**MEMORANDUM**

**TO:** Senator Roy Cooper, Chair, Senate Judiciary Committee

**FROM:** O. Walker Reagan, Committee Co-Counsel

**RE:** **PROPOSED COMMITTEE SUBSTITUTE FOR SENATE BILL 1336 - 1998  
GOVERNOR'S DWI AMENDMENTS - Senator Odom**

Senate Bill 1336 is a recommendation of the Joint Corrections and Crime Control Oversight Committee and the Governor's DWI Task Force. The bill would implement 5 recommendations of these two groups:

- Revise the DWI forfeiture laws and other related laws.
- Provide for expedited hearings of DWI's involving seized vehicles.
- Provide for zero alcohol tolerance for commercial drivers, school bus drivers, and day care vehicle drivers.
- Provide for the immediate 30-day revocation for drivers licenses of persons under 21 violating zero tolerance.
- Increase the penalty for 19 and 20 year old possessing or purchasing alcoholic beverages.

**PART I - DWI FORFEITURE AMENDMENTS**

Part I of the bill (Sections 1 through 17) amends the DWI forfeiture law to make changes and improvements in the law in seven major ways:

1. Expands coverage of the law.
2. Provides greater protections for innocent owners.
3. Provides more bonding options to obtain pre-trial temporary release of the vehicle to nondefendant owners.
4. Provides greater protections for lienholders.
5. Provides greater protections for school boards.
6. Clarifies the authority of law enforcement officers and magistrates in seizure situations.
7. Expedites the sale of some seized vehicles providing greater protections to all parties to avoid excessive storage costs.

## MEMORANDUM

SB 1336 - 1998 DWI Amendments

Page 2

**Section 1** expands the definition of offenses involving impaired driving to include first degree murder when based on impaired driving and habitual impaired driving.

**Section 2 (20-28.2)** expands the definition of "impaired driving revocation" to include revocations for habitual impaired driving, commercial driving while impaired, and all vehicular homicides involving impaired driving.

Subsection (a1) includes in the definition of an "innocent owner" persons whose vehicle was stolen, persons who filed a police report for unauthorized use of the vehicle, and persons who rent cars that are driven by a person not authorized on the contract to drive.

Subsection (b) permits a forfeiture hearing to be held either at sentencing, at a subsequent hearing, or at an expedited hearing after the defendant fails to appear on the DWI charge and the order of arrest for failing to appear has not been set aside within 60 days.

Subsection (c1) provides that insurance proceeds due from a vehicle damaged in conjunction with the offense leading to the seizure are considered part of the value of the vehicle seized and the proceeds are made subject to forfeiture as well.

Subsection (d) is amended to allow the court to order forfeited collected insurance proceeds and the rights to claim unpaid insurance proceeds.

Subsection (e) provides for the vehicle to be returned to an innocent owner upon payment of towing and storage charges.

**Section 3 (20-28.3)** Subsections (b) does not require the officer to seize a vehicle reported stolen or a rental vehicle driven by a person not authorized on the rental agreement, and together with (b1) removes from arresting officer the duty to notify the relevant parties of the seizure of the vehicle and transfers that responsibility to a state agency designated by the Governor.

Subsection (c1) makes an order of seizure valid statewide and clarifies law enforcement's authority to effect the order of seizure.

Subsection (d) allows custody of seized vehicles to be held either through a state or regional central storage arrangement, or if none is available, by the local county board of education. Storage fees are raised from \$5 per day to \$10 per day, and school boards are allowed to charge for storage if cars are held on school property.

Subsection (e) expands the options for obtaining temporary release of a seized vehicle by a nondefendant owner or lienholder pending trial by allowing property and bail bonds as collateral for the return of the vehicle at the forfeiture hearing.

Subsection (e1) allows a pretrial determination of innocent owner status by petition. Upon the filing of the petition a court hearing will be set within 10 days, during which time the district attorney may authorize the release of the vehicle if the district attorney determines that the vehicle will not be subject to seizure.

Subsection (e2) establishes a way for a defendant owner to have a pretrial hearing on the question of whether the vehicle is subject to forfeiture where the defendant

contends that the defendant's license was not revoked for an impaired driving offense and the seizure was a mistake.

Subsection (e3) allows the lienholder to petition for pretrial release where the owner is in default on the loan and the value of the vehicle less the towing and storage charges is equal to or less than the outstanding loan.

Subsection (h) provides for insurance proceeds to be seized pending forfeiture, allowing the school board attorney to negotiate the claim and allowing a vehicle determined to be a total loss to be released upon payment of the proceeds.

Subsection (i) provides for several circumstances where a seized vehicle may be sold prior to forfeiture in order to mitigate excessive storage charges. Those situations include 1) where the owner consents to the sale, 2) after 90 days if the vehicle is worth \$1,500 or less, and 3) anytime the towing and storage charges equal or exceed 85% of the worth of the vehicle.

Subsection (k) authorizes the school board attorney to take a more active and significant role in the forfeiture process.

Subsection (l) provides that the defendant be taxed with the cost of towing and storage as part of the restitution for the criminal offense.

Subsection (m) makes trials of DWI cases involving seized vehicles a higher priority and restricts grounds on which these cases can be continued to later dates.

**Section 4 (20-28.4)** makes conforming changes for other changes made in the bill.

**Section 5 (20-28.5).** Subsection (a) changes the sales process for forfeited vehicles from a judicial sale to a public sale with special notices as permitted for the disposal of surplus property by schools.

Subsection (c) clarifies how much the county school board should pay other school boards in the county if the county school board retains the forfeited vehicle.

**Section 6** repeals restrictions on registration of vehicles for persons whose vehicles are forfeited. These provisions have been recodified in other sections of the law in Sections 9 and 10 of the bill.

**Section 8 (20-28.9)** authorizes the Governor to designate a state agency to administer regional or statewide contracts for the towing, storage, and sale of seized and forfeited vehicles.

**Sections 9 and 10 (20-54 and 20-54.1)** recodify restrictions on registration of vehicles for persons whose vehicles are forfeited.

**Section 14 (44A-2(d))** amends the mechanics lien statute to exempt seized vehicle towed or stored from the mechanics lien statute and provides for payment of towing and storage through the seizure and forfeiture process where these costs are required to be paid when the vehicle is release or paid from the proceeds of sale

**Section 15 (44A-4(b)(1))** amends the mechanics lien statute to permit another alternative for notice to be sent to a vehicle owner whose vehicle is subject to sale to satisfy an unpaid mechanics lien. Under this provision in addition to DMV sending the notice, the lienholder may send the notice directly.

**Sections 16 and 17 (58-71-1 and 58-71-35)** amend the bail bond statutes to allow bail bonds to be used to bond the release of seized vehicles.

## **PART II - ZERO TOLERANCE FOR COMMERCIAL DRIVERS**

**Sections 18 through 24** amend the laws for commercial driving while impaired offense by reducing the permissible alcohol level from less than 0.04 to no alcohol at all. These sections also revoke for life a commercial drivers license for a second or subsequent commercial DWI.

## **PART III - ZERO TOLERANCE FOR SCHOOL BUS DRIVERS AND OPERATORS OF CHILD CARE VEHICLES**

**Sections 25 through 29** make it illegal to drive a school bus or a child care vehicle with any alcohol in the body. Currently, operators of larger vehicles are required to have commercial drivers licenses and are subject to a 0.04 blood alcohol limit. This change would make zero tolerance applicable not to just commercial drivers but also operators of small vehicles for which a commercial drivers license is not required.

## **PART IV - IMMEDIATE REVOCATION FOR UNDER 21 DRIVERS**

**Sections 30 through 32** makes the immediate 30-day civil revocation of a drivers license for DWI offenses also applicable for violations of zero tolerance for drivers under age 21.

## **PART V - INCREASE PUNISHMENT FOR 19 OR 20 YEAR OLDS FOR PURCHASE OR POSSESSION OF ALCOHOLIC BEVERAGES**

**Section 33** repeals the provision that makes purchase or possession of alcoholic beverages by 19 or 20 year olds an infraction, thereby increasing the punishment to a Class 1 misdemeanor.

MEMORANDUM  
SB 1336 - 1998 DWI Amendments  
Page 5

**Section 34** makes a conforming change to the expunction statute for this offense.

**PART VI - EFFECTIVE DATE**

The provisions in the bill changing the DWI forfeiture law would become effective October 1, 1998 and would apply to offenses committed on or after that date. The new provisions allowing for increase options to release a seized vehicle through bonding, an innocent owner petition, a defendant owner petition, a lienholder petition, insurance proceeds and expedited pre-trial sales would apply to vehicles currently held on the effective date. The Parts for zero tolerance violations, immediate revocation for under 21 zero tolerance violation, and increasing the penalty for 19 and 20 year old alcoholic beverages purchase or possession are effective December 1, 1998.

Section 15. G.S. 44A-4(b)(1) reads as rewritten:

"(b) Notice and Hearings. --

(1) If the property upon which the lien is claimed is a motor vehicle that is required to be registered, the lienor following the expiration of the relevant time period provided by subsection (a) shall give notice to the Division of Motor Vehicles that a lien is asserted and sale is proposed and shall remit to the Division a fee of ten dollars (\$10.00). The Division of Motor Vehicles shall issue notice by registered or certified mail, return receipt requested, ~~within 15 days of receipt of notice from the lienor,~~ to the person having legal title to the property, if reasonably ascertainable, to the person with whom the lienor dealt if different, and to each secured party and

1 other person claiming an interest in the property  
2 who is actually known to the Division or who can be  
3 reasonably ascertained. The notice shall state that  
4 a lien has been asserted against specific property  
5 and shall identify the lienor, the date that the  
6 lien arose, the general nature of the services  
7 performed and materials used or sold for which the  
8 lien is asserted, the amount of the lien, and that  
9 the lienor intends to sell the property in  
10 satisfaction of the lien. The notice shall inform  
11 the recipient that the recipient has the right to a  
12 judicial hearing at which time a determination will  
13 be made as to the validity of the lien prior to a  
14 sale taking place. The notice shall further state  
15 that the recipient has a period of 10 days from the  
16 date of receipt in which to notify the Division by  
17 registered or certified mail, return receipt  
18 requested, that a hearing is desired and that if  
19 the recipient wishes to contest the sale of his  
20 property pursuant to such lien, the recipient  
21 should notify the Division that a hearing is  
22 ~~desired and the Division shall notify lienor.~~  
23 desired. The notice shall state the required  
24 information in simplified terms and shall contain a  
25 form whereby the recipient may notify the Division  
26 that a hearing is desired by the return of such  
27 form to the Division. The Division shall notify  
28 the lienor whether such notice is timely received  
29 by the Division. In lieu of the notice by the  
30 lienor to the Division and the notices issued by  
31 the Division described above, the lienor may issue  
32 notice on a form approved by the Division pursuant  
33 to the notice requirements above. If notice is  
34 issued by the lienor, the recipient shall return  
35 the form requesting a hearing to the lienor, and  
36 not the Division, within 10 days from the date they  
37 receive the notice if a judicial hearing is  
38 requested. Failure of the recipient to notify the  
39 Division or lienor, as specified in the notice,  
40 within 10 days of the receipt of such notice that a  
41 hearing is desired shall be deemed a waiver of the  
42 right to a hearing prior to the sale of the  
43 property against which the lien is asserted, ~~the~~  
44 ~~Division shall notify the lienor,~~ and the lienor

1 may proceed to enforce the lien by public or  
2 private sale as provided in this section and the  
3 Division shall transfer title to the property  
4 pursuant to such sale. If the Division or lienor,  
5 as specified in the notice, is notified within the  
6 10-day period provided above that a hearing is  
7 desired prior to sale, the lien may be enforced by  
8 sale as provided in this section and the Division  
9 will transfer title only pursuant to the order of a  
10 court of competent jurisdiction.

11 If the ~~Division notifies the lienor that the~~  
12 registered or certified mail notice has been  
13 returned as undeliverable, or if ~~the Division~~  
14 ~~cannot ascertain~~ the name of the person having  
15 legal title to the vehicle cannot reasonably be  
16 ascertained and the fair market value of the  
17 vehicle is less than eight hundred dollars  
18 (\$800.00), the lienor may institute a special  
19 proceeding in the county where the vehicle is being  
20 held, for authorization to sell that vehicle.  
21 Market value shall be determined by the schedule of  
22 values adopted by the Commissioner under G.S. 105-  
23 187.3.

24 In such a proceeding a lienor may include more  
25 than one vehicle, but the proceeds of the sale of  
26 each shall be subject only to valid claims against  
27 that vehicle, and any excess proceeds of the sale  
28 shall escheat to the State and be paid immediately  
29 to the treasurer for disposition pursuant to  
30 Chapter 116B of the General Statutes. A vehicle  
31 owner or possessor claiming an interest in such  
32 proceeds shall have a right of action under G.S.  
33 116B-38.

34 The application to the clerk in such a special  
35 proceeding shall contain the notice of sale  
36 information set out in subsection (f) hereof. If  
37 the application is in proper form the clerk shall  
38 enter an order authorizing the sale on a date not  
39 less than 14 days therefrom, and the lienor shall  
40 cause the application and order to be sent  
41 immediately by first-class mail pursuant to G.S.  
42 1A-1, Rule 5, to each person to whom ~~the Division~~  
43 ~~has mailed~~ notice was mailed pursuant to this  
44 subsection. Following the authorized sale the

lienor shall file with the clerk a report in the form of an affidavit, stating that the lienor has complied with the public or private sale provisions of G.S. 44A-4, the name, address, and bid of the high bidder or person buying at a private sale, and a statement of the disposition of the sale proceeds. The clerk then shall enter an order directing the Division to transfer title accordingly.

If prior to the sale the owner or legal possessor contests the sale or lien in a writing filed with the clerk, the proceeding shall be handled in accordance with G.S. 1-399."

**TO:** Senator Roy Cooper, Chair, Senate Judiciary Committee

**FROM:** Brenda J. Carter, Committee Co-Counsel

**RE:** **HOUSE BILL 594 - INJURY TO PREGNANT WOMAN**  
Representative Starnes

**Subcommittee Recommendation: Favorable.**

House Bill 594 would enhance the punishment imposed on a defendant for the commission of a felony or act of domestic violence when the offense involves injury to a pregnant woman and results in a miscarriage or stillbirth by the woman. A proposed committee substitute was adopted at the May 28 meeting of this committee.

House Bill 594 creates a new G.S. 14-18.2 to provide that:

-- Any person who, in the commission of a felony, knowingly causes injury to a pregnant woman which results in miscarriage or stillbirth is guilty of a felony that is one class higher than the felony committed.

-- A person who, in the commission of a misdemeanor that is an act of domestic violence under Chapter 50B, knowingly injures a pregnant woman is guilty of a misdemeanor that is one class higher than the misdemeanor committed. "Domestic violence" includes various acts committed by a person with whom the victim has or has had a personal relationship. A Class A1 misdemeanor (assault on a female, assault inflicting serious injury, assault with a deadly weapon, assault by pointing a gun) becomes a Class I felony under the bill.

House Bill 594 also amends Chapter 20 to provide that any person who, in the unlawful operation of a car, commits a felony which causes a pregnant woman to suffer a miscarriage or stillbirth is guilty of a felony that is one class higher than the felony committed. The law would apply to the following Chapter 20 felony offenses :

Summary - House Bill 594  
Injury to Pregnant Women

**Felony Death by Vehicle** - Class G felony when driver causes the death of another person while engaged in the offense of impaired driving, and commission of the DWI offense is the proximate cause of death.

**Speeding to Elude Arrest** - Class H felony if 2 or more of the following aggravating factors are present at the time of the violation: speeding in excess of 15 mph over the limit; gross impairment of faculties due to consumption of impairing substance or blood alcohol content of .14 or more; reckless driving; negligent driving leading to accident leading to accident causing personal injury or property damage over \$1,000; driving while license revoked; speeding in school or work zone; passing stopped school bus; driving with child under 12 in vehicle.

**Felony Hit and Run** - Class H felony if driver fails to stop at scene of accident or collision which resulted in death or injury to any person.

**Habitual DWI** - Class F felony if person drives while impaired and has been convicted of 3 or more impaired driving offenses within 7 years of current offense.

**Smoke Screens** - Class I felony if person operates motor vehicle containing a machine or device designed, used or capable of being used for the purpose of discharging, either from itself or from the motor vehicle to which attached, any unusual amount of smoke, gas or other substance not necessary to the actual propulsion, care and keep of said vehicle.

The bill would become effective December 1, 1998 and apply to offenses committed on or after that date.

Minimum – 4 to 1

**PRINCIPAL DEPARTMENT(S) & PROGRAM(S) AFFECTED:** Dept. of Correction; Judicial Branch

**EFFECTIVE DATE:** December 1, 1997, and applies to offenses committed on or after that date.

## **BILL SUMMARY:**

**FETUS DEATH FROM CRIMINAL ACT. TO PROVIDE THAT IT IS A CRIMINAL OFFENSE IF A PERSON COMMITS OR ATTEMPTS TO COMMIT A CRIMINAL ACT AND THE CRIMINAL ACT PROXIMATELY RESULTS IN THE DEATH OF A VIABLE FETUS OR A STILLBORN BIRTH.** Adds new GS 14-18.2 to provide if person commits or attempts to commit criminal act that proximately causes death of viable fetus or a stillborn birth, person is guilty of (1) a class F felony if criminal act was felony (unless criminal act was felony death by vehicle, in which case offense is class G felony); or (2) a class A1 misdemeanor if criminal act was misdemeanor. Applies to offenses committed on or after Dec. 1, 1997.

## **ASSUMPTIONS AND METHODOLOGY:**

### ***Judicial Branch***

According to the Judicial Branch, they expect this bill to have little or no substantial fiscal impact on the court system. The Judicial Branch cannot estimate the number of criminal acts resulting in the death of a fetus. However, they expect that there are relatively few such cases. This bill adds additional charges to existing cases, as opposed to creating new, additional cases. Therefore, the Judicial Branch believes they can handle these additional charges and any new cases that may arise within existing court resources.

### ***Department of Correction***

Based on information received from the Judicial Branch, the Sentencing Advisory and Policy Commission cannot estimate the number of felony or misdemeanor cases that may result from this bill. However, the Sentencing Commission notes that any additional convictions will probably result in persons already being charged with another criminal act. Therefore, the Department of Correction can absorb the few convictions that may arise within existing resources.

**SENATE JUDICIARY COMMITTEE**  
**June 18, 1998**

The Senate Judiciary Committee met on June 18, 1998 at 10:00 a.m. in Room 1027 of the Legislative Building. A majority of members was present.

Senator Cooper called the meeting to order and announced the following subcommittee for Senate Bill 1005 - Health Care Information Privacy Act:

Senator Gulley - Chair  
Senator Forrester  
Senator Hartsell  
Senator Winner  
Senator W. Martin

Senator Soles moved to adopt a Proposed Committee Substitute to Senate Bill 1260 - Juvenile Justice Reform Act for discussion. The motion carried by a majority voice vote. (See Attachment #1.)

Senator Cooper explained the changes in the Proposed Committee Substitute. The major change cuts back on the cost without making significant changes in the thrust of the bill. The other changes in the Proposed Committee Substitute are:

1. Extends jurisdiction to age 19 for A-E felonies, which reduces the number of training school beds that will be needed.
2. Keeps the age of undisciplined juvenile at 16. The fiscal note says that raising it to 18 would cost the state \$1.3 million in 1998-99 and \$3.7 million in 1999-2000 and require 89 new positions.
3. Allows juveniles to appeal transfers to Superior Court. This decision then is not immediately appealable.

On the Grid:

1. Allows a judge to send a juvenile to training school on the 4<sup>th</sup> minor offense.
2. Expands the number of options in intermediate sanctions.
3. Adds prohibition of alcohol during probation.

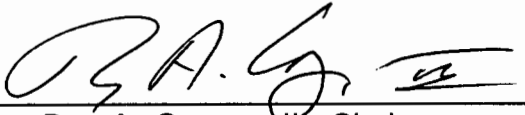

4. Deletes District Attorney direct filing and blended sentencing because of numerous technical problems and puts it in a study commission.

Senator Reeves was recognized to explain the proposal endorsed by Lt. Governor Wicker known as "Lose Control, Lose Your License".

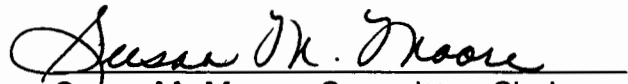

Under this provision, a juvenile who possesses or sells alcohol, brings a gun, or assaults a teacher on school property would lose their driver license or not be allowed to get a driver license. (Fiscal Note for this provision is Attachment #2.)

Walker Reagan, Committee Counsel, and Paula Wolfe, Covenant Lobbyist, were recognized to respond to questions from the Committee.

There being no further business, the meeting adjourned.

- 23 (a) The Department shall develop a comprehensive juvenile delinquency and

25 cooperative, public/private, State/local juvenile delinquency and substance abuse  
26 prevention programs to youth and their families. These collaborative programs shall  
27 be interdisciplinary and multitiered, shall provide a continuum of services, and shall  
28 be cooperatively and collaboratively administered at and accessible to community and  
29 local levels. In administering the programs, communities and localities shall adhere  
30 to proven effective principles. The Department shall ensure that localities are  
31 informed about best practices in juvenile delinquency and substance abuse  
32 prevention.
- 33 (b) The Department shall ensure that any program provided through this plan  
34 contains at least the following critical elements:
- 35 (1) An addressing of the highest priority problem areas and an  
36 identification of the risk and protective factors to which youth in a  
37 particular community are exposed;
- 38 (2) The strongest focus on populations exposed to a number of risk  
39 factors;
- 40 (3) An addressing of problem areas and an identification of strengths  
41 both early in life and at appropriate developmental stages;
- 42 (4) An addressing of multiple risk factors in different settings such as  
43 family, school, community, and peer group;

(5) An offering of comprehensive interventions across many systems that deal simultaneously with many aspects of a youth's life;

(8) A holistic approach to youth within the context of their relationships to and with others rather than focusing solely on the youth; and

(9) An incorporation of community participation and ethnic and cultural diversity into the development and evaluation of services.

(c) The Department shall ensure that the plan contain at least the following programs, which have proven effective in preventing juvenile delinquency and substance abuse and which should be available as basic services in communities:

(4) Nonschool hours activities, both before and after school hours;

(6) Conflict resolution, problem solving, and anger management; and

(7) Personal advocacy, including mentoring relationships, tutors, or other caring adult programs.

(d) Prior to the implementation of any plan and program development prescribed in this section, the Department shall report to the General Assembly in detail on its plan to implement this section, including detailed descriptions of the plan and programs contemplated. The report shall also provide a detailed cost analysis of this section's implementation.

(e) The Department shall cooperate with all other affected State agencies and entities in implementing this section.

"Part 5. Juvenile Crime Prevention Councils.

"§ 143B-550. Juvenile Crime Prevention Councils; legislative intent.

(a) It is the intent of the General Assembly both to reduce the number of juveniles committed by the courts for delinquency to institutions operated by the Department of Juvenile Justice or other State agencies and to prevent juveniles who are at risk from becoming delinquent. The primary intent of this Article is to provide an ongoing, comprehensive State/local, public/private, cooperative, collaborative partnership to develop both streamlined and enhanced community-based alternatives to training school and detention commitment and unified, nonduplicative, coordinated, and collaborative community-based prevention strategies and programs. Additionally, it is the intent of the General Assembly to provide noninstitutional dispositional alternatives that will protect the community and the juvenile.

1     (b) The Juvenile Crime Prevention Councils shall prioritize funding for  
2     dispositions of court-adjudicated youth pursuant to minimum standards adopted by  
3     the Department.

4     (c) The Department shall ensure that juvenile court services and delinquency  
5     prevention programs are developed by a State/local, private/public, cooperative and  
6     collaborative partnership that avoids overlapping and duplication and that optimizes  
7     and evaluates all programs and services on an ongoing basis. The programs  
8     developed under this partnership shall fulfill the following organizational and  
9     objective requirements:

10           (1)     These programs shall be planned and organized at the community  
11                    level, and developed in partnership with the State. These planning  
12                    efforts shall include appropriate representation from local  
13                    government, local public and private agencies serving families and  
14                    children, local business leaders, citizens with an interest in youth  
15                    problems, youth representatives, and others as may be appropriate  
16                    in a particular community. The planning bodies at the local level  
17                    shall be the Juvenile Crime Prevention Councils.

18           (2)     At the State level, the Department shall:

19                   a.     Serve the community level as a clearinghouse for  
20                         information on delinquency prevention strategies and on  
21                         alternatives to commitment. The Department shall research,  
22                         collect, and distribute information to local agencies about  
23                         best practices, what works, what is promising, and what does  
24                         not work;

25                   b.     Provide technical assistance to Juvenile Crime Prevention  
26                         Councils;

27                   c.     Make recommendations to State and local governments on  
28                         changes to laws, rules, or policies that will reduce the  
29                         incidence of delinquency and the incidence of inappropriate  
30                         commitment;

31                   d.     Develop a comprehensive structure for follow-up and  
32                         delivery of program and treatment services to ensure  
33                         juvenile, adult, and system accountability;

34                   e.     Coordinate statewide media campaigns that accurately  
35                         inform people about the development of strategies to  
36                         prevent delinquency; and

37                   f.     Channel existing delinquency prevention funding streams to  
38                         the community level until a permanent funding stream for  
39                         delinquency prevention is established.

40           (3)     At the local level, as a prerequisite for receiving funding for  
41                    juvenile court service and delinquency prevention programs, the  
42                    board of county commissioners of each county shall appoint a  
43                    Juvenile Crime Prevention Council. The Juvenile Crime

Prevention Council shall consist of not more than 25 members and should include, if possible, the following:

- a. The local school superintendent, or that person's designee;
- b. A chief of police in the county;
- c. The local sheriff, or that person's designee;
- d. The district attorney, or that person's designee;
- e. The chief court counselor, or that person's designee;
- f. The Director of the Area Mental Health Authority, or that person's designee;
- g. The director of the local department of social services, or that person's designee;
- h. The county manager, or that person's designee;
- i. A substance abuse professional;
- j. A member of the faith community;
- k. A county commissioner;
- l. A youth representative;
- m. A juvenile defense attorney;
- n. A district court judge;
- o. A member of the business community;
- p. A public health professional;
- q. A representative from the United Way or other nonprofit agency; and
- r. Up to six members of the public to be appointed by the county board of commissioners.

The county shall modify the Council's membership as necessary to ensure that current Council members reflect the racial and socioeconomic diversity of the community and to minimize potential conflicts of interest by members.

- (4) The Council shall annually review the needs of troubled juveniles, both those at risk of delinquency and those adjudicated delinquent, within the county and the assets and resources that are available to address the needs of those juveniles. The Council shall use a public/private, nonduplicative, collaborative, coordinated, multifaceted, and multidisciplinary approach to this review, and to the utilization of any existing programs as well as to the development of any new programs and services. In particular, the Council shall review the existing resources that can be expanded to provide prevention programs and services. The Council shall include the faith-based community as a vital part of this approach. The Council shall develop and advertise a Request for Proposal process, and submit a written Plan of Action for the expenditure of juvenile sanction and prevention funds to the county for its approval. Upon the county's authorization, the Plan shall be

submitted to the Department for final approval and subsequent implementation.

In addition to its annual review, the Council shall perform the following functions on an ongoing basis:

- a. Conduct an ongoing updated community needs assessment in order to identify resources and needs and develop appropriate solutions to meet these needs;
- b. Perform rigorous and ongoing performance evaluations of prevention and alternatives programs and services. The Council shall require each prevention initiative and each alternatives initiative to have a strong evaluation component and the Council shall make this accountability responsibility a condition of each initiative's continued funding;
- c. Increase public awareness of the causes of delinquency and of strategies to reduce the problem;
- d. Develop strategies to intervene and appropriately respond to and treat the needs of juveniles at risk of delinquency or of juveniles requiring alternatives to commitment as these needs are identified through appropriate risk assessment instruments;
- e. Provide services to juveniles who are in need of treatment, counseling, or rehabilitation and to the families of those juveniles, including court-ordered parenting responsibility classes; and
- f. Plan for the establishment of a permanent funding stream for delinquency prevention.

(5) To meet the programming needs of delinquent and at-risk youth in smaller, rural counties, Juvenile Crime Prevention Councils shall examine the benefits of joint program development between counties within the same judicial district. If two or more counties determine that a multicounty initiative would be beneficial, they may establish a multicounty Juvenile Crime Prevention Council, with the membership consisting of the members from each county represented.

(6) The Secretary shall develop a funding mechanism for programs that meet the standards as developed under the provisions of this Part. The Secretary shall ensure that the guidelines for the State/local partnership's funding process include the following requirements:

- a. Fund what works. -- Programs and projects that demonstrate progress, that have been proven to be effective, or that show promise, based on valid research should be supported. The partnership shall fund projects based on a 'menu' of types of services. In addition, new innovative projects shall be

1 rigorously evaluated to determine their effectiveness in  
2 preventing delinquency and recidivism and their proximal  
3 risk factors and may be funded on a discretionary basis.  
4 The merits of a program shall be determined on the basis of  
5 known or reasonably projected outcomes. Bad practices,  
6 poor outcomes, and programs that have proven to be  
7 ineffective shall not be funded;

8 b. The money should follow the juvenile. -- The funding  
9 process shall be designed in such a way that, whenever a  
10 juvenile is being served by a program, funds are allocated to  
11 that program for that juvenile and will follow that juvenile.  
12 For example, if a juvenile is receiving delinquency  
13 prevention services and is subsequently adjudicated  
14 delinquent and committed to training school, the county  
15 shall continue to fund the services for the juvenile, if still  
16 appropriate to reduce the recidivism risk, and shall send the  
17 program dollars to the training school;

18 c. Use a formula for the distribution of funds. -- A funding  
19 formula shall be developed that ensures that even the  
20 smallest counties will be able to provide the basic  
21 prevention and alternatives services to juveniles in their  
22 communities;

23 d. Allow and encourage local flexibility. -- A vital component  
24 of the State/local partnership established by this section is  
25 local flexibility to determine how best to allocate prevention  
26 and alternatives funds; and

27 e. Combine resources. -- Counties shall be allowed and  
28 encouraged to combine resources and services.

29 The Secretary shall adopt rules to implement the policy and intent summarized in  
30 this section.

31 **"§ 143B-551. Purchase of care or services from programs meeting State standards.**

32 The Department of Juvenile Justice and any other appropriate State or local  
33 agency may purchase care or services from public or private agencies providing  
34 delinquency prevention programs or juvenile court services, including parenting  
35 responsibility classes. The programs shall meet the State standards as authorized by  
36 G.S. 143B-550. As institutional populations are reduced, the Department of Juvenile  
37 Justice may divert State funds appropriated for institutional programs to purchase the  
38 services pursuant to the provisions of the Executive Budget Act.

39 The Secretary of Juvenile Justice shall prepare an annual report on the  
40 effectiveness and cost-benefit of the Department's programs, which shall include the  
41 most current institutional populations of juveniles being served by the various  
42 departments of State government which shall include comparative costs of all child-  
43 serving agencies. Such report shall be submitted to the Governor, the General

43 "**§ 115C-110. Services mandatory; single-agency responsibility; State and local plans;**  
44 **census and registration.**

2 and by all other State and local governmental agencies providing special education  
3 services or having children with special needs in their care, custody, management,  
4 jurisdiction, control, or programs, special education and related services appropriate  
5 to all children with special needs. In this regard, all local school administrative units  
6 and all other State and local governmental agencies providing special education and  
7 related services shall explore available local resources and determine whether the  
8 services are currently being offered by an existing public or private agency.

9 When a specified special education or related service is being offered by a local  
10 public or private resource, any unit or agency described above shall negotiate for the  
11 purchase of that service or shall present full consideration of alternatives and its  
12 recommendations to the Board. In this regard, a new or additional program for  
13 special education or related services shall be developed with the approval of the  
14 Board only when that service is not being provided by existing public or private  
15 resources or the service cannot be purchased from existing providers. Further, the  
16 Board shall support and encourage joint and collaborative special education planning  
17 and programming at local levels to include local administrative units and the  
18 programs and agencies of the Departments of Health and Human ~~Services~~ Services,  
19 Juvenile Justice, and Correction.

20 The jurisdiction of the Board with respect to the design and content of special  
21 education programs or related services for children with special needs extends to and  
22 over the Department of Health and Human ~~Services~~ Services, the Department of  
23 Juvenile Justice, and the Department of Correction.

24 All provisions of this Article that are specifically applicable to local school  
25 administrative units also are applicable to the Department of Health and Human  
26 ~~Services~~ Services, the Department of Juvenile Justice, and the Department of  
27 Correction and their divisions and agencies; all duties, responsibilities, rights and  
28 privileges specifically imposed on or granted to local school administrative units by  
29 this Article also are imposed on or granted to the Department of Health and Human  
30 ~~Services~~ Services, the Department of Juvenile Justice, and the Department of  
31 Correction and their divisions and agencies. However, with respect to children with  
32 special needs who are residents or patients of any state-operated or state-supported  
33 residential treatment facility, including without limitation, a school for the deaf,  
34 school for the blind, mental hospital or center, mental retardation center, or in a  
35 facility operated by the Department of Juvenile Justice, the Department of Correction  
36 or any of its divisions and agencies, the Board shall have the power to contract with

4 the Department of Health and Human ~~Services~~ Services, the Department of Juvenile  
5 Justice, or the Department of Correction when compliance by them with the Board's  
6 standards would, in the Board's judgment, impose undue hardship on ~~such~~ this  
7 Department and when other procedural due process requirements, substantially  
8 equivalent to those of G.S. 115C-116, are assured in programs of special education  
9 and related services furnished to children with special needs served by ~~such~~ this  
10 Department. Further, the Board shall recognize that inpatient and residential special  
11 education programs within the Departments of Health and Human ~~Services~~ Services,  
12 Juvenile Justice, and Correction may require more program resources than those  
13 necessary for optimal operation of ~~such~~ these programs in local school administrative  
14 units.

15 Every State and local department, division, unit or agency covered by this section  
16 is hereinafter referred to as a 'local educational agency' unless the text of this Article

3 **PART II. JUVENILE CODE STATUTORY RECOMMENDATIONS.**

4 Section 3. Subchapter XI, Articles 41 through 59 of Chapter 7A of the  
5 General Statutes, the North Carolina Juvenile Code, Articles 24B and 39 of Chapter  
6 7A of the General Statutes, Articles 2A, 4, 4A, and 10 of Chapter 110 of the General  
7 Statutes, and Article 62 of Chapter 143 of the General Statutes are repealed.

8 Section 4. The General Statutes are amended by adding a new Chapter  
9 to read:

10 "Chapter 7B.

11 "Juvenile Code.

12 "SUBCHAPTER I. ABUSE, NEGLECT, DEPENDENCY.

13 "ARTICLE 1.

14 "Purposes; Definitions.

15 "§ 7B-100. Purpose.

16 This Subchapter shall be interpreted and construed so as to implement the  
17 following purposes and policies:

- 18 (1) To provide procedures for the hearing of juvenile cases that assure  
19 fairness and equity and that protect the constitutional rights of  
20 juveniles and parents;  
21 (2) To develop a disposition in each juvenile case that reflects  
22 consideration of the facts, the needs and limitations of the juvenile,  
23 the strengths and weaknesses of the family, and the protection of  
24 the public safety;  
25 (3) To provide for services for the protection of juveniles by means  
26 that respect both the right to family autonomy and juveniles' needs  
27 for safety, continuity, and permanence; and  
28 (4) To provide standards for the removal, when necessary, of juveniles  
29 from their homes and for the return of juveniles to their homes  
30 consistent with preventing the unnecessary or inappropriate  
31 separation of juveniles from their parents.

32 "§ 7B-101. Definitions.

33 As used in this Subchapter, unless the context clearly requires otherwise, the  
34 following words have the listed meanings:

- 35 (1) Abused juveniles. -- Any juvenile less than 18 years of age whose  
36 parent, guardian, custodian, or caretaker:  
37 a. Inflicts or allows to be inflicted upon the juvenile a serious  
38 physical injury by other than accidental means;  
39 b. Creates or allows to be created a substantial risk of serious  
40 physical injury to the juvenile by other than accidental  
41 means;  
42 c. Uses or allows to be used upon the juvenile cruel or grossly  
43 inappropriate procedures or cruel or grossly inappropriate

'Caretaker' also means any person who has the responsibility for the care of a juvenile in a child care facility as defined in Article 7 of Chapter 110 of the General Statutes and includes any person who has the approval of the care provider to assume responsibility for the juveniles under the care of the care provider. Nothing in this subdivision shall be construed to impose a legal duty of support under Chapter 50 or Chapter 110 of the General Statutes. The

- 1                    duty imposed upon a caretaker as defined in this subdivision shall  
2                    be for the purpose of this Subchapter only.

4                    deputy clerk.

9                    appropriate treatment.

13                    custody of a juvenile by a court.
- 14           (7)     Dependent juvenile. -- A juvenile in need of assistance or  
15                    placement because the juvenile has no parent, guardian, or  
16                    custodian responsible for the juvenile's care or supervision or  
17                    whose parent, guardian, or custodian is unable to provide for the  
18                    care or supervision and lacks an appropriate alternative child care  
19                    arrangement.
- 20           (8)     Director. -- The director of the county department of social  
21                    services in the county in which the juvenile resides or is found, or

32                    birthday and is not married, emancipated, or a member of the  
33                    armed services of the United States.
- 34           (14)    Neglected juvenile. -- A juvenile who does not receive proper care,  
35                    supervision, or discipline from the juvenile's parent, guardian,  
36                    custodian, or caretaker; or who has been abandoned; or who is not  
37                    provided necessary medical care; or who is not provided necessary  
38                    remedial care; or who lives in an environment injurious to the  
39                    juvenile's welfare; or who has been placed for care or adoption in  
40                    violation of law. In determining whether a juvenile is a neglected  
41                    juvenile, it is relevant whether that juvenile lives in a home where  
42                    another juvenile has been subjected to abuse or neglect by an adult  
43                    who regularly lives in the home.

(19) Shelter care. -- The temporary care of a juvenile in a physically unrestricting facility pending court disposition.

The singular includes the plural, the masculine singular includes the feminine singular and masculine and feminine plural unless otherwise specified.

"ARTICLE 2.

"Jurisdiction.

"§ 7B-200. Jurisdiction.

(a) The court has exclusive, original jurisdiction over any case involving a juvenile who is alleged to be abused, neglected, or dependent. This jurisdiction does not extend to cases involving adult defendants alleged to be guilty of abuse or neglect.

The court also has exclusive original jurisdiction of the following proceedings:

(1) Proceedings under the Interstate Compact on the Placement of Children set forth in Article 38 of this Chapter;

(2) Proceedings involving judicial consent for emergency surgical or medical treatment for a juvenile when the juvenile's parent, guardian, custodian, or other person standing in loco parentis refuses to consent for treatment to be rendered;

(3) Proceedings to determine whether a juvenile should be emancipated;

(4) Proceedings to terminate parental rights;

(5) Proceedings to review the placement of a juvenile in foster care pursuant to an agreement between the juvenile's parents or guardian and a county department of social services;

(6) Proceedings in which a person is alleged to have obstructed or interfered with an investigation required by G.S. 7B-302; and

(7) Proceedings involving consent for an abortion on an unemancipated minor pursuant to Article 1A, Part 2 of Chapter 90 of the General Statutes.

(b) The court shall have jurisdiction over the parent of a juvenile who has been adjudicated abused, neglected, or dependent, as provided by G.S. 7B-904, provided the parent has been properly served with summons pursuant to G.S. 7B-406.

"§ 7B-201. Retention of jurisdiction.

1 When the court obtains jurisdiction over a juvenile, jurisdiction shall continue until  
2 terminated by order of the court, until the juvenile reaches the age of 18 years, or is  
3 otherwise emancipated.

4 "ARTICLE 3.

5 "Screening of Abuse and Neglect Complaints.

6 "§ 7B-300. Protective services.

7 The director of the department of social services in each county of the State shall  
8 establish protective services for juveniles alleged to be abused, neglected, or  
9 dependent.

10 Protective services shall include the investigation and screening of complaints,  
11 casework, or other counseling services to parents or other caretakers as provided by  
12 the director to help the parents or other caretakers and the court to prevent abuse or  
13 neglect, to improve the quality of child care, to be more adequate parents or  
14 caretakers, and to preserve and stabilize family life.

15 The provisions of this Article shall also apply to child care facilities as defined in  
16 G.S. 110-86.

17 "§ 7B-301. Duty to report abuse, neglect, dependency, or death due to maltreatment.

18 Any person or institution who has cause to suspect that any juvenile is abused,  
19 neglected, or dependent, as defined by G.S. 7B-101, or has died as the result of  
20 maltreatment, shall report the case of that juvenile to the director of the department  
21 of social services in the county where the juvenile resides or is found. The report  
22 may be made orally, by telephone, or in writing. The report shall include  
23 information as is known to the person making it including the name and address of  
24 the juvenile; the name and address of the juvenile's parent, guardian, or caretaker;  
25 the age of the juvenile; the names and ages of other juveniles in the home; the  
26 present whereabouts of the juvenile if not at the home address; the nature and extent  
27 of any injury or condition resulting from abuse, neglect, or dependency; and any  
28 other information which the person making the report believes might be helpful in  
29 establishing the need for protective services or court intervention. If the report is  
30 made orally or by telephone, the person making the report shall give the person's  
31 name, address, and telephone number. Refusal of the person making the report to  
32 give a name shall not preclude the department's investigation of the alleged abuse,  
33 neglect, dependency, or death as a result of maltreatment.

34 Upon receipt of any report of sexual abuse of the juvenile in a child care facility,  
35 the director shall notify the State Bureau of Investigation within 24 hours or on the  
36 next workday. If sexual abuse in a child care facility is not alleged in the initial  
37 report, but during the course of the investigation there is reason to suspect that sexual  
38 abuse has occurred, the director shall immediately notify the State Bureau of  
39 Investigation. Upon notification that sexual abuse may have occurred in a child care  
40 facility, the State Bureau of Investigation may form a task force to investigate the  
41 report.

42 "§ 7B-302. Investigation by director; access to confidential information; notification of  
43 person making the report.

1 When a report of abuse, neglect, or dependency is received, the director of the  
2 department of social services shall make a prompt and thorough investigation in  
3 order to ascertain the facts of the case, the extent of the abuse or neglect, and the risk  
4 of harm to the juvenile, in order to determine whether protective services should be  
5 provided or the complaint filed as a petition. When the report alleges abuse, the  
6 director shall immediately, but no later than 24 hours after receipt of the report,  
7 initiate the investigation. When the report alleges neglect or dependency, the director  
8 shall initiate the investigation within 72 hours following receipt of the report. The  
9 investigation and evaluation shall include a visit to the place where the juvenile  
10 resides. All information received by the department of social services, including the  
11 identity of the reporter, shall be held in strictest confidence by the department.

12 When a report of suspected abuse, neglect, or dependency of a juvenile is received,  
13 the director of the department of social services shall immediately ascertain if other  
14 juveniles remain in the home, and, if so, initiate an investigation in order to  
15 determine whether they require protective services or whether immediate removal of  
16 the juveniles from the home is necessary for their protection.

17 If the investigation indicates that abuse, neglect, or dependency has occurred, the  
18 director shall decide whether immediate removal of the juvenile or any other  
19 juveniles in the home is necessary for their protection. If immediate removal does not  
20 seem necessary, the director shall immediately provide or arrange for protective  
21 services. If the parent or other caretaker refuses to accept the protective services  
22 provided or arranged by the director, the director shall sign a complaint seeking to  
23 invoke the jurisdiction of the court for the protection of the juvenile or juveniles.

24 If immediate removal seems necessary for the protection of the juvenile or other  
25 juveniles in the home, the director shall sign a complaint which alleges the applicable  
26 facts to invoke the jurisdiction of the court. Where the investigation shows that it is  
27 warranted, a protective services worker may assume temporary custody of the  
28 juvenile for the juvenile's protection pursuant to Article 5 of this Chapter.

29 In performing any duties related to the investigation of the complaint or the  
30 provision or arrangement for protective services, the director may consult with any  
31 public or private agencies or individuals, including the available State or local law  
32 enforcement officers who shall assist in the investigation and evaluation of the  
33 seriousness of any report of abuse, neglect, or dependency when requested by the  
34 director. The director or the director's representative may make a written demand for  
35 any information or reports, whether or not confidential, that may in the director's  
36 opinion be relevant to the investigation of or the provision for protective services.  
37 Upon the director's or the director's representative's request and unless protected by  
38 the attorney-client privilege, any public or private agency or individual shall provide  
39 access to and copies of this confidential information and these records to the extent  
40 permitted by federal law and regulations. If a custodian of criminal investigative  
41 information or records believes that release of the information will jeopardize the  
42 right of the State to prosecute a defendant or the right of a defendant to receive a fair  
43 trial or will undermine an ongoing or future investigation, it may seek an order from  
44 a court of competent jurisdiction to prevent disclosure of the information. In such an

1 action, the custodian of the records shall have the burden of showing by a  
2 preponderance of the evidence that disclosure of the information in question will  
3 jeopardize the right of the State to prosecute a defendant or the right of a defendant  
4 to receive a fair trial or will undermine an ongoing or future investigation. Actions  
5 brought pursuant to this paragraph shall be set down for immediate hearing, and  
6 subsequent proceedings in the actions shall be accorded priority by the trial and  
7 appellate courts.

8 Within five working days after receipt of the report of abuse, neglect, or  
9 dependency, the director shall give written notice to the person making the report,  
10 unless requested by that person not to give notice, as to whether the report was  
11 accepted for investigation and whether the report was referred to the appropriate  
12 State or local law enforcement agency.

13 Within five working days after completion of the protective services investigation,  
14 the director shall give subsequent written notice to the person making the report,  
15 unless requested by that person not to give notice, as to whether there is a finding of  
16 abuse, neglect, or dependency, whether the county department of social services is  
17 taking action to protect the juvenile, and what action it is taking, including whether  
18 or not a petition was filed. The person making the report shall be informed of  
19 procedures necessary to request a review by the prosecutor of the director's decision  
20 not to file a petition. A request for review by the prosecutor shall be made within five  
21 working days of receipt of the second notification. The second notification shall  
22 include notice that, if the person making the report is not satisfied with the director's  
23 decision, the person may request review of the decision by the prosecutor within five  
24 working days of receipt. The person making the report may waive the person's right  
25 to this notification, and no notification is required if the person making the report  
26 does not identify himself to the director.

27 **"§ 7B-303. Interference with investigation.**

28 (a) If any person obstructs or interferes with an investigation required by G.S. 7B-  
29 302, the director may file a petition naming said person as respondent and requesting  
30 an order directing the respondent to cease such obstruction or interference. The  
31 petition shall contain the name and date of birth and address of the juvenile who is  
32 the subject of the investigation, shall specifically describe the conduct alleged to  
33 constitute obstruction of or interference with the investigation, and shall be verified.

34 (b) For purposes of this section, obstruction of or interference with an  
35 investigation means refusing to disclose the whereabouts of the juvenile, refusing to  
36 allow the director to have personal access to the juvenile, refusing to allow the  
37 director to observe or interview the juvenile in private, refusing to allow the director  
38 access to confidential information and records upon request pursuant to G.S. 7B-302,  
39 refusing to allow the director to arrange for an evaluation of the juvenile by a  
40 physician or other expert, or other conduct that makes it impossible for the director  
41 to carry out the duty to investigate.

42 (c) Upon filing of the petition, the court shall schedule a hearing to be held not  
43 less than five days after service of the petition and summons on the respondent.  
44 Service of the petition and summons and notice of hearing shall be made as provided

1 by the Rules of Civil Procedure on the respondent; the juvenile's parent, guardian,  
2 custodian, or caretaker; and any other person determined by the court to be a  
3 necessary party. If at the hearing on the petition the court finds by clear, cogent, and  
4 convincing evidence that the respondent, without lawful excuse, has obstructed or  
5 interfered with an investigation required by G.S. 7B-302, the court may order the  
6 respondent to cease such obstruction or interference. The burden of proof shall be  
7 on the petitioner.

8 (d) If the director has reason to believe that the juvenile is in need of immediate  
9 protection or assistance, the director shall so allege in the petition and may seek an  
10 ex parte order from the court. If the court, from the verified petition and any inquiry  
11 the court makes of the director, finds probable cause to believe both that the juvenile  
12 is at risk of immediate harm and that the respondent is obstructing or interfering with  
13 the director's ability to investigate to determine the juvenile's condition, the court  
14 may enter an ex parte order directing the respondent to cease such obstruction or  
15 interference. The order shall be limited to provisions necessary to enable the director  
16 to conduct an investigation sufficient to determine whether the juvenile is in need of  
17 immediate protection or assistance. Within 10 days after the entry of an ex parte  
18 order under this subsection, a hearing shall be held to determine whether there is  
19 good cause for the continuation of the order or the entry of a different order. An  
20 order entered under this subsection shall be served on the respondent along with a  
21 copy of the petition, summons, and notice of hearing.

22 (e) The director may be required at a hearing under this section to reveal the  
23 identity of any person who made a report of suspected abuse, neglect, or dependency  
24 as required by G.S. 7B-301.

25 (f) An order entered pursuant to this section is enforceable by civil or criminal  
26 contempt as provided in Chapter 5A of the General Statutes.

27 **"§ 7B-304. Evaluation for court.**

28 In all cases in which a petition is filed, the director of the department of social  
29 services shall prepare a report for the court containing a home placement plan and a  
30 treatment plan deemed by the director to be appropriate to the needs of the juvenile.  
31 The report shall be available to the court immediately following the adjudicatory  
32 hearing.

33 **"§ 7B-305. Request for review by prosecutor.**

34 The person making the report shall have five working days, from receipt of the  
35 decision of the director of the department of social services not to petition the court,  
36 to notify the prosecutor that the person is requesting a review. The prosecutor shall  
37 notify the person making the report and the director of the time and place for the  
38 review, and the director shall immediately transmit to the prosecutor a copy of the  
39 investigation report.

40 **"§ 7B-306. Review by prosecutor.**

41 The prosecutor shall review the director's determination that a petition should not  
42 be filed within 20 days after the person making the report is notified. The review  
43 shall include conferences with the person making the report, the protective services  
44 worker, the juvenile, if practicable, and other persons known to have pertinent

1 information about the juvenile or the juvenile's family. At the conclusion of the  
2 conferences, the prosecutor may affirm the decision made by the director, may  
3 request the appropriate local law enforcement agency to investigate the allegations, or  
4 may direct the director to file a petition.

5 "§ 7B-307. Duty of director to report evidence of abuse, neglect; investigation by local  
6 law enforcement; notification of Department of Health and Human Services and State  
7 Bureau of Investigation.

8 (a) If the director finds evidence that a juvenile may have been abused as defined  
9 by G.S. 7B-101, the director shall make an immediate oral and subsequent written  
10 report of the findings to the district attorney or the district attorney's designee and  
11 the appropriate local law enforcement agency within 48 hours after receipt of the  
12 report. The local law enforcement agency shall immediately, but no later than 48  
13 hours after receipt of the information, initiate and coordinate a criminal investigation  
14 with the protective services investigation being conducted by the county department  
15 of social services. Upon completion of the investigation, the district attorney shall  
16 determine whether criminal prosecution is appropriate and may request the director  
17 or the director's designee to appear before a magistrate.

18 If the director receives information that a juvenile may have been physically  
19 harmed in violation of any criminal statute by any person other than the juvenile's  
20 parent, guardian, custodian, or caretaker, the director shall make an immediate oral  
21 and subsequent written report of that information to the district attorney or the  
22 district attorney's designee and to the appropriate local law enforcement agency  
23 within 48 hours after receipt of the information. The local law enforcement agency  
24 shall immediately, but no later than 48 hours after receipt of the information, initiate  
25 a criminal investigation. Upon completion of the investigation, the district attorney  
26 shall determine whether criminal prosecution is appropriate.

27 If the report received pursuant to G.S. 7B-301 involves abuse or neglect of a  
28 juvenile in child care, the director shall notify the Department of Health and Human  
29 Services within 24 hours or on the next working day of receipt of the report.

30 (b) If the director finds evidence that a juvenile has been abused or neglected as  
31 defined by G.S. 7B-101 in a child care facility, the director shall immediately so  
32 notify the Department of Health and Human Services and, in the case of sexual  
33 abuse, the State Bureau of Investigation, in such a way as does not violate the law  
34 guaranteeing the confidentiality of the records of the department of social services.

35 (c) Upon completion of the investigation, the director shall give the department  
36 written notification of the results of the investigation required by G.S. 7B-302. Upon  
37 completion of an investigation of sexual abuse in a child care facility, the director  
38 shall also make written notification of the results of the investigation to the State  
39 Bureau of Investigation.

40 The director of the department of social services shall submit a report of alleged  
41 abuse, neglect, or dependency cases or child fatalities that are the result of alleged  
42 maltreatment to the central registry under the policies adopted by the Social Services  
43 Commission.

44 "§ 7B-308. Authority of medical professionals in abuse cases.

1     (a) Any physician or administrator of a hospital, clinic, or other medical facility to  
2 which a suspected abused juvenile is brought for medical diagnosis or treatment shall  
3 have the right, when authorized by the chief district court judge of the district or the  
4 judge's designee, to retain physical custody of the juvenile in the facility when the  
5 physician who examines the juvenile certifies in writing that the juvenile who is  
6 suspected of being abused should remain for medical treatment or that, according to  
7 the juvenile's medical evaluation, it is unsafe for the juvenile to return to the  
8 juvenile's parent, guardian, custodian, or caretaker. This written certification must be  
9 signed by the certifying physician and must include the time and date that the judicial  
10 authority to retain custody is given. Copies of the written certification must be  
11 appended to the juvenile's medical and judicial records and another copy must be  
12 given to the juvenile's parent, guardian, custodian, or caretaker. The right to retain  
13 custody in the facility shall exist for up to 12 hours from the time and date contained  
14 in the written certification.

15     (b) Immediately upon receipt of judicial authority to retain custody, the physician,  
16 the administrator, or that person's designee shall so notify the director of social  
17 services for the county in which the facility is located. The director shall treat this  
18 notification as a report of suspected abuse and shall immediately begin an  
19 investigation of the case.

20             (1) If the investigation reveals (i) that it is the opinion of the certifying  
21 physician that the juvenile is in need of medical treatment to cure  
22 or alleviate physical distress, or to prevent the juvenile from  
23 suffering serious physical injury, and (ii) that it is the opinion of  
24 the physician that the juvenile should for these reasons remain in  
25 the custody of the facility for 12 hours, but (iii) that the juvenile's  
26 parent, guardian, custodian, or caretaker cannot be reached or,  
27 upon request, will not consent to the treatment within the facility,  
28 the director shall within the initial 12-hour period file a juvenile  
29 petition alleging abuse and setting forth supporting allegations and  
30 shall seek a nonsecure custody order. A petition filed and a  
31 nonsecure custody order obtained in accordance with this  
32 subdivision shall come on for hearing under the regular provisions  
33 of this Subchapter unless the director and the certifying physician  
34 together voluntarily dismiss the petition.

35             (2) In all cases except those described in subdivision (1) above, the  
36 director shall conduct the investigation and may initiate juvenile  
37 proceedings and take all other steps authorized by the regular  
38 provisions of this Subchapter. If the director decides not to file a  
39 petition, the physician, the administrator, or that person's designee  
40 may ask the prosecutor to review this decision according to the  
41 provisions of G.S. 7B-305 and G.S. 7B-306.

42     (c) If, upon hearing, the court determines that the juvenile is found in a county  
43 other than the county of legal residence, in accord with G.S. 153A-257, the juvenile

1 may be transferred, in accord with G.S. 7B-903(2), to the custody of the department  
2 of social services in the county of residence.

3 (d) If the court, upon inquiry, determines that the medical treatment rendered was  
4 necessary and appropriate, the cost of that treatment may be charged to the parents,  
5 guardian, custodian, or caretaker, or, if the parents are unable to pay, to the county  
6 of residence in accordance with G.S. 7B-903 and G.S. 7B-904.

7 (e) Except as otherwise provided, a petition begun under this section shall  
8 proceed in like manner with petitions begun under G.S. 7B-302.

9 (f) The procedures in this section are in addition to, and not in derogation of, the  
10 abuse and neglect reporting provisions of G.S. 7B-301 and the temporary custody  
11 provisions of G.S. 7B-500. Nothing in this section shall preclude a physician or  
12 administrator and a director of social services from following the procedures of G.S.  
13 7B-301 and G.S. 7B-500 whenever these procedures are more appropriate to the  
14 juvenile's circumstances.

15 **"§ 7B-309. Immunity of persons reporting and cooperating in an investigation.**

16 Anyone who makes a report pursuant to this Article, cooperates with the county  
17 department of social services in a protective services inquiry or investigation, testifies  
18 in any judicial proceeding resulting from a protective services report or investigation,  
19 or otherwise participates in the program authorized by this Article, is immune from  
20 any civil or criminal liability that might otherwise be incurred or imposed for that  
21 action provided that the person was acting in good faith. In any proceeding involving  
22 liability, good faith is presumed.

23 **"§ 7B-310. Privileges not grounds for failing to report or for excluding evidence.**

24 No privilege shall be grounds for any person or institution failing to report that a  
25 juvenile may have been abused, neglected, or dependent, even if the knowledge or  
26 suspicion is acquired in an official professional capacity, except when the knowledge  
27 or suspicion is gained by an attorney from that attorney's client during representation  
28 only in the abuse, neglect, or dependency case. No privilege, except the attorney-  
29 client privilege, shall be grounds for excluding evidence of abuse, neglect, or  
30 dependency in any judicial proceeding (civil, criminal, or juvenile) in which a  
31 juvenile's abuse, neglect, or dependency is in issue nor in any judicial proceeding  
32 resulting from a report submitted under this Article, both as this privilege relates to  
33 the competency of the witness and to the exclusion of confidential communications.

34 **"§ 7B-311. Central registry.**

35 The Department of Health and Human Services shall maintain a central registry of  
36 abuse, neglect, and dependency cases and child fatalities that are the result of alleged  
37 maltreatment that are reported under this Article in order to compile data for  
38 appropriate study of the extent of abuse and neglect within the State and to identify  
39 repeated abuses of the same juvenile or of other juveniles in the same family. This  
40 data shall be furnished by county directors of social services to the Department of  
41 Health and Human Services and shall be confidential, subject to policies adopted by  
42 the Social Services Commission providing for its use for study and research and for  
43 other appropriate disclosure. Data shall not be used at any hearing or court  
44 proceeding unless based upon a final judgment of a court of law.

"ARTICLE 4."Venue; Petitions."§ 7B-400. Venue; pleading.

A proceeding in which a juvenile is alleged to be abused, neglected, or dependent may be commenced in the district in which the juvenile resides or is present. When a proceeding is commenced in a district other than that of the juvenile's residence, the court, on its own motion or upon motion of any party, may transfer the proceeding to the court in the district where the juvenile resides. A transfer under this subsection may be made at any time.

"§ 7B-401. Pleading and process.

The pleading in an abuse, neglect, or dependency action is the petition. The process in an abuse, neglect, or dependency action is the summons.

"§ 7B-402. Petition.

(a) The petition shall contain the name, date of birth, address of the juvenile, the name and last known address of the juvenile's parent, guardian, or custodian and shall allege the facts which invoke jurisdiction over the juvenile. The petition may contain information on more than one juvenile when the juveniles are from the same home and are before the court for the same reason.

Sufficient copies of the petition shall be prepared so that copies will be available for each juvenile, each parent if living separate and apart, the guardian ad litem, the social worker, and any person determined by the court to be a necessary party.

"§ 7B-403. Receipt of reports; filing of petition.

(a) All reports concerning a juvenile alleged to be abused, neglected, or dependent shall be referred to the director of the department of social services for screening. Thereafter, if it is determined by the director that a report should be filed as a petition, the petition shall be drawn by the director, verified before an official authorized to administer oaths, and filed by the clerk, recording the date of filing.

(b) A decision of the director of social services not to file a report as a petition shall be reviewed by the prosecutor if review is requested pursuant to G.S. 7B-305.

"§ 7B-404. Immediate need for petition when clerk's office is closed.

(a) When the office of the clerk is closed, a magistrate may be authorized by the chief district court judge to draw, verify, and issue petitions as follows:

(1) When the director of the department of social services requests a petition alleging a juvenile to be abused, neglected, or dependent,  
or

(2) When the director of the department of social services requests a petition alleging the obstruction of or interference with an investigation required by G.S. 7B-302.

(b) The authority of the magistrate under this section is limited to emergency situations when a petition is required in order to obtain a nonsecure custody order or an order under G.S. 7B-303. Any petition issued under this section shall be delivered to the clerk's office for processing as soon as that office is open for business.

"§ 7B-405. Commencement of action.

1 An action is commenced by the filing of a petition in the clerk's office when that  
2 office is open, or by the issuance of a juvenile petition by a magistrate when the  
3 clerk's office is closed, which issuance shall constitute filing.

4 "§ 7B-406. Issuance of summons.

5 (a) Immediately after a petition has been filed alleging that a juvenile is abused,  
6 neglected, or dependent, the clerk shall issue a summons to the parent, guardian,  
7 custodian, or caretaker requiring them to appear for a hearing at the time and place  
8 stated in the summons. A copy of the petition shall be attached to each summons.

9 (b) A summons shall be on a printed form supplied by the Administrative Office  
10 of the Courts and shall include:

11 (1) Notice of the nature of the proceeding;

12 (2) Notice of any right to counsel and information about how to seek  
13 the appointment of counsel prior to a hearing;

14 (3) Notice that, if the court determines at the hearing that the  
15 allegations of the petition are true, the court will conduct a  
16 dispositional hearing to consider the needs of the juvenile and  
17 enter an order designed to meet those needs and the objectives of  
18 the State; and

19 (4) Notice that the dispositional order or a subsequent order:

20 a. May remove the juvenile from the custody of the parent,  
21 guardian, or custodian.

22 b. May require that the juvenile receive medical, psychiatric,  
23 psychological, or other treatment and that the parent  
24 participate in the treatment.

25 c. May require the parent to undergo psychiatric,  
26 psychological, or other treatment or counseling for the  
27 purpose of remedying the behaviors or conditions that are  
28 alleged in the petition or that contributed to the removal of  
29 the juvenile from the custody of the parent.

30 d. May order the parent to pay for treatment that is ordered  
31 for the juvenile or the parent.

32 (c) The summons shall advise the parent that upon service, jurisdiction over the  
33 parent is obtained and that failure to comply with any order of the court pursuant to  
34 G.S. 7B-904 may cause the court to issue a show cause order for contempt.

35 (d) A summons shall be directed to the person summoned to appear and shall be  
36 delivered to any person authorized to serve process.

37 "§ 7B-407. Service of summons.

38 The summons shall be personally served upon the parent, guardian, custodian, or  
39 caretaker, and the juvenile or counsel or guardian ad litem, not less than five days  
40 prior to the date of the scheduled hearing. The time for service may be waived in the  
41 discretion of the court.

42 If the parent, guardian, custodian, or caretaker entitled to receive a summons  
43 cannot be found by a diligent effort, the court may authorize service of the summons

1 and petition by mail or by publication. The cost of the service by publication shall be  
2 advanced by the petitioner and may be charged as court costs as the court may direct.

3 If the parent, guardian, custodian, or caretaker is personally served as herein  
4 provided and fails without reasonable cause to appear and to bring the juvenile  
5 before the court, the parent, guardian, custodian, or caretaker may be proceeded  
6 against as for contempt of court.

7 "ARTICLE 5.

8 "Temporary Custody; Nonsecure Custody; Custody Hearings.

9 "§ 7B-500. Taking a juvenile into temporary custody.

10 Temporary custody means the taking of physical custody and providing personal  
11 care and supervision until a court order for nonsecure custody can be obtained. A  
12 juvenile may be taken into temporary custody without a court order by a law  
13 enforcement officer or a department of social services worker if there are reasonable  
14 grounds to believe that the juvenile is abused, neglected, or dependent and that the  
15 juvenile would be injured or could not be taken into custody if it were first necessary  
16 to obtain a court order. If a department of social services worker takes a juvenile  
17 into temporary custody under this section, the worker may arrange for the placement,  
18 care, supervision, and transportation of the juvenile.

19 "§ 7B-501. Duties of person taking juvenile into temporary custody.

20 (a) A person who takes a juvenile into custody without a court order under G.S.  
21 7B-500 shall proceed as follows:

22 (1) Notify the juvenile's parent, guardian, custodian, or caretaker that  
23 the juvenile has been taken into temporary custody and advise the  
24 parent, guardian, custodian, or caretaker of the right to be present  
25 with the juvenile until a determination is made as to the need for  
26 nonsecure custody. Failure to notify the parent that the juvenile is  
27 in custody shall not be grounds for release of the juvenile.

28 (2) Release the juvenile to the juvenile's parent, guardian, custodian,  
29 or caretaker if the person having the juvenile in temporary custody  
30 decides that continued custody is unnecessary.

31 (3) The person having temporary custody shall communicate with the  
32 director of the department of social services who shall consider  
33 prehearing diversion. If the decision is made to file a petition, the  
34 director shall contact the judge or person delegated authority  
35 pursuant to G.S. 7B-502 for a determination of the need for  
36 continued custody.

37 (b) A juvenile taken into temporary custody under this Article shall not be held  
38 for more than 12 hours, or for more than 24 hours if any of the 12 hours falls on a  
39 Saturday, Sunday, or legal holiday, unless:

40 (1) A petition or motion for review has been filed by the director of  
41 the department of social services, and

42 (2) An order for nonsecure custody has been entered by the court.

43 "§ 7B-502. Authority to issue custody orders; delegation.

1 In the case of any juvenile alleged to be within the jurisdiction of the court, the  
2 court may order that the juvenile be placed in nonsecure custody pursuant to criteria  
3 set out in G.S. 7B-503 when custody of the juvenile is necessary.

4 Any district court judge shall have the authority to issue nonsecure custody orders  
5 pursuant to G.S. 7B-503. The chief district court judge may delegate the court's  
6 authority to persons other than district court judges by administrative order which  
7 shall be filed in the office of the clerk of superior court. The administrative order  
8 shall specify which persons shall be contacted for approval of a nonsecure custody  
9 order pursuant to G.S. 7B-503.

10 **"§ 7B-503. Criteria for nonsecure custody.**

11 When a request is made for nonsecure custody, the court shall first consider  
12 release of the juvenile to the juvenile's parent, relative, guardian, custodian, or other  
13 responsible adult. An order for nonsecure custody shall be made only when there is  
14 a reasonable factual basis to believe the matters alleged in the petition are true, and

- 15 (1) The juvenile has been abandoned; or  
16 (2) The juvenile has suffered physical injury or sexual abuse; or  
17 (3) The juvenile is exposed to a substantial risk of physical injury or  
18 sexual abuse because the parent, guardian, custodian, or caretaker  
19 has created the conditions likely to cause injury or abuse or has  
20 failed to provide, or is unable to provide, adequate supervision or  
21 protection; or  
22 (4) The juvenile is in need of medical treatment to cure, alleviate, or  
23 prevent suffering serious physical harm which may result in death,  
24 disfigurement, or substantial impairment of bodily functions, and  
25 the juvenile's parent, guardian, custodian, or caretaker is unwilling  
26 or unable to provide or consent to the medical treatment; or  
27 (5) The parent, guardian, custodian, or caretaker consents to the  
28 nonsecure custody order; or  
29 (6) The juvenile is a runaway and consents to nonsecure custody.

30 A juvenile alleged to be abused, neglected, or dependent shall be placed in nonsecure  
31 custody only when there is a reasonable factual basis to believe that there is no other  
32 reasonable means available to protect the juvenile. In no case shall a juvenile alleged  
33 to be abused, neglected, or dependent be placed in secure custody.

34 **"§ 7B-504. Order for nonsecure custody.**

35 The custody order shall be in writing and shall direct a law enforcement officer or  
36 other authorized person to assume custody of the juvenile and to make due return on  
37 the order. A copy of the order shall be given to the juvenile's parent, guardian,  
38 custodian, or caretaker by the official executing the order.

39 An officer receiving an order for custody which is complete and regular on its face  
40 may execute it in accordance with its terms. The officer is not required to inquire  
41 into the regularity or continued validity of the order and shall not incur criminal or  
42 civil liability for its due service.

43 **"§ 7B-505. Place of nonsecure custody.**

1 A juvenile meeting the criteria set out in G.S. 7B-503 may be placed in nonsecure  
2 custody with the department of social services or a person designated in the order for  
3 temporary residential placement in:

- 4 (1) A licensed foster home or a home otherwise authorized by law to  
5 provide such care; or  
6 (2) A facility operated by the department of social services; or  
7 (3) Any other home or facility approved by the court and designated  
8 in the order.

9 In placing a juvenile in nonsecure custody under this section, the court shall first  
10 consider whether a relative of the juvenile is willing and able to provide proper care  
11 and supervision of the juvenile in a safe home. If the court finds that the relative is  
12 willing and able to provide proper care and supervision in a safe home, then the  
13 court shall order placement of the juvenile with the relative. Prior to placement of a  
14 juvenile with a relative outside of this State, the placement must be in accordance  
15 with the Interstate Compact on the Placement of Children, Article 38 of this Chapter.  
16 **"§ 7B-506. Hearing to determine need for continued nonsecure custody.**

17 (a) No juvenile shall be held under a nonsecure custody order for more than  
18 seven calendar days without a hearing on the merits or a hearing to determine the  
19 need for continued custody. A hearing on nonsecure custody conducted under this  
20 subsection may be continued for up to 10 business days with the consent of the  
21 juvenile's parent, guardian, custodian, or caretaker and, if appointed, the juvenile's  
22 guardian ad litem. In addition, the court may require the consent of additional parties  
23 or may schedule the hearing on custody despite a party's consent to a continuance. In  
24 every case in which an order has been entered by an official exercising authority  
25 delegated pursuant to G.S. 7B-502, a hearing to determine the need for continued  
26 custody shall be conducted on the day of the next regularly scheduled session of  
27 district court in the city or county where the order was entered if such session  
28 precedes the expiration of the applicable time period set forth in this subsection:  
29 Provided, that if such session does not precede the expiration of the time period, the  
30 hearing may be conducted at another regularly scheduled session of district court in  
31 the district where the order was entered.

32 (b) At a hearing to determine the need for continued custody, the court shall  
33 receive testimony and shall allow the guardian ad litem, or juvenile, and the  
34 juvenile's parent, guardian, custodian, or caretaker an opportunity to introduce  
35 evidence, to be heard in the person's own behalf, and to examine witnesses. The  
36 State shall bear the burden at every stage of the proceedings to provide clear and  
37 convincing evidence that the juvenile's placement in custody is necessary. The court  
38 shall not be bound by the usual rules of evidence at such hearings.

39 (c) The court shall be bound by criteria set forth in G.S. 7B-503 in determining  
40 whether continued custody is warranted.

41 (d) If the court determines that the juvenile meets the criteria in G.S. 7B-503 and  
42 should continue in custody, the court shall issue an order to that effect. The order  
43 shall be in writing with appropriate findings of fact. The findings of fact shall include

1 the evidence relied upon in reaching the decision and the purposes which continued  
2 custody is to achieve.

3 (e) If the court orders at the hearing required in subsection (a) of this section that  
4 the juvenile remain in custody, a subsequent hearing on continued custody shall be  
5 held within seven business days of that hearing, excluding Saturdays, Sundays, and  
6 legal holidays, and pending a hearing on the merits, hearings thereafter shall be held  
7 at intervals of no more than 30 calendar days.

8 (f) Hearings conducted under subsection (e) of this section may be waived only  
9 with the consent of the juvenile's parent, guardian, custodian, or caretaker, and, if  
10 appointed, the juvenile's guardian ad litem.

11 The court may require the consent of additional parties or schedule a hearing  
12 despite a party's consent to waiver.

13 (g) Any order authorizing the continued custody of a juvenile shall include  
14 findings as to whether reasonable efforts have been made to prevent or eliminate the  
15 need for placement of the juvenile in custody and may provide for services or other  
16 efforts aimed at returning the juvenile promptly to a safe home. A finding that  
17 reasonable efforts have not been made shall not preclude the entry of an order  
18 authorizing continued custody when the court finds that continued custody is  
19 necessary for the protection of the juvenile. Where efforts to prevent the need for the  
20 juvenile's placement were precluded by an immediate threat of harm to the juvenile,  
21 the court may find that the placement of the juvenile in the absence of such efforts  
22 was reasonable. If the court finds through written findings of fact that efforts to  
23 eliminate the need for placement of the juvenile in custody clearly would be futile or  
24 would be inconsistent with the juvenile's safety and need for a safe, permanent home  
25 within a reasonable period of time, then the court shall specify in its order that  
26 reunification efforts are not required or order that reunification efforts cease.

27 (h) At each hearing to determine the need for continued custody, the court shall:

28 (1) Inquire as to the identity and location of any missing parent. The  
29 court shall include findings as to the efforts undertaken to locate  
30 the missing parent and to serve that parent. The order may provide  
31 for specific efforts aimed at determining the identity and location  
32 of any missing parent;

33 (2) Inquire as to whether a relative of the juvenile is willing and able  
34 to provide proper care and supervision of the juvenile in a safe  
35 home. If the court finds that the relative is willing and able to  
36 provide proper care and supervision in a safe home, then the court  
37 shall order temporary placement of the juvenile with the relative.  
38 Prior to placement of a juvenile with a relative outside of this  
39 State, the placement must be in accordance with the Interstate  
40 Compact on the Placement of Children set forth in Article 38 of  
41 this Chapter; and

42 (3) Inquire as to whether there are other juveniles remaining in the  
43 home from which the juvenile was removed and, if there are,  
44 inquire as to the specific findings of the investigation conducted

1                   under G.S. 7B-302 and any actions taken or services provided by  
2                   the director for the protection of the other juveniles.

3 **"§ 7B-507. Telephonic communication authorized.**

4     All communications, notices, orders, authorizations, and requests authorized or  
5 required by G.S. 7B-501, 7B-503, and 7B-504 may be made by telephone when other  
6 means of communication are impractical. All written orders pursuant to telephonic  
7 communication shall bear the name and the title of the person communicating by  
8 telephone, the signature and the title of the official entering the order, and the hour  
9 and the date of the authorization.

10                   **"ARTICLE 6.**

11                   **"Basic Rights.**

12 **"§ 7B-600. Appointment of guardian.**

13     In any case when no parent appears in a hearing with the juvenile or when the  
14 court finds it would be in the best interests of the juvenile, the court may appoint a  
15 guardian of the person for the juvenile. The guardian shall operate under the  
16 supervision of the court with or without bond and shall file only such reports as the  
17 court shall require. The guardian shall have the care, custody, and control of the  
18 juvenile or may arrange a suitable placement for the juvenile and may represent the  
19 juvenile in legal actions before any court. The guardian may consent to certain  
20 actions on the part of the juvenile in place of the parent including (i) marriage, (ii)  
21 enlisting in the armed forces, and (iii) enrollment in school. The guardian may also  
22 consent to any necessary remedial, psychological, medical, or surgical treatment for  
23 the juvenile. The authority of the guardian shall continue until the guardianship is  
24 terminated by court order, until the juvenile is emancipated pursuant to Article 35 of  
25 Subchapter IV of this Chapter, or until the juvenile reaches the age of majority.

26 **"§ 7B-601. Appointment and duties of guardian ad litem.**

27     (a) When in a petition a juvenile is alleged to be abused or neglected, the court  
28 shall appoint a guardian ad litem to represent the juvenile. When a juvenile is alleged  
29 to be dependent, the court may appoint a guardian ad litem to represent the juvenile.  
30 The guardian ad litem and attorney advocate have standing to represent the juvenile  
31 in all actions under this Subchapter where they have been appointed. The  
32 appointment shall be made pursuant to the program established by Article 12 of this  
33 Chapter unless representation is otherwise provided legally made. The appointment  
34 shall terminate at the end of two years. The court may reappoint the guardian ad  
35 litem pursuant to a showing of good cause upon motion of any party, including the  
36 guardian ad litem, or of the court. In every case where a nonattorney is appointed as  
37 a guardian ad litem, an attorney shall be appointed in the case in order to assure  
38 protection of the juvenile's legal rights through the dispositional phase of the  
39 proceedings, and after disposition when necessary to further the best interests of the  
40 juvenile. The duties of the guardian ad litem program shall be to make an  
41 investigation to determine the facts, the needs of the juvenile, and the available  
42 resources within the family and community to meet those needs; to facilitate, when  
43 appropriate, the settlement of disputed issues; to offer evidence and examine  
44 witnesses at adjudication; to explore options with the court at the dispositional

1 hearing; and to protect and promote the best interests of the juvenile until formally  
2 relieved of the responsibility by the court.

3 (b) The court may order the department of social services or the guardian ad  
4 litem to conduct follow-up investigations to ensure that the orders of the court are  
5 being properly executed and to report to the court when the needs of the juvenile are  
6 not being met. The court may also authorize the guardian ad litem to accompany the  
7 juvenile to court in any criminal action wherein the juvenile may be called on to  
8 testify in a matter relating to abuse.

9 (c) The court may grant the guardian ad litem the authority to demand any  
10 information or reports, whether or not confidential, that may in the guardian ad  
11 litem's opinion be relevant to the case. Neither the physician-patient privilege nor the  
12 husband-wife privilege may be invoked to prevent the guardian ad litem and the  
13 court from obtaining such information. The confidentiality of the information or  
14 reports shall be respected by the guardian ad litem and no disclosure of any  
15 information or reports shall be made to anyone except by order of the court or unless  
16 otherwise provided by law.

17 **"§ 7B-602. Parent's right to counsel.**

18 In cases where the juvenile petition alleges that a juvenile is abused, neglected, or  
19 dependent, the parent has the right to counsel and to appointed counsel in cases of  
20 indigency unless the parent waives the right. In no case may the court appoint a  
21 county attorney, prosecutor, or public defender.

22 **"§ 7B-603. Payment of court-appointed attorney or guardian ad litem.**

23 An attorney or guardian ad litem appointed pursuant to G.S. 7B-601 or G.S. 7B-  
24 602 pursuant to any other provision of the Juvenile Code shall be paid a reasonable  
25 fee fixed by the court in the same manner as fees for attorneys appointed in cases of  
26 indigency or by direct engagement for specialized guardian ad litem services through  
27 the Administrative Office of the Courts. The court may require payment of the  
28 attorney or guardian ad litem fee from a person other than the juvenile as provided  
29 in G.S. 7A-450.1, 7A-450.2, and 7A-450.3. In no event shall the parent or guardian be  
30 required to pay the fees for a court-appointed attorney or guardian ad litem in an  
31 abuse, neglect, or dependency proceeding unless the juvenile has been adjudicated to  
32 be abused, neglected, or dependent, or, in a proceeding to terminate parental rights,  
33 unless the parent's rights have been terminated. A person who does not comply with  
34 the court's order of payment may be punished for contempt as provided in G.S. 5A-  
35 21.

36 **"ARTICLE 7.**

37 **"Discovery.**

38 **"§ 7B-700. Regulation of discovery; protective orders.**

39 (a) Upon written motion of a party and a finding of good cause, the court may at  
40 any time order that discovery be denied, restricted, or deferred.

41 (b) The court may permit a party seeking relief under subsection (a) of this section  
42 to submit supporting affidavits or statements to the court for in camera inspection. If,  
43 thereafter, the court enters an order granting relief under subsection (a) of this

1 section, the material submitted in camera must be available to the Court of Appeals  
2 in the event of an appeal.

3 "ARTICLE 8.

4 "Hearing Procedures.

5 "§ 7B-800. Amendment of petition.

6 The court may permit a petition to be amended when the amendment does not  
7 change the nature of the offense alleged or the conditions upon which the petition is  
8 based.

9 "§ 7B-801. Adjudicatory hearing.

10 The adjudicatory hearing shall be held in the district at such time and place as the  
11 chief district court judge shall designate. The court may exclude the public from the  
12 hearing unless the juvenile moves that the hearing be open, which motion shall be  
13 granted.

14 "§ 7B-802. Conduct of hearing.

15 The adjudicatory hearing shall be a judicial process designed to adjudicate the  
16 existence or nonexistence of any of the conditions alleged in a petition. In the  
17 adjudicatory hearing, the court shall protect the following rights of the juvenile and  
18 the juvenile's parent to assure due process of law.

19 "§ 7B-803. Continuances.

20 The court may, for good cause, continue the hearing for as long as is reasonably  
21 required to receive additional evidence, reports, or assessments that the court has  
22 requested, or other information needed in the best interests of the juvenile and to  
23 allow for a reasonable time for the parties to conduct expeditious discovery.  
24 Otherwise, continuances shall be granted only in extraordinary circumstances when  
25 necessary for the proper administration of justice or in the best interests of the  
26 juvenile.

27 "§ 7B-804. Rules of evidence.

28 Where the juvenile is alleged to be abused, neglected, or dependent, the rules of  
29 evidence in civil cases shall apply.

30 "§ 7B-805. Quantum of proof in adjudicatory hearing.

31 The allegations in a petition alleging abuse, neglect, or dependence shall be proved  
32 by clear and convincing evidence.

33 "§ 7B-806. Record of proceedings.

34 All adjudicatory and dispositional hearings shall be recorded by stenographic notes  
35 or by electronic or mechanical means. Records shall be reduced to a written  
36 transcript only when timely notice of appeal has been given. The court may order  
37 that other hearings be recorded.

38 "§ 7B-807. Adjudication.

39 If the court finds that the allegations in the petition have been proven by clear and  
40 convincing evidence, the court shall so state. If the court finds that the allegations  
41 have not been proven, the court shall dismiss the petition with prejudice and the  
42 juvenile shall be released from nonsecure custody.

43 "§ 7B-808. Predisposition investigation and report.

1    The court shall proceed to the dispositional hearing upon receipt of sufficient  
2 social, medical, psychiatric, psychological, and educational information. No  
3 predisposition report shall be submitted to or considered by the court prior to the  
4 completion of the adjudicatory hearing. The court shall permit the guardian ad litem  
5 or juvenile to inspect any predisposition report to be considered by the court in  
6 making the disposition unless the court determines that disclosure would seriously  
7 harm the juvenile's treatment or rehabilitation or would violate a promise of  
8 confidentiality. Opportunity to offer evidence in rebuttal shall be afforded the  
9 guardian ad litem or juvenile, and the juvenile's parent, guardian, custodian, or  
10 caretaker at the dispositional hearing. The court may order counsel not to disclose  
11 parts of the report to the guardian ad litem or juvenile, or the juvenile's parent,  
12 guardian, custodian, or caretaker if the court finds that disclosure would seriously  
13 harm the treatment or rehabilitation of the juvenile or would violate a promise of  
14 confidentiality given to a source of information.

15                                "ARTICLE 9.

16                                "Dispositions.

17    "§ 7B-900. Purpose.

18    The purpose of dispositions in juvenile actions is to design an appropriate plan to  
19 meet the needs of the juvenile and to achieve the objectives of the State in exercising  
20 jurisdiction. If possible, the initial approach should involve working with the juvenile  
21 and the juvenile's family in their own home so that the appropriate community  
22 resources may be involved in care, supervision, and treatment according to the needs  
23 of the juvenile. Thus, the court should arrange for appropriate community-level  
24 services to be provided to the juvenile and the juvenile's family in order to strengthen  
25 the home situation.

26    "§ 7B-901. Dispositional hearing.

27    The dispositional hearing may be informal and the court may consider written  
28 reports or other evidence concerning the needs of the juvenile. The juvenile and the  
29 juvenile's parent, guardian, custodian, or caretaker shall have an opportunity to  
30 present evidence, and they may advise the court concerning the disposition they  
31 believe to be in the best interests of the juvenile. The court may exclude the public  
32 from the hearing unless the juvenile moves that the hearing be open, which motion  
33 shall be granted.

34    "§ 7B-902. Consent judgment in abuse, neglect, or dependency proceeding.

35    Nothing in this Article precludes the court from entering a consent order or  
36 judgment on a petition for abuse, neglect, or dependency when all parties are present,  
37 the juvenile is represented by counsel, and all other parties are either represented by  
38 counsel or have waived counsel, and sufficient findings of fact are made by the court.

39    "§ 7B-903. Dispositional alternatives for abused, neglected, or dependent juvenile.

40    The following alternatives for disposition shall be available to any court exercising  
41 jurisdiction, and the court may combine any of the applicable alternatives when the  
42 court finds the disposition to be in the best interests of the juvenile:

- 43                    (1) The court may dismiss the case or continue the case in order to  
44                        allow the parent or others to take appropriate action.

(2) In the case of any juvenile who needs more adequate care or supervision or who needs placement, the court may:

a. Require that the juvenile be supervised in the juvenile's own home by the department of social services in the juvenile's county, or by other personnel as may be available to the court, subject to conditions applicable to the parent, guardian, custodian, or caretaker as the court may specify;  
or

b. Place the juvenile in the custody of a parent, relative, private agency offering placement services, or some other suitable person; or

c. Place the juvenile in the custody of the department of social services in the county of the juvenile's residence, or in the case of a juvenile who has legal residence outside the State, in the physical custody of the department of social services in the county where the juvenile is found so that agency may return the juvenile to the responsible authorities in the juvenile's home state. The director may, unless otherwise ordered by the court, arrange for, provide, or consent to, needed routine or emergency medical or surgical care or treatment. In the case where the parent is unknown, unavailable, or unable to act on behalf of the juvenile, the director may, unless otherwise ordered by the court, arrange for, provide, or consent to any psychiatric, psychological, educational, or other remedial evaluations or treatment for the juvenile placed by a court or the court's designee in the custody or physical custody of a county department of social services under the authority of this or any other Chapter of the General Statutes. Prior to exercising this authority, the director shall make reasonable efforts to obtain consent from a parent or guardian of the affected juvenile. If the director cannot obtain such consent, the director shall promptly notify the parent or guardian that care or treatment has been provided and shall give the parent frequent status reports on the circumstances of the juvenile. Upon request of a parent or guardian of the affected juvenile, the results or records of the aforementioned evaluations, findings, or treatment shall be made available to such parent or guardian by the director unless prohibited by G.S. 122C-53(d).

(3) In any case, the court may order that the juvenile be examined by a physician, psychiatrist, psychologist, or other qualified expert as may be needed for the court to determine the needs of the juvenile:

- 1           a.   Upon completion of the examination, the court shall  
2           conduct a hearing to determine whether the juvenile is in  
3           need of medical, surgical, psychiatric, psychological, or other  
4           treatment and who should pay the cost of the treatment. The  
5           county manager, or such person who shall be designated by  
6           the chairman of the county commissioners, of the juvenile's  
7           residence shall be notified of the hearing, and allowed to be  
8           heard. If the court finds the juvenile to be in need of  
9           medical, surgical, psychiatric, psychological, or other  
10          treatment, the court shall permit the parent or other  
11          responsible persons to arrange for treatment. If the parent  
12          declines or is unable to make necessary arrangements, the  
13          court may order the needed treatment, surgery, or care, and  
14          the court may order the parent to pay the cost of the care  
15          pursuant to G.S. 7B-904. If the court finds the parent is  
16          unable to pay the cost of treatment, the court shall order the  
17          county to arrange for treatment of the juvenile and to pay  
18          for the cost of the treatment. The county department of  
19          social services shall recommend the facility that will provide  
20          the juvenile with treatment.
- 21          b.   If the court believes, or if there is evidence presented to the  
22          effect that the juvenile is mentally ill or is developmentally  
23          disabled, the court shall refer the juvenile to the area mental  
24          health, developmental disabilities, and substance abuse  
25          services director for appropriate action. A juvenile shall not  
26          be committed directly to a State hospital or mental  
27          retardation center; and orders purporting to commit a  
28          juvenile directly to a State hospital or mental retardation  
29          center except for an examination to determine capacity to  
30          proceed shall be void and of no effect. The area mental  
31          health, developmental disabilities, and substance abuse  
32          director shall be responsible for arranging an  
33          interdisciplinary evaluation of the juvenile and mobilizing  
34          resources to meet the juvenile's needs. If institutionalization  
35          is determined to be the best service for the juvenile,  
36          admission shall be with the voluntary consent of the parent  
37          or guardian. If the parent, guardian, custodian, or caretaker  
38          refuses to consent to a mental hospital or retardation center  
39          admission after such institutionalization is recommended by  
40          the area mental health, developmental disabilities, and  
41          substance abuse director, the signature and consent of the  
42          court may be substituted for that purpose. In all cases in  
43          which a regional mental hospital refuses admission to a  
44          juvenile referred for admission by a court and an area

1 mental health, developmental disabilities, and substance  
2 abuse director or discharges a juvenile previously admitted  
3 on court referral prior to completion of treatment, the  
4 hospital shall submit to the court a written report setting out  
5 the reasons for denial of admission or discharge and setting  
6 out the juvenile's diagnosis, indications of mental illness,  
7 indications of need for treatment, and a statement as to the  
8 location of any facility known to have a treatment program  
9 for the juvenile in question.

10 "§ 7B-904. Authority over parents of juvenile adjudicated as abused, neglected, or  
11 dependent.

12 (a) If the court orders medical, surgical, psychiatric, psychological, or other  
13 treatment pursuant to G.S. 7B-903, the court may order the parent or other  
14 responsible parties to pay the cost of the treatment or care ordered.

15 (b) At the dispositional hearing or a subsequent hearing in the case of a juvenile  
16 who has been adjudicated abused, neglected, or dependent, if the court finds that it is  
17 in the best interests of the juvenile for the parent to be directly involved in the  
18 juvenile's treatment, the court may order the parent to participate in medical,  
19 psychiatric, psychological, or other treatment of the juvenile. The cost of the  
20 treatment shall be paid pursuant to G.S. 7B-903.

21 (c) At the dispositional hearing or a subsequent hearing in the case of a juvenile  
22 who has been adjudicated abused, neglected, or dependent, the court may determine  
23 whether the best interests of the juvenile requires that the parent undergo psychiatric,  
24 psychological, or other treatment or counseling directed toward remediating or  
25 remedying behaviors or conditions that led to or contributed to the juvenile's  
26 adjudication or to the court's decision to remove custody of the juvenile from the  
27 parent. If the court finds that the best interests of the juvenile require the parent  
28 undergo treatment, it may order the parent to comply with a plan of treatment  
29 approved by the court or condition legal custody or physical placement of the  
30 juvenile with the parent upon the parent's compliance with the plan of treatment.  
31 The court may order the parent to pay the cost of treatment ordered pursuant to this  
32 subsection. In cases in which the court has conditioned legal custody or physical  
33 placement of the juvenile with the parent upon the parent's compliance with a plan  
34 of treatment, the court may charge the cost of the treatment to the county of the  
35 juvenile's residence if the court finds the parent is unable to pay the cost of the  
36 treatment. In all other cases, if the court finds the parent is unable to pay the cost of  
37 the treatment ordered pursuant to this subsection, the court may order the parent to  
38 receive treatment currently available from the area mental health program that serves  
39 the parent's catchment area.

40 (d) Whenever legal custody of a juvenile is vested in someone other than the  
41 juvenile's parent, after due notice to the parent and after a hearing, the court may  
42 order that the parent pay a reasonable sum that will cover, in whole or in part, the  
43 support of the juvenile after the order is entered. If the court requires the payment of  
44 child support, the amount of the payments shall be determined as provided in G.S.

1 50-13.4(c). If the court places a juvenile in the custody of a county department of  
2 social services and if the court finds that the parent is unable to pay the cost of the  
3 support required by the juvenile, the cost shall be paid by the county department of  
4 social services in whose custody the juvenile is placed, provided the juvenile is not  
5 receiving care in an institution owned or operated by the State or federal government  
6 or any subdivision thereof.

7 (e) Failure of a parent who is personally served to participate in or comply with  
8 this section may result in a civil proceeding for contempt.

9 **"§ 7B-905. Dispositional order.**

10 (a) The dispositional order shall be in writing and shall contain appropriate  
11 findings of fact and conclusions of law. The court shall state with particularity, both  
12 orally and in the written order of disposition, the precise terms of the disposition  
13 including the kind, duration, and the person who is responsible for carrying out the  
14 disposition and the person or agency in whom custody is vested.

15 (b) A dispositional order under which a juvenile is removed from the custody of a  
16 parent or person standing in loco parentis shall direct that the review hearing  
17 required by G.S. 7B-906 be held within six months of the date of the juvenile's  
18 placement in custody and, if practicable, shall set the date and time for the review  
19 hearing.

20 (c) Any order directing placement of a juvenile in foster care shall also contain:

21 (1) A finding that the juvenile's continuation in or return to the  
22 juvenile's home would be contrary to the juvenile's best interests;  
23 and

24 (2) Findings as to whether reasonable efforts have been made to  
25 prevent or eliminate the need for placement of the juvenile in  
26 foster care. A finding that reasonable efforts were not made shall  
27 not preclude entry of a dispositional order authorizing placement  
28 in foster care when the court finds that such placement is needed  
29 for protection of the juvenile. When efforts to prevent the need for  
30 the juvenile's placement are precluded by an immediate threat of  
31 harm to the juvenile, the court may find that placement of the  
32 juvenile in the absence of such efforts is reasonable.

33 The order may provide for services or other efforts aimed at returning the juvenile  
34 promptly to a safe home. If the court finds through written findings of fact that efforts  
35 to eliminate the need for placement of the juvenile in custody clearly would be futile  
36 or would be inconsistent with the juvenile's safety and need for a safe, permanent  
37 home within a reasonable period of time, the court shall specify in its order that  
38 reunification efforts are not required or order that reunification efforts cease.

39 (d) An order that places a juvenile in the custody of a county department of social  
40 services for placement shall specify that the juvenile's placement and care are the  
41 responsibility of the county department of social services and that the county  
42 department is to provide or arrange for the foster care or other placement of the  
43 juvenile.

44 **"§ 7B-906. Review of custody order.**

1 (a) In any case where custody is removed from a parent, the court shall conduct a  
2 review within six months of the date the order was entered, shall conduct a second  
3 review within six months after the first review, and shall conduct subsequent reviews  
4 at least every year thereafter. The director of social services shall make timely  
5 requests to the clerk to calendar the case at a session of court scheduled for the  
6 hearing of juvenile matters within six months of the date the order was entered. The  
7 director shall make timely requests for calendaring subsequent reviews. The clerk  
8 shall give 15 days' notice of the review to the parent or the person standing in loco  
9 parentis, the juvenile, if 12 years of age or more, the guardian, foster parent,  
10 custodian or agency with custody, the guardian ad litem, and any other person the  
11 court may specify, indicating the court's impending review.

12 (b) Notwithstanding other provisions of this Article, the court may waive the  
13 holding of review hearings required by subsection (a) of this section, may require  
14 written reports to the court by the agency or person holding custody in lieu of review  
15 hearings, or order that review hearings be held less often than every 12 months, if the  
16 court finds by clear, cogent, and convincing evidence that:

17 (1) The juvenile has resided with a relative or has been in the custody  
18 of another suitable person for a period of at least one year;

19 (2) The placement is stable and continuation of the placement is in the  
20 juvenile's best interests;

21 (3) Neither the juvenile's best interests nor the rights of any party  
22 require that review hearings be held every 12 months;

23 (4) All parties are aware that the matter may be brought before the  
24 court for review at any time by the filing of a motion for review or  
25 on the court's own motion; and

26 (5) The court order has designated the relative or other suitable  
27 person as the juvenile's permanent caretaker or guardian of the  
28 person.

29 The court may not waive or refuse to conduct a review hearing if a party files a  
30 motion seeking the review.

31 (c) At every review hearing, the court shall consider information from the  
32 department of social services, the juvenile, the parent or person standing in loco  
33 parentis, the custodian, the foster parent, the guardian ad litem, and any public or  
34 private agency which will aid it in its review.

35 In each case the court shall consider the following criteria and make written  
36 findings regarding those that are relevant:

37 (1) Services which have been offered to reunite the family, or whether  
38 efforts to reunite the family clearly would be futile or inconsistent  
39 with the juvenile's safety and need for a safe, permanent home  
40 within a reasonable period of time.

41 (2) Where the juvenile's return home is unlikely, the efforts which  
42 have been made to evaluate or plan for other methods of care.

43 (3) Goals of the foster care placement and the appropriateness of the  
44 foster care plan.

(4) A new foster care plan, if continuation of care is sought, that addresses the role the current foster parent will play in the planning for the juvenile.

(5) Reports on the placements the juvenile has had and any services offered to the juvenile and the parent.

(6) When and if termination of parental rights should be considered.

(7) Any other criteria the court deems necessary.

(d) The court, after making findings of fact, may appoint a guardian of the person for the juvenile pursuant to G.S. 7B-600 or may make any disposition authorized by G.S. 7B-903, including the authority to place the juvenile in the custody of either parent or any relative found by the court to be suitable and found by the court to be in the best interests of the juvenile. If the juvenile is placed in or remains in the custody of the department of social services, the court may authorize the department to arrange and supervise a visitation plan. Except for such visitation, the juvenile shall not be returned to the parent or person standing in loco parentis without a hearing at which the court finds sufficient facts to show that the juvenile will receive proper care and supervision. The court may enter an order continuing the placement under review or providing for a different placement as is deemed to be in the best interests of the juvenile. If at any time custody is restored to a parent, the court shall be relieved of the duty to conduct periodic judicial reviews of the placement.

(e) At a hearing designated by the court, but at least within 12 months after the juvenile's placement, a review hearing shall be held under this section and designated as a permanency-planning hearing. The purpose of the hearing shall be to develop a plan to achieve a safe, permanent home for the juvenile within a reasonable period of time. Notice of the hearing shall inform the parties of the purpose of the hearing. At the conclusion of the hearing, if the juvenile is not returned home, the court shall make specific findings as to the best plan of care to achieve a safe, permanent home for the juvenile within a reasonable period of time and shall enter an order consistent with those findings.

(f) The provisions of subsections (b), (c), and (d) of G.S. 7B-905 shall apply to any order entered under this section which continues the foster care placement of a juvenile.

**"§ 7B-907. Posttermination of parental rights' placement court review.**

(a) The purpose of each placement review is to ensure that every reasonable effort is being made to provide for a permanent placement plan for the juvenile who has been placed in the custody of a county director or licensed child-placing agency, which is consistent with the juvenile's best interests. At each review hearing the court may consider information from the department of social services, the licensed child-placing agency, the guardian ad litem, the juvenile, the foster parent, and any other person or agency the court determines is likely to aid in the review.

(b) The court shall conduct a placement review not later than six months from the date of the termination hearing when parental rights have been terminated by a petition brought by any person or agency designated in G.S. 7B-1102(2) through (5) and a county director or licensed child-placing agency has custody of the juvenile.

1 The court shall conduct reviews every six months until the juvenile is placed for  
2 adoption and the adoption petition is filed by the adoptive parents:

3 (1) No more than 30 days and no less than 15 days prior to each  
4 review, the clerk shall give notice of the review to the juvenile if  
5 the juvenile is at least 12 years of age, the legal custodian of the  
6 juvenile, the foster parent, the guardian ad litem, if any, and any  
7 other person the court may specify. Only the juvenile, if the  
8 juvenile is at least 12 years of age, the legal custodian of the  
9 juvenile, the foster parent, and the guardian ad litem shall attend  
10 the review hearings, except as otherwise directed by the court.

11 (2) If a guardian ad litem for the juvenile has not been appointed  
12 previously by the court in the termination proceeding, the court, at  
13 the initial six-month review hearing, may appoint a guardian ad  
14 litem to represent the juvenile. The court may continue the case  
15 for such time as is necessary for the guardian ad litem to become  
16 familiar with the facts of the case.

17 (c) The court shall consider at least the following in its review:

18 (1) The adequacy of the plan developed by the county department of  
19 social services or a licensed child-placing agency for a permanent  
20 placement relative to the juvenile's best interests and the efforts of  
21 the department or agency to implement such plan;

22 (2) Whether the juvenile has been listed for adoptive placement with  
23 the North Carolina Adoption Resource Exchange, the North  
24 Carolina Photo Adoption Listing Service (PALS), or any other  
25 specialized adoption agency; and

26 (3) The efforts previously made by the department or agency to find a  
27 permanent home for the juvenile.

28 (d) The court, after making findings of fact, shall affirm the county department's  
29 or child-placing agency's plans or require specific additional steps which are  
30 necessary to accomplish a permanent placement which is in the best interests of the  
31 juvenile.

32 (e) If the juvenile has been placed for adoption prior to the date scheduled for  
33 the review, written notice of said placement shall be given to the clerk to be placed  
34 in the court file, and the review hearing shall be cancelled with notice of said  
35 cancellation given by the clerk to all persons previously notified.

36 (f) The process of selection of specific adoptive parents shall be the responsibility  
37 of and within the discretion of the county department of social services or licensed  
38 child-placing agency. The guardian ad litem may request information from and  
39 consult with the county department or child-placing agency concerning the selection  
40 process. If the guardian ad litem requests information about the selection process, the  
41 county shall provide the information within five days. Any issue of abuse of  
42 discretion by the county department or child-placing agency in the selection process  
43 must be raised by the guardian ad litem within 10 days following the date the agency

1 notifies the court and the guardian ad litem in writing of the filing of the adoption  
2 petition.

3 **"§ 7B-908. Review of agency's plan for placement.**

4 (a) The director of social services or the director of the licensed private child-  
5 placing agency shall promptly notify the clerk to calendar the case for review of the  
6 department's or agency's plan for the juvenile at a session of court scheduled for the  
7 hearing of juvenile matters in any case where:

8 (1) One parent has surrendered a juvenile for adoption under the  
9 provisions of Part 7 of Article 3 of Chapter 48 of the General  
10 Statutes and the termination of parental rights proceedings have  
11 not been instituted against the nonsurrendering parent within six  
12 months of the surrender by the other parent, or

13 (2) Both parents have surrendered a juvenile for adoption under the  
14 provisions of Part 7 of Article 3 of Chapter 48 of the General  
15 Statutes and that juvenile has not been placed for adoption within  
16 six months from the date of the more recent parental surrender.

17 (b) In any case where an adoption is dismissed or withdrawn and the juvenile  
18 returns to foster care with a department of social services or a licensed private child-  
19 placing agency, then the department of social services or licensed child-placing  
20 agency shall notify the clerk, within 30 days from the date the juvenile returns to  
21 care, to calendar the case for review of the agency's plan for the child at a session of  
22 court scheduled for the hearing of juvenile matters.

23 (c) Notification of the court required under subsection (a) or (b) of this section  
24 shall be by a petition for review. The petition shall set forth the circumstances  
25 necessitating the review under subsection (a) or (b) of this section. The review shall  
26 be conducted within 30 days following the filing of the petition for review unless the  
27 court shall otherwise direct. The court shall conduct reviews every six months until  
28 the juvenile is placed for adoption and the adoption petition is filed by the adoptive  
29 parents. The initial review and all subsequent reviews shall be conducted pursuant to  
30 G.S. 7B-907.

31 **"§ 7B-909. Review of voluntary foster care placements.**

32 (a) The court shall review the placement of any juvenile in foster care made  
33 pursuant to a voluntary agreement between the juvenile's parents or guardian and a  
34 county department of social services and shall make findings from evidence presented  
35 at a review hearing with regard to:

36 (1) The voluntariness of the placement;  
37 (2) The appropriateness of the placement;  
38 (3) Whether the placement is in the best interests of the juvenile; and  
39 (4) The services that have been or should be provided to the parents,  
40 guardian, foster parents, and juvenile, as the case may be, either (i)  
41 to improve the placement or (ii) to eliminate the need for the  
42 placement.

43 (b) The court may approve the continued placement of the juvenile in foster care  
44 on a voluntary agreement basis, disapprove the continuation of the voluntary

1 placement, or direct the department of social services to petition the court for legal  
2 custody if the placement is to continue.

3 (c) An initial review hearing shall be held not more than 180 days after the  
4 juvenile's placement and shall be calendared by the clerk for hearing within such  
5 period upon timely request by the director of social services. Additional review  
6 hearings shall be held at such times as the court shall deem appropriate and shall  
7 direct, either upon its own motion or upon written request of the parents, guardian,  
8 foster parents, or director of social services. A juvenile placed under a voluntary  
9 agreement between the juvenile's parent or guardian and the county department of  
10 social services shall not remain in placement more than 12 months without the filing  
11 of a petition alleging abuse, neglect, or dependency.

12 (d) The clerk shall give at least 15 days' advance written notice of the initial and  
13 subsequent review hearings to the parents or guardian of the juvenile, to the juvenile  
14 if 12 or more years of age, to the director of social services, and to any other persons  
15 whom the court may specify.

#### 16 "ARTICLE 10.

#### 17 "Modification and Enforcement of Dispositional Orders; Appeals.

#### 18 "§ 7B-1000. Authority to modify or vacate.

19 (a) Upon motion in the cause or petition, and after notice, the court may conduct  
20 a review hearing to determine whether the order of the court is in the best interests  
21 of the juvenile, and the court may modify or vacate the order in light of changes in  
22 circumstances or the needs of the juvenile.

23 (b) In any case where the court finds the juvenile to be abused, neglected, or  
24 dependent, the jurisdiction of the court to modify any order or disposition made in  
25 the case shall continue during the minority of the juvenile, until terminated by order  
26 of the court, or until the juvenile is otherwise emancipated.

#### 27 "§ 7B-1001. Right to appeal.

28 Upon motion of a proper party as defined in G.S. 7B-1002, review of any final  
29 order of the court in a juvenile matter under this Article shall be before the Court of  
30 Appeals. Notice of appeal shall be given in open court at the time of the hearing or  
31 in writing within 10 days after entry of the order. However, if no disposition is made  
32 within 60 days after entry of the order, written notice of appeal may be given within  
33 70 days after such entry. A final order shall include:

34 (1) Any order finding absence of jurisdiction;

35 (2) Any order which in effect determines the action and prevents a  
36 judgment from which appeal might be taken;

37 (3) Any order of disposition after an adjudication that a juvenile is  
38 abused, neglected, or dependent; or

39 (4) Any order modifying custodial rights.

#### 40 "§ 7B-1002. Proper parties for appeal.

41 An appeal may be taken by the guardian ad litem, or juvenile, the juvenile's  
42 parent, guardian, custodian, or caretaker, or the petitioner. The State's appeal is  
43 limited to any final order.

#### 44 "§ 7B-1003. Disposition pending appeal.

Pending disposition of an appeal, the return of the juvenile to the custody of the parent, guardian, custodian, or caretaker of the juvenile, with or without conditions, should issue in every case unless the court orders otherwise. For compelling reasons which must be stated in writing, the court may enter a temporary order affecting the custody or placement of the juvenile as the court finds to be in the best interests of the juvenile or the State. The provisions of subsections (b), (c), and (d) of G.S. 7B-905 shall apply to any order entered under this section which provides for the placement or continued placement of a juvenile in foster care.

**"§ 7B-1004. Disposition after appeal.**

Upon the affirmation of the order of adjudication or disposition of the court by the Court of Appeals or by the Supreme Court in the event of an appeal, the court shall have authority to modify or alter the original order of adjudication or disposition as the court finds to be in the best interests of the juvenile to reflect any adjustment made by the juvenile or change in circumstances during the period of time the appeal was pending. If the modifying order is entered ex parte, the court shall give notice to interested parties to show cause within 10 days thereafter as to why the modifying order should be vacated or altered.

**"ARTICLE 11.**

**"Termination of Parental Rights.**

**"§ 7B-1100. Legislative intent; construction of Article.**

The General Assembly hereby declares as a matter of legislative policy with respect to termination of parental rights:

(1) The general purpose of this Article is to provide judicial procedures for terminating the legal relationship between a juvenile and the juvenile's biological or legal parents when the parents have demonstrated that they will not provide the degree of care which promotes the healthy and orderly physical and emotional well-being of the juvenile.

(2) It is the further purpose of this Article to recognize the necessity for any juvenile to have a permanent plan of care at the earliest possible age, while at the same time recognizing the need to protect all juveniles from the unnecessary severance of a relationship with biological or legal parents.

(3) Action which is in the best interests of the juvenile should be taken in all cases where the interests of the juvenile and those of the juvenile's parents or other persons are in conflict.

(4) This Article shall not be used to circumvent the provisions of Chapter 50A of the General Statutes, the Uniform Child Custody Jurisdiction Act.

**"§ 7B-1101. Jurisdiction.**

The court shall have exclusive original jurisdiction to hear and determine any petition relating to termination of parental rights to any juvenile who resides in, is found in, or is in the legal or actual custody of a county department of social services or licensed child-placing agency in the district at the time of filing of the petition.

1 The court shall have jurisdiction to terminate the parental rights of any parent  
2 irrespective of the age of the parent. The parent has the right to counsel and to  
3 appointed counsel in cases of indigency unless the parent waives the right. The fees  
4 of appointed counsel shall be borne by the Administrative Office of the Courts. In  
5 addition to the right to appointed counsel set forth above, a guardian ad litem shall  
6 be appointed in accordance with the provisions of G.S. 1A-1, Rule 17, to represent a  
7 parent in the following cases:

8 (1) Where it is alleged that a parent's rights should be terminated  
9 pursuant to G.S. 7B-1110(7); or

10 (2) Where the parent is under the age of 18 years.

11 The fees of the guardian ad litem shall be borne by the Administrative Office of the  
12 Courts when the court finds that the respondent is indigent. In other cases the fees of  
13 the court-appointed guardian ad litem shall be a proper charge against the  
14 respondent if the respondent does not secure private legal counsel. Provided, that  
15 before exercising jurisdiction under this Article, the court shall find that it would  
16 have jurisdiction to make a child-custody determination under the provisions of G.S.  
17 50A-3. Provided, further, that the clerk of superior court shall have jurisdiction for  
18 adoptions under the provisions of G.S. 48-2-100 and Chapter 48 of the General  
19 Statutes generally.

20 "§ 7B-1102. Who may petition.

21 A petition to terminate the parental rights of either or both parents to his, her, or  
22 their minor juvenile may only be filed by:

23 (1) Either parent seeking termination of the right of the other parent;  
24 or

25 (2) Any person who has been judicially appointed as the guardian of  
26 the person of the juvenile; or

27 (3) Any county department of social services, consolidated county  
28 human services agency, or licensed child-placing agency to whom  
29 custody of the juvenile has been given by a court of competent  
30 jurisdiction; or

31 (4) Any county department of social services, consolidated county  
32 human services agency, or licensed child-placing agency to which  
33 the juvenile has been surrendered for adoption by one of the  
34 parents or by the guardian of the person of the juvenile, pursuant  
35 to G.S. 48-9(a)(1); or

36 (5) Any person with whom the juvenile has resided for a continuous  
37 period of two years or more next preceding the filing of the  
38 petition; or

39 (6) Any guardian ad litem appointed to represent the minor juvenile  
40 pursuant to G.S. 7B-601 who has not been relieved of this  
41 responsibility and who has served in this capacity for at least one  
42 continuous year; or

43 (7) Any person who has filed a petition for adoption pursuant to  
44 Chapter 48 of the General Statutes.

1 "§ 7B-1103. Petition.

2 The petition shall be verified by the petitioner and shall be entitled 'In Re (last  
3 name of juvenile)', a minor juvenile; and shall set forth such of the following facts as  
4 are known; and with respect to the facts which are unknown the petitioner shall so  
5 state:

- 6 (1) The name of the juvenile as it appears on the juvenile's birth  
7 certificate, the date and place of birth, and the county where the  
8 juvenile is presently residing.
- 9 (2) The name and address of the petitioner and facts sufficient to  
10 identify the petitioner as one entitled to petition under G.S. 7B-  
11 1102.
- 12 (3) The name and address of the parents of the juvenile. If the name  
13 or address of one or both parents is unknown to the petitioner, the  
14 petitioner shall set forth with particularity the petitioner's efforts to  
15 ascertain the identity or whereabouts of the parent or parents. The  
16 information may be contained in an affidavit attached to the  
17 petition and incorporated therein by reference.
- 18 (4) The name and address of any person appointed as guardian of the  
19 person of the juvenile pursuant to the provisions of Chapter 35A of  
20 the General Statutes, or of G.S. 7B-600.
- 21 (5) The name and address of any person or agency to whom custody  
22 of the juvenile has been given by a court of this or any other state;  
23 and a copy of the custody order shall be attached to the petition.
- 24 (6) Facts that are sufficient to warrant a determination that one or  
25 more of the grounds for terminating parental rights exist.
- 26 (7) That the petition has not been filed to circumvent the provisions of  
27 Chapter 50A of the General Statutes, the Uniform Child Custody  
28 Jurisdiction Act.

29 "§ 7B-1104. Preliminary hearing; unknown parent.

30 (a) If either the name or identity of any parent whose parental rights the petitioner  
31 seeks to terminate is not known to the petitioner, the court shall, within 10 days from  
32 the date of filing of the petition, or during the next term of court in the county where  
33 the petition is filed if there is no court in the county in that 10-day period, conduct a  
34 preliminary hearing to ascertain the name or identity of such parent.

35 (b) The court may, in its discretion, inquire of any known parent of the juvenile  
36 concerning the identity of the unknown parent and may appoint a guardian ad litem  
37 for the unknown parent to conduct a diligent search for the parent. Should the court  
38 ascertain the name or identity of the parent, it shall enter a finding to that effect; and  
39 the parent shall be summoned to appear in accordance with G.S. 7B-1105.

40 (c) Notice of the preliminary hearing need be given only to the petitioner who  
41 shall appear at the hearing; but the court may cause summons to be issued to any  
42 person directing the person to appear and testify.

43 (d) If the court is unable to ascertain the name or identity of the unknown parent,  
44 the court shall order publication of notice of the termination proceeding and shall

1 specifically order the place or places of publication and the contents of the notice  
2 which the court concludes is most likely to identify the juvenile to such unknown  
3 parent. The notice shall be published in a newspaper qualified for legal advertising in  
4 accordance with G.S. 1-597 and G.S. 1-598 and published in the counties directed by  
5 the court, once a week for three successive weeks. Provided, further, the notice shall:

6 (1) Designate the court in which the petition is pending;

7 (2) Be directed to 'the father (mother) (father and mother) of a male  
8 (female) juvenile born on or about .....in

9 (date)

10 .....County, .....

11 (city)

12 ..... respondent';

13 (State)

14 (3) Designate the docket number and title of the case (the court may  
15 direct the actual name of the title be eliminated and the words 'In  
16 Re Doe' substituted therefor);

17 (4) State that a petition seeking to terminate the parental rights of the  
18 respondent has been filed;

19 (5) Direct the respondent to answer the petition within 30 days after a  
20 date stated in the notice, exclusive of such date, which date so  
21 stated shall be the date of first publication of notice and be  
22 substantially in the form as set forth in G.S. 1A-1, Rule 4(j1); and

23 (6) State that the respondent's parental rights to the juvenile will be  
24 terminated upon failure to answer the petition within the time  
25 prescribed.

26 Upon completion of the service, an affidavit of the publisher shall be filed with the  
27 court.

28 (e) The court shall issue the order required by subsections (b) and (d) of this  
29 section within 30 days from the date of the preliminary hearing unless the court shall  
30 determine that additional time for investigation is required.

31 (f) Upon the failure of the parent served by publication pursuant to subsection (d)  
32 of this section to answer the petition within the time prescribed, the court shall issue  
33 an order terminating all parental rights of the unknown parent.

34 **"§ 7B-1105. Issuance of summons.**

35 (a) Except as provided in G.S. 7B-1104, upon the filing of the petition, the court  
36 shall cause a summons to be issued. The summons shall be directed to the following  
37 persons or agency, not otherwise a party petitioner, who shall be named as  
38 respondents:

39 (1) The parents of the juvenile;

40 (2) Any person who has been judicially appointed as guardian of the  
41 person of the juvenile;

42 (3) The custodian of the juvenile appointed by a court of competent  
43 jurisdiction;

(4) Any county department of social services or licensed child-placing agency to whom a juvenile has been released by one parent pursuant to Part 7 of Article 3 of Chapter 48 of the General Statutes; and

(5) The juvenile, if the juvenile is 12 years of age or older at the time the petition is filed.

Provided, no summons need be directed to or served upon any parent who has previously surrendered the juvenile to a county department of social services or licensed child-placing agency nor to any parent who has consented to the adoption of the juvenile by the petitioner. The summons shall notify the respondents to file a written answer within 30 days after service of the summons and petition. Service of the summons shall be completed as provided under the procedures established by G.S. 1A-1, Rule 4(j); but the parent of the juvenile shall not be deemed to be under disability even though the parent is a minor.

(b) The summons shall be issued for the purpose of terminating parental rights pursuant to the provisions of subsection (a) of this section and shall include:

(1) The name of the minor juvenile;

(2) Notice that a written answer to the petition must be filed with the clerk who signed the petition within 30 days after service of the summons and a copy of the petition, or the parent's rights may be terminated;

(3) Notice that if they are indigent, the parents are entitled to appointed counsel. The parents may contact the clerk immediately to request counsel;

(4) Notice that this is a new case. Any attorney appointed previously will not represent the parents in this proceeding unless ordered by the court;

(5) Notice that the date, time, and place of the hearing will be mailed by the clerk upon filing of the answer or 30 days from the date of service if no answer is filed; and

(6) Notice of the purpose of the hearing and notice that the parents may attend the termination hearing.

**"§ 7B-1106. Failure of respondents to answer.**

Upon the failure of the respondents to file written answer to the petition with the court within 30 days after service of the summons and petition, or within the time period established for a defendant's reply by G.S. 1A-1, Rule 4(j1) if service is by publication, the court shall issue an order terminating all parental and custodial rights of the respondent or respondents with respect to the juvenile; provided the court shall order a hearing on the petition and may examine the petitioner or others on the facts alleged in the petition.

**"§ 7B-1107. Answer of respondents.**

(a) Any respondent may file a written answer to the petition. The answer shall admit or deny the allegations of the petition and shall set forth the name and address of the answering respondent or the respondent's attorney.

1 (b) If an answer denies any material allegation of the petition, the court shall  
2 appoint a guardian ad litem for the juvenile to represent the best interests of the  
3 juvenile, unless the petition was filed by the guardian ad litem pursuant to G.S. 7B-  
4 1102. A licensed attorney shall be appointed to assist those guardians ad litem who  
5 are not attorneys licensed to practice in North Carolina. The appointment, duties,  
6 and payment of the guardian ad litem shall be the same as in G.S. 7B-601 and G.S.  
7 7B-603. The court shall conduct a special hearing after notice of not less than 10 days  
8 nor more than 30 days to the petitioner, the answering respondent, and the guardian  
9 ad litem for the juvenile to determine the issues raised by the petition and answer.  
10 Notice of the hearing shall be deemed to have been given upon the depositing thereof  
11 in the United States mail, first-class postage prepaid, and addressed to the petitioner,  
12 respondent, and guardian ad litem or their counsel of record, at the addresses  
13 appearing in the petition and responsive pleading.

14 (c) In proceedings under this Article, the appointment of a guardian ad litem shall  
15 not be required except, as provided above, in cases in which an answer is filed  
16 denying material allegations, or as required under G.S. 7B-1101; but the court may, in  
17 its discretion, appoint a guardian ad litem for a juvenile, either before or after  
18 determining the existence of grounds for termination of parental rights, in order to  
19 assist the court in determining the best interests of the juvenile.

20 (d) If a guardian ad litem has previously been appointed for the juvenile under  
21 G.S. 7B-601, and the appointment of a guardian ad litem could also be made under  
22 this section, the guardian ad litem appointed under G.S. 7B-601, and any attorney  
23 appointed to assist that guardian, shall also represent the juvenile in all proceedings  
24 under this Article and shall have the duties and payment of a guardian ad litem  
25 appointed under this section, unless the court determines that the best interests of the  
26 juvenile require otherwise.

27 **"§ 7B-1108. Adjudicatory hearing on termination.**

28 (a) The hearing on the termination of parental rights shall be conducted by the  
29 court sitting without a jury. Reporting of the hearing shall be as provided by G.S.  
30 7A-198 for reporting civil trials.

31 (b) The court shall inquire whether the juvenile's parents are present at the  
32 hearing and, if so, whether they are represented by counsel. If the parents are not  
33 represented by counsel, the court shall inquire whether the parents desire counsel but  
34 are indigent. In the event that the parents desire counsel but are indigent as defined  
35 in G.S. 7A-450(a) and are unable to obtain counsel to represent them, the court shall  
36 appoint counsel to represent them. The court shall grant the parents such an  
37 extension of time as is reasonable to permit their appointed counsel to prepare their  
38 defense to the termination petition. In the event that the parents do not desire  
39 counsel and are present at the hearing, the court shall examine each parent and make  
40 findings of fact sufficient to show that the waivers were knowing and voluntary. This  
41 examination shall be reported as provided in G.S. 7A-198.

42 (c) The court may, upon finding that reasonable cause exists, order the juvenile to  
43 be examined by a psychiatrist, a licensed clinical psychologist, a physician, a public or  
44 private agency, or any other expert in order that the juvenile's psychological or

1 physical condition or needs may be ascertained or, in the case of a parent whose  
2 ability to care for the juvenile is at issue, the court may order a similar examination  
3 of any parent of the juvenile.

4 (d) The court may for good cause shown continue the hearing for such time as is  
5 required for receiving additional evidence, any reports or assessments which the court  
6 has requested, or any other information needed in the best interests of the juvenile.

7 (e) The court shall take evidence, find the facts, and shall adjudicate the existence  
8 or nonexistence of any of the circumstances set forth in G.S. 7B-1110 which authorize  
9 the termination of parental rights of the respondent.

10 (f) All findings of fact shall be based on clear, cogent, and convincing evidence.  
11 No husband-wife or physician-patient privilege shall be grounds for excluding any  
12 evidence regarding the existence or nonexistence of any circumstance authorizing the  
13 termination of parental rights.

14 **"§ 7B-1109. Disposition.**

15 (a) Should the court determine that any one or more of the conditions authorizing  
16 a termination of the parental rights of a parent exist, the court shall issue an order  
17 terminating the parental rights of such parent with respect to the juvenile unless the  
18 court shall further determine that the best interests of the juvenile require that the  
19 parental rights of the parent not be terminated.

20 (b) Should the court conclude that, irrespective of the existence of one or more  
21 circumstances authorizing termination of parental rights, the best interests of the  
22 juvenile require that rights should not be terminated, the court shall dismiss the  
23 petition, but only after setting forth the facts and conclusions upon which the  
24 dismissal is based.

25 (c) Should the court determine that circumstances authorizing termination of  
26 parental rights do not exist, the court shall dismiss the petition, making appropriate  
27 findings of fact and conclusions.

28 (d) Counsel for the petitioner shall serve a copy of the termination of parental  
29 rights order upon the guardian ad litem for the juvenile, if any, and upon the  
30 juvenile if the juvenile is 12 years of age or older.

31 (e) The court may tax the cost of the proceeding to any party.

32 **"§ 7B-1110. Grounds for terminating parental rights.**

33 The court may terminate the parental rights upon a finding of one or more of the  
34 following:

35 (1) The parent has abused or neglected the juvenile. The juvenile  
36 shall be deemed to be abused or neglected if the court finds the  
37 juvenile to be an abused juvenile within the meaning of G.S. 7B-  
38 101 or a neglected juvenile within the meaning of G.S. 7B-101.

39 (2) The parent has willfully left the juvenile in foster care for more  
40 than 12 months without showing to the satisfaction of the court  
41 that reasonable progress under the circumstances has been made  
42 within 12 months in correcting those conditions which led to the  
43 removal of the juvenile. Provided, however, that no parental rights

- 1 shall be terminated for the sole reason that the parents are unable  
2 to care for the juvenile on account of their poverty.
- 3 (3) The burden in such proceedings shall be upon the petitioner to  
4 prove the facts justifying such termination by clear and convincing  
5 evidence.
- 6 (4) The juvenile has been placed in the custody of a county  
7 department of social services, a licensed child-placing agency, a  
8 child-caring institution, or a foster home, and the parent, for a  
9 continuous period of six months next preceding the filing of the  
10 petition, has willfully failed for such period to pay a reasonable  
11 portion of the cost of care for the juvenile although physically and  
12 financially able to do so.
- 13 (5) One parent has been awarded custody of the juvenile by judicial  
14 decree or has custody by agreement of the parents, and the other  
15 parent whose parental rights are sought to be terminated has for a  
16 period of one year or more next preceding the filing of the petition  
17 willfully failed without justification to pay for the care, support,  
18 and education of the juvenile, as required by said decree or  
19 custody agreement.
- 20 (6) The father of a juvenile born out of wedlock has not, prior to the  
21 filing of a petition to terminate parental rights:
- 22 a. Established paternity judicially or by affidavit which has  
23 been filed in a central registry maintained by the  
24 Department of Health and Human Services; provided, the  
25 court shall inquire of the Department of Health and Human  
26 Services as to whether such an affidavit has been so filed  
27 and shall incorporate into the case record the Department's  
28 certified reply; or
- 29 b. Legitimated the juvenile pursuant to provisions of G.S. 49-  
30 10 or filed a petition for this specific purpose; or
- 31 c. Legitimated the juvenile by marriage to the mother of the  
32 juvenile; or
- 33 d. Provided substantial financial support or consistent care with  
34 respect to the juvenile and mother.
- 35 (7) That the parent is incapable of providing for the proper care and  
36 supervision of the juvenile, such that the juvenile is a dependent  
37 juvenile within the meaning of G.S. 7B-101, and that there is a  
38 reasonable probability that such incapability will continue for the  
39 foreseeable future. Incapability under this subdivision may be the  
40 result of substance abuse, mental retardation, mental illness,  
41 organic brain syndrome, or any other similar cause or condition.
- 42 (8) The parent has willfully abandoned the juvenile for at least six  
43 consecutive months immediately preceding the filing of the  
44 petition. For the purpose of this subdivision, a juvenile may be

1 willfully abandoned by the juvenile's natural father if the mother  
2 of the juvenile had been willfully abandoned by and was living  
3 separate and apart from the father at the time of the juvenile's  
4 birth, although the father may not have known of such birth; but in  
5 any event the juvenile must be over the age of three months at the  
6 time of the filing of the petition.

7 **"§ 7B-1111. Effects of termination order.**

8 An order terminating the parental rights completely and permanently terminates  
9 all rights and obligations of the parent to the juvenile and of the juvenile to the  
10 parent arising from the parental relationship, except that the juvenile's right of  
11 inheritance from the juvenile's parent shall not terminate until a final order of  
12 adoption is issued. The parent is not thereafter entitled to notice of proceedings to  
13 adopt the juvenile and may not object thereto or otherwise participate therein:

14 (1) If the juvenile had been placed in the custody of or released for  
15 adoption by one parent to a county department of social services  
16 or licensed child-placing agency and is in the custody of the agency  
17 at the time of the filing of the petition, including a petition filed  
18 pursuant to G.S. 7B-1102(6), that agency shall, upon entry of the  
19 order terminating parental rights, acquire all of the rights for  
20 placement of the juvenile as the agency would have acquired had  
21 the parent whose rights are terminated released the juvenile to  
22 that agency pursuant to the provisions of Part 7 of Article 3 of  
23 Chapter 48 of the General Statutes, including the right to consent  
24 to the adoption of the juvenile.

25 (2) Except as provided in subdivision (1) above, upon entering an  
26 order terminating the parental rights of one or both parents, the  
27 court may place the juvenile in the custody of the petitioner, or  
28 some other suitable person, or in the custody of the department of  
29 social services or licensed child-placing agency, as may appear to  
30 be in the best interests of the juvenile.

31 **"§ 7B-1112. Appeals; modification of order after affirmation.**

32 Any juvenile, parent, guardian, custodian, caretaker, or agency who is a party to a  
33 proceeding under this Article may appeal from an adjudication or any order of  
34 disposition to the Court of Appeals, provided that notice of appeal is given in open  
35 court at the time of the hearing or in writing within 10 days after the hearing.  
36 Pending disposition of an appeal, the court may enter a temporary order affecting the  
37 custody or placement of the juvenile as the court finds to be in the best interests of  
38 the juvenile or the best interests of the State. Upon the affirmation of the order of  
39 adjudication or disposition of the court in a juvenile case by the Court of Appeals, or  
40 by the Supreme Court in the event of an appeal, the court shall have authority to  
41 modify or alter its original order of adjudication or disposition as the court finds to  
42 be in the best interests of the juvenile to reflect any adjustment made by the  
43 juvenile or change in circumstances during the period of time the case on appeal was  
44 pending, provided that if the modifying order be entered ex parte, the court shall give

1 notice to interested parties to show cause, if any there be, within 10 days thereafter,  
2 as to why the modifying order should be vacated or altered.

3 "ARTICLE 12.

4 "Guardian ad Litem Program.

5 "§ 7B-1200. Office of Guardian ad Litem Services established.

6 There is established within the Administrative Office of the Courts an Office of  
7 Guardian ad Litem Services to provide services in accordance with G.S. 7B-601 to  
8 abused, neglected, or dependent juveniles involved in judicial proceedings and to  
9 assure that all participants in these proceedings are adequately trained to carry out  
10 their responsibilities. Each local program shall consist of volunteer guardians ad  
11 litem, at least one program attorney, a program coordinator who is a paid State  
12 employee, and any clerical staff as the Administrative Office of the Courts in  
13 consultation with the local program deems necessary. The Administrative Office of  
14 the Courts shall adopt rules and regulations necessary and appropriate for the  
15 administration of the program.

16 "§ 7B-1201. Implementation and administration.

17 (a) Local Programs. -- The Administrative Office of the Courts shall, in  
18 cooperation with each chief district court judge and other personnel in the district,  
19 implement and administer the program mandated by this Article. Where a local  
20 program has not yet been established in accordance with this Article, the district  
21 court district shall operate a guardian ad litem program approved by the  
22 Administrative Office of the Courts.

23 (b) Advisory Committee Established. -- The Director of the Administrative Office  
24 of the Courts shall appoint a Guardian ad Litem Advisory Committee consisting of at  
25 least five members to advise the Office of Guardian ad Litem Services in matters  
26 related to this program. The members of the Advisory Committee shall receive the  
27 same per diem and reimbursement for travel expenses as members of State boards  
28 and commissions generally.

29 "§ 7B-1202. Conflict of interest or impracticality of implementation.

30 If a conflict of interest prohibits a local program from providing representation to  
31 an abused, neglected, or dependent juvenile, the court may appoint any member of  
32 the district bar to represent the juvenile. If the Administrative Office of the Courts  
33 determines that within a particular district court district the implementation of a local  
34 program is impractical, or that an alternative plan meets the conditions of G.S. 7B-  
35 1203, the Administrative Office of the Courts shall waive the establishment of the  
36 program within the district.

37 "§ 7B-1203. Alternative plans.

38 A district court district shall be granted a waiver from the implementation of a  
39 local program if the Administrative Office of the Courts determines that the following  
40 conditions are met:

- 41 (1) An alternative plan has been developed to provide adequate  
42 guardian ad litem services for every juvenile consistent with the  
43 duties stated in G.S. 7B-601; and

(2) The proposed alternative plan will require no greater proportion of State funds than the district court district's abuse and neglect caseload represents to the State's abuse and neglect caseload. Computation of abuse and neglect caseloads shall include such factors as the juvenile population, number of substantiated abuse and neglect reports, number of abuse and neglect petitions, number of abused and neglected juveniles in care to be reviewed pursuant to G.S. 7B-906, nature of the district's district court caseload, and number of petitions to terminate parental rights.

When an alternative plan is approved pursuant to this section, the Administrative Office of the Courts shall retain authority to monitor implementation of the said plan in order to assure compliance with the requirements of this Article and G.S. 7B-601. In any district court district where the Administrative Office of the Courts determines that implementation of an alternative plan is not in compliance with the requirements of this section, the Administrative Office of the Courts may implement and administer a program authorized by this Article.

"§ 7B-1204. Civil liability of volunteers.

Any volunteer participating in a judicial proceeding pursuant to the program authorized by this Article shall not be civilly liable for acts or omissions committed in connection with the proceeding if the volunteer acted in good faith and was not guilty of gross negligence.

"ARTICLE 13.

"Prevention of Abuse and Neglect.

"§ 7B-1300. Purpose.

It is the expressed intent of this Article to make the prevention of abuse and neglect, as defined in G.S. 7B-101, a priority of this State and to establish the Children's Trust Fund as a means to that end.

"§ 7B-1301. Council on Prevention of Abuse and Neglect.

(a) For purposes of implementing this program, the State Board of Education shall designate the Interagency Advisory Council on Community Schools in the Department of Public Instruction as the Advisory Council on Prevention of Child Abuse and Neglect, hereinafter called the Council.

(b) Staff and support services for implementing this program shall be provided by the Division of Community Schools in the Department of Public Instruction.

(c) In order to carry out the purposes of this Article:

(1) The Council shall, with the assistance of the Division of Community Schools, review applications and make recommendations to the State Board of Education concerning the awarding of contracts pursuant to this Article.

(2) The State Board of Education shall contract with public or private nonprofit organizations, agencies, schools, or with qualified individuals to operate community-based educational and service programs designed to prevent the occurrence of abuse and neglect. Every contract entered into by the State Board of Education shall

1 contain provisions that at least twenty-five percent (25%) of the  
2 total funding required for a program be provided by the  
3 administering organization in the form of in-kind or other services  
4 and that a mechanism for evaluation of services provided under  
5 the contract be included in the services to be performed. In  
6 addition, every proposal to the Council for funding pursuant to this  
7 Article shall include assurances that the proposal has been  
8 forwarded to the local department of social services for comment  
9 so that the Council may consider coordination and duplication of  
10 effort on the local level as criteria in making recommendations to  
11 the State Board of Education.

12 (3) The State Board of Education shall, with the assistance of the  
13 Division of Community Schools, develop appropriate guidelines  
14 and criteria for awarding contracts pursuant to this Article. These  
15 criteria shall include, but not be limited to: documentation of need  
16 within the proposed geographical impact area; diversity of  
17 geographical areas of programs funded pursuant to this Article;  
18 demonstrated effectiveness of the proposed strategy or program for  
19 preventing abuse and neglect; reasonableness of implementation  
20 plan for achieving stated objectives; utilization of community  
21 resources including volunteers; provision for an evaluation  
22 component that will provide outcome data; plan for dissemination  
23 of the program for implementation in other communities; and  
24 potential for future funding from private sources.

25 (4) The State Board of Education shall, with the assistance of the  
26 Division of Community Schools, develop guidelines for regular  
27 monitoring of contracts awarded pursuant to this Article in order  
28 to maximize the investments in prevention programs by the  
29 Children's Trust Fund and to establish appropriate accountability  
30 measures for administration of contracts.

31 (5) The State Board of Education shall develop a State plan for the  
32 prevention of abuse and neglect for submission to the Governor,  
33 the President of the Senate, and the Speaker of the House of  
34 Representatives.

35 (d) To assist in implementing this Article, the State Board of Education may  
36 accept contributions, grants, or gifts in cash or otherwise from persons, associations,  
37 or corporations. All moneys received by the State Board of Education from  
38 contributions, grants, or gifts and not through appropriation by the legislature shall be  
39 deposited in the Children's Trust Fund. Disbursements of the funds shall be on the  
40 authorization of the State Board of Education or a duly authorized representative  
41 thereof. In order to maintain an effective expenditure and revenue control, such  
42 funds shall be subject in all respects to State law and regulations, but no  
43 appropriation shall be required to permit expenditure of the funds.

44 "§ 7B-1302. Programs.

(a) Programs contracted for under this Article are intended to prevent abuse and neglect of juveniles. Abuse and neglect prevention programs are defined to be those programs and services which impact on juveniles and families before any substantiated incident of abuse or neglect has occurred. These programs may include, but are not limited to:

(1) Community-based educational programs on prenatal care, perinatal bonding, child development, basic child care, care of children with special needs, and coping with family stress; and

(2) Community-based programs relating to crisis care, aid to parents, and support groups for parents and their children experiencing stress within the family unit.

(b) No more than twenty percent (20%) of each year's total awards may be utilized for funding State-level programs to coordinate community-based programs.

**"§ 7B-1303. Children's Trust Fund.**

There is established a fund to be known as the 'Children's Trust Fund,' in the Department of State Treasurer, which shall be funded pursuant to G.S. 161-11.1, and which shall be used by the State Board of Education to fund abuse and neglect prevention programs so authorized by this Article.

**"ARTICLE 14.**

**"North Carolina Child Fatality Prevention System.**

**"§ 7B-1400. Declaration of public policy.**

The General Assembly finds that it is the public policy of this State to prevent the abuse, neglect, and death of juveniles. The General Assembly further finds that the prevention of the abuse, neglect, and death of juveniles is a community responsibility; that professionals from disparate disciplines have responsibilities for children or juveniles and have expertise that can promote their safety and well-being; and that multidisciplinary reviews of the abuse, neglect, and death of juveniles can lead to a greater understanding of the causes and methods of preventing these deaths. It is, therefore, the intent of the General Assembly, through this Article, to establish a statewide multidisciplinary, multiagency child fatality prevention system consisting of the State Team established in G.S. 7B-1404 and the Local Teams established in G.S. 7B-1406. The purpose of the system is to assess the records of selected cases in which children are being served by child protective services and the records of all deaths of children in North Carolina from birth to age 18 in order to (i) develop a communitywide approach to the problem of child abuse and neglect, (ii) understand the causes of childhood deaths, (iii) identify any gaps or deficiencies that may exist in the delivery of services to children and their families by public agencies that are designed to prevent future child abuse, neglect, or death, and (iv) make and implement recommendations for changes to laws, rules, and policies that will support the safe and healthy development of our children and prevent future child abuse, neglect, and death.

**"§ 7B-1401. Definitions.**

The following definitions apply in this Article:

- (1) Additional Child Fatality. -- Any death of a child that did not result from suspected abuse or neglect and about which no report of abuse or neglect had been made to the county department of social services within the previous 12 months.

- (3) State Team. -- The North Carolina Child Fatality Prevention Team.
- (4) Task Force. -- The North Carolina Child Fatality Task Force.

38       "§ 7B-1403. Task Force -- duties.

39       The Task Force shall:

- 40           (1) Undertake a statistical study of the incidences and causes of child

10 confidentiality of and access to information that affect those  
11 agencies with responsibilities for children, including State and local  
12 health, mental health, social services, education, and law  
13 enforcement agencies, to determine whether those laws, rules, and

15 necessary to protect children from preventable deaths, and, if so,  
16 recommend changes to them;

17 (3) Receive and consider reports from the State Team; and

18 (4) Perform any other studies, evaluations, or determinations the Task

20 **"§ 7B-1404. State Team -- creation; membership; vacancies.**

44 file the complaint as a petition.

4 The intake counselor, without further inquiry, shall authorize the complaint to be  
5 filed as a petition if the intake counselor finds reasonable grounds to believe that the  
6 juvenile has committed one of the following nondivertible offenses:

7 (1) Murder;

8 (2) First-degree rape or second degree rape;

9 (3) First-degree sexual offense or second degree sexual offense;

10 (4) Arson;

11 (5) Any violation of Article 5, Chapter 90 of the General Statutes that  
12 would constitute a felony if committed by an adult;

13 (6) First degree burglary;

14 (7) Crime against nature; or

15 (8) Any felony which involves the willful infliction of serious bodily  
16 injury upon another or which was committed by use of a deadly  
17 weapon.

18 **"§ 7B-1702. Evaluation.**

19 Upon a finding of legal sufficiency, except in cases involving nondivertible offenses  
20 set out in G.S. 7B-1701, the intake counselor shall determine whether a complaint  
21 should be filed as a petition, the juvenile diverted pursuant to G.S. 7B-1706, or the  
22 case resolved without further action. In making the decision, the counselor shall  
23 consider criteria provided by the Secretary. The intake process shall include the  
24 following steps if practicable:

25 (1) Interviews with the complainant and the victim if someone other  
26 than the complainant;

27 (2) Interviews with the juvenile and the juvenile's parent, guardian, or  
28 custodian;

29 (3) Interviews with persons known to have relevant information about  
30 the juvenile or the juvenile's family.

31 Interviews required by this section shall be conducted in person unless it is necessary  
32 to conduct them by telephone.

33 **"§ 7B-1703. Evaluation decision.**

34 (a) The intake counselor shall complete evaluation of a complaint within 15 days  
35 of receipt of the complaint, with an extension for a maximum of 15 additional days at  
36 the discretion of the chief court counselor. The intake counselor shall decide within  
37 this time period whether a complaint shall be filed as a juvenile petition.

38 (b) If the intake counselor determines that a complaint should be filed as a  
39 petition, the counselor shall file the petition as soon as practicable, but in any event  
40 within 15 days after the complaint is received, with an extension for a maximum of  
41 15 additional days at the discretion of the chief court counselor. The intake  
42 counselor shall assist the complainant when necessary with the preparation and filing  
43 of the petition, shall include on it the date and the words 'Approved for Filing', shall  
44 sign it, and shall transmit it to the clerk of superior court.

(c) If the intake counselor determines that a petition should not be filed, the intake counselor shall notify the complainant immediately in writing with reasons for the decision and shall include notice of the complainant's right to have the decision reviewed by the prosecutor. The intake counselor shall sign the complaint after indicating on it:

- (1) The date of the determination;
- (2) The words 'Not Approved for Filing'; and
- (3) Whether the matter is 'Closed' or 'Diverted and Retained'.

Except as provided in G.S. 7B-1706, any complaint not approved for filing as a juvenile petition shall be destroyed by the intake counselor after holding the complaint for a temporary period to allow review as provided in G.S. 7B-1705.

**"§ 7B-1704. Request for review by prosecutor.**

The complainant has five calendar days, from receipt of the intake counselor's decision not to approve the filing of a petition, to request review by the prosecutor. The intake counselor shall notify the prosecutor immediately of such request and shall transmit to the prosecutor a copy of the complaint. The prosecutor shall notify the complainant and the intake counselor of the time and place for the review.

**"§ 7B-1705. Review of determination that petition should not be filed.**

No later than 20 days after the complainant is notified, the prosecutor shall review the intake counselor's determination that a juvenile petition should not be filed. Review shall include conferences with the complainant and the intake counselor. At the conclusion of the review, the prosecutor shall: (i) affirm the decision of the intake counselor or direct the filing of a petition and (ii) notify the complainant of the prosecutor's action.

**"§ 7B-1706. Diversion plans and referral.**

(a) Unless the offense is one in which a petition is required by G.S. 7B-1701, upon a finding of legal sufficiency the intake counselor may divert the juvenile pursuant to a diversion plan, which may include referring the juvenile to any of the following resources:

- (1) An appropriate public or private resource;
- (2) Restitution;
- (3) Community service;
- (4) Victim-offender mediation;
- (5) Regimented physical training;
- (6) Counseling;
- (7) A teen court program, as set forth in subsection (c) of this section.

As part of a diversion plan, the intake counselor may enter into a diversion contract with the juvenile and the juvenile's parent, guardian, or custodian.

(b) Unless the offense is one in which a petition is required by G.S. 7B-1701, upon a finding of legal sufficiency the intake counselor may enter into a diversion contract with the juvenile and the parent, guardian, or custodian; provided, a diversion contract requires the consent of the juvenile and the juvenile's parent, guardian, or custodian. A diversion contract shall:

- (1) State conditions by which the juvenile agrees to abide and any actions the juvenile agrees to take;
- (2) State conditions by which the parent, guardian, or custodian agrees to abide and any actions the parent, guardian, or custodian agrees to take;
- (3) Describe the role of the court counselor in relation to the juvenile and the parent, guardian, or custodian;
- (4) Specify the length of the contract, which shall not exceed six months;
- (5) Indicate that all parties understand and agree that:
  - a. The juvenile's violation of the contract may result in the filing of the complaint as a petition; and
  - b. The juvenile's successful completion of the contract shall preclude the filing of a petition.

After a diversion contract is signed by the parties, the intake counselor shall provide copies of the contract to the juvenile and the juvenile's parent, guardian, or custodian. The intake counselor shall notify any agency or other resource from which the juvenile or the juvenile's parent, guardian, or custodian will be seeking services or treatment pursuant to the terms of the contract. At any time during the term of the contract if the court counselor determines that the juvenile has failed to comply substantially with the terms of the contract, the court counselor shall file the complaint as a petition. Unless the court counselor has filed the complaint as a petition, the counselor shall close the juvenile's file in regard to the diverted matter within six months after the date of the contract.

(c) If a teen court program has been established in the district, the intake counselor, upon a finding of legal sufficiency, may refer any case in which a juvenile has allegedly committed an offense that would be an infraction or misdemeanor if committed by an adult to a teen court program. However, the counselor shall not refer a case to a teen court program (i) if the juvenile has been referred to a teen court program previously, or (ii) if the juvenile is alleged to have committed any of the following offenses:

- (1) Driving while impaired under G.S. 20-138.1, 20-138.2, 20-138.3, 20-138.5, or 20-138.7, or any other motor vehicle violation;
- (2) A Class A1 misdemeanor;
- (3) An assault in which a weapon is used; or
- (4) A controlled substance offense under Article 5 of Chapter 90 of the General Statutes, other than simple possession of a Schedule VI drug or alcohol.

(d) The intake counselor shall maintain diversion plans and contracts entered into pursuant to this section to allow intake counselors to determine when a juvenile has had a complaint diverted previously. Diversion plans and contracts are not public records under Chapter 132 of the General Statutes, shall not be included in the clerk's record pursuant to G.S. 7B-3000, and shall be withheld from public inspection or examination. Diversion plans and contracts shall be destroyed when the juvenile

1 reaches the age of 18 years or when the juvenile is no longer under the jurisdiction of  
2 the court, whichever is longer.

3 (e) No later than 60 days after the intake counselor diverts a juvenile, the intake  
4 counselor shall determine whether the juvenile and the juvenile's parent, guardian, or  
5 custodian have complied with the terms of the diversion plan or contract. In making  
6 this determination, the intake counselor shall contact any referral resources to  
7 determine whether the juvenile and the juvenile's parent, guardian, or custodian  
8 complied with any recommendations for treatment or services made by the resource.  
9 If the juvenile and the juvenile's parent, guardian, or custodian have not complied,  
10 the intake counselor shall reconsider the decision to divert and may authorize the  
11 filing of the complaint as a petition within 10 days after making the determination. If  
12 the intake counselor does not file a petition, the intake counselor may continue to  
13 monitor the case for up to six months from the date of the diversion plan or contract.  
14 At any point during that time period if the juvenile and the juvenile's parent,  
15 guardian, or custodian fail to comply, the intake counselor shall reconsider the  
16 decision to divert and may authorize the filing of the complaint as a petition. After  
17 six months, the intake counselor shall close the diversion plan or contract file.

18 "ARTICLE 18.

19 "Venue; Petition; Summons.

20 "§ 7B-1800. Venue.

21 A proceeding in which a juvenile is alleged to be delinquent or undisciplined shall  
22 be commenced and adjudicated in the district in which the offense is alleged to have  
23 occurred. When a proceeding is commenced in a district other than that of the  
24 juvenile's residence, the court shall proceed to adjudication in that district. After  
25 adjudication, these procedures shall be available to the court:

- 26 (1) The court may transfer the proceeding to the court in the district  
27 where the juvenile resides for disposition.  
28 (2) Where the proceeding is not transferred under subdivision (1) of  
29 this section, the court shall immediately notify the chief district  
30 judge in the district in which the juvenile resides. If the chief  
31 district judge requests a transfer within five days after receipt of  
32 notification, the court shall transfer the proceeding.  
33 (3) Where the proceeding is not transferred under subdivision (1) or  
34 (2), the court, upon motion of the juvenile, shall transfer the  
35 proceeding to the court in the district where the juvenile resides  
36 for disposition. The court shall advise the juvenile of the juvenile's  
37 right to transfer under this section.

38 "§ 7B-1801. Pleading and process.

39 The pleading in a juvenile action is the petition. The process in a juvenile action is  
40 the summons.

41 "§ 7B-1802. Petition.

42 The petition shall contain the name, date of birth, and address of the juvenile and  
43 the name and last known address of the juvenile's parent, guardian, or custodian.

1 The petition shall allege the facts which invoke jurisdiction over the juvenile. The  
2 petition shall not contain information on more than one juvenile.

3 A petition in which delinquency is alleged shall contain a plain and concise  
4 statement, without allegations of an evidentiary nature, asserting facts supporting  
5 every element of a criminal offense and the juvenile's commission thereof with  
6 sufficient precision clearly to apprise the juvenile of the conduct which is the subject  
7 of the allegation.

8 Sufficient copies of the petition shall be prepared so that copies will be available  
9 for the juvenile, for each parent if living separate and apart, for the court counselor,  
10 for the prosecutor, and for any person determined by the court to be a necessary  
11 party.

12 "§ 7B-1803. Receipt of complaints; filing of petition.

13 (a) All complaints concerning a juvenile alleged to be delinquent or undisciplined  
14 shall be referred to the intake counselor for screening and evaluation. Thereafter, if  
15 the intake counselor determines that a petition should be filed, the petition shall be  
16 drawn by the intake counselor or the clerk, signed by the complainant, and verified  
17 before an official authorized to administer oaths. If the circumstances indicate a need  
18 for immediate attachment of jurisdiction and if the intake counselor is out of the  
19 county or otherwise unavailable to receive a complaint and to draw a petition when  
20 it is needed, the clerk shall assist the complainant in communicating the complaint to  
21 the intake counselor by telephone and, with the approval of the intake counselor,  
22 shall draw a petition and file it when signed and verified. A copy of the complaint  
23 and petition shall be transmitted to the intake counselor. Procedures for receiving  
24 delinquency and undisciplined complaints and drawing petitions thereon, consistent  
25 with this Article and Article 17 of this Chapter shall be established by administrative  
26 order of the chief judge in each judicial district.

27 (b) If review is requested pursuant to G.S. 7B-1704, the prosecutor shall review a  
28 complaint and any decision of the intake counselor not to authorize that the  
29 complaint be filed as a petition. If the prosecutor, after review, authorizes a  
30 complaint to be filed as a petition, the prosecutor shall prepare the complaint to be  
31 filed by the clerk as a petition, recording the day of filing.

32 "§ 7B-1804. Commencement of action.

33 (a) An action is commenced by the filing of a petition in the clerk's office when  
34 that office is open, or by a magistrate's acceptance of a petition for filing pursuant to  
35 subsection (b) of this section when the clerk's office is closed.

36 (b) When the office of the clerk is closed and an intake counselor requests a  
37 petition alleging a juvenile to be delinquent or undisciplined, a magistrate may draw  
38 and verify the petition and accept it for filing, which acceptance shall constitute  
39 filing. The magistrate's authority under this subsection is limited to emergency  
40 situations when a petition is required in order to obtain a secure or nonsecure  
41 custody order. Any petition accepted for filing under this subsection shall be  
42 delivered to the clerk's office for processing as soon as that office is open for  
43 business.

44 "§ 7B-1805. Issuance of summons.

1 (a) Immediately after a petition has been filed alleging that a juvenile is  
2 undisciplined or delinquent, the clerk shall issue a summons to the juvenile and to  
3 the parent, guardian, or custodian requiring them to appear for a hearing at the time  
4 and place stated in the summons. A copy of the petition shall be attached to each  
5 summons.

6 (b) A summons shall be on a printed form supplied by the Administrative Office  
7 of the Courts and shall include:

- 8 (1) Notice of the nature of the proceeding and the purpose of the  
9 hearing scheduled on the summons.
- 10 (2) Notice of any right to counsel and information about how to seek  
11 the appointment of counsel prior to a hearing.
- 12 (3) Notice that, if the court determines at the adjudicatory hearing that  
13 the allegations of the petition are true, the court will conduct a  
14 dispositional hearing and will have jurisdiction to enter orders  
15 affecting substantial rights of the juvenile and of the parent,  
16 guardian, or custodian, including orders that:
  - 17 a. Affect the juvenile's custody;
  - 18 b. Impose conditions on the juvenile;
  - 19 c. Require that the juvenile receive medical, psychiatric,  
20 psychological, or other treatment and that the parent,  
21 guardian, or custodian participate in the treatment;
  - 22 d. Require the parent, guardian, or custodian to undergo  
23 psychiatric, psychological, or other treatment or counseling;
  - 24 e. Order the parent to pay for treatment that is ordered for the  
25 juvenile or the parent; and
  - 26 f. Order the parent to pay support for the juvenile for any  
27 period the juvenile does not reside with the parent or to pay  
28 attorneys' fees or other expenses as ordered by the court.
- 29 (4) Notice that the parent, guardian, or custodian shall be required to  
30 attend scheduled hearings and that failure without reasonable  
31 cause to attend may result in proceedings for contempt of court.
- 32 (5) Notice that the parent, guardian, or custodian shall be responsible  
33 for bringing the juvenile before the court at any hearing the  
34 juvenile is required to attend and that failure without reasonable  
35 cause to bring the juvenile before the court may result in  
36 proceedings for contempt of court.

37 (c) The summons shall advise the parent, guardian, or custodian that upon  
38 service, jurisdiction over the parent, guardian, or custodian is obtained and that  
39 failure of the parent, guardian, or custodian to appear or bring the juvenile before the  
40 court without reasonable cause or to comply with any order of the court pursuant to  
41 Article 27 of this Chapter may cause the court to issue a show cause order for  
42 contempt. The summons shall contain the following language in bold type:

1 'TO THE PARENT, GUARDIAN, OR CUSTODIAN: YOUR FAILURE TO APPEAR  
2 IN COURT FOR A SCHEDULED HEARING OR TO COMPLY WITH AN ORDER  
3 OF THE COURT MAY RESULT IN A FINDING OF CONTEMPT.'

4 (d) A summons shall be directed to the person summoned to appear and shall be  
5 delivered to any person authorized to serve process.

6 "§ 7B-1806. Service of summons.

7 The summons and petition shall be personally served upon the parent, the  
8 guardian, or custodian and the juvenile not less than five days prior to the date of the  
9 scheduled hearing. The time for service may be waived in the discretion of the court.

10 If the parent, guardian, or custodian entitled to receive a summons cannot be  
11 found by a diligent effort, the court may authorize service of the summons and  
12 petition by mail or by publication. The cost of the service by publication shall be  
13 advanced by the petitioner and may be charged as court costs as the court may direct.

14 The court may issue a show cause order for contempt against a parent, guardian,  
15 or custodian who is personally served and fails without reasonable cause to appear  
16 and to bring the juvenile before the court.

17 The provisions of G.S. 15A-301(a), (c), (d), and (e) relating to criminal process  
18 apply to juvenile process; provided the period of time for return of an unserved  
19 summons is 30 days.

20 "§ 7B-1806.1. Notice to parent and juvenile of scheduled hearings.

21 The clerk shall give to all parties, including both parents of the juvenile, five days  
22 written notice of the date and time of all scheduled hearings unless the party is  
23 notified in open court or the court orders otherwise.

24 "§ 7B-1807. First appearance for felony cases.

25 (a) A juvenile who is alleged in the petition to have committed an offense that  
26 would be a felony if committed by an adult shall be summoned to appear before the  
27 court for a first appearance within 10 days of the filing of the petition. If the juvenile  
28 is in secure or nonsecure custody, the first appearance shall take place at the initial  
29 hearing required by G.S. 7B-1906. Unless the juvenile is in secure or nonsecure  
30 custody, the court may continue the first appearance to a time certain for good cause.

31 (b) At the first appearance, the court shall:

32 (1) Inform the juvenile of the allegations set forth in the petition;

33 (2) Determine whether the juvenile has retained counsel or has been  
34 assigned counsel and, if the juvenile is not represented by counsel,  
35 appoint counsel for the juvenile;

36 (3) If applicable, inform the juvenile of the date of the probable cause  
37 hearing, which shall be within 15 days of the first appearance; and

38 (4) Inform the parent, guardian, or custodian that the parent, guardian,  
39 or custodian is required to attend all hearings scheduled in the  
40 matter and may be held in contempt of court for failure to attend  
41 any scheduled hearing.

42 "ARTICLE 19.

43 "Temporary Custody; Secure and Nonsecure Custody;  
44 Custody Hearings.

1 "§ 7B-1900. Taking a juvenile into temporary custody.

2 Temporary custody means the taking of physical custody and providing personal  
3 care and supervision until a court order for secure or nonsecure custody can be  
4 obtained. A juvenile may be taken into temporary custody without a court order  
5 under the following circumstances:

- 6 (1) By a law enforcement officer if grounds exist for the arrest of an  
7 adult in identical circumstances under G.S. 15A-401(b).  
8 (2) By a law enforcement officer or a court counselor if there are  
9 reasonable grounds to believe that the juvenile is an undisciplined  
10 juvenile.  
11 (3) By a law enforcement officer, by a court counselor, by a member  
12 of the Black Mountain Center, Alcohol Rehabilitation Center, and  
13 Juvenile Evaluation Center Joint Security Force established  
14 pursuant to G.S. 122C-421, or by personnel of the Department if  
15 there are reasonable grounds to believe the juvenile is an  
16 absconder from any residential facility operated by the Department  
17 or from an approved detention facility.

18 "§ 7B-1901. Duties of person taking juvenile into temporary custody.

19 (a) A person who takes a juvenile into custody without a court order under G.S.  
20 7B-1900(1) or (2) shall proceed as follows:

- 21 (1) Notify the juvenile's parent, guardian, or custodian that the  
22 juvenile has been taken into temporary custody and advise the  
23 parent, guardian, or custodian of the right to be present with the  
24 juvenile until a determination is made as to the need for secure or  
25 nonsecure custody. Failure to notify the parent, guardian, or  
26 custodian that the juvenile is in custody shall not be grounds for  
27 release of the juvenile.  
28 (2) Release the juvenile to the juvenile's parent, guardian, or custodian  
29 if the person having the juvenile in temporary custody decides that  
30 continued custody is unnecessary. In the case of a juvenile  
31 unlawfully absent from school, if continued custody is unnecessary,  
32 the person having temporary custody may deliver the juvenile to  
33 the juvenile's school or, if the local city or county government and  
34 the local school board adopt a policy, to a place in the local school  
35 administrative unit.  
36 (3) If the juvenile is not released, request that a petition be drawn  
37 pursuant to G.S. 7B-1803 or G.S. 7B-1804. Once the petition has  
38 been drawn and verified, the person shall communicate with the  
39 intake counselor. If the intake counselor approves the filing of the  
40 petition, the intake counselor shall contact the judge, or the person  
41 delegated authority pursuant to G.S. 7B-1902 if other than the  
42 intake counselor, for a determination of the need for continued  
43 custody.

(b) A juvenile taken into temporary custody under this Article shall not be held for more than 12 hours, or for more than 24 hours if any of the 12 hours falls on a Saturday, Sunday, or legal holiday, unless a petition or motion for review has been filed and an order for secure or nonsecure custody has been entered.

(c) A person who takes a juvenile into custody under G.S. 7B-1900(3), after receiving an order for secure custody, shall transport the juvenile to the nearest approved facility providing secure custody. The person then shall contact the administrator of the facility from which the juvenile absconded, who shall be responsible for returning the juvenile to that facility.

"§ 7B-1902. Authority to issue custody orders; delegation.

In the case of any juvenile alleged to be within the jurisdiction of the court, when the court finds it necessary to place the juvenile in custody, the court may order that the juvenile be placed in secure or nonsecure custody pursuant to criteria set out in G.S. 7B-1903.

Any district court judge may issue secure and nonsecure custody orders pursuant to G.S. 7B-1903. The chief district court judge may delegate the court's authority to the chief court counselor or the chief court counselor's counseling staff by administrative order filed in the office of the clerk of superior court. The administrative order shall specify which persons may be contacted for approval of a secure or nonsecure custody order. The chief district court judge shall not delegate the court's authority to detain or house juveniles in holdover facilities pursuant to G.S. 7B-1905 or G.S. 7B-2509.

"§ 7B-1903. Criteria for secure or nonsecure custody.

(a) When a request is made for nonsecure custody, the court shall first consider release of the juvenile to the juvenile's parent, guardian, custodian, or other responsible adult. An order for nonsecure custody shall be made only when there is a reasonable factual basis to believe the matters alleged in the petition are true, and that:

- (1) The juvenile is a runaway and consents to nonsecure custody; or
- (2) The juvenile meets one or more of the criteria for secure custody, but the court finds it in the best interests of the juvenile that the juvenile be placed in a nonsecure placement.

(b) When a request is made for secure custody, the court may order secure custody only where the court finds there is a reasonable factual basis to believe that the juvenile committed the offense as alleged in the petition, and that:

- (1) The juvenile is charged with a felony and has demonstrated that the juvenile is a danger to property or persons;
- (2) The juvenile is charged with a misdemeanor at least one element of which is assault on a person;
- (3) The juvenile has willfully failed to appear on a pending delinquency charge or on charges of violation of probation or post-release supervision, providing the juvenile was properly notified;
- (4) A delinquency charge is pending against the juvenile, and there is reasonable cause to believe the juvenile will not appear in court;

(5) The juvenile is an absconder from (i) any residential facility operated by the Department or any detention facility in this State or (ii) any comparable facility in another state;

(6) There is reasonable cause to believe the juvenile should be detained for the juvenile's own protection because the juvenile has recently suffered or attempted self-inflicted physical injury. In such case, the juvenile must have been refused admission by one appropriate hospital, and the period of secure custody is limited to 24 hours to determine the need for inpatient hospitalization. If the juvenile is placed in secure custody, the juvenile shall receive continuous supervision and a physician shall be notified immediately;

(7) The juvenile is alleged to be undisciplined by virtue of the juvenile's being a runaway and is inappropriate for nonsecure custody placement or refuses nonsecure custody, and the court finds that the juvenile needs secure custody for up to 24 hours, excluding Saturdays, Sundays, and State holidays, or where circumstances require, for a period not to exceed 72 hours to evaluate the juvenile's need for medical or psychiatric treatment or to facilitate reunion with the juvenile's parents; or

(8) The juvenile is alleged to be undisciplined and has willfully failed to appear in court after proper notice; the juvenile shall be brought to court as soon as possible and in no event should be held more than 24 hours, excluding Saturdays, Sundays, and State holidays or where circumstances require for a period not to exceed 72 hours.

(c) When a juvenile has been adjudicated delinquent, the court may order secure custody pending the dispositional hearing or pending placement of the juvenile pursuant to G.S. 7B-2504.

(d) The court may order secure custody for a juvenile who is alleged to have violated the conditions of the juvenile's probation or post-release supervision, but only if the juvenile is alleged to have committed acts that damage property or injure persons.

(e) If the criteria for secure custody as set out in subsection (b), (c), or (d) of this section are met, the court may enter an order directing an officer or other authorized person to assume custody of the juvenile and to take the juvenile to the place designated in the order.

"§ 7B-1904. Order for secure or nonsecure custody.

The custody order shall be in writing and shall direct a law enforcement officer or other authorized person to assume custody of the juvenile and to make due return on the order. The official executing the order shall give a copy of the order to the juvenile's parent, guardian, or custodian. If the order is for secure custody, copies of the petition and custody order shall accompany the juvenile to the detention facility or holdover facility of the jail. A message of the Division of Criminal Information, State Bureau of Investigation, stating that a juvenile petition and secure custody order

1 relating to a specified juvenile are on file in a particular county shall be authority to  
2 detain the juvenile in secure custody until a copy of the juvenile petition and secure  
3 custody order can be forwarded to the juvenile detention facility. The copies of the  
4 juvenile petition and secure custody order shall be transmitted to the detention  
5 facility no later than 72 hours after the initial detention of the juvenile.

6 An officer receiving an order for custody which is complete and regular on its face  
7 may execute it in accordance with its terms and need not inquire into its regularity or  
8 continued validity, nor does the officer incur criminal or civil liability for its  
9 execution.

10 **"§ 7B-1905. Place of secure or nonsecure custody.**

11 (a) A juvenile meeting the criteria set out in G.S. 7B-1903(a), may be placed in  
12 nonsecure custody with a department of social services or a person designated in the  
13 order for temporary residential placement in:

14 (1) A licensed foster home or a home otherwise authorized by law to  
15 provide such care;

16 (2) A facility operated by a department of social services; or

17 (3) Any other home or facility approved by the court and designated  
18 in the order.

19 In placing a juvenile in nonsecure custody, the court shall first consider whether a  
20 relative of the juvenile is willing and able to provide proper care and supervision of  
21 the juvenile. If the court finds that the relative is willing and able to provide proper  
22 care and supervision, the court shall order placement of the juvenile with the relative.  
23 Placement of a juvenile outside of this State shall be in accordance with the Interstate  
24 Compact on the Placement of Children set forth in Article 38 of this Chapter.

25 (b) A juvenile meeting the criteria set out in G.S. 7B-1903(b), (c), or (d) may be  
26 temporarily detained in an approved detention facility which shall be separate from  
27 any jail, lockup, prison, or other adult penal institution, except as provided in  
28 subsection (c) of this section. It shall be unlawful for a county or any unit of  
29 government to operate a juvenile detention facility unless the facility meets the  
30 standards and rules adopted by the Department of Health and Human Services.

31 (c) A juvenile who has allegedly committed an offense that would be a Class A,  
32 B1, B2, C, D, or E felony if committed by an adult may be detained in secure custody  
33 in a holdover facility up to 72 hours, if the court, based on information provided by  
34 the court counselor, determines that no acceptable alternative placement is available  
35 and the protection of the public requires the juvenile be housed in a holdover facility.

36 **"§ 7B-1906. Secure or nonsecure custody hearings.**

37 (a) No juvenile shall be held under a secure custody order for more than five  
38 calendar days or under a nonsecure custody order for more than seven calendar days  
39 without a hearing on the merits or an initial hearing to determine the need for  
40 continued custody. A hearing conducted under this subsection may not be continued  
41 or waived. In every case in which an order has been entered by an official exercising  
42 authority delegated pursuant to G.S. 7B-1902, a hearing to determine the need for  
43 continued custody shall be conducted on the day of the next regularly scheduled  
44 session of district court in the city or county where the order was entered if the

1 session precedes the expiration of the applicable time period set forth in this  
2 subsection. If the session does not precede the expiration of the time period, the  
3 hearing may be conducted at another regularly scheduled session of district court in  
4 the district where the order was entered.

5 (b) As long as the juvenile remains in secure or nonsecure custody, further  
6 hearings to determine the need for continued secure custody shall be held at intervals  
7 of no more than 10 calendar days. A subsequent hearing on continued nonsecure  
8 custody shall be held within seven business days, excluding Saturdays, Sundays, and  
9 legal holidays, of the initial hearing required in subsection (a) of this section and  
10 hearings thereafter shall be held at intervals of no more than 30 calendar days. In the  
11 case of a juvenile alleged to be delinquent, further hearings may be waived only with  
12 the consent of the juvenile, through counsel for the juvenile.

13 (c) The court shall determine whether a juvenile who is alleged to be delinquent  
14 has retained counsel or has been assigned counsel; and, if the juvenile is not  
15 represented by counsel, appoint counsel for the juvenile.

16 (d) At a hearing to determine the need for continued custody, the court shall  
17 receive testimony and shall allow the juvenile and the juvenile's parent, guardian, or  
18 custodian an opportunity to introduce evidence, to be heard in their own behalf, and  
19 to examine witnesses. The State shall bear the burden at every stage of the  
20 proceedings to provide clear and convincing evidence that restraints on the juvenile's  
21 liberty are necessary and that no less intrusive alternative will suffice. The court shall  
22 not be bound by the usual rules of evidence at the hearings.

23 (e) The court shall be bound by criteria set forth in G.S. 7B-1903 in determining  
24 whether continued custody is warranted.

25 (f) The court may impose appropriate restrictions on the liberty of a juvenile who  
26 is released from secure custody, including:

- 27 (1) Release on the written promise of the juvenile's parent, guardian,  
28 or custodian to produce the juvenile in court for subsequent  
29 proceedings;  
30 (2) Release into the care of a responsible person or organization;  
31 (3) Release conditioned on restrictions on activities, associations,  
32 residence, or travel if reasonably related to securing the juvenile's  
33 presence in court; or  
34 (4) Any other conditions reasonably related to securing the juvenile's  
35 presence in court.

36 (g) If the court determines that the juvenile meets the criteria in G.S. 7B-1903 and  
37 should continue in custody, the court shall issue an order to that effect. The order  
38 shall be in writing with appropriate findings of fact. The findings of fact shall include  
39 the evidence relied upon in reaching the decision and the purposes which continued  
40 custody is to achieve.

41 (h) The court may conduct a hearing to determine the need to continue custody  
42 by audio and video transmission between the court and the juvenile in which the  
43 parties can see and hear each other. If the juvenile has counsel, the juvenile may  
44 communicate fully and confidentially with the juvenile's attorney during the

1 proceeding. Prior to the use of audio and video transmission, the procedures and  
2 type of equipment for audio and video transmission shall be submitted to the  
3 Administrative Office of the Courts by the chief district court judge and approved by  
4 the Administrative Office of the Courts.

5 "§ 7B-1907. Telephonic communication authorized.

6 All communications, notices, orders, authorizations, and requests authorized or  
7 required by G.S. 7B-1901, 7B-1903, and 7B-1904 may be made by telephone when  
8 other means of communication are impractical. All written orders pursuant to  
9 telephonic communication shall bear the name and the title of the person  
10 communicating by telephone, the signature and the title of the official entering the  
11 order, and the hour and the date of the authorization.

12 "ARTICLE 20.

13 "Basic Rights.

14 "§ 7B-2000. Juvenile's right to counsel; presumption of indigence.

15 (a) A juvenile alleged to be within the jurisdiction of the court has the right to be  
16 represented by counsel in all proceedings. The court shall appoint counsel for the  
17 juvenile, unless counsel is retained for the juvenile, in any proceeding in which the  
18 juvenile is alleged to be (i) delinquent or (ii) in contempt of court when alleged or  
19 adjudicated to be undisciplined.

20 (b) All juveniles shall be conclusively presumed to be indigent, and it shall not be  
21 necessary for the court to receive from any juvenile an affidavit of indigency.

22 "§ 7B-2001. Appointment of guardian.

23 In any case when no parent, guardian, or custodian appears in a hearing with the  
24 juvenile or when the court finds it would be in the best interests of the juvenile, the  
25 court may appoint a guardian of the person for the juvenile. The guardian shall  
26 operate under the supervision of the court with or without bond and shall file only  
27 such reports as the court shall require. Unless the court orders otherwise, the  
28 guardian:

- 29 (1) Shall have the care, custody, and control of the juvenile or may  
30 arrange a suitable placement for the juvenile.
- 31 (2) May represent the juvenile in legal actions before any court.
- 32 (3) May consent to certain actions on the part of the juvenile in place  
33 of the parent, guardian, or custodian, including (i) marriage, (ii)  
34 enlisting in the armed forces, and (iii) enrollment in school.
- 35 (4) May consent to any necessary remedial, psychological, medical, or  
36 surgical treatment for the juvenile.

37 The authority of the guardian shall continue until the guardianship is terminated by  
38 court order, until the juvenile is emancipated pursuant to Subchapter IV of this  
39 Chapter, or until the juvenile reaches the age of majority.

40 "§ 7B-2002. Payment of court-appointed attorney.

41 An attorney appointed pursuant to G.S. 7B-2000 or pursuant to any other  
42 provision of this Subchapter shall be paid a reasonable fee fixed by the court in the  
43 same manner as fees for attorneys appointed in cases of indigency through the  
44 Administrative Office of the Courts. The court may require payment of the

1 attorneys' fees from a person other than the juvenile as provided in G.S. 7A-450.1,  
2 7A-450.2, and 7A-450.3. A person who does not comply with the court's order of  
3 payment may be found in civil contempt as provided in G.S. 5A-21.

4 "ARTICLE 21.

5 "Law Enforcement Procedures in Delinquency Proceedings.

6 "§ 7B-2100. Role of the law enforcement officer.

7 A law enforcement officer who takes a juvenile into temporary custody should  
8 select the most appropriate course of action to the situation, the needs of the juvenile,  
9 and the protection of the public safety. The officer may:

- 10 (1) Release the juvenile, with or without first counseling the juvenile;
- 11 (2) Release the juvenile to the juvenile's parent, guardian, or  
12 custodian;
- 13 (3) Refer the juvenile to community resources;
- 14 (4) Seek a petition; or
- 15 (5) Seek a petition and request a custody order.

16 "§ 7B-2101. Interrogation procedures.

17 (a) Any juvenile in custody must be advised prior to questioning:

- 18 (1) That the juvenile has a right to remain silent;
- 19 (2) That any statement the juvenile does make can be and may be  
20 used against the juvenile;
- 21 (3) That the juvenile has a right to have a parent, guardian, or  
22 custodian present during questioning; and
- 23 (4) That the juvenile has a right to consult with an attorney and that  
24 one will be appointed for the juvenile if the juvenile is not  
25 represented and wants representation.

26 (b) When the juvenile is less than 14 years of age, no in-custody admission or  
27 confession resulting from interrogation may be admitted into evidence unless the  
28 confession or admission was made in the presence of the juvenile's parent, guardian,  
29 custodian, or attorney. If an attorney is not present, the parent, guardian, or custodian  
30 as well as the juvenile must be advised of the juvenile's rights as set out in subsection  
31 (a) of this section; however, a parent, guardian, or custodian may not waive any right  
32 on behalf of the juvenile.

33 (c) If the juvenile indicates in any manner and at any stage of questioning pursuant  
34 to this section that the juvenile does not wish to be questioned further, the officer  
35 shall cease questioning.

36 (d) Before admitting into evidence any statement resulting from custodial  
37 interrogation, the court shall find that the juvenile knowingly, willingly, and  
38 understandingly waived the juvenile's rights.

39 "§ 7B-2102. Fingerprinting and photographing juveniles.

40 (a) A law enforcement officer or agency may fingerprint and photograph a  
41 juvenile in custody who is alleged to have committed an offense that would be a  
42 felony if committed by an adult.

43 (b) If a law enforcement officer or agency does not take the fingerprints or a  
44 photograph of the juvenile pursuant to subsection (a) of this section or the

1 fingerprints or photograph have been destroyed pursuant to subsection (e) of this  
2 section, a law enforcement officer or agency shall fingerprint and photograph a  
3 juvenile who has been adjudicated delinquent if the juvenile was 10 years of age or  
4 older at the time the juvenile committed an offense that would be a felony if  
5 committed by an adult.

6 (c) A law enforcement officer or agency who fingerprints or photographs a  
7 juvenile pursuant to this section shall do so in a proper format for transfer to the  
8 State Bureau of Investigation and the Federal Bureau of Investigation. Fingerprints  
9 obtained pursuant to this section shall be transferred to the State Bureau of  
10 Investigation and placed in the Automated Fingerprint Identification System (AFIS)  
11 to be used for all investigative and comparison purposes. Photographs obtained  
12 pursuant to this section shall be placed in a format approved by the State Bureau of  
13 Investigation and may be used for all investigative or comparison purposes.  
14 Fingerprints of a juvenile who has been adjudicated delinquent for an offense that  
15 would be a Class A, B1, B2, C, D, or E felony if committed by an adult, and who was  
16 10 years of age or older at the time the juvenile committed the offense, shall be  
17 transferred to the Federal Bureau of Investigation to be used for all investigative or  
18 comparison purposes.

19 (d) Fingerprints and photographs taken pursuant to this section are not public  
20 records under Chapter 132 of the General Statutes, shall not be included in the  
21 clerk's record pursuant to G.S. 7B-3000, shall be withheld from public inspection or  
22 examination, and shall not be eligible for expunction pursuant to G.S. 7B-3200.  
23 Fingerprints and photographs taken pursuant to this section shall be maintained  
24 separately from any juvenile record, other than the electronic file maintained by the  
25 State Bureau of Investigation.

26 (e) If a juvenile is fingerprinted and photographed pursuant to subsection (a) of  
27 this section, the custodian of records shall destroy all fingerprints and photographs at  
28 the earlier of the following:

29 (1) The intake counselor or prosecutor does not file a petition against  
30 the juvenile;

31 (2) The court does not find probable cause pursuant to G.S. 7B-2202;  
32 or

33 (3) The juvenile is not adjudicated delinquent.

34 The chief court counselor shall notify the local custodian of records, and the local  
35 custodian of records shall notify any other record-holding agencies, when a decision  
36 is made not to file a petition, the court does not find probable cause, or the court  
37 does not adjudicate the juvenile delinquent.

38 "§ 7B-2103. Authority to issue nontestimonial identification order where juvenile  
39 alleged to be delinquent.

40 Except as provided in G.S. 7B-2102, nontestimonial identification procedures shall  
41 not be conducted on any juvenile without a court order issued pursuant to this  
42 Article unless the juvenile has been charged as an adult or transferred to superior  
43 court for trial as an adult in which case procedures applicable to adults, as set out in  
44 Articles 14 and 23 of Chapter 15A of the General Statutes, shall apply. A

1 nontestimonial identification order authorized by this Article may be issued by any  
2 judge of the district court or of the superior court upon request of a prosecutor. As  
3 used in this Article, 'nontestimonial identification' means identification by  
4 fingerprints, palm prints, footprints, measurements, blood specimens, urine specimens,  
5 saliva samples, hair samples, or other reasonable physical examination, handwriting  
6 exemplars, voice samples, photographs, and lineups or similar identification  
7 procedures requiring the presence of a juvenile.

8 **"§ 7B-2104. Time of application for nontestimonial identification order.**

9 A request for a nontestimonial identification order may be made prior to taking a  
10 juvenile into custody or after custody and prior to the adjudicatory hearing.

11 **"§ 7B-2105. Grounds for nontestimonial identification order.**

12 (a) Except as provided in subsection (b) of this section, a nontestimonial  
13 identification order may issue only on affidavit or affidavits sworn to before the court  
14 and establishing the following grounds for the order:

- 15 (1) That there is probable cause to believe that an offense has been  
16 committed that would be a felony if committed by an adult;
- 17 (2) That there are reasonable grounds to suspect that the juvenile  
18 named or described in the affidavit committed the offense; and
- 19 (3) That the results of specific nontestimonial identification procedures  
20 will be of material aid in determining whether the juvenile named  
21 in the affidavit committed the offense.

22 (b) A nontestimonial identification order to obtain a blood specimen from a  
23 juvenile may issue only on affidavit or affidavits sworn to before the court and  
24 establishing the following grounds for the order:

- 25 (1) That there is probable cause to believe that an offense has been  
26 committed that would be a felony if committed by an adult;
- 27 (2) That there is probable cause to believe that the juvenile named or  
28 described in the affidavit committed the offense; and
- 29 (3) That there is probable cause to believe that obtaining a blood  
30 specimen from the juvenile will be of material aid in determining  
31 whether the juvenile named in the affidavit committed the offense.

32 **"§ 7B-2106. Issuance of order.**

33 Upon a showing that the grounds specified in G.S. 7B-2105 exist, the judge may  
34 issue an order following the same procedure as in the case of adults under G.S.  
35 15A-274, 15A-275, 15A-276, 15A-277, 15A-278, 15A-279, 15A-280, and 15A-282.

36 **"§ 7B-2107. Nontestimonial identification order at request of juvenile.**

37 A juvenile in custody for or charged with an offense which if committed by an  
38 adult would be a felony offense may request that nontestimonial identification  
39 procedures be conducted. If it appears that the results of specific nontestimonial  
40 identification procedures will be of material aid to the juvenile's defense, the judge to  
41 whom the request was directed must order the State to conduct the identification  
42 procedures.

43 **"§ 7B-2108. Destruction of records resulting from nontestimonial identification**  
44 **procedures.**

The results of any nontestimonial identification procedures shall be retained or disposed of as follows:

- (1) If a petition is not filed against a juvenile who has been the subject of nontestimonial identification procedures, all records of the evidence shall be destroyed.
- (2) If the juvenile is not adjudicated delinquent or convicted in superior court following transfer, all records resulting from a nontestimonial order shall be destroyed. Further, in the case of a juvenile who is under 13 years of age and who is adjudicated delinquent for an offense that would be less than a felony if committed by an adult, all records shall be destroyed.
- (3) If a juvenile 13 years of age or older is adjudicated delinquent for an offense that would be a felony if committed by an adult, all records resulting from a nontestimonial order may be retained in the court file. Special precautions shall be taken to ensure that these records will be maintained in a manner and under sufficient safeguards to limit their use to inspection by law enforcement officers for comparison purposes in the investigation of a crime.
- (4) If the juvenile is transferred to and convicted in superior court, all records resulting from nontestimonial identification procedures shall be processed as in the case of an adult.
- (5) Any evidence seized pursuant to a nontestimonial order shall be retained by law enforcement officers until further order is entered by the court.
- (6) Destruction of nontestimonial identification records pursuant to this section shall be performed by the law enforcement agency having possession of the records. Following destruction, the law enforcement agency shall make written certification to the court of the destruction.

"§ 7B-2109. Penalty for willful violation.

Any person who willfully violates provisions of this Article which prohibit conducting nontestimonial identification procedures without an order issued by the court shall be guilty of a Class 1 misdemeanor.

"ARTICLE 22.

"Probable Cause Hearing and Transfer Hearing.

"§ 7B-2200. Transfer of jurisdiction of juvenile to superior court; direct filing in superior court.

(a) Except as provided in subsection (b) of this section, after notice, hearing, and a finding of probable cause the court may, upon motion of the prosecutor or the juvenile's attorney or upon its own motion, transfer jurisdiction over a juvenile to superior court if the juvenile was 13 years of age or older at the time the juvenile allegedly committed an offense that would be a felony if committed by an adult. If the alleged felony constitutes a Class A felony and the court finds probable cause, the court shall transfer the case to the superior court for trial as in the case of adults.

(b) Notwithstanding G.S. 7B-1601, the prosecutor may file charges in superior court against a juvenile who was 15 years of age at the time the juvenile allegedly committed an offense that would be a Class A, B1, B2, C, D, or E felony if committed by an adult.

"§ 7B-2201. Fingerprinting juvenile transferred to superior court.

When jurisdiction over a juvenile is transferred to the superior court, the juvenile shall be fingerprinted and the juvenile's fingerprints shall be sent to the State Bureau of Investigation.

"§ 7B-2202. Probable cause hearing.

(a) The court shall conduct a hearing to determine probable cause in all felony cases in which a juvenile was 13 years of age or older when the offense was allegedly committed. The hearing shall be conducted within 15 days of the date of the juvenile's first appearance. The court may continue the hearing for good cause.

(b) At the probable cause hearing:

(1) A prosecutor shall represent the State;

(2) The juvenile shall be represented by counsel;

(3) The juvenile may testify, call, and examine witnesses, and present evidence; and

(4) Each witness shall testify under oath or affirmation and be subject to cross-examination.

(c) The State shall by nonhearsay evidence, or by evidence that satisfies an exception to the hearsay rule, show that there is probable cause to believe that the offense charged has been committed and that there is probable cause to believe that the juvenile committed it, except:

(1) A report or copy of a report made by a physicist, chemist, firearms identification expert, fingerprint technician, or an expert or technician in some other scientific, professional, or medical field, concerning the results of an examination, comparison, or test performed in connection with the case in issue, when stated by that person in a report made by the juvenile, is admissible in evidence;

(2) If there is no serious contest, reliable hearsay is admissible to prove value, ownership of property, possession of property in a person other than the juvenile, lack of consent of the owner, possessor, or custodian of property to the breaking or entering of premises, chain of custody, and authenticity of signatures.

(d) Counsel for the juvenile may waive in writing the right to the hearing and stipulate to a finding of probable cause.

(e) If probable cause is found and transfer to superior court is not required by G.S. 7B-2200, upon motion of the prosecutor or the juvenile's attorney or upon its own motion, the court shall either proceed to a transfer hearing or set a date for that hearing. If the juvenile has not received notice of the intention to seek transfer at least five days prior to the probable cause hearing, the court shall continue the transfer hearing.

(f) If the court does not find probable cause for a felony offense, the court shall:

(1) Dismiss the proceeding, or

(2) If the court finds probable cause to believe that the juvenile committed a lesser included offense that would constitute a misdemeanor if committed by an adult, either proceed to an adjudicatory hearing or set a date for that hearing.

**"§ 7B-2203. Transfer hearing.**

(a) At the transfer hearing, the prosecutor and the juvenile may be heard and may offer evidence, and the juvenile's attorney may examine any court or probation records, or other records the court may consider in determining whether to transfer the case.

(b) In the transfer hearing, the court shall determine whether the protection of the public and the needs of the juvenile will be served by transfer of the case to superior court and shall consider the following factors:

(1) The age of the juvenile;

(2) The maturity of the juvenile;

(3) The intellectual functioning of the juvenile;

(4) The prior record of the juvenile;

(5) Prior attempts to rehabilitate the juvenile;

(6) Facilities or programs available to the court prior to the expiration of the court's jurisdiction under this Subchapter and the likelihood that the juvenile would benefit from treatment or rehabilitative efforts;

(7) Whether the alleged offense was committed in an aggressive, violent, premeditated, or willful manner; and

(8) The seriousness of the offense and whether the protection of the public requires that the juvenile be prosecuted as an adult.

(c) Any order of transfer shall specify the reasons for transfer. When the case is transferred to superior court, the superior court has jurisdiction over that felony, any offense based on the same act or transaction or on a series of acts or transactions connected together or constituting parts of a single scheme or plan of that felony, and any greater or lesser included offense of that felony.

(d) If the court does not transfer the case to superior court, the court shall either proceed to an adjudicatory hearing or set a date for that hearing.

**"§ 7B-2204. Right to pretrial release; detention.**

Once the order of transfer has been entered, the juvenile has the right to pretrial release as provided in G.S. 15A-533 and G.S. 15A-534. The release order shall specify the person or persons to whom the juvenile may be released. Pending release, the court shall order that the juvenile be detained in a detention facility while awaiting trial. The court may order the juvenile to be held in a holdover facility at any time the presence of the juvenile is required in court for pretrial hearings or trial, if the court finds that it would be inconvenient to return the juvenile to the detention facility.

Should the juvenile be found guilty, or enter a plea of guilty or no contest to a criminal offense in superior court and receive an active sentence, then immediate

1 transfer to the Department of Correction shall be ordered. Until such time as the  
2 juvenile is transferred to the Department of Correction, the juvenile may be detained  
3 in a holdover facility. The juvenile may not be detained in a detention facility  
4 pending transfer to the Department of Correction.

5 The juvenile may be kept by the Department of Correction as a safekeeper until  
6 the juvenile is placed in an appropriate correctional program.

7 "§ 7B-2205. When jeopardy attaches.

8 Jeopardy attaches in an adjudicatory hearing when the court begins to hear  
9 evidence.

10 "ARTICLE 23.

11 "Discovery.

12 "§ 7B-2300. Disclosure of evidence by petitioner.

13 (a) Statement of the Juvenile. -- Upon motion of a juvenile alleged to be  
14 delinquent, the court shall order the petitioner:

15 (1) To permit the juvenile to inspect and copy any relevant written or  
16 recorded statements within the possession, custody, or control of  
17 the petitioner made by the juvenile or any other party charged in  
18 the same action; and

19 (2) To divulge, in written or recorded form, the substance of any oral  
20 statement made by the juvenile or any other party charged in the  
21 same action.

22 (b) Names of Witnesses. -- Upon motion of the juvenile, the court shall order the  
23 petitioner to furnish the names of persons to be called as witnesses. A copy of the  
24 record of witnesses under the age of 16 shall be provided by the petitioner to the  
25 juvenile upon the juvenile's motion if accessible to the petitioner.

26 (c) Documents and Tangible Objects. -- Upon motion of the juvenile, the court  
27 shall order the petitioner to permit the juvenile to inspect and copy books, papers,  
28 documents, photographs, motion pictures, mechanical or electronic recordings,  
29 tangible objects, or portions thereof:

30 (1) Which are within the possession, custody, or control of the  
31 petitioner, the prosecutor, or any law enforcement officer  
32 conducting an investigation of the matter alleged; and

33 (2) Which are material to the preparation of the defense, are intended  
34 for use by the petitioner as evidence, or were obtained from or  
35 belong to the juvenile.

36 (d) Reports of Examinations and Tests. -- Upon motion of a juvenile, the court  
37 shall order the petitioner to permit the juvenile to inspect and copy results of physical  
38 or mental examinations or of tests, measurements, or experiments made in connection  
39 with the case, within the possession, custody, or control of the petitioner. In addition  
40 upon motion of a juvenile, the court shall order the petitioner to permit the juvenile  
41 to inspect, examine, and test, subject to appropriate safeguards, any physical evidence  
42 or a sample of it or tests or experiments made in connection with the evidence in the  
43 case if it is available to the petitioner, the prosecutor, or any law enforcement officer

1 conducting an investigation of the matter alleged and if the petitioner intends to offer  
2 the evidence at trial.

3 (e) Except as provided in subsections (a) through (d) of this section, this Article  
4 does not require the production of reports, memoranda, or other internal documents  
5 made by the petitioner, law enforcement officers, or other persons acting on behalf of  
6 the petitioner in connection with the investigation or prosecution of the case or of  
7 statements made by witnesses or the petitioner to anyone acting on behalf of the  
8 petitioner.

9 (f) Nothing in this section prohibits a petitioner from making voluntary disclosures  
10 in the interest of justice.

11 **"§ 7B-2301. Disclosure of evidence by juvenile.**

12 (a) Names of Witnesses. -- Upon motion of the petitioner, the court shall order the  
13 juvenile to furnish to the petitioner the names of persons to be called as witnesses.

14 (b) Documents and Tangible Objects. -- If the court grants any relief sought by the  
15 juvenile under G.S. 7B-2300, upon motion of the petitioner, the court shall order the  
16 juvenile to permit the petitioner to inspect and copy books, papers, documents,  
17 photographs, motion pictures, mechanical or electronic recordings, tangible objects,  
18 or portions thereof which are within the possession, custody, or control of the  
19 juvenile and which the juvenile intends to introduce in evidence.

20 (c) Reports of Examinations and Tests. -- If the court grants any relief sought by  
21 the juvenile under G.S. 7B-2300, upon motion of the petitioner, the court shall order  
22 the juvenile to permit the petitioner to inspect and copy results of physical or mental  
23 examinations or of tests, measurements, or experiments made in connection with the  
24 case within the possession and control of the juvenile which the juvenile intends to  
25 introduce in evidence or which were prepared by a witness whom the juvenile  
26 intends to call if the results relate to the witness's testimony. In addition, upon  
27 motion of a petitioner, the court shall order the juvenile to permit the petitioner to  
28 inspect, examine, and test, subject to appropriate safeguards, any physical evidence or  
29 a sample of it if the juvenile intends to offer the evidence or tests or experiments  
30 made in connection with the evidence in the case.

31 **"§ 7B-2302. Regulation of discovery; protective orders.**

32 (a) Upon written motion of a party and a finding of good cause, the court may at  
33 any time order that discovery or inspection be denied, restricted, or deferred.

34 (b) The court may permit a party seeking relief under subsection (a) of this section  
35 to submit supporting affidavits or statements to the court for in camera inspection. If  
36 thereafter the court enters an order granting relief under subsection (a) of this  
37 section, the material submitted in camera must be available to the Court of Appeals  
38 in the event of an appeal.

39 **"§ 7B-2303. Continuing duty to disclose.**

40 If a party, subject to compliance with an order issued pursuant to this Article,  
41 discovers additional evidence prior to or during the hearing or decides to use  
42 additional evidence, and if the evidence is or may be subject to discovery or  
43 inspection under this Article, the party shall promptly notify the other party of the  
44 existence of the additional evidence or of the name of each additional witness.

1 "ARTICLE 24.

2 "Hearing Procedures.

3 "§ 7B-2400. Amendment of petition.

4 The court may permit a petition to be amended when the amendment does not  
5 change the nature of the offense alleged. If a motion to amend is allowed, the  
6 juvenile shall be given a reasonable opportunity to prepare a defense to the amended  
7 allegations.

8 "§ 7B-2401. Determination of incapacity to proceed; evidence; temporary  
9 commitment; temporary orders.

10 The provisions of G.S. 15A-1001, 15A-1002, and 15A-1003 apply to all cases in  
11 which a juvenile is alleged to be delinquent. No juvenile committed under this  
12 section may be placed in a situation where the juvenile will come in contact with  
13 adults committed for any purpose.

14 "§ 7B-2402. Open hearings.

15 All hearings authorized or required pursuant to this Subchapter shall be open to  
16 the public unless the court closes the hearing or part of the hearing for good cause,  
17 upon motion of a party or its own motion.

18 "§ 7B-2403. Adjudicatory hearing.

19 The adjudicatory hearing shall be held within a reasonable time in the district at  
20 the time and place the chief district judge designates.

21 "§ 7B-2404. Participation of the prosecutor.

22 A prosecutor shall represent the State in contested delinquency hearings including  
23 first appearance, detention, probable cause, transfer, adjudicatory, dispositional,  
24 probation revocation, post-release supervision, and extended jurisdiction hearings.

25 "§ 7B-2405. Conduct of the adjudicatory hearing.

26 The adjudicatory hearing shall be a judicial process designed to determine whether  
27 the juvenile is undisciplined or delinquent. In the adjudicatory hearing, the court  
28 shall protect the following rights of the juvenile and the juvenile's parent, guardian,  
29 or custodian to assure due process of law:

30 (1) The right to written notice of the facts alleged in the petition;

31 (2) The right to counsel;

32 (3) The right to confront and cross-examine witnesses;

33 (4) The privilege against self-incrimination;

34 (5) The right of discovery; and

35 (6) All rights afforded adult offenders except the right to bail, the right  
36 of self-representation, and the right of trial by jury.

37 "§ 7B-2406. Continuances.

38 The court for good cause may continue the hearing for as long as is reasonably  
39 required to receive additional evidence, reports, or assessments that the court has  
40 requested, or other information needed in the best interests of the juvenile and to  
41 allow for a reasonable time for the parties to conduct expeditious discovery.  
42 Otherwise, continuances shall be granted only in extraordinary circumstances when  
43 necessary for the proper administration of justice or in the best interests of the  
44 juvenile.

1 "§ 7B-2407. When admissions by juvenile may be accepted.

2 (a) The court may accept an admission from a juvenile only after first addressing  
3 the juvenile personally and:

4 (1) Informing the juvenile that the juvenile has a right to remain silent  
5 and that any statement the juvenile makes may be used against the  
6 juvenile;

7 (2) Determining that the juvenile understands the nature of the charge;

8 (3) Informing the juvenile that the juvenile has a right to deny the  
9 allegations;

10 (4) Informing the juvenile that by the juvenile's admissions the  
11 juvenile waives the juvenile's right to be confronted by the  
12 witnesses against the juvenile;

13 (5) Determining that the juvenile is satisfied with the juvenile's  
14 representation; and

15 (6) Informing the juvenile of the most restrictive disposition on the  
16 charge.

17 (b) By inquiring of the prosecutor, the juvenile's attorney, and the juvenile  
18 personally, the court shall determine whether there were any prior discussions  
19 involving admissions, whether the parties have entered into any arrangement with  
20 respect to the admissions and the terms thereof, and whether any improper pressure  
21 was exerted. The court may accept an admission from a juvenile only after  
22 determining that the admission is a product of informed choice.

23 (c) The court may accept an admission only after determining that there is a  
24 factual basis for the admission. This determination may be based upon any of the  
25 following information: a statement of the facts by the prosecutor; a written statement  
26 of the juvenile; sworn testimony which may include reliable hearsay; or a statement of  
27 facts by the juvenile's attorney.

28 "§ 7B-2408. Rules of evidence.

29 If the juvenile denies the allegations of the petition, the court shall proceed in  
30 accordance with the rules of evidence applicable to criminal cases. In addition, no  
31 statement made by a juvenile to the intake counselor during the preliminary inquiry  
32 and evaluation process shall be admissible prior to the dispositional hearing.

33 "§ 7B-2409. Quantum of proof in adjudicatory hearing.

34 The allegations of a petition alleging the juvenile is delinquent shall be proved  
35 beyond a reasonable doubt. The allegations in a petition alleging undisciplined  
36 behavior shall be proved by clear and convincing evidence.

37 "§ 7B-2410. Record of proceedings.

38 All adjudicatory and dispositional hearings and hearings on probable cause and  
39 transfer to superior court shall be recorded by stenographic notes or by electronic or  
40 mechanical means. Records shall be reduced to a written transcript only when timely  
41 notice of appeal has been given. The court may order that other hearings be  
42 recorded.

43 "§ 7B-2411. Adjudication.

1 If the court finds that the allegations in the petition have been proved as provided  
2 in G.S. 7B-2409, the court shall so state. If the court finds that the allegations have  
3 not been proved, the court shall dismiss the petition with prejudice and the juvenile  
4 shall be released from secure or nonsecure custody if the juvenile is in custody.

5 **"§ 7B-2412. Legal effect of adjudication of delinquency.**

6 An adjudication that a juvenile is delinquent or commitment of a juvenile to the  
7 Department shall neither be considered conviction of any criminal offense nor cause  
8 the juvenile to forfeit any citizenship rights.

9 **"§ 7B-2413. Predisposition investigation and report.**

10 The court shall proceed to the dispositional hearing upon receipt of sufficient  
11 social, medical, psychiatric, psychological, and educational information. No  
12 predisposition report shall be submitted to or considered by the court prior to the  
13 completion of the adjudicatory hearing. The court shall permit the juvenile to inspect  
14 any predisposition report to be considered by the court in making the disposition  
15 unless the court determines that disclosure would seriously harm the juvenile's  
16 treatment or rehabilitation or would violate a promise of confidentiality. Opportunity  
17 to offer evidence in rebuttal shall be afforded the juvenile and the juvenile's parent,  
18 guardian, or custodian at the dispositional hearing. The court may order counsel not  
19 to disclose parts of the report to the juvenile or the juvenile's parent, guardian, or  
20 custodian if the court finds that disclosure would seriously harm the treatment or  
21 rehabilitation of the juvenile or would violate a promise of confidentiality given to a  
22 source of information.

23 **"ARTICLE 25.**

24 **"Dispositions.**

25 **"§ 7B-2500. Purpose.**

26 The purpose of dispositions in juvenile actions is to design an appropriate plan to  
27 meet the needs of the juvenile and to achieve the objectives of the State in exercising  
28 jurisdiction, including the protection of the public. The court should develop a  
29 disposition in each case that:

- 30 (1) Promotes public safety;  
31 (2) Emphasizes accountability and responsibility of both the parent,  
32 guardian, or custodian and the juvenile for the juvenile's conduct;  
33 and  
34 (3) Provides the appropriate consequences, treatment, training, and  
35 rehabilitation to assist the juvenile toward becoming a  
36 nonoffending, responsible, and productive member of the  
37 community.

38 **"§ 7B-2500.1. Dispositional hearing.**

39 (a) The dispositional hearing may be informal, and the court may consider written  
40 reports or other evidence concerning the needs of the juvenile.

41 (b) The juvenile and the juvenile's parent, guardian, or custodian shall have an  
42 opportunity to present evidence, and they may advise the court concerning the  
43 disposition they believe to be in the best interests of the juvenile.

(c) In choosing among statutorily permissible dispositions, the court shall select the most appropriate disposition both in terms of kind and duration for the delinquent juvenile. Within the guidelines set forth in G.S. 7B-2505, the court shall select a disposition that is designed to protect the public and to meet the needs and best interests of the juvenile, based upon:

- (1) The seriousness of the offense;
- (2) The need to hold the juvenile accountable;
- (3) The importance of protecting the public safety;
- (4) The degree of culpability indicated by the circumstances of the particular case; and
- (5) The rehabilitative and treatment needs of the juvenile.

(d) The court may dismiss the case, or continue the case for no more than six months in order to allow the family an opportunity to meet the needs of the juvenile through more adequate home supervision, through placement in a private or specialized school or agency, through placement with a relative, or through some other plan approved by the court.

**"§ 7B-2500.2. Evaluation and treatment of undisciplined and delinquent juveniles.**

(a) In any case, the court may order that the juvenile be examined by a physician, psychiatrist, psychologist, or other qualified expert as may be needed for the court to determine the needs of the juvenile.

(b) Upon completion of the examination, the court shall conduct a hearing to determine whether the juvenile is in need of medical, surgical, psychiatric, psychological, or other evaluation or treatment and who should pay the cost of the evaluation or treatment. The county manager, or any other person who is designated by the chair of the board of county commissioners, of the county of the juvenile's residence shall be notified of the hearing, and allowed to be heard. If the court finds the juvenile to be in need of medical, surgical, psychiatric, psychological, or other evaluation or treatment, the court shall permit the parent, guardian, custodian, or other responsible persons to arrange for evaluation or treatment. If the parent, guardian, or custodian declines or is unable to make necessary arrangements, the court may order the needed evaluation or treatment, surgery, or care, and the court may order the parent to pay the cost of the care pursuant to Article 27 of this Chapter. If the court finds the parent is unable to pay the cost of evaluation or treatment, the court shall order the county to arrange for evaluation or treatment of the juvenile and to pay for the cost of the evaluation or treatment. The county department of social services shall recommend the facility that will provide the juvenile with evaluation or treatment.

(c) If the court believes, or if there is evidence presented to the effect that the juvenile is mentally ill or is developmentally disabled, the court shall refer the juvenile to the area mental health, developmental disabilities, and substance abuse services director for appropriate action. A juvenile shall not be committed directly to a State hospital or mental retardation center; and orders purporting to commit a juvenile directly to a State hospital or mental retardation center except for an examination to determine capacity to proceed shall be void and of no effect. The area

1 mental health, developmental disabilities, and substance abuse director shall be  
2 responsible for arranging an interdisciplinary evaluation of the juvenile and  
3 mobilizing resources to meet the juvenile's needs. If institutionalization is determined  
4 to be the best service for the juvenile, admission shall be with the voluntary consent  
5 of the parent or guardian. If the parent, guardian, or custodian refuses to consent to a  
6 mental hospital or retardation center admission after such institutionalization is  
7 recommended by the area mental health, developmental disabilities, and substance  
8 abuse director, the signature and consent of the court may be substituted for that  
9 purpose. In all cases in which a regional mental hospital refuses admission to a  
10 juvenile referred for admission by the court and an area mental health,  
11 developmental disabilities, and substance abuse director or discharges a juvenile  
12 previously admitted on court referral prior to completion of the juvenile's treatment,  
13 the hospital shall submit to the court a written report setting out the reasons for  
14 denial of admission or discharge and setting out the juvenile's diagnosis, indications  
15 of mental illness, indications of need for treatment, and a statement as to the location  
16 of any facility known to have a treatment program for the juvenile in question.

17 **"§ 7B-2501. Dispositional alternatives for undisciplined juveniles.**

18 The following alternatives for disposition shall be available to the court exercising  
19 jurisdiction over a juvenile who has been adjudicated undisciplined. The court may  
20 combine any of the applicable alternatives when the court finds it to be in the best  
21 interests of the juvenile:

- 22 (1) In the case of any juvenile who needs more adequate care or  
23 supervision or who needs placement, the judge may:  
24 a. Require that the juvenile be supervised in the juvenile's own  
25 home by a department of social services in the juvenile's  
26 county of residence, a court counselor, or other personnel as  
27 may be available to the court, subject to conditions  
28 applicable to the parent, guardian, or custodian or the  
29 juvenile as the judge may specify; or  
30 b. Place the juvenile in the custody of a parent, guardian,  
31 custodian, relative, private agency offering placement  
32 services, or some other suitable person; or  
33 c. Place the juvenile in the custody of a department of social  
34 services in the county of the juvenile's residence, or in the  
35 case of a juvenile who has legal residence outside the State,  
36 in the physical custody of a department of social services in  
37 the county where the juvenile is found so that agency may  
38 return the juvenile to the responsible authorities in the  
39 juvenile's home state. The director may, unless otherwise  
40 ordered by the judge, arrange for, provide, or consent to,  
41 needed routine or emergency medical or surgical care or  
42 treatment. In the case where the parent is unknown,  
43 unavailable, or unable to act on behalf of the child or  
44 children, the director may, unless otherwise ordered by the

1 judge, arrange for, provide or consent to any psychiatric,  
2 psychological, educational, or other remedial evaluations or  
3 treatment for the juvenile placed by a judge or the judge's  
4 designee in the custody or physical custody of a county  
5 department of social services under the authority of this or  
6 any other Chapter of the General Statutes. Prior to  
7 exercising this authority, the director shall make reasonable  
8 efforts to obtain consent from a parent or guardian of the  
9 affected child. If the director cannot obtain consent, the  
10 director shall promptly notify the parent or guardian that  
11 care or treatment has been provided and shall give the  
12 parent or guardian frequent status reports on the  
13 circumstances of the child. Upon request of a parent or  
14 guardian of the affected child, the results or records of the  
15 aforementioned evaluations, findings, or treatment shall be  
16 made available to the parent or guardian by the director  
17 unless prohibited by G.S. 122C-53(d).

18 (2) Place the juvenile under the protective supervision of a court  
19 counselor for no more than one year.

20 (3) Excuse the juvenile from compliance with the compulsory school  
21 attendance law when the court finds that suitable alternative plans  
22 can be arranged by the family through other community resources  
23 for one of the following: an education related to the needs or  
24 abilities of the juvenile including vocational education or special  
25 education; a suitable plan of supervision or placement; or some  
26 other plan that the court finds to be in the best interests of the  
27 juvenile.

28 **"§ 7B-2502. Conditions of protective supervision for undisciplined juveniles.**

29 The court may place a juvenile on protective supervision pursuant to G.S. 7B-2501  
30 so that the court counselor may (i) assist the juvenile in securing social, medical, and  
31 educational services and (ii) visit and work with the family as a unit to ensure the  
32 juvenile is provided proper supervision and care. The court may impose any  
33 combination of the following conditions of protective supervision that are related to  
34 the needs of the juvenile, including:

35 (1) That the juvenile shall remain on good behavior and not violate  
36 any laws;

37 (2) That the juvenile attend school regularly;

38 (3) That the juvenile maintain passing grades in up to four courses  
39 during each grading period and meet with the court counselor and  
40 a representative of the school to make a plan for how to maintain  
41 those passing grades;

42 (4) That the juvenile not associate with specified persons or be in  
43 specified places;

44 (5) That the juvenile abide by a prescribed curfew;

(6) That the juvenile report to a court counselor as often as required by a court counselor;

(7) That the juvenile be employed regularly if not attending school; and

(8) That the juvenile satisfy any other conditions determined appropriate by the court.

**"§ 7B-2503. Contempt of court for undisciplined juveniles.**

Upon motion of the court counselor or on the court's own motion, the court may issue an order directing a juvenile who has been adjudicated undisciplined to appear and show cause why the juvenile should not be held in contempt for willfully failing to comply with an order of the court. The first time the juvenile is held in contempt, the court may order the juvenile confined in an approved detention facility for a period not to exceed 24 hours. The second time the juvenile is held in contempt, the court may order the juvenile confined in an approved detention facility for a period not to exceed three days. The third time and all subsequent times the juvenile is held in contempt, the court may order the juvenile confined in an approved detention facility for a period not to exceed five days.

**"§ 7B-2504. Dispositional alternatives for delinquent juveniles.**

The court exercising jurisdiction over a juvenile who has been adjudicated delinquent may use the following alternatives in accordance with the dispositional structure set forth in G.S. 7B-2505:

(1) In the case of any juvenile who needs more adequate care or supervision or who needs placement, the judge may:

a. Require that a juvenile be supervised in the juvenile's own home by the department of social services in the juvenile's county, a court counselor, or other personnel as may be available to the court, subject to conditions applicable to the parent, guardian, or custodian or the juvenile as the judge may specify; or

b. Place the juvenile in the custody of a parent, guardian, custodian, relative, private agency offering placement services, or some other suitable person; or

c. Place the juvenile in the custody of the department of social services in the county of his residence, or in the case of a juvenile who has legal residence outside the State, in the physical custody of a department of social services in the county where the juvenile is found so that agency may return the juvenile to the responsible authorities in the juvenile's home state. The director may, unless otherwise ordered by the judge, arrange for, provide, or consent to, needed routine or emergency medical or surgical care or treatment. In the case where the parent is unknown, unavailable, or unable to act on behalf of the child or children, the director may, unless otherwise ordered by the

1 judge, arrange for, provide, or consent to any psychiatric,  
2 psychological, educational, or other remedial evaluations or  
3 treatment for the juvenile placed by a judge or his designee  
4 in the custody or physical custody of a county department of  
5 social services under the authority of this or any other  
6 Chapter of the General Statutes. Prior to exercising this  
7 authority, the director shall make reasonable efforts to  
8 obtain consent from a parent or guardian of the affected  
9 child. If the director cannot obtain such consent, the  
10 director shall promptly notify the parent or guardian that  
11 care or treatment has been provided and shall give the  
12 parent or guardian frequent status reports on the  
13 circumstances of the child. Upon request of a parent or  
14 guardian of the affected child, the results or records of the  
15 aforementioned evaluations, findings, or treatment shall be  
16 made available to such parent or guardian by the director  
17 unless prohibited by G.S. 122C-53(d).

18 (2) Excuse the juvenile from compliance with the compulsory school  
19 attendance law when the court finds that suitable alternative plans  
20 can be arranged by the family through other community resources  
21 for one of the following: an education related to the needs or  
22 abilities of the juvenile including vocational education or special  
23 education; a suitable plan of supervision or placement; or some  
24 other plan that the court finds to be in the best interests of the  
25 juvenile.

26 (3) Order the juvenile to cooperate with a community-based program  
27 or a professional residential or nonresidential treatment program.  
28 Participation in the programs shall not exceed 12 months.

29 (4) Require restitution, full or partial, payable within a 12-month  
30 period to any person who has suffered loss or damage as a result of  
31 the offense committed by the juvenile. The court may determine  
32 the amount, terms, and conditions of the restitution. If the juvenile  
33 participated with another person or persons, all participants should  
34 be jointly and severally responsible for the payment of restitution;  
35 however, the court shall not require the juvenile to make  
36 restitution if the juvenile satisfies the court that the juvenile does  
37 not have, and could not reasonably acquire, the means to make  
38 restitution.

39 (5) Impose a fine related to the seriousness of the juvenile's offense. If  
40 the juvenile has the ability to pay the fine, it shall not exceed the  
41 maximum fine for the offense if committed by an adult.

42 (6) Order the juvenile to perform supervised community service  
43 consistent with the juvenile's age, skill, and ability, specifying the  
44 nature of the work and the number of hours required. The work

- 1                   shall be related to the seriousness of the juvenile's offense and in  
2                   no event may the obligation to work exceed 12 months.  
3           (7)   Order the juvenile to participate in the victim-offender  
4                   reconciliation program.  
5           (8)   Place the juvenile on probation under the supervision of a court  
6                   counselor, as specified in G.S. 7B-2506.  
7           (9)   Order that the juvenile shall not be licensed to operate a motor  
8                   vehicle in the State of North Carolina for as long as the court  
9                   retains jurisdiction over the juvenile or for any shorter period of  
10                  time and notify the Division of Motor Vehicles of that order.  
11           (10) Impose a curfew upon the juvenile.  
12           (11) Order the juvenile to cooperate with placement in a residential  
13                  treatment facility or in a group home other than a multipurpose  
14                  group home operated by a State agency.  
15           (12) Order the juvenile to cooperate with placement in a wilderness  
16                  program.  
17           (13) Impose confinement on an intermittent basis in an approved  
18                  detention facility. Confinement shall be limited to not more than  
19                  five 24-hour periods, the timing of which is determined by the  
20                  court in its discretion.  
21           (14) Place the juvenile on intensive probation under the supervision of  
22                  a court counselor.  
23           (15) Order the juvenile to cooperate with a supervised day program  
24                  requiring the juvenile to be present at a specified place for all or  
25                  part of every day or of certain days. The court also may require the  
26                  juvenile to comply with any other reasonable conditions specified  
27                  in the dispositional order that are designed to facilitate supervision.  
28           (16) Order the juvenile to participate in a regimented training program.  
29           (17) Order the juvenile to submit to house arrest.  
30           (18) Suspend imposition of a more severe, statutorily permissible  
31                  disposition with the provision that the juvenile meet certain  
32                  conditions agreed to by the juvenile and specified in the  
33                  dispositional order. The conditions shall not exceed the allowable  
34                  dispositions for the level under which disposition is being imposed.  
35           (19) Order that the juvenile be confined in a secure juvenile detention  
36                  facility for a term of up to 14 24-hour periods, which confinement  
37                  shall not be imposed consecutively with intermittent confinement  
38                  pursuant to subdivision (13) of this section at the same  
39                  dispositional hearing.  
40           (20) Order the residential placement of a juvenile in a multipurpose  
41                  group home operated by a State agency.  
42           (21) Commit the juvenile to the Department in accordance with G.S.  
43                  7B-2509 for a period of not less than six months.  
44   "§ 7B-2504.1. Delinquency history levels.

1 (a) Generally. -- The delinquency history level for a delinquent juvenile is  
2 determined by calculating the sum of the points assigned to each of the juvenile's  
3 prior adjudications and to the juvenile's probation status, if any, that the court finds  
4 to have been proved in accordance with this section.

5 (b) Points. -- Points are assigned as follows:

6 (1) For each prior adjudication of a Class A through E felony offense,  
7 4 points.

8 (2) For each prior adjudication of a Class F through I felony offense  
9 or Class A1 misdemeanor offense, 2 points.

10 (3) For each prior adjudication of a Class 1, 2, or 3 misdemeanor  
11 offense, 1 point.

12 (4) If the juvenile was on probation at the time of adjudication, 2  
13 points.

14 (c) Delinquency History Levels. -- The delinquency history levels are:

15 (1) Low -- No more than 1 point.

16 (2) Medium -- At least 2, but not more than 3 points.

17 (3) High -- At least 4 points.

18 In determining the delinquency history level, the classification of a prior offense is  
19 the classification assigned to that offense at the time the juvenile committed the  
20 offense for which disposition is being ordered.

21 (d) Multiple Prior Adjudications Obtained in One Court Session. -- For purposes  
22 of determining the delinquency history level, if a juvenile is adjudicated delinquent  
23 for more than one offense in a single session of district court, only the adjudication  
24 for the offense with the highest point total is used.

25 (e) Classification of Prior Adjudications From Other Jurisdictions. -- Except as  
26 otherwise provided in this subsection, an adjudication occurring in a jurisdiction  
27 other than North Carolina is classified as a Class I felony if the jurisdiction in which  
28 the offense occurred classifies the offense as a felony, or is classified as a Class 3  
29 misdemeanor if the jurisdiction in which the offense occurred classifies the offense as  
30 a misdemeanor. If the juvenile proves by the preponderance of the evidence that an  
31 offense classified as a felony in the other jurisdiction is substantially similar to an  
32 offense that is a misdemeanor in North Carolina, the conviction is treated as that  
33 class of misdemeanor for assigning delinquency history level points. If the State  
34 proves by the preponderance of the evidence that an offense classified as either a  
35 misdemeanor or a felony in the other jurisdiction is substantially similar to an offense  
36 in North Carolina that is classified as a Class I felony or higher, the conviction is  
37 treated as that class of felony for assigning delinquency history level points. If the  
38 State proves by the preponderance of the evidence that an offense classified as a  
39 misdemeanor in the other jurisdiction is substantially similar to an offense classified  
40 as a Class A1 misdemeanor in North Carolina, the adjudication is treated as a Class  
41 A1 misdemeanor for assigning delinquency history level points.

42 (f) Proof of Prior Adjudications. -- A prior adjudication shall be proved by any of  
43 the following methods:

44 (1) Stipulation of the parties.

- (2) An original or copy of the court record of the prior adjudication.
- (3) A copy of records maintained by the Division of Criminal Information or by the Department.
- (4) Any other method found by the court to be reliable.

The State bears the burden of proving, by a preponderance of the evidence, that a prior adjudication exists and that the juvenile before the court is the same person as the juvenile named in the prior adjudication. The original or a copy of the court records or a copy of the records maintained by the Division of Criminal Information or of the Department, bearing the same name as that by which the juvenile is charged, is prima facie evidence that the juvenile named is the same person as the juvenile before the court, and that the facts set out in the record are true. For purposes of this subsection, 'a copy' includes a paper writing containing a reproduction of a record maintained electronically on a computer or other data processing equipment, and a document produced by a facsimile machine. The prosecutor shall make all feasible efforts to obtain and present to the court the juvenile's full record. Evidence presented by either party at trial may be utilized to prove prior adjudications. If asked by the juvenile, the prosecutor shall furnish the juvenile's prior adjudications to the juvenile within a reasonable time sufficient to allow the juvenile to determine if the record available to the prosecutor is accurate.

"§ 7B-2505. Dispositional limits for each class of offense and delinquency history level.

(a) Offense Classification. -- The offense classifications are as follows:

- (1) Violent -- adjudication of a Class A through E felony offense;
- (2) Serious -- adjudication of a Class F through I felony offense or a Class A1 misdemeanor;
- (3) Minor -- adjudication of a Class 1, 2, or 3 misdemeanor.

(b) Delinquency History Levels. -- A delinquency history level shall be determined for each delinquent juvenile as provided in G.S. 7B-2504.1.

(c) Level 1 -- Community Disposition. -- A court exercising jurisdiction over a juvenile who has been adjudicated delinquent and for whom the dispositional chart in subsection (f) of this section prescribes a Level 1 disposition may provide for evaluation and treatment under G.S. 7B-2500.2 and for any of the dispositional alternatives contained in subdivisions (1) through (13) of G.S. 7B-2504. In determining which dispositional alternative is appropriate, the court shall consider the needs of the juvenile, the appropriate community resources available to meet those needs, and the protection of the public.

(d) Level 2 -- Intermediate Disposition. -- A court exercising jurisdiction over a juvenile who has been adjudicated delinquent and for whom the dispositional chart in subsection (f) of this section prescribes a Level 2 disposition may provide for evaluation and treatment under G.S. 7B-2500.2 and for any of the dispositional alternatives contained in subdivisions (1) through (20) of G.S. 7B-2504, but shall provide for at least one of the intermediate dispositions authorized in subdivisions (12) and (14) through (20) of G.S. 7B-2504. In determining which dispositional alternative is appropriate, the court shall consider the needs of the juvenile, the

1 appropriate community resources available to meet those needs, and the protection of  
 2 the public.

3 (e) Level 3 -- Commitment. -- A court exercising jurisdiction over a juvenile who  
 4 has been adjudicated delinquent and for whom the dispositional chart in subsection  
 5 (f) of this section prescribes a Level 3 disposition shall commit the juvenile to the  
 6 Department in accordance with G.S. 7B-2504(21). However, a court may impose a  
 7 Level 2 disposition rather than a Level 3 disposition if the court submits written  
 8 findings on the record that substantiate extraordinary needs on the part of the  
 9 offending juvenile.

10 (f) Dispositions for Each Class of Offense and Delinquency History Level:  
 11 Disposition Chart Described. -- The authorized disposition for each class of offense  
 12 and delinquency history level is as specified in the chart below. Delinquency history  
 13 levels are indicated horizontally on the top of the chart. Classes of offense are  
 14 indicated vertically on the left side of the chart. Each cell on the chart indicates  
 15 which of the dispositional levels described in subsections (c) through (e) of this  
 16 section are prescribed for that combination of offense classification and delinquency  
 17 history level:

#### DELINQUENCY HISTORY

<u>OFFENSE</u>	<u>LOW</u>	<u>MEDIUM</u>	<u>HIGH</u>
<u>VIOLENT</u>	<u>Level 2 or 3</u>	<u>Level 3</u>	<u>Level 3</u>
<u>SERIOUS</u>	<u>Level 1 or 2</u>	<u>Level 2</u>	<u>Level 2 or 3</u>
<u>MINOR</u>	<u>Level 1</u>	<u>Level 1 or 2</u>	<u>Level 2.</u>

29 (g) The court may consider as a mitigating factor evidence of a juvenile's  
 30 cooperation with law enforcement in providing information about other persons with  
 31 whom the juvenile acted in the commission of the offense for which the juvenile was  
 32 adjudicated. A mitigating factor may be used in determining the appropriate  
 33 dispositional options within the level prescribed by the dispositional chart in  
 34 subsection (f) of this section.

35 (h) If a juvenile is adjudicated of more than one offense at the same time, the  
 36 court shall consolidate the offenses for disposition and impose a single disposition for  
 37 the consolidated offenses. The disposition shall be specified for the class of offense  
 38 and delinquency history level of the most serious offense.

#### 39 "§ 7B-2506. Conditions of probation; violation of probation.

40 (a) In any case where a juvenile is placed on probation pursuant to G.S. 7B-  
 41 2504(8), the court counselor shall have the authority to visit the juvenile where the  
 42 juvenile resides. The court may impose conditions of probation that are related to  
 43 the needs of the juvenile and that are reasonably necessary to ensure that the juvenile  
 44 will lead a law-abiding life, including:

- (1) That the juvenile shall remain on good behavior and not violate any laws.
- (2) That the juvenile attend school regularly.
- (3) That the juvenile maintain passing grades in up to four courses during each grading period and meet with the court counselor and a representative of the school to make a plan for how to maintain those passing grades.
- (4) That the juvenile not associate with specified persons or be in specified places.
- (5) That the juvenile remain free of any controlled substance included in any schedule of Article 5 of Chapter 90 of the General Statutes, the Controlled Substances Act, and the juvenile submit to random drug testing.
- (6) That the juvenile abide by a prescribed curfew.
- (7) That the juvenile submit to a warrantless search at reasonable times.
- (8) That the juvenile possess no firearm, explosive device, or other deadly weapon.
- (9) That the juvenile report to a court counselor as often as required by a court counselor.
- (10) That the juvenile make specified financial restitution or pay a fine in accordance with G.S. 7B-2504(4) and (5).
- (11) That the juvenile be employed regularly if not attending school.
- (12) That the juvenile satisfy any other conditions determined appropriate by the court.

(b) In addition to the regular conditions of probation specified in subsection (a) of this section, the court may order the juvenile to comply, if directed to comply by the court counselor, with one or more of the following conditions:

- (1) Perform up to 20 hours of community service;
- (2) Submit to substance abuse monitoring and treatment;
- (3) Cooperate with electronic monitoring;
- (4) Cooperate with intensive supervision; and
- (5) Participate in a life skills or an educational skills program administered by the Department.

(c) An order of probation shall remain in force for a period not to exceed two years from the date entered. Prior to expiration of an order of probation, the court may extend it for an additional period of one year after a hearing if the court finds that the extension is necessary to protect the community or to safeguard the welfare of the juvenile.

(d) If the juvenile violates the conditions of probation set by the court, the court may elect to continue the original conditions of probation, modify the conditions of probation, or, except as provided in subsection (e) of this section, order a new disposition at the next higher level on the disposition chart in G.S. 7B-2505. In the court's discretion, part of the new disposition may include an order of confinement in

1 a secure juvenile detention facility for up to twice the term authorized by G.S. 7B-  
2 2505.

3 "§ 7B-2507. Probation review.

4 The court may review the progress of any juvenile on probation at any time during  
5 the period of probation or at the end of probation. Except as provided in G.S. 7B-  
6 2506, the conditions or duration of probation may be modified only as provided in  
7 this Subchapter and only after there is notice and a hearing. If a juvenile violates the  
8 conditions of probation, the juvenile and the juvenile's parent, guardian, or custodian  
9 after notice may be required to appear before the court and the court may make any  
10 disposition of the matter authorized by this Subchapter. At the end of or at any time  
11 during probation, the court may terminate probation by written order upon finding  
12 that there is no further need for supervision. The finding and order terminating  
13 probation may be entered in chambers in the absence of the juvenile and may be  
14 based on a report from the court counselor or, at the election of the court, the order  
15 may be entered with the juvenile present after notice and a hearing.

16 "§ 7B-2508. Dispositional order.

17 The dispositional order shall be in writing and shall contain appropriate findings of  
18 fact and conclusions of law. The court shall state with particularity, both orally and in  
19 the written order of disposition, the precise terms of the disposition including the  
20 kind, duration, and the person who is responsible for carrying out the disposition and  
21 the person or agency in whom custody is vested.

22 "§ 7B-2509. Commitment of delinquent juvenile to Department.

23 (a) Pursuant to G.S. 7B-2504 and G.S. 7B-2505, the court may commit a  
24 delinquent juvenile who is at least 10 years of age to the Department for placement in  
25 one of the residential facilities operated by the Department. Commitment shall be for  
26 a definite or indefinite term of at least six months. In no event shall the term exceed  
27 the nineteenth birthday of the juvenile.

28 (b) The court may commit a juvenile to a definite term of not more than two  
29 years if the court finds that the juvenile is 14 years of age or older, has been  
30 previously adjudicated delinquent for two or more felony offenses, and has been  
31 previously committed to a residential facility operated by the Department.

32 (c) The chief court counselor shall have the responsibility for transporting the  
33 juvenile to the residential facility designated by the Department. The juvenile shall be  
34 accompanied to the residential facility by a person of the same sex.

35 (d) The chief court counselor shall ensure that the records requested by the  
36 Secretary or the Secretary's designee accompany the juvenile upon transportation for  
37 admittance to a training school or, if not obtainable at the time of admission, are sent  
38 to the training school within 15 days of the admission. If records requested by the  
39 Department for admission do not exist, to the best knowledge of the chief court  
40 counselor, the chief court counselor shall so stipulate in writing to the training school.  
41 If such records do exist, but the chief court counselor is unable to obtain copies of  
42 them, a district court may order that the records from public agencies be made  
43 available to the training school. Records that are confidential by law shall remain  
44 confidential and the Department shall be bound by the specific laws governing the

1 confidentiality of these records. All records shall be used in a manner consistent with  
2 the best interests of the juvenile.

3 (e) A commitment order accompanied by information requested by the Secretary  
4 shall be forwarded to the Department. The Secretary shall place the juvenile in the  
5 residential facility that would best provide for the juvenile's needs and shall notify the  
6 committing court. The Secretary may assign a juvenile committed for delinquency to  
7 any institution or other program of the Department or licensed by the Department,  
8 which program is appropriate to the needs of the juvenile.

9 (f) When the court commits a juvenile to the Department, the Secretary shall  
10 prepare a plan for care or treatment within 30 days after assuming custody of the  
11 juvenile.

12 (g) Commitment of a juvenile to the Department does not terminate the court's  
13 continuing jurisdiction over the juvenile and the juvenile's parent, guardian, or  
14 custodian. Commitment of a juvenile to the Department transfers only physical  
15 custody of the juvenile. Legal custody remains with the parent, guardian, custodian,  
16 agency, or institution in whom it was vested.

17 (h) Pending placement of a juvenile with the Department, the court may house a  
18 juvenile who has been adjudicated delinquent for an offense that would be a Class A,  
19 B1, B2, C, D, or E felony if committed by an adult in a holdover facility up to 72  
20 hours if the court, based on the information provided by the court counselor,  
21 determines that no acceptable alternative placement is available and the protection of  
22 the public requires that the juvenile be housed in a holdover facility.

23 **"§ 7B-2510. Post-release supervision planning; release.**

24 (a) The Secretary shall be responsible for evaluation of the progress of each  
25 juvenile at least once every six months as long as the juvenile remains in the care of  
26 the Department. If the Secretary determines that a juvenile is ready for release, the  
27 Secretary shall initiate a post-release supervision planning process. The post-release  
28 supervision planning process shall be defined by rules and regulations of the  
29 Department, but shall include the following:

30 (1) Written notification shall be given to the court that ordered  
31 commitment.

32 (2) A post-release supervision planning conference shall be held  
33 involving as many as possible of the following: the juvenile, the  
34 juvenile's parent, guardian, or custodian, court counselors who  
35 have supervised the juvenile on probation or will supervise the  
36 juvenile on post-release supervision, and staff of the facility that  
37 found the juvenile ready for release. The planning conference shall  
38 include personal contact and evaluation rather than telephonic  
39 notification.

40 (3) The planning conference participants shall consider, based on the  
41 individual needs of the juvenile and pursuant to rules adopted by  
42 the Department, placement of the juvenile in any program under  
43 the auspices of the Department, including the Community-Based  
44 Alternatives programs, that, in the judgment of the Department,

1 may serve as a transitional placement, pending release under G.S.  
2 7B-2512.

3 (b) The Department shall develop the plan in writing and base the terms on the  
4 needs of the juvenile and the protection of the public. Every plan shall require the  
5 juvenile to complete at least 90 days of post-release supervision.

6 (c) The Department shall release a juvenile under a plan of post-release  
7 supervision at least 90 days prior to the later of:

8 (1) Completion of the juvenile's definite term of commitment; or

9 (2) If the juvenile is committed for an indefinite term, either on the  
10 juvenile's eighteenth birthday if no motion for extended  
11 jurisdiction has been filed pursuant to G.S. 7B-2513 or on the  
12 juvenile's nineteenth birthday.

13 (d) Notwithstanding Articles 30 and 31 of Subchapter III of this Chapter, before  
14 the court releases a juvenile who is serving a commitment for a Class A or B1 felony  
15 to post-release supervision, the Department shall notify, at least 45 days in advance of  
16 the scheduled release date, by first-class mail at the last known address:

17 (1) The juvenile;

18 (2) The juvenile's parent, guardian, or custodian;

19 (3) The district attorney of the district where the juvenile was  
20 adjudicated;

21 (4) The head law enforcement agency that took the juvenile into  
22 custody; and

23 (5) The victim and any of the victim's immediate family members who  
24 have requested in writing to be notified.

25 The notification shall include only the juvenile's name, offense, date of  
26 commitment, and date of consideration for release. A copy of the notice shall be  
27 placed in the juvenile's file.

28 (e) The Department may release a juvenile under an indefinite commitment to  
29 post-release supervision only after the juvenile has been committed for a period of at  
30 least six months.

31 (f) A juvenile committed to the Department for a definite term shall receive credit  
32 toward that term for the time the juvenile spends on post-release supervision.

33 "§ 7B-2511. Revocation of post-release supervision.

34 If a juvenile fails to complete the terms of post-release supervision, the court  
35 counselor providing post-release supervision may make a motion for review in the  
36 court in the district where the juvenile has been residing during post-release  
37 supervision. The court shall hold a hearing to determine whether there has been a  
38 violation. With respect to any hearing pursuant to this section, the juvenile:

39 (1) Shall have reasonable notice in writing of the nature and content  
40 of the allegations in the motion, including notice that the purpose  
41 of the hearing is to determine whether the juvenile has violated the  
42 terms of post-release supervision to the extent that post-release  
43 supervision should be revoked;

44 (2) Shall be represented by an attorney at the hearing;

1           (3) Shall have the right to confront and cross-examine any persons  
2           who have made allegations against the juvenile; and

3           (4) May admit, deny, or explain the violation alleged and may present  
4           proof, including affidavits or other evidence, in support of the  
5           juvenile's contentions. A record of the proceeding shall be made  
6           and preserved in the juvenile's record.

7       If the court determines that the juvenile has violated the terms of post-release  
8       supervision, the court may revoke the post-release supervision or make any other  
9       disposition authorized by this Subchapter.

10       If the court revokes the post-release supervision, the chief court counselor shall  
11       have the responsibility for returning the juvenile to the facility specified by the  
12       Department.

13       "§ 7B-2512. Final discharge.

14       (a) The Department shall release a juvenile only after the juvenile completes post-  
15       release supervision or when the juvenile is released to the Department of Correction  
16       pursuant to G.S. 15A-1340.16B.

17       (b) Notwithstanding the provisions of this section, in no event shall a juvenile  
18       remain committed after the juvenile's eighteenth birthday except pursuant to G.S.  
19       7B-2513.

20       "§ 7B-2513. Extended jurisdiction under certain circumstances; review hearing.

21       (a) By order of the court, juvenile court jurisdiction over a juvenile may be  
22       extended past the age of 18 years until the person reaches the person's nineteenth  
23       birthday. The provisions of this Subchapter shall apply to any person under the  
24       jurisdiction of the juvenile court pursuant to this section, regardless of whether the  
25       term 'person' or 'juvenile' is used in the provision.

26       (b) When the chief court counselor, or the Department if the juvenile is committed  
27       to the Department, determines a juvenile should remain under the jurisdiction of the  
28       court for a period of time after the age of 18 years, the chief court counselor or  
29       Department shall file a motion for a review hearing in the judicial district where the  
30       juvenile was adjudicated. This motion shall be filed at least 180 days prior to the  
31       eighteenth birthday of the juvenile. The chief court counselor or Department shall  
32       notify the juvenile, the juvenile's attorney, and the juvenile's parent, guardian, or  
33       custodian in writing of the date and time of the scheduled hearing at least 10 days  
34       prior to the scheduled hearing date.

35       (c) Within 30 days after the motion is filed, the court shall conduct a review  
36       hearing to determine whether the juvenile shall remain under the jurisdiction of the  
37       court. The court counselor and the prosecutor shall attend the hearing and, if the  
38       court requests, present testimony or evidence as to whether the juvenile continues to  
39       be in need of and can benefit from further treatment or services.

40       (d) In determining whether to order that the juvenile remain under the  
41       jurisdiction of the court, the court shall consider:

42           (1) The recommendation of the chief court counselor or the Secretary  
43           based on the juvenile's progress;

(2) The likelihood that continued jurisdiction will lead to further rehabilitation;

(3) The safety and protection of the facility's juvenile population, if applicable; and

(4) The protection of the public.

(e) If the court orders the juvenile remain under the jurisdiction of the court and the juvenile is committed to the Department, commitment shall be for a definite term or an indefinite term not to exceed the nineteenth birthday of the person.

(f) The Secretary shall modify the plan for care or treatment of the juvenile prepared pursuant to G.S. 7B-2509.

**"§ 7B-2514. Transfer authority of Governor.**

The Governor may order transfer of any person less than 18 years of age from any jail or penal facility of the State to one of the residential facilities operated by the Department in appropriate circumstances, provided the Governor shall consult with the Department concerning the feasibility of the transfer in terms of available space, staff, and suitability of program.

When an inmate, committed to the Department of Correction, is transferred by the Governor to a residential program operated by the Department, the Department may release the juvenile based on the needs of the juvenile and the best interests of the State. Transfer shall not divest the probation or parole officer of the officer's responsibility to supervise the inmate on release.

**"ARTICLE 26.**

**"Modification and Enforcement of Dispositional Orders; Appeals.**

**"§ 7B-2600. Authority to modify or vacate.**

(a) Upon motion in the cause or petition, and after notice, the court may conduct a review hearing to determine whether the order of the court is in the best interests of the juvenile, and the court may modify or vacate the order in light of changes in circumstances or the needs of the juvenile.

(b) In a case of delinquency, the court may reduce the nature or the duration of the disposition on the basis that it was imposed in an illegal manner or is unduly severe with reference to the seriousness of the offense, the culpability of the juvenile, or the dispositions given to juveniles convicted of similar offenses.

(c) In any case where the court finds the juvenile to be delinquent or undisciplined, the jurisdiction of the court to modify any order or disposition made in the case shall continue (i) during the minority of the juvenile, (ii) until the juvenile reaches the age of 19 years, if the court has extended jurisdiction, or (iii) until terminated by order of the court.

**"§ 7B-2601. Request for modification for lack of suitable services.**

If the Secretary finds that any juvenile committed to the Department's care is not suitable for its program, the Secretary may make a motion in the cause so that the court may make an alternative disposition that is consistent with G.S. 7B-2505.

**"§ 7B-2602. Right to appeal.**

Upon motion of a proper party as defined in G.S. 7B-2603, review of any final order of the court in a juvenile matter under this Article shall be before the Court of

1 Appeals. Notice of appeal shall be given in open court at the time of the hearing or  
2 in writing within 10 days after entry of the order. However, if no disposition is made  
3 within 60 days after entry of the order, written notice of appeal may be given within  
4 70 days after such entry. A final order shall include:

5 (1) Any order finding absence of jurisdiction;

6 (2) Any order which in effect determines the action and prevents a  
7 judgment from which appeal might be taken;

8 (3) Any order of disposition after an adjudication that a juvenile is  
9 delinquent or undisciplined; or

10 (4) Any order modifying custodial rights.

11 **"§ 7B-2603. Proper parties for appeal.**

12 An appeal may be taken by the juvenile, the juvenile's parent, guardian, or  
13 custodian, or the State or county agency. The State's appeal is limited to the  
14 following orders in delinquency or undisciplined cases:

15 (1) An order finding a State statute to be unconstitutional; and

16 (2) Any order which terminates the prosecution of a petition by  
17 upholding the defense of double jeopardy, by holding that a cause  
18 of action is not stated under a statute, or by granting a motion to  
19 suppress.

20 **"§ 7B-2604. Disposition pending appeal.**

21 Pending disposition of an appeal, the release of the juvenile, with or without  
22 conditions, should issue in every case unless the court orders otherwise. For  
23 compelling reasons which must be stated in writing, the court may enter a temporary  
24 order affecting the custody or placement of the juvenile as the court finds to be in the  
25 best interests of the juvenile or the State.

26 **"§ 7B-2605. Disposition after appeal.**

27 Upon the affirmation of the order of adjudication or disposition of the court by the  
28 Court of Appeals or by the Supreme Court in the event of an appeal, the court shall  
29 have authority to modify or alter the original order of adjudication or disposition as  
30 the court finds to be in the best interests of the juvenile to reflect any adjustment  
31 made by the juvenile or change in circumstances during the period of time the appeal  
32 was pending. If the modifying order is entered ex parte, the court shall give notice to  
33 interested parties to show cause within 10 days thereafter as to why the modifying  
34 order should be vacated or altered.

35 **"ARTICLE 27.**

36 **"Authority Over Parents of Juveniles**

37 **Adjudicated Delinquent or Undisciplined.**

38 **"§ 7B-2700. Appearance in court.**

39 (a) The parent, guardian, or custodian of a juvenile under the jurisdiction of the  
40 juvenile court shall attend the hearings of which the parent, guardian, or custodian  
41 receives notice. The court may excuse the appearance of either or both parents or  
42 the guardian or custodian at subsequent hearings. Unless so excused, the willful  
43 failure of a parent, guardian, or custodian to attend a hearing of which the parent,  
44 guardian, or custodian has notice shall be grounds for contempt.

(b) No employer may discharge or demote any employee because the employee is required to appear in court pursuant to this section. Any employer who violates any provision of this section shall be liable in a civil action for reasonable damages suffered by an employee as a result of the violation, and an employee discharged or demoted in violation of this section shall be entitled to be reinstated to the employee's former position. The burden of proof shall be upon the employee. The statute of limitations for actions under this section shall be one year pursuant to G.S. 1-54.

**"§ 7B-2701. Parental responsibility classes.**

The court may order the parent of a juvenile who has been adjudicated undisciplined or delinquent to attend parental responsibility classes if those classes are available in the judicial district in which the parent resides.

**"§ 7B-2702. Medical, surgical, psychiatric, or psychological evaluation or treatment of juvenile or parent.**

(a) If the court orders medical, surgical, psychiatric, psychological, or other evaluation or treatment pursuant to G.S. 7B-2500.2, the court may order the parent or other responsible parties to pay the cost of the treatment or care ordered.

(b) At the dispositional hearing or a subsequent hearing, if the court finds that it is in the best interests of the juvenile for the parent, guardian, or custodian to be directly involved in the juvenile's evaluation or treatment, the court may order that person to participate in medical, psychiatric, psychological, or other evaluation or treatment of the juvenile. The cost of the evaluation or treatment shall be paid pursuant to G.S. 7B-2500.2.

(c) At the dispositional hearing or a subsequent hearing, the court may determine whether the best interests of the juvenile require that the parent, guardian, or custodian undergo psychiatric, psychological, or other evaluation or treatment or counseling directed toward remedying behaviors or conditions that led to or contributed to the juvenile's adjudication or to the court's decision to remove custody of the juvenile from the parent, guardian, or custodian. If the court finds that the best interests of the juvenile require the parent, guardian, or custodian undergo evaluation or treatment, it may order that person to comply with a plan of evaluation or treatment approved by the court or condition legal custody or physical placement of the juvenile with the parent, guardian, or custodian upon that person's compliance with the plan of evaluation or treatment.

(d) In cases in which the court has ordered the parent of the juvenile, rather than a guardian or custodian, to comply with or undergo evaluation or treatment, the court may order the parent to pay the cost of evaluation or treatment ordered pursuant to this subsection. In cases in which the court has conditioned legal custody or physical placement of the juvenile with the parent upon the parent's compliance with a plan of evaluation or treatment, the court may charge the cost of the evaluation or treatment to the county of the juvenile's residence if the court finds the parent is unable to pay the cost of the evaluation or treatment. In all other cases, if the court finds the parent is unable to pay the cost of the evaluation or treatment ordered pursuant to this subsection, the court may order the parent to receive

1 evaluation or treatment currently available from the area mental health program that  
2 serves the parent's catchment area.

3 **"§ 7B-2703. Compliance with orders of court.**

4 (a) The court may order the parent, guardian, or custodian, to the extent that  
5 person is able to do so, to provide transportation for a juvenile to keep an  
6 appointment with a court counselor or to comply with other orders of the court.

7 (b) The court may order a parent, guardian, or custodian to cooperate with and  
8 assist the juvenile in complying with the terms and conditions of probation or other  
9 orders of the court.

10 **"§ 7B-2704. Payment of support or other expenses; assignment of insurance coverage.**

11 At the dispositional hearing or a subsequent hearing, if the court finds that the  
12 parent is able to do so, the court may order the parent to:

13 (1) Pay a reasonable sum that will cover in whole or in part the  
14 support of the juvenile. If the court requires the payment of child  
15 support, the amount of the payments shall be determined as  
16 provided in G.S. 50-13.4;

17 (2) Pay a fee for probation supervision or residential facility costs;

18 (3) Assign private insurance coverage to cover medical costs while the  
19 juvenile is in secure detention, training school, or other out-of-  
20 home placement; and

21 (4) Pay court-appointed attorneys' fees.

22 If the court places a juvenile in the custody of a county department of social services  
23 and if the court finds that the parent is unable to pay the cost of the support required  
24 by the juvenile, the cost shall be paid by the county department of social services in  
25 whose custody the juvenile is placed, provided the juvenile is not receiving care in an  
26 institution owned or operated by the State or federal government or any subdivision  
27 thereof.

28 **"§ 7B-2705. Contempt for failure to comply.**

29 Upon motion of the court counselor or prosecutor or upon the court's own  
30 motion, the court may issue an order directing the parent, guardian, or custodian to  
31 appear and show cause why the parent, guardian, or custodian should not be found  
32 or held in civil or criminal contempt for willfully failing to comply with an order of  
33 the court. Chapter 5A of the General Statutes shall govern contempt proceedings  
34 initiated pursuant to this Article.

35 **"ARTICLE 28.**

36 **"Interstate Compact on Juveniles.**

37 **"§ 7B-2800. Execution of Compact.**

38 The Governor is hereby authorized and directed to execute a Compact on behalf  
39 of this State with any other state or states legally joining therein in the form  
40 substantially as follows: The contracting states solemnly agree.

41 **"§ 7B-2801. Findings and purposes.**

42 Juveniles who are not under proper supervision and control, or who have  
43 absconded, escaped, or run away, are likely to endanger their own health, morals,  
44 and welfare, and the health, morals, and welfare of others. The cooperation of the

1 states party to this Compact is therefore necessary to provide for the welfare and  
2 protection of juveniles and of the public with respect to:

- 3       (1) Cooperative supervision of delinquent juveniles on probation or  
4       parole;
- 5       (2) The return, from one state to another, of delinquent juveniles who  
6       have escaped or absconded;
- 7       (3) The return, from one state to another, of nondelinquent juveniles  
8       who have run away from home; and
- 9       (4) Additional measures for the protection of juveniles and of the  
10      public, which any two or more of the party states may find  
11      desirable to undertake cooperatively.

12 In carrying out the provisions of this Compact, the party states shall be guided by  
13 the noncriminal, reformative, and protective policies which guide their laws  
14 concerning delinquent, neglected, or dependent juveniles generally. It shall be the  
15 policy of the states party to this Compact to cooperate and observe their respective  
16 responsibilities for the prompt return and acceptance of juveniles and delinquent  
17 juveniles who become subject to the provisions of this Compact. The provisions of  
18 this Compact shall be reasonably and liberally construed to accomplish the foregoing  
19 purposes.

20 **"§ 7B-2802. Existing rights and remedies.**

21 All remedies and procedures provided by this Compact are in addition to and not  
22 in substitution for other rights, remedies, and procedures and are not in derogation of  
23 parental rights and responsibilities.

24 **"§ 7B-2803. Definitions.**

25 For the purposes of this Compact, 'delinquent juvenile' means any juvenile who  
26 has been adjudged delinquent and who, at the time the provisions of this Compact  
27 are invoked, is still subject to the jurisdiction of the court that has made adjudication  
28 or to the jurisdiction or supervision of an agency or institution pursuant to an order  
29 of the court; 'probation or parole' means any kind of post-release supervision of  
30 juveniles authorized under the laws of the states party hereto; 'court' means any court  
31 having jurisdiction over delinquent, neglected, or dependent children; 'state' means  
32 any state, territory, or possession of the United States, the District of Columbia, and  
33 the Commonwealth of Puerto Rico; and 'residence' or any variant thereof means a  
34 place at which a home or regular place of abode is maintained.

35 **"§ 7B-2804. Return of runaways.**

36 (a) The parent, guardian, person, or agency entitled to legal custody of a juvenile  
37 who has not been adjudged delinquent but who has run away without the consent of  
38 the parent, guardian, person, or agency may petition the appropriate court in the  
39 demanding state for the issuance of a requisition for the juvenile's return. The  
40 petition shall state the name and age of the juvenile, the name of the petitioner and  
41 the basis of entitlement to the juvenile's custody, the circumstances of the running  
42 away, the juvenile's location if known at the time application is made, and any other  
43 facts that may tend to show that the juvenile who has run away is endangering the  
44 juvenile's own welfare or the welfare of others and is not an emancipated minor. The

1 petition shall be verified by affidavit, shall be executed in duplicate, and shall be  
2 accompanied by two certified copies of the document or documents on which the  
3 petitioner's entitlement to the juvenile's custody is based, such as birth certificates,  
4 letters of guardianship, or custody decrees. Any further affidavits and other  
5 documents as may be deemed proper may be submitted with the petition. The judge  
6 of the court to which this application is made may hold a hearing thereon to  
7 determine whether for the purposes of this Compact the petitioner is entitled to the  
8 legal custody of the juvenile, whether or not it appears that the juvenile has in fact  
9 run away without consent, whether or not the juvenile is an emancipated minor, and  
10 whether or not it is in the best interests of the juvenile to compel the juvenile's return  
11 to the state. If the judge determines, either with or without a hearing, that the  
12 juvenile should be returned, the judge shall present to the appropriate court or to the  
13 executive authority of the state where the juvenile is alleged to be located a written  
14 requisition for the return of the juvenile. The requisition shall set forth the name and  
15 age of the juvenile, the determination of the court that the juvenile has run away  
16 without the consent of a parent, guardian, person, or agency entitled to legal custody,  
17 and that it is in the best interests and for the protection of the juvenile that the  
18 juvenile be returned. In the event that a proceeding for the adjudication of the  
19 juvenile as a delinquent, neglected, or dependent juvenile is pending in the court at  
20 the time when the juvenile runs away, the court may issue a requisition for the return  
21 of the juvenile upon its own motion, regardless of the consent of the parent, guardian,  
22 person, or agency entitled to legal custody, reciting therein the nature and  
23 circumstances of the pending proceeding. The requisition shall in every case be  
24 executed in duplicate and shall be signed by the judge. One copy of the requisition  
25 shall be filed with the Compact Administrator of the demanding state, there to  
26 remain on file subject to the provisions of law governing records of the court. Upon  
27 the receipt of a requisition demanding the return of a juvenile who has run away, the  
28 court or the executive authority to whom the requisition is addressed shall issue an  
29 order to any peace officer or other appropriate person directing that person to take  
30 into custody and detain the juvenile. The detention order must substantially recite the  
31 facts necessary to the validity of its issuance hereunder. No juvenile detained upon  
32 the order shall be delivered over to the officer whom the court has appointed to  
33 receive the juvenile unless the juvenile first is taken before a judge of a court in the  
34 state, who shall inform the juvenile of the demand made for the juvenile's return, and  
35 who may appoint counsel or guardian ad litem for the juvenile. If the court finds that  
36 the requisition is in order, the court shall deliver the juvenile over to the officer  
37 appointed to receive the juvenile by the court demanding the juvenile. The court,  
38 however, may fix a reasonable time to be allowed for the purpose of testing the  
39 legality of the proceeding.

40 Upon reasonable information that a person is a juvenile who has run away from  
41 another state party to this Compact without the consent of a parent, guardian, person,  
42 or agency entitled to legal custody, the juvenile may be taken into custody without a  
43 requisition and brought before a judge of the appropriate court who may appoint  
44 counsel or guardian ad litem for the juvenile and who shall determine after a hearing

1 whether sufficient cause exists to hold the person, subject to the order of the court,  
2 for the juvenile's own protection and welfare, for such a time not exceeding 90 days  
3 as will enable the return of the juvenile to another state party to this Compact  
4 pursuant to a requisition for return from a court of that state. If, at the time when a  
5 state seeks the return of a juvenile who has run away, there is pending in the state  
6 wherein the juvenile is found, any criminal charge, or any proceeding to have the  
7 juvenile adjudicated a delinquent juvenile for an act committed in the state, or if the  
8 juvenile is suspected of having committed within the state a criminal offense or an act  
9 of juvenile delinquency, the juvenile shall not be returned without the consent of the  
10 state until discharged from prosecution or other form of proceeding, imprisonment,  
11 detention, or supervision for the offense or juvenile delinquency. The duly accredited  
12 officers of any state party to this Compact, upon the establishment of their authority  
13 and the identity of the juvenile being returned, shall be permitted to transport the  
14 juvenile through any and all states party to this Compact, without interference. Upon  
15 return of the juvenile to the state from which the juvenile ran away, the juvenile shall  
16 be subject to such further proceedings as may be appropriate under the laws of that  
17 state.

18 (b) The state to which the juvenile is returned under this Article shall be  
19 responsible for payment of the transportation costs of return.

20 (c) The term 'juvenile' as used in this Article means any person who is a minor  
21 under the law of the state of residence of the parent, guardian, person, or agency  
22 entitled to the legal custody of the minor.

23 **"§ 7B-2805. Return of escapees and absconders.**

24 (a) The appropriate person or authority from whose probation or parole  
25 supervision a delinquent juvenile has absconded or from whose institutional custody a  
26 delinquent juvenile has escaped shall present to the appropriate court or to the  
27 executive authority of the state where the delinquent juvenile is alleged to be located  
28 a written requisition for the return of the delinquent juvenile. The requisition shall  
29 state the name and age of the delinquent juvenile, the particulars of the juvenile's  
30 adjudication as a delinquent juvenile, the circumstances of the breach of the terms of  
31 probation or parole or of the juvenile's escape from an institution or agency vested  
32 with legal custody or supervision, and the location of the delinquent juvenile, if  
33 known, at the time the requisition is made. The requisition shall be verified by  
34 affidavit, shall be executed in duplicate, and shall be accompanied by two certified  
35 copies of the judgment, formal adjudication, or order of commitment which subjects  
36 the delinquent juvenile to probation or parole or to the legal custody of the  
37 institution or agency concerned. Any further affidavits and documents as may be  
38 deemed proper may be submitted with the requisition. One copy of the requisition  
39 shall be filed with the Compact Administrator of the demanding state, there to  
40 remain on file subject to the provisions of the law governing records of the  
41 appropriate court. Upon the receipt of a requisition demanding the return of a  
42 delinquent juvenile who has absconded or escaped, the court or the executive  
43 authority to whom the requisition is addressed shall issue an order to any peace  
44 officer or other appropriate person directing the person to take into custody and

1 detain such delinquent juvenile. The detention order must substantially recite the  
2 facts necessary to the validity of its issuance hereunder. No delinquent juvenile  
3 detained upon the order shall be delivered over to the officer whom the appropriate  
4 person or authority demanding the juvenile has appointed to receive the juvenile,  
5 unless the juvenile is first taken forthwith before a judge of an appropriate court in  
6 the state, who shall inform the juvenile of the demand made for the return and who  
7 may appoint counsel or guardian ad litem for the juvenile. If the judge of the court  
8 finds that the requisition is in order, the judge shall deliver the delinquent juvenile  
9 over to the officer whom the appropriate person or authority demanding the juvenile  
10 appointed to receive the juvenile. The judge, however, may fix a reasonable time to  
11 be allowed for the purpose of testing the legality of the proceeding.

12 Upon reasonable information that a person is a delinquent juvenile who has  
13 absconded while on probation or parole, or escaped from an institution or agency  
14 vested with legal custody or supervision in any state party to this Compact, the  
15 person may be taken into custody in any other state party to this Compact without a  
16 requisition. But in that event, the juvenile shall be taken forthwith before a judge of  
17 the appropriate court, who may appoint counsel or guardian ad litem for the person  
18 and who shall determine after a hearing, whether sufficient cause exists to hold the  
19 person subject to the order of the court for a length of time, not exceeding 90 days, as  
20 will enable detention of the juvenile under a detention order issued on a requisition  
21 pursuant to this Article. If, at the time when a state seeks the return of a delinquent  
22 who has either absconded while on probation or parole or escaped from an  
23 institution or agency vested with legal custody or supervision, there is pending in the  
24 state wherein the juvenile is detained any criminal charge or any proceeding to have  
25 the juvenile adjudicated a delinquent juvenile for an act committed in the state, or if  
26 the juvenile is suspected of having committed a criminal offense or an act of juvenile  
27 delinquency within the state, the juvenile shall not be returned without the consent of  
28 the state until discharged from prosecution or other form of proceeding,  
29 imprisonment, detention, or supervision for the offense or juvenile delinquency. The  
30 duly accredited officers of any state party to this Compact, upon the establishment of  
31 their authority and the identity of the delinquent juvenile being returned, shall be  
32 permitted to transport the delinquent juvenile through any and all states party to this  
33 Compact, without interference. Upon return to the state from which the juvenile  
34 escaped or absconded, the delinquent juvenile shall be subject to any further  
35 proceedings appropriate under the laws of that state.

36 (b) The state to which a delinquent juvenile is returned under this Article shall be  
37 responsible for the payment of transportation costs of the return.

38 "§ 7B-2806. Voluntary return procedure.

39 Any delinquent juvenile who has absconded while on probation or parole, or  
40 escaped from an institution or agency vested with legal custody or supervision in any  
41 state party to this Compact, and any juvenile who has run away from any state party  
42 to this Compact, who is taken into custody without a requisition in another state  
43 party to this Compact under the provisions of G.S. 7B-2804(a) or G.S. 7B-2805(a),  
44 may consent to the immediate return of the juvenile to the state from which the

1 juvenile absconded, escaped, or ran away. Consent shall be given by the juvenile or  
2 delinquent juvenile and the juvenile's counsel or guardian ad litem, if any, by  
3 executing or subscribing a writing in the presence of a judge of the appropriate court,  
4 which states that the juvenile or delinquent juvenile and the juvenile's counsel or  
5 guardian ad litem, if any, consent to return of the juvenile to the demanding state.  
6 Before consent is executed or subscribed, however, the judge, in the presence of  
7 counsel or guardian ad litem, if any, shall inform the juvenile or delinquent juvenile  
8 of the juvenile's rights under this Compact. When the consent has been duly  
9 executed, it shall be forwarded to and filed with the Compact Administrator of the  
10 state in which the court is located, and the judge shall direct the officer having the  
11 juvenile or delinquent juvenile in custody to deliver the juvenile to the duly  
12 accredited officer or officers of the state demanding return of the juvenile and shall  
13 cause to be delivered to the officer or officers a copy of the consent. The court may,  
14 however, upon the request of the state to which the juvenile or delinquent juvenile is  
15 being returned, order the juvenile to return unaccompanied to the state and shall  
16 provide the juvenile with a copy of the court order; in that event a copy of the  
17 consent shall be forwarded to the Compact Administrator of the state to which the  
18 juvenile or delinquent juvenile is ordered to return.

19 **"§ 7B-2807. Cooperative supervision of probationers and parolees.**

20 (a) That the duly constituted judicial and administrative authorities of a state party  
21 to this Compact (herein called 'sending state') may permit any delinquent juvenile  
22 within such state, placed on probation or parole, to reside in any other state party to  
23 this Compact (herein called 'receiving state') while on probation or parole, and the  
24 receiving state shall accept the delinquent juvenile, if the parent, guardian, or person  
25 entitled to the legal custody of the delinquent juvenile is residing or undertakes to  
26 reside within the receiving state. Before granting permission, opportunity shall be  
27 given to the receiving state to make investigations as it deems necessary. The  
28 authorities of the sending state shall send to the authorities of the receiving state  
29 copies of pertinent court orders, social case studies, and all other available  
30 information which may be of value to and assist the receiving state in supervising a  
31 probationer or parolee under this Compact. A receiving state, in its discretion, may  
32 agree to accept supervision of a probationer or parolee in cases where the parent,  
33 guardian, or person entitled to the legal custody of the delinquent juvenile is not a  
34 resident of the receiving state, and if so accepted, the sending state may transfer the  
35 supervision accordingly.

36 (b) That each receiving state will assume the duties of visitation and of supervision  
37 over any delinquent juvenile and in the exercise of those duties will be governed by  
38 the same standards of visitation and supervision that prevail for its own delinquent  
39 juveniles released on probation or parole.

40 (c) That, after consultation between the appropriate authorities of the sending state  
41 and of the receiving state as to the desirability and necessity of returning the  
42 delinquent juvenile, the duly accredited officers of a sending state may enter a  
43 receiving state and there apprehend and retake any delinquent juvenile on probation  
44 or parole. For that purpose, no formalities will be required other than establishing the

1 authority of the officer and the identity of the delinquent juvenile to be retaken and  
2 returned. The decision of the sending state to retake a delinquent juvenile on  
3 probation or parole shall be conclusive upon and not reviewable within the receiving  
4 state, but if, at the time the sending state seeks to retake a delinquent juvenile on  
5 probation or parole, there is pending against the juvenile within the receiving state  
6 any criminal charge or any proceeding to have the juvenile adjudicated a delinquent  
7 juvenile for any act committed in the state or if the juvenile is suspected of having  
8 committed within the state a criminal offense or an act of juvenile delinquency, the  
9 juvenile shall not be returned without the consent of the receiving state until  
10 discharged from prosecution or other form of proceeding, imprisonment, detention,  
11 or supervision for the offense or juvenile delinquency. The duly accredited officers of  
12 the sending state shall be permitted to transport delinquent juveniles being so  
13 returned through any and all states party to this Compact without interference.

14 (d) The sending state shall be responsible under this Article for paying the costs of  
15 transporting any delinquent juvenile to the receiving state or of returning any  
16 delinquent juvenile to the sending state.

17 **"§ 7B-2808. Responsibility for costs.**

18 (a) The provisions of G.S. 7B-2804(b), 7B-2805(b), and 7B-2807(d) shall not be  
19 construed to alter or affect any internal relationship among the departments, agencies,  
20 and officers of and in the government of a party state, or between a party state and its  
21 subdivisions, as to the payment of costs or responsibilities therefor.

22 (b) Nothing in this Compact shall be construed to prevent any party state or  
23 subdivision thereof from asserting any right against any person, agency, or other  
24 entity in regard to costs for which such party state or subdivision thereof may be  
25 responsible pursuant to G.S. 7B-2804(b), 7B-2805(b), and 7B-2807(d).

26 **"§ 7B-2809. Detention practices.**

27 To every extent possible, it shall be the policy of states party to this Compact that  
28 no juvenile or delinquent juvenile shall be placed or detained in any prison, jail, or  
29 lockup, nor be detained or transported in association with criminal, vicious, or  
30 dissolute persons.

31 **"§ 7B-2810. Supplementary agreements.**

32 The duly constituted administrative authorities of a state party to this Compact  
33 may enter into supplementary agreements with any other state or states party hereto  
34 for the cooperative care, treatment, and rehabilitation of delinquent juveniles  
35 whenever they find that the agreements will improve the facilities or programs  
36 available for care, treatment, and rehabilitation. Care, treatment, and rehabilitation  
37 may be provided in an institution located within any state entering into a  
38 supplementary agreement. Supplementary agreements shall:

- 39       (1) Provide the rates to be paid for the care, treatment, and custody of  
40       delinquent juveniles taking into consideration the character of  
41       facilities, services, and subsistence furnished;  
42       (2) Provide that the delinquent juvenile shall be given a court hearing  
43       prior to the juvenile being sent to another state for care, treatment,  
44       and custody;

- (3) Provide that the state receiving a delinquent juvenile in one of its institutions shall act solely as agent for the state sending the delinquent juvenile;
- (4) Provide that the sending state shall at all times retain jurisdiction over delinquent juveniles sent to an institution in another state;
- (5) Provide for reasonable inspection of the institutions by the sending state;
- (6) Provide that the consent of the parent, guardian, person, or agency entitled to the legal custody of the delinquent juvenile shall be secured prior to the juvenile being sent to another state; and
- (7) Make provisions for any other matters and details as shall be necessary to protect the rights and equities of delinquent juveniles and of the cooperating states.

**"§ 7B-2811. Acceptance of federal and other aid.**

Any state party to this Compact may accept any and all donations, gifts, and grants of money, equipment, and services from the federal or any local government, or any agency thereof and from any person, firm, or corporation, for any of the purposes and functions of this Compact, and may receive and utilize, the same subject to the terms, conditions, and regulations governing such donations, gifts, and grants.

**"§ 7B-2812. Compact administrators.**

The governor of each state party to this Compact shall designate an officer who, acting jointly with like officers of other party states, shall promulgate rules and regulations to carry out more efficiently the terms and provisions of this Compact.

**"§ 7B-2813. Execution of Compact.**

This Compact shall become operative immediately upon its execution by any state as between it and any other state or states so executing. When executed it shall have the full force and effect of law within the state, the form of execution to be in accordance with the laws of the executing state.

**"§ 7B-2814. Renunciation.**

This Compact shall continue in force and remain binding upon each executing state until renounced by it. Renunciation of this Compact shall be by the same authority which executed it, by sending six months' notice in writing of its intention to withdraw from the Compact to the other states party hereto. The duties and obligations of a renouncing state under G.S. 7B-2807 hereof shall continue as to parolees and probationers residing therein at the time of withdrawal until retaken or finally discharged. Supplementary agreements entered into under G.S. 7B-2810 hereof shall be subject to renunciation as provided by supplementary agreements and shall not be subject to the six months' renunciation notice of the present section.

**"§ 7B-2815. Severability.**

The provisions of this Compact shall be severable and if any phrase, clause, sentence, or provision of this Compact is declared to be contrary to the constitution of any participating state or of the United States or the applicability thereof to any government, agency, person, or circumstances is held invalid, the validity of the remainder of this Compact and the applicability thereof to any government, agency,

1 person, or circumstances shall not be affected thereby. If this Compact shall be held  
2 contrary to the constitution of any state participating therein, the Compact shall  
3 remain in full force and effect as to the remaining states and in full force and effect  
4 as to the state affected as to all severable matters.

5 **"§ 7B-2816. Authority of Governor to designate Compact Administrator.**

6 Pursuant to said Compact, the Governor is hereby authorized and empowered to  
7 designate an officer who shall be the Compact Administrator and who, acting jointly  
8 with like officers of other party states, shall adopt rules and regulations to carry out  
9 more effectively the terms of the Compact. The Compact Administrator shall serve  
10 subject to the pleasure of the Governor. The Compact Administrator is hereby  
11 authorized, empowered, and directed to cooperate with all departments, agencies,  
12 and officers of and in the government of this State and its subdivisions in facilitating  
13 the proper administration of the Compact or of any supplementary agreement or  
14 agreements entered into by this State hereunder.

15 **"§ 7B-2817. Authority of Compact Administrator to enter into supplementary**  
16 **agreements.**

17 The Compact Administrator is hereby authorized and empowered to enter into  
18 supplementary agreements with appropriate officials of other states pursuant to the  
19 Compact. In the event that the supplementary agreement shall require or contemplate  
20 the use of any institution or facility of this State or require or contemplate the  
21 provision of any service by this State, the supplementary agreement shall have no  
22 force or effect until approved by the head of the department or agency under whose  
23 jurisdiction said institution or facility is operated or whose department or agency will  
24 be charged with the rendering of the service.

25 **"§ 7B-2818. Discharging financial obligations imposed by Compact or agreement.**

26 The Compact Administrator, subject to the approval of the Director of the Budget,  
27 may make or arrange for any payments necessary to discharge any financial  
28 obligations imposed upon this State by the Compact or by any supplementary  
29 agreement entered into thereunder.

30 **"§ 7B-2819. Enforcement of Compact.**

31 The courts, departments, agencies, and officers of this State and subdivisions shall  
32 enforce this Compact and shall do all things appropriate to the effectuation of its  
33 purposes and intent which may be within their respective jurisdictions.

34 **"§ 7B-2820. Additional procedure for returning runaways not precluded.**

35 In addition to any procedure provided in G.S. 7B-2804 and G.S. 7B-2806 of the  
36 Compact for the return of any runaway juvenile, the particular states, the juvenile or  
37 the juvenile's parents, the courts, or other legal custodian involved may agree upon  
38 and adopt any other plan or procedure legally authorized under the laws of this State  
39 and the other respective party states for the return of any runaway juvenile.

40 **"§ 7B-2821. Proceedings for return of runaways under G.S. 7B-2804 of Compact;**  
41 **'juvenile' construed.**

42 The judge of any court in North Carolina to which an application is made for the  
43 return of a runaway under the provisions of G.S. 7B-2804 of the Interstate Compact  
44 on Juveniles shall hold a hearing thereon to determine whether for the purposes of

1 the Compact the petitioner is entitled to the legal custody of the juvenile, whether or  
2 not it appears that the juvenile has in fact run away without consent, whether or not  
3 the juvenile is an emancipated minor and whether or not it is in the best interests of  
4 the juvenile to compel the return of the juvenile to the state. The judge of any court  
5 in North Carolina, finding that a requisition for the return of a juvenile under the  
6 provisions of G.S. 7B-2804 of the Compact is in order, shall upon request fix a  
7 reasonable time to be allowed for the purpose of testing the legality of the  
8 proceeding. The period of time for holding a juvenile in custody under the provisions  
9 of G.S. 7B-2804 of the Compact for the protection and welfare of the juvenile, subject  
10 to the order of a court of this State, to enable the juvenile's return to another state  
11 party to the Compact pursuant to a requisition for return from a court of that state,  
12 shall not exceed 30 days. In applying the provisions of G.S. 7B-2804 of the Compact  
13 to secure the return of a runaway from North Carolina, the courts of this State shall  
14 construe the word 'juvenile' as used in this Article to mean any person who has not  
15 reached the person's eighteenth birthday.

16 **"§ 7B-2822. Interstate parole and probation hearing procedures for juveniles.**

17 Where supervision of a parolee or probationer is being administered pursuant to  
18 the Interstate Compact on Juveniles, the appropriate judicial or administrative  
19 authorities in this State shall notify the Compact Administrator of the sending state  
20 whenever, in their view, consideration should be given to retaking or reincarceration  
21 for a parole or a probation violation. Prior to giving of notification, a hearing shall be  
22 held in accordance with this Article within a reasonable time, unless the hearing is  
23 waived by the parolee or probationer. The appropriate officer or officers of this State  
24 shall, as soon as practicable, following termination of any hearing, report to the  
25 sending state, furnish a copy of the hearing record, and make recommendations  
26 regarding the disposition to be made of the parolee or probationer by the sending  
27 state. Pending any proceeding pursuant to this section, the appropriate officers of this  
28 State may take custody of and detain the parolee or probationer involved for a period  
29 not to exceed 10 days prior to the hearing and, if it appears to the hearing officer or  
30 officers that retaking or reincarceration is likely to follow, for a reasonable period  
31 after the hearing or waiver as may be necessary to arrange for retaking or the  
32 reincarceration.

33 **"§ 7B-2823. Hearing officers.**

34 Any hearing pursuant to this Article may be before the Administrator of the  
35 Interstate Compact on Juveniles, a deputy of the Administrator, or any other person  
36 authorized pursuant to the juvenile laws of this State to hear cases of alleged juvenile  
37 parole or probation violations, except that no hearing officer shall be the person  
38 making the allegation of violation.

39 **"§ 7B-2824. Due process at parole or probation violation hearing.**

40 With respect to any hearing pursuant to this Article, the parolee or probationer:

- 41 (1) Shall have reasonable notice in writing of the nature and content  
42 of the allegations to be made, including notice that the purpose of  
43 the hearing is to determine whether there is probable cause to

- 1 believe that the parolee or probationer has committed a violation  
2 that may lead to a revocation of parole or probation;  
3 (2) Shall be permitted to advise with any persons whose assistance the  
4 parolee or probationer reasonably desires, prior to the hearing;  
5 (3) Shall have the right to confront and examine any persons who  
6 have made allegations against the parolee or probationer, unless  
7 the hearing officer determines that confrontation would present a  
8 substantial present or subsequent danger of harm to the person or  
9 persons; and  
10 (4) May admit, deny, or explain the violation alleged and may present  
11 proof, including affidavits and other evidence, in support of the  
12 parolee's or probationer's contentions.

13 A record of the proceedings shall be made and preserved.

14 **"§ 7B-2825. Effect of parole or probation violation hearing outside State.**

15 In any case of alleged parole or probation violation by a person being supervised  
16 in another state pursuant to the Interstate Compact on Juveniles, any appropriate  
17 judicial or administrative officer or agency in another state is authorized to hold a  
18 hearing on the alleged violation. Upon receipt of the record of a parole or probation  
19 violation hearing held in another state pursuant to a statute substantially similar to  
20 this Article, such record shall have the same standing and effect as though the  
21 proceeding of which it is a record was had before the appropriate officer or officers  
22 in this State, and any recommendations contained in or accompanying the record  
23 shall be fully considered by the appropriate officer or officers of this State in making  
24 disposition of the matter.

25 **"§ 7B-2826. Amendment to Interstate Compact on Juveniles concerning interstate**  
26 **rendition of juveniles alleged to be delinquent.**

27 (a) This amendment shall provide additional remedies and shall be binding only as  
28 among and between those party states which specifically execute the same.

29 (b) All provisions and procedures of G.S. 7B-2805 and G.S. 7B-2806 of the  
30 Interstate Compact on Juveniles shall be construed to apply to any juvenile charged  
31 with being a delinquent by reason of a violation of any criminal law. Any juvenile,  
32 charged with being a delinquent by reason of violating any criminal law, shall be  
33 returned to the requesting state upon a requisition to the state where the juvenile may  
34 be found. A petition in the case shall be filed in a court of competent jurisdiction in  
35 the requesting state where the violation of criminal law is alleged to have been  
36 committed. The petition may be filed regardless of whether the juvenile has left the  
37 state before or after the filing of the petition. The requisition described in G.S. 7B-  
38 2805 of the Compact shall be forwarded by the judge of the court in which the  
39 petition has been filed.

40 **"§ 7B-2827. Out-of-State Confinement Amendment.**

41 (a) The Out-of-State Confinement Amendment to the Interstate Compact on  
42 Juveniles is hereby enacted into law and entered into by this State with all other  
43 states legally joining therein in the form substantially as follows:

- (1) Whenever the fully constituted judicial or administrative authorities in a sending state shall determine that confinement of a probationer or reconfinement of a parolee is necessary or desirable, the officials may direct that the confinement or reconfinement be in an appropriate institution for delinquent juveniles within the territory of the receiving state, the receiving state to act in that regard solely as agent for the sending state.
- (2) Escapees and absconders who would otherwise be returned pursuant to G.S. 7B-2805 of the Compact may be confined or reconfined in the receiving state pursuant to this amendment. In any case in which the information and allegations are required to be made and furnished in a requisition pursuant to G.S. 7B-2805, the sending state shall request confinement or reconfinement in the receiving state. Whenever applicable, detention orders, as provided in G.S. 7B-2805, may be employed pursuant to this paragraph preliminary to disposition of the escapee or absconder.
- (3) The confinement or reconfinement of a parolee, probationer, escapee, or absconder pursuant to this amendment shall require the concurrence of the appropriate judicial or administrative authorities of the receiving state.
- (4) As used in this amendment: (i) 'sending state' means a sending state as that term is used in G.S. 7B-2807 of the Compact or the state from which a delinquent juvenile has escaped or absconded within the meaning of G.S. 7B-2805 of the Compact; (ii) 'receiving state' means any state, other than the sending state, in which a parolee, probationer, escapee, or absconder may be found, provided that the state is a party to this amendment.
- (5) Every state which adopts this amendment shall designate at least one of its institutions for delinquent juveniles as a 'Compact Institution' and shall confine persons therein as provided in subdivision (1) of this subsection unless the sending and receiving state in question shall make specific contractual arrangements to the contrary. All states party to this amendment shall have access to 'Compact Institutions' at all reasonable hours for the purpose of inspecting the facilities thereof and for the purpose of visiting such of the State's delinquents as may be confined in the institution.
- (6) Persons confined in 'Compact Institutions' pursuant to the terms of this Compact shall at all times be subject to the jurisdiction of the sending state and may at any time be removed from the 'Compact Institution' for transfer to an appropriate institution within the sending state, for return to probation or parole, for discharge, or for any purpose permitted by the laws of the sending state.
- (7) All persons who may be confined in a 'Compact Institution' pursuant to the provisions of this amendment shall be treated in a

reasonable and humane manner. The fact of confinement or reconfinement in a receiving state shall not deprive any person so confined or reconfined of any rights which the person would have had if confined or reconfined in an appropriate institution of the sending state. No agreement to submit to confinement or reconfinement pursuant to the terms of this amendment may be construed as a waiver of any rights which the delinquent would have had if the person had been confined or reconfined in any appropriate institution of the sending state, except that the hearing or hearings, if any, to which a parolee, probationer, escapee, or absconder may be entitled (prior to confinement or reconfinement) by the laws of the sending state may be had before the appropriate judicial or administrative officers of the receiving state. In this event, said judicial and administrative officers shall act as agents of the sending state after consultation with appropriate officers of the sending state.

(8) Any receiving state incurring costs or other expenses under this amendment shall be reimbursed in the amount of the costs or other expenses by the sending state unless the states concerned shall specifically otherwise agree. Any two or more states party to this amendment may enter into supplementary agreements determining a different allocation of costs as among themselves.

(9) This amendment shall take initial effect when entered into by any two or more states party to the Compact and shall be effective as to those states which have specifically enacted this amendment. Rules and regulations necessary to effectuate the terms of this amendment may be adopted by the appropriate officers of those states which have enacted this amendment.

(b) In addition to any institution in which the authorities of this State may otherwise confine or order the confinement of a delinquent juvenile, the authorities may, pursuant to the Out-of-State Confinement Amendment to the Interstate Compact on Juveniles, confine or order the confinement of a delinquent juvenile in a Compact Institution within another party state.

1 order, court order, written motions, the electronic or mechanical recording of the  
2 hearing, and other papers filed in the proceeding. The recording of the hearing shall

5 of the hearing may be erased or destroyed upon the written order of the court.

6 (b) The Director of the Department of Social Services shall maintain a record of  
7 the cases of juveniles under protective custody by the Department or under

9 of social, medical, psychiatric, or psychological information concerning a juvenile or  
10 the juvenile's family; interviews with the juvenile's family; or other information which  
11 the court finds should be protected from public inspection in the best interests of the  
12 juvenile. The records maintained pursuant to this subsection may be examined only  
13 by order of the court except that the guardian ad litem, or juvenile, shall have the  
14 right to examine them.

15 (c) In the case of a child victim, the court may order the sharing of information  
16 among such public agencies as the court deems necessary to reduce the trauma to the  
17 child victim.

18 (d) The court's entire record of a proceeding involving consent for an abortion on  
19 an unemancipated minor under Article 1A, Part 2 of Chapter 90 of the General  
20 Statutes is not a matter of public record, shall be maintained separately from any  
21 juvenile record, shall be withheld from public inspection, and may be examined only  
22 by order of the court, by the unemancipated minor, or by the unemancipated minor's

29 subsections (c) through (f) of this section, of actions taken or  
30 services rendered by a public agency following receipt of  
31 information that a child might be in need of protection. The  
32 written summary shall include any of the following information the  
33 agency is able to provide:

34 a. The dates, outcomes, and results of any actions taken or  
35 services rendered.

36 b. The results of any review by the State Child Fatality  
37 Prevention Team, a local child fatality prevention team, a  
38 local community child protection team, the Child Fatality  
39 Task Force, or any public agency.

40 c. Confirmation of the receipt of all reports, accepted or not  
41 accepted by the county department of social services, for  
42 investigation of suspected child abuse, neglect, or  
43 maltreatment, including confirmation that investigations

5 is in serious or critical condition as the result of sickness or injury  
6 caused by suspected abuse, neglect, or maltreatment.
- 7 (4) Public agency. -- Any agency of State government or its  
8 subdivisions as defined in G.S. 132-1(a).
- 9 (b) Notwithstanding any other provision of law and subject to the provisions of  
10 subsections (c) through (f) of this section, a public agency shall disclose to the public,  
11 upon request, the findings and information related to a child fatality or near fatality

- 15 (2) The district attorney has certified that a person would be charged  
16 with having caused the child fatality or near fatality but for that  
17 person's prior death.
- 18 (c) Nothing herein shall be deemed to authorize access to the confidential records  
19 in the custody of a public agency, or the disclosure to the public of the substance or  
20 content of any psychiatric, psychological, or therapeutic evaluations or like materials  
21 or information pertaining to the child or the child's family unless directly related to

- 25 (d) Within five working days from the receipt of a request for findings and  
26 information related to a child fatality or near fatality, a public agency shall consult  
27 with the appropriate district attorney and provide the findings and information unless  
28 the agency has a reasonable belief that release of the information:
- 29 (1) Is not authorized by subsections (a) and (b) of this section;  
30 (2) Is likely to cause mental or physical harm or danger to a minor  
31 child residing in the deceased or injured child's household;  
32 (3) Is likely to jeopardize the State's ability to prosecute the defendant;  
33 (4) Is likely to jeopardize the defendant's right to a fair trial;  
34 (5) Is likely to undermine an ongoing or future criminal investigation;  
35 or  
36 (6) Is not authorized by federal law and regulations.
- 37 (e) Any person whose request is denied may apply to the appropriate superior  
38 court for an order compelling disclosure of the findings and information of the public  
39 agency. The application shall set forth, with reasonable particularity, factors  
40 supporting the application. The superior court shall have jurisdiction to issue such  
41 orders. Actions brought pursuant to this section shall be set down for immediate  
42 hearing, and subsequent proceedings in such actions shall be accorded priority by the  
43 appellate courts. After the court has reviewed the specific findings and information,

1 in camera, the court shall issue an order compelling disclosure unless the court finds  
2 that one or more of the circumstances in subsection (d) of this section exist.

3 (f) Access to criminal investigative reports and criminal intelligence information  
4 of public law enforcement agencies and confidential information in the possession of  
5 the State Child Fatality Prevention Team, the local teams, and the Child Fatality  
6 Task Force, shall be governed by G.S. 132-1.4 and G.S. 7B-1413 respectively.  
7 Nothing herein shall be deemed to require the disclosure or release of any  
8 information in the possession of a district attorney.

9 (g) Any public agency or its employees acting in good faith in disclosing or  
10 declining to disclose information pursuant to this section shall be immune from any  
11 criminal or civil liability that might otherwise be incurred or imposed for such action.

22 the proceeding.

23 (b) All juvenile records shall be withheld from public inspection and, except as  
24 provided in this subsection, may be examined only by order of the court. Except as  
25 provided in subsection (c) of this section, the following persons may examine the  
26 juvenile's record and obtain copies of written parts of the record without an order of  
27 the court:

28 (1) The juvenile and the juvenile's attorney;

29 (2) The juvenile's parent, guardian, or custodian, or authorized

37 The clerk shall secure any sealed portion of a juvenile record in an envelope clearly  
38 marked 'SEALED: MAY BE EXAMINED ONLY BY ORDER OF THE COURT',  
39 or with similar notice, and shall permit examination or copying of sealed portions of

2 court may enter a written order directing the clerk to destroy the recording of the  
3 hearing.

21 social, medical, psychiatric, or psychological information concerning a juvenile or the  
22 juvenile's family; probation reports; interviews with the juvenile's family; or other  
23 information the court finds should be protected from public inspection in the best  
24 interests of the juvenile.

25 (b) Unless jurisdiction of the juvenile has been transferred to superior court, all  
26 law enforcement records and files concerning a juvenile shall be kept separate from

12 Agencies so designated shall share with one another, upon request, information that  
13 is in their possession that is relevant to any case in which a petition is filed alleging  
14 that a juvenile is abused, neglected, dependent, undisciplined, or delinquent and shall

18 social services, local law enforcement agencies, local school administrative units, the

33           (2) The court transfers jurisdiction over a juvenile to superior court  
34           under G.S. 7B-2200;

35           (3) The court dismisses under G.S. 7B-2411 the petition that alleges  
36           delinquency for an offense that would be a felony if committed by  
37           an adult;

38           (4) The court issues a dispositional order under Article 25 of Chapter  
39 7B of the General Statutes including, but not limited to, an order  
40 of probation that requires school attendance, concerning a juvenile  
41 alleged or found delinquent for an offense that would be a felony if  
42 committed by an adult; or

1           (5)   The court modifies or vacates any order or disposition under G.S.  
2           7B-2600 concerning a juvenile alleged or found delinquent for an  
3           offense that would be a felony if committed by an adult.

34           committed by an adult.

35           (2)   The person has not subsequently been adjudicated delinquent or  
36           convicted as an adult of any felony or misdemeanor other than a

3 the laws of the United States, or the laws of this State or any other  
4 state;

5 (2) Verified affidavits of two persons, who are not related to the

9 reputation are good;

10 (3) A statement that the petition is a motion in the cause in the case  
11 wherein the petitioner was adjudicated delinquent or

15 file any objection thereto and shall be duly notified as to the date of the hearing on  
16 the petition.

17 (d) If the court, after hearing, finds that the petitioner satisfies the conditions set  
18 out in subsections (a) or (b) of this section, the petitioner shall order and direct the  
19 clerk and all law enforcement agencies to expunge their records of the adjudication  
20 including all references to arrests, complaints, referrals, petitions, and orders.

13 juvenile is the defendant and chooses to testify or if the juvenile is not the defendant  
14 and is called as a witness, the juvenile may be ordered to testify with respect to  
15 whether the juvenile was adjudicated delinquent.

16 "§ 7B-3202. Notice of expunction.

17 Upon expunction of a juvenile's record, the clerk shall send a written notice to the  
18 juvenile at the juvenile's last known address informing the juvenile that the record  
19 has been expunged and with respect to the matter involved, the juvenile may inform  
20 any person that the juvenile has no record. The notice shall inform the juvenile  
21 further that if the matter involved is a delinquency record, the juvenile may inform  
22 any person that the juvenile was not arrested or adjudicated delinquent except that  
23 upon testifying in a delinquency proceeding, the juvenile may be required by a court

37 statistics required by this section.

38 "SUBCHAPTER IV. PARENTAL AUTHORITY; EMANCIPATION.

39 "ARTICLE 34.

40 "Parental Authority Over Juveniles.

41 "§ 7B-3400. Juvenile under 18 subject to parents' control.

42 Notwithstanding any other provision of law, any juvenile under 18 years of age,  
43 except as provided in G.S. 7B-3401 and G.S. 7B-3402, shall be subject to the  
44 supervision and control of the juvenile's parents.

1 "§ 7B-3400.1. Definitions.

2 The definitions of G.S. 7B-101 and G.S. 7B-1501 apply to this Subchapter.

3 "§ 7B-3401. Exceptions.

4 This Article shall not apply to any juvenile under the age of 18 who is married or  
5 who is serving in the armed forces of the United States, or who has been  
6 emancipated.

7 "§ 7B-3402. No criminal liability created.

8 This Article shall not be interpreted to place any criminal liability on a parent for  
9 any act of the parent's juvenile 16 years of age or older.

10 "§ 7B-3403. Enforcement.

11 The provisions of this Article may be enforced by the parent, guardian, or person  
12 standing in loco parentis to the child by filing a civil action in the district court of the  
13 county where the child can be found or the county of the plaintiff's residence. Upon  
14 the institution of such action by a verified complaint, alleging that the defendant  
15 juvenile has left home or has left the place where the juvenile has been residing and  
16 refuses to return and comply with the direction and control of the plaintiff, the court  
17 may issue an order directing the juvenile personally to appear before the court at a  
18 specified time to be heard in answer to the allegations of the plaintiff and to comply  
19 with further orders of the court. Such orders shall be served by the sheriff upon the  
20 juvenile and upon any other person named as a party defendant in such action. At  
21 the time of the issuance of the order directing the juvenile to appear, the court may  
22 in the same order, or by separate order, order the sheriff to enter any house, building,  
23 structure or conveyance for the purpose of searching for the juvenile and serving the  
24 order and for the purpose of taking custody of the person of the juvenile in order to  
25 bring the juvenile before the court. Any order issued at said hearing shall be treated  
26 as a mandatory injunction and shall remain in full force and effect until the juvenile  
27 reaches the age of 18, or until further orders of the court. Within 30 days after the  
28 hearing on the original order, the juvenile, or anyone acting in the juvenile's behalf,  
29 may file a verified answer to the complaint. Upon the filing of an answer by or on  
30 behalf of the juvenile, any district court judge holding court in the county or district  
31 court district as defined in G.S. 7A-133 where the action was instituted shall have  
32 jurisdiction to hear the matter, without a jury, and to make findings of fact,  
33 conclusions of law, and render judgment thereon. Appeals from the district court to  
34 the Court of Appeals shall be allowed as in civil actions generally. The district court  
35 issuing the original order or the district court hearing the matter after answer has  
36 been filed shall also have authority to order that any person named defendant in the  
37 order or judgment shall not harbor, keep, or allow the defendant juvenile to remain  
38 on the person's premises or in the person's home. Failure of any defendant to  
39 comply with the terms of said order or judgment shall be punishable as for contempt.

40 "ARTICLE 35.

41 "Emancipation.

42 "§ 7B-3500. Who may petition.

44 county in North Carolina or on federal territory within the boundaries of North

1 Carolina for six months next preceding the filing of the petition may petition the  
2 court in that county for a judicial decree of emancipation.

3 **"§ 7B-3501. Petition.**

18 petitioner's parent, guardian, or custodian who shall be named as respondents. The  
19 summons shall include the time and place of the hearing and shall notify the  
20 respondents to file written answer within 30 days after service of the summons and  
21 petition. In the event that personal service cannot be obtained, service shall be in  
22 accordance with G.S. 1A-1, Rule 4(j).

23 **"§ 7B-3503. Hearing.**

24 The court, sitting without a jury, shall permit all parties to present evidence and to  
25 cross-examine witnesses. The petitioner has the burden of showing by a  
26 preponderance of the evidence that emancipation is in the petitioner's best interests.  
27 Upon finding that reasonable cause exists, the court may order the juvenile to be  
28 examined by a psychiatrist, a licensed clinical psychologist, a physician, or any other  
29 expert to evaluate the juvenile's mental or physical condition. The court may  
30 continue the hearing and order investigation by a court counselor or by the county  
31 department of social services to substantiate allegations of the petitioner or  
32 respondents.

33 No husband-wife or physician-patient privilege shall be grounds for excluding any  
34 evidence in the hearing.

35 **"§ 7B-3504. Considerations for emancipation.**

36 In determining the best interests of the petitioner and the need for emancipation,  
37 the court shall review the following considerations:

- 38 (1) The parental need for the earnings of the petitioner;
- 39 (2) The petitioner's ability to function as an adult;
- 40 (3) The petitioner's need to contract as an adult or to marry;
- 41 (4) The employment status of the petitioner and the stability of the  
42 petitioner's living arrangements;
- 43 (5) The extent of family discord which may threaten reconciliation of  
44 the petitioner with the petitioner's family;

(6) The petitioner's rejection of parental supervision or support; and

(7) The quality of parental supervision or support.

**"§ 7B-3505. Final decree of emancipation.**

After reviewing the considerations for emancipation, the court may enter a decree of emancipation if the court determines:

(1) That all parties are properly before the court or were duly served and failed to appear and that time for filing an answer has expired; and

(2) That the petitioner has shown a proper and lawful plan for adequately providing for the petitioner's needs and living expenses; and

(3) That the petitioner is knowingly seeking emancipation and fully understands the ramifications of the act; and

(4) That emancipation is in the best interests of the petitioner.

The decree shall set out the court's findings.

If the court determines that the criteria in subdivisions (1) through (4) are not met, the court shall order the proceeding dismissed.

**"§ 7B-3506. Costs of court.**

The court may tax the costs of the proceeding to any party or may, for good cause, order the costs remitted.

The clerk may collect costs for furnishing to the petitioner a certificate of emancipation which shall recite the name of the petitioner and the fact of the petitioner's emancipation by court decree and shall have the seal of the clerk affixed thereon.

**"§ 7B-3507. Legal effect of final decree.**

As of entry of the final decree of emancipation:

(1) The petitioner has the same right to make contracts and conveyances, to sue and to be sued, and to transact business as if the petitioner were an adult.

(2) The parent or guardian is relieved of all legal duties and obligations owed to the petitioner and is divested of all rights with respect to the petitioner.

(3) The decree is irrevocable.

Notwithstanding any other provision of this section, a decree of emancipation shall not alter the application of G.S. 14-326.1 or the petitioner's right to inherit property by intestate succession.

**"§ 7B-3508. Appeals.**

Any petitioner, parent, or guardian who is a party to a proceeding under this Article may appeal from any order of disposition to the Court of Appeals provided that notice of appeal is given in open court at the time of the hearing or in writing within 10 days after the hearing. Pending disposition of an appeal, the court may enter a temporary order affecting the custody or placement of the petitioner as the court finds to be in the best interests of the petitioner or the State.

**"§ 7B-3509. Application of common law.**

A married juvenile is emancipated by this Article. All other common-law provisions for emancipation are superseded by this Article.

"ARTICLE 36.

"Judicial Consent for Emergency Surgical or Medical Treatment.

"§ 7B-3600. Judicial authorization of emergency treatment; procedure.

A juvenile in need of emergency treatment under Article 1A of Chapter 90 of the General Statutes, whose physician is barred from rendering necessary treatment by reason of parental refusal to consent to treatment, may receive treatment with court authorization under the following procedure:

- (1) The physician shall sign a written statement setting out:

  - b. That the proposed treatment is necessary to prevent immediate harm to the juvenile.

The court may issue a written authorization for the proposed treatment to be rendered.
- (3) In acute emergencies in which time may not permit implementation of the written procedure set out in subdivisions (1) and (2) of this section, the court may authorize treatment in person or by telephone upon receiving the oral statement of a physician satisfying the requirements of subdivision (1) of this section and upon finding that the proposed treatment is necessary to prevent immediate harm to the juvenile.
- (4) The court's authorization for treatment overriding parental refusal to consent should not be given without attempting to offer the parent an opportunity to state the reasons for refusal; however, failure of the court to hear the parent's objections shall not invalidate judicial authorization under this Article.
- (5) The court's authorization for treatment under subdivisions (1) and (2) of this section shall be issued in duplicate. One copy shall be given to the treating physician and the other copy shall be attached to the physician's written statement and filed as a juvenile proceeding in the office of the clerk of court.
- (6) The court's authorization for treatment under subdivision (3) of this section shall be reduced to writing as soon as possible, supported by the physician's written statement as prescribed in

1 subdivision (1) of this section and shall be filed as prescribed in  
2 subdivision (5) of this section.

3 The court's authorization for treatment under this Article shall have the same effect  
4 as parental consent for treatment.

5 Following the court's authorization for treatment and after giving notice to the  
6 juvenile's parent, the court shall conduct a hearing in order to provide for payment  
7 for the treatment rendered. The court may order the parent or other responsible  
8 parties to pay the cost of treatment. If the court finds the parent is unable to pay the  
9 cost of treatment, the cost shall be a charge upon the county when so ordered.

17          laws respecting the placement of children of both the state in which the sending  
18          agency is located or from which it sends or brings the child and of the receiving state.  
19          Such violation may be punished or subjected to penalty in either jurisdiction in

36          (b) When the sending agency is a public agency, it may enter into an agreement  
37          with an authorized public or private agency in the receiving state providing for the

40          (c) Nothing in this Compact shall be construed to prevent a private charitable  
41          agency authorized to place children in the receiving state from performing services or  
42          acting as agent in that state for a private charitable agency of the sending state; nor to  
43          prevent the agency in the receiving state from discharging financial responsibility for

1 the support and maintenance of a child who has been placed on behalf of the sending  
2 agency without relieving the responsibility set forth in paragraph (a) hereof.

3 Article VI. Institutional Care of Delinquent Children.

7 be heard, prior to the child's being sent to such other party jurisdiction for  
8 institutional care and the court finds that:

9 (1) Equivalent facilities for the child are not available in the sending

37 this Compact of any sending agency therein with respect to a placement made prior  
38 to the effective date of withdrawal.

25 information. The Department of Justice shall rename the "Juvenile Arrest" form the

29 report of the Governor's Commission on Juvenile Crime and Justice.

30 Section 15. (a) The Department of Justice shall develop and administer  
31 minority sensitivity training for all law enforcement personnel throughout the State.  
32 The Department shall ensure that all persons who work with minority juveniles in the  
33 juvenile justice system are taught how to communicate effectively with minority  
34 juveniles and how to recognize and address the needs of those juveniles. The  
35 Department shall also advise all law enforcement and professionals who work within  
36 the juvenile justice system of ways to improve the treatment of minority juveniles so  
37 that all juveniles receive equal treatment. The Department shall conduct the  
38 minority sensitivity training annually and, prior to the training each year, shall assess  
39 whether minorities are receiving fair and equal treatment in the juvenile justice  
40 system with regard to the administration of predisposition procedures, of diversion  
41 methods, of dispositional alternatives, and of treatment and post-release supervision  
42 plans.

3 the jurisdiction of the juvenile court receive minority sensitivity training.

4 Section 16. The Legislative Research Commission may study the  
5 recommendations of the Court Improvement Project regarding the statutory  
6 procedures and mandates of Subchapter I. of Chapter 7B of the General Statutes, the  
7 Juvenile Code. The study may include a review of the effectiveness of the juvenile  
8 justice system with regard to the disposition of abuse, neglect, and dependency cases  
9 and may consider whether the recommendations of the Court Improvement Project  
10 will improve the procedures and disposition of those cases. The Legislative Research  
11 Commission may report its findings, recommendations, and any legislative proposals  
12 to the 1999 General Assembly on or before December 1, 1999.

13 Section 17. (a) The State Board of Education shall study the feasibility  
14 and advisability of delaying the start of the school day in order to provide students  
15 with constructive projects and tasks during late afternoon hours of the school week.  
16 If the Board recommends that the school day be delayed, the Board shall consider  
17 whether the local school administrative units should provide supervision of students  
18 whose working parents do not have early morning child care available.

19 (b) The State Board of Education shall report its findings,  
20 recommendations, and any legislative proposals to the Joint Legislative Education  
21 Oversight Committee on or before April 1, 1999.

22 Section 18. (a) The Criminal Justice Information Network Governing  
23 Board created pursuant to Section 23.3 of Chapter 18 of the Session Laws of the 1996  
24 Second Extra Session shall develop a comprehensive juvenile justice information  
25 system. The Board shall develop a system to collect data and information about every  
26 juvenile who is alleged to be delinquent from the time a complaint is filed against the  
27 juvenile, including:

- 28 (1) Fingerprints and photographs taken of the juvenile;
- 29 (2) Diversion agreements or plans entered into by the juvenile;
- 30 (3) Community services provided to the juvenile and any participation  
31 of the juvenile in community-based programs;
- 32 (4) Court orders or dispositions of the juvenile; and
- 33 (5) Plans for care or treatment or for post-release supervision prepared  
34 by the Department of Juvenile Justice.

35 The system shall allow for information and data on juveniles to be kept in a form to  
36 be shared among appropriate agencies to develop treatment and intervention plans  
37 based on specific data and to allow reliable assessment and evaluation of the  
38 effectiveness of rehabilitative and preventive services provided to delinquent  
39 juveniles.

40 (b) The Criminal Justice Information Network Governing Board shall  
41 also study the most appropriate methods and procedures for obtaining, retaining, and  
42 releasing fingerprints and photographs of juveniles alleged to be delinquent,  
43 including:

- 1 (1) How to identify fingerprints and photographs of juveniles,  
2 including the use of social security numbers;
- 3 (2) How long fingerprints and photographs of juveniles should be  
4 maintained in the criminal justice information system;
- 5 (3) The extent to which juvenile fingerprints and photographs are kept  
6 confidential;
- 7 (4) The circumstances or conditions under which juvenile fingerprints  
8 and photographs should be disseminated;

14 consider the issue of expunction of juvenile records, including the appropriate length  
15 of time juvenile records should be available to law enforcement, prosecutors, and  
16 service providers and under what limitations and conditions records should be  
17 expunged.
- 18 (d) The Criminal Justice Information Network Governing Board shall  
19 report to the Chairs of the Senate and House Appropriations Subcommittees on  
20 Justice and Public Safety and to the Fiscal Research Division of the General  
21 Assembly on the proposed system and any findings, recommendations, and legislative  
22 proposals from its study on or before April 1, 1999.
- 23 Section 19. (a) The Department of Juvenile Justice shall develop a cost-  
24 effective plan to establish statewide community-based dispositional alternatives for  
25 juveniles who are adjudicated delinquent. The plan shall include a funding strategy to  
26 encourage communities to provide local resources, services, and treatment options to  
27 meet the physical, emotional, and mental needs of juveniles and their families. In  
28 developing the plan, the Department shall consider the following community-based  
29 alternatives:
  - 30 (1) Home-based family counseling with family support groups that can  
31 provide required intervention services;
  - 32 (2) After-school activity programs for middle school juveniles targeted  
33 at potential at-risk juveniles during the time when most juvenile  
34 crimes occur;
  - 35 (3) Inpatient and outpatient substance abuse and sex offender  
36 treatment programs;
  - 37 (4) Intensive supervision of high-risk juveniles;
  - 38 (5) Group homes with psychological treatment and programs for  
39 juveniles who do not pose a threat to the public but who need long  
40 term intervention services.
- 41 In addition, in developing the plan, the Department shall recommend which judicial  
42 districts with high crime rates should have non-residential day reporting centers to  
43 provide intensive supervision.

1 (b) The Department shall report to the Chairs of the Senate and House  
2 Appropriations Subcommittees on Justice and Public Safety and to the Fiscal  
3 Research Division of the General Assembly on the proposed plan, the cost of the  
4 plan, and on any legislative proposals required to implement the plan on or before  
5 April 1, 1999.

6 Section 20. (a) The Administrative Office of the Courts shall establish  
7 pilot programs for the holding of family court within district court districts to be  
8 chosen by the Administrative Office of the Courts. Each pilot program shall be  
9 conducted following the guidelines for the establishment of family courts contained in  
10 the report of the Commission for the Future of Justice and the Courts in North  
11 Carolina and shall be assigned to hear all matters involving intrafamily rights,  
12 relationships, and obligations, and all juvenile justice matters, including:

- 13 (1) Child abuse, neglect, and dependency;
- 14 (2) Delinquent and undisciplined juvenile matters;

- 25 (13) Abortion consent waivers;
- 26 (14) Adult protective services; and
- 27 (15) Guardianship, involuntary commitment, and voluntary  
28 admissions to mental health facilities.

29 (b) The Administrative Office of the Courts shall report to the Chairs of  
30 the Senate and House Appropriations Subcommittees on Justice and Public Safety  
31 and to the Fiscal Research Division of the General Assembly by March 1, 1999, on  
32 the success of the pilot programs in bringing consistency, efficiency, and fairness to  
33 the resolution of family matters and on the impact of the programs on caseloads in  
34 the district court division.

35 Section 21. (a) The General Assembly finds that there are multiple risk  
36 factors that put youth at risk of becoming delinquent, such as aggression, school  
37 failure, child abuse and neglect, substance abuse, extreme economic deprivation,  
38 friends who engage in problem behavior, inconsistent, ineffective discipline, poor  
39 parental supervision, and family conflict. There are currently a number of screening  
40 programs available through a number of State and local entities that, if better  
41 coordinated, can provide adequate identification of delinquency risk factors so that  
42 delinquency prevention programs and services can be effective.

43 The General Assembly further finds that there are currently a number of  
44 State and local entities that provide delinquency prevention programs to at-risk youth

1 and their families, including early intervention programs and programs improving  
2 cognitive and social competence and self-control skills, improving parenting skills,  
3 and providing a positive role model. Many of these programs are already available  
4 and need only to be made more accessible and to be better coordinated with other  
5 existing programs and services.

6 (b) The Department of Juvenile Justice shall ensure that existing  
7 programs made available through a number of entities, both at the State and at the  
8 local level, that provide screenings that can provide adequate identification of  
9 delinquency risk factors, continue to be used in a consistent, coordinated, and cost-  
10 effective way so as to enable delinquency prevention programs and services to be  
11 utilized in a consistent, coordinated, and cost-effective way.

12 (c) In implementing this section, the Department shall cooperate with all  
13 affected State and local public and private entities, including local education  
14 agencies, local health departments, developmental evaluation centers, local  
15 departments of social services, the Divisions of Women and Children's Health, of  
16 Social Services, and Mental Health, Developmental Disabilities, and Substance Abuse  
17 Services of the Department of Health and Human Services, law enforcement  
18 agencies, and nonprofit agencies.

19 (d) The Department shall report to the General Assembly by April 1,  
20 1999, on its implementation of this section. This report shall include an evaluation of  
21 the screenings and prevention programs, an identification of any bars in the law or in  
22 any agency's policy that preclude effective cooperation, together with any legislative  
23 and rule recommendations that are needed, recommendations as to any new  
24 screening or prevention programs and services that are needed, and a detailed cost  
25 analysis of these recommendations.

26 Section 22. (a) The Department of Juvenile Justice, in cooperation with  
27 the Department of Public Instruction, shall study more effective and efficient ways to:

- 28 (1) Coordinate case management of delinquency and undisciplined  
29 cases;
- 30 (2) Provide services to juveniles who are in need of treatment,  
31 counseling, or rehabilitation and to the families of those juveniles,  
32 including court-ordered parenting responsibility classes; and
- 33 (3) Provide the maximum protection to the public and to local school  
34 administrative units, in particular, through the sharing of  
35 information between agencies that work with juveniles who are  
36 delinquent or undisciplined and increased accountability of those  
37 juveniles and their parents.

38 The study shall include a review of all the agencies, councils, and programs that  
39 provide services to juveniles, including the Center for the Prevention of School  
40 Violence, School Resource Officers, the Guardian ad Litem Program of the  
41 Administrative Office of the Courts, the Department of Social Services, the  
42 Department of Administration, the Division of Child and Family Services, the  
43 Division of Mental Health, Developmental Disabilities, and Substance Abuse  
44 Services, and the Willie M. Program, and whether the agencies, councils, or programs

1 should be eliminated, consolidated, or incorporated within the Department of  
2 Juvenile Justice. In determining whether to incorporate any of the above-listed  
3 programs or agencies in the new department, the Department of Juvenile Justice and  
4 the Department of Public Instruction shall consider the funding mechanisms of those  
5 programs and agencies in an effort to operate the Department of Juvenile Justice in a  
6 cost-effective and efficient manner.

7 (b) The Department of Juvenile Justice in cooperation with the  
8 Department of Public Instruction, shall develop proposed rules, forms, and policies  
9 required to establish the Department of Juvenile Justice and to implement the  
10 objectives and mandates of Article 12 of Chapter 143B of the General Statutes, as  
11 enacted by this act.

12 (c) On or before April 1, 1999, the Department of Juvenile Justice and  
13 the Department of Public Instruction shall report its findings and recommendations,  
14 including any legislative proposals and funding requirements that are required to  
15 implement Article 12 of Chapter 143B of the General Statutes, as enacted by this act,  
16 to the 1999 General Assembly by April 1, 1999.

17 **PART VII. DEPARTMENT OF JUVENILE JUSTICE STUDY AND REPORT.**

18 Section 23. The Department of Juvenile Justice shall use funds within its  
19 budget to evaluate the effectiveness of the reform measures implemented pursuant to

27 of the Administrative Office of the Courts and shall have all powers and authority  
28 vested in those Divisions pursuant to the General Statutes, notwithstanding that  
29 Section 4 of this act amends the applicable sections of the General Statutes to revise  
30 statutory references to "Division of Youth Services", "Division of Juvenile Services",  
31 "Juvenile Services Division", "Administrative Office of the Courts", "Director of

37 the 1998-99 fiscal year, including renovation of existing adult facilities to juvenile  
38 facilities.

39 The facilities authorized for the 1998-99 fiscal year shall be constructed in  
40 accordance with the provisions of general law applicable to the construction of State  
41 facilities. If the Secretary of Administration, after consultation with the Secretary of  
42 the Department of Juvenile Justice, finds that the delivery of juvenile facilities must  
43 be expedited for good cause, the Office of State Construction of the Department of  
44 Administration shall be exempt from the following statutes and rules implementing

1 those statutes, to the extent necessary to expedite delivery: G.S. 143-135.26, 143-128,  
2 143-129, 143-131, 143-132, 143-134, 113A-1 through 113A-10, 113A-50 through 113A-  
3 66, 133-1.1(g), and 143-408.1 through 143-408.7.

4 Prior to exercising the exemptions allowable under this section, the

30           "Part 5. Juvenile Crime Prevention Councils.  
31           "§ 143B-550. Juvenile Crime Prevention Councils; legislative  
32           intent.  
33           (a) It is the intent of the General Assembly both to reduce the  
34           number of juveniles committed by the courts for delinquency to  
35           institutions operated by the Department of Juvenile Justice or  
36           other State agencies and to prevent juveniles who are at risk  
37           from becoming delinquent. The primary intent of this Article is  
38           to provide an ongoing, comprehensive State/local partnership to  
39           develop nonduplicative community-based alternatives to training  
40           school and to provide community-based delinquency and substance  
41           abuse prevention strategies and programs. Additionally, it is  
42           the intent of the General Assembly to provide noninstitutional  
43           dispositional alternatives that will protect the community and  
44           the juvenile.

1 These programs and services shall be planned and organized at  
2 the community level, and developed in partnership with the State.  
3 These planning efforts shall include appropriate representation  
4 from local government, local public and private agencies serving  
5 juveniles and their families, local business leaders, citizens  
6 with an interest in youth problems, youth representatives, and  
7 others as may be appropriate in a particular community. The  
8 planning bodies at the local level shall be the Juvenile Crime  
9 Prevention Councils.

10 (b) The Juvenile Crime Prevention Councils shall ensure that  
11 appropriate intermediate dispositional options are available and  
12 shall prioritize funding, as established in G.S. 143B-515, for  
13 dispositions of intermediate and community level sanctions for  
14 court-adjudicated juveniles pursuant to minimum standards adopted  
15 by the Department.

16 (c) At the local level, as a prerequisite for receiving  
17 funding for juvenile court service and delinquency prevention  
18 programs, the board of county commissioners of each county shall  
19 appoint a Juvenile Crime Prevention Council. The Juvenile Crime  
20 Prevention Council shall consist of not more than 25 members and  
21 should include, if possible, the following:

- 22 (1) The local school superintendent(s), or that

32 services, or that person's designee;

- 34 (9) A substance abuse professional;
- 35 (10) A member of the faith community;

- 42 (17) A representative from the United Way or other  
43 nonprofit agency;

1           (18) A representative of a local parks and recreation  
2           program; and

3           (19) Up to ~~six~~ five members of the public to be appointed  
4           by the county board of commissioners.

5       The county shall modify the Council's membership as necessary  
6       to ensure that current Council members reflect the racial and  
7       socioeconomic diversity of the community and to minimize  
8       potential conflicts of interest by members.

9       (d) The Council shall annually review the needs of troubled  
10       juveniles, both those at risk of delinquency and those  
11       adjudicated delinquent, within the county and the assets and  
12       resources that are available to address the needs of those  
13       juveniles. The Council shall develop and advertise a request for  
14       proposal process, and submit a written plan of action for the  
15       expenditure of juvenile sanction and prevention funds to the  
16       county for its approval. Upon the county's authorization, the  
17       plan shall be submitted to the Department for final approval and  
18       subsequent implementation.

19       In addition to its annual review, the Council shall perform  
20       the following functions on an ongoing basis:

21           (1) Conduct an ongoing community needs assessment in  
22           order to identify resources and needs of juveniles  
23           and develop appropriate solutions to meet these  
24           needs;

25           (2) Prepare performance evaluations of prevention and

27           shall evaluate each funded program as a condition  
28           of continued funding;

29           (3) Increase public awareness of the causes of  
30           delinquency and of strategies to reduce the  
31           problem;

32           (4) Develop strategies to intervene and appropriately  
33           respond to and treat the needs of juveniles at risk  
34           of delinquency through appropriate risk assessment  
35           instruments;

36           (5) Provide funds for services for treatment,  
37           counseling, or rehabilitation for juveniles and  
38           their families, including court-ordered parenting  
39           responsibility classes; and

40           (6) Plan for the establishment of a permanent funding  
41           stream for delinquency prevention.

42       (f) To meet the programming needs of delinquent and at-risk  
43       youth in smaller, rural counties, Juvenile Crime Prevention  
44       Councils shall examine the benefits of joint program development

1 between counties within the same judicial district. If two or  
2 more counties determine that a multicounty initiative would be  
3 beneficial, they may establish a multicounty Juvenile Crime  
4 Prevention Council, with the membership consisting of the members  
5 from each county represented.

6 (g) The Secretary shall develop a funding mechanism  
7 for programs that meet the standards as developed under the  
8 provisions of this Part. The Secretary shall ensure that the  
9 guidelines for the State/local partnership's funding process  
10 include the following requirements:

11 (1) Fund programs that demonstrate effectiveness by  
12 preventing delinquency and recidivism. Programs that have  
13 proven  
14 to be  
15 ineffe  
16 ctive  
17 shall  
18 not be  
19 funded

20 i  
21 (2) Use a formula for the distribution of funds. -- A  
22 funding formula shall be developed that ensures  
23 that even the smallest counties will be able to  
24 provide the basic prevention and alternatives  
25 services to juveniles in their communities;

26 (3) Allow and encourage local flexibility. -- A vital  
27 component of the State/local partnership  
28 established by this section is local flexibility to  
29 determine how best to allocate prevention and  
30 alternatives funds; and

31 (4) Combine resources. -- Counties shall be allowed and  
32 encouraged to combine resources and services.

33 The Secretary shall adopt rules to implement this section and  
34 the Department shall provide technical assistance to Juvenile  
35 Crime Prevention Councils and shall ensure that the Juvenile  
36 Crime Prevention Councils evaluate all State funded programs and  
37 services on an ongoing and regular basis.

38 "§ 143B-551. Purchase of care or services from programs meeting  
39 State standards.

40 The Department of Juvenile Justice and any other appropriate  
41 State or local agency may purchase care or services from public  
42 or private agencies providing delinquency prevention programs or  
43 juvenile court services, including parenting responsibility  
44 classes. The programs shall meet the State standards as

1 authorized by G.S. 143B-550. As institutional populations are  
2 reduced, the Department of Juvenile Justice may divert State  
3 funds appropriated for institutional programs to purchase the  
4 services pursuant to the provisions of the Executive Budget Act.

5 The Secretary of Juvenile Justice shall prepare an annual  
6 report on the effectiveness and cost-benefit of the Department's  
7 programs, which shall include the most current institutional  
8 populations of juveniles being served by the various departments  
9 of State government which shall include comparative costs of all  
10 child-serving agencies. Such report shall be submitted to the  
11 Governor, the General Assembly, and the various State departments

20 Department of Administration, the Division of Child and Family  
21 Services, and the Division of Mental Health, Developmental

44 specific exemptions for programs administered by the Department

1 of Health and Human ~~Services~~ Services, the Department of Juvenile  
2 Justice, or the Department of Correction when compliance by them  
3 with the Board's standards would, in the Board's judgment, impose  
4 undue hardship on ~~such~~ this Department and when other procedural  
5 due process requirements, substantially equivalent to those of  
6 G.S. 115C-116, are assured in programs of special education and  
7 related services furnished to children with special needs served  
8 by ~~such~~ this Department. Further, the Board shall recognize that  
9 inpatient and residential special education programs within the

41 (3) If the placement of the child in a private school,  
42 out-of-state school or a school in another local

2 child and the child is not currently being educated  
3 by the Department of Health and Human ~~Services~~  
4 Services, the Department of Juvenile Justice, or

2                   juvenile within a reasonable period of time.

12                                   "ARTICLE 2.

13                                   "Jurisdiction.

14 "§ 7B-200. Jurisdiction.

15   (a) The court has exclusive, original jurisdiction over any  
16 case involving a juvenile who is alleged to be abused, neglected,  
17 or dependent. This jurisdiction does not extend to cases  
18 involving adult defendants alleged to be guilty of abuse or  
19 neglect.

20   The court also has exclusive original jurisdiction of the  
21 following proceedings:

22           (1) Proceedings under the Interstate Compact on the  
23                   Placement of Children set forth in Article 38 of  
24                   this Chapter;

25           (2) Proceedings involving judicial consent for  
26                   emergency surgical or medical treatment for a  
27                   juvenile when the juvenile's parent, guardian,  
28                   custodian, or other person standing in loco  
29                   parentis refuses to consent for treatment to be  
30                   rendered;

31           (3) Proceedings to determine whether a juvenile should  
32                   be emancipated;

33           (4) Proceedings to terminate parental rights;

34           (5) Proceedings to review the placement of a juvenile  
35                   in foster care pursuant to an agreement between the  
36                   juvenile's parents or guardian and a county  
37                   department of social services;

38           (6) Proceedings in which a person is alleged to have  
39                   obstructed or interfered with an investigation  
40                   required by G.S. 7B-302; and

41           (7) Proceedings involving consent for an abortion on an  
42                   unemancipated minor pursuant to Article 1A, Part 2  
43                   of Chapter 90 of the General Statutes.

1     (b)    The court shall have jurisdiction over the parent of a  
2 juvenile who has been adjudicated abused, neglected, or  
3 dependent, as provided by G.S. 7B-904, provided the parent has  
4 been properly served with summons pursuant to G.S. 7B-406.

5     "§ 7B-201. Retention of jurisdiction.

6     When the court obtains jurisdiction over a juvenile,  
7 jurisdiction shall continue until terminated by order of the  
8 court, until the juvenile reaches the age of 18 years, or is  
9 otherwise emancipated.

10                     "ARTICLE 3.

11                     "Screening of Abuse and Neglect Complaints.

12     "§ 7B-300. Protective services.

13     The director of the department of social services in each  
14 county of the State shall establish protective services for  
15 juveniles alleged to be abused, neglected, or dependent.

16     Protective services shall include the investigation and  
17 screening of complaints, casework, or other counseling services  
18 to parents or other caretakers as provided by the director to  
19 help the parents or other caretakers and the court to prevent  
20 abuse or neglect, to improve the quality of child care, to be  
21 more adequate parents or caretakers, and to preserve and  
22 stabilize family life.

23     The provisions of this Article shall also apply to child care  
24 facilities as defined in G.S. 110-86.

25     "§ 7B-301. Duty to report abuse, neglect, dependency, or death  
26 due to maltreatment.

27     Any person or institution who has cause to suspect that any  
28 juvenile is abused, neglected, or dependent, as defined by G.S.  
29 7B-101, or has died as the result of maltreatment, shall report  
30 the case of that juvenile to the director of the department of  
31 social services in the county where the juvenile resides or is  
32 found. The report may be made orally, by telephone, or in  
33 writing. The report shall include information as is known to the  
34 person making it including the name and address of the juvenile;  
35 the name and address of the juvenile's parent, guardian, or  
36 caretaker; the age of the juvenile; the names and ages of other  
37 juveniles in the home; the present whereabouts of the juvenile if  
38 not at the home address; the nature and extent of any injury or  
39 condition resulting from abuse, neglect, or dependency; and any  
40 other information which the person making the report believes  
41 might be helpful in establishing the need for protective services  
42 or court intervention. If the report is made orally or by  
43 telephone, the person making the report shall give the person's  
44 name, address, and telephone number. Refusal of the person

1 making the report to give a name shall not preclude the  
2 department's investigation of the alleged abuse, neglect,  
3 dependency, or death as a result of maltreatment.

4 Upon receipt of any report of sexual abuse of the juvenile in a  
5 child care facility, the director shall notify the State Bureau  
6 of Investigation within 24 hours or on the next workday. If  
7 sexual abuse in a child care facility is not alleged in the  
8 initial report, but during the course of the investigation there  
9 is reason to suspect that sexual abuse has occurred, the director  
10 shall immediately notify the State Bureau of Investigation. Upon  
11 notification that sexual abuse may have occurred in a child care  
12 facility, the State Bureau of Investigation may form a task force  
13 to investigate the report.

14 "§ 7B-302. Investigation by director; access to confidential  
15 information; notification of person making the report.

16 When a report of abuse, neglect, or dependency is received, the  
17 director of the department of social services shall make a prompt  
18 and thorough investigation in order to ascertain the facts of the  
19 case, the extent of the abuse or neglect, and the risk of harm to  
20 the juvenile, in order to determine whether protective services  
21 should be provided or the complaint filed as a petition. When the  
22 report alleges abuse, the director shall immediately, but no  
23 later than 24 hours after receipt of the report, initiate the  
24 investigation. When the report alleges neglect or dependency, the  
25 director shall initiate the investigation within 72 hours  
26 following receipt of the report. The investigation and evaluation  
27 shall include a visit to the place where the juvenile resides.  
28 All information received by the department of social services,  
29 including the identity of the reporter, shall be held in  
30 strictest confidence by the department.

31 When a report of suspected abuse, neglect, or dependency of a  
32 juvenile is received, the director of the department of social  
33 services shall immediately ascertain if other juveniles remain in  
34 the home, and, if so, initiate an investigation in order to  
35 determine whether they require protective services or whether  
36 immediate removal of the juveniles from the home is necessary for  
37 their protection.

38 If the investigation indicates that abuse, neglect, or  
39 dependency has occurred, the director shall decide whether  
40 immediate removal of the juvenile or any other juveniles in the  
41 home is necessary for their protection. If immediate removal does  
42 not seem necessary, the director shall immediately provide or  
43 arrange for protective services. If the parent or other caretaker  
44 refuses to accept the protective services provided or arranged by

1 the director, the director shall sign a complaint seeking to  
2 invoke the jurisdiction of the court for the protection of the  
3 juvenile or juveniles.

4 If immediate removal seems necessary for the protection of the  
5 juvenile or other juveniles in the home, the director shall sign  
6 a complaint which alleges the applicable facts to invoke the  
7 jurisdiction of the court. Where the investigation shows that it  
8 is warranted, a protective services worker may assume temporary  
9 custody of the juvenile for the juvenile's protection pursuant to  
10 Article 5 of this Chapter.

11 In performing any duties related to the investigation of the  
12 complaint or the provision or arrangement for protective  
13 services, the director may consult with any public or private  
14 agencies or individuals, including the available State or local  
15 law enforcement officers who shall assist in the investigation  
16 and evaluation of the seriousness of any report of abuse,  
17 neglect, or dependency when requested by the director. The  
18 director or the director's representative may make a written  
19 demand for any information or reports, whether or not  
20 confidential, that may in the director's opinion be relevant to  
21 the investigation of or the provision for protective services.  
22 Upon the director's or the director's representative's request  
23 and unless protected by the attorney-client privilege, any public  
24 or private agency or individual shall provide access to and  
25 copies of this confidential information and these records to the  
26 extent permitted by federal law and regulations. If a custodian  
27 of criminal investigative information or records believes that  
28 release of the information will jeopardize the right of the State  
29 to prosecute a defendant or the right of a defendant to receive a  
30 fair trial or will undermine an ongoing or future investigation,  
31 it may seek an order from a court of competent jurisdiction to  
32 prevent disclosure of the information. In such an action, the  
33 custodian of the records shall have the burden of showing by a  
34 preponderance of the evidence that disclosure of the information  
35 in question will jeopardize the right of the State to prosecute a  
36 defendant or the right of a defendant to receive a fair trial or  
37 will undermine an ongoing or future investigation. Actions  
38 brought pursuant to this paragraph shall be set down for  
39 immediate hearing, and subsequent proceedings in the actions  
40 shall be accorded priority by the trial and appellate courts.

41 Within five working days after receipt of the report of abuse,  
42 neglect, or dependency, the director shall give written notice to  
43 the person making the report, unless requested by that person not  
44 to give notice, as to whether the report was accepted for

1 investigation and whether the report was referred to the  
2 appropriate State or local law enforcement agency.

3 Within five working days after completion of the protective  
4 services investigation, the director shall give subsequent  
5 written notice to the person making the report, unless requested  
6 by that person not to give notice, as to whether there is a  
7 finding of abuse, neglect, or dependency, whether the county  
8 department of social services is taking action to protect the  
9 juvenile, and what action it is taking, including whether or not  
10 a petition was filed. The person making the report shall be  
11 informed of procedures necessary to request a review by the  
12 prosecutor of the director's decision not to file a petition. A  
13 request for review by the prosecutor shall be made within five  
14 working days of receipt of the second notification. The second  
15 notification shall include notice that, if the person making the  
16 report is not satisfied with the director's decision, the person  
17 may request review of the decision by the prosecutor within five  
18 working days of receipt. The person making the report may waive  
19 the person's right to this notification, and no notification is  
20 required if the person making the report does not identify  
21 himself to the director.

22 "§ 7B-303. Interference with investigation.

23 (a) If any person obstructs or interferes with an  
24 investigation required by G.S. 7B-302, the director may file a  
25 petition naming said person as respondent and requesting an order  
26 directing the respondent to cease such obstruction or  
27 interference. The petition shall contain the name and date of  
28 birth and address of the juvenile who is the subject of the  
29 investigation, shall specifically describe the conduct alleged to  
30 constitute obstruction of or interference with the investigation,  
31 and shall be verified.

32 (b) For purposes of this section, obstruction of or  
33 interference with an investigation means refusing to disclose the  
34 whereabouts of the juvenile, refusing to allow the director to  
35 have personal access to the juvenile, refusing to allow the  
36 director to observe or interview the juvenile in private,  
37 refusing to allow the director access to confidential information  
38 and records upon request pursuant to G.S. 7B-302, refusing to  
39 allow the director to arrange for an evaluation of the juvenile  
40 by a physician or other expert, or other conduct that makes it  
41 impossible for the director to carry out the duty to investigate.

42 (c) Upon filing of the petition, the court shall schedule a  
43 hearing to be held not less than five days after service of the  
44 petition and summons on the respondent. Service of the petition

1 and summons and notice of hearing shall be made as provided by  
2 the Rules of Civil Procedure on the respondent; the juvenile's  
3 parent, guardian, custodian, or caretaker; and any other person  
4 determined by the court to be a necessary party. If at the  
5 hearing on the petition the court finds by clear, cogent, and  
6 convincing evidence that the respondent, without lawful excuse,  
7 has obstructed or interfered with an investigation required by  
8 G.S. 7B-302, the court may order the respondent to cease such  
9 obstruction or interference. The burden of proof shall be on the  
10 petitioner.

11 (d) If the director has reason to believe that the juvenile is  
12 in need of immediate protection or assistance, the director shall  
13 so allege in the petition and may seek an ex parte order from the  
14 court. If the court, from the verified petition and any inquiry  
15 the court makes of the director, finds probable cause to believe  
16 both that the juvenile is at risk of immediate harm and that the  
17 respondent is obstructing or interfering with the director's  
18 ability to investigate to determine the juvenile's condition, the  
19 court may enter an ex parte order directing the respondent to  
20 cease such obstruction or interference. The order shall be  
21 limited to provisions necessary to enable the director to conduct  
22 an investigation sufficient to determine whether the juvenile is  
23 in need of immediate protection or assistance. Within 10 days  
24 after the entry of an ex parte order under this subsection, a  
25 hearing shall be held to determine whether there is good cause  
26 for the continuation of the order or the entry of a different  
27 order. An order entered under this subsection shall be served on  
28 the respondent along with a copy of the petition, summons, and  
29 notice of hearing.

30 (e) The director may be required at a hearing under this  
31 section to reveal the identity of any person who made a report of  
32 suspected abuse, neglect, or dependency as required by G.S. 7B-  
33 301.

34 (f) An order entered pursuant to this section is enforceable  
35 by civil or criminal contempt as provided in Chapter 5A of the  
36 General Statutes.

37 "§ 7B-304. Evaluation for court.

38 In all cases in which a petition is filed, the director of the  
39 department of social services shall prepare a report for the  
40 court containing a home placement plan and a treatment plan  
41 deemed by the director to be appropriate to the needs of the  
42 juvenile. The report shall be available to the court immediately  
43 following the adjudicatory hearing.

44 "§ 7B-305. Request for review by prosecutor.

1    The person making the report shall have five working days, from  
2 receipt of the decision of the director of the department of  
3 social services not to petition the court, to notify the  
4 prosecutor that the person is requesting a review. The prosecutor  
5 shall notify the person making the report and the director of the  
6 time and place for the review, and the director shall immediately  
7 transmit to the prosecutor a copy of the investigation report.

8 "§ 7B-306. Review by prosecutor.

9    The prosecutor shall review the director's determination that a  
10 petition should not be filed within 20 days after the person  
11 making the report is notified. The review shall include  
12 conferences with the person making the report, the protective  
13 services worker, the juvenile, if practicable, and other persons  
14 known to have pertinent information about the juvenile or the  
15 juvenile's family. At the conclusion of the conferences, the  
16 prosecutor may affirm the decision made by the director, may  
17 request the appropriate local law enforcement agency to  
18 investigate the allegations, or may direct the director to file a  
19 petition.

20 "§ 7B-307. Duty of director to report evidence of abuse,  
21 neglect; investigation by local law enforcement; notification of  
22 Department of Health and Human Services and State Bureau of  
23 Investigation.

24    (a) If the director finds evidence that a juvenile may have  
25 been abused as defined by G.S. 7B-101, the director shall make an  
26 immediate oral and subsequent written report of the findings to  
27 the district attorney or the district attorney's designee and the  
28 appropriate local law enforcement agency within 48 hours after  
29 receipt of the report. The local law enforcement agency shall  
30 immediately, but no later than 48 hours after receipt of the  
31 information, initiate and coordinate a criminal investigation  
32 with the protective services investigation being conducted by the  
33 county department of social services. Upon completion of the  
34 investigation, the district attorney shall determine whether  
35 criminal prosecution is appropriate and may request the director  
36 or the director's designee to appear before a magistrate.

37    If the director receives information that a juvenile may have  
38 been physically harmed in violation of any criminal statute by  
39 any person other than the juvenile's parent, guardian, custodian,  
40 or caretaker, the director shall make an immediate oral and  
41 subsequent written report of that information to the district  
42 attorney or the district attorney's designee and to the  
43 appropriate local law enforcement agency within 48 hours after  
44 receipt of the information. The local law enforcement agency

1 shall immediately, but no later than 48 hours after receipt of  
2 the information, initiate a criminal investigation. Upon  
3 completion of the investigation, the district attorney shall  
4 determine whether criminal prosecution is appropriate.

5 If the report received pursuant to G.S. 7B-301 involves abuse  
6 or neglect of a juvenile in child care, the director shall notify  
7 the Department of Health and Human Services within 24 hours or on  
8 the next working day of receipt of the report.

9 (b) If the director finds evidence that a juvenile has been  
10 abused or neglected as defined by G.S. 7B-101 in a child care  
11 facility, the director shall immediately so notify the Department  
12 of Health and Human Services and, in the case of sexual abuse,  
13 the State Bureau of Investigation, in such a way as does not  
14 violate the law guaranteeing the confidentiality of the records  
15 of the department of social services.

16 (c) Upon completion of the investigation, the director shall  
17 give the department written notification of the results of the  
18 investigation required by G.S. 7B-302. Upon completion of an  
19 investigation of sexual abuse in a child care facility, the  
20 director shall also make written notification of the results of  
21 the investigation to the State Bureau of Investigation.

22 The director of the department of social services shall submit  
23 a report of alleged abuse, neglect, or dependency cases or child  
24 fatalities that are the result of alleged maltreatment to the  
25 central registry under the policies adopted by the Social  
26 Services Commission.

27 "§ 7B-308. Authority of medical professionals in abuse cases.

28 (a) Any physician or administrator of a hospital, clinic, or  
29 other medical facility to which a suspected abused juvenile is  
30 brought for medical diagnosis or treatment shall have the right,  
31 when authorized by the chief district court judge of the district  
32 or the judge's designee, to retain physical custody of the  
33 juvenile in the facility when the physician who examines the  
34 juvenile certifies in writing that the juvenile who is suspected  
35 of being abused should remain for medical treatment or that,  
36 according to the juvenile's medical evaluation, it is unsafe for  
37 the juvenile to return to the juvenile's parent, guardian,  
38 custodian, or caretaker. This written certification must be  
39 signed by the certifying physician and must include the time and  
40 date that the judicial authority to retain custody is given.  
41 Copies of the written certification must be appended to the  
42 juvenile's medical and judicial records and another copy must be  
43 given to the juvenile's parent, guardian, custodian, or  
44 caretaker. The right to retain custody in the facility shall

1 exist for up to 12 hours from the time and date contained in the  
2 written certification.

3 (b) Immediately upon receipt of judicial authority to retain  
4 custody, the physician, the administrator, or that person's  
5 designee shall so notify the director of social services for the  
6 county in which the facility is located. The director shall treat  
7 this notification as a report of suspected abuse and shall  
8 immediately begin an investigation of the case.

9 (1) If the investigation reveals (i) that it is the  
10 opinion of the certifying physician that the  
11 juvenile is in need of medical treatment to cure or  
12 alleviate physical distress, or to prevent the  
13 juvenile from suffering serious physical injury,  
14 and (ii) that it is the opinion of the physician  
15 that the juvenile should for these reasons remain  
16 in the custody of the facility for 12 hours, but  
17 (iii) that the juvenile's parent, guardian,  
18 custodian, or caretaker cannot be reached or, upon  
19 request, will not consent to the treatment within  
20 the facility, the director shall within the initial  
21 12-hour period file a juvenile petition alleging  
22 abuse and setting forth supporting allegations and  
23 shall seek a nonsecure custody order. A petition  
24 filed and a nonsecure custody order obtained in  
25 accordance with this subdivision shall come on for  
26 hearing under the regular provisions of this  
27 Subchapter unless the director and the certifying  
28 physician together voluntarily dismiss the  
29 petition.

30 (2) In all cases except those described in subdivision  
31 (1) above, the director shall conduct the  
32 investigation and may initiate juvenile proceedings  
33 and take all other steps authorized by the regular  
34 provisions of this Subchapter. If the director  
35 decides not to file a petition, the physician, the  
36 administrator, or that person's designee may ask  
37 the prosecutor to review this decision according to  
38 the provisions of G.S. 7B-305 and G.S. 7B-306.

39 (c) If, upon hearing, the court determines that the juvenile  
40 is found in a county other than the county of legal residence, in  
41 accord with G.S. 153A-257, the juvenile may be transferred, in  
42 accord with G.S. 7B-903(2), to the custody of the department of  
43 social services in the county of residence.

1     (d) If the court, upon inquiry, determines that the medical  
2 treatment rendered was necessary and appropriate, the cost of  
3 that treatment may be charged to the parents, guardian,  
4 custodian, or caretaker, or, if the parents are unable to pay, to  
5 the county of residence in accordance with G.S. 7B-903 and G.S.  
6 7B-904.

7     (e) Except as otherwise provided, a petition begun under this  
8 section shall proceed in like manner with petitions begun under  
9 G.S. 7B-302.

10    (f) The procedures in this section are in addition to, and not  
11 in derogation of, the abuse and neglect reporting provisions of  
12 G.S. 7B-301 and the temporary custody provisions of G.S. 7B-500.  
13 Nothing in this section shall preclude a physician or  
14 administrator and a director of social services from following  
15 the procedures of G.S. 7B-301 and G.S. 7B-500 whenever these  
16 procedures are more appropriate to the juvenile's circumstances.  
17 "§ 7B-309. Immunity of persons reporting and cooperating in an  
18 investigation.

19    Anyone who makes a report pursuant to this Article, cooperates  
20 with the county department of social services in a protective  
21 services inquiry or investigation, testifies in any judicial  
22 proceeding resulting from a protective services report or  
23 investigation, or otherwise participates in the program  
24 authorized by this Article, is immune from any civil or criminal  
25 liability that might otherwise be incurred or imposed for that  
26 action provided that the person was acting in good faith. In any  
27 proceeding involving liability, good faith is presumed.

28    "§ 7B-310. Privileges not grounds for failing to report or for  
29 excluding evidence.

30    No privilege shall be grounds for any person or institution  
31 failing to report that a juvenile may have been abused,  
32 neglected, or dependent, even if the knowledge or suspicion is  
33 acquired in an official professional capacity, except when the  
34 knowledge or suspicion is gained by an attorney from that  
35 attorney's client during representation only in the abuse,  
36 neglect, or dependency case. No privilege, except the attorney-  
37 client privilege, shall be grounds for excluding evidence of  
38 abuse, neglect, or dependency in any judicial proceeding (civil,  
39 criminal, or juvenile) in which a juvenile's abuse, neglect, or  
40 dependency is in issue nor in any judicial proceeding resulting  
41 from a report submitted under this Article, both as this  
42 privilege relates to the competency of the witness and to the  
43 exclusion of confidential communications.

44    "§ 7B-311. Central registry.

1    The Department of Health and Human Services shall maintain a  
2 central registry of abuse, neglect, and dependency cases and  
3 child fatalities that are the result of alleged maltreatment that  
4 are reported under this Article in order to compile data for  
5 appropriate study of the extent of abuse and neglect within the  
6 State and to identify repeated abuses of the same juvenile or of  
7 other juveniles in the same family. This data shall be furnished  
8 by county directors of social services to the Department of  
9 Health and Human Services and shall be confidential, subject to  
10 policies adopted by the Social Services Commission providing for  
11 its use for study and research and for other appropriate  
12 disclosure. Data shall not be used at any hearing or court  
13 proceeding unless based upon a final judgment of a court of law.

14                   "ARTICLE 4.

15                   "Venue; Petitions.

16    "§ 7B-400. Venue; pleading.

17    A proceeding in which a juvenile is alleged to be abused,  
18 neglected, or dependent may be commenced in the district in which  
19 the juvenile resides or is present. When a proceeding is  
20 commenced in a district other than that of the juvenile's  
21 residence, the court, on its own motion or upon motion of any  
22 party, may transfer the proceeding to the court in the district  
23 where the juvenile resides. A transfer under this subsection may  
24 be made at any time.

25    "§ 7B-401. Pleading and process.

26    The pleading in an abuse, neglect, or dependency action is the  
27 petition. The process in an abuse, neglect, or dependency action  
28 is the summons.

29    "§ 7B-402. Petition.

30    (a) The petition shall contain the name, date of birth,  
31 address of the juvenile, the name and last known address of the  
32 juvenile's parent, guardian, or custodian and shall allege the  
33 facts which invoke jurisdiction over the juvenile. The petition  
34 may contain information on more than one juvenile when the  
35 juveniles are from the same home and are before the court for the  
36 same reason.

37    Sufficient copies of the petition shall be prepared so that  
38 copies will be available for each juvenile, each parent if living  
39 separate and apart, the guardian ad litem, the social worker, and  
40 any person determined by the court to be a necessary party.

41    "§ 7B-403. Receipt of reports; filing of petition.

42    (a) All reports concerning a juvenile alleged to be abused,  
43 neglected, or dependent shall be referred to the director of the  
44 department of social services for screening. Thereafter, if it is

1 determined by the director that a report should be filed as a  
2 petition, the petition shall be drawn by the director, verified  
3 before an official authorized to administer oaths, and filed by  
4 the clerk, recording the date of filing.

5 (b) A decision of the director of social services not to file  
6 a report as a petition shall be reviewed by the prosecutor if  
7 review is requested pursuant to G.S. 7B-305.

8 "§ 7B-404. Immediate need for petition when clerk's office is  
9 closed.

10 (a) When the office of the clerk is closed, a magistrate may be  
11 authorized by the chief district court judge to draw, verify, and  
12 issue petitions as follows:

13 (1) When the director of the department of social  
14 services requests a petition alleging a juvenile to  
15 be abused, neglected, or dependent, or

16 (2) When the director of the department of social  
17 services requests a petition alleging the  
18 obstruction of or interference with an  
19 investigation required by G.S. 7B-302.

20 (b) The authority of the magistrate under this section is  
21 limited to emergency situations when a petition is required in  
22 order to obtain a nonsecure custody order or an order under G.S.  
23 7B-303. Any petition issued under this section shall be delivered  
24 to the clerk's office for processing as soon as that office is  
25 open for business.

26 "§ 7B-405. Commencement of action.

27 An action is commenced by the filing of a petition in the  
28 clerk's office when that office is open, or by the issuance of a  
29 juvenile petition by a magistrate when the clerk's office is  
30 closed, which issuance shall constitute filing.

31 "§ 7B-406. Issuance of summons.

32 (a) Immediately after a petition has been filed alleging that a  
33 juvenile is abused, neglected, or dependent, the clerk shall  
34 issue a summons to the parent, guardian, custodian, or caretaker  
35 requiring them to appear for a hearing at the time and place  
36 stated in the summons. A copy of the petition shall be attached  
37 to each summons.

38 (b) A summons shall be on a printed form supplied by the  
39 Administrative Office of the Courts and shall include:

40 (1) Notice of the nature of the proceeding;

41 (2) Notice of any right to counsel and information  
42 about how to seek the appointment of counsel prior  
43 to a hearing;

- 1           (3) Notice that, if the court determines at the hearing  
2           that the allegations of the petition are true, the  
3           court will conduct a dispositional hearing to  
4           consider the needs of the juvenile and enter an  
5           order designed to meet those needs and the  
6           objectives of the State; and  
7           (4) Notice that the dispositional order or a subsequent  
8           order:  
9           a. May remove the juvenile from the custody of  
10           the parent, guardian, or custodian.  
11           b. May require that the juvenile receive medical,  
12           psychiatric, psychological, or other treatment  
13           and that the parent participate in the  
14           treatment.  
15           c. May require the parent to undergo psychiatric,  
16           psychological, or other treatment or  
17           counseling for the purpose of remedying the  
18           behaviors or conditions that are alleged in  
19           the petition or that contributed to the  
20           removal of the juvenile from the custody of  
21           the parent.  
22           d. May order the parent to pay for treatment that  
23           is ordered for the juvenile or the parent.  
24           (c) The summons shall advise the parent that upon service,  
25           jurisdiction over the parent is obtained and that failure to  
26           comply with any order of the court pursuant to G.S. 7B-904 may  
27           cause the court to issue a show cause order for contempt.  
28           (d) A summons shall be directed to the person summoned to  
29           appear and shall be delivered to any person authorized to serve  
30           process.  
31           "§ 7B-407. Service of summons.  
32           The summons shall be personally served upon the parent,  
33           guardian, custodian, or caretaker, and the juvenile or counsel or  
34           guardian ad litem, not less than five days prior to the date of  
35           the scheduled hearing. The time for service may be waived in the  
36           discretion of the court.  
37           If the parent, guardian, custodian, or caretaker entitled to  
38           receive a summons cannot be found by a diligent effort, the court  
39           may authorize service of the summons and petition by mail or by  
40           publication. The cost of the service by publication shall be  
41           advanced by the petitioner and may be charged as court costs as  
42           the court may direct.  
43           If the parent, guardian, custodian, or caretaker is personally  
44           served as herein provided and fails without reasonable cause to

1 appear and to bring the juvenile before the court, the parent,  
2 guardian, custodian, or caretaker may be proceeded against as for  
3 contempt of court.

4 "ARTICLE 5.

5 "Temporary Custody; Nonsecure Custody; Custody Hearings.

6 "§ 7B-500. Taking a juvenile into temporary custody.

7 Temporary custody means the taking of physical custody and  
8 providing personal care and supervision until a court order for  
9 nonsecure custody can be obtained. A juvenile may be taken into  
10 temporary custody without a court order by a law enforcement  
11 officer or a department of social services worker if there are  
12 reasonable grounds to believe that the juvenile is abused,  
13 neglected, or dependent and that the juvenile would be injured or  
14 could not be taken into custody if it were first necessary to  
15 obtain a court order. If a department of social services worker  
16 takes a juvenile into temporary custody under this section, the  
17 worker may arrange for the placement, care, supervision, and  
18 transportation of the juvenile.

19 "§ 7B-501. Duties of person taking juvenile into temporary  
20 custody.

21 (a) A person who takes a juvenile into custody without a court  
22 order under G.S. 7B-500 shall proceed as follows:

23 (1) Notify the juvenile's parent, guardian, custodian,  
24 or caretaker that the juvenile has been taken into  
25 temporary custody and advise the parent, guardian,  
26 custodian, or caretaker of the right to be present  
27 with the juvenile until a determination is made as  
28 to the need for nonsecure custody. Failure to  
29 notify the parent that the juvenile is in custody  
30 shall not be grounds for release of the juvenile.

31 (2) Release the juvenile to the juvenile's parent,  
32 guardian, custodian, or caretaker if the person  
33 having the juvenile in temporary custody decides  
34 that continued custody is unnecessary.

35 (3) The person having temporary custody shall  
36 communicate with the director of the department of  
37 social services who shall consider prehearing  
38 diversion. If the decision is made to file a  
39 petition, the director shall contact the judge or  
40 person delegated authority pursuant to G.S. 7B-502  
41 for a determination of the need for continued  
42 custody.

43 (b) A juvenile taken into temporary custody under this Article  
44 shall not be held for more than 12 hours, or for more than 24

1 hours if any of the 12 hours falls on a Saturday, Sunday, or  
2 legal holiday, unless:

- 3       (1) A petition or motion for review has been filed by  
4       the director of the department of social services,  
5       and  
6       (2) An order for nonsecure custody has been entered by  
7       the court.

8 "§ 7B-502. Authority to issue custody orders; delegation.

9     In the case of any juvenile alleged to be within the  
10  jurisdiction of the court, the court may order that the juvenile  
11  be placed in nonsecure custody pursuant to criteria set out in  
12  G.S. 7B-503 when custody of the juvenile is necessary.

13  Any district court judge shall have the authority to issue  
14  nonsecure custody orders pursuant to G.S. 7B-503. The chief  
15  district court judge may delegate the court's authority to  
16  persons other than district court judges by administrative order  
17  which shall be filed in the office of the clerk of superior  
18  court. The administrative order shall specify which persons shall  
19  be contacted for approval of a nonsecure custody order pursuant  
20  to G.S. 7B-503.

21 "§ 7B-503. Criteria for nonsecure custody.

22  When a request is made for nonsecure custody, the court shall  
23  first consider release of the juvenile to the juvenile's parent,  
24  relative, guardian, custodian, or other responsible adult. An  
25  order for nonsecure custody shall be made only when there is a  
26  reasonable factual basis to believe the matters alleged in the  
27  petition are true, and

- 28       (1) The juvenile has been abandoned; or  
29       (2) The juvenile has suffered physical injury or sexual  
30       abuse; or  
31       (3) The juvenile is exposed to a substantial risk of  
32       physical injury or sexual abuse because the parent,  
33       guardian, custodian, or caretaker has created the  
34       conditions likely to cause injury or abuse or has  
35       failed to provide, or is unable to provide,  
36       adequate supervision or protection; or  
37       (4) The juvenile is in need of medical treatment to  
38       cure, alleviate, or prevent suffering serious  
39       physical harm which may result in death,  
40       disfigurement, or substantial impairment of bodily  
41       functions, and the juvenile's parent, guardian,  
42       custodian, or caretaker is unwilling or unable to  
43       provide or consent to the medical treatment; or

1           (5) The parent, guardian, custodian, or caretaker  
2           consents to the nonsecure custody order; or

3           (6) The juvenile is a runaway and consents to nonsecure  
4           custody.

5 A juvenile alleged to be abused, neglected, or dependent shall be  
6 placed in nonsecure custody only when there is a reasonable  
7 factual basis to believe that there is no other reasonable means  
8 available to protect the juvenile. In no case shall a juvenile  
9 alleged to be abused, neglected, or dependent be placed in secure  
10 custody.

11 "§ 7B-504. Order for nonsecure custody.

12 The custody order shall be in writing and shall direct a law  
13 enforcement officer or other authorized person to assume custody  
14 of the juvenile and to make due return on the order. A copy of  
15 the order shall be given to the juvenile's parent, guardian,  
16 custodian, or caretaker by the official executing the order.

17 An officer receiving an order for custody which is complete and  
18 regular on its face may execute it in accordance with its terms.  
19 The officer is not required to inquire into the regularity or  
20 continued validity of the order and shall not incur criminal or  
21 civil liability for its due service.

22 "§ 7B-505. Place of nonsecure custody.

23 A juvenile meeting the criteria set out in G.S. 7B-503 may be  
24 placed in nonsecure custody with the department of social  
25 services or a person designated in the order for temporary  
26 residential placement in:

27           (1) A licensed foster home or a home otherwise  
28           authorized by law to provide such care; or

29           (2) A facility operated by the department of social  
30           services; or

31           (3) Any other home or facility approved by the court  
32           and designated in the order.

33 In placing a juvenile in nonsecure custody under this section,  
34 the court shall first consider whether a relative of the juvenile  
35 is willing and able to provide proper care and supervision of the  
36 juvenile in a safe home. If the court finds that the relative is  
37 willing and able to provide proper care and supervision in a safe  
38 home, then the court shall order placement of the juvenile with  
39 the relative. Prior to placement of a juvenile with a relative  
40 outside of this State, the placement must be in accordance with  
41 the Interstate Compact on the Placement of Children, Article 38  
42 of this Chapter.

43 "§ 7B-506. Hearing to determine need for continued nonsecure  
44 custody.

1     (a) No juvenile shall be held under a nonsecure custody order  
2 for more than seven calendar days without a hearing on the merits  
3 or a hearing to determine the need for continued custody. A  
4 hearing on nonsecure custody conducted under this subsection may  
5 be continued for up to 10 business days with the consent of the  
6 juvenile's parent, guardian, custodian, or caretaker and, if  
7 appointed, the juvenile's guardian ad litem. In addition, the  
8 court may require the consent of additional parties or may  
9 schedule the hearing on custody despite a party's consent to a  
10 continuance. In every case in which an order has been entered by  
11 an official exercising authority delegated pursuant to G.S. 7B-  
12 502, a hearing to determine the need for continued custody shall  
13 be conducted on the day of the next regularly scheduled session  
14 of district court in the city or county where the order was  
15 entered if such session precedes the expiration of the applicable  
16 time period set forth in this subsection: Provided, that if such  
17 session does not precede the expiration of the time period, the  
18 hearing may be conducted at another regularly scheduled session  
19 of district court in the district where the order was entered.

20     (b) At a hearing to determine the need for continued custody,  
21 the court shall receive testimony and shall allow the guardian ad  
22 litem, or juvenile, and the juvenile's parent, guardian,  
23 custodian, or caretaker an opportunity to introduce evidence, to  
24 be heard in the person's own behalf, and to examine witnesses.  
25 The State shall bear the burden at every stage of the proceedings  
26 to provide clear and convincing evidence that the juvenile's  
27 placement in custody is necessary. The court shall not be bound  
28 by the usual rules of evidence at such hearings.

29     (c) The court shall be bound by criteria set forth in G.S. 7B-  
30 503 in determining whether continued custody is warranted.

31     (d) If the court determines that the juvenile meets the  
32 criteria in G.S. 7B-503 and should continue in custody, the court  
33 shall issue an order to that effect. The order shall be in  
34 writing with appropriate findings of fact. The findings of fact  
35 shall include the evidence relied upon in reaching the decision  
36 and the purposes which continued custody is to achieve.

37     (e) If the court orders at the hearing required in subsection  
38 (a) of this section that the juvenile remain in custody, a  
39 subsequent hearing on continued custody shall be held within  
40 seven business days of that hearing, excluding Saturdays,  
41 Sundays, and legal holidays, and pending a hearing on the merits,  
42 hearings thereafter shall be held at intervals of no more than 30  
43 calendar days.

1 (f) Hearings conducted under subsection (e) of this section  
2 may be waived only with the consent of the juvenile's parent,  
3 guardian, custodian, or caretaker, and, if appointed, the  
4 juvenile's guardian ad litem.

5 The court may require the consent of additional parties or  
6 schedule a hearing despite a party's consent to waiver.

7 (g) Any order authorizing the continued custody of a juvenile  
8 shall include findings as to whether reasonable efforts have been  
9 made to prevent or eliminate the need for placement of the  
10 juvenile in custody and may provide for services or other efforts  
11 aimed at returning the juvenile promptly to a safe home. A  
12 finding that reasonable efforts have not been made shall not  
13 preclude the entry of an order authorizing continued custody when  
14 the court finds that continued custody is necessary for the  
15 protection of the juvenile. Where efforts to prevent the need for  
16 the juvenile's placement were precluded by an immediate threat of  
17 harm to the juvenile, the court may find that the placement of  
18 the juvenile in the absence of such efforts was reasonable. If  
19 the court finds through written findings of fact that efforts to  
20 eliminate the need for placement of the juvenile in custody  
21 clearly would be futile or would be inconsistent with the  
22 juvenile's safety and need for a safe, permanent home within a  
23 reasonable period of time, then the court shall specify in its  
24 order that reunification efforts are not required or order that  
25 reunification efforts cease.

26 (h) At each hearing to determine the need for continued  
27 custody, the court shall:

28 (1) Inquire as to the identity and location of any  
29 missing parent. The court shall include findings as  
30 to the efforts undertaken to locate the missing  
31 parent and to serve that parent. The order may  
32 provide for specific efforts aimed at determining  
33 the identity and location of any missing parent;

34 (2) Inquire as to whether a relative of the juvenile is  
35 willing and able to provide proper care and  
36 supervision of the juvenile in a safe home. If the  
37 court finds that the relative is willing and able  
38 to provide proper care and supervision in a safe  
39 home, then the court shall order temporary  
40 placement of the juvenile with the relative. Prior  
41 to placement of a juvenile with a relative outside  
42 of this State, the placement must be in accordance  
43 with the Interstate Compact on the Placement of

1           Children set forth in Article 38 of this Chapter;  
2           and  
3           (3) Inquire as to whether there are other juveniles  
4           remaining in the home from which the juvenile was  
5           removed and, if there are, inquire as to the  
6           specific findings of the investigation conducted  
7           under G.S. 7B-302 and any actions taken or services  
8           provided by the director for the protection of the  
9           other juveniles.

10 "§ 7B-507. Telephonic communication authorized.

11       All communications, notices, orders, authorizations, and  
12 requests authorized or required by G.S. 7B-501, 7B-503, and 7B-  
13 504 may be made by telephone when other means of communication  
14 are impractical. All written orders pursuant to telephonic  
15 communication shall bear the name and the title of the person  
16 communicating by telephone, the signature and the title of the  
17 official entering the order, and the hour and the date of the  
18 authorization.

19                               "ARTICLE 6.

20                               "Basic Rights.

21 "§ 7B-600. Appointment of guardian.

22       In any case when no parent appears in a hearing with the  
23 juvenile or when the court finds it would be in the best  
24 interests of the juvenile, the court may appoint a guardian of  
25 the person for the juvenile. The guardian shall operate under the  
26 supervision of the court with or without bond and shall file only  
27 such reports as the court shall require. The guardian shall have  
28 the care, custody, and control of the juvenile or may arrange a  
29 suitable placement for the juvenile and may represent the  
30 juvenile in legal actions before any court. The guardian may  
31 consent to certain actions on the part of the juvenile in place  
32 of the parent including (i) marriage, (ii) enlisting in the armed  
33 forces, and (iii) enrollment in school. The guardian may also  
34 consent to any necessary remedial, psychological, medical, or  
35 surgical treatment for the juvenile. The authority of the  
36 guardian shall continue until the guardianship is terminated by  
37 court order, until the juvenile is emancipated pursuant to  
38 Article 35 of Subchapter IV of this Chapter, or until the  
39 juvenile reaches the age of majority.

40 "§ 7B-601. Appointment and duties of guardian ad litem.

41       (a) When in a petition a juvenile is alleged to be abused or  
42 neglected, the court shall appoint a guardian ad litem to  
43 represent the juvenile. When a juvenile is alleged to be  
44 dependent, the court may appoint a guardian ad litem to represent

1 the juvenile. The guardian ad litem and attorney advocate have  
2 standing to represent the juvenile in all actions under this  
3 Subchapter where they have been appointed. The appointment shall  
4 be made pursuant to the program established by Article 12 of this  
5 Chapter unless representation is otherwise provided legally made.  
6 The appointment shall terminate at the end of two years. The  
7 court may reappoint the guardian ad litem pursuant to a showing  
8 of good cause upon motion of any party, including the guardian ad  
9 litem, or of the court. In every case where a nonattorney is  
10 appointed as a guardian ad litem, an attorney shall be appointed  
11 in the case in order to assure protection of the juvenile's legal  
12 rights through the dispositional phase of the proceedings, and  
13 after disposition when necessary to further the best interests of  
14 the juvenile. The duties of the guardian ad litem program shall  
15 be to make an investigation to determine the facts, the needs of  
16 the juvenile, and the available resources within the family and  
17 community to meet those needs; to facilitate, when appropriate,  
18 the settlement of disputed issues; to offer evidence and examine  
19 witnesses at adjudication; to explore options with the court at  
20 the dispositional hearing; and to protect and promote the best  
21 interests of the juvenile until formally relieved of the  
22 responsibility by the court.

23 (b) The court may order the department of social services or  
24 the guardian ad litem to conduct follow-up investigations to  
25 ensure that the orders of the court are being properly executed  
26 and to report to the court when the needs of the juvenile are not  
27 being met. The court may also authorize the guardian ad litem to  
28 accompany the juvenile to court in any criminal action wherein  
29 the juvenile may be called on to testify in a matter relating to  
30 abuse.

31 (c) The court may grant the guardian ad litem the authority to  
32 demand any information or reports, whether or not confidential,  
33 that may in the guardian ad litem's opinion be relevant to the  
34 case. Neither the physician-patient privilege nor the husband-  
35 wife privilege may be invoked to prevent the guardian ad litem  
36 and the court from obtaining such information. The  
37 confidentiality of the information or reports shall be respected  
38 by the guardian ad litem and no disclosure of any information or  
39 reports shall be made to anyone except by order of the court or  
40 unless otherwise provided by law.

41 "§ 7B-602. Parent's right to counsel.

42 In cases where the juvenile petition alleges that a juvenile is  
43 abused, neglected, or dependent, the parent has the right to  
44 counsel and to appointed counsel in cases of indigency unless the

1 parent waives the right. In no case may the court appoint a  
2 county attorney, prosecutor, or public defender.

3 "§ 7B-603. Payment of court-appointed attorney or guardian ad  
4 litem.

5 An attorney or guardian ad litem appointed pursuant to G.S. 7B-  
6 601 or G.S. 7B-602 pursuant to any other provision of the  
7 Juvenile Code shall be paid a reasonable fee fixed by the court  
8 in the same manner as fees for attorneys appointed in cases of  
9 indigency or by direct engagement for specialized guardian ad  
10 litem services through the Administrative Office of the Courts.  
11 The court may require payment of the attorney or guardian ad  
12 litem fee from a person other than the juvenile as provided in  
13 G.S. 7A-450.1, 7A-450.2, and 7A-450.3. In no event shall the  
14 parent or guardian be required to pay the fees for a court-  
15 appointed attorney or guardian ad litem in an abuse, neglect, or  
16 dependency proceeding unless the juvenile has been adjudicated to  
17 be abused, neglected, or dependent, or, in a proceeding to  
18 terminate parental rights, unless the parent's rights have been  
19 terminated. A person who does not comply with the court's order  
20 of payment may be punished for contempt as provided in G.S. 5A-  
21 21.

22 "ARTICLE 7.

23 "Discovery.

24 "§ 7B-700. Regulation of discovery; protective orders.

25 (a) Upon written motion of a party and a finding of good cause,  
26 the court may at any time order that discovery be denied,  
27 restricted, or deferred.

28 (b) The court may permit a party seeking relief under  
29 subsection (a) of this section to submit supporting affidavits or  
30 statements to the court for in camera inspection. If, thereafter,  
31 the court enters an order granting relief under subsection (a) of  
32 this section, the material submitted in camera must be available  
33 to the Court of Appeals in the event of an appeal.

34 "ARTICLE 8.

35 "Hearing Procedures.

36 "§ 7B-800. Amendment of petition.

37 The court may permit a petition to be amended when the  
38 amendment does not change the nature of the offense alleged or  
39 the conditions upon which the petition is based.

40 "§ 7B-801. Adjudicatory hearing.

41 The adjudicatory hearing shall be held in the district at such  
42 time and place as the chief district court judge shall designate.  
43 The court may exclude the public from the hearing unless the

1 juvenile moves that the hearing be open, which motion shall be  
2 granted.

3 "§ 7B-802. Conduct of hearing.

4 The adjudicatory hearing shall be a judicial process designed  
5 to adjudicate the existence or nonexistence of any of the  
6 conditions alleged in a petition. In the adjudicatory hearing,  
7 the court shall protect the rights of the juvenile and the  
8 juvenile's parent to assure due process of law.

9 "§ 7B-803. Continuances.

10 The court may, for good cause, continue the hearing for as long  
11 as is reasonably required to receive additional evidence,  
12 reports, or assessments that the court has requested, or other  
13 information needed in the best interests of the juvenile and to  
14 allow for a reasonable time for the parties to conduct  
15 expeditious discovery. Otherwise, continuances shall be granted  
16 only in extraordinary circumstances when necessary for the proper  
17 administration of justice or in the best interests of the  
18 juvenile.

19 "§ 7B-804. Rules of evidence.

20 Where the juvenile is alleged to be abused, neglected, or  
21 dependent, the rules of evidence in civil cases shall apply.

22 "§ 7B-805. Quantum of proof in adjudicatory hearing.

23 The allegations in a petition alleging abuse, neglect, or  
24 dependence shall be proved by clear and convincing evidence.

25 "§ 7B-806. Record of proceedings.

26 All adjudicatory and dispositional hearings shall be recorded  
27 by stenographic notes or by electronic or mechanical means.  
28 Records shall be reduced to a written transcript only when timely  
29 notice of appeal has been given. The court may order that other  
30 hearings be recorded.

31 "§ 7B-807. Adjudication.

32 If the court finds that the allegations in the petition have  
33 been proven by clear and convincing evidence, the court shall so  
34 state. If the court finds that the allegations have not been  
35 proven, the court shall dismiss the petition with prejudice and  
36 the juvenile shall be released from nonsecure custody.

37 "§ 7B-808. Predisposition investigation and report.

38 The court shall proceed to the dispositional hearing upon  
39 receipt of sufficient social, medical, psychiatric,  
40 psychological, and educational information. No predisposition  
41 report shall be submitted to or considered by the court prior to  
42 the completion of the adjudicatory hearing. The court shall  
43 permit the guardian ad litem or juvenile to inspect any  
44 predisposition report to be considered by the court in making the

1 disposition unless the court determines that disclosure would  
2 seriously harm the juvenile's treatment or rehabilitation or  
3 would violate a promise of confidentiality. Opportunity to offer  
4 evidence in rebuttal shall be afforded the guardian ad litem or  
5 juvenile, and the juvenile's parent, guardian, custodian, or  
6 caretaker at the dispositional hearing. The court may order  
7 counsel not to disclose parts of the report to the guardian ad  
8 litem or juvenile, or the juvenile's parent, guardian, custodian,  
9 or caretaker if the court finds that disclosure would seriously  
10 harm the treatment or rehabilitation of the juvenile or would  
11 violate a promise of confidentiality given to a source of  
12 information.

13 "ARTICLE 9.

14 "Dispositions.

15 "§ 7B-900. Purpose.

16 The purpose of dispositions in juvenile actions is to design an  
17 appropriate plan to meet the needs of the juvenile and to achieve  
18 the objectives of the State in exercising jurisdiction. If  
19 possible, the initial approach should involve working with the  
20 juvenile and the juvenile's family in their own home so that the  
21 appropriate community resources may be involved in care,  
22 supervision, and treatment according to the needs of the  
23 juvenile. Thus, the court should arrange for appropriate  
24 community-level services to be provided to the juvenile and the  
25 juvenile's family in order to strengthen the home situation.

26 "§ 7B-901. Dispositional hearing.

27 The dispositional hearing may be informal and the court may  
28 consider written reports or other evidence concerning the needs  
29 of the juvenile. The juvenile and the juvenile's parent,  
30 guardian, custodian, or caretaker shall have an opportunity to  
31 present evidence, and they may advise the court concerning the  
32 disposition they believe to be in the best interests of the  
33 juvenile. The court may exclude the public from the hearing  
34 unless the juvenile moves that the hearing be open, which motion  
35 shall be granted.

36 "§ 7B-902. Consent judgment in abuse, neglect, or dependency  
37 proceeding.

38 Nothing in this Article precludes the court from entering a  
39 consent order or judgment on a petition for abuse, neglect, or  
40 dependency when all parties are present, the juvenile is  
41 represented by counsel, and all other parties are either  
42 represented by counsel or have waived counsel, and sufficient  
43 findings of fact are made by the court.

1 "§ 7B-903. Dispositional alternatives for abused, neglected, or  
2 dependent juvenile.

3 The following alternatives for disposition shall be available  
4 to any court exercising jurisdiction, and the court may combine  
5 any of the applicable alternatives when the court finds the  
6 disposition to be in the best interests of the juvenile:

7 (1) The court may dismiss the case or continue the case  
8 in order to allow the parent or others to take  
9 appropriate action.

10 (2) In the case of any juvenile who needs more adequate  
11 care or supervision or who needs placement, the  
12 court may:

13 a. Require that the juvenile be supervised in the  
14 juvenile's own home by the department of  
15 social services in the juvenile's county, or  
16 by other personnel as may be available to the  
17 court, subject to conditions applicable to the  
18 parent, guardian, custodian, or caretaker as  
19 the court may specify; or

20 b. Place the juvenile in the custody of a parent,  
21 relative, private agency offering placement  
22 services, or some other suitable person; or

23 c. Place the juvenile in the custody of the  
24 department of social services in the county of  
25 the juvenile's residence, or in the case of a  
26 juvenile who has legal residence outside the  
27 State, in the physical custody of the  
28 department of social services in the county  
29 where the juvenile is found so that agency may  
30 return the juvenile to the responsible  
31 authorities in the juvenile's home state. The  
32 director may, unless otherwise ordered by the  
33 court, arrange for, provide, or consent to,  
34 needed routine or emergency medical or  
35 surgical care or treatment. In the case where  
36 the parent is unknown, unavailable, or unable  
37 to act on behalf of the juvenile, the director  
38 may, unless otherwise ordered by the court,  
39 arrange for, provide, or consent to any  
40 psychiatric, psychological, educational, or  
41 other remedial evaluations or treatment for  
42 the juvenile placed by a court or the court's  
43 designee in the custody or physical custody of  
44 a county department of social services under

1           the authority of this or any other Chapter of  
2           the General Statutes. Prior to exercising this  
3           authority, the director shall make reasonable  
4           efforts to obtain consent from a parent or  
5           guardian of the affected juvenile. If the  
6           director cannot obtain such consent, the  
7           director shall promptly notify the parent or  
8           guardian that care or treatment has been  
9           provided and shall give the parent frequent  
10          status reports on the circumstances of the  
11          juvenile. Upon request of a parent or guardian  
12          of the affected juvenile, the results or  
13          records of the aforementioned evaluations,  
14          findings, or treatment shall be made available  
15          to such parent or guardian by the director  
16          unless prohibited by G.S. 122C-53(d).

17           (3) In any case, the court may order that the juvenile  
18           be examined by a physician, psychiatrist,  
19           psychologist, or other qualified expert as may be  
20           needed for the court to determine the needs of the  
21           juvenile:

22           a. Upon completion of the examination, the court  
23           shall conduct a hearing to determine whether  
24           the juvenile is in need of medical, surgical,  
25           psychiatric, psychological, or other treatment  
26           and who should pay the cost of the treatment.  
27           The county manager, or such person who shall  
28           be designated by the chairman of the county  
29           commissioners, of the juvenile's residence  
30           shall be notified of the hearing, and allowed  
31           to be heard. If the court finds the juvenile  
32           to be in need of medical, surgical,  
33           psychiatric, psychological, or other  
34           treatment, the court shall permit the parent  
35           or other responsible persons to arrange for  
36           treatment. If the parent declines or is unable  
37           to make necessary arrangements, the court may  
38           order the needed treatment, surgery, or care,  
39           and the court may order the parent to pay the  
40           cost of the care pursuant to G.S. 7B-904. If  
41           the court finds the parent is unable to pay  
42           the cost of treatment, the court shall order  
43           the county to arrange for treatment of the  
44           juvenile and to pay for the cost of the

1                    treatment. The county department of social  
2                    services shall recommend the facility that  
3                    will provide the juvenile with treatment.

4                    b. If the court believes, or if there is evidence  
5                    presented to the effect that the juvenile is  
6                    mentally ill or is developmentally disabled,  
7                    the court shall refer the juvenile to the area  
8                    mental health, developmental disabilities, and  
9                    substance abuse services director for  
10                   appropriate action. A juvenile shall not be  
11                   committed directly to a State hospital or  
12                   mental retardation center; and orders  
13                   purporting to commit a juvenile directly to a  
14                   State hospital or mental retardation center  
15                   except for an examination to determine  
16                   capacity to proceed shall be void and of no  
17                   effect. The area mental health, developmental  
18                   disabilities, and substance abuse director  
19                   shall be responsible for arranging an  
20                   interdisciplinary evaluation of the juvenile  
21                   and mobilizing resources to meet the  
22                   juvenile's needs. If institutionalization is  
23                   determined to be the best service for the  
24                   juvenile, admission shall be with the  
25                   voluntary consent of the parent or guardian.  
26                   If the parent, guardian, custodian, or  
27                   caretaker refuses to consent to a mental  
28                   hospital or retardation center admission after  
29                   such institutionalization is recommended by  
30                   the area mental health, developmental  
31                   disabilities, and substance abuse director,  
32                   the signature and consent of the court may be  
33                   substituted for that purpose. In all cases in  
34                   which a regional mental hospital refuses  
35                   admission to a juvenile referred for admission  
36                   by a court and an area mental health,  
37                   developmental disabilities, and substance  
38                   abuse director or discharges a juvenile  
39                   previously admitted on court referral prior to  
40                   completion of treatment, the hospital shall  
41                   submit to the court a written report setting  
42                   out the reasons for denial of admission or  
43                   discharge and setting out the juvenile's  
44                   diagnosis, indications of mental illness,

1                   indications of need for treatment, and a  
2                   statement as to the location of any facility  
3                   known to have a treatment program for the  
4                   juvenile in question.

5 "§ 7B-904. Authority over parents of juvenile adjudicated as  
6 abused, neglected, or dependent.

7     (a) If the court orders medical, surgical, psychiatric,  
8 psychological, or other treatment pursuant to G.S. 7B-903, the  
9 court may order the parent or other responsible parties to pay  
10 the cost of the treatment or care ordered.

11     (b) At the dispositional hearing or a subsequent hearing in  
12 the case of a juvenile who has been adjudicated abused,  
13 neglected, or dependent, if the court finds that it is in the  
14 best interests of the juvenile for the parent to be directly  
15 involved in the juvenile's treatment, the court may order the  
16 parent to participate in medical, psychiatric, psychological, or  
17 other treatment of the juvenile. The cost of the treatment shall  
18 be paid pursuant to G.S. 7B-903.

19     (c) At the dispositional hearing or a subsequent hearing in  
20 the case of a juvenile who has been adjudicated abused,  
21 neglected, or dependent, the court may determine whether the best  
22 interests of the juvenile requires that the parent undergo  
23 psychiatric, psychological, or other treatment or counseling  
24 directed toward remediating or remedying behaviors or conditions  
25 that led to or contributed to the juvenile's adjudication or to  
26 the court's decision to remove custody of the juvenile from the  
27 parent. If the court finds that the best interests of the  
28 juvenile require the parent undergo treatment, it may order the  
29 parent to comply with a plan of treatment approved by the court  
30 or condition legal custody or physical placement of the juvenile  
31 with the parent upon the parent's compliance with the plan of  
32 treatment. The court may order the parent to pay the cost of  
33 treatment ordered pursuant to this subsection. In cases in which  
34 the court has conditioned legal custody or physical placement of  
35 the juvenile with the parent upon the parent's compliance with a  
36 plan of treatment, the court may charge the cost of the treatment  
37 to the county of the juvenile's residence if the court finds the  
38 parent is unable to pay the cost of the treatment. In all other  
39 cases, if the court finds the parent is unable to pay the cost of  
40 the treatment ordered pursuant to this subsection, the court may  
41 order the parent to receive treatment currently available from  
42 the area mental health program that serves the parent's catchment  
43 area.

12 (d) Whenever legal custody of a juvenile is vested in someone  
13 other than the juvenile's parent, after due notice to the parent  
14 and after a hearing, the court may order that the parent pay a  
15 reasonable sum that will cover, in whole or in part, the support  
16 of the juvenile after the order is entered. If the court requires  
17 the payment of child support, the amount of the payments shall be  
18 determined as provided in G.S. 50-13.4(c). If the court places a  
19 juvenile in the custody of a county department of social services  
20 and if the court finds that the parent is unable to pay the cost  
21 of the support required by the juvenile, the cost shall be paid  
22 by the county department of social services in whose custody the  
23 juvenile is placed, provided the juvenile is not receiving care  
24 in an institution owned or operated by the State or federal  
25 government or any subdivision thereof.  
26 (e) Failure of a parent who is personally served to  
27 participate in or comply with this section may result in a civil  
28 proceeding for contempt.

"§ 7B-905. Dispositional order.

1     (a) The dispositional order shall be in writing and shall  
2 contain appropriate findings of fact and conclusions of law. The  
3 court shall state with particularity, both orally and in the  
4 written order of disposition, the precise terms of the  
5 disposition including the kind, duration, and the person who is  
6 responsible for carrying out the disposition and the person or  
7 agency in whom custody is vested.

8     (b) A dispositional order under which a juvenile is removed  
9 from the custody of a parent or person standing in loco parentis  
10 shall direct that the review hearing required by G.S. 7B-906 be  
11 held within six months of the date of the juvenile's placement in  
12 custody and, if practicable, shall set the date and time for the  
13 review hearing.

14     (c) Any order directing placement of a juvenile in foster care  
15 shall also contain:

16             (1) A finding that the juvenile's continuation in or  
17             return to the juvenile's home would be contrary to  
18             the juvenile's best interests; and

19             (2) Findings as to whether reasonable efforts have been  
20             made to prevent or eliminate the need for placement  
21             of the juvenile in foster care. A finding that  
22             reasonable efforts were not made shall not preclude  
23             entry of a dispositional order authorizing  
24             placement in foster care when the court finds that  
25             such placement is needed for protection of the  
26             juvenile. When efforts to prevent the need for the  
27             juvenile's placement are precluded by an immediate  
28             threat of harm to the juvenile, the court may find  
29             that placement of the juvenile in the absence of  
30             such efforts is reasonable.

31 The order may provide for services or other efforts aimed at  
32 returning the juvenile promptly to a safe home. If the court  
33 finds through written findings of fact that efforts to eliminate  
34 the need for placement of the juvenile in custody clearly would  
35 be futile or would be inconsistent with the juvenile's safety and  
36 need for a safe, permanent home within a reasonable period of  
37 time, the court shall specify in its order that reunification  
38 efforts are not required or order that reunification efforts  
39 cease.

40     (d) An order that places a juvenile in the custody of a county  
41 department of social services for placement shall specify that  
42 the juvenile's placement and care are the responsibility of the  
43 county department of social services and that the county

1 department is to provide or arrange for the foster care or other  
2 placement of the juvenile.

3 "§ 7B-906. Review of custody order.

4 (a) In any case where custody is removed from a parent, the  
5 court shall conduct a review within six months of the date the  
6 order was entered, shall conduct a second review within six  
7 months after the first review, and shall conduct subsequent  
8 reviews at least every year thereafter. The director of social  
9 services shall make timely requests to the clerk to calendar the  
10 case at a session of court scheduled for the hearing of juvenile  
11 matters within six months of the date the order was entered. The  
12 director shall make timely requests for calendaring subsequent  
13 reviews. The clerk shall give 15 days' notice of the review to  
14 the parent or the person standing in loco parentis, the juvenile,  
15 if 12 years of age or more, the guardian, foster parent,  
16 custodian or agency with custody, the guardian ad litem, and any  
17 other person the court may specify, indicating the court's  
18 impending review.

19 (b) Notwithstanding other provisions of this Article, the  
20 court may waive the holding of review hearings required by  
21 subsection (a) of this section, may require written reports to  
22 the court by the agency or person holding custody in lieu of  
23 review hearings, or order that review hearings be held less often  
24 than every 12 months, if the court finds by clear, cogent, and  
25 convincing evidence that:

26 (1) The juvenile has resided with a relative or has  
27 been in the custody of another suitable person for  
28 a period of at least one year;

29 (2) The placement is stable and continuation of the  
30 placement is in the juvenile's best interests;

31 (3) Neither the juvenile's best interests nor the  
32 rights of any party require that review hearings be  
33 held every 12 months;

34 (4) All parties are aware that the matter may be  
35 brought before the court for review at any time by  
36 the filing of a motion for review or on the court's  
37 own motion; and

38 (5) The court order has designated the relative or  
39 other suitable person as the juvenile's permanent  
40 caretaker or guardian of the person.

41 The court may not waive or refuse to conduct a review hearing if  
42 a party files a motion seeking the review.

43 (c) At every review hearing, the court shall consider  
44 information from the department of social services, the juvenile,

1 the parent or person standing in loco parentis, the custodian,  
2 the foster parent, the guardian ad litem, and any public or  
3 private agency which will aid it in its review.

4 In each case the court shall consider the following criteria  
5 and make written findings regarding those that are relevant:

6       (1) Services which have been offered to reunite the  
7       family, or whether efforts to reunite the family  
8       clearly would be futile or inconsistent with the  
9       juvenile's safety and need for a safe, permanent  
10      home within a reasonable period of time.

11      (2) Where the juvenile's return home is unlikely, the  
12      efforts which have been made to evaluate or plan  
13      for other methods of care.

14      (3) Goals of the foster care placement and the  
15      appropriateness of the foster care plan.

16      (4) A new foster care plan, if continuation of care is  
17      sought, that addresses the role the current foster  
18      parent will play in the planning for the juvenile.

19      (5) Reports on the placements the juvenile has had and  
20      any services offered to the juvenile and the  
21      parent.

22      (6) When and if termination of parental rights should  
23      be considered.

24      (7) Any other criteria the court deems necessary.

25      (d) The court, after making findings of fact, may appoint a  
26      guardian of the person for the juvenile pursuant to G.S. 7B-600  
27      or may make any disposition authorized by G.S. 7B-903, including  
28      the authority to place the juvenile in the custody of either  
29      parent or any relative found by the court to be suitable and  
30      found by the court to be in the best interests of the juvenile.  
31      If the juvenile is placed in or remains in the custody of the  
32      department of social services, the court may authorize the  
33      department to arrange and supervise a visitation plan. Except for  
34      such visitation, the juvenile shall not be returned to the parent  
35      or person standing in loco parentis without a hearing at which  
36      the court finds sufficient facts to show that the juvenile will  
37      receive proper care and supervision. The court may enter an order  
38      continuing the placement under review or providing for a  
39      different placement as is deemed to be in the best interests of  
40      the juvenile. If at any time custody is restored to a parent, the  
41      court shall be relieved of the duty to conduct periodic judicial  
42      reviews of the placement.

43      (e) At a hearing designated by the court, but at least within  
44      12 months after the juvenile's placement, a review hearing shall

1 be held under this section and designated as a permanency-  
2 planning hearing. The purpose of the hearing shall be to develop  
3 a plan to achieve a safe, permanent home for the juvenile within  
4 a reasonable period of time. Notice of the hearing shall inform  
5 the parties of the purpose of the hearing. At the conclusion of  
6 the hearing, if the juvenile is not returned home, the court  
7 shall make specific findings as to the best plan of care to  
8 achieve a safe, permanent home for the juvenile within a  
9 reasonable period of time and shall enter an order consistent  
10 with those findings.

11 (f) The provisions of subsections (b), (c), and (d) of G.S.  
12 7B-905 shall apply to any order entered under this section which  
13 continues the foster care placement of a juvenile.

14 "§ 7B-907. Posttermination of parental rights' placement court  
15 review.

16 (a) The purpose of each placement review is to ensure that  
17 every reasonable effort is being made to provide for a permanent  
18 placement plan for the juvenile who has been placed in the  
19 custody of a county director or licensed child-placing agency,  
20 which is consistent with the juvenile's best interests. At each  
21 review hearing the court may consider information from the  
22 department of social services, the licensed child-placing agency,  
23 the guardian ad litem, the juvenile, the foster parent, and any  
24 other person or agency the court determines is likely to aid in  
25 the review.

26 (b) The court shall conduct a placement review not later than  
27 six months from the date of the termination hearing when parental  
28 rights have been terminated by a petition brought by any person  
29 or agency designated in G.S. 7B-1102(2) through (5) and a county  
30 director or licensed child-placing agency has custody of the  
31 juvenile. The court shall conduct reviews every six months until  
32 the juvenile is placed for adoption and the adoption petition is  
33 filed by the adoptive parents:

34 (1) No more than 30 days and no less than 15 days prior  
35 to each review, the clerk shall give notice of the  
36 review to the juvenile if the juvenile is at least  
37 12 years of age, the legal custodian of the  
38 juvenile, the foster parent, the guardian ad litem,  
39 if any, and any other person the court may specify.  
40 Only the juvenile, if the juvenile is at least 12  
41 years of age, the legal custodian of the juvenile,  
42 the foster parent, and the guardian ad litem shall  
43 attend the review hearings, except as otherwise  
44 directed by the court.

1           (2) If a guardian ad litem for the juvenile has not  
2           been appointed previously by the court in the  
3           termination proceeding, the court, at the initial  
4           six-month review hearing, may appoint a guardian ad  
5           litem to represent the juvenile. The court may  
6           continue the case for such time as is necessary for  
7           the guardian ad litem to become familiar with the  
8           facts of the case.

9           (c) The court shall consider at least the following in its  
10          review:

11           (1) The adequacy of the plan developed by the county  
12           department of social services or a licensed  
13           child-placing agency for a permanent placement  
14           relative to the juvenile's best interests and the  
15           efforts of the department or agency to implement  
16           such plan;

17           (2) Whether the juvenile has been listed for adoptive  
18           placement with the North Carolina Adoption Resource  
19           Exchange, the North Carolina Photo Adoption Listing  
20           Service (PALS), or any other specialized adoption  
21           agency; and

22           (3) The efforts previously made by the department or  
23           agency to find a permanent home for the juvenile.

24          (d) The court, after making findings of fact, shall affirm the  
25          county department's or child-placing agency's plans or require  
26          specific additional steps which are necessary to accomplish a  
27          permanent placement which is in the best interests of the  
28          juvenile.

29          (e) If the juvenile has been placed for adoption prior to the  
30          date scheduled for the review, written notice of said placement  
31          shall be given to the clerk to be placed in the court file, and  
32          the review hearing shall be cancelled with notice of said  
33          cancellation given by the clerk to all persons previously  
34          notified.

35          (f) The process of selection of specific adoptive parents  
36          shall be the responsibility of and within the discretion of the  
37          county department of social services or licensed child-placing  
38          agency. The guardian ad litem may request information from and  
39          consult with the county department or child-placing agency  
40          concerning the selection process. If the guardian ad litem  
41          requests information about the selection process, the county  
42          shall provide the information within five days. Any issue of  
43          abuse of discretion by the county department or child-placing  
44          agency in the selection process must be raised by the guardian ad

1 litem within 10 days following the date the agency notifies the  
2 court and the guardian ad litem in writing of the filing of the  
3 adoption petition.

4 "§ 7B-908. Review of agency's plan for placement.

5 (a) The director of social services or the director of the  
6 licensed private child-placing agency shall promptly notify the  
7 clerk to calendar the case for review of the department's or  
8 agency's plan for the juvenile at a session of court scheduled  
9 for the hearing of juvenile matters in any case where:

10 (1) One parent has surrendered a juvenile for adoption  
11 under the provisions of Part 7 of Article 3 of  
12 Chapter 48 of the General Statutes and the  
13 termination of parental rights proceedings have not  
14 been instituted against the nonsurrendering parent  
15 within six months of the surrender by the other  
16 parent, or

17 (2) Both parents have surrendered a juvenile for  
18 adoption under the provisions of Part 7 of Article  
19 3 of Chapter 48 of the General Statutes and that  
20 juvenile has not been placed for adoption within  
21 six months from the date of the more recent  
22 parental surrender.

23 (b) In any case where an adoption is dismissed or withdrawn  
24 and the juvenile returns to foster care with a department of  
25 social services or a licensed private child-placing agency, then  
26 the department of social services or licensed child-placing  
27 agency shall notify the clerk, within 30 days from the date the  
28 juvenile returns to care, to calendar the case for review of the  
29 agency's plan for the child at a session of court scheduled for  
30 the hearing of juvenile matters.

31 (c) Notification of the court required under subsection (a) or  
32 (b) of this section shall be by a petition for review. The  
33 petition shall set forth the circumstances necessitating the  
34 review under subsection (a) or (b) of this section. The review  
35 shall be conducted within 30 days following the filing of the  
36 petition for review unless the court shall otherwise direct. The  
37 court shall conduct reviews every six months until the juvenile  
38 is placed for adoption and the adoption petition is filed by the  
39 adoptive parents. The initial review and all subsequent reviews  
40 shall be conducted pursuant to G.S. 7B-907.

41 "§ 7B-909. Review of voluntary foster care placements.

42 (a) The court shall review the placement of any juvenile in  
43 foster care made pursuant to a voluntary agreement between the  
44 juvenile's parents or guardian and a county department of social

1 services and shall make findings from evidence presented at a  
2 review hearing with regard to:

- 3       (1) The voluntariness of the placement;  
4       (2) The appropriateness of the placement;  
5       (3) Whether the placement is in the best interests of  
6       the juvenile; and  
7       (4) The services that have been or should be provided  
8       to the parents, guardian, foster parents, and  
9       juvenile, as the case may be, either (i) to improve  
10       the placement or (ii) to eliminate the need for the  
11       placement.

12       (b) The court may approve the continued placement of the  
13 juvenile in foster care on a voluntary agreement basis,  
14 disapprove the continuation of the voluntary placement, or direct  
15 the department of social services to petition the court for legal  
16 custody if the placement is to continue.

17       (c) An initial review hearing shall be held not more than 180  
18 days after the juvenile's placement and shall be calendared by  
19 the clerk for hearing within such period upon timely request by  
20 the director of social services. Additional review hearings  
21 shall be held at such times as the court shall deem appropriate  
22 and shall direct, either upon its own motion or upon written  
23 request of the parents, guardian, foster parents, or director of  
24 social services. A juvenile placed under a voluntary agreement  
25 between the juvenile's parent or guardian and the county  
26 department of social services shall not remain in placement more  
27 than 12 months without the filing of a petition alleging abuse,  
28 neglect, or dependency.

29       (d) The clerk shall give at least 15 days' advance written  
30 notice of the initial and subsequent review hearings to the  
31 parents or guardian of the juvenile, to the juvenile if 12 or  
32 more years of age, to the director of social services, and to any  
33 other persons whom the court may specify.

34                       "ARTICLE 10.

35       "Modification and Enforcement of Dispositional Orders; Appeals.

36       "§ 7B-1000. Authority to modify or vacate.

37       (a) Upon motion in the cause or petition, and after notice, the  
38 court may conduct a review hearing to determine whether the order  
39 of the court is in the best interests of the juvenile, and the  
40 court may modify or vacate the order in light of changes in  
41 circumstances or the needs of the juvenile.

42       (b) In any case where the court finds the juvenile to be  
43 abused, neglected, or dependent, the jurisdiction of the court to  
44 modify any order or disposition made in the case shall continue

1 during the minority of the juvenile, until terminated by order of  
2 the court, or until the juvenile is otherwise emancipated.

3 "§ 7B-1001. Right to appeal.

4 Upon motion of a proper party as defined in G.S. 7B-1002,  
5 review of any final order of the court in a juvenile matter under  
6 this Article shall be before the Court of Appeals. Notice of  
7 appeal shall be given in open court at the time of the hearing or  
8 in writing within 10 days after entry of the order. However, if  
9 no disposition is made within 60 days after entry of the order,  
10 written notice of appeal may be given within 70 days after such  
11 entry. A final order shall include:

- 12 (1) Any order finding absence of jurisdiction;
- 13 (2) Any order which in effect determines the action and  
14 prevents a judgment from which appeal might be  
15 taken;
- 16 (3) Any order of disposition after an adjudication that  
17 a juvenile is abused, neglected, or dependent; or
- 18 (4) Any order modifying custodial rights.

19 "§ 7B-1002. Proper parties for appeal.

20 An appeal may be taken by the guardian ad litem, or juvenile,  
21 the juvenile's parent, guardian, custodian, or caretaker, or the  
22 petitioner. The State's appeal is limited to any final order.

23 "§ 7B-1003. Disposition pending appeal.

24 Pending disposition of an appeal, the return of the juvenile to  
25 the custody of the parent, guardian, custodian, or caretaker of  
26 the juvenile, with or without conditions, should issue in every  
27 case unless the court orders otherwise. For compelling reasons  
28 which must be stated in writing, the court may enter a temporary  
29 order affecting the custody or placement of the juvenile as the  
30 court finds to be in the best interests of the juvenile or the  
31 State. The provisions of subsections (b), (c), and (d) of G.S.  
32 7B-905 shall apply to any order entered under this section which  
33 provides for the placement or continued placement of a juvenile  
34 in foster care.

35 "§ 7B-1004. Disposition after appeal.

36 Upon the affirmation of the order of adjudication or  
37 disposition of the court by the Court of Appeals or by the  
38 Supreme Court in the event of an appeal, the court shall have  
39 authority to modify or alter the original order of adjudication  
40 or disposition as the court finds to be in the best interests of  
41 the juvenile to reflect any adjustment made by the juvenile or  
42 change in circumstances during the period of time the appeal was  
43 pending. If the modifying order is entered ex parte, the court  
44 shall give notice to interested parties to show cause within 10

1 days thereafter as to why the modifying order should be vacated  
2 or altered.

3 "ARTICLE 11.

4 "Termination of Parental Rights.

5 "§ 7B-1100. Legislative intent; construction of Article.

6 The General Assembly hereby declares as a matter of legislative  
7 policy with respect to termination of parental rights:

8 (1) The general purpose of this Article is to provide  
9 judicial procedures for terminating the legal  
10 relationship between a juvenile and the juvenile's  
11 biological or legal parents when the parents have  
12 demonstrated that they will not provide the degree  
13 of care which promotes the healthy and orderly  
14 physical and emotional well-being of the juvenile.

15 (2) It is the further purpose of this Article to  
16 recognize the necessity for any juvenile to have a  
17 permanent plan of care at the earliest possible  
18 age, while at the same time recognizing the need to  
19 protect all juveniles from the unnecessary  
20 severance of a relationship with biological or  
21 legal parents.

22 (3) Action which is in the best interests of the  
23 juvenile should be taken in all cases where the  
24 interests of the juvenile and those of the  
25 juvenile's parents or other persons are in  
26 conflict.

27 (4) This Article shall not be used to circumvent the  
28 provisions of Chapter 50A of the General Statutes,  
29 the Uniform Child Custody Jurisdiction Act.

30 "§ 7B-1101. Jurisdiction.

31 The court shall have exclusive original jurisdiction to hear  
32 and determine any petition relating to termination of parental  
33 rights to any juvenile who resides in, is found in, or is in the  
34 legal or actual custody of a county department of social services  
35 or licensed child-placing agency in the district at the time of  
36 filing of the petition. The court shall have jurisdiction to  
37 terminate the parental rights of any parent irrespective of the  
38 age of the parent. The parent has the right to counsel and to  
39 appointed counsel in cases of indigency unless the parent waives  
40 the right. The fees of appointed counsel shall be borne by the  
41 Administrative Office of the Courts. In addition to the right to  
42 appointed counsel set forth above, a guardian ad litem shall be  
43 appointed in accordance with the provisions of G.S. 1A-1, Rule  
44 17, to represent a parent in the following cases:

- 1           (1) Where it is alleged that a parent's rights should  
2           be terminated pursuant to G.S. 7B-1110(7); or  
3           (2) Where the parent is under the age of 18 years.  
4 The fees of the guardian ad litem shall be borne by the  
5 Administrative Office of the Courts when the court finds that the  
6 respondent is indigent. In other cases the fees of the court-  
7 appointed guardian ad litem shall be a proper charge against the  
8 respondent if the respondent does not secure private legal  
9 counsel. Provided, that before exercising jurisdiction under this  
10 Article, the court shall find that it would have jurisdiction to  
11 make a child-custody determination under the provisions of G.S.  
12 50A-3. Provided, further, that the clerk of superior court shall  
13 have jurisdiction for adoptions under the provisions of G.S. 48-  
14 2-100 and Chapter 48 of the General Statutes generally.  
15 "§ 7B-1102. Who may petition.  
16 A petition to terminate the parental rights of either or both  
17 parents to his, her, or their minor juvenile may only be filed  
18 by:  
19           (1) Either parent seeking termination of the right of  
20           the other parent; or  
21           (2) Any person who has been judicially appointed as the  
22           guardian of the person of the juvenile; or  
23           (3) Any county department of social services,  
24           consolidated county human services agency, or  
25           licensed child-placing agency to whom custody of  
26           the juvenile has been given by a court of competent  
27           jurisdiction; or  
28           (4) Any county department of social services,  
29           consolidated county human services agency, or  
30           licensed child-placing agency to which the juvenile  
31           has been surrendered for adoption by one of the  
32           parents or by the guardian of the person of the  
33           juvenile, pursuant to G.S. 48-9(a)(1); or  
34           (5) Any person with whom the juvenile has resided for a  
35           continuous period of two years or more next  
36           preceding the filing of the petition; or  
37           (6) Any guardian ad litem appointed to represent the  
38           minor juvenile pursuant to G.S. 7B-601 who has not  
39           been relieved of this responsibility and who has  
40           served in this capacity for at least one continuous  
41           year; or  
42           (7) Any person who has filed a petition for adoption  
43           pursuant to Chapter 48 of the General Statutes.  
44 "§ 7B-1103. Petition.

1     The petition shall be verified by the petitioner and shall be  
2 entitled 'In Re (last name of juvenile)', a minor juvenile; and  
3 shall set forth such of the following facts as are known; and  
4 with respect to the facts which are unknown the petitioner shall  
5 so state:

6             (1) The name of the juvenile as it appears on the  
7             juvenile's birth certificate, the date and place of  
8             birth, and the county where the juvenile is  
9             presently residing.

10            (2) The name and address of the petitioner and facts  
11            sufficient to identify the petitioner as one  
12            entitled to petition under G.S. 7B-1102.

13            (3) The name and address of the parents of the  
14            juvenile. If the name or address of one or both  
15            parents is unknown to the petitioner, the  
16            petitioner shall set forth with particularity the  
17            petitioner's efforts to ascertain the identity or  
18            whereabouts of the parent or parents. The  
19            information may be contained in an affidavit  
20            attached to the petition and incorporated therein  
21            by reference.

22            (4) The name and address of any person appointed as  
23            guardian of the person of the juvenile pursuant to  
24            the provisions of Chapter 35A of the General  
25            Statutes, or of G.S. 7B-600.

26            (5) The name and address of any person or agency to  
27            whom custody of the juvenile has been given by a  
28            court of this or any other state; and a copy of the  
29            custody order shall be attached to the petition.

30            (6) Facts that are sufficient to warrant a  
31            determination that one or more of the grounds for  
32            terminating parental rights exist.

33            (7) That the petition has not been filed to circumvent  
34            the provisions of Chapter 50A of the General  
35            Statutes, the Uniform Child Custody Jurisdiction  
36            Act.

37     "§ 7B-1104. Preliminary hearing; unknown parent.

38            (a) If either the name or identity of any parent whose parental  
39            rights the petitioner seeks to terminate is not known to the  
40            petitioner, the court shall, within 10 days from the date of  
41            filing of the petition, or during the next term of court in the  
42            county where the petition is filed if there is no court in the  
43            county in that 10-day period, conduct a preliminary hearing to  
44            ascertain the name or identity of such parent.

1 (b) The court may, in its discretion, inquire of any known  
2 parent of the juvenile concerning the identity of the unknown  
3 parent and may appoint a guardian ad litem for the unknown parent  
4 to conduct a diligent search for the parent. Should the court  
5 ascertain the name or identity of the parent, it shall enter a  
6 finding to that effect; and the parent shall be summoned to  
7 appear in accordance with G.S. 7B-1105.

8 (c) Notice of the preliminary hearing need be given only to the  
9 petitioner who shall appear at the hearing; but the court may  
10 cause summons to be issued to any person directing the person to  
11 appear and testify.

(d) If the court is unable to ascertain the name or identity of the unknown parent, the court shall order publication of notice of the termination proceeding and shall specifically order the place or places of publication and the contents of the notice which the court concludes is most likely to identify the juvenile to such unknown parent. The notice shall be published in a newspaper qualified for legal advertising in accordance with G.S. 1-597 and G.S. 1-598 and published in the counties directed by the court, once a week for three successive weeks. Provided, further, the notice shall:

22        (1) Designate the court in which the petition is  
23        pending;

24 (2) Be directed to 'the father (mother) (father and  
25 mother) of a male (female) juvenile born on or  
26 about .....in

27 \_\_\_\_\_ (date)

28 .....County,

29

30 \_\_\_\_\_ (city)

31 ..... , respondent';

32 (State)

33           (3) Designate the docket number and title of the case  
34           (the court may direct the actual name of the title  
35           be eliminated and the words 'In Re Doe' substituted  
36           therefor);

37        (4) State that a petition seeking to terminate the  
38        parental rights of the respondent has been filed;

39       (5) Direct the respondent to answer the petition within  
40       30 days after a date stated in the notice,  
41       exclusive of such date, which date so stated shall  
42       be the date of first publication of notice and be  
43       substantially in the form as set forth in G.S.  
44       1A-1, Rule 4(j1); and

1           (6) State that the respondent's parental rights to the  
2           juvenile will be terminated upon failure to answer  
3           the petition within the time prescribed.

4       Upon completion of the service, an affidavit of the publisher  
5       shall be filed with the court.

6       (e) The court shall issue the order required by subsections (b)  
7       and (d) of this section within 30 days from the date of the  
8       preliminary hearing unless the court shall determine that  
9       additional time for investigation is required.

10       (f) Upon the failure of the parent served by publication  
11       pursuant to subsection (d) of this section to answer the petition  
12       within the time prescribed, the court shall issue an order  
13       terminating all parental rights of the unknown parent.

14       "§ 7B-1105. Issuance of summons.

15       (a) Except as provided in G.S. 7B-1104, upon the filing of the  
16       petition, the court shall cause a summons to be issued. The  
17       summons shall be directed to the following persons or agency, not  
18       otherwise a party petitioner, who shall be named as respondents:

19               (1) The parents of the juvenile;

20               (2) Any person who has been judicially appointed as  
21               guardian of the person of the juvenile;

22               (3) The custodian of the juvenile appointed by a court  
23               of competent jurisdiction;

24               (4) Any county department of social services or  
25               licensed child-placing agency to whom a juvenile  
26               has been released by one parent pursuant to Part 7  
27               of Article 3 of Chapter 48 of the General Statutes;  
28               and

29               (5) The juvenile, if the juvenile is 12 years of age or  
30               older at the time the petition is filed.

31       Provided, no summons need be directed to or served upon any  
32       parent who has previously surrendered the juvenile to a county  
33       department of social services or licensed child-placing agency  
34       nor to any parent who has consented to the adoption of the  
35       juvenile by the petitioner. The summons shall notify the  
36       respondents to file a written answer within 30 days after service  
37       of the summons and petition. Service of the summons shall be  
38       completed as provided under the procedures established by G.S.  
39       1A-1, Rule 4(j); but the parent of the juvenile shall not be  
40       deemed to be under disability even though the parent is a minor.

41       (b) The summons shall be issued for the purpose of terminating  
42       parental rights pursuant to the provisions of subsection (a) of  
43       this section and shall include:

44               (1) The name of the minor juvenile;

- 1           (2) Notice that a written answer to the petition must  
2           be filed with the clerk who signed the petition  
3           within 30 days after service of the summons and a  
4           copy of the petition, or the parent's rights may be  
5           terminated;  
6           (3) Notice that if they are indigent, the parents are  
7           entitled to appointed counsel. The parents may  
8           contact the clerk immediately to request counsel;  
9           (4) Notice that this is a new case. Any attorney  
10          appointed previously will not represent the parents  
11          in this proceeding unless ordered by the court;  
12          (5) Notice that the date, time, and place of the  
13          hearing will be mailed by the clerk upon filing of  
14          the answer or 30 days from the date of service if  
15          no answer is filed; and  
16          (6) Notice of the purpose of the hearing and notice  
17          that the parents may attend the termination  
18          hearing.  
19        "§ 7B-1106. Failure of respondents to answer.  
20        Upon the failure of the respondents to file written answer to  
21        the petition with the court within 30 days after service of the  
22        summons and petition, or within the time period established for a  
23        defendant's reply by G.S. 1A-1, Rule 4(j1) if service is by  
24        publication, the court shall issue an order terminating all  
25        parental and custodial rights of the respondent or respondents  
26        with respect to the juvenile; provided the court shall order a  
27        hearing on the petition and may examine the petitioner or others  
28        on the facts alleged in the petition.  
29        "§ 7B-1107. Answer of respondents.  
30        (a) Any respondent may file a written answer to the petition.  
31        The answer shall admit or deny the allegations of the petition  
32        and shall set forth the name and address of the answering  
33        respondent or the respondent's attorney.  
34        (b) If an answer denies any material allegation of the  
35        petition, the court shall appoint a guardian ad litem for the  
36        juvenile to represent the best interests of the juvenile, unless  
37        the petition was filed by the guardian ad litem pursuant to G.S.  
38        7B-1102. A licensed attorney shall be appointed to assist those  
39        guardians ad litem who are not attorneys licensed to practice in  
40        North Carolina. The appointment, duties, and payment of the  
41        guardian ad litem shall be the same as in G.S. 7B-601 and G.S.  
42        7B-603. The court shall conduct a special hearing after notice of  
43        not less than 10 days nor more than 30 days to the petitioner,  
44        the answering respondent, and the guardian ad litem for the

1 juvenile to determine the issues raised by the petition and  
2 answer. Notice of the hearing shall be deemed to have been given  
3 upon the depositing thereof in the United States mail,  
4 first-class postage prepaid, and addressed to the petitioner,  
5 respondent, and guardian ad litem or their counsel of record, at  
6 the addresses appearing in the petition and responsive pleading.

7 (c) In proceedings under this Article, the appointment of a  
8 guardian ad litem shall not be required except, as provided  
9 above, in cases in which an answer is filed denying material  
10 allegations, or as required under G.S. 7B-1101; but the court  
11 may, in its discretion, appoint a guardian ad litem for a  
12 juvenile, either before or after determining the existence of  
13 grounds for termination of parental rights, in order to assist  
14 the court in determining the best interests of the juvenile.

15 (d) If a guardian ad litem has previously been appointed for  
16 the juvenile under G.S. 7B-601, and the appointment of a guardian  
17 ad litem could also be made under this section, the guardian ad  
18 litem appointed under G.S. 7B-601, and any attorney appointed to  
19 assist that guardian, shall also represent the juvenile in all  
20 proceedings under this Article and shall have the duties and  
21 payment of a guardian ad litem appointed under this section,  
22 unless the court determines that the best interests of the  
23 juvenile require otherwise.

24 "§ 7B-1108. Adjudicatory hearing on termination.

25 (a) The hearing on the termination of parental rights shall be  
26 conducted by the court sitting without a jury. Reporting of the  
27 hearing shall be as provided by G.S. 7A-198 for reporting civil  
28 trials.

29 (b) The court shall inquire whether the juvenile's parents are  
30 present at the hearing and, if so, whether they are represented  
31 by counsel. If the parents are not represented by counsel, the  
32 court shall inquire whether the parents desire counsel but are  
33 indigent. In the event that the parents desire counsel but are  
34 indigent as defined in G.S. 7A-450(a) and are unable to obtain  
35 counsel to represent them, the court shall appoint counsel to  
36 represent them. The court shall grant the parents such an  
37 extension of time as is reasonable to permit their appointed  
38 counsel to prepare their defense to the termination petition. In  
39 the event that the parents do not desire counsel and are present  
40 at the hearing, the court shall examine each parent and make  
41 findings of fact sufficient to show that the waivers were knowing  
42 and voluntary. This examination shall be reported as provided in  
43 G.S. 7A-198.

1     (c) The court may, upon finding that reasonable cause exists,  
2     order the juvenile to be examined by a psychiatrist, a licensed  
3     clinical psychologist, a physician, a public or private agency,  
4     or any other expert in order that the juvenile's psychological or  
5     physical condition or needs may be ascertained or, in the case of  
6     a parent whose ability to care for the juvenile is at issue, the  
7     court may order a similar examination of any parent of the  
8     juvenile.

9     (d) The court may for good cause shown continue the hearing for  
10    such time as is required for receiving additional evidence, any  
11    reports or assessments which the court has requested, or any  
12    other information needed in the best interests of the juvenile.

13    (e) The court shall take evidence, find the facts, and shall  
14    adjudicate the existence or nonexistence of any of the  
15    circumstances set forth in G.S. 7B-1110 which authorize the  
16    termination of parental rights of the respondent.

17    (f) All findings of fact shall be based on clear, cogent, and  
18    convincing evidence. No husband-wife or physician-patient  
19    privilege shall be grounds for excluding any evidence regarding  
20    the existence or nonexistence of any circumstance authorizing the  
21    termination of parental rights.

22    "§ 7B-1109. Disposition.

23    (a) Should the court determine that any one or more of the  
24    conditions authorizing a termination of the parental rights of a  
25    parent exist, the court shall issue an order terminating the  
26    parental rights of such parent with respect to the juvenile  
27    unless the court shall further determine that the best interests  
28    of the juvenile require that the parental rights of the parent  
29    not be terminated.

30    (b) Should the court conclude that, irrespective of the  
31    existence of one or more circumstances authorizing termination of  
32    parental rights, the best interests of the juvenile require that  
33    rights should not be terminated, the court shall dismiss the  
34    petition, but only after setting forth the facts and conclusions  
35    upon which the dismissal is based.

36    (c) Should the court determine that circumstances authorizing  
37    termination of parental rights do not exist, the court shall  
38    dismiss the petition, making appropriate findings of fact and  
39    conclusions.

40    (d) Counsel for the petitioner shall serve a copy of the  
41    termination of parental rights order upon the guardian ad litem  
42    for the juvenile, if any, and upon the juvenile if the  
43    juvenile is 12 years of age or older.

44    (e) The court may tax the cost of the proceeding to any party.

1 "§ 7B-1110. Grounds for terminating parental rights.

2 The court may terminate the parental rights upon a finding of  
3 one or more of the following:

- 4       (1) The parent has abused or neglected the juvenile.  
5       The juvenile shall be deemed to be abused or  
6       neglected if the court finds the juvenile to be an  
7       abused juvenile within the meaning of G.S. 7B-101  
8       or a neglected juvenile within the meaning of G.S.  
9       7B-101.
- 10       (2) The parent has willfully left the juvenile in  
11       foster care for more than 12 months without showing  
12       to the satisfaction of the court that reasonable  
13       progress under the circumstances has been made  
14       within 12 months in correcting those conditions  
15       which led to the removal of the juvenile.  
16       Provided, however, that no parental rights shall be  
17       terminated for the sole reason that the parents are  
18       unable to care for the juvenile on account of  
19       their poverty.
- 20       (3) The burden in such proceedings shall be upon the  
21       petitioner to prove the facts justifying such  
22       termination by clear and convincing evidence.
- 23       (4) The juvenile has been placed in the custody of a  
24       county department of social services, a licensed  
25       child-placing agency, a child-caring institution,  
26       or a foster home, and the parent, for a continuous  
27       period of six months next preceding the filing of  
28       the petition, has willfully failed for such period  
29       to pay a reasonable portion of the cost of care for  
30       the juvenile although physically and financially  
31       able to do so.
- 32       (5) One parent has been awarded custody of the  
33       juvenile by judicial decree or has custody by  
34       agreement of the parents, and the other parent  
35       whose parental rights are sought to be terminated  
36       has for a period of one year or more next preceding  
37       the filing of the petition willfully failed without  
38       justification to pay for the care, support, and  
39       education of the juvenile, as required by said  
40       decree or custody agreement.
- 41       (6) The father of a juvenile born out of wedlock has  
42       not, prior to the filing of a petition to terminate  
43       parental rights:

- 1           a.   Established paternity judicially or by  
2           affidavit which has been filed in a central  
3           registry maintained by the Department of  
4           Health and Human Services; provided, the court  
5           shall inquire of the Department of Health and  
6           Human Services as to whether such an affidavit  
7           has been so filed and shall incorporate into  
8           the case record the Department's certified  
9           reply; or
- 10          b.   Legitimated the juvenile pursuant to  
11          provisions of G.S. 49-10 or filed a petition  
12          for this specific purpose; or
- 13          c.   Legitimated the juvenile by marriage to the  
14          mother of the juvenile; or
- 15          d.   Provided substantial financial support or  
16          consistent care with respect to the juvenile  
17          and mother.
- 18          (7)   That the parent is incapable of providing for the  
19          proper care and supervision of the juvenile, such  
20          that the juvenile is a dependent juvenile within  
21          the meaning of G.S. 7B-101, and that there is a  
22          reasonable probability that such incapability will  
23          continue for the foreseeable future. Incapability  
24          under this subdivision may be the result of  
25          substance abuse, mental retardation, mental  
26          illness, organic brain syndrome, or any other  
27          similar cause or condition.
- 28          (8)   The parent has willfully abandoned the juvenile  
29          for at least six consecutive months immediately  
30          preceding the filing of the petition. For the  
31          purpose of this subdivision, a juvenile may be  
32          willfully abandoned by the juvenile's natural  
33          father if the mother of the juvenile had been  
34          willfully abandoned by and was living separate and  
35          apart from the father at the time of the  
36          juvenile's birth, although the father may not have  
37          known of such birth; but in any event the juvenile  
38          must be over the age of three months at the time of  
39          the filing of the petition.
- 40    "§ 7B-1111. Effects of termination order.  
41    An order terminating the parental rights completely and  
42    permanently terminates all rights and obligations of the parent  
43    to the juvenile and of the juvenile to the parent arising from  
44    the parental relationship, except that the juvenile's right of

1 inheritance from the juvenile's parent shall not terminate until  
2 a final order of adoption is issued. The parent is not thereafter  
3 entitled to notice of proceedings to adopt the juvenile and may  
4 not object thereto or otherwise participate therein:

5       (1) If the juvenile had been placed in the custody of  
6 or released for adoption by one parent to a county  
7 department of social services or licensed child-  
8 placing agency and is in the custody of the agency  
9 at the time of the filing of the petition,  
10 including a petition filed pursuant to G.S. 7B-  
11 1102(6), that agency shall, upon entry of the order  
12 terminating parental rights, acquire all of the  
13 rights for placement of the juvenile as the agency  
14 would have acquired had the parent whose rights are  
15 terminated released the juvenile to that agency  
16 pursuant to the provisions of Part 7 of Article 3  
17 of Chapter 48 of the General Statutes, including  
18 the right to consent to the adoption of the  
19 juvenile.

20       (2) Except as provided in subdivision (1) above, upon  
21 entering an order terminating the parental rights  
22 of one or both parents, the court may place the  
23 juvenile in the custody of the petitioner, or some  
24 other suitable person, or in the custody of the  
25 department of social services or licensed child-  
26 placing agency, as may appear to be in the best  
27 interests of the juvenile.

28 "§ 7B-1112. Appeals; modification of order after affirmation.

29 Any juvenile, parent, guardian, custodian, caretaker, or  
30 agency who is a party to a proceeding under this Article may  
31 appeal from an adjudication or any order of disposition to the  
32 Court of Appeals, provided that notice of appeal is given in open  
33 court at the time of the hearing or in writing within 10 days  
34 after the hearing. Pending disposition of an appeal, the court  
35 may enter a temporary order affecting the custody or placement of  
36 the juvenile as the court finds to be in the best interests of  
37 the juvenile or the best interests of the State. Upon the  
38 affirmation of the order of adjudication or disposition of the  
39 court in a juvenile case by the Court of Appeals, or by the  
40 Supreme Court in the event of an appeal, the court shall have  
41 authority to modify or alter its original order of adjudication  
42 or disposition as the court finds to be in the best interests of  
43 the juvenile to reflect any adjustment made by the juvenile or  
44 change in circumstances during the period of time the case on

1 appeal was pending, provided that if the modifying order be  
2 entered ex parte, the court shall give notice to interested  
3 parties to show cause, if any there be, within 10 days  
4 thereafter, as to why the modifying order should be vacated or  
5 altered.

6 "ARTICLE 12.

7 "Guardian ad Litem Program.

8 "§ 7B-1200. Office of Guardian ad Litem Services established.

9 There is established within the Administrative Office of the  
10 Courts an Office of Guardian ad Litem Services to provide  
11 services in accordance with G.S. 7B-601 to abused, neglected, or  
12 dependent juveniles involved in judicial proceedings and to  
13 assure that all participants in these proceedings are adequately  
14 trained to carry out their responsibilities. Each local program  
15 shall consist of volunteer guardians ad litem, at least one  
16 program attorney, a program coordinator who is a paid State  
17 employee, and any clerical staff as the Administrative Office of  
18 the Courts in consultation with the local program deems  
19 necessary. The Administrative Office of the Courts shall adopt  
20 rules and regulations necessary and appropriate for the  
21 administration of the program.

22 "§ 7B-1201. Implementation and administration.

23 (a) Local Programs. -- The Administrative Office of the Courts  
24 shall, in cooperation with each chief district court judge and  
25 other personnel in the district, implement and administer the  
26 program mandated by this Article. Where a local program has not  
27 yet been established in accordance with this Article, the  
28 district court district shall operate a guardian ad litem program  
29 approved by the Administrative Office of the Courts.

30 (b) Advisory Committee Established. -- The Director of the  
31 Administrative Office of the Courts shall appoint a Guardian ad  
32 Litem Advisory Committee consisting of at least five members to  
33 advise the Office of Guardian ad Litem Services in matters  
34 related to this program. The members of the Advisory Committee  
35 shall receive the same per diem and reimbursement for travel  
36 expenses as members of State boards and commissions generally.

37 "§ 7B-1202. Conflict of interest or impracticality of  
38 implementation.

39 If a conflict of interest prohibits a local program from  
40 providing representation to an abused, neglected, or dependent  
41 juvenile, the court may appoint any member of the district bar to  
42 represent the juvenile. If the Administrative Office of the  
43 Courts determines that within a particular district court  
44 district the implementation of a local program is impractical, or

1 that an alternative plan meets the conditions of G.S. 7B-1203,  
2 the Administrative Office of the Courts shall waive the  
3 establishment of the program within the district.

4 "§ 7B-1203. Alternative plans.

5 A district court district shall be granted a waiver from the  
6 implementation of a local program if the Administrative Office of  
7 the Courts determines that the following conditions are met:

8 (1) An alternative plan has been developed to provide  
9 adequate guardian ad litem services for every  
10 juvenile consistent with the duties stated in G.S.  
11 7B-601; and

12 (2) The proposed alternative plan will require no  
13 greater proportion of State funds than the district  
14 court district's abuse and neglect caseload  
15 represents to the State's abuse and neglect  
16 caseload. Computation of abuse and neglect  
17 caseloads shall include such factors as the  
18 juvenile population, number of substantiated abuse  
19 and neglect reports, number of abuse and neglect  
20 petitions, number of abused and neglected juveniles  
21 in care to be reviewed pursuant to G.S. 7B-906,  
22 nature of the district's district court caseload,  
23 and number of petitions to terminate parental  
24 rights.

25 When an alternative plan is approved pursuant to this section,  
26 the Administrative Office of the Courts shall retain authority to  
27 monitor implementation of the said plan in order to assure  
28 compliance with the requirements of this Article and G.S. 7B-601.  
29 In any district court district where the Administrative Office of  
30 the Courts determines that implementation of an alternative plan  
31 is not in compliance with the requirements of this section, the  
32 Administrative Office of the Courts may implement and administer  
33 a program authorized by this Article.

34 "§ 7B-1204. Civil liability of volunteers.

35 Any volunteer participating in a judicial proceeding pursuant  
36 to the program authorized by this Article shall not be civilly  
37 liable for acts or omissions committed in connection with the  
38 proceeding if the volunteer acted in good faith and was not  
39 guilty of gross negligence.

40 "ARTICLE 13.

41 "Prevention of Abuse and Neglect.

42 "§ 7B-1300. Purpose.

43 It is the expressed intent of this Article to make the  
44 prevention of abuse and neglect, as defined in G.S. 7B-101, a

1 priority of this State and to establish the Children's Trust Fund  
2 as a means to that end.

3 "§ 7B-1301. Program on Prevention of Abuse and Neglect.

4 (a) The State Board of Education, through the Department of  
5 Public Instruction, shall implement the Program on Prevention of  
6 Abuse and Neglect. The Department of Public Instruction, subject  
7 to the approval of the State Board of Education, shall provide  
8 the staff and support services for implementing this program.

9 (b) In order to carry out the purposes of this Article:

10 (1) The Department of Public Instruction shall review  
11 applications and make recommendations to the State  
12 Board of Education concerning the awarding of  
13 contracts under this Article.

14 (2) The State Board of Education shall contract with  
15 public or private nonprofit organizations,  
16 agencies, schools, or with qualified individuals to  
17 operate community-based educational and service  
18 programs designed to prevent the occurrence of  
19 abuse and neglect. Every contract entered into by  
20 the State Board of Education shall contain  
21 provisions that at least twenty-five percent (25%)  
22 of the total funding required for a program be  
23 provided by the administering organization in the  
24 form of in-kind or other services and that a  
25 mechanism for evaluation of services provided under  
26 the contract be included in the services to be  
27 performed. In addition, every proposal to the  
28 Department of Public Instruction for funding under  
29 this Article shall include assurances that the  
30 proposal has been forwarded to the local department  
31 of social services for comment so that the  
32 Department of Public Instruction may consider  
33 coordination and duplication of effort on the local  
34 level as criteria in making recommendations to the  
35 State Board of Education.

36 (3) The State Board of Education, with the assistance  
37 of the Department of Public Instruction, shall  
38 develop appropriate guidelines and criteria for  
39 awarding contracts under this Article. These  
40 criteria shall include, but are not limited to:  
41 documentation of need within the proposed  
42 geographical impact area; diversity of geographical  
43 areas of programs funded under this Article;  
44 demonstrated effectiveness of the proposed strategy

1           or program for preventing abuse and neglect;  
2           reasonableness of implementation plan for achieving  
3           stated objectives; utilization of community  
4           resources including volunteers; provision for an  
5           evaluation component that will provide outcome  
6           data; plan for dissemination of the program for  
7           implementation in other communities; and potential  
8           for future funding from private sources.

9           (4) The State Board of Education, with the assistance  
10           of the Department of Public Instruction, shall  
11           develop guidelines for regular monitoring of  
12           contracts awarded under this Article in order to  
13           maximize the investments in prevention programs by  
14           the Children's Trust Fund and to establish  
15           appropriate accountability measures for  
16           administration of contracts.

17           (5) The State Board of Education shall develop a State  
18           plan for the prevention of abuse and neglect for  
19           submission to the Governor, the President of the  
20           Senate, and the Speaker of the House of  
21           Representatives.

22           (c) To assist in implementing this Article, the State Board of  
23           Education may accept contributions, grants, or gifts in cash or  
24           otherwise from persons, associations, or corporations. All moneys  
25           received by the State Board of Education from contributions,  
26           grants, or gifts and not through appropriation by the General  
27           Assembly shall be deposited in the Children's Trust Fund.  
28           Disbursements of the funds shall be on the authorization of the  
29           State Board of Education or that Board's duly authorized  
30           representative. In order to maintain an effective expenditure and  
31           revenue control, the funds are subject in all respects to State  
32           law and regulations, but no appropriation is required to permit  
33           expenditure of the funds.

34           (d) Programs contracted for under this Article are intended to  
35           prevent abuse and neglect of juveniles. Abuse and neglect  
36           prevention programs are defined to be those programs and services  
37           which impact on juveniles and families before any substantiated  
38           incident of abuse or neglect has occurred. These programs may  
39           include, but are not limited to:

14                       "ARTICLE 14.

15                   "North Carolina Child Fatality Prevention System.

16       "§ 7B-1400. Declaration of public policy.

17       The General Assembly finds that it is the public policy of this  
18       State to prevent the abuse, neglect, and death of juveniles. The  
19       General Assembly further finds that the prevention of the abuse,  
20       neglect, and death of juveniles is a community responsibility;  
21       that professionals from disparate disciplines have  
22       responsibilities for children or juveniles and have expertise  
23       that can promote their safety and well-being; and that  
24       multidisciplinary reviews of the abuse, neglect, and death of  
25       juveniles can lead to a greater understanding of the causes and  
26       methods of preventing these deaths. It is, therefore, the intent  
27       of the General Assembly, through this Article, to establish a  
28       statewide multidisciplinary, multiagency child fatality  
29       prevention system consisting of the State Team established in  
30       G.S. 7B-1404 and the Local Teams established in G.S. 7B-1406.  
31       The purpose of the system is to assess the records of selected  
32       cases in which children are being served by child protective  
33       services and the records of all deaths of children in North  
34       Carolina from birth to age 18 in order to (i) develop a  
35       communitywide approach to the problem of child abuse and neglect,  
36       (ii) understand the causes of childhood deaths, (iii) identify  
37       any gaps or deficiencies that may exist in the delivery of  
38       services to children and their families by public agencies that  
39       are designed to prevent future child abuse, neglect, or death,  
40       and (iv) make and implement recommendations for changes to laws,  
41       rules, and policies that will support the safe and healthy  
42       development of our children and prevent future child abuse,  
43       neglect, and death.

44       "§ 7B-1401. Definitions.

- 42           (a) The court has exclusive, original jurisdiction over any  
43           case involving a juvenile who is alleged to be delinquent. For

1 purposes of determining jurisdiction, the age of the juvenile at  
2 the time of the alleged offense governs.

6 the age of 18 years, whichever occurs first, except as provided

8 (c) When delinquency proceedings cannot be concluded before the

13 the petition.

18                               "ARTICLE 17.

19           "Screening of Delinquency and Undisciplined Complaints.

20 "§ 7B-1700. Intake services.

21       The chief court counselor, under the direction of the  
22 Secretary, shall establish intake services in each judicial  
23 district of the State for all delinquency and undisciplined  
24 cases.

25       The purpose of intake services shall be to determine from  
26 available evidence whether there are reasonable grounds to  
27 believe the facts alleged are true, to determine whether the  
28 facts alleged constitute a delinquent or undisciplined offense  
29 within the jurisdiction of the court, to determine whether the  
30 facts alleged are sufficiently serious to warrant court action,  
31 and to obtain assistance from community resources when court  
32 referral is not necessary. The intake counselor shall not engage  
33 in field investigations to substantiate complaints or to produce  
34 supplementary evidence but may refer complainants to law  
35 enforcement agencies for those purposes.

36 "§ 7B-1701. Preliminary inquiry.

37       When a complaint is received, the intake counselor shall make a  
38 preliminary determination as to whether the juvenile is within  
39 the jurisdiction of the court as a delinquent or undisciplined  
40 juvenile. If the intake counselor finds that the facts contained  
41 in the complaint do not state a case within the jurisdiction of  
42 the court, that legal sufficiency has not been established, or  
43 that the matters alleged are frivolous, the intake counselor,

1 without further inquiry, shall refuse authorization to file the  
2 complaint as a petition.

3 When requested by the intake counselor, the prosecutor shall  
4 assist in determining the sufficiency of evidence as it affects  
5 the quantum of proof and the elements of offenses.

6 The intake counselor, without further inquiry, shall authorize  
7 the complaint to be filed as a petition if the intake counselor  
8 finds reasonable grounds to believe that the juvenile has  
9 committed one of the following nondivertible offenses:

- 10 (1) Murder;
- 11 (2) First-degree rape or second degree rape;
- 12 (3) First-degree sexual offense or second degree sexual  
13 offense;
- 14 (4) Arson;
- 15 (5) Any violation of Article 5, Chapter 90 of the  
16 General Statutes that would constitute a felony if  
17 committed by an adult;
- 18 (6) First degree burglary;
- 19 (7) Crime against nature; or
- 20 (8) Any felony which involves the willful infliction of  
21 serious bodily injury upon another or which was  
22 committed by use of a deadly weapon.

23 "§ 7B-1702. Evaluation.

24 Upon a finding of legal sufficiency, except in cases involving  
25 nondivertible offenses set out in G.S. 7B-1701, the intake  
26 counselor shall determine whether a complaint should be filed as  
27 a petition, the juvenile diverted pursuant to G.S. 7B-1706, or  
28 the case resolved without further action. In making the decision,  
29 the counselor shall consider criteria provided by the Secretary.  
30 The intake process shall include the following steps if  
31 practicable:

- 32 (1) Interviews with the complainant and the victim if  
33 someone other than the complainant;
- 34 (2) Interviews with the juvenile and the juvenile's  
35 parent, guardian, or custodian;
- 36 (3) Interviews with persons known to have relevant  
37 information about the juvenile or the juvenile's  
38 family.

39 Interviews required by this section shall be conducted in person  
40 unless it is necessary to conduct them by telephone.

41 "§ 7B-1703. Evaluation decision.

42 (a) The intake counselor shall complete evaluation of a  
43 complaint within 15 days of receipt of the complaint, with an  
44 extension for a maximum of 15 additional days at the discretion

1 of the chief court counselor. The intake counselor shall decide  
2 within this time period whether a complaint shall be filed as a  
3 juvenile petition.

4 (b) Except as provided in G.S. 7B-1706, if the intake  
5 counselor determines that a complaint should be filed as a  
6 petition, the counselor shall file the petition as soon as  
7 practicable, but in any event within 15 days after the complaint  
8 is received, with an extension for a maximum of 15 additional  
9 days at the discretion of the chief court counselor. The intake  
10 counselor shall assist the complainant when necessary with the  
11 preparation and filing of the petition, shall include on it the  
12 date and the words 'Approved for Filing', shall sign it, and  
13 shall transmit it to the clerk of superior court.

14 (c) If the intake counselor determines that a petition should  
15 not be filed, the intake counselor shall notify the complainant  
16 immediately in writing with reasons for the decision and shall  
17 include notice of the complainant's right to have the decision  
18 reviewed by the prosecutor. The intake counselor shall sign the  
19 complaint after indicating on it:

- 20 (1) The date of the determination;  
21 (2) The words 'Not Approved for Filing'; and  
22 (3) Whether the matter is 'Closed' or 'Diverted and  
23 Retained'.

24 Except as provided in G.S. 7B-1706, any complaint not approved  
25 for filing as a juvenile petition shall be destroyed by the  
26 intake counselor after holding the complaint for a temporary  
27 period to allow review as provided in G.S. 7B-1705.

28 "§ 7B-1704. Request for review by prosecutor.

29 The complainant has five calendar days, from receipt of the  
30 intake counselor's decision not to approve the filing of a  
31 petition, to request review by the prosecutor. The intake  
32 counselor shall notify the prosecutor immediately of such request  
33 and shall transmit to the prosecutor a copy of the complaint. The  
34 prosecutor shall notify the complainant and the intake counselor  
35 of the time and place for the review.

36 "§ 7B-1705. Review of determination that petition should not be  
37 filed.

38 No later than 20 days after the complainant is notified, the  
39 prosecutor shall review the intake counselor's determination that  
40 a juvenile petition should not be filed. Review shall include  
41 conferences with the complainant and the intake counselor. At the  
42 conclusion of the review, the prosecutor shall: (i) affirm the  
43 decision of the intake counselor or direct the filing of a

1 petition and (ii) notify the complainant of the prosecutor's  
2 action.

3 "§ 7B-1706. Diversion plans and referral.

4 (a) Unless the offense is one in which a petition is required  
5 by G.S. 7B-1701, upon a finding of legal sufficiency the intake  
6 counselor may divert the juvenile pursuant to a diversion plan,  
7 which may include referring the juvenile to any of the following  
8 resources:

- 9 (1) An appropriate public or private resource;
- 10 (2) Restitution;
- 11 (3) Community service;
- 12 (4) Victim-offender mediation;
- 13 (5) Regimented physical training;
- 14 (6) Counseling;
- 15 (7) A teen court program, as set forth in subsection  
16 (c) of this section.

17 As part of a diversion plan, the intake counselor may enter  
18 into a diversion contract with the juvenile and the juvenile's  
19 parent, guardian, or custodian.

20 (b) Unless the offense is one in which a petition is required  
21 by G.S. 7B-1701, upon a finding of legal sufficiency the intake  
22 counselor may enter into a diversion contract with the juvenile  
23 and the parent, guardian, or custodian; provided, a diversion  
24 contract requires the consent of the juvenile and the juvenile's  
25 parent, guardian, or custodian. A diversion contract shall:

- 26 (1) State conditions by which the juvenile agrees to  
27 abide and any actions the juvenile agrees to take;
- 28 (2) State conditions by which the parent, guardian, or  
29 custodian agrees to abide and any actions the  
30 parent, guardian, or custodian agrees to take;
- 31 (3) Describe the role of the court counselor in  
32 relation to the juvenile and the parent, guardian,  
33 or custodian;
- 34 (4) Specify the length of the contract, which shall not  
35 exceed six months;
- 36 (5) Indicate that all parties understand and agree  
37 that:
  - 38 a. The juvenile's violation of the contract may  
39 result in the filing of the complaint as a  
40 petition; and
  - 41 b. The juvenile's successful completion of the  
42 contract shall preclude the filing of a  
43 petition.

1 After a diversion contract is signed by the parties, the intake  
2 counselor shall provide copies of the contract to the juvenile  
3 and the juvenile's parent, guardian, or custodian. The intake  
4 counselor shall notify any agency or other resource from which  
5 the juvenile or the juvenile's parent, guardian, or custodian  
6 will be seeking services or treatment pursuant to the terms of  
7 the contract. At any time during the term of the contract if the  
8 court counselor determines that the juvenile has failed to comply  
9 substantially with the terms of the contract, the court counselor  
10 may file the complaint as a petition. Unless the court counselor  
11 has filed the complaint as a petition, the counselor shall close  
12 the juvenile's file in regard to the diverted matter within six  
13 months after the date of the contract.

14 (c) If a teen court program has been established in the  
15 district, the intake counselor, upon a finding of legal  
16 sufficiency, may refer any case in which a juvenile has allegedly  
17 committed an offense that would be an infraction or misdemeanor  
18 if committed by an adult to a teen court program. However, the  
19 counselor shall not refer a case to a teen court program (i) if  
20 the juvenile has been referred to a teen court program  
21 previously, or (ii) if the juvenile is alleged to have committed  
22 any of the following offenses:

- 23 (1) Driving while impaired under G.S. 20-138.1, 20-  
24 138.2, 20-138.3, 20-138.5, or 20-138.7, or any  
25 other motor vehicle violation;  
26 (2) A Class A1 misdemeanor;  
27 (3) An assault in which a weapon is used; or  
28 (4) A controlled substance offense under Article 5 of  
29 Chapter 90 of the General Statutes, other than  
30 simple possession of a Schedule VI drug or alcohol.

31 (d) The intake counselor shall maintain diversion plans and  
32 contracts entered into pursuant to this section to allow intake  
33 counselors to determine when a juvenile has had a complaint  
34 diverted previously. Diversion plans and contracts are not  
35 public records under Chapter 132 of the General Statutes, shall  
36 not be included in the clerk's record pursuant to G.S. 7B-3000,  
37 and shall be withheld from public inspection or examination.  
38 Diversion plans and contracts shall be destroyed when the  
39 juvenile reaches the age of 18 years or when the juvenile is no  
40 longer under the jurisdiction of the court, whichever is later.

41 (e) No later than 60 days after the intake counselor diverts a  
42 juvenile, the intake counselor shall determine whether the  
43 juvenile and the juvenile's parent, guardian, or custodian have  
44 complied with the terms of the diversion plan or contract. In

1 making this determination, the intake counselor shall contact any  
2 referral resources to determine whether the juvenile and the  
3 juvenile's parent, guardian, or custodian complied with any  
4 recommendations for treatment or services made by the resource.  
5 If the juvenile and the juvenile's parent, guardian, or custodian  
6 have not complied, the intake counselor shall reconsider the  
7 decision to divert and may authorize the filing of the complaint  
8 as a petition within 10 days after making the determination. If  
9 the intake counselor does not file a petition, the intake  
10 counselor may continue to monitor the case for up to six months  
11 from the date of the diversion plan or contract. At any point  
12 during that time period if the juvenile and the juvenile's  
13 parent, guardian, or custodian fail to comply, the intake  
14 counselor shall reconsider the decision to divert and may  
15 authorize the filing of the complaint as a petition. After six  
16 months, the intake counselor shall close the diversion plan or  
17 contract file.

18 "ARTICLE 18.

19 "Venue; Petition; Summons.

20 "§ 7B-1800. Venue.

21 A proceeding in which a juvenile is alleged to be delinquent or  
22 undisciplined shall be commenced and adjudicated in the district  
23 in which the offense is alleged to have occurred. When a  
24 proceeding is commenced in a district other than that of the  
25 juvenile's residence, the court shall proceed to adjudication in  
26 that district. After adjudication, these procedures shall be  
27 available to the court:

- 28       (1) The court may transfer the proceeding to the court  
29       in the district where the juvenile resides for  
30       disposition.  
31       (2) Where the proceeding is not transferred under  
32       subdivision (1) of this section, the court shall  
33       immediately notify the chief district judge in the  
34       district in which the juvenile resides. If the  
35       chief district judge requests a transfer within  
36       five days after receipt of notification, the court  
37       shall transfer the proceeding.  
38       (3) Where the proceeding is not transferred under  
39       subdivision (1) or (2), the court, upon motion of  
40       the juvenile, shall transfer the proceeding to the  
41       court in the district where the juvenile resides  
42       for disposition. The court shall advise the  
43       juvenile of the juvenile's right to transfer under  
44       this section.

1 "§ 7B-1801. Pleading and process.

2 The pleading in a juvenile action is the petition. The process  
3 in a juvenile action is the summons.

4 "§ 7B-1802. Petition.

5 The petition shall contain the name, date of birth, and address  
6 of the juvenile and the name and last known address of the  
7 juvenile's parent, guardian, or custodian. The petition shall  
8 allege the facts which invoke jurisdiction over the juvenile.  
9 The petition shall not contain information on more than one  
10 juvenile.

11 A petition in which delinquency is alleged shall contain a  
12 plain and concise statement, without allegations of an  
13 evidentiary nature, asserting facts supporting every element of a  
14 criminal offense and the juvenile's commission thereof with  
15 sufficient precision clearly to apprise the juvenile of the  
16 conduct which is the subject of the allegation.

17 Sufficient copies of the petition shall be prepared so that  
18 copies will be available for the juvenile, for each parent if  
19 living separate and apart, for the court counselor, for the  
20 prosecutor, and for any person determined by the court to be a  
21 necessary party.

22 "§ 7B-1803. Receipt of complaints; filing of petition.

23 (a) All complaints concerning a juvenile alleged to be  
24 delinquent or undisciplined shall be referred to the intake  
25 counselor for screening and evaluation. Thereafter, if the intake  
26 counselor determines that a petition should be filed, the  
27 petition shall be drawn by the intake counselor or the clerk,  
28 signed by the complainant, and verified before an official  
29 authorized to administer oaths. If the circumstances indicate a  
30 need for immediate attachment of jurisdiction and if the intake  
31 counselor is out of the county or otherwise unavailable to  
32 receive a complaint and to draw a petition when it is needed, the  
33 clerk shall assist the complainant in communicating the complaint  
34 to the intake counselor by telephone and, with the approval of  
35 the intake counselor, shall draw a petition and file it when  
36 signed and verified. A copy of the complaint and petition shall  
37 be transmitted to the intake counselor. Procedures for receiving  
38 delinquency and undisciplined complaints and drawing petitions  
39 thereon, consistent with this Article and Article 17 of this  
40 Chapter shall be established by administrative order of the chief  
41 judge in each judicial district.

42 (b) If review is requested pursuant to G.S. 7B-1704, the  
43 prosecutor shall review a complaint and any decision of the  
44 intake counselor not to authorize that the complaint be filed as

1 a petition. If the prosecutor, after review, authorizes a  
2 complaint to be filed as a petition, the prosecutor shall prepare  
3 the complaint to be filed by the clerk as a petition, recording  
4 the day of filing.

5 "§ 7B-1804. Commencement of action.

6 (a) An action is commenced by the filing of a petition in the  
7 clerk's office when that office is open, or by a magistrate's  
8 acceptance of a petition for filing pursuant to subsection (b) of  
9 this section when the clerk's office is closed.

10 (b) When the office of the clerk is closed and an intake  
11 counselor requests a petition alleging a juvenile to be  
12 delinquent or undisciplined, a magistrate may draw and verify the  
13 petition and accept it for filing, which acceptance shall  
14 constitute filing. The magistrate's authority under this  
15 subsection is limited to emergency situations when a petition is  
16 required in order to obtain a secure or nonsecure custody order.  
17 Any petition accepted for filing under this subsection shall be  
18 delivered to the clerk's office for processing as soon as that  
19 office is open for business.

20 "§ 7B-1805. Issuance of summons.

21 (a) Immediately after a petition has been filed alleging that  
22 a juvenile is undisciplined or delinquent, the clerk shall issue  
23 a summons to the juvenile and to the parent, guardian, or  
24 custodian requiring them to appear for a hearing at the time and  
25 place stated in the summons. A copy of the petition shall be  
26 attached to each summons.

27 (b) A summons shall be on a printed form supplied by the  
28 Administrative Office of the Courts and shall include:

29 (1) Notice of the nature of the proceeding and the  
30 purpose of the hearing scheduled on the summons.

31 (2) Notice of any right to counsel and information  
32 about how to seek the appointment of counsel prior  
33 to a hearing.

34 (3) Notice that, if the court determines at the  
35 adjudicatory hearing that the allegations of the  
36 petition are true, the court will conduct a  
37 dispositional hearing and will have jurisdiction to  
38 enter orders affecting substantial rights of the  
39 juvenile and of the parent, guardian, or custodian,  
40 including orders that:

41 a. Affect the juvenile's custody;

42 b. Impose conditions on the juvenile;

43 c. Require that the juvenile receive medical,  
44 psychiatric, psychological, or other treatment

- 1                   and that the parent, guardian, or custodian  
2                   participate in the treatment;  
3           d.   Require the parent, guardian, or custodian to  
4                   undergo psychiatric, psychological, or other  
5                   treatment or counseling;  
6           e.   Order the parent to pay for treatment that is  
7                   ordered for the juvenile or the parent; and  
8           f.   Order the parent to pay support for the  
9                   juvenile for any period the juvenile does not  
10                  reside with the parent or to pay attorneys'  
11                  fees or other expenses as ordered by the  
12                  court.  
13           (4) Notice that the parent, guardian, or custodian  
14                  shall be required to attend scheduled hearings and  
15                  that failure without reasonable cause to attend may  
16                  result in proceedings for contempt of court.  
17           (5) Notice that the parent, guardian, or custodian  
18                  shall be responsible for bringing the juvenile  
19                  before the court at any hearing the juvenile is  
20                  required to attend and that failure without  
21                  reasonable cause to bring the juvenile before the  
22                  court may result in proceedings for contempt of  
23                  court.  
24   (c)   The summons shall advise the parent, guardian, or  
25           custodian that upon service, jurisdiction over the parent,  
26           guardian, or custodian is obtained and that failure of the  
27           parent, guardian, or custodian to appear or bring the juvenile  
28           before the court without reasonable cause or to comply with any  
29           order of the court pursuant to Article 27 of this Chapter may  
30           cause the court to issue a show cause order for contempt. The  
31           summons shall contain the following language in bold type:  
32           'TO THE PARENT(S), GUARDIAN(S), OR CUSTODIAN(S): YOUR FAILURE TO  
33           APPEAR IN COURT FOR A SCHEDULED HEARING OR TO COMPLY WITH AN  
34           ORDER OF THE COURT MAY RESULT IN A FINDING OF CONTEMPT. A PERSON  
35           HELD IN CONTEMPT MAY BE AT A MINIMUM SUBJECTED TO CENSURE,  
36           IMPRISONMENT UP TO 30 DAYS, A FINE NOT TO EXCEED \$500, OR A  
37           COMBINATION OF THE THREE.'  
38   (d)   A summons shall be directed to the person summoned to  
39           appear and shall be delivered to any person authorized to serve  
40           process.  
41   "§ 7B-1806. Service of summons.  
42           The summons and petition shall be personally served upon the  
43           parent, the guardian, or custodian and the juvenile not less than

1 five days prior to the date of the scheduled hearing. The time  
2 for service may be waived in the discretion of the court.

3 If the parent, guardian, or custodian entitled to receive a  
4 summons cannot be found by a diligent effort, the court may  
5 authorize service of the summons and petition by mail or by  
6 publication. The cost of the service by publication shall be  
7 advanced by the petitioner and may be charged as court costs as  
8 the court may direct.

9 The court may issue a show cause order for contempt against a  
10 parent, guardian, or custodian who is personally served and fails  
11 without reasonable cause to appear and to bring the juvenile  
12 before the court.

13 The provisions of G.S. 15A-301(a), (c), (d), and (e) relating  
14 to criminal process apply to juvenile process; provided the  
15 period of time for return of an unserved summons is 30 days.

16 "§ 7B-1806.1. Notice to parent and juvenile of scheduled  
17 hearings.

18 The clerk shall give to all parties, including both parents of  
19 the juvenile, five days written notice of the date and time of  
20 all scheduled hearings unless the party is notified in open court  
21 or the court orders otherwise.

22 "§ 7B-1807. First appearance for felony cases.

23 (a) A juvenile who is alleged in the petition to have  
24 committed an offense that would be a felony if committed by an  
25 adult shall be summoned to appear before the court for a first  
26 appearance within 10 days of the filing of the petition. If the  
27 juvenile is in secure or nonsecure custody, the first appearance  
28 shall take place at the initial hearing required by G.S. 7B-1906.  
29 Unless the juvenile is in secure or nonsecure custody, the court  
30 may continue the first appearance to a time certain for good  
31 cause.

32 (b) At the first appearance, the court shall:

- 33 (1) Inform the juvenile of the allegations set forth in  
34 the petition;  
35 (2) Determine whether the juvenile has retained counsel  
36 or has been assigned counsel and, if the juvenile  
37 is not represented by counsel, appoint counsel for  
38 the juvenile;  
39 (3) If applicable, inform the juvenile of the date of  
40 the probable cause hearing, which shall be within  
41 15 days of the first appearance; and  
42 (4) Inform the parent, guardian, or custodian that the  
43 parent, guardian, or custodian is required to  
44 attend all hearings scheduled in the matter and may

1           be held in contempt of court for failure to attend  
2           any scheduled hearing.

3                   "ARTICLE 19.

4           "Temporary Custody; Secure and Nonsecure Custody;  
5                   Custody Hearings.

6   "§ 7B-1900. Taking a juvenile into temporary custody.

7   Temporary custody means the taking of physical custody and  
8   providing personal care and supervision until a court order for  
9   secure or nonsecure custody can be obtained. A juvenile may be  
10   taken into temporary custody without a court order under the  
11   following circumstances:

12           (1) By a law enforcement officer if grounds exist for  
13           the arrest of an adult in identical circumstances  
14           under G.S. 15A-401(b).

15           (2) By a law enforcement officer or a court counselor  
16           if there are reasonable grounds to believe that the  
17           juvenile is an undisciplined juvenile.

18           (3) By a law enforcement officer, by a court counselor,  
19           by a member of the Black Mountain Center, Alcohol  
20           Rehabilitation Center, and Juvenile Evaluation  
21           Center Joint Security Force established pursuant to  
22           G.S. 122C-421, or by personnel of the Department if  
23           there are reasonable grounds to believe the  
24           juvenile is an absconder from any residential  
25           facility operated by the Department or from an  
26           approved detention facility.

27   "§ 7B-1901. Duties of person taking juvenile into temporary  
28   custody.

29           (a) A person who takes a juvenile into custody without a court  
30           order under G.S. 7B-1900(1) or (2) shall proceed as follows:

31                   (1) Notify the juvenile's parent, guardian, or  
32                   custodian that the juvenile has been taken into  
33                   temporary custody and advise the parent, guardian,  
34                   or custodian of the right to be present with the  
35                   juvenile until a determination is made as to the  
36                   need for secure or nonsecure custody. Failure to  
37                   notify the parent, guardian, or custodian that the  
38                   juvenile is in custody shall not be grounds for  
39                   release of the juvenile.

40                   (2) Release the juvenile to the juvenile's parent,  
41                   guardian, or custodian if the person having the  
42                   juvenile in temporary custody decides that  
43                   continued custody is unnecessary. In the case of a  
44                   juvenile unlawfully absent from school, if

1           continued custody is unnecessary, the person having  
2           temporary custody may deliver the juvenile to the  
3           juvenile's school or, if the local city or county  
4           government and the local school board adopt a  
5           policy, to a place in the local school  
6           administrative unit.

7           (3) If the juvenile is not released, request that a  
8           petition be drawn pursuant to G.S. 7B-1803 or G.S.  
9           7B-1804. Once the petition has been drawn and  
10           verified, the person shall communicate with the  
11           intake counselor. If the intake counselor approves  
12           the filing of the petition, the intake counselor  
13           shall contact the judge, or the person delegated  
14           authority pursuant to G.S. 7B-1902 if other than  
15           the intake counselor, for a determination of the  
16           need for continued custody.

17           (b) A juvenile taken into temporary custody under this Article  
18           shall not be held for more than 12 hours, or for more than 24  
19           hours if any of the 12 hours falls on a Saturday, Sunday, or  
20           legal holiday, unless a petition or motion for review has been  
21           filed and an order for secure or nonsecure custody has been  
22           entered.

23           (c) A person who takes a juvenile into custody under G.S. 7B-  
24           1900(3), after receiving an order for secure custody, shall  
25           transport the juvenile to the nearest approved facility providing  
26           secure custody. The person then shall contact the administrator  
27           of the facility from which the juvenile absconded, who shall be  
28           responsible for returning the juvenile to that facility.

29           "§ 7B-1902. Authority to issue custody orders; delegation.

30           In the case of any juvenile alleged to be within the  
31           jurisdiction of the court, when the court finds it necessary to  
32           place the juvenile in custody, the court may order that the  
33           juvenile be placed in secure or nonsecure custody pursuant to  
34           criteria set out in G.S. 7B-1903.

35           Any district court judge may issue secure and nonsecure custody  
36           orders pursuant to G.S. 7B-1903. The chief district court judge  
37           may delegate the court's authority to the chief court counselor  
38           or the chief court counselor's counseling staff by administrative  
39           order filed in the office of the clerk of superior court. The  
40           administrative order shall specify which persons may be contacted  
41           for approval of a secure or nonsecure custody order. The chief  
42           district court judge shall not delegate the court's authority to  
43           detain or house juveniles in holdover facilities pursuant to G.S.  
44           7B-1905 or G.S. 7B-2509.

1 "§ 7B-1903. Criteria for secure or nonsecure custody.

2 (a) When a request is made for nonsecure custody, the court  
3 shall first consider release of the juvenile to the juvenile's  
4 parent, guardian, custodian, or other responsible adult. An order  
5 for nonsecure custody shall be made only when there is a  
6 reasonable factual basis to believe the matters alleged in the  
7 petition are true, and that:

- 8 (1) The juvenile is a runaway and consents to nonsecure  
9 custody; or  
10 (2) The juvenile meets one or more of the criteria for  
11 secure custody, but the court finds it in the best  
12 interests of the juvenile that the juvenile be  
13 placed in a nonsecure placement.

14 (b) When a request is made for secure custody, the court may  
15 order secure custody only where the court finds there is a  
16 reasonable factual basis to believe that the juvenile committed  
17 the offense as alleged in the petition, and that:

- 18 (1) The juvenile is charged with a felony and has  
19 demonstrated that the juvenile is a danger to  
20 property or persons;  
21 (2) The juvenile is charged with a misdemeanor at least  
22 one element of which is assault on a person;  
23 (3) The juvenile has willfully failed to appear on a  
24 pending delinquency charge or on charges of  
25 violation of probation or post-release supervision,  
26 providing the juvenile was properly notified;  
27 (4) A delinquency charge is pending against the  
28 juvenile, and there is reasonable cause to believe  
29 the juvenile will not appear in court;  
30 (5) The juvenile is an absconder from (i) any  
31 residential facility operated by the Department or  
32 any detention facility in this State or (ii) any  
33 comparable facility in another state;  
34 (6) There is reasonable cause to believe the juvenile  
35 should be detained for the juvenile's own  
36 protection because the juvenile has recently  
37 suffered or attempted self-inflicted physical  
38 injury. In such case, the juvenile must have been  
39 refused admission by one appropriate hospital, and  
40 the period of secure custody is limited to 24 hours  
41 to determine the need for inpatient  
42 hospitalization. If the juvenile is placed in  
43 secure custody, the juvenile shall receive

continuous supervision and a physician shall be notified immediately;

(7) The juvenile is alleged to be undisciplined by virtue of the juvenile's being a runaway and is inappropriate for nonsecure custody placement or refuses nonsecure custody, and the court finds that the juvenile needs secure custody for up to 24 hours, excluding Saturdays, Sundays, and State holidays, or where circumstances require, for a period not to exceed 72 hours to evaluate the juvenile's need for medical or psychiatric treatment or to facilitate reunion with the juvenile's parents; or

(8) The juvenile is alleged to be undisciplined and has willfully failed to appear in court after proper notice; the juvenile shall be brought to court as soon as possible and in no event should be held more than 24 hours, excluding Saturdays, Sundays, and State holidays or where circumstances require for a period not to exceed 72 hours.

(c) When a juvenile has been adjudicated delinquent, the court may order secure custody pending the dispositional hearing or pending placement of the juvenile pursuant to G.S. 7B-2504.

(d) The court may order secure custody for a juvenile who is alleged to have violated the conditions of the juvenile's probation or post-release supervision, but only if the juvenile is alleged to have committed acts that damage property or injure persons.

(e) If the criteria for secure custody as set out in subsection (b), (c), or (d) of this section are met, the court may enter an order directing an officer or other authorized person to assume custody of the juvenile and to take the juvenile to the place designated in the order.

"§ 7B-1904. Order for secure or nonsecure custody.

The custody order shall be in writing and shall direct a law enforcement officer or other authorized person to assume custody of the juvenile and to make due return on the order. The official executing the order shall give a copy of the order to the juvenile's parent, guardian, or custodian. If the order is for secure custody, copies of the petition and custody order shall accompany the juvenile to the detention facility or holdover facility of the jail. A message of the Division of Criminal Information, State Bureau of Investigation, stating that a juvenile petition and secure custody order relating to a

1 specified juvenile are on file in a particular county shall be  
2 authority to detain the juvenile in secure custody until a copy  
3 of the juvenile petition and secure custody order can be  
4 forwarded to the juvenile detention facility. The copies of the  
5 juvenile petition and secure custody order shall be transmitted  
6 to the detention facility no later than 72 hours after the  
7 initial detention of the juvenile.

8 An officer receiving an order for custody which is complete and  
9 regular on its face may execute it in accordance with its terms  
10 and need not inquire into its regularity or continued validity,  
11 nor does the officer incur criminal or civil liability for its  
12 execution.

13 "§ 7B-1905. Place of secure or nonsecure custody.

14 (a) A juvenile meeting the criteria set out in G.S. 7B-  
15 1903(a), may be placed in nonsecure custody with a department of  
16 social services or a person designated in the order for temporary  
17 residential placement in:

18 (1) A licensed foster home or a home otherwise  
19 authorized by law to provide such care;

20 (2) A facility operated by a department of social  
21 services; or

22 (3) Any other home or facility approved by the court  
23 and designated in the order.

24 In placing a juvenile in nonsecure custody, the court shall  
25 first consider whether a relative of the juvenile is willing and  
26 able to provide proper care and supervision of the juvenile. If  
27 the court finds that the relative is willing and able to provide  
28 proper care and supervision, the court shall order placement of  
29 the juvenile with the relative. Placement of a juvenile outside  
30 of this State shall be in accordance with the Interstate Compact  
31 on the Placement of Children set forth in Article 38 of this  
32 Chapter.

33 (b) A juvenile meeting the criteria set out in G.S. 7B-  
34 1903(b), (c), or (d) may be temporarily detained in an approved  
35 detention facility which shall be separate from any jail, lockup,  
36 prison, or other adult penal institution, except as provided in  
37 subsection (c) of this section. It shall be unlawful for a  
38 county or any unit of government to operate a juvenile detention  
39 facility unless the facility meets the standards and rules  
40 adopted by the Department of Health and Human Services.

41 (c) A juvenile who has allegedly committed an offense that  
42 would be a Class A, B1, B2, C, D, or E felony if committed by an  
43 adult may be detained in secure custody in a holdover facility up  
44 to 72 hours, if the court, based on information provided by the

1 court counselor, determines that no acceptable alternative  
2 placement is available and the protection of the public requires  
3 the juvenile be housed in a holdover facility.

4 "§ 7B-1906. Secure or nonsecure custody hearings.

5 (a) No juvenile shall be held under a secure custody order for  
6 more than five calendar days or under a nonsecure custody order  
7 for more than seven calendar days without a hearing on the merits  
8 or an initial hearing to determine the need for continued  
9 custody. A hearing conducted under this subsection may not be  
10 continued or waived. In every case in which an order has been  
11 entered by an official exercising authority delegated pursuant to  
12 G.S. 7B-1902, a hearing to determine the need for continued  
13 custody shall be conducted on the day of the next regularly  
14 scheduled session of district court in the city or county where  
15 the order was entered if the session precedes the expiration of  
16 the applicable time period set forth in this subsection. If the  
17 session does not precede the expiration of the time period, the  
18 hearing may be conducted at another regularly scheduled session  
19 of district court in the district where the order was entered.

20 (b) As long as the juvenile remains in secure or nonsecure  
21 custody, further hearings to determine the need for continued  
22 secure custody shall be held at intervals of no more than 10  
23 calendar days. A subsequent hearing on continued nonsecure  
24 custody shall be held within seven business days, excluding  
25 Saturdays, Sundays, and legal holidays, of the initial hearing  
26 required in subsection (a) of this section and hearings  
27 thereafter shall be held at intervals of no more than 30 calendar  
28 days. In the case of a juvenile alleged to be delinquent, further  
29 hearings may be waived only with the consent of the juvenile,  
30 through counsel for the juvenile.

31 (c) The court shall determine whether a juvenile who is  
32 alleged to be delinquent has retained counsel or has been  
33 assigned counsel; and, if the juvenile is not represented by  
34 counsel, appoint counsel for the juvenile.

35 (d) At a hearing to determine the need for continued custody,  
36 the court shall receive testimony and shall allow the juvenile  
37 and the juvenile's parent, guardian, or custodian an opportunity  
38 to introduce evidence, to be heard in their own behalf, and to  
39 examine witnesses. The State shall bear the burden at every stage  
40 of the proceedings to provide clear and convincing evidence that  
41 restraints on the juvenile's liberty are necessary and that no  
42 less intrusive alternative will suffice. The court shall not be  
43 bound by the usual rules of evidence at the hearings.

1     (e) The court shall be bound by criteria set forth in G.S. 7B-  
2     1903 in determining whether continued custody is warranted.

3     (f) The court may impose appropriate restrictions on the  
4     liberty of a juvenile who is released from secure custody,  
5     including:

6             (1) Release on the written promise of the juvenile's  
7             parent, guardian, or custodian to produce the  
8             juvenile in court for subsequent proceedings;

9             (2) Release into the care of a responsible person or  
10            organization;

11            (3) Release conditioned on restrictions on activities,  
12            associations, residence, or travel if reasonably  
13            related to securing the juvenile's presence in  
14            court; or

15            (4) Any other conditions reasonably related to securing  
16            the juvenile's presence in court.

17     (g) If the court determines that the juvenile meets the  
18     criteria in G.S. 7B-1903 and should continue in custody, the  
19     court shall issue an order to that effect. The order shall be in  
20     writing with appropriate findings of fact. The findings of fact  
21     shall include the evidence relied upon in reaching the decision  
22     and the purposes which continued custody is to achieve.

23     (h) The court may conduct a hearing to determine the need to  
24     continue custody by audio and video transmission between the  
25     court and the juvenile in which the parties can see and hear each  
26     other. If the juvenile has counsel, the juvenile may communicate  
27     fully and confidentially with the juvenile's attorney during the  
28     proceeding. Prior to the use of audio and video transmission,  
29     the procedures and type of equipment for audio and video  
30     transmission shall be submitted to the Administrative Office of  
31     the Courts by the chief district court judge and approved by the  
32     Administrative Office of the Courts.

33     "§ 7B-1907. Telephonic communication authorized.

34     All communications, notices, orders, authorizations, and  
35     requests authorized or required by G.S. 7B-1901, 7B-1903, and 7B-  
36     1904 may be made by telephone when other means of communication  
37     are impractical. All written orders pursuant to telephonic  
38     communication shall bear the name and the title of the person  
39     communicating by telephone, the signature and the title of the  
40     official entering the order, and the hour and the date of the  
41     authorization.

42                     "ARTICLE 20.

43                     "Basic Rights.

1 "§ 7B-2000. Juvenile's right to counsel; presumption of  
2 indigence.

3 (a) A juvenile alleged to be within the jurisdiction of the  
4 court has the right to be represented by counsel in all  
5 proceedings. The court shall appoint counsel for the juvenile,  
6 unless counsel is retained for the juvenile, in any proceeding in  
7 which the juvenile is alleged to be (i) delinquent or (ii) in  
8 contempt of court when alleged or adjudicated to be  
9 undisciplined.

10 (b) All juveniles shall be conclusively presumed to be  
11 indigent, and it shall not be necessary for the court to receive  
12 from any juvenile an affidavit of indigency.

13 "§ 7B-2001. Appointment of guardian.

14 In any case when no parent, guardian, or custodian appears in a  
15 hearing with the juvenile or when the court finds it would be in  
16 the best interests of the juvenile, the court may appoint a  
17 guardian of the person for the juvenile. The guardian shall  
18 operate under the supervision of the court with or without bond  
19 and shall file only such reports as the court shall require.  
20 Unless the court orders otherwise, the guardian:

21 (1) Shall have the care, custody, and control of the  
22 juvenile or may arrange a suitable placement for  
23 the juvenile.

24 (2) May represent the juvenile in legal actions before  
25 any court.

26 (3) May consent to certain actions on the part of the  
27 juvenile in place of the parent, guardian, or  
28 custodian, including (i) marriage, (ii) enlisting  
29 in the armed forces, and (iii) enrollment in  
30 school.

31 (4) May consent to any necessary remedial,  
32 psychological, medical, or surgical treatment for  
33 the juvenile.

34 The authority of the guardian shall continue until the  
35 guardianship is terminated by court order, until the juvenile is  
36 emancipated pursuant to Subchapter IV of this Chapter, or until  
37 the juvenile reaches the age of majority, whichever occurs first.

38 "§ 7B-2002. Payment of court-appointed attorney.

39 An attorney appointed pursuant to G.S. 7B-2000 or pursuant to  
40 any other provision of this Subchapter shall be paid a reasonable  
41 fee fixed by the court in the same manner as fees for attorneys  
42 appointed in cases of indigency through the Administrative Office  
43 of the Courts. The court may require payment of the attorneys'  
44 fees from a person other than the juvenile as provided in G.S.

1 7A-450.1, 7A-450.2, and 7A-450.3. A person who does not comply  
2 with the court's order of payment may be found in civil contempt  
3 as provided in G.S. 5A-21.

4 "ARTICLE 21.

5 "Law Enforcement Procedures in Delinquency Proceedings.

6 "§ 7B-2100. Role of the law enforcement officer.

7 A law enforcement officer who takes a juvenile into temporary  
8 custody should select the most appropriate course of action to  
9 the situation, the needs of the juvenile, and the protection of  
10 the public safety. The officer may:

- 11 (1) Release the juvenile, with or without first  
12 counseling the juvenile;
- 13 (2) Release the juvenile to the juvenile's parent,  
14 guardian, or custodian;
- 15 (3) Refer the juvenile to community resources;
- 16 (4) Seek a petition; or
- 17 (5) Seek a petition and request a custody order.

18 "§ 7B-2101. Interrogation procedures.

19 (a) Any juvenile in custody must be advised prior to  
20 questioning:

- 21 (1) That the juvenile has a right to remain silent;
- 22 (2) That any statement the juvenile does make can be  
23 and may be used against the juvenile;
- 24 (3) That the juvenile has a right to have a parent,  
25 guardian, or custodian present during questioning;  
26 and
- 27 (4) That the juvenile has a right to consult with an  
28 attorney and that one will be appointed for the  
29 juvenile if the juvenile is not represented and  
30 wants representation.

31 (b) When the juvenile is less than 14 years of age, no  
32 in-custody admission or confession resulting from interrogation  
33 may be admitted into evidence unless the confession or admission  
34 was made in the presence of the juvenile's parent, guardian,  
35 custodian, or attorney. If an attorney is not present, the  
36 parent, guardian, or custodian as well as the juvenile must be  
37 advised of the juvenile's rights as set out in subsection (a) of  
38 this section; however, a parent, guardian, or custodian may not  
39 waive any right on behalf of the juvenile.

40 (c) If the juvenile indicates in any manner and at any stage of  
41 questioning pursuant to this section that the juvenile does not  
42 wish to be questioned further, the officer shall cease  
43 questioning.

1 (d) Before admitting into evidence any statement resulting from  
2 custodial interrogation, the court shall find that the juvenile  
3 knowingly, willingly, and understandingly waived the juvenile's  
4 rights.

5 "§ 7B-2102. Fingerprinting and photographing juveniles.

6 (a) A law enforcement officer or agency may fingerprint and  
7 photograph a juvenile in custody who is alleged to have committed  
8 an offense that would be a felony if committed by an adult.

9 (b) If a law enforcement officer or agency does not take the  
10 fingerprints or a photograph of the juvenile pursuant to  
11 subsection (a) of this section or the fingerprints or photograph  
12 have been destroyed pursuant to subsection (e) of this section, a  
13 law enforcement officer or agency shall fingerprint and  
14 photograph a juvenile who has been adjudicated delinquent if the  
15 juvenile was 10 years of age or older at the time the juvenile  
16 committed an offense that would be a felony if committed by an  
17 adult.

18 (c) A law enforcement officer or agency who fingerprints or  
19 photographs a juvenile pursuant to this section shall do so in a  
20 proper format for transfer to the State Bureau of Investigation  
21 and the Federal Bureau of Investigation. Fingerprints obtained  
22 pursuant to this section shall be transferred to the State Bureau  
23 of Investigation and placed in the Automated Fingerprint  
24 Identification System (AFIS) to be used for all investigative and  
25 comparison purposes. Photographs obtained pursuant to this  
26 section shall be placed in a format approved by the State Bureau  
27 of Investigation and may be used for all investigative or  
28 comparison purposes. Fingerprints of a juvenile who has been  
29 adjudicated delinquent for an offense that would be a Class A,  
30 B1, B2, C, D, or E felony if committed by an adult, and who was  
31 10 years of age or older at the time the juvenile committed the  
32 offense, shall be transferred to the Federal Bureau of  
33 Investigation to be used for all investigative or comparison  
34 purposes.

35 (d) Fingerprints and photographs taken pursuant to this  
36 section are not public records under Chapter 132 of the General  
37 Statutes, shall not be included in the clerk's record pursuant to  
38 G.S. 7B-3000, shall be withheld from public inspection or  
39 examination, and shall not be eligible for expunction pursuant to  
40 G.S. 7B-3200. Fingerprints and photographs taken pursuant to this  
41 section shall be maintained separately from any juvenile record,  
42 other than the electronic file maintained by the State Bureau of  
43 Investigation.

1 (e) If a juvenile is fingerprinted and photographed pursuant to  
2 subsection (a) of this section, the custodian of records shall  
3 destroy all fingerprints and photographs at the earlier of the  
4 following:

- 5       (1) The intake counselor or prosecutor does not file a  
6       petition against the juvenile within one year of  
7       fingerprinting and photographing the juvenile  
8       pursuant to subsection (a) of this section;  
9       (2) The court does not find probable cause pursuant to  
10      G.S. 7B-2202; or  
11      (3) The juvenile is not adjudicated delinquent of any  
12      offense that would have been a felony or  
13      misdemeanor if committed by an adult.

14 The chief court counselor shall notify the local custodian of  
15 records, and the local custodian of records shall notify any  
16 other record-holding agencies, when a decision is made not to  
17 file a petition, the court does not find probable cause, or the  
18 court does not adjudicate the juvenile delinquent.

19 "§ 7B-2103. Authority to issue nontestimonial identification  
20 order where juvenile alleged to be delinquent.

21 Except as provided in G.S. 7B-2102, nontestimonial  
22 identification procedures shall not be conducted on any juvenile  
23 without a court order issued pursuant to this Article unless the  
24 juvenile has been charged as an adult or transferred to superior  
25 court for trial as an adult in which case procedures applicable  
26 to adults, as set out in Articles 14 and 23 of Chapter 15A of the  
27 General Statutes, shall apply. A nontestimonial identification  
28 order authorized by this Article may be issued by any judge of  
29 the district court or of the superior court upon request of a  
30 prosecutor. As used in this Article, 'nontestimonial  
31 identification' means identification by fingerprints, palm  
32 prints, footprints, measurements, blood specimens, urine  
33 specimens, saliva samples, hair samples, or other reasonable  
34 physical examination, handwriting exemplars, voice samples,  
35 photographs, and lineups or similar identification procedures  
36 requiring the presence of a juvenile.

37 "§ 7B-2104. Time of application for nontestimonial  
38 identification order.

39 A request for a nontestimonial identification order may be made  
40 prior to taking a juvenile into custody or after custody and  
41 prior to the adjudicatory hearing.

42 "§ 7B-2105. Grounds for nontestimonial identification order.

43 (a) Except as provided in subsection (b) of this section, a  
44 nontestimonial identification order may issue only on affidavit

1 or affidavits sworn to before the court and establishing the  
2 following grounds for the order:

3       (1) That there is probable cause to believe that an  
4       offense has been committed that would be a felony  
5       if committed by an adult;

6       (2) That there are reasonable grounds to suspect that  
7       the juvenile named or described in the affidavit  
8       committed the offense; and

9       (3) That the results of specific nontestimonial  
10       identification procedures will be of material aid  
11       in determining whether the juvenile named in the  
12       affidavit committed the offense.

13       (b) A nontestimonial identification order to obtain a blood  
14 specimen from a juvenile may issue only on affidavit or  
15 affidavits sworn to before the court and establishing the  
16 following grounds for the order:

17       (1) That there is probable cause to believe that an  
18       offense has been committed that would be a felony  
19       if committed by an adult;

20       (2) That there is probable cause to believe that the  
21       juvenile named or described in the affidavit  
22       committed the offense; and

23       (3) That there is probable cause to believe that  
24       obtaining a blood specimen from the juvenile will  
25       be of material aid in determining whether the  
26       juvenile named in the affidavit committed the  
27       offense.

28 "§ 7B-2106. Issuance of order.

29 Upon a showing that the grounds specified in G.S. 7B-2105  
30 exist, the judge may issue an order following the same procedure  
31 as in the case of adults under G.S. 15A-274, 15A-275, 15A-276,  
32 15A-277, 15A-278, 15A-279, 15A-280, and 15A-282.

33 "§ 7B-2107. Nontestimonial identification order at request of  
34 juvenile.

35 A juvenile in custody for or charged with an offense which if  
36 committed by an adult would be a felony offense may request that  
37 nontestimonial identification procedures be conducted. If it  
38 appears that the results of specific nontestimonial  
39 identification procedures will be of material aid to the  
40 juvenile's defense, the judge to whom the request was directed  
41 must order the State to conduct the identification procedures.

42 "§ 7B-2108. Destruction of records resulting from nontestimonial  
43 identification procedures.

1 The results of any nontestimonial identification procedures  
2 shall be retained or disposed of as follows:

- 3 (1) If a petition is not filed against a juvenile  
4 within one year of the juvenile being the subject  
5 of nontestimonial identification procedures, all  
6 records of the evidence shall be destroyed.
- 7 (2) If the juvenile is not adjudicated delinquent or  
8 convicted in superior court following transfer, all  
9 records resulting from a nontestimonial order shall  
10 be destroyed. Further, in the case of a juvenile  
11 who is under 13 years of age and who is adjudicated  
12 delinquent for an offense that would be less than a  
13 felony if committed by an adult, all records shall  
14 be destroyed.
- 15 (3) If a juvenile 13 years of age or older is  
16 adjudicated delinquent for an offense that would be  
17 a felony if committed by an adult, all records  
18 resulting from a nontestimonial order may be  
19 retained in the court file. Special precautions  
20 shall be taken to ensure that these records will be  
21 maintained in a manner and under sufficient  
22 safeguards to limit their use to inspection by law  
23 enforcement officers for comparison purposes in  
24 the investigation of a crime.
- 25 (4) If the juvenile is transferred to and convicted in  
26 superior court, all records resulting from  
27 nontestimonial identification procedures shall be  
28 processed as in the case of an adult.
- 29 (5) Any evidence seized pursuant to a nontestimonial  
30 order shall be retained by law enforcement officers  
31 until further order is entered by the court.
- 32 (6) Destruction of nontestimonial identification  
33 records pursuant to this section shall be performed  
34 by the law enforcement agency having possession of  
35 the records. Following destruction, the law  
36 enforcement agency shall make written certification  
37 to the court of the destruction.

38 "§ 7B-2109. Penalty for willful violation.

39 Any person who willfully violates provisions of this Article  
40 which prohibit conducting nontestimonial identification  
41 procedures without an order issued by the court shall be guilty  
42 of a Class 1 misdemeanor.

43 "ARTICLE 22.

44 "Probable Cause Hearing and Transfer Hearing.

1 "§ 7B-2200. Transfer of jurisdiction of juvenile to superior  
2 court; direct filing in superior court.

3 After notice, hearing, and a finding of probable cause the  
4 court may, upon motion of the prosecutor, the juvenile's  
5 attorney, or upon its own motion, transfer jurisdiction over a  
6 juvenile to superior court if the juvenile was 13 years of age or  
7 older at the time the juvenile allegedly committed an offense  
8 that would be a felony if committed by an adult. If the alleged  
9 felony constitutes a Class A felony and the court finds probable  
10 cause, the court shall transfer the case to the superior court  
11 for trial as in the case of adults.

12 "§ 7B-2201. Fingerprinting juvenile transferred to superior  
13 court.

14 When jurisdiction over a juvenile is transferred to the  
15 superior court, the juvenile shall be fingerprinted and the  
16 juvenile's fingerprints shall be sent to the State Bureau of  
17 Investigation.

18 "§ 7B-2202. Probable cause hearing.

19 (a) The court shall conduct a hearing to determine probable  
20 cause in all felony cases in which a juvenile was 13 years of age  
21 or older when the offense was allegedly committed. The hearing  
22 shall be conducted within 15 days of the date of the juvenile's  
23 first appearance. The court may continue the hearing for good  
24 cause.

25 (b) At the probable cause hearing:

- 26 (1) A prosecutor shall represent the State;  
27 (2) The juvenile shall be represented by counsel;  
28 (3) The juvenile may testify, call, and examine  
29 witnesses, and present evidence; and  
30 (4) Each witness shall testify under oath or  
31 affirmation and be subject to cross-examination.

32 (c) The State shall by nonhearsay evidence, or by evidence  
33 that satisfies an exception to the hearsay rule, show that there  
34 is probable cause to believe that the offense charged has been  
35 committed and that there is probable cause to believe that the  
36 juvenile committed it, except:

- 37 (1) A report or copy of a report made by a physicist,  
38 chemist, firearms identification expert,  
39 fingerprint technician, or an expert or technician  
40 in some other scientific, professional, or medical  
41 field, concerning the results of an examination,  
42 comparison, or test performed in connection with  
43 the case in issue, when stated by that person in a

1 report made by the juvenile, is admissible in  
2 evidence;

3 (2) If there is no serious contest, reliable hearsay is  
4 admissible to prove value, ownership of property,  
5 possession of property in a person other than the  
6 juvenile, lack of consent of the owner, possessor,  
7 or custodian of property to the breaking or  
8 entering of premises, chain of custody, and  
9 authenticity of signatures.

10 (d) Counsel for the juvenile may waive in writing the right to  
11 the hearing and stipulate to a finding of probable cause.

12 (e) If probable cause is found and transfer to superior court  
13 is not required by G.S. 7B-2200, upon motion of the prosecutor,  
14 the juvenile's attorney, or upon its own motion, the court shall  
15 either proceed to a transfer hearing or set a date for that  
16 hearing. If the juvenile has not received notice of the  
17 intention to seek a transfer at least five days prior to the  
18 probable cause hearing, the court, at the request of the  
19 juvenile, shall continue the transfer hearing.

20 (f) If the court does not find probable cause for a felony  
21 offense, the court shall:

22 (1) Dismiss the proceeding, or

23 (2) If the court finds probable cause to believe that  
24 the juvenile committed a lesser included offense  
25 that would constitute a misdemeanor if committed by  
26 an adult, either proceed to an adjudicatory hearing  
27 or set a date for that hearing.

28 "§ 7B-2203. Transfer hearing.

29 (a) At the transfer hearing, the prosecutor and the juvenile  
30 may be heard and may offer evidence, and the juvenile's attorney  
31 may examine any court or probation records, or other records the  
32 court may consider in determining whether to transfer the case.

33 (b) In the transfer hearing, the court shall determine whether  
34 the protection of the public and the needs of the juvenile will  
35 be served by transfer of the case to superior court and shall  
36 consider the following factors:

37 (1) The age of the juvenile;

38 (2) The maturity of the juvenile;

39 (3) The intellectual functioning of the juvenile;

40 (4) The prior record of the juvenile;

41 (5) Prior attempts to rehabilitate the juvenile;

42 (6) Facilities or programs available to the court prior  
43 to the expiration of the court's jurisdiction under  
44 this Subchapter and the likelihood that the

1 juvenile would benefit from treatment or  
2 rehabilitative efforts;

3        (7) Whether the alleged offense was committed in an  
4        aggressive, violent, premeditated, or willful  
5        manner; and

6        (8) The seriousness of the offense and whether the  
7        protection of the public requires that the juvenile  
8        be prosecuted as an adult.

9     (c) Any order of transfer shall specify the reasons for  
10 transfer. When the case is transferred to superior court, the  
11 superior court has jurisdiction over that felony, any offense  
12 based on the same act or transaction or on a series of acts or  
13 transactions connected together or constituting parts of a single  
14 scheme or plan of that felony, and any greater or lesser included  
15 offense of that felony.

16 (d) If the court does not transfer the case to superior court,  
17 the court shall either proceed to an adjudicatory hearing or set  
18 a date for that hearing.

19 "§ 7B-2204. Right to pretrial release; detention.

20 Once the order of transfer has been entered, the juvenile has  
21 the right to pretrial release as provided in G.S. 15A-533 and G.S.  
22 15A-534. The release order shall specify the person or persons  
23 to whom the juvenile may be released. Pending release, the court  
24 shall order that the juvenile be detained in a detention facility  
25 while awaiting trial. The court may order the juvenile to be  
26 held in a holdover facility at any time the presence of the  
27 juvenile is required in court for pretrial hearings or trial, if  
28 the court finds that it would be inconvenient to return the  
29 juvenile to the detention facility.

30 Should the juvenile be found guilty, enter a plea of guilty or  
31 no contest to a criminal offense in superior court and receive an  
32 active sentence, then immediate transfer to the Department of  
33 Correction shall be ordered. Until such time as the juvenile is  
34 transferred to the Department of Correction, the juvenile may be  
35 detained in a holdover facility. The juvenile may not be  
36 detained in a detention facility pending transfer to the  
37 Department of Correction.

38 The juvenile may be kept by the Department of Correction as a  
39 safekeeper until the juvenile is placed in an appropriate  
40 correctional program.

41 "ARTICLE 23.

42 "Discovery.

43 "§ 7B-2300. Disclosure of evidence by petitioner.

- 1    (a) Statement of the Juvenile. -- Upon motion of a juvenile  
2 alleged to be delinquent, the court shall order the petitioner:
- 3        (1) To permit the juvenile to inspect and copy any  
4        relevant written or recorded statements within the  
5        possession, custody, or control of the petitioner  
6        made by the juvenile or any other party charged in  
7        the same action; and
- 8        (2) To divulge, in written or recorded form, the  
9        substance of any oral statement made by the  
10       juvenile or any other party charged in the same  
11       action.
- 12   (b) Names of Witnesses. -- Upon motion of the juvenile, the  
13 court shall order the petitioner to furnish the names of persons  
14 to be called as witnesses. A copy of the record of witnesses  
15 under the age of 16 shall be provided by the petitioner to the  
16 juvenile upon the juvenile's motion if accessible to the  
17 petitioner.
- 18   (c) Documents and Tangible Objects. -- Upon motion of the  
19 juvenile, the court shall order the petitioner to permit the  
20 juvenile to inspect and copy books, papers, documents,  
21 photographs, motion pictures, mechanical or electronic  
22 recordings, tangible objects, or portions thereof:
- 23        (1) Which are within the possession, custody, or  
24        control of the petitioner, the prosecutor, or any  
25        law enforcement officer conducting an investigation  
26        of the matter alleged; and
- 27        (2) Which are material to the preparation of the  
28        defense, are intended for use by the petitioner as  
29        evidence, or were obtained from or belong to the  
30        juvenile.
- 31   (d) Reports of Examinations and Tests. -- Upon motion of a  
32 juvenile, the court shall order the petitioner to permit the  
33 juvenile to inspect and copy results of physical or mental  
34 examinations or of tests, measurements, or experiments made in  
35 connection with the case, within the possession, custody, or  
36 control of the petitioner. In addition upon motion of a juvenile,  
37 the court shall order the petitioner to permit the juvenile to  
38 inspect, examine, and test, subject to appropriate safeguards,  
39 any physical evidence or a sample of it or tests or experiments  
40 made in connection with the evidence in the case if it is  
41 available to the petitioner, the prosecutor, or any law  
42 enforcement officer conducting an investigation of the matter  
43 alleged and if the petitioner intends to offer the evidence at  
44 trial.

1 (e) Except as provided in subsections (a) through (d) of this  
2 section, this Article does not require the production of reports,  
3 memoranda, or other internal documents made by the petitioner,  
4 law enforcement officers, or other persons acting on behalf of  
5 the petitioner in connection with the investigation or  
6 prosecution of the case or of statements made by witnesses or the  
7 petitioner to anyone acting on behalf of the petitioner.

8 (f) Nothing in this section prohibits a petitioner from making  
9 voluntary disclosures in the interest of justice.

10 "§ 7B-2301. Disclosure of evidence by juvenile.

11 (a) Names of Witnesses. -- Upon motion of the petitioner, the  
12 court shall order the juvenile to furnish to the petitioner the  
13 names of persons to be called as witnesses.

14 (b) Documents and Tangible Objects. -- If the court grants any  
15 relief sought by the juvenile under G.S. 7B-2300, upon motion of  
16 the petitioner, the court shall order the juvenile to permit the  
17 petitioner to inspect and copy books, papers, documents,  
18 photographs, motion pictures, mechanical or electronic  
19 recordings, tangible objects, or portions thereof which are  
20 within the possession, custody, or control of the juvenile and  
21 which the juvenile intends to introduce in evidence.

22 (c) Reports of Examinations and Tests. -- If the court grants  
23 any relief sought by the juvenile under G.S. 7B-2300, upon motion  
24 of the petitioner, the court shall order the juvenile to permit  
25 the petitioner to inspect and copy results of physical or mental  
26 examinations or of tests, measurements, or experiments made in  
27 connection with the case within the possession and control of the  
28 juvenile which the juvenile intends to introduce in evidence or  
29 which were prepared by a witness whom the juvenile intends to  
30 call if the results relate to the witness's testimony. In  
31 addition, upon motion of a petitioner, the court shall order the  
32 juvenile to permit the petitioner to inspect, examine, and test,  
33 subject to appropriate safeguards, any physical evidence or a  
34 sample of it if the juvenile intends to offer the evidence or  
35 tests or experiments made in connection with the evidence in the  
36 case.

37 "§ 7B-2302. Regulation of discovery; protective orders.

38 (a) Upon written motion of a party and a finding of good cause,  
39 the court may at any time order that discovery or inspection be  
40 denied, restricted, or deferred.

41 (b) The court may permit a party seeking relief under  
42 subsection (a) of this section to submit supporting affidavits or  
43 statements to the court for in camera inspection. If thereafter  
44 the court enters an order granting relief under subsection (a) of

1 this section, the material submitted in camera must be available  
2 to the Court of Appeals in the event of an appeal.

3 "§ 7B-2303. Continuing duty to disclose.

4 If a party, subject to compliance with an order issued pursuant  
5 to this Article, discovers additional evidence prior to or during  
6 the hearing or decides to use additional evidence, and if the  
7 evidence is or may be subject to discovery or inspection under  
8 this Article, the party shall promptly notify the other party of  
9 the existence of the additional evidence or of the name of each  
10 additional witness.

11 "ARTICLE 24.

12 "Hearing Procedures.

13 "§ 7B-2400. Amendment of petition.

14 The court may permit a petition to be amended when the  
15 amendment does not change the nature of the offense alleged. If a  
16 motion to amend is allowed, the juvenile shall be given a  
17 reasonable opportunity to prepare a defense to the amended  
18 allegations.

19 "§ 7B-2401. Determination of incapacity to proceed; evidence;  
20 temporary commitment; temporary orders.

21 The provisions of G.S. 15A-1001, 15A-1002, and 15A-1003 apply  
22 to all cases in which a juvenile is alleged to be delinquent. No  
23 juvenile committed under this section may be placed in a  
24 situation where the juvenile will come in contact with adults  
25 committed for any purpose.

26 "§ 7B-2402. Open hearings.

27 All hearings authorized or required pursuant to this Subchapter  
28 shall be open to the public unless the court closes the hearing  
29 or part of the hearing for good cause, upon motion of a party or  
30 its own motion.

31 "§ 7B-2403. Adjudicatory hearing.

32 The adjudicatory hearing shall be held within a reasonable time  
33 in the district at the time and place the chief district judge  
34 designates.

35 "§ 7B-2404. Participation of the prosecutor.

36 A prosecutor shall represent the State in contested delinquency  
37 hearings including first appearance, detention, probable cause,  
38 transfer, adjudicatory, dispositional, probation revocation,  
39 post-release supervision, and extended jurisdiction hearings.

40 "§ 7B-2405. Conduct of the adjudicatory hearing.

41 The adjudicatory hearing shall be a judicial process designed  
42 to determine whether the juvenile is undisciplined or delinquent.  
43 In the adjudicatory hearing, the court shall protect the

1 following rights of the juvenile and the juvenile's parent,  
2 guardian, or custodian to assure due process of law:

- 3       (1) The right to written notice of the facts alleged in  
4       the petition;
- 5       (2) The right to counsel;
- 6       (3) The right to confront and cross-examine witnesses;
- 7       (4) The privilege against self-incrimination;
- 8       (5) The right of discovery; and
- 9       (6) All rights afforded adult offenders except the  
10      right to bail, the right of self-representation,  
11      and the right of trial by jury.

12 "§ 7B-2406. Continuances.

13 The court for good cause may continue the hearing for as long  
14 as is reasonably required to receive additional evidence,  
15 reports, or assessments that the court has requested, or other  
16 information needed in the best interests of the juvenile and to  
17 allow for a reasonable time for the parties to conduct  
18 expeditious discovery. Otherwise, continuances shall be granted  
19 only in extraordinary circumstances when necessary for the proper  
20 administration of justice or in the best interests of the  
21 juvenile.

22 "§ 7B-2407. When admissions by juvenile may be accepted.

23 (a) The court may accept an admission from a juvenile only  
24 after first addressing the juvenile personally and:

- 25       (1) Informing the juvenile that the juvenile has a  
26       right to remain silent and that any statement the  
27       juvenile makes may be used against the juvenile;
- 28       (2) Determining that the juvenile understands the  
29       nature of the charge;
- 30       (3) Informing the juvenile that the juvenile has a  
31       right to deny the allegations;
- 32       (4) Informing the juvenile that by the juvenile's  
33       admissions the juvenile waives the juvenile's right  
34       to be confronted by the witnesses against the  
35       juvenile;
- 36       (5) Determining that the juvenile is satisfied with the  
37       juvenile's representation; and
- 38       (6) Informing the juvenile of the most restrictive  
39       disposition on the charge.

40 (b) By inquiring of the prosecutor, the juvenile's attorney,  
41 and the juvenile personally, the court shall determine whether  
42 there were any prior discussions involving admissions, whether  
43 the parties have entered into any arrangement with respect to the  
44 admissions and the terms thereof, and whether any improper

1 pressure was exerted. The court may accept an admission from a  
2 juvenile only after determining that the admission is a product  
3 of informed choice.

4 (c) The court may accept an admission only after determining  
5 that there is a factual basis for the admission. This  
6 determination may be based upon any of the following information:  
7 a statement of the facts by the prosecutor; a written statement  
8 of the juvenile; sworn testimony which may include reliable  
9 hearsay; or a statement of facts by the juvenile's attorney.

10 "§ 7B-2408. Rules of evidence.

11 If the juvenile denies the allegations of the petition, the  
12 court shall proceed in accordance with the rules of evidence  
13 applicable to criminal cases. In addition, no statement made by a  
14 juvenile to the intake counselor during the preliminary inquiry  
15 and evaluation process shall be admissible prior to the  
16 dispositional hearing.

17 "§ 7B-2409. Quantum of proof in adjudicatory hearing.

18 The allegations of a petition alleging the juvenile is  
19 delinquent shall be proved beyond a reasonable doubt. The  
20 allegations in a petition alleging undisciplined behavior shall  
21 be proved by clear and convincing evidence.

22 "§ 7B-2410. Record of proceedings.

23 All adjudicatory and dispositional hearings and hearings on  
24 probable cause and transfer to superior court shall be recorded  
25 by stenographic notes or by electronic or mechanical means.  
26 Records shall be reduced to a written transcript only when timely  
27 notice of appeal has been given. The court may order that other  
28 hearings be recorded.

29 "§ 7B-2411. Adjudication.

30 If the court finds that the allegations in the petition have  
31 been proved as provided in G.S. 7B-2409, the court shall so  
32 state. If the court finds that the allegations have not been  
33 proved, the court shall dismiss the petition with prejudice and  
34 the juvenile shall be released from secure or nonsecure custody  
35 if the juvenile is in custody.

36 "§ 7B-2412. Legal effect of adjudication of delinquency.

37 An adjudication that a juvenile is delinquent or commitment of  
38 a juvenile to a facility of the Department shall neither be  
39 considered conviction of any criminal offense nor cause the  
40 juvenile to forfeit any citizenship rights.

41 "§ 7B-2413. Predisposition investigation and report.

42 The court shall proceed to the dispositional hearing upon  
43 receipt of sufficient social, medical, psychiatric,  
44 psychological, and educational information. No predisposition

1 report shall be submitted to or considered by the court prior to  
2 the completion of the adjudicatory hearing. The court shall  
3 permit the juvenile to inspect any predisposition report to be  
4 considered by the court in making the disposition unless the  
5 court determines that disclosure would seriously harm the  
6 juvenile's treatment or rehabilitation or would violate a promise  
7 of confidentiality. Opportunity to offer evidence in rebuttal  
8 shall be afforded the juvenile and the juvenile's parent,  
9 guardian, or custodian at the dispositional hearing. The court  
10 may order counsel not to disclose parts of the report to the  
11 juvenile or the juvenile's parent, guardian, or custodian if the  
12 court finds that disclosure would seriously harm the treatment or  
13 rehabilitation of the juvenile or would violate a promise of  
14 confidentiality given to a source of information.

15 "§ 7B-2414. When jeopardy attaches.

16 Jeopardy attaches in an adjudicatory hearing when the court  
17 begins to hear evidence.

18 "ARTICLE 25.

19 "Dispositions.

20 "§ 7B-2500. Purpose.

21 The purpose of dispositions in juvenile actions is to design an  
22 appropriate plan to meet the needs of the juvenile and to achieve  
23 the objectives of the State in exercising jurisdiction, including  
24 the protection of the public. The court should develop a  
25 disposition in each case that:

- 26       (1) Promotes public safety;  
27       (2) Emphasizes accountability and responsibility of  
28       both the parent, guardian, or custodian and the  
29       juvenile for the juvenile's conduct; and  
30       (3) Provides the appropriate consequences, treatment,  
31       training, and rehabilitation to assist the juvenile  
32       toward becoming a nonoffending, responsible, and  
33       productive member of the community.

34 "§ 7B-2500.1. Dispositional hearing.

35       (a) The dispositional hearing may be informal, and the court  
36 may consider written reports or other evidence concerning the  
37 needs of the juvenile.

38       (b) The juvenile and the juvenile's parent, guardian, or  
39 custodian shall have an opportunity to present evidence, and they  
40 may advise the court concerning the disposition they believe to  
41 be in the best interests of the juvenile.

42       (c) In choosing among statutorily permissible dispositions, the  
43 court shall select the most appropriate disposition both in terms  
44 of kind and duration for the delinquent juvenile. Within the

1 guidelines set forth in G.S. 7B-2505, the court shall select a  
2 disposition that is designed to protect the public and to meet  
3 the needs and best interests of the juvenile, based upon:

- 4       (1) The seriousness of the offense;  
5       (2) The need to hold the juvenile accountable;  
6       (3) The importance of protecting the public safety;  
7       (4) The degree of culpability indicated by the  
8       circumstances of the particular case; and  
9       (5) The rehabilitative and treatment needs of the  
10       juvenile.

11       (d) The court may dismiss the case, or continue the case for no  
12 more than six months in order to allow the family an opportunity  
13 to meet the needs of the juvenile through more adequate home  
14 supervision, through placement in a private or specialized school  
15 or agency, through placement with a relative, or through some  
16 other plan approved by the court.

17 "§ 7B-2500.2. Evaluation and treatment of undisciplined and  
18 delinquent juveniles.

19       (a) In any case, the court may order that the juvenile be  
20 examined by a physician, psychiatrist, psychologist, or other  
21 qualified expert as may be needed for the court to determine the  
22 needs of the juvenile.

23       (b) Upon completion of the examination, the court shall conduct  
24 a hearing to determine whether the juvenile is in need of  
25 medical, surgical, psychiatric, psychological, or other  
26 evaluation or treatment and who should pay the cost of the  
27 evaluation or treatment. The county manager, or any other person  
28 who is designated by the chair of the board of county  
29 commissioners, of the county of the juvenile's residence shall be  
30 notified of the hearing, and allowed to be heard. If the court  
31 finds the juvenile to be in need of medical, surgical,  
32 psychiatric, psychological, or other evaluation or treatment, the  
33 court shall permit the parent, guardian, custodian, or other  
34 responsible persons to arrange for evaluation or treatment. If  
35 the parent, guardian, or custodian declines or is unable to make  
36 necessary arrangements, the court may order the needed evaluation  
37 or treatment, surgery, or care, and the court may order the  
38 parent to pay the cost of the care pursuant to Article 27 of this  
39 Chapter. If the court finds the parent is unable to pay the cost  
40 of evaluation or treatment, the court shall order the county to  
41 arrange for evaluation or treatment of the juvenile and to pay  
42 for the cost of the evaluation or treatment. The county  
43 department of social services shall recommend the facility that  
44 will provide the juvenile with evaluation or treatment.

1     (c) If the court believes, or if there is evidence presented to  
2 the effect that the juvenile is mentally ill or is  
3 developmentally disabled, the court shall refer the juvenile to  
4 the area mental health, developmental disabilities, and substance  
5 abuse services director for appropriate action. A juvenile shall  
6 not be committed directly to a State hospital or mental  
7 retardation center; and orders purporting to commit a juvenile  
8 directly to a State hospital or mental retardation center except  
9 for an examination to determine capacity to proceed shall be void  
10 and of no effect. The area mental health, developmental  
11 disabilities, and substance abuse director shall be responsible  
12 for arranging an interdisciplinary evaluation of the juvenile and  
13 mobilizing resources to meet the juvenile's needs. If  
14 institutionalization is determined to be the best service for the  
15 juvenile, admission shall be with the voluntary consent of the  
16 parent or guardian. If the parent, guardian, or custodian refuses  
17 to consent to a mental hospital or retardation center admission  
18 after such institutionalization is recommended by the area mental  
19 health, developmental disabilities, and substance abuse director,  
20 the signature and consent of the court may be substituted for  
21 that purpose. In all cases in which a regional mental hospital  
22 refuses admission to a juvenile referred for admission by the  
23 court and an area mental health, developmental disabilities, and  
24 substance abuse director or discharges a juvenile previously  
25 admitted on court referral prior to completion of the juvenile's  
26 treatment, the hospital shall submit to the court a written  
27 report setting out the reasons for denial of admission or  
28 discharge and setting out the juvenile's diagnosis, indications  
29 of mental illness, indications of need for treatment, and a  
30 statement as to the location of any facility known to have a  
31 treatment program for the juvenile in question.

32 "§ 7B-2501. Dispositional alternatives for undisciplined  
33 juveniles.

34 The following alternatives for disposition shall be available  
35 to the court exercising jurisdiction over a juvenile who has been  
36 adjudicated undisciplined. The court may combine any of the  
37 applicable alternatives when the court finds it to be in the best  
38 interests of the juvenile:

39         (1) In the case of any juvenile who needs more adequate  
40         care or supervision or who needs placement, the  
41         judge may:

42             a. Require that the juvenile be supervised in the  
43             juvenile's own home by a department of social  
44             services in the juvenile's county of

1                    residence, a court counselor, or other  
2                    personnel as may be available to the court,  
3                    subject to conditions applicable to the  
4                    parent, guardian, or custodian or the juvenile  
5                    as the judge may specify; or  
6                    b. Place the juvenile in the custody of a parent,  
7                    guardian, custodian, relative, private agency  
8                    offering placement services, or some other  
9                    suitable person; or  
10                   c. Place the juvenile in the custody of a  
11                   department of social services in the county of  
12                   the juvenile's residence, or in the case of a  
13                   juvenile who has legal residence outside the  
14                   State, in the physical custody of a department  
15                   of social services in the county where the  
16                   juvenile is found so that agency may return  
17                   the juvenile to the responsible authorities in  
18                   the juvenile's home state. The director may,  
19                   unless otherwise ordered by the judge, arrange  
20                   for, provide, or consent to, needed routine or  
21                   emergency medical or surgical care or  
22                   treatment. In the case where the parent is  
23                   unknown, unavailable, or unable to act on  
24                   behalf of the child or children, the director  
25                   may, unless otherwise ordered by the judge,  
26                   arrange for, provide or consent to any  
27                   psychiatric, psychological, educational, or  
28                   other remedial evaluations or treatment for  
29                   the juvenile placed by a judge or the judge's  
30                   designee in the custody or physical custody of  
31                   a county department of social services under  
32                   the authority of this or any other Chapter of  
33                   the General Statutes. Prior to exercising this  
34                   authority, the director shall make reasonable  
35                   efforts to obtain consent from a parent or  
36                   guardian of the affected child. If the  
37                   director cannot obtain consent, the director  
38                   shall promptly notify the parent or guardian  
39                   that care or treatment has been provided and  
40                   shall give the parent or guardian frequent  
41                   status reports on the circumstances of the  
42                   child. Upon request of a parent or guardian of  
43                   the affected child, the results or records of  
44                   the aforementioned evaluations, findings, or

- 1                    treatment shall be made available to the  
2                    parent or guardian by the director unless  
3                    prohibited by G.S. 122C-53(d).
- 4            (2) Place the juvenile under the protective supervision  
5                    of a court counselor for no more than one year.
- 6            (3) Excuse the juvenile from compliance with the  
7                    compulsory school attendance law when the court  
8                    finds that suitable alternative plans can be  
9                    arranged by the family through other community  
10                   resources for one of the following: an education  
11                   related to the needs or abilities of the juvenile  
12                   including vocational education or special  
13                   education; a suitable plan of supervision or  
14                   placement; or some other plan that the court finds  
15                   to be in the best interests of the juvenile.
- 16 "§ 7B-2502. Conditions of protective supervision for  
17 undisciplined juveniles.
- 18        The court may place a juvenile on protective supervision  
19 pursuant to G.S. 7B-2501 so that the court counselor may (i)  
20 assist the juvenile in securing social, medical, and educational  
21 services and (ii) visit and work with the family as a unit to  
22 ensure the juvenile is provided proper supervision and care. The  
23 court may impose any combination of the following conditions of  
24 protective supervision that are related to the needs of the  
25 juvenile, including:
- 26            (1) That the juvenile shall remain on good behavior and  
27                   not violate any laws;
- 28            (2) That the juvenile attend school regularly;
- 29            (3) That the juvenile maintain passing grades in up to  
30                   four courses during each grading period and meet  
31                   with the court counselor and a representative of  
32                   the school to make a plan for how to maintain those  
33                   passing grades;
- 34            (4) That the juvenile not associate with specified  
35                   persons or be in specified places;
- 36            (5) That the juvenile abide by a prescribed curfew;
- 37            (6) That the juvenile report to a court counselor as  
38                   often as required by a court counselor;
- 39            (7) That the juvenile be employed regularly if not  
40                   attending school; and
- 41            (8) That the juvenile satisfy any other conditions  
42                   determined appropriate by the court.
- 43 "§ 7B-2503. Contempt of court for undisciplined juveniles.

1 Upon motion of the court counselor or on the court's own  
2 motion, the court may issue an order directing a juvenile who has  
3 been adjudicated undisciplined to appear and show cause why the  
4 juvenile should not be held in contempt for willfully failing to  
5 comply with an order of the court. The first time the juvenile  
6 is held in contempt, the court may order the juvenile confined in  
7 an approved detention facility for a period not to exceed 24  
8 hours. The second time the juvenile is held in contempt, the  
9 court may order the juvenile confined in an approved detention  
10 facility for a period not to exceed three days. The third time  
11 and all subsequent times the juvenile is held in contempt, the  
12 court may order the juvenile confined in an approved detention  
13 facility for a period not to exceed five days.

14 "§ 7B-2504. Dispositional alternatives for delinquent juveniles.

15 The court exercising jurisdiction over a juvenile who has been  
16 adjudicated delinquent may use the following alternatives in  
17 accordance with the dispositional structure set forth in G.S. 7B-  
18 2505:

19 (1) In the case of any juvenile who needs more adequate  
20 care or supervision or who needs placement, the  
21 judge may:

22 a. Require that a juvenile be supervised in the  
23 juvenile's own home by the department of  
24 social services in the juvenile's county, a  
25 court counselor, or other personnel as may be  
26 available to the court, subject to conditions  
27 applicable to the parent, guardian, or  
28 custodian or the juvenile as the judge may  
29 specify; or

30 b. Place the juvenile in the custody of a parent,  
31 guardian, custodian, relative, private agency  
32 offering placement services, or some other  
33 suitable person; or

34 c. Place the juvenile in the custody of the  
35 department of social services in the county of  
36 his residence, or in the case of a juvenile  
37 who has legal residence outside the State, in  
38 the physical custody of a department of social  
39 services in the county where the juvenile is  
40 found so that agency may return the juvenile  
41 to the responsible authorities in the  
42 juvenile's home state. The director may,  
43 unless otherwise ordered by the judge, arrange  
44 for, provide, or consent to, needed routine or

1                   emergency medical or surgical care or  
2                   treatment. In the case where the parent is  
3                   unknown, unavailable, or unable to act on  
4                   behalf of the child or children, the director  
5                   may, unless otherwise ordered by the judge,  
6                   arrange for, provide, or consent to any  
7                   psychiatric, psychological, educational, or  
8                   other remedial evaluations or treatment for  
9                   the juvenile placed by a judge or his designee  
10                  in the custody or physical custody of a county  
11                  department of social services under the  
12                  authority of this or any other Chapter of the  
13                  General Statutes. Prior to exercising this  
14                  authority, the director shall make reasonable  
15                  efforts to obtain consent from a parent or  
16                  guardian of the affected child. If the  
17                  director cannot obtain such consent, the  
18                  director shall promptly notify the parent or  
19                  guardian that care or treatment has been  
20                  provided and shall give the parent or guardian  
21                  frequent status reports on the circumstances  
22                  of the child. Upon request of a parent or  
23                  guardian of the affected child, the results or  
24                  records of the aforementioned evaluations,  
25                  findings, or treatment shall be made available  
26                  to such parent or guardian by the director  
27                  unless prohibited by G.S. 122C-53(d).

28                  (2) Excuse the juvenile from compliance with the  
29                  compulsory school attendance law when the court  
30                  finds that suitable alternative plans can be  
31                  arranged by the family through other community  
32                  resources for one of the following: an education  
33                  related to the needs or abilities of the juvenile  
34                  including vocational education or special  
35                  education; a suitable plan of supervision or  
36                  placement; or some other plan that the court finds  
37                  to be in the best interests of the juvenile.

38                  (3) Order the juvenile to cooperate with a community-  
39                  based program, an intensive substance abuse  
40                  treatment program, or a residential or  
41                  nonresidential treatment program. Participation in  
42                  the programs shall not exceed 12 months.

43                  (4) Require restitution, full or partial, up to five  
44                  hundred dollars (\$500.00), payable within a 12-

- 1 month period to any person who has suffered loss or  
2 damage as a result of the offense committed by the  
3 juvenile. The court may determine the amount,  
4 terms, and conditions of the restitution. If the  
5 juvenile participated with another person or  
6 persons, all participants should be jointly and  
7 severally responsible for the payment of  
8 restitution; however, the court shall not require  
9 the juvenile to make restitution if the juvenile  
10 satisfies the court that the juvenile does not  
11 have, and could not reasonably acquire, the means  
12 to make restitution.
- 13 (5) Impose a fine related to the seriousness of the  
14 juvenile's offense. If the juvenile has the ability  
15 to pay the fine, it shall not exceed the maximum  
16 fine for the offense if committed by an adult.
- 17 (6) Order the juvenile to perform up to 100 hours  
18 supervised community service consistent with the  
19 juvenile's age, skill, and ability, specifying the  
20 nature of the work and the number of hours  
21 required. The work shall be related to the  
22 seriousness of the juvenile's offense and in no  
23 event may the obligation to work exceed 12 months.
- 24 (7) Order the juvenile to participate in the victim-  
25 offender reconciliation program.
- 26 (8) Place the juvenile on probation under the  
27 supervision of a court counselor, as specified in  
28 G.S. 7B-2506.
- 29 (9) Order that the juvenile shall not be licensed to  
30 operate a motor vehicle in the State of North  
31 Carolina for as long as the court retains  
32 jurisdiction over the juvenile or for any shorter  
33 period of time and notify the Division of Motor  
34 Vehicles of that order.
- 35 (10) Impose a curfew upon the juvenile.
- 36 (11) Order the juvenile to cooperate with placement in a  
37 residential treatment facility, an intensive  
38 nonresidential treatment program, an intensive  
39 substance abuse program, or in a group home other  
40 than a multipurpose group home operated by a State  
41 agency.
- 42 (12) Order the juvenile to cooperate with placement in a  
43 wilderness program.

- 1           (13) Impose confinement on an intermittent basis in an  
2           approved detention facility. Confinement shall be  
3           limited to not more than five 24-hour periods, the  
4           timing of which is determined by the court in its  
5           discretion.
- 6           (14) Place the juvenile on intensive probation under the  
7           supervision of a court counselor.
- 8           (15) Order the juvenile to cooperate with a supervised  
9           day program requiring the juvenile to be present at  
10          a specified place for all or part of every day or  
11          of certain days. The court also may require the  
12          juvenile to comply with any other reasonable  
13          conditions specified in the dispositional order  
14          that are designed to facilitate supervision.
- 15          (16) Order the juvenile to participate in a regimented  
16          training program.
- 17          (17) Order the juvenile to submit to house arrest.
- 18          (18) Suspend imposition of a more severe, statutorily  
19          permissible disposition with the provision that the  
20          juvenile meet certain conditions agreed to by the  
21          juvenile and specified in the dispositional order.  
22          The conditions shall not exceed the allowable  
23          dispositions for the level under which disposition  
24          is being imposed.
- 25          (19) Order that the juvenile be confined in a secure  
26          juvenile detention facility for a term of up to 14  
27          24-hour periods, which confinement shall not be  
28          imposed consecutively with intermittent confinement  
29          pursuant to subdivision (13) of this section at the  
30          same dispositional hearing.
- 31          (20) Order the residential placement of a juvenile in a  
32          multipurpose group home operated by a State agency.
- 33          (21) Commit the juvenile to a facility of the Department  
34          in accordance with G.S. 7B-2509 for a period of not  
35          less than six months.
- 36          (22) Require restitution of more than five hundred  
37          dollars (\$500.00), full or partial, payable within  
38          a 12 month period to any person who has suffered  
39          loss or damage as a result of an offense committed  
40          by the juvenile. The court may determine the  
41          amount, terms, and conditions of restitution. If  
42          the juvenile participated with another person or  
43          persons, all participants should be jointly and

- 1                    severally responsible for the payment of the  
2                    restitution.
- 3            (23) Order the juvenile to perform supervised community  
4                    service of not less than 100 hours and not more  
5                    than 200 hours, consistent with the juvenile's age,  
6                    skill, and ability, specifying the nature of work  
7                    and the number of hours required. The work shall  
8                    be related to the seriousness of the juvenile's  
9                    offense.
- 10 "§ 7B-2504.1. Delinquency history levels.
- 11        (a) Generally. -- The delinquency history level for a  
12 delinquent juvenile is determined by calculating the sum of the  
13 points assigned to each of the juvenile's prior adjudications and  
14 to the juvenile's probation status, if any, that the court finds  
15 to have been proved in accordance with this section.
- 16        (b) Points. -- Points are assigned as follows:
- 17            (1) For each prior adjudication of a Class A through E  
18                    felony offense, 4 points.
- 19            (2) For each prior adjudication of a Class F through I  
20                    felony offense or Class A1 misdemeanor offense, 2  
21                    points.
- 22            (3) For each prior adjudication of a Class 1, 2, or 3  
23                    misdemeanor offense, 1 point.
- 24            (4) If the juvenile was on probation at the time of  
25                    offense, 2 points.
- 26        (c) Delinquency History Levels. -- The delinquency history  
27 levels are:
- 28            (1) Low -- No more than 1 point.
- 29            (2) Medium -- At least 2, but not more than 3 points.
- 30            (3) High -- At least 4 points.
- 31        In determining the delinquency history level, the  
32 classification of a prior offense is the classification assigned  
33 to that offense at the time the juvenile committed the offense  
34 for which disposition is being ordered.
- 35        (d) Multiple Prior Adjudications Obtained in One Court  
36 Session. -- For purposes of determining the delinquency history  
37 level, if a juvenile is adjudicated delinquent for more than one  
38 offense in a single session of district court, only the  
39 adjudication for the offense with the highest point total is  
40 used.
- 41        (e) Classification of Prior Adjudications From Other  
42 Jurisdictions. -- Except as otherwise provided in this  
43 subsection, an adjudication occurring in a jurisdiction other  
44 than North Carolina is classified as a Class I felony if the

1 jurisdiction in which the offense occurred classifies the offense  
2 as a felony, or is classified as a Class 3 misdemeanor if the  
3 jurisdiction in which the offense occurred classifies the offense  
4 as a misdemeanor. If the juvenile proves by the preponderance of  
5 the evidence that an offense classified as a felony in the other  
6 jurisdiction is substantially similar to an offense that is a  
7 misdemeanor in North Carolina, the conviction is treated as that  
8 class of misdemeanor for assigning delinquency history level  
9 points. If the State proves by the preponderance of the evidence  
10 that an offense classified as either a misdemeanor or a felony in  
11 the other jurisdiction is substantially similar to an offense in  
12 North Carolina that is classified as a Class I felony or higher,  
13 the conviction is treated as that class of felony for assigning  
14 delinquency history level points. If the State proves by the  
15 preponderance of the evidence that an offense classified as a  
16 misdemeanor in the other jurisdiction is substantially similar to  
17 an offense classified as a Class A1 misdemeanor in North  
18 Carolina, the adjudication is treated as a Class A1 misdemeanor  
19 for assigning delinquency history level points.

20 (f) Proof of Prior Adjudications. -- A prior adjudication  
21 shall be proved by any of the following methods:

- 22 (1) Stipulation of the parties.
- 23 (2) An original or copy of the court record of the  
24 prior adjudication.
- 25 (3) A copy of records maintained by the Division of  
26 Criminal Information or by the Department.
- 27 (4) Any other method found by the court to be reliable.

28 The State bears the burden of proving, by a preponderance of  
29 the evidence, that a prior adjudication exists and that the  
30 juvenile before the court is the same person as the juvenile  
31 named in the prior adjudication. The original or a copy of the  
32 court records or a copy of the records maintained by the Division  
33 of Criminal Information or of the Department, bearing the same  
34 name as that by which the juvenile is charged, is prima facie  
35 evidence that the juvenile named is the same person as the  
36 juvenile before the court, and that the facts set out in the  
37 record are true. For purposes of this subsection, 'a copy'  
38 includes a paper writing containing a reproduction of a record  
39 maintained electronically on a computer or other data processing  
40 equipment, and a document produced by a facsimile machine. The  
41 prosecutor shall make all feasible efforts to obtain and present  
42 to the court the juvenile's full record. Evidence presented by  
43 either party at trial may be utilized to prove prior  
44 adjudications. If asked by the juvenile, the prosecutor shall

1 furnish the juvenile's prior adjudications to the juvenile within  
2 a reasonable time sufficient to allow the juvenile to determine  
3 if the record available to the prosecutor is accurate.

4 "§ 7B-2505. Dispositional limits for each class of offense and  
5 delinquency history level.

6 (a) Offense Classification. -- The offense classifications are  
7 as follows:

8 (1) Violent -- adjudication of a Class A through E  
9 felony offense;

10 (2) Serious -- adjudication of a Class F through I  
11 felony offense or a Class A1 misdemeanor;

12 (3) Minor -- adjudication of a Class 1, 2, or 3  
13 misdemeanor.

14 (b) Delinquency History Levels. -- A delinquency history level  
15 shall be determined for each delinquent juvenile as provided in  
16 G.S. 7B-2504.1.

17 (c) Level 1 -- Community Disposition. -- A court exercising  
18 jurisdiction over a juvenile who has been adjudicated delinquent  
19 and for whom the dispositional chart in subsection (f) of this  
20 section prescribes a Level 1 disposition may provide for  
21 evaluation and treatment under G.S. 7B-2500.2 and for any of the  
22 dispositional alternatives contained in subdivisions (1) through  
23 (13) of G.S. 7B-2504. In determining which dispositional  
24 alternative is appropriate, the court shall consider the needs of  
25 the juvenile, the appropriate community resources available to  
26 meet those needs, and the protection of the public.

27 (d) Level 2 -- Intermediate Disposition. -- A court exercising  
28 jurisdiction over a juvenile who has been adjudicated delinquent  
29 and for whom the dispositional chart in subsection (f) of this  
30 section prescribes a Level 2 disposition may provide for  
31 evaluation and treatment under G.S. 7B-2500.2 and for any of the  
32 dispositional alternatives contained in subdivisions (1) through  
33 (20) of G.S. 7B-2504, but shall provide for at least one of the  
34 intermediate dispositions authorized in subdivisions (11), (12)  
35 and (14) through (23) of G.S. 7B-2504. In determining which  
36 dispositional alternative is appropriate, the court shall  
37 consider the needs of the juvenile, the appropriate community  
38 resources available to meet those needs, and the protection of  
39 the public.

40 (e) Level 3 -- Commitment. -- A court exercising jurisdiction  
41 over a juvenile who has been adjudicated delinquent and for whom  
42 the dispositional chart in subsection (f) of this section  
43 prescribes a Level 3 disposition shall commit the juvenile to a  
44 facility of the Department in accordance with G.S. 7B-2504(21).

1 However, a court may impose a Level 2 disposition rather than a  
 2 Level 3 disposition if the court submits written findings on the  
 3 record that substantiate extraordinary needs on the part of the  
 4 offending juvenile.

5 (f) Dispositions for Each Class of Offense and Delinquency  
 6 History Level; Disposition Chart Described. -- The authorized  
 7 disposition for each class of offense and delinquency history  
 8 level is as specified in the chart below. Delinquency history  
 9 levels are indicated horizontally on the top of the chart.  
 10 Classes of offense are indicated vertically on the left side of  
 11 the chart. Each cell on the chart indicates which of the  
 12 dispositional levels described in subsections (c) through (e) of  
 13 this section are prescribed for that combination of offense  
 14 classification and delinquency history level:

<u>DELINQUENCY HISTORY</u>			
<u>OFFENSE</u>	<u>LOW</u>	<u>MEDIUM</u>	<u>HIGH</u>
<u>VIOLENT</u>	<u>Level 2 or 3</u>	<u>Level 3</u>	<u>Level 3</u>
<u>SERIOUS</u>	<u>Level 1 or 2</u>	<u>Level 2</u>	<u>Level 2 or 3</u>
<u>MINOR</u>	<u>Level 1</u>	<u>Level 1 or 2</u>	<u>Level 2.</u>

25 (g) A juvenile who has been adjudicated for a minor offense  
 26 shall not be committed to a Level 3 disposition unless the  
 27 juvenile has been adjudicated of four or more prior minor offenses  
 28 of which each adjudication occurred during a different session of  
 29 juvenile court.

30 (h) If a juvenile is adjudicated of more than one offense, the  
 31 court shall consolidate the offenses for disposition and impose a  
 32 single disposition for the consolidated offenses. The  
 33 disposition shall be specified for the class of offense and  
 34 delinquency history level of the most serious offense.

35 "§ 7B-2506. Conditions of probation; violation of probation.

36 (a) In any case where a juvenile is placed on probation  
 37 pursuant to G.S. 7B-2504(8), the court counselor shall have the  
 38 authority to visit the juvenile where the juvenile resides. The  
 39 court may impose conditions of probation that are related to the  
 40 needs of the juvenile and that are reasonably necessary to ensure  
 41 that the juvenile will lead a law-abiding life, including:

- 42 (1) That the juvenile shall remain on good behavior and
- 43 not violate any laws.
- 44 (2) That the juvenile attend school regularly.

- 1           (3) That the juvenile maintain passing grades in up to  
2           four courses during each grading period and meet  
3           with the court counselor and a representative of  
4           the school to make a plan for how to maintain those  
5           passing grades.  
6           (4) That the juvenile not associate with specified  
7           persons or be in specified places.  
8           (5) That the juvenile:  
9           a. Remain free of any controlled substance  
10           included in any schedule of Article 5 of  
11           Chapter 90 of the General Statutes, the  
12           Controlled Substances Act;  
13           b. Remain free of any alcoholic beverage  
14           regulated under Chapter 18B of the General  
15           Statutes; and  
16           c. Submit to random drug testing.  
17           (6) That the juvenile abide by a prescribed curfew.  
18           (7) That the juvenile submit to a warrantless search at  
19           reasonable times.  
20           (8) That the juvenile possess no firearm, explosive  
21           device, or other deadly weapon.  
22           (9) That the juvenile report to a court counselor as  
23           often as required by a court counselor.  
24           (10) That the juvenile make specified financial  
25           restitution or pay a fine in accordance with G.S.  
26           7B-2504(4) and (5).  
27           (11) That the juvenile be employed regularly if not  
28           attending school.  
29           (12) That the juvenile satisfy any other conditions  
30           determined appropriate by the court.  
31           (b) In addition to the regular conditions of probation  
32           specified in subsection (a) of this section, the court may order  
33           the juvenile to comply, if directed to comply by the chief court  
34           counselor, with one or more of the following conditions:  
35           (1) Perform up to 20 hours of community service;  
36           (2) Submit to substance abuse monitoring and treatment;  
37           (3) Cooperate with electronic monitoring;  
38           (4) Cooperate with intensive supervision; and  
39           (5) Participate in a life skills or an educational  
40           skills program administered by the Department.  
41           However, in no event shall the court counselor direct a juvenile  
42           who is a level one offender to comply with electronic monitoring  
43           or intensive supervision.

(c) An order of probation shall remain in force for a period not to exceed one year from the date entered. Prior to expiration of an order of probation, the court may extend it for an additional period of one year after a hearing if the court finds that the extension is necessary to protect the community or to safeguard the welfare of the juvenile.

(d) If the juvenile violates the conditions of probation set by the court, the court may elect to continue the original conditions of probation, modify the conditions of probation, or, except as provided in subsection (e) of this section, order a new disposition at the next higher level on the disposition chart in G.S. 7B-2505. In the court's discretion, part of the new disposition may include an order of confinement in a secure juvenile detention facility for up to twice the term authorized by G.S. 7B-2505.

(e) A court shall not order a Level 3 disposition for a violation of the conditions of probation by a juvenile adjudicated delinquent for an offense classified as minor under G.S. 7B-2505.

"§ 7B-2507. Probation review.

The court may review the progress of any juvenile on probation at any time during the period of probation or at the end of probation. Except as provided in G.S. 7B-2506, the conditions or duration of probation may be modified only as provided in this Subchapter and only after there is notice and a hearing. If a juvenile violates the conditions of probation, the juvenile and the juvenile's parent, guardian, or custodian after notice may be required to appear before the court and the court may make any disposition of the matter authorized by this Subchapter. At the end of or at any time during probation, the court may terminate probation by written order upon finding that there is no further need for supervision. The finding and order terminating probation may be entered in chambers in the absence of the juvenile and may be based on a report from the court counselor or, at the election of the court, the order may be entered with the juvenile present after notice and a hearing.

"§ 7B-2508. Dispositional order.

The dispositional order shall be in writing and shall contain appropriate findings of fact and conclusions of law. The court shall state with particularity, both orally and in the written order of disposition, the precise terms of the disposition including the kind, duration, and the person who is responsible for carrying out the disposition and the person or agency in whom custody is vested.

1 "§ 7B-2509. Commitment of delinquent juvenile to Department.

2 (a) Pursuant to G.S. 7B-2504 and G.S. 7B-2505, the court may  
3 commit a delinquent juvenile who is at least 10 years of age to a  
4 facility of the Department for placement in one of the  
5 residential facilities operated by the Department. Commitment  
6 shall be for an indefinite term of at least six months. In no  
7 event shall the term exceed the nineteenth birthday of the  
8 juvenile.

9 (b) The court may commit a juvenile to a definite term of not  
10 more than two years if the court finds that the juvenile is 14  
11 years of age or older, has been previously adjudicated delinquent  
12 for two or more felony offenses, and has been previously  
13 committed to a residential facility operated by the Department.

14 (c) The chief court counselor shall have the responsibility  
15 for transporting the juvenile to the residential facility  
16 designated by the Department. The juvenile shall be accompanied  
17 to the residential facility by a person of the same sex.

18 (d) The chief court counselor shall ensure that the records  
19 requested by the Secretary or the Secretary's designee accompany  
20 the juvenile upon transportation for admittance to a training  
21 school or, if not obtainable at the time of admission, are sent  
22 to the training school within 15 days of the admission. If  
23 records requested by the Department for admission do not exist,  
24 to the best knowledge of the chief court counselor, the chief  
25 court counselor shall so stipulate in writing to the training  
26 school. If such records do exist, but the chief court counselor  
27 is unable to obtain copies of them, a district court may order  
28 that the records from public agencies be made available to the  
29 training school. Records that are confidential by law shall  
30 remain confidential and the Department shall be bound by the  
31 specific laws governing the confidentiality of these records. All  
32 records shall be used in a manner consistent with the best  
33 interests of the juvenile.

34 (e) A commitment order accompanied by information requested  
35 by the Secretary shall be forwarded to the Department. The  
36 Secretary shall place the juvenile in the residential facility  
37 that would best provide for the juvenile's needs and shall notify  
38 the committing court. The Secretary may assign a juvenile  
39 committed for delinquency to any institution or other program of  
40 the Department or licensed by the Department, which program is  
41 appropriate to the needs of the juvenile.

42 (f) When the court commits a juvenile to a facility of the  
43 Department, the Secretary shall prepare a plan for care or  
44 treatment within 30 days after assuming custody of the juvenile.

1     (g) Commitment of a juvenile to a facility of the Department  
2 does not terminate the court's continuing jurisdiction over the  
3 juvenile and the juvenile's parent, guardian, or custodian.  
4 Commitment of a juvenile to a facility of the Department  
5 transfers only physical custody of the juvenile. Legal custody  
6 remains with the parent, guardian, custodian, agency, or  
7 institution in whom it was vested.

8     (h) Pending placement of a juvenile with the Department, the  
9 court may house a juvenile who has been adjudicated delinquent  
10 for an offense that would be a Class A, B1, B2, C, D, or E felony  
11 if committed by an adult in a holdover facility up to 72 hours if  
12 the court, based on the information provided by the court  
13 counselor, determines that no acceptable alternative placement is  
14 available and the protection of the public requires that the  
15 juvenile be housed in a holdover facility.

16 "§ 7B-2510. Post-release supervision planning; release.

17     (a) The Secretary shall be responsible for evaluation of the  
18 progress of each juvenile at least once every six months as long  
19 as the juvenile remains in the care of the Department. If the  
20 Secretary determines that a juvenile is ready for release, the  
21 Secretary shall initiate a post-release supervision planning  
22 process. The post-release supervision planning process shall be  
23 defined by rules and regulations of the Department, but shall  
24 include the following:

25         (1) Written notification shall be given to the court  
26         that ordered commitment.

27         (2) A post-release supervision planning conference  
28         shall be held involving as many as possible of the  
29         following: the juvenile, the juvenile's parent,  
30         guardian, or custodian, court counselors who have  
31         supervised the juvenile on probation or will  
32         supervise the juvenile on post-release supervision,  
33         and staff of the facility that found the juvenile  
34         ready for release. The planning conference shall  
35         include personal contact and evaluation rather than  
36         telephonic notification.

37         (3) The planning conference participants shall  
38         consider, based on the individual needs of the  
39         juvenile and pursuant to rules adopted by the  
40         Department, placement of the juvenile in any  
41         program under the auspices of the Department,  
42         including the Community-Based Alternatives  
43         programs, that, in the judgment of the Department,

1                   may serve as a transitional placement, pending  
2                   release under G.S. 7B-2512.

3       (b) The Department shall develop the plan in writing and base  
4 the terms on the needs of the juvenile and the protection of the  
5 public. Every plan shall require the juvenile to complete at  
6 least 90 days of post-release supervision.

7       (c) The Department shall release a juvenile under a plan of  
8 post-release supervision at least 90 days prior to the later of:

9                   (1) Completion of the juvenile's definite term of  
10                   commitment; or

11                   (2) If the juvenile is committed for an indefinite  
12 term, either on the juvenile's eighteenth birthday  
13 if no motion for extended jurisdiction has been  
14 filed pursuant to G.S. 7B-2513 or on the juvenile's  
15 nineteenth birthday.

16       (d) Notwithstanding Articles 30 and 31 of Subchapter III of  
17 this Chapter, before the court releases a juvenile who is serving  
18 a commitment for a Class A or B1 felony to post-release  
19 supervision, the Department shall notify, at least 45 days in  
20 advance of the scheduled release date, by first-class mail at the  
21 last known address:

22                   (1) The juvenile;

23                   (2) The juvenile's parent, guardian, or custodian;

24                   (3) The district attorney of the district where the  
25 juvenile was adjudicated;

26                   (4) The head law enforcement agency that took the  
27 juvenile into custody; and

28                   (5) The victim and any of the victim's immediate family  
29 members who have requested in writing to be  
30 notified.

31       The notification shall include only the juvenile's name,  
32 offense, date of commitment, and date of consideration for  
33 release. A copy of the notice shall be placed in the juvenile's  
34 file.

35       (e) The Department may release a juvenile under an indefinite  
36 commitment to post-release supervision only after the juvenile  
37 has been committed to a facility of the Department for a period  
38 of at least six months.

39       (f) A juvenile committed to a facility of the Department for a  
40 definite term shall receive credit toward that term for the time  
41 the juvenile spends on post-release supervision.

42       "§ 7B-2511. Revocation of post-release supervision.

43       If a juvenile fails to complete the terms of post-release  
44 supervision, the court counselor providing post-release

1 supervision may make a motion for review in the court in the  
2 district where the juvenile has been residing during post-release  
3 supervision. The court shall hold a hearing to determine whether  
4 there has been a violation. With respect to any hearing pursuant  
5 to this section, the juvenile:

- 6       (1) Shall have reasonable notice in writing of the  
7       nature and content of the allegations in the  
8       motion, including notice that the purpose of the  
9       hearing is to determine whether the juvenile has  
10       violated the terms of post-release supervision to  
11       the extent that post-release supervision should be  
12       revoked;  
13       (2) Shall be represented by an attorney at the hearing;  
14       (3) Shall have the right to confront and cross-examine  
15       any persons who have made allegations against the  
16       juvenile; and  
17       (4) May admit, deny, or explain the violation alleged  
18       and may present proof, including affidavits or  
19       other evidence, in support of the juvenile's  
20       contentions. A record of the proceeding shall be  
21       made and preserved in the juvenile's record.

22 If the court determines that the juvenile has violated the  
23 terms of post-release supervision, the court may revoke the post-  
24 release supervision or make any other disposition authorized by  
25 this Subchapter.

26 If the court revokes the post-release supervision, the chief  
27 court counselor shall have the responsibility for returning the  
28 juvenile to the facility specified by the Department. If the  
29 court revokes a post-release supervision, the juvenile shall be  
30 returned to a facility of the Department for an indefinite term  
31 of at least six months, provided however, that no juvenile shall  
32 remain committed to a Department facility past the juvenile's  
33 eighteenth birthday, or the juvenile's nineteenth birthday if  
34 jurisdiction has been extended pursuant to G.S. 7B-2513.

35 "§ 7B-2512. Final discharge.

36       (a) The Department shall release a juvenile only after the  
37 juvenile completes post-release supervision or when the juvenile  
38 is released to the Department of Correction pursuant to G.S. 15A-  
39 1340.16B.

40       (b) Notwithstanding the provisions of this section, in no  
41 event shall a juvenile remain committed to a facility of the  
42 Department after the juvenile's eighteenth birthday except  
43 pursuant to G.S. 7B-2513.

1 "§ 7B-2513. Extended jurisdiction under certain circumstances;  
2 review hearing.

3 (a) By order of the court, juvenile court jurisdiction over a  
4 juvenile may be extended past the age of 18 years until the  
5 juvenile reaches the age of 19, if the juvenile is committed to a  
6 juvenile facility for an offense that would be a Class A-E felony  
7 if committed by an adult and the juvenile is within 45 days of  
8 the juvenile's eighteenth birthday. The provisions of this  
9 Subchapter shall apply to any person under the jurisdiction of  
10 the juvenile court pursuant to this section, regardless of  
11 whether the term 'person' or 'juvenile' is used in the provision.

12 (b) When the chief court counselor, or the Department if the  
13 juvenile is committed to a facility of the Department, determines  
14 a juvenile should remain under the jurisdiction of the court for  
15 a period of time after the age of 18 years, the chief court  
16 counselor or Department shall file a motion for a review hearing  
17 in the judicial district where the juvenile was adjudicated.  
18 This motion shall be filed at least 180 days prior to the  
19 eighteenth birthday of the juvenile. The chief court counselor or  
20 Department shall notify the juvenile, the juvenile's attorney,  
21 and the juvenile's parent, guardian, or custodian in writing of  
22 the date and time of the scheduled hearing at least 10 days prior  
23 to the scheduled hearing date.

24 (c) Within 30 days after the motion is filed, the court shall  
25 conduct a review hearing to determine whether the juvenile shall  
26 remain under the jurisdiction of the court. The court counselor  
27 and the prosecutor shall attend the hearing and, if the court  
28 requests, present testimony or evidence as to whether the  
29 juvenile continues to be in need of and can benefit from further  
30 treatment or services.

31 (d) In determining whether to order that the juvenile remain  
32 under the jurisdiction of the court, the court shall consider:

33 (1) The recommendation of the chief court counselor or  
34 the Secretary based on the juvenile's progress;

35 (2) The likelihood that continued jurisdiction will  
36 lead to further rehabilitation; and

37 (3) The protection of the public.

38 (e) If the court orders the juvenile remain under the  
39 jurisdiction of the court and the juvenile is committed to a  
40 facility of the Department, commitment shall be for a definite  
41 term or an indefinite term not to exceed the nineteenth birthday  
42 of the person.

43 (f) The Secretary shall modify the plan for care or treatment  
44 of the juvenile prepared pursuant to G.S. 7B-2509.

1 "§ 7B-2514. Transfer authority of Governor.

2 The Governor may order transfer of any person less than 18  
3 years of age from any jail or penal facility of the State to one  
4 of the residential facilities operated by the Department in  
5 appropriate circumstances, provided the Governor shall consult  
6 with the Department concerning the feasibility of the transfer in  
7 terms of available space, staff, and suitability of program.

8 When an inmate, committed to the Department of Correction, is  
9 transferred by the Governor to a residential program operated by  
10 the Department, the Department may release the juvenile based on  
11 the needs of the juvenile and the best interests of the State.  
12 Transfer shall not divest the probation or parole officer of the  
13 officer's responsibility to supervise the inmate on release.

14 "ARTICLE 26.

15 "Modification and Enforcement of Dispositional Orders; Appeals.

16 "§ 7B-2600. Authority to modify or vacate.

17 (a) Upon motion in the cause or petition, and after notice, the  
18 court may conduct a review hearing to determine whether the order  
19 of the court is in the best interests of the juvenile, and the  
20 court may modify or vacate the order in light of changes in  
21 circumstances or the needs of the juvenile.

22 (b) In a case of delinquency, the court may reduce the nature  
23 or the duration of the disposition on the basis that it was  
24 imposed in an illegal manner or is unduly severe with reference  
25 to the seriousness of the offense, the culpability of the  
26 juvenile, or the dispositions given to juveniles convicted of  
27 similar offenses.

28 (c) In any case where the court finds the juvenile to be  
29 delinquent or undisciplined, the jurisdiction of the court to  
30 modify any order or disposition made in the case shall continue  
31 (i) during the minority of the juvenile, (ii) until the juvenile  
32 reaches the age of 19 years, if the court has extended  
33 jurisdiction, or (iii) until terminated by order of the court.

34 "§ 7B-2601. Request for modification for lack of suitable  
35 services.

36 If the Secretary finds that any juvenile committed to the  
37 Department's care is not suitable for its program, the Secretary  
38 may make a motion in the cause so that the court may make an  
39 alternative disposition that is consistent with G.S. 7B-2505.

40 "§ 7B-2602. Right to appeal transfer decisions.

41 (a) Any order transferring jurisdiction of the court in a  
42 juvenile matter to the superior court pursuant to 7B-2203 is an  
43 interlocutory order and is appealable to the superior court.

1 (b) Upon motion of a proper party as defined in G.S. 7B-2603,  
2 the superior court may review any order transferring jurisdiction  
3 of the court in a juvenile matter to the superior court. The  
4 notice of appeal must be filed within ten days of the juvenile  
5 court's decision to transfer. The clerk of superior court shall  
6 provide the district attorney with a copy of the notice of  
7 appeal. Within seven days after receipt of the notice of appeal  
8 from the transfer decision, by either the district attorney or  
9 the juvenile, the clerk of superior court shall forward the case  
10 file to the superior court. The superior court shall, within 15  
11 days, of receiving the case file from the juvenile court, review  
12 the file and conduct a hearing to receive additional evidence on  
13 the issue of transfer to determine if there has been substantial  
14 compliance with 7B-2203. The superior court shall not rule on  
15 whether the juvenile court had sufficient evidence to find  
16 probable cause for the alleged offense. Upon making its  
17 determination, the superior court shall enter an order either (i)  
18 remanding the case to juvenile court or (ii) upholding the  
19 transfer order. The superior court order shall be an  
20 interlocutory order that may be appealed to the Court of Appeals.

21 "§ 7B-2603. Proper parties for appeal.

22 An appeal may be taken by the juvenile, the juvenile's parent,  
23 guardian, or custodian, or the State or county agency. The  
24 State's appeal is limited to the following orders in delinquency  
25 or undisciplined cases:

26 (1) An order finding a State statute to be  
27 unconstitutional; and

28 (2) Any order which terminates the prosecution of a  
29 petition by upholding the defense of double  
30 jeopardy, by holding that a cause of action is not  
31 stated under a statute, or by granting a motion to  
32 suppress.

33 "§ 7B-2604. Disposition pending appeal.

34 Pending disposition of an appeal, the release of the juvenile,  
35 with or without conditions, should issue in every case unless the  
36 court orders otherwise. For compelling reasons which must be  
37 stated in writing, the court may enter a temporary order  
38 affecting the custody or placement of the juvenile as the court  
39 finds to be in the best interests of the juvenile or the State.

40 "§ 7B-2605. Disposition after appeal.

41 Upon the affirmation of the order of adjudication or  
42 disposition of the court by the Court of Appeals or by the  
43 Supreme Court in the event of an appeal, the court shall have  
44 authority to modify or alter the original order of adjudication

1 or disposition as the court finds to be in the best interests of  
2 the juvenile to reflect any adjustment made by the juvenile or  
3 change in circumstances during the period of time the appeal was  
4 pending. If the modifying order is entered ex parte, the court  
5 shall give notice to interested parties to show cause within 10  
6 days thereafter as to why the modifying order should be vacated  
7 or altered. Upon the issuance of a transfer order of a juvenile  
8 to the Superior Court jurisdiction, the juvenile shall be  
9 entitled upon proper motion to review of the transfer order  
10 before the Court of Appeals. Notice of appeal shall be given in  
11 open court at the time of the hearing or in writing within five  
12 days after the entry of the order. The Court of Appeals shall  
13 review the transfer order and render a decision within sixty days  
14 of filing the appeal.

15 "ARTICLE 27.

16 "Authority Over Parents of Juveniles  
17 Adjudicated Delinquent or Undisciplined.

18 "§ 7B-2700. Appearance in court.

19 (a) The parent, guardian, or custodian of a juvenile under the  
20 jurisdiction of the juvenile court shall attend the hearings of  
21 which the parent, guardian, or custodian receives notice. The  
22 court may excuse the appearance of either or both parents or the  
23 guardian or custodian at subsequent hearings. Unless so excused,  
24 the willful failure of a parent, guardian, or custodian to attend  
25 a hearing of which the parent, guardian, or custodian has notice  
26 shall be grounds for contempt. (b) No employer may discharge  
27 or demote any employee because the employee is required to appear  
28 in court during work hours pursuant to this section.

29 (c) Any employer who violates any provision of this section  
30 shall be liable in a civil action for reasonable damages suffered  
31 by an employee as a result of the violation, and an employee  
32 discharged or demoted in violation of this section shall be  
33 entitled to be reinstated to his former position. The burden of  
34 proof shall be upon the employee.

35 (d) The statute of limitations for actions under this section  
36 shall be one year pursuant to G.S. 1-54.

37 "§ 7B-2701. Parental responsibility classes.

38 The court may order the parent of a juvenile who has been  
39 adjudicated undisciplined or delinquent to attend parental  
40 responsibility classes if those classes are available in the  
41 judicial district in which the parent resides.

42 "§ 7B-2702. Medical, surgical, psychiatric, or psychological  
43 evaluation or treatment of juvenile or parent.

44 (a) If the court orders medical, surgical, psychiatric,  
45 psychological, or other evaluation or treatment pursuant to G.S.

1 7B-2500.2, the court may order the parent or other responsible  
2 parties to pay the cost of the treatment or care ordered.

3 (b) At the dispositional hearing or a subsequent hearing, if  
4 the court finds that it is in the best interests of the juvenile  
5 for the parent, guardian, or custodian to be directly involved in  
6 the juvenile's evaluation or treatment, the court may order that  
7 person to participate in medical, psychiatric, psychological, or  
8 other evaluation or treatment of the juvenile. The cost of the  
9 evaluation or treatment shall be paid pursuant to G.S. 7B-2500.2.

10 (c) At the dispositional hearing or a subsequent hearing, the  
11 court may determine whether the best interests of the juvenile  
12 require that the parent, guardian, or custodian undergo  
13 psychiatric, psychological, or other evaluation or treatment or  
14 counseling directed toward remedying behaviors or conditions that  
15 led to or contributed to the juvenile's adjudication or to the  
16 court's decision to remove custody of the juvenile from the  
17 parent, guardian, or custodian. If the court finds that the best  
18 interests of the juvenile require the parent, guardian, or  
19 custodian undergo evaluation or treatment, it may order that  
20 person to comply with a plan of evaluation or treatment approved  
21 by the court or condition legal custody or physical placement of  
22 the juvenile with the parent, guardian, or custodian upon that  
23 person's compliance with the plan of evaluation or treatment.

24 (d) In cases in which the court has ordered the parent of the  
25 juvenile, rather than a guardian or custodian, to comply with or  
26 undergo evaluation or treatment, the court may order the parent  
27 to pay the cost of evaluation or treatment ordered pursuant to  
28 this subsection. In cases in which the court has conditioned  
29 legal custody or physical placement of the juvenile with the  
30 parent upon the parent's compliance with a plan of evaluation or  
31 treatment, the court may charge the cost of the evaluation or  
32 treatment to the county of the juvenile's residence if the court  
33 finds the parent is unable to pay the cost of the evaluation or  
34 treatment. In all other cases, if the court finds the parent is  
35 unable to pay the cost of the evaluation or treatment ordered  
36 pursuant to this subsection, the court may order the parent to  
37 receive evaluation or treatment currently available from the area  
38 mental health program that serves the parent's catchment area.

39 "§ 7B-2703. Compliance with orders of court.

40 (a) The court may order the parent, guardian, or custodian, to  
41 the extent that person is able to do so, to provide  
42 transportation for a juvenile to keep an appointment with a court  
43 counselor or to comply with other orders of the court.

1 (b) The court may order a parent, guardian, or custodian to  
2 cooperate with and assist the juvenile in complying with the  
3 terms and conditions of probation or other orders of the court.

4 "§ 7B-2704. Payment of support or other expenses; assignment of  
5 insurance coverage.

6 At the dispositional hearing or a subsequent hearing, if the  
7 court finds that the parent is able to do so, the court may order  
8 the parent to:

9 (1) Pay a reasonable sum that will cover in whole or in  
10 part the support of the juvenile. If the court  
11 requires the payment of child support, the amount  
12 of the payments shall be determined as provided in  
13 G.S. 50-13.4;

14 (2) Pay a fee for probation supervision or residential  
15 facility costs;

16 (3) Assign private insurance coverage to cover medical  
17 costs while the juvenile is in secure detention,  
18 training school, or other out-of-home placement;  
19 and

20 (4) Pay court-appointed attorneys' fees.

21 If the court places a juvenile in the custody of a county  
22 department of social services and if the court finds that the  
23 parent is unable to pay the cost of the support required by the  
24 juvenile, the cost shall be paid by the county department of  
25 social services in whose custody the juvenile is placed, provided  
26 the juvenile is not receiving care in an institution owned or  
27 operated by the State or federal government or any subdivision  
28 thereof.

29 "§ 7B-2705. Contempt for failure to comply.

30 Upon motion of the court counselor or prosecutor or upon the  
31 court's own motion, the court may issue an order directing the  
32 parent, guardian, or custodian to appear and show cause why the  
33 parent, guardian, or custodian should not be found or held in  
34 civil or criminal contempt for willfully failing to comply with  
35 an order of the court. Chapter 5A of the General Statutes shall  
36 govern contempt proceedings initiated pursuant to this Article.

37 "ARTICLE 28.

38 "Interstate Compact on Juveniles.

39 "§ 7B-2800. Execution of Compact.

40 The Governor is hereby authorized and directed to execute a  
41 Compact on behalf of this State with any other state or states  
42 legally joining therein in the form substantially as follows: The  
43 contracting states solemnly agree.

44 "§ 7B-2801. Findings and purposes.

1 Juveniles who are not under proper supervision and control, or  
2 who have absconded, escaped, or run away, are likely to endanger  
3 their own health, morals, and welfare, and the health, morals,  
4 and welfare of others. The cooperation of the states party to  
5 this Compact is therefore necessary to provide for the welfare  
6 and protection of juveniles and of the public with respect to:

- 7       (1) Cooperative supervision of delinquent juveniles on  
8       probation or parole;
- 9       (2) The return, from one state to another, of  
10       delinquent juveniles who have escaped or absconded;
- 11       (3) The return, from one state to another, of  
12       nondelinquent juveniles who have run away from  
13       home; and
- 14       (4) Additional measures for the protection of juveniles  
15       and of the public, which any two or more of the  
16       party states may find desirable to undertake  
17       cooperatively.

18 In carrying out the provisions of this Compact, the party  
19 states shall be guided by the noncriminal, reformatory, and  
20 protective policies which guide their laws concerning delinquent,  
21 neglected, or dependent juveniles generally. It shall be the  
22 policy of the states party to this Compact to cooperate and  
23 observe their respective responsibilities for the prompt return  
24 and acceptance of juveniles and delinquent juveniles who become  
25 subject to the provisions of this Compact. The provisions of this  
26 Compact shall be reasonably and liberally construed to accomplish  
27 the foregoing purposes.

28 "§ 7B-2802. Existing rights and remedies.

29 All remedies and procedures provided by this Compact are in  
30 addition to and not in substitution for other rights, remedies,  
31 and procedures and are not in derogation of parental rights and  
32 responsibilities.

33 "§ 7B-2803. Definitions.

34 For the purposes of this Compact, 'delinquent juvenile' means  
35 any juvenile who has been adjudged delinquent and who, at the  
36 time the provisions of this Compact are invoked, is still subject  
37 to the jurisdiction of the court that has made adjudication or to  
38 the jurisdiction or supervision of an agency or institution  
39 pursuant to an order of the court; 'probation or parole' means  
40 any kind of post-release supervision of juveniles authorized  
41 under the laws of the states party hereto; 'court' means any  
42 court having jurisdiction over delinquent, neglected, or  
43 dependent children; 'state' means any state, territory, or  
44 possession of the United States, the District of Columbia, and

1 the Commonwealth of Puerto Rico; and 'residence' or any variant  
2 thereof means a place at which a home or regular place of abode  
3 is maintained.

4 "§ 7B-2804. Return of runaways.

5 (a) The parent, guardian, person, or agency entitled to legal  
6 custody of a juvenile who has not been adjudged delinquent but  
7 who has run away without the consent of the parent, guardian,  
8 person, or agency may petition the appropriate court in the  
9 demanding state for the issuance of a requisition for the  
10 juvenile's return. The petition shall state the name and age of  
11 the juvenile, the name of the petitioner and the basis of  
12 entitlement to the juvenile's custody, the circumstances of the  
13 running away, the juvenile's location if known at the time  
14 application is made, and any other facts that may tend to show  
15 that the juvenile who has run away is endangering the juvenile's  
16 own welfare or the welfare of others and is not an emancipated  
17 minor. The petition shall be verified by affidavit, shall be  
18 executed in duplicate, and shall be accompanied by two certified  
19 copies of the document or documents on which the petitioner's  
20 entitlement to the juvenile's custody is based, such as birth  
21 certificates, letters of guardianship, or custody decrees. Any  
22 further affidavits and other documents as may be deemed proper  
23 may be submitted with the petition. The judge of the court to  
24 which this application is made may hold a hearing thereon to  
25 determine whether for the purposes of this Compact the petitioner  
26 is entitled to the legal custody of the juvenile, whether or not  
27 it appears that the juvenile has in fact run away without  
28 consent, whether or not the juvenile is an emancipated minor, and  
29 whether or not it is in the best interests of the juvenile to  
30 compel the juvenile's return to the state. If the judge  
31 determines, either with or without a hearing, that the juvenile  
32 should be returned, the judge shall present to the appropriate  
33 court or to the executive authority of the state where the  
34 juvenile is alleged to be located a written requisition for the  
35 return of the juvenile. The requisition shall set forth the name  
36 and age of the juvenile, the determination of the court that the  
37 juvenile has run away without the consent of a parent, guardian,  
38 person, or agency entitled to legal custody, and that it is in  
39 the best interests and for the protection of the juvenile that  
40 the juvenile be returned. In the event that a proceeding for the  
41 adjudication of the juvenile as a delinquent, neglected, or  
42 dependent juvenile is pending in the court at the time when the  
43 juvenile runs away, the court may issue a requisition for the  
44 return of the juvenile upon its own motion, regardless of the

1 consent of the parent, guardian, person, or agency entitled to  
2 legal custody, reciting therein the nature and circumstances of  
3 the pending proceeding. The requisition shall in every case be  
4 executed in duplicate and shall be signed by the judge. One copy  
5 of the requisition shall be filed with the Compact Administrator  
6 of the demanding state, there to remain on file subject to the  
7 provisions of law governing records of the court. Upon the  
8 receipt of a requisition demanding the return of a juvenile who  
9 has run away, the court or the executive authority to whom the  
10 requisition is addressed shall issue an order to any peace  
11 officer or other appropriate person directing that person to take  
12 into custody and detain the juvenile. The detention order must  
13 substantially recite the facts necessary to the validity of its  
14 issuance hereunder. No juvenile detained upon the order shall be  
15 delivered over to the officer whom the court has appointed to  
16 receive the juvenile unless the juvenile first is taken before a  
17 judge of a court in the state, who shall inform the juvenile of  
18 the demand made for the juvenile's return, and who may appoint  
19 counsel or guardian ad litem for the juvenile. If the court finds  
20 that the requisition is in order, the court shall deliver the  
21 juvenile over to the officer appointed to receive the juvenile by  
22 the court demanding the juvenile. The court, however, may fix a  
23 reasonable time to be allowed for the purpose of testing the  
24 legality of the proceeding.

25 Upon reasonable information that a person is a juvenile who has  
26 run away from another state party to this Compact without the  
27 consent of a parent, guardian, person, or agency entitled to  
28 legal custody, the juvenile may be taken into custody without a  
29 requisition and brought before a judge of the appropriate court  
30 who may appoint counsel or guardian ad litem for the juvenile and  
31 who shall determine after a hearing whether sufficient cause  
32 exists to hold the person, subject to the order of the court, for  
33 the juvenile's own protection and welfare, for such a time not  
34 exceeding 90 days as will enable the return of the juvenile to  
35 another state party to this Compact pursuant to a requisition for  
36 return from a court of that state. If, at the time when a state  
37 seeks the return of a juvenile who has run away, there is pending  
38 in the state wherein the juvenile is found, any criminal charge,  
39 or any proceeding to have the juvenile adjudicated a delinquent  
40 juvenile for an act committed in the state, or if the juvenile is  
41 suspected of having committed within the state a criminal offense  
42 or an act of juvenile delinquency, the juvenile shall not be  
43 returned without the consent of the state until discharged from  
44 prosecution or other form of proceeding, imprisonment, detention,

1 or supervision for the offense or juvenile delinquency. The duly  
2 accredited officers of any state party to this Compact, upon the  
3 establishment of their authority and the identity of the juvenile  
4 being returned, shall be permitted to transport the juvenile  
5 through any and all states party to this Compact, without  
6 interference. Upon return of the juvenile to the state from which  
7 the juvenile ran away, the juvenile shall be subject to such  
8 further proceedings as may be appropriate under the laws of that  
9 state.

10 (b) The state to which the juvenile is returned under this  
11 Article shall be responsible for payment of the transportation  
12 costs of return.

13 (c) The term 'juvenile' as used in this Article means any  
14 person who is a minor under the law of the state of residence of  
15 the parent, guardian, person, or agency entitled to the legal  
16 custody of the minor.

17 "§ 7B-2805. Return of escapees and absconders.

18 (a) The appropriate person or authority from whose probation or  
19 parole supervision a delinquent juvenile has absconded or from  
20 whose institutional custody a delinquent juvenile has escaped  
21 shall present to the appropriate court or to the executive  
22 authority of the state where the delinquent juvenile is alleged  
23 to be located a written requisition for the return of the  
24 delinquent juvenile. The requisition shall state the name and age  
25 of the delinquent juvenile, the particulars of the juvenile's  
26 adjudication as a delinquent juvenile, the circumstances of the  
27 breach of the terms of probation or parole or of the juvenile's  
28 escape from an institution or agency vested with legal custody or  
29 supervision, and the location of the delinquent juvenile, if  
30 known, at the time the requisition is made. The requisition shall  
31 be verified by affidavit, shall be executed in duplicate, and  
32 shall be accompanied by two certified copies of the judgment,  
33 formal adjudication, or order of commitment which subjects the  
34 delinquent juvenile to probation or parole or to the legal  
35 custody of the institution or agency concerned. Any further  
36 affidavits and documents as may be deemed proper may be submitted  
37 with the requisition. One copy of the requisition shall be filed  
38 with the Compact Administrator of the demanding state, there to  
39 remain on file subject to the provisions of the law governing  
40 records of the appropriate court. Upon the receipt of a  
41 requisition demanding the return of a delinquent juvenile who has  
42 absconded or escaped, the court or the executive authority to  
43 whom the requisition is addressed shall issue an order to any  
44 peace officer or other appropriate person directing the person to

1 take into custody and detain such delinquent juvenile. The  
2 detention order must substantially recite the facts necessary to  
3 the validity of its issuance hereunder. No delinquent juvenile  
4 detained upon the order shall be delivered over to the officer  
5 whom the appropriate person or authority demanding the juvenile  
6 has appointed to receive the juvenile, unless the juvenile is  
7 first taken forthwith before a judge of an appropriate court in  
8 the state, who shall inform the juvenile of the demand made for  
9 the return and who may appoint counsel or guardian ad litem for  
10 the juvenile. If the judge of the court finds that the  
11 requisition is in order, the judge shall deliver the delinquent  
12 juvenile over to the officer whom the appropriate person or  
13 authority demanding the juvenile appointed to receive the  
14 juvenile. The judge, however, may fix a reasonable time to be  
15 allowed for the purpose of testing the legality of the  
16 proceeding.

17 Upon reasonable information that a person is a delinquent  
18 juvenile who has absconded while on probation or parole, or  
19 escaped from an institution or agency vested with legal custody  
20 or supervision in any state party to this Compact, the person may  
21 be taken into custody in any other state party to this Compact  
22 without a requisition. But in that event, the juvenile shall be  
23 taken forthwith before a judge of the appropriate court, who may  
24 appoint counsel or guardian ad litem for the person and who shall  
25 determine after a hearing, whether sufficient cause exists to  
26 hold the person subject to the order of the court for a length of  
27 time, not exceeding 90 days, as will enable detention of the  
28 juvenile under a detention order issued on a requisition pursuant  
29 to this Article. If, at the time when a state seeks the return of  
30 a delinquent who has either absconded while on probation or  
31 parole or escaped from an institution or agency vested with legal  
32 custody or supervision, there is pending in the state wherein the  
33 juvenile is detained any criminal charge or any proceeding to  
34 have the juvenile adjudicated a delinquent juvenile for an act  
35 committed in the state, or if the juvenile is suspected of having  
36 committed a criminal offense or an act of juvenile delinquency  
37 within the state, the juvenile shall not be returned without the  
38 consent of the state until discharged from prosecution or other  
39 form of proceeding, imprisonment, detention, or supervision for  
40 the offense or juvenile delinquency. The duly accredited officers  
41 of any state party to this Compact, upon the establishment of  
42 their authority and the identity of the delinquent juvenile being  
43 returned, shall be permitted to transport the delinquent juvenile  
44 through any and all states party to this Compact, without

1 interference. Upon return to the state from which the juvenile  
2 escaped or absconded, the delinquent juvenile shall be subject to  
3 any further proceedings appropriate under the laws of that state.

4 (b) The state to which a delinquent juvenile is returned under  
5 this Article shall be responsible for the payment of  
6 transportation costs of the return.

7 "§ 7B-2806. Voluntary return procedure.

8 Any delinquent juvenile who has absconded while on probation or  
9 parole, or escaped from an institution or agency vested with  
10 legal custody or supervision in any state party to this Compact,  
11 and any juvenile who has run away from any state party to this  
12 Compact, who is taken into custody without a requisition in  
13 another state party to this Compact under the provisions of G.S.  
14 7B-2804(a) or G.S. 7B-2805(a), may consent to the immediate  
15 return of the juvenile to the state from which the juvenile  
16 absconded, escaped, or ran away. Consent shall be given by the  
17 juvenile or delinquent juvenile and the juvenile's counsel or  
18 guardian ad litem, if any, by executing or subscribing a writing  
19 in the presence of a judge of the appropriate court, which states  
20 that the juvenile or delinquent juvenile and the juvenile's  
21 counsel or guardian ad litem, if any, consent to return of the  
22 juvenile to the demanding state. Before consent is executed or  
23 subscribed, however, the judge, in the presence of counsel or  
24 guardian ad litem, if any, shall inform the juvenile or  
25 delinquent juvenile of the juvenile's rights under this Compact.  
26 When the consent has been duly executed, it shall be forwarded to  
27 and filed with the Compact Administrator of the state in which  
28 the court is located, and the judge shall direct the officer  
29 having the juvenile or delinquent juvenile in custody to deliver  
30 the juvenile to the duly accredited officer or officers of the  
31 state demanding return of the juvenile and shall cause to be  
32 delivered to the officer or officers a copy of the consent. The  
33 court may, however, upon the request of the state to which the  
34 juvenile or delinquent juvenile is being returned, order the  
35 juvenile to return unaccompanied to the state and shall provide  
36 the juvenile with a copy of the court order; in that event a copy  
37 of the consent shall be forwarded to the Compact Administrator of  
38 the state to which the juvenile or delinquent juvenile is ordered  
39 to return.

40 "§ 7B-2807. Cooperative supervision of probationers and  
41 parolees.

42 (a) That the duly constituted judicial and administrative  
43 authorities of a state party to this Compact (herein called  
44 'sending state') may permit any delinquent juvenile within such

1 state, placed on probation or parole, to reside in any other  
2 state party to this Compact (herein called 'receiving state')  
3 while on probation or parole, and the receiving state shall  
4 accept the delinquent juvenile, if the parent, guardian, or  
5 person entitled to the legal custody of the delinquent juvenile  
6 is residing or undertakes to reside within the receiving state.  
7 Before granting permission, opportunity shall be given to the  
8 receiving state to make investigations as it deems necessary. The  
9 authorities of the sending state shall send to the authorities of  
10 the receiving state copies of pertinent court orders, social case  
11 studies, and all other available information which may be of  
12 value to and assist the receiving state in supervising a  
13 probationer or parolee under this Compact. A receiving state, in  
14 its discretion, may agree to accept supervision of a probationer  
15 or parolee in cases where the parent, guardian, or person  
16 entitled to the legal custody of the delinquent juvenile is not a  
17 resident of the receiving state, and if so accepted, the sending  
18 state may transfer the supervision accordingly.

19 (b) That each receiving state will assume the duties of  
20 visitation and of supervision over any delinquent juvenile and in  
21 the exercise of those duties will be governed by the same  
22 standards of visitation and supervision that prevail for its own  
23 delinquent juveniles released on probation or parole.

24 (c) That, after consultation between the appropriate  
25 authorities of the sending state and of the receiving state as to  
26 the desirability and necessity of returning the delinquent  
27 juvenile, the duly accredited officers of a sending state may  
28 enter a receiving state and there apprehend and retake any  
29 delinquent juvenile on probation or parole. For that purpose, no  
30 formalities will be required other than establishing the  
31 authority of the officer and the identity of the delinquent  
32 juvenile to be retaken and returned. The decision of the sending  
33 state to retake a delinquent juvenile on probation or parole  
34 shall be conclusive upon and not reviewable within the receiving  
35 state, but if, at the time the sending state seeks to retake a  
36 delinquent juvenile on probation or parole, there is pending  
37 against the juvenile within the receiving state any criminal  
38 charge or any proceeding to have the juvenile adjudicated a  
39 delinquent juvenile for any act committed in the state or if the  
40 juvenile is suspected of having committed within the state a  
41 criminal offense or an act of juvenile delinquency, the juvenile  
42 shall not be returned without the consent of the receiving state  
43 until discharged from prosecution or other form of proceeding,  
44 imprisonment, detention, or supervision for the offense or

1 juvenile delinquency. The duly accredited officers of the sending  
2 state shall be permitted to transport delinquent juveniles being  
3 so returned through any and all states party to this Compact  
4 without interference.

5 (d) The sending state shall be responsible under this Article  
6 for paying the costs of transporting any delinquent juvenile to  
7 the receiving state or of returning any delinquent juvenile to  
8 the sending state.

9 "§ 7B-2808. Responsibility for costs.

10 (a) The provisions of G.S. 7B-2804(b), 7B-2805(b), and 7B-  
11 2807(d) shall not be construed to alter or affect any internal  
12 relationship among the departments, agencies, and officers of and  
13 in the government of a party state, or between a party state and  
14 its subdivisions, as to the payment of costs or responsibilities  
15 therefor.

16 (b) Nothing in this Compact shall be construed to prevent any  
17 party state or subdivision thereof from asserting any right  
18 against any person, agency, or other entity in regard to costs  
19 for which such party state or subdivision thereof may be  
20 responsible pursuant to G.S. 7B-2804(b), 7B-2805(b), and 7B-  
21 2807(d).

22 "§ 7B-2809. Detention practices.

23 To every extent possible, it shall be the policy of states  
24 party to this Compact that no juvenile or delinquent juvenile  
25 shall be placed or detained in any prison, jail, or lockup, nor  
26 be detained or transported in association with criminal, vicious,  
27 or dissolute persons.

28 "§ 7B-2810. Supplementary agreements.

29 The duly constituted administrative authorities of a state  
30 party to this Compact may enter into supplementary agreements  
31 with any other state or states party hereto for the cooperative  
32 care, treatment, and rehabilitation of delinquent juveniles  
33 whenever they find that the agreements will improve the  
34 facilities or programs available for care, treatment, and  
35 rehabilitation. Care, treatment, and rehabilitation may be  
36 provided in an institution located within any state entering into  
37 a supplementary agreement. Supplementary agreements shall:

- 38 (1) Provide the rates to be paid for the care,  
39 treatment, and custody of delinquent juveniles  
40 taking into consideration the character of  
41 facilities, services, and subsistence furnished;  
42 (2) Provide that the delinquent juvenile shall be given  
43 a court hearing prior to the juvenile being sent to  
44 another state for care, treatment, and custody;

- 1           (3) Provide that the state receiving a delinquent  
2           juvenile in one of its institutions shall act  
3           solely as agent for the state sending the  
4           delinquent juvenile;  
5           (4) Provide that the sending state shall at all times  
6           retain jurisdiction over delinquent juveniles sent  
7           to an institution in another state;  
8           (5) Provide for reasonable inspection of the  
9           institutions by the sending state;  
10          (6) Provide that the consent of the parent, guardian,  
11          person, or agency entitled to the legal custody of  
12          the delinquent juvenile shall be secured prior to  
13          the juvenile being sent to another state; and  
14          (7) Make provisions for any other matters and details  
15          as shall be necessary to protect the rights and  
16          equities of delinquent juveniles and of the  
17          cooperating states.

18 "§ 7B-2811. Acceptance of federal and other aid.

19       Any state party to this Compact may accept any and all  
20       donations, gifts, and grants of money, equipment, and services  
21       from the federal or any local government, or any agency thereof  
22       and from any person, firm, or corporation, for any of the  
23       purposes and functions of this Compact, and may receive and  
24       utilize, the same subject to the terms, conditions, and  
25       regulations governing such donations, gifts, and grants.

26 "§ 7B-2812. Compact administrators.

27       The governor of each state party to this Compact shall  
28       designate an officer who, acting jointly with like officers of  
29       other party states, shall promulgate rules and regulations to  
30       carry out more efficiently the terms and provisions of this  
31       Compact.

32 "§ 7B-2813. Execution of Compact.

33       This Compact shall become operative immediately upon its  
34       execution by any state as between it and any other state or  
35       states so executing. When executed it shall have the full force  
36       and effect of law within the state, the form of execution to be  
37       in accordance with the laws of the executing state.

38 "§ 7B-2814. Renunciation.

39       This Compact shall continue in force and remain binding upon  
40       each executing state until renounced by it. Renunciation of this  
41       Compact shall be by the same authority which executed it, by  
42       sending six months' notice in writing of its intention to  
43       withdraw from the Compact to the other states party hereto. The  
44       duties and obligations of a renouncing state under G.S. 7B-2807

1 hereof shall continue as to parolees and probationers residing  
2 therein at the time of withdrawal until retaken or finally  
3 discharged. Supplementary agreements entered into under G.S. 7B-  
4 2810 hereof shall be subject to renunciation as provided by  
5 supplementary agreements and shall not be subject to the six  
6 months' renunciation notice of the present section.

7 "§ 7B-2815. Severability.

8 The provisions of this Compact shall be severable and if any  
9 phrase, clause, sentence, or provision of this Compact is  
10 declared to be contrary to the constitution of any participating  
11 state or of the United States or the applicability thereof to any  
12 government, agency, person, or circumstances is held invalid, the  
13 validity of the remainder of this Compact and the applicability  
14 thereof to any government, agency, person, or circumstances shall  
15 not be affected thereby. If this Compact shall be held contrary  
16 to the constitution of any state participating therein, the  
17 Compact shall remain in full force and effect as to the remaining  
18 states and in full force and effect as to the state affected as  
19 to all severable matters.

20 "§ 7B-2816. Authority of Governor to designate Compact  
21 Administrator.

22 Pursuant to said Compact, the Governor is hereby authorized and  
23 empowered to designate an officer who shall be the Compact  
24 Administrator and who, acting jointly with like officers of other  
25 party states, shall adopt rules and regulations to carry out more  
26 effectively the terms of the Compact. The Compact Administrator  
27 shall serve subject to the pleasure of the Governor. The Compact  
28 Administrator is hereby authorized, empowered, and directed to  
29 cooperate with all departments, agencies, and officers of and in  
30 the government of this State and its subdivisions in facilitating  
31 the proper administration of the Compact or of any supplementary  
32 agreement or agreements entered into by this State hereunder.

33 "§ 7B-2817. Authority of Compact Administrator to enter into  
34 supplementary agreements.

35 The Compact Administrator is hereby authorized and empowered to  
36 enter into supplementary agreements with appropriate officials of  
37 other states pursuant to the Compact. In the event that the  
38 supplementary agreement shall require or contemplate the use of  
39 any institution or facility of this State or require or  
40 contemplate the provision of any service by this State, the  
41 supplementary agreement shall have no force or effect until  
42 approved by the head of the department or agency under whose  
43 jurisdiction said institution or facility is operated or whose

1 department or agency will be charged with the rendering of the  
2 service.

3 "§ 7B-2818. Discharging financial obligations imposed by Compact  
4 or agreement.

5 The Compact Administrator, subject to the approval of the  
6 Director of the Budget, may make or arrange for any payments  
7 necessary to discharge any financial obligations imposed upon  
8 this State by the Compact or by any supplementary agreement  
9 entered into thereunder.

10 "§ 7B-2819. Enforcement of Compact.

11 The courts, departments, agencies, and officers of this State  
12 and subdivisions shall enforce this Compact and shall do all  
13 things appropriate to the effectuation of its purposes and intent  
14 which may be within their respective jurisdictions.

15 "§ 7B-2820. Additional procedure for returning runaways not  
16 precluded.

17 In addition to any procedure provided in G.S. 7B-2804 and G.S.  
18 7B-2806 of the Compact for the return of any runaway juvenile,  
19 the particular states, the juvenile or the juvenile's parents,  
20 the courts, or other legal custodian involved may agree upon and  
21 adopt any other plan or procedure legally authorized under the  
22 laws of this State and the other respective party states for the  
23 return of any runaway juvenile.

24 "§ 7B-2821. Proceedings for return of runaways under G.S. 7B-2804  
25 of Compact; 'juvenile' construed.

26 The judge of any court in North Carolina to which an  
27 application is made for the return of a runaway under the  
28 provisions of G.S. 7B-2804 of the Interstate Compact on Juveniles  
29 shall hold a hearing thereon to determine whether for the  
30 purposes of the Compact the petitioner is entitled to the legal  
31 custody of the juvenile, whether or not it appears that the  
32 juvenile has in fact run away without consent, whether or not the  
33 juvenile is an emancipated minor and whether or not it is in the  
34 best interests of the juvenile to compel the return of the  
35 juvenile to the state. The judge of any court in North Carolina,  
36 finding that a requisition for the return of a juvenile under the  
37 provisions of G.S. 7B-2804 of the Compact is in order, shall upon  
38 request fix a reasonable time to be allowed for the purpose of  
39 testing the legality of the proceeding. The period of time for  
40 holding a juvenile in custody under the provisions of G.S. 7B-  
41 2804 of the Compact for the protection and welfare of the  
42 juvenile, subject to the order of a court of this State, to  
43 enable the juvenile's return to another state party to the  
44 Compact pursuant to a requisition for return from a court of that

1 state, shall not exceed 30 days. In applying the provisions of  
2 G.S. 7B-2804 of the Compact to secure the return of a runaway  
3 from North Carolina, the courts of this State shall construe the  
4 word 'juvenile' as used in this Article to mean any person who  
5 has not reached the person's eighteenth birthday.

6 "§ 7B-2822. Interstate parole and probation hearing procedures  
7 for juveniles.

8 Where supervision of a parolee or probationer is being  
9 administered pursuant to the Interstate Compact on Juveniles, the  
10 appropriate judicial or administrative authorities in this State  
11 shall notify the Compact Administrator of the sending state  
12 whenever, in their view, consideration should be given to  
13 retaking or reincarceration for a parole or a probation  
14 violation. Prior to giving of notification, a hearing shall be  
15 held in accordance with this Article within a reasonable time,  
16 unless the hearing is waived by the parolee or probationer. The  
17 appropriate officer or officers of this State shall, as soon as  
18 practicable, following termination of any hearing, report to the  
19 sending state, furnish a copy of the hearing record, and make  
20 recommendations regarding the disposition to be made of the  
21 parolee or probationer by the sending state. Pending any  
22 proceeding pursuant to this section, the appropriate officers of  
23 this State may take custody of and detain the parolee or  
24 probationer involved for a period not to exceed 10 days prior to  
25 the hearing and, if it appears to the hearing officer or officers  
26 that retaking or reincarceration is likely to follow, for a  
27 reasonable period after the hearing or waiver as may be necessary  
28 to arrange for retaking or the reincarceration.

29 "§ 7B-2823. Hearing officers.

30 Any hearing pursuant to this Article may be before the  
31 Administrator of the Interstate Compact on Juveniles, a deputy of  
32 the Administrator, or any other person authorized pursuant to the  
33 juvenile laws of this State to hear cases of alleged juvenile  
34 parole or probation violations, except that no hearing officer  
35 shall be the person making the allegation of violation.

36 "§ 7B-2824. Due process at parole or probation violation hearing.

37 With respect to any hearing pursuant to this Article, the  
38 parolee or probationer:

39 (1) Shall have reasonable notice in writing of the  
40 nature and content of the allegations to be made,  
41 including notice that the purpose of the hearing is  
42 to determine whether there is probable cause to  
43 believe that the parolee or probationer has

- 1                   committed a violation that may lead to a revocation  
2                   of parole or probation;
- 3           (2)   Shall be permitted to advise with any persons whose  
4                   assistance the parolee or probationer reasonably  
5                   desires, prior to the hearing;
- 6           (3)   Shall have the right to confront and examine any  
7                   persons who have made allegations against the  
8                   parolee or probationer, unless the hearing officer  
9                   determines that confrontation would present a  
10                  substantial present or subsequent danger of harm to  
11                  the person or persons; and
- 12           (4)   May admit, deny, or explain the violation alleged  
13                   and may present proof, including affidavits and  
14                   other evidence, in support of the parolee's or  
15                   probationer's contentions.
- 16    A record of the proceedings shall be made and preserved.
- 17    "§ 7B-2825. Effect of parole or probation violation hearing  
18    outside State.
- 19    In any case of alleged parole or probation violation by a  
20    person being supervised in another state pursuant to the  
21    Interstate Compact on Juveniles, any appropriate judicial or  
22    administrative officer or agency in another state is authorized  
23    to hold a hearing on the alleged violation. Upon receipt of the  
24    record of a parole or probation violation hearing held in another  
25    state pursuant to a statute substantially similar to this  
26    Article, such record shall have the same standing and effect as  
27    though the proceeding of which it is a record was had before the  
28    appropriate officer or officers in this State, and any  
29    recommendations contained in or accompanying the record shall be  
30    fully considered by the appropriate officer or officers of this  
31    State in making disposition of the matter.
- 32    "§ 7B-2826. Amendment to Interstate Compact on Juveniles  
33    concerning interstate rendition of juveniles alleged to be  
34    delinquent.
- 35    (a) This amendment shall provide additional remedies and shall  
36    be binding only as among and between those party states which  
37    specifically execute the same.
- 38    (b) All provisions and procedures of G.S. 7B-2805 and G.S. 7B-  
39    2806 of the Interstate Compact on Juveniles shall be construed to  
40    apply to any juvenile charged with being a delinquent by reason  
41    of a violation of any criminal law. Any juvenile, charged with  
42    being a delinquent by reason of violating any criminal law, shall  
43    be returned to the requesting state upon a requisition to the  
44    state where the juvenile may be found. A petition in the case

1 shall be filed in a court of competent jurisdiction in the  
2 requesting state where the violation of criminal law is alleged  
3 to have been committed. The petition may be filed regardless of  
4 whether the juvenile has left the state before or after the  
5 filing of the petition. The requisition described in G.S. 7B-2805  
6 of the Compact shall be forwarded by the judge of the court in  
7 which the petition has been filed.

8 "§ 7B-2827. Out-of-State Confinement Amendment.

9 (a) The Out-of-State Confinement Amendment to the Interstate  
10 Compact on Juveniles is hereby enacted into law and entered into  
11 by this State with all other states legally joining therein in  
12 the form substantially as follows:

13 (1) Whenever the fully constituted judicial or  
14 administrative authorities in a sending state shall  
15 determine that confinement of a probationer or  
16 reconfinement of a parolee is necessary or  
17 desirable, the officials may direct that the  
18 confinement or reconfinement be in an appropriate  
19 institution for delinquent juveniles within the  
20 territory of the receiving state, the receiving  
21 state to act in that regard solely as agent for the  
22 sending state.

23 (2) Escapees and absconders who would otherwise be  
24 returned pursuant to G.S. 7B-2805 of the Compact  
25 may be confined or reconfined in the receiving  
26 state pursuant to this amendment. In any case in  
27 which the information and allegations are required  
28 to be made and furnished in a requisition pursuant  
29 to G.S. 7B-2805, the sending state shall request  
30 confinement or reconfinement in the receiving  
31 state. Whenever applicable, detention orders, as  
32 provided in G.S. 7B-2805, may be employed pursuant  
33 to this paragraph preliminary to disposition of the  
34 escapee or absconder.

35 (3) The confinement or reconfinement of a parolee,  
36 probationer, escapee, or absconder pursuant to this  
37 amendment shall require the concurrence of the  
38 appropriate judicial or administrative authorities  
39 of the receiving state.

40 (4) As used in this amendment: (i) 'sending state'  
41 means a sending state as that term is used in G.S.  
42 7B-2807 of the Compact or the state from which a  
43 delinquent juvenile has escaped or absconded within  
44 the meaning of G.S. 7B-2805 of the Compact; (ii)

1           'receiving state' means any state, other than the  
2           sending state, in which a parolee, probationer,  
3           escapee, or absconder may be found, provided that  
4           the state is a party to this amendment.

5           (5) Every state which adopts this amendment shall  
6           designate at least one of its institutions for  
7           delinquent juveniles as a 'Compact Institution' and  
8           shall confine persons therein as provided in  
9           subdivision (1) of this subsection unless the  
10           sending and receiving state in question shall make  
11           specific contractual arrangements to the contrary.  
12           All states party to this amendment shall have  
13           access to 'Compact Institutions' at all reasonable  
14           hours for the purpose of inspecting the facilities  
15           thereof and for the purpose of visiting such of the  
16           State's delinquents as may be confined in the  
17           institution.

18           (6) Persons confined in 'Compact Institutions' pursuant  
19           to the terms of this Compact shall at all times be  
20           subject to the jurisdiction of the sending state  
21           and may at any time be removed from the 'Compact  
22           Institution' for transfer to an appropriate  
23           institution within the sending state, for return to  
24           probation or parole, for discharge, or for any  
25           purpose permitted by the laws of the sending state.

26           (7) All persons who may be confined in a 'Compact  
27           Institution' pursuant to the provisions of this  
28           amendment shall be treated in a reasonable and  
29           humane manner. The fact of confinement or  
30           reconfinement in a receiving state shall not  
31           deprive any person so confined or reconfined of any  
32           rights which the person would have had if confined  
33           or reconfined in an appropriate institution of the  
34           sending state. No agreement to submit to  
35           confinement or reconfinement pursuant to the terms  
36           of this amendment may be construed as a waiver of  
37           any rights which the delinquent would have had if  
38           the person had been confined or reconfined in any  
39           appropriate institution of the sending state,  
40           except that the hearing or hearings, if any, to  
41           which a parolee, probationer, escapee, or absconder  
42           may be entitled (prior to confinement or  
43           reconfinement) by the laws of the sending state may  
44           be had before the appropriate judicial or

1           administrative officers of the receiving state. In  
2           this event, said judicial and administrative  
3           officers shall act as agents of the sending state  
4           after consultation with appropriate officers of the  
5           sending state.

6           (8) Any receiving state incurring costs or other  
7           expenses under this amendment shall be reimbursed  
8           in the amount of the costs or other expenses by the  
9           sending state unless the states concerned shall  
10           specifically otherwise agree. Any two or more  
11           states party to this amendment may enter into  
12           supplementary agreements determining a different  
13           allocation of costs as among themselves.

14           (9) This amendment shall take initial effect when  
15           entered into by any two or more states party to the  
16           Compact and shall be effective as to those states  
17           which have specifically enacted this amendment.  
18           Rules and regulations necessary to effectuate the  
19           terms of this amendment may be adopted by the  
20           appropriate officers of those states which have  
21           enacted this amendment.

22           (b) In addition to any institution in which the authorities of  
23           this State may otherwise confine or order the confinement of a  
24           delinquent juvenile, the authorities may, pursuant to the  
25           Out-of-State Confinement Amendment to the Interstate Compact on  
26           Juveniles, confine or order the confinement of a delinquent  
27           juvenile in a Compact Institution within another party state.

33           The definitions of G.S. 7B-101 and G.S. 7B-1501 apply to this  
34           Subchapter.

35           "§ 7B-2901. Confidentiality of records.

36           (a) The clerk shall maintain a complete record of all juvenile  
37           cases filed in the clerk's office alleging abuse, neglect, or  
38           dependency. The records shall be withheld from public inspection  
39           and, except as provided in this subsection, may be examined only  
40           by order of the court. The record shall include the summons,  
41           petition, custody order, court order, written motions, the  
42           electronic or mechanical recording of the hearing, and other  
43           papers filed in the proceeding. The recording of the hearing  
44           shall be reduced to a written transcript only when notice of

1 appeal has been timely given. After the time for appeal has  
2 expired with no appeal having been filed, the recording of the  
3 hearing may be erased or destroyed upon the written order of the  
4 court.

5 (b) The Director of the Department of Social Services shall  
6 maintain a record of the cases of juveniles under protective

10 juvenile or the juvenile's family; interviews with the juvenile's  
11 family; or other information which the court finds should be  
12 protected from public inspection in the best interests of the  
13 juvenile. The records maintained pursuant to this subsection may  
14 be examined only by order of the court except that the guardian  
15 ad litem, or juvenile, shall have the right to examine them.

16 (c) In the case of a child victim, the court may order the  
17 sharing of information among such public agencies as the court  
18 deems necessary to reduce the trauma to the child victim.

19 (d) The court's entire record of a proceeding involving consent  
20 for an abortion on an unemancipated minor under Article 1A, Part  
21 2 of Chapter 90 of the General Statutes is not a matter of public  
22 record, shall be maintained separately from any juvenile record,  
23 shall be withheld from public inspection, and may be examined  
24 only by order of the court, by the unemancipated minor, or by the  
25 unemancipated minor's attorney or guardian ad litem.

31 allowed by subsections (c) through (f) of this  
32 section, of actions taken or services rendered by a

36 information the agency is able to provide:

37 a. The dates, outcomes, and results of any  
38 actions taken or services rendered.

39 b. The results of any review by the State Child  
40 Fatality Prevention Team, a local child

42 child protection team, the Child Fatality Task  
43 Force, or any public agency.

- 1                    c. Confirmation of the receipt of all reports,  
2                    accepted or not accepted by the county  
3                    department of social services, for  
4                    investigation of suspected child abuse,  
5                    neglect, or maltreatment, including  
6                    confirmation that investigations were  
7                    conducted, the results of the investigations,  
8                    a description of the conduct of the most  
9                    recent investigation and the services  
10                   rendered, and a statement of basis for the  
11                   department's decision.
- 12                (3) Near fatality. -- A case in which a physician  
13                   determines that a child is in serious or critical

20 the provisions of subsections (c) through (f) of this section, a  
21 public agency shall disclose to the public, upon request, the  
22 findings and information related to a child fatality or near  
23 fatality if:

25                   the child fatality or near fatality; or
- 26                (2) The district attorney has certified that a person  
27                   would be charged with having caused the child  
28                   fatality or near fatality but for that person's  
29                   prior death.
- 30        (c) Nothing herein shall be deemed to authorize access to the  
31 confidential records in the custody of a public agency, or the  
32 disclosure to the public of the substance or content of any  
33 psychiatric, psychological, or therapeutic evaluations or like  
34 materials or information pertaining to the child or the child's  
35 family unless directly related to the cause of the child fatality  
36 or near fatality, or the disclosure of information that would  
37 reveal the identities of persons who provided information related  
38 to the suspected abuse, neglect, or maltreatment of the child.
- 39        (d) Within five working days from the receipt of a request for  
40 findings and information related to a child fatality or near  
41 fatality, a public agency shall consult with the appropriate  
42 district attorney and provide the findings and information unless  
43 the agency has a reasonable belief that release of the  
44 information:

- 1           (1) Is not authorized by subsections (a) and (b) of  
2           this section;  
3           (2) Is likely to cause mental or physical harm or  
4           danger to a minor child residing in the deceased or  
5           injured child's household;  
6           (3) Is likely to jeopardize the State's ability to  
7           prosecute the defendant;  
8           (4) Is likely to jeopardize the defendant's right to a  
9           fair trial;  
10          (5) Is likely to undermine an ongoing or future  
11          criminal investigation; or  
12          (6) Is not authorized by federal law and regulations.  
13    (e) Any person whose request is denied may apply to the  
14    appropriate superior court for an order compelling disclosure of  
15    the findings and information of the public agency. The  
16    application shall set forth, with reasonable particularity,  
17    factors supporting the application. The superior court shall have  
18    jurisdiction to issue such orders. Actions brought pursuant to  
19    this section shall be set down for immediate hearing, and  
20    subsequent proceedings in such actions shall be accorded priority  
21    by the appellate courts. After the court has reviewed the  
22    specific findings and information, in camera, the court shall  
23    issue an order compelling disclosure unless the court finds that  
24    one or more of the circumstances in subsection (d) of this  
25    section exist.  
26    (f) Access to criminal investigative reports and criminal  
27    intelligence information of public law enforcement agencies and  
28    confidential information in the possession of the State Child  
29    Fatality Prevention Team, the local teams, and the Child Fatality  
30    Task Force, shall be governed by G.S. 132-1.4 and G.S. 7B-1413  
31    respectively. Nothing herein shall be deemed to require the  
32    disclosure or release of any information in the possession of a  
33    district attorney.  
34    (g) Any public agency or its employees acting in good faith in  
35    disclosing or declining to disclose information pursuant to this  
36    section shall be immune from any criminal or civil liability that  
37    might otherwise be incurred or imposed for such action.  
38    (h) Nothing herein shall be deemed to narrow or limit the  
39    definition of 'public records' as set forth in G.S. 132-1(a).  
40                               "ARTICLE 30.  
41                               "Juvenile Records and Social Reports of  
42                               Delinquency and Undisciplined Cases.  
43    "§ 7B-3000. Juvenile court records.

1     (a) The clerk shall maintain a complete record of all juvenile  
2 cases filed in the clerk's office to be known as the juvenile  
3 record. The record shall include the summons and petition, any  
4 secure or nonsecure custody order, any electronic or mechanical  
5 recording of hearings, and any written motions, orders, or papers  
6 filed in the proceeding.

7     (b) All juvenile records shall be withheld from public  
8 inspection and, except as provided in this subsection, may be  
9 examined only by order of the court. Except as provided in  
10 subsection (c) of this section, the following persons may examine  
11 the juvenile's record and obtain copies of written parts of the  
12 record without an order of the court:

- 13             (1) The juvenile and the juvenile's attorney;  
14             (2) The juvenile's parent, guardian, or custodian, or  
15             authorized representative;  
16             (3) The prosecutor; and  
17             (4) Court counselors.

18 Except as provided in subsection (c) of this section, law  
19 enforcement officers sworn in this State may examine, but not  
20 photocopy, the juvenile's record without an order of the court.

21     (c) The court may direct the clerk to 'seal' any portion of a  
22 juvenile's record. The clerk shall secure any sealed portion of  
23 a juvenile record in an envelope clearly marked 'SEALED: MAY BE  
24 EXAMINED ONLY BY ORDER OF THE COURT', or with similar notice, and  
25 shall permit examination or copying of sealed portions of a  
26 juvenile's record only pursuant to a court order specifically  
27 authorizing inspection or copying.

28     (d) Any portion of a juvenile's record consisting of an  
29 electronic or mechanical recording of a hearing shall be  
30 transcribed only when notice of appeal has been timely given and  
31 shall be copied electronically or mechanically, only by order of  
32 the court. After the time for appeal has expired with no appeal  
33 having been filed, the court may enter a written order directing  
34 the clerk to destroy the recording of the hearing.

35     (e) The juvenile's record of an adjudication of delinquency  
36 for an offense that would be a felony if committed by an adult  
37 may be used by law enforcement, the magistrate, and the  
38 prosecutor for pretrial release and plea negotiating decisions.

39     (f) The juvenile's record of an adjudication of delinquency  
40 for an offense that would be a Class A, B1, B2, C, D, or E felony  
41 if committed by an adult may be used in a subsequent criminal  
42 proceeding against the juvenile either under G.S. 8C-1, Rule  
43 404(b), or to prove an aggravating factor at sentencing under  
44 G.S. 15A-1340.4(a), G.S. 15A-1340.16(d), or G.S. 15A-2000(e). The

1 record may be so used only by order of the court in the  
2 subsequent criminal proceeding, upon motion of the prosecutor,  
3 after an in camera hearing to determine whether the record in  
4 question is admissible.

5 (g) Except as provided in subsection (d) of this section, a  
6 juvenile's record shall be destroyed only as authorized by G.S.  
7 7B-3200 or by rules adopted by the Department of Juvenile  
8 Justice.

9 "§ 7B-3001. Other records relating to juveniles.

10 (a) The chief court counselor shall maintain a record of all  
11 cases of juveniles under supervision of court counselors, to be  
12 known as the court counselor's record. The court counselor's  
13 record shall include family background information; reports of  
14 social, medical, psychiatric, or psychological information  
15 concerning a juvenile or the juvenile's family; probation  
16 reports; interviews with the juvenile's family; or other  
17 information the court finds should be protected from public  
18 inspection in the best interests of the juvenile.

19 (b) Unless jurisdiction of the juvenile has been transferred  
20 to superior court, all law enforcement records and files  
21 concerning a juvenile shall be kept separate from the records and  
22 files of adults and shall be withheld from public inspection.  
23 The following persons may examine and obtain copies of law  
24 enforcement records and files concerning a juvenile without an  
25 order of the court:

34 (c) All records and files maintained by the Department  
35 pursuant to this Chapter shall be withheld from public  
36 inspection. The following persons may examine and obtain copies  
37 of the Department records and files concerning a juvenile without  
38 an order of the court:

- 39 (1) The juvenile and the juvenile's attorney;
- 40 (2) The juvenile's parent, guardian, custodian, or  
41 authorized representative;
- 42 (3) Professionals in the agency who are directly  
43 involved in the juvenile's case; and
- 44 (4) Court counselors.

1 Otherwise, the records and files may be examined or copied only  
2 by order of the court. The court may inspect and order the  
3 release of records maintained by the Department.

5 "Disclosure of Juvenile Information.

6 "§ 7B-3100. Disclosure of information about juveniles.

7 (a) The chief district court judge in each district shall  
8 designate by standing order certain agencies in the district as  
9 'agencies authorized to share information'. Agencies so  
10 designated shall share with one another, upon request,  
11 information that is in their possession that is relevant to any  
12 case in which a petition is filed alleging that a juvenile is  
13 abused, neglected, dependent, undisciplined, or delinquent and  
14 shall continue to do so until the juvenile is no longer subject  
15 to the jurisdiction of juvenile court. Agencies that may be  
16 designated as 'agencies authorized to share information' include  
17 local mental health facilities, local health departments, local  
18 departments of social services, local law enforcement agencies,  
19 local school administrative units, the district's district  
20 attorney's office, and the Office of Guardian ad Litem Services  
21 of the Administrative Office of the Courts. Any information  
22 shared among agencies pursuant to this section shall remain  
23 confidential, shall be withheld from public inspection, shall be  
24 used only for the protection of the juvenile, and shall be  
25 released in accordance with the provisions of the Family  
26 Educational and Privacy Rights Act as set forth in 20 USC §  
27 1232g. Nothing in this section or any other provision of law  
28 shall preclude any other necessary sharing of information among  
29 agencies. Nothing herein shall be deemed to require the  
30 disclosure or release of any information in the possession of a  
31 district attorney.

32 (b) Disclosure of information concerning any juvenile under  
33 investigation or alleged to be within the jurisdiction of the  
34 court that would reveal the identity of that juvenile is  
35 prohibited except that publication of pictures of runaways is  
36 permitted with the permission of the parents.

37 "§ 7B-3101. Notification of schools when juveniles are alleged  
38 or found to be delinquent.

39 (a) Notwithstanding G.S. 7B-3000, the juvenile court counselor  
40 shall deliver verbal and written notification of the following  
41 actions to the principal of the school that the juvenile attends:

42 (1) A petition is filed under G.S. 7B-1802 that alleges  
43 delinquency for an offense that would be a felony  
44 if committed by an adult;

- 1           (2) The court transfers jurisdiction over a juvenile to  
2           superior court under G.S. 7B-2200;  
3           (3) The court dismisses under G.S. 7B-2411 the petition  
4           that alleges delinquency for an offense that would  
5           be a felony if committed by an adult;  
6           (4) The court issues a dispositional order under  
7           Article 25 of Chapter 7B of the General Statutes  
8           including, but not limited to, an order of  
9           probation that requires school attendance,  
10          concerning a juvenile alleged or found delinquent  
11          for an offense that would be a felony if committed  
12          by an adult; or  
13          (5) The court modifies or vacates any order or  
14          disposition under G.S. 7B-2600 concerning a  
15          juvenile alleged or found delinquent for an offense  
16          that would be a felony if committed by an adult.

17       Notification of the school principal in person or by telephone  
18       shall be made before the beginning of the next school day.  
19       Delivery shall be made as soon as practicable but at least within  
20       five days of the action. Delivery shall be made in person or by  
21       certified mail. Notification that a petition has been filed shall  
22       describe the nature of the offense. Notification of a  
23       dispositional order, a modified or vacated order, or a transfer  
24       to superior court shall describe the court's action and any  
25       applicable disposition requirements. As used in this subsection,  
26       the term 'offense' shall not include any offense under Chapter 20  
27       of the General Statutes.

28       (b) If the principal of the school the juvenile attends  
29       returns any notification as required by G.S. 115C-404, and if the  
30       juvenile court counselor learns that the juvenile is transferring  
31       to another school, the juvenile court counselor shall deliver the  
32       notification to the principal of the school to which the juvenile  
33       is transferring. Delivery shall be made as soon as practicable  
34       and shall be made in person or by certified mail.

35       (c) Principals shall handle any notification delivered under  
36       this section in accordance with G.S. 115C-404.

37       (d) For the purpose of this section, 'school' means any public  
38       or private school in the State that is authorized under Chapter  
39       115C of the General Statutes.

40                               "ARTICLE 32.

41                               "Expunction of Juvenile Records.

42       "§ 7B-3200. Expunction of records of juveniles alleged or  
43       adjudicated delinquent and undisciplined.

2 petition in the court where the person was adjudicated  
3 undisciplined for expunction of all records of that adjudication.

4 (b) Any person who has attained the age of 16 years may file a  
5 petition in the court where the person was adjudicated delinquent  
6 for expunction of all records of that adjudication provided:

7 (1) The offense for which the person was adjudicated  
8 would have been a crime other than a Class A, B1,  
9 B2, C, D, or E felony if committed by an adult.

10 (2) The person has not subsequently been adjudicated  
11 delinquent or convicted as an adult of any felony  
12 or misdemeanor other than a traffic violation under  
13 the laws of the United States or the laws of this  
14 State or any other state.

15 Records relating to an adjudication for an offense that would  
16 be a Class A, B1, B2, C, D, or E felony if committed by an adult  
17 shall not be expunged.

18 (c) The petition shall contain, but not be limited to, the  
19 following:

20 (1) An affidavit by the petitioner that the petitioner  
21 has been of good behavior since the adjudication  
22 and, in the case of a petition based on a  
23 delinquency adjudication, that the petitioner has  
24 not subsequently been adjudicated delinquent or  
25 convicted as an adult of any felony or misdemeanor  
26 other than a traffic violation under the laws of  
27 the United States, or the laws of this State or any  
28 other state;

29 (2) Verified affidavits of two persons, who are not  
30 related to the petitioner or to each other by blood

34 petitioner's character and reputation are good;

35 (3) A statement that the petition is a motion in the  
36 cause in the case wherein the petitioner was  
37 adjudicated delinquent or undisciplined.

38 The petition shall be served upon the district attorney in the  
39 district wherein adjudication occurred. The district attorney  
40 shall have 10 days thereafter in which to file any objection  
41 thereto and shall be duly notified as to the date of the hearing  
42 on the petition.

43 (d) If the court, after hearing, finds that the petitioner  
44 satisfies the conditions set out in subsections (a) or (b) of

1 this section, the petitioner shall order and direct the clerk and  
2 all law enforcement agencies to expunge their records of the  
3 adjudication including all references to arrests, complaints,  
4 referrals, petitions, and orders.

5 (e) The clerk shall forward a certified copy of the order to  
6 the sheriff, chief of police, or other law enforcement agency.

7 (f) Records of a juvenile adjudicated delinquent or  
8 undisciplined being maintained by the chief court counselor, an  
9 intake counselor or a court counselor shall be retained or  
10 disposed of as provided by the Department.

11 (g) Records of a juvenile adjudicated delinquent or  
12 undisciplined being maintained by personnel at a residential  
13 facility operated by the Department, shall be retained or  
14 disposed of as provided by the Department.

15 (h) Any person who was alleged to be delinquent as a juvenile  
16 and has attained the age of 16 years, or was alleged to be  
17 undisciplined as a juvenile and has attained the age of 18 years,  
18 may file a petition in the court in which the person was alleged  
19 to be delinquent or undisciplined, for expunction of all juvenile  
20 records of the juvenile having been alleged to be delinquent or  
21 undisciplined if the court dismissed the juvenile petition  
22 without an adjudication that the juvenile was delinquent or  
23 undisciplined. The petition shall be served on the chief court  
24 counselor in the district where the juvenile petition was filed.  
25 The chief court counselor shall have 10 days thereafter in which  
26 to file a written objection in the court. If no objection is  
27 filed, the court may grant the petition without a hearing. If an  
28 objection is filed or the court so directs, a hearing shall be  
29 scheduled and the chief court counselor shall be notified as to  
30 the date of the hearing. If the court finds at the hearing that  
31 the petitioner satisfies the conditions specified herein, the  
32 court shall order the clerk and the appropriate law enforcement  
33 agencies to expunge their records of the allegations of  
34 delinquent or undisciplined acts including all references to  
35 arrests, complaints, referrals, juvenile petitions, and orders.  
36 The clerk shall forward a certified copy of the order of  
37 expunction to the sheriff, chief of police, or other appropriate  
38 law enforcement agency, and to the chief court counselor, and  
39 these specified officials shall immediately destroy all records  
40 relating to the allegations that the juvenile was delinquent or  
41 undisciplined.

42 "§ 7B-3201. Effect of expunction.

43 (a) Whenever a juvenile's record is expunged, with respect to  
44 the matter in which the record was expunged, the juvenile who is

1 the subject of the record and the juvenile's parent may inform  
2 any person or organization including employers, banks, credit  
3 companies, insurance companies, and schools that the juvenile was  
4 not arrested, did not appear before the court, and was not  
5 adjudicated delinquent or undisciplined.

6 (b) Notwithstanding subsection (a) of this section, in any  
7 delinquency case if the juvenile is the defendant and chooses to  
8 testify or if the juvenile is not the defendant and is called as  
9 a witness, the juvenile may be ordered to testify with respect to  
10 whether the juvenile was adjudicated delinquent.

11 "§ 7B-3202. Notice of expunction.

12 Upon expunction of a juvenile's record, the clerk shall send a  
13 written notice to the juvenile at the juvenile's last known  
14 address informing the juvenile that the record has been expunged  
15 and with respect to the matter involved, the juvenile may inform  
16 any person that the juvenile has no record. The notice shall  
17 inform the juvenile further that if the matter involved is a  
18 delinquency record, the juvenile may inform any person that the  
19 juvenile was not arrested or adjudicated delinquent except that  
20 upon testifying in a delinquency proceeding, the juvenile may be  
21 required by a court to disclose that the juvenile was adjudicated  
22 delinquent.

23 "ARTICLE 33.

24 "Computation of Recidivism Rates.

25 "§ 7B-3300. Juvenile recidivism rates.

26 (a) On an annual basis, the Department of Juvenile Justice  
27 shall compute the recidivism rate of juveniles who are  
28 adjudicated delinquent for offenses that would be Class A, B1,  
29 B2, C, D, or E felonies if committed by adults and who  
30 subsequently are adjudicated delinquent or convicted and shall  
31 report the statistics to the Joint Legislative Commission on  
32 Governmental Operations by December 31 each year.

33 (b) The chief court counselor of each judicial district shall  
34 forward to the Department relevant information, as determined by  
35 the Department, regarding every juvenile who is adjudicated  
36 delinquent for an offense that would be a Class A, B1, B2, C, D,  
37 or E felony if committed by an adult for the purpose of computing  
38 the statistics required by this section.

39 "SUBCHAPTER IV. PARENTAL AUTHORITY; EMANCIPATION.

40 "ARTICLE 34.

41 "Parental Authority Over Juveniles.

42 "§ 7B-3400. Juvenile under 18 subject to parents' control.

43 Notwithstanding any other provision of law, any juvenile under  
44 18 years of age, except as provided in G.S. 7B-3401 and G.S. 7B-

1 3402, shall be subject to the supervision and control of the  
2 juvenile's parents.

3 "§ 7B-3400.1. Definitions.

4 The definitions of G.S. 7B-101 and G.S. 7B-1501 apply to this  
5 Subchapter.

6 "§ 7B-3401. Exceptions.

7 This Article shall not apply to any juvenile under the age of  
8 18 who is married or who is serving in the armed forces of the  
9 United States, or who has been emancipated.

10 "§ 7B-3402. No criminal liability created.

11 This Article shall not be interpreted to place any criminal  
12 liability on a parent for any act of the parent's juvenile 16  
13 years of age or older.

14 "§ 7B-3403. Enforcement.

15 The provisions of this Article may be enforced by the parent,  
16 guardian, or person standing in loco parentis to the child by  
17 filing a civil action in the district court of the county where  
18 the child can be found or the county of the plaintiff's  
19 residence. Upon the institution of such action by a verified  
20 complaint, alleging that the defendant juvenile has left home or  
21 has left the place where the juvenile has been residing and  
22 refuses to return and comply with the direction and control of  
23 the plaintiff, the court may issue an order directing the  
24 juvenile personally to appear before the court at a specified  
25 time to be heard in answer to the allegations of the plaintiff  
26 and to comply with further orders of the court. Such orders shall  
27 be served by the sheriff upon the juvenile and upon any other  
28 person named as a party defendant in such action. At the time of  
29 the issuance of the order directing the juvenile to appear, the  
30 court may in the same order, or by separate order, order the  
31 sheriff to enter any house, building, structure or conveyance for  
32 the purpose of searching for the juvenile and serving the order  
33 and for the purpose of taking custody of the person of the  
34 juvenile in order to bring the juvenile before the court. Any  
35 order issued at said hearing shall be treated as a mandatory  
36 injunction and shall remain in full force and effect until the  
37 juvenile reaches the age of 18, or until further orders of the  
38 court. Within 30 days after the hearing on the original order,  
39 the juvenile, or anyone acting in the juvenile's behalf, may file  
40 a verified answer to the complaint. Upon the filing of an answer  
41 by or on behalf of the juvenile, any district court judge holding  
42 court in the county or district court district as defined in G.S.  
43 7A-133 where the action was instituted shall have jurisdiction to  
44 hear the matter, without a jury, and to make findings of fact,

1 conclusions of law, and render judgment thereon. Appeals from the  
2 district court to the Court of Appeals shall be allowed as in  
3 civil actions generally. The district court issuing the original  
4 order or the district court hearing the matter after answer has  
5 been filed shall also have authority to order that any person  
6 named defendant in the order or judgment shall not harbor, keep,  
7 or allow the defendant juvenile to remain on the person's  
8 premises or in the person's home. Failure of any defendant to  
9 comply with the terms of said order or judgment shall be  
10 punishable as for contempt.

11 "ARTICLE 35.

12 "Emancipation.

13 "§ 7B-3500. Who may petition.

14 Any juvenile who is 16 years of age or older and who has  
15 resided in the same county in North Carolina or on federal  
16 territory within the boundaries of North Carolina for six months  
17 next preceding the filing of the petition may petition the court  
18 in that county for a judicial decree of emancipation.

19 "§ 7B-3501. Petition.

20 The petition shall be signed and verified by the petitioner and  
21 shall contain the following information:

- 22 (1) The full name of the petitioner and the  
23 petitioner's birth date, and state and county of  
24 birth;  
25 (2) A certified copy of the petitioner's birth  
26 certificate;  
27 (3) The name and last known address of the parent,  
28 guardian, or custodian;  
29 (4) The petitioner's address and length of residence at  
30 that address;  
31 (5) The petitioner's reasons for requesting  
32 emancipation; and  
33 (6) The petitioner's plan for meeting the petitioner's  
34 needs and living expenses which plan may include a  
35 statement of employment and wages earned that is  
36 verified by the petitioner's employer.

37 "§ 7B-3502. Summons.

38 A copy of the filed petition along with a summons shall be  
39 served upon the petitioner's parent, guardian, or custodian who  
40 shall be named as respondents. The summons shall include the time  
41 and place of the hearing and shall notify the respondents to file  
42 written answer within 30 days after service of the summons and  
43 petition. In the event that personal service cannot be obtained,  
44 service shall be in accordance with G.S. 1A-1, Rule 4(j).

1 "§ 7B-3503. Hearing.

2 The court, sitting without a jury, shall permit all parties to  
3 present evidence and to cross-examine witnesses. The petitioner  
4 has the burden of showing by a preponderance of the evidence that  
5 emancipation is in the petitioner's best interests. Upon finding  
6 that reasonable cause exists, the court may order the juvenile to  
7 be examined by a psychiatrist, a licensed clinical psychologist,  
8 a physician, or any other expert to evaluate the juvenile's  
9 mental or physical condition. The court may continue the hearing  
10 and order investigation by a court counselor or by the county  
11 department of social services to substantiate allegations of the  
12 petitioner or respondents.

13 No husband-wife or physician-patient privilege shall be grounds  
14 for excluding any evidence in the hearing.

15 "§ 7B-3504. Considerations for emancipation.

16 In determining the best interests of the petitioner and the  
17 need for emancipation, the court shall review the following  
18 considerations:

- 19 (1) The parental need for the earnings of the  
20 petitioner;
- 21 (2) The petitioner's ability to function as an adult;
- 22 (3) The petitioner's need to contract as an adult or to  
23 marry;
- 24 (4) The employment status of the petitioner and the  
25 stability of the petitioner's living arrangements;
- 26 (5) The extent of family discord which may threaten  
27 reconciliation of the petitioner with the  
28 petitioner's family;
- 29 (6) The petitioner's rejection of parental supervision  
30 or support; and
- 31 (7) The quality of parental supervision or support.

32 "§ 7B-3505. Final decree of emancipation.

33 After reviewing the considerations for emancipation, the court  
34 may enter a decree of emancipation if the court determines:

- 35 (1) That all parties are properly before the court or  
36 were duly served and failed to appear and that time  
37 for filing an answer has expired; and
- 38 (2) That the petitioner has shown a proper and lawful  
39 plan for adequately providing for the petitioner's  
40 needs and living expenses; and
- 41 (3) That the petitioner is knowingly seeking  
42 emancipation and fully understands the  
43 ramifications of the act; and

1           (4) That emancipation is in the best interests of the  
2           petitioner.

3 The decree shall set out the court's findings.

4 If the court determines that the criteria in subdivisions (1)  
5 through (4) are not met, the court shall order the proceeding  
6 dismissed.

7 "§ 7B-3506. Costs of court.

8 The court may tax the costs of the proceeding to any party or  
9 may, for good cause, order the costs remitted.

10 The clerk may collect costs for furnishing to the petitioner a  
11 certificate of emancipation which shall recite the name of the  
12 petitioner and the fact of the petitioner's emancipation by court  
13 decree and shall have the seal of the clerk affixed thereon.

14 "§ 7B-3507. Legal effect of final decree.

15 As of entry of the final decree of emancipation:

16           (1) The petitioner has the same right to make contracts  
17           and conveyances, to sue and to be sued, and to  
18           transact business as if the petitioner were an  
19           adult.

20           (2) The parent or guardian is relieved of all legal  
21           duties and obligations owed to the petitioner and  
22           is divested of all rights with respect to the  
23           petitioner.

24           (3) The decree is irrevocable.

25 Notwithstanding any other provision of this section, a decree of  
26 emancipation shall not alter the application of G.S. 14-326.1 or  
27 the petitioner's right to inherit property by intestate  
28 succession.

29 "§ 7B-3508. Appeals.

30 Any petitioner, parent, or guardian who is a party to a  
31 proceeding under this Article may appeal from any order of  
32 disposition to the Court of Appeals provided that notice of  
33 appeal is given in open court at the time of the hearing or in  
34 writing within 10 days after the hearing. Pending disposition of  
35 an appeal, the court may enter a temporary order affecting the  
36 custody or placement of the petitioner as the court finds to be  
37 in the best interests of the petitioner or the State.

38 "§ 7B-3509. Application of common law.

39 A married juvenile is emancipated by this Article. All other  
40 common-law provisions for emancipation are superseded by this  
41 Article.

42                                   "ARTICLE 36.

43 "Judicial Consent for Emergency Surgical or Medical Treatment.

1 "§ 7B-3600. Judicial authorization of emergency treatment;  
2 procedure.

3 A juvenile in need of emergency treatment under Article 1A of  
4 Chapter 90 of the General Statutes, whose physician is barred  
5 from rendering necessary treatment by reason of parental refusal  
6 to consent to treatment, may receive treatment with court  
7 authorization under the following procedure:

8 (1) The physician shall sign a written statement  
9 setting out:

- 10 a. The treatment to be rendered and the emergency  
11 need for treatment;  
12 b. The refusal of the parent, guardian, or person  
13 standing in loco parentis to consent to the  
14 treatment; and  
15 c. The impossibility of contacting a second  
16 physician for a concurring opinion on the need  
17 for treatment in time to prevent immediate  
18 harm to the juvenile.

19 (2) Upon examining the physician's written statement  
20 prescribed in subdivision (1) of this section and  
21 finding:

- 22 a. That the statement is in accordance with this  
23 Article, and  
24 b. That the proposed treatment is necessary to  
25 prevent immediate harm to the juvenile.

26 The court may issue a written authorization for the  
27 proposed treatment to be rendered.

28 (3) In acute emergencies in which time may not permit  
29 implementation of the written procedure set out in  
30 subdivisions (1) and (2) of this section, the court  
31 may authorize treatment in person or by telephone  
32 upon receiving the oral statement of a physician  
33 satisfying the requirements of subdivision (1) of  
34 this section and upon finding that the proposed  
35 treatment is necessary to prevent immediate harm to  
36 the juvenile.

37 (4) The court's authorization for treatment overriding  
38 parental refusal to consent should not be given  
39 without attempting to offer the parent an  
40 opportunity to state the reasons for refusal;  
41 however, failure of the court to hear the parent's  
42 objections shall not invalidate judicial  
43 authorization under this Article.

1           (5) The court's authorization for treatment under  
2           subdivisions (1) and (2) of this section shall be  
3           issued in duplicate. One copy shall be given to  
4           the treating physician and the other copy shall be  
5           attached to the physician's written statement and  
6           filed as a juvenile proceeding in the office of the  
7           clerk of court.

8           (6) The court's authorization for treatment under  
9           subdivision (3) of this section shall be reduced to  
10          writing as soon as possible, supported by the  
11          physician's written statement as prescribed in  
12          subdivision (1) of this section and shall be filed  
13          as prescribed in subdivision (5) of this section.

14 The court's authorization for treatment under this Article shall  
15 have the same effect as parental consent for treatment.

16 Following the court's authorization for treatment and after  
17 giving notice to the juvenile's parent, the court shall conduct a  
18 hearing in order to provide for payment for the treatment  
19 rendered. The court may order the parent or other responsible  
20 parties to pay the cost of treatment. If the court finds the  
21 parent is unable to pay the cost of treatment, the cost shall be  
22 a charge upon the county when so ordered.

23 This Article shall operate as a remedy in addition to the  
24 provisions in G.S. 7B-903, 7B-2501, and 7B-2504.

25           "SUBCHAPTER V. PLACEMENT OF JUVENILES.

39 Department of Health and Human Services or its agents shall have  
40 the same right of visitation and supervision of the child and the  
41 home in which it is placed as in the case of a child placed by  
42 the Department or its agents as long as the child shall remain  
43 within the State and until the child shall have reached the age  
44 of 18 years or shall have been legally adopted.

1 "§ 7B-3701. Bond required.

2     The Social Services Commission may, in its discretion, require  
3 of a person, agency, association, institution, or corporation  
4 which brings or sends a child into the State with the written

15     No child shall be taken or sent out of the State for the  
16 purpose of placing the child in a foster home or in a child-  
17 caring institution without first obtaining the written consent of  
18 the Department of Health and Human Services. The foster home or  
19 child-caring institution in which the child is placed shall  
20 report to the Department of Health and Human Services at such  
21 times as the Department of Health and Human Services may direct  
22 as to the location and well-being of such child until the child  
23 shall have reached the age of 18 years or shall have been legally  
24 adopted.

25 "§ 7B-3703. Violation of Article a misdemeanor.

26     Every person acting for himself or for an agency who violates

40 parent, stepparent, grandparent, uncle or aunt of such child, or  
41 by a brother, sister, half brother, or half sister of such child,  
42 if such brother, sister, half brother, or half sister is 18 years  
43 of age or older.

"ARTICLE 38.

1           "Interstate Compact on the Placement of Children.

2   "§ 7B-3800. Adoption of Compact.

3       The Interstate Compact on the Placement of Children is hereby  
4 enacted into law and entered into with all other jurisdictions  
5 legally joining therein in a form substantially as contained in  
6 this Article. It is the intent of the General Assembly that  
7 Article 4 of this Chapter shall govern interstate placements of  
8 children between North Carolina and any other jurisdictions not a  
9 party to this Compact. It is the intent of the General Assembly

12           Article I. Purpose and Policy.

13       It is the purpose and policy of the party states to cooperate

19 facilities to provide a necessary and desirable degree and type  
20 of care.

21       (b) The appropriate authorities in a state where a child is to

27     The executive head of each jurisdiction party to this Compact  
28 shall designate an officer who shall be general coordinator of  
29 activities under this Compact in the officer's jurisdiction and

33 law. If the principal determines that parent, guardian, or  
34 custodian has not, he shall notify the district attorney. If he  
35 determines that parent, guardian, or custodian has, he may file a  
36 complaint with the juvenile intake counselor ~~under G.S. 7A-561~~

29 Section 22A. The Department of Juvenile Justice, in  
30 cooperation with the N.C. Sentencing and Policy Advisory  
31 Commission, shall study blended sentencing and direct filing in  
32 certain juvenile cases. The study shall include, among other  
33 issues, consideration of whether North Carolina should adopt a  
34 criminal-inclusive model of blended sentencing whereby (i) a  
35 presiding superior court judge may simultaneously impose a  
36 juvenile disposition and an adult criminal disposition upon a  
37 juvenile transferred to superior court, and (ii) execution of the  
38 adult criminal disposition is suspended during imposition of the  
39 juvenile disposition and pending a violation or re-offense by the

3 study, including any legislative recommendations, to the 2001

8 substance abuse prevention programs provided for in this act.  
9 The study shall consider whether the process should be designed  
10 in such a way that funds are allocated to a program for a  
11 specific juvenile being served by the program, and whether the  
12 allocated funding should then follow that juvenile. The  
13 Department shall also consider whether a county should continue  
14 to fund services for a juvenile who has been receiving  
15 delinquency prevention services and is subsequently adjudicated  
16 delinquent and committed to training school, and whether, if  
17 still appropriate to reduce the recidivism risk, the county  
18 should send the program dollars to the training school. The  
19 Department shall report its findings and recommendations, by  
20 April 1, 1999, to the Fiscal Research Division of the General  
21 Assembly and to the Chairmen of the House and Senate

To: Representative Chuck Neely  
From: Janet Mason  
Date: June 16, 1998  
Subject: House Bill 1373—Direct Filing and Blended Sentencing

CB# 3330 Knapp Building  
Chapel Hill, NC 27599-3330  
919 966-5381

At the Judiciary II Committee meeting on June 11, a number of issues relating to the provisions for direct filing and blended sentencing in House Bill 1373 were mentioned. You asked me to prepare a list of those issues and, with others, to provide information about possible approaches to addressing them. Following is a summary of the issues. My colleagues Jim Drennan and Bob Farb have contributed to it. Marcia Morey has reviewed it, and I sent copies of it to Susan Hayes and Beth Barnes. I will work with them to respond to the second part of your request.

I am faxing this to our legislative office in order to get it to you today, but I will also mail you a copy.

## DIRECT FILING

### Background

In general, "direct filing" refers to the authority of a prosecutor to charge a juvenile as an adult without proceeding first through any juvenile court process. It represents one of the three major ways that states can provide for the prosecution of juveniles as adults. North Carolina currently does not provide for direct filing, but relies instead on the other two methods, by (1) providing by statute that all juveniles will be prosecuted as adults for offenses committed while they are sixteen or seventeen years old and (2) authorizing (or, in cases of first-degree murder, requiring) the district court to transfer a juvenile's case to superior court for trial as an adult if the court finds probable cause to believe that the juvenile committed a felony while age thirteen, fourteen, or fifteen.

House Bill 1373, in G.S. 7B-2200(b), provides as follows:

... [T]he prosecutor may file charges in superior court against a juvenile who was 15 years of age at the time the juvenile allegedly committed an offense that would be a Class A, B1, B2, C, D, or E felony if committed by an adult.

The Juvenile Code committee of the Governor's Commission on Juvenile Crime and Justice discussed, but did not recommend, direct filing. The full commission recommended direct filing, as provided in the bill, but made clear that this recommendation was contingent on the inclusion of blended sentencing in the legislation.

### Issues

1. *How would a prosecutor "file charges"? What does "direct filing" mean in the context of North Carolina criminal procedure?*

In North Carolina, in cases of persons who are sixteen or older, felony charges come about in one of two ways: (a) based on a sworn statement, the magistrate finds probable cause and issues a warrant charging the person with a felony or (b) the prosecutor submits a bill of indictment to the grand jury and seeks to have the person indicted. The latter is the only sense in which prosecutors in North Carolina are authorized to "file" felony charges. In many districts, of course, grand juries meet only infrequently.

- If the bill refers to the prosecutor's authority to submit a bill of indictment to a grand jury, do juvenile procedures apply until that occurs? If so, in some cases, a juvenile probable cause and transfer hearing may have taken place before the grand jury meets.
- If the bill refers to some other means by which the prosecutor may "file charges," that would represent a new procedure that needs to be fully developed.
- Or, does the bill mean that juvenile procedures apply until the district court makes a finding of probable cause, at which point the prosecutor rather than the judge decides whether the case should be transferred to superior court?

To some extent, the statement of other issues relating to "direct filing" depends on what that term means.

2. *Coordination among law enforcement, intake counselors, and prosecutors*
  - a. How does law enforcement proceed when a 15-year-old is taken into custody for an A-E felony?
  - b. If the juvenile needs to be kept in custody, does the officer communicate with the intake counselor, the prosecutor, or both?
  - c. If the intake counselor approves the filing of a juvenile petition so that an order for secure custody can be obtained, what happens if the prosecutor later elects to "file charges directly" in superior court?
3. *Discretion of prosecutor*
  - a. Is there a risk that prosecutors will "directly file" when they have insufficient evidence to support charging an A-E felony?
  - b. Is it reasonable to establish statutory criteria for judges to apply in deciding whether to transfer a case, but not to provide criteria for prosecutors to apply in deciding whether to "direct file"?
  - c. At what point in a case can the prosecutor exercise discretion to "direct file"?
4. *Rights of the juvenile*
  - a. Are the juvenile's rights comparable to those of a juvenile whose case is transferred to superior court or to those of a sixteen- or seventeen-year-old who is charged initially as an adult?
  - b. When the prosecutor "directly files," is the juvenile held in a juvenile detention facility (like a juvenile whose case is transferred) or in jail?
  - c. Is there any right to review of the prosecutor's decision to "direct file"?
  - d. At what point would the juvenile's name and other information about the case be public?

Purpose

- If a purpose of providing for "direct filing" is to expedite the handling of the case, the bill's time limits for the holding of probable cause and transfer hearings address that issue to some extent. It could be addressed further by providing for expedited appeals from transfer orders.
- Are there other purposes that "direct filing" is intended to serve?

## BLENDING SENTENCING

### Background

“Blended sentencing” refers to the court’s ability to subject a person who is either adjudicated delinquent or convicted as an adult to both an adult sentence and a juvenile disposition. A variety of approaches to blended sentencing exist in other states; none currently exists in North Carolina. (Under current law, a juvenile may be under both a juvenile disposition and an adult sentence, but not for the same offense. A sixteen-year-old, for example, may be on probation or in training school for an offense he or she committed before age sixteen. If that juvenile commits a new offense, he or she will be prosecuted and sentenced as an adult for that new offense.)

The Sentencing/Disposition committee of the Governor’s Commission on Juvenile Crime and Justice discussed, but did not recommend, blended sentencing. The full commission recommended blended sentencing in the form reflected in Section 5 of the bill, by adding a provision (new G.S. 15A-1340.16B) to the adult structured sentencing statute. This form of blended sentencing does not affect the district court’s authority in juvenile cases, although it might influence a district court judge’s decision about whether to transfer a case to superior court. It gives the superior court authority, when a defendant is convicted for a felony offense that he or she committed while under age sixteen, to suspend an adult sentence on the condition that the defendant successfully complete both the conditions of adult probation and any juvenile disposition that the court finds appropriate. If the defendant did not complete the conditions successfully, the suspended active sentence could be activated.

Adult sentencing has two basic components—imprisonment and probation, and all probation is performed in lieu of serving an active sentence. Adult defendants may have their probation modified, but they may not be resentenced for the same offense. In a juvenile proceeding, there is no suspended sentence; however, a juvenile who does not comply with the terms of probation or other disposition order may have another, more stringent disposition imposed. The bill contemplates that the adult rules govern in cases of blended sentencing.

The differences between the adult sentencing system and the juvenile disposition system raise some questions about how blended sentence would be implemented. A number of these are not answered by the current language in the bill.

### Issues

#### 1. *Consistency with structured sentencing*

- Some juveniles tried as adults will have prison sentences imposed that will expire well past their 18<sup>th</sup> or 19<sup>th</sup> birthdays. Many of those involve sentences that cannot be suspended for persons sixteen or older. Is it the intent of blended sentencing to override this aspect of structured sentencing for defendants who committed offenses before they were sixteen?
- Proposed G.S. 15A-1340.16B(c) provides that the court shall consider the juvenile’s age and needs, and available resources, in determining whether to

suspend the active sentence. Are there other factors that need to be considered and, if so, should they be included in the statute? Possibilities include the seriousness of the offense, the defendant's prior juvenile record, the harm caused by the offense, the need for public safety, etc. In other contexts in which the court suspends a sentence that is otherwise required to be activated, the court must make findings (substantial assistance in drug trafficking cases, G.S. 90-95(h)(5); extraordinary mitigation, G.S. 15A-1340.13(g)). Should that be the case for blended sentencing? If so, what findings should be required?

## 2. *Training school issues*

- In the bill, G.S. 15A-1340.16B(b) contemplates that the Department of Juvenile Justice may confine a defendant under blended sentencing. Does it mean that the defendant sentenced under the blended sentencing rules may have as a condition of adult probation a condition that he or she be committed to training school? If so, on what terms? Does the six-month minimum apply? Does the two-year maximum for definite commitments apply? Does the Department of Juvenile Justice have the power to release a defendant sentenced under blended sentencing?
- If a defendant sentenced under blended sentencing is committed to the Department of Juvenile Justice for placement in training school, does the defendant receive jail credit if he or she ultimately has to serve the active sentence in an adult facility?
- May the period of commitment in training school exceed the length of the suspended sentence in adult court?
- The draft contemplates that the defendant may be held in training school until his or her 19<sup>th</sup> birthday. Normally, juveniles are not kept past their 18<sup>th</sup> birthdays without a court review of the need to keep them another year. What procedure would apply under blended sentencing—application to the court? which court? by whom? by court order without application? when—at sentencing or during probation?

## 3. *Supervision and administration issues*

- The bill requires that both a probation officer and a juvenile court counselor be assigned to supervise and monitor the juvenile's progress. What are these people's roles in relation to each other and to the juvenile? Who is responsible for supervision of the juvenile? Are probation violation proceedings initiated by the court counselor, by the probation officer, or by either?
- The bill says that the court "shall consider the dispositional report" of the chief court counselor." When a case is transferred to superior court, however, the court counselor has no further responsibility in the case and would not be preparing a dispositional report. Would the superior court order the court counselor to prepare such a report? If so, when? Would a pre-sentencing report also be prepared?
- The bill limits the judge to the conditions spelled out in G.S. 7B-2504. May the report consider and the judge order the conditions in G.S. 7B-2506 as well?
- An adult probation officer has certain powers to order a defendant to do things that the court has not ordered, if the defendant has committed a violation of the

probation. G.S. 15A-1343.2. The bill gives court counselors similar authority in juvenile cases, but allows the court counselor to make the decision regardless of whether a violation has occurred. G.S. 7B-2506(b). In adult cases, the rule applies unless the judge specifically exempts the defendant from the rule; in juvenile cases, the rule applies only if the court includes delegation to the court counselor in the dispositional order. Which rule applies in a blended sentencing case?

- A juvenile may be placed under supervision of a court counselor for no more than two years. Adults may be placed under adult probation supervision for five years. May the superior court order a period of supervision by a court counselor for more than two years?

#### 4. *Other Issues*

- If the defendant, though charged with a felony, pleads to or is convicted of only a misdemeanor, blended sentencing does not appear to be available.
- Are there any felonies (first-degree murder?) for which blended sentencing should not be available?
- Substantial training may be required to give superior court judges sufficient understanding of juvenile dispositions and resources; to give adult probation officers greater awareness of juvenile dispositions; and to give court counselors sufficient understanding of superior court procedures.

#### Purpose

What is the purpose of blended sentencing?

1. *To begin to build an adult record for juvenile offenders who commit serious crimes?*

This purpose might be achieved through records provisions, without involving the superior court.

2. *To provide a check on the district court judge's decision to transfer a juvenile to the adult court (and, if direct filing is enacted, on the prosecutor's decision to charge the juvenile directly as an adult)?*

It might be possible to provide a check on transfer decisions through expedited appeals of transfer orders and tightened standards for the transfer decision.

3. *To make available to young offenders in the adult system the benefit of juvenile services?*

It might be possible to provide juvenile services to young persons in the adult system

- a. by rewriting G.S. 7B-2514 (Transfer authority of the Governor) to deal more adequately with when, how, and under what conditions a person in an adult jail or penal facility may be transferred to a residential facility of the Department of Juvenile Justice; and/or
- b. by adding to the structured sentencing law a new category of special conditions of probation that reflect appropriate juvenile services or dispositional provisions that are not already available under adult probation.

4. *Some other purpose?*

**A RARE SUCCESS:** A Durham police officer searches a suspect in a car theft on East Pettigrew Street in early March. The youth — and three other juveniles — were

nabbed after the stolen vehicle crashed. Police complain that juvenile confidentiality laws handcuff their investigations into crimes committed by youths.

# Confidentiality: Outdated code of juvenile justice stymies police

By CHRISTOPHER KIRKPATRICK  
The Herald-Sun

A recent rash of car thefts by youngsters with a penchant for joy riding has Durham police working harder than if adults were stealing the autos.

The officers have no fingerprints or photos on file to connect any of the young criminals to the stolen cars. Authorities are not allowed to collect the information on the juveniles.

That means police must use their own eyewitness accounts as they patrol the streets to charge the youths, or catch them literally behind the wheel.

The officers blame a confidentiality law for juveniles, which prevents even police from seeing photos, fingerprints or other information about youths' previous crimes. The law makes it harder to arrest and convict young criminals, complain officers, who want the law changed.

Some savvy juveniles are so aware of the investigative shortcomings they avoid middle-school yearbook pictures because they know police will try to use the

photos for identification.

And while the confidentiality law is meant to protect juveniles — to ensure they get a chance at a fresh, record-free start as adults — critics feel the law puts the public at risk.

"We can maintain confidentiality and do so in a way that protects the public," said John Schwade, a child psychologist

who works with juvenile offenders at C.A. Dillon Training School in Butner. "Certainly, it would be in the public interest to show a victim a picture, and have them say, 'Yeah, that was the person who said they were going to kill me.'"

**FRUSTRATIONS BUILD:** Durham police youth investigator Jackie Vann has strong suspicions that four juveniles caught in a stolen car are responsible for a rash of earlier auto thefts, but says that with-

out access to physical evidence — fingerprints and mug shots — officers are faced with a nearly impossible task trying to prove it in court. Police want juvenile confidentiality laws rewritten.

## SYSTEM FROM A1

files of young criminals just for their own investigative use. Now, they have nothing.

Others believe the public should know about juveniles who murder or rape or commit some other serious crime.

"There's no record, and if you have a case where there is physical evidence, it doesn't do you any good unless you have the fingerprints on file, even if it's just for law enforcement use," said Michael Kantorowski, a detective with the Durham Police Department's youth division. "Especially with the serious things, law enforcement has to have access to that information."

In other states, judges are opening juvenile courts to the press and public. Police applaud the moves.

But in Durham, the dearth of mug shots sometimes hinders or destroys otherwise solid cases as the reliability of eyewitness accounts comes under scrutiny in court.

In one case, a woman was raped in her home and recognized a local youth as the culprit.

The police could use only her testimony to say it was him because juveniles cannot participate in lineups. Officers did not have a photo for her to use to identify him and there were no fingerprints because of the confidentiality rule.

The youth, 15, would have been like a ghost if the woman had not known him and her testimony had not been so solid, said Jackie Vann, the Durham police youth investigator who worked the case.

"She could describe him to a T, but we didn't have a picture," Vann said. "It hurt our case, but we didn't lose it. Her testimony was good enough."

A reform of juvenile laws several years ago took a step toward resolving some law enforcement complaints. Judges now may use a juvenile's past convictions for some serious felonies after a child

becomes an adult or is bound over to Superior Court.

But police say that change — and another that allows juveniles as young as 13 to be charged as adults for serious crimes — is not enough.

The law also makes it difficult to pin several crimes on the same youth, Kantorowski said, because a juvenile usually is only charged with the crime he is caught committing.

"It's all the same kids doing the same things," he said. "This is the trouble. It appears to be the same kids doing the same things."

The confidentiality rule is meant to keep a juvenile's identity secret, so that after he serves time in training school — or even probation for a minor crime such as shoplifting — he has a fresh start, without a criminal record trailing him into adulthood.

Other programs, such as Teen Court, are designed to settle cases without creating a juvenile record in the first place.

In Teen Court, juveniles' peers argue the cases — usually minor thefts or fights — while adults guide the process.

Despite the obstacles they cite, Durham police have made four arrests in the spate of auto thefts. But the investigations, and many others involving juveniles, have been more cumbersome than they should be, Vann said.

Police arrested the four juveniles behind the wheel, and they probably are responsible for most of the other thefts, Vann said. But there is no physical evidence.

"You could have seen him in other cars, [but you're not 100 percent sure], and you have nothing you can stick it to him on," she said. "They don't have fingerprints on file, and so that's basically a stolen car they get away with. You can only bust them for one at a time."

## Critics, reformers cite lack of homes, juvenile offenders within their walls

By CHRISTOPHER KIRKPATRICK  
The Herald-Sun

Many young lawbreakers fear the Durham Youth Home door — not when it locks behind them, but when it opens to let them out.

On the other side of security and structure, real life pulsates with the pressures, the drugs, the poverty and the people who pushed the teens into their predicaments.

"A lot of people find safety in the Youth Home," said Marcia Morey, a Durham juvenile prosecutor.

But for Curtis — a 15-year-old murderer who turned 16 in jail awaiting trial — life outside the home held everything he cherished: freedom, more drinking and drugs and the camaraderie of his West End neighborhood.

### 1994 breakout

In June 1994, he and five other juveniles overpowered a guard, stole keys and escaped.

The rest were captured quickly. But Curtis spent 92 days on the outside, partying and getting high — until a neighbor tipped police that he was sleeping in a car outside his mother's Gerard Street home.

Yet other juveniles who could have fled through the open door stood frozen, refusing to leave. They just wanted to get their sentences over with, they later told authorities.

In the end, they were just children afraid to step outside. The Youth Home may have

represented a second chance for them, or even a fifth chance — or maybe just some relief from the outside world.

At the 15-bed home, inmates go to school, and attentive adults

For many, the home — the only one in North Carolina completely funded by a county — stands as a sterling example of what works and could work on a wider scale. It's a middle ground for juvenile delinquents, a place and punishment somewhere between harsh training schools for more violent offenders and the go-easy approach of probation and treatment.

Critics and would-be reformers of the juvenile-justice system say there are not enough youth homes, or enough juveniles inside them.

### Choice is lost

Too few teens, the critics say, get a chance to look at the door and wonder if they would leave if it were left open.

Too few are allowed the choice to change their lives as they await trial, to take classes in the structured atmosphere.

Too many are sent home to await trial — in effect put back on the streets — although judges, prosecutors and even defense attorneys agree some of the teens should be locked up in places like the Youth Home.

But its few beds usually are full. Instead, juveniles are either sent home or to one of seven state-run centers. Usually it's home — to wait for weeks before they hear anything from the courts.

Sheriffs' departments are frustrated at having to haul juveniles all over the state to find empty beds — over the time demands and questions of who picks up the tab.

Critics see it as a musical-chairs system with far more juveniles deserving jail time — in whatever form — than there are beds.

In Mecklenburg County, two juvenile courts run all week, every week. Though Mecklenburg has the largest juvenile population in North Carolina, a state-run detention center — like a county jail for juveniles — offers only 24 beds.

"Some kids do need to be in detention, and sometimes that's available and sometimes it isn't," said Judy Adams, assistant clerk of Mecklenburg County Superior Court.

Because the children often are sent home, the juvenile-justice system has created a sense of invincibility among young offenders, say

juvenile prosecutors, court counselors, police and judges. Whatever the petty crime, the teens think they'll face no real punishment — only the inconvenience of juvenile-court appearances and probation

### Recidivism

**Harsher** punishments, even when they are handed down, often don't work, either.

Statistics show that four out of five inmates released from training school commit another crime.

Many probation officers (called court counselors in juvenile court) say it's often too late to help by the time they see many of the 13-, 14- and 15-year-olds they monitor — who may have raped, murdered or seriously hurt someone.

In late March, a Charlotte judge ordered three juveniles into detention while they awaited trial for assaults and other charges. Instead, they went home to mother. Not one juvenile detention bed in the state was available.

Children a judge deemed dangerous were allowed back on the street. It's a problem in most urban areas of North Carolina.

Juvenile murderers and rapists are never sent home. But those who commit the in-between crimes — car thefts, assaults, larcenies — many times go unpunished because of too few beds and resources.

### A look at training schools

The youth homes and detention beds are only the first layer in a North Carolina juvenile system many say is broken.

Some, including Gov. Jim Hunt, point to training schools — where young criminals serve longer sentences — as dangerous or inadequate. Others say the schools are training grounds for adult crime, since statistics show 80 percent break the law again.

Old state statistics don't track the youths after they turn 16 because they technically no longer are juveniles. That, Morey said, creates a false picture about training schools and their ability to rehabilitate.

"He'll be released at 16, and the very next day, he commits murder, and it's not counted [as a repeat offense because he's

technically an adult," Morey said.

The state says repeat offenses after training school are under 12 percent, she said. "But what they don't tell you is a lot of these kids get out at 16, and we don't track them."

Some who work with training school inmates say locking up the teens only works with the cooperation of every segment of society.

Training schools are easy targets when, in reality, the problem is much more complex than pointing a finger in one direction, said John Schwade, a staff psychologist at C.A. Dillon Training School in Butner.

It's like giving a diabetic emergency insulin at the hospital, releasing him, then blaming the emergency room when he goes home and doesn't get his shots, Schwade said.

That's not the hospital's fault. And it's not the training school's fault when 80 percent of the parents don't come to planning sessions with their children, he said, or when families or peers push a child back into crime.

"There is no after care. That's the biggest worry," Schwade said.

### **Family pressure to deal**

One training-school inmate earned his high-school diploma while locked up and was accepted into a four-year college, Schwade said. But his drug-dealing family pressured him back into the business, he said.

"He was afraid his family would be upset," Schwade said. "He didn't go. That's what we're up against."

When police arrested Curtis Barnette several months after the murder, the court identified him as possibly mentally ill and dangerous. A judge ordered him to Dorothea Dix Hospital for evaluation, then to the Youth Home to await trial.

Before he killed, Curtis never had had a long stay in detention, despite his extensive juvenile record and numerous court appearances.

No one ever gave him the "insulin," but he also may not have accepted it, either. His mother and a teacher who took a special interest in him tried to force the "insulin needle" in, but Curtis skipped school, sold drugs and roamed the streets.

When he saw the open Youth Home door in June 1994, he ran.

Four years after his escape, Curtis ponders his three months on the lam. Officially, the charge was leaving the Youth Home "without posting bond."

But it was really a jail break, and a bold one.

"I was the same," he says. "I was still stupid, just getting high and going to these little clubs and whatnot."

He opens a white, cardboard folder and gingerly removes a group photo of him and his friends someone snatched while he was on the run — stashed by his buddies in different homes.

His mother has the same photo in her apartment — a brightly dressed, smiling Curtis striking a party pose with his friends.

### **A fatal encounter**

Five months before the photo was taken, Curtis — high and drunk — settled an argument on a West End street corner with three shots from a sawed-off .22-caliber rifle. Eric Donell Brown, 25, died with three bullets in him, one in the eye.

Today, Curtis doesn't smile so much. He is more reflective, sober and doing his time at Polk Youth Institution in Butner.

And he knows there won't likely be another open door — not until 2004, the earliest he could be paroled.

**Tomorrow:** A regretful Curtis comes to terms with the possibility of spending the rest of his life behind bars.

THURSDAY, JUNE 11, 1998

answered his own anguished question: "Over a car." Gibson wanted a car and killing Haddon was a way to get it.

Other homicides seem even more meaningless. Last New Year's Eve, police say, three

teen-agers shot and killed a taxi driver for his pocket change.

Many juvenile murderers kill for something they can't have and see violence as an acceptable way to get it, experts say.

HADDON

It's like a temper tantrum by a spoiled child — only one capable of killing.

"It's very utilitarian," said John Schwade, a psychologist who works with the most violent youth at C.A. Dillon Training School in Butner. "Some of these kids have learned from the earliest years that you do what you can to get what you want. When somebody kills, there are a lot of immediate rewards. They get something from you, or they stop you from hurting them."

### Auto déjà vu

For Gregory Gibson, it was Mary Haddon's car.

It was a car, too, for Melanie Gray. The 14-year-old Durham girl and her 19-year-old boyfriend, Todd Boggess, kidnapped Daniel Pence in Wilmington, drove him to Durham and killed him — because Gray wanted his sporty Ford Mustang.

Boggess is on death row at Central Prison in Raleigh; Gray is serving a sentence at Women's Prison in Raleigh. She could be released in about eight years.

Gibson, though, is out on the streets, after serving a five-year sentence in training school.

At the time of his crime, he was too young, by a year, to be tried as an adult. And he could not, by law, stay in training school beyond his 18th birthday.

After Haddon's gruesome death, lawmakers changed the juvenile code to allow 13-year-olds into adult court to be tried for certain felonies. But the changes did not apply to Gibson.

Gov. Jim Hunt repeatedly has invoked Haddon and Gibson's names in his quest for more juvenile-justice reform.

# Violent trend baffles even crime experts

## Retired homicide detective still puzzled why teen killed for car

By CHRISTOPHER KIRKPATRICK  
The Herald-Sun

A Durham homicide detective retired with the vision of Mary Haddon and her violent death burned into his mind.

He couldn't shake the image of the dead 90-year-old woman and the young age of her attacker, who bludgeoned her with a gardening tool because he wanted to steal her car.

GRAY

It was a new brand of crime that Durham, in 1992, could not take — a 13-year-old beating an elderly woman for nothing more than a short joyride in her car.

Haddon was eating breakfast one early morning when Gregory Gibson, a recent middle school graduate, broke through a window after walking from a friend's party. He chose her house at

random.

The postman and neighbors all looked out for Haddon, making sure she was healthy and OK. On the morning she was found dead, a newspaper deliveryman noticed two papers stacked on her front porch and grew concerned. He discovered the broken window beside the front door, then her body.

Police found Haddon's car only a few blocks from her home.

News of the crime and capture of a 13-year-old rocked a community long accustomed to crime and violence, but never to murder from someone so young.

Back in 1993, when he retired, detective Jerry Wilkerson asked the same question many in Durham had on their mind: "Over a car. Why kill somebody over a car?"

Even with his own experience investigating murders, he couldn't come up with an answer that made sense.

### More pain, confusion

In the years since Wilkerson asked his question, Durham and the country have felt more of the pain and confusion young killers inflict on societies trying to answer the big "why."

Ironically, Wilkerson may have

## More teen killers

Police say teens also were involved in the murder last New Year's Eve of cabbie Tracey Price on North Buchanan Boulevard.

Three boys, 15, 16 and 17, have been charged with the murder: Eric Bobbitt, 17, and Anthony Bobbitt, 16, are brothers.

In February, the 15-year-old was sent to Superior Court to be tried as an adult. But his Durham lawyer, Brian Aus, has promised to appeal the decision all the way to the state Supreme Court, and so the youth's name has not yet been released.

Aus has argued that the evidence against the teen is so scant that releasing his name would not be appropriate because he technically is still a juvenile.

Other youth crime has forced Durham to examine how its children are raised and how far residents can go to protect themselves.

One day in 1993, Michael Seagroves helped several teens repair a go-kart they rode in his Woodcroft community.

The youths noticed a motorcycle in his garage and returned within days to try to steal it.

But Seagroves was home with his sick infant son when he heard a loud bang and looked into his attached garage to see five youths. He grabbed his .22-caliber rifle and confronted them.

Accounts conflicted about whether they moved toward him or simply turned and ran. But at some point Seagroves opened fire, fatally wounding 15-year-old Jamal Evans Elliot. Clifton Hester Taft was hit in the head and shoulder but survived.

The shooting, which touched homeowners rights as well as juvenile crime, sparked one of the most controversial cases in Durham's judicial history and divided the community along racial lines. Seagroves stood trial for

manslaughter. But the jury deadlocked — for acquittal — and a mistrial was declared. The state declined to try him again.

## Crimes petty at the start

Most children who murder began with the petty crimes, Durham juvenile investigator Leroy Williams said.

He sees the patterns. When he hears of an adult murderer, he remembers the juvenile record and understands the familiar situation, he said.

"I've seen some kids we deal with at the juvenile age, and all of a sudden they're involved in some things, and there's a pattern and ultimately they kill someone," he said. "There's a pattern, violent crime, stealing vehicles — it's not always assault."

Education and home life are crucial to breaking the cycle, he said.

"I really feel it starts with providing

kids an educational foundation," Williams said. "It also starts in the home and then once they get into schools. Instead of the kid skipping school, they know they're going to be involved in positive programs."

Attaining a material goal, such as a car or money, may be the immediate reason a child kills. But the foundation for homicide begins at home, when the child is young, he said.

"I think there are a number of factors you have to look at — the kid's background and how he was raised, the environment," Williams said. "There are a lot of kids who don't have parents there, so in essence, they become responsible for what they do themselves."

"In a sense, they're basically on their own from birth. A number of things can happen: They can identify with people who are not being successful; there might be some abuse along the way."

## Answers elusive elsewhere

In New York, the police homicide unit battles one of the highest juvenile-crime rates of any city. And complete, full answers for why children so young kill are just as elusive here.

"I think juveniles are more vulnerable to influences, societal influences and what kind of environment they live in," said Officer Kenneth Bryson, a New York Police Department media relations specialist. "When it's boiled down to why someone would take another life, many people analyze, forensic scientists on up, but it's hard to pinpoint why people kill each other."

How can we stop it?

"Who would think a 13-year-old kid is going to come to school in Oregon with a high-powered rifle and blow some kids away? His neighbors said he was a nice kid," Bryson said. "You just can't predict it, it's crazy to me."

# Gun, teen are lethal bedfellows

## Durham killing came after drug argument

By CHRISTOPHER KIRKPATRICK  
The Herald-Sun

Eric wanted drugs. He got a bullet in his eye instead.

Eric and his friend knew the corner where Curtis and others sold "rock." They drove there to make a deal at 2 in the afternoon one cold January day in 1994.

Like so many similar situations every day, this one had all the insidious ingredients of an affair destined to run amok. Drugs. Drunkenness. An argument. A sawed-off, .22-caliber Daisy rifle.

All on the wrong corner in the wrong part of town.

Even at 15, the slender, quick-tempered Curtis wasn't interested in using the crack cocaine he peddled. In a normal world, that's as strange as a baker who won't eat his own bread.

Curtis just didn't like the "hold" he noticed crack has on people. And the corner of Jackson and Carroll streets in 1994 was not a "normal" world.

But Curtis Barnette would sell crack to people like 25-year-old Eric Donell Brown, though Curtis and police say he was not selling that day.

An argument broke out.

Eric and his friend saw the rifle and started to run.

Curtis fired three times. Brown, struck by each of the bullets, died.

Curtis' choice of murder weapon — a gun — is common among juveniles. More than eight in every 10 child homicides involve a firearm, according to Lisa Price of the N.C. Gun Violence Education Fund.

Many youths get the guns from their parents, who can be — but rarely are — charged with improperly storing a firearm, Price said.

"Most cops don't know the law," she said.

On Jan. 4, 1994, Curtis became a murderer — and grew up in the eyes of the justice system.

No more probation, second chances, "treatment plans" or meaningless trips to juvenile court. It was to Superior Court now, into an adult world where a philosophy of retribution replaced one of forgiveness and treatment.

# KILLING

FROM A1

## The consequences

In March, more than four years after the shooting, Curtis sat on a cold metal bunk built into the wall of his cramped prison cell at Foothills Correctional Institution in Morganton.

BARNETTE

Head hanging, he talked about the people who tried to set him straight — the pleas to go to school, the way he hurt his mother. But talk of the murder quickly brought silence.

He offered little insight into that day, the rage, the pulling of the trigger. The police didn't care about the reasons; they just wanted to catch him. The West End community did, too — offering tips about where he could be found.

## Going their separate ways

Before the murder, Curtis' mother had taken up "rejoicing the Lord." She is a minister now.

She has worked in her technical job for 11 years and gave up drinking more than a decade ago. But to do it, she said, she had to break up her family — kicking out Curtis' father, her partner of 12 years, because he abused alcohol and beat her.

Inner-city family budgets don't often have money to spare for marriage or relationship counseling. There are too many other tall orders — such as paying for food and rent — that are hard enough to fill. Somehow, his mother's new life left Curtis behind. At 12, he started roaming the streets while she worked the night shift.

## Whose fault is it?

Curtis talks of his life at home with a violent father, on the streets with drugs and skipping school.

His former teacher talks about the sadness and anger he saw in Curtis.

"He would talk to me about getting his momma out of the neighborhood, and they were real things he talked about with the same intensity that he ended up killing someone with," said Richard Moore, now a state House representative from Kannapolis.

"He wanted a job and wanted to go to school, but he didn't see any reason," Moore said. "He'd say, 'Moore, I'm black, I'm male, and I live in the West

End. I don't have hope.'"

## Death visits teen

Several months before Curtis gunned down Brown, a friend accidentally shot himself in the head while playing with a gun and died.

"It sort of hurt me," Curtis said from his barren prison cell.

Things got out of control fast after that, he said.

He stopped caring, drank every day and smoked marijuana. Even with a teacher like Moore, he rarely

went to school. His aim was to feel good as much and as fast as possible. School, with its frustrations and delays, just didn't fit in.

"If I'm doing my school work, and I have a problem and you're over there helping another student do their work, I want you to stop and come over and help me [right away]," he said, acknowledging the self-centered attitude.

## Napoleon in Durham

Curtis is short, about 5 feet 5 inches, but stocky now from years of working out in prison. He shaves his head, has large brown eyes and sports movie star good looks.

Five years ago, Curtis was the youngest and smallest of his group of friends — and ended up with the biggest attitude. He had to drink the most, smoke the most pot and have the quickest temper.

"He was a scrawny little kid, and now he's physically fit," said Moore, who visits Curtis once a month. "He wasn't really a mean person as such. He was the type of person that you'd mention his name and people would say, 'I don't know why he won't be good. You need to work with Curtis.'"

Curtis says he is calmer now and, after years in jail, not so "young and stupid."

He wants to marry his high school sweetheart, who still visits him nearly every Saturday. And he refuses to pass the blame, he said. He was the one who skipped school, drank and used drugs.

But he also had a mother who worked nights, no father and few examples of how to avoid trouble.

## 'I thank God for my kids'

Curtis' mother, Bertha, raised on a Virginia farm, says her own father was tough, too tough. She wanted to be a kinder parent, she says.

"You want to call it discipline. I call it abuse," she said of her father. "I was sort of soft. I got so many whippin's that when I got kids, I said, 'I'm not going to whip 'em.'"

That, she says, was a mistake.

In 1974, when she was 18, Curtis' mother gave birth to Keisha.

"I was headed for an abortion and the doctor he looked me dead in the eye and he said, 'Are you sure you want to do this?' And I said, 'No.' I'm glad I didn't do it. I thank God for my kids."

She had two more children, including Curtis, with another man she stayed with for 12 years, despite his drinking and beating. The white liquor would come out at 6 a.m., she said, and the drunk would last all day. His work suffered and income dried up.

Curtis soaked in all the scenes.

His mother said she got tired of being mistreated.

"You kick a dog long enough, and he'll turn on you," she said. "I got tired. I wanted to kill him, but the Lord had a restraint on me."

### Sentenced to life

Curtis' court file brims with his despair.

A judge ordered him to Dorothea Dix Hospital in Raleigh to determine his mental fitness for a murder trial. Only 15, he wound up on a suicide watch after doctors found a sheet tied around his neck. He also complained of hearing voices.

His lawyer eventually cut a deal with the state and Curtis was convicted of second-degree murder and sentenced to life. Recently transferred to Polk Youth Institution in Butner, he could be paroled in 2004 because he committed his crime less than a year before stricter sentencing guidelines took effect.

"I really cried. I cried for the mother who lost her son," Bertha said of Brown's mother. "I can go see my son. I can drive up ... and see him, but she can't see her son."

# 'Wild' West End makes strides toward change; focus on kids

By CHRISTOPHER KIRKPATRICK  
The Herald-Sun

In a pocket of the city hemmed in by cemeteries and public housing, drugs and crime reigned for years.

Now, a decade after some of the worst violence, a 5-year-old girl with braids clutches her stuffed bunny as she wonders aloud if a friend will buy her candy. She hugs two visitors, one at a time around the legs, her head barely reaching their knees as she squeezes tightly.

Tianna Miles embodies what many

in the tight-knit community bordered by Duke University Road, Chapel Hill Street and the Lakewood area, hope for the future — smiling children, education and peace emerging from a violent past.

There have been strides: a new community center, after-school programs, a growing teen program, a dozen homes built by Habitat for Humanity, and a 100-year land trust that allows residents to purchase and refurbish homes.

But the violence, though muted,

persists.

On Friday, a 14-year-old walking in the West End with his mother was shot by a 15-year-old driving by in a car, police said. The motive is unknown. The suspected shooter was arrested Wednesday. Drug sales continue, too, in the neighborhood, trying hard to swim to a standstill against the social currents of poverty and drugs.

"It happens," said Ronnie McKoy, director of the West End Community

please see **CHANGE/A12**

Center. "There have been some drivebys, people shooting at houses."

McKoy, who has a degree in biology and is also an ordained minister, has run the center since 1995. He's seen changes and crime decrease, he said.

The center's programs target the youngest children, he admits, the ones who have not yet started down destructive paths lined with the social pressures of the inner city.

"That's the key, that's our hope," he said. "The older ones, the ones who are 17 or 18, well, it's not a hopeless cause, it's more complex than that. They just already have their minds made up."

While problems persist, the picture is rosy compared to even four or five years ago, when an open drug market flourished and murder in

the middle of the day was not unheard of.

In 1994, 15-year-old Curtis Barnette shot and killed a 25-year-old on the corner of Carroll and Jackson streets, simply because the victim insisted on buying drugs that Curtis did not have.

The West End had a Wild West feel of hair-trigger tempers but without the romance or nostalgia, only the certain permanence of death and ruined lives.

Tianna — in yellow pants and a pink, daisy-flowered shirt — looks pitiful, in the sweet child way, as she asks for candy from McKoy, who is selling it to pay for extra summer activities for the children.

"We'll see what we can do," he says, an answer a child always suspects means no.

An 8-year-old boy, riding by on his red bike, asks if McKoy accepts food stamps.

An older woman within earshot on a porch laughs at the child's ploy for sweets.

# Take a shirt, a life; laws unresponsive

By CHRISTOPHER KIRKPATRICK  
The Herald-Sun

It was only \$5, but it would mean everything to Jerry's future.

As an older friend held a gun, Jerry stuck his hand into a frightened man's pocket and grabbed his cash.

In that split second, Jerry became an adult in the eyes of the law. Though still a boy, he faced a grownup system of justice.

No more idle threats about training school or stern warnings from soft-touch juvenile court judges about missed mental health appointments.

Jerry, 14, is "going up," a judge says, and will stand with rapists, murderers and other armed robbers two and three times his age.

Under a state law with Durham roots, juveniles as young as 13 can be "bound over" to Superior Court. The law was inspired by the gruesome 1992 bludgeoning of a 90-year-old Durham woman by a 13-year-old boy who could not be tried as an adult and who served just five years for the murder. When he turned 18 last year, he had to be released from training school.

Jerry is a real person but, because of confidentiality laws covering young lawbreakers, his name was changed in a state report critical of the juvenile-justice system. He was 14 and deemed an adult because he committed armed robbery.

## 'Get-tough' policy doesn't

Jerry's life and criminal story spotlight the paradox in the state's get-tough approach to crime — it's really not that tough and, it can backfire.

Many times, sending youths like Jerry to adult court ends up transforming them into bigger threats to themselves and society, say critics, including Durham juvenile prosecutor Marcia Morey. Jerry's sentence for the armed robbery — pleaded down to common law robbery in Superior Court — was a suspended sentence and three years of probation. Despite the light sentence, his encounter with adult court left a scar.

MOREY

"When Jerry pleaded guilty to common law robbery, his prior record in juvenile court could not be considered, by law, and so for sentencing purposes, he had no prior record," Morey wrote in a report outlining Jerry's case and how his story reflects problems with the state's juvenile-justice system.

"[But] because he was convicted of a felony, he was not allowed back into the public schools.... Because of his age and his record, it was virtually impossible for him to find employment," she wrote.

A sentence to training school — the modern term for reform school — until his 18th birthday would have packed more punch and provided more services, critics of the system say. But now Jerry has an adult criminal record and still has never been formally sentenced to time in a real jail.

"Although binding a case over to Superior Court for trial as an adult may sound tough, in reality, it often results in a more lenient sentence, with no rehabilitative services, than if the case had not been transferred," Morey wrote.

In 1996, the state sent 154 juveniles to Superior Court for felonies such as rape, murder and armed robbery.

A statewide survey of more than 300 judges, district attorneys, law officers and child advocates found that judges want more statutory guidelines for deciding which teens to send to Superior Court. The same survey showed that juveniles' sentences in Superior Court often are lighter than those juvenile court would have handed out.

Seventeen months after Jerry, as a seventh-grader, got into trouble for stealing a \$45 shirt but went free, he was in adult court for the armed robbery. He had waited eight months in the Durham Youth Home for his "adult" trial.

That eight-month waiting period is the harshest punishment he received in his juvenile-crime career, which included possession of a weapon, riding in a stolen car, petty theft — and ultimately murder.

## Survey shows that juvenile sentences in Superior Court lighter than those in juvenile court

## A system too slow

Jerry swipes a shirt.  
The police report doesn't reach juvenile court until three weeks after the crime. Technically, that's not late. The law sets no time requirements.

Jerry and his father meet with a juvenile services intake officer — who is in charge of directing cases to court or to some other treatment option.

"Although three weeks, as in Jerry's case, may not seem long in adult terms, it is a long time to a child," Morey's report states. "The child may think that he 'has gotten away with it' or that there will be no

repercussions."

At a meeting with the intake officer, called to discuss Jerry's fate, his father says his son is improving his school attendance, which has been a problem.

The intake officer decides to "divert" the stolen shirt case because it's Jerry's first offense. She also orders mental health counseling for the boy — an order with no force of law behind it.

The decision saves Jerry a juvenile record and a court hearing. In effect, it's a second chance. The question is whether Jerry is ready to make good on his "diversion agreement."

The next month, Jerry "attends" his counseling appointment — simply by signing his name on a clipboard at the county mental health office.

He doesn't talk to anyone or participate in a treatment program. And he doesn't have to. Strictly interpreted, state law requires him only to make "contact" under a diversion agreement. Signing the clipboard qualifies as contact.

"Because of heavy case loads, intake officers rarely follow up on diverted cases," Morey's report states. "These cases are not put on the docket, and because youths cannot be sanctioned in juvenile court for failing to follow through on diversion orders, these cases remain unaddressed."

### A child's eye-view of court

Jerry only knows his lawyer as a "tall man."

His parents do not come to court with him, and the boy can't fathom what's happening as he stands small and young before the judge.

Seven weeks after he was captured in a stolen Jeep that his 15-year-old friend was driving, Jerry's case moves quickly, like pressurized water, through a juvenile court pipeline that seeks to reprimand and rehabilitate him.

When his case is called, the tall man tells him to "just go ahead and admit the petition." That means plead guilty.

It's good lawyerly advice, because most first offenses equal probation for juveniles. But Jerry never has a chance to explain that he didn't know the car was stolen or that his friend didn't have a license.

The judge orders the court counselor to study Jerry's home life and report back to him. Jerry leaves.

Four months later, after the home study, Jerry's court hearing resumes. This time, his father attends.

The judge discovers the boy has been suspended from school and orders Jerry into the Durham Youth Home until he can be allowed back into school. But, as usual, the detention center's 15 beds are full. So Jerry is sent home.

"Because of a lack of facilities and overcrowding, no detention bed was available for Jerry, and once again Jerry experienced no immediate consequence for his actions," Morey wrote.

Six months after he was caught in the stolen Jeep, Jerry goes home with little more than a mild tongue-lashing. The judge tells him he's "skating on thin ice."

The judge also orders a curfew and for Jerry to stay away from his older friend who drove the car.

Jerry never speaks in court. He breaks the curfew and the system does nothing about it.

### Death visits Jerry

Jerry lives with his drug-abusing mother the summer after the seventh grade.

He knows the streets and is on them late at night, hanging out with his 16-year-old brother and the older boy.

One night, as the teens revel in the season of shorts, no shirts and no school, Jerry sees his brother gunned down.

Jerry and his brother are standing in a crowd on a corner at midnight. A car drives by, its occupants firing weapons and spraying bullets.

His brother, barely old enough to drive, dies a brutal death before Jerry's eyes.

Two weeks later, Jerry is caught with a friend in the stolen Jeep. His first court appearance follows.

It isn't long before Jerry grows more violent and lawless. He receives probation, which is standard in juvenile court. And the trouble in his future begins to snowball as events roll downhill.

The murder Jerry commits is not special as murders go. It sparks no marches on City Hall or even a second thought from most who read or hear about it.

But for the victim and the teen triggerman, the death changes everything.

On probation from Superior Court for his common law robbery conviction, Jerry, 14, shoots and kills a drug dealer.

The robbery conviction was his first as an adult, a status the district attorney's office insisted on and a judge agreed to grant.

But the probation is less severe than if Jerry had remained in juvenile court for the original, more serious charge of armed robbery. That could have landed him in training school for four years, until his 18th birthday.

Just two years after his first brush with the law, the theft of a \$45 shirt, Jerry has moved quickly into the upper echelon of crime.

Convicted of manslaughter, his term will only be a few years, a lesser sentence agreed upon because of his young age — a bit of unnoticed irony.

Then he will be out again — not even old enough to drink or vote, but unemployable, uneducated and likely unwelcome in society.

And still just a child.

# PRISON

FROM A1

And no one does much about their defiance.

It's a situation that has ignited a call for changes in North Carolina's system of juvenile justice — and not just from people paid to make sure the young lawbreakers are held accountable for their crimes.

State legislators are clamoring for reform, too. So are mental health counselors, whose job is to help youths in trouble by offering treatment. And, like Bertha Barnette, other mothers and fathers of teens in trouble also want to see changes.

Curtis may spend the rest of his life in prison, and Bertha finds solace in court, watching others walk down his path.

She has another son, 16. Fear and love, she says, keep her especially close to him.

"If I die, I want him to be able to take care of himself," she says. She is 40.

On her birthday, he came home from school and handed her a poem, written in pencil on loose-leaf paper. In ornate letters, it described the beauty of aging, his mother's grace and his love for her.

"When you lose one, you ...," she says, pausing. "Curtis will be home. He will be home."

Curtis dreams, too — about marrying his girlfriend, whom he calls by his own last name now, and getting a job.

He dreams of getting out early, before 2004 — his earliest possible parole date. He dreams of barking dogs and children laughing, the little things he says he never knew he would miss.

But for at least the next six years, his life is all planned. Even if he is released, there will be rules to follow — the life of an ex-convict on parole.

## Proving himself in prison

In his defiant days, Curtis weighed little more than 115 pounds.

He had to prove himself, he says, shaking his head. That's the trouble when you're "young and stupid," he says.

Prison regulations rule his life — in Bunker now, following a recent transfer to Polk Youth Institution. In Morganton,

where he was interviewed for this series, guards counted the more than 700 inmates five times a day in the bleak maze of bars and heavy steel doors, even though escape was unlikely.

Wherever the inmate, the system demands routine, order, discipline and control.

"It gets on your nerves," Curtis says. "[Footfalls] is basically wrapped in them. ain't nobody goin' to escape, so why all the countin'? I don't know what that's about. It gets on your nerves."

Guards keeping a sharp eye from a central area in each cell block. Metal bars. Metal stairs. Televisions mounted too high on the walls. Hard plastic chairs, set in uninviting rows on cold white tile. And time, lots of time.

As with his mother, 20-20 hindsight guides Curtis.

Families need to be tighter, he says. He tries to counsel his younger brother. But on most visiting days, they just sit and stare at each other across a prison table.

"He's more distant," Curtis says softly, sitting on his metal bunk.

The bunk covers the width of the cell. Around him are two steps of walking room, white walls and a stainless-steel sink and shelf jutting out from the wall beside his bed. The toilet is only one step away.

After four years in jail, Curtis says he doesn't want to see his old friends again.

"One of them is locked up somewhere. Another one was shot in the head or somethin'. We'll just leave the past in the past," he says.

## Father is missing link

But he still wants his father, who has never visited him in prison, to know him — a positive attempt, this time, for male attention.

"I wrote him once, to tell him you know, that I can't hold nothing against him for what he did," Curtis says. "I'm a man. I'm old enough now that I can understand that he had problems."

The letter was less forgiveness than an offer — a chance for a father to get to know a son.

"He sent me a card last Christmas."

Curtis says. "He sent me some money once, but that doesn't mean anything."

Curtis spends little time looking back and wondering what might have been. He knows now that violence and prison were virtually inevitable in his life. And he feels almost lucky to be young and alive, even if he's in jail. At least he's still not running down a path toward death or a lifetime of crime, he says.

Curtis doesn't want to talk about the murder. He once told police he couldn't recall it because he was high on alcohol and drugs when it happened.

"I remembered that. I've always remembered that," he says now. "I don't think it's a good idea to get into all of that."

But he's ready to offer advice to younger children: You don't have to act like a big man and prove yourself. Listen to the ones you love and who care about you.

His mother's love remains constant.

"I love him. I still love him. That hasn't changed," she says. "The whole time my son was in trouble, I was embarrassed. I was mad. I was bewildered. But I wouldn't imagine anything happening like that. He's still my son. I love him. When he did, it didn't change that."

Bertha Barnette no longer lives in the West End, and the community is struggling to change. The dead-end street where Curtis once lived is now redeveloped — with a way in and a way out.

"He lived on a dead-end street in a dead-end life," says state Rep. Richard Moore of Randleman, who once taught Curtis at the former Durham High School. He also encouraged him to stay in school and keep out of trouble.

"[Now] there is a way to get in and out [of the street]," Moore says. "That's kind of the way Curtis' life is — he has a way in and a way out."

Curtis' life now parallels a cleaning and turnaround in the West End.

"The community seems to be turning a corner," Moore says. "He's accepting responsibility."

# Nightlight program puts out crime by juveniles in Boston

Murders of youths have been almost zero for 3 years

By CHRISTOPHER KIRKPATRICK  
The Herald-Sun

BOSTON — The Iranian cab driver looks nervous as he turns from swanky downtown seafood restaurants and valet parking into the bumpy pavement and chained-up retail stores of Washington Avenue.

"I don't like to go there at all," he says in heavily accented English. "Because I like my life."

The road heads into the heart of the city's gang territory.

An elderly black woman in a tan raincoat waves for the taxi to stop,

but the driver ignores her. He won't pick up another fare until he smells chowder and steaks again near \$200-a-night hotels and brass-buttoned doormen.

"She will only bring me farther into this mess,"

he says.

Waiting at the cabby's destination are three men in a building bathed in yellow light from a McDonald's across the street. They are surrounded by a pool of poverty, crime and drugs — but happily stationed in the police outpost, in the most prolific juvenile-crime area of Boston.

The two patrolmen and a

probation officer work in the rundown Roxbury and Dorchester sections nearly every day, sometimes after hours.

And on this rain-soaked Thursday night, they are about to embark on an unusual duty — part of an overtime, after-hours commitment that has kept children safe from violent death and earned the city's police department and judicial system national acclaim.

Juvenile murder is all but dead in Boston and has been for about three years — an astounding development anywhere, but certainly in a large city in the Northeast.

The program responsible for the

turnaround is called Operation Nightlight. Its goal is simple: to make sure juveniles obey their probation agreements. But it stands in contrast to more lethargic efforts in many other cities. Boston's success has attracted envy and attention from at least three North Carolina cities: Raleigh, Charlotte and Winston-Salem.

All have sent officials to this Massachusetts city of about 600,000 to see how Operation Nightlight works. And with juvenile-justice reform a hot topic in North Carolina, the Boston program stands a credible example

## JUVENILE JUSTICE: A LOOK INSIDE

■ A state commission's report on overhauling the juvenile justice system is being debated in the N.C. General Assembly. Lawmakers and money may hinder its implementation.

Prevention vs. punishment is debated as means to reduce juvenile crime. Aftercare and practical prevention are emerging as the maxim for fighting youth crime/A4

# NIGHTLIGHT

FROM A1

How to deal with juvenile crime.

Under Operation Nightlight, police from the anti-gang Youth Violence Task Force protect the probation officers — who are not allowed to carry guns — as they drive around at night randomly checking juveniles' homes to make sure they are obeying curfews.

The officers also check specific streets that are off-limits to some youths under their probation agreements, now minutely tailored for each child. Youths who break probation too many times could go to jail.

"The key is you remove the leaders — the small group that is the catalyst for everything," said Bernie Fitzgerald, Boston's chief probation officer.

When Nightlight started, juvenile gang and crime leaders broke their probations first.

Suspended sentences — jail time deferred in exchange for staying off drugs, going to school or obeying a curfew — became real jail time in front of fed-up judges.

The juvenile-crime rate plunged. And in 1995, the city started a 29-month stretch of zero juvenile murders.

The federal government has awarded six five-year grants to half a dozen major cities so they can copy Boston's approach to battling juvenile crime. The method includes massive collaboration from all city agencies and 54 churches that banded together as the Ten Point Coalition.

In 1996, Boston suffered nearly 60 homicides — with no juvenile victims. That same year, Durham, about a fourth of Boston's size, counted 41 homicides. There were no juvenile victims, but one 15-year-old was charged with murder.

"We'd put probation on [juvenile lawbreakers] and only enforce it if they got arrested," said Bill Stewart, a probation officer who came up with the Operation Nightlight idea. "We were expecting the police to do our jobs for us, because nobody had said: 'You have to work after 4 p.m.'"

## Trailed, nailed, jailed

"[Now], if you want to try and get over on us, we'll get you. You will be targeted, and you will be taken out — trailed, nailed and jailed if you commit an act of violence, if you pick up a gun and commit violence," he said.

The program moved Stewart from behind a desk to the streets, and he brought along some armed help.

"We didn't know what to expect. We didn't know the kids' reactions. They had been used to seeing us from behind that desk," he said.

Four minutes into the first night of Operation Nightlight, Nov. 12, 1992, a bullet ripped through the chest of a teen named Tito.

"We were saying, 'Let's be careful out there,' like on TV," Stewart said. "We were kidding each other, and the radio called the shooting."

Tito was on probation with Stewart's partner, Rich Skinner. At the scene, Skinner rushed to help the teen. Tito, who was still alive when Skinner and Stewart arrived, despite the .30-caliber hole through his rib cage.

"I see six kids across the police tape who are all on probation and breaking curfew," Stewart said. "I purposefully bumped into one: 'I'm riding in the Five-O, and I'm out checkin' curfews.'"

"That's not fair," Stewart remembered.

From the rain-washed streets of Roxbury, Boston's tall hotels and awesome skyline glitter as if in a far-off land of money and opportunity.

Down Warren Street from the Boston Police Youth Violence Strike Force building, a religious service rages inside dark wrought-iron front gates. Decked out black people have chosen church this Thursday night.

But off Warren, on the twisting side streets of old, three-story homes and tall, thin duplexes, live children who have crossed the law: Assaults, robberies, drug charges — the myriad crimes of misspent youth are represented. And all the juveniles are on probation.

"Probation is a chance not to go to jail," says police Officer Gary Ryan, one of the three men preparing for a Thursday night of checking homes. It's not a free walk-away — not since Nightlight began.

Many of the juveniles and older "youthful offenders" are on a list that probation Officer John Holloran holds in his hand and reads by flashlight.

It's 7:45 p.m., well past some curfews. Many of the older youths have until 9 p.m. Some haven't been checked on in months — they'd better be home to-night.

The three officers are preparing to do what few cities, including Durham, even imagine: checking on the teens at night, when the curfews take hold.

Ryan, more than 6 feet tall with a full day's growth of beard and a 9-month-old son at home, will drive. Riding shotgun is Mark Buchanan, who used to walk a Dorchester beat as a street cop.

"I was the mayor of Codman Square [a small section of town]," Buchanan says from under his black baseball cap with "Brooklyn" in white letters across the front.

He made it on the evening news one night years ago for lifting weights with the children. He takes small groups of juveniles to jail and dresses them in jail uniforms to scare them into good grades and obedience.

## Plans to scuttle gangs

He talks about plans to scuttle the blossoming Crips and Bloods, notorious Los Angeles gangs showing signs of taking root in Boston. For now, the teens are just talking, "but we're going to take them seriously," he says.

In battling the gangs, Buchanan has a new technique: working with pediatricians, who are becoming founts of information about what youths are thinking, who wants out of the gangs or who is scared. He plans to meet with one teen who told his doctor he was afraid he was getting in too deep with the Crips.

"Who knows where that will lead?" Buchanan says, hoping to learn the burgeoning gang's main membership list, then break it apart. But he must step softly. The teen does not know his doctor called the police.

Holloran, with Roy Orbison black hair and a wry wit, sits in the back. He's the noncop, the one who can't carry a gun, the one who pokes fun at his police officer friends. He's also the one police officers might have ignored many years ago.

Ryan describes a horrible sex crime and murder a 14-year-old committed several years ago.

"Of course, they immediately started looking for cops," Holloran cracks.

In the early 1990s, local gangs — the kind that would control a few blocks at a time — were over-running Dorchester and Roxbury. Drugs and gunshots ruled some streets, where ordinary citizens tried to live.

For 54 churches, the last straw came when a gang member was fatally stabbed at a funeral for a rival gang member. They formed the Ten Point Coalition to work with police on reducing juvenile violence.

Now, about six years later, the coalition has a cog in nearly every city agency and every church in

n-crime communities.

The machine of cooperation battles juvenile lethargy with jobs and attention, always with a weather eye out for the first signs of trouble in a child's life.

Each year, the city of Boston organizes more than 10,000 jobs for youths, including some with local businesses. And the city pays ex-offenders, reformed gang members, to work as mentors to help children steer away from violence.

The public schools watch students' grades. If they nose dive or other problems arise, a social worker might visit the home.

The district attorney's office vigorously prosecutes juveniles who break their probation agreements.

Juveniles who commit crimes, carry guns or sell drugs get active jail time of a year or more.

And in contrast to the way many other cities, including Durham, handle juvenile problems, all the agencies share information. No longer are prosecutors and judges in the dark about a youth's potentially abusive home life or school troubles when he stands before them for a probation problem or some other crime.

Boston either supplies support or punishes, depending on the youth, and the efforts have been crushing the juvenile crime rate.

Some change is afoot in Durham, where a youth services board with representatives from several agencies is organizing to give children and parents one place to go for services and information.

But police and probation officers still don't work together checking curfews. And there is nothing in the state juvenile code about sharing information.

All of which leaves troubled youths and society worse off, says Marcia Morey, a Durham prosecutor on leave to work on proposals to reform the state's juvenile-justice system.

Operation Nightlight's success amazes social workers, probation officers and prosecutors from around the country who grapple with juvenile crime and, often, with just trying to get everyone involved to talk to each other.

In Durham, juvenile probation officers, called court counselors, do not carry guns, and they do not regu-

The counselors simply have too many juveniles to keep track of, on average more than 40 at a time. So the process of holding teens accountable is slow in the City of Medicine. Charlotte, Winston-Salem and Raleigh want to change that, as do the state legislature and Gov. Jim Hunt.

While North Carolina lawmakers have toyed this year with passing new laws to reform the juvenile-justice system, police and probation officers from the three cities traveled to Boston to see probation officers and Operation Nightlight in action.

## A Haitian greeting

In some inner cities, members of black gangs pose as Haitians or Jamaicans because real criminals from those countries have a reputation as being extra-violent.

The black Americans groom dreadlocks and adopt phony accents that include "mon" and other trademark phrases.

Pierre, standing on the front porch of an old Dorchester home, is really Haitian. But he's not so tough, and he's where he should be at 8 p.m.

He's in the minority of juveniles the three police and probation officers check on that night, breaking into a wide-faced grin at the probation officer's bad jokes.

"Sock Poh-seh, Mom Boolay," Holloran says as the mother and son open the door. Pierre looks confused;

he doesn't understand the Haitian phrase for "what's up?" or "how are you doing?"

"He doesn't speak the language," his mother says with a deep island accent.

"I speak English," the 14-year-old says.

"No, you don't. You speak Daaahchester," Holloran says with an unwitting Boston intonation on the letter "O."

Pierre hardly seems like someone facing assault charges as he stands next to his mother, smiling up at the white, black-haired Holloran.

"You're doing OK," Holloran says.

In this neighborhood, a late-night knock can be dangerous.

A tiny mother, about 100 pounds, nervously opens another door.

"Probation!" Holloran announces.

She doesn't know where her boy is tonight.

"No, he hasn't been in yet," she responds in a quiet voice.

"He has to go see his probation officer tomorrow," Holloran says sternly. "Will you make sure that he's there?"

The mother stands in a white smock of a dress and house shoes in the dim light of her front door. She's embarrassed talking to Holloran. And it's obvious she's not sure she can make her son go see his probation officer.

Buchanan lingers as the others step away. "It ain't easy, is it?" he says softly to her.

"She's scared," he says later. "He's bigger than his mother. When I went over there before, he had gang things at the house. I think he's a Crip."

There's too much noise and hollering for Jamiel's mother's liking.

She stomps on to the second-floor porch and peers down suspiciously: Who's yelling?

Her demeanor changes some when she realizes the authority standing on her front stoop.

"Jimmy's not here," she says with irritation.

"He's supposed to be here," Holloran says, craning his neck back and up to look at the irked mother.

"He's not here," she answers again.

"All right, he's in violation of his probation. He has to go see his probation officer tomorrow," Holloran says.

"Yeah, he knows that. When he goes to court, they're going to put him away," she says as the three walk away.

"It sounds like she wants him to [go to prison],"

Buchanan says under his breath.

Jamiel will get a visit the next night and the night after that. He has been marked by the system now. Holloran or another probation officer will call his school to see if he is attending. Jamiel may be going to jail, having squandered his second chance.

Coffee and doughnuts. They are cops, and they actually stop for doughnuts.

"Now you can really say you've been with the police," Buchanan says.

In the store next to Dunkin' Donuts, Lotto tickets are on sale. The jackpot is \$50 million. Buchanan talks about the party he'll give his unit if he hits the jackpot.

"Niice Sweedish meatballs. Nothing too good for my guys," he says. "If I hit the \$50 million, nothing but the best cold cuts."

"Probation!" Holloran yells again, re-energized by coffee.

He's standing at the front door on a paint-chipped porch. A long stairwell inside reaches up into the apartment where the juvenile pretends to be sleeping. He is one who already has been marked.

The teen feigns sleepiness as he pretends to wipe grogginess from his red, glassy eyes. He's not surprised to see them, he says.

And Buchanan wants him to know that he knows what he's really been up to: smoking marijuana.

"You remember I was here last Tuesday,"

Buchanan says just before the officers walk away.

The boy doesn't answer. And he is home, where he should be. The group probably will check on him again Friday and Saturday.

He's been marked by Operation Nightlight.

"Yeah, we were here a couple of days ago — the old sleep-in routine," Buchanan says. "They were firing it up [smoking marijuana], but they threw it through the window last time."

This Thursday night, the officers are four for eight, and they will be four for nine before it is over. More juveniles broke their curfew than are at home.

But all were tagged. And if it happens too much, they will be plucked from the streets, and a judge will reckon with them.

"We [really] are eight for eight," Ryan says. "because we have information now on all of them."

On another street, a boarded-up house recalls a daylight murder years ago.

The gangs raged then, before Ryan, Buchanan and their police and federal brethren cracked down.

"They shot him on the front porch at 3 p.m.," Ryan said, walking across the street. "Everyone thinks it's about turf. But it can be over a girlfriend or over respect."

Next door is a home where a juvenile must be in every night by 9 p.m. In the adjoining alley, an overflowing garbage can hasn't been emptied in ages. The discarded food and wet cardboard boxes rot in the open.

Nobody's home, and the list is marked.

### Using a simple logic

Operation Nightlight screams with simple logic.

But first, a crevasse between court workers and cops had to be bridged.

"We've forgotten what it was like years ago when everyone had an ego," Buchanan says.

Now there are no turf battles or competition for credit.

North Carolina officials say the state could use such solid communication and cooperation as it grapples with juvenile crime.

Boston police now cooperate with everyone, including ministers and pediatricians who hear children complain about gang pressure.

Even after a botched drug raid inadvertently caused a black minister's heart attack and death, other black clergy called for forgiveness and order.

Police raided the wrong home.

"[But] they didn't fan the flames," Buchanan says of the black community.

"We have the clergy on our side," Ryan says. "The community lost these kids and they've said, 'No more.' In most communities, the black clergy and black community don't get along with the police."

Years ago, Boston was a city known for its racial tension. It nearly exploded after a federal judge ruled the school system had to bus to integrate classrooms.

"We are all products of that in this car," says Ryan, 36, a white cop who sits next to Buchanan, a black cop. Holloran, a white probation officer, sits in the back.

Success has made cooperation infectious, said Stewart, the probation officer who started Operation Nightlight.

Now police are calling the sanitation department and other departments about summer jobs for the teens they watch. And federal law enforcement agencies — the FBI, Alcohol Tobacco and Firearms and the Drug Enforcement Agency — are all welcome in Roxbury and Dorchester police stations.

The Boston gang unit, FBI and DEA broke the Intervale Street Posse, a gang that terrorized the area. Most members got 20 years in prison on federal drug and racketeering charges, Ryan says.

On Intervale today, an empty lot has been cleared of the thick trees and gnarled shrubs that once hid the Posse's drugs, money and guns.

The white picket fence in front of the barren field bears three black, spray-painted letters recalling the gang's past — "IVP." But it now reads like an inscription on a headstone.

"When we were there, people would mouth 'thank you' at their windows," Ryan says.

Stewart has become a bit of a celebrity in judicial circles.

His face is in U.S. News & World Report, and "Operation Nightlight" trips off the tongues of would-be reformers from around the country, including in North Carolina.

"I think it's catching on," he says. "Like anything else, it's easy, it's free — copy it, take it. I'm not making money off it. I'm too busy doing it."

He has taped his thoughts as he drives back from Dorchester each night. Maybe with a ghost writer, he could turn his thoughts into a book or something else, he says. But he doesn't think about that too much.

Neither he nor Holloran earns overtime like the police. But they do get compensatory time — and satisfaction.

"... To have a kid come back and say thank you. Those are the wins you take," Stewart says. "To drive by a playground that five years ago was dead [but] because of the partnership ... is now filled with little kids. They don't know why they're back [playing in the once-dangerous neighborhood]. I work for those kids."

## JUVENILE JUSTICE

# Lawmakers, money may hinder reform

## Juvenile-overhaul report debated in N.C. Assembly

By CHRISTOPHER KIRKPATRICK  
Capital bureau

For months, a state commission has been working on reforms to the juvenile-justice system and its creaking criminal code, last overhauled in 1979.

The commission's report now has been transformed into proposed legislation resting in the House and the Senate Judiciary committees, where lawmakers vote in changes and debate the different provisions.

The bills seek a refurbishing of the juvenile-justice system, including more punishment and more options for judges other than probation and training school.

"I think we're coming around to common sense and meeting the demands of the seriousness of the problem. It's not that we want a punitive system. We're responding to what's happening," said Marcia Morey, a Durham juvenile prosecutor who heads Gov. Jim Hunt's Commission on Juvenile Crime and Justice.

A disturbing rise in violent juvenile crime, 172 percent over the last 10 years, prompted calls for reform.

The most drastic changes under the proposal are to the juvenile code that now forces judges to use the "least restrictive alternative," which usually means probation that is not well-enforced.

Under the proposal, certain violent acts

would merit a training-school sentence immediately, even if it is a first offense.

"First-time offenders today do not fear the consequences," Hunt said. "We need tougher punishment and correction ... there have to be real consequences. ... It's got to be swift."

Critics of the proposal say the reforms are too punitive without enough money included for prevention. Under the proposal, a new sentencing grid allows judges the option to sentence children into novel, alternative programs, but critics say there isn't enough money for the counties to start and maintain those programs, thus the options aren't real.

But Morey has countered that Smart Start, which Hunt wants funded in the state budget for all 100 counties, is the ultimate in prevention, offering early-childhood development programs for children.

And every county does have the funding from the state to start the programs under the "Community Based Alternatives" section of the state budget, Morey said. Some counties choose to use the money for YMCA-type programs, she said. But half the clients in the programs must be court-involved youth, according to state law.

Confidentiality rules that hamper police investigations would be opened up under the proposal for police use and for use by other professionals in the juvenile-justice system.

Police have complained for years that investigating juvenile crime is more difficult because under current law, most children cannot be fingerprinted or have mug shots taken for permanent files.

Under the proposal, police could take fingerprints and mug shots if they wanted to and would have to for felonies.

Hunt's proposal also calls for a Cabinet-level position for juvenile crime, a new state agency and more money to hire additional court counselors.

"We're going to assist law enforcement to take photographs and fingerprints of juveniles charged with felonies. We're going to open up their records ... not to the public, but to professionals in the system," Morey said. "We're going to speed up the process of getting kids into court. We're going to hold the parents more accountable. If the parents are financially able, they will have to pay for the treatment, maybe court costs, attorney's fees, if a court finds them able to."

The cry for juvenile-justice reform could be partially in vain because of extra competition for tax dollars this year.

The state now must pay state retirees about \$1 billion in tax refunds owed to them because their benefits were taxed improperly, the state Supreme Court recently decided.

Lawmakers, such as Senate President Pro Tem Marc Basnight, a Dare County Democrat, hope the court will allow the money to be paid back over a period of three or more years.

And lawmakers already have committed to teacher raises and certain tax cuts.

"Juvenile-justice reform is as high a priority as education funding. I know there's this great myth that there's this huge budget surplus, but with the retirees ... we have to prioritize," said Julia White, spokeswoman for Basnight.

**JUVENILE JUSTICE****SOME HIGHLIGHTS  
OF JUVENILE-JUSTICE REFORM BILLS**

Issue	Current status	Recommendation
<b>Sentencing</b>	Judge must use least restrictive alternative.	More options for sentencing, including automatic sentences — even on first offenses — to training school.
<b>Disposition grid</b>	Doesn't exist. Judges have extreme options of training school or probation.	Three new categories of offenses: minor, violent or serious would be matched with prior record. Adds intermediate punishment options, which now don't exist.
<b>Training school sentences</b>	Most are indefinite commitments with no minimum stay. No post-release supervision is required.	Change to six-month minimum. Must have 90 days of post-release supervision.
<b>Diversion</b>	A child's case can be diverted from court in exchange for a diversion agreement, which is a promise to see a counselor or to complete a program. Whether the agreement is followed is rarely checked on.	A new rule would hold parents and juveniles responsible for completing diversion agreements.
<b>Mug shots and fingerprints</b>	They now can only be taken after a juvenile is found guilty of a serious felony. Police say they need to use them for investigations.	It would be at the officer's discretion and a requirement for a felony.
<b>Time limits for detention</b>	A hearing within 5 days if a juvenile is in detention. No time limit for other juveniles.	Same 5-day rule, and a new 10-day rule for those not in detention. A probable cause hearing within 15 days of first court appearance.
<b>Parental accountability</b>	Very limited and rarely enforced.	Parents must attend all hearings and must help with probation. Parents will pay court costs and treatment costs if they are able.
<b>Confidentiality</b>	Proceedings and court records are confidential.	Open proceedings to public and allow justice professionals to review juvenile files.

# Program shows children effects of violence

By CHRISTOPHER KIRKPATRICK  
The Herald-Sun

A visit to the morgue to see dead bodies, or a trip to Duke's emergency room to watch a bloody trauma unfold teaches juveniles about the real consequences of violence and sets them onto the right path, so the theory goes.

The PROUD program teaches children — pushed by juvenile court into the 12 weeks of classes and four weeks of community services — about the real-life consequences of violent decisions, sometimes through gruesome lessons.

"There's role playing, a health department person comes to talk about health issues, not the least of which is preventing HIV and AIDS," said Irene Dwinnell, co-chairwoman of the PROUD program. "We visit Duke ER to see an actual trauma: When you shoot somebody, this is the outcome. They visit the morgue, they go to teen court, and they have gone to the prison and talked to prisoners."

In its 2½ years, PROUD has taken care of 200 juveniles with only 10 committing another crime and going back to juvenile court after the program, she said.

The idea is modeled after an Omaha, Neb., program that has been successful in diverting children away from violence and criminal behavior, she said.

PROUD is one of a growing group of programs or approaches around the country that actually work and are being copied by other high-crime communities looking for answers to their juvenile-crime problems. The key, Dwinnell and others say, is acting on an emerging maxim in fighting juvenile crime: aftercare and practical prevention. No program, however novel, works without aftercare — follow-up on children after they complete a course of classes, sentence or any program designed to rehabilitate, whether it's a prison sentence or group therapy, experts say.

There is little or no official follow-up after teens are released

**COMMISSION HEAD:** Marcia Morey, a Durham juvenile prosecutor who heads Gov. Jim Hunt's Commission on Juvenile Crime and Justice, appears at a recent House Judiciary Committee meeting in Raleigh.

from training school, and most parents of those children don't attend planning sessions with staff psychologists at the schools, which might explain a UNC Charlotte study that showed 50 percent recidivism for inmates released from training school.

The most successful programs take on an early-childhood care flavor or teach basic skills, such as reading.

The approach for juveniles also must involve parents and a sense of consequence, experts say.

"You need to approach it from a holistic standpoint. Yes, their behaviors require consequences, but we need to look at the whole child. Programs that work look at the whole picture, not just looking at the child, but looking at the family," Dwinnell said.

The juvenile crime rate in the state is rising, and lawmakers, juvenile-justice officials and community leaders are clamoring for reforms to the system that seeks to punish, treat and rehabilitate children who go astray.

Gov. Jim Hunt's budget proposal this year seeks an increase of \$6.5 million in funding to the \$15 million Community-Based Alternative state budget, and millions to put Smart Start, an early childhood development program, in all 100 counties.

Part of the search for panaceas began in 1977 when lawmakers first began funding "community-based alternatives," meant to offer judges alternatives to training school.

This year, Durham's share of the state money is \$415,000, which will fund different programs

applying in the county, such as PROUD and Trinity House, which offers juveniles emergency shelter. And a Youth Development Board is coming together to place information on all services and programs under one roof for the so-called "one-stop shopping."

"As it stands now, no one in Durham County government knows how many different programs are available," said Karen Thompson, treasurer of the Community-Based Alternative board, which gives out the state money to local programs.

"A lot of programs stop and start and don't get funded, and they only last a year or two. There's no duplication out there; people just aren't coordinating," she said.

The board will be set up with high-ranking officials together, ensuring action, Thompson said.

"A lot of people try to coordinate, but nobody has any power, and they don't listen to them," she said.

The idea of alternative, novel treatments is old, but few have the resources to adequately follow up on a child. Even PROUD only has the resources to call a child once a month for a year.

Some of the most successful models for reducing juvenile crime involve entire bureaucracies dedicating themselves to follow up on children who commit crimes, such as in Boston. There, probation officers check juveniles randomly at their homes to make sure they're obeying curfews and city agencies, and private businesses work to find 10,000 summer jobs for juveniles each year. The whole city is watching them, not just some small program or one office in city government.

HUNT

BASNIGHT

program similar to Boston's Operation Nightlight, and Deputy Durham County Manager Michael Palmer has visited Boston to observe the city's model for dealing with juveniles.

Studying other alternative programs reinforces the idea that there are no magic or exotic answers.

At the Three Springs Wilderness Camp outside of Pittsboro, juveniles live in the wild, as part of probation agreements, to build character as they rough it.

The results have been mixed, said Paul Savery, a juvenile program coordinator for Durham County.

"We have had good experiences and positive outcomes, but with all treatment placements, there are some children who fail to respond. When we say they fail, it might be because they weren't motivated, or in retrospect, they weren't matched with the best placement," he said. "We like to think we do a pretty good job."

Research backs up the idea that simple, alternative approaches don't work unless they include follow-up — whether it's just calls to children's homes once a month or checking for a year, as PROUD

does to make sure the child has not committed another crime.

Dwinnell said. The more intense the services, the better.

### 'Shock treatments'

A government study on "shock treatments," which include programs that force juveniles to spend time in wilderness camps or in military-style boot camps, concluded the same.

"The boot-camp experience in itself does not reduce [repeat offenses]. . . . Boot camps may seem novel, but again, success seems predicated on a several-pronged approach which should include intensive follow-up after a child's release," the federal government study states.

Also, a child must want help, which means voluntary programs work the best, and the program has to be difficult enough to force many to drop out, the study concludes.

On the other end is an extensive study that shows "law-and-order" reforms also fail to cut crime.

The answer seems to be some combination of the two schools of thought: Show juveniles that there is punishment for crime, but also work hard to prevent the crime to begin with.

Some popular programs have been proven failures, according to studies, such as Drug Abuse Resistance Education, or D.A.R.E., and boot camps, which do not pass empirical scrutiny and are said largely to be failures.

The programs that work involve basic, sensible activities, such as improving schools, teaching children how to read or ensuring the health of young children, federal reports and a University of Maryland study have shown.

### JUVENILE JUSTICE SERIES

## Prospects for change

Our eight-part series "Juvenile Injustice" has examined many ways in which North Carolina's juvenile justice system is broken. The overriding problem is that the laws pertaining to juvenile crime are antiquated, intended for a time when serious crimes among juveniles were rare.

Herald-Sun reporter Christopher Kirkpatrick has looked at a number of areas that judges and other experts have identified as problems in the state code. There are not enough youth homes that run effective programs to prevent delinquents from becoming lifetime criminals. There is no effective way to enforce the state's compulsory school-attendance law and prevent truancy. The confidentiality that surrounds court records of juvenile offenders hampers effective police work against repeat offenders and keeps agencies from sharing vital information. Above all, the system allows juvenile offenders too many second chances.

However, today's final installment of the series offers a ray of hope. Kirkpatrick examines a Boston program that is successfully putting a dent in that city's juvenile crime. A

program called Operation Nightlight operates on the old-fashioned premise that probation ought to have consequences, rather than be a joy ride. In Operation Nightlight, probation officers work at night, paying surprise visits to the homes of offenders to ensure they obey curfews and other provisions of probation.

Stepped-up enforcement is just one aspect of the program. Boston has worked to make sure agencies share information, and offenders who break probation agreements face aggressive prosecution. Since Operation Nightlight began, Boston has had a 29-month stretch without any juvenile murders.

Boston has not eliminated juvenile crime, but it has shown that the problem is not intractable.

North Carolina, too, can get a handle on its juvenile crime problem. The Governor's Commission on Juvenile Crime and Justice headed by Durham prosecutor Marcia Morey issued a set of recommendations earlier this year that point the way. The report contains a number of worthwhile recommendations for overhauling the juvenile justice code.

For example, the commission recommends that juveniles charged with felonies who are not in secure custody be required to make an initial court appearance within five days of service of a summons. Juveniles charged with felonies also could be photographed and fingerprinted. These recommendations are designed to ensure that offenders immediately see the seriousness of their actions.

The governor's commission did exemplary work. It's up to the Legislature to transform the commission's recommendations into law. North Carolina's habitual youthful offenders must not be allowed to continue to beat the system and make a mockery of justice.

## **Lose Control, Lose Your License**

**(Including concerns addressed at June 18 Judiciary Meeting)**

- If a student has been suspended, expelled, or placed in an alternative school for more than 10 days for possession or sale of alcohol or a controlled substance on school property, possession or use of a weapon or firearm on school property, or physical assault on and serious injury to a teacher or other school personnel they will lose their driver's license privilege.
- If the student is between the ages of 14 (or eighth grade, whichever comes first) and 15 they will not be able to obtain a Driver's Eligibility Certificate from their school necessary to obtain a driver's license and will not be eligible to obtain a driver's license until they are 18.
- If the student already has obtained a driver's license and they are suspended, expelled, or placed in an alternative school for more than 10 days for one of the above acts the school will send a Certificate of Ineligibility to the Department of Motor Vehicles (DMV) after all administrative appeals are exhausted. The DMV will generate a certified letter to the student informing them that their driving privileges have been suspended for one year.
- The student has the right to an administrative appeal and if the suspension, expulsion, or placement in an alternative school is overturned the license will not be revoked.
- If the student can prove to the principal that he has successfully completed a drug or alcohol treatment or counseling program or demonstrated exemplary student behavior they can earn their driving privileges back six months from the date of suspension.
- If the school does not provide transportation or the student requires transportation to counseling the principal can authorize the student to keep their driving privilege.
- When the student is ready to apply for a learner's permit he must obtain a Driver's Eligibility Certification from the school, which is signed by the school administrator after receiving a consent from the parent. In signing a consent form the parent is authorizing the school to release any of their child's records relevant to this law to the DMV in the future. This complies with FERPA requirements as verified by Ellen Campbell with the Family Policy Compliance Office in the U.S. Department of Education.

3

5 "Part 5. Juvenile Crime Prevention Councils.

6 "§ 143B-550. Legislative intent.

7 It is the intent of the General Assembly both to reduce the number  
8 of juveniles committed by the courts for delinquency to institutions  
9 operated by the Department of Juvenile Justice and to prevent  
10 juveniles who are at risk from becoming delinquent. The primary  
11 intent of this Part is to provide an ongoing, comprehensive  
12 State/local partnership to develop nonduplicative community-based  
13 alternatives to training school and to provide community-based  
14 delinquency and substance abuse prevention strategies and programs.  
15 Additionally, it is the intent of the General Assembly to provide  
16 noninstitutional dispositional alternatives that will protect the  
17 community and the juvenile.

18 These programs and services shall be planned and organized at the  
19 community level, and developed in partnership with the State. These  
20 planning efforts shall include appropriate representation from local  
21 government, local public and private agencies serving juveniles and  
22 their families, local business leaders, citizens with an interest in  
23 youth problems, youth representatives, and others as may be

41 consent to the release of the motor vehicle on the petition and  
42 return the petition to the clerk of court who shall enter an  
43 order releasing the motor vehicle to the defendant upon payment

2 issue notice by registered or certified mail,

4 ~~of notice from the lienor,~~ to the person having  
5 legal title to the property, if reasonably

7 dealt if different, and to each secured party and  
8 other person claiming an interest in the property  
9 who is actually known to the Division or who can be  
10 reasonably ascertained. The notice shall state that  
11 a lien has been asserted against specific property  
12 and shall identify the lienor, the date that the  
13 lien arose, the general nature of the services  
14 performed and materials used or sold for which the  
15 lien is asserted, the amount of the lien, and that  
16 the lienor intends to sell the property in  
17 satisfaction of the lien. The notice shall inform

20 be made as to the validity of the lien prior to a  
21 sale taking place. The notice shall further state  
22 that the recipient has a period of 10 days from the  
23 date of receipt in which to notify the Division by

32 form whereby the recipient may notify the Division  
33 that a hearing is desired by the return of such  
34 form to the Division. The Division shall notify  
35 the lienor whether such notice is timely received  
36 by the Division. In lieu of the notice by the  
37 lienor to the Division and the notices issued by  
38 the Division described above, the lienor may issue  
39 notice on a form approved by the Division pursuant  
40 to the notice requirements above. If notice is  
41 issued by the lienor, the recipient shall return  
42 the form requesting a hearing to the lienor, and  
43 not the Division, within 10 days from the date they  
44 receive the notice if a judicial hearing is

2        Division or lienor, as specified in the notice,  
3        within 10 days of the receipt of such notice that a  
4        hearing is desired shall be deemed a waiver of the  
5        right to a hearing prior to the sale of the  
6        property against which the lien is asserted, ~~the~~  
7        ~~Division shall notify the lienor,~~ and the lienor  
8        may proceed to enforce the lien by public or  
9        private sale as provided in this section and the

11       pursuant to such sale. If the Division or lienor,  
12       as specified in the notice, is notified within the  
13       10-day period provided above that a hearing is  
14       desired prior to sale, the lien may be enforced by  
15       sale as provided in this section and the Division  
16       will transfer title only pursuant to the order of a  
17       court of competent jurisdiction.

18       If the ~~Division notifies the lienor that the~~  
19       registered or certified mail notice has been  
20       returned as undeliverable, or if ~~the Division~~  
21       ~~cannot ascertain~~ the name of the person having  
22       legal title to the vehicle cannot reasonably be  
23       ascertained and the fair market value of the  
24       vehicle is less than eight hundred dollars  
25       (\$800.00), the lienor may institute a special  
26       proceeding in the county where the vehicle is being  
27       held, for authorization to sell that vehicle.  
28       Market value shall be determined by the schedule of  
29       values adopted by the Commissioner under G.S. 105-  
30       187.3.

31       In such a proceeding a lienor may include more  
32       than one vehicle, but the proceeds of the sale of  
33       each shall be subject only to valid claims against  
34       that vehicle, and any excess proceeds of the sale  
35       shall escheat to the State and be paid immediately  
36       to the treasurer for disposition pursuant to  
37       Chapter 116B of the General Statutes. A vehicle  
38       owner or possessor claiming an interest in such  
39       proceeds shall have a right of action under G.S.  
40       116B-38.

41       The application to the clerk in such a special  
42       proceeding shall contain the notice of sale  
43       information set out in subsection (f) hereof. If  
44       the application is in proper form the clerk shall

1 enter an order authorizing the sale on a date not  
2 less than 14 days therefrom, and the lienor shall  
3 cause the application and order to be sent  
4 immediately by first-class mail pursuant to G.S.  
5 1A-1, Rule 5, to each person to whom ~~the Division~~  
6 ~~has mailed~~ notice was mailed pursuant to this  
7 subsection. Following the authorized sale the  
8 lienor shall file with the clerk a report in the  
9 form of an affidavit, stating that the lienor has  
10 complied with the public or private sale provisions  
11 of G.S. 44A-4, the name, address, and bid of the  
12 high bidder or person buying at a private sale, and  
13 a statement of the disposition of the sale  
14 proceeds. The clerk then shall enter an order  
15 directing the Division to transfer title  
16 accordingly.

17 If prior to the sale the owner or legal  
18 possessor contests the sale or lien in a writing  
19 filed with the clerk, the proceeding shall be  
20 handled in accordance with G.S. 1-399."

## MEMORANDUM

**TO:** Senator Roy Cooper, Chair, Senate Judiciary Committee

**FROM:** O. Walker Reagan, Committee Co-Counsel

**RE:** **SECOND PROPOSED COMMITTEE SUBSTITUTE FOR SENATE BILL 1336 - 1998 GOVERNOR'S DWI AMENDMENTS - Senator Odom - S1336-CSRU-002.**

Senate Bill 1336 is a recommendation of the Joint Corrections and Crime Control Oversight Committee and the Governor's DWI Task Force. The bill would implement 5 recommendations of these two groups:

- Revise the DWI forfeiture laws and other related laws.
- Provide for expedited hearings of DWI's involving seized vehicles.
- Provide for zero alcohol tolerance for commercial drivers, school bus drivers, and day care vehicle drivers.
- Provide for the immediate 30-day revocation for drivers licenses of persons under 21 violating zero tolerance.
- Increase the penalty for 19 and 20 year old possessing or purchasing alcoholic beverages.

## PART I - DWI FORFEITURE AMENDMENTS

Part I of the bill (Sections 1 through 17) amends the DWI forfeiture law to make changes and improvements in the law in seven major ways:

1. Expands coverage of the law.
2. Provides greater protections for innocent owners.
3. Provides more bonding options to obtain pre-trial temporary release of the vehicle to nondefendant owners.
4. Provides greater protections for lienholders.
5. Provides greater protections for school boards.
6. Clarifies the authority of law enforcement officers and magistrates in seizure situations.

7. Expedites the sale of some seized vehicles providing greater protections to all parties to avoid excessive storage costs.

**Section 1** expands the definition of offenses involving impaired driving to include first degree murder when based on impaired driving and habitual impaired driving.

**Section 2 (20-28.2)** expands the definition of "impaired driving revocation" to include revocations for habitual impaired driving, commercial driving while impaired, and all vehicular homicides involving impaired driving.

Subsection (a1) includes in the definition of an "innocent owner" persons whose vehicle was reported stolen, persons who filed a police report for unauthorized use of the vehicle, and persons who rent cars that are driven by a person not authorized on the contract to drive.

Subsection (b) permits a forfeiture hearing to be held either at sentencing, at a subsequent hearing, or at an expedited hearing after the defendant fails to appear on the DWI charge and the order of arrest for failing to appear has not been set aside within 60 days.

Subsection (c1) provides that insurance proceeds due from a vehicle damaged in conjunction with the offense leading to the seizure are considered part of the value of the vehicle seized and the proceeds are made subject to forfeiture as well.

Subsection (d) is amended to allow the court to order forfeited collected insurance proceeds and the rights to claim unpaid insurance proceeds.

Subsection (e) provides for the vehicle to be returned to an innocent owner, including a lessor, upon payment of towing and storage charges.

Subsection (f) provides for the vehicle to be released to a lienholder if the vehicle owner is in default on the loan secured by the vehicle, to be sold in accordance with the repossession law, with any equity arising from the sale to be paid to the county board of education.

**Section 3 (20-28.3)** Subsections (b) does not require the officer to seize a vehicle reported stolen or a rental vehicle driven by a person not authorized on the rental agreement, and together with (b1) removes from arresting officer the duty to notify the relevant parties of the seizure of the vehicle and transfers that responsibility to a state agency designated by the Governor.

Subsection (c1) makes an order of seizure valid statewide and clarifies law enforcement's authority to effect the order of seizure.

Subsection (d) allows custody of seized vehicles to be held either through a state or regional central storage arrangement, or if none is available, by the local county board of education. Storage fees are raised from \$5 per day to \$10 per day, and school boards are allowed to charge for storage if cars are held on school property. Private commercial towing companies are entitled to payment for towing and storage charges prior to releasing the vehicle, unless other arrangements are agreed to by the towing company.

Subsection (e) expands the options for obtaining temporary release of a seized vehicle by a nondefendant owner pending trial by allowing property and bail bonds as collateral for the return of the vehicle at the forfeiture hearing.

Subsection (e1) allows a pretrial determination of innocent owner status by petition. Upon the filing of the petition a court hearing will be set within 10 days, during which time the district attorney may authorize the release of the vehicle if the district attorney determines that the vehicle will not be subject to forfeiture.

Subsection (e2) establishes a way for a defendant owner to have a pretrial hearing on the question of whether the vehicle is subject to forfeiture where the defendant contends that the defendant's license was not revoked for an impaired driving offense and the seizure was a mistake.

Subsection (e3) allows the lienholder to petition for pretrial release where the owner is in default on the loan. The lienholder is allowed to sell the vehicle in accordance with the repossession law and any equity arising from the sale is to be paid to the county board of education.

Subsection (h) provides for insurance proceeds to be seized pending forfeiture, allowing the school board attorney to negotiate the claim and allowing a vehicle determined to be a total loss to be released upon payment of the proceeds.

Subsection (i) provides for several circumstances where a seized vehicle may be sold prior to forfeiture in order to mitigate excessive storage charges. Those situations include 1) where the owner consents to the sale, 2) after 90 days if the vehicle is worth \$1,500 or less, and 3) anytime the towing and storage charges equal or exceed 85% of the worth of the vehicle.

Subsection (k) authorizes the school board attorney to take a more active and significant role in the forfeiture process.

Subsection (l) provides that the defendant be taxed with the cost of towing and storage as part of the restitution for the criminal offense.

Subsection (m) makes trials of DWI cases involving seized vehicles a higher priority and restricts grounds on which these cases can be continued to later dates.

**Section 4 (20-28.4)** makes conforming changes for other changes made in the bill.

**Section 5 (20-28.5).** Subsection (a) changes the sales process for forfeited vehicles from a judicial sale to a public sale with special notices as permitted for the disposal of surplus property by schools.

Subsection (c) clarifies how much the county school board should pay other school boards in the county if the county school board retains the forfeited vehicle.

**Section 6** repeals restrictions on registration of vehicles for persons whose vehicles are forfeited. These provisions have been recodified in other sections of the law in Sections 9 and 10 of the bill.

**Section 8 (20-28.8 and 20-28.9)** clarify what information the clerk of court is required to report to DMV and authorizes the Department of Public Instruction to administer regional or statewide contracts for the towing, storage, and sale of seized

and forfeited vehicles. It also clarifies that storage fees up to \$10 per day may be charged for storage under a statewide or regional contract and that a \$10 per vehicle administrative fee will be collect to defray the costs for DPI to administer this program.

**Sections 9 and 10 (20-54 and 20-54.1)** recodify restrictions on registration of vehicles for persons whose vehicles are forfeited.

**Section 12.1** requires DMV to modify the accident report form to provide for the investigative officer to indicate on the accident report if the vehicle involved in the accident was seized and subject to forfeiture.

**Section 14 (44A-2(d))** amends the mechanics lien statute to exempt seized vehicle towed or stored from the mechanics lien statute and provides for payment of towing and storage through the seizure and forfeiture process where these costs are required to be paid when the vehicle is release or paid from the proceeds of sale

**Section 15 (44A-4(b)(1))** amends the mechanics lien statute to permit another alternative for notice to be sent to a vehicle owner whose vehicle is subject to sale to satisfy an unpaid mechanics lien. Under this provision in addition to DMV sending the notice, the lienholder may send the notice directly.

**Sections 16 and 17 (58-71-1 and 58-71-35)** amend the bail bond statutes to allow bail bonds to be used to bond the release of seized vehicles.

## **PART II - ZERO TOLERANCE FOR COMMERCIAL DRIVERS**

**Sections 18 through 24** amend the laws for commercial driving while impaired offense by reducing the permissible alcohol level from less than 0.04 to no alcohol at all. These sections also revoke for life a commercial drivers license for a second or subsequent commercial DWI.

## **PART III - ZERO TOLERANCE FOR SCHOOL BUS DRIVERS AND OPERATORS OF CHILD CARE VEHICLES**

**Sections 25 through 29** make it illegal to drive a school bus or a child care vehicle with any alcohol in the body. Currently, operators of larger vehicles are required to have commercial drivers licenses and are subject to a 0.04 blood alcohol limit. This change would make zero tolerance applicable not to just commercial drivers but also operators of small vehicles for which a commercial drivers license is not required.

## **PART IV - IMMEDIATE REVOCATION FOR UNDER 21 DRIVERS**

**Sections 30 through 32** makes the immediate 30-day civil revocation of a drivers license for DWI offenses also applicable for violations of zero tolerance for drivers under age 21.

#### **PART V - INCREASE PUNISHMENT FOR 19 OR 20 YEAR OLDS FOR PURCHASE OR POSSESSION OF ALCOHOLIC BEVERAGES**

**Section 33** repeals the provision that makes purchase or possession of alcoholic beverages by 19 or 20 year olds an infraction, thereby increasing the punishment to a Class 1 misdemeanor.

**Section 34** makes a conforming change to the expunction statute for this offense.

#### **PART VI - MISCELLANEOUS PROVISIONS**

**Section 35** authorizes the Department of Public Instruction to hire a part-time person to administer the statewide or regional towing and storage contract for seized vehicles.

#### **PART VII - EFFECTIVE DATE**

The provisions in the bill changing the DWI forfeiture law would become effective October 1, 1998 and would apply to offenses committed on or after that date. The new provisions allowing for increase options to release a seized vehicle through bonding, an innocent owner petition, a defendant owner petition, a lienholder petition, insurance proceeds and expedited pre-trial sales would apply to vehicles currently held on the effective date. The Parts for zero tolerance violations, immediate revocation for under 21 zero tolerance violation, and increasing the penalty for 19 and 20 year old alcoholic beverages purchase or possession are effective December 1, 1998.

### MEMORANDUM

**TO:** Senator Roy Cooper, Chair, Senate Judiciary Committee

**FROM:** Jo B. McCants, Committee Co-Counsel

**DATE:** July 14, 1998

**RE: HOUSE BILL 354 - Eliminate Certified Mail Requirement in Bond Cases**

House Bill 354 is a recommendation of the North Carolina Courts Commission. The bill was originally recommended by the Commission in 1997 and passed the House of Representatives during the 1997 Session.

House Bill 354 amends G.S. 15A-544(b) which requires the Clerk of Superior Court to send a copy of an order of bond forfeiture and the notice that judgment will be entered after 60 days to each obligor by certified mail.

The Courts Commission noted in its report that prior to changes enacted by the General Assembly during the 1995 Regular Session, an order of bond forfeiture was served by the sheriff, and if the sheriff could not complete service, the order was mailed by the clerk by regular mail. During the 1995 Regular Session, the General Assembly removed the requirement that the sheriff first attempt service of the order and provided that the clerk serve the order by certified mail. The Clerks of Court Association explained to the Commission that the requirement of certified mail be used to send notice results in increased costs for service and creates additional work for the clerks. The Association also stated that the notice by certified mail serves little or no purpose since, in most cases, the defendant cannot be located.

#### **Section 1.**

Requires the Clerk of Superior Court to serve a copy of the order of bond forfeiture and notice to each obligor by first class mail.

#### **Section 2.**

The act is effective when it becomes law.

**Note: This exact amendment is stated in Section 16.13 of the Senate Budget Bill, SB 1366.**

11 being reimbursed this expense when the vehicle is released or  
12 sold. The Department shall not enter into any contract under  
13 this section under which the State will be obligated to pay an  
14 deficiency arising from the sale of any forfeited motor vehicle.

42 operated or moved upon the highways.

43 (3) The Division has reasonable ground to believe that  
44 the vehicle is a stolen or embezzled vehicle, or

2           of a certificate of title would constitute a fraud  
3           against the rightful owner or another person who

41          opportunity for a hearing to demonstrate that the owner is an  
42          innocent owner as defined in G.S. 20-28.2. Upon receipt of  
43          notice of revocation of registration from the Division, the owner

34          Section 15. G.S. 44A-4(b)(1) reads as rewritten:

35          "(b) Notice and Hearings. --

- 36               (1) If the property upon which the lien is claimed is a

40               notice to the Division of Motor Vehicles that a  
41               lien is asserted and sale is proposed and shall  
42               remit to the Division a fee of ten dollars  
43               (\$10.00). The Division of Motor Vehicles shall  
44               issue notice by registered or certified mail,

1 return receipt requested, ~~within 15 days of receipt~~  
2 ~~of notice from the lienor,~~ to the person having  
3 legal title to the property, if reasonably  
4 ascertainable, to the person with whom the lienor  
5 dealt if different, and to each secured party and  
6 other person claiming an interest in the property  
7 who is actually known to the Division or who can be  
8 reasonably ascertained. The notice shall state that  
9 a lien has been asserted against specific property  
10 and shall identify the lienor, the date that the  
11 lien arose, the general nature of the services  
12 performed and materials used or sold for which the  
13 lien is asserted, the amount of the lien, and that  
14 the lienor intends to sell the property in  
15 satisfaction of the lien. The notice shall inform  
16 the recipient that the recipient has the right to a  
17 judicial hearing at which time a determination will  
18 be made as to the validity of the lien prior to a  
19 sale taking place. The notice shall further state  
20 that the recipient has a period of 10 days from the  
21 date of receipt in which to notify the Division by  
22 registered or certified mail, return receipt  
23 requested, that a hearing is desired and that if  
24 the recipient wishes to contest the sale of his  
25 property pursuant to such lien, the recipient  
26 should notify the Division that a hearing is  
27 ~~desired and the Division shall notify lienor.~~  
28 desired. The notice shall state the required  
29 information in simplified terms and shall contain a  
30 form whereby the recipient may notify the Division  
31 that a hearing is desired by the return of such  
32 form to the Division. The Division shall notify  
33 the lienor whether such notice is timely received  
34 by the Division. In lieu of the notice by the  
35 lienor to the Division and the notices issued by  
36 the Division described above, the lienor may issue  
37 notice on a form approved by the Division pursuant  
38 to the notice requirements above. If notice is  
39 issued by the lienor, the recipient shall return  
40 the form requesting a hearing to the lienor, and  
41 not the Division, within 10 days from the date they  
42 receive the notice if a judicial hearing is  
43 requested. Failure of the recipient to notify the  
44 Division or lienor, as specified in the notice,

1 within 10 days of the receipt of such notice that a  
2 hearing is desired shall be deemed a waiver of the  
3 right to a hearing prior to the sale of the  
4 property against which the lien is asserted, ~~the~~  
5 ~~Division shall notify the lienor,~~ and the lienor  
6 may proceed to enforce the lien by public or  
7 private sale as provided in this section and the  
8 Division shall transfer title to the property  
9 pursuant to such sale. If the Division or lienor,  
10 as specified in the notice, is notified within the  
11 10-day period provided above that a hearing is  
12 desired prior to sale, the lien may be enforced by  
13 sale as provided in this section and the Division  
14 will transfer title only pursuant to the order of a  
15 court of competent jurisdiction.

16 If the ~~Division notifies the lienor that the~~  
17 registered or certified mail notice has been  
18 returned as undeliverable, or if ~~the Division~~  
19 ~~cannot ascertain~~ the name of the person having  
20 legal title to the vehicle cannot reasonably be  
21 ascertained and the fair market value of the  
22 vehicle is less than eight hundred dollars  
23 (\$800.00), the lienor may institute a special  
24 proceeding in the county where the vehicle is being  
25 held, for authorization to sell that vehicle.  
26 Market value shall be determined by the schedule of  
27 values adopted by the Commissioner under G.S. 105-  
28 187.3.

29 In such a proceeding a lienor may include more  
30 than one vehicle, but the proceeds of the sale of  
31 each shall be subject only to valid claims against  
32 that vehicle, and any excess proceeds of the sale  
33 shall escheat to the State and be paid immediately  
34 to the treasurer for disposition pursuant to  
35 Chapter 116B of the General Statutes. A vehicle  
36 owner or possessor claiming an interest in such  
37 proceeds shall have a right of action under G.S.  
38 116B-38.

39 The application to the clerk in such a special  
40 proceeding shall contain the notice of sale  
41 information set out in subsection (f) hereof. If  
42 the application is in proper form the clerk shall  
43 enter an order authorizing the sale on a date not  
44 less than 14 days therefrom, and the lienor shall

1 cause the application and order to be sent  
2 immediately by first-class mail pursuant to G.S.  
3 1A-1, Rule 5, to each person to whom ~~the Division~~  
4 ~~has mailed~~ notice was mailed pursuant to this  
5 subsection. Following the authorized sale the  
6 lienor shall file with the clerk a report in the  
7 form of an affidavit, stating that the lienor has  
8 complied with the public or private sale provisions  
9 of G.S. 44A-4, the name, address, and bid of the  
10 high bidder or person buying at a private sale, and  
11 a statement of the disposition of the sale  
12 proceeds. The clerk then shall enter an order  
13 directing the Division to transfer title  
14 accordingly.

15 If prior to the sale the owner or legal  
16 possessor contests the sale or lien in a writing  
17 filed with the clerk, the proceeding shall be  
18 handled in accordance with G.S. 1-399."
