected officials or candidates. The Act would direct the Governor, with the advice and consent of the legislative leadership, to set up a nomination period to bring forth qualified individuals for appointment.

Effective immediately, the Act would change the current system by reducing the contribution limitation from $4,000/donor/donee/election to $500. It would also remove the exemption that political parties now have from the contribution limitation.

The purpose of this Article is to ensure the vitality of democratic elections in North Carolina, to the end that any citizen of this State, regardless of personal wealth or income, can realistically choose to seek and run for public office. Accordingly, this Article establishes the North Carolina Clean Election Fund as an alternative campaign finance option available to candidates running for office. This Article is available to candidates for elections to be held in 2000 and thereafter. The Commission shall administer this Article and the North Carolina Clean Election Fund. Candidates participating in this Article must also comply with all other applicable election and campaign laws and rules.

"**§ 163-278.63. North Carolina Clean Election Fund established; sources of funding.**

(a) Establishment of Fund. -- The North Carolina Clean Election Act is established to finance the election campaigns of certified candidates for office and to pay administrative and enforcement costs of the Commission related to this Article. In its report, the Commission shall set out the funds received to date, the expected needs of the Fund during the next election cycle, and the amount of the appropriation from the General Assembly that will be needed for the biennium. The General Assembly shall include in its appropriations from the General Fund that year at least the amount that the Commission states in its report will be needed. In addition, the General Assembly shall reserve for the first fiscal year of the biennium at least fifteen percent (15%) of the amount of funds the Commission states in its report that it will need during the biennium, to be used by the Commission to cover any disbursement under G.S. 163-278.64 in excess of the amount of its direct appropriation.

"**§ 163-278.64. Terms of participation.**

(a) Declaration of Intent. -- Any individual choosing to participate in the North Carolina Clean Election Act shall first file with the Commission a declaration of intent to participate in the Act as a candidate for a stated office. (5) Otherwise met the requirements for participation in this Article.

The Commission shall certify candidates complying with the requirements of this section as Clean Election Act candidates as soon as possible and no later than three days after final submittal of qualifying contributions.

Certified candidates shall comply with all requirements of this Article after certification and throughout the primary election and general election periods. Failure to do so is a violation of this Article.

(f) Restrictions on Contributions and Expenditures for Certified Candidates. -- After certification, a candidate shall limit campaign expenditures and debts to the revenues distributed to the candidate from the Fund and may not accept any contributions unless specifically authorized by the Commission, provided that a

candidate may accept in-kind contributions from political party executive committees, up to an aggregate value of ten percent (10%) of a candidate's public financing. All revenues distributed to certified candidates must be used for campaign-related purposes. The Commission shall publish guidelines outlining permissible campaign-related expenditures. A candidate shall return to the Fund any amount that is unspent and uncommitted at the time that person ceases to be a candidate before a primary or election for which the Fund money was distributed. A candidate shall return to the Fund any amount that was unspent and uncommitted after the date of the primary election or general election for which the Fund money was distributed.

(g) Timing of Fund Distribution. -- The Commission shall distribute to certified candidates revenues from the Fund in amounts determined under subsection (h) of this section in the following manner:

(1) Within three days after certification, for candidates certified before the first Monday in February of the election year, revenues from the Fund as if the candidates are in an uncontested primary election.

(2) Within three days after the first Monday in February of the election year, for primary election certified candidates, revenues from the Fund according to whether the candidate is in a contested or uncontested primary election, reduced by any amounts previously distributed under subdivision (1) of this subsection.

(3) Within the earlier of the following: within three days after the primary election, or within three days after the certification pursuant to G.S. 163-122, 163-123, or 163-98 of the first opposition candidate, for general election certified candidates, revenues from the Fund according to whether the candidate is in a contested general election. No funds are distributed for uncontested general elections.

Funds may be distributed to certified candidates under this section by any mechanism that is expeditious, ensures accountability, and safeguards the integrity of the Fund.

(h) Amount of Fund Distribution. -- By March 1, 1999, and no less frequently than every two or four years thereafter, as appropriate, the Commission shall determine the amount of funds to be distributed to participating candidates based on the type of election and office as follows:

(1) Contested Primary Elections. -- The amount of revenues to be distributed is the average amount of campaign expenditures made by each candidate during all contested primary election races for the immediately preceding two primary elections for that office, provided that each of the following shall be considered a separate office for purposes of calculating the average:

a. Governor.

b. Lieutenant Governor and other offices in the Council of State shall be considered together as one separate office.

c. All State Senator seats, except that the amount for a candidate in a two-seat district shall be double the amount for a candidate in a single-seat district.

d. All State Representative seats, except that the amount for a candidate in a two-seat district shall be double the amount for a candidate in a single-seat district, and the amount for a candidate in a three-seat district shall be triple the amount for a candidate in a single-seat district.

(2) Uncontested Primary Elections. -- The amount of revenues distributed is the average amount of campaign expenditures made by each candidate during all uncontested primary election races, or for contested races if the amount is lower, for the immediately preceding two primary elections for that office as defined in subdivision (1) of this subsection.

(3) Contested General Elections. -- The amount of revenues distributed is the average amount of campaign expenditures made by each candidate during all contested general election races each for the immediately preceding two general elections for that office as defined in subdivision (1) of this subsection.

(4) Uncontested General Elections. -- No revenues shall be distributed for uncontested general elections.

If the immediately preceding two election cycles do not contain sufficient electoral data, the Commission shall use information from the most recent applicable elections.

(i) Matching Funds. -- When any campaign, finance, or election report or group of reports show that the sum of a candidate's expenditures or obligations made, or funds raised or borrowed, whichever is greater, alone or in conjunction with expenditures made independently of the candidate to influence the election on behalf of the candidate or in opposition to an opposing Clean Election Act candidate, exceeds the distribution amount under subsection (h) of this section, the Commission shall issue immediately to any opposing Clean Election Act candidate an additional amount equivalent to the reported excess. Any estimate reported pursuant to subsection (m) of this section shall be treated as an expenditure for purposes of release of matching funds under this subsection. Matching funds are limited to two times the amount originally distributed under subdivision (1), (2), or (3) of subsection (h) whichever is applicable.

(j) Unaffiliated Candidates. -- Unaffiliated candidates certified pursuant to G.S. 163-122 before 12:00 noon on the first Monday in February of the election year shall be eligible for revenues from the Fund in the same amounts and at the same time as uncontested primary election candidates and general election candidates as specified in subsections (g) and (h) of this section. For unaffiliated candidates not certified by 12:00 noon on the first Monday in February, the deadline for filing qualifying contributions is 12:00 noon on the last Friday in June of the election year. Unaffiliated candidates certified after noon on the first Friday in February shall be

eligible for revenues from the Fund in the same amounts as general election candidates, as specified in subsections (g) and (h).

(k) Other Procedures. -- For races involving special elections, recounts, vacancies, withdrawals, or replacement candidates, the Commission shall establish by rule procedures for qualification, certification, disbursement of Fund revenues, and return of unspent Fund revenues.

(l) Reporting by Participating and Certified Candidates. -- Notwithstanding other provisions of law, participating and certified candidates shall report any money collected, all campaign expenditures, obligations, and related activities to the Commission according to procedures developed by the Commission. Upon the filing of a final report for any losing primary election, special election, or general election, each candidate who has revenues form the Fund remaining unspent shall return all revenues to the Commission. In developing these procedures, the Commission shall utilize existing campaign reporting procedures wherever practicable. The Commission shall ensure timely public access to campaign finance data and may utilize electronic means of reporting and storing information.

(m) Reporting by NonCertified Candidates. -- Any noncertified candidate who has as an opponent a certified candidate shall report to the Commission 20 days before any election an estimate of the amount that the noncertified candidate intends to spend. Any individual or political committee that intends to make expenditures to influence an election containing a certified candidate shall report to the Commission 20 days before the day of the election the amount that individual or political committee intends to spend to influence the election. Reports required by this subsection shall be made according to procedures which shall be developed by the Commission.

(n) Appeals. -- The procedure for challenging a certification decision by the Commission is as follows:

(1) A person aggrieved by a certification decision may appeal to the full Commission within three days of the certification decision. The appeal shall be in writing and shall set forth the reasons for the appeal.

(2) Within five days after an appeal is properly made, and after due notice is given to the parties, the Commission shall hold a hearing. The appellant has the burden of providing evidence to demonstrate that the Commission's decision was improper. The Commission shall rule on the appeal within three days after the completion of the hearing.

(3) The challenger or a candidate may appeal the decision of the Commission by commencing an action in superior court.

(4) Candidates whose certification by the Commission as a Clean Election Act candidate is revoked on appeal shall return to the Commission any unspent revenues distributed by the Fund. If the Commission or court finds that an appeal was made frivolously or to result in delay or hardship, the Commission or court may

sanction the moving party by requiring the party to pay costs of the Commission, court, and opposing parties, if any.

"**§ 163-278.65. The Commission on Election Practices.**

(a) Establishment of the Commission. -- There is established the North Carolina Commission on Election Practices.

(b) The Commission shall consist of five members to be appointed as follows:

(1) By March 31, 1998, and as needed thereafter, the Governor, with the advice of the President Pro Tempore of the Senate, and the Speaker of the House of Representatives shall establish and publish a nomination period for members of the public, groups, and organizations to nominate qualified individuals to the Governor for appointment to the Commission.

(2) The Governor shall appoint the members of the Commission, taking into consideration nominations made during the nomination period, subject to confirmation by the General Assembly by joint resolution. No more than two Commission members shall be affiliated with the same political party. No elected official or candidate for elective office shall be eligible to be a member of the Commission. The Commission members shall be appointed and confirmed by October 1, 1998.

(3) Of the initial appointees, two are appointed for one-year terms, two are appointed for two-year terms, and one is appointed for a three-year term according to random lot under the supervision of the Secretary of State. Thereafter, appointees are appointed to serve four-year terms. A person may not serve more than two full terms. The appointed members receive the legislative per diem pursuant to G.S. 120-3.1.

(4) One of the Commission members shall be elected by the members as chair.

(5) A vacancy during an unexpired term must be filled as provided in this subsection, but only for the unexpired portion of the term.

"**§ 163-278.66. Commission to adopt rules.**

The Commission shall adopt rules to ensure effective administration of this Article. Such rules shall include, but not be limited to, procedures for obtaining qualifying contributions, certification as a Clean Election Act candidate, addressing circumstances involving special elections, vacancies, recounts, withdrawals, or replacements, collection of revenues for the Fund, distribution of Fund revenue to certified candidates, return of unspent Fund disbursements, and compliance with the Clean Election Act.

"**§ 163-278.67. Violations.**

(a) Civil Penalty. -- In addition to any other penalties that may be applicable, any person who violates any provision of this Article is subject to a civil penalty of up to ten thousand dollars ($10,000) per violation. In addition to any fine, for good cause shown, a candidate found in violation of this Article may be required to return to the

Fund all amounts distributed to the candidate from the Fund. If the Commission makes a determination that a violation of this Article has occurred, the Commission shall impose a fine or transmit the finding to the Attorney General for prosecution. Fines paid under this section must be deposited in the Fund. In determining whether or not a candidate is in violation of the expenditure limits of this Article, the Commission may consider as a mitigating factor any circumstances out of the person's control.

(b) Class I Felony. -- Any person who willfully or knowingly violates this Article or rules of the Commission or knowingly makes a false statement in any report required by this Article is guilty of a Class I felony and, if certified as a Clean Election Act candidate, must return to the Fund all amounts distributed to the candidate."

"**§ 163-278.62. Purpose and establishment of North Carolina Clean Election Act.**

The purpose of this Article is to ensure the vitality of democratic elections in North Carolina, to the end that any citizen of this State, regardless of personal wealth or income, can realistically choose to seek and run for public office. It is also the purpose of this Article to protect the First Amendment rights of candidates from being financially overwhelmed by the expenditures of their opponents or by independent expenditures. Accordingly, this Article establishes the North Carolina Clean Election Fund as an alternative campaign finance option available to candidates running for office. This Article is available to candidates for elections to be held in 2000 and thereafter. The Commission shall administer this Article and the North Carolina Clean Election Fund. Candidates participating in

this Article must also comply with all other applicable election and campaign laws and rules.

"§ 163-278.63. North Carolina Clean Election Fund established; sources of funding.

(a) Establishment of Fund. -- The North Carolina Clean Election Act is established to finance the election campaigns of certified candidates for office and to pay administrative and enforcement costs of the Commission related to this Article. The Fund is a special, dedicated, nonlapsing fund. Any interest generated by the Fund is credited to the Fund. The Commission shall administer the Fund.

(b) Sources of Funding. -- Money received from the following sources must be deposited in the Fund:

(1) The qualifying contributions required of Clean Election Act candidates under G.S. 163-278.64, once submitted to the Commission;

(2) Other unspent Clean Election Act revenues distributed to any Clean Election Act candidate who does not remain a candidate until the primary or general election for which they were distributed, or such revenues that remain unspent by a candidate following the date of the primary election or general election for which they were distributed;

(3) Any money transferred to the Clean Election Fund from the North Carolina Candidates Financing Fund;

(4) Contributions made to the Clean Election Fund by individual taxpayers pursuant to G.S. 105-269.6;

(5) Voluntary donations made directly to the Clean Election Fund; and

(6) General Fund monies appropriated for the use of the Clean Election Fund by the General Assembly pursuant to subsection (c) of this section.

(c) Determination of Fund Amount. -- By April 1, 1999, and every two years thereafter, the Commission shall prepare and provide to the General Assembly a report documenting, evaluating, and making recommendations relating to the administration, implementation, and enforcement of the North Carolina Clean Election Act. In its report, the Commission shall set out the funds received to date, the expected needs of the Fund during the next election cycle, and the amount of the appropriation from the General Assembly that will be needed for the biennium. The General Assembly shall include in its appropriations from the General Fund that year at least the amount that the Commission states in its report will be needed. In addition, the General

Assembly shall reserve for the first fiscal year of the biennium at least fifteen percent (15%) of the amount of funds the Commission states in its report that it will need during the biennium, to be used by the Commission to cover any disbursement under G.S. 163-278.64 in excess of the amount of its direct appropriation.

"**§ 163-278.64. Terms of participation.**

(a) Declaration of Intent. -- Any individual choosing to participate in the North Carolina Clean Election Act shall first file with the Commission a declaration of intent to participate in the Act as a candidate for a stated office. The declaration of intent shall be filed with the Commission prior to or during the qualifying period, except as provided under subsection (l) of this section, according to forms and procedures developed by the Commission. A candidate choosing to participate in the Clean Election Act must submit a declaration of intent prior to collecting any qualifying contributions under this Article.

A candidate who files a declaration of intent shall swear or affirm that the candidate has complied with and will continue to comply with Clean Election Act contribution and expenditure limits and will comply with all other requirements set forth in this Article, or promulgated by the Commission.

(b) Restrictions on Contributions and Expenditures for Participating Candidates. -- After becoming a participating candidate as defined by G.S. 163-278.61(6) and prior to certification, participating candidates shall not accept contributions, except for seed money contributions or qualifying contributions. A participating candidate shall limit expenditures and seed money contributions to the following amounts:

(1) For a candidate for Governor, two hundred thousand dollars ($200,000).

(2) For a candidate for Lieutenant Governor or other office in the Council of State, one hundred thousand dollars ($100,000).

(3) For a candidate for State Senator, six thousand dollars ($6,000).

(4) For a candidate for State Representative, four thousand dollars ($4,000).

(c) Qualifying Contributions. -- Participating candidates must obtain qualifying contributions as follows:

(1) For a candidate for Governor, at least 6,000 verified registered North Carolina voters shall

have supported the candidacy by providing a qualifying contribution to that candidate.

(2) For a candidate for Lieutenant Governor or other office in the Council of State, at least 3,000 verified registered North Carolina voters shall have supported the candidacy by providing a qualifying contribution to that candidate.

(3) For a candidate for State Senator, at least 300 voters shall have supported the candidacy by providing a qualifying contribution to that candidate.

(4) For a candidate for State Representative, at least 200 voters shall have supported the candidacy by providing a qualifying contribution to that candidate.

No payment, gift, or anything of value shall be given in exchange for a qualifying contribution.

(d) Filing With the Commission. -- All participating candidates shall file qualifying contributions with the Commission during the qualifying period according to procedures developed by the Commission, except as provided under subsection (l) of this section.

(e) Certification of Clean Election Act Candidates. -- Upon receipt of a final submittal of qualifying contributions by a participating candidate, the Commission shall determine whether or not the candidate has:

(1) Signed and filed a declaration of intent to participate in this Article;

(2) Submitted the appropriate number of qualifying contributions;

(3) Qualified as a candidate under G.S. 163-106, 163-98, 163-122, 163-123, or 163-114;

(4) Complied with seed money contributions or expenditure restrictions; and

(5) Otherwise met the requirements for participation in this Article.

The Commission shall certify candidates complying with the requirements of this section as Clean Election Act candidates as soon as possible and no later than three days after final submittal of qualifying contributions.

Certified candidates shall comply with all requirements of this Article after certification and throughout the primary election and general election periods. Failure to do so is a violation of this Article.

(f) Restrictions on Contributions and Expenditures for Certified Candidates. -- After certification, a candidate shall limit campaign expenditures and debts to the revenues distributed to the candidate from the Fund and may not accept any contributions unless specifically authorized by the Commission, provided that a candidate may accept in-kind contributions from political party executive committees, up to an aggregate value of ten percent (10%) of a candidate's public financing. All revenues distributed to certified candidates must be used for campaign-related purposes. The Commission shall publish guidelines outlining permissible campaign-related expenditures. A candidate shall return to the Fund any amount that is unspent and uncommitted at the time that person ceases to be a candidate before a primary or election for which the Fund money was distributed. A candidate shall return to the Fund any amount that was unspent and uncommitted after the date of the primary election or general election for which the Fund money was distributed.

(g) Timing of Fund Distribution. -- The Commission shall distribute to certified candidates revenues from the Fund in amounts determined under subsection (h) of this section in the following manner:

(1) Within three days after certification, for candidates certified before the first Monday in February of the election year, revenues from the Fund as if the candidates are in an uncontested primary election.

(2) Within three days after the first Monday in February of the election year, for primary election certified candidates, revenues from the Fund according to whether the candidate is in a contested or uncontested primary election, reduced by any amounts previously distributed under subdivision (1) of this subsection.

(3) Within the earlier of the following: within three days after the primary election, or within three days after the certification pursuant to G.S. 163-122, 163-123, or 163-98 of the first opposition candidate, for general election certified candidates, revenues from the Fund according to whether the candidate is in a contested general election. No funds are distributed for uncontested general elections.

Funds may be distributed to certified candidates under this section by any mechanism that is expeditious, ensures accountability, and safeguards the integrity of the Fund.

(h) Amount of Fund Distribution. -- By March 1, 1999, and no less frequently than every two or four years thereafter, as appropriate, the Commission shall determine the amount of funds to be distributed to participating candidates based on the type of election and office as follows:

(1) Contested Primary Elections. -- The amount of revenues to be distributed is the average amount of campaign expenditures made by the number of highest vote-receiving candidates equal to twice the number of candidates to be nominated during all contested primary election races for the immediately preceding two primary elections for that office, provided that each of the following shall be considered a separate office for purposes of calculating the average:

a. Governor.

b. Lieutenant Governor and other offices in the Council of State shall be considered together as one separate office.

c. Each State Senate district seat, except that the amount to be distributed to a candidate in a two-seat district shall be double the amount for a candidate in a single-seat district.

d. Each State Representative district seat, except that the amount to be distributed to a candidate in a two-seat district shall be double the amount for a candidate in a single-seat district, and the amount to be distributed to a candidate in a three-seat district shall be triple the amount for a candidate in a single-seat district.

(2) Uncontested Primary Elections. -- The amount of revenues to be distributed is the average amount of campaign expenditures made by each candidate during all uncontested primary election races, or for contested races if the amount is lower, for the immediately preceding two primary elections for that office as defined in subdivision (1) of this subsection.

(3) Contested General Elections. -- The amount of revenues to be distributed is the average amount of

campaign expenditures made by the number of highest vote-receiving candidates equal to twice the number to be elected during all contested general election races for the immediately preceding two general elections for that office as defined in subdivision (1) of this subsection.

(4) Uncontested General Elections. -- No revenues shall be distributed for uncontested general elections.

If the immediately preceding two election cycles do not contain sufficient data for the Commission to determine the amount to be distributed for an office, the Commission shall use data from the most recent applicable elections for that office. If no applicable elections for that office contain sufficient data, the Commission shall set an amount based on data from elections for comparable offices.

(i) Reporting by Noncertified Candidates. -- Any noncertified candidate who has as an opponent a certified candidate shall report to the Commission 20 days before any election an estimate of the amount that the noncertified candidate intends to spend. Any individual or political committee that intends to make expenditures to influence an election containing a certified candidate shall report to the Commission 20 days before the day of the election the amount that individual or political committee intends to spend to influence the election. Reports required by this subsection shall be made according to procedures which shall be developed by the Commission.

(j) Matching Funds. -- When any campaign, finance, or election report or group of reports show that the sum of a candidate's expenditures or obligations made, or funds raised or borrowed, whichever is greater, alone or in conjunction with expenditures made independently of the candidate to influence the election on behalf of the candidate or in opposition to an opposing Clean Election Act candidate, exceeds the distribution amount under subsection (h) of this section, the Commission shall issue immediately to any opposing Clean Election Act candidate an additional amount equivalent to the reported excess. Any estimate reported pursuant to subsection (i) of this section shall be treated as an expenditure for purposes of release of matching funds under this subsection. Total matching funds to any candidate in an election are limited to an amount equal to the amount originally distributed under subdivision (1), (2), or (3) of subsection (h), whichever is applicable.

(k) Unaffiliated Candidates. -- Unaffiliated candidates certified pursuant to G.S. 163-122 before 12:00 noon on the first

Monday in February of the election year shall be eligible for revenues from the Fund in the same amounts and at the same time as uncontested primary election candidates and general election candidates as specified in subsections (g) and (h) of this section. For unaffiliated candidates not certified by 12:00 noon on the first Monday in February, the deadline for filing qualifying contributions is 12:00 noon on the last Friday in June of the election year. Unaffiliated candidates certified after noon on the first Friday in February shall be eligible for revenues from the Fund in the same amounts as general election candidates, as specified in subsections (g) and (h).

(l) Other Procedures. -- For races involving special elections, recounts, vacancies, withdrawals, or replacement candidates, the Commission shall establish by rule procedures for qualification, certification, disbursement of Fund revenues, and return of unspent Fund revenues.

(m) Reporting by Participating and Certified Candidates. -- Notwithstanding other provisions of law, participating and certified candidates shall report any money collected, all campaign expenditures, obligations, and related activities to the Commission according to procedures developed by the Commission. Upon the filing of a final report for any losing primary election, special election, or general election, each candidate who has revenues form the Fund remaining unspent shall return all revenues to the Commission. In developing these procedures, the Commission shall utilize existing campaign reporting procedures wherever practicable. The Commission shall ensure timely public access to campaign finance data and may utilize electronic means of reporting and storing information.

(n) Appeals. -- The procedure for challenging a certification decision by the Commission is as follows:

(1) A person aggrieved by a certification decision may appeal to the full Commission within three days of the certification decision. The appeal shall be in writing and shall set forth the reasons for the appeal.

(2) Within five days after an appeal is properly made, and after due notice is given to the parties, the Commission shall hold a hearing. The appellant has the burden of providing evidence to demonstrate that the Commission's decision was improper. The Commission shall rule on the appeal within three days after the completion of the hearing.

(3) The challenger or a candidate may appeal the decision of the Commission by commencing an action in superior court.

(4) Candidates whose certification by the Commission as a Clean Election Act candidate is revoked on appeal shall return to the Commission any unspent revenues distributed by the Fund. If the Commission or court finds that an appeal was made frivolously or to result in delay or hardship, the Commission or court may sanction the moving party by requiring the party to pay costs of the Commission, court, and opposing parties, if any.

"§ 163-278.65. The Commission on Election Practices.

(a) Establishment of the Commission. -- There is established the North Carolina Commission on Election Practices.

(b) The Commission shall consist of five members to be appointed as follows:

(1) By March 31, 1998, and as needed thereafter, the Governor, with the advice of the President Pro Tempore of the Senate, and the Speaker of the House of Representatives shall establish and publish a nomination period for members of the public, groups, and organizations to nominate qualified individuals to the Governor for appointment to the Commission.

(2) The Governor shall appoint the members of the Commission, taking into consideration nominations made during the nomination period, subject to confirmation by the General Assembly by joint resolution. No more than two Commission members shall be affiliated with the same political party. No elected official or candidate for elective office shall be eligible to be a member of the Commission. The Commission members shall be appointed and confirmed by October 1, 1998.

(3) Of the initial appointees, two are appointed for one-year terms, two are appointed for two-year terms, and one is appointed for a three-year term according to random lot under the supervision of the Secretary of State. Thereafter, appointees are appointed to serve four-year terms. A person may not serve more than two full terms. The appointed members receive the legislative per diem pursuant to G.S. 120-3.1.

(4) One of the Commission members shall be elected by the members as chair.

(5) A vacancy during an unexpired term must be filled as provided in this subsection, but only for the unexpired portion of the term.

"**§ 163-278.66. Commission to adopt rules.**

The Commission shall adopt rules to ensure effective administration of this Article. Such rules shall include, but not be limited to, procedures for obtaining qualifying contributions, certification as a Clean Election Act candidate, addressing circumstances involving special elections, vacancies, recounts, withdrawals, or replacements, collection of revenues for the Fund, distribution of Fund revenue to certified candidates, return of unspent Fund disbursements, and compliance with the Clean Election Act.

"**§ 163-278.67. Violations.**

(a) Civil Penalty. -- In addition to any other penalties that may be applicable, any person who violates any provision of this Article is subject to a civil penalty of up to ten thousand dollars ($10,000) per violation. In addition to any fine, for good cause shown, a candidate found in violation of this Article may be required to return to the Fund all amounts distributed to the candidate from the Fund. If the Commission makes a determination that a violation of this Article has occurred, the Commission shall impose a fine or transmit the finding to the Attorney General for prosecution. Fines paid under this section must be deposited in the Fund. In determining whether or not a candidate is in violation of the expenditure limits of this Article, the Commission may consider as a mitigating factor any circumstances out of the person's control.

(b) Class I Felony. -- Any person who willfully or knowingly violates this Article or rules of the Commission or knowingly makes a false statement in any report required by this Article is guilty of a Class I felony and, if certified as a Clean Election Act candidate, must return to the Fund all amounts distributed to the candidate."

Section 2. Article 22C of Chapter 163 of the General Statutes is repealed.

The General Assembly of North Carolina enacts:

Section 1. G.S. 131E-6 reads as rewritten:

"**§ 131E-6. Definitions.**

As used in this Part, unless otherwise specified:

(1) 'City,' as defined in G.S. 160A-1(2), means a municipal corporation organized under the laws of this State for the better government of the people within its jurisdiction and having the powers, duties, privileges, and immunities conferred by law on cities, towns, and villages. The term 'city' does not include counties or municipal corporations organized for a special purpose under any statute or law. The word 'city' is interchangeable with the words 'town' and 'village' and shall mean any city as defined in this subdivision without regard to the terminology employed in charters, local acts, other portions of the General Statutes, or local customary usage.

(2) 'Community general hospital' means a short-term nonfederal hospital that provides diagnostic and therapeutic services to patients for a variety of medical conditions, both surgical and nonsurgical, such services being available for use primarily by residents of the community in which it is located.

(4.1) 'Hospital land' means air and ground rights to unimproved real property held either in fee or by lease, with all easements, rights-of-way, appurtenances, landscaping, and physical amenities such as

Section 2. G.S. 131E-13 reads as rewritten:

(a) A municipality or hospital authority as defined in G.S. 131E-16(14), may lease, sell, or convey any hospital facility, or part, to a corporation, foreign or domestic, authorized to do business in North Carolina, subject to these conditions, which shall be included in the lease, agreement of sale, or agreement of conveyance:

(1) The corporation shall continue to provide the same or similar clinical hospital services to its patients in medical- surgery, obstetrics, pediatrics, outpatient and emergency treatment, including emergency services for the indigent, that the hospital facility provided prior to the lease, sale, or conveyance. These services may be terminated only as prescribed by Certificate of Need Law prescribed in Article 9 of Chapter 131E of the General Statutes, or, if Certificate of Need Law is inapplicable, by review procedure designed to guarantee public participation pursuant to rules adopted by the Secretary of the Department of Human Resources.

(2) The corporation shall ensure that indigent care is available to the population of the municipality or area served by the hospital authority at levels related to need, as previously demonstrated and determined mutually by the municipality or hospital authority and the corporation.

(3) The corporation shall not enact financial admission policies that have the effect of denying essential medical services or treatment solely because of a patient's immediate inability to pay for the services or treatment.

A BILL TO BE ENTITLED

ACT TO CREATE LIENS FOR FEES TO BE PAID TO COMMERCIAL REAL ESTATE BROKERS.

The General Assembly of North Carolina enacts:

Section 1. Chapter 93A is amended by adding a new Article to read:

"ARTICLE 6.

"Commercial Real Estate Brokers' Lien Act.

"**§ 93A-90. Short title.**

This Article may be known as the 'Commercial Real Estate Brokers' Lien Act.'

"**§ 93A-91. Definitions.**

As used in this Article, the following terms mean:

(1) 'Commercial real estate', any real estate other than real estate containing one to four residential units, real estate on which no buildings or structures are located, or real estate classified as agricultural and horticultural property for tax assessment purposes. Commercial real estate does not include single-family residential units including condominiums, townhouses, or homes in a subdivision when that real estate is sold, leased, or otherwise conveyed on a unit-by-unit basis even though the units may be part of a larger building or parcel of real estate containing more than four residential units;

(2) 'Owner', the owner of record of commercial real estate;

(3) 'Real estate broker' and 'real estate salesperson', as such terms are defined in G.S. 93A-2.

"**§ 93A-92. Broker's lien for compensation.**

Any licensed real estate broker shall have a lien, upon commercial real estate or any interest in that commercial real estate, in the amount that the real estate broker is due:

(1) Under a written instrument signed by the owner of an interest in the commercial real estate or signed by the owner's duly authorized agent; or

(2) Under a written instrument signed by a prospective buyer or prospective tenants or signed by their duly authorized agent as to the purchase, lease, or other conveyance to the buyer or tenant of an interest in the commercial real estate.

"**§ 93A-93. Lien notice, content.**

A lien notice, for purposes of this Article, shall state:

(1) The name of the claimant;

(2) The name of the owner;

(3) A description of the property upon which the lien is being claimed;

(4) The amount for which the lien is claimed; and

(5) The real estate license number of the real estate broker.

The notice of lien shall be signed by the real estate broker, and the broker shall attest that the information contained in the notice is true and accurate as to his knowledge and belief.

"**§ 93A-94. When broker's lien attaches to commercial real estate.**

A real estate broker's lien authorized by this Article attaches to the commercial real estate, or an interest in the commercial real estate, when the real estate broker records a notice of the lien in the office of the register of deeds of the county in which the real property, or any interest in the real property is located, if such lien is filed prior to the actual conveyance or transfer of the commercial real estate subject to such real estate broker's lien, except that:

(1) If payment to a real estate broker is due in installments and a portion of the payment is due after the conveyance or transfer of the commercial real estate, any claim for a lien for installment payments due after the transfer or conveyance of the real estate may be recorded any time after the transfer or conveyance of the commercial real estate but shall be recorded before the date on which the payment is due. This lien shall only be effective as a lien against the commercial real estate to the extent moneys are still owed to the transferor by the transferee. A single claim for a lien recorded before the transfer or conveyance of the commercial real estate, claiming all moneys due under an installment payment agreement, is not valid or enforceable to the extent of the payments due after the transfer or conveyance. The lien attaches for purposes of this paragraph when the claim for lien is recorded;

(2) In the case of a lease, the claim for lien shall be recorded within 90 days after the tenant takes possession of the leased property, unless written notice of the intention to sign the lease is personally served on the real estate broker entitled to claim a lien at least 10 days before the date of the intended signing of the lease, then the claim for lien shall be recorded before the date indicated for the signing of the lease. The lien attaches for purposes of this subdivision when the claim for lien is recorded; or

(3) If the real estate broker has a written agreement with a prospective buyer as provided in subdivision (2) of G.S. 93A-92, then the lien attaches when the prospective buyer purchases or otherwise accepts a conveyance or transfer of the commercial real estate and records a notice of the lien within 90 days after the purchase or other conveyance or transfer to the buyer in the office of the register of deeds in the county in which the commercial real estate, or any interest in the commercial real estate, is located.

"**§ 93A-95. When lien claim release or satisfaction to be filed.**

If a claim for a lien has been filed with the register of deeds and a condition occurs that would preclude the broker from receiving compensation under the terms of the real estate broker's written agreement, the real estate broker shall record and provide the owner of record a written release or satisfaction of the lien.

"**§ 93A-96. Broker to mail copy of notice of lien to owner by certified mail.**

Any real estate broker who attaches a lien on commercial property pursuant to the provisions of this Article shall mail a copy of the notice of the lien to the owner of the commercial real estate by certified mail. The real estate broker's lien is void if the broker does not record the lien as provided in this Article.

"**§ 93A-97. Enforcing lien.**

A real estate broker may bring suit to enforce a lien which attaches pursuant to the provisions of this Article in any court of competent jurisdiction in the county where the property is located by filing a verified petition that the lien has been recorded. Unless the claim is based upon an option to purchase the commercial real estate, the broker claiming the lien shall commence proceedings within six months after recording the lien and failure to commence proceedings within the six months shall extinguish the lien. A claim for the same lien, extinguished pursuant to this section and G.S. 93A-99, may not be asserted in any subsequent proceeding.

"**§ 93A-98. Petition, content, parties' foreclosure action, procedure.**

(a) A petition filed pursuant to the provisions of this section and G.S. 93A-97 shall contain:

(1) A statement of the terms of the contract or agreement on which the lien is based;

(2) The date when the contract or agreement was made;

(3) A description of the services performed;

(4) The amount due and unpaid;

(5) A description of the property that is subject to the lien; and

(6) Any other facts necessary for a full understanding of the rights of the parties.

The plaintiff shall file the action against all known parties who have an interest in the real estate. A foreclosure action for a lien claimed pursuant to this Article shall be brought pursuant to the provisions of Article 1 of Chapter 44A of the General Statutes.

(b) Valid prior recorded liens or mortgages shall have priority over a real estate broker's lien.

"§ 93A-99. Lien extinguished for broker failing to file suit or answer in pending suit within 30 days after service on owner.

If a broker claiming a lien pursuant to this Article fails to file a suit to enforce the lien or fails to file an answer in a pending suit to enforce a lien within 30 days after a properly served written demand of the owner, lienee, or other authorized agent, the lien shall be extinguished. Service of the demand shall be by registered or certified mail, return receipt requested, or by personal service. The provisions of this section shall not extend any other deadline provided by law or the filing of any pleadings or for the foreclosure of any lien governed by this Article.

"§ 93A-100. Satisfaction or release of lien.

If a claim for lien has been filed pursuant to the provisions of this Article with the register of deeds and the claim has been paid in full or if the lienor fails to institute a suit to enforce the lien within the time as provided by law, the real estate broker shall acknowledge satisfaction or release of the lien in writing upon written demand of the owner within 30 days after the demand.

"§ 93A-101. Cost of proceeding to be paid by nonprevailing party.

The costs of any proceeding brought to enforce a lien filed pursuant to this Article, including reasonable attorneys' fees and prejudgment interest due to the prevailing party, shall be paid by the nonprevailing party or parties. If more than one party is responsible for costs, fees and prejudgment interest, the costs, fees and prejudgment interest shall be equitably apportioned by the court among the responsible parties.

"§ 93A-102. Escrow account.

Unless an alternative procedure is available and is acceptable to the transferee in a real estate transaction, if a claim for a real estate broker's lien has been filed with the register of deeds and that lien would prevent the closing of a transaction or conveyance, an escrow account shall be established with the clerk of the superior court in the county in which the commercial real estate is located from the proceeds of the transaction or conveyance in an amount sufficient to release the claim for the lien. The requirement to establish an escrow account, as provided in this section, shall not be cause for any party to refuse to close a transaction. The proceeds held in that escrow account shall be held by the clerk until the parties' rights to the escrowed funds have been determined by:

(1) Written agreement of the parties;

(2) A final judgment of the court of competent jurisdiction; or

(3) Other process as may be agreed to by the parties.

If funds sufficient to satisfy the amount claimed in the lien have been deposited in the escrow account, the real estate broker shall release the claim for the lien on the real estate.

"**§ 93A-103. Broker to give written notice of right to lien on premises at time of closing.**

Any real estate broker who proposes to assert a lien pursuant to this Article shall be prohibited from asserting the lien unless, at the time of the closing for the transaction, the broker has given written notice to the purchaser of the commercial real estate that payment of the broker's fee is due and that he or she is entitled to a lien on the premises."

Section 2. This act becomes effective December 1, 1997.

"**§ 44A-50. Short title.**

This Article may be known as the 'Commercial Real Estate Brokers' Lien Act.

"**§ 44A-51. Definitions.**

As used in this Article, the following terms mean:

(1) 'Commercial real property'. -- Any real estate other than real estate containing one to four residential units, real estate on which no buildings or structures are located, or real estate classified as agricultural and horticultural property for tax assessment purposes. Commercial real property does not include single-family residential units including condominiums,

townhouses, or homes in a subdivision when that real estate is sold, leased, or otherwise conveyed on a unit-by-unit basis even though the units may be part of a larger building or parcel of real estate containing more than four residential units.

(2) 'Owner'. -- The owner of record of commercial real property.

(3) 'Real estate broker'. -- As defined in G.S. 93A-2.

"§ 44A-52. Broker's lien/filing lien for compensation by written contract with owner.

A real estate broker may file a claim of lien, upon commercial real property or any interest in that commercial real property, in the amount that the real estate broker is due under a written contract signed by the owner of an interest in the commercial real property or signed by the owner's duly authorized agent. The claim of lien must be filed in the office of the clerk of superior court in each county wherein the commercial real property subject to the claim of lien is located. The clerk of superior court shall note the claim of lien on the judgment docket and index the same under the name of the record owner of commercial real property at the time the claim of lien is filed. An additional copy of the claim of lien may also be filed with any receiver, referee in bankruptcy, or assignee for benefit of creditors who obtains legal authority over the commercial real property. The filing fee shall be as established by G.S. 7A-308. The claim of lien shall be filed prior to the recording of the deed conveying the commercial real property subject to such real estate broker's lien.

"§ 44A-53. Broker's lien/filing for compensation by written contract with buyer or tenant.

A real estate broker may record a claim of lien, upon commercial real property or any interest in that commercial real property, in the amount that the real estate broker is due under a written contract signed by a prospective buyer or prospective tenants or signed by their duly authorized agent as to the purchase, lease, or other conveyance to the buyer or tenant of an interest in the commercial real property. The real estate broker shall file the claim of lien in accordance with G.S. 44A-52 except that the claim of lien shall be filed within 30 days after the recording of the deed conveying the commercial real property subject to such real estate broker's lien, and in the case of a lease, within 30 days after the tenant takes possession of the leased premises.

If the prospective buyer who contracted with the real estate broker obtains ownership of the commercial real property and thereafter conveys ownership of the commercial property to a third-party before the real estate broker's claim of lien is filed, the right to claim a lien terminates.

"§ 44A-54. Claim of lien, content.

(a) Contents of Claim of Lien to Be Filed. -- All claims of lien must be filed using a form substantially as follows:

(1) Name and address of the person claiming the lien and the real estate broker's real estate license number.

(2) Name and address of the record owner of the commercial real property claimed to be subject to the lien at the time the claim of lien is filed.

(3) Description of the commercial real property upon which the lien is claimed. (Street address, tax lot and block number, reference to recorded instrument, or any other description of commercial real property is sufficient, whether or not it is specific, if it reasonably identifies what is described.)

(4) Name and address of the person with whom the claimant contracted.

(5) In the case of a lease, the name and address of the tenant and the date when tenant took possession of the commercial real property.

(6) The amount claimed.

(b) No Amendment of Claim of Lien. -- A claim of lien may not be amended. A claim of lien may be cancelled by a claimant or his authorized agent or attorney, and a new claim of lien substituted therefor within the time herein provided for original filing.

(c) Notice of Assignment of Claim of Lien. -- When a claim of lien has been filed, it may be assigned of record by the lien claimant in a writing filed with the clerk of superior court who shall note said assignment in the margin of the judgment docket containing the claim of lien. Thereafter the assignee becomes the lien claimant of record.

(d) Nothing herein shall prohibit subordination or release of a lien granted under this Article.

"§ 44A-55. When real estate broker's lien attaches to commercial real property.

A real estate broker's lien authorized by this Article attaches to the commercial real property, or an interest in the commercial

real property, when the real estate broker files the claim of lien in the office of the clerk of superior court of the county in which the commercial real property, or any interest in the commercial real property, is located. The lien shall attach as of the filing of the claim of lien and does not relate back to the written contract.

"§ 44A-56. When lien claim release or satisfaction to be filed.

If a claim for a lien has been filed with the clerk of superior court and a condition occurs that would preclude the broker from receiving compensation under the terms of the real estate broker's written agreement, the real estate broker shall record and provide the owner of record a written release or satisfaction of the lien.

"§ 44A-57. Broker to give copy of notice of lien.

Any real estate broker who files a claim of lien on commercial real property pursuant to the provisions of this Article shall mail a copy of the notice of the lien to the owner of the commercial real property and, in the case of a lease, to the tenant by certified mail within 10 days of the filing of the claim of lien.

"§ 44A-58. Enforcing lien.

(a) Where and When Action Instituted. -- An action to enforce the lien created by this Article may be instituted in any county in which the lien if filed. No such action may be commenced later than 180 days after the filing of the claim of lien. If the title of the commercial real property against which the lien is asserted is by law vested in a receiver or trustee in bankruptcy, the lien shall be enforced in accordance with the orders of the court having jurisdiction over said commercial real property.

(b) Judgment. -- Judgment enforcing a lien under this Article may be entered for the principal amount shown to be due, not exceeding the principal amount stated in the claim of lien enforced thereby. The judgment shall direct a sale of the commercial real property subject to the lien thereby enforced.

(c) Notice of Action. -- Unless the action enforcing the lien created by this Article is instituted in the county in which the lien is filed, in order for the sale under the provisions of G.S. 44A-59(a) to pass all title and interest of the owner to the purchaser good against all claims or interests recorded, filed or arising after the filing of the claim of lien by the person claiming the lien, a notice of lis pendens shall be filed in each county in which the commercial real property subject to the lien is located within 180 days after the filing of the claim of lien

by the person claiming the lien. If neither an action nor a notice of lis pendens is filed in each county in which the commercial real property subject to the lien is located within 180 days after the filing of the claim of lien by the person claiming the lien, as to commercial real property claimed to be subject to the lien in such counties where the action was neither commenced nor a notice of lis pendens filed, the judgment entered in the action enforcing the lien shall not direct a sale of the commercial real property subject to the lien enforced thereby and shall be entitled only to those priorities accorded by law to money judgments.

"§ 44A-59. Sale of commercial real property in satisfaction of judgment enforcing lien or upon order prior to judgment; distribution of proceeds.

(a) Execution Sale; Effect of Sale. -- Except as provided in subsection (b) of this section, sales under this Article and distribution of proceeds thereof shall be made in accordance with the execution sale provisions set out in G.S. 1-339.41 through 1-339.76. The sale of commercial real property to satisfy a lien granted by this Article shall pass all title and interest of the owner to the purchaser, good against all claims or interests recorded, filed or arising after the filing of the claim of lien by the person claiming a lien.

(b) Sale of Property Upon Order Prior to Judgment. -- A resident judge of superior court in the district in which the action to enforce the lien is pending, a judge regularly holding the superior courts of the said district, any judge holding a session of superior court, either civil or criminal, in the said district, a special judge of superior court residing in the said district, or the chief judge of the district court in which the action to enforce the lien is pending, may, upon notice to all interested parties and after a hearing thereupon and upon a finding that a sale prior to judgment is necessary to prevent substantial waste, destruction, depreciation, or other damage to said commercial real property prior to the final determination of said action, order any commercial real property against which a lien under this Article is asserted, sold in any manner determined by said judge to be commercially reasonable. The rights of all parties shall be transferred to the proceeds of the sale. Application for such order and further proceedings thereon may be heard in or out of session.

"§ 44A-60. Attachment available to lien claimant.

In addition to other grounds for attachment, in all cases where the owner removes or attempts or threatens to remove an

improvement from commercial real property subject to a lien under this Article, without the written permission of the lien claimant or with the intent to deprive the lien claimant of his lien, the remedy of attachment of the property subject to the lien shall be available to the lien claimant or any other person.

"**§ 44A-61. Discharge of record lien.**

Any lien filed under this Article may be discharged by any of the following methods:

(1) The lien claimant of record, his agent or attorney, in the presence of the clerk of superior court may acknowledge the satisfaction of the lien indebtedness, whereupon the clerk of superior court shall forthwith make upon the record of such lien an entry of such acknowledgment of satisfaction, which shall be signed by the lien claimant of record, his agent or attorney, and witnessed by the clerk of superior court.

(2) The owner may exhibit an instrument of satisfaction signed and acknowledged by the lien claimant of record which instrument states that the lien indebtedness has been paid or satisfied, whereupon the clerk of superior court shall cancel the lien by entry of satisfaction on the record of such lien.

(3) By failure to enforce the lien within the time prescribed in this Article.

(4) By filing in the office of the clerk of superior court the original or certified copy of judgment or decree of a court of competent jurisdiction showing that the action by the claimant to enforce the lien has been dismissed or finally determined adversely to the claimant.

(5) Whenever a sum equal to the amount of the lien or liens claimed is deposited with the clerk of court to be applied to the payment finally determined to be due, whereupon the clerk of superior court shall cancel the lien or liens of record.

(6) Whenever a corporate surety bond, in a sum equal to one and one-fourth times the amount of the lien or liens claimed and conditioned upon the payment of the amount finally determined to be due in satisfaction of said lien or liens, is deposited with the clerk of court, whereupon the clerk of

superior court shall cancel the lien or liens of record.

Section 2. This act becomes effective December 1, 1997 and applies to claims arising from contracts entered into on or after that date.

MEMORANDUM

TO: Senator Roy Cooper, Chair, Senate Judiciary Committee

FROM: O. Walker Reagan, Committee Co-Counsel

RE: **SENATE BILL 923 - COMMERCIAL REALTOR LIEN ACT** - Senator Odom

Senate Bill 923 would create a right and procedure for a real estate broker to have a lien against real estate for the amount of commission owed to the realtor arising out of a contract involving commercial real estate.

The bill creates a new Article 5 to Chapter 44A -**Statutory Liens and Charges** which provides for the right of a realtor in a commercial real estate situation to file a lien against the real estate involved in a written contract for the amount of the real estate commission owed to the realtor. Excluded from the definition of "commercial real estate" is any single-family residential units, including property in a subdivision when sold on a unit-by-unit basis.

The bill provides the realtor with a right to a lien against the property or property interest of the person who contracted to pay the commission, whether that be the seller, the buyer, or the tenant of the property. Although many of the provisions in this bill are similar to the other statutory lien law under Chapter 44A, under this bill, the commercial realtor's lien only arises if the claim of lien is filed prior to the property being conveyed to a third-party, and only relates back to the time the claim of lien is filed, not the date of the original contract.

Under the bill the claim of lien must be filed before the seller conveys the property (if the seller owes the commission), or within 30 days of when the buyer or lessee acquires the property but before the buyer or lessee reconveys the property (if the buyer or lessee owes the commission). Suit to enforce the lien must be filed within 180 days after the filing of the lien. Once a judgment is entered enforcing the lien, the court shall order the real estate sold to satisfy the lien. The bill also provides for methods for canceling the lien similar to canceling other statutory liens.

The bill becomes effective December 1, 1997 and applies to claims arising from contracts entered into on or after that date.

MEMORANDUM

TO: Senator Roy Cooper, Chair, Senate Judiciary Committee

FROM: O. Walker Reagan, Committee Co-Counsel

RE: **PROPOSED SENATE COMMITTEE SUBSTITUTE FOR HOUSE BILL 530 - PROFESSIONAL CORPORATION ACT AMENDMENT - ENGINEERS -** Representative Neely.

The Proposed Senate Committee Substitute for House Bill 530 amends the Professional Corporation Act, as it relates to licensed engineers, to permit certain design services to be performed by certain contracting companies that do not meet the standards for being a professional corporation.

The bill amends G.S. 55B-15 to exempt corporations from the Professional Corporation Act which render engineering services in conjunction with services authorized under Articles 1 (general contracting), 2 (mechanical, plumbing and fire sprinkler contracting), 4 (electrical contracting), or 5 (refrigeration contracting) of Chapter 87. The Professional Corporation Act does not allow these firms to offer engineering services unless they are organized as professional corporations. A firm can only organize as a professional engineering corporation if at least two-thirds of the stock is owned by a licensed engineer. However, many contracting firms fail to meet this stock requirement.

The bill would allow these firms to offer professional engineering services without meeting this requirement. The engineering services must be reasonably necessary and in connection with the primary services performed by the company in the normal course of its business. The bill prohibits the professional services from being performed independently from the primary company service The bill makes it clear that anyone performing professional engineering services must be licensed as an engineer and nothing in this provision changes the professional relationship and liability of the engineer to the customer or the professional standards applicable to the work performed.

The bill is effective when it becomes law.

MEMORANDUM

TO: Senator Roy Cooper, Chair, Senate Judiciary Committee

FROM: O. Walker Reagan, Committee Co-Counsel and Steve Rose, House Judiciary I Co-Counsel

RE: **HOUSE BILL 646 - REVISE UNIFORM COMMERCIAL CODE - CROP LIENS** - Representative Daughtry

House Bill 646 amends the UCC to permit a security interest in growing crops for agricultural supplies used to grow the crops, and provides that this security interest would have priority over other certain other perfected security interests in the crops.

In the current law, subdivision (2) of G.S. 25-9-312 provides that a perfected security interest in crops for new value given to enable the debtor to produce crops during a production season takes precedence over an earlier security interest provided that (i) the new security interest is given not more than three months before the crops become growing crops, and (ii) the earlier security interest secures obligations due more than six months before the crops become growing crops.

This bill amends this statute to provide that a new security interest for the purpose of allowing the debtor to purchase agricultural supplies to produce crops will take precedence over any perfected security interest in those crops. The amendments require that within five days of perfecting the new security interest in crops the holder must notify in writing the holder of any conflicting security interest. The notice must identify the debtor, describe the types of crops, state the year or years in which the crops will be growing, and describe the land where the crops are growing or to be grown. The amendments specifically provide that creating or perfecting a new security interest in crops to allow the purchase of agricultural supplies shall not operate as a default or an act of acceleration pursuant to any existing instrument. The bill defines agricultural supplies to include seeds, soil additives, fertilizer, lime, pesticides, and herbicides.

AN EQUAL OPPORTUNITY/AFFIRMATIVE ACTION EMPLOYER

The bill becomes effective October 1, 1997 and applies to security interests perfected on or after that date, but shall not affect any contract entered into or security interest or lien perfected prior to that date. In other words, preexisting security interests and contracts will not be affected by the amendments.

March 27, 1997

A BILL TO BE ENTITLED

AN ACT TO REVISE THE UNIFORM COMMERCIAL CODE TO ESTABLISH A PRODUCTION MONEY SECURITY INTEREST IN CROPS THAT HAS PRIORITY OVER OTHER SECURITY INTERESTS.

The General Assembly of North Carolina enacts:

Section 1. G.S. 25-9-312 reads as rewritten:

"**§ 25-9-312. Priorities among conflicting security interests in the same collateral.**

(1) The rules of priority stated in other sections of this part and in the following sections shall govern when applicable: G.S. 25-4-208 with respect to the security interests of collecting banks in items being collected, accompanying documents and proceeds; G.S. 25-9-103 on security interests related to other jurisdictions; G.S. 25-9-114 on consignments.

(2) (a) A perfected security interest in crops for new value given to enable the debtor to purchase agricultural supplies to produce the crops during the production season and given not more than three months before the crops become growing crops by planting or otherwise takes priority over ~~an earlier~~ any perfected security interest in those crops, ~~to the extent that such earlier interest secures obligations due more than six months before the crops become growing crops by planting or otherwise,~~ even though the person giving new value had knowledge of the earlier security interest. Priority of security interests in crops for new value given to enable the debtor to purchase agricultural supplies not more

than three months before the crops became growing crops is governed by subdivision (5) of this section.

(b) Within five days of perfecting a security interest in crops for new value given to enable the debtor to purchase agricultural supplies, the holder of the security interest shall notify in writing by certified mail, addressee only, the holder of the conflicting security interest that the person giving the notice has or expects to acquire a security interest in the crops of the debtor. The notice shall identify the debtor, describe the type of crops, state the year or years in which the crops will be grown, and describe the land where the crops are growing or to be grown.

(c) Creating or perfecting a security interest in crops for new value given to enable the debtor to purchase agricultural supplies shall not operate under any circumstances as a default on, an accelerating event under, or otherwise as a breach of any note or other instrument or agreement of any kind or nature to pay debt, any loan or credit agreement, or any security arrangement of any kind or nature where the collateral is real or personal property.

(d) As used in this subdivision, 'agricultural supplies' includes agricultural seeds as defined in G.S. 106-277.2, soil additives as defined in G.S. 106-50.31, fertilizer materials as defined in G.S. 106-657, liming materials as defined in G.S. 106-92.3, pesticides as defined in G.S. 106-65.24, and herbicides as defined in G.S. 143-460.

(3) A perfected purchase money security interest in inventory has priority over a conflicting security interest in the same inventory and also has priority in identifiable cash proceeds received on or before the delivery of the inventory to a buyer if:

(a) ~~the~~ The purchase money security interest is perfected at the time the debtor receives possession of the inventory; and

(b) ~~the~~ The purchase money secured party gives notification in writing to the holder of the conflicting security interest if the holder had filed a financing statement covering the same types of inventory (i) before the date of the filing made by the purchase money secured party, or (ii) before the beginning of the 21-day period where the purchase money security interest is temporarily perfected without filing or possession (subsection (5) of G.S. 25-9-304); and

(c) ~~the~~ The holder of the conflicting security interest receives the notification within five years before the debtor receives possession of the inventory; and

(d) ~~the~~ The notification states that the person giving the notice has or expects to acquire a purchase money security interest in inventory of the debtor, describing such inventory by item or type.

(4) A purchase money security interest in collateral other than inventory has priority over a conflicting security interest in the same collateral or its proceeds if the purchase money security interest is perfected at the time the debtor receives possession of the collateral or within 20 days thereafter.

(5) In all cases not governed by other rules stated in this section (including cases of purchase money security interests which do not qualify for the special priorities set forth in subsections (3) and (4) of this section), priority between conflicting security interests in the same collateral shall be determined according to the following rules:

(a) Conflicting security interests rank according to priority in time of filing or perfection. Priority dates from the time a filing is first made covering the collateral or the time the security interest is first perfected, whichever is earlier, provided that there is no period thereafter when there is neither filing nor perfection.

(b) So long as conflicting security interests are unperfected, the first to attach has priority.

(6) For the purposes of subsection (5) a date of filing or perfection as to collateral is also a date of filing or perfection as to proceeds.

(7) If future advances are made while a security interest is perfected by filing, the taking of possession, or under G.S. 25-8-321 on securities, the security interest has the same priority for the purposes of subsection (5) with respect to the future advances as it does with respect to the first advance. If a commitment is made before or while the security interest is so perfected, the security interest has the same priority with respect to advances made pursuant thereto. In other cases a perfected security interest has priority from the date the advance is made."

Section 2. This act becomes effective October 1, 1997, and applies to security interests perfected on or after that date, but shall not affect any contract entered into or security interest or lien perfected prior to that date.

MEMORANDUM

TO: Senator Roy Cooper, Chair, Senate Judiciary Committee

FROM: Brenda J. Carter, Committee Co-Counsel

RE: **HOUSE BILL 221 - INITIAL APPEARANCE BY VIDEO**
Representative Culpepper

In 1993, the General Assembly enacted legislation authorizing a judicial official to conduct a pretrial release proceeding, first appearance, or arraignment by two-way audio and video transmission. (See attached statutes) This change has reportedly eliminated in some counties the often risky transportation of inmates from satellite jail facilities to the courthouse.

House Bill 221 extends the use of two-way audio and video proceedings for initial appearances before a magistrate. In districts with a limited number of magistrates or satellite jail facilities, this change is expected to allow for a more efficient use of a magistrate's time and reduce the transportation of inmates. The legislation requires the approval of the Administrative Office of the Courts before a district may implement such a system.

The act would be effective when it becomes law.

AN EQUAL OPPORTUNITY/AFFIRMATIVE ACTION EMPLOYER

§ 15A-532. Persons authorized to determine conditions for release; use of two-way audio and video transmission.

(a) Judicial officials may determine conditions for release of persons brought before them or as provided in subsection (b) of this section, in accordance with this Article.

(b) Any proceeding under this Article to determine, modify, or revoke conditions of pretrial release in a noncapital case may be conducted by an audio and video transmission between the judicial official and the defendant in which the parties can see and hear each other. If the defendant has counsel, the defendant shall be allowed to communicate fully and confidentially with his attorney during the proceeding. Upon motion of the defendant, the court may not use an audio and video transmission.

(c) Prior to the use of audio and video transmission pursuant to subsection (b) of this section, the procedures and type of equipment for audio and video transmission shall be submitted to the Administrative Office of the Courts by the senior regular resident superior court judge for a judicial district or set of districts and approved by the Administrative Office of the Courts.

§ 15A-941. Arraignment before judge only upon written request; use of two-way audio and video transmission; entry of not guilty plea if not arraigned.

(a) Arraignment consists of bringing a defendant in open court or as provided in subsection (b) of this section before a judge having jurisdiction to try the offense, advising him of the charges pending against him, and directing him to plead. The prosecutor must read the charges or fairly summarize them to the defendant. If the defendant fails to plead, the court must record that fact, and the defendant must be tried as if he had pleaded not guilty.

(b) An arraignment in a noncapital case may be conducted by an audio and video transmission between the judge and the defendant in which the parties can see and hear each other. If the defendant has counsel, the defendant shall be allowed to communicate fully and confidentially with his attorney during the proceeding.

(c) Prior to the use of audio and video transmission pursuant to subsection (b) of this section, the procedures and type of equipment for audio and video transmission shall be submitted to the Administrative Office of the Courts by the senior regular resident superior court judge for the judicial district or set of districts and approved by the Administrative Office of the Courts.

(d) A defendant will be arraigned in accordance with this section only if the defendant files a written request with the clerk of superior court for an arraignment not later than 21 days after service of the bill of indictment. If a bill of indictment is not required to be served pursuant to G.S. 15A-630, then the written request for arraignment must be filed not later than 21 days from the date of the return of the indictment as a true bill. Upon the return of the indictment as a true bill, the court must immediately cause notice of the 21-day time limit within which the defendant may request an arraignment to be mailed or otherwise given to the defendant and to the defendant's counsel of record, if any. If the defendant does not file a written request for arraignment, then the court shall enter a not guilty plea on behalf of the defendant.

(e) Nothing in this section shall prevent the district attorney from calendaring cases for administrative purposes.

§ 15A-601. First appearance before a district court judge; right in felony and other cases in original jurisdiction of superior court; consolidation of first appearance before magistrate and before district court judge; first appearance before clerk of superior court; use of two-way audio and video transmission.

(a) Any defendant charged in a magistrate's order under G.S. 15A-511 or criminal process under Article 17 of this Chapter, Criminal Process, with a crime in the original jurisdiction of the superior court must be brought before a district court judge in the district court district as defined in G.S. 7A-133 in which the crime is charged to have been committed. This first appearance before a district court judge is not a critical stage of the proceedings against the defendant.

(a1) A first appearance in a noncapital case may be conducted by an audio and video transmission between the judge and the defendant in which the parties can see and hear each other. If the defendant has counsel, the defendant shall be allowed to communicate fully and confidentially with his attorney during the proceeding.

(a2) Prior to the use of audio and video transmission pursuant to subsection (a1) of this section, the procedures and type of equipment for audio and video transmission shall be submitted to the Administrative Office of the Courts by the senior regular resident superior court judge for a judicial district or set of districts and approved by the Administrative Office of the Courts.

(b) When a district court judge conducts an initial appearance as provided in G.S. 15A-511, he may consolidate those proceedings and the proceedings under this Article.

(c) Unless the defendant is released pursuant to Article 26 of this Chapter, Bail, first appearance before a district court judge must be held within 96 hours after the defendant is taken into custody or at the first regular session of the district court in the county, whichever occurs first. If the defendant is not taken into custody, or is released pursuant to Article 26 of this Chapter, Bail, within 96 hours after being taken into custody, first appearance must be held at the next session of district court held in the county. This subsection does not apply to a defendant whose first appearance before a district court judge has been set in a criminal summons pursuant to G.S. 15A-303(d).

(d) Upon motion of the defendant, the first appearance before a district court judge may be continued to a time certain. The defendant may not waive the holding of the first appearance before a district court judge but he need not appear personally if he is represented by counsel at the proceeding.

(e) The clerk of the superior court in the county in which the defendant is taken into custody may conduct a first appearance as provided in this Article if a district court judge is not available in the county within 96 hours after the defendant is taken into custody. The clerk, in conducting a first appearance, shall proceed under this Article as would a district court judge.

A BILL TO BE ENTITLED

AN ACT TO AUTHORIZE A MAGISTRATE OR OTHER AUTHORIZED JUDICIAL OFFICIAL IN A NONCAPITAL CASE TO CONDUCT AN INITIAL APPEARANCE BY A TWO-WAY AUDIO AND VIDEO PROCEEDING.

In those cases, if the arrest has been without a warrant, the magistrate must prepare a magistrate's order containing a statement of the crime with which the defendant is charged.

(3) If the defendant brought before a magistrate is so unruly as to disrupt and impede the proceedings, becomes unconscious, is grossly intoxicated, or is otherwise unable to understand the procedural rights afforded him by the initial appearance, upon order of the magistrate he may be confined or otherwise secured. (c) Procedure When Arrest Is without Warrant; Magistrate's Order. -- If the person has been arrested, for a crime, without a warrant:

(1) The magistrate must determine whether there is probable cause to believe that a crime has been committed and that the person arrested committed it, and in the manner provided by G.S. 15A-304(d).

(2) If the magistrate determines that there is no probable cause the person must be released.

(3) If the magistrate determines that there is probable cause, he must issue a magistrate's order:

a. Containing a statement of the crime of which the person is accused in the same manner as is provided in G.S. 15A-304(c) for a warrant for arrest, and

b. Containing a finding that the defendant has been arrested without a warrant and that there is probable cause for his detention.

(4) Following the issuance of the magistrate's order, the magistrate must proceed in accordance with subsection (e) and must file the order with any supporting affidavits and records in the office of the clerk.

(d) Procedure When Arrest Is Pursuant to Warrant. -- If the arrest is made pursuant to a warrant, the magistrate must proceed in accordance with subsection (e).

(e) Commitment or Bail. -- If the person arrested is not released pursuant to subsection (c), the magistrate must release him in accordance with Article 26 of this Chapter, Bail, or commit him to an appropriate detention facility pursuant to G.S. 15A-521 pending further proceedings in the case.

(f) Powers Not Limited to Magistrate. -- Any judge, justice, or clerk of the General Court of Justice may also conduct an initial appearance as provided in this section."

Section 2. This act is effective when it becomes law.

MEMORANDUM

TO: Senator Roy Cooper, Chair, Senate Judiciary Committee

FROM: Brenda J. Carter, Committee Co-Counsel

RE: **HOUSE BILL 195 - CLARIFY POST RELEASE SUPERVISION**
Representative Bowie

House Bill 195 is a recommendation of the N.C. Sentencing and Policy Advisory Commission. The bill makes several clarifying changes to post-release supervision. Post-release supervision is the time for which a sentenced prisoner is released from prison before the termination of his maximum prison term. Under current law, offenders convicted of Class B1 through Class E felonies are released from prison nine months before the expiration of their maximum sentence, less earned time credits, and are placed on post-release supervision for nine months (five years for sex offenders). The purposes of post-release supervision, as articulated in the statutes, are to monitor and control the prisoner in the community, to assist the prisoner in reintegrating into society, to collect restitution and other court indebtedness from the prisoner, and to continue the prisoner's treatment or education. An offender violating the conditions of post-release supervision can be returned to prison for up to the maximum sentence. ***A copy of the fiscal note for House Bill 195 is attached; the note indicates no fiscal impact.***

Section 1 amends G.S.15A-1368.6(e), regarding revocation hearings for violation of conditions of post-release supervision. Section 1 clarifies that the 45 day period within which a hearing to revoke post-release supervision must be held, begins to run when the preliminary hearing is held or seven working days have passed since arrest, whichever is sooner.

Section 2 amends the definition of "maximum imposed term" in G.S. 15A-1368(a)(5) by adding the words "or judgments". This is a clarifying amendment.

Sections 3, 4 and 5 amend G.S. 15-196.1, -196.3 and -196.4 respectively by adding post-release supervision to each of these statutes. These statutes deal with credit for time served awaiting hearing of the case.

Section 6 amends G.S. 15A-1368.4, which sets out conditions of post-release supervision. In Subsection (c), language is added that indicates that the Post-release Supervision and Parole Commission will consult with the Division of Adult Probation and Parole in determining what discretionary conditions are appropriate for a supervisee under post-release supervision. Subsection (e), which sets out controlling conditions of post-release supervision, is amended by adding two new conditions which may be imposed on a supervisee under post-release supervision. Subsection (e)(13) provides that the supervisee may be required to remain in one or more specified places for a specific period each day and to be monitored by an electronic device. Subsection (e)(14) provides that the supervisee may be required to submit to supervision by the Intensive Post-Release Supervision Program. Violations of these or other controlling conditions may result in the revocation of the post-release supervision.

Section 7 repeals G.S. 15A-1368.2(e) which states: "The Commission shall choose the level of supervision for supervisees. It may place a supervisee on any available level of supervision, including electronic monitoring, intensive supervision, or regular supervision."

Section 8 makes the act effective December 1, 1997 and applicable to offenses committed on or after that date.

BILL SUMMARY: **H 195. CLARIFY POST-RELEASE SUPERVISION.** *TO IMPLEMENT THE RECOMMENDATION OF THE NORTH CAROLINA SENTENCING AND POLICY ADVISORY COMMISSION TO MAKE CLARIFYING CHANGES TO POST-RELEASE SUPERVISION.* Amends GS 15A-1368.6(e) to provide that the 45-day limit for holding a hearing concerning revocation of supervised release begins (a) when the preliminary hearing required by subsection (b) is held or waived, or (b) seven working days after arrest, whichever is sooner. Amends GS 15A-1368.4(e) to add, as authorized controlling conditions the violation of which may result in revocation of supervised release, (1) that the releasee remain in a specified place and wear a device allowing compliance to be monitored electronically; and (2) that the releasee submit to intensive post-release supervision under GS 143B-262(c). Repeals GS 15A-1368.2(e), which allows Post-Release Supervision and Parole Comm'n to choose level of supervision for a releasee, including electronic monitoring, intensive supervision, or regular supervision, but does not specify that electronic monitoring and intensive supervision are controlling conditions. ASSUMPTIONS AND METHODOLOGY: This bill makes primarily clarifying or conforming changes to existing statutes concerning revocation hearings and credits towards maximum terms of sentence. These changes should have no impact on the time an offender is incarcerated or on post release supervision. The bill also requires the Parole and Post-Release Supervision Commission to consult with the Division of Adult Probation and Parole on setting conditions of supervision. There is no reason to anticipate this provision would affect the kind or level of supervision ordered for offenders. Finally, the bill includes electronic monitoring and intensive supervision as "controlling" conditions rather than as levels of supervision ordered by the Commission. This last change primarily conforms statute language to current practice. Since offenders are infrequently returned to prison for technical violations, there is no fiscal impact of this provision.

HB 195 also specifies that the 45 day limit for holding a revocation hearing begins after a preliminary hearing or 7 working days after arrest, whichever is sooner. Currently, the count of 45 days begins when the offender is returned to Central Prison. If offenders are still held in county jails at the point the 45 day limit is exhausted and if Department of Correction is unable to transport the offender, a Commissioner would have to travel to hold the hearing where the offender is held. Since revocation hearings will be relatively infrequent (with a supervised parole population of 15,455 in 1995-6, only 173 hearings were held or 1.1%) this cost could be absorbed within existing resources.

The Sentencing Commission has projected no impact on the number of incarcerated offenders and the Judicial Branch has projected no substantial impact on their resources.

HOUSE BILL 195

February 17, 1997

A BILL TO BE ENTITLED

AN ACT TO IMPLEMENT THE RECOMMENDATION OF THE NORTH CAROLINA SENTENCING AND POLICY ADVISORY COMMISSION TO MAKE CLARIFYING CHANGES TO POST-RELEASE SUPERVISION.

The General Assembly of North Carolina enacts:

Section 1. G.S. 15A-1368.6(e) reads as rewritten:

"(e) Revocation Hearing. -- Before finally revoking post-release supervision, the Commission shall, unless the supervisee waived the hearing or the time limit, provide a hearing within 45 days of the supervisee's reconfinement to determine whether to revoke supervision finally. For purposes of this subsection, the 45-day period begins when the preliminary hearing required by subsection (b) of this section is held or waived, or upon the passage of seven working days after arrest, whichever is sooner. The Commission shall adopt rules governing the hearing and shall file and publish them as provided in Article 5 of Chapter 150B of the General Statutes."

Section 2. G.S. 15A-1368(a)(5) reads as rewritten:

"(5) Maximum imposed term. -- The maximum term of imprisonment imposed on an individual prisoner by a court judgment, as described in G.S. 15A-1340.13(c). When a prisoner is serving consecutive prison terms, the maximum imposed term, for purposes of this Article, is the sum of all maximum terms imposed in the court judgment or judgments, less nine months for each of the second and subsequent sentences imposed for Class B through Class E felonies."

Section 3. G.S. 15-196.1 reads as rewritten:

"**§ 15-196.1. Credits allowed.**

The minimum and maximum term of a sentence shall be credited with and diminished by the total amount of time a defendant has spent, committed to or in confinement in any State or local correctional, mental or other institution as a result of the charge that culminated in the sentence. The credit provided shall be calculated from the date custody under the charge commenced and shall include credit for all time spent in custody pending trial, trial de novo, appeal, retrial, or pending ~~parole and probation~~ parole, probation, or post-release supervision revocation hearing: Provided, however, the credit available herein shall not include any time that is credited on the term of a previously imposed sentence to which a defendant is subject."

Section 4. G.S. 15-196.3 reads as rewritten:

"**§ 15-196.3. Effect of credit.**

Time creditable under this section shall reduce the minimum and maximum term of a sentence; and, irrespective of sentence, shall reduce the time required to attain privileges made available to inmates in the custody of the State Department of Correction which are dependent, in whole or in part, upon the passage of a specific length of time in custody, including parole or post-release supervision consideration by the ~~State Board of Paroles.~~ Post-Release Supervision and Parole Commission. However, nothing in this section shall be construed as requiring an automatic award of privileges by virtue of the passage of time."

Section 5. G.S. 15-196.4 reads as rewritten:

"**§ 15-196.4. Procedures for judicial award.**

Upon sentencing or activating a sentence, the judge presiding shall determine the credits to which the defendant is entitled and shall cause the clerk to transmit to the custodian of the defendant a statement of allowable credits. Upon committing a defendant upon the conclusion of an appeal, or a ~~parole or probation~~ parole, probation, or post-release supervision revocation, the committing authority shall determine any credits allowable on account of these proceedings and shall cause to be transmitted, as in all other cases, a statement of the allowable credit to the custodian of the defendant. Upon reviewing a petition seeking credit not previously allowed, the court shall determine the credits due and forward an order setting forth the allowable credit to the custodian of the petitioner."

Section 6. G.S. 15A-1368.4 reads as rewritten:

"**§ 15A-1368.4. Conditions of post-release supervision.**

(a) In General. -- Conditions of post-release supervision may be reintegrative in nature or designed to control the supervisee's behavior and to enforce compliance with law or judicial order. A supervisee may have his supervision period revoked for any violation of a controlling condition or for repeated violation of a reintegrative condition. Compliance with reintegrative conditions may entitle a supervisee to earned time credits as described in G.S. 15A-1368.2(d).

(b) Required Condition. -- The Commission shall provide as an express condition of every release that the supervisee not commit another crime during the period for which the supervisee remains subject to revocation. A supervisee's failure to comply

with this controlling condition is a supervision violation for which the supervisee may face revocation as provided in G.S. 15A-1368.3.

(b1) Additional Required Conditions for Sex Offenders and Persons Convicted of Offenses Involving Physical, Mental, or Sexual Abuse of a Minor. -- In addition to the required condition set forth in subsection (b) of this section, for a supervisee who has been convicted of an offense which is a reportable conviction as defined in G.S. 14-208.6(4), or which involves the physical, mental, or sexual abuse of a minor, controlling conditions, violations of which may result in revocation of post-release supervision, are:

(1) Register as required by G.S. 14-208.7 if the offense is a reportable conviction as defined by G.S. 14-208.6(4).

(2) Participate in such evaluation and treatment as is necessary to complete a prescribed course of psychiatric, psychological, or other rehabilitative treatment as ordered by the Commission.

(3) Not communicate with, be in the presence of, or found in or on the premises of the victim of the offense.

(4) Not reside in a household with any minor child if the offense is one in which there is evidence of sexual abuse of a minor.

(5) Not reside in a household with any minor child if the offense is one in which there is evidence of physical or mental abuse of a minor, unless a court of competent jurisdiction expressly finds that it is unlikely that the defendant's harmful or abusive conduct will recur and that it would be in the child's best interest to allow the supervisee to reside in the same household with a minor child.

(c) Discretionary Conditions. -- The Commission, in consultation with the Division of Adult Probation and Parole, may ~~in its discretion~~ impose conditions on a supervisee it believes reasonably necessary to ensure that the supervisee will lead a law-abiding life or to assist the supervisee to do so.

(d) Reintegrative Conditions. -- Appropriate reintegrative conditions, for which a supervisee may receive earned time credits against the length of the supervision period, and repeated violation that may result in revocation of post-release supervision, are:

(1) Work faithfully at suitable employment or faithfully pursue a course of study or vocational training that will equip the supervisee for suitable employment.

(2) Undergo available medical or psychiatric treatment and remain in a specified institution if required for that purpose.

(3) Attend or reside in a facility providing rehabilitation, instruction, recreation, or residence for persons on post-release supervision.

(4) Support the supervisee's dependents and meet other family responsibilities.

(5) In the case of a supervisee who attended a basic skills program during incarceration, continue attending a basic skills program in

pursuit of a General Education Development Degree or adult high school diploma.

(6) Satisfy other conditions reasonably related to reintegration into society.

(e) Controlling Conditions. -- Appropriate controlling conditions, violation of which may result in revocation of post-release supervision, are:

(1) Not use, possess, or control any illegal drug or controlled substance unless it has been prescribed for the supervisee by a licensed physician and is in the original container with the prescription number affixed on it; not knowingly associate with any known or previously convicted users, possessors, or sellers of any such illegal drugs or controlled substances; and not knowingly be present at or frequent any place where such illegal drugs or controlled substances are sold, kept, or used.

(2) Comply with a court order to pay the costs of reintegrative treatment for a minor and a minor's parents or custodians where the offense involved evidence of physical, mental, or sexual abuse of a minor.

(3) Comply with a court order to pay court costs and costs for appointed counsel or public defender in the case for which the supervisee was convicted.

(4) Not possess a firearm, destructive device, or other dangerous weapon unless granted written permission by the Commission or a post-release supervision officer.

(5) Report to a post-release supervision officer at reasonable times and in a reasonable manner, as directed by the Commission or a post-release supervision officer.

(6) Permit a post-release supervision officer to visit at reasonable times at the supervisee's home or elsewhere.

(7) Remain within the geographic limits fixed by the Commission unless granted written permission to leave by the Commission or the post-release supervision officer.

(8) Answer all reasonable inquiries by the post-release supervision officer and obtain prior approval from the post-release supervision officer for any change in address or employment.

(9) Promptly notify the post-release supervision officer of any change in address or employment.

(10) Submit at reasonable times to searches of the supervisee's person by a post-release supervision officer for purposes reasonably related to the post-release supervision. The Commission shall not require as a condition of post-release supervision that the supervisee submit to any other searches that would otherwise be unlawful. Whenever the search consists of testing for the presence of illegal drugs, the supervisee may also be required to reimburse

the Department of Correction for the actual cost of drug testing and drug screening, if the results are positive.

(11) Make restitution or reparation to an aggrieved party as provided in G.S. 148-57.1.

(12) Comply with an order from a court of competent jurisdiction regarding the payment of an obligation of the supervisee in connection with any judgment rendered by the court.

(13) Remain in one or more specified places for a specified period or periods each day, and wear a device that permits the defendant's compliance with the condition to be monitored electronically.

(14) Submit to supervision by officers assigned to the Intensive Post-Release Supervision Program established pursuant to G.S. 143B-262(c), and abide by the rules adopted for that Program.

(f) Required Supervision Fee. -- The Commission shall require as a condition of post-release supervision that the supervisee pay a supervision fee of twenty dollars ($20.00) per month. The Commission may exempt a supervisee from this condition only if it finds that requiring payment of the fee is an undue economic burden. The fee shall be paid to the clerk of superior court of the county in which the supervisee was convicted. The clerk shall transmit any money collected pursuant to this subsection to the State to be deposited in the State's General Fund. In no event shall a supervisee be required to pay more than one supervision fee per month."

Section 7. G.S. 15A-1368.2(e) is repealed.

Section 8. This act becomes effective December 1, 1997, and applies to offenses committed on or after that date.

MEMORANDUM

TO: Senator Roy Cooper, Chair, Senate Judiciary Committee

FROM: O. Walker Reagan, Committee Co-Counsel and Tim Hovis, House Judiciary II Co-Counsel

RE: **HOUSE BILL 533 - EQUITABLE DISTRIBUTION/DIVISIBLE PROPERTY -** Representative Hackney

House Bill 533 would amend the law of equitable distribution of marital property upon divorce by providing for the distribution of "divisible property" which includes certain property arising from marital assets or actions during the marriage which are realized after separation but before distribution. This bill is a recommendation of the Family Law Section of the North Carolina Bar Association.

Section 1 of the bill adds a new category of property called "divisible property" which is subject to equitable distribution upon divorce. Divisible property is defined as real and personal property that includes the appreciation and diminution in value of marital property and other divisible property acquired after the date of separation and prior to the date of distribution, property received after separation but before distribution acquired as a result of actions of the parties during the marriage but before separation, passive income from marital property received after separation, and increases in marital debt including finance charges and interest related to marital debt.

Section 1 also creates a presumption that an in kind distribution of marital or divisible property is equitable, but allows this presumption to be rebutted by the greater weight of the evidence, or by evidence that the property is a closely held business entity or is otherwise not susceptible of division in kind.

This section also makes it easier for the court to make interim distributions of property prior to the final judgment. Under current law, before an interim distribution may be made, the spouse must show good cause for such a distribution. The bill authorizes the court to make interim distributions unless good cause is shown that such a distribution should **not** be made.

Section 2 of the bill makes changes concerning evidence of the value of marital property. The bill provides that evidence of preseparation and postseparation value is competent as corroborative evidence of the value of martial property as of the date of separation. Divisible property and divisible debt is valued as of the date of distribution.

The bill becomes effective October 1, 1997. The changes to G.S. 50-20(i1), which would encourage interim distribution of marital property, would apply to motions filed on or after that date, and the remainder of the bill would be applicable to actions for equitable distribution filed on or after that date.

A BILL TO BE ENTITLED

AN ACT TO ADD "DIVISIBLE PROPERTY" AS A CATEGORY OF PROPERTY SUBJECT TO EQUITABLE DISTRIBUTION, TO CREATE A REBUTTABLE PRESUMPTION THAT AN IN KIND DISTRIBUTION OF PROPERTY IS EQUITABLE, TO ENCOURAGE INTERIM DISTRIBUTION OF PROPERTY OR DEBT, AND TO ALLOW CERTAIN EVIDENCE OF THE VALUE OF MARITAL PROPERTY, AS RECOMMENDED BY THE FAMILY LAW SECTION OF THE NORTH CAROLINA BAR ASSOCIATION.

The General Assembly of North Carolina enacts:

Section 1. G.S. 50-20 reads as rewritten:

"**§ 50-20. Distribution by court of marital property upon divorce.**

(a) Upon application of a party, the court shall determine what is the marital property and divisible property and shall provide for an equitable distribution of the marital property and divisible property between the parties in accordance with the provisions of this section.

(b) For purposes of this section:

(1) 'Marital property' means all real and personal property acquired by either spouse or both spouses during the course of the marriage and before the date of the separation of the parties, and presently owned, except property determined to be separate property or divisible property in accordance with subdivision (2) or (4) of this subsection. Marital property includes all vested pension, retirement, and other deferred compensation rights, including

military pensions eligible under the federal Uniformed Services Former Spouses' Protection Act. It is presumed that all property acquired after the date of marriage and before the date of separation is marital property except property which is separate property under subdivision (2) of this subsection. This presumption may be rebutted by the greater weight of the evidence.

(2) 'Separate property' means all real and personal property acquired by a spouse before marriage or acquired by a spouse by bequest, devise, descent, or gift during the course of the marriage. However, property acquired by gift from the other spouse during the course of the marriage shall be considered separate property only if such an intention is stated in the conveyance. Property acquired in exchange for separate property shall remain separate property regardless of whether the title is in the name of the husband or wife or both and shall not be considered to be marital property unless a contrary intention is expressly stated in the conveyance. The increase in value of separate property and the income derived from separate property shall be considered separate property. All professional licenses and business licenses which would terminate on transfer shall be considered separate property. The expectation of nonvested pension, retirement, or other deferred compensation rights shall be considered separate property.

(3) 'Distributive award' means payments that are payable either in a lump sum or over a period of time in fixed amounts, but shall not include alimony payments or other similar payments for support and maintenance which are treated as ordinary income to the recipient under the Internal Revenue Code.

The distributive award of vested pension, retirement, and other deferred compensation benefits may be made payable:

a. As a lump sum by agreement;
b. Over a period of time in fixed amounts by agreement;
c. As a prorated portion of the benefits made to the designated recipient at the time the party against whom the award is made actually begins to receive the benefits; or
d. By awarding a larger portion of other assets to the party not receiving the benefits, and a smaller share of other assets to the party entitled to receive the benefits.

Notwithstanding the foregoing, the court shall not require the administrator of the fund or plan involved to make any payments until the party against whom the award is made actually begins to receive the benefits unless a plan under the Employee Retirement Income Security Act (ERISA) permits earlier distribution. The

award shall be determined using the proportion of time the marriage existed, (up to the date of separation of the parties), simultaneously with the employment which earned the vested pension, retirement, or deferred compensation benefit, to the total amount of time of employment. The award shall be based on the vested accrued benefit, as provided by the plan or fund, calculated as of the date of separation, and shall not include contributions, years of service or compensation which may accrue after the date of separation. The award shall include gains and losses on the prorated portion of the benefit vested at the date of separation. No award shall exceed fifty percent (50%) of the benefits the person against whom the award is made is entitled to receive as vested pension, retirement, or other deferred compensation benefits, except that an award may exceed fifty percent (50%) if (i) other assets subject to equitable distribution are insufficient; or (ii) there is difficulty in distributing any asset or any interest in a business, corporation, or profession; or (iii) it is economically desirable for one party to retain an asset or interest that is intact and free from any claim or interference by the other party; or (iv) more than one pension or retirement system or deferred compensation plan or fund is involved, but the benefits awarded may not exceed fifty percent (50%) of the total benefits of all the plans added together; or (v) both parties consent. In no event shall an award exceed fifty percent (50%) if a plan prohibits an award in excess of fifty percent (50%).

In the event the person receiving the award dies, the unpaid balance, if any, of the award shall pass to the beneficiaries of the recipient by will, if any, or by intestate succession, or by beneficiary designation with the plan consistent with the terms of the plan unless the plan prohibits such a designation. In the event the person against whom the award is made dies, the award to the recipient shall remain payable to the extent permitted by the pension or retirement system or deferred compensation plan or fund involved.

The Court may require distribution of the award by means of a qualified domestic relations order, as defined in Section 414(p) of the Internal Revenue Code of 1986. To facilitate the calculation and payment of distributive awards, the administrator of the system, plan or fund may be ordered to certify the total contributions, years of service, and pension, retirement, or other deferred compensation benefits payable.

The provisions of this section and G.S. 50-21 shall apply to all pension, retirement, and other deferred compensation plans and funds, including military pensions eligible under the Federal

Uniform Services Former Spouses Protection Act, and including funds administered by the State pursuant to Articles 84 through 88 of Chapter 58 and Chapters 120, 127A, 128, 135, 143, 143B, and 147 of the General Statutes, to the extent of a member's accrued benefit at the date of separation, as determined by the court.

(4) 'Divisible property' means all real and personal property as set forth below:

a. All appreciation and diminution in value of marital property and divisible property of the parties occurring after the date of separation and prior to the date of distribution, except that appreciation or diminution in value which is the result of postseparation actions or activities of a spouse shall not be treated as divisible property.

b. All property, property rights, or any portion thereof received after the date of separation but before the date of distribution that were acquired as a result of the efforts of either spouse during the marriage and before the date of separation, including, but not limited to, commissions, bonuses, and contractual rights.

c. Passive income from marital property received after the date of separation, including, but not limited to, interest and dividends.

d. Increases in marital debt and financing charges and interest related to marital debt.

(c) There shall be an equal division by using net value of marital property and net value of divisible property unless the court determines that an equal division is not equitable. If the court determines that an equal division is not equitable, the court shall divide the marital property and divisible property equitably. Factors the court shall consider under this subsection are as follows:

(1) The income, property, and liabilities of each party at the time the division of property is to become effective;

(2) Any obligation for support arising out of a prior marriage;

(3) The duration of the marriage and the age and physical and mental health of both parties;

(4) The need of a parent with custody of a child or children of the marriage to occupy or own the marital residence and to use or own its household effects;

(5) The expectation of pension, retirement, or other deferred compensation rights, which is separate property;

(6) Any equitable claim to, interest in, or direct or indirect contribution made to the acquisition of such marital property by the party not having title, including joint efforts or expenditures and contributions and services, or lack thereof, as a spouse, parent, wage earner or homemaker;

(7) Any direct or indirect contribution made by one spouse to help educate or develop the career potential of the other spouse;
(8) Any direct contribution to an increase in value of separate property which occurs during the course of the marriage;
(9) The liquid or nonliquid character of all marital property;
(10) The difficulty of evaluating any component asset or any interest in a business, corporation or profession, and the economic desirability of retaining such asset or interest, intact and free from any claim or interference by the other party;
(11) The tax consequences to each party;
(11a) Acts of either party to maintain, preserve, develop, or expand; or to waste, neglect, devalue or convert such marital property, during the period after separation of the parties and before the time of distribution; and
(12) Any other factor which the court finds to be just and proper.

(c1) Notwithstanding any other provision of law, a second or subsequent spouse acquires no interest in the marital property of his or her spouse from a former marriage until a final determination of equitable distribution is made in the marital property of the spouse's former marriage.

(d) Before, during or after marriage the parties may by written agreement, duly executed and acknowledged in accordance with the provisions of G.S. 52-10 and 52-10.1, or by a written agreement valid in the jurisdiction where executed, provide for distribution of the marital property in a manner deemed by the parties to be equitable and the agreement shall be binding on the parties.

(e) Subject to the presumption of subsection (c) of this section that an equal division is equitable, it shall be presumed in every action that an in kind distribution of marital or divisible property is equitable. This presumption may be rebutted by the greater weight of the evidence. In any action in which the ~~court determines that an equitable distribution of all or portions of the marital property in kind would be impractical,~~ presumption is rebutted, the court in lieu of ~~such~~ in kind distribution shall provide for a distributive award in order to achieve equity between the parties. The court may provide for a distributive award to facilitate, effectuate or supplement a distribution of marital or divisible property. The court may provide that any distributive award payable over a period of time be secured by a lien on specific property.

(f) The court shall provide for an equitable distribution without regard to alimony for either party or support of the children of both parties. After the determination of an equitable distribution, the court, upon request of either party, shall consider whether an order for alimony or child support should be modified or vacated pursuant to G.S. 50-16.9 or 50-13.7.

(g) If the court orders the transfer of real or personal property or an interest therein, the court may also enter an order which shall transfer title, as provided in G.S. 1A-1, Rule 70 and G.S. 1-228.

(h) If either party claims that any real property is marital property, that party may cause a notice of lis pendens to be recorded pursuant to Article 11 of Chapter 1 of the General Statutes. Any person whose conveyance or encumbrance is recorded or whose interest is obtained by descent, prior to the filing of the lis pendens, shall take the real property free of any claim resulting from the equitable distribution proceeding. The court may cancel the notice of lis pendens upon substitution of a bond with surety in an amount determined by the court to be sufficient provided the court finds that the claim of the spouse against property subject to the notice of lis pendens can be satisfied by money damages.

(i) Upon filing an action or motion in the cause requesting an equitable distribution or alleging that an equitable distribution will be requested when it is timely to do so, a party may seek injunctive relief pursuant to G.S. 1A-1, Rule 65 and Chapter 1, Article 37, to prevent the disappearance, waste or conversion of property alleged to be marital property or separate property of the party seeking relief. The court, in lieu of granting an injunction, may require a bond or other assurance of sufficient amount to protect the interest of the other spouse in the marital or separate property. Upon application by the owner of separate property which was removed from the marital home or possession of its owner by the other spouse, the court may enter an order for reasonable counsel fees and costs of court incurred to regain its possession, but such fees shall not exceed the fair market value of the separate property at the time it was removed.

(i1) ~~For good cause shown, including, but not limited to, providing for the subsistence of a spouse while an action is pending,~~ Unless good cause is shown that there should not be an interim distribution, the ~~Court~~ court may, at any time after an action for equitable distribution has been filed and prior to the final judgment of equitable distribution, enter orders declaring what is separate property and may also enter orders dividing part of the marital ~~property~~ property, divisible property or debt, or marital debt, between the parties. The partial distribution may provide for a distributive ~~award.~~ award and may also provide for a distribution of marital property, marital debt, divisible property, or divisible debt. Any such orders entered shall be taken into consideration at trial and proper credit given.

Hearings held pursuant to this subsection may be held at sessions arranged by the chief district court judge pursuant to G.S. 7A-146 and, if held at such sessions, shall not be subject to the reporting requirements of G.S. 7A-198.

(j) In any order for the distribution of property made pursuant to this section, the court shall make written findings of fact that support the determination that the marital property has been equitably divided.

(k) The rights of the parties to an equitable distribution of marital property are a species of common ownership, the rights of the respective parties vesting at the time of the parties' separation."

Section 2. G.S. 50-21(b) reads as rewritten:

"(b) For purposes of equitable distribution, marital property shall be valued as of the date of the separation of the ~~parties.~~ parties, and evidence of preseparation and postseparation occurrences or values is competent as corroborative evidence of the

value of marital property as of the date of the separation of the parties. Divisible property and divisible debt shall be valued as of the date of distribution."

Section 3. The amendments to G.S. 50-20(i1) made by this act become effective October 1, 1997, and apply to motions for interim distribution filed on or after that date. The remainder of this act becomes effective October 1, 1997, and applies to actions for equitable distribution filed on or after that date.

MEMORANDUM

TO: Senator Roy Cooper, Chair, Senate Judiciary Committee

FROM: O. Walker Reagan, Committee Co-Counsel and Tim Hovis, House Judiciary II Committee Co-Counsel

RE: **HOUSE BILL 535 - EQUITABLE DISTRIBUTION/RETIREMENT -** Representative Hackney.

House Bill 535 would amend the law involving the equitable distribution of marital property by providing that nonvested pension, retirement and other deferred compensation benefits acquired during marriage are considered marital property and are subject to consideration for division under equitable distribution. The bill is a recommendation of the Family Law Section of the North Carolina Bar Association.

House Bill 535 rewrites the distributive award provision of the equitable distribution law related to pensions, retirement and other deferred compensation by adding a new section as G.S. 50-20.1. This new section copies the existing law for the distribution of vested pension, retirement and other deferred compensation and adds nonvested pension, retirement, and other deferred compensation rights as marital property for the purposes of equitable distribution. The bill authorizes the award of nonvested pension and retirement benefits in the same ways as permitted for vested funds: (1) in lump sum payments; (2) payments over a period of time; or (3) as a prorated portion of the benefits at the time the benefits are received, but does not permit awarding a larger portion of other assets in compensation for the nonvested funds, as is permitted for vested funds.

As is the current law, the award is determined using the proportion of time the marriage existed simultaneously with the employment which earned the benefits to the total time of employment. Benefits accrued after the date of separation are not included. The award may not exceed 50% of the benefits unless other assets subject to equitable distribution are insufficient or difficult to distribute. If the award recipient dies, the award passes to the recipient's beneficiaries. If the person against whom the award is made

dies, the award remains payable to the recipient to the extent allowed by the retirement or pension plan.

House Bill 535 becomes effective October 1, 1997 and applies to actions for equitable distribution filed on or after that date.

A BILL TO BE ENTITLED

AN ACT TO INCLUDE NONVESTED PENSION, RETIREMENT, AND OTHER DEFERRED COMPENSATION RIGHTS AS MARITAL PROPERTY, AS RECOMMENDED BY THE FAMILY LAW SECTION OF THE NORTH CAROLINA BAR ASSOCIATION.

The General Assembly of North Carolina enacts:

Section 1. Chapter 50 of the General Statutes is amended by adding the following new section to read:

"**§ 50-20.1. Pension and retirement benefits.**

(a) The award of vested pension, retirement, or other deferred compensation benefits may be made payable:

(1) As a lump sum by agreement;

(2) Over a period of time in fixed amounts by agreement;

(3) By appropriate domestic relations order as a prorated portion of the benefits made to the designated recipient at the time the party against whom the award is made actually begins to receive the benefits; or

(4) By awarding a larger portion of other assets to the party not receiving the benefits and a smaller share of other assets to the party entitled to receive the benefits.

(b) The award of nonvested pension, retirement, or other deferred compensation benefits may be made payable:

(1) As a lump sum by agreement;

(2) Over a period of time in fixed amounts by agreement; or

(3) By appropriate domestic relations order as a prorated portion of the benefits made to the designated recipient at the time the party against whom the award is made actually begins to receive the benefits.

(c) Notwithstanding the provisions of subsections (a) and (b) of this section, the court shall not require the administrator of the fund or plan involved to make any payments until the party against whom the award is made actually begins to receive the benefits unless the plan permits an earlier distribution.

(d) The award shall be determined using the proportion of time the marriage existed (up to the date of separation of the parties), simultaneously with the employment which earned the vested and nonvested pension, retirement, or deferred compensation benefit, to the total amount of time of employment. The award shall be based on the vested and nonvested accrued benefit, as provided by the plan or fund, calculated as of the date of separation, and shall not include contributions, years of service, or compensation which may accrue after the date of separation. The award shall include gains and losses on the prorated portion of the benefit vested at the date of separation.

(e) No award shall exceed fifty percent (50%) of the benefits the person against whom the award is made is entitled to receive as vested and nonvested pension, retirement, or other deferred compensation benefits, except that an award may exceed fifty percent (50%) if (i) other assets subject to equitable distribution are insufficient; or (ii) there is difficulty in distributing any asset or any interest in a business, corporation, or profession; or (iii) it is economically desirable for one party to retain an asset or interest that is intact and free from any claim or interference by the other party; or (iv) more than one pension or retirement system or deferred compensation plan or fund is involved, but the benefits award may not exceed fifty percent (50%) of the total benefits of all the plans added together; or (v) both parties consent. In no event shall an award exceed fifty percent (50%) if a plan prohibits an award in excess of fifty percent (50%).

(f) In the event the person receiving the award dies, the unpaid balance, if any, of the award shall pass to the beneficiaries of the recipient by will, if any, or by intestate succession, or by beneficiary designation with the plan consistent with the terms of the plan unless the plan prohibits such designation. In the event the person against whom the award is made dies, the award to the recipient shall remain payable to the extent permitted by the pension or retirement system or deferred compensation plan or fund involved.

(g) The court may require distribution of the award by means of a qualified domestic relations order, or as defined in section 414(p) of the Internal Revenue Code of 1986, or by other appropriate order. To facilitate the calculating and payment of distributive awards, the administrator of the system, plan, or fund may be ordered to certify the total contributions, years of service, and pension, retirement, or other deferred compensation benefits payable.

(h) This section and G.S. 50-21 shall apply to all pension, retirement, and other deferred compensation plans and funds, including vested and nonvested military pensions eligible under the federal Uniform Services Former Spouses Protection Act, and including funds administered by the State pursuant to Articles 84 through 88 of Chapter 58 and Chapters 120, 127A, 128, 135, 143, 143B, and 147 of the General Statutes, to the extent of a member's accrued benefit at the date of separation, as determined by the court."

Section 2. G.S. 50-20(b)(1) reads as rewritten:

"(1) 'Marital property' means all real and personal property acquired by either spouse or both spouses during the course of the marriage and before the date of the separation of the parties, and presently owned, except property determined to be separate property in accordance with subdivision (2) of this subsection. Marital property includes all vested and nonvested pension, retirement, and other deferred compensation rights, ~~including~~ and vested and nonvested military pensions eligible under the federal Uniformed Services Former Spouses' Protection Act. It is presumed that all property acquired after the date of marriage and before the date of separation is marital property except property which is separate property under subdivision (2) of this subsection. This presumption may be rebutted by the greater weight of the evidence."

Section 3. G.S. 50-20(b)(2) reads as rewritten:

"(2) 'Separate property' means all real and personal property acquired by a spouse before marriage or acquired by a spouse by bequest, devise, descent, or gift during the course of the marriage. However, property acquired by gift from the other spouse during the course of the marriage shall be considered separate property only if such an intention is stated in the conveyance. Property acquired in exchange for separate property shall remain separate property regardless of whether the title is in the name of the husband or wife or both and shall not be considered to be marital property unless a contrary intention is expressly stated in the conveyance. The increase in value of separate property and the income derived from separate property shall be considered separate property. All professional licenses and business licenses which would terminate on transfer shall be considered separate property. ~~The expectation of nonvested pension, retirement, or other deferred compensation rights shall be considered separate property.~~"

Section 4. G.S. 50-20(b)(3) reads as rewritten:

"(3) 'Distributive award' means payments that are payable either in a lump sum or over a period of time in fixed amounts, but shall not include alimony payments or other similar payments for support and maintenance which are treated as ordinary income to the recipient under the Internal Revenue Code.

~~The distributive award of vested pension, retirement, and other deferred compensation benefits may be made payable:~~

~~a. As a lump sum by agreement;~~

~~b. Over a period of time in fixed amounts by agreement;~~

~~c. As a prorated portion of the benefits made to the designated recipient at the time the party against whom the award is made actually begins to receive the benefits; or~~

~~d. By awarding a larger portion of other assets to the party not receiving the benefits, and a smaller share of other assets to the party entitled to receive the benefits.~~

~~Notwithstanding the foregoing, the court shall not require the administrator of the fund or plan involved to make any payments until the party against whom the award is made actually begins to receive the benefits unless a plan under the Employee Retirement Income Security Act (ERISA) permits earlier distribution. The award shall be determined using the proportion of time the marriage existed, (up to the date of separation of the parties), simultaneously with the employment which earned the vested pension, retirement, or deferred compensation benefit, to the total amount of time of employment. The award shall be based on the vested accrued benefit, as provided by the plan or fund, calculated as of the date of separation, and shall not include contributions, years of service or compensation which may accrue after the date of separation. The award shall include gains and losses on the prorated portion of the benefit vested at the date of separation. No award shall exceed fifty percent (50%) of the benefits the person against whom the award is made is entitled to receive as vested pension, retirement, or other deferred compensation benefits, except that an award may exceed fifty percent (50%) if (i) other assets subject to equitable distribution are insufficient; or (ii) there is difficulty in distributing any asset or any interest in a business, corporation, or profession; or (iii) it is economically desirable for one party to retain an asset or interest that is intact and free from any claim or interference by the other party; or (iv) more than one pension or retirement system or deferred compensation plan or fund is involved, but the benefits awarded may not exceed fifty percent (50%) of the total benefits of all the plans added together; or (v) both parties consent. In no event shall an award exceed fifty percent (50%) if a plan prohibits an award in excess of fifty percent (50%).~~

~~In the event the person receiving the award dies, the unpaid balance, if any, of the award shall pass to the beneficiaries of the recipient by will, if any, or by intestate succession, or by beneficiary designation with the plan consistent with the terms of~~

~~the plan unless the plan prohibits such a designation. In the event the person against whom the award is made dies, the award to the recipient shall remain payable to the extent permitted by the pension or retirement system or deferred compensation plan or fund involved.~~

~~The Court may require distribution of the award by means of a qualified domestic relations order, as defined in Section 414(p) of the Internal Revenue Code of 1986. To facilitate the calculation and payment of distributive awards, the administrator of the system, plan or fund may be ordered to certify the total contributions, years of service, and pension, retirement, or other deferred compensation benefits payable.~~

~~The provisions of this section and G.S. 50-21 shall apply to all pension, retirement, and other deferred compensation plans and funds, including military pensions eligible under the Federal Uniform Services Former Spouses Protection Act, and including funds administered by the State pursuant to Articles 84 through 88 of Chapter 58 and Chapters 120, 127A, 128, 135, 143, 143B, and 147 of the General Statutes, to the extent of a member's accrued benefit at the date of separation, as determined by the court.~~"

Section 5. G.S. 50-20(c) reads as rewritten:

"(c) There shall be an equal division by using net value of marital property unless the court determines that an equal division is not equitable. If the court determines that an equal division is not equitable, the court shall divide the marital property equitably. Factors the court shall consider under this subsection are as follows:

(1) The income, property, and liabilities of each party at the time the division of property is to become effective;

(2) Any obligation for support arising out of a prior marriage;

(3) The duration of the marriage and the age and physical and mental health of both parties;

(4) The need of a parent with custody of a child or children of the marriage to occupy or own the marital residence and to use or own its household effects;

(5) The expectation of ~~nonvested~~ pension, retirement, or other deferred compensation ~~rights, which is separate property;~~ rights that are not marital property;

(6) Any equitable claim to, interest in, or direct or indirect contribution made to the acquisition of such marital property by the party not having title, including joint efforts or expenditures and contributions and services, or lack thereof, as a spouse, parent, wage earner or homemaker;

(7) Any direct or indirect contribution made by one spouse to help educate or develop the career potential of the other spouse;

(8) Any direct contribution to an increase in value of separate property which occurs during the course of the marriage;
(9) The liquid or nonliquid character of all marital property;
(10) The difficulty of evaluating any component asset or any interest in a business, corporation or profession, and the economic desirability of retaining such asset or interest, intact and free from any claim or interference by the other party;
(11) The tax consequences to each party;
(11a) Acts of either party to maintain, preserve, develop, or expand; or to waste, neglect, devalue or convert such marital property, during the period after separation of the parties and before the time of distribution; and
(12) Any other factor which the court finds to be just and proper."

Section 6. This act becomes effective October 1, 1997, and applies to actions for equitable distribution filed on and after that date.

MEMORANDUM

TO: Senator Roy Cooper, Chair, Senate Judiciary Committee

FROM: O. Walker Reagan, Committee Co-Counsel

RE: **PROPOSED SENATE COMMITTEE SUBSTITUTE FOR HOUSE BILL 433 - CONCEALED HANDGUN EXEMPTION** - Representative Gulley.

The Proposed Senate Committee Substitute for House Bill 433 would exempt certain current and recently retired law enforcement officers from the training requirement in order to be eligible for a conceal handgun permit.

Section 1 of the bill adds a new section to the Concealed Handgun law to exempt qualified sworn law enforcement officers and qualified former sworn law enforcement officers from having to take and successfully complete an approved firearms safety and training course that involves actual firing of handguns and instruction in the laws of North Carolina governing the carrying of a concealed handgun and the use of deadly force.

Section 2 adds two new definitions for "qualified former sworn law enforcement officer" and "qualified sworn law enforcement officer". **A qualified former officer** is a person who has retired from a North Carolina State or local law enforcement agency for reasons other than mental disability, who has been retired two years or less and who immediately before retirement was a qualified law enforcement officer in NC, has nonforfeitable rights to benefits as a retired law enforcement officer, and who is not prohibited by State or federal law from receiving a firearm. **A qualified current officer** is one would is currently employed by a local or State law enforcement agency who is authorized to carry a handgun while on duty, is not subject to disciplinary action which could prevent the carrying of a handgun, and who meets the requirements of the agency regarding handguns.

Section 3 adds a provision to the permit form statute to require information on the law enforcement status of the applicant for a concealed handgun permit.

The bill becomes effective December 1, 1997.

Section 2. G.S. 75A-5(l) reads as rewritten:

MEMORANDUM

TO: Senator Roy Cooper, Chair, Senate Judiciary Committee

FROM: Brenda J. Carter, Committee Co-Counsel

RE: **SENATE BILL 360 - BOAT NUMBER FEES**
Proposed Committee Substitute
Senator Albertson

Senate Bill 360 would increase the fee paid to agents of the Wildlife Resources Commission to issue certificates of boat number, and amend the duties of the Wildlife Resources Commission with regard to the appointment of agents for the issuance of boat numbers. The bill would also raise the reporting requirement for boating accidents to damages in excess of $500, and repeal the law requiring permits from the Wildlife Resources Commission to hold regattas and other events.

Every watercraft or structure, other than a seaplane on the water, which is used or capable of being used as a means of transportation or habitation on the water is required to be numbered. No person may operate or give permission for the operation of a vessel unless the certificate of number awarded to the vessel is in full force and effect, and the identifying number is set forth on the certificate of number and is displayed on each side of the bow. Under G.S. 75A-5 (copy attached), the owner of each vessel requiring numbering by this State must file an application for number with the Wildlife Resources Commission. The applicant has the option of selecting a 1-year or a 3-year numbering period. The Commission may authorize any person to act as agent for the awarding of certificates of number.

Section 1 of the bill provides that the Wildlife Resources Commission may use agents for vessel transactions covering both certificates of number and certificates of title; Parts 1 and 4 of Article 75A. It also changes the compensation paid to agents for handling the various vessel transactions. Currently agents issuing boat number certificates retain 50 cents per transaction. The bill establishes a schedule of commissions to be received from the statutory fee as follows:

1. Renewal of vessel registration: $3.00.
2. Transfer of ownership and registration of vessel: $3.00.
3. Issuance of a new certificate of vessel number and registration: $3.00.
4. Issuance of duplicate vessel registration: $0.50.
5. Issuance, transfer, duplication of lien recordation of vessel title: $3.00.

Fees for three year certificates of number are $20. Fees for the issuance of a certificate of title are $20 for each title and $10 for each transfer of title, duplicate title, or recording of a supplemental lien.

Section 2 of the bill amends G.S. 75A-5(1) regarding the appointment of agents for the issuance of boat numbers. It rewrites the Commission's authority to establish administrative guidelines with respect to agent qualifications, agent duties, methods to ensure accountability and security for proceeds and unissued certificate numbers, security bond requirements, methods and procedures for relieving agents of responsibilities, and any other requirements or conditions deemed necessary. It provides that a late penalty of 25% of the issuing fee will be assessed against an agent for all remittances to the Commission after the fifteenth day of the month immediately following the month of sale.

Section 3 of the bill amends G.S. 75A-11(b) to increase the threshold for the required reporting of boating accidents from $100 to $500 in property damage.

Section 4 of the bill repeals G.S. 75A-14 , which requires a permit for regattas, boat races, marine parades, tournaments, or exhibitions on the waters of this State.

The bill would be effective when it becomes law.

Short Title: Nash and Edgecombe Room Taxes. (Local)

April 7, 1997

A BILL TO BE ENTITLED

AN ACT TO AUTHORIZE NASH COUNTY TO LEVY AN ADDITIONAL ROOM OCCUPANCY AND TOURISM DEVELOPMENT TAX AND TO AUTHORIZE EDGECOMBE COUNTY TO LEVY A ROOM OCCUPANCY AND TOURISM DEVELOPMENT TAX.

The General Assembly of North Carolina enacts:

Section 1. Nash Occupancy Tax. Section 1 of Chapter 32 of the 1987 Session Laws, as amended by Chapter 545 of the 1993 Session Laws, reads as rewritten:

"Section 1. Occupancy tax. (a) Authorization and scope. The Nash County Board of Commissioners may ~~by resolution, after not less than ten (10) days' public notice and after a public hearing held pursuant thereto,~~ levy a room occupancy tax of three percent (3%) of the gross receipts derived from the rental of any room, lodging, or similar accommodation furnished by a hotel, motel, inn, or similar place within the county that is subject to sales tax imposed by the State under G.S. ~~105-164.4(3).~~ 105-164.4(a)(3). This tax is in addition to any State or local sales tax. This tax does not apply to accommodations furnished by nonprofit charitable, educational, or religious organizations.

(a1) Authorization of Additional Tax. In addition to the tax authorized by subsection (a) of this section, the Nash County Board of Commissioners may levy an additional room occupancy tax of up to three percent (3%) of the gross receipts derived from the rental of accommodations taxable under subsection (a). The levy, collection, administration, and repeal of the tax authorized by this subsection shall be in accordance with the provisions of this section. Nash County may not levy a tax

under this subsection unless it also levies the tax authorized under subsection (a) of this section.

(b) Administration. A tax levied under this section shall be levied, administered, collected, and repealed as provided in G.S. 153A-155. The penalties provided in G.S. 153A-155 apply to a tax levied under this section.

~~Collection. Every operator of a business subject to the tax levied under this act shall, on and after the effective date of the levy of the tax, collect the tax. This tax shall be collected as part of the charge for furnishing a taxable accommodation. The tax shall be stated and charged separately from the sales records, and shall be paid by the purchaser to the operator of the business as trustee for and on account of the county. The tax shall be added to the sales price and shall be passed on to the purchaser instead of being borne by the operator of the business. The county shall design, print, and furnish to all appropriate businesses and persons in the county the necessary forms for filing returns and instructions to ensure the full collection of the tax. An operator of a business who collects the occupancy tax levied under this act may deduct from the amount remitted to the county a discount equal to the discount the State allows the operator for collecting State sales and use taxes.~~

~~(c) Administration. The county shall administer a tax levied under this act. A tax levied under this act is due and payable to the county finance officer in monthly installments on or before the 15th day of the month following the month in which the tax accrues. Every person, firm, corporation, or association liable for the tax shall, on or before the 15th day of each month, prepare and render a return on a form prescribed by the county. The return shall state the total gross receipts derived in the preceding month from rentals upon which the tax is levied.~~

~~A return filed with the county finance officer under this act is not a public record as defined by G.S. 132-1 and may not be disclosed except as required by law.~~

~~(d) Penalties. A person, firm, corporation, or association who fails or refuses to file the return required by this act is subject to the civil and criminal penalties set by G.S. 105-236 for failure to pay or file a return for State sales and use taxes. The Board of Commissioners has the same authority to waive the penalties for a room occupancy tax that the Secretary of Revenue has to waive the penalties for State sales and use taxes.~~

(e) Distribution and use of tax revenue. Nash County shall, on a quarterly basis, remit the net proceeds of the occupancy tax to the Nash Tourism Development Authority. The Authority shall spend at least two-thirds of the funds remitted to it under this subsection only to promote travel and tourism in Nash County, and shall spend the remainder on tourism-related expenditures. The following definitions apply in this subsection:

(1) Net proceeds. -- Gross proceeds less the cost to the county of administering and collecting the tax, as determined by the finance officer, not to exceed seven percent (7%) of the amount collected.

(2) Promote travel and tourism. -- To advertise or market an area or activity, publish and distribute pamphlets and other materials, conduct market research, or engage in similar promotional

activities that attract tourists or business travelers to the area; the term includes administrative expenses incurred in engaging in the listed activities.

(3) Tourism-related expenditures. -- Expenditures that are designed to increase the use of lodging facilities in a county or to attract tourists or business travelers to the county and expenditures incurred by the county in collecting the tax. The term includes expenditures to construct, maintain, operate, or market a convention center and other expenditures that, in the judgment of the Authority, will facilitate and support tourism.

~~(f) Effective date of levy. A tax levied under this act shall become effective on the date specified in the resolution levying the tax. That date must be the first day of a calendar month, however, and may not be earlier than the first day of the second month after the date the resolution is adopted.~~

~~(g) Repeal. A tax levied under this act may be repealed by a resolution adopted by the Nash County Board of Commissioners. Repeal of a tax levied under this act does not affect a liability for a tax that was attached before the effective date of the repeal, nor does it affect a right to a refund of a tax that accrued before the effective date of the repeal.~~"

Section 2. County administrative provisions. (a) Article 7 of Chapter 153A of the General Statutes is amended by adding a new section to read:

"**§ 153A-155. Uniform provisions for room occupancy taxes.**

(a) Scope. -- This section applies only to counties the General Assembly has authorized to levy room occupancy taxes.

(b) Levy. -- A room occupancy tax may be levied only by resolution, after not less than 10 days' public notice and after a public hearing held pursuant thereto. A room occupancy tax shall become effective on the date specified in the resolution levying the tax. That date must be the first day of a calendar month, however, and may not be earlier than the first day of the second month after the date the resolution is adopted.

(c) Collection. -- Every operator of a business subject to a room occupancy tax shall, on and after the effective date of the levy of the tax, collect the tax. The tax shall be collected as part of the charge for furnishing a taxable accommodation. The tax shall be stated and charged separately from the sales records, and shall be paid by the purchaser to the operator of the business as trustee for and on account of the taxing county. The tax shall be added to the sales price and shall be passed on to the purchaser instead of being borne by the operator of the business. The taxing county shall design, print, and furnish to all appropriate businesses and persons in the county the necessary forms for filing returns and instructions to ensure the full collection of the tax. An operator of a business who collects a room occupancy tax may deduct from the amount remitted to the taxing county a discount equal to the discount the State allows the operator for State sales and use tax.

(d) Administration. -- The taxing county shall administer a room occupancy tax it levies. A room occupancy tax is due and payable to the county finance officer in

monthly installments on or before the 15th day of the month following the month in which the tax accrues. Every person, firm, corporation, or association liable for the tax shall, on or before the 15th day of each month, prepare and render a return on a form prescribed by the taxing county. The return shall state the total gross receipts derived in the preceding month from rentals upon which the tax is levied. A room occupancy tax return filed with the county finance officer is not a public record and may not be disclosed except in accordance with G.S. 153A-148.1 or G.S. 160A-208.1.

(e) Penalties. -- A person, firm, corporation, or association who fails or refuses to file a room occupancy tax return or pay a room occupancy tax as required by law is subject to the civil and criminal penalties set by G.S. 105-236 for failure to pay or file a return for State sales and use taxes. The governing board of the taxing county has the same authority to waive the penalties for a room occupancy tax that the Secretary of Revenue has to waive the penalties for State sales and use taxes.

(f) Repeal or reduction. -- A room occupancy tax levied by a county may be repealed or reduced by a resolution adopted by the governing body of the county. Repeal or reduction of a room occupancy tax shall become effective on the first day of a month and may not become effective until the end of the fiscal year in which the resolution was adopted. Repeal or reduction of a room occupancy tax does not affect a liability for a tax that was attached before the effective date of the repeal or reduction, nor does it affect a right to a refund of a tax that accrued before the effective date of the repeal or reduction."

(b) This section applies only to Nash and Edgecombe Counties.

Section 3. Edgecombe Occupancy Tax. (a) Authorization and scope. The Edgecombe County Board of Commissioners may levy a room occupancy tax of up to six percent (6%) of the gross receipts derived from the rental of any room, lodging, or similar accommodation furnished by a hotel, motel, inn, or similar place within the county that is subject to sales tax imposed by the State under G.S. 105-164.4(a)(3). This tax is in addition to any State or local sales tax. This tax does not apply to accommodations furnished by nonprofit charitable, educational, or religious organizations.

(b) Administration. A tax levied under this section shall be levied, administered, collected, and repealed as provided in G.S. 153A-155. The penalties provided in G.S. 153A-155 apply to a tax levied under this section.

(c) Distribution and use of tax revenue. Edgecombe County shall, on a quarterly basis, remit the net proceeds of the occupancy tax to the Edgecombe Tourism Development Authority. The Authority shall spend at least two-thirds of the funds remitted to it under this subsection only to promote travel and tourism in Edgecombe County, and shall spend the remainder on tourism-related expenditures. The following definitions apply in this subsection:

(1) Net proceeds. -- Gross proceeds less the cost to the county of administering and collecting the tax, as determined by the finance officer, not to exceed seven percent (7%) of the amount collected.

(2) Promote travel and tourism. -- To advertise or market an area or activity, publish and distribute pamphlets and other materials,

conduct market research, or engage in similar promotional activities that attract tourists or business travelers to the area; the term includes administrative expenses incurred in engaging in the listed activities.

(3) Tourism-related expenditures. -- Expenditures that are designed to increase the use of lodging facilities in a county or to attract tourists or business travelers to the county and expenditures incurred by the county in collecting the tax. The term includes expenditures to construct, maintain, operate, or market a convention center and other expenditures that, in the judgment of the Authority, will facilitate and support tourism.

Section 4. Edgecombe Tourism Development Authority. (a) Appointment and membership. When the Board of Commissioners of Edgecombe County adopts a resolution levying a room occupancy tax under this act, it shall also adopt a resolution creating a county Tourism Development Authority, which shall be a public authority under the Local Government Budget and Fiscal Control Act. The resolution shall provide for the membership of the Authority including the members' qualifications and terms of office, and for the filling of vacancies on the Authority. The board of commissioners shall designate one member of the Authority as chair and shall determine the compensation, if any, to be paid to members of the Authority.

The Authority shall meet at the call of the chair and shall adopt rules of procedure to govern its meetings. The Finance Officer for Edgecombe County shall be the ex officio finance officer of the Authority.

(b) Duties. The Authority shall expend the net proceeds of the tax levied under this act for the purposes provided in Section 3 of this act. The Authority shall promote travel, tourism, and conventions in the county, sponsor tourist-related events and activities in the county, and finance tourist-related capital projects in the county.

(c) Reports. The Authority shall report quarterly and at the close of the fiscal year to the board of commissioners on its receipts and expenditures for the preceding quarter and for the year in such detail as the board may require.

Section 5. This act is effective when it becomes law.

MEMORANDUM

TO: Senator Roy Cooper, Chair, Senate Judiciary Committee

FROM: O. Walker Reagan, Committee Co-Counsel

RE: **PROPOSED SENATE COMMITTEE SUBSTITUTE FOR HOUSE BILL 810 - NASH ADDITIONAL ROOM TAX AND GOLD ROCK ANNEXATION -** Representative Tolson.

The Proposed Senate Committee Substitute for House Bill 810 is a local bill which would allow Nash County to adopt an additional three percent room occupancy tax to be used exclusively for the construction, operation, and marketing of a convention center. The bill would also authorize the City of Rocky Mount to annex 71.70 along Interstate 95 known as Gold Rock.

Nash County currently has a three-percent occupancy tax for the rental of rooms, lodging or similar accommodations furnished by hotels, motels, inns or other similar places. The funds generated by this tax may be spend as two-thirds to promote travel and tourism and one-third for travel related expenditures which include expenditures designed to increase the use of lodging facilities and to attract tourist and business travelers, including a convention center. This bill would authorize an additional three-percent tax but would limit the use of these funds to the convention center.

Section 3 of the bill would authorize the City of Rocky Mount to do a satellite annexation of the Gold Rock - I-95 Interchange. The annexation would have to be effective by at least July 1, 1998.

The bill is effective when it becomes law.

MEMORANDUM

TO: Senator Roy Cooper, Chair, Senate Judiciary Committee

FROM: O. Walker Reagan, Committee Co-Counsel

RE: **SENATE BILL 853 - REVENUE OFFICERS' POLICE POWERS** - Senators Condor and Hoyle.

Senate Bill 853 would authorize the Secretary of Revenue to appoint Department of Revenue employees as revenue law enforcement agents to collect controlled substances and counterfeit drug taxes, and to enforce the criminal provisions of the revenue laws.

Section 1 of the bill would added a new section to the general administration provisions of the state revenue laws by authorizing the Secretary of Revenue to appoint employees of the Criminal Investigations Division to enforce criminal laws related to tax administration and enforcement, and employees of the Controlled Substances Tax Division to enforce the excise tax on controlled substances. All revenue law enforcement officers must be certified as a criminal justice officer by the North Carolina Criminal Justice Education and Training Standards Commission as are all other sworn law enforcement officers. Under this section these law enforcement officers would be given statewide jurisdiction but would be limited to the subject matter jurisdiction for which they were appointed, which would limit their jurisdiction to tax administration and enforcement or controlled substances excise tax collection. The officer will have the full power of arrest within these subject matter jurisdictions.

Section 2 adds revenue law enforcement officers to officers covered by the NC Criminal Justice Education and Training Standards Commission.

Section 3 excludes revenue law enforcement officers from the definition of "law-enforcement officer" under the Teachers and State Employees Retirement System. Section 4 excludes these officers from the State Law-Enforcement Officers Retirement Fund law. Section 5 adds these officers to Salary Continuation Plan for Certain State Law-Enforcement Officers law.

AN EQUAL OPPORTUNITY/AFFIRMATIVE ACTION EMPLOYER

Section 6 appropriates to the Department of Revenue $67,503 for FY 97-98 and $45,385 for FY 98-99 to provide retirement and longevity costs for certified revenue law enforcement officers and to fund equipment and training.

The bill becomes effective July 1, 1997.

MEMORANDUM

TO: Senator Roy Cooper, Chair, Senate Judiciary Committee

FROM: Brenda J. Carter and O. Walker Reagan, Committee Co-Counsel

RE: **SENATE BILL 893 - BINGO REGULATIONS**
Proposed Committee Substitute
Senator Weinstein.

The proposed committee substitute for Senate Bill 893 amends the law governing charitable bingo games to permit jackpot bingo, increase the maximum value of prizes that can be given in these games, increase the fees that may be charged for licensing charitable, non-profit organizations permitted to operate these games. The proposed committee substitute repeals "beach bingo" and provides regulated commercial bingo.

Under current law a qualified charitable, non-profit organization (must meet both federal and State criteria as charitable, non-profit, exempt from taxation) may conduct up to two 5-hour bingo sessions per week, provided that each session is separated by at least two days, with maximum prize limits of $500 per game, $1,500 per session if two session per week are held, or $2,500 if only one session per week is held. The current application fee for a qualified organization to apply for a license is $100 per year.

This bill would make the following changes to the law regarding bingo conducted by exempt organizations:

1. Permits a once a session jackpot bingo game prize of $2,500.
2. Increases the maximum prize limit from $1,500 per session to $3,500 per session.
3. Makes violation of the prize limits (by offer or receipt) a Class I felony.
4. Increases the application fee from $100 to $300 for a regular license and leaves the fee at $100 for a limited occasion permit.

AN EQUAL OPPORTUNITY/AFFIRMATIVE ACTION EMPLOYER

5. Redirects the revenues from the applications fees from the General Fund to a new Bingo Regulation Enforcement Fund.
6. Permits an administrative suspension of the license for games conducted in violation of the law, with a right to a contested case hearing before an administrative law judge under the Administrative Procedures Act.
7. Restricts the days and hours of bingo to the times specified in the license, and makes violation of the provision a Class I felony.
8. Increases the length of a game session from 5 hours to 6 hours.
9. Permits two game sessions to only be separated by 15 hours, instead of 48 hours.
10. Prohibits a person convicted of felonies involving obtaining property under false pretenses or gambling from operating or conducting games under this law.
11. Raises the maximum rent a qualified organization can pay for a facility to conduct the games in from maximum monthly rent equal to 1 ¼% to 1 ½% of the assessed property tax value.
12. Increases penalty for making false statements in annual audit from Class 2 misdemeanor to Class I felony.

All licenses are good for one year and may be renewed upon qualification and payment of the application fee.

Beginning with Section 10 the bill rewrites the law which currently permits "beach bingo" . **Beach bingo** is currently defined as a bingo game for which the prize does not have a value greater than $10 (presumably either cash or merchandise).

Under G.S. 14-309.14 beach bingo may not be held in conjunction with any other lawful bingo game, with any "promotional bingo game" or with any other offering of an opportunity to obtain anything of value, whether for valuable consideration or not. Because G.S. 14-309.14 says that the remainder of the Article does not apply to beach bingo, beach bingo may be held anytime and as frequently as desired by any person or company. Beach bingo is also not subject to any of the licensing or regulatory requirements applicable to charitable bingo. The only restriction or limitation on beach bingo is the limit on the amount of the prize per game. There is no limit on the total number of prizes awarded in a session. The bill renames it "commercial bingo" and provides for the same licensing and supervision that applies to charitable bingo, with the following exceptions:

1. It is a Class I felony to conduct commercial bingo games in violation of the law.
2. A commercial bingo license costs $500
3. Limited to 5 sessions per week ; the length of a session is 7 hours.
4. Maximum prize remains at $10 per game, any violation of limit is Class I felony

Provisions in Section 8 of the bill are applicable to both charitable bingo & commercial bingo. It is a Class I felony for any person to operate a bingo game without a license, or while the license is revoked or suspended.

The substantive provisions of the bill become effective December 1, 1997. DHR has authority to adopt rules to implement the changes made in the law when the bill becomes law.

(c) If the Department of Human Resources finds that any licensed commercial bingo operator who conducts a commercial bingo game is in violation of any applicable provision of this Part, the Secretary, or his designee, may immediately suspend that license for at least 30 days. Within 30 days from the date of suspension, the licensed commercial bingo operator may initiate a contested case pursuant to Chapter 150B of the General Statutes by which an administrative law judge may determine whether there was, in fact, a violation of this Part and whether the Department's actions were proper. The Department may initiate a contested case pursuant to Chapter 150B of the General Statutes by which an administrative law judge may determine if grounds exist to extend the suspension or to permanently revoke the license based on the evidence. It shall not constitute a

violation of any State law to advertise a commercial bingo game conducted in accordance with this Part."

Section 11. Part 2 of Article 37 of Chapter 14 of the General Statutes is amended by adding the following new sections to read:

"**§ 14-309.14A. Licensing procedure for commercial bingo games; qualified premises.**

(a) No person may operate a commercial bingo game at a location without a commercial bingo license. Application for a commercial bingo license shall be made to the Department of Human Resources on a form prescribed by the Department. The Department shall charge an annual application fee of five hundred dollars ($500.00) to defray the cost of issuing commercial bingo licenses, handling commercial bingo audit reports, and regulating the operation of commercial bingo games. The fees collected shall be placed in a special fund known as the Bingo Regulation Enforcement Fund to be used to implement this Part. This commercial bingo license shall expire one year after the granting of the license. This commercial bingo license may be renewed yearly, if the applicant pays the application fee and files an audit with the Department pursuant to G.S. 14-309.14D(b). A copy of the application and commercial bingo license shall be furnished to the local law enforcement agency in the county or municipality in which the licensed commercial bingo operator intends to operate before commercial bingo is conducted by the licensee. The day or days of the week and the time of day a session of commercial bingo shall be operated by a licensed commercial bingo operator shall appear on the face of the license. The license shall be posted in a conspicuous location on the premises at all times when bingo is played.

(b) Each application and renewal application for a commercial bingo license shall contain the following information:

(1) The name and address of the applicant and if the applicant is a corporation or other similar legal entity, the name and home address of each of the officers of the entity as well as the name and address of the directors, or other persons similarly situated, of the entity.

(2) The location at which the applicant will conduct the commercial bingo games. If the premises are leased, a copy of the lease or rental agreement.

(c) A licensed commercial bingo operator may hold a commercial bingo game only in or on property owned either legally or equitably by the licensed commercial bingo operator or leased by the licensed commercial bingo operator from the owner or bona fide property management agent; no subleasing is permitted. The buildings shall be of a permanent nature with approved plumbing for bathrooms, and not movable or of a temporary nature such as a tent or lean-to. All equipment used by the licensed commercial bingo operator in conducting the commercial bingo game shall be owned by the commercial bingo operator.

"§ 14-309.14B. Limit on sessions of commercial bingo.

(a) The number of sessions of commercial bingo conducted by a licensed commercial bingo operator shall be limited to five sessions per week and these sessions shall not exceed seven hours each per session. No two sessions of commercial bingo shall be held within a 15-hour period of time. A licensed commercial bingo operator may conduct a commercial bingo session only on the days of the week and at the time of day selected by that licensed commercial bingo operator in its application for a commercial bingo license and listed on the face of the commercial bingo license. Upon 10 days' prior notice to the Department of Human Resources, a licensed commercial bingo operator may conduct a session of commercial bingo on a day other than that which appears on the face of the commercial bingo license, provided that the conduct of the commercial bingo session would not cause that licensed commercial bingo operator to exceed the session limits during any one calendar week set forth in this section. A separate notice shall be required by the Department of Human Resources for each commercial bingo session which will be conducted on a day other than that which appears on the face of the commercial bingo license.

"§ 14-309.14C. Commercial bingo prizes.

(a) The maximum prize in cash or merchandise that may be offered or paid by a licensed commercial bingo operator for any one commercial bingo game is ten dollars ($10.00). Any winner of a prize for any one commercial bingo game must be paid that prize before the commencement of another commercial bingo game. No commercial bingo game may be held in conjunction with any other lawful bingo game, with any 'promotional bingo game', or with any offering of an opportunity to obtain anything of value, whether for consideration or not. No commercial bingo game may offer free commercial bingo games as a promotion, for prizes or otherwise.

(b) No person shall offer or pay a prize in cash or merchandise greater than ten dollars ($10.00) for any one commercial bingo game. No person shall offer or pay cash or merchandise greater than ten dollars ($10.00) in exchange for a prize offered or paid in cash or merchandise for any one commercial bingo game.

(c) Any person who violates this section shall be guilty of a Class I felony.

"**§ 14-309.14D. Commercial bingo; accounting, enforcement, and use of proceeds.**

(a) All the funds received in connection with a commercial bingo game shall be placed in a separate bank account. No funds may be disbursed from this account except the licensed commercial bingo operator may expend proceeds for prizes, advertising, utilities, and the purchase of supplies and equipment used in playing commercial bingo, taxes and license fees related to bingo and the payment of compensation and for the purposes set forth below for the remaining proceeds. These payments shall be made by consecutively numbered checks. Any proceeds available in the account after payment of the above expenses shall inure to the licensed commercial bingo operator.

(b) An audit of the account required by subsection (a) of this section shall be prepared annually for the period of January 1 through December 31 or otherwise as directed by the Department of Human Resources and shall be filed with the Department of Human Resources at a time directed by the Department of Human Resources. Any person who shall willfully furnish, supply, or otherwise give false information in any audit or statement filed pursuant to this section shall be guilty of a Class I felony.

The audit shall be prepared on a form approved by the Department of Human Resources and shall include the following information:

(1) The number of commercial bingo games conducted by the licensed commercial bingo operator;

(2) The location and date at which each commercial bingo game was conducted and the prize awarded;

(c) All books, papers, records and documents relevant to determining whether a licensed commercial bingo operator or an employee of a licensed commercial bingo operator has acted or is acting in compliance with this section shall be maintained by the licensed commercial bingo operator for three years and shall be open to inspection by the law enforcement agency or its designee, or the district attorney or his designee, or the Department of Human Resources at reasonable times and during reasonable hours. The Department of Human Resources, any district attorney or his designee, or the Attorney General or his designee, or any local law enforcement agency may conduct inspections of premises where commercial bingo is conducted or bingo equipment and supplies are stored and inspect the records of any registrant to ensure compliance with this section.

(d) G.S. 18B-308 shall apply to commercial bingo games."

MEMORANDUM

TO: Senator Roy Cooper, Chair, Senate Judiciary Committee

FROM: O. Walker Reagan, Committee Co-Counsel and Linwood Jones, Counsel to the House Insurance Committee.

RE: **HOUSE BILL 184 - EXEMPT STATE HEALTH PLAN FROM THE RULE MAKING PROVISIONS OF THE ADMINISTRATIVE PROCEDURE ACT -** Representative Redwine.

House Bill 184 would exempt the North Carolina Teachers' and State Employees' Comprehensive Major Medical Plan from the rule making provisions of the Administrative Procedures Act. This bill is a recommendation of the Joint Legislative Administrative Procedure Oversight Committee.

This bill amends the Administrative Procedure Act (APA) by adding the State Employee's Health Plan to the list of six other agencies' processes that are exempt from the rule making requirements of the APA. All state agencies are required to adopt rules which affect the public by formal rule making process unless the agency, or the agency processes, are specifically exempt from these requirements.

Section 1 provides that the State Health Plan is exempt from rule making in administering the provisions of Parts 2 and 3 of Article 3 of Chapter 135 of the General Statutes. These Parts set forth the administrative structure and the benefits package of the Comprehensive Major Medical Plan.

Section 2 ensures more legislative oversight of the State Health Plan by requiring that the legislative Employee Hospital and Medical Benefits Committee meet at least quarterly, and by directing the Executive Administrator of the Plan to report to the Committee on any administrative or medical policies issued, as well as on benefit denials which are appealed to the Board of Trustees. The Employee Hospital and Medical Benefits Committee is charged with reviewing the operation of the Plan.

AN EQUAL OPPORTUNITY/AFFIRMATIVE ACTION EMPLOYER

Section 3 is a conforming amendment that adds a sentence to G.S. 135-39.8 to clarify that rules adopted in accordance with that section are exempt from the provisions of Article 2A of Chapter 150B. G.S. 135-39.8 grants the Executive Administrator and Board of Trustees of the Plan authority to issue rules and regulations to administer the Plan.

Section 4 makes the act effective when it becomes law.

(7) 'Participant' means any person, whether amateur or professional, who engages in an equine activity, whether or not a fee is paid to participate in the equine activity.

"**§ 106-812. Liability.**

SENATE BILL 530

Short Title: Roller Skating Rink Liability. (Public)

Sponsors: Senator Rand.

Referred to: Judiciary.

March 27, 1997

A BILL TO BE ENTITLED

AN ACT TO ALLOCATE THE DUTIES OF ROLLER SKATING RINK OPERATORS AND THE DUTIES OF ROLLER SKATERS AT ROLLER SKATING RINKS AS THESE DUTIES RELATE TO SAFETY AND LIABILITY FOR PERSONAL INJURY.

The General Assembly of North Carolina enacts:

Section 1. The General Statutes are amended by adding a new Chapter to read:

"Chapter 99E.

"Roller Skating Rink Safety and Liability.

"**§ 99E-1. Findings.**

The General Assembly finds:

(1) Roller skating is a sport that is enjoyed on a regular basis by thousands of North Carolina families. It is an affordable sport and a form of exercise for young and old alike.

(2) The stable and efficient operation of roller skating rinks is essential in order to provide a safe and supervised area for roller skaters to practice their sport.

(3) Liability insurance for roller skating rink operators is difficult to find and expensive to maintain.

(4) The number of insurance providers who are willing to issue liability insurance is shrinking, causing a rise in premiums on the insurance that is available.

(5) Roller skating rinks in North Carolina primarily are operated by small, independent businessmen who simply do not have the financial means to pay increasing liability premiums.

(6) Lack of insurance coverage adversely affects the roller skating rink owners as well as patrons who may suffer personal injury due to accidents on the premises of the roller skating rink.

(7) The wholesome and healthy family activity of roller skating should be encouraged.

"§ 99E-2. Definitions.

As used in this Chapter:

(1) 'Operator' means a person or entity who owns, manages, controls, or directs, or who has operational responsibility for a roller skating rink.

(2) 'Roller skater' means an individual wearing roller skates while in a roller skating rink for the purpose of recreational or competitive roller skating. 'Roller skater' includes any individual in the roller skating rink who is an invitee, whether or not this individual pays consideration.

(3) 'Roller skating rink' means a building, facility, or premises that provides an area specifically designed to be used by the public for recreational or competitive roller skating.

(4) 'Spectator' means an individual who is present in a roller skating rink only for the purpose of observing recreational or competitive roller skating.

"§ 99E-3. Duties of an operator.

The operator, to the extent practicable, shall:

(1) Post the duties of roller skaters and spectators and the duties, obligations, and liabilities of the operator as prescribed in this Chapter in conspicuous places in at least three locations in the roller skating rink.

(2) Maintain the stability and legibility of all signs, symbols, and posted notices required under subdivision (1) of this section.

(3) Comply with all roller skating rink safety standards published by the Roller Skating Rink Operators Association, including, but not limited to, the proper maintenance of roller skating equipment and roller skating surfaces.

(4) When the rink is open for sessions, have at least one floor guard on duty for approximately every 200 skaters.

(5) Maintain the skating surface in reasonably safe condition and clean and inspect the skating surface before each session.

(6) Maintain in good condition the railings, kickboards, and wall surrounding the skating surface.

(7) In rinks with step-up or step-down skating surfaces, ensure that the covering on the riser is securely fastened.

(8) Install fire extinguishers and inspect fire extinguishers at recommended intervals.
(9) Provide reasonable security in parking areas during operational hours.
(10) Inspect emergency lighting units periodically to ensure the lights are in proper order.
(11) Keep exit lights and lights in service areas on when skating surface lights are turned off during special numbers.
(12) Check rental skates on a regular basis to ensure the skates are in good mechanical condition.
(13) Prohibit the sale or use of alcoholic beverages on the premises.
(14) Comply with all applicable State and local safety codes.

"**§ 99E-4. Duties of a roller skater.**

Each roller skater shall:

(1) Maintain reasonable control of his or her speed and course at all times.
(2) Heed all posted signs and warnings.
(3) Maintain a proper outlook to avoid other roller skaters and objects.
(4) Accept the responsibility for knowing the range of his or her ability to negotiate the intended direction of travel while on roller skates and to skate within the limits of that ability.
(5) Refrain from acting in a manner that may cause or contribute to the injury of himself, herself, or any other person.

"**§ 99E-5. Assumption of risk.**

Roller skaters and spectators are deemed to have knowledge of and to assume the inherent risks of roller skating, insofar as those risks are obvious and necessary. The obvious and necessary inherent risks include, but are not limited to, injuries that:

(1) Result from incidental contact with other roller skaters or spectators,
(2) Result from falls caused by loss of balance, and
(3) Involve objects or artificial structures properly within the intended path of travel of the roller skater,

and that are not otherwise attributable to a rink operator's breach of the operator's duties as set forth in G.S. 99E-3.

"**§ 99E-6. Defense to suit.**

Assumption of risk pursuant to G.S. 99E-5 is a complete defense to a suit against an operator by a roller skater or a spectator for injuries resulting from any obvious and necessary inherent risks, unless the operator has violated the operator's duties under G.S. 99E-3."

Section 2. This act becomes effective October 1, 1997, and applies to causes of actions arising on or after that date.

MEMORANDUM

TO: Senator Roy Cooper, Chair, Senate Judiciary Committee

FROM: O. Walker Reagan, Committee Co-Counsel and Tim Hovis, House Judiciary II Committee Co-Counsel.

RE: **PROPOSED SENATE COMMITTEE SUBSTITUTE FOR HOUSE BILL 176 - EQUINE ACTIVITIES AND SKATING RINK LIABILITY** - Representative Ives.

The Proposed Senate Committee Substitute for House Bill 176 would provide immunity from certain liability claims arising from the inherent risks of equine activities and roller skating rinks.

Section 1 of the bill creates a new Chapter 99E which provides immunity from liability for personal injury to a participant in equine activities.

G.S. 99E-1 contains various definitions. "Engage in an equine activity" does not including being a spectator unless the spectator places himself in an unauthorized area and in immediate proximity to the equine activity. "Equine activity" includes a broad list of horse-related activities including riding, participating in programs involving horses, training, boarding, inspecting, participating in shows, fairs and other organized activities, hoof trimming and horse shoeing, medical treatment, and agricultural activities. An "equine sponsor" includes those conducting activities for profit, as well as nonprofit. "Equine professional" includes instructors, those who rent equines or equine equipment, those who administer medical treatment, and replacing horseshoes on an equine. The definition of "inherent risks of equine activities" includes those dangers which are an integral part of equine activities. "Participant" means any person engaging in equine activity, amateur or professional, regardless of whether a fee is paid.

G.S. 99E-2 provides that an equine activity sponsor, an equine professional, or any other person engaged in an equine activity, is not liable for personal injuries of a participant resulting from inherent risks of equine activity unless the person knew or

should have known that equipment was faulty, the ability of the participant was not determined, the person willfully and wantonly disregarded the safety of the participant, or the person was otherwise negligent. In addition, this section does not prevent or limit liability under the provisions "set forth in the product liability laws."

G.S. 99E-3 requires signs designed by the Department of Agriculture be maintained in a clearly visible location where equine activities occur warning that under North Carolina law an equine activity sponsor or professional is not liable for personal injuries of the participant resulting from the inherent risks of equine activities. Written contracts must also contain this notice. Failure to post the signs or provide the notice results in no protection from this Chapter.

Section 2 of the bill creates the Roller Skating Rink Safety and Liability Act which would define the responsibilities and liabilities of roller skating rink operators and roller skaters and would create an assumption of the inherent risks of roller skating.

G.S. 99F-1 defines operator of a roller skating rink, roller skater, roller skating rink, and spectator.

G.S. 99F-2 provides a detailed list of the duties of the operator of a rink. These duties include posting applicable rules and operator's liabilities, complying with safety standards, furnishing supervisory personnel, prohibiting alcoholic beverages, complying with State and local safety codes, and not engaging in willful or negligent conduct proximately causing injury.

G.S. 99F-3 defines the duties of a roller skater including maintain control, heeding signs and warnings, maintaining a proper outlook, knowing the range of ability, refraining from acting dangerously.

G.S. 99F-4 establishes an assumption of risk arising from roller skating to risk that are obvious and necessary. This inherent risks include injuries from contact with others, falls, and collisions with structures in the path of travel not otherwise attributable to the operator's breach of duties.

G.S. 99F-5 establishes that assumption of risk under G.S. 99F-4 is a complete defense to suit against an operator by a skater or spectator for injuries resulting obvious and necessary inherent risks, unless the operator has violated the operator's duties.

The bill becomes effective January 1, 1998, and applies to causes of action arising on or after that date.

Memorandum

To: Members of the Senate Judiciary Committee

From: James A. Graham
Commissioner of Agriculture

Date: June 18, 1997

Subject: H.176 - Equine Activities Liability

This bill is very important to the continued growth and development of the horse industry in North Carolina, and we need your support in getting this bill through the Senate.

The Department of Agriculture has a special interest in this legislation because we operate two major horse show facilities in Raleigh and Asheville, and we will soon be operating two more in Williamston and Lumberton.

We are in competition with facilities in other states in booking major horse events. Since at least 37 other states already have similar laws, North Carolina is at a competitive disadvantage in booking major horse events. This legislation is a selling point that horse show facility managers use in booking major events. Since our facilities are largely operated on revenues from shows and events, we must be competitive with other states.

Thank you for your consideration and support.

MEMORANDUM

TO: Senator Roy Cooper, Chair, Senate Judiciary Committee

FROM: Brenda J. Carter, Committee Co-Counsel

RE: **HOUSE BILL 1094 - REPEAL/RECODIFY RAILROAD LAWS**
Representative Culpepper

House Bill 1094 would repeal obsolete or preempted provisions of the General Statutes affecting railroads, and make additional conforming and clarifying changes. The provisions regarding railroads are recodified from Chapter 62 (Public Utilities) to Chapter 136 (Roads and Highways). The bill would be effective when it becomes law.

Sections 1-11 of the bill make various amendments to Chapter 62 of the General Statutes (Public Utilities) to delete provisions related to the regulation of railroads by the Utilities Commission, as follows:

Sections 1-3 of the bill amend the definitions of "common carrier", "private carrier", and "Public utility" as they are used in Chapter 62 of the General Statutes (Public Utilities). As amended in this bill, the terms would no longer include rail carriers.

Section 4 of the bill repeals G.S. 133(h) regarding the Utilities Commission's lack of authority to entertain applications filed on behalf of rail carriers to fix rates for a single commodity or to fix rates for groups of commodities which constitute less than a general rate increase.

Section 5 of the bill rewrites G.S. 62-150 to delete references to a "conductor" in the statute that authorizes the ticket agent of a common carrier to refuse to sell a ticket to an intoxicated person. A similar provision applicable to trains is being added to Chapter 136 by Section 16 of the bill.

Section 6 of the bill rewrites G.S. 62-151 to delete references to a "conductor" and to a "driver of a train" in the statutes that permits the ejection of a passenger refusing to pay fare. A similar provision applicable to trains is being added to Chapter 136 by Section 16 of the bill.

Section 7 of the bill rewrites G.S. 62-152.1(a)(2) to delete references to "carriers by rail" in the statute that provides for uniform rates and joint rate agreements among carriers subject to regulation by the Utilities Commission.

Section 8 of the bill amends G.S. 62-190(a) to delete a reference to railroads in the statute regarding the rights conferred upon pipeline companies for the purpose of constructing and maintaining its pipelines and other works. Pipeline companies are currently given "all the rights and powers given railroads...by this Chapter...".

Section 9 of the bill amends G.S. 62-200(b) regarding penalties for violation of a common carrier's duty to transport freight within a reasonable time. The bill deletes the portion of the law that provides for a penalty in the amount of $15 for the first day and $2 for each succeeding day of unlawful detention or neglect when a shipment is made in carload lots.

Section 10 of the bill amends G.S. 62-300(a) to delete the authority of the Utilities Commission to receive and collect fees and charges from rail carriers for various regulated activities.

Section 11 of the bill repeals G.S. 160A-195, which authorizes a city to regulate the speed at which trains may be operated within the corporate limits and requires that any such ordinance be filed with the Utilities Commission.

Section 12 of the bill amends Chapter 14 by adding a new Article 61 entitled "Trains and Railroads". The new Article makes it a Class 3 misdemeanor to ride on a train without purchasing a ticket, and makes the unauthorized manufacture or transfer of switch-lock keys a Class 1 misdemeanor.

Section 13 of the bill repeals the following provisions in Chapter 62 (Public Utilities) regarding railroads:

GS 62-152	Carriers to establish joint rates.
GS 62-192	Map required for railroad condemnation.
GS 62-207	Regulation of demurrage.
GS 62-221	Engaging in unauthorized business.
GS 62-222	Agreements for through freight and travel.
GS 62-227	Change of route of railroad.
GS 62-228	Obtaining temporary track across railroad.
GS 62-229	Shelter at division points required; failure to provide a misdemeanor.
GS 62-230	Maximum working hours and continuous service of employees; penalty; Commission to enforce.

GS 62-231	Union depots required under certain conditions.
GS 62-232	Construction of sidetracks.
GS 62-233	Operation according to public schedule; certain trains and connections may be required
GS 62-234	Commission may authorize operation of fast mail trains; discontinuance of passenger service
GS 62-238	To require extension or contraction of railroad switching limits.
GS 62-238.1	Ordinances regulating train speeds in municipalities filed with the Commission.
GS 62-239	To fix rate of speed through municipalities; procedure.
GS 62-241	Negligence presumed from killing livestock.
GS 62-242	Liability of railroads for injuries to employees; fellow-servant rule; defective machinery; contributory negligence; assumption of risk; contracts void.
GS 62-243	Violation of rules causing injury; damages.
GS 62-244	Certain employees to wear badges.
GS 62-245	Duty to receive and forward freight tendered; penalty; regulations; charges.
GS 62-246	Partial charges for partial deliveries.
GS 62-247	Commission to establish and regulate stations for freight and passengers; abandonment of station or other facility or diminution of accomodations.

Section 14 of the bill recodifies the remaining provisions of Article 11(Railroads) of Chapter 62. The effect is to remove the railroad provisions from the Public Utilities Chapter, and place them in a new Article 15 in Chapter 136 (Roads and Highways).

Section 15 of the bill authorizes the Department of Transportation, rather than the Utilities Commission, to regulate railroad crossings.

Section 16 of the bill provides that the ticket agent of a passenger train may refuse to sell a ticket to an intoxicated person; an intoxicated person who attempts to board a train after being forbidden by the conductor to do so is guilty of a Class 1 misdemeanor. The bill also provides that a passenger who refuses to pay the fare, or who becomes intoxicated or violates rules may be ejected.

Section 17 makes the bill effective when it becomes law.

(1866-7, c. 105; Code, s. 1995; Rev., s. 2640; C.S., s. 3447; 1963, c. 1165, s. 1.)

The procedure for the hearing of the petition shall be the same as other proceedings of the Commission. The Commission shall hear the facts and if it be found reasonably necessary that the railroad track and right-of-way shall be crossed by a temporary railroad track, the Commission shall so order and prescribe the payment of the expense and the cost. (1931, c. 448; 1933, c. 134, s. 8; 1941, c. 97; 1963, c. 1165, s. 1.)

(a) It shall be the duty of every person that may now or hereafter own, control, or operate any line of railroad in this State, to erect and maintain at every division point where cars are regularly taken out of trains for repairs or construction work, or where other railroad equipment is regularly made, repaired, or constructed, a building or shed with a suitable and sufficient roof over the repair and construction track or tracks so as to provide that all men or employees permanently employed in the construction and repair of cars, trucks, or other railroad equipment of whatever description shall be under shelter and protected during snows, rains, sleets, hot sunshine, and other inclement weather: Provided, the Commission shall have the power to direct the points at which sheds shall be erected, and the character of the sheds: Provided further, that such order shall only be made after a hearing of which public notice shall have been given.

(b) Any person failing to comply with the requirements of this section shall be guilty of a Class 3 misdemeanor, and for each offense shall only be fined not less than one hundred dollars ($100.00) nor more than five hundred dollars ($500.00). (a) It shall be unlawful for any railroad company, its officers or agents, subject to this Article, to require or permit any employee, subject to this Article, to be or remain on duty for a longer period than 16 consecutive hours, and whenever any such employee of such railroad company shall have been continuously on duty for 16 hours he shall be relieved and not required or permitted again to go on duty until he has had at least 10 consecutive hours off duty; and no such employee who has been on duty 16 hours in the aggregate in any 24-hour period shall be required or permitted to continue or again go on duty without having had at least eight consecutive hours off duty: Provided, that no operator, train dispatcher, or other employee who by the use of the telegraph or telephone dispatches, reports, transmits, receives, or delivers orders pertaining to or affecting train movements shall be required or permitted to be or remain on duty for a period longer than nine hours in any 24-hour period in all towers, offices, places, and stations continuously operated night and day, nor for a longer period than 13 hours in all towers, offices, places and stations operated only during the daytime, except in case of emergency, when the employees named in this proviso may be permitted to be and remain on duty for four additional hours in a 24- hour period or not exceeding three days in any week: Provided further, the Commission may, after a full hearing in a particular case and for good cause shown, extend the period within which a common carrier shall comply with the provisions of this proviso as to such case.

(b) Any such railroad company, or any officer or agent thereof, requiring or permitting any employee to go, be or remain on duty in violation of this section shall be liable to a penalty of not to exceed five hundred dollars ($500.00) for each and every violation, to be recovered in suit or suits to be brought in the name of the State of North Carolina on relation of the Commission in the Superior Court of Wake County or of the county in which the violation of this Article occurred; and it shall be the duty of the said Commission to bring such suits upon satisfactory information lodged with it; but no such suit shall be brought after the expiration of one year from date of such violation; and it shall be the duty of said Commission to lodge with the proper district attorneys information of any such violations as may come to its knowledge. In all prosecutions under this Article the common carrier shall be deemed to have had knowledge of all acts of all its officers and agents: Provided, that the provisions of this Article shall not apply to any case of casualty or unavoidable accident or the act of God; nor where the delay was the result of a cause not known to the carrier or its officer or agent in charge of such employee at the time the said employee left a terminal, and which could not have been foreseen: Provided further, that the provisions of this Article shall not apply to the crews of wrecking or relief trains.

(c) It shall be the duty of the Commission to execute and enforce the provisions of this Article, and all powers granted to the Commission are extended to it in the execution thereof. (1911, c. 112, ss. 2, 3, 4; C.S., ss. 6565, 6566, 6567; 1933, c. 134; 1941, c. 97; 1963, c. 1165, s. 1; 1973, c. 47, s. 2.)

§62-231. Union depots required under certain conditions.

The Commission is empowered and directed to require, when practicable, and when the necessities of the case, in its judgment, require, any two or more railroads which now or hereafter may enter any city or town to have one common or union passenger depot for the security, accommodation and convenience of the traveling public, and to unite in the joint undertaking and expense of erecting, constructing and maintaining such union passenger depot, commensurate with the business and revenue of such railroad companies or corporations, on such terms, regulations, provisions and conditions as the Commission shall prescribe. The railroads so ordered to construct a union depot shall have power to condemn land for such purpose, as in case of locating and constructing a line of railroad: Provided, that nothing in this section shall be construed to authorize the Commission to require the construction of such union depot should the railroad companies at the time of application for said order have separate depots, which, in the opinion of the Commission, are adequate and convenient and offer suitable accommodations for the traveling public. (1903, c. 126; Rev., s. 1097; C.S., s. 1042; 1933, c. 134, s. 8; 1941, c. 97; 1963, c. 1165, s. 1.)

§62-232. Construction of sidetracks.

The Commission is empowered and directed to require the construction of sidetracks by any railroad company to industries already established or to be established: Provided, it is shown that the proportion of such revenue accruing to such sidetrack is sufficient within five years to pay the expenses of its construction. This shall not be construed to give the Commission authority to require railroad companies to construct sidetracks more than 500 feet in length. (1899, c. 164, s. 2, subsec. 15; Rev., s. 1097; C.S., s. 1044; 1933, c. 134, s. 8; 1941, c. 97; 1963, c. 1165, s. 1.)

§62-233. Operation according to public schedule; certain trains and connections may be required.

(a) Every railroad corporation shall start and run its cars for the transportation of passengers and property at regular times to be fixed by public notice, and shall furnish sufficient accommodation for the transportation of all such passengers and property as shall, within a reasonable time previous thereto, be offered for transportation at the place of starting and the junction of other railroads and at usual stopping places established for receiving and discharging way passengers and freights for that train, and shall take, transport and discharge such passengers and property at, from and to such places, on the due payment of the freight or fare legally authorized therefor, and shall be liable to the party aggrieved, in an action for damages, for any neglect or refusal in the premises.

(b) The Commission is empowered and directed to require, when practicable and when the necessities of the traveling public, in the judgment of the Commission, demand, that any railroad in this State shall install and operate one or more passenger or freight trains on its road, and also require any two or more railroads having intersecting points to make close connection at such points: Provided, that no order under this section shall be made unless the business of the railroad justifies it. (1871-2, c. 138, s. 35; Code, s. 1963; Rev., s. 2611; 1907, c. 469, s. 3; C.S., ss. 1045, 3475; 1933, c. 134, s. 8; 1941, c. 97; 1963, c. 1165, s. 1.)

§62-234. Commission may authorize operation of fast mail trains; discontinuance of passenger service.

The Commission is hereby empowered, whenever it shall appear wise and proper to do so, to authorize any railroad company to run one or more fast mail trains over its road, which shall stop only at such stations on the line of the road as may be designated by the company: Provided, that in addition to such fast mail train such railroad company shall run at least one passenger train in each direction over its road on every day except Sunday, which shall stop at every station on the road at which passengers may wish to be taken up or put off: Provided further, that nothing in this section shall be construed as preventing the running of local passenger trains on Sunday. The Commission shall have the power in any case in which the convenience and necessity of the traveling public do not require the running of passenger trains upon its railroad to authorize such railroad company to cease the operation of passenger trains as long as the convenience and necessity of the traveling public shall not require such operation. (1893, c. 97; Rev., s. 2614; C.S., s. 3481; 1933, c. 134, s. 8; c. 528; 1941, c. 97, s. 5; 1963, c. 1165, s. 1.)

§62-238. To require extension or contraction of railroad switching limits.

(a) The Commission may require, after notice and hearing to affected persons, the extension or contraction of the switching limits of any railroad or of any terminal or junction served by more than one railroad, in order to prevent discrimination or to serve the public convenience and necessity.

(b) The boundaries of switching limits which have been or may be established hereunder shall be boundaries to be observed by the railroad company, carrier or carriers whether or not the traffic moving into said boundaries or out of said boundaries is either interstate or intrastate in character.

(c) The failure or refusal of any railroad company, carrier or carriers to conform to or obey any decision, rule, regulation or order made by the Commission under the provisions of this section shall subject said railroad company, carrier or carriers refusing or failing to comply herewith to a penalty of five hundred dollars ($500.00); and each day that such failure or refusal to conform to or obey any decision, rule, regulation or order of the Commission shall subject said railroad company, carrier or carriers to a separate and distinct penalty of five hundred dollars ($500.00), the same to be certified to and prosecuted by the Attorney General. (1947, c. 1075, ss. 1-4; 1963, c. 1165, s. 1.)

§ 62-239. To fix rate of speed through municipalities; procedure.

(a) If a railroad company is of the opinion that an ordinance of a municipality through which a line of its railroad passes regulating the speed at which trains may run while passing through said municipality is unreasonable or oppressive, such railroad company may file its petition before the Commission, within 20 days of receipt of the certified copy of the ordinance limiting the speed of the trains within a city as required by G.S. 62-238.1(b), setting forth all the facts, and asking relief against such ordinance, and that the Commission prescribe the rate of speed at which trains may run through said municipality. Upon the filing of the petition a copy thereof shall be mailed, by registered or certified mail, to the mayor or chief officer of the town or municipality, together with a notice from the Commission, setting forth that on a day named in the notice the petition of the railroad company will be heard, and that the municipality named in the petition will be heard at that time in opposition to the prayer of the petition. And upon the return day of the notice the Commission shall hear the petition, but any hearing granted by the Commission shall be had at the municipality where the conditions complained of are alleged to exist, or some member of the said Commission shall take evidence, both for the petition and against it, at such municipality, and report to the full Commission before any decision is made by the Commission.

(b) If the Commission finds that such ordinance is reasonable and just the petition shall be dismissed, and the petitioner shall be taxed with the cost. If the Commission is of the opinion that the ordinance is unreasonable, it shall prescribe the maximum rates of speed for passing through such municipality. Thereafter, the railroad company may run its trains through such municipality at speeds not greater than those prescribed by the Commission, and the ordinance adjudged to be unreasonable shall not be enforced against such railroad company.

(c) If the judgment of the Commission is in favor of the petitioner, the Commission may make such order as to the payment of the costs as shall seem just. It may require either party to pay the same or it may divide the same. (1903, c. 552; Rev., ss. 1101, 1102, 1103; C.S., s. 1058; 1933, c. 134, s. 8; 1941, c. 97; 1957, c. 1152, s. 5; 1963, c. 1165, s. 1; 1985, c. 662, s. 2.)

§62-238.1. Ordinances regulating train speeds in municipalities filed with the Commission.

(a) When an ordinance limiting the speed of trains within the corporate limits of a municipality is enacted, pursuant to G.S. 160A-195, the city enacting the ordinance shall file with the Commission a certified copy of the ordinance plus one additional certified copy for each railroad corporation operating on the tracks through the affected city.

(b) The Commission shall mail a certified copy of each ordinance filed pursuant to subsection (a) of this section, by registered or certified mail with a return receipt requested, to the agent registered pursuant to G.S. 55-13 of each railroad corporation operating on the tracks through the affected city. Thereafter, the Commission shall notify the city of the date of receipt of the certified copy of the ordinance by the registered agent of each railroad corporation affected.

(c) No ordinance limiting train speed within the corporate limits of the city shall become effective until 20 days after the certified copies of the ordinance have been received by all of the registered agents of the railroads pursuant to subsection (b) of this section. (1985, c. 662, s. 1.)

§62-241. Negligence presumed from killing livestock.

When any cattle or other livestock shall be killed or injured by the engine or cars running upon any railroad, it shall be prima facie evidence of negligence on the part of the railroad company in any action for damages against such company: Provided, that no person shall be allowed the benefit of this section unless he shall bring his action within six months after his cause of action shall have accrued. (1856-7, c. 7; Code, s. 2326; Rev., s. 2645; C.S., s. 3482; 1963, c. 1165, s. 1.)

§62-242. Liability of railroads for injuries to employees; fellow-servant rule; defective machinery; contributory negligence; assumption of risk; contracts void.

(a) Any servant or employee of any railroad company operating in this State who shall suffer injury to his person or the personal representative of any such servant or employee who shall have suffered death in the course of his services or employment with such company, by the negligence, carelessness or incompetence of any other servant, employee or agent of the company, or by any defect in the machinery, ways or appliances of the company, shall be entitled to maintain an action against such company. Any contract or agreement, expressed or implied, made by any employee of such company to waive the benefit of this section shall be null and void.

(b) Every common carrier by railroad shall be liable in damages to any person suffering injury while he is employed by such carrier, or in the case of the death of such employee, to his or her personal representative, for such injury or death resulting in whole or in part from the negligence of any of the officers, agents or employees of such carrier, or by reason of any defect or insufficiency, due to its negligence, in its cars, engine, appliances, machinery, track, roadbed, works, boats, wharves, or other equipment.

(c) In all actions hereafter brought against any common carrier by railroad to recover damages for personal injury to an employee, or where such injuries have resulted in his death, the fact that the employee may have been guilty of contributory negligence shall not bar a recovery, but the damages shall be diminished by the jury in proportion to the amount of negligence attributable to such employee: Provided, however, that no such employee who may be injured or killed shall be held to have been guilty of contributory negligence in any case where the violation by such common carrier of any statute enacted for the safety of employees contributed to the injury or death of such employee.

(d) In any action brought against any common carrier under or by virtue of any of the provisions of this section to recover damages for injuries to, or the death of, any of its employees, such employee shall not be held to have assumed the risk of his employment in any case where the violation by such common carrier of any statute enacted for the safety of employees contributed to the injury or death of such employee, or the death or injury was caused by negligence.

(e) Any contract, rule, regulation or device whatsoever, the purpose and intent of which shall be to enable any common carrier by railroad to exempt itself from any liability created by this section, shall to that extent be void: Provided, that in any action brought against such common carrier, under and by virtue of any of the provisions of this section, such common carrier may set off therein any sum it has contributed or paid to any insurance or relief benefit, or indemnity that may have been paid to the injured employee, or the person entitled thereto, on account of the injury or death for which such action was brought.

(f) The provisions of this section relating to liability for damages shall also apply to logging roads and tramroads.

(g) The term "common carrier" as used in this section shall include the receiver or receivers, or other persons or corporations charged with the duty of the management of the business of a common carrier. The term "employee" or "servant" as used in this section shall include any person carried on the payroll of such railroad company and

required to be on its property regardless of whether such person is receiving compensation at the time or not. (1897 (Pr.), c. 56; Rev., s. 2646; 1913, c. 6, ss. 1, 2, 3, 4, 5; 1915, c. 256; 1919, c. 275; C.S., ss. 3464, 3465, 3466, 3467, 3468, 3469, 3470; 1947, c. 916; 1963, c. 1165, s. 1.)

§62-243. Violation of rules causing injury; damages.

If any railroad company doing business in this State shall, in violation of any rule or regulation provided by the Commission, inflict any wrong or injury on any person, such person shall have a right of action and recovery for such wrong or injury, in any court having jurisdiction thereof, and the damages to be recovered shall be the same as in an action between individuals, except that in case of willful violation of law such railroad company shall be liable to exemplary damages: Provided, that all suits under this Chapter shall be brought within one year after the commission of the alleged wrong or injury. (1899, c. 164, s. 16; Rev., s. 1091; C.S., s. 1110; 1933, c. 134, s. 8; 1941, c. 97; 1963, c. 1165, s. 1.)

§62-244. Certain employees to wear badges.

Every conductor, baggagemaster, engineer, brakeman or other servant of any railroad corporation employed on a passenger train, or at stations for passengers, shall wear upon his hat or cap a badge which shall indicate his office and the initial letters of the title of the corporation by which he is employed. No conductor or collector without such badge shall be entitled to demand or receive from any passenger any fare or ticket, or to exercise any of the powers of his office. The railroad company shall forward such freight or cars by the route selected by the person tendering the freight under the existing laws. If such loaded car be tendered at any siding or warehouse at which there is no agent, notice shall be given to an agent at the nearest regular station at which there is an agent that such car is loaded and ready for shipment.

(b) The Commission shall make reasonable and just rules:
   (1) For the handling of freight and baggage at stations of all railroad companies.
   (2) As to charges by any person engaged in the carriage of freight or express for the necessary handling and delivery of the same at all stations.

(c) The railroad company represented by any person unlawfully refusing to receive such freight shall forfeit and pay to the party aggrieved the sum of fifty dollars ($50.00) for each day such carrier refuses to receive such shipment of freight, and all damages actually sustained by reason of the refusal to receive freight. Whenever any freight of any kind shall be received by any railroad company in this State to be delivered to any consignee in this State, and a portion of the same shall not have been received at the place of destination, it shall not be lawful for such carrier to demand any part of the charges for freight or transportation due for such portion of the shipment as shall not have reached the place of destination. Such carrier shall be required to deliver to the consignee such portion of the consignment as shall have been received upon the payment or tender of the freight charges due upon such portion. But nothing in this section shall be construed as interfering with or depriving a consignor, or other person having authority, of his rights of stoppage in transit. (1893, c. 495; Rev., s. 2641; C.S., s. 3521; 1963, c. 1165, s. 1.)

The Commission shall not require any railroad company to establish any station nearer to another station than five miles.

(b) The Commission is empowered and directed to require a change of any station or terminal or the repair, addition to, or change of any station or terminal by any railroad company in order to promote the security, convenience and accommodation of the public.

The time period for answering or otherwise responding to process issued pursuant to this section shall be in accordance with the time periods set forth in G.S. 1A-1, Rule 12.

(d) Upon a hearing held pursuant to this section, the court may enter an order of garnishment. If an order of garnishment is entered, a copy of the same shall be served on both the recipient or the former recipient and the garnishee either personally or by certified or registered mail, return receipt requested. The order shall set forth sufficient findings of facts to support the action by the court and the

amount to be garnished for each pay period. The amount garnished may be increased by an additional one dollar ($1.00) processing fee to be assessed and retained by the garnishee for each payment under the order. The order shall be subject to review for modification and dissolution upon the filing of a motion in the cause.

(e) Upon receipt of the order of garnishment, the garnishee shall transmit without delay to the clerk of superior court the amount ordered by the court to be garnished. These funds shall be disbursed to the court department of social services to recoup fraudulent or erroneous payments subject to the order of garnishment entered pursuant to this section.

(f) A garnishee who violates the terms of an order of garnishment shall be subject to punishment for contempt.

(g) The Social Services Commission shall adopt rules and regulations to implement this section. The rules shall ensure that a petition for an order of garnishment sought pursuant to this section is consistent with all federal and State laws and regulations.

"**§ 108A-25.2. Power to issue investigatory subpoenas.**

(a) When all other reasonable means of investigating facts and circumstances pertaining to fraudulent or erroneous applications for or receipt of public assistance benefits have been exhausted, the Director of the county department of social services or the Secretary of Human Resources may issue a subpoena to a third party in the State for the production of books, papers, correspondence, memoranda, agreements, or other information, documents, or records relevant to establishing a fraudulent or erroneous claim of public assistance. The subpoena shall specify the person to whom the records and documents sought shall be produced, including time and place, and shall be served in accordance with any manner as prescribed in G.S. 1A-1, Rule 4. A county department of social services and the Department of Human Resources are authorized to administer oaths for the purpose of the examinations. Information obtained as a result of a subpoena issued pursuant to this section is confidential and may be used only by county department of social services or Department program integrity personnel for the purposes of investigating fraudulent or erroneous public assistance payments.

(b) A person subpoenaed pursuant to subsection (a) of this section may contest the subpoena. Within 10 days after service of the subpoena, a person shall notify the county department of social services or the Department of the intent to contest the subpoena. The notice shall be given by registered or certified mail and include a statement which sets forth the objections to complying with the subpoena. Upon receipt of the notice and a determination that the objections are without merit, the county department of social services or the Department may initiate proceedings to enforce the subpoena by petition to the district court in the district where a person contesting the subpoena was served.

(c) The refusal of a third party to cooperate shall not affect the eligibility of an initial application to receive public assistance.

(d) For the purpose of this section, the following definitions shall apply: 'Director' means the Director of the county department of social services and 'Secretary' means the Secretary of the Department of Human Resources.

(e) The Social Services Commission shall adopt rules and regulations to implement this section."

(2) Erroneous payment. -- Any public assistance program payment made because of a recipient's, a recipient's representative's, or recipient household member's misunderstanding or

(b) In any case in which a recipient or former recipient of a public assistance program, who while a recipient, obtained or benefited from a fraudulent or erroneous payment, a judge of the district court in the county where the recipient or former recipient resides or is found, or in the county where the payment was made, may enter an order of garnishment to recoup a fraudulent or erroneous payment. Not more than twenty percent (20%) of the recipient's or former recipient's monthly disposable income may be garnished to recoup payment in cases of fraudulent payment and not more than ten (10%) of the recipient's or former recipient's monthly disposable income may be garnished to recoup payment in cases of erroneous payment. (c) A county department of social services or the Department of Human Resources may petition the court for an order of garnishment to recoup a fraudulent or erroneous public assistance program payment. If an order of garnishment is entered, a copy of the same shall be served on both the recipient or the former recipient and the garnishee either personally or by certified or registered mail, return receipt requested. (b) Any person who knowingly uses, transfers, acquires, alters, or possesses food stamp coupons, authorization cards, or access devices in any manner contrary to that authorized by the Food Stamp Program (7 U.S.C. § 2011, et seq.) and the regulations issued pursuant thereto, other than as set forth in subsection (a) of this section, shall be guilty of a Class 1 misdemeanor if the value of such food stamp coupons, authorization cards, or access devices is less than one hundred dollars ($100.00), or a Class A1 misdemeanor if the value of such food stamp coupons, authorization cards, or access devices is equal to at least one hundred dollars ($100.00) but less than five hundred dollars ($500.00), or a Class I felony if the value of such food stamp coupons, authorization cards, or access devices is equal to at least five hundred dollars ($500.00) but less than one thousand dollars ($1,000), or a Class H felony if the value of such food stamp coupons, authorization cards, or access devices equals or exceeds one thousand dollars ($1,000)."

A BILL TO BE ENTITLED

AN ACT TO MODIFY THE RIGHTS OF A DECEDENT'S SPOUSE.

The General Assembly of North Carolina enacts:

Section 1. Article 1 of Chapter 30 of the General Statutes is repealed.

Section 2. Chapter 30 of the General Statutes is amended by adding a new Article to read:

"ARTICLE 1A.

"Elective Share.

"§ 30-3.1. Right of elective share.

(a) Elective Share. -- The surviving spouse of a decedent who dies domiciled in this State has a right to claim an 'elective share', which means an amount equal to (i) the applicable share of the Total Net Assets, as defined in G.S. 30-3.2(c), less (ii) the value of Property Passing to Surviving Spouse, as defined in G.S. 30-3.3(a). The applicable share of the Total Net Assets is as follows:

(1) If the decedent is not survived by any lineal descendants, one-half of the Total Net Assets.

(2) If the decedent is survived by one child, or lineal descendants of one deceased child, one-half of the Total Net Assets.

(3) If the decedent is survived by two or more children, or by one or more children and the lineal descendants of one or more deceased children, or by the lineal descendants of two or more deceased children, one-third of the Total Net Assets.

(b) Reduction of Applicable Share. -- In those cases in which the surviving spouse is a second or successive spouse, and the decedent has one or more lineal descendants surviving by a prior marriage but there are no lineal descendants surviving by the surviving spouse, the applicable share as determined in subsection (a) of this section shall be reduced by one-half.

(c) Minimum Applicable Share. -- In no event shall the applicable share of the Total Net Assets be less than twenty-five thousand dollars ($25,000).

(d) Death Taxes. -- Death taxes shall be taken into account as a claim against the estate in determining Total Net Assets only to the extent that such taxes are increased because the assets received by the surviving spouse do not qualify for the federal estate tax marital deduction pursuant to section 2056 of the Code, the North Carolina exemption from inheritance and estate tax pursuant to G.S. 105-3(10) and (11), or similar provisions under the laws of any other applicable taxing jurisdiction.

"**§ 30-3.2. Definitions.**

(a) 'Code' means the Internal Revenue Code in effect at the time of the decedent's death.

(b) 'Death taxes' means any estate, inheritance, succession, and similar taxes imposed by any taxing authority, reduced by any applicable credits against those taxes.

(c) 'Total Net Assets' means, after the payment or provision for payment of the decedent's funeral expenses, year's allowances to persons other than to the surviving spouse, debts, claims, and administration expenses, the sum of the following:

(1) All property to which the decedent had legal and equitable title immediately prior to death;

(2) All property received by the decedent's personal representative by reason of the decedent's death;

(3) All proceeds of insurance on the life of the decedent of which the decedent is the owner, or which is payable to the surviving spouse;

(4) One-half of the value of any property held by the decedent and the surviving spouse as tenants by the entirety, or as joint tenants with rights of survivorship;

(5) The entire value of any property held by the decedent and another person, other than the surviving spouse, as joint tenants with right of survivorship, except to the extent that contribution can be proven by clear and convincing evidence;

(6) The value of any property which would be included in the taxable estate of the decedent pursuant to sections 2033, 2035, 2036, 2037, 2038, 2039, 2040, or 2042 of the Code;

(7) Any donative transfers of property made by the decedent to donees other than the surviving spouse within three years of the decedent's death, excluding:

a. Any gifts within the annual exclusion provisions of section 2503 of the Code; and

b. Any gifts to which the surviving spouse consented. A signing of a deed, or income or gift tax return reporting such gift shall be considered consent;

(8) Any proceeds of any individual retirement account, pension or profit-sharing plan, or any private or governmental retirement plan or annuity of which the decedent controlled the designation of beneficiary, excluding any benefits under the federal social security system;

(9) Any other Property Passing to Surviving Spouse under G.S. 30-3.3; and

(10) In case of overlapping application of the same property under more than one provision, the property shall be included only once under the provision yielding the greatest value.

(d) 'Nonadverse trustee' means a trustee who would be deemed nonadverse under section 672 of the Code.

"§ 30-3.3. Property Passing to Surviving Spouse.

(a) Property Passing to Surviving Spouse. -- For purposes of this Article, 'Property Passing to Surviving Spouse' means the sum of the following:

(1) One-half of the value of any property held by the decedent and the surviving spouse as tenants by the entirety or as joint tenants with rights of survivorship;

(2) The value of any interest in property (outright or in trust, including any interest subject to a general power of appointment held by the surviving spouse, as defined in section 2041 of the Code) devised by the decedent to the surviving spouse, or which passes to the surviving spouse by intestacy, or by beneficiary designation, or by exercise of or in default of the exercise of the decedent's testamentary general or limited power of appointment, or by operation of law or otherwise by reason of the decedent's death, excluding any benefits under the federal social security system;

(3) Any year's allowance awarded to the surviving spouse;

(4) The value of any property renounced by the surviving spouse;

(5) The value of the surviving spouse's interest, outright or in trust, in any life insurance proceeds on the life of the decedent;

(6) The value of any interest in property, outright or in trust, transferred from the decedent to the surviving spouse during the lifetime of decedent for which (i) a gift tax return is timely filed reporting such gift, or (ii) the surviving spouse signs a statement acknowledging such a gift. For purposes of this subdivision, any gift to the surviving spouse by the decedent of the decedent's interest in any property held by the decedent and the surviving spouse as tenants by the entirety or as joint tenants with right of

survivorship shall be valued at one-half of the entire value of that property at the time the gift is made; and

(7) The entire value of any property held in trust for the exclusive benefit of the surviving spouse during the surviving spouse's lifetime, where the trust requires a Nonadverse Trustee to utilize the principal and income of the trust for the support and maintenance of the surviving spouse.

(b) Death Taxes. -- The value of Property Passing to Surviving Spouse shall be reduced by any death taxes that are a charge against or apportioned against the surviving spouse on property interests included in Property Passing to Surviving Spouse.

(c) No Duplication. -- In case of overlapping application of the same property under more than one provision, the property shall be included only once, under the provision yielding the greatest value.

"§ 30-3.4. Procedure for determining the elective share.

(a) Exercisable Only During Lifetime. -- The right of the surviving spouse to file a claim for an elective share must be exercised during the lifetime of the surviving spouse, by the surviving spouse, the surviving spouse's agent under a power of attorney, or the guardian of the surviving spouse's estate. If a surviving spouse dies before the claim for an elective share has been settled, the surviving spouse's personal representative shall succeed to the surviving spouse's rights to an elective share.

(b) Time Limitations. -- A claim for an elective share must be made within six months after the issuance of letters testamentary or letters of administration by (i) filing a petition with the clerk of superior court of the county in which the primary administration of the decedent's estate lies, and (ii) mailing or delivering a copy of that petition to the personal representative of the decedent's estate. A surviving spouse's incapacity shall not toll the six-month period of limitations.

(c) Time for Hearing. -- Unless waived by the personal representative and the surviving spouse, the clerk shall set the matter for hearing no earlier than two months and no later than six months after the filing of the petition. However, the clerk may extend the time of hearing as the clerk sees fit. The clerk shall give notice of the hearing to the surviving spouse, personal representative, and to any person described in G.S. 30-3.5 who may be required to contribute toward the satisfaction of the elective share.

(d) Preparation of Tax Form. -- In every case in which a petition to determine an elective share has been filed, and within two months of the filing of the petition, the personal representative shall prepare and submit to the clerk a proposed Form 706, federal estate tax return, for the estate, regardless of whether that form is required to be filed with the Internal Revenue Service. The clerk may extend the time for submission of the proposed Form 706 as the clerk sees fit.

(e) Valuation. -- The valuation of interests in property for purposes of G.S. 30-3.2 and G.S. 30-3.3 shall be determined as follows:

(1) Basic principles. -- Each interest shall be valued at its fair market value, reduced by all liens, claims, or encumbrances against the

interest. For interests passing at the decedent's death, valuation shall be as of the date of death, and for interests transferred during the decedent's lifetime, valuation shall be as of the date of transfer.

(2) Valuation of partial and contingent interests in property. -- The valuation of interests in property, outright or in trust, which are limited to commence or terminate upon the death of one or more persons, upon the expiration of a period of time, or upon the occurrence of one or more contingencies, shall be determined by computations based upon the mortuary and annuity tables set forth in G.S. 8-46 and G.S. 8-47, and upon the basis of six percent (6%) of the gross value of the underlying property in which those interests are limited. However, in valuing interests passing to the surviving spouse, the following special rules apply:

a. To the extent that the interest is dependent upon the exercise of discretion by a fiduciary, the interest shall have no value unless the spouse is serving as that fiduciary and the power to distribute the trust property constitutes a general power of appointment held by the spouse, as defined in section 2041 of the Code or the fiduciary is a Nonadverse Trustee required to utilize the income and principal for the exclusive benefit of the surviving spouse during the surviving spouse's lifetime;

b. To the extent that the interest is dependent upon the occurrence of any contingency that is not subject to the control of the surviving spouse and that is not subject to valuation by reference to the mortuary and annuity tables set forth in G.S. 8-46 and G.S. 8-47, the contingency will be conclusively presumed to result in the lowest possible value passing to the surviving spouse. However, a life estate or income interest that will terminate only upon the earlier of the surviving spouse's death or remarriage will be valued without regard to the possibility of termination upon remarriage; and

c. To the extent that the valuation of an interest is dependent upon the life expectancy of the surviving spouse, that life expectancy shall be conclusively presumed to be no less than 10 years, regardless of the actual attained age of the surviving spouse at the decedent's death.

(3) Determination of fair market value. -- The fair market value of each asset comprising Total Net Assets shall be determined as follows:

a. Probate assets and assets passing to spouse. -- The value of each probate asset and Property Passing to Surviving Spouse, other than assets held in trust, shall be established

by the good faith agreement of the surviving spouse and the personal representative, unless either (i) the surviving spouse is the personal representative, or (ii) the clerk determines that the personal representative may not be able to represent the estate adversely to the surviving spouse.

b. Trust assets. -- The value of each trust asset shall be established by good faith agreement of the surviving spouse and the trustee, unless either (i) the surviving spouse is the trustee, or (ii) the clerk determines that the trustee may not be able to represent the trust adversely to the surviving spouse.

c. Other assets. -- The value of any other asset shall be established by the good faith agreement of the surviving spouse and each person described in G.S. 30-3.5 who may be required to contribute toward the satisfaction of the elective share because of that person's interest in the asset, unless the clerk determines that valuation under sub-subdivision d. of this subdivision is more appropriate.

d. Use of disinterested persons. -- If the value of any asset is not established by agreement, the clerk shall appoint one or more qualified and disinterested persons to determine a value of each asset. That determination of the value of an asset shall be final for the exclusive purposes of this Article.

(f) Findings and Conclusions. -- After notice and hearing, the clerk shall determine whether or not the surviving spouse is entitled to an elective share, and if so, the clerk shall then determine the elective share and shall order the personal representative to transfer that amount to the surviving spouse. The clerk's order shall recite specific findings of fact and conclusions of law in arriving at the decedent's Total Net Assets, Property Passing to Surviving Spouse, and the elective share.

(g) Appeals. -- Any party in interest may appeal from the decision of the clerk to the superior court, and in such event the procedure shall be the same as in other special proceedings as now provided by law. If an appeal is taken from the decision of the clerk, that appeal shall have the effect of staying the judgment and order of the clerk until the cause is heard and determined by the superior court upon the appeal taken. Upon an appeal taken from the clerk to the superior court, the judge may review the findings of fact by the clerk and may find the facts or take other evidence, but the facts found by the judge shall be final and conclusive upon any appeal to the Appellate Division.

"§ 30-3.5. Recovery of assets by personal representative.

(a) Recovery of Assets. -- The personal representative is entitled to recover proportionately from all persons, other than the surviving spouse, receiving or in possession of any of the decedent's Total Net Assets a sufficient amount to enable the personal representative to pay the elective share. The apportionment shall be made in the proportion that the value of the interest of each person receiving or in

possession of any of Total Net Assets bears to Total Net Assets, excluding any Property Passing to Surviving Spouse. The only persons subject to contribution to make up the elective share are (i) original recipients of property comprising the decedent's Total Net Assets, and subsequent gratuitous inter vivos donees or persons claiming by testate or intestate succession to the extent those persons have the property or its proceeds on or after the date of decedent's death, and (ii) a fiduciary, as to the property under the fiduciary's control at or after the time a fiduciary receives notice that a surviving spouse has claimed an elective share. A fiduciary shall not be considered to have notice until it receives notice at its address as shown in the decedent's estate papers in the clerk's office or, if there are no such papers or no such address is shown in those papers, at the fiduciary's residence or the office of its registered agent.

The personal representative may withhold from any property of the decedent in his possession, distributable to any person subject to apportionment, the amount of the elective share apportioned to such person. If the property in possession of the personal representative and distributable to any person subject to apportionment is insufficient to satisfy the proportionate amount of the elective share determined to be due from that person, the personal representative may recover the deficiency from that person. If the property is not in possession of the personal representative, the personal representative may recover from the person the amount of the elective share apportioned to that person in accordance with this Article. If the personal representative cannot reasonably collect from any person subject to apportionment the amount of the elective share apportioned to that person, the amount not reasonably recoverable shall, with the approval of the clerk, be apportioned among the other persons who are subject to apportionment. The apportionment shall be made in the proportion that the value of the interest of each remaining person bears to the total value of the interests of all remaining persons.

(b) Standstill Order. -- After the filing of the petition demanding an elective share, either the personal representative or surviving spouse may request the clerk to issue an order that any recipients not dispose of any of the decedent's Total Net Assets pending the hearing. The decision to issue such an order shall be in the discretion of the clerk.

(c) Satisfaction of Liability. -- A person receiving or in possession of any of the decedent's Total Net Assets may pay his proportionate elective share liability with respect to that property by any of the following methods:

(1) Conveyance of the property included in the decedent's Total Net Assets;

(2) Payment of the value of his liability in cash or, upon agreement of the surviving spouse, other property; or

(3) Partial conveyance and partial payment under subdivisions (1) and (2) of this subsection, provided the value conveyed and paid is equal to his liability.

(d) Expenses. -- The expenses reasonably incurred by the personal representative in connection with the appraisal or recovery of assets shall be apportioned as

provided for the elective share under this Article. If the personal representative finds that it is inequitable to apportion the expenses because those expenses were incurred because of the fault of one or more persons subject to apportionment, the personal representative may direct other more equitable apportionment, with the approval of the clerk.

(e) Bond. -- If property held by the personal representative is distributed prior to final apportionment of the elective share, the personal representative may require the distributee to provide a bond or other security for the apportionment liability in the form and amount prescribed by the personal representative, with the approval of the clerk.

"**§ 30-3.6. Waiver of rights.**

(a) The right of a surviving spouse to claim an elective share may be waived, wholly or partially, before or after marriage, with or without consideration, by a written waiver signed by the surviving spouse.

(b) A waiver is not enforceable if the surviving spouse proves that:

(1) The waiver was not executed voluntarily; or

(2) The surviving spouse was not provided a fair and reasonable disclosure of the property and financial obligations of the decedent, unless the surviving spouse waived, in writing, the right to that disclosure."

Section 3. G.S. 29-30 reads as rewritten:

"**§ 29-30. Election of surviving spouse to take life interest in lieu of intestate share provided.**

(a) In lieu of the intestate share provided in G.S. 29-14 or ~~29-21,~~ G.S. 29-21, or of the elective share provided in G.S. 30-3.1, the surviving spouse of an intestate or the surviving spouse who ~~dissents from the will of a testator~~ has petitioned for an elective share shall be entitled to take as his or her intestate share or elective share a life estate in one third in value of all the real estate of which the deceased spouse was seised and possessed of an estate of inheritance at any time during coverture, except that real estate as to which the surviving spouse:

(1) Has waived his or her rights by joining with the other spouse in a conveyance thereof, or

(2) Has release or quitclaimed his or her interest therein in accordance with G.S. 52-10, or

(3) Was not required by law to join in conveyance thereof in order to bar the elective life estate, or

(4) Is otherwise not legally entitled to the election provided in this section.

(b) Regardless of the value thereof and despite the fact that a life estate therein might exceed the fractional limitation provided for in subsection (a), the life estate provided for in subsection (a) shall at the election of the surviving spouse include a life estate in the usual dwelling house occupied by the surviving spouse at the time of the death of the deceased spouse if such dwelling house were owned by the deceased spouse at the time of his or her death, together with the outbuildings, improvements

and easements thereunto belonging or appertaining, and lands upon which situated and reasonably necessary to the use and enjoyment thereof, as well as a fee simple ownership in the household furnishings therein.

(c) The election provided for in subsection (a) shall be made by the filing of a notice thereof with the clerk of the superior court of the county in which the administration of the estate is pending, or, if no administration is pending, then with the clerk of the superior court of any county in which the administration of the estate could be commenced. Such election shall be made:

(1) At any time within one month after the expiration of the time fixed for the filing of ~~a dissent,~~ the petition for elective share under Article 1A of Chapter 30, or

(2) In case of intestacy, then within 12 months after the death of the deceased spouse if letters of administration are not issued within that period, or

(3) If letters of administration are issued within 12 months after the date of the death of the deceased spouse, then within one month after the expiration of the time limited for filing claims against the estate, or

(4) If litigation that affects the share of the surviving spouse in the estate is pending, then within such reasonable time as may be allowed by written order of the clerk of the superior court.

The notice of election shall:

(1) Be directed to the clerk with whom filed;

(2) State that the surviving spouse making the same elects to take under this section rather than under the provisions of ~~G.S. 29-14 or 29-21,~~ G.S. 29-14, 29-21, or 30-3.1, as applicable;

(3) Set forth the names of all heirs, devisees, legatees, personal representatives and all other persons in possession of or claiming an estate or an interest in the property described in subsection (a); and

(4) Request the allotment of the life estate provided for in subsection (a).

The notice of election may be in person, or by attorney authorized in a writing executed and duly acknowledged by the surviving spouse and attested by at least one witness. If the surviving spouse is a minor or an incompetent, the notice of election may be executed and filed by a general guardian or by the guardian of the person or estate of the minor or incompetent spouse. If the minor or incompetent spouse has no guardian, the notice of election may be executed and filed by a next friend appointed by the clerk. The notice of election, whether in person or by attorney, shall be filed as a record of the court, and a summons together with a copy of the notice shall be served upon each of the interested persons named in the notice of election.

(d) In case of election to take a life estate in lieu of an intestate ~~share,~~ share or elective share, as provided in either G.S. 29-14, 29-21, or ~~30-3(a),~~ 30-3.3(a), the clerk of superior court, with whom the notice of election has been filed, shall summon and

appoint a jury of three disinterested persons who being first duly sworn shall promptly allot and set apart to the surviving spouse the life estate provided for in subsection (a) and make a final report of such action to the clerk.

(e) The final report shall be filed by the jury not more than 60 days after the summoning and appointment thereof, shall be signed by all jurors, and shall describe by metes and bounds the real estate in which the surviving spouse shall have been allotted and set aside a life estate. It shall be filed as a record of court and a certified copy thereof shall be filed and recorded in the office of the register of deeds of each county in which any part of the real property of the deceased spouse, affected by the allotment, is located.

(f) In the election and procedure to have the life estate allotted and set apart provided for in this section, the rules of procedure relating to partition proceedings shall apply except insofar as the same would be inconsistent with the provisions of this section.

(g) Neither the household furnishings in the dwelling house nor the life estates taken by election under this section shall be subject to the payment of debts due from the estate of the deceased spouse, except those debts secured by such property as follows:

(1) By a mortgage or deed of trust in which the surviving spouse has waived his or her rights by joining with the other spouse in the making thereof; or

(2) By a purchase money mortgage or deed of trust, or by a conditional sales contract of personal property in which title is retained by the vendor, made prior to or during the marriage; or

(3) By a mortgage or deed of trust made prior to the marriage; or

(4) By a mortgage or deed of trust constituting a lien on the property at the time of its acquisition by the deceased spouse either before or during the marriage.

(h) If no election is made in the manner and within the time provided for in subsection (c) the surviving spouse shall be conclusively deemed to have waived his or her right to elect to take under the provisions of this section, and any interest which the surviving spouse may have had in the real estate of the deceased spouse by virtue of this section shall terminate."

Section 4. G.S. 30-15 reads as rewritten:

"**§ 30-15. When spouse entitled to allowance.**

Every surviving spouse of an intestate or of a testator, whether or not he has petitioned for an elective share, ~~dissented from the will,~~ shall, unless he has forfeited his right thereto, as provided by law, be entitled, out of the personal property of the deceased spouse, to an allowance of the value of ten thousand dollars ($10,000) for his support for one year after the death of the deceased spouse. Such allowance shall be exempt from any lien, by judgment or execution, acquired against the property of the deceased spouse, and shall, in cases of testacy, be charged against the share of the surviving spouse."

Section 5. G.S. 31-5.3 reads as rewritten:

"**§ 31-5.3. Will not revoked by marriage; dissent from will made prior to marriage.**

A will is not revoked by a subsequent marriage of the maker; and the surviving spouse may ~~dissent from such~~ petition for an elective share when there is a will made prior to the marriage in the same manner, upon the same conditions, and to the same extent, as a surviving spouse may ~~dissent from~~ petition for an elective share when there is a will made subsequent to marriage."

Section 6. G.S. 31A-1(b) reads as rewritten:

"(b) The rights lost as specified in subsection (a) of this section shall be as follows:

(6) Any rights or interests in the property of the other spouse which by a settlement before or after marriage were settled upon the offending spouse solely in consideration of the marriage."

"**§ 31C-3. Disposition of community property upon death.**

Upon death of a married person, one half of the property to which this Chapter applies is the property of the surviving spouse and is not subject to testamentary disposition by the decedent or distribution under the laws or succession of this State. One half of that property is the property of the decedent and is subject to testamentary disposition or distribution under the laws of succession of this State. Section 8. G.S. 84-5(2) reads as rewritten:

The General Assembly of North Carolina enacts:

Section 1. Article 1 of Chapter 30 of the General Statutes is repealed.

Section 2. Chapter 30 of the General Statutes is amended by adding a new Article to read:

"ARTICLE 1A.

"Elective Share.

"**§ 30-3.1. Right of elective share.**

(a) Elective Share. -- The surviving spouse of a decedent who dies domiciled in this State has a right to claim an 'elective share', which means an amount equal to (i) the applicable share of the Total Net Assets, as defined in G.S. 30-3.2(c), less (ii) the value of Property Passing to Surviving Spouse, as defined in G.S. 30-3.3(a). The applicable share of the Total Net Assets is as follows:

(1) If the decedent is not survived by any lineal descendants, one-half of the Total Net Assets.

(2) If the decedent is survived by one child, or lineal descendants of one deceased child, one-half of the Total Net Assets.

(3) If the decedent is survived by two or more children, or by one or more children and the lineal descendants of one or more deceased

children, or by the lineal descendants of two or more deceased children, one-third of the Total Net Assets.

(b) Reduction of Applicable Share. -- In those cases in which the surviving spouse is a second or successive spouse, and the decedent has one or more lineal descendants surviving by a prior marriage but there are no lineal descendants surviving by the surviving spouse, the applicable share as determined in subsection (a) of this section shall be reduced by one-half.

(c) Minimum Applicable Share. -- In no event shall the applicable share of the Total Net Assets be less than twenty-five thousand dollars ($25,000).

(d) Death Taxes. -- Death taxes shall be taken into account as a claim against the estate in determining Total Net Assets only to the extent that such taxes are increased because the assets received by the surviving spouse do not qualify for the federal estate tax marital deduction pursuant to section 2056 of the Code, the North Carolina exemption from inheritance and estate tax pursuant to G.S. 105-3(10) and (11), or similar provisions under the laws of any other applicable taxing jurisdiction.

"**§ 30-3.2. Definitions.**

(a) 'Code' means the Internal Revenue Code in effect at the time of the decedent's death.

(b) 'Death taxes' means any estate, inheritance, succession, and similar taxes imposed by any taxing authority, reduced by any applicable credits against those taxes.

(c) 'Total Net Assets' means, after the payment or provision for payment of the decedent's funeral expenses, year's allowances to persons other than to the surviving spouse, debts, claims, and administration expenses, the sum of the following:

(1) All property to which the decedent had legal and equitable title immediately prior to death;

(2) All property received by the decedent's personal representative by reason of the decedent's death;

(3) All proceeds of insurance on the life of the decedent of which the decedent is the owner, or which is payable to the surviving spouse;

(4) One-half of the value of any property held by the decedent and the surviving spouse as tenants by the entirety, or as joint tenants with rights of survivorship;

(5) The entire value of any property held by the decedent and another person, other than the surviving spouse, as joint tenants with right of survivorship, except to the extent that contribution can be proven by clear and convincing evidence;

(6) The value of any property which would be included in the taxable estate of the decedent pursuant to sections 2033, 2035, 2036, 2037, 2038, 2039, 2040, or 2042 of the Code;

(7) Any donative transfers of property made by the decedent to donees other than the surviving spouse within three years of the decedent's death, excluding:

a. Any gifts within the annual exclusion provisions of section 2503 of the Code; and

b. Any gifts to which the surviving spouse consented. A signing of a deed, or income or gift tax return reporting such gift shall be considered consent;

(8) Any proceeds of any individual retirement account, pension or profit-sharing plan, or any private or governmental retirement plan or annuity of which the decedent controlled the designation of beneficiary, excluding any benefits under the federal social security system;

(9) Any other Property Passing to Surviving Spouse under G.S. 30-3.3; and

(10) In case of overlapping application of the same property under more than one provision, the property shall be included only once under the provision yielding the greatest value.

(d) 'Nonadverse trustee' means a trustee who would be deemed nonadverse under section 672 of the Code.

"**§ 30-3.3. Property Passing to Surviving Spouse.**

(a) Property Passing to Surviving Spouse. -- For purposes of this Article, 'Property Passing to Surviving Spouse' means the sum of the following:

(1) One-half of the value of any property held by the decedent and the surviving spouse as tenants by the entirety or as joint tenants with rights of survivorship;

(2) The value of any interest in property (outright or in trust, including any interest subject to a general power of appointment held by the surviving spouse, as defined in section 2041 of the Code) devised by the decedent to the surviving spouse, or which passes to the surviving spouse by intestacy, or by beneficiary designation, or by exercise of or in default of the exercise of the decedent's testamentary general or limited power of appointment, or by operation of law or otherwise by reason of the decedent's death, excluding any benefits under the federal social security system;

(3) Any year's allowance awarded to the surviving spouse;

(4) The value of any interest in property, outright or in trust, renounced by the surviving spouse;

(5) The value of the surviving spouse's interest, outright or in trust, in any life insurance proceeds on the life of the decedent; and

(6) The value of any interest in property, outright or in trust, transferred from the decedent to the surviving spouse during the lifetime of the decedent for which (i) a gift tax return is timely filed reporting such gift, or (ii) the surviving spouse signs a statement acknowledging such a gift. For purposes of this subdivision, any gift to the surviving spouse by the decedent of the

decedent's interest in any property held by the decedent and the surviving spouse as tenants by the entirety or as joint tenants with right of survivorship shall be valued at one-half of the entire value of that property at the time the gift is made.

(b) Special Rule for Spousal Trusts. -- The entire value of any property held in trust for the exclusive benefit of the surviving spouse during the surviving spouse's lifetime, where the trust requires a Nonadverse Trustee to utilize the principal and income of the trust for the support and maintenance of the surviving spouse.

(c) Death Taxes. -- The value of Property Passing to Surviving Spouse shall be reduced by any death taxes that are a charge against or apportioned against the surviving spouse on property interests included in Property Passing to Surviving Spouse.

(d) No Duplication. -- In case of overlapping application of the same property under more than one provision, the property shall be included only once, under the provision yielding the greatest value.

"§ 30-3.4. Procedure for determining the elective share.

(a) Exercisable Only During Lifetime. -- The right of the surviving spouse to file a claim for an elective share must be exercised during the lifetime of the surviving spouse, by the surviving spouse, the surviving spouse's agent under a power of attorney, or the guardian of the surviving spouse's estate. If a surviving spouse dies before the claim for an elective share has been settled, the surviving spouse's personal representative shall succeed to the surviving spouse's rights to an elective share.

(b) Time Limitations. -- A claim for an elective share must be made within six months after the issuance of letters testamentary or letters of administration by (i) filing a petition with the clerk of superior court of the county in which the primary administration of the decedent's estate lies, and (ii) mailing or delivering a copy of that petition to the personal representative of the decedent's estate. A surviving spouse's incapacity shall not toll the six-month period of limitations.

(c) Time for Hearing. -- Unless waived by the personal representative and the surviving spouse, the clerk shall set the matter for hearing no earlier than two months and no later than six months after the filing of the petition. However, the clerk may extend the time of hearing as the clerk sees fit. The clerk shall give notice of the hearing to the surviving spouse, personal representative, and to any person described in G.S. 30-3.5 who may be required to contribute toward the satisfaction of the elective share.

(d) Preparation of Tax Form. -- In every case in which a petition to determine an elective share has been filed, and within two months of the filing of the petition, the personal representative shall prepare and submit to the clerk a proposed Form 706, federal estate tax return, for the estate, regardless of whether that form is required to be filed with the Internal Revenue Service. The clerk may extend the time for submission of the proposed Form 706 as the clerk sees fit.

(e) Valuation. -- The valuation of interests in property for purposes of G.S. 30-3.2 and G.S. 30-3.3 shall be determined as follows:

(1) Basic principles. -- Each interest shall be valued at its fair market value, reduced by all liens, claims, or encumbrances against the interest. For interests passing at the decedent's death, valuation shall be as of the date of death, and for interests transferred during the decedent's lifetime, valuation shall be as of the date of transfer.

(2) Valuation of partial and contingent interests in property. -- The valuation of interests in property, outright or in trust, which are limited to commence or terminate upon the death of one or more persons, upon the expiration of a period of time, or upon the occurrence of one or more contingencies, shall be determined by computations based upon the mortuary and annuity tables set forth in G.S. 8-46 and G.S. 8-47, and upon the basis of six percent (6%) of the gross value of the underlying property in which those interests are limited. However, in valuing interests passing to the surviving spouse, the following special rules apply:

a. Except as provided in G.S. 30-3.3(b), to the extent that the interest is dependent upon the exercise of discretion by a fiduciary, the interest shall have no value unless the spouse is serving as that fiduciary and the power to distribute the trust property constitutes a general power of appointment held by the spouse, as defined in section 2041 of the Code;

b. To the extent that the interest is dependent upon the occurrence of any contingency that is not subject to the control of the surviving spouse and that is not subject to valuation by reference to the mortuary and annuity tables set forth in G.S. 8-46 and G.S. 8-47, the contingency will be conclusively presumed to result in the lowest possible value passing to the surviving spouse. However, a life estate or income interest that will terminate only upon the earlier of the surviving spouse's death or remarriage will be valued without regard to the possibility of termination upon remarriage; and

c. To the extent that the valuation of an interest is dependent upon the life expectancy of the surviving spouse, that life expectancy shall be conclusively presumed to be no less than 10 years, regardless of the actual attained age of the surviving spouse at the decedent's death.

(3) Determination of fair market value. -- The fair market value of each asset comprising Total Net Assets shall be determined as follows:

a. Probate assets and assets passing to spouse. -- The value of each probate asset and Property Passing to Surviving Spouse, other than assets held in trust, shall be established by the good faith agreement of the surviving spouse and the

personal representative, unless either (i) the surviving spouse is the personal representative, or (ii) the clerk determines that the personal representative may not be able to represent the estate adversely to the surviving spouse.

b. Trust assets. -- The value of each trust asset shall be established by good faith agreement of the surviving spouse and the trustee, unless either (i) the surviving spouse is the trustee, or (ii) the clerk determines that the trustee may not be able to represent the trust adversely to the surviving spouse.

c. Other assets. -- The value of any other asset shall be established by the good faith agreement of the surviving spouse and each person described in G.S. 30-3.5 who may be required to contribute toward the satisfaction of the elective share because of that person's interest in the asset, unless the clerk determines that valuation under sub-subdivision d. of this subdivision is more appropriate.

d. Use of disinterested persons. -- If the value of any asset is not established by agreement, the clerk shall appoint one or more qualified and disinterested persons to determine a value of each asset. That determination of the value of an asset shall be final for the exclusive purposes of this Article.

(f) Findings and Conclusions. -- After notice and hearing, the clerk shall determine whether or not the surviving spouse is entitled to an elective share, and if so, the clerk shall then determine the elective share and shall order the personal representative to transfer that amount to the surviving spouse. The clerk's order shall recite specific findings of fact and conclusions of law in arriving at the decedent's Total Net Assets, Property Passing to Surviving Spouse, and the elective share.

(g) Appeals. -- Any party in interest may appeal from the decision of the clerk to the superior court, and in such event the procedure shall be the same as in other special proceedings as now provided by law. If an appeal is taken from the decision of the clerk, that appeal shall have the effect of staying the judgment and order of the clerk until the cause is heard and determined by the superior court upon the appeal taken. Upon an appeal taken from the clerk to the superior court, the judge may review the findings of fact by the clerk and may find the facts or take other evidence, but the facts found by the judge shall be final and conclusive upon any appeal to the Appellate Division.

"**§ 30-3.5. Recovery of assets by personal representative.**

(a) Recovery of Assets. -- The personal representative is entitled to recover proportionately from all persons, other than the surviving spouse, receiving or in possession of any of the decedent's Total Net Assets a sufficient amount to enable the personal representative to pay the elective share. The apportionment shall be made in the proportion that the value of the interest of each person receiving or in possession of any of Total Net Assets bears to Total Net Assets, excluding any

Property Passing to Surviving Spouse. The only persons subject to contribution to make up the elective share are (i) original recipients of property comprising the decedent's Total Net Assets, and subsequent gratuitous inter vivos donees or persons claiming by testate or intestate succession to the extent those persons have the property or its proceeds on or after the date of decedent's death, and (ii) a fiduciary, as to the property under the fiduciary's control at or after the time a fiduciary receives notice that a surviving spouse has claimed an elective share. A fiduciary shall not be considered to have notice until it receives notice at its address as shown in the decedent's estate papers in the clerk's office or, if there are no such papers or no such address is shown in those papers, at the fiduciary's residence or the office of its registered agent.

The personal representative may withhold from any property of the decedent in his possession, distributable to any person subject to apportionment, the amount of the elective share apportioned to such person. If the property in possession of the personal representative and distributable to any person subject to apportionment is insufficient to satisfy the proportionate amount of the elective share determined to be due from that person, the personal representative may recover the deficiency from that person. If the property is not in possession of the personal representative, the personal representative may recover from the person the amount of the elective share apportioned to that person in accordance with this Article. If the personal representative cannot reasonably collect from any person subject to apportionment the amount of the elective share apportioned to that person, the amount not reasonably recoverable shall, with the approval of the clerk, be apportioned among the other persons who are subject to apportionment. The apportionment shall be made in the proportion that the value of the interest of each remaining person bears to the total value of the interests of all remaining persons.

(b) Standstill Order. -- After the filing of the petition demanding an elective share, either the personal representative or surviving spouse may request the clerk to issue an order that any recipients not dispose of any of the decedent's Total Net Assets pending the hearing. The decision to issue such an order shall be in the discretion of the clerk.

(c) Satisfaction of Liability. -- A person receiving or in possession of any of the decedent's Total Net Assets may pay his proportionate elective share liability with respect to that property by any of the following methods:

(1) Conveyance of the property included in the decedent's Total Net Assets;

(2) Payment of the value of his liability in cash or, upon agreement of the surviving spouse, other property; or

(3) Partial conveyance and partial payment under subdivisions (1) and (2) of this subsection, provided the value conveyed and paid is equal to his liability.

(d) Expenses. -- The expenses reasonably incurred by the personal representative in connection with the appraisal or recovery of assets shall be apportioned as provided for the elective share under this Article. If the personal representative finds

that it is inequitable to apportion the expenses because those expenses were incurred because of the fault of one or more persons subject to apportionment, the personal representative may direct other more equitable apportionment, with the approval of the clerk.

(e) Bond. -- If property held by the personal representative is distributed prior to final apportionment of the elective share, the personal representative may require the distributee to provide a bond or other security for the apportionment liability in the form and amount prescribed by the personal representative, with the approval of the clerk.

"**§ 30-3.6. Waiver of rights.**

(a) The right of a surviving spouse to claim an elective share may be waived, wholly or partially, before or after marriage, with or without consideration, by a written waiver signed by the surviving spouse.

(b) A waiver is not enforceable if the surviving spouse proves that:

The notice of election shall:

It shall be filed as a record of court and a certified copy thereof shall be filed and recorded in the office of the register of deeds of each county in which any part of the real property of the deceased spouse, affected by the allotment, is located.

(f) In the election and procedure to have the life estate allotted and set apart provided for in this section, the rules of procedure relating to partition proceedings shall apply except insofar as the same would be inconsistent with the provisions of this section.

surviving spouse the right to an "elective share" of the decedent's "Total Net Assets", whether the decedent dies with or without a will.

How Much Property the Surviving Spouse May Claim

The current dissent statute determines a surviving spouse's rights in two steps. The statute first determines whether the spouse has the right to dissent at all (§ 30-1 of the dissent statute). If the spouse has the right to dissent, then the statute determines how much probate property the spouse may receive (§ 30-3 of the dissent statute). The two steps are inconsistent. The first step takes into account the non-probate property that the spouse receives. Generally, the spouse has a right to dissent if the amount of property, probate and non-probate, that the spouse is entitled to receive is less than a threshold amount. If the spouse passes this first step and thus has the right to dissent, the second step generally gives the spouse a share of the probate property equal to the step-one threshold amount without regard to how much non-probate property the spouse receives. Because the first step takes the spouse's share of non-probate property into account and the second step does not, an anomaly results:

> Example 1. Decedent dies survived by a spouse (sole marriage) and three children. Decedent owns $600,000 of probate property and $200,000 of non-probate property. Decedent's will leaves all the probate property to the children. All the non-probate property passes to the spouse.
>
> Example 2. The facts are the same as Example 1 except that Decedent's probate property is worth $600,001.

Assume that the step-one threshold amount and the step-two dissent share amount are both equal to one-third of the probate property. In Example 1, the step-one threshold is $200,000. Decedent's spouse may not dissent, as that share is not less than the threshold amount. The spouse receives $200,000 in non-probate property but receives none of the probate property.

In Example 2, the step-one threshold is $200,000.33. Accordingly, Decedent's spouse may dissent. The spouse then receives not only $200,000 in non-probate property, but also $200,000.33 worth of the probate property, for a total of $400,000.33.

The elective share statute avoids this unfairness by eliminating the dissent statute's first step, while maintaining a similar distribution under the second step. § 30-3.1 simply provides that a spouse always has the right to claim an elective share; and that the elective share amount is equal to a defined share of the decedent's probate and non-probate property ("Total Net Assets") reduced by the amount of probate and non-probate property that the spouse is already entitled to receive ("Property Passing to Surviving Spouse").

Comparing the Shares Under the Dissent Statute and the Elective Share Statute

The elective share amount is:

1. If the decedent has no surviving descendants, one-half of Total Net Assets less Property Passing to Surviving Spouse.

2. If the decedent's only surviving descendants are either one child or the issue of one deceased child, one-half of Total Net Assets less Property Passing to Surviving Spouse.

3. Otherwise, one-third of Total Net Assets less Property Passing to Surviving Spouse.

Under the current dissent statute, if the surviving spouse has the right to dissent (passes the "step one" threshold described above) the dissent share equals:

A. If the decedent has no surviving descendants or parents, approximately one-half of the decedent's net probate property.

B. Otherwise, the spouse's share under the Intestate Succession Act if the decedent had died without a will. Under the Intestate Succession Act, the spouse's share equals:

   i. If the decedent's only surviving descendants are either one child or the issue of one deceased child, approximately one-half of the decedent's net probate property.

   ii. Otherwise, approximately one-third of the decedent's net probate property.

Thus, a similar distribution system is maintained. Like the current dissent statute, under the elective share statute, if the decedent has surviving descendants by a prior marriage and no descendants by the marriage to the surviving spouse, then the elective share amount is determined by reducing the prescribed share of Total Net Assets by one-half. (So, in #2 above, the elective share is one-fourth of Total Net Assets less Property Passing to Surviving Spouse, and in #3 one-sixth.)

MEMORANDUM

TO: Senator Roy Cooper, Chair, Senate Judiciary Committee

FROM: O. Walker Reagan, Senate Judiciary Committee Co-Counsel and Carolyn Johnson, Counsel to the House Welfare Reform Committee

RE: **PROPOSED SENATE COMMITTEE SUBSTITUTE FOR HOUSE BILL 431 - PUBLIC ASSISTANCE FRAUD** - Representative Howard.

The Proposed Senate Committee Substitute for House Bill 431 provides authority to local departments of social services or the Department of Human Resources to: (1) recoup fraudulent or erroneous payment public assistance program payments through wage garnishment, and (2) issue administrative subpoenas for the purpose of investigating fraudulent or erroneous applications for or receipt of public assistance. The bill also creates a criminal offenses for the illegal trafficking, possession, or use of food stamps.

Section 1 creates two new sections in Part 1 of Article 2 of Chapter 108A. G.S. 108A-25.1 provides that up to 20% of the disposable income of a recipient or former recipient of public assistance may be subject to wage garnishment to recoup fraudulent program payments and up to 10% may be subject to garnishment for erroneous program payments which the recipient had actual or constructive knowledge were made in error. The district court in the county where the recipient or former recipient resides or is found, or in the county where the payment is made, may order garnishment upon a hearing. The court may not order garnishment if the garnishment would cause the person to become eligible for public assistance. Any order of garnishment must also comply with all applicable federal and State laws or regulations. Before being able to garnish to recover erroneous payments, DSS must exhaust all other administrative remedies to recover the money. The Social Services Commission is directed to adopt rules and regulations to implement the section.

G.S. 108A-25.2 provides for the issuance of administrative subpoenas to third parties to investigate fraudulent or erroneous applications for or receipt of public

assistance. This power shall be available to local departments of social services and the Department of Human Resources when all other reasonable means of investigation have been exhausted. On the local level, the power may be exercised by the Director of Social Services or the Director's designee. On the State level, the power may be exercised by the Secretary of Human Resources or the Secretary's designee. The information obtained based on these subpoenas shall remain confidential and only used to investigate fraudulent or erroneous public assistance payments. This section also gives the person who is subpoenaed the right to contest the subpoena thereby permitting the court determine whether the subpoena should be enforced. The failure of a third party to cooperate with a subpoena shall not affect a person's eligibility to receive public assistance. The Social Services Commission is directed to adopt rules and regulations to implement the section.

Section 2 of the bill establishes two criminal offenses for illegal possession or use of food stamps. G.S. 108A-53.1(a) makes it a Class H felony for a person to knowingly sell, deal in, distribute food stamps illegally, or to possess food stamps with the intent to illegally sell, deal, or distribute. G.S. 108A-53.1(b) provides that any person who knowingly uses, transfers acquires, alters or possesses food stamp coupons, authorization cards or access devices in any manner contrary to that authorized by the Food Stamp Program, other than as set forth in G.S. 108A-53.1(a), shall be guilty of a Class 1 misdemeanor if the value is less than $100; guilty of a Class A1 misdemeanor if the value is at least $100 but less than $500, guilt of a Class I felony if the value is at least $500, but less than $1,000; and guilty of a Class H felony if the value equals or exceeds $1,000.

Section 3 requires the Social Services Commission to adopt rules to implement this act within 90 days.

Section 4 makes Section 1 of the bill effective December 1, 1997 and applicable to actions to collect wrongful payments filed on or after that date. Section 2 of the bill becomes effective December 1, 1997 and applies to criminal offenses committed on or after that date. The remainder of the bill is effective when it becomes law.

"**§ 108A-25.1. Garnishment of wages to recoup fraudulent public assistance program payment.**

(a) The following definitions apply in this section:

(1) Disposable income. -- The part of the compensation paid or payable for personal services, whether denominated as wages, salary, commission, bonus, or otherwise which remains after the deduction of any amounts required by law to be withheld.

(2) Fraudulent payment. -- Any public assistance program payment made because of a recipient's false statement or representation or failure to disclose a material fact which occurs willfully and knowingly and with intent to deceive.

(4) Public assistance program. -- Any means-tested benefit program administered or supervised by a county department of social services or the Department of Human Resources which is funded in whole or in part by federal, State, or county resources.

(b) In any case in which a recipient or former recipient of a public assistance program, who while a recipient, obtained or benefited from a fraudulent payment, a judge of the district court in the county where the recipient or former recipient resides or is found, or in the county where the payment was made, may enter an order of garnishment to recoup a fraudulent payment after 10 days following the entry of a judgment for a sum certain for fraudulent payments pursuant to a petition filed in the action in accordance with subsection (c) of this section. Not more than twenty percent (20%) of the recipient's or former recipient's monthly disposable income may be garnished to recoup payment in cases of fraudulent payment. The order of garnishment shall be subject to all federal and State laws or regulations that may apply to recoupment of fraudulent payments. Garnishment shall not be a remedy under this section when the recipient or former recipient is required to pay restitution for fraudulent public assistance payments pursuant to a criminal court order.

(c) A county department of social services or the Department of Human Resources may petition the court for an order of garnishment to recoup a fraudulent public assistance program payment. Garnishment shall be a remedy to recoup payment only after all administrative remedies are exhausted unsuccessfully. The petition shall be verified and provide the court with facts and circumstances of the fraudulent payment to or on behalf of the recipient or former recipient, the name and address of the garnishee, the recipient's or former recipient's monthly disposable income (which may be based on information and belief), and the amount sought to be garnished from the recipient's or former recipient's disposable income. The petition shall be served on both the recipient or former recipient and the garnishee in accordance with the provisions for service of process set forth in G.S. 1A-1, Rule 4. The time period for answering or otherwise responding to process issued pursuant to

(d) Upon a hearing held pursuant to this section, the court may enter an order of garnishment. Provided, the court may not enter an order of garnishment if the court finds that the order jeopardizes the recipient's or former recipient's ability to become or remain financially self-sufficient and will result in the likelihood of an increased or recurring dependency on public assistance or an inability to secure basic necessities including but not limited to housing, food, health care and utility costs. If an order of garnishment is entered, a copy of the same shall be served on both the recipient or the former recipient and the garnishee either personally or by certified or registered mail, return receipt requested. The order shall set forth sufficient findings of facts to support the action by the court and the amount to be garnished for each pay period. The amount garnished may be increased by an additional one dollar ($1.00) processing fee to be assessed and retained by the garnishee for each payment under the order. The order shall be subject to review for modification and dissolution upon the filing of a motion in the cause.

(e) Upon receipt of the order of garnishment, the garnishee shall transmit without delay to the clerk of superior court the amount ordered by the court to be garnished. These funds shall be disbursed to the county department of social services to recoup fraudulent payments subject to the order of garnishment entered pursuant to this section.

(f) A garnishee who violates the terms of an order of garnishment shall be subject to punishment for contempt.

(g) The Social Services Commission shall adopt rules to implement this section. The rules shall ensure that a petition for an order of garnishment sought pursuant to this section is consistent with all federal and State laws and regulations.

(b) Any person who knowingly uses, transfers, acquires, alters, or possesses food stamp coupons, authorization cards, or

access devices in any manner contrary to that authorized by the Food Stamp Program (7 U.S.C. § 2011, et seq.) and the regulations issued pursuant thereto, other than as set forth in subsection (a) of this section, shall be guilty of a Class 1 misdemeanor if the value of such food stamp coupons, authorization cards, or access devices is less than one hundred dollars ($100.00), or a Class A1 misdemeanor if the value of such food stamp coupons, authorization cards, or access devices is equal to at least one hundred dollars ($100.00) but less than five hundred dollars ($500.00), or a Class I felony if the value of such food stamp coupons, authorization cards, or access devices is equal to at least five hundred dollars ($500.00) but less than one thousand dollars ($1,000), or a Class H felony if the value of such food stamp coupons, authorization cards, or access devices equals or exceeds one thousand dollars ($1,000)."

MEMORANDUM

TO: Senator Roy Cooper, Chair, Senate Judiciary Committee

FROM: O. Walker Reagan, Committee Co-Counsel and Susan L. Hayes, Co-Counsel, House Judiciary II Committee

RE: **PROPOSED SENATE COMMITTEE SUBSTITUTE FOR HOUSE BILL 1064 - HOUSING AUTHORITY AMENDMENTS** - Representative Fox.

The Proposed Senate Committee Substitute for House Bill 1064 amends G.S. 157-29 to allow a housing authority to terminate or fail to renew a lease if a tenant engages in activity that threatens the health and safety of housing authority tenants or threatens the tenants' right to peaceful enjoyment of the housing authority premises, or engages in illegal drug activity on or near the housing authority premises. This bill also allows housing authorities to bring summary ejectment proceedings based on an allegations of criminal activity or illegal drug activity under Article 7 of Chapter 42.

Current federal law already requires a public housing agency lease to include an obligation on the tenant to "assure that the tenant, any member of the household, a guest, or another person under the tenant's control" shall not engage in any criminal activity or illegal drug activity. Additionally, State summary ejectment statutes already provide for the ejectment of a tenant when the "tenant, lessee, or other person under him" has violated any provision of the lease.

Section 2 clarifies that it is not necessary for a defendant in a summary ejectment action to post a bond before filing an answer to the suit. This change is expected to result in a more expedient resolution of summary ejectment actions and is necessary to qualify North Carolina for the "due process exemption" from other federal requirements which requires a grievance process before commencing eviction proceedings.

This act is effective October 1, 1997 and applies to acts committed on or after that date.

A BILL TO BE ENTITLED

AN ACT TO FACILITATE THE TRIAL OF DRUG OFFENSES BY AUTHORIZING THE USE OF LABORATORY REPORTS IN SUPERIOR COURT AND JUVENILE COURT PROCEEDINGS AND BY ELIMINATING THE NEED FOR UNNECESSARY WITNESSES IN ESTABLISHING A CHAIN OF CUSTODY, WHEN THE DEFENDANT DOES NOT TIMELY OBJECT TO THE ADMISSION OF A LABORATORY REPORT OR THE CHAIN OF CUSTODY.

The General Assembly of North Carolina enacts:

Section 1. G.S. 90-95 reads as rewritten:

"**§ 90-95. Violations; penalties.**

(a) Except as authorized by this Article, it is unlawful for any person:

(1) To manufacture, sell or deliver, or possess with intent to manufacture, sell or deliver, a controlled substance;

(2) To create, sell or deliver, or possess with intent to sell or deliver, a counterfeit controlled substance;

(3) To possess a controlled substance.

(b) Except as provided in subsections (h) and (i) of this section, any person who violates G.S. 90-95(a)(1) with respect to:

(1) A controlled substance classified in Schedule I or II shall be punished as a Class H felon;

(2) A controlled substance classified in Schedule III, IV, V, or VI shall be punished as a Class I felon, but the transfer of less than 5 grams

of marijuana for no remuneration shall not constitute a delivery in violation of G.S. 90-95(a)(1).

(c) Any person who violates G.S. 90-95(a)(2) shall be punished as a Class I felon.

(d) Except as provided in subsections (h) and (i) of this section, any person who violates G.S. 90-95(a)(3) with respect to:

(1) A controlled substance classified in Schedule I shall be punished as a Class I felon;

(2) A controlled substance classified in Schedule II, III, or IV shall be guilty of a Class 1 misdemeanor. If the controlled substance exceeds four tablets, capsules, or other dosage units or equivalent quantity of hydromorphone or if the quantity of the controlled substance, or combination of the controlled substances, exceeds one hundred tablets, capsules or other dosage units, or equivalent quantity, the violation shall be punishable as a Class I felony. If the controlled substance is phencyclidine, or cocaine and any salt, isomer, salts of isomers, compound, derivative, or preparation thereof, or coca leaves and any salt, isomer, salts of isomers, compound, derivative, or preparation of coca leaves, or any salt, isomer, salts of isomers, compound, derivative or preparation thereof which is chemically equivalent or identical with any of these substances (except decocanized coca leaves or any extraction of coca leaves which does not contain cocaine or ecgonine), the violation shall be punishable as a Class I felony.

(3) A controlled substance classified in Schedule V shall be guilty of a Class 2 misdemeanor;

(4) A controlled substance classified in Schedule VI shall be guilty of a Class 3 misdemeanor, but any sentence of imprisonment imposed must be suspended and the judge may not require at the time of sentencing that the defendant serve a period of imprisonment as a special condition of probation. If the quantity of the controlled substance exceeds one-half of an ounce (avoirdupois) of marijuana or one-twentieth of an ounce (avoirdupois) of the extracted resin of marijuana, commonly known as hashish, the violation shall be punishable as a Class 1 misdemeanor. If the quantity of the controlled substance exceeds one and one-half ounces (avoirdupois) of marijuana or three-twentieths of an ounce (avoirdupois) of the extracted resin of marijuana, commonly known as hashish, or if the controlled substance consists of any quantity of synthetic tetrahydrocannabinols or tetrahydrocannabinols isolated from the resin of marijuana, the violation shall be punishable as a Class I felony.

(1) Possess an immediate precursor chemical with intent to manufacture a controlled substance; or

(6) For the purpose of increasing punishment under G.S. 90-95(e)(3) and (e)(4), previous convictions for offenses shall be counted by the number of separate trials at which final convictions were obtained and not by the number of charges at a single trial;

(7) If any person commits an offense under this Article for which the prescribed punishment requires that any sentence of imprisonment be suspended, and if he has previously been convicted for one or more offenses under any law of North Carolina or any law of the United States or any other state, which offenses are punishable under any provision of this Article, he shall be guilty of a Class 2 misdemeanor;

Representative Gulley

The Proposed Senate Committee Substitute for House Bill 1122 facilitates the admissibility of evidence of laboratory analysis of a controlled substance in criminal cases in superior and juvenile court by eliminating unnecessary witnesses related to the drug analysis and the chain of custody. This bill also clarifies when communications with optometrists are privileged, and permits superior court sessions to be held in Thomasville and Mooresville.

In order to establish the relevancy of test results, the person introducing the evidence is generally required to lay a foundation by way of expert testimony explaining the way the test is conducted, attesting its scientific reliability, and vouching for its correct administration in the particular case. Further, the substance analyzed would have to be accurately identified by proving a chain of custody to insure that the substance came from the source claimed and that its condition was unchanged.

Under current law governing controlled substance violations, chemical analyses from specified laboratories may be presented in district court as evidence of the identity, nature, and quantity of the matter analyzed. G.S. 90-95 requires that the report, on a form approved by the Attorney General, be certified by the person performing the analysis; no further authentication is required. Section 1 of this bill amend G.S. 90-95 to allow the introduction of the report of chemical analysis in superior court and juvenile court proceedings, provided that the State notifies the defendant of its intent to introduce the report into evidence at least ten days prior to trial and provides a copy of the report to the defendant, and the defendant fails to object to introduction at least five days prior to the trial.

Section 2 of the bill further provides that when material is analyzed for the purpose of determining whether it is a controlled substance, for the purpose of establishing chain of custody a statement signed by each successive person in the chain of custody may be introduced in lieu of the personal appearance

at trial of each person involved. The statement may be used only if the State notifies the defendant at least ten days prior to trial of its intent to introduce the statement, provides a copy to the defendant and the defendant fails to object to introduction at least five days prior to the trial. Any party may call witnesses to support or rebut the evidence contained in the reports or statements.

Section 3 of the bill amends the privileged communications statute for optometrists enacted in HB 527 this session. This change requires that for information given to an optometrist to be privileged and therefore not generally admissible into evidence in a trial, the information communicated had to be necessary to perform optometric services. Similar language currently exists in all other professional privilege communications statutes, including physicians, psychologist, school counselors, marriage and family counselors, and social workers. Without this amendment, any information conveyed to an optometrist while rendering professional optometric services, whether related to rendering the service or not, would be privileged.

Section 4 of the bill would permit superior court to be held outside the county seats of Davidson and Iredell Counties in Thomasville and Mooresville, when ordered by the Senior Resident Superior Court Judge after consultation with the Chief District Court Judge. Court facilities may be furnished by the municipality and any facility fees collected as part of the court costs assessed from cases tried in those municipal facilities are to be paid to the municipality by the clerk of court.

Sections 1 and 2 of the bill would become effective December 1, 1997 and would apply to offenses occurring on or after that date. Section 3 would become effective when the bill becomes law and would apply to information acquired on or after that date. Section 4 would become effective July 7, 1997.

MEMORANDUM

TO: Senator Roy Cooper, Chair, Senate Judiciary Committee

FROM: Brenda J. Carter, Committee Co-Counsel

RE: **HOUSE BILL 618 - WORKERS' COMPENSATION FRAUD**
Representative Mitchell

Subcommittee Recommendation: Favorable to committee substitute. The bill as it passed the House increased the penalty for Workers' Compensation fraud from Class 1 misdemeanor to Class I felony. The subcommittee's proposed substitute makes Workers' Compensation fraud a Class H felony when the amount at issue is $1000 or more, but leaves it a Class 1 misdemeanor for lesser amounts. The proposed committee substitute also increases the penalty for willful failure to secure compensation.

The proposed committee substitute for House Bill 618 increases the penalty for workers' compensation fraud (by either the employer or the employee) from a Class 1 misdemeanor to a Class H felony when the amount at issue is $1000 or more. The offense occurs when a person willfully makes a false statement or representation of a material fact for the purpose of obtaining or denying any benefit or payment. Upon conviction, the court may order the defendant to pay restitution. Section 1 of the bill also makes it a Class H felony for any person to threaten an employee with criminal prosecution for the purpose of coercing or attempting to coerce the employee into agreeing to forgo a workers' compensation claim.

G.S. 97-93 requires every employer subject to the Workers' Compensation Act to carry insurance or prove financial ability to pay for benefits. Section 2 of the bill increases the penalty for willful failure to secure the payment of compensation from a Class 1 misdemeanor to a Class H felony. The bill also makes it a Class H felony for any person who, with the ability and authority to bring an employer in compliance with G.S. 97-93, willfully fails to bring the employer in compliance. Negligent failure to

secure the payment of compensation and negligent failure to bring the employer in compliance remain Class 1 misdemeanors.

The presumptive minimum sentence for a Class H felony, assuming prior record level I, is 5-6 months community, intermediate, or active punishment. A Class 1 misdemeanor, assuming no prior convictions, is punishable by 1-45 days community punishment.

Under current law, the Industrial Commission may assess a civil penalty against any employer required to secure the payment of compensation who refuses or neglects to do so. The Commission may also assess a civil penalty against any person who, with the ability and authority to bring an employer in compliance with requirements to secure compensation, refuses or neglects to bring the employer in compliance. The bill amends G.S. 97-94 to provide that the Industrial Commission may suspend collection or remit all or part of any civil penalty imposed in either instance, on condition that the employer or other person pay the compensation due and comply with requirements to secure compensation.

House Bill 618 would become effective October 1, 1997, and apply to offenses occurring on or after that date.

BILL SUMMARY: *TO INCREASE THE CRIMINAL PENALTIES FOR MISREPRESENTATION UNDER THE WORKERS' COMPENSATION ACT.* Amends GS 97-88.2 to make misrepresentation and threatening an employee with criminal prosecution a class I felony rather than a class 1 misdemeanor. Effective Dec. 1, 1997.

Proposed Senate Committee Substitute - July 1, 1997

Amends GS 97-88.2 to make misrepresentation and threatening an employee with criminal prosecution a class H felony rather than a class 1 misdemeanor. Also amends GS 97-94(c) to make failure of securing compensation under this act a class H felony. Effective December 1, 1997.

ASSUMPTIONS AND METHODOLOGY: Judicial Department and Department of Correction

Currently, the Judicial Branch does not have a specific code for offenses relating to workers' compensation fraud. This indicates a small number of offenses since "offense codes" are established only when the number of offenses is significant. Based on this finding, the Sentencing Commission does not expect that the proposed changes would have any significant impact on prison populations. The Sentencing Commission estimates, for example, that if 10 individuals were convicted of these offenses per year approximately 2 to 4 additional inmates would be added to the prison population. If there were as many as 30 convictions no more than 6 to 10 additional inmates would be added to the prison system. These few potential additional inmates could be absorbed within existing Department of Correction resources.

Likewise, there would not be a significant fiscal impact on the Judicial Branch as there would not be any major changes in the time required to process or dispose of these cases.

MEMORANDUM

TO: Senator Roy Cooper, Chair, Senate Judiciary Committee

FROM: Brenda J. Carter, Committee Co-Counsel

RE: **HOUSE BILL 770 - AMEND MARIJUANA TRAFFICKING AMOUNTS**
Representative Kiser

Subcommittee Recommendation: Favorable to committee substitute. House Bill 770, which was incorporated into the House version of the budget, amends the offense of trafficking in marijuana by lowering the amount of marijuana that constitutes trafficking. The proposed committee substitute lowers the amount of marijuana that would be considered trafficking from 50 pounds to 25 pounds, rather than 10 as proposed in the original bill.

The trafficking statutes are aimed at offenders who are facilitating a large scale flow of drugs, based on the idea that certain amounts of controlled substances indicate an intent to distribute on a large scale. A person is guilty of trafficking if he or she *sells, manufactures, delivers, transports, or possesses* the specified amount of a controlled substance or conspires in any of the aforementioned activities. Under current law, a person who is convicted of a trafficking offense involving 50-99 pounds of marijuana is guilty of a Class H felony - punishable by a mandatory minimum imprisonment of 25 months and a mandatory minimum fine of $5,000. The penalty for trafficking increases depending upon the amount of marijuana involved.

By contrast, the current law applicable to non-trafficking offenses makes possession of more than 1½ ounces of marijuana a Class I felony. Possession of marijuana with intent to manufacture, sell, or deliver is also a Class I felony. Assuming no prior convictions, the presumptive minimum sentence for a Class I felony is 4-6 months community punishment. The maximum sentence (prior record level VI, aggravated) for a Class I felony is 15 months intermediate or active punishment. In felony sentencing,

AN EQUAL OPPORTUNITY/AFFIRMATIVE ACTION EMPLOYER

(OVER)

any judgment that includes a sentence of imprisonment may also include a fine. If a community punishment is authorized, the judgment may consist of a fine only. The amount of the fine is generally in the discretion of the judge.

The punishment for trafficking is not affected by a defendant's prior record level or aggravating and mitigating factors. However, a sentencing judge may impose a lesser sentence if the defendant has provided substantial assistance in the identification, arrest, or conviction of any accomplices, accessories, co-conspirators, or principals involved in controlled substances offenses.

The bill would become effective December 1, 1997 and would apply to offenses occurring on or after that date.

CHANGE IN "TRAFFICKING" AMOUNTS

COMMENTARY: This Bill conforms the first level of trafficking in marijuana consistent with all other first level drug trafficking statutes by removing the requirement of "in excess of", and also reduces the amount from fifty pounds to ten pounds. The amount should be reduced because marijuana's street price is approximately One Thousand Dollars ($1,000.00) a pound therefore making 10 pounds have a market value of in excess of Ten Thousand Dollars ($10,000.00). Such a value indicates someone possessing 10 lbs of marijuana is not a small-time dealer or user.

Moreover, one ounce of cocaine sells for approximately One Thousand Two Hundred Dollars ($1,200.00) to One Thousand Four Hundred Dollars ($1,400.00), its first level trafficking offense; while heroin sells for approximately Five Thousand Six Hundred Dollars ($5,600.00) per ounce, its first level trafficking offense. The present penalty for possession, sale, manufacture, and delivery of fifty pounds or less of marijuana is so lenient under present law that it is thought by some in the criminal community to be worth the risk. Also, today most marijuana is coming from Mexico in vehicles and the load sizes are smaller than in previous times.

Lastly, law enforcement agencies cannot afford undercover purchases of "in excess of fifty pounds" because of a prohibitive market price. Undercover purchases are one of the most reliable law enforcement techniques available to combat the drug problem. Without the ability to make undercover purchases and thereafter investigate the seller for some period of time before arrest, law enforcement must rely upon co-conspirator testimony to develop such cases. This is the most hazardous method of developing a criminal case for it is most open to attack on the grounds of the witnesses being unreliable.

Note that marijuana is to date the third most trafficked controlled substance behind cocaine and heroin. By lowering the first level amount to ten pounds, this problem is addressed more directly and with the most trustworthy of law enforcement techniques.

AN ACT TO PROVIDE THAT A PERSON WHO SELLS, MANUFACTURES, DELIVERS, TRANSPORTS, OR POSSESSES TEN POUNDS OR MORE OF MARIJUANA IS GUILTY OF TRAFFICKING IN MARIJUANA.

Notes:

1. Based on information provided by narcotics law enforcement officials and by SBI lab analysts, it was estimated that no more than 5% of the total annual marijuana related convictions under G.S. 90-95(a)(1) and G.S. 90-95(a)(2) would be affected by this proposed legislation (a quantity of marijuana in excess of 10 pounds but not more than 50 pounds). These projections assume that the mandatory trafficking sentences will always be imposed (assumes no "substantial assistance").

2. The estimates assume a 3% annual growth in the volume of convictions for these crimes.

3. These impacts were developed using the Sentencing Commission's Correctional Population Simulation Model.

MEMORANDUM

TO: Senator Roy Cooper, Chair, Senate Judiciary Committee

FROM: O. Walker Reagan, Committee Co-Counsel

RE: **PROPOSED SENATE COMMITTEE SUBSTITUTE FOR HOUSE BILL 523 - CONFISCATED GUN / LAW OFFICER USE** - Representative Wilkins.

The Proposed Senate Committee Substitute for House Bill 523 would restore one section of the law repealed in 1994 to permit a judge to order that a confiscated deadly weapon be turned over to a local law enforcement agency for the agency's official use.

The bill would amend G.S. 14-269.1 by granting to the court an additional option for disposing of deadly weapons confiscated in conjunction with the commission of a crime. The provision being added allows a judge, when requested by the head or chief of a local law enforcement agency, to order that the weapon be turned over to a local law enforcement agency for the official use of the agency. The bill adds language that any weapon to be turned over to law enforcement must have a legible unique identification number. The bill also requires the agency receiving the weapon to maintain a record and inventory of any confiscated weapons received.

Current law gives the judge the options of 1) returning the weapon to the lawful owner, if not the criminal defendant, 2) ordering the weapon to be destroyed, 3) turning the weapon over to the SBI's Crime Laboratory Weapons Reference Library, or 4) turning the weapon over to the North Carolina Justice Academy.

The bill is effective when it becomes law.

HOUSE BILL 176
Committee Substitute Favorable 4/23/97

Short Title: Equine Activities/Duties and Liability. (Public)

Referred to:

February 17, 1997

A BILL TO BE ENTITLED

AN ACT TO CLARIFY RESPONSIBILITIES AND LIABILITY FOR EQUINE ACTIVITIES.

The General Assembly of North Carolina enacts:

Section 1. Chapter 106 of the General Statutes is amended by adding a new Article to read:

"ARTICLE 68.

"Equine Activity Liability.

"§ 106-810. Purpose; findings.

The General Assembly finds that persons who participate in equine activities may incur injuries as a result of the risks involved in such activities. The General Assembly also finds that the State and its citizens derive numerous economic and personal benefits from such activities. It is, therefore, the intent of the General Assembly to encourage equine activities by clarifying the responsibilities of equine activity sponsors, equine professionals, and participants in equine activities.

"§ 106-811. Definitions.

As used in this Article, the term:

(1) 'Engage in an equine activity' means participate in an equine activity, assist a participant in an equine activity, or assist an equine activity sponsor or equine professional. The term 'engage in an equine activity' does not include being a spectator at an equine activity, except in cases in which the spectator places

himself in an unauthorized area and in immediate proximity to the equine activity.

(2) 'Equine' means a horse, pony, mule, donkey, or hinny.

(3) 'Equine activity' means any activity involving an equine.

(4) 'Equine activity sponsor' means an individual, group, club, partnership, or corporation, whether the sponsor is operating for profit or nonprofit, which sponsors, organizes, or provides the facilities for an equine activity. The term includes operators and promoters of equine facilities.

(5) 'Equine professional' means a person engaged for compensation in:

a. Instructing a participant;

b. Renting an equine to a participant for the purpose of riding, driving, or being a passenger upon the equine;

c. Renting equipment or tack to a participant;

d. Examining or administering medical treatment to an equine; or

e. Hooftrimming or placing or replacing horseshoes on an equine.

(6) 'Inherent risks of equine activities' means those dangers or conditions which are an integral part of equine activities, including:

a. The possibility of an equine behaving in ways that may result in injury, harm, or death to persons on or around them; and

b. The unpredictability of an equine's reaction to such things as sounds, sudden movement, unfamiliar objects, persons, or other animals.

(7) 'Participant' means any person, whether amateur or professional, who engages in an equine activity, whether or not a fee is paid to participate in the equine activity.

Subject: H.176 - Equine Activities/Skating Rink Liability

We strongly urge the passage of this legislation for the following reasons:

1) Thirty-seven (37) other states have passed similar legislation. North Carolina is competing with these other states for horse shows and horse farm development and expansion.

2) It clarifies existing law, and makes it easier for the average person to understand the rights and responsibilities of horse owners and riders.

3) North Carolina has over 33,000 horse owners, who own over 130,000 horses with a total value of more than $530 million dollars.

4) Equine activities add to the quality of life in North Carolina. Horse farms preserve open space. Urban and suburban counties such as Guilford, Union, Mecklenburg and Wake have the largest number of horses.

4) Equine activities generate income for North Carolina farmers from grain and forage production.

We support the amendments which Senator Carpenter has prepared, but we hope that insurance will not be required. This would have the effect of excluding the smaller, nonprofit horse events from the coverage of the bill.

A BILL TO BE ENTITLED

AN ACT TO MODERNIZE THE PRETRIAL RELEASE AND BOND FORFEITURE PROCEDURE.

The General Assembly of North Carolina enacts:

Section 1. G.S. 15A-533 reads as rewritten:

"**§ 15A-533. Right to pretrial release in capital and noncapital cases.**

(a) A defendant charged with any crime, whether capital or noncapital, who is alleged to have committed this crime while still residing in or subsequent to his escape or during an unauthorized absence from involuntary commitment in a mental health facility designated or licensed by the Department of Human Resources, and whose commitment is determined to be still valid by the judge or judicial officer authorized to determine pretrial release to be valid, has no right to pretrial release. In lieu of pretrial release, however, the individual shall be returned to the treatment facility in which he was residing at the time of the alleged crime or from which he escaped or absented himself for continuation of his treatment pending the additional proceedings on the criminal offense.

(b) A defendant charged with a noncapital offense other than an offense that constitutes 'trafficking' in a controlled substance, as that term is defined by the Controlled Substances Act, must have conditions of pretrial release determined, in accordance with G.S. 15A-534.

(c) Subject to rebuttal by the person, it shall be presumed that no condition of release will reasonably assure the appearance of the person as required and the safety of the community if a judicial official finds that there is probable cause to believe that

the person committed ~~A judge may determine in his discretion whether a defendant charged with~~ a capital offense or an offense involving trafficking in a controlled substance. Such persons may only be released by a district or superior court judge upon a finding that there is a reasonable assurance that the person will appear and release does not pose an unreasonable risk of harm to the community. ~~may be released before trial.~~ If he determines release is warranted, the judge must authorize release of the defendant in accordance with G.S. 15A-534."

Section 2. G.S. 15A-534 reads as rewritten:

"**§ 15A-534. Procedure for determining conditions of pretrial release.**

(a) In determining conditions of pretrial release a judicial official must impose one of the following conditions:

(1) Release the defendant on his written promise to appear.

(2) Release the defendant upon his execution of an unsecured appearance bond in an amount specified by the judicial official.

(3) Place the defendant in the custody of a designated person or organization agreeing to supervise him.

(4) Require the execution of an appearance bond in a specified amount secured by a cash deposit of the full amount of the bond, by a mortgage pursuant to G.S. 58-74-5, or by at least one solvent surety.

If condition (3) is imposed, however, the defendant may elect to execute an appearance bond under subdivision (4). The judicial official may also place restrictions on the travel, associations, conduct, or place of abode of the defendant as conditions of pretrial release.

(b) The judicial official in granting pretrial release must impose condition (1), (2), or (3) in subsection (a) above unless he determines that such release will not reasonably assure the appearance of the defendant as required; will pose a danger of injury to any ~~person;~~ person or to the community; or is likely to result in destruction of evidence, subornation of perjury, or intimidation of potential witnesses. Upon making the determination, the judicial official must then impose condition (4) in subsection (a) above instead of condition (1), (2), or (3), and must record the reasons for so doing in writing ~~to the extent provided in the policies or requirements issued~~ in such form as may be required by the senior resident superior court judge pursuant to G.S. 15A-535(a).

(c) In determining which conditions of release to impose, the judicial official must, on the basis of available information, take into account the nature and circumstances of the offense charged; the weight of the evidence against the defendant; the defendant's family ties, employment, financial resources, character, and mental condition; whether the defendant is intoxicated to such a degree that he would be endangered by being released without supervision; the length of his residence in the community; his record of convictions; his history of flight to avoid prosecution or failure to appear at court proceedings; and any other evidence relevant to the issue of pretrial release.

(c1) If a secured appearance bond is required by a magistrate or clerk of court as a condition of pretrial release, the defendant, unless sooner released, shall be entitled to have his conditions of release reviewed at the first appearance conducted pursuant to G.S. 15A-601.

(d) The judicial official authorizing pretrial release under this section must issue an appropriate order containing a statement of the conditions imposed, if any; inform the defendant in writing of the penalties applicable to violations of the conditions of his release; and advise him that his arrest will be ordered immediately upon any violation. The order of release must be filed with the clerk and a copy given the defendant.

(e) A magistrate or a clerk may modify his pretrial release order at any time prior to the first appearance before the district court judge. At or after such first appearance, except when the conditions of pretrial release have been reviewed by the superior court pursuant to G.S. 15A-539, a district court judge may modify a pretrial release order of the magistrate or clerk or any pretrial release order entered by him at any time prior to:

(1) In a misdemeanor case tried in the district court, the noting of an appeal; and

(2) In a case in the original trial jurisdiction of the superior court, the binding of the defendant over to superior court after the holding, or waiver, of a probable-cause hearing.

After a case is before the superior court, a superior court judge may modify the pretrial release order of a magistrate, clerk, or district court judge, or any such order entered by him, at any time prior to the time set out in G.S. 15A-536(a).

(f) For good cause shown any judge may at any time revoke an order of pretrial release. Upon application of any defendant whose order of pretrial release has been revoked, the judge must set new conditions of pretrial release in accordance with this Article.

(g) In imposing conditions of pretrial release and in modifying and revoking orders of release under this section, the judicial official must take into account all evidence available to him which he considers reliable and is not strictly bound by the rules of evidence applicable to criminal trials.

(h) A bail bond posted pursuant to this section is effective and binding upon the obligor throughout all stages of the proceeding in the trial division of the General Court of Justice until the entry of judgment in the district court from which no appeal is taken or the entry of judgment in the superior court. The obligation of an obligor, however, is terminated at an earlier time if:

(1) A judge authorized to do so releases the obligor from his bond; or

(2) The principal is surrendered by a surety in accordance with G.S. 15A-540; or

(3) The proceeding is terminated by voluntary dismissal by the State before forfeiture is ordered under G.S. 15A-544(b); or

(4) Prayer for judgment has been continued indefinitely in the district court."

Section 3. G.S. 15A-535(a) reads as rewritten:

"(a) Subject to the provisions of this Article, the senior resident superior court judge for each district or set of districts as defined in G.S. 7A-41.1(a) in consultation with the chief district court judge or judges of all the district court districts in which are located any of the counties in the senior resident superior court judge's district or set of districts, must devise and issue recommended policies to be followed within each of those counties in determining whether, and upon what conditions, a defendant may be released before trial, and ~~may~~ shall include in such policies, or issue separately, a requirement that each judicial official who imposes condition (4) in G.S. 15A-534(a) must record the reasons for doing so in writing."

Section 4. G.S. 15A-544 reads as rewritten:

"**§ 15A-544. Forfeiture.**

(a) By entering into a bail bond the obligor submits to the jurisdiction of the court and irrevocably appoints the clerk as the obligor's agent for any proceedings with reference to the bond. The obligor's liability may be enforced on motion without the necessity of an independent action. Each obligor, including the principal, bail agent, and the surety represented by the bail agent, shall enter on the bond the obligor's mailing address, street address, and telephone number for the service of any process required by this section or other provision of law. If the address or telephone number of the obligor changes during the pendency of any proceeding with reference to the bond, it shall be the duty of the obligor to notify the clerk of the obligor's new address and telephone number.

(b) If the principal does not comply with the conditions of the bail bond, the court having jurisdiction must enter an order declaring the bail to be forfeited. If forfeiture is ordered by the court, a copy of the order of forfeiture and notice that judgment will be entered upon the order after 60 days must be served on each obligor. Service is to be made by the clerk mailing by certified mail, return receipt requested, a copy of the order of forfeiture and notice to each obligor at each obligor's address as noted on the bond and note on the original the date of mailing. Service is complete three days after the mailing.

~~(c) Except as provided in subsection (c1) of this section, at~~ At any time within 60 days following the date of service, or on the first presentment of the forfeiture calendar more than 60 days after the date of service, the principal or surety may move the court having jurisdiction of the matter, orally or in writing, to strike the order of forfeiture and recall the notice of forfeiture. If the principal or surety appears and moves within the time allowed following the date of service and satisfies the court that the principal's failure to appear on the date set was ~~impossible or~~ impossible, that the principal's failure to appear was without the principal's fault, or that the principal was surrendered by the surety, the order of forfeiture must be set aside. However, if the principal's failure to appear was the result of the principal's being incarcerated elsewhere, the order of forfeiture may be set aside only on a showing that the principal, while incarcerated, was served with an order for arrest for the failure to appear or placed under a detainer for the charge for which the order of forfeiture was issued. If the principal or surety does not satisfy the court that the

principal's appearance on the date set was ~~impossible or~~ impossible, that the principal's failure to appear was without the principal's fault, or that the principal was surrendered by the surety, the court must then enter judgment for the State against the principal and surety for the amount of the bail and the cost of the proceeding.

~~(e1) If the principal does not appear before the court having jurisdiction because the principal is incarcerated in North Carolina and unable to appear before the court, but the surety appears within the time allowed following the date of service and satisfies the court that the principal's appearance on the date set was impossible because the principal was incarcerated in North Carolina, the order of forfeiture must be set aside.~~

(d) To facilitate the procedure under this section, the clerk in each county shall prepare for both the district and superior court a forfeiture calendar once each month when court is in session. The forfeiture calendar shall list the names of all principals and sureties to whom forfeiture has been ordered more than 60 days previously in the county and as to which judgments of forfeiture against the principal and surety have not been entered or, if entered, not yet satisfied by execution. The forfeiture calendar shall show the amount of the bond ordered forfeited in each case. In addition, the clerk shall place on the forfeiture calendar for hearing all written motions to strike an order of forfeiture filed since the previous forfeiture calendar. It shall be the duty of the district attorney to present the forfeiture calendar to the court, but the attorney for the county school board shall have the right to appear and be heard when the forfeiture calendar is presented. At the district attorney's discretion, the district attorney may appoint the county school board attorney as the district attorney's designee for the presentation of the forfeiture calendar.

(e) ~~At any time within 90 days after entry of the judgment against a principal or surety, the principal or surety, by verified written petition, may request that the judgment be remitted in whole or in part, upon such conditions as the court may impose, if it appears that justice requires the remission of part or all of the judgment. A copy of the petition must be served upon the attorney for the county school board at least three working days prior to the hearing. The clerk shall place on the forfeiture calendar for hearing all petitions that have been filed during the previous month or since the last forfeiture calendar. The petitioner, the district attorney, and the school board attorney shall be notified of the date, time, and place of the hearing. The petitioner, the district attorney, and the county school board attorney shall be given an opportunity to appear and be heard.~~ If the principal is surrendered by the surety and incarcerated in the State within 90 days of the entry of the judgment, the forfeiture ~~shall~~ may, in the discretion of the court, be stricken upon the payment of costs. If the principal is incarcerated or served an order for arrest in North Carolina within 90 days of the entry of the judgment and the principal placed on a new bond or released by the court, then the forfeiture ~~shall~~ may, in the discretion of the court, be stricken upon the payment of costs. Relief under this subsection may be obtained only upon written petition filed with the court. The clerk shall place on the forfeiture calendar for hearing all petitions that have been filed during the previous month or

since the last forfeiture calendar. A copy of the petition, together with a notice of hearing shall be served by the petitioner on the attorney for the school board and on the district attorney at least three days prior to the hearing. The petitioner, the attorney for the school board, and the district attorney shall be given an opportunity to be heard.

(f) If a judgment has not been remitted within the period provided in subsection (e) above, the clerk must issue execution on the judgment within 30 days, and remit the clear proceeds to the county for use in maintaining free public schools. Any clerk who fails to perform his duty as required in this subsection is subject to a penalty of five hundred dollars ($500.00).

(g) If a levy of execution upon a judgment against an obligor remains unsatisfied for 10 days, the sheriff shall notify the clerks and magistrates in each county in the prosecutorial district and the obligor shall not become surety on any bail bond in the prosecutorial district so long as the judgment remains unsatisfied. Nothing in this subsection makes lawful any act made unlawful by Article 71 of Chapter 58 of the General Statutes.

(h) For extraordinary cause shown, the court which has entered judgment upon a forfeiture of a bond may, after execution, remit the judgment in whole or in part and order the clerk to refund such amounts as the court considers appropriate. Any person moving for remission of judgment must do so by verified petition, and a copy of the petition must be served upon the attorney for the county school board at least three working days prior to the hearing on the motion. The moving party must notify the attorney for the school board of the time and place of the hearing, and such attorney, if he so desires, must be given an opportunity to appear and be heard. If money has been paid to the county pursuant to execution on a judgment of forfeiture, it must refund to the person entitled the amount of any remission granted under the terms of this subsection upon receipt of a certified copy of the judgment of remission from the clerk."

Section 5. This act becomes effective December 1, 1997. Sections 1, 2, and 3 apply to offenses committed on or after that date. Section 4 applies to forfeitures ordered on or after that date.

MEMORANDUM

TO: Senator Roy Cooper, Chair, Senate Judiciary Committee

FROM: Brenda J. Carter, Committee Co-Counsel

RE: **HOUSE BILL 1023 - PRETRIAL RELEASE & BOND FORFEITURE**
Proposed Senate Committee Substitute
Representative Baddour

House Bill 1023 makes various changes to Chapter 15A concerning the right to pretrial release and bond forfeiture.

Section 1 of the bill amends 15A-533 to provide that, for a defendant charged with a trafficking offense under the Controlled Substances Act, it is presumed that no condition of release will reasonably assure the appearance of the person and the safety of the community. This presumption (which also applies to defendants charged with capital offenses) may be rebutted by the defendant, and the judge may authorize release of the defendant upon execution of an appearance bond in a specified amount secured as required by law.

Section 2 of the bill provides that if a secured appearance bond is required by a magistrate as a condition of pretrial release in a case in which the only charges are misdemeanors, the defendant is entitled to have his conditions of release reviewed at the next regularly scheduled session of district court at which criminal matters may be heard. If no such session is scheduled within 96 hours of when the defendant is taken into custody, the conditions of pretrial release will be heard by any judicial official other than the one who required the secured bond.

Section 3 of the bill requires that the senior resident superior court judge of each district include in the district's policies of pretrial release a requirement that a judicial official record in writing his or her reasons for requiring a secured appearance bond. The current law is permissive. (Bill changes "may" to "shall").

Section 4 of the bill amends the procedure for forfeiture of an appearance bond. Under current law, if a defendant fails to appear, the court issues an order of forfeiture. If , within 60 days after service of the

order, the defendant or bond surety does not convince the court that the defendant's appearance was impossible or the defendant's failure to appear was without fault, a judgment of forfeiture is entered. Within 90 days of entry of the judgment, the court may, in the interest of justice, remit all or part of the judgment to the defendant or surety. **Section 4** of the bill amends the law regarding the court's ability to remit the judgment when the principal is surrendered by the surety, or when the principal's failure to appear was the result of his or her incarceration.

Under current law, the court **must** strike the forfeiture and remit the judgment if, within 90 days of the judgment, the defendant is: (1) surrendered by the surety and incarcerated; or (2) incarcerated or served an order for arrest and placed on a new bond or released by the court. Section 4 of the bill amends the law to allow the court to strike a forfeiture **in its discretion** in the latter instance, or if other extraordinary cause is shown.

House Bill 1023 becomes effective December 1, 1997 and applies to offenses committed on or after that date. Section 4 applies to forfeitures ordered on or after that date.

A BILL TO BE ENTITLED

AN ACT TO MODERNIZE THE PRETRIAL RELEASE AND BOND FORFEITURE PROCEDURE.

The General Assembly of North Carolina enacts:

Section 1. G.S. 15A-533 reads as rewritten:

"**§ 15A-533. Right to pretrial release in capital and noncapital cases.**

(a) A defendant charged with any crime, whether capital or noncapital, who is alleged to have committed this crime while still residing in or subsequent to his escape or during an unauthorized absence from involuntary commitment in a mental health facility designated or licensed by the Department of Human Resources, and whose commitment is determined to be still valid by the judge or judicial officer authorized to determine pretrial release to be valid, has no right to pretrial release. In lieu of

pretrial release, however, the individual shall be returned to the treatment facility in which he was residing at the time of the alleged crime or from which he escaped or absented himself for continuation of his treatment pending the additional proceedings on the criminal offense.

(b) A defendant charged with a noncapital offense other than an offense that constitutes 'trafficking' in a controlled substance, as that term is defined by the Controlled Substances Act, must have conditions of pretrial release determined, in accordance with G.S. 15A-534.

(c) Subject to rebuttal by the person, it shall be presumed that no condition of release will reasonably assure the appearance of the person as required and the safety of the community if a judicial official finds that there is probable cause to believe that the person committed ~~A judge may determine in his discretion whether a defendant charged with~~ a capital offense or an offense involving trafficking in a controlled substance. Such persons may only be released by a district or superior court judge upon a finding that there is a reasonable assurance that the person will appear and release does not pose an unreasonable risk of harm to the community. ~~may be released before trial.~~ If he determines release is warranted, the judge must authorize release of the defendant in accordance with G.S. 15A-534."

Section 2. G.S. 15A-534 reads as rewritten:

"**§ 15A-534. Procedure for determining conditions of pretrial release.**

(a) In determining conditions of pretrial release a judicial official must impose one of the following conditions:

(1) Release the defendant on his written promise to appear.

(2) Release the defendant upon his execution of an unsecured appearance bond in an amount specified by the judicial official.

(3) Place the defendant in the custody of a designated person or organization agreeing to supervise him.

(4) Require the execution of an appearance bond in a specified amount secured by a cash deposit of the full amount of the bond, by a mortgage pursuant to G.S. 58-74-5, or by at least one solvent surety.

If condition (3) is imposed, however, the defendant may elect to execute an appearance bond under subdivision (4). The judicial official may also place restrictions on the travel, associations, conduct, or place of abode of the defendant as conditions of pretrial release.

(b) The judicial official in granting pretrial release must impose condition (1), (2), or (3) in subsection (a) above unless he determines that such release will not reasonably assure the appearance of the defendant as required; will pose a danger of injury to any ~~person;~~ person or to the community; or is likely to result in destruction of evidence, subornation of perjury, or intimidation of potential witnesses. Upon making the determination, the judicial official must then impose condition (4) in subsection (a) above instead of condition (1), (2), or (3), and must record the reasons for so doing in writing ~~to the extent provided in the policies or requirements issued~~ in such form as may be required by the senior resident superior court judge pursuant to G.S. 15A-535(a).

(c) In determining which conditions of release to impose, the judicial official must, on the basis of available information, take into account the nature and circumstances of the offense charged; the weight of the evidence against the defendant; the defendant's family ties, employment, financial resources, character, and mental condition; whether the defendant is intoxicated to such a degree that he would be endangered by being released without supervision; the length of his residence in the community; his record of convictions; his history of flight to avoid prosecution or failure to appear at court proceedings; and any other evidence relevant to the issue of pretrial release.

(c1) If a secured bond is required by a magistrate or clerk of superior court in a case in which the only charges against the defendant are misdemeanors, the defendant, unless sooner released, shall be entitled to have the conditions of pretrial release reviewed at the next regularly scheduled session of district court at which criminal matters may be heard. If no such session is scheduled within 96 hours after the time when the defendant is taken into custody, the conditions shall be reviewed within the 96 hours by a judicial official other than the one who required the secured bond.

(d) The judicial official authorizing pretrial release under this section must issue an appropriate order containing a statement of the conditions imposed, if any; inform the defendant in writing of the penalties applicable to violations of the conditions of his release; and advise him that his arrest will be ordered immediately upon any violation. The order of release must be filed with the clerk and a copy given the defendant.

(e) A magistrate or a clerk may modify his pretrial release order at any time prior to the first appearance before the district court judge. At or after such first appearance, except when the conditions of pretrial release have been reviewed by the superior court pursuant to G.S. 15A-539, a district court judge may modify a pretrial release order of the magistrate or clerk or any pretrial release order entered by him at any time prior to:

(1) In a misdemeanor case tried in the district court, the noting of an appeal; and

(2) In a case in the original trial jurisdiction of the superior court, the binding of the defendant over to superior court after the holding, or waiver, of a probable-cause hearing.

After a case is before the superior court, a superior court judge may modify the pretrial release order of a magistrate, clerk, or district court judge, or any such order entered by him, at any time prior to the time set out in G.S. 15A-536(a).

(f) For good cause shown any judge may at any time revoke an order of pretrial release. Upon application of any defendant whose order of pretrial release has been revoked, the judge must set new conditions of pretrial release in accordance with this Article.

(g) In imposing conditions of pretrial release and in modifying and revoking orders of release under this section, the judicial official must take into account all evidence available to him which he considers reliable and is not strictly bound by the rules of evidence applicable to criminal trials.

(h) A bail bond posted pursuant to this section is effective and binding upon the obligor throughout all stages of the proceeding in the trial division of the General Court of Justice until the entry of judgment in the district court from which no appeal is taken or the entry of judgment in the superior court.

The obligation of an obligor, however, is terminated at an earlier time if:

(1) A judge authorized to do so releases the obligor from his bond; or

(2) The principal is surrendered by a surety in accordance with G.S. 15A-540; or

(3) The proceeding is terminated by voluntary dismissal by the State before forfeiture is ordered under G.S. 15A-544(b); or

(4) Prayer for judgment has been continued indefinitely in the district court.

(i) In accordance with G.S. 15A-543, if the principal fails to appear in court as required, the court shall issue an order for arrest for the failure to appear and shall set a secured bond at an amount of at least twice the amount of the previous bond."

Section 3. G.S. 15A-535(a) reads as rewritten:

"(a) Subject to the provisions of this Article, the senior resident superior court judge for each district or set of districts as defined in G.S. 7A-41.1(a) in consultation with the chief district court judge or judges of all the district court districts in which are located any of the counties in the senior resident superior court judge's district or set of districts, must devise and issue recommended policies to be followed within each of those counties in determining whether, and upon what conditions, a defendant may be released before trial, and ~~may~~ shall include in such policies, or issue separately, a requirement that each judicial official who imposes condition (4) in G.S. 15A-534(a) must record the reasons for doing so in writing."

Section 4. G.S. 15A-544 reads as rewritten:

"**§ 15A-544. Forfeiture.**

(a) By entering into a bail bond the obligor submits to the jurisdiction of the court and irrevocably appoints the clerk as the obligor's agent for any proceedings with reference to the bond. The obligor's liability may be enforced on motion without the necessity of an independent action. Each obligor, including the principal, bail agent, and the surety represented by the bail agent, shall enter on the bond the obligor's mailing address, street address, and telephone number for the service of any process required by this section or other provision of law. If

the address or telephone number of the obligor changes during the pendency of any proceeding with reference to the bond, it shall be the duty of the obligor to notify the clerk of the obligor's new address and telephone number.

(b) If the principal does not comply with the conditions of the bail bond, the court having jurisdiction must enter an order declaring the bail to be forfeited. If forfeiture is ordered by the court, a copy of the order of forfeiture and notice that judgment will be entered upon the order after 60 days must be served on each obligor. Service is to be made by the clerk mailing by certified mail, return receipt requested, a copy of the order of forfeiture and notice to each obligor at each obligor's address as noted on the bond and note on the original the date of mailing. Service is complete three days after the mailing.

~~(c) Except as provided in subsection (c1) of this section, at~~ At any time within 60 days following the date of service, or on the first presentment of the forfeiture calendar more than 60 days after the date of service, the principal or surety may move the court having jurisdiction of the matter, orally or in writing, to strike the order of forfeiture and recall the notice of forfeiture. If the principal or surety appears and moves within the time allowed following the date of service and satisfies the court that the principal's failure to appear on the date set was ~~impossible or~~ impossible, that the principal's failure to appear was without the principal's fault, or that the principal was surrendered by the surety, the order of forfeiture must be set aside. However, if the principal's failure to appear was the result of the principal's being incarcerated elsewhere, the order of forfeiture shall be set aside only on a showing that the principal, while incarcerated, was served with an order for arrest for the failure to appear or placed under a detainer for the charge for which the order of forfeiture was issued. If the principal or surety does not satisfy the court that the principal's appearance on the date set was ~~impossible or~~ impossible, that the principal's failure to appear was without the principal's fault, or that the principal was surrendered by the surety, the court must then enter judgment for the State against the principal and surety for the amount of the bail and the cost of the proceeding.

~~(c1) If the principal does not appear before the court having jurisdiction because the principal is incarcerated in North Carolina and unable to appear before the court, but the surety appears within the time allowed following the date of service and satisfies the court that the principal's appearance on the date set was impossible because the principal was incarcerated in North Carolina, the order of forfeiture must be set aside.~~

(d) To facilitate the procedure under this section, the clerk in each county shall prepare for both the district and superior court a forfeiture calendar once each month when court is in session. The forfeiture calendar shall list the names of all principals and sureties to whom forfeiture has been ordered more than 60 days previously in the county and as to which judgments of forfeiture against the principal and surety have not been entered or, if entered, not yet satisfied by execution. The forfeiture calendar shall show the amount of the bond ordered forfeited in each case. In addition, the clerk shall place on the forfeiture calendar for hearing all written motions to strike an order of forfeiture filed since the previous forfeiture calendar. It shall be the duty of the district attorney to present the forfeiture calendar to the court, but the attorney for the county school board shall have the right to appear and be heard when the forfeiture calendar is presented. At the district attorney's discretion, the district attorney may appoint the county school board attorney as the district attorney's designee for the presentation of the forfeiture calendar.

(e) ~~At any time within 90 days after entry of the judgment against a principal or surety, the principal or surety, by verified written petition, may request that the judgment be remitted in whole or in part, upon such conditions as the court may impose, if it appears that justice requires the remission of part or all of the judgment. A copy of the petition must be served upon the attorney for the county school board at least three working days prior to the hearing. The clerk shall place on the forfeiture calendar for hearing all petitions that have been filed during the previous month or since the last forfeiture calendar. The petitioner, the district attorney, and the school board attorney shall be notified of the date, time, and place of the hearing. The petitioner, the district attorney, and the county school board attorney shall be given an opportunity to~~

~~appear and be heard.~~ If the principal is surrendered by the surety and incarcerated in the State ~~within 90 days of the entry of the judgment,~~ at any time between the date of the principal's failure to appear and the 90th day after entry of judgment, the forfeiture shall be stricken upon the payment of costs. If the principal is incarcerated or served an order for arrest in North Carolina ~~within 90 days of the entry of the judgment~~ at any time between the date of the principal's failure to appear and the 90th day after the entry of judgment and the principal placed on a new bond or released by the court, or if other extraordinary cause is shown, then the forfeiture ~~shall~~ may, in the discretion of the court, be stricken upon the payment of costs. Relief under this subsection may be obtained only upon written petition filed with the court within 90 days after entry of the judgment. The clerk shall place on the forfeiture calendar for hearing all petitions that have been filed during the previous month or since the last forfeiture calendar. A copy of the petition, together with a notice of hearing shall be served by the petitioner on the attorney for the school board and on the district attorney at least three days prior to the hearing. The petitioner, the attorney for the school board, and the district attorney shall be given an opportunity to be heard.

(f) If a judgment has not been remitted within the period provided in subsection (e) above, the clerk must issue execution on the judgment within 30 days, and remit the clear proceeds to the county for use in maintaining free public schools. Any clerk who fails to perform his duty as required in this subsection is subject to a penalty of five hundred dollars ($500.00).

(g) If a levy of execution upon a judgment against an obligor remains unsatisfied for 10 days, the sheriff shall notify the clerks and magistrates in each county in the prosecutorial district and the obligor shall not become surety on any bail bond in the prosecutorial district so long as the judgment remains unsatisfied. Nothing in this subsection makes lawful any act made unlawful by Article 71 of Chapter 58 of the General Statutes.

(h) For extraordinary cause shown, the court which has entered judgment upon a forfeiture of a bond may, after execution, remit the judgment in whole or in part and order the clerk to refund such amounts as the court considers appropriate. Any person moving for remission of judgment must do so by verified petition,

and a copy of the petition must be served upon the attorney for the county school board at least three working days prior to the hearing on the motion. The moving party must notify the attorney for the school board of the time and place of the hearing, and such attorney, if he so desires, must be given an opportunity to appear and be heard. If money has been paid to the county pursuant to execution on a judgment of forfeiture, it must refund to the person entitled the amount of any remission granted under the terms of this subsection upon receipt of a certified copy of the judgment of remission from the clerk."

Section 5. This act becomes effective December 1, 1997. Sections 1, 2, and 3 apply to offenses committed on or after that date. Section 4 applies to forfeitures ordered on or after that date.

A BILL TO BE ENTITLED

AN ACT TO MODERNIZE THE PRETRIAL RELEASE AND BOND FORFEITURE PROCEDURE.

The General Assembly of North Carolina enacts:

Section 1. G.S. 15A-533 reads as rewritten:

"**§ 15A-533. Right to pretrial release in capital and noncapital cases.**

(a) A defendant charged with any crime, whether capital or noncapital, who is alleged to have committed this crime while still residing in or subsequent to his escape or during an unauthorized absence from involuntary commitment in a mental health facility designated or licensed by the Department of Human Resources, and whose commitment is determined to be still valid by the judge or judicial officer authorized to determine pretrial release to be valid, has no right to pretrial release. In lieu of pretrial release, however, the individual shall be returned to the treatment facility in which he was residing at the time of the alleged crime or from which he escaped or absented himself for continuation of his treatment pending the additional proceedings on the criminal offense.

(b) A defendant charged with a noncapital offense other than an offense that constitutes 'trafficking' in a controlled substance, as that term is defined by the Controlled Substances Act, must have conditions of pretrial release determined, in accordance with G.S. 15A-534.

(c) Subject to rebuttal by the person, it shall be presumed that no condition of release will reasonably assure the appearance of the person as required and the safety of the community if a judicial official finds that there is probable cause to believe that

the person committed ~~A judge may determine in his discretion whether a defendant charged with~~ a capital offense or an offense involving trafficking in a controlled substance. Such persons may only be released by a district or superior court judge upon a finding that there is a reasonable assurance that the person will appear and release does not pose an unreasonable risk of harm to the community. ~~may be released before trial.~~ If he determines release is warranted, the judge must authorize release of the defendant in accordance with G.S. 15A-534."

Section 2. G.S. 15A-534 reads as rewritten:

"**§ 15A-534. Procedure for determining conditions of pretrial release.**

(a) In determining conditions of pretrial release a judicial official must impose one of the following conditions:

(1) Release the defendant on his written promise to appear.

(2) Release the defendant upon his execution of an unsecured appearance bond in an amount specified by the judicial official.

(3) Place the defendant in the custody of a designated person or organization agreeing to supervise him.

(4) Require the execution of an appearance bond in a specified amount secured by a cash deposit of the full amount of the bond, by a mortgage pursuant to G.S. 58-74-5, or by at least one solvent surety.

If condition (3) is imposed, however, the defendant may elect to execute an appearance bond under subdivision (4). The judicial official may also place restrictions on the travel, associations, conduct, or place of abode of the defendant as conditions of pretrial release.

(b) The judicial official in granting pretrial release must impose condition (1), (2), or (3) in subsection (a) above unless he determines that such release will not reasonably assure the appearance of the defendant as required; will pose a danger of injury to any ~~person;~~ person or to the community; or is likely to result in destruction of evidence, subornation of perjury, or intimidation of potential witnesses. Upon making the determination, the judicial official must then impose condition (4) in subsection (a) above instead of condition (1), (2), or (3), and must record the reasons for so doing in writing ~~to the extent provided in the policies or requirements issued~~ in such form as may be required by the senior resident superior court judge pursuant to G.S. 15A-535(a).

(c) In determining which conditions of release to impose, the judicial official must, on the basis of available information, take into account the nature and circumstances of the offense charged; the weight of the evidence against the defendant; the defendant's family ties, employment, financial resources, character, and mental condition; whether the defendant is intoxicated to such a degree that he would be endangered by being released without supervision; the length of his residence in the community; his record of convictions; his history of flight to avoid prosecution or failure to appear at court proceedings; and any other evidence relevant to the issue of pretrial release.

(c1) If a secured appearance bond is required by a magistrate or clerk of court as a condition of pretrial release, the defendant, unless sooner released, shall be entitled to have his conditions of release reviewed at the first appearance conducted pursuant to G.S. 15A-601.

(d) The judicial official authorizing pretrial release under this section must issue an appropriate order containing a statement of the conditions imposed, if any; inform the defendant in writing of the penalties applicable to violations of the conditions of his release; and advise him that his arrest will be ordered immediately upon any violation. The order of release must be filed with the clerk and a copy given the defendant.

(e) A magistrate or a clerk may modify his pretrial release order at any time prior to the first appearance before the district court judge. At or after such first appearance, except when the conditions of pretrial release have been reviewed by the superior court pursuant to G.S. 15A-539, a district court judge may modify a pretrial release order of the magistrate or clerk or any pretrial release order entered by him at any time prior to:

(1) In a misdemeanor case tried in the district court, the noting of an appeal; and

(2) In a case in the original trial jurisdiction of the superior court, the binding of the defendant over to superior court after the holding, or waiver, of a probable-cause hearing.

After a case is before the superior court, a superior court judge may modify the pretrial release order of a magistrate, clerk, or district court judge, or any such order entered by him, at any time prior to the time set out in G.S. 15A-536(a).

(f) For good cause shown any judge may at any time revoke an order of pretrial release. Upon application of any defendant whose order of pretrial release has been revoked, the judge must set new conditions of pretrial release in accordance with this Article.

(g) In imposing conditions of pretrial release and in modifying and revoking orders of release under this section, the judicial official must take into account all evidence available to him which he considers reliable and is not strictly bound by the rules of evidence applicable to criminal trials.

(h) A bail bond posted pursuant to this section is effective and binding upon the obligor throughout all stages of the proceeding in the trial division of the General Court of Justice until the entry of judgment in the district court from which no appeal is taken or the entry of judgment in the superior court. The obligation of an obligor, however, is terminated at an earlier time if:

(1) A judge authorized to do so releases the obligor from his bond; or

(2) The principal is surrendered by a surety in accordance with G.S. 15A-540; or

(3) The proceeding is terminated by voluntary dismissal by the State before forfeiture is ordered under G.S. 15A-544(b); or

(4) Prayer for judgment has been continued indefinitely in the district court."

Section 3. G.S. 15A-535(a) reads as rewritten:

"(a) Subject to the provisions of this Article, the senior resident superior court judge for each district or set of districts as defined in G.S. 7A-41.1(a) in consultation with the chief district court judge or judges of all the district court districts in which are located any of the counties in the senior resident superior court judge's district or set of districts, must devise and issue recommended policies to be followed within each of those counties in determining whether, and upon what conditions, a defendant may be released before trial, and ~~may~~ shall include in such policies, or issue separately, a requirement that each judicial official who imposes condition (4) in G.S. 15A-534(a) must record the reasons for doing so in writing."

Section 4. G.S. 15A-544 reads as rewritten:

"**§ 15A-544. Forfeiture.**

(a) By entering into a bail bond the obligor submits to the jurisdiction of the court and irrevocably appoints the clerk as the obligor's agent for any proceedings with reference to the bond. The obligor's liability may be enforced on motion without the necessity of an independent action. Each obligor, including the principal, bail agent, and the surety represented by the bail agent, shall enter on the bond the obligor's mailing address, street address, and telephone number for the service of any process required by this section or other provision of law. If the address or telephone number of the obligor changes during the pendency of any proceeding with reference to the bond, it shall be the duty of the obligor to notify the clerk of the obligor's new address and telephone number.

(b) If the principal does not comply with the conditions of the bail bond, the court having jurisdiction must enter an order declaring the bail to be forfeited. If forfeiture is ordered by the court, a copy of the order of forfeiture and notice that judgment will be entered upon the order after 60 days must be served on each obligor. Service is to be made by the clerk mailing by certified mail, return receipt requested, a copy of the order of forfeiture and notice to each obligor at each obligor's address as noted on the bond and note on the original the date of mailing. Service is complete three days after the mailing.

~~(c) Except as provided in subsection (c1) of this section, at~~ At any time within 60 days following the date of service, or on the first presentment of the forfeiture calendar more than 60 days after the date of service, the principal or surety may move the court having jurisdiction of the matter, orally or in writing, to strike the order of forfeiture and recall the notice of forfeiture. If the principal or surety appears and moves within the time allowed following the date of service and satisfies the court that the principal's failure to appear on the date set was ~~impossible or~~ impossible, that the principal's failure to appear was without the principal's fault, or that the principal was surrendered by the surety, the order of forfeiture must be set aside. However, if the principal's failure to appear was the result of the principal's being incarcerated elsewhere, the order of forfeiture may be set aside only on a showing that the principal, while incarcerated, was served with an order for arrest for the failure to appear or placed under a detainer for the charge for which the order of forfeiture was issued. If the principal or surety does not satisfy the court that the

principal's appearance on the date set was ~~impossible or~~ impossible, that the principal's failure to appear was without the principal's fault, or that the principal was surrendered by the surety, the court must then enter judgment for the State against the principal and surety for the amount of the bail and the cost of the proceeding.

~~(c1) If the principal does not appear before the court having jurisdiction because the principal is incarcerated in North Carolina and unable to appear before the court, but the surety appears within the time allowed following the date of service and satisfies the court that the principal's appearance on the date set was impossible because the principal was incarcerated in North Carolina, the order of forfeiture must be set aside.~~

(d) To facilitate the procedure under this section, the clerk in each county shall prepare for both the district and superior court a forfeiture calendar once each month when court is in session. The forfeiture calendar shall list the names of all principals and sureties to whom forfeiture has been ordered more than 60 days previously in the county and as to which judgments of forfeiture against the principal and surety have not been entered or, if entered, not yet satisfied by execution. The forfeiture calendar shall show the amount of the bond ordered forfeited in each case. In addition, the clerk shall place on the forfeiture calendar for hearing all written motions to strike an order of forfeiture filed since the previous forfeiture calendar. It shall be the duty of the district attorney to present the forfeiture calendar to the court, but the attorney for the county school board shall have the right to appear and be heard when the forfeiture calendar is presented. At the district attorney's discretion, the district attorney may appoint the county school board attorney as the district attorney's designee for the presentation of the forfeiture calendar.

(e) ~~At any time within 90 days after entry of the judgment against a principal or surety, the principal or surety, by verified written petition, may request that the judgment be remitted in whole or in part, upon such conditions as the court may impose, if it appears that justice requires the remission of part or all of the judgment. A copy of the petition must be served upon the attorney for the county school board at least three working days prior to the hearing. The clerk shall place on the forfeiture calendar for hearing all petitions that have been filed during the previous month or since the last forfeiture calendar. The petitioner, the district attorney, and the school board attorney shall be notified of the date, time, and place of the hearing. The petitioner, the district attorney, and the county school board attorney shall be given an opportunity to appear and be heard.~~ If the principal is surrendered by the surety and incarcerated in the State within 90 days of the entry of the judgment, the forfeiture ~~shall~~ may, in the discretion of the court, be stricken upon the payment of costs. If the principal is incarcerated or served an order for arrest in North Carolina within 90 days of the entry of the judgment and the principal placed on a new bond or released by the court, then the forfeiture ~~shall~~ may, in the discretion of the court, be stricken upon the payment of costs. Relief under this subsection may be obtained only upon written petition filed with the court. The clerk shall place on the forfeiture calendar for hearing all petitions that have been filed during the previous month or

since the last forfeiture calendar. A copy of the petition, together with a notice of hearing shall be served by the petitioner on the attorney for the school board and on the district attorney at least three days prior to the hearing. The petitioner, the attorney for the school board, and the district attorney shall be given an opportunity to be heard.

(f) If a judgment has not been remitted within the period provided in subsection (e) above, the clerk must issue execution on the judgment within 30 days, and remit the clear proceeds to the county for use in maintaining free public schools. Any clerk who fails to perform his duty as required in this subsection is subject to a penalty of five hundred dollars ($500.00).

(g) If a levy of execution upon a judgment against an obligor remains unsatisfied for 10 days, the sheriff shall notify the clerks and magistrates in each county in the prosecutorial district and the obligor shall not become surety on any bail bond in the prosecutorial district so long as the judgment remains unsatisfied. Nothing in this subsection makes lawful any act made unlawful by Article 71 of Chapter 58 of the General Statutes.

(h) For extraordinary cause shown, the court which has entered judgment upon a forfeiture of a bond may, after execution, remit the judgment in whole or in part and order the clerk to refund such amounts as the court considers appropriate. Any person moving for remission of judgment must do so by verified petition, and a copy of the petition must be served upon the attorney for the county school board at least three working days prior to the hearing on the motion. The moving party must notify the attorney for the school board of the time and place of the hearing, and such attorney, if he so desires, must be given an opportunity to appear and be heard. If money has been paid to the county pursuant to execution on a judgment of forfeiture, it must refund to the person entitled the amount of any remission granted under the terms of this subsection upon receipt of a certified copy of the judgment of remission from the clerk."

Section 5. This act becomes effective December 1, 1997. Sections 1, 2, and 3 apply to offenses committed on or after that date. Section 4 applies to forfeitures ordered on or after that date.

A BILL TO BE ENTITLED

AN ACT TO MODERNIZE THE PRETRIAL RELEASE AND BOND FORFEITURE PROCEDURE.

The General Assembly of North Carolina enacts:

Section 1. G.S. 15A-533 reads as rewritten:

"**§ 15A-533. Right to pretrial release in capital and noncapital cases.**

(a) A defendant charged with any crime, whether capital or noncapital, who is alleged to have committed this crime while still residing in or subsequent to his escape or during an unauthorized absence from involuntary commitment in a mental health facility designated or licensed by the Department of Human Resources, and whose commitment is determined to be still valid by the judge or judicial officer authorized to determine pretrial release to be valid, has no right to pretrial release. In lieu of

pretrial release, however, the individual shall be returned to the treatment facility in which he was residing at the time of the alleged crime or from which he escaped or absented himself for continuation of his treatment pending the additional proceedings on the criminal offense.

(b) A defendant charged with a noncapital offense other than an offense that constitutes 'trafficking' in a controlled substance, as that term is defined by the Controlled Substances Act, must have conditions of pretrial release determined, in accordance with G.S. 15A-534.

(c) Subject to rebuttal by the person, it shall be presumed that no condition of release will reasonably assure the appearance of the person as required and the safety of the community if a judicial official finds that there is probable cause to believe that the person committed ~~A judge may determine in his discretion whether a defendant charged with~~ a capital offense or an offense involving trafficking in a controlled substance. Such persons may only be released by a district or superior court judge upon a finding that there is a reasonable assurance that the person will appear and release does not pose an unreasonable risk of harm to the community. ~~may be released before trial.~~ If he determines release is warranted, the judge must authorize release of the defendant in accordance with G.S. 15A-534."

Section 2. G.S. 15A-534 reads as rewritten:

"**§ 15A-534. Procedure for determining conditions of pretrial release.**

(a) In determining conditions of pretrial release a judicial official must impose one of the following conditions:

(1) Release the defendant on his written promise to appear.

(2) Release the defendant upon his execution of an unsecured appearance bond in an amount specified by the judicial official.

(3) Place the defendant in the custody of a designated person or organization agreeing to supervise him.

(4) Require the execution of an appearance bond in a specified amount secured by a cash deposit of the full amount of the bond, by a mortgage pursuant to G.S. 58-74-5, or by at least one solvent surety.

If condition (3) is imposed, however, the defendant may elect to execute an appearance bond under subdivision (4). The judicial official may also place restrictions on the travel, associations, conduct, or place of abode of the defendant as conditions of pretrial release.

(b) The judicial official in granting pretrial release must impose condition (1), (2), or (3) in subsection (a) above unless he determines that such release will not reasonably assure the appearance of the defendant as required; will pose a danger of injury to any ~~person;~~ person or to the community; or is likely to result in destruction of evidence, subornation of perjury, or intimidation of potential witnesses. Upon making the determination, the judicial official must then impose condition (4) in subsection (a) above instead of condition (1), (2), or (3), and must record the reasons for so doing in writing ~~to the extent provided in the policies or requirements issued~~ in such form as may be required by the senior resident superior court judge pursuant to G.S. 15A-535(a).

(c) In determining which conditions of release to impose, the judicial official must, on the basis of available information, take into account the nature and circumstances of the offense charged; the weight of the evidence against the defendant; the defendant's family ties, employment, financial resources, character, and mental condition; whether the defendant is intoxicated to such a degree that he would be endangered by being released without supervision; the length of his residence in the community; his record of convictions; his history of flight to avoid prosecution or failure to appear at court proceedings; and any other evidence relevant to the issue of pretrial release.

(c1) If a secured bond is required by a magistrate or clerk of superior court in a case in which the only charges against the defendant are misdemeanors, the defendant, unless sooner released, shall be entitled to have the conditions of pretrial release reviewed at the next regularly scheduled session of district court at which criminal matters may be heard. If no such session is scheduled within 96 hours after the time when the defendant is taken into custody, the conditions shall be reviewed within the 96 hours by a judicial official other than the one who required the secured bond.

(d) The judicial official authorizing pretrial release under this section must issue an appropriate order containing a statement of the conditions imposed, if any; inform the defendant in writing of the penalties applicable to violations of the conditions of his release; and advise him that his arrest will be ordered immediately upon any violation. The order of release must be filed with the clerk and a copy given the defendant.

(e) A magistrate or a clerk may modify his pretrial release order at any time prior to the first appearance before the district court judge. At or after such first appearance, except when the conditions of pretrial release have been reviewed by the superior court pursuant to G.S. 15A-539, a district court judge may modify a pretrial release order of the magistrate or clerk or any pretrial release order entered by him at any time prior to:

(1) In a misdemeanor case tried in the district court, the noting of an appeal; and

(2) In a case in the original trial jurisdiction of the superior court, the binding of the defendant over to superior court after the holding, or waiver, of a probable-cause hearing.

After a case is before the superior court, a superior court judge may modify the pretrial release order of a magistrate, clerk, or district court judge, or any such order entered by him, at any time prior to the time set out in G.S. 15A-536(a).

(f) For good cause shown any judge may at any time revoke an order of pretrial release. Upon application of any defendant whose order of pretrial release has been revoked, the judge must set new conditions of pretrial release in accordance with this Article.

(g) In imposing conditions of pretrial release and in modifying and revoking orders of release under this section, the judicial official must take into account all evidence available to him which he considers reliable and is not strictly bound by the rules of evidence applicable to criminal trials.

(h) A bail bond posted pursuant to this section is effective and binding upon the obligor throughout all stages of the proceeding in the trial division of the General Court of Justice until the entry of judgment in the district court from which no appeal is taken or the entry of judgment in the superior court.

The obligation of an obligor, however, is terminated at an earlier time if:

(1) A judge authorized to do so releases the obligor from his bond; or

(2) The principal is surrendered by a surety in accordance with G.S. 15A-540; or

(3) The proceeding is terminated by voluntary dismissal by the State before forfeiture is ordered under G.S. 15A-544(b); or

(4) Prayer for judgment has been continued indefinitely in the district court.

(i) In accordance with G.S. 15A-543, if the principal fails to appear in court as required, the court shall issue an order for arrest for the failure to appear and shall set a secured bond at an amount of at least twice the amount of the previous bond."

Section 3. G.S. 15A-535(a) reads as rewritten:

"(a) Subject to the provisions of this Article, the senior resident superior court judge for each district or set of districts as defined in G.S. 7A-41.1(a) in consultation with the chief district court judge or judges of all the district court districts in which are located any of the counties in the senior resident superior court judge's district or set of districts, must devise and issue recommended policies to be followed within each of those counties in determining whether, and upon what conditions, a defendant may be released before trial, and ~~may~~ shall include in such policies, or issue separately, a requirement that each judicial official who imposes condition (4) in G.S. 15A-534(a) must record the reasons for doing so in writing."

Section 4. G.S. 15A-544 reads as rewritten:

"**§ 15A-544. Forfeiture.**

(a) By entering into a bail bond the obligor submits to the jurisdiction of the court and irrevocably appoints the clerk as the obligor's agent for any proceedings with reference to the bond. The obligor's liability may be enforced on motion without the necessity of an independent action. Each obligor, including the principal, bail agent, and the surety represented by the bail agent, shall enter on the bond the obligor's mailing address, street address, and telephone number for the service of any process required by this section or other provision of law. If

the address or telephone number of the obligor changes during the pendency of any proceeding with reference to the bond, it shall be the duty of the obligor to notify the clerk of the obligor's new address and telephone number.

(b) If the principal does not comply with the conditions of the bail bond, the court having jurisdiction must enter an order declaring the bail to be forfeited. If forfeiture is ordered by the court, a copy of the order of forfeiture and notice that judgment will be entered upon the order after 60 days must be served on each obligor. Service is to be made by the clerk mailing by certified mail, return receipt requested, a copy of the order of forfeiture and notice to each obligor at each obligor's address as noted on the bond and note on the original the date of mailing. Service is complete three days after the mailing.

~~(c) Except as provided in subsection (c1) of this section, at~~ At any time within 60 days following the date of service, or on the first presentment of the forfeiture calendar more than 60 days after the date of service, the principal or surety may move the court having jurisdiction of the matter, orally or in writing, to strike the order of forfeiture and recall the notice of forfeiture. If the principal or surety appears and moves within the time allowed following the date of service and satisfies the court that the principal's failure to appear on the date set was ~~impossible or~~ impossible, that the principal's failure to appear was without the principal's fault, or that the principal was surrendered by the surety, the order of forfeiture must be set aside. However, if the principal's failure to appear was the result of the principal's being incarcerated elsewhere, the order of forfeiture shall be set aside only on a showing that the principal, while incarcerated, was served with an order for arrest for the failure to appear or placed under a detainer for the charge for which the order of forfeiture was issued. If the principal or surety does not satisfy the court that the principal's appearance on the date set was ~~impossible or~~ impossible, that the principal's failure to appear was without the principal's fault, or that the principal was surrendered by the surety, the court must then enter judgment for the State against the principal and surety for the amount of the bail and the cost of the proceeding.

~~(c1) If the principal does not appear before the court having jurisdiction because the principal is incarcerated in North Carolina and unable to appear before the court, but the surety appears within the time allowed following the date of service and satisfies the court that the principal's appearance on the date set was impossible because the principal was incarcerated in North Carolina, the order of forfeiture must be set aside.~~

(d) To facilitate the procedure under this section, the clerk in each county shall prepare for both the district and superior court a forfeiture calendar once each month when court is in session. The forfeiture calendar shall list the names of all principals and sureties to whom forfeiture has been ordered more than 60 days previously in the county and as to which judgments of forfeiture against the principal and surety have not been entered or, if entered, not yet satisfied by execution. The forfeiture calendar shall show the amount of the bond ordered forfeited in each case. In addition, the clerk shall place on the forfeiture calendar for hearing all written motions to strike an order of forfeiture filed since the previous forfeiture calendar. It shall be the duty of the district attorney to present the forfeiture calendar to the court, but the attorney for the county school board shall have the right to appear and be heard when the forfeiture calendar is presented. At the district attorney's discretion, the district attorney may appoint the county school board attorney as the district attorney's designee for the presentation of the forfeiture calendar.

(e) ~~At any time within 90 days after entry of the judgment against a principal or surety, the principal or surety, by verified written petition, may request that the judgment be remitted in whole or in part, upon such conditions as the court may impose, if it appears that justice requires the remission of part or all of the judgment. A copy of the petition must be served upon the attorney for the county school board at least three working days prior to the hearing. The clerk shall place on the forfeiture calendar for hearing all petitions that have been filed during the previous month or since the last forfeiture calendar. The petitioner, the district attorney, and the school board attorney shall be notified of the date, time, and place of the hearing. The petitioner, the district attorney, and the county school board attorney shall be given an opportunity to~~

~~appear and be heard.~~ If the principal is surrendered by the surety and incarcerated in the State ~~within 90 days of the entry of the judgment,~~ at any time between the date of the principal's failure to appear and the 90th day after entry of judgment, the forfeiture shall be stricken upon the payment of costs. If the principal is incarcerated or served an order for arrest in North Carolina ~~within 90 days of the entry of the judgment~~ at any time between the date of the principal's failure to appear and the 90th day after the entry of judgment and the principal placed on a new bond or released by the court, or if other extraordinary cause is shown, then the forfeiture ~~shall~~ may, in the discretion of the court, be stricken upon the payment of costs. Relief under this subsection may be obtained only upon written petition filed with the court within 90 days after entry of the judgment. The clerk shall place on the forfeiture calendar for hearing all petitions that have been filed during the previous month or since the last forfeiture calendar. A copy of the petition, together with a notice of hearing shall be served by the petitioner on the attorney for the school board and on the district attorney at least three days prior to the hearing. The petitioner, the attorney for the school board, and the district attorney shall be given an opportunity to be heard.

(f) If a judgment has not been remitted within the period provided in subsection (e) above, the clerk must issue execution on the judgment within 30 days, and remit the clear proceeds to the county for use in maintaining free public schools. Any clerk who fails to perform his duty as required in this subsection is subject to a penalty of five hundred dollars ($500.00).

(g) If a levy of execution upon a judgment against an obligor remains unsatisfied for 10 days, the sheriff shall notify the clerks and magistrates in each county in the prosecutorial district and the obligor shall not become surety on any bail bond in the prosecutorial district so long as the judgment remains unsatisfied. Nothing in this subsection makes lawful any act made unlawful by Article 71 of Chapter 58 of the General Statutes.

(h) For extraordinary cause shown, the court which has entered judgment upon a forfeiture of a bond may, after execution, remit the judgment in whole or in part and order the clerk to refund such amounts as the court considers appropriate. Any person moving for remission of judgment must do so by verified petition,

and a copy of the petition must be served upon the attorney for the county school board at least three working days prior to the hearing on the motion. The moving party must notify the attorney for the school board of the time and place of the hearing, and such attorney, if he so desires, must be given an opportunity to appear and be heard. If money has been paid to the county pursuant to execution on a judgment of forfeiture, it must refund to the person entitled the amount of any remission granted under the terms of this subsection upon receipt of a certified copy of the judgment of remission from the clerk."

Section 5. This act becomes effective December 1, 1997. Sections 1, 2, and 3 apply to offenses committed on or after that date. Section 4 applies to forfeitures ordered on or after that date.

AN ACT TO MODERNIZE THE PRETRIAL RELEASE AND BOND FORFEITURE PROCEDURE.

The General Assembly of North Carolina enacts:

Section 1. G.S. 15A-533 reads as rewritten:

"**§ 15A-533. Right to pretrial release in capital and noncapital cases.**

(a) A defendant charged with any crime, whether capital or noncapital, who is alleged to have committed this crime while still residing in or subsequent to his escape or during an unauthorized absence from involuntary commitment in a mental health facility designated or licensed by the Department of Human Resources, and whose commitment is determined to be still valid by the judge or judicial officer authorized to determine pretrial release to be valid, has no right to pretrial release. Section 2. G.S. 15A-534 reads as rewritten:

"**§ 15A-534. Procedure for determining conditions of pretrial release.**

(a) In determining conditions of pretrial release a judicial official must impose one of the following conditions:

(1) Release the defendant on his written promise to appear.

(2) Release the defendant upon his execution of an unsecured appearance bond in an amount specified by the judicial official.

(3) Place the defendant in the custody of a designated person or organization agreeing to supervise him.

(4) Require the execution of an appearance bond in a specified amount secured by a cash deposit of the full amount of the bond, by a mortgage pursuant to G.S. 58-74-5, or by at least one solvent surety.

If condition (3) is imposed, however, the defendant may elect to execute an appearance bond under subdivision (4). The judicial official may also place restrictions on the travel, associations, conduct, or place of abode of the defendant as conditions of pretrial release.

(b) The judicial official in granting pretrial release must impose condition (1), (2), or (3) in subsection (a) above unless

he determines that such release will not reasonably assure the appearance of the defendant as required; will pose a danger of injury to any ~~person;~~ person or to the community; or is likely to result in destruction of evidence, subornation of perjury, or intimidation of potential witnesses. Upon making the determination, the judicial official must then impose condition (4) in subsection (a) above instead of condition (1), (2), or (3), and must record the reasons for so doing in writing ~~to the extent provided in the policies or requirements issued~~ in such form as may be required by the senior resident superior court judge pursuant to G.S. 15A-535(a).

(c) In determining which conditions of release to impose, the judicial official must, on the basis of available information, take into account the nature and circumstances of the offense charged; the weight of the evidence against the defendant; the defendant's family ties, employment, financial resources, character, and mental condition; whether the defendant is intoxicated to such a degree that he would be endangered by being released without supervision; the length of his residence in the community; his record of convictions; his history of flight to avoid prosecution or failure to appear at court proceedings; and any other evidence relevant to the issue of pretrial release.

If no such session is scheduled within 96 hours after the time when the defendant is taken into custody, the conditions shall be reviewed within the 96 hours by a judicial official other than the one who required the secured bond.

(d) The judicial official authorizing pretrial release under this section must issue an appropriate order containing a statement of the conditions imposed, if any; inform the defendant in writing of the penalties applicable to violations of the conditions of his release; and advise him that his arrest will be ordered immediately upon any violation. The order of release must be filed with the clerk and a copy given the defendant.

(e) A magistrate or a clerk may modify his pretrial release order at any time prior to the first appearance before the district court judge. At or after such first appearance, except when the conditions of pretrial release have been reviewed by the superior court pursuant to G.S. 15A-539, a district court judge

may modify a pretrial release order of the magistrate or clerk or any pretrial release order entered by him at any time prior to:

(1) In a misdemeanor case tried in the district court, the noting of an appeal; and

(2) In a case in the original trial jurisdiction of the superior court, the binding of the defendant over to superior court after the holding, or waiver, of a probable-cause hearing.

After a case is before the superior court, a superior court judge may modify the pretrial release order of a magistrate, clerk, or district court judge, or any such order entered by him, at any time prior to the time set out in G.S. 15A-536(a).

(f) For good cause shown any judge may at any time revoke an order of pretrial release. Upon application of any defendant whose order of pretrial release has been revoked, the judge must set new conditions of pretrial release in accordance with this Article.

(g) In imposing conditions of pretrial release and in modifying and revoking orders of release under this section, the judicial official must take into account all evidence available to him which he considers reliable and is not strictly bound by the rules of evidence applicable to criminal trials.

(h) A bail bond posted pursuant to this section is effective and binding upon the obligor throughout all stages of the proceeding in the trial division of the General Court of Justice until the entry of judgment in the district court from which no appeal is taken or the entry of judgment in the superior court. The obligation of an obligor, however, is terminated at an earlier time if:

(4) Prayer for judgment has been continued indefinitely in the district court.

(i) In accordance with G.S. 15A-543, if the principal fails to appear in court as required, the court shall issue an order for arrest for the failure to appear and shall set a secured bond at an amount of at least twice the amount of the previous bond. Failure by the court to comply with this provision shall not affect the validity of any order or judgment."

Section 3. G.S. 15A-535(a) reads as rewritten:

"(a) Subject to the provisions of this Article, the senior resident superior court judge for each district or set of districts as defined in G.S. 7A-41.1(a) in consultation with the chief district court judge or judges of all the district court districts in which are located any of the counties in the senior resident superior court judge's district or set of districts, must devise and issue recommended policies to be followed within each of those counties in determining whether, and upon what conditions, a defendant may be released before trial, and ~~may~~ shall include in such policies, or issue separately, a requirement that each judicial official who imposes condition (4) in G.S. 15A-534(a) must record the reasons for doing so in writing."

Section 4. G.S. 15A-544 reads as rewritten:

If the address or telephone number of the obligor changes during the pendency of any proceeding with reference to the bond, it shall be the duty of the obligor to notify the clerk of the obligor's new address and telephone number.

(b) If the principal does not comply with the conditions of the bail bond, the court having jurisdiction must enter an order declaring the bail to be forfeited. If forfeiture is ordered by the court, a copy of the order of forfeiture and notice that judgment will be entered upon the order after 60 days must be served on each obligor. ~~Service is to~~ Unless waived in writing by the obligor, service shall be made by ~~the clerk mailing by~~ certified mail, return receipt requested, on an accommodation party as defined in G.S. 25-3-419, and by first class mail on all other obligors. The clerk shall serve a copy of the order of forfeiture and notice ~~to~~ on each obligor at each obligor's address as noted on the bond and shall note on the original the date of mailing. Service is complete three days after the mailing.

~~(c) Except as provided in subsection (c1) of this section, at~~ At any time within 60 days following the date of service, or on the first presentment of the forfeiture calendar more than 60 days after the date of service, the principal or surety may move the court having jurisdiction of the matter, orally or in writing, to strike the order of forfeiture and recall the notice of forfeiture. If the principal or surety appears and moves within the time allowed following the date of service and satisfies the court that the principal's failure to appear on the date set was ~~impossible or~~ impossible, that the principal's failure to appear was without the principal's fault, or that the principal was surrendered by the surety, the order of forfeiture must be set aside. However, if the principal's failure to appear was the result of the principal's being incarcerated elsewhere in North Carolina, the order of forfeiture shall be set aside only on a showing that the principal, while incarcerated, was served with an order for arrest for the failure to appear or placed under a detainer for the charge for which the order of forfeiture was issued. If the principal or surety does not satisfy the court that the principal's appearance on the date set was ~~impossible or~~ impossible, that the principal's failure to appear was without the principal's fault, or that the principal was surrendered by the surety, the court must then enter judgment for the State against the principal and surety for the amount of the bail and the cost of the proceeding.

~~(c1) If the principal does not appear before the court having jurisdiction because the principal is incarcerated in North Carolina and unable to appear before the court, but the surety appears within the time allowed following the date of service and satisfies the court that the principal's appearance on the date set was impossible because the principal was incarcerated in North Carolina, the order of forfeiture must be set aside.~~

(d) To facilitate the procedure under this section, the clerk in each county shall prepare for both the district and superior court a forfeiture calendar once each month when court is in session. The forfeiture calendar shall list the names of all principals and sureties to whom forfeiture has been ordered more than 60 days previously in the county and as to which judgments of forfeiture against the principal and surety have not been entered or, if entered, not yet satisfied by execution. The forfeiture calendar shall show the amount of the bond ordered forfeited in each case. In addition, the clerk shall place on the forfeiture calendar for hearing all written motions to strike an order of forfeiture filed since the previous forfeiture calendar.

It shall be the duty of the district attorney to present the forfeiture calendar to the court, but the attorney for the county school board shall have the right to appear and be heard when the forfeiture calendar is presented. At the district attorney's discretion, the district attorney may appoint the county school board attorney as the district attorney's designee for the presentation of the forfeiture calendar.

(e) ~~At any time within 90 days after entry of the judgment against a principal or surety, the principal or surety, by verified written petition, may request that the judgment be remitted in whole or in part, upon such conditions as the court may impose, if it appears that justice requires the remission of part or all of the judgment. A copy of the petition must be served upon the attorney for the county school board at least three working days prior to the hearing. The clerk shall place on the forfeiture calendar for hearing all petitions that have been filed during the previous month or since the last forfeiture calendar. The petitioner, the district attorney, and the school board attorney shall be notified of the date, time, and place of the hearing. The petitioner, the district attorney, and the county school board attorney shall be given an opportunity to appear and be heard.~~ If the principal is surrendered by the surety and incarcerated in the State ~~within 90 days of the entry of the judgment,~~ at any time between the date of the principal's failure to appear and the 90th day after entry of judgment, the forfeiture shall be stricken upon the payment of costs. If the principal is incarcerated or served an order for arrest for the failure to appear in North Carolina ~~within 90 days of the entry of the judgment~~ at any time between the date of the principal's failure to appear and the 90th day after the entry of judgment and the principal placed on a new bond or released by the court, or if extraordinary cause is shown, then the forfeiture ~~shall~~ may, in the discretion of the court, be stricken upon the payment of costs. Relief under this subsection may be obtained only upon written petition filed with the court within 90 days after entry of the judgment. The clerk shall place on the forfeiture calendar for hearing all petitions that have been filed during the previous month or since the last forfeiture calendar. A copy of the petition, together with a notice of hearing shall be served by the petitioner on the attorney for the school board and on the district attorney at least three days prior to the hearing. The petitioner, the attorney for the school board, and the district attorney shall be given an opportunity to be heard.

(f) If a judgment has not been remitted within the period provided in subsection (e) above, the clerk must issue execution on the judgment within 30 days, and remit the clear proceeds to the county for use in maintaining free public schools. Any clerk who fails to perform his duty as required in this subsection is subject to a penalty of five hundred dollars ($500.00).

(g) If a levy of execution upon a judgment against an obligor remains unsatisfied for 10 days, the sheriff shall notify the clerks and magistrates in each county in the prosecutorial district and the obligor shall not become surety on any bail bond in the prosecutorial district so long as the judgment remains unsatisfied. Nothing in this subsection makes lawful any act made unlawful by Article 71 of Chapter 58 of the General Statutes.

(h) For extraordinary cause shown, the court which has entered judgment upon a forfeiture of a bond may, after execution, remit the judgment in whole or in part and order the clerk to refund such amounts as the court considers appropriate. Any person moving for remission of judgment must do so by verified petition, and a copy of the petition must be served upon the attorney for the county school board at least three working days prior to the hearing on the motion. The moving party must notify the attorney for the school board of the time and place of the hearing, and such attorney, if he so desires, must be given an opportunity to appear and be heard. If money has been paid to the county pursuant to execution on a judgment of forfeiture, it must refund to the person entitled the amount of any remission granted under the terms of this subsection upon receipt of a certified copy of the judgment of remission from the clerk."

Section 5. This act becomes effective December 1, 1997. Sections 1, 2, and 3 apply to offenses committed on or after that date. Section 4 applies to forfeitures ordered on or after that date.

MEMORANDUM

TO: Senator Roy Cooper, Chair, Senate Judiciary Committee

FROM: Brenda J. Carter, Committee Co-Counsel

RE: **HOUSE BILL 584 - SPEEDING TO ELUDE ARREST**
Proposed Committee Substitute
Representative Jarrell

Special Note: The provisions of this bill are included in the House version of Senate Bill 352, the Current Operations & Capital Budget Act.

Subcommittee Recommendation: Favorable to Committee Substitute. The subcommittee added a provision which requires law enforcement agencies to adopt a policy applicable to the pursuit of fleeing or eluding motorists (Page 3). The proposed committee substitute also corrects a statutory citation in Section 2 of the bill. ***This second proposed committee substitute clarifies the aggravating factors that support a felony offense of speeding to elude arrest by referencing existing statutes regarding reckless driving and speeding in a school zone or work zone. This proposed committee substitute also eliminates the provision that would have made it unlawful for a person to "knowingly allow a vehicle owned by him, or under his control" to be operated while speeding to elude a law officer.***

Under current law, a person who drives a vehicle on a street or highway in excess of 55 mph and more than 15 mph over the legal limit, or who drives a vehicle in excess of 80 mph, while fleeing or attempting to elude arrest is guilty of a Class 1 misdemeanor.

Section 1 creates a new G.S. 20-141.5 which sets up both a misdemeanor and felony offense of "Speeding to elude arrest". It makes it unlawful for any person to operate a motor vehicle while fleeing or attempting to elude a law enforcement officer. If 2 or more of 8 specified aggravating factors exist, the offense is a Class H felony, otherwise it is a Class 1 misdemeanor. Aggravating factors include speeding in excess of 15 mph over the legal limit, gross alcohol impairment, reckless or dangerous driving, negligent driving leading to an accident causing property damage in excess of $1000 or personal injury, driving while license revoked, driving through a marked school or work zone, passing a stopped school bus, or driving with a child under the age of 12 in the vehicle.

Section 1 further provides that operation of a vehicle in violation of the statute is ***prima facie evidence*** that the vehicle was operated by the person in whose name the vehicle is registered. The bill requires that when the probable cause of the law enforcement officer is based on prima facie evidence, the officer shall make reasonable efforts to contact the registered owner of the vehicle prior to initiating criminal process. (***Prima facie evidence*** is generally defined as that which is good and sufficient on its face to establish a given fact, and which if not rebutted or contradicted, will remain sufficient. A summary of cases on the issue of the effect and constitutionality of prima facie evidence is presented at the end of this memorandum). A misdemeanor conviction will result in a one year revocation of the person's drivers license. A felony conviction will result in a three year revocation, with eligibility for a limited driving privilege after 18 months if there are no previous felony convictions under this statute and if the license has not been revoked under another provision of law.

Section 2 of the bill repeals the existing statutes relating to speeding to elude arrest.

Sections 3, 4 & 5 make conforming amendments to other statutes to include references to the new statute.

This bill would become effective December 1, 1997.

More On Prima Facie Evidence:

A prima facie case does nothing more than carry the case to the jury for its determination. Owens v. Kelly, 240 N.C. 770, 84 S.E.2d 163. *Likewise, prima facie evidence is not more than sufficient evidence to establish the vital facts without further proof, if it satisfies the jury. In a criminal case the jury is at full liberty to acquit the defendant if it is not satisfied from all the evidence -- including prima facie evidence -- that defendant's guilt has been proven beyond a reasonable doubt. In short, the inference or conclusion which may be drawn from certain facts recited in the statute may justify, but not compel a verdict adverse to the defendant. Ordinarily, the establishment of prima facie evidence does not shift the burden of the issue from the State to the defendant.* State v. Bryant, 245 N.C. 645, 97 S.E.2d 264; State v. Wilkerson, 164 N.C. 431, 79 S.E. 888.

Courts have held that the requirement for constitutionality is *that there be a rational connection between the fact proved and the ultimate fact presumed so that the inference of one from proof of the other is not unreasonable and arbitrary.* State v. Lassiter, 13 N.C. App. 292, 185 S.E.2d 478 (1971), cert. denied, 280 N.C. 495, 186 S.E.2d 514, appeal dismissed, 280 N.C. 724, 186 S.E.2d 926 (1972); and that the statute *not shift the burden of proof from the State to the defendants, or deprive them of due process of law or the presumption of innocence, which remained with them until overcome by evidence of guilt beyond a reasonable doubt.*

A BILL TO BE ENTITLED

AN ACT TO INCLUDE PRIOR IMPAIRED DRIVING CONVICTIONS IN FELONY PRIOR RECORD LEVEL CALCULATION, TO PROVIDE FOR AN INDEFINITE CIVIL SUSPENSION OF A DRIVERS LICENSE WHEN A DRIVER IS CHARGED WITH AN IMPAIRED DRIVING OFFENSE WHILE ANOTHER IMPAIRED DRIVING OFFENSE IS PENDING DISPOSITION, AND TO ALLOW FOR MODIFICATION OF SENTENCE FOR IMPAIRED DRIVING ON REMAND TO DISTRICT COURT OR WITHDRAWAL OF APPEAL.

The General Assembly of North Carolina enacts:

Section 1. G.S. 15A-1340.14(b) reads as rewritten:

"(b) Points. -- Points are assigned as follows:

(1) For each prior felony Class A conviction, 10 points.

(1a) For each prior felony Class B1 conviction, 9 points.

(2) For each prior felony Class B2, C, or D conviction, 6 points.

(3) For each prior felony Class E, F, or G conviction, 4 points.

(4) For each prior felony Class H or I conviction, 2 points.

(5) For each prior Class A1 or Class 1 misdemeanor ~~conviction~~ conviction or prior impaired driving conviction under G.S. 20-138.1, 1 point, except that convictions for Class 1 misdemeanor offenses under Chapter 20 of the General Statutes, other than conviction for misdemeanor death by vehicle ~~(G.S. 20-141.4(a2))~~, (G.S. 20-141.4(a2)) and conviction for impaired driving in a

commercial vehicle (G.S. 20-138.2), shall not be assigned any points for purposes of determining a person's prior record for felony sentencing.

(6) If all the elements of the present offense are included in the prior offense, 1 point.

(7) If the offense was committed while the offender was on probation or parole, or while the offender was serving a sentence of imprisonment, or while the offender was on escape from a correctional institution while serving a sentence of imprisonment, 1 point.

For purposes of determining prior record points under this subsection, a conviction for a first degree rape or a first degree sexual offense committed prior to the effective date of this subsection shall be treated as a felony Class B1 conviction, and a conviction for any other felony Class B offense committed prior to the effective date of this subsection shall be treated as a felony Class B2 conviction."

Section 2. G.S. 20-16.5(a) reads as rewritten:

"(a) Definitions. -- As used in this section the following words and phrases have the following meanings:

(1) Charging Officer. -- As described in G.S. 20-16.2(a1).

(2) Clerk. -- As defined in G.S. 15A-101(2).

(3) Judicial Official. -- As defined in G.S. 15A-101(5).

(4) Revocation Report. -- A sworn statement by a charging officer and a chemical analyst containing facts indicating that the conditions of subsection (b) have been ~~met.~~ met, and whether the person has a pending offense for which their license had been or is revoked under this section. When one chemical analyst analyzes a person's blood and another chemical analyst informs a person of his rights and responsibilities under G.S. 20-16.2, the report must include the statements of both analysts.

(5) Surrender of a Driver's License. -- The act of turning over to a court or a law-enforcement officer the person's most recent, valid driver's license or learner's permit issued by the Division or by a similar agency in another jurisdiction, or a limited driving privilege issued by a North Carolina court. A person who is validly licensed but who is unable to locate his license card may file an affidavit with the clerk setting out facts that indicate that he is unable to locate his license card and that he is validly licensed; the filing of the affidavit constitutes a surrender of the person's license."

Section 3. G.S. 20-16.5(e) reads as rewritten:

"(e) Procedure if Report Filed with Judicial Official When Person Is Present. -- If a properly executed revocation report concerning a person is filed with a judicial official when the person is present before that official, the judicial official must, after completing any other proceedings involving the person, determine whether there is probable cause to believe that each of the conditions of subsection (b) has been met.

If he determines that there is such probable cause, he must enter an order revoking the person's driver's license for the period required in this subsection. The judicial official must order the person to surrender his license and if necessary may order a law-enforcement officer to seize the license. The judicial official must give the person a copy of the revocation order. In addition to setting it out in the order the judicial official must personally inform the person of his right to a hearing as specified in subsection (g), and that his license remains revoked pending the hearing. ~~Unless the person is not currently licensed, the~~ The revocation under this subsection begins at the time the revocation order is issued and continues until the person's license has been ~~surrendered for 10 days and the person has paid the applicable costs. If the person is not currently licensed, the revocation continues until 10 days from the date the revocation order is issued and the person has paid the applicable costs.~~ revoked for the period specified in this subsection and the person has paid the applicable costs. The period of revocation is 10 days, if there are no pending offenses for which the person's license had been or is revoked under this section. If at the time of the current offense, the person has one or more pending offenses for which his license had been or is revoked under this section, the revocation shall remain in effect until a final judgment, including all appeals, has been entered for the current offense and for all pending offenses. In no event, may the period of revocation under this subsection be less than 10 days. If within five working days of the effective date of the order, the person does not surrender his license or demonstrate that he is not currently licensed, the clerk must immediately issue a pick-up order. The pick-up order must be issued to a member of a local law-enforcement agency if the charging officer was employed by the agency at the time of the charge and the person resides in or is present in the agency's territorial jurisdiction. In all other cases, the pick-up order must be issued to an officer or inspector of the Division. A pick-up order issued pursuant to this section is to be served in accordance with G.S. 20-29 as if the order had been issued by the Division."

Section 4. G.S. 20-16.5(f) reads as rewritten:

"(f) Procedure if Report Filed with Clerk of Court When Person Not Present. -- When a clerk receives a properly executed report under subdivision (d)(3) and the person named in the revocation report is not present before the clerk, the clerk must determine whether there is probable cause to believe that each of the conditions of subsection (b) has been met. If he determines that there is such probable cause, he must mail to the person a revocation order by first-class mail. The order must direct that the person on or before the effective date of the order either surrender his license to the clerk or appear before the clerk and demonstrate that he is not currently licensed, and the order must inform the person of the time and effective date of the revocation and of its duration, of his right to a hearing as specified in subsection (g), and that the revocation remains in effect pending the hearing. Revocation orders mailed under this subsection become effective on the fourth day after the order is deposited in the United States mail. If within five working days of the effective date of the order, the person does not surrender his license to the clerk or appear before the clerk to demonstrate that he is not currently licensed, the clerk

must immediately issue a pick-up order. The pick-up order must be issued and served in the same manner as specified in subsection (e) for pick-up orders issued pursuant to that subsection. A revocation under this subsection begins at the date specified in the order and continues until the person's license has been revoked for the period specified in this subsection and the person has paid the applicable costs. ~~The~~ If the person has no pending offenses for which his license had been or is revoked under this section, the period of revocation under this subsection is:

(1) Ten days from the time the person surrenders his license to the court, if the surrender occurs within five working days of the effective date of the order; or

(2) Ten days after the person appears before the clerk and demonstrates that he is not currently licensed to drive, if the appearance occurs within five working days of the effective date of the revocation order; or

(3) Thirty days from the time:

a. The person's driver's license is picked up by a law-enforcement officer following service of a pick-up order; or

b. The person demonstrates to a law-enforcement officer who has a pick-up order for his license that he is not currently licensed; or

c. The person's driver's license is surrendered to the court if the surrender occurs more than five working days after the effective date of the revocation order; or

d. The person appears before the clerk to demonstrate that he is not currently licensed, if he appears more than five working days after the effective date of the revocation order.

If at the time of the current offense, the person has one or more pending offenses for which his license had been or is revoked under this section, the revocation shall remain in effect until a final judgment, including all appeals, has been entered for the current offense and for all pending offenses. In no event may the period of revocation for the current offense be less than the applicable period of revocation in subdivision (1), (2), or (3) of this subsection. When a pick-up order is issued, it must inform the person of his right to a hearing as specified in subsection (g), and that the revocation remains in effect pending the hearing. An officer serving a pick-up order under this subsection must return the order to the court indicating the date it was served or that he was unable to serve the order. If the license was surrendered, the officer serving the order must deposit it with the clerk within three days of the surrender."

Section 5. G.S. 20-16.5(i) reads as rewritten:

"(i) Effect of Revocations. -- A revocation under this section revokes a person's privilege to drive in North Carolina whatever the source of his authorization to drive. Revocations under this section are independent of and run concurrently with any other revocations. No court imposing a period of revocation following conviction of an offense involving impaired driving may give credit for any period of revocation

imposed under this section. ~~A~~ Except as provided in subsection (i1), a person is not eligible for a limited driving privilege under any statute while his license is revoked under this section."

Section 6. G.S. 20-16.5 is amended by adding a new subsection to read:

"(i1) A person whose license has been indefinitely revoked under this section may, after completion of 10 days under subsection (e) or the applicable period of time under subdivision (1), (2), or (3) of subsection (f), apply for a limited driving privilege as provided in G.S. 20-179.3. A judge of the division in which the current offense is pending may issue the limited driving privilege only if the privilege is necessary to overcome undue hardship and the person meets the eligibility requirements of G.S. 20-179.3, other than the requirement in G.S. 20-179.3(b)(1)c. G.S. 20-179.3(e) shall not apply."

Section 7. G.S. 20-16.5(k) reads as rewritten:

"(k) Report to Division. -- Except as provided below, the clerk must mail a report to the ~~Division within~~ Division:

(1) If the license is revoked indefinitely, within 10 working days of the revocation of the license; and

(2) In all cases, within 10 working days of the return of a license under this section or of the termination of a revocation of the driving privilege of a person not currently licensed.

The report must identify the person whose license has been ~~revoked and~~ revoked, specify the date on which his license was ~~revoked.~~ revoked, and indicate whether the license has been returned. The report must also provide, if applicable, whether the license is revoked indefinitely. No report need be made to the Division, however, if there was a surrender of the driver's license issued by the Division, a 10-day minimum revocation was imposed, and the license was properly returned to the person under subsection (h) within five working days after the 10-day period had elapsed."

Section 8. G.S. 20-179 is amended by adding a new subsection to read:

"(a1) Modification of Sentence. -- If a conviction for impaired driving under G.S. 20-138.1 has been appealed to superior court and the notice of appeal is withdrawn or the case remanded to district court for imposition of judgment, the district court shall, upon motion of the district attorney, hold a hearing to determine if any grossly aggravating factors under subdivision (1) of subsection (c) apply which were not included in the judgment. If so, the judge shall modify the sentence in accordance with this section. The motion of the district attorney under this subsection must be filed prior to the order of remand or withdrawal of the notice of appeal."

Section 9. The Judicial Department shall implement the provisions of this act from existing funds available to it.

Section 10. Section 1 of this act becomes effective December 1, 1997. Sections 2 through 8 of this act become effective July 1, 1998. Sections 9 and 10 of this act become effective July 1, 1997.

MEMORANDUM

TO: Senator Roy Cooper, Chair, Senate Judiciary Committee

FROM: Brenda J. Carter, Committee Counsel

RE: **HOUSE BILL 183 - DWI/FELONY PRIOR RECORD LEVEL**
Proposed Committee Substitute
Representative Bowie

Subcommittee Recommendation: Favorable to Committee Substitute. Section 8 of House Bill 183, Second Edition, is deleted in the proposed committee substitute. That provision would have added a new subsection to the DWI sentencing statute to provide that where an offender appeals a DWI conviction to superior court for a new trial but then withdraws the appeal or the case is remanded to district court for imposition of judgment, the district court must, upon motion of the district attorney, hold a hearing to determine whether any grossly aggravating factors apply which were not included in the previous judgment (such as any DWI offense which occurred during the pendency of the appeal). If so, the judge would be required to modify the sentence. The district attorney's motion would have to be be filed before the order of remand or withdrawal of the appeal. A copy of the fiscal note is attached to this memorandum.

Under Structured Sentencing, only Class A1 and Class 1 misdemeanors are counted in the felony prior record calculation. A DWI conviction under G.S. 20-138.1 is not assigned a misdemeanor level and is, therefore, not included in the felony prior record calculation. Section 1 of House Bill 183 would provide that these convictions are included in the calculation.

Also, under Structured Sentencing, (except for misdemeanor death by vehicle) Class 1 misdemeanor offenses under Chapter 20 of the General Statutes, Motor Vehicles, are specifically excluded from the prior record calculation. A conviction for impaired driving in a commercial vehicle under G.S. 20-138.2 is a Class 1 misdemeanor. Section 1 of the bill provides that this offense is included in felony prior record calculation.

Sections 2, 3, and 4 of the bill amend various provisions of Chapter 20 of the General Statutes to provide for an indefinite civil suspension of a drivers license if the driver has, at the time of the offense, one or more pending DWI offenses. The civil suspension remains in effect until a final judgment has been entered for all of the offenses.

Sections 5 and 6 of the bill provide for the issuance of a limited driving privilege in the event of an indefinite civil suspension. A judge must find that the limited driving privilege is necessary to overcome undue hardship. The defendant's license must be suspended for a minimum of 10 days before the limited driving privilege may be issued.

Section 7 of the bill provides for the clerk to mail a report of the indefinite suspension to the Division of Motor Vehicles within 10 days of the revocation.

The Judicial Department is directed to implement the provisions of the bill from available funds. The provisions regarding felony prior record level calculation become effective December 1, 1997. Other substantive provisions become effective July 1, 1998.

This appropriation appears to relate to a version of the bill in prior sessions, not the current version. Not including this appropriation, the bill is anticipated to have an impact on the Judicial Branch but no estimate is available for much of this impact.

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: Dept. of Correction; Judicial Branch

EFFECTIVE DATE: Felony sentencing provisions effective Dec. 1, 1997. License revocation provisions effective July 1, 1998. Appropriation effective July 1, 1997.

BILL SUMMARY: H 183. DWI/FELONY PRIOR RECORD LEVEL. *TO INCLUDE PRIOR IMPAIRED DRIVING CONVICTIONS IN FELONY PRIOR RECORD LEVEL CALCULATION, TO PROVIDE FOR AN INDEFINITE CIVIL SUSPENSION OF A DRIVERS LICENSE WHEN A DRIVER IS CHARGED WITH AN IMPAIRED DRIVING OFFENSE WHILE ANOTHER IMPAIRED DRIVING OFFENSE IS.* Amends GS 15A-1340.14(b) (regarding calculation of prior record points in felony sentencing) to assign one point for each prior conviction of impaired driving (GS 20-138.1) or impaired driving in commercial vehicle (GS 20-138.2). (Currently no points assigned for those offenses.)

Amends GS 20-16.5 to provide that if a person meets the criteria for driver's license revocation under current GS 20-16.5(b) (for example, refusing to submit to a chemical analysis of blood alcohol concentration, or showing a concentration of

.08 or more in such an analysis, where charging officer has reason to believe that person has committed DWI), and if the person has another pending charge for which his or her license has been or is revoked under GS 20-16.5, the person's license must be revoked until a final judgment, including all appeals, has been entered for the current offense and for all pending offenses. Period of revocation may not be less than 10 days.

Adds new GS 20-179(a1) to provide that where offender appeals DWI conviction to superior court for new trial but then withdraws the appeal or the case is remanded to district court for imposition of judgment, the district court must, upon motion of the district attorney, hold hearing to determine whether any grossly aggravating factors under GS 20-179(c)(1) apply which were not included in the previous judgment. If so, judge must modify the sentence in accordance with GS 20-179. District attorney's motion must be filed before order of remand or withdrawal of appeal. *Appropriates* from General Fund to Dep't of Correction $837,219 for 1997-98 to fund cost of additional 165 inmates incarcerated as result of bill.[1]

ASSUMPTIONS AND METHODOLOGY:

Department of Correction

Section I of this bill would include prior impaired driving convictions in calculating felony prior record levels under structured sentencing. Since this will affect the frequency of and length of active sentences handed down, it will increase the size of the inmate population. The following chart shows, for the end of each fiscal year, beds projected to be available, the number of inmates projected under the present Structured Sentencing Act, the deficit or surplus beds, the number of additional inmates projected to be incarcerated under this bill, and the additional beds needed as a result of this bill after considering projected prison capacity: (The following information is specific to each individual bill.)

[1] *Daily Bulletin*, Institute of Government, UNC-Chapel Hill.

[2] The Sentencing Commission's revised prison population projections (dated December 1996) were estimated under three scenarios: High, Best, and Low. The differences in these scenarios reflect varying assumptions on incarceration rates under Structured Sentencing, probation and revocation rates, and the decline of the stock population. The projections outlined above are included in the "Best scenario" since the Sentencing Commission and the Department of Correction believe this scenario is most likely to occur.

[3] Projected number of prison beds based on Department of Correction estimates of expanded bed capacity as of 1/11/97. These numbers do not include the number of beds requested in the Governor's 1997-99 Capital Improvement budget.

As shown in bold in the table above, the Sentencing Commission estimates this specific legislation will add 462 inmates to the prison system by 2001-02. There is no additional fiscal impact resulting from the passage of this bill because these additional beds and their associated costs can be absorbed within the Department of Correction's existing budget. This analysis is based on the following assumptions and methodology:

1. There will be an estimated surplus of 4,430 beds by FY 2001-02 , based on current prison population projections by the Sentencing Commission and the estimated expanded prison bed capacity (see table above);

2. The expanded prison capacity includes all beds available when currently funded prison construction is completed, as well operating funds for food, clothing, health, and security of prisoners as the units begin housing inmates;

3. The Department of Correction will continue operating most dormitory units at 130% of capacity, as allowed by court consent decrees; and,

4. The expanded prison capacity numbers do not include out-of-state beds, jail contract beds, or the 2,000 net new beds which would be established if the projects receiving planning and design funds in the 1996 Session were fully funded.

Note: The number of additional inmates projected to be incarcerated if the 17 Sentencing Commission recommendations are approved by the 1997 General Assembly is 2,044 inmates by FY 2001-02 and 2,944 inmates by FY 2006-07. If all of the Sentencing Commission recommendations are approved, the estimated surplus of prison beds will be 2,296 by the end of FY 2001-02. These recommendations, along with other criminal penalty bill enhancements, reduce the availability of prison beds in future years. The Fiscal Research Division is monitoring the cumulative effect of all criminal penalty bills on the prison system.

Judicial Branch The Judicial Branch anticipates a *substantial* impact from this bill. Because Section I would increase the likelihood and length of active sentence for felony convictions, it may affect the defense strategy of certain defendants. This could increase the jury trial rate and the workload of the Judicial system. Data is not available, however, to quantify this impact.

Section 2 of the bill requires that if an offender has one or more pending offenses for which the license has been revoked, civil revocation of the drivers license will be until final judgment has been entered on all offenses. Current law specifies a 10 day period. This change may increase the number of arrests for driving while license revoked. Because the revocation period may be longer there may be more contested revocations (20-30 minutes court time per case) as well as more requests for limited driving privileges(10-20 minutes per case), primarily in district court. This section also contains an additional reporting requirement for clerks to report to DMV in indefinite revocation cases.

The Judicial Branch estimates that 7,440 individuals will be charged with driving while impaired while they already have their license revoked for a pending DWI charge. They also estimate that 90% of these individuals will request a hearing to contest the revocation and/or to apply for limited driving privileges, with an average court time of 30 minutes. This totals 3,534 in additional court time. Assuming about 1800 available hours per year per courtroom, the Judicial Branch would need 2 each of District Court Judges, Assistant District Attorneys and Deputy Clerks to handle the workload. Based on allotted salaries for these positions, this would cost $401,450 starting in 1998-9.

District Court Judges	2 @ 109,669	= 219,338
Assistant DA	2@	131,248
Deputy Clerk	2@	50,864
TOTAL		$401,450

Section 3 of the bill requires that if a case if remanded to district court or an appeal to superior court dropped, and the district attorney has moved for a hearing to determine if any grossly aggravating factors apply to judgment, the district court shall hold such a hearing and modify the sentence in accordance with such findings. This may increase the number of district court hearings and the costs for district attorneys, district court judges and clerks of court. Data is unavailable however to quantify this impact since it is not known the number of DWI appeals that are withdrawn or remanded nor the frequency of new grossly aggravating factors.

SOURCES OF DATA: Department of Correction, Judicial Branch; North Carolina Sentencing and Policy Advisory Commission

TECHNICAL CONSIDERATIONS: Section 9 includes an appropriation of $837,219 to the Department of Correction for 1997-8 to fund the estimated additional 165 inmates that will be added by implementation of Section I. This appears to be from a version of this bill that was introduced in prior sessions. Under current analysis there is no fiscal impact of this bill on the Department of Corrections and no additional inmates will be added in 1997-8. Additional inmates in later years can be absorbed with existing resources.

The General Assembly of North Carolina enacts:

Section 1. G.S. 15A-1340.14(b) reads as rewritten:

"(b) Points. -- Points are assigned as follows:

(1) For each prior felony Class A conviction, 10 points.

(1a) For each prior felony Class B1 conviction, 9 points.

(2) For each prior felony Class B2, C, or D conviction, 6 points.

(3) For each prior felony Class E, F, or G conviction, 4 points.
(4) For each prior felony Class H or I conviction, 2 points.
(5) For each prior Class A1 or Class 1 misdemeanor ~~conviction~~ conviction or prior impaired driving conviction under G.S. 20-138.1, 1 point, except that convictions for Class 1 misdemeanor offenses under Chapter 20 of the General Statutes, other than conviction for misdemeanor death by vehicle ~~(G.S. 20-141.4(a2)),~~ (G.S. 20-141.4(a2)) and conviction for impaired driving in a commercial vehicle (G.S. 20-138.2), shall not be assigned any points for purposes of determining a person's prior record for felony sentencing.
(6) If all the elements of the present offense are included in the prior offense, 1 point.
(7) If the offense was committed while the offender was on probation or parole, or while the offender was serving a sentence of imprisonment, or while the offender was on escape from a correctional institution while serving a sentence of imprisonment, 1 point.

For purposes of determining prior record points under this subsection, a conviction for a first degree rape or a first degree sexual offense committed prior to the effective date of this subsection shall be treated as a felony Class B1 conviction, and a conviction for any other felony Class B offense committed prior to the effective date of this subsection shall be treated as a felony Class B2 conviction."

Section 2. G.S. 20-16.5(a) reads as rewritten:

"(a) Definitions. -- As used in this section the following words and phrases have the following meanings:
(1) Charging Officer. -- As described in G.S. 20-16.2(a1).
(2) Clerk. -- As defined in G.S. 15A-101(2).
(3) Judicial Official. -- As defined in G.S. 15A-101(5).
(4) Revocation Report. -- A sworn statement by a charging officer and a chemical analyst containing

facts indicating that the conditions of subsection (b) have been ~~met.~~ met, and whether the person has a pending offense for which their license had been or is revoked under this section. When one chemical analyst analyzes a person's blood and another chemical analyst informs a person of his rights and responsibilities under G.S. 20-16.2, the report must include the statements of both analysts.

(5) Surrender of a Driver's License. -- The act of turning over to a court or a law-enforcement officer the person's most recent, valid driver's license or learner's permit issued by the Division or by a similar agency in another jurisdiction, or a limited driving privilege issued by a North Carolina court. A person who is validly licensed but who is unable to locate his license card may file an affidavit with the clerk setting out facts that indicate that he is unable to locate his license card and that he is validly licensed; the filing of the affidavit constitutes a surrender of the person's license."

Section 3. G.S. 20-16.5(e) reads as rewritten:

"(e) Procedure if Report Filed with Judicial Official When Person Is Present. -- If a properly executed revocation report concerning a person is filed with a judicial official when the person is present before that official, the judicial official must, after completing any other proceedings involving the person, determine whether there is probable cause to believe that each of the conditions of subsection (b) has been met. If he determines that there is such probable cause, he must enter an order revoking the person's driver's license for the period required in this subsection. The judicial official must order the person to surrender his license and if necessary may order a law-enforcement officer to seize the license. The judicial official must give the person a copy of the revocation order. In addition to setting it out in the order the judicial official must personally inform the person of his right to a hearing as specified in subsection (g), and that his license remains revoked pending the hearing. ~~Unless the person is not currently~~

~~licensed, the~~ The revocation under this subsection begins at the time the revocation order is issued and continues until the person's license has been ~~surrendered for 10 days and the person has paid the applicable costs. If the person is not currently licensed, the revocation continues until 10 days from the date the revocation order is issued and the person has paid the applicable costs.~~ revoked for the period specified in this subsection and the person has paid the applicable costs. The period of revocation is 10 days, if there are no pending offenses for which the person's license had been or is revoked under this section. If at the time of the current offense, the person has one or more pending offenses for which his license had been or is revoked under this section, the revocation shall remain in effect until a final judgment, including all appeals, has been entered for the current offense and for all pending offenses. In no event, may the period of revocation under this subsection be less than 10 days. If within five working days of the effective date of the order, the person does not surrender his license or demonstrate that he is not currently licensed, the clerk must immediately issue a pick-up order. The pick-up order must be issued to a member of a local law-enforcement agency if the charging officer was employed by the agency at the time of the charge and the person resides in or is present in the agency's territorial jurisdiction. In all other cases, the pick-up order must be issued to an officer or inspector of the Division. A pick-up order issued pursuant to this section is to be served in accordance with G.S. 20-29 as if the order had been issued by the Division."

Section 4. G.S. 20-16.5(f) reads as rewritten:

"(f) Procedure if Report Filed with Clerk of Court When Person Not Present. -- When a clerk receives a properly executed report under subdivision (d)(3) and the person named in the revocation report is not present before the clerk, the clerk must determine whether there is probable cause to believe that each of the conditions of subsection (b) has been met. If he determines that there is such probable cause, he must mail to the person a revocation order by first-class mail. The order must direct that the person on or before the effective date of the order either surrender his license to the clerk or appear before the clerk and demonstrate that he is not currently licensed, and the order must

inform the person of the time and effective date of the revocation and of its duration, of his right to a hearing as specified in subsection (g), and that the revocation remains in effect pending the hearing. Revocation orders mailed under this subsection become effective on the fourth day after the order is deposited in the United States mail. If within five working days of the effective date of the order, the person does not surrender his license to the clerk or appear before the clerk to demonstrate that he is not currently licensed, the clerk must immediately issue a pick-up order. The pick-up order must be issued and served in the same manner as specified in subsection (e) for pick-up orders issued pursuant to that subsection. A revocation under this subsection begins at the date specified in the order and continues until the person's license has been revoked for the period specified in this subsection and the person has paid the applicable costs. ~~The~~ If the person has no pending offenses for which his license had been or is revoked under this section, the period of revocation under this subsection is:

(1) Ten days from the time the person surrenders his license to the court, if the surrender occurs within five working days of the effective date of the order; or

(2) Ten days after the person appears before the clerk and demonstrates that he is not currently licensed to drive, if the appearance occurs within five working days of the effective date of the revocation order; or

(3) Thirty days from the time:

a. The person's driver's license is picked up by a law-enforcement officer following service of a pick-up order; or

b. The person demonstrates to a law-enforcement officer who has a pick-up order for his license that he is not currently licensed; or

c. The person's driver's license is surrendered to the court if the surrender occurs more than five working days after the effective date of the revocation order; or

d. The person appears before the clerk to demonstrate that he is not currently licensed, if he appears more than five working days after the effective date of the revocation order.

If at the time of the current offense, the person has one or more pending offenses for which his license had been or is revoked under this section, the revocation shall remain in effect until a final judgment, including all appeals, has been entered for the current offense and for all pending offenses. In no event may the period of revocation for the current offense be less than the applicable period of revocation in subdivision (1), (2), or (3) of this subsection. When a pick-up order is issued, it must inform the person of his right to a hearing as specified in subsection (g), and that the revocation remains in effect pending the hearing. An officer serving a pick-up order under this subsection must return the order to the court indicating the date it was served or that he was unable to serve the order. If the license was surrendered, the officer serving the order must deposit it with the clerk within three days of the surrender."

Section 5. G.S. 20-16.5(i) reads as rewritten:

"(i) Effect of Revocations. -- A revocation under this section revokes a person's privilege to drive in North Carolina whatever the source of his authorization to drive. Revocations under this section are independent of and run concurrently with any other revocations. No court imposing a period of revocation following conviction of an offense involving impaired driving may give credit for any period of revocation imposed under this section. ~~A~~ Except as provided in subsection (i1), a person is not eligible for a limited driving privilege under any statute while his license is revoked under this section."

Section 6. G.S. 20-16.5 is amended by adding a new subsection to read:

"(i1) A person whose license has been indefinitely revoked under this section may, after completion of 10 days under subsection (e) or the applicable period of time under subdivision (1), (2), or (3) of subsection (f), apply for a limited driving privilege as provided in G.S. 20-179.3. A judge of the division in which the current offense is pending may issue the limited driving privilege only if the privilege is necessary to overcome

undue hardship and the person meets the eligibility requirements of G.S. 20-179.3, other than the requirement in G.S. 20-179.3(b)(1)c. G.S. 20-179.3(e) shall not apply."

Section 7. G.S. 20-16.5(k) reads as rewritten:

"(k) Report to Division. -- Except as provided below, the clerk must mail a report to the ~~Division within~~ Division:

(1) If the license is revoked indefinitely, within 10 working days of the revocation of the license; and

(2) In all cases, within 10 working days of the return of a license under this section or of the termination of a revocation of the driving privilege of a person not currently licensed.

The report must identify the person whose license has been ~~revoked and~~ revoked, specify the date on which his license was ~~revoked.~~ revoked, and indicate whether the license has been returned. The report must also provide, if applicable, whether the license is revoked indefinitely. No report need be made to the Division, however, if there was a surrender of the driver's license issued by the Division, a 10-day minimum revocation was imposed, and the license was properly returned to the person under subsection (h) within five working days after the 10-day period had elapsed."

Section 8. The Judicial Department shall implement the provisions of this act from existing funds available to it.

Section 9. Section 1 of this act becomes effective December 1, 1997. Sections 2 through 7 of this act become effective July 1, 1998.

A BILL TO BE ENTITLED

AN ACT TO LIMIT, TO MODIFY, AND ENHANCE ATTEMPTING TO ELUDE ARREST STATUTES.

The General Assembly of North Carolina enacts:

Section 1. Chapter 20 of the General Statutes is amended by adding a new section to read:

"**§ 20-141.5. Speeding to elude arrest.**

(a) It shall be unlawful for any person to operate a motor vehicle or knowingly allow a vehicle owned by him, or under his control, to be operated on a street, highway, or public vehicular area while fleeing or attempting to elude a law enforcement officer who is in the lawful performance of his duties.

(b) If two or more of the following aggravating factors are present at the time the violation occurs, the person operating the vehicle shall be guilty of a Class H felony.

(1) Speeding in excess of 15 miles per hour over the legal speed limit.

(2) Gross impairment of the person's faculties while driving due to:

a. Consumption of an impairing substance; or

b. A blood alcohol concentration of 0.14 or more within a relevant time after the driving.

(3) Especially reckless or dangerous driving.

(4) Negligent driving leading to an accident causing:

a. Property damage in excess of one thousand dollars ($1,000); or

b. Personal injury.

(5) Driving when the person's drivers license is revoked.
(6) Driving through a marked school zone or work zone.
(7) Passing a stopped school bus.
(8) Driving with a child under 12 years of age in the vehicle.

Any other violation of this section shall be punished as a Class 1 misdemeanor.

(c) Whenever evidence is presented in any court or administrative hearing of the fact that a vehicle was operated in violation of this section, it shall be prima facie evidence that the vehicle was operated by the person in whose name the vehicle was registered at the time of the violation, according to the Division's records. If the vehicle is rented, then proof of that rental shall be prima facie evidence that the vehicle was operated by the renter of the vehicle at the time of the violation.

(d) The Division shall revoke, for one year, the drivers license of any person convicted of a misdemeanor under this section. The Division shall revoke, for three years, the drivers license of any person convicted of a felony under this section. In the case of a first felony conviction under this section, the licensee may apply to the sentencing court for a limited driving privilege after a period of 18 months of revocation, provided the operator's license has not also been revoked or suspended under any other provision of law. A limited driving privilege issued under this subsection shall be valid for the period of revocation remaining in the same manner and under the terms and conditions prescribed in G.S. 20-16.1(b). If the person's license is revoked under any other statute, the limited driving privilege issued pursuant to this subsection is invalid.

(e) When the probable cause of the law enforcement officer is based on the prima facie evidence rule set forth in subsection (c) above, the officer shall make a reasonable effort to contact the registered owner of the vehicle prior to initiating criminal process."

Section 2. G.S. 20-141(j) and G.S. 20-17(10) are repealed.

(2) Especially reckless or dangerous driving.
(3) Negligent driving that led to a reportable accident.
(4) Driving by the defendant while his driver's license was revoked.
(5) Two or more prior convictions of a motor vehicle offense not involving impaired driving for which at least three points are assigned under G.S. 20-16 or for which the convicted person's license is subject to revocation, if the convictions occurred within five years of the date of the offense for which the defendant is being sentenced, or one or more prior convictions of an offense

involving impaired driving that occurred more than seven years before the date of the offense for which the defendant is being sentenced.

(6) Conviction under ~~G.S. 20-141(j)~~ G.S. 20-141.5 of speeding by the defendant while fleeing or attempting to elude apprehension.

(7) Conviction under G.S. 20-141 of speeding by the defendant by at least 30 miles per hour over the legal limit.

(8) Passing a stopped school bus in violation of G.S. 20-217.

(9) Any other factor that aggravates the seriousness of the offense.

Except for the factor in subdivision (5) the conduct constituting the aggravating factor must occur during the same transaction or occurrence as the impaired driving offense."

MEMORANDUM

TO: Senator Roy Cooper, Chair, Senate Judiciary Committee

FROM: Brenda J. Carter, Committee Co-Counsel

RE: **HOUSE BILL 584 - SPEEDING TO ELUDE ARREST**
Proposed Committee Substitute
Representative Jarrell

Special Note: The provisions of this bill are included in the House version of Senate Bill 352, the Current Operations & Capital Budget Act.

Subcommittee Recommendation: Favorable to Committee Substitute. The subcommittee added a provision which requires law enforcement agencies to adopt a policy applicable to the pursuit of fleeing or eluding motorists (Page 3, lines 8-14). The proposed committee substitute also corrects a statutory citation in Section 2 of the bill. A copy of the fiscal note is attached to this memorandum.

Under current law, a person who drives a vehicle on a street or highway in excess of 55 mph and more than 15 mph over the legal limit, or who drives a vehicle in excess of 80 mph, while fleeing or attempting to elude arrest is guilty of a Class 1 misdemeanor.

Section 1 creates a new G.S. 20-141.5 which sets up both a misdemeanor and felony offense of "Speeding to elude arrest". It makes it unlawful for any person to operate a motor vehicle or to knowingly allow a vehicle owned or under his control to be operated while fleeing or attempting to elude a law enforcement officer. If 2 or more of 8 specified aggravating factors exist, the offense is a Class H felony, otherwise it is a Class 1 misdemeanor. Aggravating factors include speeding in excess of 15 mph over the legal limit, gross alcohol impairment, reckless or dangerous driving, negligent driving leading to an accident causing property damage in excess of $1000 or personal injury, driving while license revoked, driving through a marked school or work zone, passing a stopped school bus, or driving with a child under the age of 12 in the vehicle.

Section 1 further provides that operation of a vehicle in violation of the statute is ***prima facie evidence*** that the vehicle was operated by the person in whose name the vehicle is registered. The bill requires that when the probable cause of the law enforcement officer is based on prima facie evidence, the officer shall make reasonable efforts to contact the registered owner of the vehicle prior to initiating criminal process. (***Prima facie evidence*** is generally defined as that which is good and sufficient on its face to establish a given fact, and which if not rebutted or contradicted, will remain sufficient. A summary of cases on the issue of the effect and constitutionality of prima facie evidence is presented at the end of this memorandum). A misdemeanor conviction will result in a one year revocation of the person's drivers license. A felony conviction will result in a three year revocation, with eligibility for a limited driving privilege after 18 months if there are no previous felony convictions under this statute and if the license has not been revoked under another provision of law.

Section 2 of the bill repeals the existing statutes relating to speeding to elude arrest.

Sections 3, 4 & 5 make conforming amendments to other statutes to include references to the new statute.

This bill would become effective December 1, 1997.

More On Prima Facie Evidence:

A prima facie case does nothing more than carry the case to the jury for its determination. Owens v. Kelly, 240 N.C. 770, 84 S.E.2d 163. *Likewise, prima facie evidence is not more than sufficient evidence to establish the vital facts without further proof, if it satisfies the jury. In a criminal case the jury is at full liberty to acquit the defendant if it is not satisfied from all the evidence -- including prima facie evidence -- that defendant's guilt has been proven beyond a reasonable doubt. In short, the inference or conclusion which may be drawn from certain facts recited in the statute may justify, but not compel a verdict adverse to the defendant. Ordinarily, the establishment of prima facie evidence does not shift the burden of the issue from the State to the defendant.* State v. Bryant, 245 N.C. 645, 97 S.E.2d 264; State v. Wilkerson, 164 N.C. 431, 79 S.E. 888.

Courts have held that the requirement for constitutionality is *that there be a rational connection between the fact proved and the ultimate fact presumed so that the inference of one from proof of the other is not unreasonable and arbitrary.* State v. Lassiter, 13 N.C. App. 292, 185 S.E.2d 478 (1971), cert. denied, 280 N.C. 495, 186 S.E.2d 514, appeal dismissed, 280 N.C. 724, 186 S.E.2d 926 (1972); and that the statute *not shift the burden of proof from the State to the defendants, or deprive them of due process of law or the presumption of innocence, which remained with them until overcome by evidence of guilt beyond a reasonable doubt.*

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: Dept. of Correction; Judicial Branch

EFFECTIVE DATE: December 1, 1997

BILL SUMMARY: Establishes speeding to elude arrest as a Class H felony if two or more of eight aggravating factors are present ; any other violation is punished as a Class 1 misdemeanor. Also establishes requirements fo drivers license revocation, including one year for persons convicted of a misdemeanor and three years for perso convicted of a felony, and requirements for license reinstatement.

ASSUMPTIONS AND METHODOLOGY: Department of Correction

The following chart shows, for the end of each fiscal year, beds projected to be available, the number of inmates projected under the present Structured Sentencing Act, the deficit or surplus beds, the number of additional inmates projected to be incarcerated under this bill, and the additional beds needed as a result of this bill after considering projected prison capacity: (The following information is specific to each individual bill.)

No. of Additional Beds Need Each Fiscal Year Due to this Bill	0	0	0	0	0

As shown in bold in the table above, the Sentencing Commission estimates this specific legislation will add 176 inmates to the prison system by 2001-02. There is no additional fiscal impact resulting from the passage of this

[1] The Sentencing Commission's revised prison population projections (dated December 1996) were estimated under three scenarios: High, Best, and Low. The differences in these scenarios reflect varying assumptions on incarceration rates under Structured Sentencing, probation and revocation rates, and the decline of the stock population. The projections outlined above are included in the "Best scenario" since the Sentencing Commission and the Department of Correction believe this scenario is most likely to occur.

[2] Projected number of prison beds based on Department of Correction estimates of expanded bed capacity as of 1/11/97. These numbers do not include the number of beds requested in the Governor's 1997-99 Capital Improvement budget.

bill because these additional beds and their associated costs can be absorbed within the Department of Correction's existing budget. This analysis is based on the following assumptions and methodology:

1. There will be an estimated surplus of 4,430 beds by FY 2001-02 , based on current prison population projections by the Sentencing Commission and the estimated expanded prison bed capacity (see table above);

2. The expanded prison capacity includes all beds available when currently funded prison construction is completed, as well operating funds for food, clothing, health, and security of prisoners as the units begin housing inmates;

3. The Department of Correction will continue operating most dormitory units at 130% of capacity, as allowed by court consent decrees; and,

4. The expanded prison capacity numbers do not include out-of-state beds, jail contract beds, or the 2,000 net new beds which would be established if the projects receiving planning and design funds in the 1996 Session were fully funded.

Note: The number of additional inmates projected to be incarcerated if the 17 Sentencing Commission recommendations are approved by the 1997 General Assembly is 2,044 inmates by FY 2001-02 and 2,944 inmates by FY 2006-07. If all of the Sentencing Commission recommendations are approved, the estimated surplus of prison beds will be 2,296 by the end of FY 2001-02. These recommendations, along with other criminal penalty bill enhancements, reduce the availability of prison beds in future years. The Fiscal Research Division is monitoring the cumulative effect of all criminal penalty bills on the prison system.

Assumptions and Methodology -- Judicial Department

HB 584 is similar to the 1995 HB 434; the fiscal note for that bill indicated no fiscal impact on the Judicial Department and the differences do not affect the fiscal impact. Updated data indicates that 688 defendants were convicted in 1996 under the "speeding to elude arrest" statute (750 in 1994). This bill will primarily affect these defendants although there may be a small number of additional defendants who would be charged under this bill (those who are not driving, but would knowingly allow operation of their vehicle to elude arrest), although this was included in the 1995 legislation and had no fiscal impact). A survey of District Attorneys indicated that the court system statewide could absorb any changes caused by this bill – the number of additional defendants would be small and there would be few additional trials since enhanced felony punishment is likely to increase a defendant's willingness to plead guilty to a misdemeanor

Section 1. Chapter 20 of the General Statutes is amended by adding a new section to read:

"§ 20-141.5. Speeding to elude arrest.

(a) It shall be unlawful for any person to operate a motor vehicle or knowingly allow a vehicle owned by him, or under his control, to be operated on a street, highway, or public vehicular area while fleeing or attempting to elude a law enforcement officer who is in the lawful performance of his duties.

(b) If two or more of the following aggravating factors are present at the time the violation occurs, the person operating the vehicle shall be guilty of a Class H felony.

(1) Speeding in excess of 15 miles per hour over the legal speed limit.

(2) Gross impairment of the person's faculties while driving due to:
a. Consumption of an impairing substance; or
b. A blood alcohol concentration of 0.14 or more within a relevant time after the driving.
(3) Especially reckless or dangerous driving.
(4) Negligent driving leading to an accident causing:
a. Property damage in excess of one thousand dollars ($1,000); or

(5) Driving when the person's drivers license is revoked.
(6) Driving through a marked school zone or work zone.
(7) Passing a stopped school bus.
(8) Driving with a child under 12 years of age in the vehicle.

Any other violation of this section shall be punished as a Class 1 misdemeanor.

(c) Whenever evidence is presented in any court or administrative hearing of the fact that a vehicle was operated in violation of this section, it shall be prima facie evidence that the vehicle was operated by the person in whose name the vehicle was registered at the time of the violation, according to the Division's records. If the vehicle is rented, then proof of that rental shall be prima facie evidence that the vehicle was operated by the renter of the vehicle at the time of the violation.

(d) The Division shall revoke, for one year, the drivers license of any person convicted of a misdemeanor under this section. The Division shall revoke, for three years, the drivers license of any person convicted of a felony under this section. In the case of a first felony conviction under this section, the licensee may apply to the sentencing court for a limited driving privilege after a period of 18 months of revocation, provided the operator's license has not also been revoked or suspended under any other provision of law. A limited driving privilege issued under this subsection shall be valid for the period of revocation remaining in the same manner and under the terms and conditions prescribed in G.S. 20-16.1(b). If the person's license is

revoked under any other statute, the limited driving privilege issued pursuant to this subsection is invalid.

(e) When the probable cause of the law enforcement officer is based on the prima facie evidence rule set forth in subsection (c) above, the officer shall make a reasonable effort to contact the registered owner of the vehicle prior to initiating criminal process.

(f) Each law enforcement agency shall adopt a policy applicable to the pursuit of fleeing or eluding motorists. Each policy adopted pursuant to this subsection shall specifically include factors to be considered by an officer in determining when it is advisable to break off a chase to stop and apprehend a suspect. The Attorney General shall develop a model policy or policies to be considered for use by law enforcement agencies."

Section 2. G.S. 20-141(j) and G.S. 20-17(a)(10) are repealed.

Section 3. G.S. 20-179(d) reads as rewritten:

"(d) Aggravating Factors to Be Weighed. -- The judge must determine before sentencing under subsection (f) whether any of the aggravating factors listed below apply to the defendant. The judge must weigh the seriousness of each aggravating factor in the light of the particular circumstances of the case. The factors are:

(1) Gross impairment of the defendant's faculties while driving or an alcohol concentration of 0.16 or more within a relevant time after the driving.

(2) Especially reckless or dangerous driving.

(3) Negligent driving that led to a reportable accident.

(4) Driving by the defendant while his driver's license was revoked.

(5) Two or more prior convictions of a motor vehicle offense not involving impaired driving for which at least three points are assigned under G.S. 20-16 or for which the convicted person's license is subject to revocation, if the convictions occurred within five years of the date of the offense for which the defendant is being sentenced, or one or more prior convictions of an offense involving impaired driving that occurred more than seven years before

the date of the offense for which the defendant is being sentenced.

(6) Conviction under ~~G.S. 20-141(j)~~ G.S. 20-141.5 of speeding by the defendant while fleeing or attempting to elude apprehension.

(7) Conviction under G.S. 20-141 of speeding by the defendant by at least 30 miles per hour over the legal limit.

(8) Passing a stopped school bus in violation of G.S. 20-217.

(9) Any other factor that aggravates the seriousness of the offense.

Except for the factor in subdivision (5) the conduct constituting the aggravating factor must occur during the same transaction or occurrence as the impaired driving offense."

Section 4. G.S. 58-36-75(c) reads as rewritten:

"(c) The subclassification plan promulgated pursuant to G.S. 58-36-65(b) shall provide for facility recoupment surcharges pursuant to G.S. 58-37-40(f) and G.S. 58-37-75, in addition to premium surcharges, for convictions for the following moving traffic violations:

It shall be a violation of G.S. 20-165.1 for any person to willfully drive or operate any vehicle on any part of the State parks and forests road system so designated except in the direction indicated.

(5) The Secretary shall have power, equal to the power of local authorities under G.S. 20-158 and G.S. 20-158.1, to place vehicle control signs and signals and yield-right-of-way signs in the State parks and forests road system; the Secretary also shall have power to post such other signs and markers and mark the roads in accordance with Chapter 20 as the Secretary may determine appropriate for highway safety and traffic control. The failure of any vehicle driver to obey any vehicle control sign or signal, or any yield-right-of-way sign placed under the authority of this section in the State parks and forests road system shall be an infraction and shall be punished as provided in G.S. 20-176."

MEMORANDUM

TO: Senator Roy Cooper, Chair, Senate Judiciary Committee

FROM: O. Walker Reagan, Committee Co-Counsel

RE: **PROPOSED SENATE COMMITTEE SUBSTITUTE FOR HOUSE BILL 1012 - SHOOTING RANGE PROTECTION -** Representative Sexton.

The Proposed Senate Committee Substitute for House Bill 1012 would protect sport shooting ranges and their owners, operators, and users from punitive restrictions.

This bill would permit sports shooting ranges to be exempted from prosecution for noise or noise pollution, would exempt these ranges from nuisance actions for noise or noise pollution in certain cases, would prohibit neighboring property owners from maintaining nuisance actions against shooting ranges, and would permit existing shooting ranges to continue even if a non-conforming use.

The new G.S. 14-409.46(a) would prohibit the civil or criminal prosecution of a shooting range owner, operator, or user for noise or noise pollution arising from the operation of the range if the range had been in existence 3 years prior to the enactment of this law or the range was in compliance with any noise control laws or ordinance at the time of the initial operation of the range.

The new G.S. 14-409.46(b) would exempt an owner, operator, or user of a shooting range from a nuisance action based on noise or noise pollution and would prohibit the State from enforcing noise laws if the range was in existence 3 years prior to the enactment of this law or the range was in compliance with existing noise control laws at the time of initial operation.

The new G.S. 14-409.46(c) exempts these ranges from noise limit rules.

AN EQUAL OPPORTUNITY/AFFIRMATIVE ACTION EMPLOYER

The new G.S. 14-409.46(d) prohibits a person who owns or buys real estate adversely affected by a permanent range from bringing a nuisance action for any reason against a shooting range.

The new G.S. 14-409.46(e) permits shooting ranges in existence and not in violation of the law at the time this act becomes law, or that were in existence at least 3 years prior to this act becoming law, to continue to operate even if the range does not conform to any new or amended ordinance.

The new G.S. 14-409.47 would make it clear that this new Article does not otherwise prohibit a local government from regulating the location or construction of a shooting range after the effective date of this act.

This bill is effective when it becomes law.

A BILL TO BE ENTITLED

AN ACT TO PROTECT SPORT SHOOTING RANGES AND THEIR OWNERS, OPERATORS, AND USERS FROM PUNITIVE RESTRICTIONS.

The General Assembly of North Carolina enacts:

Section 1. Chapter 14 of the General Statutes is amended by adding a new Article to read:

"ARTICLE 53C.

"Sport Shooting Range Protection Act of 1997.

"§ 14-409.45. Definitions.

The following definitions apply in this Article:

(1) Person. -- An individual, proprietorship, partnership, corporation, club, or other legal entity.

(2) Sport shooting range or range. -- An area designed and operated for the use of rifles, shotguns, pistols, silhouettes, skeet, trap, black powder, or any other similar sport shooting.

"§ 14-409.46. Sport shooting range protection.

(a) Notwithstanding any other provision of law, a person who owns, operates, or uses a sport shooting range in this State shall not be subject to civil liability or criminal prosecution

in any matter relating to noise or noise pollution resulting from the operation or use of the range if the range was in existence at least three years prior to the effective date of this act, or the range is in compliance with any noise control laws or ordinances that applied to the range and its operation at the time of construction or initial operation of the range.

(b) A person who owns, operates, or uses a sport shooting range is not subject to an action for nuisance, and a State court shall not enjoin the use or operation of a range on the basis of noise or noise pollution, if the range was in existence at least three years prior to the effective date of this act, or the range is in compliance with any noise control laws or ordinances that applied to the range and its operation at the time of construction or initial operation of the range.

(c) Rules adopted by any State department or agency for limiting levels of noise in terms of decibel level that may occur in the outdoor atmosphere shall not apply to a sport shooting range exempted from liability under this Article.

(d) A person who acquires title to or who owns real property adversely affected by the use of property with a permanently located and improved sport shooting range shall not maintain a nuisance action against the person who owns the range to restrain, enjoin, or impede the use of the range. This section does not prohibit actions for negligence or recklessness in the operation of the range or by a person using the range.

(e) A sport shooting range that is operated and is not in violation of existing law at the time of the enactment of an ordinance, or was in existence at least three years prior to the effective date of this act, shall be permitted to continue in operation even if the operation of the sport shooting range at a later date does not conform to the new ordinance or an amendment to an existing ordinance.

"**§ 14-409.47. Application of Article.**

Except as otherwise provided in this Article, this Article does not prohibit a local government from regulating the location and construction of a sport shooting range after the effective date of this Article."

A BILL TO BE ENTITLED

ACT TO CREATE LIENS FOR FEES TO BE PAID TO COMMERCIAL REAL ESTATE BROKERS.

The General Assembly of North Carolina enacts:

Section 1. Chapter 93A is amended by adding a new Article to read:

"ARTICLE 6.

"Commercial Real Estate Brokers' Lien Act.

"**§ 93A-90. Short title.**

This Article may be known as the 'Commercial Real Estate Brokers' Lien Act.'

"**§ 93A-91. Definitions.**

As used in this Article, the following terms mean:

(1) 'Commercial real estate', any real estate other than real estate containing one to four residential units, real estate on which no buildings or structures are located, or real estate classified as agricultural and horticultural property for tax assessment purposes. Commercial real estate does not include single-family residential units including condominiums, townhouses, or homes in a subdivision when that real estate is sold, leased, or otherwise conveyed on a unit-by-unit basis even though the units may be part of a larger building or parcel of real estate containing more than four residential units;

(2) 'Owner', the owner of record of commercial real estate;

(3) 'Real estate broker' and 'real estate salesperson', as such terms are defined in G.S. 93A-2.

"**§ 93A-92. Broker's lien for compensation.**

Any licensed real estate broker shall have a lien, upon commercial real estate or any interest in that commercial real estate, in the amount that the real estate broker is due:

(1) Under a written instrument signed by the owner of an interest in the commercial real estate or signed by the owner's duly authorized agent; or

(2) Under a written instrument signed by a prospective buyer or prospective tenants or signed by their duly authorized agent as to the purchase, lease, or other conveyance to the buyer or tenant of an interest in the commercial real estate.

"**§ 93A-93. Lien notice, content.**

A lien notice, for purposes of this Article, shall state:

(1) The name of the claimant;

(2) The name of the owner;

(3) A description of the property upon which the lien is being claimed;

(4) The amount for which the lien is claimed; and

(5) The real estate license number of the real estate broker.

The notice of lien shall be signed by the real estate broker, and the broker shall attest that the information contained in the notice is true and accurate as to his knowledge and belief.

"**§ 93A-94. When broker's lien attaches to commercial real estate.**

A real estate broker's lien authorized by this Article attaches to the commercial real estate, or an interest in the commercial real estate, when the real estate broker records a notice of the lien in the office of the register of deeds of the county in which the real property, or any interest in the real property is located, if such lien is filed prior to the actual conveyance or transfer of the commercial real estate subject to such real estate broker's lien, except that:

(1) If payment to a real estate broker is due in installments and a portion of the payment is due after the conveyance or transfer of the commercial real estate, any claim for a lien for installment payments due after the transfer or conveyance of the real estate may be recorded any time after the transfer or conveyance of the commercial real estate but shall be recorded before the date on which the payment is due. This lien shall only be effective as a lien against the commercial real estate to the extent moneys are still owed to the transferor by the transferee. A single claim for a lien recorded before the transfer or conveyance of the commercial real estate, claiming all moneys due under an installment payment agreement, is not valid or enforceable to the extent of the payments due after the transfer or conveyance. The lien attaches for purposes of this paragraph when the claim for lien is recorded;

(2) In the case of a lease, the claim for lien shall be recorded within 90 days after the tenant takes possession of the leased property, unless written notice of the intention to sign the lease is personally served on the real estate broker entitled to claim a lien at least 10 days before the date of the intended signing of the lease, then the claim for lien shall be recorded before the date indicated for the signing of the lease. The lien attaches for purposes of this subdivision when the claim for lien is recorded; or

(3) If the real estate broker has a written agreement with a prospective buyer as provided in subdivision (2) of G.S. 93A-92, then the lien attaches when the prospective buyer purchases or otherwise accepts a conveyance or transfer of the commercial real estate and records a notice of the lien within 90 days after the purchase or other conveyance or transfer to the buyer in the office of the register of deeds in the county in which the commercial real estate, or any interest in the commercial real estate, is located.

"§ 93A-95. When lien claim release or satisfaction to be filed.

If a claim for a lien has been filed with the register of deeds and a condition occurs that would preclude the broker from receiving compensation under the terms of the real estate broker's written agreement, the real estate broker shall record and provide the owner of record a written release or satisfaction of the lien.

"§ 93A-96. Broker to mail copy of notice of lien to owner by certified mail.

Any real estate broker who attaches a lien on commercial property pursuant to the provisions of this Article shall mail a copy of the notice of the lien to the owner of the commercial real estate by certified mail. The real estate broker's lien is void if the broker does not record the lien as provided in this Article.

"§ 93A-97. Enforcing lien.

A real estate broker may bring suit to enforce a lien which attaches pursuant to the provisions of this Article in any court of competent jurisdiction in the county where the property is located by filing a verified petition that the lien has been recorded. Unless the claim is based upon an option to purchase the commercial real estate, the broker claiming the lien shall commence proceedings within six months after recording the lien and failure to commence proceedings within the six months shall extinguish the lien. A claim for the same lien, extinguished pursuant to this section and G.S. 93A-99, may not be asserted in any subsequent proceeding.

"§ 93A-98. Petition, content, parties' foreclosure action, procedure.

(a) A petition filed pursuant to the provisions of this section and G.S. 93A-97 shall contain:

(1) A statement of the terms of the contract or agreement on which the lien is based;

(2) The date when the contract or agreement was made;

(3) A description of the services performed;

(4) The amount due and unpaid;

(5) A description of the property that is subject to the lien; and

(6) Any other facts necessary for a full understanding of the rights of the parties.

The plaintiff shall file the action against all known parties who have an interest in the real estate. A foreclosure action for a lien claimed pursuant to this Article shall be brought pursuant to the provisions of Article 1 of Chapter 44A of the General Statutes.

(b) Valid prior recorded liens or mortgages shall have priority over a real estate broker's lien.

"§ 93A-99. Lien extinguished for broker failing to file suit or answer in pending suit within 30 days after service on owner.

If a broker claiming a lien pursuant to this Article fails to file a suit to enforce the lien or fails to file an answer in a pending suit to enforce a lien within 30 days after a properly served written demand of the owner, lienee, or other authorized agent, the lien shall be extinguished. Service of the demand shall be by registered or certified mail, return receipt requested, or by personal service. The provisions of this section shall not extend any other deadline provided by law or the filing of any pleadings or for the foreclosure of any lien governed by this Article.

"§ 93A-100. Satisfaction or release of lien.

If a claim for lien has been filed pursuant to the provisions of this Article with the register of deeds and the claim has been paid in full or if the lienor fails to institute a suit to enforce the lien within the time as provided by law, the real estate broker shall acknowledge satisfaction or release of the lien in writing upon written demand of the owner within 30 days after the demand.

"§ 93A-101. Cost of proceeding to be paid by nonprevailing party.

The costs of any proceeding brought to enforce a lien filed pursuant to this Article, including reasonable attorneys' fees and prejudgment interest due to the prevailing party, shall be paid by the nonprevailing party or parties. If more than one party is responsible for costs, fees and prejudgment interest, the costs, fees and prejudgment interest shall be equitably apportioned by the court among the responsible parties.

"§ 93A-102. Escrow account.

Unless an alternative procedure is available and is acceptable to the transferee in a real estate transaction, if a claim for a real estate broker's lien has been filed with the register of deeds and that lien would prevent the closing of a transaction or conveyance, an escrow account shall be established with the clerk of the superior court in the county in which the commercial real estate is located from the proceeds of the transaction or conveyance in an amount sufficient to release the claim for the lien. The requirement to establish an escrow account, as provided in this section, shall not be cause for any party to refuse to close a transaction. The proceeds held in that escrow account shall be held by the clerk until the parties' rights to the escrowed funds have been determined by:

(1) Written agreement of the parties;

(2) A final judgment of the court of competent jurisdiction; or

(3) Other process as may be agreed to by the parties.

If funds sufficient to satisfy the amount claimed in the lien have been deposited in the escrow account, the real estate broker shall release the claim for the lien on the real estate.

"§ 93A-103. Broker to give written notice of right to lien on premises at time of closing.

Any real estate broker who proposes to assert a lien pursuant to this Article shall be prohibited from asserting the lien unless, at the time of the closing for the transaction, the broker has given written notice to the purchaser of the commercial real estate that payment of the broker's fee is due and that he or she is entitled to a lien on the premises."

Section 2. This act becomes effective December 1, 1997.

MEMORANDUM

TO: Senator Roy Cooper, Chair, Senate Judiciary Committee

FROM: O. Walker Reagan, Committee Co-Counsel (based in part on the Federal Certification prepared by Gann Watson, Staff Attorney)

RE: **HOUSE BILL 301 - CHILD SUPPORT ENFORCEMENT AND PATERNITY ESTABLISHMENT TO CONFORM TO FEDERAL WELFARE REFORM REQUIREMENTS** -Representatives Gardner and Culpepper.

House Bill 301 would amend the State's child support enforcement and paternity statutes to comply with recent changes made in federal law. This bill proposes to implement the requirements of the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, P.L. 94-103.

Title IV-D of the Social Security Act, as amended by P.L. 94-103, relates to Grants to States for Aid and Services to Needy Families with Children and for Child Welfare Services. H301 pertains to that portion of the Act dealing with Child Support and Establishment of Paternity. The State Plan for administering federal TANF grant funds must comply with the Act, as amended by P.L. 94-103, in order to continue to receive these federal funds.

PART 1. STATE DIRECTORY OF NEW HIRES

42 USC 653A requires that by October 1, 1997, each state shall establish an automated directory (to be known as the State Directory of New Hires) which shall contain information supplied by employers on each newly hired employee.

Part 1 of H301 establishes the State Directory of New Hires and requires DHR to develop and maintain it. Employers are required to report information on new employees hired on or after October 1, 1997 to the State Directory within 20 business days of date of hire. There are penalties for failure to report or for conspiracy not to report. All of the provisions of Part 1 of H301 are required to be established by federal law.

PARTS 2 AND 2A. EXPANDED AUTHORITY OF THE DEPARTMENT TO ENFORCE CHILD SUPPORT ORDERS AND TO ESTABLISH PATERNITY.

42 USC 666 Requires statutorily prescribed procedures to improve effectiveness of child support enforcement. These procedures not only require statutory changes to the substantive law, e.g. procedures for paternity establishment in Chapters 110 and 49 of the General Statutes, but also statutory authorization to the child support enforcement agency, to implement these changes.

Part 2 of H301 gives the Department of Human Resources statutory authority to implement the requirements of P.L. 104-193. DHR shall be authorized to issue subpoenas without a court order for relevant documents need for child support enforcement or paternity establishment. Subpoenas are enforceable by contempt by the court The information obtained is to be held confidential. DHR is given access to information, data storage and retrieval systems of DOT (primarily DMV) and law enforcement agencies. The following sections of P.L. 104-193 require the authorization provided under Part 2 of H301: Sections 316, 325, 331, 351, 372, and 382.

Part 2A implements 42 USC 666(a)(11)(c) pertaining to when due process requirements for notice are met in child support proceedings by requiring notice be given as required by Rule 5(b) of the Rules of Civil Procedure.

PART 3. AUTHORIZE JUDGES TO IMPOSE WORK REQUIREMENTS ON OBLIGORS WHO ARE IN ARREARS IN CHILD SUPPORT, AND REQUIRE PARENTS TO PROVIDE MEDICAL SUPPORT.

42 USC 666(a)(15) requires procedures "to ensure that persons owing past-due support work or have a plan for payment of such support."

Part 3 implements this requirement by requiring judges to impose work activities under appropriate circumstances. "Work activities" are those defined under Section 407(d) of P.L. 104-193.

42 USC 666(a)(19) requires procedures under which all child support orders are required to include a provision for health care coverage of the child, when this coverage is available to the noncustodial parent at a reasonable cost. This section also requires that if the noncustodial parent changes employers and health care coverage is provided through the new employer, then the order for health care coverage is applicable to the new employer.

Sections 3, 3.1, and 3.2 of H301 implement the health care coverage requirement, and also provide that upon notice from the obligee (non custodial parent or State agency), the new employer must enroll the child in the employer's health plan.

PART 3A. CONFORM STATE TAX INTERCEPT LAW TO FEDERAL REQUIREMENTS.

42 USC 657 was amended by Section 303 of P.L. 104-193. It changes the way support collected through the State and Federal income tax intercept procedures is distributed.

Section 3.3 of H301 conforms the State income tax intercept law to conform with the new federal distribution requirements.

PART 4. REQUIREMENT TO PROVIDE SOCIAL SECURITY NUMBERS ON CERTAIN DOCUMENTS

42 USC 666(a)(13) requires that an individual's social security number be recorded on the following documents: application for a commercial driver's license, business or occupational license, and marriage license; divorce decree,; child support order, paternity order or acknowledgment; and death certificates.

Part 4 of H301 amends the pertinent General Statutes to ensure that social security numbers are provided. This part clarifies that social security numbers must be received as part of the drivers license application before the license can be issued.

PART 4A. PATERNITY ESTABLISHMENT PROCEEDINGS

42 USC 666(a)(5) requires paternity establishment proceedings allowing for: genetic testing, presumption of paternity based on genetic test results, legal finding of paternity subject to recission, no jury trial, and temporary support order during contested paternity when there is a substantial probability that the contestant is the biological father.

Part 4A of H301 establishes paternity establishment procedures that are in accordance with and do not exceed federal requirements, including eliminating the right to a jury trial in paternity actions, allowing temporary support orders pending a paternity determination upon genetic test results with a 97% or higher probability, and the right to subpoena information without a court order.

PART 5. SUSPENSION/REVOCATION OF LICENSES FOR FAILURE TO COMPLY WITH SUBPOENA.

42 USC 666(a)(16) requires that driver's, occupational, business, and recreational licenses be subject to suspension/revocation when an obligor or putative parent fails to comply with a subpoena issued pursuant to child support or paternity establishment proceedings.

Part 5 of H301 amends the relevant section of the General Statutes to provide for revocation/suspension of licenses for failure to comply with subpoena.

PARTS 6 and 6A. INCOME WITHHOLDING

42 USC 666(a)(1) requires that income withholding procedures be implemented immediately when arrearages occur.

Part 6 of H301 decreases the time that employer's have to withhold income from the obligor. Change would decrease the time from 10 days to 7 days. (Conforms to federal requirement under 42 USC 666(a)(1)). Part 6 also allows for collection and disbursement of support to be made by the State collection and disbursement unit when that unit becomes operational.

Part 6A provides that in IV-D cases where the obligor is not currently subject to withholding and is in arrears in support, the obligor becomes subject to withholding immediately.

PART 7. ESTABLISHMENT OF LIEN ON REAL AND PERSONAL PROPERTY OF PERSONS OWING PAST-DUE CHILD SUPPORT.

42 USC 666(a)(4) requires procedures under which liens arise by operation of law against real and personal property for amounts of overdue support owed by a noncustodial parent.

Part 7 of H301 establishes a procedure for obtaining a lien when an obligor is in arrears 3 months or $3,000, whichever occurs first. The procedure provides for verification of information, filing, executing, and discharging the lien, and imposes a penalty for failure to discharge.

PART 8. DHR TO DEVELOP AUTOMATED DATA PROCESSING AND INFORMATION SYSTEM, AND CENTRALIZED COLLECTION AND DISBURSEMENT SYSTEM FOR THE ENHANCEMENT OF CHILD SUPPORT COLLECTION AND DISBURSEMENT.

42 USC 654(16), as amended by Sec. 344 of P.L. 94-103, requires the state agency administering the state program to have in operation a single statewide automated data processing and information retrieval system which has the capability to perform [specified] tasks. The system must be in effect by October 1, 2000. Sec. 312 of P.L. 94-103 requires that the state establish and operate a unit for the collection and disbursement of payments under support orders. The unit must be operational by October 1, 1999.

Section 8 of H301 direct DHR to take the necessary steps to comply with the federal requirements for an automated system, and for a collection and disbursement unit. DHR is required to report to the General Assembly on its progress.

Section 8.1 amends the General Statutes effective October 1, 1999 to establish the collection and disbursement unit as the single agency for collecting and disbursing child support payments.

Section 8.2 of H301 implements federal requirements (42 USC 654, as amended by Sec. 303 of P.L. 94-103) for protecting the privacy rights of parties when there is the danger that disclosure of information regarding the whereabouts of a person may result in physical or emotional harm to the person.

PART 9. FINANCIAL INSTITUTION DATA MATCH

42 USC 666(a)(17) requires procedures under which the State agency shall enter into agreements with financial institutions to develop and operate a data match system. Under the system, financial institutions must provide certain information about a noncustodial parent who maintains an account at the institution and who owes past-due support. The financial institution may charge a fee for providing the match but the fee may not exceed the actual cost of conducting the data match.

Part 9 of H301 authorizes DHR and financial institutions to enter into agreements to establish the data match system.

PART 10. AMENDMENTS TO UNIFORM INTERSTATE FAMILY SUPPORT ACT (UIFSA).

42 USC 666(f) requires that the State must have in effect by January 1, 1998, the UIFSA and amendments thereto.

North Carolina adopted UIFSA in 1995. Part 10 of H301 adopts the amendments adopted by the National Conference of Commissioners on Uniform State Laws.

PART 10A. FRAUDULENT CONVEYANCES TO AVOID CHILD SUPPORT

42 USC 666(g) requires that states have in effect either the Uniform Fraudulent Conveyances Act of 1981, the Uniform Fraudulent Transfers Act of 1984, or another law specifying indicia of fraud which create a prima facie case that a debtor transferred income or property to avoid payment to a child support creditor.

House Bill 407 - Uniform Fraudulent Transfer Act has been enacted into law so this provision is no longer needed in this bill.

The bill becomes effective October 1, 1997.

The General Assembly of North Carolina enacts:

PART 1. STATE DIRECTORY OF NEW HIRES.

Section 1. Effective October 1, 1997, Article 1 of Chapter 110 of the General Statutes is amended by adding the following new section to read:

(a) Directory Established. -- There is established the State Directory of New Hires. The Directory shall be developed and maintained by the Department. The Directory shall be a central repository for employment information to assist in the location of persons owing child support, and in the establishment and enforcement of child support orders.

(b) Employer Reporting. -- Every employer in this State shall report to the Directory the hiring of every employee for whom a federal W-4 form is required to be completed by the employee at the time of hiring. The employer shall report the information required under this section not later than 20 days from the date of hire, or, in the case of an employer who transmits new hire reports magnetically or

electronically by two monthly transmissions, not less than 12 nor more than 16 days apart. The Department shall notify employers of the information they must report under this section and of the penalties for not reporting the required information. The required forms must be provided by the Department to employers.

(c) Report Contents. -- Each report required by this section shall contain the name, address, and social security number of the employee, and the name and address of the employer and the employer's identifying number assigned under section 6109 of the Internal Revenue Code of 1986 and the employer's State employer identification number. Reports shall be made on the W-4 form or, at the option of the employer, an equivalent form, and may be transmitted magnetically, electronically, or by first-class mail.

(d) Penalties for Failure to Report. -- Upon a finding that an employer has failed to comply with the reporting requirements of this section, the district court shall impose a civil penalty in an amount not to exceed twenty-five dollars ($25.00). If the court finds that an employer's failure to comply with the reporting requirements is the result of a conspiracy between the employer and the employee to not supply the required report or to supply a false or incomplete report, then the court shall impose upon the employer a civil penalty in an amount not to exceed five hundred dollars ($500.00). Penalties collected under this subsection shall be deposited to the General Fund.

(e) Entry of Report Data Into Directory. -- Within five business days of receipt of the report from the employer, the Department shall enter the information from the report into the Directory.

(f) Notice to Employer to Withhold. -- Within two business days of the date the information was entered into the Directory, the Department or its designated representative as defined under G.S. 110-129(5) shall transmit notice to the employer of the newly hired employee directing the employer to withhold from the income of the employee an amount equal to the monthly or other periodic child support obligation, including any past-due support obligation of the employee and subject to the limitations of G.S. 110-136.6, unless the employee's income is not subject to withholding.

(g) Other Uses of Directory Information. -- The Employment Security Commission may access information entered into the Directory from employer reports for the purpose of administering employment security programs. The North Carolina Industrial Commission may access information entered into the Directory from employer reports for the purpose of administering workers' compensation programs.

(h) Department May Contract for Services. -- The Department may contract with other State or private entities to perform the services necessary to implement this section.

(i) Information Confidential. -- Except as otherwise provided in this section, information contained in the Directory is confidential and may be used only by the State Child Support Enforcement Program.

(2) 'Department' means the Department of Human Resources.

(3) 'Employee' means an individual who is an employee within the meaning of Chapter 24 of the Internal Revenue Code of 1986. The term 'employee' does not include an employee of a federal or State agency performing intelligence or counterintelligence functions, if the head of the agency has determined that reporting information as required under this section could endanger the safety of the employee or compromise an ongoing investigation or intelligence mission.

(4) 'Employer' has the meaning given the term in section 3401(d) of the Internal Revenue Code of 1986 and includes persons who are governmental entities and labor organizations. The term 'labor organization' shall have the meaning given that term in section 2(5) of the National Labor Relations Act, and includes any entity which is used by the organization and an employer to carry out requirements described in section 8(f)(3) of the National Labor Relations Act of an agreement between the organization and the employer."

PART 2. EXPANDED AUTHORITY OF THE DEPARTMENT TO ENFORCE CHILD SUPPORT ORDERS AND TO ESTABLISH PATERNITY.

Section 2. Chapter 110 of the General Statutes is amended by adding the following new section to read:

"**§ 110-129.1. Additional powers and duties of the Department.**

(a) In addition to other powers and duties conferred upon the Department of Human Resources, Child Support Enforcement Program, by this Chapter or other State law, the Department shall have the following powers and duties:

(1) Upon authorization of the Secretary, to issue a subpoena for the production of books, papers, correspondence, memoranda, agreements, or other information, documents, or records relevant to a child support establishment or enforcement proceeding or paternity establishment proceeding. The subpoena shall be signed by the Secretary and shall state the name of the person or entity required to produce the information authorized under this section, and a description of the information compelled to be produced. The subpoena may be served in the manner provided for service of subpoenas under the North Carolina Rules of Civil Procedure. The form of subpoena shall generally follow the practice in the General Court of Justice in North Carolina. Return of the subpoena shall be to the person who issued the subpoena. Upon

the refusal of any person to comply with the subpoena, it shall be the duty of any judge of the district court, upon application by the person who issued the subpoena, to order the person subpoenaed to show cause why he should not comply with the requirements, if in the discretion of the judge the requirements are reasonable and proper. Refusal to comply with the subpoena or with the order shall be dealt with as for contempt of court and as otherwise provided by law. Information obtained as a result of a subpoena issued pursuant to this subdivision is confidential and may be used only by the Child Support Enforcement Program in conjunction with a child support establishment or enforcement proceeding or paternity establishment proceeding.

(2) For the purposes of locating persons, establishing paternity, or enforcing child support orders, the Program shall have direct access to any information or data storage and retrieval system maintained and used by the Department of Transportation for drivers license issuance or motor vehicle registration, or by a law enforcement agency of this State for law enforcement purposes.

(3) Establish and implement procedures under which in IV-D cases either parent or, in the case of an assignment of support, the State may request that a child support order enforced under this Chapter be reviewed and, if appropriate, adjusted in accordance with the most recently adopted uniform statewide child support guidelines prescribed by the Conference of Chief District Court Judges.

(4) Develop procedures for entering into agreements with financial institutions to develop and operate a data match system as provided under G.S. 110-139.2.

(5) Develop procedures for ensuring that when a noncustodial parent providing health care coverage pursuant to a court order changes employers and is eligible for health care coverage from the new employer, the new employer, upon receipt of notice of the order from the Department, enrolls the child in the employer's health care plan.

(6) Develop and implement an administrative process for paternity establishment in accordance with G.S. 110-132.2.

(7) Establish and implement administrative procedures to change the child support payee to ensure that child support payments are made to the appropriate caretaker when custody of the child has changed, in accordance with G.S. 50-13.4(d).

For purposes of this subsection, the results of blood or genetic tests shall constitute clear, cogent, and convincing evidence of

paternity if the tests show that the probability of the alleged parent's parentage is ninety-seven percent (97%) or higher. If paternity is not thereafter established, then the putative father shall be reimbursed the full amount of temporary support paid under the order.

license. The notice shall inform the ~~obligor~~ individual that if a license is revoked or application is denied pursuant to this subsection, the board is not required to refund fees paid by the ~~obligor.~~ individual. The Department of Human Resources shall also develop a form that the ~~obligor~~ individual shall use to request a review by the designated representative. A copy of this form shall be included with every notice sent pursuant to subsection (d) of this section.

(g) The Department of Human Resources shall establish review procedures consistent with this section to allow an ~~obligor~~ individual to have the underlying arrearage and any relevant defenses investigated, to provide an ~~obligor~~ individual information on the process of obtaining a modification of a support order, or, if the circumstances so warrant, to provide an ~~obligor~~ individual assistance in the establishment of a payment schedule on arrears.

(h) If the ~~obligor~~ individual wishes to challenge the submission of the ~~obligor's~~ individual's name on the certified ~~list~~ list, or if the individual wishes to negotiate a payment schedule, the ~~obligor~~ individual shall within 14 days of the date of notice from the board request a review from the designated representative. The designated representative shall within six days of the date of the ~~obligor's~~ request for review notify the appropriate board of the ~~obligor's~~ request for review and direct the board to stay any action revoking or suspending the ~~obligor's~~ individual's ~~license~~ license until further notice from the designated representative. The designated representative shall review the ~~obligor's~~ case and inform the ~~obligor~~ individual in writing of the representative's findings and decision upon completion of the review. ~~The~~ If the findings so warrant, the designated representative shall immediately send a notice to the appropriate board certifying the ~~obligor's~~ individual's compliance with this ~~section if the obligor is found to be no longer in arrears or negotiates an agreement with the designated representative for a payment schedule on arrears or reimbursement.~~ section. The agreement shall also provide for the maintenance of current support obligations and shall be incorporated into a consent order to be entered by the court. If the ~~obligor~~ individual fails to meet the conditions of this subsection, the designated representative shall notify the appropriate board to immediately revoke or suspend the ~~obligor's~~ individual's license. Upon receipt of notice from the designated representative, the board shall immediately revoke or suspend the ~~obligor's~~ individual's license.

(2) A judicial determination of compliance.

(3) A modification of the support order.

The notice shall also contain the name and address of the court in which the ~~obligor~~ individual shall file the motion and inform the ~~obligor~~ individual that the ~~obligor's~~ individual's name shall remain on the certified list unless the judicial review results in a finding by the court that the ~~obligor is no longer in arrears or that the obligor's license should be reinstated under subsection (k) of this~~ the individual is in compliance with this section. The notice shall also inform the ~~obligor~~ individual that

the ~~obligor~~ individual must comply with all statutes and rules of court regarding motions and notices of hearing and that any motion filed under this section is subject to the limitations of G.S. 50-13.10.

(j) The motion for judicial review of the designated representative's decision shall state the grounds for which review is requested and judicial review shall be limited to those stated grounds. After service of the request for review, the court shall hold an evidentiary hearing at the next regularly scheduled session for the hearing of child support matters in civil district court. The request for judicial review shall be served by the ~~obligor~~ individual upon the designated representative who submitted the ~~obligor's~~ individual's name on the certified list within seven calendar days of the filing of the motion.

(k) If the judicial review results in a finding by the court that the ~~obligor~~ individual is no longer in arrears or that the ~~obligor's~~ individual's license should be reinstated to allow the ~~obligor~~ individual an opportunity to comply with a payment schedule on arrears or reimbursement and current support obligations, the designated representative shall immediately send a notice to the appropriate board certifying the ~~obligor's~~ individual's compliance with this section. ~~In the event of appeal from the judicial review, the license revocation shall not be stayed unless the court specifically provides otherwise.~~ If the judicial review results in a finding that the individual has complied with or is no longer subject to the subpoena that was the basis for the revocation, then the designated representative shall immediately send a notice to the appropriate board certifying the individual's compliance with this section. In the event of an appeal from judicial review, the license revocation shall not be stayed unless the court specifically provides otherwise.

(l) The Department of Human Resources shall prescribe forms for use by the designated representative. The receipt of certification shall serve to notify the ~~obligor~~ individual and the board that, for the purposes of this section, the ~~obligor~~ individual is in compliance with the order for support. When the individual has complied with or is no longer subject to a subpoena issued pursuant to a child support or paternity establishment proceeding, the designated representative shall mail to the individual and the appropriate board a notice certifying that the individual is in compliance. The receipt of certification shall serve to notify the individual and the board that the individual is in compliance with this section.

(m) The Department of Human Resources may enter into interagency agreements with the boards necessary to implement this section.

(n) The procedures specified in Articles 3 and 3A of Chapter 150B of the General Statutes, the Administrative Procedure Act, shall not apply to the denial or failure to issue or renew a license pursuant to this section.

(o) Any board receiving an inquiry as to the licensed status of an applicant or licensee who has had a license denied or revoked under this section shall respond

only that the license was denied or revoked pursuant to this section. Information collected pursuant to this section shall be confidential and shall not be disclosed except in accordance with the laws of this State.

(p) If any provision of this section or its application to any person or circumstance is held invalid, that invalidity shall not affect other provisions or applications of this section that can be given effect without the invalid provision or application, and to this end the provisions of this section are severable."

Section 5.2. G.S. 110-142.2 reads as rewritten:

(a) Effective December 1, 1996, notwithstanding any other provision of law, when an ~~obligor~~ individual is at least 90 days in arrears in making child support payments, or is not in compliance with a subpoena issued pursuant to child support or paternity establishment proceedings, the child support enforcement agency may apply to the court, pursuant to the regular show cause and contempt provisions of G.S. 50-13.9(d), for an order doing any of the following:

The court may stay the effectiveness of the sanctions upon conditions requiring the obligor to make full payment of the delinquency over time. Any such stay shall also be conditioned upon the obligor's maintenance of current child support. The court may stay the effectiveness of the sanctions against an individual subject to a subpoena issued pursuant to child support or paternity establishment proceedings upon a finding that the individual has complied with or is no longer subject to the subpoena. Upon entry of an order pursuant to this section that is not stayed, the ~~obligor~~ individual shall surrender any licenses revoked by the court's order to the child support enforcement agency and the agency shall forward a report to the appropriate licensing authority within 30 days of the order.

(c) If the ~~obligor's~~ individual's regular or commercial drivers license is revoked under this section and the court, after the hearing, makes a finding that a license to operate a motor vehicle is necessary to the ~~obligor's~~ individual's livelihood, the court may issue a limited driving privilege, with those terms and conditions applying as the court shall prescribe. An ~~obligor~~ individual whose license has been revoked for

reasons not related to this section and whose license remains revoked at the time of the hearing shall not be eligible and may not be issued a limited driving privilege. The court may modify or revoke the limited driving privilege pursuant to G.S. 20-179.3(i).

(d) An ~~obligor~~ individual may file a request with the child support enforcement agency for certification that the ~~obligor~~ individual is no longer delinquent in child support payments upon submission of proof satisfactory to the child support enforcement agency that the ~~obligor~~ individual has paid the delinquent amount in full. The child support enforcement agency shall provide a form to be used by the ~~obligor~~ individual for a request for certification. If the child support enforcement agency finds that the ~~obligor~~ individual has met the requirements for reinstatement under this subsection, then the child support enforcement agency shall certify that the ~~obligor~~ individual is no longer delinquent or that the individual has complied with or is no longer subject to a subpoena issued pursuant to child support or paternity establishment proceedings and shall provide a copy of the certification to the ~~obligor.~~ individual.

(e) If licensing privileges are revoked under this section, the ~~obligor~~ individual may petition the district court for a reinstatement of such privileges. The court may order the privileges reinstated conditioned upon full payment of the delinquency over ~~time.~~ time, or, as applicable, may order the reinstatement if the court finds that the individual has complied with or is no longer subject to the subpoena issued pursuant to paternity establishment proceedings. Any order allowing license reinstatement shall additionally require the obligor's maintenance of current child support. Upon reinstatement under this subsection, the child support enforcement agency shall certify that the ~~obligor~~ individual is no longer ~~delinquent~~ delinquent, or, as applicable, that the individual has complied with or is no longer subject to the subpoena issued pursuant to child support or paternity establishment proceedings and shall provide a copy of the certification to the ~~obligor.~~ individual, as applicable.

(g) Upon receipt of certification under subsection (d) or (e) of this section, the licensing board having jurisdiction over the ~~obligor's~~ individual's hunting, fishing, or trapping license shall reinstate the license.

(h) If the court imposes sanctions under subdivision (3) of subsection (a) of this section and the sanctions are stayed upon conditions as provided in subsection (b) of this section, the child support enforcement agency may, without any further application to the court, notify the Division of Motor Vehicles if the ~~obligor~~ individual violates the terms and conditions of the stay. The Division shall then take such action as provided in subdivision (3) of subsection (a) of this section. The

Division shall not remove any restriction of the ~~obligor's~~ individual's motor vehicle registration, until receipt of certification pursuant to subsection (d) or (e) of this section.

(i) The Department of Human Resources, the Administrative Office of the Courts, the Division of Motor Vehicles, and the Department of Environment, Health, and Natural Resources shall work together to develop the forms and procedures necessary for the implementation of this process."

Any such stay shall further be conditioned upon the obligor's maintenance of current child support. The court may stay the revocation pertaining to the person subject to the subpoena upon a finding that the person has complied with or is no longer subject to the subpoena. Upon an order revoking such privileges of an obligor that does not stay the revocation, the clerk of superior court shall notify the appropriate licensing board that the obligor is delinquent in child support payments and that the obligor's licensing privileges are revoked until such time as the licensing board receives proof

of certification by the clerk that the obligor is no longer delinquent in child support payments. Upon an order revoking such privileges of a person subject to the subpoena that does not stay the revocation, the clerk of superior court shall notify the appropriate licensing board that the person has failed to comply with the subpoena issued pursuant to a child support or paternity establishment proceeding and that the person's licensing privileges are revoked until such time as the licensing board receives proof of certification by the clerk that the person is in compliance with or no longer subject to the subpoena.

Upon request of the person, the clerk shall mail a copy of the certification to the appropriate licensing board.

(d) If licensing privileges are revoked under this section, the obligor may petition the district court for a reinstatement of such privileges. The court may order the privileges reinstated conditioned upon full payment of the delinquency over time. Any order allowing license reinstatement shall additionally require the obligor's maintenance of current child support. If the licensing privileges of a person other than the obligor are revoked under this section for failure to comply with a subpoena, the person may petition the district court for reinstatement of the privileges. The court may order the privileges reinstated if the person has complied with or is no longer subject to the subpoena that was the basis for revocation. Upon reinstatement under this subsection, the clerk of superior court shall certify that the obligor is no longer delinquent and provide a copy of the certification to the obligor. Upon receipt of a copy of the certification, the licensing board shall reinstate the license.

(f) Upon receipt of notification by the clerk that ~~the obligor's~~ an obligor's or other person's licensing privileges are ~~revoked,~~ revoked pursuant to this section, the board shall note the revocation on its records and take all necessary steps to implement and enforce the revocation. These steps shall not include the board's independent revocation process pursuant to Chapter 150B of the General Statutes, the Administrative Procedure Act, which process is replaced by the court process prescribed by this section. The revocation pertaining to an obligor shall remain in full force and effect until the board receives certification under this section that the obligor is no longer delinquent in child support payments. The revocation pertaining to the person whose licensing privileges were revoked on the basis of failure to comply with a subpoena shall remain in full force and effect until the board receives certification of reinstatement under subsection (d) of this section."

(c) If at the time the court revokes a license pursuant to subsection (a) of this section, or if at the time the occupational licensing board revokes a license pursuant to subsection (b) of this section, the occupational licensing board has revoked the same license under the licensing board's disciplinary authority over licensees under

its jurisdiction, and that revocation period is greater than the revocation period resulting from forfeiture pursuant to G.S. 50-13.12 or G.S. 110-142.1 then the revocation period imposed by the occupational licensing board applies.

(d) Immediately upon certification by the clerk of superior court or the child support enforcement agency that the licensee whose license was revoked pursuant to subsection (a) or (b) of this section is no longer delinquent in child support payments, the occupational licensing board shall reinstate the license. Immediately upon certification by the clerk of superior court or the child support enforcement agency that the licensee whose license was revoked because of failure to comply with a subpoena is in compliance with or no longer subject to the subpoena, the occupational licensing board shall reinstate the license. PART 7. ESTABLISHMENT OF A LIEN ON REAL AND PERSONAL PROPERTY OF PERSON OWING PAST-DUE CHILD SUPPORT.

Section 7. Chapter 44 of the General Statutes is amended by adding the following new Article to read:

"ARTICLE 15.

"Liens for Overdue Child Support.

"§ 44-86. Lien on real and personal property of person owing past-due child support; definitions; filing required; discharge.

(a) Definitions. As used in this Article, the terms 'designated representative', 'obligee', and 'obligor' have the meanings given them in G.S. 110-129.

(b) Lien Created. There is created a general lien upon the real and personal property of any person who is delinquent in the payment of court-ordered child support. For purposes of this section, an obligor is delinquent when arrears under a court-ordered child support obligation equals three months of payments or three thousand dollars ($3,000), whichever occurs first. The amount of the lien shall be determined by a verified statement of child support delinquency prepared in accordance with subsection (c) of this section.

(c) Contents of Statement; Verification. A verified statement of child support delinquency shall contain the following information:

(1) The caption and file docket number of the case in which child support was ordered;

(2) The date of the order of support;

(3) The amount of the child support obligation established by the order; and

(4) The amount of the arrearage as of the date of the statement.

The statement shall be verified by the designated representative in a IV-D case and by the obligee in a non-IV-D case.

(d) Filing and Perfection of Lien. The verified statement shall be filed in the office of the clerk of superior court in the county in which the child support was ordered. At the time of filing the verified statement, the designated representative in a IV-D case and the obligee in a non-IV-D case shall serve notice on the obligor that the statement has been filed. The notice shall be served and the return of service filed with the clerk of court in accordance with Rule 4 of the North Carolina Rules of Civil Procedure. The notice shall specify the manners in which the lien may be discharged. Upon perfection of the lien, as set forth herein, the clerk shall docket and index the statement on the judgment docket. The clerk shall issue a transcript of the docketed statement to the clerk of any other county as requested by the designated representative in a IV-D case or the obligee in a non-IV-D case. The clerk receiving the transcript shall docket and index the transcript. A lien on personal property attaches when the property is seized by the sheriff. A lien on real property attaches when the perfected lien is docketed and indexed on the judgment docket.

(1) IV-D Cases. In IV-D cases, the filing of a verified statement with the clerk of court by the designated representative shall perfect the lien. The obligor may contest the lien by motion in the cause.

(2) Non-IV-D Cases. In a non-IV-D case, the notice to the obligor of the filing of the verified statement shall state that the obligor has 30 days from the date of service to request a hearing before a district court judge to contest the validity of the lien. If the obligor fails to contest the lien after 30 days from the time of service, the obligee may make application to the clerk, and the clerk shall record and index the lien on the judgment docket. If the obligee files a petition contesting the validity of the lien, a hearing shall be held before a district court judge to determine whether the lien is valid and proper. In contested cases, the clerk of court shall record and index the lien on the judgment docket only by order of the judge. The docketing of a verified statement in a non-IV-D case shall perfect the lien when duly recorded and indexed.

(e) Lien Superior to Subsequent Liens. Except as otherwise provided by law, a lien established in accordance with this section shall take priority over all other liens subsequently acquired and shall continue from the date of filing until discharged in accordance with G.S. 44-87.

(f) Execution on the Lien. A designated representative in a IV-D case, after 30 days from the docketing of the perfected lien, or an obligee in a non-IV-D case, after docketing the perfected lien, may enforce the lien in the same manner as for a civil judgment.

(g) Liens Arising Out-of-State. This State shall accord full faith and credit to child support liens arising in another state when the child support enforcement agency, party, or other entity seeking to enforce the lien complies with the requirements relating to recording and serving child support liens as set forth in this Article and

with the requirements relating to the enforcement of foreign judgments as set forth in Chapter 1C of the General Statutes.

"**§ 44-87. Discharge of lien; penalty for failure to discharge.**

(a) Liens created by this Article may be discharged as follows:

(1) By the designated representative in IV-D cases, or by the obligee in non-IV-D cases, filing with the clerk of superior court an acknowledgment that the obligor has satisfied the full amount of the lien;

(2) By depositing with the clerk of superior court money equal to the amount of the claim and filing a petition in the cause requesting a district court judge to determine the validity of the lien. The money shall not be disbursed except by order of a district court judge following the hearing on the merits; or

(3) By an entry in the judgment docket book that the action on the part of the lien claimant to enforce the lien has been dismissed, or a judgment has been rendered against the claimant in such action.

(b) An obligee in a non-IV-D case who has received payment in full for a delinquent child support obligation which is the basis for the lien shall, within 30 days of receipt of payment, file with the clerk of court an acknowledgment that the obligor has satisfied the full amount of the lien and that the lien is discharged. If the lienholder fails to timely file the acknowledgment, the obligor may, after serving notice on the obligee, file an action in district court to discharge the lien. If in an action filed by the obligor to discharge the lien, the court discharges the lien and finds that the obligee failed to timely file an acknowledgment discharging the lien, then the court may allow the prevailing party to recover reasonable attorneys' fees to be taxed as court costs against the obligee."

Section 7.1. G.S. 50-13.4(f)(8) reads as rewritten:

"§ 52C-6-606. Procedure to contest validity or enforcement of registered order.

(a) A nonregistering party seeking to contest the validity or enforcement of a registered order in this State shall request a hearing within 20 days after ~~the date of mailing or personal service of~~ notice of the registration. The nonregistering party may seek to vacate the registration, to assert any defense to an allegation of noncompliance with the registered order, or to contest the remedies being sought or the amount of any alleged arrears pursuant to G.S. 52C-6-607.

(b) If the nonregistering party fails to contest the validity or enforcement of the registered order in a timely manner, the order is confirmed by operation of law.

(c) If a nonregistering party requests a hearing to contest the validity or enforcement of the registered order, the registering tribunal shall schedule the matter for hearing and give notice to the parties ~~by first-class mail~~ of the date, time, and place of the hearing."

Section 10.12. G.S. 52C-6-611 reads as rewritten:

"§ 52C-6-611. Modification of child support order of another state.

(a) After a child support order issued in another state has been registered in this State, the responding tribunal of this State may modify that order only ~~if,~~ if G.S. 52C-6-613 does not apply and after notice and ~~hearing,~~ hearing it finds that:

(1) The following requirements are met:

a. The child, the individual obligee, and the obligor do not reside in the issuing state;

b. A petitioner who is a nonresident of this State seeks modification; and

c. The respondent is subject to the personal jurisdiction of the tribunal of this State; or

(2) ~~An individual party or the child~~ The child, or a party who is an individual, is subject to the personal jurisdiction of the tribunal of this State and all of the ~~individual~~ parties who are individuals have filed a written consent in the issuing tribunal ~~providing that~~ for a tribunal of this State ~~may~~ to modify the support order and assume continuing, exclusive jurisdiction over the order. However, if the issuing state is a foreign jurisdiction that has not enacted a law or established procedures substantially similar to the procedures under this act, the consent otherwise required of an individual residing in this State is not required for the tribunal to assume jurisdiction to modify the child support order.

(b) Modification of a registered child support order is subject to the same requirements, procedures, and defenses that apply to the modification of an order issued by a tribunal of this State, and the order may be enforced and satisfied in the same manner.

(c) A tribunal of this State may not modify any aspect of a child support order that may not be modified under the law of the issuing state. If two or more tribunals have issued child support orders for the same obligor and child, the order that controls and must be so recognized under G.S. 52C-2-207 establishes the aspects of the support order which are nonmodifiable.

(d) On issuance of an order modifying a child support order issued in another state, a tribunal of this State becomes the tribunal of continuing, exclusive jurisdiction.

~~(e) Within 30 days after issuance of a modified child support order, the party obtaining the modification shall file a certified copy of the order with the issuing tribunal which had continuing, exclusive jurisdiction over the earlier order, and in each tribunal in which the party knows that the earlier order has been registered.~~"

Section 10.13. Article 6 of Chapter 52C of the General Statutes is amended by adding the following new sections to read:

"**§ 52C-6-613. Jurisdiction to modify child support order of another state when individual parties reside in this State.**

(a) If all of the parties who are individuals reside in this State and the child does not reside in the issuing state, a tribunal of this State has jurisdiction to enforce and to modify the issuing state's child support order in a proceeding to register that order.

(b) A tribunal of this State exercising jurisdiction under this section shall apply the provisions of Articles 1 and 2 of this Chapter, this Article, and the procedural and substantive law of this State to the proceeding for enforcement or modification. Articles 3, 4, 5, 7, and 8 of this Chapter do not apply.

"§ 52C-6-614. Notice to issuing tribunal of modification.

Within 30 days after issuance of a modified child support order, the party obtaining the modification shall file a certified copy of the order with the issuing tribunal that had continuing, exclusive jurisdiction over the earlier order, and in each tribunal in which the party knows the earlier order has been registered. A party who obtains the order and fails to file a certified copy is subject to appropriate sanctions by a tribunal in which the issue of failure to file arises. The failure to file does not affect the validity or enforceability of the modified order of the new tribunal having continuing, exclusive jurisdiction."

Section 10.14. The Reviser of Statutes shall cause to be printed separate from this Part all relevant portions of the official comments to the Uniform Interstate Family Support Act, as amended, as the Reviser deems appropriate.

PART 10A. FRAUDULENT CONVEYANCES TO AVOID CHILD SUPPORT.

Section 10.15. Article 3 of Chapter 39 of the General Statutes is amended by adding the following new section to read:

"§ 39-15.1. Fraudulent conveyances to avoid child support.

(a) As used in this section, the terms 'obligor' and 'obligee' shall have the meanings given those terms in G.S. 110-129.

(b) In all child support cases, the conveyance of property by an obligor who is delinquent in the payment of child support may be voided by an obligee upon a showing of fraudulent intent. The factors which may be considered to show fraudulent intent are as follows:

(1) The conveyance or obligation was to an insider.

(2) The obligor retained possession or control of the property after the conveyance.

(3) The conveyance was concealed or not disclosed.

(4) Before the conveyance was made or the obligation was incurred, the obligor had been sued or threatened with suit.

(5) The conveyance was of substantially all the obligor's assets.

(6) The obligor removed or concealed assets.

(7) The value of the consideration received by the obligor was not reasonably equivalent to the value of the asset conveyed or the amount of the obligation incurred.

(8) The obligor was insolvent or became insolvent shortly after the conveyance was made or the obligation incurred.

(9) The conveyance occurred shortly before or shortly after a substantial debt was incurred.

(10) The obligor conveyed the essential assets of a business to a lienor who conveyed the assets to an insider of the obligor.

Proof of two or more of the factors listed in this subsection creates a rebuttable presumption of fraud. Unless otherwise provided under this Article, if the court finds by clear and convincing evidence that the conveyance was fraudulent, then the conveyance is void."

ARTICLE 9.
CHILD SUPPORT

§110-128. Purposes.

The purposes of this Article are to provide for the financial support of dependent children; to enforce spousal support when a child support order is being enforced; to provide that public assistance paid to dependent children is a supplement to the support required to be provided by the responsible parent; to provide that the payment of public assistance creates a debt to the State; to provide that the acceptance of public assistance operates as an assignment of the right to child support; to provide for the location of absent parents; to provide for a determination that a responsible parent is able to support his children; and to provide for enforcement of the responsible parent's obligation to furnish support and to provide for the establishment and administration of a program of child support enforcement in North Carolina. (1975, c. 827, s. 1; 1977, 2nd Sess., c. 1186, s. 1; 1985, c. 506, s. 2.)

§ 110-129. Definitions.

As used in this Article:

(1) "Court order" means any judgment or order of the courts of this State or of another state.

(2) "Dependent child" means any person under the age of 18 who is not otherwise emancipated, married or a member of the armed forces of the United States, or any person over the age of 18 for whom a court orders that support payments continue as provided in G.S. 50-13.4(c).

(3) "Responsible parent" means the natural or adoptive parent of a dependent child who has the legal duty to support said child and includes the father of a child born out-of-wedlock and the parents of a dependent child who is the custodial or noncustodial parent of the dependent child requiring support. If both the parents of the child requiring support were unemancipated minors at the time of the child's conception, the parents of both minor parents share primary liability for their grandchild's support until both minor parents reach the age of 18 or become emancipated. If only one parent of the child requiring support was an unemancipated minor at the time of the child's conception, the parents of both parents are liable for any arrearages in child support owed by the adult or emancipated parent until the other parent reaches the age of 18 or becomes emancipated.

(4) "Program" means the Child Support Enforcement Program established and administered pursuant to the provisions of this Article and Title IV-D of the Social Security Act.

(5) "Designated representative" means any person or agency designated by a board of county commissioners or the Department of Human Resources to administer a program of child support enforcement for a county or region of the State.

(6) "Disposable income" means any form of periodic payment to an individual, regardless of sources, including but not limited to wages, salary, commission, self-employment income, bonus pay, severance pay, sick pay, incentive pay, vacation pay, compensation as an independent contractor, worker's compensation, unemployment compensation benefits, disability, annuity, survivor's benefits, pension and retirement benefits, interest, dividends, rents, royalties, trust income and other similar payments, which remain after the deduction

of amounts for federal, State, and local taxes, Social Security, and involuntary retirement contributions. However, Supplemental Security Income, Aid for Dependent Children, and other public assistance payments shall be excluded from disposable income. For employers, disposable income means "wage" as it is defined by G.S. 95-25.2(16). Unemployment compensation benefits shall be treated as disposable income only for the purposes of income withholding under the provisions of G.S. 110-136.4, and the amount withheld shall not exceed twenty-five percent (25%) of the unemployment compensation benefits.

(7) "IV-D case" means a case in which services have been applied for or are being provided by a child support enforcement agency established pursuant to Title IV-D of the Social Security Act as amended and this Article.

(8) "Non-IV-D case" means any case, other than a IV-D case, in which child support is legally obligated to be paid.

(9) "Initiating party" means the party, the attorney for a party, a child support enforcement agency, or the clerk of superior court who initiates an action, proceeding, or procedure as allowed or required by law for the establishment or enforcement of a child support obligation.

(10) "Mistake of fact" means that the obligor:
   (a) Is not in arrears in an amount equal to the support payable for one month; or
   (b) Did not request that withholding begin, if withholding is pursuant to a purported request by the obligor for withholding; or
   (c) Is not the person subject to the court order of support for the child named in the advance notice of withholding; or
   (d) Does not owe the amount of current support or arrearages specified in the advance notice or motion of withholding; or
   (e) Has a rate of withholding which exceeds the amount of support specified in the court order.

(11) "Obligee", in a IV-D case, means the child support enforcement agency, and in a non-IV-D case means the individual to whom a duty of support is owed or the individual's legal representative.

(12) "Obligor" means the individual who owes a duty to make child support payments under a court order.

(13) "Payor" means any payor, including any federal, State, or local governmental unit, of disposable income to an obligor. When the payor is an employer, payor means employer as is defined at 29 USC § 203(d) in the Fair Labor Standards Act. (1975, c. 827, s. 1; 1977, 2nd Sess., c. 1186, ss. 2, 3; 1985, c. 592; 1985 (Reg. Sess., 1986), c. 949, s. 1; 1987, c. 764, s. 3; 1989, c. 601, s. 1; 1991, c. 541, s. 3; 1995, c. 518, s. 2.)

§110-130. Action by the designated representatives of the county commissioners.

Any county interested in the paternity and/or support of a dependent child may institute civil or criminal proceedings against the responsible parent of the child, or may take up and pursue any paternity and/or support action commenced by the mother, custodian or guardian of the child. Such action shall be undertaken by the designated representative in the county where the mother of the child resides or is found, in the county where the father resides or is found, or in the county where the child resides or is found. Any legal proceeding instituted under this section may be based upon

information or belief. The parent of the child may be subpoenaed for testimony at the trial of the action to establish the paternity of and/or to obtain support for the child either instituted or taken up by the designated representative of the county commissioners. The husband-wife privilege shall not be grounds for excusing the mother or father from testifying at the trial nor shall said privilege be grounds for the exclusion of confidential communications between husband and wife. If a parent called for examination declines to answer upon the grounds that his testimony may tend to incriminate him, the court may require him to answer in which event he shall not thereafter be prosecuted for any criminal act involved in the conception of the child whose paternity is in issue and/or for whom support is sought, except for perjury committed in this testimony. (1975, c. 827, s. 1; 1977, 2nd Sess., c. 1186, s. 4; 1985, c. 410.)

§ 110-130.1. Non-AFDC services.

(a) All child support collection and paternity determination services provided under this Article to recipients of public assistance shall be made available to any individual not receiving public assistance in accordance with federal law and as contractually authorized by the nonrecipient, upon proper application and payment of a nonrefundable application fee of ten dollars ($10.00).

(b) Repealed by Session Laws 1989, c. 490.

(b1) In cases in which a public assistance debt which accrued pursuant to G.S. 110-135 remains unrecovered, support payments shall be transmitted to the Department of Human Resources for appropriate distribution. When services are terminated and all costs and any public assistance debts have been satisfied, the support payment shall be redirected to the client.

(c) Actions or proceedings to establish, enforce, or modify a duty of support or establish paternity as initiated under this Article shall be brought in the name of the county or State agency on behalf of the public assistance recipient or nonrecipient client. Collateral disputes between a custodial parent and noncustodial parent, involving visitation, custody and similar issues, shall be considered only in separate proceedings from actions initiated under this Article. The attorney representing the designated representative of programs under Title IV-D of the Social Security Act shall be deemed attorney of record only for proceedings under this Article, and not for the separate proceedings. No attorney/client relationship shall be considered to have been created between the attorney who represents the child support enforcement agency and any person by virtue of the action of the attorney in providing the services required.

(c1) The Department is hereby authorized to use the electronic and print media in attempting to locate absent and deserting parents. Due diligence must be taken to ensure that the information used is accurate or has been verified. Print media shall be under no obligation or duty, except that of good faith, to anyone to verify the correctness of any information furnished to it by the Department or county departments of social services.

(d) Any fee imposed by the North Carolina Department of Revenue or the Secretary of the Treasury to cover their costs of withholding for non-AFDC arrearages certified for the collection of past due support from State or federal income tax refunds shall be borne by the client by deducting the fee from the amount collected.

Any income tax refund offset amounts which are subsequently determined to have been incorrectly withheld and distributed to a client, and which must be refunded by the State to a responsible parent or the nondebtor spouse, shall constitute a debt to the State owed by the client. (1983, c. 527, s. 1; 1985, c. 781, ss. 1-5; 1985 (Reg. Sess., 1986), c. 931, ss. 1-3; 1989, c. 490; 1995, c. 538, s. 3.)

§110-130.2. Collection of spousal support.

Spousal support shall be collected for a spouse or former spouse with whom the absent parent's child is living when a child support order is being enforced under this Article. However, the spousal support shall be collected: (i) only if there is an order establishing the support obligation with respect to such spouse; and (ii) only if an order establishing the support obligation with respect to the child is being enforced under this Article. The Child Support Enforcement Program is not authorized to assist in the establishment of a spousal support obligation. (1985, c. 506, s. 1.)

§110-131. Compelling disclosure of information respecting the nonsupporting responsible parent of a child receiving public assistance.

(a) If a parent of any dependent child receiving public assistance fails or refuses to cooperate with the county in locating and securing support from a nonsupporting responsible parent, this parent may be cited to appear before any judge of the district court and compelled to disclose such information under oath and/or may be declared ineligible for public assistance by the county department of social services for as long as he fails to cooperate.

(b) Any parent who, having been cited to appear before a judge of the district court pursuant to subsection (a), fails or refuses to appear or fails or refuses to provide the information requested may be found to be in contempt of said court and may be fined not more than one hundred dollars ($100.00) or imprisoned not more than six months or both.

(c) Any parent who is declared ineligible for public assistance by the county department of social services shall have his needs excluded from consideration in determining the amount of the grant, and the needs of the remaining family members shall be met in the form of a protective payment in accordance with G.S. 108-50. (1975, c. 827, s. 1.)

§ 110-132. Acknowledgment of paternity and agreement to support.

(a) In lieu of or in conclusion of any legal proceeding instituted to establish paternity, the written acknowledgment of paternity executed by the putative father of the dependent child when accompanied by a written affirmation of paternity executed and sworn to by the mother of the dependent child and filed with and approved by a judge of the district court in the county where the mother of the child resides or is found, or in the county where the putative father resides or is found, or in the county where the child resides or is found shall have the same force and effect as a judgment of that court; and a written agreement to support said child by periodic payments, which may include provision for reimbursement for medical expenses incident to the pregnancy and the birth of the child, accrued maintenance and reasonable expense of prosecution of the paternity action, when acknowledged as provided herein, filed with, and approved by a judge of the district court at any time, shall have the same force and effect as an order of support entered by that court, and shall be enforceable and subject to modification in the same manner as is provided by law for orders of the court in such cases. Such written affirmations, acknowledgments and agreements to support shall be sworn to before a certifying officer or notary public or the equivalent or corresponding person of the state, territory, or foreign country where the affirmation, acknowledgment, or agreement is made, and shall be binding on the person executing the same whether he is an adult or a minor. Such mother shall not be excused from making such affirmation on the grounds that it may tend to disgrace or incriminate her; nor shall she thereafter be prosecuted for any criminal act involved in the conception of the child as to whose paternity she makes affirmation.

(b) At any time after the filing with the district court of an acknowledgment of paternity, upon the application of any interested party, the court or any judge thereof shall cause a summons signed by him or by the clerk or assistant clerk of superior

court, to be issued, requiring the putative father to appear in court at a time and place named therein, to show cause, if any he has, why the court should not enter an order for the support of the child by periodic payments, which order may include provision for reimbursement for medical expenses incident to the pregnancy and the birth of the child, accrued maintenance and reasonable expense of the action under this subsection on the acknowledgment of paternity previously filed with said court. The amount of child support payments so ordered shall be determined as provided in G.S. 50-13.4(c). The prior judgment as to paternity shall be **res judicata** as to that issue and shall not be reconsidered by the court. (1975, c. 827, s. 1; 1977, 2nd Sess., c. 1186, ss. 5, 6; 1981, c. 275, s. 8; 1989, c. 529, s. 8.)

§ 110-132.1. Paternity determination by another state entitled to full faith and credit.

A paternity determination made by another state:

(1) In accordance with the laws of that state, and

(2) By any means that is recognized in that state as establishing paternity

shall be entitled to full faith and credit in this State. (1993 (Reg. Sess., 1994), c. 733, s. 2.)

§ 110-133. Agreements of support.

In lieu of or in conclusion of any legal proceeding instituted to obtain support from a responsible parent for a dependent child born of the marriage, a written agreement to support the child by periodic payments executed by the responsible parent when acknowledged before a certifying officer or notary public or the equivalent or corresponding person of the state, territory, or foreign country where the acknowledgment is made and filed with and approved by a judge of the district court in the county where the custodial parent of the child resides or is found, or in the county where the noncustodial parent resides or is found, or in the county where the child resides or is found shall have the same force and effect, retroactively and prospectively, in accordance with the terms of the agreement, as an order of support entered by the court, and shall be enforceable and subject to modification in the same manner as is provided by law for orders of the court in such cases. (1975, c. 827, s. 1; 1977, 2nd Sess., c. 1186, s. 7; 1995, c. 538, s. 5.)

§110-134. Filing of affirmations, acknowledgments, agreements and orders; fees.

All affirmations, acknowledgments, agreements and resulting orders entered into under the provisions of G.S. 110-132 and G.S. 110- 133 shall be filed by the clerk of superior court in the county in which they are entered. The filing fee for the institution of an action through the entry of an order under either of these provisions shall be four dollars ($4.00). (1975, c. 827, s. 1; 1977, 2nd Sess., c. 1186, s. 8.)

§110-135. Debt to State created.

Acceptance of public assistance by or on behalf of a dependent child creates a debt, in the amount of public assistance paid, due and owing the State by the responsible parent or parents of the child. Provided, however, that in those cases in which child support was required to be paid incident to a court order during the time of receipt of public assistance, the debt shall be limited to the amount specified in such court order. This liability shall attach only to public assistance granted subsequent to June 30, 1975, and only with respect to the period of time during which public assistance is granted, and only if the responsible parent or parents were financially able to furnish support during this period.

The United States, the State of North Carolina, and any county within the State which has provided public assistance to or on behalf of a dependent child shall be

entitled to share in any sum collected under this section, and their proportionate parts of such sum shall be determined in accordance with the matching formulas in use during the period for which assistance was paid.

No action to collect such debt shall be commenced after the expiration of five years subsequent to the receipt of the last grant of public assistance. The county attorney or an attorney retained by the county and/or State shall represent the State in all proceedings brought under this section. (1975, c. 827, s. 1; 1977, 2nd Sess., c. 1186, ss. 9, 10.)

§110-136. Garnishment for enforcement of child-support obligation.

(a) Notwithstanding any other provision of the law, in any case in which a responsible parent is under a court order or has entered into a written agreement pursuant to G.S. 110-132 or 110-133 to provide child support, a judge of the district court in the county where the mother of the child resides or is found, or in the county where the father resides or is found, or in the county where the child resides or is found may enter an order of garnishment whereby no more than forty percent (40%) of the responsible parent's monthly disposable earnings shall be garnished for the support of his minor child. For purposes of this section, "disposable earnings" is defined as that part of the compensation paid or payable to the responsible parent for personal services, whether denominated as wages, salary, commission, bonus, or otherwise (including periodic payments pursuant to a pension, retirement, or other deferred compensation program) which remains after the deduction of any amounts required by law to be withheld. The garnishee is the person, firm, association, or corporation by whom the responsible parent is employed.

(b) The mother, father, custodian, or guardian of the child or any designated representative interested in the support of a dependent child may move the court for an order of garnishment. The motion shall be verified and shall state that the responsible parent is under court order or has entered into a written agreement pursuant to G.S. 110-132 or 110-133 to provide child support, that said parent is delinquent in such child support or has been erratic in making child-support payments, the name and address of the employer of the responsible parent, the responsible parent's monthly disposable earnings from said employer (which may be based upon information and belief), and the amount sought to be garnished, not to exceed forty percent (40%) of the responsible parent's monthly disposable earnings. The motion for the wage garnishment order along with a motion to join the alleged employer as a third-party garnishee defendant shall be served on both the responsible parent and the alleged employer in accordance with the provisions of G.S. 1A-1, Rules of Civil Procedure. The time period for answering or otherwise responding to pleadings, motions and other papers issued pursuant to this section shall be in accordance with the time periods set forth in G.S. 1A-1, Rules of Civil Procedure, except that the alleged employer third-party garnishee shall have 10 days from the date of service of process to answer both the motion to join him as a defendant garnishee and the motion for the wage garnishment order.

(b1) In addition to the foregoing method for instituting a continuing wage garnishment proceeding for child support through motion, the mother, father, custodian, or guardian of the child or any designated representative interested in the support of a dependent child may in an independent proceeding petition the court for an order of continuing wage garnishment. The petition shall be verified and shall state that the responsible parent is under court order or has entered into a written agreement pursuant to G.S. 110-132 or 110-133 to provide child support, that said parent is delinquent in such child support or has been erratic in making child-support payments, the name and address of the alleged-employer garnishee of the responsible parent, the responsible parent's monthly disposable earnings from said employer (which may be

based on information and belief), and the amount sought to be garnished, not to exceed forty percent (40%) of the responsible parent's monthly disposable earnings. The petition shall be served on both the responsible parent and his alleged employer in accordance with the provisions for service of process set forth in G.S. 1A-1, Rule 4. The time period for answering or otherwise responding to process issued pursuant to this section shall be in accordance with the time periods set forth in G.S. 1A-1, Rules of Civil Procedure.

(c) Following the hearing held pursuant to this section, the court may enter an order of garnishment not to exceed forty percent (40%) of the responsible parent's monthly disposable earnings. If an order of garnishment is entered, a copy of same shall be served on the responsible parent and the garnishee either personally or by certified or registered mail, return receipt requested. The order shall set forth sufficient findings of fact to support the action by the court and the amount to be garnished for each pay period. The amount garnished shall be increased by an additional one dollar ($1.00) processing fee to be assessed and retained by the employer for each payment under the order. The order shall be subject to review for modification and dissolution upon the filing of a motion in the cause.

(d) Upon receipt of an order of garnishment, the garnishee shall transmit without delay to the clerk of superior court the amount ordered by the court to be garnished. These funds shall be disbursed to the party designated by the court which in those cases of dependent children receiving public assistance shall be the North Carolina Department of Human Resources.

(e) Any garnishee violating the terms of an order of garnishment shall be subject to punishment as for contempt. (1975, c. 827, s. 1; 1977, 2nd Sess., c. 1186, ss. 11, 12; 1979, c. 386, ss. 1-8; 1983 (Reg. Sess., 1984), c. 1047, s. 1; 1985, c. 660, s. 2.)

§110-136.1. Assignment of wages for child support.

Pursuant to G.S. 50-13.4(f) (1), the court may require the responsible parent to execute an assignment of wages, salary, or other income due or to become due whenever his employer's voluntary written acceptance of the wage assignment under G.S. 95-31 is filed with the court. Such acceptance remains effective until the employer files an express written revocation with the court. The amount assigned shall be increased by an additional one dollar ($1.00) processing fee to be assessed and retained by the employer for each payment under the order. (1981, c. 275, s. 7; 1983 (Reg. Sess., 1984), c. 1047, s. 2.)

§ 110-136.2. Use of unemployment compensation benefits for child support.

(a) A responsible parent may voluntarily assign unemployment compensation benefits to a child support agency to satisfy a child support obligation or a child support enforcement agency may request a responsible parent to voluntarily assign unemployment benefits to satisfy a child support obligation. An assignment of less than the full amount of the support obligation shall not relieve the responsible parent of liability for the remaining amount.

(b) Upon notification of a voluntary assignment by the Department of Human Resources, the Employment Security Commission shall deduct and withhold the amount assigned by the responsible parent as provided in G.S. 96-17.

(c) Any amount deducted and withheld shall be paid by the Employment Security Commission to the Department of Human Resources for distribution as required by federal law.

(d) Voluntary assignment of unemployment compensation benefits shall remain effective until the Employment Security Commission receives notification from the Department of Human Resources of an express written revocation by the responsible parent.

(e) The Department of Human Resources shall ensure that payments received under this section are properly credited against the responsible parent's child support obligation.

(f) In the absence of a voluntary assignment of unemployment compensation benefits, the Department of Human Resources shall implement income withholding as provided in this Article for IV-D cases. The amount withheld shall not exceed twenty-five percent (25%) of the unemployment compensation benefits. Notice of the requirement to withhold shall be served upon the Employment Security Commission and payment shall be made by the Employment Security Commission directly to the Department of Human Resources pursuant to G.S. 96-17. Except for the requirement to withhold from unemployment compensation benefits and the forwarding of withheld funds to the Department of Human Resources, the Employment Security Commission is exempt from the provisions of G.S. 110-136.8. (1983, c. 33, s. 1; 1987, c. 764, ss. 1, 2.)

§ 110-136.3. Income withholding procedures; applicability.

(a) Required Contents of Support Orders. All child support orders, civil or criminal, entered or modified in the State in IV-D cases shall include a provision ordering income withholding to take effect immediately. All child support orders, civil or criminal, initially entered in the State in non-IV-D cases on or after January 1, 1994, shall include a provision ordering income withholding to take effect immediately as provided in G.S. 110-136.5(c1), unless one of the exceptions specified in G.S. 110-136.5(c1) applies. A non-IV-D child support order that contains an income withholding requirement and a IV-D child support order shall:

(1) Require the obligor to keep the clerk of court or IV-D agency informed of the obligor's current residence and mailing address;
(2) Repealed by Session Laws 1993, c. 517, s. 1.
(2a) Repealed by Session Laws 1993, c. 517, s. 1.
(3) Require the obligor to cooperate fully with the initiating party in the verification of the amount of the obligor's disposable income;
(4) Require the custodial party to keep the obligor informed of (i) the custodial party's disposable income and the amount and effective date of any substantial change in this disposable income and (ii) the current residence and mailing address of the child, unless the court has determined that notice to the obligor is inappropriate because the obligor has made verbal or physical threats that constitute domestic violence under Chapter 50B of the General Statutes; and
(5) Require the obligor to keep the initiating party informed of the name and address of any payor of the obligor's disposable income and of the amount and effective date of any substantial change in this disposable income.

(b) When obligor subject to withholding.

(1) In IV-D cases in which a new or modified child support order is entered on or after October 1, 1989, an obligor is subject to income withholding immediately upon entry of the order. In IV-D cases in which the child support order was entered prior to October 1, 1989, an obligor shall become subject to income withholding on the earliest of:
    a. The date on which the obligor fails to make legally obligated child support payments in an amount equal to the support payable for one month; or
    b. The date on which the obligor or obligee requests withholding.

(2) In non-IV-D cases in which the child support order was entered prior to January 1, 1994, an obligor shall be subject to income withholding on the earliest of:
   a. The date on which the obligor fails to make legally obligated child support payments in an amount equal to the support payable for one month; or
   b. The date on which the obligor requests withholding; or
   c. The date on which the court determines, pursuant to a motion or independent action filed by the obligee under G.S. 110-136.5(a), that the obligor is or has been delinquent in making child support payments or has been erratic in making child support payments.

(c) Repealed by Session Laws 1993, c. 517, s. 1.

(d) Interstate cases. An interstate case is one in which a child support order of one state is to be enforced in another state.

(1) In interstate cases withholding provisions shall apply to a child support order of this or any other state. A petition addressed to this State to enforce a child support order of another state or a petition from an initiating party in this State addressed to another state to enforce a child support order entered in this State shall include:
   a. A certified copy of the support order with all modifications, including any income withholding notice or order still in effect;
   b. A copy of the income withholding law of the jurisdiction which issued the support order, provided that this jurisdiction has a withholding law;
   c. A sworn statement of arrearages;
   d. The name, address, and social security number of the obligor, if known;
   e. The name and address of the obligor's employer or of any other source of income of the obligor derived in the state in which withholding is sought; and
   f. The name and address of the agency or person to whom support payments collected by income withholding shall be transmitted.

(2) The law of the state in which the support order was entered shall apply in determining when withholding shall be implemented and interpreting the child support order. The law and procedures of the state where the obligor is employed shall apply in all other respects.

(3) Except as otherwise provided by subdivision (2), income withholding initiated under this subsection is subject to all of the notice, hearing and other provisions of Chapter 110.

(4) In all interstate cases notices and orders to withhold shall be served upon the payor by a North Carolina agency or judicial officer. In all interstate non-IV-D cases, the advance notice to the obligor shall be served pursuant to G.S. 1A-1, Rule 4, Rules of Civil Procedure.

(5) For purposes of enforcing a petition under this subsection, jurisdiction is limited to the purposes of income withholding and Chapter 52A of the General Statutes shall not apply. Nothing in this subsection precludes any remedy otherwise available in a proceeding under Chapter 52A of the General Statutes.

(e) Procedures and regulations. Procedures, rules, regulations, forms, and instructions necessary to effect the income withholding provisions of this Article shall be established by the Secretary of the Department of Human Resources or the Secretary's designee and the Administrative Office of the Courts. Forms and

instructions shall be sent with each order or notice of withholding. (1985 (Reg. Sess., 1986), c. 949, s. 2; 1987, c. 589, s. 1; 1989, c. 601, s. 2; 1993, c. 517, s. 1.)

§ 110-136.4. Implementation of withholding in IV-D cases.

(a) Withholding based on arrearages or obligor's request.

(1) Advance notice of withholding. When an obligor in a IV-D case becomes subject to income withholding, the obligee shall, after verifying the obligor's current employer or other payor, wages or other disposable income, and mailing address, serve the obligor with advance notice of withholding in accordance with G.S. 1A-1, Rule 4, Rules of Civil Procedure.

(2) Contents of advance notice. The advance notice to the obligor shall contain, at a minimum, the following information:

a. Whether the proposed withholding is based on the obligor's failure to make legally obligated payments in an amount equal to the support payable for one month or on the obligor's request for withholding or on the obligee's request for withholding;

b. The amount of overdue support, the total amount to be withheld, and when the withholding will occur;

c. The name of each child for whose benefit the child support is due, and information sufficient to identify the court order under which the obligor has a duty to support the child;

d. The amount and sources of disposable income;

e. That the withholding will apply to the obligor's wages or other sources of disposable income from current payors and all subsequent payors once the procedures under this section are invoked;

f. An explanation of the obligor's rights and responsibilities pursuant to this section;

g. That withholding will be continued until terminated pursuant to G.S. 110-136.10.

(3) Contested withholding. The obligor may contest the withholding only on the basis of a mistake of fact, except that G.S. 110-129(10)(a) is not applicable if withholding is based on the obligor's or obligee's request for withholding. To contest the withholding, the obligor must, within 10 days of receipt of the advance notice of withholding, request a hearing in the county where the support order was entered before the district court and give notice to the obligee specifying the mistake of fact upon which the hearing request is based. If the asserted mistake of fact can be resolved by agreement between the obligee and the obligor, no hearing shall occur. Otherwise, a hearing shall be held and a determination made, within 30 days of the obligor's receipt of the advance notice of withholding, as to whether the asserted mistake of fact is valid. No withholding shall occur pending the hearing decision. The failure to hold a hearing within 30 days shall not invalidate an otherwise properly entered order. If it is determined that a mistake of fact exists, no withholding shall occur. Otherwise, within 45 days of the obligor's receipt of the advance notice of withholding, the obligee shall serve the payor, pursuant to G.S. 1A-1, Rule 4, Rules of Civil Procedure, with notice of his obligation to withhold, and shall mail a copy of such notice to the obligor and file a copy with the clerk. In the event of appeal, withholding shall not be stayed. If the appeal is concluded in favor of the obligor, the obligee shall

promptly repay sums wrongfully withheld and notify the payor to cease withholding.

(4) Uncontested withholding. If the obligor does not contest the withholding within the 10-day response period, the obligee shall serve the payor, pursuant to G.S. 1A-1, Rule 4, Rules of Civil Procedure, with notice of his obligation to withhold, and shall mail a copy of such notice to the obligor and file a copy with the clerk.

(5) Payment not a defense to withholding. The payment of overdue support shall not be a basis for terminating or not implementing withholding.

(6) Inability to implement withholding. When an obligor is subject to withholding, but withholding under this section cannot be implemented because the obligor's location is unknown, because the extent and source of his disposable income cannot be determined, or for any other reason, the obligee shall either request the clerk of superior court to initiate enforcement proceedings under G.S. 15A-1344.1(d) or G.S. 50-13.9(d) or take other appropriate available measures to enforce the support obligation.

(b) Immediate income withholding. When a new or modified child support order is entered, the district court judge shall, after hearing evidence regarding the obligor's disposable income, place the obligor under an order for immediate income withholding. The IV-D agency shall serve the payor pursuant to G.S. 1A-1, Rule 4, Rules of Civil Procedure, with a notice of his obligation to withhold, and shall mail a copy of such notice to the obligor and file a copy with the clerk. If information is unavailable regarding an obligor's disposable income, or the obligor is unemployed, or an agreement is reached between both parties which provides for an alternative arrangement, immediate income withholding shall not apply. The obligor, however, is subject to income withholding pursuant to G.S. 110-136.4(a).

(c) Subsequent payors. If the obligor changes employment or source of disposable income, notice to subsequent payors of their obligation to withhold shall be served as required by G.S. 1A-1, Rule 4, Rules of Civil Procedure. Copies of such notice shall be filed with the clerk of court and served upon the obligor by first class mail.

(d) Multiple withholdings. The obligor must notify the obligee if the obligor is currently subject to another withholding for child support. In the case of two or more withholdings against one obligor, the obligee or obligees shall attempt to resolve any conflict between the orders in a manner that is fair and equitable to all parties and within the limits specified by G.S. 110-136.6. If the conflict cannot be so resolved, an injured party, upon request, shall be granted a hearing in accordance with the procedure specified in G.S. 110-136.4(c). The conflict between the withholding orders shall be resolved in accordance with G.S. 110-136.7.

(e) Modification of withholding. When an order for withholding has been entered under this section, the obligee may modify the withholding based on changed circumstances. The obligee shall proceed as is provided in this section.

(f) Applicability of section. The provisions of this section apply to IV-D cases only. (1985 (Reg. Sess., 1986), c. 949, s. 2; 1989, c. 601, s. 3.)

§ 110-136.5. Implementation of withholding in non-IV-D cases.

(a) Withholding Based on Delinquent or Erratic Payments. Notwithstanding any other provision of law, when an obligor is delinquent in making child support payments or has been erratic in making child support payments, the obligee may apply to the court, by motion or in an independent action, for an order for income withholding.

(1) The motion or complaint shall be verified and state, to the extent known:

a. Whether the obligor is under a court order to provide child support and, if so, information sufficient to identify the order;
b. Either:
1.That the obligor is currently delinquent in making child support payments; or
2.That the obligor has been erratic in making child support payments;
c. The amount of overdue support and the total amount sought to be withheld;
d. The name of each child for whose benefit support is payable; and
e. The name, location, and mailing address of the payor or payors from whom withholding is sought and the amount of the obligor's monthly disposable income from each payor.

(2) The motion or complaint shall include or be accompanied by a notice to the obligor, stating:
a. That withholding, if implemented, will apply to the obligor's current payors and all subsequent payors; and
b. That withholding, if implemented, will be continued until terminated pursuant to G.S. 110-136.10.

At any time the parties may agree to income withholding by consent order.

(b) Withholding Based on Obligor's Request. The obligor may request at any time that income withholding be implemented. The request may be made either verbally in open court or by written request.

(1) A written request for withholding shall state:
a. That the obligor is under a court order to provide child support, and information sufficient to identify the order;
b. Whether the obligor is delinquent and the amount of any overdue support;
c. The name of each child for whose benefit support is payable;
d. The name, location, and mailing address of the payor or payors from whom the obligor receives disposable income and the amount of the obligor's monthly disposable income from each payor;
e. That the obligor understands that withholding, if implemented, will apply to the obligor's current payors and all subsequent payors and will be continued until terminated pursuant to G.S. 110-136.10; and
f. That the obligor understands that the amount withheld will include an amount sufficient to pay current child support, an additional amount toward liquidation of any arrearages, and a two dollar ($2.00) processing fee to be retained by the employer for each withholding, but that the total amount withheld may not exceed the following percent of disposable income:
Forty percent (40%) if there is only one order for withholding;
Forty-five percent (45%) if there is more than one order for withholding and the obligor is supporting other dependent children or his or her spouse; or
Fifty percent (50%) if there is more than one order for withholding and the obligor is not supporting other dependent children or a spouse.

(2) A written request for withholding shall be filed in the office of the clerk of superior court to which the obligor is directed to make child support payments. If the request states and the clerk verifies that the obligor is not delinquent, the court may enter an order for withholding without further notice or hearing. If the request states or the clerk finds that the obligor is delinquent, the matter shall be scheduled for hearing unless the obligor in writing waives his right to a hearing and consents to the entry of an order for withholding of an amount the court determines to be appropriate. The court may require a hearing in any case. Notice of any hearing under this subdivision shall be sent to the obligee.

(c) Order for withholding. If the district court judge finds after hearing evidence that the obligor, at the time of the filing of the motion or complaint was, or at the time of the hearing is, delinquent in child support payments or that the obligor has been erratic in making child support payments in accordance with G.S. 110-136.5(a), or that the obligor has requested that income withholding begin in accordance with G.S. 110-136.5(b), the court shall enter an order for income withholding, unless:

(1) The obligor proves a mistake of fact, except that G.S. 110-129(10)(a) is not applicable if withholding is based on the obligee's motion or independent action alleging that the obligor is delinquent or has been erratic in making child support payments; or

(2) The court finds that the child support obligation can be enforced and the child's right to receive support can be ensured without entry of an order for income withholding; or

(3) The court finds that the obligor has no disposable income subject to withholding or that withholding is not feasible for any other reason.

If the obligor fails to respond or appear, the court shall hear evidence and enter an order as provided herein.

(c1) Immediate income withholding. In non-IV-D cases in which a child support order is initially entered on or after January 1, 1994, an obligor is subject to income withholding immediately upon entry of the order, unless either of the following applies:

a. One of the parties demonstrates, and the court finds, that there is good cause not to require immediate income withholding.

b. A written agreement is reached between the parties that provides for an alternative arrangement.

The term "good cause" as used in this subsection includes a reasonable and workable plan for consistent and timely payments by some means other than income withholding. In considering whether a plan is reasonable, the court may consider the obligor's employment history and record of meeting financial obligations in a timely manner.

In entering an order for immediate income withholding under this subsection, the court shall follow the requirements and procedures as specified in other sections of this Article, including amount to be withheld, multiple withholdings, notice to payor, and termination of withholding.

(d) Notice to payor and obligor. If an order for income withholding is entered, a notice of obligation to withhold shall be served on the payor as required by G.S. 1A-1, Rule 4, Rules of Civil Procedure. Copies of such notice shall be filed with the clerk of court and served upon the obligor by first class mail.

(e) Modification of withholding. When an order for withholding has been entered under this section, any party may file a motion seeking modification of the withholding based on changed circumstances. The clerk or the court on its own motion may initiate a hearing for modification when it appears that modification of the withholding is required or appropriate. (1985 (Reg. Sess., 1986), c. 949, s. 2; 1987, c. 60; 1989, c. 601, s. 4; 1993, c. 517, s. 2.)

§110-136.6. Amount to be withheld.

(a) Computation of amount. When income withholding is implemented pursuant to this Article, the amount to be withheld shall include:

(1) An amount sufficient to pay current child support; and

(2) An additional amount toward liquidation of arrearages; and

(3) A processing fee of two dollars ($2.00) to cover the cost of withholding, to be retained by the payor for each withholding unless waived by the payor.

The amount withheld may also include court costs and attorneys fees as may be awarded by the court in non-IV-D cases and as may be awarded by the court in IV-D cases pursuant to G.S. 110-130.1.

(b) Limits on amount withheld. Withholding for current support, arrearages, processing fees, court costs, and attorneys fees shall not exceed forty percent (40%) of the obligor's disposable income for one pay period from the payor when there is one order of withholding. The sum of multiple withholdings, for current support, arrearages, processing fees, court costs, and attorneys fees shall not exceed:

(1) Forty-five percent (45%) of disposable income for one pay period from the payor in the case of an obligor who is supporting his spouse or other dependent children; or

(2) Fifty percent (50%) of disposable income for one pay period from the payor in the case of an obligor who is not supporting a spouse or other dependent children.

(c) Contents of order and notice. An order or advance notice for withholding and any notice to a payor of his obligation to withhold shall state a specific monetary amount to be withheld and the amount of disposable income from the applicable payor on which the amount to be withheld was determined. The notice shall clearly indicate that in no event shall the amount withheld exceed the appropriate percentage of disposable income paid by a payor as provided in subsection (b). (1985 (Reg. Sess., 1986), c. 949, s. 2.)

§110-136.7. Multiple withholding.

When an obligor is subject to more than one withholding for child support, withholding for current child support shall have priority over past-due support. Where two or more orders for current support exist, each family shall receive a pro rata share of the total amount withheld based on the respective child support orders being enforced. (1985 (Reg. Sess., 1986), c. 949, s. 2.)

§ 110-136.8. Notice to payor; payor's responsibilities.

(a) Contents of notice. Notice to a payor of his obligation to withhold shall include information regarding the payor's rights and responsibilities, the amount of disposable income attributable to that payor on which that withholding is based, the penalties under this section, and the maximum percentages of disposable income that may be withheld as provided in G.S. 110-136.6.

(b) Payor's responsibilities. A payor who has been properly served with a notice to withhold is required to:

(1) Withhold from the obligor's disposable income and, within 10 days of the date the obligor is paid, send to the clerk of superior court specified in the notice, the amount specified in the notice and the date the amount was withheld, but in no event more than the amount allowed by G.S. 110-136.6; however, if a lesser amount of disposable income is available for any pay period, the payor shall either: (a) compute and send the appropriate amount to the clerk of court, using the percentages as provided in G.S. 110-136.6, or (b) request the

initiating party to inform the payor of the proper amount to be withheld for that period;

(2) Continue withholding until further notice from the IV-D agency or the clerk of superior court;

(3) Withhold for child support before withholding pursuant to any other legal process under State law against the same disposable income;

(4) Begin withholding from the first payment due the obligor in the first pay period that occurs 14 days following the date the notice of the obligation to withhold was served on the payor;

(5) Promptly notify the obligee in a IV-D case, or the clerk of superior court in a non-IV-D case, in writing:

a. If there is more than one child support withholding for the obligor;

b. When the obligor terminates employment or otherwise ceases to be entitled to disposable income from the payor, and provide the obligor's last known address, and the name and address of his new employer, if known;

c. Of the payor's inability to comply with the withholding for any reason; and

(6) Cooperate fully with the initiating party in the verification of the amount of the obligor's disposable income.

(c) Change in obligor's employment. If the obligor changes employment within the State when withholding is in effect, the requirement for withholding shall continue, and

(1) In a IV-D case, the IV-D obligee shall make any necessary adjustments to the withholding, notify the obligor and his new employer in accordance with this section, and file a copy of the adjusted withholding with the clerk of superior court;

(2) In a non-IV-D case, the clerk shall serve a notice of obligation to withhold according to the terms of the withholding order on the new employer and on the obligor; if the obligor or payor gives notice that an adjustment to the withholding order, other than the change in payor, is needed, the matter shall be scheduled for hearing before a child support hearing officer or district court judge who shall make any necessary adjustments to the withholding.

(d) The payor may combine amounts withheld from obligors' disposable incomes in a single payment to each clerk of superior court if the payor separately identifies by name and case number the portion of the single payment attributable to each individual obligor and the date that each payment was withheld from the obligor's disposable income.

(e) Prohibited conduct by payor; civil penalty. Notwithstanding any other provision of law, when a court finds, pursuant to a motion in the cause filed by the initiating party joining the payor as a third party defendant, with 30 days notice to answer the motion, that a payor has willfully refused to comply with the provisions of this section, such payor shall be ordered to commence withholding and shall be held liable to the initiating party for any amount which such payor should have withheld, except that such payor shall not be required to vary the normal pay or disbursement cycles in order to comply with these provisions.

A payor shall not discharge from employment, refuse to employ, or otherwise take disciplinary action against any obligor solely because of the withholding. When a court finds that a payor has taken any of these actions, the payor shall be liable for a civil penalty to be paid to the county school fund. For a first offense, the civil penalty shall be one hundred dollars ($100.00). For second and third offenses, the civil penalty shall

be five hundred dollars ($500.00) and one thousand dollars ($1,000), respectively. Any payor who violates any provision of this paragraph shall be liable in a civil action for reasonable damages suffered by an obligor as a result of the violation, and an obligor discharged or demoted in violation of this paragraph shall be entitled to be reinstated to his former position. The statute of limitations for actions under this subsection shall be one year pursuant to G.S. 1-54.

(f) Any payor who withholds the sum provided in any notice or order to the payor shall not be liable for any penalties under this section. (1985 (Reg. Sess., 1986), c. 949, s. 2; 1987, c. 589, s. 2; 1991, c. 541, ss. 1, 2.)

§110-136.9. Payment of withheld funds.

In IV-D cases, when required by federal or State law or regulations or by court order, the clerk of superior court shall transmit payments received from payors to the Department of Human Resources for appropriate distribution. In all other cases, unless a court order requires otherwise, the clerk of superior court shall transmit the payments to the custodial parent. (1985 (Reg. Sess., 1986), c. 949, s. 2.)

§110-136.10. Termination of withholding.

A requirement that income be withheld for child support shall promptly terminate as to prospective payments when the payor receives notice from the court or IV-D agency that:

(1) The child support order has expired or become invalid; or

(2) The initiating party, the obligor, and the district court judge agree to termination because there is another adequate means to collect child support or arrearages; or

(3) The whereabouts of the child and obligee are unknown, except that withholding shall not be terminated until all valid arrearages to the State are paid in full. (1985 (Reg. Sess., 1986), c. 949, s. 2.)

§110-137. Acceptance of public assistance constitutes assignment of support rights to the State or county.

By accepting public assistance for or on behalf of a dependent child or children, the recipient shall be deemed to have made an assignment to the State or to the county from which such assistance was received of the right to any child support owed for the child or children up to the amount of public assistance paid. The State or county shall be subrogated to the right of the child or children or the person having custody to initiate a support action under this Article and to recover any payments ordered by the court of this or any other state. (1975, c. 827, s. 1; 1977, 2nd Sess., c. 1186, s. 13.)

§110-138. Duty of county to obtain support.

Whenever a county department of social services receives an application for public assistance on behalf of a dependent child, and it shall appear to the satisfaction of the county department that the child has been abandoned by one or both responsible parents, or that the responsible parent(s) has failed to provide support for the child, the county department shall without delay notify the designated representative who shall take appropriate action under this Article to provide that the parent(s) responsible supports the child. (1975, c. 827, s. 1; 1977, 2nd Sess., c. 1186, s. 14.)

§110-138.1. Duty of judicial officials to assist in obtaining support.

Any party to whom child support has been ordered to be paid, and who has failed to receive the ordered support payments for two consecutive months, may make application to a magistrate for issuance of criminal process against the responsible parent for violation of G.S. 14-322. If the magistrate determines that the applicant has

failed to receive the ordered support for two consecutive months, and that the responsible parent has willfully neglected or refused to make such payments, he shall make a finding of probable cause and issue criminal process for violation of G.S. 14-322. It shall be the duty of the District Attorney to prosecute such charges according to law. It shall be the duty of the Clerk of Superior Court to assist the applicant in making such application to the magistrate for the issuance of criminal process, and to supply such necessary child support records as are in his possession to the magistrate, District Attorney, and the Court. (1981, c. 613, s. 4.)

§ 110-139. Location of absent parents.

(a) The Department of Human Resources shall attempt to locate absent parents for the purpose of establishing paternity of and/or securing support for dependent children. The Department is to serve as a registry for the receipt of information which directly relates to the identity or location of absent parents, to assist any governmental agency or department in locating an absent parent, to answer interstate inquiries concerning deserting parents, and to develop guidelines for coordinating activities with any governmental department, board, commission, bureau or agency in providing information necessary for the location of absent parents.

(b) In order to carry out the responsibilities imposed under this Article, the Department may request from any governmental department, board, commission, bureau or agency information and assistance. All State, county and city agencies, officers and employees shall cooperate with the Department in the location of parents who have abandoned and deserted children with all pertinent information relative to the location, income and property of such parents, notwithstanding any provision of law making such information confidential. All nonjudicial records maintained by the Department pertaining to child-support enforcement shall be confidential, and only duly authorized representatives of social service agencies, public officials with child-support enforcement and related duties, and members of legislative committees shall have access to these records.

(c) Notwithstanding any other provision of law making such information confidential, an employer doing business in this State or incorporated under the laws of this State shall provide the Department with the following information upon certification by the Department that the information is needed to locate a parent for the purpose of collecting child support or to enforce an order for child support: full name, social security account number, date of birth, home address, wages, existing or available medical, hospital, and dental insurance coverage, and number of dependents listed for tax purposes.

(d) Notwithstanding any other provision of law making this information confidential, including Chapter 53B of the General Statutes, any utility company or financial institution, including federal, State, commercial, or savings banks, savings and loan associations and cooperative banks, federal or State chartered credit unions, benefit associations, insurance companies, safe deposit companies, money market mutual funds, and investment companies doing business in this State or incorporated under the laws of this State shall provide the Department of Human Resources with the following information upon certification by the Department that the information is needed to locate a parent for the purpose of collecting child support or to establish or enforce an order for child support: full name, social security number, address, telephone number, account numbers, and other identifying data for any person who maintains an account at the utility company or financial institution. A utility company or financial institution that discloses information pursuant to this subsection in good faith reliance upon certification by the Department is not liable for damages resulting from the disclosure.

(e) Subsection (d) of this section shall not apply to telecommunication utilities or providers of electronic communication service to the general public. (1975, c. 827, s.

1; 1977, 2nd Sess., c. 1186, s. 15; 1987, c. 591; 1991, c. 419, s. 1; 1995, c. 538, s. 4.)

§110-139.1. Access to federal parent locator service; parental kidnapping and child custody cases.

(a) The parent locator service of the Department of Human Resources shall transmit, upon payment of the fee prescribed by federal law, requests for information as to the whereabouts of any absent parent or child to the federal parental locator service when such requests are made by judges, clerks of superior court, district attorneys, or United States attorneys, and when the information is to be used to locate the parent or child for the purpose of enforcing State or federal law with respect to the unlawful taking or restraint of a child or making or enforcing a child custody determination.

(b) For the purpose of this section, custody determination means a judgment, decree, or other order of the court providing for the custody or visitation of a child and includes permanent or temporary orders, and initial orders and modifications.

(c) All nonjudicial records maintained by the Department pertaining to the unlawful taking or restraint of a child or child custody determinations shall be confidential, and only individuals directly connected with the administration of the child support enforcement program and those authorized herein shall have access to these records. (1983, c. 15, s. 1.)

§110-140. Conformity with federal requirements.

Nothing in this Article is intended to conflict with any provision of federal law or to result in the loss of federal funds. (1975, c. 827, s. 1.)

§110-141. Effectuation of intent of Article.

The North Carolina Department of Human Resources shall supervise the administration of this program in accordance with federal law and shall cause the provisions of this Article to be effectuated and to secure child support from absent, deserting, abandoning and nonsupporting parents.

Effective July 1, 1986, the entity, whether the board of county commissioners or the Department of Human Resources, that is administering, or providing for the administration of, this program in each county on June 30, 1986, shall continue to administer, or provide for the administration of, this program in that county, with one exception. If a county program is being administered by the Department of Human Resources on June 30, 1986, and if the board of county commissioners of this county desires on or after that date to assume responsibility for the administration of the program, the board of county commissioners shall notify the Department of Human Resources between July 1 and September 1 of the current fiscal year. The obligations of the board of county commissioners to assume responsibility for the administration of the program shall not commence prior to July 1 of the subsequent fiscal year. Until that time, it is the responsibility of the Department of Human Resources to administer or provide for the administration of the program in the county.

A county may negotiate alternative arrangements to the procedure outlined in G.S. 110-130 for designating a local person or agency to administer the provisions of this Article in that county. (1975, c. 827, s. 1; 1977, 2nd Sess., c. 1186, s. 16; 1979, c. 488; 1983 (Reg. Sess., 1984), c. 1034, s. 76; 1985, c. 244; c. 479, s. 103; 1985 (Reg. Sess., 1986), c. 1014, s. 129.)

§ 110-142. Definitions; suspension and revocation of occupational, professional, or business licenses of obligors who are delinquent in court-ordered child support or subject to outstanding warrants for failure to appear for failure to comply with the terms of a court order for child support.

The definitions in G.S. 110-129 and G.S. 147-54.12 apply to this section and G.S. 110-142.1, and G.S. 110-142.2. In addition, to these sections the following definitions apply:

(1) "Applicant" means any person applying for issuance or renewal of a license.

(2) "Board" means any department, division, agency, officer, board, or other unit of State government that issues licenses.

(3) "Certified list" means a list provided by the designated representative to the Department of Human Resources that verifies, under penalty of perjury, that the names contained therein are obligors who have been found to be out of compliance with a judgment or order for support in a IV-D case.

(4) "Compliance with an order for support" means that, as set forth in a judgment or order for child support or family support, the obligor is no more than 90 calendar days in arrears in making payments for current support, in making periodic payments on a support arrearage, or in making periodic payments on a reimbursement for public assistance, has obtained a judicial finding that precludes enforcement of the order, or has entered into a payment schedule, including G.S. 110-142.1(h), for the child support arrearage with the approval of the obligee in a IV-D case.

(5) "License" means (i) for the purposes of G.S. 110-142.1, a license, certificate, permit, registration, or any other authorization issued by a board that allows a person to engage in a business, occupation, or profession or (ii) for the purposes of G.S. 110-142.2, a license to operate a regular or commercial motor vehicle, or to participate in hunting, fishing, or trapping.

(6) "Licensee" means any person holding a license.

(7) "Obligor" means the individual who owes a duty to make child support payments under a court order. (1995, c. 538, s. 1.4.)

§ 110-142.1. IV-D notified suspension, revocation, and issuance of occupational, professional, or business licenses of obligors who are delinquent in court-ordered child support or subject to outstanding warrants for failure to appear for failure to comply with the terms of a court order for child support.

(a) Effective July 1, 1996, the Department of Human Resources may notify any board that a person licensed by that board is not in compliance with an order for child support.

(b) The designated representative shall maintain a list of those obligors included in a IV-D case for which a child support order has been rendered by, or registered in, a court of this State, and who are not in compliance with that order. The designated representative shall submit a certified list with the names, social security numbers, and last known address of these obligors and the name, address, and telephone number of the person who certified the list to the Department of Human Resources, Division of Social Services, Child Support Enforcement Office. The designated representative shall verify, under penalty of perjury, that the obligors listed are subject to an order for the payment of support and that these persons are not in compliance with the order. An updated certified list shall be submitted to the Department on a monthly basis.

The Department of Human Resources, Division of Social Services, Child Support Enforcement Office, shall consolidate the certified lists received from the designated representatives and, within 30 calendar days of receipt, shall furnish each board with a certified list of its obligors, as specified in this section.

(c) Each board shall coordinate with the Department of Human Resources, Division of Social Services, Child Support Enforcement Office, in the development of forms and procedures to implement this section.

(d) Promptly after receiving the certified list of obligors from the Department of Human Resources, each board shall determine whether its applicant or licensee is an obligor on the list. If the applicant or licensee is an obligor on the list, the board shall immediately send notice as specified in this subsection to the applicant or licensee of the board's intent to revoke or suspend the licensee's license in 20 days from the date of the notice, or that the board is withholding issuance or renewal of an applicant's license, until the designated representative certifies that the applicant or licensee is entitled to be licensed or reinstated. The notice shall be made personally or by certified mail to the obligor's last known mailing address on file with the board.

(e) Unless notified by the designated representative as provided in subsection (h) of this section, the board shall revoke or suspend the obligor's license 20 days from the date of the notice to the obligor of the board's intent to revoke or suspend the license. In the event that a license is revoked or application is denied pursuant to this section, the board is not required to refund fees paid by the obligor.

(f) Notices shall be developed by each board in accordance with guidelines provided by the Department of Human Resources and shall be subject to the approval of the Department of Human Resources. The notice shall include the address and telephone number of the designated representative who submitted the name on the certified list, and shall emphasize the necessity of obtaining a certification of compliance from the designated representative or the child support enforcement agency as a condition of issuance, renewal, or reinstatement of the license. The notice shall inform the obligor that if a license is revoked or application is denied pursuant to this subsection, the board is not required to refund fees paid by the obligor. The Department of Human Resources shall also develop a form that the obligor shall use to request a review by the designated representative. A copy of this form shall be included with every notice sent pursuant to subsection (d) of this section.

(g) The Department of Human Resources shall establish review procedures consistent with this section to allow an obligor to have the underlying arrearage and any relevant defenses investigated, to provide an obligor information on the process of obtaining a modification of a support order, or, if the circumstances so warrant, to provide an obligor assistance in the establishment of a payment schedule on arrears.

(h) If the obligor wishes to challenge the submission of the obligor's name on the certified list or negotiate a payment schedule, the obligor shall within 14 days of the date of notice from the board request a review from the designated representative. The designated representative shall within six days of the date of the obligor's request for review notify the appropriate board of the obligor's request for review and direct the board to stay any action revoking or suspending the obligor's license until further notice from the designated representative. The designated representative shall review the obligor's case and inform the obligor in writing of the representative's findings and decision upon completion of the review. The designated representative shall immediately send a notice to the appropriate board certifying the obligor's compliance with this section if the obligor is found to be no longer in arrears or negotiates an agreement with the designated representative for a payment schedule on arrears or reimbursement. The agreement shall also provide for the maintenance of current support obligations and shall be incorporated into a consent order to be entered by the court. If the obligor fails to meet the conditions of this subsection, the designated

representative shall notify the appropriate board to immediately revoke or suspend the obligor's license. Upon receipt of notice from the designated representative, the board shall immediately revoke or suspend the obligor's license.

(i) The designated representative shall notify the obligor in writing that the obligor may, by filing a motion, request any or all of the following:

(1) Judicial review of the designated representative's decision.

(2) A judicial determination of compliance.

(3) A modification of the support order.

The notice shall also contain the name and address of the court in which the obligor shall file the motion and inform the obligor that the obligor's name shall remain on the certified list unless the judicial review results in a finding by the court that the obligor is no longer in arrears or that the obligor's license should be reinstated under subsection (k) of this section. The notice shall also inform the obligor that the obligor must comply with all statutes and rules of court regarding motions and notices of hearing and that any motion filed under this section is subject to the limitations of G.S. 50-13.10.

(j) The motion for judicial review of the designated representative's decision shall state the grounds for which review is requested and judicial review shall be limited to those stated grounds. After service of the request for review, the court shall hold an evidentiary hearing at the next regularly scheduled session for the hearing of child support matters in civil district court. The request for judicial review shall be served by the obligor upon the designated representative who submitted the obligor's name on the certified list within seven calendar days of the filing of the motion.

(k) If the judicial review results in a finding by the court that the obligor is no longer in arrears or that the obligor's license should be reinstated to allow the obligor an opportunity to comply with a payment schedule on arrears or reimbursement and current support obligations, the designated representative shall immediately send a notice to the appropriate board certifying the obligor's compliance with this section. In the event of appeal from the judicial review, the license revocation shall not be stayed unless the court specifically provides otherwise.

(l) The Department of Human Resources shall prescribe forms for use by the designated representative. When the obligor is no longer in arrears or negotiates an agreement with the designated representative for a payment schedule on arrears or reimbursement as provided in subsection (h) of this section, the designated representative shall mail to the obligor and the appropriate board a notice certifying that the obligor is in compliance. The receipt of certification shall serve to notify the obligor and the board that, for the purposes of this section, the obligor is in compliance with the order for support.

(m) The Department of Human Resources may enter into interagency agreements with the boards necessary to implement this section.

(n) The procedures specified in Articles 3 and 3A of Chapter 150B of the General Statutes, the Administrative Procedure Act, shall not apply to the denial or failure to issue or renew a license pursuant to this section.

(o) Any board receiving an inquiry as to the licensed status of an applicant or licensee who has had a license denied or revoked under this section shall respond only that the license was denied or revoked pursuant to this section. Information collected pursuant to this section shall be confidential and shall not be disclosed except in accordance with the laws of this State.

(p) If any provision of this section or its application to any person or circumstance is held invalid, that invalidity shall not affect other provisions or applications of this section that can be given effect without the invalid provision or application, and to this end the provisions of this section are severable. (1995, c. 538, s. 1.4.)

§ 110-142.2. Suspension, revocation, restriction of license to operate a motor vehicle or hunting, fishing, or trapping licenses; refusal of registration of motor vehicle.

(a) Effective December 1, 1996, notwithstanding any other provision of law, when an obligor is at least 90 days in arrears in making child support payments, the child support enforcement agency may apply to the court, pursuant to the regular show cause and contempt provisions of G.S. 50-13.9(d), for an order doing any of the following:

(1) Revoking the obligor's regular or commercial license to operate a motor vehicle;
(2) Revoking the obligor's hunting, fishing, or trapping licenses;
(3) Directing the Department of Transportation, Division of Motor Vehicles, to refuse, pursuant to G.S. 20-50.4, to register the obligor's motor vehicle.

(b) Upon finding that the obligor has willfully failed to comply with the child support order, and that the obligor is at least 90 days in arrears, the court may enter an order instituting the sanctions as provided in subsection (a) of this section. The court may stay the effectiveness of the sanctions upon conditions requiring the obligor to make full payment of the delinquency over time. Any such stay shall also be conditioned upon the obligor's maintenance of current child support. Upon entry of an order pursuant to this section that is not stayed, the obligor shall surrender any licenses revoked by the court's order to the child support enforcement agency and the agency shall forward a report to the appropriate licensing authority within 30 days of the order.

(c) If the obligor's regular or commercial drivers license is revoked under this section and the court, after the hearing, makes a finding that a license to operate a motor vehicle is necessary to the obligor's livelihood, the court may issue a limited driving privilege, with those terms and conditions applying as the court shall prescribe. An obligor whose license has been revoked for reasons not related to this section and whose license remains revoked at the time of the hearing shall not be eligible and may not be issued a limited driving privilege. The court may modify or revoke the limited driving privilege pursuant to G.S. 20-179.3(i).

(d) An obligor may file a request with the child support enforcement agency for certification that the obligor is no longer delinquent in child support payments upon submission of proof satisfactory to the child support enforcement agency that the obligor has paid the delinquent amount in full. The child support enforcement agency shall provide a form to be used by the obligor for a request for certification. If the child support enforcement agency finds that the obligor has met the requirements for reinstatement under this subsection, then the child support enforcement agency shall certify that the obligor is no longer delinquent and shall provide a copy of the certification to the obligor.

(e) If licensing privileges are revoked under this section, the obligor may petition the district court for a reinstatement of such privileges. The court may order the privileges reinstated conditioned upon full payment of the delinquency over time. Any order allowing license reinstatement shall additionally require the obligor's maintenance of current child support. Upon reinstatement under this subsection, the child support enforcement agency shall certify that the obligor is no longer delinquent and shall provide a copy of the certification to the obligor.

(f) Upon receipt of certification under subsection (d) or (e) of this section, the Division of Motor Vehicles shall reinstate the license to operate a motor vehicle in accordance with G.S. 20-24.1, and remove any restriction of the obligor's motor vehicle registration.

(g) Upon receipt of certification under subsection (d) or (e) of this section, the licensing board having jurisdiction over the obligor's hunting, fishing, or trapping license shall reinstate the license.

(h) If the court imposes sanctions under subdivision (3) of subsection (a) of this section and the sanctions are stayed upon conditions as provided in subsection (b) of this section, the child support enforcement agency may, without any further application to the court, notify the Division of Motor Vehicles if the obligor violates the terms and conditions of the stay. The Division shall then take such action as provided in subdivision (3) of subsection (a) of this section. The Division shall not remove any restriction of the obligor's motor vehicle registration, until receipt of certification pursuant to subsection (d) or (e) of this section.

(i) The Department of Human Resources, the Administrative Office of the Courts, the Division of Motor Vehicles, and the Department of Environment, Health, and Natural Resources shall work together to develop the forms and procedures necessary for the implementation of this process. (1995, c. 538, s. 1.4.)

"(B) terminate such assistance,

subject to such good cause and other exceptions as the State may establish.

MEMORANDUM

TO: Senator Roy Cooper, Chair, Senate Judiciary Committee

FROM: Brenda J. Carter, Committee Counsel

RE: **HOUSE BILL 652 - AUDITS**
Proposed Committee Substitute
Representative Sherrill

Subcommittee Recommendation: Favorable to Committee Substitute. The subcommittee recommends that the offense be classified as a Class 2 misdemeanor, rather than a Class I felony as proposed in the House version of the bill. The subcommittee considered the fact that the language in the new statute parallels the language in G.S. 14-225 (False Reports to Law Enforcement Agencies or Officers), which is a Class 2 misdemeanor. The subcommittee determined that the offense created by the bill is in fact comparable to hindering a police investigation, and is not comparable to existing felony perjury offenses which involve false statements made under oath or affirmation. A copy of the fiscal note for the original bill is attached. Also attached to this memorandum is a sampling of statutes relating to various offenses of false reporting and perjury.

The proposed committee substitute for House Bill 652 makes it a Class 2 misdemeanor to make a false report for the purpose of interfering with an audit or investigation or to otherwise hinder or obstruct the State Auditor or his designated representatives in the performance of their duties. A Class 2 misdemeanor, assuming no prior convictions, is punishable by 1-30 days community punishment and/or a fine up to $1,000.

This act becomes effective when it becomes law.

Rev[illegible] new GS 147-64.7.1 to make obstruction of audit a class I felony (was, a class 3 misdemeanor). [1]

ASSUMPTIONS AND METHODOLOGY:

Judicial Branch

The Judicial Branch does not anticipate this bill to have a fiscal impact on the court system. The Administrative Office of the Courts' Court Information System has no offense code for the obstruction of audits. This is one indicator of the probable infrequency of cases of this nature. The court system can handle, within existing resources, any additional cases that may arise out of this bill.

Department of Correction

The Sentencing and Policy Advisory Commission does not expect this bill to have any impact on the state prison system. Considering the Judicial Branch's analysis, the Sentencing Commission notes they can absorb any new convictions within existing Department of Correction resources.

ESTIMATED ADDITIONAL PRISON INMATES

Because this bill establishes a new felony offense, there is no historical conviction data available from which to estimate its impact. However, best estimates indicate that if there are 20 convictions each year for this offense, it could increase prison populations by one inmate per year; if there are 40 convictions each year for this offense, it could increase prison populations by two inmates per year.

MEMORANDUM

TO: Senator Roy Cooper, Chair, Senate Judiciary Committee

FROM: Brenda J. Carter, Committee Counsel

RE: **HOUSE BILL 1132 - DATE RAPE DRUGS**
Proposed Committee Substitute
Representative Bob Hunter

Subcommittee Recommendation: Favorable to Committee Substitute. The subcommittee accepted the provisions of a proposed committee substitute offered by the bill sponsor that would add the drug GHB to the list of Schedule IV controlled substances. The subcommittee rejected a proposal which would make it a Class 3 misdemeanor to knowingly misrepresent to another person that a beverage containing alcohol was nonalcoholic (i.e. "spiking" punch). A copy of the fiscal note is attached.

Section 1 adds Gamma Hydroxybutyric Acid (GHB) to the list of Schedule IV Controlled Substances. GHB is not approved in the U.S. and has been banned from over-the-counter sale by the FDA. Reportedly, small doses of GHB produce relaxation, tranquillity and drowsiness which make it extremely easy to fall asleep. Higher doses increase the drowsiness effect and decrease the time it takes to fall asleep. A sufficiently large dose of GHB will induce sudden sleep within five to ten minutes. GHB has not yet been scheduled as a controlled substance by the DEA, and therefore simple possession is not illegal. Classifying GHB as Schedule IV makes it a Class I felony to manufacture, sell or deliver, or possess with intent to manufacture, sell or deliver the drug. It also makes simple possession a Class 1 misdemeanor.

Section 2 adds a new section to Chapter 14, making it a criminal offense to knowingly contaminate food or drink with any substance that would render a person mentally incapacitated or physically helpless with the intent of causing another person to be mentally incapacitated or physically helpless. The bill also makes it unlawful to manufacture, sell, deliver, or possess with intent to manufacture, sell or deliver such a substance for the aforementioned purpose.

AN EQUAL OPPORTUNITY/AFFIRMATIVE ACTION EMPLOYER

Violation of this section is a Class H felony, which, at prior record level I, has a presumptive sentence of 5-6 months community, intermediate or active punishment. However, if the offender violates this section with the intent of committing second degree rape or second degree sexual offense, the violation is a Class G felony, with a sentence of 10-13 months of intermediate or active punishment.

This act becomes effective December 1, 1997, and applies to offenses committed on or after that date.

Also makes it unlawful to manufacture, sell, deliver, or possess with the intent to manufacture, sell, or deliver, a controlled substance, chemical compound, or foreign substance for purpose of rendering person mentally incapacitated or physically helpless. Violation is a class H felony, or a class G felony if person violates section with intent of committing second-degree rape or second-degree sexual offense.

ASSUMPTIONS AND METHODOLOGY:

Because this bill establishes a new category of offense, there is no information available to predict the frequency of the crime. Without any historical information, neither the Judicial Branch nor the Sentencing Commission can predict the number of charges, convictions or inmates that might result.

The penalties that would apply for any convictions are as follows: Class G felonies are eligible for intermediate or active punishments for prior record levels I-IV and have required active sentences for levels V and VI. The length of sentence ranges from 10-13 months at level I to 23-29 months at level VI.

[illegible] H felons are eligible for community/intermediate/active sentences at level I, for intermediate/active at [illegible]s II-V and for active sentences at level VI. The length of sentence ranges from 5-6 months at level I to 16-20 months at level VI.

MEMORANDUM

TO: Senator Roy Cooper, Chair, Senate Judiciary Committee

FROM: O. Walker Reagan, Committee Co-Counsel

RE: **HOUSE BILL 1087 - MOTORIZED ALL TERRAIN VEHICLE TRESPASS -** Representative Baker

House Bill 1087 would create the offense of trespass by the unauthorized operation of a motorized all terrain vehicle on the property of another.

The bill would make it a Class 1 misdemeanor to operate a motorized all terrain vehicle in three different places without the consent of the owner:

1. Any private property not owned by the operator.
2. Within the banks of a stream or waterway where the adjacent lands are not owned by the operator, or outside the restrictions imposed by the owner.
3. Within 25 feet of the banks of any stream, waterway, lake or pond where the adjacent lands are not owned by the operator.

A motorized all terrain vehicle is defined as a two-, three-, or four-wheeled vehicle designed for recreational off-road use.

Under this bill this form of trespass could be punished more severely than first degree trespass (entering the building or premises of another enclosed or secured as to state intent to keep out intruders without permission - G.S. 14-159.12 (attached)), which is a Class 2 misdemeanor; second degree trespass (entering the premises of another without permission when notified not to or when the premises are posted - G.S. 14-159.13 (attached)), which is a Class 3 misdemeanor; or operating a motor vehicle on utility easements after being forbidden to do so (G.S. 14-134.2), which is a Class 3 misdemeanor. Operation of a motorized all terrain vehicle without consent on a posted utility easement will be punished as a Class 3 misdemeanor, not a Class 1 misdemeanor, because G.S. 14-134.2 would be a lesser included offense of this new statute. If operation of a motorized all terrain vehicle would result in injury or damage to the property of another, the punishment would be consistent with the punishment for

willful and wanton injury to real property (G.S. 14-127), and injury to trees, crops, lands, etc. of another (G.S. 14-128), which are both punished as Class 1 misdemeanors.

The bill would become effective December 1, 1997 and would apply to acts committed on or after that date.

§ 14-159.12. First degree trespass.

(a) Offense. - A person commits the offense of first degree trespass if, without authorization, he enters or remains:

(1) On premises of another so enclosed or secured as to demonstrate clearly an intent to keep out intruders; or

(2) In a building of another.

(b) Classification. - First degree trespass is a Class 2 misdemeanor.

§ 14-159.13. Second degree trespass.

(a) Offense. - A person commits the offense of second degree trespass if, without authorization, he enters or remains on premises of another:

(1) After he has been notified not to enter or remain there by the owner, by a person in charge of the premises, by a lawful occupant, or by another authorized person; or

(2) That are posted, in a manner reasonably likely to come to the attention of intruders, with notice not to enter the premises.

(b) Classification. - Second degree trespass is a Class 3 misdemeanor.

§ 14-134.2. Operating motor vehicle upon utility easements after being forbidden to do so.

If any person, without permission, shall ride, drive or operate a minibike, motorbike, motorcycle, jeep, dune buggy, automobile, truck or any other motor vehicle upon a utility easement upon which the owner or holder of the easement or agent of the owner or holder of the easement has posted on the easement a "no trespassing" sign or has otherwise given oral or written notice to the person not to so ride, drive or operate such a vehicle upon the said easement, he shall be guilty of a Class 3 misdemeanor, provided, however, neither the owner of the property nor the holder of the easement or their agents, employees, guests, invitees or permittees shall be guilty of a violation under this section.

§ 14-127. Willful and wanton injury to real property.

If any person shall willfully and wantonly damage, injure or destroy any real property whatsoever, either of a public or private nature, he shall be guilty of a Class 1 misdemeanor.

§ 14-128. Injury to trees, crops, lands, etc., of another.

Any person, not being on his own lands, who shall without the consent of the owner thereof, willfully commit any damage, injury, or spoliation to or upon any tree, wood, underwood, timber, garden, crops, vegetables, plants, lands, springs, or any other matter or thing growing or being thereon, or who cuts, breaks, injures, or removes any tree, plant, or flower, shall be guilty of a Class 1 misdemeanor: Provided, however, that this section shall not apply to the officers, agents, and employees of the Department of Transportation while in the discharge of their duties within the right-of-way or easement of the Department of Transportation.

AN ACT TO AMEND THE GENERAL STATUTES PERTAINING TO CHILD SUPPORT ENFORCEMENT IN ORDER TO ENHANCE CHILD SUPPORT ENFORCEMENT AND PATERNITY ESTABLISHMENT IN CONFORMANCE WITH FEDERAL WELFARE REFORM REQUIREMENTS.

The General Assembly of North Carolina enacts:

PART 1. STATE DIRECTORY OF NEW HIRES.

Section 1. Effective October 1, 1997, Article 1 of Chapter 110 of the General Statutes is amended by adding the following new section to read:

"**§ 110-129.2. State Directory of New Hires established; employers required to report; civil penalties for noncompliance; definitions.**

(a) Directory Established. -- There is established the State Directory of New Hires. The Directory shall be developed and maintained by the Department. The Directory shall be a central repository for employment information to assist in the location of persons owing child support, and in the establishment and enforcement of child support orders.

(b) Employer Reporting. -- Every employer in this State shall report to the Directory the hiring of every employee for whom a federal W-4 form is required to be completed by the employee at the time of hiring. The employer shall report the information required under this section not later than 20 days from the date of hire, or, in the case of an employer who transmits new hire reports magnetically or

electronically by two monthly transmissions, not less than 12 nor more than 16 days apart. The Department shall notify employers of the information they must report under this section and of the penalties for not reporting the required information. The required forms must be provided by the Department to employers.

(c) Report Contents. -- Each report required by this section shall contain the name, address, and social security number of the employee, and the name and address of the employer and the employer's identifying number assigned under section 6109 of the Internal Revenue Code of 1986 and the employer's State employer identification number. Reports shall be made on the W-4 form or, at the option of the employer, an equivalent form, and may be transmitted magnetically, electronically, or by first-class mail.

(d) Penalties for Failure to Report. -- Upon a finding that an employer has failed to comply with the reporting requirements of this section, the district court shall impose a civil penalty in an amount not to exceed twenty-five dollars ($25.00). If the court finds that an employer's failure to comply with the reporting requirements is the result of a conspiracy between the employer and the employee to not supply the required report or to supply a false or incomplete report, then the court shall impose upon the employer a civil penalty in an amount not to exceed five hundred dollars ($500.00). Penalties collected under this subsection shall be deposited to the General Fund.

(e) Entry of Report Data Into Directory. -- Within five business days of receipt of the report from the employer, the Department shall enter the information from the report into the Directory.

(f) Notice to Employer to Withhold. -- Within two business days of the date the information was entered into the Directory, the Department or its designated representative as defined under G.S. 110-129(5) shall transmit notice to the employer of the newly hired employee directing the employer to withhold from the income of the employee an amount equal to the monthly or other periodic child support obligation, including any past-due support obligation of the employee and subject to the limitations of G.S. 110-136.6, unless the employee's income is not subject to withholding.

(g) Other Uses of Directory Information. -- The Employment Security Commission may access information entered into the Directory from employer reports for the purpose of administering employment security programs. The North Carolina Industrial Commission may access information entered into the Directory from employer reports for the purpose of administering workers' compensation programs.

(h) Department May Contract for Services. -- The Department may contract with other State or private entities to perform the services necessary to implement this section.

(2) 'Department' means the Department of Human Resources.

(3) 'Employee' means an individual who is an employee within the meaning of Chapter 24 of the Internal Revenue Code of 1986. The term 'employee' does not include an employee of a federal or State agency performing intelligence or counterintelligence functions, if the head of the agency has determined that reporting information as required under this section could endanger the safety of the employee or compromise an ongoing investigation or intelligence mission.

(4) 'Employer' has the meaning given the term in section 3401(d) of the Internal Revenue Code of 1986 and includes persons who are governmental entities and labor organizations. The term 'labor organization' shall have the meaning given that term in section 2(5) of the National Labor Relations Act, and includes any entity which is used by the organization and an employer to carry out requirements described in section 8(f)(3) of the National Labor Relations Act of an agreement between the organization and the employer."

PART 2. EXPANDED AUTHORITY OF THE DEPARTMENT TO ENFORCE CHILD SUPPORT ORDERS AND TO ESTABLISH PATERNITY.

Section 2. Chapter 110 of the General Statutes is amended by adding the following new section to read:

"**§ 110-129.1. Additional powers and duties of the Department.**

The subpoena shall be signed by the Secretary and shall state the name of the person or entity required to produce the information authorized under this section, and a description of the information compelled to be produced. The subpoena may be served in the manner provided for service of subpoenas under the North Carolina Rules of Civil Procedure. the refusal of any person to comply with the subpoena, it shall be the duty of any judge of the district court, upon application by the person who issued the subpoena, to order the person subpoenaed to show cause why he should not comply with the requirements, if in the discretion of the judge the requirements are reasonable and proper. Refusal to comply with the subpoena or with the order shall be dealt with as for contempt of court and as otherwise provided by law. Information obtained as a result of a subpoena issued pursuant to this subdivision is confidential and may be used only by the Child Support Enforcement Program in conjunction with a child support establishment or enforcement proceeding or paternity establishment proceeding.

(4) Develop procedures for entering into agreements with financial institutions to develop and operate a data match system as provided under G.S. 110-139.2.

(5) Develop procedures for ensuring that when a noncustodial parent providing health care coverage pursuant to a court order changes employers and is eligible for health care coverage from the new employer, the new employer, upon receipt of notice of the order from the Department, enrolls the child in the employer's health care plan.

(6) Develop and implement an administrative process for paternity establishment in accordance with G.S. 110-132.2.

b. Implement income withholding in accordance with this Chapter;

c. For the purpose of securing overdue support, increase the amount of monthly support payments by implementation of income withholding procedures established under G.S. 110-136.4, or by notice and opportunity to contest to an obligor who is not subject to income withholding. Increases under this subdivision are subject to the limitations of G.S. 110-136.6;

In IV-D cases, payments for the support of a minor child shall be ordered to be paid to the court or other proper State agency for the benefit of the child."

(b) This section applies to orders entered or modified on and after October 1, 1997.

Section 2.2. G.S. 50-13.4 is amended by adding the following new subsection to read:

"(e1) In IV-D cases, the order for child support shall provide that the clerk shall transfer the case to another jurisdiction in this State if the IV-D agency requests the transfer on the basis that the obligor, the custodian of the child, and the child do not reside in the jurisdiction in which the order was issued. The IV-D agency shall provide notice of the transfer to the obligor. The clerk shall transfer the case to the jurisdiction requested by the IV-D agency, which shall be a jurisdiction in which the obligor, the custodian of the child, or the child resides. Nothing in this subsection shall be construed to prevent a party from contesting the transfer."

PART 3. AUTHORIZE JUDGES TO IMPOSE WORK REQUIREMENTS ON OBLIGORS WHO ARE IN ARREARS IN CHILD SUPPORT, AND TO REQUIRE PARENTS TO PROVIDE MEDICAL SUPPORT.

Section 3. G.S. 110-136.3 is amended by adding the following new subsection to read:

"(a1) Payment Plan/Work Requirement for Past-Due Support. In any IV-D case in which an obligor owes past-due support and income withholding has been ordered but cannot be implemented against the obligor, the court may order the obligor to pay the support in accordance with a payment plan approved by the court and, if the obligor is subject to the payment plan and is not incapacitated, the court may order the obligor to participate in such work activities, as defined under Section 407(d) of P.L. 104-193, as the court deems appropriate."

Section 3.1. G.S. 50-13.11 reads as rewritten:

(a1) The court shall order the parent of a minor child or other responsible party to maintain health insurance for the benefit of the child when health insurance is available at a reasonable cost. (e) If the party who is required to provide ~~medical~~ health insurance fails to maintain the insurance coverage for the minor child, the party shall be liable for any

~~medical,~~ health, hospital, or dental expenses incurred from the date of the court order or agreement that would have been covered by insurance if it had been in force.

(f) When a noncustodial parent ordered to provide health insurance changes employment and health insurance coverage is available through the new employer, the obligee shall notify the new employer of the noncustodial parent's obligation to provide health insurance for the child. Upon receipt of notice from the obligee, the new employer shall enroll the child in the employer's health insurance plan."

Section 3.2. G.S. 108A-69(b) reads as rewritten:

"(b) If a parent is required by a court or administrative order to provide health benefit plan coverage for a child, and the parent is eligible for family health benefit plan coverage through an employer doing business in this State, the employer:

(1) Must allow the parent to enroll, under family coverage, the child if the child would be otherwise eligible for coverage without regard to any enrollment season restrictions.

(2) Must enroll the child under family coverage upon application of the child's other parent or upon receipt of notice from the Department of Human Resources in connection with its administration of the Medical Assistance or Child Support Enforcement Program if the parent is enrolled but fails to make application to obtain coverage for the child.

a. The employer is provided satisfactory written evidence that:

1. The court or administrative order is no longer in effect; or

2. The child is or will be enrolled in comparable health benefit plan coverage that will take effect not later than the effective date of disenrollment; or

b. The employer has eliminated family health benefit plan coverage for all of its employees.

(4) Must withhold from the employee's compensation the employee's share, if any, of premiums for health benefit plan coverage, not to exceed the maximum amount permitted to be withheld under section 303(b) of the federal Consumer Credit Protection Act, as amended; and must pay this amount to the health insurer; subject to regulations, if any, adopted by the Secretary of the U.S. Department of Health and Human Services."

PART 3A. CONFORM STATE TAX INTERCEPT LAW TO FEDERAL REQUIREMENTS.

Section 3.3. G.S. 105A-2(1)d. reads as rewritten:

"d. The North Carolina Department of Human Resources when in the performance of its duties, under the Child Support Enforcement Program as enabled by Chapter 110, Article 9

and Title IV, Part D of the Social Security Act to obtain indemnification for past paid public assistance or to collect child support ~~arrearages~~ owed to an individual receiving program services and any county operating the program at the local level, when and only to the extent that the county is engaged in the performance of those same duties;".

PART 4. REQUIREMENT TO PROVIDE SOCIAL SECURITY NUMBERS ON CERTAIN DOCUMENTS.

Section 4. G.S. 20-7(b1) reads as rewritten:

"(b1) Application. -- To obtain a drivers license from the Division, a person must complete an application form provided by the Division, present at least two forms of identification approved by the Commissioner, be a resident of this State, and demonstrate his or her physical and mental ability to drive safely a motor vehicle included in the class of license for which the person has applied. The Division may copy the identification presented or hold it for a brief period of time to verify its authenticity. To obtain an endorsement, a person must demonstrate his or her physical and mental ability to drive safely the type of motor vehicle for which the endorsement is required.

The application form must request all of the following information:

(1) The applicant's full name.
(2) The applicant's mailing address and residence address.

A violation of the disclosure restrictions is punishable as provided in 42 U.S.C. 405(c)(2)(C)(vii)."

Section 4.1. G.S. 49-7 reads as rewritten:

"**§ 49-7. Issues and orders.**

The court before which the matter may be brought shall determine whether or not the defendant is a parent of the child on whose behalf the proceeding is instituted. After this matter has been determined in the affirmative, the court shall proceed to determine the issue as to whether or not the defendant has neglected or refused to provide adequate support and maintain the child who is the subject of the proceeding. After this matter shall have been determined in the affirmative, the court shall fix by order, subject to modification or increase from time to time, a specific sum of money necessary for the support and maintenance of the child, subject to the limitations of G.S. 50-13.10. The amount of child support shall be determined as provided in G.S. 50-13.4(c). The order fixing the sum shall require the defendant to pay it either as a lump sum or in periodic payments as the circumstances of the case may appear to the court to require. The social security number, if known, of the minor child's parents shall be placed in the record of the proceeding. Compliance by the defendant with any or all of the further provisions of this Article or the order or orders of the court requiring additional acts to be performed by the defendant shall not be construed to relieve the defendant of his or her responsibility to pay the sum fixed or any modification or increase thereof.

The court before whom the matter may be brought, on motion of the State or the defendant, shall order that the alleged-parent defendant, the known natural parent, and the child submit to any blood tests and comparisons which have been developed and adapted for purposes of establishing or disproving parentage and which are reasonably accessible to the alleged-parent defendant, the known natural parent, and the child. The results of those blood tests and comparisons, including the statistical likelihood of the alleged parent's parentage, if available, shall be admitted in evidence when offered by a duly qualified, licensed practicing physician, duly qualified immunologist, duly qualified geneticist or other duly qualified person. The evidentiary effect of those blood tests and comparisons and the manner in which the expenses therefor are to be taxed as costs shall be as prescribed in G.S. 8-50.1. In addition, if a jury tries the issue of parentage, they shall be instructed as set out in G.S. 8-50.1. From a finding on the issue of parentage against the alleged-parent defendant, the alleged-parent defendant has the same right of appeal as though he or she had been found guilty of the crime of willful failure to support an illegitimate child."

Section 4.2. G.S. 49-14(a) reads as rewritten:

"(a) The paternity of a child born out of wedlock may be established by civil action at any time prior to such child's eighteenth birthday. A certified copy of a certificate of birth of the child shall be attached to the complaint. ~~Such~~ The establishment of paternity shall not have the effect of legitimation. The social security numbers, if known, of the minor child's parents shall be placed in the record of the proceeding."

Section 4.3. G.S. 50-8 reads as rewritten:

"§ 50-8. Contents of complaint; verification; venue and service in action by nonresident; certain divorces validated.

In all actions for divorce the complaint shall be verified in accordance with the provisions of Rule 11 of the Rules of Civil Procedure and G.S. 1-148. The plaintiff shall set forth in his or her complaint that the complainant or defendant has been a resident of the State of North Carolina for at least six months next preceding the filing of the complaint, and that the facts set forth therein as grounds for divorce, except in actions for divorce from bed and board, have existed to his or her knowledge for at least six months prior to the filing of the complaint: Provided, however, that if the cause for divorce is one-year separation, then it shall not be necessary to allege in the complaint that the grounds for divorce have existed for at least six months prior to the filing of the complaint; it being the purpose of this proviso to permit a divorce after such separation of one year without awaiting an additional six months for filing the complaint: Provided, further, that if the complainant is a nonresident of the State action shall be brought in the county of the defendant's residence, and summons served upon the defendant personally or service of summons accepted by the defendant personally in the manner provided in G.S. 1A-1, Rule 4(j)(1). Notwithstanding any other provision of this section, any suit or action for divorce heretofore instituted by a nonresident of this State in which the defendant was personally served with summons or in which the defendant personally accepted service of the summons and the case was tried and final judgment entered in a court of this State in a county other than the county of the defendant's residence, is hereby validated and declared to be legal and proper, the same as if the suit or action for divorce had been brought in the county of the defendant's residence.

In all divorce actions the complaint shall set forth the name and age of any minor child or children of the marriage, and in the event there are no ~~such~~ minor children of the marriage, the complaint shall so state. In addition, when there are minor children of the marriage, the complaint shall state the social security number of the plaintiff and, if known, the social security number of the defendant.

In all prior suits and actions for divorce heretofore instituted and tried in the courts of this State where the averments of fact required to be contained in the affidavit heretofore required by this section are or have been alleged and set forth in the complaint in said suits or actions and said complaints have been duly verified as required by Rule 11 of the Rules of Civil Procedure, said allegations so contained in said complaints shall be deemed to be, and are hereby made, a substantial compliance as to the allegations heretofore required by this section to be set forth in any affidavit; and all such suits or actions for divorce, as well as the judgments or decrees issued and entered as a result thereof, are hereby validated and declared to be legal and proper judgments and decrees of divorce.

In all suits and actions for divorce heretofore instituted and tried in this State on and subsequent to the 5th day of April, 1951, wherein the statements, averments, or allegations in the verification to the complaint in said suits or actions are not in accordance with the provisions of Rule 11 of the Rules of Civil Procedure and G.S. 1-148 or the requirements of this section as to verification of complaint or the allegations, statements or averments in the verification contain the language that the facts set forth in the complaint are true 'to the best of affiant's knowledge and belief'

instead of the language 'that the same is true to his (or her) own knowledge' or similar variation in language, said allegations, statements and averments in said verifications as contained in or attached to said complaint shall be deemed to be, and are hereby made, a substantial compliance as to the allegations, averments or statements required by this section to be set forth in any such verifications; and all such suits or actions for divorce, as well as the judgments or decrees issued and entered as a result thereof, are hereby validated and declared to be legal and proper judgments and decrees of divorce. The judgment of divorce shall include, where there are minor children of the parties, the social security numbers of the parties."

Section 4.4. G.S. 50-13.4 is amended by adding the following new subsections to read:

"(g) An individual who brings an action or motion in the cause for the support of a minor child, and the individual who defends the action, shall provide to the clerk of the court in which the action is brought or the order is issued, the individual's social security number. The child support order shall contain the social security number of the parties as evidenced in the support proceeding.

For purposes of this subsection, the results of blood or genetic tests shall constitute clear, cogent, and convincing evidence of

paternity if the tests show that the probability of the alleged parent's parentage is ninety-seven percent (97%) or higher. If paternity is not thereafter established, then the putative father shall be reimbursed the full amount of temporary support paid under the order.

The hearing shall be before the district court and notice of the hearing must be served by the petitioner on all parties to the proceeding. Service shall be in accordance with Rule 4 of the North Carolina Rules of Civil Procedure. The hearing shall be held and a determination made within 30 days of the petitioner's request for hearing as to whether the petitioner must comply with the subpoena to undergo testing. PART 7. ESTABLISHMENT OF A LIEN ON REAL AND PERSONAL PROPERTY OF PERSON OWING PAST-DUE CHILD SUPPORT.

Section 7. Chapter 44 of the General Statutes is amended by adding the following new Article to read:

"ARTICLE 15.

"Liens for Overdue Child Support.

"§ 44-86. Lien on real and personal property of person owing past-due child support; definitions; filing required; discharge.

(a) Definitions. As used in this Article, the terms 'designated representative', 'obligee', and 'obligor' have the meanings given them in G.S. 110-129.

(b) Lien Created. There is created a general lien upon the real and personal property of any person who is delinquent in the payment of court-ordered child support. For purposes of this section, an obligor is delinquent when arrears under a court-ordered child support obligation equals three months of payments or three thousand dollars ($3,000), whichever occurs first. The amount of the lien shall be determined by a verified statement of child support delinquency prepared in accordance with subsection (c) of this section.

(c) Contents of Statement; Verification. A verified statement of child support delinquency shall contain the following information:

(1) The caption and file docket number of the case in which child support was ordered;

(2) The date of the order of support;

(3) The amount of the child support obligation established by the order; and

(4) The amount of the arrearage as of the date of the statement.

The statement shall be verified by the designated representative in a IV-D case and by the obligee in a non-IV-D case.

(d) Filing and Perfection of Lien. The verified statement shall be filed in the office of the clerk of superior court in the county in which the child support was ordered. At the time of filing the verified statement, the designated representative in a IV-D case and the obligee in a non-IV-D case shall serve notice on the obligor that the statement has been filed. The notice shall be served and the return of service filed with the clerk of court in accordance with Rule 4 of the North Carolina Rules of Civil Procedure. The notice shall specify the manners in which the lien may be discharged. Upon perfection of the lien, as set forth herein, the clerk shall docket and index the statement on the judgment docket. The clerk shall issue a transcript of the docketed statement to the clerk of any other county as requested by the designated representative in a IV-D case or the obligee in a non-IV-D case. The clerk receiving the transcript shall docket and index the transcript. A lien on personal property attaches when the property is seized by the sheriff. A lien on real property attaches when the perfected lien is docketed and indexed on the judgment docket.

(1) IV-D Cases. In IV-D cases, the filing of a verified statement with the clerk of court by the designated representative shall perfect the lien. The obligor may contest the lien by motion in the cause.

(2) Non-IV-D Cases. In a non-IV-D case, the notice to the obligor of the filing of the verified statement shall state that the obligor has 30 days from the date of service to request a hearing before a district court judge to contest the validity of the lien. If the obligor fails to contest the lien after 30 days from the time of service, the obligee may make application to the clerk, and the clerk shall record and index the lien on the judgment docket. If the obligee files a petition contesting the validity of the lien, a hearing shall be held before a district court judge to determine whether the lien is valid and proper. In contested cases, the clerk of court shall record and index the lien on the judgment docket only by order of the judge. The docketing of a verified statement in a non-IV-D case shall perfect the lien when duly recorded and indexed.

(e) Lien Superior to Subsequent Liens. Except as otherwise provided by law, a lien established in accordance with this section shall take priority over all other liens subsequently acquired and shall continue from the date of filing until discharged in accordance with G.S. 44-87.

(f) Execution on the Lien. A designated representative in a IV-D case, after 30 days from the docketing of the perfected lien, or an obligee in a non-IV-D case, after docketing the perfected lien, may enforce the lien in the same manner as for a civil judgment.

(g) Liens Arising Out-of-State. This State shall accord full faith and credit to child support liens arising in another state when the child support enforcement agency, party, or other entity seeking to enforce the lien complies with the requirements relating to recording and serving child support liens as set forth in this Article and

with the requirements relating to the enforcement of foreign judgments as set forth in Chapter 1C of the General Statutes.

"**§ 44-87. Discharge of lien; penalty for failure to discharge.**

(a) Liens created by this Article may be discharged as follows:

(1) By the designated representative in IV-D cases, or by the obligee in non-IV-D cases, filing with the clerk of superior court an acknowledgment that the obligor has satisfied the full amount of the lien;

(2) By depositing with the clerk of superior court money equal to the amount of the claim and filing a petition in the cause requesting a district court judge to determine the validity of the lien. The money shall not be disbursed except by order of a district court judge following the hearing on the merits; or

(3) By an entry in the judgment docket book that the action on the part of the lien claimant to enforce the lien has been dismissed, or a judgment has been rendered against the claimant in such action.

(b) An obligee in a non-IV-D case who has received payment in full for a delinquent child support obligation which is the basis for the lien shall, within 30 days of receipt of payment, file with the clerk of court an acknowledgment that the obligor has satisfied the full amount of the lien and that the lien is discharged. If the lienholder fails to timely file the acknowledgment, the obligor may, after serving notice on the obligee, file an action in district court to discharge the lien. If in an action filed by the obligor to discharge the lien, the court discharges the lien and finds that the obligee failed to timely file an acknowledgment discharging the lien, then the court may allow the prevailing party to recover reasonable attorneys' fees to be taxed as court costs against the obligee."

Section 7.1. G.S. 50-13.4(f)(8) reads as rewritten:

"(8) Except as provided in Article 15 of Chapter 44 of the General Statutes, a ~~A~~ judgment for child support shall not be a lien against real property unless the judgment expressly so provides, sets out the amount of the lien in a sum certain, and adequately describes the real property affected; but past due periodic payments may by motion in the cause or by a separate action be reduced to judgment which shall be a lien as other judgments."

(1) If only one of the tribunals would have continuing, exclusive jurisdiction under this Chapter, the order of that tribunal controls and must be so recognized.

(2) If more than one of the tribunals would have continuing, exclusive jurisdiction under this Chapter, an order issued by a tribunal in the current home state of the child controls and must be so recognized, but if an order has not been issued in the current home state of the child, the order most recently issued controls and must be so recognized.

(3) If none of the tribunals would have continuing, exclusive jurisdiction under this Chapter, the tribunal of this State having jurisdiction over the parties shall issue a child support order, which controls and must be so recognized.

(f) Within 30 days after issuance of an order determining the identity of the controlling order, the party obtaining the order shall file a certified copy of it with each tribunal that issued or registered an earlier order of child support. A party who obtains the order and fails to file a certified copy is subject to appropriate sanctions by a tribunal in which the issue of failure to file arises. The failure to file does not affect the validity or enforceability of the controlling order."

b. A petitioner who is a nonresident of this State seeks modification; and

c. The respondent is subject to the personal jurisdiction of the tribunal of this State; or

However, if the issuing state is a foreign jurisdiction that has not enacted a law or established procedures substantially similar to the procedures under this act, the consent otherwise required of an individual residing in this State is not required for the tribunal to assume jurisdiction to modify the child support order.

(b) Modification of a registered child support order is subject to the same requirements, procedures, and defenses that apply to the modification of an order issued by a tribunal of this State, and the order may be enforced and satisfied in the same manner.

(c) A tribunal of this State may not modify any aspect of a child support order that may not be modified under the law of the issuing state. If two or more tribunals have issued child support orders for the same obligor and child, the order that controls and must be so recognized under G.S. 52C-2-207 establishes the aspects of the support order which are nonmodifiable.

(d) On issuance of an order modifying a child support order issued in another state, a tribunal of this State becomes the tribunal of continuing, exclusive jurisdiction.

~~(e) Within 30 days after issuance of a modified child support order, the party obtaining the modification shall file a certified copy of the order with the issuing tribunal which had continuing, exclusive jurisdiction over the earlier order, and in each tribunal in which the party knows that the earlier order has been registered.~~"

(b) A tribunal of this State exercising jurisdiction under this section shall apply the provisions of Articles 1 and 2 of this Chapter, this Article, and the procedural and substantive law of this State to the proceeding for enforcement or modification. Articles 3, 4, 5, 7, and 8 of this Chapter do not apply.

"**§ 52C-6-614. Notice to issuing tribunal of modification.**

Within 30 days after issuance of a modified child support order, the party obtaining the modification shall file a certified copy of the order with the issuing tribunal that had continuing, exclusive jurisdiction over the earlier order, and in each tribunal in which the party knows the earlier order has been registered. A party who obtains the order and fails to file a certified copy is subject to appropriate sanctions by a tribunal in which the issue of failure to file arises. The failure to file does not affect the validity or enforceability of the modified order of the new tribunal having continuing, exclusive jurisdiction."

(a) As used in this section, the terms 'obligor' and 'obligee' shall have the meanings given those terms in G.S. 110-129.

(2) The obligor retained possession or control of the property after the conveyance.

(3) The conveyance was concealed or not disclosed.

(4) Before the conveyance was made or the obligation was incurred, the obligor had been sued or threatened with suit.

(5) The conveyance was of substantially all the obligor's assets.

(6) The obligor removed or concealed assets.

(7) The value of the consideration received by the obligor was not reasonably equivalent to the value of the asset conveyed or the amount of the obligation incurred.

(8) The obligor was insolvent or became insolvent shortly after the conveyance was made or the obligation incurred.

(9) The conveyance occurred shortly before or shortly after a substantial debt was incurred.

(10) The obligor conveyed the essential assets of a business to a lienor who conveyed the assets to an insider of the obligor.

Proof of two or more of the factors listed in this subsection creates a rebuttable presumption of fraud. Unless otherwise provided under this Article, if the court finds by clear and convincing evidence that the conveyance was fraudulent, then the conveyance is void."

Section 1. Effective October 1, 1997, Article 1 of Chapter 110 of the General Statutes is amended by adding the following new section to read:

"**§ 110-129.2. State Directory of New Hires established; employers required to report; civil penalties for noncompliance; definitions.**

(a) Directory Established. -- There is established the State Directory of New Hires. The Directory shall be developed and maintained by the Department. The Directory shall be a central repository for employment information to assist in the location of persons owing child support, and in the establishment and enforcement of child support orders.

(b) Employer Reporting. -- Every employer in this State shall report to the Directory the hiring of every employee for whom a federal W-4 form is required to be completed by the employee at the time of hiring. The employer shall report the information required under this section not later than 20 days from the date of hire,

or, in the case of an employer who transmits new hire reports magnetically or electronically by two monthly transmissions, not less than 12 nor more than 16 days apart. The Department shall notify employers of the information they must report under this section and of the penalties for not reporting the required information. The required forms must be provided by the Department to employers.

(c) Report Contents. -- Each report required by this section shall contain the name, address, and social security number of the employee, and the name and address of the employer and the employer's identifying number assigned under section 6109 of the Internal Revenue Code of 1986 and the employer's State employer identification number. Reports shall be made on the W-4 form or, at the option of the employer, an equivalent form, and may be transmitted magnetically, electronically, or by first-class mail.

(d) Penalties for Failure to Report. -- Upon a finding that an employer has failed to comply with the reporting requirements of this section, the district court shall impose a civil penalty in an amount not to exceed twenty-five dollars ($25.00). If the court finds that an employer's failure to comply with the reporting requirements is the result of a conspiracy between the employer and the employee to not supply the required report or to supply a false or incomplete report, then the court shall impose upon the employer a civil penalty in an amount not to exceed five hundred dollars ($500.00). Penalties collected under this subsection shall be deposited to the General Fund.

(e) Entry of Report Data Into Directory. -- Within five business days of receipt of the report from the employer, the Department shall enter the information from the report into the Directory.

(f) Notice to Employer to Withhold. -- Within two business days of the date the information was entered into the Directory, the Department or its designated representative as defined under G.S. 110-129(5) shall transmit notice to the employer of the newly hired employee directing the employer to withhold from the income of the employee an amount equal to the monthly or other periodic child support obligation, including any past-due support obligation of the employee and subject to the limitations of G.S. 110-136.6, unless the employee's income is not subject to withholding.

(g) Other Uses of Directory Information. -- The Employment Security Commission may access information entered into the Directory from employer reports for the purpose of administering employment security programs. The North Carolina Industrial Commission may access information entered into the Directory from employer reports for the purpose of administering workers' compensation programs.

(h) Department May Contract for Services. -- The Department may contract with other State or private entities to perform the services necessary to implement this section.

(4) 'Employer' has the meaning given the term in section 3401(d) of the Internal Revenue Code of 1986 and includes persons who are governmental entities and labor organizations. The term 'labor organization' shall have the meaning given that term in section 2(5) of the National Labor Relations Act, and includes any entity which is used by the organization and an employer to carry out requirements described in section 8(f)(3) of the National Labor Relations Act of an agreement between the organization and the employer."

c. For the purpose of securing overdue support, increase the amount of monthly support payments by implementation of income withholding procedures established under G.S. 110-136.4, or by notice and opportunity to contest to an obligor who is not subject to income withholding. Increases under this subdivision are subject to the limitations of G.S. 110-136.6;

Section 2.2. G.S. 50-13.4 is amended by adding the following new subsection to read:

"(e1) In IV-D cases, the order for child support shall provide that the clerk shall transfer the case to another jurisdiction in this State if the IV-D agency requests the transfer on the basis that the obligor, the custodian of the child, and the child do not reside in the jurisdiction in which the order was issued. The IV-D agency shall provide notice of the transfer to the obligor by delivery of written notice in accordance with the notice requirements of Chapter 1A-1, Rule 5(b) of the Rules of Civil Procedure. The designated representative shall review the ~~obligor's~~ case and inform the ~~obligor~~ individual in writing of the representative's findings and decision upon completion of the review. ~~The~~ If the findings so warrant, the designated representative shall immediately send a notice to the appropriate board certifying the ~~obligor's~~ individual's compliance with this ~~section if the obligor is found to be no longer in arrears or negotiates an agreement with the designated representative for a payment schedule on arrears or reimbursement.~~ section. The agreement shall also provide for the maintenance of current support obligations and shall be incorporated into a consent order to be entered by the court. If the ~~obligor~~ individual fails to meet the conditions of this subsection, the designated representative shall notify the appropriate board to immediately revoke or suspend the ~~obligor's~~ individual's license. Upon receipt of notice from the designated representative, the board shall immediately revoke or suspend the ~~obligor's~~ individual's license.

The notice shall also contain the name and address of the court in which the ~~obligor~~ individual shall file the motion and inform the ~~obligor~~ individual that the ~~obligor's~~ individual's name shall remain on the certified list unless the judicial review results in a finding by the court that the ~~obligor is no longer in arrears or that the obligor's license should be reinstated under subsection (k) of this~~ the individual is in compliance with this section. The notice shall also inform the ~~obligor~~ individual that the ~~obligor~~ individual must comply with all statutes and rules of court regarding motions and notices of hearing and that any motion filed under this section is subject to the limitations of G.S. 50-13.10.

(j) The motion for judicial review of the designated representative's decision shall state the grounds for which review is requested and judicial review shall be limited to those stated grounds. After service of the request for review, the court shall hold an evidentiary hearing at the next regularly scheduled session for the hearing of child support matters in civil district court. The request for judicial review shall be served by the ~~obligor~~ individual upon the designated representative who submitted the ~~obligor's~~ individual's name on the certified list within seven calendar days of the filing of the motion.

(k) If the judicial review results in a finding by the court that the ~~obligor~~ individual is no longer in arrears or that the ~~obligor's~~ individual's license should be reinstated to allow the ~~obligor~~ individual an opportunity to comply with a payment schedule on arrears or reimbursement and current support obligations, the designated representative shall immediately send a notice to the appropriate board certifying the ~~obligor's~~ individual's compliance with this section. ~~In the event of appeal from the judicial review, the license revocation shall not be stayed unless the court specifically provides otherwise.~~ If the judicial review results in a finding that the individual has complied with or is no longer subject to the subpoena that was the basis for the revocation, then the designated representative shall immediately send a notice to the appropriate board certifying the individual's compliance with this section. The receipt of certification shall serve to notify the ~~obligor~~ individual and the board that, for the purposes of this section, the ~~obligor~~ individual is in compliance with the order for support. When the individual has complied with or is no longer subject to a subpoena issued pursuant to a child support or paternity establishment proceeding, the designated representative shall mail to the individual and the appropriate board a notice certifying that the individual is in compliance. The receipt of certification shall serve to notify the individual and the board that the individual is in compliance with this section.

(m) The Department of Human Resources may enter into interagency agreements with the boards necessary to implement this section.

(n) The procedures specified in Articles 3 and 3A of Chapter 150B of the General Statutes, the Administrative Procedure Act, shall not apply to the denial or failure to issue or renew a license pursuant to this section.

(o) Any board receiving an inquiry as to the licensed status of an applicant or licensee who has had a license denied or revoked under this section shall respond only that the license was denied or revoked pursuant to this section. Information collected pursuant to this section shall be confidential and shall not be disclosed except in accordance with the laws of this State.

(p) If any provision of this section or its application to any person or circumstance is held invalid, that invalidity shall not affect other provisions or applications of this section that can be given effect without the invalid provision or application, and to this end the provisions of this section are severable."

Section 5.2. G.S. 110-142.2 reads as rewritten:

"§ 110-142.2. Suspension, revocation, restriction of license to operate a motor vehicle or hunting, fishing, or trapping licenses; refusal of registration of motor vehicle.

(a) Effective December 1, 1996, notwithstanding any other provision of law, when an ~~obligor~~ individual is at least 90 days in arrears in making child support payments, or has been found by the court to be not in compliance with a subpoena issued pursuant to child support or paternity establishment proceedings, the child support enforcement agency may apply to the court, pursuant to the regular show cause and contempt provisions of G.S. 50-13.9(d), for an order doing any of the following:

The court may stay the effectiveness of the sanctions upon conditions requiring the obligor to make full payment of the delinquency over time. Any such stay shall also be conditioned upon the obligor's maintenance of current child support. The court may stay the effectiveness of the sanctions against an individual subject to a subpoena issued pursuant to child support or paternity establishment proceedings upon a finding that the individual has complied with or is no longer subject to the subpoena. Upon entry of an order pursuant to this section that is not stayed, the ~~obligor~~ individual shall surrender any licenses revoked by the court's order to the child support enforcement

agency and the agency shall forward a report to the appropriate licensing authority within 30 days of the order.

(c) If the ~~obligor's~~ individual's regular or commercial drivers license is revoked under this section and the court, after the hearing, makes a finding that a license to operate a motor vehicle is necessary to the ~~obligor's~~ individual's livelihood, the court may issue a limited driving privilege, with those terms and conditions applying as the court shall prescribe. An ~~obligor~~ individual whose license has been revoked for reasons not related to this section and whose license remains revoked at the time of the hearing shall not be eligible and may not be issued a limited driving privilege. The court may modify or revoke the limited driving privilege pursuant to G.S. 20-179.3(i).

(d) An ~~obligor~~ individual may file a request with the child support enforcement agency for certification that the ~~obligor~~ individual is no longer delinquent in child support payments upon submission of proof satisfactory to the child support enforcement agency that the ~~obligor~~ individual has paid the delinquent amount in full. An individual subject to a subpoena issued pursuant to a child support or paternity establishment proceeding may file a request with the child support enforcement agency for certification that the individual has complied with or is no longer subject to the subpoena. The child support enforcement agency shall provide a form to be used by the ~~obligor~~ individual for a request for certification. If the child support enforcement agency finds that the ~~obligor~~ individual has met the requirements for reinstatement under this subsection, then the child support enforcement agency shall certify that the ~~obligor~~ individual is no longer delinquent or that the individual has complied with or is no longer subject to a subpoena issued pursuant to child support or paternity establishment proceedings and shall provide a copy of the certification to the ~~obligor.~~ individual.

(e) If licensing privileges are revoked under this section, the ~~obligor~~ individual may petition the district court for a reinstatement of such privileges. The court may order the privileges reinstated conditioned upon full payment of the delinquency over ~~time.~~ time, or, as applicable, may order the reinstatement if the court finds that the individual has complied with or is no longer subject to the subpoena issued pursuant to paternity establishment proceedings. Any order allowing license reinstatement shall additionally require the obligor's maintenance of current child support. Upon reinstatement under this subsection, the child support enforcement agency shall certify that the ~~obligor~~ individual is no longer ~~delinquent~~ delinquent, or, as applicable, that the individual has complied with or is no longer subject to the subpoena issued pursuant to child support or paternity establishment proceedings and shall provide a copy of the certification to the ~~obligor.~~ individual, as applicable.

(g) Upon receipt of certification under subsection (d) or (e) of this section, the licensing board having jurisdiction over the ~~obligor's~~ individual's hunting, fishing, or trapping license shall reinstate the license.

(h) If the court imposes sanctions under subdivision (3) of subsection (a) of this section and the sanctions are stayed upon conditions as provided in subsection (b) of this section, the child support enforcement agency may, without any further application to the court, notify the Division of Motor Vehicles if the ~~obligor~~ individual violates the terms and conditions of the stay. The Division shall then take such action as provided in subdivision (3) of subsection (a) of this section. The Division shall not remove any restriction of the ~~obligor's~~ individual's motor vehicle registration, until receipt of certification pursuant to subsection (d) or (e) of this section.

(i) The Department of Human Resources, the Administrative Office of the Courts, the Division of Motor Vehicles, and the Department of Environment, Health, and Natural Resources shall work together to develop the forms and procedures necessary for the implementation of this process."

The court

may stay any such revocation pertaining to the obligor upon conditions requiring the obligor to make full payment of the delinquency over time. Any such stay shall further be conditioned upon the obligor's maintenance of current child support. The court may stay the revocation pertaining to the person subject to the subpoena upon a finding that the person has complied with or is no longer subject to the subpoena. Upon an order revoking such privileges of an obligor that does not stay the revocation, the clerk of superior court shall notify the appropriate licensing board that the obligor is delinquent in child support payments and that the obligor's licensing privileges are revoked until such time as the licensing board receives proof of certification by the clerk that the obligor is no longer delinquent in child support payments. Upon an order revoking such privileges of a person subject to the subpoena that does not stay the revocation, the clerk of superior court shall notify the appropriate licensing board that the person has failed to comply with the subpoena issued pursuant to a child support or paternity establishment proceeding and that the person's licensing privileges are revoked until such time as the licensing board receives proof of certification by the clerk that the person is in compliance with or no longer subject to the subpoena.

Upon request of the obligor, the clerk shall mail a copy of the certification to the appropriate licensing board. If the clerk finds that the person whose licensing privileges have been revoked under subsection (b) of this section for failure to comply with a subpoena has complied with or is no longer subject to the subpoena, then the clerk shall certify that the person has met the requirements of or is no longer subject to the subpoena and shall provide a copy of the certification to the person. Upon request of the person, the clerk shall mail a copy of the certification to the appropriate licensing board.

(d) If licensing privileges are revoked under this section, the obligor may petition the district court for a reinstatement of such privileges. The court may order the privileges reinstated conditioned upon full payment of the delinquency over time. Any order allowing license reinstatement shall additionally require the obligor's maintenance of current child support. If the licensing privileges of a person other than the obligor are revoked under this section for failure to comply with a subpoena, the person may petition the district court for reinstatement of the privileges. The court may order the privileges reinstated if the person has complied with or is no longer subject to the subpoena that was the basis for revocation. Upon reinstatement

under this subsection, the clerk of superior court shall certify that the obligor is no longer delinquent and provide a copy of the certification to the obligor. Upon request of the obligor, the clerk shall mail a copy of the certification to the appropriate licensing board. Upon reinstatement of the person whose licensing privileges were revoked based on failure to comply with a subpoena, the clerk of superior court shall certify that the person has complied with or is no longer subject to the subpoena. (e) ~~The obligor~~ An obligor or other person whose licensing privileges are reinstated under this section may provide a copy of the certification set forth in either subsection (c) or (d) to each licensing agency to which the obligor or other person applies for reinstatement of licensing privileges. Upon receipt of a copy of the certification, the licensing board shall reinstate the license.

(f) Upon receipt of notification by the clerk that ~~the obligor's~~ an obligor's or other person's licensing privileges are ~~revoked,~~ revoked pursuant to this section, the board shall note the revocation on its records and take all necessary steps to implement and enforce the revocation. These steps shall not include the board's independent revocation process pursuant to Chapter 150B of the General Statutes, the Administrative Procedure Act, which process is replaced by the court process prescribed by this section. The revocation pertaining to an obligor shall remain in full force and effect until the board receives certification under this section that the obligor is no longer delinquent in child support payments. The revocation pertaining to the person whose licensing privileges were revoked on the basis of failure to comply with a subpoena shall remain in full force and effect until the board receives certification of reinstatement under subsection (d) of this section."

Section 5.4. G.S. 93B-13 reads as rewritten:

(c) If at the time the court revokes a license pursuant to subsection (a) of this section, or if at the time the occupational licensing board revokes a license pursuant to subsection (b) of this section, the occupational licensing board has revoked the same license under the licensing board's disciplinary authority over licensees under its jurisdiction, and that revocation period is greater than the revocation period resulting from forfeiture pursuant to G.S. 50-13.12 or G.S. 110-142.1 then the revocation period imposed by the occupational licensing board applies.

(d) Immediately upon certification by the clerk of superior court or the child support enforcement agency that the licensee whose license was revoked pursuant to subsection (a) or (b) of this section is no longer delinquent in child support payments, the occupational licensing board shall reinstate the license. Immediately upon certification by the clerk of superior court or the child support enforcement agency that the licensee whose license was revoked because of failure to comply with a subpoena is in compliance with or no longer subject to the subpoena, the occupational licensing board shall reinstate the license. PART 7. ESTABLISHMENT OF A LIEN ON REAL AND PERSONAL PROPERTY OF PERSON OWING PAST-DUE CHILD SUPPORT.

Section 7. Chapter 44 of the General Statutes is amended by adding the following new Article to read:

"ARTICLE 15.

"Liens for Overdue Child Support.

"§ 44-86. Lien on real and personal property of person owing past-due child support; definitions; filing required; discharge.

(a) Definitions. As used in this Article, the terms 'designated representative', 'obligee', and 'obligor' have the meanings given them in G.S. 110-129.

(b) Lien Created. There is created a general lien upon the real and personal property of any person who is delinquent in the payment of court-ordered child support. For purposes of this section, an obligor is delinquent when arrears under a

court-ordered child support obligation equals three months of payments or three thousand dollars ($3,000), whichever occurs first. The amount of the lien shall be determined by a verified statement of child support delinquency prepared in accordance with subsection (c) of this section.

(c) Contents of Statement; Verification. A verified statement of child support delinquency shall contain the following information:

(1) The caption and file docket number of the case in which child support was ordered;

(2) The date of the order of support;

(3) The amount of the child support obligation established by the order; and

(4) The amount of the arrearage as of the date of the statement.

The statement shall be verified by the designated representative in a IV-D case and by the obligee in a non-IV-D case.

(d) Filing and Perfection of Lien. The verified statement shall be filed in the office of the clerk of superior court in the county in which the child support was ordered. At the time of filing the verified statement, the designated representative in a IV-D case and the obligee in a non-IV-D case shall serve notice on the obligor that the statement has been filed. The notice shall be served and the return of service filed with the clerk of court in accordance with Rule 4 of the North Carolina Rules of Civil Procedure. The notice shall specify the manners in which the lien may be discharged. Upon perfection of the lien, as set forth herein, the clerk shall docket and index the statement on the judgment docket. The clerk shall issue a transcript of the docketed statement to the clerk of any other county as requested by the designated representative in a IV-D case or the obligee in a non-IV-D case. The clerk receiving the transcript shall docket and index the transcript. A lien on personal property attaches when the property is seized by the sheriff. A lien on real property attaches when the perfected lien is docketed and indexed on the judgment docket.

(1) IV-D Cases. In IV-D cases, the filing of a verified statement with the clerk of court by the designated representative shall perfect the lien. The obligor may contest the lien by motion in the cause.

(2) Non-IV-D Cases. In a non-IV-D case, the notice to the obligor of the filing of the verified statement shall state that the obligor has 30 days from the date of service to request a hearing before a district court judge to contest the validity of the lien. If the obligor fails to contest the lien after 30 days from the time of service, the obligee may make application to the clerk, and the clerk shall record and index the lien on the judgment docket. If the obligee files a petition contesting the validity of the lien, a hearing shall be held before a district court judge to determine whether the lien is valid and proper. In contested cases, the clerk of court shall record and index the lien on the judgment docket only by order of

the judge. The docketing of a verified statement in a non-IV-D case shall perfect the lien when duly recorded and indexed.

(e) Lien Superior to Subsequent Liens. Except as otherwise provided by law, a lien established in accordance with this section shall take priority over all other liens subsequently acquired and shall continue from the date of filing until discharged in accordance with G.S. 44-87.

(f) Execution on the Lien. A designated representative in a IV-D case, after 30 days from the docketing of the perfected lien, or an obligee in a non-IV-D case, after docketing the perfected lien, may enforce the lien in the same manner as for a civil judgment.

(g) Liens Arising Out-of-State. This State shall accord full faith and credit to child support liens arising in another state when the child support enforcement agency, party, or other entity seeking to enforce the lien complies with the requirements relating to recording and serving child support liens as set forth in this Article and with the requirements relating to the enforcement of foreign judgments as set forth in Chapter 1C of the General Statutes.

"**§ 44-87. Discharge of lien; penalty for failure to discharge.**

(a) Liens created by this Article may be discharged as follows:

(1) By the designated representative in IV-D cases, or by the obligee in non-IV-D cases, filing with the clerk of superior court an acknowledgment that the obligor has satisfied the full amount of the lien;

(2) By depositing with the clerk of superior court money equal to the amount of the claim and filing a petition in the cause requesting a district court judge to determine the validity of the lien. The money shall not be disbursed except by order of a district court judge following the hearing on the merits; or

(3) By an entry in the judgment docket book that the action on the part of the lien claimant to enforce the lien has been dismissed, or a judgment has been rendered against the claimant in such action.

(b) An obligee in a non-IV-D case who has received payment in full for a delinquent child support obligation which is the basis for the lien shall, within 30 days of receipt of payment, file with the clerk of court an acknowledgment that the obligor has satisfied the full amount of the lien and that the lien is discharged. If the lienholder fails to timely file the acknowledgment, the obligor may, after serving notice on the obligee, file an action in district court to discharge the lien. If in an action filed by the obligor to discharge the lien, the court discharges the lien and finds that the obligee failed to timely file an acknowledgment discharging the lien, then the court may allow the prevailing party to recover reasonable attorneys' fees to be taxed as court costs against the obligee."

Section 7.1. G.S. 50-13.4(f)(8) reads as rewritten:

"(8) Except as provided in Article 15 of Chapter 44 of the General Statutes, a ~~A~~ judgment for child support shall not be a lien against real property unless the judgment expressly so provides, sets out

the amount of the lien in a sum certain, and adequately describes the real property affected; but past due periodic payments may by motion in the cause or by a separate action be reduced to judgment which shall be a lien as other judgments."

PART 8. DEPARTMENT OF HUMAN RESOURCES TO DEVELOP AUTOMATED DATA PROCESSING AND INFORMATION SYSTEM, AND CENTRALIZED COLLECTION AND DISBURSEMENT SYSTEM FOR THE ENHANCEMENT OF CHILD SUPPORT COLLECTION AND DISBURSEMENT.

Section 8. (a) Automated System. The Department of Human Resources shall develop a single statewide automated data processing and information retrieval system to enhance enforcement of child support obligations. The system shall have the capability to perform the following tasks:

(2) Maintenance of requisite data on State performance with respect to paternity establishment and child support enforcement, including systems controls to ensure completeness and reliability of and ready access to this data;

(3) Establishment of safeguards on the integrity, accuracy, and completeness of, access to, and use of data in the system. Safeguards shall include policies restricting, controlling, and monitoring access to the system and database;

(4) Maintenance of the State's automated case tracking system (ACTS) in accordance with federal requirements;

(5) Information retrieval, comparisons, and disclosure, including the sharing and comparison of information from other databases and information comparison services. c. The respondent is subject to the personal jurisdiction of the tribunal of this State; or

(2) ~~An individual party or the child~~ The child, or a party who is an individual, is subject to the personal jurisdiction of the tribunal of this State and all of the ~~individual~~ parties who are individuals have filed a written consent in the issuing tribunal ~~providing that~~ for a tribunal of this State ~~may~~ to modify the support order and assume continuing, exclusive jurisdiction over the order. However, if the issuing state is a foreign jurisdiction that has not enacted a law or established procedures substantially similar to the procedures under this act, the consent otherwise required of an individual residing in this State is not required for the tribunal to assume jurisdiction to modify the child support order.

(b) Modification of a registered child support order is subject to the same requirements, procedures, and defenses that apply to the modification of an order issued by a tribunal of this State, and the order may be enforced and satisfied in the same manner.

(c) A tribunal of this State may not modify any aspect of a child support order that may not be modified under the law of the issuing state. If two or more tribunals have issued child support orders for the same obligor and child, the order that

controls and must be so recognized under G.S. 52C-2-207 establishes the aspects of the support order which are nonmodifiable.

(d) On issuance of an order modifying a child support order issued in another state, a tribunal of this State becomes the tribunal of continuing, exclusive jurisdiction.

~~(e) Within 30 days after issuance of a modified child support order, the party obtaining the modification shall file a certified copy of the order with the issuing tribunal which had continuing, exclusive jurisdiction over the earlier order, and in each tribunal in which the party knows that the earlier order has been registered.~~"

Section 10.13. Article 6 of Chapter 52C of the General Statutes is amended by adding the following new sections to read:

"**§ 52C-6-613. Jurisdiction to modify child support order of another state when individual parties reside in this State.**

(a) If all of the parties who are individuals reside in this State and the child does not reside in the issuing state, a tribunal of this State has jurisdiction to enforce and to modify the issuing state's child support order in a proceeding to register that order.

(b) A tribunal of this State exercising jurisdiction under this section shall apply the provisions of Articles 1 and 2 of this Chapter, this Article, and the procedural and substantive law of this State to the proceeding for enforcement or modification. Articles 3, 4, 5, 7, and 8 of this Chapter do not apply.

"**§ 52C-6-614. Notice to issuing tribunal of modification.**

Within 30 days after issuance of a modified child support order, the party obtaining the modification shall file a certified copy of the order with the issuing tribunal that had continuing, exclusive jurisdiction over the earlier order, and in each tribunal in which the party knows the earlier order has been registered. A party who obtains the order and fails to file a certified copy is subject to appropriate sanctions by a tribunal in which the issue of failure to file arises. The failure to file does not affect the validity or enforceability of the modified order of the new tribunal having continuing, exclusive jurisdiction."

Section 10.14. The Reviser of Statutes shall cause to be printed separate from this Part all relevant portions of the official comments to the Uniform Interstate Family Support Act, as amended, as the Reviser deems appropriate.

PART 11. MISCELLANEOUS AND EFFECTIVE DATE.

Section 11. The headings to the Parts of this act are a convenience to the reader and are for reference only. The headings do not expand, limit, or define the text of this act.

Section 11.1. Except as otherwise provided in this act, this act becomes effective October 1, 1997.

moves to amend the bill on page 43, lines 34-35, by inserting between the lines the following:

"Section 11. The Constitution of North Carolina protects an individual's right to a trial by jury in paternity actions. The only way to abolish this right is by amendment to the Constitution of North Carolina ratified by the qualified voters of this State. The General Assembly finds that because of the small number of jury trials requested in paternity actions in this State, and because of other procedures currently in place or authorized under this act, abolishment of the right would not increase the effectiveness and efficiency of the State's child support enforcement program. Moreover, any net benefit that might result from abolishing the right is substantially outweighed by the importance of preserving the right and thereby upholding the fundamental principles of individual liberty and due process of law. The North Carolina General Assembly, therefore, directs the Department of Human Resources to apply to the United States Department of Health and Human Services for an exemption from implementing the paragraph under 42 USC 666(a)(5) requiring procedures providing that the parties to an action to establish paternity are not entitled to a trial by jury. The Department shall report to the 1997 General Assembly, Regular Session 1998, upon its convening, on the status of the application for exemption."; and

further moves to amend the bill on page 43, by renumbering the remaining sections of Part 11 accordingly.

MEMORANDUM

TO: Senator Roy Cooper, Chair, Senate Judiciary Committee

FROM: O. Walker Reagan, Committee Co-Counsel

RE: **PROPOSED COMMITTEE SUBSTITUTE FOR SENATE BILL 311 - SMOKE DETECTOR PENALTIES** - Senator Bill Martin

The Proposed Committee Substitute for Senate Bill 311 would create infractions for violations of the residential rental smoke detector law. The original bill was a recommendation of the N.C. Child Fatality Task Force.

Current law requires landlords to furnish operable smoke detectors in residential rental units. The landlord has the duty to fix or replace defective units when notified by the tenant. The law also spells out whether the landlord or tenant is responsible for replacing old batteries.

Section 1 of the bill would require the landlord to replace or repair a defective smoke detector within 15 days of written notice by the tenant. This section will also require that the smoke detector be operational and in good repair at the beginning of each tenancy.

Section 2 will require the tenant to notify the landlord in writing if the smoke detector is defective.

Section 3 creates penalties for both landlords and tenants for violations of this law. A landlord who fails to provide, install, replace, or repair a detector within 30 days of receipt of written notice by the tenant or a governmental entity shall be responsible for an infraction and subject to a fine of up to $250. A tenant who fails to pay $10 to a landlord for repairing or replacing a disabled or damaged smoke detector presumably caused by the tenant within 30 days of a written request for payment shall be responsible for an infraction and subject to a fine of up to $100.

AN EQUAL OPPORTUNITY/AFFIRMATIVE ACTION EMPLOYER

Section 4 of the bill appropriates $20,000 to the Department of Insurance for purchase of smoke detectors in conjunction with the NC SAFE KIDS Coalition. Section 5 appropriates $30,000 to DEHNR for informational brochures, print announcements and public service announcements on smoke detectors laws and safety.

The punishment provisions of the bill become effective December 1, 1997. The appropriation provisions are effective retroactively to July 1, 1997.

A BILL TO BE ENTITLED

AN ACT TO PROTECT SPORT SHOOTING RANGES AND THEIR OWNERS, OPERATORS, AND USERS FROM PUNITIVE RESTRICTIONS.

The General Assembly of North Carolina enacts:

Section 1. Chapter 14 of the General Statutes is amended by adding a new Article to read:

"ARTICLE 53C.

"Sport Shooting Range Protection Act of 1997.

"§ 14-409.45. Definitions.

The following definitions apply in this Article:

(1) Person. -- An individual, proprietorship, partnership, corporation, club, or other legal entity.

(2) Sport shooting range or range. -- An area designed and operated for the use of rifles, shotguns, pistols, silhouettes, skeet, trap, black powder, or any other similar sport shooting.

(3) Substantial change in use. -- The current primary use of the range no longer represents the activity previously engaged in at the range.

"§ 14-409.46. Sport shooting range protection.

(a) Notwithstanding any other provision of law, a person who owns, operates, or uses a sport shooting range in this State shall not be subject to civil liability or criminal prosecution in any matter relating to noise or noise pollution resulting from the operation or use of the range if the range was in existence at least three years prior to the effective date of this Article and the range was in compliance with any noise control laws or ordinances that applied to the range and its operation at the time the range began operation.

(b) A person who owns, operates, or uses a sport shooting range is not subject to an action for nuisance on the basis of noise or noise pollution, and a State court shall not enjoin the use or operation of a range on the basis of noise or noise pollution, if the range was in existence at least three years prior to the effective date of this Article and the range was in compliance with any noise control laws or ordinances that applied to the range and its operation at the time the range began operation.

If there is a substantial change in use of the range after the person acquires title, the person may maintain a nuisance action if the action is brought within one year of the date of a substantial change in use. This section does not prohibit actions for negligence or recklessness in the operation of the range or by a person using the range.

(e) A sport shooting range that is operated and is not in violation of existing law at the time of the enactment of an ordinance and was in existence at least three years prior to the effective date of this Article, shall be permitted to continue in operation even if the operation of the sport shooting range at a later date does not conform to the new ordinance or an amendment to an existing ordinance, provided there has been no substantial change in use.

"§ 14-409.47. Application of Article.

Except as otherwise provided in this Article, this Article does not prohibit a local government from regulating the location and construction of a sport shooting range after the effective date of this Article."

MEMORANDUM

TO: Senator Roy Cooper, Chair, Senate Judiciary Committee

FROM: O. Walker Reagan, Committee Co-Counsel

RE: **PROPOSED SENATE COMMITTEE SUBSTITUTE FOR HOUSE BILL 115 - 1997 TECHNICAL CORRECTIONS** - Representative Culpepper.

The Proposed Senate Committee Substitute for House Bill 115 is primarily a recommendation of the General Statutes Commission to correct technical errors and to make conforming changes to various statutes and session laws. Sections 1 through 27 were recommended by the General Statutes Commission and have been summarized in a separate document by the Commission's staff. **Section 13 has been deleted from the bill because the section it was amending has been repealed. The repeal and deletion have occurred since the General Statutes summary was prepared.** This summary will cover the remaining sections of the bill. The changes beginning with Section 28 have been identified by legislative and agency staff, many of which are correcting errors or duplicative section numbers in laws adopted during the 1997 Session.

Section 28 amends G.S. 1-339.25(a) to correct a redlining error and to make a drafting style change. Three "the's" were inadvertently not redlined out, and the word "said" is being replaced with "the" to be consistent with the General Assembly's preferred drafting style.

Section 29 amends G.S. 20-4.01(27)d1 to conform the definition of a moped to include mopeds that do not require pedals.

Section 30 amends G.S. 20-28.2(a) to include the correct cross references for impaired driving offenses for which drivers licenses may be revoked.

Section 31 amends G.S. 20-28.3(a) to eliminate a redundant definition identically defined in the preceding statutory section.

Sections 32 and 33 amend two subsections of G.S. 20-7 to correct inconsistencies and ambiguities in changes made for motorcycle drivers licenses and graduated drivers licenses. These changes make it clear that a person must have either a regular drivers license

or a full provisional license, and either a motorcycle endorsement or a motorcycle learner's permit, in order to drive a motorcycle.

Section 34 amends G.S. 20-28.6 that provides for the forfeiture of the right to register a vehicle if the person is convicted of driving while impaired while the person's license was revoked for driving while impaired. This change makes it clear that this provision only applies when both these conditions exist. This section also clarifies that whenever an officer requests a person to submit to a chemical analysis after being stopped for impaired driving the person must be informed of their implied consent rights.

Section 35 amends G.S. 20-183.8C(b) to correct a reference that was reversed, originally enacted as "G.S. 20-187.3" instead of "G.S. 20-183.7".

Section 36 amends G.S. 20-376(1) to correct the reference to federal motor carrier safety regulations.

Sections 37 and 38 amend G.S. 20-381(1a) and G.S. 20-381(3), respectively, which specify the duties of DMV related to motor carrier safety, to conform state law to the federal regulations related to inspection authority for safety standards of motor carrier vehicles, and to clarify that regulation of transportation of hazardous materials includes transportation of hazardous commodities.

Section 39 amends G.S. 53-212.1 to correct the reference to a citation to the Federal Reserve Act.

Section 40 amends the catchline for G.S. 58-51-61 to change the section number because of a conflict in this section number that has been previously assigned this session.

Section 41 will amend a section of Senate Bill 843, Insurance Technical Changes, if it is enacted, to conform to changes in reporting requirements made in Senate Bill 843.

Section 42 amends G.S. 58-68-45(b)(3) to correct an incorrect subsection reference.

Section 43 repeals G.S. 105-305(b), (d), and (e) dealing with listing of personal property for intangibles taxation purposes that were inadvertently not repealed when the State's intangible tax was repealed.

Section 44 amends G.S. 113-291.3(b)(8) by deleting words unrelated to the transportation of deer meat into the State for sale.

Section 45 amends G.S. 120-349(a) to clarify that the session laws may be referred to either as "Session Law" or "S.L." by the enrolling clerk, instead of just as "S.L.".

Section 46 corrects the name of the Joint Legislative Education Oversight Committee in two places where the word "Oversight" was inadvertently omitted.

Section 47 amends G.S. 122C-261(d) to eliminate redundant language and to clarify that a person committed to outpatient treatment when judicially determined to be mentally ill is to be notified by the treating physician of the times for scheduled treatments, not by the clerk or magistrate.

Section 48 amends G.S. 130A-412.1(g) to correct a grammatical error by deleting an unnecessary "a".

Section 49 amends G.S. 131E-146(1) to conform the definition of "ambulatory surgical facility" to changes made in the law in 1993. This section also makes clear that one operating room facilities licensed under the law prior to the changes in 1993 may continue to operate even though current law would require two operating rooms to qualify for licensure.

Section 50 amends G.S. 143-215.84(e) to change the subsection designation because of a conflict with the same subsection designation having been previously assigned this session.

Section 51 amends a local law governing the Currituck County Game Commission to make clear and consistent that the application fee is nonrefundable in all situations.

Section 52 amends the 1997 Redistricting law to correct the citation to 1991 Redistricting law that is being repealed.

Section 53 corrects a citation to a subsection being repealed from its session law citation to its General Statutes citation.

Section 54 corrects the prefatory language to a bill section amending the title to Article 5 of Chapter 130A that was incorrectly cited as Chapter 30.

Section 55 makes a technical correction to a session law by adding a quotation mark that was omitted.

Unless otherwise specifically provided, the bill will become effective when it becomes law.

MEMORANDUM

TO: Senate Judiciary Committee

FROM: General Statutes Commission

DATE: July 14, 1997

RE: House Bill 115 (1997 Technical Corrections)

General Comments

This bill makes corrections of a technical nature to various sections of the General Statutes. The amendments recommended by the General Statutes Commission are in Sections 1 through 28 of the bill. These amendments correct spelling, typographical, grammatical, redlining, and other obvious drafting errors, make technical conforming changes, update or correct statutory references, and authorize the Revisor of Statutes to renumber sections or parts of sections if needed by the General Assembly's new computer programs.

Specific Comments

Section 1. This section amends G.S. 7A-650(b1) to correct a redlining error. When the subsection was last amended, the extra "juvenile" was inadvertently not redlined out.

Section 2. This section makes a correction to G.S. 14-277(a). When subdivision (4) was added, the conjunction "or" between subdivisions (2) and (3) was not moved. This section moves "or" to the proper location between subdivisions (3) and (4) and conforms the punctuation.

Section 3. This section amends G.S. 15A-401 to update a citation. The General Assembly amended G.S. 14-33 in 1995 so that former subdivisions (b)(1) and (b)(2) of that section are now subdivisions (c)(1) and (c)(2).

Sections 4, 5, and 6. S.L. 1997-181 enacted Revised Article 8 of the Uniform Commercial Code with conforming amendments to various sections in Article 9 of the Code. These three section make corrections to the conforming amendments to Article 9. Section 4 deletes an unnecessary phrase in G.S. 25-9-105(1)(h), and Sections 5 and 6 insert conforming

citations in G.S. 25-9-312(7) and G.S. 25-9-303(1), respectively. These conforming amendments were inadvertently omitted from the material sent to this State by the National Conference of Commissioners on Uniform State Laws.

Section 7. This section amends G.S. 28A-18-2(a) to correct inadvertent drafting errors. The language "but shall be disposed of as provided in the Intestate Succession Act" needs to be moved from its present position, at the end of the last sentence of the subsection, to the next to the last sentence of the subsection. The language actually belongs with the subject phrase "[t]he amount recovered in such action" of the next to the last sentence. The language was separated in the course of successive amendments to the subsection.

Section 8. This section corrects an inadvertent error in G.S. 41-19, which is part of the Uniform Statutory Rule Against Perpetuities, enacted in 1995. The words "created by the exercise of a power of appointment", which appear in the equivalent section in the Uniform Act, were dropped when the original bill was typed. A careful reading of the resulting language will disclose that some language is missing. This section reinserts the missing language.

Sections 9 and 10. These sections amend G.S. 68-42 and 68-43, respectively, to correct the spelling of "Shackelford", which evidently is spelled "Shackleford".

Section 11. This section amends G.S. 81A-26(a)(4) to insert words that were apparently inadvertently omitted when the section was enacted.

Section 12. This section amends G.S. 90-89(c)15. to change the spelling of "psilocyn" to the preferred spelling, "psilocin".

Section 13. This section amends G.S. 97-93(d) to conform the style of the citations to the current style used in drafting. In a list of only two citations, each citation is preceded by "G.S."; when the list is longer than two citations, "G.S." appears only in front of the first citation in the list.

Section 14. This section amends G.S. 106-727(b) to delete an extra "of " that occurred as the result of a redlining error.

Section 15. This section amends G.S. 106-802(4) to delete some extraneous language that resulted from amendments to this section by two different acts.

Section 16. This section corrects a citation in G.S. 115C-81.2(e).

Section 17. This section deletes an extra "the" in G.S. 115C-302(f).

Sections 18 and 19. These two sections amend G.S. 115D-2.1. Section 18 amends subdivision (b)(3) to correct a citation. Section 19 amends subsection (d) to conform the style of

the number to the current drafting style; the number "5" should have been written out, i.e. "five".

Section 20. This section corrects a typographical error in the punctuation of one of the subdivisions of G.S. 131D-2(a1). The comma should be a semicolon to conform to the punctuation of the other subdivisions in the subsection.

Section 21. This section amends G.S. 131D-20(6) to correct a typographical error. The word "and" should have been "an".

Section 22. This section deletes an extra reference to adult care homes in G.S. 143B-153(3)b. that resulted from amendments by two different acts in the same session.

Section 23. This section amends G.S. 148-32.1(b) to conform the style of the citations to the current style used in drafting. See the comment under Section 13.

Section 24. This section makes three basic amendments to G.S. 153A-301(a). First, in subdivision (8), it conforms the style of reference to articles and chapters of the General Statutes to the current style. In subdivision (10), it changes the style of the number to arabic numerals instead of words. In that same subdivision, it deletes an extra "the" in subsubdivision c.

Section 25. This section repeals Chapter 261 of the 1995 Session Laws, which was made redundant by Chapter 546 of the 1995 Session Laws. Both amended G.S. 153A-343(b), which was added to G.S. 153A-343 by a previous General Assembly to provide for giving notice of certain types of proposed zoning changes by publication in the newspaper instead of requiring notice to affected property owners by first class mail. The two 1995 acts inserted essentially the same provision into G.S. 153A-343(b) to allow counties to continue, at the county's option, to send these notices by first class mail. This amendment was the only substantive provision in Chapter 261. Chapter 546, however, accomplished the same result in slightly different language, so that some of the wording from Chapter 261 remains in G.S. 153A-343(b) as "garbage language" that needs to be deleted.

Section 26. This section amends the operative language of Section 2 of Chapter 627 of the 1995 Session Laws. "G.S. 113-133(e)" should have been written "G.S. 113-133.1(e)".

Section 27. This section specifically authorizes the Revisor of Statutes to renumber sections and parts of sections as necessary for the General Assembly's new computer programs. There will be no change in the law itself.

If no such local confinement facility is available, then any such judge may order the prisoner transferred to such camp or facility as the proper authorities of the Department of Correction shall designate, notwithstanding that the term of imprisonment of the prisoner is 90 days or less. In no event, however, shall a prisoner whose term of imprisonment is less than 30 days be assigned or ordered transferred to any such camp or facility."

Section 24. G.S. 153A-301(a) reads as rewritten:

"(a) The board of commissioners of any county may define any number of service districts in order to finance, provide, or maintain for the districts one or more of the following services, facilities and functions in addition to or to a greater extent than those financed, provided or maintained for the entire county:

To whom it May Concern:

I wish to protest the possibility of closing Beach Bingo - It's my only source of enjoyment outside of my Home - When I am depressed from taking care of my invalid mother - I can go to Beach Bingo - meet with my friends & then go home in a great frame of mind - ready to ~~battle~~ tackle another day.
I feel it will be an injustice to close Bingo.

I am a 25 year old female. I have enjoyed playing Beach Bingo & Charity Bingo for years. I still play beach bingo to this date. I can go & enjoy a night out with my friends or my family & not have to worry about being a victim of crime.

I go to Beach Bingo to relax, socialize, & just "kick back!" I work - so I deserve a night out! I love the way all of the people at my bingo parlor (where I play) know each other. We are like a family. We get together & play some bingo & hopefully win a little money.

Beach Bingo really doesn't cost as much as dinner for two & a movie for two. So, I can afford it! Please keep my beach bingo parlor open! I need an outlet from my daily routine & playing a little beach bingo is all I do besides work! Keep Beach Bingo operating in N.C. We need it!

Thank You,

To Whom It May Concern:

I am a 44 year old woman , who developed seizures three years ago. I enjoy playing BEACH BINGO in my hometown. It is not safe for me to go out of town because of my medical condition or the amount of crime elsewhere. If you stop Beach Bingo then myself and other people like me will have to stay at home by ourselves with nothing else to do. This is the only enjoyment that I have , I get to socialize with other people this way. It is hard being single and have to stay home alone. Please reconsider and let Beach Bingo remain in full operation. Thank You,

To whom it May Concern:

Thank you for allowing me to come here & voice ~~opinion~~ my side of this issue.

For starters I, myself, & the 100 plus signatures ~~(that I have)~~ that I am here to represent today are appalled by Charity Bingo trying to eliminate beach bingos. No, one charitable certain org. or group should be allowed to monopolize any part of a Bus. Market. That is illegal. Beach Bingo & to quote Ms. Brenda Brewer is not "Big Business," but rather ~~Bch~~ Beach Bingo is like a socializ. club.

My playis enjoy a couple nights of Beach bingo for a fraction of the cost from one might of Charitable bingo - from the poll of my own

players their #1 reason for not going to play charitable bingo is the cost. Beach Bingo operators do not set the prices for charitable bingos. The Charitable bingo operators do - Why should they want to eliminate Beach Bingos when all they would really have to do is lower their prices!!

My players also enjoy the smaller crowds of 35 to 45 people. They all know each other by name & we are somewhat like a family.

Bingo players have the right to freedom of choice as the law reads now - to change or eliminate their choice is unconstitutional. Freedom of choice is ~~a luxury~~ a right ~~privilege~~ in the United States.

We, the opratars of beach bingo do not deserve to be discriminated against - We pay our taxes & are law-abiding citizens. Please reconsider this bill. There are many steps that can be taken to regulate all bingos - Beach & Charity! To just eliminate a type of bingo that has been around since I was a small child is truly Un-American. Regulations need to be set to protect Charity Bingos from any unlawful Beach Bingo activity & Beach Bingo surely needs to be protected from ~~daddy~~ Charity Bingos opratig illegally.

We Beach Bingo's are small, but we mean a lot to our communities. We are small, but very important. Please reconsider

This discriminatory, unlawful bill that has been presented to you. We are an economic system that is based on free-enterprise. Please protect us Beach Bingos from being stamped out - We are small & few, but like I've already said we are very important to our players - in our communities - Save these players rights to freedom & choice by vetoing this bill!

Thank You!

Good afternoon ladies + gentlemen. First of all, let me express my gratitude for the opportunity to voice the opinion of my colleques and myself. We hope that Senate Bill 893 does not become law because of the following reasons.

First, beach bingo is a form of recreation for many NC residents. The local bingo parlor is a place for citizens to congregate, socialize, relax, and mostly have fun. People who come to play bingo are representative of all NC taxpayers. Almost 70% of our players are 55 or order and many are very concerned. The local bingo offers these citizens entertainment in a clean, friendley, and alcohol-free atmosphere. ~~It is law that beach bingo are not allowed to serve alcohol, and alcohol harms more NC residents than bingo ever will~~

Secondly, it should be noted that beach bingo operaters are subject to taxation like any other business. If the amount of taxes paid by beach bingo owners and employees was totaled, I'm sure that the committee would be impressed. All of these tax dollars are put to use for roads, schools, etc. Also Wayne Co. recieves support for local government efforts from our county

taxes, business license fees, and property tax. Also Wayne Co. charities such as the Eureaka Fire Dept, the Wayne Co. DARE Association, and the local chapter of the Fraternal Order of Police have recieved donations from my partners and myself.

Lastly, beach bingos in NC employ a substantial # of NC residents. Our business employees 2 high school students and 3 full-time employees. I think everyone would agree that teenagers working now provides a good work ethic in the years to come. If these places are closed, that would put a large # of people out of work, placing them on an already overdependent welfare system. Also my partners and myself would be at of a [redacted] business that we worked very hard to open. We also worked [redacted] at a beach bingo in Greenville while attending East Carolina University.

In conclusion, we hope Senate Bill 893 does not become law due to three main issues. Many taxpayers in NC find bingo an enjoyable atmosphere to socialize and relax in. Beach Bingo also offers job placement to many NC residents. Last, the taxes Beach

bingos pay the state are used by all people in N.C. And isn't this the most important aspect of all. Let the people of North Caroling decide what to do with their money, after all they decided who would represent them here in Raliegh.

Testimony Before the Senate Judiciary Committee Public Hearing on Senate Bill 893- Charitable Bingo Regulations

John Rustin, Director of Government Relations
North Carolina Family Policy Council
May 20, 1997

Thank you, Senator Cooper. My name is John Rustin and I work with the North Carolina Family Policy Council, a non-partisan, non-profit research and education organization which serves as the voice for families and traditional family values in the North Carolina public policy arena.

For many years, the North Carolina Family Policy Council has provided the legislature with information on the negative effects legalized gambling has on the states that allow it. For example, in 1994, the Center for Economic Development at the University of Massachusetts analyzed 14 studies conducted by the gambling industry itself and confirmed that legalized gambling siphons money out of the economy by encouraging people to spend money on gambling instead of on goods and services. The study also found that legalized gambling results in higher numbers of compulsive gamblers, higher incidents of crime, increases in child abuse and domestic violence, as well as increased cost to cover the social services needed to deal with these gambling-related problems.

Senate Bill 893-Charitable Bingo Regulations includes provisions to change a number of areas currently in the law regarding legalized gambling in our state. First, this bill would allow the use of "charitable game tickets" in conjunction with charitable bingo operations. These game tickets closely resemble lottery tickets and would be used in much the same way as a lottery. If passed, this provision would allow an additional avenue for legalized gambling in the state.

Second, while the bill would expand the regulation of charitable bingo operations, it would also expand the hours of operation and the maximum aggregate payout allowed in each bingo session. The maximum payout would increase from the current $1,500 to $3,500 not including "jackpot bingo" which allows a payout of $2,500 in one game. This brings the potential payout from $1,500 to at least $6,000. History shows that higher payouts result in higher participation in gambling.

Thirdly, SB 893 repeals current provisions in the law that allow the operation of "beach bingo." It is logical to expect the elimination of these legalized gambling operations would result in a reduced presence of gambling in North Carolina.

Senator Cooper, thank you for the opportunity to provide these observations on this issue. We hope this information has been helpful.

Bingo parlors like this one in Whitnel may be threatened by proposed state legislation.

Bingo owner opposing bill

■ Cecil Graves says charity games are lobbying for a law to ban beach bingo.

By DAVE CRUZ
Staff Writer

LENOIR — In a conservative state where open gambling is barely tolerated, a Lenoir beach bingo parlor owner has discovered a new threat to his livelyhood, charity bingo.

Cecil Graves, 38, of Lenoir, who along with his wife Pat own Pat's Beach Bingo in the Whitnel section of the city, said he is upset about a bill in the General Assembly that would eliminate beach (non-charity) bingo and tighten requirements for charity bingo games.

But what has Graves the most concerned is that the bill has the support of a charity bingo lobbying group.

Last week, Brenda Brewer, president of the N.C. Association for Charity Bingo, spoke to the Senate Judiciary Committee in support of the bill and claiming the spread of small pot beach bingo parlors in the state is hurting its business.

Graves said that is not true.

"When one of those buildings (charity bingos) are occupied we have no business at all," Graves said.

Currently, the state limits beach bingo jackpots to $10 per game. Charity bingos can pay $2,500 in prize money during a one-night, four-hour period per week.

"Somebody that wants to play bingo would go to place where they could win the most money," Graves said.

The Associated Press reported that Brewer told the senators that "beach bingo is big business and it is running charity bingo out of business."

Graves said the statement couldn't be further from the truth.

BINGO *continues on next page*

BINGO

Continued from page 1

He said charity bingo is highly profitable big business and that only 35 percent of the profits are required to go to a sponsoring charity. Charity bingos can take in huge profits during the four hours a week they're legally allowed to operate.

"I'd be tickled to death to make half that in profits for one week," he said.

Graves said he is attempting to organize other beach bingo operators and beach bingo players in opposition to the bill and is circulating a petition.

Graves said he and his wife have every penny they have ever made in their lives tied up their business. In his petition, Graves states " ... it not right to single out one business and say get out; you lose everything. Please sign this petition to help protect beach bingo, small business and protect your rights to free enterprise.

When it comes to the question of gambling, bingo player Arnold Bryant, 66, of Hudson said beach bingo is the lesser of the two evils when compared to charity bingo.

"This is the type of bingo where retired people can enjoy themselves. They don't spend a whole lot of money and they can't win a whole lot of money," Bryant said. "It's more like a hobby than gambling. It's a fun game. Charity bingo is more like gambling. You're playing for big money, and you're spending more money."

Bryant said he doesn't see beach bingo as being a threat to charity bingo.

Frances Shehan, 71, plays bingo about five nights a week. She said she spends about $15 a night playing Pat's Beach Bingo and wins a lot there. She said at the big charity games she'll spend about $35 a night.

"I come out pretty good here," Shehan said of the beach bingo.

She also opposes the proposed bill that would ban beach bingo.

"If they closed our bingo I wouldn't have nothing to do," Shehan said. "I can't see why they would want to close it down. Us elderly, all we've go to do is play bingo."

Graves said he and his wife pay their city business license fees and pay state and federal income taxes on their profits and personal salaries. He said it is unfair to have beach bingo eliminated from competing for the public's bingo dollar through legislation.

"It seems like it should be unconstitutional for them to target a business and shut them down," he said.

Graves said it will take an organized effort to defeat this proposed legislation and wants to present his petition in Raleigh next week. He is inviting all beach bingo operators to contact him.

His home phone number is 754-3755. His number at the parlor is 757-2884.

Bill Would Eliminate 'Beach Bingo'

RALEIGH — Bingo games in North Carolina are supposed to raise money only for charities, but the charities say the spread of small-pot "beach bingo" parlors is hurting their games.

Beach bingo "is big business and it is running charity bingo out of business," Brenda Brewer, president of the N.C. Association for Charity Bingo, told a Senate committee Thursday.

She spoke before the Senate Judiciary Committee in support of a bill that would eliminate beach bingo and tighten the requirements for charity bingo games.

State law allows charity bingo events to be held at limited times and with limited prizes. A prescribed percentage of the profits must go to the sponsoring charity. Beach bingo, which has much larger jackpots, can operate throughout the week.

Bill Would Eliminate 'Beach Bingo'

RALEIGH — Bingo games in North Carolina are supposed to raise money only for charities, but the charities say the spread of small-pot "beach bingo" parlors is hurting their games.

Beach bingo "is big business and it is running charity bingo out of business," Brenda Brewer, president of the N.C. Association for Charity Bingo, told a Senate committee Thursday.

She spoke before the Senate Judiciary Committee in support of a bill that would eliminate beach bingo and tighten the requirements for charity bingo games.

State law allows charity bingo events to be held at limited times and with limited prizes. A prescribed percentage of the profits must go to the sponsoring charity. Beach bingo, which has much lower jackpots, can operate throughout the week.

Bill Would Eliminate 'Beach Bingo'

RALEIGH — Bingo games in North Carolina are supposed to raise money only for charities, but the charities say the spread of small-pot "beach bingo" parlors is hurting their games.

Beach bingo "is big business and it is running charity bingo out of business," Brenda Brewer, president of the N.C. Association for Charity Bingo, told a Senate committee Thursday.

She spoke before the Senate Judiciary Committee in support of a bill that would eliminate beach bingo and tighten the requirements for charity bingo games.

State law allows charity bingo events to be held at limited times and with limited prizes. A prescribed percentage of the profits must go to the sponsoring charity. Beach bingo, which has much larger jackpots, can operate throughout the week.

Beach Bingo is a fun enjoyable activity that Senior Citizens can participate in. We can't stay out as late as your charity places want to stay and it's not fair to have to spend our money where we don't want to. Beach Bingo is "cheap" and "fun." Don't make a decision without knowing how we feel.

Please don't take away my rights to spend my money as I choose. The lottery is not in effect in N.C., but we all go to the Va. Line to play the lottery; which that could be monies for our state for highways & better education, etc.

AP News Briefs

Bill Would Eliminate 'Beach Bingo'

RALEIGH — Bingo games in North Carolina are supposed to raise money only for charities, but the charities say the spread of small-pot "beach bingo" parlors is hurting their games.

Beach bingo "is big business and it is running charity bingo out of busi ness," Brenda Brewer, president of the N.C. Association for Charity Bingo told a Senate committee Thursday.

She spoke before the Senate Judiciary Committee in support of a bill tha would eliminate beach bingo and tighten the requirements for charity bingo games.

State law allows charity bingo events to be held at limited times and wi limited prizes. A prescribed percentage of the profits must go to the spons ing charity. Beach bingo, which has much lower jackpots, can oper throughout the week.

These Signatures + Names are in protest to changing, altering, or diminating Beach Bingo. We are Signing this petition to stand as documented proof that we are taking a stand for our right to choose where each of us play bingo (Beach bingo or Charity bingo).

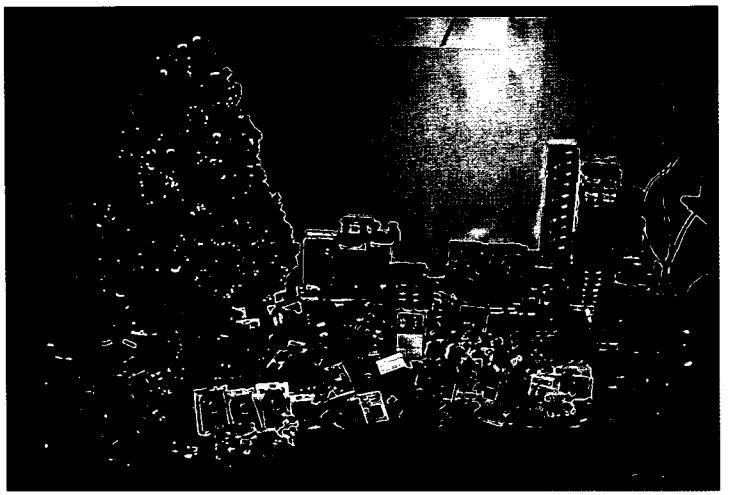
This Is From A Beach Bingo

Every community gives something to its members • • •

• • • but it takes someone special to return the favor.

DON HOLYFIELD

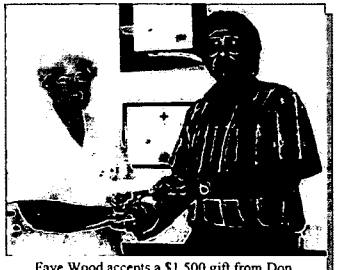


"Every man according as he purposeth in his heart, so let him give; not grudgingly, or of necessity: for God loveth a cheerful giver."

I Corinthians 9:7

Picture by Freddy Sloan, Chief of Police, Jonesville

"Thanks Don Holyfield and Starmount Bingo for donations to the Jonesville Fire Department building fund."



Toys were brought and given to children from ages 0–16 years of age. Some of the bingo players stayed after bingo to help separate the toys. We also had refreshments for the families when they came by. Over 100 needy families received a box of canned food, a canned ham, oranges, apples, and candy.

Special thanks to all the bingo players and organizations throughout the area—Yadkin County Ministries, Tri-County Ministries, YVEDDI, and Head Start—who helped supply names of needy families.

Listen to what Don has to say about giving...

"Over the years, members of my family and I have benefitted from the kindness and generosity of the community. I have always hoped to be in a position to be able to, in some small measure, return some of that generosity. Fortunately, my businesses, Starmount Plaza Bingo and Bonus Time Bingo, have given me the opportunity to work with many persons who not only enjoy Bingo for its good, clean entertainment value, but who also enjoy giving and helping meet the needs of the community.

Faye Wood accepts a $1,500 gift from Don Holyfield. Red Cross was the designated charity for the bingo games Don held on Merita Street in May.

'It has been said that it is more blessed to give than to receive. To that, I add that the joy and satisfaction experienced by a gift's recipient cannot hold a candle to the joy and satisfaction which the act of giving brings to the giver.

'All the year round, we are mindful of the fact that there are many people in our community who need food, clothing, and shelter. There are dozens of underprivileged children in our community for whom each holiday is simply another unhappy reminder of their "have-not" status.

'I hope that as each holiday season approaches, each person in the community with the means to do so will make a generous gift to the charity of his or her choosing. It will be the best gift you ever receive."

If you like, you may leave your presents with Don, and he will distribute them to those in need.

The Mt. Airy Salvation Army receives a generous gift of food and toys from Don.

What if...

...no one were there to help a family whose young child was facing a life-threatening illness?

...there were no paramedics to respond to medical emergencies?

...the fire trucks were slow to start because they had to sit outside during cold weather?

...needy children had no Christmas?

...abused, battered, and homeless persons had no place to go?

Bill Would Eliminate 'Beach Bingo'

RALEIGH — Bingo games in North Carolina are supposed to raise money only for charities, but the charities say the spread of small-pot "beach bingo" parlors is hurting their games.

Beach bingo "is big business and it is running charity bingo out of business," Brenda Brewer, president of the N.C. Association for Charity Bingo, told a Senate committee Thursday.

She spoke before the Senate Judiciary Committee in support of a bill that would eliminate beach bingo and tighten the requirements for charity bingo games.

State law allows charity bingo events to be held at limited times and with limited prizes. A prescribed percentage of the profits must go to the sponsoring charity. Beach bingo, which has much lower jackpots, can operate throughout the week.

We, the owners and players of beach bingo, know that beach bingo is not running charity bingos out of business. If the charity bingo would run their bingo by the laws on North Carolina instead of trying to mix beach bingo with progressive games, five dollar winner-take-all games and a $2500 program, this would not be a problem. That is why the charity sponsors should run their own bingos. This way they will know, as well as the players, where their money is going. Beach bingo is a business and we are not fooling the people. They know you can only win $10 per game. Charity bingo is just operator against operator, one trying to outdo the other to see who can pay out the largest program.

Why don't the lawyers who represent charity bingo check with the sponsor to see how much money the operations are giving the sponsor each month to use their name? We the undersigned are here to say that we support beach bingo and the $10 games.

Bill Would Eliminate 'Beach Bingo'

RALEIGH — Bingo games in North Carolina are supposed to raise money only for charities, but the charities say the spread of small-pot "beach bingo" parlors is hurting their games.

Beach bingo "is big business and it is running charity bingo out of business," Brenda Brewer, president of the N.C. Association for Charity Bingo, told a Senate committee Thursday.

She spoke before the Senate Judiciary Committee in support of a bill that would eliminate beach bingo and tighten the requirements for charity bingo games.

State law allows charity bingo events to be held at limited times and with limited prizes. A prescribed percentage of the profits must go to the sponsoring charity. Beach bingo, which has much lower jackpots, can operate throughout the week.

We, the owners and players of beach bingo, know that beach bingo is not running charity bingos out of business. If the charity bingo would run their bingo by the laws on North Carolina instead of trying to mix beach bingo with progressive games, five dollar winner-take-all games and a $2500 program, this would not be a problem. That is why the charity sponsors should run their own bingos. This way they will know, as well as the players, where their money is going. Beach bingo is a business and we are not fooling the people. They know you can only win $10 per game. Charity bingo is just operator against operator, one trying to outdo the other to see who can pay out the largest program.

Why don't the lawyers who represent charity bingo check with the sponsor to see how much money the operations are giving the sponsor each month to use their name? We the undersigned are here to say that we support beach bingo and the $10 games.
