11 transportation to the dependent to the health  
12 care facility where the dependent can receive  
13 the needed medical treatment.

14 The limited driving privilege granted under this  
15 subdivision must restrict the person to essential

17 any driving that is not related to those purposes  
18 is unlawful even though done at times and upon  
19 routes that may be authorized by the privilege."

**MEMORANDUM**

**TO:** Senator Roy Cooper, Chair, Senate Judiciary Committee

**FROM:** O. Walker Reagan, Committee Co-Counsel

**RE:** **SECOND PROPOSED COMMITTEE SUBSTITUTE FOR SENATE BILL  
1336 - 1998 GOVERNOR'S DWI AMENDMENTS - Senator Odom - S1336-  
CSRU-002.**

Senate Bill 1336 is a recommendation of the Joint Corrections and Crime Control Oversight Committee and the Governor's DWI Task Force. The bill would implement 5 recommendations of these two groups:

- Revise the DWI forfeiture laws and other related laws.
- Provide for expedited hearings of DWI's involving seized vehicles.
- Provide for zero alcohol tolerance for commercial drivers, school bus drivers, and day care vehicle drivers.
- Provide for the immediate 30-day revocation for drivers licenses of persons under 21 violating zero tolerance.
- Increase the penalty for 19 and 20 year old possessing or purchasing alcoholic beverages.

**PART I - DWI FORFEITURE AMENDMENTS**

Part I of the bill (Sections 1 through 17) amends the DWI forfeiture law to make changes and improvements in the law in seven major ways:

1. Expands coverage of the law.
2. Provides greater protections for innocent owners.
3. Provides more bonding options to obtain pre-trial temporary release of the vehicle to nondefendant owners.
4. Provides greater protections for lienholders.
5. Provides greater protections for school boards.
6. Clarifies the authority of law enforcement officers and magistrates in seizure situations.

7. Expedites the sale of some seized vehicles providing greater protections to all parties to avoid excessive storage costs.

**Section 1** expands the definition of offenses involving impaired driving to include first degree murder when based on impaired driving and habitual impaired driving.

**Section 2 (20-28.2)** expands the definition of "impaired driving revocation" to include revocations for habitual impaired driving, commercial driving while impaired, and all vehicular homicides involving impaired driving.

Subsection (a1) includes in the definition of an "innocent owner" persons whose vehicle was reported stolen, persons who filed a police report for unauthorized use of the vehicle, and persons who rent cars that are driven by a person not authorized on the contract to drive.

Subsection (b) permits a forfeiture hearing to be held either at sentencing, at a subsequent hearing, or at an expedited hearing after the defendant fails to appear on the DWI charge and the order of arrest for failing to appear has not been set aside within 60 days.

Subsection (c1) provides that insurance proceeds due from a vehicle damaged in conjunction with the offense leading to the seizure are considered part of the value of the vehicle seized and the proceeds are made subject to forfeiture as well.

Subsection (d) is amended to allow the court to order forfeited collected insurance proceeds and the rights to claim unpaid insurance proceeds.

Subsection (e) provides for the vehicle to be returned to an innocent owner, including a lessor, upon payment of towing and storage charges.

Subsection (f) provides for the vehicle to be released to a lienholder if the vehicle owner is in default on the loan secured by the vehicle, to be sold in accordance with the repossession law, with any equity arising from the sale to be paid to the county board of education.

**Section 3 (20-28.3)** Subsections (b) does not require the officer to seize a vehicle reported stolen or a rental vehicle driven by a person not authorized on the rental agreement, and together with (b1) removes from arresting officer the duty to notify the relevant parties of the seizure of the vehicle and transfers that responsibility to a state agency designated by the Governor.

Subsection (c1) makes an order of seizure valid statewide and clarifies law enforcement's authority to effect the order of seizure.

Subsection (d) allows custody of seized vehicles to be held either through a state or regional central storage arrangement, or if none is available, by the local county board of education. Storage fees are raised from \$5 per day to \$10 per day, and school boards are allowed to charge for storage if cars are held on school property. Private commercial towing companies are entitled to payment for towing and storage charges prior to releasing the vehicle, unless other arrangements are agreed to by the towing company.

Subsection (e) expands the options for obtaining temporary release of a seized vehicle by a nondefendant owner pending trial by allowing property and bail bonds as collateral for the return of the vehicle at the forfeiture hearing.

Subsection (e1) allows a pretrial determination of innocent owner status by petition. Upon the filing of the petition a court hearing will be set within 10 days, during which time the district attorney may authorize the release of the vehicle if the district attorney determines that the vehicle will not be subject to forfeiture.

Subsection (e2) establishes a way for a defendant owner to have a pretrial hearing on the question of whether the vehicle is subject to forfeiture where the defendant contends that the defendant's license was not revoked for an impaired driving offense and the seizure was a mistake.

Subsection (e3) allows the lienholder to petition for pretrial release where the owner is in default on the loan. The lienholder is allowed to sell the vehicle in accordance with the repossession law and any equity arising from the sale is to be paid to the county board of education.

Subsection (h) provides for insurance proceeds to be seized pending forfeiture, allowing the school board attorney to negotiate the claim and allowing a vehicle determined to be a total loss to be released upon payment of the proceeds.

Subsection (i) provides for several circumstances where a seized vehicle may be sold prior to forfeiture in order to mitigate excessive storage charges. Those situations include 1) where the owner consents to the sale, 2) after 90 days if the vehicle is worth \$1,500 or less, and 3) anytime the towing and storage charges equal or exceed 85% of the worth of the vehicle.

Subsection (k) authorizes the school board attorney to take a more active and significant role in the forfeiture process.

Subsection (l) provides that the defendant be taxed with the cost of towing and storage as part of the restitution for the criminal offense.

Subsection (m) makes trials of DWI cases involving seized vehicles a higher priority and restricts grounds on which these cases can be continued to later dates.

**Section 4 (20-28.4)** makes conforming changes for other changes made in the bill.

**Section 5 (20-28.5).** Subsection (a) changes the sales process for forfeited vehicles from a judicial sale to a public sale with special notices as permitted for the disposal of surplus property by schools.

Subsection (c) clarifies how much the county school board should pay other school boards in the county if the county school board retains the forfeited vehicle.

**Section 6** repeals restrictions on registration of vehicles for persons whose vehicles are forfeited. These provisions have been recodified in other sections of the law in Sections 9 and 10 of the bill.

**Section 8 (20-28.8 and 20-28.9)** clarify what information the clerk of court is required to report to DMV and authorizes the Department of Public Instruction to administer regional or statewide contracts for the towing, storage, and sale of seized

and forfeited vehicles. It also clarifies that storage fees up to \$10 per day may be charged for storage under a statewide or regional contract and that a \$10 per vehicle administrative fee will be collect to defray the costs for DPI to administer this program.

**Sections 9 and 10 (20-54 and 20-54.1)** recodify restrictions on registration of vehicles for persons whose vehicles are forfeited.

**Section 12.1** requires DMV to modify the accident report form to provide for the investigative officer to indicate on the accident report if the vehicle involved in the accident was seized and subject to forfeiture.

**Section 14 (44A-2(d))** amends the mechanics lien statute to exempt seized vehicle towed or stored from the mechanics lien statute and provides for payment of towing and storage through the seizure and forfeiture process where these costs are required to be paid when the vehicle is release or paid from the proceeds of sale

**Section 15 (44A-4(b)(1))** amends the mechanics lien statute to permit another alternative for notice to be sent to a vehicle owner whose vehicle is subject to sale to satisfy an unpaid mechanics lien. Under this provision in addition to DMV sending the notice, the lienholder may send the notice directly.

**Sections 16 and 17 (58-71-1 and 58-71-35)** amend the bail bond statutes to allow bail bonds to be used to bond the release of seized vehicles.

## **PART II - ZERO TOLERANCE FOR COMMERCIAL DRIVERS**

**Sections 18 through 24** amend the laws for commercial driving while impaired offense by reducing the permissible alcohol level from less than 0.04 to no alcohol at all. These sections also revoke for life a commercial drivers license for a second or subsequent commercial DWI.

## **PART III - ZERO TOLERANCE FOR SCHOOL BUS DRIVERS AND OPERATORS OF CHILD CARE VEHICLES**

**Sections 25 through 29** make it illegal to drive a school bus or a child care vehicle with any alcohol in the body. Currently, operators of larger vehicles are required to have commercial drivers licenses and are subject to a 0.04 blood alcohol limit. This change would make zero tolerance applicable not to just commercial drivers but also operators of small vehicles for which a commercial drivers license is not required.

## **PART IV - IMMEDIATE REVOCATION FOR UNDER 21 DRIVERS**

**Sections 30 through 32** makes the immediate 30-day civil revocation of a drivers license for DWI offenses also applicable for violations of zero tolerance for drivers under age 21.

#### **PART V - INCREASE PUNISHMENT FOR 19 OR 20 YEAR OLDS FOR PURCHASE OR POSSESSION OF ALCOHOLIC BEVERAGES**

**Section 33** repeals the provision that makes purchase or possession of alcoholic beverages by 19 or 20 year olds an infraction, thereby increasing the punishment to a Class 1 misdemeanor.

**Section 34** makes a conforming change to the expunction statute for this offense.

#### **PART VI - MISCELLANEOUS PROVISIONS**

**Section 35** authorizes the Department of Public Instruction to hire a part-time person to administer the statewide or regional towing and storage contract for seized vehicles.

#### **PART VII - EFFECTIVE DATE**

The provisions in the bill changing the DWI forfeiture law would become effective October 1, 1998 and would apply to offenses committed on or after that date. The new provisions allowing for increase options to release a seized vehicle through bonding, an innocent owner petition, a defendant owner petition, a lienholder petition, insurance proceeds and expedited pre-trial sales would apply to vehicles currently held on the effective date. The Parts for zero tolerance violations, immediate revocation for under 21 zero tolerance violation, and increasing the penalty for 19 and 20 year old alcoholic beverages purchase or possession are effective December 1, 1998.

**RE:** **SENATE BILL 1228 - CRIMINAL PROVISIONS FOR TAX VIOLATIONS**  
Senator Dalton

Senate Bill 1228 is a recommendation of the Revenue Laws Study Committee. The bill would increase the criminal penalties for tax violations.

According to the study, prior to 1995 a person who willfully attempted to evade paying the amount of tax due, or who willfully helped another taxpayer attempt to evade paying the amount of tax due, could be punished by an active prison sentence, a monetary fine, or both. Under structured sentencing, however, a person who commits these crimes may often only be punished by a monetary fine. In some cases, the amount of tax money due may be quite large. In others, the deception may be egregious. The committee found that some of the people charged with these crimes are charged with them repeatedly. According to the committee's report to the 1998 Session, the Criminal Investigations Division of the Department of Revenue does not believe that the current level of punishment is sufficient to deter many would-be tax evaders. The Revenue Laws Committee has therefore recommended changing the classification of these two crimes from a Class I felony to a Class H felony so that a sentencing judge would have the discretion to sentence defendants to active time if the circumstances justify such a punishment.

The attempt to evade or defeat a tax is presently a Class I felony, and punishment currently may include a fine up to \$25,000; aiding or assisting in the filing of a fraudulent or false return is also a Class I felony, for which a fine of up to \$10,000 may be imposed. The minimum presumptive sentence for a

Summary - House Bill 344  
Motor Vehicle Occupant Restraints

Class I felony is 4-6 months community punishment for a person with no prior record; active punishment becomes available as a sentencing option when a person reaches prior record level IV.

Section 1 of the bill makes attempting to evade or defeat a tax a Class H felony, and deletes the language limiting the amount of the fine; Section 2 makes the aiding and assistance offense a Class H felony, and also deletes the limitation on the amount of the fine. The minimum presumptive sentence for a Class H felony is 5-6 months community, intermediate, or active punishment for a person with no prior record. Under structured sentencing, any judgment that includes a sentence of imprisonment may also include a fine; if a community punishment is authorized, the judgment may consist of a fine only. Unless otherwise specified, the amount of the fine is in the discretion of the court.

According to a fiscal analysis prepared by the Fiscal Research Division, the bill is expected to have no fiscal impact. A copy of the fiscal analysis memorandum is attached.

EFFECTIVE DATE: November 1, 1998

**BILL SUMMARY:** This bill increases the penalty for attempting to evade or defeat tax from a Class I felony to Class H (G.S. 105-236(7) and 9(a)).

## **ASSUMPTIONS AND METHODOLOGY:**

### Department of Correction

According to the Sentencing and Policy Advisory Commission, in 1996-97 there were only two convictions for attempting to evade or defeat a tax and one conviction for aid or assistance in doing so. Therefore it is estimated there would be no fiscal impact on the prison population. For example, if there were ten convictions it is estimated that only 3 inmates would be added to the system.

### Judicial Department

Increases in criminal penalty bills or new crimes can increase court time and personnel costs. For example in this bill, an increase in punishment for attempting to evade or defeat a tax could make some defendants more likely to request a jury trial, thus increasing court time and costs. However, the number of offenses and convictions for the current Class I felonies are so few that any fiscal impact on the court system is unlikely.

2 statute of limitation may not be pleaded as a defense if the action  
3 was initially commenced within the period of limitation and

5 service is declared invalid. Service shall be complete on the day  
6 the summons and complaint are delivered to the address.

27 mentioned in the summons and delivered to and left with  
28 him a copy; and if the defendant was not personally served,  
29 he shall state in such affidavit when, where and with whom  
30 such copy was left. If such service is made outside this State,

Similarly, when there is objection to the admission of evidence involving a specified line of questioning, it shall be deemed that a like objection has been taken to any subsequent admission of evidence involving the same line of questioning.

(2) If there is proper objection to the admission of evidence and the objection is overruled, the ruling of the court shall be deemed

excepted to by the party making the objection. If an objection to the admission of evidence is sustained or if the court for any reason excludes evidence offered by a party, the ruling of the court shall be deemed excepted to by the party offering the evidence.

- (3) No objections are necessary with respect to questions propounded to a witness by the court or a juror but it shall be deemed that each such question has been properly objected to and that the objection has been overruled and that an exception has been taken to the ruling of the court by all parties to the action.

3 damage will result to the applicant before notice can be served and a hearing had  
4 thereon; the adverse party or that party's attorney can be heard in opposition, and (ii)  
5 the applicant's attorney certifies to the court in writing the efforts, if any, that have

7 not be required. Every temporary restraining order granted without notice shall be  
8 endorsed with the date and hour of issuance; shall be filed forthwith in the clerk's  
9 office and entered of record; shall define the injury and state why it is irreparable and  
10 why the order was granted without notice; and shall expire by its terms within such  
11 time after entry, not to exceed 10 days, as the judge fixes, unless within the time so  
12 fixed the order, for good cause shown, is extended for a like period or unless the  
13 party against whom the order is directed consents that it may be extended for a  
14 longer period. The reasons for the extension shall be entered of record. In case a

16 injunction is made, it shall be set down for hearing at the earliest possible time and  
17 takes precedence over all matters except older matters of the same character; and  
18 when the motion comes on for hearing, the party who obtained the temporary  
19 restraining order shall proceed with a motion for a preliminary injunction, and, if he  
20 does not do so, the judge shall dissolve the temporary restraining order. On two days'  
21 notice to the party who obtained the temporary restraining order without notice or  
22 on such shorter notice to that party as the judge may prescribe, the adverse party may  
23 appear and move its dissolution or modification and in that event the judge shall  
24 proceed to hear and determine such motion as expeditiously as the ends of justice  
25 require. Damages may be awarded in an order for dissolution as provided in section  
26 (e)."

5 ~~deemed withdrawn and evidence of the offer is not admissible~~  
6 ~~except in a proceeding to determine costs. The defending party~~  
7 ~~shall file the offer deemed withdrawn prior to the proceeding to~~

16 monetary claims.

17 (b) Conditional offer of judgment for damages. -- A party defending against a

22 damages shall be assessed accordingly. If the claimant does not accept the offer, he  
23 must prove his damages as if the offer had not been made. If the damages assessed in  
24 the claimant's favor do not exceed the sum stated in the offer, the party defending  
25 shall recover the costs in respect to the question of damages.

20 memorandum must be served upon the opposing party or the party's  
21 attorney of record no later than the third business day preceding  
22 the scheduled hearing date on the matter for which the brief or  
23 memorandum is submitted."

24  
25 ATTORNEY'S EMPLOYEE NOT DISQUALIFIED FOR VIDEOTAPE DEPOSITION  
26 (RULE 28(c))

27 Section 5. G.S. 1A-1, Rule 28(c) reads as rewritten:

28 "(c) Disqualification for interest. -- No deposition shall be  
29 taken before a person who is a relative or employee or attorney  
30 or counsel of any of the parties, or is a relative or employee of  
31 such attorney or counsel, or is financially interested in the  
32 action unless unless:

33 (1) the The parties agree otherwise by stipulation as  
34 provided in Rule 29. Rule 29; or

35 (2) The deposition is taken by videotape in compliance  
36 with Rule 30(b)(4) and Rule 30(f), and the notice  
37 for the taking of the deposition states the name of  
38 the person before whom the deposition will be taken  
39 and that person's relationship, if any, to a party  
40 or a party's attorney."

41  
42 MEDIATION OF DISCOVERY DISPUTES (RULE 37)

43 Section 6. G.S. 1A-1, Rule 37(a) reads as rewritten:

1    "(a) Motion for order compelling discovery. -- A party, upon  
2 reasonable notice to other parties and all persons affected  
3 thereby, may apply for an order compelling discovery as follows:

4           (1) Appropriate Court. -- An application for an order  
5           to a party or a deponent who is not a party may be  
6           made to a judge of the court in which the action is  
7           pending, or, on matters relating to a deposition  
8           where the deposition is being taken in this State,  
9           to a judge of the court in the county where the  
10          deposition is being taken, as defined by Rule  
11          30(h).

12          (2) Motion. -- If a deponent fails to answer a question  
13          propounded or submitted under Rules 30 or 31, or a  
14          corporation or other entity fails to make a  
15          designation under Rule 30(b)(6) or 31(a), or a  
16          party fails to answer an interrogatory submitted  
17          under Rule 33, or if a party, in response to a  
18          request for inspection submitted under Rule 34,  
19          fails to respond that inspection will be permitted  
20          as requested or fails to permit inspection as  
21          requested, the discovering party may move for an  
22          order compelling an answer, or a designation, or an  
23          order compelling inspection in accordance with the  
24          request. The motion must include a certification  
25          that the movant has in good faith conferred or  
26          attempted to confer with the person or party  
27          failing to make the discovery in an effort to  
28          secure the information or material without court  
29          action. When taking a deposition on oral  
30          examination, the proponent of the question shall  
31          complete the examination on all other matters  
32          before he adjourns the examination in order to  
33          apply for an order. If the court denies the motion  
34          in whole or in part, it may make such protective  
35          order as it would have been empowered to make on a  
36          motion made pursuant to Rule 26(c).

37          (3) Evasive or Incomplete Answer. -- For purposes of  
38          this subdivision an evasive or incomplete answer is  
39          to be treated as a failure to answer.

40          (4) Award of Expenses of Motion. -- If the motion is  
41          granted, the court shall, after opportunity for  
42          hearing, require the party or deponent whose  
43          conduct necessitated the motion or the party  
44          advising such conduct or both of them to pay to the

1 moving party the reasonable expenses incurred in  
2 obtaining the order, including attorney's fees,  
3 unless the court finds that the opposition to the  
4 motion was substantially justified or that other  
5 circumstances make an award of expenses unjust.

6 If the motion is denied, the court shall,  
7 after opportunity for hearing, require the moving  
8 party to pay to the party or deponent who opposed  
9 the motion the reasonable expenses incurred in  
10 opposing the motion, including attorney's fees,  
11 unless the court finds that the making of the  
12 motion was substantially justified or that other  
13 circumstances make an award of expenses unjust.

14 If the motion is granted in part and denied in  
15 part, the court may apportion the reasonable  
16 expenses incurred in relation to the motion among  
17 the parties and persons in a just manner."  
18

19 PRESERVING EXCEPTIONS TO RULINGS (RULE 46)

20 Section 7. G.S. 1A-1, Rule 46 reads as rewritten:

21 "Rule 46. Objections and exceptions.

22 (a) Rulings on admissibility of evidence. --

23 (1) When there is objection to the admission of  
24 evidence on the ground that the witness is for a  
25 specified reason incompetent or not qualified or  
26 disqualified, it shall be deemed that a like  
27 objection has been made to any subsequent admission  
28 of evidence from the witness in question.  
29 Similarly, when there is objection to the admission  
30 of evidence involving a specified line of  
31 questioning, it shall be deemed that a like  
32 objection has been taken to any subsequent  
33 admission of evidence involving the same line of  
34 questioning.

35 (2) If there is proper objection to the admission of  
36 evidence and the objection is overruled, the ruling  
37 of the court shall be deemed excepted to by the  
38 party making the objection. If an objection to the  
39 admission of evidence is sustained or if the court  
40 for any reason excludes evidence offered by a  
41 party, the ruling of the court shall be deemed  
42 excepted to by the party offering the evidence.

43 (3) No objections are necessary with respect to  
44 questions propounded to a witness by the court or a

juror but it shall be deemed that each such question has been properly objected to and that the objection has been overruled and that an exception has been taken to the ruling of the court by all parties to the action.

(b) ~~Rulings~~ Pretrial rulings, interlocutory orders, trial rulings, and other orders not directed to the admissibility of evidence. -- With respect to ~~rulings~~ pretrial rulings, interlocutory orders, trial rulings, and other orders of the court not directed to the admissibility of evidence, formal objections and exceptions are unnecessary. In order to preserve an exception to any such ruling or order or to the court's failure to make any such ruling or order, it shall be sufficient if a party, at the time the ruling or order is made or sought, makes known to the court ~~his~~ the party's objection to the action of the court or makes known the action ~~which he~~ that the party desires the court to take and ~~his ground therefor;~~ the party's grounds for its position. ~~and if~~ If a party has no opportunity to object or except to a ruling or order at the time it is made, the absence of an objection or exception does not thereafter prejudice ~~him.~~ that party; however, in order to preserve exceptions to these rulings and orders for appellate review, a party shall promptly present to the court a request, objection, or motion that states the specific grounds for the ruling that the party desires the court to make upon having an opportunity to do so.

~~(c) Instruction. -- If there is error, either in the refusal of the judge to grant a prayer for instructions, or in granting a prayer, or in his instructions generally, the same is deemed excepted to without the filing of any formal objections."~~

#### DEFAULT JUDGMENT WITHOUT HEARING (RULE 55(b))

Section 8. G.S. 1A-1, Rule 55(b) reads as rewritten:

"(b) Judgment. -- Judgment by default may be entered as follows:

- (1) By the Clerk. -- When the plaintiff's claim against a defendant is for a sum certain or for a sum which can by computation be made certain, the clerk upon request of the plaintiff and upon affidavit of the amount due shall enter judgment for that amount and costs against the defendant, if ~~he~~ the defendant has been defaulted for failure to appear and if ~~he~~ the defendant is not an infant or incompetent person. A verified pleading may be used in lieu of

1 an affidavit when the pleading contains information  
2 sufficient to determine or compute the sum certain.

3 In all cases wherein, pursuant to this rule, the  
4 clerk enters judgment by default upon a claim for  
5 debt which is secured by any pledge, mortgage, deed  
6 of trust or other contractual security in respect  
7 of which foreclosure may be had, or upon a claim to  
8 enforce a lien for unpaid taxes or assessments  
9 under G.S. 105-414, the clerk may likewise make all  
10 further orders required to consummate foreclosure  
11 in accordance with the procedure provided in  
12 Article 29A of Chapter 1 of the General Statutes,  
13 entitled "Judicial Sales."

14 (2) By the Judge. --

15 a. In all other cases the party entitled to a  
16 judgment by default shall apply to the judge  
17 therefor; but no judgment by default shall be  
18 entered against an infant or incompetent  
19 person unless represented in the action by a  
20 guardian ad litem or other such representative  
21 who has appeared therein. If the party against  
22 whom judgment by default is sought has  
23 appeared in the action, ~~he~~ that party (or, if  
24 appearing by representative, ~~his~~ the  
25 representative) shall be served with written  
26 notice of the application for judgment at  
27 least three days prior to the hearing on such  
28 application. If, in order to enable the judge  
29 to enter judgment or to carry it into effect,  
30 it is necessary to take an account or to  
31 determine the amount of damages or to  
32 establish the truth of any averment by  
33 evidence or to take an investigation of any  
34 other matter, the judge may conduct such  
35 hearings or order such references as ~~he~~ the  
36 judge deems necessary and proper and shall  
37 accord a right of trial by jury to the parties  
38 when and as required by the Constitution or by  
39 any statute of North Carolina. If the  
40 plaintiff seeks to establish paternity under  
41 Article 3 of Chapter 49 of the General  
42 Statutes and the defendant fails to appear,  
43 the judge shall enter judgment by default.

- 1            b. A motion for judgment by default may be  
2            decided by the court without a hearing if:  
3            1. The motion specifically provides that the  
4            court will decide the motion for judgment  
5            by default without a hearing if the party  
6            against whom judgment is sought fails to  
7            serve a written response, stating the  
8            grounds for opposing the motion, within  
9            30 days of service of the motion; and  
10           2. The party against whom judgment is sought  
11           fails to serve the response in accordance  
12           with this sub-subdivision."  
13

14 ENHANCED NOTICE FOR TEMPORARY RESTRAINING ORDER (RULE 65)

15           Section 9. G.S. 1A-1, Rule 65(b) reads as rewritten:

16        "(b) Temporary restraining order; notice; hearing; duration. --  
17 A temporary restraining order may be granted without written or  
18 oral notice to the adverse party or that party's attorney only if  
19 (i) it clearly appears from specific facts shown by affidavit or  
20 by verified complaint that immediate and irreparable injury,  
21 loss, or damage will result to the applicant before notice can be  
22 served and a hearing had thereon. the adverse party or that  
23 party's attorney can be heard in opposition, and (ii) the  
24 applicant's attorney certifies to the court in writing the  
25 efforts, if any, that have been made to give the notice and the  
26 reasons supporting the claim that notice should not be required.  
27 Every temporary restraining order granted without notice shall be  
28 endorsed with the date and hour of issuance; shall be filed  
29 forthwith in the clerk's office and entered of record; shall  
30 define the injury and state why it is irreparable and why the  
31 order was granted without notice; and shall expire by its terms  
32 within such time after entry, not to exceed 10 days, as the judge  
33 fixes, unless within the time so fixed the order, for good cause  
34 shown, is extended for a like period or unless the party against  
35 whom the order is directed consents that it may be extended for a  
36 longer period. The reasons for the extension shall be entered of  
37 record. In case a temporary restraining order is granted without  
38 notice and a motion for a preliminary injunction is made, it  
39 shall be set down for hearing at the earliest possible time and  
40 takes precedence over all matters except older matters of the  
41 same character; and when the motion comes on for hearing, the  
42 party who obtained the temporary restraining order shall proceed  
43 with a motion for a preliminary injunction, and, if he does not  
44 do so, the judge shall dissolve the temporary restraining order.

1 On two days' notice to the party who obtained the temporary  
2 restraining order without notice or on such shorter notice to  
3 that party as the judge may prescribe, the adverse party may  
4 appear and move its dissolution or modification and in that event  
5 the judge shall proceed to hear and determine such motion as  
6 expeditiously as the ends of justice require. Damages may be  
7 awarded in an order for dissolution as provided in section (e)."

9 **EXTEND CIVIL PROCEDURE STUDY COMMISSION AND INCREASE MEMBERSHIP**

10 Section 10. Subsection (c) of Section 4.1 of Part IV of  
11 Chapter 17 of the 1996 Second Extra Session Laws reads as  
12 rewritten:

13 "(c) The Commission shall report to the General Assembly and  
14 the Chief Justice no later than ~~April 1, 1998~~, February 1, 2001.  
15 The report shall be in writing and shall set forth the  
16 Commission's findings, conclusions, and recommendations,  
17 including any proposed legislation or court rules. Upon issuing  
18 its final report, the Commission shall terminate."

19 Section 11. Subsection (a) of Section 4.1 of Part IV of  
20 Chapter 17 of the 1996 Second Extra Session Laws reads as  
21 rewritten:

22 "(a) The Civil Procedure Study Commission is created. The  
23 Commission shall consist of ~~18~~ 24 voting members: ~~six~~ eight  
24 members to be appointed by the President Pro Tempore of the  
25 Senate, ~~six~~ eight members to be appointed by the Speaker of the  
26 House of Representatives, and ~~six~~ eight members to be appointed  
27 by the Chief Justice of the North Carolina Supreme Court. No  
28 more than four members appointed by the President Pro Tempore of  
29 the Senate and no more than four members appointed by the Speaker  
30 of the House of Representatives may be members of the General  
31 Assembly. No more than four of the members appointed by any one  
32 of the three appointing authorities may be members of the same  
33 political party."

34 Section 12. Of the funds appropriated to the General  
35 Assembly for the 1998-99 fiscal year, the sum of twenty-five  
36 thousand dollars (\$25,000) shall be allocated to implement the  
37 provisions of this act.

38

39 **CLARIFY PUBLIC DUTY DOCTRINE AND THE TORTS CLAIMS ACT**

40 Section 13. G.S. 143-291(a) reads as rewritten:

41 "(a) The North Carolina Industrial Commission is hereby  
42 constituted a court for the purpose of hearing and passing upon  
43 tort claims against the State Board of Education, the Board of  
44 Transportation, and all other departments, institutions and

1 agencies of the State. The Industrial Commission shall determine  
2 whether or not each individual claim arose as a result of the  
3 negligence of any officer, employee, involuntary servant or agent  
4 of the State while acting within the scope of his office,  
5 employment, service, agency or authority, under circumstances  
6 where the State of North Carolina, if a private person, would be  
7 liable to the claimant in accordance with the laws of North  
8 Carolina. The "public duty doctrine" does not apply to bar  
9 claims under this Article. If the Commission finds that there  
10 was such negligence on the part of an officer, employee,  
11 involuntary servant or agent of the State while acting within the  
12 scope of his office, employment, service, agency or authority,  
13 which was the proximate cause of the injury and that there was no  
14 contributory negligence on the part of the claimant or the person  
15 in whose behalf the claim is asserted, the Commission shall  
16 determine the amount of damages which the claimant is entitled to  
17 be paid, including medical and other expenses, and by appropriate  
18 order direct the payment of such damages by the department,  
19 institution or agency concerned, but in no event shall the amount  
20 of damages awarded exceed the sum of one hundred fifty thousand  
21 dollars (\$150,000) cumulatively to all claimants on account of  
22 injury and damage to any one person. Community colleges and  
23 technical colleges shall be deemed State agencies for purposes of  
24 this Article. The fact that a claim may be brought under more  
25 than one Article under this Chapter shall not increase the  
26 foregoing maximum liability of the State."

27

#### 28 EFFECTIVE DATE

29           Section 14. Sections 1 through 9 of this act become  
30 effective October 1, 1998 and apply to actions filed on or after  
31 that date. Sections 10 and 11 of this act and this section are  
32 effective when they become law. Section 12 of this act becomes

**MEMORANDUM**

**TO:** Senator Roy Cooper, Chair, Senate Judiciary Committee

**FROM:** O. Walker Reagan, Committee Co-Counsel

**RE:** **PROPOSED COMMITTEE SUBSTITUTE FOR SENATE BILL 1277 - CIVIL  
PROCEDURE RULES CHANGES - Senator Dalton**

The Proposed Committee Substitute for Senate Bill 1277 incorporates some of the recommendations of the Civil Procedures Study Commission. The bill makes changes to the Rules of Civil Procedure to reduce the time required to dispose of civil actions and to simplify pretrial and trial procedures. The bill extends the life of a civil summons to 60 days, allows for service by private mail service, allows service of pleadings and papers by fax, requires advance service of briefs, allows video deposition by attorney's employee, requires informal mediation of discovery disputes, simplifies preservation of exceptions to rulings, allows default judgment without hearing, requires greater notice of temporary restraining orders (TRO's), and extends the Civil Procedures Study Commission to 2001 and increases the membership from 18 to 24 members.

**Section 1** of the bill amends Rule 4(c) to extend the life of a civil summons from 30 to 60 days to allow for additional time for the summons to be served reducing the paperwork and time by the clerk to endorse the summons to extend the time.

**Section 2** amends Rule 4(j) to allow as an optional method of service of process, delivery by a private delivery service, like Federal Express or UPS. Service must be evidenced by a delivery receipt and must be made by a company certified by the Administrative Office of the Courts. Sections 2.1, 2.2, and 2.3 make conforming changes to other statutes to reflect this new method of service, including proof of services statutes.

**Section 3** amends Rule 5(b) to broaden the methods of service of pleadings and papers to allow service on the opposite attorney by fax during normal business hours.

**Section 4** amends Rule 5 by adding a new subsection to require that an attorney filing a brief or memorandum must serve the other attorney with a copy at least two business days prior to the scheduled hearing when the brief or memorandum will be presented.

**Section 5** amends Rule 28(c) to permit a videotaped deposition to be taken by an attorney's employee provided notice of the person and the relationship with the attorney is given to the opposite attorney at the time of the notice of the taking of the deposition.

**Section 6** amends Rule 37(a) to require that before applying for an order compelling discovery, the moving party must confer with, or make a good faith attempt to confer with, the party failing to make discovery in order to obtain the information sought. The motion seeking an order to compel discovery must include a certification of the efforts or attempted efforts to confer.

**Section 7** amends Rule 46(b) and (c) to clarify that no formal objection or exception is required to any court ruling, other than on evidentiary matters, including pretrial rulings, interlocutory orders, trial rulings or other orders. However to preserve the exception for appellate review, a party must present the court with a request, objection or motion that sets out the specific grounds for the ruling the party desires the court to make when the party has an opportunity to do so. Rule 46(c) is repealed to avoid a conflict with the Rules of Appellate Procedure (Rule 10(b)(2)) which requires formal objection to jury instructions to preserve the exceptions on appeal.

**Section 8** amends Rule 55(b) to allow judgment by default to be entered by a court without a hearing when the motion for judgment by default specifically notifies the other party that the court will decide the motion without a hearing unless the other party files a written response stating the grounds for opposing the motion within 30 days of service of the motion, and the other party fails to respond within the time.

**Section 9** amends Rule 65(b) to only allow a temporary restraining order to be issued without notice to the opposite party when the moving party shows that immediate and irreparable harm will result before the other party can be heard, and the moving party's attorney certifies in writing to the court the efforts, if any, made to give notice to the other party, and the reasons supporting why the notice should not be required. This change will conform to the current Federal Rule 65.

**Sections 10, 11, and 12** would extend (retroactively) the life of the Civil Procedure Study Commission to February 1, 2001 (from April 1, 1998), would increase the membership from 18 to 24 members (2 additional members appointed each by the President ProTemp, the Speaker, and the Chief Justice), and allocates \$25,000 of the funds appropriated to the General Assembly to fund the study.

The changes to the Rules would be effective October 1, 1998 and would apply to actions filed on or after that date. The changes to Commission would be effective when the bill becomes law and the funding would be approved effective July 1, 1998.

## MEMORANDUM

**TO:** Senator Roy Cooper, Chair, Senate Judiciary Committee

**FROM:** Jo B. McCants

**DATE:** July 14, 1998

**RE: SENATE BILL 1244 - Representation of Obligees in IV-D UIFSA Cases**

Senate Bill 1244 is a recommendation of the North Carolina Courts Commission.

Senate Bill 1244 amends G.S. 52C-3-308 which reads, "[i]t shall be the duty of the district attorney to represent the obligee in proceedings authorized by this Chapter unless alternative arrangements are made by the obligee. An obligee may employ private counsel to represent the obligee in proceedings authorized by this Chapter." Senate Bill 1244 would require the local child support enforcement agencies to represent obligees in IV-D UIFSA cases.

The Courts Commission recommended Senate Bill 1244 because in 57 North Carolina counties, attorneys employed by, or under contract with, local departments of social services, handle the legal duties in IV-D Uniform Interstate Family Support Act (UIFSA) cases. Representatives from the Conference of District Attorneys and Child Support Enforcement told the Commission that child support attorneys are able to handle IV-D UIFSA cases more efficiently and effectively than district attorneys. The Commission decided that because the UIFSA proceedings are civil in nature and because local child support enforcement offices have better access than district attorneys to resources that allow them to collect child support payments, the responsibility of legal representation should be on the local child support enforcement agency.

### **Section 1.**

Places the legal responsibility of handling IV-D UIFSA cases with the local child support enforcement agency, unless the obligee makes other arrangements. The district attorney will be responsible for handling all non-IV-D cases, unless the obligee makes other arrangements.

### **Section 2.**

Appropriates \$420,000 to the Department of Health and Human Services for the 1998-99 fiscal year to implement the provisions of the act.

### **Section 3.**

The act was to become effective on July 1, 1998.

10 award punitive damages in accordance with the provisions of Chapter 1D of the  
11 General Statutes. In addition, if a person bringing an action pursuant to this Article  
12 is found by the trier of fact to have been sexually exploited by the defendant, the

19 (2) The defendant requests a hearing prior to conducting discovery

29 (1) The defendant requests a hearing prior to trial and makes an offer  
30 of proof of the relevancy of the sexual history.

34 (b) The court shall allow the admission only of specific information or examples of  
35 instances of the plaintiff's conduct that are determined by the court to be relevant.  
36 The court's order shall detail the conduct that is admissible, and no other such  
37 evidence may be introduced.

38 (c) Sexual history otherwise admissible pursuant to this section may not be proved  
39 by reputation or opinion.

40 (d) Violation of the terms of an order entered pursuant to this section may be  
41 grounds for a new trial.

42 **"§ 90-21.46. Prohibited defense.**

43 It shall not be a defense in any action brought pursuant to this Article that the  
44 client consented to the sexual exploitation or that the sexual contact with a client

1 occurred outside a therapy or treatment session or that it occurred off the premises  
2 regularly used by the psychotherapist for therapy or treatment sessions.

3 **"§ 90-21.47. Statute of limitations.**

4 (a) An action for sexual exploitation must be commenced within three years after  
5 the cause of action accrues. A cause of action for sexual exploitation accrues at the  
6 later of either:

7 (1) The last act of the defendant giving rise to the cause of action.

8 (2) At the time the client discovers or reasonably should discover that  
9 the client was injured as a result of the sexual exploitation;  
10 however, no cause of action shall be commenced more than 15  
11 years from the last act of the defendant giving rise to the cause of  
12 action.

13 (b) If a person is unable to bring an action due to the effects of sexual exploitation  
14 or due to any threats, instructions, or statements from the psychotherapist, the  
15 duration of the period of inability shall not be included in the statute of limitations  
16 for the commencement of the action for sexual exploitation.

17 **"§ 90-21.48. Agreements not to pursue complaint before licensing entity prohibited.**

18 It is prohibited for any person settling or compromising a claim involving the  
19 conduct defined herein as sexual exploitation to request or agree, as a term of  
20 settlement, not to pursue a complaint before the regulatory entity responsible for  
21 overseeing the conduct or licensing of the defendant."

22 Section 2. This act becomes effective October 1, 1997, and applies to  
23 exploitative conduct occurring on or after that date.

## MEMORANDUM

**TO:** Senator Roy Cooper, Chair, Senate Judiciary Committee

**FROM:** O. Walker Reagan, Committee Co-Counsel

**RE:** **PROPOSED SENATE COMMITTEE SUBSTITUTE FOR HOUSE BILL 581 -  
SEX EXPLOITATION ACT - Representative Hackney**

The Proposed Senate Committee Substitute for House Bill 581 would create a new civil cause of action for damages suffered by a person who is sexually exploited by their psychotherapist.

The new Article defines a "psychotherapist" as a physician, psychiatrist, psychologist, nurse, counselor, social worker, clergy member, family therapist, physician assistant, or mental health service provider, who performs or purports to perform psychotherapy. "Psychotherapy" is defined as the professional treatment or professional counseling of a mental or emotional condition. A client is defined as someone who receives psychotherapy, whether or not the person is charged for the service, and includes a former client. The Act contains a definition of sexual contact which includes a variety of actions and statements by the psychotherapist.

A client may bring a civil action under the Act if the sexual exploitation occurred between and including the dates the psychotherapy began and ended, within 3 years after the termination of psychotherapy, or occurred by means of therapeutic deception. "Therapeutic deception" is defined as a representation by a psychotherapist that sexual contact with the psychotherapist is consistent with or part of the client's treatment.

Under the Act, a client may seek civil remedies in the form of actual or nominal damages, and reasonable attorneys fees. Punitive damages may be obtained as permitted under Chapter 1D - Punitive Damages.

MEMORANDUM  
HB 581 - PCS Summary  
Page 2

A client's sexual history is not subject to discovery under the Act except for cases in which the client claims impairment of sexual function, or the court determines in a hearing prior to the discovery that the information is relevant and that its probative value outweighs its prejudicial effect. Evidence of sexual history is not admissible at trial unless the court, at the request of the psychotherapist, makes the same determinations of relevancy and probative value prior to trial. Sexual history may not be proved by reputation or opinion.

Consent is not a defense to an action under the Act, nor is the fact that the sexual exploitation occurred outside of therapy or off the premises of the therapist.

The Act contains a three-year statute of limitation which begins to run from the last act of the psychotherapist.

Provisions in settlement agreements in which a party agrees not to pursue a complaint before the psychotherapist's licensing or regulatory entity are prohibited under the Act.

The bill becomes effective October 1, 1998 and applies to exploitative conduct occurring on or after that date.

5 (2) The psychotherapist requests a hearing prior to  
6 conducting discovery and makes an offer of proof of

10 prejudicial effect.

20 of the sexual history; and,  
21 (2) The court finds that, in the interest of justice,  
22 the evidence is relevant and that the probative  
23 value of the evidence substantially outweighs its  
24 prejudicial effect.

25 (b) The court shall allow the admission only of specific  
26 information or examples of instances of the client's conduct that  
27 are determined by the court to be relevant. The court's order  
28 shall detail the conduct that is admissible, and no other such  
29 evidence may be introduced.

31 section may not be proved by reputation or opinion.

32 "§ 90-21.46. Prohibited defense.

33 It shall not be a defense in any action brought pursuant to  
34 this Article that the client consented to the sexual exploitation  
35 or that the sexual contact with a client occurred outside a  
36 therapy or treatment session or that it occurred off the premises  
37 regularly used by the psychotherapist for therapy or treatment  
38 sessions.

39 "§ 90-21.47. Statute of limitations.

40 An action for sexual exploitation must be commenced within  
41 three years after the cause of action accrues. A cause of action  
42 for sexual exploitation accrues from the date of the last act of  
43 the psychotherapist giving rise to the cause of action.

1 "§ 90-21.48. Agreements to not pursue complaint before licensing  
2 entity void.

3 Any provision of a settlement agreement of a claim based in  
4 whole or part on an allegation of sexual exploitation as defined  
5 in this Article, which prohibits a party from initiating or  
6 pursuing a complaint before the regulatory entity responsible for  
7 overseeing the conduct or licensing of the psychotherapist, is  
8 void."

9 Section 2. This act becomes effective October 1, 1998, and  
10 applies to exploitative conduct occurring on or after that date.

**MEMORANDUM**

**TO:** Senator Roy Cooper, Chair, Senate Judiciary Committee

**FROM:** O. Walker Reagan, Committee Co-Counsel

**RE:** **PROPOSED SENATE COMMITTEE SUBSTITUTE FOR HOUSE BILL 581 -  
SEX EXPLOITATION ACT - Representative Hackney**

The Proposed Senate Committee Substitute for House Bill 581 would create a new civil cause of action for damages suffered by a person who is sexually exploited by their psychotherapist.

The new Article defines a "psychotherapist" as a physician, psychiatrist, psychologist, nurse, counselor, social worker, clergy member, family therapist, physician assistant, or mental health service provider, who performs or purports to perform psychotherapy. "Psychotherapy" is defined as the professional treatment or professional counseling of a mental or emotional condition. A client is defined as someone who receives psychotherapy, whether or not the person is charged for the service, and includes a former client. The Act contains a definition of sexual contact which includes a variety of actions and statements by the psychotherapist.

A client may bring a civil action under the Act if the sexual exploitation occurred between and including the dates the psychotherapy began and ended, within 3 years after the termination of psychotherapy, or occurred by means of therapeutic deception. "Therapeutic deception" is defined as a representation by a psychotherapist that sexual contact with the psychotherapist is consistent with or part of the client's treatment.

Under the Act, a client may seek civil remedies in the form of actual or nominal damages, and reasonable attorneys fees. Punitive damages may be obtained as permitted under Chapter 1D - Punitive Damages.

MEMORANDUM  
HB 581 - PCS Summary  
Page 2

A client's sexual history is not subject to discovery under the Act except for cases in which the client claims impairment of sexual function, or the court determines in a hearing prior to the discovery that the information is relevant and that its probative value outweighs its prejudicial effect. Evidence of sexual history is not admissible at trial unless the court, at the request of the psychotherapist, makes the same determinations of relevancy and probative value prior to trial. Sexual history may not be proved by reputation or opinion.

Consent is not a defense to an action under the Act, nor is the fact that the sexual exploitation occurred outside of therapy or off the premises of the therapist.

The Act contains a three-year statute of limitation which begins to run from the last act of the psychotherapist.

Provisions in settlement agreements in which a party agrees not to pursue a complaint before the psychotherapist's licensing or regulatory entity are prohibited under the Act.

The bill becomes effective October 1, 1998 and applies to exploitative conduct occurring on or after that date.

**MEMORANDUM**

**TO:** Senator Roy Cooper, Senate Judiciary Committee

**FROM:** Brenda J. Carter, Committee Counsel

**RE:** **HOUSE BILL 1405 - SMALL CLAIMS JUDGMENTS**  
**2<sup>ND</sup> Edition**  
**Proposed Senate Committee Substitute**  
**Representative Culpepper**

House Bill 1405 would amend small claims procedure to make it clear that G.S. 7A-228(a) does not limit the authority of the district court to hear motions pursuant to Rule 60(b)(1) through (6) of the Rules of Civil Procedure for relief from a judgment or order entered by a magistrate.

Current law specifies that, with consent of the chief district court judge, a magistrate may set aside an order or judgment for mistake or excusable neglect pursuant to 1A-1, Rule 60(b)(1) and order a new trial before a magistrate. House Bill 1405 makes it clear that exercise of the authority to allow magistrates to hear Rule 60(b)(1) motions does not limit the authority of the district court to hear motions pursuant to all provisions of Rule 60(b), and if granted, to order a new trial before a magistrate.

*(A copy of Rule 60(b) is provided on the reverse side of this memorandum)*

Section 2 of the proposed committee substitute amends G.S. 51-1, regarding the solemnization of marriage, to provide that a district court judge may perform marriage ceremonies. The provision is a local modification which would apply only to district court judges of the Thirteenth Judicial District. Marriage ceremonies in this State may currently be performed by clergy and by magistrates. There are two similar existing local modifications with regard to the Mayor of the Town of Sparta (1969) and the Register of Deeds in Bertie County (1951). The provision would expire on July 31, 1999.

Section 3 makes the bill effective when it becomes law.

## **Rule 60. Relief from judgment or order.**

(a) *Clerical mistakes.* - Clerical mistakes in judgments, orders or other parts of the record and errors therein arising from oversight or omission may be corrected by the judge at any time on his own initiative or on the motion of any party and after such notice, if any, as the judge orders. During the pendency of an appeal, such mistakes may be so corrected before the appeal is docketed in the appellate division, and thereafter while the appeal is pending may be so corrected with leave of the appellate division.

(b) *Mistakes; inadvertence; excusable neglect; newly discovered evidence; fraud, etc.* - On motion and upon such terms as are just, the court may relieve a party or his legal representative from a final judgment, order, or proceeding for the following reasons:

(1) Mistake, inadvertence, surprise, or excusable neglect;

(2) Newly discovered evidence which by due diligence could not have been discovered in time to move for a new trial under Rule 59(b);

(3) Fraud (whether heretofore denominated intrinsic or extrinsic), misrepresentation, or other misconduct of an adverse party;

(4) The judgment is void;

(5) The judgment has been satisfied, released, or discharged, or a prior judgment upon which it is based has been reversed or otherwise vacated, or it is no longer equitable that the judgment should have prospective application; or

(6) Any other reason justifying relief from the operation of the judgment.

The motion shall be made within a reasonable time, and for reasons (1), (2) and (3) not more than one year after the judgment, order, or proceeding was entered or taken. A motion under this section does not affect the finality of a judgment or suspend its operation. **MEMORANDUM**

**TO:** Senator Roy Cooper, Chair, Senate Judiciary Committee

**FROM:** Brenda J. Carter, Committee Counsel

**RE:** **HOUSE BILL 344 - MOTOR VEHICLE OCCUPANT RESTRAINTS**  
**Fourth Edition**  
Representative Clary

Section 1 of the bill amends G.S. 20-135.2A (Seat belt use mandatory) Under current law, passengers age 16 or older are required to wear seat belts only if they are in the front seat. The bill would require all passengers 16 years of age and older to wear a seat belt, regardless of where the passenger is seated in the car. Section 1 deletes obsolete language and also deletes the provisions regarding passengers between the ages of 12 and 16, as all passengers under 16 will now be covered by G.S. 20-137.1 as set out in Section 3 of the bill.

Section 2 of the bill increases the penalty for a violation of the mandatory seat belt law from \$25 to \$50, and makes other clarifying changes. Other than increasing the penalty, this section of the bill makes no substantive changes to existing law. It simply makes it clear that any *driver or passenger* who fails to wear a seat belt will be found to have committed an infraction, and will be subject to a \$50.00 penalty. As under current law, the driver is not responsible for the failure of an adult passenger to wear a seat belt.

Section 3 of the bill amends G.S. 20-137.1 to require that all passengers under the age of 16 years must be properly secured in an age-appropriate restraint system. Children who are at least 5 or weigh 60 pounds or more may wear a seat belt. Children who are under five and weigh less than 60 pounds must be in a car safety seat. The car safety seat must be located in the rear seat of the vehicle if the vehicle has a rear seat that will accommodate it. Under current law, it is the driver's responsibility to ensure that passengers under the age of 16 are properly secured.

*A technical amendment, which also corrects a redlining error, would make the bill effective ~~October 1, 1998~~*

## **CHARACTERISTICS OF DRIVERS NOT USING SEAT BELTS IN NORTH CAROLINA<sup>1</sup>**

A study was undertaken in North Carolina by the Insurance Institute for Highway Safety and the University of North Carolina Highway Safety Research Center to determine the characteristics of the minority (20%) of drivers who were not using seat belts following the initial *Click It or Ticket* campaign. The researchers were able to identify a sample of belted and unbelted drivers through observational surveys. Conviction and crash information from their driving records was obtained through the Division of Motor Vehicles. In addition, telephone surveys were conducted with a sample of belted and unbelted drivers to obtain additional information.

Nonuse of seat belts was strongly associated with poorer driving records. As shown in the following table, the unbelted drivers, in comparison to the belted drivers, were:

- 73% more likely to have been convicted of a traffic violation during the previous four years
- 79% more likely to have been convicted of a speeding violation during the previous four years
- 37% more likely to have been involved in a crash during the previous four years

	Conviction/Crash Rate <sup>†</sup>		
	Unbelted	Belted	% Difference
Overall Convictions	0.45	0.26	73%
Speeding Convictions	0.34	0.19	79%
Overall Crash Involvement	0.26	0.19	37%

<sup>†</sup>Number of convictions or crashes per driver

Telephone interviews with both unbelted and belted drivers indicate that unbelted drivers:

- Are twice as likely as belted drivers to have no health care insurance (12% vs 6%)
- Have higher estimated annual mileage (17,660 vs 15,470)
- Are more likely to engage in a variety of risk-taking behaviors

When asked in the interview what it would take to get them to wear their seat belts all of the time,

- 59% of the unbelted group said that no amount of fine would get them to do so, but
- 60% of the unbelted group said that they would always wear their seat belts if points on their drivers license were involved

1 A BILL TO BE ENTITLED  
2 AN ACT TO MAKE VARIOUS TECHNICAL AMENDMENTS TO THE  
3 GENERAL STATUTES AS RECOMMENDED BY THE GENERAL STATUTES  
4 COMMISSION.

5 The General Assembly of North Carolina enacts:

6 Section 1. (a) G.S. 14-408 reads as rewritten:

7 "**§ 14-408. Violation of § 14-406 or 14-407 a misdemeanor.**

8 Any person, firm, or corporation violating any of the provisions of G.S. 14-406 or  
9 14-407 shall be guilty of a Class 2 misdemeanor."

10 (b) This section becomes effective December 1, 1998. Prosecutions for  
11 offenses committed before the effective date of this section are not abated or affected  
12 by this section and the statutes that would be applicable but for this section remain  
13 applicable to those prosecutions.

14 Section 2. (a) G.S. 14-74 reads as rewritten:

15 "**§ 14-74. Larceny by servants and other employees.**

16 If any servant or other employee, to whom any money, goods or other chattels, or  
17 any of the articles, securities or choses in action mentioned in ~~the following section;~~  
18 G.S. 14-75, by his master shall be delivered safely to be kept to the use of his master,  
19 shall withdraw himself from his master and go away with such money, goods or other  
20 chattels, or any of the articles, securities or choses in action mentioned as aforesaid,  
21 or any part thereof, with intent to steal the same and defraud his master thereof,  
22 contrary to the trust and confidence in him reposed by his said master; or if any  
23 servant, being in the service of his master, without the assent of his master, shall  
24 embezzle such money, goods or other chattels, or any of the articles, securities or

1 choses in action mentioned as aforesaid, or any part thereof, or otherwise convert the  
2 same to his own use, with like purpose to steal them, or to defraud his master thereof,  
3 the servant so offending shall be guilty of a felony: Provided, that nothing contained  
4 in this section shall extend to apprentices or servants within the age of 16 years. If the  
5 value of the money, goods, or other chattels, or any of the articles, securities, or  
6 choses in action mentioned in G.S. 14-75, is one hundred thousand dollars (\$100,000)  
7 or more, the person is guilty of a Class C felony. If the value of the money, goods, or  
8 other chattels, or any of the articles, securities, or choses in action mentioned in G.S.  
9 14-75, is less than one hundred thousand dollars (\$100,000), the person is guilty of a

17 (b) title to the goods;  
18 (c) all rights accruing under the law of agency or estoppel, including  
19 rights to goods delivered to the bailee after the document was  
20 issued; and  
21 (d) the direct obligation of the issuer to hold or deliver the goods  
22 according to the terms of the document free of any defense or  
23 claim by him except those arising under the terms of the document  
24 or under this article. In the case of a delivery order the bailee's  
25 obligation accrues only upon acceptance and the obligation  
26 acquired by the holder is that the issuer and any indorser will  
27 procure the acceptance of the bailee.

28 (2) Subject to ~~the following section~~, G.S. 25-7-503, title and rights so acquired are  
29 not defeated by any stoppage of the goods represented by the document or by  
30 surrender of such goods by the bailee, and are not impaired even though the  
31 negotiation or any prior negotiation constituted a breach of duty or even though any  
32 person has been deprived of possession of the document by misrepresentation, fraud,  
33 accident, mistake, duress, loss, theft or conversion, or even though a previous sale or  
34 other transfer of the goods or document has been made to a third person."

5 In the event that the funds in the hands of the obligor and the obligor's personal  
6 liability, if any, under ~~the previous section~~ G.S. 44A-20 are less than the amount of  
7 valid lien claims that have been filed with the obligor under this Article the parties  
8 entitled to liens shall share the funds on a pro rata basis."

9 Section 3. G.S. 39-23.3(b) reads as rewritten:

24 one accident and, subject to said limit for one person, one hundred thousand dollars  
25 (\$100,000) because of bodily injury to or death of two or more persons in any one  
26 accident, and fifty thousand dollars (\$50,000) because of injury to or destruction of  
27 property of others in any one accident; and the Commission may require any greater  
28 amount of insurance as may be necessary for the protection of the public.  
29 Notwithstanding any rule or regulation to the contrary, the Commission shall not  
30 require that any insurance procured and filed be provided in any single policy of  
31 insurance or through a single insurer, if the insurers involved are otherwise qualified.

21 counties, a public body corporate and politic to be known as a regional housing  
22 authority for all of such counties ~~to exercise powers and other functions herein~~  
23 ~~prescribed for a housing authority in such counties, a public body corporate and~~  
24 ~~politic to be known as a regional housing authority for all of such counties~~ shall  
25 (after the commissioners thereof file an application with the Secretary of State as  
26 hereinafter provided) thereupon exist for and exercise its powers and other functions  
27 in such counties; and thereupon any housing authority created for any of such  
28 counties shall cease to exist except for the purpose of winding up its affairs and  
29 executing a deed to the regional housing authority as hereinafter provided: Provided,  
30 that the board of county commissioners shall not adopt a resolution as aforesaid if  
31 there is a county housing authority created for such county which has any bonds or  
32 notes outstanding unless first, all holders of such bonds and notes consent in writing  
33 to the substitution of such regional housing authority in lieu of such county housing  
34 authority on all such bonds and notes; and second, the commissioners of such county  
35 housing authority adopt a resolution consenting to the transfer of all the rights,  
36 contracts, obligations, and property, real and personal, of such county housing  
37 authority to such regional housing authority as hereinafter provided: Provided,  
38 further, that when the above conditions are complied with and such regional housing  
39 authority is created and authorized to exercise its powers and other functions, all  
40 rights, contracts, agreements, obligations, and property, real and personal, of such  
41 county housing authority shall be in the name of and vest in such regional housing  
42 authority, and all obligations of such county housing authority shall be the obligations  
43 of such regional housing authority and all rights and remedies of any person against  
44 such county housing authority may be asserted, enforced, and prosecuted against such

1 regional housing authority to the same extent as they might have been asserted,  
2 enforced, and prosecuted against such county housing authority. When any real  
3 property of a county housing authority vests in a regional housing authority as  
4 provided above, the county housing authority shall execute a deed of such property  
5 to the regional housing authority which thereupon shall file such deed in the office  
6 provided for the filing of deeds: Provided, that nothing contained in this sentence  
7 shall affect the vesting of property in the regional housing authority as provided  
8 above.

9 The board of county commissioners of each of two or more said contiguous  
10 counties shall by resolution declare that there is a need for one regional housing  
11 authority to be created for all of such counties to exercise powers and other functions  
12 herein prescribed in such counties, if such board of county commissioners finds (and  
13 only if it finds)

14 (1) Insanitary or unsafe dwelling accommodations exist in the area of  
15 its respective county and/or there is a lack of safe or sanitary  
16 dwelling accommodations in the county available for all the  
17 inhabitants thereof and

18 (2) That a regional housing authority for the proposed region would  
19 be a more efficient or economical administrative unit than a  
20 housing authority for an area having a smaller population to carry  
21 out the purposes of the housing authorities law and any  
22 amendments thereto, in such county.

23 In determining whether dwelling accommodations are unsafe or insanitary, the board  
24 of county commissioners shall take into consideration the following: the physical  
25 condition and age of the buildings; the degree of overcrowding; the percentage of  
26 land coverage; the light and air available to the inhabitants of such dwelling  
27 accommodations; the size and arrangement of the rooms; the sanitary facilities; and  
28 the extent to which conditions exist in such buildings which endanger life or  
29 property by fire or other causes.

30 If it shall determine that both (1) and (2) of the above enumerated conditions exist,  
31 the board of county commissioners shall adopt a resolution so finding (which need  
32 not go into any detail other than the mere finding). After the appointment, as  
33 hereinafter provided, of the commissioners to act as the regional housing authority,  
34 said authority shall be a public body and a body corporate and politic upon the  
35 completion of the taking of the following proceedings:

36 The commissioners shall present to the Secretary of State an application signed by  
37 them, which shall set forth (without any detail other than the mere recital)

38 (1) That the boards of county commissioners made the aforesaid  
39 determination and that they have been appointed as  
40 commissioners;

41 (2) The name, and official residence of each of the commissioners,  
42 together with a certified copy of the appointment evidencing their  
43 right to office, the date and place of induction into and taking oath

1 of office, and that they desire the housing authority to become a  
2 public body and a body corporate and politic under this Article;

3 (3) The term of office of each of the commissioners;

4 (4) The name which is proposed for the corporation; and

5 (5) The location of the principal office of the proposed corporation.

6 The application shall be subscribed and sworn to by each of said commissioners  
7 before an officer authorized by the laws of the State to take and certify oaths, who  
8 shall certify upon the application that he personally knows the commissioners and  
9 knows them to be the officers as asserted in the application, and that each subscribed  
10 and swore thereto in the officer's presence. The Secretary of State shall examine the  
11 application and if he finds that the name proposed for the corporation is not identical  
12 with that of a person or of any other corporation of this State or so nearly similar as  
13 to lead to confusion and uncertainty he shall receive and file it and shall record it in  
14 an appropriate book of record in his office.

15 When the application has been made, filed and recorded, as herein provided, the  
16 authority shall constitute a public body and a body corporate and politic under the  
17 name proposed in the application; the Secretary of State shall make and issue to the  
18 said commissioners, a certificate of incorporation pursuant to this Article, under the  
19 seal of the State, and shall record the same with the application.

20 In any suit, action or proceeding involving the validity or enforcement of, or  
21 relating to any contract of the regional housing authority, the regional housing  
22 authority shall be conclusively deemed to have been established in accordance with  
23 the provisions of this Article upon proof of the issuance of the aforesaid certificate by  
24 the Secretary of State. A copy of such certificate, duly certified by the Secretary of  
25 State, shall be admissible in evidence in any such suit, action or proceeding, and  
26 shall be conclusive proof of the filing and contents thereof."

11 (b) This section becomes effective December 1, 1998.  
12 Prosecutions for offenses committed before the effective date of  
13 this section are not abated or affected by this section and the  
14 statutes that would be applicable but for this section remain

16 Section 4. (a) G.S. 14-74 reads as rewritten:

4 thereby:

- 10 (d) the direct obligation of the issuer to hold or  
11 deliver the goods according to the terms of the  
12 document free of any defense or claim by him except  
13 those arising under the terms of the document or  
14 under this article. In the case of a delivery order

20 rights so acquired are not defeated by any stoppage of the goods  
21 represented by the document or by surrender of such goods by the  
22 bailee, and are not impaired even though the negotiation or any  
23 prior negotiation constituted a breach of duty or even though any  
24 person has been deprived of possession of the document by  
25 misrepresentation, fraud, accident, mistake, duress, loss, theft

6 Section 5. G.S. 25-8-103(a) reads as rewritten:

7 "(a) A share ~~of~~ or similar equity interest issued by a

10 Section 6. G.S. 39-23.3(b) reads as rewritten:

14 regularly conducted, ~~nonexclusive~~ noncollusive foreclosure sale  
15 or execution of a power of sale for the acquisition or  
16 disposition of the interest of the debtor upon default under a  
17 mortgage, deed of trust, or security agreement."

18 Section 7. Section #. G.S. 50-11(e) and (f) read as rewritten:

19  
20 "(e) An absolute divorce obtained within this State shall  
21 destroy the right of a spouse to ~~an~~ equitable distribution ~~of~~  
22 ~~the marital property~~ under G.S. 50-20 unless the right is  
23 asserted prior to judgment of absolute divorce; except, the  
24 defendant may bring an action or file a motion in the cause for  
25 equitable distribution within six months from the date of the  
26 judgment in such a case if service of process upon the defendant  
27 was by publication pursuant to G.S. 1A-1, Rule 4 and the  
28 defendant failed to appear in the action for divorce.

29 (f) An absolute divorce by a court that lacked personal  
30 jurisdiction over the absent spouse or lacked jurisdiction to  
31 dispose of the property shall not destroy the right of a spouse  
32 to ~~an~~ equitable distribution ~~of marital property~~ under G.S. 50-  
33 20 if an action or motion in the cause is filed within six months  
34 after the judgment of divorce is entered. The validity of such  
35 divorce may be attacked in the action for equitable  
36 distribution."

37 (b) G.S. 50-20 reads as rewritten:

38 "§ 50-20. Distribution by court of marital and divisible  
39 property upon divorce.

40 (a) Upon application of a party, the court shall determine  
41 what is the marital property and divisible property and shall  
42 provide for an equitable distribution of the marital property and  
43 divisible property between the parties in accordance with the  
44 provisions of this section.

1 (b) For purposes of this section:

2 (1) "Marital property" means all real and personal  
3 property acquired by either spouse or both spouses  
4 during the course of the marriage and before the  
5 date of the separation of the parties, and  
6 presently owned, except property determined to be  
7 separate property or divisible property in  
8 accordance with subdivision (2) or (4) of this  
9 subsection. Marital property includes all vested  
10 and nonvested pension, retirement, and other  
11 deferred compensation rights, and vested and  
12 nonvested military pensions eligible under the  
13 federal Uniformed Services Former Spouses'  
14 Protection Act. It is presumed that all property  
15 acquired after the date of marriage and before the  
16 date of separation is marital property except  
17 property which is separate property under  
18 subdivision (2) of this subsection. This  
19 presumption may be rebutted by the greater weight  
20 of the evidence.

21 (2) "Separate property" means all real and personal  
22 property acquired by a spouse before marriage or  
23 acquired by a spouse by bequest, devise, descent,  
24 or gift during the course of the marriage. However,  
25 property acquired by gift from the other spouse  
26 during the course of the marriage shall be  
27 considered separate property only if such an  
28 intention is stated in the conveyance. Property  
29 acquired in exchange for separate property shall  
30 remain separate property regardless of whether the  
31 title is in the name of the husband or wife or both  
32 and shall not be considered to be marital property  
33 unless a contrary intention is expressly stated in  
34 the conveyance. The increase in value of separate  
35 property and the income derived from separate  
36 property shall be considered separate property. All  
37 professional licenses and business licenses which  
38 would terminate on transfer shall be considered  
39 separate property.

40 (3) "Distributive award" means payments that are  
41 payable either in a lump sum or over a period of  
42 time in fixed amounts, but shall not include  
43 alimony payments or other similar payments for  
44 support and maintenance which are treated as

ordinary income to the recipient under the Internal Revenue Code.

(4) "Divisible property" means all real and personal property as set forth below:

a. All appreciation and diminution in value of marital property and divisible property of the parties occurring after the date of separation and prior to the date of distribution, except that appreciation or diminution in value which is the result of postseparation actions or activities of a spouse shall not be treated as divisible property.

b. All property, property rights, or any portion thereof received after the date of separation but before the date of distribution that was acquired as a result of the efforts of either spouse during the marriage and before the date of separation, including, but not limited to, commissions, bonuses, and contractual rights.

c. Passive income from marital property received after the date of separation, including, but not limited to, interest and dividends.

d. Increases in marital debt and financing charges and interest related to marital debt.

(c) There shall be an equal division by using net value of marital property and ~~not~~ net value of divisible property unless the court determines that an equal division is not equitable. If the court determines that an equal division is not equitable, the court shall divide the marital property and divisible property equitably. Factors the court shall consider under this subsection are as follows:

(1) The income, property, and liabilities of each party at the time the division of property is to become effective;

(2) Any obligation for support arising out of a prior marriage;

(3) The duration of the marriage and the age and physical and mental health of both parties;

(4) The need of a parent with custody of a child or children of the marriage to occupy or own the marital residence and to use or own its household effects;

- 1 (5) The expectation of pension, retirement, or other  
2 deferred compensation rights that are not marital  
3 property;  
4 (6) Any equitable claim to, interest in, or direct or  
5 indirect contribution made to the acquisition of  
6 such marital property by the party not having  
7 title, including joint efforts or expenditures and  
8 contributions and services, or lack thereof, as a  
9 spouse, parent, wage earner or homemaker;  
10 (7) Any direct or indirect contribution made by one  
11 spouse to help educate or develop the career  
12 potential of the other spouse;  
13 (8) Any direct contribution to an increase in value of  
14 separate property which occurs during the course of  
15 the marriage;  
16 (9) The liquid or nonliquid character of all marital  
17 ~~property; property and divisible property;~~  
18 (10) The difficulty of evaluating any component asset or  
19 any interest in a business, corporation or  
20 profession, and the economic desirability of  
21 retaining such asset or interest, intact and free  
22 from any claim or interference by the other party;  
23 (11) The tax consequences to each party;  
24 (11a) Acts of either party to maintain, preserve,  
25 develop, or expand; or to waste, neglect,  
26 devalue or convert ~~such the marital property,~~  
27 property or divisible property, or both,  
28 during the period after separation of the  
29 parties and before the time of distribution;  
30 and  
31 (12) Any other factor which the court finds to be just  
32 and proper.

33 (c1) Notwithstanding any other provision of law, a second or  
34 subsequent spouse acquires no interest in the marital property  
35 and divisible property of his or her spouse from a former  
36 marriage until a final determination of equitable distribution is  
37 made in the marital property and divisible property of the  
38 spouse's former marriage.

39 (d) Before, during or after marriage the parties may by  
40 written agreement, duly executed and acknowledged in accordance  
41 with the provisions of G.S. 52-10 and 52-10.1, or by a written  
42 agreement valid in the jurisdiction where executed, provide for  
43 distribution of the marital property or divisible property, or

1 both, in a manner deemed by the parties to be equitable and the  
2 agreement shall be binding on the parties.

3 (e) Subject to the presumption of subsection (c) of this  
4 section that an equal division is equitable, it shall be presumed  
5 in every action that an in-kind distribution of marital or  
6 divisible property is equitable. This presumption may be rebutted  
7 by the greater weight of the evidence, or by evidence that the  
8 property is a closely held business entity or is otherwise not  
9 susceptible of division in-kind. In any action in which the  
10 presumption is rebutted, the court in lieu of in-kind  
11 distribution shall provide for a distributive award in order to  
12 achieve equity between the parties. The court may provide for a  
13 distributive award to facilitate, effectuate or supplement a  
14 distribution of marital or divisible property. The court may  
15 provide that any distributive award payable over a period of time  
16 be secured by a lien on specific property.

17 (f) The court shall provide for an equitable distribution  
18 without regard to alimony for either party or support of the  
19 children of both parties. After the determination of an equitable  
20 distribution, the court, upon request of either party, shall  
21 consider whether an order for alimony or child support should be  
22 modified or vacated pursuant to G.S. 50-16.9 or 50-13.7.

23 (g) If the court orders the transfer of real or personal  
24 property or an interest therein, the court may also enter an  
25 order which shall transfer title, as provided in G.S. 1A-1, Rule  
26 70 and G.S. 1-228.

27 (h) If either party claims that any real property is marital  
28 ~~property~~, property or divisible property, that party may cause a  
29 notice of lis pendens to be recorded pursuant to Article 11 of  
30 Chapter 1 of the General Statutes. Any person whose conveyance or  
31 encumbrance is recorded or whose interest is obtained by descent,  
32 prior to the filing of the lis pendens, shall take the real  
33 property free of any claim resulting from the equitable  
34 distribution proceeding. The court may cancel the notice of lis  
35 pendens upon substitution of a bond with surety in an amount  
36 determined by the court to be sufficient provided the court finds  
37 that the claim of the spouse against property subject to the  
38 notice of lis pendens can be satisfied by money damages.

39 (i) Upon filing an action or motion in the cause requesting an  
40 equitable distribution or alleging that an equitable distribution  
41 will be requested when it is timely to do so, a party may seek  
42 injunctive relief pursuant to G.S. 1A-1, Rule 65 and Chapter 1  
43 Article 37, to prevent the disappearance, waste or conversion of  
44 property alleged to be marital ~~property~~ property, divisible

1 property or separate property of the party seeking relief. The  
2 court, in lieu of granting an injunction, may require a bond or  
3 other assurance of sufficient amount to protect the interest of  
4 the other spouse in the ~~marital or separate~~ property. Upon  
5 application by the owner of separate property which was removed  
6 from the marital home or possession of its owner by the other  
7 spouse, the court may enter an order for reasonable counsel fees  
8 and costs of court incurred to regain its possession, but such  
9 fees shall not exceed the fair market value of the separate  
10 property at the time it was removed.

11 (il) Unless good cause is shown that there should not be an  
12 interim distribution, the court may, at any time after an action  
13 for equitable distribution has been filed and prior to the final  
14 judgment of equitable distribution, enter orders declaring what  
15 is separate property and may also enter orders dividing part of  
16 the marital property, divisible property or debt, or marital debt  
17 between the parties. The partial distribution may provide for a  
18 distributive award and may also provide for a distribution of  
19 marital property, marital debt, divisible property, or divisible  
20 debt. Any such orders entered shall be taken into consideration  
21 at trial and proper credit given.

22 Hearings held pursuant to this subsection may be held at  
23 sessions arranged by the chief district court judge pursuant to  
24 G.S. 7A-146 and, if held at such sessions, shall not be subject  
25 to the reporting requirements of G.S. 7A-198.

26 (j) In any order for the distribution of property made  
27 pursuant to this section, the court shall make written findings  
28 of fact that support the determination that the marital property  
29 and divisible property has been equitably divided.

30 (k) The rights of the parties to an equitable distribution of  
31 marital property and divisible property are a species of common  
32 ownership, the rights of the respective parties vesting at the

3 Provided, that the board of county commissioners shall not adopt

23          motion was substantially justified or that other  
24          circumstances make an award of expenses unjust.

25          If the motion is denied, the court shall,  
26          after opportunity for hearing, require the moving  
27          party to pay to the party or deponent who opposed  
28          the motion the reasonable expenses incurred in  
29          opposing the motion, including attorney's fees,  
30          unless the court finds that the making of the  
31          motion was substantially justified or that other  
32          circumstances make an award of expenses unjust.

33          If the motion is granted in part and denied in  
34          part, the court may apportion the reasonable  
35          expenses incurred in relation to the motion among  
36          the parties and persons in a just manner."

37  
38 PRESERVING EXCEPTIONS TO RULINGS (RULE 46)

39          Section 7. G.S. 1A-1, Rule 46 reads as rewritten:

40 "Rule 46. Objections and exceptions.

41          (a) Rulings on admissibility of evidence. --

42                  (1) When there is objection to the admission of  
43                  evidence on the ground that the witness is for a  
44                  specified reason incompetent or not qualified or

disqualified, it shall be deemed that a like objection has been made to any subsequent admission of evidence from the witness in question. Similarly, when there is objection to the admission of evidence involving a specified line of questioning, it shall be deemed that a like objection has been taken to any subsequent admission of evidence involving the same line of questioning.

(2) If there is proper objection to the admission of evidence and the objection is overruled, the ruling of the court shall be deemed excepted to by the party making the objection. If an objection to the admission of evidence is sustained or if the court for any reason excludes evidence offered by a party, the ruling of the court shall be deemed excepted to by the party offering the evidence.

(3) No objections are necessary with respect to questions propounded to a witness by the court or a juror but it shall be deemed that each such question has been properly objected to and that the objection has been overruled and that an exception has been taken to the ruling of the court by all parties to the action.

(b) ~~Rulings~~ Pretrial rulings, interlocutory orders, trial rulings, and other orders not directed to the admissibility of evidence. -- With respect to ~~rulings~~ pretrial rulings, interlocutory orders, trial rulings, and other orders of the court not directed to the admissibility of evidence, formal objections and exceptions are unnecessary. In order to preserve an exception to any such ruling or order or to the court's failure to make any such ruling or order, it shall be sufficient if a party, at the time the ruling or order is made or sought, makes known to the court ~~his~~ the party's objection to the action of the court or makes known the action ~~which he~~ that the party desires the court to take and ~~his ground therefor;~~ the party's grounds for its position. ~~and if~~ If a party has no opportunity to object or except to a ruling or order at the time it is made, the absence of an objection or exception does not thereafter prejudice ~~him.~~ that party; however, in order to preserve exceptions to these rulings and orders for appellate review, a party shall promptly present to the court a request, objection, or motion that states the specific grounds for the ruling that

1 the party desires the court to make upon having an opportunity to  
2 do so.

3 ~~(c) Instruction. -- If there is error, either in the refusal of~~  
4 ~~the judge to grant a prayer for instructions, or in granting a~~  
5 ~~prayer, or in his instructions generally, the same is deemed~~  
6 ~~excepted to without the filing of any formal objections."~~

7  
8 DEFAULT JUDGMENT WITHOUT HEARING (RULE 55(b))

9 Section 8. G.S. 1A-1, Rule 55(b) reads as rewritten:--

10 "(b) Judgment. -- Judgment by default may be entered as  
11 follows:

12 (1) By the Clerk. -- When the plaintiff's claim against  
13 a defendant is for a sum certain or for a sum which  
14 can by computation be made certain, the clerk upon  
15 request of the plaintiff and upon affidavit of the  
16 amount due shall enter judgment for that amount and  
17 costs against the defendant, if ~~he~~ the defendant  
18 has been defaulted for failure to appear and if ~~he~~  
19 the defendant is not an infant or incompetent  
20 person. A verified pleading may be used in lieu of  
21 an affidavit when the pleading contains information  
22 sufficient to determine or compute the sum certain.

23 In all cases wherein, pursuant to this rule, the  
24 clerk enters judgment by default upon a claim for  
25 debt which is secured by any pledge, mortgage, deed  
26 of trust or other contractual security in respect  
27 of which foreclosure may be had, or upon a claim to  
28 enforce a lien for unpaid taxes or assessments  
29 under G.S. 105-414, the clerk may likewise make all  
30 further orders required to consummate foreclosure  
31 in accordance with the procedure provided in  
32 Article 29A of Chapter 1 of the General Statutes,  
33 entitled "Judicial Sales."

34 (2) By the Judge. --

35 a. In all other cases the party entitled to a  
36 judgment by default shall apply to the judge  
37 therefor; but no judgment by default shall be  
38 entered against an infant or incompetent  
39 person unless represented in the action by a  
40 guardian ad litem or other such representative  
41 who has appeared therein. If the party against  
42 whom judgment by default is sought has  
43 appeared in the action, ~~he~~ that party (or, if  
44 appearing by representative, ~~his~~ the

representative) shall be served with written notice of the application for judgment at least three days prior to the hearing on such application. If, in order to enable the judge to enter judgment or to carry it into effect, it is necessary to take an account or to determine the amount of damages or to establish the truth of any averment by evidence or to take an investigation of any other matter, the judge may conduct such hearings or order such references as ~~he~~ the judge deems necessary and proper and shall accord a right of trial by jury to the parties when and as required by the Constitution or by any statute of North Carolina. If the plaintiff seeks to establish paternity under Article 3 of Chapter 49 of the General Statutes and the defendant fails to appear, the judge shall enter judgment by default.

b. A motion for judgment by default may be decided by the court without a hearing if:

1. The motion specifically provides that the court may decide the motion for judgment by default without a hearing if the party against whom judgment is sought fails to serve a written response, stating the grounds for opposing the motion, within 30 days of service of the motion; and
2. The party against whom judgment is sought fails to serve the response in accordance with this sub-subdivision."

### ENHANCED NOTICE FOR TEMPORARY RESTRAINING ORDER (RULE 65)

Section 9. G.S. 1A-1, Rule 65(b) reads as rewritten:

"(b) Temporary restraining order; notice; hearing; duration. -- A temporary restraining order may be granted without written or oral notice to the adverse party or that party's attorney only if (i) it clearly appears from specific facts shown by affidavit or by verified complaint that immediate and irreparable injury, loss, or damage will result to the applicant before notice can be served and a hearing had thereon. the adverse party or that party's attorney can be heard in opposition, and (ii) the applicant's attorney certifies to the court in writing the efforts, if any, that have been made to give the notice and the

1 reasons supporting the claim that notice should not be required.  
2 Every temporary restraining order granted without notice shall be  
3 endorsed with the date and hour of issuance; shall be filed  
4 forthwith in the clerk's office and entered of record; shall  
5 define the injury and state why it is irreparable and why the  
6 order was granted without notice; and shall expire by its terms  
7 within such time after entry, not to exceed 10 days, as the judge  
8 fixes, unless within the time so fixed the order, for good cause  
9 shown, is extended for a like period or unless the party against  
10 whom the order is directed consents that it may be extended for a  
11 longer period. The reasons for the extension shall be entered of  
12 record. In case a temporary restraining order is granted without  
13 notice and a motion for a preliminary injunction is made, it  
14 shall be set down for hearing at the earliest possible time and  
15 takes precedence over all matters except older matters of the  
16 same character; and when the motion comes on for hearing, the  
17 party who obtained the temporary restraining order shall proceed  
18 with a motion for a preliminary injunction, and, if he does not  
19 do so, the judge shall dissolve the temporary restraining order.  
20 On two days' notice to the party who obtained the temporary  
21 restraining order without notice or on such shorter notice to  
22 that party as the judge may prescribe, the adverse party may  
23 appear and move its dissolution or modification and in that event  
24 the judge shall proceed to hear and determine such motion as  
25 expeditiously as the ends of justice require. Damages may be  
26 awarded in an order for dissolution as provided in section (e)."

27

28 **EXTEND CIVIL PROCEDURE STUDY COMMISSION AND INCREASE MEMBERSHIP**

29 Section 10. Subsection (c) of Section 4.1 of Part IV of  
30 Chapter 17 of the 1996 Second Extra Session Laws reads as  
31 rewritten:

32 "(c) The Commission shall report to the General Assembly and  
33 the Chief Justice no later than ~~April 1, 1998~~, February 1, 2001.  
34 The report shall be in writing and shall set forth the  
35 Commission's findings, conclusions, and recommendations,  
36 including any proposed legislation or court rules. Upon issuing  
37 its final report, the Commission shall terminate."

38 Section 11. Subsection (a) of Section 4.1 of Part IV of  
39 Chapter 17 of the 1996 Second Extra Session Laws reads as  
40 rewritten:

41 "(a) The Civil Procedure Study Commission is created. The  
42 Commission shall consist of ~~18~~ 24 voting members: ~~six~~ eight  
43 members to be appointed by the President Pro Tempore of the  
44 Senate, ~~six~~ eight members to be appointed by the Speaker of the

1 House of Representatives, and ~~six~~ eight members to be appointed  
2 by the Chief Justice of the North Carolina Supreme Court. No  
3 more than four members appointed by the President Pro Tempore of  
4 the Senate and no more than four members appointed by the Speaker  
5 of the House of Representatives may be members of the General  
6 Assembly. No more than four of the members appointed by any one  
7 of the three appointing authorities may be members of the same  
8 political party."

9 Section 12. - Of the funds appropriated to the General  
10 Assembly for the 1998-99 fiscal year, the sum of twenty-five  
11 thousand dollars (\$25,000) shall be allocated to implement the  
12 provisions of this act.

13

14 CLARIFY PUBLIC DUTY DOCTRINE AND THE TORTS CLAIMS ACT

15 Section 13. G.S. 143-291(a) reads as rewritten:

16 "(a) The North Carolina Industrial Commission is hereby  
17 constituted a court for the purpose of hearing and passing upon  
18 tort claims against the State Board of Education, the Board of  
19 Transportation, and all other departments, institutions and  
20 agencies of the State. The Industrial Commission shall determine  
21 whether or not each individual claim arose as a result of the  
22 negligence of any officer, employee, involuntary servant or agent  
23 of the State while acting within the scope of his office,  
24 employment, service, agency or authority, under circumstances  
25 where the State of North Carolina, if a private person, would be  
26 liable to the claimant in accordance with the laws of North  
27 Carolina. Negligence, within this section, is the failure to use  
28 ordinary care in following a duty imposed by law, whether the  
29 duty is for the benefit of a specific person or of the general  
30 public. If the Commission finds that there was such negligence  
31 on the part of an officer, employee, involuntary servant or agent  
32 of the State while acting within the scope of his office,  
33 employment, service, agency or authority, which was the proximate  
34 cause of the injury and that there was no contributory negligence  
35 on the part of the claimant or the person in whose behalf the  
36 claim is asserted, the Commission shall determine the amount of  
37 damages which the claimant is entitled to be paid, including  
38 medical and other expenses, and by appropriate order direct the  
39 payment of such damages by the department, institution or agency  
40 concerned, but in no event shall the amount of damages awarded  
41 exceed the sum of one hundred fifty thousand dollars (\$150,000)  
42 cumulatively to all claimants on account of injury and damage to  
43 any one person. Community colleges and technical colleges shall  
44 be deemed State agencies for purposes of this Article. The fact

1 that a claim may be brought under more than one Article under  
2 this Chapter shall not increase the foregoing maximum liability  
3 of the State."

4

5 **OFFICIAL COMMENTS**

6 Section 14. The Revisor of Statutes shall cause to be  
7 printed along with this act the following statement to the  
8 official Comment for G.S. 1A-1, Rule 5(b):

9 "To be considered by the presiding judge on a motion calendar  
10 for a Monday, for example, a brief or memorandum must be served  
11 by the close of business on the preceding Wednesday. The rule  
12 does not require the filing of a brief or memorandum; it only  
13 governs instances in which a brief or memorandum is filed. The  
14 rule would not preclude a party from providing the judge with  
15 copies of cases or statutes at the hearing."

16

17 **EFFECTIVE DATE**

18 Section 15. Sections 1 through 9 of this act become  
19 effective October 1, 1998 and apply to actions filed on or after  
20 that date. Sections 10, 11 and 14 of this act and this section  
21 are effective when they become law. Section 12 of this act  
22 becomes effective July 1, 1998. Section 13 of this act becomes  
23 effective October 1, 1998 and applies to claims pending on or  
24 after that date.

## MEMORANDUM

**TO:** Senator Roy Cooper, Chair, Senate Judiciary Committee

**FROM:** O. Walker Reagan, Committee Co-Counsel

**RE:** **PROPOSED COMMITTEE SUBSTITUTE FOR SENATE BILL 1277 - CIVIL PROCEDURE RULES CHANGES - Senator Dalton - S1277-CSR-002**

The Proposed Committee Substitute for Senate Bill 1277 incorporates some of the recommendations of the Civil Procedures Study Commission. The bill makes changes to the Rules of Civil Procedure to reduce the time required to dispose of civil actions and to simplify pretrial and trial procedures. The bill extends the life of a civil summons to 60 days, allows for service by private mail service, allows service of pleadings and papers by fax, requires advance service of briefs, allows video deposition by attorney's employee, requires informal mediation of discovery disputes, simplifies preservation of exceptions to rulings, allows default judgment without hearing, requires greater notice of temporary restraining orders (TRO's), and extends the Civil Procedures Study Commission to 2001 and increases the membership from 18 to 24 members, and clarifies the public duty doctrine under the Torts Claims Act.

**Section 1** of the bill amends Rule 4(c) to extend the life of a civil summons from 30 to 60 days to allow for additional time for the summons to be served reducing the paperwork and time by the clerk to endorse the summons to extend the time.

**Section 2** amends Rule 4(j) to allow as an optional method of service of process, delivery by a private delivery service, like Federal Express or UPS. Service must be evidenced by a delivery receipt and must be made by a company certified by the Administrative Office of the Courts. Sections 2.1, 2.2, and 2.3 make conforming changes to other statutes to reflect this new method of service, including proof of services statutes.

**Section 3** amends Rule 5(b) to broaden the methods of service of pleadings and papers to allow service on the opposite attorney by fax during normal business hours.

**Section 4** amends Rule 5 by adding a new subsection to require that a brief or memorandum in support of a motion must serve on the adverse party at least two business days prior to the scheduled hearing when the brief or memorandum will be presented and the

adverse party must serve their brief at least the day before the hearing, unless the judge allows otherwise or the parties otherwise consent.

Section 4.1 amends Rule 7(b) to require that motion shall state with reasonable particularity the grounds for the motion.

Section 5 amends Rule 28(c) to permit a videotaped deposition to be taken by an attorney's employee provided notice of the person and the relationship with the attorney is given to the opposite attorney at the time of the notice of the taking of the deposition.

Section 6 amends Rule 37(a) to require that before applying for an order compelling discovery, the moving party must confer with, or make a good faith attempt to confer with, the party failing to make discovery in order to obtain the information sought. The motion seeking an order to compel discovery must include a certification of the efforts or attempted efforts to confer.

Section 7 amends Rule 46(b) and (c) to clarify that no formal objection or exception is required to any court ruling, other than on evidentiary matters, including pretrial rulings, interlocutory orders, trial rulings or other orders. However to preserve the exception for appellate review, a party must present the court with a request, objection or motion that sets out the specific grounds for the ruling the party desires the court to make when the party has an opportunity to do so. Rule 46(c) is repealed to avoid a conflict with the Rules of Appellate Procedure (Rule 10(b)(2)) which requires formal objection to jury instructions to preserve the exceptions on appeal.

Section 8 amends Rule 55(b) to allow judgment by default to be entered by a court without a hearing when the motion for judgment by default specifically notifies the other party that the court will decide the motion without a hearing unless the other party files a written response stating the grounds for opposing the motion within 30 days of service of the motion, and the other party fails to respond within the time.

Section 9 amends Rule 65(b) to only allow a temporary restraining order to be issued without notice to the opposite party when the moving party shows that immediate and irreparable harm will result before the other party can be heard, and the moving party's attorney certifies in writing to the court the efforts, if any, made to give notice to the other party, and the reasons supporting why the notice should not be required. This change will conform to the current Federal Rule 65.

Sections 10, 11, and 12 would extend (retroactively) the life of the Civil Procedure Study Commission to February 1, 2001 (from April 1, 1998), would increase the membership from 18 to 24 members (2 additional members appointed each by the President ProTemp, the Speaker, and the Chief Justice), and allocates \$25,000 of the funds appropriated to the General Assembly to fund the study.

Section 13 would clarify the relationship between the Torts Claims Act and the "public duty doctrine" by stating specifically that the negligence applicable under this law is the

MEMORANDUM  
S1277 - PCS Summary

failure to use ordinary care in following a duty imposed by law, whether the duty is for the benefit of a specific person or of the general public.

Section 14 requires the Revisor of Statutes to add to the official Comment for Rule 5(b) explaining the meaning of the requirement to serve briefs in advance of a motion hearing.

The changes to the Rules would be effective October 1, 1998 and would apply to actions filed on or after that date. The changes to Commission would be effective when the bill becomes law and the funding would be approved effective July 1, 1998. Changes to the Torts Claim Act would be effective October 1, 1998 and would apply to claims pending on or after that date.

**MEMORANDUM**

**TO:** Senator Roy Cooper, Chair, Senate Judiciary Committee

**FROM:** O. Walker Reagan, Committee Co-Counsel

**RE:** **PROPOSED SENATE COMMITTEE SUBSTITUTE FOR HOUSE BILL 915 -  
FIREFIGHTERS/NO CONFLICT - Representative Mercer**

The Proposed Senate Committee Substitute for House Bill 915 would permit persons primarily employed as a firefighter to also engage in fire inspection activities without it constituting a conflict of interest under the inspections statute under certain circumstances.

The bill amends G.S. 160A-415 which governs conflicts of interest of inspections departments. Under current law, a member of an inspections department, or an individual contracting with a city to conduct inspections, may not be financially interested in the furnishing of labor, material, or appliances for construction, alteration, or maintenance of any building within the city's jurisdiction, unless he or she owns the building.

This bill would create an exception from this provision for firefighters whose primary duties are fire suppression and rescue, but who engage in some fire inspection activities as a secondary responsibility of employment, provided that the firefighter may not inspect work done by the firefighter, or materials or appliances supplied by the firefighter or the firefighter's company within the previous six years.

The bill becomes effective when it becomes law.

**§160A-411.1. Qualifications of inspectors.**

On and after the applicable date set forth in the schedule in G.S. 160A-411, no city shall employ an inspector to enforce the State Building Code as a member of a city or joint inspection department who does not have one of the following types of certificates issued by the North Carolina Code Officials Qualification Board attesting to his qualifications to hold such position: (i) a probationary certificate, valid for one year only; (ii) a standard certificate; or (iii) a limited certificate which shall be valid only as an authorization for him to continue in the position held on the date specified in G.S. 143-151.13(c) and which shall become invalid if he does not successfully complete in-service training specified by the Qualification Board within the period specified in G.S. 143-151.13(c). An inspector holding one of the above certificates can be promoted to a position requiring a higher level certificate only upon issuance by the Board of a standard certificate or probationary certificate appropriate for such new position. (1977, c. 531, s. 6.)

**§160A-412. Duties and responsibilities.**

The duties and responsibilities of an inspection department and of the inspectors therein shall be to enforce within their territorial jurisdiction State and local laws relating to

- (1) The construction of buildings and other structures;
- (2) The installation of such facilities as plumbing systems, electrical systems, heating systems, refrigeration systems, and air-conditioning systems;
- (3) The maintenance of buildings and other structures in a safe, sanitary, and healthful condition;
- (4) Other matters that may be specified by the city council.

These duties shall include the receipt of applications for permits and the issuance or denial of permits, the making of any necessary inspections, the issuance or denial of certificates of compliance, the issuance of orders to correct violations, the bringing of judicial actions against actual or threatened violations, the keeping of adequate records, and any other actions that may be required in order adequately to enforce those laws. The city council shall have the authority to enact reasonable and appropriate provisions governing the enforcement of those laws. (1969, c. 1065, s. 1; 1971, c. 698, s. 1.)

11 (b) This section becomes effective December 1, 1998.  
12 Prosecutions for offenses committed before the effective date of  
13 this section are not abated or affected by this section and the

40 fully effective with respect to the title to the  
41 document and the goods it represents."

42 (d) G.S. 44A-21 reads as rewritten:  
43 "§ 44A-21. Pro rata payments.

16 disposition of the interest of the debtor upon default under a  
17 mortgage, deed of trust, or security agreement."

18 Section 7. Section #. G.S. 50-11(e) and (f) read as rewritten:

19

20 " (e) An absolute divorce obtained within this State shall  
21 destroy the right of a spouse to ~~an~~ equitable distribution ~~of~~  
22 ~~the marital property~~ under G.S. 50-20 unless the right is  
23 asserted prior to judgment of absolute divorce; except, the  
24 defendant may bring an action or file a motion in the cause for  
25 equitable distribution within six months from the date of the  
26 judgment in such a case if service of process upon the defendant  
27 was by publication pursuant to G.S. 1A-1, Rule 4 and the  
28 defendant failed to appear in the action for divorce.

29 (f) An absolute divorce by a court that lacked personal  
30 jurisdiction over the absent spouse or lacked jurisdiction to  
31 dispose of the property shall not destroy the right of a spouse  
32 to ~~an~~ equitable distribution ~~of marital property~~ under G.S. 50-  
33 20 if an action or motion in the cause is filed within six months  
34 after the judgment of divorce is entered. The validity of such  
35 divorce may be attacked in the action for equitable  
36 distribution."

37 (b) G.S. 50-20 reads as rewritten:

38 "§ 50-20. Distribution by court of marital and divisible  
39 property upon divorce.

40 (a) Upon application of a party, the court shall determine  
41 what is the marital property and divisible property and shall  
42 provide for an equitable distribution of the marital property and  
43 divisible property between the parties in accordance with the  
44 provisions of this section.

1 (b) For purposes of this section:

2 (1) "Marital property" means all real and personal  
3 property acquired by either spouse or both spouses  
4 during the course of the marriage and before the  
5 date of the separation of the parties, and  
6 presently owned, except property determined to be  
7 separate property or divisible property in  
8 accordance with subdivision (2) or (4) of this  
9 subsection. Marital property includes all vested  
10 and nonvested pension, retirement, and other  
11 deferred compensation rights, and vested and  
12 nonvested military pensions eligible under the  
13 federal Uniformed Services Former Spouses'  
14 Protection Act. It is presumed that all property  
15 acquired after the date of marriage and before the  
16 date of separation is marital property except  
17 property which is separate property under  
18 subdivision (2) of this subsection. This  
19 presumption may be rebutted by the greater weight  
20 of the evidence.

21 (2) "Separate property" means all real and personal  
22 property acquired by a spouse before marriage or  
23 acquired by a spouse by bequest, devise, descent,  
24 or gift during the course of the marriage. However,  
25 property acquired by gift from the other spouse  
26 during the course of the marriage shall be  
27 considered separate property only if such an  
28 intention is stated in the conveyance. Property  
29 acquired in exchange for separate property shall  
30 remain separate property regardless of whether the  
31 title is in the name of the husband or wife or both  
32 and shall not be considered to be marital property  
33 unless a contrary intention is expressly stated in  
34 the conveyance. The increase in value of separate  
35 property and the income derived from separate  
36 property shall be considered separate property. All  
37 professional licenses and business licenses which  
38 would terminate on transfer shall be considered  
39 separate property.

40 (3) "Distributive award" means payments that are  
41 payable either in a lump sum or over a period of  
42 time in fixed amounts, but shall not include  
43 alimony payments or other similar payments for  
44 support and maintenance which are treated as

1 ordinary income to the recipient under the Internal  
2 Revenue Code.

3 (4) "Divisible property" means all real and personal  
4 property as set forth below:

5 a. All appreciation and diminution in value of  
6 marital property and divisible property of the  
7 parties occurring after the date of separation  
8 and prior to the date of distribution, except  
9 that appreciation or diminution in value which  
10 is the result of postseparation actions or  
11 activities of a spouse shall not be treated as  
12 divisible property.

13 b. All property, property rights, or any portion  
14 thereof received after the date of separation  
15 but before the date of distribution that was  
16 acquired as a result of the efforts of either  
17 spouse during the marriage and before the date  
18 of separation, including, but not limited to,  
19 commissions, bonuses, and contractual rights.

20 c. Passive income from marital property received  
21 after the date of separation, including, but  
22 not limited to, interest and dividends.

23 d. Increases in marital debt and financing  
24 charges and interest related to marital debt.

25 (c) There shall be an equal division by using net value of  
26 marital property and ~~not~~ net value of divisible property unless  
27 the court determines that an equal division is not equitable. If  
28 the court determines that an equal division is not equitable, the  
29 court shall divide the marital property and divisible property  
30 equitably. Factors the court shall consider under this subsection  
31 are as follows:

32 (1) The income, property, and liabilities of each party  
33 at the time the division of property is to become  
34 effective;

35 (2) Any obligation for support arising out of a prior  
36 marriage;

37 (3) The duration of the marriage and the age and  
38 physical and mental health of both parties;

39 (4) The need of a parent with custody of a child or  
40 children of the marriage to occupy or own the  
41 marital residence and to use or own its household  
42 effects;

- 1           (5) The expectation of pension, retirement, or other  
2           deferred compensation rights that are not marital  
3           property;  
4           (6) Any equitable claim to, interest in, or direct or  
5           indirect contribution made to the acquisition of  
6           such marital property by the party not having  
7           title, including joint efforts or expenditures and  
8           contributions and services, or lack thereof, as a  
9           spouse, parent, wage earner or homemaker;  
10          (7) Any direct or indirect contribution made by one  
11          spouse to help educate or develop the career  
12          potential of the other spouse;  
13          (8) Any direct contribution to an increase in value of  
14          separate property which occurs during the course of  
15          the marriage;  
16          (9) The liquid or nonliquid character of all marital  
17          ~~property;~~ property and divisible property;  
18          (10) The difficulty of evaluating any component asset or  
19          any interest in a business, corporation or  
20          profession, and the economic desirability of  
21          retaining such asset or interest, intact and free  
22          from any claim or interference by the other party;  
23          (11) The tax consequences to each party;  
24          (11a) Acts of either party to maintain, preserve,  
25          develop, or expand; or to waste, neglect,  
26          devalue or convert ~~such the marital property,~~  
27          property or divisible property, or both,  
28          during the period after separation of the  
29          parties and before the time of distribution;  
30          and  
31          (12) Any other factor which the court finds to be just  
32          and proper.
- 33   (c1) Notwithstanding any other provision of law, a second or  
34   subsequent spouse acquires no interest in the marital property  
35   and divisible property of his or her spouse from a former  
36   marriage until a final determination of equitable distribution is  
37   made in the marital property and divisible property of the  
38   spouse's former marriage.
- 39   (d) Before, during or after marriage the parties may by  
40   written agreement, duly executed and acknowledged in accordance  
41   with the provisions of G.S. 52-10 and 52-10.1, or by a written  
42   agreement valid in the jurisdiction where executed, provide for  
43   distribution of the marital property or divisible property, or

1 both, in a manner deemed by the parties to be equitable and the  
2 agreement shall be binding on the parties.

3 (e) Subject to the presumption of subsection (c) of this  
4 section that an equal division is equitable, it shall be presumed  
5 in every action that an in-kind distribution of marital or  
6 divisible property is equitable. This presumption may be rebutted  
7 by the greater weight of the evidence, or by evidence that the  
8 property is a closely held business entity or is otherwise not  
9 susceptible of division in-kind. In any action in which the  
10 presumption is rebutted, the court in lieu of in-kind  
11 distribution shall provide for a distributive award in order to  
12 achieve equity between the parties. The court may provide for a  
13 distributive award to facilitate, effectuate or supplement a  
14 distribution of marital or divisible property. The court may  
15 provide that any distributive award payable over a period of time  
16 be secured by a lien on specific property.

17 (f) The court shall provide for an equitable distribution  
18 without regard to alimony for either party or support of the  
19 children of both parties. After the determination of an equitable  
20 distribution, the court, upon request of either party, shall  
21 consider whether an order for alimony or child support should be  
22 modified or vacated pursuant to G.S. 50-16.9 or 50-13.7.

23 (g) If the court orders the transfer of real or personal  
24 property or an interest therein, the court may also enter an  
25 order which shall transfer title, as provided in G.S. 1A-1, Rule  
26 70 and G.S. 1-228.

27 (h) If either party claims that any real property is marital  
28 ~~property~~, property or divisible property, that party may cause a  
29 notice of lis pendens to be recorded pursuant to Article 11 of  
30 Chapter 1 of the General Statutes. Any person whose conveyance or  
31 encumbrance is recorded or whose interest is obtained by descent,  
32 prior to the filing of the lis pendens, shall take the real  
33 property free of any claim resulting from the equitable  
34 distribution proceeding. The court may cancel the notice of lis  
35 pendens upon substitution of a bond with surety in an amount  
36 determined by the court to be sufficient provided the court finds  
37 that the claim of the spouse against property subject to the  
38 notice of lis pendens can be satisfied by money damages.

39 (i) Upon filing an action or motion in the cause requesting an  
40 equitable distribution or alleging that an equitable distribution  
41 will be requested when it is timely to do so, a party may seek  
42 injunctive relief pursuant to G.S. 1A-1, Rule 65 and Chapter 1,  
43 Article 37, to prevent the disappearance, waste or conversion of  
44 property alleged to be marital ~~property~~ property, divisible

1 property or separate property of the party seeking relief. The

28 of fact that support the determination that the marital property  
29 and divisible property has been equitably divided.

30 (k) The rights of the parties to an equitable distribution of  
31 marital property and divisible property are a species of common  
32 ownership, the rights of the respective parties vesting at the

3 Provided, that the board of county commissioners shall not adopt  
4 a resolution as aforesaid if there is a county housing authority  
5 created for such county which has any bonds or notes outstanding

31 fiduciary right, power, privilege, or immunity, the  
32 property or interest subject to the power devolves  
33 as if the fiduciary right, power, privilege, or

4           on the date the renunciation is filed, or, in the  
5           case of the renunciation of a fiduciary right,  
6           power, privilege, or immunity, the property or  
7           interest subject to the power devolves as if the  
8           fiduciary right, power, privilege, or immunity  
9           ceased to exist as of the date the renunciation is  
10           filed.

11           3) Any future interest that takes effect in possession  
12           or enjoyment after the terminator of the estate or  
13           interest renounced takes effect as if the renouncer  
14           had predeceased the decedent, or the donee of the  
15           power, or creator died on the date determined under  
16           paragraph (1) or (2) above, and upon the filing of  
17           the renunciation the persons in being as of the  
18           time the renouncer is deemed to have died will  
19           immediately become entitled to possession or  
20           enjoyment of any such future interest.'

22           (e) G.S. 31B-4 is amended by adding the following new  
23 subsection to read:

25           pursuant to this Chapter is not barred by an acceptance of the  
26           property, interest, or benefit thereunder, provided, however, an  
27           acceptance of the property, interest, or benefit thereunder may  
28           preclude such renunciation from being a qualified renunciation  
29           for federal and state inheritance, estate and gift tax purposes.'

35 executed before the effective date of this section whether  
36 qualified or non-qualified for federal and state inheritance,  
37 estate and gift tax purposes, of an interest in a testamentary or

STATE OF NORTH CAROLINA  
GENERAL STATUTES COMMISSION  
POST OFFICE BOX 629  
RALEIGH, NORTH CAROLINA 27602  
(919) 716-6800

**MEMORANDUM**

TO: Senate Judiciary Committee

FROM: General Statutes Commission

DATE: August 3, 1998

RE: Senate Bill <sup>679</sup>~~1260~~ (1998 Technical Corrections)

General Comments

This bill makes corrections of a technical nature to various sections of the General Statutes. The amendments recommended by the General Statutes Commission correct typographical, grammatical, redlining, and other obvious drafting errors, make technical conforming changes, update or correct statutory references, and repeal an obsolete provision.

Specific Comments

Section 1. This section amends G.S. 14-34.6(a)(2) to change "An" to "A" before the word "medical".

Section 2. This section amends G.S. 14-399(c) to insert the word "In", which was inadvertently not underlined in a 1997 amendment.

Section 3. Subsection (a) of this section amends G.S. 14-408 to delete the references in this section to G.S. 14-407, which was repealed effective March 21, 1997. Subsection (b) is the applications provision normally found in criminal law amendments.

Section 4. This section makes essentially the same amendment to G.S. 14-74, 25-7-502, and 25-7-507 and a comparable amendment to G.S. 44A-21. G.S. 14-74, 25-7-502, and 25-7-507 (amended in subsections (a), (b), and (c) of this section) contain a reference to the "following section", and G.S. 44A-21 (amended in subsection (d)) has a reference to the "previous" section. This drafting construction is no longer used, because it invites later error when a new section is inserted between a section containing such language and the referenced (but not cited) section. The amendments in this section delete the problem-causing language and

substitute for it the appropriate citation (which currently appears in brackets in the published version of each section).

Section 5. This section amends G.S. 25-8-103(a) to correct a typographical error. The phrase "share of similar equity interest" should read "share or similar equity interest."

Section 6. This section amends G.S. 39-23.3 to correct an obvious drafting error. This section is part of the Uniform Fraudulent Transfer Act, enacted for this State in the last legislative session. The word "nonexclusive" should read "noncollusive".

Section 7. This section makes conforming amendments to G.S. 50-11 and G.S. 50-20. In the 1997 legislative session, G.S. 50-20 was amended to include a new definition of property termed "divisible property", which was to be divisible in the same general manner as marital property in an equitable distribution action or proceeding. Conforming references to divisible property were inadvertently omitted throughout G.S. 50-20 and in G.S. 50-11. This section inserts these references in the appropriate places or changes a reference to "marital property" to a more generic term to avoid the need for future conforming amendments.

Section 8. This section amends G.S. 62-268 to update the citation and to correct a syntax error. In the United States Code, 49 U.S.C. § 10927(a)(1) has been replaced by 49 U.S.C. § 31138. In addition, the phrase "required by the provision of this Chapter" should read, "required by the provisions of this Chapter".

Section 9. This section amends G.S. 78C-16(b) to delete an inadvertent near-duplication. The last sentence of the subsection contains the next-to-last sentence plus the references to investment advisers covered under federal law; the next-to-last sentence is therefore redundant and should be deleted.

Section 10. This section amends G.S. 90-113.40(a)(8) to insert the missing word "for", which was inadvertently not underlined in a 1997 amendment.

Section 11. This section amends G.S. 110-91(10) to delete duplicated phrases.

Section 12. This section amends G.S. 115C-404(a) to correct a typographical error in a citation. "G.S. 7A-675.1" should read "G.S. 7A-675.2".

Section 13. This section amends G.S. 130A-233 to conform the style to the currently used style for this type of definition.

Section 14. Subsection (a) of this section repeals G.S. 139-3.1, which is obsolete. G.S. 139-3.1 was part of a 1961 act that replacing the former State Soil Conservation Committee with a State Soil and Water Conservation Committee. G.S. 139-3.1 directs the substitution throughout the General Statutes of terms that were being changed in that 1961 act, including the

throughout the General Statutes of terms that were being changed in that 1961 act, including the substitution of the then-new committee name for the former name. However, any remaining references to the old committee that remain in the General Statutes are historical ones that should not be changed. Moreover, the committee created by the 1961 act has itself been replaced by a commission. Under today's practices, G.S. 139-3.1 would not have been codified.

Subsection (b) of this section specifies that the repeal of G.S. 139-3.1 does not cause anything in the General Statutes to revert to pre-1961 terms.

Section 15. This section amends G.S. 143-53(a) to insert the missing word "the", to delete a duplicate word ("not"), and to delete an incorrect comma.

Section 16. This section amends G.S. 143-129(f) to correct a technical drafting problem in a 1997 amendment to the subsection. G.S. 143-129(f) historically excepted hospitals from certain purchase and contract requirements. The 1997 amendment extended the exception to purchases of certain items by local governments, so long as the local governments obtain prior approval from their governing body, a requirement that never existed for hospitals. Because the word "exception" is used in the subsection to refer to different things, however, the language of the subsection needs to be made more consistent.

Section 17. This section amends G.S. 143B-283(a)(8) to delete a duplicate word ("in").

Section 18. This section amends G.S. 143B-289.52(e) to correct a proper name. The "Atlantic States Marine Fisheries Council" is actually the "Atlantic States Marine Fisheries Commission".

Section 19. This section amends G.S. 143B-433 to correct the codification and to standardize the punctuation of the different subdivisions.

Section 20. This section amends G.S. 157-35 to remove a duplicated phrase.

Sections 21 and 22. These sections amend Section 18.22 of S.L. 1997-443. Section 18.22 was originally drafted as a free-standing local bill. It was incorporated into S.L. 1997-443 (last year's budget bill), but in the process, the words "This act" were inadvertently not changed to "This section". The effective date of the correction is backdated to the effective date of S.L. 1997-443.

Section 23. This section amends Section 6 of S.L. 1997-452, a local bill, to correct a typographical error. "1995" should have read "1975".

**RE:** **PROPOSED COMMITTEE SUBSTITUTE FOR SENATE BILL 1279 - 1998  
TECHNICAL CORRECTIONS - Senator Hartsell**

The Proposed Committee Substitute for Senate Bill 1279 is primarily a recommendation of the General Statutes Commission to correct technical errors and to make conforming changes to various statutes and session laws. Sections 1 through 23 were recommended by the General Statutes Commission and have been summarized in a separate document by the Commission's staff. This summary will cover the remaining sections of the bill. The changes beginning with Section 24 have been identified by legislative, agency staff, and others, many of which are correcting errors made in laws adopted during the 1997 Session.

Section 24 amends the Renunciation of Property and Renunciation of Fiduciary Powers Act to clarify that the Act applies to all renunciations of present and future interests, whether qualified or non-qualified for federal and state inheritance, estate or gift tax purposes, unless expressly provided otherwise in the instrument creating the interest.

Section 25 amends G.S. 75E-3 to clarify that the Attorney General, as enforcer of the Shareholder Protection Act (Article 9 of Chapter 55), may exempt from the Shareholders Protection Act any business combination that is solely an internal corporate restructuring which does not affect any material change in the ultimate ownership of the corporation and does not affect the ongoing applicability of the Shareholders Protection Act to the corporation or any other entity.

Section 26 amends the North Carolina Substance Abuse Professional Certification Act to clarify which certification fees apply to certifications as clinical addictions specialists and to clarify the requirements for the grandfather provisions enacted in 1997.

MEMORANDUM  
SB 1279 - PCS Summary  
Page 2

Section 27 repeals G.S. 95-97. This law which prohibited police officers and firemen from joining unions has been held unconstitutional and is therefore being repealed.

Section 28 amends G.S. 95-128 to reflect current applicable federal law. The Federal Railroad Safety Act of 1970 and the Federal Safety Appliance Act were repealed effective July 5, 1994. The contents of these acts was recodified in Title 49 of the U.S. Code. This changes conforms the law to the current federal citations.

Sections 29 through 31 amends G.S. 95-174 and 95-198 to reflect the current North Carolina Administrative Code citations. In 1993, 13 NCAC 7C was repealed and recodified within 13 NCAC 7F. Also, the acronym NCOSHA has been changed to OSHNC for consistency with general use and reference to the Occupational Safety and Health Division of North Carolina. The change conforms the statutes to the current rules and laws.

Section 32 amends G.S. 95-198(b) to reflect the current terms used in federal regulations that have been adopted in state rules. It replaces the term "health professional" with the term "responsible party" since the term "responsible party" is a defined term in the Code of Federal Regulations standards adopted in 13 NCAC 7F.

Section 33 removes the franchise tax rate applicable to piped natural gas sold by a regional natural gas district because the franchise tax on piped natural gas sold by a regional natural gas district is repealed, effective July 1, 1999 in S.L. 1998-22 which repealed the tax, but failed to remove the tax rate. The tax rate will not apply after the tax is repealed. This section is effective July 1, 1999 when the tax is repealed.

Section 34 changes a reference within the law governing appeals concerning the enforcement of rules adopted by the local board of health and concerning the imposition of administrative penalties by a local health director.

Section 35 corrects a redlining error in a bill that was ratified last year. A new subsection (f) was to be added to G.S. 143B-475.1 (Deferred prosecution, community service restitution, and volunteer program.) The new provision was not underlined in the coded bill drafting format to indicate that it was a newly added section, so it is not set out in the text of the General Statutes, but is shown in the Editor's note. The provision sets out the procedure for notice and hearing regarding willful failure to comply with terms of probation related to community service.

Section 36 closes the apparently unintentional loophole that allows a candidate for Superior Court judge to run for a Superior Court seat and for one other office at the same time.

SB 1279 - PCS Summary

Section 37 makes it clear that an amendment to the definition of "subdivision" in the law governing subdivision regulation in Chapter 153A is a local modification applicable to Stanly County.

Section 38 corrects an incorrect Chapter reference in the charter of the Town of Forest Hills which was incorrectly sited as Chapter 160B instead of Chapter 160A.

Section 39 corrects a typographical error in the prefatory language of the Session Laws rewriting G.S. 115D-15 regarding the sale, exchange, or lease of property by community colleges.

Unless otherwise specifically provided, the bill will become effective when it becomes law.

**RE:** Senate Bill 1260 (1998 Technical Corrections)

General Comments

This bill makes corrections of a technical nature to various sections of the General Statutes. The amendments recommended by the General Statutes Commission correct typographical, grammatical, redlining, and other obvious drafting errors, make technical conforming changes, update or correct statutory references, and repeal an obsolete provision.

Specific Comments

Section 1. This section amends G.S. 14-34.6(a)(2) to change "An" to "A" before the word "medical".

Section 2. This section amends G.S. 14-399(c) to insert the word "In", which was inadvertently not underlined in a 1997 amendment.

Section 3. Subsection (a) of this section amends G.S. 14-408 to delete the references in this section to G.S. 14-407, which was repealed effective March 21, 1997. Subsection (b) is the applications provision normally found in criminal law amendments.

Section 4. This section makes essentially the same amendment to G.S. 14-74, 25-7-502, and 25-7-507 and a comparable amendment to G.S. 44A-21. G.S. 14-74, 25-7-502, and 25-7-507 (amended in subsections (a), (b), and (c) of this section) contain a reference to the "following section", and G.S. 44A-21 (amended in subsection (d)) has a reference to the "previous" section. This drafting construction is no longer used, because it invites later error when a new section is inserted between a section containing such language and the referenced (but not cited) section. The amendments in this section delete the problem-causing language and

substitute for it the appropriate citation (which currently appears in brackets in the published version of each section).

Section 5. This section amends G.S. 25-8-103(a) to correct a typographical error. The phrase "share of similar equity interest" should read "share or similar equity interest."

Section 6. This section amends G.S. 39-23.3 to correct an obvious drafting error. This section is part of the Uniform Fraudulent Transfer Act, enacted for this State in the last legislative session. The word "nonexclusive" should read "noncollusive".

Section 7. This section makes conforming amendments to G.S. 50-11 and G.S. 50-20. In the 1997 legislative session, G.S. 50-20 was amended to include a new definition of property termed "divisible property", which was to be divisible in the same general manner as marital property in an equitable distribution action or proceeding. Conforming references to divisible property were inadvertently omitted throughout G.S. 50-20 and in G.S. 50-11. This section inserts these references in the appropriate places or changes a reference to "marital property" to a more generic term to avoid the need for future conforming amendments.

Section 8. This section amends G.S. 62-268 to update the citation and to correct a syntax error. In the United States Code, 49 U.S.C. § 10927(a)(1) has been replaced by 49 U.S.C. § 31138. In addition, the phrase "required by the provision of this Chapter" should read, "required by the provisions of this Chapter".

Section 9. This section amends G.S. 78C-16(b) to delete an inadvertent near-duplication. The last sentence of the subsection contains the next-to-last sentence plus the references to investment advisers covered under federal law; the next-to-last sentence is therefore redundant and should be deleted.

Section 10. This section amends G.S. 90-113.40(a)(8) to insert the missing word "for", which was inadvertently not underlined in a 1997 amendment.

Section 11. This section amends G.S. 110-91(10) to delete duplicated phrases.

Section 12. This section amends G.S. 115C-404(a) to correct a typographical error in a citation. "G.S. 7A-675.1" should read "G.S. 7A-675.2".

Section 13. This section amends G.S. 130A-233 to conform the style to the currently used style for this type of definition.

Section 14. Subsection (a) of this section repeals G.S. 139-3.1, which is obsolete. G.S. 139-3.1 was part of a 1961 act that replacing the former State Soil Conservation Committee with a State Soil and Water Conservation Committee. G.S. 139-3.1 directs the substitution throughout the General Statutes of terms that were being changed in that 1961 act, including the

throughout the General Statutes of terms that were being changed in that 1961 act, including the substitution of the then-new committee name for the former name. However, any remaining references to the old committee that remain in the General Statutes are historical ones that should not be changed. Moreover, the committee created by the 1961 act has itself been replaced by a commission. Under today's practices, G.S. 139-3.1 would not have been codified.

Subsection (b) of this section specifies that the repeal of G.S. 139-3.1 does not cause anything in the General Statutes to revert to pre-1961 terms.

Section 15. This section amends G.S. 143-53(a) to insert the missing word "the", to delete a duplicate word ("not"), and to delete an incorrect comma.

Section 16. This section amends G.S. 143-129(f) to correct a technical drafting problem in a 1997 amendment to the subsection. G.S. 143-129(f) historically excepted hospitals from certain purchase and contract requirements. The 1997 amendment extended the exception to purchases of certain items by local governments, so long as the local governments obtain prior approval from their governing body, a requirement that never existed for hospitals. Because the word "exception" is used in the subsection to refer to different things, however, the language of the subsection needs to be made more consistent.

Section 17. This section amends G.S. 143B-283(a)(8) to delete a duplicate word ("in").

Section 18. This section amends G.S. 143B-289.52(e) to correct a proper name. The "Atlantic States Marine Fisheries Council" is actually the "Atlantic States Marine Fisheries Commission".

Section 19. This section amends G.S. 143B-433 to correct the codification and to standardize the punctuation of the different subdivisions.

Section 20. This section amends G.S. 157-35 to remove a duplicated phrase.

Sections 21 and 22. These sections amend Section 18.22 of S.L. 1997-443. Section 18.22 was originally drafted as a free-standing local bill. It was incorporated into S.L. 1997-443 (last year's budget bill), but in the process, the words "This act" were inadvertently not changed to "This section". The effective date of the correction is backdated to the effective date of S.L. 1997-443.

Section 23. This section amends Section 6 of S.L. 1997-452, a local bill, to correct a typographical error. "1995" should have read "1975".

1 A BILL TO BE ENTITLED

2 AN ACT TO AMEND THE EXCISE TAX ON CONTROLLED SUBSTANCES.

3 Whereas, North Carolina enacted the Controlled Substances Tax Act in  
4 1989 for the purpose of levying an excise tax to generate revenue for State and local  
5 law enforcement agencies and the General Fund and to collect taxes from persons  
6 engaged in a highly profitable activity that had escaped taxation; and

7 Whereas, the intent of the General Assembly in enacting this tax  
8 continues to be to raise revenue through a civil tax on this highly profitable activity;  
9 and

10 Whereas, the intent of the General Assembly in enacting this tax is not to  
11 create a criminal penalty, other than for nonpayment of the tax, above and beyond  
12 the criminal sanctions in the criminal code; and

13 Whereas, upon constitutional challenge on double jeopardy grounds by a  
14 defendant who had been assessed for the tax and also convicted of criminal drug  
15 charges, the North Carolina Court of Appeals held that the tax "was not predicated  
16 upon whether the taxpayer in possession of the controlled substance has been  
17 arrested or charged with criminal conduct, nor is it assessed on property that  
18 necessarily has been confiscated or destroyed;" and

19 Whereas, the court further held that the statute "is a legitimate and  
20 remedial effort to recover revenue from those persons who would otherwise escape  
21 taxation when engaging in the highly profitable, but illicit and sometimes deadly  
22 activity of possessing, delivering, selling, or manufacturing large quantities of  
23 controlled drugs" and that the statute "does not have such fundamentally punitive

1 characteristics as to render it violative of the prohibition against multiple punishments  
2 for the same offense contained in the Double Jeopardy Clause;" and

3       Whereas, that decision was affirmed on appeal to the North Carolina  
4 Supreme Court and not disturbed by the United States Supreme Court; and

5       Whereas, upon further challenge in the federal courts, the controlled  
6 substance tax has been found to be a criminal penalty, and a petition for certiorari is  
7 now pending in the United States Supreme Court; and

8       Whereas, it is, therefore, the intent of the North Carolina General  
9 Assembly to modify the tax during the pendency of the appeal so that the tax may  
10 continue to be assessed in a manner consistent with the opinion now in effect, but to  
11 reinstate it as it read on January 12, 1998, if the United States Supreme Court  
12 reverses the lower court decision and finds the tax constitutional; and

13       Whereas, it is also the intent of the General Assembly that if the lower  
14 court decision is reversed, the higher tax rate should be reinstated retroactively and  
15 collected; Now, therefore,

16 The General Assembly of North Carolina enacts:

17       Section 1. G.S. 105-113.107(a) reads as rewritten:

18       "(a) Controlled Substances. -- An excise tax is levied on controlled substances  
19 possessed, either actually or constructively, by dealers at the following rates:

20           (1) At the rate of forty cents (40¢) for each gram, or fraction thereof,  
21 of harvested marijuana stems and stalks that have been separated  
22 from and are not mixed with any other parts of the marijuana  
23 plant.

24           (1a) At the rate of three dollars and fifty cents (\$3.50) for each gram, or  
25 fraction thereof, of marijuana, other than separated stems and  
26 stalks taxed under subdivision (1) of this section.

27           (1b) At the rate of fifty dollars (\$50.00) for each gram, or fraction  
28 thereof, of cocaine.

29           (2) At the rate of two hundred dollars (\$200.00) for each gram, or  
30 fraction thereof, of any other controlled substance that is sold by  
31 weight.

32           (2a) At the rate of fifty dollars (\$50.00) for each 10 dosage units, or  
33 fraction thereof, of any low-street-value drug that is not sold by  
34 weight.

35           (3) At the rate of ~~four hundred dollars (\$400.00)~~ two hundred dollars  
36 (\$200.00) for each 10 dosage units, or fraction thereof, of any other  
37 controlled substance that is not sold by weight.

38       (a1) Weight. -- A quantity of marijuana or other controlled substance is measured  
39 by the weight of the substance whether pure or impure or dilute, or by dosage units  
40 when the substance is not sold by weight, in the dealer's possession. A quantity of a  
41 controlled substance is dilute if it consists of a detectable quantity of pure controlled  
42 substance and any excipients or fillers."

43       Section 2. In collecting the tax on controlled substances levied in Article  
44 2D of Chapter 105 of the General Statutes, the Secretary of Revenue shall assure that

1 every affected taxpayer is notified that the lower tax rates apply only until the tax is  
2 upheld by the United States Supreme Court, and that the higher rates will then be  
3 collected on any tax that accrued before the Court's ruling upholding the tax.

4           Section 3. This act is effective when it becomes law. If the United States  
5 Supreme Court rules in Lynn, et al. v. West, et al., that the provisions of Article 2D  
6 of Chapter 105 of the General Statutes, as they existed on January 12, 1998, are  
7 constitutional, then this act is repealed retroactively as of the date it became law.

**JOINT RESOLUTION OF  
THE NC ASSOCIATION OF CHIEFS OF POLICE  
AND THE NC POLICE EXECUTIVES ASSOCIATION**

**WHEREAS**, Controlling drug related crime is one of the most difficult challenges facing local law enforcement agencies in this state; and

**WHEREAS**, The NC Controlled Substance Tax has provided much needed revenues which have greatly assisted us in our crime fighting mission; and

**WHEREAS**, The Fourth Circuit Court of Appeals in Lynn v West has had a tangible negative impact on our efforts; and

**WHEREAS**, There is no certainty that the US Supreme Court would agree to hear Lynn v West or reverse the decision of the Fourth Circuit Court of Appeals after hearing; and

**WHEREAS**, Senate Bill 1554 makes changes in the Controlled Substance Tax Law necessary to conform the law to the decision of the Fourth Circuit Court of Appeals but restores prior law automatically if upheld by the US Supreme Court; and

**WHEREAS**, Delay in taking action on Senate Bill 1554 is costing NC law enforcement agencies hundreds of thousands of dollars in much needed revenue in combating drug related crime.

**NOW THEREFORE**, the NC Association of Chiefs of Police and the NC Police Executives Association at their general membership meeting in Atlantic Beach, NC on July 13 and July 15, 1998 respectively does hereby endorse Senate Bill 1554 and calls upon the NC General Assembly currently in session to take all action necessary for ratification as soon as possible during this legislative session.

## SUMMARY OF PROPOSED CONTROLLED SUBSTANCE TAX ACT CHANGES

This proposed legislation is offered so that, pending the State's appeal of Lynn, et al. v. West, et al. to the United States Supreme Court, the Department of Revenue and law enforcement agencies can continue to enforce the controlled substance tax in a manner consistent with the recent decision of the Fourth Circuit Court of Appeals. If the U. S. Supreme Court agrees with the state's legal argument and finds the tax to be constitutional, this proposal would automatically reinstate the prior law. The legislation does the following:

- emphasizes that the legislative intent behind the enactment of the Controlled Substance Tax Act is to raise revenue through a civil tax on a highly profitable activity that, due to its illicit nature, goes unreported for tax purposes
- emphasizes that the purpose of the Controlled Substance Tax is not to create any criminal penalties (other than for non-payment of the Tax) separate and apart from those that already exist in the criminal code
- reduces the tax rates in the Controlled Substance Tax statute to meet the objections raised in the court decision
- automatically reinstates the language of the Act as it existed on January 12, 1998, upon a favorable ruling by the United States Supreme Court in Lynn
- puts dealers on notice that the rate differential between the pre-Lynn drug tax and the interim tax will be collected if Lynn reversed

\* Not included in the draft legislation, but also being considered, are amendments to conform the administrative collection procedures of this tax to that of other civil taxes.

The Controlled Substance Tax Act was overwhelmingly approved by the General Assembly in 1989. Since taking effect in 1990 approximately \$30 million dollars has been assessed and collected for the benefit of our state.

1 A BILL TO BE ENTITLED  
2 AN ACT TO REQUIRE TENANTS TO PAY TO THE CLERK OF COURT THE AMOUNT  
3 OF RENT IN ARREARS TO STAY THE EXECUTION OF JUDGMENT FOR  
4 SUMMARY EJECTMENT PENDING APPEAL TO DISTRICT COURT AND TO POST  
5 A BOND FOR ANY FURTHER APPEALS.  
6 The General Assembly of North Carolina enacts:  
7 Section 1. G.S. 42-34 reads as rewritten:  
8 "§ 42-34. Undertaking on appeal and order staying execution.  
9 (a) Upon appeal to the district court, either party may demand  
10 that the case be tried at the first session of the court after  
11 the appeal is docketed, but the presiding judge, in his  
12 discretion, may first try any pending case in which the rights of  
13 the parties or the public demand it.  
14 (b) ~~It~~ During an appeal to district court, it shall be  
15 sufficient to stay execution of a judgment for ejectment that if  
16 the defendant appellant sign pays to the clerk of superior court  
17 any rent in arrears as determined by the magistrate and signs an  
18 undertaking that he or she will pay into the office of the clerk  
19 of superior court the amount of the contract rent as it becomes  
20 due periodically after the judgment was entered and, where  
21 applicable, comply with subdivision (c) below. Provided however,

1 when the magistrate makes a finding in the record, based on  
2 evidence presented in court, that there is an actual dispute as  
3 to the amount of rent in arrears that is due and the magistrate  
4 specifies the specific amount of rent in arrears in dispute, in  
5 order to stay execution of a judgment for ejectment, the  
6 defendant appellant shall not be required to pay to the clerk of  
7 superior court the amount of rent in arrears found by the  
8 magistrate to be in dispute, even if the magistrate's judgment  
9 includes this amount in the amount of rent found to be in  
10 arrears. If a defendant appellant appeared at the hearing before  
11 the magistrate and the magistrate found an amount of rent in  
12 arrears that was not in dispute, and if an attorney representing  
13 the defendant appellant on appeal to the district court signs a  
14 pleading stating that new evidence exists that was not presented  
15 before the magistrate that indicates that there is evidence of an  
16 actual dispute as to the amount of rent in arrears, then the  
17 defendant appellant shall not be required to pay the rent in  
18 arrears alleged to be in dispute to stay execution of a judgment  
19 for ejectment pending appeal. Any magistrate, clerk, or district  
20 court judge shall order stay of execution upon ~~such undertaking.~~  
21 the defendant appellant's paying the undisputed rent in arrears  
22 to the clerk and signing the undertaking. If either party  
23 disputes the amount of the payment or the due date in ~~such the~~  
24 undertaking, the aggrieved party may move for modification of the  
25 terms of the undertaking before the clerk of superior court or  
26 the district court. Upon such motion and upon notice to all  
27 interested parties, the clerk or court shall hold a hearing and  
28 determine what modifications, if any, are appropriate.

29 (c) In an ejectment action based upon alleged nonpayment of  
30 rent where the judgment is entered more than five working days  
31 before the day when the next rent will be due under the lease,  
32 the appellant shall make an additional undertaking to stay  
33 execution pending appeal. Such additional undertaking shall be  
34 the payment of the prorated rent for the days between the day  
35 that the judgment was entered and the next day when the rent will  
36 be due under the lease. ~~Notwithstanding, such additional~~  
37 ~~undertaking shall not be required of an indigent appellant who~~  
38 ~~prosecutes his appeal with an in forma pauperis affidavit that~~  
39 ~~meets the requirements of G.S. 1-288.~~

40 (c1) Notwithstanding the provisions of subsection (b) of this  
41 section, an indigent defendant appellant, as set forth in G.S. 1-  
42 110, who prosecutes his or her appeal with as an indigent and who  
43 meets the requirement of G.S. 1-288 shall pay the amount of the  
44 contract rent as it becomes periodically due as set forth in

1 subsection (b) of this section, but shall not be required to pay  
2 rent in arrears as set forth in subsection (b) of this section in  
3 order to stay execution pending appeal.

4 (d) The undertaking by the appellant and the order staying  
5 execution may be substantially in the following form:

6 'State of North Carolina,  
7 'County of .....

18 has appealed the judgment to the District Court.

19 'Pursuant to the terms of the lease between plaintiff and

25 'Defendant hereby undertakes to pay the periodic rent  
26 hereinafter due according to the aforesaid terms of the lease and  
27 moves the Court to stay execution on the judgment for summary

38 rental payment to the clerk's office within five days of the due  
39 date, upon application of the plaintiff, the stay of execution  
40 shall dissolve and the sheriff may dispossess the defendant.

41 'This ..... day of

1 Assistant Clerk of Superior

3 (e) Upon application of the plaintiff, the clerk of superior  
4 court shall pay to the plaintiff any amount of the rental  
5 payments paid by the defendant into the clerk's office which are  
6 not claimed by the defendant in any pleadings.

7 (f) If the defendant fails to make a payment within five days  
8 of the due date according to the undertaking and order staying  
9 execution, the clerk, upon application of the plaintiff, shall  
10 issue execution on the judgment for possession.

11 (g) When it appears by stipulation executed by all of the  
12 parties or by final order of the court that the appeal has been  
13 resolved, the clerk of court shall disburse any accrued moneys  
14 of the undertaking remaining in the clerk's office according to  
15 the terms of the stipulation or order."

16 Section 2. Article 3 of Chapter 42 of the General  
17 Statutes is amended by adding the following new section:

18 "§ 42-34.1. Rent pending execution of judgment; post bond  
19 pending appeal.

20 (a) If the judgment in district court is against the defendant  
21 appellant and the defendant appellant does not appeal the  
22 judgment, the defendant appellant shall pay rent to the plaintiff  
23 for the time the defendant appellant remains in possession of the  
24 premises after the judgment is given. Rent shall be prorated if  
25 the judgment is executed before the day rent would become due  
26 under the terms of the lease. The clerk of court shall disperse  
27 any rent in arrears paid by the defendant appellant in accordance  
28 with a stipulation executed by all parties or, if there is no  
29 stipulation, in accordance with the judge's order.

30 (b) If the judgment in district court is against the defendant  
31 appellant and the defendant appellant appeals the judgment, it  
32 shall be sufficient to stay execution of the judgment if the  
33 defendant appellant posts a bond as provided in G.S. 1-292. If  
34 the defendant appellant fails to perfect the appeal or the  
35 appellate court upholds the judgment of the district court, the  
36 execution of the judgment shall proceed. The clerk of court  
37 shall not disperse any rent in arrears paid by the defendant  
38 appellant until all appeals have been resolved."

39 Section 3. The Administrative Office of the Courts  
40 shall amend the Small Claims form entitled "Judgment In Action  
41 For Summary Ejectment" to provided for a block in the  
42 magistrate's findings to designate in accordance with G.S. 42-  
43 34(b) that either there is no actual dispute as to the amount of

1 rent in arrears, or if there is an actual dispute of the amount  
2 of rent in arrears, the amount found to be in dispute.

3           Section 4. This act becomes effective October 1, 1998  
4 and applies to actions for summary ejectment filed on or after

**MEMORANDUM**

**TO:** Senator Roy Cooper, Chair, Senate Judiciary Committee

**FROM:** O. Walker Reagan, Committee Co-Counsel

**RE:** **PROPOSED SENATE COMMITTEE SUBSTITUTE FOR HOUSE BILL 1071  
- PAY RENT ARREARS TO STAY EJECTMENT - Representative Capps -  
H1071-CSRU-003.**

The Proposed Senate Committee Substitute for House Bill 1071 amends the law governing staying execution of a judgment for ejectment of a tenant during appeal from a magistrate's decision to district court by requiring that undisputed rent in arrears be paid, and provides that if the district court's decision is appealed a bond must be posted and rent will be due until the tenant vacates the premises.

Section 1 of the bill provides that during an appeal from a magistrate's decision in Small Claims Court granting an ejectment judgment against a tenant, the tenant must not only pay rent as it becomes due pending the appeal, but the tenant must also pay uncontested back rent found by the magistrate to be due. If the magistrate finds that there is an actual dispute over the amount of back rent due, even if the magistrate finds that the rent is owed, the tenant would not have to pay the disputed rent pending the appeal. This section also finds that after the magistrate hearing if an attorney representing the tenant on appeal files a pleading alleging new evidence of a dispute over back due rent, the tenant would not have to pay that rent pending the appeal. An indigent tenant filing in the forma pauperis would not be required to pay back due rent pending the appeal, only the future rent as it becomes due.

Section 2 adds a new section to Chapter 42 to make it clear that the tenant is obligated for the rent through the time of vacating the premises, including the time from the judgment. If tenant appeals the judgment of the district court, a bond must be posted for the appeal but all rents held by the clerk shall be held until all appeals are exhausted.

MEMORANDUM  
HB 1071 - PCS Summary  
Page 2

Section 3 directs the Administrative Office of the Courts to modify the standard magistrate summary ejectment judgment form to include blocks indicating whether or not there is an actual dispute of the amount of rent in arrears, and if so, the amount of rent in dispute.

The bill becomes effective October 1, 1998 and applies to actions for summary ejectment filed on or after that date.

40 rewritten:

41 "(a) The Civil Procedure Study Commission is created. The  
42 Commission shall consist of ~~18~~ 24 voting members: ~~six~~ eight  
43 members to be appointed by the President Pro Tempore of the  
44 Senate, ~~six~~ eight members to be appointed by the Speaker of the

14 CLARIFY PUBLIC DUTY DOCTRINE AND THE TORTS CLAIMS ACT

15 Section 13. G.S. 143-291(a) reads as rewritten:

16 "(a) The North Carolina Industrial Commission is hereby  
17 constituted a court for the purpose of hearing and passing upon  
18 tort claims against the State Board of Education, the Board of  
19 Transportation, and all other departments, institutions and  
20 agencies of the State. The Industrial Commission shall determine  
21 whether or not each individual claim arose as a result of the  
22 negligence of any officer, employee, involuntary servant or agent  
23 of the State while acting within the scope of his office,  
24 employment, service, agency or authority, under circumstances  
25 where the State of North Carolina, if a private person, would be  
26 liable to the claimant in accordance with the laws of North  
27 Carolina. Negligence, within this section, is the failure to use  
28 ordinary care in following a duty imposed by law, whether the  
29 duty is for the benefit of a specific person or of the general  
30 public. If the Commission finds that there was such negligence  
31 on the part of an officer, employee, involuntary servant or agent  
32 of the State while acting within the scope of his office,  
33 employment, service, agency or authority, which was the proximate  
34 cause of the injury and that there was no contributory negligence  
35 on the part of the claimant or the person in whose behalf the  
36 claim is asserted, the Commission shall determine the amount of  
37 damages which the claimant is entitled to be paid, including  
38 medical and other expenses, and by appropriate order direct the  
39 payment of such damages by the department, institution or agency  
40 concerned, but in no event shall the amount of damages awarded  
41 exceed the sum of one hundred fifty thousand dollars (\$150,000)  
42 cumulatively to all claimants on account of injury and damage to  
43 any one person. Community colleges and technical colleges shall  
44 be deemed State agencies for purposes of this Article. The fact

1 that a claim may be brought under more than one Article under  
2 this Chapter shall not increase the foregoing maximum liability  
3 of the State."

5 **OFFICIAL COMMENTS**

6 Section 14. The Revisor of Statutes shall cause to be  
7 printed along with this act the following statement to the  
8 official Comment for G.S. 1A-1, Rule 5(b):

9 "To be considered by the presiding judge on a motion calendar  
10 for a Monday, for example, a brief or memorandum must be served  
11 by the close of business on the preceding Wednesday. The rule  
12 does not require the filing of a brief or memorandum; it only  
13 governs instances in which a brief or memorandum is filed. The  
14 rule would not preclude a party from providing the judge with  
15 copies of cases or statutes at the hearing."

17 **EFFECTIVE DATE**

18 Section 15. Sections 1 through 9 of this act become  
19 effective October 1, 1998 and apply to actions filed on or after

21 are effective when they become law. Section 12 of this act

**MEMORANDUM**

**TO:** Senator Roy Cooper, Chair, Senate Judiciary Committee

**FROM:** O. Walker Reagan, Committee Co-Counsel

**RE:** **PROPOSED COMMITTEE SUBSTITUTE FOR SENATE BILL 1277 - CIVIL  
PROCEDURE RULES CHANGES - Senator Dalton - S1277-CSRU-002**

The Proposed Committee Substitute for Senate Bill 1277 incorporates some of the recommendations of the Civil Procedures Study Commission. The bill makes changes to the Rules of Civil Procedure to reduce the time required to dispose of civil actions and to simplify pretrial and trial procedures. The bill extends the life of a civil summons to 60 days, allows for service by private mail service, allows service of pleadings and papers by fax, requires advance service of briefs, allows video deposition by attorney's employee, requires informal mediation of discovery disputes, simplifies preservation of exceptions to rulings, allows default judgment without hearing, requires greater notice of temporary restraining orders (TRO's), and extends the Civil Procedures Study Commission to 2001 and increases the membership from 18 to 24 members, and clarifies the public duty doctrine under the Torts Claims Act.

**Section 1** of the bill amends Rule 4(c) to extend the life of a civil summons from 30 to 60 days to allow for additional time for the summons to be served reducing the paperwork and time by the clerk to endorse the summons to extend the time.

**Section 2** amends Rule 4(j) to allow as an optional method of service of process, delivery by a private delivery service, like Federal Express or UPS. Service must be evidenced by a delivery receipt and must be made by a company certified by the Administrative Office of the Courts. Sections 2.1, 2.2, and 2.3 make conforming changes to other statutes to reflect this new method of service, including proof of services statutes.

**Section 3** amends Rule 5(b) to broaden the methods of service of pleadings and papers to allow service on the opposite attorney by fax during normal business hours.

**Section 4** amends Rule 5 by adding a new subsection to require that a brief or memorandum in support of a motion must serve on the adverse party at least two business days prior to the scheduled hearing when the brief or memorandum will be presented and the

MEMORANDUM  
S1277 - PCS Summary  
Page 2

adverse party must serve their brief at least the day before the hearing, unless the judge allows otherwise or the parties otherwise consent.

Section 4.1 amends Rule 7(b) to require that motion shall state with reasonable particularity the grounds for the motion.

**Section 5** amends Rule 28(c) to permit a videotaped deposition to be taken by an attorney's employee provided notice of the person and the relationship with the attorney is given to the opposite attorney at the time of the notice of the taking of the deposition.

**Section 6** amends Rule 37(a) to require that before applying for an order compelling discovery, the moving party must confer with, or make a good faith attempt to confer with, the party failing to make discovery in order to obtain the information sought. The motion seeking an order to compel discovery must include a certification of the efforts or attempted efforts to confer.

**Section 7** amends Rule 46(b) and (c) to clarify that no formal objection or exception is required to any court ruling, other than on evidentiary matters, including pretrial rulings, interlocutory orders, trial rulings or other orders. However to preserve the exception for appellate review, a party must present the court with a request, objection or motion that sets out the specific grounds for the ruling the party desires the court to make when the party has an opportunity to do so. Rule 46(c) is repealed to avoid a conflict with the Rules of Appellate Procedure (Rule 10(b)(2)) which requires formal objection to jury instructions to preserve the exceptions on appeal.

**Section 8** amends Rule 55(b) to allow judgment by default to be entered by a court without a hearing when the motion for judgment by default specifically notifies the other party that the court will decide the motion without a hearing unless the other party files a written response stating the grounds for opposing the motion within 30 days of service of the motion, and the other party fails to respond within the time.

**Section 9** amends Rule 65(b) to only allow a temporary restraining order to be issued without notice to the opposite party when the moving party shows that immediate and irreparable harm will result before the other party can be heard, and the moving party's attorney certifies in writing to the court the efforts, if any, made to give notice to the other party, and the reasons supporting why the notice should not be required. This change will conform to the current Federal Rule 65.

**Sections 10, 11, and 12** would extend (retroactively) the life of the Civil Procedure Study Commission to February 1, 2001 (from April 1, 1998), would increase the membership from 18 to 24 members (2 additional members appointed each by the President ProTemp, the Speaker, and the Chief Justice), and allocates \$25,000 of the funds appropriated to the General Assembly to fund the study.

**Section 13** would clarify the relationship between the Torts Claims Act and the "public duty doctrine" by stating specifically that the negligence applicable under this law is the

MEMORANDUM  
S1277 - PCS Summary  
Page 3

failure to use ordinary care in following a duty imposed by law, whether the duty is for the benefit of a specific person or of the general public.

Section 14 requires the Revisor of Statutes to add to the official Comment for Rule 5(b) explaining the meaning of the requirement to serve briefs in advance of a motion hearing.

The changes to the Rules would be effective October 1, 1998 and would apply to actions filed on or after that date. The changes to Commission would be effective when the bill becomes law and the funding would be approved effective July 1, 1998. Changes to the Torts Claim Act would be effective October 1, 1998 and would apply to claims pending on or after that date.

43 if there is no reliable information concerning the location of  
44 the party then in a newspaper circulated in the county where the

1 action is pending. If the party's post-office address is known or  
2 can with reasonable diligence be ascertained, there shall be  
3 mailed to the party at or immediately prior to the first  
4 publication a copy of the notice of service of process by  
5 publication. The mailing may be omitted if the post-office  
6 address cannot be ascertained with reasonable diligence. Upon  
7 completion of such service there shall be filed with the court an  
8 affidavit showing the publication and mailing in accordance with  
9 the requirements of G.S. 1-75.10(2), the circumstances warranting  
10 the use of service by publication, and information, if any,  
11 regarding the location of the party served.

12 The notice of service of process by publication shall (i)  
13 designate the court in which the action has been commenced and  
14 the title of the action, which title may be indicated  
15 sufficiently by the name of the first plaintiff and the first  
16 defendant; (ii) be directed to the defendant sought to be served;  
17 (iii) state either that a pleading seeking relief against the  
18 person to be served has been filed or has been required to be  
19 filed therein not later than a date specified in the notice; (iv)  
20 state the nature of the relief being sought; (v) require the  
21 defendant being so served to make defense to such pleading within  
22 40 days after a date stated in the notice, exclusive of such  
23 date, which date so stated shall be the date of the first  
24 publication of notice, or the date when the complaint is required  
25 to be filed, whichever is later, and notify the defendant that  
26 upon his failure to do so the party seeking service of process by  
27 publication will apply to the court for the relief sought; (vi)  
28 in cases of attachment, state the information required by G.S. 1-  
29 440.14; (vii) be subscribed by the party seeking service or his  
30 attorney and give the post-office address of such party or his  
31 attorney; and (viii) be substantially in the following form:

32 NOTICE OF SERVICE OF PROCESS BY PUBLICATION

34 In the \_\_\_\_\_ Court

35 [Title of action or special proceeding] To [Person to be served]:

38 19 \_\_\_\_ ) in the above-entitled (action) (special proceeding). The  
39 nature of the relief being sought is as follows:  
40 (State nature).

41 You are required to make defense to such pleading not later  
42 than (\_\_\_\_\_, 19 \_\_\_\_ ) and upon your failure to do so the

3 \_\_\_\_\_ (Address)".

4 Section 2.2. G.S. 1A-1, Rule 4(j2) reads as rewritten:  
5 "(j2) Proof of service. -- Proof of service of process shall  
6 be as follows:

7 (1) Personal Service. -- Before judgment by default may  
8 be had on personal service, proof of service must  
9 be provided in accordance with the requirements of  
10 G.S. 1-75.10(1).

11 (2) Registered or Certified Mail, Mail or Private  
12 Delivery Service. -- Before judgment by default may  
13 be had on service by registered or certified mail,  
14 mail or by private delivery service with delivery  
15 receipt, the serving party shall file an affidavit  
16 with the court showing proof of such service in  
17 accordance with the requirements of ~~G.S.~~  
18 ~~1-75.10(4)~~ G.S. 1-75.10(4) or G.S. 1-75.10(5), as  
19 appropriate. This affidavit together with the  
20 return or delivery receipt signed by the person who  
21 received the mail or delivery if not the addressee  
22 raises a presumption that the person who received  
23 the mail or delivery and signed the receipt was an  
24 agent of the addressee authorized by appointment or  
25 by law to be served or to accept service of process  
26 or was a person of suitable age and discretion  
27 residing in the addressee's dwelling house or usual  
28 place of abode. In the event the presumption  
29 described in the preceding sentence is rebutted by  
30 proof that the person who received the receipt at  
31 the addressee's dwelling house or usual place of  
32 abode was not a person of suitable age and  
33 discretion residing therein, the statute of  
34 limitation may not be pleaded as a defense if the  
35 action was initially commenced within the period of  
36 limitation and service of process is completed  
37 within 60 days from the date the service is  
38 declared invalid. Service shall be complete on the  
39 day the summons and complaint are delivered to the  
40 address.

41 (3) Publication. -- Before judgment by default may be  
42 had on service by publication, the serving party  
43 shall file an affidavit with the court showing the  
44 circumstances warranting the use of service by

1 publication, information, if any, regarding the  
2 location of the party served which was used in  
3 determining the area in which service by  
4 publication was printed and proof of service in  
5 accordance with G.S. 1-75.10(2)."

6 Section 2.3. G.S. 1-75.10 reads as rewritten:

7 "§ 1-75.10. Proof of service of summons, defendant appearing in  
8 action.

9 Where the defendant appears in the action and challenges the  
10 service of the summons upon him, proof of the service of process  
11 shall be as follows:

15 lawful process officer in this State where the  
16 defendant was found, by the officer's  
17 certificate thereof, showing place, time and  
18 manner of service; or

19 b. If served by any other person, his affidavit  
20 thereof, showing place, time and manner of  
21 service; his qualifications to make service  
22 under Rule 4(a) or Rule 4(j3) of the Rules of  
23 Civil Procedure; that he knew the person  
24 served to be the party mentioned in the  
25 summons and delivered to and left with him a  
26 copy; and if the defendant was not personally  
27 served, he shall state in such affidavit when,  
28 where and with whom such copy was left. If  
29 such service is made outside this State, the  
30 proof thereof may in the alternative be made  
31 in accordance with the law of the place where  
32 such service is made.

33 (2) Service of Publication. -- In the case of  
34 publication, by the affidavit of the publisher or  
35 printer, or his foreman or principal clerk,  
36 showing the same and specifying the date of the  
37 first and last publication, and an affidavit of  
38 mailing of a copy of the complaint or notice, as  
39 the case may require, made by the person who mailed  
40 the same.

41 (3) Written Admission of Defendant. -- The written  
42 admission of the defendant, whose signature or the  
43 subscription of whose name to such admission shall  
44 be presumptive evidence of genuineness.

(4) Service by Registered or Certified Mail. -- In the case of service by registered or certified mail, by affidavit of the serving party averring:

a. That a copy of the summons and complaint was deposited in the post office for mailing by registered or certified mail, return receipt requested;

15

16 DISCOVERY DISPUTES (RULE 37)

17 Section 7. G.S. 1A-1, Rule 37(a) reads as rewritten:

18 "(a) Motion for order compelling discovery. -- A party, upon  
19 reasonable notice to other parties and all persons affected

21 (1) Appropriate Court. -- An application for an order  
22 to a party or a deponent who is not a party may be  
23 made to a judge of the court in which the action is  
24 pending, or, on matters relating to a deposition  
25 where the deposition is being taken in this State,  
26 to a judge of the court in the county where the  
27 deposition is being taken, as defined by Rule  
28 30(h).

29 (2) Motion. -- If a deponent fails to answer a question  
30 propounded or submitted under Rules 30 or 31, or a  
31 corporation or other entity fails to make a  
32 designation under Rule 30(b)(6) or 31(a), or a  
33 party fails to answer an interrogatory submitted  
34 under Rule 33; or if a party, in response to a  
35 request for inspection submitted under Rule 34,  
36 fails to respond that inspection will be permitted  
37 as requested or fails to permit inspection as  
38 requested, the discovering party may move for an  
39 order compelling an answer, or a designation, or an  
40 order compelling inspection in accordance with the  
41 request. The motion must include a certification  
42 that the movant has in good faith conferred or  
43 attempted to confer with the person or party  
44 failing to make the discovery in an effort to

1        secure the information or material without court  
2        action. When taking a deposition on oral  
3        examination, the proponent of the question shall  
4        complete the examination on all other matters  
5        before he adjourns the examination in order to  
6        apply for an order. If the court denies the motion  
7        in whole or in part, it may make such protective  
8        order as it would have been empowered to make on a  
9        motion made pursuant to Rule 26(c).

10        (3) Evasive or Incomplete Answer. -- For purposes of  
11        this subdivision an evasive or incomplete answer is

14        granted, the court shall, after opportunity for  
15        hearing, require the party or deponent whose

18        moving party the reasonable expenses incurred in  
19        obtaining the order, including attorney's fees,  
20        unless the court finds that the opposition to the  
21        motion was substantially justified or that other  
22        circumstances make an award of expenses unjust.

23        If the motion is denied, the court shall,  
24        after opportunity for hearing, require the moving  
25        party to pay to the party or deponent who opposed  
26        the motion the reasonable expenses incurred in  
27        opposing the motion, including attorney's fees,  
28        unless the court finds that the making of the  
29        motion was substantially justified or that other  
30        circumstances make an award of expenses unjust.

31        If the motion is granted in part and denied in  
32        part, the court may apportion the reasonable  
33        expenses incurred in relation to the motion among  
34        the parties and persons in a just manner."

36 **DEFAULT JUDGMENT WITHOUT HEARING (RULE 55(b))**

37        Section 8. G.S. 1A-1, Rule 55(b) reads as rewritten:

38        "(b) Judgment. -- Judgment by default may be entered as  
39        follows:

40        (1) By the Clerk. -- When the plaintiff's claim against  
41        a defendant is for a sum certain or for a sum which  
42        can by computation be made certain, the clerk upon  
43        request of the plaintiff and upon affidavit of the  
44        amount due shall enter judgment for that amount and

1 costs against the defendant, if ~~he~~ the defendant  
2 has been defaulted for failure to appear and if ~~he~~  
3 the defendant is not an infant or incompetent  
4 person. A verified pleading may be used in lieu of  
5 an affidavit when the pleading contains information  
6 sufficient to determine or compute the sum certain.

7 In all cases wherein, pursuant to this rule, the  
8 clerk enters judgment by default upon a claim for  
9 debt which is secured by any pledge, mortgage, deed  
10 of trust or other contractual security in respect  
11 of which foreclosure may be had, or upon a claim to  
12 enforce a lien for unpaid taxes or assessments  
13 under G.S. 105-414, the clerk may likewise make all  
14 further orders required to consummate foreclosure  
15 in accordance with the procedure provided in  
16 Article 29A of Chapter 1 of the General Statutes,  
17 entitled "Judicial Sales."

18 (2) By the Judge. --

19 a. In all other cases the party entitled to a  
20 judgment by default shall apply to the judge  
21 therefor; but no judgment by default shall be  
22 entered against an infant or incompetent  
23 person unless represented in the action by a  
24 guardian ad litem or other such representative  
25 who has appeared therein. If the party against  
26 whom judgment by default is sought has  
27 appeared in the action, ~~he~~ that party (or, if  
28 appearing by representative, ~~he~~ his the  
29 representative) shall be served with written  
30 notice of the application for judgment at  
31 least three days prior to the hearing on such  
32 application. If, in order to enable the judge  
33 to enter judgment or to carry it into effect,  
34 it is necessary to take an account or to  
35 determine the amount of damages or to  
36 establish the truth of any averment by  
37 evidence or to take an investigation of any  
38 other matter, the judge may conduct such  
39 hearings or order such references as ~~he~~ the  
40 judge deems necessary and proper and shall  
41 accord a right of trial by jury to the parties  
42 when and as required by the Constitution or by  
43 any statute of North Carolina. If the  
44 plaintiff seeks to establish paternity under

Article 3 of Chapter 49 of the General Statutes and the defendant fails to appear, the judge shall enter judgment by default.

b. A motion for judgment by default may be decided by the court without a hearing if:

1. The motion specifically provides that the court may decide the motion for judgment by default without a hearing if the party against whom judgment is sought fails to serve a written response, stating the grounds for opposing the motion, within 30 days of service of the motion; and
2. The party against whom judgment is sought fails to serve the response in accordance with this sub-subdivision."

ENHANCED NOTICE FOR TEMPORARY RESTRAINING ORDER (RULE 65)

Section 9. G.S. 1A-1, Rule 65(b) reads as rewritten:

"(b) Temporary restraining order; notice; hearing; duration. -- A temporary restraining order may be granted without written or oral notice to the adverse party or that party's attorney only if (i) it clearly appears from specific facts shown by affidavit or by verified complaint that immediate and irreparable injury, loss, or damage will result to the applicant before notice can be served and a hearing had thereon, the adverse party or that party's attorney can be heard in opposition, and (ii) the applicant's attorney certifies to the court in writing the efforts, if any, that have been made to give the notice and the reasons supporting the claim that notice should not be required. Every temporary restraining order granted without notice shall be endorsed with the date and hour of issuance; shall be filed forthwith in the clerk's office and entered of record; shall define the injury and state why it is irreparable and why the order was granted without notice; and shall expire by its terms within such time after entry, not to exceed 10 days, as the judge fixes, unless within the time so fixed the order, for good cause shown, is extended for a like period or unless the party against whom the order is directed consents that it may be extended for a longer period. The reasons for the extension shall be entered of record. In case a temporary restraining order is granted without notice and a motion for a preliminary injunction is made, it shall be set down for hearing at the earliest possible time and takes precedence over all matters except older matters of the same character; and when the motion comes on for hearing, the

1 party who obtained the temporary restraining order shall proceed  
2 with a motion for a preliminary injunction, and, if he does not  
3 do so, the judge shall dissolve the temporary restraining order.  
4 On two days' notice to the party who obtained the temporary  
5 restraining order without notice or on such shorter notice to  
6 that party as the judge may prescribe, the adverse party may  
7 appear and move its dissolution or modification and in that event  
8 the judge shall proceed to hear and determine such motion as  
9 expeditiously as the ends of justice require. Damages may be  
10 awarded in an order for dissolution as provided in section (e)."

11  
12 **CLARIFY PUBLIC DUTY DOCTRINE AND THE TORTS CLAIMS ACT**

13 Section 10. G.S. 143-291(a) reads as rewritten:

14 "(a) The North Carolina Industrial Commission is hereby  
15 constituted a court for the purpose of hearing and passing upon  
16 tort claims against the State Board of Education, the Board of  
17 Transportation, and all other departments, institutions and  
18 agencies of the State. The Industrial Commission shall determine  
19 whether or not each individual claim arose as a result of the  
20 negligence of any officer, employee, involuntary servant or agent  
21 of the State while acting within the scope of his office,  
22 employment, service, agency or authority, under circumstances  
23 where the State of North Carolina, if a private person, would be  
24 liable to the claimant in accordance with the laws of North  
25 Carolina. Negligence, within this section, is the failure to use  
26 ordinary care in following a duty imposed by law, whether the  
27 duty is for the benefit of a specific person or of the general  
28 public. If the Commission finds that there was such negligence  
29 on the part of an officer, employee, involuntary servant or agent  
30 of the State while acting within the scope of his office,  
31 employment, service, agency or authority, which was the proximate  
32 cause of the injury and that there was no contributory negligence  
33 on the part of the claimant or the person in whose behalf the  
34 claim is asserted, the Commission shall determine the amount of  
35 damages which the claimant is entitled to be paid, including  
36 medical and other expenses, and by appropriate order direct the  
37 payment of such damages by the department, institution or agency  
38 concerned, but in no event shall the amount of damages awarded  
39 exceed the sum of one hundred fifty thousand dollars (\$150,000)  
40 cumulatively to all claimants on account of injury and damage to  
41 any one person. Community colleges and technical colleges shall  
42 be deemed State agencies for purposes of this Article. The fact  
43 that a claim may be brought under more than one Article under

1 this Chapter shall not increase the foregoing maximum liability  
2 of the State."

4 OFFICIAL COMMENTS

5 Section 11. The Revisor of Statutes shall cause to be  
6 printed along with this act the following statement to the  
7 official Comment for G.S. 1A-1, Rule 5(b):

8 "To be considered by the presiding judge on a motion calendar  
9 for a Monday, for example, a brief or memorandum must be served  
10 by the close of business on the preceding Monday. The rule does  
11 not require the filing of a brief or memorandum; it only governs  
12 instances in which a brief or memorandum is filed. The rule  
13 would not preclude a party from providing the judge with copies  
14 of cases or statutes at the hearing."

15 This addition to the official Comment shall only be for  
16 annotation purposes and shall not be construed to be the law.

1 A BILL TO BE ENTITLED  
2 AN ACT TO MODIFY THE RIGHTS OF A DECEDENT'S SPOUSE AND TO  
3 PERMIT NOTICE TO CREDITORS IN SUMMARY ADMINISTRATION OF  
4 ESTATES.

5 The General Assembly of North Carolina enacts:

6 Section 1. Article 1 of Chapter 30 of the General Statutes is repealed.

7 Section 2. Chapter 30 of the General Statutes is amended by adding a  
8 new Article to read:

9 "ARTICLE 1A.

10 "Elective Share.

11 "**§ 30-3.1. Right of elective share.**

12 (a) Elective Share. -- The surviving spouse of a decedent who dies domiciled in  
13 this State has a right to claim an 'elective share', which means an amount equal to (i)  
14 the applicable share of the Total Net Assets, as defined in G.S. 30-3.2(c), less (ii) the  
15 value of Property Passing to Surviving Spouse, as defined in G.S. 30-3.3(a). The  
16 applicable share of the Total Net Assets is as follows:

17 (1) If the decedent is not survived by any lineal descendants, one-half  
18 of the Total Net Assets.

19 (2) If the decedent is survived by one child, or lineal descendants of  
20 one deceased child, one-half of the Total Net Assets.

21 (3) If the decedent is survived by two or more children, or by one or  
22 more children and the lineal descendants of one or more deceased

children, or by the lineal descendants of two or more deceased children, one-third of the Total Net Assets.

(b) Reduction of Applicable Share. -- In those cases in which the surviving spouse is a second or successive spouse, and the decedent has one or more lineal descendants surviving by a prior marriage but there are no lineal descendants surviving by the surviving spouse, the applicable share as determined in subsection (a) of this section shall be reduced by one-half.

(c) Minimum Applicable Share. -- In no event shall the applicable share of the Total Net Assets be less than twenty-five thousand dollars (\$25,000).

(d) Death Taxes. -- Death taxes shall be taken into account as a claim against the estate in determining Total Net Assets only to the extent that such taxes are increased because the assets received by the surviving spouse do not qualify for the federal estate tax marital deduction pursuant to section 2056 of the Code, the North Carolina exemption from inheritance and estate tax pursuant to G.S. 105-3(10) and (11), or similar provisions under the laws of any other applicable taxing jurisdiction.

**"§ 30-3.2. Definitions.**

(a) 'Code' means the Internal Revenue Code in effect at the time of the decedent's death.

(b) 'Death taxes' means any estate, inheritance, succession, and similar taxes imposed by any taxing authority, reduced by any applicable credits against those taxes.

(c) 'Total Net Assets' means, after the payment or provision for payment of the decedent's funeral expenses, year's allowances to persons other than to the surviving spouse, debts, claims, and administration expenses, the sum of the following:

- (1) All property to which the decedent had legal and equitable title immediately prior to death;
- (2) All property received by the decedent's personal representative by reason of the decedent's death;
- (3) All proceeds of insurance on the life of the decedent of which the decedent is the owner, or which is payable to the surviving spouse;
- (4) One-half of the value of any property held by the decedent and the surviving spouse as tenants by the entirety, or as joint tenants with rights of survivorship;
- (5) The entire value of any property held by the decedent and another person, other than the surviving spouse, as joint tenants with right of survivorship, except to the extent that contribution can be proven by clear and convincing evidence;
- (6) The value of any property which would be included in the taxable estate of the decedent pursuant to sections 2033, 2035, 2036, 2037, 2038, 2039, 2040, or 2042 of the Code;
- (7) Any donative transfers of property made by the decedent to donees other than the surviving spouse within three years of the decedent's death, excluding:

- 1                   a.     Any gifts within the annual exclusion provisions of section  
2                         2503 of the Code; and  
3                   b.     Any gifts to which the surviving spouse consented. A  
4                         signing of a deed, or income or gift tax return reporting such  
5                         gift shall be considered consent;  
6           (8)   Any proceeds of any individual retirement account, pension or  
7                   profit-sharing plan, or any private or governmental retirement plan  
8                   or annuity of which the decedent controlled the designation of  
9                   beneficiary, excluding any benefits under the federal social security  
10                  system;  
11           (9)   Any other Property Passing to Surviving Spouse under G.S. 30-3.3;  
12                  and  
13           (10) In case of overlapping application of the same property under  
14                  more than one provision, the property shall be included only once  
15                  under the provision yielding the greatest value.  
16   (d) 'Nonadverse trustee' means a trustee who would be deemed nonadverse under  
17 section 672 of the Code.  
18 **"§ 30-3.3. Property Passing to Surviving Spouse.**  
19   (a) Property Passing to Surviving Spouse. -- For purposes of this Article,  
20 'Property Passing to Surviving Spouse' means the sum of the following:  
21           (1)   One-half of the value of any property held by the decedent and the  
22                  surviving spouse as tenants by the entirety or as joint tenants with  
23                  rights of survivorship;  
24           (2)   The value of any interest in property (outright or in trust,  
25                  including any interest subject to a general power of appointment  
26                  held by the surviving spouse, as defined in section 2041 of the  
27                  Code) devised by the decedent to the surviving spouse, or which  
28                  passes to the surviving spouse by intestacy, or by beneficiary  
29                  designation, or by exercise of or in default of the exercise of the  
30                  decedent's testamentary general or limited power of appointment,  
31                  or by operation of law or otherwise by reason of the decedent's  
32                  death, excluding any benefits under the federal social security  
33                  system;  
34           (3)   Any year's allowance awarded to the surviving spouse;  
35           (4)   The value of any interest in property, outright or in trust,  
36                  renounced by the surviving spouse;  
37           (5)   The value of the surviving spouse's interest, outright or in trust, in  
38                  any life insurance proceeds on the life of the decedent; and  
39           (6)   The value of any interest in property, outright or in trust,  
40                  transferred from the decedent to the surviving spouse during the  
41                  lifetime of the decedent for which (i) a gift tax return is timely  
42                  filed reporting such gift, or (ii) the surviving spouse signs a  
43                  statement acknowledging such a gift. For purposes of this  
44                  subdivision, any gift to the surviving spouse by the decedent of the

decedent's interest in any property held by the decedent and the surviving spouse as tenants by the entirety or as joint tenants with right of survivorship shall be valued at one-half of the entire value of that property at the time the gift is made.

(b) Special Rule for Spousal Trusts. -- Where the interest in property passing to the surviving spouse is held in trust for the exclusive benefit of the surviving spouse during the surviving spouse's lifetime, and where the trust authorizes a Nonadverse Trustee to utilize the principal and income of the trust for the support and maintenance of the surviving spouse, then the entire value of the trust shall be treated as passing to the surviving spouse.

(c) Death Taxes. -- The value of Property Passing to Surviving Spouse shall be reduced by any death taxes that are a charge against or apportioned against the surviving spouse on property interests included in Property Passing to Surviving Spouse.

(d) No Duplication. -- In case of overlapping application of the same property under more than one provision, the property shall be included only once, under the provision yielding the greatest value.

**"§ 30-3.4. Procedure for determining the elective share.**

(a) Exercisable Only During Lifetime. -- The right of the surviving spouse to file a claim for an elective share must be exercised during the lifetime of the surviving spouse, by the surviving spouse, the surviving spouse's agent under a power of attorney, or the guardian of the surviving spouse's estate. If a surviving spouse dies before the claim for an elective share has been settled, the surviving spouse's personal representative shall succeed to the surviving spouse's rights to an elective share.

(b) Time Limitations. -- A claim for an elective share must be made within six months after the issuance of letters testamentary or letters of administration by (i) filing a petition with the clerk of superior court of the county in which the primary administration of the decedent's estate lies, and (ii) mailing or delivering a copy of that petition to the personal representative of the decedent's estate. A surviving spouse's incapacity shall not toll the six-month period of limitations.

(c) Time for Hearing. -- Unless waived by the personal representative and the surviving spouse, the clerk shall set the matter for hearing no earlier than two months and no later than six months after the filing of the petition. However, the clerk may extend the time of hearing as the clerk sees fit. The clerk shall give notice of the hearing to the surviving spouse, personal representative, and to any person described in G.S. 30-3.5 who may be required to contribute toward the satisfaction of the elective share.

(d) Preparation of Tax Form. -- In every case in which a petition to determine an elective share has been filed, and within two months of the filing of the petition, the personal representative shall prepare and submit to the clerk a proposed Form 706, federal estate tax return, for the estate, regardless of whether that form is required to be filed with the Internal Revenue Service. The clerk may extend the time for submission of the proposed Form 706 as the clerk sees fit.

1 (e) Valuation. -- The valuation of interests in property for purposes of G.S. 30-3.2  
2 and G.S. 30-3.3 shall be determined as follows:

3 (1) Basic principles. -- Each interest shall be valued at its fair market  
4 value, reduced by all liens, claims, or encumbrances against the  
5 interest. For interests passing at the decedent's death, valuation  
6 shall be as of the date of death, and for interests transferred during  
7 the decedent's lifetime, valuation shall be as of the date of transfer.

8 (2) Valuation of partial and contingent interests in property. -- The  
9 valuation of interests in property, outright or in trust, which are  
10 limited to commence or terminate upon the death of one or more  
11 persons, upon the expiration of a period of time, or upon the  
12 occurrence of one or more contingencies, shall be determined by  
13 computations based upon the mortuary and annuity tables set forth  
14 in G.S. 8-46 and G.S. 8-47, and upon the basis of six percent (6%)  
15 of the gross value of the underlying property in which those  
16 interests are limited. However, in valuing interests passing to the  
17 surviving spouse, the following special rules apply:

18 a. Except as provided in G.S. 30-3.3(b), to the extent that the  
19 interest is dependent upon the exercise of discretion by a  
20 fiduciary, the interest shall have no value unless the spouse  
21 is serving as that fiduciary and the power to distribute the  
22 trust property constitutes a general power of appointment  
23 held by the spouse, as defined in section 2041 of the Code;

24 b. To the extent that the interest is dependent upon the  
25 occurrence of any contingency that is not subject to the  
26 control of the surviving spouse and that is not subject to  
27 valuation by reference to the mortuary and annuity tables  
28 set forth in G.S. 8-46 and G.S. 8-47, the contingency will be  
29 conclusively presumed to result in the lowest possible value  
30 passing to the surviving spouse. However, a life estate or  
31 income interest that will terminate only upon the earlier of  
32 the surviving spouse's death or remarriage will be valued  
33 without regard to the possibility of termination upon  
34 remarriage; and

35 c. To the extent that the valuation of an interest is dependent  
36 upon the life expectancy of the surviving spouse, that life  
37 expectancy shall be conclusively presumed to be no less  
38 than 10 years, regardless of the actual attained age of the  
39 surviving spouse at the decedent's death.

40 (3) Determination of fair market value. -- The fair market value of  
41 each asset comprising Total Net Assets shall be determined as  
42 follows:

43 a. Probate assets and assets passing to spouse. -- The value of  
44 each probate asset and Property Passing to Surviving

Spouse, other than assets held in trust, shall be established by the good faith agreement of the surviving spouse and the personal representative, unless either (i) the surviving spouse is the personal representative, or (ii) the clerk determines that the personal representative may not be able to represent the estate adversely to the surviving spouse.

b. Trust assets. -- The value of each trust asset shall be established by good faith agreement of the surviving spouse and the trustee, unless either (i) the surviving spouse is the trustee, or (ii) the clerk determines that the trustee may not be able to represent the trust adversely to the surviving spouse.

c. Other assets. -- The value of any other asset shall be established by the good faith agreement of the surviving spouse and each person described in G.S. 30-3.5 who may be required to contribute toward the satisfaction of the elective share because of that person's interest in the asset, unless the clerk determines that valuation under sub-subdivision d. of this subdivision is more appropriate.

d. Use of disinterested persons. -- If the value of any asset is not established by agreement, the clerk shall appoint one or more qualified and disinterested persons to determine a value of each asset. That determination of the value of an asset shall be final for the exclusive purposes of this Article.

(f) Findings and Conclusions. -- After notice and hearing, the clerk shall determine whether or not the surviving spouse is entitled to an elective share, and if so, the clerk shall then determine the elective share and shall order the personal representative to transfer that amount to the surviving spouse. The clerk's order shall recite specific findings of fact and conclusions of law in arriving at the decedent's Total Net Assets, Property Passing to Surviving Spouse, and the elective share.

(g) Appeals. -- Any party in interest may appeal from the decision of the clerk to the superior court, and in such event the procedure shall be the same as in other special proceedings as now provided by law. If an appeal is taken from the decision of the clerk, that appeal shall have the effect of staying the judgment and order of the clerk until the cause is heard and determined by the superior court upon the appeal taken. Upon an appeal taken from the clerk to the superior court, the judge may review the findings of fact by the clerk and may find the facts or take other evidence, but the facts found by the judge shall be final and conclusive upon any appeal to the Appellate Division.

**"§ 30-3.5. Recovery of assets by personal representative.**

(a) Recovery of Assets. -- The personal representative is entitled to recover proportionately from all persons, other than the surviving spouse, receiving or in possession of any of the decedent's Total Net Assets a sufficient amount to enable the personal representative to pay the elective share. The apportionment shall be made

1 in the proportion that the value of the interest of each person receiving or in  
2 possession of any of Total Net Assets bears to Total Net Assets, excluding any  
3 Property Passing to Surviving Spouse. The only persons subject to contribution to  
4 make up the elective share are (i) original recipients of property comprising the  
5 decedent's Total Net Assets, and subsequent gratuitous inter vivos donees or persons  
6 claiming by testate or intestate succession to the extent those persons have the  
7 property or its proceeds on or after the date of decedent's death, and (ii) a fiduciary,  
8 as to the property under the fiduciary's control at or after the time a fiduciary  
9 receives notice that a surviving spouse has claimed an elective share. A fiduciary  
10 shall not be considered to have notice until it receives notice at its address as shown  
11 in the decedent's estate papers in the clerk's office or, if there are no such papers or  
12 no such address is shown in those papers, at the fiduciary's residence or the office of  
13 its registered agent.

14 The personal representative may withhold from any property of the decedent in  
15 his possession, distributable to any person subject to apportionment, the amount of  
16 the elective share apportioned to such person. If the property in possession of the  
17 personal representative and distributable to any person subject to apportionment is  
18 insufficient to satisfy the proportionate amount of the elective share determined to be  
19 due from that person, the personal representative may recover the deficiency from  
20 that person. If the property is not in possession of the personal representative, the  
21 personal representative may recover from the person the amount of the elective share  
22 apportioned to that person in accordance with this Article. If the personal  
23 representative cannot reasonably collect from any person subject to apportionment  
24 the amount of the elective share apportioned to that person, the amount not  
25 reasonably recoverable shall, with the approval of the clerk, be apportioned among  
26 the other persons who are subject to apportionment. The apportionment shall be  
27 made in the proportion that the value of the interest of each remaining person bears  
28 to the total value of the interests of all remaining persons.

29 (b) Standstill Order. -- After the filing of the petition demanding an elective  
30 share, either the personal representative or surviving spouse may request the clerk to  
31 issue an order that any recipients not dispose of any of the decedent's Total Net  
32 Assets pending the hearing. The decision to issue such an order shall be in the  
33 discretion of the clerk.

34 (c) Satisfaction of Liability. -- A person receiving or in possession of any of the  
35 decedent's Total Net Assets may pay his proportionate elective share liability with  
36 respect to that property by any of the following methods:

- 37 (1) Conveyance of the property included in the decedent's Total Net  
38 Assets;
- 39 (2) Payment of the value of his liability in cash or, upon agreement of  
40 the surviving spouse, other property; or
- 41 (3) Partial conveyance and partial payment under subdivisions (1) and  
42 (2) of this subsection, provided the value conveyed and paid is  
43 equal to his liability.

(d) In case of election to take a life estate in lieu of an intestate ~~share, share or elective share~~, as provided in either G.S. 29-14, 29-21, or ~~30-3(a), 30-3.3(a)~~, the clerk of superior court, with whom the notice of election has been filed, shall summon and appoint a jury of three disinterested persons who being first duly sworn shall promptly allot and set apart to the surviving spouse the life estate provided for in subsection (a) and make a final report of such action to the clerk.

(e) The final report shall be filed by the jury not more than 60 days after the summoning and appointment thereof, shall be signed by all jurors, and shall describe by metes and bounds the real estate in which the surviving spouse shall have been allotted and set aside a life estate. It shall be filed as a record of court and a certified copy thereof shall be filed and recorded in the office of the register of deeds of each county in which any part of the real property of the deceased spouse, affected by the allotment, is located.

(f) In the election and procedure to have the life estate allotted and set apart provided for in this section, the rules of procedure relating to partition proceedings shall apply except insofar as the same would be inconsistent with the provisions of this section.

(g) Neither the household furnishings in the dwelling house nor the life estates taken by election under this section shall be subject to the payment of debts due from the estate of the deceased spouse, except those debts secured by such property as follows:

- (1) By a mortgage or deed of trust in which the surviving spouse has waived his or her rights by joining with the other spouse in the making thereof; or
- (2) By a purchase money mortgage or deed of trust, or by a conditional sales contract of personal property in which title is retained by the vendor, made prior to or during the marriage; or
- (3) By a mortgage or deed of trust made prior to the marriage; or
- (4) By a mortgage or deed of trust constituting a lien on the property at the time of its acquisition by the deceased spouse either before or during the marriage.

(h) If no election is made in the manner and within the time provided for in subsection (c) the surviving spouse shall be conclusively deemed to have waived his or her right to elect to take under the provisions of this section, and any interest which the surviving spouse may have had in the real estate of the deceased spouse by virtue of this section shall terminate."

Section 4. G.S. 30-15 reads as rewritten:

**"§ 30-15. When spouse entitled to allowance.**

Every surviving spouse of an intestate or of a testator, whether or not he has ~~petitioned for an elective share, dissented from the will,~~ shall, unless he has forfeited his right thereto, as provided by law, be entitled, out of the personal property of the deceased spouse, to an allowance of the value of ten thousand dollars (\$10,000) for his support for one year after the death of the deceased spouse. Such allowance shall be exempt from any lien, by judgment or execution, acquired against the property of

1 the deceased spouse, and shall, in cases of testacy, be charged against the share of  
2 the surviving spouse."

3 Section 5. G.S. 31-5.3 reads as rewritten:

4 **"§ 31-5.3. Will not revoked by marriage; dissent from will made prior to marriage.**

5 A will is not revoked by a subsequent marriage of the maker; and the surviving  
6 spouse may ~~dissent from such~~ petition for an elective share when there is a will made  
7 prior to the marriage in the same manner, upon the same conditions, and to the same  
8 extent, as a surviving spouse may ~~dissent from~~ petition for an elective share when  
9 there is a will made subsequent to marriage."

10 Section 6. G.S. 31A-1(b) reads as rewritten:

11 "(b) The rights lost as specified in subsection (a) of this section shall be as follows:

- 12 (1) All rights of intestate succession in the estate of the other spouse;
- 13 (2) All right to claim or succeed to a homestead in the real property of  
14 the other spouse;
- 15 (3) All right to ~~dissent from the will~~ petition for an elective share of  
16 the estate of the other spouse and take either the elective intestate  
17 share provided or the life interest in lieu thereof;
- 18 (4) All right to any year's allowance in the personal property of the  
19 other spouse;
- 20 (5) All right to administer the estate of the other spouse; and
- 21 (6) Any rights or interests in the property of the other spouse which by  
22 a settlement before or after marriage were settled upon the  
23 offending spouse solely in consideration of the marriage."

24 Section 7. G.S. 31C-3 reads as rewritten:

25 **"§ 31C-3. Disposition of community property upon death.**

26 Upon death of a married person, one half of the property to which this Chapter  
27 applies is the property of the surviving spouse and is not subject to testamentary  
28 disposition by the decedent or distribution under the laws or succession of this State.  
29 One half of that property is the property of the decedent and is subject to  
30 testamentary disposition or distribution under the laws of succession of this State.  
31 With respect to property to which this Chapter applies, the one half of the property  
32 of the decedent is not subject to the surviving spouse's right to ~~dissent from the will~~  
33 petition for an elective share under the provisions of Article 4 ~~1A~~ of Chapter 30, and  
34 is not subject to the right to elect a life estate under the provisions of Article 8 of  
35 Chapter 29."

36 Section 8. G.S. 84-5(2) reads as rewritten:

- 37 "(2) When any of the following acts are to be performed in connection  
38 with the fiduciary activities of such a corporation, said acts shall be  
39 performed for the corporation by a duly licensed attorney, not a  
40 salaried employee of the corporation, retained to perform legal  
41 services required in connection with the particular estate, trust or  
42 other fiduciary matter:

43 a. Offering wills for probate.

- b. Preparing and publishing notice of administration to creditors.

9 "ARTICLE 1A.  
10 "Elective Share.  
11 "§ 30-3.1. Right of elective share.  
12 (a) Elective Share. -- The surviving spouse of a decedent who  
13 dies domiciled in this State has a right to claim an 'elective  
14 share', which means an amount equal to (i) the applicable share  
15 of the Total Net Assets, as defined in G.S. 30-3.2(c), less (ii)  
16 the value of Property Passing to Surviving Spouse, as defined in  
17 G.S. 30-3.3(a). The applicable share of the Total Net Assets is  
18 as follows:  
19 (1) If the decedent is not survived by any lineal  
20 descendants, one-half of the Total Net Assets.

1       (2) If the decedent is survived by one child, or lineal  
2       descendants of one deceased child, one-half of the  
3       Total Net Assets.

4       (3) If the decedent is survived by two or more  
5       children, or by one or more children and the lineal  
6       descendants of one or more deceased children, or by  
7       the lineal descendants of two or more deceased  
8       children, one-third of the Total Net Assets.

9       (b) Reduction of Applicable Share. -- In those cases in which  
10      the surviving spouse is a second or successive spouse, and the  
11      decedent has one or more lineal descendants surviving by a prior  
12      marriage but there are no lineal descendants surviving by the  
13      surviving spouse, the applicable share as determined in  
14      subsection (a) or (c) of this section shall be reduced by one-  
15      half.

16      (c) Minimum Applicable Share. -- In no event shall the  
17      applicable share of the Total Net Assets be less than twenty-five  
18      thousand dollars (\$25,000).

19      (d) Death Taxes. -- Death taxes shall be taken into account as  
20      a claim against the estate in determining Total Net Assets only  
21      to the extent that such taxes are increased because the assets  
22      received by the surviving spouse do not qualify for the federal  
23      estate tax marital deduction pursuant to section 2056 of the  
24      Code, the North Carolina exemption from inheritance and estate  
25      tax pursuant to G.S. 105-3(10) and (11), or similar provisions  
26      under the laws of any other applicable taxing jurisdiction.

29      time of the decedent's death.

30      ~~(b) 'Death taxes' means any estate, inheritance, succession,~~

32      applicable credits against those taxes.

33      (c) 'Total Net Assets' means, after the payment or provision  
34      for payment of the decedent's funeral expenses, year's allowances

37              (1) All property to which the decedent had legal and  
38              equitable title immediately prior to death;

40              representative by reason of the decedent's death,  
41              other than wrongful death proceeds;

42              (3) All proceeds of insurance on the life of the  
43              decedent of which the decedent is the owner, or  
44              which is payable to the surviving spouse;

- 1       (4) One-half of the value of any property held by the  
2       decedent and the surviving spouse as tenants by the  
3       entirety, or as joint tenants with rights of  
4       survivorship;
- 5       (5) The entire value of any property held by the  
6       decedent and another person, other than the  
7       surviving spouse, as joint tenants with right of

9       contribution can be proven by clear and convincing  
10      evidence by the surviving tenant;
- 11      (6) The value of any property which would be included  
12      in the taxable estate of the decedent pursuant to

- 19          a. Any gifts within the annual exclusion  
20          provisions of section 2503 of the Code; and  
21          b. Any gifts to which the surviving spouse  
22          consented. A signing of a deed, or income or  
23          gift tax return reporting such gift shall be  
24          considered consent;
- 25      (8) Any proceeds of any individual retirement account,  
26      pension or profit-sharing plan, or any private or

32      under G.S. 30-3.3; and
- 33      (10) In case of overlapping application of more than one  
34      subdivision of this subsection to same property,  
35      the property shall be included only once under the  
36      subdivision yielding the greatest value.
- 37      (d) 'Nonadverse trustee' means a trustee who would be deemed  
38      nonadverse under section 672 of the Code.
- 39      "§ 30-3.3. Property Passing to Surviving Spouse.  
40      (a) Property Passing to Surviving Spouse. -- For purposes of  
41      this Article, 'Property Passing to Surviving Spouse' means the  
42      sum of the following:
- 43          (1) One-half of the value of any property held by the  
44          decedent and the surviving spouse as tenants by the

- 1            entirety or as joint tenants with rights of  
2            survivorship;
- 3            (2) The value of any interest in property (outright or  
4            in trust, including any interest subject to a  
5            general power of appointment held by the surviving  
6            spouse, as defined in section 2041 of the Code)  
7            devised by the decedent to the surviving spouse, or  
8            which passes to the surviving spouse by intestacy,  
9            or by beneficiary designation, or by exercise of or  
10           in default of the exercise of the decedent's  
11           testamentary general or limited power of  
12           appointment, or by operation of law or otherwise by  
13           reason of the decedent's death, excluding any  
14           benefits under the federal social security system;
- 15           (3) Any year's allowance awarded to the surviving  
16           spouse;
- 17           (4) The value of any interest in property, outright or  
18           in trust, renounced by the surviving spouse;
- 19           (5) The value of the surviving spouse's interest,  
20           outright or in trust, in any life insurance  
21           proceeds on the life of the decedent; and
- 22           (6) The value of any interest in property, outright or  
23           in trust, transferred from the decedent to the  
24           surviving spouse during the lifetime of the  
25           decedent for which (i) a gift tax return is timely  
26           filed reporting such gift, or (ii) the surviving  
27           spouse signs a statement acknowledging such a gift.  
28           For purposes of this subdivision, any gift to the  
29           surviving spouse by the decedent of the decedent's  
30           interest in any property held by the decedent and  
31           the surviving spouse as tenants by the entirety or  
32           as joint tenants with right of survivorship shall  
33           be valued at one-half of the entire value of that  
34           property at the time the gift is made.
- 35           (b) Special Rule for Spousal Trusts. -- Where the interest in  
36           property passing to the surviving spouse is held in trust for the  
37           exclusive benefit of the surviving spouse during the surviving  
38           spouse's lifetime, and where the trust authorizes a Nonadverse  
39           Trustee to utilize the principal and income of the trust for the  
40           support and maintenance of the surviving spouse, then the entire  
41           value of the trust shall be treated as passing to the surviving  
42           spouse.
- 43           (c) Death Taxes. -- The value of Property Passing to Surviving  
44           Spouse shall be reduced by any death taxes that are a charge

1 against or apportioned against the surviving spouse on property  
2 interests included in Property Passing to Surviving Spouse.

3 (d) No Duplication. -- In case of overlapping application of  
4 more than one subdivision of subsection (a) of this section to  
5 the same property, the property shall be included only once under  
6 the subdivision yielding the greatest value.

7 "§ 30-3.4. Procedure for determining the elective share.

8 (a) Exercisable Only During Lifetime. -- The right of the  
9 surviving spouse to file a claim for an elective share must be  
10 exercised during the lifetime of the surviving spouse, by the  
11 surviving spouse, the surviving spouse's agent under a power of  
12 attorney, or the guardian of the surviving spouse's estate. If a  
13 surviving spouse dies before the claim for an elective share has  
14 been settled, the surviving spouse's personal representative  
15 shall succeed to the surviving spouse's rights to an elective  
16 share.

17 (b) Time Limitations. -- A claim for an elective share must be  
18 made within six months after the issuance of letters testamentary  
19 or letters of administration by (i) filing a petition with the  
20 clerk of superior court of the county in which the primary  
21 administration of the decedent's estate lies, and (ii) mailing or  
22 delivering a copy of that petition to the personal representative  
23 of the decedent's estate. A surviving spouse's incapacity shall  
24 not toll the six-month period of limitations.

25 (c) Time for Hearing. -- Unless waived by the personal  
26 representative and the surviving spouse, the clerk shall set the  
27 matter for hearing no earlier than two months and no later than  
28 six months after the filing of the petition. However, the clerk  
29 may extend the time of hearing as the clerk sees fit. The clerk  
30 shall give notice of the hearing to the surviving spouse,  
31 personal representative, and to any person described in G.S. 30-  
32 3.5 who may be required to contribute toward the satisfaction of  
33 the elective share.

34 (d) Preparation of Tax Form. -- In every case in which a  
35 petition to determine an elective share has been filed, and  
36 within two months of the filing of the petition, the personal  
37 representative shall prepare and submit to the clerk a proposed  
38 Form 706, federal estate tax return, for the estate, regardless  
39 of whether that form is required to be filed with the Internal  
40 Revenue Service. The clerk may extend the time for submission of  
41 the proposed Form 706 as the clerk sees fit.

42 (e) Valuation. -- The valuation of interests in property for  
43 purposes of G.S. 30-3.2 and G.S. 30-3.3 shall be determined as  
44 follows:

(1) Basic principles. -- Each interest shall be valued at its fair market value, reduced by all liens, claims, or encumbrances against the interest. For interests passing at the decedent's death, valuation shall be as of the date of death, and for interests transferred during the decedent's lifetime, valuation shall be as of the date of transfer.

(2) Valuation of partial and contingent interests in property. -- The valuation of interests in property, outright or in trust, which are limited to commence or terminate upon the death of one or more persons, upon the expiration of a period of time, or upon the occurrence of one or more contingencies, shall be determined by computations based upon the mortuary and annuity tables set forth in G.S. 8-46 and G.S. 8-47, and upon the basis of six percent (6%) of the gross value of the underlying property in which those interests are limited. However, in valuing interests passing to the surviving spouse, the following special rules apply:

a. Except as provided in G.S. 30-3.3(b), to the extent that the interest is dependent upon the exercise of discretion by a fiduciary, the interest shall have no value unless the spouse is serving as that fiduciary and the power to distribute the trust property constitutes a general power of appointment held by the spouse, as defined in section 2041 of the Code;

b. To the extent that the interest is dependent upon the occurrence of any contingency that is not subject to the control of the surviving spouse and that is not subject to valuation by reference to the mortuary and annuity tables set forth in G.S. 8-46 and G.S. 8-47, the contingency will be conclusively presumed to result in the lowest possible value passing to the surviving spouse. However, a life estate or income interest that will terminate only upon the earlier of the surviving spouse's death or remarriage will be valued without

1           regard to the possibility of termination upon  
2           remarriage; and

3           c. To the extent that the valuation of an  
4           interest is dependent upon the life expectancy  
5           of the surviving spouse, that life expectancy  
6           shall be conclusively presumed to be no less  
7           than 10 years, regardless of the actual  
8           attained age of the surviving spouse at the  
9           decedent's death.

10           (3) Determination of fair market value. -- The fair  
11           market value of each asset comprising Total Net  
12           Assets shall be determined as follows:

13           a. Probate assets and assets passing to spouse.  
14           -- The value of each probate asset and  
15           Property Passing to Surviving Spouse, other  
16           than assets held in trust, shall be  
17           established by the good faith agreement of the  
18           surviving spouse and the personal  
19           representative, unless either (i) the  
20           surviving spouse is the personal  
21           representative, or (ii) the clerk determines  
22           that the personal representative may not be  
23           able to represent the estate adversely to the  
24           surviving spouse.

25           b. Trust assets. -- The value of each trust asset  
26           shall be established by good faith agreement  
27           of the surviving spouse and the trustee,  
28           unless either (i) the surviving spouse is the  
29           trustee, or (ii) the clerk determines that the  
30           trustee may not be able to represent the trust  
31           adversely to the surviving spouse.

32           c. Other assets. -- The value of any other asset  
33           shall be established by the good faith  
34           agreement of the surviving spouse and each  
35           person described in G.S. 30-3.5 who may be  
36           required to contribute toward the satisfaction  
37           of the elective share because of that person's  
38           interest in the asset, unless the clerk  
39           determines that valuation under sub-  
40           subdivision d. of this subdivision is more  
41           appropriate.

42           d. Use of disinterested persons. -- If the value  
43           of any asset is not established by agreement,  
44           the clerk shall appoint one or more qualified

1                   and disinterested persons to determine a value  
2                   of each asset. That determination of the  
3                   value of an asset shall be final for the  
4                   purposes of this Article.

5    (f) Findings and Conclusions. -- After notice and hearing, the  
6    clerk shall determine whether or not the surviving spouse is  
7    entitled to an elective share, and if so, the clerk shall then  
8    determine the elective share and shall order the personal  
9    representative to transfer that amount to the surviving spouse.  
10   The clerk's order shall recite specific findings of fact and  
11   conclusions of law in arriving at the decedent's Total Net  
12   Assets, Property Passing to Surviving Spouse, and the elective  
13   share.

14   (g) Appeals. -- Any party in interest may appeal from the  
15   decision of the clerk to the superior court, and in such event  
16   the procedure shall be the same as in other special proceedings  
17   as now provided by law. If an appeal is taken from the decision  
18   of the clerk, that appeal shall have the effect of staying the  
19   judgment and order of the clerk until the cause is heard and  
20   determined by the superior court upon the appeal taken. Upon an  
21   appeal taken from the clerk to the superior court, the judge may  
22   review the findings of fact by the clerk and may find those facts  
23   and consider additional evidence, and the facts found by the  
24   judge shall be final and conclusive upon any appeal to the  
25   Appellate Division.

26   "§ 30-3.5. Recovery of assets by personal representative.

27   (a) Recovery of Assets. --- The personal representative is  
28   entitled to recover proportionately from all persons, other than  
29   the surviving spouse, receiving or in possession of any of the  
30   decedent's Total Net Assets a sufficient amount to enable the  
31   personal representative to pay the elective share. The  
32   apportionment shall be made in the proportion that the value of  
33   the interest of each person receiving or in possession of any of  
34   Total Net Assets bears to Total Net Assets, excluding any  
35   Property Passing to Surviving Spouse. The only persons subject  
36   to contribution to make up the elective share are (i) original  
37   recipients of property comprising the decedent's Total Net  
38   Assets, and subsequent gratuitous inter vivos donees or persons  
39   claiming by testate or intestate succession to the extent those  
40   persons have the property or its proceeds on or after the date of  
41   decedent's death, and (ii) a fiduciary, as to the property under  
42   the fiduciary's control at or after the time a fiduciary receives  
43   notice that a surviving spouse has claimed an elective share. A  
44   fiduciary shall not be considered to have notice until it

1 receives notice at its address as shown in the decedent's estate  
2 papers in the clerk's office or, if there are no such papers or  
3 no such address is shown in those papers, at the fiduciary's  
4 residence or the office of its registered agent.

5 The personal representative may withhold from any property of  
6 the decedent in his possession, distributable to any person  
7 subject to apportionment, the amount of the elective share  
8 apportioned to such person. If the property in possession of the  
9 personal representative and distributable to any person subject  
10 to apportionment is insufficient to satisfy the proportionate  
11 amount of the elective share determined to be due from that  
12 person, the personal representative may recover the deficiency  
13 from that person. If the property is not in possession of the  
14 personal representative, the personal representative may recover  
15 from the person the amount of the elective share apportioned to  
16 that person in accordance with this Article. If the personal  
17 representative cannot reasonably collect from any person subject  
18 to apportionment the amount of the elective share apportioned to  
19 that person, the amount not reasonably recoverable shall, with  
20 the approval of the clerk, be apportioned among the other persons  
21 who are subject to apportionment. The apportionment shall be  
22 made in the proportion that the value of the interest of each  
23 remaining person bears to the total value of the interests of all  
24 remaining persons.

25 (b) Standstill Order. -- After the filing of the petition  
26 demanding an elective share, either the personal representative  
27 or surviving spouse may request the clerk to issue an order that  
28 any recipients not dispose of any of the decedent's Total Net  
29 Assets pending the hearing. The decision to issue such an order  
30 shall be in the discretion of the clerk.

31 (c) Satisfaction of Liability. -- A person receiving or in  
32 possession of any of the decedent's Total Net Assets may pay his  
33 proportionate elective share liability with respect to that  
34 property by any of the following methods:

- 35 (1) Conveyance of the property included in the  
36 decedent's Total Net Assets;
- 37 (2) Payment of the value of his liability in cash or,  
38 upon agreement of the surviving spouse, other  
39 property; or
- 40 (3) Partial conveyance and partial payment under  
41 subdivisions (1) and (2) of this subsection,  
42 provided the value conveyed and paid is equal to  
43 his liability.

1 (d) Expenses. -- The expenses reasonably incurred by the  
2 personal representative in connection with the appraisal or  
3 recovery of assets shall be apportioned as provided for the  
4 elective share under this Article. If the personal  
5 representative finds that it is inequitable to apportion the  
6 expenses because those expenses were incurred because of the  
7 fault of one or more persons subject to apportionment, the  
8 personal representative may direct other more equitable  
9 apportionment, with the approval of the clerk.

10 (e) Bond. -- If property held by the personal representative  
11 is distributed prior to final apportionment of the elective  
12 share, the personal representative may require the distributee to  
13 provide a bond or other security for the apportionment liability  
14 in the form and amount prescribed by the personal representative,  
15 with the approval of the clerk.

16 "§ 30-3.6. Waiver of rights."

17 (a) The right of a surviving spouse to claim an elective share  
18 may be waived, wholly or partially, before or after marriage,  
19 with or without consideration, by ante-nuptial agreement or a  
20 written waiver signed by the surviving spouse. The agreement or  
21 waiver may also specify which property, if any, is excluded from  
22 the operation of this statute; such specific property shall be  
23 excluded from the Total Assets of the decedent.

24 (b) A waiver is not enforceable if the surviving spouse proves  
25 that:

- 26 (1) The waiver was not executed voluntarily; or  
27 (2) The surviving spouse was not provided a fair and  
28 reasonable disclosure of the property and financial  
29 obligations of the decedent, unless the surviving  
30 spouse waived, in writing, the right to that  
31 disclosure."

32 Section 3. G.S. 29-30 reads as rewritten:

33 "§ 29-30. Election of surviving spouse to take life interest in  
34 lieu of intestate share provided.

35 (a) In lieu of the intestate share provided in G.S. 29-14 or  
36 29-21, G.S. 29-21, or of the elective share provided in G.S. 30-  
37 3.1, the surviving spouse of an intestate or the surviving spouse  
38 who dissents from the will of a testator has petitioned for an  
39 elective share shall be entitled to take as his or her intestate  
40 share or elective share a life estate in one third in value of  
41 all the real estate of which the deceased spouse was seised and  
42 possessed of an estate of inheritance at any time during  
43 coverture, except that real estate as to which the surviving  
44 spouse:

- 1 (1) Has waived his or her rights by joining with the
- 2 other spouse in a conveyance thereof, or
- 3 (2) Has ~~release~~ released or quitclaimed his or her
- 4 interest therein in accordance with G.S. 52-10, or
- 5 (3) Was not required by law to join in conveyance
- 6 thereof in order to bar the elective life estate,
- 7 or
- 8 (4) Is otherwise not legally entitled to the election
- 9 provided in this section.

10 (b) Regardless of the value thereof and despite the fact that a  
11 life estate therein might exceed the fractional limitation  
12 provided for in subsection (a), the life estate provided for in  
13 subsection (a) shall at the election of the surviving spouse  
14 include a life estate in the usual dwelling house occupied by the  
15 surviving spouse at the time of the death of the deceased spouse  
16 if such dwelling house ~~were~~ was owned by the deceased spouse at  
17 the time of his or her death, together with the outbuildings,  
18 improvements and easements thereunto belonging or appertaining,  
19 and lands upon which situated and reasonably necessary to the use  
20 and enjoyment thereof, as well as a fee simple ownership in the  
21 household furnishings therein.

22 (c) The election provided for in subsection (a) shall be made  
23 by the filing of a notice thereof with the clerk of the superior  
24 court of the county in which the administration of the estate is  
25 pending, or, if no administration is pending, then with the clerk  
26 of the superior court of any county in which the administration  
27 of the estate could be commenced. Such election shall be made:

- 28 (1) ~~At any time within one month after the expiration~~  
29 ~~of the time fixed for the filing of a dissent, the~~  
30 ~~petition for elective share under Article 1A of~~  
31 ~~Chapter 30, or~~
- 32 (2) In case of intestacy, then within 12 months after  
33 the death of the deceased spouse if letters of  
34 administration are not issued within that period,  
35 or
- 36 (3) If letters of administration are issued within 12  
37 months after the date of the death of the deceased  
38 spouse, then within one month after the expiration  
39 of the time limited for filing claims against the  
40 estate, or
- 41 (4) If litigation that affects the share of the  
42 surviving spouse in the estate is pending, then  
43 ~~within such reasonable time as may be allowed by~~  
44 ~~written order of the clerk of the superior court.~~

1 The notice of election shall:

- 2 (1) Be directed to the clerk with whom filed;
- 3 (2) State that the surviving spouse making the same  
4 elects to take under this section rather than under  
5 the provisions of G.S. 29-14 or 29-21, G.S. 29-14,  
6 29-21, or 30-3.1, as applicable;
- 7 (3) Set forth the names of all heirs, devisees,  
8 legatees, personal representatives and all other  
9 persons in possession of or claiming an estate or  
10 an interest in the property described in subsection  
11 (a); and
- 12 (4) Request the allotment of the life estate provided  
13 for in subsection (a).

14 The notice of election may be in person, or by attorney  
15 authorized in a writing executed and duly acknowledged by the  
16 surviving spouse and attested by at least one witness. If the  
17 surviving spouse is a minor or an incompetent, the notice of  
18 election may be executed and filed by a general guardian or by  
19 the guardian of the person or estate of the minor or incompetent  
20 spouse. If the minor or incompetent spouse has no guardian, the  
21 notice of election may be executed and filed by a next friend  
22 appointed by the clerk. The notice of election, whether in person  
23 or by attorney, shall be filed as a record of the court, and a  
24 summons together with a copy of the notice shall be served upon  
25 each of the interested persons named in the notice of election.

26 (d) In case of election to take a life estate in lieu of an  
27 intestate ~~share, share or elective share,~~ as provided in either  
28 ~~G.S. 29-14, 29-21, or 30-3(a), 30-3.3(a),~~ the clerk of superior

30 ~~summon and appoint a jury of three disinterested persons who~~  
31 being first duly sworn shall promptly allot and set apart to the  
32 surviving spouse the life estate provided for in subsection (a)  
33 and make a final report of such action to the clerk.

34 (e) The final report shall be filed by the jury not more than  
35 60 days after the summoning and appointment thereof, shall be  
36 signed by all jurors, and shall describe by metes and bounds the  
37 real estate in which the surviving spouse shall have been  
38 allotted and set aside a life estate. It shall be filed as a  
39 record of court and a certified copy thereof shall be filed and  
40 recorded in the office of the register of deeds of each county in  
41 which any part of the real property of the deceased spouse,  
42 affected by the allotment, is located.

43 (f) ~~In the election and procedure to have the life estate~~  
44 allotted and set apart provided for in this section, the rules

1 of procedure relating to ~~partition~~ partitioning proceedings shall  
2 apply except insofar as the same would be inconsistent with the  
3 provisions of this section.

4 (g) Neither the household furnishings in the dwelling house nor  
5 the life estates taken by election under this section shall be  
6 subject to the payment of debts due from the estate of the  
7 deceased spouse, except those debts secured by such property as  
8 follows:

9 (1) By a mortgage or deed of trust in which the  
10 surviving spouse has waived his or her rights by  
11 joining with the other spouse in the making  
12 thereof; or

13 (2) By a purchase money mortgage or deed of trust, or  
14 by a conditional sales contract of personal  
15 property in which title is retained by the vendor,  
16 made prior to or during the marriage; or

17 (3) By a mortgage or deed of trust made prior to the  
18 marriage; or

19 (4) By a mortgage or deed of trust constituting a lien  
20 on the property at the time of its acquisition by  
21 the deceased spouse either before or during the  
22 marriage.

23 (h) If no election is made in the manner and within the time  
24 provided for in subsection (c) the surviving spouse shall be  
25 conclusively deemed to have waived his or her right to elect to  
26 take under the provisions of this section, and any interest which  
27 the surviving spouse may have had in the real estate of the  
28 deceased spouse by virtue of this section shall terminate."

29 Section 4. G.S. 30-15 reads as rewritten:

30 "§ 30-15. When spouse entitled to allowance.

*An Act to Modify the Rights of a Decedent's Spouse:  
The Elective Share Statute*

North Carolina law currently provides a widow or widower (surviving spouse) with a minimum share of the deceased spouse's (decedent's) probate assets via the dissent statute (Article 1 of Chapter 30 of the General Statutes). The current statute does not take into account the non-probate assets of the decedent, and can operate very inconsistently as discussed more fully below. This bill addresses the failure of the dissent statute and the Intestate Succession Act (Chapter 29 of the General Statutes) to provide a surviving spouse with rights to a decedent's probate and non-probate property in a fair and consistent manner.

*The Treatment of Non-probate Property*

The dissent statute and Intestate Succession Act provide a decedent's spouse with certain rights in the decedent's property. The dissent statute applies if the decedent dies with a will; the Intestate Succession Act applies if the decedent dies without a will. Both statutes appear to have been enacted to prevent the decedent from disinheriting his or her spouse and to protect the spouse against the loss of support upon the decedent's death.

Each statute, however, gives the spouse rights only to the decedent's probate property. Probate property is generally all property that the decedent owns other than non-probate property. Non-probate property includes life insurance, IRAs, employee retirement plan accounts, annuities, revocable or "living" trusts, irrevocable trusts, and property owned jointly with one or more other persons with right of survivorship.

Both statutes were enacted in 1959. Since then, the "non-probate revolution" has occurred. Federal tax and employee benefit law has encouraged huge investments of wealth in employee qualified retirement plan accounts, IRAs, tax-deferred annuities and life insurance, all of which are non-probate property. At the same time, an increased awareness of the costs, publicity and delay imposed by court jurisdiction over probate property has motivated many people to transfer large amounts of property into revocable or "living" trusts and joint with right of survivorship property.

Today, it is commonplace for a decedent to die owning a substantial amount of non-probate property, yet very little probate property. However, neither the Intestate Succession Act nor the dissent statute provides a decedent's spouse with any rights in the decedent's non-probate property. Accordingly, a decedent can bypass his or her spouse and leave all his or her property to someone else by placing all the property in non-probate form: either owning it jointly with the non-spousal beneficiaries with right of survivorship; or investing it in life insurance, annuities, IRAs, employee benefit plan accounts; or irrevocable trusts that designate the non-spousal persons as beneficiaries.

The elective share statute restores to the surviving spouse the protection that the dissent statute and Intestate Succession Act originally intended to provide. The elective share statute gives the

surviving spouse the right to an "elective share" of the decedent's "Total Net Assets", whether the decedent dies with or without a will.

### *How Much Property the Surviving Spouse May Claim*

The current dissent statute determines a surviving spouse's rights in two steps. The statute first determines whether the spouse has the right to dissent at all (§ 30-1 of the dissent statute). If the spouse has the right to dissent, then the statute determines how much probate property the spouse may receive (§ 30-3 of the dissent statute). The two steps are inconsistent. The first step takes into account the non-probate property that the spouse receives. Generally, the spouse has a right to dissent if the amount of property, probate and non-probate, that the spouse is entitled to receive is less than a threshold amount. If the spouse passes this first step and thus has the right to dissent, the second step generally gives the spouse a share of the probate property equal to the step-one threshold amount without regard to how much non-probate property the spouse receives. Because the first step takes the spouse's share of non-probate property into account and the second step does not, an anomaly results:

Example 1. Decedent dies survived by a spouse (sole marriage) and three children. Decedent owns \$600,000 of probate property and \$200,000 of non-probate property. Decedent's will leaves all the probate property to the children. All the non-probate property passes to the spouse.

Example 2. The facts are the same as Example 1 except that Decedent's probate property is worth \$600,001.

Assume that the step-one threshold amount and the step-two dissent share amount are both equal to one-third of the probate property. In Example 1, the step-one threshold is \$200,000. Decedent's spouse may not dissent, as that share is not less than the threshold amount. The spouse receives \$200,000 in non-probate property but receives none of the probate property.

In Example 2, the step-one threshold is \$200,000.33. Accordingly, Decedent's spouse may dissent. The spouse then receives not only \$200,000 in non-probate property, but also \$200,000.33 worth of the probate property, for a total of \$400,000.33.

The elective share statute avoids this unfairness by eliminating the dissent statute's first step, while maintaining a similar distribution under the second step. § 30-3.1 simply provides that a spouse always has the right to claim an elective share; and that the elective share amount is equal to a defined share of the decedent's probate and non-probate property ("Total Net Assets") reduced by the amount of probate and non-probate property that the spouse is already entitled to receive ("Property Passing to Surviving Spouse").

### *Comparing the Shares Under the Dissent Statute and the Elective Share Statute*

The elective share amount is:

1. If the decedent has no surviving descendants, one-half of Total Net Assets less Property Passing to Surviving Spouse.
2. If the decedent's only surviving descendants are either one child or the issue of one deceased child, one-half of Total Net Assets less Property Passing to Surviving Spouse.
3. Otherwise, one-third of Total Net Assets less Property Passing to Surviving Spouse.

Under the current dissent statute, if the surviving spouse has the right to dissent (passes the "step one" threshold described above) the dissent share equals:

- A. If the decedent has no surviving descendants or parents, approximately one-half of the decedent's net probate property.
- B. Otherwise, the spouse's share under the Intestate Succession Act if the decedent had died without a will. Under the Intestate Succession Act, the spouse's share equals:
  - i. If the decedent's only surviving descendants are either one child or the issue of one deceased child, approximately one-half of the decedent's net probate property.
  - ii. Otherwise, approximately one-third of the decedent's net probate property.

Thus, a similar distribution system is maintained. Like the current dissent statute, under the elective share statute, if the decedent has surviving descendants by a prior marriage and no descendants by the marriage to the surviving spouse, then the elective share amount is determined by reducing the prescribed share of Total Net Assets by one-half. (So, in #2 above, the elective share is one-fourth of Total Net Assets less Property Passing to Surviving Spouse, and in #3 one-sixth.)

42 **person making the report.**

43 When a report of abuse, neglect, or dependency is received, the Director of the  
44 Department of Social Services shall make a prompt and thorough investigation in

1 order to ascertain the facts of the case, the extent of the abuse or neglect, and the risk  
2 of harm to the juvenile, in order to determine whether protective services should be  
3 provided or the complaint filed as a petition. When the report alleges abuse, the  
4 Director shall immediately, but no later than 24 hours after receipt of the report,  
5 initiate the investigation. When the report alleges neglect or dependency, the Director  
6 shall initiate the investigation within 72 hours following receipt of the report. The  
7 investigation and evaluation shall include a visit to the place where the juvenile  
8 resides. All information received by the Department of Social Services, including the  
9 identity of the reporter, shall be held in strictest confidence by the Department.

10 When a report of a juvenile's death as a result of suspected maltreatment or a  
11 report of suspected abuse, neglect, or dependency of a juvenile is received, the  
12 Director of the Department of Social Services shall immediately ascertain if other  
13 juveniles ~~remain in the home,~~ reside in the family home of the alleged perpetrator,  
14 and, if so, initiate an investigation in order to determine whether they require  
15 protective services or whether immediate removal of the juveniles from the home is  
16 necessary for their protection.

17 If the investigation indicates that abuse, neglect, or dependency has occurred, the  
18 Director shall decide whether immediate removal of the juvenile or any other  
19 juveniles in the home is necessary for their protection. If immediate removal does not  
20 seem necessary, the Director shall immediately provide or arrange for protective  
21 services. If the parent or other caretaker refuses to accept the protective services  
22 provided or arranged by the Director, the Director shall sign a complaint seeking to  
23 invoke the jurisdiction of the court for the protection of the juvenile or juveniles.

24 If immediate removal seems necessary for the protection of the juvenile or other  
25 juveniles in the home, the Director shall sign a complaint which alleges the  
26 applicable facts to invoke the jurisdiction of the court. Where the investigation shows  
27 that it is warranted, a protective services worker may assume temporary custody of  
28 the juvenile for the juvenile's protection pursuant to Article 46 of this Chapter.

29 In performing any duties related to the investigation of the complaint or the  
30 provision or arrangement for protective services, the Director may consult with any  
31 public or private agencies or individuals, including the available State or local law-  
32 enforcement officers who shall assist in the investigation and evaluation of the  
33 seriousness of any report of abuse, neglect, or dependency when requested by the  
34 Director. The Director or the Director's representative may make a written demand  
35 for any information or reports, whether or not confidential, that may in the Director's  
36 opinion be relevant to the investigation of or the provision for protective services.  
37 Upon the Director's or the Director's representative's request and unless protected by  
38 the attorney-client privilege, any public or private agency or individual shall provide  
39 access to and copies of this confidential information and these records to the extent  
40 permitted by federal law and regulations. If a custodian of criminal investigative  
41 information or records believes that release of the information will jeopardize the  
42 right of the State to prosecute a defendant or the right of a defendant to receive a fair  
43 trial or will undermine an ongoing or future investigation, it may seek an order from  
44 a court of competent jurisdiction to prevent disclosure of the information. In such an

1 action, the custodian of the records shall have the burden of showing by a  
2 preponderance of the evidence that disclosure of the information in question will  
3 jeopardize the right of the State to prosecute a defendant or the right of a defendant  
4 to receive a fair trial or will undermine an ongoing or future investigation. Actions  
5 brought pursuant to this paragraph shall be set down for immediate hearing, and  
6 subsequent proceedings in the actions shall be accorded priority by the trial and  
7 appellate courts.

8 Within five working days after receipt of the report of abuse, neglect, or  
9 dependency, the Director shall give written notice to the person making the report,  
10 unless requested by that person not to give notice, as to whether the report was  
11 accepted for investigation and whether the report was referred to the appropriate  
12 State or local law enforcement agency.

13 Within five working days after completion of the protective services investigation,  
14 the Director shall give subsequent written notice to the person making the report,  
15 unless requested by that person not to give notice, as to whether there is a finding of  
16 abuse, neglect, or dependency, whether the county Department of Social Services is  
17 taking action to protect the juvenile, and what action it is taking, including whether  
18 or not a petition was filed. The person making the report shall be informed of  
19 procedures necessary to request a review by the prosecutor of the Director's decision  
20 not to file a petition. A request for review by the prosecutor shall be made within five  
21 working days of receipt of the second notification. The second notification shall  
22 include notice that, if the person making the report is not satisfied with the Director's  
23 decision, he may request review of the decision by the prosecutor within five working  
24 days of receipt. The person making the report may waive the person's right to this  
25 notification and no notification is required if the person making the report does not  
26 identify himself to the Director."

27 Section 3. G.S. 7A-576 reads as rewritten:

28 "**§ 7A-576. Place of secure or nonsecure custody.**

29 (a) A juvenile meeting the criteria set out in G.S. 7A-574, subsection (a), may be  
30 placed in nonsecure custody with the Department of Social Services or a person  
31 designated in the order for temporary residential placement in:

- 32 (1) A licensed foster home or a home otherwise authorized by law to  
33 provide such care or  
34 (2) A facility operated by the Department of Social Services or  
35 (3) Any other home or ~~facility~~ facility, including a relative's home,  
36 approved by the court and designated in the order.

37 In placing a juvenile in nonsecure custody under this ~~section and under G.S.~~  
38 ~~7A-629 and G.S. 7A-651, section,~~ the court shall first consider whether a relative of  
39 the juvenile is willing and able to provide proper care and supervision of the juvenile  
40 in a safe home. If the court finds that the relative is willing and able to provide  
41 proper care and supervision in a safe home, then the court shall order placement of  
42 the juvenile with the ~~relative.~~ relative unless the court finds that the placement is  
43 contrary to the best interests of the juvenile. ~~Prior to placement~~ Placement of a

1 juvenile with a relative outside of this ~~State, the placement~~ State must be in  
2 accordance with the Interstate Compact on the Placement of Children.

3 (b) A juvenile meeting the criteria set out in G.S. 7A-574(b) may be temporarily  
4 detained in an approved county detention home or a regional detention facility which  
5 shall be separate from any jail, lockup, prison, or other adult penal institution. It shall  
6 be unlawful for a county or any unit of government to operate a juvenile detention  
7 home unless the facility meets the standards promulgated by the Department of  
8 Health and Human Services."

9 Section 4. G.S. 7A-577 reads as rewritten:

10 "**§ 7A-577. Hearing to determine need for continued secure or nonsecure custody.**

11 (a) No juvenile shall be held under a secure custody order for more than five  
12 calendar days or under a nonsecure custody order for more than seven calendar days,  
13 without a hearing on the merits or a hearing to determine the need for continued  
14 custody. A hearing on secure custody conducted under this subsection may not be  
15 continued or waived. A hearing on nonsecure custody conducted under this  
16 subsection may be continued for up to 10 business days with the consent of the  
17 juvenile's parent, guardian, or custodian, and, if appointed, the juvenile's guardian ad  
18 litem. In addition, the court may require the consent of additional parties or may  
19 schedule the hearing on nonsecure custody despite a party's consent to a  
20 continuance. In every case in which an order has been entered by an official  
21 exercising authority delegated pursuant to G.S. 7A-573, a hearing to determine the  
22 need for continued custody shall be conducted on the day of the next regularly  
23 scheduled session of district court in the city or county where the order was entered  
24 if such session precedes the expiration of the applicable time period set forth in this  
25 subsection: Provided, that if such session does not precede the expiration of the time  
26 period, the hearing may be conducted at another regularly scheduled session of  
27 district court in the district where the order was entered.

28 (b) Any juvenile who is alleged to be delinquent shall be advised of the right to  
29 have legal representation as provided in G.S. 7A-584 if the juvenile appears without  
30 counsel at the hearing.

31 (c) At a hearing to determine the need for continued custody, the judge shall  
32 receive testimony and shall allow the juvenile, and the juvenile's parent, guardian, or  
33 custodian an opportunity to introduce evidence, to be heard in their own behalf, and  
34 to examine witnesses. The State shall bear the burden at every stage of the  
35 proceedings to provide clear and convincing evidence that restraints on the juvenile's  
36 liberty are necessary and that no less intrusive alternative will suffice. The judge shall  
37 not be bound by the usual rules of evidence at such hearings.

38 (d) The judge shall be bound by criteria set forth in G.S. 7A-574 in determining  
39 whether continued custody is warranted.

40 (e) The judge shall impose the least restrictive interference with the liberty of a  
41 juvenile who is released from secure custody including:

42 (1) Release on the written promise of the juvenile's parent, guardian,  
43 or custodian to produce the juvenile in court for subsequent  
44 proceedings; or

- 1 (2) Release into the care of a responsible person or organization; or
- 2 (3) Release conditioned on restrictions on activities, associations,
- 3 residence or travel if reasonably related to securing the juvenile's
- 4 presence in court; or
- 5 (4) Any other conditions reasonably related to securing the juvenile's
- 6 presence in court.

7 (f) If the judge determines that the juvenile meets the criteria in G.S. 7A-574 and  
8 should continue in custody, the judge shall issue an order to that effect. The order  
9 shall be in writing with appropriate findings of fact. The findings of fact shall include  
10 the evidence relied upon in reaching the decision and the purposes which continued  
11 custody is to achieve.

12 (g) Pending a hearing on the merits, further hearings to determine the need for  
13 continued secure custody shall be held at intervals of no more than seven calendar  
14 days. A subsequent hearing on continued nonsecure custody shall be held within  
15 seven business days, excluding Saturdays, Sundays, and legal holidays, of the initial  
16 hearing required in subsection (a) of this section and hearings thereafter shall be held  
17 at intervals of no more than 30 calendar days.

18 (g1) Hearings conducted under subsection (g) of this section may be waived as  
19 follows:

- 20 (1) In the case of a juvenile alleged to be delinquent, only with the
- 21 consent of the juvenile, through counsel for the juvenile; and
- 22 (2) In the case of a juvenile alleged to be abused, neglected, or
- 23 dependent, only with the consent of the juvenile's parent,
- 24 guardian, or custodian, and, if appointed, the juvenile's guardian
- 25 ad litem.

26 The court may require the consent of additional parties or schedule a hearing  
27 despite a party's consent to waiver.

28 ~~(h) Any order authorizing the continued nonsecure custody of a juvenile who is~~  
29 ~~alleged to be abused, neglected, or dependent shall include findings as to whether~~  
30 ~~reasonable efforts have been made to prevent or eliminate the need for placement of~~  
31 ~~the juvenile in custody and may provide for services or other efforts aimed at~~  
32 ~~returning the juvenile promptly to a safe home. A finding that reasonable efforts have~~  
33 ~~not been made shall not preclude the entry of an order authorizing continued~~  
34 ~~nonsecure custody when the court finds that continued nonsecure custody is~~  
35 ~~necessary for the protection of the juvenile. Where efforts to prevent the need for the~~  
36 ~~juvenile's placement were precluded by an immediate threat of harm to the juvenile,~~  
37 ~~the court may find that the placement of the juvenile in the absence of such efforts~~  
38 ~~was reasonable. If the court finds through written findings of fact that efforts to~~  
39 ~~eliminate the need for placement of the juvenile in custody clearly would be futile or~~  
40 ~~would be inconsistent with the juvenile's safety and need for a safe, permanent home~~  
41 ~~within a reasonable period of time, then the court shall specify in its order that~~  
42 ~~reunification efforts are not required or order that reunification efforts cease.~~

43 (i) At each hearing to determine the need for continued nonsecure custody, the  
44 court shall:

- (1) Inquire as to the identity and location of any missing parent. The court shall include findings as to the efforts undertaken to locate the missing parent and to serve that parent. The order may provide for specific efforts aimed at determining the identity and location of any missing parent;
- (2) Inquire as to whether a relative of the juvenile is willing and able to provide proper care and supervision of the juvenile in a safe home. If the court finds that the relative is willing and able to provide proper care and supervision in a safe home, then the court shall order temporary placement of the juvenile with the ~~relative~~. relative unless the court finds that the placement is contrary to the best interests of the juvenile. Prior to placement Placement of a juvenile with a relative outside of this State, ~~the placement~~ State must be in accordance with the Interstate Compact on the Placement of Children; and
- (3) Inquire as to whether there are other juveniles remaining in the home from which the juvenile was removed and, if there are, inquire as to the specific findings of the investigation conducted under G.S. 7A-544 and any actions taken or services provided by the Director for the protection of the other juveniles."

Section 4.1. Article 46 of Chapter 7A of the General Statutes is amended by adding the following new section to read:

**"§ 7A-577.1. Reasonable efforts.**

**(a) An order placing or continuing the placement of a juvenile in the custody or placement responsibility of a county department of social services, whether an order for continued nonsecure custody, a dispositional order, or a review order:**

- (1) Shall contain a finding that the juvenile's continuation in or return to the juvenile's own home would be contrary to the juvenile's best interest;
- (2) Shall contain findings as to whether a county department of social services has made reasonable efforts to prevent or eliminate the need for placement of the juvenile, unless the court has previously determined under subsection (b) of this section that such efforts are not required or shall cease;
- (3) Shall contain findings as to whether a county department of social services should continue to make reasonable efforts to prevent or eliminate the need for placement of the juvenile, unless the court has previously determined or determines under subsection (b) of this section that such efforts are not required or shall cease;
- (4) Shall specify that the juvenile's placement and care are the responsibility of the county department of social services and that the agency is to provide or arrange for the foster care or other placement of the juvenile; and

1           (5) May provide for services or other efforts aimed at returning the  
2           juvenile to a safe home or at achieving another permanent plan for  
3           the juvenile.

4 A finding that reasonable efforts have not been made by a county department of  
5 social services shall not preclude the entry of an order authorizing the juvenile's  
6 placement when the court finds that placement is necessary for the protection of the  
7 juvenile. Where efforts to prevent the need for the juvenile's placement were  
8 precluded by an immediate threat of harm to the juvenile, the court may find that the  
9 placement of the juvenile in the absence of such efforts was reasonable.

10       (b) In any order placing a juvenile in the custody or placement responsibility of a  
11 county department of social services, whether an order for continued nonsecure  
12 custody, a dispositional order, or a review order, the court may direct that reasonable  
13 efforts to eliminate the need for placement of the juvenile shall not be required or  
14 shall cease if the court makes written findings of fact that:

15           (1) Such efforts clearly would be futile or would be inconsistent with  
16           the juvenile's health, safety, and need for a safe, permanent home  
17           within a reasonable period of time;

18           (2) A court of competent jurisdiction has determined that the parent  
19           has subjected the child to aggravated circumstances as defined in  
20           G.S. 7A-517(3a);

21           (3) A court of competent jurisdiction has terminated involuntarily the  
22           parental rights of the parent to another child of the parent; or

23           (4) A court of competent jurisdiction has determined that: the parent  
24           has committed murder or voluntary manslaughter of another child  
25           of the parent; has aided, abetted, attempted, conspired, or solicited  
26           to commit murder or voluntarily manslaughter of the child or  
27           another child of the parent; or has committed a felony assault  
28           resulting in serious bodily injury to the child or another child of  
29           the parent.

30       (c) At any hearing at which the court finds that reasonable efforts to eliminate the  
31 need for the juvenile's placement are not required or shall cease, the court shall  
32 direct that a permanency planning hearing as required by G.S. 7A-657.1 be held  
33 within 30 calendar days after the date of the hearing and, if practicable, shall set the  
34 date and time for the permanency planning hearing.

35       (d) In determining reasonable efforts to be made with respect to a juvenile and in  
36 making such reasonable efforts, the juvenile's health and safety shall be the  
37 paramount concern. Reasonable efforts to preserve or reunify families may be made  
38 concurrently with efforts to plan for the juvenile's adoption, to place the juvenile  
39 with a legal guardian, or to place the juvenile in another permanent arrangement."

40       Section 5. G.S. 7A-629 reads as rewritten:

41       "**§ 7A-629. Adjudicatory hearing.**

42       The adjudicatory hearing shall be held in the district at such time and place as the  
43 chief district judge shall ~~designate~~ designate but no later than 60 days from the filing  
44 of the petition, unless the judge pursuant to G.S. 7A-632 orders that it be held at a

1 later time. The judge may exclude the public from the hearing unless the juvenile  
2 moves that the hearing be open, which motion shall be granted."

3 Section 6. G.S. 7A-647 reads as rewritten:

4 "**§ 7A-647. Dispositional alternatives for delinquent, undisciplined, abused, neglected,**  
5 **or dependent juvenile.**

6 The following alternatives for disposition shall be available to any judge exercising  
7 jurisdiction, and the judge may combine any of the applicable alternatives when he  
8 finds such disposition to be in the best interest of the juvenile:

9 (1) The judge may dismiss the case, or continue the case in order to  
10 allow the juvenile, parent, or others to take appropriate action.

11 (2) In the case of any juvenile who needs more adequate care or  
12 supervision or who needs placement, the judge may:

13 a. Require that he be supervised in his own home by the  
14 Department of Social Services in his county, a court  
15 counselor or other personnel as may be available to the  
16 court, subject to conditions applicable to the parent or the  
17 juvenile as the judge may specify; or

18 b. Place him in the custody of a parent, relative, private agency  
19 offering placement services, or some other suitable person;  
20 or

21 c. Place him in the custody of the Department of Social  
22 Services in the county of his residence, or in the case of a  
23 juvenile who has legal residence outside the State, in the  
24 physical custody of the Department of Social Services in the  
25 county where he is found so that agency may return the  
26 juvenile to the responsible authorities in his home state. The  
27 Director may, unless otherwise ordered by the judge,  
28 arrange for, provide, or consent to, needed routine or  
29 emergency medical or surgical care or treatment. In the case  
30 where the parent is unknown, unavailable or unable to act  
31 on behalf of their child or children, the Director may, unless  
32 otherwise ordered by the judge, arrange for, provide or  
33 consent to any psychiatric, psychological, educational, or  
34 other remedial evaluations or treatment for the juvenile  
35 placed by a judge or his designee in the custody or physical  
36 custody of a county Department of Social Services under the  
37 authority of this or any other Chapter of the General  
38 Statutes. Prior to exercising this authority, the Director shall  
39 make reasonable efforts to obtain consent from a parent or  
40 guardian of the affected child. If the Director can not obtain  
41 such consent, the Director shall promptly notify the parent  
42 or guardian that care or treatment has been provided and  
43 shall give him frequent status reports on the circumstances  
44 of the child. Upon request of a parent or guardian of the

1 affected child, the results or records of the aforementioned  
2 evaluations, findings or treatment shall be made available to  
3 such parent or guardian by the Director unless prohibited by  
4 G.S. 122C-53(d). If a juvenile is removed from the home  
5 and placed in custody or placement responsibility of a  
6 county department of social services, the Director shall not  
7 allow unsupervised visitation with, or return physical  
8 custody of the juvenile to, the parent or person standing in  
9 loco parentis without a hearing at which the court finds that  
10 the juvenile will receive proper care and supervision in a  
11 safe home.

12 In placing a juvenile in out-of-home care under this  
13 section, the court shall first consider whether a relative of  
14 the juvenile is willing and able to provide proper care and  
15 supervision of the juvenile in a safe home. If the court finds  
16 that the relative is willing and able to provide proper care  
17 and supervision in a safe home, then the court shall order  
18 placement of the juvenile with the relative unless the court  
19 finds that the placement is contrary to the best interests of  
20 the juvenile. Placement of a juvenile with a relative outside  
21 of this State must be in accordance with the Interstate  
22 Compact on the Placement of Children.

23 (3) In any case, the judge may order that the juvenile be examined by  
24 a physician, psychiatrist, psychologist or other qualified expert as  
25 may be needed for the judge to determine the needs of the  
26 juvenile.

27 a. Upon completion of the examination, the judge shall  
28 conduct a hearing to determine whether the juvenile is in  
29 need of medical, surgical, psychiatric, psychological, or other  
30 treatment and who should pay the cost of the treatment. The  
31 county manager, or such person who shall be designated by  
32 the chairman of the county commissioners, of the juvenile's  
33 residence shall be notified of the hearing, and allowed to be  
34 heard. If the judge finds the juvenile to be in need of  
35 medical, surgical, psychiatric, psychological or other  
36 treatment, the judge shall permit the parent or other  
37 responsible persons to arrange for treatment. If the parent  
38 declines or is unable to make necessary arrangements, the  
39 judge may order the needed treatment, surgery or care, and  
40 the judge may order the parent to pay the cost of the care  
41 pursuant to G.S. 7A-650. If the judge finds the parent is  
42 unable to pay the cost of treatment, the judge shall order the  
43 county to arrange for treatment of the juvenile and to pay  
44 for the cost of the treatment. The county department of

1 social services shall recommend the facility that will provide  
2 the juvenile with treatment.

- 3 b. If the judge believes, or if there is evidence presented to the  
4 effect that the juvenile is mentally ill or is developmentally  
5 disabled, the judge shall refer the juvenile to the area mental  
6 health, developmental disabilities, and substance abuse  
7 services director for appropriate action. A juvenile shall not  
8 be committed directly to a State hospital or mental  
9 retardation center; and orders purporting to commit a  
10 juvenile directly to a State hospital or mental retardation  
11 center except for an examination to determine capacity to  
12 proceed shall be void and of no effect. The area mental  
13 health, developmental disabilities, and substance abuse  
14 director shall be responsible for arranging an  
15 interdisciplinary evaluation of the juvenile and mobilizing  
16 resources to meet the juvenile's needs. If institutionalization  
17 is determined to be the best service for the juvenile,  
18 admission shall be with the voluntary consent of the parent  
19 or guardian. If the parent, guardian, or custodian refuses to  
20 consent to a mental hospital or retardation center admission  
21 after such institutionalization is recommended by the area  
22 mental health, developmental disabilities, and substance  
23 abuse director, the signature and consent of the judge may  
24 be substituted for that purpose. In all cases in which a  
25 regional mental hospital refuses admission to a juvenile  
26 referred for admission by a judge and an area mental health,  
27 developmental disabilities, and substance abuse director or  
28 discharges a juvenile previously admitted on court referral  
29 prior to completion of his treatment, the hospital shall  
30 submit to the judge a written report setting out the reasons  
31 for denial of admission or discharge and setting out the  
32 juvenile's diagnosis, indications of mental illness, indications  
33 of need for treatment, and a statement as to the location of  
34 any facility known to have a treatment program for the  
35 juvenile in question.

- 36 (4) In any case in which a juvenile, who was at least eleven years of  
37 age at the time of the offense, is adjudicated delinquent for  
38 committing a violation of G.S. 14-27.2 (first degree rape), G.S. 14-  
39 27.3 (second degree rape), 14-27.4 (first degree sexual offense), 14-  
40 27.5 (second degree sexual offense), or G.S. 14-27.6 (attempted  
41 rape or sexual offense), the judge, upon a finding that the juvenile  
42 is a danger to the community, may order that the juvenile register  
43 in accordance with Part 4 of Article 27A of Chapter 14 of the  
44 General Statutes."

1 Section 7. G.S. 7A-651 reads as rewritten:

2 "§ 7A-651. Dispositional order.

3 (a) The dispositional order shall be in writing and shall contain appropriate  
4 findings of fact and conclusions of law. The judge shall state with particularity, both  
5 orally and in the written order of disposition, the precise terms of the disposition  
6 including the kind, duration and the person who is responsible for carrying out the  
7 disposition and the person or agency in whom custody is vested.

8 (b) A dispositional order under which a juvenile is removed from the custody of a  
9 parent or person standing in loco parentis shall direct that the review hearing  
10 required by G.S. 7A-657 be held within ~~six months of~~ 90 days from the date of the  
11 ~~juvenile's placement in custody~~ dispositional hearing and, if practicable, shall set the  
12 date and time for the review hearing.

13 (c) Any dispositional order ~~directing placement of a juvenile in foster care shall~~  
14 ~~also contain:~~ shall comply with the requirements of G.S. 7A-577.1.

15 (1) ~~A finding that the juvenile's continuation in or return to his own~~  
16 ~~home would be contrary to the juvenile's best interest; and~~

17 (2) ~~Findings as to whether reasonable efforts have been made to~~  
18 ~~prevent or eliminate the need for placement of the juvenile in~~  
19 ~~foster care. A finding that reasonable efforts were not made shall~~  
20 ~~not preclude entry of a dispositional order authorizing placement~~  
21 ~~in foster care when the court finds that such placement is needed~~  
22 ~~for protection of the juvenile. When efforts to prevent the need for~~  
23 ~~the juvenile's placement are precluded by an immediate threat of~~  
24 ~~harm to the juvenile, the court may find that placement of the~~  
25 ~~juvenile in the absence of such efforts is reasonable.~~

26 ~~The order may provide for services or other efforts aimed at returning the juvenile~~  
27 ~~promptly to a safe home. If the court finds through written findings of fact that efforts~~  
28 ~~to eliminate the need for placement of the juvenile in custody clearly would be futile~~  
29 ~~or would be inconsistent with the juvenile's safety and need for a safe, permanent~~  
30 ~~home within a reasonable period of time, the court shall specify in its order that~~  
31 ~~reunification efforts are not required or order that reunification efforts cease.~~

32 (d) ~~An order that places a juvenile in the custody of a county department of social~~  
33 ~~services for placement shall specify that the juvenile's placement and care are the~~  
34 ~~responsibility of the county department of social services and that the county~~  
35 ~~department is to provide or arrange for the foster care or other placement of the~~  
36 ~~juvenile. Any dispositional order shall provide for appropriate visitation as may be in~~  
37 ~~the best interests of the juvenile and consistent with the juvenile's health and safety.~~  
38 ~~If the juvenile is placed in the custody or placement responsibility of a county~~  
39 ~~department of social services, the court may order the director to arrange, facilitate,~~  
40 ~~and supervise a visitation plan expressly approved by the court.~~

41 (e) An order that commits a juvenile to the Division of Youth Services shall recite  
42 detailed findings that support commitment to the Division as the least restrictive  
43 alternative in light of the circumstances. These findings shall state that all  
44 alternatives to commitment prescribed in G.S. 7A-647, 7A-648, and 7A-649 have

1 been attempted unsuccessfully or were considered and found to be inappropriate and  
2 that the juvenile's behavior constitutes a threat to persons or property in the  
3 community. These findings shall be supported by substantial evidence in the record  
4 that the judge determined the needs of the juvenile, determined the appropriate  
5 community resources required to meet those needs, and explored and exhausted or  
6 considered inappropriate those resources prior to committing the juvenile to the  
7 Division."

8 Section 8. G.S. 7A-657 reads as rewritten:

9 "**§ 7A-657. Review of custody order.**

10 (a) In any case where custody is removed from a ~~parent, parent or person~~  
11 ~~standing in loco parentis~~, the judge shall conduct a review hearing within ~~six months~~  
12 ~~of 90 days from the date the order was entered, of the dispositional hearing shall~~  
13 ~~conduct a second review within six months after the first review, and shall conduct a~~  
14 ~~subsequent reviews~~ review hearing within six months at least every year thereafter.  
15 The Director of Social Services shall make a ~~timely requests~~ request to the clerk to  
16 calendar the ~~ease~~ each review at a session of court scheduled for the hearing of  
17 juvenile ~~matters. matters within six months of the date the order was entered. The~~  
18 ~~Director shall make timely requests for calendaring subsequent reviews. The clerk~~  
19 ~~shall give 15 days' notice of the review and its purpose to the parent or and to any~~  
20 ~~the person standing in loco parentis, the juvenile if 12 years of age or more, the~~  
21 ~~guardian, any foster parent, relative, or preadoptive parent providing care for the~~  
22 ~~child, the~~ custodian or agency with custody, the guardian ad litem, and any other  
23 person or agency the court may specify, indicating the court's impending review.  
24 Nothing in this subsection shall be construed to make any foster parent, relative, or  
25 preadoptive parent a party to the proceeding solely based on receiving notice and an  
26 opportunity to be heard.

27 (b) Notwithstanding other provisions of this Article, the court may waive the  
28 holding of review hearings required by subsection (a), may require written reports to  
29 the court by the agency or person holding custody in lieu of review hearings, or order  
30 that review hearings be held less often than every ~~12~~ six months, if the court finds by  
31 clear, cogent and convincing evidence that:

- 32 (1) The juvenile has resided with a relative or has been in the custody  
33 of another suitable person for a period of at least one year; and
- 34 (2) The placement is stable and continuation of the placement is in the  
35 juvenile's best interest; and
- 36 (3) Neither the juvenile's best interests nor the rights of any party  
37 require that review hearings be held every ~~12~~ six months; and
- 38 (4) All parties are aware that the matter may be brought before the  
39 court for review at any time by the filing of a motion for review or  
40 on the court's own motion; and
- 41 (5) The court order has designated the relative or other suitable  
42 person as the juvenile's permanent caretaker or guardian of the  
43 person.

1 The court may not waive or refuse to conduct a review hearing if a party files a  
2 motion seeking the review.

3 (c) At every review hearing, the court shall consider information from ~~the~~  
4 ~~Department of Social Services, the court counselor, the juvenile, the parent or person~~  
5 ~~standing in loco parentis, the custodian, the foster parent, the guardian ad litem, and~~  
6 ~~any public or private agency~~ the parent, any person standing in loco parentis, the  
7 juvenile, the guardian, any foster parent, relative, or preadoptive parent providing  
8 care for the child, the custodian or agency with custody, the guardian ad litem, and  
9 any other person or agency which will aid it in its review.

10 In each case the court shall consider the following criteria and make written  
11 findings regarding those that are relevant:

- 12 (1) Services which have been offered to reunite the family, or whether  
13 efforts to reunite the family clearly would be futile or inconsistent  
14 with the juvenile's safety and need for a safe, permanent home  
15 within a reasonable period of time;
- 16 (2) Where the juvenile's return home is unlikely, the efforts which  
17 have been made to evaluate or plan for other methods of care;
- 18 (3) Goals of the foster care placement and the appropriateness of the  
19 foster care plan;
- 20 (4) A new foster care plan, if continuation of care is sought, that  
21 addresses the role the current foster parent will play in the  
22 planning for the juvenile;
- 23 (5) Reports on the placements the juvenile has had and any services  
24 offered to the juvenile and the parent;
- 25 (5a) An appropriate visitation plan;
- 26 (5b) If the juvenile is 16 or 17 years of age, a report on an independent  
27 living assessment of the juvenile and, if appropriate, an  
28 independent living plan developed for the juvenile;
- 29 (6) When and if termination of parental rights should be considered;
- 30 (7) Any other criteria the court deems necessary.

31 (d) The judge, after making findings of fact, may appoint a guardian of the person  
32 for the juvenile pursuant to G.S. 7A-585 or may make any disposition authorized by  
33 G.S. 7A-647, including the authority to place the child in the custody of either parent  
34 or any relative found by the court to be suitable and found by the court to be in the  
35 best interest of the juvenile. ~~If the juvenile is placed in or remains in the custody of~~  
36 ~~the department of social services, the court may authorize the department to arrange~~  
37 ~~and supervise a visitation plan. Except for such visitation, the juvenile shall not be~~  
38 ~~returned to the parent or person standing in loco parentis without a hearing at which~~  
39 ~~the court finds sufficient facts to show that the juvenile will receive proper care and~~  
40 ~~supervision.~~ The court may enter an order continuing the placement under review or  
41 providing for a different placement as is deemed to be in the best interest of the  
42 juvenile. If at any time custody is restored to a parent, the court shall be relieved of  
43 the duty to conduct periodic judicial reviews of the placement.

~~(d1) At a hearing designated by the court, but at least within 12 months after the juvenile's placement, a review hearing shall be held under this section and designated as a permanency planning hearing. The purpose of the hearing shall be to develop a plan to achieve a safe, permanent home for the juvenile within a reasonable period of time. Notice of the hearing shall inform the parties of the purpose of the hearing. At the conclusion of the hearing, if the juvenile is not returned home, the judge shall make specific findings as to the best plan of care to achieve a safe, permanent home for the juvenile within a reasonable period of time and shall enter an order consistent with those findings.~~

~~(e) The provisions of subsections (b), (c), and (d) of G.S. 7A-651 G.S. 7A-577.1 shall apply to any order entered under this section which continues the foster care placement of a juvenile. section."~~

Section 8.1. Article 52 of Chapter 7A of the General Statutes is amended by adding the following new section to read:

**"§ 7A-657.1. Permanency planning hearing.**

(a) In any case where custody is removed from a parent or person standing in loco parentis, the judge shall conduct a review hearing designated as a permanency planning hearing within 12 months after the date of the initial order removing custody, and the hearing may be combined, if appropriate, with a review hearing required by G.S. 7A-657. The purpose of the permanency planning hearing shall be to develop a plan to achieve a safe, permanent home for the juvenile within a reasonable period of time. Subsequent permanency planning hearings shall be held at least every six months thereafter, or earlier as set by the court, to review the progress made in finalizing the permanent plan for the juvenile, or if necessary, to make a new permanent plan for the juvenile. The Director of Social Services shall make a timely request to the clerk to calendar each permanency planning hearing at a session of court scheduled for the hearing of juvenile matters. The clerk shall give 15 days' notice of the hearing and its purpose to the parent and to any person standing in loco parentis, the juvenile if 12 years of age or more, the guardian, any foster parent, relative, or preadoptive parent providing care for the child, the custodian or agency with custody, the guardian ad litem, and any other person or agency the court may specify, indicating the court's impending review. Nothing in this provision shall be construed to make any foster parent, relative, or preadoptive parent a party to the proceeding solely based on receiving notice and an opportunity to be heard.

(b) At any permanency planning review, the court shall consider information from the parent, any person standing in loco parentis, the juvenile, the guardian, any foster parent, relative or preadoptive parent providing care for the child, the custodian or agency with custody, the guardian ad litem, and any other person or agency which will aid it in the court's review. At the conclusion of the hearing, if the juvenile is not returned home, the court shall consider the following criteria and make written findings regarding those that are relevant:

- 1           (1) Whether it is possible for the juvenile to be returned home
- 2 immediately or within the next six months, and if not, why it is not
- 3 in the juvenile's best interests to return home;
- 4           (2) Where the juvenile's return home is unlikely within six months,
- 5 whether legal guardianship or custody with a relative or some
- 6 other suitable person should be established, and if so, the rights
- 7 and responsibilities which should remain with the parents;
- 8           (3) Where the juvenile's return home is unlikely within six months,
- 9 whether adoption should be pursued and if so, any barriers to the
- 10 juvenile's adoption;
- 11           (4) Where the juvenile's return home is unlikely within six months,
- 12 whether the juvenile should remain in the current placement or be
- 13 placed in another permanent living arrangement and why;
- 14           (5) Whether the county department of social services has since the
- 15 initial permanency plan hearing made reasonable efforts to
- 16 implement the permanent plan for the juvenile;
- 17           (6) Any other criteria the court deems necessary.
- 18       (c) At the conclusion of the hearing, the judge shall make specific findings as to
- 19 the best plan of care to achieve a safe, permanent home for the juvenile within a
- 20 reasonable period of time. The judge may appoint a guardian of the person for the
- 21 juvenile pursuant to G.S. 7A-585 or make any disposition authorized by G.S. 7A-647,
- 22 including the authority to place the child in the custody of either parent or any
- 23 relative found by the court to be suitable and found by the court to be in the best
- 24 interest of the juvenile. If the juvenile is not returned home, the court shall enter an
- 25 order consistent with its findings that directs the department of social services to
- 26 make reasonable efforts to place the juvenile in a timely manner in accordance with
- 27 the permanent plan, to complete whatever steps are necessary to finalize the
- 28 permanent placement of the juvenile, and to document such steps in the juvenile's
- 29 case plan. If at any time custody is restored to a parent, or findings are made in
- 30 accordance with G.S. 7A-657(b), the court shall be relieved of the duty to conduct
- 31 periodic judicial reviews of the placement.
- 32       If the court continues the juvenile's placement in the custody or placement
- 33 responsibility of a county department of social services, the provisions of G.S. 7A-
- 34 577.1 shall apply to any order entered under this section.
- 35       (d) In the case of a juvenile who is in the custody or placement responsibility of a
- 36 county department of social services, and has been in placement outside the home for
- 37 15 of the most recent 22 months; or a court of competent jurisdiction has determined
- 38 that the parent has abandoned the child; or has committed murder or voluntary
- 39 manslaughter of another child of the parent; or has aided, abetted, attempted,
- 40 conspired, or solicited to commit murder or voluntary manslaughter of the child or
- 41 another child of the parent, the court shall order the director of the department of
- 42 social services to initiate a proceeding to terminate the parental rights of the parent
- 43 unless the court finds:

- 1           (1) The permanent plan for the juvenile is guardianship or custody  
2           with a relative or some other suitable person;  
3           (2) The court makes specific findings why the filing of a petition for  
4           termination of parental rights is not in the best interests of the  
5           child; or  
6           (3) The department of social services has not provided the juvenile's  
7           family with such services as the department deems necessary, when  
8           reasonable efforts are still required to enable the juvenile's return  
9           to a safe home.

10       (e) If a proceeding to terminate the parental rights of the juvenile's parents is  
11 necessary in order to perfect the permanent plan for the juvenile, the director of the  
12 department of social services shall file a petition to terminate parental rights within  
13 60 calendar days from the date of the permanency planning hearing unless the court  
14 makes written findings why the petition cannot be filed within 60 days. If the court  
15 makes findings to the contrary, the court shall specify the time frame in which any  
16 needed petition to terminate parental rights shall be filed."

17           Section 9. G.S. 7A-659 reads as rewritten:

18       "**§ 7A-659. Post termination of parental rights' placement court review.**

19       (a) The purpose of each placement review is to insure that every reasonable effort  
20 is being made to provide for a permanent placement plan for the child who has been  
21 placed in the custody of a county director or licensed child-placing agency, which is  
22 consistent with the child's best interest. At each review hearing the court may  
23 consider information from the Department of Social Services, the licensed  
24 child-placing agency, the guardian ad litem, the child, ~~the~~ any foster parent, relative,  
25 or preadoptive parent providing care for the child, and any other person or agency  
26 the court determines is likely to aid in the review.

27       (b) The court shall conduct a placement review not later than six months from the  
28 date of the termination hearing when parental rights have been terminated by a  
29 petition brought by any person or agency designated in G.S. 7A-289.24(2) through (5)  
30 and a county director or licensed child-placing agency has custody of the child. The  
31 court shall conduct reviews every six months thereafter until the child is placed for  
32 adoption and the adoption petition is filed by the adoptive parents.

- 33           (1) No more than 30 days and no less than 15 days prior to each  
34 review, the clerk shall give notice of the review to the child if he is  
35 at least 12 years of age, the legal custodian of the child, ~~the~~ any  
36 foster parent, relative, or preadoptive parent providing care for the  
37 child, the guardian ad litem, if any, and any other person or  
38 agency the court may specify. Only the child if he is at least 12  
39 years of age, the legal custodian of the child, ~~the~~ any foster parent,  
40 relative, or preadoptive parent providing care for the child, and  
41 the guardian ad litem shall attend the review hearings, except as  
42 otherwise directed by the court. Nothing in this subdivision shall  
43 be construed to make any foster parent, relative, or preadoptive

1                   parent a party to the proceeding solely based on receiving notice  
2                   and an opportunity to be heard.

3                   (2) If a guardian ad litem for the child has not been appointed  
4                   previously by the court in the termination proceeding, the court, at  
5                   the initial six-month review hearing, may appoint a guardian ad  
6                   litem to represent the child. The court may continue the case for  
7                   such time as is necessary for the guardian ad litem to become  
8                   familiar with the facts of the case.

9                   (c) The court shall consider at least the following in its review:

10                   (1) The adequacy of the plan developed by the county department of  
11                   social services or a licensed child-placing agency for a permanent  
12                   placement relative to the child's best interest and the efforts of the  
13                   department or agency to implement such plan;

14                   (2) Whether the child has been listed for adoptive placement with the  
15                   North Carolina Adoption Resource Exchange, the North Carolina  
16                   Photo Adoption Listing Service (PALS), or any other specialized  
17                   adoption agency; and

18                   (3) The efforts previously made by the department or agency to find a  
19                   permanent home for the child.

20                   (d) The court, after making findings of fact, shall affirm the county department's  
21                   or child-placing agency's plans or require specific additional steps which are  
22                   necessary to accomplish a permanent placement which is in the best interests of the  
23                   child.

24                   (e) If the child has been placed for adoption prior to the date scheduled for the  
25                   review, written notice of said placement shall be given to the clerk to be placed in  
26                   the court file and the review hearing shall be cancelled, with notice of said  
27                   cancellation given by the clerk to all persons previously notified.

28                   (f) The process of selection of specific adoptive parents shall be the responsibility  
29                   of and within the discretion of the county department of social services or licensed  
30                   child-placing agency. The guardian ad litem may request information from and  
31                   consult with the county department or child-placing agency concerning the selection  
32                   process. If the guardian ad litem requests information about the selection process, the  
33                   county shall provide the information within five days. Any issue of abuse of  
34                   discretion by the county department or child-placing agency in the selection process  
35                   must be raised by the guardian ad litem within 10 days following the date the agency  
36                   notifies the court and the guardian ad litem in writing of the filing of the adoption  
37                   petition."

38                   Section 10. G.S. 78A-289.27 reads as rewritten:

39                   "**§ 7A-289.27. Issuance of summons.**

40                   (a) Except as provided in G.S. 7A-289.26, upon the filing of the petition, the court  
41                   shall cause a summons to be issued, directed to the following persons or agency, not  
42                   otherwise a party petitioner, who shall be named as respondents:

43                   (1) The parents of the child;

- 1 (2) Any person who has been judicially appointed as guardian of the  
2 person of the child;  
3 (3) The custodian of the child appointed by a court of competent  
4 jurisdiction;  
5 (4) Any county department of social services or licensed child-placing  
6 agency to whom a child has been released by one parent pursuant  
7 to Part 7 of Article 3 of Chapter 48 of the General Statutes;  
8 Statutes or any county department of social services to whom  
9 placement responsibility for the child has been given by a court of  
10 competent jurisdiction; and  
11 (5) The child, if he or she is 12 years of age or older at the time the  
12 petition is filed.

13 Provided, no summons need be directed to or served upon any parent who has  
14 previously surrendered the child to a county department of social services or licensed  
15 child-placing agency, nor to any parent who has consented to the adoption of the  
16 child by the petitioner. The summons shall notify the respondents to file a written  
17 answer within 30 days after service of the summons and petition. Service of the  
18 summons shall be completed as provided under the procedures established by G.S.  
19 1A-1, Rule 4(j); but the parent of the child shall not be deemed to be under disability  
20 even though such parent is a minor.

21 (b) The summons shall be issued for the purpose of terminating parental rights  
22 pursuant to the provisions of subsection (a) of this section and shall include:

- 23 (1) The name of the minor child;  
24 (2) Notice that a written answer to the petition must be filed with the  
25 clerk who signed the petition within 30 days after service of the  
26 summons and a copy of the petition, or the parent's rights may be  
27 terminated;  
28 (3) Notice that if they are indigent, the parents are entitled to  
29 appointed counsel. The parents may contact the clerk immediately  
30 to request counsel;  
31 (4) Notice that this is a new case. Any attorney appointed previously  
32 will not represent the parents in this proceeding unless ordered by  
33 the court;  
34 (5) Notice that the date, time and place of the hearing will be mailed  
35 by the clerk upon filing of the answer or 30 days from the date of  
36 service if no answer is filed;  
37 (6) Notice of the purpose of the hearing and notice that the parents  
38 may attend the termination hearing.

39 (c) If a county department of social services, not otherwise a party petitioner, is  
40 served with a petition alleging that the parental rights of the parent should be  
41 terminated pursuant to G.S. 7A-289.32, the department shall file a written answer and  
42 shall be deemed a party to the proceeding."

43 Section 11. G.S. 7A-289.32 reads as rewritten:

44 "§ 7A-289.32. Grounds for terminating parental rights.

1 The court may terminate the parental rights upon a finding of one or more of the  
2 following:

3 (1) Repealed by Session Laws 1979, c. 669, s. 2.

4 (2) The parent has abused or neglected the child. The child shall be  
5 deemed to be abused or neglected if the court finds the child to be  
6 an abused child within the meaning of G.S. 7A-517(1), or a  
7 neglected child within the meaning of G.S. 7A-517(21).

8 (3) The parent has willfully left the child in foster care or placement  
9 outside the home for more than 12 months without showing to the  
10 satisfaction of the court that reasonable progress under the  
11 circumstances has been made within 12 months in correcting those  
12 conditions which led to the removal of the child. Provided,  
13 however, that no parental rights shall be terminated for the sole  
14 reason that the parents are unable to care for the child on account  
15 of their poverty.

16 (3a) The burden in such proceedings shall be upon the petitioner to  
17 prove the facts justifying such termination by clear and convincing  
18 evidence.

19 (4) The child has been placed in the custody of a county Department  
20 of Social Services, a licensed child-placing agency, a child-caring  
21 institution, or a foster home, and the parent, for a continuous  
22 period of six months next preceding the filing of the petition, has  
23 willfully failed for such period to pay a reasonable portion of the  
24 cost of care for the child although physically and financially able to  
25 do so.

26 (5) One parent has been awarded custody of the child by judicial  
27 decree, or has custody by agreement of the parents, and the other  
28 parent whose parental rights are sought to be terminated has for a  
29 period of one year or more next preceding the filing of the petition  
30 willfully failed without justification to pay for the care, support,  
31 and education of the child, as required by said decree or custody  
32 agreement.

33 (6) The father of a child born out of wedlock has not prior to the  
34 filing of a petition to terminate his parental rights:

35 a. Establish(ed) paternity judicially or by affidavit which has  
36 been filed in a central registry maintained by the  
37 Department of Health and Human Services; provided, the  
38 court shall inquire of the Department of Health and Human  
39 Services as to whether such an affidavit has been so filed  
40 and shall incorporate into the case record the Department's  
41 certified reply; or

42 b. Legitimated the child pursuant to provisions of G.S. 49-10,  
43 or filed a petition for this specific purpose; or

- 1 c. Legitimated the child by marriage to the mother of the  
2 child; or  
3 d. Provided substantial financial support or consistent care with  
4 respect to the child and mother.

5 (7) That the parent is incapable of providing for the proper care and  
6 supervision of the child, such that the child is a dependent child  
7 within the meaning of G.S. 7A-517(13), and that there is a  
8 reasonable probability that such incapability will continue for the  
9 foreseeable future. Incapability under this subdivision may be the  
10 result of substance abuse, mental retardation, mental illness,  
11 organic brain syndrome, or any other similar cause or condition.

12 (8) The parent has willfully abandoned the child for at least six  
13 consecutive months immediately preceding the filing of the  
14 petition. For the purpose of this subdivision, a child may be  
15 willfully abandoned by his or her natural father if the mother of  
16 the child had been willfully abandoned by and was living separate  
17 and apart from the father at the time of the child's birth, although  
18 the father may not have known of such birth; but in any event the  
19 child must be over the age of three months at the time of the filing  
20 of the petition.

21 (9) The parent has committed murder or voluntary manslaughter of  
22 another child of the parent; has aided, abetted, attempted,  
23 conspired, or solicited to commit murder or voluntary  
24 manslaughter of the child or another child of the parent; or has  
25 committed a felony assault that results in serious bodily injury to  
26 the child or another child of the parent.

27 (10) The parental rights of the parent with respect to another child of  
28 the parent have been terminated involuntarily by a court of  
29 competent jurisdiction and the parent lacks the ability or  
30 willingness to establish a safe home."

Section 14. G.S. 48-3-303 reads as rewritten:

**"§ 48-3-303. Content and timing of preplacement assessment.**

(a) A preplacement assessment shall be completed within 90 days after a request has been accepted.

(b) The preplacement assessment must be based on at least one personal interview with each individual being assessed in the individual's residence and any report received pursuant to subsection (c) of this section.

(c) The preplacement assessment must, after a reasonable investigation, report on the following about the individual being assessed:

- (1) Age and date of birth, nationality, race, or ethnicity, and any religious preference;
- (2) Marital and family status and history, including the presence of any children born to or adopted by the individual and any other children in the household;
- (3) Physical and mental health, including any addiction to alcohol or drugs;
- (4) Educational and employment history and any special skills;
- (5) Property and income, and current financial information provided by the individual;
- (6) Reason for wanting to adopt;
- (7) Any previous request for an assessment or involvement in an adoptive placement and the outcome of the assessment or placement;
- (8) Whether the individual has ever been a respondent in a domestic violence proceeding or a proceeding concerning a minor who was allegedly abused, dependent, neglected, abandoned, or delinquent, and the outcome of the proceeding;
- (9) Whether the individual has ever been convicted of a crime other than a minor traffic violation;

(10) Whether the individual has located a parent interested in placing a child with the individual for adoption and a brief, nonidentifying description of the parent and the child; and

When any of the above is not reasonably available, the preplacement assessment shall state why it is unavailable.

(d) The agency shall conduct an investigation for any criminal record as permitted by law. If a prospective adoptive parent is seeking to adopt a minor who is in the custody or placement responsibility of a county department of social services, a county department of social services shall have the individual's criminal history investigated pursuant to G.S. 48-3-309, and based on the criminal history, make a determination pursuant to subsection (e) of this section as to the individual's fitness to have responsibility for the safety and well-being of children.

(e) In the preplacement assessment, the agency shall review the information obtained pursuant to subsections (b), (c), and (d) of this section and evaluate the individual's strengths and weaknesses to be an adoptive parent. The agency shall then determine whether the individual is suitable to be an adoptive parent.

(f) If the agency determines that the individual is suitable to be an adoptive parent, the preplacement assessment shall include specific factors which support that determination.

(g) If the agency determines that the individual is not suitable to be an adoptive parent, the replacement assessment shall state the specific concerns which support that determination. (h) In addition to the information and finding required by subsections (c) through (g) of this section, the preplacement assessment must contain a list of the sources of information on which it is based.

(i) The Social Services Commission shall have authority to establish by rule additional standards for preplacement assessments."

The department shall ensure that all prospective adoptive parents seeking to adopt a**

1 minor who is in the custody or placement responsibility of a county department of  
2 social services are checked prior to placement for county, state, and federal criminal  
3 histories.

4 (b) A county department of social services may issue an unfavorable preplacement  
5 assessment to a prospective adoptive parent if the county department of social

7 responsibility for the safety and well-being of children based on the criminal history.

8 (c) The Department of Justice shall provide to the Department of Health and

12 the request, the fingerprints of the prospective adoptive parent to be checked, any  
13 additional information required by the Department of Justice, and a form consenting  
14 to the check of the criminal record and to the use of fingerprints and other  
15 identifying information required by the State or National Repositories signed by the  
16 individual to be checked. The fingerprints of the prospective adoptive parent shall

18 history record file, and the State Bureau of Investigation shall forward a set of  
19 fingerprints to the Federal Bureau of Investigation for a national criminal history  
20 record check.

21 (d) At the time of the request for a preplacement assessment or at a subsequent  
22 time prior to placement, a prospective adoptive parent whose criminal history is to be  
23 checked shall be furnished with a statement substantially similar to the following:

24 "NOTICE

31

If you are denied a favorable preplacement assessment by a county department of social services as a result of the criminal history check, you may request a review of the assessment pursuant G.S. to 48-3-308(a).

Any prospective adoptive parent who intentionally falsifies any information required to be furnished to conduct the criminal history is guilty of a Class 2 misdemeanor."

Refusal to consent to a criminal history check is grounds for the issuance by a county department of social services of an unfavorable preplacement assessment. (g) There is no liability for negligence on the part of a State or local agency, or the employees of a State or local agency, arising from any action taken or omission by any of them in carrying out the provisions of this section. Section 2. G.S. 7A-544 reads as rewritten:

**"§ 7A-544. Investigation by Director; access to confidential information; notification of person making the report.**

When a report of abuse, neglect, or dependency is received, the Director of the Department of Social Services shall make a prompt and thorough investigation in order to ascertain the facts of the case, the extent of the abuse or neglect, and the risk of harm to the juvenile, in order to determine whether protective services should be provided or the complaint filed as a petition. When the report alleges abuse, the Director shall immediately, but no later than 24 hours after receipt of the report, initiate the investigation. When the report alleges neglect or dependency, the Director shall initiate the investigation within 72 hours following receipt of the report. The investigation and evaluation shall include a visit to the place where the juvenile resides. All information received by the Department of Social Services, including the identity of the reporter, shall be held in strictest confidence by the Department.

When a report of a juvenile's death as a result of suspected maltreatment or a report of suspected abuse, neglect, or dependency of a juvenile is received, the Director of the Department of Social Services shall immediately ascertain if other juveniles remain in the home, and, if so, initiate an investigation in order to determine whether they require protective services or whether immediate removal of the juveniles from the home is necessary for their protection.

If the investigation indicates that abuse, neglect, or dependency has occurred, the Director shall decide whether immediate removal of the juvenile or any other juveniles in the home is necessary for their protection. If immediate removal does not seem necessary, the Director shall immediately provide or arrange for protective services. If the parent or other caretaker refuses to accept the protective services provided or arranged by the Director, the Director shall sign a complaint seeking to invoke the jurisdiction of the court for the protection of the juvenile or juveniles.

If immediate removal seems necessary for the protection of the juvenile or other juveniles in the home, the Director shall sign a complaint which alleges the applicable facts to invoke the jurisdiction of the court. Where the investigation shows that it is warranted, a protective services worker may assume temporary custody of the juvenile for the juvenile's protection pursuant to Article 46 of this Chapter.

In performing any duties related to the investigation of the complaint or the provision or arrangement for protective services, the Director may consult with any public or private agencies or individuals, including the available State or local law-enforcement officers who shall assist in the investigation and evaluation of the

1 seriousness of any report of abuse, neglect, or dependency when requested by the  
2 Director. The Director or the Director's representative may make a written demand  
3 for any information or reports, whether or not confidential, that may in the Director's  
4 opinion be relevant to the investigation of or the provision for protective services.  
5 Upon the Director's or the Director's representative's request and unless protected by  
6 the attorney-client privilege, any public or private agency or individual shall provide  
7 access to and copies of this confidential information and these records to the extent  
8 permitted by federal law and regulations. If a custodian of criminal investigative  
9 information or records believes that release of the information will jeopardize the  
10 right of the State to prosecute a defendant or the right of a defendant to receive a fair  
11 trial or will undermine an ongoing or future investigation, it may seek an order from  
12 a court of competent jurisdiction to prevent disclosure of the information. In such an  
13 action, the custodian of the records shall have the burden of showing by a  
14 preponderance of the evidence that disclosure of the information in question will  
15 jeopardize the right of the State to prosecute a defendant or the right of a defendant  
16 to receive a fair trial or will undermine an ongoing or future investigation. Actions  
17 brought pursuant to this paragraph shall be set down for immediate hearing, and  
18 subsequent proceedings in the actions shall be accorded priority by the trial and  
19 appellate courts.

20 Within five working days after receipt of the report of abuse, neglect, or  
21 dependency, the Director shall give written notice to the person making the report,  
22 unless requested by that person not to give notice, as to whether the report was  
23 accepted for investigation and whether the report was referred to the appropriate  
24 State or local law enforcement agency.

25 Within five working days after completion of the protective services investigation,  
26 the Director shall give subsequent written notice to the person making the report,  
27 unless requested by that person not to give notice, as to whether there is a finding of  
28 abuse, neglect, or dependency, whether the county Department of Social Services is  
29 taking action to protect the juvenile, and what action it is taking, including whether  
30 or not a petition was filed. The person making the report shall be informed of  
31 procedures necessary to request a review by the prosecutor of the Director's decision  
32 not to file a petition. A request for review by the prosecutor shall be made within five  
33 working days of receipt of the second notification. The second notification shall  
34 include notice that, if the person making the report is not satisfied with the Director's  
35 decision, he may request review of the decision by the prosecutor within five working  
36 days of receipt. The person making the report may waive the person's right to this  
37 notification and no notification is required if the person making the report does not  
38 identify himself to the Director."

39 Section 3. G.S. 7A-576 reads as rewritten:

40 "**§ 7A-576. Place of secure or nonsecure custody.**

41 (a) A juvenile meeting the criteria set out in G.S. 7A-574, subsection (a), may be  
42 placed in nonsecure custody with the Department of Social Services or a person  
43 designated in the order for temporary residential placement in:

- (1) A licensed foster home or a home otherwise authorized by law to provide such care or
- (2) A facility operated by the Department of Social Services or
- (3) Any other home or ~~facility~~ facility, including a relative's home, approved by the court and designated in the order.

In placing a juvenile in nonsecure custody under this ~~section and under G.S. 7A-629 and G.S. 7A-651, section,~~ the court shall first consider whether a relative of the juvenile is willing and able to provide proper care and supervision of the juvenile in a safe home. If the court finds that the relative is willing and able to provide proper care and supervision in a safe home, then the court shall order placement of the juvenile with the ~~relative.~~ relative unless the court finds that the placement is contrary to the best interests of the juvenile. ~~Prior to placement~~ Placement of a juvenile with a relative outside of this ~~State, the placement~~ State must be in accordance with the Interstate Compact on the Placement of Children.

(b) A juvenile meeting the criteria set out in G.S. 7A-574(b) may be temporarily detained in an approved county detention home or a regional detention facility which shall be separate from any jail, lockup, prison, or other adult penal institution. It shall be unlawful for a county or any unit of government to operate a juvenile detention home unless the facility meets the standards promulgated by the Department of Health and Human Services."

Section 4. G.S. 7A-577 reads as rewritten:

**"§ 7A-577. Hearing to determine need for continued secure or nonsecure custody.**

(a) No juvenile shall be held under a secure custody order for more than five calendar days or under a nonsecure custody order for more than seven calendar days, without a hearing on the merits or a hearing to determine the need for continued custody. A hearing on secure custody conducted under this subsection may not be continued or waived. A hearing on nonsecure custody conducted under this subsection may be continued for up to 10 business days with the consent of the juvenile's parent, guardian, or custodian, and, if appointed, the juvenile's guardian ad litem. In addition, the court may require the consent of additional parties or may schedule the hearing on nonsecure custody despite a party's consent to a continuance. In every case in which an order has been entered by an official exercising authority delegated pursuant to G.S. 7A-573, a hearing to determine the need for continued custody shall be conducted on the day of the next regularly scheduled session of district court in the city or county where the order was entered if such session precedes the expiration of the applicable time period set forth in this subsection: Provided, that if such session does not precede the expiration of the time period, the hearing may be conducted at another regularly scheduled session of district court in the district where the order was entered.

(b) Any juvenile who is alleged to be delinquent shall be advised of the right to have legal representation as provided in G.S. 7A-584 if the juvenile appears without counsel at the hearing.

(c) At a hearing to determine the need for continued custody, the judge shall receive testimony and shall allow the juvenile, and the juvenile's parent, guardian, or

1 custodian an opportunity to introduce evidence, to be heard in their own behalf, and  
2 to examine witnesses. The State shall bear the burden at every stage of the  
3 proceedings to provide clear and convincing evidence that restraints on the juvenile's  
4 liberty are necessary and that no less intrusive alternative will suffice. The judge shall  
5 not be bound by the usual rules of evidence at such hearings.

6 (d) The judge shall be bound by criteria set forth in G.S. 7A-574 in determining  
7 whether continued custody is warranted.

8 (e) The judge shall impose the least restrictive interference with the liberty of a  
9 juvenile who is released from secure custody including:

- 10 (1) Release on the written promise of the juvenile's parent, guardian,  
11 or custodian to produce the juvenile in court for subsequent  
12 proceedings; or
- 13 (2) Release into the care of a responsible person or organization; or
- 14 (3) Release conditioned on restrictions on activities, associations,  
15 residence or travel if reasonably related to securing the juvenile's  
16 presence in court; or
- 17 (4) Any other conditions reasonably related to securing the juvenile's  
18 presence in court.

19 (f) If the judge determines that the juvenile meets the criteria in G.S. 7A-574 and  
20 should continue in custody, the judge shall issue an order to that effect. The order  
21 shall be in writing with appropriate findings of fact. The findings of fact shall include  
22 the evidence relied upon in reaching the decision and the purposes which continued  
23 custody is to achieve.

24 (g) Pending a hearing on the merits, further hearings to determine the need for  
25 continued secure custody shall be held at intervals of no more than seven calendar  
26 days. A subsequent hearing on continued nonsecure custody shall be held within  
27 seven business days, excluding Saturdays, Sundays, and legal holidays, of the initial  
28 hearing required in subsection (a) of this section and hearings thereafter shall be held  
29 at intervals of no more than 30 calendar days.

30 (g1) Hearings conducted under subsection (g) of this section may be waived as  
31 follows:

- 32 (1) In the case of a juvenile alleged to be delinquent, only with the  
33 consent of the juvenile, through counsel for the juvenile; and
- 34 (2) In the case of a juvenile alleged to be abused, neglected, or  
35 dependent, only with the consent of the juvenile's parent,  
36 guardian, or custodian, and, if appointed, the juvenile's guardian  
37 ad litem.

38 The court may require the consent of additional parties or schedule a hearing  
39 despite a party's consent to waiver.

40 ~~(h) Any order authorizing the continued nonsecure custody of a juvenile who is~~  
41 ~~alleged to be abused, neglected, or dependent shall include findings as to whether~~  
42 ~~reasonable efforts have been made to prevent or eliminate the need for placement of~~  
43 ~~the juvenile in custody and may provide for services or other efforts aimed at~~  
44 ~~returning the juvenile promptly to a safe home. A finding that reasonable efforts have~~

~~not been made shall not preclude the entry of an order authorizing continued nonsecure custody when the court finds that continued nonsecure custody is necessary for the protection of the juvenile. Where efforts to prevent the need for the juvenile's placement were precluded by an immediate threat of harm to the juvenile, the court may find that the placement of the juvenile in the absence of such efforts was reasonable. If the court finds through written findings of fact that efforts to eliminate the need for placement of the juvenile in custody clearly would be futile or would be inconsistent with the juvenile's safety and need for a safe, permanent home within a reasonable period of time, then the court shall specify in its order that reunification efforts are not required or order that reunification efforts cease.~~

(i) At each hearing to determine the need for continued nonsecure custody, the court shall:

- (1) Inquire as to the identity and location of any missing parent. The court shall include findings as to the efforts undertaken to locate the missing parent and to serve that parent. The order may provide for specific efforts aimed at determining the identity and location of any missing parent;
- (2) Inquire as to whether a relative of the juvenile is willing and able to provide proper care and supervision of the juvenile in a safe home. If the court finds that the relative is willing and able to provide proper care and supervision in a safe home, then the court shall order temporary placement of the juvenile with the ~~relative.~~ relative unless the court finds that the placement is contrary to the best interests of the juvenile. Prior to placement Placement of a juvenile with a relative outside of this State, ~~the placement~~ State must be in accordance with the Interstate Compact on the Placement of Children; and
- (3) Inquire as to whether there are other juveniles remaining in the home from which the juvenile was removed and, if there are, inquire as to the specific findings of the investigation conducted under G.S. 7A-544 and any actions taken or services provided by the Director for the protection of the other juveniles."

Section 4.1. Article 46 of Chapter 7A of the General Statutes is amended by adding the following new section to read:

**"§ 7A-577.1. Reasonable efforts.**

**(a) An order placing or continuing the placement of a juvenile in the custody or placement responsibility of a county department of social services, whether an order for continued nonsecure custody, a dispositional order, or a review order:**

- (1) Shall contain a finding that the juvenile's continuation in or return to the juvenile's own home would be contrary to the juvenile's best interest;**
- (2) Shall contain findings as to whether a county department of social services has made reasonable efforts to prevent or eliminate the need for placement of the juvenile, unless the court has previously**

- 1 determined under subsection (b) of this section that such efforts  
2 are not required or shall cease;  
3 (3) Shall contain findings as to whether a county department of social  
4 services should continue to make reasonable efforts to prevent or  
5 eliminate the need for placement of the juvenile, unless the court  
6 has previously determined or determines under subsection (b) of  
7 this section that such efforts are not required or shall cease;  
8 (4) Shall specify that the juvenile's placement and care are the  
9 responsibility of the county department of social services and that  
10 the agency is to provide or arrange for the foster care or other  
11 placement of the juvenile; and  
12 (5) May provide for services or other efforts aimed at returning the  
13 juvenile to a safe home or at achieving another permanent plan for  
14 the juvenile.

15 A finding that reasonable efforts have not been made by a county department of  
16 social services shall not preclude the entry of an order authorizing the juvenile's  
17 placement when the court finds that placement is necessary for the protection of the  
18 juvenile. Where efforts to prevent the need for the juvenile's placement were  
19 precluded by an immediate threat of harm to the juvenile, the court may find that the  
20 placement of the juvenile in the absence of such efforts was reasonable.

21 (b) In any order placing a juvenile in the custody or placement responsibility of a  
22 county department of social services, whether an order for continued nonsecure  
23 custody, a dispositional order, or a review order, the court may direct that reasonable  
24 efforts to eliminate the need for placement of the juvenile shall not be required or  
25 shall cease if the court makes written findings of fact that:

- 26 (1) Such efforts clearly would be futile or would be inconsistent with  
27 the juvenile's health, safety, and need for a safe, permanent home  
28 within a reasonable period of time;  
29 (2) A court of competent jurisdiction has determined that the parent  
30 has subjected the child to aggravated circumstances as defined in  
31 G.S. 7A-517(3a);  
32 (3) A court of competent jurisdiction has terminated involuntarily the  
33 parental rights of the parent to another child of the parent; or  
34 (4) A court of competent jurisdiction has determined that: the parent  
35 has committed murder or voluntary manslaughter of another child  
36 of the parent; has aided, abetted, attempted, conspired, or solicited  
37 to commit murder or voluntarily manslaughter of the child or  
38 another child of the parent; or has committed a felony assault  
39 resulting in serious bodily injury to the child or another child of  
40 the parent.

41 (c) At any hearing at which the court finds that reasonable efforts to eliminate the  
42 need for the juvenile's placement are not required or shall cease, the court shall  
43 direct that a permanency planning hearing as required by G.S. 7A-657.1 be held

1 within 30 calendar days after the date of the hearing and, if practicable, shall set the  
2 date and time for the permanency planning hearing.

3 (d) In determining reasonable efforts to be made with respect to a juvenile and in  
4 making such reasonable efforts, the juvenile's health and safety shall be the  
5 paramount concern. Reasonable efforts to preserve or reunify families may be made  
6 concurrently with efforts to plan for the juvenile's adoption, to place the juvenile  
7 with a legal guardian, or to place the juvenile in another permanent arrangement."

8 Section 5. G.S. 7A-629 reads as rewritten:

9 "**§ 7A-629. Adjudicatory hearing.**

10 The adjudicatory hearing shall be held in the district at such time and place as the  
11 chief district judge shall ~~designate~~ designate but no later than 60 days from the filing  
12 of the petition, unless the judge pursuant to G.S. 7A-632 orders that it be held at a  
13 later time. The judge may exclude the general public from ~~the~~ a hearing in which a  
14 juvenile is alleged to be delinquent unless the juvenile moves that the hearing be  
15 open, which motion shall be granted. At a hearing in which a juvenile is alleged to be  
16 abused, neglected, or dependent, the judge shall exclude the general public."

17 Section 6. G.S. 7A-647 reads as rewritten:

18 "**§ 7A-647. Dispositional alternatives for delinquent, undisciplined, abused, neglected,**  
19 **or dependent juvenile.**

20 The following alternatives for disposition shall be available to any judge exercising  
21 jurisdiction, and the judge may combine any of the applicable alternatives when he  
22 finds such disposition to be in the best interest of the juvenile:

23 (1) The judge may dismiss the case, or continue the case in order to  
24 allow the juvenile, parent, or others to take appropriate action.

25 (2) In the case of any juvenile who needs more adequate care or  
26 supervision or who needs placement, the judge may:

27 a. Require that he be supervised in his own home by the  
28 Department of Social Services in his county, a court  
29 counselor or other personnel as may be available to the  
30 court, subject to conditions applicable to the parent or the  
31 juvenile as the judge may specify; or

32 b. Place him in the custody of a parent, relative, private agency  
33 offering placement services, or some other suitable person;  
34 or

35 c. Place him in the custody of the Department of Social  
36 Services in the county of his residence, or in the case of a  
37 juvenile who has legal residence outside the State, in the  
38 physical custody of the Department of Social Services in the  
39 county where he is found so that agency may return the  
40 juvenile to the responsible authorities in his home state. The  
41 Director may, unless otherwise ordered by the judge,  
42 arrange for, provide, or consent to, needed routine or  
43 emergency medical or surgical care or treatment. In the case  
44 where the parent is unknown, unavailable or unable to act

1 on behalf of their child or children, the Director may, unless  
2 otherwise ordered by the judge, arrange for, provide or  
3 consent to any psychiatric, psychological, educational, or  
4 other remedial evaluations or treatment for the juvenile  
5 placed by a judge or his designee in the custody or physical  
6 custody of a county Department of Social Services under the  
7 authority of this or any other Chapter of the General  
8 Statutes. Prior to exercising this authority, the Director shall  
9 make reasonable efforts to obtain consent from a parent or  
10 guardian of the affected child. If the Director can not obtain  
11 such consent, the Director shall promptly notify the parent  
12 or guardian that care or treatment has been provided and  
13 shall give him frequent status reports on the circumstances  
14 of the child. Upon request of a parent or guardian of the  
15 affected child, the results or records of the aforementioned  
16 evaluations, findings or treatment shall be made available to  
17 such parent or guardian by the Director unless prohibited by  
18 G.S. 122C-53(d). If a juvenile is removed from the home  
19 and placed in custody or placement responsibility of a  
20 county department of social services, the Director shall not  
21 allow unsupervised visitation with, or return physical  
22 custody of the juvenile to, the parent or person standing in  
23 loco parentis without a hearing at which the court finds that  
24 the juvenile will receive proper care and supervision in a  
25 safe home.

26 In placing a juvenile in out-of-home care under this  
27 section, the court shall first consider whether a relative of  
28 the juvenile is willing and able to provide proper care and  
29 supervision of the juvenile in a safe home. If the court finds  
30 that the relative is willing and able to provide proper care  
31 and supervision in a safe home, then the court shall order  
32 placement of the juvenile with the relative unless the court  
33 finds that the placement is contrary to the best interests of  
34 the juvenile. Placement of a juvenile with a relative outside  
35 of this State must be in accordance with the Interstate  
36 Compact on the Placement of Children.

37 (3) In any case, the judge may order that the juvenile be examined by  
38 a physician, psychiatrist, psychologist or other qualified expert as  
39 may be needed for the judge to determine the needs of the  
40 juvenile.

41 a. Upon completion of the examination, the judge shall  
42 conduct a hearing to determine whether the juvenile is in  
43 need of medical, surgical, psychiatric, psychological, or other  
44 treatment and who should pay the cost of the treatment. The

1 county manager, or such person who shall be designated by  
2 the chairman of the county commissioners, of the juvenile's  
3 residence shall be notified of the hearing, and allowed to be  
4 heard. If the judge finds the juvenile to be in need of  
5 medical, surgical, psychiatric, psychological or other  
6 treatment, the judge shall permit the parent or other  
7 responsible persons to arrange for treatment. If the parent  
8 declines or is unable to make necessary arrangements, the  
9 judge may order the needed treatment, surgery or care, and  
10 the judge may order the parent to pay the cost of the care  
11 pursuant to G.S. 7A-650. If the judge finds the parent is  
12 unable to pay the cost of treatment, the judge shall order the  
13 county to arrange for treatment of the juvenile and to pay  
14 for the cost of the treatment. The county department of  
15 social services shall recommend the facility that will provide  
16 the juvenile with treatment.

- 17 b. If the judge believes, or if there is evidence presented to the  
18 effect that the juvenile is mentally ill or is developmentally  
19 disabled, the judge shall refer the juvenile to the area mental  
20 health, developmental disabilities, and substance abuse  
21 services director for appropriate action. A juvenile shall not  
22 be committed directly to a State hospital or mental  
23 retardation center; and orders purporting to commit a  
24 juvenile directly to a State hospital or mental retardation  
25 center except for an examination to determine capacity to  
26 proceed shall be void and of no effect. The area mental  
27 health, developmental disabilities, and substance abuse  
28 director shall be responsible for arranging an  
29 interdisciplinary evaluation of the juvenile and mobilizing  
30 resources to meet the juvenile's needs. If institutionalization  
31 is determined to be the best service for the juvenile,  
32 admission shall be with the voluntary consent of the parent  
33 or guardian. If the parent, guardian, or custodian refuses to  
34 consent to a mental hospital or retardation center admission  
35 after such institutionalization is recommended by the area  
36 mental health, developmental disabilities, and substance  
37 abuse director, the signature and consent of the judge may  
38 be substituted for that purpose. In all cases in which a  
39 regional mental hospital refuses admission to a juvenile  
40 referred for admission by a judge and an area mental health,  
41 developmental disabilities, and substance abuse director or  
42 discharges a juvenile previously admitted on court referral  
43 prior to completion of his treatment, the hospital shall  
44 submit to the judge a written report setting out the reasons

1 for denial of admission or discharge and setting out the  
2 juvenile's diagnosis, indications of mental illness, indications  
3 of need for treatment, and a statement as to the location of  
4 any facility known to have a treatment program for the  
5 juvenile in question.

- 6 (4) In any case in which a juvenile, who was at least eleven years of  
7 age at the time of the offense, is adjudicated delinquent for  
8 committing a violation of G.S. 14-27.2 (first degree rape), G.S. 14-  
9 27.3 (second degree rape), 14-27.4 (first degree sexual offense), 14-  
10 27.5 (second degree sexual offense), or G.S. 14-27.6 (attempted  
11 rape or sexual offense), the judge, upon a finding that the juvenile  
12 is a danger to the community, may order that the juvenile register  
13 in accordance with Part 4 of Article 27A of Chapter 14 of the  
14 General Statutes."

15 Section 7. G.S. 7A-651 reads as rewritten:

16 "§ 7A-651. Dispositional order.

17 (a) The dispositional order shall be in writing and shall contain appropriate  
18 findings of fact and conclusions of law. The judge shall state with particularity, both  
19 orally and in the written order of disposition, the precise terms of the disposition  
20 including the kind, duration and the person who is responsible for carrying out the  
21 disposition and the person or agency in whom custody is vested.

22 (b) A dispositional order under which a juvenile is removed from the custody of a  
23 parent or person standing in loco parentis shall direct that the review hearing  
24 required by G.S. 7A-657 be held within ~~six months of~~ 90 days from the date of the  
25 ~~juvenile's placement in custody~~ dispositional hearing and, if practicable, shall set the  
26 date and time for the review hearing.

27 (c) Any dispositional order directing placement of a juvenile in foster care shall  
28 ~~also contain: shall comply with the requirements of G.S. 7A-577.1.~~

29 (1) ~~A finding that the juvenile's continuation in or return to his own~~  
30 ~~home would be contrary to the juvenile's best interest; and~~

31 (2) ~~Findings as to whether reasonable efforts have been made to~~  
32 ~~prevent or eliminate the need for placement of the juvenile in~~  
33 ~~foster care. A finding that reasonable efforts were not made shall~~  
34 ~~not preclude entry of a dispositional order authorizing placement~~  
35 ~~in foster care when the court finds that such placement is needed~~  
36 ~~for protection of the juvenile. When efforts to prevent the need for~~  
37 ~~the juvenile's placement are precluded by an immediate threat of~~  
38 ~~harm to the juvenile, the court may find that placement of the~~  
39 ~~juvenile in the absence of such efforts is reasonable.~~

40 ~~The order may provide for services or other efforts aimed at returning the juvenile~~  
41 ~~promptly to a safe home. If the court finds through written findings of fact that efforts~~  
42 ~~to eliminate the need for placement of the juvenile in custody clearly would be futile~~  
43 ~~or would be inconsistent with the juvenile's safety and need for a safe, permanent~~

1 ~~home within a reasonable period of time, the court shall specify in its order that~~  
2 ~~reunification efforts are not required or order that reunification efforts cease.~~

3 (d) ~~An order that places a juvenile in the custody of a county department of social~~  
4 ~~services for placement shall specify that the juvenile's placement and care are the~~  
5 ~~responsibility of the county department of social services and that the county~~  
6 ~~department is to provide or arrange for the foster care or other placement of the~~  
7 ~~juvenile. Any dispositional order shall provide for appropriate visitation as may be in~~  
8 ~~the best interests of the juvenile and consistent with the juvenile's health and safety.~~  
9 ~~If the juvenile is placed in the custody or placement responsibility of a county~~  
10 ~~department of social services, the court may order the director to arrange, facilitate,~~  
11 ~~and supervise a visitation plan expressly approved by the court.~~

12 (e) An order that commits a juvenile to the Division of Youth Services shall recite  
13 detailed findings that support commitment to the Division as the least restrictive  
14 alternative in light of the circumstances. These findings shall state that all  
15 alternatives to commitment prescribed in G.S. 7A-647, 7A-648, and 7A-649 have  
16 been attempted unsuccessfully or were considered and found to be inappropriate and  
17 that the juvenile's behavior constitutes a threat to persons or property in the  
18 community. These findings shall be supported by substantial evidence in the record  
19 that the judge determined the needs of the juvenile, determined the appropriate  
20 community resources required to meet those needs, and explored and exhausted or  
21 considered inappropriate those resources prior to committing the juvenile to the  
22 Division."

23 Section 8. G.S. 7A-657 reads as rewritten:

24 "§ 7A-657. Review of custody order.

25 (a) In any case where custody is removed from a ~~parent, parent or person~~  
26 ~~standing in loco parentis~~, the judge shall conduct a review hearing within six months  
27 ~~of 90 days from the date the order was entered, of the dispositional hearing shall~~  
28 ~~conduct a second review within six months after the first review, and shall conduct a~~

30 The Director of Social Services shall make a ~~timely requests~~ request to the clerk to  
31 ~~calendar the case each review~~ at a session of court scheduled for the hearing of  
32 ~~juvenile matters, matters within six months of the date the order was entered. The~~

35 ~~the person standing in loco parentis, the juvenile if 12 years of age or more, the~~  
36 ~~guardian, any foster parent, relative, or preadoptive parent providing care for the~~  
37 ~~child, the custodian or agency with custody, the guardian ad litem, and any other~~  
38 ~~person or agency the court may specify, indicating the court's impending review.~~  
39 Nothing in this subsection shall be construed to make any foster parent, relative, or  
40 preadoptive parent a party to the proceeding solely based on receiving notice and an  
41 opportunity to be heard.

42 (b) Notwithstanding other provisions of this Article, the court may waive the  
43 holding of review hearings required by subsection (a), may require written reports to  
44 the court by the agency or person holding custody in lieu of review hearings, or order

1 that review hearings be held less often than every ~~12~~ six months, if the court finds by  
2 clear, cogent and convincing evidence that:

- 3 (1) The juvenile has resided with a relative or has been in the custody  
4 of another suitable person for a period of at least one year; and
- 5 (2) The placement is stable and continuation of the placement is in the  
6 juvenile's best interest; and
- 7 (3) Neither the juvenile's best interests nor the rights of any party  
8 require that review hearings be held every ~~12~~ six months; and
- 9 (4) All parties are aware that the matter may be brought before the  
10 court for review at any time by the filing of a motion for review or  
11 on the court's own motion; and
- 12 (5) The court order has designated the relative or other suitable  
13 person as the juvenile's permanent caretaker or guardian of the  
14 person.

15 The court may not waive or refuse to conduct a review hearing if a party files a  
16 motion seeking the review.

17 (c) At every review hearing, the court shall consider information from ~~the~~  
18 ~~Department of Social Services, the court counselor, the juvenile, the parent or person~~  
19 ~~standing in loco parentis, the custodian, the foster parent, the guardian ad litem, and~~  
20 ~~any public or private agency~~ the parent, any person standing in loco parentis, the  
21 juvenile, the guardian, any foster parent, relative, or preadoptive parent providing  
22 care for the child, the custodian or agency with custody, the guardian ad litem, and  
23 any other person or agency which will aid it in its review.

24 In each case the court shall consider the following criteria and make written  
25 findings regarding those that are relevant:

- 26 (1) Services which have been offered to reunite the family, or whether  
27 efforts to reunite the family clearly would be futile or inconsistent  
28 with the juvenile's safety and need for a safe, permanent home  
29 within a reasonable period of time;
- 30 (2) Where the juvenile's return home is unlikely, the efforts which  
31 have been made to evaluate or plan for other methods of care;
- 32 (3) Goals of the foster care placement and the appropriateness of the  
33 foster care plan;
- 34 (4) A new foster care plan, if continuation of care is sought, that  
35 addresses the role the current foster parent will play in the  
36 planning for the juvenile;
- 37 (5) Reports on the placements the juvenile has had and any services  
38 offered to the juvenile and the parent;
- 39 (5a) An appropriate visitation plan;
- 40 (5b) If the juvenile is 16 or 17 years of age, a report on an independent  
41 living assessment of the juvenile and, if appropriate, an  
42 independent living plan developed for the juvenile;
- 43 (6) When and if termination of parental rights should be considered;
- 44 (7) Any other criteria the court deems necessary.

(d) The judge, after making findings of fact, may appoint a guardian of the person for the juvenile pursuant to G.S. 7A-585 or may make any disposition authorized by G.S. 7A-647, including the authority to place the child in the custody of either parent or any relative found by the court to be suitable and found by the court to be in the best interest of the juvenile. ~~If the juvenile is placed in or remains in the custody of the department of social services, the court may authorize the department to arrange and supervise a visitation plan. Except for such visitation, the juvenile shall not be returned to the parent or person standing in loco parentis without a hearing at which the court finds sufficient facts to show that the juvenile will receive proper care and supervision.~~ The court may enter an order continuing the placement under review or providing for a different placement as is deemed to be in the best interest of the juvenile. If at any time custody is restored to a parent, the court shall be relieved of the duty to conduct periodic judicial reviews of the placement.

~~(d1) At a hearing designated by the court, but at least within 12 months after the juvenile's placement, a review hearing shall be held under this section and designated as a permanency planning hearing. The purpose of the hearing shall be to develop a plan to achieve a safe, permanent home for the juvenile within a reasonable period of time. Notice of the hearing shall inform the parties of the purpose of the hearing. At the conclusion of the hearing, if the juvenile is not returned home, the judge shall make specific findings as to the best plan of care to achieve a safe, permanent home for the juvenile within a reasonable period of time and shall enter an order consistent with those findings.~~

(e) The provisions of subsections (b), (c), and (d) of G.S. 7A-651 G.S. 7A-577.1 shall apply to any order entered under this section ~~which continues the foster care placement of a juvenile.~~ section.

Section 8.1. Article 52 of Chapter 7A of the General Statutes is amended by adding the following new section to read:

**"§ 7A-657.1. Permanency planning hearing.**

(a) In any case where custody is removed from a parent or person standing in loco parentis, the judge shall conduct a review hearing designated as a permanency planning hearing within 12 months after the date of the initial order removing custody, and the hearing may be combined, if appropriate, with a review hearing required by G.S. 7A-657. The purpose of the permanency planning hearing shall be to develop a plan to achieve a safe, permanent home for the juvenile within a reasonable period of time. Subsequent permanency planning hearings shall be held at least every six months thereafter, or earlier as set by the court, to review the progress made in finalizing the permanent plan for the juvenile, or if necessary, to make a new permanent plan for the juvenile. The Director of Social Services shall make a timely request to the clerk to calendar each permanency planning hearing at a session of court scheduled for the hearing of juvenile matters. The clerk shall give 15 days' notice of the hearing and its purpose to the parent and to any person standing in loco parentis, the juvenile if 12 years of age or more, the guardian, any foster parent, relative, or preadoptive parent providing care for the child, the custodian or agency with custody, the guardian ad litem, and any other person or

1 agency the court may specify, indicating the court's impending review. Nothing in  
2 this provision shall be construed to make any foster parent, relative, or preadoptive  
3 parent a party to the proceeding solely based on receiving notice and an opportunity  
4 to be heard.

5 (b) At any permanency planning review, the court shall consider information from  
6 the parent, any person standing in loco parentis, the juvenile, the guardian, any foster  
7 parent, relative or preadoptive parent providing care for the child, the custodian or  
8 agency with custody, the guardian ad litem, and any other person or agency which  
9 will aid it in the court's review. At the conclusion of the hearing, if the juvenile is  
10 not returned home, the court shall consider the following criteria and make written  
11 findings regarding those that are relevant:

12 (1) Whether it is possible for the juvenile to be returned home  
13 immediately or within the next six months, and if not, why it is not  
14 in the juvenile's best interests to return home;

15 (2) Where the juvenile's return home is unlikely within six months,  
16 whether legal guardianship or custody with a relative or some  
17 other suitable person should be established, and if so, the rights  
18 and responsibilities which should remain with the parents;

19 (3) Where the juvenile's return home is unlikely within six months,  
20 whether adoption should be pursued and if so, any barriers to the  
21 juvenile's adoption;

22 (4) Where the juvenile's return home is unlikely within six months,  
23 whether the juvenile should remain in the current placement or be  
24 placed in another permanent living arrangement and why;

25 (5) Whether the county department of social services has since the  
26 initial permanency plan hearing made reasonable efforts to  
27 implement the permanent plan for the juvenile;

28 (6) Any other criteria the court deems necessary.

29 (c) At the conclusion of the hearing, the judge shall make specific findings as to  
30 the best plan of care to achieve a safe, permanent home for the juvenile within a  
31 reasonable period of time. The judge may appoint a guardian of the person for the  
32 juvenile pursuant to G.S. 7A-585 or make any disposition authorized by G.S. 7A-647,  
33 including the authority to place the child in the custody of either parent or any  
34 relative found by the court to be suitable and found by the court to be in the best  
35 interest of the juvenile. If the juvenile is not returned home, the court shall enter an  
36 order consistent with its findings that directs the department of social services to  
37 make reasonable efforts to place the juvenile in a timely manner in accordance with  
38 the permanent plan, to complete whatever steps are necessary to finalize the  
39 permanent placement of the juvenile, and to document such steps in the juvenile's  
40 case plan. If at any time custody is restored to a parent, or findings are made in  
41 accordance with G.S. 7A-657(b), the court shall be relieved of the duty to conduct  
42 periodic judicial reviews of the placement.

1 If the court continues the juvenile's placement in the custody or placement  
2 responsibility of a county department of social services, the provisions of G.S. 7A-  
3 577.1 shall apply to any order entered under this section.

4 (d) In the case of a juvenile who is in the custody or placement responsibility of a  
5 county department of social services, and has been in placement outside the home for  
6 15 of the most recent 22 months; or a court of competent jurisdiction has determined  
7 that the parent has abandoned the child; or has committed murder or voluntary  
8 manslaughter of another child of the parent; or has aided, abetted, attempted,  
9 conspired, or solicited to commit murder or voluntary manslaughter of the child or  
10 another child of the parent, the court shall order the director of the department of  
11 social services to initiate a proceeding to terminate the parental rights of the parent  
12 unless the court finds:

13 (1) The permanent plan for the juvenile is guardianship or custody  
14 with a relative or some other suitable person;

15 (2) The court makes specific findings why the filing of a petition for  
16 termination of parental rights is not in the best interests of the  
17 child; or

18 (3) The department of social services has not provided the juvenile's  
19 family with such services as the department deems necessary, when  
20 reasonable efforts are still required to enable the juvenile's return  
21 to a safe home.

22 (e) If a proceeding to terminate the parental rights of the juvenile's parents is  
23 necessary in order to perfect the permanent plan for the juvenile, the director of the  
24 department of social services shall file a petition to terminate parental rights within  
25 60 calendar days from the date of the permanency planning hearing unless the court  
26 makes written findings why the petition cannot be filed within 60 days. If the court  
27 makes findings to the contrary, the court shall specify the time frame in which any  
28 needed petition to terminate parental rights shall be filed."

29 Section 9. G.S. 7A-659 reads as rewritten:

30 "**§ 7A-659. Post termination of parental rights' placement court review.**

31 (a) The purpose of each placement review is to insure that every reasonable effort  
32 is being made to provide for a permanent placement plan for the child who has been  
33 placed in the custody of a county director or licensed child-placing agency, which is  
34 consistent with the child's best interest. At each review hearing the court may  
35 consider information from the Department of Social Services, the licensed  
36 child-placing agency, the guardian ad litem, the child, ~~the~~ any foster parent, relative,  
37 or preadoptive parent providing care for the child, and any other person or agency  
38 the court determines is likely to aid in the review.

39 (b) The court shall conduct a placement review not later than six months from the  
40 date of the termination hearing when parental rights have been terminated by a  
41 petition brought by any person or agency designated in G.S. 7A-289.24(2) through (5)  
42 and a county director or licensed child-placing agency has custody of the child. The  
43 court shall conduct reviews every six months thereafter until the child is placed for  
44 adoption and the adoption petition is filed by the adoptive parents.

- 1 (1) No more than 30 days and no less than 15 days prior to each  
2 review, the clerk shall give notice of the review to the child if he is  
3 at least 12 years of age, the legal custodian of the child, ~~the any~~  
4 foster parent, relative, or preadoptive parent providing care for the  
5 child, the guardian ad litem, if any, and any other person or  
6 agency the court may specify. Only the child if he is at least 12  
7 years of age, the legal custodian of the child, ~~the any~~ foster parent,  
8 relative, or preadoptive parent providing care for the child, and  
9 the guardian ad litem shall attend the review hearings, except as  
10 otherwise directed by the court. Nothing in this subdivision shall  
11 be construed to make any foster parent, relative, or preadoptive  
12 parent a party to the proceeding solely based on receiving notice  
13 and an opportunity to be heard.
- 14 (2) If a guardian ad litem for the child has not been appointed  
15 previously by the court in the termination proceeding, the court, at  
16 the initial six-month review hearing, may appoint a guardian ad  
17 litem to represent the child. The court may continue the case for  
18 such time as is necessary for the guardian ad litem to become  
19 familiar with the facts of the case.
- 20 (c) The court shall consider at least the following in its review:
- 21 (1) The adequacy of the plan developed by the county department of  
22 social services or a licensed child-placing agency for a permanent  
23 placement relative to the child's best interest and the efforts of the  
24 department or agency to implement such plan;
- 25 (2) Whether the child has been listed for adoptive placement with the  
26 North Carolina Adoption Resource Exchange, the North Carolina  
27 Photo Adoption Listing Service (PALS), or any other specialized  
28 adoption agency; and
- 29 (3) The efforts previously made by the department or agency to find a  
30 permanent home for the child.
- 31 (d) The court, after making findings of fact, shall affirm the county department's  
32 or child-placing agency's plans or require specific additional steps which are  
33 necessary to accomplish a permanent placement which is in the best interests of the  
34 child.
- 35 (e) If the child has been placed for adoption prior to the date scheduled for the  
36 review, written notice of said placement shall be given to the clerk to be placed in  
37 the court file and the review hearing shall be cancelled, with notice of said  
38 cancellation given by the clerk to all persons previously notified.
- 39 (f) The process of selection of specific adoptive parents shall be the responsibility  
40 of and within the discretion of the county department of social services or licensed  
41 child-placing agency. The guardian ad litem may request information from and  
42 consult with the county department or child-placing agency concerning the selection  
43 process. If the guardian ad litem requests information about the selection process, the  
44 county shall provide the information within five days. Any issue of abuse of

1 discretion by the county department or child-placing agency in the selection process  
2 must be raised by the guardian ad litem within 10 days following the date the agency  
3 notifies the court and the guardian ad litem in writing of the filing of the adoption  
4 petition."

5 Section 9.1. Article 24B of Chapter 7A of the General Statutes is  
6 amended by adding the following new section to read:

7 **"§ 7A-289.23.1. Pending child abuse, neglect, or dependency hearings.**

8 When a juvenile is currently within the jurisdiction of the district court based upon  
9 an abuse, neglect, or dependency proceeding, a petition for termination of parental  
10 rights to that juvenile may be filed as a motion in the cause in the abuse, neglect, or  
11 dependency proceeding. Any parent of that juvenile who was previously served in  
12 the abuse, neglect, or dependency proceeding in accordance with G.S. 7A-565 shall  
13 be served with the petition to terminate parental rights in accordance with G.S. 1A-  
14 1, Rule 5."

15 Section 10. G.S. 78A-289.27 reads as rewritten:

16 **"§ 7A-289.27. Issuance of summons.**

17 (a) Except as provided in G.S. 7A-289.26, upon the filing of the petition, the court  
18 shall cause a summons to be issued, directed to the following persons or agency, not  
19 otherwise a party petitioner, who shall be named as respondents:

- 20 (1) The parents of the child;
- 21 (2) Any person who has been judicially appointed as guardian of the  
22 person of the child;
- 23 (3) The custodian of the child appointed by a court of competent  
24 jurisdiction;
- 25 (4) Any county department of social services or licensed child-placing  
26 agency to whom a child has been released by one parent pursuant  
27 to Part 7 of Article 3 of Chapter 48 of the General Statutes;  
28 Statutes or any county department of social services to whom  
29 placement responsibility for the child has been given by a court of  
30 competent jurisdiction; and  
31 (5) The child, if he or she is 12 years of age or older at the time the  
32 petition is filed.

33 Provided, no summons need be directed to or served upon any parent who has  
34 previously surrendered the child to a county department of social services or licensed  
35 child-placing agency, nor to any parent who has consented to the adoption of the  
36 child by the petitioner. The summons shall notify the respondents to file a written  
37 answer within 30 days after service of the summons and petition. Service of the  
38 summons shall be completed as provided under the procedures established by G.S.  
39 1A-1, Rule 4(j); but the parent of the child shall not be deemed to be under disability  
40 even though such parent is a minor.

41 (b) The summons shall be issued for the purpose of terminating parental rights  
42 pursuant to the provisions of subsection (a) of this section and shall include:

- 43 (1) The name of the minor child;

- 1 (2) Notice that a written answer to the petition must be filed with the  
2 clerk who signed the petition within 30 days after service of the  
3 summons and a copy of the petition, or the parent's rights may be  
4 terminated;  
5 (3) Notice that if they are indigent, the parents are entitled to  
6 appointed counsel. The parents may contact the clerk immediately  
7 to request counsel;  
8 (4) Notice that this is a new case. Any attorney appointed previously  
9 will not represent the parents in this proceeding unless ordered by  
10 the court;  
11 (5) Notice that the date, time and place of the hearing will be mailed  
12 by the clerk upon filing of the answer or 30 days from the date of  
13 service if no answer is filed;  
14 (6) Notice of the purpose of the hearing and notice that the parents  
15 may attend the termination hearing.

16 (c) If a county department of social services, not otherwise a party petitioner, is  
17 served with a petition alleging that the parental rights of the parent should be  
18 terminated pursuant to G.S. 7A-289.32, the department shall file a written answer and  
19 shall be deemed a party to the proceeding."

20 Section 11. G.S. 7A-289.32 reads as rewritten:

21 "**§ 7A-289.32. Grounds for terminating parental rights.**

22 The court may terminate the parental rights upon a finding of one or more of the  
23 following:

- 24 (1) Repealed by Session Laws 1979, c. 669, s. 2.  
25 (2) The parent has abused or neglected the child. The child shall be  
26 deemed to be abused or neglected if the court finds the child to be  
27 an abused child within the meaning of G.S. 7A-517(1), or a  
28 neglected child within the meaning of G.S. 7A-517(21).  
29 (3) The parent has willfully left the child in foster care or placement  
30 outside the home for more than 12 months without showing to the  
31 satisfaction of the court that reasonable progress under the  
32 circumstances has been made within 12 months in correcting those  
33 conditions which led to the removal of the child. Provided,  
34 however, that no parental rights shall be terminated for the sole  
35 reason that the parents are unable to care for the child on account  
36 of their poverty.  
37 (3a) The burden in such proceedings shall be upon the petitioner to  
38 prove the facts justifying such termination by clear and convincing  
39 evidence.  
40 (4) The child has been placed in the custody of a county Department  
41 of Social Services, a licensed child-placing agency, a child-caring  
42 institution, or a foster home, and the parent, for a continuous  
43 period of six months next preceding the filing of the petition, has  
44 willfully failed for such period to pay a reasonable portion of the

cost of care for the child although physically and financially able to do so.

(5) One parent has been awarded custody of the child by judicial decree, or has custody by agreement of the parents, and the other parent whose parental rights are sought to be terminated has for a period of one year or more next preceding the filing of the petition willfully failed without justification to pay for the care, support, and education of the child, as required by said decree or custody agreement.

(6) The father of a child born out of wedlock has not prior to the filing of a petition to terminate his parental rights:

a. Establish(ed) paternity judicially or by affidavit which has been filed in a central registry maintained by the Department of Health and Human Services; provided, the court shall inquire of the Department of Health and Human Services as to whether such an affidavit has been so filed and shall incorporate into the case record the Department's certified reply; or

b. Legitimated the child pursuant to provisions of G.S. 49-10, or filed a petition for this specific purpose; or

c. Legitimated the child by marriage to the mother of the child; or

d. Provided substantial financial support or consistent care with respect to the child and mother.

(7) That the parent is incapable of providing for the proper care and supervision of the child, such that the child is a dependent child within the meaning of G.S. 7A-517(13), and that there is a reasonable probability that such incapability will continue for the foreseeable future. Incapability under this subdivision may be the result of substance abuse, mental retardation, mental illness, organic brain syndrome, or any other similar cause or condition.

(8) The parent has willfully abandoned the child for at least six consecutive months immediately preceding the filing of the petition. For the purpose of this subdivision, a child may be willfully abandoned by his or her natural father if the mother of the child had been willfully abandoned by and was living separate and apart from the father at the time of the child's birth, although the father may not have known of such birth; but in any event the child must be over the age of three months at the time of the filing of the petition.

(9) The parent has committed murder or voluntary manslaughter of another child of the parent; has aided, abetted, attempted, conspired, or solicited to commit murder or voluntary manslaughter of the child or another child of the parent; or has

1                   committed a felony assault that results in serious bodily injury to  
2                   the child or another child of the parent.

- 3           (10) The parental rights of the parent with respect to another child of  
4           the parent have been terminated involuntarily by a court of  
5           competent jurisdiction and the parent lacks the ability or  
6           willingness to establish a safe home."

7           Section 12. G.S. 48-1-101 is amended by adding a new subdivision to  
8 read:

9   **"§ 48-1-101. Definitions.**

10   In this Chapter, the following definitions apply:

- 11           (1) "Adoptee" means an individual who is adopted, is placed for  
12           adoption, or is the subject of a petition for adoption properly filed  
13           with the court.  
14           (2) "Adoption" means the creation by law of the relationship of parent  
15           and child between two individuals.

38 received pursuant to subsection (c) of this section.

39 (c) The preplacement assessment must, after a reasonable investigation, report on

14 adoptive parents seeking to adopt a minor who is in the custody or placement  
15 responsibility of a county department of social services are checked prior to  
16 placement and, based on the criminal history, a determination is made as to the  
17 individual's fitness to have responsibility for the safety and well-being of children.  
18 The department shall ensure that all prospective adoptive parents seeking to adopt a  
19 minor who is in the custody or placement responsibility of a county department of  
20 social services are checked prior to placement for county, state, and federal criminal  
21 histories.

22 (b) A county department of social services may issue an unfavorable preplacement  
23 assessment to a prospective adoptive parent if the county department of social  
24 services determines pursuant to G.S. 48-3-303(e) that the individual is unfit to have  
25 responsibility for the safety and well-being of children based on the criminal history.

26 (c) The Department of Justice shall provide to the Department of Health and  
27 Human Services the criminal history of such a prospective adoptive parent obtained

31 additional information required by the Department of Justice, and a form consenting

37 fingerprints to the Federal Bureau of Investigation for a national criminal history  
38 record check.

39 (d) At the time of the request for a preplacement assessment or at a subsequent  
40 time prior to placement, a prospective adoptive parent whose criminal history is to be  
41 checked shall be furnished with a statement substantially similar to the following:

42 "NOTICE

43 MANDATORY CRIMINAL HISTORY CHECK; NORTH CAROLINA LAW

PLACEMENT RESPONSIBILITY OF A COUNTY DEPARTMENT OF  
SOCIAL SERVICES.

"Criminal history" means a county, state, or federal criminal history of conviction or a pending indictment of a crime, whether a misdemeanor or a felony, that bears upon an individual's fitness to have responsibility for the safety and well-being of children, including the following North Carolina crimes contained in any of the following Articles of Chapter 14 of the General Statutes: Article 6, Homicide; Article 7A, Rape and Kindred Offenses; Article 8, Assaults; Article 10, Kidnapping and Abduction; Article 13, Malicious Injury or Damage by Use of Explosive or Incendiary Device or Material; Article 26, Offenses Against Public Morality and Decency; Article 27, Prostitution; Article 39, Protection of Minors; Article 40, Protection of the Family; and Article 59, Public Intoxication; violation of the North Carolina Controlled Substances Act, Article 5 of Chapter 90 of the General Statutes, and alcohol-related offenses such as sale to underage persons in violation of G.S. 18B-302 or driving while impaired in violation of G.S. 20-138.1 through G.S. 20-138.5; or similar crimes under federal law or under the laws of other states. Your fingerprints will be used to check the criminal history records of the State Bureau of Investigation (SBI) and the Federal Bureau of Investigation (FBI).

If it is determined, based on your criminal history, that you are unfit to have responsibility for the safety and well-being of children, you shall have the opportunity to complete, or challenge the accuracy of, the information contained in the SBI or FBI identification records.

If you are denied a favorable preplacement assessment by a county department of social services as a result of the criminal history check, you may request a review of the assessment pursuant G.S. to 48-3-308(a).

Any prospective adoptive parent who intentionally falsifies any information required to be furnished to conduct the criminal history is guilty of a Class 2 misdemeanor."

Refusal to consent to a criminal history check is grounds for the issuance by a county department of social services of an unfavorable preplacement assessment. Any prospective adoptive parent who intentionally falsifies any information required to be furnished to conduct the criminal history is guilty of a Class 2 misdemeanor.

(e) The department shall notify the prospective adoptive parent's supervising county department of social services of the results of the criminal history check in accordance with the federal and State law regulating the dissemination of the contents of the criminal history file. The department shall not release nor disclose

4 history information, the procedure for completing or challenging the accuracy of the  
5 criminal history, and the prospective adoptive parent's right to contest the  
6 preplacement assessment of the county department of social services.

8 the county department of social services may request a review of the assessment  
9 pursuant to G.S. 48-3-308(a).

11 criminal history is privileged information and is not a public record but is for the  
12 exclusive use of the Department and those persons authorized under this section to  
13 receive the information. The department may destroy the information after it is used  
14 for the purposes authorized by this section after one calendar year.

15 (g) There is no liability for negligence on the part of a State or local agency, or  
16 the employees of a State or local agency, arising from any action taken or omission  
17 by any of them in carrying out the provisions of this section. The immunity  
18 established by this subsection shall not extend to gross negligence, wanton conduct, or  
19 intentional wrongdoing that would otherwise be actionable. The immunity  
20 established by this subsection shall be deemed to have been waived to the extent of  
21 indemnification by insurance, indemnification under Article 31A of Chapter 143 of  
22 the General Statutes, and to the extent sovereign immunity is waived under the Tort  
23 Claims Act, as set forth in Article 31 of Chapter 143 of the General Statutes.

24 (h) The Department of Justice shall perform the State and national criminal  
25 history checks on prospective adoptive parents seeking to adopt a minor in the

11 Section 19. G.S. 7B-302, as rewritten and recodified by enacted Senate  
12 Bill 1260, 1997 General Assembly, reads as rewritten:

13 **"§ 7B-302. Investigation by director; access to confidential information; notification of**  
14 **person making the report.**

15 When a report of abuse, neglect, or dependency is received, the director of the  
16 department of social services shall make a prompt and thorough investigation in  
17 order to ascertain the facts of the case, the extent of the abuse or neglect, and the risk  
18 of harm to the juvenile, in order to determine whether protective services should be  
19 provided or the complaint filed as a petition. When the report alleges abuse, the  
20 director shall immediately, but no later than 24 hours after receipt of the report,  
21 initiate the investigation. When the report alleges neglect or dependency, the director  
22 shall initiate the investigation within 72 hours following receipt of the report. The  
23 investigation and evaluation shall include a visit to the place where the juvenile  
24 resides. All information received by the department of social services, including the  
25 identity of the reporter, shall be held in strictest confidence by the department.

26 When a report of a juvenile's death as a result of suspected maltreatment or a  
27 report of suspected abuse, neglect, or dependency of a juvenile is received, the  
28 director of the department of social services shall immediately ascertain if other  
29 juveniles remain in the home, and, if so, initiate an investigation in order to  
30 determine whether they require protective services or whether immediate removal of  
31 the juveniles from the home is necessary for their protection.

32 If the investigation indicates that abuse, neglect, or dependency has occurred, the  
33 director shall decide whether immediate removal of the juvenile or any other  
34 juveniles in the home is necessary for their protection. If immediate removal does not  
35 seem necessary, the director shall immediately provide or arrange for protective  
36 services. If the parent or other caretaker refuses to accept the protective services  
37 provided or arranged by the director, the director shall sign a complaint seeking to  
38 invoke the jurisdiction of the court for the protection of the juvenile or juveniles.

39 If immediate removal seems necessary for the protection of the juvenile or other  
40 juveniles in the home, the director shall sign a complaint which alleges the applicable  
41 facts to invoke the jurisdiction of the court. Where the investigation shows that it is  
42 warranted, a protective services worker may assume temporary custody of the  
43 juvenile for the juvenile's protection pursuant to Article 5 of this Chapter.

1 In performing any duties related to the investigation of the complaint or the  
2 provision or arrangement for protective services, the director may consult with any  
3 public or private agencies or individuals, including the available State or local law  
4 enforcement officers who shall assist in the investigation and evaluation of the  
5 seriousness of any report of abuse, neglect, or dependency when requested by the  
6 director. The director or the director's representative may make a written demand for  
7 any information or reports, whether or not confidential, that may in the director's  
8 opinion be relevant to the investigation of or the provision for protective services.  
9 Upon the director's or the director's representative's request and unless protected by  
10 the attorney-client privilege, any public or private agency or individual shall provide  
11 access to and copies of this confidential information and these records to the extent  
12 permitted by federal law and regulations. If a custodian of criminal investigative  
13 information or records believes that release of the information will jeopardize the  
14 right of the State to prosecute a defendant or the right of a defendant to receive a fair  
15 trial or will undermine an ongoing or future investigation, it may seek an order from  
16 a court of competent jurisdiction to prevent disclosure of the information. In such an  
17 action, the custodian of the records shall have the burden of showing by a  
18 preponderance of the evidence that disclosure of the information in question will  
19 jeopardize the right of the State to prosecute a defendant or the right of a defendant  
20 to receive a fair trial or will undermine an ongoing or future investigation. Actions  
21 brought pursuant to this paragraph shall be set down for immediate hearing, and  
22 subsequent proceedings in the actions shall be accorded priority by the trial and  
23 appellate courts.

24 Within five working days after receipt of the report of abuse, neglect, or  
25 dependency, the director shall give written notice to the person making the report,  
26 unless requested by that person not to give notice, as to whether the report was  
27 accepted for investigation and whether the report was referred to the appropriate  
28 State or local law enforcement agency.

29 Within five working days after completion of the protective services investigation,  
30 the director shall give subsequent written notice to the person making the report,  
31 unless requested by that person not to give notice, as to whether there is a finding of  
32 abuse, neglect, or dependency, whether the county department of social services is  
33 taking action to protect the juvenile, and what action it is taking, including whether  
34 or not a petition was filed. The person making the report shall be informed of  
35 procedures necessary to request a review by the prosecutor of the director's decision  
36 not to file a petition. A request for review by the prosecutor shall be made within five  
37 working days of receipt of the second notification. The second notification shall  
38 include notice that, if the person making the report is not satisfied with the director's  
39 decision, the person may request review of the decision by the prosecutor within five  
40 working days of receipt. The person making the report may waive the person's right  
41 to this notification, and no notification is required if the person making the report  
42 does not identify himself to the director."

43 Section 20. G.S. 7B-505, as rewritten and recodified by enacted Senate  
44 Bill 1260, 1997 General Assembly, reads as rewritten:

1 **"§ 7B-505. Place of nonsecure custody.**

2 A juvenile meeting the criteria set out in G.S. 7B-503 may be placed in nonsecure  
3 custody with the department of social services or a person designated in the order for  
4 temporary residential placement in:

- 5 (1) A licensed foster home or a home otherwise authorized by law to  
6 provide such care; or  
7 (2) A facility operated by the department of social services; or  
8 (3) Any other home or ~~facility~~ facility, including a relative's home  
9 approved by the court and designated in the order.

10 In placing a juvenile in nonsecure custody under this section, the court shall first  
11 consider whether a relative of the juvenile is willing and able to provide proper care  
12 and supervision of the juvenile in a safe home. If the court finds that the relative is  
13 willing and able to provide proper care and supervision in a safe home; then the  
14 court shall order placement of the juvenile with the ~~relative.~~ relative unless the court  
15 finds that the placement is contrary to the best interests of the juvenile. ~~Prior to~~  
16 ~~placement~~ Placement of a juvenile with a relative outside of this State, ~~the placement~~  
17 State must be in accordance with the Interstate Compact on the Placement of  
18 Children, Article 38 of this Chapter."

19 Section 21. G.S. 7B-506, as rewritten and recodified by enacted Senate  
20 Bill 1260, 1997 General Assembly, reads as rewritten:

21 **"§ 7B-506. Hearing to determine need for continued nonsecure custody.**

22 (a) No juvenile shall be held under a nonsecure custody order for more than  
23 seven calendar days without a hearing on the merits or a hearing to determine the  
24 need for continued custody. A hearing on nonsecure custody conducted under this  
25 subsection may be continued for up to 10 business days with the consent of the  
26 juvenile's parent, guardian, custodian, or caretaker and, if appointed, the juvenile's  
27 guardian ad litem. In addition, the court may require the consent of additional parties  
28 or may schedule the hearing on custody despite a party's consent to a continuance. In  
29 every case in which an order has been entered by an official exercising authority  
30 delegated pursuant to G.S. 7B-502, a hearing to determine the need for continued  
31 custody shall be conducted on the day of the next regularly scheduled session of  
32 district court in the city or county where the order was entered if such session  
33 precedes the expiration of the applicable time period set forth in this subsection:  
34 Provided, that if such session does not precede the expiration of the time period, the  
35 hearing may be conducted at another regularly scheduled session of district court in  
36 the district where the order was entered.

37 (b) At a hearing to determine the need for continued custody, the court shall  
38 receive testimony and shall allow the guardian ad litem, or juvenile, and the  
39 juvenile's parent, guardian, custodian, or caretaker an opportunity to introduce  
40 evidence, to be heard in the person's own behalf, and to examine witnesses. The  
41 State shall bear the burden at every stage of the proceedings to provide clear and  
42 convincing evidence that the juvenile's placement in custody is necessary. The court  
43 shall not be bound by the usual rules of evidence at such hearings.

(c) The court shall be bound by criteria set forth in G.S. 7B-503 in determining whether continued custody is warranted.

(d) If the court determines that the juvenile meets the criteria in G.S. 7B-503 and should continue in custody, the court shall issue an order to that effect. The order shall be in writing with appropriate findings of fact. The findings of fact shall include the evidence relied upon in reaching the decision and the purposes which continued custody is to achieve.

(e) If the court orders at the hearing required in subsection (a) of this section that the juvenile remain in custody, a subsequent hearing on continued custody shall be held within seven business days of that hearing, excluding Saturdays, Sundays, and legal holidays, and pending a hearing on the merits, hearings thereafter shall be held at intervals of no more than 30 calendar days.

(f) Hearings conducted under subsection (e) of this section may be waived only with the consent of the juvenile's parent, guardian, custodian, or caretaker, and, if appointed, the juvenile's guardian ad litem.

The court may require the consent of additional parties or schedule a hearing despite a party's consent to waiver.

~~(g) Any order authorizing the continued custody of a juvenile shall include findings as to whether reasonable efforts have been made to prevent or eliminate the need for placement of the juvenile in custody and may provide for services or other efforts aimed at returning the juvenile promptly to a safe home. A finding that reasonable efforts have not been made shall not preclude the entry of an order authorizing continued custody when the court finds that continued custody is necessary for the protection of the juvenile. Where efforts to prevent the need for the juvenile's placement were precluded by an immediate threat of harm to the juvenile, the court may find that the placement of the juvenile in the absence of such efforts was reasonable. If the court finds through written findings of fact that efforts to eliminate the need for placement of the juvenile in custody clearly would be futile or would be inconsistent with the juvenile's safety and need for a safe, permanent home within a reasonable period of time, then the court shall specify in its order that reunification efforts are not required or order that reunification efforts cease.~~

(h) At each hearing to determine the need for continued custody, the court shall:

(1) Inquire as to the identity and location of any missing parent. The court shall include findings as to the efforts undertaken to locate the missing parent and to serve that parent. The order may provide for specific efforts aimed at determining the identity and location of any missing parent;

(2) Inquire as to whether a relative of the juvenile is willing and able to provide proper care and supervision of the juvenile in a safe home. If the court finds that the relative is willing and able to provide proper care and supervision in a safe home, then the court shall order temporary placement of the juvenile with the relative. relative unless the court finds that the placement is contrary to the best interests of the juvenile. ~~Prior to placement~~ Placement of a

1 juvenile with a relative outside of this State, ~~the placement State~~  
2 must be in accordance with the Interstate Compact on the  
3 Placement of Children set forth in Article 38 of this Chapter; and  
4 (3) Inquire as to whether there are other juveniles remaining in the  
5 home from which the juvenile was removed and, if there are,  
6 inquire as to the specific findings of the investigation conducted  
7 under G.S. 7B-302 and any actions taken or services provided by  
8 the director for the protection of the other juveniles."

9 Section 21.1. If Senate Bill 1260, 1997 General Assembly is enacted into  
10 law by the 1997 General Assembly, then G.S. 7A-577.1, as enacted in Part I of this  
11 act is recodified as G.S. 7B-506.1 and reads as rewritten:

12 **"§ 7B-506.1. Reasonable efforts.**

13 (a) An order placing or continuing the placement of a juvenile in the custody or  
14 placement responsibility of a county department of social services, whether an order  
15 for continued nonsecure custody, a dispositional order, or a review order:

16 (1) Shall contain a finding that the juvenile's continuation in or return  
17 to the juvenile's own home would be contrary to the juvenile's best  
18 interest;

19 (2) Shall contain findings as to whether a county department of social  
20 services has made reasonable efforts to prevent or eliminate the  
21 need for placement of the juvenile, unless the court has previously  
22 determined under subsection (b) of this section that such efforts  
23 are not required or shall cease;

24 (3) Shall contain findings as to whether a county department of social  
25 services should continue to make reasonable efforts to prevent or  
26 eliminate the need for placement of the juvenile, unless the court  
27 has previously determined or determines under subsection (b) of  
28 this section that such efforts are not required or shall cease;

29 (4) Shall specify that the juvenile's placement and care are the  
30 responsibility of the county department of social services and that  
31 the agency is to provide or arrange for the foster care or other  
32 placement of the juvenile; and

33 (5) May provide for services or other efforts aimed at returning the  
34 juvenile to a safe home or at achieving another permanent plan for  
35 the juvenile.

36 A finding that reasonable efforts have not been made by a county department of  
37 social services shall not preclude the entry of an order authorizing the juvenile's  
38 placement when the court finds that placement is necessary for the protection of the  
39 juvenile. Where efforts to prevent the need for the juvenile's placement were  
40 precluded by an immediate threat of harm to the juvenile, the court may find that the  
41 placement of the juvenile in the absence of such efforts was reasonable.

42 (b) In any order placing a juvenile in the custody or placement responsibility of a  
43 county department of social services, whether an order for continued nonsecure  
44 custody, a dispositional order, or a review order, the court may direct that reasonable

1 efforts to eliminate the need for placement of the juvenile shall not be required or  
2 shall cease if the court makes written findings of fact that:

- 3 (1) Such efforts clearly would be futile or would be inconsistent with  
4 the juvenile's health, safety, and need for a safe, permanent home  
5 within a reasonable period of time;
- 6 (2) A court of competent jurisdiction has determined that the parent  
7 has subjected the child to aggravated circumstances as defined in  
8 G.S. ~~7A-517(3a)~~, 7B-101(1a);
- 9 (3) A court of competent jurisdiction has terminated involuntarily the  
10 parental rights of the parent to another child of the parent; or
- 11 (4) A court of competent jurisdiction has determined that: the parent  
12 has committed murder or voluntary manslaughter of another child  
13 of the parent; has aided, abetted, attempted, conspired, or solicited  
14 to commit murder or voluntarily manslaughter of the child or  
15 another child of the parent; or has committed a felony assault  
16 resulting in serious bodily injury to the child or another child of  
17 the parent.

18 (c) At any hearing at which the court finds that reasonable efforts to eliminate the  
19 need for the juvenile's placement are not required or shall cease, the court shall  
20 direct that a permanency planning hearing as required by G.S. ~~7A-657.1~~ 7B-906.1 be  
21 held within 30 calendar days after the date of the hearing and, if practicable, shall set  
22 the date and time for the permanency planning hearing.

23 (d) In determining reasonable efforts to be made with respect to a juvenile and in  
24 making such reasonable efforts, the juvenile's health and safety shall be the  
25 paramount concern. Reasonable efforts to preserve or reunify families may be made  
26 concurrently with efforts to plan for the juvenile's adoption, to place the juvenile  
27 with a legal guardian, or to place the juvenile in another permanent arrangement."

28 Section 22. G.S. 7B-801, as rewritten and recodified by enacted Senate  
29 Bill 1260, 1997 General Assembly, reads as rewritten:

30 "**§ 7B-801. Adjudicatory hearing.**

31 The adjudicatory hearing shall be held in the district at such time and place as the  
32 chief district court judge shall ~~designate~~ designate but no later than 60 days from the  
33 filing of the petition, unless the judge pursuant to G.S. 7B-803 orders that it be held  
34 at a later time. ~~The court may exclude the public from the hearing unless the~~  
35 ~~juvenile moves that the hearing be open, which motion shall be granted.~~ At a  
36 hearing in which a juvenile is alleged to be abused, neglected, or dependent, the  
37 judge shall exclude the general public."

38 Section 23. G.S. 7B-903, as rewritten and recodified by enacted Senate  
39 Bill 1260, 1997 General Assembly, reads as rewritten:

40 "**§ 7B-903. Dispositional alternatives for abused, neglected, or dependent juvenile.**

41 The following alternatives for disposition shall be available to any court exercising  
42 jurisdiction, and the court may combine any of the applicable alternatives when the  
43 court finds the disposition to be in the best interests of the juvenile:

- 1           (1) The court may dismiss the case or continue the case in order to  
2           allow the parent or others to take appropriate action.
- 3           (2) In the case of any juvenile who needs more adequate care or  
4           supervision or who needs placement, the court may:
- 5           a. Require that the juvenile be supervised in the juvenile's own  
6           home by the department of social services in the juvenile's  
7           county, or by other personnel as may be available to the  
8           court, subject to conditions applicable to the parent,  
9           guardian, custodian, or caretaker as the court may specify;  
10          or
- 11          b. Place the juvenile in the custody of a parent, relative,  
12          private agency offering placement services, or some other  
13          suitable person; or
- 14          c. Place the juvenile in the custody of the department of social  
15          services in the county of the juvenile's residence, or in the  
16          case of a juvenile who has legal residence outside the State,  
17          in the physical custody of the department of social services  
18          in the county where the juvenile is found so that agency  
19          may return the juvenile to the responsible authorities in the  
20          juvenile's home state. The director may, unless otherwise  
21          ordered by the court, arrange for, provide, or consent to,  
22          needed routine or emergency medical or surgical care or  
23          treatment. In the case where the parent is unknown,  
24          unavailable, or unable to act on behalf of the juvenile, the  
25          director may, unless otherwise ordered by the court, arrange  
26          for, provide, or consent to any psychiatric, psychological,  
27          educational, or other remedial evaluations or treatment for  
28          the juvenile placed by a court or the court's designee in the  
29          custody or physical custody of a county department of social  
30          services under the authority of this or any other Chapter of  
31          the General Statutes. Prior to exercising this authority, the  
32          director shall make reasonable efforts to obtain consent from  
33          a parent or guardian of the affected juvenile. If the director  
34          cannot obtain such consent, the director shall promptly  
35          notify the parent or guardian that care or treatment has  
36          been provided and shall give the parent frequent status  
37          reports on the circumstances of the juvenile. Upon request  
38          of a parent or guardian of the affected juvenile, the results  
39          or records of the aforementioned evaluations, findings, or  
40          treatment shall be made available to such parent or guardian  
41          by the director unless prohibited by G.S. 122C-53(d). If a  
42          juvenile is removed from the home and placed in custody or  
43          placement responsibility of a county department of social  
44          services, the Director shall not allow unsupervised visitation

1           with, or return physical custody of the juvenile to, the  
2           parent, guardian, custodian, or caretaker without a hearing  
3           at which the court finds that the juvenile will receive proper  
4           care and supervision in a safe home.

5           In placing a juvenile in out-of-home care under this  
6           section, the court shall first consider whether a relative of  
7           the juvenile is willing and able to provide proper care and  
8           supervision of the juvenile in a safe home. If the court finds  
9           that the relative is willing and able to provide proper care  
10          and supervision in a safe home, then the court shall order  
11          placement of the juvenile with the relative unless the court  
12          finds that the placement is contrary to the best interests of  
13          the juvenile. Placement of a juvenile with a relative outside  
14          of this State must be in accordance with the Interstate  
15          Compact on the Placement of Children.

16           (3) In any case, the court may order that the juvenile be examined by  
17           a physician, psychiatrist, psychologist, or other qualified expert as  
18           may be needed for the court to determine the needs of the  
19           juvenile:

20           a. Upon completion of the examination, the court shall  
21           conduct a hearing to determine whether the juvenile is in  
22           need of medical, surgical, psychiatric, psychological, or other  
23           treatment and who should pay the cost of the treatment. The  
24           county manager, or such person who shall be designated by  
25           the chairman of the county commissioners, of the juvenile's  
26           residence shall be notified of the hearing, and allowed to be  
27           heard. If the court finds the juvenile to be in need of  
28           medical, surgical, psychiatric, psychological, or other  
29           treatment, the court shall permit the parent or other  
30           responsible persons to arrange for treatment. If the parent  
31           declines or is unable to make necessary arrangements, the  
32           court may order the needed treatment, surgery, or care, and  
33           the court may order the parent to pay the cost of the care  
34           pursuant to G.S. 7B-904. If the court finds the parent is  
35           unable to pay the cost of treatment, the court shall order the  
36           county to arrange for treatment of the juvenile and to pay  
37           for the cost of the treatment. The county department of  
38           social services shall recommend the facility that will provide  
39           the juvenile with treatment.

40           b. If the court believes, or if there is evidence presented to the  
41           effect that the juvenile is mentally ill or is developmentally  
42           disabled, the court shall refer the juvenile to the area mental  
43           health, developmental disabilities, and substance abuse  
44           services director for appropriate action. A juvenile shall not

1 be committed directly to a State hospital or mental  
2 retardation center; and orders purporting to commit a  
3 juvenile directly to a State hospital or mental retardation  
4 center except for an examination to determine capacity to  
5 proceed shall be void and of no effect. The area mental  
6 health, developmental disabilities, and substance abuse  
7 director shall be responsible for arranging an  
8 interdisciplinary evaluation of the juvenile and mobilizing  
9 resources to meet the juvenile's needs. If institutionalization  
10 is determined to be the best service for the juvenile,  
11 admission shall be with the voluntary consent of the parent  
12 or guardian. If the parent, guardian, custodian, or caretaker  
13 refuses to consent to a mental hospital or retardation center  
14 admission after such institutionalization is recommended by  
15 the area mental health, developmental disabilities, and  
16 substance abuse director, the signature and consent of the  
17 court may be substituted for that purpose. In all cases in  
18 which a regional mental hospital refuses admission to a  
19 juvenile referred for admission by a court and an area  
20 mental health, developmental disabilities, and substance  
21 abuse director or discharges a juvenile previously admitted  
22 on court referral prior to completion of treatment, the  
23 hospital shall submit to the court a written report setting out  
24 the reasons for denial of admission or discharge and setting  
25 out the juvenile's diagnosis, indications of mental illness,  
26 indications of need for treatment, and a statement as to the  
27 location of any facility known to have a treatment program  
28 for the juvenile in question."

29 Section 24. G.S. 7B-905, as rewritten and recodified by enacted Senate  
30 Bill 1260, 1997 General Assembly, reads as rewritten:

31 "**§ 7B-905. Dispositional order.**

32 (a) The dispositional order shall be in writing and shall contain appropriate  
33 findings of fact and conclusions of law. The court shall state with particularity, both  
34 orally and in the written order of disposition, the precise terms of the disposition  
35 including the kind, duration, and the person who is responsible for carrying out the  
36 disposition and the person or agency in whom custody is vested.

37 (b) A dispositional order under which a juvenile is removed from the custody of a  
38 parent, guardian, custodian, or caretaker shall direct that the review hearing required  
39 by G.S. 7B-906 be held within ~~six months~~ 90 days from of the date of the ~~juvenile's~~  
40 ~~placement in custody~~ dispositional hearing and, if practicable, shall set the date and  
41 time for the review hearing.

42 (c) Any dispositional order ~~directing placement of a juvenile in foster care shall~~  
43 ~~also contain:~~ shall comply with the requirements of G.S. 7B-506.1.

(1) ~~A finding that the juvenile's continuation in or return to the juvenile's home would be contrary to the juvenile's best interests; and~~

(2) ~~Findings as to whether reasonable efforts have been made to prevent or eliminate the need for placement of the juvenile in foster care. A finding that reasonable efforts were not made shall not preclude entry of a dispositional order authorizing placement in foster care when the court finds that such placement is needed for protection of the juvenile. When efforts to prevent the need for the juvenile's placement are precluded by an immediate threat of harm to the juvenile, the court may find that placement of the juvenile in the absence of such efforts is reasonable.~~

~~The order may provide for services or other efforts aimed at returning the juvenile promptly to a safe home. If the court finds through written findings of fact that efforts to eliminate the need for placement of the juvenile in custody clearly would be futile or would be inconsistent with the juvenile's safety and need for a safe, permanent home within a reasonable period of time, the court shall specify in its order that reunification efforts are not required or order that reunification efforts cease.~~

~~(d) An order that places a juvenile in the custody of a county department of social services for placement shall specify that the juvenile's placement and care are the responsibility of the county department of social services and that the county department is to provide or arrange for the foster care or other placement of the juvenile. Any dispositional order shall provide for appropriate visitation as may be in the best interests of the juvenile and consistent with the juvenile's health and safety. If the juvenile is placed in the custody or placement responsibility of a county department of social services, the court may order the director to arrange, facilitate, and supervise a visitation plan expressly approved by the court.~~

Section 25. G.S. 7B-906, as rewritten and recodified by enacted Senate Bill 1260, 1997 General Assembly, reads as rewritten:

"§ 7B-906. Review of custody order.

(a) In any case where custody is removed from a parent, guardian, custodian, or caretaker the court shall conduct a review hearing within ~~six months of~~ 90 days from the date ~~the order was entered; of the dispositional hearing shall conduct a second review within six months after the first review, and shall conduct subsequent reviews at least every year thereafter. a review hearing within six months thereafter.~~ The director of social services shall make ~~timely requests~~ a timely request to the clerk to calendar ~~the case~~ each review at a session of court scheduled for the hearing of juvenile ~~matters within six months of the date the order was entered. matters.~~ The director shall make ~~timely requests for calendaring subsequent reviews.~~ The clerk shall give 15 days' notice of the review and its purpose to the parent, the juvenile, if 12 years of age or more, the guardian, any foster parent, relative, or preadoptive parent providing care for the child, the custodian or agency with custody, the guardian ad litem, and any other person or agency the court may specify, indicating the court's impending review. Nothing in this subsection shall be construed to make

1 any foster parent, relative, or preadoptive parent a party to the proceeding solely  
2 based on receiving notice and an opportunity to be heard.

3 (b) Notwithstanding other provisions of this Article, the court may waive the  
4 holding of review hearings required by subsection (a) of this section, may require  
5 written reports to the court by the agency or person holding custody in lieu of review  
6 hearings, or order that review hearings be held less often than every ~~12~~ six months, if  
7 the court finds by clear, cogent, and convincing evidence that:

- 8 (1) The juvenile has resided with a relative or has been in the custody  
9 of another suitable person for a period of at least one year;
- 10 (2) The placement is stable and continuation of the placement is in the  
11 juvenile's best interests;
- 12 (3) Neither the juvenile's best interests nor the rights of any party  
13 require that review hearings be held every 12 months;
- 14 (4) All parties are aware that the matter may be brought before the  
15 court for review at any time by the filing of a motion for review or  
16 on the court's own motion; and
- 17 (5) The court order has designated the relative or other suitable  
18 person as the juvenile's permanent caretaker or guardian of the  
19 person.

20 The court may not waive or refuse to conduct a review hearing if a party files a  
21 motion seeking the review.

22 (c) At every review hearing, the court shall consider information from the  
23 ~~department of social services, the juvenile, the parent, the guardian, the custodian,~~  
24 ~~the foster parent, the guardian ad litem, and any public or private agency which will~~  
25 ~~aid it in its review.~~ parent, the juvenile, the guardian, any foster parent, relative or  
26 preadoptive parent providing care for the child, the custodian or agency with custody,  
27 the guardian ad litem, and any other person or agency which will aid in its review.

28 In each case the court shall consider the following criteria and make written  
29 findings regarding those that are relevant:

- 30 (1) Services which have been offered to reunite the family, or whether  
31 efforts to reunite the family clearly would be futile or inconsistent  
32 with the juvenile's safety and need for a safe, permanent home  
33 within a reasonable period of time.
- 34 (2) Where the juvenile's return home is unlikely, the efforts which  
35 have been made to evaluate or plan for other methods of care.
- 36 (3) Goals of the foster care placement and the appropriateness of the  
37 foster care plan.
- 38 (4) A new foster care plan, if continuation of care is sought, that  
39 addresses the role the current foster parent will play in the  
40 planning for the juvenile.
- 41 (5) Reports on the placements the juvenile has had and any services  
42 offered to the juvenile and the parent.
- 43 (5a) An appropriate visitation plan.

(5b) If the juvenile is 16 or 17 years of age, a report on an independent living assessment of the juvenile and, if appropriate, an independent living plan developed for the juvenile.

(6) When and if termination of parental rights should be considered.

(7) Any other criteria the court deems necessary.

(d) The court, after making findings of fact, may appoint a guardian of the person for the juvenile pursuant to G.S. 7B-600 or may make any disposition authorized by G.S. 7B-903, including the authority to place the juvenile in the custody of either parent or any relative found by the court to be suitable and found by the court to be in the best interests of the juvenile. ~~If the juvenile is placed in or remains in the custody of the department of social services, the court may authorize the department to arrange and supervise a visitation plan. Except for such visitation, the juvenile shall not be returned to the parent, guardian, custodian, or caretaker without a hearing at which the court finds sufficient facts to show that the juvenile will receive proper care and supervision.~~ The court may enter an order continuing the placement under review or providing for a different placement as is deemed to be in the best interests of the juvenile. If at any time custody is restored to a parent, guardian, custodian, or caretaker the court shall be relieved of the duty to conduct periodic judicial reviews of the placement.

~~(e) At a hearing designated by the court, but at least within 12 months after the juvenile's placement, a review hearing shall be held under this section and designated as a permanency planning hearing. The purpose of the hearing shall be to develop a plan to achieve a safe, permanent home for the juvenile within a reasonable period of time. Notice of the hearing shall inform the parties of the purpose of the hearing. At the conclusion of the hearing, if the juvenile is not returned home, the court shall make specific findings as to the best plan of care to achieve a safe, permanent home for the juvenile within a reasonable period of time and shall enter an order consistent with those findings.~~

(f) The provisions of ~~subsections (b), (c), and (d) of G.S. 7B-905~~ G.S. 7B-506.1 shall apply to any order entered under this section ~~which continues the foster care placement of a juvenile.~~ section."

Section 25.1. If Senate Bill 1260, 1997 General Assembly, is enacted into law by the 1997 General Assembly, then G.S. 7A-657.1 as enacted in Part I of this act is recodified as G.S. 7B-906.1 and reads as rewritten:

**"§ 7B-906.1. Permanency planning hearing.**

(a) In any case where custody is removed from a ~~parent or person standing in loco parentis, parent, guardian, custodian, or caretaker,~~ the judge shall conduct a review hearing designated as a permanency planning hearing within 12 months after the date of the initial order removing custody, and the hearing may be combined, if appropriate, with a review hearing required by G.S. ~~7A-657. 7B-906.~~ The purpose of the permanency planning hearing shall be to develop a plan to achieve a safe, permanent home for the juvenile within a reasonable period of time. Subsequent permanency planning hearings shall be held at least every six months thereafter, or earlier as set by the court, to review the progress made in finalizing the permanent

1 plan for the juvenile, or if necessary, to make a new permanent plan for the juvenile.  
2 The Director of Social Services shall make a timely request to the clerk to calendar  
3 each permanency planning hearing at a session of court scheduled for the hearing of  
4 juvenile matters. The clerk shall give 15 days' notice of the hearing and its purpose  
5 to the ~~parent and to any person standing in loco parentis~~, parent, the juvenile if 12  
6 years of age or more, the guardian, any foster parent, relative, or preadoptive parent  
7 providing care for the child, the custodian or agency with custody, the guardian ad  
8 litem, and any other person or agency the court may specify, indicating the court's  
9 impending review. Nothing in this provision shall be construed to make any foster  
10 parent, relative, or preadoptive parent a party to the proceeding solely based on  
11 receiving notice and an opportunity to be heard.

12 (b) At any permanency planning review, the court shall consider information from  
13 the parent, ~~any person standing in loco parentis~~, the juvenile, the guardian, any foster  
14 parent, relative or preadoptive parent providing care for the child, the custodian or  
15 agency with custody, the guardian ad litem, and any other person or agency which  
16 will aid it in the court's review. At the conclusion of the hearing, if the juvenile is  
17 not returned home, the court shall consider the following criteria and make written  
18 findings regarding those that are relevant:

- 19 (1) Whether it is possible for the juvenile to be returned home  
20 immediately or within the next six months, and if not, why it is not  
21 in the juvenile's best interests to return home;
- 22 (2) Where the juvenile's return home is unlikely within six months,  
23 whether legal guardianship or custody with a relative or some  
24 other suitable person should be established, and if so, the rights  
25 and responsibilities which should remain with the parents;
- 26 (3) Where the juvenile's return home is unlikely within six months,  
27 whether adoption should be pursued and if so, any barriers to the  
28 juvenile's adoption;
- 29 (4) Where the juvenile's return home is unlikely within six months,  
30 whether the juvenile should remain in the current placement or be  
31 placed in another permanent living arrangement and why;
- 32 (5) Whether the county department of social services has since the  
33 initial permanency plan hearing made reasonable efforts to  
34 implement the permanent plan for the juvenile;
- 35 (6) Any other criteria the court deems necessary.

36 (c) At the conclusion of the hearing, the judge shall make specific findings as to  
37 the best plan of care to achieve a safe, permanent home for the juvenile within a  
38 reasonable period of time. The judge may appoint a guardian of the person for the  
39 juvenile pursuant to G.S. ~~7A-585~~ 7B-600 or make any disposition authorized by G.S.  
40 ~~7A-647~~ 7B-903 including the authority to place the child in the custody of either  
41 parent or any relative found by the court to be suitable and found by the court to be  
42 in the best interest of the juvenile. If the juvenile is not returned home, the court  
43 shall enter an order consistent with its findings that directs the department of social  
44 services to make reasonable efforts to place the juvenile in a timely manner in

1 accordance with the permanent plan, to complete whatever steps are necessary to  
2 finalize the permanent placement of the juvenile, and to document such steps in the  
3 juvenile's case plan. If at any time custody is restored to a parent, or findings are  
4 made in accordance with G.S. ~~7A-657(b)~~, 7B-906(b) the court shall be relieved of the  
5 duty to conduct periodic judicial reviews of the placement.

6 If the court continues the juvenile's placement in the custody or placement  
7 responsibility of a county department of social services, the provisions of G.S.  
8 ~~7A-577.1~~ 7B-506.1 shall apply to any order entered under this section.

9 (d) In the case of a juvenile who is in the custody or placement responsibility of a  
10 county department of social services, and has been in placement outside the home for  
11 15 of the most recent 22 months; or a court of competent jurisdiction has determined  
12 that the parent has abandoned the child; or has committed murder or voluntary  
13 manslaughter of another child of the parent; or has aided, abetted, attempted,  
14 conspired, or solicited to commit murder or voluntary manslaughter of the child or  
15 another child of the parent, the court shall order the director of the department of  
16 social services to initiate a proceeding to terminate the parental rights of the parent  
17 unless the court finds:

- 18 (1) The permanent plan for the juvenile is guardianship or custody  
19 with a relative or some other suitable person;
- 20 (2) The court makes specific findings why the filing of a petition for  
21 termination of parental rights is not in the best interests of the  
22 child; or
- 23 (3) The department of social services has not provided the juvenile's  
24 family with such services as the department deems necessary, when  
25 reasonable efforts are still required to enable the juvenile's return  
26 to a safe home.

27 (e) If a proceeding to terminate the parental rights of the juvenile's parents is  
28 necessary in order to perfect the permanent plan for the juvenile, the director of the  
29 department of social services shall file a petition to terminate parental rights within  
30 60 calendar days from the date of the permanency planning hearing unless the court  
31 makes written findings why the petition cannot be filed within 60 days. If the court  
32 makes findings to the contrary, the court shall specify the time frame in which any  
33 needed petition to terminate parental rights shall be filed."

34 Section 26. G.S. 7B-907, as rewritten and recodified by enacted Senate  
35 Bill 1260, 1997 General Assembly, reads as rewritten:

36 "**§ 7B-907. Posttermination of parental rights' placement court review.**

37 (a) The purpose of each placement review is to ensure that every reasonable effort  
38 is being made to provide for a permanent placement plan for the juvenile who has  
39 been placed in the custody of a county director or licensed child-placing agency,  
40 which is consistent with the juvenile's best interests. At each review hearing the court  
41 may consider information from the department of social services, the licensed  
42 child-placing agency, the guardian ad litem, the ~~juvenile, the~~ child, any foster parent,  
43 relative, or preadoptive parent providing care for the child, and any other person or  
44 agency the court determines is likely to aid in the review.

1 (b) The court shall conduct a placement review not later than six months from the  
2 date of the termination hearing when parental rights have been terminated by a  
3 petition brought by any person or agency designated in G.S. 7B-1102(2) through (5)  
4 and a county director or licensed child-placing agency has custody of the juvenile.  
5 The court shall conduct reviews every six months thereafter until the juvenile is  
6 placed for adoption and the adoption petition is filed by the adoptive parents:

7 (1) No more than 30 days and no less than 15 days prior to each  
8 review, the clerk shall give notice of the review to the juvenile if  
9 the juvenile is at least 12 years of age, the legal custodian of the  
10 juvenile, ~~the~~ any foster parent, relative, or preadoptive parent  
11 providing care for the juvenile, the guardian ad litem, if any, and  
12 any other person or agency the court may specify. Only the  
13 juvenile, if the juvenile is at least 12 years of age, the legal  
14 custodian of the juvenile, ~~the~~ any foster parent, relative, or  
15 preadoptive parent providing care for the juvenile, and the  
16 guardian ad litem shall attend the review hearings, except as  
17 otherwise directed by the court. Nothing in this subdivision shall  
18 be construed to make any foster parent, relative, or preadoptive  
19 parent a party to the proceeding solely based on receiving notice  
20 and an opportunity to be heard.

21 (2) If a guardian ad litem for the juvenile has not been appointed  
22 previously by the court in the termination proceeding, the court, at  
23 the initial six-month review hearing, may appoint a guardian ad  
24 litem to represent the juvenile. The court may continue the case  
25 for such time as is necessary for the guardian ad litem to become  
26 familiar with the facts of the case.

27 (c) The court shall consider at least the following in its review:

28 (1) The adequacy of the plan developed by the county department of  
29 social services or a licensed child-placing agency for a permanent  
30 placement relative to the juvenile's best interests and the efforts of  
31 the department or agency to implement such plan;

32 (2) Whether the juvenile has been listed for adoptive placement with  
33 the North Carolina Adoption Resource Exchange, the North  
34 Carolina Photo Adoption Listing Service (PALS), or any other  
35 specialized adoption agency; and

36 (3) The efforts previously made by the department or agency to find a  
37 permanent home for the juvenile.

38 (d) The court, after making findings of fact, shall affirm the county department's  
39 or child-placing agency's plans or require specific additional steps which are  
40 necessary to accomplish a permanent placement which is in the best interests of the  
41 juvenile.

42 (e) If the juvenile has been placed for adoption prior to the date scheduled for  
43 the review, written notice of said placement shall be given to the clerk to be placed

1 in the court file, and the review hearing shall be cancelled with notice of said  
2 cancellation given by the clerk to all persons previously notified.

3 (f) The process of selection of specific adoptive parents shall be the responsibility  
4 of and within the discretion of the county department of social services or licensed  
5 child-placing agency. The guardian ad litem may request information from and  
6 consult with the county department or child-placing agency concerning the selection  
7 process. If the guardian ad litem requests information about the selection process, the  
8 county shall provide the information within five days. Any issue of abuse of  
9 discretion by the county department or child-placing agency in the selection process  
10 must be raised by the guardian ad litem within 10 days following the date the agency  
11 notifies the court and the guardian ad litem in writing of the filing of the adoption  
12 petition."

13 Section 26.1. If Senate Bill 1260, 1997 General Assembly, is enacted into  
14 law by the 1997 General Assembly, then G.S. 7A-289.23.1 as enacted in Part I of this  
15 act is recodified as G.S. 7B-1101.1 and reads as rewritten:

16 "**§ 7B-1101.1. Pending child abuse, neglect, or dependency hearings.**

17 When a juvenile is currently within the jurisdiction of the district court based upon  
18 an abuse, neglect, or dependency proceeding, a petition for termination of parental  
19 rights to that juvenile may be filed as a motion in the cause in the abuse, neglect, or  
20 dependency proceeding. Any parent of that juvenile who was previously served in  
21 the abuse, neglect, or dependency proceeding in accordance with G.S. ~~7A-565~~ 7B-407  
22 shall be served with the petition to terminate parental rights in accordance with G.S.  
23 1A-1, Rule 5."

24 Section 27. G.S. 7B-1105, as rewritten and recodified by enacted Senate  
25 Bill 1260, 1997 General Assembly, reads as rewritten:

26 "**§ 7B-1105. Issuance of summons.**

27 (a) Except as provided in G.S. 7B-1104, upon the filing of the petition, the court  
28 shall cause a summons to be issued. The summons shall be directed to the following  
29 persons or agency, not otherwise a party petitioner, who shall be named as  
30 respondents:

- 31 (1) The parents of the juvenile;
- 32 (2) Any person who has been judicially appointed as guardian of the  
33 person of the juvenile;
- 34 (3) The custodian of the juvenile appointed by a court of competent  
35 jurisdiction;
- 36 (4) Any county department of social services or licensed child-placing  
37 agency to whom a juvenile has been released by one parent  
38 pursuant to Part 7 of Article 3 of Chapter 48 of the General  
39 ~~Statutes; Statutes or any county department of social services to~~  
40 whom placement responsibility for the child has been given by a  
41 court of competent jurisdiction; and
- 42 (5) The juvenile, if the juvenile is 12 years of age or older at the time  
43 the petition is filed.

1 Provided, no summons need be directed to or served upon any parent who has  
2 previously surrendered the juvenile to a county department of social services or  
3 licensed child-placing agency nor to any parent who has consented to the adoption of  
4 the juvenile by the petitioner. The summons shall notify the respondents to file a  
5 written answer within 30 days after service of the summons and petition. Service of  
6 the summons shall be completed as provided under the procedures established by  
7 G.S. 1A-1, Rule 4(j); but the parent of the juvenile shall not be deemed to be under  
8 disability even though the parent is a minor.

9 (b) The summons shall be issued for the purpose of terminating parental rights  
10 pursuant to the provisions of subsection (a) of this section and shall include:

- 11 (1) The name of the minor juvenile;
- 12 (2) Notice that a written answer to the petition must be filed with the  
13 clerk who signed the petition within 30 days after service of the  
14 summons and a copy of the petition, or the parent's rights may be  
15 terminated;
- 16 (3) Notice that if they are indigent, the parents are entitled to  
17 appointed counsel. The parents may contact the clerk immediately  
18 to request counsel;
- 19 (4) Notice that this is a new case. Any attorney appointed previously  
20 will not represent the parents in this proceeding unless ordered by  
21 the court;
- 22 (5) Notice that the date, time, and place of the hearing will be mailed  
23 by the clerk upon filing of the answer or 30 days from the date of  
24 service if no answer is filed; and
- 25 (6) Notice of the purpose of the hearing and notice that the parents  
26 may attend the termination hearing.

27 (c) If a county department of social services, not otherwise a party petitioner, is  
28 served with a petition alleging that the parental rights of the parent should be  
29 terminated pursuant to G.S. 7B-1110, the department shall file a written answer and  
30 shall be deemed a party to the proceeding."

31 Section 28. G.S. 7B-1110, as rewritten and recodified by enacted Senate  
32 Bill 1260, 1997 General Assembly, reads as rewritten:

33 "**§ 7B-1110. Grounds for terminating parental rights.**

34 The court may terminate the parental rights upon a finding of one or more of the  
35 following:

- 36 (1) The parent has abused or neglected the juvenile. The juvenile  
37 shall be deemed to be abused or neglected if the court finds the  
38 juvenile to be an abused juvenile within the meaning of G.S. 7B-  
39 101(1) or a neglected juvenile within the meaning of G.S. 7B-  
40 101(14)
- 41 (2) The parent has willfully left the juvenile in foster care or  
42 placement outside the home for more than 12 months without  
43 showing to the satisfaction of the court that reasonable progress  
44 under the circumstances has been made within 12 months in

correcting those conditions which led to the removal of the juvenile. Provided, however, that no parental rights shall be terminated for the sole reason that the parents are unable to care for the juvenile on account of their poverty.

(3) The burden in such proceedings shall be upon the petitioner to prove the facts justifying such termination by clear and convincing evidence.

(4) The juvenile has been placed in the custody of a county department of social services, a licensed child-placing agency, a child-caring institution, or a foster home, and the parent, for a continuous period of six months next preceding the filing of the petition, has willfully failed for such period to pay a reasonable portion of the cost of care for the juvenile although physically and financially able to do so.

(5) One parent has been awarded custody of the juvenile by judicial decree or has custody by agreement of the parents, and the other parent whose parental rights are sought to be terminated has for a period of one year or more next preceding the filing of the petition willfully failed without justification to pay for the care, support, and education of the juvenile, as required by said decree or custody agreement.

(6) The father of a juvenile born out of wedlock has not, prior to the filing of a petition to terminate parental rights:

a. Established paternity judicially or by affidavit which has been filed in a central registry maintained by the Department of Health and Human Services; provided, the court shall inquire of the Department of Health and Human Services as to whether such an affidavit has been so filed and shall incorporate into the case record the Department's certified reply; or

b. Legitimated the juvenile pursuant to provisions of G.S. 49-10 or filed a petition for this specific purpose; or

c. Legitimated the juvenile by marriage to the mother of the juvenile; or

d. Provided substantial financial support or consistent care with respect to the juvenile and mother.

(7) That the parent is incapable of providing for the proper care and supervision of the juvenile, such that the juvenile is a dependent juvenile within the meaning of G.S. 7B-101(7), and that there is a reasonable probability that such incapability will continue for the foreseeable future. Incapability under this subdivision may be the result of substance abuse, mental retardation, mental illness, organic brain syndrome, or any other similar cause or condition.

- 1           (8) The parent has willfully abandoned the juvenile for at least six  
2 consecutive months immediately preceding the filing of the  
3 petition. For the purpose of this subdivision, a juvenile may be  
4 willfully abandoned by the juvenile's natural father if the mother  
5 of the juvenile had been willfully abandoned by and was living  
6 separate and apart from the father at the time of the juvenile's  
7 birth, although the father may not have known of such birth; but in  
8 any event the juvenile must be over the age of three months at the  
9 time of the filing of the petition.
- 10          (9) The parent has committed murder or voluntary manslaughter of  
11 another child of the parent; has aided, abetted, attempted,  
12 conspired, or solicited to commit murder or voluntary  
13 manslaughter of the child or another child of the parent; or has  
14 committed a felony assault that results in serious bodily injury to  
15 the child or another child of the parent.
- 16          (10) The parental rights of the parent with respect to another child of  
17 the parent have been terminated involuntarily by a court of  
18 competent jurisdiction and the parent lacks the ability or  
19 willingness to establish a safe home."

20           Section 29. Sections 1 through 9 of this act become effective December 1,  
21 1998, and apply to abuse, neglect, and dependency reports received, juvenile petitions  
22 filed, and review hearings commenced on and after that date. Sections 10 and 11 of  
23 this act become effective December 1, 1998, and apply to termination of parental  
24 rights petitions filed on and after that date. Sections 12 through 16 of this act  
25 become effective January 1, 1999, and apply to any placement of a minor who is in  
26 the custody or placement responsibility of a county department of social services on  
27 and after that date. If the 1997 General Assembly enacts Senate Bill 1260, then on  
28 the effective date of that act, Sections 1 through 16 of this act expire June 30, 1999  
29 and Sections 18 through 28 of this act become effective. The remainder of this act is  
30 effective when it becomes law.

## Memorandum

**Date:** August 3, 1998

**To:** Senator Bill Martin

**From:** Gann Watson, Staff Attorney, gannw@ms.ncga.state.nc.us

**Subject:** S1532 - Adoption Federal Requirements - Certification

G.S. 120-36.8 requires that every introduced bill that proposes any change in the law which purports to implement federal law or purports to be required or necessary for compliance with federal law, or on which is conditioned the receipt of federal funds, shall have attached a certification identifying the federal law. The certification is to be provided by the Fiscal Research Division in consultation with Bill Drafting/General Research.

Senate Bill 1532 makes changes to State law to ensure that the State is in compliance with Public Law 105-89, The Adoption and Safe Families Act of 1997. Compliance with P.L. 105-89 is required in order for the State to continue to receive federal funds for the State's foster care and adoption program.

The purpose of the federal law is to assure safe homes for children in a timely manner, expedite reunification of families when reunification is in the child's best interest, provide for permanent placement of children with their relatives when appropriate and in the child's best interest, initiate proceedings to terminate parental rights when parents have not provided for their children or have subjected their children to an unsafe home environment, and to facilitate timely adoption of children for whom reunification with the family is inappropriate. In order to accomplish these purposes, federal law requires the following: the health and safety of children must be of paramount concern when making reasonable efforts to keep children in the home or reunify families when children have been removed; initiate proceedings to terminate parental rights for certain children in foster care; and require criminal history record checks on foster parents and prospective adoptive

parents. These federal requirements also necessitate changes in State law pertaining to permanency planning hearings and to the time lines for adjudicatory, dispositional, and review stages of custody order hearings.

Sections 1- 16 and Section 18 are necessary changes in State law in order to comply with P.L. 105-89. Section 17 appropriates funds to implement the criminal history record checks required for foster care and prospective adoptive parents. Section 2 includes a technical change to the law to restore language deleted in error in S.L. 1997-390.

18 shall, on a form provided by the district attorney's office, indicate whether the victim  
19 wishes to receive any further notices of trial proceedings involving the accused. If the  
20 victim elects to receive further notices, the victim shall be responsible for notifying  
21 the district attorney's office or any other department or agency that has a  
22 responsibility under this Article of any changes in the victim's address and phone  
23 number.
- 24       (c) A victim has the right to be present at every court proceeding at which the  
25 accused has the right to be present. The district attorney's office shall notify a victim  
26 of the date, time, and place of these proceedings. All notices required to be given by  
27 the district attorney's office shall be given in a manner that is reasonably calculated  
28 to be received by the victim prior to the date of the court proceeding.
- 29       (d) Whenever practical, the district attorney's office shall provide a secure waiting  
30 area during court proceedings that does not place the victim in close proximity to the  
31 defendant or the defendant's family.
- 32       (e) When the victim is to be called as a witness in a court proceeding, the court  
33 shall make every effort to permit the fullest attendance possible by the victim in the  
34 proceedings.
- 35       (f) Prior to the disposition of the case, the district attorney's office shall offer the  
36 victim of crime the opportunity to consult with the prosecuting attorney to obtain the  
37 views of the victim about the disposition of a crime, including the victim's views  
38 about dismissal, plea or negotiations, sentencing, and any pretrial diversion programs.  
39 **"§ 15A-2013. Victim impact statement.**
- 40       (a) The district attorney's office shall notify the victim that the victim has the right  
41 to make an oral or written victim impact statement, which shall be considered by the  
42 court or jury, as the case may be, in sentencing the defendant. The notice shall  
43 explain that the victim may include in the statement the following:

(1) A description of the nature and extent of any physical, psychological, or emotional injury suffered by the victim as a result of the offense committed by the defendant.

(2) An explanation of any economic or property loss suffered by the victim as a result of the offense committed by the defendant.

(3) An opinion of whether there is a need for restitution and whether the victim has applied for or received compensation under the Crime Victims Compensation Act.

(4) The victim's recommendation of an appropriate sentence for the defendant.

(b) No victim shall be required to make a victim's impact statement. The court shall not draw any inference or conclusion from a victim's decision not to make a victim's impact statement.

**"§ 15A-2014. Restitution.**

(a) A court shall, in addition to or instead of any penalty authorized by law, require that the defendant make restitution to a victim or the victim's estate for any injuries or damages arising out of the offense committed by the defendant.

(b) The amount the defendant is ordered to pay in restitution may include, if they are a result of the offense committed by the defendant:

(1) The cost of any medical or other professional services and devices or equipment required by the victim.

(2) The cost of physical therapy, occupational therapy, and rehabilitation required by the victim.

(3) Any income loss, after taxes, suffered by the victim.

(4) The cost of any psychological or medical treatment for the victim's next of kin.

(5) The cost of the victim's funeral and any related services.

The court may require that the victim or the victim's estate provide evidence that documents the costs claimed by the victim or the victim's estate under this section. Any such documentation shall be shared with the defendant before the sentencing hearing.

(c) In deciding whether to require that restitution be made, the court shall take into consideration the resources of the defendant, including all real and personal property owned by the defendant and the income derived from the property, the defendant's ability to earn, the defendant's obligation to support dependents, and any other matters that pertain to the defendant's ability to make restitution, but the court is not required to make findings of fact or conclusions of law on these matters when the sentence is imposed. The amount of restitution must be limited to that supported by the record, and the court may order partial restitution when it appears that the damage or loss caused by the offense is greater than that which the defendant is able to pay.

(d) An order providing for restitution does not abridge the right of a victim or the victim's estate to bring a civil action against the defendant for damages arising out of the offense committed by the defendant, but any amount paid by the defendant under

1 the terms of an order under this section shall be credited against any judgment  
2 rendered against the defendant in a civil action. Any amount paid by the defendant  
3 shall also be subtracted from any compensation paid by the Crime Victims  
4 Compensation Fund if the compensation is paid after restitution has been made.

5 (e) The court may order the defendant to make restitution to a person other than  
6 the victim, or to any organization, corporation, or association, including the Crime  
7 Victims Compensation Fund that provided assistance to the victim following the  
8 commission of the offense by the defendant. Restitution shall be made to the victim  
9 or the victim's estate before it is made to any other person, organization, corporation,  
10 or association.

11 (f) The court may require the defendant to make full restitution no later than a  
12 certain date or, if the circumstances warrant, may allow the defendant to make  
13 restitution in installments over a specified time period.

14 (g) If the defendant is placed on probation or post-release supervision, or is  
15 paroled, any restitution ordered under this Article shall be a condition of probation,  
16 supervision, or parole.

17 (h) If the court does not order restitution, or orders partial restitution, the court  
18 shall state on the record the reasons for such a finding.

19 "§ 15A-2015. Docketing of order of restitution.

20 An order of restitution shall be docketed with the clerk of superior court and may  
21 be collected in the same manner as a civil judgment.

22 "§ 15A-2016. Posttrial responsibilities.

23 (a) Within 30 days after the final proceeding in a case, the district attorney's office  
24 shall notify the victim, in writing, of:

- 25 (1) The final disposition of the case.  
26 (2) The crimes of which the defendant was convicted.  
27 (3) The defendant's right to appeal, if any.

28 (b) Upon a defendant's giving notice of appeal to the Court of Appeals or the  
29 Supreme Court, the district attorney's office shall forward to the Attorney General's  
30 office the victim's name, address, and phone number. Upon receipt of this  
31 information, the Attorney General's office shall provide the victim with the following:

- 32 (1) A clear and concise explanation of how the appellate process  
33 works, including information about possible actions that may be  
34 taken by the appellate court.  
35 (2) Notice of the date, time, and place of any appellate proceedings  
36 involving the defendant. Notice shall be given in a manner that is  
37 reasonably calculated to be received by the victim prior to the date  
38 of the proceedings.  
39 (3) The final disposition of an appeal.

40 (c) If the defendant has been released on bail pending the outcome of the appeal,  
41 the agency that has custody of the defendant shall notify the victim that the defendant  
42 has been released.

43 (d) If the defendant's conviction is overturned and the district attorney's office  
44 decides to retry the case or the case is remanded to superior court for a new trial, the

1 victim shall be entitled to the same rights under this Article as if the first trial did not  
2 take place.

3 **"§ 15A-2017. Responsibilities of agency with custody of defendant.**

4 The law enforcement agency that has custody of the defendant or the Department  
5 of Correction, if it has custody of the defendant, shall notify the victim of:

- 6 (1) The earliest date by which the defendant can be released from  
7 custody. The calculation of the release date shall be as exact as  
8 possible, including earned time and disciplinary credits if the  
9 sentence of imprisonment exceeds 90 days. The law enforcement  
10 agency or Department of Correction shall be required to provide  
11 notice of the defendant's earliest release date only once during the  
12 defendant's incarceration.
- 13 (2) The defendant's transfer to a minimum security facility and the  
14 address of the facility.
- 15 (3) The defendant's release or pending release into a community  
16 residential program or under extended furlough, or the transfer of  
17 the defendant to community status.
- 18 (4) Any reduction of the defendant's minimum sentence.
- 19 (5) The defendant's escape from custody.
- 20 (6) The date of any hearings held by the Parole Commission to  
21 consider whether the defendant should be released from custody.  
22 Notice should be given not later than 90 days before a hearing is  
23 held.
- 24 (7) The victim's right to submit a written or oral statement to the  
25 Parole Commission before the defendant is released.
- 26 (8) The Parole Commission's decision about whether to release or  
27 continue the incarceration of a defendant.
- 28 (9) The date the defendant is scheduled to be released from the  
29 facility. Whenever practical, notice shall be given 60 days before  
30 release.
- 31 (10) The defendant's death.

32 **"§ 15A-2018. Responsibilities of Department of Adult Probation and Parole.**

33 The Department of Adult Probation and Parole shall notify the victim of:

- 34 (1) The date of a hearing to determine whether the defendant's  
35 probation should be revoked or extended.
- 36 (2) The final disposition of any hearing held in subdivision (1) of this  
37 section.
- 38 (3) The defendant's leaving the jurisdiction of the court that sentenced  
39 the defendant without the permission of the court or the  
40 defendant's probation officer.
- 41 (4) The capture of a defendant described in subdivision (3) of this  
42 section.
- 43 (5) The date when the defendant is discharged from probation.

44 **"§ 15A-2019. Notice of commuted sentence or pardon.**

1 The Governor shall notify a victim that the Governor is considering commuting  
2 the defendant's sentence or pardoning the defendant. The Governor shall also give  
3 notice that the victim has the right to present a written statement to be considered by  
4 the Governor before the defendant's sentence is commuted or the defendant is  
5 pardoned.

6 **"§ 15A-2020. No money damages.**

7 This Article does not create a claim for damages against the State, a county, or a  
8 municipality, or any of its agencies, instrumentalities, or employees.

9 **"§ 15A-2021. No ground for relief.**

10 The failure or inability of any person to provide a right or service under this  
11 Article may not be used by a defendant in a criminal case, by an inmate, or by any  
12 other accused as a ground for relief in any criminal or civil proceeding.

13 **"§ 15A-2022. Appointment of guardian.**

14 When a victim is rendered mentally or physically incompetent, the court shall  
15 appoint a guardian to exercise the victim's rights under this Article. The court shall  
16 not appoint as guardian a person who was responsible for causing the victim's  
17 injuries.

18 **"ARTICLE 102.**

19 **"Crime Victims Rights Fund.**

20 **"§ 15A-2025. Crime Victims Rights Fund established.**

21 There is hereby established within the State treasury a special revenue fund to be  
22 known as the Crime Victims Rights Fund (hereinafter Fund). The Fund shall be  
23 administered by the Department of Crime Control and Public Safety and shall be  
24 used to supplement the budgets of law enforcement agencies and district attorney's  
25 offices that provide services to crime victims as required by the General Statutes.  
26 Revenue in the Fund at the end of each fiscal year shall not revert and interest and  
27 other investment income earned by the Fund must be credited to the Fund.

28 **"§ 15A-2026. Assessments.**

29 (a) In every criminal case where the defendant is convicted of or enters a plea of  
30 guilty or nolo contendere to a felony, a Class 1 or 1A misdemeanor, or to an offense  
31 of impaired driving under Chapter 20 of the General Statutes, the court shall order  
32 the defendant to pay a sum of thirty dollars (\$30.00) to be used to supplement the  
33 budgets of law enforcement agencies and district attorney's offices who provide  
34 services to crime victims as required by the General Statutes.

35 (b) If the court authorizes the payment of fines, costs, restitution, probation  
36 oversight fees, or any other obligations of the defendant to be paid in installments,  
37 the assessment imposed under this section shall be collected from the first monies  
38 paid by the defendant. The clerk of superior court shall transmit daily all monies  
39 collected to the Department of Crime Control and Public Safety for deposit in the  
40 Fund.

41 **"§ 15A-2027. Application for supplemental funds.**

42 (a) A law enforcement agency or district attorney's office that has a responsibility  
43 to provide services to crime victims as required by the General Statutes may apply  
44 annually to the Department of Crime Control and Public Safety for supplemental

1 funds. Supplemental funds may not be used to supplant local, State, or federal funds  
2 that are available to agencies and district attorney's offices to provide services to  
3 crime victims.

4 (b) The Department of Crime Control and Public Safety shall establish procedures  
5 for screening, recording, and processing applications for supplemental funds. The  
6 Department shall prepare and transmit annually to the General Assembly a report of

12 102 of Chapter 15A of the General Statutes."

13 Section 3. G.S. 15A-824 through G.S. 15A-827 are repealed.

14 Section 4. Article 102 as enacted in Section 1 of this act becomes  
15 effective January 1, 1998. The remainder of this act is effective when it becomes law.

27 by law, require that the defendant make restitution to a victim  
28 or the victim's estate for any injuries or damages arising  
29 directly and proximately out of the offense committed by the  
30 defendant. In determining the amount of restitution, the court  
31 shall consider the following:

32 (1) In the case of an offense resulting in bodily  
33 injury to a victim:

34 a. The cost of necessary medical and related  
35 professional services and devices or equipment  
36 relating to physical, psychiatric, and  
37 psychological care required by the victim;

38 b. The cost of necessary physical and  
39 occupational therapy and rehabilitation

- 1           c.   Income lost, after taxes, by the victim as a  
2           result of the offense.
- 3       (2) In the case of an offense resulting in the damage,  
4       loss, or destruction of property of a victim of the  
5       offense:
- 6           a.   Return of the property to the owner of the  
7           property or someone designated by the owner;  
8           or

10          (2)a. of this subsection is impossible,  
11          impracticable, or inadequate:
- 12               i.   The value of the property on the date of  
13               the damage, loss, or destruction; or
- 14               ii. The value of the property on the date of  
15               sentencing, less the value of any part of  
16               the property that is returned.

- 21       (b) The court may require that the victim or the victim's  
22       estate provide admissible evidence that documents the costs  
23       claimed by the victim or the victim's estate under this section.  
24       Any such documentation shall be shared with the defendant before  
25       the sentencing hearing.
- 26       (c) In determining the amount of restitution to be made, the

29       defendant and the income derived from the property, the  
30       defendant's ability to earn, the defendant's obligation to  
31       support dependents, and any other matters that pertain to the

36       restitution when it appears that the damage or loss caused by the  
37       offense is greater than that which the defendant is able to pay.
- 38       (d) An order providing for restitution does not abridge the  
39       right of a victim or the victim's estate to bring a civil action  
40       against the defendant for damages arising out of the offense

1 committed by the defendant. Any amount paid by the defendant

**MEMORANDUM**

**TO:** Senator Roy Cooper, Chair, Senate Judiciary Committee

**FROM:** O. Walker Reagan, Brenda Carter and Jo McCants, Committee Co-Counselors

**RE:** **PROPOSED COMMITTEE SUBSTITUTE FOR SENATE BILL 763 - CRIME VICTIMS RIGHTS ACT - Senator Cooper.**

The Proposed Committee Substitute for Senate Bill 763 would prescribe by law the rights of victims of crimes as provided for under Section 37 of Article I of the North Carolina Constitution as approved by the voters November 5, 1996. (Copy attached.)

The bill creates two different levels of services for victims by prescribing certain mandatory services for victims of the more serious offenses, and services within the discretion of the district attorney within available resources for victims of less serious offenses. The bill also defines restitution that maybe ordered as a form of punishment in any criminal case, as is now permitted for under Section 1 of Article XI of the North Carolina Constitution as amended by the voters also on November 5, 1996. (Copy attached.)

Section 1 creates a new subchapter in Chapter 15A entitled "Rights of Crime Victims and Witnesses."

Section 2 amends the current Fair Treatment for Victims and Witness Act to apply to victims of offenses not otherwise covered by the new Crime Victims' Rights Act codified in the new Article 45A.

Section 3 creates the new Article 45A- Crime Victims' Rights Act. (**All statutory section references are to G.S. 15A).**

**Sec. 830** defines the victim, the victim's next of kin, the accused, and the various agencies involved in furnishing victim services. The victim is a person against whom there is probable cause to believe one of the following crimes was committed:

Any Class A, B1, B2, C, D, or E felony (see list attached), and other felonies including assaults with deadly weapons, voluntary manslaughter, kidnapping, child sex abuse, elderly abuse and neglect, burglary, arson, habitual DWI, robbery, death by vehicle, habitual assault and stalking, and an attempts of any of these crimes. This section also provides that the next of kin of a deceased victim has the rights of other victims, except the right to restitution is limited to restitution specifically available to next of kin.

**Sec. 831** defines the responsibilities of law enforcement officers to notify the victim of the services available to the victims and rights of the victims. This includes notice about victim's compensation and contact numbers for the investigative agency and the district attorney. The victim is also to be given a form to be completed and turned in to designate what additional services and notices the victim would like to receive.

This section also spells out the responsibilities of the arresting law enforcement agency to furnish information to the investigative agency needed for the victim. This section also defines the investigative agency's responsibilities concerning giving information to the victim once the defendant is arrested including information on release from custody, and the time, date and place of the defendant's first court appearance. This section also allows the victim to request that the victim not be given any additional information in the future.

**Sec. 832** defines the responsibilities of the district attorney including furnishing the victim written material on the victim's rights, the court process, and the victim's opportunity to participate in the trial process. This section also defines at which of the court proceedings the victim has a right to be present, including when the victim is called as a witness at trial. The victim has a right to consult with the DA before the DA disposes of the case.

**Sec. 833** gives the victim the right to present a admissible evidence o the impact of the crime and requires the judge or jury to consider this evidence in sentencing the defendant. This section specifies what evidence may be included and the fact that no evidence is required to be provided.

**Sec. 834** gives the victim the right to receive restitution as ordered by the court pursuant to the criminal sentencing statute.

**Sec. 835** sets out the responsibilities of the DA after the trial, including notifying the victim of the final disposition and the defendant's right to appeal. This section requires the DA to pass on victim information to the Attorney General's Office that is to inform the victim of the appellant process and give notice to the victim of any appellant hearings. The investigative agency is also to give the victim notice if the

defendant is released on bond pending appeal. If the defendant is awarded a new trial, the victim will have the same rights as were applicable during the original trial.

**Sec. 836** sets forth the responsibilities of the agency that has custody or control over the defendant. This will normally be the city, county, or regional jails or the Department of Corrections. The responsibilities under this section include notifying the victim when the victim might be eligible for release, where the defendant is assigned for minimum custody or work release, and the victim's right to be notified of and to participate in reviews prior to the defendant's release. The victim is also to be notified if the defendant escapes, is recaptured, or if the defendant dies.

**Sec. 837** sets out the responsibilities of the Division of Adult Probation and Parole, including notifying the victim of any special conditions for probation and any hearings affecting probation.

**Sec. 838** requires the Governor's Office to notify the victim if the Governor is considering commuting the defendant's sentence or pardoning the defendant. The victim shall have a right to submit a statement to the Governor for consideration in the Governor's decision and to be informed of the decision.

**Sec. 839** makes it clear this act does not create a claim for damages against any governmental body or employee.

**Sec. 840** makes it clear that failure for the victim to be given any right or service may not be used as the basis for any relief by the defendant or victim in any criminal or civil action.

**Sec. 841** provides that the victim's next of kin may exercise the rights of an incompetent victim.

Section 4 of the bill creates a new Article 81C in Chapter 15A for restitution.  
**(All references are to sections of G.S. 15A-1340.\_\_)**

**Sec. .24** requires a judge at sentencing to determine whether, in addition to any other punishment, the defendant should be order to pay restitution to a victim. This allows for restitution to be order in any criminal case where a victim has suffered injury or damages as defined in this Article. This section also sets out what the court must consider in deciding the amount of restitution to be ordered. These factors include the amount of loss suffered by the victim and the defendant's ability to pay. This section also makes it clear that an order of restitution does not prevent a victim from bringing a civil action to recover damages. The defendant is entitled to a credit against any civil judgment for restitution payments actually made.

**Sec. .25** allows an order of restitution to be docketed and enforced as a civil judgment. Execution on any judgment would be stayed pending appeal and while the defendant is paying restitution under probation. The clerk is directed to add the normal civil fees and interest to any payoff of the judgment.

**Sec. 5** provides that provisions regarding a debtor's property that is exempt from the enforcement of the claims of creditors do not apply to criminal restitution orders that are docketed as civil judgments.

**Sec. 6** gives the victim entitled to restitution priority in receiving funds paid into the clerk of superior courts office.

**Sec. 7** allows the Victims Compensation Board to deny claims filed by person convicted of A-E felonies within 3 years of the victims injury under Chapter 15B, Crime Victims Compensation Act

**Sec. 8 .** Effective date provisions. The new G.S. 15A-830 - Crime Victims Rights definitions, G.S. 15A-833 - Evidence of Victim Impact, and G.S. 15A-834 - Restitution are effective December 1, 1998 and apply to offenses committed on or after that date. Section 4 of the bill, Restitution criminal punishment provisions, are effective December 1, 1998 and apply to offenses committed on or after that date. The changes in Section 7 regarding disqualification for compensation under the Victims Compensation Fund of persons convicted of A-E felonies is effective when the bill becomes law and applies to injuries occurring on or after that date. The remainder of the bill which includes the notification victim notification and participation provisions become effective July 1, 1999 and apply to offenses committed on or after that date.

## Assumptions and Methodology – All State Agencies and Local Law Enforcement

1. **Victims Rights Amendment** -- SB 763 is implementing legislation for the 1996 Constitutional Amendment on Victims Rights, which required certain services as "prescribed by law." This fiscal estimate assumes that services listed in SB 763 must be provided to designated victims because of the Amendment. The current Fair Treatment for Victims and Witnesses Act is discretionary to a certain extent; a lower level of services than required by SB 763 are now provided "to the extent reasonably possible and subject to available resources."
2. **New/Expanded Services** -- SB 763 mandates new services to victims and expansion of, or more precisely defined, current services. These new or expanded services outlined in SB 763 are the major cost drivers of the bill. This fiscal estimate calculates the incremental time and person hours over and above current services. Examples of new or expanded services include providing victims with information on the criminal justice system at various stages of the process; notifications of victims of the arrest of offenders, of all court proceedings, and of changes in probationary status of an offender; and, direct assistance to victims for help in obtaining services and preparing statements for court.
3. **Criminal Offenses = Number of Victims** - SB 763 mandates services to victims of specific crimes – A to E felonies, selected assaultive F through I felonies, and certain domestic violence misdemeanors. This fiscal memo assumes that only the victims of the crimes outlined in SB 763 will be provided the services outlined in the bill. In calculating the population of victims under SB 763, each department estimated the number of offenders involved in the felonies and misdemeanors defined in the bill (e.g. the Judicial Department estimated that 30,615 offenders were charged (case filings) with the felony offenses listed in SB 763 in 1997 and then estimated 1.6 victims per case or over 48,000 victims).
4. **# of Victims Who Will Request Services** - The cost estimates are also based on the projection of the number of victims likely to request services, as determined in consultation with other states and state and local agencies. Projection of how many victims will want services was the most difficult analysis; if more victims want services, the projected costs will be higher than estimated in this memo. Conversely, costs will decrease if fewer victims request services. The bill requires certain services for all victims while others are upon request -- cost estimates for anticipated service needs are adjusted when SB 763 specifies that a particular service should only be provided "upon request" of the victim.
5. **Amount of Time Required to Provide Services** -- Position estimates are based on the estimated number of victims who will request services and the time required to provide each service, such as 5 minutes for certain notifications to 60 minutes for consultation with district attorneys. (Example : Assumed 36,671 victims or 75% of total victims of felonies covered under this Bill would request notification of all court proceedings. Assumed approximately 50 minutes per victim for notification of all court proceedings or 30,559 person hours.  $30,559/1800$  hours per position = 17 Victim Witness Assistant positions.)

## Major Cost Drivers of Bill by Individual Department or Program

### Judicial Department

- Automation of victim information - notification, tracking, and a central victims database
- Increased person hours by Victim Witness Assistants due to new or expanded services (packet of information on victims programs, notifications of court proceedings, and additional assistance with victim impact statements and restitution claims).

- Additional court time and associated person hours due to new and expanded requirements for restitution and for victim impact statements to be presented in court = increase in statewide person hours for judges, clerks, district attorneys, court reporters and VWA positions. (these requirements are effective 12/1/98 and account for partial year cost in 98-99 for Judicial).
- Direct consultation with assistant district attorneys by victim

#### Departments of Correction and Justice

Correction and Justice are assigned new responsibilities under this bill – DOC must notify victims of most changes in an offenders' probation status and provide additional notifications for changes in status for prisoners. Justice must provide information to victims on the appeal process and notification of court dates and dispositions for appeal hearings. These changes require some modification to DOC automated systems and potentially new personnel in DOC (5 positions) and Justice (1).

#### Law Enforcement

- Services are primarily notification tasks, not direct services.
- Cost estimates are based primarily on providing basic information on victims services at the time of the incident (128,000 + victims ) and notification of victim upon the arrest of an offender (28,000 est.)
- Primary costs are administrative (brochures, postage,) and personnel (person hours/positions to provide information and notification services to victims and to coordinate with other criminal justice agencies). Estimates are based on total hours statewide and may not reflect need in individual counties or law enforcement offices.

31       proceeding, the court shall make every effort to permit the

34       defendant's right to a fair trial.

35       (f) Prior to the disposition of the case, the district  
36       attorney's office shall offer the victim the opportunity to

4 address, and telephone number. Upon receipt of this information,  
5 and thereafter as the circumstances require, the Attorney  
6 General's office shall provide the victim with the following:

7 (1) A clear and concise explanation of how the  
8 appellate process works, including information  
9 about possible actions that may be taken by the  
10 appellate court.

11 (2) Notice of the date, time, and place of any  
12 appellate proceedings involving the defendant.  
13 Notice shall be given in a manner that is  
14 reasonably calculated to be received by the victim  
15 prior to the date of the proceedings.

16 (3) The final disposition of an appeal.

17 (c) If the defendant has been released on bail pending the  
18 outcome of the appeal, the agency that has custody of the

20 as soon as practicable, and within 72 hours of receipt of the  
21 notification the investigating law enforcement agency shall  
22 notify the victim that the defendant has been released.

23 (d) If the defendant's conviction is overturned, and the  
24 district attorney's office decides to retry the case or the case

39               Section 4. Chapter 15A of the General Statutes is  
40 amended by adding a new Article to read:

"ARTICLE 81C."Restitution""§ 15A-1340.24. Restitution generally.

(a) When sentencing a defendant convicted of a criminal offense, the court shall determine whether the defendant shall be ordered to make restitution to any victim of the offense in question. For purposes of this Article, the term 'victim' means a person directly and proximately harmed as a result of the defendant's commission of the criminal offense.

(b) If the defendant is being sentenced for an offense for which the victim is entitled to restitution under Article 45A of this Chapter, the court shall, in addition to any penalty authorized by law, require that the defendant make restitution to the victim or the victim's estate for any injuries or damages arising directly and proximately out of the offense committed by the defendant. If the defendant is placed on probation or post-release supervision, any restitution ordered under this subsection shall be a condition of probation as provided in G.S. 15A-1343(d) or a condition of post-release supervision as provided in G.S. 148-57.1.

(c) When subsection (b) of this section does not apply, the court may, in addition to any other penalty authorized by law, require that the defendant make restitution to the victim or the victim's estate for any injuries or damages arising directly and proximately out of the offense committed by the defendant.

"§ 15A-1340.25. Basis for restitution.

(a) In determining the amount of restitution, the court shall consider the following:

(1) In the case of an offense resulting in bodily injury to a victim:

a. The cost of necessary medical and related professional services and devices or equipment relating to physical, psychiatric, and psychological care required by the victim;

b. The cost of necessary physical and occupational therapy and rehabilitation required by the victim; and

c. Income lost by the victim as a result of the offense.

1           (2) In the case of an offense resulting in the damage,  
2           loss, or destruction of property of a victim of the  
3           offense:

4           a. Return of the property to the owner of the  
5           property or someone designated by the owner;  
6           or

7           b. If return of the property under subdivision  
8           (2)a. of this subsection is impossible,  
9           impracticable, or inadequate:

10           i. The value of the property on the date of  
11           the damage, loss, or destruction; or

12           ii. The value of the property on the date of  
13           sentencing, less the value of any part of  
14           the property that is returned.

15           (3) Any measure of restitution specifically provided by  
16           law for the offense committed by the defendant.

17           (4) In the case of an offense resulting in bodily  
18           injury that results in the death of the victim, the  
19           cost of the victim's necessary funeral and related  
20           services, in addition to the items set out in  
21           subdivisions (1),(2), and (3) of this subsection.

22           (b) The court may require that the victim or the victim's  
23           estate provide admissible evidence that documents the costs  
24           claimed by the victim or the victim's estate under this section.  
25           Any such documentation shall be shared with the defendant before  
26           the sentencing hearing.

27           § 15A-1340.26. Determination of restitution.

28           (a) In determining the amount of restitution to be made, the  
29           court shall take into consideration the resources of the  
30           defendant including all real and personal property owned by the  
31           defendant and the income derived from the property, the  
32           defendant's ability to earn, the defendant's obligation to  
33           support dependents, and any other matters that pertain to the  
34           defendant's ability to make restitution, but the court is not  
35           required to make findings of fact or conclusions of law on these  
36           matters. The amount of restitution must be limited to that  
37           supported by the record, and the court may order partial  
38           restitution when it appears that the damage or loss caused by the  
39           offense is greater than that which the defendant is able to pay.

1 If the court orders partial restitution, the court shall state on  
2 the record the reasons for such an order.

3 (b) The court may require the defendant to make full  
4 restitution no later than a certain date or, if the circumstances  
5 warrant, may allow the defendant to make restitution in  
6 installments over a specified time period.

7 (c) When an active sentence is imposed the court shall  
8 consider whether it should recommend to the Secretary of  
9 Correction that restitution be made by the defendant out of any  
10 earnings gained by the defendant if the defendant is granted  
11 work-release privileges, as provided in G.S. 148-33.2. The court  
12 shall also consider whether it should recommend to the Post-  
13 Release Supervision and Parole Commission that restitution by the  
14 defendant be made a condition of any parole or post-release  
15 supervision granted the defendant, as provided in G.S. 148-57.1.

16 § 15A-1340.27. Effect of restitution order; beneficiaries.

17 (a) An order providing for restitution does not abridge the  
18 right of a victim or the victim's estate to bring a civil action  
19 against the defendant for damages arising out of the offense  
20 committed by the defendant. Any amount paid by the defendant  
21 under the terms of a restitution order under this Article shall  
22 be credited against any judgment rendered against the defendant  
23 in favor of the same victim in a civil action arising out of the  
24 criminal offense committed by the defendant.

25 (b) The court may order the defendant to make restitution to a  
26 person other than the victim, or to any organization,  
27 corporation, or association, including the Crime Victims'  
28 Compensation Fund, that provided assistance to the victim  
29 following the commission of the offense by the defendant and is  
30 subrogated to the rights of the victim. Restitution shall be  
31 made to the victim or the victim's estate before it is made to  
32 any other person, organization, corporation, or association under  
33 this subsection.

34 (c) No government agency shall benefit by way of restitution  
35 except for particular damage or loss to it over and above its  
36 normal operating costs and except that the State may receive  
37 restitution for the total amount of a judgment authorized by G.S.  
38 7A-455(b).

39 (d) No third party shall benefit by way of restitution as a  
40 result of the liability of that third party to pay indemnity to

1 an aggrieved party for the damage or loss caused by the  
2 defendant, but the liability of a third party to pay indemnity to  
3 an aggrieved party or any payment of indemnity actually made by a  
4 third party to an aggrieved party does not prohibit or limit in  
5 any way the power of the court to require the defendant to make  
6 complete and full restitution to the aggrieved party for the  
7 total amount of the damage or loss caused by the defendant.

8 "§ 15A-1340.28. Enforcement of certain orders for restitution.

9 (a) In addition to the provisions of G.S. 15A-1340.26, when an  
10 order for restitution under G.S. 15A-1340.24(b) requires the  
11 defendant to pay restitution in an amount in excess of \$250 to a  
12 victim, the order may be enforced in the same manner as a civil  
13 judgment, subject to the provisions of this section.

14 (b) The order for restitution under G.S. 15A-1340.24(b) shall  
15 be docketed and indexed in the county of the original conviction  
16 in the same manner as a civil judgment pursuant to G.S. 1-233 et  
17 seq., and may be docketed in any other county pursuant to G.S. 1-  
18 234. The judgment may be collected in the same manner as a civil  
19 judgment unless the order to pay restitution is a condition of  
20 probation. If the order to pay restitution is a condition of  
21 probation, the judgment may only be executed upon in accordance  
22 with subsection (c) of this section.

23 (c) If the defendant is ordered to pay restitution under G.S.  
24 15A-1340.24(b) as a condition of probation, a judgment docketed  
25 under this section may be collected in the same manner as a civil  
26 judgment. However, the docketed judgment for restitution may not  
27 be executed upon the property of the defendant until the date of  
28 notification to the clerk of superior court in the county of the  
29 original conviction that the judge presiding at the probation  
30 termination or revocation hearing has made a finding that  
31 restitution in a sum certain remains due and payable, that the  
32 defendant's probation has been terminated or revoked, and that  
33 the remaining balance of restitution owing may be collected by  
34 execution on the judgment. The clerk shall then enter upon the  
35 judgment docket the amount that remains due and payable on the  
36 judgment, together with amounts equal to the standard fees for  
37 docketing, copying, certifying, and mailing, as appropriate, and  
38 shall collect any other fees or charges incurred as in the  
39 enforcement of other civil judgments, including accrued interest.  
40 However, no interest shall accrue on the judgment until the entry

1 of an order terminating or revoking probation and finding the  
2 amount remaining due and payable, at which time interest shall  
3 begin to accrue at the legal rate pursuant to G.S. 24-5. The  
4 interest shall be applicable to the amount determined at the  
5 termination or revocation hearing to be then due and payable.  
6 The clerk shall notify the victim by first-class mail at the  
7 victim's last known address that the judgment may be executed  
8 upon, together with the amount of the judgment. Until the clerk  
9 receives notification of termination or revocation of probation  
10 and the amount that remains due and payable on the order of  
11 restitution, the clerk shall not be required to update the  
12 judgment docket to reflect partial payments on the order of  
13 restitution as a condition of probation. The stay of execution  
14 under this subsection shall not apply to property of the  
15 defendant after the transfer or conveyance of the property to  
16 another person. When the criminal order of restitution has been  
17 paid in full, the civil judgment indexed under this section shall  
18 be deemed satisfied and the judgment shall be cancelled. Payment  
19 satisfying the civil judgment shall also be credited against the  
20 order of restitution.

21 (d) An appeal of the conviction upon which the order of  
22 restitution is based shall stay execution on the judgment until  
23 the appeal is completed. If the conviction is overturned, the  
24 judgment shall be cancelled."

25 Section 5. G. S. 15A-1021(d) reads as rewritten:

26 "(d) When restitution or reparation by the defendant is a part  
27 of the plea arrangement agreement, if the judge concurs in the  
28 proposed disposition he may order that restitution or reparation  
29 be made as a condition of special probation pursuant to the  
30 provisions of G.S. 15A-1351, or probation pursuant to the  
31 provisions of G.S. 15A-1343(d). If an active sentence is imposed  
32 the court may recommend that the defendant make restitution or  
33 reparation out of any earnings gained by the defendant if he is  
34 granted work release privileges under the provisions of G.S. 148-  
35 33.1, or that restitution or reparation be imposed as a condition  
36 of parole in accordance with the provisions of G.S. 148-57.1. The  
37 order or recommendation providing for restitution or reparation  
38 shall be in accordance with the applicable provisions of ~~G.S.~~  
39 ~~15A-1343(d)~~ G.S. 15A-1343(d) and Article 81C of this Chapter.

1 If the offense is one in which there is evidence of physical,  
2 mental or sexual abuse of a minor, the court should encourage the  
3 minor and the minor's parents or custodians to participate in  
4 rehabilitative treatment and the plea agreement may include a  
5 provision that the defendant will be ordered to pay for such  
6 treatment.

7 When restitution or reparation is recommended as part of a plea  
8 arrangement that results in an active sentence, the sentencing  
9 court shall enter as a part of the commitment that restitution or  
10 reparation is recommended as part of the plea arrangement. The  
11 Administrative Office of the Courts shall prepare and distribute  
12 forms which provide for ample space to make restitution or  
13 reparation recommendations incident to commitments."

14 Section 6. G.S. 15A-1343(d) reads as rewritten:

15 "(d) Restitution as a Condition of Probation. -- As a  
16 condition of probation, a defendant may be required to make  
17 restitution or reparation to an aggrieved party or parties who  
18 shall be named by the court for the damage or loss caused by the  
19 defendant arising out of the offense or offenses committed by the  
20 defendant. When restitution or reparation is a condition imposed,  
21 the court shall take into consideration the ~~resources of the~~  
22 ~~defendant, including all real and personal property owned by the~~  
23 ~~defendant and the income derived from such property, his ability~~  
24 ~~to earn, his obligation to support dependents, and such other~~  
25 ~~matters as shall pertain to his ability to make restitution or~~  
26 ~~reparation, but the court is not required to make findings of~~  
27 ~~fact or conclusions of law on these matters when the sentence is~~  
28 ~~imposed. The amount must be limited to that supported by the~~  
29 ~~record, and the court may order partial restitution or reparation~~  
30 ~~when it appears that the damage or loss caused by the offense or~~  
31 ~~offenses is greater than that which the defendant is able to pay.~~  
32 ~~An order providing for restitution or reparation shall in no way~~  
33 ~~abridge the right of any aggrieved party to bring a civil action~~  
34 ~~against the defendant for money damages arising out of the~~  
35 ~~offense or offenses committed by the defendant, but any amount~~  
36 ~~paid by the defendant under the terms of an order as provided~~  
37 ~~herein shall be credited against any judgment rendered against~~  
38 ~~the defendant in such civil action. As used herein, "restitution"~~  
39 ~~shall mean (i) compensation for damage or loss as could~~  
40 ~~ordinarily be recovered by an aggrieved party in a civil action,~~

~~1 and (ii) reimbursement to the State for the total amount of a  
2 judgment authorized by G.S. 7A-455(b). factors set out in G.S.  
3 15A-1340.25 and 15A-1340.26. As used herein, "reparation" shall  
4 include but not be limited to the performing of community  
5 services, volunteer work, or doing such other acts or things as  
6 shall aid the defendant in his rehabilitation. As used herein  
7 "aggrieved party" includes individuals, firms, corporations,  
8 associations, other organizations, and government agencies,  
9 whether federal, State or local, including the Crime Victims  
10 Compensation Fund established by G.S. 15B-23. Provided, that no  
11 government agency shall benefit by way of restitution except for  
12 particular damage or loss to it over and above its normal  
13 operating costs and except that the State may receive restitution  
14 for the total amount of a judgment authorized by G.S. 7A-455(b).  
15 A government agency may benefit by way of reparation even though  
16 the agency was not a party to the crime provided that when  
17 reparation is ordered, community service work shall be rendered  
18 only after approval has been granted by the owner or person in  
19 charge of the property or premises where the work will be done.  
20 Provided further, that no third party shall benefit by way of  
21 restitution or reparation as a result of the liability of that  
22 third party to pay indemnity to an aggrieved party for the damage  
23 or loss caused by the defendant, but the liability of a third  
24 party to pay indemnity to an aggrieved party or any payment of  
25 indemnity actually made by a third party to an aggrieved party  
26 does not prohibit or limit in any way the power of the court to  
27 require the defendant to make complete and full restitution or  
28 reparation to the aggrieved party for the total amount of the  
29 damage or loss caused by the defendant. Restitution or reparation  
30 measures are ancillary remedies to promote rehabilitation of  
31 criminal offenders, to provide for compensation to victims of  
32 crime, and to reimburse the Crime Victims Compensation Fund  
33 established by G.S. 15B-23, and shall not be construed to be a  
34 fine or other punishment as provided for in the Constitution and  
35 laws of this State."~~

36       Section 7. G.S. 148-33.2(c) reads as rewritten:  
37       "(c) When an active sentence is imposed, the court shall  
38 consider whether, as a rehabilitative measure, it should  
39 recommend to the Secretary of Correction that restitution or  
40 reparation be made by the defendant out of any earnings gained by

1 the defendant if he is granted work-release privileges and out of  
2 other resources of the defendant, including all real and personal  
3 property owned by the defendant, and income derived from such  
4 property. If the court determines that restitution or reparation  
5 should not be recommended, it shall so indicate on the  
6 commitment. If, however, the court determines that restitution or  
7 reparation should be recommended, the court shall make its  
8 recommendation a part of the order committing the defendant to  
9 custody. The recommendation shall be in accordance with the  
10 applicable provisions of ~~G.S. 15A-1343(d)~~ G.S. 15A-1343(d) and  
11 Article 81C of Chapter 15A of the General Statutes. If the  
12 offense is one in which there is evidence of physical, mental or  
13 sexual abuse of a minor, the court may order the defendant to pay  
14 from work release earnings the cost of rehabilitative treatment  
15 for the minor. The Administrative Office of the Courts shall  
16 prepare and distribute forms which provide ample space to make  
17 restitution or reparation recommendations incident to  
18 commitments, which forms shall be conveniently structured to  
19 enable the sentencing court to make its recommendation."

20 Section 8. G.S. 148-57.1(c) reads as rewritten:

21 "(c) When an active sentence is imposed, the court shall  
22 consider whether, as a rehabilitative measure, it should  
23 recommend to the Post-Release Supervision and Parole Commission  
24 that restitution or reparation by the defendant be made a  
25 condition of any parole or post-release supervision granted the  
26 defendant. If the court determines that restitution or  
27 reparation should not be recommended, it shall so indicate on the  
28 commitment. If, however, the court determines that restitution  
29 or reparation should be recommended, the court shall make its  
30 recommendation a part of the order committing the defendant to  
31 custody. The recommendation shall be in accordance with the  
32 applicable provisions of ~~G.S. 15A-1343(d)~~ Article 81C of Chapter  
33 15A of the General Statutes. The Administrative Office of the  
34 Courts shall prepare and distribute forms which provide ample  
35 space to make restitution or reparation recommendations incident  
36 to commitments, which forms shall be conveniently structured to  
37 enable the sentencing court to make its recommendation.

38 If the offense is one in which there is evidence of physical,  
39 mental or sexual abuse of a minor, the court may order, as a  
40 condition of parole or post-release supervision, that th

1 defendant pay the cost of any rehabilitative treatment for the  
2 minor."

3 Section 9. G.S. 1-234 reads as rewritten:

4 "§1-234. Where and how docketed; lien.

5 Upon filing a judgment roll upon a judgment affecting the title  
6 of real property, or directing in whole or in part the payment of  
7 money, it shall be docketed on the judgment docket of the court  
8 of the county where the judgment roll was filed, and may be  
9 docketed on the judgment of the court of any other county upon  
10 the filing with the clerk thereof of a transcript of the original  
11 docket, and is a lien on the real property in the county where  
12 the same is docketed of every person against whom any such  
13 judgment is rendered, and which he has at the time of the  
14 docketing thereof in the county in which such real property is  
15 situated, or which he acquires at any time thereafter, for 10  
16 years from the date of the rendition of the judgment. But the  
17 time during which the party recovering or owning such judgment  
18 shall be, or shall have been, restrained from proceeding thereon  
19 by an order of injunction, or other order, or by the operation of  
20 any appeal, or by a statutory prohibition, does not constitute  
21 any part of the 10 years aforesaid, as against the defendant in  
22 such judgment, or the party obtaining such orders or making such  
23 appeal, or any other person who is not a purchaser, creditor or  
24 mortgagee in good faith.

25 A judgment docketed pursuant to G.S.15A-1340.28 shall  
26 constitute a lien against the property of a defendant as provided  
27 for under this section."

28 Section 10. G.S. 1C-1601(e) reads as rewritten:

29 "(e) Exceptions. -- The exemptions provided in this Article  
30 are inapplicable to claims

36 for the person claiming the exemption, but only as  
37 to the specific property affected;

39 premises, but only as to the specific property  
40 affected;

- 16 (5) "Criminally injurious conduct" means conduct that  
17 by its nature poses a substantial threat of  
18 personal injury or death, and is punishable by fine  
19 or imprisonment or death, or would be so punishable  
20 but for the fact that the person engaging in the  
21 conduct lacked the capacity to commit the crime  
22 under the laws of this State. Criminally injurious  
23 conduct includes conduct that amounts to an offense  
24 involving impaired driving as defined in G.S. 20-  
25 4.01(24a), and conduct that amounts to a violation

10 victim's death of contributions of things of  
11 economic value to his dependents, not including  
12 services they would have received from the victim  
13 if he had not suffered the fatal injury, less  
14 expenses of the dependents avoided by reason of the  
15 victim's death.

16 (8) "Dependent's replacement service loss" means loss

21 injury, less expenses of the dependents avoided by  
22 reason of the victim's death and not subtracted in  
23 calculating dependent's economic loss.

24 Dependent's replacement service loss will be

31 only of allowable expense, work loss, ~~and~~  
32 replacement services loss, loss, and household  
33 support loss. If criminally injurious conduct  
34 causes death, economic loss includes a dependent's  
35 economic loss and a dependent's replacement service  
36 loss. Noneconomic detriment is not economic loss,  
37 but economic loss may be caused by pain and  
38 suffering or physical impairment.

(11) "Noneconomic detriment" means pain, suffering, inconvenience, physical impairment, or other nonpecuniary damage.

(12) "Replacement services loss" means expenses reasonably incurred in obtaining ordinary and necessary services in lieu of those the injured person would have performed, not for income but for the benefit of himself or his family, if he had not been injured.

Compensation for work loss will be limited to 26 weeks commencing from the date of the injury, and compensation ~~may shall~~ not exceed ~~two hundred dollars (\$200.00)~~ three hundred dollars (\$300.00) per week. A claim for work loss will be paid only upon proof that the injured person was gainfully employed at the time of the criminally injurious conduct and, by physician's certificate, that the injured person was unable to work.

(15) "Household support loss" means the loss of support that a victim would have received from the victim's spouse for the purpose of maintaining a home or

1            residence for the victim and the victim's  
2            dependents. A victim may be compensated fifty  
3            dollars (\$50.00) per week for each dependent child.  
4            Compensation for household support loss shall not  
5            exceed three hundred dollars (\$300.00) per week and  
6            shall be limited to 26 weeks commencing from the  
7            date of the injury. A victim may receive only one  
8            compensation for household support loss. Household  
9            support loss is only available to an unemployed  
10           victim whose spouse is the offender who committed  
11           the criminally injurious conduct that is the basis  
12           of the victim's claim under this act."

13           Section 12.1. G.S. 15B-11 reads as rewritten:

14    "\$ 15B-11. Grounds for denial of claim or reduction of award.

15        (a) An award of compensation shall be denied if:

- 16            (1) The claimant fails to file an application for an  
17            award within ~~one year~~ two years after the date of  
18            the criminally injurious conduct that caused the  
19            injury or death for which the claimant seeks the  
20            award;  
21            (2) The economic loss is incurred after one year from  
22            the date of the criminally injurious conduct that  
23            caused the injury or death for which the victim  
24            seeks the award, except in the case where the  
25            victim for whom compensation is sought was 10 years  
26            old or younger at the time the injury occurred. In  
27            that case an award of compensation will be denied  
28            if the economic loss is incurred after two years  
29            from the date of the criminally injurious conduct  
30            that caused the injury or death for which the  
31            victim seeks the award;  
32            (3) The criminally injurious conduct was not reported  
33            to a law enforcement officer or agency within 72  
34            hours of its occurrence, and there was no good  
35            cause for the delay;  
36            (4) The award would benefit the offender or the  
37            offender's accomplice, unless a determination is  
38            made that the interests of justice require that an  
39            award be approved in a particular case;

1           (5) The criminally injurious conduct occurred while the  
2           victim was confined in any State, county, or city  
3           prison, correctional, youth services, or juvenile  
4           facility, or local confinement facility, or half-  
5           way house, group home, or similar facility; or

6           (6) The victim was participating in a felony or a  
7           nontraffic misdemeanor at or about the time that  
8           the victim's injury occurred.

9           (b) A claim may be denied and an award of compensation may be  
10          reduced upon a finding of contributory misconduct by the claimant  
11          or a victim through whom the claimant claims.

12          (c) A claim may be denied, an award of compensation may be  
13          reduced, and a claim that has already been decided may be  
14          reconsidered upon finding that the claimant or victim has not  
15          fully cooperated with appropriate law enforcement agencies with  
16          regard to the criminally injurious conduct that is the basis for  
17          the award.

18          (c1) A claim may be denied upon a finding that the claimant  
19          has been convicted of any felony classified as a Class A, B1, B2,  
20          C, D, or E felony under the laws of the State of North Carolina  
21          and that such felony was committed within 3 years of the time the  
22          victim's injury occurred.

23          (d) After reaching a decision to approve an award of  
24          compensation, but before notifying the claimant, the Director  
25          shall require the claimant to submit current information as to  
26          collateral sources on forms prescribed by the Commission.

27          An award that has been approved shall nevertheless be denied or  
28          reduced to the extent that the economic loss upon which the claim  
29          is based is or will be recouped from a collateral source. If an  
30          award is reduced or a claim is denied because of the expected  
31          recoupment of all or part of the economic loss of the claimant  
32          from a collateral source, the amount of the award or the denial  
33          of the claim shall be conditioned upon the claimant's economic  
34          loss being recouped by the collateral source. If it is thereafter  
35          determined that the claimant will not receive all or part of the  
36          expected recoupment, the claim shall be reopened and an award  
37          shall be approved in an amount equal to the amount of expected  
38          recoupment that it is determined the claimant will not receive  
39          from the collateral source, subject to the limitations set forth  
40          in subsections (f) and (g). The existence of a collateral source

1 that would pay expenses directly related to a funeral, cremation,  
2 and burial, including transportation of a body, shall not  
3 constitute grounds for the denial or reduction of an award of  
4 compensation.

5 ~~(e) Compensation may not be awarded if the economic loss is~~  
6 ~~less than one hundred dollars (\$100.00).~~

7 (f) Compensation for work loss, replacement services loss,  
8 dependent's economic loss, and dependent's replacement services  
9 loss may not exceed two hundred dollars (\$200.00) per week.

10 (g) Compensation payable to a victim and to all other  
11 claimants sustaining economic loss because of injury to, or the

13 dollars ~~(\$20,000)~~ (\$30,000) in the aggregate in addition to  
14 allowable funeral, cremation, and burial expenses.

15 (h) The right to reconsider or reopen a claim does not affect  
16 the finality of its decision for the purpose of judicial review."

17 Section 12.2. G.S. 143B-480.2(a) reads as rewritten:

18 "(a) Only victims who have reported the following crimes are

32 services from the place of the attack to a place where medical  
33 treatment is provided. Assistance not to exceed fifty dollars  
34 (\$50.00) shall be provided to victims to replace clothing that  
35 was held for evidence tests."

37 Attorneys, with assistance from the Administrative Office of the  
38 Court and the Governor's Crime Commission, shall present to the  
39 General Assembly on or before March 1, 1999 a projection of the

5 Governor's Crime Commission. Nothing herein shall prohibit the  
6 Conference of District Attorneys from using data from other such

8 of the report shall not result in a delay in the implementation  
9 of the provisions of this act relating to victims of domestic  
10 violence.

11           Section 14. To the extent practicable and within  
12 available resources, agencies are encouraged to begin as soon as

**MEMORANDUM**

**TO:** Senator Roy Cooper, Chair, Senate Judiciary Committee

**FROM:** O. Walker Reagan, Brenda Carter and Jo McCants, Committee Co-Counsels

**RE:** **PROPOSED COMMITTEE SUBSTITUTE FOR SENATE BILL 763 - CRIME VICTIMS RIGHTS ACT** - Senator Cooper.

The Proposed Committee Substitute for Senate Bill 763 would prescribe by law the rights of victims of crimes as provided for under Section 37 of Article I of the North Carolina Constitution as approved by the voters November 5, 1996. (Copy attached.)

The bill creates two different levels of services for victims by prescribing certain mandatory services for victims of the more serious offenses, and services within the discretion of the district attorney within available resources for victims of less serious offenses. The bill also defines restitution that maybe ordered as a form of punishment in any criminal case, as is now permitted for under Section 1 of Article XI of the North Carolina Constitution as amended by the voters also on November 5, 1996. (Copy attached.)

Section 1 creates a new subchapter in Chapter 15A entitled "Rights of Crime Victims and Witnesses."

Section 2 amends the current Fair Treatment for Victims and Witness Act to apply to victims of offenses not otherwise covered by the new Crime Victims' Rights Act codified in the new Article 45A.

Section 3 creates the new Article 45A- Crime Victims' Rights Act. **(All statutory section references are to G.S. 15A).**

**Sec. 830** defines the victim, the victim's next of kin, the accused, and the various agencies involved in furnishing victim services. The victim is a person against whom there is probable cause to believe one of the following crimes was committed:

Any Class A, B1, B2, C, D, or E felony (see list attached), and other felonies including assaults with deadly weapons, voluntary manslaughter, kidnapping, child sex abuse, elderly abuse and neglect, burglary, arson, habitual DWI, robbery, death by vehicle, habitual assault and stalking, and an attempts of any of these crimes. This section also provides that the next of kin of a deceased victim has the rights of other victims, except the right to restitution is limited to restitution specifically available to next of kin.

**Sec. 831** defines the responsibilities of law enforcement officers to notify the victim of the services available to the victims and rights of the victims. This includes notice about victim's compensation and contact numbers for the investigative agency and the district attorney. The victim is also to be given a form to be completed and turned in to designate what additional services and notices the victim would like to receive.

This section also spells out the responsibilities of the arresting law enforcement agency to furnish information to the investigative agency needed for the victim. This section also defines the investigative agency's responsibilities concerning giving information to the victim once the defendant is arrested including information on release from custody, and the time, date and place of the defendant's first court appearance. This section also allows the victim to request that the victim not be given any additional information in the future.

**Sec. 832** defines the responsibilities of the district attorney including furnishing the victim written material on the victim's rights, the court process, and the victim's opportunity to participate in the trial process. This section also defines at which of the court proceedings the victim has a right to be present, including when the victim is called as a witness at trial. The victim has a right to consult with the DA before the DA disposes of the case.

**Sec. 833** gives the victim the right to present a admissible evidence o the impact of the crime and requires the judge or jury to consider this evidence in sentencing the defendant. This section specifies what evidence may be included and the fact that no evidence is required to be provided.

**Sec. 834** gives the victim the right to receive restitution as ordered by the court pursuant to the criminal sentencing statute.

**Sec. 835** sets out the responsibilities of the DA after the trial, including notifying the victim of the final disposition and the defendant's right to appeal. This section requires the DA to pass on victim information to the Attorney General's Office that is to inform the victim of the appellant process and give notice to the victim of any appellant hearings. The investigative agency is also to give the victim notice if the

SB 763 - PCS Summary  
Page 3

defendant is released on bond pending appeal. If the defendant is awarded a new trial, the victim will have the same rights as were applicable during the original trial.

**Sec. 836** sets forth the responsibilities of the agency that has custody or control over the defendant. This will normally be the city, county, or regional jails or the Department of Corrections. The responsibilities under this section include notifying the victim when the victim might be eligible for release, where the defendant is assigned for minimum custody or work release, and the victim's right to be notified of and to participate in reviews prior to the defendant's release. The victim is also to be notified if the defendant escapes, is recaptured, or if the defendant dies.

**Sec. 837** sets out the responsibilities of the Division of Adult Probation and Parole, including notifying the victim of any special conditions for probation and any hearings affecting probation.

**Sec. 838** requires the Governor's Office to notify the victim if the Governor is considering commuting the defendant's sentence or pardoning the defendant. The victim shall have a right to submit a statement to the Governor for consideration in the Governor's decision and to be informed of the decision.

**Sec. 839** makes it clear this act does not create a claim for damages against any governmental body or employee.

**Sec. 840** makes it clear that failure for the victim to be given any right or service may not be used as the basis for any relief by the defendant or victim in any criminal or civil action.

**Sec. 841** provides that the victim's next of kin may exercise the rights of an incompetent victim.

Section 4 of the bill creates a new Article 81C in Chapter 15A for restitution.  
**(All references are to sections of G.S. 15A-1340. \_\_)**

**Sec. .24** requires a judge at sentencing to determine whether, in addition to any other punishment, the defendant should be order to pay restitution to a victim. This allows for restitution to be order in any criminal case where a victim has suffered injury or damages as defined in this Article. This section also sets out what the court must consider in deciding the amount of restitution to be ordered. These factors include the amount of loss suffered by the victim and the defendant's ability to pay. This section also makes it clear that an order of restitution does not prevent a victim from bringing a civil action to recover damages. The defendant is entitled to a credit against any civil judgment for restitution payments actually made.

**Sec. .25** allows an order of restitution to be docketed and enforced as a civil judgment. Execution on any judgment would be stayed pending appeal and while the defendant is paying restitution under probation. The clerk is directed to add the normal civil fees and interest to any payoff of the judgment.

**Sec. 5** provides that provisions regarding a debtor's property that is exempt from the enforcement of the claims of creditors do not apply to criminal restitution orders that are docketed as civil judgments.

**Sec. 6** gives the victim entitled to restitution priority in receiving funds paid into the clerk of superior courts office.

**Sec. 7** allows the Victims Compensation Board to deny claims filed by person convicted of A-E felonies within 3 years of the victims injury under Chapter 15B, Crime Victims Compensation Act

**Sec. 8 .** Effective date provisions. The new G.S. 15A-830 - Crime Victims Rights definitions, G.S. 15A-833 - Evidence of Victim Impact, and G.S. 15A-834 - Restitution are effective December 1, 1998 and apply to offenses committed on or after that date. Section 4 of the bill, Restitution criminal punishment provisions, are effective December 1, 1998 and apply to offenses committed on or after that date. The changes in Section 7 regarding disqualification for compensation under the Victims Compensation Fund of persons convicted of A-E felonies is effective when the bill becomes law and applies to injuries occurring on or after that date. The remainder of the bill which includes the notification victim notification and participation provisions become effective July 1, 1999 and apply to offenses committed on or after that date.

CHANGES MADE IN THE CURRENT DRAFT  
OF THE PROPOSED COMMITTEE SUBSTITUTE FOR SENATE BILL 763

- Pages 8 & 9 - Adds a general 30-day time limit for required notifications by custodial agencies and by the Division of Adult Probation and Parole. Adds 72 hour time limit for notifying victim of defendant's escape or subsequent recapture.
- Page 10 - Adds legal guardian to list of persons who can exercise rights on behalf of minor or incompetent victim.
- Page 11 - (b) Requires court to order defendant to pay restitution when the offense is one that triggers the expanded victims right provided in the bill; (c) Makes restitution or reparation permissive in all other cases.
- Page 12 - (3) Makes it clear that measures of restitution specified for particular criminal offenses may be considered by the court in determining the amount of restitution. (For example, G.S. 14-159.2 provides that a defendant convicted of interference with animal research may be ordered to pay specific damages, including costs of repeating an experiment caused by defendant's interference); (4) Makes it clear that the list of items considered by the court in determining the amount of restitution, including medical expenses, is recoverable in addition to funeral expenses when the victim later dies from the bodily injuries.
- Page 13 - (c) Changes new Article to include reference to current law on restitution with regard to prisoners' work-release earnings; also includes reference to current law on restitution as a condition of parole or post-release supervision.
- Pages 13 & 14 - (c) Changes new Article to include existing provisions in current law on government agencies as beneficiaries of restitution or reparation; (d) also adds existing provisions in current law on third parties as beneficiaries of restitution.
- Page 14 - (a) Limits docketing of orders of restitution as civil judgments to orders under section that applies to victims entitled to expanded rights; only judgments in excess of \$250 will be docketed; (b) Additional clarifying language regarding docketing of restitution order as civil judgment; (c) Contains provision regarding accrual of interest as discussed in last week's committee meeting.
- Pages 15-18 - Sections 5 through 8 make conforming changes to existing laws on restitution to reference the new Article. The language deleted from G.S. 15A-1343(d) [on page 16] would duplicate provisions that are now set out in the new Article on restitution.

- Pages 18-19 – Section 9 of the bill makes a conforming change regarding the docketing of a judgment affecting real property, to provide that a restitution order subsequently docketed as a judgment will constitute a lien against the defendant's real property.
- Pages 21-27 make changes to the Victims Compensation Act.
  - Adds household support loss to the definition of economic loss recoverable under the act; defines household support loss as support victim would have received from spouse, limited to \$300/week for 26 weeks, available to unemployed victim whose spouse is the offender who committed the crime that is the basis of the victim's claim
  - Increases from \$200 to \$300 per week the compensation for work loss
  - Extends from 1 year to 2 the time in which a victim must file a claim
  - Increases limit on compensation from \$20,000 to \$30,000
  - Increases limit on short term medical from \$500 to \$1,000
- Page 27 & 28 - Section 13 directs the Conference of District Attorneys to report to the General Assembly on projected costs of providing expanded services to victims of domestic violence; Requests agencies to begin early implementation of victim notification provisions which are scheduled to become effective July 1, 1999.
- **Page 28 - Effective dates:**

  - October 1, 1998 : Change to Victims Compensation Fund is effective and applies to injuries occurring on or after that date.
  - December 1, 1998 : Definitions, rights to offer evidence of victim impact, and right to restitution and changes to criminal procedure act related to restitution are effective and applicable to offenses on or after that date.
  - July 1, 1999: Remainder of act becomes applicable to offenses committed on or after that date.

20 includes the feminine singular and masculine and feminine plural  
21 unless otherwise specified."

22           Section 2. G.S. 7A-544 reads as rewritten:

23   "\$ 7A-544. Investigation by Director; access to confidential  
24 information; notification of person making the report.

25   When a report of abuse, neglect, or dependency is received, the  
26 Director of the Department of Social Services shall make a prompt  
27 and thorough investigation in order to ascertain the facts of the  
28 case, the extent of the abuse or neglect, and the risk of harm to  
29 the juvenile, in order to determine whether protective services  
30 should be provided or the complaint filed as a petition. When the  
31 report alleges abuse, the Director shall immediately, but no  
32 later than 24 hours after receipt of the report, initiate the  
33 investigation. When the report alleges neglect or dependency, the  
34 Director shall initiate the investigation within 72 hours  
35 following receipt of the report. The investigation and evaluation  
36 shall include a visit to the place where the juvenile resides.  
37 All information received by the Department of Social Services,  
38 including the identity of the reporter, shall be held in  
39 strictest confidence by the Department.

40   When a report of a juvenile's death as a result of suspected  
41 maltreatment or a report of suspected abuse, neglect, or  
42 dependency of a juvenile is received, the Director of the  
43 Department of Social Services shall immediately ascertain if  
44 other juveniles remain in the home, and, if so, initiate an

1 investigation in order to determine whether they require  
2 protective services or whether immediate removal of the juveniles  
3 from the home is necessary for their protection.

4 If the investigation indicates that abuse, neglect, or  
5 dependency has occurred, the Director shall decide whether  
6 immediate removal of the juvenile or any other juveniles in the  
7 home is necessary for their protection. If immediate removal does  
8 not seem necessary, the Director shall immediately provide or  
9 arrange for protective services. If the parent or other caretaker  
10 refuses to accept the protective services provided or arranged by  
11 the Director, the Director shall sign a complaint seeking to  
12 invoke the jurisdiction of the court for the protection of the  
13 juvenile or juveniles.

14 If immediate removal seems necessary for the protection of the  
15 juvenile or other juveniles in the home, the Director shall sign  
16 a complaint which alleges the applicable facts to invoke the  
17 jurisdiction of the court. Where the investigation shows that it  
18 is warranted, a protective services worker may assume temporary  
19 custody of the juvenile for the juvenile's protection pursuant to  
20 Article 46 of this Chapter.

21 In performing any duties related to the investigation of the  
22 complaint or the provision or arrangement for protective  
23 services, the Director may consult with any public or private  
24 agencies or individuals, including the available State or local  
25 law-enforcement officers who shall assist in the investigation  
26 and evaluation of the seriousness of any report of abuse,  
27 neglect, or dependency when requested by the Director. The  
28 Director or the Director's representative may make a written  
29 demand for any information or reports, whether or not  
30 confidential, that may in the Director's opinion be relevant to  
31 the investigation of or the provision for protective services.  
32 Upon the Director's or the Director's representative's request  
33 and unless protected by the attorney-client privilege, any public  
34 or private agency or individual shall provide access to and  
35 copies of this confidential information and these records to the  
36 extent permitted by federal law and regulations. If a custodian  
37 of criminal investigative information or records believes that  
38 release of the information will jeopardize the right of the State  
39 to prosecute a defendant or the right of a defendant to receive a  
40 fair trial or will undermine an ongoing or future investigation,  
41 it may seek an order from a court of competent jurisdiction to  
42 prevent disclosure of the information. In such an action, the  
43 custodian of the records shall have the burden of showing by a  
44 preponderance of the evidence that disclosure of the information

1 in question will jeopardize the right of the State to prosecute a  
2 defendant or the right of a defendant to receive a fair trial or  
3 will undermine an ongoing or future investigation. Actions  
4 brought pursuant to this paragraph shall be set down for  
5 immediate hearing, and subsequent proceedings in the actions  
6 shall be accorded priority by the trial and appellate courts.

7 Within five working days after receipt of the report of abuse,  
8 neglect, or dependency, the Director shall give written notice to  
9 the person making the report, unless requested by that person not  
10 to give notice, as to whether the report was accepted for  
11 investigation and whether the report was referred to the  
12 appropriate State or local law enforcement agency.

13 Within five working days after completion of the protective  
14 services investigation, the Director shall give subsequent  
15 written notice to the person making the report, unless requested  
16 by that person not to give notice, as to whether there is a  
17 finding of abuse, neglect, or dependency, whether the county  
18 Department of Social Services is taking action to protect the  
19 juvenile, and what action it is taking, including whether or not  
20 a petition was filed. The person making the report shall be  
21 informed of procedures necessary to request a review by the  
22 prosecutor of the Director's decision not to file a petition. A  
23 request for review by the prosecutor shall be made within five  
24 working days of receipt of the second notification. The second  
25 notification shall include notice that, if the person making the  
26 report is not satisfied with the Director's decision, he may  
27 request review of the decision by the prosecutor within five  
28 working days of receipt. The person making the report may waive  
29 the person's right to this notification and no notification is  
30 required if the person making the report does not identify  
31 himself to the Director."

33 "**§ 7A-576. Place of secure or nonsecure custody.**

34 (a) A juvenile meeting the criteria set out in G.S. 7A-574,  
35 subsection (a), may be placed in nonsecure custody with the  
36 Department of Social Services or a person designated in the order  
37 for temporary residential placement in:

38 (1) A licensed foster home or a home otherwise  
39 authorized by law to provide such care or

40 (2) A facility operated by the Department of Social  
41 Services or

42 (3) Any other home or ~~facility~~ facility, including a  
43 relative's home, approved by the court and  
44 designated in the order.

1 In placing a juvenile in nonsecure custody under this ~~section~~  
2 ~~and under G.S. 7A-629 and G.S. 7A-651, section,~~ the court shall  
3 first consider whether a relative of the juvenile is willing and  
4 able to provide proper care and supervision of the juvenile in a  
5 safe home. If the court finds that the relative is willing and  
6 able to provide proper care and supervision in a safe home, then  
7 the court shall order placement of the juvenile with the  
8 ~~relative.~~ relative unless the court finds that placement with the  
9 relative would be contrary to the best interests of the juvenile.  
10 ~~Prior to placement~~ In placing a juvenile in nonsecure custody  
11 under this section, the court shall consider any federal law that  
12 may apply. Placement of a juvenile with a relative outside of  
13 this State, ~~the placement~~ State must be in accordance with the  
14 Interstate Compact on the Placement of Children.

15 (b) A juvenile meeting the criteria set out in G.S. 7A-574(b)  
16 may be temporarily detained in an approved county detention home  
17 or a regional detention facility which shall be separate from any  
18 jail, lockup, prison, or other adult penal institution. It shall  
19 be unlawful for a county or any unit of government to operate a  
20 juvenile detention home unless the facility meets the standards  
21 promulgated by the Department of Health and Human Services."

22 Section 4. G.S. 7A-577 reads as rewritten:

23 "§ 7A-577. Hearing to determine need for continued secure or  
24 nonsecure custody.

25 (a) No juvenile shall be held under a secure custody order for  
26 more than five calendar days or under a nonsecure custody order  
27 for more than seven calendar days, without a hearing on the  
28 merits or a hearing to determine the need for continued custody.  
29 A hearing on secure custody conducted under this subsection may  
30 not be continued or waived. A hearing on nonsecure custody  
31 conducted under this subsection may be continued for up to 10  
32 business days with the consent of the juvenile's parent,  
33 guardian, or custodian, and, if appointed, the juvenile's  
34 guardian ad litem. In addition, the court may require the consent  
35 of additional parties or may schedule the hearing on nonsecure  
36 custody despite a party's consent to a continuance. In every case  
37 in which an order has been entered by an official exercising  
38 authority delegated pursuant to G.S. 7A-573, a hearing to  
39 determine the need for continued custody shall be conducted on  
40 the day of the next regularly scheduled session of district court  
41 in the city or county where the order was entered if such session  
42 precedes the expiration of the applicable time period set forth  
43 in this subsection: Provided, that if such session does not  
44 precede the expiration of the time period, the hearing may be

1 conducted at another regularly scheduled session of district  
2 court in the district where the order was entered.

3 (b) Any juvenile who is alleged to be delinquent shall be  
4 advised of the right to have legal representation as provided in  
5 G.S. 7A-584 if the juvenile appears without counsel at the  
6 hearing.

7 (c) At a hearing to determine the need for continued custody,  
8 the judge shall receive testimony and shall allow the juvenile,  
9 and the juvenile's parent, guardian, or custodian an opportunity  
10 to introduce evidence, to be heard in their own behalf, and to  
11 examine witnesses. The State shall bear the burden at every stage  
12 of the proceedings to provide clear and convincing evidence that  
13 restraints on the juvenile's liberty are necessary and that no  
14 less intrusive alternative will suffice. The judge shall not be  
15 bound by the usual rules of evidence at such hearings.

16 (d) The judge shall be bound by criteria set forth in G.S. 7A-  
17 574 in determining whether continued custody is warranted.

18 (e) The judge shall impose the least restrictive interference  
19 with the liberty of a juvenile who is released from secure  
20 custody including:

- 21 (1) Release on the written promise of the juvenile's  
22 parent, guardian, or custodian to produce the  
23 juvenile in court for subsequent proceedings; or
- 24 (2) Release into the care of a responsible person or  
25 organization; or
- 26 (3) Release conditioned on restrictions on activities,  
27 associations, residence or travel if reasonably  
28 related to securing the juvenile's presence in  
29 court; or
- 30 (4) Any other conditions reasonably related to securing  
31 the juvenile's presence in court.

32 (f) If the judge determines that the juvenile meets the  
33 criteria in G.S. 7A-574 and should continue in custody, the judge  
34 shall issue an order to that effect. The order shall be in  
35 writing with appropriate findings of fact. The findings of fact  
36 shall include the evidence relied upon in reaching the decision  
37 and the purposes which continued custody is to achieve.

38 (g) Pending a hearing on the merits, further hearings to  
39 determine the need for continued secure custody shall be held at  
40 intervals of no more than seven calendar days. A subsequent  
41 hearing on continued nonsecure custody shall be held within seven  
42 business days, excluding Saturdays, Sundays, and legal holidays,  
43 of the initial hearing required in subsection (a) of this section

1 and hearings thereafter shall be held at intervals of no more  
2 than 30 calendar days.

3 (g1) Hearings conducted under subsection (g) of this section  
4 may be waived as follows:

5 (1) In the case of a juvenile alleged to be delinquent,  
6 only with the consent of the juvenile, through  
7 counsel for the juvenile; and

8 (2) In the case of a juvenile alleged to be abused,  
9 neglected, or dependent, only with the consent of  
10 the juvenile's parent, guardian, or custodian, and,  
11 if appointed, the juvenile's guardian ad litem.

12 The court may require the consent of additional parties or  
13 schedule a hearing despite a party's consent to waiver.

14 ~~(h) Any order authorizing the continued nonsecure custody of a~~  
15 ~~juvenile who is alleged to be abused, neglected, or dependent~~  
16 ~~shall include findings as to whether reasonable efforts have been~~  
17 ~~made to prevent or eliminate the need for placement of the~~  
18 ~~juvenile in custody and may provide for services or other efforts~~  
19 ~~aimed at returning the juvenile promptly to a safe home. A~~  
20 ~~finding that reasonable efforts have not been made shall not~~  
21 ~~preclude the entry of an order authorizing continued nonsecure~~  
22 ~~custody when the court finds that continued nonsecure custody is~~  
23 ~~necessary for the protection of the juvenile. Where efforts to~~  
24 ~~prevent the need for the juvenile's placement were precluded by~~  
25 ~~an immediate threat of harm to the juvenile, the court may find~~  
26 ~~that the placement of the juvenile in the absence of such efforts~~  
27 ~~was reasonable. If the court finds through written findings of~~  
28 ~~fact that efforts to eliminate the need for placement of the~~  
29 ~~juvenile in custody clearly would be futile or would be~~  
30 ~~inconsistent with the juvenile's safety and need for a safe,~~  
31 ~~permanent home within a reasonable period of time, then the court~~  
32 ~~shall specify in its order that reunification efforts are not~~  
33 ~~required or order that reunification efforts cease.~~

34 (i) At each hearing to determine the need for continued  
35 nonsecure custody, the court shall:

36 (1) Inquire as to the identity and location of any  
37 missing parent. The court shall include findings as  
38 to the efforts undertaken to locate the missing  
39 parent and to serve that parent. The order may  
40 provide for specific efforts aimed at determining  
41 the identity and location of any missing parent;

42 (2) Inquire as to whether a relative of the juvenile is  
43 willing and able to provide proper care and  
44 supervision of the juvenile in a safe home. If the

1 court finds that the relative is willing and able  
2 to provide proper care and supervision in a safe  
3 home, then the court shall order temporary  
4 placement of the juvenile with the ~~relative.~~  
5 relative unless the court finds that placement with  
6 the relative would be contrary to the best  
7 interests of the juvenile. Prior to placement In  
8 placing a juvenile in nonsecure custody under this  
9 section, the court shall first consider any federal  
10 law that may apply. Placement of a juvenile with a  
11 relative outside of this State, the placement State  
12 must be in accordance with the Interstate Compact  
13 on the Placement of Children; and

- 14 (3) Inquire as to whether there are other juveniles  
15 remaining in the home from which the juvenile was  
16 removed and, if there are, inquire as to the  
17 specific findings of the investigation conducted  
18 under G.S. 7A-544 and any actions taken or services  
19 provided by the Director for the protection of the  
20 other juveniles."

27 custody, a dispositional order, or a review order:

29 continuation in or return to the juvenile's own  
30 home would be contrary to the juvenile's best  
31 interest;

- 32 (2) Shall contain findings as to whether a county  
33 department of social services has made reasonable  
34 efforts to prevent or eliminate the need for  
35 placement of the juvenile, unless the court has  
36 previously determined under subsection (b) of this  
37 section that such efforts are not required or shall  
38 cease;

- 39 (3) Shall contain findings as to whether a county  
40 department of social services should continue to  
41 make reasonable efforts to prevent or eliminate the  
42 need for placement of the juvenile, unless the  
43 court has previously determined or determines under

- 1            subsection (b) of this section that such efforts  
2            are not required or shall cease;
- 3            (4) Shall specify that the juvenile's placement and  
4            care are the responsibility of the county

7            other placement of the juvenile; and
- 8            (5) May provide for services or other efforts aimed at  
9            returning the juvenile to a safe home or at  
10           achieving another permanent plan for the juvenile.
- 11 A finding that reasonable efforts have not been made by a county  
12 department of social services shall not preclude the entry of an  
13 order authorizing the juvenile's placement when the court finds  
14 that placement is necessary for the protection of the juvenile.  
15 Where efforts to prevent the need for the juvenile's placement  
16 were precluded by an immediate threat of harm to the juvenile,  
17 the court may find that the placement of the juvenile in the  
18 absence of such efforts was reasonable.
- 19           (b) In any order placing a juvenile in the custody or  
20 placement responsibility of a county department of social  
21 services, whether an order for continued nonsecure custody, a  
22 dispositional order, or a review order, the court may direct that  
23 reasonable efforts to eliminate the need for placement of the  
24 juvenile shall not be required or shall cease if the court makes  
25 written findings of fact that:
- 26           (1) Such efforts clearly would be futile or would be  
27           inconsistent with the juvenile's health, safety,  
28           and need for a safe, permanent home within a  
29           reasonable period of time;
- 30           (2) A court of competent jurisdiction has determined  
31           that the parent has subjected the child to  
32           aggravated circumstances as defined in G.S. 7A-  
33           517(3a);
- 34           (3) A court of competent jurisdiction has terminated  
35           involuntarily the parental rights of the parent to  
36           another child of the parent; or
- 37           (4) A court of competent jurisdiction has determined  
38           that: the parent has committed murder or voluntary  
39           manslaughter of another child of the parent; has  
40           aided, abetted, attempted, conspired, or solicited  
41           to commit murder or voluntary manslaughter of the  
42           child or another child of the parent; or has  
43           committed a felony assault resulting in serious

1           bodily injury to the child or another child of the  
2           parent.

3       (c) At any hearing at which the court finds that reasonable  
4 efforts to eliminate the need for the juvenile's placement are  
5 not required or shall cease, the court shall direct that a  
6 permanency planning hearing as required by G.S. 7A-657.1 be held  
7 within 30 calendar days after the date of the hearing and, if  
8 practicable, shall set the date and time for the permanency  
9 planning hearing.

10       (d) In determining reasonable efforts to be made with respect  
11 to a juvenile and in making such reasonable efforts, the  
12 juvenile's health and safety shall be the paramount concern.  
13 Reasonable efforts to preserve or reunify families may be made  
14 concurrently with efforts to plan for the juvenile's adoption, to  
15 place the juvenile with a legal guardian, or to place the  
16 juvenile in another permanent arrangement."

17           Section 5. G.S. 7A-629 reads as rewritten:

18 "§ 7A-629. Adjudicatory hearing.

19       The adjudicatory hearing shall be held in the district at such  
20 time and place as the chief district judge shall ~~designate.~~  
21 designate but no later than 60 days from the filing of the  
22 petition, unless the judge pursuant to G.S. 7A-632 orders that it  
23 be held at a later time. The judge may exclude the public from  
24 the hearing unless the juvenile moves that the hearing be open,  
25 which motion shall be granted."

26           Section 6. G.S. 7A-647 reads as rewritten:

27 "§ 7A-647. Dispositional alternatives for delinquent,  
28 undisciplined, abused, neglected, or dependent juvenile.

29       The following alternatives for disposition shall be available  
30 to any judge exercising jurisdiction, and the judge may combine  
31 any of the applicable alternatives when he finds such disposition  
32 to be in the best interest of the juvenile:

33           (1) The judge may dismiss the case, or continue the  
34 case in order to allow the juvenile, parent, or  
35 others to take appropriate action.

36           (2) In the case of any juvenile who needs more adequate  
37 care or supervision or who needs placement, the  
38 judge may:

39           a. Require that he be supervised in his own home  
40 by the Department of Social Services in his  
41 county, a court counselor or other personnel  
42 as may be available to the court, subject to  
43 conditions applicable to the parent or the  
44 juvenile as the judge may specify; or

- 1                   b. Place him in the custody of a parent,  
2                   relative, private agency offering placement  
3                   services, or some other suitable person; or  
4                   c. Place him in the custody of the Department of  
5                   Social Services in the county of his  
6                   residence, or in the case of a juvenile who  
7                   has legal residence outside the State, in the  
8                   physical custody of the Department of Social  
9                   Services in the county where he is found so  
10                  that agency may return the juvenile to the  
11                  responsible authorities in his home state. The  
12                  Director may, unless otherwise ordered by the  
13                  judge, arrange for, provide, or consent to,  
14                  needed routine or emergency medical or  
15                  surgical care or treatment. In the case where  
16                  the parent is unknown, unavailable or unable  
17                  to act on behalf of their child or children,  
18                  the Director may, unless otherwise ordered by  
19                  the judge, arrange for, provide or consent to  
20                  any psychiatric, psychological, educational,  
21                  or other remedial evaluations or treatment for  
22                  the juvenile placed by a judge or his designee  
23                  in the custody or physical custody of a county  
24                  Department of Social Services under the  
25                  authority of this or any other Chapter of the  
26                  General Statutes. Prior to exercising this  
27                  authority, the Director shall make reasonable  
28                  efforts to obtain consent from a parent or  
29                  guardian of the affected child. If the  
30                  Director can not obtain such consent, the  
31                  Director shall promptly notify the parent or  
32                  guardian that care or treatment has been  
33                  provided and shall give him frequent status  
34                  reports on the circumstances of the child.  
35                  Upon request of a parent or guardian of the  
36                  affected child, the results or records of the  
37                  aforementioned evaluations, findings or  
38                  treatment shall be made available to such  
39                  parent or guardian by the Director unless  
40                  prohibited by G.S. 122C-53(d). If a juvenile  
41                  is removed from the home and placed in custody  
42                  or placement responsibility of a county  
43                  department of social services, the Director  
44                  shall not allow unsupervised visitation with,

1                   or return physical custody of the juvenile to,  
2                   the parent or person standing in loco parentis  
3                   without a hearing at which the court finds  
4                   that the juvenile will receive proper care and  
5                   supervision in a safe home.

6                   In placing a juvenile in out-of-home care  
7                   under this section, the court shall first  
8                   consider whether a relative of the juvenile is  
9                   willing and able to provide proper care and  
10                   supervision of the juvenile in a safe home.  
11                   If the court finds that the relative is  
12                   willing and able to provide proper care and  
13                   supervision in a safe home, then the court  
14                   shall order placement of the juvenile with the  
15                   relative unless the court finds that the  
16                   placement is contrary to the best interests of  
17                   the juvenile. Placement of a juvenile with a  
18                   relative outside of this State must be in  
19                   accordance with the Interstate Compact on the  
20                   Placement of Children.

21                   (3) In any case, the judge may order that the juvenile  
22                   be examined by a physician, psychiatrist,  
23                   psychologist or other qualified expert as may be  
24                   needed for the judge to determine the needs of the  
25                   juvenile.

26                   a. Upon completion of the examination, the judge  
27                   shall conduct a hearing to determine whether  
28                   the juvenile is in need of medical, surgical,  
29                   psychiatric, psychological, or other treatment  
30                   and who should pay the cost of the treatment.  
31                   The county manager, or such person who shall  
32                   be designated by the chairman of the county  
33                   commissioners, of the juvenile's residence  
34                   shall be notified of the hearing, and allowed  
35                   to be heard. If the judge finds the juvenile  
36                   to be in need of medical, surgical,  
37                   psychiatric, psychological or other treatment,  
38                   the judge shall permit the parent or other  
39                   responsible persons to arrange for treatment.  
40                   If the parent declines or is unable to make  
41                   necessary arrangements, the judge may order  
42                   the needed treatment, surgery or care, and the  
43                   judge may order the parent to pay the cost of  
44                   the care pursuant to G.S. 7A-650. If the judge

1 finds the parent is unable to pay the cost of  
2 treatment, the judge shall order the county to  
3 arrange for treatment of the juvenile and to  
4 pay for the cost of the treatment. The county  
5 department of social services shall recommend  
6 the facility that will provide the juvenile  
7 with treatment.

- 8 b. If the judge believes, or if there is evidence  
9 presented to the effect that the juvenile is  
10 mentally ill or is developmentally disabled,  
11 the judge shall refer the juvenile to the area  
12 mental health, developmental disabilities, and  
13 substance abuse services director for  
14 appropriate action. A juvenile shall not be  
15 committed directly to a State hospital or  
16 mental retardation center; and orders  
17 purporting to commit a juvenile directly to a  
18 State hospital or mental retardation center  
19 except for an examination to determine  
20 capacity to proceed shall be void and of no  
21 effect. The area mental health, developmental  
22 disabilities, and substance abuse director  
23 shall be responsible for arranging an  
24 interdisciplinary evaluation of the juvenile  
25 and mobilizing resources to meet the  
26 juvenile's needs. If institutionalization is  
27 determined to be the best service for the  
28 juvenile, admission shall be with the  
29 voluntary consent of the parent or guardian.  
30 If the parent, guardian, or custodian refuses  
31 to consent to a mental hospital or retardation  
32 center admission after such  
33 institutionalization is recommended by the  
34 area mental health, developmental  
35 disabilities, and substance abuse director,  
36 the signature and consent of the judge may be  
37 substituted for that purpose. In all cases in  
38 which a regional mental hospital refuses  
39 admission to a juvenile referred for admission  
40 by a judge and an area mental health,  
41 developmental disabilities, and substance  
42 abuse director or discharges a juvenile  
43 previously admitted on court referral prior to  
44 completion of his treatment, the hospital

1 shall submit to the judge a written report  
2 setting out the reasons for denial of  
3 admission or discharge and setting out the  
4 juvenile's diagnosis, indications of mental  
5 illness, indications of need for treatment,  
6 and a statement as to the location of any  
7 facility known to have a treatment program for  
8 the juvenile in question.

- 9 (4) In any case in which a juvenile, who was at least  
10 eleven years of age at the time of the offense, is  
11 adjudicated delinquent for committing a violation  
12 of G.S. 14-27.2 (first degree rape), G.S. 14-27.3  
13 (second degree rape), 14-27.4 (first degree sexual  
14 offense), 14-27.5 (second degree sexual offense),  
15 or G.S. 14-27.6 (attempted rape or sexual offense),  
16 the judge, upon a finding that the juvenile is a  
17 danger to the community, may order that the  
18 juvenile register in accordance with Part 4 of  
19 Article 27A of Chapter 14 of the General Statutes."

20 Section 7. G.S. 7A-651 reads as rewritten:

21 "§ 7A-651. Dispositional order.

22 (a) The dispositional order shall be in writing and shall  
23 contain appropriate findings of fact and conclusions of law. The  
24 judge shall state with particularity, both orally and in the  
25 written order of disposition, the precise terms of the  
26 disposition including the kind, duration and the person who is  
27 responsible for carrying out the disposition and the person or  
28 agency in whom custody is vested.

29 (b) A dispositional order under which a juvenile is removed  
30 from the custody of a parent or person standing in loco parentis  
31 shall direct that the review hearing required by G.S. 7A-657 be  
32 held within ~~six months of~~ 90 days from the date of the ~~juvenile's~~  
33 ~~placement in custody~~ dispositional hearing and, if practicable,  
34 shall set the date and time for the review hearing.

35 (c) Any dispositional order directing placement of a juvenile  
36 in foster care shall also contain: ~~shall comply with the~~  
37 requirements of G.S. 7A-577.1.

38 ~~(1) A finding that the juvenile's continuation in or~~  
39 ~~return to his own home would be contrary to the~~  
40 ~~juvenile's best interest; and~~

41 ~~(2) Findings as to whether reasonable efforts have been~~  
42 ~~made to prevent or eliminate the need for placement~~  
43 ~~of the juvenile in foster care. A finding that~~  
44 ~~reasonable efforts were not made shall not preclude~~

1           ~~entry of a dispositional order authorizing~~  
2           ~~placement in foster care when the court finds that~~  
3           ~~such placement is needed for protection of the~~  
4           ~~juvenile. When efforts to prevent the need for the~~  
5           ~~juvenile's placement are precluded by an immediate~~  
6           ~~threat of harm to the juvenile, the court may find~~  
7           ~~that placement of the juvenile in the absence of~~  
8           ~~such efforts is reasonable.~~

9           ~~The order may provide for services or other efforts aimed at~~  
10          ~~returning the juvenile promptly to a safe home. If the court~~  
11          ~~finds through written findings of fact that efforts to eliminate~~  
12          ~~the need for placement of the juvenile in custody clearly would~~  
13          ~~be futile or would be inconsistent with the juvenile's safety and~~  
14          ~~need for a safe, permanent home within a reasonable period of~~  
15          ~~time, the court shall specify in its order that reunification~~  
16          ~~efforts are not required or order that reunification efforts~~  
17          ~~cease.~~

18          ~~(d) An order that places a juvenile in the custody of a county~~  
19          ~~department of social services for placement shall specify that~~  
20          ~~the juvenile's placement and care are the responsibility of the~~  
21          ~~county department of social services and that the county~~  
22          ~~department is to provide or arrange for the foster care or other~~  
23          ~~placement of the juvenile. Any dispositional order shall provide~~  
24          ~~for appropriate visitation as may be in the best interests of the~~  
25          ~~juvenile and consistent with the juvenile's health and safety.~~  
26          ~~If the juvenile is placed in the custody or placement~~  
27          ~~responsibility of a county department of social services, the~~  
28          ~~court may order the director to arrange, facilitate, and~~  
29          ~~supervise a visitation plan expressly approved by the court.~~

30          (e) An order that commits a juvenile to the Division of Youth  
31          Services shall recite detailed findings that support commitment  
32          to the Division as the least restrictive alternative in light of  
33          the circumstances. These findings shall state that all  
34          alternatives to commitment prescribed in G.S. 7A-647, 7A-648, and  
35          7A-649 have been attempted unsuccessfully or were considered and  
36          found to be inappropriate and that the juvenile's behavior  
37          constitutes a threat to persons or property in the community.  
38          These findings shall be supported by substantial evidence in the  
39          record that the judge determined the needs of the juvenile,  
40          determined the appropriate community resources required to meet  
41          those needs, and explored and exhausted or considered  
42          inappropriate those resources prior to committing the juvenile to  
43          the Division."

44               Section 8. G.S. 7A-657 reads as rewritten:

1 "§ 7A-657. Review of custody order.

2 (a) In any case where custody is removed from a ~~parent, parent~~  
3 ~~or person standing in loco parentis,~~ the judge shall conduct a  
4 review hearing within ~~six months of~~ 90 days from the date the  
5 ~~order was entered, of the dispositional hearing shall conduct a~~  
6 ~~second review within six months after the first review, and shall~~  
7 conduct a subsequent ~~reviews~~ review hearing within six months at  
8 ~~least every year~~ thereafter. The Director of Social Services  
9 shall make a ~~timely requests~~ request to the clerk to calendar the  
10 ~~case each review at a session of court scheduled for the hearing~~  
11 of juvenile matters. ~~matters within six months of the date the~~  
12 ~~order was entered. The Director shall make timely requests for~~  
13 ~~calendaring subsequent reviews.~~ The clerk shall give 15 days'  
14 notice of the review and its purpose to the parent ~~or~~ and to any  
15 ~~the~~ person standing in loco parentis, the juvenile if 12 years of  
16 age or more, the guardian, any foster parent, relative, or  
17 preadoptive parent providing care for the child, the custodian or  
18 agency with custody, the guardian ad litem, and any other person  
19 or agency the court may specify, indicating the court's impending  
20 review. Nothing in this subsection shall be construed to make any  
21 foster parent, relative, or preadoptive parent a party to the  
22 proceeding solely based on receiving notice and an opportunity to  
23 be heard.

24 (b) Notwithstanding other provisions of this Article, the  
25 court may waive the holding of review hearings required by  
26 subsection (a), may require written reports to the court by the  
27 agency or person holding custody in lieu of review hearings, or  
28 order that review hearings be held less often than every ~~12~~ six  
29 months, if the court finds by clear, cogent and convincing  
30 evidence that:

- 31 (1) The juvenile has resided with a relative or has  
32 been in the custody of another suitable person for  
33 a period of at least one year; and  
34 (2) The placement is stable and continuation of the  
35 placement is in the juvenile's best interest; and  
36 (3) Neither the juvenile's best interests nor the  
37 rights of any party require that review hearings be  
38 held every ~~12~~ six months; and  
39 (4) All parties are aware that the matter may be  
40 brought before the court for review at any time by  
41 the filing of a motion for review or on the court's  
42 own motion; and

1 (5) The court order has designated the relative or  
2 other suitable person as the juvenile's permanent  
3 caretaker or guardian of the person.

4 The court may not waive or refuse to conduct a review hearing if  
5 a party files a motion seeking the review.

6 (c) At every review hearing, the court shall consider  
7 information from ~~the Department of Social Services, the court~~  
8 ~~counselor, the juvenile, the parent or person standing in loco~~  
9 ~~parentis, the custodian, the foster parent, the guardian ad~~  
10 ~~litem, and any public or private agency~~ the parent, any person  
11 standing in loco parentis, the juvenile, the guardian, any foster  
12 parent, relative, or preadoptive parent providing care for the  
13 child, the custodian or agency with custody, the guardian ad  
14 litem, and any other person or agency which will aid it in its  
15 review.

16 In each case the court shall consider the following criteria  
17 and make written findings regarding those that are relevant:

18 (1) Services which have been offered to reunite the  
19 family, or whether efforts to reunite the family  
20 clearly would be futile or inconsistent with the  
21 juvenile's safety and need for a safe, permanent  
22 home within a reasonable period of time;

23 (2) Where the juvenile's return home is unlikely, the  
24 efforts which have been made to evaluate or plan  
25 for other methods of care;

26 (3) Goals of the foster care placement and the  
27 appropriateness of the foster care plan;

28 (4) A new foster care plan, if continuation of care is  
29 sought, that addresses the role the current foster  
30 parent will play in the planning for the juvenile;

31 (5) Reports on the placements the juvenile has had and  
32 any services offered to the juvenile and the  
33 parent;

34 (5a) An appropriate visitation plan;

35 (5b) If the juvenile is 16 or 17 years of age, a report  
36 on an independent living assessment of the juvenile  
37 and, if appropriate, an independent living plan  
38 developed for the juvenile;

39 (6) When and if termination of parental rights should  
40 be considered;

41 (7) Any other criteria the court deems necessary.

42 (d) The judge, after making findings of fact, may appoint a  
43 guardian of the person for the juvenile pursuant to G.S. 7A-585  
44 or may make any disposition authorized by G.S. 7A-647, including

1 the authority to place the child in the custody of either parent  
2 or any relative found by the court to be suitable and found by  
3 the court to be in the best interest of the juvenile. ~~If the~~  
4 ~~juvenile is placed in or remains in the custody of the department~~  
5 ~~of social services, the court may authorize the department to~~  
6 ~~arrange and supervise a visitation plan. Except for such~~  
7 ~~visitation, the juvenile shall not be returned to the parent or~~  
8 ~~person standing in loco parentis without a hearing at which the~~  
9 ~~court finds sufficient facts to show that the juvenile will~~  
10 ~~receive proper care and supervision.~~ The court may enter an order  
11 continuing the placement under review or providing for a  
12 different placement as is deemed to be in the best interest of  
13 the juvenile. If at any time custody is restored to a parent, the  
14 court shall be relieved of the duty to conduct periodic judicial  
15 reviews of the placement.

16 ~~(d1) At a hearing designated by the court, but at least within~~  
17 ~~12 months after the juvenile's placement, a review hearing shall~~  
18 ~~be held under this section and designated as a permanency~~  
19 ~~planning hearing. The purpose of the hearing shall be to develop~~  
20 ~~a plan to achieve a safe, permanent home for the juvenile within~~  
21 ~~a reasonable period of time. Notice of the hearing shall inform~~  
22 ~~the parties of the purpose of the hearing. At the conclusion of~~  
23 ~~the hearing, if the juvenile is not returned home, the judge~~  
24 ~~shall make specific findings as to the best plan of care to~~  
25 ~~achieve a safe, permanent home for the juvenile within a~~  
26 ~~reasonable period of time and shall enter an order consistent~~  
27 ~~with those findings.~~

28 (e) The provisions of ~~subsections (b), (c), and (d) of G.S.~~  
29 ~~7A-651~~ G.S. 7A-577.1 shall apply to any order entered under this  
30 ~~section which continues the foster care placement of a juvenile.~~  
31 section."

32 Section 8.1. Article 52 of Chapter 7A of the General  
33 Statutes is amended by adding the following new section to read:  
34 "§ 7A-657.1. Permanency planning hearing.

35 (a) In any case where custody is removed from a parent or  
36 person standing in loco parentis, the judge shall conduct a  
37 review hearing designated as a permanency planning hearing within  
38 12 months after the date of the initial order removing custody,  
39 and the hearing may be combined, if appropriate, with a review  
40 hearing required by G.S. 7A-657. The purpose of the permanency  
41 planning hearing shall be to develop a plan to achieve a safe,  
42 permanent home for the juvenile within a reasonable period of  
43 time. Subsequent permanency planning hearings shall be held at  
44 least every six months thereafter, or earlier as set by the

1 court, to review the progress made in finalizing the permanent  
2 plan for the juvenile, or if necessary, to make a new permanent  
3 plan for the juvenile. The Director of Social Services shall  
4 make a timely request to the clerk to calendar each permanency  
5 planning hearing at a session of court scheduled for the hearing  
6 of juvenile matters. The clerk shall give 15 days' notice of the  
7 hearing and its purpose to the parent and to any person standing  
8 in loco parentis, the juvenile if 12 years of age or more, the  
9 guardian, any foster parent, relative, or preadoptive parent  
10 providing care for the child, the custodian or agency with  
11 custody, the guardian ad litem, and any other person or agency  
12 the court may specify, indicating the court's impending review.  
13 Nothing in this provision shall be construed to make any foster  
14 parent, relative, or preadoptive parent a party to the proceeding  
15 solely based on receiving notice and an opportunity to be heard.

16 (b) At any permanency planning review, the court shall  
17 consider information from the parent, any person standing in loco  
18 parentis, the juvenile, the guardian, any foster parent,  
19 relative, or preadoptive parent providing care for the child, the  
20 custodian or agency with custody, the guardian ad litem, and any  
21 other person or agency which will aid it in the court's review.  
22 At the conclusion of the hearing, if the juvenile is not returned  
23 home, the court shall consider the following criteria and make  
24 written findings regarding those that are relevant:

25 (1) Whether it is possible for the juvenile to be  
26 returned home immediately or within the next six  
27 months, and if not, why it is not in the juvenile's  
28 best interests to return home;

29 (2) Where the juvenile's return home is unlikely within  
30 six months, whether legal guardianship or custody  
31 with a relative or some other suitable person  
32 should be established, and if so, the rights and  
33 responsibilities which should remain with the  
34 parents;

35 (3) Where the juvenile's return home is unlikely within  
36 six months, whether adoption should be pursued, and  
37 if so, any barriers to the juvenile's adoption;

38 (4) Where the juvenile's return home is unlikely within  
39 six months, whether the juvenile should remain in  
40 the current placement or be placed in another  
41 permanent living arrangement and why;

42 (5) Whether the county department of social services  
43 has since the initial permanency plan hearing made

1                   reasonable efforts to implement the permanent plan  
2                   for the juvenile;

3           (6) Any other criteria the court deems necessary.

4    (c) At the conclusion of the hearing, the judge shall make  
5 specific findings as to the best plan of care to achieve a safe,  
6 permanent home for the juvenile within a reasonable period of  
7 time. The judge may appoint a guardian of the person for the  
8 juvenile pursuant to G.S. 7A-585 or make any disposition  
9 authorized by G.S. 7A-647, including the authority to place the  
10 child in the custody of either parent or any relative found by  
11 the court to be suitable and found by the court to be in the best  
12 interests of the juvenile. If the juvenile is not returned home,  
13 the court shall enter an order consistent with its findings that  
14 directs the department of social services to make reasonable  
15 efforts to place the juvenile in a timely manner in accordance  
16 with the permanent plan, to complete whatever steps are necessary  
17 to finalize the permanent placement of the juvenile, and to  
18 document such steps in the juvenile's case plan. If at any time  
19 custody is restored to a parent, or findings are made in  
20 accordance with G.S. 7A-657(b), the court shall be relieved of  
21 the duty to conduct periodic judicial reviews of the placement.

22 If the court continues the juvenile's placement in the custody  
23 or placement responsibility of a county department of social  
24 services, the provisions of G.S. 7A-577.1 shall apply to any  
25 order entered under this section.

26   (d) In the case of a juvenile who is in the custody or  
27 placement responsibility of a county department of social  
28 services, and has been in placement outside the home for 15 of  
29 the most recent 22 months; or a court of competent jurisdiction  
30 has determined that the parent has abandoned the child; or has  
31 committed murder or voluntary manslaughter of another child of  
32 the parent; or has aided, abetted, attempted, conspired, or  
33 solicited to commit murder or voluntary manslaughter of the child  
34 or another child of the parent, the court shall order the  
35 director of the department of social services to initiate a  
36 proceeding to terminate the parental rights of the parent unless  
37 the court finds:

38           (1) The permanent plan for the juvenile is guardianship  
39           or custody with a relative or some other suitable  
40           person;

41           (2) The court makes specific findings why the filing of  
42           a petition for termination of parental rights is  
43           not in the best interests of the child; or

(3) The department of social services has not provided the juvenile's family with such services as the department deems necessary, when reasonable efforts are still required to enable the juvenile's return to a safe home.

(e) If a proceeding to terminate the parental rights of the juvenile's parents is necessary in order to perfect the permanent plan for the juvenile, the director of the department of social services shall file a petition to terminate parental rights within 60 calendar days from the date of the permanency planning hearing unless the court makes written findings why the petition cannot be filed within 60 days. If the court makes findings to the contrary, the court shall specify the time frame in which any needed petition to terminate parental rights shall be filed."

Section 9. G.S. 7A-659 reads as rewritten:

"§ 7A-659. Post termination of parental rights' placement court review.

(a) The purpose of each placement review is to insure that every reasonable effort is being made to provide for a permanent placement plan for the child who has been placed in the custody of a county director or licensed child-placing agency, which is consistent with the child's best interest. At each review hearing the court may consider information from the Department of Social Services, the licensed child-placing agency, the guardian ad litem, the child, ~~the~~ any foster parent, relative, or preadoptive parent providing care for the child, and any other person or agency the court determines is likely to aid in the review.

(b) The court shall conduct a placement review not later than six months from the date of the termination hearing when parental rights have been terminated by a petition brought by any person or agency designated in G.S. 7A-289.24(2) through (5) and a county director or licensed child-placing agency has custody of the child. The court shall conduct reviews every six months thereafter until the child is placed for adoption and the adoption petition is filed by the adoptive parents.

(1) No more than 30 days and no less than 15 days prior to each review, the clerk shall give notice of the review to the child if he is at least 12 years of age, the legal custodian of the child, ~~the~~ any foster parent, relative, or preadoptive parent providing care for the child, the guardian ad litem, if any, and any other person or agency the court may specify. Only the child if he is at least 12 years of age, the legal custodian of the child,

- 1           ~~the~~ any foster parent, relative, or preadoptive  
2           parent providing care for the child, and the  
3           guardian ad litem shall attend the review hearings,  
4           except as otherwise directed by the court. Nothing  
5           in this subdivision shall be construed to make any  
6           foster parent, relative, or preadoptive parent a  
7           party to the proceeding solely based on receiving  
8           notice and an opportunity to be heard.
- 9           (2) If a guardian ad litem for the child has not been  
10          appointed previously by the court in the  
11          termination proceeding, the court, at the initial  
12          six-month review hearing, may appoint a guardian ad  
13          litem to represent the child. The court may  
14          continue the case for such time as is necessary for  
15          the guardian ad litem to become familiar with the  
16          facts of the case.
- 17       (c) The court shall consider at least the following in its  
18       review:
- 19           (1) The adequacy of the plan developed by the county  
20           department of social services or a licensed  
21           child-placing agency for a permanent placement  
22           relative to the child's best interest and the  
23           efforts of the department or agency to implement  
24           such plan;
- 25           (2) Whether the child has been listed for adoptive  
26           placement with the North Carolina Adoption Resource  
27           Exchange, the North Carolina Photo Adoption Listing  
28           Service (PALS), or any other specialized adoption  
29           agency; and
- 30           (3) The efforts previously made by the department or  
31           agency to find a permanent home for the child.
- 32       (d) The court, after making findings of fact, shall affirm the  
33       county department's or child-placing agency's plans or require  
34       specific additional steps which are necessary to accomplish a  
35       permanent placement which is in the best interests of the child.
- 36       (e) If the child has been placed for adoption prior to the  
37       date scheduled for the review, written notice of said placement  
38       shall be given to the clerk to be placed in the court file and  
39       the review hearing shall be cancelled, with notice of said  
40       cancellation given by the clerk to all persons previously  
41       notified.
- 42       (f) The process of selection of specific adoptive parents  
43       shall be the responsibility of and within the discretion of the  
44       county department of social services or licensed child-placing

1 agency. The guardian ad litem may request information from and  
2 consult with the county department or child-placing agency  
3 concerning the selection process. If the guardian ad litem  
4 requests information about the selection process, the county  
5 shall provide the information within five days. Any issue of  
6 abuse of discretion by the county department or child-placing  
7 agency in the selection process must be raised by the guardian ad  
8 litem within 10 days following the date the agency notifies the  
9 court and the guardian ad litem in writing of the filing of the  
10 adoption petition."

11 Section 9.1. Article 24B of Chapter 7A of the General  
12 Statutes is amended by adding the following new section to read:

13 "§ 7A-289.23.1. Pending child abuse, neglect, or dependency  
14 hearings.

15 When a juvenile is currently within the jurisdiction of the  
16 district court based upon an abuse, neglect, or dependency  
17 proceeding, a petition for termination of parental rights to that  
18 juvenile may be filed as a motion in the cause in the abuse,  
19 neglect, or dependency proceeding. Any parent of that juvenile  
20 who was previously served in the abuse, neglect, or dependency  
21 proceeding in accordance with G.S. 7A-565 shall be served with  
22 the petition to terminate parental rights in accordance with G.S.  
23 1A-1, Rule 5."

24 Section 10. G.S. 7A-289.27 reads as rewritten:

25 "§ 7A-289.27. Issuance of summons.

26 (a) Except as provided in G.S. 7A-289.26, upon the filing of  
27 the petition, the court shall cause a summons to be issued,  
28 directed to the following persons or agency, not otherwise a  
29 party petitioner, who shall be named as respondents:

- 30 (1) The parents of the child;
- 31 (2) Any person who has been judicially appointed as  
32 guardian of the person of the child;
- 33 (3) The custodian of the child appointed by a court of  
34 competent jurisdiction;
- 35 (4) Any county department of social services or  
36 licensed child-placing agency to whom a child has  
37 been released by one parent pursuant to Part 7 of  
38 Article 3 of Chapter 48 of the General Statutes;  
39 Statutes or any county department of social  
40 services to whom placement responsibility for the  
41 child has been given by a court of competent  
42 jurisdiction; and  
43 (5) The child, if he or she is 12 years of age or older  
44 at the time the petition is filed.

1 Provided, no summons need be directed to or served upon any  
2 parent who has previously surrendered the child to a county  
3 department of social services or licensed child-placing agency,  
4 nor to any parent who has consented to the adoption of the child  
5 by the petitioner. The summons shall notify the respondents to  
6 file a written answer within 30 days after service of the summons  
7 and petition. Service of the summons shall be completed as  
8 provided under the procedures established by G.S. 1A-1, Rule  
9 4(j); but the parent of the child shall not be deemed to be under  
10 disability even though such parent is a minor.

11 (b) The summons shall be issued for the purpose of terminating  
12 parental rights pursuant to the provisions of subsection (a) of  
13 this section and shall include:

- 14 (1) The name of the minor child;
- 15 (2) Notice that a written answer to the petition must  
16 be filed with the clerk who signed the petition  
17 within 30 days after service of the summons and a  
18 copy of the petition, or the parent's rights may be  
19 terminated;
- 20 (3) Notice that if they are indigent, the parents are  
21 entitled to appointed counsel. The parents may  
22 contact the clerk immediately to request counsel;
- 23 (4) Notice that this is a new case. Any attorney  
24 appointed previously will not represent the parents  
25 in this proceeding unless ordered by the court;
- 26 (5) Notice that the date, time and place of the hearing  
27 will be mailed by the clerk upon filing of the  
28 answer or 30 days from the date of service if no  
29 answer is filed;
- 30 (6) Notice of the purpose of the hearing and notice  
31 that the parents may attend the termination  
32 hearing.

33 (c) If a county department of social services, not otherwise a  
34 party petitioner, is served with a petition alleging that the  
35 parental rights of the parent should be terminated pursuant to  
36 G.S. 7A-289.32, the department shall file a written answer and  
37 shall be deemed a party to the proceeding."

38 Section 11. G.S. 7A-289.32 reads as rewritten:

39 "§ 7A-289.32. Grounds for terminating parental rights.

40 The court may terminate the parental rights upon a finding of  
41 one or more of the following:

- 42 (1) Repealed by Session Laws 1979, c. 669, s. 2.
- 43 (2) The parent has abused or neglected the child. The  
44 child shall be deemed to be abused or neglected if

- 1           the court finds the child to be an abused child  
2           within the meaning of G.S. 7A-517(1), or a  
3           neglected child within the meaning of G.S. 7A-  
4           517(21).
- 5           (3) The parent has willfully left the child in foster  
6           care or placement outside the home for more than 12  
7           months without showing to the satisfaction of the  
8           court that reasonable progress under the  
9           circumstances has been made within 12 months in  
10          correcting those conditions which led to the  
11          removal of the child. Provided, however, that no  
12          parental rights shall be terminated for the sole  
13          reason that the parents are unable to care for the  
14          child on account of their poverty.
- 15          (3a) The burden in such proceedings shall be upon the  
16          petitioner to prove the facts justifying such  
17          termination by clear and convincing evidence.
- 18          (4) The child has been placed in the custody of a  
19          county Department of Social Services, a licensed  
20          child-placing agency, a child-caring institution,  
21          or a foster home, and the parent, for a continuous  
22          period of six months next preceding the filing of  
23          the petition, has willfully failed for such period  
24          to pay a reasonable portion of the cost of care for  
25          the child although physically and financially able  
26          to do so.
- 27          (5) One parent has been awarded custody of the child by  
28          judicial decree, or has custody by agreement of the  
29          parents, and the other parent whose parental rights  
30          are sought to be terminated has for a period of one  
31          year or more next preceding the filing of the  
32          petition willfully failed without justification to  
33          pay for the care, support, and education of the  
34          child, as required by said decree or custody  
35          agreement.
- 36          (6) The father of a child born out of wedlock has not  
37          prior to the filing of a petition to terminate his  
38          parental rights:
- 39               a. Establish(ed) paternity judicially or by  
40               affidavit which has been filed in a central  
41               registry maintained by the Department of  
42               Health and Human Services; provided, the court  
43               shall inquire of the Department of Health and  
44               Human Services as to whether such an affidavit

- 1 has been so filed and shall incorporate into  
2 the case record the Department's certified  
3 reply; or  
4 b. Legitimated the child pursuant to provisions  
5 of G.S. 49-10, or filed a petition for this  
6 specific purpose; or

10 consistent care with respect to the child and  
11 mother.
- 12 (7) That the parent is incapable of providing for the  
13 proper care and supervision of the child, such that  
14 the child is a dependent child within the meaning  
15 of G.S. 7A-517(13), and that there is a reasonable  
16 probability that such incapability will continue  
17 for the foreseeable future. Incapability under this  
18 subdivision may be the result of substance abuse,  
19 mental retardation, mental illness, organic brain  
20 syndrome, or any other similar cause or condition.
- 21 (8) The parent has willfully abandoned the child for at  
22 least six consecutive months immediately preceding  
23 the filing of the petition. ~~For the purpose of this~~  
24 ~~subdivision, a child may be willfully abandoned by~~  
25 ~~his or her natural father if the mother of the~~  
26 ~~child had been willfully abandoned by and was~~  
27 ~~living separate and apart from the father at the~~  
28 ~~time of the child's birth, although the father may~~  
29 ~~not have known of such birth; but in any event the~~  
30 ~~child must be over the age of three months at the~~  
31 ~~time of the filing of the petition.~~
- 32 (9) The parent has committed murder or voluntary  
33 manslaughter of another child of the parent or  
34 other child residing in the home; has aided,  
35 abetted, attempted, conspired, or solicited to  
36 commit murder or voluntary manslaughter of the  
37 child, another child of the parent, or other child  
38 residing in the home; or has committed a felony  
39 assault that results in serious bodily injury to  
40 the child, another child of the parent, or other  
41 child residing in the home.
- 42 (10) The parental rights of the parent with respect to  
43 another child of the parent have been terminated  
44 involuntarily by a court of competent jurisdiction

1                   and the parent lacks the ability or willingness to  
2                   establish a safe home."

22   "**§ 48-3-203. Agency placement adoption.**

23   (a) An agency may acquire legal and physical custody of a  
24   minor for purposes of adoptive placement only by means of a  
25   relinquishment pursuant to Part 7 of this Article or by a court  
26   order terminating the rights and duties of a parent or guardian  
27   of the minor.

28   (b) An agency shall give any individual upon request a written  
29   statement of the services it provides and of its procedure for  
30   selecting a prospective adoptive parent for a minor, including  
31   the role of the minor's parent or guardian in the selection  
32   process. This statement must include a schedule of any fee or  
33   expenses charged or required to be paid by the agency and a  
34   summary of the provisions of this Chapter that pertain to the  
35   requirements and consequences of a relinquishment and to the  
36   selection of a prospective adoptive parent.

37   (c) An agency may notify the parent when a placement has  
38   occurred and when an adoption decree is issued.

39   (d) The selection of a prospective adoptive parent for a minor  
40   shall be made by the agency on the basis of a preplacement

42   on criteria requested by a parent who relinquishes the child to  
43   the agency.

1 (d1) A minor who is in the custody or placement responsibility  
2 of a county department of social services shall not be placed  
3 with a selected prospective adoptive parent prior to the  
4 completion of an investigation of the individual's criminal  
5 history pursuant to G.S. 48-3-309 or G.S. 131D-10.3A and, based  
6 on the criminal history, a determination as to the individual's  
7 fitness to have responsibility for the safety and well-being of  
8 children.

9 (e) In addition to the authority granted in G.S. 131D-10.5,  
10 the Social Services Commission may adopt rules for placements by  
11 agencies consistent with the purposes of this Chapter."

12 Section 14. G.S. 48-3-303 reads as rewritten:

13 "§ 48-3-303. Content and timing of preplacement assessment.

14 (a) A preplacement assessment shall be completed within 90  
15 days after a request has been accepted.

16 (b) The preplacement assessment must be based on at least one  
17 personal interview with each individual being assessed in the  
18 individual's residence and any report received pursuant to  
19 subsection (c) of this section.

20 (c) The preplacement assessment must, after a reasonable  
21 investigation, report on the following about the individual being  
22 assessed:

- 23 (1) Age and date of birth, nationality, race, or  
24 ethnicity, and any religious preference;
- 25 (2) Marital and family status and history, including  
26 the presence of any children born to or adopted by  
27 the individual and any other children in the  
28 household;
- 29 (3) Physical and mental health, including any addiction  
30 to alcohol or drugs;
- 31 (4) Educational and employment history and any special  
32 skills;
- 33 (5) Property and income, and current financial  
34 information provided by the individual;
- 35 (6) Reason for wanting to adopt;
- 36 (7) Any previous request for an assessment or  
37 involvement in an adoptive placement and the  
38 outcome of the assessment or placement;
- 39 (8) Whether the individual has ever been a respondent  
40 in a domestic violence proceeding or a proceeding  
41 concerning a minor who was allegedly abused,  
42 dependent, neglected, abandoned, or delinquent, and  
43 the outcome of the proceeding;

- 1           (9) Whether the individual has ever been convicted of a  
2           crime other than a minor traffic violation;  
3           (10) Whether the individual has located a parent  
4           interested in placing a child with the individual  
5           for adoption and a brief, nonidentifying  
6           description of the parent and the child; and  
7           (11) Any other fact or circumstance that may be relevant  
8           to a determination of the individual's suitability  
9           to be an adoptive parent, including the quality of  
10          the environment in the home and the functioning of  
11          any children in the household.

12   When any of the above is not reasonably available, the  
13   preplacement assessment shall state why it is unavailable.

14   (d) The agency shall conduct an investigation for any criminal  
15   record as permitted by law. If a prospective adoptive parent is  
16   seeking to adopt a minor who is in the custody or placement  
17   responsibility of a county department of social services, a  
18   county department of social services shall have the individual's  
19   criminal history investigated pursuant to G.S. 48-3-309, and  
20   based on the criminal history, make a determination pursuant to  
21   subsection (e) of this section as to the individual's fitness to  
22   have responsibility for the safety and well-being of children.

23   (e) In the preplacement assessment, the agency shall review  
24   the information obtained pursuant to subsections (b), (c), and  
25   (d) of this section and evaluate the individual's strengths and  
26   weaknesses to be an adoptive parent. The agency shall then  
27   determine whether the individual is suitable to be an adoptive  
28   parent.

29   (f) If the agency determines that the individual is suitable  
30   to be an adoptive parent, the preplacement assessment shall  
31   include specific factors which support that determination.

32   (g) If the agency determines that the individual is not  
33   suitable to be an adoptive parent, the replacement assessment  
34   shall state the specific concerns which support that  
35   determination. A specific concern is one that reasonably  
36   indicates that placement of any minor, or a particular minor, in  
37   the home of the individual would pose a significant risk of harm  
38   to the well-being of the minor.

39   (h) In addition to the information and finding required by  
40   subsections (c) through (g) of this section, the preplacement  
41   assessment must contain a list of the sources of information on  
42   which it is based.

1 (i) The Social Services Commission shall have authority to  
2 establish by rule additional standards for preplacement  
3 assessments."

4 Section 15. Effective January 1, 1999, Article 3 of  
5 Chapter 48 of the General Statutes is amended by adding the  
6 following new section to read:

7 "§ 48-3-309. Mandatory preplacement criminal checks of  
8 prospective adoptive parents seeking to adopt a minor who is in  
9 the custody or placement responsibility of a county department of  
10 social services.

11 (a) The department shall ensure that the criminal histories of  
12 all prospective adoptive parents seeking to adopt a minor who is  
13 in the custody or placement responsibility of a county department  
14 of social services are checked prior to placement and, based on  
15 the criminal history, a determination is made as to the  
16 individual's fitness to have responsibility for the safety and  
17 well-being of children. The department shall ensure that all  
18 prospective adoptive parents seeking to adopt a minor who is in  
19 the custody or placement responsibility of a county department of  
20 social services are checked prior to placement for county, state,  
21 and federal criminal histories.

22 (b) A county department of social services may issue an  
23 unfavorable preplacement assessment to a prospective adoptive  
24 parent if the county department of social services determines  
25 pursuant to G.S. 48-3-303(e) that the individual is unfit to have  
26 responsibility for the safety and well-being of children based on  
27 the criminal history.

28 (c) The Department of Justice shall provide to the Department  
29 of Health and Human Services the criminal history of such a

37 fingerprints and other identifying information required by the  
38 State or National Repositories signed by the individual to be  
39 checked. The fingerprints of the prospective adoptive parent  
40 shall be forwarded to the State Bureau of Investigation for a  
41 search of the State's criminal history record file, and the State  
42 Bureau of Investigation shall forward a set of fingerprints to  
43 the Federal Bureau of Investigation for a national criminal  
44 history record check.

1     (d)   At the time of the request for a preplacement assessment  
2     or at a subsequent time prior to placement, a prospective  
3     adoptive parent whose criminal history is to be checked shall be  
4     furnished with a statement substantially similar to the  
5     following:

6                                     'NOTICE

7     MANDATORY CRIMINAL HISTORY CHECK: NORTH CAROLINA LAW REQUIRES  
8     THAT A CRIMINAL HISTORY CHECK BE CONDUCTED PRIOR TO PLACEMENT  
9     ON PROSPECTIVE ADOPTIVE PARENTS SEEKING TO ADOPT A MINOR WHO  
10    IS IN THE CUSTODY OR PLACEMENT RESPONSIBILITY OF A COUNTY  
11    DEPARTMENT OF SOCIAL SERVICES.

12  
13    'Criminal history' means a county, state, or federal criminal  
14    history of conviction or a pending indictment of a crime,  
15    whether a misdemeanor or a felony, that bears upon an  
16    individual's fitness to have responsibility for the safety  
17    and well-being of children, including the following North  
18    Carolina crimes contained in any of the following Articles of  
19    Chapter 14 of the General Statutes: Article 6, Homicide;  
20    Article 7A, Rape and Kindred Offenses; Article 8, Assaults;

31    138.5; or similar crimes under federal law or under the laws  
32    of other states. Your fingerprints will be used to check the  
33    criminal history records of the State Bureau of Investigation  
34    (SBI) and the Federal Bureau of Investigation (FBI).

35  
36    If it is determined, based on your criminal history, that you  
37    are unfit to have responsibility for the safety and well-  
38    being of children, you shall have the opportunity to  
39    complete, or challenge the accuracy of, the information  
40    contained in the SBI or FBI identification records.

41  
42    If you are denied a favorable preplacement assessment by a  
43    county department of social services as a result of the

1 criminal history check, you may request a review of the  
2 assessment pursuant to G.S. 48-3-308(a).

3  
4 Any prospective adoptive parent who intentionally falsifies  
5 any information required to be furnished to conduct the  
6 criminal history is guilty of a Class 2 misdemeanor.'

7  
8 Refusal to consent to a criminal history check is grounds for  
9 the issuance by a county department of social services of an  
10 unfavorable preplacement assessment. Any prospective adoptive  
11 parent who intentionally falsifies any information required to be  
12 furnished to conduct the criminal history is guilty of a Class 2  
13 misdemeanor.

14 (e) The department shall notify the prospective adoptive  
15 parent's supervising county department of social services of the  
16 results of the criminal history check in accordance with the  
17 federal and State law regulating the dissemination of the  
18 contents of the criminal history file. The department shall not  
19 release nor disclose any portion of the prospective adoptive  
20 parent's criminal history to the prospective adoptive parent.  
21 The department shall also ensure that the prospective adoptive  
22 parent is notified of the prospective adoptive parent's right to  
23 review the criminal history information, the procedure for  
24 completing or challenging the accuracy of the criminal history,  
25 and the prospective adoptive parent's right to contest the  
26 preplacement assessment of the county department of social  
27 services.

28 A prospective adoptive parent who disagrees with the  
29 preplacement assessment of the county department of social  
30 services may request a review of the assessment pursuant to G.S.  
31 48-3-308(a).

32 (f) All the information that the department receives through  
33 the checking of the criminal history is privileged information  
34 and is not a public record but is for the exclusive use of the  
35 department and those persons authorized under this section to  
36 receive the information. The department may destroy the  
37 information after it is used for the purposes authorized by this  
38 section after one calendar year.

39 (g) There is no liability for negligence on the part of a  
40 State or local agency, or the employees of a State or local  
41 agency, arising from any action taken or omission by any of them  
42 in carrying out the provisions of this section. The immunity  
43 established by this subsection shall not extend to gross  
44 negligence, wanton conduct, or intentional wrongdoing that would

1 otherwise be actionable. The immunity established by this  
2 subsection shall be deemed to have been waived to the extent of  
3 indemnification by insurance, indemnification under Article 31A  
4 of Chapter 143 of the General Statutes, and to the extent  
5 sovereign immunity is waived under the Tort Claims Act, as set  
6 forth in Article 31 of Chapter 143 of the General Statutes.

7 (h) The Department of Justice shall perform the State and  
8 national criminal history checks on prospective adoptive parents  
9 seeking to adopt a minor in the custody or placement  
10 responsibility of a county department of social services and  
11 shall charge the Department of Health and Human Services a  
12 reasonable fee only for conducting the checks of the national  
13 criminal history records authorized by this section. The  
14 Division of Social Services, Department of Health and Human  
15 Services, shall bear the costs of implementing this section."

11          violation of law. In determining whether a juvenile  
12          is a neglected juvenile, it is relevant whether  
13          that juvenile lives in a home where another  
14          juvenile has died as a result of suspected abuse or  
15          neglect or lives in a home where another juvenile  
16          has been subjected to abuse or neglect by an adult  
17          who regularly lives in the home.
- 18          (14) Petitioner. -- The individual who initiates court  
19          action, whether by the filing of a petition or of a  
20          motion for review alleging the matter for  
21          adjudication.
- 22          (15) Prosecutor. -- The district attorney or assistant  
23          district attorney assigned by the district attorney  
24          to juvenile proceedings.
- 25          (16) Reasonable efforts. -- The diligent use of  
26          preventive or reunification services by a  
27          department of social services when a juvenile's  
28          remaining at home or returning home is consistent  
29          with achieving a safe, permanent home for the  
30          juvenile within a reasonable period of time. If a  
31          court of competent jurisdiction determines that the  
32          juvenile is not to be returned home, then  
33          reasonable efforts means the diligent and timely  
34          use of permanency planning services by a department  
35          of social services to develop and implement a  
36          permanent plan for the juvenile.
- 37          (17) Safe home. -- A home in which the juvenile is not  
38          at substantial risk of physical or emotional abuse  
39          or neglect.
- 40          (18) Shelter care. -- The temporary care of a juvenile  
41          in a physically unrestricting facility pending  
42          court disposition.

4 Section 19. G.S. 7B-302, as rewritten and recodified by  
5 enacted Senate Bill 1260, 1997 General Assembly, reads as  
6 rewritten:

7 "§ 7B-302. Investigation by director; access to confidential  
8 information; notification of person making the report.

9 When a report of abuse, neglect, or dependency is received, the  
10 director of the department of social services shall make a prompt  
11 and thorough investigation in order to ascertain the facts of the  
12 case, the extent of the abuse or neglect, and the risk of harm to  
13 the juvenile, in order to determine whether protective services  
14 should be provided or the complaint filed as a petition. When the  
15 report alleges abuse, the director shall immediately, but no  
16 later than 24 hours after receipt of the report, initiate the  
17 investigation. When the report alleges neglect or dependency, the  
18 director shall initiate the investigation within 72 hours  
19 following receipt of the report. The investigation and evaluation  
20 shall include a visit to the place where the juvenile resides.  
21 All information received by the department of social services,  
22 including the identity of the reporter, shall be held in  
23 strictest confidence by the department.

24 When a report of a juvenile's death as a result of suspected  
25 maltreatment or a report of suspected abuse, neglect, or  
26 dependency of a juvenile is received, the director of the  
27 department of social services shall immediately ascertain if  
28 other juveniles remain in the home, and, if so, initiate an  
29 investigation in order to determine whether they require  
30 protective services or whether immediate removal of the juveniles  
31 from the home is necessary for their protection.

32 If the investigation indicates that abuse, neglect, or  
33 dependency has occurred, the director shall decide whether  
34 immediate removal of the juvenile or any other juveniles in the  
35 home is necessary for their protection. If immediate removal does  
36 not seem necessary, the director shall immediately provide or  
37 arrange for protective services. If the parent, guardian,  
38 custodian, or caretaker refuses to accept the protective services  
39 provided or arranged by the director, the director shall sign a  
40 complaint seeking to invoke the jurisdiction of the court for the  
41 protection of the juvenile or juveniles.

42 If immediate removal seems necessary for the protection of the  
43 juvenile or other juveniles in the home, the director shall sign  
44 a complaint which alleges the applicable facts to invoke the

1 jurisdiction of the court. Where the investigation shows that it  
2 is warranted, a protective services worker may assume temporary  
3 custody of the juvenile for the juvenile's protection pursuant to  
4 Article 5 of this Chapter.

5 In performing any duties related to the investigation of the  
6 complaint or the provision or arrangement for protective  
7 services, the director may consult with any public or private  
8 agencies or individuals, including the available State or local  
9 law enforcement officers who shall assist in the investigation  
10 and evaluation of the seriousness of any report of abuse,  
11 neglect, or dependency when requested by the director. The  
12 director or the director's representative may make a written  
13 demand for any information or reports, whether or not  
14 confidential, that may in the director's opinion be relevant to  
15 the investigation of or the provision for protective services.  
16 Upon the director's or the director's representative's request  
17 and unless protected by the attorney-client privilege, any public  
18 or private agency or individual shall provide access to and  
19 copies of this confidential information and these records to the  
20 extent permitted by federal law and regulations. If a custodian  
21 of criminal investigative information or records believes that  
22 release of the information will jeopardize the right of the State  
23 to prosecute a defendant or the right of a defendant to receive a  
24 fair trial or will undermine an ongoing or future investigation,  
25 it may seek an order from a court of competent jurisdiction to  
26 prevent disclosure of the information. In such an action, the  
27 custodian of the records shall have the burden of showing by a  
28 preponderance of the evidence that disclosure of the information  
29 in question will jeopardize the right of the State to prosecute a  
30 defendant or the right of a defendant to receive a fair trial or  
31 will undermine an ongoing or future investigation. Actions  
32 brought pursuant to this paragraph shall be set down for  
33 immediate hearing, and subsequent proceedings in the actions  
34 shall be accorded priority by the trial and appellate courts.

35 Within five working days after receipt of the report of abuse,  
36 neglect, or dependency, the director shall give written notice to  
37 the person making the report, unless requested by that person not  
38 to give notice, as to whether the report was accepted for  
39 investigation and whether the report was referred to the  
40 appropriate State or local law enforcement agency.

41 Within five working days after completion of the protective  
42 services investigation, the director shall give subsequent  
43 written notice to the person making the report, unless requested  
44 by that person not to give notice, as to whether there is a

1 finding of abuse, neglect, or dependency, whether the county  
2 department of social services is taking action to protect the  
3 juvenile, and what action it is taking, including whether or not  
4 a petition was filed. The person making the report shall be  
5 informed of procedures necessary to request a review by the  
6 prosecutor of the director's decision not to file a petition. A  
7 request for review by the prosecutor shall be made within five  
8 working days of receipt of the second notification. The second  
9 notification shall include notice that, if the person making the  
10 report is not satisfied with the director's decision, the person  
11 may request review of the decision by the prosecutor within five  
12 working days of receipt. The person making the report may waive  
13 the person's right to this notification, and no notification is  
14 required if the person making the report does not identify  
15 himself to the director."

16 Section 20. G.S. 7B-505, as rewritten and recodified by  
17 enacted Senate Bill 1260, 1997 General Assembly, reads as  
18 rewritten:

19 "§ 7B-505. Place of nonsecure custody.

20 A juvenile meeting the criteria set out in G.S. 7B-503 may be  
21 placed in nonsecure custody with the department of social  
22 services or a person designated in the order for temporary  
23 residential placement in:

- 24 (1) A licensed foster home or a home otherwise  
25 authorized by law to provide such care; or
- 26 (2) A facility operated by the department of social  
27 services; or
- 28 (3) Any other home or ~~facility~~ facility, including a  
29 relative's home approved by the court and  
30 designated in the order.

31 In placing a juvenile in nonsecure custody under this section,  
32 the court shall first consider whether a relative of the juvenile  
33 is willing and able to provide proper care and supervision of the  
34 juvenile in a safe home. If the court finds that the relative is  
35 willing and able to provide proper care and supervision in a safe  
36 home, then the court shall order placement of the juvenile with  
37 ~~the relative~~ relative unless the court finds that placement with  
38 the relative would be contrary to the best interests of the  
39 juvenile. In placing a juvenile in nonsecure custody under this  
40 section, the court shall consider any federal law that may apply.  
41 ~~Prior to placement~~ Placement of a juvenile with a relative  
42 outside of this ~~State, the placement~~ State must be in accordance  
43 with the Interstate Compact on the Placement of Children, Article  
44 38 of this Chapter."

1           Section 21. G.S. 7B-506, as rewritten and recodified by  
2 enacted Senate Bill 1260, 1997 General Assembly, reads as  
3 rewritten:

4 "§ 7B-506.   Hearing to determine need for continued nonsecure  
5 custody.

6   (a) No juvenile shall be held under a nonsecure custody order  
7 for more than seven calendar days without a hearing on the merits  
8 or a hearing to determine the need for continued custody. A  
9 hearing on nonsecure custody conducted under this subsection may  
10 be continued for up to 10 business days with the consent of the  
11 juvenile's parent, guardian, custodian, or caretaker and, if  
12 appointed, the juvenile's guardian ad litem. In addition, the  
13 court may require the consent of additional parties or may  
14 schedule the hearing on custody despite a party's consent to a  
15 continuance. In every case in which an order has been entered by  
16 an official exercising authority delegated pursuant to G.S. 7B-  
17 502, a hearing to determine the need for continued custody shall  
18 be conducted on the day of the next regularly scheduled session  
19 of district court in the city or county where the order was  
20 entered if such session precedes the expiration of the applicable  
21 time period set forth in this subsection: Provided, that if such  
22 session does not precede the expiration of the time period, the  
23 hearing may be conducted at another regularly scheduled session  
24 of district court in the district where the order was entered.

25   (b) At a hearing to determine the need for continued custody,  
26 the court shall receive testimony and shall allow the guardian ad  
27 litem, or juvenile, and the juvenile's parent, guardian,  
28 custodian, or caretaker an opportunity to introduce evidence, to  
29 be heard in the person's own behalf, and to examine witnesses.  
30 The State shall bear the burden at every stage of the proceedings  
31 to provide clear and convincing evidence that the juvenile's  
32 placement in custody is necessary. The court shall not be bound  
33 by the usual rules of evidence at such hearings.

34   (c) The court shall be bound by criteria set forth in G.S. 7B-  
35 503 in determining whether continued custody is warranted.

36   (d) If the court determines that the juvenile meets the  
37 criteria in G.S. 7B-503 and should continue in custody, the court  
38 shall issue an order to that effect. The order shall be in  
39 writing with appropriate findings of fact. The findings of fact  
40 shall include the evidence relied upon in reaching the decision  
41 and the purposes which continued custody is to achieve.

42   (e) If the court orders at the hearing required in subsection  
43 (a) of this section that the juvenile remain in custody, a  
44 subsequent hearing on continued custody shall be held within

1 seven business days of that hearing, excluding Saturdays,  
2 Sundays, and legal holidays, and pending a hearing on the merits,  
3 hearings thereafter shall be held at intervals of no more than 30  
4 calendar days.

5 (f) Hearings conducted under subsection (e) of this section  
6 may be waived only with the consent of the juvenile's parent,  
7 guardian, custodian, or caretaker, and, if appointed, the  
8 juvenile's guardian ad litem.

9 The court may require the consent of additional parties or  
10 schedule a hearing despite a party's consent to waiver.

11 ~~(g) Any order authorizing the continued custody of a juvenile~~  
12 ~~shall include findings as to whether reasonable efforts have been~~  
13 ~~made to prevent or eliminate the need for placement of the~~  
14 ~~juvenile in custody and may provide for services or other efforts~~  
15 ~~aimed at returning the juvenile promptly to a safe home. A~~  
16 ~~finding that reasonable efforts have not been made shall not~~  
17 ~~preclude the entry of an order authorizing continued custody when~~  
18 ~~the court finds that continued custody is necessary for the~~  
19 ~~protection of the juvenile. Where efforts to prevent the need for~~  
20 ~~the juvenile's placement were precluded by an immediate threat of~~  
21 ~~harm to the juvenile, the court may find that the placement of~~  
22 ~~the juvenile in the absence of such efforts was reasonable. If~~  
23 ~~the court finds through written findings of fact that efforts to~~  
24 ~~eliminate the need for placement of the juvenile in custody~~  
25 ~~clearly would be futile or would be inconsistent with the~~  
26 ~~juvenile's safety and need for a safe, permanent home within a~~  
27 ~~reasonable period of time, then the court shall specify in its~~  
28 ~~order that reunification efforts are not required or order that~~  
29 ~~reunification efforts cease.~~

30 (h) At each hearing to determine the need for continued  
31 custody, the court shall:

- 32 (1) Inquire as to the identity and location of any  
33 missing parent. The court shall include findings as  
34 to the efforts undertaken to locate the missing  
35 parent and to serve that parent. The order may  
36 provide for specific efforts aimed at determining  
37 the identity and location of any missing parent;
- 38 (2) Inquire as to whether a relative of the juvenile is  
39 willing and able to provide proper care and  
40 supervision of the juvenile in a safe home. If the  
41 court finds that the relative is willing and able  
42 to provide proper care and supervision in a safe  
43 home, then the court shall order temporary  
44 placement of the juvenile with the ~~relative.~~

relative unless the court finds that placement with the relative would be contrary to the best interests of the juvenile. In placing a juvenile in nonsecure custody under this section, the court shall consider any federal law that may apply.

Placement of a juvenile with a relative outside of this State must be in accordance with the Interstate Compact on the Placement of Children set forth in Article 38 of this Chapter; and

- (3) Inquire as to whether there are other juveniles remaining in the home from which the juvenile was removed and, if there are, inquire as to the specific findings of the investigation conducted under G.S. 7B-302 and any actions taken or services provided by the director for the protection of the other juveniles."

Section 21.1. If Senate Bill 1260, 1997 General Assembly, is enacted into law by the 1997 General Assembly, then G.S. 7A-577.1, as enacted in Part I of this act is recodified as G.S. 7B-506.1 and reads as rewritten:

"§ 7B-506.1. Reasonable efforts.

(a) An order placing or continuing the placement of a juvenile in the custody or placement responsibility of a county department of social services, whether an order for continued nonsecure custody, a dispositional order, or a review order:

- (1) Shall contain a finding that the juvenile's continuation in or return to the juvenile's own home would be contrary to the juvenile's best interest;
- (2) Shall contain findings as to whether a county department of social services has made reasonable efforts to prevent or eliminate the need for placement of the juvenile, unless the court has previously determined under subsection (b) of this section that such efforts are not required or shall cease;
- (3) Shall contain findings as to whether a county department of social services should continue to make reasonable efforts to prevent or eliminate the need for placement of the juvenile, unless the court has previously determined or determines under subsection (b) of this section that such efforts are not required or shall cease;

- 1           (4) Shall specify that the juvenile's placement and  
2           care are the responsibility of the county  
3           department of social services and that the agency  
4           is to provide or arrange for the foster care or  
5           other placement of the juvenile; and  
6           (5) May provide for services or other efforts aimed at  
7           returning the juvenile to a safe home or at  
8           achieving another permanent plan for the juvenile.  
9 A finding that reasonable efforts have not been made by a county  
10 department of social services shall not preclude the entry of an  
11 order authorizing the juvenile's placement when the court finds  
12 that placement is necessary for the protection of the juvenile.  
13 Where efforts to prevent the need for the juvenile's placement  
14 were precluded by an immediate threat of harm to the juvenile,  
15 the court may find that the placement of the juvenile in the  
16 absence of such efforts was reasonable.  
17       (b) In any order placing a juvenile in the custody or  
18 placement responsibility of a county department of social  
19 services, whether an order for continued nonsecure custody, a  
20 dispositional order, or a review order, the court may direct that  
21 reasonable efforts to eliminate the need for placement of the  
22 juvenile shall not be required or shall cease if the court makes  
23 written findings of fact that:  
24           (1) Such efforts clearly would be futile or would be  
25           inconsistent with the juvenile's health, safety,  
26           and need for a safe, permanent home within a  
27           reasonable period of time;  
28           (2) A court of competent jurisdiction has determined  
29           that the parent has subjected the child to  
30           aggravated circumstances as defined in G.S.  
31           ~~7A-517(3a)~~; 7B-101;  
32           (3) A court of competent jurisdiction has terminated  
33           involuntarily the parental rights of the parent to  
34           another child of the parent; or  
35           (4) A court of competent jurisdiction has determined  
36           that: the parent has committed murder or voluntary  
37           manslaughter of another child of the parent; has  
38           aided, abetted, attempted, conspired, or solicited  
39           to commit murder or voluntarily manslaughter of the  
40           child or another child of the parent; or has  
41           committed a felony assault resulting in serious  
42           bodily injury to the child or another child of the  
43           parent.

1 (c) At any hearing at which the court finds that reasonable  
2 efforts to eliminate the need for the juvenile's placement are  
3 not required or shall cease, the court shall direct that a  
4 permanency planning hearing as required by G.S. ~~7A-657.1~~ 7B-906.1  
5 be held within 30 calendar days after the date of the hearing  
6 and, if practicable, shall set the date and time for the  
7 permanency planning hearing.

8 (d) In determining reasonable efforts to be made with respect  
9 to a juvenile and in making such reasonable efforts, the  
10 juvenile's health and safety shall be the paramount concern.  
11 Reasonable efforts to preserve or reunify families may be made  
12 concurrently with efforts to plan for the juvenile's adoption, to  
13 place the juvenile with a legal guardian, or to place the  
14 juvenile in another permanent arrangement."

15 Section 22. G.S. 7B-801, as rewritten and recodified by  
16 enacted Senate Bill 1260, 1997 General Assembly, reads as  
17 rewritten:

18 "§ 7B-801. Adjudicatory hearing.

19 The adjudicatory hearing shall be held in the district at such  
20 time and place as the chief district court judge shall ~~designate-~~  
21 designate, but no later than 60 days from the filing of the  
22 petition unless the judge pursuant to G.S. 7B-803 orders that it  
23 be held at a later time. The court may exclude the public from  
24 the hearing unless the juvenile moves that the hearing be open,  
25 which motion shall be granted. The court in its discretion shall  
26 determine whether the hearing or any part of the hearing shall be  
27 closed to the public. In determining whether to close the  
28 hearing or any part of the hearing, the court shall consider the  
29 circumstances of the case, including, but not limited to the  
30 following factors:

- 31 (1) The nature of the allegations against the  
32 juvenile's parent, guardian, custodian or  
33 caretaker;
- 34 (2) The age and maturity of the juvenile;
- 35 (3) The benefit to the juvenile of confidentiality;
- 36 (4) The benefit to the juvenile of an open hearing; and
- 37 (5) The extent to which the confidentiality afforded  
38 the juvenile's record pursuant to G.S. 132-1.4(1)  
39 and G.S. 7B-2901 will be compromised by an open  
40 hearing.

41 No hearing or part of a hearing shall be closed by the court if  
42 the juvenile requests that it remain open.

1           Section 23. G.S. 7B-903, as rewritten and recodified by  
2 enacted Senate Bill 1260, 1997 General Assembly, reads as  
3 rewritten:

4 "§ 7B-903. Dispositional alternatives for abused, neglected, or  
5 dependent juvenile.

6   The following alternatives for disposition shall be available  
7 to any court exercising jurisdiction, and the court may combine  
8 any of the applicable alternatives when the court finds the  
9 disposition to be in the best interests of the juvenile:

- 10           (1) The court may dismiss the case or continue the case  
11           in order to allow the parent, guardian, custodian,  
12           caretaker or others to take appropriate action.
- 13           (2) In the case of any juvenile who needs more adequate  
14           care or supervision or who needs placement, the  
15           court may:
  - 16           a. Require that the juvenile be supervised in the  
17           juvenile's own home by the department of  
18           social services in the juvenile's county, or  
19           by other personnel as may be available to the  
20           court, subject to conditions applicable to the  
21           parent, guardian, custodian, or caretaker as  
22           the court may specify; or
  - 23           b. Place the juvenile in the custody of a parent,  
24           relative, private agency offering placement  
25           services, or some other suitable person; or
  - 26           c. Place the juvenile in the custody of the  
27           department of social services in the county of  
28           the juvenile's residence, or in the case of a  
29           juvenile who has legal residence outside the  
30           State, in the physical custody of the  
31           department of social services in the county  
32           where the juvenile is found so that agency may  
33           return the juvenile to the responsible  
34           authorities in the juvenile's home state. The  
35           director may, unless otherwise ordered by the  
36           court, arrange for, provide, or consent to,  
37           needed routine or emergency medical or  
38           surgical care or treatment. In the case where  
39           the parent is unknown, unavailable, or unable  
40           to act on behalf of the juvenile, the director  
41           may, unless otherwise ordered by the court,  
42           arrange for, provide, or consent to any  
43           psychiatric, psychological, educational, or  
44           other remedial evaluations or treatment for

1 the juvenile placed by a court or the court's  
2 designee in the custody or physical custody of  
3 a county department of social services under  
4 the authority of this or any other Chapter of  
5 the General Statutes. Prior to exercising this  
6 authority, the director shall make reasonable  
7 efforts to obtain consent from a parent or  
8 guardian of the affected juvenile. If the  
9 director cannot obtain such consent, the  
10 director shall promptly notify the parent or  
11 guardian that care or treatment has been  
12 provided and shall give the parent frequent  
13 status reports on the circumstances of the  
14 juvenile. Upon request of a parent or guardian  
15 of the affected juvenile, the results or  
16 records of the aforementioned evaluations,  
17 findings, or treatment shall be made available  
18 to such parent or guardian by the director  
19 unless prohibited by G.S. 122C-53(d). If a  
20 juvenile is removed from the home and placed  
21 in custody or placement responsibility of a  
22 county department of social services, the  
23 director shall not allow unsupervised  
24 visitation with, or return physical custody of  
25 the juvenile to, the parent, guardian,  
26 custodian, or caretaker without a hearing at  
27 which the court finds that the juvenile will  
28 receive proper care and supervision in a safe  
29 home.

30 In placing a juvenile in out-of-home care  
31 under this section, the court shall first  
32 consider whether a relative of the juvenile is  
33 willing and able to provide proper care and  
34 supervision of the juvenile in a safe home.  
35 If the court finds that the relative is  
36 willing and able to provide proper care and  
37 supervision in a safe home, then the court  
38 shall order placement of the juvenile with the  
39 relative unless the court finds that the  
40 placement is contrary to the best interests of  
41 the juvenile. Placement of a juvenile with a  
42 relative outside of this State must be in  
43 accordance with the Interstate Compact on the  
44 Placement of Children.

- 1           (3) In any case, the court may order that the juvenile  
2           be examined by a physician, psychiatrist,  
3           psychologist, or other qualified expert as may be  
4           needed for the court to determine the needs of the  
5           juvenile:  
6           a. Upon completion of the examination, the court  
7           shall conduct a hearing to determine whether  
8           the juvenile is in need of medical, surgical,  
9           psychiatric, psychological, or other treatment  
10          and who should pay the cost of the treatment.  
11          The county manager, or such person who shall  
12          be designated by the chairman of the county  
13          commissioners, of the juvenile's residence  
14          shall be notified of the hearing, and allowed  
15          to be heard. If the court finds the juvenile  
16          to be in need of medical, surgical,  
17          psychiatric, psychological, or other  
18          treatment, the court shall permit the parent  
19          or other responsible persons to arrange for  
20          treatment. If the parent declines or is unable  
21          to make necessary arrangements, the court may  
22          order the needed treatment, surgery, or care,  
23          and the court may order the parent to pay the  
24          cost of the care pursuant to G.S. 7B-904. If  
25          the court finds the parent is unable to pay  
26          the cost of treatment, the court shall order  
27          the county to arrange for treatment of the  
28          juvenile and to pay for the cost of the  
29          treatment. The county department of social  
30          services shall recommend the facility that  
31          will provide the juvenile with treatment.  
32          b. If the court believes, or if there is evidence  
33          presented to the effect that the juvenile is  
34          mentally ill or is developmentally disabled,  
35          the court shall refer the juvenile to the area  
36          mental health, developmental disabilities, and  
37          substance abuse services director for  
38          appropriate action. A juvenile shall not be  
39          committed directly to a State hospital or  
40          mental retardation center; and orders  
41          purporting to commit a juvenile directly to a  
42          State hospital or mental retardation center  
43          except for an examination to determine  
44          capacity to proceed shall be void and of no

effect. The area mental health, developmental disabilities, and substance abuse director shall be responsible for arranging an interdisciplinary evaluation of the juvenile and mobilizing resources to meet the juvenile's needs. If institutionalization is determined to be the best service for the juvenile, admission shall be with the voluntary consent of the parent or guardian. If the parent, guardian, custodian, or caretaker refuses to consent to a mental hospital or retardation center admission after such institutionalization is recommended by the area mental health, developmental disabilities, and substance abuse director, the signature and consent of the court may be substituted for that purpose. In all cases in which a regional mental hospital refuses admission to a juvenile referred for admission by a court and an area mental health, developmental disabilities, and substance abuse director or discharges a juvenile previously admitted on court referral prior to completion of treatment, the hospital shall submit to the court a written report setting out the reasons for denial of admission or discharge and setting out the juvenile's diagnosis, indications of mental illness, indications of need for treatment, and a statement as to the location of any facility known to have a treatment program for the juvenile in question."

Section 24. G.S. 7B-905, as rewritten and recodified by enacted Senate Bill 1260, 1997 General Assembly, reads as rewritten:

"§ 7B-905. Dispositional order.

(a) The dispositional order shall be in writing and shall contain appropriate findings of fact and conclusions of law. The court shall state with particularity, both orally and in the written order of disposition, the precise terms of the disposition including the kind, duration, and the person who is responsible for carrying out the disposition and the person or agency in whom custody is vested.

1 (b) A dispositional order under which a juvenile is removed  
2 from the custody of a parent, guardian, custodian, or caretaker  
3 shall direct that the review hearing required by G.S. 7B-906 be  
4 held within ~~six months of~~ 90 days from of the date of the  
5 ~~juvenile's placement in custody~~ dispositional hearing and, if  
6 practicable, shall set the date and time for the review hearing.

7 (c) Any dispositional order directing placement of a juvenile  
8 in foster care shall also contain: shall comply with the  
9 requirements of G.S. 7B-506.1.

10 (1) ~~A finding that the juvenile's continuation in or~~  
11 ~~return to the juvenile's home would be contrary to~~  
12 ~~the juvenile's best interests; and~~

13 (2) ~~Findings as to whether reasonable efforts have been~~  
14 ~~made to prevent or eliminate the need for placement~~  
15 ~~of the juvenile in foster care. A finding that~~  
16 ~~reasonable efforts were not made shall not preclude~~  
17 ~~entry of a dispositional order authorizing~~  
18 ~~placement in foster care when the court finds that~~  
19 ~~such placement is needed for protection of the~~  
20 ~~juvenile. When efforts to prevent the need for the~~  
21 ~~juvenile's placement are precluded by an immediate~~  
22 ~~threat of harm to the juvenile, the court may find~~  
23 ~~that placement of the juvenile in the absence of~~  
24 ~~such efforts is reasonable.~~

25 ~~The order may provide for services or other efforts aimed at~~  
26 ~~returning the juvenile promptly to a safe home. If the court~~  
27 ~~finds through written findings of fact that efforts to eliminate~~  
28 ~~the need for placement of the juvenile in custody clearly would~~  
29 ~~be futile or would be inconsistent with the juvenile's safety and~~  
30 ~~need for a safe, permanent home within a reasonable period of~~  
31 ~~time, the court shall specify in its order that reunification~~  
32 ~~efforts are not required or order that reunification efforts~~  
33 ~~cease.~~

34 (d) ~~An order that places a juvenile in the custody of a county~~  
35 ~~department of social services for placement shall specify that~~  
36 ~~the juvenile's placement and care are the responsibility of the~~  
37 ~~county department of social services and that the county~~  
38 ~~department is to provide or arrange for the foster care or other~~  
39 ~~placement of the juvenile. Any dispositional order shall provide~~  
40 for appropriate visitation as may be in the best interests of the  
41 juvenile and consistent with the juvenile's health and safety.  
42 If the juvenile is placed in the custody or placement  
43 responsibility of a county department of social services, the

1 court may order the director to arrange, facilitate, and  
2 supervise a visitation plan expressly approved by the court."

3 Section 25. G.S. 7B-906, as rewritten and recodified by  
4 enacted Senate Bill 1260, 1997 General Assembly, reads as  
5 rewritten:

6 "§ 7B-906. Review of custody order.

7 (a) In any case where custody is removed from a parent,  
8 guardian, custodian, or caretaker the court shall conduct a  
9 review hearing within six months of 90 days from the date the  
10 order was entered, of the dispositional hearing shall conduct a  
11 second review within six months after the first review, and shall  
12 conduct subsequent reviews at least every year thereafter, a  
13 review hearing within six months thereafter. The director of  
14 social services shall make timely requests a timely request to  
15 the clerk to calendar the case each review at a session of court

17 of the date the order was entered, matters. The director shall  
18 make timely requests for calendaring subsequent reviews. The  
19 clerk shall give 15 days' notice of the review and its purpose to  
20 the parent, the juvenile, if 12 years of age or more, the  
21 guardian, any foster parent, relative, or preadoptive parent  
22 providing care for the child, the custodian or agency with  
23 custody, the guardian ad litem, and any other person or agency  
24 the court may specify, indicating the court's impending review.  
25 Nothing in this subsection shall be construed to make any foster  
26 parent, relative, or preadoptive parent a party to the proceeding  
27 solely based on receiving notice and an opportunity to be heard.

28 (b) Notwithstanding other provisions of this Article, the  
29 court may waive the holding of review hearings required by  
30 subsection (a) of this section, may require written reports to  
31 the court by the agency or person holding custody in lieu of  
32 review hearings, or order that review hearings be held less often  
33 than every ~~12~~ six months, if the court finds by clear, cogent,  
34 and convincing evidence that:

- 35 (1) The juvenile has resided with a relative or has  
36 been in the custody of another suitable person for  
37 a period of at least one year;  
38 (2) The placement is stable and continuation of the  
39 placement is in the juvenile's best interests;  
40 (3) Neither the juvenile's best interests nor the  
41 rights of any party require that review hearings be  
42 held every ~~12~~ six months;  
43 (4) All parties are aware that the matter may be  
44 brought before the court for review at any time by

1 the filing of a motion for review or on the court's  
2 own motion; and

3 (5) The court order has designated the relative or  
4 other suitable person as the juvenile's permanent  
5 caretaker or guardian of the person.

6 The court may not waive or refuse to conduct a review hearing if  
7 a party files a motion seeking the review.

8 (c) At every review hearing, the court shall consider  
9 information from the ~~department of social services, the juvenile,~~  
10 ~~the parent, the guardian, the custodian, the foster parent, the~~  
11 ~~guardian ad litem, and any public or private agency which will~~

13 foster parent, relative, or preadoptive parent providing care for  
14 the child, the custodian or agency with custody, the guardian ad  
15 litem, and any other person or agency which will aid in its  
16 review.

17 In each case the court shall consider the following criteria  
18 and make written findings regarding those that are relevant:

19 (1) Services which have been offered to reunite the  
20 family, or whether efforts to reunite the family  
21 clearly would be futile or inconsistent with the  
22 juvenile's safety and need for a safe, permanent  
23 home within a reasonable period of time.

24 (2) Where the juvenile's return home is unlikely, the  
25 efforts which have been made to evaluate or plan  
26 for other methods of care.

27 (3) Goals of the foster care placement and the  
28 appropriateness of the foster care plan.

29 (4) A new foster care plan, if continuation of care is  
30 sought, that addresses the role the current foster  
31 parent will play in the planning for the juvenile.

32 (5) Reports on the placements the juvenile has had and  
33 any services offered to the juvenile and the  
34 parent, guardian, custodian, or caretaker.

35 (5a) An appropriate visitation plan.

36 (5b) If the juvenile is 16 or 17 years of age, a report  
37 on an independent living assessment of the juvenile  
38 and, if appropriate, an independent living plan  
39 developed for the juvenile.

40 (6) When and if termination of parental rights should  
41 be considered.

42 (7) Any other criteria the court deems necessary.

43 (d) The court, after making findings of fact, may appoint a  
44 guardian of the person for the juvenile pursuant to G.S. 7B-600

1 or may make any disposition authorized by G.S. 7B-903, including  
2 the authority to place the juvenile in the custody of either  
3 parent or any relative found by the court to be suitable and  
4 found by the court to be in the best interests of the juvenile.  
5 ~~If the juvenile is placed in or remains in the custody of the~~  
6 ~~department of social services, the court may authorize the~~  
7 ~~department to arrange and supervise a visitation plan. Except for~~  
8 ~~such visitation, the juvenile shall not be returned to the~~  
9 ~~parent, guardian, custodian, or caretaker without a hearing at~~  
10 ~~which the court finds sufficient facts to show that the juvenile~~  
11 ~~will receive proper care and supervision.~~ The court may enter an  
12 order continuing the placement under review or providing for a  
13 different placement as is deemed to be in the best interests of  
14 the juvenile. If at any time custody is restored to a parent,  
15 guardian, custodian, or caretaker the court shall be relieved of  
16 the duty to conduct periodic judicial reviews of the placement.

17 ~~(e) At a hearing designated by the court, but at least within~~  
18 ~~12 months after the juvenile's placement, a review hearing shall~~

21 ~~to develop a plan to achieve a safe, permanent home for the~~  
22 ~~juvenile within a reasonable period of time. Notice of the~~  
23 ~~hearing shall inform the parties of the purpose of the hearing.~~  
24 ~~At the conclusion of the hearing, if the juvenile is not returned~~  
25 ~~home, the court shall make specific findings as to the best plan~~  
26 ~~of care to achieve a safe, permanent home for the juvenile within~~  
27 ~~a reasonable period of time and shall enter an order consistent~~  
28 ~~with those findings.~~

29 (f) The provisions of ~~subsections (b), (c), and (d) of G.S.~~

33 Section 25.1. If Senate Bill 1260, 1997 General  
34 Assembly, is enacted into law by the 1997 General Assembly, then  
35 G.S. 7A-657.1, as enacted in Part I of this act, is recodified as  
36 G.S. 7B-906.1 and reads as rewritten:

37 "§ 7B-906.1. Permanency planning hearing.

38 (a) In any case where custody is removed from a ~~parent or~~  
39 ~~person standing in loco parentis,~~ parent, guardian, custodian, or  
40 caretaker, the judge shall conduct a review hearing designated as  
41 a permanency planning hearing within 12 months after the date of  
42 the initial order removing custody, and the hearing may be  
43 combined, if appropriate, with a review hearing required by G.S.  
44 ~~7A-657.~~ 7B-906. The purpose of the permanency planning hearing

1 shall be to develop a plan to achieve a safe, permanent home for  
2 the juvenile within a reasonable period of time. Subsequent  
3 permanency planning hearings shall be held at least every six  
4 months thereafter, or earlier as set by the court, to review the  
5 progress made in finalizing the permanent plan for the juvenile,  
6 or if necessary, to make a new permanent plan for the juvenile.  
7 The Director of Social Services shall make a timely request to  
8 the clerk to calendar each permanency planning hearing at a  
9 session of court scheduled for the hearing of juvenile matters.  
10 The clerk shall give 15 days' notice of the hearing and its  
11 purpose to the ~~parent and to any person standing in loco~~  
12 ~~parentis,~~ parent, the juvenile if 12 years of age or more, the  
13 guardian, any foster parent, relative, or preadoptive parent  
14 providing care for the child, the custodian or agency with  
15 custody, the guardian ad litem, and any other person or agency  
16 the court may specify, indicating the court's impending review.  
17 Nothing in this provision shall be construed to make any foster  
18 parent, relative, or preadoptive parent a party to the proceeding  
19 solely based on receiving notice and an opportunity to be heard.

20 (b) At any permanency planning review, the court shall  
21 consider information from the parent, ~~any person standing in loco~~  
22 ~~parentis,~~ the juvenile, the guardian, any foster parent, relative  
23 or preadoptive parent providing care for the child, the custodian  
24 or agency with custody, the guardian ad litem, and any other  
25 person or agency which will aid it in the court's review. At the  
26 conclusion of the hearing, if the juvenile is not returned home,  
27 the court shall consider the following criteria and make written  
28 findings regarding those that are relevant:

- 29 (1) Whether it is possible for the juvenile to be  
30 returned home immediately or within the next six  
31 months, and if not, why it is not in the juvenile's  
32 best interests to return home;
- 33 (2) Where the juvenile's return home is unlikely within  
34 six months, whether legal guardianship or custody  
35 with a relative or some other suitable person  
36 should be established, and if so, the rights and  
37 responsibilities which should remain with the  
38 parents;
- 39 (3) Where the juvenile's return home is unlikely within  
40 six months, whether adoption should be pursued and  
41 if so, any barriers to the juvenile's adoption;
- 42 (4) Where the juvenile's return home is unlikely within  
43 six months, whether the juvenile should remain in

1                   the current placement or be placed in another  
2                   permanent living arrangement and why;  
3           (5) Whether the county department of social services  
4           has since the initial permanency plan hearing made  
5           reasonable efforts to implement the permanent plan  
6           for the juvenile;  
7           (6) Any other criteria the court deems necessary.  
8   (c) At the conclusion of the hearing, the judge shall make  
9   specific findings as to the best plan of care to achieve a safe,  
10 permanent home for the juvenile within a reasonable period of  
11 time. The judge may appoint a guardian of the person for the  
12 juvenile pursuant to G.S. ~~7A-585~~ 7B-600 or make any disposition  
13 authorized by G.S. ~~7A-647~~ 7B-903 including the authority to place  
14 the child in the custody of either parent or any relative found  
15 by the court to be suitable and found by the court to be in the  
16 best interest of the juvenile. If the juvenile is not returned  
17 home, the court shall enter an order consistent with its findings  
18 that directs the department of social services to make reasonable  
19 efforts to place the juvenile in a timely manner in accordance  
20 with the permanent plan, to complete whatever steps are necessary  
21 to finalize the permanent placement of the juvenile, and to  
22 document such steps in the juvenile's case plan. If at any time  
23 custody is restored to a parent, or findings are made in  
24 accordance with G.S. ~~7A-657(b)~~, 7B-906(b), the court shall be  
25 relieved of the duty to conduct periodic judicial reviews of the  
26 placement.  
27 If the court continues the juvenile's placement in the custody  
28 or placement responsibility of a county department of social  
29 services, the provisions of G.S. ~~7A-577.1~~ 7B-506.1 shall apply to  
30 any order entered under this section.  
31 (d) In the case of a juvenile who is in the custody or  
32 placement responsibility of a county department of social  
33 services, and has been in placement outside the home for 15 of  
34 the most recent 22 months; or a court of competent jurisdiction  
35 has determined that the parent has abandoned the child; or has  
36 committed murder or voluntary manslaughter of another child of  
37 the parent; or has aided, abetted, attempted, conspired, or  
38 solicited to commit murder or voluntary manslaughter of the child  
39 or another child of the parent, the court shall order the  
40 director of the department of social services to initiate a  
41 proceeding to terminate the parental rights of the parent unless  
42 the court finds:

- 1 (1) The permanent plan for the juvenile is guardianship
- 2 or custody with a relative or some other suitable
- 3 person;
- 4 (2) The court makes specific findings why the filing of
- 5 a petition for termination of parental rights is
- 6 not in the best interests of the child; or
- 7 (3) The department of social services has not provided
- 8 the juvenile's family with such services as the
- 9 department deems necessary, when reasonable efforts
- 10 are still required to enable the juvenile's return
- 11 to a safe home.

12 (e) If a proceeding to terminate the parental rights of the  
13 juvenile's parents is necessary in order to perfect the permanent  
14 plan for the juvenile, the director of the department of social  
15 services shall file a petition to terminate parental rights  
16 within 60 calendar days from the date of the permanency planning  
17 hearing unless the court makes written findings why the petition  
18 cannot be filed within 60 days. If the court makes findings to  
19 the contrary, the court shall specify the time frame in which any  
20 needed petition to terminate parental rights shall be filed."

21 Section 26. G.S. 7B-907, as rewritten and recodified by  
22 enacted Senate Bill 1260, 1997 General Assembly, reads as  
23 rewritten:

24 "§ 7B-907. Posttermination of parental rights' placement court  
25 review.

26 (a) The purpose of each placement review is to ensure that  
27 every reasonable effort is being made to provide for a permanent  
28 placement plan for the juvenile who has been placed in the  
29 custody of a county director or licensed child-placing agency,  
30 which is consistent with the juvenile's best interests. At each  
31 review hearing the court may consider information from the  
32 department of social services, the licensed child-placing agency,  
33 the guardian ad litem, the ~~juvenile, the child, any~~ foster  
34 parent, relative, or preadoptive parent providing care for the  
35 child, and any other person or agency the court determines is  
36 likely to aid in the review.

37 (b) The court shall conduct a placement review not later than  
38 six months from the date of the termination hearing when parental  
39 rights have been terminated by a petition brought by any person  
40 or agency designated in G.S. 7B-1102(2) through (5) and a county  
41 director or licensed child-placing agency has custody of the  
42 juvenile. The court shall conduct reviews every six months  
43 thereafter until the juvenile is placed for adoption and the  
44 adoption petition is filed by the adoptive parents:

- 1           (1) No more than 30 days and no less than 15 days prior  
2           to each review, the clerk shall give notice of the  
3           review to the juvenile if the juvenile is at least  
4           12 years of age, the legal custodian of the  
5           juvenile, the any foster parent, relative, or  
6           preadoptive parent providing care for the juvenile,  
7           the guardian ad litem, if any, and any other person  
8           or agency the court may specify. Only the  
9           juvenile, if the juvenile is at least 12 years of  
10          age, the legal custodian of the juvenile, the any  
11          foster parent, relative, or preadoptive parent  
12          providing care for the juvenile, and the guardian  
13          ad litem shall attend the review hearings, except  
14          as otherwise directed by the court. Nothing in this  
15          subdivision shall be construed to make any foster  
16          parent, relative, or preadoptive parent a party to  
17          the proceeding solely based on receiving notice and  
18          an opportunity to be heard.
- 19          (2) If a guardian ad litem for the juvenile has not  
20          been appointed previously by the court in the  
21          termination proceeding, the court, at the initial  
22          six-month review hearing, may appoint a guardian ad  
23          litem to represent the juvenile. The court may  
24          continue the case for such time as is necessary for  
25          the guardian ad litem to become familiar with the  
26          facts of the case.
- 27          (c) The court shall consider at least the following in its  
28          review:
- 29                  (1) The adequacy of the plan developed by the county  
30                  department of social services or a licensed  
31                  child-placing agency for a permanent placement  
32                  relative to the juvenile's best interests and the  
33                  efforts of the department or agency to implement  
34                  such plan;
- 35                  (2) Whether the juvenile has been listed for adoptive  
36                  placement with the North Carolina Adoption Resource  
37                  Exchange, the North Carolina Photo Adoption Listing  
38                  Service (PALS), or any other specialized adoption  
39                  agency; and
- 40                  (3) The efforts previously made by the department or  
41                  agency to find a permanent home for the juvenile.
- 42          (d) The court, after making findings of fact, shall affirm the  
43          county department's or child-placing agency's plans or require  
44          specific additional steps which are necessary to accomplish a

1 permanent placement which is in the best interests of the  
2 juvenile.

3 (e) If the juvenile has been placed for adoption prior to the  
4 date scheduled for the review, written notice of said placement  
5 shall be given to the clerk to be placed in the court file, and  
6 the review hearing shall be cancelled with notice of said  
7 cancellation given by the clerk to all persons previously  
8 notified.

9 (f) The process of selection of specific adoptive parents  
10 shall be the responsibility of and within the discretion of the  
11 county department of social services or licensed child-placing  
12 agency. The guardian ad litem may request information from and  
13 consult with the county department or child-placing agency  
14 concerning the selection process. If the guardian ad litem  
15 requests information about the selection process, the county  
16 shall provide the information within five days. Any issue of  
17 abuse of discretion by the county department or child-placing  
18 agency in the selection process must be raised by the guardian ad  
19 litem within 10 days following the date the agency notifies the  
20 court and the guardian ad litem in writing of the filing of the  
21 adoption petition."

22 Section 26.1. If Senate Bill 1260, 1997 General  
23 Assembly, is enacted into law by the 1997 General Assembly, then  
24 G.S. 7A-289.23.1, as enacted in Part I of this act, is recodified  
25 as G.S. 7B-1101.1 and reads as rewritten:

26 "§ 7B-1101.1. Pending child abuse, neglect, or dependency  
27 hearings.

28 When a juvenile is currently within the jurisdiction of the  
29 district court based upon an abuse, neglect, or dependency  
30 proceeding, a petition for termination of parental rights to that  
31 juvenile may be filed as a motion in the cause in the abuse,  
32 neglect, or dependency proceeding. Any parent of that juvenile  
33 who was previously served in the abuse, neglect, or dependency  
34 proceeding in accordance with G.S. ~~7A-565~~ 7B-407 shall be served  
35 with the petition to terminate parental rights in accordance  
36 with G.S. 1A-1, Rule 5."

37 Section 27. G.S. 7B-1105, as rewritten and recodified by  
38 enacted Senate Bill 1260, 1997 General Assembly, reads as  
39 rewritten:

40 "§ 7B-1105. Issuance of summons.

41 (a) Except as provided in G.S. 7B-1104, upon the filing of the  
42 petition, the court shall cause a summons to be issued. The  
43 summons shall be directed to the following persons or agency, not  
44 otherwise a party petitioner, who shall be named as respondents:

- 1 (1) The parents of the juvenile;
- 2 (2) Any person who has been judicially appointed as
- 3 guardian of the person of the juvenile;
- 4 (3) The custodian of the juvenile appointed by a court
- 5 of competent jurisdiction;
- 6 (4) Any county department of social services or
- 7 licensed child-placing agency to whom a juvenile
- 8 has been released by one parent pursuant to Part 7
- 9 of Article 3 of Chapter 48 of the General ~~Statutes;~~
- 10 Statutes or any county department of social
- 11 services to whom placement responsibility for the
- 12 child has been given by a court of competent
- 13 jurisdiction; and
- 14 (5) The juvenile, if the juvenile is 12 years of age or
- 15 older at the time the petition is filed.

16 Provided, no summons need be directed to or served upon any  
17 parent who has previously surrendered the juvenile to a county  
18 department of social services or licensed child-placing agency  
19 nor to any parent who has consented to the adoption of the  
20 juvenile by the petitioner. The summons shall notify the  
21 respondents to file a written answer within 30 days after service  
22 of the summons and petition. Service of the summons shall be  
23 completed as provided under the procedures established by G.S.  
24 1A-1, Rule 4(j); but the parent of the juvenile shall not be  
25 deemed to be under disability even though the parent is a minor.

26 (b) The summons shall be issued for the purpose of terminating  
27 parental rights pursuant to the provisions of subsection (a) of  
28 this section and shall include:

- 29 (1) The name of the minor juvenile;
- 30 (2) Notice that a written answer to the petition must
- 31 be filed with the clerk who signed the petition
- 32 within 30 days after service of the summons and a
- 33 copy of the petition, or the parent's rights may be
- 34 terminated;
- 35 (3) Notice that if they are indigent, the parents are
- 36 entitled to appointed counsel. The parents may
- 37 contact the clerk immediately to request counsel;
- 38 (4) Notice that this is a new case. Any attorney
- 39 appointed previously will not represent the parents
- 40 in this proceeding unless ordered by the court;
- 41 (5) Notice that the date, time, and place of the
- 42 hearing will be mailed by the clerk upon filing of
- 43 the answer or 30 days from the date of service if
- 44 no answer is filed; and

1           (6) Notice of the purpose of the hearing and notice  
2           that the parents may attend the termination  
3           hearing.

4       (c) If a county department of social services, not otherwise a  
5 party petitioner, is served with a petition alleging that the  
6 parental rights of the parent should be terminated pursuant to  
7 G.S. 7B-1110, the department shall file a written answer and  
8 shall be deemed a party to the proceeding."

9           Section 28. G.S. 7B-1110, as rewritten and recodified by  
10 enacted Senate Bill 1260, 1997 General Assembly, reads as  
11 rewritten:

12 **"§ 7B-1110. Grounds for terminating parental rights.**

13       (a) The court may terminate the parental rights upon a finding  
14 of one or more of the following:

15           (1) The parent has abused or neglected the juvenile.  
16           The juvenile shall be deemed to be abused or  
17           neglected if the court finds the juvenile to be an  
18           abused juvenile within the meaning of G.S. 7B-101  
19           or a neglected juvenile within the meaning of G.S.  
20           7B-101.

21           (2) The parent has willfully left the juvenile in  
22           foster care or placement outside the home for more  
23           than 12 months without showing to the satisfaction  
24           of the court that reasonable progress under the  
25           circumstances has been made within 12 months in  
26           correcting those conditions which led to the  
27           removal of the juvenile. Provided, however, that no  
28           parental rights shall be terminated for the sole  
29           reason that the parents are unable to care for the  
30           juvenile on account of their poverty.

31           (3) The juvenile has been placed in the custody of a  
32           county department of social services, a licensed  
33           child-placing agency, a child-caring institution,  
34           or a foster home, and the parent, for a continuous  
35           period of six months next preceding the filing of  
36           the petition, has willfully failed for such period  
37           to pay a reasonable portion of the cost of care for  
38           the juvenile although physically and financially  
39           able to do so.

40           (4) One parent has been awarded custody of the juvenile  
41           by judicial decree or has custody by agreement of  
42           the parents, and the other parent whose parental  
43           rights are sought to be terminated has for a period  
44           of one year or more next preceding the filing of

1 the petition willfully failed without justification  
2 to pay for the care, support, and education of the  
3 juvenile, as required by said decree or custody  
4 agreement.

5 (5) The father of a juvenile born out of wedlock has  
6 not, prior to the filing of a petition to terminate  
7 parental rights:

8 a. Established paternity judicially or by  
9 affidavit which has been filed in a central  
10 registry maintained by the Department of  
11 Health and Human Services; provided, the court  
12 shall inquire of the Department of Health and  
13 Human Services as to whether such an affidavit  
14 has been so filed and shall incorporate into  
15 the case record the Department's certified  
16 reply; or

17 b. Legitimated the juvenile pursuant to  
18 provisions of G.S. 49-10 or filed a petition  
19 for this specific purpose; or

20 c. Legitimated the juvenile by marriage to the  
21 mother of the juvenile; or

22 d. Provided substantial financial support or  
23 consistent care with respect to the juvenile  
24 and mother.

25 (6) That the parent is incapable of providing for the  
26 proper care and supervision of the juvenile, such  
27 that the juvenile is a dependent juvenile within  
28 the meaning of G.S. 7B-101, and that there is a  
29 reasonable probability that such incapability will  
30 continue for the foreseeable future. Incapability  
31 under this subdivision may be the result of  
32 substance abuse, mental retardation, mental  
33 illness, organic brain syndrome, or any other  
34 similar cause or condition.

35 (7) The parent has willfully abandoned the juvenile for  
36 at least six consecutive months immediately  
37 preceding the filing of the petition. ~~For the~~  
38 ~~purpose of this subdivision, a juvenile may be~~  
39 ~~willfully abandoned by the juvenile's natural~~  
40 ~~father if the mother of the juvenile had been~~  
41 ~~willfully abandoned by and was living separate and~~  
42 ~~apart from the father at the time of the juvenile's~~  
43 ~~birth, although the father may not have known of~~  
44 ~~such birth; but in any event the juvenile must be~~

1                   ~~over the age of three months at the time of the~~  
2                   ~~filing of the petition.~~  
3           (8)   The parent has committed murder or voluntary  
4                   manslaughter of another child of the parent or  
5                   other child residing in the home; has aided,  
6                   abetted, attempted, conspired, or solicited to  
7                   commit murder or voluntary manslaughter of the  
8                   child, another child of the parent, or other child  
9                   residing in the home; or has committed a felony  
10                  assault that results in serious bodily injury to  
11                  the child, another child of the parent, or other  
12                  child residing in the home.  
13           (9)   The parental rights of the parent with respect to  
14                  another child of the parent have been terminated  
15                  involuntarily by a court of competent jurisdiction  
16                  and the parent lacks the ability or willingness to  
17                  establish a safe home.  
18   (b)   The burden in such proceedings shall be upon the  
19 petitioner to prove the facts justifying such termination by  
20 clear and convincing evidence."  
21           Section 29. Sections 1 through 9 of this act become  
22 effective January 1, 1999, and apply to abuse, neglect, and  
23 dependency reports received, juvenile petitions filed, and review  
24 hearings commenced on and after that date. Sections 10 and 11 of  
25 this act become effective January 1, 1999, and apply to  
26 termination of parental rights petitions filed on and after that  
27 date. Sections 12 through 16 of this act become effective  
28 January 1, 1999, and apply to any placement of a minor who is in  
29 the custody or placement responsibility of a county department of  
30 social services on and after that date. If the 1997 General  
31 Assembly enacts Senate Bill 1260, Sections 1 through 4, 5 through  
32 8, 9, 10, and 11 of this act expire June 30, 1999, and Sections  
33 18 through 28 of this act become effective on July 1, 1999. The  
34 remainder of this act is effective when it becomes law.

Summary  
Proposed Committee Substitute  
for  
H1720 - Adoption and Safe Families Act  
H1720-CSSE-010

The proposed committee substitute for H1720 has 2 Parts. Part I makes changes to the current law that are necessary in order for the State to be in compliance with P.L. 105-89, The Adoption and Safe Families Act, 1997. Sections 1-16 of Part I become effective January 1, 1999. Section 17 of the bill directs the Legislative Research Commission to study the proposed changes to the juvenile justice system as contained in House Bill 1561 and Senate Bill 1513. (Juvenile Law Revision). The changes pertain to abuse, neglect, and dependency cases. Section 17 is effective upon becoming law.

Part II of the bill is necessary only if Senate Bill 1260, Juvenile Justice Reform, is enacted. Since H1720 and S1260 make changes to the same general laws, the bill that is enacted later will affect the changes made in the bill that was enacted earlier. Part II is, therefore, conditioned upon the enactment of Senate Bill 1260, re-enacts the changes made in Part I, and repeals Part I changes effective June 30, 1999.

Changes made in Part I to the current law reflect the requirements and intent of the federal law to assure that children are placed in safe homes in a timely manner; to expedite reunification of children when that is in the child's best interest; to place children permanently with relatives when appropriate; to terminate the parental rights of parents who do not provide for their children; and to facilitate the timely adoption of children for whom reunification is inappropriate. Following is a summary of the changes made in Part I.

Section 1

Defines two new terms ("aggravated circumstances", "court of competent jurisdiction") and further defines the term "reasonable efforts".

Section 2

Adds language to G.S. 7A-544 inadvertently repealed in S.L. 1997-390.

Sections 3, 4, and 4.1

Clarifies current law on placement in secure or nonsecure custody and also on the hearing to determine the need for continued secure or nonsecure custody.

Section 4

Recodifies current law on "reasonable efforts" into one section in the General Statutes. (See section 4.1) "Reasonable efforts" are the diligent use of preventive or reunification services or permanency planning services by a local DSS with respect to a juvenile's remaining in, returning to, or not being returned to the home. Under this section, specific

findings are required of the court with respect to the use, non-use, or cessation of reasonable efforts.

#### Sections 5, 6, 7, 8

These sections shorten the time periods for the adjudicatory, dispositional, and review of custody order hearings, specify dispositional alternatives for juveniles, and at review hearings, require the court to consider information from specified persons (parents, juvenile, guardian, foster parent, relative, custodian, agency, etc.) that will aid the court in its review. Also with respect to review hearings, Section 8 adds language requiring the court to consider and make written findings regarding appropriate visitation plans and, if the juvenile is 16 or 17 years old, report on any independent living assessment or plan.

#### Section 8.1.

Adds language requiring a permanency planning hearing when custody has been removed from a parent. The purpose of the hearing is to develop a plan to achieve a safe, permanent home for the juvenile within a reasonable period of time. The hearing must be held within 12 months after the date of the initial order removing the juvenile.

Subsequent hearings must be held every six months thereafter, or earlier, to review progress made in finalizing the permanent plan. The clerk of court must give 15 days' notice of the hearing to the juvenile, the parents, and specified others, and the court must consider information from the juvenile, the parents, and specified others that will aid the court in its review. The court must also make specified written findings. Under specified circumstances (as required under federal law), the court must order the director of social services to initiate a proceeding to terminate parental rights unless the court makes specified contrary findings.

#### Sections 9, 10, 11

These sections relate to proceedings for the termination of parental rights. Section 9 pertains to notice to and information from specified persons interested in the proceedings (relatives or preadoptive parents providing care for the child). Section 9.1 avoids the necessity for a separate proceeding to terminate parental rights when the court currently has jurisdiction in an abuse, neglect, or dependency proceeding. Section 10 pertains to the issuance of summons when a petition to terminate parental rights has been filed, and makes local DSS a party to the proceeding when a petition has been filed and served on DSS. Section 11 adds two new grounds for termination of parental rights, as required by federal law.

#### Sections 12 through 16

These sections amend Chapter 48 (adoption) to ensure compliance with federal requirements. Requirements are that criminal history checks of all foster and prospective adoptive parents who foster or adopt children for whom foster care maintenance payments or adoption assistance payments are made.
