MINUTES
SENATE JUDICIARY COMMITTEE
FEBRUARY 4, 1997

The Senate Judiciary Committee met on February 4, 1997 at 10:00 a.m. in Room 1027 of the Legislative Building. All members were present.

Senator Cooper, Chairman, called the meeting to order and welcomed the members of the Committee and thanked them for their willingness to serve.

Senator Cooper explained that because of the size of the Committee and the fact that there would be only one Senate Judiciary Committee this session, it would be necessary to appoint subcommittees to look at legislation from time to time. These will be announced when necessary.

Senator Wib Gulley was recognized to explain **Senate Bill 1** - A ACT TO REFORM THE CAMPAIGN LAWS OF NORTH CAROLINA.

This bill would:

1. Lower the contribution limit
2. Close the soft money loophole
3. Close the family loophole
4. Close the second primary loophole
5. Provide for electronic filing and access for statewide legislative elections
6. Provide for quarterly filing during an election year
7. Require identification of donor's occupation
8. Require reporting in local elections and referenda
9. Clarify/expand the limitation on fundraising during session

Warren Murphy, with the North Carolina Alliance for Democracy, and Sam Brown, with Common Cause of North Carolina, spoke on the bill. (Information is attached to the minutes.)

Yvonne Sullivan, with the State Board of Elections, was recognized to respond to questions from the Committee.

Senator Rand moved to amend the bill on Page 1, Line 17 by adding "candidates spouse". The motion carried by voice vote.

Senator Winner moved to give the bill a favorable report as amended.

Senator Kincaid moved to amend the bill on Page 2, Line 23 by deleting lines 23-38.

Senator Ballance offered a substitute motion to change the date this section would become effective from 1998 to 2000. The motion failed on a tie vote.

Senator Kincaid's motion was voted on and failed by a show-of-hands vote.

Senator Winner's motion to give the bill a favorable report as amended carried by voice vote.

There being no further business, the meeting adjourned at 11:20 a.m.

TO: Senate Judiciary Committee.

FROM: William R. Gilkeson, Staff Attorney.

RE: Senate Bill 1 – Campaign Reform Act of 1997.

Senate Bill 1, introduced by Senator Gulley, would make nine changes to the campaign finance laws, as follows:

1. Lower the Contribution Limit. – Currently, the contribution limit is $4,000 per donor per donee per election. **The bill would lower the limit to $2,000. Effective January 1, 1998.**

2. Close Soft Money Loophole. -- Currently, political party executive committees are exempt from the contribution limit on both ends: They may receive contributions without limit, and they may give contributions without limit. **The bill would remove the exemption at both ends and treat party committees like other political committees with respect to contribution limits. Effective Jan. 1, 1998.**

3. Close Family Loophole. – Currently, members of a candidate's immediate family (spouse, parents, brothers, sisters) may contribute to the candidate without limit. **The bill would remove the exemption and treat family members like other individuals with respect to contribution limits. Effective Jan. 1, 1998.**

4. Close Second-Primary Loophole. – Currently, an "election" for purposes of the $4,000 contribution limit is a first primary, a second primary, or a general election. The State Board of Elections has ruled that the law means a candidate may receive an extra $4,000 from a contributor for a second primary even if the candidate is not on the ballot in a second primary. **The bill would clarify that a second primary triggers an extra $2,000 (see Item 1) in contributions only if the candidate is on the ballot in a second primary. Eff. Jan. 1, 1998.**

5. Electronic Filing and Access: Statewide and Legislative Elections. – Currently, campaign treasurers are not required to file campaign-finance reports electronically. The State Board of Elections has sought to encourage electronic filing by giving treasurers a disk showing them the format it uses. The Board says electronic filing enables it to make the campaign data accessible to the public much more quickly. But few campaigns have chosen to file electronically. **The bill would require electronic filing for all statewide and legislative**

campaigns by 1998. It would also require the State Board of Elections to provide public access on the Internet for all campaign finance reports as soon as feasible

6. Quarterly Filing During Election Year. -- Currently, the schedule of reporting during an election year is: One report 10 days after filing candidacy or forming a committee, one report 10 days before the primary, one report 10 days before the general election, and an annual report. A candidate defeated in a primary must file a report 30 days after that defeat. During an off-year, only an annual report is required. **The bill would replace the current schedule of campaign reports with a system of quarterly reports during every even-numbered year and semi-annual reports every odd-numbered year. To prevent the quarterly schedule from being *less* informative to the public than the current schedule, the bill makes the third quarterly report due 10 days before the general election and requires that it must cover the period up to 17 days before the election. The new schedule would begin in 1998. (The bill also requires the State Board of Elections to study the feasibility of monthly reports during an election year, with weekly reports during the month before an election.)**

7. Donor's Occupation. -- Currently, a campaign treasurer must identify on the campaign finance report the name and address of every contributor who gave over $100 per election. Under the law governing federal elections, and in the law of 27 states, the treasurer must also report the donor's occupation. **The bill would add donor's occupation to North Carolina's reporting requirement. It would leave in place the $100 threshold on identifying contributors. Effective in 1998.**

8. Reporting in Local Elections and Referenda. – Currently, there is an exemption from campaign-finance reporting for all candidates for county and municipal offices in any county or city with a population of less than 50,000. Candidates in those smaller local elections already are subject to contribution limits and other campaign-finance regulations. But they are exempted from reporting, no matter how much money they receive or spend. In local referenda, no reporting is required, no matter the size of the locality. **The bill would change the population threshold for campaign -finance reports in local government elections from 50,000 to 10,000. It would require candidates in local elections in cities and counties over 10,000 to report. (The bill would leave unchanged a current exemption from reporting by any kind of candidate or political party committee if no financial activity in the campaign exceeds $1,000.) The bill would also require reporting in referenda of cities and counties, regardless of population. Applies to elections beginning in 1998.**

9. Clarify/Expand the Limitation on Fundraising During Session. – Currently, legislators and Council of State members are prohibited from accepting contributions made by "or at the behest or recommendation of" a registered lobbyist during the long session of the General Assembly. The law exempts from that prohibition any "political committee that operates on a statewide basis in conjunction with the executive committee of a political party for the purpose of assisting that party's candidates for Council of State or General Assembly." **The bill would clarify who is a prohibited donor by specifying that legislators or Council of State members may not receive contributions during the long session from lobbyists or from any political committees that have lobbyists or whose parent entities have lobbyists. And the bill would change who is a prohibited donee by removing the exemption for gifts to the statewide party committees designed to help legislative or Council of State candidates. Effective Jan. 1, 1999.**

SENATE JUDICIARY COMMITTEE HEARING
Legislative Building · Room 1027

February 4, 1997
10:00 A.M

Since we know a good system of public financing for fair elections is easily possible, and since we know it would cost only about two tenths of one percent (.2% = .002) of the General Funds Budget, it is hard for me to understand the grudging tidbits of reform that are being considered. This Senate Bill I is very inadequate for what is needed. The "North Carolina Clean Elections Act" offered by Sen. Wib Gulley is what we need, perhaps combined with Lt. Gov. Dennis Wicker's "Positive Campaign" bill. So, why don't we just do it?

I suspect the answer is that tremendous special interest opposition is coming into play on the back channels. Who knows, maybe millions of dollars are in the pipeline for the defenders of the present system. A system manageable for big lobbyists and vested interests which they want to keep. This reluctant, one inch at a time giving way can hold on for another 4, 8, or even 12 years.

It amazes me that most of the status-quo spokesmen claim they don't hear any clamor from their constituents. But in one public poll after another, 60% to 80% of the respondents say big money must be removed from campaign financing.

It seems to me that an honest public official would be glad to be relieved from the money raising business in order to put time into studying the bills, researching the facts, consulting the constituents, voting in a statesman/stateswoman like way, and maybe reading philosophy and designing some new concepts for the new day in North Carolina.

It ought to be a terrible experience for a legislator to have to vote against what is good for the children, the honest, average citizen, the environment, etc. Let us dream of a rebirth of conscience in some of our leadership.

If we don't soon make the needed reforms, the remaining 20% of the voters will also stop voting. They are asking "Is North Carolina so much under the control of powerful special interests that we can't fix it?" Maybe soon special interests will be in position to block all meaningful reform. I am afraid we are too close to that sad state already.

Why should anyone say such a thing? Because we hear what the insiders are saying about real reform happening in this session of the legislature. They are saying "It has virtually no chance in 1997 and that it may not make it through the committees, so it can be voted up or down." Who can tell me big money and unnamed power brokers among the incumbents won't go on ruling in North Carolina against the people's best interest. Money, Power and Special Interests corrupt.

Are they indeed already too strong for the democratic processes to make needed reform. From a citizen's perspective, it certainly appears to be so.

What Senate Bill 1 Does - and What it Doesn't

The NC Alliance for Democracy has been seeking reform that provides:

1) Full and timely disclosure of campaign contributions
2) Appropriate and effective enforcement
3) A Clean money option for qualified candidates who agree to limit spending - and which closes the campaign finance loopholes for those candidates.

Our analysis shows that Senate Bill 1 fails to meet any of these criteria.

Senate Bill 1 has the following major provisions. Our comments on these provisions are noted in italics:

LOWER THE CONTRIBUTION LIMIT AND CLOSE LOOPHOLES FOR PARTY CONTRIBUTIONS, FAMILY CONTRIBUTIONS, AND SECOND PRIMARIES

Sec. 1 (a) and (b) Lowers the limit on single campaign contributions per election (primary, second primary, and the general are each an election) from the present $4000 to $2000. *This would have little real effect since an individual contributor could simply channel money through another family member and an industry or association could create multiple PACs.*

Sec. 1(c) Under the Buckley v. Valeo Supreme Court decision, candidates can't be required to limit contributions to their own campaigns (except voluntarily, as in exchange for public funding). Present North Carolina law also allows a candidate's spouse, parents, brothers and sisters to make unlimited contributions. This provision would allow only the candidate to make unlimited contributions to his or her campaign. *It would appear that family members could still give the candidate funds personally or perhaps open a joint account which the candidate could then draw on for his or her campaign. Interpretation and enforcement of this provision would determine how easy it would be to get around.*

Sec. 1 (d) A recent State Board of Elections ruling allows a candidate to count the second primary as a separate "election" for which he or she can accept contributions even if the candidate does not have a second primary. This provision requires that the candidate be on the ballot in the second primary for it to count as an election for contribution purposes. *This might be considered a step forward except that closing a loophole makes little difference if there remain other channels through which the same money can flow.*

Sec. 1 (e) Present North Carolina law allows unlimited contributions to a political party and from a political party to a candidate. This provision limits all contributions to or from a political party's various executive committees collectively to $2000 per election. *Political parties can easily move from the role of directly giving contributions to channeling money directly to candidates through direct mail and fund-raisers.*

ELECTRONIC FILING AND PUBLIC ACCESS ON THE INTERNET

Sec. 2. (j) Electronic filing will be required for General Assembly and statewide candidates, parties, and PAC's that contribute to General Assembly or statewide candidates or make independent expenditures that affect those races. The Board of Elections will provide access to the campaign finance reports on the internet as soon as technically feasible.
This is an important step forward.

Sec. 5. (a) During even-numbered number years filings shall be quarterly and semi-annually during non-election years (with minor exceptions). *This timetable is not an improvement over the present one. The last filing before the May primary would be April 1 - too early to reveal many of the contributions. The report due before the general election would cover activity from July 1 to the 17th day before the election, too long a period without any disclosure. There is also no timely disclosure of late contributions.*

Sec. 6. The Board of Elections will study the feasibility of requiring monthly campaign finance reports in election years and weekly during the month before elections. The Board will report on March 1, 1998. *The Board of Elections has indicated that there are no technical reasons for not moving toward implementation of this now. This schedule would be the timely reporting that is needed.*

DONOR'S OCCUPATION

Sec. 4(a)(1) Contributors giving over $100 would be required to list their occupation.
Unfortunately, occupation, by itself, is almost meaningless. The whole point of disclosure is to let the public know what economic interests are supporting a candidate and to identify bundling of contributions. A contributor saying he is a "business owner," "executive," "CEO," "salesman," or "analyst" tells the public almost nothing. Many Southern states require listing of employers now. North Carolina should too.

REPORTING IN LOCAL ELECTIONS

Sec. 5 This section of the bill requires reporting on all local referenda and requires reporting from local governments having 10,000 or more citizens. The current lower limit is 50,000. *This is a step forward - but will the funding and enforcement changes be forthcoming to make it meaningful.*

FUNDRAISING SECTION

Sec. 6 Currently lobbyists are forbidden to give contributions to elected state officials during a legislative session -- unless that official has filed to run for re-election. This bill extends that limited restriction to the political committee or its parent body that employs the lobbyist. It does not apply to political parties. (In effect, this means that most politicians can't accept money from lobbyists or their PAC's during the long session but can accept it during the short session.) *This section would have little real effect. Lobbyists can still promise contributions, even in the long session, to be made later.*

In Summary

Senate Bill 1 fails to provide full disclosure and timely reporting.

It does not address enforcement at all.

It restricts a few channels through which campaign money flows but leaves plenty of ways open so that any special interest can still move almost unlimited amounts of money directly to a campaign or to aid that campaign through an independent expenditure campaign. Since it has no spending limit provisions, it will do little, if anything, to stop the rapid escalation of campaign spending. It does not include a clean money option by which a qualified candidate can run for office without being personally wealthy or relying on special interests for support. Senate Bill 1 will not work. Senator Gulley's NC Clean Elections Act, to be introduced shortly, will work and, therefore, we support it

Passage of Senate Bill 1 as is would be a mistake. It would only build the public cynicism about a political process unable to reform itself. It would be seen as more political posturing and a half way measure designed to fail.

We Respectfully Recommend:
- that the Committee refer this bill to a sub-committee where it be re-evaluated in detail and compared to the NC Clean Elections Act, and
- that the sub-committee report out a separate bill which provides full disclosure and timely reporting with appropriate and realistic enforcement.

MEMORANDUM

TO: Senator Roy Cooper, Chair, Senate Judiciary Committee

FROM: O. Walker Reagan, Committee Co-Counsel

RE: **PROPOSED COMMITTEE SUBSTITUTE FOR SENATE BILL 27 - VETO PROCEDURAL CHANGES** - Senator Rand.

The Proposed Committee Substitute for Senate Bill 27 would make several procedural changes and clarifications to the process of transmitting ratified bills to the Governor for approval or veto, and the process of the Governor notifying the General Assembly of his action.

Section 1 of the bill makes two changes to the process in transmitting ratified bills to the Governor. First this section changes the time the enrolling clerk is to deliver the ratified bill to the Governor from the time moving for reconsideration of a bill had expired to the next business day after the bill was ratified. The next business day is defined in the bill. This change is necessitated by the parliamentary rules followed by the General Assembly that permits the body to suspend its rules to reconsider a bill at anytime. Generally the rules of the Senate and House allow motions for reconsideration on the same or next succeeding legislative day to be adopted by majority vote. A suspension of the rules requires a two-thirds vote. The proposed change sets a date certain for deliver of a bill to the Governor.

Second, this section clarifies that a bill subject to veto may only be recalled from Enrolling or from the Governor only by a joint resolution adopted by both houses. Under current law, one house may recall a bill from enrolling.

Section 2 adds a requirement that when the Governor is not required to call the General Assembly back into session to consider overriding a veto because a majority of the members of each house have told the Governor in writing that a session is not necessary, the Governor is to issue a proclamation to that fact and shall notify the President Pro Tempore, the principal clerks and the presiding officers of both house.

Section 3 substitutes the principal clerk of the second house to vote to override a veto for that body's presiding officer as the official to certify as to the time the bill became law. This section also adds a provision to clarify how the period of time the Governor has to act on a bill is calculated to exclude the day the bill is

presented to the Governor and to include the entire last day of the period. (10 days if the General Assembly is in session, 30 days if out of session.)

This bill is effective when it becomes law, which now means that the bill becomes effective when the Governor signs the bill, fails to veto it in time, or the Governor's veto is overridden.

A copy of the constitutional provision and the relevant statutory provisions are attached.

Sec. 22. (Effective January 1, 1997, contingent upon approval) Action on bills.

(1) *Bills subject to veto by Governor; override of veto.* Except as provided by subsections (2) through (6) of this section, all bills shall be read three times in each house and shall be signed by the presiding officer of each house before being presented to the Governor. If the Governor approves, the Governor shall sign it and it shall become a law; but if not, the Governor shall return it with objections, together with a veto message stating the reasons for such objections, to that house in which it shall have originated, which shall enter the objections and veto message at large on its journal, and proceed to reconsider it. If after such reconsideration three-fifths of the members of that house present and voting shall agree to pass the bill, it shall be sent, together with the objections and veto message, to the other house, by which it shall likewise be reconsidered; and if approved by three-fifths of the members of that house present and voting, it shall become a law notwithstanding the objections of the Governor. In all such cases the votes of both houses shall be determined by yeas and nays, and the names of the members voting shall be entered on the journal of each house respectively.

(2) *Amendments to Constitution of North Carolina.* Every bill proposing a new or revised Constitution or an amendment or amendments to this Constitution or calling a convention of the people of this State, and containing no other matter, shall be submitted to the qualified voters of this State after it shall have been read three times in each house and signed by the presiding officers of both houses.

(3) *Amendments to Constitution of the United States.* Every bill approving an amendment to the Constitution of the United States, or applying for a convention to propose amendments to the Constitution of the United States, and containing no other matter, shall be read three times in each house before it becomes law, and shall be signed by the presiding officers of both houses.

(4) *Joint resolutions.* Every joint resolution shall be read three times in each house before it becomes effective and shall be signed by the presiding officers of both houses.

(5) *Other exceptions.* Every bill:

(a) In which the General Assembly makes an appointment or appointments to public office and which contains no other matter;

(b) Revising the senate districts and the apportionment of Senators among those districts and containing no other matter;

(c) Revising the representative districts and the apportionment of Representatives among those districts and containing no other matter; or

(d) Revising the districts for the election of members of the House of Representatives of the Congress of the United States and the apportionment of Representatives among those districts and containing no other matter,

shall be read three times in each house before it becomes law and shall be signed by the presiding officers of both houses.

(6) *Local bills.* Every bill that applies in fewer than 15 counties shall be read three times in each house before it becomes law and shall be signed by the presiding officers of both houses. The exemption from veto by the Governor provided in this subsection does not apply if the bill, at the time it is signed by the presiding officers:

(c) 1996 by Michie, a division of Reed Elsevier Inc.

(a) Would extend the application of a law signed by the presiding officers during that two year term of the General Assembly so that the law would apply in more than half the counties in the State, or

(b) Would enact a law identical in effect to another law or laws signed by the presiding officers during that two year term of the General Assembly that the result of those laws taken together would be a law applying in more than half the counties in the State.

Notwithstanding any other language in this subsection, the exemption from veto provided by this subsection does not apply to any bill to enact a general law classified by population or other criteria, or to any bill that contains an appropriation from the State treasury.

(7) *Time for action by Governor; reconvening of session.* If any bill shall not be returned by the Governor within 10 days after it shall have been presented to him, the same shall be a law in like manner as if he had signed it, unless the General Assembly shall have adjourned:

(a) For more than 30 days jointly as provided under Section 20 of Article II of this Constitution; or

(b) Sine die

in which case it shall become a law unless, within 30 days after such adjournment, it is returned by the Governor with objections and veto message to that house in which it shall have originated. When the General Assembly has adjourned sine die or for more than 30 days jointly as provided under Section 20 of Article II of this Constitution, the Governor shall reconvene that session as provided by Section 5(11) of Article III of this Constitution for reconsideration of the bill, and if the Governor does not reconvene the session, the bill shall become law on the fortieth day after such adjournment. Notwithstanding the previous sentence, if the Governor prior to reconvening the session receives written requests dated no earlier than 30 days after such adjournment, signed by a majority of the members of each house that a reconvened session to reconsider vetoed legislation is unnecessary, the Governor shall not reconvene the session for that purpose and any legislation vetoed in accordance with this section after adjournment shall not become law.

(8) *Return of bills after adjournment.* For purposes of return of bills not approved by the Governor, each house shall designate an officer to receive returned bills during its adjournment.

(1995, c. 5, s. 1.)

(b) The form for the requests shall be:

(b) If any bill becomes law because of the failure of the Governor to take any action, it shall be the duty of the Governor to return the measure to the enrolling clerk, who shall sign the following certificate on the measure and deposit it with the Secretary of State: "This bill having been presented to the Governor for his signature on the _____ day of _____, _____ and the Governor having failed to approve it within the time prescribed by law, the same is hereby declared to have become a law.

This _____ day of _____, _____, _____ Enrolling Clerk".

(c) If the Governor returns any bill to the house of origin with his objections, the Governor shall write such objections on the measure or cause the objections to be attached to the measure. When any such bill becomes law after reconsideration of the two houses, the presiding officers shall, below the objections of the Governor, sign the following certificate: "Became law notwithstanding the objections of the Governor, ____.m. this _____ day of ____, ____". The second of them to sign shall fill in the time. The enrolling clerk shall deposit the measure with the Secretary of State.

§ 120-33. (Effective January 1, 1997, contingent on approval of constitutional amendment) Duties of enrolling clerk.

(a) All bills passed by the General Assembly shall be enrolled for ratification under the supervision of the enrolling clerk.

(b) Prior to enrolling any bill, the enrolling clerk shall substitute the corresponding Arabic numeral(s) for any date or section number of the General Statutes or of any act of the General Assembly which is written in words. The enrolled bill shall have the word "RATIFIED" following the bill number.

(c) All bills shall be typewritten and carefully proofread before enrollment.

(d) Upon ratification of an act or joint resolution, the enrolling clerk shall present one true ratified copy:

(1) To the Governor of any act except acts not required to be presented to the Governor under Article II, Section 22 of the Constitution of North Carolina; and
(2) To the Secretary of State of:
a. Acts not required to be presented to the Governor under Article II, Section 22 of the Constitution of North Carolina; and

(d1) The enrolling clerk shall present to the Secretary of State one true ratified copy of:
(1) Any bill which has become law with the approval of the Governor as provided by G.S. 120-29.2(a);
(2) Any bill which has become law without the approval of the Governor as provided by G.S. 120-29.2(b); and
(3) Any bill which has become law notwithstanding the objections of the Governor, as provided by G.S. 120-29.2(c).

(d2) No bill required to be presented to the Governor under Article II, Section 22 of the Constitution of North Carolina shall be so presented until the time for moving a reconsideration shall have expired, unless expressly ordered by that house where such bill was ordered enrolled.

(e) Repealed by Session Laws 1995, c. 20, s. 1, effective January 1, 1997, contingent on approval of constitutional amendments.

(f) The enrolling clerk upon completion of duties after each session shall deposit the original bills and resolutions enrolled for ratification with the Secretary of State.

§ 120-34. Printing of session laws.

(a) (Effective January 1, 1997, contingent on approval of constitutional amendment) The Legislative Services Commission shall publish all laws and joint resolutions passed at each session of the General Assembly. The laws and joint resolutions shall be kept separate and indexed separately. Each volume shall contain a certificate from the Secretary of State stating that the volume was printed under the direction of the Legislative Services Commission from ratified acts and resolutions on file in the Office of the Secretary of State. The Commission may publish the Session Laws and House and Senate Journals of extra and special sessions of the General Assembly in the same volume or volumes as those of regular sessions of the General Assembly. In printing, the signatures of the presiding officers and the Governor shall be omitted.
The enrolling clerk or the Legislative Services Office shall assign to each bill that becomes law a number in the order the bill became law, and the laws shall be printed in the Session Laws in that order. The number shall be preceded by the letters "S.L." followed by the calendar year it was ordered enrolled, followed by a hyphen and the sequential law number. Laws of Extra Sessions shall so indicate. In the case of any bill required to be presented to the Governor, and which became law, the Session Laws shall carry, below the date of ratification, editorial notes as to what time and what date the bill became law. In any case where the Governor has returned a bill to the General Assembly with objections, those objections shall be printed verbatim in the Session Laws, regardless of whether or not the bill became law notwithstanding the objections.

(b) All index references with respect to the session laws shall refer to the Chapter numbers of such laws in lieu of page numbers, and all index references to resolutions shall refer to the resolution numbers of the resolutions in lieu of page numbers, to the end that the indexes shall thereby be made consistent with the index to the General Statutes which refers to the section numbers and not to page numbers.

(c) There shall be printed not more than 2,500 volumes of the session laws and 600 volumes of the journals of each house of each session of the General Assembly, all of which shall be bound, and delivered to the Secretary of State for distribution by him under the provisions of G.S. 147-45, G.S. 147-46.1, G.S. 147-48 and other applicable statutes.

MEMORANDUM

TO: Senator Roy Cooper, Chair, Senate Judiciary Committee

FROM: Brenda J. Carter, Committee Co-Counsel

RE: **SENATE BILL 12 - HABITUAL DWI / ACTIVE TIME** - Senator Phillips

Senate Bill 12 is a recommendation of the N.C. Sentencing and Policy Advisory Commission which would require an active sentence for all convictions of habitual impaired driving (G.S. 20-138.5).

A person commits the offense of habitual impaired driving if he or she drives a vehicle while under the influence of an impairing substance and if, within seven years of the current offense, the person has had convictions of three or more offenses involving impaired driving.

Habitual impaired driving is a Class G felony, and under current law a judge may impose either an intermediate or an active punishment for prior record levels I-IV. When the judge imposes an intermediate punishment, the sentence is suspended and the judge imposes a period of supervised probation. For an intermediate punishment, one or more of the following conditions of probation must be imposed: special probation, electronic monitoring (house arrest), a residential program, or a day reporting center. Senate Bill 12 would eliminate the judge's option to impose these intermediate punishments for the habitual impaired driving offense, and the judge would be required to sentence the offender to an active prison term.

Information provided by the Sentencing Commission indicates that the Commission's current prison population projections assume that judge's will always give an active sentence for this offense, so they have calculated no additional impact for this bill. An incarceration fiscal note has been requested for this bill. The bill would become effective December 1, 1997 and would apply to offenses occurring on or after that date.

AN EQUAL OPPORTUNITY/AFFIRMATIVE ACTION EMPLOYER

§ 20-138.5. Habitual impaired driving.

(a) A person commits the offense of habitual impaired driving if he drives while impaired as defined in G.S. 20-138.1 and has been convicted of three or more offenses involving impaired driving as defined in G.S. 20-4.01(24a) within seven years of the date of this offense.

(b) A person convicted of violating this section shall be punished as a Class G felon. Sentences imposed under this subsection shall run consecutively with and shall commence at the expiration of any sentence being served.

(c) An offense under this section is an implied consent offense subject to the provisions of G.S. 20-16.2.

(d) A person convicted under this section shall have his license permanently revoked.

(e) If a person is convicted under this section, the motor vehicle that was driven by the defendant at the time the defendant committed the offense of impaired driving becomes property subject to forfeiture in accordance with the procedure set out in G.S. 20-28.2. In applying the procedure set out in that statute, an owner or a holder of a security interest is considered an innocent party with respect to a motor vehicle subject to forfeiture under this subsection if any of the following applies:

(1) The owner or holder of the security interest did not know and had no reason to know that the defendant had been convicted within the previous seven years of three or more offenses involving impaired driving.

(2) The defendant drove the motor vehicle without the consent of the owner or the holder of the security interest. (1989 (Reg. Sess., 1990), c. 1039, s. 7; 1993, c. 539, s. 1258; 1994, Ex. Sess., c. 14, s. 32; c. 24, s. 14(c); 1993 (Reg. Sess., 1994), c. 761, s. 34.1; c. 767, s. 32.)

MEMORANDUM

TO: Senator Roy Cooper, Chair, Senate Judiciary Committee

FROM: O. Walker Reagan, Committee Co-Counsel

RE: **SENATE BILL 15 - AGGRAVATING FACTOR/INJURE OFFICIAL** - Senator Ballance

Senate Bill 15 adds an offense resulting in serious injury to certain people as an aggravating factor for structured sentencing purposes. This bill was recommended by the N.C. Sentencing and Policy Advisory Commission.

This bill amends G.S. 15A-1340.16(d), which sets out factors that are to be considered as aggravating for sentencing purposes, by adding to subdivision (6) offenses resulting in serious injury to certain persons in addition to offenses committed against certain persons. This will allow the resulting serious injury to be considered as an aggravating factor even though the offense itself was not directed at the person injured. These certain persons include present or former law enforcement officers, Corrections employees, jailers, firepersons, EMT personnel, judges and justices, clerks of court, magistrates, prosecutors, jurors, and witnesses against the defendant, while these persons were engaged in the performance of their official duties or because of the exercise of their official duties.

A finding by the court that aggravating factors outweigh mitigation factors allows the court to sentence a defendant to greater time than would be permitted within the presumptive range of sentencing.

"Serious injury" is not defined in statute but has been interpreted by the courts in numerous cases. Whether an injury constitutes a "serious injury" has been held to be a jury question. "Serious injury" is "any physical injury that causes great pain and suffering." (**State v. Williams**, 29 NC App 24 (1976)). It has been held to mean physical or bodily injury, as well as mental injury. (**State v. Everhardt**, 326 NC 777 (1990)). Similar phrases appearing in the statutes include "serious bodily injury" and "serious personal injury". G.S. 14-32.4 - **Assault inflicting serious bodily injury** defines "serious bodily injury" as bodily injury that creates a substantial risk of death, or that causes serious permanent disfigurement, coma, a permanent or protracted condition that causes extreme pain, or permanent or protracted loss or impairment of the function of any bodily member or organ, or that results in prolonged hospitalization.

This bill becomes effective December 1, 1997, and applies to offenses committed on or after that date.

A BILL TO BE ENTITLED

AN ACT TO IMPLEMENT THE NORTH CAROLINA SENTENCING AND POLICY ADVISORY COMMISSION'S RECOMMENDATION TO ADD TO THE LIST OF AGGRAVATING FACTORS THAT CERTAIN PEOPLE WERE SERIOUSLY INJURED AS A RESULT OF THE OFFENSE.

The General Assembly of North Carolina enacts:

Section 1. G.S. 15A-1340.16(d) reads as rewritten:

"(d) Aggravating Factors. -- The following are aggravating factors:

(1) The defendant induced others to participate in the commission of the offense or occupied a position of leadership or dominance of other participants.

(2) The defendant joined with more than one other person in committing the offense and was not charged with committing a conspiracy.

(3) The offense was committed for the purpose of avoiding or preventing a lawful arrest or effecting an escape from custody.

(4) The defendant was hired or paid to commit the offense.

(5) The offense was committed to disrupt or hinder the lawful exercise of any governmental function or the enforcement of laws.

(6) The offense was committed against <u>or resulted in serious injury to</u> a present or former law enforcement officer, employee of the Department of Correction, jailer, fireman, emergency medical technician, ambulance attendant, justice or judge, clerk or assistant or deputy clerk of court, magistrate, prosecutor, juror, or witness

against the defendant, while engaged in the performance of that person's official duties or because of the exercise of that person's official duties.

(7) The offense was especially heinous, atrocious, or cruel.

(8) The defendant knowingly created a great risk of death to more than one person by means of a weapon or device which would normally be hazardous to the lives of more than one person.

(9) The defendant held public office at the time of the offense and the offense related to the conduct of the office.

(10) The defendant was armed with or used a deadly weapon at the time of the crime.

(11) The victim was very young, or very old, or mentally or physically infirm, or handicapped.

(12) The defendant committed the offense while on pretrial release on another charge.

(13) The defendant involved a person under the age of 16 in the commission of the crime.

(14) The offense involved an attempted or actual taking of property of great monetary value or damage causing great monetary loss, or the offense involved an unusually large quantity of contraband.

(15) The defendant took advantage of a position of trust or confidence to commit the offense.

(16) The offense involved the sale or delivery of a controlled substance to a minor.

(17) The offense for which the defendant stands convicted was committed against a victim because of the victim's race, color, religion, nationality, or country of origin.

(18) The defendant does not support the defendant's family.

(18a) The defendant has previously been adjudicated delinquent for an offense that would be a Class A, B1, B2, C, D, or E felony if committed by an adult.

(19) The serious injury inflicted upon the victim is permanent and debilitating.

(20) Any other aggravating factor reasonably related to the purposes of sentencing.

Evidence necessary to prove an element of the offense shall not be used to prove any factor in aggravation, and the same item of evidence shall not be used to prove more than one factor in aggravation. Evidence necessary to establish that an enhanced sentence is required under G.S. 14-2.2 may not be used to prove any factor in aggravation.

The judge shall not consider as an aggravating factor the fact that the defendant exercised the right to a jury trial."

Section 2. This act becomes effective December 1, 1997, and applies to offenses committed on or after that date.

MEMORANDUM

TO: Senator Roy Cooper, Chair, Senate Judiciary Committee

FROM: O. Walker Reagan, Committee Co-Counsel

RE: **PROPOSED COMMITTEE SUBSTITUTE FOR SENATE BILL 3 - LOBBYIST WAITING PERIOD** - Senator Jenkins.

The Proposed Committee Substitute for Senate Bill 3 prohibits a former legislator from being paid to be a lobbyist before the General Assembly for a period of one year after the end of the legislator's term. The restriction would apply to legislators serving terms beginning on or after January 1, 1999.

Section 1 of the bill adds a new section to Article 9A of Chapter 120 - **Lobbying** to prohibit a person who has served as a member of the General Assembly from acting as a lobbyist for a period of one year following the end of the legislative term. The term "lobbyist" is defined in G.S. 120-47.1(6) (copy attached) as a person hired or compensated to influence or attempt to influence legislative action or soliciting others to influence legislative action. A lobbyist does not include a person exempt from the lobbying statute in G.S. 120-47.8 (copy attached) which includes a person who expresses personal opinions on legislation, appears before the General Assembly by invitation or in response to legislative inquires, or who gives facts or recommendations to the person's own legislative delegation. A person whose compensation is merely reimbursement of actual travel and subsistence expense is not considered a lobbyist under this Article.

Section 2 of the bill makes this bill effective January 1, 1999 and specifies that it only applies to persons who serve legislative terms that begin on or after that date.

At least eight other states restrict former legislators from lobbying for some period of time. South Carolina, California, Pennsylvania, Hawaii, and Rhode Island prohibit lobbying for one year. New York, Louisiana and Florida prohibit lobbying for two years.

Based on limited research I could not find that the constitutionality of this type of statute has been tested, either on free speech, equal protection, or undue restraint of trade grounds.

§ 120-47.1. Definitions.

For the purposes of this Article, the following terms shall have the meanings ascribed to them in this section unless the context clearly indicates a different meaning:

(1) The terms "contribution," "compensation" and "expenditure" mean any advance, conveyance, deposit, payment, gift, retainer, fee, salary, honorarium, reimbursement, loan, pledge or anything of value and any contract, agreement, promise or other obligation whether or not legally enforceable, but those terms do not include prizes, awards, or compensation not exceeding one hundred dollars ($100.00) in a calendar year.

(2), (3) Repealed by Session Laws 1991, c. 740, s. 1.1, effective January 1, 1992.

MEMORANDUM

TO: Senator Roy Cooper, Chair, Senate Judiciary Committee

FROM: O. Walker Reagan, Committee Co-Counsel

RE: **SENATE BILL ~~87~~ 86 - FAST-TRACK TECHNICAL AMENDMENTS** - Senator Hartsell.

Senate Bill 87 is recommended by the General Statutes Commission. This bill would make two technical corrections to effect legislative intent to allow two statutes previously adopted by the General Assembly to become effective.

Section 1 of the bill amends G.S. 1-597 to conform with the current terminology used by the U.S. Postal Service. This statutory section governs the regulations for newspaper publication of legal notices and announcements. The U.S. Postal Service no longer offers "second-class" mail as specified in this statute, but now offers "Periodicals class" mail for those items previously eligible for "second-class" mail. In order to legally prove publication in accordance with statute, the publisher of the newspaper must give an affidavit that the legal matter has been published according to statute. Since "second-class" mail no longer exists, the publisher cannot swear that the newspaper was mailed as "second-class matter" as the statute specifies. This change would permit affidavits consistent with actual practice.

Section 2 corrects an incorrect statutory citation in the prefatory language of a section in the 1996 Budget bill. The statutory section intended to be amended was a section of Chapter 14 not Chapter 143. Because of the error the change to Chapter 14 has not been codified. The 1996 amendment would have added firefighters to a list of medical personnel against whom an assault would be punished as a Class A1 misdemeanor.

The bill would become effective when it becomes law.

minor, unless the court expressly finds that it is unlikely that the defendant's harmful or abusive conduct will recur and that it would be in the minor child's best interest to allow the probationer to reside in the same household with a minor child.

(6) Satisfy any other conditions determined by the court to be reasonably related to his rehabilitation.

Defendants subject to the provisions of this subsection shall not be placed on unsupervised probation."

(d) This section becomes effective December 1, 1996.

CLASS F FELONY OFFENSE TO ASSAULT A LAW ENFORCEMENT OFFICER AND INFLICT SERIOUS BODILY INJURY/CREATE A NEW CRIMINAL OFFENSE OF ASSAULTING FIREFIGHTER

Sec. 20.14B. (a) Article 8 of Chapter 14 of the General Statutes is amended by adding a new section to read:

"§ 14-34.7. Assault on a law enforcement officer.

Unless covered under some other provision of law providing greater punishment, a person is guilty of a Class F felony if the person assaults a law enforcement officer while the law enforcement officer is discharging or attempting to discharge his or her official duties and inflicts serious bodily injury on the law enforcement officer."

(b) G.S. 143-34.6 reads as rewritten:

"**§ 14-34.6. Assault or affray on a firefighter; an emergency medical technician, ambulance attendant, emergency department nurse, or emergency department physician.**

(a) A person is guilty of a Class A1 misdemeanor if the person commits an assault or an affray on any of the following persons who are discharging or attempting to discharge their official duties:

(b) Unless a person's conduct is covered under some other provision of law providing greater punishment, a person is guilty of a Class I felony if the person violates subsection (a) of this section and (i) inflicts serious bodily injury or (ii) uses a deadly weapon other than a firearm.

(c) Unless a person's conduct is covered under some other provision of law providing greater punishment, a person is guilty of a Class F felony if the person violates subsection (a) of this section and uses a firearm."

(c) This section becomes effective December 1, 1996, and applies to offenses committed on or after that date.

MEMORANDUM

TO: Senate Judiciary Committee

FROM: General Statutes Commission

DATE: February 17, 1997

RE: Senate Bill 86 (Fast-Track Technical Amendments)

General Comments

The General Statutes Commission (Commission) customarily recommends a technical amendments bill that makes technical corrections such as fixing typographical, grammatical, and redlining errors and updating, correcting, and conforming statutory references, proper names, and obsolete expressions in various sections of the statutes. Because this process is a continuous one, the general technical corrections bill is usually one of the last bills of the session to be ratified. In reviewing possible technical corrections for the 1997 session, the Commission identified two that would benefit from immediate ratification instead of ratification late in the session. It therefore decided to introduce a separate bill containing these two amendments.

Specific Comments

Section 1. This section amends G.S. 1-597 to update the reference to "second-class matter". The United States Postal Service recently changed the name of its second-class mail classification to "Periodicals". It also made other changes, primarily to the manner in which periodicals are processed, but there does not appear to have been a substantive change in the types of material that qualify for this type of permit.

The urgency connected with this correction is caused by a different statute, G.S. 1-598, which requires the owner or another designated officer or employee of a newspaper that accepts legal advertising to execute a written statement under oath that the newspaper meets the requirements of G.S. 1-597. At present, it is impossible for such a person to swear truthfully that a newspaper literally meets all of the statutory requirements.

Section 2. This section corrects a typographical error in an amendment in Chapter 18 of the 1996 Session Laws (Second Extra Session). The opening language of subsection (b) of

Section 20.14B of that act began with the words, "G.S. 143-34.6 reads as rewritten:", but the text actually set out and shown as being amended was the text of G.S. 14-34.6. The amendment increased the penalty for assaulting a firefighter in the performance of duty. The Commission considered this correction urgent because any sentence imposing the enhanced penalty would be subject to challenge because of the discrepancy, and the effective date for the amendment, December 1, 1996, has already passed.

MEMORANDUM

TO: Senate Judiciary Committee

FROM: General Statutes Commission

DATE: February 24, 1997

RE: Senate Bill 79 (Repeal More Antiquated Laws)

General Comments

Senate Bill 79 is the result of a study assigned to the General Statutes Commission last year by the General Assembly in Chapter 17 of the 1996 Session Laws, Second Extra Session. Section 9.1 of Chapter 17 required the Commission to study and identify antiquated laws in the North Carolina General Statutes and make recommendations regarding removal of those laws from the books.

The Commission made requests for the identification of antiquated laws in the North Carolina General Statutes to the staff of the Attorney General's Office, the Research Division of the General Assembly, the Legislative Bill Drafting Division of the General Assembly, and the Institute of Government. In addition, the following organizations agreed to publish a notice of the study along with a request for the identification of antiquated laws in their respective publications: The North Carolina State Bar, North Carolina Bar Association, North Carolina Lawyers Weekly, North Carolina League of Municipalities, and North Carolina Association of County Commissioners.

As is set forth more fully in the Commission's 1997 Report on Antiquated Laws in the North Carolina General Statutes, filed January 29, 1997, the Commission received very few suggestions for the removal of perceived antiquated laws, and only some were found to warrant recommendations to the General Assembly. While Senate Bill 79 is recommended pursuant to the study authorized by the General Assembly, the Commission identifies antiquated laws in the North Carolina General Statutes and makes recommendations regarding their removal on a

continuing basis pursuant to its authority under G.S. 164-13.

Specific Comments

Section 1 amends G.S. 11-11 (Oaths of sundry persons; forms) to delete the oath of office for an "Entry-Taker." An entry-taker was the county official who actually recorded "entries," or claims, made by persons obtaining land under the State land grant program prior to 1959. The statutory provisions covering the land grant program and establishing the county office of "Entry-Taker" were deleted when Chapter 146 of the General Statutes (State Lands) was revised in 1959.

Section 2 amends G.S. 58-76-5 (Liability and right of action on official bonds) to delete the reference to "entry taker." The statute, in pertinent part, renders an "entry taker" liable on the entry-taker's official bond to one injured by the entry-taker's neglect, misconduct, or misbehavior in office. Since the county office of entry-taker no longer exists, the reference to "entry taker" in G.S. 58-76-5 should be deleted.

Section 3 amends G.S. 147-12 (Powers and duties of Governor) in Subdivision (11) to change the reference to repealed "G.S. 20-16.2(h)," which defined the term "public vehicular area," to the reference "G.S. 20-4.01(32)," which presently defines the term "public vehicular area." The present definition is somewhat broader in scope than the repealed definition.

A substantial plurality within the meaning of this section shall be determined as follows:~~

~~(1) If a nominee for a single office is to be selected, and there is more than one person seeking nomination, the substantial plurality shall be ascertained by multiplying the total vote cast for all aspirants by forty percent (40%). Should that be done, the remaining aspirant shall be declared the nominee. In the event of a tie for the highest number of votes in a first primary among more than two candidates for party nomination for one of the~~

~~offices mentioned in this subdivision, no recount shall be held, but all of the tied candidates shall be entered in a second primary.~~

~~(3) In the event one candidate receives the highest number of votes cast in a first primary, but short of a substantial plurality, and two or more of the other candidates receive the second highest number of votes cast in an equal number, the proper board of elections shall declare the candidate having the highest vote to be the party nominee, unless all but one of the tied candidates give written notice of withdrawal to the proper board of elections within three days after the result of the first primary has been officially declared. If all but one of the tied candidates withdraw within the prescribed three-day period, and the remaining candidate demands a second primary in accordance with the provisions of subsection (c) of this section, a second primary shall be held between the candidate who received the highest vote and the remaining candidate who received the second highest vote.~~

Provided, however, that in a statewide contest, no candidate shall be entitled to an automatic recount under this section unless the difference is at least one-half of one percent (0.5%) of the votes cast, or 10,000 votes, whichever is less. Provided further that if the canvass made under this Article determines that a candidate who was not originally thought to be within the percentage entitling him to a recount based on the tally of canvasses made under Article 15 of this Chapter is in fact within the percentage entitling him to a recount, the Executive Secretary-Director of the State Board of Elections shall immediately notify the candidate and the candidate shall be entitled to a recount if he so requests within 48 hours of notification."

If the official denies the application, the person shall be permitted to vote a challenged ballot under the provisions of G.S. 163-88.1, and may appeal the denial to the full county board of elections. The State Board of Elections shall promulgate rules for the county boards of elections to follow in hearing appeals for denial of election-day applications to register. ~~No person shall be permitted to register on the day of a second primary unless he shall have become qualified to register and vote between the date of the first primary and the date of the succeeding second primary.~~ For purposes of this subsection, persons who 'become qualified to register and vote' during a time period:

(1) Include those who during that time period are naturalized as citizens of the United States or who are restored to citizenship after a conviction of a felony; but

TO: Senator Roy Cooper, Senate Judiciary Committee

RE: **Senate Bill 149 - GRADUATED DRIVERS LICENSES**
Proposed Committee Substitute

Senate Bill 149 would change the way in which drivers licenses are issued to persons under 18 years of age. The bill is a recommendation of the Child Fatality Task Force. The Task Force found that safe driving requires instruction and actual driving experience. To ensure that a person who is less than 18 years of age has both instruction and experience before obtaining a drivers license, the bill provides that driving privileges would be granted on a graduated basis as follows:

1) Driving for at least 12 months with a limited learners permit.
2) Driving for at least 6 months with a limited provisional license.
3) Driving until the age of 18 with a provisional license.

The act becomes effective December 1, 1997, but will not apply to persons who have a valid limited learner's permit, learner's permit, or provisional drivers license (16-18 years old) prior to the effective date.

Under present law, a person who is at least 15 years of age may be granted a limited learner's permit if the person has completed a driver's education program. A person who is at least 16 years of age may be granted a learner's permit without the necessity of completing a driver's education program. The holder of a limited learner's permit and a learner's permit may only drive when accompanied by a parent, guardian, or other person approved by the Division of Motor Vehicles who is licensed to operate the motor vehicle. That person must be seated beside the permit holder. A person who is at least 16 years of age, but less than 18 years of age, may obtain a drivers license if the person has completed a driver's education program. A person between the ages of 16 and 18 years old who holds a driver's license (known as a provisional licensee), is not subject to any supervision restrictions.

Senate Bill 149 would change the current law in the following ways:

1) It would require driver education programs to include at least six hours of actual driving experience. (Section 3)

2) It would require all licensed drivers under the age of 18 to drive under a limited learner's permit for at least 12 months.

3) It would place the following restrictions on a driver with a limited learner's permit:
   - Supervised driving between the hours of 5:00 am and 9:00 pm for the first six months.
   - Supervised driving at any time following the first six months.
   - The supervisor must be a parent, guardian, or other person approved by the Division. The person must have been licensed to drive for at least five years.
   - The supervisor may be the only other person in the front seat of the vehicle.
   - All passengers must be wearing a seat belt.

4) It would provide a new level of license known as a limited provisional license. To obtain a limited provisional license, a person must have possessed a Level 1 limited learner's permit for at least 12 months with no moving violations or seat belt violations. It would place the following restrictions on a driver with a limited provisional license:
   - May drive unsupervised from 5:00 am until 9:00 pm and when going to and coming from work.
   - May drive under supervision at any time. The supervisor must sit next to the driver, but the supervisor need not be the only other occupant of the front seat.
   - All passengers must be wearing a seat belt.

5) The third level, known as a full provisional license, would be comparable to a provisional license under current law. To obtain a full provisional license, a person must have possessed a Level 2 limited provisional license for a period of at least 6 months with no moving violations or seat belt infractions. A full provisional licensee may drive unsupervised at any time.

6) It would give the Division of Motor Vehicles three choices when a person between the ages of 16 and 18 years of age, who becomes a resident of North Carolina and holds a valid unrestricted drivers license from the prior state of residence, applies for a North Carolina drivers license. Under current law, if that driver has not completed a course in driver education which meets the requirements of this State, the Division may grant a temporary driver's permit under terms and conditions deemed necessary to allow the minor to

operate a motor vehicle in order to obtain the driver education courses necessary for a North Carolina provisional license. Under the changes made by this bill, DMV would be able to do one of three things:

- It may issue a temporary driver's permit to allow the driver to obtain the driver education. This option is the same as the current law.
- It may issue a graduated license appropriate to the driver's age and experience as provided by G.S. 20-11.
- It may issue an unrestricted drivers license if the person has possessed a valid unrestricted drivers license in his previous state for the 12 month period immediately preceding the date of application and has not been convicted of a traffic violation for which points might be assessed under the Uniform Driver's License Act.

7) The fee for obtaining a limited learner's permit or a limited or full provisional license is $10. Under current law, the fee for a learner's permit is $10. The fee for a license is $2.50 for each year the license will be valid.

The Division shall not grant the application of any minor between the ages of 16 and 18 years for a driver's license unless such minor presents evidence of having satisfactorily completed the driver training and safety education courses offered at the public high schools as provided in G.S. 20-88.1 or upon having satisfactorily completed a course of driving instruction offered at a licensed commercial driver training school or an approved nonpublic secondary school, provided instruction offered in such schools shall be approved by the State Commissioner of Motor Vehicles and the State Superintendent of Public Instruction and all expenses for such

A limited learner's permit is valid for a period of 18 months. The fee for a Level 1 limited learner's permit is ten dollars ($10.00). (c) The Division may, upon satisfactory proof that a minor between the ages of 16 and 18 years has become a resident of North Carolina and holds a valid unrestricted motor vehicle driver's license from his prior state of ~~residence but has not completed a course in driver education which meets the requirements of this State, grant to such~~ residence:

(1) Issue to the minor a temporary driver's permit ~~under such~~ with any necessary terms and conditions ~~as shall be deemed necessary by the Division~~ to allow the minor to operate a motor vehicle of a specified type or class in this State in order to obtain the driver education courses or a course of driving instruction necessary for a drivers license in North ~~Carolina.~~ Carolina;

~~(b) The Division may issue a limited learner's permit to a minor who is at least 15 years old but is less than 16 years old and who otherwise meets the requirements of this section. An application for a limited learner's permit must be signed by both the applicant and the applicant's parent or guardian or some other responsible adult with whom the applicant resides and who is approved by the Division. A limited learner's permit authorizes the permit holder to drive a specified type or class of motor vehicle while in possession of the permit and accompanied by a parent, guardian, or other person approved by the Division who is licensed to operate the motor vehicle being driven and is seated beside the permit holder. A limited learner's permit is valid for a period of 18 months. The fee for a limited learner's permit is ten dollars ($10.00). In the event a minor who holds a limited learner's permit drives a motor vehicle in violation of law, the permit shall be canceled.~~

~~A driver who holds a limited learner's permit only shall not be deemed a licensed driver for the purpose of determining the inexperienced operator premium surcharge under automobile insurance policies.~~

~~(c) The Division may, upon satisfactory proof that a minor between the ages of 16 and 18 years has become a resident of North Carolina and holds a valid motor vehicle driver's drivers license from his prior state of residence but has not completed a course in driver education which meets the requirements of this State, grant to such minor a temporary driver's permit under such terms and conditions as shall be deemed necessary by the Division to allow the minor to operate a motor vehicle of a specified type or class in this State in order to obtain the driver education courses necessary for license in North Carolina.~~

~~Every application for a temporary driver's permit shall be made upon the approved form furnished by the Division. A temporary driver's permit issued pursuant to this section shall be subject to all provisions of law relating to a driver's license.~~

(a) Process. -- Safe driving requires instruction in driving and experience. To ensure that a person who is less than 18 years old has both instruction and experience before obtaining a drivers license, driving privileges are granted first on a limited basis and are then expanded in accordance with the following process:

(1) Level 1: Driving with a limited learner's permit.

(2) Level 2: Driving with a limited provisional license.

(3) Level 3: Driving with a full provisional license.

The permits and licenses will bear a distinctive color photographic background or border indicating the level of driving experience of the permit holder or licensee.

(b) Level 1. -- A person who is at least 15 years old but less than 18 years old may obtain a limited learner's permit if the person meets all of the following requirements:

(1) Passes a course of driver education prescribed in G.S. 20-88.1 or a course of driver instruction at a licensed commercial driver training school

(2) Passes a written test administered by the Division.

(c) Level 1 Restrictions. -- A limited learner's permit authorizes the permit holder to drive a specified type or class of motor vehicle only under the following conditions:

(1) The holder of the permit must be in possession of the permit.

(2) A supervising driver must be seated beside the permit holder in the front seat of the vehicle when it is in motion. No person other than the supervising driver can be in the front seat.

(3) For the first six months after issuance, the permit holder may drive only between the hours of 5:00 a.m. and 9:00 p.m.

(4) After the first six months after issuance, the permit holder may drive at any time.

(5) Every person occupying the vehicle being driven by the permit holder must have a safety belt properly fastened about his or her body, or be restrained by a child passenger restraint system as provided in G.S. 20-137.1(a), when the vehicle is in motion.

(d) Level 2. -- A person who is at least 16 years old but less than 18 years old may obtain a limited provisional license if the person meets all of the following requirements:

(1) Has held a limited learner's permit issued by the Division for at least 12 months.

(2) Has not been convicted of a motor vehicle moving violation or seat belt infraction during the preceding 12 months.

(3) Passes a road test administered by the Division.

(e) Level 2 Restrictions.-- A limited provisional license authorizes the license holder to drive a specified type or class of motor vehicle only under the following conditions:

(1) The license holder must be in possession of the license.

(2) The license holder may drive without supervision from 5:00 a.m. to 9:00 p.m. and when driving to or from work.

(3) The license holder may drive with supervision at any time. When the license holder is driving with supervision, the supervising driver must be seated beside the license holder in the front seat of the vehicle when it is in motion. The supervising driver need not be the only other occupant of the front seat, but must be the person seated next to the license holder.

(4) Every person occupying the vehicle being driven by the license holder must have a safety belt properly fastened about his or her body, or be restrained by a child passenger restraint system as provided in G.S. 20-137.1(a), when the vehicle is in motion.

(f) Level 3. -- A person who is at least 16 years old but less than 18 years old may obtain a full provisional license if the person meets all of the following requirements:

(1) Has held a limited provisional license issued by the Division for at least six months.

(2) Has not been convicted of a motor vehicle moving violation or seat belt infraction during the preceding six months.

A person who meets these requirements may obtain a full provisional license by mail.

(g) Level 3 Restrictions. -- The restrictions on Level 1 and Level 2 drivers concerning time of driving, supervision, and passenger limitations do not apply to a full provisional license.

(h) Out-of-State Exceptions. -- A person who is at least 16 years old but less than 18 years old, who was a resident of another state and has an unrestricted drivers license issued by that state, and who becomes a resident of this State may obtain one of the following:

(1) A temporary permit, if the person has not completed a drivers education program that meets the requirements of the State Superintendent of Public Instruction but is currently enrolled in a drivers education program that meets these requirements. A temporary permit is valid for the period specified in the permit, and authorizes the holder of the permit to drive a specified type or class of motor vehicle when in possession of the permit, subject to any restrictions imposed by the Division concerning time of driving, supervision, and passenger limitations. The period must end within 10 days after the expected completion date of the drivers education program in which the applicant is enrolled.

(2) A full provisional license, if the person has completed a drivers education program that meets the requirements of the State Superintendent of Public Instruction, has held the license issued by the other state for at least 12 months, and has not been convicted during the preceding 12 months of a motor vehicle moving violation or seat belt infraction or of any offense committed in another jurisdiction that would be a motor vehicle moving violation or seat belt infraction if committed in this State.

(3) A limited provisional license, if the person has completed a drivers education program that meets the requirements of the State Superintendent of Public Instruction, but either did not hold the license issued by the other state for at least 12 months or was convicted during the preceding 12 months of a motor vehicle moving violation or seat belt infraction or of any offense committed in another jurisdiction that would be a motor vehicle moving violation or selt belt infraction if committed in this State.

The supervising driver must be a licensed driver who has been licensed to drive for at least five years.

(l) Violations. -- It is unlawful for the holder of a limited learner's permit, temporary permit, or a limited provisional license to operate a motor vehicle without complying with applicable restrictions. Failure to comply with restrictions concerning the time of driving or the presence of a supervising driver in the vehicle constitutes operating a motor vehicle without a license. Failure to comply with other restrictions, including seating and passenger limitations, is an infraction punishable by a fine as provided in G.S. 20-176.

(m) Insurance Status. -- The holder of a limited learner's permit is not considered a licensed driver for the purpose of determining the inexperienced operator premium surcharge under automobile insurance policies."

MEMORANDUM

TO: Senator Roy Cooper, Chair, Senate Judiciary Committee

FROM: O. Walker Reagan, Committee Co-Counsel

RE: **SENATE BILL 143 - BAN TOBACCO SALES TO MINORS** - Senator Rand.

Senate Bill 143 tightens the laws prohibiting the sale or distribution of tobacco products to person under age 18 and tightens the requirements for retailers to check for proof of age.

Section 1 of the bill amends the existing law by restricting proof of age to drivers licenses or other photographic identification with the person's birth date.

Section 2 changes the criminal statute prohibiting the sale of tobacco products to persons under age 18 in several ways. This section of the law makes it a Class 2 misdemeanor to give or sell tobacco products to a minor or to fail to demand proof of age to a person who they reasonably believe to be under age 18. First, this section deletes the requirement that the person selling tobacco products knows that the buyer is under 18 before the law is violated. Second, this section requires retail distributors to post a sign at the point of sale notifying the public that sale of tobacco products to minors is illegal, and that proof of age is required. (Failure to post the sign is an infraction, punishable by a fine of $25 for the first offense, and $75 for each succeeding offense.) Third, this section makes a distinction between the proof of age required for a defense by a retailer vs. a nonretailer. (Retailers required to check photographic identification, nonretailers only required to have other documentary or written evidence of age). Fourth, this section states that retail distributors shall train sales employees in the requirements of the law.

Section 3 amends the law that makes it an infraction for a person under 18 to purchase or accept receipt of tobacco products, by increasing the penalty to a Class 2 misdemeanor for using a false identification card for the purpose of buying tobacco products.

Section 4 deletes the requirement that a person sending a person under the age of 18 to buy or acquire tobacco products knows the person to be under age 18.

Section 5 adds a new section which requires that all tobacco vending machines either must be in establishments open only to persons age 18 or over, or where the vending machine is under the continuous control of the operator of the premises and the operator will only operate the machine upon proof of age when the person buying the tobacco products appears to be under age 18. All machines not in compliance must be removed before the effective date of the bill. Violation of any provisions of this section constitute a Class 2 misdemeanor.

Section 6 prohibits the sale of loose cigarettes to anyone by a person engaged in the sale of cigarettes. Violation of this provision is a Class 2 misdemeanor

The bill becomes effective August 1, 1997 and applies to offenses committed on or after that date.

Senate Bill 143 tightens the laws prohibiting the sale or distribution of tobacco products to person under age 18 and tightens the requirements for retailers to check for proof of age.

Section 1 of the bill amends the existing law by restricting proof of age to drivers licenses or other photographic identification with the person's birth date.

Section 2 changes the criminal statute prohibiting the sale of tobacco products to persons under age 18 in several ways. This section of the law makes it a Class 2 misdemeanor to give or sell tobacco products to a minor or to fail to demand proof of age to a person who they reasonably believe to be under age 18. First, this section deletes the requirement that the person selling tobacco products knows that the buyer is under 18 before the law is violated. Second, this section requires retail distributors to post a sign at the point of sale notifying the public that sale of tobacco products to minors is illegal, and that proof of age is required. (Failure to post the sign is an infraction, punishable by a fine of $25 for the first offense, and $75 for each succeeding offense.) Third, this section makes a distinction between the proof of age required for a defense by a retailer vs. a nonretailer. (Retailers required to check photographic identification, nonretailers only required to have other documentary or written evidence of age). Fourth, this section states that retail distributors shall train sales employees in the requirements of the law.

Section 3 amends the law that makes it an infraction for a person under 18 to purchase or accept receipt of tobacco products, by increasing the penalty to a Class 2 misdemeanor for using a false identification card for the purpose of buying tobacco products.

Section 4 deletes the requirement that a person sending a person under the age of 18 to buy or acquire tobacco products knows the person to be under age 18.

Section 5 adds a new section which requires that all tobacco vending machines either must be in establishments open only to persons age 18 or over, or where the vending machine is under the continuous control of the operator of the premises and the operator will only operate the machine upon proof of age when the person buying the tobacco products appears to be under age 18. All machines not in compliance must be removed before the effective date of the bill. Violation of any provisions of this section constitute a Class 2 misdemeanor.

Section 6 prohibits the sale of loose cigarettes to anyone by a person engaged in the sale of cigarettes. Violation of this provision is a Class 2 misdemeanor

The bill becomes effective August 1, 1997 and applies to offenses committed on or after that date.

Retail distributors of tobacco products shall prominently display near the point of sale a sign in letters at least five-eighths of an inch high which states the following:

N.C. LAW STRICTLY PROHIBITS
THE PURCHASE OF TOBACCO PRODUCTS
BY PERSONS UNDER THE AGE OF 18.

A person engaged in the sale of tobacco products shall demand proof of age from a prospective purchaser if the person has reasonable grounds to believe that the prospective purchaser is under 18 years of age. Failure to demand proof of age as required by this subsection is a Class 2 misdemeanor. Retail distributors of tobacco products shall train their sales employees in the requirements of this law."

Section 3. G.S. 14-313(c) reads as rewritten:

"(c) Purchase by persons under the age of 18 years. -- If any person under the age of 18 years purchases or accepts receipt, or attempts to purchase or accept receipt, of tobacco products or cigarette wrapping papers, ~~or presents or offers to any person any purported proof of age which is false, fraudulent, or not actually his or her own, for the purpose of purchasing or receiving any tobacco product,~~ the person shall be guilty of an infraction as provided in G.S. 14-3.1. If any person under the age of 18 years presents or offers to any person any purported proof of age which is false, fraudulent, or not actually his or her own, for the purpose of purchasing or receiving any tobacco product or cigarette wrapping papers, the person shall be guilty of a Class 2 misdemeanor."

Section 4. G.S. 14-313(d) reads as rewritten:

"(d) Send or assist person less than 18 years to purchase or receive tobacco product. -- If any person shall ~~knowingly~~ send or assist a person less than 18 years of age to purchase, acquire, receive, or attempt to purchase, acquire, or receive tobacco products or cigarette wrapping papers, the person shall be guilty of a Class 2 misdemeanor; provided, however, persons under the age of 18 may be enlisted by police or local sheriffs' departments to test compliance if the testing is under the direct supervision of that law enforcement department and written parental consent is provided; provided further, that the Department of Human Resources shall have the authority, pursuant to a written plan prepared by the Secretary of Human Resources, to use persons under 18 years of age in annual, random, unannounced inspections,

provided that prior written parental consent is given for the involvement of these persons and that the inspections are conducted for the sole purpose of preparing a scientifically and methodologically valid statistical study of the extent of success the State has achieved in reducing the availability of tobacco products to persons under the age of 18, and preparing any report to the extent required by section 1926 of the federal Public Health Service Act (42 USC § 300x-26)."

Section 5. G.S. 14-313 is amended by adding a new subsection to read:

"(b1) Vending machines. -- Tobacco products shall not be distributed in vending machines; provided, however, vending machines distributing tobacco products are permitted (i) in any establishment which is open only to persons 18 years of age and older; or (ii) in any establishment if the vending machine is under the continuous control of the owner or licensee of the premises or an employee thereof and can be operated only upon activation by the owner, licensee, or employee prior to each purchase and the vending machine is not accessible to the public when the establishment is closed. The owner, licensee, or employee shall demand proof of age from a prospective purchaser if the person has reasonable grounds to believe that the prospective purchaser is under 18 years of age. Failure to demand proof of age as required by this subsection is a Class 2 misdemeanor. Proof that the defendant demanded, was shown, and reasonably relied upon proof of age shall be a defense to any action brought under this subsection. Vending machines distributing tobacco products in establishments not meeting the above conditions shall be removed by July 31, 1997. Any person distributing tobacco products through vending machines in violation of this subsection shall be guilty of a Class 2 misdemeanor."

Section 6. G.S. 14-313 is amended by adding a new subsection to read:

"(b2) Out-of-package sales. -- If any person engaged in the sale of cigarettes shall sell cigarettes other than in unopened packages originating with the manufacturer, the person shall be guilty of a Class 2 misdemeanor."

Section 7. This act becomes effective August 1, 1997, and applies to offenses committed on or after that date.

MEMORANDUM

TO: Senator Roy Cooper, Chair, Senate Judiciary Committee

FROM: O. Walker Reagan, Committee Co-Counsel

RE: **SENATE BILL 247 - REMOVE SUNSET ON PUBLIC HOSPITAL CONTRACT CONFIDENTIALITY** - Senator Rand.

Senate Bill 247 would remove the June 1, 1997 sunset on G.S. 131E-99 which was enacted on June 29, 1996 to continue the exemption of certain provisions of contracts by public hospitals with certain other private parties.

G.S. 131E-99 reads as follows:

§ 131E-99. Confidentiality of health care contracts.

The financial terms or other competitive health care information in a contract related to the provision of health care between a hospital and a managed care organization, insurance company, employer, or other payer is confidential and not a public record under Chapter 132 of the General Statutes. (1995 (Reg. Sess., 1996), c. 713, s. 2.)

G.S. 131E-99 makes a narrow exception to the Public Records Law which generally otherwise provides that contracts of public hospitals are public records. This statute says that those parts of contracts public hospitals enter into with managed care organizations, insurance companies, employers, or other payers related to financial terms or other competitive health care information related to the provision of health care are both confidential and not a public record. The other provisions of the contract would be a public record.

On January 21, 1997, the N.C. Court of Appeals ruled in the case of Wilmington Star-News, Inc. v. New Hanover Regional Medical under the law prior to the enactment of G.S. 131E-99 that even though certain pricing information could be considered a trade secret under the Public Records Law, the exception to the Public Records Law protecting trade secrets only applies to private persons, not public bodies and therefore under the law prior to G.S. 131E-99 all parts of these contracts of public hospitals are public record. The Court noted in dictum that public exposure was one of the costs of doing business with the government. A motion for discretionary review in this case is currently pending in the N.C. Supreme Court.

This bill would become effective when it becomes law.

MEMORANDUM

TO: Senator Roy Cooper, Chair, Senate Judiciary Committee

FROM: O. Walker Reagan, Committee Co-Counsel and Sabra Faires, Co-Counsel to the Joint Legislative Administrative Procedure Oversight Committee

RE: **Senate Bill 187 - Administrative Procedures Act Technical Changes -** Senator Kerr

Senate Bill 187 bill makes several technical and clarifying changes to the Administrative Procedure Act (APA), Chapter 150B of the General Statutes, and related laws. The bill is a recommendation of the Joint Legislative Administrative Procedure Oversight Committee.

Section 1 deletes an obsolete exception to the declaratory rulings statute relative to the Department of Correction. In 1995, the General Assembly exempted from the APA all of the Department's rules that apply to inmates, therefore, the exception is no longer needed.

Section 2 revises the section on petitions for rule-making to accommodate the two notices that must be published before a permanent rule can be changed. This section conforms to the changes made by the General Assembly in 1995 to require a notice of rule-making proceedings, also known as subject matter notice, and then a notice of text. This statute was not changed in 1995 and still refers to only one notice

Section 3 clarifies that a rule changed in response to an objection by the Rules Review Commission (RRC), other than technical types of changes, follows the normal effective dates set in the APA and does not become effective on the first day of the month following the change.

Section 4 makes it clear that neither a notice of rule-making proceedings nor a notice of text is needed for the rule changes listed in the subdivision. It also deletes the requirement of not changing the substance of the rule because this requirement cannot be met for some of the listed changes, such as when a rule is changed to respond to an objection by RRC. The substance of the rule may change in that circumstance. These changes were recommended by the RRC.

Section 5. deletes the authorization to adopt by reference material that has been adopted to meet a requirement of the federal government. It is deleted because it is not clear what is

covered by this authorization and subdivision (2) of that subsection allows an agency to adopt by reference a code, standard, or regulation adopted by a State or federal agency or a generally recognized association. This change was recommended by the RRC.

Section 6 gives the Codifier of Rules the authority to omit graphics, such as diagrams and charts, from the published version of a rule when the Office has no ability to publish the graphics or publication of the graphics is impracticable. This change was recommended by the Office of Administrative Hearings (OAH).

Section 7 gives agencies that are exempt from the APA additional time to file their rules with OAH for publication in the Code and makes it clear that these agencies must submit their rules in the format requested by OAH. This change was requested by OAH. Agencies that are exempt from the rule-making provisions of the APA must nevertheless file their rules with OAH for publication in the Code so that the Code contains all the administrative rules of all state agencies.

Section 8 eliminates a conflict between G.S. 150B- 21.9(a) and 150B-21.22 on the effect of including a rule in the Code. G.S. 150B- 21.9(a) states that approval by the RRC is conclusive evidence that a rule was adopted in accordance with the APA and G.S. 150B-21.22 states that entry in the Code is prima facie evidence of compliance. This change provides that G.S. 150B-21.9(a) controls. When RRC was given the authority to determine if a rule was adopted in accordance with the procedural requirements, the provision was added that approval was conclusive evidence of compliance with the procedural requirements. G.S. 150B-21.22 was not changed accordingly, however. The time for disputing procedural compliance is before the rule becomes part of the Administrative Code. Once it is in the Code, the substance of the rule can be contested but not the procedure. This parallels the treatment for legislation. A clarification of this matter was requested by both OAH and RRC.

Section 9 clarifies that the rule manual is to include instructions on both types of rule notices. The two types are a notice of rule-making proceedings and a notice of text.

Sections 10 and 12 add references that serving as a member of the RRC is grounds for obtaining a continuance in civil and criminal court cases. Lawyers are frequently members of the RRC.

Section 11 clarifies the rule-making authority of the Office of Administrative Hearings.

Section 13 specifies that the bill is effective when it becomes law.

§ 150B-21.6. Incorporating material in a rule by reference.

An agency may incorporate the following material by reference in a rule without repeating the text of the referenced material:

(1) Another rule or part of a rule adopted by the agency.

(2) All or part of a code, standard, or regulation adopted by another agency, the federal government, or a generally recognized organization or association.

(3) **Material adopted to meet a requirement of the federal government.** (Emphasis added)

In incorporating material by reference, the agency must designate in the rule whether or not the incorporation includes subsequent amendments and editions of the referenced material. The agency can change this designation only by a subsequent rule-making proceeding. The agency must have copies of the incorporated material available for inspection and must specify in the rule both where copies of the material can be obtained and the cost on the date the rule is adopted of a copy of the material.

A statement in a rule that a rule incorporates material by reference in accordance with former G.S. 150B-14(b) is a statement that the rule does not include subsequent amendments and editions of the referenced material. A statement in a rule that a rule incorporates material by reference in accordance with former G.S. 150B-14(c) is a statement that the rule includes subsequent amendments and editions of the referenced material. (1973, c. 1331, s. 1; 1975, 2nd Sess., c. 983, s. 64; 1981 (Reg. Sess., 1982), c. 1359, s. 5; 1983, c. 641, s. 3, c. 768, s. 19; 1985, c. 746, s. 1; 1987, c. 285, s. 13; 1991, c. 418, s. 1.)

§ 150B-21.9. Standards and timetable for review by Commission.

(a) Standards. -- The Commission must determine whether a rule meets all of the following criteria:

(1) It is within the authority delegated to the agency by the General Assembly.

(2) It is clear and unambiguous.

(3) It is reasonably necessary to fulfill a duty delegated to the agency by the General Assembly, when considered in light of the cumulative effect of all rules adopted by the agency related to the specific purpose for which the rule is proposed and the legislative intent of the General Assembly in delegating the duty.

The Commission may determine if a rule submitted to it was adopted in accordance with Part 2 of this Article. The Commission may ask the Office of State Budget and Management to determine if a rule has a substantial economic impact and is therefore required to have a fiscal note. The Commission must ask the Office of State Budget and Management to make this determination if a fiscal note was not prepared for a rule and the Commission receives a written request for a determination of whether the rule has a substantial economic impact.

The Commission must notify the agency that adopted the rule if it determines that a rule was not adopted in accordance with Part 2 of this Article and must return the rule to the agency. **Entry of a rule in the North Carolina Administrative Code after review by the Commission is conclusive evidence that the rule was adopted in accordance with Part 2 of this Article.** (Emphasis added)

(b) Timetable. -- The Commission must review a rule submitted to it on or before the twentieth of a month by the last day of the next month. The Commission must review a rule submitted to it after the twentieth of a month by the last day of the second subsequent month. (1991, c. 418, s. 1; 1995, c. 507, s. 27.8(f).)

RE: Senate Bill 296 – Campaign Pledge.

Senate Bill 296, introduced by Senator Albertson, would provide that candidates for office in North Carolina be offered the opportunity to sign a pledge at the official beginning of their candidacy. In the pledge, the candidate would promise to conduct a campaign consistent with the principles of morality, ethics, and civility, and to "refrain from campaign practices that in any way detract from the honorable pursuit of elective office."

No candidate would be compelled to sign the pledge. The only official follow-up would be disclosure. The State Board of Elections would be required to compile a list of all candidates who signed the pledge and all who had not. The State Board and county boards would be required to issue and distribute, no later than 21 days before a primary or election, a news release of all signers and non-signers.

Effected by the pledge would be all varieties of candidates seeking office in partisan elections for State and county office. It would include candidates for party nomination, unaffiliated and write-in candidates, and vacancy nominees. The bill does not extend to municipal candidates or candidates in the new nonpartisan elections for superior court judge.

The bill also adds a clause to the existing Corrupt Practices Act to provide for any registered voter to file a complaint under oath alleging violations of that Act. Such a complaint would be investigated by the State Board of Elections or appropriate district attorney. The Corrupt Practices Act, dating from 1931, establishes a variety of misdemeanors and felonies dealing with elections and campaigns. They range from voter fraud and voter intimidation to defamation of a candidate. The Campaign Finance Act, enacted in 1974, provides for a voter complaint under oath, but the older Corrupt Practices Act does not.

The bill would be effective January 1, 1998.

MEMORANDUM

TO: Senate Judiciary Committee

FROM: General Statutes Commission

DATE: March 17, 1997

RE: **House Bill 202 (Increase Minimum Upset Amount)**

A sale of real property pursuant to a judicial sale (one specifically directed by a court), as well as an execution sale (one held by a sheriff to collect on a judgment), does not become closed until 10 days after the filing of the report of sale. During that 10-day period, any person may file an upset bid offering to purchase the property for an amount exceeding the reported sale price by 10% of the first $1,000 plus 5% of any excess above $1,000, but in any event with a minimum increase of $25. When an upset bid is submitted to the clerk of the superior court with whom the report of sale is filed, the clerk must order a resale of the property. The clerk is required to order a resale of the property as often as qualifying upset bids are submitted.

The $25 minimum upset bid amount has not been increased since the enactment of the judicial sale and execution sale statutes in 1949. This amount does not cover the costs and expenses of a resale, which include advertising costs and attorneys' fees.

House Bill 202 amends G.S. 1-339.25(a), relating to judicial sales, and G.S. 1-339.64(a), relating to execution sales, to specify that the amount of an upset bid must exceed the reported sale price of the property by a minimum of 5% of the reported sale price or $750, whichever is greater. As originally introduced, the bill only increased the absolute minimum amount from $25 to $750, the same absolute minimum amount required by the 1993 amendments to the statutes governing a foreclosure sale under a power of sale in a mortgage or deed of trust. The House amended the percentages and language in these subsections to further conform to the foreclosure sale statutes.

MEMORANDUM

TO: Senator Roy Cooper, Chair, Senate Judiciary Committee

FROM: Brenda J. Carter, Committee Co-Counsel

RE: **SENATE BILL 16 - CLARIFY COMMUNITY-BASED CORRECTIONS**
Proposed Committee Substitute
Senator Ballance

Senate Bill 16 implements recommendations of the N.C. Sentencing Commission regarding community-based corrections. (The proposed committee substitute makes technical changes - it combines various sections of the bill in order to place all proposed changes to a particular statute together in one section of the bill)

The bill modifies statutory language defining certain intermediate punishments. Section 1 of the bill renames the Intensive Probation Program as Intensive Supervision, as the program is also available for offenders on parole and post-release supervision. Sections 2 of the bill amends the definition of intensive supervision to require multiple contacts each week by a probation officer, to require curfew restrictions, and to require that offenders be employed or pursuing a course of study or vocational training. It also redefines the intermediate sanction of "electronic monitoring" as "house arrest with electronic monitoring". Section 3 of the bill uses the revised definitions in the list of special conditions of probation.

The bill changes judicial authority to delegate certain responsibilities to the Division of Adult Probation and Parole. Under structured sentencing, the court may, at the time of sentencing, delegate to DAPP the authority to impose additional requirements on an offender who violates probation - without bringing the offender back to court. Section 4 of the bill makes the delegation of authority automatic, unless the presiding judge finds that it is not appropriate. Section 4 also adds curfew with electronic monitoring as an optional condition of probation for an offender sentenced to intermediate punishment, when the offender has violated probation.

Senate Bill 16 modifies the target population for community penalties. Community penalties programs develop plans for offenders who are convicted of misdemeanors or felonies. According to the Sentencing Commission, often an offender is convicted and sentenced on the same day, which does not give the community penalties program sufficient time to develop a plan. Section 5 of the bill expands the Community Penalties statute to allow programs to develop plans for persons charged with misdemeanors and felonies but not yet convicted. The change was recommended by the Community Penalties Division of the AOC.

Section 6 of the bill prohibits community service as a condition of post-release supervision.

The bill would be effective December 1, 1997 and apply to offenses occurring on or after that date.

If any investigation is required by officers or agents of the Department of Environment, Health, and Natural Resources or the Wildlife Resources Commission in determining the extent of the destruction of resources involved, the court may include compensation of the agency for investigative costs as a condition of probation. This subdivision does not apply in any case governed by G.S. 143-215.3(a)(7).

(8) Not use, possess, or control any illegal drug or controlled substance unless it has been prescribed for him by a licensed physician and is in the original container with the prescription number affixed on it; not knowingly associate with any known or previously convicted users, possessors or sellers of any such illegal drugs or controlled substances; and not knowingly be present at or frequent any place where such illegal drugs or controlled substances are sold, kept, or used.

If the Division imposes any of the above requirements, then it may subsequently reduce or remove those same requirements.

If the probation officer exercises authority delegated to him or her by the court pursuant to this subsection, the offender may file a motion with the court to review the action taken by the probation officer. The offender shall be given notice of the right to seek such a court review. (2) For misdemeanants sentenced to intermediate punishment, not less than 12 nor more than 24 months;

Extension. -- The court may with the consent of the offender extend the original period of the probation if necessary to complete a program of restitution or to

(2) Report to the offender's probation officer on a frequency to be determined by the officer; or

(3) Submit to substance abuse assessment, monitoring or treatment.

If the Division imposes any of the above requirements, then it may subsequently reduce or remove those same requirements.

If the probation officer exercises authority delegated by the court pursuant to this subsection, the offender may file a motion with the court to review the action taken by the probation officer. The offender shall be given notice of the right to seek such a court review. The Division may exercise any authority delegated to it under this subsection only if it first determines that the offender has failed to comply with one or more of the conditions of probation imposed by the court.

(f) Delegation to Probation Officer in Intermediate Punishments. -- ~~The court may delegate to~~ Unless the presiding judge specifically finds in the judgment of the court that delegation is not appropriate, the Division of Adult Probation and Parole in the Department of Correction ~~the authority to~~ may require an offender sentenced to intermediate punishment to:

The offender shall be given notice of the right to seek such a court review. The Division may exercise any authority delegated to it under this subsection only if it first determines that the offender has failed to comply with one or more of the conditions of probation imposed by the court.

MEMORANDUM

TO: Senator Roy Cooper, Chair, Senate Judiciary Committee

FROM: Brenda J. Carter, Committee Co-Counsel

RE: **Clarify Sex Offender Registration**
Senate Bill 135 - Senator Odom
House Bill 139 - Representative Justus

Senate Bill 135 and House Bill 139 amend the Sex Offender Registration Act to make it clear that a person convicted of a sex offense in federal court or in a state other than N.C. is required to register in this state.

Under current law, a person who has a reportable conviction is required to maintain registration with the sheriff of the county where the person resides. "Reportable conviction" is defined to include a conviction for a violation of specifically enumerated North Carolina statutes - including rape, incest, sexual exploitation of a minor, taking indecent liberties with a minor, etc. The term also includes a conviction in another state of an offense that would trigger the obligation to register as a sex offender if the crime had occurred in North Carolina. Senate Bill 135 and House Bill 139 would change the definition of a "reportable conviction" to also include conviction in a federal jurisdiction of an offense substantially similar one of the state offenses that require registration.

A person must register immediately upon conviction for a reportable offense where an active term of imprisonment is not imposed. A person who moves to N.C. from outside the state must register within 10 days of establishing residence in this state. A person who is a current resident of this State is required to register within 10 days of release from a penal institution or arrival in a county to live outside a penal institution. A penal institution is currently defined to include a county jail or a detention facility operated by the Division of Prisons. The House bill was amended in committee to broaden the definition of a "penal institution" to include federal or out-of-state detention facilities.

The bill would be effective when it becomes law, and would apply to all persons who are convicted on or after that date or who are released from a penal institution on or after that date.

A BILL TO BE ENTITLED

AN ACT TO IMPLEMENT THE RECOMMENDATIONS OF THE NORTH CAROLINA SENTENCING AND POLICY ADVISORY COMMISSION TO MODIFY STATUTORY LANGUAGE DEFINING CERTAIN INTERMEDIATE PUNISHMENTS, TO CHANGE THE JUDICIAL AUTHORITY TO DELEGATE RESPONSIBILITIES TO PROBATION OFFICERS AND TO MODIFY THOSE DELEGATED RESPONSIBILITIES, TO MODIFY THE TARGET POPULATION FOR COMMUNITY PENALTIES, AND TO IDENTIFY THE POPULATION INELIGIBLE FOR COMMUNITY SERVICE.

The General Assembly of North Carolina enacts:

Section 1. G.S. 143B-262(c) reads as rewritten:

"(c) The Department shall establish within the Division of Adult Probation and Parole a program of Intensive ~~Probation and Parole.~~ Supervision. This program shall provide intensive supervision for ~~probationers,~~ probationers, post-release supervisees, and parolees who require close supervision in order to remain in the community pursuant to a community penalties plan, community work plan, community restitution plan, or other plan of rehabilitation. The intensive ~~probation and parole~~

supervision program shall be available to both felons and misdemeanants. Each offender shall be required to comply with the rules adopted for the Program as well as the requirements specified in G.S. 15A-1340.11(5)."

Section 2. G.S. 15A-1340.11 reads as rewritten:

"§ 15A-1340.11. Definitions.

The following definitions apply in this Article:

(1) Active punishment. -- A sentence in a criminal case that requires an offender to serve a sentence of imprisonment and is not suspended. Special probation, as defined in G.S. 15A-1351, is not an active punishment.

(2) Community punishment. -- A sentence in a criminal case that does not include an active punishment or an intermediate punishment.

(3) Day-reporting center. -- A facility to which offenders are required, as a condition of probation, to report on a daily or other regular basis at specified times for a specified length of time to participate in activities such as counseling, treatment, social skills training, or employment training.

~~(4) Electronic monitoring. -- A condition of probation in which the offender is required to remain in one or more specified places for a specified period or periods each day, and in which the offender shall wear a device which permits the supervising agency to monitor the offender's compliance with the condition electronically.~~

(4a) House arrest with electronic monitoring. -- Probation in which the offender is required to remain at his or her residence unless the court or the probation officer authorizes the offender to leave for the purpose of employment, counseling, a course of study or vocational training. The offender shall be required to wear a device which permits the supervising agency to monitor the offender's compliance with the condition electronically.

(5) Intensive probation. -- Probation that requires the offender to submit to supervision by officers assigned to the Intensive ~~Probation~~ Supervision Program established pursuant to G.S. 143B-262(c), and to comply with the rules adopted for that Program. Unless otherwise ordered by the court, intensive supervision also requires multiple contacts by a probation officer per week, a specific period each day during which the offender must be at his or her residence, and that the offender remain gainfully and suitably employed or faithfully pursue a course of study or of vocational training that will equip the offender for suitable employment.

(6) Intermediate punishment. -- A sentence in a criminal case that places an offender on supervised probation and includes at least one of the following conditions:

a. Special probation as defined in G.S. 15A-1351(a).
b. Assignment to a residential program.
c. ~~Electronic monitoring.~~ House arrest with electronic monitoring.
d. Intensive probation.
e. Assignment to a day-reporting center.

In addition, a sentence to regular supervised probation imposed pursuant to a community penalties plan as defined in G.S. 7A-771(2) is an intermediate punishment, regardless of whether any of the above conditions is imposed, if the plan is accepted by the court and the plan does not include active punishment.

(7) Prior conviction. -- A person has a prior conviction when, on the date a criminal judgment is entered, the person being sentenced has been previously convicted of a crime:

a. In the district court, and the person has not given notice of appeal and the time for appeal has expired; or

b. In the superior court, regardless of whether the conviction is on appeal to the appellate division; or

c. In the courts of the United States, another state, the armed services of the United States, or another country, regardless of whether the offense would be a crime if it occurred in North Carolina,

regardless of whether the crime was committed before or after the effective date of this Article.

(8) Residential program. -- A program in which the offender, as a condition of probation, is required to reside in a facility for a specified period and to participate in activities such as counseling, treatment, social skills training, or employment training, conducted at the residential facility or at other specified locations."

Section 3. G.S. 15A-1343(b1) reads as rewritten:

"(b1) Special Conditions. -- In addition to the regular conditions of probation specified in subsection (b), the court may, as a condition of probation, require that during the probation the defendant comply with one or more of the following special conditions:

(1) Undergo available medical or psychiatric treatment and remain in a specified institution if required for that purpose.

(2) Attend or reside in a facility providing rehabilitation, counseling, treatment, social skills, or employment training, instruction, recreation, or residence for persons on probation.

(2a) Submit to a period of imprisonment in a facility for youthful offenders for a minimum of 90 days or a maximum of 120 days under special probation, reference G.S. 15A-1351(a) or G.S. 15A-1344(e), and abide by all rules and regulations as provided in conjunction with the Intensive Motivational Program of Alternative Correctional Treatment (IMPACT), which provides an atmosphere for learning personal confidence, personal responsibility, self-respect, and respect for attitudes and value systems.

(3) Submit to imprisonment required for special probation under G.S. 15A-1351(a) or G.S. 15A-1344(e).

~~(3a) Remain in one or more specified places for a specified period or periods each day, and wear a device that permits the defendant's compliance with the condition to be monitored electronically.~~

(3b) Submit to supervision by officers assigned to the Intensive ~~Probation~~ Supervision Program established pursuant to G.S. 143B-262(c), and abide by the rules adopted for that Program. Unless otherwise ordered by the court, intensive supervision also requires multiple contacts by a probation officer per week, a specific period each day during which the offender must be at his or her residence, and that the offender remain gainfully and suitably employed or faithfully pursue a course of study or of vocational training that will equip the offender for suitable employment.

(3c) Remain at his or her residence unless the court or the probation officer authorizes the offender to leave for the purpose of employment, counseling, a course of study or vocational training. The offender shall be required to wear a device which permits the supervising agency to monitor the offender's compliance with the condition electronically.

(4) Surrender his driver's license to the clerk of superior court, and not operate a motor vehicle for a period specified by the court.

(5) Compensate the Department of Environment, Health, and Natural Resources or the North Carolina Wildlife Resources Commission, as the case may be, for the replacement costs of any marine and estuarine resources or any wildlife resources which were taken, injured, removed, harmfully altered, damaged or destroyed as a result of a criminal offense of which the defendant was convicted. If any investigation is required by officers or agents of the Department of Environment, Health, and

Natural Resources or the Wildlife Resources Commission in determining the extent of the destruction of resources involved, the court may include compensation of the agency for investigative costs as a condition of probation. This subdivision does not apply in any case governed by G.S. 143-215.3(a)(7).

(6) Perform community or reparation service and pay any fee required by law or ordered by the court for participation in the community or reparation service program.

(7) Submit at reasonable times to warrantless searches by a probation officer of his person and of his vehicle and premises while he is present, for purposes specified by the court and reasonably related to his probation supervision, but the probationer may not be required to submit to any other search that would otherwise be unlawful. Whenever the warrantless search consists of testing for the presence of illegal drugs, the probationer may also be required to reimburse the Department of Correction for the actual cost of drug screening and drug testing, if the results are positive.

(8) Not use, possess, or control any illegal drug or controlled substance unless it has been prescribed for him by a licensed physician and is in the original container with the prescription number affixed on it; not knowingly associate with any known or previously convicted users, possessors or sellers of any such illegal drugs or controlled substances; and not knowingly be present at or frequent any place where such illegal drugs or controlled substances are sold, kept, or used.

(8a) Purchase the least expensive annual statewide license or combination of licenses to hunt, trap, or fish listed in G.S. 113-270.2, 113-270.3, 113-270.5, 113-271, 113-272, and 113-272.2 that would be required to engage lawfully in the specific activity or activities in which the defendant was

engaged and which constitute the basis of the offense or offenses of which he was convicted.

(9) If the offense is one in which there is evidence of physical, mental or sexual abuse of a minor, the court should encourage the minor and the minor's parents or custodians to participate in rehabilitative treatment and may order the defendant to pay the cost of such treatment.

(10) Satisfy any other conditions determined by the court to be reasonably related to his rehabilitation."

Section 4. G.S. 15A-1343.2 reads as rewritten:

"§ 15A-1343.2. Special probation rules for persons sentenced under Article 81B.

(a) Applicability. -- This section applies only to persons sentenced under Article 81B of this Chapter.

(b) Purposes of Probation for Community and Intermediate Punishments. -- The Department of Correction shall develop a plan to handle offenders sentenced to community and intermediate punishments. The probation program designed to handle these offenders shall have the following principal purposes: to hold offenders accountable for making restitution, to ensure compliance with the court's judgment, to effectively rehabilitate offenders by directing them to specialized treatment or education programs, and to protect the public safety.

(c) Probation Caseload Goals. -- It is the goal of the General Assembly that, subject to the availability of funds, caseloads for probation officers supervising persons sentenced to community punishment should not exceed an average of 90 offenders per officer, and caseloads for offenders sentenced to intermediate punishments should not exceed an average of 60 offenders per officer by July 1, 1998.

(2) For misdemeanants sentenced to intermediate punishment, not less than 12 nor more than 24 months;

Extension. -- The court may with the consent of the offender extend the original period of the probation if necessary to complete a program of restitution or to complete medical or psychiatric treatment ordered as a condition of probation. This extension may be for no more than three years, and may only be ordered in the last six months of the original period of probation.

A BILL TO BE ENTITLED

AN ACT TO IMPOSE A CRIMINAL PENALTY FOR THE WILLFUL FAILURE TO REPORT CHILD ABUSE, AS RECOMMENDED BY THE CHILD FATALITY TASK FORCE.

The General Assembly of North Carolina enacts:

Section 1. G.S. 7A-543 reads as rewritten:

"**§ 7A-543. Duty to report child abuse, neglect, dependency, or death due to maltreatment.**

Any person or institution who has cause to suspect that any juvenile is abused, neglected, or dependent, as defined by G.S. 7A-517, or has died as the result of maltreatment, shall report the case of that juvenile to the Director of the Department of Social Services in the county where the juvenile resides or is found. The report may be made orally, by telephone, or in writing. The report shall include information as is known to the person making it including the name and address of the juvenile; the name and address of the juvenile's parent, guardian, or caretaker; the age of the juvenile; the names and ages of other juveniles in the home; the present whereabouts of the juvenile if not at the home address; the nature and extent of any injury or condition resulting from abuse, neglect, or dependency; and any other information which the person making the report believes might be helpful in establishing the need for protective services or court intervention. If the report is made orally or by telephone, the person making the report shall give the person's name, address, and telephone number. Refusal of the person making the report to give a name shall not preclude the Department's investigation of the alleged abuse, neglect, dependency, or death as a result of maltreatment. Any person or institution

Upon receipt of any report of child sexual abuse in a day care facility or day care home, the Director shall notify the State Bureau of Investigation within 24 hours or on the next work day. If child sexual abuse in a day care facility or day care home is not alleged in the initial report, but during the course of the investigation there is reason to suspect that child sexual abuse has occurred, the Director shall immediately notify the State Bureau of Investigation. Upon notification that child sexual abuse may have occurred in a day care facility or day care home, the State Bureau of Investigation may form a task force to investigate the report."

MEMORANDUM

TO: Senator Roy Cooper, Chair, Senate Judiciary Committee

FROM: O. Walker Reagan, Committee Co-Counsel

RE: **Senate Bill 152 - Administrative Search Warrant/When Served** - Senator Cooper

Senate Bill 152 is a recommendation of the Environmental Review Commission. This bill would permit a search warrant obtained by a state administrative agency to be served at times other than between 8:00 a.m. and 8:00 p.m. when the circumstances justify. If the magistrate, judge, or other authorized official is satisfied that the condition, object, activity, or circumstance that legally justifies the search in the first place, is occurring or will occur at times other than between 8:00 a.m. and 8:00 p.m., then the issuing official can authorize the search warrant to be served at times specified in the warrant.

Warrants to be served under these special circumstances have to meet all the other conditions for an administrative search warrant as set out in G.S. 15-27.2 (a copy of which is attached). This statute has requirements including that:

1) specific authorization for that type of search or inspection be included in statute.
2) the application for a search warrant contain specific details as to the place to be search or inspected, the legal program that permits the search or inspection, and the probable cause justifying the search or inspection.
3) the affidavit in support of the application for a search warrant be sworn.

Warrants not served within 48 hours expire.

The bill becomes effective October 1, 1997.

S152-SMRU-001

AN EQUAL OPPORTUNITY/AFFIRMATIVE ACTION EMPLOYER

§ 15-27.2. Warrants to conduct inspections authorized by law.

(a) Notwithstanding the provisions of Article 11 of Chapter 15A, any official or employee of the State or of a unit of county or local government of North Carolina may, under the conditions specified in this section, obtain a warrant authorizing him to conduct a search or inspection of property if such a search or inspection is one that is elsewhere authorized by law, either with or without the consent of the person whose privacy would be thereby invaded, and is one for which such a warrant is constitutionally required.

(b) The warrant may be issued by any magistrate of the general court of justice, judge, clerk, or assistant or deputy clerk of any court of record whose territorial jurisdiction encompasses the property to be inspected.

(c) The issuing officer shall issue the warrant when he is satisfied the following conditions are met:

(1) The one seeking the warrant must establish under oath or affirmation that the property to be searched or inspected is to be searched or inspected as part of a legally authorized program of inspection which naturally includes that property, or that there is probable cause for believing that there is a condition, object, activity or circumstance which legally justifies such a search or inspection of that property;

(2) An affidavit indicating the basis for the establishment of one of the grounds described in (1) above must be signed under oath or affirmation by the affiant;

(3) The issuing official must examine the affiant under oath or affirmation to verify the accuracy of the matters indicated by the statement in the affidavit;

(d) The warrant shall be validly issued only if it meets the following requirements:

(1) Except as provided in subsection (e), it must be signed by the issuing official and must bear the date and hour of its issuance above his signature with a notation that the warrant is valid for only 24 hours following its issuance;

(2) It must describe, either directly or by reference to the affidavit, the property where the search or inspection is to occur and be accurate enough in description so that the executor of the warrant and the owner or the possessor of the property can reasonably determine from it what person or property the warrant authorizes an inspection of;

(3) It must indicate the conditions, objects, activities or circumstances which the inspection is intended to check or reveal;

(4) It must be attached to the affidavit required to be made in order to obtain the warrant.

(e) Any warrant issued under this section for a search or inspection shall be valid for only 24 hours after its issuance, must be personally served upon the owner or possessor of the property between the hours of 8:00 A.M. and 8:00 P.M. and must be returned within 48 hours. If the warrant, however, was procured pursuant to an investigation authorized by G.S. 58-79-1, the warrant may be executed at any hour, is valid for 48 hours after its issuance, and must be returned without unnecessary delay after its execution or after the expiration of the 48 hour period if it is not executed. If the owner or possessor of the property is not present on the

(c) 1944-1996 by The Michie Company, a division of Reed Elsevier Inc., and Reed Elsevier Properties Inc. All Rights Reserved

property at the time of the search or inspection and reasonable efforts to locate the owner or possessor have been made and have failed, the warrant or a copy thereof may be affixed to the property and shall have the same effect as if served personally upon the owner or possessor.

(f) No facts discovered or evidence obtained in a search or inspection conducted under authority of a warrant issued under this section shall be competent as evidence in any civil, criminal or administrative action, nor considered in imposing any civil, criminal, or administrative sanction against any person, nor as a basis for further seeking to obtain any warrant, if the warrant is invalid or if what is discovered or obtained is not a condition, object, activity or circumstance which it was the legal purpose of the search or inspection to discover; but this shall not prevent any such facts or evidence to be so used when the warrant issued is not constitutionally required in those circumstances.

(g) The warrants authorized under this section shall not be regarded as search warrants for the purposes of application of Article 11 of Chapter 15A of the General Statutes of North Carolina.

(1967, c. 1260; 1979, c. 729; 1983, c. 294, ss. 1, 2; c. 739, ss. 1, 2.)

A BILL TO BE ENTITLED

AN ACT TO AUTHORIZE ADMINISTRATIVE SEARCH WARRANTS TO BE SERVED AT HOURS OTHER THAN BETWEEN 8:00 A.M. AND 8:00 P.M. WHEN THERE IS PROBABLE CAUSE TO BELIEVE THAT THE ACTIVITY THAT JUSTIFIES THE ADMINISTRATIVE SEARCH WARRANT WILL OCCUR AT OTHER HOURS, AS RECOMMENDED BY THE ENVIRONMENTAL REVIEW COMMISSION.

The General Assembly of North Carolina enacts:

Section 1. G.S. 15-27.2(e) reads as rewritten:

"(e) Any warrant issued under this section for a search or inspection shall be valid for only 24 hours after its issuance, must be personally served upon the owner or possessor of the property between the hours of 8:00 A.M. and 8:00 P.M. and must be returned within 48 hours. However, if there is probable cause to believe that the condition, object, activity, or circumstance that legally justifies the search or inspection is occurring or will occur at times other than between the hours of 8:00 A.M. and 8:00 P.M., then the warrant may authorize the search or inspection to be made during times in addition to the hours between 8:00 A.M. and 8:00 P.M., in which case the times during which the search or inspection may occur shall be specifically set out on the face of the warrant. If the warrant, however, was procured pursuant to an investigation authorized by G.S. 58-79-1, the warrant may be executed at any hour, is valid for 48 hours after its issuance, and must be returned without unnecessary delay after its execution or after the expiration of the 48 hour period if it is not executed. If the owner or possessor of the property is not present on the property at the time of the search or inspection and reasonable efforts to locate the

owner or possessor have been made and have failed, the warrant or a copy thereof may be affixed to the property and shall have the same effect as if served personally upon the owner or possessor."

MEMORANDUM

TO: Senator Roy Cooper, Chair, Senate Judiciary Committee

FROM: O. Walker Reagan, Committee Co-Counsel

RE: **Senate Bill 370 - Commercial Arbitration Amendments** - Senator Odom

Senate Bill 370 amends the International Commercial Arbitration Act by making international commercial arbitration awards reached outside of North Carolina enforceable in North Carolina under the International Commercial Arbitration Act and by giving every party the right to be represented by an attorney in these arbitrations. This bill is a recommendation of the North Carolina Bar Association.

Section 1 of the bill adds G.S. 1-567.65 (copy attached) to the provisions of International Commercial Arbitration Act that are enforceable in North Carolina despite the fact that the arbitration is in another place other than North Carolina. G.S. 1-567.65 provides that upon the application of a party to an arbitral award to the superior court, the court may enter a judgment which may thereafter be enforced as any other judgment entered in the State.

Section 2 amends G.S. 1-567.48 by adding a new subsection that ensures that a party to an international commercial arbitration shall have a right to be represented by an attorney, and that this right may not be waived.

This bill would become effective when it becomes law and would apply to proceedings initiated on or after that date.

AN EQUAL OPPORTUNITY/AFFIRMATIVE ACTION EMPLOYER

§ 1-567.65. Confirmation and enforcement of awards.

Subject to the relevant provisions of federal law or any applicable international agreement in force between the United States of America and any other nation or nations, upon application of a party, the superior court shall confirm an arbitral award, unless it finds grounds for modifying or vacating the award under G.S. 1-567.64. An award shall not be confirmed unless the time for correction and interpretation of awards prescribed by G.S. 1-567.63 shall have expired or been waived by all the parties. Upon the granting of an order confirming, modifying, or correcting an award, judgment or decree shall be entered in conformity therewith and enforced as any other judgment or decree. The superior court may award costs of the application and of the subsequent proceedings.

MEMORANDUM

TO: Senator Roy Cooper, Chair, Senate Judiciary Committee

FROM: O. Walker Reagan, Committee Co-Counsel

RE: **Senate Bill 371 - International Commercial Conciliation** - Senator Odom

Senate Bill 371 would amend the International Commercial Arbitration statute by adding provisions for conciliation in addition to arbitration. This bill is a recommendation of the North Carolina Bar Association.

This bill adds conciliation processes to the arbitration processes recognized under North Carolina law for disputes arising in international commercial transactions as defined in the law.

Conciliation provides for an informal process directed by a independent impartial person whose job is to help the parties to a dispute reach an amiable settlement. Under this procedure, the discussions can be in any form the conciliator deems appropriate and agreed to by the parties.

The bill provides protections to the parties to this type of settlement process by insuring that all evidence or admissions made in the conciliation process are inadmissible in any subsequent court proceeding. The bill also provides that any applicable time limits, including statutes of limitation, are stayed during the conciliation process and for 10 days beyond the termination. The bill specifies when a conciliation is terminated, the enforceability of any agreement arising from the conciliation, and how the costs of the process are to be shared between the parties. The bill also gives protection against conciliation being deemed consent to jurisdiction.

This bill would become effective September 1, 1997 and would apply to international commercial disputes made subject to conciliation on or after that date.

"**§ 1-567.77. Immunity of conciliators and parties.**

(a) A conciliator, party, or representative of a conciliator or party, while present in this State for the purpose of arranging for or participating in conciliation under this Part, is not subject to service of process on any civil matter related to the conciliation.

MEMORANDUM

TO: Senator Roy Cooper, Chair, Senate Judiciary Committee

FROM: O. Walker Reagan, Committee Co-Counsel

RE: **Senate Bill 372 - Time Limits For Foreign Service** - Senator Odom

Senate Bill 372 amends the time that a civil summons, or an alias and pluries summons, can remain valid when the defendant is located outside of the United States. This bill is a recommendation of the North Carolina Bar Association.

This bill amends the Rules of Civil Procedures, G.S. 1A-1, Rule 4(d), which governs the extension of time to serve summons and alias and pluries summons in civil cases involving defendants not in the United States by eliminating the time limit for service. Under this bill, a summons, or an alias or pluries summons, to be served on an out of country defendant, would not have to be endorsed for an extension of time to complete service within 90 days of issuance or the last prior extension in order to remain alive. Under the bill these summons may remain effective without further extension until served.

This bill would become effective when it becomes law and would apply to actions begun on or after that date.

AN EQUAL OPPORTUNITY/AFFIRMATIVE ACTION EMPLOYER

Rule 4. Process.

(a) *Summons - Issuance; who may serve.* - Upon the filing of the complaint, summons shall be issued forthwith, and in any event within five days. The complaint and summons shall be delivered to some proper person for service. In this State, such proper person shall be the sheriff of the county where service is to be made or some other person duly authorized by law to serve summons. Outside this State, such proper person shall be anyone who is not a party and is not less than 21 years of age or anyone duly authorized to serve summons by the law of the place where service is to be made. Upon request of the plaintiff separate or additional summons shall be issued against any defendants. A summons is issued when, after being filled out and dated, it is signed by the officer having authority to do so. The date the summons bears shall be prima facie evidence of the date of issue.

(b) *Summons - Contents.* - The summons shall run in the name of the State and be dated and signed by the clerk, assistant clerk, or deputy clerk of the court in the county in which the action is commenced. It shall contain the title of the cause and the name of the court and county wherein the action has been commenced. It shall be directed to the defendant or defendants and shall notify each defendant to appear and answer within 30 days after its service upon him and further that if he fails so to appear, the plaintiff will apply to the court for the relief demanded in the complaint. It shall set forth the name and address of plaintiff 's attorney, or if there be none, the name and address of plaintiff. If a request for admission is served with the summons, the summons shall so state.

(c) *Summons - Return.* - Personal service or substituted personal service of summons as prescribed by Rule 4(j)(1) a and b must be made within 30 days after the date of the issuance of summons, except that in tax and assessment foreclosures under G.S. 47-108.25 or G.S. 105-374 the time allowed for service is 60 days. When a summons has been served upon every party named in the summons, it shall be returned immediately to the clerk who issued it, with notation thereon of its service.

Failure to make service within the time allowed or failure to return a summons to the clerk after it has been served on every party named in the summons shall not invalidate the summons. If the summons is not served within the time allowed upon every party named in the summons, it shall be returned immediately upon the expiration of such time by the officer to the clerk of the court who issued it with notation thereon of its nonservice and the reasons therefor as to every such party not served, but failure to comply with this requirement shall not invalidate the summons.

(d) *Summons - Extension; endorsement, alias and pluries.* - When any defendant in a civil action is not served within the time allowed for service, the action may be continued in existence as to such defendant by either of the following methods of extension:

(1) The plaintiff may secure an endorsement upon the original summons for an extension of time within which to complete service of process. Return of the summons so endorsed shall be in the same manner as the original process. Such endorsement may be secured within 90 days after the issuance of summons or the date of the last prior endorsement, or

(2) The plaintiff may sue out an alias or pluries summons returnable in the same manner as the original process. Such alias or pluries summons may be sued out at any time within 90 days after the date of issue of the last preceding summons in the chain of summonses or within 90

(c) 1996 by Michie, a division of Reed Elsevier Inc.

days of the last prior endorsement.

Provided, in tax and assessment foreclosures under G.S. 47-108.25 and G.S. 105-374, the first endorsement may be made at any time within two years after the issuance of the original summons, and subsequent endorsements may thereafter be made as in other actions; or an alias or pluries summons may be sued out at any time within two years after the issuance of the original summons, and after the issuance of such alias or pluries summons, the chain of summonses may be kept up as in any other action.

Provided, further, the methods of extension may be used interchangeably in any case and regardless of the form of the preceding extension.

(e) *Summons - Discontinuance.* - When there is neither endorsement by the clerk nor issuance of alias or pluries summons within the time specified in Rule 4(d), the action is discontinued as to any defendant not theretofore served with summons within the time allowed. Thereafter, alias or pluries summons may issue, or an extension be endorsed by the clerk, but, as to such defendant, the action shall be deemed to have commenced on the date of such issuance or endorsement.

MEMORANDUM

TO: Senator Roy Cooper, Chair, Senate Judiciary Committee

FROM: O. Walker Reagan, Committee Co-Counsel

RE: **Senate Bill 373 - Contracts Against Public Policy** - Senator Odom

Senate Bill 373 amends two sections of the law making certain types of contract provisions in contracts to improve real property and contracts with forum selection against public policy, by exempting from these statutes international commercial arbitration awards. This bill is a recommendation of the North Carolina Bar Association.

Section 1 of the bill amends G.S. 22B-2 by adding a sentence that provides that a provision in a contract for improvements to real property, or providing for materials to improve real property, is not void as against public policy if it makes the contract subject to the laws of another state or nation, or provides that the exclusive forum to resolve the dispute is in another state or nation, when the matter is an international commercial transaction, as defined in G.S. 1-567.31, resolved by an arbitration award.

Section 2 amends G.S. 22B-3 by adding a sentence that provides that a provision in a contract that requires prosecution of the contract in another state is not void as against public policy if it is an international commercial transaction resolved pursuant to an arbitration award.

This bill will become effective when it becomes law and will apply to contracts entered into on or after that date.

(2) One or more of the following places is situated outside the nations in which the parties have their places of business:

c. The place with which the subject matter of the dispute is most closely connected; or

(3) The parties have expressly agreed that the subject matter of the arbitration agreement relates to more than one nation.

(d) For the purposes of subsection (c) of this section:

(1) If a party has more than one place of business, the place of business is that which has the closest relationship to the arbitration agreement;

(2) If a party does not have a place of business, reference is to be made to the party's domicile.

(e) An arbitration is deemed commercial for the purposes of this Article if it arises out of a relationship of a commercial nature, including, but not limited to the following:

(1) A transaction for the exchange of goods and services;

(2) A distribution agreement;

MEMORANDUM

TO: Senator Roy Cooper, Chair, Senate Judiciary Committee

FROM: Brenda J. Carter, Committee Co-Counsel

RE: **SENATE BILL 393 - FAIL COMMUNITY SERVICE/ REVOKE LICENSE**
Senator Rand

Senate Bill 393 would require the revocation of a person's drivers license or limited driving privilege for willful failure to complete court-ordered community service. It would also delete a requirement that the chief district court judge be consulted and approve the appointment of the district's community service coordinator for programs administered by the Department of Crime Control and Public Safety.

Section 1 of the bill requires that the limited driving privilege granted a person convicted of impaired driving be revoked until any delinquent community service requirement has been met. G.S. 20-179.4 requires the Department of Crime Control and Public Safety to conduct a community service alternative punishment for persons convicted of impaired driving and sentenced to Level 3, 4, or 5 punishment. At those levels, a defendant is subject to a fine and a term of imprisonment which must be suspended, on any or all of three conditions - one of which is to perform community service. Level 5 may require 24 hours, which must be completed within 30 days; Level 4 may require 48 hours, completed within 60 days; Level 5 may require 72 hours, completed within 90 days. Current law provides that the court may extend the time limits upon motion of the defendant if it finds that the defendant has made a good faith effort to comply with the specified time limits. G.S. 20-179.4 also requires that all persons serving a community service sentence pay a $100 fee. A willful failure to pay the fee or complete the work requires that the court revoke any limited driving privilege issued in the impaired driving case.

Sections 1 and 2 of the bill delete the requirement that the chief district court judge consult in or approve the appointment of the community service coordinator. In addition to the community

service alternative program for impaired driving offenders, G.S. 143B-475.1 authorizes the Department of Crime Control and Public Safety to conduct a deferred prosecution, community service restitution, and volunteer program for youthful and adult offenders. Under current law, the Secretary of CC&PS is to assign at least one coordinator to each district court to assure and report to the court the person's compliance with the community service sentence. Currently, the appointment of each coordinator must be made in consultation with and is subject to the approval of the chief district court judge in the district to which the coordinator is assigned.

Section 3 of the bill amends the law regarding mandatory revocation of licenses by DMV to provide that, on the basis of information provided by the clerk of court, DMV shall revoke the license of any person who has willfully failed to complete court-ordered community service when the court has issued a revocation order. The revocation continues in effect until DMV receives certification from the clerk of court that the person has completed the court-ordered community service.

Section 4 makes the bill effective October 1, 1997 and applicable to any person hired or to any person notified of a hearing to determine if the person has willfully failed to perform community service on o after that date.

MEMORANDUM

TO: Senator Roy Cooper, Chair, Senate Judiciary Committee

FROM: Brenda J. Carter, Committee Counsel

RE: **SENATE BILL 148 - MOTOR VEHICLE OCCUPANT RESTRAINTS**
Proposed Committee Substitute
Senator Winner

Senate Bill 148 would make various changes to the laws pertaining to seat belts and safety seats. The bill would become effective July 1, 1998.

Mandatory Seat Belt Use.

Section 1 of the bill amends G.S. 20-135.2A (Seat belt use mandatory) to require **all** occupants age 16 or older of a passenger motor vehicle to wear seat belts. Under current law, passengers age 16 or older are required to wear seat belts only if they are in the front seat. Section 1 also deletes the provisions regarding passengers between the ages of 12 and 16; all passengers under 16 will now be covered by G.S. 20-137.1 (Child restraint systems required).

Section 2 of the bill increases the penalty for a violation of the mandatory seat belt law from $25 to $50, and makes other clarifying changes. This penalty will apply to the driver if the driver is not wearing a seat belt. It will also apply to any passenger over the age of 16 who is not wearing a seat belt.

Section 3 provides that a driver who is not wearing a seat belt can be assigned drivers license points for the violation. Treating the seat belt violation as a moving violation for purposes of G.S.20-16(c) means that the driver will be assigned 2 points against his driving record. A passenger who is not wearing a seat belt will not be assigned points, nor will the driver be assigned points for the failure of a passenger 16 or over to buckle up.

AN EQUAL OPPORTUNITY/AFFIRMATIVE ACTION EMPLOYER

Section 4 repeals an obselete provision that required a report on the effectiveness of the mandatory seat belt law by October 1, 1988.

Transporting a child under 12 in the open cargo area of a pick-up

Section 5 amends the law regarding transporting a child under 12 in the open cargo area of a pick-up. It repeals the exception for counties that have no incorporated area with a population over 3,500. Section 6 increases the penalty for a violation from $25 to $50, and makes other clarifying changes. Section 7 provides that drivers license points will be assigned for violations. Since the driver has the responsibility to comply with the law, the drivers license points and the penalty are against the driver. Section 8 repeals an evaluation and reporting requirement on the effectiveness of this law.

Child Restraint Systems

Section 9 amends G.S. 20-137.1 to require that all children who are between the ages of 5 and 16 years old or weigh 60 pounds or more must wear a seat belt. Children who are under five and weigh less than 60 pounds must be in an approved safety seat. Section 10 requires that drivers license points be assigned against the driver for a violation of the requirement.

Upgrading North Carolina's Occupant Restraint Laws

❑ Occupant Restraint Laws Save Lives

North Carolina's seat belt and child passenger safety laws have been saving lives and preventing injuries for many years. According to the Highway Safety Research Center, seat belts have saved more than 1,700 lives in North Carolina since October, 1985, when the belt law went into effect. In an effort to further increase the savings in lives, injuries and money, the Governor's Highway Safety Commission and the NC Child Fatality Task Force are proposing that North Carolina strengthen its occupant restraint laws.

❑ What's Being Proposed?

Seat Belt Law

- ♦ Assess 2 driver license points
- ♦ Increase fine to $50
- ♦ Cover all seating positions, all ages, and all vehicles

Child Restraint Law

- ♦ Assess 2 driver license points

Pick-up Truck Open Cargo Bed

- ♦ Assess 2 driver license points
- ♦ Provide statewide coverage, eliminating exclusion of certain counties

❑ Why Are Tougher Laws Needed?

- ♦ Increasing seat belt use from 80% to 90% should lead to an estimated 79 lives saved and 784 serious injuries prevented per year in NC.
- ♦ Increasing rear seat belt use from 50% to 80% should lead to an estimated 4 lives saved and 32 serious injuries prevented per year.
- ♦ Belt *nonusers* in NC are more often involved in high risk behaviors such as drinking and driving, are less likely to have health care coverage, and are up to 35% more likely to be involved in crashes.
- ♦ Increasing seat belt use from 80% to 90% should lead to an additional cost savings, including lost productivity, of $65,500,000 for fatalities and $33,923,000 for serious injuries per year in NC.

WHY DRIVER LICENSE POINTS?

Points Work

Target group (males and younger ages) already have poor driver records. They are concerned they will lose their license if they receive additional driver license points. A license is suspended by the Division of Motor Vehicles when 12 or more points have been accumulated.

Points Change Behavior

Research surveys of both nonusers and people actually receiving seat belt tickets show driver license points as the #1 method of getting them to wear seat belts every time they drive.

Lives Saved

Increasing seat belt use from 80% to 90% would save an estimated 79 lives and prevent 784 serious injuries each year in North Carolina.

Money Saved

Increasing seat belt use from 80% to 90% would lead to a direct medical and emergency cost savings of $1.4 million for fatalities and more than $15 million for serious injuries.

New Strategy Needed

With "Click It or Ticket," seat belt use has leveled off at 83%. Driver license points are critical to get the remaining 20% to buckle up.

Seat Belt Nonuser Profile

- Up to 35% more likely to be involved in crashes.
- More than 40% more likely to have convictions for driving violations, especially speeding.
- More likely to have an arrest record.
- Less likely to have health care coverage
- More likely to drink heavily.

ESTIMATED BENEFITS FROM PROPOSED NC SAFETY BELT LAW MODIFICATIONS

Potential Benefits for Assigning Driver License Points

- In Canada, demerit points have been successfully used for belt violations for a number of years. Five of the twelve Canadian Provinces have assigned demerit points for belt violations, three of which have exceeded 90 percent belt use.
- Belt nonusers in NC are more often involved in high risk behaviors such as drinking and driving, are less likely to have health care coverage, and are up to 35% more likely to be involved in crashes. Because of their high risk lifestyle and higher crash involvement, increases among this population should result in even greater reductions in deaths, injuries and societal costs than did previous increases in belt use.
- Surveys of NC belt nonusers indicate that they would be likely to respond to the assignment of demerit points and the increased risk of license suspension.
- Increasing seat belt use from 80% to 90% should lead to an estimated 79 lives and 784 serious injuries prevented per year in NC.
- Increasing seat belt use from 80% to 90% should lead to an additional cost savings for direct medical and emergency services costs of $1,338,000 for fatalities and $15,290,000 for serious injuries.
- One provision of the Graduated Driver's Licensing legislation requires seat belt use for all vehicle occupants. Assigning driver license points will enhance the Division of Motor Vehicles' ability to track GDL violations.

Potential Benefits for Increased Coverage

- The majority of North Carolina motor vehicle crash victims are covered by either the Child Passenger Safety or Seat Belt law. Non-covered occupants are primarily rear-seat occupants not covered by the Child Passenger Safety law and thus not required to be restrained.
- Seat belt nonuse in the rear seat is offset somewhat by the fact that the rear seat tends to be safer in crashes than front seats.
- Based on a conservative lap belt effectiveness estimate of 25%, increasing rear seat belt use from 50% to 80% should lead to an estimated 4 lives and 32 serious injuries prevented per year. The National Highway Traffic Safety Administration estimates that rear-seat lap and shoulder belt combinations are at least 60% effective in reducing fatalities. Increased use of rear-seat lap shoulder belts should increase the benefits that may expected from increased coverage.
- Increasing rear seat belt use from the current estimate of 50% to 80% should lead to an estimated cost savings for direct medical and emergency services costs of $68,000 for fatalities and $624,000 for serious injuries.

Potential Benefits for Increased Fines

- Potential benefits of increasing the fine for violations are less definitive, but increases in the fines for violations would be consistent with recommendations of the National Highway Traffic Safety Administration. A 1995 NHTSA study of the effect of various provisions of safety belt use laws found that for each $1 in fine level states tend to realize about 0.08 percent higher belt use.

POTENTIAL BENEFITS OF DRIVER LICENSE POINTS FOR SEAT BELT LAW VIOLATIONS

- **Assessment of driver license points has been shown to work.** In Canada, demerit points have been successfully used for belt violation for a number of years. Five of the twelve Canadian Provinces have assigned demerit points for belt violations, three of which have exceeded 90 percent belt use.

- **A new strategy is needed to increase belt use.** With "Click It or Ticket", belt use has leveled off at around 80% as it did in Canada.

- **It is critical to encourage the last 20% to buckle up.** Studies in North Carolina have shown that belt nonusers are

  - Up to 35% more likely to be involved in crashes.

  - Over 40% more likely to have convictions for driving violations (especially speeding).

  - Less likely to have health coverage.

  - More likely to acknowledge having consumed large amounts of alcohol in the past year.

  - More likely to have and arrest record.

- **The primary target groups** (males and younger ages) already have poorer driving records and concern of license suspension from receiving additional driver license points.

- **Multiple surveys** of both nonusers and persons actually receiving seat belt tickets rate driver license points as the #1 method of getting them to wear seat belts every time they drive.

- **Potential for injury/fatality reduction.** Increasing seat belt use from 80% to 90% should lead to an estimated 79 lives and 784 serious injuries prevented per year in North Carolina.

- **Cost savings.** Increasing seat belt use from 80% to 90% should lead to direct medical and emergency cost savings of $1.4 million for fatalities and over $15 million for serious injuries.

- **Enhancement of Graduated Driver's Licensing legislation.** One provision of the GDL requires seat belt use for all vehicle occupants. Assigning driver license points will enhance the Division of Motor Vehicles' ability to track GDL violations.

Potential Benefits for Increased Coverage

- Since the first child passenger safety law went into effect in North Carolina in 1982, restraint use for children has increased dramatically from 20% to over 90% for children less than age two and from less than 10% to 65% for children ages 2-5. Restraint use rates for children ages 6-15, covered only in the front seat until 1995, are estimated to be in the 50%-60% range.

- The fatal and serious injury rate for the children less than age two has been reduced from 1.70% prior to 1982 to 0.28% during the last six months of 1995. As age increases, and use rates decline, injury rates also increase. During this same time period in 1995, the fatal and serious injury rate for 2-5 year-olds was 0.64%, for 6-11 year-olds it was 0.76% and for 12-15 year-olds it was 1.29%.

- Restraint use for older children tends to be higher when they are covered by occupant restraint laws. Extending the age range for children covered in the rear seat as well as the front should lead to a greater number of children being protected with injury reductions.

Potential Benefits for Assigning Driver License Points

- Available data suggests that unrestrained children tend to be in vehicles driven by less safe drivers. High risk drivers indicate through surveys that possible assignment of driver license points would increase their compliance with the seat belt law. By extension, assignment of points for child passenger safety violations should lead to increased compliance with this law as well.

Potential Benefits for Age and Weight Requirements for Child Restraint Device Use

- The North Carolina Child Passenger Safety law currently allows children to wear a seat belt at age four.

- Convertible child safety seats are 60% - 70% effective in preventing fatal and serious injuries. Lap shoulder belts are 40% - 50% effective and lap only belts are 25% effective. Switching children from safety seats to seat belts reduces the amount of protection they are provided in crashes, especially since most seat belts do not fit small children well. Good fit of a seat belt is essential for protection.

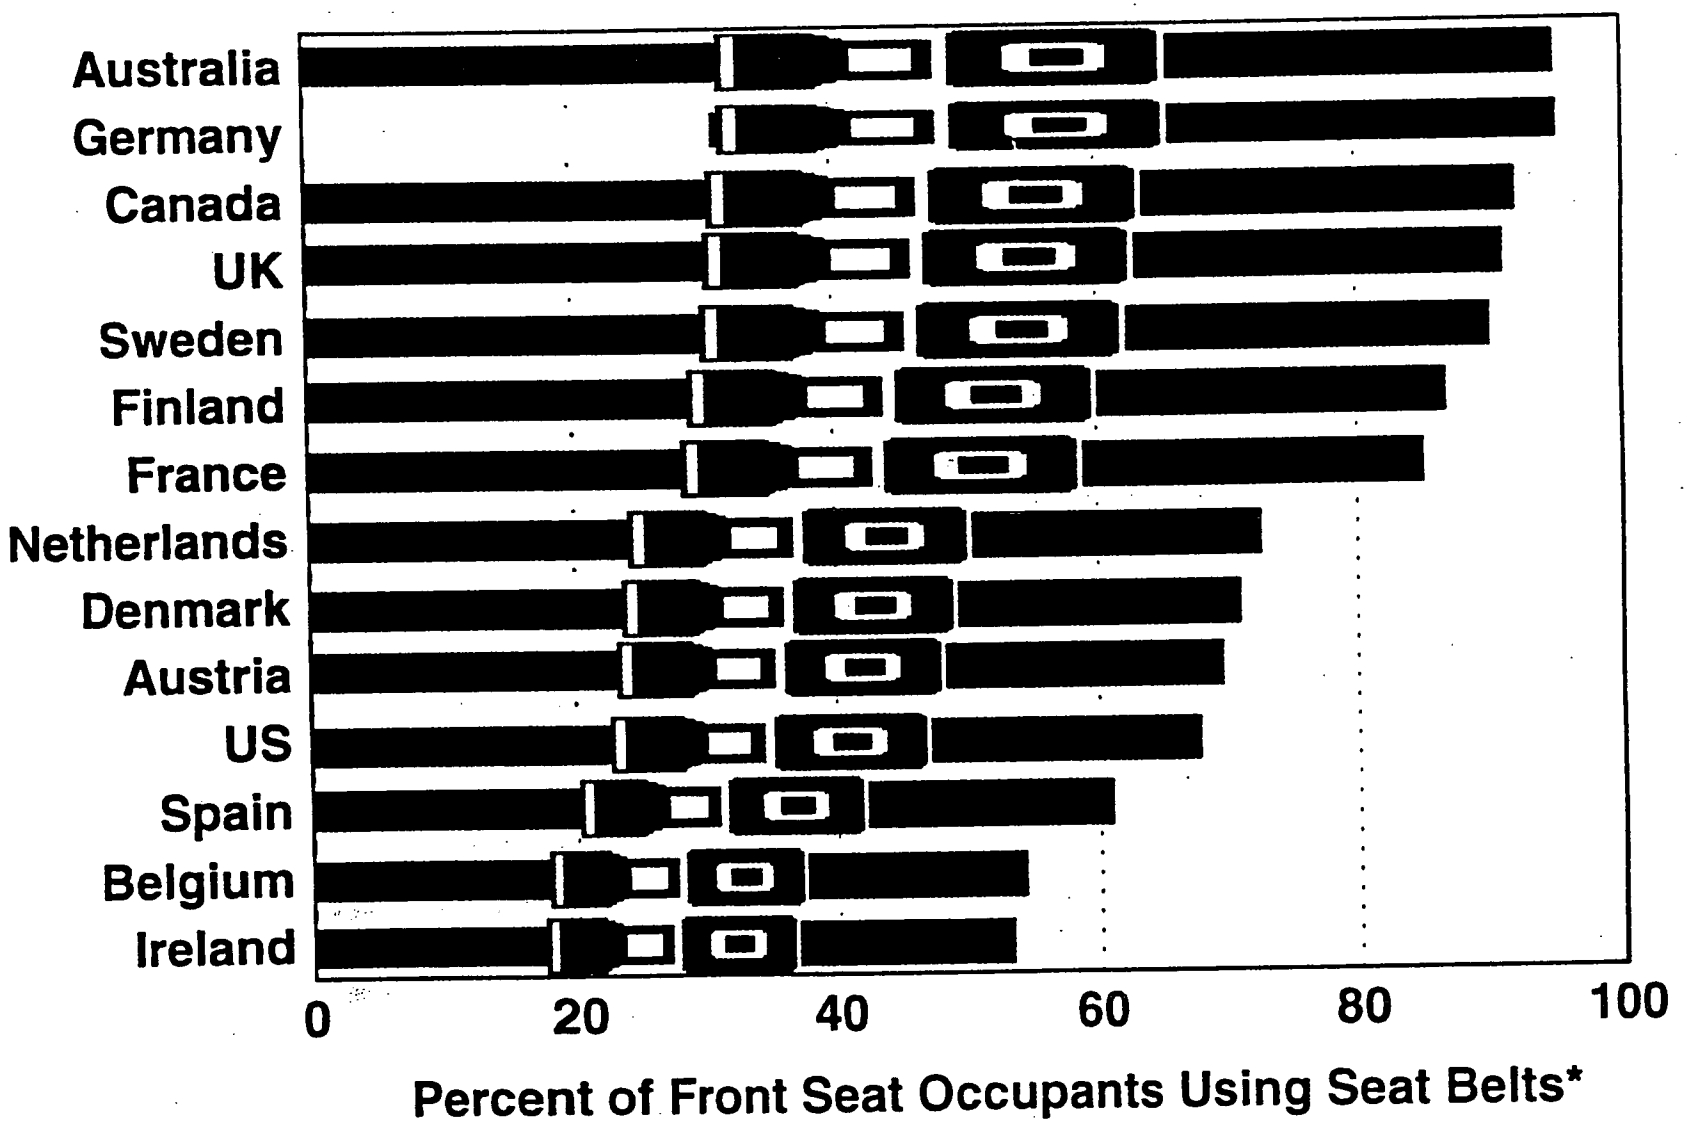
- The 90th percentile 4-year-old male child weighs 42 pounds, just over the limit for convertible child safety seats. Most children still fit in safety seats at age four.

- In extreme cases, children less than age four weigh over fifty pounds and are still too large for the booster seats designed to accommodate children up to the 50 - 60 pound range. Children who outgrow both the convertible and booster seats before the age of four can legally be restrained only in specialized restraints that require special installation.

- Including a weight at which children can be moved to a seat belt, such as 50 or 60 pounds, as well as age requirements would encourage more parents to keep their children in convertible or booster seats longer but would allow for large younger children to be switched to a legal substitute.

POTENTIAL BENEFITS FROM PROPOSED NC BACK OF PICKUP TRUCK LAW MODIFICATIONS

According to information obtained from the 1994 League of Municipalities Directory, the following 32 counties would be exempt from the law based on the absence of incorporated areas with populations exceeding 3,500:



Alexander, Alleghany, Ashe, Avery, Bertie, Camden, Caswell, Cherokee, Clay, Currituck, Duplin, Franklin, Gates, Graham, Green, Hyde, Jackson, Jones, Macon, Madison, Mitchell, Montgomery, Northhampton, Pamlico, Pender, Perquimans, Polk, Swain, Tyrrell, Warren, Yadkin, Yancey.

These counties are designated as "Exempt" in the following table:

Injury Experience of Children <16 in North Carolina Crashes by Vehicle Type						
Year(s)	Vehicle Type	Pickup Truck Law Status	Total Involved	Average per County Involved	#a+K Injured	%a+K
93-94	Pickup	Covered	6,139	90	113	1.84
	Pickup	Exempt	670	21	12	1.79
	Others	Covered	112,129	1649	1,240	1.10
	Others	Exempt	6,185	193	155	2.50
95	Pickup	Covered	4,071	60	45	1.11
	Pickup	Exempt	402	13	8	1.99
	Others	Covered	64,532	949	517	0.80
	Others	Exempt	3,469	108	57	1.64

- The number of children involved in crashes in both pickup truck and other types of vehicles is much smaller in the rural exempt counties as a whole and on a per county average.
- In almost all cases, the percent of children killed or seriously injured in pickup trucks is greater than for other types of vehicles.
- In almost all cases, the percent of children killed or seriously injured in exempt counties is greater than for counties covered under the pickup truck law.
- Injury experience of children in the exempt counties provides no basis for continuation of this exemption.

MEMORANDUM

TO: Senator Roy Cooper, Chair, Senate Judiciary Committee

FROM: O. Walker Reagan, Committee Co-Counsel

RE: **Senate Bill 39 - Modify Setoff Debt Collection** - Senator Larry Shaw

Senate Bill 39 amends the Setoff Debt Collection Act by adding provisions to extend the applicability of the law to debts owed to local governments in addition to debts owed to the State.

This bill amends Chapter 105A by making the provisions of current law which allows the Department of Revenue to withhold refunds owned to taxpayer, to be applied to certain debts owed to state agencies, applicable to cities and counties.

This bill adds special provisions for local governments to assert their claims to Revenue by requiring that the local governments act through a central clearinghouse, the League of Municipalities, or the Association of County Commissioners. The local debt owed by the taxpayer and the amount of the tax refund owned to the taxpayer must be at least $50. The bill provides for notice to be given to the debtor before the money is given to the local government. The debtor has a right to a hearing and an appeals process for disputed claims.

Under the law the Department of Revenue has the highest priority for funds to be claimed. The State has priority over claims of local governments. Multiple claims at any level are given priority based on the time the claim was presented to Revenue, or the submitting organization for local governments.

The provisions of the bill authorizing a single clearinghouse, establishing the local notice and hearing procedures, and granting Revenue authority to adopt rules to implement this act are effective when they become law. All other provisions of the bill become effective January 1, 1998.

(a) Remedy Additional. -- The collection remedy under this ~~Article~~ Chapter is in addition to and not in substitution for any other remedy available by law.

(b) Mandatory State Usage. -- All ~~claimant~~ State agencies shall submit, for collection under the procedure established by this ~~Article,~~ Chapter, all debts ~~which~~ they are owed, except debts that they are advised by the Attorney General not to submit because the validity of the debt is legitimately in dispute, because an alternative means of collection is pending and believed to be adequate, or because such a collection attempt would result in a loss of federal funds. Except in the case of a State agency described in G.S. 105A-2(9)a. through d., the State Controller may waive this requirement in situations when an agency's submission of the debts would not be practical or would not be effective.

(b1) Optional Local Usage. -- After complying with the notice and hearing requirements of G.S. 105A-5, a local agency may submit for collection under the procedure established in this Chapter all debts it is owed, other than debts the validity of which is in dispute. Local agencies shall submit debts for collection pursuant to this Chapter only through one of the following:

(1) A clearinghouse established pursuant to an interlocal agreement adopted under Article 20 of Chapter 160A of the General Statutes, pursuant to which the clearinghouse will submit debts on behalf of any requesting local agency.

(2) The North Carolina League of Municipalities.

(3) The North Carolina Association of County Commissioners.

(c) Identifying Information. -- All claimant agencies shall whenever possible obtain the full name, social security number, address, and any other identifying information required by ~~rules promulgated by~~ the Department ~~pursuant to G.S. 105A-16~~ from any person for whom the agencies provide any service or transact any business and who the claimant agencies can foresee may become a debtor under this ~~Article.~~ Chapter.

(d) Registration; Reports. -- A ~~claimant~~ State agency must register with the Department and with the State Controller. Every State agency must report annually to the ~~Department~~ State Controller the amount of debts owed to the agency for which the agency did not submit a claim for setoff and the reason for not submitting the claim.

A clearinghouse or organization that submits debts on behalf of a local agency must register by filing written notice with the Department of its intention to effect collection through setoff. If a clearinghouse registers to submit debts pursuant to this subsection, no other clearinghouse may register to submit debts pursuant to this subsection.

"§ 105A-4. Minimum sum collectible.

~~A claimant agency shall not be allowed to effect final setoff and collect debts through use of the remedy established under this Article~~ The Department shall not collect a debt pursuant to this Chapter unless both the debt and the refund, if any, are at least fifty dollars ($50.00).

"**§ 105A-5. Local agency notice, hearing, and determination.**

(a) Prerequisite. -- A local agency may not submit a debt to the Department pursuant to G.S. 105A-6 until it has given the notice required by this section and the claim has been finally determined as provided in this section.

(b) Notice. -- A local agency shall send written notice to the debtor that the agency intends to submit the debt for collection by setoff. The notice shall clearly set forth the basis for the agency's claim to the debt, the intention to apply the debtor's tax refund against the debt, the debtor's opportunity to give written notice of intent to contest the validity of the claim within 30 days after the date the notice was mailed, the mailing address to which the application for a hearing must be sent, and the fact that failure to apply for a hearing in writing within the 30-day period is a waiver of the opportunity to contest the claim, causing potential setoff by default. The written application by the debtor for a hearing becomes effective upon mailing the application postage prepaid and properly addressed.

(c) Hearing. -- A hearing on a contested claim of a local agency shall be held first before the governing body of the local agency or the governing body's designee. No issues may be considered at the hearing that have been previously litigated. If the debtor disagrees with the determination of the governing body or its designee, the debtor may file a petition for a contested case under Article 3 of Chapter 150B of the General Statutes. The petition must be filed within 30 days after the debtor receives a copy of the determination of the governing body or its designee. Notwithstanding the provisions of G.S. 150B-2, a local agency is an agency for purposes of contested cases and appeals under this Chapter.

(d) Determination. -- It shall be determined at the hearing whether the claimed sum asserted as due and owing is correct, and if not, an adjustment to the claim shall be made. The debtor may appeal the determination as provided in G.S. 105A-9.

~~**Collection of sums due claimant agencies through setoff.**~~

~~Subject to the limitations contained in this Article, the Department of Revenue shall upon request render assistance in the collection of any delinquent account or debt owing to any claimant agency. This assistance shall be provided by setting off any refunds due the debtor from the Department by the sum certified by claimant agency as due and owing.~~

"**§ 105A-6. Procedure for setoff.**

(a) Notice to Department. -- A claimant agency seeking to attempt collection of a debt through setoff shall notify the Department in writing and supply ~~(i)~~ information necessary to identify the debtor whose refund is sought to be set ~~off and (ii)~~ off. The claimant agency may include with the notification the date, if any, that the debt is expected to expire. ~~Notification to the Department and the furnishing of identifying information must occur on or before a date specified by the Department in the first year preceding the calendar year during which the refund would be paid. The notice~~

~~is effective to initiate setoff against refunds that would be made in calendar years following the year in which the notice was first made until the date specified in the notice that the debt is expected to expire.~~ The agency shall notify the Department in writing when a debt has been paid or is no longer owed the agency.

(b) Setoff by Department. -- The Department, upon receipt of notification, shall determine each year whether the debtor to the claimant agency is entitled to a refund of at least fifty dollars ($50.00) from the Department. Upon determination by the Department that a debtor specified by a claimant agency qualifies for such a refund, the Department shall ~~notify in writing the claimant agency that a refund is pending, specify its sum, and indicate the debtor's address as listed on the tax return.~~

~~(c) Unless stayed by court order, the Department shall, upon certification as provided in this Article,~~ set off the ~~certified~~ debt against the refund to which the debtor would otherwise be ~~entitled.~~ entitled and shall refund any remaining balance to the debtor as if setoff had not occurred. (d) State Agency Notice to Debtor. -- A State agency shall credit to a nonreverting trust account all refund setoffs credited to it. Within 10 days after receipt of a refund setoff from the Department, the State agency shall send written notification to the debtor that the refund has been received. The notice shall clearly set forth the basis for the claim to the refund, the intention to apply the refund against the debt to the claimant agency, the debtor's opportunity to give written notice of intent to contest the validity of the claim within 30 days after the date the notice was mailed, the mailing address to which the application for a hearing must be sent, and the fact that failure to apply for a hearing in writing within the 30-day period is a waiver of the opportunity to contest the claim, causing final setoff by default. The written application by the debtor for a hearing becomes effective upon mailing the application postage prepaid and properly addressed.

If a State agency fails to provide timely notice in accordance with the requirements of this subsection, the State agency shall refund to the debtor the entire amount set off plus the collection assistance fee retained by the Department. That portion of the refund reflecting the collection assistance fee must be paid from the State agency's funds. The refund shall bear interest as provided in G.S. 105A-8(b).

~~"§ 105A-7. Notification of intention to set off and right to hearing.~~

~~(c) The written application by the debtor for a hearing shall be effective upon mailing the application postage prepaid and properly addressed to the claimant agency.~~

"**§ 105A-8. ~~Hearing procedure.~~ State agency hearing and determination.**

That portion of the refund reflecting the collection assistance fee must be paid from the State agency's funds. If a refund is made to the taxpayer, the State agency shall pay interest to the taxpayer calculated as provided in G.S. 105-241.1(i) from the date one day after the date through which the Department pays interest on the refund or the date that interest begins to accrue, as provided in G.S. 105-266(b), whichever is later.

~~(b) Pending final determination at hearing of the validity of the debt asserted by the claimant agency, no action shall be taken in furtherance of collection through the setoff procedure allowed under this Article.~~

"**§ 105A-9. Appeals from hearings.**

Appeals from action taken at hearings allowed under this ~~Article~~ Chapter shall be in accordance with the provisions of Chapter 150B of the General Statutes, the Administrative Procedure Act, except that the place of initial judicial review shall be the superior court for the county in which the debtor resides. "§ 105A-12. Priorities in claims to setoff.

~~Priority in multiple claims to refunds allowed to be set off under the provisions of this Article shall be in the order in time which a claimant agency has filed a written notice with the Department of its intention to effect collection through setoff under this Article. Notwithstanding the priority set forth above according to time of filing, the~~ The Department has priority over all other claimant agencies for collection by setoff whenever it is a competing agency for a refund. A BILL TO BE ENTITLED

AN ACT TO IMPLEMENT THE GOVERNOR'S RECOMMENDATIONS ON DRIVING WHILE IMPAIRED.

The General Assembly of North Carolina enacts:

PART I. SEIZURE OF VEHICLES USED IN DRIVING WHILE IMPAIRED OFFENSES.

Section 1.1. G.S. 20-28.2 reads as rewritten:

"**§ 20-28.2. Forfeiture of motor vehicle for impaired driving after impaired driving license revocation.**

(a) Meaning of 'Impaired Driving License Revocation'. -- The revocation of a person's driver's license is an impaired driving license revocation if the revocation is pursuant to:

(1) G.S. 20-13.2, 20-16(a)(8b), 20-16.2, 20-16.5, ~~20-17(2),~~ 20-17(a)(2), or 20-17.2; or

(2) G.S. 20-16(a)(7), 20-17(1), or 20-17(9), if the offense involves impaired driving.

(b) When Motor Vehicle Becomes Property Subject to Forfeiture. -- If at a sentencing hearing conducted pursuant to G.S. 20-179 the judge determines that the grossly aggravating factor described in G.S. 20-179(c)(2) applies, the motor vehicle

that was driven by the defendant at the time he committed the offense of impaired driving becomes property subject to forfeiture.

(c) Duty of Prosecutor to Notify Possible Innocent Parties. --In any case in which a prosecutor determines that a motor vehicle driven by a defendant may be subject to forfeiture under this section, the prosecutor ~~must~~ shall determine the identity of the vehicle owner as shown on the certificate of title for the vehicle and he ~~must~~ shall also determine if there are any security interests noted on the vehicle's certificate of title. The State ~~must~~ shall notify the holder of each security interest that the vehicle may be subject to forfeiture and that he may intervene to protect his interest. If the defendant is not the owner, a similar notice ~~must~~ shall be served on the owner. The notice may be served by any means reasonably likely to provide actual notice, and ~~must~~ shall be served at least fourteen days before the forfeiture hearing.

(d) Duty of Judge. -- ~~The judge at sentencing must hold a hearing to determine if the vehicle should be forfeited. At the hearing the judge may order the forfeiture if he finds that:~~

~~(1) The vehicle is subject to forfeiture;~~

~~(2) The vehicle is not primarily used by a member of the defendant's family or household for a business purpose or for driving to and from work or school;~~

~~(3) All potential innocent parties have been notified as required in subsection (c); and~~

~~(4) No party has shown that he is an innocent party as described in subsection (f).~~

~~If the owner or the holder of a security interest has not been notified, the judge may continue the hearing to allow the State to serve the notice or he may decline to order forfeiture. In any case in which a judge does not order the forfeiture of a vehicle subject to forfeiture, he must enter into the record detailed, written reasons for his decision.~~ The trial judge at the sentencing hearing on the operator's charge of violating G.S. 20-138.1 shall determine if the vehicle is subject to forfeiture under this section. If the judge determines that the requirements of subsections (a) through (c) of this section exist and the defendant was a registered owner of the vehicle at the time of the offense, the judge shall order the vehicle forfeited. If the defendant was not a registered owner of the vehicle at the time of the offense, the judge shall order the vehicle forfeited unless the registered owner of the vehicle establishes, by clear and convincing evidence, that he or she is an innocent party as defined by subsection (f) of this section, in which case the trial judge may order the vehicle released to the registered owner pursuant to the provisions of subsection (e) of this section. In any case where the vehicle is ordered forfeited, the judge shall either:

(1) Authorize the school board to sell the vehicle at public sale or retain the vehicle for its own use pursuant to G.S. 20-28.5; or

(2) Release the vehicle to an innocent party lienholder pursuant to the provisions of subsection (h) of this section.

~~(e) Sale of Forfeited Vehicle Required. -- If the judge orders forfeiture of the vehicle pursuant to this section, he must order the sale of the vehicle. Proceeds of the sale must be paid to the school fund of the county in which the property was seized.~~

~~(f) Innocent Party May Intervene. -- At any time before the forfeiture is ordered, the property owner or holder of a security interest, other than the defendant, may apply to protect his interest in the motor vehicle. The application may be made to a judge who has jurisdiction to try the impaired driving offense with which the motor vehicle is associated. The judge must order the vehicle returned to the owner if he finds that either the owner or the holder of a security interest is an innocent party. An owner or holder of a security interest is an innocent party if he:~~

~~(1) Did not know and had no reason to know that the defendant's driver's license was revoked; or~~

~~(2) Knew that the defendant's driver's license was revoked, but the defendant drove the vehicle without his consent.~~

~~If an innocent party applies after the forfeited motor vehicle has been sold and the judge finds no laches in the innocent party's delay, the judge may order a payment to the innocent party from the net proceeds of the sale equal to his equity or security interest in the vehicle.~~

(e) Return of Vehicle to Innocent Registered Owner. -- If the registered owner establishes, by clear and convincing evidence, that the vehicle was being driven by a person who was not a registered owner at the time of the underlying offense and that each registered owner is an 'innocent party', the sentencing judge may order the vehicle returned to the registered owner.

This release may only be ordered upon satisfactory proof of:

(1) The identity of the person as a registered owner;

(2) The existence of financial responsibility as required by Article 13 of this Chapter;

(3) The payment of towing and storage fees; and

(4) The execution of an acknowledgment as set forth in this section.

No vehicle subject to forfeiture under this section shall be released to a registered owner if the records of the Division indicate any registered owner had previously signed an acknowledgment as required by this section, and the same person was operating the owner's vehicle when that person's license was revoked.

(f) Innocent Party Defined. -- A registered owner or holder of a security is an 'innocent party' if he or she:

(1) Did not know and had no reason to know that the defendant's drivers license was revoked; or

(2) Knew that the defendant's drivers license was revoked, but the defendant drove the vehicle without his or her consent.

(g) Acknowledgment Required. -- The 'innocent party' registered owner of a vehicle seeking release pursuant to this section shall sign a written document acknowledging that:

(1) His or her vehicle was operated by a person charged with an offense involving impaired driving while that drivers license was revoked as a result of a prior impaired drivers license revocation;

(2) If the vehicle is again operated by this particular person, at any time while that person's drivers license is revoked, that the vehicle is subject to impoundment and forfeiture, even if the operator was not impaired; and

(3) A lack of knowledge or consent to the operation will not be a defense in the future.

(h) Release to Lienholder. -- The trial judge may order a forfeited vehicle released to the holder of a security interest if he determines by clear and convincing evidence, that the holder of the security interest is an 'innocent party', as defined in subsection (f) of this section, and:

(1) The lienholder's interest is not less than the fair market value of the vehicle;

(2) The lienholder agrees not to sell, give, or otherwise transfer possession of the forfeited vehicle to a registered owner or any person acting on a registered owner's behalf; and

(3) The lienholder pays, in full, any towing and storage costs incurred as a result of the seizure of the vehicle.

(i) Possessory Lien. -- The county school board shall be entitled to a possessory lien for all costs and fees associated with the towing, storage, or sale of a vehicle pursuant to this section. This lien shall have priority over perfected and unperfected security interests. Storage fees subject to the lien shall not exceed five dollars ($5.00) per day."

Section 1.2. Chapter 20 of the General Statutes is amended by adding a new section to read:

"**§ 20-28.3. Seizure, impoundment, forfeiture of vehicles for offenses involving impaired driving while license revoked.**

(a) A motor vehicle that is driven by a person in violation of G.S. 20-138.1 is subject to seizure if at the time of the violation the drivers license was suspended as a result of a prior impaired drivers license revocation. The revocation of a person's drivers license is an impaired drivers license revocation for purposes of this section if the revocation is pursuant to:

(1) G.S. 20-13.2, 20-16(a)(8b), 20-16.2, 20-16.5, 20-17(a)(2), 20-17(a)(12) or 20-17.2; or

(2) G.S. 20-16(a)(7), 20-17(a)(1), or 20-17(a)(9) if the offense involved impaired driving.

(b) Duty of Officer. -- In any case where the charging officer has probable cause to believe that a motor vehicle driven by the defendant may be subject to forfeiture under this section, the officer shall seize the vehicle and have it impounded. Probable cause may be based on the officer's personal knowledge, reliable information conveyed by another officer, records of the Division, or other reliable source. If the registered owner was not operating or present in the vehicle at the

time of the offense, the officer shall cause to be issued written notification of impoundment to the registered owner of the vehicle. This notice shall be sent by first-class mail to the most recent address contained in the Division registration records. This written notification shall inform the registered owner that the vehicle has been impounded, the reason for the impoundment, and the procedure for requesting its release. Whether the registered owner was driving or present at the time of seizure, the seizing officer shall notify the Division of the seizure in accordance with procedures established by the Division. The officer shall also cause notice to be given to any lien holder of record with the Division of the impoundment and intent to forfeit the vehicle upon conviction.

(c) Review by Magistrate. -- Upon seizing the vehicle, the seizing officer shall present to the magistrate determining the operator's condition for pretrial release an affidavit of impoundment setting forth the requirements of this section. The magistrate shall review the affidavit of impoundment and if the magistrate determines the requirements of this section have been met, shall order the vehicle held in accordance with this section. The magistrate may request additional information and may hear from the operator if he is present. If the operator of the vehicle is not present at the time the affidavit of impoundment is presented, the seizing officer may present the affidavit to any judicial official who shall perform the review contained herein.

(d) Custody of Vehicle. -- The seized vehicle shall be towed to a location designated by the county school board for the county in which the operator of the vehicle is charged and placed under the constructive possession of the school board pending release or sale. Each county school board may elect to have seized vehicles stored on property owned or leased by the school board or, in the alternative, may contract with a commercial storage facility for the storage of such vehicles. In either event, a storage fee of not more than five dollars ($5.00) per day may be charged for the storage of any vehicle while in the constructive possession of the school board.

(e) Release of Vehicle Pending Trial. -- A registered owner of a vehicle, other than the driver at the time of the underlying offense resulting in the seizure, may apply to the Clerk of Superior Court in the county where the charges are pending for pretrial release of the vehicle. The Clerk may release the vehicle to the registered owner under the following conditions:

(1) The vehicle has been stored for not less than 24 hours;

(2) All towing and storage charges have been paid;

(3) Execution of a good and valid bond with sufficient sureties in an amount double the value of the seized vehicle, payable to the county school fund and conditioned on return of the vehicle, without the imposition of any additional liens or encumbrances, on the day of trial of the operator;

(4) Execution of a written acknowledgment as described in G.S. 20-28.2(g); and

(5) A check of the records of the Division indicates that the owner has not previously executed a written acknowledgment pertaining to the operator of the seized vehicle.

(f) Duty of Trial Judge. -- The trial judge at the sentencing hearing on the operator's charge of violating G.S. 20-138.1 shall determine if the vehicle is subject to forfeiture pursuant to the provisions of G.S. 20-28.2.

(g) Possessory Lien. -- The county school board shall be entitled to a possessory lien for any and all costs and fees associated with the towing, storage, (not to exceed five dollars ($5.00) per day), and sale of a vehicle pursuant to this section. This lien shall have priority over perfected and unperfected security interests."

Section 1.3. Chapter 20 of the General Statutes is amended by adding a new section to read:

"**§ 20-28.4. Release of impounded vehicles by trial judge.**

(a) Release to Innocent Registered Owner. -- An innocent party registered owner may apply to the trial judge presiding over the underlying offense for return of the vehicle pursuant to the provisions of G.S. 20-28.2(e).

(b) Acknowledgment Required. -- The innocent party registered owner of a vehicle seeking release under this section or pretrial release under G.S. 20-28.3 shall sign a written acknowledgment as described in G.S. 20-28.2(g). The registered owner shall also acknowledge that if the vehicle is again operated by this particular person at any time while the person's license is revoked, the owner's vehicle is subject to seizure, impoundment, and forfeiture, even if the person is not impaired at the time he or she operates the vehicle. The registered owner shall acknowledge further that a lack of knowledge, or consent to the operation will not be a defense in the future.

(c) Release to Lienholder. -- The trial judge may order a forfeited vehicle released to the holder of a security interest if he determines, by clear and convincing evidence, that the holder of the security interest is an 'innocent party' as defined by G.S. 20-28.2(f), and the lienholder satisfies the criteria as set out in G.S. 20-28.2(h)."

Section 1.4. Chapter 20 of the General Statutes is amended by adding a new section to read:

The sale of the vehicle shall be at public sale and shall be conducted by the county school board or a person acting on its behalf. Notice of sale shall be given to the Division in accordance with the procedures established by the Division.

(b) Proceeds of Sale. -- Proceeds of any sale conducted under this section shall first be applied to satisfy towing and storage liens and the cost of sale. If the vehicle was stored on property owned or leased by the county school board, the storage lien (not to exceed five dollars ($5.00) per day) shall be paid to the school fund of that county. The balance of the proceeds of sale, if any, shall be used to satisfy any other existing liens of record that were properly recorded with the Division prior to the date of initial seizure of the vehicle. Any remaining balance, shall be paid to the

county school fund in the county in which the vehicle was ordered forfeited. Vehicles sold pursuant to this section shall be transferred free and clear of any liens.

(c) Retention of Vehicle. -- The county board may, at its option, retain any forfeited vehicle for its use. If the vehicle is retained, any valid lien of record at the time of the initial seizure of the vehicle shall be satisfied by the school board. If there is more than one school board in the county, then the fair market value of the vehicle shall be used to determine the share of the school boards in the same manner as fines and other forfeitures."

The defendant shall bear the expense of any ~~treatment.~~ treatment unless the trial judge orders that the costs be absorbed by the State. The judge may impose restrictions on the defendant's ability to leave the premises of the treatment facility and require that the defendant follow the rules of the treatment facility. The judge may credit against the active sentence imposed on a defendant the time the defendant was an inpatient at the treatment facility, provided such treatment occurred after the commission of the offense for which the defendant is being sentenced. ~~The credit may not be used more than once during the seven-year period immediately preceding the date of the offense.~~ This section shall not be construed to limit the authority of the judge in sentencing under any other provisions of law."

PART III. INCREASE ADMINISTRATIVE LICENSE REVOCATION PERIOD.

Section 3.1. G.S. 20-16.2(a) reads as rewritten:

"(a) Basis for Charging Officer to Require Chemical Analysis; Notification of Rights. -- Any person who drives a vehicle on a highway or public vehicular area thereby gives consent to a chemical analysis if charged with an implied-consent offense. The charging officer ~~must~~ shall designate the type of chemical analysis to be administered, and it may be administered when the officer has reasonable grounds to believe that the person charged has committed the implied-consent offense.

Except as provided in this subsection or subsection (b), before any type of chemical analysis is administered the person charged ~~must~~ shall be taken before a chemical analyst authorized to administer a test of a person's breath, who ~~must~~ shall inform the person orally and also give the person a notice in writing that:

(1) The person has a right to refuse to be tested.

(2) Refusal to take any required test or tests will result in an immediate revocation of the person's driving privilege for at least ~~10~~ 30 days and an additional 12-month revocation by the Division of Motor Vehicles.

(3) The test results, or the fact of the person's refusal, will be admissible in evidence at trial on the offense charged.

(4) The person's driving privilege will be revoked immediately for at least ~~10~~ 30 days if:

a. The test reveals an alcohol concentration of 0.08 or more; or

b. The person was driving a commercial motor vehicle and the test reveals an alcohol concentration of 0.04 or more.

(5) The person may choose a qualified person to administer a chemical test or tests in addition to any test administered at the direction of the charging officer.

(6) The person has the right to call an attorney and select a witness to view for him or her the testing procedures, but the testing may not be delayed for these purposes longer than 30 minutes from the time when the person is notified of his or her rights.

If the charging officer or an arresting officer is authorized to administer a chemical analysis of a person's breath, the charging officer or the arresting officer may give the person charged the oral and written notice of rights required by this subsection. This authority applies regardless of the type of chemical analysis designated."

Section 3.2. G.S. 20-16(e1) reads as rewritten:

"(e1) Limited Driving Privilege after Six Months in Certain Instances. -- A person whose driver's license has been revoked under this section may apply for and a judge authorized to do so by this subsection may issue a limited driving privilege if:

(1) At the time of the refusal the person held either a valid driver's license or a license that had been expired for less than one year;

(2) At the time of the refusal, the person had not within the preceding seven years been convicted of an offense involving impaired driving;

(3) At the time of the refusal, the person had not in the preceding seven years willfully refused to submit to a chemical analysis under this section;

(4) The implied-consent offense charged did not involve death or critical injury to another person;

(5) The underlying charge for which the defendant was requested to submit to a chemical analysis has been finally disposed of:

a. Other than by conviction; or

b. By a conviction of impaired driving under G.S. 20-138.1, at a punishment level authorizing issuance of a limited driving privilege under G.S. 20-179.3(b), and the defendant has complied with at least one of the mandatory conditions of probation listed for the punishment level under which the defendant was sentenced;

(6) Subsequent to the refusal the person has had no unresolved pending charges for or additional convictions of an offense involving impaired driving; ~~and~~

(7) The person's license has been revoked for at least six months for the ~~refusal.~~ refusal; and

(8) The person has obtained a substance abuse assessment from a mental health facility and successfully completed any recommended training or treatment program.

Except as modified in this subsection, the provisions of G.S. 20-179.3 relating to the procedure for application and conduct of the hearing and the restrictions required or

authorized to be included in the limited driving privilege apply to applications under this subsection. If the case was finally disposed of in the district court, the hearing ~~must~~ shall be conducted in the district court district as defined in G.S. 7A-133 in which the refusal occurred by a district court judge. If the case was finally disposed of in the superior court, the hearing ~~must~~ shall be conducted in the superior court district or set of districts as defined in G.S. 7A-41.1 in which the refusal occurred by a superior court judge. A limited driving privilege issued under this section authorizes a person to drive if the person's license is revoked solely under this section or solely under this section and G.S. 20-17(2). If the person's license is revoked for any other reason, the limited driving privilege is invalid."

Section 3.3. G.S. 20-16.2(i) reads as rewritten:

"(i) Right to Chemical Analysis before Arrest or Charge. -- A person stopped or questioned by a law-enforcement officer who is investigating whether the person may have committed an implied-consent offense may request the administration of a chemical analysis before any arrest or other charge is made for the offense. Upon this request, the officer ~~must~~ shall afford the person the opportunity to have a chemical analysis of his or her breath, if available, in accordance with the procedures required by G.S. 20-139.1(b). The request constitutes the person's consent to be transported by the law-enforcement officer to the place where the chemical analysis is to be administered. Before the chemical analysis is made, the person ~~must~~ shall confirm the request in writing and ~~must~~ shall be notified:

(1) That the test results will be admissible in evidence and may be used against the person in any implied-consent offense that may arise;

(2) That the person's license will be revoked for at least ~~10~~ 30 days if:

a. The test reveals an alcohol concentration of 0.08 or more; or

b. The person was driving a commercial motor vehicle and the test results reveal an alcohol concentration of 0.04 or more.

(3) That if the person fails to comply fully with the test procedures, the officer may charge the person with any offense for which the officer has probable cause, and if the person is charged with an implied-consent offense, the person's refusal to submit to the testing required as a result of that charge would result in revocation of the person's driver's license. The results of the chemical analysis are admissible in evidence in any proceeding in which they are relevant."

Section 3.4. G.S. 20-16.2 is amended by adding a new subsection to read:

"(j) A person whose license is administratively revoked for 30 days under subsections (a) and (i) of this section may apply for a limited driving privilege after the expiration of 10 days provided that the applicant:

(1) At the time of the alleged offense, held either a valid drivers license or a license that had been expired for less than one year;

(2) Does not have an unresolved pending charge for an offense involving impaired driving; and

(3) Obtains a substance abuse assessment from a mental health facility and registers for and agrees to participate in any recommended training or treatment program."

Section 3.5. G.S. 20-16.5(e) reads as rewritten:

"(e) Procedure if Report Filed with Judicial Official When Person Is Present. -- If a properly executed revocation report concerning a person is filed with a judicial official when the person is present before that official, the judicial official ~~must,~~ shall, after completing any other proceedings involving the person, determine whether there is probable cause to believe that each of the conditions of subsection (b) has been met. If he determines that there is such probable cause, he ~~must~~ shall enter an order revoking the person's driver's license for the period required in this subsection. The judicial official ~~must~~ shall order the person to surrender his license and if necessary may order a law-enforcement officer to seize the license. The judicial official ~~must~~ shall give the person a copy of the revocation order. In addition to setting it out in the order the judicial official ~~must~~ shall personally inform the person of his right to a hearing as specified in subsection (g), and that his license remains revoked pending the hearing. Unless the person is not currently licensed, the revocation under this subsection begins at the time the revocation order is issued and continues until the person's license has been surrendered for ~~10~~ 30 days and the person has paid the applicable costs. If the person is not currently licensed, the revocation continues until ~~10~~ 30 days from the date the revocation order is issued and the person has paid the applicable costs. If within five working days of the effective date of the order, the person does not surrender his license or demonstrate that he is not currently licensed, the clerk ~~must~~ shall immediately issue a pick-up order. The pick-up order ~~must~~ shall be issued to a member of a local law-enforcement agency if the charging officer was employed by the agency at the time of the charge and the person resides in or is present in the agency's territorial jurisdiction. In all other cases, the pick-up order ~~must~~ shall be issued to an officer or inspector of the Division. A pick-up order issued pursuant to this section is to be served in accordance with G.S. 20-29 as if the order had been issued by the Division."

Section 3.6. G.S. 20-16.5(f) reads as rewritten:

"(f) Procedure if Report Filed with Clerk of Court When Person Not Present. -- When a clerk receives a properly executed report under subdivision (d)(3) and the person named in the revocation report is not present before the clerk, the clerk ~~must~~ shall determine whether there is probable cause to believe that each of the conditions of subsection (b) has been met. If he determines that there is such probable cause, he ~~must~~ shall mail to the person a revocation order by first-class mail. The order ~~must~~ shall direct that the person on or before the effective date of the order either surrender his license to the clerk or appear before the clerk and demonstrate that he is not currently licensed, and the order ~~must~~ shall inform the person of the time and effective date of the revocation and of its duration, of his right to a hearing as specified in subsection (g), and that the revocation remains in effect pending the hearing. Revocation orders mailed under this subsection become effective on the fourth day after the order is deposited in the United States mail. If within five

working days of the effective date of the order, the person does not surrender his license to the clerk or appear before the clerk to demonstrate that he is not currently licensed, the clerk ~~must~~ shall immediately issue a pick-up order. The pick-up order ~~must~~ shall be issued and served in the same manner as specified in subsection (e) for pick-up orders issued pursuant to that subsection. A revocation under this subsection begins at the date specified in the order and continues until the person's license has been revoked for the period specified in this subsection and the person has paid the applicable costs. The period of revocation under this subsection is:

(1) ~~Ten~~ Thirty days from the time the person surrenders his license to the court, if the surrender occurs within five working days of the effective date of the order; or

(2) ~~Ten~~ Thirty days after the person appears before the clerk and demonstrates that he is not currently licensed to drive, if the appearance occurs within five working days of the effective date of the revocation order; or

(3) ~~Thirty~~ Forty-five days from the time:

a. The person's driver's license is picked up by a law-enforcement officer following service of a pick-up order; or

b. The person demonstrates to a law-enforcement officer who has a pick-up order for his license that he is not currently licensed; or

c. The person's driver's license is surrendered to the court if the surrender occurs more than five working days after the effective date of the revocation order; or

d. The person appears before the clerk to demonstrate that he is not currently licensed, if he appears more than five working days after the effective date of the revocation order.

When a pick-up order is issued, it ~~must~~ shall inform the person of his right to a hearing as specified in subsection (g), and that the revocation remains in effect pending the hearing. An officer serving a pick-up order under this subsection ~~must~~ shall return the order to the court indicating the date it was served or that he was unable to serve the order. If the license was surrendered, the officer serving the order ~~must~~ shall deposit it with the clerk within three days of the surrender."

Section 3.7. G.S. 20-16.5(i) reads as rewritten:

"(i) Effect of Revocations. -- A revocation under this section revokes a person's privilege to drive in North Carolina whatever the source of his authorization to drive. Revocations under this section are independent of and run concurrently with any other revocations. No court imposing a period of revocation following conviction of an offense involving impaired driving may give credit for any period of revocation imposed under this section. ~~A person is not eligible for a limited driving privilege under any statute while his license is revoked under this section.~~ A person whose license is revoked pursuant to this section is not eligible to receive a limited driving privilege except as specifically authorized by G.S. 20-16.2(j)."

Section 3.8. G.S. 20-16.5(k) reads as rewritten:

"(k) Report to Division. -- Except as provided below, the clerk ~~must~~ shall mail a report to the Division within 10 working days of the return of a license under this section or of the termination of a revocation of the driving privilege of a person not currently licensed. The report ~~must~~ shall identify the person whose license has been revoked and specify the dates on which his license was revoked. No report need be made to the Division, however, if there was a surrender of the driver's license issued by the Division, a ~~ten-day~~ 30-day minimum revocation was imposed, and the license was properly returned to the person under subsection (h) within five working days after the ~~10-day~~ 30-day period had elapsed."

PART IV. MAKE ALCOHOL SCREENING TEST ADMISSIBLE TO PROVE OFFENSE OF DRIVING AFTER DRINKING BY A PERSON UNDER 21.

Section 4. G.S. 20-138.3 reads as rewritten:

"**§ 20-138.3. Driving by person less than 21 years old after consuming alcohol or drugs.**

(a) Offense. -- It is unlawful for a person less than 21 years old to drive a motor vehicle on a highway or public vehicular area while consuming alcohol or at any time while he has remaining in his body any alcohol or in his blood a controlled substance previously consumed, but a person less than 21 years old does not violate this section if he drives with a controlled substance in his blood which was lawfully obtained and taken in therapeutically appropriate amounts.

(b) Subject to Implied-Consent Law. -- An offense under this section is an alcohol-related offense subject to the implied-consent provisions of G.S. 20-16.2.

(c) Odor Insufficient. -- The odor of an alcoholic beverage on the breath of the driver is insufficient evidence by itself to prove beyond a reasonable doubt that alcohol was remaining in the driver's body in violation of this section unless the driver was offered an alcohol screening test or chemical analysis and refused to provide all required samples of breath or blood for analysis.

(d) Alcohol Screening Test. -- Notwithstanding any other provision of law, an alcohol screening test may be administered to a driver suspected of violation of subsection (a) of this section, and the results of an alcohol screening test or the driver's refusal to submit may be used by a law enforcement officer, a court, or an administrative agency in determining if alcohol was present in the driver's body. No alcohol screening tests are valid under this section unless the device used is one approved by the Commission on Health Services, and the screening test is conducted in accordance with the applicable regulations of the Commission as to its manner and use.

~~(c)~~ (e) Punishment; effect when impaired driving offense also charged. -- The offense in this section is a Class 2 misdemeanor. It is not, in any circumstances, a lesser included offense of impaired driving under G.S. 20-138.1, but if a person is convicted under this section and of an offense involving impaired driving arising out of the same transaction, the aggregate punishment imposed by the court may not exceed the maximum applicable to the offense involving impaired driving, and any minimum punishment applicable ~~must~~ shall be imposed.

~~(d)~~ (f) Limited driving privilege. -- A person who is convicted of violating subsection (a) of this section and whose drivers license is revoked solely based on that conviction may apply for a limited driving privilege as provided in G.S. 20-179.3. This subsection shall apply only if the person meets both of the following requirements:

(1) Is 18, 19, or 20 years old on the date of the offense.

(2) Has not previously been convicted of a violation of this section.

The judge may issue the limited driving privilege only if the person meets the eligibility requirements of G.S. 20-179.3, other than the requirement in G.S. 20-179.3(b)(1)c. G.S. 20-179.3(e) shall not apply. All other terms, conditions, and restrictions provided for in G.S. 20-179.3 shall apply. G.S. 20-179.3, rather than this subsection, governs the issuance of a limited driving privilege to a person who is convicted of violating subsection (a) of this section and of driving while impaired as a result of the same transaction."

PART V. ALLOW DRUG TESTING FOR DRIVING WHILE IMPAIRED.

Section 5.1. G.S. 20-4.01(3a) reads as rewritten:

"(3a) Chemical Analysis. -- A test or tests of the ~~breath or blood~~ breath, blood, or other bodily fluid or substance of a person to determine ~~his~~ the person's alcohol ~~concentration,~~ concentration or presence of an impairing substance, performed in accordance with ~~G.S. 20-139.1.~~ G.S. 20-139.1, including duplicate or sequential analyses. ~~The term "chemical analysis" includes duplicate or sequential analyses when necessary or desirable to insure the integrity of test results.~~"

Section 5.2. G.S. 20-138.3(a) reads as rewritten:

"(a) Offense. -- It is unlawful for a person less than 21 years old to drive a motor vehicle on a highway or public vehicular area while consuming alcohol or at any time while he has remaining in his body any alcohol or ~~in his blood a~~ controlled substance previously consumed, but a person less than 21 years old does not violate this section if he drives with a controlled substance in his ~~blood~~ body which was lawfully obtained and taken in therapeutically appropriate amounts."

Section 5.3. G.S. 20-139.1(a) reads as rewritten:

"(a) Chemical Analysis Admissible. -- In any implied-consent offense under G.S. 20-16.2, a person's alcohol concentration or the presence of any other impairing substance in the person's body as shown by a chemical analysis is admissible in evidence. This section does not limit the introduction of other competent evidence as to ~~a defendant's~~ a person's alcohol ~~concentration,~~ concentration or results of other tests showing the presence of an impairing substance, including other chemical tests."

Section 5.4. G.S. 20-139.1 is amended by adding a new subsection to read:

"(b5) Subsequent Tests Allowed. -- A person may be requested, pursuant to G.S. 20-16.2, to submit to a chemical analysis of the person's blood or other bodily fluid or substance in addition to or in lieu of a chemical analysis of the breath, in the discretion of the charging officer. A person's willful refusal to submit to a chemical

analysis of the blood or other bodily fluid or substance is a willful refusal under G.S. 20-16.2."

Section 5.5. G.S. 20-139.1(e1) reads as rewritten:

"(e1) Use of Chemical Analyst's Affidavit in District Court. -- An affidavit by a chemical analyst sworn to and properly executed before an official authorized to administer oaths is admissible in evidence without further authentication in any hearing or trial in the District Court Division of the General Court of Justice with respect to the following matters:

(1) The alcohol concentration or concentrations or the presence or absence of an impairing substance of a person given a chemical analysis and who is involved in the hearing or trial.

Summary of Senate Bill 368

PART I: SEIZURE OF VEHICLES USED IN DRIVING WHILE IMPAIRED

When vehicle subject to forfeiture:

- **Current law and Senate Bill 368:** a vehicle is subject to forfeiture if the judge determines at sentencing that the defendant was driving with a revoked license, and that the revocation was an impaired driving revocation. The prosecutor is required to determine who owns the car and whether there are any security interests noted on the title. The State must then notify the holder of each security interest, and if the defendant is not the owner, notice must be served on the owner.

Determination of forfeiture:

- **Current law:** The judge at sentencing must hold a hearing to determine if the vehicle should be forfeited.
- **Senate Bill 368:** The trial judge at the sentencing hearing on the operator's DWI charge will determine if the vehicle is subject to forfeiture.

Order of Forfeiture:

- **Current law:** The judge may order the forfeiture if he finds that the vehicle is not primarily used by a member of the defendant's family or household for business or for driving to and from work or school, that all potential innocent parties have been notified and no party has shown that he is an innocent party.
- **Senate Bill 368:** ***If the defendant was a registered owner of the vehicle, the judge shall order forfeiture.*** If defendant was not a registered owner, judge shall order forfeiture unless the registered owner establishes by clear and convincing evidence that he or she is an innocent party, in which case the trial judge may order the vehicle released to the registered owner under specified conditions.

Innocent Parties Defined:

- **Current law and Senate Bill 368:** Did not know and had no reason to know that defendant's license was revoked, or knew that defendant's license was revoked, but defendant drove vehicle without consent.

If Vehicle is Ordered Forfeited:

- **Current law:** Vehicle must be sold; proceeds of sale must be paid to school fund of county where property was seized.
- **Senate Bill 368:** Judge may authorize school board to sell at public sale or retain for its own use or judge may release vehicle to innocent party lienholder.

Other provisions of Senate Bill 368: Adds provisions requiring officer to seize and impound vehicle when offer has probable cause to believe veicle is subject to forfeiture.

Includes provisions regarding review of impoundment by magistrate, and conditions allowing release of vehicle pending trial.

PART II: INCREASED PENALTIES FOR DWI

Effective for offenses committed on or after December 1, 1997, the bill changes punishment for DWI conviction as follows.

(1) Level one punishment— the term of imprisonment may be suspended only if a condition of special probation requires the defendant to serve a minimum 30 days (now, 14 days) imprisonment.

(2) Level two punishment—the term of imprisonment may be suspended only if a condition of special probation is imposed, but the condition is not specified (now, a condition must be minimum seven days imprisonment or two days imprisonment and house arrest).

(3) Levels three, four, and five punishments—deletes the mandatory suspended sentence as punishment for each of these levels of punishment, thereby allowing active terms of imprisonment.

(4) For all levels of punishment, the bill provides that if probation is imposed, conditions of probation must include the defendant's obtaining substance abuse assessment and education or treatment as required by GS 20-17.6. Amends GS 20-179(k1) (credit for inpatient treatment) to allow the trial judge to order that costs of treatment be absorbed by the state.

PART III: INCREASE ADMINISTRATIVE LICENSE REVOCATION PERIOD.

Effective for offenses committed on or after December 1, 1997, the bill amends GS 20-16.2 (Implied consent to chemical analysis) and 20-16.5 (Civil license Revocation) to increase immediate pretrial license revocation for DWI offenses from 10 to 30 days, but allows limited driving privilege after 10 days if:

(1) at the time of the offense, person held either valid driver's license or a license that had been expired for less than one year;

(2) the person does not have an unresolved pending DWI offense; and

(3) the person obtains substance abuse assessment from a mental health facility and registers for, and agrees to participate in, recommended a training or treatment program.

PART IV. ALCOHOL SCREENING TEST ADMISSIBLE TO PROVE DRIVING-AFTER-DRINKING OFFENSE BY PERSON UNDER 21.

Effective for offenses committed on or after December 1, 1997, the bill amends GS 20-138.3 (driving by person under 21 after consuming alcohol or drugs) to provide:

(1) results of an alcohol screening test or the refusal to submit to the test may be used by a law enforcement officer, court, or administrative agency to determine if alcohol was present in driver's body; and

(2) odor of alcoholic beverage on driver's breath is insufficient evidence to prove beyond a reasonable doubt that alcohol was remaining in the driver's body unless the driver was offered an alcohol screening test or chemical analysis and refused to provide a sample.

PART V. ALLOW DRUG TESTING FOR DWI

Effective for offenses committed on or after December 1, 1997, amends GS 20-139.1(Procedures governing chemical analysis) to provide that a person may be requested, under GS 20-16.2, to submit to chemical analysis of the person's blood or other bodily fluid or substance in addition to or in lieu of a chemical analysis of the breath, in the charging officer's discretion. A person's willful refusal to submit to the chemical analysis of blood or other bodily fluids or substances is willful refusal under GS 20-16.2. Makes conforming change in the definition of "chemical analysis" in GS 20-4.01(3a) to include a test for the presence of impairing substance as well as alcohol.

PART VI. HABITUAL IMPAIRED DRIVING

Effective for offenses committed on or after December 1, 1997, the bill amends GS 20-138.5(b) to require that a person convicted of habitual impaired driving must be sentenced to a minimum active term of not less than 12 months imprisonment, which may not be suspended. If paroled, person must be enrolled in the Department of Correction's Drug and Alcohol Rehabilitation Training (DART) or similar substance abuse program as a condition of parole.

Forfeiture provisions are effective when they become law.

Re: Senate Bill 368 (Governor's D.W.I. Initiative/A.B.)

Dear Senator:

I wish to express my sincere appreciation for all your efforts in sponsoring the above referenced bill. This bill addresses a subject that has brought untold, agonizing grief and crushing misfortune to countless American families. Mine was one of such families over thirty years ago and to this day the memories of a tragic occurrence which claimed the innocent life of a close family member still remain extremely difficult for me to address.

I am writing today not as an innocent victim of the underlying social cancer spreading daily throughout our country, but as a car dealer. I've recently been involved in a situation which could've easily resulted in one more agonizing and preventable occurrence. I sold a car to a habitual alcohol abuser. Before I could turn the paperwork into DMV, the car had been totaled and there were 12 empty beer cans and a crushed child restraint seat found in the car. The customer was a nanny! She was knocked into a coma and only by the will of God was no one killed. Her driver's license had been permanently revoked for repeated DWI convictions, there was no insurance coverage on the tag transferred to the recently purchased "cash sale" and the tag transferred had been earmarked by DMV Enforcement for collection due to lapsed insurance coverage, **but never collected**!

Due to inefficiencies in the tag verification procedures I was unable to verify insurance coverage. A driver's license number was provided for the title transfer application which was subsequently shown to be permanently revoked and the customer was able to put cash money down, attach a "wanted" tag to the vehicle and drive off to the beer store.

Three days later in my follow up to the paperwork when I saw the remains of the car I had just sold, all the horrible agonizing memories I had experienced as an eleven year old boy came surging back. I had become part of the problem which had crushed me as a child. Every moral fiber within me questioned what I had just done, and it was not illegal. Since that time, some 12 months ago, I have overcome most of the hurdles which prevented my verifying the insurance coverage on the transferred tag. Instead of relying on a telephone number operational only between 8 AM and 5 PM Monday - Friday, it appears the DMV will soon allow me to go online for instant access to the appropriate database. Never again will I sell a car to such a person and release them on society. I do not put my profit ahead of other's pain.

But there remains an avenue which allows such sociopaths to continue their random sprees of destruction and heartache. The issue of uncollected tags with expired insurance coverage allows these misguided people to continue driving anonymously until misfortune or other related aspects of their driving habits remove them from our highways.

In a recent discussion with Cpt. Stan Williams, Head of the internal affairs section of DMV, whose responsibilities include overseeing the processing of forms for tag collection, it was indicated that proper legislation requiring insurance companies to report to DMV the insurance coverage of newly insured vehicles in the similar manner that expired policies are reported would alleviate a large portion of the wasted time and resources expended by our DMV forces in following up on false claims of lapsed insurance. The inability of DMV to cross check expired policies against newly issued ones to the same driver creates a backlog of false expired insurance claims which bog down our process officers in the superfluous responsibilities of collecting fully insured tags.

Requiring insurance companies to report newly insured drivers would enable DMV to complete the cross checks which would prevent the backlog of "false claims" issued for uncollected tags.

Once the "fat" is removed from the data, the remaining uncollected tags could be contracted out by DMV on a "per tag basis" for collection by private contract. The profit incentive inserted into the procedure required to collect these rogue tags would prove to be far more effective in removing them from general circulation than the present senario.

In my review of the summary of the bill, the provision of forfiture of a vehicle driven by a defendant who was a registered owner of such a vehicle at the time of the offense institutes a policy necessary to control these drivers. I believe the provisions should proceed one step further and prohibit the registration of any vehicle to a habitually impaired driver. **If we don't want these people driving, don't permit them to register a vehicle.**

The additional provisions of impounding the vehicle driven by a habitual impaired driver appear somewhat severe when applied to the "innocent party". While we must send a strong signal to the driving public that habitually impaired drivers are not to be allowed possession of a vehicle in which to continue their rampant unchecked destruction, I would be remiss in my efforts to promote highway safety by failing to mention an abused spouse or a love torn parent watching powerlessly as their alcohol dependent loved one subversively commandeers the keys to a potential death machine. It would be a shame to have come so far towards meaningful legislation only to have this bill fail to pass out of concern for these innocent peripherals.

In summary, as a dealer of devices used by the habitually impaired drivers to inflict so much heartache and pain on our society, I request the following provisions be considered prior to the final vote of this bill:

*** Require Insurance Companies to report newly insured drivers to the DMV ***

*** Allow the DMV to enter into contracts for collection of uninsured tags ***

*** Prohibit the registration of vehicles to habitually impaired drivers ***
(*If not already so*)

Again, thank you all for the dedication and peserverence shown by all the sponsors and cosponsors of this much needed legislation. Your efforts are greatly appreciated.

Sincerely,

Mark Esposito

THIS SHOULD NEVER HAVE HAPPENED !

The tag for this vehicle had been issued by DMV to a habitual alcohol abuser with a revoked driver's license and no insurance and then subsequently targeted for collection by DMV Enforcement.

BUT NEVER COLLECTED !

Please allow DMV to contract out for collection of uninsured tags.

'Why does this keep happening?'

A girl's death from a crash involving a habitual drunken driver sparks outrage. The General Assembly is studying proposals for a crackdown.

Even before his truck apparently crossed the center line — before it smashed into the side of a minivan and killed a 4-year-old girl in Durham Co[illegible] — Timothy Earl Blackwell ha[illegible]en the law.

Be[illegible]se Blackwell was a habitual offender with six previous DWI convictions, his license had been permanently revoked. But that didn't stop him from finding a vehicle to drive.

Repeatedly, state driving records show, habitual offenders such as Blackwell scoff at the penalties thrown at them and continue to drink and drive. And every year in North Carolina, hundreds of people are killed by drunken drivers.

Last year alone, 60,000 drivers in the state lost their licenses for some period because they had been convicted of driving while impaired. Of those, state records show, 456 drivers permanently lost their licenses for collecting at least three DWI convictions in a seven-year period.

Timothy Blackwell, arrested in February, is one of many repeat offenders who drink and drive.

STAFF PHOTO BY CHUCK LIDDY

One of those was Blackwell, who was indicted last week on second-degree murder charges in the death of Megan Elizabeth Dail.

"It just breaks your heart," said Elizabeth Leach, whose 29-year-old son died in a 1990 wreck in Knightdale that involved a drunken driver. "Why does this keep happening?"

Megan's death — coupled with Blackwell's record — has unleashed painful memories for relatives of drunken-driving victims. It has angered police officers, who repeatedly pull over drivers under the influence or whose licenses have been suspended or revoked.

And it has also lent a human face to a proposed crackdown on repeat DWI offenders that the General Assembly will consider this session.

"When you are addicted to alcohol, you don't care what you do," said Lt. Gov. Dennis Wicker, who is spearheading the push for tougher DWI laws. "You don't care if you have a license, you don't care if you operate a car other than your own."

In a package of legislation intro-

duced last week. Wicker is proposing giving police the power to confiscate, at the time of arrest, the vehicles of suspected drunken drivers whose licenses have been revoked for previous DWI convictions. The DWI package also calls for mandatory one-year jail sentences and alcohol dependency treatment for those convicted of habitual drunken driving.

It is unclear how far the package will go in the legislature. Wicker is lending his clout to the measure in the Senate. Republicans in the House will discuss the package at their caucus today.

The numbers — and the stories behind them — speak to the extent of the problem in North Carolina despite continued efforts to crack down.

In addition to the thousands of suspensions in 1996, 27 drivers in North Carolina were found guilty of killing another person with their vehicles while legally drunk. Hundreds of other drivers were involved in accidents that resulted in death. In all, drunken drivers killed 392 people in North Carolina in 1995, the last year for which numbers are available.

There are no statistics to show how many accidents involve drivers who had previously been found guilty of driving under the influence, but police and prosecutors don't have to look far to find evidence of how often it happens.

■ In September, a car plowed into three Broughton High School students waiting to cross a Raleigh street, critically injuring one boy. The driver, William Bradford Rice III, had been arrested four times in seven years on charges of driving while impaired.

■ In April 1994, Clyve Thomas Bowman, a 32-year-old Raleigh man with three DWI convictions and a permanently revoked license, tried to elude police and crashed into a pair of trees, killing his 9-year-old son, Bradley. He was charged with murder but was convicted of a lesser offense.

■ And when Joseph Zambito, 41, killed another motorist while fleeing police in Durham in 1993, it was his second drunken-driving arrest in two days and his third in three months. None of the cases had gone to court yet. Zambito was charged with second-degree murder in the death of Jasper Norris, a self-employed auto detailer, and was sentenced to 12 years in prison after pleading guilty to voluntary manslaughter.

Sgt. Larry Davis of the state Highway Patrol said he sees drivers with revoked licenses getting behind the wheel "over and over and over again."

The penalty for driving with a revoked license includes extending the revocation period, a fine of at least $200 and up to two years behind bars. Driving with a permanently revoked license is punishable by at least 30 days in jail and a fine of up to $1,000.

Not a deterrent

But those penalties, police said, are not deterring problem drinkers.

"To a lot of people, it means nothing" to have a license revoked, said Capt. Gregg Jarvies of the Chapel Hill Police Department. "It's an irritation.

"The fear of getting caught and the fear of the consequences in their mind don't outweigh the benefits. ... People need to get to work. They just refuse to give up their vehicle."

Blackwell's is a case in point.

Five months before the fatal wreck in Durham, Blackwell's driver's license was permanently suspended for habitual drunken driving. But that had never seemed to stop Blackwell, who had six previous DWI convictions, from driving. His record shows he had been found guilty 16 times of driving with a revoked license.

So when Blackwell needed transportation from his Granville County home to a job at a Durham concrete company on Feb. 27, he borrowed a 1974 Ford pickup registered to a cousin, according to state troopers who investigated the fatal crash.

Moments before Blackwell's truck slammed into the Dail family van on Guess Road near the Durham city limit, a trucker driving directly behind the pickup called 911 to warn authorities about an erratic driver.

"He's all over the road," the motorist told a dispatcher. "He just hit a damn mailbox. You ought to get somebody quick. This guy's gonna kill somebody."

Troopers found an open beer can and a bag of hypodermic needles and syringes in Blackwell's truck.

Vincent Rabil, a Forsyth County assistant district attorney, compares the car driven by a drunken driver to a bomb.

"People need to quit denying that this is a serious, culpable behavior," Rabil said. "It cuts across the spectrum of society."

In Winston-Salem, he has taken the apparently unprecedented step of seeking first-degree murder charges and the death penalty against two drivers involved in separate accidents.

In one case, a 69-year-old man is charged with causing the deaths of two Wake Forest University students in September 1996. In the other, a 24-year-old man is accused of wrecking a stolen car in January 1996 and killing a female passenger.

"I hope it sends a chilling message, especially to people who are social drinkers and think that two or three beers after work won't hurt anything."

Failure to enforce

Some advocates of tougher laws say part of the problem is that even existing laws are not adequately enforced.

"We're asked, 'How is somebody like this still on the road?' It's the judges, DAs and our legislators," says Karyn Brown, executive director of the state chapter of Mothers Against Drunk Driving.

"We have found that judges are not enacting the full sentence that they possibly can."

Blackwell, for example, struck a plea bargain in his habitual drunken-driving case, which was combined with an unrelated conviction for heroin possession. Eligible for a sentence of nearly five years, he was instead sentenced to 60 days in jail with three years' probation.

Durham County District Judge Richard Cheney, who did not preside over Blackwell's case, said a couple of days in jail is usually enough to scare people straight.

"It may be that a prison sentence will wake someone up, like an alcoholic who has to hit rock bottom to come up again," Cheney said.

"But for the serious problem drinker, that's a dilemma. There's nothing that can predictably help that person. It's a matter of keeping them off the road [and in jail]."

Chief District Judge Joe Buckner, of the Orange-Chatham judicial district, said that's not always possible.

"The only thing we can do is use the pens that the legislature gives us. We can't do more than that," he said. Until a North Carolina driver accumulates three DWI convictions in seven years, he said, the maximum jail sentence a judge can levy against a drunken driver is two years.

"I don't agree that judges are too soft, not the ones I know. But when looking at [a] maximum of a two-year sentence ... that's not a lot to work with," Buckner said.

And when a judge makes a sentencing decision, he or she often takes into account things like blood-alcohol level, whether there were any children involved and the person's criminal history, Wake County District Judge Michael Morgan said. Drunken drivers who are caught without injuring anyone usually get a break, he said.

"I guess it's comparable to if you shoot somebody and he died," Cheney said. "You're likely to be treated a whole lot differently than if he didn't die."

But some lawmakers say it's time to toughen existing laws.

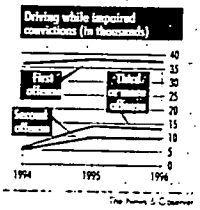
The last time the legislature cracked down on drunken drivers was in 1993, when legislators lowered the legal blood-alcohol level from 0.10 to 0.08. Two years ago, the state adopted a "zero tolerance" law for alcohol consumption by underage drivers: for those under 21, any detectable alcohol in the blood is a violation.

But this time, Wicker says he wants to concentrate on the habitual offender.

In addition to Wicker's proposal, a separate bill would require judges to include previous DWI convictions, which are misdemeanors, when calculating prior felony records. Now, only misdemeanor convictions of death by vehicle can be considered as aggravating factors in felony sentencing.

"Taking their license is one thing," said Rep. Joanne Bowie, a Guilford County Republican who is sponsoring the bill. "Putting them away is another."

Changing the laws to treat drunken driving as a violent crime rather than a traffic infraction is long overdue, said Elizabeth Leach, who became active in MADD after the death of her son, Richard G. Burnette III.



"When someone who is drunk kills someone, it is not an accident," she said. "It's like taking a loaded gun and firing into a crowd."

Staff writers Jena Heath, Amanda Garrett and Todd Nelson and news researcher Chris Hardesty contributed to this story.

Making a habit out of drunken driving

In 1996, more than 60,000 North Carolina drivers had their licenses temporarily or permanently suspended after DWI convictions. For many, it was not the first conviction of driving while impaired.

Several legislative proposals before the General Assembly seek to toughen DWI laws, particularly penalties for the worst repeat offenders. The proposals include:

- Giving police the power to confiscate, at the time of arrest, the vehicles of suspected drunken drivers whose licenses have been revoked for previous convictions of driving while impaired.
- Imposing mandatory one-year jail sentences and alcohol dependency treatment for people convicted of habitual drunken driving.
- Requiring judges to include previous DWI convictions, as misdemeanors, when calculating prior felony records. Death by vehicle is now the only misdemeanor conviction that can be considered in felony sentencing.
- Increasing the minimum sentence for the Level 1 (the most serious) DWI convictions, from 14 to 30 days.
- Giving judges the power to impose active sentences for Level 3, 4 and 5 DWI convictions, which involve fewer aggravating factors than levels 1 and 2.
- Increasing the period drivers charged with DWI lose their licenses from 10 to 30 days, with limited driving privileges after 10 days only if the driver undergoes a substance abuse evaluation and enrolls in treatment, if necessary.
- Allowing arresting officers to test for drugs, with a refusal by the driver leading to license revocation.
- Increasing funding for the state's Drug Alcohol Recovery Treatment Program in the corrections system and continuing care after incarceration.
- Expanding the Drug Awareness and Resistance Program into middle and high schools.

Driver charged with murder

Man could face life in prison

By PAUL BONNER
The Herald-Sun

State troopers on Friday charged a chronic drunken driver with second-degree murder in the vehicle death of a 4-year-old Durham girl.

Timothy Earl Blackwell, 36, also got a new charge of habitual drunken driving, his second in a year.

"We felt there was sufficient background in this case to warrant a second-degree murder charge," said District Attorney James Hardin Jr. said.

That background includes Blackwell's five previous DWI convictions in Durham County. Blackwell also has at least one other DWI case pending in another North Carolina county, troopers said.

News of Wednesday's fatal accident caused a flurry among North Carolina chapters of Mothers Against Drunk Driving. Norman Beck, the organization's Durham County president, said he was busy all morning Friday speaking with members upset about Megan's death and Blackwell's driving record.

BLACKWELL

HUDSON

The organization's state office called for stronger DWI penalties.

"It's just unbelievable that this guy is walking around after he's demonstrated he's going to keep drinking and driving," Beck said.

Family all injured

Megan Elizabeth Dail was pronounced dead Thursday night, 10 hours after Blackwell smashed a pickup truck into the van in which Megan was riding on Guess Road near Rose of Sharon Road. Megan's father and two younger brothers, who were in the van, and her mother, driving another car directly in front, were all injured in the wreck.

The two boys, ages 1 and 2, were released Friday from Duke Hospital, where they were kept overnight for observation. The parents, Gregory and Sherry Dail, were treated for injuries and released Thursday.

Hardin recommended that troopers request the murder charge. While most murder charges involve a specific intent to kill, prosecutors aren't required to prove one, Hardin said.

Most traffic-death charges — usually manslaughter or death by vehicle — carry lesser penalties than second-degree murder, which carries a possible life imprisonment.

Before Thursday, Blackwell had been charged 21 times in Durham County with driving while his license was revoked. He also has been charged with offenses in Granville, Onslow and Pender counties.

Troopers were focusing Friday on how Blackwell obtained the 1974 Ford pickup he was driving. It didn't belong to him, they said, declining to say more until later in the investigation.

Blackwell's blood-alcohol level won't be available until after the State Bureau of Investigation completes a test of a blood sample taken soon after the crash, troopers said. He is charged with having an open beer in the truck, along with drug paraphernalia — syringes and needles.

Guilty plea gets 2 months

Blackwell pleaded guilty in September last year of habitual drunken driving and possession of heroin. According to court documents, he could have been sentenced to as much as 59 months on the two felonies. He was given two months.

The 60 days in jail were part of a "split sentence" that included three years on probation.

Superior Court Judge Orlando Hudson, who approved the plea bargain and who, according to court documents, set the sentence, said Friday he didn't recall the case. Under the state's Structured Sentencing Act, Hudson wasn't required to impose any imprisonment.

"Some people you cannot stop, because people don't respect the criminal justice system or any kind of law," Hudson said. "Short of putting people in jail for a period of time, there's nothing the court system and the police can do."

Hudson has on other occasions sent habitual DWI defendants to prison for long sentences, he noted, such as the 35-year sentence he imposed in Greensboro once. And with the proverbial acuity of hindsight, many court decisions could be second-guessed, he said. Added to that is the public's ambivalence between wanting to keep inmates in prison longer and its reluctance to pay for prisons to hold them.

"I think it's everybody's fault," he said.

Troopers said the Blackwell's batch of February 1996 charges resolved in the September plea did not involve a traffic accident, and they weren't aware of any other wrecks Blackwell had caused.

Amending law proposed

The Structured Sentencing Commission that devised the complex system of punishment and rehabilitation has asked the General Assembly to amend the habitual drunken driving law to give it a mandatory prison sentence. The highest of five levels of ordinary drunken driving carries a 14-day mandatory sentence.

Even without mandatory imprisonment for habitual DWI, judges now include jail in an estimated 99 percent of sentences, usually for at least a year, said the commission's chairman, Superior Court Judge Thomas Ross of Greensboro.

But it's not clear that habitual DWI necessarily carries any greater maximum tence than the highest level of plain . While Blackwell could have received u 44 months for his felonious habitual plea, the maximum sentence for m meanor DWI is 48 months.

A habitual drunken driver is one cha with DWI who has been convicted of offense at least three times previousl the last seven years.

If there is a cure, it's one that lies hic within an alcoholic's mind, one adep self-delusion, say those who counsel offenders.

There was the man in one of Rich Kuehn's classes for offenders, the man in his third or fourth DWI, backe car out of a driveway int[illegible] o oncoming vehicle. It was [illegible]at time.

"He said that in the future his p would be not to drive in a rain stor Kuehn said.

Alcoholics Anonymous calls it a form insanity, said Kuehn, who now coordina court-mandated education classes for n chronic offenders at the Durham Coun on Alcohol and Drug Abuse.

"It's believing a lie — that when I dr this time, it'll be different, it'll be OK, I c handle it."

MEMORANDUM

TO: Senator Roy Cooper, Chair, Senate Judiciary Committee

FROM: O. Walker Reagan, Committee Co-Counsel

RE: **PROPOSED COMMITTEE SUBSTITUTE FOR SENATE BILL 248 - BROUGHTON HOSPITAL JOINT SECURITY FORCE** - Senator Dalton

The Proposed Committee Substitute for Senate Bill 248 authorizes the Secretary of the Department of Human Resources to appoint one or more special police officers to enforce laws, ordinances, and regulations on the property of Broughton Hospital, NC School for the Deaf, Western Regional Vocational Rehabilitation Facility, Western Carolina Center, and the surrounding grounds, and adjacent land held by the Department of Agriculture, in Burke County. It also makes a conforming change to the statute creating the Black Mountain Joint Security Force.

This bill will grant authority similar to that granted to other individual State mental health facilities, the Global Transpark Authority, Butner Public Safety, and the Black Mountain Joint Security Force.

Section 1 of the bill provides that special police officers appointed under this bill would have the same powers as now vested in the sheriff of Burke County once these officers have taken the oath required for law enforcement officers generally in North Carolina. While these officers are limited to enforcing the law within the territory specified in the bill, they may arrest a person outside of the territory if the crime was committed in the territory and the arrest is made during the person's immediate and continuous flight from the territory.

Section 2 of the bill makes a conforming change to the Black Mountain Joint Security Force by requiring that these special police officers take the standard oath required for all other law enforcement officers.

The bill would be effective when it becomes law.

AN EQUAL OPPORTUNITY/AFFIRMATIVE ACTION EMPLOYER

PART 2.
BLACK MOUNTAIN JOINT SECURITY FORCE.

§ 122C-421. Joint security force.

(a) The Secretary may designate one or more special police officers who shall make up a joint security force to enforce the law of North Carolina and any ordinance or regulation adopted pursuant to G.S. 143-116.6 or G.S. 143-116.7 or pursuant to the authority granted the Department by any other law on the territory of the Black Mountain Center, the Alcohol Rehabilitation Center, and the Juvenile Evaluation Center, all in Buncombe County. These special police officers have the same powers as peace officers now vested in sheriffs within the territory embraced by the named centers. These special police officers shall also have the power prescribed by G.S. 7A-571(a)(4) outside the territory embraced by the named centers but within the confines of Buncombe County. These special police officers may arrest persons outside the territory of the named centers but within the confines of Buncombe County when the person arrested has committed a criminal offense within that territory, for which the officers could have arrested the person within that territory, and the arrest is made during the person's immediate and continuous flight from that territory.

(b) These special police officers may exercise any and all of the powers enumerated in this Part upon or in pursuit from the property formerly occupied by the Black Mountain Center and transferred to the Department of Correction by Senate Bill 388 and House Bill 709 of the 1985 Session of the General Assembly. These special police officers shall exercise said powers upon the property transferred to the Department of Correction only by agreement of the Departments of Correction and Human Resources.

(1983 (Reg. Sess., 1984), c. 1116, s. 30; 1985, c. 408, ss. 3, 5; c. 589, s. 2; 1995, c. 391, s. 3.)

Editor's Note. - Session Laws 1994, Extra Session, c. 24, s. 37, effective March 26, 1994, provides: "The Secretary of the Department of Human Resources shall designate the Director of the Juvenile Evaluation Center as the Director of the Joint Security Force established in G.S. 122C-421, serving the territory of the Black Mountain Center, the Alcohol Rehabilitation Center, and the Juvenile Evaluation Center, all in Buncombe County, and having the power prescribed by G.S. 7A-571(4) and G.S. 122C-421 outside the territory embraced by the named centers but within the confines of Buncombe County."

Session Laws 1994, Extra Session, c. 24, s. 70, provides: "Except for statutory changes or other provisions that clearly indicate an intention to have effects beyond the 1993-95 biennium, the textual provisions of this act shall apply only to funds appropriated for and activities occurring during the 1993-95 biennium."

Effect of Amendments. - The 1995 amendment, effective October 1, 1995, and applicable to physical custody exercised on or after that date, in subsection (a) substituted "G.S. 7A-571(a)(4)" for "G.S. 7A-571(4)" in the third sentence, and made a stylistic change in the last sentence.

MEMORANDUM

TO: Senator Roy Cooper, Chair, Senate Judiciary Committee

FROM: O. Walker Reagan, Committee Co-Counsel

RE: **SENATE BILL 452 - LOCAL REGULATION ADULT ENTERTAINMENT -** Senator Cooper

Senate Bill 452 would clarify the authority of cities and counties to regulate the location and operation of sexually oriented businesses by giving local governments the authority to restrict where these adult entertainment establishments may be located; when and how they may operate; what type of clothing restrictions may apply to masseuses, servers of alcohol, and entertainers; and ownership and employment by persons with criminal records.

Section 1 of the bill amends Chapter 160A by setting out the legislative intent to give local governments authority to regulate adult entertainment establishments, within constitutional limits, to prevent adverse secondary effects on neighboring properties which arise from these businesses.

This section allows the use of zoning regulations, licensing requirements, and other appropriate local ordinances to be used for regulation, including requiring fees for licensing. These local regulations may include restricting where these businesses may locate including specific zoning districts and minimum separation distances from other sensitive land uses and from other similar businesses. Local governments may also regulate hours of operation, open booth requirements, exterior advertising, noise, age of patrons and employees, separation of patrons from performers, and clothing restrictions for masseuses, servers of alcohol, and entertainers. The bill permits local governments to require registration and disclosure by these business owners and their employees, and may restrict ownership and employment by people with criminal records other than minor traffic offenses.

Section 1 also gives local governments authority to impose moratoriums on new businesses, and once ordinances are adopted, can require non-conforming

businesses to conform within reasonable time periods. This section also allows various local governments to enter into cooperative agreements for coordinated regulation of these businesses including providing for adequate alternative sites within interrelated geographic areas.

Section 1 defines "sexually explicit businesses" as those that emphasize matter and conduct depicting, describing, or related to anatomical areas and sexual activities specified in G.S. 14-202.10 (a copy attached). This includes bars, restaurants, clubs, cabarets, other establishments offering topless or seminude dancing, adult bookstores, video rental facilities, adult theaters, adult films or video viewing establishments, massage parlors, saunas, baths or similar establishments.

Sections 2, 3, and 5 make conforming changes to various criminal statutes to make it clear that the criminal statutes do not override the local governments rights to regulate these establishments.

Section 4 amends the definition of "adult bookstore" to include rentals and videotapes, and clarifies how a "preponderance" is determined.

Section 6 makes it clear that the alcoholic beverage control laws to not override the right of local governments to regulate and license these adult entertainment businesses.

The bill is effective when it becomes law.

(a) The General Assembly finds and determines that sexually oriented businesses can and do cause adverse secondary impacts on neighboring properties. Numerous studies that are relevant to North Carolina have found increases in crime rates and decreases in neighboring property values as a result of the location of sexually oriented businesses in inappropriate locations or from the operation of such businesses in an inappropriate manner. Reasonable local government regulation of sexually oriented businesses in order to prevent or ameliorate adverse secondary impacts is consistent with the federal constitutional protection afforded to nonobscene but sexually explicit speech.

(b) In addition to State laws on obscenity, indecent exposure, and adult establishments, local government regulation of the location and operation of sexually oriented businesses is necessary to prevent undue adverse secondary impacts that would otherwise result from these businesses.

(c) A city or county may regulate sexually oriented businesses through zoning regulations, licensing requirements, or other appropriate local ordinances. The city

or county may require a fee for the initial license and any annual renewal. Such local regulations may include, but are not limited to:

(1) Restrictions on location of sexually oriented businesses, such as limitation to specified zoning districts and minimum separation from sensitive land uses and other sexually oriented businesses;

(2) Regulations on operation of sexually oriented businesses, such as limits on hours of operation, open booth requirements, limitations on exterior advertising and noise, age of patrons and employees, required separation of patrons and performers, clothing restrictions for masseuses, and clothing restrictions for servers of alcoholic beverages;

(3) Clothing restrictions for entertainers; and

(4) Registration and disclosure requirements for owners and employees and restrictions on ownership or employment by a person with a criminal record other than minor traffic offenses.

(d) In order to preserve the status quo while appropriate studies are conducted and the scope of potential regulations are deliberated, cities and counties may enact moratoria of reasonable duration on either the opening of any new businesses authorized to be regulated under this section or the expansion of any such existing business. Businesses existing at the time of the effective date of regulations adopted under this section may be required to come into compliance with newly adopted regulations within an appropriate and reasonable period of time.

(e) Cities and counties may enter into cooperative agreements regarding coordinated regulation of sexually oriented businesses, including provision of adequate alternative sites for the location of constitutionally protected speech within an interrelated geographic area.

(f) For the purpose of this section 'sexually explicit businesses' include those characterized by their emphasis on matter and conduct depicting, describing, or related to anatomical areas and sexual activities specified in G.S. 14-202.10. This includes but is not limited to: bars, restaurants, clubs, cabarets, and other establishments offering topless or seminude dancing; adult bookstores and video rental facilities; adult theaters and viewing establishments for adult films or videos; and massage parlors, saunas, baths, and similar establishments. Local governments may adopt detailed definitions of these and similar businesses in order to precisely define the scope of any local regulations."

Section 2. G.S. 14-190.1 is amended by adding a new subsection to read:

"(i) Nothing in this section shall be deemed to preempt local government regulation of nonobscene sexually-explicit speech or conduct."

Section 3. G.S. 14-190.9 is amended by adding a new subsection to read:

"(c) Notwithstanding any other provision of law, a local government may regulate the location and operation of sexually explicit businesses. Such local regulation may restrict or prohibit nude, seminude, or topless dancing to the extent permissible consistent with the constitutional protection afforded free speech."

Section 4. G.S. 14-202.10(1) reads as rewritten:

"(1) 'Adult bookstore' means a bookstore:

a. Which receives a majority of its gross income during any calendar month from the sale or rental of publications (including books, videotapes, magazines, and other periodicals) which are distinguished or characterized by their emphasis on matter depicting, describing, or relating to specified sexual activities or specified anatomical areas, as defined in this section; or

b. Having as a preponderance (either in terms of the weight and importance of the material or in terms of greater volume of materials) of its publications books, magazines, and other periodicals which are distinguished or characterized by their emphasis on matter depicting, describing, or relating to specified sexual activities or specified anatomical areas, as defined in this section."

Section 5. G.S. 14-202.11 reads as rewritten:

"**§ 14-202.11. Restrictions as to adult establishments.**

(a) No person shall permit any building, premises, structure, or other facility that contains any adult establishment to contain any other kind of adult establishment. No person shall permit any building, premises, structure, or other facility in which sexually oriented devices are sold, distributed, exhibited, or contained to contain any adult establishment.

(b) No person shall permit any viewing booth in an adult mini motion picture theatre to be occupied by more than one person at any time.

(c) Nothing in this section shall be deemed to preempt local government regulation of the location or operation of adult establishments or other sexually oriented businesses."

Section 6. G.S. 18B-1005 is amended by adding the following new subsection:

"(c) Nothing in this section shall be deemed to preempt local government regulation of the location or operation of adult establishments or other sexually oriented businesses."

Section 7. This act is effective when it become law.

MEMORANDUM

TO: Senator Roy Cooper, Chair, Senate Judiciary Committee

FROM: Brenda J. Carter, Committee Co-Counsel

RE: **SENATE BILL 7 - INCREASE PENALTY FOR CERTAIN DRUG SALES**
Senator Cooper

Subcommittee Recommendation: Favorable

G.S. 90-95(a)(1) makes it unlawful for any person to manufacture, sell or deliver, or possess with intent to manufacture, sell or deliver, a controlled substance. Senate Bill 7 is a recommendation of the N.C. Sentencing and Policy Advisory Commission which would increase the criminal penalty for the ***sale*** of certain controlled substances.

Senate Bill 7 would raise the felony offense class for the sale of a Schedule I or II controlled substance from Class H to Class G. Schedule I and II controlled substances include heroin, morphine, opium, LSD, and cocaine. Assuming prior record level I, the minimum presumptive sentence for a Class H felony is 5-6 months community, intermediate, or active punishment; a Class G felony is 10-13 months intermediate or active punishment.

The bill would also raise the felony offense class for the sale of a Schedule III - Schedule VI controlled substance from Class I to Class H. Schedule III, IV, V, and VI controlled substances include barbiturates, narcotics, anabolic steroids, and marijuana. Assuming prior record level I, the minimum presumptive sentence for a Class I felony is 4-6 months community punishment; a Class H felony is 5-6 months community, intermediate, or active punishment.

Information provided by the Sentencing Commission indicates measurable impact beginning in 1999, with an additional 392 inmates. A copy of the fiscal note is attached. The bill would become effective December 1, 1997 and would apply to offenses committed on or after that date.

BILL SUMMARY: S 7. INCREASE DRUG SALE PENALTIES. *TO IMPLEMENT THE NORTH CAROLINA SENTENCING AND POLICY ADVISORY COMMISSION'S RECOMMENDATION TO INCREASE THE CRIMINAL PENALTY FOR THE SALE OF CERTAIN CONTROLLED SUBSTANCES.* Amends GS 90-95(b) to (1) make the sale of a schedule I or II controlled substance a class G felony (was, class H felony), and (2) make the sale of a schedule III, IV, V, or VI controlled substance a class H felony (was, class I felony). Applies to offenses committed on or after Dec. 1, 1997.

ASSUMPTIONS AND METHODOLOGY: Department of Correction
Because this bill lengthens the possible sentence for sale of certain controlled sentences, it will increase the number of inmates in prison.

The following chart shows, for the end of each fiscal year, beds projected to be available, the number of inmates projected under the present Structured Sentencing Act, the deficit or surplus beds, the number of additional inmates projected to be incarcerated under this bill, and the additional beds needed as a result of this bill after considering projected prison capacity: (The following information is specific to each individual bill.)

[1] The Sentencing Commission's revised prison population projections (dated December 1996) were estimated under three scenarios: High, Best, and Low. The differences in these scenarios reflect varying assumptions on incarceration rates under Structured Sentencing, probation and revocation rates, and the decline of the stock population. The projections outlined above are included in the "Best scenario" since the Sentencing Commission and the Department of Correction believe this scenario is most likely to occur.

[illegible]jected number of prison beds based on Department of Correction estimates of expanded bed capacity as of 2/19/97. These numbers do not include the number of beds requested in the Governor's 1997-99 Capital Improvement budget.

As shown in bold in the table above, the Sentencing Commission estimates this specific legislation will add 426 inmates to the prison system by 2001-02. There is no additional fiscal impact resulting from the passage of this bill because these additional beds and their associated costs can be absorbed within the Department of Correction's existing budget. This analysis is based on the following assumptions and methodology:

1. There will be an estimated surplus of 4,430 beds by FY 2001-02 , based on current prison population projections by the Sentencing Commission and the estimated expanded prison bed capacity (see table above);

2. The expanded prison capacity includes all beds available when currently funded prison construction is completed, as well operating funds for food, clothing, health, and security of prisoners as the units begin housing inmates;

3. The Department of Correction will continue operating most dormitory units at 130% of capacity, as allowed by court consent decrees; and,

4. The expanded prison capacity numbers do not include out-of-state beds, jail contract beds, or the 2,000 net new beds which would be established if the projects receiving planning and design funds in the 1996 Session were fully funded.

Note: The number of additional inmates projected to be incarcerated if the 17 Sentencing Commission recommendations are approved by the 1997 General Assembly is 2,044 inmates by FY 2001-02 and 2,944 inmates by FY 2006-07. If all of the Sentencing Commission recommendations are approved, the estimated surplus of prison beds will be 2,296 by the end of FY 2001-02. These recommendations, along with other criminal penalty bill enhancements, reduce the availability of prison beds in future years. The Fiscal Research Division is monitoring the cumulative effect of all criminal penalty bills on the prison system.

The Judicial Branch projects they will be able to absorb any impact of this bill within existing resources, primarily because very few of charges for these offenses go to trial.

MEMORANDUM

TO: Senator Roy Cooper, Chair, Senate Judiciary Committee

FROM: Brenda J. Carter, Committee Co-Counsel

RE: **EMBEZZLEMENT / INCREASE PENALTY - Proposed Committee Substitute**
Senate Bill 9 - Senator Miller
House Bill 141 - Representative Justus

Bill as Introduced: Senate Bill 9/House Bill 141 is a recommendation of the N.C. Sentencing and Policy Advisory Commission which would increase the criminal penalty for certain embezzlement related offenses. Under current law, offenses of larceny by employees and obtaining property by false pretenses are classified as Class H felonies, and various other embezzlement offenses are classified as either Class F or Class H felonies. In general, Senate Bill 9/House Bill 141 would make embezzlement of property valued at $100,000 or more a Class C felony. Assuming prior record level I, the minimum presumptive sentence is 58-73 months active punishment for a Class C felony; as opposed to 10-13 months intermediate or active punishment for a Class F felony, or 5-6 months community, intermediate, or active punishment for a Class H felony.

Subcommittee Recommendation: A proposed committee substitute which leaves current Class F felonies at that level without regard to the value of the property involved. Embezzlement of State property by public officers and employees, Embezzlement of money, funds, securities, or other property by public officers and trustees (includes officials of local governments, charitable, religious or educational institutions who embezzle or otherwise "willfully and corruptly" use or misapply funds), and Embezzlement of taxes by officers are currently Class F felonies. Embezzlement offenses that are currently Class H felonies, will be Class F felonies if the property involved is valued at $100,000 or more.

AN EQUAL OPPORTUNITY/AFFIRMATIVE ACTION EMPLOYER

(OVER)

The proposed committee substitute for Senate Bill 9/House Bill 141 affects the following offenses:

Section 1. Larceny by servants or other employees (person over 16 steals from employer)

Section 2. Embezzlement of property received by virtue of office or employment (person holds property in fiduciary capacity)

Section 3. Embezzlement by treasurers of charitable and religious organizations (lend moneys without consent, failure to account for moneys)

Section 4. Embezzlement by officers of railroad companies: money, bonds, or other valuable funds or securities

Section 5. Appropriation of partnership funds by partner to personal use

Section 6. Embezzlement by a surviving partner: property, money, or other effects

Section 7. Obtaining property by false pretenses (representation of a fact or event that is false and is calculated and intended to deceive another person in order to obtain something of value from that person)

Section 8. Misapplication, embezzlement of funds by bank officer and employees

Section 9. Embezzlement by insurance agents, brokers, or administrators: money, negotiable instruments or other consideration

Section 10. Embezzlement of preneed funeral funds

The bill would become effective December 1, 1997 and would apply to offenses committed on or after that date.

BILL SUMMARY: EMBEZZLEMENT/INCREASE PENALTY. *TO IMPLEMENT THE NORTH CAROLINA SENTENCING AND POLICY ADVISORY COMMISSION'S RECOMMENDATION TO INCREASE THE CRIMINAL PENALTY FOR CERTAIN EMBEZZLEMENT OFFENSES.* Amends various statutes to make embezzlement of money, goods or property with a value of $100,000 or more a class C felony. Makes embezzlement of money, goods, or property with a value of less than $100,000 a class F felony (with respect to violations of GS 14-91,14-92, and 14-99 or a class H felony (with respect to violations of GS 14-74, 14-90, 14-

93, 14-94, 14-97, 14-98, 53-129, 58-2-162, and 90-210.70(a)). Applies to offenses committed on or after Dec. 1, 1997.[1]

ASSUMPTIONS AND METHODOLOGY: Department of Correction

The following chart shows, for the end of each fiscal year, beds projected to be available, the number of inmates projected under the present Structured Sentencing Act, the deficit or surplus beds, the number of additional inmates projected to be incarcerated under this bill, and the additional beds needed as a result of this bill after considering projected prison capacity: (The following information is specific to each individual bill.)

	June 30 1998	**June 30 1999**	**June 30 2000**	**June 30 2001**	**June 30 2002**
Projected No. of Inmates Under Current Structured Sentencing Act[2]	31,762	30,371	30,060	30,610	31,259
Projected No. of Prison Beds (DOC Expanded Capacity)[3]	34,133	35,599	35,599	35,599	35,599
No. of Beds Over/Under No. of Inmates Under Current Structured Sentencing Act	+2,371	+5,228	+5,539	+4,989	+4,430
No. of Projected Additional Inmates Due to this Bill	0	13	42	77	113
No. of Additional Beds Need Each Fiscal Year Due to this Bill	0	0	0	0	0

As shown in bold in the table above, the Sentencing Commission estimates this specific legislation will add 113 inmates to the prison system by 2001-02. There is no additional fiscal impact resulting from the passage of this bill because these additional beds and their associated costs can be absorbed within the Department of Correction's existing budget. This analysis is based on the following assumptions and methodology:

---

[1] *Daily Bulletin*, Institute of Government, UNC-Chapel Hill: Vol. 1997, No. 2 & No. 10.

[2] The Sentencing Commission's revised prison population projections (dated December 1996) were estimated under three scenarios: High, Best, and Low. The differences in these scenarios reflect varying assumptions on incarceration rates under Structured Sentencing, probation and revocation rates, and the decline of the stock population. The projections outlined above are included in the "Best scenario" since the Sentencing Commission and the Department of Correction believe this scenario is most likely to occur.

[3] Projected number of prison beds based on Department of Correction estimates of expanded bed capacity as of 1/11/97. These numbers do not include the number of beds requested in the Governor's 1997-99 Capital Improvement budget.

1. There will be an estimated surplus of 4,430 beds by FY 2001-02 , based on current prison population projections by the Sentencing Commission and the estimated expanded prison bed capacity (see table above):

2. The expanded prison capacity includes all beds available when currently funded prison construction is completed, as well operating funds for food, clothing, health, and security of prisoners as the units begin housing inmates;

3. The Department of Correction will continue operating most dormitory units at 130% of capacity, as allowed by court consent decrees; and,

4. The expanded prison capacity numbers do not include out-of-state beds, jail contract beds, or the 2,000 net new beds which would be established if the projects receiving planning and design funds in the 1996 Session were fully funded.

Note: The number of additional inmates projected to be incarcerated if the 17 Sentencing Commission recommendations are approved by the 1997 General Assembly is 2,044 inmates by FY 2001-02 and 2,944 inmates by FY 2006-07. If all of the Sentencing Commission recommendations are approved, the estimated surplus of prison beds will be 2,296 by the end of FY 2001-02. These recommendations, along with other criminal penalty bill enhancements, reduce the availability of prison beds in future years. The Fiscal Research Division is monitoring the cumulative effect of all criminal penalty bills on the prison system.

ASSUMPTIONS AND METHODOLOGY: Judicial Department

In 1996, over 8,300 defendants were charged with offenses covered under this bill. The Judicial Branch has no data on the value of property involved. They estimate that only a small percentage of these cases involve amounts of $100,000 or more. The Financial Crimes Unit of the State Bureau of Investigation (SBI) estimates that 10% to 15% of the cases they handle involve amounts of $100,000 or more. However, the Financial Crimes Unit receives - from the eight field units across the state - referral on only the most complex financial cases. The field units, themselves, may handle some less complex cases involving amounts over $100,000. Since the field units' financial crimes data are not organized by dollar amount, the Judicial Branch is unable to obtain an estimate of the actual incidence of financial crimes of $100,000 or more. Although the numbers may be small, even a few new Class C trials may have a fiscal impact on the Judicial Branch. Based on the information provided by the Judicial Branch, Fiscal Research staff cannot reliably estimate the fiscal impact of this bill on the Court System.

MEMORANDUM

TO: Senator Roy Cooper, Chair, Senate Judiciary Committee

FROM: Brenda J. Carter, Committee Co-Counsel

RE: **AMEND ACCESSORY AFTER THE FACT**
Senate Bill 10 - Senator Reeves
House Bill 142 - Representative Justus

Subcommittee Recommendation: Favorable

Senate Bill 10/House Bill 142 is a recommendation of the N.C. Sentencing and Policy Advisory Commission which would reclassify the offense of accessory after the fact to a felony. A person commits the offense when he or she, knowing that another person has committed a crime, assists that person in escaping or attempting to escape detection, arrest or punishment after the felony was committed. Under current law, accessory after the fact to any felony is punishable as a Class H felony. Assuming prior record level I, the minimum presumptive sentence for a Class H felony is 5-6 months community, intermediate or active punishment.

Senate Bill 10 would relate accessory after the fact offenses to the seriousness of the principal offense by classifying the offense of accessory after the fact two classes lower than the underlying felony itself. The bill would make accessory after the fact to a Class A or B1 felony (1st degree murder, 1st degree rape, or 1st degree sexual offense) a Class C felony. Assuming prior record level I, the minimum presumptive sentence for a Class C felony is 58-73 months active punishment.

The bill would make accessory after the fact to a Class B2 felony (for example, 2nd degree murder) a Class D felony. Assuming prior record level I, the minimum presumptive sentence for a Class D felony is 51-64 months active punishment.

Accessory after the fact to a Class C felony would be a Class E, and so on - D/F, E/G, F/H, G/I. The bill provides that an accessory after the fact to a Class H felony is a Class 1 misdemeanor, and an accessory after the fact to a Class I felony is a Class 2 misdemeanor.

The bill would become effective December 1, 1997 and would apply to offenses committed on or after that date.

ASSUMPTIONS AND METHODOLOGY: Department of Correction

The following chart shows, for the end of each fiscal year, beds projected to be available, the number of inmates projected under the present Structured Sentencing Act, the deficit or surplus beds, the number of additional inmates projected to be incarcerated under this bill, and the additional beds needed as a result of this bill after considering projected prison capacity: (The following information is specific to each individual bill.)

No. of Projected Additional Inmates Due to this Bill	**0**	**29**	**53**	**93**	**118**
No. of Additional Beds Need Each Fiscal Year Due to this Bill	0	0	0	0	0

As shown in bold in the table above, the Sentencing Commission estimates this specific legislation will add 118 inmates to the prison system by 2001-02. There is no additional fiscal impact resulting from the passage of this bill because these additional beds and their associated costs can be absorbed within the Department of Correction's existing budget. This analysis is based on the following assumptions and methodology:

---

[1] The Sentencing Commission's revised prison population projections (dated December 1996) were estimated under three scenarios: High, Best, and Low. The differences in these scenarios reflect varying assumptions on incarceration rates under Structured Sentencing, probation and revocation rates, and the decline of the stock population. The projections outlined above are included in the "best scenario" since the Sentencing Commission and the Department of Correction believe this scenario is most likely to occur.

[2] Projected number of prison beds based on Department of Correction estimates of expanded bed capacity as of 1/11/97. These numbers do not include the number of beds requested in the Governor's 1997-99 Capital Improvement budget.

1. There will be an estimated surplus of 4,430 beds by FY 2001-02 , based on current prison population projections by the Sentencing Commission and the estimated expanded prison bed capacity (see table above);
2. The expanded prison capacity includes all beds available when currently funded prison construction is completed, as well operating funds for food, clothing, health, and security of prisoners as the units begin housing inmates;
3. The Department of Correction will continue operating most dormitory units at 130% of capacity, as allowed by court consent decrees; and,
4. The expanded prison capacity numbers do not include out-of-state beds, jail contract beds, or the 2,000 net new beds which would be established if the projects receiving planning and design funds in the 1996 Session were fully funded.

Note: The number of additional inmates projected to be incarcerated if the 17 Sentencing Commission recommendations are approved by the 1997 General Assembly is 2,044 inmates by FY 2001-02 and 2,944 inmates by FY 2006-07. If all of the Sentencing Commission recommendations are approved, the estimated surplus of prison beds will be 2,296 by the end of FY 2001-02. These recommendations, along with other criminal penalty bill enhancements, reduce the availability of prison beds in future years. The Fiscal Research Division is monitoring the cumulative effect of all criminal penalty bills on the prison system.

ASSUMPTIONS AND METHODOLOGY: Judicial Department

Currently, fewer than 200 defendants per year are convicted of accessory after the fact penalties. The Judicial Department, however, is unable to estimate how many of these individuals may be affected because they have no data on the class of the principle offense for defendants charged with accessory after the fact. The Department anticipates additional trials may result in cases where there is a substantial elevation of the offense class. However, since there is no data on the class of the principle class, no fiscal estimate is available for the court system at this time.

RE: **VOLUNTARY MANSLAUGHTER / CLASS D FELONY**
Senate Bill 11 - Senator Gulley
House Bill 144 - Representative Justus

Subcommittee Recommendation: Favorable

Senate Bill 11/House Bill 144 is a recommendation of the N.C. Sentencing and Policy Advisory Commission which would increase the criminal penalty for voluntary manslaughter. Voluntary manslaughter is distinguished from second-degree murder by the absence of malice.

Under current law, voluntary manslaughter is punishable as a Class E felony. Senate Bill 11 would raise the felony offense class for voluntary manslaughter from E to Class D. Assuming prior record level I, the minimum presumptive sentence for a Class E felony is 20-25 months intermediate or active punishment; and 51-64 months active punishment for a Class D felony. (By comparison, 1st degree murder is Class A, 2nd degree murder is Class B2, involuntary manslaughter is Class F)

The bill would become effective December 1, 1997 and would apply to offenses committed on or after that date.

ASSUMPTIONS AND METHODOLOGY: Judicial Department

Judicial Department data indicates that few defendants are charged with voluntary manslaughter, and most often , these convictions result from pleas when a more serious offense was charged. The Department anticipates that the increase in punishment may affect the decision to plead in a few cases and result in additional trials. However, they believe this number of trials would be very small and could be absorbed within existing court resources statewide.

For purposes of this subdivision, the transfer of less than five grams of marijuana for no remuneration shall not constitute a delivery in violation of G.S. 90-95(a)(1).

(9) Any person who violates G.S. 90-95(a)(3) on the premises of a penal institution or local confinement facility shall be guilty of a Class ~~I~~ H felony."

MEMORANDUM

TO: Senator Roy Cooper, Chair, Senate Judiciary Committee

FROM: Brenda J. Carter, Committee Co-Counsel

RE: **SENATE BILL 14 - RECLASSIFY PRISON OFFENSES**
Senator Jenkins

Subcommittee Recommendation: Committee substitute corrects drafting error.

Senate Bill 14 would increase the penalty for various offenses committed while a person is incarcerated. Classifying an offense as a Class H felony gives a judge the option of imposing an active sentence in every case.

Section 1 makes it a Class 1, rather than a Class 3 misdemeanor for a prisoner who is on work detail for a county to escape from custody.

Section 2 makes it a Class H felony (currently I) for a prisoner to break out of a county or city jail if the person has been convicted of a felony.

Section 3 makes it a Class 1 misdemeanor (currently Class I felony) for a first offense of escape if the person is a misdemeanant; a felon or a person previously convicted of escaping or attempting to escape would be punished as a Class H (currently I) felon.

Section 4 makes possession of a controlled substance on the premises of a prison or jail a Class H (currently I) felony.

Section 5 makes it a Class H (currently I) felony for a prisoner to intentionally injure himself in order to avoid work or other assigned duties.

The bill would become effective December 1, 1997 and apply to offenses occurring on or after that date.

If any person shall break any prison, jail or lockup maintained by any county or municipality in North Carolina, being lawfully confined therein, or shall escape from the lawful custody of any superintendent, guard or officer of such prison, jail or lockup,

he shall be guilty of a Class 1 misdemeanor, except that the person is guilty of a Class ~~I~~ H felony if:

(1) He has been convicted of a felony and has been committed to the facility pending transfer to the State prison system; or

(2) He is serving a sentence imposed upon conviction of a felony."

Section 3. G.S. 148-45 reads as rewritten:

(a) Any person in the custody of the Department of Correction in any of the classifications hereinafter set forth who shall escape from the State prison system, shall for the first such offense, except as provided in subsection (g) of this section, be guilty of a Class ~~I felony:~~ 1 misdemeanor:

(1) A prisoner serving a sentence imposed upon conviction of a misdemeanor;

(2) A person who has been charged with a misdemeanor and who has been committed to the custody of the Department of Correction under the provisions of G.S. 162-39;

(3) Repealed by Session Laws 1985, c. 226, s. 4.

(4) A person who shall have been convicted of a misdemeanor and who shall have been committed to the Department of Correction for presentence diagnostic study under the provisions of G.S. 15A-1332(c).

(e) Repealed by Session Laws 1983, c. 465, s. 5.

For the purpose of this subsection, escape is defined to include, but is not restricted to, willful failure to return to an appointed place and at an appointed time as ordered.

(2) If a person, who would otherwise be guilty of a first violation of G.S. 148-45(g)(1), voluntarily returns to his place of confinement within 24 hours of the time at which he was ordered to return, such person shall not be charged with an escape as provided in this section but shall be subject to

PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED: Dept. of Correction; Judicial Branch

EFFECTIVE DATE: December 1, 1997

BILL SUMMARY: This bill increases or changes criminal penalties for escape from prison or local confinement facilities -- escapes of working prisoners from custody would be increased from a Class 3 demeanor to a Class 1; escapes from confinement in State prisons would be changed from a Class I felony to a Class I misdemeanor for misdemeanants and from a Class I to Class H for felons; escapes from local confinement facilities would be increased from a Class I to H if the offender was convicted of a felony and pending transfer to a State prison or is serving a sentence for a felony. In essence, the bill allows the judges in each instance to sentence inmates to additional prison time..

ASSUMPTIONS AND METHODOLOGY: Department of Correction

The following chart shows, for the end of each fiscal year, beds projected to be available, the number of inmates projected under the present Structured Sentencing Act, the deficit or surplus beds, the number of additional inmates projected to be incarcerated under this bill, and the additional beds needed as a result of this bill after considering projected prison capacity: (The following information is specific to each individual bill.)

	June 30 1998	**June 30 1999**	**June 30 2000**	**June 30 2001**	**June 30 2002**

No. of Beds Over/Under No. of Inmates Under Current Structured Sentencing Act	+2,371	+5,228	+5,539	+4,989	+4,430
No. of Projected Additional Inmates Due to this Bill	0	27	30	32	31
No. of Additional Beds Need Each Fiscal Year Due to this Bill	0	0	0	0	0

[1] The Sentencing Commission's revised prison population projections (dated December 1996) were estimated under three scenarios: High, Best, and Low. The differences in these scenarios reflect varying assumptions on incarceration rates under Structured Sentencing, probation and revocation rates, and the decline of the stock population. The projections outlined above are included in the "Best scenario" since the Sentencing Commission and the Department of Correction believe this scenario is most likely to occur.

[2] Projected number of prison beds based on Department of Correction estimates of expanded bed capacity as of 1/11/97. These numbers do not include the number of beds requested in the Governor's 1997-99 Capital Improvement budget.

s shown in bold in the table above, the Sentencing Commission estimates this specific legislation will add 31 ıates to the prison system by 2001-02. There is no additional fiscal impact resulting from the passage of this ɔill because these additional beds and their associated costs can be absorbed within the Department of Correction's existing budget. This analysis is based on the following assumptions and methodology:

1. There will be an estimated surplus of 4,430 beds by FY 2001-02 , based on current prison population projections by the Sentencing Commission and the estimated expanded prison bed capacity (see table above);

2. The expanded prison capacity includes all beds available when currently funded prison construction is completed, as well operating funds for food, clothing, health, and security of prisoners as the units begin housing inmates;

3. The Department of Correction will continue operating most dormitory units at 130% of capacity, as allowed by court consent decrees; and,

4. The expanded prison capacity numbers do not include out-of-state beds, jail contract beds, or the 2,000 net new beds which would be established if the projects receiving planning and design funds in the 1996 Session were fully funded.

Note: The number of additional inmates projected to be incarcerated if the 17 Sentencing Commission commendations are approved by the 1997 General Assembly is 2,044 inmates by FY 2001-02 and 2,944 ıates by FY 2006-07. If all of the Sentencing Commission recommendations are approved, the estimated ɔlus of prison beds will be 2,296 by the end of FY 2001-02. These recommendations, along with other criminal penalty bill enhancements, reduce the availability of prison beds in future years. The Fiscal Research Division is monitoring the cumulative effect of all criminal penalty bills on the prison system.
Funds for the close custody beds are budgeted 3 years in advance, while funds for the medium and minimum custody beds are budgeted 2 years in advance, to allow adequate time for planning and construction.

JUDICIAL DEPARTMENT

ASSUMPTIONS AND METHODOLGY: The Judicial Branch indicates that increasing criminal penalties could result in more vigorous litigation and thus more court time and cost. However, it is anticipated that the number of cases will be small enough to be absorbed statewide.

MEMORANDUM

TO: Senator Roy Cooper, Chair, Senate Judiciary Committee

FROM: Brenda J. Carter, Committee Co-Counsel

RE: **SENATE BILL 29 - INCREASE PENALTY/PYRAMID SCHEMES**
Senator Jordan

Subcommittee Recommendation: Favorable

Senate Bill 29 is a recommendation of the LRC Consumer Protection Issues Committee. It would increase the penalty for establishing or operating a pyramid distribution plan.

Under current law, it is a Class 2 misdemeanor to establish, promote, operate or participate in any pyramid distribution plan. The bill would make it a Class H felony to establish or operate a pyramid distribution plan. The penalty for participating in or otherwise promoting such a plan remains a Class 2 misdemeanor. The bill deletes the definition of "promotes". The study committee found that the definition is not needed because it does nothing to clarify the offense. Promotion is an activity that is inherent in the establishment and operation of pyramid schemes, as well as in the participation of the scheme as an investor.

The bill would become effective December 1, 1997 and apply to offenses occurring on or after that date.

ASSUMPTIONS AND METHODOLOGY: Department of Correction and Judicial Branch

ently, the Judicial Branch does not have a specific code for offenses relating to pyramid schemes. This ...ates a small number of offenses since "offense codes" are established only when the number of offenses is significant. Based on this finding, the Sentencing Commission does not expect that the proposed changes would have any significant impact on prison populations. The Sentencing Commission estimates, for example, that if 10 individuals were convicted of these offenses per year approximately 1 or 2 additional inmates would be added to the prison population. If there were as many as 30 convictions no more than 3 to 6 additional inmates would be added to the prison system. These few potential additional inmates could be absorbed within existing Department of Correction resources.

Likewise, there would not be a significant fiscal impact on the Judicial Branch as there would not be any major changes in how cases are processed or disposed. The Judicial Department could absorb these few potential new cases within existing resources.

FROM: Brenda J. Carter, Committee Co-Counsel

RE: **TRESPASS/THEFT OF PINE STRAW**
Senate Bill 75 - Senator Albertson
House Bill 66 - Representative Brown

Subcommittee Recommendation: Committee substitute

Senate Bill 29 would establish the offenses of trespass to remove pine straw and larceny of pine straw.

Under current law, it is a Class 2 misdemeanor to enter secured premises (includes fenced areas); it is a Class 3 misdemeanor to enter posted premises. It is a Class 2 misdemeanor to enter posted premises to hunt, fish, or trap without written consent of the owner.

The original bill would make it a Class 1 misdemeanor to enter land posted with notices prohibiting raking or removing of pine straw; a second or subsequent offense would be a Class I felony. The committee substitute eliminates the felony trespass, and makes the pine straw production land trespass offense a Class 2 misdemeanor in all cases.

The bill also creates the offense of larceny of pine straw as a Class H felony.

The bill would become effective January 1, 1998 and apply to offenses occurring on or after that date.

RE: **S.B. 75 (H.B. 66) – Trespass/Theft of Pine Straw**

Dear Senator Cooper,

We support the substitute bill for S.B. 75 (H.B. 66) as reported out of the Senate Judiciary Subcommittee on Criminal Laws. The bill addresses theft of pine straw, a serious economic and environmental concern in the Sandhills of North Carolina. We urge you to give a favorable report to this bill.

The bill protects only land that has been properly posted (in accordance with G.S. 14-159.7) as a pine straw production area. Pine straw is a valuable forest product that provides significant income to area landowners and business opportunities for legitimate pine straw harvesters. As the value of pine straw has increased due to its growing demand as a landscaping and mulching material, theft of pine straw has become an increasingly serious problem. Pine straw sales are estimated at $51 million a year, while pine straw thefts are estimated at an alarming $8 million annually.

Without appropriate protection, landowners will continue to lose significant revenue through pine straw theft, and legitimate small businesses will be deprived of opportunities to make a livelihood. We believe that the penalties associated with the larceny of pine straw from a landowner's posted property are both reasonable and consistent with other acts of larceny. While this bill should not have any impact on an already over-burdened penal system, it could have a dramatic impact as a deterrent against the theft of pine straw. In fact, since the recent adoption of a similar bill protecting against larceny of ginseng (G.S. 14-79), there has been a marked decrease in ginseng theft.

In addition to protecting against economic losses presently suffered by landowners, S.B. 75 (H.B. 66) also offers a valuable tool in the fight to protect one of North Carolina's endangered species, the red-cockaded woodpecker. The longleaf pine trees in the Sandhills of North Carolina represent an essential component of a rapidly diminishing ecosystem in the southeastern U.S. As well as producing the highly desired pine needles, mature longleaf pine trees provide the habitat that the red-cockaded woodpecker relies on for both foraging and nesting. The revenue from pine straw provides a powerful incentive for forest landowners to maintain long leaf pine on

MEMORANDUM

TO: Senator Roy Cooper, Chair, Senate Judiciary Committee

FROM: Brenda J. Carter, Committee Co-Counsel

RE: **BOMB THREAT/FELONY**
Senate Bill 102 - Senator McDaniel
Senate Bill 214 - Senator Ledbetter
House Bill 267 - Representative Sherrill

Subcommittee Recommendation: Committee Substitute classifies the offenses as Class H felonies, to give the judge the option of imposing an active sentence.

Three bills would increase the penalties for the offenses of falsely reporting a bomb and of perpetuating a hoax by using a false bomb.

Under current law, a false bomb threat or planting a false bomb is a Class 1 misdemeanor. Senate Bill 102 would make the offenses Class I felonies, Senate Bill 214 and House Bill 267 would make them Class G felonies. The subcommittee recommends classifying the offenses as Class H felonies.

The presumptive minimum sentence in prior record level I for a Class I felony is 4-6 months community punishment; Class G felony is 10-13 months intermediate or active; Class H felony is 5-6 months community, intermediate, or active.

By comparison, malicious damage by use of an explosive or incendiary device is a Class G felony. Malicious damage of occupied property by use of an explosive or incendiary device is a Class D felony; willful injury to a person by use of explosive material is a Class D felony.

The bill would become effective December 1, 1997 and apply to offenses occurring on or after that date.

BILL SUMMARY: **BOMB THREAT/FELONY.** *TO INCREASE THE PENALTY FROM A MISDEMEANOR TO A CLASS I FELONY FOR THE OFFENSES OF FALSELY REPORTING THAT A BOMB OR OTHER DESTRUCTIVE DEVICE MAY EXPLODE AND PERPETUATING A HOAX BY USING A FALSE DESTRUCTIVE DEVICE.* Amends GS 14-69.1 and 14-69.2 to raise offenses indicated in title from class 1 misdemeanors to class 1 felonies. Applies to offenses committed on or after Dec. 1, 1997.

ASSUMPTIONS AND METHODOLOGY: Department of Correction and Judicial Branch

During calendar year 1996, there were thirty five (35) convictions for making a false report concerning destructive devices, GS 14-69.1, and no convictions for perpetrating a hoax by use of false bomb or other device, GS 14-69.2. Assuming that there continues to be about 35 convictions per year (the average over the past five years has been 28.2 per annum), then this proposal would add a **maximum** of three offenders to the average daily prison population. This estimate assumes that sentences for this crime follow the same pattern as sentences for other class I felonies and further assumes that there are not incapacitative or deterrent effects. These few potential additional inmates could be absorbed within Department of Correction resources by 1997-98, when bed capacity will be expanded and when this bill's impact will first be felt.

Likewise, there would not be a significant fiscal impact on the Judicial Branch, as there would not be any major changes in the time required to process or dispose of these cases. The Court Information System has no offense code for GS 14-69.2. This indicates a small number of offenses since "offense codes" are established only when the number of offenses is significant. If, as a result of a possible felony conviction, some of these defendants were to change their defense strategy and ask for a trial in Superior Court, the Judicial Branch believes that the impact of these few additional trials would not be substantial.

A BILL TO BE ENTITLED

AN ACT TO ENHANCE THE PUNISHMENT IMPOSED FOR GANG-RELATED CRIMINAL OFFENSES.

The General Assembly of North Carolina enacts:

Section 1. Chapter 14 of the General Statutes is amended by adding a new Article to read:

"ARTICLE 61.

"Street Terrorism Enforcement and Prevention Act.

"**§ 14-460. Definitions.**

a. Have a common name or common identifying signs, colors, or symbols;

b. Have member or associates who, individually or collectively, engage in or have engaged in a pattern of criminal street gang activity.

(2) Criminal street gang member. -- A person who engages in a pattern of criminal street gang activity and meets two or more of the following criteria:

a. Admits to criminal street gang membership.

b. Is a youth under the age of 21 years who is identified as a criminal street gang member by a parent or legal guardian.

c. Is identified as a criminal gang member by a documented reliable informant.

d. Resides in or frequents a particular criminal street gang's area and adopts their style of dress, their use of hand signs, or their tattoos, and associates with known criminal street gang members.

e. Is identified as a criminal street gang member by an informant of previously untested reliability and such identification is corroborated by independent information.

f. Has been arrested more than once in the company of identified criminal street gang members for offenses which are consistent with usual criminal street gang activity.

g. Is identified as a criminal street gang member by physical evidence such as photographs or other documentation.

(3) Pattern of criminal street gang activity. The commission, attempted commission, or solicitation, by any member of a criminal street gang, of two or more felony or violent misdemeanor offenses, or two or more delinquent acts or violations of law that would be felonies or violent misdemeanors if committed by an adult, on separate occasions within a three-year period.

"§ 14-461. Legislative findings and intent.

(a) The General Assembly finds that it is the right of every person, regardless of race, color, creed, religion, national origin, sex, age, sexual orientation, or handicap, to be secure and protected from fear, intimidation, and physical harm caused by the activities of violent groups and individuals. It is not the intent of this Chapter to interfere with the exercise of the constitutionally protected rights of freedom of expression and association. The General Assembly recognizes the constitutional right of every citizen to harbor and express beliefs on any lawful subject whatsoever, to lawfully associate with others who share similar beliefs, to petition lawfully constituted authority for a redress of perceived grievances, and to participate in the electoral process.

(b) The General Assembly finds, however, that the State is facing a mounting crisis caused by criminal street gangs whose members threaten and terrorize peaceful citizens and commit a multitude of crimes. These activities, both individually and collectively, present a clear and present danger to public order and safety and are not constitutionally protected.

(c) It is the intent of the General Assembly to eradicate the terror created by criminal street gangs and criminal street gang members by providing enhanced penalties and by eliminating the patterns, profits, proceeds, instrumentalities, or property which facilitates criminal street gang activity.

"§ 14-462. Pattern of criminal street gang activity, reclassified penalties.

(a) A person who commits a felony and who was a member of a criminal street gang at the time of the offense that meets the criteria of a pattern of criminal street gang activity is guilty of a felony that is one class higher than the felony committed.

(b) A person who commits a misdemeanor who was a member of a criminal street gang at the time of the offense that meets the criteria of a pattern of criminal street gang activity is guilty of a misdemeanor that is one class higher than the misdemeanor committed. If the offense was a Class A1 misdemeanor, then the defendant is guilty of a Class I felony.

"**§ 14-463. Civil cause of action.**

Any person or organization which establishes by clear and convincing evidence that it has been coerced, intimidated, threatened, or otherwise harmed in violation of this Chapter shall have a civil cause of action for treble damages, an injunction, or any other appropriate relief in law or equity. Upon prevailing in such civil action, the plaintiff may recover reasonable attorneys' fees and costs.

"**§ 14-464. Profits, proceeds, and instrumentalities of criminal street gangs; forfeiture.**

Any profits, proceeds, or instrumentalities of criminal activity or any property used, intended, or attempted to be used to facilitate criminal activity of any criminal street gang member shall be subject to seizure and forfeiture.

"**§ 14-465. Crime data information.**

Crime information obtained pursuant to this Chapter shall be reported to the Department of Justice."

Section 2. This act becomes effective December 1, 1997, and applies to offenses committed on or after that date.

MEMORANDUM

TO: Senator Roy Cooper, Chair, Senate Judiciary Committee

FROM: Brenda J. Carter, Committee Co-Counsel

RE: **GANG CRIME/ENHANCED PENALTIES**
Senate Bill 202 - Senator Ballantine

Subcommittee Recommendation: Committee Substitute

Senate Bill 202 would enhance the punishment imposed for gang-related criminal offenses.

The bill as introduced would make a person who commits a felony and who was a member of a criminal street gang at the time of the offense guilty of a felony or misdemeanor one class higher than the underlying offense.

The subcommittee recommends a committee substitute that would make gang involvement in the offense an aggravating factor for sentencing purposes.

The bill would become effective December 1, 1997 and apply to offenses occurring on or after that date.

A BILL TO BE ENTITLED AN ACT TO ADD TO THE LIST OF AGGRAVATING FACTORS THE OFFENSE WAS COMMITTED IN ASSOCIATION WITH A CRIMINAL STREET GANG.

The General Assembly of North Carolina enacts:

Section 1. G.S. 15A-1340.16(d) reads as rewritten:

"(d) Aggravating Factors. -- The following are aggravating factors:

(1) The defendant induced others to participate in the commission of the offense or occupied a position of leadership or dominance of other participants.

(2) The defendant joined with more than one other person in committing the offense and was not charged with committing a conspiracy.

(2a) The offense was committed for the benefit of, or at the direction of, any criminal street gang, with the specific intent to promote, further, or assist in any criminal conduct by gang members, and the defendant was not charged with committing a

conspiracy. A "criminal street gang" means any ongoing organization, association, or group of three or more persons, whether formal or informal, having as one of its primary activities the commission of felony or violent misdemeanor offenses, or delinquent acts that would be felonies or violent misdemeanors if committed by an adult, and having a common name or common identifying sign, colors or symbols.

(3) The offense was committed for the purpose of avoiding or preventing a lawful arrest or effecting an escape from custody.

(4) The defendant was hired or paid to commit the offense.

(5) The offense was committed to disrupt or hinder the lawful exercise of any governmental function or the enforcement of laws.

(6) The offense was committed against a present or former law enforcement officer, employee of the Department of Correction, jailer, fireman, emergency medical technician, ambulance attendant, justice or judge, clerk or assistant or deputy clerk of court, magistrate, prosecutor, juror, or witness against the defendant, while engaged in the performance of that person's official duties or because of the exercise of that person's official duties.

(7) The offense was especially heinous, atrocious, or cruel.

(8) The defendant knowingly created a great risk of death to more than one person by means of a weapon or device which would normally be hazardous to the lives of more than one person.

(9) The defendant held public office at the time of the offense and the offense related to the conduct of the office.

(10) The defendant was armed with or used a deadly weapon at the time of the crime.

(11) The victim was very young, or very old, or mentally or physically infirm, or handicapped.

(12) The defendant committed the offense while on pretrial release on another charge.
(13) The defendant involved a person under the age of 16 in the commission of the crime.
(14) The offense involved an attempted or actual taking of property of great monetary value or damage causing great monetary loss, or the offense involved an unusually large quantity of contraband.
(15) The defendant took advantage of a position of trust or confidence to commit the offense.
(16) The offense involved the sale or delivery of a controlled substance to a minor.
(17) The offense for which the defendant stands convicted was committed against a victim because of the victim's race, color, religion, nationality, or country of origin.
(18) The defendant does not support the defendant's family.
(18a) The defendant has previously been adjudicated delinquent for an offense that would be a Class A, B1, B2, C, D, or E felony if committed by an adult.
(19) The serious injury inflicted upon the victim is permanent and debilitating.
(20) Any other aggravating factor reasonably related to the purposes of sentencing.

Evidence necessary to prove an element of the offense shall not be used to prove any factor in aggravation, and the same item of evidence shall not be used to prove more than one factor in aggravation. Evidence necessary to establish that an enhanced sentence is required under G.S. 14-2.2 may not be used to prove any factor in aggravation.

The judge shall not consider as an aggravating factor the fact that the defendant exercised the right to a jury trial."

Section 2. This act becomes effective December 1, 1997, and applies to offenses committed on or after that date.

EFFECTIVE DATE: December 1, 1997

BILL SUMMARY: *TO ENHANCE THE PUNISHMENT IMPOSED FOR GANG-RELATED CRIMINAL OFFENSES.* Adds new GS 14-462 to provide that person who commits felony and who was member of criminal street gang at time of offense that meets criteria of pattern or criminal street gang activity is guilty of felony that is one class higher than felony committed. Provides corresponding increase in punishment for misdemeanors, except class A1 misdemeanor is elevated to class I felony. Defines "criminal street gang" as formal or informal ing organization of three or more people who (1) have common name or identifying signs, colors, or bols, and (2) have members or associates who, individually or collectively, engage in or have engaged in pattern of criminal street gang activity. Defines "pattern of criminal street gang activity" as commission,

attempted commission, or solicitation, by any member of criminal street gang of two or more felony or violent misdemeanor offenses or two or more delinquent acts or violations of law that would be felonies or violent misdemeanors if committed by adult, on separate occasions within three-year period. Provides definition of criminal street gang member." Includes provisions regarding civil cause of action, forfeiture of profits, and reporting of crime information to Dep't of Justice. Applies to offenses committed on or after Dec. 1, 1997.[1]

ASSUMPTIONS AND METHODOLOGY: Judicial Department and Department of Correction

The Administrative Office of the Courts (AOC) does not collect data on crimes related to gang activity. In addition, the State Bureau of Investigation does not have any specific information on crimes committed by gang members even though gang activity has been reported in 40 counties over the past several years. The AOC anticipates this bill may produce additional trials since it increases the offense class of crimes by one level when committed by gang members. However, having no data on either the numbers or severity of street gang crimes, the AOC is unable to estimate the magnitude of the costs of such trials.

Since the AOC does not collect data related to gang crime activity, the Sentencing Policy and Advisory Commission cannot estimate how many offenders will be charged and convicted of this crime. Therefore, the Sentencing Commission cannot estimate the effects of this bill on the prison system. Due to the lack of available data and the assumptions outlined by the AOC and the Sentencing Commission, Fiscal Research staff cannot reliably estimate the fiscal impact of this bill.

Referred to: Judiciary.

March 24, 1997

A BILL TO BE ENTITLED

AN ACT TO CLARIFY LOCAL GOVERNMENT AUTHORITY TO REGULATE THE LOCATION AND OPERATION OF SEXUALLY ORIENTED BUSINESSES.

The General Assembly of North Carolina enacts:

Section 1. Chapter 160A of the General Statutes is amended by adding the following new section:

"**§ 160A-181.1. Regulation of sexually oriented businesses.**

(a) The General Assembly finds and determines that sexually oriented businesses can and do cause adverse secondary impacts on neighboring properties. Numerous studies that are relevant to North Carolina have found increases in crime rates and decreases in neighboring property values as a result of the location of sexually oriented businesses in inappropriate locations or from the operation of such businesses in an inappropriate manner. Reasonable local government regulation of sexually oriented businesses in order to prevent or ameliorate adverse secondary impacts is consistent with the federal constitutional protection afforded to nonobscene but sexually explicit speech.

(b) In addition to State laws on obscenity, indecent exposure, and adult establishments, local government regulation of the location and operation of sexually oriented businesses is necessary to prevent undue adverse secondary impacts that would otherwise result from these businesses.

(c) A city or county may regulate sexually oriented businesses through zoning regulations, licensing requirements, or other appropriate local ordinances. The city

or county may require a fee for the initial license and any annual renewal. Such local regulations may include, but are not limited to:

(1) Restrictions on location of sexually oriented businesses, such as limitation to specified zoning districts and minimum separation from sensitive land uses and other sexually oriented businesses;

(2) Regulations on operation of sexually oriented businesses, such as limits on hours of operation, open booth requirements, limitations on exterior advertising and noise, age of patrons and employees, required separation of patrons and performers, clothing restrictions for masseuses, and clothing restrictions for servers of alcoholic beverages;

(3) Clothing restrictions for entertainers; and

(4) Registration and disclosure requirements for owners and employees and restrictions on ownership or employment by a person with a criminal record other than minor traffic offenses.

(d) In order to preserve the status quo while appropriate studies are conducted and the scope of potential regulations are deliberated, cities and counties may enact moratoria of reasonable duration on either the opening of any new businesses authorized to be regulated under this section or the expansion of any such existing business. Businesses existing at the time of the effective date of regulations adopted under this section may be required to come into compliance with newly adopted regulations within an appropriate and reasonable period of time.

(e) Cities and counties may enter into cooperative agreements regarding coordinated regulation of sexually oriented businesses, including provision of adequate alternative sites for the location of constitutionally protected speech within an interrelated geographic area.

(f) For the purpose of this section 'sexually explicit businesses' include those characterized by their emphasis on matter and conduct depicting, describing, or related to anatomical areas and sexual activities specified in G.S. 14-202.10. MEMORANDUM

TO: Senator Roy Cooper, Chair, Senate Judiciary Committee

FROM: O. Walker Reagan, Committee Co-Counsel

RE: **PROPOSED COMMITTEE SUBSTITUTE FOR SENATE BILL 452 - LOCAL REGULATION ADULT ENTERTAINMENT** - Senator Cooper

The Proposed Committee Substitute for Senate Bill 452 would clarify the authority of cities and counties to regulate the location and operation of sexually oriented businesses by giving local governments the authority to restrict where these adult entertainment establishments may be located; when and how they may operate; what type of clothing restrictions may apply to masseuses, servers of alcohol, and entertainers; and ownership and employment by persons with criminal records.

Section 1 of the bill amends Chapter 160A by setting out the legislative intent to give local governments authority to regulate adult entertainment establishments, within constitutional limits, to prevent adverse secondary effects on neighboring properties which arise from these businesses.

This section allows the use of zoning regulations, licensing requirements, and other appropriate local ordinances to be used for regulation, including requiring fees for licensing. These local regulations may include restricting where these businesses may locate including specific zoning districts and minimum separation distances from other sensitive land uses and from other similar businesses. Local governments may also regulate hours of operation, open booth requirements, exterior advertising, noise, age of patrons and employees, separation of patrons from performers, and clothing restrictions for masseuses, servers of alcohol, and entertainers. The bill permits local governments to require registration and disclosure by these business owners and their employees of these person's criminal records other than minor traffic offenses, and may restrict ownership and employment by people with criminal records reasonably related to the legal operation of the business.

Section 1 also gives local governments authority to impose moratoriums on new businesses, and once ordinances are adopted, can require non-conforming businesses to conform within reasonable time periods. This section also allows various local governments to enter into cooperative agreements for coordinated regulation of these businesses including providing for adequate alternative sites within interrelated geographic areas.

Section 1 defines "sexually explicit businesses" as those that have as one of their principal business purposes or as a significant portion of their business an emphasis on matter and conduct depicting, describing, or related to anatomical areas and sexual activities specified in G.S. 14-202.10 (a copy attached).

Sections 2, 3, and 5 make conforming changes to various criminal statutes to make it clear that the criminal statutes do not override the local governments rights to regulate these establishments to the extent consistent with constitutional protection afforded free speech.

Section 4 amends the definition of "adult bookstore" to include rentals and videotapes, compact discs, photographic, electronic, magnetic, digital, or other magnetic imaging. It also clarifies how a "preponderance" is determined.

Section 6 makes it clear that the alcoholic beverage control laws to not override the right of local governments to regulate and license these adult entertainment businesses.

Section 7 amends the public nuisance statute by adding a provision that the use of property in violation of a local ordinance regulating sexually oriented businesses is a nuisance.

The bill is effective when it becomes law.

A BILL TO BE ENTITLED

AN ACT TO CLARIFY LOCAL GOVERNMENT AUTHORITY TO REGULATE THE LOCATION AND OPERATION OF SEXUALLY ORIENTED BUSINESSES.

The General Assembly of North Carolina enacts:

Section 1. Chapter 160A of the General Statutes is amended by adding the following new section:

"**§ 160A-181.1. Regulation of sexually oriented businesses.**

(a) The General Assembly finds and determines that sexually oriented businesses can and do cause adverse secondary impacts on neighboring properties. Numerous studies that are relevant to North Carolina have found increases in crime rates and decreases in neighboring property values as a result of the location of sexually oriented businesses in inappropriate locations or from the operation of such businesses in an inappropriate manner. Reasonable local government regulation of sexually oriented businesses in order to prevent or ameliorate adverse secondary impacts is consistent with the federal constitutional protection afforded to nonobscene but sexually explicit speech.

(b) In addition to State laws on obscenity, indecent exposure, and adult establishments, local government regulation of the location and operation of sexually oriented businesses is

necessary to prevent undue adverse secondary impacts that would otherwise result from these businesses.

(c) A city or county may regulate sexually oriented businesses through zoning regulations, licensing requirements, or other appropriate local ordinances. The city or county may require a fee for the initial license and any annual renewal. Such local regulations may include, but are not limited to:

(1) Restrictions on location of sexually oriented businesses, such as limitation to specified zoning districts and minimum separation from sensitive land uses and other sexually oriented businesses;

(2) Regulations on operation of sexually oriented businesses, such as limits on hours of operation, open booth requirements, limitations on exterior advertising and noise, age of patrons and employees, required separation of patrons and performers, clothing restrictions for masseuses, and clothing restrictions for servers of alcoholic beverages;

(3) Clothing restrictions for entertainers; and

(4) Registration and disclosure requirements for owners and employees with a criminal record other than minor traffic offenses, and restrictions on ownership or employment by a person with a criminal record that includes offenses reasonably related to the legal operation of sexually oriented businesses.

(d) In order to preserve the status quo while appropriate studies are conducted and the scope of potential regulations are deliberated, cities and counties may enact moratoria of reasonable duration on either the opening of any new businesses authorized to be regulated under this section or the expansion of any such existing business. Businesses existing at the time of the effective date of regulations adopted under this section may be required to come into compliance with newly adopted regulations within an appropriate and reasonable period of time.

(e) Cities and counties may enter into cooperative agreements regarding coordinated regulation of sexually oriented businesses, including provision of adequate alternative sites for the location of constitutionally protected speech within an interrelated geographic area.

(f) For the purpose of this section 'sexually oriented businesses' means any businesses or enterprises that have as one of their principal business purposes or as a significant portion

of their business an emphasis on matter and conduct depicting, describing, or related to anatomical areas and sexual activities specified in G.S. 14-202.10. Local governments may adopt detailed definitions of these and similar businesses in order to precisely define the scope of any local regulations."

Section 2. G.S. 14-190.1 is amended by adding a new subsection to read:

"(i) Nothing in this section shall be deemed to preempt local government regulation of the location or operation of sexually oriented businesses to the extent consistent with the constitutional protection afforded free speech."

Section 3. G.S. 14-190.9 is amended by adding a new subsection to read:

"(c) Notwithstanding any other provision of law, a local government may regulate the location and operation of sexually oriented businesses. Such local regulation may restrict or prohibit nude, seminude, or topless dancing to the extent consistent with the constitutional protection afforded free speech."

Section 4. G.S. 14-202.10(1) reads as rewritten:

"(1) 'Adult bookstore' means a bookstore:

a. Which receives a majority of its gross income during any calendar month from the sale or rental of publications (including books, magazines, ~~and other periodicals)~~ other periodicals, videotapes, compact discs, other photographic, electronic, magnetic, digital, or other imaging medium) which are distinguished or characterized by their emphasis on matter depicting, describing, or relating to specified sexual activities or specified anatomical areas, as defined in this section; or

b. Having as a preponderance (either in terms of the weight and importance of the material or in terms of greater volume of materials) of its publications (including books, magazines, ~~and other periodicals~~ other periodicals, videotapes, compact discs, other photographic, electronic, magnetic, digital, or other imaging medium) which are distinguished or characterized by their emphasis on matter depicting, describing, or relating to

specified sexual activities or specified anatomical areas, as defined in this section."

Section 5. G.S. 14-202.11 reads as rewritten:

"**§ 14-202.11. Restrictions as to adult establishments.**

(a) No person shall permit any building, premises, structure, or other facility that contains any adult establishment to contain any other kind of adult establishment. No person shall permit any building, premises, structure, or other facility in which sexually oriented devices are sold, distributed, exhibited, or contained to contain any adult establishment.

(b) No person shall permit any viewing booth in an adult mini motion picture theatre to be occupied by more than one person at any time.

(c) Nothing in this section shall be deemed to preempt local government regulation of the location or operation of adult establishments or other sexually oriented businesses to the extent consistent with the constitutional protection afforded free speech."

Section 6. G.S. 18B-904 is amended by adding the following new subsection:

'(g) Nothing in this Chapter shall be deemed to preempt local governments from regulating the location or operation of adult establishments or other sexually oriented businesses to the extent consistent with the constitutional protection afforded free speech, or from requiring any additional fee for licensing as permitted under G.S. 160A-181.1(c)."

Section 7. G.S. 19-1 reads as rewritten:

"**§ 19-1. What are nuisances under this Chapter.**

(a) The erection, establishment, continuance, maintenance, use, ownership or leasing of any building or place for the purpose of assignation, prostitution, gambling, illegal possession or sale of alcoholic beverages, illegal possession or sale of narcotic drugs as defined in the North Carolina Controlled Substances Act, or illegal possession or sale of obscene or lewd matter, as defined in this Chapter, shall constitute a nuisance.

(b) The erection, establishment, continuance, maintenance, use, ownership or leasing of any building or place wherein or whereon are carried on, conducted, or permitted repeated acts which create and constitute a breach of the peace shall constitute a nuisance.

(b1) The erection, establishment, continuance, maintenance, use, ownership or leasing of any building or place wherein or whereon are carried on, conducted, or permitted any activities or

conditions which violate any local ordinance pertaining to sexually oriented businesses shall constitute a nuisance.

(c) The building, ~~or place, or vehicle,~~ place, vehicle, or the ground itself, in or upon which a nuisance as defined in subsections ~~(a) or (b) above~~ (a), (b), or (b1) of this section is carried on, and the furniture, fixtures, and contents, are also declared a nuisance, and shall be enjoined and abated as hereinafter provided."

RE: Senate Bill 381 – Clean Campaign Act.

Senate Bill 381, introduced by Senator Gulley, would provide comprehensive public funding to candidates who agree to limit spending. The bill would go into effect for candidates in the year 2000 for Governor, Lieutenant Governor, other Council of State offices, and General Assembly.

Candidates for those offices would have the choice of participating in the Clean Election Act or of financing their campaigns with no spending limits. But the system is designed to provide enough public funding that candidates of ordinary wealth would want to choose it.

To participate in the Clean Election Act, a candidate must:

1. Demonstrate outreach abilities and public support from those who will be voting for the office by collecting a specified number of $5 qualifying contributions:
   - 6,000/Governor.
   - 3,000/Lt. Gov. and other Council of State.
   - 300/State Senate.
   - 200/State House.

2. Agree not to spend private money on the campaign.

3. Agree to strict spending limits designed to be practical but also to control the growth of campaign costs.

A candidate who is certified to participate in the North Carolina Clean Elections option would:

- Receive a specific amount of funding based upon the average amount spent over the last two election cycles. All participating candidates for the same office would get the same amount. That would be all that candidate could spend, unless outspent by a nonparticipating opponent.

AN EQUAL OPPORTUNITY/AFFIRMATIVE ACTION EMPLOYER

(OVER)

- Receive an additional amount of matching funding, if the candidate is outspent by nonparticipating opponents. These rescue funds could go up to a ceiling of double the Act's regular spending limits. (This provision would also match independent expenditures against the participating candidate.) This provision is a recognition that, under the U.S. Supreme Court rulings in *Buckley v. Valeo* and more recent cases, there can be no involuntary limits placed on spending by a billionaire or on independent expenditures.

- Return all unspent funds to the N.C. Clean Elections Fund.

The Clean Elections option would be financed by qualifying contributions of the candidates, by voluntary contributions, and by appropriations the General Assembly would be directed to make from the General Fund. The balance and the financing mechanism of the existing N.C. Candidates Financing Fund would be converted to the Clean Elections Fund. The Candidates Financing Fund has brought in $230,145 since 1988 through taxpayer contributions of their refunds on the State Income Tax Return and other contributions.

(The bill would not affect the N.C. Political Parties Financing Fund, which is supported by a $1 checkoff on the State Income Tax Return and goes to the two major parties.)

The Act would be administered by a newly created Commission on Election Practices. The Commission would consist of five members. They would be appointed by the Governor and confirmed by the General Assembly. No more than two commissioners could be members of the same political party and none could be elected officials or candidates. The Act would direct the Governor, with the advice and consent of the legislative leadership, to set up a nomination period to bring forth qualified individuals for appointment.

Effective immediately, the Act would change the current system by reducing the contribution limitation from $4,000/donor/donee/election to $500. It would also remove the exemption that political parties now have from the contribution limitation.

"**§ 163-278.62. Purpose and establishment of North Carolina Clean Election Act.**

"**§ 163-278.63. North Carolina Clean Election Fund established; sources of funding.**

(a) Establishment of Fund. -- The North Carolina Clean Election Act is established to finance the election campaigns of certified candidates for office and to pay administrative and enforcement costs of the Commission related to this Article. The Fund is a special, dedicated, nonlapsing fund. Any interest generated by the Fund is credited to the Fund. The Commission shall administer the Fund.

(b) Sources of Funding. -- Money received from the following sources must be deposited in the Fund:

(1) The qualifying contributions required of Clean Election Act candidates under G.S. 163-278.64, once submitted to the Commission;

(2) Other unspent Clean Election Act revenues distributed to any Clean Election Act candidate who does not remain a candidate until the primary or general election for which they were distributed, or such revenues that remain unspent by a candidate following the date of the primary election or general election for which they were distributed;

(3) Any money transferred to the Clean Election Fund from the North Carolina Candidates Financing Fund;

(4) Contributions made to the Clean Election Fund by individual taxpayers pursuant to G.S. 105-269.6;

(6) General Fund monies appropriated for the use of the Clean Election Fund by the General Assembly pursuant to subsection (c) of this section.

(c) Determination of Fund Amount. -- By April 1, 1999, and every two years thereafter, the Commission shall prepare and provide to the General Assembly a report documenting, evaluating, and making recommendations relating to the administration, implementation, and enforcement of the North Carolina Clean Election Act. In its report, the Commission shall set out the funds received to date, the expected needs of the Fund during the next election cycle, and the amount of the appropriation from the General Assembly that will be needed for the biennium. The General Assembly shall include in its appropriations from the General Fund that year at least the amount that the Commission states in its report will be needed. In addition, the General Assembly shall reserve for the first fiscal year of the biennium at least fifteen percent (15%) of the amount of funds the Commission states in its report that it will need during the biennium, to be used by the Commission to cover any disbursement under G.S. 163-278.64 in excess of the amount of its direct appropriation.

"**§ 163-278.64. Terms of participation.**

(a) Declaration of Intent. -- Any individual choosing to participate in the North Carolina Clean Election Act shall first file with the Commission a declaration of intent to participate in the Act as a candidate for a stated office. The declaration of intent shall be filed with the Commission prior to or during the qualifying period, except as provided under subsection (k) of this section, according to forms and procedures developed by the Commission. A candidate choosing to participate in the Clean Election Act must submit a declaration of intent prior to collecting any qualifying contributions under this Article.

A candidate who files a declaration of intent shall swear or affirm that the candidate has complied with and will continue to comply with Clean Election Act contribution and expenditure limits and will comply with all other requirements set forth in this Article, or promulgated by the Commission.

(b) Restrictions on Contributions and Expenditures for Participating Candidates. -- After becoming a participating candidate as defined by G.S. 163-278.61(6) and prior to certification, participating candidates shall not accept contributions, except for seed money contributions or qualifying contributions. A participating candidate shall limit expenditures and seed money contributions to the following amounts:

(1) For a candidate for Governor, two hundred thousand dollars ($200,000).

(2) For a candidate for Lieutenant Governor or other office in the Council of State, one hundred thousand dollars ($100,000).

(3) For a candidate for State Senator, six thousand dollars ($6,000).

(4) For a candidate for State Representative, four thousand dollars ($4,000).

(c) Qualifying Contributions. -- Participating candidates must obtain qualifying contributions as follows:

(1) For a candidate for Governor, at least 6,000 verified registered North Carolina voters shall have supported the candidacy by providing a qualifying contribution to that candidate.

(2) For a candidate for Lieutenant Governor or other office in the Council of State, at least 3,000 verified registered North Carolina voters shall have supported the candidacy by providing a qualifying contribution to that candidate.

(3) For a candidate for State Senator, at least 300 voters shall have supported the candidacy by providing a qualifying contribution to that candidate.

(4) For a candidate for State Representative, at least 200 voters shall have supported the candidacy by providing a qualifying contribution to that candidate.

No payment, gift, or anything of value shall be given in exchange for a qualifying contribution.

(d) Filing With the Commission. -- All participating candidates shall file qualifying contributions with the Commission during the qualifying period according to procedures developed by the Commission, except as provided under subsection (k) of this section.

(e) Certification of Clean Election Act Candidates. -- Upon receipt of a final submittal of qualifying contributions by a participating candidate, the Commission shall determine whether or not the candidate has:

(1) Signed and filed a declaration of intent to participate in this Article;

(2) Submitted the appropriate number of qualifying contributions;

(3) Qualified as a candidate under G.S. 163-106, 163-98, 163-122, 163-123, or 163-114;

(4) Complied with seed money contributions or expenditure restrictions; and

(5) Otherwise met the requirements for participation in this Article.

The Commission shall certify candidates complying with the requirements of this section as Clean Election Act candidates as soon as possible and no later than three days after final submittal of qualifying contributions.

Certified candidates shall comply with all requirements of this Article after certification and throughout the primary election and general election periods. Failure to do so is a violation of this Article.

(f) Restrictions on Contributions and Expenditures for Certified Candidates. -- After certification, a candidate shall limit campaign expenditures and debts to the revenues distributed to the candidate from the Fund and may not accept any contributions unless specifically authorized by the Commission, provided that a

candidate may accept in-kind contributions from political party executive committees, up to an aggregate value of ten percent (10%) of a candidate's public financing. All revenues distributed to certified candidates must be used for campaign-related purposes. The Commission shall publish guidelines outlining permissible campaign-related expenditures. A candidate shall return to the Fund any amount that is unspent and uncommitted at the time that person ceases to be a candidate before a primary or election for which the Fund money was distributed. A candidate shall return to the Fund any amount that was unspent and uncommitted after the date of the primary election or general election for which the Fund money was distributed.

(g) Timing of Fund Distribution. -- The Commission shall distribute to certified candidates revenues from the Fund in amounts determined under subsection (h) of this section in the following manner:

(1) Within three days after certification, for candidates certified before the first Monday in February of the election year, revenues from the Fund as if the candidates are in an uncontested primary election.

(2) Within three days after the first Monday in February of the election year, for primary election certified candidates, revenues from the Fund according to whether the candidate is in a contested or uncontested primary election, reduced by any amounts previously distributed under subdivision (1) of this subsection.

(3) Within the earlier of the following: within three days after the primary election, or within three days after the certification pursuant to G.S. 163-122, 163-123, or 163-98 of the first opposition candidate, for general election certified candidates, revenues from the Fund according to whether the candidate is in a contested general election. No funds are distributed for uncontested general elections.

Funds may be distributed to certified candidates under this section by any mechanism that is expeditious, ensures accountability, and safeguards the integrity of the Fund.

(h) Amount of Fund Distribution. -- By March 1, 1999, and no less frequently than every two or four years thereafter, as appropriate, the Commission shall determine the amount of funds to be distributed to participating candidates based on the type of election and office as follows:

(1) Contested Primary Elections. -- The amount of revenues to be distributed is the average amount of campaign expenditures made by each candidate during all contested primary election races for the immediately preceding two primary elections for that office, provided that each of the following shall be considered a separate office for purposes of calculating the average:

a. Governor.

b. Lieutenant Governor and other offices in the Council of State shall be considered together as one separate office.

c. All State Senator seats, except that the amount for a candidate in a two-seat district shall be double the amount for a candidate in a single-seat district.

d. All State Representative seats, except that the amount for a candidate in a two-seat district shall be double the amount for a candidate in a single-seat district, and the amount for a candidate in a three-seat district shall be triple the amount for a candidate in a single-seat district.

(2) Uncontested Primary Elections. -- The amount of revenues distributed is the average amount of campaign expenditures made by each candidate during all uncontested primary election races, or for contested races if the amount is lower, for the immediately preceding two primary elections for that office as defined in subdivision (1) of this subsection.

(3) Contested General Elections. -- The amount of revenues distributed is the average amount of campaign expenditures made by each candidate during all contested general election races each for the immediately preceding two general elections for that office as defined in subdivision (1) of this subsection.

(4) Uncontested General Elections. -- No revenues shall be distributed for uncontested general elections.

If the immediately preceding two election cycles do not contain sufficient electoral data, the Commission shall use information from the most recent applicable elections.

(i) Matching Funds. -- When any campaign, finance, or election report or group of reports show that the sum of a candidate's expenditures or obligations made, or funds raised or borrowed, whichever is greater, alone or in conjunction with expenditures made independently of the candidate to influence the election on behalf of the candidate or in opposition to an opposing Clean Election Act candidate, exceeds the distribution amount under subsection (h) of this section, the Commission shall issue immediately to any opposing Clean Election Act candidate an additional amount equivalent to the reported excess. Any estimate reported pursuant to subsection (m) of this section shall be treated as an expenditure for purposes of release of matching funds under this subsection. Matching funds are limited to two times the amount originally distributed under subdivision (1), (2), or (3) of subsection (h) whichever is applicable.

(j) Unaffiliated Candidates. -- Unaffiliated candidates certified pursuant to G.S. 163-122 before 12:00 noon on the first Monday in February of the election year shall be eligible for revenues from the Fund in the same amounts and at the same time as uncontested primary election candidates and general election candidates as specified in subsections (g) and (h) of this section. For unaffiliated candidates not certified by 12:00 noon on the first Monday in February, the deadline for filing qualifying contributions is 12:00 noon on the last Friday in June of the election year. Unaffiliated candidates certified after noon on the first Friday in February shall be

eligible for revenues from the Fund in the same amounts as general election candidates, as specified in subsections (g) and (h).

(k) Other Procedures. -- For races involving special elections, recounts, vacancies, withdrawals, or replacement candidates, the Commission shall establish by rule procedures for qualification, certification, disbursement of Fund revenues, and return of unspent Fund revenues.

(l) Reporting by Participating and Certified Candidates. -- Notwithstanding other provisions of law, participating and certified candidates shall report any money collected, all campaign expenditures, obligations, and related activities to the Commission according to procedures developed by the Commission. Upon the filing of a final report for any losing primary election, special election, or general election, each candidate who has revenues form the Fund remaining unspent shall return all revenues to the Commission. In developing these procedures, the Commission shall utilize existing campaign reporting procedures wherever practicable. The Commission shall ensure timely public access to campaign finance data and may utilize electronic means of reporting and storing information.

(m) Reporting by NonCertified Candidates. -- Any noncertified candidate who has as an opponent a certified candidate shall report to the Commission 20 days before any election an estimate of the amount that the noncertified candidate intends to spend. Any individual or political committee that intends to make expenditures to influence an election containing a certified candidate shall report to the Commission 20 days before the day of the election the amount that individual or political committee intends to spend to influence the election. Reports required by this subsection shall be made according to procedures which shall be developed by the Commission.

(n) Appeals. -- The procedure for challenging a certification decision by the Commission is as follows:

(1) A person aggrieved by a certification decision may appeal to the full Commission within three days of the certification decision. The appeal shall be in writing and shall set forth the reasons for the appeal.

(2) Within five days after an appeal is properly made, and after due notice is given to the parties, the Commission shall hold a hearing. The appellant has the burden of providing evidence to demonstrate that the Commission's decision was improper. The Commission shall rule on the appeal within three days after the completion of the hearing.

(3) The challenger or a candidate may appeal the decision of the Commission by commencing an action in superior court.

(4) Candidates whose certification by the Commission as a Clean Election Act candidate is revoked on appeal shall return to the Commission any unspent revenues distributed by the Fund. If the Commission or court finds that an appeal was made frivolously or to result in delay or hardship, the Commission or court may

sanction the moving party by requiring the party to pay costs of the Commission, court, and opposing parties, if any.

"**§ 163-278.65. The Commission on Election Practices.**

(a) Establishment of the Commission. -- There is established the North Carolina Commission on Election Practices.

(b) The Commission shall consist of five members to be appointed as follows:

(1) By March 31, 1998, and as needed thereafter, the Governor, with the advice of the President Pro Tempore of the Senate, and the Speaker of the House of Representatives shall establish and publish a nomination period for members of the public, groups, and organizations to nominate qualified individuals to the Governor for appointment to the Commission.

(2) The Governor shall appoint the members of the Commission, taking into consideration nominations made during the nomination period, subject to confirmation by the General Assembly by joint resolution. No more than two Commission members shall be affiliated with the same political party. No elected official or candidate for elective office shall be eligible to be a member of the Commission. The Commission members shall be appointed and confirmed by October 1, 1998.

(3) Of the initial appointees, two are appointed for one-year terms, two are appointed for two-year terms, and one is appointed for a three-year term according to random lot under the supervision of the Secretary of State. Thereafter, appointees are appointed to serve four-year terms. A person may not serve more than two full terms. The appointed members receive the legislative per diem pursuant to G.S. 120-3.1.

(4) One of the Commission members shall be elected by the members as chair.

(5) A vacancy during an unexpired term must be filled as provided in this subsection, but only for the unexpired portion of the term.

"**§ 163-278.66. Commission to adopt rules.**

The Commission shall adopt rules to ensure effective administration of this Article. Such rules shall include, but not be limited to, procedures for obtaining qualifying contributions, certification as a Clean Election Act candidate, addressing circumstances involving special elections, vacancies, recounts, withdrawals, or replacements, collection of revenues for the Fund, distribution of Fund revenue to certified candidates, return of unspent Fund disbursements, and compliance with the Clean Election Act.

"**§ 163-278.67. Violations.**

(a) Civil Penalty. -- In addition to any other penalties that may be applicable, any person who violates any provision of this Article is subject to a civil penalty of up to ten thousand dollars ($10,000) per violation. In addition to any fine, for good cause shown, a candidate found in violation of this Article may be required to return to the

Fund all amounts distributed to the candidate from the Fund. If the Commission makes a determination that a violation of this Article has occurred, the Commission shall impose a fine or transmit the finding to the Attorney General for prosecution. Fines paid under this section must be deposited in the Fund. In determining whether or not a candidate is in violation of the expenditure limits of this Article, the Commission may consider as a mitigating factor any circumstances out of the person's control.

(b) Class I Felony. -- Any person who willfully or knowingly violates this Article or rules of the Commission or knowingly makes a false statement in any report required by this Article is guilty of a Class I felony and, if certified as a Clean Election Act candidate, must return to the Fund all amounts distributed to the candidate."

Section 2. Article 22C of Chapter 163 of the General Statutes is repealed.

RE: **SENATE BILL 250 - CLARIFY PERFECTION OF SECURITY INTEREST IN AFTER ACQUIRED PROPERTY** - Senator Wellons

Senate Bill 250 would clarify that a security interest in after acquired real property can be created even if the instrument granting an interest in after acquired property is registered subsequent to the registration of property in which the interest is being acquired. This bill is a recommendation of the Real Property Section of the North Carolina Bar Association.

The bill amends G.S. 47-20.5(c) by permitting the original recording, in addition to rerecording, of the instrument containing an "after acquired property" clause in order to effect a security interest in property acquired after the execution of the granting document, but before its recordation. Current law provides that such a clause is valid as against lien creditor and purchasers for value after the instrument granting the after acquired interest is reregistered. The statute currently makes no provision for circumstances where the "after acquired property'" is acquired before the security instrument is recorded or registered. The language in this change is consistent with subsection (g) of this same section which currently refers to the registering or reregistering of the security instrument. A copy of G.S. 47-20.5 which includes the definition of after acquired property is attached.

The bill will become effective when it becomes law and will apply to instruments registered before, on, and after the effective date, but will not apply to pending litigation or instruments involved in pending litigation.

§47-20.5. Real property; effectiveness of after-acquired property clause.

(a) As used in this section, "after-acquired property clause" means any provision or provisions in an instrument which create a security interest in real property acquired by the grantor of the instrument subsequent to its execution.

(b) As used in this section, "after-acquired property," and "property subsequently acquired" mean any real property which the grantor of a security instrument containing an after-acquired property clause acquires subsequent to the execution of such instrument, and in which the terms of the after-acquired property clause would create a security interest.

(c) An after-acquired property clause is effective to pass after- acquired property as between the parties to the instrument containing such clause, but shall not be effective to pass title to after- acquired property as against lien creditors or purchasers for a valuable consideration from the grantor of the instrument unless and until such instrument has been reregistered at or subsequent to the time such after-acquired property is acquired by such grantor.

(d) In lieu of reregistering the instrument containing the after- acquired property clause as specified in subsection (c), such instrument may be made effective to pass title to after-acquired property as against lien creditors and purchasers for a valuable consideration from the grantor of the instrument by registering a notice of extension as specified in subsection (e) at or subsequent to the time of acquisition of the after-acquired property by the grantor.

(e) The notice of extension shall

(1) Show that effective registration of the after-acquired property clause is extended,

(2) Include the names of the parties to the instrument containing the after-acquired property clause,

(3) Refer to the book and page where the instrument containing the after-acquired property clause is registered, and

(4) Be signed by the grantee or the person secured by the instrument containing the after-acquired property clause or his successor in interest.

(f) The register of deeds shall index the notice of extension in the same manner as the instrument containing the after-acquired property clause.

(g) Except as provided in subsection (h) of this section, no instrument which has been heretofore executed or registered and which contains an after-acquired property clause shall be effective to pass title to after-acquired property as against lien creditors or purchasers for a valuable consideration from the grantor of such instrument unless and until such instrument or a notice of extension thereof has been registered or reregistered as herein provided.

(h) Notwithstanding the provisions of this section with respect to registration, reregistration and registration of notice of extension, an after-acquired property clause in an instrument which creates a security interest made by a public utility as defined in G.S. 62-3(23) or a natural gas company as defined in section 2(6) of the Natural Gas Act, 15 U.S.C.A. 717a(6), or by an electric or telephone membership corporation incorporated or domesticated in North Carolina shall be effective to pass after-acquired property as against lien creditors or purchasers for a valuable consideration from the grantor of the instrument from the time of original registration of such instrument. MEMORANDUM

TO: Senator Roy Cooper, Chair, Senate Judiciary Committee

FROM: O. Walker Reagan, Committee Co-Counsel

RE: **SENATE BILL 251 - CREATION OF EASEMENTS BY LANDOWNER -** Senator Wellons

Senate Bill 251 will permit landowners to record easements, restrictions and covenants over their own property even when the property owners own the entire interest in all the property effected. This bill is a recommendation of the Real Property Section of the North Carolina Bar Association.

This bill is an attempt to overturn a ruling by the North Carolina Court of Appeals in Tower Development Partners v. Zell, 120 NC App 136 (1995) which reaffirmed the common law of North Carolina that a person cannot have an easement (or presumably restrictions or covenants) on their own land under a doctrine of merger where the owner holds both the dominant and servient interest in the property. Prior to this case it had been presumed that the law in North Carolina was that property conveyed subject to prior recorded easements, restrictions, or covenants were subject to those covenants. This is the typical way that easements and restrictive covenants in subdivisions, townhouse and condominium developments, and planned unit developments are created in this state. The Tower decision put these types of arrangements and conveyances in doubt, resulting in considerable uncertain as to the state of title to a great amount of real property and the effectiveness of security interest held by lending institutions.

This bill would overturn the Tower decision and the common law and permit property owners to subject their real property to easements, restrictions, and covenants prior to conveying a part of their property to another person. This would allow these conditions to run with the land and apply to all subsequent owners, subjecting them to these recorded burdens and giving them the benefit of common restrictions. The bill affirms that the doctrine of merger would apply if the subjected property were recombined and the title to the affected tracts merged again into a common owner.

Because the owner of an undivided tract owns all the property that might be subject to these types of burdens, the owner would always have the right to change or remove any recorded easements, restrictions, or covenants before any of the land subject to these matters is conveyed to another person. Also because all such easements, restriction, or covenants must be recorded in the Register of Deeds office prior to becoming effective, all subsequent owners of the land will have record notice of these burdens and will buy the property such to these matters.

The bill becomes effective when it becomes law and applies to easements, restrictions, conditions or interests created before, on, or after the effective date but will not apply to pending litigation on the effective date, nor to instruments involved in pending litigation.

Senate Bill 285 makes it a Class H felony to conceal merchandise by using a lead lined or aluminum-lined bag, clothing, or other similar device to prevent detection. Assuming prior record level I, the presumptive minimum sentence for a Class H felony is 5-6 months community, intermediate, or active punishment.

Under current law, G. S. 14-72.1(e) provides that punishment for concealment of merchandise is as follows:

- For a first conviction, the defendant may be guilty of a Class 3 misdemeanor.
- For a second offense committed within three years after the date the defendant was convicted of an offense under this section, the defendant may be guilty of a Class 2 misdemeanor.
- For a third or subsequent offense committed within five years after the date the defendant was convicted of two other offenses under this section, the defendant may be guilty of a Class 1 misdemeanor.

A copy of the full-text of G.S. 14-72.1 is attached.

The bill becomes effective December 1, 1997 and applies to offenses committed on or after that date.

§ 14-72.1. Concealment of merchandise in mercantile establishments.

(a) Whoever, without authority, willfully conceals the goods or merchandise of any store, not theretofore purchased by such person, while still upon the premises of such store, shall be guilty of a misdemeanor and, upon conviction, shall be punished as provided in subsection (e). Such goods or merchandise found concealed upon or about the person and which have not theretofore been purchased by such person shall be prima facie evidence of a willful concealment.

(b) Repealed by Session Laws 1985 (Regular Session, 1986), c. 841, s. 2, effective October 1, 1986.

(c) A merchant, or the merchant's agent or employee, or a peace officer who detains or causes the arrest of any person shall not be held civilly liable for detention, malicious prosecution, false imprisonment, or false arrest of the person detained or arrested, where such detention is upon the premises of the store or in a reasonable proximity thereto, is in a reasonable manner for a reasonable length of time, and, if in detaining or in causing the arrest of such person, the merchant, or the merchant's agent or employee, or the peace officer had at the time of the detention or arrest probable cause to believe that the person committed the offense created by this section. If the person being detained by the merchant, or the merchant's agent or employee, is a minor under the age of 18 years, the merchant or the merchant's agent or employee, shall call or notify, or make a reasonable effort to call or notify the parent or guardian of the minor, during the period of detention. A merchant, or the merchant's agent or employee, who makes a reasonable effort to call or notify the parent or guardian of the minor shall not be held civilly liable for failing to notify the parent or guardian of the minor.

(d) Whoever, without authority, willfully transfers any price tag from goods or merchandise to other goods or merchandise having a higher selling price or marks said goods at a lower price or substitutes or superimposes thereon a false price tag and then presents said goods or merchandise for purchase shall be guilty of a misdemeanor and, upon conviction, shall be punished as provided in subsection (e).

Nothing herein shall be construed to provide that the mere possession of goods or the production by shoppers of improperly priced merchandise for checkout shall constitute prima facie evidence of guilt.

(e) Punishment. - For a first conviction under subsection (a) or (d), or for a subsequent conviction for which the punishment is not specified by this subsection, the defendant may be guilty of a Class 3 misdemeanor. The term of imprisonment may be suspended only on condition that the defendant perform community service for a term of at least 24 hours. RE: **SENATE BILL 117 - MODIFY TWO DMV DEFINITIONS**
Senator Gulley

House Bill 117 modifies the definitions of "out-of-state driving conviction" and "moped" used in the motor vehicle laws, as recommended by the Joint Legislative Transportation Oversight Committee.

Section 1 of the bill changes the definition of "out-of-state conviction" for drivers license purposes to include a plea of no contest. This change makes an out-of-state conviction the same as an in-state conviction with respect to no contest pleas. Under current law, a plea of no contest is specifically included in the definition of an in-state conviction.

Section 2 deletes the requirement that a moped have pedals. Apparently some mopeds that are currently manufactured do not have pedals.

Section 1 of the bill would become effective November 1, 1997, and would apply to offenses committed on or after that date.; Section 2 of the bill is effective when it becomes law.

The Board shall encourage the continued operation of all present programs that meet the standards approved by the Board.

(b) Any organization, association, corporation, or institution may establish a program for the purpose of training or educating any nurse licensed under G.S. 90-171.30, 90-171.32, or 90-171.33 in the skills, procedures, and techniques necessary to

Section 3. G.S. 58-50-25 reads as rewritten:

(a) No agency, institution or physician providing a service for which payment or reimbursement is required to be made under a policy governed by Articles 1 through 64 of this Chapter shall be denied such payment or reimbursement on account of the fact that such services were rendered through a registered nurse acting under authority of rules and regulations adopted by the North Carolina Medical Board and the Board of Nursing pursuant to G.S. 90-6 and 90-171.23.

(d) Upon an adverse determination by the Secretary on a claim for medical expenses, a victim is entitled to judicial review of that decision. The person seeking review shall file a petition in the Superior Court of Wake County.

(e) In lieu of any payment which may otherwise have been made under subsection (b), assistance for expenses authorized under this section may be paid directly to any licensed nurse who has successfully completed a program approved under G.S. 90-171.38(b). MEMORANDUM

TO: Senator Roy Cooper, Chair, Senate Judiciary Committee

FROM: Brenda J. Carter, Committee Co-Counsel

RE: **SENATE BILL 667 - AMEND STALKING LAW**
Senator Reeves

Senate Bill 667 would redefine the criminal offense of stalking and increase the penalty for the offense.

The anti-stalking law was passed by the General Assembly in 1992 and became effective October 1, 1992. It was intended to provide a criminal charge for harassment or other conduct that may not constitute a traditional crime such as assault, communicating threats, and trespass.

Under current law, the offense of stalking is committed when a person willfully, on more than one occasion, follows or is in another person's presence without legal purpose, with the intent to cause emotional distress by placing that person in reasonable fear of death or bodily injury. Senate Bill 667 would eliminate provisions in the current law that require that the offender must have been given "reasonable warning or request to desist" and that the acts "constitute a pattern of conduct over a period of time evidencing a continuity of purpose."

Senate Bill 667 would also increase the penalty for the offense. It would raise stalking from a Class 2 to a Class 1 misdemeanor, which would allow a judge to impose an active sentence if an offender has at least 1 prior conviction. A Class 2 allows an active sentence only if the person has 5 or more prior convictions. The bill also provides that a person who commits the offense of stalking when there is a court order in effect prohibiting similar behavior is guilty of a Class A1 misdemeanor (currently Class 1). A Class A1 misdemeanor gives the judge the full range of sentencing options at all levels. A copy of the misdemeanor sentencing chart is shown on the reverse side of this memorandum.

The bill would become effective December 1, 1997 and apply to offenses occurring on or after that date.

§ 50B-1. Domestic violence; definition.

(a) Domestic violence means the commission of one or more of the following acts upon an aggrieved party or upon a minor child residing with or in the custody of the aggrieved party by a person with whom the aggrieved party has or has had a familial relationship, but does not include acts of self-defense:

(1) Attempting to cause bodily injury, or intentionally causing bodily injury; or

(2) Placing the aggrieved party or a member of the aggrieved party's family or household in fear of imminent serious bodily injury; or

(3) Committing any act defined in G.S. 14-27.2 through G.S. 14-27.7.

(b) For purposes of this section, the term "familial relationship" means a relationship wherein the parties involved:

(1) Are current or former spouses;

(2) Are persons of opposite sex who live together or have lived together;

(3) Are parents, grandparents, or others acting in loco parentis to a minor child, or children and grandchildren;

(4) Have a child in common.

§ 50B-2. Institution of civil action; motion for emergency relief; temporary orders.

(a) Any person residing in this State may seek relief under this Chapter by filing a civil action or by filing a motion in any existing action filed under Chapter 50 of the General Statutes alleging acts of domestic violence against himself or herself or a minor child who resides with or is in the custody of such person. Any aggrieved party entitled to relief under this Chapter may file a civil action and proceed pro se, without the assistance of legal counsel. The district court division of the General Court of Justice shall have original jurisdiction over actions instituted under this Chapter.

(b) Emergency Relief. -- A party may move the court for emergency relief if he or she believes there is a danger of serious and immediate injury to himself or herself or a minor child. A hearing on a motion for emergency relief, where no ex parte order is entered, shall be held after five days' notice of the hearing to the other party or after five days from the date of service of process on the other party, whichever occurs first, provided, however, that no hearing shall be required if the service of process is not completed on the other party. If the party is proceeding pro se and does not request an ex parte hearing, the clerk shall set a date for hearing and issue a notice of hearing within the time periods provided in this subsection, and shall effect service of the summons, complaint, notice, and other papers through the appropriate law enforcement agency where the defendant is to be served, upon payment of the required service fees.

(c) Ex Parte Orders. -- Prior to the hearing, if it clearly appears to the court from specific facts shown, that there is a danger of acts of domestic violence against the aggrieved party or a minor child, the court may enter such orders as it deems necessary to protect the aggrieved party or minor children from such acts provided, however, that a temporary order for custody ex parte and prior to service of process and notice shall not be entered unless the court finds that the child is exposed to a substantial risk of bodily injury or sexual abuse. Upon the issuance of an ex parte order under this subsection, a hearing shall be held within 10 days from the date of issuance of the order or within seven days from the date of service of process on the other party, whichever occurs later. If an aggrieved party acting pro se requests ex parte relief, the clerk of superior court shall schedule an ex parte hearing with the district court division of the General Court of Justice within 72 hours of the filing for said relief, or by the end of the next day on which the district court is in session in the county in which the action was filed, whichever shall first occur. If the district court is not in session in said county, the aggrieved party may contact the clerk of superior court in any other county within the same judicial district who shall schedule an ex parte hearing with the district

court division of the General Court of Justice by the end of the next day on which said court division is in session in that county. Upon the issuance of an ex parte order under this subsection, if the party is proceeding pro se, the Clerk shall set a date for hearing and issue a notice of hearing within the time periods provided in this subsection, and shall effect service of the summons, complaint, notice, order and other papers through the appropriate law enforcement agency where the defendant is to be served, upon payment of the required service fees.

(c1) Ex Parte Orders by Authorized Magistrate. -- The chief district court judge may authorize a magistrate or magistrates to hear any motions for emergency relief ex parte. Prior to the hearing, if the magistrate determines that at the time the party is seeking emergency relief ex parte the clerk of superior court is not available, the district court is not in session, and a district court judge is not and will not be available to hear the motion for a period of four or more hours, the motion may be heard by the magistrate. If it clearly appears to the magistrate from specific facts shown that there is a danger of acts of domestic violence against the aggrieved party or a minor child, the magistrate may enter such orders as it deems necessary to protect the aggrieved party or minor children from such acts, except that a temporary order for custody ex parte and prior to service of process and notice shall not be entered unless the magistrate finds that the child is exposed to a substantial risk of bodily injury or sexual abuse. An ex parte order entered under this subsection shall expire and the magistrate shall schedule an ex parte hearing before a district court judge within 72 hours of the filing for relief under this subsection, or by the end of the next day on which the district court is in session in the county in which the action was filed, whichever occurs first. A party who has paid court costs due for seeking an order from the magistrate under this subsection shall not be liable for court costs for a hearing before the district court judge scheduled and heard pursuant to an order entered by the magistrate under this subsection. Ex parte orders entered by the district court judge pursuant to this subsection shall be entered and scheduled in accordance with subsection (c) of this section.

(c2) The authority granted to authorized magistrates to award temporary child custody to pursuant subsection (c1) of this section and pursuant to G.S. 50B-3(a)(4) is granted subject to custody rules to be established by the supervising chief district judge of each judicial district.

(d) Pro Se Forms. -- The clerk of superior court of each county shall provide to pro se complainants all forms which are necessary or appropriate to enable them to proceed pro se pursuant to this section. The Clerk shall provide a supply of pro se forms to authorized magistrates who shall make the forms available to complainants seeking relief under subsection (c1) of this section.

§ 50B-3. Relief.

(a) The court, including magistrates as authorized under G.S. 50B-2(c1), may grant any protective order or approve any consent agreement to bring about a cessation of acts of domestic violence. The orders or agreements may:

(1) Direct a party to refrain from such acts;
(2) Grant to a party possession of the residence or household of the parties and exclude the other party from the residence or household;
(3) Require a party to provide a spouse and his or her children suitable alternate housing;
(4) Award temporary custody of minor children and establish temporary visitation rights;
(5) Order the eviction of a party from the residence or household and assistance to the victim in returning to it;
(6) Order either party to make payments for the support of a minor child as required by law;

(7) Order either party to make payments for the support of a spouse as required by law;
(8) Provide for possession of personal property of the parties;
(9) Order a party to refrain from doing any or all of the following:
a. Threatening, abusing, or following the other party,
b. Harassing the other party, including by telephone, visiting the home or workplace, or other means, or
c. Otherwise interfering with the other party;
(10) Award costs and attorney's fees to either party;
(11) Prohibit a party from purchasing a firearm for a time fixed in the order;
(12) Order any party the court finds is responsible for acts of domestic violence to attend and complete an abuser treatment program if the program is available within a reasonable distance of that party's residence and is approved by the Department of Administration; and
(13) Include any additional prohibitions or requirements the court deems necessary to protect any party or any minor child.

(b) Protective orders entered or consent orders approved pursuant to this Chapter shall be for a fixed period of time not to exceed one year. Upon application of the aggrieved party, a judge may renew the original or any succeeding order for up to one additional year. Protective orders entered or consent orders approved shall not be mutual in nature except where both parties file a claim and the court makes detailed findings of fact indicating that both parties acted as aggressors, that neither party acted primarily in self-defense, and that the right of each party to due process is preserved.

(c) A copy of any order entered and filed under this Article shall be issued to each party. In addition, a copy of the order shall be issued to and retained by the police department of the city of the victim's residence. If the victim does not reside in a city or resides in a city with no police department, copies shall be issued to and retained by the sheriff, and the county police department, if any, of the county in which the victim resides.

(d) The sheriff of the county where a domestic violence order is entered shall provide for immediate entry of the order onto the Division of Criminal Information Network and shall provide for access of such orders to magistrates on a 24-hour-a-day basis. Modifications of the order shall also be entered.

§ 50B-4. Enforcement of orders.

(a) A party may file a motion for contempt for violation of any order entered pursuant to this Chapter. Said party may file and proceed with such motion pro se, using forms provided by the clerk of superior court or a magistrate authorized under G.S. 50B-2(c1). Upon the filing pro se of a motion for contempt under this subsection, the clerk, or the authorized magistrate, if the facts show clearly that there is danger of acts of domestic violence against the aggrieved party or a minor child and the motion is made at a time when the clerk is not available, shall schedule and issue notice of a show cause hearing with the district court division of the General Court of Justice at the earliest possible date pursuant to G.S. 5A-23. The Clerk, or the magistrate in the case of notice issued by the magistrate pursuant to this subsection, shall effect service of the motion, notice, and other papers through the appropriate law enforcement agency where the defendant is to be served, upon payment of the required service fees.

(b) A law-enforcement officer shall arrest and take a person into custody without a warrant or other process if the officer has probable cause to believe that the person has violated a court order excluding the person from the residence or household occupied by a victim of domestic violence or directing the person to refrain from doing any or all of the acts specified in G.S. 50B-3(a)(9), and if the victim, or someone acting on the

victim's behalf, presents the law-enforcement officer with a copy of the order or the officer determines that such an order exists, and can ascertain the contents thereof, through phone, radio or other communication with appropriate authorities. Nothing in this section shall prohibit a law-enforcement officer from securing a warrant for the arrest of a person who is subject to warrantless arrest. The person arrested shall be brought before the appropriate district court judge at the earliest time possible to show cause why he or she should not be held in civil or criminal contempt for violation of the order. The person arrested shall be entitled to be released under the provisions of Article 26, Bail, of Chapter 15A of the General Statutes.

(c) Valid protective orders entered pursuant to this section shall be enforced by all North Carolina law-enforcement agencies without further order of the court.

(d) Valid protective orders entered by the courts of another state or Indian tribe shall be accorded full faith and credit by the courts of North Carolina and shall be enforced by the law-enforcement agencies of North Carolina.

§ 15A-534.1. Crimes of domestic violence; bail and pretrial release.

(a) In all cases in which the defendant is charged with assault on or communicating a threat to a spouse or former spouse or a person with whom the defendant lives or has lived as if married, with domestic criminal trespass, or with violation of an order entered pursuant to Chapter 50B, Domestic Violence, of the General Statutes, the judicial official who determines the conditions of pretrial release shall be a judge, and the following provisions shall apply in addition to the provisions of G.S. 15A-534:

(1) Upon a determination by the judge that the immediate release of the defendant will pose a danger of injury to the alleged victim or to any other person or is likely to result in intimidation of the alleged victim and upon a determination that the execution of an appearance bond as required by G.S. 15A-534 will not reasonably assure that such injury or intimidation will not occur, a judge may retain the defendant in custody for a reasonable period of time while determining the conditions of pretrial release.

(2) A judge may impose the following conditions on pretrial release:
   a. That the defendant stay away from the home, school, business or place of employment of the alleged victim;
   b. That the defendant refrain from assaulting, beating, molesting, or wounding the alleged victim;
   c. That the defendant refrain from removing, damaging or injuring specifically identified property;
   d. That the defendant may visit his or her child or children at times and places provided by the terms of any existing order entered by a judge.

   The conditions set forth above may be imposed in addition to requiring that the defendant execute a secured appearance bond.

(3) Should the defendant be mentally ill and dangerous to himself or others or a substance abuser and dangerous to himself or others, the provisions of Article 5 of Chapter 122C of the General Statutes shall apply.

(b) A defendant may be retained in custody not more than 48 hours from the time of arrest without a determination being made under this section by a judge. If a judge has not acted pursuant to this section within 48 hours of arrest, the magistrate shall act under the provisions of this section. MEMORANDUM

TO: Senator Roy Cooper, Chair, Senate Judiciary Committee

FROM: O. Walker Reagan, Committee Co-Counsel

RE: **SENATE BILL 627 - DOMESTIC VIOLENCE CHANGES** - Senator Miller

Senate Bill 627 amends the definition of "familial relationship" under the domestic violence act to include current and former members of the household and persons dating or who have dated. The bill also clarifies the definition related to the relationship between children, parents, and grandparents under this law. Additionally the bill eliminates the criteria of whether the clerk of court is available before the magistrate may issue a domestic violence order.

Section 1 of the bill amends the "familiar relationship" definition involving the relationship between children, parents (including person acting in loco parentis) and grandparents, by clarifying that the relationship must be either between parent and child, or grandparent and grandchild. This provision says that this method for relief is not available as against a child under the age of 16. This section also expands the definition of "familial relationship" to include current or former household members, and persons involved or previously involved in a dating relationship. This section defines a "dating relationship" as one where the parties are romantically involved over a period of time and on a continuous basis. It specifically excludes casual acquaintances or ordinary fraternization between persons in a business or social context.

Section 2 deletes reference to the clerk of court in circumstances where a magistrate is authorized to hear motions for emergency relief ex parte (with only one party present) under the domestic violence statute. Current law requires that before a magistrate may act the clerk of court must not be available, district court not be in session, and a district court judge not be able to hear the motion for four hours or more. This section deletes reference to the clerk who is not otherwise authorized by law to conduct the hearing or enter orders in these circumstances.

The bill becomes effective December 1, 1997 and applies to offense committed on or after that date.

MEMORANDUM

TO: Senator Roy Cooper, Chair, Senate Judiciary Committee

FROM: O. Walker Reagan, Committee Co-Counsel

RE: **SENATE BILL 515 - PRELITIGATION INSURANCE INFORMATION / MEDIATION** - Senator Dalton

Senate Bill 515 would establish a method for an injured party to obtain information on policy coverage and policy limits from an insurance company in exchange for the injured party being willing to enter into mediation on the claim prior to filing suit.

Section 1 of the bill requires an insurer to furnish information concerning the policy provisions and policy limits to a person who claims to have been injured or damaged by another covered by the insurance policy provided that the injured person agrees to participate in mediation of the claim prior to litigation. Once the injured person has agreed to mediation the insurer is required to furnish the information within 30 days.

The information the insurer is required to provided under Section 1 would be discoverable by a party to a lawsuit after the lawsuit is filed under current law. Even though the information is disclosed either under this bill or through discovery, the insurance information is not by reason of this disclosure admissible in evidence in a trial, and generally is not admissible in personal injury or property damages cases.

Section 2 establishes the procedures for prelitigation of insurance claims. The mediation is initiated by the insurer after having provided the insurance information to the injured party as required under Section 1 of the bill. The costs of mediation are to be paid by the insurer. The mediation shall be conducted in accordance with the standard mediation procedures for civil cases in accordance with rules adopted by the Supreme Court to carry out this law. Once the mediation is concluded, the mediator files a certification on the mediation with the clerk. Time periods including any statutes

of limitation are suspended during the mediation and for a period of 30 days after the mediation concludes.

This bill is effective when it becomes law and applies to injuries and property damage that occurs on or after the effective date.

§1A-1. Rules of Civil Procedure.

Rule 26. General provisions governing discovery.

(a) Discovery methods. -- Parties may obtain discovery by one or more of the following methods: depositions upon oral examination or written questions; written interrogatories; production of documents or things or permission to enter upon land or other property, for inspection and other purposes; physical and mental examinations; and requests for admission.

(b) Discovery scope and limits. -- Unless otherwise limited by order of the court in accordance with these rules, the scope of discovery is as follows:

(1) In General. -- Parties may obtain discovery regarding any matter, not privileged, which is relevant to the subject matter involved in the pending action, whether it relates to the claim or defense of the party seeking discovery or to the claim or defense of any other party, including the existence, description, nature, custody, condition and location of any books, documents, or other tangible things and the identity and location of persons having knowledge of any discoverable matter. It is not ground for objection that the information sought will be inadmissible at the trial if the information sought appears reasonably calculated to lead to the discovery of admissible evidence nor is it grounds for objection that the examining party has knowledge of the information as to which discovery is sought.

The frequency or extent of use of the discovery methods set forth in section (a) shall be limited by the court if it determines that: (i) the discovery sought is unreasonably cumulative or duplicative, or is obtainable from some other source that is more convenient, less burdensome, or less expensive; (ii) the party seeking discovery has had ample opportunity by discovery in the action to obtain the information sought; or (iii) the discovery is unduly burdensome or expensive, taking into account the needs of the case, the amount in controversy, limitations on the parties' resources, and the importance of the issues at stake in the litigation. The court may act upon its own initiative after reasonable notice or pursuant to a motion under section (c).

(2) Insurance Agreements. -- A party may obtain discovery of the existence and contents of any insurance agreement under which any person carrying on an insurance business may be liable to satisfy part or all of a judgment which may be entered in the action or to indemnify or reimburse for payments made to satisfy the judgment. Information concerning the insurance agreement is not by reason of disclosure admissible in evidence at trial. For purposes of this subsection, an application for insurance shall not be treated as part of an insurance agreement.

A BILL TO BE ENTITLED

AN ACT TO REQUIRE INSURERS TO PROVIDE INFORMATION PRIOR TO LITIGATION REGARDING POLICY PROVISIONS AND POLICY LIMITS UPON WRITTEN REQUEST AND TO GIVE AN INSURER WHO PROVIDES SUCH INFORMATION THE OPTION OF INITIATING MEDIATION WITH THE PERSON WHO SOUGHT THE INFORMATION.

The General Assembly of North Carolina enacts:

Section 1. Article 3 of Chapter 58 of the General Statutes is amended by adding a new section to read:

"**§ 58-3-33. Insurer required to provide information.**

Upon receiving a written request for information regarding policy provisions or policy limits by any person who claims to have been physically injured or incurred property damage subject to the policy, an insurance company shall notify the person within five business days, on a form developed by the Department, that the insurer is required to provide this information under this section prior to litigation only if the person seeking the information gives written consent to participate in mediation of the person's claim subject to the policy pursuant to G.S. 7A-38.4. Within 30 days of receiving the person's written consent to participate in mediation pursuant to G.S. 7A-38.4, the insurer shall provide the policy limits and a copy of the policy to that person."

Section 2. Article 5 of Chapter 7A of the General Statutes is amended by adding a new section to read:

"**§ 7A-38.4. Prelitigation of insurance claims.**

(a) Initiation of Mediation. -- Prelitigation mediation of an insurance claim may be initiated by an insurer that has provided the policy limits and a copy of the policy in accordance with G.S. 58-3-33 by filing a request for mediation with the clerk of superior court in a county in which the action may be brought. The insurer also shall mail a copy of the request by certified mail, return receipt requested, to the person who requested the information under G.S. 58-3-33.

(b) Costs of Mediation. -- Costs of mediation, including the mediator's fees, shall be borne by the insurer. When a party to the mediation is represented by an attorney, that party shall pay his or her attorneys' fees.

(c) Mediation Procedure. -- Except as otherwise expressly provided in this section, mediation under this section shall be conducted in accordance with the provisions for mediated settlement of civil cases in G.S. 7A-38.1 and G.S. 7A-38.2 and rules and standards adopted pursuant to those sections. The Supreme Court may adopt additional rules and standards to implement this section, including an exemption from the provisions of G.S. 7A-38.1 for cases in which mediation was attempted under this section.

(d) Certification That Mediation Concluded. -- Upon the conclusion of mediation, the mediator shall prepare a certification stating the date on which the mediation was concluded and the general results of the mediation, including, as applicable, that an agreement was reached, that mediation was attempted but an agreement was not reached, or that one or more parties, to be specified in the certification, failed or refused, without good cause, to attend one or more mediation meetings or otherwise participate in the mediation. The mediator shall file the original of the certification with the clerk and provide a copy to each party. Each party to the mediation has satisfied the requirements of this section upon the filing of the certification, except any party specified in the certification as having failed or refused to attend one or more mediation meetings or otherwise participate. The sanctions in G.S. 7A-38.1(g) do not apply to prelitigation mediation conducted under this section.

(e) Time Periods Tolled. -- Time periods relating to the filing of a claim or the taking of other action with respect to an insurance claim, including any applicable statutes of limitations, shall be tolled upon the filing of a request for mediation under this section, until 30 days after the date on which the mediation is concluded as set forth in the mediator's certification, or if the mediator fails to set forth such date, until 30 days after the filing of the certification under subsection (d) of this section."

Section 3. This act is effective when it becomes law and applies to physical injury or property damage that is incurred on or after that date.

of timely appellate decisions would provide...State government is issuing numerous regulations, which often require clarification in the courts...And, the public is more litigious and dissatisfied with the pace and process of civil cases.

If the civil justice system does not change to meet these challenges, it will become a fragmented and chaotic mix of different processes for resolving disputes. Such a mixture will produce inconsistent and inefficient results, causing public confidence to continue to drop.

Instead, North Carolina must create a coordinated and coherent civil justice system structured to fairly, expeditiously, and effectively resolve disputes. The system must have the responsibility and authority to control the forum and method of dispute resolution—and it should discourage use of the courts to redress grievances that should be resolved elsewhere.

"Courts should be the last resort for resolving disputes."

■

Representative, Mediation Group

To achieve these ends, North Carolina must:

- Continue to expand beyond a court-centered adversarial system of justice to include different means of dispute resolution
- Encourage the use of those other, nonadversarial means of dispute resolution so that the traditional court process is the least utilized and the last resort
- Make the different forms of dispute resolution accessible and convenient
- Promote prompt resolution, with the least delay and expense
- Create an adaptable and flexible system to deal with a wide variety of disputes in the most appropriate way

If North Carolina's courts can accomplish those goals, they will regain the public's acceptance, confidence and support. The following recommendations will start that process.

RECOMMENDATION 1: **Adopt effective case management techniques that include full use of alternative dispute resolution.**

The principal goal of the trial court in civil cases should be the fair, efficient, economical and timely resolution of disputes. To achieve this goal, the court system must accept the responsibility for case management and employ proven information technology and management techniques that support its effectiveness.

Too often the courts have relied on the parties' lawyers to manage the pace of litigation—an arrangement that has proven inadequate. The courts themselves must be responsible for the system's effective operation and, as part of that responsibility, adopt more effective case management practices at all levels. The case management system should:

- Be implemented statewide
- Set and meet definite goals
- Place responsibility on specific individuals and hold those individuals accountable for results
- Take early control of the cases and retain control throughout the process
- Limit continuances within narrow guidelines
- Provide mandatory training in effective case management techniques to all court personnel with such responsibilities
- Employ sophisticated computer and video technology to monitor cases and share information among the various courts
- Devise alternatives—technological or otherwise—to mandatory attendance in person at all conferences and hearings

amount in controversy, limitations on the parties' resources, and the importance of the issues at stake in the litigation. The court may act upon its own initiative after reasonable notice or pursuant to a motion under section (c).

(2) Insurance Agreements. — A party may obtain discovery of the existence and contents of any insurance agreement under which any person carrying on an insurance business may be liable to satisfy part or all of a judgment which may be entered in the action or to indemnify or reimburse for payments made to satisfy the judgment. Information concerning the insurance agreement is not by reason of disclosure admissible in evidence at trial. For purposes of this subsection, an application for insurance shall not be treated as part of an insurance agreement.

(3) Trial Preparation; Materials. — Subject to the provisions of subsection (b)(4) of this rule, a party may obtain discovery of documents and tangible things otherwise discoverable under subsection (b)(1) of this rule and prepared in anticipation of litigation or for trial by or for another party or by or for that other party's consultant, surety, indemnitor, insurer, or agent only upon a showing that the party seeking discovery has substantial need of the materials in the preparation of his case and that he is unable without undue hardship to obtain the substantial equivalent of the materials by other means. In ordering discovery of such materials when the required showing has been made, the court may not permit disclosure of the mental impressions, conclusions, opinions, or legal theories of an attorney or other representative of a party concerning the litigation in which the material is sought or work product of the attorney or attorneys of record in the particular action.

A party may obtain without the required showing a statement concerning the action or its subject matter previously made by that party. Upon request, a person not a party may obtain without the required showing a statement concerning the action or its subject matter previously made by that person. If the request is refused, the person may move for a court order. The provisions of Rule 37(a)(4) apply to the award of expenses incurred in relation to the motion. For purposes of this paragraph, a statement previously made is (i) a written statement signed or otherwise adopted or approved by the person making it, or (ii) a stenographic, mechanical, electrical, or other recording, or a transcription thereof, which is a substantially verbatim recital of an oral statement by the person making it and contemporaneously recorded.

(4) Trial Preparation; Experts. — Discovery of facts known and opinions held by experts, otherwise discoverable under the provisions of subsection (b)(1) of this rule and acquired or developed in anticipation of litigation or for trial, may be obtained only as follows:

a. 1. A party may through interrogatories require any other party to identify each person whom the other party expects to call as an expert witness at trial, to state the subject matter on which the expert is expected to testify, and to state the sub-

pointed for an initial term of two years. Members may serve no more than two consecutive terms. The Chief Justice shall designate one of the judge members to serve as chair for a two-year term. Members of the Commission shall be compensated pursuant to G.S. 138-5.

(d) An administrative fee, not to exceed two hundred dollars ($200.00), may be charged by the Administrative Office of the Courts to applicants for certification and annual renewal of certification for mediators and mediation training programs operation under this Article. The fees collected may be used by the Director of the Administrative Office of the Courts to establish and maintain the operations of the Commission and its staff. (1995, c. 500, s. 1.)

Editor's Note. — Session Laws 1995, c. 500, s. 6 provides that s. 3, which added this section, is effective October 1, 1995, and shall apply, after the Supreme Court has adopted rules implementing the act, to all superior court civil actions filed in any county after the date the program is implemented in that county. The act also applies to all previously filed actions which are or have been specifically ordered to a mediated settlement conference by a senior resident superior court judge under G.S. 7A-38 prior to its repeal.

Session Laws 1995, c. 500, s. 5, contains a severability clause.

§ 7A-38.3. Prelitigation mediation of farm nuisance disputes.

(a) Definitions. — As used in this section:

(1) "Farm nuisance dispute" means a claim that the farming activity of a farm resident constitutes a nuisance.

(2) "Farm resident" means a person holding an interest in fee, under a real estate contract, or under a lease, in land used for farming activity when that person manages the operations on the land.

(3) "Farming activity" means the cultivation of farmland for the production of crops, fruits, vegetables, ornamental and flowering plants, and the utilization of farmland for the production of dairy, livestock, poultry, and all other forms of agricultural products having a domestic or foreign market.

(4) "Mediator" means a neutral person who acts to encourage and facilitate a resolution of a farm nuisance dispute.

(5) "Nuisance" means an action that is injurious to health, indecent, offensive to the senses, or an obstruction to the free use of property.

(6) "Party" means any person having a dispute with a farm resident.

(7) "Person" means a natural person, or any corporation, trust, or limited partnership as defined in G.S. 59-102.

(b) Voluntary Mediation. — The parties to a farm nuisance dispute may agree at any time to mediation of the dispute under the provisions of this section.

(c) Mandatory Mediation. — Prior to bringing a civil action involving a farm nuisance dispute, a farm resident or any other party shall initiate mediation pursuant to this section. If a farm resident or any other party brings an action involving a farm nuisance dispute, this action shall, upon the motion of any party prior to trial, be dismissed without prejudice by the court unless any one or more of the following apply:

(1) The dispute involves a claim that has been brought as a class action.

(2) The nonmoving party has satisfied the requirements of this section and such is indicated in a mediator's certification issued under subsection (g) of this section.

(3) The court finds that a mediator improperly failed to issue a certification indicating that the nonmoving party satisfied the requirements of this section.

(4) The court finds good cause for a failure to attempt mediation. Good cause includes, but is not limited to, a determination that the time delay required for mediation would likely result in irreparable harm or that injunctive relief is otherwise warranted.

(d) Initiation of Mediation. — Prelitigation mediation of a farm nuisance dispute shall be initiated by filing a request for mediation with the clerk of superior court in a county in which the action may be brought. The Administrative Office of the Courts shall prescribe a request for mediation form. The party filing the request for mediation also shall mail a copy of the request by certified mail, return receipt requested, to each party to the dispute. The clerk shall provide each party with a list of mediators certified by the Dispute Resolution Commission. If the parties agree in writing to the selection of a mediator from that list, the clerk shall appoint that mediator selected by the parties. If the parties do not agree on the selection of a mediator, the party filing the request for mediation shall bring the matter to the attention of the clerk, and a mediator shall be appointed by the senior resident superior court judge. The clerk shall notify the mediator and the parties of the appointment of the mediator.

(e) Mediation Procedure. — Except as otherwise expressly provided in this section, mediation under this section shall be conducted in accordance with the provisions for mediated settlement of civil cases in G.S. 7A-38.1 and G.S. 7A-38.2 and rules and standards adopted pursuant to those sections. The Supreme Court may adopt additional rules and standards to implement this section, including an exemption from the provisions of G.S. 7A-38.1 for cases in which mediation was attempted under this section.

(f) Waiver of Mediation. — The parties to the dispute may waive the mediation required by this section by informing the mediator of their waiver in writing. No costs shall be assessed to any party if all parties waive mediation prior to the occurrence of an initial mediation meeting.

(g) Certification That Mediation Concluded. — Immediately upon a waiver of mediation under subsection (f) of this section or upon the conclusion of mediation, the mediator shall prepare a certification stating the date on which the mediation was concluded and the general results of the mediation, including, as applicable, that the parties waived the mediation, that an agreement was reached, that mediation was attempted but an agreement was not reached, or that one or more parties, to be specified in the certification, failed or refused without good cause to attend one or more mediation meetings or otherwise participate in the mediation. The mediator shall file the original of the certification with the clerk and provide a copy to each party. Each party to the mediation has satisfied the requirements of this section upon the filing of the certification, except any party specified in the certification as having failed or refused to attend one or more mediation meetings or otherwise participate. The sanctions in G.S. 7A-38.1(g) do not apply to prelitigation mediation conducted under this section.

(h) Time Periods Tolled. — Time periods relating to the filing of a claim or the taking of other action with respect to a farm nuisance dispute, including any applicable statutes of limitations, shall be tolled upon the filing of a request for mediation under this section, until 30 days after the date on which the mediation is concluded as set forth in the mediator's certification, or if the mediator fails to set forth such date, until 30 days after the filing of the certification under subsection (g) of this section. (1995, c. 500, s. 1.)

Editor's Note. — Session Laws 1995, c. 500, s. 6 provides that s. 3, which added this section, is effective October 1, 1995, and shall apply, after the Supreme Court has adopted rules implementing the act, to all superior court civil actions filed in any county after the date the program is implemented in that county. The act also applies to all previously filed actions which are or have been specifically ordered to a mediated settlement conference by a senior resident superior court judge under G.S. 7A-38 prior to its repeal.

Session Laws 1995, c. 500, s. 5, contains a severability clause.

A BILL TO BE ENTITLED

AN ACT TO AUTHORIZE CLERKS TO ALLOCATE SPOUSE'S AND CHILDREN'S YEAR'S ALLOWANCE FROM A DECEDENT'S ESTATE.

The General Assembly of North Carolina enacts:

Section 1. G.S. 30-16 reads as rewritten:

"**§ 30-16. Duty of personal representative or magistrate to assign allowance.**

It shall be the duty of every administrator, collector, or executor of a will, on application in writing, signed by the surviving spouse, at any time within one year after the death of the deceased spouse, to assign to the surviving spouse the year's allowance as provided in this Article.

If there shall be no administration, or if the personal representative shall fail or refuse to apply to a ~~magistrate,~~ magistrate or clerk of court, as provided in G.S. 30-20, for 10 days after the surviving spouse has filed the aforesaid application, or if the surviving spouse is the personal representative, the surviving spouse may make application to the ~~magistrate,~~ magistrate or clerk, and it shall be the duty of the magistrate or clerk to proceed in the same manner as though the application had been made by the personal representative.

Where any personal property of the deceased spouse shall be located outside the township or county where the deceased spouse resided at the time of his death, the personal representative or the surviving spouse may apply to any magistrate or to any clerk of court of any township or county where such personal property is located, and it shall be the duty of such magistrate or clerk to assign the year's allowance as if the deceased spouse had resided and died in that township."

Section 2. G.S. 30-17 reads as rewritten:

"**§ 30-17. When children entitled to an allowance.**

Whenever any parent dies leaving any child under the age of 18 years, including an adopted child or a child with whom the widow may be pregnant at the death of her husband, or a child who is less than 22 years of age and is a full-time student in any educational institution, or a child under 21 years of age who has been declared mentally incompetent, or a child under 21 years of age who is totally disabled, or any other person under the age of 18 years residing with the deceased parent at the time of death to whom the deceased parent or the surviving parent stood in loco parentis, every such child shall be entitled, besides its share of the estate of such deceased parent, to an allowance of two thousand dollars ($2,000) for its support for the year next ensuing the death of such parent, less, however, the value of any articles consumed by said child since the death of said parent. Such allowance shall be exempt from any lien by judgment or execution against the property of such parent. The personal representative of the deceased parent, within one year after the parent's death, shall assign to every such child the allowance herein provided for; but if there is no personal representative or if he fails or refuses to act within 10 days after written request by a guardian or next friend on behalf of such child, the allowance may be assigned by a ~~magistrate,~~ magistrate or clerk of court upon application of said guardian or next friend.

If the child resides with the widow of the deceased parent at the time such allowance is paid, the allowance shall be paid to said widow for the benefit of said child. If the child resides with its surviving parent who is other than the widow of the deceased parent, such allowance shall be paid to said surviving parent for the use and benefit of such child, regardless of whether the deceased died testate or intestate or whether the widow dissented from the will. Provided, however, the allowance shall not be available to an illegitimate child of a deceased father, unless such deceased father shall have recognized the paternity of such illegitimate child by deed, will or other paper-writing. If the child does not reside with a parent when the allowance is paid, it shall be paid to its general guardian, if any, and if none, to the clerk of the superior court who shall receive and disburse same for the benefit of such child."

Section 3. Part 2 of Article 4 of Chapter 30 of the General Statutes reads as rewritten:

"Part 2. Assigned by ~~Magistrate.~~ Magistrate or Clerk.

"**§ 30-19. Value of property ascertained.**

The magistrate or clerk of court ~~shall~~ shall, upon assignment, ascertain the person or persons entitled to an allowance according to the provisions of this Article, and determine the money or other personal property of the estate, and pay

over to or assign to the surviving spouse and to the children, if any, so much thereof as they shall be entitled to as provided in this Article. Any deficiencies shall be made up from any of the personal property of the deceased, and if the personal property of the estate shall be insufficient to satisfy such allowance, the clerk of the superior court shall enter judgment against the personal representative for the amount of such deficiency, to be paid when a sufficiency of such assets shall come into his hands.

"§ 30-21. Report of magistrate.

The magistrate or clerk of court ~~shall~~ shall, upon assignment, make and sign three lists of the money or other personal property assigned to each person, stating their quantity and value, and the deficiency to be paid by the personal representative. "§ 30-25. Personal representative entitled to credit.

Upon the settlement of the accounts of the personal representative, he shall be credited with the articles assigned, and the value of the deficiency assessed as aforesaid, if the same shall have been paid, unless the allowance be impeached for fraud or gross negligence in him.

"§ 30-26. When above allowance is in full.

If the estate of a deceased be insolvent, or if his personal estate does not exceed ten thousand dollars ($10,000), the allowances for the year's support of the surviving spouse and the children shall not, in any case, exceed the value prescribed in G.S. 30-

MEMORANDUM

TO: Senator Roy Cooper, Chair, Senate Judiciary Committee

FROM: O. Walker Reagan, Committee Co-Counsel

RE: **SENATE BILL 132 - AUTHORIZE CLERK TO ALLOCATE SPOUSE AND CHILDREN'S YEAR'S ALLOWANCE** - Senator Odom.

Senate Bill 132 would authorize the clerk of court, in addition to the magistrate, to allocate portions of a decedent's estate to the surviving spouse and minor children. This bill is a recommendation of the North Carolina Courts Commission.

Article 4 of Chapter 30 governs the year's allowance given to the surviving spouse and children of a person who dies. A year's allowance is an amount ($10,000 for a spouse, $2,000 for a child) given from the personal property of the deceased to the deceased's spouse or children for their support. The allowance is exempt from any lien against the deceased's property or estate.

Under current law, application for the allowance is made to a magistrate to approve the year's allowance and to determine what personal property should be allocated to the allowance. This bill would amend Article 4 of Chapter 30 to authorize the clerk, in addition to a magistrate, to approve a year's allowance. According to the Courts Commission, in many cases the clerk actually performs the work on the application and has it signed by a magistrate. In those cases the clerk would be the proper person to approve the year's allowance.

Section 4 of the bill authorizes the clerk to assess a fee of $4.00 for hearing the application, which is the same fee charged by a magistrate under the current law.

The bill would become effective October 1, 1997 and would apply to applications for allowances filed on or after that date.

(6) A deceased parent or the personal representative of a deceased parent's estate; or

(7) An individual listed in G.S. 48-3-601 who has not executed a consent or a relinquishment and who fails to respond to a notice of the adoption proceeding within 30 days after the service of the notice."

(d) G.S. 48-3-602 reads as rewritten:

"**§ 48-3-602. Consent of incompetent parents.**

If a parent as described in G.S. 48-3-601 has been adjudicated incompetent, then the court shall appoint a guardian ad litem for that parent ~~and~~ and, unless the child already has a guardian, a guardian ad litem for the child to make a full investigation as to whether the adoption should proceed. The investigation shall include an evaluation of the parent's current condition and any reasonable likelihood that the parent will be restored to competency, the relationship between the child and the incompetent parent, alternatives to adoption, and any other relevant fact or circumstance. If the court determines after a hearing on the matter that it will be in the best interest of the child for the adoption to proceed, the court shall order the guardian ad litem of the parent to execute a consent for that parent."

(c) The court shall provide the individual who prepares the report with copies of: (i) the petition to adopt; and (ii) the documents filed with it.

(d) As an exception to this section, in any stepparent adoption under Article 4 of this Chapter in which the minor has lived with the stepparent for more than two years, the court may, but is not required to, order a report unless the minor's consent is to be waived or the minor has revoked a consent."

(b) G.S. 48-4-104 is repealed.

MEMORANDUM

TO: Senator Roy Cooper, Chair, Senate Judiciary Committee

FROM: O. Walker Reagan, Committee Co-Counsel

RE: **PROPOSED COMMITTEE SUBSTITUTE FOR SENATE BILL 162 - ADOPTION LAW AMENDMENTS** - Senator Hartsell

The Proposed Committee Substitute for Senate Bill 162 makes several technical, clarifying and other minor changes to the Adoptions Law as rewritten in 1995. Sections 1 through 13 were recommended by the General Statutes Commission. Sections 14 through 18 have been added at the request of other parties and have not been approved by the Commission.

A summary and analysis of Sections 1 through 13 has been prepared by Bly Hall, Counsel to the General Statutes Commission and is attached hereto. Reference to Ms. Hall's document should be made for additional information on those sections. My bill summary will be limited to an analysis of Sections 14 through 18.

Section 14, would establish a process for determining whether a biological father is required to consent to an adoption prior to the birth of the child. In cases where the biological mother is willing to consent to the adoption prior to birth, this procedure would be helpful to expedite the adoption process when the biological father will not sign a consent prior to birth. Because of situations set forth in G.S. 48-3-601 where the biological father's consent is not required, when the father is unwilling to consent, the adoption process can be shortened if the determination of whether the father is entitled to consent can be made earlier. If the father's consent is not required the child can be placed with the adoptive family at birth. If the consent is required an action to terminate the father's parental rights can be started earlier.

Sections 16 and 17 make conforming changes arising from Section 14 of the bill.

AN EQUAL OPPORTUNITY/AFFIRMATIVE ACTION EMPLOYER

Section 15 clarifies when county departments of social services must prepare preplacement assessments. Current law requires county DSS's to do the assessment when a prospective adoptive parent who has identified a prospective adoptive child is unable to obtain an assessment. This provision in the bill clarifies that if a prospective adoptive parent cannot obtain an assessment at the fee county DSS's are permitted to charge for this service, the county DSS will have to do the assessment at that fee.

Section 18 conforms the law on who is permitted to obtain a copy of a birth certificate of an adopted person to the law on who is permitted to obtain a copy of a birth certificate in a non-adoptive situation by permitting the children of an adoptee to get a copy.

Sections 1-4, 11, and 13 through 18 are effective when they become law. Sections 6, 9, and 12 have varying effective dates and Sections 5 and 7-10 have specific application provisions.

MEMORANDUM:

TO: Senate Judiciary Committee

FROM: General Statutes Commission

DATE: April 10, 1997

RE: Senate Bill 162 (Adoption Law Amendments)

General Comments

Chapter 48 of the General Statutes, the chapter on adoptions, was completely revised in 1995, with an effective date of July 1, 1996. The portion of this bill that is recommended by the General Statutes Commission makes amendments to the new act that fall into four basic categories: (i) corrections to the new adoptions act itself, (ii) clarification of the language in the new act, (iii) changes necessitated by other legislation, and (iv) recently suggested minor changes to previously-existing law that was carried forward by the new act. None of these amendments are believed to be controversial.

Under the first category, the bill addresses confusion over certification of one of the documents that must be filed with an adoption petition and over notification of minor children in the adoption of an adult (Sections 1 and 2); allows the clerk of court to send orders for a report to the court to the designated agency by first-class mail rather than certified mail, return receipt requested, and makes a conforming change in the way the agency's reporting deadline is computed (Sections 3 and 5(a)); brings forward the former law's more detailed procedures for the clerks of court to follow in denying an adoption petition (Section 6); removes a requirement that agencies send a representative with a parent or guardian to have a relinquishment notarized (Section 7); treats revocations sent by overnight delivery service in the same manner as those sent by mail (Section 8); restores the clerk of court's index entry to its original, unsealed status, correcting an inadvertent error (Section 9(a)); clarifies that the statutes allowing hearings to be waived applies only to the adoption of minors (Section 10).

Under the second category, the amendments are intended to make it absolutely clear that in an agency adoption the report to the court must not contain any identifying information about the minor's former family (Section 4); that agencies that identify a concern in the report to the court must file a follow up report (Section 5(b) and (c)); and that the adoptee's adoptive name is the one to be used in the petition caption (Section 9(d)).

Under the third category, the bill amends various sections to take standby guardians into account (Section 11).

In the fourth category, the bill removes the requirement of a report to the court in many if not most stepparent adoptions (Section 12); standardizes the procedure for obtaining new birth certificates (Section 9(b) and (c)); and allows adopted foreign-born adults to obtain certificates of identification, which the current statute apparently makes available to adopted foreign-born minors (Section 13).

Sections 14 through 18 have not been reviewed by the General Statutes Commission.

A more detailed explanation for Sections 1 through 13 appears below.

Specific Comments

Section 1. G.S. 48-2-305 requires various documents to be filed with an adoption petition. Subdivision (6) of that section requires a "certified" copy of one particular document, the nonidentifying health and background information report required by G.S. 48-3-205. The use of "certified" in this subdivision is causing confusion, because the document is not made or filed with a government official in the manner of, e.g., a birth certificate or a court order. This section makes the wording of the subdivision parallel to the certification language of the preceding subdivision, which has not caused confusion.

Section 2. G.S. 48-2-401(d) requires that various family members, including any children of the parties, be notified of the filing of an adoption petition in the adoption of an adult. The provision was added to the law by the new adoption act and is intended to provide a mechanism for bringing to the attention of the court those adult adoptions in which one of the parties is potentially being exploited. Confusion has arisen over what to do when there are minor children. This section amends the statutes to specify adult children, which should remove the confusion while adequately preserving the safeguard.

Section 3. G.S. 48-2-403 requires notice of the adoption proceeding to be sent by certified mail to the agency ordered to make a report to the court. This requirement was added by the new act to provide assurance of receipt by the designated agency, which has 60 days after receipt to complete the report. Several individual clerks of court have questioned the need for certified mail, return receipt requested. They note that in many cases the agency and the clerk's office may be in the same building, and the clerk formerly had such orders hand-delivered. Various individuals also noted that the clerk can extend the agency's time for completion if an order sent by ordinary mail is not actually received. This section amends G.S. 48-2-403 to permit these orders to be either mailed or delivered in some way other than mailing.

Section 4. This section amends G.S. 48-2-502(b) to make it absolutely clear that in an

agency adoption, the report to the court cannot contain identifying information about an adopted person's former family.

Section 5. This section has three primary parts.

Subsection (a) changes the method for calculating an agency's time to complete a report to the court to conform to the amendment in Section 3. If the order for the report is mailed, time is counted from the date of mailing but the agency is given three extra days to complete the report.

Subsections (b) and (c) address a problem with reports to the court that actually occurred in at least one case, although the problem does not appear to be attributable to the new adoptions act. It needs to be absolutely clear that when an agency files a report (whether denominated an interim or final report) that recommends a delay in granting a petition until the occurrence or correction of certain conditions, the agency needs to file a report that tells the court whether these conditions have occurred or been met.

Section 6. Individual clerks of court asked to have former G.S. 48-20(a) and (b) incorporated into G.S. 48-2-604, because of the greater detail in the former statute. This section implements that request.

Section 7. G.S. 48-3-702 requires an agency to send a specially designated employee to accompany a parent or guardian before the notary who is to notarize that person's relinquishment. The agency employee must sign a statement indicating the agency's acceptance of the relinquishment, and this fact is then certified by the notary. In practice, it has proved awkward for the agency employee and the parent or guardian to schedule an appearance before the same notary. This section amends G.S. 48-3-702 to require only that the agency give the parent or guardian a letter or other statement indicating its acceptance.

Section 8. This section amends G.S. 48-3-608(a) to give revocations sent by overnight delivery service the same treatment given to revocations sent by certified mail, return receipt requested. The revocation is effective on deposit with the service.

Section 9. This section amends G.S. 48-9-102 in two principal respects.

First, the section amends G.S. 48-9-102(a) to correct an unintended effect in the new act. The former Chapter 48 contained no definition of "record," although it sealed most "records" other than the final adoption decree. The final decree was always a public record. No one can find a final decree, however, without the docket number which is obtainable from the clerk's special proceedings index. The entry in the special proceedings index, has, therefore, always been treated as public. The new adoption act was intended to bring forward the confidentiality provisions of the former act. Final decrees remain public record under the new act. However, the new act also contains a definition of "record" that includes indexes. The result is that the new

act arguably (unintentionally) seals the index entry in the clerk of court's office. This section corrects that error. Please note that the entry in the special proceedings index is in the name of the adoptive parents and the adopted person's intended name and that the clerk retains no documents in the clerk's files that include identifying information about the adopted person's former name or family.

At the suggestion of the State agency most affected, the section amends subsections (b) and (c) to make the procedure for notifying the proper state official to obtain a new birth certificate the same for all types of adoptions. Currently, for adult adoptions the necessary information is transmitted directly by the clerk of court to the State Registrar or to the adopted adult, if the person was born in another state. The Division of Social Services has this responsibility for minors. Standardizing this procedure for every adoption would simplify matters and arguably result in better, more consistent service for all adoptees. Please note that there are comparatively few adult adoptions each year.

This section also amends G.S. 48-2-303 to make it absolutely clear that the name of the adoptee in the caption of the petition is to be the person's adoptive name.

Section 10. This section amends G.S. 48-2-601(a) to clarify that the waiver of a hearing provided for in this section applies only in the adoption of minors.

Section 11. When the revision of Chapter 48 was introduced, the statutes allowing "standby guardians" had not been enacted. Until that time, it was not possible in this State for a minor to have both a guardian of the person and a live parent unless that parent's parental rights had been terminated. With the procedures for "standby guardians," this condition is now possible. This section accordingly repeals G.S. 48-3-603(a)(3) and makes other conforming amendments in four other sections. Because a standby guardian whose authority has actually commenced has concurrent rights with parents and does not supplant them, the conforming amendments are intended to recognize the standby guardian's authority while not excluding the continuing authority of the parents.

Section 12. This section amends G.S. 48-2-501 to eliminate the requirement of a report to the court in most stepparent adoptions of minor children. Except where there is an obvious caution sign, the clerk is allow to dispense with the requirement if the minor has lived with the stepparent for at least two years. After two years, any "honeymoon" effect should have passed, and both the stepparent and the minor child should have a more realistic view of a proposed adoption.

Section 13. This section amends G.S. 130A-108 to allow the State Registrar to issue certificates of identification to foreign-born adults. It also clarifies the phrase "having legal settlement in this State"; the substitute phrase, "residing in this State at the time of application", is the interpretation actually given to the deleted phrase by the agency.

(c) If the court denies ~~a petition to adopt a minor,~~ the petition, the custody of the minor shall revert to any agency or person having custody immediately before the filing of the petition. If notice is given by mail, notice is deemed complete when it is deposited in the United States mail, postage prepaid, addressed to the person to whom consent was given at the address specified in the consent. If notice is given by overnight delivery service, notice is deemed complete on the date it is deposited with the service as shown by the receipt from the service, with delivery charges paid by the sender, addressed to the person to whom consent was given at the address specified in the consent."

(b) This section applies to petitions filed on or after the effective date.

Section 11. (a) G.S. 48-3-603(a) reads as rewritten:

"(a) Consent to an adoption of a minor is not required of a person or entity whose consent is not required under G.S. 48-3-601, or:

(1) An individual whose parental rights and duties have been terminated under Article 24B of Chapter 7A of the General Statutes or by a court of competent jurisdiction in another state;

(2) A man described in G.S. 48-3-601(2), other than an adoptive father, if (i) the man has been judicially determined not to be the father of the minor to be adopted, or (ii) another man has been judicially determined to be the father of the minor to be adopted;

(7) An individual listed in G.S. 48-3-601 who has not executed a consent or a relinquishment and who fails to respond to a notice of the adoption proceeding within 30 days after the service of the notice."

(b) G.S. 48-3-201(d) reads as rewritten:

"(d) ~~An agency having legal and physical custody of a minor may place the minor for adoption at any time after a relinquishment is executed, even if only one parent has executed a relinquishment pursuant to Part 7 of this Article or has had parental~~

The agency may place the minor for adoption even if other consents are required before an adoption can be granted, unless an individual whose consent is required notifies the agency in writing of the individual's objections before the placement. The agency shall act promptly after accepting a relinquishment to obtain all other necessary consents, relinquishments, or terminations of any guardian's authority pursuant to Chapter 35A of the General Statutes or parental rights pursuant to Article 24B of Chapter 7A of the General Statutes."

(c) G.S. 48-4-102 reads as rewritten:

"**§ 48-4-102. Consent to adoption of stepchild.**

(d) G.S. 48-3-602 reads as rewritten:

"**§ 48-3-602. Consent of incompetent parents.**

If a parent as described in G.S. 48-3-601 has been adjudicated incompetent, then the court shall appoint a guardian ad litem for that parent ~~and~~ and, unless the child already has a guardian, a guardian ad litem for the child to make a full investigation as to whether the adoption should proceed. The investigation shall include an evaluation of the parent's current condition and any reasonable likelihood that the parent will be restored to competency, the relationship between the child and the incompetent parent, alternatives to adoption, and any other relevant fact or circumstance. If the court determines after a hearing on the matter that it will be in the best interest of the child for the adoption to proceed, the court shall order the guardian ad litem of the parent to execute a consent for that parent."

(e) G.S. 48-1-101(8) reads as rewritten:

"(8) 'Guardian' means an individual, other than a parent, appointed by a clerk of court in North Carolina to exercise all of the powers conferred by ~~G.S. 35A-1241;~~ G.S. 35A-1241, including a standby guardian appointed under Article 21 of Chapter 35A of the General Statutes whose authority has actually commenced; and also means an individual, other than a parent, appointed in another jurisdiction according to the law of that jurisdiction who

(1) The petition to adopt; and

(2) The documents filed with it.

(d) As an exception to this section, in any stepparent adoption under Article 4 of this Chapter in which the minor has lived with the stepparent for at least the two consecutive years immediately preceding the filing of the petition, the court may order a report, but it is not required to order a report unless the minor's consent is to be waived, the minor has revoked a consent, or both of the minor's parents are dead."

(b) G.S. 48-4-104 is repealed.

(c) This section becomes effective October 1, 1997.

Section 13. G.S. 130A-108 reads as rewritten:

"**§ 130A-108. Certificate of identification for ~~child~~ individual of foreign birth.**

In the case of an adopted ~~child~~ individual born in a foreign country and ~~having legal settlement in this State,~~ residing in this State at the time of application, the State Registrar shall, upon the presentation of a certified copy of the original birth certificate from the country of birth and a certified copy of the final order of adoption signed by the clerk of court or other appropriate official, prepare a certificate of identification for the ~~child.~~ individual. The certificate shall contain the same information required by G.S. 48-9-107(a) for ~~children~~ individuals adopted in this State, except that the country of birth shall be specified in lieu of the state of birth."

Section 14. Part 2 of Article 2 of Chapter 48 is amended by adding a new section to read:

"**§ 48-2-206. Prebirth determination of right to consent.**

(a) Anytime after six months from the date of conception as reasonably determined by a physician, the biological mother, agency, or adoptive parents chosen by the biological mother may file a special proceeding with the clerk requesting the court to determine whether consent of the biological father is required. The biological father shall be served with notice of the intent of the biological mother to

place the child for adoption, allowing the biological father 15 days after service to assert a claim that his consent is required.

(b) The notice required under this subsection shall contain the special proceeding case caption and file number and shall be substantially similar to the following language:

> '[Name of the biological mother], the biological mother, is expected to give birth to a child on or about [birth due date]. You have been identified as the biological father. It is the intention of the biological mother to place the child for adoption. It is her belief that your consent to the adoption is not required. If you believe your consent to the adoption of this child is required pursuant to G.S. 48-3-601, you must notify the court in writing no later than 15 days from the date you received this notice that you believe your consent is required. A copy of your notice to the court must also be sent to the person or agency that sent you this notice. If you fail to notify the court within 15 days that you believe your consent is required, the court will rule that your consent is not required.'

(c) If the biological father fails to respond within the time required, the court shall enter an order that the biological father's consent is not required for the adoption.

(d) If the biological father notifies the court within 15 days of his receipt of the notice required by this subsection that he believes his consent to the adoption is required, the biological mother, agency, or adoptive parents may seek an immediate determination by the court as to whether the consent of the biological father is required by G.S. 48-3-601. A hearing on this question may be held upon 10 days' notice to the parties. During the hearing, the court may take such evidence as necessary and shall enter an order which shall be the final order.

(e) The manner of service under this section shall be the same as set forth in G.S. 48-2-402.

(f) The jurisdiction provisions of Article 6A of Chapter 1 of the General Statutes and the venue provisions of Article 7 of Chapter 1 of the General Statutes rather than the provisions of Part 1 of this Article apply to proceedings under this section.

(g) Computation of periods of time provided for in this section shall be calculated as set forth in G.S. 1A-1, Rule 6.

(h) Transfer under G.S. 1-272 and appeal under G.S. 1-279.1 shall be as for an adoption proceeding.

(i) A determination by the court under this section that the consent of the biological father is not required shall only apply to an adoption petition filed within three months of the birth of the child."

Section 15. G.S. 48-3-302(e) reads as rewritten:

"(e) If an individual requesting a preplacement assessment has identified a prospective adoptive child and has otherwise been unable to obtain a preplacement assessment, the county department of social services must, upon request, prepare or contract for the preparation of the preplacement assessment. As used in this subsection, 'unable to obtain a preplacement assessment' includes the inability to

obtain a preplacement assessment at the fee the county department of social services is permitted to charge the individual. Except as provided in this subsection, no agency is required to conduct a preplacement assessment unless it agrees to do so."

Section 16. G.S. 48-3-601(2)b.4. reads as rewritten:

"4. Before the earliest of the filing of the ~~petition,~~ petition or the receipt of the notice pursuant to G.S. 48-2-206, has acknowledged his paternity of the minor and

I. Is obligated to support the minor under written agreement or by court order;

II. Has provided, in accordance with his financial means, reasonable and consistent payments for the support of the biological mother during or after the term of pregnancy, or the support of the minor, or both, which may include the payment of medical expenses, living expenses, or other tangible means of support, and has regularly visited or communicated, or attempted to visit or communicate with the biological mother during or after the term of pregnancy, or with the minor, or with both; or

III. After the minor's birth but before the minor's placement for adoption or the mother's relinquishment, has married or attempted to marry the mother of the minor by a marriage solemnized in apparent compliance with law, although the attempted marriage is or could be declared invalid; or".

Section 17. G.S. 48-3-603(a) is amended by adding a new subdivision to read:

"(8) An individual notified under G.S. 48-2-206 who does not respond in a timely manner or whose consent is not required as determined by the court."

Section 18. G.S. 48-9-107(c) reads as rewritten:

"(c) The State Registrar shall seal the original certificate of birth and all records in the possession of that office pertaining to the adoption. These records shall not be unsealed except as provided in this Article. The State Registrar shall provide certified typed copies or abstracts of the new certificate of birth of an adoptee prepared pursuant to subsection (a) of this section to the adoptee, the adoptee's children, the adoptive parents, and the adoptee's spouse, brothers, and sisters. For purposes of this subsection, 'parent', 'brother', and 'sister' shall mean the adoptee's adoptive parent, brother, or sister and shall not mean a former parent, brother, or sister."

Section 19. Except as otherwise provided, this act is effective when it becomes law.

A BILL TO BE ENTITLED

AN ACT TO STRENGTHEN THE LIMITATION ON CERTAIN KINDS OF POLITICAL FUND-RAISING WHILE THE GENERAL ASSEMBLY IS IN REGULAR SESSION.

The General Assembly of North Carolina enacts:

Section 1. G.S. 163-278.13A is repealed.

Section 2. Article 22A of the General Statutes is amended by adding a new section to read:

"**§ 163-279.13B. Limitation on fund-raising during legislative session.**

(a) Definitions. -- For purposes of this section:

(1) 'Limited contributor' means a lobbyist registered pursuant to Article 9A of Chapter 120 of the General Statutes, that lobbyist's agent, or a political committee that employs or contracts with, or whose parent entity employs or contracts with, a lobbyist registered pursuant to Article 9A of Chapter 120 of the General Statutes.

(2) 'Limited contributee' means a member of the Council of State, a member of the General Assembly, or a political committee the principal purpose of which is to assist a member or members of the Council of State or General Assembly. 'Limited contributee' does not include a State, county, or congressional district executive committee of a political party.

(3) The General Assembly is in 'regular session' from the date set by law or resolution that the General Assembly convenes until the

General Assembly either adjourns sine die, or recesses or adjourns for more than 10 days.

(b) Prohibited Solicitations. -- While the General Assembly is in regular session during an odd-numbered year, no limited contributee, or a real or purported agent of a limited contributee, shall solicit a contribution from a limited contributor to be made to that limited contributee or to be made to any other candidate, officeholder, or political committee.

(c) Prohibited Contributions. -- While the General Assembly is in regular session during an odd-numbered year:

(1) No limited contributor shall make a contribution to a limited contributee.

(2) No limited contributor shall make a contribution to any candidate, officeholder, or political committee, directing or requesting that the contribution be made in turn to a limited contributee.

(3) No limited contributor shall transfer any amount of money or anything of value to any entity, directing or requesting that that entity use what was transferred to contribute to a limited contributee.

(4) No limited contributee shall accept a contribution from a limited contributor.

(d) Prosecution. -- A violation of this section is a Class 2 misdemeanor, but no individual shall be prosecuted under this section for accepting a contribution unless the State Board of Elections has notified the individual of the apparent violation in writing by certified mail, has given the individual an opportunity to return the contribution, and, within 10 days of the receipt of the notification, the individual has failed to return the contribution."

Section 3. This act becomes effective January 1, 1999, and applies to all contributions solicited, accepted, or made on or after that date.

RE: Senate Bill 240 – Limits on Fund-Raising in Session.

Senate Bill 240, introduced by Senator Gulley, would rewrite and expand the statute that places special limits on political contributions during legislative sessions.

The current statute, G.S. 163-278.13A, prohibits a legislator, a member of the Council of State, or a political committee the principle purpose of which is to assist one or more of those officeholders from soliciting or accepting a contribution from "or at the behest or recommendation of " a registered lobbyist while the General Assembly is in regular session. It prohibits a lobbyist from making a contribution to any of those entities. Exempted under current law are:

- Contributions made to political party executive committees,
- Contributions made to or solicited for committees that operate statewide in conjunction with a party for that party's candidates for General Assembly or Council of State
- Contributions by legislators and Council of State members to their own campaigns.
- Charitable contributions.
- Contributions to defray expenses connected with the contesting of election results.
- Contributions to officeholders who have filed notice as candidates. (This exemption in effect eliminates the Short Session, which occurs during election year when legislators have filed as candidates, from the fund-raising limitation.)

Extra sessions are exempt from the prohibition under current law. Current law makes violation a Class 2 misdemeanor, but says prosecution cannot take place for accepting or giving a contribution unless the State Board of Elections notifies the person of the apparent violation and gives the person 10 days after notice to give the money back or ask for it back.

SB 240 repeals the current law and replaces it with a rewritten version. The new version uses the defined terms "limited contributor" (those who cannot give or be solicited during session) and "limited contributee" (those who cannot solicit and accept during session). Instead of applying its provisions during regular session but exempting filed candidates, the bill applies to the regular session during an odd-numbered year.

AN EQUAL OPPORTUNITY/AFFIRMATIVE ACTION EMPLOYER

The substantive changes in SB 240 are these:

- Lobbyist-connected PACs. Those who may not give or be solicited are not just lobbyists, but also political committees whose parent entities employ or contract with a lobbyist. The bill also specifically includes a lobbyist's agent.

- Fewer Exceptions. There are fewer exceptions to who may not solicit or accept. The "political committee that operates on a Statewide basis in conjunction with the executive committee of a political party for the purpose of assisting that party's candidates" for legislature is gone as an exception. Although political party executive committees are excluded from the definition of "limited contributee" and therefore from a complete in-session ban on fundraising from lobbyists and lobbyist-connected PACs, party committees may not be used during session as a conduit for money earmarked for a legislator. Nor may they be used as a repository for money a legislator solicits from a lobbyist.

- Solicitation Ban Spelled Out. The prohibition on soliciting during session is spelled out: No "limited contributee" (legislator, for example) or his/her real or purported agent shall solicit a contribution from a lobbyist or a lobbyist's political committee to be made to that legislator or to any other candidate, officeholder, or political committee. So, someone could not call a lobbyist and say, "I am calling on behalf of Sen. So-and-So and he would like you to make a contribution to the executive committee of his party."

- Indirect Contributions Prohibited. The prohibition on contributions during session is spelled out: No limited contributor (lobbyist, for example) shall give to a limited contributee (legislator, for example). The legislator shall not accept a contribution from the lobbyist. Indirect contributions are addressed as well: The lobbyist may not make a contribution to a political committee, requesting that that political committee in turn make the contribution to the limited contributee. The lobbyist also may not transfer money to anyone, directing that that person give to a legislator.

- Enforcement. The 10-day grace period after notice to undo the violation is retained for someone who accepted a prohibited contribution, but that grace period is repealed for anyone caught giving one.

The bill would go into effect January 1, 1999.

§ 163-278.13A. No fund-raising from lobbyists for legislators or Council of State members while General Assembly is in regular session.

(a) While the General Assembly is in regular session, none of the following entities may solicit or accept a contribution from, or at the behest or recommendation of, an individual registered as a lobbyist pursuant to Article 9A of Chapter 120 of the General Statutes:

(1) A member of the Council of State; or

(2) A member of the General Assembly; or

(3) A political committee the principal purpose of which is to assist a member or members of the Council of State or General Assembly.

(b) While the General Assembly is in regular session, no individual registered as a lobbyist under Article 9A of Chapter 120 of the General Statutes may make a contribution to any of the entities listed in subdivisions (1) through (3) of subsection (a) of this section.

(c) This section does not apply to:

(1) Any contribution made to or by a State, county or congressional district executive committee of a political party; or

(2) Any contribution made to or solicited for a political committee that operates on a Statewide basis in conjunction with the executive committee of a political party for the purpose of assisting that party's candidates for Council of State or General Assembly; or

(3) Any contribution made by a member of the Council of State or General Assembly to a political committee the principal purpose of which is to assist himself; or

(4) Any contribution made to or any solicitation for a nonprofit organization under 26 U.S.C. § 501(c); or

(5) Any contribution accepted with the intent that it be used to defray legal or other expenses incurred in connection with the contesting of election results; or

(6) Any contribution to any of the entities listed in subdivisions (1) through (3) of subsection (a) of this section if the member of the Council of State or General Assembly has filed an official notice of candidacy with the appropriate board of elections for any elective office, provided the contribution is for the elective office for which the member has filed.

(d) A violation of this section is a Class 2 misdemeanor, but no individual or person shall be prosecuted under this section for accepting or making a contribution unless the State Board of Elections has notified the individual or person of the apparent violation in writing by certified mail, has given the individual or person an opportunity to return or to request the return of the contribution, and, within 10 days of the receipt of the notification, the individual or person has failed to return or to request the return of the contribution.

(e) For purposes of this section, the General Assembly is in regular session from the date set by law or resolution that the General Assembly convenes until the General Assembly either:

(1) Adjourns sine die; or

(2) Recesses or adjourns for more than 10 days. (1991, c. 740, s. 2; 1993, c. 539, s. 1114; 1994, Ex. Sess., c. 24, s. 14(c).)

Editor's Note. — Session Laws 1991, c. 740, s. 3 makes this section effective July 16, 1991.

Session Laws 1991, c. 740, s. 3 further provides that the act shall be implemented within funds available to the Secretary of State, and that nothing in the act shall be construed to obligate the General Assembly to appropriate funds to implement the provisions of the act.

Session Laws 1993, c. 539, s. 1114, which amended this section, in s. 1359, as amended by Session Laws 1994, Extra Session, c. 24, s. 14(c), provides: "This act becomes effective October 1, 1994, and applies to offenses occurring on or after that date. Prosecutions for offenses committed before the effective date of this act are not abated or affected by this act, and the statutes that would be applicable but for this act remain applicable to those prosecutions."

MEMORANDUM

TO: Senator Roy Cooper, Chair, Senate Judiciary Committee

FROM: O. Walker Reagan, Committee Co-Counsel

RE: **SENATE BILL 264-LIABILITY FOR JOB REFERENCES** - Senator Horton

Senate Bill 264 would grant qualified immunity to a person who gives a job reference on a current or former employee to a prospective employer, who acts in good faith, does not give information known to be false, or the information is not given with malice or reckless disregard for the truth.

The bill provides that an employer or former employer who discloses information about a current or former employee at the request of a prospective employer or the employee is presumed to be acting in good faith and is not liable for civil damages for the disclosure of the information or the consequences of the disclosure. If the employee believes he or she was harmed by the disclosure, in a suit for damages, the employee must overcome the presumption of good faith by showing, by a preponderance of the evidence, that the information disclosed was in fact false, and that the employer either knew the information was false, or acted with malice or reckless disregard for the truth. "A preponderance of the evidence" has been held to mean the same as the "greater weight of the evidence" which means that considering all of the evidence, the necessary facts are more likely than not to exist.

Under the bill this qualified immunity also extends to employees and agents of the employer authorized to give this information. The bill also states that it does not affect any privileges or immunities from civil liability under other statutes or available under common law.

The bill becomes effective when it becomes law and applies to causes of action arising on or after that date.

MEMORANDUM

TO: Senator Roy Cooper, Chair, Senate Judiciary Committee

FROM: O. Walker Reagan, Committee Co-Counsel

RE: **SENATE BILL 456 - CARTWAYS SUNSET OFF** - Senator Reeves

Senate Bill 456 would remove the sunset on some of the changes made to the cartway law by the 1995 General Assembly.

House Bill 545 of the 1995 Session made numerous technical and substantive changes to the cartway statute. Sections 2 and 3 of that bill which amended G.S. 136-69 and 136-70 are scheduled to sunset on July 1, 1997. This bill would remove the sunset provision and would make those changes permanent in the law.

A cartway is a court-ordered easement across the lands of another to an otherwise landlocked tract of land. In North Carolina, cartways have traditionally been granted to permit the owner of the landlocked property to remove the products arising from the land, such as cultivating crops, cutting and removing timber, working quarries, mines or minerals, operating industrial or manufacturing plants, or for use as a public or private cemetery. The law sets out the method for determining when a cartway should be permitted, where the cartway is to be located, and the amount of compensation the other property owner is entitled to for this right of access.

The 1995 changes to G.S. 136-69 lowered the requirements necessary to obtain a cartway and expanded the purposes a cartway can be used for. The primary changes were to permit a cartway to be granted for using the landlocked property for single-family homesteads consisting of at least seven acres per homestead and to more specifically define the size of the cartway. The 1995 changes also dealt with the relationships between cartways and railroad rights-of-way and railroad crossings.

The 1995 changes to G.S. 136-70 removed the automatic five-year termination of cartways granted to remove timber.

CHAPTER 513
OF THE 1995 SESSION LAWS

HOUSE BILL 545

AN ACT TO BROADEN THE LAW PROVIDING FOR THE ESTABLISHMENT OF CARTWAYS.

Section 1. G.S. 136-68 reads as rewritten:

"**§ 136-68. Special proceeding for establishment, alteration or discontinuance of cartways, etc.; petition; appeal.**

The establishment, alteration, or discontinuance of any cartway, church road, mill road, or like easement, for the benefit of any person, firm, association, or corporation, over the lands of another, shall be determined by a special proceeding instituted before the clerk of the superior court in the county where the property affected is situated. Such special proceeding shall be commenced by a petition filed with said clerk and the service of a copy thereof on the person or persons whose property will be affected thereby. From any final order or judgment in said special proceeding, any interested party may appeal to the superior court for a jury trial de novo on all issues including the right to relief, the location of a cartway, tramway or railway, and the assessment of damages. ~~and the~~ The procedure established under Chapter ~~40,~~ 40A, entitled 'Eminent Domain,' shall be followed in the conduct of such special proceeding insofar as the same is applicable and in harmony with the provisions of this section."

Sec. 2. G.S. 136-69 reads as rewritten:

"**§ 136-69. Cartways, tramways, etc., laid out; procedure.**

~~If~~ In order to ensure that all landowners who do not have a deeded or documented easement or right-of-way to a public road shall have a legal means of obtaining access to that road, if any person, firm, association, or corporation shall be engaged in the cultivation of any land or the cutting and removing of any standing timber, or the working of any quarries, mines, or minerals, or the operating of any industrial or manufacturing plants, or public or private cemetery, or the use of land as a single-family homestead, or taking action preparatory to the operation of any such enterprises, to which there is leading no public ~~road~~ road, reasonable deeded or documented easement or right-of-way to a public road, or other adequate means of transportation, other than a navigable waterway, affording necessary and proper means of ingress thereto and egress therefrom, such person, firm, association, or corporation may institute a special proceeding as set out in ~~the preceding section (G.S. 136-68), and if it shall~~ G.S. 136-68. Should it be made to appear to the court necessary, reasonable and just that such person shall have a private way to a public road or watercourse or railroad over the lands of other persons, the court shall appoint a jury of view of three disinterested freeholders to view the premises and lay off a cartway, tramway, or railway of not ~~less~~ more than 18 feet ~~in width,~~ of travel surface or such other minimum width requested in the petition and found necessary and proper by the court, and not more than 30 feet in width for cuts, fills, and ditches or cableways, chutes, and ~~flumes, and~~ flumes. If a cartway is granted for the use of one or more single-family homesteads, each single-family homestead must consist of at least seven acres of land. Where there exists a private railroad crossing, that private railroad crossing may be used as part of a cartway established under this Article provided the person, firm, association or corporation seeking the cartway agrees to share proportionately with other landowners authorized to use the crossing the cost of maintaining the private crossing and to protect and hold harmless the railroad against all liability associated with the crossing, provided the railroad is being operated in a lawful manner at or in the vicinity of the crossing. Except as herein provided for the establishment of a cartway over an existing private railroad crossing, no real estate, right-of-way, easement, leasehold, or other interest in land which has been condemned by a railroad,

or has been obtained for a railroad's use as a right-of-way, depot, or station house shall be used for the establishment of a cartway or other use under this Article except by agreement with the railroad. Should a petitioner seeking a cartway request a new railroad crossing, the railroad shall negotiate in good faith the location of the new crossing at the requested location or some other mutually agreeable location. The jury of view shall assess the damages the owner or owners of the land crossed may sustain thereby, and make report of their findings in writing to the clerk of the superior court. Exceptions to said report may be filed by any interested party and such exceptions shall be heard and determined by the clerk of the superior court. The clerk of the superior court may affirm or modify said report, or set the same aside and order a new jury of view. All damages assessed by a judgment of the clerk, together with the cost of the proceeding, shall be paid into the clerk's office before the petitioners shall acquire any rights under said proceeding.

Where a tract of land lies partly in one county and partly in an adjoining county, or where a tract of land lies wholly within one county and the public road nearest or from which the most practical roadway to said land would run, lies in an adjoining county and the practical way for a cartway to said land would lead over lands in an adjoining county, then and in that event the proceeding for the laying out and establishing of a cartway may be commenced in either the county in which the land is located or the adjoining county through which said cartway would extend to the public road, and upon the filing of such petition in either county the clerk of the court shall have jurisdiction to proceed for the appointment of a jury from the county in which the petition is filed and proceed for the laying out and establishing of a cartway as if the tract of land to be reached by the cartway and the entire length of the cartway are all located within the bounds of said county in which the petition may be filed. A permissive use of a right-of-way or easement across the land of another shall not be a bar to the establishment of a cartway under this Article. In determining the path of a cartway, tramway or railway the jury of view shall give priority to the location of previously used easements or cartways."

Sec. 3. G.S. 136-70 reads as rewritten:

"**§ 136-70. Alteration or abandonment of cartways, etc., in same manner.**

Cartways or other ways established under this Article or heretofore established, may be altered, changed, or abandoned in like manner as herein provided for their establishment upon petition instituted by any interested ~~party: Provided, that all cartways, tramways, or railways established for the removal of timber shall automatically terminate at the end of a period of five years, unless a greater time is set forth in the petition and the judgment establishing the same.~~ party. A cartway established under this Article shall not terminate until the time specified in the petition and as found necessary and proper by the court."

Sec. 3a. Compensation to the landowner for the establishment of a cartway over the property of another shall be as provided in Chapter 40A Article 4 of the North Carolina General Statutes.

Sec. 4. This act is effective upon ratification but sections 2 and 3 shall expire on July 1, 1997. This act applies to actions to establish cartways filed on or after the effective date, but before July 1, 1997.

MEMORANDUM

TO: Senator Roy Cooper, Chair, Senate Judiciary Committee

FROM: Brenda J. Carter, Committee Co-Counsel

RE: **SENATE BILL 403 - RESTORATION OF RIGHTS**
Senator Ballance

Senate Bill 403 would restore citizenship rights to persons who have been convicted of a felony and who are released from prison on parole or who are given alternative sentences.

Article VI, Section 2 of the North Carolina Constitution provides that no person adjudicated guilty of a felony shall be permitted to vote unless that person's citizenship rights have been restored in the manner prescribed by law. (See reverse side for text) G. S. 163-55 provides that a person convicted of a felony cannot register or vote unless citizenship rights have been restored. Under G.S. 163-275, it is a Class I felony for such person to vote.

Convicted felons are also prohibited from the following, until such time as their citizenship rights are restored: service as juror, qualification for ABC permit, employment in the sale or distribution of alcoholic beverages, qualification to serve as personal representative in estate matters, qualification to serve as guardian of an estate, employment with a licensee under the Structural Pest Control Act, service as county director of elections.

G.S. 13-1 currently provides for the automatic restoration of citizenship rights when a person is unconditionally discharged from prison or from a suspended sentence, receives an unconditional pardon, or satisfies the conditions of a pardon. Under current law, a person convicted of a felony who is in prison or who is on parole or probation, serving a suspended sentence or otherwise subject to supervision is not eligible to vote, hold office, or participate in the other activities listed in the above paragraph. Senate Bill 403 would restore citizenship rights to any convicted felon who is not serving an active prison sentence.

The bill would become effective January 1, 1998.

AN EQUAL OPPORTUNITY/AFFIRMATIVE ACTION EMPLOYER

N. C. Constitution
Article VI, Section 2 & 8

Sec. 2. Qualifications of voter.

(1) *Residence period for State elections.* Any person who has resided in the State of North Carolina for one year and in the precinct, ward, or other election district for 30 days next preceding an election, and possesses the other qualifications set out in this Article, shall be entitled to vote at any election held in this State. Removal from one precinct, ward, or other election district to another in this State shall not operate to deprive any person of the right to vote in the precinct, ward, or other election district from which that person has removed until 30 days after the removal.

(2) *Residence period for presidential elections.* The General Assembly may reduce the time of residence for persons voting in presidential elections. A person made eligible by reason of a reduction in time of residence shall possess the other qualifications set out in this Article, shall only be entitled to vote for President and Vice President of the United States or for electors for President and Vice President, and shall not thereby become eligible to hold office in this State.

(3) *Disqualification of felon.* No person adjudged guilty of a felony against this State or the United States, or adjudged guilty of a felony in another state that also would be a felony if it had been committed in this State, shall be permitted to vote unless that person shall be first restored to the rights of citizenship in the manner prescribed by law.

Sec. 8. Disqualifications for office.

The following persons shall be disqualified for office:

First, any person who shall deny the being of Almighty God.

Second, with respect to any office that is filled by election by the people, any person who is not qualified to vote in an election for that office.

Third, any person who has been adjudged guilty of treason or any other felony against this State or the United States, or any person who has been adjudged guilty of a felony in another state that also would be a felony if it had been committed in this State, or any person who has been adjudged guilty of corruption or malpractice in any office, or any person who has been removed by impeachment from any office, and who has not been restored to the rights of citizenship in the manner prescribed by law.

Section 2. Article 22A of Chapter 163 of the General Statutes is amended by adding a new Part to read:

"Part 1A. Disclosure Requirements for Media Advertisements.

"§ 163-278.39. Disclosure requirements for political advertisements in print media.

(a) Required Disclosure. -- No print-media advertisement of any kind may be made by a treasurer, candidate, political committee, referendum committee, or individual unless all the following conditions are met:

(1) It bears the visual legend: 'Paid for by (or Sponsored by)..... [Name of candidate, political committee, referendum committee, individual].'

(2) The name used in the labeling required in subdivision (1) of this subsection is the name that appears on the statement of organization as required in G.S. 163-278.7(b)(1). This subdivision applies only if the sponsor is a political committee or referendum committee.

(3) The sponsor states in the print-media advertisement its position:

a. For or against the candidate; or

b. For or against an opposing candidate.

This subdivision applies only if the print-media advertisement is made for or against a candidate; and

(4) The sponsor states in the print-media advertisement its position for or against the ballot measure. This subdivision applies only if the print-media advertisement is made for or against a ballot measure.

(5) The sponsor states in the advertisement whether it is authorized by a candidate. This subdivision applies only if:

a. The advertisement supports or opposes a candidate; and

b. The sponsor is an individual other than the candidate or a political committee other than the committee of that candidate.

The visual legend in the advertisement shall state either 'Authorized by [name of candidate], candidate for [name of office]' or 'Not authorized by a candidate.'

(b) Size Requirements. -- All the statements required in an advertisement by subsection (a) of this section shall constitute at least ten percent (10%) of the space of the advertisement. If each copy of an advertisement consists of multiple pages, folds, or faces, the requirement of the previous sentence applies only to one page, fold, or face in each copy.

(c) Print-Media Responsibility. -- The print media shall not publish any political advertisement unless it bears the visual legends required in this section.

(d) Misrepresentation of Authorization. -- Notwithstanding G.S. 163-278.27(a), any individual, person, political committee, or referendum committee that submits to the print media an advertisement bearing any visual legend required by subsection (a) of this section that misrepresents the sponsorship or authorization of the advertisement is guilty of a Class 1 misdemeanor.

"§ 163-278.39A. Disclosure requirements for political advertisements related to candidates on television and radio.

(a) Purpose. -- It is the purpose of this section to effectuate the State's compelling interest in the integrity of its electoral processes by fulfilling the public's right to know the identity of sponsors of sophisticated and professional campaign advertisements on television and radio. In contrast to advertisements in print, those on television and radio present special challenges to the public's right to know because any disclosure on an electronic ad lacks permanence.

(b) Relation to Federal Law. -- State law incorporates the visual disclosure requirements of federal law on television and radio outlets. Any violation of federal visual disclosure requirements is a violation of State law.

(c) Candidate Advertisements on Television and Radio. -- The sponsoring candidate of an advertisement on television or radio shall orally state at least the following words: 'I am (or "This is...") [candidate's name], candidate for [name of office], and I (or "my campaign...") sponsored this ad.'

(d) Political Party Advertisements on Television and Radio. -- The chair, executive director, or treasurer of an official political party organization that sponsors an advertisement on television or radio shall orally state at least the following words: 'The [name of political party organization] sponsored this ad opposing/supporting

[name of candidate] for [name of office].' The disclosed name of the political party organization must include the name of the political party as it appears on the ballot.

(e) Political Action Committee Advertisements on Television and Radio. -- The chief executive officer or treasurer of the political action committee that sponsors an advertisement on television or radio shall orally state at least the following words: 'The [name of political action committee] political action committee sponsored this ad opposing/supporting [name of candidate] for [name of office].' The name of the political action committee used in the advertisement shall be the name that appears on the statement of organization as required in G.S. 163-278.7(b)(1).

(f) Advertisements on Television and Radio by an Individual. -- An individual sponsoring an advertisement on television or radio shall orally state at least the following words: 'I am [individual's name], and I sponsored this advertisement opposing/sponsoring [name of candidate] for [name of office].'

(g) All Advertisements on Television Related to Candidate. -- In any television advertisement related to a candidate, an unobscured, full-screen view of the disclosing person, either in photographic form or through the actual appearance of the disclosing person on camera, shall be featured throughout the duration of the disclosure statement. Any visual legend accompanying the disclosure statement shall be at least 32 scan lines in size.

(h) Placement of Disclosure Statement in Television and Radio Advertisements. -- A sponsoring candidate committee, political party organization, political action committee, or individual may place the disclosure statement required by this section at any point during the advertisement. The sponsoring entity may combine the oral disclosure statement required by this section with, or separate it from, any visual disclosure requirement under federal law. But any visual disclosure legend shall be at least 32 scan lines in size.

(i) Choice by Noncandidate Entity of Supporting or Opposing a Candidate. -- In its oral disclosure statement, a sponsoring political party organization, political action committee, or individual may choose either to identify an advertisement as supporting a particular candidate or opposing a particular candidate.

(j) Legal Remedy. -- Pursuant to the conditions established in subdivisions (1), (2), and (3) of this subsection, a candidate for an elective office who complied with the television and radio disclosure requirements throughout that candidate's entire campaign shall have a monetary remedy in a civil action against (i) an opposing candidate or candidate committee whose television or radio advertisement violates these disclosure requirements and (ii) against any political party organization, political action committee, or individual whose advertising for that elective office violates these disclosure requirements.

(1) Any plaintiff candidate in a statewide race in an action under this section must complete and file a Notice of Complaint Regarding Failure to Disclose on Television or Radio Campaign Advertising with the State Board of Elections after the airing of the advertisement but no later than the first Friday after the Tuesday on which the election occurred. Candidates in nonstatewide races

may file the notice with one county board of elections within the electoral area in which they are candidates. The timely filing of this notice preserves the candidate's right to bring an action in superior court any time within 90 days after the election. A candidate shall bring the civil action in the county where the candidate filed the notice.

(2) Upon receiving a favorable verdict in accordance with existing law, the plaintiff candidate shall receive a monetary award of actual damages. The price of actual damages shall be calculated as the total dollar amount of television and radio advertising time that was aired and that the plaintiff candidate correctly identifies as being in violation of the disclosure requirements of this section.

The plaintiff candidate shall also receive an award that trebles the amount of actual damages if:

a. The plaintiff candidate can establish having notified or attempted to notify the sponsor of the advertising by return-receipt mail that a particular advertisement or advertisements failed to comply with the disclosure requirements of this section, and

b. After the notice or attempted notice, the advertisement continued to be aired.

The treble damages shall be calculated from the date on which the return-receipt notice was accepted or rejected by a defendant sponsoring candidate or candidate committee, political party organization, political action committee, or individual. The plaintiff candidate or candidate committee shall send a copy of any return-receipt mailing to the relevant board of elections as provided in subdivision (1) of this subsection within five days after the notice is returned to the possession of the candidate or candidate committee.

The court shall award reasonable attorneys' fees to a plaintiff candidate who prevails in an action under this section. The plaintiff candidate may bring the civil action personally or authorize his or her candidate committee to bring the civil action.

(3) A sponsoring candidate and the sponsoring candidate's committee shall be jointly and severally liable for the payment of damages and attorneys' fees. If the sponsoring candidate is held personally liable for any payment of damages or attorneys' fees, the sponsoring candidate shall not use or be reimbursed by funds from the candidate's campaign committee in paying any amount.

(k) No Regulation or Liability of Television or Radio Outlets. -- The disclosure requirements in this section impose no additional liability on or regulation of television or radio outlets beyond that otherwise existing in law.

(l) No Criminal Liability. -- Nothing in this section shall be relied upon or otherwise interpreted to create criminal liability for any person.

"§ 163-278.39B. Definitions.

As used in this Part:

(1) 'Print media' means billboards, cards, newspapers, newspaper inserts, magazines, mass mailings, pamphlets, periodicals, and outdoor advertising facilities.

(2) 'Political action committee' has the same meaning as 'political committee' in G.S. 163-278.6(14), except that 'political action committee' does not include any political party or political party organization.

(3) 'Political party organization' means any political party executive committee or any political committee that operates under the direction of a political party executive committee or political party chair.

(4) 'Scan line' means a standard term of measurement used in the electronic media industry calculating a certain area in a television advertisement.

"§ 163-278.39C. Scope of disclosure requirements.

The disclosure requirements of this Part apply to those candidates or candidate committees, political party organizations, political action committees, and individuals required to file financial disclosure statements pursuant to this Article or pursuant to federal law. The disclosure requirements of this Part apply to candidates for elective federal office from North Carolina unless and until Congress takes clear action demonstrating that it has preempted the authority of State law."

Section 3. G.S. 163-278.27(a) reads as rewritten:

"(a) Any individual, candidate, political committee, referendum committee, treasurer, person or media who violates the provisions of G.S. 163-278.7, 163-278.8, 163-278.9, 163-278.10, 163-278.11, 163-278.12, 163-278.14, 163-278.16, 163-278.17, 163-278.18, 163-278.39, 163-278.40A, 163-278.40B, 163-278.40C, 163-278.40D or 163-278.40E is guilty of a Class 2 misdemeanor."

Section 4. The provisions of this act are severable. If any provision is held invalid by a court of competent jurisdiction, the invalidity does not affect other provisions of the act that can be given effect without the invalid provision.

Section 5. This act becomes effective January 1, 1998, and applies to all advertisements published on or after that date. Prosecutions for, or sentences based on, offenses occurring before the effective date of this act are not abated or affected by this act, and the statutes that would be applicable to those prosecutions or sentences but for the provisions of this act remain applicable to those prosecutions or sentences.

RE: Proposed Committee Substitute for Senate Bill 708 – Stand by Your Ad.

The Proposed Committee Substitute for Senate Bill 708, introduced by Sens. Cooper, Conder, Plyler, Horton, and Hartsell, requires any sponsor of a political ad to disclose not only who the sponsor is but also whether or not the ad supports or opposes a candidate. In a radio or television ad supporting or opposing a candidate, the sponsor of the ad would have to speak the disclosure statement personally. In a television ad supporting or opposing a candidate, the sponsor's face would have to appear on the screen the whole time the sponsor was speaking the required disclosure.

Current State law requires that every "media ad" must contain the identification "Paid for by (or "Sponsored by) ... [the name of the sponsor]." If the sponsor is a political committee or referendum committee, the I.D. must use the name that it is required to use, identifying the parent entity of the committee (corporation, labor union, professional association) or the economic interest of the committee, if identifiable. And the I.D. must also state whether the sponsor supports or opposes a candidate or ballot measure. Current law defines "media" to include broadcast, newspapers, magazines, periodicals, outdoor advertising facilities, billboards, and newspaper inserts. The duty is one for the media as well as the sponsor. The penalty is a Class 2 misdemeanor.

Federal law places the following disclosure restrictions on radio and television outlets licensed by the Federal Communications Commission:

- Any ad must disclose the name of the person sponsoring the ad, or the person on behalf of whom the ad is sponsored. The disclosure shall fully and fairly disclose the true identity of that person.
- Any political ad on television must show the sponsor identification for a least 4 seconds in letters that take up at least 4% of the vertical picture height.

In addition, a candidate is entitled to the "lowest unit charge" of a broadcast station if that candidate makes a personal appearance, by face or voice, during the ad.

Through the Federal Communications Act, the federal government has pre-empted regulation of what television and radio must do, although the 1983 Fifth Circuit U.S. Court of Appeals decision in *KVUE v. Moore* says that there can be aspects of the way radio and TV outlets handle advertising that federal law doesn't address and therefore the States can regulate.

What the federal law does not do is regulate the behavior of State candidates and political committees. They are under the jurisdiction of State law. SB 708 seeks to fill that gap, requiring candidates and other State-regulated political sponsors, rather than the federally regulated broadcasters, put certain disclosures in their ads.

The PCS for SB 708 contains two sets of requirements:

1. The Basic Requirements for any advertisement relating to an election or referendum, if spending for that ad would have to be reported in a campaign finance report.
2. Expanded Requirements for ads on TV and radio that support or oppose a candidate.

The Basic Requirements repeat current law, with these changes:

- If a print media ad supports or opposes a candidate, the ad must say whether or not it is authorized by a candidate.
- "Print media" is defined so as to include not only newspapers, periodicals, and billboards, but also pamphlets and cards.
- The bill removes a statement in current law that makes the print media liable for what appears in its ads.
- The disclosure statement on a print media ad must take up at least 10% of the face of the ad (or 10% of one page of a multi-page ad).
- Misrepresentation by a sponsor in the disclosure statement is raised to a Class 1 misdemeanor.

The Expanded Requirements state that on television and radio ads the sponsor of an ad supporting or opposing a candidate or candidates must appear in person and acknowledge sponsorship of the ad.:

- If the sponsor, is a candidate, the candidate must appear. On television and radio, that means the candidate must speak the words "I am Candidate X and I sponsored this ad." On television, when the candidate is speaking, a picture of that candidate must fill the screen.
- If the sponsor is a political party organization, or political action committee, the chair, executive director, or treasurer of the party must speak the words, "This ad supporting/opposing Candidate X for Office Y was paid for by the Z Party (or Z political action committee)." Again, on television, the speaker's picture must fill the screen while while he or she is talking. The sponsor must choose whether the ad supports or opposes a candidate.
- If the sponsor is an individual, that individual must speak the words, "I am So-and-So, and this ad supporting/opposing Candidate X for Office Y was paid for by me." Again, there is the same visual requirement for television, and the same choice of whether the ad supports or opposes.

If there is a visual legend accompanying the picture of the talking sponsor, it must be 32 scan lines (a TV technical term) in height.

For violating the Expanded Requirements, the bill does not place any liability in addition to federal law on TV or radio outlets. On sponsors, the bill places no criminal liability, but it establishes a monetary civil remedy for a candidate who has complied with the requirements against an opposing candidate or other sponsor who has violated them. Damages would be the value of the ads that were in violation. If the plaintiff can show that he or she notified the sponsor that an ad was in violation and the sponsor continued to run the ad, the damages can be trebled.

The bill would become effective January 1, 1998.

The sponsor may provide the oral disclosure statement required by this section at the same time as any visual disclosure required under federal law is shown. But any visual disclosure legend shall be at least 32 scan lines in size. For advertisements on radio, the placement of the oral disclosure statement shall follow the requirements under federal law.

(1) Any plaintiff candidate in a statewide race in an action under this section shall complete and file a Notice of Complaint Regarding Failure to Disclose on Television or Radio Campaign Advertising with the State Board of Elections after the airing of the advertisement but no later than the first Friday after the Tuesday on which the election occurred. Candidates in nonstatewide races may file the notice during the same time period with one county board of elections within the electoral area in which they are candidates. A candidate shall bring the civil action in the county where the candidate filed the notice.

(2) Upon receiving a favorable verdict in accordance with existing law, the plaintiff candidate shall receive a monetary award of actual damages. The court shall award reasonable attorneys' fees to a plaintiff candidate who prevails in an action under this section. The plaintiff candidate may bring the civil action personally or authorize his or her candidate campaign committee to bring the civil action.

(3) A candidate who violates the disclosure requirements of State law in this section and that candidate's campaign committee shall be jointly and severally liable for the payment of damages and

attorneys' fees. If the candidate is held personally liable for any payment of damages or attorneys' fees, the candidate shall not use or be reimbursed by funds from the candidate's campaign committee in paying any amount.

Those advertisements shall also comply with federal disclosure requirements by use of visual legends. The content of those visual legends is specified by federal law. The size of those visual legends is determined by State law that satisfies minimum requirements under federal law. In the case of radio advertisements, the oral disclosure requirements under State law in this section incorporate the content requirements of federal law under 47 U.S.C. § 317.

(h) No Additional Liability of Television or Radio Outlets. -- Television or radio outlets shall not be liable under this section for carriage of political advertisements that fails to include the disclosure requirements provided for in this section.

MEMORANDUM

TO: Senator Roy Cooper, Chair, Senate Judiciary Committee

FROM: Brenda J. Carter, Committee Co-Counsel

RE: **SENATE BILL 759 - GUILTY BUT MENTALLY ILL - 2**
Senator Cooper

Senate Bill 759 would create the verdict of guilty but mentally ill and provide for the treatment, monitoring, and supervision of persons acquitted for insanity.

Guilty But Mentally Ill

Section 2 of the bill provides that if a defendant who is charged with 1st degree murder asserts the defense of insanity, the judge shall find the defendant "guilty but mentally ill" if the defendant fails to prove to the jury's satisfaction that the defendant was insane, but proves to the jury's satisfaction that at the time of the offense the defendant had a mental disease or defect that substantially impaired the defendant's ability to conform to the requirements of law. Mental disease or defect does not include voluntary intoxication or abnormalities manifested only by repeated criminal conduct.

Section 1 of the bill provides that a person who commits what is defined as 1st degree murder and is subsequently found "guilty but mentally ill" shall be guilty of 2nd degree murder and punished as a Class B2 felon. This means that rather than being sentenced to death or life imprisonment without parole, the offender who is found guilty but mentally ill, assuming prior record level I, would receive 125-157 months active punishment.

Section 4 of the bill sets out requirements for treatment for defendants found guilty but mentally ill (GBMI). When the defendant is sent to prison, he or she will receive a mental health evaluation

provided for by the Department of Correction. The Department of Correction must then provide treatment consistent with the recommendations and findings of the mental health evaluation. Before the defendant is released from prison, the Department of Correction must evaluate the defendant's mental condition and prepare a suitable community-based treatment plan for implementation upon the defendant's release. The treatment plan is to be prepared jointly by the Department of Correction and the mental health authority serving the geographical area where the defendant plans to reside.

Changes Applicable To Persons Found Not Guilty By Reason Of Insanity

Under current law, a person who is found not guilty by reason of insanity is automatically committed to a designated State facility. Unless waived, a hearing is required within 50 days. The defendant bears the burden of proving, by a preponderance of the evidence, that he is no longer has a mental illness or is no longer dangerous to others as defined by law. If the court is not satisfied that the defendant has met the burden, the court orders inpatient commitment of a period not to exceed 90 days; at least 15 days before the end of that period, a hearing must be calendared. If the court again finds that the defendant has not met the burden of proof, the inpatient commitment is continued for a period not to exceed 180 days; another hearing is calendared 15 days before the end of that period. A third or subsequent commitment may be for a period of up to one year. At any hearing, if the court is satisfied that the defendant has met his burden of proof, the court orders the defendant discharged and released.

Senate Bill 759 provides that the court will not discharge an individual who, as a result of medication or hospitalization, is no longer dangerous to others but who, without continued medication or supervised treatment, will suffer disability or deterioration that would result in dangerousness. The bill provides that the court will release such persons only under the condition that they are supervised by a designated area mental health authority or facility and continue to receive treatment and medication. A conditional release order is a commitment order and is subject to the same time limitations as commitment orders. Section 8 of the bill allows the court to revoke a conditional release order and recommit the person if the court finds that the conditions of release have not been fulfilled; that the person is dangerous to others; or that the person suffers from a mental illness that causes him or her to present a substantial risk of serious bodily harm, an imminent threat of physical injury, or a substantial risk of extreme destruction of property. The court retains jurisdiction to revoke a conditional release for as long as continued involuntary treatment is necessary to prevent reoccurrence of the person's mental illness or danger to others.

The bill becomes effective December 1, 1997 and applies to offenses committed on or after that date.

A BILL TO BE ENTITLED

AN ACT TO CREATE THE VERDICT OF GUILTY BUT MENTALLY ILL AND TO PROVIDE FOR THE TREATMENT, MONITORING, AND SUPERVISION OF INSANITY ACQUITTEES.

The General Assembly of North Carolina enacts:

Section 1. G.S. 14-17 reads as rewritten:

"**§ 14-17. Murder in the first and second degree defined; punishment.**

A murder which shall be perpetrated by means of poison, lying in wait, imprisonment, starving, torture, or by any other kind of willful, deliberate, and premeditated killing, or which shall be committed in the perpetration or attempted perpetration of any arson, rape or a sex offense, robbery, kidnapping, burglary, or other felony committed or attempted with the use of a deadly weapon shall be deemed to be murder in the first degree, a Class A felony, and any person who commits such murder shall be punished with death or imprisonment in the State's prison for life without parole as the court shall determine pursuant to G.S. 15A-2000, except that (i) any such person who was under 17 years of age at the time of the murder shall be punished with imprisonment in the State's prison for life without ~~parole.~~ parole, and (ii) any such person who is found guilty but mentally ill under G.S. 14-17.2 shall be guilty of second degree murder and punished as a Class B2 felon. Provided, however, any person under the age of 17 who commits murder in the first degree while serving a prison sentence imposed for a prior murder or while on escape from a prison sentence imposed for a prior murder shall be punished with death or imprisonment in the State's prison for life without parole as the court shall

determine pursuant to G.S. 15A-2000. All other kinds of murder, including that which shall be proximately caused by the unlawful distribution of opium or any synthetic or natural salt, compound, derivative, or preparation of opium, or cocaine or other substance described in G.S. 90-90(a)4., when the ingestion of such substance causes the death of the user, shall be deemed murder in the second degree, and any person who commits such murder shall be punished as a Class B2 felon."

Section 2. Chapter 14 of the General Statutes is amended by adding a new section to read:

"**§ 14-17.2. Guilty but mentally ill defined.**

(a) If a defendant charged with murder in the first degree asserts the defense of insanity, the trier of fact shall find the defendant guilty but mentally ill if:

(1) The State proves beyond a reasonable doubt the elements of murder in the first degree;

(2) The defendant fails to prove to the jury's satisfaction that the defendant was insane; and

(3) The defendant proves to the jury's satisfaction that he or she, at the time of the offense, had a mental disease or defect that substantially impaired the defendant's ability to conform his or her conduct to the requirements of law.

(b) 'Mental disease or defect,' as used in this section, does not include:

(1) An abnormality manifested only by repeated criminal or otherwise antisocial conduct; or

(2) Behavior manifested only as a result of voluntary intoxication."

Section 3. The title of Article 80 of Chapter 15A of the General Statutes reads as rewritten:

"ARTICLE 80.

Defendants Found Not Guilty by Reason of ~~Insanity.~~ Insanity and Defendants Found Guilty But Mentally Ill."

Section 4. Article 80 of Chapter 15A of the General Statutes is amended by adding a new section to read:

"**§ 15A-1323. Treatment for defendants found guilty but mentally ill.**

When a defendant charged with a crime is found guilty but mentally ill under G.S. 14-17.2, the presiding judge shall include in the written commitment order, in addition to that information required by G.S. 15A-1301, an order that the defendant receive a mental health evaluation arranged for or provided by the Department of Correction. The Department of Correction shall make available to the defendant during the period of imprisonment any treatment consistent with the recommendations and findings of the mental health evaluation. The order of the commitment shall require that, before the defendant may be released from a term of imprisonment, the Department of Correction must evaluate the defendant's mental condition and prepare a suitable community-based treatment plan for implementation upon the defendant's release. The treatment plan shall be prepared jointly by the Department of Correction and the area mental health, developmental disabilities, and substance abuse authority serving the geographical area where the defendant plans to

reside. The treatment plan shall be specifically designed to facilitate the return of the defendant to the community as a functioning, self-supporting citizen, and may include intensive supervision, day reporting, monitored medications, and appropriate supportive provisions for assistance in establishing residency, securing gainful employment, undergoing needed vocational rehabilitation, and such other outpatient services that appear beneficial."

Section 5. G.S. 122C-268.1(i) reads as rewritten:

"(i) The respondent shall bear the burden to prove by a preponderance of the evidence that he (i) no longer has a mental illness as defined in G.S. 122C-3(21), or (ii) is no longer dangerous to others as defined in G.S. 122C-3(11)b. If the court is so satisfied, then the court shall order the respondent discharged and ~~released.~~ released; provided, however, that the court shall not discharge an individual who, as a result of medication or hospitalization, is no longer dangerous to others, if it can be determined within reasonable medical probability that without continued medication or supervised treatment the respondent will suffer disability or deterioration that would result in dangerousness as defined in G.S. 122C-3(11)b. Such an individual may only be released in accordance with G.S. 122C-276.1(d). If the court finds that the respondent has not met his burden of proof, then the court shall order that inpatient commitment continue at a 24-hour facility designated pursuant to G.S. 122C-252 for a period not to exceed 90 days. The court shall make a written record of the facts that support its findings."

Section 6. G.S. 122C-271(c) reads as rewritten:

"(c) If the respondent was found not guilty by reason of insanity and has been held in a 24-hour facility pending the court hearing held pursuant to G.S. 122C-268.1, the court may make one of the following dispositions:

(1) If the court finds that the respondent has not proved by a preponderance of the evidence that he no longer has a mental illness or that he is no longer dangerous to others, it shall order inpatient treatment at a 24-hour facility for a period not to exceed 90 days.

(2) If the court finds that the respondent has proven by a preponderance of the evidence that he no longer has a mental illness or that he is no longer dangerous to others, the court shall order the respondent discharged and ~~released.~~ released; provided, however, that the court shall not discharge an individual who is no longer dangerous to others as a result of medication or hospitalization, if it can be determined within reasonable medical probability that without continued medication or supervised treatment the respondent will suffer disability or deterioration that would result in dangerousness as defined in G.S. 122C-3(11)b. Such an individual may only be released in accordance with the provisions for conditional release in G.S. 122C-276.1 and shall remain under commitment for a period not to exceed 90 days."

Section 7. G.S. 122C-276.1 reads as rewritten:

"**§ 122C-276.1. Inpatient commitment; rehearings for respondents who are insanity acquittees.**

(a) At least 15 days before the end of any inpatient commitment period or conditional release ordered pursuant to G.S. 122C-268.1, the clerk shall calendar the hearing and notify the parties as specified in G.S. 122C-264(d1), unless the hearing is waived by the respondent.

(b) The proceedings of the rehearing shall be governed by the same procedures provided by G.S. 122C-268.1.

(c) The respondent shall bear the burden to prove by a preponderance of the evidence that he (i) no longer has a mental illness as defined in G.S. 122C-3(21), or (ii) is no longer dangerous to others as defined in G.S. 122C-3(11)b. ~~If the court is so satisfied, then the court shall order the respondent discharged and released.~~ If the court finds that the respondent has not met his burden of proof, then the court shall order inpatient commitment be continued for a period not to exceed 180 days. If the court finds that the respondent has met his burden of proof, then the court shall order the respondent discharged and released; provided, however, that the court shall not discharge an individual who, as a result of medication or hospitalization, is no longer dangerous to others, if it can be determined within reasonable medical probability that without continued medication or supervised treatment the respondent will suffer disability or deterioration that would result in dangerousness as defined in G.S. 122C-3(11)b. Such an individual may only be conditionally released in accordance with subsections (d) through (f) of this section. The court shall make a written record of the facts that support its findings.

(d) If the court finds that the respondent meets the criteria for discharge by proving by a preponderance of the evidence that he or she is no longer dangerous to others as defined in G.S. 122C-3(11)b., but also finds within a reasonable medical probability that, without continued medication or supervised treatment, the respondent will suffer disability or deterioration that would result in dangerousness as defined in G.S. 122C-3(11)b., the court shall order the respondent conditionally released in accordance with this section. A conditional release order is a commitment order and is subject to the same limitations on periods of time as commitment orders. Before ordering any conditional release, the court shall make findings of fact that the respondent's mental illness can be controlled with proper care, medication, supervision, or treatment if he or she is conditionally released.

(e) If the court orders conditional release of the respondent in accordance with subsection (d) of this section, the court shall, in addition to any other conditions of release, order the respondent to report to an area authority or other facility designated by the Secretary for the treatment and supervision of individuals conditionally released under this section. As a condition of release, the court also shall order the respondent to continue to receive periodic psychiatric or psychological treatment, as prescribed and administered by the designated area authority or facility, and to take any medication prescribed as a part of that treatment. The area authority or other facility designated to treat and supervise the respondent shall monitor and document the respondent's compliance with prescribed treatment.

(f) In order to ensure the safety and welfare of the citizenry of the State and a respondent who is to be conditionally released, the court may permit the facility where the respondent has been committed, or other 24-hour facility designated by the Secretary, to keep the respondent in custody for a period of time not to exceed 30 days in order to permit sufficient time for the attending physician of the facility to prepare recommendations to the court for a suitable community-based treatment program for the respondent. The attending physician shall plan jointly with the area authority or other facility designated to supervise the respondent's treatment. The treatment program shall be specifically designed to facilitate the return of the respondent to the community as a functioning, self-supporting citizen, and may include appropriate supportive provisions for assistance in establishing residency, securing gainful employment, undergoing needed vocational rehabilitation, receiving marital and family counseling, and such other outpatient services that appear beneficial.

(g) If a respondent who is to be conditionally released will be residing in a county outside the judicial district of the district court ordering conditional release, the court shall transfer venue of the case to the district court of the other county and send a copy of all of the court's records of the proceedings to the other court.

~~(d)~~ (h) At least 15 days before the end of any commitment or conditional release period ordered pursuant to ~~subsection~~ subsections (c) or (d) of this section and annually thereafter, the clerk shall calendar the hearing and notify the parties as specified in G.S. 122C-264(d1). The procedures and standards for the rehearing are the same as under this section. No third or subsequent inpatient recommitment order or conditional release order shall be for a period longer than one year."

Section 8. Chapter 122C of the General Statutes is amended by adding a new section to read:

"**§ 122C-278. Revocation of conditional release.**

(a) The court may order revocation of a conditional release ordered pursuant to G.S. 122C-276.1 if the court finds after hearing evidence that:

(1) The conditions of release have not been fulfilled;

(2) The respondent is dangerous to others; or

(3) Based on the respondent's behavior or condition during the period of conditional release and the respondent's past mental health history, there is a substantial likelihood that the respondent suffers from a mental illness that causes him or her to present:

a. Substantial risk of serious bodily harm to the respondent or others;

b. An imminent threat of physical injury to the respondent or others; or

c. A substantial risk of extreme destruction of property.

(b) The court may retain jurisdiction to revoke a conditional release for as long as continued involuntary treatment is necessary to prevent reoccurrence of the respondent's mental illness and dangerousness.

(c) When the court finds that the conditional release should be revoked, the court shall immediately order the respondent recommited to the custody of the Department, subject to discharge or release only in accordance with the procedures provided in G.S. 122C-276.1."

Section 9. This act becomes effective December 1, 1997, and applies to offenses committed on or after that date.

MEMORANDUM

TO: Senator Roy Cooper, Chair, Senate Judiciary Committee

FROM: Brenda J. Carter, Committee Co-Counsel

RE: **SENATE BILL 741 - Charlotte Photo Enforcement**
Senator Dannelly

Senate Bill 741 is a local bill which would amend Article 15 (Streets, Traffic and Parking) of Chapter 160A (Cities and Towns) to allow the City of Charlotte to adopt an ordinance regarding the use of photographic images to enforce speeding and traffic signal violations.

The bill defines a traffic control photographic system and sets out requirements for the municipal ordinance. The driver is held responsible for a violation unless the owner furnishes evidence that the vehicle was in the control of another person or provides an affidavit stating that the vehicle had been stolen or was otherwise being used without the owner's permission. A violation detected by a traffic control photographic system is a noncriminal violation which is subject to a $50 civil penalty, and for which no drivers license points are assessed. When a violation is detected, a citation is issued to the owner by personal service or by certified mail. If the owner fails to pay the civil penalty or to otherwise respond within the specified time period, the owner will be subject to a $100 civil penalty. The city is required to institute an administrative hearing to review contested cases. The city is authorized to establish procedures for collection of the penalties and may enforce the penalties by civil action.

The city ordinance authorized by this bill would not preclude traditional enforcement of speeding and traffic offenses by law enforcement officers. The bill would be effective when it becomes law.

A BILL TO BE ENTITLED

AN ACT TO AUTHORIZE LOCAL GOVERNMENTS TO USE PHOTOGRAPHIC IMAGES AS PRIMA FACIE EVIDENCE OF A TRAFFIC VIOLATION.

The General Assembly of North Carolina enacts:

Section 1. Chapter 160A of the General Statutes is amended by adding a new section to read:

"§ 160A-300.1 Use of Traffic Control Photographic Systems.--

(a) A traffic control photographic system is an electronic system consisting of a photographic, video, or electronic camera and a vehicle sensor installed to work in conjunction with an official traffic control device to automatically produce photographs, video, or digital images of each vehicle violating a standard traffic control statute or ordinance.

(b) Any traffic control photographic system or any device which is a part of that system, as described in subdivision (a) of this section, deployed on a street or highway which is a part of the state highway system shall meet requirements established by the North Carolina Department of Transportation. Any traffic

control system deployed on a municipal street shall meet standards established by the municipality and shall be consistent with any standards set by the Department of Transportation.

(c) Municipalities may adopt ordinances for the civil enforcement of G.S. 20-141, 20-141.1, or 20-158 by means of a traffic control photographic system, as described in subsection (a) of this section. An ordinance authorized by this subsection shall provide that:

(1) The owner of a vehicle shall be responsible for a violation unless the owner can furnish evidence that the vehicle was, at the time of the violation, in the care, custody, or control of another person. The owner of the vehicle shall not be responsible for the violation if the owner of the vehicle, within twenty-one (21) days after notification of the violation, furnishes the officials or agents of the municipality which issued the citation:

a. the name and address of the person or company who leased, rented, or otherwise had the care, custody, and control of the vehicle; or

b. an affidavit stating that the vehicle involved was, at the time, stolen or in the care, custody, or control of some person who did not have permission of the owner to use the vehicle.

(2) A violation detected by a traffic control photographic system shall be deemed a noncriminal violation for which a civil penalty of fifty dollars ($50.00) shall be assessed, and for which no points authorized by G.S. 20-16(c) shall be assigned to the owner or driver of the vehicle.

(3) The owner of the vehicle shall be issued a citation which shall clearly state the manner in which the violation may be challenged, and the owner shall comply with the directions on the citation. The citation shall be processed by officials or agents of the municipality and shall be forwarded by personal service or first class mail to the address given on the motor vehicle registration. If the owner fails to pay the civil penalty or to respond

to the citation within the time period specified on the citation, the owner shall have waived the right to contest responsibility for the violation, and shall be subject to a civil penalty not to exceed one hundred dollars ($100.00). The municipality may establish procedures for the collection of these penalties and may enforce the penalties by civil action in the nature of debt.

(4) The municipality shall institute a non-judicial administrative hearing to review objections to citations or penalties issued or assessed under this section.

(5) Nothing in this section shall prevent or preclude enforcement of G.S. 20-141, 20-141.1, 20-143, and 20-158 by sworn law enforcement officers as a criminal offense."

Section 2. This act applies to the City of Charlotte only.

MEMORANDUM

TO: Senator Roy Cooper, Chair, Senate Judiciary Committee

FROM: Brenda J. Carter, Committee Co-Counsel

RE: **SENATE BILL 451 - COMPENSATE ERRONEOUSLY CONVICTED**
Senator Ballance

Senate Bill 451 amends the law concerning individuals seeking monetary damages for erroneous convictions.

Section 1 of the bill would require individuals who have been erroneously convicted of a felony, imprisoned and thereafter pardoned because of innocence to seek damages from the State **within 5 years** of their pardon.

Under current law, a petition to recover damages for erroneous conviction is presented to the Department of Correction for hearing before the Parole Commission. Section 2 of the bill would require that such petition be presented to the Industrial Commission rather than the Department of Correction.

Section 3 of the bill increases the amount of money which may be recovered in such an action from a maximum of $500 for each year of imprisonment to $10,000 for each year, or portion of a year, of imprisonment. The total recovery allowed under the statute is increased from $5,000 to $150,000.

Senate Bill 451 is effective when it becomes law.

BILL SUMMARY: **H 613. COMPENSATE ERRONEOUSLY CONVICTED (=S 451).** *TO INCREASE THE COMPENSATION PROVIDED TO PERSONS ERRONEOUSLY CONVICTED OF FELONIES, TO PROVIDE FOR THE INDUSTRIAL COMMISSION TO HANDLE THE CLAIMS OF THOSE PERSONS, AND TO PROVIDE THAT THOSE CLAIMS MUST BE BROUGHT WITHIN FIVE YEARS* Amends GS 148-82, 148-83 and 148-84 for purpose indicated in title. Compensation may not exceed $10,000 (now, $500) for each year or portion of year of imprisonment actually served, and total compensation may not exceed $150,000 (now, $5,000).[1]

[1] *Daily Bulletin,* Institute of Government, UNC-Chapel Hill

ASSUMPTIONS AND METHODOLOGY: GS 148-82, GS 148-83 and GS148-84 specify a claims for pecuniary loss procedure for felons who were imprisoned and then pardoned by the Governor, on the ground that the crime for which they were convicted was not committed at all or not committed by them (a "pardon of innocence"). Current law specifies that the individual can petition the Department of Correction for a hearing before the Parole Commission. This bill moves the petition/hearing to the Industrial Commission and raises the limits on compensation from $500 per year of imprisonment to $10,000 per year and from a total of $5,000 to a total of $150,000. It also specifies claims must be made within 5 years of the pardon .

According to the Governor's Office of Pardon and the Post Release Supervision and Parole Commission, only one individual has received a pardon of innocence in memory. That individual was incarcerated roughly 11 years and pardoned in 1995. Their claim may be as high as $110,000 (11*10000) depending on the findings of the Industrial Commission.

Because pardons of innocence are rare events, no impact is projected on the Industrial Commission.

MEMORANDUM

TO: Senator Roy Cooper, Chair, Senate Judiciary Committee

FROM: O. Walker Reagan, Committee Co-Counsel

RE: **SENATE BILL 324 - CONCEALED HANDGUNS/LIABILITY** - Senator Odom

Senate Bill 324 would clarify the law by providing that the person in legal possession or control of premises has no liability for allowing or prohibiting another person to carry a concealed handgun on the premises in accordance with the Concealed Handgun Permit Act.

G.S. 14-415.11(c) prohibits the carrying of a concealed handgun by a concealed handgun permit holder on any premises where notice that carrying a concealed handgun is prohibited by the posting of a conspicuous notice or statement by the person in legal possession or control of the premises. G.s. 14-415.11 also prohibits the carrying of a concealed handgun by a permit holder in other places as well. (Copy of G.S. 14-415.11 is attached.)

This bill states that a person does not have liability if they should fail to prevent a person from carrying a concealed handgun on their property and a person is injured by the handgun, nor is the person liable if another person is injured on the premises where a concealed handgun is prohibited, if the injury might have been prevented if concealed handguns were allowed.

The bill becomes effective when it becomes law.

(b) The sheriff shall issue a permit to carry a concealed handgun to a person who qualifies for a permit under G.S. 14-415.12. The permit shall be valid throughout the State for a period of four years from the date of issuance.

(c) A permit does not authorize a person to carry a concealed handgun in the areas prohibited by G.S. 14-269.2, 14-269.3, 14-269.4, and 14-277.2, in an area prohibited by rule adopted under G.S. 120-32.1, in any area prohibited by 18 U.S.C. § 922 or any other federal law, in a law enforcement or correctional facility, in a building housing only State or federal offices, in an office of the State or federal government that is not located in a building exclusively occupied by the State or federal government, a financial institution, or any other premises where notice that carrying a concealed handgun is prohibited by the posting of a conspicuous notice or statement by the person in legal possession or control of the premises. It shall be unlawful for a person, with or without a permit, to carry a concealed handgun while consuming alcohol or at any time while the person has remaining in his body any alcohol or in his blood a controlled substance previously consumed, but a person does not violate this condition if a controlled substance in his blood was lawfully obtained and taken in therapeutically appropriate amounts.

TO: Senator Roy Cooper, Chair, Senate Judiciary Committee

FROM: O. Walker Reagan, Committee Co-Counsel

RE: **SENATE BILL 325 - CONCEALED HANDGUN EXEMPTION** - Senator Odom

Senate Bill 325 would exempt certain current and recently retired law enforcement officers from the training requirement in order to be eligible for a conceal handgun permit.

Section 1 of the bill adds a new section to the Concealed Handgun law to exempt qualified sworn law enforcement officers and qualified former sworn law enforcement officers from having to take and successfully complete an approved firearms safety and training course that involves actual firing of handguns and instruction in the laws of North Carolina governing the carrying of a concealed handgun and the use of deadly force.

Section 2 adds two new definitions for "qualified former sworn law enforcement officer" and "qualified sworn law enforcement officer". **A qualified former officer** is a person who has retired from a North Carolina State or local law enforcement agency for reasons other than mental disability, who has been retired a year or less and who immediately before retirement was a qualified law enforcement officer in NC, has nonforfeitable rights to benefits as a retired law enforcement officer, and who is not prohibited by State or federal law from receiving a firearm. **A qualified current officer** is one would is currently employed by a local or State law enforcement agency who is authorized to carry a handgun while on duty, is not subject to disciplinary action which could prevent the carrying of a handgun, and who meets the requirements of the agency regarding handguns.

Section 3 adds a provision to the permit form statute to require information on the law enforcement status of the applicant for a concealed handgun permit.

The bill becomes effective December 1, 1997.

AN EQUAL OPPORTUNITY/AFFIRMATIVE ACTION EMPLOYER

RE: **Senate Bill 862** (Proposed Committee Substitute S862-CSLHK-1), **TO PROVIDE GREATER FLEXIBILITY TO UNC IN NEGOTIATING CERTAIN CONTRACTS AND CAPITAL PROJECTS, TO INCREASE THE BENCHMARK FOR PURCHASES BY UNC AND OTHER STATE AGENCIES, AND TO AUTHORIZE EMPLOYEE PAYROLL DEDUCTIONS FOR CERTAIN DISCRETIONARY PRIVILEGES OF UNIVERSITY SERVICE AT UNC** introduced originally by Senator Lee and others.

Section 1 would add two new sections to G.S. Chapter 116, Article 1, Part 3,UNC Constituent Institutions. The *proposed §116.31.10* would require that the Board of Governors (Board) establish an expenditure benchmark and a bid value benchmark for a special responsibility constituent institution (so designated by an express finding by the Board that the institution has management staff and controls to allow it to administer additional delegated management authority (G.S. 116-30.1)). The Board, consulting with the Governor and the Director of the Division of Purchase and Contract, would set the benchmarks at no greater than $250,000, considering the institution's overall capabilities (including staff resources, purchasing compliance reviews and audit reports).

The proposed *§116.31.11* would permit the Board, with regard to buildings, to conduct fee negotiations and letting of contracts involving design, construction or renovation of open-end design agreements, individual projects, designed under an open-end design agreement, costing $300,000 or less; or minor capital improvement projects costing $500,000 or less. The Board could delegate this authority to the constituent institution if qualified under procedures approved by the State Building Commission. Duties of the Department of Administration and its Office of State Construction relating to architecture and engineering (G.S. 143-341(3)) and adjustment and resolution of construction claims(G.S. 143-135.3) are delegated to the Board for capital projects costing $1,000,000 or less (this authority expires on July 1, 2001). This authority could be further delegated to the constituent institutions.

Section 2 would amend G.S.143-52 to direct the Secretary of Administration to include printing among those items to be examined for consolidation of estimates of services. Where expenditure in excess of the expenditure benchmark would be involved, bids would be solicited. Electronic means would be added to that of newspaper advertisement as a method for soliciting bids. The

tabulation of the of the bid and the bidder shall become a public record in accordance with the rules of the Secretary of Administration.

Section 3 would amend *G.S. 143-53(a)* relating to the Secretary of Administration's duty of prescribing the routine for securing bids on items under the value benchmark to detail the procedure for delegation of this authority.

Section 4 would amend *G.S. 143-53.1* to increase on July 1, 1997 the benchmark for competitive bids from $10,000 to $25,000.

Section 5 is a conforming change (see Section 1).

Section 6 is a clarifying change.

Section 7 would amend *G.S. 143-64.34* to raise from $50,000 to $100,000 the estimate cost of capital improvement projects, under the jurisdiction of the State Building Commission, and thus exempt from the provisions of Purchases and Contracts Article. UNC capital improvement projects and individual projects having an estimated public expenditure of $300,000 or less are similarly excluded if the architectural, engineering, and surveying services are included under an open-end agreement publicly announced.

Section 8 is a conforming change(see Section 1).

Section 9 amends *G.S. 143-3.3* to allow payroll deduction for UNC employees for discretionary privileges including parking, athletic passes, use of recreational facilities, concert admissions, and access to other institutional events and facilities.

Sections 10 and 11 requires the Office of State Budget and Management to evaluate the process and results of the delegations authorized under this and to report its by April 15, 2001.

Section 12 would make the bill effective when it becomes law., except for the expiration of §116-31.11 would be repealed as of July 1, 2001 as noted at Section 1above..

MEMORANDUM

TO: Senator Roy Cooper, Chair, Senate Judiciary Committee

FROM: O. Walker Reagan, Committee Co-Counsel

RE: **SENATE BILL 263-WORKERS' COMPENSATION/NONRESIDENT ALIENS** - Senator Odom

Senate Bill 263 amends the law for the payment of death benefits under Workers' Compensation to treat payments to the survivors of nonresident aliens the same as residents.

Under current law, workers' compensation benefits paid to the survivors of a non-resident alien residing in another country are limited to certain beneficiaries and maybe limited to an amount of one-half the present value of all future payments due and paid in a lump sum. This bill eliminates any difference in benefits paid to survivors of workers' covered by workers' compensation based residence status.

This bill becomes effective when it becomes law and applies to awards of compensation entered on or after that date.

A BILL TO BE ENTITLED

AN ACT TO AMEND THE WORKERS' COMPENSATION ACT SO THAT NONRESIDENT ALIENS RECEIVE COMPENSATION EQUAL TO THAT RECEIVED BY OTHER WORKERS UNDER THE ACT.

The General Assembly of North Carolina enacts:

Section 1. G.S. 97-38 reads as rewritten:

"**§ 97-38. Where death results proximately from compensable injury or occupational disease; dependents; burial expenses; compensation to aliens; election by partial dependents.**

If death results proximately from a compensable injury or occupational disease and within six years thereafter, or within two years of the final determination of disability, whichever is later, the employer shall pay or cause to be paid, subject to the provisions of other sections of this Article, weekly payments of compensation equal to sixty-six and two-thirds percent (66 2/3%) of the average weekly wages of the deceased employee at the time of the accident, but not more than the amount established annually to be effective October 1 as provided in G.S. 97-29, nor less than thirty dollars ($30.00), per week, and burial expenses not exceeding two thousand dollars ($2,000), to the person or persons entitled thereto as follows:

(1) Persons wholly dependent for support upon the earnings of the deceased employee at the time of the accident shall be entitled to receive the entire compensation payable share and share alike to the exclusion of all other persons. If there be only one person wholly dependent, then that person shall receive the entire compensation payable.

(2) If there is no person wholly dependent, then any person partially dependent for support upon the earnings of the deceased employee at the time of the accident shall be entitled to receive a weekly payment of compensation computed as hereinabove provided, but such weekly payment shall be the same proportion of the weekly compensation provided for a whole dependent as the amount annually contributed by the deceased employee to the support of such partial dependent bears to the annual earnings of the deceased at the time of the accident.

(3) If there is no person wholly dependent, and the person or all persons partially dependent is or are within the classes of persons defined as 'next of kin' in G.S. 97-40, whether or not such persons or such classes of persons are of kin to the deceased employee in equal degree, and all so elect, he or they may take, share and share alike, the commuted value of the amount provided for whole dependents in (1) above instead of the proportional payment provided for partial dependents in (2) above; provided, that the election herein provided may be exercised on behalf of any infant partial dependent by a duly qualified guardian; provided, further, that the Industrial Commission may, in its discretion, permit a parent or person standing **in loco parentis** to such infant to exercise such option in its behalf, the award to be payable only to a duly qualified guardian except as in this Article otherwise provided; and provided, further, that if such election is exercised by or on behalf of more than one person, then they shall take the commuted amount in equal shares.

When weekly payments have been made to an injured employee before his death, the compensation to dependents shall begin from the date of the last of such payments. Compensation payments due on account of death shall be paid for a period of 400 weeks from the date of the death of the employee; provided, however, after said 400-week period in case of a widow or widower who is unable to support herself or himself because of physical or mental disability as of the date of death of the employee, compensation payments shall continue during her or his lifetime or until remarriage and compensation payments due a dependent child shall be continued until such child reaches the age of 18.

Compensation payable under this Article to aliens not residents (or about to become nonresidents) of the United States ~~or Canada,~~ shall be the same in amounts as provided for ~~residents, except that dependents in any foreign country except Canada shall be limited to surviving wife and child or children, or if there be no surviving wife or child or children, to the surviving father or mother whom the employee has supported, either in whole or in part, for a period of one year prior to the date of the injury; provided, that the Commission may, in its discretion, or, upon application of the employer or insurance carrier shall commute all future installments of compensation to be paid to such aliens to their present value and payment of one~~

To the Honorable
Senator Fountain Odom,
North Carolina Senate,
Room 300-B,
Legislative Office,
Raleigh, N. C. 27601-2808

Dear Senator Odom:

I just learned that you have recently introduced the Senate Bill HB 263 to amend the North Carolina's Workers' Compensation Act. Your amendment proposes to remove the unjust provisions in the present law that, with the exception of Canadian citizens, reduces the compensation payable to non-resident workers.

The provision which your amendment proposes to eliminate is clearly against the principle of equality stated by the Constitution of the United States of America and as far as I know this provision was originally included in a sample legislative scheme that was used as a guide by many State Legislatures when they created their Workmen's Compensation Commission. North Caroline is one of the few remaining States that has not removed this patently discriminatory language from its Statute.

I am enclosing a copy of a Petition for Writ of Certiorari to the U. S. Supreme Court that was filed by the League of United Latin American Citizens (LULAC) and the Mexican American Legal Defense Fund (MALDEF). The Writt challenged the constitutionality of a similar law in Georgia. This letter and its enclosures will be also sent to you by Federal Express.

On behalf of the Mexican workers and of my own, I want to assure you of our deep gratitude.

Sincerely yours,

Salvador Cassian-Santos,
Consul General of Mexico.

A BILL TO BE ENTITLED

AN ACT TO STRENGTHEN THE OPEN MEETINGS LAW TO REQUIRE ACCOUNTS OF CLOSED MEETINGS, TO PROHIBIT VOTING ON ECONOMIC DEVELOPMENT INCENTIVES IN CLOSED SESSIONS AND TO CLARIFY INFORMATION THAT MUST BE DISCLOSED PUBLICLY ABOUT PROSPECTIVE REAL ESTATE PURCHASES BY PUBLIC BODIES.

The General Assembly of North Carolina enacts:

Section 1. G.S. 143-318.10(e) reads as rewritten:

"(e) Every public body shall keep full and accurate minutes of all official meetings, including any closed sessions held pursuant to G.S. 143-318.11. Such minutes may be in written form or, at the option of the public body, may be in the form of sound or video and sound recordings. When a public body meets in closed session, it shall keep an account of the closed session in a written narrative form such that a person not in attendance would have a reasonable understanding of what transpired, including a record of positions taken by public officials during discussion by the public body. Such accounts, at the option of the public body, may be in the form of sound or video recordings. Such minutes and accounts shall be public records within the meaning of the Public Records Law, G.S. 132-1 et seq.; provided, however, that minutes or an account of a closed session conducted in compliance with G.S. 143-318.11 may be withheld from public inspection so long as public inspection would frustrate the purpose of a closed session."

Section 2. G.S. 143-318.11(a) reads as rewritten:

"(a) Permitted Purposes. -- It is the policy of this State that closed sessions shall be held only when required to permit a public body to act in the public interest as

permitted in this section. A public body may hold a closed session and exclude the public only when a closed session is required:

(1) To prevent the disclosure of information that is privileged or confidential pursuant to the law of this State or of the United States, or not considered a public record within the meaning of Chapter 132 of the General Statutes.

(2) To prevent the premature disclosure of an honorary degree, scholarship, prize, or similar award.

(3) To consult with an attorney employed or retained by the public body in order to preserve the attorney-client privilege between the attorney and the public body, which privilege is hereby acknowledged. General policy matters may not be discussed in a closed session and nothing herein shall be construed to permit a public body to close a meeting that otherwise would be open merely because an attorney employed or retained by the public body is a participant. The public body may consider and give instructions to an attorney concerning the handling or settlement of a claim, judicial action, or administrative procedure. If the public body has approved or considered a settlement, other than a malpractice settlement by or on behalf of a hospital, in closed session, the terms of that settlement shall be reported to the public body and entered into its minutes as soon as possible within a reasonable time after the settlement is concluded.

(4) To discuss matters relating to the location or expansion of industries or other businesses in the area served by the public body. No public body shall formally or informally extend or offer, or permit anyone to extend or offer on behalf of the public body, an inducement, incentive, commitment or consideration that has economic value, and that is financed in whole or in part by public funds, except pursuant to a vote duly taken and recorded in an open session.

(5) To establish, or to instruct the public body's staff or negotiating agents concerning the position to be taken by or on behalf of the public body in negotiating (i) the price and other material terms of a contract or proposed contract for the acquisition of real property by purchase, option, exchange, or lease; or (ii) the amount of compensation and other material terms of an employment contract or proposed employment contract. Provided, however, that if a public body considers the acquisition of an interest in real property, the following information shall be disclosed in the next open session following the closed session: the location of the property; the name(s) of the current property owner(s); the proposed or potential uses of the property; and any proposal or offer from the potential seller.

(6) To consider the qualifications, competence, performance, character, fitness, conditions of appointment, or conditions of initial employment of an individual public officer or employee or prospective public officer or employee; or to hear or investigate a complaint, charge, or grievance by or against an individual public officer or employee. General personnel policy issues may not be considered in a closed session. A public body may not consider the qualifications, competence, performance, character, fitness, appointment, or removal of a member of the public body or another body and may not consider or fill a vacancy among its own membership except in an open meeting. Final action making an appointment or discharge or removal by a public body having final authority for the appointment or discharge or removal shall be taken in an open meeting.

(7) To plan, conduct, or hear reports concerning investigations of alleged criminal misconduct."

MEMORANDUM

TO: Senator Roy Cooper, Chair, Senate Judiciary Committee

FROM: O. Walker Reagan, Committee Co-Counsel

RE: **PROPOSED COMMITTEE SUBSTITUTE FOR SENATE BILL 844 - STRENGTHEN OPEN GOVERNMENT** - Senator Hoyle.

The Proposed Committee Substitute for Senate Bill 844 would amend the Open Meetings Law by requiring more detailed minutes or recordings of closed sessions and by requiring that offers of economic incentives must be voted on in open session.

Section 1 of the bill amends G.S. 143-318.10(e) by requiring that an account of a closed session must be made in a written narrative form to the extent that a person not in attendance would have a reasonable understanding of what transpired including a record of positions taken by public officials. The bill allows as an option that this account may be in the form of a sound or video recording. These accounts would be treated the same as minutes of a closed session and would be public records that may be withheld from public inspection so long as public inspection would frustrate the purpose for a closed session.

Section 2 amends G.S. 143-318.11(a)(4) which permits a closed session by a public body to discuss matters relating to the location or expansion of industries or other businesses in the area served by the public body. This bill would prohibit a public body from formally or informally extending or offering, or permitting another to extend or offer, an inducement, incentive, commitment or consideration that has economic value and is financed in whole or part by public funds, except pursuant to a vote taken and recorded in open session.

This bill becomes effective when it becomes law.

§ 143-318.10. All official meetings of public bodies open to the public.

(a) Except as provided in G.S. 143-318.11, G.S. 143-318.14A, G.S. 143-318.15, and G.S. 143-318.18, each official meeting of a public body shall be open to the public, and any person is entitled to attend such a meeting.

(b) As used in this Article, "public body" means any elected or appointed authority, board, commission, committee, council, or other body of the State, or of one or more counties, cities, school administrative units, constituent institutions of The University of North Carolina, or other political subdivisions or public corporations in the State that (i) is composed of two or more members and (ii) exercises or is authorized to exercise a legislative, policy-making, quasi-judicial, administrative, or advisory function. In addition, "public body" means the governing board of a "public hospital" as defined in G.S. 159-39 and the governing board of any nonprofit corporation to which a hospital facility has been sold or conveyed pursuant to G.S. 131E-8, any subsidiary of such nonprofit corporation, and any nonprofit corporation owning the corporation to which the hospital facility has been sold or conveyed.

(c) "Public body" does not include (1) a meeting solely among the professional staff of a public body, or (2) the medical staff of a public hospital or the medical staff of a hospital that has been sold or conveyed pursuant to G.S. 131E-8.

(d) "Official meeting" means a meeting, assembly, or gathering together at any time or place or the simultaneous communication by conference telephone or other electronic means of a majority of the members of a public body for the purpose of conducting hearings, participating in deliberations, or voting upon or otherwise transacting the public business within the jurisdiction, real or apparent, of the public body. However, a social meeting or other informal assembly or gathering together of the members of a public body does not constitute an official meeting unless called or held to evade the spirit and purposes of this Article.

Such minutes may be in written form or, at the option of the public body, may be in the form of sound or video and sound recordings. Such minutes shall be public records within the meaning of the Public Records Law, G.S. 132-1 et seq.; provided, however, that minutes of a closed session conducted in compliance with G.S. 143-318.11 may be withheld from public inspection so long as public inspection would frustrate the purpose of a closed session.

SENATE BILL 228*

Short Title: Child Abuse/No Report Misdem. (Public)

Sponsors: Senators Winner; Allran, Cooper, and Martin of Guilford.

Referred to: Judiciary.

February 24, 1997

A BILL TO BE ENTITLED

AN ACT TO IMPOSE A CRIMINAL PENALTY FOR THE WILLFUL FAILURE TO REPORT CHILD ABUSE, AS RECOMMENDED BY THE CHILD FATALITY TASK FORCE.

The General Assembly of North Carolina enacts:

Section 1. G.S. 7A-543 reads as rewritten:

"**§ 7A-543. Duty to report child abuse, neglect, dependency, or death due to maltreatment.**

Any person or institution who has cause to suspect that any juvenile is abused, neglected, or dependent, as defined by G.S. 7A-517, or has died as the result of maltreatment, shall report the case of that juvenile to the Director of the Department of Social Services in the county where the juvenile resides or is found. The report may be made orally, by telephone, or in writing. The report shall include information as is known to the person making it including the name and address of the juvenile; the name and address of the juvenile's parent, guardian, or caretaker; the age of the juvenile; the names and ages of other juveniles in the home; the present whereabouts of the juvenile if not at the home address; the nature and extent of any injury or condition resulting from abuse, neglect, or dependency; and any other information which the person making the report believes might be helpful in establishing the need for protective services or court intervention. If the report is made orally or by telephone, the person making the report shall give the person's name, address, and telephone number. Refusal of the person making the report to give a name shall not preclude the Department's investigation of the alleged abuse, neglect, dependency, or death as a result of maltreatment. Any person or institution

required by this section to report child abuse, neglect, or dependency or a child's death due to suspected maltreatment, who knowingly and willfully fails to make the report, or who knowingly and willfully prevents another from making the report, shall be guilty of a Class 3 misdemeanor.

Upon receipt of any report of child sexual abuse in a day care facility or day care home, the Director shall notify the State Bureau of Investigation within 24 hours or on the next work day. If child sexual abuse in a day care facility or day care home is not alleged in the initial report, but during the course of the investigation there is reason to suspect that child sexual abuse has occurred, the Director shall immediately notify the State Bureau of Investigation. Upon notification that child sexual abuse may have occurred in a day care facility or day care home, the State Bureau of Investigation may form a task force to investigate the report."

Section 2. This act is effective when it becomes law.

MEMORANDUM

TO: Senator Roy Cooper, Chair, Senate Judiciary Committee

FROM: Brenda J. Carter, Committee Co-Counsel

RE: **SENATE BILL 228 - CHILD ABUSE/NO REPORT MISDEMEANOR**
Proposed Committee Substitute
Senator Winner

Senate Bill 228 is a recommendation of the Child Fatality Task Force.

Under current law, any person or institution who has cause to suspect that any juvenile is abused, not receiving proper care or supervision, or has died as the result of mistreatment, is required to report that fact to the DSS where the juvenile resides. The proposed committee substitute for Senate Bill 228 would make it a Class 3 misdemeanor for a person who has actual knowledge that a child has been physically abused to fail to report the abuse. It would also be a Class 3 misdemeanor for a person who has a custodial, caregiving or professional relationship with a juvenile to fail to report actual *or suspected* physical abuse or death due to maltreatment. Any person who knowingly and willfully prevents another person from making a required report would be guilty of a Class 3 misdemeanor.

A Class 3 misdemeanor, assuming no prior convictions, is punishable by a fine up to $200 and/or 1-10 days community punishment.

The bill would become effective when it becomes law.

BILL SUMMARY: **H 152. CHILD ABUSE REPORT PENALTY.** *TO IMPOSE A CRIMINAL PENALTY FOR THE WILLFUL FAILURE TO REPORT CHILD ABUSE, AS RECOMMENDED BY THE CHILD FATALITY TASK FORCE.* Amends GS 7A-543 (which requires any person with cause to suspect that a juvenile is abused, neglected, or dependent or has died as a result of maltreatment to report the case to the department of social services) to add a provision that knowing and willful failure to make a required report or knowing and willful prevention of another from making a report is a class 3 misdemeanor.

ASSUMPTIONS AND METHODOLOGY: Current law requires anyone who has cause to suspect a child is abused, neglected or dependent to report the case to the Department of Social Services but does not specify a penalty for failure to report. This bill specifies that anyone knowingly and willfully fails to report is guilty of a Class 3 Misdemeanor.

The Sentencing Commission predicts this bill would have no significant impact on the prison population (since the penalty is a misdemeanor) and only a small impact on county jails.

The Judicial Branch feels that this bill would have a fiscal impact on the Judicial Branch due to an increased number of misdemeanor cases. However, they are not able to provide a specific estimate of the impact.

It is difficult to project the number of abuse cases that are not currently being reported and the number of failures to report that would be discovered and prosecuted. The number of child abuse/neglect/dependency cases that were reported (57,907) and the number prosecuted (3,553) last year are known. The majority (68.5%) of the reports were unsubstantiated. Also, it is estimated that 2/3rd of child abuse cases are never reported. Using last year's number of substantiated cases as a guide there could be 36,482 unreported cases each year. If the abuse itself is not detected there is unlikely to be a charge for failure to report.

Another approach is to look at the number of reported substantiated cases (18,241). In some of these cases there may be individuals who should have reported the case but did not and may face prosecution. These cases are more likely to receive attention where there is enough evidence to bring criminal charges against the abusers, a much smaller number.

There is also a possible impact on County Departments of Social Services in two areas. First of all, more people may be spurred to report both substantiated and unsubstantiated cases, potentially increasing investigative workloads. Second, in cases where a failure to report is detected, Child Protective workers may be involved in tracking the case through the court system.

In summary, there is indication that this bill will result in some increase in the number of misdemeanor cases. Whether the number is significant is impossible to predict. Each new misdemeanor case typically requires 15-30 minutes time in District Court.

Dear Fountain:

Patrick Hunter, a Charlotte attorney, has sent me a letter explaining that under current North Carolina law, the Worker's Compensation Act obtains a provision that would permit insurance companies to pay only one half of the usual benefit amount to foreign workers who are killed during their employment. His letter states that you have introduced a bill (HB 263) which would delete this provision.

On behalf of the French citizens who work in North Carolina, I would like to support House Bill 263. French investment is very important to our State. If the current bill remains unchanged, it could hurt the French presence in North Carolina. Thank you for your concern for the foreign workers who are contributing to the economic well-being of our State.

MEMORANDUM

TO: Senator Roy Cooper, Chair, Senate Judiciary Committee

FROM: O. Walker Reagan, Committee Co-Counsel

RE: **PROPOSED COMMITTEE SUBSTITUTE FOR SENATE BILL 430 - INDUSTRIAL HYGIENISTS** - Senator Odom

The Proposed Committee Substitute for Senate Bill 430 would make it a Class 2 misdemeanor for a person to hold him or herself out as a certified industrial hygienist unless they were certified by the American Board of Industrial Hygiene. The bill would also authorize injunctive relief to restrain a continuing violation of these provisions.

The bill prohibits any person from practicing as a Certified Industrial Hygienist or Industrial Hygienist in Training, or to advertise as such, unless the person is certified by the Board. The bill defines what an industrial hygiene is, and who is covered as an industrial hygienist, certified industrial hygienist, and an industrial hygienist in training.

The bill does not create any new licensing or certification board and no State agency would need to enforce this law.

The bill provides that a violation of this new law would constitute a Class 2 misdemeanor and also authorizes the court to issue a restraining order against further illegal use of the title.

The bill also makes clear that nothing in this act restricts the practice of engineering by professional engineers, nor does it permit a certified industrial hygienist to practice engineering without being licensed as a professional engineer.

The bill would become effective December 1, 1997 and would apply to violations which occur on or after that date.

RE: **SENATE BILL 786 - VOC. REHAB. SUBROGATION CHANGE**
Senator Martin of Guilford

Senate Bill 786 amends the subrogation rights requirements for the Division of Vocational Rehabilitation. The bill eliminates the priority listing in the current statute, and requires that an attorney retained by a beneficiary of vocational rehabilitation assistance distribute to the Division, from the proceeds obtained on behalf of the beneficiary from a third party by settlement or judgment based on injury or death, the amount of assistance paid by the Division to the beneficiary. The amount to be paid is to be prorated with claims of persons having medical subrogation rights or medical liens against the amount of settlement, judgment, or recovery. The amount paid to the Division may not exceed one-third of the gross amount of the settlement, judgment, or recovery.

The bill is effective when it becomes law and applies to claims filed on or after July 1, 1997.

FROM: Brenda J. Carter, Committee Co-Counsel

RE: **SENATE BILL 384 - PROTECT ROBBERY WITNESS**
Senators Dalton and Soles

Senate Bill 384 amends the public records law regarding criminal investigations. Under current law, records of criminal investigations or records of criminal intelligence information compiled by public law enforcement agencies are not public records. However, unless otherwise prohibited by law, the name, sex, age, and address of a complaining witness is a public record.

G.S. 132-1.4(d) provides that the name or address of a complaining witness may be temporarily withheld if release of the information is reasonably likely to pose a threat to the health or safety of the complaining witness. Senate Bill 384 would provide that in the event of a robbery of a financial institution, the financial institution will be considered to be the complaining witness. The sex, age, and address of any individual employee of the institution would not be a public record.

The bill would become effective when it becomes law, and would apply to robberies occurring on or after that date.

March 13, 1997

A BILL TO BE ENTITLED

AN ACT TO AMEND THE PUBLIC RECORDS LAW TO PROTECT THE IDENTITY OF EMPLOYEES OF FINANCIAL INSTITUTIONS IN THE EVENT OF ROBBERY.

The General Assembly of North Carolina enacts:

Section 1. G.S. 132-1.4(d) reads as rewritten:

"(d) A public law enforcement agency shall temporarily withhold the name or address of a complaining witness if release of the information is reasonably likely to pose a threat to the mental health, physical health, or personal safety of the complaining witness or materially compromise a continuing or future criminal investigation or criminal intelligence operation. Information temporarily withheld under this subsection shall be made available for release to the public in accordance with G.S. 132-6 as soon as the circumstances that justify withholding it cease to exist. However, for purposes of this section, in the event of the robbery of a financial institution as defined in G.S. 53B-2(2), the financial institution shall be considered to be the complaining witness and the sex, age, and address of any individual employee of that institution is not a public record within the meaning of G.S. 132-1.

Any person denied access to information withheld under this subsection may apply to a court of competent jurisdiction for an order compelling disclosure of the information. In such action, the court shall balance the interests of the public in disclosure against the interests of the law enforcement agency and the alleged victim in withholding the information. Actions brought pursuant to this subsection shall be

set down for immediate hearing, and subsequent proceedings in such actions shall be accorded priority by the trial and appellate courts."

Section 2. This act is effective when it becomes law and applies to robberies occurring on or after that date.

a. On the top margin of each ballot the applicant is entitled to vote, the ~~chairman~~ chairman, a member, officer, or employee of the board of elections shall write or type the words 'Absentee Ballot No. ....' or an abbreviation approved by the State Board of Elections and insert in the blank space the number assigned the applicant's application in the register of applications for absentee ballots and ballots issued. ~~He~~ That person shall not write, type, or print any other matter upon the ballots transmitted to the absentee voter. Alternatively, the board of elections may cause to be

barcoded on the ballot the voter's application number, if such barcoding system is approved by the State Board of Elections.

b. The ~~chairman~~ chairman, member, officer, or employee of the board of elections shall fold and place the ballots (identified in accordance with the preceding instruction) in a container-return envelope and write or type in the appropriate blanks thereon, in accordance with the terms of G.S. 163-229(b), the absentee voter's name, ~~his~~ the absentee voter's application number and the designation of the precinct in which the voter is registered. The ~~chairman~~ person placing the ballots in the envelopes shall leave the container-return envelope holding the ballots unsealed.

c. The ~~chairman~~ chairman, member, officer, or employee of the board of elections shall then place the unsealed container-return envelope holding the ballots together with printed instructions for voting and returning the ballots, in an envelope addressed to the applicant at the post office address stated in ~~his~~ the applicant's ~~application,~~ request, seal the envelope, and mail it at the expense of the county board of elections, or deliver it to the applicant in person: Provided, that in case of approval of an application received after 5:00 P.M. on the Tuesday before the election under the provisions of G.S. 163-227(b)(2), in lieu of transmitting the ballots to the applicant in person or by mail, the ~~chairman~~ chairman, member, officer, or employee of the board of elections may deliver the sealed envelope containing the instruction sheet and the container-return envelope holding the ballots to a near relative of the voter.

TO: Senator Roy A. Cooper, Chair, Senate Judiciary Committee.

FROM: William R. Gilkeson, Staff Attorney.

RE: PCS for Senate Bill 663 – Absentee Ballot Changes.

The PCS for Senate Bill 663, introduced by Sen. Rucho, would do the following things:

1. **Remove the excuse requirement for absentee voting: By mail and in person**. Current law requires an excuse if the voter is required to vote absentee either by mail or in person. The excuses allowed now are:
   * The voter expects to be out of the county all day on election day.
   * The voter will not be able to go to the polls to vote on election day because of disability or sickness.
   * The voter is incarcerated and is eligible to vote because is a misdemeanant.
   * The voter will not be voting on election day because of observing a holiday of that religion.
   * The voter will not be at the polling place because of working for the board of elections somewhere else in the county.

   One of those excuses is required if the voter is to be allowed to vote absentee by mail from the 50th day before an election to the Tuesday before the election. One of those excuses is also required for the voter to vote absentee in person (One-Stop) from the next business day after the twenty-fifth day before the election until the Friday before the election. The PCS removes the excuse for mail and One-Stop absentee voting during those periods.

   Under current law, there is one special category of absentee voter who is allowed to vote after the deadline a week before the election: The voter whose excuse is illness or other disability. The voter is allowed to apply up till 5 p.m. the day before the election. The PCS leaves the illness/disability excuse in place for the special late period, but requires that the voter or a near relative or guardian request the ballots in person before 5 p.m. on the Friday before the election—the same deadline as for One-Stop voting. The effect is to remove one business day from the illness/disability period. But the bill expands the definition of "near relative," now spouse, brother, sister, parent, grandparent, child, or grandchild, to include mother-in-law, father-in-law, daughter-in-law, son-in-law step-parent, or step-child. And the PCS allows ballots to be counted if they are received by the board up till 7:30 p.m. on election day.

2. **Allow a county board of elections to designate additional sites for One-Stop**. Currently, One-Stop is allowed only in the county board of elections office. In almost all counties (exceptions, Orange and

Guilford) that means only one place. The PCS would allow the county board of elections to designate additional sites as part of a plan approved by the State Board for the county.

3. **Allow county boards of elections to count One-Stop ballots like election-day ballots**, as long as the ballots can be retrieved if it turns out the voters is not qualified. If the board determines the voter is not qualified, the board must challenge the ballot under current challenge procedure.

4. **Streamline the process by which a county elections board approves absentee ballots and applications**.:

   * Allows a 4-step process for all off-site absentee voting: (1) A written request for absentee voting is accepted, (2) A numbered and recorded package containing an application (on the outside of an envelope) and a ballot is sent to the voter, and (3) the voter marks the ballot in the presence of witnesses, fills out the application and sends the ballot back, and (4) the board approves the application at its next meeting. That is essentially the process now if the request is mailed in by the voter. But if the request comes not from the voter but from the voter's near relative or guardian, an extra step is now required: the application must be sent to the voter separate from the ballot, the voter must fill out the application and send it back in, the board approves the application in a meeting, and only then does the ballot go out to the voter. The State Board of Elections feels that this extra step is a vestige of the past that inconveniences voters and burdens boards of elections with paperwork but does little to address fraud problems.

   * Reduces the number of required meetings boards of elections must hold to approve absentee applications. Current law requires all board of elections to hold the following meetings to approve absentee applications: From the 50th day to the 30th day before an election, one meeting a week. After the 30th day, two meetings a week, one on Tuesday at 10 a.m. and one on Friday at 10 a.m. It must also hold meetings at 10 a.m. on the eighth, sixth, fourth days and also on the day before an election. The bill replaces this elaborate schedule with a requirement that a board must hold one meeting a week at 5 p.m. Tuesdays for the last three weeks before an election., but may meet more often. Since the lack of approval of an application will no longer delay the transmission of an application or ballot to a voter, the State Board of Elections feels that the county boards ought to have flexibility in holding the meetings. If the board does not approve an application, the ballot, which has been marked by the voter and is stored in a numbered envelope, is simply not counted.

   * Reduces the complexity of the package sent to the voter, and lets the State Board design the application. Currently, the statutes require the voter to be sent a package with two envelopes to for the voter to return to the board. This results in confusion for some voters. Also, the statute spells out what the application form shall look like. The State Board would like for the voter to have only one envelope to deal with, the one with the application form on it. The State Board would also like to have the flexibility to design the application form. The PCS would make those changes.

   * Increases options for a voter in returning a voted ballot to the board of elections. Now it must be done by mail only. The PCS would allow commercial courier service as well. Either would be at the voter's expense.

The bill would be effective beginning with the 1998 elections.

(The contents of the PCS for SB 663 are the same as those of HB 101.)

Section 19. G.S. 163-169(i) reads as rewritten:

MEMORANDUM

TO: Senator Roy Cooper, Chair, Senate Judiciary Committee

FROM: O. Walker Reagan, Committee Co-Counsel

RE: **SENATE BILL 896 - LEGAL REPRESENTATION OF CORPORATIONS -** Senator Rand

Senate Bill 896 clarifies the prohibition against corporations practicing law to make it clear that an attorney retained or employed by a corporation is not prohibited from representing the corporation or any of its officers for claims arising out of the scope and course of their work for the corporation.

The bill amends G.S. 84-5 which prohibits corporations from practicing law and clarifies what types of representation are permitted by corporations. The bill adds a new subsection which clarifies that the prohibition against a corporation practicing law does not apply to an attorney retained or employed by a corporation to represent the corporation or an officer, director, employee, or agent of the corporation in an action, demand, or claim against the corporation or its personnel as long as the claim arises out of action taken on behalf of the corporation and is within the scope of employment or agency of the officer, director, employee or agent.

The bill becomes effective October 1, 1997 and applies to acts from which claims, demands, or actions arise on or after that date.

A BILL TO BE ENTITLED

AN ACT TO MAKE TECHNICAL AMENDMENTS TO THE ELECTRONIC SURVEILLANCE LAW.

The General Assembly of North Carolina enacts:

Section 1. G.S. 15A-286(21) reads as rewritten:

"(21) 'Wire communication' means any aural transfer made in whole or in part through the use of facilities for the transmission of communications by the aid of wire, cable, or other like connection between the point of origin and the point of reception (including the use of such connection in a switching station) furnished or operated by any person engaged in providing or operating such facilities for the transmission of interstate or foreign communications or communications affecting interstate or foreign commerce and the term includes any electronic storage of such ~~communication, but the term does not include the radio portion of a cordless telephone communication that is transmitted between the cordless telephone handset and the base unit.~~ communication."

Section 2. G.S. 15A-291 reads as rewritten:

"**§ 15A-291. Application for electronic surveillance order; judicial review panel.**

(a) The Attorney General or the Attorney General's designee may, pursuant to the provisions of section 2516(2) of Chapter 119 of the United States Code, apply to a judicial review panel for an order authorizing or approving the interception of wire, oral, or electronic communications by investigative or law enforcement officers having responsibility for the investigation of the offenses as to which the application

is made, and for such offenses and causes as are enumerated in G.S. 15A-290. A judicial review panel shall be composed of such judges as may be assigned by the Chief Justice of the Supreme Court of North ~~Carolina,~~ Carolina or an Associate Justice acting as the Chief Justice's designee, which shall review applications for electronic surveillance orders and may issue orders valid throughout the State authorizing such surveillance as provided by this Article, and which shall submit a report of its decision to the Chief Justice. A judicial review panel may be appointed by the Chief Justice or an Associate Justice acting as the Chief Justice's designee ~~pursuant to the Attorney General's written notification~~ upon the notification of the Attorney General's Office of ~~his~~ the intent to apply for an electronic surveillance order.

(b) A judicial review panel is hereby authorized to grant orders valid throughout the State for the interception of wire, oral, or electronic communications. Applications for such orders may be made by the Attorney General or the Attorney General's designee. ~~and by no other person.~~ The Attorney ~~General,~~ General or the Attorney General's designee in applying for such orders, and a judicial review panel in granting such orders, shall comply with all procedural requirements of section 2518 of Chapter 119 of the United States Code. The Attorney General or the Attorney General's designee may make emergency applications as provided by section 2518 of Chapter 119 of the United States Code. In applying section 2518 the word "judge" in that section shall be construed to refer to the judicial review panel, unless the context otherwise indicates. The judicial review panel may stipulate any special conditions it feels necessary to assure compliance with the terms of this act.

(c) No judge who sits as a member of a judicial review panel shall preside at any trial or proceeding resulting from or in any manner related to information gained pursuant to a lawful electronic surveillance order issued by that panel.

(d) Each application for an order authorizing or approving the interception of a wire, oral, or electronic communication must be made in writing upon oath or affirmation to the judicial review panel. Each application must include the following information:

(1) The identity of the office requesting the application;

(2) A full and complete statement of the facts and circumstances relied upon by the applicant, to justify his belief that an order should be issued, including:

a. Details as to the particular offense that has been, or is being committed;

b. A particular description of the nature and location of the facilities from which or the place where the communication is to be intercepted;

c. A particular description of the type of communications sought to be intercepted; and

d. The identity of the person, if known, committing the offense and whose communications are to be intercepted;

(3) A full and complete statement as to whether or not other investigative procedures have been tried and failed or why they reasonably appear to be unlikely to succeed if tried or to be too dangerous;

(4) A statement of the period of time for which the interception is required to be maintained. If the nature of the investigation is such that the authorization for interception should not automatically terminate when the described type of communication has been obtained, a particular description of facts establishing probable cause to believe that additional communications of the same type will occur thereafter must be added;

(5) A full and complete statement of the facts concerning all previous applications known to the individual authorizing and making adjudication, made to a judicial review panel for authorization to intercept, or for approval of interceptions of wire, oral, or electronic communications involving any of the same persons, facilities, or places specified in the application, and the action taken by that judicial review panel on each such application; and

(6) Where the application is for the extension of an order, a statement setting forth the results thus far obtained from the interception, or a reasonable explanation of the failure to obtain such results.

(e) Before acting on the application, the judicial review panel may examine on oath the person requesting the application or any other person who may possess pertinent information, but information other than that contained in the affidavit may not be considered by the panel in determining whether probable cause exists for the issuance of the order unless the information is either recorded or contemporaneously summarized in the record or on the face of the order by the panel."

Section 3. G.S. 15A-294 is amended by adding a new subsection to read:

"(d1) The notification required pursuant to G.S. 15A-294(d) may be delayed if the judicial review panel has probable cause to believe that notification would substantially jeopardize the success of an electronic surveillance or a criminal investigation. Delay of notification shall be only by order of the judicial review panel. The period of delay shall be designated by the judicial review panel and may be extended from time to time until the jeopardy to the electronic surveillance or the criminal investigation dissipates."

Section 4. G.S. 15A-298 reads as rewritten:

"**§ 15A-298. Subpoena authority.**

Pursuant to rules issued by the Attorney General, the Director of the State Bureau of Investigation or ~~his~~ the Director's designee may issue an administrative subpoena to a communications common carrier or an electronic communications service to compel production of business records if the records:

(1) Disclose information concerning local or long-distance ~~telephone~~ toll ~~billing~~ records or subscriber information; and

(2) Are material to an active criminal investigation being conducted by the State Bureau of Investigation."

Section 5. This act is effective when it becomes law and applies to all applications filed on or after that date.

MEMORANDUM

TO: Senator Roy Cooper, Chair, Senate Judiciary Committee

FROM: Brenda J. Carter, Committee Counsel

RE: **SENATE BILL 897 - AMEND ELEC. SURVEILLANCE LAW**
Senator Rand

Senate Bill 897 makes technical amendments to the electronic surveillance law. It also adds a new subsection to the statute regarding authorization for disclosure and use of intercepted wire, oral, or electronic communications. Under current law, within 90 days after the filing of an application for an electronic surveillance order (ESO) or the termination of the period of an order, the issuing judicial review panel must serve on the persons named in the order an inventory that includes notice of the fact of the entry of the order or the application, the date of the entry and the period of the authorized interception, and the fact that during that period wire, oral, or electronic communications were or were not intercepted. Section 3 of the bill provides that the required notification may be delayed if the judicial review panel has probable cause to believe that notification would substantially jeopardize the success of an electronic surveillance or a criminal investigation. The bill would be effective when it becomes law and apply to all applications for ESOs filed on or after that date.

A BILL TO BE ENTITLED

AN ACT TO ALLOW AN EMPLOYER AND ITS REPRESENTATIVES TO CONTACT AN EMPLOYEE'S TREATING PHYSICIAN AS NECESSARY TO EXERCISE THE EMPLOYER'S RIGHT TO DIRECT MEDICAL TREATMENT AND TO OBTAIN INFORMATION REGARDING MEDICAL TREATMENT.

The General Assembly of North Carolina enacts:

Section 1. G.S. 97-25 reads as rewritten:

"**§ 97-25. Medical treatment and supplies.**

Medical compensation shall be provided by the employer. Notwithstanding the provisions of G.S. 8-53 and the prohibition against ex parte contacts at common law, the employer, its insurer, representatives, attorneys, or claims adjusters may directly communicate in person, orally, or in writing with any medical provider rendering treatment for any injury claimed by the employee to be compensable under this Chapter and may obtain copies of records of the treatment. The employee, or the employee's attorney, if he or she is represented, shall be notified of the substance of the conversation promptly thereafter. In case of a controversy arising between the employer and employee relative to the continuance of medical, surgical, hospital, or other treatment, the Industrial Commission may order such further treatments as may in the discretion of the Commission be necessary.

The Commission may at any time upon the request of an employee order a change of treatment and designate other treatment suggested by the injured employee subject to the approval of the Commission, and in such a case the expense thereof shall be

borne by the employer upon the same terms and conditions as hereinbefore provided in this section for medical and surgical treatment and attendance.

The refusal of the employee to accept any medical, hospital, surgical or other treatment or rehabilitative procedure when ordered by the Industrial Commission shall bar said employee from further compensation until such refusal ceases, and no compensation shall at any time be paid for the period of suspension unless in the opinion of the Industrial Commission the circumstances justified the refusal, in which case, the Industrial Commission may order a change in the medical or hospital service.

If in an emergency on account of the employer's failure to provide the medical or other care as herein specified a physician other than provided by the employer is called to treat the injured employee, the reasonable cost of such service shall be paid by the employer if so ordered by the Industrial Commission.

Provided, however, if he so desires, an injured employee may select a physician of his own choosing to attend, prescribe and assume the care and charge of his case, subject to the approval of the Industrial Commission."

MEMORANDUM

TO: Senator Roy Cooper, Chair, Senate Judiciary Committee

FROM: Brenda J. Carter, Committee Co-Counsel

RE: **SENATE BILL 764 - WORKERS COMPENSATION MEDICAL CARE**
Proposed Committee Substitute
Senator Kerr

The proposed committee substitute for Senate Bill 764 provides that in a workers compensation case, an employer paying medical compensation to a provider may obtain records of the treatment without the express authorization of the employee. The bill provides that the communication is authorized notwithstanding statutory law regarding physician and patient communications, and common law prohibitions against ex parte contacts.

Under the Workers' Compensation Act, G.S. 97-27(b) currently provides that "No fact communicated to or otherwise learned by any physician . . . who may have . . . examined the employee, or . . . been present at any examination, shall be privileged, either in hearings provided for by this Article or any action at law." This is considered an exception to the statutory physician-patient privilege created by G.S. 8-53.

In Crist v. Moffatt (326 N.C. 326), a medical malpractice case, the Court held that "defense counsel may not interview plaintiff's nonparty treating physician privately without plaintiff's express consent" because "considerations of patient privacy, the confidential relationship between doctor and patient, the adequacy of formal discovery devices, and the untenable position in which ex parte contacts place the nonparty treating physician supersede defendant's interest in a less expensive and more convenient method of discovery." This principal was applied in a workers compensation case in 1996 by the Court of Appeals. In Salaam V. North Carolina DOT (122 N.C. App. 83), the Court held that the Industrial

Commission erred by admitting a physician's deposition testimony in light of the non-consensual ex parte contact between the employer and the claimant's physician. The employer argued that the claimant suffered no prejudice by admitting the physician's deposition over his objection because the claimant " was allowed to question the physician about the [ex parte] communication and show any possible taint or bias." The Court noted that although the opportunity to cure any prejudice resulting from ex parte communications prior to deposition is theoretically available in every adversarial proceeding, the Crist Court appeared to have established a protection against non-consensual ex parte communications.

Senate Bill 764 would allow an employer to contact an employee's treating physician and obtain medical records without the employee's consent. The bill would be effective when it becomes law.

A BILL TO BE ENTITLED

AN ACT TO AMEND THE WORKERS' COMPENSATION ACT REGARDING EMPLOYER ACCESS TO MEDICAL INFORMATION.

The General Assembly of North Carolina enacts:

Section 1. G.S. 97-25 reads as rewritten:

"**§ 97-25. Medical treatment and supplies.**

Medical compensation shall be provided by the employer. Notwithstanding the provisions of G.S. 8-53, any law relating to the privacy of medical records or information, and the prohibition against ex parte communications at common law, an employer paying medical compensation to a provider rendering treatment under this Chapter may obtain records of the treatment without the express authorization of the employee. The Commission shall adopt rules that govern additional methods of oral and written communications between an employer paying compensation under this Chapter and medical care providers. These rules shall protect the employee's right to a confidential physician-patient relationship while facilitating the release of information necessary to the administration of the employee's claim. In case of a controversy arising between the employer and employee relative to the continuance of medical, surgical, hospital, or other treatment, the Industrial Commission may order such further treatments as may in the discretion of the Commission be necessary.

The Commission may at any time upon the request of an employee order a change of treatment and designate other treatment suggested by the injured employee subject to the approval of the Commission, and in such a case the expense thereof shall be

If in an emergency on account of the employer's failure to provide the medical or other care as herein specified a physician other than provided by the employer is called to treat the injured employee, the reasonable cost of such service shall be paid by the employer if so ordered by the Industrial Commission.

MEMORANDUM

TO: Senator Roy Cooper, Chair, Senate Judiciary Committee

FROM: O. Walker Reagan, Committee Co-Counsel

RE: **PROPOSED COMMITTEE SUBSTITUTE FOR SENATE BILL 799 - DISCIPLINE DISCLOSURE ACT** - Senator Cooper and Hoyle.

The Proposed Committee Substitute for Senate Bill 799 makes certain portions of public employees' personnel records public records.

Section 1 creates a new section of the Public Records law involving public employees' personnel records. This section applies to any employee, former employee, or applicant for employment by any department, agency, institution, commission, or bureau of the State, any employee of The University of North Carolina and its constituent institutions, any public hospital employee, and any employee of a city, county, local school board, or area mental health authority.

The employee public record must include the name, age, date of original hire, current position, title, current salary, date and amount of most recent change in pay, date of most recent promotion, demotion, transfer, suspension, separation or other change in position classification, and the office or station currently assigned.

The portions of the employee's application which address the person's qualifications for the position are also public. These include educational degrees, previous job experience and dates worked, military records and aptitude test scores. Letters of recommendation are also public unless the writer objects in writing to the public disclosure of their recommendations.

Records related to serious disciplinary actions are public. Serious disciplinary actions include separations, suspensions, demotions, or transfers unrelated to agency reorganization. Serious disciplinary actions resulting from physical or mental illness or chemical dependency are not public records.

Personally identifying information about an employee who provides information to investigators of another employee are not public records.

Records related to official commendations or awards given to public employees are public record, but may be withheld from the public pending the granting of the award.

Once two serious disciplinary actions are imposed within a 3-year period, all records of the employee's performance, including evaluations and appraisals, are public.

Persons responsible for maintaining these records must make the public records available to be inspected and examined during regular business hours. An employee who acts in good faith in complying with the disclosure requirements is not subject to liability.

Section 2 repeals sections of the law governing public schools, community colleges, area mental health authorities, State personnel, counties, cities, and water and sewer authorities personnel records that are being replaced by the provisions of Section 1 of the bill.

Sections 3, 4, 5, and 6 make conforming changes to other statutes.

The bill becomes effective January 1, 1998.

MEMORANDUM

TO: Senator Roy Cooper, Chair, Senate Judiciary Committee

FROM: O. Walker Reagan, Committee Co-Counsel

RE: **SENATE BILL 864 - UPDATE AND REVISE TRADEMARK ACT -** Senators McDaniel and Martin of Guilford.

Senate Bill 864 amends the North Carolina Trademark Registration Act, in part to conform North Carolina law to the model State Trademark Act and to eliminate the necessity of showing use of a trademark in North Carolina for registration purposes. The bill is recommended by the North Carolina Bar Association.

Section 1, in addition to making stylistic changes, adds a definition for when a mark is deemed abandoned to include when its use is intended not to be resumed (nonuse for 2 consecutive years prima facie evidence of abandonment) or when the conduct of the owner causes the mark to lose its significance as a mark.

Section 2 adds a purpose to the statute to state the legislature's intent to create a system of registration and protection substantially consistent with federal law, and provides that court interpretations of federal law should be applied when interpreting this state law.

Sections 3, 6, 9, and 12 make technical and stylistic changes.

Section 4 amends the trademark registration application process to require a statement that the mark is in use and not registered to other persons, but eliminates the requirement that the mark be in current use in this state. The Secretary of State may also require the applicant to indicate whether an application to the register the mark has filed with the U.S. Patent and Trademark Office, and if so what the status of the application is. Also the Secretary may require a drawing of the mark accompany the application.

AN EQUAL OPPORTUNITY/AFFIRMATIVE ACTION EMPLOYER

Section 5 establishes a new requirement for the Secretary to examine the application for registration for conformity with the requirements of the statutes. Under this section the Secretary may request additional information, require the applicant to disclaim a nonregisterable component of the mark, and amend the application with the applicant's permission. If the Secretary finds the application is not entitled to registration, the applicant shall be so notified and allowed to amend the application or submit a new application. If the Secretary gives a final refusal to register, the applicant may seek a writ of mandamus in court. If more than one application to register the same mark is filed, priority is to be granted in the order filed.

Section 7 reduces the period of registration and renewals of registration from 10 years to 5 years. This section also eliminates the requirement for the Secretary to notify the owner prior to the registration period expiring. Registration of marks applied for prior to October 1, 1997 will remain valid for up to 10 years.

Section 8 provides for the filing of a certificate of name change for the owner of the registration. This section also allows for the filing of a security interest in the mark. Acknowledgment is prima facie evidence of the execution of the assignment and recordation is prima facie evidence of execution. A certified copy of an assignment, certificate of name change, or security interest shall be acceptable for recording.

Section 10 adds provisions to permit the Secretary to cancel, in whole or part, a trademark registration when a court finds the mark has become a generic name for the goods and services it was registered for, that the registration was obtained by materially false statements in the application, or the mark is so similar as to be likely to cause confusion with another mark registered in the U.S. Patent Office and the other mark has not been abandoned, unless the registrant proves they also are the owner of a mark register in the Patent Office covering an area including the entire State and that registration has not been canceled.

Section 11 eliminates the statutory classification of marks and permits the Secretary to establish classifications by rule. The Secretary may establish classes to conform with federal trademark classifications.

Section 12 provides that this act takes precedence over all other conflicting statutes and directs the Secretary to notify the General Statutes Commission of any statutory changes need to conform to this act.

The bill becomes effective October 1, 1997 and applies to acts on or after that date, but it does not affect any action pending on that date.

A BILL TO BE ENTITLED

AN ACT TO CONFORM THE NORTH CAROLINA TRADEMARK REGISTRATION ACT TO THE 1992 MODEL STATE TRADEMARK BILL BY MAKING VARIOUS AMENDMENTS TO THE ACT, INCLUDING REPEALING THE REQUIREMENT THAT APPLICANTS FOR A REGISTRATION INCLUDE PROOF OF USE OF THE TRADEMARK IN NORTH CAROLINA.

The General Assembly of North Carolina enacts:

Section 1. G.S. 80-1 reads as rewritten:

"**§ 80-1. Definitions.**

(a) The term 'applicant' as used herein means the person filing an application for registration of a trademark under this Article, ~~his~~ the person's legal representatives, successors or assigns.

(b) The term 'mark' as used herein includes any trademark or service mark entitled to registration under this Article whether registered or not.

(c) The term 'person' as used herein means any individual, firm, partnership, corporation, association, union or other organization.

(d) The term 'registrant' as used herein means the person to whom the registration of a trademark under this Article is issued, ~~his~~ the person's legal representatives, successors or assigns.

(d1) The term 'Secretary' as used herein means the Secretary of State or the designee of the Secretary charged with the administration of this Article.

(e) The term 'service mark' as used herein means a mark used in the sale or advertising of services to identify the services of one person and distinguish them from the services of others.

(f) The term 'trademark' as used herein means any word, name, symbol, or device or any combination thereof adopted and used by a person to identify goods made, sold, or distributed by him and to distinguish them from goods made, sold, or distributed by others.

(g) The term 'use' means the bona fide use of a mark in the State of North Carolina in the ordinary course of trade, and not merely the reservation of a right to a mark. For the purposes of this Article, a mark shall be deemed to be 'used' in this State (i) on goods when it is placed in any manner on the goods or their containers or the displays associated therewith or on the tags or labels affixed thereto, or if the nature of the goods makes ~~such~~ placement impractical, then on documents associated with the goods, and ~~such~~ the goods are currently sold or otherwise distributed in the State, and (ii) on services when it is used or displayed in the sale or advertising of services and the services are currently being rendered in this State, or are being offered and are available to be rendered in this State.

(h) A mark shall be deemed to be 'abandoned' when either of the following occurs:

(1) When its use has been discontinued with intent not to resume its use. Intent not to resume may be inferred from circumstances. Nonuse for two consecutive years shall constitute prima facie evidence of abandonment.

(2) When any course of conduct of the owner, including acts of omission as well as commission, causes the mark to lose its significance as a mark."

Section 2. Article 1 of Chapter 80 of the General Statutes is amended by adding a new section to read:

"**§ 80-1.1. Purpose.**

The purpose of this Article is to provide a system of State trademark registration and protection substantially consistent with the federal system of trademark registration and protection under the Trademark Act of 1946, 15 U.S.C. § 1051, et seq., as amended. The construction given the federal act should be examined as persuasive authority for interpreting and construing this Article."

Section 3. G.S. 80-2(5) reads as rewritten:

"(5) Consists of a mark which (i) when applied to the goods or services of the applicant, is merely descriptive of them or merely describes one or more of the characteristics, or is deceptively misdescriptive of them, or falsely describes the nature, function, capacity, or characteristics of them, or (ii) when applied to the goods or services of the applicant, is primarily geographically descriptive or deceptively misdescriptive of them, or (iii) is primarily merely a surname; provided, however, that nothing in this subdivision (5) shall prevent the registration of a mark used in this State by the

applicant which has become distinctive of the applicant's goods or services. The Secretary ~~of State~~ may accept as evidence that the mark has become distinctive, as applied to the applicant's goods or services, proof of continuous use thereof as a mark by the applicant in this State ~~or elsewhere~~ for the five years preceding the date ~~of the filing of the application for registration;~~ on which the claim of distinctiveness is made; or"

Section 4. G.S. 80-3 reads as rewritten:

"**§ 80-3. Application for registration.**

(a) Subject to the limitations set forth in this Article, any person who uses a mark, or any person who controls the nature and quality of the goods or services in connection with which a mark is used by another, in this State may file in the office of the Secretary ~~of State~~ in a format to be prescribed by the ~~Secretary of State,~~ Secretary, an application for registration of that mark setting forth, but not limited to, the following information:

(1) The name and business address of the person applying for ~~such~~ registration; and, if a corporation, the state of incorporation. If the application for registration relates to a mark used in connection with goods, the applicant shall list either the address of the applicant's principal place of business in North Carolina or a place of distribution and usage of ~~such~~ the goods in this State. If the application for registration relates to a mark used in connection with services, the applicant shall list a physical location at which the services are being rendered or offered in this State;

(2) The goods or services in connection with which the mark is used and the mode or manner in which the mark is used in connection with ~~such~~ the goods or services and the class in which ~~such~~ the goods or services fall;

(3) The date when the mark was first used anywhere and the date when it was first used in this State by the applicant, ~~his~~ the applicant's predecessor in business or by another under ~~such~~ the control of the applicant; and

(4) A statement that the applicant is the owner of the ~~mark~~ mark, that the mark is in use, and that to the best of ~~his~~ the knowledge of the person verifying the application, no other person has registered in this State, or ~~except as identified by applicant~~ has the right to use ~~such~~ the mark in this State either in the identical form thereof or in such near resemblance thereto as to be ~~likely~~ likely, when applied to the goods or services of the other person, to cause confusion, or to cause mistake, or to deceive.

(b) The application shall be signed and verified by the applicant, by a partner, by a member of the firm, or an officer of the corporation or association applying for registration. In states in which a notary is not required by law to obtain a notary's stamp or seal, an original certificate of authority of the notary issued by the

appropriate State agency shall be submitted with the application. If the application is signed by a person acting pursuant to a power of attorney from the applicant, an original power of attorney or a certified copy of the power of attorney shall accompany the application.

The application shall be accompanied by three specimens of the mark as currently ~~used, and proof of use or distribution in this State.~~

~~The application for registration shall be accompanied~~ used and by a filing fee of fifty dollars ($50.00), payable to the ~~Secretary of State.~~ Secretary.

(c) The Secretary may require a statement as to whether an application to register the mark, or portions or a component of the mark, has been filed by the applicant or a predecessor in interest in the United States Patent and Trademark Office and, if so, the applicant shall provide any relevant information required by the Secretary, including the filing date and serial number of the application and the status of the application. If any application was finally refused registration or has otherwise not resulted in a registration, the Secretary may require the applicant to provide in the statement the reason the application was not registered. The Secretary may also require that a drawing of the mark accompany the application in a form specified by the Secretary."

Section 5. Article 1 of Chapter 80 of the General Statutes is amended by adding a new section to read:

"**§ 80-3.1. Examination of application.**

(a) Upon filing an application for registration and payment of the application fee, the Secretary may cause the application to be examined for conformity with this Article.

(b) The applicant shall provide any additional relevant information requested by the Secretary, including a description of a design mark, and may make, or authorize the Secretary to make, any amendments to the application reasonably requested by the Secretary or deemed by the applicant to be advisable to respond to a rejection or objection.

(c) The Secretary may require the applicant to disclaim an unregisterable component of a mark otherwise registrable, and an applicant may voluntarily disclaim a component of a mark requested to be registered. No disclaimer shall prejudice or affect the applicant's or registrant's rights then existing or thereafter arising in the disclaimed matter, or the applicant's or registrant's rights of registration on another application if the disclaimed matter is distinctive of the applicant's or registrant's goods or services.

(d) The Secretary may (i) amend the application submitted by the applicant, if the applicant consents, or (ii) require a new application be submitted.

(e) If the Secretary finds that the applicant is not entitled to registration, the Secretary shall advise the applicant of the reasons the applicant is not entitled to registration. The applicant shall have a reasonable period of time, specified by the Secretary, in which to reply or to amend the application. If the applicant replies and amends the application, the Secretary shall reexamine the application. This procedure may be repeated until (i) the Secretary finally refuses registration of the

mark, or (ii) the applicant fails to reply or to amend the application within the specified period. If the applicant fails to reply or to amend the application, the application shall be deemed to have been abandoned.

(f) If the Secretary finally refuses registration of the mark, the applicant may seek a writ of mandamus to compel registration. The writ may be granted, without costs to the Secretary, on proof that all the statements in the application are true and that the mark is entitled to registration.

(g) When the Secretary receives more than one application seeking registration of the same or confusingly similar marks for the same or related goods or services and processes those applications concurrently, the Secretary shall grant priority to the applications in order of filing. If a previously filed application is granted a registration, any other application shall then be rejected. A rejected applicant may bring an action for cancellation of the registration on grounds of prior or superior rights to the mark, in accordance with the provisions of this Article."

Section 6. G.S. 80-4 reads as rewritten:

"**§ 80-4. Certificate of registration.**

Upon compliance by the applicant with the requirements of this Article, the Secretary ~~of State~~ shall cause a certificate of registration to be issued and delivered to the applicant. The certificate of registration shall be issued under the signature of the Secretary ~~of State~~ and the seal of the State, and it shall show the name and business address and, if a corporation, the state of incorporation, of the person claiming ownership of the mark, the date claimed for the first use of the mark anywhere and the date claimed for the first use of the mark in this State, the class of goods or services and a description of the goods or services on which the mark is used, a reproduction of the mark, the registration date, the registration number and the term of the registration.

Any certificate of registration issued by the Secretary ~~of State~~ under the provisions hereof or a copy thereof duly certified by the Secretary ~~of State~~ shall be admissible in evidence as competent and sufficient proof of the registration of ~~such~~ the mark in any action or judicial proceedings in any court of this State."

Section 7. G.S. 80-5 reads as rewritten:

"**§ 80-5. Duration and renewal.**

Registration of a mark hereunder shall be effective for a term of ~~10~~ five years from the date of registration and shall be renewable for successive terms of ~~10~~ five years upon application filed within six months prior to the expiration of any term. A renewal fee of thirty-five dollars ($35.00), payable to the ~~Secretary of State,~~ Secretary, shall accompany the application for renewal of the registration. ~~Within six months following the expiration of a term of five years from the date of registration, or the last renewal of registration of the mark, the applicant shall submit a specimen showing evidence of current use of the mark and a signed statement verifying the use of such mark on a form to be furnished by the Secretary of State. Use of the form furnished by the Secretary of State is mandatory. Failure to submit this verification and specimen showing evidence of current use shall be grounds for cancellation of the registration of the mark by the Secretary of State.~~

~~The Secretary of State shall notify registrants of marks hereunder of the necessity of renewal within the year next preceding the expiration of the 10 years from the date of registration, by writing to the last known address of the registrants.~~

~~The Secretary of State shall notify registrants of marks hereunder of the necessity of submitting evidence of current use of the mark after five years from the date of registration or of the last renewal of registration of the mark, by writing to the last known address of the registrants within the year preceding the due date for such submission.~~

MEMORANDUM

TO: Senator Roy Cooper, Chair, Senate Judiciary Committee

FROM: O. Walker Reagan, Committee Co-Counsel

RE: **SENATE BILL 561 - CAMPUS POLICE/CONCEALED HANDGUNS -** Senator Odom

Senate Bill 561 would specifically authorize campus police officers to carry concealed weapons while off-duty when authorized by their superior officer in accordance with the standard procedures applicable to other law enforcement officers.

Campus police officers are company police officers who are employed by a constituent institution of The University of North Carolina or any private college or university that is licensed or exempt from licensure as set forth in G.S. 116-15. These officers are required to be sworn, certified by the Criminal Justice Training Standards Commission, and have the same powers as municipal and county police officers on the institutions property, including the power of arrest.

G.S. 14-269(b)(5) permits a sworn law-enforcement officer, when off-duty, to carry a concealed weapon if written regulations authorizing the carrying of concealed weapons has been filed with the clerk of court by the superior officer in charge and the regulations prohibit carrying the weapon while the officer is consuming or under the influence of alcoholic beverages.

This bill would be effective when it becomes law.

AN EQUAL OPPORTUNITY/AFFIRMATIVE ACTION EMPLOYER

§ 14-269. Carrying concealed weapons.

(a) It shall be unlawful for any person willfully and intentionally to carry concealed about his person any bowie knife, dirk, dagger, slung shot, loaded cane, metallic knuckles, razor, shurikin, stun gun, or other deadly weapon of like kind, except when the person is on the person's own premises.

(a1) It shall be unlawful for any person willfully and intentionally to carry concealed about his person any pistol or gun except in the following circumstances:

(1) The person is on the person's own premises.

(2) The deadly weapon is a handgun, and the person has a concealed handgun permit issued in accordance with Article 54B of this Chapter.

(b) This prohibition shall not apply to the following persons:

(1) Officers and enlisted personnel of the armed forces of the United States when in discharge of their official duties as such and acting under orders requiring them to carry arms and weapons;

(2) Civil officers of the United States while in the discharge of their official duties;

(3) Officers and soldiers of the militia and the national guard when called into actual service;

(4) Officers of the State, or of any county, city, or town, charged with the execution of the laws of the State, when acting in the discharge of their official duties;

(5) Sworn law-enforcement officers, when off-duty, if:

a. Written regulations authorizing the carrying of concealed weapons have been filed with the clerk of superior court in the county where the law-enforcement unit is located by the sheriff or chief of police or other superior officer in charge; and

b. Such regulations specifically prohibit the carrying of concealed weapons while the officer is consuming or under the influence of alcoholic beverages.

(b1) It is a defense to a prosecution under this section that:

(1) The weapon was not a firearm;

(2) The defendant was engaged in, or on the way to or from, an activity in which he legitimately used the weapon;

(3) The defendant possessed the weapon for that legitimate use; and

(4) The defendant did not use or attempt to use the weapon for an illegal purpose.

The burden of proving this defense is on the defendant.

(c) Any person violating the provisions of subsection (a) of this section shall be guilty of a Class 2 misdemeanor. Any person violating the provisions of subsection (a1) of this section shall be guilty of a Class 2 misdemeanor for the first offense. A second or subsequent offense is punishable as a Class I felony.

(d) This section does not apply to an ordinary pocket knife carried in a closed position. As used in this section, "ordinary pocket knife" means a small knife, designed for carrying in a pocket or purse, that has its cutting edge and point entirely enclosed by its handle, and that may not be opened by a throwing, explosive, or spring action.

(b) The conciliator shall assist the parties in an independent and impartial manner in the parties' attempt to reach an amicable settlement of their dispute. The conciliator shall be guided by principles of objectivity, fairness, and justice and shall give consideration to, among other things, the rights and obligations of the parties, the usages of the trade concerned, and the circumstances surrounding the dispute, including any previous practices between the parties.

(c) The conciliator may conduct the conciliation proceedings in a manner that the conciliator considers appropriate, considering the circumstances of the case, the wishes of the parties and the desirability of a prompt settlement of the dispute. Except as otherwise provided by this Article, other provisions of the law of this State governing procedural matters do not apply to conciliation proceedings brought under this Part.

"**§ 1-567.69. Representation.**

The parties may appear in person or be represented or assisted by any person of their choice.

"**§ 1-567.70. Report of conciliators.**

(a) At any time during the proceedings, a conciliator may prepare a draft conciliation agreement and send copies to the parties, specifying the time within which the parties must signify their approval. The draft conciliation agreement may include the assessment and apportionment of costs between the parties.

(b) A party is not required to accept a settlement proposed by the conciliator.

"**§ 1-567.71. Confidentiality.**

(a) Evidence of anything said or of an admission made in the course of a conciliation is not admissible, and disclosure of that evidence shall not be compelled in any arbitration or civil action in which, under law, testimony may be compelled to

be given. This subsection does not limit the admissibility of evidence when all parties participating in conciliation consent to its disclosure.

(b) If evidence is offered in violation of this section, the arbitral tribunal or the court shall make any order it considers appropriate to deal with the matter, including an order restricting the introduction of evidence or dismissing the case.

(c) Unless the document otherwise provides, a document prepared for the purpose of, in the course of, or pursuant to the conciliation, or a copy of such document, is not admissible in evidence, and disclosure of the document shall not be compelled in any arbitration or civil action in which, under law, testimony may be compelled.

"§ 1-567.72. Stay of arbitration; resort to other proceedings.

(a) The agreement of the parties to submit a dispute to conciliation is considered an agreement between or among those parties to stay all judicial or arbitral proceedings from the beginning of conciliation until the termination of conciliation proceedings.

(b) All applicable limitation periods, including periods of prescription, are tolled or extended on the beginning of conciliation proceedings under this Part as to all parties to the conciliation proceedings until the tenth day following the date of termination of the proceedings. For purposes of this section, conciliation proceedings are considered to have begun when the parties have all agreed to participate in the conciliation proceedings.

"§ 1-567.73. Termination of conciliation.

(2) On the date of the agreement, a conciliation agreement signed by some of the parties.

(3) On the date of the order, order of the court when the matter submitted to conciliation is in litigation in the courts of this State.

"§ 1-567.74. Enforceability of decree.

If the conciliation proceeding settles the dispute and the result of the conciliation is in writing and signed by the conciliators and the parties or their representatives, the written agreement shall be treated as an arbitral award rendered by an arbitral tribunal under this Article and has the same force and effect as a final award in arbitration.

"**§ 1-567.75. Costs.**

(a) On termination of the conciliation proceeding, the conciliators shall set the costs of the conciliation and give written notice of the costs to the parties. For purposes of this section 'costs' includes all of the following:

(1) A reasonable fee to be paid to the conciliators.

(2) Travel and other reasonable expenses of the conciliators.

(3) Travel and other reasonable expenses of witnesses requested by the conciliators, with the consent of the parties.

(4) The cost of any expert advice requested by the conciliators, with the consent of the parties.

(5) The cost of any court.

(b) Costs shall be borne equally by the parties unless a conciliation agreement provides for a different apportionment. All other expenses incurred by a party shall be borne by that party.

"**§ 1-567.76. Effect on jurisdiction.**

Requesting conciliation, consenting to participate in the conciliation proceedings, participating in conciliation proceedings, or entering into a conciliation agreement does not constitute consenting to the jurisdiction of any court in this State if conciliation fails.

"**§ 1-567.77. Immunity of conciliators and parties.**

(a) A conciliator, party, or representative of a conciliator or party, while present in this State for the purpose of arranging for or participating in conciliation under this Part, is not subject to service of process on any civil matter related to the conciliation.

(b) A person who serves as a conciliator shall not be held liable in an action for damages resulting from any act or omission in the performance of that individual's role as a conciliator in any proceeding subject to this Part."

Section 8. This act becomes effective September 1, 1997, and applies to any international commercial disputes that are subject on or after that date to conciliation pursuant to Article 45B of Chapter 1 of the General Statutes, as amended by this act.

MEMORANDUM

TO: Senator Roy Cooper, Chair, Senate Judiciary Committee

FROM: O. Walker Reagan, Committee Co-Counsel

RE: **SENATE BILL 540 - STANDARDIZE LAW ENFORCEMENT OFFICER DISCIPLINE** - Senator Miller

Senate Bill 540 creates a standardized investigation and disciplinary process for law enforcement officers in the State by providing that no officer may be disciplined without just cause, including firing, and a minimal due process system must exist to hear these types of actions.

This bill creates a new Chapter 17F. G.S. 17F-1 defines covered law enforcement agencies as any State or local law enforcement agency and a law enforcement officer as any officer with the power of arrest and who is required to be certified either by the North Carolina Criminal Justice Education and Training Standards Commission or the North Carolina Sheriffs' Education and Training Standards Commission.

G.S. 17F-2 says that no law enforcement officer may be discharged, suspended or demoted for disciplinary reasons except for just cause. Most employment in this State is employment at will unless the employing agency has adopted some other standard.

G.S. 17F-3 sets forth the minimal standards an agency must set before disciplinary actions may be taken. These minimal standards include due process procedures including the right to a hearing before a fair and impartial board or hearing officer, the right to be represented at the officer's expense, the right to examine witnesses testifying against the officer, the right to call witnesses and present evidence, and the right to have all meetings recorded.

G.S. 75F-4 permits the continued use of civil service systems, agency review boards, civilian complaint boards, or personnel boards that meet the minimum

standards or otherwise provide due process to be used in lieu of any new procedure as long as these systems remain in place.

G.S. 17F-5 allows an agency to immediately suspend, with pay, any officer whose continued presence on the job is considered to be a substantial and immediate threat to the welfare of the agency or the public, or if the officer fails to obey a direct order given in conformance with written and disseminated rules and regulations. The rights provided for in G.S. 17F-3 shall apply to a review after the suspension.

This bill would become effective October 1, 1997 and would apply to investigations and disciplinary proceedings commenced on or after that date.

SENATE BILL 540*

Short Title: Standardize Law Enf. Discipline. (Public)

Referred to: Judiciary.

March 27, 1997

A BILL TO BE ENTITLED

AN ACT TO STANDARDIZE THE INVESTIGATION AND DISCIPLINE OF LAW ENFORCEMENT OFFICERS AND TO PROVIDE FOR JUDICIAL REVIEW.

The General Assembly of North Carolina enacts:

Section 1. The General Statutes are amended by adding a new Chapter to read:

"Chapter 17F.

"Investigation and Discipline of Law Enforcement Officers.

"**§ 17F-1. Definitions.**

For purposes of this act:

(1) 'Employing agency' means any State agency or department, municipality, or political subdivision of the State that employs law enforcement officers.

(2) 'Law enforcement officer' means all officers with the powers of arrest as defined by law and required to be certified under Chapters 17C and 17E of the General Statutes.

(3) 'Officer' means law enforcement officer.

"**§ 17F-2. Discharge, suspension, or demotion for just cause only.**

No law enforcement officer shall be discharged, suspended, or demoted for disciplinary reasons, except for just cause.

"**§ 17F-3. Minimum procedures.**

If an employing agency considers matters that could reasonably lead to the dismissal, demotion, suspension, or transfer for punitive reasons of, or any

disciplinary action against, a law enforcement officer, each employing agency shall establish minimum procedures to ensure that any officer is afforded due process of law prior to the imposition of any disciplinary action against the officer. These procedures shall include, as a minimum, the right to a hearing before a fair and impartial board or hearing officer, the right to be represented at the officer's expense, the right to examine any witnesses testifying against the officer, the right to call witnesses and present evidence, and the right to have all meetings recorded.

"**§ 17F-4. Certain established procedures validated.**

Employing agencies using an established civil service system, agency review board, civilian complaint board, or personnel board that meets the minimum standards set forth in G.S. 17F-3 or otherwise provides due process need not develop the procedures required by G.S. 17F-3 so long as the established system remains in place.

"**§ 17F-5. Permissible suspensions.**

Nothing in this Chapter precludes the immediate suspension with pay of any law enforcement officer if the employing agency considers the officer's continued presence on the job to be a substantial and immediate threat to the welfare of the agency or the public, nor shall anything in this Chapter preclude the suspension of an officer for refusing to obey a direct order issued in conformance with the employing agency's written and disseminated rules and regulations. In such a case, the officer shall be afforded the rights provided for in G.S. 17E-3, except that an officer's request to be heard by a complaint review board shall be made subsequent to the imposition of the suspension."

Section 2. This act becomes effective October 1, 1997, and applies to investigations and disciplinary proceedings commenced on or after that date.

TO: Senator Roy Cooper, Chair, Senate Judiciary Committee

RE: **SENATE BILL 998 - FRAUD/"PRETEND" CRIME VICTIM**
Senator Plyler

Senate Bill 998 would make it unlawful for a person, with the intent to perpetrate a hoax, to falsely represent himself as a crime victim, causing someone else to reasonably believe and report that fact to law enforcement. A copy of the current law regarding false police reports, which is somewhat different because of the purpose statement, is attached.

Since the offense is a misdemeanor for which there is no stated classification, pursuant to G.S. 14-3 the offense would be punishable as a Class 1 misdemeanor. Assuming no prior convictions, a Class 1 misdemeanor is punishable by 1-45 days community punishment and/or a fine in the discretion of the court.

The bill would become effective December 1, 1997, and apply to offenses occurring on or after that date.

TO: Senator Roy Cooper, Chair, Senate Judiciary Committee

FROM: Brenda J. Carter, Committee Co-Counsel

RE: **SENATE BILL 409 - AIRPORT LAW ENFORCEMENT**
Senator Shaw of Guilford

Senate Bill 409 would permit airport law enforcement agencies to enter cooperation agreements with other law enforcement agencies.

The bill amends G.S. 160A-288, regarding cooperation between law enforcement agencies. The statute provides that the head of any law-enforcement agency may temporarily provide assistance to another agency in enforcing the laws of the State if so requested in writing by the head of the requesting agency. While working with the requesting agency, an officer has the same jurisdiction and powers as the officers of the requesting agency. For purposes of the statute, law-enforcement agency is defined as "only a municipal police department, a county police department, or a sheriff's department." Presently under 160A-288(d), campus police are considered the equivalent of a municipal police department. Senate Bill 409 would make airport law enforcement agencies operated by a municipality the equivalent of a municipal police department for purposes of the statute regarding cooperation with other law enforcement agencies.

The bill would be effective when it becomes law.

MEMORANDUM

TO: Senator Roy Cooper, Chair, Senate Judiciary Committee

FROM: Brenda J. Carter, Committee Co-Counsel

RE: **SENATE BILL 462 - AMEND RESIDENCY FOR TUITION PURPOSES**
Senator Lee

Senate Bill 462 amends the provisions for determining resident status for tuition purposes.

Section 1 of the bill amends G.S. 116-143.1(b) to provide that, when determining whether an applicant qualifies as a N.C. resident for tuition purposes, the classifying institution must ascertain legal residence using common-law principles of domicile unless expressly prohibited under this statute. Various cases have defined domicile as that place where a person has a true, fixed, and permanent home and principal establishment, and to which the person has the intention of returning. It is also defined as the established, fixed, permanent, or ordinary dwelling-place or place of residence of a person, as distinguished from a temporary and transient, though actual, place of residence. Although domicile and residence are not synonymous, domicile is usually considered to be inclusive of residence, and although a person may have only one domicile, he may have more than one residence. A 1985 Attorney General Opinion held that a person has domicile . . . at a place if he (1) has abandoned his prior home (2) has a present intent to make that place his home, and (3) has no intention presently to leave the place.

Section 2 of the bill amends G.S. 116-143.1(e) to provide that, notwithstanding any other provision of law, common-law principles concerning the domicile of a minor child apply. A minor's domicile is generally determined to be the same as that of his parents, surviving parent, or guardian. A minor cannot establish a domicile different from his parents, surviving parent or guardian unless the minor is emancipated. For an unemancipated student under 18 the domicile of his parents, surviving parent or guardian controls for purposes of the student's entitlement to enroll in school. An emancipated minor may establish a domicile separate from his parents. The most common act which emancipates a minor is marriage.

The bill would be effective when it becomes law, and would apply to academic terms commencing on or after that date.

SENATE BILL 923

Short Title: Commercial Realtor Lien Act. (Public)

Sponsors: Senators Odom; Allran, Carpenter, and Foxx.

Referred to: Judiciary.

April 17, 1997

A BILL TO BE ENTITLED

ACT TO CREATE LIENS FOR FEES TO BE PAID TO COMMERCIAL REAL ESTATE BROKERS.

The General Assembly of North Carolina enacts:

Section 1. Chapter 93A is amended by adding a new Article to read:

"ARTICLE 6.

"Commercial Real Estate Brokers' Lien Act.

"**§ 93A-90. Short title.**

This Article may be known as the 'Commercial Real Estate Brokers' Lien Act.'

"**§ 93A-91. Definitions.**

As used in this Article, the following terms mean:

(1) 'Commercial real estate', any real estate other than real estate containing one to four residential units, real estate on which no buildings or structures are located, or real estate classified as agricultural and horticultural property for tax assessment purposes. Commercial real estate does not include single-family residential units including condominiums, townhouses, or homes in a subdivision when that real estate is sold, leased, or otherwise conveyed on a unit-by-unit basis even though the units may be part of a larger building or parcel of real estate containing more than four residential units;

(2) 'Owner', the owner of record of commercial real estate;

(3) 'Real estate broker' and 'real estate salesperson', as such terms are defined in G.S. 93A-2.

"**§ 93A-92. Broker's lien for compensation.**

Any licensed real estate broker shall have a lien, upon commercial real estate or any interest in that commercial real estate, in the amount that the real estate broker is due:

(1) Under a written instrument signed by the owner of an interest in the commercial real estate or signed by the owner's duly authorized agent; or

(2) Under a written instrument signed by a prospective buyer or prospective tenants or signed by their duly authorized agent as to the purchase, lease, or other conveyance to the buyer or tenant of an interest in the commercial real estate.

"**§ 93A-93. Lien notice, content.**

A lien notice, for purposes of this Article, shall state:

(1) The name of the claimant;

(2) The name of the owner;

(3) A description of the property upon which the lien is being claimed;

(4) The amount for which the lien is claimed; and

(5) The real estate license number of the real estate broker.

The notice of lien shall be signed by the real estate broker, and the broker shall attest that the information contained in the notice is true and accurate as to his knowledge and belief.

"**§ 93A-94. When broker's lien attaches to commercial real estate.**

A real estate broker's lien authorized by this Article attaches to the commercial real estate, or an interest in the commercial real estate, when the real estate broker records a notice of the lien in the office of the register of deeds of the county in which the real property, or any interest in the real property is located, if such lien is filed prior to the actual conveyance or transfer of the commercial real estate subject to such real estate broker's lien, except that:

(1) If payment to a real estate broker is due in installments and a portion of the payment is due after the conveyance or transfer of the commercial real estate, any claim for a lien for installment payments due after the transfer or conveyance of the real estate may be recorded any time after the transfer or conveyance of the commercial real estate but shall be recorded before the date on which the payment is due. This lien shall only be effective as a lien against the commercial real estate to the extent moneys are still owed to the transferor by the transferee. A single claim for a lien recorded before the transfer or conveyance of the commercial real estate, claiming all moneys due under an installment payment agreement, is not valid or enforceable to the extent of the payments due after the transfer or conveyance. The lien attaches for purposes of this paragraph when the claim for lien is recorded;

(2) In the case of a lease, the claim for lien shall be recorded within 90 days after the tenant takes possession of the leased property, unless written notice of the intention to sign the lease is personally served on the real estate broker entitled to claim a lien at least 10 days before the date of the intended signing of the lease, then the claim for lien shall be recorded before the date indicated for the signing of the lease. The lien attaches for purposes of this subdivision when the claim for lien is recorded; or

(3) If the real estate broker has a written agreement with a prospective buyer as provided in subdivision (2) of G.S. 93A-92, then the lien attaches when the prospective buyer purchases or otherwise accepts a conveyance or transfer of the commercial real estate and records a notice of the lien within 90 days after the purchase or other conveyance or transfer to the buyer in the office of the register of deeds in the county in which the commercial real estate, or any interest in the commercial real estate, is located.

"**§ 93A-95. When lien claim release or satisfaction to be filed.**
